

HT

ki

1
00:00:04,340 --> 00:00:02,570
and it hits me oh my gosh this is that

2
00:00:05,539 --> 00:00:04,350
triangle you know there's explanation

3
00:00:07,490 --> 00:00:05,549
for everything that occurred in the

4
00:00:10,009 --> 00:00:07,500
rendlesham forest incident it doesn't

5
00:00:13,370 --> 00:00:10,019
involve aliens at all it was completely

6
00:00:16,220 --> 00:00:13,380
silent it comes right over our head it's

7
00:00:17,840 --> 00:00:16,230
so a classic flying-saucer really

8
00:00:19,580 --> 00:00:17,850
standing in the clearing he turned over

9
00:00:20,870 --> 00:00:19,590
to my father and held his hand and he

10
00:00:27,560 --> 00:00:20,880
looked in his eyes and said we're not

11
00:00:30,470 --> 00:00:27,570
alone welcome to Podcast UFO for our

12
00:00:32,690 --> 00:00:30,480
live show we're live every wednesday at

13
00:00:34,970 --> 00:00:32,700

eight pm eastern standard time on the

14

00:00:36,970 --> 00:00:34,980

Dark Matter radio network please

15

00:00:40,940 --> 00:00:36,980

remember to visit the website podcast

16

00:00:43,430 --> 00:00:40,950

UFO calm for past episodes blogs and

17

00:00:45,470 --> 00:00:43,440

forums during the show feel free to

18

00:00:47,900 --> 00:00:45,480

participate live in our chat room and

19

00:00:51,590 --> 00:00:47,910

don't forget to Like us on our very

20

00:00:53,959 --> 00:00:51,600

active Facebook page hello and welcome

21

00:00:56,389 --> 00:00:53,969

to Podcast UFO on the Dark Matter Radio

22

00:00:59,420 --> 00:00:56,399

Network this is michael luke filling in

23

00:01:02,389 --> 00:00:59,430

for Martin Willis uh Martin is still on

24

00:01:05,179 --> 00:01:02,399

his globe dropping his klobe trotting

25

00:01:07,640 --> 00:01:05,189

ways if you are following him on our

26
00:01:10,490 --> 00:01:07,650
very active Facebook page you might know

27
00:01:13,969 --> 00:01:10,500
that he has actually sprained his ankle

28
00:01:16,399 --> 00:01:13,979
so now he is having a vacation full of

29
00:01:18,140 --> 00:01:16,409
downtime and boredom I wouldn't be

30
00:01:20,300 --> 00:01:18,150
surprised if he is listening now even

31
00:01:22,580 --> 00:01:20,310
though there is a substantial time

32
00:01:26,120 --> 00:01:22,590
difference between us here in the states

33
00:01:28,550 --> 00:01:26,130
and him here or he there wherever he is

34
00:01:30,200 --> 00:01:28,560
I am not even going to try to pronounce

35
00:01:32,690 --> 00:01:30,210
the name of this town I don't know if

36
00:01:36,260 --> 00:01:32,700
anybody else has has seen it it's about

37
00:01:37,880 --> 00:01:36,270
18 letters long and then when I was like

38
00:01:39,830 --> 00:01:37,890

wow that's you know quite a name he sent

39

00:01:43,249 --> 00:01:39,840

me the name in Cyrillic as if that was

40

00:01:44,780 --> 00:01:43,259

going to clarify it for me um it it

41

00:01:47,810 --> 00:01:44,790

didn't Martin if you're listening I

42

00:01:50,569 --> 00:01:47,820

still don't know where you are but we're

43

00:01:53,120 --> 00:01:50,579

hoping you feel better um I'm Michael

44

00:01:55,819 --> 00:01:53,130

out if you have been a longtime listener

45

00:01:58,670 --> 00:01:55,829

you probably know that I used to do the

46

00:02:00,770 --> 00:01:58,680

news before Alejandro and then once the

47

00:02:03,469 --> 00:02:00,780

show's went live I kind of drifted off

48

00:02:06,679 --> 00:02:03,479

into the sunset still right for the show

49

00:02:08,630 --> 00:02:06,689

occasionally and fill in as a guest host

50

00:02:10,609 --> 00:02:08,640

here and there what have I been doing

51
00:02:13,809 --> 00:02:10,619
because I do have some people ask me

52
00:02:17,170 --> 00:02:13,819
that uh when I left I was very sick so

53
00:02:19,209 --> 00:02:17,180
people are aware that arm ended up

54
00:02:22,629 --> 00:02:19,219
having something called celiac disease

55
00:02:25,509 --> 00:02:22,639
which is a uh it's explained as a gluten

56
00:02:29,470 --> 00:02:25,519
allergy a lot it's not it's uh actually

57
00:02:31,599 --> 00:02:29,480
my body treating the proteins and

58
00:02:33,879 --> 00:02:31,609
glutinous if it was a disease it's a

59
00:02:35,259 --> 00:02:33,889
really weird kind of thing but I'm

60
00:02:37,959 --> 00:02:35,269
feeling a lot better now I'm actually

61
00:02:39,849 --> 00:02:37,969
doing martial arts again and starting to

62
00:02:42,670 --> 00:02:39,859
look at going back into my career as a

63
00:02:44,319 --> 00:02:42,680

professional magician and so I'm doing

64

00:02:46,330 --> 00:02:44,329

pretty well all the way around thanks

65

00:02:48,849 --> 00:02:46,340

for asking i also have a new book out

66

00:02:50,800 --> 00:02:48,859

which I know it's been mentioned on our

67

00:02:52,209 --> 00:02:50,810

Facebook page as well if anybody wants

68

00:02:54,250 --> 00:02:52,219

to check it out it's called Grand

69

00:02:57,189 --> 00:02:54,260

Tournament you can find it on Amazon and

70

00:03:00,819 --> 00:02:57,199

paperback or ebook it's not a UFO book

71

00:03:03,339 --> 00:03:00,829

sorry to disappoint it is a if your

72

00:03:05,439 --> 00:03:03,349

high-minded it is a english language

73

00:03:08,679 --> 00:03:05,449

take on the chinese whoosh ah literary

74

00:03:11,140 --> 00:03:08,689

tradition if you are low-minded it is a

75

00:03:13,390 --> 00:03:11,150

kung fu novel kung fu movie you can read

76

00:03:17,289 --> 00:03:13,400

so either if we either one of those

77

00:03:20,289 --> 00:03:17,299

grabs you check it out on amazon one

78

00:03:23,259 --> 00:03:20,299

other little bit of business we don't do

79

00:03:25,030 --> 00:03:23,269

as you all know the astronomy so much

80

00:03:26,080 --> 00:03:25,040

anymore on the show but i want to

81

00:03:27,939 --> 00:03:26,090

mention to all our listeners

82

00:03:30,069 --> 00:03:27,949

particularly in north america there is a

83

00:03:33,550 --> 00:03:30,079

lunar eclipse this weekend the sunday

84

00:03:36,249 --> 00:03:33,560

night go out and check it out you should

85

00:03:38,740 --> 00:03:36,259

be able to look up on the internet where

86

00:03:40,929 --> 00:03:38,750

and win is going to be the best location

87

00:03:43,809 --> 00:03:40,939

for you and your area to see it but get

88

00:03:46,379 --> 00:03:43,819

out there and sky watch you know um it's

89

00:03:50,170 --> 00:03:46,389

uh it's a great hobby and if you're

90

00:03:52,420 --> 00:03:50,180

looking for the UFOs it's a good thing

91

00:03:55,330 --> 00:03:52,430

if you know what's already supposed to

92

00:03:57,309 --> 00:03:55,340

be up in the skies so you know get a get

93

00:03:59,050 --> 00:03:57,319

a cheap pair of astronomy binoculars

94

00:04:01,059 --> 00:03:59,060

they're not that much their way easier

95

00:04:03,879 --> 00:04:01,069

to use in a telescope and and start sky

96

00:04:07,509 --> 00:04:03,889

watching now with all that business

97

00:04:10,509 --> 00:04:07,519

aside lets get to tonight's guest and

98

00:04:13,089 --> 00:04:10,519

into the show on tonight's show is going

99

00:04:15,789 --> 00:04:13,099

to be two hours free for everyone as you

100

00:04:18,430 --> 00:04:15,799

know we're we're switching supporter

101
00:04:22,269 --> 00:04:18,440
platforms here at podcast UFO that

102
00:04:24,430 --> 00:04:22,279
should all be arranged shortly after

103
00:04:27,820 --> 00:04:24,440
Martin returns and Martin will be back

104
00:04:29,710 --> 00:04:27,830
next week so this this week's free

105
00:04:32,140 --> 00:04:29,720
for everybody enjoy it's going to be two

106
00:04:34,749 --> 00:04:32,150
hours with our guest mr. William

107
00:04:36,670 --> 00:04:34,759
Garbowsky who is the author of black

108
00:04:40,420 --> 00:04:36,680
light perspectives on mysterious

109
00:04:42,369 --> 00:04:40,430
phenomena and a bunch of fiction which

110
00:04:44,589 --> 00:04:42,379
we're going to talk about as well as how

111
00:04:46,899 --> 00:04:44,599
we went from fiction and nonfiction and

112
00:04:48,850 --> 00:04:46,909
why he's in this whole paranormal mess

113
00:04:51,040 --> 00:04:48,860

to begin with and that seems like a

114

00:04:55,540 --> 00:04:51,050

great time to just go ahead and say

115

00:04:57,189 --> 00:04:55,550

William are there I yes sir thanks for

116

00:05:01,860 --> 00:04:57,199

having me on Michael alright do you

117

00:05:07,510 --> 00:05:01,870

prefer William erbil we can go with bill

118

00:05:09,550 --> 00:05:07,520

bill bill it is okay um let's the

119

00:05:11,290 --> 00:05:09,560

easiest way to do let's let's you know

120

00:05:14,379 --> 00:05:11,300

we're always going to have somebody in

121

00:05:18,459 --> 00:05:14,389

the audience going ok this guy wrote a

122

00:05:21,939 --> 00:05:18,469

book on paranormal phenomena why should

123

00:05:23,379 --> 00:05:21,949

I care what he thinks so let's I mean

124

00:05:25,300 --> 00:05:23,389

let's just be point blank and say why

125

00:05:30,820 --> 00:05:25,310

should we care what you think as opposed

126

00:05:33,430 --> 00:05:30,830

to anyone else out there sure and I

127

00:05:36,790 --> 00:05:33,440

asked the question at every time I see a

128

00:05:39,040 --> 00:05:36,800

new book that you know treating treating

129

00:05:43,119 --> 00:05:39,050

the subjective Beautiful's related

130

00:05:46,959 --> 00:05:43,129

paranormal from basic forte and weird

131

00:05:49,600 --> 00:05:46,969

things and i guess i preface it with as

132

00:05:52,719 --> 00:05:49,610

opposed to a great deal of those books

133

00:05:54,999 --> 00:05:52,729

I'm probably about as I mentioned a

134

00:06:00,189 --> 00:05:55,009

George Knapp probably about ninety-eight

135

00:06:02,649 --> 00:06:00,199

percent on that scale and my purpose in

136

00:06:05,019 --> 00:06:02,659

writing black like black light was

137

00:06:08,529 --> 00:06:05,029

basically to deconstruct everything I've

138

00:06:11,019 --> 00:06:08,539

ever read or encountered about UFOs

139

00:06:13,540 --> 00:06:11,029

paranormal phenomena by the way which I

140

00:06:17,230 --> 00:06:13,550

I'm one of the psychosocial people

141

00:06:20,950 --> 00:06:17,240

hopefully not just a cycle and I think

142

00:06:23,740 --> 00:06:20,960

those two the two fun related but in my

143

00:06:27,189 --> 00:06:23,750

book I pretty much deconstruct those and

144

00:06:29,559 --> 00:06:27,199

try and take the take as much the noise

145

00:06:32,379 --> 00:06:29,569

not a signal as and I can I strip it

146

00:06:35,079 --> 00:06:32,389

down to the to the raw data now I'm not

147

00:06:37,480 --> 00:06:35,089

the first guy to do this but I think I

148

00:06:39,279 --> 00:06:37,490

don't I don't know if recently that's

149

00:06:41,140 --> 00:06:39,289

been the approach in a lot of books i'm

150

00:06:47,530 --> 00:06:41,150

seeing kind of a return

151

00:06:49,770 --> 00:06:47,540

to a lot of peer irrationality worship

152

00:06:52,690 --> 00:06:49,780

of the expert west high paw phasis and

153

00:06:56,500 --> 00:06:52,700

and blacklight pretty much tells you how

154

00:07:01,090 --> 00:06:56,510

why i think this way and how I got there

155

00:07:02,650 --> 00:07:01,100

and what do I make of you know we're all

156

00:07:05,380 --> 00:07:02,660

sick of hearing about laws will but I

157

00:07:10,660 --> 00:07:05,390

have a chapter on that and just UFO

158

00:07:12,850 --> 00:07:10,670

phenomenon in general so that would I

159

00:07:14,770 --> 00:07:12,860

guess that's sweet carissa to why I

160

00:07:20,410 --> 00:07:14,780

wrote the book and why should anyone

161

00:07:22,510 --> 00:07:20,420

care well they have to but um they're

162

00:07:25,240 --> 00:07:22,520

not going to get in black lights are not

163

00:07:27,850 --> 00:07:25,250

going to get the same old um you know I

164

00:07:29,530 --> 00:07:27,860

want to believe attitude because as I

165

00:07:32,080 --> 00:07:29,540

mentioned my introduction I don't want

166

00:07:35,680 --> 00:07:32,090

to believe I don't believe I want I just

167

00:07:38,980 --> 00:07:35,690

one along and and of course that's your

168

00:07:41,410 --> 00:07:38,990

jumping into a you know a pit of snakes

169

00:07:43,900 --> 00:07:41,420

with that attitude but that is that's

170

00:07:46,030 --> 00:07:43,910

sick I would rather really know what's

171

00:07:49,870 --> 00:07:46,040

going on if it's possible to ever know

172

00:07:55,150 --> 00:07:49,880

and to kind of have a religious you know

173

00:07:58,090 --> 00:07:55,160

a faith faith in it okay and Ed just so

174

00:07:59,860 --> 00:07:58,100

everybody knows um I asked the question

175

00:08:01,720 --> 00:07:59,870

that bluntly because I've read the book

176

00:08:06,130 --> 00:08:01,730

and I figured you're the kind of guy you

177

00:08:08,830 --> 00:08:06,140

you would take that and not bad not be

178

00:08:11,290 --> 00:08:08,840

offended so I hopefully I although yeah

179

00:08:13,540 --> 00:08:11,300

and so I just what i want the listeners

180

00:08:16,360 --> 00:08:13,550

to know that that's kind of the attitude

181

00:08:18,640 --> 00:08:16,370

of the book is you are very blunt and

182

00:08:19,810 --> 00:08:18,650

and outspoken and you're going to say

183

00:08:23,830 --> 00:08:19,820

what you think which is which is a

184

00:08:26,740 --> 00:08:23,840

definitely a good way to be um before we

185

00:08:28,990 --> 00:08:26,750

get into the book a little bit let's

186

00:08:31,900 --> 00:08:29,000

let's talk about you so people know who

187

00:08:35,380 --> 00:08:31,910

who they're listening to uh you you are

188

00:08:38,800 --> 00:08:35,390

an author and you've written what is it

189

00:08:40,630 --> 00:08:38,810

seven other novels are actual novels not

190

00:08:44,970 --> 00:08:40,640

non-fiction books and a whole slew of

191

00:08:49,810 --> 00:08:44,980

short stories um what what is your usual

192

00:08:51,850 --> 00:08:49,820

genre what are you usually writing okay

193

00:08:55,060 --> 00:08:51,860

well I can a lot of jumping back and

194

00:08:58,930 --> 00:08:55,070

forth when I first started out

195

00:09:01,240 --> 00:08:58,940

I was waiting for a horror magazine

196

00:09:03,940 --> 00:09:01,250

called the horror Phil back in the early

197

00:09:06,640 --> 00:09:03,950

80s I was with them for five years um

198

00:09:08,860 --> 00:09:06,650

they end up winning world fantasy award

199

00:09:11,410 --> 00:09:08,870

my job there was I was hired to

200

00:09:16,960 --> 00:09:11,420

interview Horror Writers I got to

201
00:09:19,810 --> 00:09:16,970
interview dean koontz Clive Barker show

202
00:09:21,730 --> 00:09:19,820
our lansdale who posed a big guy in

203
00:09:24,640 --> 00:09:21,740
Texas so the preferred have heard of him

204
00:09:28,150 --> 00:09:24,650
oh yeah Lance Elizabeth the book bubba

205
00:09:30,940 --> 00:09:28,160
hotep right I was just gonna say this an

206
00:09:32,800 --> 00:09:30,950
excellent so yes you didn't know yeah so

207
00:09:35,140 --> 00:09:32,810
I yeah I'm I don't you know pretty well

208
00:09:38,050 --> 00:09:35,150
but but anyhow that's all I start I

209
00:09:39,940 --> 00:09:38,060
start again in nonfiction was trying to

210
00:09:41,860 --> 00:09:39,950
get short stories published lottery

211
00:09:43,720 --> 00:09:41,870
reaction so I actually got 98

212
00:09:47,220 --> 00:09:43,730
projections before my first acceptance

213
00:09:50,530 --> 00:09:47,230

and then moved on through the eighties

214

00:09:56,440 --> 00:09:50,540

into trying to write a novel which I

215

00:09:57,940 --> 00:09:56,450

adventure and now I do a lot of excuse

216

00:10:01,570 --> 00:09:57,950

me I do a lot of freelance work and

217

00:10:04,750 --> 00:10:01,580

those writing I've written a movie

218

00:10:07,150 --> 00:10:04,760

tie-in to a forthcoming movie called

219

00:10:10,000 --> 00:10:07,160

Castro's Cadillac which is about a group

220

00:10:13,330 --> 00:10:10,010

of middle aged guides who has a plot to

221

00:10:16,390 --> 00:10:13,340

basically rip off Castro's classic car

222

00:10:20,470 --> 00:10:16,400

collection but one of her pti is an

223

00:10:21,760 --> 00:10:20,480

ex-cia agent and i also like out but i

224

00:10:25,510 --> 00:10:21,770

would say to answer your question

225

00:10:30,250 --> 00:10:25,520

primarily I weird fiction like horror

226

00:10:32,260 --> 00:10:30,260

based fiction with a mix of surrealism

227

00:10:34,000 --> 00:10:32,270

that that's primarily what I do but I

228

00:10:38,830 --> 00:10:34,010

also do a heck of a lot of ghost writing

229

00:10:41,170 --> 00:10:38,840

in in all genres that that's actually my

230

00:10:43,870 --> 00:10:41,180

background as well that's the best I've

231

00:10:48,280 --> 00:10:43,880

written three books on golf and never

232

00:10:50,500 --> 00:10:48,290

actually played a full game of call ok

233

00:10:53,350 --> 00:10:50,510

possible yeah every that's not the

234

00:10:56,080 --> 00:10:53,360

business it's it's uh it's it's a it's a

235

00:10:57,930 --> 00:10:56,090

crazy one so so so that's a little bit

236

00:11:01,930 --> 00:10:57,940

of your background now you've you've

237

00:11:04,540 --> 00:11:01,940

interviewed some real horror greats in

238

00:11:08,830 --> 00:11:04,550

the in in the genre of horror literature

239

00:11:12,130 --> 00:11:08,840

arm you also in in this

240

00:11:14,050 --> 00:11:12,140

book in blacklight uh you obviously have

241

00:11:19,600 --> 00:11:14,060

a a great deal of respect for John keel

242

00:11:23,980 --> 00:11:19,610

um did you did you know John keel um I

243

00:11:26,320 --> 00:11:23,990

met him very very briefly in 2003 at the

244

00:11:27,970 --> 00:11:26,330

it was the second they have a festival

245

00:11:31,150 --> 00:11:27,980

in Point Pleasant West Virginia the

246

00:11:36,010 --> 00:11:31,160

Mothman festival and it was just held

247

00:11:39,010 --> 00:11:36,020

this past weekend and it started in 2002

248

00:11:43,120 --> 00:11:39,020

and keel was there signing a bunch of

249

00:11:44,170 --> 00:11:43,130

books and I I knew he was in there they

250

00:11:46,300 --> 00:11:44,180

have a place there called the bossman

251

00:11:51,670 --> 00:11:46,310

Museum which is if you're into the whole

252

00:11:53,200 --> 00:11:51,680

Mothman deal um it's my employ of course

253

00:11:55,600 --> 00:11:53,210

they have props from the mark pellington

254

00:11:58,420 --> 00:11:55,610

movie and everything but anyhow keel was

255

00:12:02,290 --> 00:11:58,430

in there he was coming out after a book

256

00:12:04,330 --> 00:12:02,300

signing and he was being led out and I

257

00:12:06,990 --> 00:12:04,340

thought my god he's probably exhausted

258

00:12:09,550 --> 00:12:07,000

cuz he was in his seventies button um

259

00:12:11,440 --> 00:12:09,560

but what I didn't know was that his his

260

00:12:13,690 --> 00:12:11,450

eyesight was almost gone he was he was

261

00:12:16,690 --> 00:12:13,700

basically blind and when he was coming

262

00:12:22,360 --> 00:12:16,700

out by introducing myself said hello to

263

00:12:24,520 --> 00:12:22,370

them and we spoke very briefly and then

264

00:12:26,290 --> 00:12:24,530

he went outdoors by the way he was

265

00:12:28,450 --> 00:12:26,300

dressed in a white suit with a black

266

00:12:33,280 --> 00:12:28,460

shirt with wraparound shades he was kind

267

00:12:36,190 --> 00:12:33,290

of like the anti man in black he he

268

00:12:39,190 --> 00:12:36,200

really stood out plying plus and they

269

00:12:41,830 --> 00:12:39,200

were dedicating a there is a stainless

270

00:12:43,930 --> 00:12:41,840

steel sculpture of the so-called Mothman

271

00:12:46,720 --> 00:12:43,940

entity right across the street from this

272

00:12:48,880 --> 00:12:46,730

well right now it's next to the museum

273

00:12:50,860 --> 00:12:48,890

because they moved it and that day they

274

00:12:53,470 --> 00:12:50,870

had dedicated this sculpture and he'll

275

00:12:56,320 --> 00:12:53,480

was out there for to be photographed and

276

00:13:00,160 --> 00:12:56,330

give a speech and so yes I did meet him

277

00:13:02,920 --> 00:13:00,170

it was very brief um but he has had a

278

00:13:06,040 --> 00:13:02,930

huge influence on me mostly in how I

279

00:13:07,600 --> 00:13:06,050

approach the material not so much how I

280

00:13:10,380 --> 00:13:07,610

feel about it and write about it because

281

00:13:13,330 --> 00:13:10,390

he was very skeptical but then he also

282

00:13:15,550 --> 00:13:13,340

he also wrote some things where you're

283

00:13:19,150 --> 00:13:15,560

thinking now is he making this up or

284

00:13:21,600 --> 00:13:19,160

does he honestly is that he would seem

285

00:13:22,690 --> 00:13:21,610

to lapse into like the extra-terrestrial

286

00:13:24,610 --> 00:13:22,700

hypothesis

287

00:13:28,180 --> 00:13:24,620

and then you turn the page and he's

288

00:13:31,300 --> 00:13:28,190

saying it is very unlikely that UFOs are

289

00:13:34,690 --> 00:13:31,310

from you know another you know from some

290

00:13:38,140 --> 00:13:34,700

extrasolar planet so he an infant way

291

00:13:40,090 --> 00:13:38,150

he's hard to figure but yeah I had

292

00:13:43,480 --> 00:13:40,100

massive respect for him because she kind

293

00:13:45,940 --> 00:13:43,490

of had a no BS attitude and say most of

294

00:13:49,540 --> 00:13:45,950

the time and he maintained that

295

00:13:51,850 --> 00:13:49,550

journalistic almost a deadpan style and

296

00:13:55,870 --> 00:13:51,860

he had a sense of humor which is it is

297

00:13:57,490 --> 00:13:55,880

very much lacking and ufology yeah I

298

00:14:00,940 --> 00:13:57,500

always kind of got the impression from

299

00:14:06,790 --> 00:14:00,950

from his books that he was trying to

300

00:14:09,730 --> 00:14:06,800

keep the journalistic up just the facts

301
00:14:14,410 --> 00:14:09,740
we don't know where but was also at

302
00:14:16,720 --> 00:14:14,420
times wrestling with um you know at

303
00:14:18,640 --> 00:14:16,730
times thinking well obviously it's an

304
00:14:20,770 --> 00:14:18,650
alien or obviously it's this and then

305
00:14:23,500 --> 00:14:20,780
catching himself or changing his mind

306
00:14:25,570 --> 00:14:23,510
and and it's up to me that always added

307
00:14:28,480 --> 00:14:25,580
a kind of a real quality to the book

308
00:14:32,290 --> 00:14:28,490
that you know uh there's nothing worse I

309
00:14:35,280 --> 00:14:32,300
think in in this genre of exploitation

310
00:14:38,890 --> 00:14:35,290
than opening a book and someone starts

311
00:14:42,430 --> 00:14:38,900
stating things as if they are empirical

312
00:14:45,550 --> 00:14:42,440
facts 100% obvious like they're going to

313
00:14:49,930 --> 00:14:45,560

explain it all to you because I think I

314

00:14:51,640 --> 00:14:49,940

know you don't have the answer yeah see

315

00:14:54,490 --> 00:14:51,650

that's the thing that's always always

316

00:14:56,920 --> 00:14:54,500

good NAT me ever since God way back in

317

00:14:59,470 --> 00:14:56,930

the in the ancient days of the 70s when

318

00:15:01,420 --> 00:14:59,480

I first read mothman prophecies as much

319

00:15:03,760 --> 00:15:01,430

as that book but scared the crap out of

320

00:15:05,830 --> 00:15:03,770

me I realized you know some of these

321

00:15:07,810 --> 00:15:05,840

things in here these things have got to

322

00:15:11,050 --> 00:15:07,820

be subjective experiences if not all of

323

00:15:13,750 --> 00:15:11,060

them you know and this guy he'll die as

324

00:15:16,680 --> 00:15:13,760

we told him and what you just said about

325

00:15:20,320 --> 00:15:16,690

him really uh was interesting to me that

326

00:15:23,470 --> 00:15:20,330

you killed did not really edit out his

327

00:15:25,450 --> 00:15:23,480

mistakes or his inner conflicts he gave

328

00:15:26,800 --> 00:15:25,460

it to you all like you just mentioned he

329

00:15:28,330 --> 00:15:26,810

would say well obviously it's got to be

330

00:15:31,660 --> 00:15:28,340

this and that and then a page later he

331

00:15:35,680 --> 00:15:31,670

would say well probably not and which

332

00:15:36,580 --> 00:15:35,690

may sound hinky but he'll actually if

333

00:15:38,530 --> 00:15:36,590

you're reading this book

334

00:15:40,630 --> 00:15:38,540

you're seeing his mistakes and then

335

00:15:43,210 --> 00:15:40,640

you're seeing him either apologize from

336

00:15:45,310 --> 00:15:43,220

them or saying you know well I was wrong

337

00:15:47,340 --> 00:15:45,320

about that and I'm willing to admit that

338

00:15:49,480 --> 00:15:47,350

my select my thoughts can involve

339

00:15:51,280 --> 00:15:49,490

especially you know they're dealing with

340

00:15:54,160 --> 00:15:51,290

the subject matter no one has the

341

00:15:55,900 --> 00:15:54,170

answers and knows who say they do and I

342

00:15:57,520 --> 00:15:55,910

probably made that mistake myself a few

343

00:15:59,860 --> 00:15:57,530

times they're either lying to you or

344

00:16:06,460 --> 00:15:59,870

they're just mistaken or there's an ego

345

00:16:09,790 --> 00:16:06,470

problem going on there um let's uh let's

346

00:16:12,910 --> 00:16:09,800

let's jump into the book here um because

347

00:16:14,650 --> 00:16:12,920

there are you mentioned that you talked

348

00:16:17,890 --> 00:16:14,660

about Roswell that always prix up

349

00:16:22,090 --> 00:16:17,900

people's ears um people people love

350

00:16:24,160 --> 00:16:22,100

Roswell uh it's the it's the I don't

351

00:16:26,200 --> 00:16:24,170

know it's the gone with the wind of

352

00:16:28,420 --> 00:16:26,210

ufology at this point I don't know what

353

00:16:32,080 --> 00:16:28,430

it is so good good way to play it yeah

354

00:16:37,210 --> 00:16:32,090

yes and not it never will go away it

355

00:16:41,380 --> 00:16:37,220

won't go away but but it's it's not

356

00:16:44,140 --> 00:16:41,390

going to go away because because if they

357

00:16:47,290 --> 00:16:44,150

it always struck me I mean and you seem

358

00:16:50,380 --> 00:16:47,300

to think that the the government is is

359

00:16:51,820 --> 00:16:50,390

kind of using flying discs as a cover

360

00:16:54,370 --> 00:16:51,830

for something else it always struck me

361

00:16:57,400 --> 00:16:54,380

that if if the government wanted this to

362

00:17:01,420 --> 00:16:57,410

go away and so it would've because they

363

00:17:05,010 --> 00:17:01,430

have done such kind of flat footed silly

364

00:17:08,860 --> 00:17:05,020

things particularly that last round of

365

00:17:10,990 --> 00:17:08,870

explanation a few years back um which

366

00:17:14,590 --> 00:17:11,000

would you care to share with everybody

367

00:17:16,510 --> 00:17:14,600

your thoughts on on what went down with

368

00:17:20,440 --> 00:17:16,520

r as well since you are not you are not

369

00:17:24,460 --> 00:17:20,450

a believer in in aliens crashing into

370

00:17:27,850 --> 00:17:24,470

the desert necessarily right no I'm not

371

00:17:30,640 --> 00:17:27,860

um it is just a clearly a little bit up

372

00:17:32,790 --> 00:17:30,650

i pod would never rule out they live

373

00:17:35,080 --> 00:17:32,800

almost staggered out the otherwise

374

00:17:36,940 --> 00:17:35,090

somewhere in the vast universe or

375

00:17:40,330 --> 00:17:36,950

multiverse because what a hell of a

376

00:17:42,700 --> 00:17:40,340

waste of space isn't but i don't think

377

00:17:47,040 --> 00:17:42,710

they've been here I felt and in

378

00:17:49,780 --> 00:17:47,050

regarding Roswell I I have changed over

379

00:17:50,560 --> 00:17:49,790

lightly though my opinion from what I

380

00:17:53,440 --> 00:17:50,570

wrote in black

381

00:17:55,840 --> 00:17:53,450

light backlight I was going with this

382

00:17:58,539 --> 00:17:55,850

theory that that the writer Martin

383

00:18:00,789 --> 00:17:58,549

Channing came up with that possibly

384

00:18:02,919 --> 00:18:00,799

involved biological warfare some sort of

385

00:18:05,710 --> 00:18:02,929

a test to fail to do that a lot of

386

00:18:09,460 --> 00:18:05,720

people actually and the reason I I was

387

00:18:13,389 --> 00:18:09,470

wrong with that was because based on on

388

00:18:15,430 --> 00:18:13,399

the documentation and the appeal of

389

00:18:18,249 --> 00:18:15,440

cannon and a lot less admit a lot it was

390

00:18:20,289 --> 00:18:18,259

opinion he came across some evidence

391

00:18:24,789 --> 00:18:20,299

that up there were a lot of death and

392

00:18:27,129 --> 00:18:24,799

laws well after in 47 and follow when

393

00:18:30,730 --> 00:18:27,139

seeming like like a lot of at the same

394

00:18:32,619 --> 00:18:30,740

time and he was trying to draw between

395

00:18:34,389 --> 00:18:32,629

that and well what would kill a lot of

396

00:18:37,149 --> 00:18:34,399

people quickly well uh some kind of

397

00:18:40,869 --> 00:18:37,159

microorganism a plague and so that kind

398

00:18:43,509 --> 00:18:40,879

of already came up with that but ffs the

399

00:18:47,259 --> 00:18:43,519

book and and saw more about that I'm

400

00:18:50,470 --> 00:18:47,269

thinking well I bet attested but it just

401
00:18:52,600 --> 00:18:50,480
seems like something that dangerous with

402
00:18:55,299 --> 00:18:52,610
the possibility of massive lawsuits

403
00:18:56,470 --> 00:18:55,309
forever but this present day why would

404
00:18:59,440 --> 00:18:56,480
why would there be that kind of a

405
00:19:02,950 --> 00:18:59,450
risk-taking you know so I'm almost going

406
00:19:05,529 --> 00:19:02,960
back to what have you will all do which

407
00:19:07,299 --> 00:19:05,539
would be most well-known was just calm

408
00:19:09,759 --> 00:19:07,309
skeptics people are skeptical than

409
00:19:14,139 --> 00:19:09,769
they're saying you know the goddamn

410
00:19:15,940 --> 00:19:14,149
mobile flight and I'm almost I'm i'm

411
00:19:17,619 --> 00:19:15,950
ninety-nine percent with that i do think

412
00:19:19,659 --> 00:19:17,629
it was a balloon flight because you go

413
00:19:22,840 --> 00:19:19,669

back and look at the original reports

414

00:19:26,560 --> 00:19:22,850

and some of those photographs even

415

00:19:29,110 --> 00:19:26,570

though the supposed to debris package

416

00:19:30,879 --> 00:19:29,120

was described as well await it didn't

417

00:19:35,289 --> 00:19:30,889

weigh much like eight or ten pounds and

418

00:19:36,940 --> 00:19:35,299

then use the photos of the military

419

00:19:41,110 --> 00:19:36,950

officer it's just a little bit of foil

420

00:19:43,930 --> 00:19:41,120

material and some sticks and stuff I

421

00:19:46,960 --> 00:19:43,940

think if I obviously would happen and of

422

00:19:49,450 --> 00:19:46,970

course the the cover-up comes where the

423

00:19:52,749 --> 00:19:49,460

government did not want anyone to know

424

00:19:54,850 --> 00:19:52,759

especially the Russians excuse me that

425

00:19:56,649 --> 00:19:54,860

we were sending off this aluminum to

426

00:19:58,869 --> 00:19:56,659

listen for their atomic bomb tests

427

00:20:01,629 --> 00:19:58,879

because that would be an admission that

428

00:20:04,409 --> 00:20:01,639

the United States number one they had

429

00:20:06,450 --> 00:20:04,419

bombs and then

430

00:20:08,190 --> 00:20:06,460

if they were to find out they knew we

431

00:20:11,460 --> 00:20:08,200

were listening and they knew we were

432

00:20:13,859 --> 00:20:11,470

afraid and at that time but all people

433

00:20:17,039 --> 00:20:13,869

were extremely terrified of nuclear

434

00:20:19,169 --> 00:20:17,049

attacks was two years after World War

435

00:20:21,629 --> 00:20:19,179

Two it ended and I'm thinking that's

436

00:20:24,149 --> 00:20:21,639

well you know anything missing files and

437

00:20:25,769 --> 00:20:24,159

stuff it's all due to that was deeply

438

00:20:28,349 --> 00:20:25,779

deeply classified and what better way to

439

00:20:30,389 --> 00:20:28,359

hide it then to start out with that

440

00:20:32,190 --> 00:20:30,399

press release you know that they had

441

00:20:34,080 --> 00:20:32,200

recovered a flying disk because that's

442

00:20:36,149 --> 00:20:34,090

all anyone is ever going to look for and

443

00:20:41,039 --> 00:20:36,159

pretty much that's held in place to this

444

00:20:42,659 --> 00:20:41,049

day um now you'll excuse me if I if I

445

00:20:45,119 --> 00:20:42,669

play devil's advocate because I

446

00:20:47,399 --> 00:20:45,129

guarantee there are there are people

447

00:20:50,210 --> 00:20:47,409

listening out there who whose heads are

448

00:20:54,330 --> 00:20:50,220

exploding right now oh I know I know

449

00:20:58,070 --> 00:20:54,340

hopefully they can't find my house um

450

00:21:01,619 --> 00:20:58,080

but but let me start with this one um

451
00:21:04,409 --> 00:21:01,629
one of one of the big issues that I have

452
00:21:08,060 --> 00:21:04,419
always had with with the weather with

453
00:21:11,759 --> 00:21:08,070
the simple weather balloon theory is um

454
00:21:15,389 --> 00:21:11,769
ranchers around that airbase frequently

455
00:21:17,310 --> 00:21:15,399
found balloons frequently found weather

456
00:21:20,039 --> 00:21:17,320
balloons and return them because there

457
00:21:23,190 --> 00:21:20,049
was a reward for them because yeah half

458
00:21:26,639 --> 00:21:23,200
of how you know what the weather balloon

459
00:21:28,919 --> 00:21:26,649
is telling you is where it landed is in

460
00:21:35,369 --> 00:21:28,929
comparison to where you launched it so

461
00:21:36,930 --> 00:21:35,379
exactly so i'm not sure why this this if

462
00:21:39,090 --> 00:21:36,940
it was a weather balloon which would be

463
00:21:40,560 --> 00:21:39,100

full of you know weather balloon pieces

464

00:21:44,359 --> 00:21:40,570

no one has ever claimed that it was some

465

00:21:46,560 --> 00:21:44,369

kind of of you know amazingly different

466

00:21:48,509 --> 00:21:46,570

weather balloon it was not new weather

467

00:21:50,399 --> 00:21:48,519

balloon technology I'm not sure there is

468

00:21:53,430 --> 00:21:50,409

new weather balloon technology even

469

00:21:56,849 --> 00:21:53,440

today I'm having one as a few weather

470

00:21:59,249 --> 00:21:56,859

balloons myself why would there be so

471

00:22:01,440 --> 00:21:59,259

much excitement over just another

472

00:22:03,090 --> 00:22:01,450

weather balloon other than the fact that

473

00:22:05,460 --> 00:22:03,100

somebody was going to get the five or

474

00:22:09,180 --> 00:22:05,470

ten dollar reward for finding and

475

00:22:11,519 --> 00:22:09,190

turning in the relevant information well

476

00:22:13,259 --> 00:22:11,529

because of this one I'm saying

477

00:22:15,989 --> 00:22:13,269

supposedly has the instrumentation

478

00:22:18,240 --> 00:22:15,999

package in the microphones the really

479

00:22:21,150 --> 00:22:18,250

specialized classified equipment list

480

00:22:25,440 --> 00:22:21,160

anything for the Russian a bomb tests if

481

00:22:27,510 --> 00:22:25,450

if that's indeed what that was that's

482

00:22:29,520 --> 00:22:27,520

all I'm saying it and and no one ever

483

00:22:31,200 --> 00:22:29,530

reported that they found like the

484

00:22:33,060 --> 00:22:31,210

rancher you never said he found an

485

00:22:36,210 --> 00:22:33,070

instrumentation package although if he

486

00:22:37,920 --> 00:22:36,220

had that may have been one instance

487

00:22:39,810 --> 00:22:37,930

where what he was told you know can't

488

00:22:42,000 --> 00:22:39,820

have the public knowing that this

489

00:22:44,520 --> 00:22:42,010

instrumentation packed it was found

490

00:22:46,110 --> 00:22:44,530

because then it's going to get out that

491

00:22:48,690 --> 00:22:46,120

this was not just a regular water

492

00:22:53,550 --> 00:22:48,700

balloon but again you know that's that's

493

00:22:55,680 --> 00:22:53,560

supposition also um we have somebody on

494

00:22:57,390 --> 00:22:55,690

our chat boards and I'd like to announce

495

00:23:01,110 --> 00:22:57,400

to everybody out there listening to

496

00:23:03,780 --> 00:23:01,120

podcasts UFO live the chat room is

497

00:23:06,330 --> 00:23:03,790

working once again on the podcast UFO

498

00:23:08,280 --> 00:23:06,340

website podcast UFO calm so come on down

499

00:23:11,220 --> 00:23:08,290

and join us and throw in your questions

500

00:23:14,280 --> 00:23:11,230

here is a question from the chat boards

501
00:23:17,040 --> 00:23:14,290
and uh it's a direction I was going to

502
00:23:19,820 --> 00:23:17,050
go anyway and that's Chad who asks why

503
00:23:23,300 --> 00:23:19,830
would they fly the material to to write

504
00:23:26,280 --> 00:23:23,310
Air Force Base if it was something that

505
00:23:30,840 --> 00:23:26,290
the people at the Roswell base should

506
00:23:34,380 --> 00:23:30,850
have understood well that is a damn good

507
00:23:38,910 --> 00:23:34,390
question but as far land your standard

508
00:23:40,740 --> 00:23:38,920
even um excuse me even that that fact is

509
00:23:42,750 --> 00:23:40,750
up in the air like most different

510
00:23:46,170 --> 00:23:42,760
documentation proving but that stuff is

511
00:23:48,720 --> 00:23:46,180
falling the right field I don't know if

512
00:23:50,490 --> 00:23:48,730
there is there might be I'm just saying

513
00:23:52,020 --> 00:23:50,500

that there might be if there is and i'm

514

00:23:54,330 --> 00:23:52,030

not sure i've read it and by saying that

515

00:23:57,140 --> 00:23:54,340

I mean the actual get other documents

516

00:24:01,140 --> 00:23:57,150

and say okay with this this was received

517

00:24:04,410 --> 00:24:01,150

right but if it was if it was the actual

518

00:24:06,930 --> 00:24:04,420

a financial package and they knew what

519

00:24:09,060 --> 00:24:06,940

it was yeah why would it be flown there

520

00:24:11,190 --> 00:24:09,070

well that's a good point and and that's

521

00:24:14,340 --> 00:24:11,200

also why stressed i'm only at

522

00:24:16,380 --> 00:24:14,350

ninety-eight percent skeptical cake I'm

523

00:24:21,840 --> 00:24:16,390

still leaving the door open a little bit

524

00:24:23,820 --> 00:24:21,850

as even as regards Roswell now now have

525

00:24:25,410 --> 00:24:23,830

you ever run across in looking at

526

00:24:27,510 --> 00:24:25,420

Roswell another question I'm in throwout

527

00:24:29,880 --> 00:24:27,520

it's like I said I know heads are

528

00:24:31,919 --> 00:24:29,890

exploding over Roswell they always are

529

00:24:34,200 --> 00:24:31,929

there's there's a cool

530

00:24:36,269 --> 00:24:34,210

I mean it's it's like you know if you

531

00:24:40,379 --> 00:24:36,279

want to pick a fight at any given time

532

00:24:44,100 --> 00:24:40,389

anywhere you can do pretty much one of

533

00:24:47,340 --> 00:24:44,110

three or four things you can state a

534

00:24:50,070 --> 00:24:47,350

political opinion you can make fun of

535

00:24:52,799 --> 00:24:50,080

the local baseball or football team

536

00:24:55,799 --> 00:24:52,809

which ever is in season or you can sort

537

00:24:57,749 --> 00:24:55,809

of start talking about Roswell uh one of

538

00:25:04,169 --> 00:24:57,759

those is going to get somebody angry at

539

00:25:06,299 --> 00:25:04,179

you so um um oh I'm you know I'm we

540

00:25:07,739 --> 00:25:06,309

might have to explore this more somebody

541

00:25:09,690 --> 00:25:07,749

on the chat room is saying that there is

542

00:25:11,970 --> 00:25:09,700

there was a Freedom of Information Act

543

00:25:14,249 --> 00:25:11,980

document that does say material was fun

544

00:25:18,690 --> 00:25:14,259

to write so we might need to look at

545

00:25:20,340 --> 00:25:18,700

that and uh I I sit corrected and and

546

00:25:22,560 --> 00:25:20,350

and the other thing that I was going to

547

00:25:26,090 --> 00:25:22,570

mention is have you ever come across if

548

00:25:29,850 --> 00:25:26,100

you dig into the local Roswell papers um

549

00:25:34,759 --> 00:25:29,860

there were disc sightings in the area

550

00:25:38,340 --> 00:25:34,769

actual disc sightings in the area but

551

00:25:40,440 --> 00:25:38,350

before that storm and before that the

552

00:25:42,389 --> 00:25:40,450

the material was found have you ever run

553

00:25:44,909 --> 00:25:42,399

across any of that there was a the most

554

00:25:50,190 --> 00:25:44,919

famous one is a couple on their porch

555

00:25:51,659 --> 00:25:50,200

who who watched oh yes yeah I am I am

556

00:25:55,100 --> 00:25:51,669

aware that there were disc sightings

557

00:25:58,049 --> 00:25:55,110

before the supposed to crash yeah

558

00:26:00,989 --> 00:25:58,059

undoubtedly and yet the other side of

559

00:26:03,269 --> 00:26:00,999

that is that you know look look where

560

00:26:05,070 --> 00:26:03,279

Roswell was close to a lot of testing

561

00:26:07,169 --> 00:26:05,080

was going on they were firing v2 Rock

562

00:26:09,930 --> 00:26:07,179

Hudson but of course v2 does not look

563

00:26:12,149 --> 00:26:09,940

like a disc but but anyhow advanced

564

00:26:14,489 --> 00:26:12,159

prototypes of something we're being

565

00:26:17,070 --> 00:26:14,499

tested so that could explain that and on

566

00:26:18,899 --> 00:26:17,080

the other hand it might not but yeah I

567

00:26:22,049 --> 00:26:18,909

am aware that they were definitely

568

00:26:25,710 --> 00:26:22,059

sightings well before the crash get us

569

00:26:28,409 --> 00:26:25,720

fighting for 58 objects that is ok and

570

00:26:31,769 --> 00:26:28,419

and we're not I'm not giving up on

571

00:26:34,830 --> 00:26:31,779

Roswell yeah well we're gonna beat this

572

00:26:37,049 --> 00:26:34,840

horse a little bit longer um what one of

573

00:26:38,070 --> 00:26:37,059

one of the things that you say in your

574

00:26:39,480 --> 00:26:38,080

book and you've mentioned you know you

575

00:26:41,489 --> 00:26:39,490

were you were kind of thinking that

576

00:26:46,169 --> 00:26:41,499

there was some kind of a bio warfare

577

00:26:50,999 --> 00:26:46,179

project going on um is that the flying

578

00:26:54,039 --> 00:26:51,009

explanation was an attempt to divert any

579

00:26:56,799 --> 00:26:54,049

investigators away from what was

580

00:27:01,659 --> 00:26:56,809

actually going on and get them just on a

581

00:27:04,720 --> 00:27:01,669

complete wild goose chase uh my question

582

00:27:06,700 --> 00:27:04,730

is given the fact that we are just a

583

00:27:13,499 --> 00:27:06,710

couple years out from from World War two

584

00:27:15,850 --> 00:27:13,509

um we are staring you know in this uh

585

00:27:18,820 --> 00:27:15,860

who's going to blink first contest

586

00:27:22,119 --> 00:27:18,830

already with the Soviets and starting

587

00:27:25,360 --> 00:27:22,129

everything else up um America although

588

00:27:29,470 --> 00:27:25,370

war-weary I would think still would have

589

00:27:31,960 --> 00:27:29,480

had very much that you know cut to quote

590

00:27:36,759 --> 00:27:31,970

a cartoon we did it before and we can do

591

00:27:39,700 --> 00:27:36,769

it again um we are the the strong arm of

592

00:27:44,379 --> 00:27:39,710

freedom and democracy and and you know

593

00:27:46,119 --> 00:27:44,389

we if we have to we can take it and we

594

00:27:48,519 --> 00:27:46,129

can we can win this and we can fight

595

00:27:50,499 --> 00:27:48,529

this out which is why we were doing

596

00:27:53,019 --> 00:27:50,509

things like saying oh yeah the bomb gets

597

00:27:56,440 --> 00:27:53,029

dropped just just get under your desk

598

00:27:58,480 --> 00:27:56,450

kids don't worry about um yeah Irish

599

00:28:02,129 --> 00:27:58,490

call I recall those drills when I was in

600

00:28:04,690 --> 00:28:02,139

kindergarten is it isn't saying that

601
00:28:07,419 --> 00:28:04,700
isn't admitting that there are flying

602
00:28:11,310 --> 00:28:07,429
discs of some sort isn't that all and it

603
00:28:14,820 --> 00:28:11,320
isn't throwing out this kind of alien a

604
00:28:18,460 --> 00:28:14,830
BS cover story isn't that almost

605
00:28:21,279 --> 00:28:18,470
inviting people to feed into the fear of

606
00:28:24,490 --> 00:28:21,289
maybe this is something we couldn't win

607
00:28:28,269 --> 00:28:24,500
I mean isn't that almost like bringing

608
00:28:32,350 --> 00:28:28,279
up the one enemy that we couldn't just

609
00:28:34,389 --> 00:28:32,360
take our Yankee can-do spirit against I

610
00:28:35,680 --> 00:28:34,399
mean is it isn't it kind of a bad cover

611
00:28:39,249 --> 00:28:35,690
story I guess that's the crux of my

612
00:28:44,769 --> 00:28:39,259
question um yeah I agree and I would

613
00:28:47,470 --> 00:28:44,779

think that I think that shows if that's

614

00:28:50,799 --> 00:28:47,480

in fact what you know if this was a

615

00:28:54,220 --> 00:28:50,809

cover story and seems like it was that

616

00:28:57,129 --> 00:28:54,230

it was sort of a bad idea probably not

617

00:28:59,170 --> 00:28:57,139

very deeply thought about today yeah

618

00:29:02,470 --> 00:28:59,180

everything's talk extremely complicated

619

00:29:04,360 --> 00:29:02,480

today and that God what would happen at

620

00:29:06,250 --> 00:29:04,370

that kind of a story were you by Ohio no

621

00:29:09,490 --> 00:29:06,260

away but you're right that almost is a

622

00:29:12,400 --> 00:29:09,500

setup for failure because other writers

623

00:29:16,270 --> 00:29:12,410

have have met and that okay let's say

624

00:29:19,150 --> 00:29:16,280

they actually had a craft from somewhere

625

00:29:21,490 --> 00:29:19,160

else in 1947 they would have wanted help

626

00:29:22,780 --> 00:29:21,500

from other countries with this thing

627

00:29:24,610 --> 00:29:22,790

because they would not know what to make

628

00:29:27,790 --> 00:29:24,620

of it I'm not saying what about the

629

00:29:30,100 --> 00:29:27,800

Russians for help but it would have been

630

00:29:31,720 --> 00:29:30,110

is like almost impossible to keep that

631

00:29:34,000 --> 00:29:31,730

secret because they were about hundreds

632

00:29:37,420 --> 00:29:34,010

of people involved and looking at it and

633

00:29:39,730 --> 00:29:37,430

none of that ever leaked so to speak but

634

00:29:40,960 --> 00:29:39,740

yeah as far as that cover story let's

635

00:29:43,270 --> 00:29:40,970

call the flying saucer it's either

636

00:29:47,170 --> 00:29:43,280

worked so well that it's now completely

637

00:29:49,120 --> 00:29:47,180

annoying horo assistant well actually

638

00:29:53,020 --> 00:29:49,130

it's both I think it probably it was a

639

00:29:55,240 --> 00:29:53,030

bad idea to use it as as a cover because

640

00:29:57,670 --> 00:29:55,250

it is attracting attention to a

641

00:29:59,800 --> 00:29:57,680

phenomenon that they don't want any

642

00:30:02,410 --> 00:29:59,810

really don't want to be bothered with at

643

00:30:04,270 --> 00:30:02,420

least it seems that way these days even

644

00:30:05,620 --> 00:30:04,280

though you know that you know someone's

645

00:30:07,120 --> 00:30:05,630

got to be paying attention to some

646

00:30:10,960 --> 00:30:07,130

reports do you know someone it more

647

00:30:14,560 --> 00:30:10,970

rather or else woods for well security

648

00:30:17,770 --> 00:30:14,570

is there space kind of things oh yeah i

649

00:30:19,810 --> 00:30:17,780

mean it's it's it's irresponsible to not

650

00:30:22,300 --> 00:30:19,820

have anyone looking at a report of an

651
00:30:24,040 --> 00:30:22,310
unknown object in the sky so there there

652
00:30:27,100 --> 00:30:24,050
there's definitely someone collecting

653
00:30:29,320 --> 00:30:27,110
some type of data even if its local

654
00:30:32,230 --> 00:30:29,330
airports um another thing about the

655
00:30:37,990 --> 00:30:32,240
cover story this is i am kind of a

656
00:30:41,680 --> 00:30:38,000
pop-culture guy uh I IM War III I look

657
00:30:44,170 --> 00:30:41,690
at things um I am a big proponent of the

658
00:30:47,710 --> 00:30:44,180
theory that the War of the Worlds

659
00:30:51,640 --> 00:30:47,720
broadcast for example was not the big

660
00:30:56,080 --> 00:30:51,650
panic causing a monstrosity that people

661
00:30:57,760 --> 00:30:56,090
have since claimed that uh that was uh I

662
00:30:59,920 --> 00:30:57,770
mean if you dig into that there's a lot

663
00:31:01,690 --> 00:30:59,930

of evidence that that was newspapers

664

00:31:03,250 --> 00:31:01,700

trying to discredit radio who were

665

00:31:07,090 --> 00:31:03,260

cutting into their news business for the

666

00:31:09,370 --> 00:31:07,100

first time uh you know I mean heck

667

00:31:12,490 --> 00:31:09,380

newspapers themselves listed war of the

668

00:31:17,380 --> 00:31:12,500

worlds that night is being on the radio

669

00:31:22,470 --> 00:31:17,390

and I look at where aliens were in pop

670

00:31:26,080 --> 00:31:22,480

culture up until right around 1947 and

671

00:31:28,720 --> 00:31:26,090

you have your amazing stories and you're

672

00:31:32,050 --> 00:31:28,730

in your pulp magazines and your your

673

00:31:34,090 --> 00:31:32,060

tales of rocket men and fist fights with

674

00:31:37,210 --> 00:31:34,100

tentacle beings and all kinds of great

675

00:31:39,580 --> 00:31:37,220

stuff like that which I love s Cobra are

676
00:31:43,570 --> 00:31:39,590
some of the special cover art ever seen

677
00:31:49,170 --> 00:31:43,580
I exactly but one of the things that has

678
00:31:52,600 --> 00:31:49,180
struck me is if you had to go out in

679
00:31:55,120 --> 00:31:52,610
1947 America 1946 II let's just take it

680
00:31:59,080 --> 00:31:55,130
right before this got really blew up and

681
00:32:01,570 --> 00:31:59,090
say can you name someone from another

682
00:32:04,770 --> 00:32:01,580
planet can you talk about you can you

683
00:32:07,060 --> 00:32:04,780
tell me give me an example of an alien I

684
00:32:11,320 --> 00:32:07,070
don't think most people are going to

685
00:32:13,930 --> 00:32:11,330
come up with a deja Thorin the Princess

686
00:32:15,280 --> 00:32:13,940
of Mars from the Barsoom books of Edgar

687
00:32:20,110 --> 00:32:15,290
Rice Burroughs or anything like that I

688
00:32:23,500 --> 00:32:20,120

think by far the most popular alien in

689

00:32:25,930 --> 00:32:23,510

America probably the world was appearing

690

00:32:29,080 --> 00:32:25,940

in newspapers every day in strips was on

691

00:32:31,960 --> 00:32:29,090

the radio and now and in comic books in

692

00:32:33,340 --> 00:32:31,970

that Superman and here's a guy he didn't

693

00:32:36,720 --> 00:32:33,350

come in a flying saucer came in a rocket

694

00:32:39,550 --> 00:32:36,730

ship but he landed he looks like us he's

695

00:32:45,570 --> 00:32:39,560

standing up for for for America

696

00:32:48,480 --> 00:32:45,580

everybody loves Superman um would do I

697

00:32:53,100 --> 00:32:48,490

don't know that that we would have

698

00:32:56,200 --> 00:32:53,110

necessarily been quite so terrified if

699

00:32:58,360 --> 00:32:56,210

somebody wasn't leading us to be quite

700

00:33:02,860 --> 00:32:58,370

so terrified does that does that make

701
00:33:04,960 --> 00:33:02,870
any sense to you yes um I'm glad you

702
00:33:07,720 --> 00:33:04,970
nation pop culture because that is that

703
00:33:10,060 --> 00:33:07,730
is another huge it's a topic I think

704
00:33:13,090 --> 00:33:10,070
about constantly about the influence a

705
00:33:15,730 --> 00:33:13,100
pop culture on how people think and you

706
00:33:18,940 --> 00:33:15,740
know the to use a Carl Jung word

707
00:33:21,100 --> 00:33:18,950
architects and how do you clear affect

708
00:33:23,890 --> 00:33:21,110
us and you just being pretty much

709
00:33:25,720 --> 00:33:23,900
explain that late there yeah who would

710
00:33:26,519 --> 00:33:25,730
have been the figure you know even

711
00:33:28,479 --> 00:33:26,529
though

712
00:33:32,769 --> 00:33:28,489
extraterrestrial but a human-looking

713
00:33:35,199 --> 00:33:32,779

person Superman obviously huge and um in

714

00:33:36,699 --> 00:33:35,209

the comics and then I think that the

715

00:33:38,680 --> 00:33:36,709

original television show i don't know if

716

00:33:40,449 --> 00:33:38,690

that started in the 50s or balancer that

717

00:33:42,609 --> 00:33:40,459

actually on I'd start over here I think

718

00:33:45,159 --> 00:33:42,619

a look it was the 50s and the tail end

719

00:33:47,349 --> 00:33:45,169

of the radio show and they're meant

720

00:33:49,989 --> 00:33:47,359

there would have been the fleischer

721

00:33:53,469 --> 00:33:49,999

cartoons i believe right around then the

722

00:33:54,819 --> 00:33:53,479

rotoscoped really cool yeah i say were

723

00:33:57,549 --> 00:33:54,829

the guys who created them working

724

00:33:58,839 --> 00:33:57,559

Cleveland where I was born not that that

725

00:34:01,629 --> 00:33:58,849

means anything i just thought I'd throw

726

00:34:04,689 --> 00:34:01,639

that in there but um there there's a

727

00:34:06,789 --> 00:34:04,699

book by this guy named Ken Hollings

728

00:34:09,339 --> 00:34:06,799

maybe know about it's called welcome to

729

00:34:12,099 --> 00:34:09,349

Mars politics pop culture and weird

730

00:34:15,159 --> 00:34:12,109

science in 1950s America and it's the

731

00:34:17,980 --> 00:34:15,169

most complete breakdown of how culture

732

00:34:20,919 --> 00:34:17,990

affects our thoughts there it's not

733

00:34:23,259 --> 00:34:20,929

covered everything from like 50s um you

734

00:34:27,220 --> 00:34:23,269

know our architecture and Frank Lloyd

735

00:34:31,119 --> 00:34:27,230

Wright comic strips pulp fiction and and

736

00:34:32,589 --> 00:34:31,129

he shows like an evolution and how it

737

00:34:35,289 --> 00:34:32,599

affects how people think about

738

00:34:36,970 --> 00:34:35,299

paranormal phenomena and UFOs and goes

739

00:34:39,249 --> 00:34:36,980

Tiant exactly what you're saying about

740

00:34:41,919 --> 00:34:39,259

what kind of what would have been in

741

00:34:45,789 --> 00:34:41,929

people's consciousness during the

742

00:34:47,499 --> 00:34:45,799

Roswell of times yeah I have a copy of

743

00:34:50,139 --> 00:34:47,509

that somewhere and I never I have not

744

00:34:53,259 --> 00:34:50,149

read it I believe my wife quote unquote

745

00:34:55,349 --> 00:34:53,269

cleaned up for me I have no idea where

746

00:34:57,190 --> 00:34:55,359

that book as I I need to find it um

747

00:35:00,190 --> 00:34:57,200

because that kind of leads into

748

00:35:06,190 --> 00:35:00,200

something that that um you frequently

749

00:35:12,430 --> 00:35:06,200

here uh people say we see Grey's because

750

00:35:14,529 --> 00:35:12,440

of Close Encounters um we saw yeah we

751
00:35:16,210 --> 00:35:14,539
you know are a community like well but

752
00:35:17,829 --> 00:35:16,220
that was kind of based on what people

753
00:35:19,870 --> 00:35:17,839
rise so there's a lot of arguments are

754
00:35:24,940 --> 00:35:19,880
but but to me what has never quite made

755
00:35:29,499 --> 00:35:24,950
sense is if that is the case um were

756
00:35:33,069 --> 00:35:29,509
people seeing Vulcans in the 70s where

757
00:35:35,980 --> 00:35:33,079
where is a lot of people don't don't

758
00:35:37,390 --> 00:35:35,990
realize how huge in America at least and

759
00:35:40,030 --> 00:35:37,400
I know we're talking to an international

760
00:35:42,220 --> 00:35:40,040
audience um

761
00:35:45,580 --> 00:35:42,230
but a lot of people don't realize how

762
00:35:48,370 --> 00:35:45,590
huge what quote unquote Dalek mania was

763
00:35:51,040 --> 00:35:48,380

in the early 60s in Britain when Doctor

764

00:35:53,560 --> 00:35:51,050

Who the television show were first on

765

00:35:55,900 --> 00:35:53,570

introduced some of the most alien

766

00:35:58,810 --> 00:35:55,910

looking aliens ever to be on television

767

00:36:01,180 --> 00:35:58,820

at that point or in movies um and and

768

00:36:02,680 --> 00:36:01,190

Alex were so huge that I mean they made

769

00:36:03,850 --> 00:36:02,690

to American Doctor Who movies even

770

00:36:06,100 --> 00:36:03,860

though the television show had never

771

00:36:08,020 --> 00:36:06,110

been on over here with Peter Cushing and

772

00:36:12,460 --> 00:36:08,030

it was ever so we're so like where were

773

00:36:15,580 --> 00:36:12,470

where are the Z Dalek influenced UFO

774

00:36:17,530 --> 00:36:15,590

reports of the 60s and and things and it

775

00:36:20,440 --> 00:36:17,540

there are seems to be a disconnect for

776

00:36:22,840 --> 00:36:20,450

to me with with that that the that that

777

00:36:24,910 --> 00:36:22,850

that pop that some of that pop culture

778

00:36:28,690 --> 00:36:24,920

influenced just doesn't quite seem to be

779

00:36:33,640 --> 00:36:28,700

there um what do you think I'm thinking

780

00:36:37,480 --> 00:36:33,650

that its influence is not a [h__\h]

781

00:36:39,820 --> 00:36:37,490

specially the collect much as the way

782

00:36:42,040 --> 00:36:39,830

it's written about ten Hollings covers

783

00:36:45,430 --> 00:36:42,050

that though I'm but I'm not saying he's

784

00:36:46,900 --> 00:36:45,440

he's trying to push this where yes this

785

00:36:48,970 --> 00:36:46,910

explains that because you make a good

786

00:36:50,800 --> 00:36:48,980

point about I was just reading about

787

00:36:53,500 --> 00:36:50,810

this like why are there no reports from

788

00:36:57,820 --> 00:36:53,510

the 70s right there was a flat in 1973

789

00:37:00,040 --> 00:36:57,830

and then you know there that's right

790

00:37:02,170 --> 00:37:00,050

before everybody starts reporting

791

00:37:05,440 --> 00:37:02,180

abductions and Wyatt wires have never

792

00:37:07,840 --> 00:37:05,450

been a single report of you know a spot

793

00:37:10,630 --> 00:37:07,850

looking extraterrestrial an abduction

794

00:37:12,490 --> 00:37:10,640

report yet not one you know well there

795

00:37:14,380 --> 00:37:12,500

was it wasn't important and then you're

796

00:37:19,720 --> 00:37:14,390

talking about the Daleks and Doctor Who

797

00:37:22,200 --> 00:37:19,730

I have or had relatives from England and

798

00:37:24,880 --> 00:37:22,210

they first started visiting when I was

799

00:37:26,140 --> 00:37:24,890

that's very young in the 60s they talked

800

00:37:27,130 --> 00:37:26,150

about Doctor Who of course I didn't know

801
00:37:29,200 --> 00:37:27,140
what they're talking about because we

802
00:37:31,720 --> 00:37:29,210
didn't have it on at least I in

803
00:37:34,150 --> 00:37:31,730
Northeast Ohio until the early age and

804
00:37:38,520 --> 00:37:34,160
I'm called the broadcasting right same

805
00:37:43,210 --> 00:37:38,530
in st. Louis okay so I'll use your side

806
00:37:45,160 --> 00:37:43,220
um but yeah it's it's making too strong

807
00:37:46,690 --> 00:37:45,170
of a point about the influence of pop

808
00:37:49,720 --> 00:37:46,700
culture the influence is definitely

809
00:37:51,610 --> 00:37:49,730
there but it can't be as deep as it has

810
00:37:53,660 --> 00:37:51,620
maybe some of I tried to get us to

811
00:37:57,289 --> 00:37:53,670
believe because yeah well

812
00:37:59,809 --> 00:37:57,299
the dalek report you know the the Brit

813
00:38:06,470 --> 00:37:59,819

the UK land things and stuff like that

814

00:38:11,480 --> 00:38:06,480

and even even in a more uh generalized

815

00:38:17,750 --> 00:38:11,490

way um it seems to me that that pop

816

00:38:20,480 --> 00:38:17,760

culture tends to actually uh ride ride

817

00:38:24,069 --> 00:38:20,490

the wave more than anything else I mean

818

00:38:27,109 --> 00:38:24,079

uh you got a definite space brother

819

00:38:31,130 --> 00:38:27,119

intergalactic Federation feel from the

820

00:38:34,670 --> 00:38:31,140

contactees well before Star Trek you

821

00:38:36,589 --> 00:38:34,680

know and I said yeah and I've seen Star

822

00:38:38,630 --> 00:38:36,599

Trek blamed for that you know people

823

00:38:40,160 --> 00:38:38,640

saying that the aliens are gonna come

824

00:38:42,020 --> 00:38:40,170

and they're saving there but now then

825

00:38:44,329 --> 00:38:42,030

it's like well yeah but you know George

826

00:38:46,940 --> 00:38:44,339

Adamski who I will go on the record as

827

00:38:49,220 --> 00:38:46,950

saying I think the guy was was full of

828

00:38:52,609 --> 00:38:49,230

it but he had a George Adamski was

829

00:38:55,069 --> 00:38:52,619

saying this stuff you know uh 15 20

830

00:38:59,960 --> 00:38:55,079

years before and as were other people

831

00:39:04,400 --> 00:38:59,970

and in it in it it seems like a lot of

832

00:39:07,190 --> 00:39:04,410

times that a a lot of researchers don't

833

00:39:08,990 --> 00:39:07,200

follow a trail all the way back and they

834

00:39:11,870 --> 00:39:09,000

find their explanation and they sit on

835

00:39:15,049 --> 00:39:11,880

it yeah that's that's another that's

836

00:39:18,280 --> 00:39:15,059

another huge mistake I found that um you

837

00:39:20,630 --> 00:39:18,290

can tell by by someone's particular book

838

00:39:23,539 --> 00:39:20,640

hopefully that mine because I'm somebody

839

00:39:25,250 --> 00:39:23,549

who's actually read the literature I'm

840

00:39:29,359 --> 00:39:25,260

not I'm not the same popular literature

841

00:39:32,240 --> 00:39:29,369

I name the you know reports from you

842

00:39:34,490 --> 00:39:32,250

know pre-christian times all the way up

843

00:39:38,089 --> 00:39:34,500

to the airship reports in the 1890s and

844

00:39:40,910 --> 00:39:38,099

I'm just saying it it does you well to

845

00:39:44,150 --> 00:39:40,920

know the literature but you nanchang the

846

00:39:46,670 --> 00:39:44,160

danske that tons about a dance in fact I

847

00:39:49,280 --> 00:39:46,680

think the very first UFO book I ever

848

00:39:50,960 --> 00:39:49,290

happens from my uncle and it was inside

849

00:39:54,799 --> 00:39:50,970

the spaceships it was this hardcover

850

00:39:57,260 --> 00:39:54,809

book which was another pic 1954

851
00:39:59,150 --> 00:39:57,270
something like that and it was all water

852
00:40:02,599 --> 00:39:59,160
stain and my uncle gave to me and I read

853
00:40:04,280 --> 00:40:02,609
it and got to take I was probably ten it

854
00:40:06,440 --> 00:40:04,290
scared the crap out of me because I had

855
00:40:07,640 --> 00:40:06,450
those photographs to know of these he's

856
00:40:11,330 --> 00:40:07,650
black of like photos at the

857
00:40:13,580 --> 00:40:11,340
giant cigar-shaped craft with these oils

858
00:40:15,590 --> 00:40:13,590
coming out in and discs but yeah if the

859
00:40:19,460 --> 00:40:15,600
potentially was describing I mean even

860
00:40:21,620 --> 00:40:19,470
the the clothes he was describing these

861
00:40:23,840 --> 00:40:21,630
extraterrestrials will here and there

862
00:40:27,020 --> 00:40:23,850
were these science-fictional like

863
00:40:31,580 --> 00:40:27,030

colorful tight-fitting deals with the

864

00:40:34,820 --> 00:40:31,590

silver belts and it's almost as old pop

865

00:40:36,650 --> 00:40:34,830

culture affects it has more effect on

866

00:40:38,870 --> 00:40:36,660

the fashion of how things are hopping to

867

00:40:40,880 --> 00:40:38,880

look not necessarily how we think about

868

00:40:43,550 --> 00:40:40,890

them it's almost like a visual thing

869

00:40:46,730 --> 00:40:43,560

where you're right in saying we're pop

870

00:40:48,890 --> 00:40:46,740

culture seems to ride the wave of what's

871

00:40:51,440 --> 00:40:48,900

actually happened not so much setting

872

00:40:54,650 --> 00:40:51,450

ran but hey it's definitely in effect

873

00:40:56,120 --> 00:40:54,660

but i'm actually at danske your lady was

874

00:40:58,400 --> 00:40:56,130

talking about the stuff you know well

875

00:41:01,790 --> 00:40:58,410

well for Star Trek and you know space

876

00:41:06,140 --> 00:41:01,800

1999 and all any of those shows I love

877

00:41:08,470 --> 00:41:06,150

space 1999 yeah it was looking get past

878

00:41:12,230 --> 00:41:08,480

the premise it was pretty well done show

879

00:41:14,600 --> 00:41:12,240

was you know i will give well here's a

880

00:41:16,640 --> 00:41:14,610

we're just gonna take a sci-fi segue

881

00:41:19,550 --> 00:41:16,650

here for a second folks Oh Scylla I I

882

00:41:22,540 --> 00:41:19,560

recently started rewatching space 1999

883

00:41:27,440 --> 00:41:22,550

because it showed up on hulu and um uh

884

00:41:29,630 --> 00:41:27,450

I'm a huge fan of another live action

885

00:41:32,000 --> 00:41:29,640

group the same show the same group did

886

00:41:34,550 --> 00:41:32,010

called UFO which if you've never seen

887

00:41:37,010 --> 00:41:34,560

UFO you should check it out I have seen

888

00:41:39,410 --> 00:41:37,020

it got it's so colorful it's so awesome

889

00:41:41,750 --> 00:41:39,420

yes evidently if you work on the moon

890

00:41:47,390 --> 00:41:41,760

you have to wear a pink wig which is

891

00:41:49,760 --> 00:41:47,400

good to know um but but I even in space

892

00:41:53,180 --> 00:41:49,770

1999 I I noticed which I never picked

893

00:41:55,610 --> 00:41:53,190

out as a kid um that even in that there

894

00:41:58,850 --> 00:41:55,620

are several episodes where they just

895

00:42:02,750 --> 00:41:58,860

flat out say it makes no sense for us to

896

00:42:05,180 --> 00:42:02,760

be alive for this to event this is and

897

00:42:07,730 --> 00:42:05,190

and so they do throw that out there they

898

00:42:10,940 --> 00:42:07,740

do admit but that the the premise is

899

00:42:13,790 --> 00:42:10,950

completely insane yeah you know what I

900

00:42:16,790 --> 00:42:13,800

had forgotten that aspect of thing you

901
00:42:18,230 --> 00:42:16,800
mention it with and if I can call right

902
00:42:21,480 --> 00:42:18,240
the way they mention it it's almost a

903
00:42:23,430 --> 00:42:21,490
kind of rum bucket

904
00:42:25,500 --> 00:42:23,440
doubt of what level of reality they're

905
00:42:27,420 --> 00:42:25,510
experiencing like yeah how could this is

906
00:42:29,910 --> 00:42:27,430
the move I'll people tap it and you know

907
00:42:31,650 --> 00:42:29,920
how even if it did break away how can

908
00:42:33,450 --> 00:42:31,660
you travel so fast and enter other solar

909
00:42:35,640 --> 00:42:33,460
systems during their lifetimes and they

910
00:42:37,830 --> 00:42:35,650
didn't acknowledge it you're right yeah

911
00:42:40,920 --> 00:42:37,840
cuz i was surprised i have that you know

912
00:42:42,120 --> 00:42:40,930
when it popped up a while ago I just you

913
00:42:45,540 --> 00:42:42,130

know I was like I don't think I've seen

914

00:42:48,210 --> 00:42:45,550

this since I was about 11 or 12 years

915

00:42:51,270 --> 00:42:48,220

old and darn it I'm gonna I'm gonna

916

00:42:53,850 --> 00:42:51,280

watch it and it is awesome so if

917

00:42:57,630 --> 00:42:53,860

everybody out there if you haven't ever

918

00:43:03,750 --> 00:42:57,640

caught space 1999 it's uh it's a good

919

00:43:08,010 --> 00:43:03,760

one um if you like really dry no action

920

00:43:09,750 --> 00:43:08,020

british science fiction that's cool

921

00:43:13,350 --> 00:43:09,760

that's far more for the intellectual

922

00:43:15,720 --> 00:43:13,360

cloud yeah um and and then UFO volatile

923

00:43:18,510 --> 00:43:15,730

which didn't get a lot of us airplay and

924

00:43:21,930 --> 00:43:18,520

you can find on things like Hulu and

925

00:43:24,859 --> 00:43:21,940

Netflix um UFO is actually a story about

926

00:43:29,370 --> 00:43:24,869

a mere well not america the world's

927

00:43:31,280 --> 00:43:29,380

secret war against aliens um as was the

928

00:43:34,650 --> 00:43:31,290

invaders which came a little bit earlier

929

00:43:38,160 --> 00:43:34,660

in America invaders oh that's kereta

930

00:43:41,010 --> 00:43:38,170

sloppy joes out hey let me tell you uh

931

00:43:44,130 --> 00:43:41,020

you know I haven't seen as much of the

932

00:43:46,200 --> 00:43:44,140

invaders as i would like to uh i did get

933

00:43:47,849 --> 00:43:46,210

to see a big chunk of it because here in

934

00:43:51,630 --> 00:43:47,859

st. Louis at one point are our PBS

935

00:43:53,730 --> 00:43:51,640

station was running it and what was was

936

00:43:55,590 --> 00:43:53,740

was it their little finger wouldn't Bend

937

00:43:58,170 --> 00:43:55,600

because it was fake that was the

938

00:44:00,180 --> 00:43:58,180

difference between us in the aliens yeah

939

00:44:02,520 --> 00:44:00,190

it was like that that was an element a

940

00:44:04,170 --> 00:44:02,530

show that you know when you see when

941

00:44:06,090 --> 00:44:04,180

you're really little it scared you but

942

00:44:07,830 --> 00:44:06,100

now you're like what the hell like why

943

00:44:10,349 --> 00:44:07,840

would that matter but you're right it

944

00:44:11,970 --> 00:44:10,359

would it was an element of yeah once it

945

00:44:16,440 --> 00:44:11,980

was and I think it was the little finger

946

00:44:18,870 --> 00:44:16,450

and it's yes absolutely absurd but the

947

00:44:19,980 --> 00:44:18,880

rest of the show I mean now I don't know

948

00:44:23,220 --> 00:44:19,990

if it would hold up now I haven't

949

00:44:25,109 --> 00:44:23,230

watched reruns but for the time that he

950

00:44:27,240 --> 00:44:25,119

came out I mean I was dripping with

951
00:44:29,099 --> 00:44:27,250
which paranoia just like you know other

952
00:44:32,060 --> 00:44:29,109
limb this is another paranoia inducing

953
00:44:35,400 --> 00:44:32,070
show more more on a monster and but

954
00:44:37,559 --> 00:44:35,410
invaders was was pretty well done

955
00:44:40,789 --> 00:44:37,569
but but it's it's again it's it's well

956
00:44:42,930 --> 00:44:40,799
after it was in the 60s I think it was

957
00:44:45,630 --> 00:44:42,940
started in black and white and made the

958
00:44:47,819 --> 00:44:45,640
jump to color uh yeah that's right yeah

959
00:44:49,710 --> 00:44:47,829
um Quinn Martin production so you know

960
00:44:52,079 --> 00:44:49,720
it had I love a good Quinn Martin

961
00:44:53,250 --> 00:44:52,089
production um and you know it's a Quinn

962
00:44:57,690 --> 00:44:53,260
Martin production because they tell you

963
00:45:01,920 --> 00:44:57,700

often yes they always did I market at

964

00:45:05,609 --> 00:45:01,930

stock in our like the solar system yet

965

00:45:11,279 --> 00:45:05,619

but uh uh that that seems to kind of to

966

00:45:15,870 --> 00:45:11,289

me be the the outgrowth of the paranora

967

00:45:17,730 --> 00:45:15,880

Bob paranormal paranoia that started you

968

00:45:19,589 --> 00:45:17,740

know in the 40s and 50s and you see it

969

00:45:22,069 --> 00:45:19,599

in a couple movies and the 50s you get

970

00:45:24,750 --> 00:45:22,079

the earth bursts of flying saucers um

971

00:45:27,029 --> 00:45:24,760

but with Ray Harryhausen special effects

972

00:45:29,370 --> 00:45:27,039

and things like that but but before that

973

00:45:33,240 --> 00:45:29,380

I don't know that there was a huge

974

00:45:37,220 --> 00:45:33,250

amount of terror of aliens um are you by

975

00:45:40,559 --> 00:45:37,230

any chance a listener to old radio shows

976

00:45:45,420 --> 00:45:40,569

um whenever I get the chance which isn't

977

00:45:46,920 --> 00:45:45,430

often but I'm very fond of them I don't

978

00:45:48,599 --> 00:45:46,930

want to go too far into it but yeah

979

00:45:51,269 --> 00:45:48,609

there's a there was a way you show that

980

00:45:54,390 --> 00:45:51,279

it may have inspired the TV series

981

00:45:56,220 --> 00:45:54,400

called one step beyond which was an old

982

00:45:57,809 --> 00:45:56,230

black-and-white show it was that kind of

983

00:45:59,910 --> 00:45:57,819

like it was actually a Stepford show

984

00:46:03,480 --> 00:45:59,920

yeah yeah you know you know about it

985

00:46:08,069 --> 00:46:03,490

there okay and I have listened to

986

00:46:12,630 --> 00:46:08,079

recordings of there were not what they

987

00:46:16,349 --> 00:46:12,640

were doing like adaptations of HP

988

00:46:19,410 --> 00:46:16,359

Lovecraft stories algernon blackwood

989

00:46:22,890 --> 00:46:19,420

look the willows a very good weird

990

00:46:24,720 --> 00:46:22,900

fiction story about elemental spirits I

991

00:46:26,880 --> 00:46:24,730

just can't think of the names of the

992

00:46:28,470 --> 00:46:26,890

damn shows but I do listen once in a

993

00:46:31,049 --> 00:46:28,480

while because it's the stuff all in

994

00:46:32,549 --> 00:46:31,059

place on the Internet yeah if if if you

995

00:46:37,200 --> 00:46:32,559

get a chance or if anybody out there

996

00:46:42,029 --> 00:46:37,210

gets a chance to listen to X minus one

997

00:46:44,339 --> 00:46:42,039

and uh before that what was the name of

998

00:46:47,430 --> 00:46:44,349

the show it'll come to me eventually um

999

00:46:49,260 --> 00:46:47,440

they're there to radio shows that were

1000

00:46:52,500 --> 00:46:49,270

both done in the 50s

1001

00:46:54,540 --> 00:46:52,510

one is basically a reworking of the

1002

00:46:58,140 --> 00:46:54,550

earlier one but it's an anthology radio

1003

00:47:01,470 --> 00:46:58,150

series from period magazine stories uh

1004

00:47:07,170 --> 00:47:01,480

usually galaxy and and I'm I'm often

1005

00:47:10,740 --> 00:47:07,180

struck by how in those stories uh when

1006

00:47:12,420 --> 00:47:10,750

there are aliens we're already we being

1007

00:47:17,490 --> 00:47:12,430

the air things a lot of times are

1008

00:47:21,420 --> 00:47:17,500

already the bad guys um even that early

1009

00:47:23,490 --> 00:47:21,430

uh because they do that I mean they do

1010

00:47:26,040 --> 00:47:23,500

it at adaptation of Ray Bradbury's

1011

00:47:28,140 --> 00:47:26,050

Martian Chronicles for one and we do not

1012

00:47:31,410 --> 00:47:28,150

come off well in the Martian Chronicles

1013

00:47:34,200 --> 00:47:31,420

cook know if you talk about paranoia I

1014

00:47:36,090 --> 00:47:34,210

despite you know blackberries poetic

1015

00:47:38,250 --> 00:47:36,100

gentleness reputation there are some

1016

00:47:42,690 --> 00:47:38,260

nasty stuff in that book I mean

1017

00:47:45,840 --> 00:47:42,700

fantastic list yeah it's horrific um but

1018

00:47:49,920 --> 00:47:45,850

but yeah so if anybody gets a chance to

1019

00:47:53,030 --> 00:47:49,930

check out X minus 1 and man the other

1020

00:47:55,890 --> 00:47:53,040

one it's boy I should know this but uh

1021

00:47:57,750 --> 00:47:55,900

it's a it's a great survey of kind of

1022

00:48:01,800 --> 00:47:57,760

what was going on and when you listen to

1023

00:48:07,740 --> 00:48:01,810

that it's really surprising what was in

1024

00:48:11,070 --> 00:48:07,750

the science fiction at the time um as

1025

00:48:13,020 --> 00:48:11,080

far as what we thought of technology

1026

00:48:17,270 --> 00:48:13,030

Dimension X that was the earlier version

1027

00:48:20,160 --> 00:48:17,280

of it um what what was what was uh

1028

00:48:22,530 --> 00:48:20,170

accepted um there are huge amount of

1029

00:48:25,920 --> 00:48:22,540

rockets you know that there it's always

1030

00:48:28,430 --> 00:48:25,930

struck me how few flying saucers quote

1031

00:48:32,490 --> 00:48:28,440

unquote there were in science fiction

1032

00:48:34,740 --> 00:48:32,500

for so many years right where most of

1033

00:48:37,710 --> 00:48:34,750

Mara are the classic you know pointy

1034

00:48:40,770 --> 00:48:37,720

cone rockets with the fans oh do not see

1035

00:48:43,440 --> 00:48:40,780

a lot of discs yeah i mean the shinier

1036

00:48:47,610 --> 00:48:43,450

is a better prefer a rocket right yeah

1037

00:48:50,670 --> 00:48:47,620

of course um is powerful ooh look man

1038

00:48:52,680 --> 00:48:50,680

yes chrome i think when i have a

1039

00:48:56,600 --> 00:48:52,690

spaceship quote it's gonna be chrome

1040

00:49:00,060 --> 00:48:56,610

this could be chrome or nickel plated I

1041

00:49:03,000 --> 00:49:00,070

chrome is the way to ride like yes but

1042

00:49:05,610 --> 00:49:03,010

but uh you know we when you go

1043

00:49:09,450 --> 00:49:05,620

back to uh Buck Rogers there's a good

1044

00:49:14,600 --> 00:49:09,460

one Flash Gordon um uh man who were

1045

00:49:16,800 --> 00:49:14,610

during rocket exactly and they were huge

1046

00:49:18,240 --> 00:49:16,810

influences on science fiction i think

1047

00:49:20,100 --> 00:49:18,250

sometimes and I you know we've been

1048

00:49:22,170 --> 00:49:20,110

talking about there's a mistake of going

1049

00:49:24,000 --> 00:49:22,180

back to saying well you know this is

1050

00:49:27,960 --> 00:49:24,010

what so-and-so is writing about you know

1051

00:49:30,840 --> 00:49:27,970

the shaver mysteries was so endorsing

1052

00:49:34,110 --> 00:49:30,850

but how many people were really reading

1053

00:49:37,520 --> 00:49:34,120

those as opposed to Buck Rogers in Flash

1054

00:49:40,920 --> 00:49:37,530

Gordon there in your newspaper every day

1055

00:49:43,860 --> 00:49:40,930

you know um yeah they've got movie

1056

00:49:45,570 --> 00:49:43,870

series like to again yeah but the visual

1057

00:49:48,030 --> 00:49:45,580

stuff is always going to trump you know

1058

00:49:50,070 --> 00:49:48,040

people reading books for you know for

1059

00:49:51,450 --> 00:49:50,080

good or ill but back then yeah most

1060

00:49:54,150 --> 00:49:51,460

people they're they're not any thinking

1061

00:49:57,360 --> 00:49:54,160

of you know shaver mysteries and the

1062

00:49:59,160 --> 00:49:57,370

Darrow's enough underground stuff and

1063

00:50:03,120 --> 00:49:59,170

advanced either he'd be watching buck

1064

00:50:05,610 --> 00:50:03,130

rogers and Commander Cody right and and

1065

00:50:09,270 --> 00:50:05,620

those guys all had rocket ships you know

1066

00:50:12,480 --> 00:50:09,280

yes all had rocket ships I'm i wonder

1067

00:50:17,160 --> 00:50:12,490

what the first flying saucer in in media

1068

00:50:23,640 --> 00:50:17,170

really was um you know the day the earth

1069

00:50:26,880 --> 00:50:23,650

stood still dirt had a saw right yes

1070

00:50:29,910 --> 00:50:26,890

yeah and it was uh trying to think was

1071

00:50:33,260 --> 00:50:29,920

it it wasn't really a pesky shaped

1072

00:50:36,660 --> 00:50:33,270

saucer with that with that couple of pop

1073

00:50:38,940 --> 00:50:36,670

but he kind of had beveled edges and I'm

1074

00:50:41,700 --> 00:50:38,950

talking about there stood still and then

1075

00:50:43,290 --> 00:50:41,710

there was earth vs. the flying saucers

1076

00:50:45,810 --> 00:50:43,300

were one of the sauce hits the

1077

00:50:47,340 --> 00:50:45,820

Washington Monument definitely that but

1078

00:50:51,600 --> 00:50:47,350

that's dead so i think i want to say

1079

00:50:54,420 --> 00:50:51,610

that's 55 57 something like that oh yeah

1080

00:50:57,390 --> 00:50:54,430

you know yeah cuz thats Harry how's it

1081

00:50:59,010 --> 00:50:57,400

fit through yeah I know that day the

1082

00:51:01,040 --> 00:50:59,020

earth stood still actually I know as

1083

00:51:05,190 --> 00:51:01,050

before I was born was like 51 or 52

1084

00:51:07,350 --> 00:51:05,200

right and then directed by Robert why

1085

00:51:10,470 --> 00:51:07,360

should one direct the haunting in like

1086

00:51:12,030 --> 00:51:10,480

62 and and it's actually based on a

1087

00:51:15,690 --> 00:51:12,040

short story called farewell to the

1088

00:51:16,829 --> 00:51:15,700

master arm and yes and in that story

1089

00:51:24,749 --> 00:51:16,839

it's

1090

00:51:26,489 --> 00:51:24,759

shaped craft which which has struck me I

1091

00:51:29,609 --> 00:51:26,499

think when we had forums i wrote about

1092

00:51:30,769 --> 00:51:29,619

that on the forums that what well here

1093

00:51:33,630 --> 00:51:30,779

you know here's something interesting

1094

00:51:39,569 --> 00:51:33,640

it's it's not a rocket but it's still

1095

00:51:45,749 --> 00:51:39,579

not a flying saucer immediate mitigation

1096

00:51:50,160 --> 00:51:45,759

there but but then by after its really

1097

00:51:51,749 --> 00:51:50,170

it's Kenneth Arnold um it's it's it's

1098

00:51:53,400 --> 00:51:51,759

Roswell there were a bunch of other

1099

00:51:55,079 --> 00:51:53,410

little things happening at the time

1100

00:51:59,430 --> 00:51:55,089

because of course can't Kenneth Arnold

1101

00:52:03,349 --> 00:51:59,440

didn't see flying saucers he saw things

1102

00:52:07,529 --> 00:52:03,359

that move like that he saw boomerangs uh

1103

00:52:09,719 --> 00:52:07,539

um yeah and he did the drawings of them

1104

00:52:12,349 --> 00:52:09,729

and get that that one two step we mark

1105

00:52:14,700 --> 00:52:12,359

about you know skipping like stones and

1106

00:52:17,969 --> 00:52:14,710

the guy that got blown out of proportion

1107

00:52:20,339 --> 00:52:17,979

and look at the effect that had yeah and

1108

00:52:24,630 --> 00:52:20,349

and then but and then that's when the

1109

00:52:27,509 --> 00:52:24,640

disks came but but people were already

1110

00:52:29,519 --> 00:52:27,519

seeing you know some discs right around

1111

00:52:31,829 --> 00:52:29,529

then and have you ever run across any

1112

00:52:37,289 --> 00:52:31,839

reference to the term flying saucer

1113

00:52:39,569 --> 00:52:37,299

actually predating kenneth arnold and i

1114

00:52:41,430 --> 00:52:39,579

don't think so yeah there is the

1115

00:52:44,609 --> 00:52:41,440

earliest mention i know and this is

1116

00:52:46,440 --> 00:52:44,619

probably after it's really close to

1117

00:52:49,819 --> 00:52:46,450

rasterize whether there's a novel this

1118

00:52:52,829 --> 00:52:49,829

just called the flying saucer by bernard

1119

00:52:54,569 --> 00:52:52,839

much what's that i'll never get its last

1120

00:53:00,829 --> 00:52:54,579

name right but his first names Bernard

1121

00:53:03,569 --> 00:53:00,839

and it was basically a novel about using

1122

00:53:06,559 --> 00:53:03,579

UFO phenomenon and what's causing it is

1123

00:53:09,900 --> 00:53:06,569

called flying saucers as a cover-up for

1124

00:53:12,450 --> 00:53:09,910

for a government conspiracy and that's

1125

00:53:16,529 --> 00:53:12,460

often been related as probably the first

1126
00:53:20,819 --> 00:53:16,539
appearance of our use of flying saucer

1127
00:53:23,370 --> 00:53:20,829
theme in a fictional in a bit nom but as

1128
00:53:26,400 --> 00:53:23,380
far as like the term flying sauce to

1129
00:53:28,920 --> 00:53:26,410
being used for Arnold I personally I

1130
00:53:30,540 --> 00:53:28,930
haven't run across any anything but

1131
00:53:32,730 --> 00:53:30,550
there are reports

1132
00:53:34,830 --> 00:53:32,740
some of them ancient of course they

1133
00:53:38,390 --> 00:53:34,840
weren't saying flying saucer they would

1134
00:53:41,870 --> 00:53:38,400
say of egg-shaped egg shaped objects

1135
00:53:45,360 --> 00:53:41,880
disc-shaped objects she'll and not the

1136
00:53:47,310 --> 00:53:45,370
shield's exactly but but never the words

1137
00:53:50,100 --> 00:53:47,320
flying saucer that that I've run across

1138
00:53:55,200 --> 00:53:50,110

I I do believe that it was used in

1139

00:54:01,170 --> 00:53:55,210

newspapers um at one point possibly in

1140

00:54:04,110 --> 00:54:01,180

England before um before the art Kenneth

1141

00:54:07,770 --> 00:54:04,120

Arnold study if anybody knows if anybody

1142

00:54:10,650 --> 00:54:07,780

could jump on a podcast UFO com tryna

1143

00:54:12,660 --> 00:54:10,660

throw that in the chat room um there

1144

00:54:14,640 --> 00:54:12,670

there are definitely people in the chat

1145

00:54:18,000 --> 00:54:14,650

room so like I said it was it's been

1146

00:54:19,230 --> 00:54:18,010

down but it's back up again we will take

1147

00:54:20,400 --> 00:54:19,240

questions through here and we're gonna

1148

00:54:22,380 --> 00:54:20,410

we're going to talk about government

1149

00:54:24,720 --> 00:54:22,390

here in a second um i would like to

1150

00:54:26,910 --> 00:54:24,730

point out because it has been pointed

1151
00:54:31,200 --> 00:54:26,920
out to a chat room user by the name of

1152
00:54:35,640 --> 00:54:31,210
Martin Willis yeah uh I should've known

1153
00:54:37,620 --> 00:54:35,650
that uh yeah uh in in the next couple in

1154
00:54:42,120 --> 00:54:37,630
a few weeks Michael Shermer is going to

1155
00:54:44,520 --> 00:54:42,130
be a guest on podcast UFO so uh even

1156
00:54:46,890 --> 00:54:44,530
even if people get mad at you today bill

1157
00:54:49,350 --> 00:54:46,900
for being a some kind of disinformation

1158
00:54:51,930 --> 00:54:49,360
to bunker they're gonna all forget it

1159
00:54:54,630 --> 00:54:51,940
when open when he comes and makes people

1160
00:55:00,420 --> 00:54:54,640
mad well that's good to know there's

1161
00:55:02,100 --> 00:55:00,430
some back up there but um but back to

1162
00:55:03,510 --> 00:55:02,110
the government we were starting to kind

1163
00:55:05,130 --> 00:55:03,520

of move back towards the government in

1164

00:55:08,460 --> 00:55:05,140

the government conspiracy theory I'm

1165

00:55:11,480 --> 00:55:08,470

very early in your book I want to say

1166

00:55:16,770 --> 00:55:11,490

it's actually possibly the introduction

1167

00:55:20,880 --> 00:55:16,780

you you say that you believe it's a fact

1168

00:55:25,230 --> 00:55:20,890

um in the format fact colon that that

1169

00:55:29,580 --> 00:55:25,240

the government that governments do not

1170

00:55:34,400 --> 00:55:29,590

know what's behind uh the the UFO

1171

00:55:37,140 --> 00:55:34,410

phenomena um and I think a lot of people

1172

00:55:38,970 --> 00:55:37,150

when reading your book it were if they

1173

00:55:41,310 --> 00:55:38,980

read the introduction right there

1174

00:55:43,230 --> 00:55:41,320

they're gonna be like what this what

1175

00:55:44,339 --> 00:55:43,240

because I there's a lot of people that

1176

00:55:46,440 --> 00:55:44,349

hold hold

1177

00:55:49,259 --> 00:55:46,450

truck with with the government knowing

1178

00:55:53,370 --> 00:55:49,269

more than we do if not knowing the whole

1179

00:55:55,589 --> 00:55:53,380

story um what is your thought why do you

1180

00:55:57,960 --> 00:55:55,599

believe that that the government's do

1181

00:56:01,170 --> 00:55:57,970

not know what's going on or at least

1182

00:56:02,219 --> 00:56:01,180

more than us if that's the truth as well

1183

00:56:04,859 --> 00:56:02,229

I don't want to put words in your mouth

1184

00:56:08,519 --> 00:56:04,869

and why don't you believe that

1185

00:56:11,400 --> 00:56:08,529

governments can keep a secret okay well

1186

00:56:15,059 --> 00:56:11,410

the reason I wrote that is I think it is

1187

00:56:17,670 --> 00:56:15,069

a fact that number one if anybody has

1188

00:56:20,190 --> 00:56:17,680

data you know just raw data on

1189

00:56:22,440 --> 00:56:20,200

phenomenon it's it's governments and I

1190

00:56:24,359 --> 00:56:22,450

think they have crap loads of it but I

1191

00:56:25,890 --> 00:56:24,369

don't think they know what it is what it

1192

00:56:28,469 --> 00:56:25,900

represents and that's why i said that

1193

00:56:31,170 --> 00:56:28,479

that they they don't really know the

1194

00:56:33,960 --> 00:56:31,180

source of these things the the ones that

1195

00:56:36,900 --> 00:56:33,970

let's say if there really are any you

1196

00:56:39,779 --> 00:56:36,910

know authentic unknowns and by that you

1197

00:56:42,890 --> 00:56:39,789

know UFO does mean unidentified flying

1198

00:56:45,660 --> 00:56:42,900

object not necessarily extraterrestrial

1199

00:56:48,839 --> 00:56:45,670

but that's why i said that that i don't

1200

00:56:51,599 --> 00:56:48,849

think they they do know and that was

1201

00:56:54,809 --> 00:56:51,609

that could be party you know another

1202

00:56:57,630 --> 00:56:54,819

cover that they don't want the public to

1203

00:56:59,430 --> 00:56:57,640

know because it is admitting some kind

1204

00:57:00,539 --> 00:56:59,440

of impotence like well if you don't know

1205

00:57:02,609 --> 00:57:00,549

what these things are hopping you

1206

00:57:04,709 --> 00:57:02,619

protect us against terrorists and and

1207

00:57:07,380 --> 00:57:04,719

whoever else and these days of course

1208

00:57:09,719 --> 00:57:07,390

everything comes back to terrorism no

1209

00:57:12,809 --> 00:57:09,729

matter what but that is why I looked at

1210

00:57:14,749 --> 00:57:12,819

I think they have a lot of data but they

1211

00:57:17,279 --> 00:57:14,759

don't really know what to do with it and

1212

00:57:21,479 --> 00:57:17,289

it's been that way for a long time you

1213

00:57:23,130 --> 00:57:21,489

know my opinion of course um now I've

1214

00:57:26,430 --> 00:57:23,140

heard other people kind of say that that

1215

00:57:28,349 --> 00:57:26,440

did it say I it would cause this panic

1216

00:57:31,019 --> 00:57:28,359

and you know the government can't appear

1217

00:57:33,779 --> 00:57:31,029

weak in the face of of it and such but

1218

00:57:35,940 --> 00:57:33,789

um it seems to me that the government

1219

00:57:40,109 --> 00:57:35,950

deals with a lot of things it doesn't

1220

00:57:42,690 --> 00:57:40,119

know the answer to necessarily um we

1221

00:57:46,440 --> 00:57:42,700

don't know what we're gonna do about uh

1222

00:57:48,359 --> 00:57:46,450

you know fossil fuels we don't you don't

1223

00:57:51,150 --> 00:57:48,369

know what we're going to do about the

1224

00:57:53,309 --> 00:57:51,160

debt we did not there's a lot of air

1225

00:57:57,150 --> 00:57:53,319

look there are a lot of things that

1226

00:57:58,050 --> 00:57:57,160

matter a hell of a lot more than UFOs I

1227

00:57:59,910 --> 00:57:58,060

even have a chapter

1228

00:58:02,250 --> 00:57:59,920

the last chapter in my book is called so

1229

00:58:04,350 --> 00:58:02,260

what well you know what is this stuff

1230

00:58:06,420 --> 00:58:04,360

has absolutely no relevance and it's

1231

00:58:08,660 --> 00:58:06,430

completely incidental it could still be

1232

00:58:10,830 --> 00:58:08,670

real but be incidental to our lives

1233

00:58:13,920 --> 00:58:10,840

things like you know fossil fuel

1234

00:58:16,290 --> 00:58:13,930

programs and and the government has I'm

1235

00:58:17,670 --> 00:58:16,300

not something that constantly stopping

1236

00:58:19,740 --> 00:58:17,680

the head of the government there are a

1237

00:58:21,180 --> 00:58:19,750

lot of things they do piss me off a lot

1238

00:58:24,480 --> 00:58:21,190

of things they do I think they're great

1239

00:58:27,960 --> 00:58:24,490

but like yet what about there are things

1240

00:58:29,940 --> 00:58:27,970

that are also treated hazily like you

1241

00:58:35,130 --> 00:58:29,950

know commerce is more important than

1242

00:58:36,510 --> 00:58:35,140

solving fossil fuel problems always so

1243

00:58:39,530 --> 00:58:36,520

you know they don't always know they're

1244

00:58:42,290 --> 00:58:39,540

doing and they are human beings and

1245

00:58:45,300 --> 00:58:42,300

that's not their subject to fear as well

1246

00:58:46,890 --> 00:58:45,310

but I think as far as like the UFO

1247

00:58:48,630 --> 00:58:46,900

phenomenon goes someone's gotta be

1248

00:58:50,280 --> 00:58:48,640

paying attention to reports but I think

1249

00:58:52,620 --> 00:58:50,290

they're more these days there is more

1250

00:58:55,170 --> 00:58:52,630

annoying type than anything and now with

1251

00:58:59,970 --> 00:58:55,180

a drone technology that's really frying

1252

00:59:07,950 --> 00:58:59,980

a lot of crap in the air literally yeah

1253

00:59:12,450 --> 00:59:07,960

um drones I love a good drone um I don't

1254

00:59:15,390 --> 00:59:12,460

we all uh you know so many of them are

1255

00:59:17,900 --> 00:59:15,400

toys and they're definitely you know

1256

00:59:21,570 --> 00:59:17,910

there's definitely been hoaxes

1257

00:59:26,420 --> 00:59:21,580

purposeful hoaxes created with drones we

1258

00:59:28,890 --> 00:59:26,430

did a new story years ago about a museum

1259

00:59:32,580 --> 00:59:28,900

creating a hoax with a drone outside of

1260

00:59:34,740 --> 00:59:32,590

a baseball game in Canada to draw

1261

00:59:37,020 --> 00:59:34,750

attention to one of their exhibits so

1262

00:59:38,820 --> 00:59:37,030

you know i have i have heard of that one

1263

00:59:41,970 --> 00:59:38,830

wasn't there there's video footage that

1264

00:59:44,550 --> 00:59:41,980

oh yeah yeah yeah um you know so there's

1265

00:59:48,330 --> 00:59:44,560

there's definitely things like that that

1266

00:59:50,490 --> 00:59:48,340

are going to happen um again I'm gonna

1267

00:59:52,770 --> 00:59:50,500

point out that something I said right at

1268

00:59:55,320 --> 00:59:52,780

the top of the broadcast that that all

1269

00:59:57,900 --> 00:59:55,330

of you who want to look for these things

1270

01:00:01,260 --> 00:59:57,910

who want to to see something in the sky

1271

01:00:02,760 --> 01:00:01,270

um you know such a good place to start

1272

01:00:07,320 --> 01:00:02,770

is by knowing what's supposed to be

1273

01:00:11,100 --> 01:00:07,330

there so absolutely go outside get get

1274

01:00:11,880 --> 01:00:11,110

started and uh like I said I think I

1275

01:00:13,980 --> 01:00:11,890

might have even mentioned

1276

01:00:15,960 --> 01:00:13,990

you know get a pair of astronomy

1277

01:00:17,789 --> 01:00:15,970

binoculars binoculars made for astronomy

1278

01:00:19,620 --> 01:00:17,799

you can get them for fairly chill at

1279

01:00:22,200 --> 01:00:19,630

cheaper than a telescope they're a lot

1280

01:00:23,970 --> 01:00:22,210

easier to use you'd be surprised that

1281

01:00:26,819 --> 01:00:23,980

what you could see with a fifty dollar

1282

01:00:29,849 --> 01:00:26,829

pair of astronomy binoculars even in the

1283

01:00:32,420 --> 01:00:29,859

city um and just get familiar with

1284

01:00:36,990 --> 01:00:32,430

everything that that's out there because

1285

01:00:40,349 --> 01:00:37,000

when it's all said and done um drunk you

1286

01:00:42,120 --> 01:00:40,359

know drone ninety-nine percent of what

1287

01:00:46,670 --> 01:00:42,130

we're calling drones are toys first of

1288

01:00:50,309 --> 01:00:46,680

all uh and they're not really that

1289

01:00:52,259 --> 01:00:50,319

except yeah when you see them that you

1290

01:00:54,930 --> 01:00:52,269

know on the harsh daylight like well

1291

01:00:57,240 --> 01:00:54,940

this is a configuration of plastic and

1292

01:01:01,349 --> 01:00:57,250

you know micro processors and some

1293

01:01:02,970 --> 01:01:01,359

lights some propellers yeah but but but

1294

01:01:04,620 --> 01:01:02,980

even even if you see them in the dark

1295

01:01:06,900 --> 01:01:04,630

even if you see people if you are

1296

01:01:09,210 --> 01:01:06,910

familiar with what's around you you can

1297

01:01:11,009 --> 01:01:09,220

pick out things like now it's a lot

1298

01:01:13,349 --> 01:01:11,019

harder to do on videotape because you

1299

01:01:16,319 --> 01:01:13,359

don't are on video because you don't you

1300

01:01:18,960 --> 01:01:16,329

you get the the flash effect of a light

1301
01:01:21,499 --> 01:01:18,970
as opposed to what your eyes would have

1302
01:01:23,940 --> 01:01:21,509
told you at the time oh sure yeah

1303
01:01:26,160 --> 01:01:23,950
distortions yes but it's it's pretty

1304
01:01:28,400 --> 01:01:26,170
easy to stand on the ground and go you

1305
01:01:31,109 --> 01:01:28,410
know that thing's not that high up that

1306
01:01:35,160 --> 01:01:31,119
therefore that things really not that

1307
01:01:39,049 --> 01:01:35,170
big um they do makes a lot of them do

1308
01:01:43,289 --> 01:01:39,059
make some noise you know yeah but um

1309
01:01:46,519 --> 01:01:43,299
yeah droid and I'm a big fan of drugs I

1310
01:01:49,440 --> 01:01:46,529
want I want real drones in America but

1311
01:01:51,240 --> 01:01:49,450
but but but not these toys and and I'm

1312
01:01:55,140 --> 01:01:51,250
surprised I haven't caused more of an

1313
01:01:56,940 --> 01:01:55,150

issue then then they have I don't I

1314

01:01:59,730 --> 01:01:56,950

think that yes yet to come especially

1315

01:02:01,940 --> 01:01:59,740

with them like Amazon proposing this

1316

01:02:04,410 --> 01:02:01,950

delivery system like what that is the

1317

01:02:07,200 --> 01:02:04,420

stupidest idea I think if you want to

1318

01:02:11,910 --> 01:02:07,210

cause havoc get drones delivering [h__h]

1319

01:02:16,499 --> 01:02:11,920

to people that'll do it oh you know I

1320

01:02:23,220 --> 01:02:16,509

don't know um I don't know hear hear

1321

01:02:25,380 --> 01:02:23,230

back to to history um helicopters were a

1322

01:02:31,140 --> 01:02:25,390

fairly new thing

1323

01:02:33,660 --> 01:02:31,150

uh in the 40s they were not widely anime

1324

01:02:35,460 --> 01:02:33,670

I thought the first one even existed

1325

01:02:37,920 --> 01:02:35,470

until it was like the Second World War

1326

01:02:40,590 --> 01:02:37,930

was it not right and and we did not use

1327

01:02:42,780 --> 01:02:40,600

them you know widely in the way it was

1328

01:02:46,700 --> 01:02:42,790

Korea where we started widely using

1329

01:02:50,300 --> 01:02:46,710

helicopters are military so I you know

1330

01:02:53,610 --> 01:02:50,310

where where the where the hysterical

1331

01:02:55,530 --> 01:02:53,620

helicopter sightings yeah well good

1332

01:02:57,690 --> 01:02:55,540

point there the point there i mean biet

1333

01:02:59,670 --> 01:02:57,700

beyond the you know that's a whole

1334

01:03:01,700 --> 01:02:59,680

nother shell-like of jim chief black

1335

01:03:05,160 --> 01:03:01,710

helicopters over America to you but uh

1336

01:03:08,430 --> 01:03:05,170

as far as sure if you speaking in terms

1337

01:03:10,560 --> 01:03:08,440

of groans raising havoc I don't think

1338

01:03:13,590 --> 01:03:10,570

that started and it just it worries me

1339

01:03:16,890 --> 01:03:13,600

personally that you know of course they

1340

01:03:19,170 --> 01:03:16,900

would have to fly below a certain you

1341

01:03:22,580 --> 01:03:19,180

know threshold to avoid commercial

1342

01:03:26,190 --> 01:03:22,590

aircraft but then there's also excuse me

1343

01:03:28,410 --> 01:03:26,200

log FAA laws against flying certain

1344

01:03:30,390 --> 01:03:28,420

aircraft too low and I'm positive

1345

01:03:33,180 --> 01:03:30,400

because I've redness that they're trying

1346

01:03:36,120 --> 01:03:33,190

to work out legislation for you know

1347

01:03:38,550 --> 01:03:36,130

commercial drone usage oh yeah they

1348

01:03:42,390 --> 01:03:38,560

definitely because there's there are

1349

01:03:45,090 --> 01:03:42,400

some really legitimate great uses for

1350

01:03:47,610 --> 01:03:45,100

real drones if you also if you're a

1351

01:03:50,730 --> 01:03:47,620

traitor well but like if you're a cattle

1352

01:03:53,280 --> 01:03:50,740

rancher right and you haven't you have a

1353

01:03:56,640 --> 01:03:53,290

drone that you can you can put up in the

1354

01:04:00,150 --> 01:03:56,650

air it has a sensor and say follow the

1355

01:04:02,430 --> 01:04:00,160

fence until there's no fence and tell me

1356

01:04:04,730 --> 01:04:02,440

what's happening you don't have to have

1357

01:04:07,650 --> 01:04:04,740

people writing your fences anymore oh

1358

01:04:10,230 --> 01:04:07,660

yeah that that's a horse per piece for

1359

01:04:16,110 --> 01:04:10,240

you know you know uh you you could have

1360

01:04:19,050 --> 01:04:16,120

a drone um fly through relatively long

1361

01:04:20,820 --> 01:04:19,060

stretches of powerline and monitor you

1362

01:04:23,820 --> 01:04:20,830

know what's going through the power

1363

01:04:26,130 --> 01:04:23,830

lines read their am fields very easily

1364

01:04:29,040 --> 01:04:26,140

you could you can I mean there's there's

1365

01:04:32,550 --> 01:04:29,050

there's a lot of really great legitimate

1366

01:04:34,850 --> 01:04:32,560

uses for drones that it could save a lot

1367

01:04:37,020 --> 01:04:34,860

of people a lot of time effort and money

1368

01:04:38,950 --> 01:04:37,030

and a lot of those uses right now are

1369

01:04:42,790 --> 01:04:38,960

being filled by helicopters I will

1370

01:04:46,120 --> 01:04:42,800

go out there yeah i guess a just on not

1371

01:04:48,250 --> 01:04:46,130

not to ensure too much here um when i

1372

01:04:50,320 --> 01:04:48,260

was living in outside of pittsburgh for

1373

01:04:53,470 --> 01:04:50,330

a while in a rural area pennsylvania and

1374

01:04:54,760 --> 01:04:53,480

there were UFO sightings in Westmoreland

1375

01:04:57,130 --> 01:04:54,770

County room that they turned out that

1376

01:04:59,050 --> 01:04:57,140

these were these were helicopters flying

1377

01:05:02,530 --> 01:04:59,060

at night looking at Paula the Lions and

1378

01:05:04,540 --> 01:05:02,540

stuff so yeah there was a cross over

1379

01:05:07,150 --> 01:05:04,550

there and that's perfect useful also one

1380

01:05:09,010 --> 01:05:07,160

thing they're a lot quieter I think

1381

01:05:10,870 --> 01:05:09,020

people will get used to that and it's

1382

01:05:13,840 --> 01:05:10,880

also as far as inspecting the light

1383

01:05:16,480 --> 01:05:13,850

obsessed has done all the time but yeah

1384

01:05:18,910 --> 01:05:16,490

it was there was some confusion that was

1385

01:05:22,780 --> 01:05:18,920

due to a nocturnal inspection of

1386

01:05:25,450 --> 01:05:22,790

electrical lives well see yeah there's a

1387

01:05:27,970 --> 01:05:25,460

lot of positive uses for drones since

1388

01:05:29,950 --> 01:05:27,980

since i live in st. Louis we're all

1389

01:05:34,560 --> 01:05:29,960

really used to the police helicopter

1390

01:05:37,210 --> 01:05:34,570

it's look at looking for the gunman so

1391

01:05:40,120 --> 01:05:37,220

yeah we don't have those mistakes here

1392

01:05:42,550 --> 01:05:40,130

um believe it or not we're actually

1393

01:05:44,920 --> 01:05:42,560

halfway through the show which seems

1394

01:05:46,870 --> 01:05:44,930

like a good time to announce to anybody

1395

01:05:50,770 --> 01:05:46,880

who's comin late that obviously Martin

1396

01:05:52,810 --> 01:05:50,780

is still uh not not here he's out of the

1397

01:05:55,270 --> 01:05:52,820

country I'm Michael out filling in my

1398

01:05:57,790 --> 01:05:55,280

guest tonight is a bill grabowski who

1399

01:06:01,840 --> 01:05:57,800

has written let me get the full name of

1400

01:06:04,180 --> 01:06:01,850

your book here backlight perspectives on

1401

01:06:05,950 --> 01:06:04,190

mysterious phenomena and and that's what

1402

01:06:08,980 --> 01:06:05,960

we're talking about Martin's going to be

1403

01:06:11,260 --> 01:06:08,990

back next week tonight both hours are

1404

01:06:13,360 --> 01:06:11,270

free for everyone we do not have the new

1405

01:06:16,960 --> 01:06:13,370

support platform up yet it is coming

1406

01:06:18,970 --> 01:06:16,970

soon look for it after after Martin gets

1407

01:06:20,440 --> 01:06:18,980

back next week and Martin if you are

1408

01:06:22,320 --> 01:06:20,450

listening we do hope you're feeling

1409

01:06:24,940 --> 01:06:22,330

better with with your sprained ankle

1410

01:06:30,190 --> 01:06:24,950

also a little other business before we

1411

01:06:32,710 --> 01:06:30,200

jump back in the the chat room is open

1412

01:06:35,080 --> 01:06:32,720

it has been down lately but it is open

1413

01:06:36,790 --> 01:06:35,090

so that's a great way to get in on the

1414

01:06:38,860 --> 01:06:36,800

conversation I will I will pass along

1415

01:06:40,750 --> 01:06:38,870

questions from there and also if you

1416

01:06:48,820 --> 01:06:40,760

want to call in you can call in and talk

1417

01:06:52,390 --> 01:06:48,830

to us at 60 39 6 7 40 30 that's 60 39 6

1418

01:06:52,960 --> 01:06:52,400

7 40 30 so just join in and be part of

1419

01:06:55,089 --> 01:06:52,970

the conversation

1420

01:07:01,450 --> 01:06:55,099

now from the chat room somebody did ask

1421

01:07:03,310 --> 01:07:01,460

a a while ago um all right well actually

1422

01:07:04,120 --> 01:07:03,320

there's two questions we'll go with this

1423

01:07:05,470 --> 01:07:04,130

since we've been talking about the

1424

01:07:10,960 --> 01:07:05,480

government do you think that the

1425

01:07:14,710 --> 01:07:10,970

government has nothing to disclose no I

1426

01:07:18,160 --> 01:07:14,720

don't think that um the there are things

1427

01:07:19,900 --> 01:07:18,170

they know but then again did it not on

1428

01:07:25,150 --> 01:07:19,910

the one that they needed to disclose

1429

01:07:27,790 --> 01:07:25,160

them should they and I'm trying to put

1430

01:07:29,609 --> 01:07:27,800

myself in their spot like let's say I

1431

01:07:34,900 --> 01:07:29,619

did know something that had to do with

1432

01:07:36,280 --> 01:07:34,910

with UFOs would in any aspect you know

1433

01:07:38,980 --> 01:07:36,290

that they would have to be so careful

1434

01:07:40,570 --> 01:07:38,990

now they said yes and I don't think I

1435

01:07:42,880 --> 01:07:40,580

you brought this up earlier I don't

1436

01:07:44,740 --> 01:07:42,890

really think it would cause a panic if

1437

01:07:46,780 --> 01:07:44,750

the government just said hey you know

1438

01:07:48,970 --> 01:07:46,790

what there's something here and it ain't

1439

01:07:50,859 --> 01:07:48,980

us they wouldn't say it that way of

1440

01:07:53,710 --> 01:07:50,869

course but if they said yes we we

1441

01:07:55,870 --> 01:07:53,720

verified that you know the an object was

1442

01:07:58,180 --> 01:07:55,880

spotted and you know we saw it

1443

01:08:00,099 --> 01:07:58,190

materializing or something along those

1444

01:08:03,130 --> 01:08:00,109

lines we know it is not one of us I

1445

01:08:05,020 --> 01:08:03,140

don't think people attack i think it

1446

01:08:06,970 --> 01:08:05,030

might cause some fear but i think

1447

01:08:09,790 --> 01:08:06,980

there'd be more fascination and they're

1448

01:08:13,859 --> 01:08:09,800

like everything else these days it might

1449

01:08:17,200 --> 01:08:13,869

slowly fade out toward in some kind of

1450

01:08:20,110 --> 01:08:17,210

escalation of sightings i don't know but

1451

01:08:22,390 --> 01:08:20,120

i do think the thing is that could be

1452

01:08:25,240 --> 01:08:22,400

disclosed for instance like some of the

1453

01:08:28,570 --> 01:08:25,250

earlier sightings that a sort of you

1454

01:08:30,550 --> 01:08:28,580

know been explained away which causes

1455

01:08:32,680 --> 01:08:30,560

another you know faction of people's

1456

01:08:34,630 --> 01:08:32,690

heads to explode they probably could

1457

01:08:37,059 --> 01:08:34,640

help I in that area with okay remember

1458

01:08:38,769 --> 01:08:37,069

in 1952 with his laid out sightings over

1459

01:08:43,420 --> 01:08:38,779

the nation's capital well that was

1460

01:08:46,209 --> 01:08:43,430

nothing that would help I I mean in a

1461

01:08:49,809 --> 01:08:46,219

perfect world I think disclosure would

1462

01:08:53,760 --> 01:08:49,819

go something like if if they don't have

1463

01:08:55,840 --> 01:08:53,770

the answers all they all they have is a

1464

01:08:59,249 --> 01:08:55,850

confirmation that there is something

1465

01:09:02,380 --> 01:08:59,259

else and you know we saw something

1466

01:09:05,289 --> 01:09:02,390

zooming past Pluto swing iratus ones are

1467

01:09:06,700 --> 01:09:05,299

tired Tyson and take off and we don't

1468

01:09:08,890 --> 01:09:06,710

know what the heck that was

1469

01:09:12,720 --> 01:09:08,900

uh you know it would be nice just to say

1470

01:09:15,670 --> 01:09:12,730

this is what was there this is a let's

1471

01:09:16,959 --> 01:09:15,680

you know let's go figure this out let's

1472

01:09:18,999 --> 01:09:16,969

go take our place in the universe let's

1473

01:09:22,690 --> 01:09:19,009

go you know have that be the new Apollo

1474

01:09:24,849 --> 01:09:22,700

mission um unfortunately what I think

1475

01:09:27,280 --> 01:09:24,859

might be more the cases if there's any

1476

01:09:30,099 --> 01:09:27,290

indication of you know if they know

1477

01:09:34,599 --> 01:09:30,109

anything more about this and if there is

1478

01:09:38,789 --> 01:09:34,609

any threat real or perceived uh now more

1479

01:09:44,979 --> 01:09:38,799

than ever I just imagine you know um

1480

01:09:46,690 --> 01:09:44,989

somebody in some agency that uh maybe

1481

01:09:48,789 --> 01:09:46,700

we've heard of maybe we haven't who

1482

01:09:50,860 --> 01:09:48,799

knows it who's responsible for deciding

1483

01:09:53,380 --> 01:09:50,870

who gets to know and looking at

1484

01:09:54,940 --> 01:09:53,390

politicians and I don't want to you know

1485

01:09:56,890 --> 01:09:54,950

I'm not going to say I'm for Hillary

1486

01:09:59,310 --> 01:09:56,900

Clinton are against but looking at this

1487

01:10:01,870 --> 01:09:59,320

whole Hillary Clinton email server um

1488

01:10:05,170 --> 01:10:01,880

because one thing I will say is i have

1489

01:10:06,640 --> 01:10:05,180

set up gaming servers for friends with

1490

01:10:09,010 --> 01:10:06,650

more security than that server

1491

01:10:12,820 --> 01:10:09,020

reportedly had for a pizza and a

1492

01:10:14,830 --> 01:10:12,830

six-pack so you know and and and you

1493

01:10:17,260 --> 01:10:14,840

know can you imagine if her if Herbert

1494

01:10:19,510 --> 01:10:17,270

Hoover was alive today is he gonna is he

1495

01:10:21,610 --> 01:10:19,520

going to be saying oh yes obviously this

1496

01:10:24,250 --> 01:10:21,620

is the class I should be trusting with

1497

01:10:28,390 --> 01:10:24,260

the secret the real secrets of our

1498

01:10:32,590 --> 01:10:28,400

government i I do imagine I do imagine

1499

01:10:35,260 --> 01:10:32,600

that that it would really be something

1500

01:10:39,880 --> 01:10:35,270

that the government would want and could

1501

01:10:43,890 --> 01:10:39,890

keep as a secret um but you know that's

1502

01:10:46,959 --> 01:10:43,900

that's that's my two cents on it yeah I

1503

01:10:49,720 --> 01:10:46,969

it's been said and probably by me and

1504

01:10:52,090 --> 01:10:49,730

maybe even on the show earlier um that

1505

01:10:54,820 --> 01:10:52,100

all know they there some safe which you

1506

01:10:56,709 --> 01:10:54,830

can't keep but as far as hot in this

1507

01:10:59,530 --> 01:10:56,719

narrow area we're talking about like

1508

01:11:01,450 --> 01:10:59,540

disclosure and given like the levels of

1509

01:11:05,130 --> 01:11:01,460

bureaucracy and who has to have approval

1510

01:11:08,140 --> 01:11:05,140

from home to like say something publicly

1511

01:11:10,600 --> 01:11:08,150

and then you know the Hillary Clinton

1512

01:11:12,910 --> 01:11:10,610

example of the FBI getting in there in

1513

01:11:15,010 --> 01:11:12,920

the server and all that it's like okay

1514

01:11:17,140 --> 01:11:15,020

those people are hassled you know who

1515

01:11:19,000 --> 01:11:17,150

the public and if they want us to know

1516

01:11:20,680 --> 01:11:19,010

something we're damn well going to tell

1517

01:11:22,180 --> 01:11:20,690

us it if it go

1518

01:11:25,510 --> 01:11:22,190

they're not going to tell us nor is

1519

01:11:26,800 --> 01:11:25,520

anyone else because it's you know it's a

1520

01:11:31,720 --> 01:11:26,810

different kettle of fish these days

1521

01:11:34,540 --> 01:11:31,730

since sex 911 especially where you know

1522

01:11:37,380 --> 01:11:34,550

everyone is frightened them of what they

1523

01:11:41,500 --> 01:11:37,390

say and how they say myself included I

1524

01:11:43,600 --> 01:11:41,510

try not to let it run my life but as far

1525

01:11:46,090 --> 01:11:43,610

as disclosure yeah maybe maybe now is

1526

01:11:48,400 --> 01:11:46,100

possible where you know if we really

1527

01:11:50,530 --> 01:11:48,410

need to know something vital to our

1528

01:11:53,890 --> 01:11:50,540

existence they probably would tell us

1529

01:11:56,560 --> 01:11:53,900

good that that's a hard one to to get

1530

01:11:59,700 --> 01:11:56,570

your mind around we just had a great

1531

01:12:03,310 --> 01:11:59,710

comment pop up in the chat room from

1532

01:12:04,780 --> 01:12:03,320

mini Fang and it's since the government

1533

01:12:06,670 --> 01:12:04,790

has lied so much in the past 50 years

1534

01:12:08,530 --> 01:12:06,680

would anyone actually believe them if

1535

01:12:11,050 --> 01:12:08,540

they came out and disclosed what they

1536

01:12:13,570 --> 01:12:11,060

knew well well yeah that's not that's

1537

01:12:15,750 --> 01:12:13,580

like the cry wolf deal like yeah what if

1538

01:12:18,280 --> 01:12:15,760

they did say you know what

1539

01:12:20,770 --> 01:12:18,290

extraterrestrials are real we would a

1540

01:12:22,660 --> 01:12:20,780

lot of probably go yeah right we've

1541

01:12:28,150 --> 01:12:22,670

watched the x-files forget it pal we're

1542

01:12:32,890 --> 01:12:28,160

not going to believe you yeah true true

1543

01:12:36,160 --> 01:12:32,900

and I'm yeah you can't who that's you

1544

01:12:37,660 --> 01:12:36,170

know that's a question that that I don't

1545

01:12:39,400 --> 01:12:37,670

know that I've ever heard discuss but

1546

01:12:42,850 --> 01:12:39,410

let's let's let's do some conjecture

1547

01:12:45,850 --> 01:12:42,860

here let's say hypothetically the

1548

01:12:48,520 --> 01:12:45,860

government the big capital G government

1549

01:12:51,630 --> 01:12:48,530

they know something large and they're

1550

01:12:56,380 --> 01:12:51,640

going to tell us and in a fit of of

1551

01:12:58,900 --> 01:12:56,390

benevolence or whatever um who would you

1552

01:13:02,170 --> 01:12:58,910

pick who who would you trust who would

1553

01:13:04,780 --> 01:13:02,180

go out there and say yes this is what we

1554

01:13:06,729 --> 01:13:04,790

know this is how we know it this is you

1555

01:13:09,640 --> 01:13:06,739

know why we're telling you who would you

1556

01:13:13,750 --> 01:13:09,650

believe it from at this point I have to

1557

01:13:15,189 --> 01:13:13,760

be Alec Baldwin I couldn't have the

1558

01:13:19,030 --> 01:13:15,199

first thing that popped in my head I

1559

01:13:24,189 --> 01:13:19,040

don't know why pocket I don't know Yakov

1560

01:13:29,400 --> 01:13:24,199

Smirnoff uh it's is he even still around

1561

01:13:31,780 --> 01:13:29,410

he's doing Branson why I were hilarious

1562

01:13:33,800 --> 01:13:31,790

maybe he attacked marked and that's why

1563

01:13:37,220 --> 01:13:33,810

his ankle got hurt I don't know

1564

01:13:40,190 --> 01:13:37,230

I'm but anywhere you know who would you

1565

01:13:45,200 --> 01:13:40,200

believe and and in it besides besides

1566

01:13:47,510 --> 01:13:45,210

just us who who would automatically not

1567

01:13:50,510 --> 01:13:47,520

believe it if they did not know it to be

1568

01:13:53,330 --> 01:13:50,520

true themselves just because it was the

1569

01:13:58,640 --> 01:13:53,340

United States saying it if China got out

1570

01:14:02,120 --> 01:13:58,650

tomorrow and had a UFO laid out in in TM

1571

01:14:06,020 --> 01:14:02,130

n square with bodies and diagrams you

1572

01:14:08,480 --> 01:14:06,030

know would would you believe it man i'll

1573

01:14:10,580 --> 01:14:08,490

tell you what i would i would be i think

1574

01:14:12,800 --> 01:14:10,590

i would have a magnifying glass over my

1575

01:14:14,390 --> 01:14:12,810

computer screens to check that out and

1576

01:14:17,210 --> 01:14:14,400

they even try and figure out a way to

1577

01:14:19,160 --> 01:14:17,220

get over there because I almost part

1578

01:14:21,500 --> 01:14:19,170

of me almost can't believe if something

1579

01:14:23,510 --> 01:14:21,510

did happen like that in China but that

1580

01:14:26,270 --> 01:14:23,520

that kind of a PD approach okay here's

1581

01:14:29,600 --> 01:14:26,280

what we have is it looks like and it's

1582

01:14:31,370 --> 01:14:29,610

in our possession and yeah I know you

1583

01:14:33,220 --> 01:14:31,380

can fake a lot of things on you know on

1584

01:14:35,570 --> 01:14:33,230

the internet but something of that scale

1585

01:14:37,310 --> 01:14:35,580

we're obviously there would be thousands

1586

01:14:42,320 --> 01:14:37,320

of people around it I don't think that

1587

01:14:43,940 --> 01:14:42,330

could be faked but God like if the

1588

01:14:46,070 --> 01:14:43,950

United States had to make some kind of a

1589

01:14:49,040 --> 01:14:46,080

decoration like that the David would

1590

01:14:50,900 --> 01:14:49,050

have to be I almost would guarantee they

1591

01:14:54,710 --> 01:14:50,910

would choose somebody it's well known

1592

01:14:56,360 --> 01:14:54,720

and respected in the media I don't think

1593

01:14:57,980 --> 01:14:56,370

it would be you know I was just being a

1594

01:15:03,490 --> 01:14:57,990

wide that's when I said how it fall when

1595

01:15:06,380 --> 01:15:03,500

the God you never know yeah I mean do we

1596

01:15:09,890 --> 01:15:06,390

yeah is even with the media I mean do we

1597

01:15:12,380 --> 01:15:09,900

we don't have that Walter Cronkite and

1598

01:15:19,640 --> 01:15:12,390

where r murrow you know you're right

1599

01:15:21,680 --> 01:15:19,650

those days are gone um which which it's

1600

01:15:25,490 --> 01:15:21,690

a man it's just a big scary world isn't

1601

01:15:30,350 --> 01:15:25,500

it it seems to be yes we're sitting at

1602

01:15:32,300 --> 01:15:30,360

it now uh we talked before a little bit

1603

01:15:36,490 --> 01:15:32,310

about your career and how this is not

1604

01:15:40,880 --> 01:15:36,500

normally what you are writing about on

1605

01:15:46,250 --> 01:15:40,890

this book came out in 2014 correct yes

1606

01:15:47,690 --> 01:15:46,260

um is is is this are you one and done

1607

01:15:49,550 --> 01:15:47,700

are you

1608

01:15:52,640 --> 01:15:49,560

not going to revisit this till you have

1609

01:15:56,780 --> 01:15:52,650

you think you have some answers are you

1610

01:16:01,580 --> 01:15:56,790

are we looking at black light to come

1611

01:16:04,280 --> 01:16:01,590

out later though on um good question the

1612

01:16:06,050 --> 01:16:04,290

thing is uh unfortunately on the guy

1613

01:16:10,520 --> 01:16:06,060

with all the questions I don't think I

1614

01:16:12,170 --> 01:16:10,530

have any definitive answers um or after

1615

01:16:14,390 --> 01:16:12,180

this after I published this book I

1616

01:16:17,420 --> 01:16:14,400

thought well you know you've mined all

1617

01:16:19,640 --> 01:16:17,430

your your journals and people you talk

1618

01:16:22,730 --> 01:16:19,650

to interviews and stuff like that the

1619

01:16:24,410 --> 01:16:22,740

material Atlanta this book um I don't

1620

01:16:28,010 --> 01:16:24,420

think it's going to get stand alone

1621

01:16:31,190 --> 01:16:28,020

again that's the only one but having

1622

01:16:33,020 --> 01:16:31,200

said that I think it's probably going to

1623

01:16:35,630 --> 01:16:33,030

take me a while to write another

1624

01:16:37,460 --> 01:16:35,640

non-fiction book about UFOs and

1625

01:16:39,980 --> 01:16:37,470

paranormal phenomena because so much has

1626

01:16:43,220 --> 01:16:39,990

happened just between me it's not even a

1627

01:16:45,830 --> 01:16:43,230

year yet since this book is pan out and

1628

01:16:47,960 --> 01:16:45,840

just the way I think about things from

1629

01:16:50,410 --> 01:16:47,970

reading others and then also just

1630

01:16:52,910 --> 01:16:50,420

watching what's going on in the world

1631

01:16:54,500 --> 01:16:52,920

everything is off so quickly I it's

1632

01:16:57,980 --> 01:16:54,510

really hard for me personally is to keep

1633

01:17:00,170 --> 01:16:57,990

up with even even UFO phenomenon you

1634

01:17:05,210 --> 01:17:00,180

know because they're so is hopes in

1635

01:17:06,890 --> 01:17:05,220

going on today and mixed in with as we

1636

01:17:10,550 --> 01:17:06,900

mentioned before like but drone

1637

01:17:12,320 --> 01:17:10,560

sightings and then regrettable I can get

1638

01:17:15,410 --> 01:17:12,330

a lot of degrees websites I don't want

1639

01:17:17,240 --> 01:17:15,420

to mention any where it's the UH Nikita

1640

01:17:19,700 --> 01:17:17,250

look at the comments well there was one

1641

01:17:22,300 --> 01:17:19,710

of the Roswell slides very well known

1642

01:17:24,830 --> 01:17:22,310

useful later and I gotta feel sorry for

1643

01:17:27,380 --> 01:17:24,840

that would not end about these roswell

1644

01:17:29,150 --> 01:17:27,390

slides and then when that came out the

1645

01:17:31,310 --> 01:17:29,160

you know it was a photograph of the

1646

01:17:34,340 --> 01:17:31,320

money like oh my God look at all this

1647

01:17:35,990 --> 01:17:34,350

time that was wasted but the fields been

1648

01:17:38,120 --> 01:17:36,000

that way since the fifties and I

1649

01:17:41,270 --> 01:17:38,130

realized that because they didn't have

1650

01:17:43,370 --> 01:17:41,280

the internet it's that point but to

1651

01:17:45,110 --> 01:17:43,380

answer your question i'm pretty sure

1652

01:17:48,380 --> 01:17:45,120

that i'll write another book I just

1653

01:17:51,260 --> 01:17:48,390

don't know when that'll be and I have

1654

01:17:53,270 --> 01:17:51,270

been absolutely I I did start publishing

1655

01:17:56,660 --> 01:17:53,280

on paranormal stuff back in the a's but

1656

01:17:59,720 --> 01:17:56,670

it was in such a small price magazine

1657

01:18:01,630 --> 01:17:59,730

called the gate and i believe the first

1658

01:18:03,880 --> 01:18:01,640

issue i had anything in was

1659

01:18:05,740 --> 01:18:03,890

article about an interview with Col so

1660

01:18:08,440 --> 01:18:05,750

that's what it was and there was an also

1661

01:18:09,880 --> 01:18:08,450

an article in there by Stan Gordon who

1662

01:18:13,450 --> 01:18:09,890

lives pursued my house for me in

1663

01:18:16,630 --> 01:18:13,460

Pennsylvania who researched the cat

1664

01:18:18,700 --> 01:18:16,640

health Tech's burg UFO crash and we

1665

01:18:21,760 --> 01:18:18,710

really don't agree on a lot of stuff but

1666

01:18:23,860 --> 01:18:21,770

I did start writing about this were long

1667

01:18:26,350 --> 01:18:23,870

time ago and then stopped and then

1668

01:18:32,130 --> 01:18:26,360

starting again in the early 2000s and

1669

01:18:34,660 --> 01:18:32,140

that that stuff became black light now

1670

01:18:41,230 --> 01:18:34,670

let's talk about your voice for a second

1671

01:18:44,920 --> 01:18:41,240

um you don't I mean we said it here

1672

01:18:47,650 --> 01:18:44,930

today you you are not a big fan of the

1673

01:18:52,900 --> 01:18:47,660

extra-terrestrial hypothesis you you and

1674

01:18:59,620 --> 01:18:52,910

you Ural okay um what do you think of

1675

01:19:02,230 --> 01:18:59,630

other people who are not fans of the

1676

01:19:04,240 --> 01:19:02,240

extra-terrestrial hypothesis how do you

1677

01:19:07,240 --> 01:19:04,250

we've talked so much about how we're

1678

01:19:10,180 --> 01:19:07,250

viewing the UFO phenomena what about uh

1679

01:19:14,200 --> 01:19:10,190

the skeptics and the debunkers how do

1680

01:19:16,300 --> 01:19:14,210

you assess the the state of their nation

1681

01:19:18,070 --> 01:19:16,310

right now do you have any of the

1682

01:19:20,590 --> 01:19:18,080

problems that I think a lot of the

1683

01:19:25,780 --> 01:19:20,600

listeners to this show would have with

1684

01:19:28,150 --> 01:19:25,790

with those communities um well it's been

1685

01:19:29,980 --> 01:19:28,160

said before but I'll say it to be to

1686

01:19:32,650 --> 01:19:29,990

make it clear to you and to people

1687

01:19:34,980 --> 01:19:32,660

listening is that when it comes to the

1688

01:19:37,180 --> 01:19:34,990

scant decisions like and I definitely

1689

01:19:39,790 --> 01:19:37,190

against the extremists like you're

1690

01:19:41,740 --> 01:19:39,800

extreme believers in the eth the

1691

01:19:45,220 --> 01:19:41,750

extra-terrestrial hypothesis I'll also

1692

01:19:47,070 --> 01:19:45,230

against the extreme skeptics who will

1693

01:19:50,050 --> 01:19:47,080

not entertain any theory and whatsoever

1694

01:19:52,780 --> 01:19:50,060

about you know about possibilities that

1695

01:19:55,000 --> 01:19:52,790

we are being visited whether it be you

1696

01:19:59,560 --> 01:19:55,010

know physical collapse from from

1697

01:20:03,670 --> 01:19:59,570

elsewhere or from you know I guess floor

1698

01:20:05,500 --> 01:20:03,680

I go further into away from skepticism

1699

01:20:08,710 --> 01:20:05,510

is that I'm willing to entertain the

1700

01:20:11,260 --> 01:20:08,720

possibility of of parallel universes but

1701

01:20:13,720 --> 01:20:11,270

as far as the weak point in that theory

1702

01:20:15,160 --> 01:20:13,730

is well okay there probably are parallel

1703

01:20:17,860 --> 01:20:15,170

universes how

1704

01:20:20,290 --> 01:20:17,870

how do the beatings from those universes

1705

01:20:24,370 --> 01:20:20,300

get here that that's a big problem and

1706

01:20:27,370 --> 01:20:24,380

then the people behind that actually

1707

01:20:29,280 --> 01:20:27,380

chief john keel was one of them he was

1708

01:20:31,959 --> 01:20:29,290

at the super spectrum and you know

1709

01:20:34,180 --> 01:20:31,969

things of that nature but he also

1710

01:20:35,680 --> 01:20:34,190

couldn't get he couldn't get his mind

1711

01:20:38,709 --> 01:20:35,690

around well okay there could be other

1712

01:20:42,640 --> 01:20:38,719

universes and it could be even human how

1713

01:20:44,770 --> 01:20:42,650

would they get here and now look hell it

1714

01:20:47,560 --> 01:20:44,780

seems to have a way around that but he

1715

01:20:50,200 --> 01:20:47,570

to try to wrap your mind about that

1716

01:20:53,200 --> 01:20:50,210

around and difficult and like the

1717

01:20:57,610 --> 01:20:53,210

regarding skeptics Philip J class who is

1718

01:20:59,919 --> 01:20:57,620

now no longer among us I was one of the

1719

01:21:04,780 --> 01:20:59,929

first books I read to it was called UFOs

1720

01:21:07,840 --> 01:21:04,790

explained in the Kim like 76 has said it

1721

01:21:10,300 --> 01:21:07,850

and I first thought oh my god this guy

1722

01:21:12,430 --> 01:21:10,310

is unbearable but have you I learned a

1723

01:21:15,160 --> 01:21:12,440

lot about him but mostly just I don't

1724

01:21:16,360 --> 01:21:15,170

keep your keep your head together but I

1725

01:21:19,270 --> 01:21:16,370

don't think he was right about anything

1726

01:21:22,689 --> 01:21:19,280

he seemed to not you seem to be not open

1727

01:21:24,760 --> 01:21:22,699

at all even though he's blue silk if you

1728

01:21:27,700 --> 01:21:24,770

can show me this you know evidence I

1729

01:21:29,919 --> 01:21:27,710

will open up and I probably he wasn't

1730

01:21:32,350 --> 01:21:29,929

honest about that but when someone came

1731

01:21:34,900 --> 01:21:32,360

along with evidence that he could not

1732

01:21:37,720 --> 01:21:34,910

and he really couldn't mess with he

1733

01:21:43,689 --> 01:21:37,730

seemed to back off so I can't put myself

1734

01:21:46,720 --> 01:21:43,699

in that camp uh there's uh Robert Robert

1735

01:21:50,050 --> 01:21:46,730

lot of Shaffer is a guy who makes

1736

01:21:52,630 --> 01:21:50,060

canticle more so than me um and I am I

1737

01:21:54,729 --> 01:21:52,640

admire I'm still not i'm not on the

1738

01:21:57,189 --> 01:21:54,739

extremes as far as skepticism goes I

1739

01:22:04,140 --> 01:21:57,199

think I'm more open to there being some

1740

01:22:14,530 --> 01:22:08,229

what uh so what would it take for you

1741

01:22:19,120 --> 01:22:14,540

personally to say oh damn aliens yes I

1742

01:22:22,860 --> 01:22:19,130

like in my in my case I'm a bad case it

1743

01:22:26,050 --> 01:22:22,870

would almost have has to be like a very

1744

01:22:27,939 --> 01:22:26,060

Austin counter so to speak with some

1745

01:22:28,870 --> 01:22:27,949

unusual entity and then even if there

1746

01:22:30,580 --> 01:22:28,880

happened

1747

01:22:33,729 --> 01:22:30,590

I thought right away I'm probably taking

1748

01:22:37,270 --> 01:22:33,739

okay I'm having I just had I just had a

1749

01:22:38,919 --> 01:22:37,280

cerebral accident and I'm having a

1750

01:22:40,390 --> 01:22:38,929

stroke and I'm hallucinating or

1751

01:22:42,640 --> 01:22:40,400

something and I would hope someone else

1752

01:22:45,129 --> 01:22:42,650

is driving me to see this thing that's

1753

01:22:48,550 --> 01:22:45,139

what it would have to take the little

1754

01:22:49,660 --> 01:22:48,560

girl out stroke hypothesis you have to

1755

01:22:55,840 --> 01:22:49,670

be something like that i'm having

1756

01:22:59,110 --> 01:22:55,850

temporal lobe epilepsy right now uh well

1757

01:23:00,490 --> 01:22:59,120

okay so is there no organization than

1758

01:23:03,879 --> 01:23:00,500

you just I mean it would have to be

1759

01:23:07,600 --> 01:23:03,889

personal for you until you feel cold

1760

01:23:11,740 --> 01:23:07,610

steel all probe you don't you're not do

1761

01:23:13,720 --> 01:23:11,750

it Yates um well I'm thankful start

1762

01:23:16,479 --> 01:23:13,730

again it yeah we're depending on who

1763

01:23:19,720 --> 01:23:16,489

okay if you're looking for a name I

1764

01:23:21,729 --> 01:23:19,730

guess if someone like shops le so ok

1765

01:23:23,950 --> 01:23:21,739

here is the evidence I have you have to

1766

01:23:26,800 --> 01:23:23,960

show you the image right he is someone i

1767

01:23:28,390 --> 01:23:26,810

would trust i will i will go over the

1768

01:23:32,680 --> 01:23:28,400

edge Nancy yes I will trust shop

1769

01:23:34,959 --> 01:23:32,690

Philippe if he said Joe and I have I

1770

01:23:37,330 --> 01:23:34,969

have evidence and here it is I would

1771

01:23:39,100 --> 01:23:37,340

check it out as I don't trust anyone you

1772

01:23:43,950 --> 01:23:39,110

know a hundred percent who does but it

1773

01:23:49,990 --> 01:23:46,209

different there's a guy was a website

1774

01:23:54,879 --> 01:23:50,000

called the UFO trail jack bluer I his

1775

01:23:58,149 --> 01:23:54,889

opinion I would trust but what about

1776

01:24:02,890 --> 01:23:58,159

what about government agency or

1777

01:24:06,160 --> 01:24:02,900

governments um you know if if uh let's

1778

01:24:08,379 --> 01:24:06,170

pull ah i'm trying to think of a of a

1779

01:24:10,540 --> 01:24:08,389

fairly neutral country and i really i

1780

01:24:12,250 --> 01:24:10,550

mean other than switzerland which and

1781

01:24:14,770 --> 01:24:12,260

i'm really not thinking of something

1782

01:24:15,790 --> 01:24:14,780

that's not gonna jaundice people one way

1783

01:24:19,030 --> 01:24:15,800

or another so let's just say with

1784

01:24:21,550 --> 01:24:19,040

switzerland let's say the swiss tomorrow

1785

01:24:22,899 --> 01:24:21,560

came out and said you know we're sick of

1786

01:24:27,310 --> 01:24:22,909

keeping other people's secrets this is

1787

01:24:30,340 --> 01:24:27,320

this is what we know about it um and and

1788

01:24:33,209 --> 01:24:30,350

and they're all coming from Alpha

1789

01:24:36,040 --> 01:24:33,219

Centauri or the Pleiades or whatever uh

1790

01:24:39,010 --> 01:24:36,050

you know how much stock do you place in

1791

01:24:40,990 --> 01:24:39,020

something like that well if it came from

1792

01:24:42,459 --> 01:24:41,000

the Swiss I have to admit I probably

1793

01:24:44,649 --> 01:24:42,469

would be

1794

01:24:47,709 --> 01:24:44,659

possibly a little predisposed to to

1795

01:24:48,819 --> 01:24:47,719

accept it up again and I would have to

1796

01:24:52,180 --> 01:24:48,829

be a very they would have to present

1797

01:24:54,489 --> 01:24:52,190

something at anyone making it disclosure

1798

01:24:56,680 --> 01:24:54,499

would and I would definitely pay deep

1799

01:25:00,219 --> 01:24:56,690

attention to it and and connectedness

1800

01:25:02,319 --> 01:25:00,229

wish yeah I would probably want to want

1801
01:25:04,000 --> 01:25:02,329
to trust them because they just seems a

1802
01:25:06,430 --> 01:25:04,010
damn friendly and I know everyone says

1803
01:25:10,299 --> 01:25:06,440
that but it seems to be true from for

1804
01:25:12,989 --> 01:25:10,309
people i know of travel there I probably

1805
01:25:18,279 --> 01:25:12,999
would have a little predisposition to

1806
01:25:20,729 --> 01:25:18,289
testing so if the Russians come out

1807
01:25:24,310 --> 01:25:20,739
tomorrow and say this we you know we

1808
01:25:25,839 --> 01:25:24,320
recaptured this UFO and whenever they're

1809
01:25:30,489 --> 01:25:25,849
supposed to have captured UFOs I'm not

1810
01:25:31,509 --> 01:25:30,499
up on my russian ufology you know that

1811
01:25:35,919 --> 01:25:31,519
that's one you're gonna you're gonna

1812
01:25:39,160 --> 01:25:35,929
give the [h__\h] I to up a nominal because

1813
01:25:41,350 --> 01:25:39,170

we're having such a serious kinda

1814

01:25:43,060 --> 01:25:41,360

lopsided relationship with Russia these

1815

01:25:45,219 --> 01:25:43,070

days I you know they could say we you

1816

01:25:48,700 --> 01:25:45,229

know we have American while to the

1817

01:25:52,000 --> 01:25:48,710

lowest in custody his ankle is hurt we

1818

01:25:56,259 --> 01:25:52,010

have you for two and I don't know if I

1819

01:25:58,899 --> 01:25:56,269

would I trust him like I trust the

1820

01:26:01,540 --> 01:25:58,909

intellectual nature okay they seem to

1821

01:26:02,919 --> 01:26:01,550

really be like like in the 60s they had

1822

01:26:04,569 --> 01:26:02,929

all this psychic research and they were

1823

01:26:07,390 --> 01:26:04,579

dance serious about it if you've ever

1824

01:26:09,700 --> 01:26:07,400

read any others like some psychic

1825

01:26:11,739 --> 01:26:09,710

research behind the Iron Curtain the

1826

01:26:15,759 --> 01:26:11,749

name of the book absolutely love that

1827

01:26:18,069 --> 01:26:15,769

yes so you do know yeah there was deadly

1828

01:26:20,020 --> 01:26:18,079

serious about it i think that the

1829

01:26:22,299 --> 01:26:20,030

Americans were as well that the Russians

1830

01:26:25,379 --> 01:26:22,309

were like wow they really got into that

1831

01:26:28,779 --> 01:26:25,389

so I if they were to make a disclosure

1832

01:26:31,660 --> 01:26:28,789

man I don't know I I would be I'd be

1833

01:26:34,689 --> 01:26:31,670

hesitant but then I think that they may

1834

01:26:37,660 --> 01:26:34,699

also want to be do they want to be the

1835

01:26:40,149 --> 01:26:37,670

ones that have to ply having made this

1836

01:26:42,370 --> 01:26:40,159

discovery disclosure I you know however

1837

01:26:43,540 --> 01:26:42,380

you want to look at it and what might

1838

01:26:46,029 --> 01:26:43,550

actually be willing to trust them

1839

01:26:47,439 --> 01:26:46,039

because they would want to be known just

1840

01:26:51,450 --> 01:26:47,449

like we would you know hey we're the

1841

01:26:54,459 --> 01:26:51,460

guys you got to got the holy grail um

1842

01:26:56,200 --> 01:26:54,469

the name of the podcast is podcast UFO

1843

01:26:58,030 --> 01:26:56,210

but

1844

01:27:01,240 --> 01:26:58,040

I'm the guy holding the mic everybody so

1845

01:27:04,630 --> 01:27:01,250

I'm gonna I'm gonna deviate from UFOs

1846

01:27:08,020 --> 01:27:04,640

for a second again and and and go this

1847

01:27:10,900 --> 01:27:08,030

way you talk in the book black lights

1848

01:27:13,330 --> 01:27:10,910

uh-uh you like to term you seem to like

1849

01:27:16,570 --> 01:27:13,340

the term for TN I mean you do kind of

1850

01:27:23,229 --> 01:27:16,580

refer to his his body of general

1851
01:27:25,470 --> 01:27:23,239
strangeness um other than UFOs do you

1852
01:27:28,479 --> 01:27:25,480
have interest in in some of the other

1853
01:27:32,770 --> 01:27:28,489
phenomena out there that that kind of

1854
01:27:37,900 --> 01:27:32,780
often gets lumped in with UFOs in say a

1855
01:27:40,479 --> 01:27:37,910
syndicated radio talk show um so uh you

1856
01:27:43,500 --> 01:27:40,489
know what would do you look into

1857
01:27:47,800 --> 01:27:43,510
personally psychic phenomenon

1858
01:27:49,870 --> 01:27:47,810
cryptozoology uh ghosts in any

1859
01:27:53,760 --> 01:27:49,880
black-eyed kids those things are scary

1860
01:27:57,660 --> 01:27:53,770
as hell any of that stuff I'm very

1861
01:28:01,570 --> 01:27:57,670
interested in actually I started out

1862
01:28:03,760 --> 01:28:01,580
with being interested in both in UFOs

1863
01:28:06,360 --> 01:28:03,770

and paranormal phenomenon and then what

1864

01:28:09,580 --> 01:28:06,370

i discovered the works of colin wilson

1865

01:28:12,640 --> 01:28:09,590

who passed away not too long ago um i

1866

01:28:16,570 --> 01:28:12,650

really got interested because he seemed

1867

01:28:18,390 --> 01:28:16,580

to be someone who cared about about the

1868

01:28:21,459 --> 01:28:18,400

science behind these things especially

1869

01:28:23,770 --> 01:28:21,469

I'm he wrote a book in 1980 called

1870

01:28:26,200 --> 01:28:23,780

poltergeist study and disruptive

1871

01:28:28,930 --> 01:28:26,210

haunting and there seemed to be a lot of

1872

01:28:31,060 --> 01:28:28,940

good science in that book um and that

1873

01:28:34,090 --> 01:28:31,070

got me interested in in the other

1874

01:28:35,890 --> 01:28:34,100

aspects and between he and and John keel

1875

01:28:39,520 --> 01:28:35,900

saying well you know if you would see

1876

01:28:42,580 --> 01:28:39,530

paranormal stuff but could be healed

1877

01:28:45,100 --> 01:28:42,590

gives examples of actual families where

1878

01:28:47,979 --> 01:28:45,110

they had a UFO sighting and then shortly

1879

01:28:50,020 --> 01:28:47,989

after they were invaded by but

1880

01:28:52,840 --> 01:28:50,030

apparently was a poltergeist like

1881

01:28:57,160 --> 01:28:52,850

phenomena with the markings and unusual

1882

01:29:01,530 --> 01:28:57,170

fires and pools of water so I'm

1883

01:29:05,260 --> 01:29:01,540

interested in that as well and that also

1884

01:29:08,979 --> 01:29:05,270

branches off into both Charles Fort

1885

01:29:10,060 --> 01:29:08,989

which actually I read his last book Wild

1886

01:29:12,459 --> 01:29:10,070

Talents

1887

01:29:14,470 --> 01:29:12,469

that he published in 1932 that was the

1888

01:29:17,500 --> 01:29:14,480

first of his folks I read and that was I

1889

01:29:20,740 --> 01:29:17,510

think I was taught in school and that

1890

01:29:23,169 --> 01:29:20,750

was a long time ago but yeah I have a

1891

01:29:25,419 --> 01:29:23,179

very large interest in all these

1892

01:29:27,189 --> 01:29:25,429

phenomena the the only possible

1893

01:29:31,209 --> 01:29:27,199

exceptions as you mentioned black-eyed

1894

01:29:34,209 --> 01:29:31,219

kids and there's some guys and there's

1895

01:29:37,030 --> 01:29:34,219

another figure is it too tall man I'm

1896

01:29:38,859 --> 01:29:37,040

saying it wrong so the shadow people

1897

01:29:41,830 --> 01:29:38,869

kind of thing is that is that what

1898

01:29:44,290 --> 01:29:41,840

you're referring yeah yeah yeah I think

1899

01:29:47,080 --> 01:29:44,300

that I think that those are just like

1900

01:29:50,729 --> 01:29:47,090

like a splinter off of preview no

1901

01:29:53,140 --> 01:29:50,739

so-called pre-existing phenomenon like

1902

01:29:57,000 --> 01:29:53,150

on a black-eyed kids yeah that seems

1903

01:29:59,800 --> 01:29:57,010

like an anomaly but it also seems like a

1904

01:30:02,530 --> 01:29:59,810

done with the cultural like a trend

1905

01:30:05,080 --> 01:30:02,540

almost because you don't hear that you

1906

01:30:06,819 --> 01:30:05,090

don't hear that reported however before

1907

01:30:09,370 --> 01:30:06,829

the two thousands not not to my

1908

01:30:11,379 --> 01:30:09,380

knowledge and I and I read pretty widely

1909

01:30:12,850 --> 01:30:11,389

and pay attention so I don't know what

1910

01:30:14,649 --> 01:30:12,860

to think that the black-eyed kids with

1911

01:30:17,649 --> 01:30:14,659

the black-eyed shows I really don't know

1912

01:30:19,750 --> 01:30:17,659

you know which way ya sounds free but I

1913

01:30:23,050 --> 01:30:19,760

I agree and it's like where did they

1914

01:30:25,959 --> 01:30:23,060

come from you know exactly it's like a

1915

01:30:30,459 --> 01:30:25,969

meme accept that then on the on this the

1916

01:30:33,250 --> 01:30:30,469

same side is then it struck me not too

1917

01:30:37,450 --> 01:30:33,260

long ago uh I was cleaning some stuff up

1918

01:30:41,050 --> 01:30:37,460

and I came across my stack of Montague

1919

01:30:46,089 --> 01:30:41,060

summers books um are you familiar with

1920

01:30:47,260 --> 01:30:46,099

Monica summers yeah okay if listeners if

1921

01:30:50,850 --> 01:30:47,270

you're not familiar with money you

1922

01:30:54,850 --> 01:30:50,860

summers he was someone who was very

1923

01:30:57,839 --> 01:30:54,860

convinced that about a hundred years ago

1924

01:31:02,050 --> 01:30:57,849

that vampires were quite real and

1925

01:31:04,750 --> 01:31:02,060

instruments of the devil uh and and he

1926

01:31:07,180 --> 01:31:04,760

has some very some crazy books but but

1927

01:31:09,870 --> 01:31:07,190

one of the things that that kind of

1928

01:31:13,510 --> 01:31:09,880

dawned on me was that the whole um

1929

01:31:17,290 --> 01:31:13,520

having to be invited in aspect which

1930

01:31:22,030 --> 01:31:17,300

several vampiric beings supposedly

1931

01:31:23,530 --> 01:31:22,040

needed in different cultures according

1932

01:31:25,930 --> 01:31:23,540

to summers that

1933

01:31:30,690 --> 01:31:25,940

that seems to be a theme in this black

1934

01:31:34,660 --> 01:31:30,700

eye kids stories and is is this the new

1935

01:31:40,720 --> 01:31:34,670

the new I don't know resurgence of some

1936

01:31:44,770 --> 01:31:40,730

very ancient odd uh it doesn't almost

1937

01:31:47,320 --> 01:31:44,780

does seem like if it seems like well it

1938

01:31:49,780 --> 01:31:47,330

seems like a cultural updating just a

1939

01:31:52,480 --> 01:31:49,790

similar to like the the airship

1940

01:31:54,760 --> 01:31:52,490

sightings in 1890s of the ritual like

1941

01:31:57,390 --> 01:31:54,770

objects what one of which took place not

1942

01:32:00,130 --> 01:31:57,400

far from more on that in sistersville

1943

01:32:02,710 --> 01:32:00,140

West Virginia it's about 30 miles from

1944

01:32:06,430 --> 01:32:02,720

here and that was what the precursor

1945

01:32:09,340 --> 01:32:06,440

where the excuse me or the phenomenon

1946

01:32:11,980 --> 01:32:09,350

acted like modern-day UFO a cast bright

1947

01:32:13,660 --> 01:32:11,990

lights on the ground strange beings came

1948

01:32:16,300 --> 01:32:13,670

out and said absurd things to people

1949

01:32:20,740 --> 01:32:16,310

just like they handled I believe oh

1950

01:32:24,700 --> 01:32:20,750

that's right yeah but he apparently you

1951

01:32:26,440 --> 01:32:24,710

know ropa Carol up there arm but yeah

1952

01:32:28,630 --> 01:32:26,450

the black-eyed kids in there and there

1953

01:32:31,270 --> 01:32:28,640

they having to be welcomed old and

1954

01:32:33,880 --> 01:32:31,280

threshold that I will actually I wasn't

1955

01:32:36,430 --> 01:32:33,890

aware of that aspect but that does sound

1956

01:32:39,760 --> 01:32:36,440

like it's another instance of like I

1957

01:32:41,830 --> 01:32:39,770

told the manifestations so-called

1958

01:32:46,180 --> 01:32:41,840

updating themselves to keep up with the

1959

01:32:50,050 --> 01:32:46,190

culture um I have a question from the

1960

01:32:51,670 --> 01:32:50,060

from the chat room from now somebody is

1961

01:32:54,220 --> 01:32:51,680

simply a guest doesn't identify

1962

01:32:56,440 --> 01:32:54,230

themselves cuz this I think might open

1963

01:32:59,170 --> 01:32:56,450

hole Canada were now I'm gonna read

1964

01:33:01,570 --> 01:32:59,180

exactly what what they say and it's ask

1965

01:33:05,740 --> 01:33:01,580

him what he thinks about in all capital

1966

01:33:07,690 --> 01:33:05,750

letters abductions dun-dun-duh and I'm

1967

01:33:12,790 --> 01:33:07,700

gonna add well I wrote a book so i'm not

1968

01:33:15,460 --> 01:33:12,800

going to talk first okay um well what I

1969

01:33:18,970 --> 01:33:15,470

think and and this has evolved to

1970

01:33:21,640 --> 01:33:18,980

because I really i didn't have a high

1971

01:33:24,790 --> 01:33:21,650

awareness for these things abductions

1972

01:33:26,260 --> 01:33:24,800

that is until it would it be dated

1973

01:33:28,030 --> 01:33:26,270

whitley strieber and i don't remember

1974

01:33:31,180 --> 01:33:28,040

what it could have been a job valley

1975

01:33:33,610 --> 01:33:31,190

book where it was mentioned but not in

1976

01:33:35,740 --> 01:33:33,620

it was before it was a big you know

1977

01:33:37,150 --> 01:33:35,750

cultural tours even a blip on the

1978

01:33:39,400 --> 01:33:37,160

cultural radar

1979

01:33:41,680 --> 01:33:39,410

that's how I kind of took it seriously

1980

01:33:45,460 --> 01:33:41,690

because I have evolved from someone who

1981

01:33:48,280 --> 01:33:45,470

pretty much said did extraterrestrial

1982

01:33:50,110 --> 01:33:48,290

hypothesis so when I first heard about

1983

01:33:52,450 --> 01:33:50,120

abductions I'm like well it would make

1984

01:33:54,700 --> 01:33:52,460

sense but why would they need to do it

1985

01:33:57,910 --> 01:33:54,710

as often as they seem to and then when i

1986

01:33:59,320 --> 01:33:57,920

read valley talking about that saying

1987

01:34:01,360 --> 01:33:59,330

well here's why I abductions probably

1988

01:34:03,190 --> 01:34:01,370

aren't what they appear to be because

1989

01:34:06,490 --> 01:34:03,200

why why would they need to be so cruel

1990

01:34:11,370 --> 01:34:06,500

ooh and when we have technology to do it

1991

01:34:15,070 --> 01:34:11,380

much causing drama I changed my tune and

1992

01:34:18,220 --> 01:34:15,080

then and then I evolved into the thanks

1993

01:34:21,910 --> 01:34:18,230

to meeting Jim Keith where and Martin

1994

01:34:24,810 --> 01:34:21,920

cannon Martin canon law paper I think

1995

01:34:28,510 --> 01:34:24,820

also was expanded into a paperback book

1996

01:34:32,920 --> 01:34:28,520

called the controllers where he was

1997

01:34:36,310 --> 01:34:32,930

giving the military security where they

1998

01:34:37,690 --> 01:34:36,320

were kidnapping people for like yahoo

1999

01:34:40,000 --> 01:34:37,700

knows its parent mind-control

2000

01:34:41,950 --> 01:34:40,010

experimentation and also to test

2001
01:34:45,180 --> 01:34:41,960
thresholds because they were interested

2002
01:34:47,800 --> 01:34:45,190
in creating a so-called super soldiers

2003
01:34:50,380 --> 01:34:47,810
someone who could withstand torture and

2004
01:34:52,840 --> 01:34:50,390
that they were abducting members of the

2005
01:34:57,670 --> 01:34:52,850
American public and hiding behind the

2006
01:35:00,160 --> 01:34:57,680
alien abduction agenda by basically and

2007
01:35:03,220 --> 01:35:00,170
planning hypnotic suggestions in the

2008
01:35:05,740 --> 01:35:03,230
people so when they were regressed they

2009
01:35:10,210 --> 01:35:05,750
would have a memory of you know all of

2010
01:35:15,250 --> 01:35:10,220
the delays came and got me so currently

2011
01:35:17,500 --> 01:35:15,260
I do you think I'm once used by military

2012
01:35:20,460 --> 01:35:17,510
who knows just intelligence for some

2013
01:35:24,700 --> 01:35:20,470

purpose or some corporate group even

2014

01:35:26,230 --> 01:35:24,710

used it but as far as do they happen

2015

01:35:29,610 --> 01:35:26,240

that they actually happened I think they

2016

01:35:33,310 --> 01:35:29,620

do I think it's an internal

2017

01:35:36,730 --> 01:35:33,320

manifestation well I it's not all do the

2018

01:35:38,800 --> 01:35:36,740

I know that sleep paralysis is a big

2019

01:35:42,430 --> 01:35:38,810

factor that comes into some of these

2020

01:35:44,590 --> 01:35:42,440

theories where you know you think Carol

2021

01:35:46,150 --> 01:35:44,600

Nick and you can't move the other thing

2022

01:35:49,420 --> 01:35:46,160

as you are partly awake and you cannot

2023

01:35:50,950 --> 01:35:49,430

move and some people see things they see

2024

01:35:53,560 --> 01:35:50,960

entities and they

2025

01:35:55,420 --> 01:35:53,570

in today's falta they think well I saw

2026

01:35:57,820 --> 01:35:55,430

an alien but in reality you've had a

2027

01:36:00,790 --> 01:35:57,830

hallucination some kind of I'm kind of

2028

01:36:02,530 --> 01:36:00,800

more towards the cycle social and of

2029

01:36:04,090 --> 01:36:02,540

that aspect look at ductions like

2030

01:36:07,840 --> 01:36:04,100

something's definitely going on because

2031

01:36:11,200 --> 01:36:07,850

it traumatizes p right but actually what

2032

01:36:14,709 --> 01:36:11,210

it is I don't know but I know something

2033

01:36:16,479 --> 01:36:14,719

is I had you know people are still

2034

01:36:18,550 --> 01:36:16,489

reporting these things what the

2035

01:36:20,530 --> 01:36:18,560

reporting I don't know that I think it's

2036

01:36:25,030 --> 01:36:20,540

it has a lot to do with us like its

2037

01:36:30,400 --> 01:36:25,040

protective projection do but I think

2038

01:36:32,770 --> 01:36:30,410

it's maybe a demon the numerators I mean

2039

01:36:35,110 --> 01:36:32,780

always I still gave you a star seeing

2040

01:36:36,790 --> 01:36:35,120

something and you know I think ending on

2041

01:36:39,340 --> 01:36:36,800

on your background like if you have

2042

01:36:41,800 --> 01:36:39,350

religious face and let's say you have an

2043

01:36:46,630 --> 01:36:41,810

aggressive haunting in your house you're

2044

01:36:50,350 --> 01:36:46,640

gonna say yeah there's a demon here but

2045

01:36:53,170 --> 01:36:50,360

I mean X to actually see them because it

2046

01:36:56,260 --> 01:36:53,180

seems like there was a time where people

2047

01:36:58,060 --> 01:36:56,270

seemed fairly comfortable thinking they

2048

01:37:01,000 --> 01:36:58,070

knew what they look like i I just I just

2049

01:37:06,150 --> 01:37:01,010

wonder I mean I how do you fall in the

2050

01:37:08,860 --> 01:37:06,160

in the UFOs are the demons and the

2051
01:37:12,090 --> 01:37:08,870
leprechauns of yesterday feel the

2052
01:37:15,490 --> 01:37:12,100
thought I see well I as far as that goes

2053
01:37:18,220 --> 01:37:15,500
excuse me I feel kind of the same way I

2054
01:37:21,280 --> 01:37:18,230
just said about lucky abductions where

2055
01:37:23,860 --> 01:37:21,290
the first red keel and Valley seem to

2056
01:37:26,110 --> 01:37:23,870
come to this conclusion or my conclusion

2057
01:37:28,810 --> 01:37:26,120
the formula it is scary at the same time

2058
01:37:31,450 --> 01:37:28,820
in the 60s where there are always with

2059
01:37:33,520 --> 01:37:31,460
these reports there if you if you read

2060
01:37:36,910 --> 01:37:33,530
them cold they're almost ridiculous like

2061
01:37:39,459 --> 01:37:36,920
goblin type creatures wearing glowing

2062
01:37:42,610 --> 01:37:39,469
green uniforms and they get the way the

2063
01:37:45,070 --> 01:37:42,620

witnesses describe them they're like the

2064

01:37:47,740 --> 01:37:45,080

physically very real exciting life

2065

01:37:49,000 --> 01:37:47,750

smelled like what it felt like what

2066

01:37:51,220 --> 01:37:49,010

these things look like and then

2067

01:37:53,709 --> 01:37:51,230

Wednesday Lee mentioned in passport to

2068

01:37:56,350 --> 01:37:53,719

magana about he was comparing this to

2069

01:37:58,870 --> 01:37:56,360

the literature from falak some long ago

2070

01:38:03,900 --> 01:37:58,880

about real people were calling in demons

2071

01:38:06,740 --> 01:38:03,910

and goblins and left four times and

2072

01:38:09,720 --> 01:38:06,750

Sarah Layton that the UFO occupants

2073

01:38:10,980 --> 01:38:09,730

acted the same way and when I first

2074

01:38:12,870 --> 01:38:10,990

encountered that theory I thought God

2075

01:38:14,610 --> 01:38:12,880

that made that really makes sense

2076

01:38:17,430 --> 01:38:14,620

because they do ba the same way they

2077

01:38:18,930 --> 01:38:17,440

offer people food and you're told not to

2078

01:38:22,710 --> 01:38:18,940

take it because if you do they'll never

2079

01:38:25,080 --> 01:38:22,720

come back and that it's deep in the into

2080

01:38:28,830 --> 01:38:25,090

the cultural mythology of a lot of

2081

01:38:31,560 --> 01:38:28,840

cultures and then these entities citing

2082

01:38:34,140 --> 01:38:31,570

stole they seem to they escalated in the

2083

01:38:36,060 --> 01:38:34,150

60s and in the early 70s and then they

2084

01:38:38,820 --> 01:38:36,070

kind of you don't hear a whole lot of

2085

01:38:41,760 --> 01:38:38,830

many more once in a while you do but

2086

01:38:43,890 --> 01:38:41,770

those things of have dropped off for

2087

01:38:46,080 --> 01:38:43,900

some reason and I think that reason is

2088

01:38:48,300 --> 01:38:46,090

it's the evolution of human

2089

01:38:50,820 --> 01:38:48,310

consciousness we're looking at other

2090

01:38:53,580 --> 01:38:50,830

things were afraid of other things and

2091

01:38:55,890 --> 01:38:53,590

being you know seeing entities is not

2092

01:38:58,830 --> 01:38:55,900

one of them anymore so you do y'all are

2093

01:39:01,560 --> 01:38:58,840

reports of so called it a creature of

2094

01:39:04,350 --> 01:39:01,570

cryptids all right I'm gonna I'm gonna

2095

01:39:06,540 --> 01:39:04,360

throw this at you and also the audience

2096

01:39:10,800 --> 01:39:06,550

you know weigh in on the chat room and

2097

01:39:12,510 --> 01:39:10,810

also feel free to call 603 967 4030 we

2098

01:39:18,150 --> 01:39:12,520

have about 20 minutes left in the show

2099

01:39:20,390 --> 01:39:18,160

um you are introduced to to a friend of

2100

01:39:24,270 --> 01:39:20,400

a friend an acquaintance did a party and

2101

01:39:25,680 --> 01:39:24,280

he's a little bit agitated and people

2102

01:39:27,630 --> 01:39:25,690

what what's wrong is like well you're

2103

01:39:30,810 --> 01:39:27,640

not gonna believe me and then he

2104

01:39:34,140 --> 01:39:30,820

proceeds to say one of two things on the

2105

01:39:37,320 --> 01:39:34,150

way here you know I have to cut through

2106

01:39:40,200 --> 01:39:37,330

this this dark area and there was this

2107

01:39:42,300 --> 01:39:40,210

silver disc and it was sitting in this

2108

01:39:46,800 --> 01:39:42,310

farmer's field and there were these

2109

01:39:48,240 --> 01:39:46,810

three little people standing around and

2110

01:39:49,530 --> 01:39:48,250

then looked at me and I looked them and

2111

01:39:53,040 --> 01:39:49,540

I was like oh my god I got out of there

2112

01:39:55,530 --> 01:39:53,050

that's that's statement one statement to

2113

01:39:57,270 --> 01:39:55,540

that he could make is oh you're not

2114

01:39:58,710 --> 01:39:57,280

gonna believe me this is this is crazy I

2115

01:40:00,450 --> 01:39:58,720

had to drive over here and I Drive

2116

01:40:04,200 --> 01:40:00,460

through that that dark area and I looked

2117

01:40:08,520 --> 01:40:04,210

over in the farmer's field and there

2118

01:40:13,140 --> 01:40:08,530

were fairies flying around a a willow

2119

01:40:15,600 --> 01:40:13,150

wisp campfire okay which of those people

2120

01:40:17,580 --> 01:40:15,610

are you going to definitely walk away

2121

01:40:19,620 --> 01:40:17,590

from a party

2122

01:40:21,209 --> 01:40:19,630

you know what I don't I don't think it

2123

01:40:24,060 --> 01:40:21,219

would walk away from either i think i

2124

01:40:26,089 --> 01:40:24,070

might say let's let's grab some drinks

2125

01:40:29,399 --> 01:40:26,099

and go outside and talk about this

2126

01:40:30,899 --> 01:40:29,409

because if if you're talking about you

2127

01:40:33,089 --> 01:40:30,909

know someone yeah well that's cause you

2128

01:40:35,040 --> 01:40:33,099

just did if someone's driving right and

2129

01:40:37,680 --> 01:40:35,050

they report you know they're driving

2130

01:40:40,350 --> 01:40:37,690

their bill wake and they see these

2131

01:40:42,180 --> 01:40:40,360

things they're like well would that come

2132

01:40:44,700 --> 01:40:42,190

from you know there they weren't uh

2133

01:40:48,419 --> 01:40:44,710

thinking about it and all of a sudden

2134

01:40:50,520 --> 01:40:48,429

they saw it and you could say well as

2135

01:40:52,560 --> 01:40:50,530

i've read but i didn't know about this

2136

01:40:54,899 --> 01:40:52,570

phenomena called micro sleep but i'm not

2137

01:40:56,700 --> 01:40:54,909

even sure I buy it really where you can

2138

01:40:59,430 --> 01:40:56,710

actually eat somewhere you could be

2139

01:41:00,959 --> 01:40:59,440

driving can be walking it but you're not

2140

01:41:03,330 --> 01:41:00,969

conscious for a while for a few moments

2141

01:41:05,040 --> 01:41:03,340

or a few seconds and then you come lot

2142

01:41:08,189 --> 01:41:05,050

of it and you have a weird memory of

2143

01:41:09,930 --> 01:41:08,199

something but to answer your question if

2144

01:41:12,419 --> 01:41:09,940

I encountered those two people a party I

2145

01:41:15,180 --> 01:41:12,429

I don't think i would turn away either

2146

01:41:17,700 --> 01:41:15,190

of them my my knee-jerk reaction would

2147

01:41:21,060 --> 01:41:17,710

be oh yeah sure you did but I'd have to

2148

01:41:22,649 --> 01:41:21,070

talk to it's still okay let's let's talk

2149

01:41:25,560 --> 01:41:22,659

about this right now I was fresh in your

2150

01:41:27,479 --> 01:41:25,570

mind and then we probably end up talking

2151

01:41:30,990 --> 01:41:27,489

for like for like six hours after that

2152

01:41:33,750 --> 01:41:31,000

about possibilities you know but but but

2153

01:41:40,500 --> 01:41:33,760

you you honestly you wouldn't place any

2154

01:41:43,020 --> 01:41:40,510

other you you let's remove it from you

2155

01:41:45,839 --> 01:41:43,030

how about just most people I think today

2156

01:41:49,800 --> 01:41:45,849

I'll put it this way I think today you

2157

01:41:52,589 --> 01:41:49,810

you are going to fare better if you say

2158

01:41:59,010 --> 01:41:52,599

I saw UFO and there were aliens then I

2159

01:42:00,330 --> 01:41:59,020

saw leprechauns wood spirits um yeah you

2160

01:42:04,879 --> 01:42:00,340

know you know what I mean I mean I think

2161

01:42:06,990 --> 01:42:04,889

I think yeah there's I have seen

2162

01:42:08,790 --> 01:42:07,000

something in the sky that i am not sure

2163

01:42:12,180 --> 01:42:08,800

what it is I'm very comfortable talking

2164

01:42:15,240 --> 01:42:12,190

about that if I had a little dude in a

2165

01:42:17,280 --> 01:42:15,250

green suit come out and offer me a pot

2166

01:42:21,720 --> 01:42:17,290

of gold no one would ever hear about

2167

01:42:23,790 --> 01:42:21,730

that trust me yeah that that that would

2168

01:42:27,689 --> 01:42:23,800

be a very difficult thing to say cuz you

2169

01:42:29,550 --> 01:42:27,699

betta I'm sanity I know are you being

2170

01:42:30,760 --> 01:42:29,560

like I mentioned earlier I'd be in fear

2171

01:42:33,370 --> 01:42:30,770

of like

2172

01:42:35,920 --> 01:42:33,380

it's a terrible incident you know why

2173

01:42:37,420 --> 01:42:35,930

did I see that + + + me being someone

2174

01:42:40,150 --> 01:42:37,430

interested in this stuff I'd be

2175

01:42:42,430 --> 01:42:40,160

completely suspect you know like yeah

2176

01:42:44,380 --> 01:42:42,440

sure you saw on this thing no one's

2177

01:42:46,810 --> 01:42:44,390

going to believe you but if you say if

2178

01:42:48,850 --> 01:42:46,820

you saw some technological suppose that

2179

01:42:51,040 --> 01:42:48,860

objects through your chances of being

2180

01:42:54,510 --> 01:42:51,050

accepted are a lot higher than saying

2181

01:43:00,010 --> 01:42:54,520

saw this diminutive being wearing a

2182

01:43:03,910 --> 01:43:00,020

green foil suit yeah I mean it seems

2183

01:43:08,050 --> 01:43:03,920

sometimes to me that uh lately it is

2184

01:43:11,280 --> 01:43:08,060

almost more it is definitely in my

2185

01:43:14,560 --> 01:43:11,290

opinion more acceptable to see a UFO

2186

01:43:19,480 --> 01:43:14,570

than to see the Loch Ness monster or

2187

01:43:20,950 --> 01:43:19,490

Bigfoot yeah yeah I agree with that also

2188

01:43:23,530 --> 01:43:20,960

lecture as long as people have been

2189

01:43:25,690 --> 01:43:23,540

saying are reported you know Bigfoot

2190

01:43:27,790 --> 01:43:25,700

sightings and that is still like part

2191

01:43:34,000 --> 01:43:27,800

part of the so-called underground and it

2192

01:43:37,150 --> 01:43:34,010

already fringe subject and even know

2193

01:43:39,160 --> 01:43:37,160

what though yes there were there was a

2194

01:43:41,320 --> 01:43:39,170

photo I think it was an eighties photo

2195

01:43:43,870 --> 01:43:41,330

it looked like a massive was under the

2196

01:43:45,310 --> 01:43:43,880

photo of like a massive fin it looked

2197

01:43:47,620 --> 01:43:45,320

that that's what it looked like an

2198

01:43:50,830 --> 01:43:47,630

apparently that this des photo has been

2199

01:43:52,990 --> 01:43:50,840

i guess the bump is the right word for

2200

01:43:55,630 --> 01:43:53,000

i'm not sure how i don't remember

2201
01:43:57,460 --> 01:43:55,640
reading that report about well how did a

2202
01:43:59,710 --> 01:43:57,470
out of asian food this was not part of a

2203
01:44:04,900 --> 01:43:59,720
you know an organic creature i do you

2204
01:44:07,510 --> 01:44:04,910
know anything about that DM i vaguely

2205
01:44:11,140 --> 01:44:07,520
remember a like a sonar image of a fan

2206
01:44:14,410 --> 01:44:11,150
um but that would I think I out of it

2207
01:44:16,690 --> 01:44:14,420
earlier I think that what brought in the

2208
01:44:20,350 --> 01:44:16,700
60s me you know maybe there are

2209
01:44:23,290 --> 01:44:20,360
companies um but yeah I asked admit i'm

2210
01:44:27,310 --> 01:44:23,300
not i'm not super up on my on my loch

2211
01:44:31,120 --> 01:44:27,320
ness monster well i'm not either i mean

2212
01:44:34,690 --> 01:44:31,130
i feel i know i'm going to say hey i can

2213
01:44:39,760 --> 01:44:34,700

only put so much on my gosh right yes

2214

01:44:42,790 --> 01:44:39,770

yeah um well we are in the final minutes

2215

01:44:44,260 --> 01:44:42,800

we've got 15 15 minutes left if we were

2216

01:44:44,650 --> 01:44:44,270

a traditional radio show would be the

2217

01:44:50,380 --> 01:44:44,660

final

2218

01:44:52,870 --> 01:44:50,390

you I would like to give you the

2219

01:44:58,150 --> 01:44:52,880

opportunity and an open mic to tell

2220

01:45:00,870 --> 01:44:58,160

everyone how to find your books okay

2221

01:45:04,000 --> 01:45:00,880

thank you well the easiest water they

2222

01:45:09,400 --> 01:45:04,010

would be just to go to amazon.com and

2223

01:45:13,300 --> 01:45:09,410

type in william Grabowski gra b owm say

2224

01:45:16,800 --> 01:45:13,310

hi and that will bring up that what ya

2225

01:45:20,440 --> 01:45:16,810

all my works all my published works and

2226

01:45:23,980 --> 01:45:20,450

there's a pop section there plant

2227

01:45:28,170 --> 01:45:23,990

primarily and well as he divided between

2228

01:45:33,300 --> 01:45:28,180

um i guess i would say a branch of sod

2229

01:45:37,630 --> 01:45:33,310

science fiction and weird fiction plus

2230

01:45:39,640 --> 01:45:37,640

horsham and a movie tie-in i wrote with

2231

01:45:43,390 --> 01:45:39,650

michael sales it's called Castro's cat

2232

01:45:46,990 --> 01:45:43,400

black that is a fact it's a darkly

2233

01:45:48,840 --> 01:45:47,000

humorous bull a group of middle-aged

2234

01:45:51,450 --> 01:45:48,850

guys who get together I want to steal

2235

01:45:53,830 --> 01:45:51,460

Fidel Castro's classic car collection

2236

01:45:55,660 --> 01:45:53,840

and I would say if you like the

2237

01:45:57,220 --> 01:45:55,670

television series brother notice you

2238

01:46:00,120 --> 01:45:57,230

would like cash flows Cadillac it has

2239

01:46:03,940 --> 01:46:00,130

that sort of that sort of humor but the

2240

01:46:05,890 --> 01:46:03,950

spy craft and stuff that is I tried to

2241

01:46:07,870 --> 01:46:05,900

be as realistic as possible about that

2242

01:46:12,670 --> 01:46:07,880

and not just not just how to be a

2243

01:46:14,230 --> 01:46:12,680

slapstick but yeah but an early arm i

2244

01:46:16,990 --> 01:46:14,240

would say i'm known as a horror writer

2245

01:46:19,180 --> 01:46:17,000

and happening for a while mostly with

2246

01:46:21,190 --> 01:46:19,190

non fiction as i mentioned earlier with

2247

01:46:24,700 --> 01:46:21,200

interviews with other writers and book

2248

01:46:27,010 --> 01:46:24,710

reviews um as a fiction writer that

2249

01:46:31,870 --> 01:46:27,020

that's my favorite Jean would be would

2250

01:46:34,030 --> 01:46:31,880

be weird and supernatural so if if our

2251

01:46:37,750 --> 01:46:34,040

listeners want to hear our one reading

2252

01:46:40,480 --> 01:46:37,760

more on your thoughts on the UFO

2253

01:46:42,760 --> 01:46:40,490

phenomena and such obviously the book is

2254

01:46:45,190 --> 01:46:42,770

book is black lights perspectives on the

2255

01:46:49,480 --> 01:46:45,200

mysterious phenomena your non-fiction

2256

01:46:54,700 --> 01:46:49,490

book if they're now interested in your

2257

01:46:57,820 --> 01:46:54,710

fiction what do any of your works jump

2258

01:46:58,450 --> 01:46:57,830

out as being the closest cross over it's

2259

01:47:00,280 --> 01:46:58,460

like you

2260

01:47:02,560 --> 01:47:00,290

you're interested in UFOs you know

2261

01:47:07,360 --> 01:47:02,570

here's here's my book here's my story to

2262

01:47:09,850 --> 01:47:07,370

read I I see ya um my first novel excuse

2263

01:47:12,970 --> 01:47:09,860

me it's called the untold and that was

2264

01:47:16,470 --> 01:47:12,980

that a lot of basis in a lot of reading

2265

01:47:19,630 --> 01:47:16,480

i did about mind control technology and

2266

01:47:22,000 --> 01:47:19,640

control of mass populations and that

2267

01:47:24,940 --> 01:47:22,010

gist of the book is about a guy who who

2268

01:47:27,070 --> 01:47:24,950

goes up to it is it's upstate New York

2269

01:47:31,740 --> 01:47:27,080

it's all Victorian where's his parents

2270

01:47:34,270 --> 01:47:31,750

vanished and uh try not to spoil it um

2271

01:47:37,800 --> 01:47:34,280

he comes into contact with a

2272

01:47:40,090 --> 01:47:37,810

paramilitary group who are up there for

2273

01:47:41,440 --> 01:47:40,100

kind of kind of the same reason they're

2274

01:47:44,310 --> 01:47:41,450

trying to figure out what's going on and

2275

01:47:48,430 --> 01:47:44,320

it's like a so-called window area and

2276

01:47:50,790 --> 01:47:48,440

the horror stories is it it's based on

2277

01:47:52,930 --> 01:47:50,800

hauntings by elemental beings and that

2278

01:47:56,890 --> 01:47:52,940

came that would be the closest cross

2279

01:48:00,580 --> 01:47:56,900

over between paranormal stuff and there

2280

01:48:02,350 --> 01:48:00,590

are no UFOs but as far as crossovers

2281

01:48:04,690 --> 01:48:02,360

between actual things I've read about

2282

01:48:06,160 --> 01:48:04,700

paranormal phenomena and mixed into

2283

01:48:10,030 --> 01:48:06,170

fiction that would be the book it's

2284

01:48:11,979 --> 01:48:10,040

called the untold okay great and that's

2285

01:48:15,640 --> 01:48:11,989

right there an Amazon paperback and

2286

01:48:18,700 --> 01:48:15,650

ebook yeah all right yeah yeah and even

2287

01:48:20,340 --> 01:48:18,710

hardcover oh and hardcover but for

2288

01:48:26,290 --> 01:48:20,350

Playgirl honey but you're probably dead

2289

01:48:27,630 --> 01:48:26,300

who have a workout right I I do as a

2290

01:48:32,620 --> 01:48:27,640

writer do you have a preference between

2291

01:48:35,620 --> 01:48:32,630

the when you read between formats do you

2292

01:48:37,570 --> 01:48:35,630

still like to crack the the binding on a

2293

01:48:39,370 --> 01:48:37,580

good hard back to your you a paperback

2294

01:48:43,630 --> 01:48:39,380

in your back pocket kind of guy or or

2295

01:48:46,330 --> 01:48:43,640

are you just wrong okay yes pepper um I

2296

01:48:49,300 --> 01:48:46,340

still prefer to read on paper because

2297

01:48:53,350 --> 01:48:49,310

mostly um I spent a lot of hours every

2298

01:48:55,959 --> 01:48:53,360

day working on online and I that's not

2299

01:48:58,300 --> 01:48:55,969

my favorite formats read on like you

2300

01:49:00,100 --> 01:48:58,310

know to me to novel excuse me for

2301

01:49:02,470 --> 01:49:00,110

actually to read anything that book

2302

01:49:05,080 --> 01:49:02,480

length and even though I I have to do it

2303

01:49:08,260 --> 01:49:05,090

is part of my job as a freelance editor

2304

01:49:10,959 --> 01:49:08,270

but yeah I still prefer books in print I

2305

01:49:12,370 --> 01:49:10,969

know they kill trees but at that point

2306

01:49:15,840 --> 01:49:12,380

there already

2307

01:49:19,090 --> 01:49:15,850

trees grow on trees everybody it's okay

2308

01:49:21,399 --> 01:49:19,100

this is true yeah I feel a little guilty

2309

01:49:23,590 --> 01:49:21,409

saying that but yeah I still prefer you

2310

01:49:27,189 --> 01:49:23,600

know rereading April because you have

2311

01:49:29,200 --> 01:49:27,199

the link stuff on screen for me is kind

2312

01:49:31,419 --> 01:49:29,210

of I don't know it's intrusive in a way

2313

01:49:35,350 --> 01:49:31,429

they're reading a ball or still has that

2314

01:49:40,300 --> 01:49:35,360

at silence aspect to it different

2315

01:49:43,270 --> 01:49:40,310

experience what uh both in the realm of

2316

01:49:47,470 --> 01:49:43,280

your non-fiction book and your own

2317

01:49:48,610 --> 01:49:47,480

personal enjoyment what uh what's on

2318

01:49:49,959 --> 01:49:48,620

your reading list what are you reading

2319

01:49:54,090 --> 01:49:49,969

right now and what would you recommend

2320

01:49:58,720 --> 01:49:54,100

that the podcast UFO listeners check out

2321

01:50:03,100 --> 01:49:58,730

um I read I'm area I read nonfiction and

2322

01:50:04,930 --> 01:50:03,110

I love to read stuff about like ante

2323

01:50:08,590 --> 01:50:04,940

Harris anus how the intelligence

2324

01:50:12,399 --> 01:50:08,600

community works or doesn't work um I

2325

01:50:15,310 --> 01:50:12,409

just read I just reread operate just in

2326

01:50:18,669 --> 01:50:15,320

mind control altered power which came

2327

01:50:20,530 --> 01:50:18,679

out of 1978 and that was it may have

2328

01:50:23,260 --> 01:50:20,540

been the first book that actually

2329

01:50:26,500 --> 01:50:23,270

mentioned and show documents from MK

2330

01:50:29,379 --> 01:50:26,510

ULTRA the CIA's mind control program um

2331

01:50:30,550 --> 01:50:29,389

you popped there for a second can I can

2332

01:50:33,700 --> 01:50:30,560

I get you to repeat the name of the book

2333

01:50:37,209 --> 01:50:33,710

I'm sorry yeah no problem it's called

2334

01:50:41,340 --> 01:50:37,219

Operation mind control and I think it

2335

01:50:46,390 --> 01:50:41,350

was published to 1978 by Walter Bauer Bo

2336

01:50:50,620 --> 01:50:46,400

WRAT I just reread that and I also just

2337

01:50:54,399 --> 01:50:50,630

read the puzzle palace by james bamford

2338

01:50:58,660 --> 01:50:54,409

which is a book about the NSA another

2339

01:51:01,180 --> 01:50:58,670

scary organization and I'm surprised

2340

01:51:03,180 --> 01:51:01,190

that he reports what he does in that

2341

01:51:04,899 --> 01:51:03,190

fourth about that just it's mostly

2342

01:51:06,939 --> 01:51:04,909

technological stuff like how they

2343

01:51:09,280 --> 01:51:06,949

function and how much power they used to

2344

01:51:12,129 --> 01:51:09,290

function I really enjoy stuff like that

2345

01:51:17,620 --> 01:51:12,139

mostly you know how things work all of

2346

01:51:20,260 --> 01:51:17,630

the read books about astronomy even once

2347

01:51:23,229 --> 01:51:20,270

in a while politics although that that's

2348

01:51:26,620 --> 01:51:23,239

bull I freaks me out or it bores me it's

2349

01:51:31,030 --> 01:51:26,630

just like real life but most

2350

01:51:33,550 --> 01:51:31,040

nonfiction and also books about about

2351

01:51:37,360 --> 01:51:33,560

culture like the Ken Hollings book I

2352

01:51:39,189 --> 01:51:37,370

mentioned welcome to Mars politics and

2353

01:51:46,840 --> 01:51:39,199

pop culture in your science look books

2354

01:51:48,910 --> 01:51:46,850

like that historical stuff and so so it

2355

01:51:50,800 --> 01:51:48,920

way as a as a fiction author though you

2356

01:51:56,140 --> 01:51:50,810

don't read anything you don't you don't

2357

01:51:59,740 --> 01:51:56,150

have a favorite old oh yeah yeah I still

2358

01:52:02,080 --> 01:51:59,750

read fiction totally hooked on like the

2359

01:52:06,280 --> 01:52:02,090

period from the late late seventies our

2360

01:52:08,620 --> 01:52:06,290

lab books i return to buy buy buy offers

2361

01:52:13,500 --> 01:52:08,630

of weird fiction like Carl Edward Ladner

2362

01:52:17,470 --> 01:52:13,510

um Clive Barker and even before that

2363

01:52:23,709 --> 01:52:17,480

like MMR james henry james who wrote the

2364

01:52:27,879 --> 01:52:23,719

turn of the school for and almost all

2365

01:52:29,590 --> 01:52:27,889

recent letters i enjoyed an teen who i

2366

01:52:31,840 --> 01:52:29,600

think almost single-handedly he's

2367

01:52:34,810 --> 01:52:31,850

responsible with it or not for reviving

2368

01:52:36,540 --> 01:52:34,820

zombies doing a book called the rising

2369

01:52:40,930 --> 01:52:36,550

that was published in i think it was

2370

01:52:43,300 --> 01:52:40,940

2003 and then that got this is a huge

2371

01:52:45,399 --> 01:52:43,310

bestseller and after that can this

2372

01:52:51,040 --> 01:52:45,409

progression of his hairless progression

2373

01:52:53,020 --> 01:52:51,050

of zombie books and you know movies and

2374

01:52:56,350 --> 01:52:53,030

i'm not against there's only a huge fan

2375

01:53:00,310 --> 01:52:56,360

George George Romero style by living dad

2376

01:53:02,110 --> 01:53:00,320

dated that dawn of the dead arm when it

2377

01:53:04,840 --> 01:53:02,120

comes to fiction yeah I'm usually either

2378

01:53:08,379 --> 01:53:04,850

reading horror fiction and there I

2379

01:53:10,959 --> 01:53:08,389

really enjoy the rain Joyce willows like

2380

01:53:13,360 --> 01:53:10,969

Michael Connelly full of those letters

2381

01:53:17,100 --> 01:53:13,370

it is david morrell especially who

2382

01:53:20,500 --> 01:53:17,110

because a lot of crossover into horror

2383

01:53:21,790 --> 01:53:20,510

thinks that nature have you ever we're

2384

01:53:27,010 --> 01:53:21,800

gonna get back to you and say i have you

2385

01:53:30,010 --> 01:53:27,020

ever read any of anything that's kind of

2386

01:53:33,340 --> 01:53:30,020

straddles horror and folklore such as

2387

01:53:36,100 --> 01:53:33,350

the manly Wade Wellman books which oh

2388

01:53:39,910 --> 01:53:36,110

yeah the john the balladeer and that

2389

01:53:40,580 --> 01:53:39,920

that type of thing yeah I have like you

2390

01:53:45,770 --> 01:53:40,590

I have

2391

01:53:49,939 --> 01:53:45,780

um God the lost in the working i think

2392

01:53:53,270 --> 01:53:49,949

it's called oh yeah yeah yeah hey woman

2393

01:53:54,530 --> 01:53:53,280

and he was he was a neighbor of college

2394

01:53:57,500 --> 01:53:54,540

with Wagner in chapel hill north

2395

01:54:00,379 --> 01:53:57,510

carolina in fact Wagner's a pair of man

2396

01:54:03,169 --> 01:54:00,389

they were a woman in his final days um

2397

01:54:04,490 --> 01:54:03,179

yeah i really enjoy him i wish i could

2398

01:54:08,209 --> 01:54:04,500

have thought to mention and now i have

2399

01:54:11,959 --> 01:54:08,219

thanks to you yeah his fighters mixes

2400

01:54:15,560 --> 01:54:11,969

fall apart incredible stuff did I don't

2401
01:54:19,459 --> 01:54:15,570
land sale as a similar thing yes yes one

2402
01:54:21,229 --> 01:54:19,469
of these days um I I want to fight Joe

2403
01:54:25,189 --> 01:54:21,239
lansdale but that's just uh that's a

2404
01:54:27,290 --> 01:54:25,199
that's I cuz here yeah well my dad he

2405
01:54:30,439 --> 01:54:27,300
has a martial arts school I have a

2406
01:54:33,950 --> 01:54:30,449
martial arts school there you go throw

2407
01:54:37,160 --> 01:54:33,960
down Oh Poppins got it happen there

2408
01:54:41,209 --> 01:54:37,170
exactly sure you know you live you'll be

2409
01:54:42,379 --> 01:54:41,219
a sort of close to him you know I I had

2410
01:54:43,939 --> 01:54:42,389
a long I used to be a professional

2411
01:54:46,070 --> 01:54:43,949
magician and I had a long-standing

2412
01:54:49,850 --> 01:54:46,080
challenges like I will fistfight any

2413
01:54:52,760 --> 01:54:49,860

Vegas magician just to prove who was the

2414

01:54:54,080 --> 01:54:52,770

best um and it never came about for some

2415

01:54:59,089 --> 01:54:54,090

reason i don't i don't know why that was

2416

01:55:03,109 --> 01:54:59,099

uh isn't he'll come out say oh yeah big

2417

01:55:05,589 --> 01:55:03,119

guy and yeah I know I he actually seems

2418

01:55:08,750 --> 01:55:05,599

like it would happen like I could see

2419

01:55:11,180 --> 01:55:08,760

that happening but it would be fun I

2420

01:55:12,709 --> 01:55:11,190

think that oh yeah i think that if you

2421

01:55:16,149 --> 01:55:12,719

actually need that kind of a proposed

2422

01:55:19,280 --> 01:55:16,159

fulfill Lanza he would say well alright

2423

01:55:20,419 --> 01:55:19,290

he probably qualify it somehow but I

2424

01:55:23,660 --> 01:55:20,429

think I don't think you would back down

2425

01:55:25,939 --> 01:55:23,670

from ya huh which is which is fine it's

2426

01:55:29,899 --> 01:55:25,949

I think it'd be a blast do for charity

2427

01:55:34,280 --> 01:55:29,909

but uh oh yeah I think I need to sell

2428

01:55:36,080 --> 01:55:34,290

some more books first haha yeah I by the

2429

01:55:39,140 --> 01:55:36,090

way I did I did check out years i

2430

01:55:42,800 --> 01:55:39,150

sampled it so far and as very very cool

2431

01:55:47,390 --> 01:55:42,810

stuff I say thank you i'm not there i'm

2432

01:55:50,290 --> 01:55:47,400

doing my spread that the the idea of you

2433

01:55:53,570 --> 01:55:50,300

know people don't don't know the rich

2434

01:55:53,960 --> 01:55:53,580

literary tradition of of asia and the

2435

01:55:55,940 --> 01:55:53,970

fact

2436

01:55:57,920 --> 01:55:55,950

all those terrible kung fu movies um

2437

01:56:00,950 --> 01:55:57,930

actually a lot of them are based on

2438

01:56:02,780 --> 01:56:00,960

books and they're really good books yeah

2439

01:56:05,530 --> 01:56:02,790

that that is another that's that's a

2440

01:56:09,170 --> 01:56:05,540

little-known branch you know of writing

2441

01:56:11,510 --> 01:56:09,180

but and the crossover in the movies yeah

2442

01:56:13,400 --> 01:56:11,520

I mean even even when you know Crouching

2443

01:56:15,380 --> 01:56:13,410

Tiger Hidden Dragon huge success based

2444

01:56:16,910 --> 01:56:15,390

on a novel they did not translate the

2445

01:56:21,200 --> 01:56:16,920

novel they wrote a novelization of the

2446

01:56:22,940 --> 01:56:21,210

film yeah crazy but backed back to your

2447

01:56:25,700 --> 01:56:22,950

books we only have a couple minutes left

2448

01:56:28,900 --> 01:56:25,710

on everybody can catch up with you

2449

01:56:31,670 --> 01:56:28,910

obvious on amazon do you have a website

2450

01:56:35,360 --> 01:56:31,680

yeah i have a i have a blog it's called

2451

01:56:39,260 --> 01:56:35,370

the night runner and to get there it's

2452

01:56:43,550 --> 01:56:39,270

denied run dot wordpress.com and i try

2453

01:56:45,710 --> 01:56:43,560

and update it um I you know it's hit or

2454

01:56:47,780 --> 01:56:45,720

miss for me without without however how

2455

01:56:49,100 --> 01:56:47,790

busy I am with all this stuff right try

2456

01:56:52,340 --> 01:56:49,110

and updated at least once or twice a

2457

01:56:54,500 --> 01:56:52,350

month which I know is not enough but I

2458

01:56:56,420 --> 01:56:54,510

do talk about UFOs and paranormal

2459

01:56:59,200 --> 01:56:56,430

phenomena the phenomena there

2460

01:57:01,580 --> 01:56:59,210

exclusively that's called the night one

2461

01:57:03,410 --> 01:57:01,590

onward brigandage are you and we're

2462

01:57:04,700 --> 01:57:03,420

probably just search for your name on

2463

01:57:07,310 --> 01:57:04,710

WordPress two and come up with you I

2464

01:57:09,650 --> 01:57:07,320

would yeah sure I think even if you just

2465

01:57:12,980 --> 01:57:09,660

type my name into Google it'll bring up

2466

01:57:15,470 --> 01:57:12,990

a night on the first page does it is

2467

01:57:17,090 --> 01:57:15,480

your blog connected to your Amazon

2468

01:57:21,410 --> 01:57:17,100

author page that's a great way to find

2469

01:57:23,510 --> 01:57:21,420

that stuff too um yeah it actually this

2470

01:57:25,730 --> 01:57:23,520

listed there so there you go amazon is

2471

01:57:28,460 --> 01:57:25,740

the place to go to set to find out

2472

01:57:30,790 --> 01:57:28,470

what's happening with Bill yes I would

2473

01:57:34,610 --> 01:57:30,800

need a place over the year your gateway

2474

01:57:36,590 --> 01:57:34,620

and well here comes to music thanks for

2475

01:57:37,760 --> 01:57:36,600

appearing with us tonight it was a lot

2476

01:57:39,620 --> 01:57:37,770

of fun having you on thanks for

2477

01:57:42,980 --> 01:57:39,630

everybody for listening Martin will be

2478

01:57:45,410 --> 01:57:42,990

back next week and everybody keep your

2479

01:57:48,080 --> 01:57:45,420

eyes out in the sky check out that lunar

2480

01:58:29,460 --> 01:57:48,090

eclipse the sunday night yeah thanks a
