everything that appeared in the

5  
00:00:11,959 --> 00:00:09,300  
Rendlesham forest incident it was

00:00:16,849 --> 00:00:11,969  
completely silent it comes right over

7  
00:00:18,680 --> 00:00:16,859

00:00:20,150 --> 00:00:18,690  
clearing he turned over to my father and

9  
00:00:25,970 --> 00:00:20,160

00:01:09,530 --> 00:01:07,590  
night for him and a couple of things if

28  
00:01:11,450 --> 00:01:09,540  
you haven't listened in a while Joyride

29  
00:01:13,250 --> 00:01:11,460  
is gone we have a new support platform

30  
00:01:16,340 --> 00:01:13,260  
everything can be found right on our

31  
00:01:18,980 --> 00:01:16,350  
website under the menu bar support the

show I want to thank all of those out

33  
00:01:22,490 --> 00:01:20,580  
there that are helping out and

34  
00:01:24,260 --> 00:01:22,500  
supporting it's a lot of you haven't

35  
00:01:26,330 --> 00:01:24,270  
heard a lot of people emailing saying

36  
00:01:28,010 --> 00:01:26,340  
what's going on because you probably

37  
00:01:30,080 --> 00:01:28,020  
don't listen to every single show and I

38  
00:01:33,530 --> 00:01:30,090

totally understand that but everything's

39

00:01:36,050 --> 00:01:33,540

right on our website we have Susan is

40

00:01:38,870 --> 00:01:36,060

coming up from the New England UFO

41

00:01:41,030 --> 00:01:38,880

conference for after the news to give a

42

00:01:42,740 --> 00:01:41,040

brief hello and talk about that I'm

43

00:01:44,960 --> 00:01:42,750

going to be there that's in Leominster

44

00:01:46,639 --> 00:01:44,970

Massachusetts this coming weekend and

45

00:01:49,940 --> 00:01:46,649

hopefully we'll be able to catch up with

46

00:01:51,740 --> 00:01:49,950

some listeners there as usual we usually

47

00:01:55,190 --> 00:01:51,750

get to hang out with a few of us there

48

00:01:57,440 --> 00:01:55,200

we have t-shirt graphics there's at

49

00:01:59,510 --> 00:01:57,450

least seven or eight people are throwing

50

00:02:02,300 --> 00:01:59,520

their design in we're going to have a

51  
00:02:04,730 --> 00:02:02,310  
vote and that will be on November 4th

52  
00:02:06,499 --> 00:02:04,740  
that'll be up on our website I'll have

53  
00:02:08,570 --> 00:02:06,509  
all the different designs and we'll let

54  
00:02:11,510 --> 00:02:08,580  
you the listener vote for the t-shirt

55  
00:02:13,400 --> 00:02:11,520  
graphics and there'll be more details on

56  
00:02:16,850 --> 00:02:13,410  
that as soon as we get closer to that

57  
00:02:19,130 --> 00:02:16,860  
and that's enough of my babbling Andra

58  
00:02:21,650 --> 00:02:19,140  
Rojas how are you good

59  
00:02:22,820 --> 00:02:21,660  
will I be able to vote on the design oh

60  
00:02:24,650 --> 00:02:22,830  
absolutely

61  
00:02:26,000 --> 00:02:24,660  
awesome I think it'd be cool if you had

62  
00:02:29,570 --> 00:02:26,010  
a nari Oh

63  
00:02:32,420 --> 00:02:29,580

Hayakawa t-shirt oh yes with that

64

00:02:33,950 --> 00:02:32,430

Japanese flag in the background would be

65

00:02:37,640 --> 00:02:33,960

cool you know him playing his guitar

66

00:02:38,660 --> 00:02:37,650

with his cowboy hat and that yeah we'll

67

00:02:41,120 --> 00:02:38,670

have to talk to him see unique

68

00:02:42,230 --> 00:02:41,130

individual I love nori oh yeah yeah yeah

69

00:02:44,030 --> 00:02:42,240

we'll have to we'll have to get his

70

00:02:46,280 --> 00:02:44,040

permission of course of course

71

00:02:48,830 --> 00:02:46,290

it surely be all over it he'll love it

72

00:02:51,470 --> 00:02:48,840

yeah so what's going on in the UFO news

73

00:02:54,590 --> 00:02:51,480

this with UFO news lots of exciting

74

00:02:56,270 --> 00:02:54,600

stuff not really actually it's kind of

75

00:02:59,570 --> 00:02:56,280

boring when it comes to news this week

76  
00:03:01,310 --> 00:02:59,580  
and it makes me want you know we talked

77  
00:03:03,670 --> 00:03:01,320  
about this there's all those people out

78  
00:03:06,440 --> 00:03:03,680  
there who hype up and over

79  
00:03:09,440 --> 00:03:06,450  
sensationalize everything there's this

80  
00:03:12,230 --> 00:03:09,450  
one guy I know whose name I will not

81  
00:03:14,420 --> 00:03:12,240  
disclose who can make some weird rock

82  
00:03:20,330 --> 00:03:14,430  
being found in Russia sound like this

83  
00:03:23,690 --> 00:03:20,340  
amazing alien event and phenomena going

84  
00:03:26,120 --> 00:03:23,700  
on but for those of us who like to be

85  
00:03:28,100 --> 00:03:26,130  
more straight up on the news and

86  
00:03:30,500 --> 00:03:28,110  
information it gets a little harder when

87  
00:03:32,690 --> 00:03:30,510  
there's not as exciting stuff and we

88  
00:03:35,900 --> 00:03:32,700

don't want to you know both these things

89

00:03:39,920 --> 00:03:35,910

is something they are not but so but

90

00:03:41,449 --> 00:03:39,930

there are a few sightings you didn't

91

00:03:45,350 --> 00:03:41,459

want to say anything about that like oh

92

00:03:47,000 --> 00:03:45,360

yeah those people like me too well you

93

00:03:49,850 --> 00:03:47,010

know you have to let things run their

94

00:03:52,160 --> 00:03:49,860

course oh yeah you know yeah I guess

95

00:03:55,340 --> 00:03:52,170

you're right so Pennsylvania witness

96

00:03:57,380 --> 00:03:55,350

videotapes of boomerang UFO it sounds

97

00:03:59,420 --> 00:03:57,390

like it could be exciting the video is

98

00:04:02,090 --> 00:03:59,430

not that exciting you can't really make

99

00:04:04,220 --> 00:04:02,100

much out a lot of people are saying oh

100

00:04:05,960 --> 00:04:04,230

that's probably be nice but it's

101  
00:04:08,720 --> 00:04:05,970  
difficult to make it anything out the

102  
00:04:11,860 --> 00:04:08,730  
witness did say they saw by helicopter

103  
00:04:14,210 --> 00:04:11,870  
during the day probably not related but

104  
00:04:16,400 --> 00:04:14,220  
during at night when they went out to

105  
00:04:19,190 --> 00:04:16,410  
have a smoke they saw this light that

106  
00:04:21,800 --> 00:04:19,200  
they said just suddenly appeared they

107  
00:04:24,230 --> 00:04:21,810  
took a picture that's in the story and

108  
00:04:26,650 --> 00:04:24,240  
he says after it floated and hovered

109  
00:04:28,870 --> 00:04:26,660  
around for a minute from left her

110  
00:04:31,960 --> 00:04:28,880  
right it ascended a little and then

111  
00:04:33,910 --> 00:04:31,970  
quickly vanished blew off hmm

112  
00:04:35,590 --> 00:04:33,920  
so if it really flew off of course that

113  
00:04:38,710 --> 00:04:35,600

would be something significant

114

00:04:41,560 --> 00:04:38,720

right yeah how many witnesses were there

115

00:04:43,840 --> 00:04:41,570

total illness I it the only the one

116

00:04:48,370 --> 00:04:43,850

witness submitted it but he said that it

117

00:04:51,280 --> 00:04:48,380

was him and his fiancée not a mass

118

00:04:53,380 --> 00:04:51,290

sighting but still yeah yeah and he has

119

00:04:58,480 --> 00:04:53,390

a photo although you can't make much out

120

00:05:00,550 --> 00:04:58,490

in the photo another video where that

121

00:05:03,250 --> 00:05:00,560

includes or I mean a UFO sighting that

122

00:05:04,810 --> 00:05:03,260

includes some photos that are also is

123

00:05:06,820 --> 00:05:04,820

difficult to make out in fact if you

124

00:05:09,550 --> 00:05:06,830

just look at the photos you would think

125

00:05:11,350 --> 00:05:09,560

it's probably bina sand I suppose it

126  
00:05:13,560 --> 00:05:11,360  
could be

127  
00:05:17,200 --> 00:05:13,570  
they said they first spotted this thing

128  
00:05:19,120 --> 00:05:17,210  
around 5:30 that's when they really

129  
00:05:21,580 --> 00:05:19,130  
watched it and took some pictures 5:30

130  
00:05:24,280 --> 00:05:21,590  
a.m. that is they believe that it first

131  
00:05:26,980 --> 00:05:24,290  
appeared in the sky around 3:30 and they

132  
00:05:29,350 --> 00:05:26,990  
see they this is the key they say they

133  
00:05:33,820 --> 00:05:29,360  
see it in the sky almost every morning

134  
00:05:36,970 --> 00:05:33,830  
between 3:30 and 4:30 and it fades as it

135  
00:05:40,000 --> 00:05:36,980  
gets brighter out so yeah most likely a

136  
00:05:42,190 --> 00:05:40,010  
star most likely Venus air although they

137  
00:05:44,980 --> 00:05:42,200  
think that at least in these pictures

138  
00:05:47,200 --> 00:05:44,990

they took that the object is below the

139

00:05:50,290 --> 00:05:47,210

cloud cover however although there are

140

00:05:54,010 --> 00:05:50,300

clouds and none of these pictures do the

141

00:05:56,140 --> 00:05:54,020

clouds seem to cover the object so that

142

00:06:01,770 --> 00:05:56,150

one's still outstanding they said that

143

00:06:04,000 --> 00:06:01,780

they do build then it may have moved but

144

00:06:06,600 --> 00:06:04,010

probably Venus and then here's the other

145

00:06:09,370 --> 00:06:06,610

one that I have for you this is

146

00:06:12,040 --> 00:06:09,380

brilliant red orange and of course that

147

00:06:13,140 --> 00:06:12,050

always rates raises a red flag right

148

00:06:16,210 --> 00:06:13,150

there

149

00:06:17,500 --> 00:06:16,220

UFOs reported moving over Scranton

150

00:06:20,740 --> 00:06:17,510

Pennsylvania

151  
00:06:23,200 --> 00:06:20,750  
your Chinese Lantern thoughts so true

152  
00:06:26,320 --> 00:06:23,210  
Chinese Lantern thoughts because Chinese

153  
00:06:27,970 --> 00:06:26,330  
are lanterns are usually red orange orbs

154  
00:06:32,920 --> 00:06:27,980  
and that's what this witness said they

155  
00:06:35,110 --> 00:06:32,930  
had seen at 9:15 p.m. on September 22nd

156  
00:06:39,160 --> 00:06:35,120  
he said they were flying in different

157  
00:06:41,980 --> 00:06:39,170  
formations however

158  
00:06:43,960 --> 00:06:41,990  
the person said that the four objects

159  
00:06:47,230 --> 00:06:43,970  
there there were four of them merged

160  
00:06:49,870 --> 00:06:47,240  
together and shot off behind the clouds

161  
00:06:54,070 --> 00:06:49,880  
to the west so of course if they moved

162  
00:06:57,370 --> 00:06:54,080  
at a fast speed and and just didn't

163  
00:07:00,040 --> 00:06:57,380

appear to move at a fast speed then that

164

00:07:03,910 --> 00:07:00,050

would rule out Chinese lanterns but of

165

00:07:06,760 --> 00:07:03,920

course often these orange red orbs turn

166

00:07:09,070 --> 00:07:06,770

out to be just that so another one there

167

00:07:12,970 --> 00:07:09,080

were no photos that were captured or

168

00:07:16,180 --> 00:07:12,980

video on this one but another well just

169

00:07:20,380 --> 00:07:16,190

interesting report from the MUFON

170

00:07:22,780 --> 00:07:20,390

database now that Terry ray and Erica

171

00:07:24,670 --> 00:07:22,790

loops I think a few people are getting

172

00:07:27,010 --> 00:07:24,680

together and they're doing the orange or

173

00:07:29,200 --> 00:07:27,020

like research through move on or they

174

00:07:32,590 --> 00:07:29,210

were going to I'm not sure if that's

175

00:07:35,140 --> 00:07:32,600

still on or that's still happening but I

176

00:07:37,300 --> 00:07:35,150

read the story in particular in if I

177

00:07:39,850 --> 00:07:37,310

remember right it said that a fifth orb

178

00:07:42,280 --> 00:07:39,860

like joins it comes from a different

179

00:07:45,340 --> 00:07:42,290

location and joins up with the rest of

180

00:07:48,790 --> 00:07:45,350

them that sounds peculiar he said he

181

00:07:50,670 --> 00:07:48,800

just saw a fifth one up here but only

182

00:07:56,500 --> 00:07:50,680

the four that were together earlier

183

00:07:58,450 --> 00:07:56,510

seemed to merge okay so but of course if

184

00:08:01,420 --> 00:07:58,460

they were launched together and and as

185

00:08:03,280 --> 00:08:01,430

they got further away it's not too hard

186

00:08:06,190 --> 00:08:03,290

to think that they may look weird

187

00:08:10,690 --> 00:08:06,200

I think the the issue is and I think

188

00:08:12,460 --> 00:08:10,700

this is where some investigators go off

189

00:08:15,640 --> 00:08:12,470

the rails a bit where they they just

190

00:08:19,000 --> 00:08:15,650

don't get it I think that we always have

191

00:08:22,000 --> 00:08:19,010

to think of how with these stories or

192

00:08:24,280 --> 00:08:22,010

sightings if we're going to purport that

193

00:08:27,040 --> 00:08:24,290

they are something significant they have

194

00:08:29,430 --> 00:08:27,050

to do something unusual some unusual

195

00:08:31,810 --> 00:08:29,440

characteristics if you can't say those

196

00:08:35,290 --> 00:08:31,820

characteristics are not something a

197

00:08:36,760 --> 00:08:35,300

balloon or a lantern can do then there's

198

00:08:40,090 --> 00:08:36,770

not really much we can do with that

199

00:08:42,940 --> 00:08:40,100

except for say it's interesting and a

200

00:08:44,740 --> 00:08:42,950

lot of these researchers trying to say

201  
00:08:47,440 --> 00:08:44,750  
well not all the orange orbs or Chinese

202  
00:08:49,150 --> 00:08:47,450  
lanterns maybe not but if you don't have

203  
00:08:51,120 --> 00:08:49,160  
you know you're not documenting them

204  
00:08:53,970 --> 00:08:51,130  
doing something really strange

205  
00:08:56,460 --> 00:08:53,980  
then you can't prove otherwise yeah and

206  
00:08:58,650 --> 00:08:56,470  
that's the high bar we have for this

207  
00:09:00,480 --> 00:08:58,660  
build but as mr. Sagan said

208  
00:09:03,720 --> 00:09:00,490  
extraordinary claims require

209  
00:09:06,540 --> 00:09:03,730  
extraordinary evidence that's right and

210  
00:09:09,780 --> 00:09:06,550  
it's Occam's razor when it comes to this

211  
00:09:11,580 --> 00:09:09,790  
type of thing as well you know that that

212  
00:09:14,790 --> 00:09:11,590  
Carl Sagan wasn't the first person to

213  
00:09:16,080 --> 00:09:14,800

say that it was oh it wasn't no I had

214

00:09:17,130 --> 00:09:16,090

looked that up at one time it was

215

00:09:20,490 --> 00:09:17,140

someone else

216

00:09:22,830 --> 00:09:20,500

prior to Sagan and he kind of you know

217

00:09:24,630 --> 00:09:22,840

he's known for saying it but if you

218

00:09:26,550 --> 00:09:24,640

google that you can check that out I'm

219

00:09:29,460 --> 00:09:26,560

pretty sure I could be total well you

220

00:09:32,060 --> 00:09:29,470

should do yeah we should look it up and

221

00:09:34,620 --> 00:09:32,070

make sure and credit the original source

222

00:09:36,600 --> 00:09:34,630

to popularize you know the guy who

223

00:09:38,310 --> 00:09:36,610

deserves the credit assuming it was a

224

00:09:41,100 --> 00:09:38,320

man all right so check out the show

225

00:09:42,840 --> 00:09:41,110

notes if I get some time here I'll check

226

00:09:45,570 --> 00:09:42,850

that out and I'll put pop that into the

227

00:09:47,340 --> 00:09:45,580

show notes sounds good brother and all

228

00:09:54,210 --> 00:09:47,350

these links will be there which will go

229

00:09:55,800 --> 00:09:54,220

to openminds.tv/radio and I do I can't

230

00:09:57,870 --> 00:09:55,810

say there is more interesting news

231

00:10:00,030 --> 00:09:57,880

coming so there are some stories I know

232

00:10:02,070 --> 00:10:00,040

coming down the pipe that are going to

233

00:10:04,860 --> 00:10:02,080

be really interesting so next week we

234

00:10:06,540 --> 00:10:04,870

should have some some more fun stuff to

235

00:10:10,010 --> 00:10:06,550

talk about yeah

236

00:10:12,750 --> 00:10:10,020

there's talk about George Bush Senior

237

00:10:15,030 --> 00:10:12,760

now that's not interesting that's a hoax

238

00:10:16,680 --> 00:10:15,040

is that a hoax I've been trying to

239

00:10:18,480 --> 00:10:16,690

figure out if that's a hoax or not so

240

00:10:20,820 --> 00:10:18,490

you have the original source was world

241

00:10:22,710 --> 00:10:20,830

weekly news which it even says on the

242

00:10:25,890 --> 00:10:22,720

site it's an entertainment purposes only

243

00:10:28,740 --> 00:10:25,900

if you look at the stories it's like the

244

00:10:32,400 --> 00:10:28,750

onion they're just kind of making up

245

00:10:33,930 --> 00:10:32,410

some well I'm glad you looked into that

246

00:10:35,130 --> 00:10:33,940

I tried to figure out something the day

247

00:10:37,890 --> 00:10:35,140

after I heard it I couldn't find

248

00:10:39,660 --> 00:10:37,900

anything so when I couldn't find a lot

249

00:10:41,940 --> 00:10:39,670

on it that made me nervous that it could

250

00:10:44,070 --> 00:10:41,950

yeah at the hoax but very good well

251  
00:10:46,500 --> 00:10:44,080  
thanks so much and thanks for clearing

252  
00:10:48,660 --> 00:10:46,510  
that up too and I'll come to you next

253  
00:10:50,340 --> 00:10:48,670  
week all right talk to you soon buddy

254  
00:10:53,430 --> 00:10:50,350  
all right hanging everyone we're going

255  
00:10:55,770 --> 00:10:53,440  
to have Susan talk about the New England

256  
00:10:57,630 --> 00:10:55,780  
UFO conference that I will be attending

257  
00:11:01,440 --> 00:10:57,640  
this weekend all right so now we're

258  
00:11:03,870 --> 00:11:01,450  
speaking with Susan McNeil spooler about

259  
00:11:04,470 --> 00:11:03,880  
the Greater New England UFO conference

260  
00:11:07,710 --> 00:11:04,480  
coming up

261  
00:11:08,670 --> 00:11:07,720  
this weekend how are you Susan thank you

262  
00:11:10,769 --> 00:11:08,680  
for having me

263  
00:11:12,540 --> 00:11:10,779

sure and on our website also is the

264

00:11:14,280 --> 00:11:12,550

banner where you can click on that on

265

00:11:16,170 --> 00:11:14,290

podcast you fo you'll see the banner in

266

00:11:18,090 --> 00:11:16,180

the sidebar and you can click on that

267

00:11:19,590 --> 00:11:18,100

and get all the information but Susan

268

00:11:22,230 --> 00:11:19,600

let's talk about the conference this is

269

00:11:24,030 --> 00:11:22,240

a little different than last year in a

270

00:11:26,550 --> 00:11:24,040

couple of different ways well this is

271

00:11:29,189 --> 00:11:26,560

the 3rd annual and in the past the past

272

00:11:31,079 --> 00:11:29,199

two years Steve for money from

273

00:11:32,639 --> 00:11:31,089

Leominster ran the conference I

274

00:11:36,300 --> 00:11:32,649

volunteered for him I ran the

275

00:11:40,379 --> 00:11:36,310

registration desk and that gave me a lot

276  
00:11:41,250 --> 00:11:40,389  
of insight as to what's required to run

277  
00:11:44,430 --> 00:11:41,260  
such an events

278  
00:11:49,230 --> 00:11:44,440  
so I'm implementing those changes to

279  
00:11:50,699 --> 00:11:49,240  
make it more efficient and one of them

280  
00:11:52,139 --> 00:11:50,709  
is the price is a very reasonable price

281  
00:11:54,689 --> 00:11:52,149  
this year it is

282  
00:11:57,829 --> 00:11:54,699  
I'm personally funding this event myself

283  
00:12:00,990 --> 00:11:57,839  
and I have done a great deal of

284  
00:12:03,000 --> 00:12:01,000  
advertising real television commercials

285  
00:12:06,210 --> 00:12:03,010  
on the History Channel National

286  
00:12:09,780 --> 00:12:06,220  
Geographic sci-fi throughout north

287  
00:12:11,160 --> 00:12:09,790  
central Massachusetts alright let's talk

288  
00:12:11,970 --> 00:12:11,170

about the speakers who's going to be

289

00:12:18,509 --> 00:12:11,980

there this year

290

00:12:21,329 --> 00:12:18,519

sure we have Mark Dantonio who was a an

291

00:12:25,710 --> 00:12:21,339

expert he works he works for MUFON and

292

00:12:29,490 --> 00:12:25,720

he is an expert in video and audio sorry

293

00:12:31,559 --> 00:12:29,500

photograph photographs to determine

294

00:12:33,990 --> 00:12:31,569

whether or not they're authentic or

295

00:12:36,540 --> 00:12:34,000

whatever they are it's one of my

296

00:12:39,300 --> 00:12:36,550

favorite people he's fantastic

297

00:12:42,870 --> 00:12:39,310

we have ray Hernandez he's coming up

298

00:12:45,210 --> 00:12:42,880

from Miami Beach Florida and he is the

299

00:12:47,120 --> 00:12:45,220

co-director and co-founder of free which

300

00:12:49,160 --> 00:12:47,130

is the foundation for research into

301

00:12:53,040 --> 00:12:49,170

extraterrestrial extraterrestrial

302

00:12:55,439 --> 00:12:53,050

encounters he is doing he's been

303

00:12:59,300 --> 00:12:55,449

collecting data from people around the

304

00:13:02,720 --> 00:12:59,310

world over several thousand people

305

00:13:05,610 --> 00:13:02,730

American from the United States China

306

00:13:08,009 --> 00:13:05,620

North America South America and in

307

00:13:11,519 --> 00:13:08,019

various languages to see they compare to

308

00:13:15,900 --> 00:13:11,529

make a comparative analysis of people's

309

00:13:17,220 --> 00:13:15,910

abduction experiences if the aliens look

310

00:13:19,290 --> 00:13:17,230

the same

311

00:13:22,530 --> 00:13:19,300

happens to them etc so he'll be

312

00:13:26,190 --> 00:13:22,540

divulging for the first time the data

313

00:13:28,140 --> 00:13:26,200

that he has gleaned from these he was a

314

00:13:30,480 --> 00:13:28,150

guest on the show not too long ago but

315

00:13:31,680 --> 00:13:30,490

he at that time he was not divulging the

316

00:13:33,720 --> 00:13:31,690

data so that's good to know

317

00:13:35,100 --> 00:13:33,730

right so that's that's a special thing

318

00:13:37,170 --> 00:13:35,110

that's going to be happening this

319

00:13:38,690 --> 00:13:37,180

Saturday then we will have a roxy

320

00:13:42,260 --> 00:13:38,700

Zwicker from Portsmouth New Hampshire

321

00:13:48,240 --> 00:13:42,270

she's a historian and she does haunted

322

00:13:51,630 --> 00:13:48,250

haunted historical tours and also has

323

00:13:54,810 --> 00:13:51,640

had experiences with orbs and and UFO

324

00:13:56,460 --> 00:13:54,820

sighting so she'll be speaking for us as

325

00:13:59,070 --> 00:13:56,470

well as Bill Hall

326

00:14:01,920 --> 00:13:59,080

and he wrote the book called the haunted

327

00:14:04,050 --> 00:14:01,930

house diaries and it has to do with the

328

00:14:07,290 --> 00:14:04,060

paranormal flap in Litchfield County

329

00:14:11,070 --> 00:14:07,300

Connecticut hmm very interesting book

330

00:14:13,410 --> 00:14:11,080

and then after that we're having a fall

331

00:14:16,140 --> 00:14:13,420

in Benny no they're the world-famous

332

00:14:19,590 --> 00:14:16,150

father and son paranormal team their

333

00:14:22,740 --> 00:14:19,600

talk will be a a lien versus demon which

334

00:14:26,340 --> 00:14:22,750

is which very interesting people yes

335

00:14:31,280 --> 00:14:26,350

and John our keynote speaker Richard

336

00:14:36,060 --> 00:14:31,290

Dolan will speak at 3 p.m. some

337

00:14:38,700 --> 00:14:36,070

scheduling guffaws he'll be doing his

338

00:14:40,950 --> 00:14:38,710

presentation by a Skype from London

339

00:14:44,430 --> 00:14:40,960

where all we're all set technically to

340

00:14:47,790 --> 00:14:44,440

accommodate that and after that we are

341

00:14:49,650 --> 00:14:47,800

having Jan - Jan is the executive

342

00:14:51,810 --> 00:14:49,660

director of MUFON MUFON stands for the

343

00:14:54,870 --> 00:14:51,820

mutual UFO network and they'll be

344

00:14:56,580 --> 00:14:54,880

talking about the past 46 years of Moon

345

00:14:59,760 --> 00:14:56,590

Fonz history and moving forward what

346

00:15:02,510 --> 00:14:59,770

they plan to do now Friday going a

347

00:15:06,360 --> 00:15:02,520

little bit backwards here we're having

348

00:15:08,700 --> 00:15:06,370

Billy penning and Ryan White more from

349

00:15:11,130 --> 00:15:08,710

Leominster they will have and they will

350

00:15:15,450 --> 00:15:11,140

talk about Bigfoot Bigfoot experiences

351

00:15:20,940 --> 00:15:15,460

orange orbs and they have a plaster cast

352

00:15:24,540 --> 00:15:20,950

of a book of a foot a Bigfoot foot that

353

00:15:28,400 --> 00:15:24,550

they took in Leominster state forests so

354

00:15:31,160 --> 00:15:28,410

Leominster is a real hotbed of UFO and

355

Nouriel Hayakawa how are you today

368

00:17:03,769 --> 00:17:02,490

penetrant I pronounce your name wrong

369

00:17:05,809 --> 00:17:03,779

didn't I

370

00:17:09,949 --> 00:17:05,819

you sure did but no problem a lot of

371

00:17:13,460 --> 00:17:09,959

people do my last name is Hayakawa

372

00:17:17,689 --> 00:17:13,470

Hayakawa means in japanese which means

373

00:17:25,220 --> 00:17:17,699

fast the river really high up means fast

374

00:17:26,990 --> 00:17:25,230

and Kawa means river so well i want to

375

00:17:30,410 --> 00:17:27,000

welcome you to the show you're only on

376

00:17:33,440 --> 00:17:30,420

for about a half an hour so I have read

377

00:17:36,440 --> 00:17:33,450

a lot of your postings over the last few

378

00:17:38,540 --> 00:17:36,450

years and I think you have a pretty good

379

00:17:41,510 --> 00:17:38,550

view on what's going on it's always

380

00:17:43,460 --> 00:17:41,520

interesting to read what you write and

381

00:17:46,220 --> 00:17:43,470

you sort of have a you know a good

382

00:17:46,940 --> 00:17:46,230

healthy skepticism as well that's

383

00:17:50,210 --> 00:17:46,950

correct

384

00:17:51,580 --> 00:17:50,220

and so can you talk about your you have

385

00:17:53,930 --> 00:17:51,590

an interesting background too

386

00:17:56,240 --> 00:17:53,940

can you tell the listening audience

387

00:17:58,970 --> 00:17:56,250

who's not aware of you your background

388

00:18:01,150 --> 00:17:58,980

and your live in New Mexico right that's

389

00:18:04,810 --> 00:18:01,160

correct I live in the city of Rio Rancho

390

00:18:08,600 --> 00:18:04,820

which is right next to Albuquerque and

391

00:18:12,020 --> 00:18:08,610

I'm really glad to be living here in

392

00:18:18,680 --> 00:18:12,030

this land of enchantment I used to live

393

00:18:22,760 --> 00:18:18,690

in California but in 2008 we moved here

394

00:18:24,080 --> 00:18:22,770

to this amazing state of New Mexico well

395

00:18:28,310 --> 00:18:24,090

I've spent a little time there myself

396

00:18:30,860 --> 00:18:28,320

actually in visiting with my sister four

397

00:18:33,620 --> 00:18:30,870

months in Los Alamos and I love the

398

00:18:36,890 --> 00:18:33,630

whole area Santa Fe it's just a gorgeous

399

00:18:39,590 --> 00:18:36,900

gorgeous canyons wonderful hiking if

400

00:18:42,520 --> 00:18:39,600

you're into that and really nice Native

401  
00:18:47,690 --> 00:18:42,530  
American culture really like that

402  
00:18:55,280 --> 00:18:47,700  
exactly and well you know actually New

403  
00:19:00,470 --> 00:18:55,290  
Mexico is the reason why I I have been

404  
00:19:02,780 --> 00:19:00,480  
involved in the UFOs for the past fifty

405  
00:19:03,230 --> 00:19:02,790  
five years or I don't know maybe it goes

406  
00:19:06,799 --> 00:19:03,240  
to

407  
00:19:11,390 --> 00:19:06,809  
two years because I started active UFO

408  
00:19:18,290 --> 00:19:11,400  
research in 1961 while I was living in

409  
00:19:20,740 --> 00:19:18,300  
Japan but it was in 1964 that I became

410  
00:19:24,860 --> 00:19:20,750  
acquainted with the Lonnie Zamora

411  
00:19:28,580 --> 00:19:24,870  
Socorro incident in New Mexico in 1964

412  
00:19:33,440 --> 00:19:28,590  
and that's really what brought me to New

413  
00:19:35,299 --> 00:19:33,450

Mexico really that's correct that is to

414

00:19:39,890 --> 00:19:35,309

me I think that's one of the the top

415

00:19:42,200 --> 00:19:39,900

cases you know he was Lonnie was by

416

00:19:45,160 --> 00:19:42,210

everyone ray Stanford I've talked to a

417

00:19:47,990 --> 00:19:45,170

number of times and a lot of people that

418

00:19:51,250 --> 00:19:48,000

all say the same thing he was a stand-up

419

00:19:54,640 --> 00:19:51,260

guy he didn't want any publicity

420

00:19:59,030 --> 00:19:54,650

especially this type of publicity and

421

00:20:03,950 --> 00:19:59,040

you know he was telling the truth that's

422

00:20:08,450 --> 00:20:03,960

correct and the reason I I like New

423

00:20:11,360 --> 00:20:08,460

Mexico is because it has its first of

424

00:20:14,299 --> 00:20:11,370

all it's so spacious I mean it's the

425

00:20:17,419 --> 00:20:14,309

first largest state in the Union with

426

00:20:20,900 --> 00:20:17,429

just a population of just two million in

427

00:20:23,900 --> 00:20:20,910

the entire state and this is why I have

428

00:20:27,250 --> 00:20:23,910

always stated that it's a perfect

429

00:20:31,820 --> 00:20:27,260

location for the government to conduct

430

00:20:36,230 --> 00:20:31,830

any kind of black project programs or

431

00:20:44,240 --> 00:20:36,240

research using this amazing amazingly

432

00:20:51,049 --> 00:20:44,250

vast area and so you know I have to tell

433

00:20:53,570 --> 00:20:51,059

you that I have a wait website my own

434

00:20:58,640 --> 00:20:53,580

website now it's called Nouriel Hayakawa

435

00:21:02,990 --> 00:20:58,650

dot wordpress.com in which I post lots

436

00:21:07,240 --> 00:21:03,000

of fascinating item and many of the

437

00:21:14,120 --> 00:21:07,250

items referred to New Mexico and

438

00:21:18,160 --> 00:21:14,130

especially if you scroll down my website

439

00:21:22,850 --> 00:21:18,170

can see things such as the amazing

440

00:21:26,870 --> 00:21:22,860

Farmington New Mexico siding of 1950 in

441

00:21:31,100 --> 00:21:26,880

which the incident took place for three

442

00:21:35,450 --> 00:21:31,110

days in a row every time around 11 to

443

00:21:39,200 --> 00:21:35,460

noon and hundreds of objects were seen

444

00:21:44,720 --> 00:21:39,210

information formation by hundreds of

445

00:21:48,230 --> 00:21:44,730

citizens of Farmington and I you can see

446

00:21:52,570 --> 00:21:48,240

about that incident in my website but

447

00:21:56,300 --> 00:21:52,580

anyway yeah I'm so excited today

448

00:21:59,480 --> 00:21:56,310

especially right now because this coming

449

00:22:04,280 --> 00:21:59,490

Saturday I have helped organize the

450

00:22:06,530 --> 00:22:04,290

second New Mexico UFO conference is

451  
00:22:12,050 --> 00:22:06,540  
going to take place on October 17th this

452  
00:22:16,010 --> 00:22:12,060  
Saturday and the mayor of Rio Rancho

453  
00:22:20,360 --> 00:22:16,020  
where I reside officially declared

454  
00:22:24,310 --> 00:22:20,370  
October 17th as the official UFO

455  
00:22:28,340 --> 00:22:24,320  
research day and it's the first time

456  
00:22:33,370 --> 00:22:28,350  
that I recall that an American city's

457  
00:22:37,330 --> 00:22:33,380  
mayor has declared in seriousness the

458  
00:22:41,930 --> 00:22:37,340  
significance of UFO research and so I

459  
00:22:44,990 --> 00:22:41,940  
were very excited and this conference is

460  
00:22:49,130 --> 00:22:45,000  
being sponsored by nonprofit New Mexico

461  
00:22:53,180 --> 00:22:49,140  
move on and we are bringing in three

462  
00:22:57,170 --> 00:22:53,190  
speakers Colonel John Alexander Nick

463  
00:22:59,660 --> 00:22:57,180

Pope and Nick Redfern they are the only

464

00:23:05,780 --> 00:22:59,670

three speakers and it's going to be a

465

00:23:09,860 --> 00:23:05,790

tremendous conference based on serious

466

00:23:13,430 --> 00:23:09,870

research and so by the mayor of Rio

467

00:23:17,390 --> 00:23:13,440

Rancho declaring October 17th as the

468

00:23:21,520 --> 00:23:17,400

official UFO research a it is a

469

00:23:25,040 --> 00:23:21,530

recognition that this is not about

470

00:23:26,109 --> 00:23:25,050

craziness of Roz will festival and all

471

00:23:29,289 --> 00:23:26,119

that there's not

472

00:23:32,379 --> 00:23:29,299

of that sort in this conference the

473

00:23:35,739 --> 00:23:32,389

mayor has declared that Europe for

474

00:23:39,069 --> 00:23:35,749

research is a serious research and we're

475

00:23:41,079 --> 00:23:39,079

not talking about aliens and and all

476

00:23:44,679 --> 00:23:41,089

kinds of costumes and all that stuff

477

00:23:47,619 --> 00:23:44,689

well straightforwardly talking about the

478

00:23:52,349 --> 00:23:47,629

seriousness of the real phenomenon and

479

00:23:55,749 --> 00:23:52,359

reality but yet we have not come to any

480

00:23:59,219 --> 00:23:55,759

conclusion as to what this phenomenon

481

00:24:01,659 --> 00:23:59,229

really is and so the title of that

482

00:24:04,209 --> 00:24:01,669

conference on Saturday here in Rio

483

00:24:08,379 --> 00:24:04,219

Rancho is what does the government

484

00:24:11,549 --> 00:24:08,389

really know and so anyway I'm so excited

485

00:24:16,109 --> 00:24:11,559

I have to mention that well that is a

486

00:24:20,889 --> 00:24:16,119

stellar lineup you have there though so

487

00:24:23,409 --> 00:24:20,899

yeah and John was on this show I think

488

00:24:24,909 --> 00:24:23,419

two weeks ago and yet he will have

489

00:24:28,899 --> 00:24:24,919

definitely have something to say about

490

00:24:31,989 --> 00:24:28,909

the government and UFOs for sure he's

491

00:24:34,149 --> 00:24:31,999

not always popular with a lot of the

492

00:24:38,439 --> 00:24:34,159

listening audience I had a number of

493

00:24:40,209 --> 00:24:38,449

emails of people I actually forward at a

494

00:24:42,309 --> 00:24:40,219

few to him he got a kick out of it of

495

00:24:47,559 --> 00:24:42,319

people calling him a disinformation

496

00:24:50,829 --> 00:24:47,569

agent because of you know he's basically

497

00:24:54,069 --> 00:24:50,839

claims that it's nothing that you know

498

00:24:57,249 --> 00:24:54,079

the government is really that interested

499

00:24:59,739 --> 00:24:57,259

in compared to Wars and everything else

500

00:25:02,889 --> 00:24:59,749

that's going on at the same time so

501  
00:25:05,889 --> 00:25:02,899  
anyway again not always popular but I

502  
00:25:09,489 --> 00:25:05,899  
think he has a good message I really

503  
00:25:13,149 --> 00:25:09,499  
enjoyed speaking with him very smart guy

504  
00:25:17,319 --> 00:25:13,159  
and and also Nick Pope is kind of hard

505  
00:25:18,639 --> 00:25:17,329  
to nail down so in Redford's really I'm

506  
00:25:22,149 --> 00:25:18,649  
a fan of Nick Redfern

507  
00:25:24,599 --> 00:25:22,159  
he always has a lot and what that guy

508  
00:25:29,679 --> 00:25:24,609  
could put out some books let me tell you

509  
00:25:34,959 --> 00:25:29,689  
yes he's a prolific author and he has a

510  
00:25:37,670 --> 00:25:34,969  
whole range of topics in this so-called

511  
00:25:42,530 --> 00:25:37,680  
apology probably he's more

512  
00:25:46,160 --> 00:25:42,540  
prolific authors today regarding the

513  
00:25:49,600 --> 00:25:46,170

apology and the various aspects of you

514

00:25:55,640 --> 00:25:49,610

ecology and UFO culture and by the way I

515

00:26:00,880 --> 00:25:55,650

don't call myself a ufologist I call

516

00:26:04,310 --> 00:26:00,890

myself an unorthodox weaveologist that

517

00:26:10,850 --> 00:26:04,320

specializes in the culture of you avala

518

00:26:13,910 --> 00:26:10,860

G the culture so I have not in fact

519

00:26:17,270 --> 00:26:13,920

there's no such a thing as a UFO expert

520

00:26:20,840 --> 00:26:17,280

never a lot of people use the term UFO

521

00:26:24,890 --> 00:26:20,850

expert such as you know a UFO expert is

522

00:26:26,960 --> 00:26:24,900

coming to a conference and gonna speak

523

00:26:30,560 --> 00:26:26,970

you know there's no such a thing as a

524

00:26:34,910 --> 00:26:30,570

UFO expert because it's like saying that

525

00:26:40,490 --> 00:26:34,920

he or she is an expert on God yeah

526  
00:26:42,860 --> 00:26:40,500  
that's my statement well I totally am in

527  
00:26:46,040 --> 00:26:42,870  
line with that I was in Russia a few

528  
00:26:47,780 --> 00:26:46,050  
weeks ago visiting over there and I just

529  
00:26:50,750 --> 00:26:47,790  
had this situation happens someone

530  
00:26:54,020 --> 00:26:50,760  
introduced me to this person at a spa

531  
00:26:57,200 --> 00:26:54,030  
and said a few things about me and all

532  
00:26:59,480 --> 00:26:57,210  
and the the guy was very excited and was

533  
00:27:05,060 --> 00:26:59,490  
babbling on and on and I was introduced

534  
00:27:07,670 --> 00:27:05,070  
as an alien expert by by someone over

535  
00:27:09,590 --> 00:27:07,680  
there I thought that was I said no no I

536  
00:27:12,800 --> 00:27:09,600  
tried to you know try to get the

537  
00:27:14,390 --> 00:27:12,810  
translation changed a little bit for

538  
00:27:17,840 --> 00:27:14,400

that just that just saying that I do a

539

00:27:20,960 --> 00:27:17,850

show and you know a lot of people

540

00:27:23,390 --> 00:27:20,970

actually say to me are you a ufologist

541

00:27:28,730 --> 00:27:23,400

and I'm not you know maybe an armchair

542

00:27:31,120 --> 00:27:28,740

one at at best but I am just fascinated

543

00:27:33,700 --> 00:27:31,130

by the topic I had my own sighting I

544

00:27:37,340 --> 00:27:33,710

became fascinated with the topic and

545

00:27:40,880 --> 00:27:37,350

fascinated with the people involved in

546

00:27:42,470 --> 00:27:40,890

this field and you know there is some

547

00:27:45,470 --> 00:27:42,480

you know there's a little bit of

548

00:27:47,870 --> 00:27:45,480

infighting here and there there's some

549

00:27:49,940 --> 00:27:47,880

some of that goes on no matter what but

550

00:27:51,440 --> 00:27:49,950

I think the people that are interested

551  
00:27:55,490 --> 00:27:51,450  
in this topic

552  
00:27:58,940 --> 00:27:55,500  
are fascinating you're absolutely right

553  
00:28:05,600 --> 00:27:58,950  
because as far as I'm concerned there is

554  
00:28:10,480 --> 00:28:05,610  
no topic more important in our life than

555  
00:28:14,500 --> 00:28:10,490  
the topic of the UFO phenomenon because

556  
00:28:17,930 --> 00:28:14,510  
anybody that can solve the UFO phenomena

557  
00:28:24,940 --> 00:28:17,940  
will solve the entire mysteries of the

558  
00:28:30,320 --> 00:28:27,049  
psychologically sociologically

559  
00:28:33,529 --> 00:28:30,330  
culturally and scientifically the

560  
00:28:36,680 --> 00:28:33,539  
univille phenomena question will answer

561  
00:28:40,310 --> 00:28:36,690  
a lot of questions but so far it hasn't

562  
00:28:45,019 --> 00:28:40,320  
brought anything but I think that this

563  
00:28:50,810 --> 00:28:45,029

topic relates to everything this topic

564

00:28:54,950 --> 00:28:50,820

relates to everything so I say that the

565

00:28:58,340 --> 00:28:54,960

UFO phenomenon topic is one of the most

566

00:29:05,000 --> 00:28:58,350

important because it involves all types

567

00:29:10,669 --> 00:29:05,010

of beliefs and beliefs are definitely

568

00:29:16,310 --> 00:29:10,679

part of the human psyche everybody has a

569

00:29:19,610 --> 00:29:16,320

belief and but sometimes belief can lead

570

00:29:25,909 --> 00:29:19,620

to reality sometimes it doesn't so

571

00:29:29,120 --> 00:29:25,919

anyway I continue I continue to keep

572

00:29:34,279 --> 00:29:29,130

abreast with what is happening in the

573

00:29:37,070 --> 00:29:34,289

world as far as UFO reports and theories

574

00:29:41,720 --> 00:29:37,080

and everything is concerned like I said

575

00:29:45,889 --> 00:29:41,730

I've been doing this since 1961 but I

576

00:29:51,980 --> 00:29:45,899

can definitely state that I am just as

577

00:29:54,889 --> 00:29:51,990

ignorant as anybody about this subject I

578

00:29:58,310 --> 00:29:54,899

have not come to any conclusion because

579

00:30:02,690 --> 00:29:58,320

it's a remaining mystery remaining

580

00:30:05,360 --> 00:30:02,700

mystery and so I continue to gather

581

00:30:09,290 --> 00:30:05,370

information we

582

00:30:13,610 --> 00:30:09,300

actually not come any step closer to the

583

00:30:16,580 --> 00:30:13,620

truth then we started I I believe that a

584

00:30:18,710 --> 00:30:16,590

hundred percent and I've had a few

585

00:30:22,010 --> 00:30:18,720

people ask me well you know why do you

586

00:30:23,930 --> 00:30:22,020

do this or are you looking to see this

587

00:30:26,510 --> 00:30:23,940

thing solved is that is that why you're

588

00:30:27,920 --> 00:30:26,520

in it and and I just say well it's

589

00:30:30,049 --> 00:30:27,930

probably not going to happen in my

590

00:30:33,740 --> 00:30:30,059

lifetime and I'm okay with that

591

00:30:36,140 --> 00:30:33,750

I really am I am totally okay with that

592

00:30:37,820 --> 00:30:36,150

and it's not because if it was solved my

593

00:30:39,919 --> 00:30:37,830

show would go away because that probably

594

00:30:45,410 --> 00:30:39,929

would happen I've never really thought

595

00:30:50,720 --> 00:30:45,420

about that but but just the fact that it

596

00:30:52,549 --> 00:30:50,730

is such a mystery and you know any time

597

00:30:55,130 --> 00:30:52,559

that someone is out there and telling

598

00:30:57,440 --> 00:30:55,140

you they know what's going on you know

599

00:30:59,870 --> 00:30:57,450

that's when you want to run the other

600

00:31:00,430 --> 00:30:59,880

way there's no there's no one really

601  
00:31:03,980 --> 00:31:00,440  
knows

602  
00:31:08,440 --> 00:31:03,990  
that's true and yeah is a very important

603  
00:31:13,400 --> 00:31:08,450  
thing there are two concepts or two

604  
00:31:17,840 --> 00:31:13,410  
thoughts that everybody has and that is

605  
00:31:23,799 --> 00:31:17,850  
that in this whole wide cosmos or

606  
00:31:27,820 --> 00:31:23,809  
universe there has to be some type of

607  
00:31:34,180 --> 00:31:27,830  
intelligence or in and intelligent

608  
00:31:38,570 --> 00:31:34,190  
entities somewhere in this universe most

609  
00:31:40,030 --> 00:31:38,580  
mainlines astronomers scientists and so

610  
00:31:43,520 --> 00:31:40,040  
on

611  
00:31:46,910 --> 00:31:43,530  
believe that yes the possibility is

612  
00:31:52,640 --> 00:31:46,920  
there definitely there has to be but the

613  
00:31:57,140 --> 00:31:52,650

second idea is that then the UFO

614

00:32:01,330 --> 00:31:57,150

phenomena is relevant to that or is the

615

00:32:04,549 --> 00:32:01,340

UFO phenomenon and evidence of such an

616

00:32:08,210 --> 00:32:04,559

extraterrestrial visitation physical

617

00:32:11,480 --> 00:32:08,220

visitation here to our physical earth

618

00:32:18,380 --> 00:32:11,490

this is two completely different subject

619

00:32:24,860 --> 00:32:18,390

and most scientists and astronomers

620

00:32:27,980 --> 00:32:24,870

of the world while the majority believed

621

00:32:32,570 --> 00:32:27,990

that there has to be somewhere in this

622

00:32:35,480 --> 00:32:32,580

universe other intelligent life but when

623

00:32:39,070 --> 00:32:35,490

it comes to UFOs it's a totally

624

00:32:42,500 --> 00:32:39,080

different story and that I have to

625

00:32:45,740 --> 00:32:42,510

stress the this the difference and it's

626

00:32:49,400 --> 00:32:45,750

very important so basically what I'm

627

00:32:57,100 --> 00:32:49,410

trying to say is that the UFO phenomenon

628

00:33:00,490 --> 00:32:57,110

is not equivalent to evidence for

629

00:33:04,400 --> 00:33:00,500

extraterrestrial physical visitation and

630

00:33:07,460 --> 00:33:04,410

this is also what dr. Jacques Vallee has

631

00:33:10,490 --> 00:33:07,470

been saying in fact people like dr.

632

00:33:14,690 --> 00:33:10,500

Jacques Vallee the people like John a

633

00:33:19,610 --> 00:33:14,700

heal the lake John a kill a prolific

634

00:33:23,750 --> 00:33:19,620

author just like Nick Redfern of today

635

00:33:28,160 --> 00:33:23,760

but both these gentlemen are my heroes

636

00:33:32,750 --> 00:33:28,170

doc dr. Jacques Vallee and John a keel

637

00:33:36,320 --> 00:33:32,760

and both have really changed my view of

638

00:33:42,010 --> 00:33:36,330

UFO phenomenon since there are 1978 when

639

00:33:45,970 --> 00:33:42,020

I started reading their books and so

640

00:33:50,830 --> 00:33:45,980

what I'm trying to say is that let's not

641

00:33:53,360 --> 00:33:50,840

equate the UFO phenomenon with physical

642

00:33:57,500 --> 00:33:53,370

extraterrestrial visitations

643

00:34:02,420 --> 00:33:57,510

we still haven't come up with conclusive

644

00:34:06,080 --> 00:34:02,430

evidence for this but let's keep

645

00:34:09,740 --> 00:34:06,090

researching about this phenomena it's

646

00:34:14,990 --> 00:34:09,750

the phenomena definitely seems to be

647

00:34:19,780 --> 00:34:15,000

real or or real although we don't really

648

00:34:23,389 --> 00:34:19,790

know what real is in fact that another

649

00:34:28,010 --> 00:34:23,399

saying of mine we still don't know what

650

00:34:31,220 --> 00:34:28,020

reality really is that's right even you

651  
00:34:31,909 --> 00:34:31,230  
know even that the science will prove

652  
00:34:35,059 --> 00:34:31,919  
that

653  
00:34:36,770 --> 00:34:35,069  
actually when you get especially when

654  
00:34:39,530 --> 00:34:36,780  
you get into like quantum mechanics and

655  
00:34:41,720 --> 00:34:39,540  
all that I just want to make a quick

656  
00:34:44,599 --> 00:34:41,730  
announcement here anyone listening live

657  
00:34:48,139 --> 00:34:44,609  
you can jump over to podcast UFO calm

658  
00:34:51,250 --> 00:34:48,149  
and get in our chat room you can also

659  
00:34:56,030 --> 00:34:51,260  
call in live if you'd like to.that 603

660  
00:34:59,539 --> 00:34:56,040  
967 400 300 or Skype Marty Willis that's

661  
00:35:00,890 --> 00:34:59,549  
ma RT y WI ll is I don't know why I

662  
00:35:04,819 --> 00:35:00,900  
chose that I don't like to be called

663  
00:35:05,870 --> 00:35:04,829

Marty but anyway but next week I just

664

00:35:08,089 --> 00:35:05,880

want to make this announcement I'm going

665

00:35:10,910 --> 00:35:08,099

to say it at the end too we have I think

666

00:35:13,220 --> 00:35:10,920

a really killer show lined up we have

667

00:35:16,700 --> 00:35:13,230

first we're going to start out with Mark

668

00:35:18,680 --> 00:35:16,710

Rutger and Leslie Kane they're going to

669

00:35:22,490 --> 00:35:18,690

be on first and then after that we have

670

00:35:24,700 --> 00:35:22,500

skeptic Michael Shermer you all know him

671

00:35:27,200 --> 00:35:24,710

from his smirk that he does so famously

672

00:35:29,839 --> 00:35:27,210

when he is talking about the UFO

673

00:35:31,670 --> 00:35:29,849

phenomena so anyway that's going to be a

674

00:35:33,890 --> 00:35:31,680

really great show next week coming up

675

00:35:35,780 --> 00:35:33,900

and again and if we want to jump in the

676

00:35:36,589 --> 00:35:35,790

chatroom we do have a question up there

677

00:35:39,559 --> 00:35:36,599

now for you

678

00:35:42,710 --> 00:35:39,569

norio and that is what have you learned

679

00:35:44,200 --> 00:35:42,720

about the UFO culture and this person

680

00:35:46,970 --> 00:35:44,210

would like to know more about that

681

00:35:51,829 --> 00:35:46,980

because that's what interests you the

682

00:35:57,700 --> 00:35:51,839

most yes a very good question and the

683

00:36:00,710 --> 00:35:57,710

UFO culture has a wide spectrum you know

684

00:36:04,789 --> 00:36:00,720

let's say for example the one of the

685

00:36:07,849 --> 00:36:04,799

best example of UFO culture in America

686

00:36:13,250 --> 00:36:07,859

and also in the world is let's take for

687

00:36:19,089 --> 00:36:13,260

example area 51 now area 51 has become

688

00:36:26,620 --> 00:36:19,099

synonymous with alien technology and

689

00:36:30,710 --> 00:36:26,630

that's what I mean somehow or other in

690

00:36:33,760 --> 00:36:30,720

1989 when the world first started

691

00:36:40,490 --> 00:36:33,770

hearing about area 51 due to the

692

00:36:44,859 --> 00:36:40,500

appearance of mr. Bob Lazar 1981 on Las

693

00:36:54,829 --> 00:36:50,870

the world has equated or ascribed every

694

00:37:00,380 --> 00:36:54,839

51 with alien technology and that's what

695

00:37:03,740 --> 00:37:00,390

I call beautiful cultures you know it's

696

00:37:08,800 --> 00:37:03,750

a household word area 51 has become

697

00:37:14,680 --> 00:37:08,810

America's household word and everybody

698

00:37:17,870 --> 00:37:14,690

associates area 51 with the aliens and

699

00:37:23,560 --> 00:37:17,880

another interesting thing about the

700

00:37:29,050 --> 00:37:23,570

culture beautiful is of course the the

701  
00:37:36,160 --> 00:37:29,060  
you know the gray alien and the Roswell

702  
00:37:41,859 --> 00:37:36,170  
Roswell has become synonymous with alien

703  
00:37:45,980 --> 00:37:41,869  
spaceship crash and this has deeply

704  
00:37:50,630 --> 00:37:45,990  
become part of a UFO culture in fact the

705  
00:37:54,589 --> 00:37:50,640  
city of Roswell New Mexico has benefited

706  
00:37:59,780 --> 00:37:54,599  
from the People's Association of Roswell

707  
00:38:05,599 --> 00:37:59,790  
with aliens this is what I mean in this

708  
00:38:10,910 --> 00:38:05,609  
world is a UFO culture that actually is

709  
00:38:15,820 --> 00:38:10,920  
contributing to part of the UFO industry

710  
00:38:25,880 --> 00:38:15,830  
what I call the UFO industry includes

711  
00:38:30,950 --> 00:38:25,890  
movies you know videos you know books

712  
00:38:33,890 --> 00:38:30,960  
podcasts everything and I'm not saying

713  
00:38:36,620 --> 00:38:33,900

that the UFO industry is bad or good

714

00:38:40,150 --> 00:38:36,630

it's just part of a culture so we have

715

00:38:47,050 --> 00:38:40,160

to admit that there is a UFO culture

716

00:38:53,839 --> 00:38:47,060

here and it just it just developed

717

00:38:55,220 --> 00:38:53,849

naturally and until we really encounter

718

00:38:56,510 --> 00:38:55,230

the final truth

719

00:39:00,610 --> 00:38:56,520

in other words

720

00:39:03,890 --> 00:39:00,620

let's say the arrival of real

721

00:39:09,020 --> 00:39:03,900

extraterrestrial physical entities on

722

00:39:14,330 --> 00:39:09,030

earth the UFO culture will continue on

723

00:39:17,450 --> 00:39:14,340

and on now a lot of the the cultures in

724

00:39:20,120 --> 00:39:17,460

the past have you know faded away with

725

00:39:23,840 --> 00:39:20,130

time like fairies angels things like

726

00:39:27,770 --> 00:39:23,850

that and you hear speculation that the

727

00:39:29,360 --> 00:39:27,780

UFO this is from skeptics or not or no

728

00:39:31,520 --> 00:39:29,370

maybe the bunker skeptics whatever you

729

00:39:34,610 --> 00:39:31,530

want to call them that say it's just

730

00:39:38,720 --> 00:39:34,620

another trend like the little people the

731

00:39:40,070 --> 00:39:38,730

leprechauns are and and all that what

732

00:39:42,680 --> 00:39:40,080

are your thoughts on that I mean I I

733

00:39:44,900 --> 00:39:42,690

think it's here to stay until something

734

00:39:48,470 --> 00:39:44,910

solved myself but you know maybe I'm

735

00:39:51,500 --> 00:39:48,480

just blind to that topic yes

736

00:39:56,710 --> 00:39:51,510

but we're living in this century modern

737

00:40:00,670 --> 00:39:56,720

century and the people's concept of

738

00:40:03,560 --> 00:40:00,680

extraterrestrials have become you know

739

00:40:05,060 --> 00:40:03,570

streamlined extraterrestrial flying

740

00:40:09,470 --> 00:40:05,070

saucers

741

00:40:15,200 --> 00:40:09,480

you know type of a shape and it's it

742

00:40:16,820 --> 00:40:15,210

fits the modern civilization but in the

743

00:40:20,450 --> 00:40:16,830

Middle Ages

744

00:40:24,860 --> 00:40:20,460

the description of reported sightings

745

00:40:30,590 --> 00:40:24,870

were different like fire or round halo

746

00:40:32,390 --> 00:40:30,600

like objects and when it comes to

747

00:40:37,520 --> 00:40:32,400

entities yeah

748

00:40:41,570 --> 00:40:37,530

fairies elves and so on were reported

749

00:40:46,150 --> 00:40:41,580

and recorded throughout history but like

750

00:40:51,860 --> 00:40:46,160

dr. Jack Whelan said each culture each

751  
00:40:59,060 --> 00:40:51,870  
age has its own description of something

752  
00:41:01,460 --> 00:40:59,070  
we still don't know and so you know it's

753  
00:41:06,920 --> 00:41:01,470  
a fascinating thing that this phenomenon

754  
00:41:09,799 --> 00:41:06,930  
has existed from for ages according to

755  
00:41:16,489 --> 00:41:09,809  
researchers like dr. Jack valet

756  
00:41:22,519 --> 00:41:16,499  
and yet we are still completely

757  
00:41:24,349 --> 00:41:22,529  
mystified about this phenomenon up on

758  
00:41:27,769 --> 00:41:24,359  
the message board someone wants to know

759  
00:41:30,140 --> 00:41:27,779  
what your thoughts on Dulce is yes

760  
00:41:33,199 --> 00:41:30,150  
that's a very good topic since I live in

761  
00:41:35,299 --> 00:41:33,209  
New Mexico I live only about two and a

762  
00:41:39,259 --> 00:41:35,309  
half hours away from don't say and I

763  
00:41:45,349 --> 00:41:39,269

visit Gosei once in a while and talk to

764

00:41:48,620 --> 00:41:45,359

the locals yes there definitely seems to

765

00:41:52,309 --> 00:41:48,630

be something there but we don't really

766

00:41:55,959 --> 00:41:52,319

know what that is because we haven't

767

00:41:58,309 --> 00:41:55,969

come up with any physical tangible solid

768

00:42:03,109 --> 00:41:58,319

evidence that there is a physical

769

00:42:05,599 --> 00:42:03,119

underground facility in or around Dulce

770

00:42:09,259 --> 00:42:05,609

New Mexico including the so called

771

00:42:13,279 --> 00:42:09,269

Archuleta Mesa as well as the Archuleta

772

00:42:16,219 --> 00:42:13,289

mountain which is located northwest on

773

00:42:21,380 --> 00:42:16,229

the Mesa right near Colorado border but

774

00:42:24,380 --> 00:42:21,390

the rumors continue on but my take is

775

00:42:26,479 --> 00:42:24,390

that if there is a possibility that at

776

00:42:30,319 --> 00:42:26,489

one point in time hold on just one

777

00:42:33,439 --> 00:42:30,329

second if you would please okay a caller

778

00:42:35,359 --> 00:42:33,449

please say your first name and sorry to

779

00:42:35,929 --> 00:42:35,369

interrupt you Nouriel caller you have a

780

00:42:38,660 --> 00:42:35,939

question

781

00:42:41,689 --> 00:42:38,670

hi yeah I apologize for the interruption

782

00:42:44,479 --> 00:42:41,699

as well as Chris and Pennsylvania I'm

783

00:42:48,349 --> 00:42:44,489

just wondering if you think the same UFO

784

00:42:53,469 --> 00:42:48,359

cultures are developing in South America

785

00:42:55,669 --> 00:42:53,479

around sites where those are seen often

786

00:42:57,739 --> 00:42:55,679

and I'll take my answer off the air

787

00:43:00,140 --> 00:42:57,749

thank you thank you yes a very good

788

00:43:03,789 --> 00:43:00,150

question yes there's a UFO culture in

789

00:43:05,779 --> 00:43:03,799

South America and to give you an example

790

00:43:11,539 --> 00:43:05,789

there's a place called

791

00:43:13,880 --> 00:43:11,549

Rudy torkoal in Argentina near the city

792

00:43:15,949 --> 00:43:13,890

of not too far away from the city of

793

00:43:20,029 --> 00:43:15,959

Cordoba Argentina

794

00:43:23,359 --> 00:43:20,039

and Rudy torko is a town just like

795

00:43:29,989 --> 00:43:23,369

Sedona Arizona which has

796

00:43:34,339 --> 00:43:29,999

become a spot for people who are into

797

00:43:38,630 --> 00:43:34,349

the mysterious aspect of this UFO

798

00:43:40,970 --> 00:43:38,640

phenomena because a lot of people in

799

00:43:46,779 --> 00:43:40,980

that location Rudi torkoal

800

00:43:51,259 --> 00:43:46,789

believe that there is some kind of a

801  
00:43:53,630 --> 00:43:51,269  
vortex in that location

802  
00:43:57,170 --> 00:43:53,640  
just like Sedona and that's why I'm

803  
00:43:59,509 --> 00:43:57,180  
saying that this is not unique in the

804  
00:44:03,349 --> 00:43:59,519  
you have a cultural spot I would say

805  
00:44:07,130 --> 00:44:03,359  
exists around the world I just mentioned

806  
00:44:10,009 --> 00:44:07,140  
to you Sedona for example Arizona it's

807  
00:44:15,650 --> 00:44:10,019  
been it's a mecca for those who are

808  
00:44:20,329 --> 00:44:15,660  
really into the the the mystery or some

809  
00:44:22,900 --> 00:44:20,339  
people even call the myth but yes I

810  
00:44:26,660 --> 00:44:22,910  
believe that this is part of UFO culture

811  
00:44:28,249 --> 00:44:26,670  
norio I know you wanted to be on for a

812  
00:44:31,160 --> 00:44:28,259  
short time but I feel like we got a lot

813  
00:44:33,259 --> 00:44:31,170

to talk about and what I'd like to do

814

00:44:35,539 --> 00:44:33,269

I've had a couple of weeks I've had a

815

00:44:37,759 --> 00:44:35,549

couple of problems with getting guests

816

00:44:40,190 --> 00:44:37,769

so what I'd like for you to do if it's

817

00:44:43,160 --> 00:44:40,200

all right with you is to hang on while I

818

00:44:47,720 --> 00:44:43,170

add the next guest to the conversation

819

00:44:51,279 --> 00:44:47,730

and if he is not answering then I'll

820

00:44:55,700 --> 00:44:51,289

have you to fall back on how's that well

821

00:44:59,930 --> 00:44:55,710

unfortunately yes I have to leave right

822

00:45:03,229 --> 00:44:59,940

now but definitely I would like to get

823

00:45:08,299 --> 00:45:03,239

on your program in again in the very

824

00:45:10,339 --> 00:45:08,309

near future longer than today okay that

825

00:45:12,289 --> 00:45:10,349

sounds great well I'm gonna try the next

826

00:45:14,089 --> 00:45:12,299

guest and thanks so much norio I really

827

00:45:16,579 --> 00:45:14,099

appreciate it it was great talking to

828

00:45:19,489 --> 00:45:16,589

you and yes we will definitely have you

829

00:45:25,519 --> 00:45:19,499

back on thank you so much Martin all

830

00:45:27,859 --> 00:45:25,529

right you take care all right hanging

831

00:45:31,299 --> 00:45:27,869

everyone we're trying our next guests

832

00:45:33,979 --> 00:45:31,309

here Simon

833

00:45:36,529 --> 00:45:33,989

hi Moulton how you doing can you believe

834

00:45:37,339 --> 00:45:36,539

that we got you on the last couple weeks

835

00:45:39,680 --> 00:45:37,349

I've had some

836

00:45:42,469 --> 00:45:39,690

trouble with connecting with guests so

837

00:45:44,779 --> 00:45:42,479

this worked as smooth as can be welcome

838

00:45:47,029 --> 00:45:44,789

to the show Simon thanks so much

839

00:45:48,710 --> 00:45:47,039

positive it's great to be here well I

840

00:45:53,440 --> 00:45:48,720

don't know how great it is what time is

841

00:45:57,259 --> 00:45:53,450

it in the morning there exactly wrong 46

842

00:45:58,819 --> 00:45:57,269

647 and so oh yes and now you you told

843

00:46:01,519 --> 00:45:58,829

me today that you have to get up early I

844

00:46:04,430 --> 00:46:01,529

feel for you I really appreciate you

845

00:46:06,259 --> 00:46:04,440

coming on the show now last time you

846

00:46:08,180 --> 00:46:06,269

were on the show I don't know if I ever

847

00:46:10,809 --> 00:46:08,190

told you this but your show got a lot of

848

00:46:13,759 --> 00:46:10,819

downloads you have a lot of people are

849

00:46:17,450 --> 00:46:13,769

are paying attention to you and what you

850

00:46:19,009 --> 00:46:17,460

do can you give the listener that did

851  
00:46:21,589 --> 00:46:19,019  
not hear your show the first time which

852  
00:46:24,079 --> 00:46:21,599  
was a few years ago basically your

853  
00:46:25,460 --> 00:46:24,089  
background and what got you interested

854  
00:46:31,700 --> 00:46:25,470  
in the topic and then we'll talk about

855  
00:46:34,630 --> 00:46:31,710  
your movie yeah sure um I'm gonna think

856  
00:46:39,680 --> 00:46:34,640  
now cast on behind back about 20 years

857  
00:46:43,969 --> 00:46:39,690  
it was around 1989 or 1990 actually

858  
00:46:47,180 --> 00:46:43,979  
heard Timothy good on the radio and it

859  
00:46:49,729 --> 00:46:47,190  
was a lay night show and he was talking

860  
00:46:51,499 --> 00:46:49,739  
about a lot of the stuff that you know a

861  
00:46:54,469 --> 00:46:51,509  
lot of us are aware of now whether it

862  
00:46:57,049 --> 00:46:54,479  
was you know certain people disclosing

863  
00:47:00,559 --> 00:46:57,059

information military witness accounts

864

00:47:03,170 --> 00:47:00,569

etc but this was before the days of the

865

00:47:05,509 --> 00:47:03,180

internet and it was certainly before the

866

00:47:07,849 --> 00:47:05,519

days of the x-files and to hear somebody

867

00:47:12,259 --> 00:47:07,859

speak in such a manner about this

868

00:47:13,849 --> 00:47:12,269

subject in such detail it had an effect

869

00:47:15,769 --> 00:47:13,859

on me you know it did have a big impact

870

00:47:18,559 --> 00:47:15,779

and it was at that point when I thought

871

00:47:21,709 --> 00:47:18,569

I really needed to take a look at the

872

00:47:22,459 --> 00:47:21,719

subject because it really took me by

873

00:47:24,890 --> 00:47:22,469

surprise

874

00:47:28,039 --> 00:47:24,900

and I spent that summer trying to find

875

00:47:29,420 --> 00:47:28,049

every book I could find on the UFL topic

876

00:47:31,759 --> 00:47:29,430

which I've got to be honest with you

877

00:47:33,140 --> 00:47:31,769

Martin wasn't very many books back in

878

00:47:35,509 --> 00:47:33,150

those days I think it was about seven or

879

00:47:38,779 --> 00:47:35,519

eight books in my local library and

880

00:47:41,809 --> 00:47:38,789

that's that's where it all began aha

881

00:47:45,200 --> 00:47:41,819

and I remember if I I think I remember

882

00:47:46,999 --> 00:47:45,210

you're saying that basically your area

883

00:47:49,150 --> 00:47:47,009

where you live in is there's a lot of

884

00:47:51,030 --> 00:47:49,160

cloud cover am I getting that right

885

00:47:54,600 --> 00:47:51,040

you're absolutely

886

00:47:58,260 --> 00:47:54,610

yes it's generally gray clouds the north

887

00:47:59,760 --> 00:47:58,270

of England is especially being on one

888

00:48:02,310 --> 00:47:59,770

particular side of the Pennine this

889

00:48:05,100 --> 00:48:02,320

means that the weather pattern where we

890

00:48:07,020 --> 00:48:05,110

are is is you know gives a it basically

891

00:48:09,180 --> 00:48:07,030

doesn't give any any clear skies very

892

00:48:11,100 --> 00:48:09,190

often other recently it's been it's been

893

00:48:12,930 --> 00:48:11,110

a lot better but yeah generally we my

894

00:48:15,780 --> 00:48:12,940

memory of growing up is a lot of rain

895

00:48:17,880 --> 00:48:15,790

walking to school so yeah now how far

896

00:48:20,970 --> 00:48:17,890

just because I don't know where this is

897

00:48:22,020 --> 00:48:20,980

where it's Warminster from you how far

898

00:48:24,030 --> 00:48:22,030

away is that

899

00:48:27,990 --> 00:48:24,040

I couldn't say exactly how many miles

900

00:48:29,520 --> 00:48:28,000

but it's probably around 200 oh okay so

901  
00:48:32,430 --> 00:48:29,530  
it's not really that far away and that

902  
00:48:35,630 --> 00:48:32,440  
that was a as far as I know it's still

903  
00:48:37,560 --> 00:48:35,640  
an ongoing hot spot or has been

904  
00:48:39,110 --> 00:48:37,570  
apparently so I've got to be honest

905  
00:48:42,990 --> 00:48:39,120  
Martin it's not something I'm

906  
00:48:44,850 --> 00:48:43,000  
particularly familiar with so it's not

907  
00:48:46,950 --> 00:48:44,860  
something I could really comment on with

908  
00:48:50,250 --> 00:48:46,960  
any with any authority but but so I

909  
00:48:52,440 --> 00:48:50,260  
believe the distinctive the things going

910  
00:48:55,770 --> 00:48:52,450  
on down there but I'm not familiar with

911  
00:48:57,540 --> 00:48:55,780  
the case well now going back to Timothy

912  
00:49:02,670 --> 00:48:57,550  
good he was um he was on the show

913  
00:49:04,470 --> 00:49:02,680

briefly he I got to meet him I don't

914

00:49:07,340 --> 00:49:04,480

know two years ago down in North

915

00:49:14,100 --> 00:49:07,350

Carolina real nice guy smart he's a

916

00:49:16,920 --> 00:49:14,110

concert violinist but you know he he

917

00:49:19,610 --> 00:49:16,930

comes under a lot of controversy these

918

00:49:24,930 --> 00:49:19,620

days some of the books he's written and

919

00:49:27,090 --> 00:49:24,940

very popular and very another one who a

920

00:49:29,910 --> 00:49:27,100

lot of people follow and listen to

921

00:49:31,710 --> 00:49:29,920

everything he says but he's gotten in a

922

00:49:33,540 --> 00:49:31,720

little bit of controversy nothing that

923

00:49:37,230 --> 00:49:33,550

he's done deliberately just some of the

924

00:49:39,680 --> 00:49:37,240

topics he's spoken on and I don't know

925

00:49:42,060 --> 00:49:39,690

where I'm going with this exactly but I

926

00:49:42,930 --> 00:49:42,070

really enjoyed meeting him seem like a

927

00:49:45,060 --> 00:49:42,940

real nice guy

928

00:49:49,200 --> 00:49:45,070

have you actually sat and talked with

929

00:49:52,350 --> 00:49:49,210

him yeah I've met him a few times in

930

00:49:54,180 --> 00:49:52,360

fact the last time he was at a UFO

931

00:49:57,120 --> 00:49:54,190

conference in Yorkshire about two years

932

00:49:58,530 --> 00:49:57,130

ago and we met the evening before we had

933

00:50:02,490 --> 00:49:58,540

dinner and quite a lengthy conversation

934

00:50:04,560 --> 00:50:02,500

so it's funny you should say that though

935

00:50:06,510 --> 00:50:04,570

I mean first of all can I just say I

936

00:50:10,710 --> 00:50:06,520

the next you know huge amount of time

937

00:50:14,250 --> 00:50:10,720

for Tim as she say particularly lovely

938

00:50:17,700 --> 00:50:14,260

man a very gentle man and Anna gentlemen

939

00:50:20,670 --> 00:50:17,710

in the old sense of the word but um yes

940

00:50:24,150 --> 00:50:20,680

in terms of his more recent work in his

941

00:50:26,670 --> 00:50:24,160

more recent books I mean I have to say

942

00:50:28,650 --> 00:50:26,680

he has gone a bit more controversial now

943

00:50:30,240 --> 00:50:28,660

I did say this to him on on the night we

944

00:50:32,850 --> 00:50:30,250

met as for the last time we saw each

945

00:50:36,840 --> 00:50:32,860

other I did say that you know it did

946

00:50:39,180 --> 00:50:36,850

seem he was becoming more more out there

947

00:50:42,750 --> 00:50:39,190

more out on a limb with his views or the

948

00:50:44,790 --> 00:50:42,760

cases he was looking at and it's funny

949

00:50:46,710 --> 00:50:44,800

you know his reaction he had this this

950

00:50:50,640 --> 00:50:46,720

kind of wry smile about him and he and

951  
00:50:52,170 --> 00:50:50,650  
he he basically said I can't members

952  
00:50:53,460 --> 00:50:52,180  
exact words but he was making the point

953  
00:50:57,210 --> 00:50:53,470  
that well you know this is a

954  
00:50:59,010 --> 00:50:57,220  
controversial subject and it seems to me

955  
00:51:01,830 --> 00:50:59,020  
that I think the longer you're in it the

956  
00:51:04,080 --> 00:51:01,840  
longer you involved in it this is a it's

957  
00:51:07,290 --> 00:51:04,090  
a risk I think for some people and maybe

958  
00:51:10,410 --> 00:51:07,300  
a danger you know I like I said I've got

959  
00:51:12,930 --> 00:51:10,420  
a huge amount of time for Tim I'm not

960  
00:51:15,180 --> 00:51:12,940  
quite so sure where he's going with some

961  
00:51:16,710 --> 00:51:15,190  
of the material and he's in his latest

962  
00:51:19,380 --> 00:51:16,720  
books I mean for me you know above top

963  
00:51:21,600 --> 00:51:19,390

secret we all know a massive best best

964

00:51:24,450 --> 00:51:21,610

seller in it a massive a hugely

965

00:51:25,980 --> 00:51:24,460

important piece of work for for the

966

00:51:26,580 --> 00:51:25,990

topic of UFOs and for a lot of people

967

00:51:28,950 --> 00:51:26,590

around the world

968

00:51:31,320 --> 00:51:28,960

I think Tim probably introduced a lot of

969

00:51:34,200 --> 00:51:31,330

people to the subject back in back in

970

00:51:35,850 --> 00:51:34,210

the late 80s but yeah where is going in

971

00:51:38,940 --> 00:51:35,860

the last in the last couple years I'm

972

00:51:43,050 --> 00:51:38,950

I'm just interested to see where it goes

973

00:51:45,260 --> 00:51:43,060

really yeah right yeah that book that

974

00:51:48,090 --> 00:51:45,270

you just mentioned above top secret that

975

00:51:50,280 --> 00:51:48,100

I've always heard a lot of good about I

976

00:51:53,900 --> 00:51:50,290

don't have the book myself but I've

977

00:51:58,260 --> 00:51:53,910

heard and it's a very good book and but

978

00:52:01,020 --> 00:51:58,270

so getting back we have you for the

979

00:52:03,570 --> 00:52:01,030

whole next hour too and but I wanted to

980

00:52:05,580 --> 00:52:03,580

just talk about what was the genesis of

981

00:52:07,610 --> 00:52:05,590

this documentary that you recently put

982

00:52:10,260 --> 00:52:07,620

together and the name of it

983

00:52:14,670 --> 00:52:10,270

yeah the film's called cosmic whistle

984

00:52:18,769 --> 00:52:14,680

blows and it all began when Jesse Marcel

985

00:52:21,390 --> 00:52:18,779

jr. came to the UK

986

00:52:26,039 --> 00:52:21,400

crikey it was around four or five years

987

00:52:27,930 --> 00:52:26,049

ago now maybe 2007 2008 it could be it

988

00:52:31,470 --> 00:52:27,940

could be no be later than that she may

989

00:52:34,170 --> 00:52:31,480

be 2009 I'm not sure the year but that's

990

00:52:37,799 --> 00:52:34,180

where I first met with Don Schmidt who

991

00:52:38,940 --> 00:52:37,809

was also on the trip and I think he was

992

00:52:40,890 --> 00:52:38,950

promoting his last book at the time

993

00:52:44,519 --> 00:52:40,900

which would have been witness to Roswell

994

00:52:47,400 --> 00:52:44,529

and we began a conversation there and

995

00:52:49,440 --> 00:52:47,410

that's where the idea began Don told me

996

00:52:52,349 --> 00:52:49,450

I think even back then that he was still

997

00:52:53,670 --> 00:52:52,359

getting new witnesses to the case and he

998

00:52:56,730 --> 00:52:53,680

was getting new witnesses all of the

999

00:52:59,250 --> 00:52:56,740

time so it all but it all began there

1000

00:53:01,289 --> 00:52:59,260

really we reestablished contacts maybe a

1001  
00:53:03,809 --> 00:53:01,299  
year or two later and that's where

1002  
00:53:05,460 --> 00:53:03,819  
discussions began about maybe looking at

1003  
00:53:09,089 --> 00:53:05,470  
doing something and getting getting some

1004  
00:53:11,990 --> 00:53:09,099  
entities on camera mm-hmm and so you did

1005  
00:53:14,250 --> 00:53:12,000  
a lot of traveling for its it is the

1006  
00:53:17,940 --> 00:53:14,260  
first of all as a movie and the can is

1007  
00:53:19,890 --> 00:53:17,950  
it done yes I am pleased to say more

1008  
00:53:22,170 --> 00:53:19,900  
than two years later cosmic

1009  
00:53:25,710 --> 00:53:22,180  
whistleblowers got wrapped in the sort

1010  
00:53:30,960 --> 00:53:25,720  
of this year we finished shooting in

1011  
00:53:34,170 --> 00:53:30,970  
Mexico City and in Washington DC and we

1012  
00:53:35,549 --> 00:53:34,180  
we successfully were chosen for the rain

1013  
00:53:38,640 --> 00:53:35,559

that's Film Festival this year in London

1014

00:53:40,289 --> 00:53:38,650

and the film actually had this it's a

1015

00:53:43,109 --> 00:53:40,299

world premiere in the West End in London

1016

00:53:45,049 --> 00:53:43,119

in the interview Piccadilly cinema and a

1017

00:53:48,690 --> 00:53:45,059

200 seater

1018

00:53:50,309 --> 00:53:48,700

cinema in September and audience seemed

1019

00:53:53,250 --> 00:53:50,319

to genuinely love the film which

1020

00:53:54,769 --> 00:53:53,260

obviously is every filmmakers filmmakers

1021

00:53:57,150 --> 00:53:54,779

dream really that's all you can hope for

1022

00:54:00,690 --> 00:53:57,160

that it's well received because it was a

1023

00:54:02,519 --> 00:54:00,700

it was a huge task to make this happen

1024

00:54:05,370 --> 00:54:02,529

I've got to be honest with you Martin

1025

00:54:08,819 --> 00:54:05,380

I'm sure a lot of people have no idea

1026  
00:54:11,940 --> 00:54:08,829  
what's involved in something like this I

1027  
00:54:15,150 --> 00:54:11,950  
know everything starts with an idea

1028  
00:54:18,359 --> 00:54:15,160  
that's what they say first and from

1029  
00:54:21,420 --> 00:54:18,369  
there you know there's the storyboarding

1030  
00:54:26,579 --> 00:54:21,430  
there's well more or less a screenplay

1031  
00:54:30,870 --> 00:54:26,589  
even though it's a documentary so a lot

1032  
00:54:32,400 --> 00:54:30,880  
of times something like this is a is not

1033  
00:54:34,440 --> 00:54:32,410  
really a moneymaker

1034  
00:54:37,680 --> 00:54:34,450  
you know people say a lot of times you

1035  
00:54:39,630 --> 00:54:37,690  
know that UFO documentaries do not make

1036  
00:54:42,329 --> 00:54:39,640  
any money or most documentaries do not

1037  
00:54:43,829 --> 00:54:42,339  
make any money but yet you have to have

1038  
00:54:47,370 --> 00:54:43,839

a passion for it is that is that

1039

00:54:50,400 --> 00:54:47,380

basically what what got you going and

1040

00:54:51,390 --> 00:54:50,410

kept you going absolutely correct and I

1041

00:54:54,390 --> 00:54:51,400

couldn't have put it better myself

1042

00:54:56,849 --> 00:54:54,400

really it it it has to be something that

1043

00:54:58,740 --> 00:54:56,859

in fact I could put it put it this way a

1044

00:55:01,620 --> 00:54:58,750

friend of mine recently you know that's

1045

00:55:04,559 --> 00:55:01,630

from the same kind of question you know

1046

00:55:05,999 --> 00:55:04,569

why did you make the film and the answer

1047

00:55:07,980 --> 00:55:06,009

came to me wasn't really a film that I

1048

00:55:11,940 --> 00:55:07,990

wanted to make but it was more a film I

1049

00:55:14,279 --> 00:55:11,950

had to make at the time Don said he had

1050

00:55:20,249 --> 00:55:14,289

new witnesses which was the hook to the

1051

00:55:21,839 --> 00:55:20,259

entire idea it was I think it was maybe

1052

00:55:23,690 --> 00:55:21,849

Nick Pope and a couple of other people I

1053

00:55:25,920 --> 00:55:23,700

was reading even a couple years ago this

1054

00:55:29,400 --> 00:55:25,930

they were putting this idea over the

1055

00:55:30,509 --> 00:55:29,410

Roswell case was dead and why were

1056

00:55:33,920 --> 00:55:30,519

people bothering with it

1057

00:55:36,390 --> 00:55:33,930

for me I I had the other idea that maybe

1058

00:55:39,150 --> 00:55:36,400

you know there were some witnesses that

1059

00:55:42,420 --> 00:55:39,160

were still alive which of course there

1060

00:55:43,559 --> 00:55:42,430

are but very few of them then they

1061

00:55:45,569 --> 00:55:43,569

seemed to me that we should probably

1062

00:55:49,620 --> 00:55:45,579

speak to them at least one more time and

1063

00:55:53,640 --> 00:55:49,630

put them on the record and and go from

1064

00:55:55,829 --> 00:55:53,650

there and did you did you actually speak

1065

00:55:58,559 --> 00:55:55,839

with with some of these witnesses oh

1066

00:56:01,170 --> 00:55:58,569

absolutely yeah I mean we met with some

1067

00:56:03,569 --> 00:56:01,180

of them in Roswell itself couple of them

1068

00:56:05,240 --> 00:56:03,579

have been on camera before people you

1069

00:56:10,109 --> 00:56:05,250

know names you'll know like Frank Iero

1070

00:56:12,509 --> 00:56:10,119

for example and and after awesome show

1071

00:56:14,700 --> 00:56:12,519

catches now lives out in in Mobile

1072

00:56:16,799 --> 00:56:14,710

Alabama he was part of the five on that

1073

00:56:18,630 --> 00:56:16,809

wing command group and actually on the

1074

00:56:21,740 --> 00:56:18,640

plane that flew the wreckage out of

1075

00:56:24,809 --> 00:56:21,750

Roswell in 47 so I actually met with

1076

00:56:27,749 --> 00:56:24,819

with him as well but we also had a

1077

00:56:30,480 --> 00:56:27,759

couple of new secondhand witnesses shall

1078

00:56:33,390 --> 00:56:30,490

we call them so people who were given

1079

00:56:35,180 --> 00:56:33,400

testimony from first-time witnesses but

1080

00:56:38,370 --> 00:56:35,190

but accounts which we'd not heard before

1081

00:56:41,309 --> 00:56:38,380

and angles that we not heard before as

1082

00:56:42,749 --> 00:56:41,319

well so we did have some new witnesses I

1083

00:56:43,220 --> 00:56:42,759

wouldn't like well they weren't direct

1084

00:56:45,800 --> 00:56:43,230

witnesses

1085

00:56:48,010 --> 00:56:45,810

I wouldn't say that but certainly direct

1086

00:56:53,120 --> 00:56:48,020

connections to the case family members

1087

00:56:53,359 --> 00:56:53,130

sons son in laws etc that were given you

1088

00:56:55,790 --> 00:56:53,369

know

1089

00:56:57,920 --> 00:56:55,800

testimony from the people who were there

1090

00:57:00,440 --> 00:56:57,930

on the actual day so you know we had a

1091

00:57:03,770 --> 00:57:00,450

real nice mix of our first first

1092

00:57:07,160 --> 00:57:03,780

witnesses and some new new names that

1093

00:57:08,690 --> 00:57:07,170

that were connected to the case but that

1094

00:57:10,430 --> 00:57:08,700

I mean I've got to say I'm sure we'll

1095

00:57:12,800 --> 00:57:10,440

cover it as time comes on Martine if

1096

00:57:15,170 --> 00:57:12,810

you've got more questions but that was

1097

00:57:17,570 --> 00:57:15,180

kind of just the beginning of the film

1098

00:57:20,780 --> 00:57:17,580

really what what began as a fairly

1099

00:57:23,000 --> 00:57:20,790

modest notion of just getting some of

1100

00:57:24,590 --> 00:57:23,010

these interviews on camera because

1101

00:57:26,540 --> 00:57:24,600

things in documentary the thing with

1102

00:57:28,430 --> 00:57:26,550

documentary Martin is ISM as I'm sure

1103

00:57:30,200 --> 00:57:28,440

you may know that things don't always go

1104

00:57:31,520 --> 00:57:30,210

to plan it's not like shooting a feature

1105

00:57:34,640 --> 00:57:31,530

you don't quite know what's going to

1106

00:57:36,560 --> 00:57:34,650

happen and on the first day that we

1107

00:57:38,300 --> 00:57:36,570

landed in Albuquerque my first interview

1108

00:57:42,280 --> 00:57:38,310

actually pulled out at the very last

1109

00:57:44,599 --> 00:57:42,290

minute gave us a massive problem I

1110

00:57:47,150 --> 00:57:44,609

wasn't quite sure what to do so we

1111

00:57:50,660 --> 00:57:47,160

started rolling the cameras without

1112

00:57:52,670 --> 00:57:50,670

having an interview to do and it kind of

1113

00:57:56,120 --> 00:57:52,680

set a precedent for how the film would

1114

00:57:58,099 --> 00:57:56,130

would would take shape and yeah that's

1115

00:58:01,000 --> 00:57:58,109

what that's where it all started huh so

1116

00:58:04,310 --> 00:58:01,010

by accident you you started a precedent

1117

00:58:06,250 --> 00:58:04,320

yeah because we we didn't really we

1118

00:58:08,770 --> 00:58:06,260

didn't know what was around the corner

1119

00:58:12,770 --> 00:58:08,780

the next day when we landed in Roswell

1120

00:58:14,330 --> 00:58:12,780

we had more people kind of potentially

1121

00:58:16,490 --> 00:58:14,340

pulling out with some difficulties with

1122

00:58:20,480 --> 00:58:16,500

some of the witnesses that dönitz set up

1123

00:58:22,790 --> 00:58:20,490

or tried to set up for us so things you

1124

00:58:24,740 --> 00:58:22,800

know didn't always go as we hoped they

1125

00:58:29,780 --> 00:58:24,750

would and and it started happening

1126

00:58:31,040 --> 00:58:29,790

pretty early on in the process so so

1127

00:58:32,990 --> 00:58:31,050

yeah but you know that's documentary

1128

00:58:36,470 --> 00:58:33,000

that's documentary filmmaking that's

1129

00:58:38,750 --> 00:58:36,480

that's the business you know it's it's

1130

00:58:40,280 --> 00:58:38,760

our job or my job just to film things as

1131

00:58:41,090 --> 00:58:40,290

they unfold and you know you can't

1132

00:58:46,370 --> 00:58:41,100

always predict what's going to happen

1133

00:58:49,430 --> 00:58:46,380

right now okay so the living witnesses

1134

00:58:53,680 --> 00:58:49,440

they're all like in their 90s are pretty

1135

00:58:56,150 --> 00:58:53,690

close to their 90s at this point

1136

00:58:56,930 --> 00:58:56,160

did you whit did you actually interview

1137

00:59:00,079 --> 00:58:56,940

anyone

1138

00:59:04,130 --> 00:59:00,089

that was a direct witness or was it were

1139

00:59:06,349 --> 00:59:04,140

they all the second hand witness no I

1140

00:59:09,079 --> 00:59:06,359

would say direct I mean it depends on

1141

00:59:11,569 --> 00:59:09,089

how you how you grade these people I

1142

00:59:14,720 --> 00:59:11,579

suppose if grades the right word Frank

1143

00:59:17,390 --> 00:59:14,730

lero we've all heard half of course her

1144

00:59:19,880 --> 00:59:17,400

dad was damned why the first fireman on

1145

00:59:21,410 --> 00:59:19,890

scene at the crash site if if this is to

1146

00:59:22,940 --> 00:59:21,420

be believed I know there's some

1147

00:59:24,500 --> 00:59:22,950

controversy and some question marks

1148

00:59:26,660 --> 00:59:24,510

still of a certain aspects of this story

1149

00:59:29,329 --> 00:59:26,670

and I'd like to just say Martin for the

1150

00:59:31,730 --> 00:59:29,339

listeners out there and anyone that I've

1151  
00:59:34,010 --> 00:59:31,740  
never put myself forward as a UFO expert

1152  
00:59:37,220 --> 00:59:34,020  
I just wanted to make that distinction

1153  
00:59:40,180 --> 00:59:37,230  
I'm someone with an interest a passion

1154  
00:59:42,890 --> 00:59:40,190  
obsession but if you want to call it

1155  
00:59:44,900 --> 00:59:42,900  
with the notion that this project was

1156  
00:59:47,359 --> 00:59:44,910  
worth doing but I've never put myself as

1157  
00:59:49,550 --> 00:59:47,369  
forward as a roswell expert so just bear

1158  
00:59:51,559 --> 00:59:49,560  
with me fine I'm not entirely up to

1159  
00:59:53,690 --> 00:59:51,569  
speed on some of the the facts but in

1160  
00:59:57,559 --> 00:59:53,700  
terms of my film and my witnesses Frank

1161  
01:00:00,559 --> 00:59:57,569  
Iero daughter of Dan Dwyer first fireman

1162  
01:00:06,290 --> 01:00:00,569  
on scene according to well certainly Don

1163  
01:00:08,569 --> 01:00:06,300

Schmitt and Tom Carrie and she held some

1164

01:00:13,130 --> 01:00:08,579

of the fragments of the UFO in her in

1165

01:00:15,890 --> 01:00:13,140

her own hands that's her story she was

1166

01:00:17,690 --> 01:00:15,900

in the fire station on the day around

1167

01:00:19,190 --> 01:00:17,700

the day that happened because she she'd

1168

01:00:20,690 --> 01:00:19,200

got an abscess on a tooth she'd been to

1169

01:00:23,329 --> 01:00:20,700

the dentist and she was waiting for ad

1170

01:00:25,339 --> 01:00:23,339

out in the fire station and the way she

1171

01:00:28,670 --> 01:00:25,349

describes the story and I'm sure people

1172

01:00:30,500 --> 01:00:28,680

have heard this before but the fireman

1173

01:00:32,750 --> 01:00:30,510

her dad and a couple of the crew came

1174

01:00:34,609 --> 01:00:32,760

back had some of this material you know

1175

01:00:39,410 --> 01:00:34,619

she basically describes what what we now

1176  
01:00:41,059 --> 01:00:39,420  
would think of as memory metal and so

1177  
01:00:44,750 --> 01:00:41,069  
yeah I guess she's kind of a first-hand

1178  
01:00:47,630 --> 01:00:44,760  
witness I suppose and the the story that

1179  
01:00:49,849 --> 01:00:47,640  
her dad puts to her was that not only

1180  
01:00:51,829 --> 01:00:49,859  
there were pieces on the ground but I

1181  
01:00:56,930 --> 01:00:51,839  
mean she does go into the aspect of

1182  
01:00:59,599 --> 01:00:56,940  
seeing seeing bodies which you know I've

1183  
01:01:01,700 --> 01:00:59,609  
got to say that's where I start to get

1184  
01:01:04,790 --> 01:01:01,710  
more challenged with with with what

1185  
01:01:06,500 --> 01:01:04,800  
happened but that's her story yeah yeah

1186  
01:01:07,520 --> 01:01:06,510  
we'll talk a little bit about that in

1187  
01:01:09,920 --> 01:01:07,530  
the second hour we're going to take a

1188  
01:01:10,830 --> 01:01:09,930

break here because I there's something

1189

01:01:13,620 --> 01:01:10,840

that's always puzzled

1190

01:01:16,080 --> 01:01:13,630

about Roswell and I'd like to discuss it

1191

01:01:18,030 --> 01:01:16,090

with you so hang in there ruin we're

1192

01:01:19,920 --> 01:01:18,040

going to have a quick music break and

1193

01:01:21,240 --> 01:01:19,930

Simon won't you say goodbye to the

1194

01:01:22,070 --> 01:01:21,250

people that only listen to the first

1195

01:01:25,280 --> 01:01:22,080

hour

1196

01:01:27,840 --> 01:01:25,290

okay well it's nice to be with you and

1197

01:01:29,640 --> 01:01:27,850

hopefully I've had something of interest

1198

01:01:31,680 --> 01:01:29,650

to share with you guys thanks for

1199

01:01:53,010 --> 01:01:31,690

sticking around yep okay so hang in

1200

01:01:58,790 --> 01:01:53,020

everyone all right by the way the music

1201

01:02:02,190 --> 01:01:58,800

on the show is by whoops hold on that is

1202

01:02:04,410 --> 01:02:02,200

that happened before and it's an iTunes

1203

01:02:06,690 --> 01:02:04,420

thing sorry about that music on this

1204

01:02:11,040 --> 01:02:06,700

show is provided by Carrie Lloyd

1205

01:02:13,080 --> 01:02:11,050

Whitehouse a fan over in Ireland and one

1206

01:02:17,010 --> 01:02:13,090

of the things that that's always puzzled

1207

01:02:18,270 --> 01:02:17,020

me on this this Roswell thing and I know

1208

01:02:21,350 --> 01:02:18,280

you're saying you're not a Roswell

1209

01:02:25,500 --> 01:02:21,360

expert but is the two crash sites

1210

01:02:27,210 --> 01:02:25,510

there's always the second crash site is

1211

01:02:30,060 --> 01:02:27,220

where they're saying the body were and

1212

01:02:32,160 --> 01:02:30,070

all that and there was a some type of

1213

01:02:36,480 --> 01:02:32,170

vehicle the size of a Volkswagen bug

1214

01:02:41,160 --> 01:02:36,490

I've just heard these descriptions why

1215

01:02:43,680 --> 01:02:41,170

were they so far apart Stan Freedman

1216

01:02:46,370 --> 01:02:43,690

thinks it was a collision other people

1217

01:02:51,080 --> 01:02:46,380

say no it wasn't a collision it was a

1218

01:02:53,730 --> 01:02:51,090

ejection of a pod you know that crashed

1219

01:02:55,590 --> 01:02:53,740

separately and you know all that stuff I

1220

01:02:58,440 --> 01:02:55,600

mean I don't think anyone's going to

1221

01:03:03,150 --> 01:02:58,450

know the answer but did you did you

1222

01:03:05,760 --> 01:03:03,160

explore any of these topics not in any

1223

01:03:08,340 --> 01:03:05,770

great detail I mean we were there mainly

1224

01:03:09,770 --> 01:03:08,350

for the witnesses that was the focus of

1225

01:03:14,400 --> 01:03:09,780

the film and the focus of my attention

1226

01:03:17,640 --> 01:03:14,410

we were there at the crash site which

1227

01:03:19,650 --> 01:03:17,650

was I guess what you call the first

1228

01:03:21,450 --> 01:03:19,660

crash site not not I'm not sure if it

1229

01:03:23,230 --> 01:03:21,460

was the second one the resting place Don

1230

01:03:25,300 --> 01:03:23,240

and the team did split up

1231

01:03:27,609 --> 01:03:25,310

whilst we were there and did actually

1232

01:03:29,109 --> 01:03:27,619

look at both sites but we were mainly I

1233

01:03:31,990 --> 01:03:29,119

think it's like 1 which is where the

1234

01:03:34,990 --> 01:03:32,000

impact occurred I could be wrong

1235

01:03:38,620 --> 01:03:35,000

Don may may tell me it's the opposite

1236

01:03:40,720 --> 01:03:38,630

but essentially from what I gather Don

1237

01:03:43,090 --> 01:03:40,730

and Tom telling me their point of view

1238

01:03:46,540 --> 01:03:43,100

was it was about this speed that this

1239

01:03:48,760 --> 01:03:46,550

thing was potentially traveling and and

1240

01:03:50,170 --> 01:03:48,770

that's how this thing you know went over

1241

01:03:51,880 --> 01:03:50,180

large distances but I've got to say

1242

01:03:54,670 --> 01:03:51,890

that's not something I'm I'm sure about

1243

01:03:57,730 --> 01:03:54,680

yeah ok anyone listening live you can

1244

01:04:00,490 --> 01:03:57,740

jump over to our chat room at podcast

1245

01:04:03,670 --> 01:04:00,500

UFO comm we're on the line right now

1246

01:04:05,530 --> 01:04:03,680

with Simon Charmian from the UK and you

1247

01:04:08,260 --> 01:04:05,540

can also call in if you'd like that's a

1248

01:04:12,250 --> 01:04:08,270

good dialing overseas it's one six oh

1249

01:04:17,350 --> 01:04:12,260

three nine six seven four o3o if you're

1250

01:04:22,620 --> 01:04:17,360

skyping just marty willis ma RT y wi ll

1251

01:04:27,550 --> 01:04:22,630

i guess sometimes I forget my name so

1252

01:04:30,099 --> 01:04:27,560

excuse me so after you you'd interviewed

1253

01:04:32,020 --> 01:04:30,109

these well let me ask you this when

1254

01:04:36,310 --> 01:04:32,030

you're interviewing these people was

1255

01:04:39,270 --> 01:04:36,320

there any new information yeah there

1256

01:04:41,590 --> 01:04:39,280

were a couple of bits of information I

1257

01:04:45,250 --> 01:04:41,600

think the main one or one of the main

1258

01:04:47,530 --> 01:04:45,260

ones was that Frankie Road had basically

1259

01:04:51,250 --> 01:04:47,540

told or spoken with Don in the past

1260

01:04:52,420 --> 01:04:51,260

about having her phone tapped and it

1261

01:04:56,470 --> 01:04:52,430

says this is something she's never

1262

01:04:59,290 --> 01:04:56,480

spoken about before as a few years ago

1263

01:05:00,730 --> 01:04:59,300

now but I'm in the film you know the

1264

01:05:03,010 --> 01:05:00,740

interview she gives in the film explains

1265

01:05:05,020 --> 01:05:03,020

the story a lot better detail than I can

1266

01:05:06,910 --> 01:05:05,030

hear although I just finished editing

1267

01:05:08,349 --> 01:05:06,920

the film put it out though it's a funny

1268

01:05:10,090 --> 01:05:08,359

thing for making sometimes once you've

1269

01:05:11,710 --> 01:05:10,100

done it wrapped it up you're left with a

1270

01:05:14,800 --> 01:05:11,720

massive space in your head I certainly I

1271

01:05:19,060 --> 01:05:14,810

am it's in terms of some of the details

1272

01:05:22,120 --> 01:05:19,070

but in a nutshell she describes how when

1273

01:05:25,120 --> 01:05:22,130

she was having a phone service putting

1274

01:05:27,730 --> 01:05:25,130

in our house the the engineer that came

1275

01:05:29,500 --> 01:05:27,740

to do it found this kind of box on the

1276

01:05:31,660 --> 01:05:29,510

line and basically went in and said look

1277

01:05:33,880 --> 01:05:31,670

you've you've got something here that's

1278

01:05:35,560 --> 01:05:33,890

you know shouldn't be here and it looks

1279

01:05:36,550 --> 01:05:35,570

like it's monitoring everything that

1280

01:05:40,690 --> 01:05:36,560

goes in and comes out

1281

01:05:44,110 --> 01:05:40,700

of your phone line and she apparently

1282

01:05:47,320 --> 01:05:44,120

handed this item over to Don for

1283

01:05:49,450 --> 01:05:47,330

investigation this is what she told me

1284

01:05:52,540 --> 01:05:49,460

and what Don told me I don't know what

1285

01:05:53,860 --> 01:05:52,550

happened to that item that's the only

1286

01:05:56,110 --> 01:05:53,870

thing I'm not sure so in terms of

1287

01:05:59,770 --> 01:05:56,120

evidence I I didn't physically have that

1288

01:06:00,970 --> 01:05:59,780

in my hands but but so yeah that was a

1289

01:06:04,450 --> 01:06:00,980

new piece of information and presuming

1290

01:06:08,320 --> 01:06:04,460

it's true then I mean that's kind of a

1291

01:06:10,180 --> 01:06:08,330

strange fact certainly for for someone

1292

01:06:11,710 --> 01:06:10,190

who apparently you know is making up

1293

01:06:13,420 --> 01:06:11,720

this story etc which is obviously what

1294

01:06:17,050 --> 01:06:13,430

what what people tried to say that she

1295

01:06:19,450 --> 01:06:17,060

just fabricated it yeah I was I was

1296

01:06:23,650 --> 01:06:19,460

looking to see if I could find online

1297

01:06:29,200 --> 01:06:23,660

real quickly the history of phone

1298

01:06:31,450 --> 01:06:29,210

tapping it doesn't appear well okay yeah

1299

01:06:34,180 --> 01:06:31,460

starting starting all the way back in

1300

01:06:36,400 --> 01:06:34,190

1928 it looks like yeah I guess I guess

1301

01:06:38,410 --> 01:06:36,410

it's been around awhile I'm sorry I

1302

01:06:40,630 --> 01:06:38,420

probably didn't describe that too well

1303

01:06:42,310 --> 01:06:40,640

but she was actually referring to much

1304

01:06:43,690 --> 01:06:42,320

later than the forties when this

1305

01:06:48,040 --> 01:06:43,700

happened is when she was in a particular

1306

01:06:51,240 --> 01:06:48,050

house yeah so this this I think this

1307

01:06:53,230 --> 01:06:51,250

happened maybe as late as the early 90s

1308

01:06:54,640 --> 01:06:53,240

somewhere on now I'm not quite sure of

1309

01:06:56,560 --> 01:06:54,650

the day she said now in fact I'm not

1310

01:06:57,700 --> 01:06:56,570

sure she gave me the day but I said I

1311

01:06:59,740 --> 01:06:57,710

was certainly under the impression it

1312

01:07:04,030 --> 01:06:59,750

was much later you know the one thing

1313

01:07:07,720 --> 01:07:04,040

that that puzzles me a lot about the

1314

01:07:12,310 --> 01:07:07,730

whole Roswell thing is why everyone was

1315

01:07:14,170 --> 01:07:12,320

so quiet for 30 years until you know the

1316

01:07:16,840 --> 01:07:14,180

whole thing started to break loose again

1317

01:07:18,400 --> 01:07:16,850

about the about it happening you know I

1318

01:07:20,200 --> 01:07:18,410

would think that more people would have

1319

01:07:27,090 --> 01:07:20,210

been talking about it but it seems to me

1320

01:07:32,320 --> 01:07:27,100

that it was very quiet it's a good point

1321

01:07:35,370 --> 01:07:32,330

I'm not entirely sure how how correct

1322

01:07:38,170 --> 01:07:35,380

that point of view may be insofar as

1323

01:07:39,820 --> 01:07:38,180

let's say these people weren't speaking

1324

01:07:42,400 --> 01:07:39,830

a great deal about so even if they were

1325

01:07:44,050 --> 01:07:42,410

chatting about it amongst themselves in

1326

01:07:47,170 --> 01:07:44,060

all fairness Martin how would you or I

1327

01:07:50,240 --> 01:07:47,180

know that they were or weren't back as

1328

01:07:53,180 --> 01:07:50,250

far as you know even the fifties

1329

01:07:55,160 --> 01:07:53,190

all the 70s how would you even know I

1330

01:07:56,870 --> 01:07:55,170

mean it seems to me that it's only the

1331

01:07:58,910 --> 01:07:56,880

last few years where obviously now we've

1332

01:08:02,750 --> 01:07:58,920

got you know complete and total coverage

1333

01:08:06,290 --> 01:08:02,760

of news as we have it but up till a few

1334

01:08:08,510 --> 01:08:06,300

years ago I think I mean what would the

1335

01:08:09,860 --> 01:08:08,520

press we're ignoring things anyway so

1336

01:08:12,590 --> 01:08:09,870

I'm not I'm not entirely sure that

1337

01:08:14,510 --> 01:08:12,600

that's that that view stands up for me I

1338

01:08:16,910 --> 01:08:14,520

think it's quite possible that they were

1339

01:08:20,030 --> 01:08:16,920

talking about it but nobody was asking

1340

01:08:22,280 --> 01:08:20,040

them or nobody was interested yeah you

1341

01:08:25,460 --> 01:08:22,290

make a very good point

1342

01:08:28,400 --> 01:08:25,470

I never really thought of it in that way

1343

01:08:30,230 --> 01:08:28,410

or you know maybe no one was interested

1344

01:08:32,690 --> 01:08:30,240

if someone did want to come forward you

1345

01:08:36,320 --> 01:08:32,700

know I mean there's that one story about

1346

01:08:40,220 --> 01:08:36,330

the husband and wife in a grocery store

1347

01:08:42,410 --> 01:08:40,230

and he's reading the National Enquirer

1348

01:08:45,590 --> 01:08:42,420

when the story broke unfortunately had

1349

01:08:49,490 --> 01:08:45,600

to break in that Roswell broke in that

1350

01:08:51,890 --> 01:08:49,500

and and the widow of this man you know

1351  
01:08:53,450 --> 01:08:51,900  
says well that he told me everything you

1352  
01:08:55,550 --> 01:08:53,460  
know after he saw the story he said well

1353  
01:08:59,300 --> 01:08:55,560  
if everyone's talking about it here's my

1354  
01:09:02,749 --> 01:08:59,310  
point and I think he was involved also

1355  
01:09:07,999 --> 01:09:02,759  
in the aircraft that transported the

1356  
01:09:10,130 --> 01:09:08,009  
debris yeah I'm not sure who that would

1357  
01:09:12,019 --> 01:09:10,140  
have been but I mean who's that

1358  
01:09:13,579 --> 01:09:12,029  
researcher now his name escapes me but

1359  
01:09:15,740 --> 01:09:13,589  
there's one chap who did a lot of

1360  
01:09:18,079 --> 01:09:15,750  
research on on making that connection

1361  
01:09:20,030 --> 01:09:18,089  
between you know the CIA and the

1362  
01:09:23,210 --> 01:09:20,040  
security services and the National

1363  
01:09:26,150 --> 01:09:23,220

Enquirer itself he makes a very good

1364

01:09:28,820 --> 01:09:26,160

argument very strong argument yes how

1365

01:09:30,170 --> 01:09:28,830

that you know actually you know real

1366

01:09:32,480 --> 01:09:30,180

stories to actually put out through the

1367

01:09:35,090 --> 01:09:32,490

inquiry you know just to to help you

1368

01:09:37,160 --> 01:09:35,100

know help keep the observation going

1369

01:09:41,180 --> 01:09:37,170

yeah there was a connection between the

1370

01:09:43,280 --> 01:09:41,190

CIA CIA former CIA agent actually bought

1371

01:09:46,490 --> 01:09:43,290

the enquire if I read that's right yeah

1372

01:09:47,450 --> 01:09:46,500

yeah but you know I don't know I look I

1373

01:09:49,160 --> 01:09:47,460

mean I don't really sound like I'm

1374

01:09:50,630 --> 01:09:49,170

grasping at straws but my point is just

1375

01:09:53,300 --> 01:09:50,640

because it's in the inquiry does it make

1376

01:09:56,120 --> 01:09:53,310

it does it make it a completely invalid

1377

01:09:58,100 --> 01:09:56,130

story well again I'm not sure it does

1378

01:10:01,250 --> 01:09:58,110

yes of course it brings it into question

1379

01:10:03,470 --> 01:10:01,260

in a much more in a harsher light but I

1380

01:10:03,899 --> 01:10:03,480

don't necessarily think it means that

1381

01:10:06,839 --> 01:10:03,909

the

1382

01:10:08,879 --> 01:10:06,849

you just have to disregard it hang on

1383

01:10:11,189 --> 01:10:08,889

just one second were in the chat room

1384

01:10:15,359 --> 01:10:11,199

they're saying we're having sound glitch

1385

01:10:17,520 --> 01:10:15,369

I just want to see if it's back which

1386

01:10:20,729 --> 01:10:17,530

which can happen occasionally on this

1387

01:10:24,779 --> 01:10:20,739

show okay it's back and we're good all

1388

01:10:27,089 --> 01:10:24,789

right well that is interesting that you

1389

01:10:28,529 --> 01:10:27,099

were I didn't know you know I looked I

1390

01:10:32,879 --> 01:10:28,539

watched the trailer but I wasn't aware

1391

01:10:37,350 --> 01:10:32,889

that it was actually Roswell witnesses

1392

01:10:39,659 --> 01:10:37,360

and I think someone on the skeptical

1393

01:10:41,040 --> 01:10:39,669

side said something like oh yeah there

1394

01:10:42,689 --> 01:10:41,050

was all of a sudden there was a bunch of

1395

01:10:44,939 --> 01:10:42,699

witness as soon as the story came out

1396

01:10:47,390 --> 01:10:44,949

like they were fabricating stories and I

1397

01:10:49,949 --> 01:10:47,400

don't think that's the case I mean to me

1398

01:10:54,569 --> 01:10:49,959

it doesn't make a lot of sense why

1399

01:10:56,640 --> 01:10:54,579

people would do that no I mean if I can

1400

01:10:58,439 --> 01:10:56,650

just say I mean from my point of view as

1401

01:11:00,750 --> 01:10:58,449

I said to in the beginning Martin I'm

1402

01:11:03,299 --> 01:11:00,760

not I'm not never claimed to be UFO

1403

01:11:04,979 --> 01:11:03,309

expert the people in the field who do

1404

01:11:07,049 --> 01:11:04,989

this research this they make it their

1405

01:11:08,909 --> 01:11:07,059

job and their full-time business to do

1406

01:11:12,179 --> 01:11:08,919

it and it's certainly not been my life's

1407

01:11:12,540 --> 01:11:12,189

work to do it what has been my life's

1408

01:11:16,439 --> 01:11:12,550

work

1409

01:11:19,500 --> 01:11:16,449

or twenty years or so is interviewing

1410

01:11:21,479 --> 01:11:19,510

people on camera those people have

1411

01:11:23,219 --> 01:11:21,489

ranged from you know the most simple

1412

01:11:26,250 --> 01:11:23,229

straightforward of people working people

1413

01:11:28,589 --> 01:11:26,260

through to pop stars movie stars you

1414

01:11:30,929 --> 01:11:28,599

know I've even filmed an ex Prime

1415

01:11:33,299 --> 01:11:30,939

Minister of the UK in number ten so I've

1416

01:11:34,770 --> 01:11:33,309

got quite a range of experience of

1417

01:11:38,040 --> 01:11:34,780

putting people on camera and spending a

1418

01:11:41,189 --> 01:11:38,050

lot of time with them and I will say

1419

01:11:47,149 --> 01:11:41,199

this I didn't find any of the witnesses

1420

01:11:52,409 --> 01:11:50,129

in their way towards me I didn't think

1421

01:11:54,239 --> 01:11:52,419

that any of them were fabricating or

1422

01:11:57,419 --> 01:11:54,249

exaggerating anything the one thing I

1423

01:12:00,449 --> 01:11:57,429

did find was that if I was trying to be

1424

01:12:01,799 --> 01:12:00,459

very critical about it was that I mean

1425

01:12:06,330 --> 01:12:01,809

that she said these people were all in

1426

01:12:08,129 --> 01:12:06,340

their late 80s another chap Ken who was

1427

01:12:10,459 --> 01:12:08,139

a new witness second witness is in the

1428

01:12:14,790 --> 01:12:10,469

film actually the ex brother-in-law of

1429

01:12:16,030 --> 01:12:14,800

Frankie ro actually he was actually

1430

01:12:19,510 --> 01:12:16,040

married to

1431

01:12:20,710 --> 01:12:19,520

sister in the past when it came to

1432

01:12:22,510 --> 01:12:20,720

comparing their stories because

1433

01:12:24,580 --> 01:12:22,520

essentially they were giving the same

1434

01:12:27,100 --> 01:12:24,590

story but from different points of view

1435

01:12:28,170 --> 01:12:27,110

as he'd spoken to Frankie's dad before

1436

01:12:31,750 --> 01:12:28,180

he died

1437

01:12:33,820 --> 01:12:31,760

back in the day there were some very

1438

01:12:35,920 --> 01:12:33,830

slight discrepancies on how they would

1439

01:12:36,970 --> 01:12:35,930

describe details now you're probably

1440

01:12:39,490 --> 01:12:36,980

going to follow up and ask me what

1441

01:12:41,100 --> 01:12:39,500

livings and put her exactly I'm sorry to

1442

01:12:43,390 --> 01:12:41,110

say without going through the the old

1443

01:12:45,610 --> 01:12:43,400

footage I couldn't say exactly how it

1444

01:12:48,970 --> 01:12:45,620

came over but I do recall thinking

1445

01:12:53,520 --> 01:12:48,980

that's not quite how Frankie told me or

1446

01:12:56,830 --> 01:12:53,530

vice versa however what I couldn't deny

1447

01:13:00,610 --> 01:12:56,840

and this was both for both Frankie and

1448

01:13:03,690 --> 01:13:00,620

Ken was their their absolute integrity

1449

01:13:06,070 --> 01:13:03,700

in terms of how they put the story over

1450

01:13:10,240 --> 01:13:06,080

how it you know how they came about the

1451  
01:13:14,380 --> 01:13:10,250  
information at what they believed and in

1452  
01:13:17,950 --> 01:13:14,390  
my mind they absolutely 100% believed

1453  
01:13:19,630 --> 01:13:17,960  
what they told me to be the case there

1454  
01:13:21,280 --> 01:13:19,640  
and you know for what it's worth I mean

1455  
01:13:23,950 --> 01:13:21,290  
I don't know what's that's working in

1456  
01:13:26,560 --> 01:13:23,960  
real terms but from my point of view

1457  
01:13:28,900 --> 01:13:26,570  
that that added a great deal of weight

1458  
01:13:31,830 --> 01:13:28,910  
to the whole argument I I totally

1459  
01:13:34,750 --> 01:13:31,840  
understand and respect that because um I

1460  
01:13:37,810 --> 01:13:34,760  
have you know in the interviewing that

1461  
01:13:41,350 --> 01:13:37,820  
I've done face to face you really do get

1462  
01:13:46,090 --> 01:13:41,360  
a real feeling whether there's some BS

1463  
01:13:49,510 --> 01:13:46,100

coming over and and I actually did

1464

01:13:53,080 --> 01:13:49,520

interview someone I probably won't say

1465

01:13:57,250 --> 01:13:53,090

who it is but my BS meter was on full

1466

01:14:01,360 --> 01:13:57,260

blast but for the most part people like

1467

01:14:03,160 --> 01:14:01,370

Travis Walton the two fellows that I

1468

01:14:06,640 --> 01:14:03,170

interviewed about the allagash case I

1469

01:14:09,250 --> 01:14:06,650

felt like there was strong sincerity

1470

01:14:13,060 --> 01:14:09,260

then what they're what they're saying I

1471

01:14:15,220 --> 01:14:13,070

didn't have any feeling at all like some

1472

01:14:16,320 --> 01:14:15,230

of it could be fabricated in any type of

1473

01:14:18,430 --> 01:14:16,330

way

1474

01:14:20,770 --> 01:14:18,440

yeah and it's it's a powerful thing

1475

01:14:24,220 --> 01:14:20,780

isn't it I think when you're in the

1476

01:14:28,210 --> 01:14:24,230

presence of that kind of very clear

1477

01:14:29,130 --> 01:14:28,220

intention seeming integrity and you know

1478

01:14:30,810 --> 01:14:29,140

when people

1479

01:14:33,600 --> 01:14:30,820

we've got nothing to gain so be a bit of

1480

01:14:34,800 --> 01:14:33,610

a cliché now that in the UFO subject but

1481

01:14:36,990 --> 01:14:34,810

you know these people do I have anything

1482

01:14:38,970 --> 01:14:37,000

to gain they really don't you know

1483

01:14:40,500 --> 01:14:38,980

Frankie well she has to she's like you

1484

01:14:42,090 --> 01:14:40,510

say she's not young she has to drive all

1485

01:14:44,100 --> 01:14:42,100

the way down I don't know she lived a

1486

01:14:46,650 --> 01:14:44,110

little bit out of where we did the

1487

01:14:48,330 --> 01:14:46,660

interviews same for Ken he actually

1488

01:14:51,300 --> 01:14:48,340

lived way out of Roswell he had to drive

1489

01:14:52,860 --> 01:14:51,310

quite away and you know wait around for

1490

01:14:54,570 --> 01:14:52,870

us to set up and film and you know he

1491

01:14:57,570 --> 01:14:54,580

wasn't getting paid and there's you know

1492

01:14:59,340 --> 01:14:57,580

there's no gain for them to do this it's

1493

01:15:01,290 --> 01:14:59,350

it's it's hard to think that they're

1494

01:15:03,060 --> 01:15:01,300

making this stuff up another sceptics

1495

01:15:04,650 --> 01:15:03,070

always you know fall back to so well

1496

01:15:07,260 --> 01:15:04,660

that's that's not proof of anything and

1497

01:15:09,780 --> 01:15:07,270

I agree with that when you've got many

1498

01:15:11,400 --> 01:15:09,790

people pointing towards the same story

1499

01:15:13,710 --> 01:15:11,410

you don't have a reason to make it up

1500

01:15:16,140 --> 01:15:13,720

and who who individually don't know each

1501

01:15:19,470 --> 01:15:16,150

other than I don't know you've got to

1502

01:15:21,960 --> 01:15:19,480

think I'd ask the question right there's

1503

01:15:25,200 --> 01:15:21,970

a message question up on the message

1504

01:15:33,560 --> 01:15:25,210

board after all of your research what is

1505

01:15:40,230 --> 01:15:38,430

you know 20-plus years I've been

1506

01:15:41,550 --> 01:15:40,240

interested in this and particularly

1507

01:15:46,740 --> 01:15:41,560

Roswell because that was obviously the

1508

01:15:49,290 --> 01:15:46,750

most famous case even back then I'm the

1509

01:15:51,690 --> 01:15:49,300

oldest answer is I'm obviously I'm still

1510

01:15:56,700 --> 01:15:51,700

not 100% certain of anything that's the

1511

01:16:00,540 --> 01:15:56,710

first thing to say if I was a betting

1512

01:16:04,250 --> 01:16:00,550

man which I'm generally not I would have

1513

01:16:06,840 --> 01:16:04,260

to say that the evidence looks like

1514

01:16:11,310 --> 01:16:06,850

something really extraordinary happened

1515

01:16:14,610 --> 01:16:11,320

I agree and you know a lot of times well

1516

01:16:18,270 --> 01:16:14,620

I mentioned earlier I have a skeptic

1517

01:16:22,910 --> 01:16:18,280

next week Michael Shermer on I'm really

1518

01:16:28,350 --> 01:16:22,920

actually looking forward to that he's

1519

01:16:30,810 --> 01:16:28,360

someone that really he really has his

1520

01:16:32,850 --> 01:16:30,820

opinions on UFOs really strong opinions

1521

01:16:37,260 --> 01:16:32,860

on UFOs so it should be an interesting

1522

01:16:40,200 --> 01:16:37,270

show but one of the things you hear you

1523

01:16:42,510 --> 01:16:40,210

know people like him say is the reason

1524

01:16:47,390 --> 01:16:42,520

they kept it secret you know was the

1525

01:16:51,510 --> 01:16:47,400

project mogul and on and on and on and

1526

01:16:53,460 --> 01:16:51,520

you know again I don't think it was a

1527

01:16:55,500 --> 01:16:53,470

weather balloon I don't I think it was

1528

01:16:57,120 --> 01:16:55,510

too extraordinary for them to pay so

1529

01:17:00,780 --> 01:16:57,130

much attention to it

1530

01:17:03,660 --> 01:17:00,790

and there's also someone that I spoke

1531

01:17:05,310 --> 01:17:03,670

with that one of the things I have

1532

01:17:09,480 --> 01:17:05,320

always thought and have said a number of

1533

01:17:12,630 --> 01:17:09,490

times is how would the US Army Air Force

1534

01:17:15,660 --> 01:17:12,640

call something a crash disk or captured

1535

01:17:19,800 --> 01:17:15,670

a disc or captured a flying saucer why

1536

01:17:23,130 --> 01:17:19,810

would they put that in type of why would

1537

01:17:24,710 --> 01:17:23,140

they put that out to the press if if it

1538

01:17:28,740 --> 01:17:24,720

was something different

1539

01:17:30,960 --> 01:17:28,750

yeah I agree and as much as I think and

1540

01:17:32,460 --> 01:17:30,970

I do enjoy speaking to skeptics as I'm

1541

01:17:34,290 --> 01:17:32,470

not I'm not I mean I was actually

1542

01:17:36,150 --> 01:17:34,300

described as a self-confessed believing

1543

01:17:37,650 --> 01:17:36,160

a write-up about the film in London

1544

01:17:40,830 --> 01:17:37,660

which isn't quite true I've got to say

1545

01:17:42,360 --> 01:17:40,840

but taking that out even speak to

1546

01:17:44,300 --> 01:17:42,370

skeptics it's always a I think it's

1547

01:17:48,810 --> 01:17:44,310

always good for the mind anyway but

1548

01:17:50,310 --> 01:17:48,820

taking that on board I mean why yeah so

1549

01:17:52,950 --> 01:17:50,320

I've lost my thread there but I just

1550

01:17:54,270 --> 01:17:52,960

don't really there's no there's no

1551

01:17:55,890 --> 01:17:54,280

rationale in that is there really and

1552

01:17:58,200 --> 01:17:55,900

I'm not quite sure what the skeptics

1553

01:17:59,880 --> 01:17:58,210

would say to that either in fact I'm not

1554

01:18:02,130 --> 01:17:59,890

sure what they say to that point because

1555

01:18:03,630 --> 01:18:02,140

as you say they they put it out in in

1556

01:18:05,610 --> 01:18:03,640

type and it was there for everyone to

1557

01:18:07,560 --> 01:18:05,620

see which is why all this other cat got

1558

01:18:10,230 --> 01:18:07,570

out the bag in the first place well one

1559

01:18:12,110 --> 01:18:10,240

of them that I spoke with said that oh

1560

01:18:15,000 --> 01:18:12,120

the reason they did that was because

1561

01:18:16,560 --> 01:18:15,010

project mogul was a real secret real

1562

01:18:18,360 --> 01:18:16,570

secretive and they didn't want anyone to

1563

01:18:21,660 --> 01:18:18,370

know about that and everybody was

1564

01:18:24,300 --> 01:18:21,670

talking about flying saucers so they

1565

01:18:26,640 --> 01:18:24,310

focus the attention on that but why put

1566

01:18:28,560 --> 01:18:26,650

anything out you know if that's the case

1567

01:18:31,170 --> 01:18:28,570

they didn't have to put any type of

1568

01:18:33,090 --> 01:18:31,180

press release out at all you know she

1569

01:18:37,080 --> 01:18:33,100

wasn't enough people that knew about it

1570

01:18:39,440 --> 01:18:37,090

to warrant a press release so yeah yeah

1571

01:18:43,260 --> 01:18:39,450

you know that's my argument on that

1572

01:18:44,610 --> 01:18:43,270

against that side of it yeah it seems

1573

01:18:47,790 --> 01:18:44,620

fair enough alaih mean we can't really

1574

01:18:50,400 --> 01:18:47,800

imagine what it was like I think as you

1575

01:18:51,810 --> 01:18:50,410

know it's kind of as the world as it was

1576

01:18:54,240 --> 01:18:51,820

then as it is now you know you got

1577

01:18:55,959 --> 01:18:54,250

imagine you know 47 and and Roswell is

1578

01:18:58,180 --> 01:18:55,969

quiet I mean okay it's not

1579

01:18:59,950 --> 01:18:58,190

small city even now but when you think

1580

01:19:03,279 --> 01:18:59,960

back to where it is and certainly out

1581

01:19:05,620 --> 01:19:03,289

there you know even kind of the main

1582

01:19:07,479 --> 01:19:05,630

roads quite often work even main roads

1583

01:19:09,250 --> 01:19:07,489

out there were there you know so it was

1584

01:19:11,709 --> 01:19:09,260

really a different a different world in

1585

01:19:13,390 --> 01:19:11,719

some way so yeah I just don't get it so

1586

01:19:17,919 --> 01:19:13,400

you went out to the crash site now that

1587

01:19:20,020 --> 01:19:17,929

is about 50 60 miles or yeah something

1588

01:19:22,629 --> 01:19:20,030

like that outside of Roswell right yeah

1589

01:19:25,509 --> 01:19:22,639

it's quite a drive it's north north

1590

01:19:27,459 --> 01:19:25,519

north northwest I think or north

1591

01:19:28,600 --> 01:19:27,469

northeast one of the two but yeah it

1592

01:19:30,969 --> 01:19:28,610

took a little while to get out there

1593

01:19:33,729 --> 01:19:30,979

each day setting out at about 6 a.m. in

1594

01:19:36,279 --> 01:19:33,739

the morning you get there yeah it's a

1595

01:19:40,060 --> 01:19:36,289

good hour maybe a bit a bit longer than

1596

01:19:42,310 --> 01:19:40,070

that but yeah it's quite a drive I mean

1597

01:19:43,689 --> 01:19:42,320

I don't get too much away in about the

1598

01:19:44,950 --> 01:19:43,699

film although I probably need to give

1599

01:19:46,870 --> 01:19:44,960

more way than the trailer gives at the

1600

01:19:48,669 --> 01:19:46,880

most that kids literally nothing in fact

1601

01:19:52,899 --> 01:19:48,679

definitely my next job to cut a new

1602

01:19:55,660 --> 01:19:52,909

trailer but we did actually get lost in

1603

01:19:58,330 --> 01:19:55,670

the desert quite literally it's funny

1604

01:19:59,859 --> 01:19:58,340

Jaime misawa's was there by chance well

1605

01:20:01,000 --> 01:19:59,869

not by chance but he was at the same

1606

01:20:04,120 --> 01:20:01,010

time I didn't know he's going to be

1607

01:20:07,000 --> 01:20:04,130

there I'd not met him before then and on

1608

01:20:09,640 --> 01:20:07,010

the second day without got into too much

1609

01:20:12,009 --> 01:20:09,650

detail here we we basically got split

1610

01:20:14,169 --> 01:20:12,019

from the main group and we were lost for

1611

01:20:16,149 --> 01:20:14,179

over an hour

1612

01:20:18,370 --> 01:20:16,159

and when I say lost I mean I mean really

1613

01:20:19,180 --> 01:20:18,380

lost you know I've got quite a good

1614

01:20:21,669 --> 01:20:19,190

sense of direction

1615

01:20:24,700 --> 01:20:21,679

you know travelled quite a lot with work

1616

01:20:28,270 --> 01:20:24,710

and and whatnot but yeah we had no phone

1617

01:20:31,799 --> 01:20:28,280

signal and of course we're very smart

1618

01:20:34,089 --> 01:20:31,809

not to have hardcopy maps in the vehicle

1619

01:20:37,390 --> 01:20:34,099

and of course we didn't know exactly

1620

01:20:39,910 --> 01:20:37,400

where this location was super like my

1621

01:20:43,419 --> 01:20:39,920

it's big wide open skies there oh you

1622

01:20:45,779 --> 01:20:43,429

its horizon to horizon yeah it's those

1623

01:20:48,759 --> 01:20:45,789

roads to nowhere literally you know so

1624

01:20:49,899 --> 01:20:48,769

yeah it was it was a little area for a

1625

01:20:50,739 --> 01:20:49,909

few minutes but you know I mean we

1626

01:20:52,600 --> 01:20:50,749

weren't we weren't in any

1627

01:20:55,660 --> 01:20:52,610

life-threatening danger but we were we

1628

01:20:57,669 --> 01:20:55,670

were definitely properly lost and well

1629

01:20:59,560 --> 01:20:57,679

yeah people when you see the film you

1630

01:21:01,359 --> 01:20:59,570

see how it resolves it's kind of funny

1631

01:21:04,089 --> 01:21:01,369

looking back I'm not sure what's so

1632

01:21:06,160 --> 01:21:04,099

funny back then but it all it all ended

1633

01:21:07,629 --> 01:21:06,170

okay in the end you know another thing

1634

01:21:09,029 --> 01:21:07,639

that just occurred to me that I never

1635

01:21:12,569 --> 01:21:09,039

thought about

1636

01:21:15,479 --> 01:21:12,579

when it comes to Roswell is they never

1637

01:21:19,979 --> 01:21:15,489

they've scanned the area over and over

1638

01:21:22,799 --> 01:21:19,989

again where the crash site was and never

1639

01:21:27,180 --> 01:21:22,809

found anything in in my opinion if it

1640

01:21:29,129 --> 01:21:27,190

was just oil from a mogul balloon or

1641

01:21:31,919 --> 01:21:29,139

some type of weather balloon why would

1642

01:21:35,569 --> 01:21:31,929

they be so careful in picking up every

1643

01:21:38,750 --> 01:21:35,579

single little tiny scrap of it you know

1644

01:21:42,180 --> 01:21:38,760

which yeah no one ever finds anything

1645

01:21:45,600 --> 01:21:42,190

yeah that's right I mean we interviewed

1646

01:21:47,759 --> 01:21:45,610

for it's at the site itself almonds I'm

1647

01:21:48,930 --> 01:21:47,769

sure you know was the granddaughter of

1648

01:21:50,580 --> 01:21:48,940

Mac Brazel

1649

01:21:52,379 --> 01:21:50,590

bracelet I never know how to pronounce

1650

01:21:56,330 --> 01:21:52,389

his name I think it's brasil' isn't it

1651  
01:22:01,020 --> 01:21:56,340  
the rancher who yeah on the wreckage

1652  
01:22:02,729 --> 01:22:01,030  
yeah and and she describes how dad told

1653  
01:22:05,850 --> 01:22:02,739  
her that you know they were walking

1654  
01:22:08,479 --> 01:22:05,860  
shoulder-to-shoulder and he wasn't just

1655  
01:22:11,220 --> 01:22:08,489  
once it was twice they came out

1656  
01:22:13,049 --> 01:22:11,230  
literally scouring this whole area in

1657  
01:22:14,549 --> 01:22:13,059  
there I don't know how many people how

1658  
01:22:15,899 --> 01:22:14,559  
many men there were but you know she

1659  
01:22:18,899 --> 01:22:15,909  
makes this point they were literally

1660  
01:22:21,089 --> 01:22:18,909  
walking in lines and that's how her dad

1661  
01:22:24,750 --> 01:22:21,099  
described it to her back in the day yeah

1662  
01:22:26,759 --> 01:22:24,760  
that's uh that's really overkill if it

1663  
01:22:30,089 --> 01:22:26,769

was just something like something that

1664

01:22:33,089 --> 01:22:30,099

was replaceable yeah absolutely I mean

1665

01:22:35,729 --> 01:22:33,099

you know it just doesn't add up even the

1666

01:22:37,140 --> 01:22:35,739

skeptics have to accept the fact that it

1667

01:22:40,890 --> 01:22:37,150

just doesn't add up the amount of

1668

01:22:44,069 --> 01:22:40,900

interest and as well as the changing

1669

01:22:45,779 --> 01:22:44,079

story over the last you know set of 60

1670

01:22:47,220 --> 01:22:45,789

odd years how many times have change it

1671

01:22:49,290 --> 01:22:47,230

it just doesn't add up does it for

1672

01:22:50,970 --> 01:22:49,300

whether bloom water what one thing I am

1673

01:22:53,160 --> 01:22:50,980

certain I've actually not seen that from

1674

01:22:55,040 --> 01:22:53,170

all of this is that it wasn't a weather

1675

01:22:56,640 --> 01:22:55,050

balloon whatever happened in Roswell

1676

01:22:58,589 --> 01:22:56,650

wasn't a weather balloon

1677

01:23:03,180 --> 01:22:58,599

I would I would bet my right arm on that

1678

01:23:07,950 --> 01:23:03,190

hmm yeah and when it comes to the bodies

1679

01:23:09,839 --> 01:23:07,960

I thought the one thing about that that

1680

01:23:12,180 --> 01:23:09,849

I know you said that was a little bit of

1681

01:23:17,009 --> 01:23:12,190

a harder area for you but one of the

1682

01:23:19,490 --> 01:23:17,019

things I and I found really curious

1683

01:23:22,649 --> 01:23:19,500

about when they talk about the bodies is

1684

01:23:25,620 --> 01:23:22,659

that the Air Force in the 1990s the

1685

01:23:28,949 --> 01:23:25,630

97 or something like that when there was

1686

01:23:31,890 --> 01:23:28,959

that Roswell investigation came out and

1687

01:23:33,779 --> 01:23:31,900

said that those were crash dummies and

1688

01:23:37,319 --> 01:23:33,789

of course crash dummies had not been

1689

01:23:38,189 --> 01:23:37,329

even invented until I think was 1952 or

1690

01:23:40,109 --> 01:23:38,199

something like that

1691

01:23:42,449 --> 01:23:40,119

yeah that's one of the fifties yeah but

1692

01:23:45,060 --> 01:23:42,459

the thing that I find the most curious

1693

01:23:47,609 --> 01:23:45,070

about that whole statement is all they

1694

01:23:50,609 --> 01:23:47,619

had to say was there were no bodies

1695

01:23:53,129 --> 01:23:50,619

there were you know look this does not

1696

01:23:54,839 --> 01:23:53,139

make any sense but they didn't say that

1697

01:23:58,679 --> 01:23:54,849

instead they try to explain it away

1698

01:24:00,089 --> 01:23:58,689

which i think is another curiosity you

1699

01:24:01,739 --> 01:24:00,099

know they thought of it like that's a

1700

01:24:04,199 --> 01:24:01,749

that's a really good point why not just

1701

01:24:06,060 --> 01:24:04,209

flat-out say it wasn't the case if they

1702

01:24:08,489 --> 01:24:06,070

weren't there and yeah why why even go

1703

01:24:10,140 --> 01:24:08,499

down the road of saying well actually it

1704

01:24:12,659 --> 01:24:10,150

wasn't those kinds of bodies it was a

1705

01:24:14,429 --> 01:24:12,669

different kind of body yes it's a good

1706

01:24:16,489 --> 01:24:14,439

point I just think it's something else

1707

01:24:19,799 --> 01:24:16,499

that just adds fuel to the fire

1708

01:24:23,959 --> 01:24:19,809

for the possibility that it was

1709

01:24:27,629 --> 01:24:23,969

something okay so your film is called

1710

01:24:30,239 --> 01:24:27,639

cosmic is it d cosmic whistleblower no

1711

01:24:33,899 --> 01:24:30,249

cosmic whistle blows cosmic whistle

1712

01:24:36,509 --> 01:24:33,909

blowers and you're not exactly sure when

1713

01:24:38,969 --> 01:24:36,519

that's actually hitting the screen well

1714

01:24:42,689 --> 01:24:38,979

we're just negotiating negotiating

1715

01:24:44,250 --> 01:24:42,699

distribution as we speak which is a I'm

1716

01:24:47,909 --> 01:24:44,260

finding to be a lengthy and complicated

1717

01:24:49,949 --> 01:24:47,919

process but yeah I'm hoping it will be

1718

01:24:53,819 --> 01:24:49,959

certainly no later than early next year

1719

01:24:55,169 --> 01:24:53,829

for the you know maybe the US market I'm

1720

01:24:58,379 --> 01:24:55,179

not sure it would be any sooner than

1721

01:25:02,159 --> 01:24:58,389

that we are looking at television or

1722

01:25:03,629 --> 01:25:02,169

and/or video on demand but I've we've

1723

01:25:04,859 --> 01:25:03,639

yet to figure out how it how it breaks

1724

01:25:08,069 --> 01:25:04,869

down

1725

01:25:09,929 --> 01:25:08,079

for me I don't mind how that does happen

1726

01:25:11,069 --> 01:25:09,939

I just want as many people to see the

1727

01:25:12,479 --> 01:25:11,079

film as possible of course because

1728

01:25:16,469 --> 01:25:12,489

that's you know that's the whole point

1729

01:25:20,310 --> 01:25:16,479

why I do it but I'm not entirely sure

1730

01:25:22,500 --> 01:25:20,320

which route it's going to take as yet

1731

01:25:25,830 --> 01:25:22,510

although it it does look like television

1732

01:25:27,390 --> 01:25:25,840

could be a possibility although I've got

1733

01:25:30,359 --> 01:25:27,400

to be honest with you I didn't make this

1734

01:25:33,620 --> 01:25:30,369

film with television in mind I other

1735

01:25:36,000 --> 01:25:33,630

thought it would be a a purely an online

1736

01:25:37,550 --> 01:25:36,010

film or potentially

1737

01:25:40,200 --> 01:25:37,560

small theatrical lease and then online

1738

01:25:42,450 --> 01:25:40,210

because it is feature-length a it is

1739

01:25:45,300 --> 01:25:42,460

worth saying it's 75 minutes long so

1740

01:25:48,600 --> 01:25:45,310

this is not a it's not a made-for-tv

1741

01:25:51,060 --> 01:25:48,610

film I really have to say that and

1742

01:25:52,680 --> 01:25:51,070

because I filmed it over we haven't

1743

01:25:54,120 --> 01:25:52,690

really covered it yet and I know we'll

1744

01:25:57,360 --> 01:25:54,130

probably go into it in some detail but

1745

01:25:59,640 --> 01:25:57,370

because filming began back in 2013 and

1746

01:26:03,360 --> 01:25:59,650

it only finished earlier this year over

1747

01:26:06,020 --> 01:26:03,370

you know over a two-year period there is

1748

01:26:09,840 --> 01:26:06,030

a beginning middle and an end to this

1749

01:26:11,430 --> 01:26:09,850

this whole affair so you know when it

1750

01:26:13,440 --> 01:26:11,440

comes to television documentaries it's

1751

01:26:15,420 --> 01:26:13,450

not really doesn't really sit so easily

1752

01:26:17,670 --> 01:26:15,430

and there there's there's there's a bit

1753

01:26:19,950 --> 01:26:17,680

more to it that we've well we can we can

1754

01:26:21,660 --> 01:26:19,960

talk about it if you like well one of

1755

01:26:26,520 --> 01:26:21,670

the things up you were mentioning about

1756

01:26:29,280 --> 01:26:26,530

distribution I you know of course we

1757

01:26:32,580 --> 01:26:29,290

could talk about this off air but I know

1758

01:26:35,000 --> 01:26:32,590

Netflix is picking up a lot of this

1759

01:26:36,620 --> 01:26:35,010

topic and as a matter of fact they have

1760

01:26:39,720 --> 01:26:36,630

Stephen Greer's

1761

01:26:46,200 --> 01:26:39,730

serious on there which I highly do not

1762

01:26:48,150 --> 01:26:46,210

recommend yeah but anyway but they're

1763

01:26:50,340 --> 01:26:48,160

they're posting a lot of you know of

1764

01:26:54,300 --> 01:26:50,350

this topic on Netflix and that would be

1765

01:26:57,470 --> 01:26:54,310

an amazing venue ya know and I certainly

1766

01:26:59,760 --> 01:26:57,480

hope to be I hope for it to be

1767

01:27:02,670 --> 01:26:59,770

distributed on these channels Netflix

1768

01:27:05,130 --> 01:27:02,680

Amazon Prime or you know all of these

1769

01:27:06,750 --> 01:27:05,140

other major platforms possibly iTunes it

1770

01:27:09,270 --> 01:27:06,760

is all dependent upon the distribution

1771

01:27:11,160 --> 01:27:09,280

deal and there is a pecking order you

1772

01:27:12,810 --> 01:27:11,170

know so generally speaking iTunes want

1773

01:27:15,630 --> 01:27:12,820

first dibs if they don't get first dibs

1774

01:27:17,040 --> 01:27:15,640

then they don't want it at all etc so

1775

01:27:19,470 --> 01:27:17,050

you know you've got this whole this

1776

01:27:21,840 --> 01:27:19,480

whole thing to to map out and and of

1777

01:27:24,110 --> 01:27:21,850

course you know you want to get it right

1778

01:27:28,140 --> 01:27:24,120

it's my my first independent film

1779

01:27:29,940 --> 01:27:28,150

outside of broadcasting so it's you know

1780

01:27:33,150 --> 01:27:29,950

I just want to tread carefully for the

1781

01:27:34,710 --> 01:27:33,160

next week or two just to make sure we we

1782

01:27:35,940 --> 01:27:34,720

get the right deal and make sure that we

1783

01:27:37,770 --> 01:27:35,950

get the film out there because what I

1784

01:27:39,720 --> 01:27:37,780

don't want to happen is that you know

1785

01:27:43,260 --> 01:27:39,730

the film doesn't goes as far as it can

1786

01:27:45,200 --> 01:27:43,270

because I believe it's well I don't I

1787

01:27:48,600 --> 01:27:45,210

don't think there's a film out there

1788

01:27:52,410 --> 01:27:48,610

like this that's been done before in

1789

01:27:55,740 --> 01:27:52,420

terms of the level of how can I put this

1790

01:28:00,240 --> 01:27:55,750

access that we had or I had to the

1791

01:28:02,700 --> 01:28:00,250

investigators you know by was partly by

1792

01:28:04,470 --> 01:28:02,710

chance it was a real opportunity to

1793

01:28:06,720 --> 01:28:04,480

actually put the spotlight a little bit

1794

01:28:09,450 --> 01:28:06,730

on the investigators themselves and I'm

1795

01:28:10,950 --> 01:28:09,460

not entirely sure that there's been

1796

01:28:12,480 --> 01:28:10,960

another film that's done that until this

1797

01:28:13,560 --> 01:28:12,490

point if the house I'd be very

1798

01:28:15,240 --> 01:28:13,570

interested to hear what it is and

1799

01:28:17,640 --> 01:28:15,250

certainly like to see if any of your

1800

01:28:19,440 --> 01:28:17,650

listeners knew of any but generally you

1801

01:28:22,070 --> 01:28:19,450

know UFO Doc's are all about the

1802

01:28:25,290 --> 01:28:22,080

evidence and the UFOs and the stories

1803

01:28:28,980 --> 01:28:25,300

well whistleblowers turns into something

1804

01:28:30,180 --> 01:28:28,990

a little different and I've lost my

1805

01:28:32,670 --> 01:28:30,190

thread now Marty I don't even know if

1806

01:28:36,150 --> 01:28:32,680

you asked me a question but but yeah I I

1807

01:28:37,050 --> 01:28:36,160

just think this new direction is

1808

01:28:39,450 --> 01:28:37,060

something that maybe

1809

01:28:42,240 --> 01:28:39,460

oh yeah far myself that's right I think

1810

01:28:44,430 --> 01:28:42,250

maybe it's time to do things a bit

1811

01:28:46,020 --> 01:28:44,440

differently and and this is what

1812

01:28:48,780 --> 01:28:46,030

something I've learned from the film er

1813

01:28:50,340 --> 01:28:48,790

I think I think you have you followed

1814

01:28:51,900 --> 01:28:50,350

you need maybe a bit of a kick up the

1815

01:28:56,730 --> 01:28:51,910

backside if I'm honest that's that's how

1816

01:28:59,760 --> 01:28:56,740

I feel actually gonna be on a show next

1817

01:29:05,610 --> 01:28:59,770

week where the guy is sort of a UFO

1818

01:29:08,250 --> 01:29:05,620

skeptic and he invited me on and saying

1819

01:29:11,450 --> 01:29:08,260

that I've heard him say is the the swamp

1820

01:29:15,840 --> 01:29:11,460

needs to be drained in the UFO field

1821

01:29:18,720 --> 01:29:15,850

yeah yeah it's it's funny I mean I I put

1822

01:29:20,130 --> 01:29:18,730

this trailer out online it's more of a

1823

01:29:21,720 --> 01:29:20,140

teaser really I don't know if any of

1824

01:29:24,360 --> 01:29:21,730

your listeners of you managed to see it

1825

01:29:27,420 --> 01:29:24,370

yet but it it basically gives really

1826

01:29:30,290 --> 01:29:27,430

gives very little or nothing away and

1827

01:29:34,140 --> 01:29:30,300

within minutes of it going out I was

1828

01:29:37,260 --> 01:29:34,150

heavily criticized as being a this is

1829

01:29:40,020 --> 01:29:37,270

going to be another Pro UFO Roswell

1830

01:29:43,200 --> 01:29:40,030

Dream Team production etc etcetera it

1831

01:29:44,970 --> 01:29:43,210

should be on the Sci Fi Channel and you

1832

01:29:46,020 --> 01:29:44,980

know I I made a couple of statements so

1833

01:29:48,750 --> 01:29:46,030

then I thought I'm just gonna withdraw

1834

01:29:52,230 --> 01:29:48,760

really because it's not something I need

1835

01:29:53,330 --> 01:29:52,240

to do but I will say this my film is not

1836

01:29:59,370 --> 01:29:53,340

a pro

1837

01:30:03,200 --> 01:29:59,380

UFO Pro UFO investigator movie but

1838

01:30:06,959 --> 01:30:03,210

having said that equally it's not a

1839

01:30:09,120 --> 01:30:06,969

debunking movie and the types of which

1840

01:30:10,470 --> 01:30:09,130

we've seen you know certainly in the

1841

01:30:12,899 --> 01:30:10,480

British press so don't if you get it so

1842

01:30:16,169 --> 01:30:12,909

much in the US but over here the last

1843

01:30:18,660 --> 01:30:16,179

few years there's been a there's been a

1844

01:30:20,879 --> 01:30:18,670

bit of a trend for you know these

1845

01:30:22,320 --> 01:30:20,889

quietly dissing documentaries so you

1846

01:30:24,180 --> 01:30:22,330

know this kind of Louie through style

1847

01:30:25,859 --> 01:30:24,190

where you've got someone who's in your

1848

01:30:27,030 --> 01:30:25,869

wake and it's pretending to be a friend

1849

01:30:28,590 --> 01:30:27,040

but actually all he's doing is taking

1850

01:30:30,780 --> 01:30:28,600

the make the whole time and I find this

1851  
01:30:31,770 --> 01:30:30,790  
kind of this kind of filmmaking a bit

1852  
01:30:35,479 --> 01:30:31,780  
sickening to be honest it's not

1853  
01:30:37,950 --> 01:30:35,489  
something I I want any part of however I

1854  
01:30:39,930 --> 01:30:37,960  
think my point is that there's a balance

1855  
01:30:41,879 --> 01:30:39,940  
there's a line to walk with you far

1856  
01:30:43,470 --> 01:30:41,889  
journeys it's not easy to walk it I've

1857  
01:30:45,330 --> 01:30:43,480  
got to say Martin the Edit was very

1858  
01:30:47,370 --> 01:30:45,340  
difficult we were putting some very

1859  
01:30:48,899 --> 01:30:47,380  
challenging challenging positions with

1860  
01:30:50,430 --> 01:30:48,909  
the film and the narrative of what was

1861  
01:30:53,790 --> 01:30:50,440  
going on with the so-called Roswell

1862  
01:30:56,189 --> 01:30:53,800  
slides etc oh we just just address that

1863  
01:30:59,870 --> 01:30:56,199

a little bit yeah so you were filming

1864

01:31:07,129 --> 01:30:59,880

this in the middle of the Roswell slides

1865

01:31:10,649 --> 01:31:07,139

do I dare say debacle or yeah so yeah so

1866

01:31:16,109 --> 01:31:10,659

you had to do some some creative editing

1867

01:31:18,209 --> 01:31:16,119

as well only insofar as this this story

1868

01:31:20,570 --> 01:31:18,219

was unfolding as in fact it began

1869

01:31:22,770 --> 01:31:20,580

unfolding before I went to Roswell in

1870

01:31:24,780 --> 01:31:22,780

2013 I'd heard of the slides I've been

1871

01:31:26,609 --> 01:31:24,790

I've actually been anonymously tipped

1872

01:31:28,050 --> 01:31:26,619

off by someone who was interested in my

1873

01:31:29,640 --> 01:31:28,060

what I was doing with the film and he'd

1874

01:31:33,090 --> 01:31:29,650

asked me if I knew about the slides at

1875

01:31:34,439 --> 01:31:33,100

the time I didn't and I asked I asked

1876

01:31:37,800 --> 01:31:34,449

Don before I went out there and he was

1877

01:31:39,689 --> 01:31:37,810

very prickly about it he wasn't he

1878

01:31:44,189 --> 01:31:39,699

wanted to know who told me and how it

1879

01:31:46,830 --> 01:31:44,199

found out anyway the long and short of

1880

01:31:49,379 --> 01:31:46,840

it was when I landed out in Roswell it

1881

01:31:51,689 --> 01:31:49,389

was Hyrum our son who who actually told

1882

01:31:54,149 --> 01:31:51,699

me without me even asking him at the

1883

01:31:57,120 --> 01:31:54,159

crash site on the first second day I was

1884

01:32:00,270 --> 01:31:57,130

there about the slides in in greater

1885

01:32:04,410 --> 01:32:00,280

detail so this story was already brewing

1886

01:32:05,939 --> 01:32:04,420

backing back in in 2013 so I just

1887

01:32:06,470 --> 01:32:05,949

happened to be you know in the right

1888

01:32:09,640 --> 01:32:06,480

place

1889

01:32:14,390 --> 01:32:09,650

time whichever way you want to call it

1890

01:32:16,340 --> 01:32:14,400

and so off the back of that I always

1891

01:32:17,870 --> 01:32:16,350

I've been having discussions have done

1892

01:32:18,940 --> 01:32:17,880

to say that look whatever's going on

1893

01:32:21,860 --> 01:32:18,950

with these slides whatever they are

1894

01:32:24,320 --> 01:32:21,870

obviously I need to try and cover what

1895

01:32:26,330 --> 01:32:24,330

you're doing in the film and that was

1896

01:32:28,880 --> 01:32:26,340

actually part larger the reason why this

1897

01:32:30,950 --> 01:32:28,890

film took so long to make because I knew

1898

01:32:32,540 --> 01:32:30,960

this is going to be a you know obviously

1899

01:32:34,700 --> 01:32:32,550

a controversial part the Roswell story

1900

01:32:35,930 --> 01:32:34,710

no doubt about that I mean I never never

1901

01:32:36,979 --> 01:32:35,940

for one second believed that there were

1902

01:32:38,630 --> 01:32:36,989

going to be pictures of a dead alien

1903

01:32:41,210 --> 01:32:38,640

flying around the planet I mean let me

1904

01:32:42,470 --> 01:32:41,220

just be clear of that one but you know

1905

01:32:44,510 --> 01:32:42,480

it's going to be an important part of

1906

01:32:47,780 --> 01:32:44,520

the story so I had to hold off to make

1907

01:32:49,580 --> 01:32:47,790

sure we included that and that's why it

1908

01:32:51,590 --> 01:32:49,590

took so long because as obviously as you

1909

01:32:56,630 --> 01:32:51,600

know that didn't resolve itself until

1910

01:32:59,510 --> 01:32:56,640

until May this year yes and I'm sure you

1911

01:33:02,090 --> 01:32:59,520

know it's funny I'm gonna get a lot of

1912

01:33:03,500 --> 01:33:02,100

trouble for saying this but I promised

1913

01:33:06,800 --> 01:33:03,510

my listening audience I wouldn't keep

1914

01:33:11,090 --> 01:33:06,810

talking about that that's my fault I'm

1915

01:33:13,490 --> 01:33:11,100

sorry I blame it on you but one of the

1916

01:33:17,240 --> 01:33:13,500

things I just wondered has anyone been

1917

01:33:21,680 --> 01:33:17,250

paying attention to any updates on

1918

01:33:24,920 --> 01:33:21,690

people's stands as far as I know dawn

1919

01:33:29,660 --> 01:33:24,930

was kind of drifting back toward that it

1920

01:33:31,100 --> 01:33:29,670

was a possibility of an alien I don't

1921

01:33:33,920 --> 01:33:31,110

know where he stands at this point I

1922

01:33:37,580 --> 01:33:33,930

haven't spoken to dawn in quite a while

1923

01:33:39,350 --> 01:33:37,590

I know Jaime is standing strong or has

1924

01:33:41,410 --> 01:33:39,360

been and I'm just wondering is that

1925

01:33:45,050 --> 01:33:41,420

still status quo as far as you know as

1926

01:33:48,110 --> 01:33:45,060

far as I know yes I'm not spoken to

1927

01:33:51,410 --> 01:33:48,120

either of them for the last probably two

1928

01:33:56,540 --> 01:33:51,420

months I did have some Skype interviews

1929

01:33:59,050 --> 01:33:56,550

with them for a part of the film which

1930

01:34:01,370 --> 01:33:59,060

yeah was probably about two months ago

1931

01:34:04,100 --> 01:34:01,380

yeah I mean that that kind of feeds into

1932

01:34:06,440 --> 01:34:04,110

I think where they were both at then I'm

1933

01:34:09,880 --> 01:34:06,450

not entirely sure where where Don is on

1934

01:34:13,400 --> 01:34:09,890

the holes slide situation myself now

1935

01:34:15,410 --> 01:34:13,410

the only thing I do know and I'll just

1936

01:34:16,880 --> 01:34:15,420

say this if you're all around this part

1937

01:34:19,040 --> 01:34:16,890

up but I will just say this for the

1938

01:34:20,720 --> 01:34:19,050

listeners by the way it does become a

1939

01:34:21,859 --> 01:34:20,730

large part of the film and a part of the

1940

01:34:25,160 --> 01:34:21,869

film that I think people will be very

1941

01:34:26,589 --> 01:34:25,170

interested to see you know I was there

1942

01:34:29,870 --> 01:34:26,599

in Mexico City

1943

01:34:32,419 --> 01:34:29,880

filming the the situation not only front

1944

01:34:36,530 --> 01:34:32,429

stage but backstage so I was there with

1945

01:34:39,830 --> 01:34:36,540

Jaime with Don with Tom both before and

1946

01:34:42,020 --> 01:34:39,840

after the whole episode getting their

1947

01:34:44,120 --> 01:34:42,030

thoughts and and seeing things and

1948

01:34:45,560 --> 01:34:44,130

folders they unfolded and I've got to

1949

01:34:48,859 --> 01:34:45,570

say Martin it was an absolutely

1950

01:34:50,990 --> 01:34:48,869

fascinating few days for me to be there

1951

01:34:52,490 --> 01:34:51,000

and I think you know from the film's

1952

01:34:54,919 --> 01:34:52,500

point of view I think people will be

1953

01:34:57,950 --> 01:34:54,929

very interested to see just how all that

1954

01:34:59,600 --> 01:34:57,960

how all that came about of course after

1955

01:35:02,600 --> 01:34:59,610

that then you've got the work of the

1956

01:35:04,970 --> 01:35:02,610

Roswell slides research group you know I

1957

01:35:07,399 --> 01:35:04,980

interviewed for the film shortly after

1958

01:35:09,109 --> 01:35:07,409

as it was unfolding actually within you

1959

01:35:13,580 --> 01:35:09,119

know on skype within within the days of

1960

01:35:17,030 --> 01:35:13,590

it all falling apart so you know the

1961

01:35:19,729 --> 01:35:17,040

film does cover it does cover this

1962

01:35:22,669 --> 01:35:19,739

aspect this this whole situation in in

1963

01:35:25,700 --> 01:35:22,679

some detail and you know I'm sure I've

1964

01:35:28,280 --> 01:35:25,710

not made I'm probably not making any

1965

01:35:30,589 --> 01:35:28,290

friends with with with part of it in

1966

01:35:34,100 --> 01:35:30,599

some way but but I will say this I I

1967

01:35:35,839 --> 01:35:34,110

treated everybody as fairly as I could

1968

01:35:39,919 --> 01:35:35,849

do the whole way through and I I mean

1969

01:35:41,990 --> 01:35:39,929

that in terms of the right to reply the

1970

01:35:43,430 --> 01:35:42,000

you know the editing that we did and

1971

01:35:46,189 --> 01:35:43,440

just my own point of view essentially I

1972

01:35:48,799 --> 01:35:46,199

just let people you know provide their

1973

01:35:50,930 --> 01:35:48,809

own take on the whole situation and and

1974

01:35:53,390 --> 01:35:50,940

I let people decide for themselves what

1975

01:35:57,069 --> 01:35:53,400

they want to decide but I've got to say

1976

01:35:59,870 --> 01:35:57,079

it was a it was a tricky editorial task

1977

01:36:01,549 --> 01:35:59,880

which you know which was challenging for

1978

01:36:04,010 --> 01:36:01,559

a while but I I hope I got it right and

1979

01:36:05,959 --> 01:36:04,020

I think I did but like I say that the

1980

01:36:07,669 --> 01:36:05,969

cards fall where they fall and and

1981

01:36:10,030 --> 01:36:07,679

people decide which side of the fence

1982

01:36:13,069 --> 01:36:10,040

they sit on you know after the whole

1983

01:36:16,129 --> 01:36:13,079

after the whole thing imploded well fair

1984

01:36:17,990 --> 01:36:16,139

enough on that we had a more of a

1985

01:36:20,629 --> 01:36:18,000

statement upon the message board saying

1986

01:36:22,280 --> 01:36:20,639

is that all they know is that you've

1987

01:36:24,439 --> 01:36:22,290

interviewed witnesses they don't know

1988

01:36:31,159 --> 01:36:24,449

any more than that is there more you can

1989

01:36:36,259 --> 01:36:33,270

sorry about in terms of what the films

1990

01:36:39,359 --> 01:36:36,269

about I'm sorry about the documentary

1991

01:36:40,799 --> 01:36:39,369

all the person saying all's we know is

1992

01:36:43,919 --> 01:36:40,809

that you're interviewing people we don't

1993

01:36:45,350 --> 01:36:43,929

know so if you can get into some of the

1994

01:36:49,679 --> 01:36:45,360

details I know you don't want to spoil

1995

01:36:51,060 --> 01:36:49,689

no no it's a fair question and kind of

1996

01:36:52,229 --> 01:36:51,070

just say first of all thanks for putting

1997

01:36:54,929 --> 01:36:52,239

that question anywhere ever that came

1998

01:36:57,569 --> 01:36:54,939

from all that statement it's something

1999

01:37:00,149 --> 01:36:57,579

I'm definitely looking to address in the

2000

01:37:02,580 --> 01:37:00,159

very near future I will be putting out a

2001

01:37:05,699 --> 01:37:02,590

new trailer which will be much more

2002

01:37:08,429 --> 01:37:05,709

indicative of of the entire film which

2003

01:37:11,969 --> 01:37:08,439

yes does include the the witnesses of

2004

01:37:13,259 --> 01:37:11,979

course but the investigation because in

2005

01:37:14,939 --> 01:37:13,269

the last as you'll know yourself

2006

01:37:17,100 --> 01:37:14,949

monitoring what's been going on in last

2007

01:37:21,899 --> 01:37:17,110

couple of years you had both Bill

2008

01:37:27,689 --> 01:37:21,909

Clinton and Obama on the Jimmy Kimmel

2009

01:37:30,000 --> 01:37:27,699

show you had the John Podesta tweet we

2010

01:37:32,219 --> 01:37:30,010

had the statements from NASA about

2011

01:37:34,770 --> 01:37:32,229

finding life we've had there's been a

2012

01:37:36,000 --> 01:37:34,780

lot of things converging I think and

2013

01:37:39,270 --> 01:37:36,010

these things were happening during this

2014

01:37:42,719 --> 01:37:39,280

time so as well as the witnesses and as

2015

01:37:44,429 --> 01:37:42,729

well as the slides I do in fact I did go

2016

01:37:46,139 --> 01:37:44,439

to Washington specifically with the aim

2017

01:37:48,659 --> 01:37:46,149

of chasing down John Podesta because I

2018

01:37:50,669 --> 01:37:48,669

had a contact at the White House there

2019

01:37:52,560 --> 01:37:50,679

and I thought I may be able to get some

2020

01:37:54,779 --> 01:37:52,570

time with him even though he just left

2021

01:37:56,520 --> 01:37:54,789

the White House when I got there that

2022

01:37:58,979 --> 01:37:56,530

didn't didn't quite happen unfortunately

2023

01:38:00,750 --> 01:37:58,989

so that's we don't get an interview with

2024

01:38:04,469 --> 01:38:00,760

him in the film but you know I do

2025

01:38:06,750 --> 01:38:04,479

investigate the demoted a political

2026

01:38:09,959 --> 01:38:06,760

angle so for example I do have Stephen

2027

01:38:13,080 --> 01:38:09,969

Bassett he's an interviewee and we cover

2028

01:38:15,989 --> 01:38:13,090

that aspect that the whole the whole

2029

01:38:19,729 --> 01:38:15,999

disclosure project or the the paradigm

2030

01:38:23,459 --> 01:38:19,739

research groups work specifically as

2031

01:38:25,469 --> 01:38:23,469

well as I try to you know obviously

2032

01:38:28,439 --> 01:38:25,479

being a documentary filmmaker you do try

2033

01:38:33,299 --> 01:38:28,449

and get both sides of the argument I did

2034

01:38:36,179 --> 01:38:33,309

manage to track down the the nasa chief

2035

01:38:38,580 --> 01:38:36,189

historian for i think he was chiefest

2036

01:38:42,740 --> 01:38:38,590

one for six years steven jay dick lives

2037

01:38:48,050 --> 01:38:42,750

just outside of DC obviously

2038

01:38:50,990 --> 01:38:48,060

had some really fascinating opinions on

2039

01:38:52,700 --> 01:38:51,000

not just Roswell but on UFOs because my

2040

01:38:55,190 --> 01:38:52,710

point was you know you've got someone

2041

01:38:58,010 --> 01:38:55,200

who's an astrobiologist he looks at you

2042

01:39:00,380 --> 01:38:58,020

know proving life on Earth he put this

2043

01:39:03,350 --> 01:39:00,390

imposing together of what they would do

2044

01:39:05,150 --> 01:39:03,360

what we would do as a as a planet should

2045

01:39:07,430 --> 01:39:05,160

we you know should that day come

2046

01:39:09,050 --> 01:39:07,440

which I for one thought was interesting

2047

01:39:11,060 --> 01:39:09,060

in itself the fact that someone's even

2048

01:39:12,350 --> 01:39:11,070

putting this symposium on you know and

2049

01:39:14,750 --> 01:39:12,360

he's getting religious people from

2050

01:39:16,010 --> 01:39:14,760

around the world and whatnot you know

2051  
01:39:17,630 --> 01:39:16,020  
and asked him about right do you think

2052  
01:39:18,980 --> 01:39:17,640  
it's possible that Roswell was a real

2053  
01:39:21,650 --> 01:39:18,990  
event and he answered me outright

2054  
01:39:23,680 --> 01:39:21,660  
directly and his answer wasn't in the

2055  
01:39:26,000 --> 01:39:23,690  
negative

2056  
01:39:28,310 --> 01:39:26,010  
mmm-hmm but now you know that doesn't

2057  
01:39:30,380 --> 01:39:28,320  
doesn't prove anything again as such but

2058  
01:39:32,480 --> 01:39:30,390  
uh you know I tried to make this point

2059  
01:39:34,820 --> 01:39:32,490  
odd in the film I try to draw the

2060  
01:39:38,150 --> 01:39:34,830  
comparison that maybe the difference is

2061  
01:39:40,640 --> 01:39:38,160  
between X NASA historians or

2062  
01:39:43,490 --> 01:39:40,650  
astrobiologists astronomers and

2063  
01:39:45,590 --> 01:39:43,500

ufologists actually also different as

2064

01:39:48,530 --> 01:39:45,600

they may think they're just two sides of

2065

01:39:50,630 --> 01:39:48,540

the same coin but they just go at it in

2066

01:39:52,130 --> 01:39:50,640

a different way and and that's that's

2067

01:39:57,080 --> 01:39:52,140

something that I think comes out in the

2068

01:39:59,660 --> 01:39:57,090

film just just one thing I'm bringing

2069

01:40:03,590 --> 01:39:59,670

this kind of up out of context actually

2070

01:40:07,070 --> 01:40:03,600

but my sister and brother-in-law are

2071

01:40:11,000 --> 01:40:07,080

here visiting here at my mountaintop

2072

01:40:12,620 --> 01:40:11,010

house here in Maine from the currently

2073

01:40:16,100 --> 01:40:12,630

live in Colorado but my brother-in-law

2074

01:40:19,610 --> 01:40:16,110

was at the Los Alamos labs for many

2075

01:40:20,960 --> 01:40:19,620

years scientists there and so I asked

2076

01:40:26,900 --> 01:40:20,970

him if he wanted to speak on the show

2077

01:40:29,060 --> 01:40:26,910

and and tonight you know briefly and and

2078

01:40:32,480 --> 01:40:29,070

I said I just want you to say your

2079

01:40:35,420 --> 01:40:32,490

opinions on you know UFOs and was the

2080

01:40:36,880 --> 01:40:35,430

topic brought up there what did you hear

2081

01:40:40,970 --> 01:40:36,890

about it there and he goes absolutely

2082

01:40:42,710 --> 01:40:40,980

nothing and he said he said they're

2083

01:40:46,600 --> 01:40:42,720

getting everyone's getting it confused

2084

01:40:50,420 --> 01:40:46,610

with Alamogordo if I'm saying that right

2085

01:40:51,860 --> 01:40:50,430

but anyway or area 51 he said but he

2086

01:40:53,570 --> 01:40:51,870

said you know it's never

2087

01:40:56,390 --> 01:40:53,580

no one ever brings it up in Los Alamos

2088

01:40:59,320 --> 01:40:56,400

it's funny because you do hear that

2089

01:41:01,880 --> 01:40:59,330

you do hear about los alamos quite a bit

2090

01:41:03,560 --> 01:41:01,890

would you would that be an answer you'd

2091

01:41:05,540 --> 01:41:03,570

expect from him then is that what is

2092

01:41:09,050 --> 01:41:05,550

that what we'd expect him to say well a

2093

01:41:11,899 --> 01:41:09,060

good something and on the positive side

2094

01:41:13,340 --> 01:41:11,909

I thought was said he said well I said

2095

01:41:17,240 --> 01:41:13,350

well what do you think about UFOs in

2096

01:41:20,060 --> 01:41:17,250

general and he said it's possible and I

2097

01:41:22,370 --> 01:41:20,070

like hearing some another person of

2098

01:41:25,340 --> 01:41:22,380

science actually have an opening enough

2099

01:41:29,740 --> 01:41:25,350

mind to just say that you know I think

2100

01:41:32,360 --> 01:41:29,750

yeah I think it's vital I saw somebody

2101

01:41:34,280 --> 01:41:32,370

quote or paraphrase the the NASA

2102

01:41:35,930 --> 01:41:34,290

statement or the the chief I come from

2103

01:41:37,939 --> 01:41:35,940

her name now the chief engineer at NASA

2104

01:41:40,459 --> 01:41:37,949

who made this comment on I don't know if

2105

01:41:43,130 --> 01:41:40,469

she was talking about either sayers or

2106

01:41:45,200 --> 01:41:43,140

this other this this this star they

2107

01:41:46,640 --> 01:41:45,210

found this planet they found with too

2108

01:41:49,459 --> 01:41:46,650

much light in the last couple of days

2109

01:41:51,709 --> 01:41:49,469

but this Dame's about how the last thing

2110

01:41:54,229 --> 01:41:51,719

we should think it is consider it is

2111

01:41:56,540 --> 01:41:54,239

that it that it could be alien life and

2112

01:41:58,729 --> 01:41:56,550

then he put underneath this and there's

2113

01:42:00,709 --> 01:41:58,739

like wow you're and you're a scientist

2114

01:42:03,500 --> 01:42:00,719

you know I mean I really thought that

2115

01:42:05,120 --> 01:42:03,510

made the point well insofar as why can't

2116

01:42:07,669 --> 01:42:05,130

you think like that I I don't get it

2117

01:42:10,250 --> 01:42:07,679

it's it just doesn't make sense to me

2118

01:42:12,260 --> 01:42:10,260

it's it's like there's a an inherent

2119

01:42:14,660 --> 01:42:12,270

preclusion in their thinking to think

2120

01:42:17,060 --> 01:42:14,670

that you know this is actually a

2121

01:42:18,380 --> 01:42:17,070

likelihood it's it's always from the

2122

01:42:21,110 --> 01:42:18,390

point of science it always seems to be

2123

01:42:24,200 --> 01:42:21,120

the point of unlikely order the aliens

2124

01:42:26,479 --> 01:42:24,210

are the case yeah I mean I think there's

2125

01:42:27,979 --> 01:42:26,489

a process of ruling things out I mean

2126

01:42:30,830 --> 01:42:27,989

that's the way it should be looked at

2127

01:42:34,490 --> 01:42:30,840

instead of just completely pushed off of

2128

01:42:36,950 --> 01:42:34,500

the table as far as a topic you know

2129

01:42:39,709 --> 01:42:36,960

they have to do their science to see

2130

01:42:42,680 --> 01:42:39,719

what it is and sometimes it could be a

2131

01:42:44,390 --> 01:42:42,690

natural phenomenon of some kind that

2132

01:42:48,439 --> 01:42:44,400

can't be explained there seems to be a

2133

01:42:50,709 --> 01:42:48,449

lot of that going it just seems to me

2134

01:42:53,390 --> 01:42:50,719

there's always a was a bent towards

2135

01:42:55,459 --> 01:42:53,400

looking for alternative answers to the

2136

01:42:57,500 --> 01:42:55,469

fact that it could be in other living

2137

01:43:00,020 --> 01:42:57,510

things and that seems to me like a bias

2138

01:43:03,530 --> 01:43:00,030

I don't know I'm not a scientist but it

2139

01:43:05,780 --> 01:43:03,540

doesn't seem to be a very balanced

2140

01:43:08,330 --> 01:43:05,790

approach I don't know yeah

2141

01:43:10,009 --> 01:43:08,340

no I'm with you I'm with you there on

2142

01:43:11,810 --> 01:43:10,019

that so

2143

01:43:14,319 --> 01:43:11,820

if you're listening live you can pose a

2144

01:43:18,620 --> 01:43:14,329

question for our guests we have about

2145

01:43:22,299 --> 01:43:18,630

somewhere about 12 minutes or so left to

2146

01:43:24,470 --> 01:43:22,309

the show and so what other

2147

01:43:28,279 --> 01:43:24,480

whistleblowing topics

2148

01:43:34,520 --> 01:43:28,289

did you bring up as far as this you know

2149

01:43:36,379 --> 01:43:34,530

the in the documentary well as I I kind

2150

01:43:38,029 --> 01:43:36,389

of mate I don't think give the ending

2151  
01:43:41,509 --> 01:43:38,039  
away but I kind of make a statement on

2152  
01:43:44,180 --> 01:43:41,519  
this towards the end of the film and I

2153  
01:43:45,979 --> 01:43:44,190  
will say this you know cosmic whistle

2154  
01:43:47,750 --> 01:43:45,989  
blows it's a big title and I've got to

2155  
01:43:50,000 --> 01:43:47,760  
be honest for this it's it's not easy to

2156  
01:43:51,950 --> 01:43:50,010  
live up to to find these people

2157  
01:43:53,750 --> 01:43:51,960  
especially people have already have been

2158  
01:43:56,000 --> 01:43:53,760  
found by other people and and and some

2159  
01:43:57,709 --> 01:43:56,010  
of which were already on record you must

2160  
01:44:01,220 --> 01:43:57,719  
you came up with the title first I'm

2161  
01:44:05,180 --> 01:44:01,230  
guessing yeah yeah I definitely did I

2162  
01:44:07,819 --> 01:44:05,190  
have high hopes the snakes on a plane

2163  
01:44:09,799 --> 01:44:07,829

yes that actually came up they came up

2164

01:44:11,810 --> 01:44:09,809

with the the I the title of the movie

2165

01:44:13,149 --> 01:44:11,820

before they came up with the movie yeah

2166

01:44:15,379 --> 01:44:13,159

that's about right

2167

01:44:17,299 --> 01:44:15,389

but you know it was a catchy title that

2168

01:44:20,750 --> 01:44:17,309

it seemed to work he seemed to say the

2169

01:44:23,540 --> 01:44:20,760

message I wanted it to say but yeah in

2170

01:44:26,000 --> 01:44:23,550

terms of whistleblowing I mean you know

2171

01:44:30,379 --> 01:44:26,010

we all know that Roswell is what it is

2172

01:44:32,509 --> 01:44:30,389

and there isn't in terms of evidence you

2173

01:44:34,700 --> 01:44:32,519

know there isn't new evidence there to

2174

01:44:38,799 --> 01:44:34,710

be discussed although maybe DOM and Tom

2175

01:44:42,080 --> 01:44:38,809

may disagree with that I think for me

2176

01:44:44,359 --> 01:44:42,090

maybe it's more about whistle blowing on

2177

01:44:47,899 --> 01:44:44,369

the whistle blowers like I said earlier

2178

01:44:50,000 --> 01:44:47,909

this it's a time for a change I think in

2179

01:44:50,569 --> 01:44:50,010

some parts of ufology in the way we do

2180

01:44:53,060 --> 01:44:50,579

things

2181

01:44:55,430 --> 01:44:53,070

the fact that you know the some people

2182

01:44:56,870 --> 01:44:55,440

were sat on this research like for

2183

01:44:58,549 --> 01:44:56,880

example with these slides for several

2184

01:45:01,220 --> 01:44:58,559

years before anything happened and then

2185

01:45:03,830 --> 01:45:01,230

it all blew up very quickly I don't

2186

01:45:05,509 --> 01:45:03,840

agree with the way that all came about

2187

01:45:08,450 --> 01:45:05,519

and I don't think it helps the subject

2188

01:45:11,509 --> 01:45:08,460

and I don't think it helps people get to

2189

01:45:13,279 --> 01:45:11,519

the truth I think it's time for a change

2190

01:45:16,700 --> 01:45:13,289

so in terms of the whistleblowing I

2191

01:45:18,919 --> 01:45:16,710

think for me I think it's about looking

2192

01:45:22,819 --> 01:45:18,929

at who's doing the work how they're

2193

01:45:24,250 --> 01:45:22,829

doing it and and I'll say are they the

2194

01:45:27,680 --> 01:45:24,260

right people

2195

01:45:32,180 --> 01:45:27,690

uh-huh a question up on the message

2196

01:45:36,560 --> 01:45:32,190

board what is your perspective on what

2197

01:45:38,450 --> 01:45:36,570

an ET would look like Wow

2198

01:45:41,090 --> 01:45:38,460

your guess is as good as mine right yeah

2199

01:45:45,560 --> 01:45:41,100

I mean really come on this guy's this

2200

01:45:48,620 --> 01:45:45,570

guy did an lol after it so you know I

2201

01:45:50,330 --> 01:45:48,630

don't know how how read up your your

2202

01:45:53,180 --> 01:45:50,340

your listener is there but you know I've

2203

01:45:54,800 --> 01:45:53,190

spent a long time reading you know as

2204

01:45:56,840 --> 01:45:54,810

many books as I can get my hands on on

2205

01:46:00,080 --> 01:45:56,850

this subject and people's experiences

2206

01:46:02,510 --> 01:46:00,090

and accounts and whatnot and you know

2207

01:46:04,310 --> 01:46:02,520

even if point zero zero zero one percent

2208

01:46:06,580 --> 01:46:04,320

of them are to be believed and I guess

2209

01:46:08,780 --> 01:46:06,590

they can look pretty much like anything

2210

01:46:11,720 --> 01:46:08,790

it just seems to be so many different

2211

01:46:15,380 --> 01:46:11,730

accounts apart from the obvious you know

2212

01:46:16,640 --> 01:46:15,390

the the the the gray types and whatever

2213

01:46:19,820 --> 01:46:16,650

they just seems to be so many different

2214

01:46:22,190 --> 01:46:19,830

ways but you know who knows I mean I was

2215

01:46:23,390 --> 01:46:22,200

I was talking to my my girlfriend the

2216

01:46:25,220 --> 01:46:23,400

other night was saying about how the

2217

01:46:28,190 --> 01:46:25,230

planet sizes may be so different that

2218

01:46:30,080 --> 01:46:28,200

you know we could be a planet of giants

2219

01:46:32,540 --> 01:46:30,090

to them and and they could be a planet

2220

01:46:34,570 --> 01:46:32,550

Giants to us you know we could be you

2221

01:46:38,060 --> 01:46:34,580

just you know

2222

01:46:41,090 --> 01:46:38,070

gravity plays a big has to play a big

2223

01:46:42,770 --> 01:46:41,100

role in evolution on a planet yeah I

2224

01:46:44,870 --> 01:46:42,780

mean we could be like insects literally

2225

01:46:46,640 --> 01:46:44,880

or or they could be like insects to us

2226

01:46:48,350 --> 01:46:46,650

in some ways you know it's just all a

2227

01:46:49,970 --> 01:46:48,360

million things we can't think of its it

2228

01:46:51,470 --> 01:46:49,980

it's actually the things we can't think

2229

01:46:53,510 --> 01:46:51,480

of I think that are more baffling

2230

01:46:54,950 --> 01:46:53,520

because you know we're locked here

2231

01:46:58,100 --> 01:46:54,960

aren't we we just we just don't know

2232

01:47:00,020 --> 01:46:58,110

yeah everything we know everything and

2233

01:47:03,710 --> 01:47:00,030

everyone we've ever known and talked

2234

01:47:06,550 --> 01:47:03,720

about is all right here yeah yeah it's a

2235

01:47:09,710 --> 01:47:06,560

pretty it's a pretty humbling thought

2236

01:47:11,360 --> 01:47:09,720

but you know I mean I'm sure everybody

2237

01:47:13,490 --> 01:47:11,370

agrees I believe probably thinks along

2238

01:47:16,010 --> 01:47:13,500

these lines that you know this this has

2239

01:47:19,510 --> 01:47:16,020

just got to be there's got to be so many

2240

01:47:24,590 --> 01:47:19,520

out there there's just got to be so many

2241

01:47:26,770 --> 01:47:24,600

different people beings out there hasn't

2242

01:47:29,420 --> 01:47:26,780

them yeah and it's just a question of

2243

01:47:30,860 --> 01:47:29,430

the only question is is it's not whether

2244

01:47:32,240 --> 01:47:30,870

they're they're out there it's a

2245

01:47:35,930 --> 01:47:32,250

question of whether they've ever been

2246

01:47:37,760 --> 01:47:35,940

here that's my only question yeah you

2247

01:47:40,040 --> 01:47:37,770

know it's funny

2248

01:47:42,500 --> 01:47:40,050

since I started doing this show I

2249

01:47:44,360 --> 01:47:42,510

started having I started having a lot of

2250

01:47:45,590 --> 01:47:44,370

conversations with my son on the topic

2251

01:47:49,280 --> 01:47:45,600

even you know he's more or less a

2252

01:47:51,440 --> 01:47:49,290

skeptic but but he does he does believe

2253

01:47:53,209 --> 01:47:51,450

me when I told him about my sighting

2254

01:47:56,060 --> 01:47:53,219

that that is something that he does

2255

01:47:59,330 --> 01:47:56,070

believe me and it was it wasn't the you

2256

01:48:00,650 --> 01:47:59,340

know an amazing sighting but it was for

2257

01:48:03,530 --> 01:48:00,660

those who haven't heard you know I just

2258

01:48:06,260 --> 01:48:03,540

had a disc fly over me and back in 2006

2259

01:48:07,850 --> 01:48:06,270

and it stopped there was the thing that

2260

01:48:10,130 --> 01:48:07,860

baffled me the most about the whole

2261

01:48:11,990 --> 01:48:10,140

sighting was not even the object was

2262

01:48:13,459 --> 01:48:12,000

that it was making no sound and moving

2263

01:48:15,920 --> 01:48:13,469

you know that's what baffled me the most

2264

01:48:17,990 --> 01:48:15,930

and then I heard so many other people

2265

01:48:21,170 --> 01:48:18,000

talk about that you know that sparked my

2266

01:48:23,990 --> 01:48:21,180

interest but Wow in the conversations

2267

01:48:27,020 --> 01:48:24,000

that my son and I have you know like

2268

01:48:29,600 --> 01:48:27,030

what are you know is someone having like

2269

01:48:31,880 --> 01:48:29,610

a somewhere else are they having the

2270

01:48:34,430 --> 01:48:31,890

same struggles as humans have in

2271

01:48:37,550 --> 01:48:34,440

everyday life you know is there such

2272

01:48:41,660 --> 01:48:37,560

thing as poverty and is there such thing

2273

01:48:44,479 --> 01:48:41,670

as all the things we are afflicted from

2274

01:48:46,729 --> 01:48:44,489

in different ways and you know if some

2275

01:48:49,580 --> 01:48:46,739

of getting a brand-new car or equivalent

2276

01:48:52,640 --> 01:48:49,590

since you know somewhere else and and

2277

01:48:55,610 --> 01:48:52,650

the possibilities are so vast that there

2278

01:48:59,930 --> 01:48:55,620

could be billions of species you know in

2279

01:49:03,530 --> 01:48:59,940

the universe as vast as it is we have we

2280

01:49:05,150 --> 01:49:03,540

have no way of knowing but it's really

2281

01:49:08,630 --> 01:49:05,160

something to you know if you really get

2282

01:49:11,000 --> 01:49:08,640

into a thinking fest then you can think

2283

01:49:12,290 --> 01:49:11,010

about oh it's a yeah it's an infinite

2284

01:49:15,560 --> 01:49:12,300

rabbit hole isn't it I mean you just

2285

01:49:18,110 --> 01:49:15,570

once you stall this there's no getting

2286

01:49:19,700 --> 01:49:18,120

out but you know for me it's the most I

2287

01:49:23,750 --> 01:49:19,710

don't know it'll always be the most

2288

01:49:27,380 --> 01:49:23,760

fascinating subject that I can possibly

2289

01:49:28,910 --> 01:49:27,390

think of you know I it's something that

2290

01:49:31,250 --> 01:49:28,920

you can never ever get bored with

2291

01:49:32,840 --> 01:49:31,260

because it's always going to be a

2292

01:49:35,330 --> 01:49:32,850

question unless something happens that

2293

01:49:38,300 --> 01:49:35,340

you know gives us a different kind of a

2294

01:49:39,950 --> 01:49:38,310

sign in the next few decades then you

2295

01:49:42,470 --> 01:49:39,960

know we're always going to ruas going to

2296

01:49:45,979 --> 01:49:42,480

want to know well even if let's say

2297

01:49:49,160 --> 01:49:45,989

tomorrow all of a sudden we find some

2298

01:49:50,910 --> 01:49:49,170

type of 100 percent sign of intelligent

2299

01:49:53,490 --> 01:49:50,920

beings somewhere

2300

01:49:55,830 --> 01:49:53,500

well they're still gonna be the question

2301

01:49:57,360 --> 01:49:55,840

of okay well how many different types

2302

01:49:59,400 --> 01:49:57,370

are there out there and what you know

2303

01:50:02,280 --> 01:49:59,410

what are they and there's gonna be so

2304

01:50:06,540 --> 01:50:02,290

many questions even more questions the

2305

01:50:07,920 --> 01:50:06,550

more we know really yeah absolutely you

2306

01:50:10,770 --> 01:50:07,930

know one thing I find interesting is

2307

01:50:13,620 --> 01:50:10,780

when I started thinking about this

2308

01:50:14,990 --> 01:50:13,630

subject about 20 odd years ago you

2309

01:50:16,680 --> 01:50:15,000

couldn't really have these conversations

2310

01:50:19,590 --> 01:50:16,690

openly so much

2311

01:50:22,440 --> 01:50:19,600

you just couldn't there was definite

2312

01:50:23,400 --> 01:50:22,450

massive giggle factor and mocking factor

2313

01:50:26,040 --> 01:50:23,410

then I don't know it's still there today

2314

01:50:27,870 --> 01:50:26,050

but it's not there in the same way you

2315

01:50:29,400 --> 01:50:27,880

know people are more open like you say

2316

01:50:31,920 --> 01:50:29,410

whether it's the scientists whether it's

2317

01:50:34,530 --> 01:50:31,930

you know even you know your son they may

2318

01:50:35,760 --> 01:50:34,540

be skeptical and good for him but you

2319

01:50:37,680 --> 01:50:35,770

know to have this kind of open

2320

01:50:39,360 --> 01:50:37,690

conversation it just it was much less

2321

01:50:41,100 --> 01:50:39,370

common back in the 80s and that's one

2322

01:50:42,480 --> 01:50:41,110

thing I'm very glad to have seen the

2323

01:50:45,840 --> 01:50:42,490

last couple of decades that there was a

2324

01:50:48,630 --> 01:50:45,850

shift in the conversation and and the

2325

01:50:52,410 --> 01:50:48,640

attitude towards towards the subject a

2326

01:50:54,390 --> 01:50:52,420

few few months ago I was down and I was

2327

01:50:59,250 --> 01:50:54,400

down at Goddard Space Center down in

2328

01:51:02,460 --> 01:50:59,260

Maryland with uh with uh with a guest

2329

01:51:06,360 --> 01:51:02,470

ray Stanford and we went in there and we

2330

01:51:09,360 --> 01:51:06,370

sat with a an engineer at NASA and

2331

01:51:14,520 --> 01:51:09,370

talked to him and he's totally into the

2332

01:51:16,500 --> 01:51:14,530

subject which is and he he respects Ray

2333

01:51:20,760 --> 01:51:16,510

and has been to Ray's house and looked

2334

01:51:24,600 --> 01:51:20,770

at some of race films in pictures and so

2335

01:51:28,020 --> 01:51:24,610

I was and he's an older guy yeah real

2336

01:51:29,670 --> 01:51:28,030

nice guy so that really gave me some

2337

01:51:32,550 --> 01:51:29,680

hope you know to see it

2338

01:51:35,430 --> 01:51:32,560

someone openly interested in the subject

2339

01:51:38,070 --> 01:51:35,440

in a position of science you know that's

2340

01:51:39,480 --> 01:51:38,080

that's so good to hear and you know when

2341

01:51:45,200 --> 01:51:39,490

you think about it I'm sure there are

2342

01:51:48,930 --> 01:51:45,210

actually many open-minded NASA engineers

2343

01:51:50,370 --> 01:51:48,940

astrophysicists astrobiologists you know

2344

01:51:52,530 --> 01:51:50,380

I'm sure they're all out there I'm not

2345

01:51:55,140 --> 01:51:52,540

really sure of it but you know maybe

2346

01:51:57,210 --> 01:51:55,150

they just that you know they speak as

2347

01:51:59,370 --> 01:51:57,220

you as you say that an individual basis

2348

01:52:01,050 --> 01:51:59,380

and obviously they've got to watch how

2349

01:52:02,640 --> 01:52:01,060

they speak when they're doing it

2350

01:52:03,879 --> 01:52:02,650

professionally but you know underneath

2351

01:52:06,609 --> 01:52:03,889

when the

2352

01:52:08,500 --> 01:52:06,619

curtains are drawn then they can they

2353

01:52:10,270 --> 01:52:08,510

can actually you know speak their mind

2354

01:52:11,919 --> 01:52:10,280

with with the clothes company I think

2355

01:52:14,529 --> 01:52:11,929

that does that gives me a bit of help

2356

01:52:15,609 --> 01:52:14,539

like you say because you know if as long

2357

01:52:18,449 --> 01:52:15,619

as there are enough people out there

2358

01:52:21,669 --> 01:52:18,459

that if there was something that that

2359

01:52:23,889 --> 01:52:21,679

they would maybe you know push that idea

2360

01:52:26,199 --> 01:52:23,899

that people should know because I do

2361

01:52:28,569 --> 01:52:26,209

think I I do categorically believe that

2362

01:52:30,009 --> 01:52:28,579

if there was something out there a sign

2363

01:52:32,259 --> 01:52:30,019

out there that they absolutely would

2364

01:52:34,119 --> 01:52:32,269

close it down before telling any of us

2365

01:52:36,790 --> 01:52:34,129

I'm absolutely sure of that

2366

01:52:41,349 --> 01:52:36,800

earlier on in the show we had alejandro

2367

01:52:44,169 --> 01:52:41,359

rojas son he's from open minds TV and he

2368

01:52:46,719 --> 01:52:44,179

the last number of weeks that he and

2369

01:52:51,459 --> 01:52:46,729

I've been talking he's telling me that

2370

01:52:53,709 --> 01:52:51,469

the UK it has a real fascination now as

2371

01:52:57,909 --> 01:52:53,719

far as the press goes and UFOs are you

2372

01:52:59,770 --> 01:52:57,919

seeing a lot of that yeah yeah

2373

01:53:01,659 --> 01:52:59,780

definitely I think the subject in

2374

01:53:04,810 --> 01:53:01,669

general is want to say the subject I

2375

01:53:07,239 --> 01:53:04,820

mean aliens the idea of aliens I think

2376

01:53:11,259 --> 01:53:07,249

is that more of as a notion as a

2377

01:53:13,089 --> 01:53:11,269

scientific fact yes UFOs coming into I'm

2378

01:53:15,399 --> 01:53:13,099

not sure what what he was speaking about

2379

01:53:17,739 --> 01:53:15,409

specifically I mean another Daily Mail

2380

01:53:20,349 --> 01:53:17,749

runs a lot of the sensationalist stuff

2381

01:53:24,819 --> 01:53:20,359

here which gets a lot and quite often I

2382

01:53:26,799 --> 01:53:24,829

think too much to too much interest

2383

01:53:29,020 --> 01:53:26,809

because you know well turns of the demo

2384

01:53:31,449 --> 01:53:29,030

what it can be it's very exploitative in

2385

01:53:33,040 --> 01:53:31,459

that way but there is an interest

2386

01:53:37,629 --> 01:53:33,050

without a doubt there's and there's in

2387

01:53:38,829 --> 01:53:37,639

it there's an increasing interest you

2388

01:53:40,299 --> 01:53:38,839

know it depends on what's going on I

2389

01:53:43,029 --> 01:53:40,309

think I think for me there's more of a

2390

01:53:45,279 --> 01:53:43,039

there's more general interest in the

2391

01:53:47,049 --> 01:53:45,289

subject and an issue of aliens than UFOs

2392

01:53:48,909 --> 01:53:47,059

that's what I would say mm-hmm

2393

01:53:51,189 --> 01:53:48,919

someone on the message board wants to

2394

01:53:53,979 --> 01:53:51,199

know I'm guessing it's like what your

2395

01:53:57,599 --> 01:53:53,989

thoughts on ancient aliens or past you

2396

01:54:00,639 --> 01:53:57,609

know many years past on on visitation

2397

01:54:03,729 --> 01:54:00,649

yeah entirely open to that notion

2398

01:54:05,259 --> 01:54:03,739

something I've looked at myself I'm not

2399

01:54:07,239 --> 01:54:05,269

talking about ancient aliens the series

2400

01:54:10,810 --> 01:54:07,249

it's not something I really watch I've

2401

01:54:13,449 --> 01:54:10,820

got to say so I've not got much opinion

2402

01:54:18,040 --> 01:54:13,459

on that but as an idea

2403

01:54:19,810 --> 01:54:18,050

whether it was the the the waters of the

2404

01:54:22,509 --> 01:54:19,820

West African tribe of the late 19th

2405

01:54:24,810 --> 01:54:22,519

century and they worshipped these was in

2406

01:54:28,330 --> 01:54:24,820

the Dogons they came from the second

2407

01:54:30,549 --> 01:54:28,340

Sirius B which was only discovered in

2408

01:54:34,600 --> 01:54:30,559

the 1960s and they talked about this

2409

01:54:35,859 --> 01:54:34,610

back over 150 years ago you know whether

2410

01:54:37,479 --> 01:54:35,869

it's true or not I don't know but there

2411

01:54:39,580 --> 01:54:37,489

were certain accounts across the planet

2412

01:54:42,580 --> 01:54:39,590

that definitely point to some really

2413

01:54:45,729 --> 01:54:42,590

interesting philosophies from from all

2414

01:54:50,290 --> 01:54:45,739

the civilizations that that seem to have

2415

01:54:52,540 --> 01:54:50,300

either a serious interest or / fairly

2416

01:54:54,520 --> 01:54:52,550

strong knowledge of things that you know

2417

01:54:57,509 --> 01:54:54,530

they shouldn't have or we couldn't

2418

01:54:59,500 --> 01:54:57,519

wonder how they have it so absolutely

2419

01:55:01,449 --> 01:54:59,510

you know we've we're quite a young

2420

01:55:04,569 --> 01:55:01,459

planet aren't we wait as the universe

2421

01:55:06,810 --> 01:55:04,579

girls and you know the next system along

2422

01:55:10,379 --> 01:55:06,820

is like a billion years older than us so

2423

01:55:13,959 --> 01:55:10,389

why not yeah yeah that's something that

2424

01:55:15,310 --> 01:55:13,969

that I will definitely bring up next

2425

01:55:18,580 --> 01:55:15,320

week when I'm talking to Michael Shermer

2426  
01:55:22,389 --> 01:55:18,590  
is about you know the fact that here we

2427  
01:55:25,350 --> 01:55:22,399  
are we're going as far out as in space

2428  
01:55:31,000 --> 01:55:25,360  
as we can exploring as much as we can

2429  
01:55:34,929 --> 01:55:31,010  
optically or other ways and you know

2430  
01:55:37,629 --> 01:55:34,939  
basically can't you be open-minded

2431  
01:55:40,509 --> 01:55:37,639  
enough to know that it's possible we're

2432  
01:55:43,449 --> 01:55:40,519  
being visited so we have we have we have

2433  
01:55:45,549 --> 01:55:43,459  
to close the show now it's been a real

2434  
01:55:46,659 --> 01:55:45,559  
pleasure speaking to you yeah thanks so

2435  
01:55:48,250 --> 01:55:46,669  
much months it's been a great pleasure

2436  
01:55:49,449 --> 01:55:48,260  
it's actually done it's actually going

2437  
01:55:50,859 --> 01:55:49,459  
really quickly I was worried I wouldn't

2438  
01:55:52,330 --> 01:55:50,869

be able to manage the stairway but the

2439

01:55:54,189 --> 01:55:52,340

only ours I'm doing but that's right

2440

01:55:55,869 --> 01:55:54,199

it's like 2:00 in the morning for you

2441

01:55:57,729 --> 01:55:55,879

yeah it's kind of late but it's 3:00

2442

01:55:59,949 --> 01:55:57,739

actually but I know it's been a great

2443

01:56:02,100 --> 01:55:59,959

pleasure Martin I'm just really have to

2444

01:56:04,810 --> 01:56:02,110

come back all right okay thanks so much

2445

01:56:06,629 --> 01:56:04,820

you're welcome take a all right you too

2446

01:56:09,939 --> 01:56:06,639

thank you all for listening to the show

2447

01:56:13,209 --> 01:56:09,949

next week we have starting out with Mark

2448

01:56:15,459 --> 01:56:13,219

Rutte agir and Leslie cane and then on

2449

01:56:18,129 --> 01:56:15,469

to Michael Shermer and I want to thank

2450

01:56:20,979 --> 01:56:18,139

people for helping out with the show to

2451

01:56:23,379 --> 01:56:20,989

sit this evening we have Keith for

2452

01:56:27,110 --> 01:56:23,389

helping us with the live show Peggy is

2453

01:56:29,210 --> 01:56:27,120

helping us with the Facebook page remem

2454

01:56:31,520 --> 01:56:29,220

like us on Facebook for all the latest

2455

01:56:34,250 --> 01:56:31,530
