

A night scene of a marina with a glowing UFO in the sky. The UFO is a saucer-shaped object with a bright light on top and four smaller lights on the sides. The background shows a dark sky, a body of water with reflections, and a marina with several boats docked. The overall color palette is dark blue and black with white and yellow highlights.

KGRA Radio

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:09,140 --> 00:00:05,370
everything that occurred in the

5
00:00:12,049 --> 00:00:09,150
Rendlesham forest incident at all it was

6
00:00:16,609 --> 00:00:12,059
completely silent it comes right over

7
00:00:18,320 --> 00:00:16,619
our head it's also really standing in

8
00:00:19,760 --> 00:00:18,330
the clearing he turned over to my father

9
00:00:25,820 --> 00:00:19,770
and held his hand and he looked in his

10
00:00:28,429 --> 00:00:25,830
eyes and said we're not alone welcome to

11
00:00:30,830 --> 00:00:28,439
podcast UFO for our live show

12
00:00:33,020 --> 00:00:30,840
we're live every Wednesday at 8 p.m.

13
00:00:35,569 --> 00:00:33,030

Eastern Standard Time on the dark matter

14

00:00:39,260 --> 00:00:35,579

radio network please remember to visit

15

00:00:42,440 --> 00:00:39,270

the website podcast UFO comm for past

16

00:00:44,420 --> 00:00:42,450

episodes blogs and forums during the

17

00:00:46,910 --> 00:00:44,430

show feel free to participate live in

18

00:00:49,040 --> 00:00:46,920

our chat room and don't forget to Like

19

00:00:52,040 --> 00:00:49,050

us on our very active Facebook page

20

00:00:54,260 --> 00:00:52,050

hello this is Martin Willis your host of

21

00:00:56,990 --> 00:00:54,270

podcast UFO and in just a couple of

22

00:00:59,240 --> 00:00:57,000

minutes Alejandro Rojas will be joining

23

00:01:02,720 --> 00:00:59,250

me for the news and he claims he has a

24

00:01:05,740 --> 00:01:02,730

surprise guest to join in I have no idea

25

00:01:08,690 --> 00:01:05,750

who it is it's kind of exciting actually

26

00:01:11,750 --> 00:01:08,700

our guest this evening is dr. David

27

00:01:15,620 --> 00:01:11,760

Jacobs and he'll be talking about his

28

00:01:18,440 --> 00:01:15,630

new book walking among us the alien plan

29

00:01:19,760 --> 00:01:18,450

to control humanity and I'm sure we're

30

00:01:23,359 --> 00:01:19,770

going to be talking about a lot of other

31

00:01:25,969 --> 00:01:23,369

things as well it's Veterans Day here in

32

00:01:27,770 --> 00:01:25,979

the US it's Veterans Day and if you are

33

00:01:29,990 --> 00:01:27,780

a veteran we want to thank you for your

34

00:01:31,910 --> 00:01:30,000

service your intentions and your

35

00:01:34,399 --> 00:01:31,920

sacrifices to keep us safe

36

00:01:37,580 --> 00:01:34,409

thanks veterans I want to once again

37

00:01:40,550 --> 00:01:37,590

thank San Boesel who's been helping us

38

00:01:43,069 --> 00:01:40,560

out with the supporter platform he's now

39

00:01:45,289 --> 00:01:43,079

done something for our chat room which

40

00:01:48,499 --> 00:01:45,299

will pop up automatically in all of our

41

00:01:50,179 --> 00:01:48,509

web pages right before the show and will

42

00:01:53,389 --> 00:01:50,189

go away right after the show thank you

43

00:01:54,920 --> 00:01:53,399

Sam and speaking of support if you want

44

00:01:57,200 --> 00:01:54,930

to find out how to do that you can check

45

00:01:58,910 --> 00:01:57,210

us out right on podcast to fo com and

46

00:02:01,969 --> 00:01:58,920

while you're there jump in the chatroom

47

00:02:04,429 --> 00:02:01,979

I mentioned a while back that a bunch of

48

00:02:08,059 --> 00:02:04,439

people offered to do graphics for our

49

00:02:11,510 --> 00:02:08,069

new podcast UFO t-shirts I think there

50

00:02:12,620 --> 00:02:11,520

was about 13 people contacting me well

51
00:02:14,840 --> 00:02:12,630
we got four

52
00:02:18,110 --> 00:02:14,850
those people out of 13 that actually

53
00:02:20,210 --> 00:02:18,120
presented some graphics so if you'd like

54
00:02:22,730 --> 00:02:20,220
to go to our website right on our side

55
00:02:25,340 --> 00:02:22,740
bar you will see you can get to that

56
00:02:28,130 --> 00:02:25,350
page to vote we need you to vote we have

57
00:02:30,080 --> 00:02:28,140
two weeks left for anyone to cast their

58
00:02:32,540 --> 00:02:30,090
vote on what the graphic you want for a

59
00:02:34,460 --> 00:02:32,550
t-shirt so that's right on the show

60
00:02:38,540 --> 00:02:34,470
notes or right on our sidebar you can

61
00:02:39,530 --> 00:02:38,550
see how to get there and I think that's

62
00:02:41,930 --> 00:02:39,540
just about it

63
00:02:44,030 --> 00:02:41,940

so that closes by the way November 18th

64

00:02:47,120 --> 00:02:44,040

and that's enough for me

65

00:02:50,780 --> 00:02:47,130

so Alejandro and your mystery guests how

66

00:02:52,760 --> 00:02:50,790

are you I'm doing good how are you good

67

00:02:57,200 --> 00:02:52,770

good you want to bring on the mystery

68

00:02:59,420 --> 00:02:57,210

guest now it's David Jacobs just kidding

69

00:03:02,870 --> 00:02:59,430

actually though he is speaking at the

70

00:03:04,940 --> 00:03:02,880

UFO Congress he is so you should spend a

71

00:03:07,640 --> 00:03:04,950

lot of your interview with him talking

72

00:03:09,500 --> 00:03:07,650

about the UFO Congress and how exciting

73

00:03:12,290 --> 00:03:09,510

it is that he's speaking there and stuff

74

00:03:15,590 --> 00:03:12,300

like that all right I might know

75

00:03:16,160 --> 00:03:15,600

actually all right our guest introduce

76

00:03:19,970 --> 00:03:16,170

himself

77

00:03:27,710 --> 00:03:19,980

all right hello guest hello this is

78

00:03:33,830 --> 00:03:27,720

Arnold hi how are you not bad

79

00:03:36,590 --> 00:03:33,840

Arnold no actually my name is this Ruben

80

00:03:38,420 --> 00:03:36,600

Uriarte from ou Northern California how

81

00:03:40,670 --> 00:03:38,430

are you hey how you doing Ruben yes

82

00:03:43,430 --> 00:03:40,680

Reubens been on the show Alejandro oh he

83

00:03:45,710 --> 00:03:43,440

has yes yeah okay you know wow that's

84

00:03:48,140 --> 00:03:45,720

right it has yeah I think was last year

85

00:03:50,240 --> 00:03:48,150

or so Ruben you joined me with your

86

00:03:53,750 --> 00:03:50,250

partner you've written some books with

87

00:03:55,730 --> 00:03:53,760

him his name is who is mister noe Torres

88

00:03:58,250 --> 00:03:55,740

that's right yes

89

00:04:00,110 --> 00:03:58,260

so noe and Ruben will be speaking at the

90

00:04:02,600 --> 00:04:00,120

Travis Walton conference this weekend

91

00:04:05,000 --> 00:04:02,610

and so no he came in or Ruben came in

92

00:04:07,940 --> 00:04:05,010

today no he comes in tomorrow and then

93

00:04:09,380 --> 00:04:07,950

I'll be driving them out there so that's

94

00:04:11,000 --> 00:04:09,390

gonna be a lot of fun so that's why

95

00:04:12,170 --> 00:04:11,010

Rubens here and I figured since he was

96

00:04:13,850 --> 00:04:12,180

in the office and I was doing the

97

00:04:16,039 --> 00:04:13,860

interview it'd be kind of fun if he

98

00:04:18,590 --> 00:04:16,049

joined us for the news absolutely now

99

00:04:21,409 --> 00:04:18,600

that's the 40th anniversary is tomorrow

100

00:04:24,260 --> 00:04:21,419

for the Travis Walton in the fire sky

101

00:04:25,940 --> 00:04:24,270

our sky fire how did what what's the

102

00:04:29,540 --> 00:04:25,950

name the sky fires

103

00:04:32,600 --> 00:04:29,550

yeah exactly and tomorrow is the 40th

104

00:04:34,910 --> 00:04:32,610

anniversary of the event and Reuben and

105

00:04:37,700 --> 00:04:34,920

I and others will be at the location

106

00:04:41,270 --> 00:04:37,710

where it happened at dusk which is when

107

00:04:46,490 --> 00:04:41,280

it happened and we possibly may get

108

00:04:49,100 --> 00:04:46,500

beamed by ship and taken away I'm gonna

109

00:04:51,650 --> 00:04:49,110

push Reuben hidden away yeah he's good

110

00:04:54,050 --> 00:04:51,660

they're all gonna believe me well a few

111

00:04:57,380 --> 00:04:54,060

weeks ago I had I had Michael Shermer on

112

00:04:59,840 --> 00:04:57,390

and he totally he just came out and said

113

00:05:02,570 --> 00:04:59,850

that Travis was lying the whole thing

114

00:05:04,610 --> 00:05:02,580

was a hoax and he had to do it had to do

115

00:05:07,670 --> 00:05:04,620

with him getting a paycheck for work

116

00:05:10,370 --> 00:05:07,680

that wasn't completed particular said

117

00:05:13,490 --> 00:05:10,380

they'd make such an assumption and you

118

00:05:16,070 --> 00:05:13,500

know Travis speaks to that theory that

119

00:05:19,280 --> 00:05:16,080

they had to get a paycheck and he talks

120

00:05:21,680 --> 00:05:19,290

about how you know them creating this

121

00:05:25,340 --> 00:05:21,690

elaborate hoax would not get them out of

122

00:05:29,750 --> 00:05:25,350

the work that they had to do so if you

123

00:05:32,210 --> 00:05:29,760

ask Travis about it you know the theory

124

00:05:34,760 --> 00:05:32,220

just doesn't make any sense yeah well I

125

00:05:38,690 --> 00:05:34,770

I didn't agree with him at all on that

126

00:05:42,290 --> 00:05:38,700

and yeah I stood up for Travis but

127

00:05:44,510 --> 00:05:42,300

because I really truly believe I believe

128

00:05:46,940 --> 00:05:44,520

that story I believe Travis you know

129

00:05:49,820 --> 00:05:46,950

he's I've talked to him I died many

130

00:05:51,170 --> 00:05:49,830

times about it and it just you know it's

131

00:05:54,620 --> 00:05:51,180

well you know with all of mine if you

132

00:05:56,270 --> 00:05:54,630

ask me really cool is that and you know

133

00:05:58,580 --> 00:05:56,280

what would be great actually you're

134

00:06:00,710 --> 00:05:58,590

gonna be talking to David Jacobs ask him

135

00:06:01,970 --> 00:06:00,720

his theory about Travis won't cause I

136

00:06:04,100 --> 00:06:01,980

don't know what it is I think it'd be

137

00:06:06,920 --> 00:06:04,110

interesting to to hear what he thinks

138

00:06:11,120 --> 00:06:06,930

about it especially given his

139

00:06:12,830 --> 00:06:11,130

perspective but what's really been

140

00:06:14,260 --> 00:06:12,840

fascinating with you know my girlfriends

141

00:06:16,700 --> 00:06:14,270

have been putting together this event

142

00:06:18,830 --> 00:06:16,710

and over the years I've worked with

143

00:06:20,660 --> 00:06:18,840

these witnesses and you know the witness

144

00:06:22,040 --> 00:06:20,670

is kind of bicker back and forth almost

145

00:06:24,020 --> 00:06:22,050

like brothers like people have known

146

00:06:26,750 --> 00:06:24,030

each other in their entire life but they

147

00:06:29,270 --> 00:06:26,760

don't bicker about what happened or if

148

00:06:31,460 --> 00:06:29,280

anything happened and they all

149

00:06:35,030 --> 00:06:31,470

individually are dealing with what

150

00:06:39,170 --> 00:06:35,040

happened one of them is an email address

151
00:06:42,350 --> 00:06:39,180
is Ken UFO and because this event

152
00:06:43,940 --> 00:06:42,360
all of them have trans or they have

153
00:06:47,840 --> 00:06:43,950
different perceptions about what

154
00:06:50,870 --> 00:06:47,850
happened to them but they don't you know

155
00:06:52,880 --> 00:06:50,880
none of them deny what happened and you

156
00:06:55,730 --> 00:06:52,890
can tell it's had an effect on each of

157
00:06:58,130 --> 00:06:55,740
them differently and as much as they

158
00:07:01,100 --> 00:06:58,140
fight you know I think with as much has

159
00:07:02,750 --> 00:07:01,110
gone on through the years definitely one

160
00:07:04,970 --> 00:07:02,760
of them would have said oh he's lying

161
00:07:06,020 --> 00:07:04,980
that person is lying but that's not the

162
00:07:08,780 --> 00:07:06,030
case

163
00:07:11,620 --> 00:07:08,790

you know it's it even when they have

164

00:07:13,850 --> 00:07:11,630

disagreement you and these are not like

165

00:07:15,680 --> 00:07:13,860

sophisticated people I would say these

166

00:07:18,170 --> 00:07:15,690

aren't you know people who are out there

167

00:07:21,200 --> 00:07:18,180

promoting themselves like some of the

168

00:07:22,790 --> 00:07:21,210

other people in this field who you know

169

00:07:26,570 --> 00:07:22,800

you question their motives these are

170

00:07:30,620 --> 00:07:26,580

just regular guys you know living their

171

00:07:35,260 --> 00:07:30,630

lives and I have not seen any indication

172

00:07:38,000 --> 00:07:35,270

working with any of these guys big day

173

00:07:39,530 --> 00:07:38,010

has given me any doubt and that's what's

174

00:07:41,450 --> 00:07:39,540

kind of fun too is that we're gonna have

175

00:07:43,790 --> 00:07:41,460

more of the witnesses that have done

176

00:07:46,460 --> 00:07:43,800

have ever been together this weekend and

177

00:07:49,370 --> 00:07:46,470

the police officer who was the first on

178

00:07:50,810 --> 00:07:49,380

the scene and you know what Karen you

179

00:07:54,410 --> 00:07:50,820

know my girlfriend is the one who got a

180

00:07:56,360 --> 00:07:54,420

hold of him and got him there Travis and

181

00:07:58,220 --> 00:07:56,370

none of the guys know what he's even

182

00:07:59,420 --> 00:07:58,230

going to say and they're not against him

183

00:08:01,130 --> 00:07:59,430

coming they're like great you know

184

00:08:03,560 --> 00:08:01,140

that'll be great to hear what he has to

185

00:08:05,690 --> 00:08:03,570

say so they don't even know he could

186

00:08:07,430 --> 00:08:05,700

just say oh this was a hoax and and

187

00:08:08,960 --> 00:08:07,440

these guys were full of it

188

00:08:12,440 --> 00:08:08,970

they don't even know and I think that

189

00:08:13,520 --> 00:08:12,450

speaks to how that they're not afraid of

190

00:08:15,170 --> 00:08:13,530

anybody

191

00:08:17,270 --> 00:08:15,180

coming and talking about their opinion

192

00:08:23,290 --> 00:08:17,280

or their experience with the event wow

193

00:08:26,810 --> 00:08:23,300

that's great if I could make a point

194

00:08:29,090 --> 00:08:26,820

I've known Travis now for her for a

195

00:08:30,440 --> 00:08:29,100

while and I've had a chance to really

196

00:08:32,800 --> 00:08:30,450

get to know him at a number of our

197

00:08:36,320 --> 00:08:32,810

conferences where he was our features

198

00:08:38,420 --> 00:08:36,330

guest speaker and the thing that always

199

00:08:41,360 --> 00:08:38,430

stand out for me of course you know it's

200

00:08:44,230 --> 00:08:41,370

just a one heck of a humble guy you know

201
00:08:47,300 --> 00:08:44,240
a straight shooter but the other thing I

202
00:08:49,400 --> 00:08:47,310
maybe when the question is asked well

203
00:08:51,710 --> 00:08:49,410
even what would you do if this happened

204
00:08:52,700 --> 00:08:51,720
to you again and and he said I won't

205
00:08:55,340 --> 00:08:52,710
tell anybody

206
00:08:58,579 --> 00:08:55,350
hmm he says I would want to want to go

207
00:09:00,380 --> 00:08:58,589
through what I had to go through but but

208
00:09:03,470 --> 00:09:00,390
obviously you know he's gone through so

209
00:09:05,210 --> 00:09:03,480
much over the years and his mission is

210
00:09:06,920 --> 00:09:05,220
to make sure that the story is told

211
00:09:09,800 --> 00:09:06,930
correctly and rather than having other

212
00:09:12,680 --> 00:09:09,810
people interpret and or misrepresent his

213
00:09:15,519 --> 00:09:12,690

story so tomorrow is going to be really

214

00:09:18,440 --> 00:09:15,529

awesome and the rest of the weekend

215

00:09:22,070 --> 00:09:18,450

Alejandro and and Karen have worked very

216

00:09:23,360 --> 00:09:22,080

hard to along with Travis and a number

217

00:09:25,100 --> 00:09:23,370

of other people to put this conference

218

00:09:26,990 --> 00:09:25,110

together so it being the fourth

219

00:09:29,180 --> 00:09:27,000

anniversary there's gonna be a very

220

00:09:31,820 --> 00:09:29,190

special event right parents done an

221

00:09:35,510 --> 00:09:31,830

amazing job yes I didn't realize that

222

00:09:38,510 --> 00:09:35,520

the Karen was your Karen yeah my Karen

223

00:09:40,490 --> 00:09:38,520

yeah cuz we had a conversation getting

224

00:09:43,850 --> 00:09:40,500

getting some people speaking Ali

225

00:09:46,400 --> 00:09:43,860

speaking one of them for one to pipe up

226

00:09:50,269 --> 00:09:46,410

and talk about the conference coming up

227

00:09:53,360 --> 00:09:50,279

tomorrow yeah yeah well great did you

228

00:09:58,100 --> 00:09:53,370

have any news or I do our every week I

229

00:10:00,019 --> 00:09:58,110

got news minute so the news this week

230

00:10:02,090 --> 00:10:00,029

this one's kind of fun because this is a

231

00:10:05,329 --> 00:10:02,100

story written by Roger Marsh from MUFON

232

00:10:06,850 --> 00:10:05,339

for our site and this was about a Texas

233

00:10:08,840 --> 00:10:06,860

sighting that included a photograph

234

00:10:10,910 --> 00:10:08,850

where these people said they saw

235

00:10:13,400 --> 00:10:10,920

something bright they took a picture

236

00:10:16,250 --> 00:10:13,410

that the kid in the car took the picture

237

00:10:19,070 --> 00:10:16,260

and then the in the picture there's kind

238

00:10:21,290 --> 00:10:19,080

of a cylindrical object that turned up

239

00:10:23,540 --> 00:10:21,300

so kind of a weird photo it's kind of

240

00:10:25,699 --> 00:10:23,550

cool because at San Antonio newspaper

241

00:10:26,660 --> 00:10:25,709

picked up this story and wrote about it

242

00:10:28,550 --> 00:10:26,670

today

243

00:10:30,320 --> 00:10:28,560

some people have been debating one

244

00:10:34,820 --> 00:10:30,330

person said they think it looks like a

245

00:10:38,780 --> 00:10:34,830

road sign that is blurred from motion

246

00:10:40,579 --> 00:10:38,790

blur I don't know that I necessarily see

247

00:10:43,069 --> 00:10:40,589

that it does kind of look like it's an

248

00:10:46,190 --> 00:10:43,079

object that might be affected by motion

249

00:10:48,530 --> 00:10:46,200

blur but it's not like apparently

250

00:10:50,269 --> 00:10:48,540

obvious what this might be so be great

251
00:10:53,360 --> 00:10:50,279
if your listeners could look at that and

252
00:10:55,490 --> 00:10:53,370
if anybody can tell what do you think

253
00:10:58,790 --> 00:10:55,500
Ruben don't picture the town it's hard

254
00:11:02,380 --> 00:10:58,800
to tell it's an image faded out image

255
00:11:06,910 --> 00:11:02,390
above and I guess it's determined

256
00:11:09,040 --> 00:11:06,920
if it's closer to the to the street or

257
00:11:11,259 --> 00:11:09,050
if it's far off at a distance yeah it's

258
00:11:13,540 --> 00:11:11,269
hard to tell even how close to the

259
00:11:15,579 --> 00:11:13,550
object they are but kind of an

260
00:11:17,860 --> 00:11:15,589
interesting picture now is this the one

261
00:11:20,560 --> 00:11:17,870
where it's a it's looking vertical like

262
00:11:23,259 --> 00:11:20,570
a cylindrical yeah exactly

263
00:11:25,329 --> 00:11:23,269

yeah yes that is really an interesting

264

00:11:28,840 --> 00:11:25,339

picture and that would be on our show

265

00:11:33,069 --> 00:11:28,850

notes and well as well as link to open

266

00:11:35,470 --> 00:11:33,079

minds TV for the whole story it is kind

267

00:11:38,079 --> 00:11:35,480

of funny Reuben is pointing below the

268

00:11:40,480 --> 00:11:38,089

pictures is another giant cylindrical

269

00:11:43,240 --> 00:11:40,490

object but that's a giant rolled-up

270

00:11:45,310 --> 00:11:43,250

Assad or I think it's hay or sod

271

00:11:48,360 --> 00:11:45,320

actually I think it's sod and it was

272

00:11:52,259 --> 00:11:48,370

taken where and for in Texas this is in

273

00:11:56,319 --> 00:11:52,269

Frisco Frisco getting frisky in Frisco

274

00:11:57,970 --> 00:11:56,329

so we have unidentified flying sod is

275

00:12:02,040 --> 00:11:57,980

that what you're trying to say yeah well

276

00:12:06,160 --> 00:12:02,050

it's not playing we have identified

277

00:12:08,710 --> 00:12:06,170

stagnant laying there sod okay they're

278

00:12:12,100 --> 00:12:08,720

nothing but we do have another one this

279

00:12:15,280 --> 00:12:12,110

is a video from California and this

280

00:12:17,949 --> 00:12:15,290

one's kind of strange and I'll play this

281

00:12:21,490 --> 00:12:17,959

for Reubens sake I don't know if you saw

282

00:12:25,210 --> 00:12:21,500

this one I have Martin but it's it's the

283

00:12:26,710 --> 00:12:25,220

video is not that great because it seems

284

00:12:28,810 --> 00:12:26,720

like I don't know what's going on with

285

00:12:31,720 --> 00:12:28,820

the camera here but it's just these

286

00:12:36,730 --> 00:12:31,730

lights in the sky he actually took three

287

00:12:39,160 --> 00:12:36,740

videos and we have a fun asite the best

288

00:12:40,630 --> 00:12:39,170

out of the three but these lights kind

289

00:12:44,199 --> 00:12:40,640

of turning on and off

290

00:12:45,970 --> 00:12:44,209

they're multicolored and just kind of

291

00:12:47,680 --> 00:12:45,980

weird that the witness says he thinks

292

00:12:49,870 --> 00:12:47,690

that these lights were interacting with

293

00:12:52,360 --> 00:12:49,880

each other that perhaps one of them

294

00:12:54,040 --> 00:12:52,370

beamed one of the others he thinks you

295

00:12:55,630 --> 00:12:54,050

know maybe they were battling up there

296

00:12:58,030 --> 00:12:55,640

or something I don't know about that

297

00:12:59,680 --> 00:12:58,040

because they do most of the time look

298

00:13:01,900 --> 00:12:59,690

like they're in place but they do turn

299

00:13:04,870 --> 00:13:01,910

on and off and they are different colors

300

00:13:08,470 --> 00:13:04,880

so kind of an interesting video there

301
00:13:10,650 --> 00:13:08,480
from Castro Valley California that's

302
00:13:13,750 --> 00:13:10,660
right next door to where I live where do

303
00:13:14,610 --> 00:13:13,760
I live in Hayward oh yeah I know where

304
00:13:16,590 --> 00:13:14,620
that is

305
00:13:18,570 --> 00:13:16,600
Castro Valley is right next door we've

306
00:13:21,450 --> 00:13:18,580
gotten some other footages from other

307
00:13:23,670 --> 00:13:21,460
witnesses in the past in that area there

308
00:13:26,490 --> 00:13:23,680
it's weird it's definitely again this is

309
00:13:28,530 --> 00:13:26,500
our data bond case this will be follow

310
00:13:30,150 --> 00:13:28,540
up with one of our investigators and in

311
00:13:32,040 --> 00:13:30,160
fact I think let me see

312
00:13:33,690 --> 00:13:32,050
usually Roger will put in the story and

313
00:13:35,640 --> 00:13:33,700

I can't remember on this one if it was

314

00:13:37,620 --> 00:13:35,650

investigated you probably would know who

315

00:13:40,380 --> 00:13:37,630

it was

316

00:13:44,070 --> 00:13:40,390

tell me the county calculate the state

317

00:13:46,530 --> 00:13:44,080

section director Kim investigated it and

318

00:13:48,930 --> 00:13:46,540

closed it as an unknown okay Kim comes

319

00:13:50,760 --> 00:13:48,940

from San Francisco area mm-hmm which is

320

00:13:53,700 --> 00:13:50,770

near where you are yes we write in the

321

00:13:55,740 --> 00:13:53,710

San Francisco Bay Area so this is we

322

00:13:58,140 --> 00:13:55,750

have a several investigators that live

323

00:14:00,750 --> 00:13:58,150

in and Kim's one of them are you still a

324

00:14:03,090 --> 00:14:00,760

you were a section director up now to

325

00:14:05,970 --> 00:14:03,100

the state director for Northern

326

00:14:08,250 --> 00:14:05,980

California and we have an assistant

327

00:14:11,460 --> 00:14:08,260

state director and a chief investigator

328

00:14:16,650 --> 00:14:11,470

and we cover approximately 45 counties

329

00:14:18,960 --> 00:14:16,660

just in Northern California alone as in

330

00:14:21,930 --> 00:14:18,970

Southern California has about 13

331

00:14:25,920 --> 00:14:21,940

counties now we tend to come and as

332

00:14:28,890 --> 00:14:25,930

number one usually every month in terms

333

00:14:31,920 --> 00:14:28,900

of how many cases have been reported but

334

00:14:33,960 --> 00:14:31,930

also there's other a lot of sightings

335

00:14:36,420 --> 00:14:33,970

going on across the country and in other

336

00:14:38,880 --> 00:14:36,430

parts of the world but Texas tends to be

337

00:14:41,760 --> 00:14:38,890

number two and then we get Florida maybe

338

00:14:44,400 --> 00:14:41,770

in sometimes Michigan and then in

339

00:14:48,840 --> 00:14:44,410

Colorado and in a number of other states

340

00:14:52,400 --> 00:14:48,850

so each month we get a deluge of cases

341

00:14:54,960 --> 00:14:52,410

and it's hard to keep up yeah Ruben you

342

00:14:56,490 --> 00:14:54,970

you mentioned you know Alameda County

343

00:14:58,260 --> 00:14:56,500

and it just made me think of Alameda

344

00:15:01,590 --> 00:14:58,270

Island out there where it used to be a

345

00:15:04,350 --> 00:15:01,600

an airbase oh yeah and what was there

346

00:15:05,880 --> 00:15:04,360

ever any sightings around that base did

347

00:15:10,940 --> 00:15:05,890

you ever hear any stories about that

348

00:15:14,490 --> 00:15:10,950

yes actually well when you along the bay

349

00:15:16,650 --> 00:15:14,500

we've received reports from motorists

350

00:15:18,780 --> 00:15:16,660

that are driving on a San Francisco Bay

351
00:15:21,990 --> 00:15:18,790
Bridge for example where they've seen

352
00:15:25,470 --> 00:15:22,000
strange objects along although now

353
00:15:27,060 --> 00:15:25,480
Alameda is no longer an airbase right

354
00:15:28,750 --> 00:15:27,070
and now it's a lot of development there

355
00:15:31,880 --> 00:15:28,760
but we get

356
00:15:34,900 --> 00:15:31,890
interested interestingly we've gotten a

357
00:15:39,440 --> 00:15:34,910
number of reports of objects out there

358
00:15:43,840 --> 00:15:39,450
or mostly orbs out there in the out

359
00:15:48,050 --> 00:15:43,850
there by Golden Gate also in I think

360
00:15:51,230 --> 00:15:48,060
normally sometimes when we have Fleet

361
00:15:54,590 --> 00:15:51,240
Week then that's where the Blue Angels

362
00:15:57,950 --> 00:15:54,600
will perform right we've had a couple of

363
00:16:01,220 --> 00:15:57,960

occasions where we've had people who

364

00:16:03,620 --> 00:16:01,230

submitted their photographs of to us

365

00:16:06,560 --> 00:16:03,630

where they actually captured an object

366

00:16:08,900 --> 00:16:06,570

real close to the Blue Angel formation

367

00:16:11,510 --> 00:16:08,910

and that's a no-fly zone in normally

368

00:16:14,120 --> 00:16:11,520

when they perform they close down

369

00:16:15,890 --> 00:16:14,130

everything around a five mile radius but

370

00:16:18,590 --> 00:16:15,900

it's really interesting and they're able

371

00:16:20,660 --> 00:16:18,600

to capture someone something and so we

372

00:16:23,390 --> 00:16:20,670

some of these reports we had they were

373

00:16:25,400 --> 00:16:23,400

determined this unknown well interesting

374

00:16:27,080 --> 00:16:25,410

well running a little late here but I

375

00:16:28,970 --> 00:16:27,090

want to thank you very much Reuben it's

376

00:16:31,130 --> 00:16:28,980

great to talk to you I bet same here run

377

00:16:33,110 --> 00:16:31,140

thank you and thanks for joining us for

378

00:16:34,940 --> 00:16:33,120

the news and Alejandro thanks and we'll

379

00:16:37,220 --> 00:16:34,950

be talking to you next week all right

380

00:16:38,660 --> 00:16:37,230

thank you talk to you next week alright

381

00:16:40,580 --> 00:16:38,670

everyone so hang in there for the quick

382

00:17:35,350 --> 00:16:40,590

music break and we'll be right back with

383

00:17:41,960 --> 00:17:38,720

welcome to the show David thank you for

384

00:17:44,510 --> 00:17:41,970

having me yes and last time you were on

385

00:17:47,000 --> 00:17:44,520

we were just talking up when we did the

386

00:17:50,540 --> 00:17:47,010

soundcheck that was a long time ago it

387

00:17:51,080 --> 00:17:50,550

was I think I think I said it was 2013

388

00:17:56,810 --> 00:17:51,090

right

389

00:17:59,690 --> 00:17:56,820

he said 2012 2012 Wow so anyway I you

390

00:18:02,570 --> 00:17:59,700

were on way back then most people I'd

391

00:18:05,150 --> 00:18:02,580

say probably everyone listening right

392

00:18:07,070 --> 00:18:05,160

now knows who you are but this podcast

393

00:18:11,060 --> 00:18:07,080

does go international so can you just

394

00:18:13,610 --> 00:18:11,070

quickly give your background and I'm

395

00:18:15,740 --> 00:18:13,620

kind of fascinated because uh I know

396

00:18:20,840 --> 00:18:15,750

that you were into UFO history too at

397

00:18:22,910 --> 00:18:20,850

one time so yes you'd like me to do that

398

00:18:24,800 --> 00:18:22,920

now yeah if you don't mind just you know

399

00:18:26,870 --> 00:18:24,810

kind of a quick in a nutshell

400

00:18:29,450 --> 00:18:26,880

your background how you get interested

401

00:18:33,550 --> 00:18:29,460

in all that well I got interested in the

402

00:18:40,370 --> 00:18:33,560

UFO phenomenon when in the mid 1960s

403

00:18:42,650 --> 00:18:40,380

around 65 66 and I that summer I went to

404

00:18:45,920 --> 00:18:42,660

my wife and I went to Madison Wisconsin

405

00:18:50,090 --> 00:18:45,930

from UCLA where we were at for graduate

406

00:18:52,730 --> 00:18:50,100

school and I became extremely interested

407

00:18:55,580 --> 00:18:52,740

in it there too and I joined national

408

00:18:57,950 --> 00:18:55,590

UFO groups and I saw our reading UFO

409

00:19:00,650 --> 00:18:57,960

magazines and I became a field

410

00:19:02,330 --> 00:19:00,660

investigator unquote and ran around

411

00:19:05,420 --> 00:19:02,340

interviewing people and all the rest of

412

00:19:07,430 --> 00:19:05,430

that sort of thing and I wound up

413

00:19:09,290 --> 00:19:07,440

writing my doctoral dissertation in

414

00:19:12,980 --> 00:19:09,300

Wisconsin on the controversy over

415

00:19:17,030 --> 00:19:12,990

unidentified flying objects and I just

416

00:19:20,780 --> 00:19:17,040

sort of stuck with it after that and in

417

00:19:22,970 --> 00:19:20,790

1982 I met but Hopkins for the first

418

00:19:25,610 --> 00:19:22,980

time and he introduced me to the

419

00:19:27,620 --> 00:19:25,620

abduction phenomenon which I didn't have

420

00:19:32,780 --> 00:19:27,630

a whole lot of interest in beforehand

421

00:19:34,910 --> 00:19:32,790

and in 1986 four years later I started

422

00:19:40,250 --> 00:19:34,920

doing my own hypnosis with AB deputies

423

00:19:45,250 --> 00:19:40,260

and consequently here we are

424

00:19:48,370 --> 00:19:45,260

uh-huh and you've written several books

425

00:19:50,530 --> 00:19:48,380

well I've published five the first one

426

00:19:53,530 --> 00:19:50,540

was my dissertation with an added

427

00:19:55,870 --> 00:19:53,540

chapter in it more research the second

428

00:19:57,880 --> 00:19:55,880

one was called the UFO controversy in

429

00:20:03,010 --> 00:19:57,890

America published by Indiana University

430

00:20:05,350 --> 00:20:03,020

Press and then the second one was called

431

00:20:08,590 --> 00:20:05,360

secret life which came out 92 which was

432

00:20:11,080 --> 00:20:08,600

about abductions and then five years

433

00:20:13,720 --> 00:20:11,090

later the threat came out which was also

434

00:20:16,090 --> 00:20:13,730

about abductions then I published an

435

00:20:18,430 --> 00:20:16,100

edited book called the UFOs and

436

00:20:23,080 --> 00:20:18,440

abductions challenging the borders of

437

00:20:25,180 --> 00:20:23,090

knowledge and with ten people who were

438

00:20:28,780 --> 00:20:25,190

very involved with the subject including

439

00:20:30,370 --> 00:20:28,790

one sort of debunker and that was

440

00:20:34,060 --> 00:20:30,380

published by the University Press of

441

00:20:35,380 --> 00:20:34,070

Kansas and then my last book and it's

442

00:20:37,900 --> 00:20:35,390

been a long time because they had that

443

00:20:40,630 --> 00:20:37,910

that was Depp was published in year 2000

444

00:20:44,470 --> 00:20:40,640

here it is 15 years later and I've got

445

00:20:47,169 --> 00:20:44,480

another book walking among us uh-huh so

446

00:20:49,510 --> 00:20:47,179

we're gonna talk about that just to let

447

00:20:52,630 --> 00:20:49,520

you know we have a couple things as a

448

00:20:53,830 --> 00:20:52,640

live show we have a call-in number for

449

00:20:56,350 --> 00:20:53,840

the listener out there if you're

450

00:20:58,150 --> 00:20:56,360

listening live six oh three nine six

451
00:20:59,650 --> 00:20:58,160
seven four OH three oh we also have a

452
00:21:01,750 --> 00:20:59,660
chatroom some questions we're already

453
00:21:04,960 --> 00:21:01,760
piling in there a minute ago

454
00:21:07,750 --> 00:21:04,970
and I will get to those but let's first

455
00:21:10,080 --> 00:21:07,760
talk about your book how long why did it

456
00:21:13,840 --> 00:21:10,090
take you so long to write another book

457
00:21:16,780 --> 00:21:13,850
well I was hearing the same things I was

458
00:21:22,090 --> 00:21:16,790
continuing to do loads and loads of UFO

459
00:21:25,419 --> 00:21:22,100
research and starting in 2005 I began to

460
00:21:31,780 --> 00:21:25,429
hear things that were a difference than

461
00:21:34,630 --> 00:21:31,790
what I'd heard before and there was a

462
00:21:40,060 --> 00:21:34,640
2003 now that I think about 2003 I'm

463
00:21:44,950 --> 00:21:40,070

sorry and I waited for other people to

464

00:21:46,299 --> 00:21:44,960

say the same things and pretty soon more

465

00:21:49,169 --> 00:21:46,309

and more people were saying the same

466

00:21:52,750 --> 00:21:49,179

things without knowing about the others

467

00:21:57,320 --> 00:21:52,760

and I eventually decided that this would

468

00:22:00,580 --> 00:21:57,330

be sort of a an ending of my

469

00:22:04,999 --> 00:22:00,590

duction career-type book that is to say

470

00:22:09,019 --> 00:22:05,009

once I wrote what I knew now once I

471

00:22:11,149 --> 00:22:09,029

wrote it up I might be able to just do

472

00:22:15,549 --> 00:22:11,159

what my life's ambition is which is to

473

00:22:19,789 --> 00:22:17,749

but I couldn't get the book published

474

00:22:21,259 --> 00:22:19,799

just could get it tried for several

475

00:22:24,139 --> 00:22:21,269

years couldn't get a publisher could get

476

00:22:29,289 --> 00:22:24,149

it published and this was starting

477

00:22:34,310 --> 00:22:29,299

around night around 2008 or so and

478

00:22:39,289 --> 00:22:34,320

finally I found the press who was that

479

00:22:43,070 --> 00:22:39,299

who was willing to do it and and so it

480

00:22:45,789 --> 00:22:43,080

took 15 years of of research and but

481

00:22:48,379 --> 00:22:45,799

also searching for a publisher Wow now

482

00:22:52,159 --> 00:22:48,389

did you go back to the publishers of

483

00:22:54,019 --> 00:22:52,169

your other four books oh yeah well you

484

00:22:57,320 --> 00:22:54,029

can't publish a book by yourself you

485

00:22:59,029 --> 00:22:57,330

must have an agent and and that's what

486

00:23:03,109 --> 00:22:59,039

she did she went back to Simon and

487

00:23:05,379 --> 00:23:03,119

Schuster and the problem with that's

488

00:23:09,680 --> 00:23:05,389

that happened the Simon & Schuster was

489

00:23:13,930 --> 00:23:09,690

that I I had this book to threat they

490

00:23:17,029 --> 00:23:13,940

had actually requested of the book and

491

00:23:19,609 --> 00:23:17,039

it's a good book it holds up I the

492

00:23:21,799 --> 00:23:19,619

secret life has all has flaws in it now

493

00:23:24,499 --> 00:23:21,809

that I realized no no more no more about

494

00:23:26,119 --> 00:23:24,509

the subject but the threat is very good

495

00:23:30,139 --> 00:23:26,129

it's pretty solid all the way through

496

00:23:31,310 --> 00:23:30,149

and and so everything was fine

497

00:23:32,930 --> 00:23:31,320

everything was great they put me on a

498

00:23:34,639 --> 00:23:32,940

book tour let's say that was for a

499

00:23:37,249 --> 00:23:34,649

secret life and the first place I went

500

00:23:40,639 --> 00:23:37,259

was CNN and then I went to on another

501
00:23:42,680 --> 00:23:40,649
the next day another outlet of some sort

502
00:23:45,529 --> 00:23:42,690
and then we flew to San Fran we were

503
00:23:47,560 --> 00:23:45,539
gonna fly to San Francisco or or we did

504
00:23:52,759 --> 00:23:47,570
fly to San Francisco to do a show and

505
00:23:56,359 --> 00:23:52,769
and then basically it came to a halting

506
00:24:01,249 --> 00:23:56,369
screech when the Monica Lewinsky story

507
00:24:05,450 --> 00:24:01,259
broke and I was canceled on virtually

508
00:24:08,149 --> 00:24:05,460
every show that they had set up and that

509
00:24:10,880 --> 00:24:08,159
was the end of the book tour so that

510
00:24:13,130 --> 00:24:10,890
didn't only affect the White House

511
00:24:18,650 --> 00:24:13,140
affected you as well it was the White

512
00:24:20,780 --> 00:24:18,660
House and so so in other words I never

513
00:24:22,760 --> 00:24:20,790

made up the advances they gave me I'm

514

00:24:24,530 --> 00:24:22,770

still paying it out so to speak I don't

515

00:24:29,690 --> 00:24:24,540

make many any royalties on the book it

516

00:24:33,020 --> 00:24:29,700

all goes for the advance I wanted to say

517

00:24:36,440 --> 00:24:33,030

also just for the listener out there the

518

00:24:39,430 --> 00:24:36,450

music that I just played in this intro

519

00:24:42,680 --> 00:24:39,440

it's called hybrids among us and that is

520

00:24:46,430 --> 00:24:42,690

Mumbai Carrie Lloyd Whitehouse who wrote

521

00:24:49,640 --> 00:24:46,440

this music and dedicated it to Andy

522

00:24:52,789 --> 00:24:49,650

Fleming who used to be on this show

523

00:24:54,620 --> 00:24:52,799

and so that music is available also he

524

00:24:58,490 --> 00:24:54,630

said anyone can download it and use it

525

00:24:59,810 --> 00:24:58,500

and that's right on our sidebar and the

526
00:25:01,789 --> 00:24:59,820
chat room was wondering why I wasn't

527
00:25:03,740 --> 00:25:01,799
active just a few minutes ago and that

528
00:25:05,570 --> 00:25:03,750
is I just want to apologize to everyone

529
00:25:09,500 --> 00:25:05,580
because I just mentioned that we have

530
00:25:12,560 --> 00:25:09,510
our t-shirt graphic contest and while I

531
00:25:15,680 --> 00:25:12,570
was trying madly just a few minutes ago

532
00:25:17,210 --> 00:25:15,690
to get a voting poll in there I deleted

533
00:25:19,220 --> 00:25:17,220
the whole thing so though all the

534
00:25:20,900 --> 00:25:19,230
t-shirt graphics are gone please check

535
00:25:24,680 --> 00:25:20,910
back in a couple of days when I get that

536
00:25:31,760 --> 00:25:26,900
all right so that's enough housekeeping

537
00:25:35,659 --> 00:25:31,770
and so so David you said that you

538
00:25:37,820 --> 00:25:35,669

started your interest in the abductions

539

00:25:41,930 --> 00:25:37,830

all the way back in 1986 is that what I

540

00:25:44,030 --> 00:25:41,940

heard in 82 and 82 I got when I met but

541

00:25:45,500 --> 00:25:44,040

Hopkins he introduced me to I mean I

542

00:25:47,270 --> 00:25:45,510

knew about Barney and Betty Hill and I

543

00:25:52,100 --> 00:25:47,280

read the andreas an affair and some

544

00:25:55,460 --> 00:25:52,110

other stuff but it just didn't seem all

545

00:25:56,990 --> 00:25:55,470

that convincing to me and and and and

546

00:25:58,070 --> 00:25:57,000

the problem with abductions just said

547

00:26:04,280 --> 00:25:58,080

they come straight out of people's

548

00:26:07,310 --> 00:26:04,290

brains as opposed to UFOs where you can

549

00:26:08,930 --> 00:26:07,320

see something you might be mistaken but

550

00:26:11,000 --> 00:26:08,940

there's ways of measuring it there's

551

00:26:13,400 --> 00:26:11,010

radar there's film there's there's all

552

00:26:17,580 --> 00:26:13,410

sorts of things that that we know about

553

00:26:20,310 --> 00:26:17,590

you that we know for evidence about UFOs

554

00:26:21,570 --> 00:26:20,320

with abductions it's mental or it's

555

00:26:24,870 --> 00:26:21,580

happening there's nothing in the middle

556

00:26:28,770 --> 00:26:24,880

you you can't be mistaken about

557

00:26:32,670 --> 00:26:28,780

something you've either making it up

558

00:26:34,850 --> 00:26:32,680

whether you know it or not or it's or

559

00:26:39,540 --> 00:26:34,860

it's happening in reality one of the two

560

00:26:42,210 --> 00:26:39,550

so I was conservative and I went for the

561

00:26:43,860 --> 00:26:42,220

making it up aspect of it even though

562

00:26:46,230 --> 00:26:43,870

Barney Betty Hill were different there

563

00:26:49,260 --> 00:26:46,240

were two different people but one case

564

00:26:51,600 --> 00:26:49,270

like that does not a a world make you

565

00:26:54,060 --> 00:26:51,610

know you have to wait for others of the

566

00:26:56,130 --> 00:26:54,070

same kind and I was much more

567

00:27:01,890 --> 00:26:56,140

comfortable with UFOs to tell you the

568

00:27:03,840 --> 00:27:01,900

truth but Hopkins showed me how he had

569

00:27:05,970 --> 00:27:03,850

me sit in on sessions with him that he

570

00:27:07,740 --> 00:27:05,980

was saying of my hypnosis sessions and

571

00:27:11,040 --> 00:27:07,750

he introduced me to abductees because I

572

00:27:13,320 --> 00:27:11,050

I had never met one before and and he

573

00:27:15,660 --> 00:27:13,330

was extremely gracious and very kind and

574

00:27:21,960 --> 00:27:15,670

very giving in terms of what he was

575

00:27:22,800 --> 00:27:21,970

doing and I it was obvious to me that he

576

00:27:25,200 --> 00:27:22,810

was onto something

577

00:27:26,880 --> 00:27:25,210

I remember I I was directed with the

578

00:27:31,220 --> 00:27:26,890

American Studies program at Temple at

579

00:27:33,900 --> 00:27:31,230

that time and I came back after visiting

580

00:27:35,400 --> 00:27:33,910

turns out that that I had gone on my

581

00:27:39,720 --> 00:27:35,410

wife and I and our baby had gone on

582

00:27:43,920 --> 00:27:39,730

vacation in exactly the same spot that

583

00:27:45,210 --> 00:27:43,930

Budd Hopkins is owns a house and is

584

00:27:48,320 --> 00:27:45,220

there for the whole summer that's in

585

00:27:52,620 --> 00:27:48,330

Wellfleet Massachusetts on Cape Cod and

586

00:27:55,920 --> 00:27:52,630

I came back from from seeing but up in

587

00:27:57,840 --> 00:27:55,930

Wellfleet and I told Allen Hynek who was

588

00:28:00,150 --> 00:27:57,850

a friend of mine of the the Dean of

589

00:28:02,160 --> 00:28:00,160

abduction of the UFO researchers in the

590

00:28:06,030 --> 00:28:02,170

country and farmer advisors to the Air

591

00:28:10,590 --> 00:28:06,040

Force were for UFOs from 1948 to 1969

592

00:28:14,940 --> 00:28:10,600

and I told him that this guy but Hopkins

593

00:28:16,830 --> 00:28:14,950

I think was on to something that I was

594

00:28:19,800 --> 00:28:16,840

impressed by what he was showing me and

595

00:28:22,560 --> 00:28:19,810

telling me you know that and Alan said

596

00:28:24,030 --> 00:28:22,570

no no stay away from that David stay

597

00:28:26,760 --> 00:28:24,040

away from that stuff you just stick with

598

00:28:27,840 --> 00:28:26,770

UFOs don't don't go near that abduction

599

00:28:29,669 --> 00:28:27,850

and stuff

600

00:28:31,500 --> 00:28:29,679

I said I don't know Alan I think he's

601
00:28:34,799 --> 00:28:31,510
got it something here this is this is a

602
00:28:37,320 --> 00:28:34,809
and you know who reiterated that the

603
00:28:40,740 --> 00:28:37,330
that was just not the way to go now he

604
00:28:44,310 --> 00:28:40,750
they just it wasn't in his in his world

605
00:28:46,049 --> 00:28:44,320
you know but I I should have actually

606
00:28:47,580 --> 00:28:46,059
just taken his advice advice and I've

607
00:28:53,130 --> 00:28:47,590
been a happy person for the rest of my

608
00:28:55,919 --> 00:28:53,140
life but I didn't and and so I I got

609
00:28:58,560 --> 00:28:55,929
ensnared and the abduction phenomenon

610
00:29:01,110 --> 00:28:58,570
yeah a couple of things you just

611
00:29:04,320 --> 00:29:01,120
mentioned a minute ago that it all comes

612
00:29:05,880 --> 00:29:04,330
from the brain are there any cases that

613
00:29:09,120 --> 00:29:05,890

you're aware of where there was

614

00:29:12,000 --> 00:29:09,130

witnesses to an abduction that Oh total

615

00:29:13,919 --> 00:29:12,010

bystanders oh absolutely there there are

616

00:29:17,909 --> 00:29:13,929

cases like that but the most famous one

617

00:29:19,320 --> 00:29:17,919

was the Linda Cortile case that but but

618

00:29:21,419 --> 00:29:19,330

Hopkins wrote a book about called

619

00:29:23,549 --> 00:29:21,429

witnessed where I can't remember I think

620

00:29:23,820 --> 00:29:23,559

it was 24 to 29 it was something like

621

00:29:27,690 --> 00:29:23,830

that

622

00:29:31,169 --> 00:29:27,700

of witnesses to the actual event or to

623

00:29:32,760 --> 00:29:31,179

the matters surrounding the event you

624

00:29:35,820 --> 00:29:32,770

know I was I was contacted by someone

625

00:29:37,409 --> 00:29:35,830

that told me that there was new evidence

626
00:29:39,289 --> 00:29:37,419
or something that came up that that was

627
00:29:44,490 --> 00:29:39,299
a hoax do you know anything about that

628
00:29:46,409 --> 00:29:44,500
yes I do it's not a hoax okay so I know

629
00:29:48,919 --> 00:29:46,419
Linda Cortile very well and I knew Budd

630
00:29:51,330 --> 00:29:48,929
and I know how hard he worked

631
00:29:56,760 --> 00:29:51,340
interviewing as many human beings as he

632
00:29:59,820 --> 00:29:56,770
could possibly get and there have

633
00:30:03,870 --> 00:29:59,830
there's a lot of characters around who

634
00:30:07,289 --> 00:30:03,880
really liked tearing people down and you

635
00:30:09,779 --> 00:30:07,299
got to be very careful because the Linda

636
00:30:13,200 --> 00:30:09,789
Cortile case is is a very good case and

637
00:30:14,850 --> 00:30:13,210
a very strong case which you understand

638
00:30:17,070 --> 00:30:14,860

sort of everything that happens now

639

00:30:20,039 --> 00:30:17,080

remember they float through the wall

640

00:30:22,950 --> 00:30:20,049

there's a some type of dignitary in a

641

00:30:24,930 --> 00:30:22,960

limo or something that witness what am I

642

00:30:29,310 --> 00:30:24,940

getting the right one yeah that's the

643

00:30:32,070 --> 00:30:29,320

one actually the the initial aspect of

644

00:30:34,799 --> 00:30:32,080

it was people in their cars on the book

645

00:30:37,860 --> 00:30:34,809

from bridge saw Linda flying out her

646

00:30:43,250 --> 00:30:37,870

window from she lives in

647

00:30:46,470 --> 00:30:43,260

high-rise apartment in New York City and

648

00:30:48,060 --> 00:30:46,480

they there was a UFO and there was three

649

00:30:50,340 --> 00:30:48,070

aliens with her and there were people

650

00:30:54,090 --> 00:30:50,350

who were staring at this with their jaws

651
00:30:57,420 --> 00:30:54,100
open and from their cars and one of them

652
00:31:00,450 --> 00:30:57,430
wrote to Budd saying this is what she

653
00:31:05,820 --> 00:31:00,460
had seen and bud had already done a

654
00:31:09,120 --> 00:31:05,830
session on on that incident and but he

655
00:31:10,680 --> 00:31:09,130
hadn't dug very deeply into it it just

656
00:31:11,850 --> 00:31:10,690
sort of happened it happened then she

657
00:31:15,780 --> 00:31:11,860
described what happened to her on board

658
00:31:16,680 --> 00:31:15,790
the UFO and this and that and nobody

659
00:31:19,799 --> 00:31:16,690
knew that

660
00:31:22,290 --> 00:31:19,809
no nobody this is unknown material

661
00:31:25,380 --> 00:31:22,300
suddenly this woman car writes him then

662
00:31:27,060 --> 00:31:25,390
says on this date in 1989 I saw some

663
00:31:31,200 --> 00:31:27,070

woman coming flying out of my window

664

00:31:35,400 --> 00:31:31,210

with three aliens into a UFO and and

665

00:31:36,930 --> 00:31:35,410

that was that was Linda and she was she

666

00:31:39,660 --> 00:31:36,940

Curtis she correctly identified the

667

00:31:41,549 --> 00:31:39,670

building and what she had seen at the

668

00:31:44,220 --> 00:31:41,559

time and the rest that stuff and as she

669

00:31:46,770 --> 00:31:44,230

says she said to about the car she could

670

00:31:51,480 --> 00:31:46,780

hear people screaming in the cars behind

671

00:31:53,850 --> 00:31:51,490

her Wow that little detail always stuck

672

00:31:56,700 --> 00:31:53,860

in my mind this is just this woman who

673

00:32:01,770 --> 00:31:56,710

lives I guess in upstate New York and it

674

00:32:04,740 --> 00:32:01,780

was there at the time and he then began

675

00:32:08,130 --> 00:32:04,750

to uncover other aspects of it and he

676
00:32:12,120 --> 00:32:08,140
spent an enormous amount of time running

677
00:32:14,010 --> 00:32:12,130
down leads and and and and contacting

678
00:32:16,830 --> 00:32:14,020
people and making sure his case was

679
00:32:20,580 --> 00:32:16,840
solid and all the rest of that and it

680
00:32:23,010 --> 00:32:20,590
was and I've known Lea defer for years

681
00:32:25,820 --> 00:32:23,020
and years and years and years she is not

682
00:32:30,990 --> 00:32:25,830
the kind of a person who is going to

683
00:32:34,400 --> 00:32:31,000
invent a hoax and have over 25 people or

684
00:32:37,139 --> 00:32:34,410
whatever was as part of this hoax

685
00:32:39,779 --> 00:32:37,149
including

686
00:32:41,579 --> 00:32:39,789
these people who witnessed this on the

687
00:32:45,659 --> 00:32:41,589
ground one of whom was a major

688
00:32:48,829 --> 00:32:45,669

international figure and all that you

689

00:32:53,430 --> 00:32:48,839

just this is this

690

00:32:55,529 --> 00:32:53,440

misil take a team of people working for

691

00:33:01,320 --> 00:32:55,539

like for a movie for a year to get all

692

00:33:03,839 --> 00:33:01,330

this just right this is not just not not

693

00:33:05,609 --> 00:33:03,849

possible for one person to do to pull

694

00:33:07,649 --> 00:33:05,619

all these strings and not a single

695

00:33:10,709 --> 00:33:07,659

person coming forward and saying well

696

00:33:12,329 --> 00:33:10,719

you know Linda told me to do this and

697

00:33:14,249 --> 00:33:12,339

she she slipped me a hundred dollar bill

698

00:33:17,879 --> 00:33:14,259

or something like that nothing like that

699

00:33:19,950 --> 00:33:17,889

ever ever ever came about sure now I

700

00:33:21,509 --> 00:33:19,960

noticed um I can hear a little bit of

701
00:33:26,180 --> 00:33:21,519
feedback if you wouldn't mind turning

702
00:33:28,680 --> 00:33:26,190
down your volume just a little bit okay

703
00:33:32,219 --> 00:33:28,690
there's a question up on the message

704
00:33:34,409 --> 00:33:32,229
board for us as for dr. Jacobs is there

705
00:33:37,139 --> 00:33:34,419
other current researchers you have

706
00:33:40,680 --> 00:33:37,149
collaborated with that share your hybrid

707
00:33:43,560 --> 00:33:40,690
alien agenda theory and in parentheses

708
00:33:46,169 --> 00:33:43,570
in parentheses he mentions that you

709
00:33:50,489 --> 00:33:46,179
mentioned deceased researchers such as

710
00:33:54,629 --> 00:33:50,499
Budd Hopkins is there anyone living yeah

711
00:33:58,009 --> 00:33:54,639
I I don't know there's only a handful of

712
00:34:00,779 --> 00:33:58,019
serious researchers in this country it's

713
00:34:03,859 --> 00:34:00,789

absolutely awful

714

00:34:09,000 --> 00:34:03,869

there's Yvonne Smith in LA oh yes and

715

00:34:14,250 --> 00:34:09,010

there's Kathy Martin in Florida and Jed

716

00:34:17,519 --> 00:34:14,260

Turnbull in New York City and there's a

717

00:34:19,409 --> 00:34:17,529

few others but but it's not like there's

718

00:34:21,990 --> 00:34:19,419

there's hundreds of them out there and

719

00:34:26,940 --> 00:34:22,000

just waiting for people to tell them

720

00:34:29,369 --> 00:34:26,950

things and it's it's considered it's

721

00:34:32,159 --> 00:34:29,379

worse now and we used to have more

722

00:34:34,079 --> 00:34:32,169

researchers there was used to be John

723

00:34:36,869 --> 00:34:34,089

Mack you know and of course it was but

724

00:34:43,200 --> 00:34:36,879

and there were there were others as well

725

00:34:45,539 --> 00:34:43,210

who who went on to having a life yes I

726

00:34:47,879 --> 00:34:45,549

just stuck with with the abduction

727

00:34:48,340 --> 00:34:47,889

phenomenon and I guess that Yvonne would

728

00:34:52,320 --> 00:34:48,350

be close

729

00:34:55,570 --> 00:34:52,330

to me and but now I I've had a

730

00:34:59,440 --> 00:34:55,580

tremendous advantage over almost anybody

731

00:35:01,720 --> 00:34:59,450

and everybody because I retired from

732

00:35:05,500 --> 00:35:01,730

Temple University in 2011 but before

733

00:35:09,820 --> 00:35:05,510

that I could spend a lot of time with

734

00:35:11,410 --> 00:35:09,830

abductors I could I taught on a Monday

735

00:35:14,050 --> 00:35:11,420

Wednesday Friday or a Tuesday Thursday

736

00:35:16,300 --> 00:35:14,060

schedule so if I turn on a Tuesday

737

00:35:17,650 --> 00:35:16,310

Thursday schedule I could have time on

738

00:35:22,300 --> 00:35:17,660

Monday Wednesday Friday in my home

739

00:35:24,700 --> 00:35:22,310

office to work with abductees I would

740

00:35:26,230 --> 00:35:24,710

spend yeah between 4 and 5 hours with

741

00:35:29,050 --> 00:35:26,240

each one of them and now we're talking

742

00:35:31,330 --> 00:35:29,060

at the beginning a couple of hours of

743

00:35:34,690 --> 00:35:31,340

hypnosis that an hour of talking at the

744

00:35:36,520 --> 00:35:34,700

end etc and they could come as many

745

00:35:41,140 --> 00:35:36,530

times as they wanted neither bug nor I

746

00:35:44,820 --> 00:35:41,150

ever charged any money for this and I

747

00:35:48,670 --> 00:35:44,830

work with people sometimes for decades

748

00:35:52,000 --> 00:35:48,680

so I could see change over time on I

749

00:35:54,610 --> 00:35:52,010

could understand how this how the

750

00:35:58,030 --> 00:35:54,620

operation of this abduction phenomenon

751
00:36:00,330 --> 00:35:58,040
was going and and I learned how to how

752
00:36:03,580 --> 00:36:00,340
to do a kind of questioning that I is

753
00:36:05,530 --> 00:36:03,590
chronological and logical nothing is

754
00:36:08,050 --> 00:36:05,540
taken for granted everything is sort of

755
00:36:09,670 --> 00:36:08,060
logical now I shouldn't say nothing is

756
00:36:12,640 --> 00:36:09,680
taken for granted because of I'm working

757
00:36:15,160 --> 00:36:12,650
with somebody for the 40th time then

758
00:36:16,750 --> 00:36:15,170
when she says to me well I got up on a

759
00:36:18,310 --> 00:36:16,760
table and do I have to go through all

760
00:36:21,940 --> 00:36:18,320
what they did on the table and I'll say

761
00:36:23,230 --> 00:36:21,950
no because I've already heard hundreds

762
00:36:24,550 --> 00:36:23,240
of hundreds and hundreds of cases of

763
00:36:26,590 --> 00:36:24,560

people's on table I know what they do

764

00:36:28,090 --> 00:36:26,600

and I've heard her many times and that

765

00:36:28,720 --> 00:36:28,100

what they do so will go on to other

766

00:36:35,050 --> 00:36:28,730

things

767

00:36:39,220 --> 00:36:35,060

but so so I but I became very much aware

768

00:36:40,960 --> 00:36:39,230

of change over time hey keep that

769

00:36:44,290 --> 00:36:40,970

thought just one second I just want to

770

00:36:47,230 --> 00:36:44,300

address this up collar person just tried

771

00:36:49,180 --> 00:36:47,240

to call in please be patient I can't

772

00:36:52,450 --> 00:36:49,190

always answer right away

773

00:36:54,460 --> 00:36:52,460

so if you're you try to call in and I

774

00:36:56,680 --> 00:36:54,470

couldn't answer please do try to call in

775

00:36:59,470 --> 00:36:56,690

and just be patient I'll get right to

776

00:37:01,180 --> 00:36:59,480

you as soon as I can okay keep going if

777

00:37:06,250 --> 00:37:01,190

you would

778

00:37:09,640 --> 00:37:06,260

well the point is is that that I I was

779

00:37:11,589 --> 00:37:09,650

fortunate to have the time and people

780

00:37:13,779 --> 00:37:11,599

could come as many times as they wanted

781

00:37:15,700 --> 00:37:13,789

to they could they could stop a lot of

782

00:37:21,520 --> 00:37:15,710

them stop coming after one session that

783

00:37:25,750 --> 00:37:21,530

was it and and but there's one person

784

00:37:29,289 --> 00:37:25,760

for example named Karen Morgan who's in

785

00:37:31,059 --> 00:37:29,299

my new book and she's in secret life

786

00:37:33,700 --> 00:37:31,069

she's in the threat and she's in my new

787

00:37:37,620 --> 00:37:33,710

book and each one you can see that you

788

00:37:41,890 --> 00:37:37,630

change over time and in that and those

789

00:37:47,230 --> 00:37:41,900

and so III could spend a lot of time

790

00:37:49,120 --> 00:37:47,240

with them and and mmin Tangis having

791

00:37:53,319 --> 00:37:49,130

let's just say it's a lot of time for

792

00:37:55,180 --> 00:37:53,329

two hours and a lot of people who were

793

00:37:56,559 --> 00:37:55,190

having the therapists do this and you

794

00:38:01,089 --> 00:37:56,569

know they can only afford it so much

795

00:38:02,950 --> 00:38:01,099

time and they eat a person and they

796

00:38:05,410 --> 00:38:02,960

asked a bunch of questions this and that

797

00:38:06,760 --> 00:38:05,420

this and then it's time to go now they

798

00:38:07,480 --> 00:38:06,770

have to talk to the person first and

799

00:38:09,839 --> 00:38:07,490

they have to talk to the person

800

00:38:16,420 --> 00:38:09,849

afterwards too you know so so there's

801

00:38:19,569 --> 00:38:16,430

and and it's a different sort of I don't

802

00:38:23,950 --> 00:38:19,579

know environment with me I have a home

803

00:38:26,500 --> 00:38:23,960

office and all that so I was extremely

804

00:38:32,859 --> 00:38:26,510

fortunate extremely fortunate and my

805

00:38:35,410 --> 00:38:32,869

wife bore everything with dignity we

806

00:38:37,000 --> 00:38:35,420

have been married my wife died earlier

807

00:38:39,430 --> 00:38:37,010

this year but we would be married for 51

808

00:38:43,839 --> 00:38:39,440

years so she was in on everything and

809

00:38:47,230 --> 00:38:43,849

she she was was perfectly fine with with

810

00:38:49,289 --> 00:38:47,240

my spending all my time with with

811

00:38:51,430 --> 00:38:49,299

abduction people with abductors you know

812

00:38:53,769 --> 00:38:51,440

so everything just sort of fell into

813

00:38:55,890 --> 00:38:53,779

place everything everything was was good

814

00:38:58,329 --> 00:38:55,900

for me in terms of doing this research

815

00:39:00,910 --> 00:38:58,339

and the same thing with but from anyway

816

00:39:02,410 --> 00:39:00,920

he was he was an artist he had all he

817

00:39:05,140 --> 00:39:02,420

had time that he could put aside for

818

00:39:08,200 --> 00:39:05,150

doing abduction research now here's the

819

00:39:09,819 --> 00:39:08,210

problem now supposing somebody young

820

00:39:11,470 --> 00:39:09,829

comes along and he wants to be an

821

00:39:12,280 --> 00:39:11,480

abduction research and he wants to do

822

00:39:16,570 --> 00:39:12,290

hip

823

00:39:21,880 --> 00:39:16,580

of abductees and he sir she is that's

824

00:39:26,770 --> 00:39:21,890

just a 23 the question is is he going to

825

00:39:32,500 --> 00:39:26,780

be able to do significance experiments

826

00:39:34,480 --> 00:39:32,510

with people who are 63 are they going to

827

00:39:37,540 --> 00:39:34,490

tell him the intimate details of their

828

00:39:39,430 --> 00:39:37,550

personal life including sexual and

829

00:39:42,820 --> 00:39:39,440

reproductive material that happens on

830

00:39:45,130 --> 00:39:42,830

board to a 23 year old to a kid who's

831

00:39:51,040 --> 00:39:45,140

sitting there the answer is that's been

832

00:39:52,900 --> 00:39:51,050

tried and it doesn't work so you have to

833

00:39:56,410 --> 00:39:52,910

get somebody who's older let's just say

834

00:40:00,700 --> 00:39:56,420

in their 40s who could do this kind of

835

00:40:04,150 --> 00:40:00,710

work because it is intimate and it's

836

00:40:09,310 --> 00:40:04,160

it's it relates to people's entire lives

837

00:40:12,600 --> 00:40:09,320

and but one person is 40 they already

838

00:40:16,720 --> 00:40:12,610

have a career there are 9 to 5 worker or

839

00:40:19,090 --> 00:40:16,730

9 to 12 as the case may be these days at

840

00:40:20,500 --> 00:40:19,100

night you know the the people work

841

00:40:24,310 --> 00:40:20,510

longer and harder now than ever before

842

00:40:28,060 --> 00:40:24,320

and they they're married they have kids

843

00:40:30,040 --> 00:40:28,070

and and that you know it's it they can't

844

00:40:32,680 --> 00:40:30,050

go through the training it takes to

845

00:40:35,080 --> 00:40:32,690

become an abduction investigator and

846

00:40:36,780 --> 00:40:35,090

then spend four or five hours several

847

00:40:40,930 --> 00:40:36,790

times a week with somebody it's just

848

00:40:43,780 --> 00:40:40,940

it's very very very difficult to get

849

00:40:46,960 --> 00:40:43,790

anybody to do this and to do it right

850

00:40:48,790 --> 00:40:46,970

that's the problem right first of all I

851
00:40:51,490 --> 00:40:48,800
want to say and also up in the message

852
00:40:54,940 --> 00:40:51,500
board as well we're sorry to hear about

853
00:40:56,440 --> 00:40:54,950
your wife your loss oh thank you thank

854
00:40:59,730 --> 00:40:56,450
you yeah

855
00:41:02,110 --> 00:40:59,740
now there is a question up going back to

856
00:41:06,130 --> 00:41:02,120
Linda how do you say her last name court

857
00:41:08,470 --> 00:41:06,140
to court a party oh yeah yeah someone

858
00:41:12,130 --> 00:41:08,480
want to know do you know what motive

859
00:41:19,480 --> 00:41:12,140
Budd Hopkins ex-wife said the reason

860
00:41:21,670 --> 00:41:19,490
Linda Cortile was a fraud I know I read

861
00:41:26,970 --> 00:41:21,680
certain things

862
00:41:29,559 --> 00:41:26,980
aha that but Hopkins wife ex-wife said

863
00:41:34,559 --> 00:41:29,569

this was a wife that he had divorced

864

00:41:40,779 --> 00:41:34,569

before he died and and they were not

865

00:41:42,970 --> 00:41:40,789

let's just say I've read a few things -

866

00:41:43,359 --> 00:41:42,980

yeah well so I know what you're talking

867

00:41:46,180 --> 00:41:43,369

about

868

00:41:48,970 --> 00:41:46,190

they didn't part on such good terms they

869

00:41:53,230 --> 00:41:48,980

did not part on good terms and the

870

00:41:55,839 --> 00:41:53,240

Carroll a sort of went on a campaign to

871

00:41:57,999 --> 00:41:55,849

discredit him and if you know anything

872

00:42:01,859 --> 00:41:58,009

about Budd Hopkins or had ever met him

873

00:42:05,499 --> 00:42:01,869

you would realize how intelligence

874

00:42:08,319 --> 00:42:05,509

gracious and kind he was and there was

875

00:42:13,180 --> 00:42:08,329

not a crooked bone in his body I will

876

00:42:18,819 --> 00:42:13,190

say that he was a straight shooter he he

877

00:42:22,269 --> 00:42:18,829

did uncover a plot to sort of discredit

878

00:42:27,519 --> 00:42:22,279

him a guy who was who was lying to him

879

00:42:29,739 --> 00:42:27,529

and and and he did his due diligence and

880

00:42:31,479 --> 00:42:29,749

he the guy had told him some stories and

881

00:42:35,519 --> 00:42:31,489

he checked them out and they were not

882

00:42:39,489 --> 00:42:35,529

true and and he they found someone and

883

00:42:41,049 --> 00:42:39,499

you know it happens that way he worked

884

00:42:42,729 --> 00:42:41,059

with a lot more people than I worked

885

00:42:44,410 --> 00:42:42,739

with but then again I worked with people

886

00:42:47,259 --> 00:42:44,420

for a longer periods of time

887

00:42:52,269 --> 00:42:47,269

and although with Linda he worked with

888

00:42:53,710 --> 00:42:52,279

Linda for a long time and Linda I'm not

889

00:42:56,319 --> 00:42:53,720

exactly sure what she was referring to

890

00:42:58,150 --> 00:42:56,329

because she did a sort of scattergun

891

00:43:00,940 --> 00:42:58,160

thing that there was this was wrong and

892

00:43:04,569 --> 00:43:00,950

that was wrong and his all sorts of

893

00:43:06,609 --> 00:43:04,579

other things he did was wrong I don't

894

00:43:08,910 --> 00:43:06,619

agree with her but I will say this for

895

00:43:12,579 --> 00:43:08,920

myself

896

00:43:16,870 --> 00:43:12,589

there is no you have to learn how to do

897

00:43:19,630 --> 00:43:16,880

this on the fly there's no book that

898

00:43:22,809 --> 00:43:19,640

shows you exactly how to do hypnosis

899

00:43:23,470 --> 00:43:22,819

with abductees everything is new as it

900

00:43:25,690 --> 00:43:23,480

comes along

901
00:43:28,569 --> 00:43:25,700
and not everything but you're constantly

902
00:43:30,069 --> 00:43:28,579
seeing new things and and you had to

903
00:43:32,170 --> 00:43:30,079
make the decision is this correct is it

904
00:43:37,089 --> 00:43:32,180
not correct and all that

905
00:43:40,000 --> 00:43:37,099
but when you do it you're you're you're

906
00:43:41,920 --> 00:43:40,010
making new pathways you're clearing the

907
00:43:43,990 --> 00:43:41,930
trail for other people to come along and

908
00:43:46,210 --> 00:43:44,000
also do it and that's what that's what

909
00:43:51,420 --> 00:43:46,220
bud did and I hope that's what I'm doing

910
00:43:55,630 --> 00:43:51,430
as well but but the Linda Cortile case

911
00:43:59,079 --> 00:43:55,640
might have an oddity here and an oddity

912
00:44:01,510 --> 00:43:59,089
there but in Hana hoe this is a good

913
00:44:04,000 --> 00:44:01,520

strong case as I said I've known Linda

914

00:44:06,880 --> 00:44:04,010

for for many many years

915

00:44:09,190 --> 00:44:06,890

I also with question why bud would spend

916

00:44:10,660 --> 00:44:09,200

so much time with her if she was a fraud

917

00:44:13,390 --> 00:44:10,670

he wouldn't I mean that wouldn't make

918

00:44:20,700 --> 00:44:13,400

any sense to me he would have detected

919

00:44:27,069 --> 00:44:20,710

it right away but but that bud was

920

00:44:30,160 --> 00:44:27,079

extremely smart and just would not have

921

00:44:31,930 --> 00:44:30,170

it's not possible for us well anything

922

00:44:34,690 --> 00:44:31,940

is possible but it's not possible in my

923

00:44:38,349 --> 00:44:34,700

opinion that that that would have

924

00:44:42,220 --> 00:44:38,359

happened with Linda Linda is is not a

925

00:44:45,220 --> 00:44:42,230

hoaxer she is she didn't there was no

926
00:44:49,630 --> 00:44:45,230
reason to be a hoaxer there was nothing

927
00:44:51,099 --> 00:44:49,640
in it for her other than the event that

928
00:44:52,510 --> 00:44:51,109
happened along with a whole bunch of

929
00:44:54,010 --> 00:44:52,520
other events that happened that nobody

930
00:44:58,359 --> 00:44:54,020
knows about this she's an abductee it's

931
00:45:01,210 --> 00:44:58,369
happened all her life and and there's

932
00:45:03,760 --> 00:45:01,220
there's nothing makes everything makes

933
00:45:05,589 --> 00:45:03,770
sense if she's an abductee and had this

934
00:45:07,329 --> 00:45:05,599
experience and nothing makes sense if

935
00:45:09,789 --> 00:45:07,339
she's an advocate and didn't have this

936
00:45:11,710 --> 00:45:09,799
experience right just again

937
00:45:14,230 --> 00:45:11,720
someone tried to call in and it missed

938
00:45:16,780 --> 00:45:14,240

you if you're listening and trying to

939

00:45:18,970 --> 00:45:16,790

call and please be patient because a

940

00:45:20,530 --> 00:45:18,980

little behind the scenes here I have

941

00:45:22,900 --> 00:45:20,540

different computers that I'm looking at

942

00:45:25,150 --> 00:45:22,910

ones that in a chat room on one side and

943

00:45:26,829 --> 00:45:25,160

then the phone calls on another side so

944

00:45:30,640 --> 00:45:26,839

I don't want to miss your call we can

945

00:45:33,569 --> 00:45:30,650

call again if you would let's see there

946

00:45:37,329 --> 00:45:33,579

was another question up on the board but

947

00:45:39,819 --> 00:45:37,339

excuse me one of the things they always

948

00:45:44,620 --> 00:45:39,829

you always hear and I always wonder

949

00:45:46,240 --> 00:45:44,630

about is people always say they accuse

950

00:45:50,200 --> 00:45:46,250

people that do

951
00:45:52,060 --> 00:45:50,210
rushon of leading the person and what do

952
00:45:55,090 --> 00:45:52,070
you what do you say if I have to say

953
00:45:57,550 --> 00:45:55,100
about that right well almost everybody

954
00:45:59,680 --> 00:45:57,560
who comes to me knows two things number

955
00:46:01,870 --> 00:45:59,690
one they don't want to be led by the

956
00:46:04,330 --> 00:46:01,880
hypnotist I think that there are a

957
00:46:07,030 --> 00:46:04,340
teapot or a chicken or something like

958
00:46:08,680 --> 00:46:07,040
that and they don't want to pick up

959
00:46:10,420 --> 00:46:08,690
things in popular culture and then

960
00:46:13,000 --> 00:46:10,430
parrot them back to me as if it happened

961
00:46:16,240 --> 00:46:13,010
to them they are all aware of that this

962
00:46:18,190 --> 00:46:16,250
is not arcane information you know what

963
00:46:20,200 --> 00:46:18,200

I mean this is just everybody knows that

964

00:46:21,730 --> 00:46:20,210

that that a hypnotist can make people do

965

00:46:24,250 --> 00:46:21,740

things that they don't realize they're

966

00:46:27,760 --> 00:46:24,260

doing and all that well what I do is

967

00:46:29,500 --> 00:46:27,770

simple relaxation techniques and bud

968

00:46:31,690 --> 00:46:29,510

learned them from a psychologist who he

969

00:46:34,270 --> 00:46:31,700

worked with originally who did the

970

00:46:36,400 --> 00:46:34,280

hypnosis and then I learned him from bud

971

00:46:37,780 --> 00:46:36,410

and it's just muscle relaxation and then

972

00:46:40,270 --> 00:46:37,790

a little bit of deepening and then I

973

00:46:43,480 --> 00:46:40,280

just ask questions and people will say

974

00:46:46,240 --> 00:46:43,490

to me David I don't think I'm hypnotized

975

00:46:47,650 --> 00:46:46,250

and I'll say it doesn't matter it

976
00:46:51,370 --> 00:46:47,660
doesn't matter just says close your eyes

977
00:46:53,200 --> 00:46:51,380
lay back down and it doesn't matter and

978
00:46:55,420 --> 00:46:53,210
then I started asking questions you know

979
00:46:56,890 --> 00:46:55,430
I might do a tiny bit of outcome from 3

980
00:46:58,420 --> 00:46:56,900
to 1 and you feel more and more relaxed

981
00:47:00,880 --> 00:46:58,430
something like that and that'll be it

982
00:47:03,960 --> 00:47:00,890
and that's it and they you know I say I

983
00:47:07,960 --> 00:47:03,970
gotta go to the bathroom I say okay fine

984
00:47:09,930 --> 00:47:07,970
I just continue questioning and then

985
00:47:13,030 --> 00:47:09,940
we'll have a discussion about something

986
00:47:15,460 --> 00:47:13,040
yeah that's relates to it during this

987
00:47:17,500 --> 00:47:15,470
session and then I'll just continue out

988
00:47:19,510 --> 00:47:17,510

with my questioning it's not like

989

00:47:20,680 --> 00:47:19,520

they're in a trance and they they don't

990

00:47:22,360 --> 00:47:20,690

know what they're saying or they're

991

00:47:25,210 --> 00:47:22,370

doing or they're thinking to themselves

992

00:47:27,970 --> 00:47:25,220

especially in the first session they're

993

00:47:30,190 --> 00:47:27,980

thinking to themselves this is the

994

00:47:32,680 --> 00:47:30,200

dumbest question I ever heard of my life

995

00:47:36,330 --> 00:47:32,690

should I even give this guy a benefit of

996

00:47:39,160 --> 00:47:36,340

an answer that's what they're thinking

997

00:47:40,540 --> 00:47:39,170

they're so worried about hypnosis the

998

00:47:42,670 --> 00:47:40,550

night before some of them don't get

999

00:47:44,800 --> 00:47:42,680

sleep I have to warn them about this

1000

00:47:48,940 --> 00:47:44,810

beforehand after they do their first

1001
00:47:50,800 --> 00:47:48,950
session with me it never ever occurs to

1002
00:47:54,700 --> 00:47:50,810
them to think about hypnosis as

1003
00:47:56,350 --> 00:47:54,710
something to fear ever again just once

1004
00:47:58,450 --> 00:47:56,360
they realize they're in total and

1005
00:47:59,800 --> 00:47:58,460
complete control they're thinking about

1006
00:48:01,450 --> 00:47:59,810
the questions I thinking

1007
00:48:03,520 --> 00:48:01,460
about whether there's a correct question

1008
00:48:07,000 --> 00:48:03,530
or not and this and that and and they

1009
00:48:08,740 --> 00:48:07,010
realize that it's just trying to dip

1010
00:48:11,970 --> 00:48:08,750
into these memories that are hidden

1011
00:48:17,710 --> 00:48:11,980
beneath the surface it's probably a

1012
00:48:19,960 --> 00:48:17,720
short-circuiting of the of the too many

1013
00:48:22,780 --> 00:48:19,970

statins in my brain I have no memory

1014

00:48:25,990 --> 00:48:22,790

left anymore of your short-term memory

1015

00:48:29,500 --> 00:48:26,000

short-term memory cannot dig into the

1016

00:48:31,480 --> 00:48:29,510

other long-term memories where the where

1017

00:48:35,890 --> 00:48:31,490

the event is probably laid down I think

1018

00:48:38,760 --> 00:48:35,900

I guess I surmise okay just switching

1019

00:48:42,730 --> 00:48:38,770

gears here for just a minute and that is

1020

00:48:45,730 --> 00:48:42,740

so Travis Walton probably wasn't your

1021

00:48:47,560 --> 00:48:45,740

average abductee he claims himself that

1022

00:48:49,980 --> 00:48:47,570

he thinks it was almost more or less

1023

00:48:54,190 --> 00:48:49,990

like a rescue mission once he was apt

1024

00:48:57,790 --> 00:48:54,200

with that beam but I questioned

1025

00:49:00,910 --> 00:48:57,800

Alejandro Rojas asked earlier on and the

1026

00:49:04,900 --> 00:49:00,920

news was what does David Jacobs think of

1027

00:49:06,460 --> 00:49:04,910

the Travis Walton case well Travis is a

1028

00:49:10,900 --> 00:49:06,470

friend of mine and I've known him for

1029

00:49:15,420 --> 00:49:10,910

many years and and he's an extremely

1030

00:49:21,520 --> 00:49:15,430

intelligent extremely thoughtful person

1031

00:49:22,990 --> 00:49:21,530

and he's if he is an abductee and I

1032

00:49:25,000 --> 00:49:23,000

think he is that means that he

1033

00:49:27,190 --> 00:49:25,010

automatically has had abduction

1034

00:49:29,740 --> 00:49:27,200

experiences since since he was a young

1035

00:49:31,090 --> 00:49:29,750

child and they're probably continuing

1036

00:49:33,630 --> 00:49:31,100

now because that's what happens

1037

00:49:36,160 --> 00:49:33,640

basically with all abductees its

1038

00:49:38,140 --> 00:49:36,170

intergenerational you're an abductee

1039

00:49:41,110 --> 00:49:38,150

because your mother or your father was

1040

00:49:43,450 --> 00:49:41,120

an abductee and then you become an

1041

00:49:47,740 --> 00:49:43,460

abductee then if you get married and

1042

00:49:49,510 --> 00:49:47,750

have kids they become app duck T's and

1043

00:49:53,340 --> 00:49:49,520

hang on a second I have to get an animal

1044

00:49:55,990 --> 00:49:53,350

off my lap okay Carrie later later later

1045

00:50:05,620 --> 00:49:56,000

she'll pour into the microphone that's

1046

00:50:08,800 --> 00:50:05,630

the problem so the problem is he's he

1047

00:50:09,940 --> 00:50:08,810

only remembered 20 minutes of a five-day

1048

00:50:15,930 --> 00:50:09,950

event

1049

00:50:18,700 --> 00:50:15,940

hmm and has not wanted to do hypnosis on

1050

00:50:24,010 --> 00:50:18,710

that advant or any other announced that

1051

00:50:25,599 --> 00:50:24,020

he might have had and so and so we

1052

00:50:29,079 --> 00:50:25,609

really don't know what happened to him

1053

00:50:31,690 --> 00:50:29,089

in essence onboard the UFO and I know

1054

00:50:35,319 --> 00:50:31,700

that he's come up he's been trying to to

1055

00:50:37,539 --> 00:50:35,329

make sense of it and he's come up with

1056

00:50:39,190 --> 00:50:37,549

on his own ideas about how they they

1057

00:50:42,940 --> 00:50:39,200

helped him or whatever or whatever it

1058

00:50:47,950 --> 00:50:42,950

was but that's not what other other

1059

00:50:52,359 --> 00:50:47,960

people say and I examined the five-day

1060

00:50:55,900 --> 00:50:52,369

event once with with a woman and known

1061

00:51:02,349 --> 00:50:55,910

as her name is Allison Reid and I have I

1062

00:51:04,200 --> 00:51:02,359

have 24 hours I guess of testimony from

1063

00:51:07,480 --> 00:51:04,210

that eight if I've got five-day event

1064

00:51:12,280 --> 00:51:07,490

she came I think four eight three hour

1065

00:51:14,380 --> 00:51:12,290

sessions of hypnosis just describing

1066

00:51:16,839 --> 00:51:14,390

what happened to her and that's the way

1067

00:51:20,470 --> 00:51:16,849

it kind of has to be when you're gone

1068

00:51:22,180 --> 00:51:20,480

for five days and so not only would not

1069

00:51:23,950 --> 00:51:22,190

only her but her husband and her child

1070

00:51:26,349 --> 00:51:23,960

as well

1071

00:51:29,829 --> 00:51:26,359

and there were certain aspects of their

1072

00:51:30,339 --> 00:51:29,839

lives at that time where nobody missed

1073

00:51:33,460 --> 00:51:30,349

them

1074

00:51:36,760 --> 00:51:33,470

they had just moved to Florida or

1075

00:51:40,839 --> 00:51:36,770

someplace they did not have jobs yet

1076

00:51:43,180 --> 00:51:40,849

they were not set up yet and so and they

1077

00:51:45,539 --> 00:51:43,190

were all taken at that time and for five

1078

00:51:52,530 --> 00:51:45,549

days and nobody knew that they were gone

1079

00:51:55,569 --> 00:51:52,540

so the fact is though that that that

1080

00:51:58,809 --> 00:51:55,579

Travis's case was astounding because it

1081

00:52:02,770 --> 00:51:58,819

was witnessed mm-hmm at least there was

1082

00:52:06,549 --> 00:52:02,780

a witnessing of a UFO flashing a light

1083

00:52:08,740 --> 00:52:06,559

at at Travis and then him falling

1084

00:52:11,530 --> 00:52:08,750

backwards and all that and and then not

1085

00:52:13,539 --> 00:52:11,540

being there when when people you know

1086

00:52:14,559 --> 00:52:13,549

charged off in their truck as worker

1087

00:52:16,390 --> 00:52:14,569

fellow workers and then came back

1088

00:52:20,819 --> 00:52:16,400

looking for him and they never Annie

1089

00:52:23,930 --> 00:52:20,829

wasn't there but they saw a UFO in

1090

00:52:26,490 --> 00:52:23,940

conversation so to speak with

1091

00:52:31,620 --> 00:52:26,500

and that's good enough

1092

00:52:34,829 --> 00:52:31,630

that's a witnessed event so and once

1093

00:52:36,569 --> 00:52:34,839

again Chavis is not a person who lies or

1094

00:52:39,930 --> 00:52:36,579

anything like that he's not he's not a

1095

00:52:42,299 --> 00:52:39,940

charlatan but he has built you know

1096

00:52:46,279 --> 00:52:42,309

these ideas that he thinks makes sense

1097

00:52:48,569 --> 00:52:46,289

to him but maybe perhaps don't don't

1098

00:52:50,279 --> 00:52:48,579

aren't the same as what everybody else

1099

00:52:54,089 --> 00:52:50,289

is saying because they know more about

1100

00:52:57,079 --> 00:52:54,099

their own backgrounds yeah I would think

1101
00:52:59,849 --> 00:52:57,089
that in Travis's case that was a one-off

1102
00:53:02,549 --> 00:52:59,859
situation under the circumstances that

1103
00:53:05,940 --> 00:53:02,559
he wasn't abducted since childhood he I

1104
00:53:07,529 --> 00:53:05,950
mean when I asked him about that he said

1105
00:53:10,319 --> 00:53:07,539
no that was the only time that he was

1106
00:53:12,539 --> 00:53:10,329
aware of are you thinking that he may

1107
00:53:17,370 --> 00:53:12,549
have been abducted and not realize it

1108
00:53:19,140 --> 00:53:17,380
well if that were the case that would be

1109
00:53:22,799 --> 00:53:19,150
the first time we've ever heard of

1110
00:53:27,809 --> 00:53:22,809
anybody being abducted especially for

1111
00:53:30,269 --> 00:53:27,819
five days and and it was the only time

1112
00:53:32,730 --> 00:53:30,279
ever i but you have to remember that

1113
00:53:35,009 --> 00:53:32,740

most abductees and I'm gonna guess here

1114

00:53:37,410 --> 00:53:35,019

maybe 90 to 95 percent of them do not

1115

00:53:40,769 --> 00:53:37,420

know that their abductors this is a

1116

00:53:42,960 --> 00:53:40,779

clandestine phenomenon it is secret and

1117

00:53:44,579 --> 00:53:42,970

the way in which you start secrecy is

1118

00:53:47,130 --> 00:53:44,589

you keep it secret from the person that

1119

00:53:49,740 --> 00:53:47,140

had happened to so most people do not

1120

00:53:53,759 --> 00:53:49,750

know that they're abductees who are

1121

00:53:59,130 --> 00:53:53,769

abductees in other words they they might

1122

00:54:04,920 --> 00:53:59,140

lead unusual lives they see angels they

1123

00:54:06,660 --> 00:54:04,930

see Devils demons whatever they see in

1124

00:54:08,999 --> 00:54:06,670

their bedroom are on their living room

1125

00:54:10,859 --> 00:54:09,009

or whatever they see dead people who

1126
00:54:15,019 --> 00:54:10,869
have come back to say goodbye to them or

1127
00:54:17,339 --> 00:54:15,029
whatever they travel on the astral plane

1128
00:54:18,779 --> 00:54:17,349
one guy was telling me he travels on the

1129
00:54:22,349 --> 00:54:18,789
astral plane the funniest thing was is

1130
00:54:23,759 --> 00:54:22,359
he could see all the leaves and and dirt

1131
00:54:27,180 --> 00:54:23,769
and stuff that had gotten into his

1132
00:54:29,160 --> 00:54:27,190
gutters on top of his roof and I thought

1133
00:54:31,049 --> 00:54:29,170
to myself wow if you're traveling in the

1134
00:54:33,510 --> 00:54:31,059
astral plane yeah that would be an

1135
00:54:38,150 --> 00:54:33,520
interesting memory to have

1136
00:54:47,370 --> 00:54:44,100
so and type-a personality you know so

1137
00:54:49,350 --> 00:54:47,380
the point is though that every single

1138
00:54:52,040 --> 00:54:49,360

abductee I have worked with and I think

1139

00:54:54,780 --> 00:54:52,050

probably everyone that butters work done

1140

00:54:57,450 --> 00:54:54,790

have have had these experiences since

1141

00:55:01,040 --> 00:54:57,460

they were children and will continue

1142

00:55:03,930 --> 00:55:01,050

into old age it stops somewhere in

1143

00:55:07,050 --> 00:55:03,940

innovate we don't see a whole lot of

1144

00:55:10,350 --> 00:55:07,060

people who are 80 years old let's just

1145

00:55:12,690 --> 00:55:10,360

say on board a UFO that is when when

1146

00:55:15,330 --> 00:55:12,700

people are abducted into a larger UFO

1147

00:55:17,190 --> 00:55:15,340

they sit in a room a circular room they

1148

00:55:19,770 --> 00:55:17,200

wear clothes are you moved and they wait

1149

00:55:22,950 --> 00:55:19,780

their turn to be processed for whatever

1150

00:55:26,070 --> 00:55:22,960

they're going to have to be doing and

1151

00:55:28,230 --> 00:55:26,080

I'll ask them well are there you know

1152

00:55:30,030 --> 00:55:28,240

men and women there and they'll say yes

1153

00:55:31,980 --> 00:55:30,040

and I say I chose you see any children

1154

00:55:36,150 --> 00:55:31,990

Oh sometimes yes and most the time

1155

00:55:41,820 --> 00:55:36,160

though and and though sometimes you know

1156

00:55:45,590 --> 00:55:41,830

remember somebody who was abducted or

1157

00:55:50,190 --> 00:55:45,600

whatever but the fact is though that all

1158

00:55:54,480 --> 00:55:50,200

that can easily be forgotten and and as

1159

00:55:56,430 --> 00:55:54,490

soon as they leave you know it's it's

1160

00:55:58,410 --> 00:55:56,440

gone from their memory but at least I

1161

00:56:02,310 --> 00:55:58,420

asked him sometimes do you see anybody

1162

00:56:07,620 --> 00:56:02,320

who's really really old and they almost

1163

00:56:10,980 --> 00:56:07,630

always say no wow so we think it stops

1164

00:56:13,859 --> 00:56:10,990

somewhere in an old age somewhere in an

1165

00:56:16,980 --> 00:56:13,869

old age but we can't be sure what we

1166

00:56:20,040 --> 00:56:16,990

don't really know it's just as baffling

1167

00:56:22,020 --> 00:56:20,050

as the whole rest of it someone wanted

1168

00:56:24,660 --> 00:56:22,030

to know on the message board do you

1169

00:56:27,270 --> 00:56:24,670

share your techniques with others that

1170

00:56:29,660 --> 00:56:27,280

are looking to get into this process yes

1171

00:56:32,760 --> 00:56:29,670

but I put together a packet of materials

1172

00:56:34,410 --> 00:56:32,770

about a hundred years ago that we still

1173

00:56:37,410 --> 00:56:34,420

say that I still send out to people if

1174

00:56:39,530 --> 00:56:37,420

they asked for it but my next book will

1175

00:56:43,500 --> 00:56:39,540

be how to do hypnosis without duct tease

1176
00:56:46,200 --> 00:56:43,510
and I think that the the market for that

1177
00:56:50,990 --> 00:56:46,210
it'll probably be well into the tens

1178
00:56:54,329 --> 00:56:51,000
tens so I will self publish that book

1179
00:56:56,010 --> 00:56:54,339
tens intense big seller that's what

1180
00:56:56,250 --> 00:56:56,020
you're thinking right well you never

1181
00:57:01,380 --> 00:56:56,260
know

1182
00:57:04,589 --> 00:57:01,390
numbers of people that think they've

1183
00:57:06,750 --> 00:57:04,599
been abducted and what is your thought

1184
00:57:09,720 --> 00:57:06,760
Anatomy some people are saying millions

1185
00:57:12,570 --> 00:57:09,730
of people oh yeah

1186
00:57:14,579 --> 00:57:12,580
millions of people is this is a global

1187
00:57:16,859 --> 00:57:14,589
phenomenon this is not an American

1188
00:57:19,290 --> 00:57:16,869

phenomenon we're not special

1189

00:57:23,160 --> 00:57:19,300

so aliens have come here because we are

1190

00:57:25,230 --> 00:57:23,170

Americans that that I but and I have

1191

00:57:33,540 --> 00:57:25,240

worked with people from around the world

1192

00:57:35,220 --> 00:57:33,550

and Oh caller hello yes sorry sorry I

1193

00:57:39,990 --> 00:57:35,230

meant to add you the call I'm gonna have

1194

00:57:42,300 --> 00:57:40,000

to hang up I'm sorry yeah sorry about

1195

00:57:44,760 --> 00:57:42,310

that it was I totally pressed the wrong

1196

00:57:46,349 --> 00:57:44,770

button when the caller called alright I

1197

00:57:49,109 --> 00:57:46,359

want to apologize to the listener out

1198

00:57:51,870 --> 00:57:49,119

there listening live I just tried to

1199

00:57:54,359 --> 00:57:51,880

take a call and I click the wrong button

1200

00:57:56,550 --> 00:57:54,369

yeah and everything went to heck so

1201
00:57:58,460 --> 00:57:56,560
caller please try to call back I will

1202
00:58:01,079 --> 00:57:58,470
add you to the call this time instead of

1203
00:58:04,530 --> 00:58:01,089
taking your call exclusively which is

1204
00:58:06,780 --> 00:58:04,540
the mistake I made so David I'm sorry to

1205
00:58:10,920 --> 00:58:06,790
have interrupted you and how do you go

1206
00:58:12,480 --> 00:58:10,930
to dead air and I can't remember exactly

1207
00:58:14,730 --> 00:58:12,490
what you were talking about but there's

1208
00:58:20,670 --> 00:58:14,740
certainly some questions up on the

1209
00:58:22,859 --> 00:58:20,680
message board it happened much too much

1210
00:58:28,230 --> 00:58:22,869
in the past for me to even possibly

1211
00:58:30,930 --> 00:58:28,240
remember okay and I can't scroll up to

1212
00:58:34,890 --> 00:58:30,940
any of the questions so one of the

1213
00:58:38,970 --> 00:58:34,900

things you mentioned that it happens

1214

00:58:42,660 --> 00:58:38,980

generational it happens when someone is

1215

00:58:45,599 --> 00:58:42,670

a young infant and it goes on to their

1216

00:58:47,730 --> 00:58:45,609

family and on and on so I believe that

1217

00:58:50,930 --> 00:58:47,740

we were talking about how many people

1218

00:58:53,609 --> 00:58:50,940

how many numbers right right well and

1219

00:58:56,849 --> 00:58:53,619

the point here is that this is not an

1220

00:58:59,080 --> 00:58:56,859

American phenomenon it is it is there's

1221

00:59:01,870 --> 00:58:59,090

there's nothing special about us

1222

00:59:04,840 --> 00:59:01,880

yeah it goes into its it's in Latin

1223

00:59:06,850 --> 00:59:04,850

America it's in Europe it's in Asia it's

1224

00:59:09,970 --> 00:59:06,860

in the Far East and seminaries it's in

1225

00:59:13,270 --> 00:59:09,980

the Mideast it's uh it's everywhere this

1226
00:59:15,820 --> 00:59:13,280
is a global program a global phenomenon

1227
00:59:17,680 --> 00:59:15,830
just like you know it's it's the it is

1228
00:59:21,820 --> 00:59:17,690
the UFO phenomenon as far as I'm

1229
00:59:24,850 --> 00:59:21,830
concerned and so there was a poll taken

1230
00:59:26,950 --> 00:59:24,860
in the 1991 and I've been other polls to

1231
00:59:28,690 --> 00:59:26,960
our poll showed that about two percent

1232
00:59:31,060 --> 00:59:28,700
of the American public were abductees

1233
00:59:33,730 --> 00:59:31,070
which is about six six million people

1234
00:59:36,310 --> 00:59:33,740
that was extremely conservative it's

1235
00:59:41,410 --> 00:59:36,320
probably closer to maybe five percents

1236
00:59:45,340 --> 00:59:41,420
maybe more but it is in spite of though

1237
00:59:47,830 --> 00:59:45,350
all those polls both but Hopkins and I

1238
00:59:49,480 --> 00:59:47,840

received thousands and thousands of

1239

00:59:51,790 --> 00:59:49,490

letters from abductees around the

1240

00:59:53,590 --> 00:59:51,800

country around the world and they still

1241

00:59:57,460 --> 00:59:53,600

keep coming now in the form of email of

1242

01:00:00,580 --> 00:59:57,470

course it's it's a global phenomenon

1243

01:00:03,460 --> 01:00:00,590

that you have to remember three things

1244

01:00:07,800 --> 01:00:03,470

about this that are that are salient to

1245

01:00:10,480 --> 01:00:07,810

to its existence it is global it's

1246

01:00:12,730 --> 01:00:10,490

intergenerational and it's clandestine

1247

01:00:15,400 --> 01:00:12,740

it's secret and the reason it's secret

1248

01:00:19,390 --> 01:00:15,410

is because they don't want us to know

1249

01:00:23,080 --> 01:00:19,400

what they're doing obviously if they did

1250

01:00:25,450 --> 01:00:23,090

it wouldn't be secret so but it it is

1251
01:00:29,170 --> 01:00:25,460
not something that that I look upon with

1252
01:00:31,630 --> 01:00:29,180
joy I must say this is and this is not

1253
01:00:34,180 --> 01:00:31,640
only that but this is they're not

1254
01:00:35,950 --> 01:00:34,190
testing us they're not examining us

1255
01:00:39,490 --> 01:00:35,960
they're not trying to find out what

1256
01:00:41,560 --> 01:00:39,500
makes us tick this is a program with a

1257
01:00:43,900 --> 01:00:41,570
beginning a middle and an end and it's

1258
01:00:46,000 --> 01:00:43,910
goal-directed they are here for a reason

1259
01:00:49,720 --> 01:00:46,010
they are doing things for a reason

1260
01:00:52,360 --> 01:00:49,730
you're seeing change over time and that

1261
01:00:53,560 --> 01:00:52,370
and and the reason is coming I think

1262
01:00:55,540 --> 01:00:53,570
which I can talk about a little bit

1263
01:00:57,190 --> 01:00:55,550

later if you wish yeah we can talk about

1264

01:01:00,820 --> 01:00:57,200

that in the second hour we're just about

1265

01:01:03,370 --> 01:01:00,830

ready to take a break I'm gonna try to

1266

01:01:05,370 --> 01:01:03,380

take this call okay hang in there

1267

01:01:10,210 --> 01:01:05,380

everyone hopefully this will work

1268

01:01:12,970 --> 01:01:10,220

caller are you there hey there Martin is

1269

01:01:15,820 --> 01:01:12,980

Justin from Canada hey Justin how

1270

01:01:18,130 --> 01:01:15,830

you how are you are we live right now we

1271

01:01:19,599 --> 01:01:18,140

are in go ahead and pose a question to

1272

01:01:22,810 --> 01:01:19,609

dr. chase

1273

01:01:24,760 --> 01:01:22,820

thank you hi dr. Jacobs thanks for

1274

01:01:29,470 --> 01:01:24,770

listening how are you good

1275

01:01:31,210 --> 01:01:29,480

Mike my question goes in some territory

1276

01:01:34,330 --> 01:01:31,220

that I think that should be addressed

1277

01:01:36,760 --> 01:01:34,340

first of all I like to say I like Martin

1278

01:01:38,080 --> 01:01:36,770

said and and we sentiment is in the chat

1279

01:01:41,250 --> 01:01:38,090

Reggie that we're very sorry about the

1280

01:01:43,690 --> 01:01:41,260

passing of your wife the terrible loss

1281

01:01:46,240 --> 01:01:43,700

secondly I'd like to say that I have

1282

01:01:50,320 --> 01:01:46,250

read the threat I think your your

1283

01:01:52,540 --> 01:01:50,330

insight it's interesting and I think

1284

01:01:54,640 --> 01:01:52,550

it's a question that should be asked in

1285

01:01:57,040 --> 01:01:54,650

a situation where we don't exactly know

1286

01:01:59,320 --> 01:01:57,050

what the nature of these quote-unquote

1287

01:02:01,660 --> 01:01:59,330

beings are that's you know really what

1288

01:02:03,670 --> 01:02:01,670

they are so I want to thank you for all

1289

01:02:05,290 --> 01:02:03,680

your work but the question I have is

1290

01:02:07,599 --> 01:02:05,300

basically the elephant in the room and I

1291

01:02:09,930 --> 01:02:07,609

think that publicly it needs to be

1292

01:02:12,220 --> 01:02:09,940

addressed you know to a wider audience

1293

01:02:14,010 --> 01:02:12,230

especially in the show this is a really

1294

01:02:19,270 --> 01:02:14,020

great show with a lot of great integrity

1295

01:02:22,030 --> 01:02:19,280

and that's the story sort of Emma woods

1296

01:02:23,070 --> 01:02:22,040

and her accusations with you and I think

1297

01:02:25,720 --> 01:02:23,080

there's a lot of people that sort of

1298

01:02:27,880 --> 01:02:25,730

would like you to kind of clear the air

1299

01:02:29,530 --> 01:02:27,890

and give us your perspective you know

1300

01:02:32,080 --> 01:02:29,540

especially those who have been with you

1301

01:02:35,260 --> 01:02:32,090

since the beginning publications and who

1302

01:02:39,130 --> 01:02:35,270

would like to possibly invest in future

1303

01:02:42,550 --> 01:02:39,140

publication yeah I don't usually like

1304

01:02:48,990 --> 01:02:42,560

talking about her yet my stomach churns

1305

01:02:52,270 --> 01:02:49,000

too much I must say she is a woman who I

1306

01:02:55,420 --> 01:02:52,280

worked with for several years a couple

1307

01:02:59,500 --> 01:02:55,430

of years who lives in another country

1308

01:03:07,030 --> 01:02:59,510

and who over the course of time

1309

01:03:09,820 --> 01:03:07,040

basically decompensated and I we sort of

1310

01:03:12,460 --> 01:03:09,830

stopped working together not on the best

1311

01:03:15,760 --> 01:03:12,470

of terms and as soon as that happened

1312

01:03:18,609 --> 01:03:15,770

she began an all-out assault on me

1313

01:03:21,130 --> 01:03:18,619

saying things that such as I was a

1314

01:03:22,240 --> 01:03:21,140

sexual perverts because I'd asked for

1315

01:03:27,850 --> 01:03:22,250

her unwashed

1316

01:03:30,490 --> 01:03:27,860

underpants which and I never really

1317

01:03:32,260 --> 01:03:30,500

answered her it's been eight years she's

1318

01:03:36,210 --> 01:03:32,270

been stuck as I were stalking me

1319

01:03:40,510 --> 01:03:36,220

including just a couple of days ago and

1320

01:03:45,790 --> 01:03:40,520

and I'm building a website now to answer

1321

01:03:48,040 --> 01:03:45,800

every single sort of a charge that she

1322

01:03:49,750 --> 01:03:48,050

has leveled against me

1323

01:03:51,910 --> 01:03:49,760

she's complained to Temple University

1324

01:03:53,770 --> 01:03:51,920

she complained to the Department of

1325

01:04:01,360 --> 01:03:53,780

Health and Human Services in Washington

1326

01:04:05,470 --> 01:04:01,370

DC and macum her life's work and this is

1327

01:04:07,420 --> 01:04:05,480

all she does from what I can tell the

1328

01:04:09,040 --> 01:04:07,430

underpants thing actually was it was

1329

01:04:11,740 --> 01:04:09,050

something that was interesting we're

1330

01:04:14,380 --> 01:04:11,750

looking for deep excuse me for DNA and

1331

01:04:16,630 --> 01:04:14,390

she wrote me a letter one saying that

1332

01:04:19,030 --> 01:04:16,640

she thought she might have had sexual

1333

01:04:22,990 --> 01:04:19,040

contact with a hybrid in her house there

1334

01:04:24,550 --> 01:04:23,000

was a lead-up to this and and she had a

1335

01:04:26,860 --> 01:04:24,560

q-tip and she was gonna send it to me

1336

01:04:30,130 --> 01:04:26,870

and I said great fine you know we need

1337

01:04:32,410 --> 01:04:30,140

DNA and that would be wonderful and then

1338

01:04:34,720 --> 01:04:32,420

she she wrote me another email later

1339

01:04:35,770 --> 01:04:34,730

saying that she lost it or something I

1340

01:04:37,570 --> 01:04:35,780

guess now I'm not getting his gigs

1341

01:04:39,700 --> 01:04:37,580

acting a hundred percent correct here

1342

01:04:40,990 --> 01:04:39,710

and then another month later she wrote

1343

01:04:42,700 --> 01:04:41,000

me another email saying that it happened

1344

01:04:46,120 --> 01:04:42,710

again she's got a q-tip she's going to

1345

01:04:48,490 --> 01:04:46,130

send it to me and she threw it away or

1346

01:04:50,230 --> 01:04:48,500

something and then then a couple months

1347

01:04:51,820 --> 01:04:50,240

later she writes to me and she says she

1348

01:04:57,520 --> 01:04:51,830

said that there was a discharge in our

1349

01:04:59,110 --> 01:04:57,530

underwear and and and she said I said

1350

01:05:01,090 --> 01:04:59,120

well you know well this is important

1351

01:05:05,950 --> 01:05:01,100

than all the rest that stuff no cuts DNA

1352

01:05:07,030 --> 01:05:05,960

and she said well she washed I said even

1353

01:05:09,250 --> 01:05:07,040

though it happened yesterday she said

1354

01:05:10,750 --> 01:05:09,260

yes I said oh okay

1355

01:05:14,280 --> 01:05:10,760

you said I don't know there month goes

1356

01:05:16,600 --> 01:05:14,290

by and then she writes me again she says

1357

01:05:18,250 --> 01:05:16,610

that it happened again and she said I

1358

01:05:20,170 --> 01:05:18,260

got this discharged on Earth past and

1359

01:05:22,150 --> 01:05:20,180

basically I said listen

1360

01:05:23,770 --> 01:05:22,160

am I just a stick in an envelope and

1361

01:05:24,130 --> 01:05:23,780

don't even think about I just sent it to

1362

01:05:31,320 --> 01:05:24,140

me

1363

01:05:36,060 --> 01:05:31,330

and this is

1364

01:05:40,040 --> 01:05:36,070

this is the soap insane if you know if

1365

01:05:42,390 --> 01:05:40,050

you knew me is so crazy so nutty that

1366

01:05:44,730 --> 01:05:42,400

but I never ever answered this is the

1367

01:05:46,020 --> 01:05:44,740

first time I've ever talked about that

1368

01:05:47,550 --> 01:05:46,030

that particular incident she's got a

1369

01:05:49,650 --> 01:05:47,560

whole bunch of other things level

1370

01:05:53,790 --> 01:05:49,660

charges leveled against me now I never

1371

01:05:56,190 --> 01:05:53,800

met her she is the person who I dealt

1372

01:05:58,560 --> 01:05:56,200

with on the phone this was before Skype

1373

01:06:00,540 --> 01:05:58,570

actually and not really before Skype but

1374

01:06:05,090 --> 01:06:00,550

butter but Skype is not was not known

1375

01:06:11,100 --> 01:06:05,100

yet and she also did not have a camera

1376

01:06:13,470 --> 01:06:11,110

for her or her desktop but so I've never

1377

01:06:14,970 --> 01:06:13,480

met her face to face and a lot of

1378

01:06:16,200 --> 01:06:14,980

psychiatrists have said well Ben you

1379

01:06:17,550 --> 01:06:16,210

should have met her face to face and you

1380

01:06:19,320 --> 01:06:17,560

might have learned something then and

1381

01:06:20,580 --> 01:06:19,330

the answer is I don't know I don't know

1382

01:06:26,130 --> 01:06:20,590

whether that would have been true or not

1383

01:06:28,560 --> 01:06:26,140

but she has done my nemesis and and she

1384

01:06:31,110 --> 01:06:28,570

as I said it's been eight years and

1385

01:06:33,660 --> 01:06:31,120

she's she this is all she lives for

1386

01:06:35,520 --> 01:06:33,670

these days she could have stopped at any

1387

01:06:37,170 --> 01:06:35,530

time she wanted to if she thought that I

1388

01:06:43,200 --> 01:06:37,180

there was something wrong with me or

1389

01:06:46,290 --> 01:06:43,210

whatever and the problem is is that she

1390

01:06:49,680 --> 01:06:46,300

has all these charges against me but

1391

01:06:52,230 --> 01:06:49,690

they're all like as I just explained way

1392

01:06:54,810 --> 01:06:52,240

out of context so that it does sound

1393

01:06:56,880 --> 01:06:54,820

like I'm some sort of lunatic who's

1394

01:07:00,780 --> 01:06:56,890

preying on young women or something like

1395

01:07:07,800 --> 01:07:00,790

that and let me just say that that is

1396

01:07:10,590 --> 01:07:07,810

not the case Emma what's the real story

1397

01:07:12,240 --> 01:07:10,600

is the name of the the website it's in

1398

01:07:14,460 --> 01:07:12,250

the process of being built even though

1399

01:07:16,920 --> 01:07:14,470

it's live now but it will change

1400

01:07:20,010 --> 01:07:16,930

drastically I'm redoing the front and

1401

01:07:22,340 --> 01:07:20,020

and as a person helping me do this

1402

01:07:24,300 --> 01:07:22,350

because I'm not all that tech-savvy and

1403

01:07:29,130 --> 01:07:24,310

there's a beginning which will be

1404

01:07:31,020 --> 01:07:29,140

changed I hope by tomorrow and and I'll

1405

01:07:32,340 --> 01:07:31,030

go into every every charge that she's

1406

01:07:34,080 --> 01:07:32,350

leveled against me and show her exactly

1407

01:07:36,090 --> 01:07:34,090

and show people exactly what happened

1408

01:07:40,140 --> 01:07:36,100

and you will when people really I have

1409

01:07:43,080 --> 01:07:40,150

to say they will understand I hope okay

1410

01:07:44,670 --> 01:07:43,090

yeah I actually have been I've seen

1411

01:07:46,020 --> 01:07:44,680

first hand

1412

01:07:47,309 --> 01:07:46,030

you know the effects of cyberattacks

1413

01:07:49,140 --> 01:07:47,319

especially in this day and age so I

1414

01:07:51,089 --> 01:07:49,150

really appreciate you actually you know

1415

01:07:53,010 --> 01:07:51,099

taking the time to talk about that to

1416

01:07:55,140 --> 01:07:53,020

the audience because I don't think most

1417

01:07:56,910 --> 01:07:55,150

people understand how hard that can be

1418

01:07:58,349 --> 01:07:56,920

especially for you who is a public

1419

01:08:00,240 --> 01:07:58,359

figure and I think it's important for

1420

01:08:02,099 --> 01:08:00,250

people to know that there is a resource

1421

01:08:04,260 --> 01:08:02,109

maybe that they can see and read the

1422

01:08:07,609 --> 01:08:04,270

backstory on so thanks for so maybe

1423

01:08:11,640 --> 01:08:09,829

I've talked with about a dozen

1424

01:08:14,280 --> 01:08:11,650

psychiatrists psychologists and

1425

01:08:16,890 --> 01:08:14,290

therapists about the situation and they

1426

01:08:19,070 --> 01:08:16,900

all have one answer don't ever ever ever

1427

01:08:21,240 --> 01:08:19,080

respond to her ever ever ever ever

1428

01:08:24,390 --> 01:08:21,250

because as she eventually she'll just

1429

01:08:28,650 --> 01:08:24,400

lose interest and go on and go on to

1430

01:08:34,740 --> 01:08:28,660

somebody else but and that was very good

1431

01:08:36,300 --> 01:08:34,750

advice pre-internet now it's a whole

1432

01:08:39,329 --> 01:08:36,310

different story I've stuck with that

1433

01:08:43,169 --> 01:08:39,339

until I know and I I've been a punching

1434

01:08:47,220 --> 01:08:43,179

bag for her for so long as I said eight

1435

01:08:49,620 --> 01:08:47,230

years is a long time I'm 73 now so I've

1436

01:08:52,769 --> 01:08:49,630

gotta I just absolutely have to answer

1437

01:08:54,870 --> 01:08:52,779

and even though they're still telling me

1438

01:08:56,370 --> 01:08:54,880

not to do it but I'm doing it anyway and

1439

01:08:59,430 --> 01:08:56,380

people can make up their own mind Stan

1440

01:09:01,680 --> 01:08:59,440

yeah okay Justin thanks very much for

1441

01:09:03,780 --> 01:09:01,690

the call hey thanks guys goodnight

1442

01:09:06,240 --> 01:09:03,790

goodnight all right

1443

01:09:07,650 --> 01:09:06,250

so David hang in there hang in there

1444

01:09:30,599 --> 01:09:07,660

live listeners we're going to be right

1445

01:09:33,880 --> 01:09:33,309

all right we're back live with David

1446

01:09:37,660 --> 01:09:33,890

Jacobs

1447

01:09:39,880 --> 01:09:37,670

and I do appreciate the calls a lot of

1448

01:09:41,800 --> 01:09:39,890

people have been trying to call and all

1449

01:09:45,099 --> 01:09:41,810

I can tell you is keep trying and if I

1450

01:09:46,809 --> 01:09:45,109

can answer the phone and bring you on

1451

01:09:48,910 --> 01:09:46,819

all you have to do is introduce yourself

1452

01:09:50,920 --> 01:09:48,920

with your first name and we're good to

1453

01:09:59,410 --> 01:09:50,930

go so the number for anyone that does

1454

01:10:02,890 --> 01:09:59,420

want to call is 603 9 6 7 403 oh okay so

1455

01:10:05,110 --> 01:10:02,900

that was that was interesting and I

1456

01:10:07,450 --> 01:10:05,120

understand when something's on the

1457

01:10:11,050 --> 01:10:07,460

internet it stays around to you know

1458

01:10:13,630 --> 01:10:11,060

whatever information it is you know I've

1459

01:10:16,360 --> 01:10:13,640

had experience with that like up a house

1460

01:10:18,820 --> 01:10:16,370

that I bought one time real inexpensive

1461

01:10:21,130 --> 01:10:18,830

I didn't want everybody to know but you

1462

01:10:23,500 --> 01:10:21,140

still can see what I paid for you know

1463

01:10:27,400 --> 01:10:23,510

things just don't go away yeah exactly

1464

01:10:31,840 --> 01:10:27,410

right and and so if she's gonna keep

1465

01:10:33,910 --> 01:10:31,850

doing this and if and I just I just I

1466

01:10:37,570 --> 01:10:33,920

just have to respond I'm sick and tired

1467

01:10:40,530 --> 01:10:37,580

of it I mean eight years this is is up

1468

01:10:42,760 --> 01:10:40,540

cyber cyber stalking is is really a lot

1469

01:10:44,950 --> 01:10:42,770

to me

1470

01:10:48,220 --> 01:10:44,960

a question up on the message board and

1471

01:10:51,180 --> 01:10:48,230

it's it's come up a lot in abductees and

1472

01:10:53,140 --> 01:10:51,190

also Nick Redfern spoke about it and

1473

01:10:55,060 --> 01:10:53,150

comparing your interviews with the

1474

01:10:58,300 --> 01:10:55,070

abductees have you noticed any

1475

01:10:59,470 --> 01:10:58,310

commonalities between various abductees

1476

01:11:03,040 --> 01:10:59,480

ie

1477

01:11:04,990 --> 01:11:03,050

Rh negative blood I asked 10 abductees

1478

01:11:07,630 --> 01:11:05,000

that they had Rh negative blood none of

1479

01:11:10,360 --> 01:11:07,640

them did now here's the problem with Rh

1480

01:11:12,250 --> 01:11:10,370

negative blood people don't get married

1481

01:11:17,050 --> 01:11:12,260

to other people because of their blood

1482

01:11:19,180 --> 01:11:17,060

type and therefore if this is a

1483

01:11:20,560 --> 01:11:19,190

phenomenon that is intergenerational you

1484

01:11:22,000 --> 01:11:20,570

get married to somebody who you love

1485

01:11:23,920 --> 01:11:22,010

period and you might find out their

1486

01:11:31,270 --> 01:11:23,930

blood type later on you might not who

1487

01:11:35,220 --> 01:11:31,280

knows and so if in fact Rh negative was

1488

01:11:37,450 --> 01:11:35,230

was a significant aspect of the

1489

01:11:39,820 --> 01:11:37,460

abduction phenomenon what we would see

1490

01:11:41,419 --> 01:11:39,830

would be a rise in the number of people

1491

01:11:44,030 --> 01:11:41,429

with Rh negative blood

1492

01:11:47,410 --> 01:11:44,040

because they would be the ones chosen to

1493

01:11:49,820 --> 01:11:47,420

be abductors and and since it's

1494

01:11:51,709 --> 01:11:49,830

intergenerational they would have to do

1495

01:11:54,740 --> 01:11:51,719

it have to do some sort of messing

1496

01:11:56,240 --> 01:11:54,750

around I'm not sure but to get that but

1497

01:12:00,350 --> 01:11:56,250

we don't see anything like that as far

1498

01:12:03,740 --> 01:12:00,360

as I know and like I said it's III I

1499

01:12:05,840 --> 01:12:03,750

think this is it sounds interesting but

1500

01:12:09,380 --> 01:12:05,850

it actually isn't this is a global

1501
01:12:12,500 --> 01:12:09,390
phenomenon with millions of people now

1502
01:12:16,910 --> 01:12:12,510
rh-negative is not all that common

1503
01:12:18,860 --> 01:12:16,920
you know it's unusual so so I don't

1504
01:12:22,669 --> 01:12:18,870
place any stock in it at all

1505
01:12:25,280 --> 01:12:22,679
I had I had class Vaughn of Sweden he

1506
01:12:29,090 --> 01:12:25,290
used to be the director of the UFO

1507
01:12:31,340 --> 01:12:29,100
Association over there they take this

1508
01:12:34,689 --> 01:12:31,350
very seriously over there and there's

1509
01:12:38,360 --> 01:12:34,699
not any ridicule to speak of or anything

1510
01:12:40,040 --> 01:12:38,370
interesting guy and I I always ask when

1511
01:12:44,080 --> 01:12:40,050
I talk to people in different countries

1512
01:12:46,729 --> 01:12:44,090
about the you know abduction incidents

1513
01:12:49,580 --> 01:12:46,739

in their country and he said that he

1514

01:12:52,640 --> 01:12:49,590

only hears about one a year there do you

1515

01:12:55,250 --> 01:12:52,650

think that it's going back to what you

1516

01:13:00,410 --> 01:12:55,260

said earlier that people are having the

1517

01:13:04,100 --> 01:13:00,420

experience but not sure what it is yes I

1518

01:13:06,500 --> 01:13:04,110

think that's what it is and I've got a

1519

01:13:08,419 --> 01:13:06,510

bunch of people from from Scandinavia

1520

01:13:09,919 --> 01:13:08,429

who have written me filled out my

1521

01:13:14,410 --> 01:13:09,929

questionnaire on my website and all the

1522

01:13:17,120 --> 01:13:14,420

rest of that stuff and O in Siddhant ly

1523

01:13:20,120 --> 01:13:17,130

well remind me to tell you something

1524

01:13:28,040 --> 01:13:20,130

about a discovery that I made this very

1525

01:13:32,149 --> 01:13:28,050

day we have people we have probably a

1526

01:13:33,860 --> 01:13:32,159

greater background in UFOs and

1527

01:13:39,229 --> 01:13:33,870

abductions than any other country

1528

01:13:41,990 --> 01:13:39,239

because we had national studies of the

1529

01:13:44,360 --> 01:13:42,000

phenomenon of UFOs through the Air Force

1530

01:13:46,040 --> 01:13:44,370

and through other organizations and we

1531

01:13:50,840 --> 01:13:46,050

still have national organizations and

1532

01:13:55,490 --> 01:13:50,850

all the rest of that and and we also

1533

01:13:58,520 --> 01:13:55,500

sort of first to uncover the abduction

1534

01:13:59,930 --> 01:13:58,530

phenomenon even though the very first

1535

01:14:00,710 --> 01:13:59,940

case we ever learned about it took place

1536

01:14:03,260 --> 01:14:00,720

in Brazil

1537

01:14:08,510 --> 01:14:03,270

the Antonio Villas Boas case in 1957 in

1538

01:14:11,450 --> 01:14:08,520

Brazil but but but we kept at it and so

1539

01:14:13,430 --> 01:14:11,460

the Americans so people know about the

1540

01:14:16,150 --> 01:14:13,440

abduction phenomenon here it's all over

1541

01:14:21,020 --> 01:14:16,160

television that we at least there was

1542

01:14:24,260 --> 01:14:21,030

for a while and and I don't know whether

1543

01:14:29,060 --> 01:14:24,270

that is is the case in in Sweden or

1544

01:14:33,020 --> 01:14:29,070

Norway or whatever let's go back to the

1545

01:14:35,720 --> 01:14:33,030

pop culture question you asked great you

1546

01:14:39,830 --> 01:14:35,730

know well it's yeah it's it's it becomes

1547

01:14:42,110 --> 01:14:39,840

part of popular culture and people you

1548

01:14:44,120 --> 01:14:42,120

know watch it on television they think

1549

01:14:48,140 --> 01:14:44,130

that oh my god I've watched this now I'm

1550

01:14:49,820 --> 01:14:48,150

polluted and if I come to to do research

1551

01:14:52,010 --> 01:14:49,830

in it I'm just gonna say what I saw on

1552

01:14:53,960 --> 01:14:52,020

television people are you know are aware

1553

01:14:58,190 --> 01:14:53,970

of that when when when they go to upper

1554

01:14:59,780 --> 01:14:58,200

may come to me anyway but but my guess

1555

01:15:01,870 --> 01:14:59,790

is is that Sweden is loaded with

1556

01:15:08,570 --> 01:15:01,880

abductees just like every other country

1557

01:15:11,030 --> 01:15:08,580

and and you know Sweden made its mark

1558

01:15:15,890 --> 01:15:11,040

with the ghost rockets in 1946 right

1559

01:15:18,350 --> 01:15:15,900

would for probably UFOs this is a the

1560

01:15:21,920 --> 01:15:18,360

abduction phenomenon is the UFO

1561

01:15:24,050 --> 01:15:21,930

phenomenon in France they say oh there's

1562

01:15:26,750 --> 01:15:24,060

hardly any abductees in France but

1563

01:15:29,090 --> 01:15:26,760

there's very little places for people to

1564

01:15:32,720 --> 01:15:29,100

understand what how what the symptoms of

1565

01:15:35,570 --> 01:15:32,730

being abducted are and there's very

1566

01:15:38,570 --> 01:15:35,580

little places to go to to investigate it

1567

01:15:41,720 --> 01:15:38,580

in France therefore there's nobody in

1568

01:15:43,790 --> 01:15:41,730

being abducted in France but I've got I

1569

01:15:47,390 --> 01:15:43,800

don't have that many but I have about 25

1570

01:15:50,860 --> 01:15:47,400

or 27 emails from people who live in

1571

01:15:55,720 --> 01:15:50,870

France who are abductees obviously and

1572

01:15:59,450 --> 01:15:55,730

so you you know it's it's everywhere and

1573

01:16:02,450 --> 01:15:59,460

the the reverse of that is no matter

1574

01:16:04,310 --> 01:16:02,460

where I go this includes Brazil and

1575

01:16:08,210 --> 01:16:04,320

Argentina

1576

01:16:09,260 --> 01:16:08,220

and in places in Europe and everywhere

1577

01:16:12,890 --> 01:16:09,270

through the United States no matter

1578

01:16:15,740 --> 01:16:12,900

where I go people rush up to me they

1579

01:16:19,180 --> 01:16:15,750

grab me by the lapels they put their

1580

01:16:21,830 --> 01:16:19,190

nose in my face and they say you know I

1581

01:16:25,250 --> 01:16:21,840

come from a little village in Oklahoma

1582

01:16:28,300 --> 01:16:25,260

and it's a hotbed of UFO activity a

1583

01:16:30,680 --> 01:16:28,310

hotbed of UFO activity

1584

01:16:33,730 --> 01:16:30,690

everybody says that to me no matter

1585

01:16:36,050 --> 01:16:33,740

where they're from around the world and

1586

01:16:39,320 --> 01:16:36,060

you know that that hotbed of UFO

1587

01:16:42,620 --> 01:16:39,330

activity is because there's a lot of

1588

01:16:45,290 --> 01:16:42,630

abductees there what happens is I got

1589

01:16:48,050 --> 01:16:45,300

excuse me how to remove a cat again who

1590

01:16:51,110 --> 01:16:48,060

wants me on my lap but it's not good

1591

01:16:55,160 --> 01:16:51,120

right now Kerry thank you

1592

01:16:58,580 --> 01:16:55,170

so it's what happens in small towns or

1593

01:17:00,020 --> 01:16:58,590

small villages is that a person a family

1594

01:17:02,000 --> 01:17:00,030

might be abductees there might be

1595

01:17:04,640 --> 01:17:02,010

several families for abductees you know

1596

01:17:07,040 --> 01:17:04,650

like 50 years ago or 80 years ago or

1597

01:17:10,190 --> 01:17:07,050

whatever and they marry people in the

1598

01:17:12,770 --> 01:17:10,200

town and then they he'll have kids and

1599

01:17:14,630 --> 01:17:12,780

they marry people in the town and so

1600

01:17:17,060 --> 01:17:14,640

what you get is is is a higher

1601

01:17:19,340 --> 01:17:17,070

concentration of abductees in small

1602

01:17:22,460 --> 01:17:19,350

towns than you do in big cities

1603

01:17:24,290 --> 01:17:22,470

oftentimes because there's just that's

1604

01:17:25,880 --> 01:17:24,300

what you know they meet people and they

1605

01:17:27,770 --> 01:17:25,890

grow up with and then they get married

1606

01:17:29,660 --> 01:17:27,780

and all that and all their kids are

1607

01:17:33,350 --> 01:17:29,670

abductees and therefore it becomes a

1608

01:17:37,730 --> 01:17:33,360

hotbed of UFO activity you know I want

1609

01:17:41,180 --> 01:17:37,740

to ask you the blanket question and that

1610

01:17:44,440 --> 01:17:41,190

is why but before I do that before you

1611

01:17:47,750 --> 01:17:44,450

answer that I should say one of the

1612

01:17:53,000 --> 01:17:47,760

theories or you heard someone people

1613

01:17:54,860 --> 01:17:53,010

talk about was back in the 40s there was

1614

01:17:58,850 --> 01:17:54,870

some type of deal made with the

1615

01:18:01,850 --> 01:17:58,860

government that trade tech for abducting

1616

01:18:03,530 --> 01:18:01,860

for information or whatever and I just

1617

01:18:11,530 --> 01:18:03,540

wanted to hear what your thoughts were

1618

01:18:18,269 --> 01:18:13,739

non truthful

1619

01:18:19,619 --> 01:18:18,279

let's just say yeah I figured so but I

1620

01:18:24,749 --> 01:18:19,629

wanted to hear what you had to say they

1621

01:18:26,759 --> 01:18:24,759

don't need no stinkin contract they can

1622

01:18:28,439 --> 01:18:26,769

do whatever they please they can do

1623

01:18:31,169 --> 01:18:28,449

whatever they want the difference

1624

01:18:34,109 --> 01:18:31,179

between aliens and us and this is aliens

1625

01:18:35,789 --> 01:18:34,119

of all kinds including hybrids including

1626

01:18:38,269 --> 01:18:35,799

what I call hubris who are the ones who

1627

01:18:41,369 --> 01:18:38,279

are walking among us on living here

1628

01:18:44,429 --> 01:18:41,379

there's there the difference is that

1629

01:18:46,859 --> 01:18:44,439

they can control us neurologically and

1630

01:18:51,479 --> 01:18:46,869

from a distance and we cannot control

1631

01:18:54,599 --> 01:18:51,489

them that is not just a difference it's

1632

01:18:56,419 --> 01:18:54,609

a crushing difference it makes us into a

1633

01:19:02,149 --> 01:18:56,429

second-class species

1634

01:19:04,669 --> 01:19:02,159

it makes us expendable it makes us into

1635

01:19:07,709 --> 01:19:04,679

like you know I like people have

1636

01:19:09,839 --> 01:19:07,719

unbelievably intelligent dogs or

1637

01:19:12,809 --> 01:19:09,849

something like that not quite like that

1638

01:19:18,059 --> 01:19:12,819

but if we are at a lesser we have a

1639

01:19:24,149 --> 01:19:18,069

lesser ability to to use our own brains

1640

01:19:25,439 --> 01:19:24,159

than they do and so I just don't like

1641

01:19:27,179 --> 01:19:25,449

that and therefore they don't need a

1642

01:19:31,889 --> 01:19:27,189

contract they do whatever they want to

1643

01:19:35,699 --> 01:19:31,899

do this is an extremely evolved

1644

01:19:38,429 --> 01:19:35,709

technological society any technology

1645

01:19:41,389 --> 01:19:38,439

that you're going to find that is from

1646

01:19:46,259 --> 01:19:41,399

outer space automatically and absolutely

1647

01:19:48,839 --> 01:19:46,269

has to be extremely advanced extremely

1648

01:19:51,689 --> 01:19:48,849

advanced not just a little advanced but

1649

01:19:53,549 --> 01:19:51,699

really advanced and the reason is

1650

01:19:58,169 --> 01:19:53,559

because our technology which is how we

1651
01:20:00,179 --> 01:19:58,179
measure things is brand-new it's only a

1652
01:20:02,249 --> 01:20:00,189
couple of hundred years and if you

1653
01:20:04,589 --> 01:20:02,259
really want to stretch matters you could

1654
01:20:06,899 --> 01:20:04,599
say it's ten thousand years old our

1655
01:20:10,529 --> 01:20:06,909
technology why ten thousand years ago

1656
01:20:13,919 --> 01:20:10,539
somebody rolled a flat stone and called

1657
01:20:20,099 --> 01:20:13,929
it a wheel so that would be technology

1658
01:20:22,619 --> 01:20:20,109
of some sort ten thousand years is not

1659
01:20:25,319 --> 01:20:22,629
even the quarter of a nanosecond of a

1660
01:20:27,260 --> 01:20:25,329
blink of an eye in geologic or cosmic

1661
01:20:29,960 --> 01:20:27,270
time right

1662
01:20:33,560 --> 01:20:29,970
somebody has any kind of technology at

1663
01:20:36,080 --> 01:20:33,570

all so out there it's going to be

1664

01:20:40,190 --> 01:20:36,090

extremely advanced compared to our ours

1665

01:20:44,210 --> 01:20:40,200

because ours is brand-new mm-hmm now

1666

01:20:48,410 --> 01:20:44,220

there's a flaw in this argument the flaw

1667

01:20:51,140 --> 01:20:48,420

is there might be so many civilizations

1668

01:20:53,420 --> 01:20:51,150

with technology out there that by the

1669

01:20:56,510 --> 01:20:53,430

law of averages a few of them might be

1670

01:20:57,860 --> 01:20:56,520

right where we are just beginning that's

1671

01:21:01,820 --> 01:20:57,870

that's that's the flaw in the argument

1672

01:21:03,920 --> 01:21:01,830

but generally speaking it's going to be

1673

01:21:08,110 --> 01:21:03,930

very very advanced so what you see here

1674

01:21:10,490 --> 01:21:08,120

is is the concept of invisibility the

1675

01:21:12,590 --> 01:21:10,500

concept of taking people right out on

1676
01:21:16,730 --> 01:21:12,600
Windows clothes when those right out of

1677
01:21:19,040 --> 01:21:16,740
walls up through through the ceiling and

1678
01:21:21,260 --> 01:21:19,050
into somebody else's apartment and up

1679
01:21:24,410 --> 01:21:21,270
through the ceiling and then into the

1680
01:21:26,450 --> 01:21:24,420
air without being seen and passing

1681
01:21:28,880 --> 01:21:26,460
through matter you see stuff like that

1682
01:21:31,100 --> 01:21:28,890
and it's just you have the thing about

1683
01:21:33,710 --> 01:21:31,110
it as this is future technology this is

1684
01:21:34,510 --> 01:21:33,720
what technology oh look like sometime in

1685
01:21:37,100 --> 01:21:34,520
the future

1686
01:21:39,860 --> 01:21:37,110
David just a few minutes ago you said

1687
01:21:44,450 --> 01:21:39,870
that you had a discovery today do you

1688
01:21:47,870 --> 01:21:44,460

want to talk about that yes if anybody

1689

01:21:50,450 --> 01:21:47,880

buys my book but the website that they

1690

01:21:52,850 --> 01:21:50,460

put down that is my website is not the

1691

01:21:55,190 --> 01:21:52,860

website that I have at the back end of

1692

01:22:01,790 --> 01:21:55,200

my little biography it at the back of

1693

01:22:06,820 --> 01:22:01,800

the book does it go to Emma

1694

01:22:10,700 --> 01:22:06,830

Woods thank God it's it's they put down

1695

01:22:14,540 --> 01:22:10,710

UFO abductions with an Escom instead of

1696

01:22:17,480 --> 01:22:14,550

UFO abduction comm and Joe Montalvo used

1697

01:22:19,130 --> 01:22:17,490

to own UFO abductions calm and I think

1698

01:22:20,960 --> 01:22:19,140

that he's abandoned Atari selling it or

1699

01:22:25,100 --> 01:22:20,970

something like that as I looked at it

1700

01:22:26,960 --> 01:22:25,110

after I saw this error and and it's for

1701

01:22:29,240 --> 01:22:26,970

sale oh you can do a redirect

1702

01:22:30,380 --> 01:22:29,250

either that or every book signing you

1703

01:22:33,800 --> 01:22:30,390

can change in the back of the book

1704

01:22:36,510 --> 01:22:33,810

that's what I'm going to have to do but

1705

01:22:37,890 --> 01:22:36,520

I've been told that they're running out

1706

01:22:39,840 --> 01:22:37,900

of books at the warehouse so on the next

1707

01:22:44,250 --> 01:22:39,850

printing they'll they'll print the

1708

01:22:46,380 --> 01:22:44,260

correct websites but so much for editing

1709

01:22:50,280 --> 01:22:46,390

all your copy and then you get there and

1710

01:22:53,570 --> 01:22:50,290

do that well exactly well these are

1711

01:22:55,470 --> 01:22:53,580

typos you can't get rid of typos and

1712

01:22:57,240 --> 01:22:55,480

they're in all the books that I've

1713

01:23:00,450 --> 01:22:57,250

written and and and they just you just

1714

01:23:02,100 --> 01:23:00,460

no matter how many eyes are on it you're

1715

01:23:03,900 --> 01:23:02,110

gonna get tired typos

1716

01:23:07,530 --> 01:23:03,910

I just heard Carrie try to get up in

1717

01:23:10,110 --> 01:23:07,540

your lap again I think now on the

1718

01:23:13,770 --> 01:23:10,120

message board someone wants to know if

1719

01:23:16,590 --> 01:23:13,780

all the abductions are physical or some

1720

01:23:19,050 --> 01:23:16,600

of them just psychological or psychic or

1721

01:23:20,550 --> 01:23:19,060

in other words like mind abductions yeah

1722

01:23:22,590 --> 01:23:20,560

there is no such thing as mind

1723

01:23:25,740 --> 01:23:22,600

abductions these all happen in real time

1724

01:23:28,320 --> 01:23:25,750

in real place they're really physical

1725

01:23:30,840 --> 01:23:28,330

people come back from them with marks

1726

01:23:32,850 --> 01:23:30,850

and uh and and bumps and bruises on

1727

01:23:34,950 --> 01:23:32,860

their body they come back with them

1728

01:23:36,150 --> 01:23:34,960

sometimes with fully formed scars on

1729

01:23:39,660 --> 01:23:36,160

their body that they didn't have before

1730

01:23:43,710 --> 01:23:39,670

which I have seen I just said something

1731

01:23:46,460 --> 01:23:43,720

that is biologically impossible fully

1732

01:23:50,250 --> 01:23:46,470

formed scar tissue a scar an inch long

1733

01:23:52,710 --> 01:23:50,260

that was not on on a person's hands who

1734

01:23:55,620 --> 01:23:52,720

I had seen the day before I looked at

1735

01:23:58,440 --> 01:23:55,630

something and my jaw hit the floor when

1736

01:23:59,820 --> 01:23:58,450

I saw that even I was astounded to be

1737

01:24:01,800 --> 01:23:59,830

huh I was looking at something that was

1738

01:24:05,160 --> 01:24:01,810

impossible that's not impossible if

1739

01:24:07,290 --> 01:24:05,170

you're an abductee and sometimes they

1740

01:24:09,180 --> 01:24:07,300

come back with their clothes on inside

1741

01:24:10,920 --> 01:24:09,190

outs or some clothes on backwards

1742

01:24:14,340 --> 01:24:10,930

sometimes they come back wearing

1743

01:24:15,900 --> 01:24:14,350

somebody else's clothes this is right

1744

01:24:19,170 --> 01:24:15,910

I've never heard that part well yeah

1745

01:24:22,320 --> 01:24:19,180

yeah this this is real time physicality

1746

01:24:24,330 --> 01:24:22,330

this is nothing one time I had a guy say

1747

01:24:26,550 --> 01:24:24,340

that he went to sleep on his couch and

1748

01:24:27,960 --> 01:24:26,560

and he went to Venus or something I

1749

01:24:28,980 --> 01:24:27,970

thought well he was on his couch and

1750

01:24:31,890 --> 01:24:28,990

they came back and everything was

1751

01:24:35,300 --> 01:24:31,900

wonderful and no no no I'd only only

1752

01:24:38,220 --> 01:24:35,310

five minutes had passed and no no no

1753

01:24:39,930 --> 01:24:38,230

okay you're welcome to call in out there

1754

01:24:42,270 --> 01:24:39,940

I'm sorry I have missed a number of

1755

01:24:46,260 --> 01:24:42,280

calls this evening that number is six oh

1756

01:24:47,139 --> 01:24:46,270

three nine six seven four oh three oh so

1757

01:24:49,479 --> 01:24:47,149

David

1758

01:24:54,069 --> 01:24:49,489

in your opinion what the heck is going

1759

01:24:56,020 --> 01:24:54,079

on why is this happening this is your

1760

01:25:00,509 --> 01:24:56,030

opinion but I'd like to hear it okay

1761

01:25:05,139 --> 01:25:00,519

well there's a lead up to this opinion

1762

01:25:09,100 --> 01:25:05,149

first of all in the threat I talked

1763

01:25:12,189 --> 01:25:09,110

about these beings were saying that two

1764

01:25:14,169 --> 01:25:12,199

abductees well they would bring an

1765

01:25:16,540 --> 01:25:14,179

abductee into a room and they show the

1766

01:25:19,689 --> 01:25:16,550

abductee an image on a screen and it

1767

01:25:22,359 --> 01:25:19,699

would be listen here's the two of them

1768

01:25:24,520 --> 01:25:22,369

that I usually talk about one is people

1769

01:25:27,310 --> 01:25:24,530

lined up on steps like our class

1770

01:25:30,219 --> 01:25:27,320

photograph you know looking at the

1771

01:25:33,310 --> 01:25:30,229

camera smiling whatever and the person

1772

01:25:34,869 --> 01:25:33,320

looks at this and and they're they're

1773

01:25:37,209 --> 01:25:34,879

puzzled as to why they're looking at

1774

01:25:39,310 --> 01:25:37,219

these people standing on these steps but

1775

01:25:41,229 --> 01:25:39,320

then they hear telepathically they hear

1776

01:25:45,219 --> 01:25:41,239

can you tell the difference between you

1777

01:25:47,379 --> 01:25:45,229

and us and the person the other key

1778

01:25:49,239 --> 01:25:47,389

looks at it and hardly understands the

1779

01:25:51,009 --> 01:25:49,249

question they say well what do you mean

1780

01:25:52,540 --> 01:25:51,019

difference everybody looks at saying

1781

01:25:54,549 --> 01:25:52,550

there's no difference what are you

1782

01:25:57,429 --> 01:25:54,559

talking about and they say see

1783

01:25:59,319 --> 01:25:57,439

isn't that wonderful soon we will all be

1784

01:26:01,679 --> 01:25:59,329

together soon there's going to be a

1785

01:26:04,629 --> 01:26:01,689

change everybody's going to be happy

1786

01:26:06,549 --> 01:26:04,639

everybody's gonna know his place soon

1787

01:26:09,369 --> 01:26:06,559

this is gonna happen the change is

1788

01:26:11,229 --> 01:26:09,379

coming and then other people would tell

1789

01:26:13,989 --> 01:26:11,239

me the same kind of story about a change

1790

01:26:18,100 --> 01:26:13,999

coming in soon and more people tell me

1791

01:26:20,259 --> 01:26:18,110

that and then Ill then would ask him Oh

1792

01:26:23,709 --> 01:26:20,269

what do you know what they might mean by

1793

01:26:25,509 --> 01:26:23,719

that change nobody knew I said well do

1794

01:26:28,839 --> 01:26:25,519

you know what they might mean by soon

1795

01:26:30,969 --> 01:26:28,849

because soon is a relative turn term it

1796

01:26:32,830 --> 01:26:30,979

could be a nanosecond now in a billionth

1797

01:26:36,729 --> 01:26:32,840

of a second or a billion years from now

1798

01:26:43,719 --> 01:26:36,739

for all we know and nobody knew that

1799

01:26:48,459 --> 01:26:43,729

either so in 2003 I started to hear

1800

01:26:51,580 --> 01:26:48,469

these stories that indicated that

1801

01:26:54,239 --> 01:26:51,590

something was happening that that people

1802

01:26:57,420 --> 01:26:54,249

who you could not tell the difference

1803

01:27:01,680 --> 01:26:57,430

between human and the hybrid were

1804

01:27:05,070 --> 01:27:01,690

beginning to appear in the society and

1805

01:27:06,570 --> 01:27:05,080

the first time I heard that I just cast

1806

01:27:09,150 --> 01:27:06,580

it aside because when you hear something

1807

01:27:11,010 --> 01:27:09,160

for the first time it's not evidence you

1808

01:27:14,910 --> 01:27:11,020

have to have other people verify that

1809

01:27:16,890 --> 01:27:14,920

and then another person said the same

1810

01:27:18,390 --> 01:27:16,900

thing then another one then another one

1811

01:27:20,220 --> 01:27:18,400

then another one then another one then

1812

01:27:23,190 --> 01:27:20,230

another one and then I felt to myself

1813

01:27:24,560 --> 01:27:23,200

well this might be the change this might

1814

01:27:28,830 --> 01:27:24,570

be the change they were talking about

1815

01:27:32,940 --> 01:27:28,840

but it might not be the change it might

1816

01:27:36,360 --> 01:27:32,950

be a pray a prequel so to speak to the

1817

01:27:38,430 --> 01:27:36,370

change it might be a harbinger of the

1818

01:27:39,720 --> 01:27:38,440

change that is coming later I do not

1819

01:27:43,320 --> 01:27:39,730

know because I don't know what the

1820

01:27:46,320 --> 01:27:43,330

change is however what people began to

1821

01:27:49,860 --> 01:27:46,330

say was that they were not only helping

1822

01:27:52,250 --> 01:27:49,870

hybrids learn about what life is like on

1823

01:27:54,720 --> 01:27:52,260

earth from the time they were children

1824

01:27:59,130 --> 01:27:54,730

until a time that they're teenagers and

1825

01:28:02,070 --> 01:27:59,140

even older on board a UFO but in fact

1826

01:28:05,490 --> 01:28:02,080

they were doing it here in normal

1827

01:28:08,490 --> 01:28:05,500

society and these beings were living in

1828

01:28:11,940 --> 01:28:08,500

normal society also and I had never

1829

01:28:13,890 --> 01:28:11,950

heard that before and then I started to

1830

01:28:16,710 --> 01:28:13,900

hear a lot of it and people were not

1831

01:28:21,600 --> 01:28:16,720

aware of the other ones testimony

1832

01:28:25,800 --> 01:28:21,610

obviously and so so so the question then

1833

01:28:26,400 --> 01:28:25,810

is why well we don't know the answer to

1834

01:28:29,130 --> 01:28:26,410

that either

1835

01:28:31,320 --> 01:28:29,140

and then the good but when you look at

1836

01:28:33,090 --> 01:28:31,330

the big picture and you can't look at

1837

01:28:36,560 --> 01:28:33,100

the small picture here this has to be

1838

01:28:39,030 --> 01:28:36,570

the big picture it's global it's

1839

01:28:42,500 --> 01:28:39,040

intergenerational it's secret

1840

01:28:46,650 --> 01:28:42,510

and they can control us neurologically I

1841

01:28:50,280 --> 01:28:46,660

so my sense of this is is I'm calling

1842

01:28:54,210 --> 01:28:50,290

this global acquisition I think that

1843

01:28:56,730 --> 01:28:54,220

they are that their plan ultimately is

1844

01:29:00,270 --> 01:28:56,740

to take over the earth in some way or at

1845

01:29:01,800 --> 01:29:00,280

least civilization on the earth in other

1846

01:29:03,060 --> 01:29:01,810

words I don't know what's happening in

1847

01:29:05,430 --> 01:29:03,070

every country I don't know what's

1848

01:29:08,280 --> 01:29:05,440

happening at North Korea for example but

1849

01:29:10,180 --> 01:29:08,290

but but we do think I mean it does

1850

01:29:11,590 --> 01:29:10,190

appear to be global and there

1851

01:29:13,810 --> 01:29:11,600

there's really strong evidence for that

1852

01:29:18,820 --> 01:29:13,820

it appears to have been going on for a

1853

01:29:21,610 --> 01:29:18,830

long time as early as the last quarter

1854

01:29:23,350 --> 01:29:21,620

of the 19th century and if you erase

1855

01:29:28,510 --> 01:29:23,360

that and you just go with sort of

1856

01:29:31,420 --> 01:29:28,520

evidence then of the 19-teens and then

1857

01:29:34,330 --> 01:29:31,430

in the 1920s more evidence in 1930s more

1858

01:29:35,500 --> 01:29:34,340

evidence in the 1940s that's that's no

1859

01:29:37,840 --> 01:29:35,510

problem

1860

01:29:41,800 --> 01:29:37,850

lots and lots and lots of cases when

1861

01:29:44,229 --> 01:29:41,810

people were younger in the 1940s but but

1862

01:29:45,880 --> 01:29:44,239

so we know it's been going on for a long

1863

01:29:50,380 --> 01:29:45,890

time which means that there's been a lot

1864

01:29:54,640 --> 01:29:50,390

of time and energy and thought put into

1865

01:30:00,670 --> 01:29:54,650

this program of planetary acquisition

1866

01:30:04,120 --> 01:30:00,680

and I've learned that it's it's it's a

1867

01:30:07,420 --> 01:30:04,130

complicated business but it's it's it's

1868

01:30:10,979 --> 01:30:07,430

simple also it's sort of beautiful in

1869

01:30:15,520 --> 01:30:10,989

its constructor scientists might say

1870

01:30:19,660 --> 01:30:15,530

it's it's as its acquisition through

1871

01:30:23,800 --> 01:30:19,670

hybridization and it's just a slow but

1872

01:30:27,870 --> 01:30:23,810

now constant stream of people who look

1873

01:30:31,180 --> 01:30:27,880

like normal average everyday individuals

1874

01:30:34,930 --> 01:30:31,190

just moving into apartments having

1875

01:30:39,820 --> 01:30:34,940

abductees help them having abductors

1876

01:30:41,830 --> 01:30:39,830

teach them about the ten billion things

1877

01:30:43,390 --> 01:30:41,840

they don't know about on earth even

1878

01:30:46,990 --> 01:30:43,400

though all their lives have been taught

1879

01:30:49,000 --> 01:30:47,000

what it's like to be on earth and but

1880

01:30:51,060 --> 01:30:49,010

once they get here they need somebody to

1881

01:30:54,150 --> 01:30:51,070

hold their hands up for a lot of things

1882

01:30:58,150 --> 01:30:54,160

and that's what I've looked these do and

1883

01:31:00,430 --> 01:30:58,160

and then they learn enough and they go

1884

01:31:03,040 --> 01:31:00,440

on to somewhere else and the epic day

1885

01:31:04,540 --> 01:31:03,050

gets another hybrid who's moving in or

1886

01:31:06,970 --> 01:31:04,550

hubert as i would call them a

1887

01:31:10,450 --> 01:31:06,980

combination of human and hybrid that i

1888

01:31:11,920 --> 01:31:10,460

just put the two words together and to

1889

01:31:14,080 --> 01:31:11,930

differentiate the ones who are actually

1890

01:31:16,270 --> 01:31:14,090

living here as opposed to all the rest

1891

01:31:20,100 --> 01:31:16,280

of the hybrids who are part of the work

1892

01:31:22,890 --> 01:31:20,110

force and on our our on board the UFO so

1893

01:31:25,979 --> 01:31:22,900

but we don't know

1894

01:31:28,560 --> 01:31:25,989

a planetary acquisition seems to be the

1895

01:31:30,300 --> 01:31:28,570

goal now that's interesting that we

1896

01:31:33,450 --> 01:31:30,310

don't know why it's just like in the

1897

01:31:36,720 --> 01:31:33,460

threat nobody knew what soon meant and

1898

01:31:38,669 --> 01:31:36,730

nobody knew what the change meant this

1899

01:31:41,220 --> 01:31:38,679

is this phenomenon as I said before it's

1900

01:31:43,410 --> 01:31:41,230

psychological or it's happening if this

1901
01:31:45,360 --> 01:31:43,420
were psychological people would simply

1902
01:31:47,280 --> 01:31:45,370
tell you why they were doing it because

1903
01:31:50,220 --> 01:31:47,290
they're making everything else up why

1904
01:31:52,050 --> 01:31:50,230
wouldn't they make that up we'd hear it

1905
01:31:54,840 --> 01:31:52,060
from here from there maybe not from

1906
01:31:58,350 --> 01:31:54,850
everybody but from most people I just

1907
01:32:02,220 --> 01:31:58,360
like to change and soon we know but in

1908
01:32:05,640 --> 01:32:02,230
fact it's no the the ones who are doing

1909
01:32:08,070 --> 01:32:05,650
this don't say why they're for the

1910
01:32:09,870 --> 01:32:08,080
abductees don't know why they're for I

1911
01:32:16,430 --> 01:32:09,880
don't know why they're for nobody knows

1912
01:32:19,380 --> 01:32:16,440
why hmm so there's no what do you think

1913
01:32:23,010 --> 01:32:19,390

you said that earlier you just said a

1914

01:32:25,709 --> 01:32:23,020

minute ago that we're going to know at

1915

01:32:30,660 --> 01:32:25,719

some point soon or something but soon

1916

01:32:32,760 --> 01:32:30,670

what is soon right well this is when I

1917

01:32:35,689 --> 01:32:32,770

asked abductees what did the aliens mean

1918

01:32:39,919 --> 01:32:35,699

when they said soon nobody knew but

1919

01:32:42,270 --> 01:32:39,929

though when they said soon in 1997 in

1920

01:32:48,330 --> 01:32:42,280

1996 when I was doing the research for

1921

01:32:50,160 --> 01:32:48,340

the threat everything was the same it

1922

01:32:53,490 --> 01:32:50,170

stayed the same for four years

1923

01:32:56,160 --> 01:32:53,500

afterwards until I began to hear stories

1924

01:32:57,720 --> 01:32:56,170

that I never heard before and then I

1925

01:32:59,399 --> 01:32:57,730

realised that this this might have been

1926

01:33:00,450 --> 01:32:59,409

what they meant by soon and this what

1927

01:33:03,540 --> 01:33:00,460

might have been what they meant by the

1928

01:33:06,870 --> 01:33:03,550

change although I can't be sure of that

1929

01:33:09,419 --> 01:33:06,880

but it was different than anything I'd

1930

01:33:12,630 --> 01:33:09,429

ever heard and you have to understand

1931

01:33:14,280 --> 01:33:12,640

that the abduction phenomenon is when

1932

01:33:16,229 --> 01:33:14,290

you listen to abductors talk about their

1933

01:33:17,729 --> 01:33:16,239

experiences for them it's the most

1934

01:33:21,110 --> 01:33:17,739

astounding thing that has ever happened

1935

01:33:22,890 --> 01:33:21,120

in the history of humankind and it is I

1936

01:33:28,080 --> 01:33:22,900

can understand that

1937

01:33:31,890 --> 01:33:28,090

for me it's it's I'm going to use the

1938

01:33:35,010 --> 01:33:31,900

word soporific it's I've heard these

1939

01:33:35,250 --> 01:33:35,020

stories so many times over and over and

1940

01:33:39,750 --> 01:33:35,260

over

1941

01:33:43,350 --> 01:33:39,760

to keep myself awake during sessions

1942

01:33:46,770 --> 01:33:43,360

that is unfortunately literally true and

1943

01:33:49,980 --> 01:33:46,780

I learned the hard way having fallen

1944

01:33:53,100 --> 01:33:49,990

asleep because I'm just hearing the same

1945

01:33:56,630 --> 01:33:53,110

thing over and over and over and over

1946

01:34:00,600 --> 01:33:56,640

and over and I'm asleep now and

1947

01:34:02,730 --> 01:34:00,610

consequently but that's extremely

1948

01:34:04,440 --> 01:34:02,740

important because it's all verification

1949

01:34:05,670 --> 01:34:04,450

they're all saying the same thing they

1950

01:34:07,920 --> 01:34:05,680

don't know anything about this subject

1951

01:34:10,820 --> 01:34:07,930

that most of what I'm saying and most of

1952

01:34:14,040 --> 01:34:10,830

what's been on television has not been

1953

01:34:16,170 --> 01:34:14,050

fully involved with the I mean you're

1954

01:34:17,760 --> 01:34:16,180

here you're you're only seeing part bits

1955

01:34:20,130 --> 01:34:17,770

and parts of the abduction phenomenon on

1956

01:34:22,140 --> 01:34:20,140

television most of what people are

1957

01:34:24,090 --> 01:34:22,150

saying they have not picked up in

1958

01:34:25,470 --> 01:34:24,100

personal in popular culture

1959

01:34:27,750 --> 01:34:25,480

these are personal experiences that

1960

01:34:30,240 --> 01:34:27,760

happen to them but I know that it

1961

01:34:35,130 --> 01:34:30,250

happens to everybody and makeup can you

1962

01:34:39,240 --> 01:34:35,140

tell us an example well you know taking

1963

01:34:41,070 --> 01:34:39,250

an egg there I used to think and secret

1964

01:34:43,820 --> 01:34:41,080

life I wrote that they were extremely

1965

01:34:46,640 --> 01:34:43,830

interested in human sexual response

1966

01:34:48,720 --> 01:34:46,650

because they would look into the eyes of

1967

01:34:51,660 --> 01:34:48,730

people and they would put these people

1968

01:34:54,930 --> 01:34:51,670

male or female on top of one another and

1969

01:34:57,930 --> 01:34:54,940

have them to go through the business of

1970

01:35:00,380 --> 01:34:57,940

intercourse and then and they would

1971

01:35:02,850 --> 01:35:00,390

stare their eyes on and I thought well

1972

01:35:05,100 --> 01:35:02,860

they must be they keep doing this they

1973

01:35:07,530 --> 01:35:05,110

must be interested in human sexual

1974

01:35:11,970 --> 01:35:07,540

response in some way that's all I could

1975

01:35:13,530 --> 01:35:11,980

think of but it turned out to be was

1976

01:35:15,360 --> 01:35:13,540

that they don't they're not interested

1977

01:35:18,240 --> 01:35:15,370

in human sexual response at all might

1978

01:35:20,910 --> 01:35:18,250

even a little bit they're not interested

1979

01:35:24,660 --> 01:35:20,920

what they're interested in is at the

1980

01:35:26,580 --> 01:35:24,670

peak moment of this event they take the

1981

01:35:29,340 --> 01:35:26,590

man away from the woman who then

1982

01:35:32,280 --> 01:35:29,350

basically ejaculates into a receptacle

1983

01:35:34,410 --> 01:35:32,290

it's a sperm taking technique why they

1984

01:35:38,340 --> 01:35:34,420

use that there's other techniques that

1985

01:35:41,730 --> 01:35:38,350

they have too so well if they can

1986

01:35:45,060 --> 01:35:41,740

control the mind they could obviously do

1987

01:35:47,879 --> 01:35:45,070

that instantly right and when they do do

1988

01:35:52,169 --> 01:35:47,889

that and they do that with the woman

1989

01:35:54,209 --> 01:35:52,179

by controlling the mind and and the

1990

01:35:57,990 --> 01:35:54,219

first time I heard this here's a story

1991

01:35:59,820 --> 01:35:58,000

about the first time I heard III had

1992

01:36:01,500 --> 01:35:59,830

discovered this business about staring

1993

01:36:04,229 --> 01:36:01,510

at people from a distance of touching

1994

01:36:07,919 --> 01:36:04,239

foreheads or maybe an inch or two on

1995

01:36:10,439 --> 01:36:07,929

steering and I would ask them can you

1996

01:36:12,090 --> 01:36:10,449

avert your eyes you know left turn left

1997

01:36:14,010 --> 01:36:12,100

or right they say no I said well can you

1998

01:36:16,140 --> 01:36:14,020

close your eyelids you know no they

1999

01:36:17,520 --> 01:36:16,150

can't do that either and I couldn't

2000

01:36:19,379 --> 01:36:17,530

figure out it was and I finally realized

2001

01:36:22,260 --> 01:36:19,389

they were they were using the optic

2002

01:36:26,280 --> 01:36:22,270

nerve which can be seen from the outside

2003

01:36:30,000 --> 01:36:26,290

at the back of the the eye as a conduit

2004

01:36:32,220 --> 01:36:30,010

to stimulate any any particular nerve

2005

01:36:33,810 --> 01:36:32,230

neurons they wanted to in the brain or

2006

01:36:36,240 --> 01:36:33,820

do different things in the brain and

2007

01:36:38,640 --> 01:36:36,250

they're logically one of the things that

2008

01:36:43,790 --> 01:36:38,650

they can do is they can stimulate sexual

2009

01:36:47,040 --> 01:36:43,800

response and when that comes for a woman

2010

01:36:48,240 --> 01:36:47,050

they they immediately at that point they

2011

01:36:52,109 --> 01:36:48,250

go down they take an egg

2012

01:36:54,629 --> 01:36:52,119

no or to ace or whatever is coming out

2013

01:36:57,060 --> 01:36:54,639

of the ovary how that happens I do not

2014

01:36:59,640 --> 01:36:57,070

know because that does not happen in

2015

01:37:01,350 --> 01:36:59,650

normal human life that's not when when

2016

01:37:05,129 --> 01:37:01,360

women ovulate that's not that's not what

2017

01:37:07,950 --> 01:37:05,139

happens in some way that facilitates

2018

01:37:10,140 --> 01:37:07,960

their taking of the eggs I've had people

2019

01:37:16,140 --> 01:37:10,150

tell me that hundreds of times that is

2020

01:37:18,750 --> 01:37:16,150

not an exaggeration and one time as a

2021

01:37:23,340 --> 01:37:18,760

serves and tell you their before I knew

2022

01:37:25,109 --> 01:37:23,350

this I had this this guy this this tall

2023

01:37:27,990 --> 01:37:25,119

grey alien was staring into the

2024

01:37:29,580 --> 01:37:28,000

sixteen-year-old girls eyes now this she

2025

01:37:30,810 --> 01:37:29,590

was older when I was working with her

2026

01:37:34,020 --> 01:37:30,820

because I don't I don't work with people

2027

01:37:35,879 --> 01:37:34,030

who are I like to work with older people

2028

01:37:38,280 --> 01:37:35,889

I wanted to have a life first before

2029

01:37:39,750 --> 01:37:38,290

they started working with me so I don't

2030

01:37:42,180 --> 01:37:39,760

work with anybody under the age of 21

2031

01:37:43,530 --> 01:37:42,190

and I I'm gonna and I don't even like to

2032

01:37:45,870 --> 01:37:43,540

do that I'd rather work with people who

2033

01:37:47,430 --> 01:37:45,880

are who are 50 or 40 or whatever who

2034

01:37:51,899 --> 01:37:47,440

already have a life of kids and a wife

2035

01:37:53,399 --> 01:37:51,909

and I was running all and so I so she's

2036

01:37:56,760 --> 01:37:53,409

16 she's remembering back to when she

2037

01:37:58,770 --> 01:37:56,770

was 16 years old and I asked her this is

2038

01:38:00,160 --> 01:37:58,780

Brad this is all brand-new stuff I said

2039

01:38:04,300 --> 01:38:00,170

what's going on in your

2040

01:38:07,020 --> 01:38:04,310

mine's while he's staring at you and she

2041

01:38:11,110 --> 01:38:07,030

said to him to me she said you know I

2042

01:38:15,430 --> 01:38:11,120

really like him I really really like him

2043

01:38:19,630 --> 01:38:15,440

nice it's really a good person I hope he

2044

01:38:22,660 --> 01:38:19,640

likes me she says to me the 16 year old

2045

01:38:25,540 --> 01:38:22,670

talking to me you know and I think to

2046

01:38:28,000 --> 01:38:25,550

myself here's a bug-eyed monster who's

2047

01:38:30,760 --> 01:38:28,010

staring at their eyes and she's falling

2048

01:38:32,620 --> 01:38:30,770

in love with him what could that how

2049

01:38:34,090 --> 01:38:32,630

could that be possible and I didn't know

2050

01:38:38,380 --> 01:38:34,100

anything about this sexual response

2051
01:38:41,830 --> 01:38:38,390
thing yet and but that was sort of the

2052
01:38:43,240 --> 01:38:41,840
beginning of it it went back a little

2053
01:38:46,150 --> 01:38:43,250
bit more when I first discovered it with

2054
01:38:49,030 --> 01:38:46,160
another woman but like the Stockholm

2055
01:38:50,979 --> 01:38:49,040
Syndrome no it's not the Stockholm said

2056
01:38:52,510 --> 01:38:50,989
they're just creating sexual response so

2057
01:38:54,600 --> 01:38:52,520
that they can take an egg that's all I

2058
01:38:56,709 --> 01:38:54,610
care about

2059
01:39:00,760 --> 01:38:56,719
Wow

2060
01:39:01,959 --> 01:39:00,770
and so you know there's a bunch of

2061
01:39:04,810 --> 01:39:01,969
comments that came up and let me just

2062
01:39:06,640 --> 01:39:04,820
pull one question for you because I keep

2063
01:39:09,970 --> 01:39:06,650

missing all these questions how many

2064

01:39:14,080 --> 01:39:09,980

commonalities does or do you have on

2065

01:39:16,000 --> 01:39:14,090

abductees that I have to read this

2066

01:39:19,570 --> 01:39:16,010

differently because it's written like

2067

01:39:23,020 --> 01:39:19,580

he's asking me to ask you that you have

2068

01:39:26,290 --> 01:39:23,030

written about that uses that you use as

2069

01:39:32,350 --> 01:39:26,300

you're checking your checking your

2070

01:39:33,820 --> 01:39:32,360

abductee in hand i guess 'sir the person

2071

01:39:40,419 --> 01:39:33,830

is asking how many commonalities are

2072

01:39:42,520 --> 01:39:40,429

there if it didn't have that soporific

2073

01:39:45,729 --> 01:39:42,530

aspect of everybody saying the same

2074

01:39:48,250 --> 01:39:45,739

thing all the time we would be talking

2075

01:39:50,680 --> 01:39:48,260

now because it would be idiosyncratic it

2076

01:39:52,450 --> 01:39:50,690

would be every person would have a story

2077

01:39:54,520 --> 01:39:52,460

based on their own life in some way or

2078

01:39:57,970 --> 01:39:54,530

another especially based on their own

2079

01:39:59,830 --> 01:39:57,980

country and but this is a phenomenon

2080

01:40:04,800 --> 01:39:59,840

that cuts across everything it cuts

2081

01:40:07,240 --> 01:40:04,810

across all religions all racial aspects

2082

01:40:10,890 --> 01:40:07,250

geographic boundaries it cuts across

2083

01:40:12,970 --> 01:40:10,900

educational levels I have people who are

2084

01:40:15,130 --> 01:40:12,980

psychiatrist and psychologist

2085

01:40:17,590 --> 01:40:15,140

Epis who come to me to find out what has

2086

01:40:20,440 --> 01:40:17,600

been happening with them even though

2087

01:40:22,390 --> 01:40:20,450

that they're taking the risk because I'm

2088

01:40:25,810 --> 01:40:22,400

just some amateur guy I'm just a guy off

2089

01:40:28,720 --> 01:40:25,820

the street they're taking a risk to to

2090

01:40:30,460 --> 01:40:28,730

come to me and and and knowing that I

2091

01:40:33,700 --> 01:40:30,470

will not be you know say who their

2092

01:40:35,979 --> 01:40:33,710

actual name is or where they teach or

2093

01:40:37,840 --> 01:40:35,989

anything like that because they are

2094

01:40:39,310 --> 01:40:37,850

driven to wanting to find out what's

2095

01:40:41,110 --> 01:40:39,320

what's going on with them and when they

2096

01:40:43,780 --> 01:40:41,120

tell me what's happening to them it's

2097

01:40:45,400 --> 01:40:43,790

pretty much the same in all the

2098

01:40:47,620 --> 01:40:45,410

different aspects of which there are

2099

01:40:49,300 --> 01:40:47,630

thousands or aspects their Twitter you

2100

01:40:52,360 --> 01:40:49,310

know you can you can dissect it into

2101

01:40:56,800 --> 01:40:52,370

little tiny pieces and so it's all

2102

01:41:00,910 --> 01:40:56,810

pretty much the same now it can be very

2103

01:41:02,320 --> 01:41:00,920

very different extremely different if

2104

01:41:05,380 --> 01:41:02,330

you don't know what you're doing when

2105

01:41:07,330 --> 01:41:05,390

you do hypnosis and you ask the wrong

2106

01:41:10,000 --> 01:41:07,340

questions in the wrong way and you call

2107

01:41:10,960 --> 01:41:10,010

for wrong answers and you understand you

2108

01:41:13,660 --> 01:41:10,970

don't understand the role of

2109

01:41:15,460 --> 01:41:13,670

confabulation people will confabulate

2110

01:41:18,040 --> 01:41:15,470

they'll say things that they will swear

2111

01:41:21,970 --> 01:41:18,050

to as being true and it turns out not to

2112

01:41:24,340 --> 01:41:21,980

be true oh absolutely

2113

01:41:25,750 --> 01:41:24,350

and most conflagration takes place and

2114

01:41:28,840 --> 01:41:25,760

consciously recalled memories

2115

01:41:30,130 --> 01:41:28,850

now obviously if ninety nine to ninety

2116

01:41:31,540 --> 01:41:30,140

five percent of abductees don't remember

2117

01:41:33,460 --> 01:41:31,550

anything it's not those aren't the ones

2118

01:41:35,380 --> 01:41:33,470

we work with we work with the ones who

2119

01:41:37,270 --> 01:41:35,390

do know something is going on who do

2120

01:41:39,190 --> 01:41:37,280

have a memory of something happening or

2121

01:41:40,090 --> 01:41:39,200

a bizarre dream means in their bedroom

2122

01:41:42,880 --> 01:41:40,100

or something like that

2123

01:41:45,790 --> 01:41:42,890

and other things too which then drive

2124

01:41:49,750 --> 01:41:45,800

them to me I take people who basically

2125

01:41:51,280 --> 01:41:49,760

are it's interfering with their life if

2126

01:41:52,660 --> 01:41:51,290

it's not interfering with their life if

2127

01:41:53,770 --> 01:41:52,670

everything is okay they're married

2128

01:41:57,070 --> 01:41:53,780

they're happier they're everything is

2129

01:42:00,070 --> 01:41:57,080

fine I'm not about to to to open this up

2130

01:42:01,479 --> 01:42:00,080

for them and and destroy their lives in

2131

01:42:03,700 --> 01:42:01,489

some way or another I don't want to do

2132

01:42:05,860 --> 01:42:03,710

that I want to work with people where

2133

01:42:07,570 --> 01:42:05,870

this is getting in the way of their

2134

01:42:09,880 --> 01:42:07,580

normal life they deserve to have a

2135

01:42:17,290 --> 01:42:09,890

normal life and that's what I'm looking

2136

01:42:19,760 --> 01:42:17,300

for so so basically the commonalities

2137

01:42:22,280 --> 01:42:19,770

are critical and

2138

01:42:24,650 --> 01:42:22,290

and and and it's extremely important

2139

01:42:30,830 --> 01:42:24,660

that that they say the same things if

2140

01:42:34,070 --> 01:42:30,840

however I take for for truth what they

2141

01:42:37,300 --> 01:42:34,080

first tell me for example I will tell

2142

01:42:40,060 --> 01:42:37,310

you a risque story

2143

01:42:43,490 --> 01:42:40,070

this one was twelve years old

2144

01:42:46,010 --> 01:42:43,500

this is conscious memory she's out the

2145

01:42:49,240 --> 01:42:46,020

backyard playing she got the urge to go

2146

01:42:51,860 --> 01:42:49,250

to the bathroom and but it was too far

2147

01:42:55,100 --> 01:42:51,870

it was urgent heard she was too far to

2148

01:42:58,370 --> 01:42:55,110

go back to her house she was in a wooded

2149

01:43:01,820 --> 01:42:58,380

area nobody was around so she as we like

2150

01:43:08,540 --> 01:43:01,830

to say in the halls of academia dumped

2151
01:43:14,530 --> 01:43:08,550
near a tree so when she looked at it she

2152
01:43:21,710 --> 01:43:17,090
that was that really was sort of amazing

2153
01:43:24,680 --> 01:43:21,720
and but that does happen and so I think

2154
01:43:26,720 --> 01:43:24,690
so we did a session on that because it

2155
01:43:28,520 --> 01:43:26,730
was sort of fascinating so he's out

2156
01:43:31,610 --> 01:43:28,530
playing in the back there was and it was

2157
01:43:33,920 --> 01:43:31,620
and there's a CFO there and then she

2158
01:43:35,390 --> 01:43:33,930
goes into the audience of the UFO these

2159
01:43:36,860 --> 01:43:35,400
aliens and this happens in that happens

2160
01:43:39,230 --> 01:43:36,870
and this happens of atoms in this heaven

2161
01:43:42,530 --> 01:43:39,240
that have this and then she comes out

2162
01:43:45,470 --> 01:43:42,540
and then she runs home I saw a wait a

2163
01:43:47,530 --> 01:43:45,480

second what about how you have to go to

2164

01:43:51,350 --> 01:43:47,540

the bathroom by the tree and all that

2165

01:43:53,180 --> 01:43:51,360

she said no no I don't think that

2166

01:43:54,830 --> 01:43:53,190

happened I said what about that tapeworm

2167

01:43:58,100 --> 01:43:54,840

you know that's stuck in your mind for

2168

01:44:01,640 --> 01:43:58,110

all these years so no I don't think that

2169

01:44:03,290 --> 01:44:01,650

happen either she had that in her mind

2170

01:44:04,850 --> 01:44:03,300

for years and years and years and when

2171

01:44:07,130 --> 01:44:04,860

it became time for her to just describe

2172

01:44:09,850 --> 01:44:07,140

it to me I was I was ready to listen to

2173

01:44:12,860 --> 01:44:09,860

it it wasn't there

2174

01:44:14,930 --> 01:44:12,870

that's confabulation I can tell you

2175

01:44:17,690 --> 01:44:14,940

story after story after story after

2176

01:44:19,280 --> 01:44:17,700

story but this is how you can try you

2177

01:44:22,280 --> 01:44:19,290

handle it here's another story this is

2178

01:44:23,720 --> 01:44:22,290

how you handle it woman wakes up in the

2179

01:44:25,580 --> 01:44:23,730

middle of night there's Abraham Lincoln

2180

01:44:27,440 --> 01:44:25,590

standing at the foot of her bed he's

2181

01:44:29,570 --> 01:44:27,450

tall he's got a stovepipe hat on as his

2182

01:44:31,149 --> 01:44:29,580

beard he's standing there with somebody

2183

01:44:34,040 --> 01:44:31,159

else or something like that

2184

01:44:37,429 --> 01:44:34,050

they take her out of the bed they take

2185

01:44:40,330 --> 01:44:37,439

her out into this UFO etc I know I'm not

2186

01:44:44,629 --> 01:44:40,340

saying a word about Abraham Lincoln and

2187

01:44:45,949 --> 01:44:44,639

finally I say well now you know she they

2188

01:44:47,270 --> 01:44:45,959

their clothes off she's in a room they

2189

01:44:50,330 --> 01:44:47,280

pick her up day she's walking down a

2190

01:44:53,109 --> 01:44:50,340

hallway I say well where is Abraham

2191

01:44:55,879 --> 01:44:53,119

Lincoln oh he's he's in front of me

2192

01:44:58,399 --> 01:44:55,889

walking down this hallway I said okay

2193

01:45:06,350 --> 01:44:58,409

well I said can you see his stovepipe

2194

01:45:09,049 --> 01:45:06,360

hat she said no no no I said well Kenya

2195

01:45:10,279 --> 01:45:09,059

can you see his hair again if he's not

2196

01:45:11,600 --> 01:45:10,289

wearing his hat can you see it there in

2197

01:45:16,159 --> 01:45:11,610

the back of his head he's in front of

2198

01:45:17,750 --> 01:45:16,169

you no I can't see that I said well when

2199

01:45:19,969 --> 01:45:17,760

you're looking at him ie looking up at

2200

01:45:22,509 --> 01:45:19,979

him like he's [h__h] across it I'm looking

2201

01:45:24,919 --> 01:45:22,519

down at him so well I'm sort of looking

2202

01:45:28,209 --> 01:45:24,929

straight across at him and then she said

2203

01:45:29,899 --> 01:45:28,219

you know I don't think this is Lincoln

2204

01:45:31,939 --> 01:45:29,909

that's how you do it

2205

01:45:35,419 --> 01:45:31,949

it's just simple chronological and

2206

01:45:37,399 --> 01:45:35,429

logical questioning at all and after and

2207

01:45:40,100 --> 01:45:37,409

the first session has most confabulation

2208

01:45:45,919 --> 01:45:40,110

and it comes the first than the two

2209

01:45:48,350 --> 01:45:45,929

major areas of confabulation are what I

2210

01:45:52,159 --> 01:45:48,360

just described which is describing

2211

01:45:53,449 --> 01:45:52,169

aliens and believe me you get people to

2212

01:45:55,159 --> 01:45:53,459

tell me that there's two hundred and

2213

01:45:57,049 --> 01:45:55,169

forty eight different kinds of aliens

2214

01:45:59,270 --> 01:45:57,059

who are visiting here you know and

2215

01:46:01,310 --> 01:45:59,280

abducting people and people tell me

2216

01:46:03,770 --> 01:46:01,320

there are 27 different kinds of it and

2217

01:46:09,699 --> 01:46:03,780

this is all confabulation from what I

2218

01:46:12,620 --> 01:46:09,709

can tell and so if you work with them

2219

01:46:15,159 --> 01:46:12,630

doing chronological and logical

2220

01:46:18,020 --> 01:46:15,169

questioning based on what they're saying

2221

01:46:20,989 --> 01:46:18,030

then not on based on what I think they

2222

01:46:23,689 --> 01:46:20,999

should be saying they learn very quickly

2223

01:46:25,279 --> 01:46:23,699

that memory is slippery and they're

2224

01:46:28,069 --> 01:46:25,289

really they had remembered things that

2225

01:46:29,719 --> 01:46:28,079

didn't happen or weren't true and what

2226

01:46:30,620 --> 01:46:29,729

they're remembering is actually stranger

2227

01:46:32,899 --> 01:46:30,630

than what they felt they were

2228

01:46:36,139 --> 01:46:32,909

remembering you know sometimes and and

2229

01:46:39,439 --> 01:46:36,149

then they become sort of scientist

2230

01:46:43,910 --> 01:46:39,449

observers they understand the enormity

2231

01:46:46,730 --> 01:46:43,920

of this they understand the incredible

2232

01:46:51,440 --> 01:46:46,740

aspect of this phenomenon for everybody

2233

01:46:54,530 --> 01:46:51,450

and they want to be accurate then they

2234

01:46:57,500 --> 01:46:54,540

don't want confabulation then they want

2235

01:46:59,330 --> 01:46:57,510

to be accurate about about what's

2236

01:47:02,420 --> 01:46:59,340

happening to them and I have a style of

2237

01:47:05,120 --> 01:47:02,430

questioning which causes that accuracy

2238

01:47:06,740 --> 01:47:05,130

which allows for it well I had a

2239

01:47:11,900 --> 01:47:06,750

question along those lines if that's all

2240

01:47:15,860 --> 01:47:11,910

right is have you seen as time has gone

2241

01:47:17,750 --> 01:47:15,870

by like a an overall change you say that

2242

01:47:19,940 --> 01:47:17,760

there's you know the story sounds the

2243

01:47:22,640 --> 01:47:19,950

same sounds the same but is that your

2244

01:47:25,670 --> 01:47:22,650

questions also the same or do you change

2245

01:47:28,910 --> 01:47:25,680

your questions no my questions are

2246

01:47:31,280 --> 01:47:28,920

pretty much the same I only ask what

2247

01:47:34,250 --> 01:47:31,290

they see what they talk about no

2248

01:47:36,620 --> 01:47:34,260

sometimes there's there's it depends

2249

01:47:38,630 --> 01:47:36,630

depends I will ask them sometimes if

2250

01:47:40,430 --> 01:47:38,640

they're gone for four hours and they

2251

01:47:42,110 --> 01:47:40,440

tell me about 15 minutes worth of

2252

01:47:45,280 --> 01:47:42,120

material I know they skipped a lot of

2253

01:47:47,810 --> 01:47:45,290

stuff so I'll tell them well you know

2254

01:47:49,100 --> 01:47:47,820

let's just see if anything else happens

2255

01:47:50,690 --> 01:47:49,110

and I'll count from three to one or

2256

01:47:52,090 --> 01:47:50,700

something like that and tell them you

2257

01:47:54,530 --> 01:47:52,100

know when I get there one you'll

2258

01:47:56,810 --> 01:47:54,540

remember something else happening if it

2259

01:48:00,050 --> 01:47:56,820

did if nothing else happened that's fine

2260

01:48:01,460 --> 01:48:00,060

too and then they remember oh they took

2261

01:48:02,840 --> 01:48:01,470

me into a different room they did this

2262

01:48:04,430 --> 01:48:02,850

they did that and they took me into

2263

01:48:07,010 --> 01:48:04,440

another room and they Disney then you

2264

01:48:10,490 --> 01:48:07,020

know and but they will that's only in

2265

01:48:12,800 --> 01:48:10,500

the first several sessions usually after

2266

01:48:14,660 --> 01:48:12,810

after a while they get used to it and

2267

01:48:16,520 --> 01:48:14,670

they understand that when they go out of

2268

01:48:18,950 --> 01:48:16,530

the room they know that I'm gonna ask

2269

01:48:20,480 --> 01:48:18,960

them well if you're going out of the

2270

01:48:22,040 --> 01:48:20,490

room they've already described the room

2271

01:48:23,300 --> 01:48:22,050

to me because I because they said they

2272

01:48:25,370 --> 01:48:23,310

were going into the room so I get to

2273

01:48:28,580 --> 01:48:25,380

talk about the room then then when they

2274

01:48:30,860 --> 01:48:28,590

go out of the room I I ask them do they

2275

01:48:33,470 --> 01:48:30,870

go straight to the straight out of the

2276

01:48:36,290 --> 01:48:33,480

room do they go left or they turn or

2277

01:48:39,440 --> 01:48:36,300

right or something like that now there's

2278

01:48:41,180 --> 01:48:39,450

only so many ways you can go you know so

2279

01:48:42,650 --> 01:48:41,190

they say well so they know right away

2280

01:48:45,320 --> 01:48:42,660

they say well I'm turning right into a

2281

01:48:48,440 --> 01:48:45,330

hallway now and they've learned to be

2282

01:48:51,710 --> 01:48:48,450

accurate because I'm sort of asking for

2283

01:48:53,050 --> 01:48:51,720

it I'm asking for accuracy and when that

2284

01:48:56,490 --> 01:48:53,060

happens

2285

01:48:58,170 --> 01:48:56,500

nothing bubbles up that is bizarre there

2286

01:48:59,810 --> 01:48:58,180

nothing to do with religion in there

2287

01:49:03,540 --> 01:48:59,820

there's nothing to do with being

2288

01:49:08,550 --> 01:49:03,550

transcendent beings helping to heal the

2289

01:49:11,970 --> 01:49:08,560

world or heal us or whatever people say

2290

01:49:14,310 --> 01:49:11,980

I just don't ever hear that as long as

2291

01:49:16,590 --> 01:49:14,320

I'm asking questions the correct way and

2292

01:49:19,890 --> 01:49:16,600

and they're leading me on what questions

2293

01:49:22,140 --> 01:49:19,900

I can ask I can't just tell them ask him

2294

01:49:24,870 --> 01:49:22,150

Sir question out of the blue

2295

01:49:26,700 --> 01:49:24,880

then I'm going on this journey

2296

01:49:28,110 --> 01:49:26,710

physically with them and they're doing

2297

01:49:30,570 --> 01:49:28,120

things I can ask him questions about

2298

01:49:33,450 --> 01:49:30,580

what's what's going on you know have you

2299

01:49:35,670 --> 01:49:33,460

ever heard like I know you said what was

2300

01:49:38,640 --> 01:49:35,680

its puffer Rick of whatever that word is

2301

01:49:39,810 --> 01:49:38,650

they don't have to look up they put you

2302

01:49:45,770 --> 01:49:39,820

to sleep

2303

01:49:54,450 --> 01:49:51,380

have you had say spoken to someone and

2304

01:49:55,920 --> 01:49:54,460

multiple times your story is similar

2305

01:49:57,750 --> 01:49:55,930

you're falling asleep and all of a

2306

01:50:01,290 --> 01:49:57,760

sudden there's something new or

2307

01:50:04,350 --> 01:50:01,300

something bizarre that that you actually

2308

01:50:07,110 --> 01:50:04,360

believe as part of the story yeah that

2309

01:50:10,410 --> 01:50:07,120

does happen and and it may not be

2310

01:50:12,990 --> 01:50:10,420

necessarily validated by others it only

2311

01:50:15,300 --> 01:50:13,000

happens when I've worked with the person

2312

01:50:17,070 --> 01:50:15,310

for a number of years and I know and I

2313

01:50:18,630 --> 01:50:17,080

trust that person and usually the person

2314

01:50:20,460 --> 01:50:18,640

will say to me no I don't know whether

2315

01:50:22,470 --> 01:50:20,470

this is true whether this is happening

2316

01:50:24,600 --> 01:50:22,480

or not but I'll tell you that way and

2317

01:50:28,860 --> 01:50:24,610

then they'll say something that makes

2318

01:50:31,260 --> 01:50:28,870

perfect logical sense in some way and I

2319

01:50:33,120 --> 01:50:31,270

and I'll latch on tha's I know this

2320

01:50:35,430 --> 01:50:33,130

person I've known this person well and

2321

01:50:39,000 --> 01:50:35,440

I've had you know 10 15 20 or 30

2322

01:50:42,150 --> 01:50:39,010

sessions with him or her and and I know

2323

01:50:44,310 --> 01:50:42,160

that they are extremely careful in how

2324

01:50:45,930 --> 01:50:44,320

they're describing things and they've

2325

01:50:47,460 --> 01:50:45,940

learned how to do it and they've learned

2326

01:50:49,910 --> 01:50:47,470

how to warn me and all the rest that

2327

01:50:52,470 --> 01:50:49,920

stuff even then

2328

01:50:54,870 --> 01:50:52,480

and it's usually a minor thing but even

2329

01:50:56,730 --> 01:50:54,880

then I I prefer to wait for somebody

2330

01:50:58,320 --> 01:50:56,740

else to say the same thing and the

2331

01:51:00,650 --> 01:50:58,330

phenomenon is so routinized that

2332

01:51:03,960 --> 01:51:00,660

invariably somebody else will you know

2333

01:51:06,480 --> 01:51:03,970

it's but it it's all a matter of

2334

01:51:10,120 --> 01:51:06,490

questioning and it's a matter of trust

2335

01:51:13,980 --> 01:51:10,130

and it's a yeah there are some people

2336

01:51:16,090 --> 01:51:13,990

who asked a and a person or questions

2337

01:51:19,180 --> 01:51:16,100

they're remembering something it

2338

01:51:21,910 --> 01:51:19,190

happened 10 years ago and in the middle

2339

01:51:24,160 --> 01:51:21,920

of this discussion the hypnotist will

2340

01:51:27,130 --> 01:51:24,170

say I want you to ask the alien a

2341

01:51:29,260 --> 01:51:27,140

question I want you to ask them what

2342

01:51:31,000 --> 01:51:29,270

planet do they come from or something

2343

01:51:32,560 --> 01:51:31,010

like that you know hang on a second here

2344

01:51:34,750 --> 01:51:32,570

we have a caller can you say your first

2345

01:51:38,350 --> 01:51:34,760

name in question please Bobby

2346

01:51:40,030 --> 01:51:38,360

hey Bobby how are you good man the

2347

01:51:44,220 --> 01:51:40,040

question is actually you kind of got it

2348

01:51:47,830 --> 01:51:44,230

wrong is what checks does he still have

2349

01:51:50,770 --> 01:51:47,840

were duck T's that he believes her real

2350

01:51:52,810 --> 01:51:50,780

have told him that he keeps himself and

2351
01:51:55,450 --> 01:51:52,820
doesn't share in his books how many of

2352
01:51:59,140 --> 01:51:55,460
those does he have that he still uses to

2353
01:52:00,970 --> 01:51:59,150
see that are commonalities okay just to

2354
01:52:01,660 --> 01:52:00,980
let you know we only have a couple two

2355
01:52:07,090 --> 01:52:01,670
minutes left

2356
01:52:07,810 --> 01:52:07,100
Thank You Bobby in the first couple of

2357
01:52:09,640 --> 01:52:07,820
sessions

2358
01:52:12,430 --> 01:52:09,650
I asked deliberately misleading

2359
01:52:15,010 --> 01:52:12,440
questions I'm not going to say what they

2360
01:52:18,640 --> 01:52:15,020
are but they asked I and I know them bud

2361
01:52:22,150 --> 01:52:18,650
used to ask people you know that most

2362
01:52:26,320 --> 01:52:22,160
abductees is there's a yellow colored a

2363
01:52:28,240 --> 01:52:26,330

yellow sort of bright yellow a alien who

2364

01:52:29,710 --> 01:52:28,250

stands off to the side and watches

2365

01:52:34,090 --> 01:52:29,720

things as they go on and doesn't do

2366

01:52:35,800 --> 01:52:34,100

anything you can see him can't you of

2367

01:52:40,870 --> 01:52:35,810

course that's never been said by anybody

2368

01:52:42,970 --> 01:52:40,880

ever at any time and so and there's

2369

01:52:44,770 --> 01:52:42,980

another researcher John Carpenter had a

2370

01:52:47,290 --> 01:52:44,780

whole list of these types of questions

2371

01:52:50,440 --> 01:52:47,300

to ask and I'll ask those questions

2372

01:52:53,070 --> 01:52:50,450

I can tell fairly quickly how responsive

2373

01:52:56,020 --> 01:52:53,080

a person is and they're usually wary of

2374

01:52:58,900 --> 01:52:56,030

asking questions that aren't going to

2375

01:53:02,170 --> 01:52:58,910

apply to them in some way but but I do

2376

01:53:05,710 --> 01:53:02,180

do that absolutely and I try to do that

2377

01:53:07,300 --> 01:53:05,720

with everybody and for the first several

2378

01:53:08,980 --> 01:53:07,310

sessions until I'm pretty much satisfied

2379

01:53:11,110 --> 01:53:08,990

that they're going to be there trying to

2380

01:53:13,240 --> 01:53:11,120

be as accurate as possible nobody wants

2381

01:53:15,340 --> 01:53:13,250

to say anything that's wrong or false

2382

01:53:18,160 --> 01:53:15,350

they don't know nobody wants at least of

2383

01:53:20,950 --> 01:53:18,170

all me right so David what's your

2384

01:53:23,950 --> 01:53:20,960

website and one more time the name your

2385

01:53:28,560 --> 01:53:23,960

book then it's on your website

2386

01:53:34,479 --> 01:53:28,570

right the website is a UFO abduction no

2387

01:53:38,410 --> 01:53:34,489

s.com just singular abduction calm the

2388

01:53:40,690 --> 01:53:38,420

book is called walking among us how the

2389

01:53:42,610 --> 01:53:40,700

aliens plan to control humanity the

2390

01:53:45,340 --> 01:53:42,620

walking among us was something I came up

2391

01:53:47,500 --> 01:53:45,350

with on the spur of the moment the other

2392

01:53:49,360 --> 01:53:47,510

part was their subtitle they had a

2393

01:53:52,479 --> 01:53:49,370

different title which I will not tell

2394

01:53:54,280 --> 01:53:52,489

you okay cuz it was straight out of the

2395

01:53:56,500 --> 01:53:54,290

pages of the National Enquirer so I

2396

01:53:58,180 --> 01:53:56,510

figured no no no no no that's not gonna

2397

01:54:00,459 --> 01:53:58,190

work well thanks so much it's been a

2398

01:54:03,400 --> 01:54:00,469

real pleasure thank you for having me I

2399

01:54:06,070 --> 01:54:03,410

appreciate it yeah alright so that's it

2400

01:54:08,560 --> 01:54:06,080

for the show tonight and I want to thank

2401

01:54:11,550 --> 01:54:08,570

everyone for helping out starting out

2402

01:54:14,790 --> 01:54:11,560

with Keith Roland for helping out with a

2403

01:54:17,050 --> 01:54:14,800

with the live show and we have Peggy

2404

01:54:18,970 --> 01:54:17,060

shunning who helps us out with the

2405

01:54:21,310 --> 01:54:18,980

Facebook page remember to like us on

2406

01:54:24,670 --> 01:54:21,320

Facebook for all the latest UFO news

2407

01:54:26,430 --> 01:54:24,680

next week we have Mark Dantonio coming

2408

01:54:31,330 --> 01:54:26,440

up and we're going to talk about

2409

01:54:35,229 --> 01:54:31,340

astronomy and UFO research UFO talk as

2410

01:54:36,820 --> 01:54:35,239

he calls it and a lot more and so I want

2411

01:54:38,950 --> 01:54:36,830

to thank everyone for supporting the

2412

01:54:41,200 --> 01:54:38,960

show if you're listening this long you

2413

01:54:43,780 --> 01:54:41,210

are a supporter or you're listening live

2414

01:54:46,030 --> 01:54:43,790

and I greatly appreciate it and so

2415

01:54:47,590 --> 01:54:46,040

thanks a lot everyone we'll be back next

2416

01:54:50,110 --> 01:54:47,600

week right here on the Dark Matter

2417

01:54:51,940 --> 01:54:50,120

digital network at 8:00 p.m. to 10:00

2418

01:54:53,830 --> 01:54:51,950

p.m. Eastern Standard Time hopefully you

2419

01:54:56,020 --> 01:54:53,840

change your clock for daylight savings

2420

01:54:57,610 --> 01:54:56,030

all right we'll talk to you later see
