

1
00:00:04,160 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:05,390 --> 00:00:04,170
triangle you know there's explanation

3
00:00:07,400 --> 00:00:05,400
for everything that occurred in the

4
00:00:09,830 --> 00:00:07,410
rendlesham forest incident did something

5
00:00:12,440 --> 00:00:09,840
Bob aliens at all it was completely

6
00:00:16,039 --> 00:00:12,450
silent it comes right over our heads

7
00:00:17,630 --> 00:00:16,049
it's so classic flying-saucer really

8
00:00:19,609 --> 00:00:17,640
standing in the clearing he turned over

9
00:00:24,670 --> 00:00:19,619
to my father held his hand and he looked

00:00:30,710 --> 00:00:28,099

anyone can comment on any podcast you

37
00:01:43,010 --> 00:01:41,670
have to go in to where the free podcasts

38
00:01:45,950 --> 00:01:43,020

are for some reason the membership

39

00:01:47,960 --> 00:01:45,960

podcast won't let you comment there but

40

00:01:49,960 --> 00:01:47,970

on the free podcast you can leave a

41

00:01:52,850 --> 00:01:49,970

comment about the guests we have on and

42

00:01:55,670 --> 00:01:52,860

i was reminded of that because our last

43

00:01:57,590 --> 00:01:55,680

week's show had some comments come in

44

00:02:00,289 --> 00:01:57,600

before we get to the news i want to

45

00:02:03,530 --> 00:02:00,299

remind everyone that i am shaving my

46

00:02:06,319 --> 00:02:03,540

head bald one week from tonight and this

47

00:02:08,869 --> 00:02:06,329

is to benefit kids for cancer along with

48

00:02:10,100 --> 00:02:08,879

their families and we've had some

49

00:02:12,050 --> 00:02:10,110

listeners sign up and i really

50

00:02:13,820 --> 00:02:12,060

appreciate it and i'm about halfway to

51
00:02:17,910 --> 00:02:13,830

52
00:02:19,320 --> 00:02:17,920

53
00:02:23,130 --> 00:02:19,330
anytime before the event on the

54
00:02:25,020 --> 00:02:23,140
thirteenth and that's you'll see the one

55
00:02:27,690 --> 00:02:25,030
mission buzz off banner right on my

56
00:02:30,180 --> 00:02:27,700
website podcast UFO calm right on the

57
00:02:33,210 --> 00:02:30,190
side and any amount you want to donate

58
00:02:35,190 --> 00:02:33,220
is greatly appreciated and Alejandro

59
00:02:36,930 --> 00:02:35,200
we're going to get started here but I

60
00:02:40,170 --> 00:02:36,940
got something to tell you it's pretty

61
00:02:43,230 --> 00:02:40,180
interesting how you doing alejandro I'm

62
00:02:46,230 --> 00:02:43,240
doing well and I like interesting stuff

63
00:02:49,800 --> 00:02:46,240

so dad that sounds good yeah well just

64

00:02:52,200 --> 00:02:49,810

about an hour ago I got an email from a

65

00:02:54,480 --> 00:02:52,210

listener that I know from the past he's

66

00:02:56,010 --> 00:02:54,490

been very supportive of the show and he

67

00:02:59,490 --> 00:02:56,020

said I could use his name his name is

68

00:03:01,860 --> 00:02:59,500

Alan Sanderson and he was poking around

69

00:03:03,510 --> 00:03:01,870

on my website today and he saw that I'm

70

00:03:07,770 --> 00:03:03,520

doing this buzz off on the thirteenth

71

00:03:09,480 --> 00:03:07,780

and he also saw that i mentioned it was

72

00:03:12,240 --> 00:03:09,490

my son's birthday so it's kind of

73

00:03:14,040 --> 00:03:12,250

honoring him and kids in general so he

74

00:03:16,560 --> 00:03:14,050

wrote me a real nice email he says guess

75

00:03:18,630 --> 00:03:16,570

what it's my birthday too and if you

76

00:03:21,210 --> 00:03:18,640

come up short on that one thousand

77

00:03:23,940 --> 00:03:21,220

dollar goal I will put in the difference

78

00:03:27,050 --> 00:03:23,950

hi mom and if you hit that goal or

79

00:03:30,030 --> 00:03:27,060

exceed it I will still donate he says

80

00:03:32,400 --> 00:03:30,040

this is that sorry and then really may

81

00:03:35,400 --> 00:03:32,410

God help with that old humanity thing

82

00:03:38,610 --> 00:03:35,410

for sure it was really nice yeah Thank

83

00:03:42,240 --> 00:03:38,620

You Man grandma Helen you know that's

84

00:03:45,090 --> 00:03:42,250

really nice so I'm hoping that our

85

00:03:48,120 --> 00:03:45,100

guests tonight will be noe Torres I'll

86

00:03:51,300 --> 00:03:48,130

be I'll be reaching out to him right

87

00:03:55,250 --> 00:03:51,310

after the news again his skype crash you

88

00:03:58,920 --> 00:03:55,260

just text me that it's okay and later on

89

00:04:01,650 --> 00:03:58,930

we're going to be joined by no one other

90

00:04:03,270 --> 00:04:01,660

than Ruben Uriarte and we're going to

91

00:04:06,030 --> 00:04:03,280

get into talking about Aurora and a

92

00:04:08,010 --> 00:04:06,040

couple of other things and the second

93

00:04:09,360 --> 00:04:08,020

part of the show we're going to be

94

00:04:11,580 --> 00:04:09,370

talking about something that I have a

95

00:04:13,530 --> 00:04:11,590

fascination in in the reason why I

96

00:04:16,830 --> 00:04:13,540

contacted the two of the first place and

97

00:04:18,960 --> 00:04:16,840

that's the cisco Grove encounter

98

00:04:21,000 --> 00:04:18,970

alejandro have you ever looked into that

99

00:04:23,820 --> 00:04:21,010

one well I've interviewed the guys about

100

00:04:25,560 --> 00:04:23,830

it I guess you have that isn't that a

101
00:04:27,230 --> 00:04:25,570
fascinating case that nobody really

102
00:04:30,529 --> 00:04:27,240
seems to talk much about

103
00:04:32,960 --> 00:04:30,539
yeah well it's weird is this a weird one

104
00:04:36,469 --> 00:04:32,970
go yeah yeah fun to talk to the fact

105
00:04:37,700 --> 00:04:36,479
about what happened yeah excellent so

106
00:04:41,629 --> 00:04:37,710
what's going on with you how are you

107
00:04:44,089 --> 00:04:41,639
doing I'm not doing too bad doing good

108
00:04:45,980 --> 00:04:44,099
give you a baby you saying not a lot is

109
00:04:49,040 --> 00:04:45,990
going on for UFO news but do you have

110
00:04:52,400 --> 00:04:49,050
anything for us oh I definitely do yeah

111
00:04:56,210 --> 00:04:52,410
not a lot but there are some stories in

112
00:04:58,279 --> 00:04:56,220
fact the UFO UFO news stories today that

113
00:05:00,020 --> 00:04:58,289

have been out there has been one of our

114

00:05:03,610 --> 00:05:00,030

stories and it's frustrating because

115

00:05:05,990 --> 00:05:03,620

then the UK tabloids had been all over

116

00:05:08,629 --> 00:05:06,000

UFO stories and we've talked about this

117

00:05:12,890 --> 00:05:08,639

and I kind of even say that were like in

118

00:05:14,629 --> 00:05:12,900

the era of UK tabloid UFO because

119

00:05:16,700 --> 00:05:14,639

they're picking up stories and putting

120

00:05:20,210 --> 00:05:16,710

them all over the place most of them not

121

00:05:22,129 --> 00:05:20,220

very good stories and their kind of you

122

00:05:23,629 --> 00:05:22,139

know then these get picked up by some of

123

00:05:26,240 --> 00:05:23,639

the mainstream media and they're setting

124

00:05:30,469 --> 00:05:26,250

the pace unfortunately really with the

125

00:05:32,029 --> 00:05:30,479

media um and that my only beef with them

126

00:05:33,620 --> 00:05:32,039

that they pick up our stories and then

127

00:05:35,540 --> 00:05:33,630

they don't give us credit or link back

128

00:05:38,480 --> 00:05:35,550

at least I thought one of the papers did

129

00:05:41,659 --> 00:05:38,490

but I don't know you and I talked about

130

00:05:45,170 --> 00:05:41,669

this before the UK picked it up I think

131

00:05:47,480 --> 00:05:45,180

I might show on Monday but um this is

132

00:05:50,360 --> 00:05:47,490

exciting that happened on November 7

133

00:05:52,820 --> 00:05:50,370

2015 and that one of the interesting

134

00:05:57,170 --> 00:05:52,830

aspects is that it was a guy who was in

135

00:06:01,939 --> 00:05:57,180

the military and um it's in West

136

00:06:04,459 --> 00:06:01,949

Carrollton Ohio it was about 630pm when

137

00:06:08,809 --> 00:06:04,469

he said he saw two craft he described

138

00:06:11,600 --> 00:06:08,819

them as looking like spinning gems with

139

00:06:13,969 --> 00:06:11,610

no sound he said they were spinning in

140

00:06:16,520 --> 00:06:13,979

unison and appeared to be flying in

141

00:06:20,659 --> 00:06:16,530

formation now these are two points of

142

00:06:23,689 --> 00:06:20,669

light so oh I don't know how he would

143

00:06:26,480 --> 00:06:23,699

determine their flying in formation but

144

00:06:30,110 --> 00:06:26,490

he you know they move across the sky and

145

00:06:32,659 --> 00:06:30,120

then they fade out he said that they

146

00:06:36,250 --> 00:06:32,669

were traveling at an unusual speed but

147

00:06:38,450 --> 00:06:36,260

they did not make any abnormal maneuvers

148

00:06:40,430 --> 00:06:38,460

just that they were kind of moving and

149

00:06:41,030 --> 00:06:40,440

then disappeared so he didn't think that

150

00:06:45,020 --> 00:06:41,040

they were

151
00:06:47,210 --> 00:06:45,030
uh any you know like a regular plain and

152
00:06:48,950 --> 00:06:47,220
they don't look like an airplane he

153
00:06:52,910 --> 00:06:48,960
lives about 15 minutes from Mike

154
00:06:56,420 --> 00:06:52,920
Patterson in Ohio and he says he's

155
00:06:59,750 --> 00:06:56,430
worked there and that he's worked as a

156
00:07:05,150 --> 00:06:59,760
mechanic for the military for for some

157
00:07:09,650 --> 00:07:05,160
time I'm the video if you look at the

158
00:07:11,770 --> 00:07:09,660
video alone um it looks like Chinese

159
00:07:14,480 --> 00:07:11,780
lanterns I mean they look like two

160
00:07:16,670 --> 00:07:14,490
flickering lights that fade out which is

161
00:07:19,220 --> 00:07:16,680
the same thing that Chinese lanterns do

162
00:07:22,700 --> 00:07:19,230
but them this person said it looked

163
00:07:27,620 --> 00:07:22,710

different than that so take it for what

164

00:07:29,120 --> 00:07:27,630

you will I suppose now when was just

165

00:07:33,530 --> 00:07:29,130

posted i don't remember us talking

166

00:07:35,390 --> 00:07:33,540

specifically about this no yeah and this

167

00:07:37,970 --> 00:07:35,400

guy is that he's an aircraft mechanic

168

00:07:39,890 --> 00:07:37,980

for 30 years so he would know airplanes

169

00:07:42,710 --> 00:07:39,900

I guess that makes it more interesting

170

00:07:44,600 --> 00:07:42,720

but we posted this one Roger Marsh the

171

00:07:49,280 --> 00:07:44,610

director of communications from MUFON

172

00:07:51,800 --> 00:07:49,290

posted this one on march 31st ya know

173

00:07:53,240 --> 00:07:51,810

what was that I would like that yeah we

174

00:07:54,440 --> 00:07:53,250

just I don't think we just talked I

175

00:07:57,080 --> 00:07:54,450

don't think we talked about because I

176

00:07:59,150 --> 00:07:57,090

don't remember anything elegant the gems

177

00:08:02,510 --> 00:07:59,160

they look like gems no that's one I

178

00:08:05,960 --> 00:08:02,520

don't think I've ever heard yeah so i

179

00:08:09,760 --> 00:08:05,970

don't know i mean could ate a Chinese

180

00:08:12,670 --> 00:08:09,770

lantern be described as a gem shape

181

00:08:15,860 --> 00:08:12,680

possibly i think it probably could but

182

00:08:19,250 --> 00:08:15,870

it is granted and i think a lot of

183

00:08:21,680 --> 00:08:19,260

people might argue how was a you know an

184

00:08:23,510 --> 00:08:21,690

aircraft mechanic and a mistake these

185

00:08:26,450 --> 00:08:23,520

Chinese lanterns for something more

186

00:08:29,570 --> 00:08:26,460

unusual and true you know this is

187

00:08:32,330 --> 00:08:29,580

someone who is educated obviously on an

188

00:08:34,670 --> 00:08:32,340

aircraft but I kind of have a feeling

189

00:08:36,830 --> 00:08:34,680

that maybe he did make that mistake but

190

00:08:39,380 --> 00:08:36,840

you know maybe not look at the video and

191

00:08:41,420 --> 00:08:39,390

see what you guys think and you know

192

00:08:43,219 --> 00:08:41,430

give your own response so you probably

193

00:08:45,590 --> 00:08:43,229

haven't looked at this video then no I

194

00:08:48,200 --> 00:08:45,600

haven't but I will tell you it really

195

00:08:50,810 --> 00:08:48,210

short okay I may have mentioned this

196

00:08:54,920 --> 00:08:50,820

before in a show in the past but I was

197

00:08:58,280 --> 00:08:54,930

out on let's say july 4th like

198

00:09:00,530 --> 00:08:58,290

was two years ago and someone lit up and

199

00:09:03,889 --> 00:09:00,540

put up the Chinese lanterns and I'm I

200

00:09:05,510 --> 00:09:03,899

understand why people call about those

201
00:09:09,410 --> 00:09:05,520
things I mean they really do look like

202
00:09:12,320 --> 00:09:09,420
something fantastic in the sky so yeah I

203
00:09:14,690 --> 00:09:12,330
mean it really that if I if it wasn't

204
00:09:16,699 --> 00:09:14,700
July 4th and I didn't see them you know

205
00:09:18,199 --> 00:09:16,709
released because I saw them when they

206
00:09:20,510 --> 00:09:18,209
were lighting him and let him up and

207
00:09:22,190 --> 00:09:20,520
everything if I didn't see that and I

208
00:09:23,900 --> 00:09:22,200
just was like driving by and I looked

209
00:09:26,210 --> 00:09:23,910
over and I saw that floating this guy I

210
00:09:29,120 --> 00:09:26,220
would totally think wow what the heck is

211
00:09:32,180 --> 00:09:29,130
that you know mm-hmm but it no I agree

212
00:09:35,210 --> 00:09:32,190
with you they look you know there it's

213
00:09:37,610 --> 00:09:35,220

like these piercing life in the sky they

214

00:09:40,100 --> 00:09:37,620

look really cool and you can't tell

215

00:09:43,519 --> 00:09:40,110

distance um when you're looking at them

216

00:09:46,160 --> 00:09:43,529

I see them fly over before as well and

217

00:09:48,019 --> 00:09:46,170

they look really cool but and I've also

218

00:09:50,870 --> 00:09:48,029

launched them on several occasions on

219

00:09:52,670 --> 00:09:50,880

one I took some video so i can post it

220

00:09:54,860 --> 00:09:52,680

online and use it for stories to show

221

00:09:57,949 --> 00:09:54,870

the difference between you know chinese

222

00:10:00,560 --> 00:09:57,959

lanterns and whatever alleged UFO video

223

00:10:04,760 --> 00:10:00,570

or posting but you're right they look

224

00:10:06,860 --> 00:10:04,770

really cool so this is just an ohio that

225

00:10:08,810 --> 00:10:06,870

was in ohio right and there is another

226

00:10:12,100 --> 00:10:08,820

interesting video that was posted we

227

00:10:16,310 --> 00:10:12,110

posted just yesterday well let's hear um

228

00:10:19,010 --> 00:10:16,320

yeah this siding with april 15 2015 and

229

00:10:22,630 --> 00:10:19,020

the last one as well as this one the

230

00:10:25,280 --> 00:10:22,640

MUFON investigators closed as an unknown

231

00:10:27,980 --> 00:10:25,290

this one is kind of weird you can't see

232

00:10:30,470 --> 00:10:27,990

the video at the object for very long

233

00:10:33,350 --> 00:10:30,480

the guy had a problem looking at it but

234

00:10:34,940 --> 00:10:33,360

you do see it and Roger wrote this story

235

00:10:37,610 --> 00:10:34,950

again and he was able to get a couple

236

00:10:39,949 --> 00:10:37,620

snapshots from the video so you can see

237

00:10:42,620 --> 00:10:39,959

the object better and the object does

238

00:10:45,560 --> 00:10:42,630

look uh you know up in the sky its a

239

00:10:49,880 --> 00:10:45,570

large black cylinder shape so it is

240

00:10:53,540 --> 00:10:49,890

pretty strange this one however might be

241

00:10:55,610 --> 00:10:53,550

it might be another ifo in that there

242

00:10:57,800 --> 00:10:55,620

are something called solar balloons out

243

00:11:00,949 --> 00:10:57,810

there which is essentially you just fill

244

00:11:05,750 --> 00:11:00,959

up this long plastic black round bag

245

00:11:07,940 --> 00:11:05,760

really with air and the Sun heats it

246

00:11:08,900 --> 00:11:07,950

because it's black and it floats alright

247

00:11:10,910 --> 00:11:08,910

zone

248

00:11:13,550 --> 00:11:10,920

and that and this does really look like

249

00:11:15,410 --> 00:11:13,560

that in fact that when I posted it I

250

00:11:18,160 --> 00:11:15,420

posted that this could be a solar

251
00:11:20,570 --> 00:11:18,170
balloon and I put a link to an Amazon

252
00:11:23,450 --> 00:11:20,580
posting for one of these things we could

253
00:11:25,430 --> 00:11:23,460
buy one and it looks very similar and I

254
00:11:27,800 --> 00:11:25,440
guess mark dantonio been replying he

255
00:11:30,470 --> 00:11:27,810
kept I actually did an analysis on this

256
00:11:34,130 --> 00:11:30,480
video and that's what I determined it

257
00:11:37,340 --> 00:11:34,140
probably was a mark dantonio is the

258
00:11:40,910 --> 00:11:37,350
photo and video analyst for MUFON and he

259
00:11:43,190 --> 00:11:40,920
says that one of the things you know and

260
00:11:46,280 --> 00:11:43,200
this is the hard part because even if

261
00:11:47,630 --> 00:11:46,290
it's not a solar balloon at you can't

262
00:11:51,290 --> 00:11:47,640
rule that out because it doesn't make

263
00:11:53,120 --> 00:11:51,300

any movement or does not look unlike one

264

00:11:56,090 --> 00:11:53,130

you know a solar balloon could create

265

00:11:58,460 --> 00:11:56,100

this effect and that's what comes

266

00:12:00,650 --> 00:11:58,470

becomes hard with UFO videos it's just

267

00:12:07,460 --> 00:12:00,660

like the the two lights that look like

268

00:12:10,280 --> 00:12:07,470

gems you know a to Chinese lanterns is a

269

00:12:12,710 --> 00:12:10,290

possibility given the video alone and

270

00:12:15,680 --> 00:12:12,720

maybe you know they are something else

271

00:12:18,920 --> 00:12:15,690

but with the video by itself you can't

272

00:12:20,780 --> 00:12:18,930

make that determination I saw a UFO

273

00:12:22,880 --> 00:12:20,790

video a while ago i'm going to say a

274

00:12:24,500 --> 00:12:22,890

couple years ago that caught my eye

275

00:12:26,270 --> 00:12:24,510

because one of the things that has not

276

00:12:28,970 --> 00:12:26,280

talked about a lot or not a lot of

277

00:12:31,580 --> 00:12:28,980

people seem to talk about them is the

278

00:12:34,640 --> 00:12:31,590

cigar-shaped UFO so i was looking for a

279

00:12:36,440 --> 00:12:34,650

cigar-shaped UFOs one day and I saw one

280

00:12:38,180 --> 00:12:36,450

you know posted on YouTube and I open it

281

00:12:40,430 --> 00:12:38,190

up and right away you know my first

282

00:12:43,340 --> 00:12:40,440

thought is you know it was black and it

283

00:12:45,350 --> 00:12:43,350

was sort of like sausage-shaped and I

284

00:12:46,700 --> 00:12:45,360

thought right away it has to be one of

285

00:12:49,790 --> 00:12:46,710

those solar balloons I mean it just

286

00:12:51,590 --> 00:12:49,800

makes a little sense because now how far

287

00:12:54,620 --> 00:12:51,600

up in the atmosphere to those things go

288

00:12:58,010 --> 00:12:54,630

on their own do you how to make you go

289

00:13:00,020 --> 00:12:58,020

very high yeah and that could be a

290

00:13:04,280 --> 00:13:00,030

problem for a jetliner if it goes high

291

00:13:06,950 --> 00:13:04,290

enough it could you know I've heard of

292

00:13:10,820 --> 00:13:06,960

stories in fact one of the great sources

293

00:13:13,370 --> 00:13:10,830

still in the UK for a you echo official

294

00:13:17,000 --> 00:13:13,380

UFO investigations this organization

295

00:13:19,940 --> 00:13:17,010

that analyzes near misses so this is

296

00:13:22,110 --> 00:13:19,950

when you know two planes become get

297

00:13:24,269 --> 00:13:22,120

closer to each other or

298

00:13:26,670 --> 00:13:24,279

when an object is in the air space and

299

00:13:28,530 --> 00:13:26,680

almost hits a plane you know the

300

00:13:30,769 --> 00:13:28,540

airplanes will report this and they have

301
00:13:32,940 --> 00:13:30,779
an organization that investigates those

302
00:13:35,100 --> 00:13:32,950
sometimes those turn out to be

303
00:13:38,519 --> 00:13:35,110
unidentified and sometimes they're

304
00:13:40,140 --> 00:13:38,529
really interesting stories and we'll

305
00:13:43,650 --> 00:13:40,150
post those you know when they come

306
00:13:47,340 --> 00:13:43,660
across and one of them funny enough was

307
00:13:51,630 --> 00:13:47,350
one of those balloon remote-controlled

308
00:13:53,760 --> 00:13:51,640
sharks right and then that actually you

309
00:13:56,460 --> 00:13:53,770
know gotten loose and so it was high

310
00:13:59,070 --> 00:13:56,470
enough where this plane you know had

311
00:14:00,390 --> 00:13:59,080
flown near it and thought it was going

312
00:14:02,880 --> 00:14:00,400
to hit it I don't know that it would

313
00:14:05,190 --> 00:14:02,890

done much damage or anything but them

314

00:14:06,750 --> 00:14:05,200

they were concerned enough you know

315

00:14:10,350 --> 00:14:06,760

where they put in a report to the

316

00:14:12,480 --> 00:14:10,360

near-miss agency but he has that was a

317

00:14:14,100 --> 00:14:12,490

case where one of these toy balloons

318

00:14:15,870 --> 00:14:14,110

getting out of control you know could

319

00:14:17,280 --> 00:14:15,880

have crossed a problem i don't know if

320

00:14:19,200 --> 00:14:17,290

that mighta kinds of problem if it gets

321

00:14:21,570 --> 00:14:19,210

caught in the jet you know or something

322

00:14:23,900 --> 00:14:21,580

can you imagine being in the cockpit of

323

00:14:26,579 --> 00:14:23,910

a passenger airplane with all those

324

00:14:29,340 --> 00:14:26,589

people they're responsible for and

325

00:14:32,490 --> 00:14:29,350

seeing a shark yeah it's like one of

326

00:14:35,070 --> 00:14:32,500

those movies what does it shark tornado

327

00:14:37,410 --> 00:14:35,080

and so like another song attract NATO or

328

00:14:40,920 --> 00:14:37,420

every NATO or I'm looking out of the

329

00:14:42,390 --> 00:14:40,930

window and yelling shark shark and as

330

00:14:44,160 --> 00:14:42,400

you hear the music and address not like

331

00:14:46,260 --> 00:14:44,170

you can run out of the water so what

332

00:14:48,300 --> 00:14:46,270

would people do you probably did run in

333

00:14:52,769 --> 00:14:48,310

circles and jump up and down and back

334

00:14:54,269 --> 00:14:52,779

yeah I like I'm a movie airplane that

335

00:15:01,500 --> 00:14:54,279

should have been part of that movie is

336

00:15:06,930 --> 00:15:01,510

there anything else going on I don't

337

00:15:08,880 --> 00:15:06,940

think so all right well it's always that

338

00:15:11,340 --> 00:15:08,890

way at all yeah good it's it's still

339

00:15:13,350 --> 00:15:11,350

interesting stuff i mean videos and you

340

00:15:15,840 --> 00:15:13,360

know it's great that Rogers able to look

341

00:15:18,510 --> 00:15:15,850

into the files and pull this stuff out

342

00:15:20,670 --> 00:15:18,520

and you know what's helpful it's

343

00:15:23,280 --> 00:15:20,680

learning to for the UFO the MUFON

344

00:15:25,949 --> 00:15:23,290

investigator so I certainly important

345

00:15:27,300 --> 00:15:25,959

people to comment and let people know if

346

00:15:30,440 --> 00:15:27,310

you think I'm full of if you're like

347

00:15:33,240 --> 00:15:30,450

what's all go go club these are UFOs or

348

00:15:34,110 --> 00:15:33,250

aliens and you may be right at world I

349

00:15:37,380 --> 00:15:34,120

know

350

00:15:39,600 --> 00:15:37,390

I love your imitations I every time you

351

00:15:41,970 --> 00:15:39,610

do an imitation a good one I get the

352

00:15:44,640 --> 00:15:41,980

email your best one that people still

353

00:15:48,480 --> 00:15:44,650

can't believe it was you was when you

354

00:15:52,140 --> 00:15:48,490

did Arnold saying go ahead to the Arnold

355

00:15:55,650 --> 00:15:52,150

just throw it out there who's your lid

356

00:16:00,750 --> 00:15:55,660

on absorption daga well yeah get to the

357

00:16:02,430 --> 00:16:00,760

chopper you got some odds I know I do it

358

00:16:04,890 --> 00:16:02,440

who's your daddy huh yeah who's your

359

00:16:07,050 --> 00:16:04,900

daddy and what does he do that was it

360

00:16:09,540 --> 00:16:07,060

yeah perfect all right man well you have

361

00:16:12,960 --> 00:16:09,550

a great week and we'll be talking to

362

00:16:14,640 --> 00:16:12,970

just next week all right yeah talk to

363

00:16:17,519 --> 00:16:14,650

you and better all right have a good one

364

just a minute and along later on Ruben

369

00:16:31,829 --> 00:16:30,190

Uriarte will be joining us and they have

370

00:16:35,430 --> 00:16:31,839

written a number of books about famous

371

00:16:36,450 --> 00:16:35,440

UFO cases including aliens in the forest

372

00:16:40,410 --> 00:16:36,460

we're going to be talking about that in

373

00:16:43,680 --> 00:16:40,420

the second hour and the Khayyam incident

374

00:16:47,340 --> 00:16:43,690

fallen angel UFOs over Mexico Mexico's

375

00:16:49,350 --> 00:16:47,350

Roswell and the real cowboys in aliens I

376

00:16:51,480 --> 00:16:49,360

love that well they've appeared

377

00:16:54,390 --> 00:16:51,490

separately and together on a number of

378

00:16:56,640 --> 00:16:54,400

many television shows including UFO

379

00:17:00,180 --> 00:16:56,650

hunters UFO FILES Monster Hunters

380

00:17:04,169 --> 00:17:00,190

ancient aliens mysteries in the national

381

00:17:07,380 --> 00:17:04,179

parks and UFOs over Earth the research

382

00:17:11,040 --> 00:17:07,390

is featured in an upcoming film by

383

00:17:12,809 --> 00:17:11,050

Patrick Connelly titled they rode the

384

00:17:16,079 --> 00:17:12,819

flying saucers they also appear

385

00:17:18,689 --> 00:17:16,089

frequently on other radio shows and

386

00:17:22,710 --> 00:17:18,699

speak at numerous UFO conference since

387

00:17:25,169 --> 00:17:22,720

each year you're at a is the director of

388

00:17:29,040 --> 00:17:25,179

the mutual UFO network in Northern

389

00:17:32,220 --> 00:17:29,050

California and Tory's is a former MUFON

390

00:17:34,440 --> 00:17:32,230

and state section director from Texas

391

00:17:36,900 --> 00:17:34,450

he's right on the border of Texas he

392

00:17:40,230 --> 00:17:36,910

said it's hot as heck there today all

393

00:17:42,419 --> 00:17:40,240

right so hang in right after this music

394

00:19:27,700 --> 00:17:42,429

break and we'll be right back with the

395

00:19:35,630 --> 00:19:33,230

noe Torres how are you all right

396

00:19:37,520 --> 00:19:35,640

technical problems aside I'm here Martin

397

00:19:39,890 --> 00:19:37,530

thanks for having me on tonight yeah

398

00:19:42,530 --> 00:19:39,900

yeah we had to your skype crashing

399

00:19:44,750 --> 00:19:42,540

burned right just as we were starting to

400

00:19:46,940 --> 00:19:44,760

show so hopefully you got that figured

401
00:19:48,980 --> 00:19:46,950
out it won't happen again well as near

402
00:19:50,840 --> 00:19:48,990
as I can figure it was updating itself

403
00:19:53,240 --> 00:19:50,850
in the background and I didn't realize

404
00:19:54,440 --> 00:19:53,250
it so you know how those things go well

405
00:19:56,540 --> 00:19:54,450
I'll tell you you're not the first

406
00:19:58,300 --> 00:19:56,550
person that this has happened to this is

407
00:20:00,650 --> 00:19:58,310
uh I've heard other people talk about

408
00:20:03,380 --> 00:20:00,660
skype updating while they were doing

409
00:20:05,840 --> 00:20:03,390
something like this so that's what it

410
00:20:08,030 --> 00:20:05,850
was the culprit that the problem is i

411
00:20:11,900 --> 00:20:08,040
use it infrequently on this particular

412
00:20:13,670 --> 00:20:11,910
pc and so every time i attempt to use it

413
00:20:16,820 --> 00:20:13,680

it starts to update itself so that

414

00:20:19,400 --> 00:20:16,830

apparently was a cause of my pride you

415

00:20:22,850 --> 00:20:19,410

need to start it a day ahead anyway

416

00:20:24,830 --> 00:20:22,860

welcome to the show and and ruben will

417

00:20:26,560 --> 00:20:24,840

be joining us later on he's just going

418

00:20:29,060 --> 00:20:26,570

to skype in and we'll connect with him

419

00:20:32,510 --> 00:20:29,070

it's always good to have you two on your

420

00:20:36,740 --> 00:20:32,520

on before I talked to ruben when he was

421

00:20:40,280 --> 00:20:36,750

visiting alejandro a while back down in

422

00:20:42,800 --> 00:20:40,290

Arizona anyway you have some exciting

423

00:20:45,560 --> 00:20:42,810

things to talk about first of all for

424

00:20:47,960 --> 00:20:45,570

the person that has never heard both

425

00:20:50,270 --> 00:20:47,970

either you or ruben in the past why

426
00:20:52,430 --> 00:20:50,280
don't you give your background and it's

427
00:20:55,460 --> 00:20:52,440
always interesting to hear everybody's

428
00:21:00,110 --> 00:20:55,470
story when they first fell in love with

429
00:21:03,560 --> 00:21:00,120
UFOs so let's hear it well I grew up in

430
00:21:07,640 --> 00:21:03,570
the 60s and as far as as far back as I

431
00:21:09,620 --> 00:21:07,650
can remember as a child my mom used to

432
00:21:13,100 --> 00:21:09,630
tell me a story about a very strange

433
00:21:14,870 --> 00:21:13,110
encounter she had one evening before I

434
00:21:18,950 --> 00:21:14,880
was born this would have been in the

435
00:21:21,170 --> 00:21:18,960
1940s here in South Texas I live along

436
00:21:24,770 --> 00:21:21,180
the border between Texas and Mexico in

437
00:21:26,690 --> 00:21:24,780
the area of McAllen Texas and she used

438
00:21:30,290 --> 00:21:26,700

to tell me this story about an encounter

439

00:21:33,139 --> 00:21:30,300

she had in the woods behind our home we

440

00:21:37,129 --> 00:21:33,149

lived in a rural area far removed from

441

00:21:38,899 --> 00:21:37,139

other other homes and it was kind of it

442

00:21:44,119 --> 00:21:38,909

was very dark at night we weren't in a

443

00:21:46,070 --> 00:21:44,129

city and so one night she heard a lot of

444

00:21:48,219 --> 00:21:46,080

commotion behind the house and she

445

00:21:51,469 --> 00:21:48,229

wandered out the middle of the night

446

00:21:53,570 --> 00:21:51,479

sometime after midnight and she used to

447

00:21:56,149 --> 00:21:53,580

tell me this incredible story of a

448

00:21:59,869 --> 00:21:56,159

strange object that was above her and

449

00:22:03,009 --> 00:21:59,879

she heard the noise and she heard

450

00:22:05,930 --> 00:22:03,019

strange noises above her and lights and

451

00:22:10,549 --> 00:22:05,940

illuminating the ground and the trees

452

00:22:12,619 --> 00:22:10,559

all around her and her pet dog at that

453

00:22:14,930 --> 00:22:12,629

time which was a large German Shepherd

454

00:22:18,049 --> 00:22:14,940

jumping up into the air and snapping its

455

00:22:21,079 --> 00:22:18,059

jawless at whatever it was a was above

456

00:22:24,739 --> 00:22:21,089

her so as a child when she used to tell

457

00:22:27,169 --> 00:22:24,749

me the story on what what in effect what

458

00:22:29,690 --> 00:22:27,179

happened is I was very much of a reader

459

00:22:33,070 --> 00:22:29,700

and always have been and my love of

460

00:22:36,560 --> 00:22:33,080

books throughout the years has been

461

00:22:38,839 --> 00:22:36,570

quite quite great and so at that time I

462

00:22:43,129 --> 00:22:38,849

sought out every book that I could find

463

00:22:45,139 --> 00:22:43,139

in the mid-60s I was a frequent library

464

00:22:48,739 --> 00:22:45,149

user both of our local public library

465

00:22:52,669 --> 00:22:48,749

and also my school library and I sought

466

00:22:55,430 --> 00:22:52,679

out every book about every UFO case that

467

00:22:58,009 --> 00:22:55,440

I could find and I must have you know I

468

00:22:59,690 --> 00:22:58,019

read hundreds of books way back then as

469

00:23:01,909 --> 00:22:59,700

a kid became very interested in the

470

00:23:04,849 --> 00:23:01,919

topic also the interesting thing about

471

00:23:08,599 --> 00:23:04,859

the 60s as most of your listeners I'm

472

00:23:12,289 --> 00:23:08,609

sure know we were really strongly into

473

00:23:14,719 --> 00:23:12,299

the UFO phenomenon still the 50s had

474

00:23:16,190 --> 00:23:14,729

been the explosion of UFOs and mass UFO

475

00:23:19,579 --> 00:23:16,200

sightings throughout the United States

476

00:23:23,259 --> 00:23:19,589

but it continued to a lesser extent

477

00:23:26,509 --> 00:23:23,269

perhaps but also very much so in the 60s

478

00:23:30,739 --> 00:23:26,519

until you know the end of Project Blue

479

00:23:33,109 --> 00:23:30,749

Book in the in the late 60s and various

480

00:23:35,570 --> 00:23:33,119

other factors on a national scene kind

481

00:23:39,440 --> 00:23:35,580

of eroded interest in you oppose for a

482

00:23:41,690 --> 00:23:39,450

while until perhaps Steven Spielberg's

483

00:23:45,860 --> 00:23:41,700

series of movies et Close Encounters

484

00:23:49,610 --> 00:23:45,870

brought it back but but yeah so

485

00:23:52,610 --> 00:23:49,620

the interest in UFOs is something that

486

00:23:58,850 --> 00:23:52,620

has persisted in my life from the

487

00:24:02,570 --> 00:23:58,860

beginning and you know I've read tons of

488

00:24:05,060 --> 00:24:02,580

books on the subject and professionally

489

00:24:06,830 --> 00:24:05,070

I am a librarian I have a master's

490

00:24:09,320 --> 00:24:06,840

degree in library science from

491

00:24:12,470 --> 00:24:09,330

university of texas at austin and have

492

00:24:16,310 --> 00:24:12,480

been a librarian for close to 25 years

493

00:24:22,820 --> 00:24:16,320

now and every library that I've worked

494

00:24:25,430 --> 00:24:22,830

in I've made sure has a very large and

495

00:24:28,280 --> 00:24:25,440

healthy collection of books about UFOs

496

00:24:30,169 --> 00:24:28,290

and Lobo sightings so I became

497

00:24:33,320 --> 00:24:30,179

interested in actually writing books

498

00:24:37,850 --> 00:24:33,330

about UFOs a few years back and in

499

00:24:41,210 --> 00:24:37,860

partnership with Ruben Uriarte who will

500

00:24:43,940 --> 00:24:41,220

be on you know a little while later will

501

00:24:45,560 --> 00:24:43,950

be on your show but he and I had a

502

00:24:49,120 --> 00:24:45,570

number of discussions because I was

503

00:24:52,549 --> 00:24:49,130

working on a book about Texas UFO cases

504

00:24:55,700 --> 00:24:52,559

at the time that I first contacted Rubin

505

00:24:58,900 --> 00:24:55,710

and he had done research into an alleged

506

00:25:03,560 --> 00:24:58,910

UFO incident that occurred in West Texas

507

00:25:06,890 --> 00:25:03,570

along the texas-mexico border kind of

508

00:25:08,090 --> 00:25:06,900

north northwest of where I lived and he

509

00:25:10,790 --> 00:25:08,100

was about the only one in the whole

510

00:25:13,010 --> 00:25:10,800

country that I had found reference to I

511

00:25:16,190 --> 00:25:13,020

did some internet searches and some

512

00:25:18,890 --> 00:25:16,200

periodical literature searches and he

513

00:25:20,660 --> 00:25:18,900

was one of the few people that had been

514

00:25:24,290 --> 00:25:20,670

doing anything with that case so i

515

00:25:26,390 --> 00:25:24,300

called them emailed him and i emailed

516

00:25:28,070 --> 00:25:26,400

several other people as well who had

517

00:25:30,770 --> 00:25:28,080

mentioned the case and Ruben was the

518

00:25:35,900 --> 00:25:30,780

only one who responded so that was back

519

00:25:39,280 --> 00:25:35,910

in 2007 and Reuben and I since 2007 have

520

00:25:42,169 --> 00:25:39,290

written 12 books written or co-written

521

00:25:46,160 --> 00:25:42,179

along with other UFO researchers 12

522

00:25:49,549 --> 00:25:46,170

books about famous UFO cases in history

523

00:25:53,000 --> 00:25:49,559

so well so that's how it all began for

524

00:25:56,600 --> 00:25:53,010

me and once we we did our first book

525

00:25:59,270 --> 00:25:56,610

together in 2007 Mexico's Roswell which

526

00:26:01,310 --> 00:25:59,280

was which was the case that I

527

00:26:04,610 --> 00:26:01,320

was coincidentally planning to include

528

00:26:05,870 --> 00:26:04,620

as a chapter in my book on well that's

529

00:26:08,270 --> 00:26:05,880

it we're taking a little station break

530

00:26:12,230 --> 00:26:08,280

here because noe skype crashed right

531

00:26:15,890 --> 00:26:12,240

there we had to move on with him on a

532

00:26:17,690 --> 00:26:15,900

landline which up you're lucky to be a

533

00:26:20,720 --> 00:26:17,700

podcast listener actually because the

534

00:26:23,420 --> 00:26:20,730

live listeners had to listen to maybe

535

00:26:25,280 --> 00:26:23,430

five minutes of the fumbling trying to

536

00:26:28,610 --> 00:26:25,290

get this together so no he's coming

537

00:26:30,530 --> 00:26:28,620

right back right here on his phone which

538

00:26:34,570 --> 00:26:30,540

isn't great but it's there they're not

539

00:26:38,210 --> 00:26:34,580

having a show okay is this you knowing

540

00:26:40,280 --> 00:26:38,220

yeah this is me I'm sorry i I'm having

541

00:26:44,930 --> 00:26:40,290

all kinds of technical issues obviously

542

00:26:47,480 --> 00:26:44,940

and uh yeah but we can continue this way

543

00:26:52,310 --> 00:26:47,490

yeah okay are you on you calling me from

544

00:26:53,780 --> 00:26:52,320

a landline yeah okay so i think the live

545

00:26:56,240 --> 00:26:53,790

listener out there i was just blabbing

546

00:26:58,940 --> 00:26:56,250

here saying absolutely nothing that

547

00:27:01,160 --> 00:26:58,950

makes any sense but i think the listener

548

00:27:02,840 --> 00:27:01,170

can still call in on this number and i

549

00:27:04,340 --> 00:27:02,850

can take two calls if you'd like if

550

00:27:06,410 --> 00:27:04,350

someone wants to call in at some point

551

00:27:11,420 --> 00:27:06,420

oh yeah sure that's our problem and

552

00:27:14,330 --> 00:27:11,430

that's numbers 9660 396 7403 oh thank

553

00:27:16,040 --> 00:27:14,340

you live listeners for hanging in so

554

00:27:18,110 --> 00:27:16,050

we're back with noe torres and you know

555

00:27:20,840 --> 00:27:18,120

what with all this happening i didn't

556

00:27:23,210 --> 00:27:20,850

have my pen and paper handy too right

557

00:27:24,710 --> 00:27:23,220

where we left off and you may have been

558

00:27:26,570 --> 00:27:24,720

talking for another 20 minutes before

559

00:27:29,360 --> 00:27:26,580

you realize it was a problem so I've no

560

00:27:31,730 --> 00:27:29,370

idea unfortunately I did I get to I get

561

00:27:34,820 --> 00:27:31,740

wound up and I get going and I didn't

562

00:27:36,440 --> 00:27:34,830

even look down at my alright so let me

563

00:27:38,750 --> 00:27:36,450

let me just ask you a couple questions

564

00:27:41,150 --> 00:27:38,760

to backtrack a little bit your mother

565

00:27:44,000 --> 00:27:41,160

your mother citing you don't hear of a

566

00:27:47,060 --> 00:27:44,010

lot of sightings when someone has they

567

00:27:49,670 --> 00:27:47,070

hear sound you know if my mother was

568

00:27:52,420 --> 00:27:49,680

telling me a story like that I would

569

00:27:56,000 --> 00:27:52,430

have paid attention to what was going on

570

00:27:57,770 --> 00:27:56,010

myself you know I believe you left off

571

00:27:58,970 --> 00:27:57,780

where you were talking about being a

572

00:28:03,230 --> 00:27:58,980

librarian to make sure there was a

573

00:28:06,710 --> 00:28:03,240

healthy supply of UFO books wherever you

574

00:28:09,460 --> 00:28:06,720

have worked yeah because because of my

575

00:28:12,950 --> 00:28:09,470

own interest in the topic I've always

576

00:28:15,889 --> 00:28:12,960

I've always you know

577

00:28:18,620 --> 00:28:15,899

had a fully stocked collection of UFO

578

00:28:21,560 --> 00:28:18,630

books and people always come up to me

579

00:28:23,750 --> 00:28:21,570

and asked me about the topic because I

580

00:28:27,169 --> 00:28:23,760

am frequently interviewed by the local

581

00:28:32,180 --> 00:28:27,179

media about the topic of UFOs and I also

582

00:28:34,490 --> 00:28:32,190

appear at various local venues thinking

583

00:28:36,620 --> 00:28:34,500

about it so a lot of folks in this

584

00:28:40,220 --> 00:28:36,630

community are familiar with my interest

585

00:28:42,350 --> 00:28:40,230

in the topic and so I do feel a lot of

586

00:28:45,019 --> 00:28:42,360

questions about it I want to say

587

00:28:47,560 --> 00:28:45,029

reference questions but some of them are

588

00:28:50,720 --> 00:28:47,570

a bit more personal than that people

589

00:28:55,130 --> 00:28:50,730

wanting me to hear their own of their

590

00:28:58,760 --> 00:28:55,140

own experiences and it's amazing to me

591

00:29:02,060 --> 00:28:58,770

how many people have had an experience

592

00:29:04,190 --> 00:29:02,070

or knows somebody close to them who have

593

00:29:08,450 --> 00:29:04,200

in almost every area of the country that

594

00:29:11,240 --> 00:29:08,460

I travel and they don't feel they don't

595

00:29:13,730 --> 00:29:11,250

feel safe a lot of time sharing it with

596

00:29:15,919 --> 00:29:13,740

somebody who could possibly ridicule

597

00:29:18,470 --> 00:29:15,929

them I don't know how this person will

598

00:29:20,000 --> 00:29:18,480

react if they tell them the story no

599

00:29:21,139 --> 00:29:20,010

you're going to have to pardon me you're

600

00:29:23,720 --> 00:29:21,149

going to have to get into your phone

601
00:29:27,500 --> 00:29:23,730
more we're good we're barely hearing

602
00:29:29,450 --> 00:29:27,510
yeah so a lot of folks a lot of folks

603
00:29:33,080 --> 00:29:29,460
are hesitant to tell anyone about their

604
00:29:36,080 --> 00:29:33,090
experience but but in my case because

605
00:29:38,350 --> 00:29:36,090
I'm I'm appearing as a speaker on the

606
00:29:42,470 --> 00:29:38,360
topic and they feel more comfortable I

607
00:29:46,180 --> 00:29:42,480
see uh-huh you're right I've been in

608
00:29:49,549 --> 00:29:46,190
mixed crowds and you know it comes up

609
00:29:52,010 --> 00:29:49,559
and I'm actually surprised that you're

610
00:29:53,539 --> 00:29:52,020
almost anyone you talk to if you're

611
00:29:56,710 --> 00:29:53,549
comfortable enough to actually bring up

612
00:30:01,180 --> 00:29:56,720
the subject if it's not them then

613
00:30:04,370 --> 00:30:01,190

they're open-minded about it and and

614

00:30:07,130 --> 00:30:04,380

it's happening in my business to more

615

00:30:08,720 --> 00:30:07,140

and more people since if anyone does any

616

00:30:11,240 --> 00:30:08,730

search on the internet with my name

617

00:30:14,930 --> 00:30:11,250

you'll see antiques first and then

618

00:30:16,880 --> 00:30:14,940

you'll see UFO seconds so there's a lot

619

00:30:20,960 --> 00:30:16,890

of people that in the last few weeks

620

00:30:23,659 --> 00:30:20,970

that have found out that i'm actually in

621

00:30:26,510 --> 00:30:23,669

to this topic i haven't gotten any grief

622

00:30:29,420 --> 00:30:26,520

about it now of speaking of that you

623

00:30:31,520 --> 00:30:29,430

you stock the library full you do all

624

00:30:35,480 --> 00:30:31,530

this art do you get ridiculed at all or

625

00:30:39,020 --> 00:30:35,490

people pretty okay with you in this

626
00:30:44,800 --> 00:30:39,030
topic well absolutely no ridicule

627
00:30:50,630 --> 00:30:44,810
whatsoever and and I should say that I

628
00:30:53,570 --> 00:30:50,640
am quite I subject every story I hear

629
00:30:56,120 --> 00:30:53,580
the every UFO story are here as I feel

630
00:31:01,310 --> 00:30:56,130
everybody should to a to a high degree

631
00:31:04,280 --> 00:31:01,320
of skepticism and critical review it's

632
00:31:06,770 --> 00:31:04,290
very important for us to of course in

633
00:31:08,990 --> 00:31:06,780
this field be very very careful about

634
00:31:11,830 --> 00:31:09,000
spreading information that has not been

635
00:31:15,530 --> 00:31:11,840
verified and that possibly it is

636
00:31:19,820 --> 00:31:15,540
entirely inaccurate possibly made up so

637
00:31:23,600 --> 00:31:19,830
high tech to I stick close the cases

638
00:31:25,510 --> 00:31:23,610

that have had what I feel is a proper

639

00:31:31,010 --> 00:31:25,520

amount of research done and

640

00:31:35,630 --> 00:31:31,020

documentation and eyewitnesses who have

641

00:31:38,930 --> 00:31:35,640

been found to be credible and telling

642

00:31:44,080 --> 00:31:38,940

their story so we try our very best to

643

00:31:48,890 --> 00:31:44,090

do that so I have never found myself

644

00:31:52,940 --> 00:31:48,900

feeling as though I'm the subject of of

645

00:31:57,590 --> 00:31:52,950

ridicule or anyone saying anything bad

646

00:32:00,350 --> 00:31:57,600

about me and and and like I say but the

647

00:32:02,330 --> 00:32:00,360

amazing thing for me as I I speak a lot

648

00:32:05,570 --> 00:32:02,340

of local venues as I mentioned and

649

00:32:08,360 --> 00:32:05,580

there's usually a line of people waiting

650

00:32:10,880 --> 00:32:08,370

to talk to me personally after the talks

651
00:32:13,910 --> 00:32:10,890
because they want to share with me their

652
00:32:15,890 --> 00:32:13,920
own feelings and encounters that they

653
00:32:19,460 --> 00:32:15,900
themselves had or someone in their

654
00:32:22,460 --> 00:32:19,470
family has had and that's been the most

655
00:32:27,050 --> 00:32:22,470
amazing part for me how many of the

656
00:32:30,830 --> 00:32:27,060
people that highly live close to here

657
00:32:34,940 --> 00:32:30,840
and I walk past every day work with and

658
00:32:37,640 --> 00:32:34,950
so forth feel that they have encountered

659
00:32:39,490 --> 00:32:37,650
something along the same lines in their

660
00:32:42,970 --> 00:32:39,500
own life experience so

661
00:32:47,950 --> 00:32:42,980
that's been a strange experience for me

662
00:32:49,330 --> 00:32:47,960
now I have to say this quickly what what

663
00:32:55,120 --> 00:32:49,340

type of phone did you call me back on

664

00:32:57,460 --> 00:32:55,130

this is just a regular house telephone

665

00:33:02,080 --> 00:32:57,470

okay you known and speak Latin I you at

666

00:33:05,460 --> 00:33:02,090

how you know how to speaker phone no

667

00:33:07,510 --> 00:33:05,470

okay i heerd the button like the

668

00:33:09,430 --> 00:33:07,520

numerical button pushed every now and

669

00:33:12,820 --> 00:33:09,440

then so just just be aware of that if

670

00:33:16,810 --> 00:33:12,830

you would so okay fine I'm probably too

671

00:33:19,060 --> 00:33:16,820

close to it trying to you know speak up

672

00:33:21,160 --> 00:33:19,070

closer to the microphone but i'll try to

673

00:33:24,220 --> 00:33:21,170

avoid that yeah okay all right very good

674

00:33:28,210 --> 00:33:24,230

so let's um let's get into some of the

675

00:33:31,330 --> 00:33:28,220

topics that we plan to talk about you

676
00:33:35,020 --> 00:33:31,340
and Reuben and a bunch of other people

677
00:33:37,600 --> 00:33:35,030
are showing showing up coming up I

678
00:33:43,050 --> 00:33:37,610
believe it's next weekend is that right

679
00:33:49,150 --> 00:33:45,550
yeah that's April sixteenth it's a

680
00:33:53,260 --> 00:33:49,160
Saturday and it's a really neat new

681
00:33:56,410 --> 00:33:53,270
thing it's a new event for in UFO

682
00:34:01,630 --> 00:33:56,420
circles that has never never been done

683
00:34:04,210 --> 00:34:01,640
before and it it's sir it's about a UFO

684
00:34:09,659 --> 00:34:04,220
case that's been known for quite some

685
00:34:13,090 --> 00:34:09,669
time it's called the Aurora UFO crash of

686
00:34:15,940 --> 00:34:13,100
1897 which seems like a really long time

687
00:34:19,560 --> 00:34:15,950
ago it's kind of during the Wild West

688
00:34:22,300 --> 00:34:19,570

days and it has it has a lot of

689

00:34:24,419 --> 00:34:22,310

interesting appeal to UFO researchers we

690

00:34:29,560 --> 00:34:24,429

could had happened in an arrow before

691

00:34:32,530 --> 00:34:29,570

airplanes existed and before most kinds

692

00:34:35,710 --> 00:34:32,540

of air vehicles exists that there were

693

00:34:38,470 --> 00:34:35,720

some hot air balloons in that general

694

00:34:43,360 --> 00:34:38,480

time frame but there wasn't much flying

695

00:34:45,520 --> 00:34:43,370

in the sky except birds so 1897 April is

696

00:34:48,970 --> 00:34:45,530

fun this incident occurred in all these

697

00:34:51,790 --> 00:34:48,980

years over a hundred years later the

698

00:34:53,020 --> 00:34:51,800

place where it happened Aurora Texas is

699

00:34:57,190 --> 00:34:53,030

having the first

700

00:35:00,070 --> 00:34:57,200

her official city commemoration of the

701
00:35:03,430 --> 00:35:00,080
event and they've invited a number of

702
00:35:06,610 --> 00:35:03,440
really really top UFO researchers and

703
00:35:10,960 --> 00:35:06,620
speakers including Travis Walton and Jim

704
00:35:14,770 --> 00:35:10,970
Marrs nick redfern two to appear in

705
00:35:16,420 --> 00:35:14,780
commemoration of that is that yeah

706
00:35:19,000 --> 00:35:16,430
that's that's great so this is the first

707
00:35:23,380 --> 00:35:19,010
time now let's talk about that

708
00:35:28,150 --> 00:35:23,390
particular case this was three years or

709
00:35:31,900 --> 00:35:28,160
so before there were any of the ridge of

710
00:35:34,560 --> 00:35:31,910
powered dirigibles right that's correct

711
00:35:40,080 --> 00:35:34,570
we had there were some hot air balloons

712
00:35:43,870 --> 00:35:40,090
but the dirigibles that could be steered

713
00:35:48,850 --> 00:35:43,880

that were motor powered were just still

714

00:35:52,780 --> 00:35:48,860

being developed at that time uh uh huh

715

00:35:57,010 --> 00:35:52,790

and can you describe the incident to the

716

00:35:59,230 --> 00:35:57,020

listener please yeah and and before I

717

00:36:05,020 --> 00:35:59,240

launch into that I just want to say that

718

00:36:08,830 --> 00:36:05,030

in 1897 science fiction was virtually

719

00:36:14,920 --> 00:36:08,840

unknown hg wells had not published War

720

00:36:18,820 --> 00:36:14,930

of the Worlds you know air airplanes and

721

00:36:25,210 --> 00:36:18,830

space vehicles were not in anyone's

722

00:36:26,800 --> 00:36:25,220

vocabulary there would have been in my

723

00:36:28,930 --> 00:36:26,810

way of thinking there would have been

724

00:36:33,600 --> 00:36:28,940

very little reason for someone to make

725

00:36:36,760 --> 00:36:33,610

totally make up a story about UFOs

726

00:36:39,090 --> 00:36:36,770

crashing on earth and a creature that

727

00:36:43,030 --> 00:36:39,100

did not appear to be from planet earth

728

00:36:45,880 --> 00:36:43,040

being found in the wreckage you know it

729

00:36:48,220 --> 00:36:45,890

just to me the stretch of the

730

00:36:51,730 --> 00:36:48,230

imagination to think that somebody would

731

00:36:56,220 --> 00:36:51,740

just out of the blue make something like

732

00:37:02,200 --> 00:36:56,230

that up but the story was that in April

733

00:37:05,230 --> 00:37:02,210

on April seventeenth 1897 three years

734

00:37:06,820 --> 00:37:05,240

before the turn of the century and I

735

00:37:10,510 --> 00:37:06,830

should I should also note

736

00:37:13,990 --> 00:37:10,520

50 years before the reported crash of a

737

00:37:17,620 --> 00:37:14,000

UFO in Roswell New Mexico which happened

738

00:37:21,090 --> 00:37:17,630

in 1947 so this was eighteen ninety

739

00:37:24,670 --> 00:37:21,100

seven fifty years before about 30 miles

740

00:37:29,160 --> 00:37:24,680

from Fort Worth Texas about 30 miles

741

00:37:32,440 --> 00:37:29,170

west west northwest of Fort Worth Texas

742

00:37:36,090 --> 00:37:32,450

the observers in town a number of

743

00:37:38,920 --> 00:37:36,100

observers told told the local newspapers

744

00:37:41,110 --> 00:37:38,930

the article later appeared in the Fort

745

00:37:46,570 --> 00:37:41,120

Worth newspaper and in the Dallas

746

00:37:52,000 --> 00:37:46,580

Morning News in 1897 so these observers

747

00:37:55,450 --> 00:37:52,010

or witnesses told told the newspapers

748

00:37:59,140 --> 00:37:55,460

that there was a an object that drifted

749

00:38:03,940 --> 00:37:59,150

into town going at a slow rate of speed

750

00:38:08,260 --> 00:38:03,950

it was metallic and appeared to weigh

751
00:38:12,520 --> 00:38:08,270
several tons from its appearance and as

752
00:38:18,220 --> 00:38:12,530
it drifted over the town it came to

753
00:38:20,410 --> 00:38:18,230
collision with a windmill in town and we

754
00:38:22,000 --> 00:38:20,420
don't know whether it was related to the

755
00:38:25,300 --> 00:38:22,010
collision with the end mill over the

756
00:38:28,120 --> 00:38:25,310
windmill or that was just you know the

757
00:38:29,800 --> 00:38:28,130
fact that it collided with one mill had

758
00:38:33,520 --> 00:38:29,810
nothing to do with the fact that it

759
00:38:35,860 --> 00:38:33,530
exploded soon afterwards it went to

760
00:38:38,920 --> 00:38:35,870
pieces was the exact language that was

761
00:38:43,150 --> 00:38:38,930
used by one witness right over the

762
00:38:46,060 --> 00:38:43,160
center of the small town which had you

763
00:38:52,300 --> 00:38:46,070

know around two thousand population of

764

00:38:54,310 --> 00:38:52,310

around 2,000 people at that time so when

765

00:38:55,690 --> 00:38:54,320

the townspeople gathered around to see

766

00:38:59,800 --> 00:38:55,700

what had happened they were looking

767

00:39:03,040 --> 00:38:59,810

through this debris it was metallic one

768

00:39:05,400 --> 00:39:03,050

of the witnesses described it as sort of

769

00:39:09,460 --> 00:39:05,410

looking like sort of a cross between

770

00:39:11,260 --> 00:39:09,470

aluminum and silver when they were

771

00:39:14,110 --> 00:39:11,270

looking through these pieces of metal

772

00:39:19,300 --> 00:39:14,120

they found in the midst of them a small

773

00:39:20,620 --> 00:39:19,310

humanoid being that one witness said was

774

00:39:25,690 --> 00:39:20,630

clearly not

775

00:39:29,140 --> 00:39:25,700

an inhabitant of this world so what

776
00:39:30,790 --> 00:39:29,150
happened next was people from all the

777
00:39:33,190 --> 00:39:30,800
neighboring towns according to the

778
00:39:38,380 --> 00:39:33,200
newspaper account came to see this

779
00:39:40,300 --> 00:39:38,390
amazing wondrous thing strange object

780
00:39:44,640 --> 00:39:40,310
that it crashed pieces of metal

781
00:39:47,980 --> 00:39:44,650
everywhere over wide area they found

782
00:39:51,430 --> 00:39:47,990
pieces of paper with or what seemed to

783
00:39:53,620 --> 00:39:51,440
be paper with writing on it that one of

784
00:39:58,210 --> 00:39:53,630
the witness described as being similar

785
00:40:02,170 --> 00:39:58,220
in appearance to hieroglyphics it was

786
00:40:04,450 --> 00:40:02,180
not any known language that anybody

787
00:40:06,760 --> 00:40:04,460
could tell all right hang on just a

788
00:40:11,650 --> 00:40:06,770

moment ty for that hang on just a moment

789

00:40:14,050 --> 00:40:11,660

if you would uh Ruben how are you party

790

00:40:17,050 --> 00:40:14,060

hey glad to have you on the show so

791

00:40:18,700 --> 00:40:17,060

Reuben mariotti he actually has his

792

00:40:23,770 --> 00:40:18,710

skype is working knowing how about that

793

00:40:25,420 --> 00:40:23,780

oh that's fantastic yeah we've had some

794

00:40:29,350 --> 00:40:25,430

issues but we're going to move on here

795

00:40:31,620 --> 00:40:29,360

now I will tell you that no II is right

796

00:40:35,980 --> 00:40:31,630

dead center in the middle of telling the

797

00:40:38,770 --> 00:40:35,990

story about the Aurora incident the

798

00:40:40,450 --> 00:40:38,780

crash oh very good very good I'll sit

799

00:40:44,010 --> 00:40:40,460

quietly here all right now I keep

800

00:40:46,390 --> 00:40:44,020

continue if you would so as I mentioned

801
00:40:47,980 --> 00:40:46,400
according to the newspaper accounts from

802
00:40:52,630 --> 00:40:47,990
both the Fort Worth and Dallas

803
00:40:55,330 --> 00:40:52,640
newspapers in April 1897 this object

804
00:40:59,170 --> 00:40:55,340
crashed in the middle of town it hit a

805
00:41:04,030 --> 00:40:59,180
windmill on the way down exploded debris

806
00:41:06,790 --> 00:41:04,040
came raining down a lot of people assume

807
00:41:09,160 --> 00:41:06,800
that the collision was a windmill caused

808
00:41:11,490 --> 00:41:09,170
the crash but that based on the

809
00:41:14,680 --> 00:41:11,500
eyewitness descriptions I would say not

810
00:41:17,620 --> 00:41:14,690
it apparently was already in stress and

811
00:41:20,200 --> 00:41:17,630
it exploded and I think the collision

812
00:41:24,430 --> 00:41:20,210
with a windmill was just coincidental or

813
00:41:27,190 --> 00:41:24,440

incidental but in any event strewn among

814

00:41:29,550 --> 00:41:27,200

the wreckage in the midst of all the

815

00:41:32,950 --> 00:41:29,560

records that was strewn over a wide area

816

00:41:34,030 --> 00:41:32,960

there was found this small humanoid

817

00:41:37,390 --> 00:41:34,040

beings

818

00:41:41,820 --> 00:41:37,400

which was described as not an inhabitant

819

00:41:49,300 --> 00:41:41,830

of this world in the newspaper account

820

00:41:52,180 --> 00:41:49,310

so this uh the people checked the pilots

821

00:41:55,240 --> 00:41:52,190

body and it was on the body of this

822

00:42:00,340 --> 00:41:55,250

pilot that they found papers written in

823

00:42:02,830 --> 00:42:00,350

an unknown language they they thought

824

00:42:05,920 --> 00:42:02,840

that this might have been a record of

825

00:42:08,620 --> 00:42:05,930

the journeys the pilots journeys that he

826

00:42:10,330 --> 00:42:08,630

had made but nobody knew how to how to

827

00:42:13,390 --> 00:42:10,340

interpret them and one of the witnesses

828

00:42:16,360 --> 00:42:13,400

that quote they were written in some

829

00:42:22,330 --> 00:42:16,370

unknown hieroglyphics and could not be

830

00:42:24,580 --> 00:42:22,340

understood so the townspeople then there

831

00:42:29,380 --> 00:42:24,590

were many visitors from surrounding town

832

00:42:32,230 --> 00:42:29,390

that showed up wanting to see the object

833

00:42:33,970 --> 00:42:32,240

that it crashed and the being and so

834

00:42:35,740 --> 00:42:33,980

they came from miles around and the

835

00:42:39,280 --> 00:42:35,750

newspaper accounts interestingly enough

836

00:42:43,960 --> 00:42:39,290

say that they gathered pieces of the

837

00:42:45,730 --> 00:42:43,970

wreckage and took it with them so we

838

00:42:47,440 --> 00:42:45,740

don't know how many of this how much of

839

00:42:50,890 --> 00:42:47,450

this material may be out there in

840

00:42:52,810 --> 00:42:50,900

people's attics stored away in that

841

00:42:57,550 --> 00:42:52,820

whole area from all the people who came

842

00:43:00,970 --> 00:42:57,560

out and collected pieces so and then

843

00:43:07,900 --> 00:43:00,980

finally the newspaper accounts closed by

844

00:43:12,930 --> 00:43:07,910

saying that the townspeople wanted to

845

00:43:17,020 --> 00:43:12,940

give the being a proper Christian burial

846

00:43:20,290 --> 00:43:17,030

and so they gathered up the body and

847

00:43:24,120 --> 00:43:20,300

they buried it in the loop in the town

848

00:43:26,680 --> 00:43:24,130

cemetery would still exist today

849

00:43:30,640 --> 00:43:26,690

although unfortunately the exact

850

00:43:32,620 --> 00:43:30,650

location of the grave is not known it's

851
00:43:35,710 --> 00:43:32,630
been lost over the years there was a

852
00:43:39,120 --> 00:43:35,720
headstone with some witnesses have

853
00:43:42,190 --> 00:43:39,130
stated included a picture of a

854
00:43:44,710 --> 00:43:42,200
disc-shaped object which was a

855
00:43:48,070 --> 00:43:44,720
representation of the object before it

856
00:43:50,440 --> 00:43:48,080
crashed but the headstone disappear

857
00:43:53,770 --> 00:43:50,450
third and nobody knows the exact

858
00:43:57,030 --> 00:43:53,780
location of the grave it's thought to be

859
00:44:02,200 --> 00:43:57,040
there still in the Aurora town cemetery

860
00:44:04,660 --> 00:44:02,210
well now the one thing that that puzzled

861
00:44:06,880 --> 00:44:04,670
me when you said it was that there was a

862
00:44:09,730 --> 00:44:06,890
witness that mentioned that the debris

863
00:44:12,790 --> 00:44:09,740

looked a lot like macross between silver

864

00:44:17,200 --> 00:44:12,800

and aluminum but at that time wasn't

865

00:44:18,730 --> 00:44:17,210

aluminum a very rare substance like no

866

00:44:20,710 --> 00:44:18,740

one would ever say that they're a quote

867

00:44:23,740 --> 00:44:20,720

from the article and the dallas morning

868

00:44:28,300 --> 00:44:23,750

news from april nineteen eighty ninety

869

00:44:30,640 --> 00:44:28,310

seven what it actually says is the ship

870

00:44:32,920 --> 00:44:30,650

was too badly wrecked to form any

871

00:44:36,490 --> 00:44:32,930

conclusion as to its construction or

872

00:44:39,100 --> 00:44:36,500

motive power it was built of an unknown

873

00:44:41,920 --> 00:44:39,110

metal resembling saw what a mixture of

874

00:44:44,860 --> 00:44:41,930

aluminum and silver well and it must

875

00:44:46,750 --> 00:44:44,870

have weighed several tons I thought all

876

00:44:48,820 --> 00:44:46,760

of that description all of that detail

877

00:44:51,180 --> 00:44:48,830

in that description is pretty

878

00:44:54,670 --> 00:44:51,190

interesting for this time period

879

00:44:57,550 --> 00:44:54,680

absolutely so I before we go on in this

880

00:45:00,970 --> 00:44:57,560

case I wanted to officially welcome

881

00:45:05,740 --> 00:45:00,980

Ruben to the show how are you Ruben good

882

00:45:08,530 --> 00:45:05,750

there there I it was hope you could hear

883

00:45:11,080 --> 00:45:08,540

me pretty well I yeah I always find the

884

00:45:13,450 --> 00:45:11,090

Aurora crash very interesting with no

885

00:45:16,950 --> 00:45:13,460

he's covering in fact yesterday I came

886

00:45:20,470 --> 00:45:16,960

across some paper newspaper clippings of

887

00:45:22,870 --> 00:45:20,480

the Aurora crash and I was just glancing

888

00:45:26,380 --> 00:45:22,880

through them and there was a newspaper

889

00:45:27,850 --> 00:45:26,390

article leave back in 1979 where they

890

00:45:30,160 --> 00:45:27,860

interviewed several people and they

891

00:45:32,350 --> 00:45:30,170

actually had supposedly piece of the

892

00:45:35,950 --> 00:45:32,360

metal that smaller piece of metal that

893

00:45:38,620 --> 00:45:35,960

they had that they had analyzed as well

894

00:45:40,570 --> 00:45:38,630

as witnesses there was a 92 year old

895

00:45:43,870 --> 00:45:40,580

woman that were remembered when she was

896

00:45:45,640 --> 00:45:43,880

a young kid all the interesting

897

00:45:48,400 --> 00:45:45,650

developments I was going on in her town

898

00:45:50,290 --> 00:45:48,410

and how they were going about to bury so

899

00:45:52,750 --> 00:45:50,300

they mean those were it's really

900

00:45:54,490 --> 00:45:52,760

interesting to have having her point of

901
00:45:58,120 --> 00:45:54,500
view in that newspaper article i mean i

902
00:45:59,740 --> 00:45:58,130
think uh no ll I may have sent that to

903
00:46:01,780 --> 00:45:59,750
you a while back but if not i'll

904
00:46:05,190 --> 00:46:01,790
definitely try to forward to you find

905
00:46:07,930 --> 00:46:05,200
and it's there are some interesting

906
00:46:10,870 --> 00:46:07,940
information in those newspaper clippings

907
00:46:15,100 --> 00:46:10,880
but absolutely it's one of them one of

908
00:46:17,290 --> 00:46:15,110
those jams that of history and also

909
00:46:20,080 --> 00:46:17,300
during that period of time there was

910
00:46:21,700 --> 00:46:20,090
there was a great airship sightings so

911
00:46:23,140 --> 00:46:21,710
this happened right around during that

912
00:46:25,900 --> 00:46:23,150
period from throughout here in

913
00:46:28,090 --> 00:46:25,910

California and in other parts of the

914

00:46:30,280 --> 00:46:28,100

Southwest and including Mexico they were

915

00:46:31,900 --> 00:46:30,290

also having your sightings of these

916

00:46:34,510 --> 00:46:31,910

airships so it's interesting how the

917

00:46:36,460 --> 00:46:34,520

Aurora crash ties right into this now

918

00:46:38,290 --> 00:46:36,470

we're where would one find these

919

00:46:41,350 --> 00:46:38,300

newspaper clippings is just something

920

00:46:45,220 --> 00:46:41,360

you did through like the old microfiche

921

00:46:47,980 --> 00:46:45,230

way or is this some some way you found

922

00:46:51,220 --> 00:46:47,990

this online oh no actually these are

923

00:46:57,160 --> 00:46:51,230

actual paper clippings I I was very

924

00:46:59,560 --> 00:46:57,170

fortunate to have acquired files thought

925

00:47:02,200 --> 00:46:59,570

from several investigators that have

926
00:47:05,320 --> 00:47:02,210
passed away and researchers and they've

927
00:47:08,470 --> 00:47:05,330
donated and gave me their books as well

928
00:47:10,330 --> 00:47:08,480
some of the research material and way

929
00:47:12,760 --> 00:47:10,340
back move on did have a clipping service

930
00:47:15,940 --> 00:47:12,770
where people would go through all the

931
00:47:18,400 --> 00:47:15,950
newspapers and and find any articles

932
00:47:21,700 --> 00:47:18,410
related to UFOs and that's what I find

933
00:47:23,110 --> 00:47:21,710
most fascinating in fact no he may have

934
00:47:25,540 --> 00:47:23,120
mentioned that if he hasn't yet the

935
00:47:28,120 --> 00:47:25,550
Cowboys and Aliens book that was all

936
00:47:31,140 --> 00:47:28,130
based on newspaper articles from back

937
00:47:33,850 --> 00:47:31,150
then in the 1880s or during the 1800s of

938
00:47:36,100 --> 00:47:33,860

accounts written and of course you know

939

00:47:38,170 --> 00:47:36,110

back then we didn't have anything that

940

00:47:40,170 --> 00:47:38,180

was flying during that period of time we

941

00:47:42,820 --> 00:47:40,180

didn't have airplanes you know so

942

00:47:46,180 --> 00:47:42,830

whatever account that were housed it

943

00:47:48,370 --> 00:47:46,190

relates to Aurora obviously you know

944

00:47:49,840 --> 00:47:48,380

wasn't no people nowadays can't say well

945

00:47:51,940 --> 00:47:49,850

was a balloon it was this or that

946

00:47:53,850 --> 00:47:51,950

because quite frankly we didn't have

947

00:47:58,960 --> 00:47:53,860

that much happening up in the air until

948

00:48:00,430 --> 00:47:58,970

as technology improved so the newspaper

949

00:48:02,110 --> 00:48:00,440

going back to the newspaper clippings

950

00:48:05,290 --> 00:48:02,120

all it's amazing some of the stuff that

951
00:48:07,780 --> 00:48:05,300
i find it goes back to the 60s 50s and

952
00:48:09,700 --> 00:48:07,790
gives you a very good idea what was

953
00:48:12,720 --> 00:48:09,710
going on back in with the politics of

954
00:48:14,980 --> 00:48:12,730
UFOs and how it relates to do today

955
00:48:16,900 --> 00:48:14,990
right now

956
00:48:21,160 --> 00:48:16,910
this i would i would say that this is

957
00:48:23,730 --> 00:48:21,170
probably the unit of the earliest UFO

958
00:48:27,160 --> 00:48:23,740
well definitely the earliest UFO crash

959
00:48:29,710 --> 00:48:27,170
then they were you know the sightings i

960
00:48:32,710 --> 00:48:29,720
don't think that you're going to find

961
00:48:37,020 --> 00:48:32,720
too much out there that is documented

962
00:48:40,180 --> 00:48:37,030
like in newspapers that's uh that's this

963
00:48:42,250 --> 00:48:40,190

literally well actually there are other

964

00:48:48,280 --> 00:48:42,260

accounts in the book cowboys and aliens

965

00:48:50,080 --> 00:48:48,290

of other UFO crashes that people had to

966

00:48:53,380 --> 00:48:50,090

come into had encounter i think one of

967

00:48:55,480 --> 00:48:53,390

the earliest was back in 1854 i can't

968

00:48:58,720 --> 00:48:55,490

can't remember quite if thats exactly

969

00:49:01,510 --> 00:48:58,730

Joey yeah let's backtrack and tell him

970

00:49:04,030 --> 00:49:01,520

about our book we don't want to get

971

00:49:08,650 --> 00:49:04,040

anybody confused with the fictional

972

00:49:12,190 --> 00:49:08,660

movie by spielberg our our book Rubin

973

00:49:14,470 --> 00:49:12,200

and I did a book and along with what was

974

00:49:16,450 --> 00:49:14,480

actually written by myself and John

975

00:49:20,260 --> 00:49:16,460

LeMay Andrew and Reuben help with the

976

00:49:24,040 --> 00:49:20,270

research we did a book calls the real

977

00:49:28,420 --> 00:49:24,050

cowboys and aliens we published it in

978

00:49:31,050 --> 00:49:28,430

2012 and it was subtitled UFO encounters

979

00:49:34,120 --> 00:49:31,060

of the Old West and what it was was

980

00:49:36,370 --> 00:49:34,130

around the time that Spielberg movie

981

00:49:39,640 --> 00:49:36,380

Cowboys and Aliens which was total

982

00:49:41,530 --> 00:49:39,650

fiction lots of explosions lots of

983

00:49:43,660 --> 00:49:41,540

really weird aliens trying to steal

984

00:49:45,910 --> 00:49:43,670

earth's resources those of us who

985

00:49:49,510 --> 00:49:45,920

thought it was a delightful entertaining

986

00:49:52,000 --> 00:49:49,520

picture on many levels but certainly was

987

00:49:54,940 --> 00:49:52,010

not in any way an accurate

988

00:49:57,310 --> 00:49:54,950

representation of the very real UFO

989

00:50:00,420 --> 00:49:57,320

encounters that occurred in the 1800s in

990

00:50:03,430 --> 00:50:00,430

North America so around the time that

991

00:50:06,040 --> 00:50:03,440

Spielberg movie was about to come out we

992

00:50:09,480 --> 00:50:06,050

were asked the question by Cyril people

993

00:50:12,700 --> 00:50:09,490

were there really encounters between

994

00:50:16,510 --> 00:50:12,710

people living in the Old West in North

995

00:50:22,210 --> 00:50:16,520

America and UFOs and UFO occupants and

996

00:50:27,370 --> 00:50:22,220

the answer was a resounding yes because

997

00:50:28,690 --> 00:50:27,380

we found many many accounts in in the

998

00:50:32,040 --> 00:50:28,700

documents of the time

999

00:50:35,040 --> 00:50:32,050

and the newspapers and other periodicals

1000

00:50:37,920 --> 00:50:35,050

giving detailed descriptions from

1001
00:50:39,870 --> 00:50:37,930
seemingly highly credible witnesses

1002
00:50:44,380 --> 00:50:39,880
including including law enforcement

1003
00:50:48,520 --> 00:50:44,390
agents and other very restricted

1004
00:50:54,400 --> 00:50:48,530
townspeople of that era who claimed to

1005
00:50:58,500 --> 00:50:54,410
have seen UFOs flying around and also

1006
00:51:02,050 --> 00:50:58,510
have seen beings who were standing near

1007
00:51:05,260 --> 00:51:02,060
objects that had landed so it's a

1008
00:51:07,690 --> 00:51:05,270
fascinating study and Reuben and I came

1009
00:51:10,060 --> 00:51:07,700
out with this book allah jalla may and

1010
00:51:13,839 --> 00:51:10,070
reuben helped called the real cowboys

1011
00:51:19,020 --> 00:51:13,849
and aliens and what we had a chapter in

1012
00:51:21,339 --> 00:51:19,030
that book about the Aurora UFO crash in

1013
00:51:24,520 --> 00:51:21,349

1897 that we've been talking about on

1014

00:51:26,950 --> 00:51:24,530

the program tonight and it is one of the

1015

00:51:29,170 --> 00:51:26,960

more popular talks wouldn't you say

1016

00:51:31,450 --> 00:51:29,180

Ruben whenever we speak about our book

1017

00:51:33,670 --> 00:51:31,460

the real cowboys and aliens sleep we

1018

00:51:36,309 --> 00:51:33,680

really get really good response from the

1019

00:51:40,420 --> 00:51:36,319

audiences people love hearing about

1020

00:51:44,020 --> 00:51:40,430

these old UFO cases from long before

1021

00:51:49,690 --> 00:51:44,030

there were any objects in the sky flying

1022

00:51:52,210 --> 00:51:49,700

around man-made objects so 1864 is the

1023

00:51:56,530 --> 00:51:52,220

first chapter in the book it's about the

1024

00:52:01,210 --> 00:51:56,540

crash of a strange object in the rocky

1025

00:52:05,349 --> 00:52:01,220

mountain it's called Rocky Mountain UFO

1026
00:52:08,650 --> 00:52:05,359
explosion and so that actually happened

1027
00:52:11,920 --> 00:52:08,660
that was that is the first documented

1028
00:52:15,250 --> 00:52:11,930
case that we could find for our books

1029
00:52:19,569 --> 00:52:15,260
how they reported UFO crash so that was

1030
00:52:23,800 --> 00:52:19,579
even earlier than the 1897 date of the

1031
00:52:28,120 --> 00:52:23,810
Aurora interestingly enough all right

1032
00:52:32,589 --> 00:52:28,130
Wow so just a couple of things what

1033
00:52:36,579 --> 00:52:32,599
about I've heard that or read somewhere

1034
00:52:39,760 --> 00:52:36,589
that the reporter Hayden or whatever his

1035
00:52:41,589 --> 00:52:39,770
name was that wrote that yeah I heard

1036
00:52:42,370 --> 00:52:41,599
that he claimed later that he made the

1037
00:52:46,560 --> 00:52:42,380
whole thing

1038
00:52:51,180 --> 00:52:46,570

um have you looked into that yes i have

1039

00:52:54,490 --> 00:52:51,190

i have heard that claim but it was a

1040

00:52:58,180 --> 00:52:54,500

secondhand claim i have never found any

1041

00:53:02,040 --> 00:52:58,190

documents or direct evidence of him

1042

00:53:05,530 --> 00:53:02,050

saying those words rather there was a

1043

00:53:09,480 --> 00:53:05,540

lady whose name escapes me now who

1044

00:53:15,040 --> 00:53:09,490

claims she overheard him saying that and

1045

00:53:18,820 --> 00:53:15,050

another another critical view viewpoint

1046

00:53:23,500 --> 00:53:18,830

on the Aurora incident is that because

1047

00:53:25,510 --> 00:53:23,510

the town was in dire economic shape some

1048

00:53:29,530 --> 00:53:25,520

of the businesses and industries in the

1049

00:53:32,800 --> 00:53:29,540

town had closed and the town was in

1050

00:53:35,490 --> 00:53:32,810

danger of basically drying up and

1051
00:53:39,210 --> 00:53:35,500
blowing away that because of all that

1052
00:53:44,350 --> 00:53:39,220
this story was made up in order to bring

1053
00:53:47,970 --> 00:53:44,360
visitors and tourism to the area this is

1054
00:53:53,200 --> 00:53:47,980
19 if this is 1897 or talking about and

1055
00:53:57,280 --> 00:53:53,210
you know that that once again is one

1056
00:53:59,800 --> 00:53:57,290
person's conjecture that you know she in

1057
00:54:02,770 --> 00:53:59,810
her mind is convinced that because the

1058
00:54:05,980 --> 00:54:02,780
town had some economic hardship then

1059
00:54:09,610 --> 00:54:05,990
this story must have been a way to

1060
00:54:12,790 --> 00:54:09,620
attempt to revitalize town and that was

1061
00:54:16,240 --> 00:54:12,800
her opinion on why this story suddenly

1062
00:54:17,950 --> 00:54:16,250
appeared in in the end of her but I have

1063
00:54:19,720 --> 00:54:17,960

never seen a direct evidence that

1064

00:54:22,230 --> 00:54:19,730

indicates that that was the actual

1065

00:54:24,730 --> 00:54:22,240

reason that was just her her take on it

1066

00:54:31,630 --> 00:54:24,740

okay now Reuben I'm going to ask you

1067

00:54:33,820 --> 00:54:31,640

this what has there been any I'll anyone

1068

00:54:36,490 --> 00:54:33,830

looking into trying to exhume the body

1069

00:54:40,990 --> 00:54:36,500

to examine to see if they can find the

1070

00:54:43,540 --> 00:54:41,000

body first of all oh I think I'm going

1071

00:54:45,250 --> 00:54:43,550

to try to look for my my clippings just

1072

00:54:48,220 --> 00:54:45,260

in case everyone to share some of the

1073

00:54:51,760 --> 00:54:48,230

information but I there has been

1074

00:54:54,070 --> 00:54:51,770

attempts and they were trying to exhume

1075

00:54:56,320 --> 00:54:54,080

the body and I know I believe they went

1076

00:55:00,580 --> 00:54:56,330

to develop a land

1077

00:55:04,450 --> 00:55:00,590

mark right dedicating the actual UFO

1078

00:55:06,670 --> 00:55:04,460

crash as a landmark here in the city as

1079

00:55:09,340 --> 00:55:06,680

well as absolutely correct it's one of

1080

00:55:13,570 --> 00:55:09,350

the few state historical markers that

1081

00:55:16,920 --> 00:55:13,580

exists in the united states that

1082

00:55:21,010 --> 00:55:16,930

actually commemorates a UFO event

1083

00:55:24,400 --> 00:55:21,020

because if you go to the aurora town

1084

00:55:27,970 --> 00:55:24,410

cemetery which by the way the city is

1085

00:55:30,700 --> 00:55:27,980

going to be offering shuttle tours of

1086

00:55:34,690 --> 00:55:30,710

both the cemetery and the crash site

1087

00:55:37,090 --> 00:55:34,700

where this happened in 1897 they're

1088

00:55:39,160 --> 00:55:37,100

going to be offering actual tours of

1089

00:55:42,460 --> 00:55:39,170

those two locations on Saturday April

1090

00:55:43,930 --> 00:55:42,470

sixteenth as part of the this event

1091

00:55:48,550 --> 00:55:43,940

we've been talking about called the

1092

00:55:50,890 --> 00:55:48,560

Aurora alien encounter and these folks

1093

00:55:53,140 --> 00:55:50,900

are really serious about commemorating

1094

00:55:57,240 --> 00:55:53,150

this is an actual historical event there

1095

00:56:02,170 --> 00:55:57,250

was a city proclamation that was passed

1096

00:56:06,370 --> 00:56:02,180

by the town of Aurora and the City

1097

00:56:08,230 --> 00:56:06,380

Administrator there is is a person that

1098

00:56:11,740 --> 00:56:08,240

I'm really really looking forward to

1099

00:56:17,980 --> 00:56:11,750

spending some time talking to dr. Tony

1100

00:56:21,490 --> 00:56:17,990

wheeler her grandfather was born in

1101
00:56:26,380 --> 00:56:21,500
Aurora shortly after the Aurora incident

1102
00:56:28,450 --> 00:56:26,390
and he knew a lot of the old-timers who

1103
00:56:31,510 --> 00:56:28,460
lived at the time of the Aurora crash

1104
00:56:36,130 --> 00:56:31,520
and dr. wheeler who is now the city

1105
00:56:38,350 --> 00:56:36,140
administrator in in Aurora is one of the

1106
00:56:40,810 --> 00:56:38,360
big movers and shakers of this

1107
00:56:45,790 --> 00:56:40,820
commemorative event that's happening in

1108
00:56:48,730 --> 00:56:45,800
two weeks and she is going to as she

1109
00:56:51,100 --> 00:56:48,740
guides people to the two sides the

1110
00:56:56,710 --> 00:56:51,110
actual crash site of the object and the

1111
00:56:59,710 --> 00:56:56,720
site worthy with a the D cemetery where

1112
00:57:01,600 --> 00:56:59,720
the body was later buried as she takes

1113
00:57:03,910 --> 00:57:01,610

people through their she's going to kind

1114

00:57:07,210 --> 00:57:03,920

of narrate and tell the stories that she

1115

00:57:09,130 --> 00:57:07,220

heard you know through her family

1116

00:57:09,720 --> 00:57:09,140

through her grandfather about the

1117

00:57:12,330 --> 00:57:09,730

incident

1118

00:57:15,840 --> 00:57:12,340

so this is another unique insiders

1119

00:57:18,000 --> 00:57:15,850

perspective and as I said because of her

1120

00:57:21,840 --> 00:57:18,010

family history and her familiarity with

1121

00:57:24,390 --> 00:57:21,850

the area and whiskey story she is the

1122

00:57:28,020 --> 00:57:24,400

perfect candidate to to guide these

1123

00:57:31,170 --> 00:57:28,030

doors right no he's art go ahead i

1124

00:57:37,080 --> 00:57:31,180

recall that uh weren't they also keeping

1125

00:57:39,210 --> 00:57:37,090

the actual location up secret as far as

1126

00:57:41,160 --> 00:57:39,220

the actual where the body was I'm trying

1127

00:57:44,460 --> 00:57:41,170

to recall that how that played into that

1128

00:57:47,609 --> 00:57:44,470

no what happened was and be the grave

1129

00:57:53,340 --> 00:57:47,619

marker that was in place was stolen or

1130

00:57:59,900 --> 00:57:53,350

removed at some point we think in the

1131

00:58:02,609 --> 00:57:59,910

late 60s early 70s and they basically

1132

00:58:08,040 --> 00:58:02,619

nobody kept track of where the actual

1133

00:58:10,920 --> 00:58:08,050

grave was and so there is a there is an

1134

00:58:15,599 --> 00:58:10,930

ordinance or a regulation there that

1135

00:58:19,710 --> 00:58:15,609

prevents any hit one from exhuming any

1136

00:58:23,370 --> 00:58:19,720

of the of the remains they're so past

1137

00:58:25,470 --> 00:58:23,380

attempts I would assume unless it's law

1138

00:58:29,490 --> 00:58:25,480

enforcement related life in an

1139

00:58:33,090 --> 00:58:29,500

investigation for involving a crime they

1140

00:58:36,030 --> 00:58:33,100

don't allow somebody to dig dig dig up

1141

00:58:39,210 --> 00:58:36,040

remain there so basically several groups

1142

00:58:41,099 --> 00:58:39,220

have tried to obtain permission and have

1143

00:58:44,220 --> 00:58:41,109

been denied it and it's still standing

1144

00:58:46,290 --> 00:58:44,230

policy so there have been attempts to

1145

00:58:48,570 --> 00:58:46,300

use ground-penetrating radar and other

1146

00:58:51,349 --> 00:58:48,580

technologies but the results have been

1147

00:58:54,359 --> 00:58:51,359

inconclusive the UFO hunters had a an

1148

00:59:00,060 --> 00:58:54,369

episode where ground-penetrating radar

1149

00:59:01,530 --> 00:59:00,070

found some interesting underground it's

1150

00:59:03,660 --> 00:59:01,540

kind of like a the works or like an

1151
00:59:09,000 --> 00:59:03,670
ultrasound and there was an interesting

1152
00:59:11,190 --> 00:59:09,010
underground object that you know there

1153
00:59:14,910 --> 00:59:11,200
there was obviously a mass there and it

1154
00:59:17,970 --> 00:59:14,920
could be seeking using the equipment but

1155
00:59:21,359 --> 00:59:17,980
it was indefinite as to whether that was

1156
00:59:23,549 --> 00:59:21,369
the actual body of the Buried spaceman

1157
00:59:26,740 --> 00:59:23,559
or not well

1158
00:59:29,190 --> 00:59:26,750
no ll just if you would try to watch

1159
00:59:31,930 --> 00:59:29,200
your phone dial pad if you would please

1160
00:59:33,190 --> 00:59:31,940
so very well thank you yeah we're at the

1161
00:59:37,420 --> 00:59:33,200
top of the hour we're going to be

1162
00:59:40,089 --> 00:59:37,430
talking about actually the cisco grove

1163
00:59:41,230 --> 00:59:40,099

incident and part of the second hour and

1164

00:59:46,839 --> 00:59:41,240

we're going to continue on this

1165

00:59:52,140 --> 00:59:46,849

conversation but so Reuben back to you

1166

00:59:54,759 --> 00:59:52,150

is is this case just one of those total

1167

00:59:56,829 --> 00:59:54,769

baffling ones that you know we're

1168

01:00:00,579 --> 00:59:56,839

probably at this point being you know

1169

01:00:02,559 --> 01:00:00,589

100 plus years old we'll never find any

1170

01:00:05,740 --> 01:00:02,569

new evidence or do you think thinks

1171

01:00:11,230 --> 01:00:05,750

something will change in as far as what

1172

01:00:15,039 --> 01:00:11,240

the cemetery management is involved that

1173

01:00:16,269 --> 01:00:15,049

eventually they'll let their being I was

1174

01:00:20,200 --> 01:00:16,279

going to mention ground-penetrating

1175

01:00:23,049 --> 01:00:20,210

radar and obviously they may know where

1176

01:00:25,150 --> 01:00:23,059

it is do you think any of the thing will

1177

01:00:27,759 --> 01:00:25,160

change and this can be actually figured

1178

01:00:29,589 --> 01:00:27,769

out because if there was indeed

1179

01:00:31,779 --> 01:00:29,599

something from not this earth buried

1180

01:00:36,220 --> 01:00:31,789

under there then you'd have an answer to

1181

01:00:38,140 --> 01:00:36,230

a lot of questions oh absolutely i mean

1182

01:00:40,870 --> 01:00:38,150

one of the things that both noe and i

1183

01:00:44,440 --> 01:00:40,880

really enjoy is going through these

1184

01:00:47,019 --> 01:00:44,450

historical documents and a particular

1185

01:00:49,809 --> 01:00:47,029

case it's really never settled because

1186

01:00:52,059 --> 01:00:49,819

there always seems to be one way or

1187

01:00:54,099 --> 01:00:52,069

another more additional evidence that

1188

01:00:57,069 --> 01:00:54,109

will show up it'll be quite interesting

1189

01:01:00,190 --> 01:00:57,079

to see at this conference what some of

1190

01:01:04,630 --> 01:01:00,200

the additional latest information that

1191

01:01:08,289 --> 01:01:04,640

might be coming out and so it it is one

1192

01:01:12,339 --> 01:01:08,299

of several important cases here in

1193

01:01:13,920 --> 01:01:12,349

ufology and i think over over the long

1194

01:01:17,920 --> 01:01:13,930

run who knows there might be a

1195

01:01:19,870 --> 01:01:17,930

connection just like what we did we

1196

01:01:25,799 --> 01:01:19,880

found a connection between UFO crash

1197

01:01:30,160 --> 01:01:25,809

retrievals and we found the some of the

1198

01:01:33,160 --> 01:01:30,170

interesting procedures and operations at

1199

01:01:35,710 --> 01:01:33,170

the air force was involved in and all

1200

01:01:37,029 --> 01:01:35,720

those different players that have played

1201

01:01:39,939 --> 01:01:37,039

an important part in the

1202

01:01:42,900 --> 01:01:39,949

retrieval so absolutely I think we'll

1203

01:01:44,949 --> 01:01:42,910

always seem to learn something new and

1204

01:01:47,380 --> 01:01:44,959

and it's something that should never be

1205

01:01:48,969 --> 01:01:47,390

forgotten because it was something very

1206

01:01:51,789 --> 01:01:48,979

significant that happened in that

1207

01:01:54,549 --> 01:01:51,799

particular area in that city and people

1208

01:01:56,979 --> 01:01:54,559

need to take a look at that that's one

1209

01:02:00,130 --> 01:01:56,989

of the reason why we're seeing a an

1210

01:02:04,569 --> 01:02:00,140

interest by cities in there and that are

1211

01:02:07,659 --> 01:02:04,579

interested in mobilizing people and in

1212

01:02:11,109 --> 01:02:07,669

terms of their history they come

1213

01:02:15,269 --> 01:02:11,119

chambers of comrades for example Roswell

1214

01:02:17,829 --> 01:02:15,279

New Mexico they've turned the 1947

1215

01:02:20,349 --> 01:02:17,839

incident to a very large event where

1216

01:02:22,239 --> 01:02:20,359

thousands of people come worst we

1217

01:02:24,849 --> 01:02:22,249

thought with some of the goals that both

1218

01:02:28,299 --> 01:02:24,859

know and I have a tad with using the

1219

01:02:30,489 --> 01:02:28,309

border zone conferences of educating

1220

01:02:32,919 --> 01:02:30,499

people about what was going on and it's

1221

01:02:34,989 --> 01:02:32,929

catching on and there's other towns that

1222

01:02:37,809 --> 01:02:34,999

have been doing that as well where they

1223

01:02:40,959 --> 01:02:37,819

will focus on a particular paranormal

1224

01:02:43,380 --> 01:02:40,969

event and get a lot of tourists visited

1225

01:02:45,880 --> 01:02:43,390

it just all of a sudden it will bring

1226
01:02:48,699 --> 01:02:45,890
probability new people involved in who

1227
01:02:50,109 --> 01:02:48,709
knows what what other sources well

1228
01:02:51,909 --> 01:02:50,119
that's it for the first part of the show

1229
01:02:54,699 --> 01:02:51,919
we thank you for listening if you'd like

1230
