

1  
00:00:03,230 --> 00:00:02,480  
and it hits me oh my gosh this is that

2  
00:00:04,340 --> 00:00:03,240  
triangle

3  
00:00:05,450 --> 00:00:04,350  
you know there's explanation for

4  
00:00:07,400 --> 00:00:05,460  
everything that occurred in the

5  
00:00:09,770 --> 00:00:07,410  
Rendlesham forest incident it doesn't

6  
00:00:13,280 --> 00:00:09,780  
involve aliens at all it was completely

7  
00:00:16,129 --> 00:00:13,290  
silent it comes right over our head it's

8  
00:00:17,720 --> 00:00:16,139  
so a classic Chinese soldier really

9  
00:00:19,490 --> 00:00:17,730  
standing in the clearing he turned over

10  
00:00:20,840 --> 00:00:19,500  
to my father and held his hand and he

11  
00:00:27,470 --> 00:00:20,850  
looked in his eyes and said we're not

12  
00:00:30,349 --> 00:00:27,480  
alone welcome to podcast UFO for our

13

witkowski and we're going to be talking

23

00:00:57,020 --> 00:00:55,050

about UFOs in Pennsylvania and an hour

24

00:00:59,740 --> 00:00:57,030

to were actually going to be talking

25

00:01:02,810 --> 00:00:59,750

about a very interesting subject of

26  
00:01:04,490 --> 00:01:02,820  
human mutilations so that's going to go

27  
00:01:06,740 --> 00:01:04,500  
a little bit off topic sort of we don't

28  
00:01:08,120 --> 00:01:06,750  
know if it's off topic or not and I'll

29  
00:01:10,880 --> 00:01:08,130  
be telling you a little bit more about

30  
00:01:12,830 --> 00:01:10,890  
butch right before we introduce them and

31  
00:01:14,810 --> 00:01:12,840  
I want to thank all the listeners that

32  
00:01:16,010 --> 00:01:14,820  
support the show and if you can't

33  
00:01:18,109 --> 00:01:16,020  
support the show and still want to

34  
00:01:20,450 --> 00:01:18,119  
listen free you can always listen on

35  
00:01:22,700 --> 00:01:20,460  
podcast UFO comm every Wednesday night

36

at 8:00 to 10:00 p.m. Eastern Standard

37  
00:01:27,770 --> 00:01:24,900  
Time or on the Dark Matter digital

38  
00:01:31,010 --> 00:01:27,780

network that's Thursdays at 10:00 to

39

00:01:32,990 --> 00:01:31,020

midnight I want to tell everybody that I

40

00:01:35,690 --> 00:01:33,000

am completely bald and if you don't

41

00:01:37,999 --> 00:01:35,700

believe me just go to podcast UFO calm

42

00:01:40,609 --> 00:01:38,009

you'll see right there a picture of

43

00:01:43,730 --> 00:01:40,619

myself shaved and you know it's cold

44

00:01:47,060 --> 00:01:43,740

even though it's warm I have a kind of a

45

00:01:49,340 --> 00:01:47,070

cold head and you know I might I might

46

00:01:50,870 --> 00:01:49,350

keep the look I think it I think it

47

00:01:54,560 --> 00:01:50,880

actually looks pretty good but I'm proud

48

00:01:56,539 --> 00:01:54,570

to say that because of all my friends

49

00:02:00,499 --> 00:01:56,549

and all the people that listen to the

50

00:02:03,080 --> 00:02:00,509

show and some family members we have

51  
00:02:04,760 --> 00:02:03,090  
exceeded the goal of a thousand dollars

52  
00:02:07,940 --> 00:02:04,770  
and it's still growing people can still

53  
00:02:09,830 --> 00:02:07,950  
donate they keep it open for a while we

54  
00:02:12,050 --> 00:02:09,840  
had one listener in particular that

55  
00:02:13,340 --> 00:02:12,060  
really stepped up to the plate and I'm

56  
00:02:16,730 --> 00:02:13,350  
going to mention his name

57  
00:02:19,010 --> 00:02:16,740  
named Alan Sanderson thanks so much and

58  
00:02:19,460 --> 00:02:19,020  
a number of listeners there's another

59  
00:02:21,980 --> 00:02:19,470  
one

60  
00:02:25,160 --> 00:02:21,990  
Reginald I hope I can say Reggie he

61  
00:02:27,200 --> 00:02:25,170  
pitched in really as well and it doesn't

62  
00:02:29,630 --> 00:02:27,210  
matter small donations big donations

63  
00:02:31,820 --> 00:02:29,640

it's all been very nicely received

64

00:02:35,960 --> 00:02:31,830

they're very excited over there at the

65

00:02:36,890 --> 00:02:35,970

it's called one mission buzz off comm

66

00:02:39,020 --> 00:02:36,900

org

67

00:02:40,580 --> 00:02:39,030

they're extremely excited because I

68

00:02:42,200 --> 00:02:40,590

exceeded my goal and everyone's really

69

00:02:44,710 --> 00:02:42,210

happy I'm real happy and I want to thank

70

00:02:46,450 --> 00:02:44,720

everyone that helped out in that and

71

00:02:50,390 --> 00:02:46,460

let's see

72

00:02:53,330 --> 00:02:50,400

Alejandro how are you doing I am good

73

00:02:55,790 --> 00:02:53,340

how are you doing great and you know

74

00:02:57,140 --> 00:02:55,800

it's good - your skype sounds perfect

75

00:03:00,050 --> 00:02:57,150

tonight the last couple of weeks we had

76  
00:03:02,750 --> 00:03:00,060  
trouble and somehow it's worked itself

77  
00:03:05,240 --> 00:03:02,760  
out glad to have you back yeah it was

78  
00:03:07,160 --> 00:03:05,250  
changes with the wireless internet here

79  
00:03:10,430 --> 00:03:07,170  
at my work and we finally got that

80  
00:03:14,710 --> 00:03:10,440  
worked out and it's a good thing it's

81  
00:03:18,380 --> 00:03:14,720  
good to be talking to you on skype again

82  
00:03:19,970 --> 00:03:18,390  
yeah hey do we have anything happening I

83  
00:03:23,360 --> 00:03:19,980  
know though it's been kind of quiet

84  
00:03:25,720 --> 00:03:23,370  
which is good in some ways but that in

85  
00:03:29,390 --> 00:03:25,730  
another way I like when things are at

86  
00:03:30,560 --> 00:03:29,400  
even we don't have anything alright well

87  
00:03:33,710 --> 00:03:30,570  
it's not just kidding

88  
00:03:35,420 --> 00:03:33,720

we always got something yeah so I guess

89

00:03:37,190 --> 00:03:35,430

the first thing I'd like to talk to you

90

00:03:41,750 --> 00:03:37,200

about I don't think we talked about this

91

00:03:44,930 --> 00:03:41,760

on your show and my memory is - terrible

92

00:03:49,310 --> 00:03:44,940

- to remember did we talk about that ham

93

00:03:51,170 --> 00:03:49,320

radio case it's not boy I'll tell you

94

00:03:52,820 --> 00:03:51,180

what if I'm forgetting it and the

95

00:03:54,350 --> 00:03:52,830

listener remembers that I'll be in big

96

00:03:59,240 --> 00:03:54,360

trouble but I don't remember anything

97

00:04:01,400 --> 00:03:59,250

yeah so this is a neat case where uh Pat

98

00:04:04,310 --> 00:04:01,410

Daniels is his name he I guess has his

99

00:04:07,600 --> 00:04:04,320

own podcast on paranormal topics and

100

00:04:09,620 --> 00:04:07,610

such but he listens he's a ham radio

101  
00:04:13,370 --> 00:04:09,630  
enthusiast and he was listening to his

102  
00:04:15,580 --> 00:04:13,380  
ham radio one evening and he heard he

103  
00:04:18,860 --> 00:04:15,590  
was listening to transmissions between

104  
00:04:21,979 --> 00:04:18,870  
airliners and a control tower and he

105  
00:04:24,920 --> 00:04:21,989  
heard at this plane report a UFO

106  
00:04:26,900 --> 00:04:24,930  
sighting which is kind of exciting

107  
00:04:28,790 --> 00:04:26,910  
here's a quote from the web

108  
00:04:31,400 --> 00:04:28,800  
cite UFOs Northwest which helped with

109  
00:04:34,310 --> 00:04:31,410  
the investigation about what he says he

110  
00:04:36,590 --> 00:04:34,320  
heard he says a pilot reported seeing an

111  
00:04:39,110 --> 00:04:36,600  
extremely large bright object that he

112  
00:04:41,120 --> 00:04:39,120  
estimated a mile wide to his right the

113  
00:04:42,680 --> 00:04:41,130

air traffic controller told him that he

114

00:04:45,230 --> 00:04:42,690

was looking in the direction of Nephi

115

00:04:46,910 --> 00:04:45,240

Utah apparently the air traffic

116

00:04:49,580 --> 00:04:46,920

controller told the pilot that the

117

00:04:51,590 --> 00:04:49,590

object was not detected on radar the

118

00:04:54,950 --> 00:04:51,600

object appeared to keep pace with the

119

00:04:56,960 --> 00:04:54,960

aircraft so he was excited that's what

120

00:05:00,500 --> 00:04:56,970

he's listening for but unfortunately he

121

00:05:04,220 --> 00:05:00,510

didn't record it he did go to Utah MUFON

122

00:05:08,090 --> 00:05:04,230

Erica Luke's was the director at the

123

00:05:10,310 --> 00:05:08,100

time and they did an investigation they

124

00:05:13,070 --> 00:05:10,320

went and listened to the archives of

125

00:05:15,800 --> 00:05:13,080

these these aircraft and they did find

126  
00:05:17,660 --> 00:05:15,810  
some archives for and figure out what

127  
00:05:20,990 --> 00:05:17,670  
flight it was they found out it was an

128  
00:05:23,600 --> 00:05:21,000  
American Airlines flight from San

129  
00:05:26,090 --> 00:05:23,610  
Francisco to I think it was something

130  
00:05:29,840 --> 00:05:26,100  
like Pennsylvania Philadelphia

131  
00:05:32,030 --> 00:05:29,850  
Pennsylvania and uh then they put in a

132  
00:05:34,640 --> 00:05:32,040  
FOIA request they also enlisted the help

133  
00:05:36,890 --> 00:05:34,650  
of William Puckett of UFOs Northwest

134  
00:05:38,810 --> 00:05:36,900  
William Puckett has a was a

135  
00:05:42,620 --> 00:05:38,820  
meteorologist for a while worked for the

136  
00:05:45,560 --> 00:05:42,630  
EPA for many years and he's worked in

137  
00:05:49,340 --> 00:05:45,570  
our radar and so he's helped out with

138  
00:05:51,920 --> 00:05:49,350

many radar UFO cases so I they put in a

139

00:05:54,170 --> 00:05:51,930

FOIA to the FAA to get more information

140

00:05:57,050 --> 00:05:54,180

and they got they hit the mother lode

141

00:06:01,940 --> 00:05:57,060

six weeks later they got audiotapes

142

00:06:03,950 --> 00:06:01,950

tower logs and some radar data so at the

143

00:06:07,790 --> 00:06:03,960

audio did confirm that there was a

144

00:06:10,550 --> 00:06:07,800

report so in the audio which is posted

145

00:06:14,360 --> 00:06:10,560

on our site and on ufos Northwest you

146

00:06:17,060 --> 00:06:14,370

can hear the conversation and the pilot

147

00:06:19,159 --> 00:06:17,070

does say that he asked you wouldn't

148

00:06:21,800 --> 00:06:19,169

happen to know what this a bright orange

149

00:06:24,950 --> 00:06:21,810

square we're flying over is would you

150

00:06:28,250 --> 00:06:24,960

the tower said no I'm not sure is it on

151

00:06:31,280 --> 00:06:28,260

your right side and the pilot says it's

152

00:06:34,520 --> 00:06:31,290

actually directly oh off our nose right

153

00:06:36,650 --> 00:06:34,530

now it's below us what town are we next

154

00:06:39,230 --> 00:06:36,660

to and they said you're near Nephi Utah

155

00:06:40,640 --> 00:06:39,240

and the pilot said okay cool now I'll

156

00:06:43,310 --> 00:06:40,650

see what I can go find

157

00:06:46,610 --> 00:06:43,320

thank you so that's the extent of the

158

00:06:48,560 --> 00:06:46,620

conversation so unfortunately at the

159

00:06:50,240 --> 00:06:48,570

pilot doesn't mention this object you

160

00:06:53,689 --> 00:06:50,250

know following them or being a mile-wide

161

00:06:55,129 --> 00:06:53,699

or even being in the air so it gives the

162

00:06:57,890 --> 00:06:55,139

impression it could possibly be

163

00:07:01,219 --> 00:06:57,900

something on the ground however the

164

00:07:04,249 --> 00:07:01,229

researchers are pretty sure that the

165

00:07:06,529 --> 00:07:04,259

this audio was edited so parts of it

166

00:07:09,860 --> 00:07:06,539

were removed so they don't feel they

167

00:07:11,960 --> 00:07:09,870

have the full audio and then they did

168

00:07:14,600 --> 00:07:11,970

William Puckett did some look at the

169

00:07:17,050 --> 00:07:14,610

radar data and he did find off to the

170

00:07:19,490 --> 00:07:17,060

right of the object just south of Nephi

171

00:07:24,230 --> 00:07:19,500

actually just above the highway there

172

00:07:27,110 --> 00:07:24,240

highway 15 he found some unknown returns

173

00:07:30,439 --> 00:07:27,120

so it was that he also talks about how

174

00:07:32,629 --> 00:07:30,449

these returns were very erratic so kind

175

00:07:37,310 --> 00:07:32,639

of strange like the object perhaps is

176

00:07:40,430 --> 00:07:37,320

tumbling or moving strangely so a great

177

00:07:43,240 --> 00:07:40,440

case it great research to try to confirm

178

00:07:46,730 --> 00:07:43,250

that something did happen Mark Dantonio

179

00:07:49,250 --> 00:07:46,740

of MUFON took a look at the case and he

180

00:07:51,050 --> 00:07:49,260

argues that you know unfortunately the

181

00:07:52,850 --> 00:07:51,060

official story all we have is someone

182

00:07:54,980 --> 00:07:52,860

talking about something below the plane

183

00:07:57,140 --> 00:07:54,990

so there's a couple possibilities it

184

00:07:59,750 --> 00:07:57,150

could be a fire controlled fire on the

185

00:08:02,240 --> 00:07:59,760

ground which would explain what they saw

186

00:08:05,750 --> 00:08:02,250

and radar return to smoke would be the

187

00:08:08,990 --> 00:08:05,760

radar returns however investigators have

188

00:08:11,629 --> 00:08:09,000

retorted and said well that's not the

189

00:08:13,760 --> 00:08:11,639

case because we didn't see the that on

190

00:08:16,879 --> 00:08:13,770

Doppler and this isn't an area where

191

00:08:19,189 --> 00:08:16,889

they can do controlled burns another

192

00:08:22,969 --> 00:08:19,199

researcher suggested it was a perhaps a

193

00:08:25,370 --> 00:08:22,979

nearby power plant but Luke's and

194

00:08:27,230 --> 00:08:25,380

Puckett's say well I think these pilots

195

00:08:29,390 --> 00:08:27,240

having flown in this area many times

196

00:08:31,250 --> 00:08:29,400

would have known of the nuclear power

197

00:08:35,029 --> 00:08:31,260

plant so wouldn't have mistaken that for

198

00:08:38,510 --> 00:08:35,039

something strange and they're still

199

00:08:41,240 --> 00:08:38,520

trying to get more audio and a witness

200

00:08:44,300 --> 00:08:41,250

perhaps maybe even a pilot so they can

201  
00:08:45,890 --> 00:08:44,310  
confirm that the pilot did say you know

202  
00:08:47,900 --> 00:08:45,900  
it was a mile wide and this was

203  
00:08:50,210 --> 00:08:47,910  
something in the air because that's a

204  
00:08:53,940 --> 00:08:50,220  
big key and right now all we have is

205  
00:08:56,790 --> 00:08:53,950  
Daniels word to go on on those aspects

206  
00:08:58,200 --> 00:08:56,800  
out now and why would he even bother to

207  
00:08:58,620 --> 00:08:58,210  
pursue it if it wasn't something like

208  
00:09:02,520 --> 00:08:58,630  
that

209  
00:09:04,740 --> 00:09:02,530  
really and this orange thing on the

210  
00:09:07,410 --> 00:09:04,750  
ground may not have anything at all to

211  
00:09:10,950 --> 00:09:07,420  
do with what he had said possibly

212  
00:09:13,110 --> 00:09:10,960  
earlier about the mile wide thing it's

213  
00:09:15,540 --> 00:09:13,120

possible although it was an orange a

214

00:09:17,430 --> 00:09:15,550

bright orange square he was explaining

215

00:09:20,430 --> 00:09:17,440

as something that was a mile wide

216

00:09:22,760 --> 00:09:20,440

according to Daniel's in what he had

217

00:09:26,550 --> 00:09:22,770

heard in fact that's the only key

218

00:09:30,540 --> 00:09:26,560

between what Daniels reportedly heard

219

00:09:34,500 --> 00:09:30,550

and what is in the audio which appears

220

00:09:38,610 --> 00:09:34,510

to confirm Daniels what he had heard on

221

00:09:41,070 --> 00:09:38,620

the transmission so that confirms that

222

00:09:43,110 --> 00:09:41,080

he heard something odd you know

223

00:09:47,310 --> 00:09:43,120

can we be certain that Daniels isn't

224

00:09:49,890 --> 00:09:47,320

mistaken somehow in his memory we can't

225

00:09:51,720 --> 00:09:49,900

say for sure and you know Daniels I've

226

00:09:55,110 --> 00:09:51,730

heard from multiple sources is a

227

00:09:58,050 --> 00:09:55,120

trustworthy person however you know in

228

00:10:01,020 --> 00:09:58,060

order for this case to really have some

229

00:10:04,320 --> 00:10:01,030

bones to really have more to it will

230

00:10:06,930 --> 00:10:04,330

need some more official verification

231

00:10:09,510 --> 00:10:06,940

that these pilots did feel that they

232

00:10:12,240 --> 00:10:09,520

were observing something peculiar that

233

00:10:15,630 --> 00:10:12,250

was in the air you know yeah that's

234

00:10:17,670 --> 00:10:15,640

that's a pretty good one right yeah it's

235

00:10:19,920 --> 00:10:17,680

a cool case I really like it I really

236

00:10:23,820 --> 00:10:19,930

like the work that was done to confirm

237

00:10:26,160 --> 00:10:23,830

and and it's surprising that the FAA got

238

00:10:27,990 --> 00:10:26,170

back so quickly with a FOIA request now

239

00:10:33,320 --> 00:10:28,000

would you think that it's possible this

240

00:10:35,670 --> 00:10:33,330

pilot would report this to NICAP um

241

00:10:38,840 --> 00:10:35,680

possible but you know it's just a

242

00:10:44,310 --> 00:10:38,850

minority of sightings that are reported

243

00:10:47,910 --> 00:10:44,320

if it was reported I think that Richard

244

00:10:50,010 --> 00:10:47,920

Haines and the other guys at and from

245

00:10:53,810 --> 00:10:50,020

what I understand one of the people who

246

00:10:55,950 --> 00:10:53,820

work with a NAR cap Tedrow I think is

247

00:10:59,420 --> 00:10:55,960

helping out or they've actually

248

00:11:03,150 --> 00:10:59,430

consulted with him on this case so and

249

00:11:06,690 --> 00:11:03,160

they haven't reported having received

250

00:11:07,980 --> 00:11:06,700

any reports on this so hmm all right

251

00:11:10,050 --> 00:11:07,990

sounds like the pilot

252

00:11:12,720 --> 00:11:10,060

kind of was asking you know do you know

253

00:11:14,430 --> 00:11:12,730

what this is they said no but there's an

254

00:11:18,030 --> 00:11:14,440

interesting you know thing is that that

255

00:11:21,030 --> 00:11:18,040

the rate the tower said is this thing

256

00:11:23,970 --> 00:11:21,040

off to your right and some people asked

257

00:11:28,590 --> 00:11:23,980

why did the the tower say that it almost

258

00:11:31,889 --> 00:11:28,600

implies that the tower was referring to

259

00:11:34,230 --> 00:11:31,899

some radar hits or something that they

260

00:11:37,500 --> 00:11:34,240

saw on radar because you know how did he

261

00:11:41,670 --> 00:11:37,510

know that whatever this was was to the

262

00:11:45,329 --> 00:11:41,680

right that's a real good point and I'd

263

00:11:47,100 --> 00:11:45,339

never heard of smoke causing any radar

264

00:11:50,160 --> 00:11:47,110

hits before but I guess it makes sense

265

00:11:51,720 --> 00:11:50,170

if it's dense enough mm-hmm yeah oh yeah

266

00:11:54,240 --> 00:11:51,730

smoke can definitely do that I guess

267

00:11:56,160 --> 00:11:54,250

their argument though is that smoke

268

00:11:58,410 --> 00:11:56,170

would also repair on Doppler and they

269

00:12:02,010 --> 00:11:58,420

did check their Doppler radar and they

270

00:12:07,010 --> 00:12:02,020

didn't see that but there's no argument

271

00:12:10,710 --> 00:12:07,020

that smoke could cause radar hits so

272

00:12:11,190 --> 00:12:10,720

among the experts oh so I guess that's

273

00:12:14,040 --> 00:12:11,200

that

274

00:12:15,990 --> 00:12:14,050

still a possibility but Marcus is just

275

00:12:18,840 --> 00:12:16,000

saying that this is just a possibility

276

00:12:21,810 --> 00:12:18,850

he's exploring but they'll definitely

277

00:12:23,550 --> 00:12:21,820

need on that and to prove if that was

278

00:12:27,389 --> 00:12:23,560

the case I don't need more evidence to

279

00:12:29,180 --> 00:12:27,399

that also so for instance some recording

280

00:12:31,949 --> 00:12:29,190

of a controlled burn in the area or

281

00:12:34,829 --> 00:12:31,959

something like that you know another

282

00:12:38,220 --> 00:12:34,839

thing is a lot of the UFO sightings that

283

00:12:42,240 --> 00:12:38,230

you hear about have create no hits on

284

00:12:44,460 --> 00:12:42,250

radar at all and that happens quite

285

00:12:47,430 --> 00:12:44,470

often actually which is another mystery

286

00:12:49,530 --> 00:12:47,440

within itself you know maybe of course

287

00:12:51,900 --> 00:12:49,540

if they can get here from wherever

288

00:12:53,760 --> 00:12:51,910

they're getting hear from they can

289

00:12:59,370 --> 00:12:53,770

probably be as stealth as they want to

290

00:13:02,699 --> 00:12:59,380

be which probably yeah so what else is

291

00:13:07,050 --> 00:13:02,709

happening so what else this is a story

292

00:13:11,810 --> 00:13:07,060

that Roger Marsh just sent in and posted

293

00:13:15,900 --> 00:13:11,820

at today of an event that took place in

294

00:13:18,780 --> 00:13:15,910

2014 September 12 2014 now it's an old

295

00:13:21,600 --> 00:13:18,790

case we wrote about it on September 15th

296

00:13:25,139 --> 00:13:21,610

of 2014 at open minds

297

00:13:27,480 --> 00:13:25,149

that TV but it is brought up again and

298

00:13:29,519 --> 00:13:27,490

they finally kind of have at least

299

00:13:31,949 --> 00:13:29,529

closed it it's not completely closed

300

00:13:36,810 --> 00:13:31,959

but at they've just decided to to mark

301

00:13:40,470 --> 00:13:36,820

it as an unknown this is a exciting that

302

00:13:43,860 --> 00:13:40,480

actually the story is UFO over Las Vegas

303

00:13:46,050 --> 00:13:43,870

described as moving into a mist and this

304

00:13:48,720 --> 00:13:46,060

witness recorded this video of this

305

00:13:51,810 --> 00:13:48,730

bright object that has like a mist below

306

00:13:54,680 --> 00:13:51,820

it some people described it as a beam of

307

00:13:57,269 --> 00:13:54,690

light that was headed towards the ground

308

00:13:59,819 --> 00:13:57,279

however many experts feel that this

309

00:14:04,560 --> 00:13:59,829

video which is pretty interesting uh is

310

00:14:06,180 --> 00:14:04,570

is most likely a rocket and if you you

311

00:14:07,949 --> 00:14:06,190

know we know more lately since we had

312

00:14:10,829 --> 00:14:07,959

those those really big sightings in

313

00:14:13,319 --> 00:14:10,839

California fairly recently with the

314

00:14:17,600 --> 00:14:13,329

Rockets making these extraordinary you

315

00:14:20,280 --> 00:14:17,610

know huge brightly lit orbs in the sky

316

00:14:22,949 --> 00:14:20,290

and this looks somewhat similar to that

317

00:14:25,470 --> 00:14:22,959

and that was seen across several states

318

00:14:28,889 --> 00:14:25,480

when it happened and it made a lot of

319

00:14:31,949 --> 00:14:28,899

news however what's interesting and this

320

00:14:35,040 --> 00:14:31,959

is noted in the MUFON investigation very

321

00:14:37,740 --> 00:14:35,050

well by the researcher is that the

322

00:14:40,439 --> 00:14:37,750

investigator on this case is that there

323

00:14:43,470 --> 00:14:40,449

was never any conclusion so there were

324

00:14:47,639 --> 00:14:43,480

lots of ideas about what it might have

325

00:14:50,550 --> 00:14:47,649

been and the news pursued these and such

326

00:14:52,949 --> 00:14:50,560

as Vandenberg rocket from Vandenberg a

327

00:14:56,610 --> 00:14:52,959

rocket from a test rocket from a

328

00:14:59,610 --> 00:14:56,620

submarine of the coast of California all

329

00:15:01,829 --> 00:14:59,620

of these different ideas however they

330

00:15:04,139 --> 00:15:01,839

couldn't find that those to be the case

331

00:15:07,560 --> 00:15:04,149

they talked to Vandenberg they talked to

332

00:15:10,500 --> 00:15:07,570

the on Navy and they said nope not ours

333

00:15:12,150 --> 00:15:10,510

not ours so they it was never found what

334

00:15:15,060 --> 00:15:12,160

it might be in fact when I looked at our

335

00:15:17,310 --> 00:15:15,070

story James Oberg who is a space

336

00:15:21,180 --> 00:15:17,320

journalist and a historian he writes a

337

00:15:24,240 --> 00:15:21,190

lot for NBC and and I think mostly for

338

00:15:27,569 --> 00:15:24,250

NBC but also others space.com and stuff

339

00:15:29,550 --> 00:15:27,579

like that he actually often looks at our

340

00:15:32,819 --> 00:15:29,560

stories and he said that it looked like

341

00:15:35,400 --> 00:15:32,829

a pretty standard rocket launch

342

00:15:38,999 --> 00:15:35,410

however the usual suspects

343

00:15:41,519 --> 00:15:39,009

to have alibis this time he said so uh

344

00:15:44,639 --> 00:15:41,529

we still don't know you know who it was

345

00:15:46,920 --> 00:15:44,649

where this rocket came from so it's

346

00:15:49,290 --> 00:15:46,930

still a mystery that is really strange

347

00:15:50,910 --> 00:15:49,300

you would think that it would you know

348

00:15:53,369 --> 00:15:50,920

come right up who it was

349

00:15:55,889 --> 00:15:53,379

yeah I mean it's off the coast of

350

00:15:59,999 --> 00:15:55,899

California for God's sakes I mean no one

351  
00:16:03,389 --> 00:16:00,009  
can like launch a rocket without having

352  
00:16:06,360 --> 00:16:03,399  
any oh I don't want to say you know

353  
00:16:08,579 --> 00:16:06,370  
record of it but no one can just plain

354  
00:16:09,150 --> 00:16:08,589  
launch a rocket without anyone knowing

355  
00:16:13,410 --> 00:16:09,160  
about it

356  
00:16:15,780 --> 00:16:13,420  
and unless it's the enemy yeah I have a

357  
00:16:19,019 --> 00:16:15,790  
feeling that you know if you and I you

358  
00:16:22,769 --> 00:16:19,029  
know went to San Diego let's say and

359  
00:16:25,439 --> 00:16:22,779  
rented a boat and you know launched a

360  
00:16:27,840 --> 00:16:25,449  
rocket off back of mile off the coast or

361  
00:16:30,210 --> 00:16:27,850  
something it would get noticed and

362  
00:16:31,650 --> 00:16:30,220  
they'd figure out it was us and we'd

363  
00:16:33,960 --> 00:16:31,660

probably get in a little bit of trouble

364

00:16:36,119 --> 00:16:33,970

I know but I know this is a type of

365

00:16:37,980 --> 00:16:36,129

trouble I would like to get in so what

366

00:16:40,139 --> 00:16:37,990

are you doing with you yeah because now

367

00:16:42,389 --> 00:16:40,149

I have a shaved head and I'm criminal

368

00:16:44,579 --> 00:16:42,399

likely right you're one of those kind of

369

00:16:48,059 --> 00:16:44,589

you're a bad dude now you're like

370

00:16:49,829 --> 00:16:48,069

asteroids but yes so this is really

371

00:16:53,670 --> 00:16:49,839

weird I mean it could have been a top

372

00:16:57,480 --> 00:16:53,680

secret test you know and so it's kind of

373

00:17:00,960 --> 00:16:57,490

there an unacknowledged test but a test

374

00:17:03,269 --> 00:17:00,970

where the populace could see it it's a

375

00:17:04,289 --> 00:17:03,279

big mystery I think it's so strange it's

376

00:17:07,470 --> 00:17:04,299

really weird

377

00:17:09,569 --> 00:17:07,480

now did you may have said this and I may

378

00:17:10,799 --> 00:17:09,579

have just missed it where other is there

379

00:17:12,990 --> 00:17:10,809

film clips of this

380

00:17:15,559 --> 00:17:13,000

oh there's there are videos and pictures

381

00:17:18,439 --> 00:17:15,569

of this in particular

382

00:17:21,240 --> 00:17:18,449

Rogers writing about one video that

383

00:17:25,409 --> 00:17:21,250

MUFON received and they posted it on

384

00:17:29,669 --> 00:17:25,419

YouTube and it's in our story but I also

385

00:17:33,299 --> 00:17:29,679

put a link to our story on it from 2014

386

00:17:36,360 --> 00:17:33,309

and Jason McClellan had written that

387

00:17:39,440 --> 00:17:36,370

story and he has some video and other

388

00:17:43,560 --> 00:17:39,450

links to some other videos that were

389

00:17:44,510 --> 00:17:43,570

captured of this object in September

390

00:17:47,940 --> 00:17:44,520

2014

391

00:17:49,260 --> 00:17:47,950

excellent well hey thanks so much man

392

00:17:52,640 --> 00:17:49,270

it's always fun to have you

393

00:17:55,170 --> 00:17:52,650

the show hey it's my pleasure buddy

394

00:17:58,440 --> 00:17:55,180

congratulations on you know on having no

395

00:18:00,810 --> 00:17:58,450

hair magic well matching your goal you

396

00:18:03,780 --> 00:18:00,820

probably and actually you probably

397

00:18:05,520 --> 00:18:03,790

raised about a dollar per strand of hair

398

00:18:08,220 --> 00:18:05,530

cuz you really didn't have that many uh

399

00:18:09,930 --> 00:18:08,230

you know what when I saw when I saw what

400

00:18:13,970 --> 00:18:09,940

was left all the gray hair on the floor

401

00:18:17,190 --> 00:18:13,980

it really made me I felt young again

402

00:18:18,030 --> 00:18:17,200

really yeah I feel younger now well

403

00:18:22,620 --> 00:18:18,040

that's good

404

00:18:24,780 --> 00:18:22,630

villa yeah wow you sound like it when

405

00:18:27,660 --> 00:18:24,790

you say yeah now I got a little pep in

406

00:18:30,000 --> 00:18:27,670

my step yeah nice just don't go

407

00:18:31,140 --> 00:18:30,010

committing crime sir I'll try to apply a

408

00:18:33,210 --> 00:18:31,150

Harley or something

409

00:18:35,010 --> 00:18:33,220

yeah well the Harley's uh yeah it's on

410

00:18:39,240 --> 00:18:35,020

layaway but yeah I don't know I'll think

411

00:18:41,460 --> 00:18:39,250

about that but anyway thanks so much and

412

00:18:43,430 --> 00:18:41,470

alright no problem we'll be talking to

413

00:18:45,930 --> 00:18:43,440

you next week talk to you soon Betty

414

00:18:49,200 --> 00:18:45,940

alright everyone so a little bit about

415

00:18:54,330 --> 00:18:49,210

our guest butch has been an independent

416

00:18:56,150 --> 00:18:54,340

researcher since 1989 when he along with

417

00:19:00,390 --> 00:18:56,160

four other people witnessed the UFO of

418

00:19:03,690 --> 00:19:00,400

unbelievable size quietly hovering above

419

00:19:05,670 --> 00:19:03,700

a mountain in Tucson Arizona and it was

420

00:19:07,680 --> 00:19:05,680

totally silent and that's one of the

421

00:19:09,600 --> 00:19:07,690

things that you know baffled me the most

422

00:19:13,410 --> 00:19:09,610

about my own sighting is that it was

423

00:19:16,650 --> 00:19:13,420

silent it was burnt copper in color and

424

00:19:19,710 --> 00:19:16,660

at least three football fields in length

425

00:19:22,500 --> 00:19:19,720

while butch began his own investigation

426  
00:19:27,000 --> 00:19:22,510  
into the UFO phenomena on that very day

427  
00:19:29,520 --> 00:19:27,010  
he joined up MUFON in 2007 and he was

428  
00:19:32,580 --> 00:19:29,530  
able to dig deeper into the past in

429  
00:19:35,520 --> 00:19:32,590  
existing cases and pursue even more

430  
00:19:37,140 --> 00:19:35,530  
on-site investigations but his research

431  
00:19:39,210 --> 00:19:37,150  
was still lacking something and it

432  
00:19:44,040 --> 00:19:39,220  
wasn't getting to the crucial answers

433  
00:19:45,690 --> 00:19:44,050  
that he was seeking it was this time to

434  
00:19:48,240 --> 00:19:45,700  
go about his work in a different manner

435  
00:19:50,880 --> 00:19:48,250  
and after almost a year of serious

436  
00:19:52,680 --> 00:19:50,890  
reflection and consideration which

437  
00:19:55,380 --> 00:19:52,690  
started UFO research center of

438  
00:19:57,300 --> 00:19:55,390

Pennsylvania in 2009 and he brought

439

00:19:59,460 --> 00:19:57,310

together some of the best like-minded

440

00:20:01,740 --> 00:19:59,470

and long time researchers he could find

441

00:20:03,230 --> 00:20:01,750

we'll talk more about that and so hang

442

00:20:37,070 --> 00:20:03,240

on just a minute we'll be right

443

00:20:44,160 --> 00:20:41,130

welcome to the show butch thanks for

444

00:20:46,500 --> 00:20:44,170

having me on thank you and this is

445

00:20:47,610 --> 00:20:46,510

another thing though sometimes that you

446

00:20:49,380 --> 00:20:47,620

know probably shouldn't bring it up at

447

00:20:52,020 --> 00:20:49,390

all but we almost didn't get this thing

448

00:20:54,420 --> 00:20:52,030

together right that's the thing about

449

00:20:57,540 --> 00:20:54,430

live shows you know anything can happen

450

00:21:01,590 --> 00:20:57,550

and my skype wasn't talking to your

451  
00:21:04,070 --> 00:21:01,600  
Skype and phone issues were working on

452  
00:21:07,710 --> 00:21:04,080  
and on and on but we did it we're here

453  
00:21:11,820 --> 00:21:07,720  
yeah I got that Bob that's right so

454  
00:21:14,970 --> 00:21:11,830  
butch I always look around for you know

455  
00:21:18,150 --> 00:21:14,980  
different people in the UFO field and

456  
00:21:21,330 --> 00:21:18,160  
your background was fascinating I

457  
00:21:23,220 --> 00:21:21,340  
watched a new adventure on YouTube and

458  
00:21:25,590 --> 00:21:23,230  
thought you'd be interesting to have in

459  
00:21:27,180 --> 00:21:25,600  
the show and I always like like say it

460  
00:21:29,300 --> 00:21:27,190  
doesn't have to be someone totally

461  
00:21:32,730 --> 00:21:29,310  
mainstream it's always fun to have

462  
00:21:34,260 --> 00:21:32,740  
different views and and it's a you know

463  
00:21:37,170 --> 00:21:34,270

it's one of the reasons I love doing the

464

00:21:40,170 --> 00:21:37,180

show so let's why don't you tell the

465

00:21:42,300 --> 00:21:40,180

listener your background I just told the

466

00:21:44,370 --> 00:21:42,310

story how you got interested in UFOs but

467

00:21:47,850 --> 00:21:44,380

let's hear your your background you you

468

00:21:48,630 --> 00:21:47,860

were involved in criminal investigation

469

00:21:52,050 --> 00:21:48,640

or something like that

470

00:21:54,870 --> 00:21:52,060

law enforcement and then after the

471

00:21:56,310 --> 00:21:54,880

sighting I took an interest in trying to

472

00:21:58,830 --> 00:21:56,320

find out what I actually witnessed there

473

00:22:00,360 --> 00:21:58,840

in Tucson with others I should mention

474

00:22:01,910 --> 00:22:00,370

that every sighting I've ever had I've

475

00:22:08,250 --> 00:22:01,920

never been alone so I know I'm not crazy

476

00:22:10,380 --> 00:22:08,260

and like you said I just I was just

477

00:22:12,030 --> 00:22:10,390

needing to go about it a different way I

478

00:22:14,340 --> 00:22:12,040

wasn't getting the answers I wanted and

479

00:22:17,790 --> 00:22:14,350

after spending a small fortune on a

480

00:22:19,830 --> 00:22:17,800

library and all this other stuff that

481

00:22:21,180 --> 00:22:19,840

you need to do on the Internet and you

482

00:22:22,710 --> 00:22:21,190

know talking to people going to

483

00:22:24,480 --> 00:22:22,720

conferences and this on the other thing

484

00:22:29,640 --> 00:22:24,490

I decided to start the UFO research

485

00:22:31,680 --> 00:22:29,650

center and we started in 2009 with one

486

00:22:36,690 --> 00:22:31,690

group we now have 12 groups two in

487

00:22:42,180 --> 00:22:36,700

Europe and ten in this country Florida

488

00:22:44,280 --> 00:22:42,190

Georgia Utah Oklahoma the name a few all

489

00:22:46,960 --> 00:22:44,290

the researchers involved are all

490

00:22:49,539 --> 00:22:46,970

longtime researchers either you know

491

00:22:52,330 --> 00:22:49,549

on their own or with MUFON they

492

00:22:55,770 --> 00:22:52,340

encompass current and former police

493

00:22:58,440 --> 00:22:55,780

officers we have a federal judge we have

494

00:23:02,230 --> 00:22:58,450

photographic analysts we have

495

00:23:06,990 --> 00:23:02,240

psychiatrists we have private detectives

496

00:23:11,710 --> 00:23:07,000

we have abduction research specialists

497

00:23:13,779 --> 00:23:11,720

and we do it a little differently than

498

00:23:16,120 --> 00:23:13,789

most groups because what we try to do is

499

00:23:18,549 --> 00:23:16,130

prove that something happened or didn't

500

00:23:20,049 --> 00:23:18,559

happen forensic ly because if it didn't

501  
00:23:22,149 --> 00:23:20,059  
couldn't happen forensically then it

502  
00:23:23,649 --> 00:23:22,159  
didn't happen so if somebody tells me

503  
00:23:25,930 --> 00:23:23,659  
that they saw something about the trees

504  
00:23:27,100 --> 00:23:25,940  
at about a thousand feet and then I look

505  
00:23:28,960 --> 00:23:27,110  
at the weather and they find out that

506  
00:23:31,029 --> 00:23:28,970  
there was no visibility whatsoever it

507  
00:23:33,720 --> 00:23:31,039  
was a blowing snowstorm you pretty much

508  
00:23:38,320 --> 00:23:33,730  
know it was you know it up story mm-hmm

509  
00:23:42,159 --> 00:23:38,330  
but when you go out and you spend a day

510  
00:23:43,720 --> 00:23:42,169  
or two or three on a case on site and we

511  
00:23:46,180 --> 00:23:43,730  
have two mobile units here in the state

512  
00:23:47,860 --> 00:23:46,190  
they're fully equipped in fact we just

513  
00:23:51,490 --> 00:23:47,870

replaced the one we got a brand spankin

514

00:23:53,529 --> 00:23:51,500

new one and they have everything in them

515

00:23:58,500 --> 00:23:53,539

from you know built-in laptops and

516

00:24:00,730 --> 00:23:58,510

Internet connections radar every type of

517

00:24:02,110 --> 00:24:00,740

investigative tool that you can need on

518

00:24:04,060 --> 00:24:02,120

the scene of anything I don't care if

519

00:24:07,330 --> 00:24:04,070

it's a paranormal event or a UFO event

520

00:24:08,620 --> 00:24:07,340

or a cryptozoology event we have all the

521

00:24:10,090 --> 00:24:08,630

equipment on there the only difference

522

00:24:12,250 --> 00:24:10,100

between the truck and East Coast on the

523

00:24:13,480 --> 00:24:12,260

east end council meeting sorry which is

524

00:24:14,529 --> 00:24:13,490

parked out in front of my place to the

525

00:24:16,870 --> 00:24:14,539

one that's out in the west end of

526

00:24:19,450 --> 00:24:16,880

Pennsylvania is that we have rappelling

527

00:24:22,419 --> 00:24:19,460

gear in this truck and that other truck

528

00:24:25,360 --> 00:24:22,429

has a dive gear because he's a certified

529

00:24:27,220 --> 00:24:25,370

diver other than that the trucks are

530

00:24:29,620 --> 00:24:27,230

equipped the same we have our own

531

00:24:33,610 --> 00:24:29,630

personal radio channel general we have

532

00:24:35,710 --> 00:24:33,620

actually have six and their regular

533

00:24:40,570 --> 00:24:35,720

everything is either military grade or

534

00:24:43,360 --> 00:24:40,580

police grade and in the units and it

535

00:24:46,270 --> 00:24:43,370

really works out very well because I can

536

00:24:48,850 --> 00:24:46,280

go well we just took a fast trip down to

537

00:24:52,240 --> 00:24:48,860

Virginia to investigate some body parts

538

00:24:53,799 --> 00:24:52,250

that were found and we had everything to

539

00:24:56,440 --> 00:24:53,809

do what we have to do including take DNA

540

00:24:58,720 --> 00:24:56,450

and everything else so I mean there's

541

00:25:00,970 --> 00:24:58,730

very few groups and I would say probably

542

00:25:04,419 --> 00:25:00,980

maybe I don't think there's any up

543

00:25:07,150 --> 00:25:04,429

to do that everybody kind of does the

544

00:25:10,090 --> 00:25:07,160

old talk to the person that made the

545

00:25:15,760 --> 00:25:10,100

report some look at the area some never

546

00:25:20,620 --> 00:25:15,770

go to the area cameras we have infrared

547

00:25:23,380 --> 00:25:20,630

we have television grade video all our

548

00:25:26,620 --> 00:25:23,390

cameras are Nikon or our computers our

549

00:25:28,659 --> 00:25:26,630

Panasonic Toughbook so we have canopies

550

00:25:30,250 --> 00:25:28,669

we have tents we can set up a table with

551  
00:25:32,289 --> 00:25:30,260  
chairs I mean we've got everything we

552  
00:25:34,330 --> 00:25:32,299  
need we can go out we can actually spend

553  
00:25:37,539 --> 00:25:34,340  
seven days in the field without leaving

554  
00:25:39,490 --> 00:25:37,549  
the truck well now where does it where

555  
00:25:44,020 --> 00:25:39,500  
does the money come from to to get these

556  
00:25:46,570 --> 00:25:44,030  
babies on the road uh my pocket really

557  
00:25:51,940 --> 00:25:46,580  
is privately funded yes how we don't

558  
00:25:54,640 --> 00:25:51,950  
take donations we don't we don't solicit

559  
00:25:58,390 --> 00:25:54,650  
any donations and I did that for a

560  
00:26:00,490 --> 00:25:58,400  
reason um you know once you start asking

561  
00:26:01,900 --> 00:26:00,500  
for donations or people you have a donor

562  
00:26:04,210 --> 00:26:01,910  
that's really giving you some serious

563  
00:26:07,690 --> 00:26:04,220

money you're kind of beholden to

564

00:26:09,909 --> 00:26:07,700

somebody and I don't ever want that to

565

00:26:11,110 --> 00:26:09,919

be said about us that you know well the

566

00:26:12,850 --> 00:26:11,120

only reason we're agreeing with him is

567

00:26:14,260 --> 00:26:12,860

because he gave him a check for \$1,000

568

00:26:17,919 --> 00:26:14,270

I'm like I don't everyone here that

569

00:26:23,250 --> 00:26:17,929

sounds like campaign contributions yeah

570

00:26:25,870 --> 00:26:23,260

so we do it on our own now we do take

571

00:26:27,010 --> 00:26:25,880

old equipment that people don't use

572

00:26:29,530 --> 00:26:27,020

anymore because we do have a couple

573

00:26:30,880 --> 00:26:29,540

folks in our group that they just can't

574

00:26:32,440 --> 00:26:30,890

afford to go out and buy equipment so if

575

00:26:34,870 --> 00:26:32,450

somebody wants to donate an old camera

576

00:26:37,480 --> 00:26:34,880

or an old tape player or something a

577

00:26:38,970 --> 00:26:37,490

video cameras I'm like yeah we'll take

578

00:26:41,380 --> 00:26:38,980

that and send it to them

579

00:26:42,760 --> 00:26:41,390

but that's feel that's the only type of

580

00:26:45,010 --> 00:26:42,770

donations we've ever taken I think we

581

00:26:47,380 --> 00:26:45,020

took two cameras and one video camera

582

00:26:49,900 --> 00:26:47,390

and I think somebody son is a bunch of

583

00:26:51,789 --> 00:26:49,910

star maps at one time so that's pretty

584

00:26:54,880 --> 00:26:51,799

much all we've ever taken and I'm really

585

00:26:56,890 --> 00:26:54,890

not really not into that I mean there's

586

00:26:58,600 --> 00:26:56,900

always there's always bad vibes with

587

00:27:01,780 --> 00:26:58,610

that and I just don't want to get

588

00:27:03,250 --> 00:27:01,790

involved in that drama yeah okay now if

589

00:27:05,320 --> 00:27:03,260

anyone wants to call and I do believe

590

00:27:06,970 --> 00:27:05,330

our phone is working you can call and

591

00:27:09,430 --> 00:27:06,980

ask the gas a question if you're

592

00:27:11,500 --> 00:27:09,440

listening live you can jump excuse me

593

00:27:13,630 --> 00:27:11,510

jump in the chat room as well and ask a

594

00:27:14,749 --> 00:27:13,640

question the phone number is six oh

595

00:27:20,419 --> 00:27:14,759

three nine six

596

00:27:22,759 --> 00:27:20,429

7:4 o3o where do you get your your calls

597

00:27:26,589 --> 00:27:22,769

on how does someone get ahold of you

598

00:27:29,709 --> 00:27:26,599

that has witnessed something we have a

599

00:27:34,969 --> 00:27:33,529

WWF or Capcom and there's a contact

600

00:27:37,549 --> 00:27:34,979

thing at the bottom of the page where

601  
00:27:40,849 --> 00:27:37,559  
they can send in their report or if they

602  
00:27:43,719 --> 00:27:40,859  
just want information will do will will

603  
00:27:46,369 --> 00:27:43,729  
analyze photographs for people will

604  
00:27:47,629 --> 00:27:46,379  
research our databases for something

605  
00:27:52,129 --> 00:27:47,639  
maybe somebody's looking for from the

606  
00:27:55,279 --> 00:27:52,139  
past or present tell people where they

607  
00:27:56,779 --> 00:27:55,289  
can get stuff I mean you know we operate

608  
00:27:57,589 --> 00:27:56,789  
a little differently we're pretty much

609  
00:28:00,919 --> 00:27:57,599  
open to everybody

610  
00:28:03,249 --> 00:28:00,929  
we'll help anybody

611  
00:28:08,059 --> 00:28:03,259  
we traveled pretty much all over the

612  
00:28:09,799 --> 00:28:08,069  
eastern half of the country and we do

613  
00:28:11,930 --> 00:28:09,809

conferences we don't charge for that we

614

00:28:15,319 --> 00:28:11,940

do a lot of speaking engagements we

615

00:28:17,449 --> 00:28:15,329

don't charge for that so it works out

616

00:28:20,930 --> 00:28:17,459

very well I mean I think that the

617

00:28:25,519 --> 00:28:20,940

group's years past got away from dealing

618

00:28:27,589 --> 00:28:25,529

with the public um except for yes you

619

00:28:30,319 --> 00:28:27,599

know you know I'm saying they they more

620

00:28:32,059 --> 00:28:30,329

or less deal with the next book they're

621

00:28:34,279 --> 00:28:32,069

going to write or the next white paper

622

00:28:37,189 --> 00:28:34,289

they're going to print and they kind of

623

00:28:39,049 --> 00:28:37,199

left that getting really involved with

624

00:28:43,369 --> 00:28:39,059

the case that kind of went by the

625

00:28:46,639 --> 00:28:43,379

wayside mm-hmm so let's let's hear it as

626  
00:28:49,249 --> 00:28:46,649  
situation where you have used some of

627  
00:28:54,259 --> 00:28:49,259  
this equipment in your your trucks and

628  
00:28:59,419 --> 00:28:54,269  
in trying to solve a situation well a

629  
00:29:00,769 --> 00:28:59,429  
lot of times they are you know the one

630  
00:29:03,109 --> 00:29:00,779  
let's say we're going out and we're

631  
00:29:05,749 --> 00:29:03,119  
going to do a star watch you know we'll

632  
00:29:07,639 --> 00:29:05,759  
set up canopies table get our computers

633  
00:29:10,159 --> 00:29:07,649  
out and set up all the cameras get the

634  
00:29:13,339 --> 00:29:10,169  
infrared out get the get everything out

635  
00:29:15,829 --> 00:29:13,349  
we need and uh that's pretty much done

636  
00:29:17,419 --> 00:29:15,839  
at almost everything we go to not

637  
00:29:19,279 --> 00:29:17,429  
solution we'll set up cameras but if we

638  
00:29:23,809 --> 00:29:19,289

think that you know an individual's

639

00:29:25,940 --> 00:29:23,819

seeing something you know weekly or

640

00:29:28,460 --> 00:29:25,950

monthly or a certain time of the day or

641

00:29:29,720 --> 00:29:28,470

or during a certain

642

00:29:32,060 --> 00:29:29,730

type of weather we've going on the

643

00:29:33,560 --> 00:29:32,070

snowstorms already where a guy said he

644

00:29:35,330 --> 00:29:33,570

kept seeing flashing lights off in the

645

00:29:37,490 --> 00:29:35,340

distance so we went out and we sat in a

646

00:29:39,289 --> 00:29:37,500

truck and we watched and and we got our

647

00:29:42,529 --> 00:29:39,299

photographs and went in there and told

648

00:29:45,289 --> 00:29:42,539

me was watching a tower flashing red and

649

00:29:48,919 --> 00:29:45,299

you know the thing I live on top of a

650

00:29:51,620 --> 00:29:48,929

mountain in another mountain over there

651  
00:29:53,659 --> 00:29:51,630  
is a tower that's flashing and when it's

652  
00:29:55,880 --> 00:29:53,669  
like snow or something like that the

653  
00:29:57,529 --> 00:29:55,890  
light really does carry so I totally

654  
00:30:00,500 --> 00:29:57,539  
understand but you would think that if

655  
00:30:02,510 --> 00:30:00,510  
you live there that you'd be used to

656  
00:30:03,169 --> 00:30:02,520  
that yeah and the guy lived there for

657  
00:30:06,110 --> 00:30:03,179  
like 30 years

658  
00:30:07,250 --> 00:30:06,120  
Oh either he really wasn't paying

659  
00:30:10,580 --> 00:30:07,260  
attention or he never looked in that

660  
00:30:12,169 --> 00:30:10,590  
direction before uh we've recently uh we

661  
00:30:14,240 --> 00:30:12,179  
have a lot of sightings right now a lot

662  
00:30:16,549 --> 00:30:14,250  
of reports not sightings but reports in

663  
00:30:18,770 --> 00:30:16,559

Pennsylvania of a cryptid type of

664

00:30:21,350 --> 00:30:18,780

creature that we've already had one

665

00:30:23,090 --> 00:30:21,360

expedition we got three four five six

666

00:30:24,470 --> 00:30:23,100

more scheduled in different parts of PA

667

00:30:26,600 --> 00:30:24,480

most of them are occurring in central

668

00:30:30,529 --> 00:30:26,610

Pennsylvania of people seeing this

669

00:30:34,190 --> 00:30:30,539

unknown creature of sorts and what we

670

00:30:38,390 --> 00:30:34,200

went out there their technology was beat

671

00:30:40,460 --> 00:30:38,400

because the woods were so thick that I

672

00:30:41,060 --> 00:30:40,470

had one of my guys walk in five steps I

673

00:30:43,100 --> 00:30:41,070

lost him

674

00:30:44,330 --> 00:30:43,110

so cameras would have been useless so it

675

00:30:47,450 --> 00:30:44,340

was just one of those sit for a couple

676  
00:30:48,620 --> 00:30:47,460  
days and listen and see if we could pick

677  
00:30:49,940 --> 00:30:48,630  
up anything that way and we walked

678  
00:30:51,770 --> 00:30:49,950  
around with thermal imaging devices

679  
00:30:55,159 --> 00:30:51,780  
which we have on the trucks and the

680  
00:30:56,870 --> 00:30:55,169  
thermal cameras picked up nothing so but

681  
00:30:59,750 --> 00:30:56,880  
that kind of strange being I was in the

682  
00:31:03,680 --> 00:30:59,760  
middle of 4,500 acres of prime game land

683  
00:31:05,419 --> 00:31:03,690  
I'm just teething with animals and we

684  
00:31:07,520 --> 00:31:05,429  
heard nothing saw nothing didn't hear

685  
00:31:09,110 --> 00:31:07,530  
one sound had nothing recorded on any of

686  
00:31:12,289 --> 00:31:09,120  
the cameras that we did have up like the

687  
00:31:13,940 --> 00:31:12,299  
GoPros and stuff yeah so now we went a

688  
00:31:15,770 --> 00:31:13,950

little different this time we got we

689

00:31:17,750 --> 00:31:15,780

just got cameras and two new cameras

690

00:31:20,289 --> 00:31:17,760

there surveillance cameras and they'll

691

00:31:23,029 --> 00:31:20,299

take a photograph every half second and

692

00:31:25,250 --> 00:31:23,039

they cover 150 degree angle

693

00:31:27,980 --> 00:31:25,260

wide-angle so with two of those we

694

00:31:29,980 --> 00:31:27,990

should be able to pick up pretty large

695

00:31:33,669 --> 00:31:29,990

piece of real estate and photograph it

696

00:31:36,830 --> 00:31:33,679

now I heard Stan talking to Stan Gordon

697

00:31:39,200 --> 00:31:36,840

and there's a you know he was saying how

698

00:31:41,900 --> 00:31:39,210

many different like cryptic things are

699

00:31:45,620 --> 00:31:41,910

going on in Pennsylvania and this

700

00:31:48,440 --> 00:31:45,630

one particular person that was reporting

701  
00:31:51,320 --> 00:31:48,450  
this unusual I think that's what you

702  
00:31:54,260 --> 00:31:51,330  
used what can you describe what they

703  
00:31:55,880 --> 00:31:54,270  
thought they were seeing oh well they

704  
00:31:58,070 --> 00:31:55,890  
all every every report we have everybody

705  
00:31:59,660 --> 00:31:58,080  
describes the same thing uh we don't

706  
00:32:01,340 --> 00:31:59,670  
have anybody that veers off from this

707  
00:32:05,770 --> 00:32:01,350  
original description that we started

708  
00:32:09,740 --> 00:32:05,780  
back in July of 2014 7 8 foot tall

709  
00:32:11,240 --> 00:32:09,750  
massive chest muscular arms with hands

710  
00:32:18,410 --> 00:32:11,250  
uh

711  
00:32:20,810 --> 00:32:18,420  
wolf like head glowing yellow eyes and

712  
00:32:24,380 --> 00:32:20,820  
it stands its ground it does not run it

713  
00:32:25,940 --> 00:32:24,390

does not hide and they're all saying the

714

00:32:29,210 --> 00:32:25,950

same thing and there's no way this could

715

00:32:32,450 --> 00:32:29,220

be some type of hoax nope no way these

716

00:32:33,620 --> 00:32:32,460

people have no idea and what really set

717

00:32:35,030 --> 00:32:33,630

me straight on that in the very

718

00:32:36,620 --> 00:32:35,040

beginning of the research which is in

719

00:32:40,040 --> 00:32:36,630

school and in which third year now is

720

00:32:42,110 --> 00:32:40,050

the fact that I found reports exact

721

00:32:44,180 --> 00:32:42,120

reports but I could match up against the

722

00:32:47,090 --> 00:32:44,190

report that I got two month ago from

723

00:32:49,700 --> 00:32:47,100

1865 in western Pennsylvania well geez

724

00:32:52,670 --> 00:32:49,710

now um someone posted up on the message

725

00:32:53,990 --> 00:32:52,680

board the Jersey you know Jersey Devil

726

00:32:56,810 --> 00:32:54,000

does that have anything to do with this

727

00:32:58,730 --> 00:32:56,820

now totally totally different the this

728

00:33:00,820 --> 00:32:58,740

is more online so they just posted

729

00:33:05,180 --> 00:33:00,830

werewolf yeah yeah you could probably

730

00:33:10,220 --> 00:33:05,190

get it close to more of a werewolf or

731

00:33:12,470 --> 00:33:10,230

maybe a skinwalker um because you know

732

00:33:14,750 --> 00:33:12,480

like Bigfoot they hide and they they

733

00:33:16,850 --> 00:33:14,760

don't want to be seen this thing if you

734

00:33:19,250 --> 00:33:16,860

see it and like the last guy that saw

735

00:33:21,170 --> 00:33:19,260

one he was just walking in and out and

736

00:33:22,640 --> 00:33:21,180

they all take place in a state park no

737

00:33:24,380 --> 00:33:22,650

place outside of a state park do we have

738

00:33:28,100 --> 00:33:24,390

any these were all taken place in

739

00:33:30,140 --> 00:33:28,110

heavily wooded areas game areas and and

740

00:33:34,810 --> 00:33:30,150

state open park areas which are very

741

00:33:37,790 --> 00:33:34,820

large parks and the last guy was

742

00:33:39,920 --> 00:33:37,800

standing less than 30 feet away when he

743

00:33:42,260 --> 00:33:39,930

saw it and it never took his eyes off

744

00:33:45,800 --> 00:33:42,270

him he kept his eyes on it and he

745

00:33:47,540 --> 00:33:45,810

started backing out and it just stared

746

00:33:50,690 --> 00:33:47,550

at him it just followed him all the way

747

00:33:52,790 --> 00:33:50,700

out the trail with its eyes and I mean

748

00:33:54,989 --> 00:33:52,800

this this guy still shakes and shamblers

749

00:33:57,149 --> 00:33:54,999

when he talks to me about it so

750

00:33:59,849 --> 00:33:57,159

I can't imagine seeing something like

751  
00:34:01,289 --> 00:33:59,859  
you know I'm hoped I'm hoping to see

752  
00:34:03,629 --> 00:34:01,299  
something like that but I just don't

753  
00:34:05,700 --> 00:34:03,639  
really to be honest with you and your

754  
00:34:07,320 --> 00:34:05,710  
listeners I don't have any idea what I'm

755  
00:34:09,419 --> 00:34:07,330  
looking at or what I'm looking for

756  
00:34:11,039 --> 00:34:09,429  
because number one you know there's

757  
00:34:13,079 --> 00:34:11,049  
protocols for investigating the

758  
00:34:15,299 --> 00:34:13,089  
paranormal there are protocols for

759  
00:34:17,099 --> 00:34:15,309  
investigating UFO sighting there's no

760  
00:34:20,369 --> 00:34:17,109  
protocol for investigating anything like

761  
00:34:22,440 --> 00:34:20,379  
this right at all yeah and you know the

762  
00:34:23,339 --> 00:34:22,450  
indigenous population of the United

763  
00:34:26,669 --> 00:34:23,349

## States

764

00:34:30,089 --> 00:34:26,679

the Cherokee especially use you know the

765

00:34:33,629 --> 00:34:30,099

wolf is mostly their sightings as a wolf

766

00:34:36,899 --> 00:34:33,639

creature with their skinwalkers

767

00:34:39,180 --> 00:34:36,909

so and skinwalkers are not very nice I

768

00:34:40,950 --> 00:34:39,190

mean they're very dangerous from what

769

00:34:43,200 --> 00:34:40,960

we've gathered from most folks out there

770

00:34:47,849 --> 00:34:43,210

in Oklahoma and from what we've read up

771

00:34:49,859 --> 00:34:47,859

on and you know what it is I have no

772

00:34:50,520 --> 00:34:49,869

idea I'm trying to keep an open mind

773

00:34:52,829 --> 00:34:50,530

about it

774

00:34:54,059 --> 00:34:52,839

and until I get something on film which

775

00:34:57,720 --> 00:34:54,069

is probably all I'm going to be able to

776

00:35:00,180 --> 00:34:57,730

do uh I really don't even know what I'm

777

00:35:05,670 --> 00:35:00,190

looking for now is there any Native

778

00:35:08,309 --> 00:35:05,680

American of culture in that area I want

779

00:35:12,599 --> 00:35:08,319

to ask in one plane you we had no white

780

00:35:15,150 --> 00:35:12,609

men in Pennsylvania until 1754 up until

781

00:35:18,059 --> 00:35:15,160

then this was Indian Territory there

782

00:35:19,710 --> 00:35:18,069

were I believe nine tribes Susquehannock

783

00:35:29,160 --> 00:35:19,720

were the biggest there were Iroquois

784

00:35:31,140 --> 00:35:29,170

mohawk satanic Delaware so the

785

00:35:33,059 --> 00:35:31,150

Susquehanna quer the biggest they were

786

00:35:40,170 --> 00:35:33,069

the warring as tribes they were war with

787

00:35:42,299 --> 00:35:40,180

everybody and you know it's so the place

788

00:35:45,299 --> 00:35:42,309

is full of burial grounds and when we

789

00:35:46,799 --> 00:35:45,309

contacted people of indigenous out in

790

00:35:50,150 --> 00:35:46,809

Oklahoma and talked to a medicine man

791

00:35:53,490 --> 00:35:50,160

and a chief they told us that you know

792

00:35:56,730 --> 00:35:53,500

being that the ground was just loaded

793

00:36:02,990 --> 00:35:56,740

with burial sites that you could be

794

00:36:06,559 --> 00:36:03,000

dealing with a skinwalker that is

795

00:36:08,790 --> 00:36:06,569

basically guarding over those sites and

796

00:36:10,200 --> 00:36:08,800

he warned us right up front

797

00:36:12,420 --> 00:36:10,210

don't touch anything don't take anything

798

00:36:15,600 --> 00:36:12,430

if you do find something don't take it

799

00:36:17,550 --> 00:36:15,610

legally and they sent ups they sent us

800

00:36:18,960 --> 00:36:17,560

some stuff to help protect this which I

801  
00:36:22,320 --> 00:36:18,970  
have no idea what that's all about but

802  
00:36:24,930 --> 00:36:22,330  
we will do what they say and only

803  
00:36:26,940 --> 00:36:24,940  
because I tell what to do I mean I'm

804  
00:36:28,980 --> 00:36:26,950  
just I'm out there throwing technology

805  
00:36:33,450 --> 00:36:28,990  
at something that I don't even know I'm

806  
00:36:36,660 --> 00:36:33,460  
thrown to that I have no idea mmm excuse

807  
00:36:38,580 --> 00:36:36,670  
me pardon me so we we try to stick uh

808  
00:36:40,650 --> 00:36:38,590  
you know this this kind of thing really

809  
00:36:43,740 --> 00:36:40,660  
fascinates me and we do try to stick

810  
00:36:45,150 --> 00:36:43,750  
more to the UFO topic because we have a

811  
00:36:47,670 --> 00:36:45,160  
you know a lot of people listen to the

812  
00:36:50,760 --> 00:36:47,680  
show through that particular reason but

813  
00:36:52,230 --> 00:36:50,770

I don't care if we you know spin off a

814

00:36:55,950 --> 00:36:52,240

little bit here and there on things like

815

00:36:59,880 --> 00:36:55,960

there really is interesting to me and it

816

00:37:02,960 --> 00:36:59,890

just to me it just goes along um - along

817

00:37:06,600 --> 00:37:02,970

with UFOs in a way that is just another

818

00:37:09,210 --> 00:37:06,610

unexplainable you know or and and and

819

00:37:11,790 --> 00:37:09,220

like one person said to me how do we

820

00:37:14,280 --> 00:37:11,800

know that it's not something from a UFO

821

00:37:18,000 --> 00:37:14,290

or from a from the paranormal

822

00:37:20,400 --> 00:37:18,010

right now linking the paranormal at into

823

00:37:22,350 --> 00:37:20,410

one big subject which would be ufology

824

00:37:25,730 --> 00:37:22,360

cryptozoology and of course ghost

825

00:37:28,650 --> 00:37:25,740

hunting is not so far away

826

00:37:30,150 --> 00:37:28,660

there have been paranormal events have

827

00:37:32,550 --> 00:37:30,160

taken place where lights have been seen

828

00:37:34,320 --> 00:37:32,560

in the sky there have been light seeing

829

00:37:37,910 --> 00:37:34,330

the sky where something strange took

830

00:37:44,580 --> 00:37:42,170

crypto sighting or a paranormal event so

831

00:37:47,070 --> 00:37:44,590

I don't think they're that far apart

832

00:37:49,350 --> 00:37:47,080

anymore I mean at one time they had held

833

00:37:51,930 --> 00:37:49,360

their own separate little rooms but I

834

00:37:53,640 --> 00:37:51,940

just don't see that anymore I mean more

835

00:37:57,240 --> 00:37:53,650

and more researchers are trying to

836

00:37:59,820 --> 00:37:57,250

connect a one with the other where I

837

00:38:01,520 --> 00:37:59,830

just read an article where a ghost town

838

00:38:04,140 --> 00:38:01,530

group that's all they do is hunt ghosts

839

00:38:05,820 --> 00:38:04,150

they are now setting up cameras facing

840

00:38:08,250 --> 00:38:05,830

the sky while they're in doing what

841

00:38:10,200 --> 00:38:08,260

they're doing and they're trying to see

842

00:38:12,750 --> 00:38:10,210

if anything goes on in the place that

843

00:38:14,660 --> 00:38:12,760

they're investigating inside if

844

00:38:17,340 --> 00:38:14,670

anything's going on the sky outside

845

00:38:18,150 --> 00:38:17,350

which I thought was a pretty neat trick

846

00:38:21,150 --> 00:38:18,160

huh

847

00:38:22,620 --> 00:38:21,160

Michael excuse me one of the thing that

848

00:38:26,940 --> 00:38:22,630

I think us

849

00:38:29,430 --> 00:38:26,950

gets a little bit of a separation now I

850

00:38:30,989 --> 00:38:29,440

do realize there's a heck of a lot of

851  
00:38:32,910 --> 00:38:30,999  
unexplained things I've had a few things

852  
00:38:34,890 --> 00:38:32,920  
happen in my life that were

853  
00:38:38,839 --> 00:38:34,900  
unexplainable that we're really

854  
00:38:42,479 --> 00:38:38,849  
interesting still are but I think UFOs

855  
00:38:44,670 --> 00:38:42,489  
are a little different in a way that you

856  
00:38:48,380 --> 00:38:44,680  
know the mass sightings the radar

857  
00:38:54,089 --> 00:38:48,390  
returns all that whatever it is that

858  
00:38:58,759 --> 00:38:54,099  
there seem to be so much closer to grasp

859  
00:39:02,130 --> 00:38:58,769  
than some of the other things that we

860  
00:39:03,809 --> 00:39:02,140  
encounter like ghosts and [h\_\_\h] sure

861  
00:39:05,940 --> 00:39:03,819  
and one of the biggest things is I mean

862  
00:39:09,359 --> 00:39:05,950  
you can you can look at tons of evidence

863  
00:39:11,579 --> 00:39:09,369

on UFOs I mean we still get on the

864

00:39:14,960 --> 00:39:11,589

average about seven or eight reports of

865

00:39:18,239 --> 00:39:14,970

glowing orange orbs in in our state

866

00:39:20,839 --> 00:39:18,249

we've got a very good picture one which

867

00:39:29,579 --> 00:39:20,849

was taken by a student at a university

868

00:39:31,349 --> 00:39:29,589

we have it's uh just triangles triangles

869

00:39:33,390 --> 00:39:31,359

and orbs right now in the last I would

870

00:39:39,180 --> 00:39:33,400

say three years are the most that we're

871

00:39:40,799 --> 00:39:39,190

getting reports on last one being one of

872

00:39:43,499 --> 00:39:40,809

my guys who's actually a police officer

873

00:39:45,349 --> 00:39:43,509

was coming home from work and he spotted

874

00:39:47,549 --> 00:39:45,359

one crossing the highway above him and

875

00:39:50,099 --> 00:39:47,559

you know turned around and tried to

876

00:39:53,969 --> 00:39:50,109

follow this but long as he could it was

877

00:39:58,579 --> 00:39:53,979

very very slow or or I know this was a

878

00:40:06,150 --> 00:39:58,589

triangle uh-huh yeah and uh very large

879

00:40:07,799 --> 00:40:06,160

and it just uh he said it was so so

880

00:40:09,959 --> 00:40:07,809

large it had to make a noise but it made

881

00:40:11,370 --> 00:40:09,969

no noise whatsoever because he stopped

882

00:40:12,809 --> 00:40:11,380

the car and got out right along the

883

00:40:14,670 --> 00:40:12,819

highway and he said I didn't hear a

884

00:40:19,819 --> 00:40:14,680

thing and he said it passed right over

885

00:40:24,779 --> 00:40:19,829

top of me and it had two very small

886

00:40:26,549 --> 00:40:24,789

lights in the middle which really

887

00:40:28,380 --> 00:40:26,559

weren't any particular colors that it

888

00:40:32,269 --> 00:40:28,390

was just was like looking at an old lava

889

00:40:34,979 --> 00:40:32,279

lamp if you remember those oh yeah and

890

00:40:36,730 --> 00:40:34,989

then not too long after that sighting we

891

00:40:39,190 --> 00:40:36,740

had another one in

892

00:40:41,800 --> 00:40:39,200

in exeter pennsylvania which is right

893

00:40:45,400 --> 00:40:41,810

down the road from the other side of a

894

00:40:47,440 --> 00:40:45,410

similar object again a triangle but it

895

00:40:51,940 --> 00:40:47,450

was followed by three orbs above it and

896

00:40:53,859 --> 00:40:51,950

the orbs were red in color and they got

897

00:40:56,770 --> 00:40:53,869

some pictures but they used a camera

898

00:40:58,720 --> 00:40:56,780

phone camera and it didn't really really

899

00:41:01,359 --> 00:40:58,730

outline the triangle you can see the you

900

00:41:06,099 --> 00:41:01,369

could see the orbs but not make the out

901

00:41:09,820 --> 00:41:06,109

the the triangle too well yeah

902

00:41:11,590 --> 00:41:09,830

now there's but there was some up on the

903

00:41:13,750 --> 00:41:11,600

chat room the people saying that the one

904

00:41:16,090 --> 00:41:13,760

guy says I missed the saucers I love

905

00:41:18,400 --> 00:41:16,100

that well you know what there there

906

00:41:22,210 --> 00:41:18,410

hasn't been I haven't seen or read of

907

00:41:24,340 --> 00:41:22,220

any reports of saucers in years I mean

908

00:41:32,130 --> 00:41:24,350

they're either coming through as cigar

909

00:41:34,450 --> 00:41:32,140

shape triangle squares yeah orbs um

910

00:41:40,270 --> 00:41:34,460

another one that started popping up

911

00:41:44,830 --> 00:41:40,280

about two years ago was a long flat

912

00:41:47,440 --> 00:41:44,840

rectangle so I don't you know the

913

00:41:49,420 --> 00:41:47,450

classic saucer I haven't seen one of

914

00:41:51,010 --> 00:41:49,430

those reports in years I've seen some

915

00:41:53,230 --> 00:41:51,020

photographs that were taken or

916

00:41:54,970 --> 00:41:53,240

supposedly taken recently but when you

917

00:41:56,290 --> 00:41:54,980

look at the photographs you can you know

918

00:41:59,680 --> 00:41:56,300

and I'll take two five minutes to figure

919

00:42:01,810 --> 00:41:59,690

out that they were photoshopped well you

920

00:42:06,609 --> 00:42:01,820

know that was the sighting I had in 2006

921

00:42:07,900 --> 00:42:06,619

was definitely a disc and you know

922

00:42:09,580 --> 00:42:07,910

you're right I've talked about that a

923

00:42:11,290 --> 00:42:09,590

number of times that it seems like you

924

00:42:15,099 --> 00:42:11,300

know maybe that's the old model and the

925

00:42:18,640 --> 00:42:15,109

new model is the triangle this year's

926  
00:42:21,460 --> 00:42:18,650  
model but no it's really strange I think

927  
00:42:23,440 --> 00:42:21,470  
it's strange that it would change or

928  
00:42:26,590 --> 00:42:23,450  
that would be seeing something different

929  
00:42:30,210 --> 00:42:26,600  
and that could be something simple like

930  
00:42:33,849 --> 00:42:30,220  
if we are being visited from another

931  
00:42:35,470 --> 00:42:33,859  
species out there let's just say I never

932  
00:42:37,840 --> 00:42:35,480  
like to say we are definitely it's

933  
00:42:40,390 --> 00:42:37,850  
definitely extraterrestrial I would say

934  
00:42:42,340 --> 00:42:40,400  
it's most likely or it could be but all

935  
00:42:44,680 --> 00:42:42,350  
you know when you investigate this stuff

936  
00:42:45,550 --> 00:42:44,690  
after a while you better have a really

937  
00:42:50,200 --> 00:42:45,560  
open mind

938  
00:42:51,790 --> 00:42:50,210

because I know I've read things I was

939

00:42:53,380 --> 00:42:51,800

seen things I've been involved in things

940

00:42:55,660 --> 00:42:53,390

that from life of me with all the

941

00:42:58,900 --> 00:42:55,670

technology we have I can't figure out

942

00:43:00,940 --> 00:42:58,910

nobody else can either and I've got 64

943

00:43:02,470 --> 00:43:00,950

people that I can show this to or or

944

00:43:04,780 --> 00:43:02,480

talk to about something and if they

945

00:43:07,150 --> 00:43:04,790

can't come up with anything and I can't

946

00:43:09,460 --> 00:43:07,160

come up with anything you know it's just

947

00:43:10,870 --> 00:43:09,470

another thing it's unexplainable but

948

00:43:13,120 --> 00:43:10,880

when you see something travel across the

949

00:43:14,920 --> 00:43:13,130

sky from Horizon to Horizon zigzagging

950

00:43:17,859 --> 00:43:14,930

all the way in a matter of an eye blink

951  
00:43:21,010 --> 00:43:17,869  
or two that's not ours we don't have

952  
00:43:22,750 --> 00:43:21,020  
anything that fast or you're standing

953  
00:43:24,310 --> 00:43:22,760  
there talking with a state trooper and

954  
00:43:27,520 --> 00:43:24,320  
he said oh what's that you see something

955  
00:43:29,200 --> 00:43:27,530  
zigzagging and it stops drops makes a U

956  
00:43:31,300 --> 00:43:29,210  
and comes back up and then continues on

957  
00:43:32,800 --> 00:43:31,310  
it way and he doesn't think any of the

958  
00:43:34,720 --> 00:43:32,810  
other because he sees them all the time

959  
00:43:38,339 --> 00:43:34,730  
that's the first I've ever seen one of

960  
00:43:40,359 --> 00:43:38,349  
my life like that so you know it's

961  
00:43:42,810 --> 00:43:40,369  
whatever's out there whether it be

962  
00:43:45,970 --> 00:43:42,820  
ufology the paranormal of cryptozoology

963  
00:43:48,720 --> 00:43:45,980

we have answers for some things and we

964

00:43:53,680 --> 00:43:48,730

have others that we have no answers for

965

00:43:55,960 --> 00:43:53,690

yeah yeah I know and you know that

966

00:43:58,690 --> 00:43:55,970

that's one of the main reasons I'd like

967

00:44:01,960 --> 00:43:58,700

to do this show is just to I'm not

968

00:44:05,470 --> 00:44:01,970

thinking that it's most likely that I

969

00:44:09,430 --> 00:44:05,480

will ever know what the heck is going on

970

00:44:12,460 --> 00:44:09,440

but it's always the interesting part is

971

00:44:15,370 --> 00:44:12,470

to explore here people's sightings and

972

00:44:18,040 --> 00:44:15,380

also people's ideas on what they may be

973

00:44:19,390 --> 00:44:18,050

seeing or what they possibly could be

974

00:44:22,180 --> 00:44:19,400

that that's one of the things that

975

00:44:24,310 --> 00:44:22,190

really keeps me in it yeah and and I

976  
00:44:27,040 --> 00:44:24,320  
like I like call myself a skeptical

977  
00:44:28,570 --> 00:44:27,050  
believer because you know without the

978  
00:44:29,290 --> 00:44:28,580  
evidence of proof you're just telling me

979  
00:44:32,500 --> 00:44:29,300  
another story

980  
00:44:40,089 --> 00:44:32,510  
mm-hm and I've heard and read thousands

981  
00:44:43,030 --> 00:44:40,099  
of those so um you know I try to stay on

982  
00:44:44,620 --> 00:44:43,040  
a level path with this you know it could

983  
00:44:46,780 --> 00:44:44,630  
be this it could be that or it could not

984  
00:44:48,579 --> 00:44:46,790  
be this or it could not be that and then

985  
00:44:51,940 --> 00:44:48,589  
you know make up my own mind write my

986  
00:44:52,780 --> 00:44:51,950  
report and that's it now why while we're

987  
00:44:55,440 --> 00:44:52,790  
on this subject

988  
00:44:58,359 --> 00:44:55,450

along these lines why do you think

989

00:45:01,000 --> 00:44:58,369

someone in the science field doesn't

990

00:45:03,310 --> 00:45:01,010

want to try to really look at this hard

991

00:45:05,609 --> 00:45:03,320

now there are some people but it's few

992

00:45:09,759 --> 00:45:05,619

and far between

993

00:45:11,949 --> 00:45:09,769

well it's the same most likely the same

994

00:45:14,049 --> 00:45:11,959

reason that the government is never

995

00:45:16,089 --> 00:45:14,059

going to disclose anything I mean I know

996

00:45:17,380 --> 00:45:16,099

there's a lot of people that say oh well

997

00:45:19,809 --> 00:45:17,390

disclosure is going to happen next week

998

00:45:22,059 --> 00:45:19,819

next month next year you're never going

999

00:45:24,160 --> 00:45:22,069

to have any disclosure because for them

1000

00:45:26,019 --> 00:45:24,170

to disclose they'd have to admit the

1001

00:45:27,910 --> 00:45:26,029

line for the last 50 or so years yeah

1002

00:45:29,499 --> 00:45:27,920

and the same thing happens what

1003

00:45:32,739 --> 00:45:29,509

scientists have been pooh-poohing it now

1004

00:45:34,870 --> 00:45:32,749

for whatever time if it does come that

1005

00:45:39,549 --> 00:45:34,880

those guys their credibility would be

1006

00:45:41,319 --> 00:45:39,559

shot in a millisecond so it's easier to

1007

00:45:45,029 --> 00:45:41,329

stand there and be a skeptic than it is

1008

00:45:48,400 --> 00:45:45,039

to be a approver of truth and evidence

1009

00:45:51,400 --> 00:45:48,410

and even do even then when you do come

1010

00:45:53,079 --> 00:45:51,410

out with proven evidence somebody'll

1011

00:45:55,479 --> 00:45:53,089

come at me and say you manufactured it

1012

00:45:59,469 --> 00:45:55,489

you know it's just a big hassle yeah so

1013

00:46:00,609 --> 00:45:59,479

I I think you know I often laugh people

1014

00:46:02,259 --> 00:46:00,619

say well when do you think they'll be

1015

00:46:04,120 --> 00:46:02,269

disclosure I said when somebody one of

1016

00:46:06,309 --> 00:46:04,130

those things lands in some farmers yard

1017

00:46:09,729 --> 00:46:06,319

and he's smart enough to call the news

1018

00:46:13,809 --> 00:46:09,739

before he calls the police hmm well you

1019

00:46:17,920 --> 00:46:13,819

know I I had a conversation a while ago

1020

00:46:22,660 --> 00:46:17,930

with dr. Melba Ketchum um you know the

1021

00:46:25,509 --> 00:46:22,670

Bigfoot DNA research and you know she

1022

00:46:28,689 --> 00:46:25,519

like just a very nice lady by the way

1023

00:46:31,449 --> 00:46:28,699

and and she just you know threw caution

1024

00:46:36,339 --> 00:46:31,459

to the wind and all her background in

1025

00:46:38,979 --> 00:46:36,349

many years of her work that she she has

1026

00:46:42,189 --> 00:46:38,989

done she can now no longer testify in

1027

00:46:44,439 --> 00:46:42,199

court you know many things because she

1028

00:46:46,420 --> 00:46:44,449

just took this subject seriously and

1029

00:46:49,650 --> 00:46:46,430

that's what can that's what can happen

1030

00:46:51,789 --> 00:46:49,660

and she's had death threats she's had a

1031

00:46:54,699 --> 00:46:51,799

place where she was going to speak

1032

00:46:56,259 --> 00:46:54,709

someone actually bombed it just you know

1033

00:47:01,150 --> 00:46:56,269

prior to when she was going to be there

1034

00:47:04,089 --> 00:47:01,160

mm-hm so it's amazing work

1035

00:47:09,009 --> 00:47:04,099

you know people can just people don't

1036

00:47:12,039 --> 00:47:09,019

want to have anything something big like

1037

00:47:14,019 --> 00:47:12,049

this looked at seriously it seems well

1038

00:47:17,770 --> 00:47:14,029

not while they don't because I mean

1039

00:47:19,150 --> 00:47:17,780

first of all look at how many folks up

1040

00:47:21,430 --> 00:47:19,160

let me put it to you this way I have 12

1041

00:47:23,680 --> 00:47:21,440

books here on my shelf I'm looking at in

1042

00:47:25,660 --> 00:47:23,690

the monks 1,500 of them but there's 12

1043

00:47:27,310 --> 00:47:25,670

on the shelf I keep separately they're

1044

00:47:29,710 --> 00:47:27,320

all written by different authors they're

1045

00:47:33,490 --> 00:47:29,720

all on Roswell crash every one of them

1046

00:47:35,500 --> 00:47:33,500

which one am I supposed to believe avail

1047

00:47:37,420 --> 00:47:35,510

pardon me it they all different

1048

00:47:39,070 --> 00:47:37,430

accountings all different every one is

1049

00:47:44,230 --> 00:47:39,080

different by a different author so which

1050

00:47:49,600 --> 00:47:44,240

one do I believe good point yeah and and

1051

00:47:51,520 --> 00:47:49,610

you have you have this guy says this

1052

00:47:53,110 --> 00:47:51,530

then this guy says well that guy's nuts

1053

00:47:55,390 --> 00:47:53,120

this is what really happened then that

1054

00:47:56,470 --> 00:47:55,400

guy says this guy's crazy because that's

1055

00:47:58,480 --> 00:47:56,480

not what happened the first guy was

1056

00:48:00,730 --> 00:47:58,490

right or sort of right but my idea is

1057

00:48:02,320 --> 00:48:00,740

better and then they wonder why people

1058

00:48:05,530 --> 00:48:02,330

are confused when they talk about UFOs

1059

00:48:07,300 --> 00:48:05,540

so they talk to people about UFOs I mean

1060

00:48:10,750 --> 00:48:07,310

they've been fed garbage for so long

1061

00:48:14,230 --> 00:48:10,760

that you know I would say out of all

1062

00:48:16,270 --> 00:48:14,240

these books there might be a dozen or

1063

00:48:18,700 --> 00:48:16,280

two that I may say would be close to

1064

00:48:20,380 --> 00:48:18,710

factual and then when you find out that

1065

00:48:22,960 --> 00:48:20,390

the people who wrote these books never

1066

00:48:25,660 --> 00:48:22,970

saw a UFO or never went out in the field

1067

00:48:32,560 --> 00:48:25,670

and investigated the UFO that's a little

1068

00:48:34,810 --> 00:48:32,570

disheartening to me yeah I understand

1069

00:48:37,210 --> 00:48:34,820

what you're saying um but I I think

1070

00:48:40,030 --> 00:48:37,220

there are some good people out there

1071

00:48:42,460 --> 00:48:40,040

that are trying to do nothing absolutely

1072

00:48:45,670 --> 00:48:42,470

have you blogging an excellent job MUFON

1073

00:48:48,010 --> 00:48:45,680

has a crapload of good investigators but

1074

00:48:49,930 --> 00:48:48,020

they're kind of hampered because when

1075

00:48:51,520 --> 00:48:49,940

they do an investigation that

1076

00:48:55,240 --> 00:48:51,530

investigation ends when they turn it

1077

00:48:57,340 --> 00:48:55,250

into a CMS file ah well at the end of it

1078

00:48:59,530 --> 00:48:57,350

let's talk a little bit about that you

1079

00:49:02,290 --> 00:48:59,540

know I don't want to MUFON bash but

1080

00:49:04,750 --> 00:49:02,300

there oh no absolutely not but I do get

1081

00:49:07,630 --> 00:49:04,760

I actually do get a lot of contacts from

1082

00:49:09,900 --> 00:49:07,640

people that are that do feel that way

1083

00:49:13,570 --> 00:49:09,910

and feel like a lot of things are not

1084

00:49:18,010 --> 00:49:13,580

available to you know do more work on

1085

00:49:19,390 --> 00:49:18,020

and that's one of the things but people

1086

00:49:21,040 --> 00:49:19,400

have to understand that you know you're

1087

00:49:24,430 --> 00:49:21,050

talking about an organization it's got a

1088

00:49:26,680 --> 00:49:24,440

lot of folks and if they had to equip

1089

00:49:30,799 --> 00:49:26,690

those people and get them all out in the

1090

00:49:34,029 --> 00:49:30,809

field that would be tons of money

1091

00:49:36,529 --> 00:49:34,039

and the independent researchers you know

1092

00:49:38,449 --> 00:49:36,539

like JC Johnson that investigates

1093

00:49:41,029 --> 00:49:38,459

paranormal things on the four corners of

1094

00:49:44,719 --> 00:49:41,039

this country I mean he self-funded and

1095

00:49:46,880 --> 00:49:44,729

he travels all over four states but if

1096

00:49:48,709 --> 00:49:46,890

he was with MUFON or any other large

1097

00:49:50,709 --> 00:49:48,719

group he couldn't do that because

1098

00:49:52,759 --> 00:49:50,719

they're not going to fund him to do that

1099

00:49:55,009 --> 00:49:52,769

you know they wouldn't they're not going

1100

00:50:00,140 --> 00:49:55,019

to fund my \$90,000 truck with equipment

1101

00:50:02,209 --> 00:50:00,150

out there no way so although there are

1102

00:50:04,099 --> 00:50:02,219

and we have MUFON members in my group

1103

00:50:05,569 --> 00:50:04,109

and they're very good and they've been

1104

00:50:09,529 --> 00:50:05,579

there a long time and they know what

1105

00:50:12,979 --> 00:50:09,539

they're doing and uh but I have more I

1106

00:50:15,079 --> 00:50:12,989

give them more access and the benefit of

1107

00:50:18,169 --> 00:50:15,089

having the equipment they need on the

1108

00:50:21,439 --> 00:50:18,179

spur of the moment which I don't think

1109

00:50:22,939 --> 00:50:21,449

MUFON can do till this day they couldn't

1110

00:50:25,549 --> 00:50:22,949

when I was involved as a start team

1111

00:50:26,719 --> 00:50:25,559

member and a chief investigator they

1112

00:50:29,120 --> 00:50:26,729

couldn't do it then and I don't think

1113

00:50:31,459 --> 00:50:29,130

they could do it now so when you were

1114

00:50:34,969 --> 00:50:31,469

when you were an investigator did you

1115

00:50:38,269 --> 00:50:34,979

ever hear any rumblings of you know the

1116

00:50:39,739 --> 00:50:38,279

possible CIA connection with MUFON well

1117

00:50:41,329 --> 00:50:39,749

yeah I think that probably started at

1118

00:50:44,269 --> 00:50:41,339

day number two after they started to

1119

00:50:46,999 --> 00:50:44,279

started move on look everybody's going

1120

00:50:50,449 --> 00:50:47,009

to look for something to discredit

1121

00:50:52,459 --> 00:50:50,459

somebody it doesn't matter they'll say

1122

00:50:59,359 --> 00:50:52,469

you know MUFON is owned by Bob Bigelow

1123

00:51:01,839 --> 00:50:59,369

or MUFON is a government agency in the

1124

00:51:05,029 --> 00:51:01,849

clandestine operation

1125

00:51:07,449 --> 00:51:05,039

MUFON throws away their reports that's

1126

00:51:09,829 --> 00:51:07,459

all silly that's that's not factual

1127

00:51:11,569 --> 00:51:09,839

MUFON is just a big organization that

1128

00:51:13,069 --> 00:51:11,579

collects a lot of data and has a lot of

1129

00:51:16,819 --> 00:51:13,079

investigators out there collecting data

1130

00:51:20,390 --> 00:51:16,829

so as far as that goes

1131

00:51:23,149 --> 00:51:20,400

uh I give them kudos because I mean I

1132

00:51:24,529 --> 00:51:23,159

did it with them I did for them and it

1133

00:51:26,630 --> 00:51:24,539

takes a lot of work and it's

1134

00:51:30,099 --> 00:51:26,640

out-of-pocket expenses not as much as

1135

00:51:32,479 --> 00:51:30,109

doing it on your own but uh it's uh

1136

00:51:34,370 --> 00:51:32,489

they'll be around for a long time I mean

1137

00:51:36,199 --> 00:51:34,380

I know people saying that I've heard and

1138

00:51:41,599 --> 00:51:36,209

I've read on the internet that you know

1139

00:51:44,630 --> 00:51:41,609

they're going to uh you know just

1140

00:51:45,829 --> 00:51:44,640

getting done you know

1141

00:51:47,059 --> 00:51:45,839

they're just going to fold they're going

1142

00:51:48,710 --> 00:51:47,069

to do this it's going to happen next

1143

00:51:50,329 --> 00:51:48,720

month and next month and next one

1144

00:51:51,859 --> 00:51:50,339

that's silly it's just nonsense

1145

00:51:55,910 --> 00:51:51,869

smooth-on will be around a long time

1146

00:51:57,799 --> 00:51:55,920

it's a good operation how they how they

1147

00:51:59,299 --> 00:51:57,809

control all those people is beyond me I

1148

00:52:02,329 --> 00:51:59,309

don't know what they have 3500 members

1149

00:52:04,630 --> 00:52:02,339

or something like that it's uh it's busy

1150

00:52:07,670 --> 00:52:04,640

it's about that's just busy

1151

00:52:11,269 --> 00:52:07,680

yeah now there was we actually had a

1152

00:52:13,880 --> 00:52:11,279

guest on the show and he you know he's

1153

00:52:17,569 --> 00:52:13,890

probably does listen to the show who

1154

00:52:19,970 --> 00:52:17,579

actually had first-hand a firsthand

1155

00:52:23,509 --> 00:52:19,980

incident that happened right in front of

1156

00:52:26,559 --> 00:52:23,519

them was a actual tie at one point this

1157

00:52:29,180 --> 00:52:26,569

is going back into the 1980s were a

1158

00:52:31,250 --> 00:52:29,190

convention if you if if you are

1159

00:52:34,130 --> 00:52:31,260

listening and you are welcome to call in

1160

00:52:38,450 --> 00:52:34,140

and share your story once more he was on

1161

00:52:40,789 --> 00:52:38,460

a while back 6:03 967 403 OS the number

1162

00:52:44,120 --> 00:52:40,799

if anyone wants to call in and ask our

1163

00:52:48,289 --> 00:52:44,130

guest a question so I don't know you

1164

00:52:51,499 --> 00:52:48,299

know I mean I I you know the thing you

1165

00:52:53,180 --> 00:52:51,509

do here is that they were infiltrated or

1166

00:52:55,640 --> 00:52:53,190

whatever because they wanted to know

1167

00:52:57,200 --> 00:52:55,650

what information that was being gathered

1168

00:52:59,809 --> 00:52:57,210

out there whether that's true or whether

1169

00:53:01,309 --> 00:52:59,819

they'd even bother I have no idea why

1170

00:53:03,529 --> 00:53:01,319

would they bother I mean they got the

1171

00:53:05,690 --> 00:53:03,539

CIA the DoD they got spooks all over the

1172

00:53:07,819 --> 00:53:05,700

place they want to find out something

1173

00:53:09,470 --> 00:53:07,829

about you me or anybody else or any any

1174

00:53:10,759 --> 00:53:09,480

group that's out there they could do

1175

00:53:13,370 --> 00:53:10,769

that without them ever knowing about it

1176  
00:53:15,170 --> 00:53:13,380  
they wouldn't have to buy the business

1177  
00:53:18,170 --> 00:53:15,180  
or you know infiltrate the business they

1178  
00:53:19,579 --> 00:53:18,180  
could just do it and your story right

1179  
00:53:21,380 --> 00:53:19,589  
you know they can watch all their email

1180  
00:53:22,609 --> 00:53:21,390  
like I watch every conversation you list

1181  
00:53:24,859 --> 00:53:22,619  
everything they're saying and they

1182  
00:53:26,660 --> 00:53:24,869  
wouldn't know the difference so I think

1183  
00:53:29,329 --> 00:53:26,670  
that's just you know the conspiracy

1184  
00:53:30,859 --> 00:53:29,339  
theorist kind of make me crazy because I

1185  
00:53:33,859 --> 00:53:30,869  
just say might I was just going to ask

1186  
00:53:35,720 --> 00:53:33,869  
you if I sounded like a conspiracy well

1187  
00:53:37,039 --> 00:53:35,730  
you know it could make a conspirator you

1188  
00:53:39,980 --> 00:53:37,049

know give me your birthdate now make a

1189

00:53:41,359 --> 00:53:39,990

conspiracy out of it you know hey you

1190

00:53:44,720 --> 00:53:41,369

can make a conspiracy out of anything

1191

00:53:47,120 --> 00:53:44,730

but the when you want to get to the real

1192

00:53:49,370 --> 00:53:47,130

bottom line you got a deal with fact

1193

00:53:51,740 --> 00:53:49,380

fact in evidence that's what you need

1194

00:53:53,749 --> 00:53:51,750

you need to have the evidence you need

1195

00:53:57,319 --> 00:53:53,759

to have the facts can could it happen

1196

00:53:58,610 --> 00:53:57,329

did it not happen I go to the scene talk

1197

00:54:03,170 --> 00:53:58,620

to the people face-to-face

1198

00:54:05,990 --> 00:54:03,180

I don't do any interviews with anybody

1199

00:54:09,860 --> 00:54:06,000

unless they're out of state or they're

1200

00:54:12,200 --> 00:54:09,870

too far away to go over the internet or

1201  
00:54:15,920 --> 00:54:12,210  
by phone I try to do everything face to

1202  
00:54:18,530 --> 00:54:15,930  
face uh because I can see what they're

1203  
00:54:20,480 --> 00:54:18,540  
talking about I can see what facts are

1204  
00:54:22,670 --> 00:54:20,490  
going to present I'm looking at them

1205  
00:54:24,890 --> 00:54:22,680  
right in the eye you know and they're

1206  
00:54:26,930 --> 00:54:24,900  
showing me what they saw where they saw

1207  
00:54:29,140 --> 00:54:26,940  
it and I can you know do a lot of things

1208  
00:54:31,400 --> 00:54:29,150  
to find out if that could happen or not

1209  
00:54:33,620 --> 00:54:31,410  
that circle in their yard that's been

1210  
00:54:37,460 --> 00:54:33,630  
growing now over the damp season for the

1211  
00:54:40,370 --> 00:54:37,470  
last two years is mold you know Ivan are

1212  
00:54:43,070 --> 00:54:40,380  
you sample of it to show them so it's

1213  
00:54:48,710 --> 00:54:43,080

not a crop circle or it's not a landing

1214

00:54:53,330 --> 00:54:48,720

side of the UFO and um uh you know we've

1215

00:55:00,110 --> 00:54:53,340

investigated a well a little over 2,500

1216

00:55:01,490 --> 00:55:00,120

cases now since 2009 yeah I want to talk

1217

00:55:03,350 --> 00:55:01,500

to you a little bit about some of the

1218

00:55:06,080 --> 00:55:03,360

cases you've investigated but before

1219

00:55:07,670 --> 00:55:06,090

that before you make the trip out to

1220

00:55:11,720 --> 00:55:07,680

actually speak to someone

1221

00:55:13,760 --> 00:55:11,730

what type of preliminary information do

1222

00:55:16,760 --> 00:55:13,770

you need before you actually pack up

1223

00:55:18,170 --> 00:55:16,770

your truck and go there okay what what

1224

00:55:22,820 --> 00:55:18,180

we'll do is we'll of course take the

1225

00:55:24,470 --> 00:55:22,830

original location and then we'll do a

1226

00:55:25,550 --> 00:55:24,480

background on the location see if there

1227

00:55:30,850 --> 00:55:25,560

are any other sightings in that area

1228

00:55:33,530 --> 00:55:30,860

that County that Street or whatever and

1229

00:55:35,870 --> 00:55:33,540

see as try to get as much as we can

1230

00:55:38,270 --> 00:55:35,880

historically doing some background

1231

00:55:41,230 --> 00:55:38,280

research from years back I'll go back

1232

00:55:44,690 --> 00:55:41,240

sometimes in uh five to ten years and

1233

00:55:46,430 --> 00:55:44,700

and you know if there's the same lights

1234

00:55:49,010 --> 00:55:46,440

being seen in the same time in the same

1235

00:55:50,570 --> 00:55:49,020

place over a period of five or ten years

1236

00:55:54,020 --> 00:55:50,580

well then I'm probably dealing with

1237

00:55:55,520 --> 00:55:54,030

something that's man-made uh you know

1238

00:55:58,880 --> 00:55:55,530

especially when somebody gives you

1239

00:56:01,850 --> 00:55:58,890

explicit directions like uh I see in the

1240

00:56:03,290 --> 00:56:01,860

northwest sky every every once a month

1241

00:56:10,040 --> 00:56:03,300

or something like that usually turns out

1242

00:56:12,420 --> 00:56:10,050

to be either a satellite or a planet and

1243

00:56:19,560 --> 00:56:12,430

uh then you have

1244

00:56:21,870 --> 00:56:19,570

a weather is very important and then

1245

00:56:23,820 --> 00:56:21,880

when you get on the scene you know and

1246

00:56:25,620 --> 00:56:23,830

you hear the story now the dis story

1247

00:56:27,360 --> 00:56:25,630

change from the time I got the reports

1248

00:56:29,910 --> 00:56:27,370

of the time now that I'm on the scene

1249

00:56:32,940 --> 00:56:29,920

that's another kicker that gets me you

1250

00:56:35,220 --> 00:56:32,950

know the story changes or we get a meet

1251  
00:56:37,140 --> 00:56:35,230  
to ISM and a meet - ISM is the neighbor

1252  
00:56:38,760 --> 00:56:37,150  
coming over when he sees the truck

1253  
00:56:43,740 --> 00:56:38,770  
parked out front says yeah I saw it me

1254  
00:56:45,300 --> 00:56:43,750  
too I thought so but background research

1255  
00:56:47,430 --> 00:56:45,310  
is very important before you even get to

1256  
00:56:49,290 --> 00:56:47,440  
the get to the scene I mean you have to

1257  
00:56:51,720 --> 00:56:49,300  
know what your what the background is of

1258  
00:56:53,430 --> 00:56:51,730  
the area is there as there an Air Force

1259  
00:56:55,470 --> 00:56:53,440  
Base or is there a testing area for

1260  
00:56:57,120 --> 00:56:55,480  
missiles nearby or is there anything but

1261  
00:56:59,310 --> 00:56:57,130  
nearby that could you know that could

1262  
00:57:01,350 --> 00:56:59,320  
cause what they saw and then you just

1263  
00:57:03,420 --> 00:57:01,360

take it from there and then just follow

1264

00:57:05,070 --> 00:57:03,430

up on it and just keep going until you

1265

00:57:06,510 --> 00:57:05,080

come to your conclusion yeah with

1266

00:57:08,550 --> 00:57:06,520

everything you have invested in your

1267

00:57:09,800 --> 00:57:08,560

time it's you want to make sure no one's

1268

00:57:13,320 --> 00:57:09,810

going to waste it that's for sure

1269

00:57:15,420 --> 00:57:13,330

yeah well and and I don't I've had it

1270

00:57:17,040 --> 00:57:15,430

wasted but sometimes the waste is good

1271

00:57:19,350 --> 00:57:17,050

because something will always come up

1272

00:57:20,820 --> 00:57:19,360

where they'll say well you know the guys

1273

00:57:22,650 --> 00:57:20,830

owns the bar down the street you know he

1274

00:57:24,930 --> 00:57:22,660

saw something one time about any good

1275

00:57:27,030 --> 00:57:24,940

down the bar you talk to that guy you

1276

00:57:28,890 --> 00:57:27,040

know and he may put you in a better

1277

00:57:31,100 --> 00:57:28,900

direction or maybe he'll back up what

1278

00:57:34,530 --> 00:57:31,110

the other guy said or vice-versa

1279

00:57:36,870 --> 00:57:34,540

yeah right now someone just in the

1280

00:57:38,840 --> 00:57:36,880

message room wanted to know what are

1281

00:57:41,370 --> 00:57:38,850

some of the cases you've investigated

1282

00:57:43,950 --> 00:57:41,380

well we have some active ones right now

1283

00:57:45,750 --> 00:57:43,960

that I've been going on for years I see

1284

00:57:50,370 --> 00:57:45,760

a lot of on your chat room but Todd sees

1285

00:57:56,100 --> 00:57:50,380

that's still an ongoing case Todd sees

1286

00:57:59,190 --> 00:57:56,110

case started in 2008 and we've been on

1287

00:58:04,170 --> 00:57:59,200

it ever since we have a cold-case unit

1288

00:58:05,760 --> 00:58:04,180

that works the case and it's a it's

1289

00:58:08,070 --> 00:58:05,770

probably the strangest case I've ever

1290

00:58:10,490 --> 00:58:08,080

investigated on anything I am not

1291

00:58:14,430 --> 00:58:10,500

familiar with it and i'ma give you

1292

00:58:16,620 --> 00:58:14,440

obviously yeah okay Todd cease was a

1293

00:58:18,680 --> 00:58:16,630

gentleman of thirty four years old but

1294

00:58:21,900 --> 00:58:18,690

one morning

1295

00:58:24,540 --> 00:58:21,910

as he did many times during pre deer

1296

00:58:25,870 --> 00:58:24,550

season would get on his ATV and go up

1297

00:58:27,840 --> 00:58:25,880

into the woods very heavily would

1298

00:58:30,400 --> 00:58:27,850

area in Northumberland Pennsylvania and

1299

00:58:34,000 --> 00:58:30,410

look for deer spot gear for the coming

1300

00:58:38,140 --> 00:58:34,010

season he was an avid Archer and uh he

1301  
00:58:42,850 --> 00:58:38,150  
was last seen that day at 1:00 a.m. and

1302  
00:58:43,300 --> 00:58:42,860  
uh got on his ATV and took off into the

1303  
00:58:45,520 --> 00:58:43,310  
woods

1304  
00:58:49,810 --> 00:58:45,530  
and told his wife he'd be back like it

1305  
00:58:52,900 --> 00:58:49,820  
uh he has let me just correct me 39 yeah

1306  
00:58:56,160 --> 00:58:52,910  
okay uh trying to remember everything

1307  
00:58:59,650 --> 00:58:56,170  
about this case from the beginning he

1308  
00:59:02,080 --> 00:58:59,660  
went into the woody wooded area and did

1309  
00:59:03,910 --> 00:59:02,090  
return and at two o'clock the family got

1310  
00:59:06,220 --> 00:59:03,920  
nervous and wife called the police

1311  
00:59:07,840 --> 00:59:06,230  
reported missing family members showed

1312  
00:59:10,810 --> 00:59:07,850  
up brothers father and they all went

1313  
00:59:11,980 --> 00:59:10,820

looking for him son trying to find him

1314

00:59:15,940 --> 00:59:11,990

they couldn't find him they did locate

1315

00:59:18,870 --> 00:59:15,950

the ATV they saw the ATV which was

1316

00:59:21,250 --> 00:59:18,880

approximately one mile from the home

1317

00:59:22,540 --> 00:59:21,260

they brought they could bring it back

1318

00:59:23,950 --> 00:59:22,550

because I couldn't find the keys and

1319

00:59:26,770 --> 00:59:23,960

they wound up telling it back later but

1320

00:59:29,020 --> 00:59:26,780

the search went on about two hundred and

1321

00:59:30,610 --> 00:59:29,030

thirty five searchers we found out with

1322

00:59:32,830 --> 00:59:30,620

the actual searchers that showed up

1323

00:59:34,900 --> 00:59:32,840

which would have been local police too

1324

00:59:36,880 --> 00:59:34,910

far three fire companies to search dog

1325

00:59:39,370 --> 00:59:36,890

teams um

1326

00:59:41,940 --> 00:59:39,380

one cadaver dog and one one set of

1327

00:59:44,890 --> 00:59:41,950

cadaver dogs on one set of bloodhounds

1328

00:59:46,840 --> 00:59:44,900

there was a state police helicopter in

1329

00:59:50,970 --> 00:59:46,850

the sky there were state troopers on the

1330

00:59:53,830 --> 00:59:50,980

scene also many people that knew him a

1331

00:59:56,950 --> 00:59:53,840

lot of folks relatives everybody out

1332

01:00:04,450 --> 00:59:56,960

looking for him and nobody finds this

1333

01:00:07,390 --> 01:00:04,460

guy and a lot of this stuff we have not

1334

01:00:10,660 --> 01:00:07,400

posted very much on this case on the

1335

01:00:13,630 --> 01:00:10,670

internet because it's still ongoing but

1336

01:00:15,760 --> 01:00:13,640

everything that we have gotten on the

1337

01:00:18,610 --> 01:00:15,770

case we don't rely on the original

1338

01:00:20,710 --> 01:00:18,620

reporting of the case which was all

1339

01:00:22,300 --> 01:00:20,720

taken from a newspaper which was

1340

01:00:24,040 --> 01:00:22,310

doctored many times and has now been

1341

01:00:26,770 --> 01:00:24,050

taken off the newspaper archives since

1342

01:00:28,540 --> 01:00:26,780

we've been investigating everything

1343

01:00:31,120 --> 01:00:28,550

we've gotten so far in the last six

1344

01:00:33,130 --> 01:00:31,130

years is in black and white we've had

1345

01:00:35,290 --> 01:00:33,140

everything done where we didn't ask

1346

01:00:37,810 --> 01:00:35,300

anybody for a phone answer we got

1347

01:00:39,640 --> 01:00:37,820

everything on there letterheads

1348

01:00:42,670 --> 01:00:39,650

we have the autopsy

1349

01:00:44,710 --> 01:00:42,680

or we have a toxicology report and what

1350

01:00:47,770 --> 01:00:44,720

happened was that they didn't find him

1351

01:00:53,130 --> 01:00:47,780

the first day the second day they didn't

1352

01:00:56,080 --> 01:00:53,140

find him till it was about 7:00

1353

01:00:59,080 --> 01:00:56,090

something the evening 754 I believe it

1354

01:01:04,590 --> 01:00:59,090

was that the body was located he was

1355

01:01:07,560 --> 01:01:04,600

identified and removed from the scene

1356

01:01:12,790 --> 01:01:07,570

autopsy followed he was found to have

1357

01:01:16,890 --> 01:01:12,800

died of a cocaine technology overdose of

1358

01:01:19,600 --> 01:01:16,900

cocaine now kind of simple thing right

1359

01:01:21,850 --> 01:01:19,610

but it turns out that he had no drug

1360

01:01:24,580 --> 01:01:21,860

abuse background we could find no arrest

1361

01:01:26,200 --> 01:01:24,590

records on a traffic ticket all his

1362

01:01:29,260 --> 01:01:26,210

personal information like on the social

1363

01:01:31,360 --> 01:01:29,270

security death site and military records

1364

01:01:33,310 --> 01:01:31,370

driver's license hunting license none of

1365

01:01:37,870 --> 01:01:33,320

that even appears anymore anywhere he's

1366

01:01:39,790 --> 01:01:37,880

pretty much been wiped clean family

1367

01:01:41,290 --> 01:01:39,800

doesn't talk about family lied to us a

1368

01:01:42,670 --> 01:01:41,300

couple times we caught him on that and

1369

01:01:44,770 --> 01:01:42,680

it's all in black and white I mean it

1370

01:01:46,240 --> 01:01:44,780

was emails back and forth with family

1371

01:01:49,960 --> 01:01:46,250

members

1372

01:01:51,040 --> 01:01:49,970

the coroner lied to us the police lied

1373

01:01:52,600 --> 01:01:51,050

to us police said they were the

1374

01:01:56,620 --> 01:01:52,610

investigating team turned out they

1375

01:02:01,270 --> 01:01:56,630

weren't the state police were the body

1376

01:02:02,080 --> 01:02:01,280

was in how can I say this the body was

1377

01:02:04,710 --> 01:02:02,090

in horrendous

1378

01:02:11,190 --> 01:02:04,720

shape when it was found it was in the

1379

01:02:13,960 --> 01:02:11,200

advanced stages of decomposition and the

1380

01:02:15,970 --> 01:02:13,970

kicker is that this body was only 20

1381

01:02:19,600 --> 01:02:15,980

yards from the house when it was found

1382

01:02:22,510 --> 01:02:19,610

she's so when cocaine play into this

1383

01:02:25,480 --> 01:02:22,520

whole thing well that's what was given

1384

01:02:28,930 --> 01:02:25,490

as the cause of death and it's a mystery

1385

01:02:30,790 --> 01:02:28,940

because he had no background no I did he

1386

01:02:32,710 --> 01:02:30,800

have no background but when we took call

1387

01:02:34,300 --> 01:02:32,720

with toxicology reports and stuff that

1388

01:02:35,770 --> 01:02:34,310

we have directly from where they came

1389

01:02:38,140 --> 01:02:35,780

were supposed to come from the coroner

1390

01:02:40,360 --> 01:02:38,150

we took all out official paperwork to

1391

01:02:43,000 --> 01:02:40,370

other doctors and pathologist

1392

01:02:44,580 --> 01:02:43,010

they said the amount of cocaine degraded

1393

01:02:47,020 --> 01:02:44,590

cocaine that was in his body

1394

01:02:50,200 --> 01:02:47,030

would have killed him within a matter of

1395

01:02:53,380 --> 01:02:50,210

a couple minutes there's no way he could

1396

01:02:55,900 --> 01:02:53,390

have walked from that ATV back to

1397

01:02:58,500 --> 01:02:55,910

his house and besides that if you have a

1398

01:03:00,400 --> 01:02:58,510

decomposing body in the middle of summer

1399

01:03:04,050 --> 01:03:00,410

laying in your backyard

1400

01:03:06,610 --> 01:03:04,060

20-foot from your backdoor and 15 feet

1401

01:03:08,380 --> 01:03:06,620

from the road that all these searchers

1402

01:03:11,110 --> 01:03:08,390

were driving up and walking up to get to

1403

01:03:14,410 --> 01:03:11,120

the search scene didn't smell this guy

1404

01:03:16,360 --> 01:03:14,420

cadaver dogs I work with cadaver dogs

1405

01:03:19,180 --> 01:03:16,370

they can find a body six foot under dirt

1406

01:03:23,920 --> 01:03:19,190

no problem they can find a body under

1407

01:03:26,460 --> 01:03:23,930

water so dead uh I'm going to say this

1408

01:03:29,110 --> 01:03:26,470

to David Pleiades ever look into this

1409

01:03:30,880 --> 01:03:29,120

now do you know David you know

1410

01:03:32,800 --> 01:03:30,890

yeah yeah I know David very well now

1411

01:03:36,040 --> 01:03:32,810

David is more than the missing persons

1412

01:03:40,180 --> 01:03:36,050

yeah and of it this this guy wasn't

1413

01:03:42,400 --> 01:03:40,190

really a missing person but for I forget

1414

01:03:46,540 --> 01:03:42,410

how many hours now off top my head but

1415

01:03:48,940 --> 01:03:46,550

he this is a guy whose background had

1416

01:03:52,750 --> 01:03:48,950

nothing to do with drugs of any types of

1417

01:03:55,480 --> 01:03:52,760

any type and if you wanted to kill this

1418

01:03:57,100 --> 01:03:55,490

guy for whatever reason in that area you

1419

01:03:59,200 --> 01:03:57,110

could walk up in the middle of the night

1420

01:04:01,270 --> 01:03:59,210

or whether he went up there like 5:00

1421

01:04:02,350 --> 01:04:01,280

a.m. or whatever was and shot him in the

1422

01:04:04,030 --> 01:04:02,360

head nobody would have paid any

1423

01:04:06,160 --> 01:04:04,040

attention because the place is loaded

1424

01:04:08,410 --> 01:04:06,170

with rattlesnakes they have the the

1425

01:04:10,030 --> 01:04:08,420

rattlesnake round up there every year so

1426

01:04:12,040 --> 01:04:10,040

gunshots going off day and night in

1427

01:04:13,300 --> 01:04:12,050

those woods means nothing or you could

1428

01:04:17,230 --> 01:04:13,310

have just walked up in him and head with

1429

01:04:20,050 --> 01:04:17,240

a hammer you know yeah so how does how

1430

01:04:22,300 --> 01:04:20,060

does this happen that the guy disappears

1431

01:04:23,920 --> 01:04:22,310

a nobody sees this guy or smells this

1432

01:04:26,530 --> 01:04:23,930

guy well then the family said will it

1433

01:04:27,970 --> 01:04:26,540

rain that day well I was quite quick to

1434

01:04:29,740 --> 01:04:27,980

prove you know I could check that in a

1435

01:04:31,360 --> 01:04:29,750

matter of minutes check that and I said

1436

01:04:33,220 --> 01:04:31,370

yeah it did rain that day she said

1437

01:04:34,810 --> 01:04:33,230

that's why they didn't smell it I said

1438

01:04:36,880 --> 01:04:34,820

well that's a little hard to believe

1439

01:04:41,590 --> 01:04:36,890

because your area for that day only

1440

01:04:44,080 --> 01:04:41,600

received 0.01 inches of rain that

1441

01:04:47,110 --> 01:04:44,090

doesn't even get my windshield wet now

1442

01:04:51,430 --> 01:04:47,120

you know this is this is a becoming

1443

01:04:53,920 --> 01:04:51,440

familiar to me I believe was he liked

1444

01:04:57,370 --> 01:04:53,930

either mangled or something was really

1445

01:05:00,880 --> 01:04:57,380

weird about him as well here's what was

1446

01:05:04,020 --> 01:05:00,890

he like mangled or something no more

1447

01:05:06,910 --> 01:05:04,030

charred someone no in the very very

1448

01:05:07,330 --> 01:05:06,920

first information that came out about

1449

01:05:10,420 --> 01:05:07,340

the

1450

01:05:12,430 --> 01:05:10,430

case was a UFO researcher Peter

1451

01:05:15,820 --> 01:05:12,440

Davenport that was garnering all this

1452

01:05:17,590 --> 01:05:15,830

information from the newspaper and I

1453

01:05:19,210 --> 01:05:17,600

mean the newspaper lady said she was

1454

01:05:21,130 --> 01:05:19,220

even one of the people at in her news

1455

01:05:22,570 --> 01:05:21,140

article original news articles which are

1456

01:05:25,720 --> 01:05:22,580

no longer available she took them all

1457

01:05:27,370 --> 01:05:25,730

off said that she identified him well

1458

01:05:29,110 --> 01:05:27,380

then the chief of police said he

1459

01:05:30,730 --> 01:05:29,120

identified him then the father said he

1460

01:05:34,450 --> 01:05:30,740

identified him then the brother said he

1461

01:05:36,550 --> 01:05:34,460

identified him and then a local police

1462

01:05:38,260 --> 01:05:36,560

officer he he identified so we have all

1463

01:05:40,390 --> 01:05:38,270

these five or six people identified him

1464

01:05:43,000 --> 01:05:40,400

but till this day we do not know who

1465

01:05:46,060 --> 01:05:43,010

identified the body that's really

1466

01:05:47,830 --> 01:05:46,070

strange but and a real attacker case all

1467

01:05:49,270 --> 01:05:47,840

this all his personal information is

1468

01:05:50,170 --> 01:05:49,280

just missing it's gone it's not there

1469

01:05:52,570 --> 01:05:50,180

it's not there

1470

01:05:54,430 --> 01:05:52,580

his a you know on the Social Security

1471

01:05:56,890 --> 01:05:54,440

Death Index which anybody can look up

1472

01:05:58,330 --> 01:05:56,900

look up your grandfather it will have

1473

01:06:00,040 --> 01:05:58,340

who he was married to when he got

1474

01:06:03,430 --> 01:06:00,050

married where he worked where he lived

1475

01:06:06,280 --> 01:06:03,440

uh you know where he was born where he

1476

01:06:07,780 --> 01:06:06,290

went to school and all this information

1477

01:06:10,420 --> 01:06:07,790

how many kids he had the names of the

1478

01:06:11,740 --> 01:06:10,430

kids when they were born that's all in

1479

01:06:15,880 --> 01:06:11,750

the Social Security Death Index you know

1480

01:06:20,320 --> 01:06:15,890

what's on his what a JC's born blah blah

1481

01:06:24,130 --> 01:06:20,330

blah died blah blah blah rest blank very

1482

01:06:26,620 --> 01:06:24,140

unusual that's that's not unusual that's

1483

01:06:29,620 --> 01:06:26,630

outrageous I mean there is nothing about

1484

01:06:32,410 --> 01:06:29,630

this guy now to get to back to the

1485

01:06:38,560 --> 01:06:32,420

beginning of story the day of deciding

1486

01:06:42,100 --> 01:06:38,570

okay a UFO report went in that said that

1487

01:06:44,080 --> 01:06:42,110

there was an object above the power

1488

01:06:46,030 --> 01:06:44,090

lines which is where the ATV was found

1489

01:06:50,340 --> 01:06:46,040

there's a big power lines and runs up

1490

01:06:54,190 --> 01:06:50,350

along his property he has ten acres and

1491

01:06:56,680 --> 01:06:54,200

they two fishermen and one farmer down

1492

01:06:59,260 --> 01:06:56,690

the road say that they see what looks

1493

01:07:02,080 --> 01:06:59,270

like to be a guy in his underwear being

1494

01:07:05,530 --> 01:07:02,090

pulled up into this craft okay and then

1495

01:07:11,470 --> 01:07:05,540

scrap takes off now when he is found

1496

01:07:12,730 --> 01:07:11,480

there are many people saying uh he was

1497

01:07:15,700 --> 01:07:12,740

found like this

1498

01:07:17,650 --> 01:07:15,710

that when he's facing this way in faith

1499

01:07:20,260 --> 01:07:17,660

well in the old times reports tells you

1500

01:07:21,670 --> 01:07:20,270

exactly how he's found he was found in

1501

01:07:23,470 --> 01:07:21,680

his

1502

01:07:27,579 --> 01:07:23,480

cutoff shorts he actually had started

1503

01:07:30,490 --> 01:07:27,589

out with a full body um no what do they

1504

01:07:32,710 --> 01:07:30,500

call them a one-piece suit of camouflage

1505

01:07:35,799 --> 01:07:32,720

because turns out when he's found he is

1506

01:07:40,390 --> 01:07:35,809

found in his cutoff jeans a t-shirt and

1507

01:07:42,730 --> 01:07:40,400

socks so that matches that matches what

1508

01:07:48,460 --> 01:07:42,740

that UFO report said at those gentlemen

1509

01:07:54,240 --> 01:07:48,470

saw now everybody plays off on that says

1510

01:07:56,170 --> 01:07:54,250

well you know this that and whatever and

1511

01:07:58,720 --> 01:07:56,180

I'm just reading some of the comments

1512

01:08:00,280 --> 01:07:58,730

coming across your your thing here it's

1513

01:08:03,940 --> 01:08:00,290

just that the FBI was involved no the

1514

01:08:05,170 --> 01:08:03,950

FBI was not involved and one local law

1515

01:08:07,030 --> 01:08:05,180

enforcement had nothing to do with the

1516

01:08:09,880 --> 01:08:07,040

case whatsoever the case was handled by

1517

01:08:11,440 --> 01:08:09,890

the Pennsylvania State Police right down

1518

01:08:12,849 --> 01:08:11,450

to the viewing of the autopsies and

1519

01:08:18,249 --> 01:08:12,859

taking of evidence from the autopsy

1520

01:08:20,590 --> 01:08:18,259

scene so a lot of stories floated about

1521

01:08:22,240 --> 01:08:20,600

that but I can tell you this when I

1522

01:08:24,189 --> 01:08:22,250

started this investigation I had a

1523

01:08:26,829 --> 01:08:24,199

little half inch binder with about 20

1524

01:08:29,769 --> 01:08:26,839

pages of it I now have two eight-inch

1525

01:08:32,079 --> 01:08:29,779

binders that are filled with with

1526

01:08:34,030 --> 01:08:32,089

documented evidence of what happened who

1527

01:08:36,010 --> 01:08:34,040

said what when it happened who was there

1528

01:08:39,280 --> 01:08:36,020

who wasn't where the body was found

1529

01:08:41,620 --> 01:08:39,290

we've gone to the scene to the house the

1530

01:08:43,450 --> 01:08:41,630

house was taken to sheriff sale after it

1531

01:08:45,280 --> 01:08:43,460

was actually sold by his wife and then

1532

01:08:50,430 --> 01:08:45,290

whoever bought it defaulted on their

1533

01:08:55,450 --> 01:08:53,099

we actually got to walk the property

1534

01:08:58,360 --> 01:08:55,460

photograph and video the property inside

1535

01:09:00,160 --> 01:08:58,370

and out and we found the tree was found

1536

01:09:04,620 --> 01:09:00,170

under it's the only dead tree on the

1537

01:09:09,039 --> 01:09:04,630

property and it's to be exact it's 22.5

1538

01:09:12,400 --> 01:09:09,049

yards from the backdoor yards huh-huh

1539

01:09:14,260 --> 01:09:12,410

and from this road that goes up along

1540

01:09:17,280 --> 01:09:14,270

the house that takes you into the woods

1541

01:09:23,709 --> 01:09:17,290

where he would have went with his ATV to

1542

01:09:26,650 --> 01:09:23,719

go up through there he um what I think

1543

01:09:28,360 --> 01:09:26,660

was 16 feet four inches right edge to

1544

01:09:32,380 --> 01:09:28,370

edge edge of the tree to edge of the

1545

01:09:34,459 --> 01:09:32,390

road now to believe their story or the

1546

01:09:36,620 --> 01:09:34,469

story is being told

1547

01:09:40,009 --> 01:09:36,630

all these researchers had to walk past

1548

01:09:41,479 --> 01:09:40,019

this guy for two days he's in the case

1549

01:09:43,640 --> 01:09:41,489

of advanced decomposition that is

1550

01:09:49,160 --> 01:09:43,650

impossible to happen in that short a

1551

01:09:52,459 --> 01:09:49,170

period of time um early in that way

1552

01:09:55,100 --> 01:09:52,469

doesn't it yeah I mean it's just it's

1553

01:09:59,660 --> 01:09:55,110

it's not it's not it's not strange it's

1554

01:10:02,299 --> 01:09:59,670

bizarre because everybody relates back

1555

01:10:04,040 --> 01:10:02,309

to the original case and even when I

1556

01:10:05,719 --> 01:10:04,050

talked about it originally I was you

1557

01:10:07,600 --> 01:10:05,729

know I was wrong because I didn't have

1558

01:10:11,359 --> 01:10:07,610

that information then that I have now I

1559

01:10:13,969 --> 01:10:11,369

didn't talk to people or family members

1560

01:10:15,830 --> 01:10:13,979

or the coroner or the police or the

1561

01:10:17,209 --> 01:10:15,840

State Police or anything like that we

1562

01:10:20,779 --> 01:10:17,219

just had one of our guys up there last

1563

01:10:22,339 --> 01:10:20,789

April the police he went from police

1564

01:10:24,080 --> 01:10:22,349

station to get information on a FOIA

1565

01:10:25,580 --> 01:10:24,090

request that we sent we've not had one

1566

01:10:28,549 --> 01:10:25,590

FOIA request in that Police Department

1567

01:10:30,109 --> 01:10:28,559

answered not one we haven't had one of

1568

01:10:33,259 --> 01:10:30,119

our FOIA requests answered by the state

1569

01:10:34,549 --> 01:10:33,269

police either we've been told that they

1570

01:10:39,319 --> 01:10:34,559

can't give that information out because

1571

01:10:41,870 --> 01:10:39,329

it is an open case now the death has

1572

01:10:43,430 --> 01:10:41,880

been attributed to cocaine toxicity so

1573

01:10:46,969 --> 01:10:43,440

it's not an open case the death has been

1574

01:10:48,410 --> 01:10:46,979

documented as cocaine toxicity so the

1575

01:10:50,919 --> 01:10:48,420

only way you can keep an open case in

1576

01:10:54,830 --> 01:10:50,929

the state of Pennsylvania his murder

1577

01:10:57,439 --> 01:10:54,840

so murder by who now that takes us in

1578

01:10:59,419 --> 01:10:57,449

another direction did he owe somebody

1579

01:11:01,399 --> 01:10:59,429

money was he messing around studies ye

1580

01:11:03,770 --> 01:11:01,409

or but I mean it looks like they went to

1581

01:11:04,790 --> 01:11:03,780

a great length to you know put that much

1582

01:11:07,580 --> 01:11:04,800

cocaine into a guy

1583

01:11:09,080 --> 01:11:07,590

I mean if using cocaine there are

1584

01:11:11,810 --> 01:11:09,090

certain things that happen to the body I

1585

01:11:16,939 --> 01:11:11,820

mean the heart especially the lungs the

1586

01:11:19,580 --> 01:11:16,949

nose different things fail but they they

1587

01:11:21,489 --> 01:11:19,590

show a telltale sign his body was as

1588

01:11:24,049 --> 01:11:21,499

clean as a pin

1589

01:11:26,779 --> 01:11:24,059

other than scrapes and bruises and bangs

1590

01:11:32,419 --> 01:11:26,789

and knocks and a few lacerations the

1591

01:11:34,939 --> 01:11:32,429

body was pretty much undocumented he had

1592

01:11:37,640 --> 01:11:34,949

no signs of enlarged heart or kidney

1593

01:11:40,520 --> 01:11:37,650

issues or liver issues or or nasal

1594

01:11:44,239 --> 01:11:40,530

issues or throat issues but Getty was

1595

01:11:46,609 --> 01:11:44,249

this according to them this wild cocaine

1596

01:11:48,200 --> 01:11:46,619

using fnatic - when we talked to the boy

1597

01:11:50,060 --> 01:11:48,210

scout I mean the

1598

01:11:51,980 --> 01:11:50,070

little league baseball team that he

1599

01:11:53,900 --> 01:11:51,990

coached for many many years they just

1600

01:11:56,330 --> 01:11:53,910

laughed at us and they said look this

1601

01:11:57,770 --> 01:11:56,340

guy even had the slightest inkling of

1602

01:11:59,120 --> 01:11:57,780

doing any kind of drugs do you think

1603

01:11:59,740 --> 01:11:59,130

we'd let him around these kids you're

1604

01:12:03,880 --> 01:11:59,750

crazy

1605

01:12:06,680 --> 01:12:03,890

he said this guy didn't diet cocaine and

1606

01:12:08,090 --> 01:12:06,690

here's the kicker so from the time the

1607

01:12:10,550 --> 01:12:08,100

body's picked up full of time it hits

1608

01:12:14,660 --> 01:12:10,560

the autopsy table we have 14 hours where

1609

01:12:18,290 --> 01:12:14,670

we don't know where that body is well so

1610

01:12:21,380 --> 01:12:18,300

what a crazy case you're telling me man

1611

01:12:23,660 --> 01:12:21,390

Wow and I know we're going into the

1612

01:12:28,190 --> 01:12:23,670

second hour in a little long into this

1613

01:12:30,500 --> 01:12:28,200

but that's fine I wanted to switch gears

1614

01:12:35,450 --> 01:12:30,510

a little bit but also kind of along this

1615

01:12:36,560 --> 01:12:35,460

same subject I want to talk as I

1616

01:12:38,540 --> 01:12:36,570

mentioned in the beginning of the show

1617

01:12:42,080 --> 01:12:38,550

that we're going to go a bit off the UFO

1618

01:12:44,840 --> 01:12:42,090

topic and that is possibly off the UFO

1619

01:12:47,030 --> 01:12:44,850

topic who knows but human mutilations

1620

01:12:49,610 --> 01:12:47,040

kind of similar but before we get into

1621

01:12:51,350 --> 01:12:49,620

that you mentioned that you also do a

1622

01:12:55,630 --> 01:12:51,360

lot of abduction or you do some

1623

01:12:59,570 --> 01:12:55,640

abduction investigations yeah we do that

1624

01:13:02,030 --> 01:12:59,580

to investigate an abduction must be much

1625

01:13:05,480 --> 01:13:02,040

harder to do than a UFO sighting how

1626

01:13:08,660 --> 01:13:05,490

does that work well abduction cases are

1627

01:13:10,390 --> 01:13:08,670

usually I mean an abduction case that

1628

01:13:12,680 --> 01:13:10,400

really catches your your mind our

1629

01:13:15,290 --> 01:13:12,690

abduction cases that usually come from

1630

01:13:16,910 --> 01:13:15,300

folks that all of a sudden have a

1631

01:13:19,340 --> 01:13:16,920

recollection of something that happened

1632

01:13:20,780 --> 01:13:19,350

20 years ago and they're not involved in

1633

01:13:22,700 --> 01:13:20,790

ufology they don't they wouldn't know

1634

01:13:26,900 --> 01:13:22,710

how to go by ufology book an abduction

1635

01:13:28,880 --> 01:13:26,910

book that they had to UM they're

1636

01:13:30,860 --> 01:13:28,890

distraught they're they're pretty much

1637

01:13:35,000 --> 01:13:30,870

physically mentally destroyed by it

1638

01:13:36,530 --> 01:13:35,010

they're very um they know what they saw

1639

01:13:39,640 --> 01:13:36,540

they know what they went through and

1640

01:13:44,000 --> 01:13:39,650

they describe it in very great detail uh

1641

01:13:46,790 --> 01:13:44,010

they don't as I say they don't flutter

1642

01:13:48,860 --> 01:13:46,800

around with descriptions of what they

1643

01:13:51,200 --> 01:13:48,870

thought may have happened to them uh

1644

01:13:56,000 --> 01:13:51,210

they're pretty much right on the money

1645

01:14:00,200 --> 01:13:56,010

and uh a lot of things happen in

1646

01:14:04,140 --> 01:14:00,210

childhood a lot of things happened

1647

01:14:07,380 --> 01:14:04,150

you know that just you just shaking your

1648

01:14:09,270 --> 01:14:07,390

head you know I mean like wow and when

1649

01:14:11,280 --> 01:14:09,280

you do get into one that's a really good

1650

01:14:14,010 --> 01:14:11,290

case you'll find that it wasn't only

1651  
01:14:16,260 --> 01:14:14,020  
that child that was seemingly abducted

1652  
01:14:17,820 --> 01:14:16,270  
but it was the brother the sister the

1653  
01:14:19,290 --> 01:14:17,830  
mother the uncle the father the

1654  
01:14:23,729 --> 01:14:19,300  
grandfather ran through the whole family

1655  
01:14:25,410 --> 01:14:23,739  
and it's that's when you start bringing

1656  
01:14:27,360 --> 01:14:25,420  
in specialists you know I start bringing

1657  
01:14:29,070 --> 01:14:27,370  
in people that that's all they do you

1658  
01:14:31,350 --> 01:14:29,080  
know I'll take all the initial stuff and

1659  
01:14:33,930 --> 01:14:31,360  
then I'll transmit that to one of our

1660  
01:14:36,060 --> 01:14:33,940  
folks maybe in Florida or Georgia who

1661  
01:14:37,800 --> 01:14:36,070  
that's all they do and have done for

1662  
01:14:40,410 --> 01:14:37,810  
many many years and matter of fact

1663  
01:14:44,100 --> 01:14:40,420

Denise toner one of the folks that this

1664

01:14:46,890 --> 01:14:44,110

runs our Florida group her and Kathleen

1665

01:14:48,690 --> 01:14:46,900

Martin wrote a book together on

1666

01:14:52,410 --> 01:14:48,700

abductions and she's very active with

1667

01:14:55,560 --> 01:14:52,420

MUFON as an abduction us specialist so I

1668

01:14:57,660 --> 01:14:55,570

really take it so far and then I'll turn

1669

01:15:00,990 --> 01:14:57,670

it over to them and if they're busy then

1670

01:15:04,320 --> 01:15:01,000

it'll go to dr. David Jacobs now when

1671

01:15:08,370 --> 01:15:04,330

you were saying you go through all this

1672

01:15:10,770 --> 01:15:08,380

you hear or I hear everywhere that it's

1673

01:15:13,170 --> 01:15:10,780

like more and more and more people yes

1674

01:15:19,229 --> 01:15:13,180

or class and you're seeing that as well

1675

01:15:21,780 --> 01:15:19,239

yes we've had a about a I'm going to say

1676

01:15:23,700 --> 01:15:21,790

to be on the safe side about a 20

1677

01:15:27,680 --> 01:15:23,710

percent increase in the last two years

1678

01:15:30,720 --> 01:15:27,690

of abduction reports well yeah that's

1679

01:15:33,330 --> 01:15:30,730

that's pretty high pretty happy a lot

1680

01:15:35,220 --> 01:15:33,340

and you know I hear the numbers

1681

01:15:37,940 --> 01:15:35,230

sometimes you hear people say you know

1682

01:15:40,500 --> 01:15:37,950

in the possibly in the millions and just

1683

01:15:43,560 --> 01:15:40,510

you know like a percentage of our

1684

01:15:46,940 --> 01:15:43,570

society you know you hear this and I

1685

01:15:49,050 --> 01:15:46,950

don't know you know even if a small tiny

1686

01:15:51,900 --> 01:15:49,060

person well let's just put it this way

1687

01:15:53,970 --> 01:15:51,910

even if one out of those supposed

1688

01:15:57,060 --> 01:15:53,980

millions actually was abducted

1689

01:16:00,120 --> 01:15:57,070

that would be big-time news well when I

1690

01:16:02,040 --> 01:16:00,130

first started doing uh statistics trying

1691

01:16:05,430 --> 01:16:02,050

to find out just about how many people

1692

01:16:06,960 --> 01:16:05,440

were ever reported missing I mean that

1693

01:16:09,600 --> 01:16:06,970

set me back in my chair I couldn't talk

1694

01:16:11,790 --> 01:16:09,610

for 20 minutes I went back to you

1695

01:16:13,440 --> 01:16:11,800

thousand eight i used the NCIC descent

1696

01:16:13,950 --> 01:16:13,450

statistics which is the National Crime

1697

01:16:16,680 --> 01:16:13,960

Information

1698

01:16:19,140 --> 01:16:16,690

Center put out by the FBI that means

1699

01:16:21,360 --> 01:16:19,150

that that when people see a in their

1700

01:16:23,700 --> 01:16:21,370

newspaper or they might get us a blurb

1701

01:16:25,670 --> 01:16:23,710

or something on the internet they'll say

1702

01:16:28,080 --> 01:16:25,680

that you know that such-and-such town

1703

01:16:29,790 --> 01:16:28,090

here's their crime report for the last

1704

01:16:33,930 --> 01:16:29,800

year while they always run a year behind

1705

01:16:35,370 --> 01:16:33,940

so and on that report which every Police

1706

01:16:38,580 --> 01:16:35,380

Department in this country I don't care

1707

01:16:39,660 --> 01:16:38,590

Sheriff State Police local police it

1708

01:16:41,070 --> 01:16:39,670

doesn't matter if they're law

1709

01:16:43,979 --> 01:16:41,080

enforcement they have to fill this form

1710

01:16:46,310 --> 01:16:43,989

out and on the form it'll ask questions

1711

01:16:48,690 --> 01:16:46,320

it's kind of like yes or no or how many

1712

01:16:50,250 --> 01:16:48,700

how many bicycles were stolen how many

1713

01:16:52,020 --> 01:16:50,260

rapes to jab how many murders occurred

1714

01:16:53,670 --> 01:16:52,030

how many gun thefts to jab you know that

1715

01:16:56,720 --> 01:16:53,680

kind of stuff and that's how they tally

1716

01:16:59,970 --> 01:16:56,730

the crime statistics for the country

1717

01:17:01,050 --> 01:16:59,980

okay pretty simple and also on there is

1718

01:17:03,450 --> 01:17:01,060

missing persons reports

1719

01:17:05,220 --> 01:17:03,460

murders runaways the whole bit so I went

1720

01:17:07,320 --> 01:17:05,230

back and researched that it's open to

1721

01:17:14,130 --> 01:17:07,330

the public anybody can do it so I

1722

01:17:16,650 --> 01:17:14,140

started in 1991 and I actually started I

1723

01:17:18,510 --> 01:17:16,660

did the first research in 2008 and I

1724

01:17:20,670 --> 01:17:18,520

came up with it had seven hundred

1725

01:17:24,270 --> 01:17:20,680

seventy eight thousand 164 missing

1726

01:17:26,580 --> 01:17:24,280

persons filed now 95 percent of those

1727

01:17:29,459 --> 01:17:26,590

are found not like David asked about

1728

01:17:31,290 --> 01:17:29,469

that okay about 95 percent are found not

1729

01:17:34,709 --> 01:17:31,300

like David's part were pretty much

1730

01:17:36,350 --> 01:17:34,719

nobody's ever found and now about 75% of

1731

01:17:39,390 --> 01:17:36,360

those are runaways under the age of 18

1732

01:17:42,180 --> 01:17:39,400

about 20 percent are spousal abuse

1733

01:17:44,340 --> 01:17:42,190

murders elderly walkaways ransom you

1734

01:17:47,640 --> 01:17:44,350

know kidnapping that kind stuff but five

1735

01:17:58,290 --> 01:17:47,650

percent 5% are never found so that just

1736

01:18:00,930 --> 01:17:58,300

for 2008 that means that \$38,988 missing

1737

01:18:02,459 --> 01:18:00,940

reports from 1991 and that came up to

1738

01:18:05,130 --> 01:18:02,469

thirteen million eight hundred sixty one

1739

01:18:06,800 --> 01:18:05,140

thousand sixty-five using the same math

1740

01:18:09,330 --> 01:18:06,810

with that 5%

1741

01:18:12,030 --> 01:18:09,340

it showed that six hundred ninety three

1742

01:18:15,420 --> 01:18:12,040

thousand fifty-three people are never

1743

01:18:16,979 --> 01:18:15,430

found no trace man woman child no

1744

01:18:19,440 --> 01:18:16,989

clothing no body no nothing

1745

01:18:21,540 --> 01:18:19,450

they were found like five years later

1746

01:18:23,700 --> 01:18:21,550

would it you know like living somewhere

1747

01:18:27,530 --> 01:18:23,710

yep it would take it off it would take

1748

01:18:31,190 --> 01:18:27,540

off yeah well Oh in 17 years

1749

01:18:35,390 --> 01:18:31,200

you had 40,000 795 people gone off the

1750

01:18:37,760 --> 01:18:35,400

face of this planet totally amazing and

1751

01:18:41,480 --> 01:18:37,770

someone could be say murdered and buried

1752

01:18:43,190 --> 01:18:41,490

or something like yeah yeah yeah but the

1753

01:18:43,790 --> 01:18:43,200

five percent means that they've never

1754

01:18:50,180 --> 01:18:43,800

been found

1755

01:18:54,230 --> 01:18:50,190

no body no parts no clothing no nothing

1756

01:18:57,020 --> 01:18:54,240

and we're not talking about criminals

1757

01:19:00,470 --> 01:18:57,030

here or wild maniacs or anything I we're

1758

01:19:02,660 --> 01:19:00,480

talking about everyday people so now the

1759

01:19:04,700 --> 01:19:02,670

United States does this to the FBI but

1760

01:19:07,400 --> 01:19:04,710

now take a country like say South Africa

1761

01:19:08,960 --> 01:19:07,410

ours just Africa where whole villages

1762

01:19:11,330 --> 01:19:08,970

have disappeared they don't take any

1763

01:19:13,190 --> 01:19:11,340

statistics so well there were 50 people

1764

01:19:15,770 --> 01:19:13,200

in that villager 5,000 people in a

1765

01:19:18,350 --> 01:19:15,780

village they're gone

1766

01:19:20,150 --> 01:19:18,360

China doesn't do it I mean places that

1767

01:19:22,550 --> 01:19:20,160

had this Europe nobody in Europe does

1768

01:19:25,520 --> 01:19:22,560

this so they have no idea how many

1769

01:19:27,310 --> 01:19:25,530

people are missing so if you look at the

1770

01:19:33,350 --> 01:19:27,320

forty thousand seven hundred a year

1771

01:19:36,440 --> 01:19:33,360

since 1991 what's that say about the

1772

01:19:39,890 --> 01:19:36,450

rest of the world I mean that's crazy

1773

01:19:43,250 --> 01:19:39,900

yeah yeah it's amazing really is and it

1774

01:19:44,390 --> 01:19:43,260

it's pretty scary actually yesterday to

1775

01:19:47,870 --> 01:19:44,400

think about it

1776

01:19:50,270 --> 01:19:47,880

so now I heard one of the lectures I

1777

01:19:54,620 --> 01:19:50,280

listen to what you were talking about

1778

01:19:56,510 --> 01:19:54,630

you got into the human mutilations and

1779

01:19:59,650 --> 01:19:56,520

where do you think the connections how

1780

01:20:02,530 --> 01:19:59,660

does all that fit into everything well

1781

01:20:06,380 --> 01:20:02,540

back in the early 60s

1782

01:20:08,390 --> 01:20:06,390

rumors were all about you know they came

1783

01:20:12,530 --> 01:20:08,400

to the forefront of human corpses were

1784

01:20:15,050 --> 01:20:12,540

being found with strange wounds like the

1785

01:20:18,080 --> 01:20:15,060

type the same type found in cattle

1786

01:20:19,730 --> 01:20:18,090

cattle mutilations and they were just

1787

01:20:21,530 --> 01:20:19,740

dismissed as in bad taste by most

1788

01:20:24,680 --> 01:20:21,540

ufologist nobody want to get involved in

1789

01:20:26,890 --> 01:20:24,690

that until today is so the black part of

1790

01:20:29,420 --> 01:20:26,900

ufology that's really never talked about

1791

01:20:30,980 --> 01:20:29,430

but I started looking into it because I

1792

01:20:32,840 --> 01:20:30,990

was looking at actually cattle

1793

01:20:35,300 --> 01:20:32,850

mutilations and I started coming up with

1794

01:20:37,820 --> 01:20:35,310

all these cases I felt like well there's

1795

01:20:39,500 --> 01:20:37,830

a lot of cases here so the one that

1796

01:20:41,820 --> 01:20:39,510

really struck home right off the get-go

1797

01:20:45,510 --> 01:20:41,830

is a Guate prying a dam and

1798

01:20:49,170 --> 01:20:45,520

Zil case and took place in 1988 the

1799

01:20:53,850 --> 01:20:49,180

guada prank dam is a man-made dam that

1800

01:20:57,510 --> 01:20:53,860

supplies water to San Paolo a very great

1801  
01:20:59,310 --> 01:20:57,520  
fishing spot for the locals also so

1802  
01:21:01,350 --> 01:20:59,320  
couple guys in a boat brought doing

1803  
01:21:03,630 --> 01:21:01,360  
their fishing thing and they spot what

1804  
01:21:06,510 --> 01:21:03,640  
they see is a body looks like a body on

1805  
01:21:08,250 --> 01:21:06,520  
the shore so instead of being like most

1806  
01:21:12,060 --> 01:21:08,260  
people would go check it out these guys

1807  
01:21:14,420 --> 01:21:12,070  
went and got the cops so the cops showed

1808  
01:21:16,740 --> 01:21:14,430  
up and they show up with a forensic team

1809  
01:21:20,160 --> 01:21:16,750  
yay for our side that doesn't usually

1810  
01:21:24,450 --> 01:21:20,170  
happen so at the crime scene

1811  
01:21:27,330 --> 01:21:24,460  
this guy is found with the following

1812  
01:21:31,080 --> 01:21:27,340  
items surgically removed his eyes his

1813  
01:21:34,050 --> 01:21:31,090

left ear is inner ear lower jaw inner

1814

01:21:35,460 --> 01:21:34,060

throat and tongue there are one inch to

1815

01:21:37,050 --> 01:21:35,470

one and a half inch holes in the

1816

01:21:39,960 --> 01:21:37,060

following areas of his body which were

1817

01:21:42,630 --> 01:21:39,970

the muscle tissue glands all removed

1818

01:21:44,760 --> 01:21:42,640

shoulder chest navel thigh testicles

1819

01:21:48,050 --> 01:21:44,770

removed prostrate Granberry prostrate

1820

01:21:50,400 --> 01:21:48,060

gland was removed via the urethral tube

1821

01:21:52,350 --> 01:21:50,410

intestines were removed via a hole in

1822

01:21:55,050 --> 01:21:52,360

the navel anus was cored out to the

1823

01:21:56,700 --> 01:21:55,060

colon Bobby presented no signs of

1824

01:21:57,420 --> 01:21:56,710

bloating which in itself I think is

1825

01:21:59,250 --> 01:21:57,430

pretty remarkable

1826

01:22:01,410 --> 01:21:59,260

due to the heat in that area at that

1827

01:22:03,420 --> 01:22:01,420

time of year he should have been blown

1828

01:22:06,150 --> 01:22:03,430

up like a balloon and there was no body

1829

01:22:08,910 --> 01:22:06,160

odor whatsoever neither was there any

1830

01:22:10,830 --> 01:22:08,920

blood found at the scene of and some

1831

01:22:19,290 --> 01:22:10,840

speckles of blood around the round the

1832

01:22:20,910 --> 01:22:19,300

wounds themselves he is laying there all

1833

01:22:22,770 --> 01:22:20,920

the photos are taken the body was never

1834

01:22:25,140 --> 01:22:22,780

touched til everything was done so it

1835

01:22:29,250 --> 01:22:25,150

was really done properly in the right

1836

01:22:32,940 --> 01:22:29,260

order and then we get the autopsy report

1837

01:22:35,790 --> 01:22:32,950

which was made public years before yours

1838

01:22:38,340 --> 01:22:35,800

afterwards and the death was due to

1839

01:22:41,010 --> 01:22:38,350

massive trauma now that I guess so the

1840

01:22:44,010 --> 01:22:41,020

really strange parts about this is just

1841

01:22:47,280 --> 01:22:44,020

the opposite of Todd sees this guy was

1842

01:22:48,870 --> 01:22:47,290

Todd was dead 42 I forget 40 to 44 so

1843

01:22:51,180 --> 01:22:48,880

I'm like at 50 hours or something like

1844

01:22:53,850 --> 01:22:51,190

that but the time of death placed on

1845

01:22:55,180 --> 01:22:53,860

this guy was 40 to 70 72 hours before

1846

01:22:59,410 --> 01:22:55,190

discovery

1847

01:23:01,450 --> 01:22:59,420

no no bloating no livor mortis no rigor

1848

01:23:05,170 --> 01:23:01,460

mortis no noticeable blood at the scene

1849

01:23:11,560 --> 01:23:05,180

and one of the things that pops up in

1850

01:23:15,820 --> 01:23:11,570

the autopsy report is the term vital

1851  
01:23:17,530 --> 01:23:15,830  
reaction now vital reaction would use a

1852  
01:23:19,360 --> 01:23:17,540  
lot of lawyers police use that because

1853  
01:23:21,790 --> 01:23:19,370  
vital the term vital reaction really

1854  
01:23:23,950 --> 01:23:21,800  
indicates the response of a living body

1855  
01:23:25,090 --> 01:23:23,960  
tissue to an injury so if I take a knife

1856  
01:23:26,590 --> 01:23:25,100  
and I stab you in the arm you're going

1857  
01:23:27,670 --> 01:23:26,600  
to pull away well when you pull away

1858  
01:23:29,979 --> 01:23:27,680  
you're going to cause some ripping

1859  
01:23:33,970 --> 01:23:29,989  
tearing blacking blue around the wound

1860  
01:23:37,450 --> 01:23:33,980  
and stuff like that and it's really a

1861  
01:23:39,790 --> 01:23:37,460  
importance in forensic medicine it was

1862  
01:23:42,310 --> 01:23:39,800  
it really it helps to attempt to

1863  
01:23:44,170 --> 01:23:42,320

establish that an injury was inflicted

1864

01:23:45,459 --> 01:23:44,180

before death or after death so in other

1865

01:23:46,720 --> 01:23:45,469

words if you're dead and I take a knife

1866

01:23:48,670 --> 01:23:46,730

and stick it it's going to be a hole

1867

01:23:52,410 --> 01:23:48,680

from the knife no blood no bleeding no

1868

01:23:56,320 --> 01:23:52,420

black and blue or anything like that but

1869

01:24:00,670 --> 01:23:56,330

one of the things that vital reaction

1870

01:24:02,380 --> 01:24:00,680

does mean is that in this case when they

1871

01:24:04,900 --> 01:24:02,390

did the autopsy when they removed the

1872

01:24:07,860 --> 01:24:04,910

skull they saw massive hematomas many

1873

01:24:13,930 --> 01:24:07,870

hematomas very small but many of them

1874

01:24:16,150 --> 01:24:13,940

that would only be found in a very like

1875

01:24:18,430 --> 01:24:16,160

say a crushing injury where somebody was

1876

01:24:19,660 --> 01:24:18,440

pinned in a car or crushed against a

1877

01:24:21,370 --> 01:24:19,670

wall with a piece of machinery they

1878

01:24:22,900 --> 01:24:21,380

didn't die right away they were alive in

1879

01:24:24,250 --> 01:24:22,910

all this pain you know they're going

1880

01:24:26,080 --> 01:24:24,260

through all this pain agony in their

1881

01:24:28,830 --> 01:24:26,090

brain you know and all of a sudden these

1882

01:24:34,420 --> 01:24:28,840

small blood vessels start to burst and

1883

01:24:37,479 --> 01:24:34,430

uh that really means that when this took

1884

01:24:38,860 --> 01:24:37,489

place when this guy was I'll use

1885

01:24:44,620 --> 01:24:38,870

butchered for a better adhesive any

1886

01:24:47,920 --> 01:24:44,630

other word he was alive oh now we have

1887

01:24:49,780 --> 01:24:47,930

one animal mutilation like that the case

1888

01:24:51,430 --> 01:24:49,790

of snippy I can remember snippy's real

1889

01:24:54,130 --> 01:24:51,440

name but that was the name the newspaper

1890

01:24:55,510 --> 01:24:54,140

okay this this this horse the

1891

01:24:59,590 --> 01:24:55,520

investigators are on the scene and

1892

01:25:00,760 --> 01:24:59,600

horses laying on his side and the one

1893

01:25:03,939 --> 01:25:00,770

investigator says there's something

1894

01:25:05,620 --> 01:25:03,949

strange here he says in his words he

1895

01:25:08,250 --> 01:25:05,630

said you know the eyes were removed and

1896

01:25:09,750 --> 01:25:08,260

the viscous fluid should have

1897

01:25:10,890 --> 01:25:09,760

off the horse laying on the slept it

1898

01:25:13,439 --> 01:25:10,900

should have ran off to the left side

1899

01:25:15,000 --> 01:25:13,449

correct and the guy goes yeah he said

1900

01:25:17,310 --> 01:25:15,010

well look at this and he's looking at

1901

01:25:19,770 --> 01:25:17,320

the horse and the viscous fluid actually

1902

01:25:22,229 --> 01:25:19,780

ran straight down the nose and pause the

1903

01:25:24,890 --> 01:25:22,239

end of the nose so the horse was upright

1904

01:25:30,089 --> 01:25:24,900

when his eyes were removed

1905

01:25:32,629 --> 01:25:30,099

she's so the horse was alive God now

1906

01:25:35,100 --> 01:25:32,639

there's a researcher in Puerto Rico

1907

01:25:37,290 --> 01:25:35,110

who's working on this now for about I

1908

01:25:39,919 --> 01:25:37,300

don't know how many years probably allow

1909

01:25:43,890 --> 01:25:39,929

holding them alive maybe and he says uh

1910

01:25:49,560 --> 01:25:43,900

he thinks that the our space brethren

1911

01:25:52,290 --> 01:25:49,570

are going after endorphins now what

1912

01:25:55,620 --> 01:25:52,300

causes endorphins if I run up to you and

1913

01:25:57,689 --> 01:25:55,630

I say damn Martin here's a million

1914

01:25:59,669 --> 01:25:57,699

dollar check it's all yours cash just go

1915

01:26:02,459 --> 01:25:59,679

spend it your endorphins are going to go

1916

01:26:03,899 --> 01:26:02,469

nuts right they're just the same yeah it

1917

01:26:06,299 --> 01:26:03,909

happened same thing would happen if I

1918

01:26:08,399 --> 01:26:06,309

put your hand and meat in a vise and

1919

01:26:10,950 --> 01:26:08,409

start to turn the vise closed your

1920

01:26:14,490 --> 01:26:10,960

endorphins would go crazy so it's a good

1921

01:26:18,000 --> 01:26:14,500

reaction bad reaction and he's trying to

1922

01:26:20,640 --> 01:26:18,010

put this together with these human

1923

01:26:22,319 --> 01:26:20,650

mutilations now there are a number of

1924

01:26:25,259 --> 01:26:22,329

mutilations that have taken place I mean

1925

01:26:27,120 --> 01:26:25,269

there's a number of cases they've had

1926

01:26:29,850 --> 01:26:27,130

them they've been documented back in

1927

01:26:32,490 --> 01:26:29,860

over in England back into the 14th 15th

1928

01:26:35,669 --> 01:26:32,500

century where they found of you know a

1929

01:26:37,500 --> 01:26:35,679

local who disappeared in 24 hours later

1930

01:26:39,600 --> 01:26:37,510

somebody found them hanging in a tree

1931

01:26:42,060 --> 01:26:39,610

and he had these strange holes in his

1932

01:26:49,370 --> 01:26:42,070

body and parts of the body interior were

1933

01:26:56,160 --> 01:26:51,689

another case that was really fascinating

1934

01:26:57,740 --> 01:26:56,170

I did get to talk to the the lawyer that

1935

01:27:03,000 --> 01:26:57,750

was handling the case for the gentleman

1936

01:27:05,220 --> 01:27:03,010

was in Cairo Egypt in an area called

1937

01:27:07,290 --> 01:27:05,230

Beni Mazar which is right outside of

1938

01:27:10,049 --> 01:27:07,300

Cairo this took place in 2005 where

1939

01:27:12,720 --> 01:27:10,059

three families were butchered exactly

1940

01:27:14,939 --> 01:27:12,730

like this guy every everything in the

1941

01:27:16,770 --> 01:27:14,949

house was butchered I think at that

1942

01:27:18,629 --> 01:27:16,780

goldfish they were butchered everything

1943

01:27:21,370 --> 01:27:18,639

was gone everybody was killed man women

1944

01:27:24,580 --> 01:27:21,380

children dogs cats whatever

1945

01:27:27,010 --> 01:27:24,590

and they blamed it on a gentleman who

1946

01:27:28,540 --> 01:27:27,020

was [h\_\_h] mentally [h\_\_h] had to

1947

01:27:31,210 --> 01:27:28,550

had the mentality of about a four or

1948

01:27:34,930 --> 01:27:31,220

five year old didn't even know his own

1949

01:27:37,390 --> 01:27:34,940

name lived 35 miles from the scene of

1950

01:27:40,090 --> 01:27:37,400

the crime and they pinned the crime on

1951

01:27:43,600 --> 01:27:40,100

him well they had no other suspect so he

1952

01:27:43,960 --> 01:27:43,610

was likely and that case drug on for

1953

01:27:46,060 --> 01:27:43,970

years

1954

01:27:48,910 --> 01:27:46,070

and then finally you know they got him

1955

01:27:52,150 --> 01:27:48,920

acquitted and I did get to talk to his

1956

01:27:55,060 --> 01:27:52,160

lawyer until this day till right now if

1957

01:27:56,890 --> 01:27:55,070

this guy wants to go outside I don't

1958

01:27:58,270 --> 01:27:56,900

care if he wants to go outside of his

1959

01:27:59,710 --> 01:27:58,280

property line you know he wants to

1960

01:28:01,990 --> 01:27:59,720

outside that wall take a walk on the

1961

01:28:03,580 --> 01:28:02,000

street they have to call the police a

1962

01:28:05,260 --> 01:28:03,590

police officer will come and escort him

1963

01:28:09,970 --> 01:28:05,270

if he's going to go to the mosque to

1964

01:28:11,230 --> 01:28:09,980

pray please shopping police and if he

1965

01:28:13,720 --> 01:28:11,240

doesn't call police he goes outside

1966

01:28:14,320 --> 01:28:13,730

those parameters he will be locked up

1967

01:28:17,290 --> 01:28:14,330

for life

1968

01:28:20,650 --> 01:28:17,300

and this is someone who was acquitted he

1969

01:28:22,360 --> 01:28:20,660

was acquitted yes unreal but those were

1970

01:28:23,980 --> 01:28:22,370

the conditions of him being acquitted I

1971

01:28:28,090 --> 01:28:23,990

think yeah these things have to take

1972

01:28:30,150 --> 01:28:28,100

place till he dies Wow

1973

01:28:34,030 --> 01:28:30,160

it's a guy can't even tie his own shoes

1974

01:28:36,040 --> 01:28:34,040

yeah in 35 miles away that's 35 miles

1975

01:28:39,010 --> 01:28:36,050

away he has to have help to eat to go to

1976

01:28:41,980 --> 01:28:39,020

the bathroom to take a bath I mean this

1977

01:28:46,300 --> 01:28:41,990

guy is basically a walk-in bowl of

1978

01:28:47,740 --> 01:28:46,310

vegetable soup and they to do what to do

1979

01:28:51,160 --> 01:28:47,750

all the things that were done to the guy

1980

01:28:53,190 --> 01:28:51,170

in Brazil or like are done to cattle

1981

01:28:56,320 --> 01:28:53,200

which are pretty much exactly the same

1982

01:29:00,640 --> 01:28:56,330

same organs take in the same parts all

1983

01:29:05,590 --> 01:29:00,650

taken the same way bingo there's a guy

1984

01:29:08,130 --> 01:29:05,600

nailed with now I have heard I don't

1985

01:29:11,110 --> 01:29:08,140

think anyone has talked about the human

1986

01:29:13,530 --> 01:29:11,120

mutilations on this show I've had a

1987

01:29:16,090 --> 01:29:13,540

Chris O'Brien and a few other people

1988

01:29:18,160 --> 01:29:16,100

Linda Moulton Howe I think talked about

1989

01:29:20,860 --> 01:29:18,170

a little bit on the show before but is

1990

01:29:22,810 --> 01:29:20,870

there so one of the things that Chris

1991

01:29:26,320 --> 01:29:22,820

O'Brien said a lot of times there is

1992

01:29:28,240 --> 01:29:26,330

blood in the corpse of the cattle is

1993

01:29:32,650 --> 01:29:28,250

just everything you know settles to

1994

01:29:34,900 --> 01:29:32,660

gravity yes but but not that but I mean

1995

01:29:36,430 --> 01:29:34,910

if you've ever seen a cow butchered

1996

01:29:38,080 --> 01:29:36,440

you won't believe the amount of blood

1997

01:29:39,790 --> 01:29:38,090

that comes out of that RA I went to a

1998

01:29:41,140 --> 01:29:39,800

navitor just to see it to see because I

1999

01:29:44,470 --> 01:29:41,150

never seen it before so I went to see it

2000

01:29:46,660 --> 01:29:44,480

when they open that animal up I mean the

2001  
01:29:50,350 --> 01:29:46,670  
floor which is probably in a room about

2002  
01:29:52,950 --> 01:29:50,360  
16 by 18 is covered in blood from one

2003  
01:29:56,320 --> 01:29:52,960  
animal hope no one's eating right now

2004  
01:29:58,240 --> 01:29:56,330  
yeah but you have Chuck Kowski who's a

2005  
01:29:59,230 --> 01:29:58,250  
longtime researcher remember MUFON is as

2006  
01:30:02,320 --> 01:29:59,240  
a matter of fact he's the cattle

2007  
01:30:04,690 --> 01:30:02,330  
researcher for a MUFON and Chuck has

2008  
01:30:06,700 --> 01:30:04,700  
also found you know small pools of blood

2009  
01:30:08,950 --> 01:30:06,710  
here and there but that stuff that's

2010  
01:30:10,870 --> 01:30:08,960  
draining out of small veins I mean we're

2011  
01:30:12,280 --> 01:30:10,880  
not talking about we're talking about an

2012  
01:30:15,160 --> 01:30:12,290  
animal that's been you know opened up

2013  
01:30:18,670 --> 01:30:15,170

front/rear top bottom and you got this

2014

01:30:19,840 --> 01:30:18,680

little cup or so of blood well what

2015

01:30:22,660 --> 01:30:19,850

happened to the gallons that were in

2016

01:30:25,570 --> 01:30:22,670

there they're not on the ground they're

2017

01:30:28,720 --> 01:30:25,580

not on the ground and places where these

2018

01:30:31,750 --> 01:30:28,730

animals have been found years many years

2019

01:30:34,570 --> 01:30:31,760

have gone by where you can go to that

2020

01:30:36,550 --> 01:30:34,580

exact spot and nothing is growing there

2021

01:30:38,680 --> 01:30:36,560

I mean it could be in the middle of a

2022

01:30:40,870 --> 01:30:38,690

wheat field and and that that that

2023

01:30:42,960 --> 01:30:40,880

animal carcass weren't laid there's

2024

01:30:47,470 --> 01:30:42,970

nothing growing where that carcass laid

2025

01:30:49,360 --> 01:30:47,480

so uh you know it did although there are

2026

01:30:53,740 --> 01:30:49,370

not many researchers at Duke Allen

2027

01:30:55,360 --> 01:30:53,750

mutilation they pretty much all have the

2028

01:30:58,990 --> 01:30:55,370

same thing gone as far as what they do

2029

01:31:00,940 --> 01:30:59,000

and one of the things chuck was really

2030

01:31:03,430 --> 01:31:00,950

excited about was he had an EMF detector

2031

01:31:06,640 --> 01:31:03,440

and he was actually getting a hit on a

2032

01:31:08,290 --> 01:31:06,650

cow recently recently killed and he was

2033

01:31:10,030 --> 01:31:08,300

this thing was moving whatever it was

2034

01:31:13,180 --> 01:31:10,040

inside this cow's body was moving and he

2035

01:31:14,770 --> 01:31:13,190

was picking it up on the EMF detector so

2036

01:31:17,170 --> 01:31:14,780

there was something electromagnetic in

2037

01:31:18,940 --> 01:31:17,180

that cow that was moving around in that

2038

01:31:22,840 --> 01:31:18,950

cow and when he got to the other side it

2039

01:31:24,100 --> 01:31:22,850

disappeared just anyone that really

2040

01:31:27,040 --> 01:31:24,110

started there wasn't there anymore

2041

01:31:29,020 --> 01:31:27,050

stranger and stranger now wonder what

2042

01:31:32,070 --> 01:31:29,030

are you you mentioned that there's a lot

2043

01:31:36,070 --> 01:31:32,080

of similarities between human

2044

01:31:39,280 --> 01:31:36,080

mutilations and cattle yes and while the

2045

01:31:43,630 --> 01:31:39,290

anal area is report out the ears are

2046

01:31:45,280 --> 01:31:43,640

cuttin eyes are missing lower jaw one of

2047

01:31:47,890 --> 01:31:45,290

the strangest cases I worked on was

2048

01:31:50,410 --> 01:31:47,900

actually a horse in North Dakota

2049

01:31:52,240 --> 01:31:50,420

where a lady was riding in an indoor

2050

01:31:55,300 --> 01:31:52,250

ring if anybody's familiar with riding

2051

01:31:57,669 --> 01:31:55,310

horses an inner ring they those rings

2052

01:31:58,870 --> 01:31:57,679

are pristine there's no sharp objects or

2053

01:32:00,729 --> 01:31:58,880

anything like that they're very smooth

2054

01:32:04,330 --> 01:32:00,739

so the rider or the animal does not get

2055

01:32:06,100 --> 01:32:04,340

hurt so she stops the horse in the

2056

01:32:07,990 --> 01:32:06,110

middle of her little thing to go get

2057

01:32:09,880 --> 01:32:08,000

something out of the tack room the tack

2058

01:32:13,479 --> 01:32:09,890

room is 75 feet from where she left the

2059

01:32:15,580 --> 01:32:13,489

horse standing okay when she comes back

2060

01:32:17,649 --> 01:32:15,590

how long it takes to walk 75 feet got

2061

01:32:19,990 --> 01:32:17,659

whatever she got and came back but when

2062

01:32:23,500 --> 01:32:20,000

she comes back the horses jaw is opened

2063

01:32:24,220 --> 01:32:23,510

up from right below the ear all the way

2064

01:32:26,020 --> 01:32:24,230

down

2065

01:32:29,140 --> 01:32:26,030

it's the flap is hanging open and the

2066

01:32:31,090 --> 01:32:29,150

lower part of its jaw is missing the

2067

01:32:32,680 --> 01:32:31,100

horse is bleeding very little the horse

2068

01:32:35,280 --> 01:32:32,690

is not screaming it's not running around

2069

01:32:37,660 --> 01:32:35,290

it's standing exactly where she left it

2070

01:32:38,919 --> 01:32:37,670

they call a vet that says there's

2071

01:32:41,229 --> 01:32:38,929

nothing I can do for this horse they had

2072

01:32:43,300 --> 01:32:41,239

to put the horse down and when she sent

2073

01:32:44,250 --> 01:32:43,310

me those pictures I just I couldn't

2074

01:32:47,439 --> 01:32:44,260

believe it

2075

01:32:50,050 --> 01:32:47,449

so right away somebody said while he ran

2076

01:32:51,729 --> 01:32:50,060

into a nail well there are no nails in a

2077

01:32:53,080 --> 01:32:51,739

riding rink there's nothing in a riding

2078

01:32:55,780 --> 01:32:53,090

ring that would injure a horse or a

2079

01:32:57,520 --> 01:32:55,790

rider because you know you're riding

2080

01:33:01,479 --> 01:32:57,530

around in a ring there's nothing there

2081

01:33:03,070 --> 01:33:01,489

there's walls and her smooth walls will

2082

01:33:05,110 --> 01:33:03,080

either wood or metal or whatever but

2083

01:33:06,370 --> 01:33:05,120

there's no place where the horse went I

2084

01:33:09,640 --> 01:33:06,380

mean the horse was right where she left

2085

01:33:12,250 --> 01:33:09,650

him and he never let out a howl or

2086

01:33:13,660 --> 01:33:12,260

scream or I mean that just doesn't make

2087

01:33:16,030 --> 01:33:13,670

him eat slop before you slap a horse

2088

01:33:18,220 --> 01:33:16,040

good with a stick that horse is going to

2089

01:33:19,540 --> 01:33:18,230

yell yeah now imagine this horse to

2090

01:33:22,899 --> 01:33:19,550

stand there while somebody removes its

2091

01:33:24,310 --> 01:33:22,909

lower jaw and opens it up I mean this

2092

01:33:29,350 --> 01:33:24,320

horse is opened up like it was hit with

2093

01:33:31,060 --> 01:33:29,360

a saber so that is crazy now I think

2094

01:33:33,820 --> 01:33:31,070

there's a couple of grands up on the

2095

01:33:36,939 --> 01:33:33,830

message board and one is so what does

2096

01:33:40,540 --> 01:33:36,949

the EMF detector mean that would be

2097

01:33:41,830 --> 01:33:40,550

moving inside the cow the only thing

2098

01:33:43,780 --> 01:33:41,840

that it would that chucks

2099

01:33:47,100 --> 01:33:43,790

thing was that there was something

2100

01:33:50,530 --> 01:33:47,110

giving off an electric magnetic pulse I

2101  
01:33:52,450 --> 01:33:50,540  
could have been anything I mean okay

2102  
01:33:54,610 --> 01:33:52,460  
your microwave will give off EMF your

2103  
01:33:57,149 --> 01:33:54,620  
watch will give off EMF your your

2104  
01:33:59,169 --> 01:33:57,159  
monitor will give off EMF let

2105  
01:34:00,129 --> 01:33:59,179  
electromagnetic fields are everywhere

2106  
01:34:01,150 --> 01:34:00,139  
but why would there be an

2107  
01:34:04,650 --> 01:34:01,160  
electromagnetic

2108  
01:34:07,840 --> 01:34:04,660  
killed in a cow yeah it's pretty weird I

2109  
01:34:10,510 --> 01:34:07,850  
mean there's no natural anomaly that

2110  
01:34:13,960 --> 01:34:10,520  
could be associated with that inside of

2111  
01:34:15,580 --> 01:34:13,970  
like a living being no no you can take

2112  
01:34:18,250 --> 01:34:15,590  
an EMF detector unless you have a heart

2113  
01:34:19,960 --> 01:34:18,260

unless you have a pacemaker an EMF Ector

2114

01:34:21,430 --> 01:34:19,970

will just give just like radiation if I

2115

01:34:22,840 --> 01:34:21,440

put a radiation detector against your

2116

01:34:24,070 --> 01:34:22,850

body I'm just going to pick up residual

2117

01:34:25,720 --> 01:34:24,080

radiation which could be from your

2118

01:34:29,800 --> 01:34:25,730

clothing from the air or anything else

2119

01:34:31,810 --> 01:34:29,810

but to make an EMF detector move there

2120

01:34:38,050 --> 01:34:31,820

has to be a electromagnetic pulse

2121

01:34:41,800 --> 01:34:38,060

I see Wow electromagnetic pulse in a in

2122

01:34:44,020 --> 01:34:41,810

a cow that was dead amazing so Phil asks

2123

01:34:44,860 --> 01:34:44,030

on the message board how many human

2124

01:34:49,090 --> 01:34:44,870

mutilations

2125

01:34:50,830 --> 01:34:49,100

have there been reported a date best we

2126  
01:34:52,450 --> 01:34:50,840  
know we don't have a whole lot from

2127  
01:34:55,900 --> 01:34:52,460  
England other than the fact that they

2128  
01:34:58,330 --> 01:34:55,910  
gave us like seven cases to look at in

2129  
01:35:03,760 --> 01:34:58,340  
this country I can tell you that in a

2130  
01:35:06,940 --> 01:35:03,770  
second here I believe it's ten one two

2131  
01:35:12,390 --> 01:35:06,950  
three four five six seven eight nine 10

2132  
01:35:16,150 --> 01:35:12,400  
11 11 in this connect and guess and

2133  
01:35:20,950 --> 01:35:16,160  
Arthur variances or they just a lot of

2134  
01:35:23,500 --> 01:35:20,960  
similarities pretty much similar the one

2135  
01:35:29,500 --> 01:35:23,510  
that would be closest to the gentleman

2136  
01:35:31,180 --> 01:35:29,510  
in Brazil was New Zealand case in 1994

2137  
01:35:33,490 --> 01:35:31,190  
Road gentleman was found basically

2138  
01:35:38,910 --> 01:35:33,500

identically cut up just like this other

2139

01:35:47,170 --> 01:35:43,440

they go back to 1956 in New Mexico at

2140

01:35:48,460 --> 01:35:47,180

Air Force Base in New Mexico Holloman

2141

01:35:52,390 --> 01:35:48,470

Air Force Base

2142

01:35:54,040 --> 01:35:52,400

sergeant JP love it him and his Colonel

2143

01:35:55,630 --> 01:35:54,050

were going downrange to pick up some

2144

01:35:58,450 --> 01:35:55,640

parts of a missile that was fired a test

2145

01:36:00,210 --> 01:35:58,460

missile and the colonel heard the

2146

01:36:03,160 --> 01:36:00,220

sergeant scream he turned around he saw

2147

01:36:07,030 --> 01:36:03,170

something wrapped around the guy's leg

2148

01:36:08,380 --> 01:36:07,040

and pulling him into a craft and then of

2149

01:36:10,720 --> 01:36:08,390

course they arrested the colonel for

2150

01:36:14,080 --> 01:36:10,730

murder because they couldn't find a body

2151  
01:36:15,010 --> 01:36:14,090  
and they kind of didn't believe the

2152  
01:36:17,350 --> 01:36:15,020  
story but

2153  
01:36:19,840 --> 01:36:17,360  
days later sergeant Leavitt shows up

2154  
01:36:21,700 --> 01:36:19,850  
about a quarter of a mile from where he

2155  
01:36:23,790 --> 01:36:21,710  
was taken and he's in pretty much the

2156  
01:36:27,070 --> 01:36:23,800  
same condition as the other fellows

2157  
01:36:31,270 --> 01:36:27,080  
she's now and another thing we have no

2158  
01:36:34,690 --> 01:36:31,280  
report of any female of being done in

2159  
01:36:36,730 --> 01:36:34,700  
like this really and what is that with

2160  
01:36:40,750 --> 01:36:36,740  
cows are you familiar with how that

2161  
01:36:45,340 --> 01:36:40,760  
works if it cows or bulls mostly female

2162  
01:36:48,930 --> 01:36:45,350  
I think I saw I think I may have read

2163  
01:36:51,220 --> 01:36:48,940

two cases where a bull was involved and

2164

01:36:55,000 --> 01:36:51,230

other than the unlike with the cow the

2165

01:36:56,890 --> 01:36:55,010

others were taken in the case of the

2166

01:36:59,980 --> 01:36:56,900

bull the penis and testicles were

2167

01:37:01,240 --> 01:36:59,990

removed but now that's another story

2168

01:37:04,330 --> 01:37:01,250

when you see some of these pictures

2169

01:37:06,520 --> 01:37:04,340

where somebody has actually removed the

2170

01:37:09,130 --> 01:37:06,530

utters without damaging the stomach's of

2171

01:37:11,470 --> 01:37:09,140

that cow that's pretty much impossible

2172

01:37:15,940 --> 01:37:11,480

it's only like a quarter of an inch of

2173

01:37:19,810 --> 01:37:15,950

skin between the the outside of the

2174

01:37:21,820 --> 01:37:19,820

utter skin and the inside which the next

2175

01:37:25,960 --> 01:37:21,830

thing they would it would be the would

2176  
01:37:29,620 --> 01:37:25,970  
be the one of the one of the cow

2177  
01:37:31,630 --> 01:37:29,630  
stomachs I mean we we talked to some

2178  
01:37:33,070 --> 01:37:31,640  
vets and they said hey there is no way

2179  
01:37:35,320 --> 01:37:33,080  
you're going to remove the utters or the

2180  
01:37:39,010 --> 01:37:35,330  
whole sack of utters without damaging

2181  
01:37:41,200 --> 01:37:39,020  
the stomachs he said nobody's that

2182  
01:37:42,910 --> 01:37:41,210  
precise I mean you're using a scalpel

2183  
01:37:46,000 --> 01:37:42,920  
well these cuts aren't being made with

2184  
01:37:47,980 --> 01:37:46,010  
scalpel these these things are cut clean

2185  
01:37:50,530 --> 01:37:47,990  
they're that they don't even show signs

2186  
01:37:51,820 --> 01:37:50,540  
of being cauterized I mean when you

2187  
01:37:53,350 --> 01:37:51,830  
cauterize something there's always a

2188  
01:37:54,880 --> 01:37:53,360

burn mark I mean even if they work

2189

01:37:56,110 --> 01:37:54,890

authorizing something on your finger you

2190

01:37:58,210 --> 01:37:56,120

would see the cut and then you would see

2191

01:38:00,180 --> 01:37:58,220

the closure and you see a little dark

2192

01:38:03,340 --> 01:38:00,190

spot around it well that's from the heat

2193

01:38:04,690 --> 01:38:03,350

well these things show no heat so what

2194

01:38:07,120 --> 01:38:04,700

do they use it we don't have anything

2195

01:38:11,040 --> 01:38:07,130

like that and is it the same for the

2196

01:38:16,690 --> 01:38:14,290

totally amazing so anyway before we move

2197

01:38:20,820 --> 01:38:16,700

on if anyone wants to give us a ring and

2198

01:38:24,430 --> 01:38:20,830

talk to our guest tonight that's 603 967

2199

01:38:29,740 --> 01:38:24,440

403 oh you're welcome to call it

2200

01:38:32,500 --> 01:38:29,750

pardon me uh and in these these cases

2201

01:38:34,980 --> 01:38:32,510

are they as there anything that can tie

2202

01:38:39,670 --> 01:38:34,990

any of them together any similarities

2203

01:38:42,220 --> 01:38:39,680

between say the victims or anything that

2204

01:38:43,960 --> 01:38:42,230

at all that makes any type of sense

2205

01:38:47,500 --> 01:38:43,970

where there is some type of connection

2206

01:38:50,410 --> 01:38:47,510

the only Kasai the condition of the body

2207

01:38:52,420 --> 01:38:50,420

or the carcass the only thing that kind

2208

01:38:54,580 --> 01:38:52,430

of ties them all together is that

2209

01:38:57,790 --> 01:38:54,590

they're in very remote areas when it

2210

01:39:01,390 --> 01:38:57,800

happens hmm the sergeant he you know

2211

01:39:03,070 --> 01:39:01,400

he's in the desert the the guy in Brazil

2212

01:39:05,680 --> 01:39:03,080

he's on an island in the middle of a

2213

01:39:08,110 --> 01:39:05,690

man-made waterway some cattle have been

2214

01:39:10,630 --> 01:39:08,120

found up on high ranges in high mountain

2215

01:39:12,040 --> 01:39:10,640

areas where you know people don't even

2216

01:39:13,210 --> 01:39:12,050

go up to check on the cattle I mean they

2217

01:39:14,410 --> 01:39:13,220

just turn them loose for the feeding

2218

01:39:15,940 --> 01:39:14,420

season or whatever and then they'll

2219

01:39:19,660 --> 01:39:15,950

round them up come spring or whatever

2220

01:39:22,110 --> 01:39:19,670

and these these guys are you know

2221

01:39:24,610 --> 01:39:22,120

they're out in the middle of nowhere and

2222

01:39:26,530 --> 01:39:24,620

there have been ranchers that have been

2223

01:39:30,430 --> 01:39:26,540

had cattle mutilated six or seven times

2224

01:39:33,910 --> 01:39:30,440

on the same ranch well one guy had a cow

2225

01:39:35,470 --> 01:39:33,920

mutilated 50 feet from the barn door no

2226

01:39:36,700 --> 01:39:35,480

never saw or heard anything just went

2227

01:39:40,390 --> 01:39:36,710

out that morning and there laid the cow

2228

01:39:42,400 --> 01:39:40,400

right I've heard of some similar things

2229

01:39:46,390 --> 01:39:42,410

to that like on the skinwalker ranch and

2230

01:39:49,120 --> 01:39:46,400

stuff now when we were when I first

2231

01:39:50,980 --> 01:39:49,130

asked you that question what I meant was

2232

01:39:53,260 --> 01:39:50,990

not the cows was there anything that

2233

01:39:56,380 --> 01:39:53,270

could connect the people together and

2234

01:39:58,390 --> 01:39:56,390

but now you answer that that calls on

2235

01:40:03,490 --> 01:39:58,400

again I think I'm going to dare try this

2236

01:40:04,960 --> 01:40:03,500

so hello caller can you hear me yep okay

2237

01:40:08,950 --> 01:40:04,970

go ahead say your name where you calling

2238

01:40:10,510 --> 01:40:08,960

from John Tackett Columbus Ohio hi John

2239

01:40:12,940 --> 01:40:10,520

how are you yeah how you got a night

2240

01:40:14,890 --> 01:40:12,950

Martin I'm doing good what's your

2241

01:40:22,410 --> 01:40:14,900

question for the guest tonight my

2242

01:40:25,840 --> 01:40:22,420

question is what actual specific visual

2243

01:40:27,670 --> 01:40:25,850

is the most common visual you fo you

2244

01:40:30,220 --> 01:40:27,680

actually see because you made a comment

2245

01:40:32,710 --> 01:40:30,230

earlier that discs are not really as

2246

01:40:34,540 --> 01:40:32,720

happening as they were so what would

2247

01:40:36,130 --> 01:40:34,550

your perspective be on the most common

2248

01:40:38,200 --> 01:40:36,140

visual sighting of a UFO

2249

01:40:40,570 --> 01:40:38,210

what's a shape

2250

01:40:42,930 --> 01:40:40,580

the most common visual is I'm going to

2251  
01:40:48,570 --> 01:40:42,940  
split between two because they're almost

2252  
01:40:50,950 --> 01:40:48,580  
1 for one is the triangle and the orb

2253  
01:40:52,209 --> 01:40:50,960  
okay so if you are what now what do you

2254  
01:40:54,459 --> 01:40:52,219  
think the orb is you think that's

2255  
01:40:58,360 --> 01:40:54,469  
necessarily like that would would be our

2256  
01:41:01,870 --> 01:40:58,370  
like a example of like of our you know

2257  
01:41:04,420 --> 01:41:01,880  
robotic planes we have I just found I'm

2258  
01:41:06,880 --> 01:41:04,430  
talking about yeah I I know it's talking

2259  
01:41:09,310 --> 01:41:06,890  
about but these orbs have been seen they

2260  
01:41:12,160 --> 01:41:09,320  
first came into visual range and

2261  
01:41:16,630 --> 01:41:12,170  
photographic range during World War two

2262  
01:41:19,330 --> 01:41:16,640  
I know yeah that Poland by 5 yep and

2263  
01:41:21,790 --> 01:41:19,340

then they kind of disappeared after the

2264

01:41:24,430 --> 01:41:21,800

war and nothing was really seen of them

2265

01:41:26,110 --> 01:41:24,440

again until the late 50s and they were

2266

01:41:28,870 --> 01:41:26,120

very sporadic there wasn't many of them

2267

01:41:29,979 --> 01:41:28,880

seen I think somebody did research one

2268

01:41:32,290 --> 01:41:29,989

time where they came up with about a

2269

01:41:36,370 --> 01:41:32,300

hundred reports in five years of an orb

2270

01:41:40,240 --> 01:41:36,380

now I'll get eight to ten reports a

2271

01:41:42,610 --> 01:41:40,250

month of an orb okay and how many then

2272

01:41:44,880 --> 01:41:42,620

now here's some of the theories some

2273

01:41:48,640 --> 01:41:44,890

people think that they are Scout ships

2274

01:41:49,990 --> 01:41:48,650

some people think that they are taking

2275

01:41:53,260 --> 01:41:50,000

samples because there are a lot of

2276

01:41:56,860 --> 01:41:53,270

reports where an orb is seen it may it

2277

01:41:59,320 --> 01:41:56,870

may be a large herb small orbs will exit

2278

01:42:01,060 --> 01:41:59,330

the larger orb and they will those

2279

01:42:04,030 --> 01:42:01,070

smaller orbs will drop to the ground

2280

01:42:06,700 --> 01:42:04,040

they will disappear where I seen again

2281

01:42:08,170 --> 01:42:06,710

and then maybe 10 15 minutes later

2282

01:42:11,740 --> 01:42:08,180

they'll come out of wherever they were

2283

01:42:15,190 --> 01:42:11,750

and go straight up you know I'll in my

2284

01:42:19,180 --> 01:42:15,200

perspective on on those orbs which is

2285

01:42:21,550 --> 01:42:19,190

drunk this we know in our society does

2286

01:42:24,670 --> 01:42:21,560

that make cell a yeah and it could be I

2287

01:42:27,010 --> 01:42:24,680

mean it could be but I I guess the the

2288

01:42:30,820 --> 01:42:27,020

part that always quizzes me about these

2289

01:42:32,830 --> 01:42:30,830

orbs is that there was a case in Oregon

2290

01:42:34,900 --> 01:42:32,840

not too long ago I believe is uh last

2291

01:42:38,770 --> 01:42:34,910

year the year before and a matter of

2292

01:42:40,690 --> 01:42:38,780

fact was a MUFON case and the gentleman

2293

01:42:42,610 --> 01:42:40,700

was out cutting his lawn can't work

2294

01:42:44,050 --> 01:42:42,620

anymore he has epilepsy pretty bad so

2295

01:42:45,610 --> 01:42:44,060

he's out cutting his lawn he lives on a

2296

01:42:48,220 --> 01:42:45,620

one-way street that has a turn around at

2297

01:42:50,800 --> 01:42:48,230

the end at the end of his street there's

2298

01:42:52,089 --> 01:42:50,810

a opposite to turn around it's at East T

2299

01:42:53,709 --> 01:42:52,099

intersection on the other side

2300

01:42:56,350 --> 01:42:53,719

t-intersections offense in the field and

2301

01:42:58,089 --> 01:42:56,360

a clump of trees perform he sees an

2302

01:43:00,640 --> 01:42:58,099

object go behind the farm which he

2303

01:43:03,040 --> 01:43:00,650

describes saucer-shaped it goes by the

2304

01:43:07,060 --> 01:43:03,050

trees he can't see it anymore next thing

2305

01:43:08,979 --> 01:43:07,070

you know he says the ship craft it goes

2306

01:43:11,919 --> 01:43:08,989

back up and disappears into the sky very

2307

01:43:15,399 --> 01:43:11,929

fast out from behind the trees comes an

2308

01:43:18,760 --> 01:43:15,409

orb the spot the size of a large beach

2309

01:43:20,640 --> 01:43:18,770

ball comes down the field crosses over

2310

01:43:23,649 --> 01:43:20,650

top of the fence comes up the street

2311

01:43:25,300 --> 01:43:23,659

goes right past in to the point where he

2312

01:43:26,620 --> 01:43:25,310

can touch it the dogs in the

2313

01:43:28,149 --> 01:43:26,630

neighborhood which are normally quiet

2314

01:43:29,530 --> 01:43:28,159

and one German Shepherd that's never

2315

01:43:32,410 --> 01:43:29,540

even barked a day in his life probably

2316

01:43:34,300 --> 01:43:32,420

he says is trying to rip apart to get

2317

01:43:37,060 --> 01:43:34,310

out of the house his dog is going

2318

01:43:40,560 --> 01:43:37,070

bananas the thing passes him as he looks

2319

01:43:44,500 --> 01:43:40,570

at it he said it's actually like

2320

01:43:47,169 --> 01:43:44,510

translucent but inside it's a head-on

2321

01:43:49,600 --> 01:43:47,179

you might I had a buddy of mine see one

2322

01:43:52,899 --> 01:43:49,610

and it looked like a [h\_\_h] wizard

2323

01:43:55,660 --> 01:43:52,909

balloon from a different you almost

2324

01:43:59,260 --> 01:43:55,670

every throat it was also similar to a

2325

01:44:00,580 --> 01:43:59,270

mirror yeah yep that's why you described

2326  
01:44:01,750 --> 01:44:00,590  
this because he said it was almost like

2327  
01:44:03,010 --> 01:44:01,760  
looking in a mirror with something

2328  
01:44:06,040 --> 01:44:03,020  
moving around inside like different

2329  
01:44:09,669 --> 01:44:06,050  
colors now the thing stops on top of a

2330  
01:44:11,379 --> 01:44:09,679  
sewer plate and all kind of start flying

2331  
01:44:13,359 --> 01:44:11,389  
off the sewer plate and then it picks

2332  
01:44:15,069 --> 01:44:13,369  
itself up in about four or five foot off

2333  
01:44:17,530 --> 01:44:15,079  
the ground goes across the street and

2334  
01:44:19,209 --> 01:44:17,540  
attaches itself to a pole with an

2335  
01:44:20,680 --> 01:44:19,219  
electric pole pole that generates

2336  
01:44:21,910 --> 01:44:20,690  
electric brings the electric into those

2337  
01:44:25,000 --> 01:44:21,920  
homes there's only a few homes on the

2338  
01:44:27,640 --> 01:44:25,010

street it detaches self it starts to go

2339

01:44:29,379 --> 01:44:27,650

down well I'm at one back hold on now

2340

01:44:31,870 --> 01:44:29,389

when they set yourself to actual pole

2341

01:44:34,990 --> 01:44:31,880

did anybody in the area report any kind

2342

01:44:36,370 --> 01:44:35,000

of power issues yes they had there was a

2343

01:44:37,750 --> 01:44:36,380

drop in power but nothing went off I

2344

01:44:38,919 --> 01:44:37,760

mean you know in other words a light

2345

01:44:41,760 --> 01:44:38,929

dimmed like you know you're going to

2346

01:44:44,080 --> 01:44:41,770

lose power right everything dropped down

2347

01:44:46,899 --> 01:44:44,090

by this time there's neighbors outside

2348

01:44:48,640 --> 01:44:46,909

they see it there's one lady who's on

2349

01:44:50,560 --> 01:44:48,650

her porch next door to him screaming him

2350

01:44:52,750 --> 01:44:50,570

to get away and he's just dumbfounded he

2351

01:44:54,879 --> 01:44:52,760

just stand there looking at it and it

2352

01:44:56,979 --> 01:44:54,889

comes back off the pole goes back over

2353

01:44:58,439 --> 01:44:56,989

to the plate raises up four or five foot

2354

01:45:02,799 --> 01:44:58,449

in the ground and just

2355

01:45:05,750 --> 01:45:02,809

vaporizes gone interesting so it's

2356

01:45:11,330 --> 01:45:05,760

almost like I get with more Hansen

2357

01:45:14,270 --> 01:45:11,340

bang man mess that's all all total there

2358

01:45:16,040 --> 01:45:14,280

were four witnesses that saw the same

2359

01:45:18,350 --> 01:45:16,050

thing interesting

2360

01:45:22,160 --> 01:45:18,360

well John Hale in the house was sick for

2361

01:45:24,740 --> 01:45:22,170

four days vomiting Wow John thanks for

2362

01:45:28,850 --> 01:45:24,750

calling in okay thanks Martin hey you're

2363

01:45:34,520 --> 01:45:31,280

wow that's quite the sighting a you know

2364

01:45:37,070 --> 01:45:34,530

we had a and it's fine that that we're

2365

01:45:40,400 --> 01:45:37,080

back on UFOs but someone wanted to ask

2366

01:45:43,460 --> 01:45:40,410

you a question in regards to what the

2367

01:45:45,260 --> 01:45:43,470

conversation was a minute ago and of the

2368

01:45:49,310 --> 01:45:45,270

human mutilations to the common

2369

01:45:51,830 --> 01:45:49,320

phenomena of blackhawk helicopters likes

2370

01:45:54,560 --> 01:45:51,840

in the sky that while there have been

2371

01:45:57,050 --> 01:45:54,570

two reports where black helicopters were

2372

01:45:59,270 --> 01:45:57,060

seen in the area not overhead but in the

2373

01:46:01,960 --> 01:45:59,280

area and when I say in the area within a

2374

01:46:04,850 --> 01:46:01,970

mile of where the mutilation was found

2375

01:46:07,700 --> 01:46:04,860

yeah well and that was both cattle and

2376

01:46:11,270 --> 01:46:07,710

human now when we were talking earlier

2377

01:46:13,250 --> 01:46:11,280

and I asked what the connections were it

2378

01:46:15,710 --> 01:46:13,260

sounded like you started speaking about

2379

01:46:17,300 --> 01:46:15,720

the cattle mutilations and who and you

2380

01:46:18,800 --> 01:46:17,310

said they were you know left way out

2381

01:46:21,260 --> 01:46:18,810

remotely and stuff like that I was

2382

01:46:23,570 --> 01:46:21,270

asking about the human mutilations were

2383

01:46:25,970 --> 01:46:23,580

there any is there anything that connect

2384

01:46:28,370 --> 01:46:25,980

could connect one to another or any

2385

01:46:33,950 --> 01:46:28,380

similarities that you're aware of other

2386

01:46:36,980 --> 01:46:33,960

than the wounds no that's it yep amazing

2387

01:46:39,380 --> 01:46:36,990

now other people that are research are

2388

01:46:41,090 --> 01:46:39,390

you one of the few people researching

2389

01:46:43,250 --> 01:46:41,100

this or are other people involved I

2390

01:46:45,560 --> 01:46:43,260

pretty much think I'm the only one that

2391

01:46:50,770 --> 01:46:45,570

does it anymore

2392

01:46:53,030 --> 01:46:50,780

and you said this started back in 1956

2393

01:46:56,210 --> 01:46:53,040

actual next yeah that's when cases

2394

01:46:57,890 --> 01:46:56,220

started popping up that bodies were

2395

01:47:01,880 --> 01:46:57,900

being found with strange markings and

2396

01:47:04,010 --> 01:47:01,890

missing parts yeah an 11 known in the US

2397

01:47:06,620 --> 01:47:04,020

and you started to say you were unsure

2398

01:47:09,050 --> 01:47:06,630

about other countries do you know I mean

2399

01:47:11,390 --> 01:47:09,060

England I believe you said other England

2400

01:47:13,730 --> 01:47:11,400

in England there researcher over there

2401

01:47:17,330 --> 01:47:13,740

Richard Hall has been investigating

2402

01:47:19,610 --> 01:47:17,340

these for probably a lot longer than I

2403

01:47:22,760 --> 01:47:19,620

have and you know he's got

2404

01:47:25,220 --> 01:47:22,770

some really great stuff going on over

2405

01:47:26,720 --> 01:47:25,230

there I'm familiar with with most of his

2406

01:47:28,160 --> 01:47:26,730

stuff but you know he's got a lot of

2407

01:47:30,050 --> 01:47:28,170

stuff he's holding back yet that he's

2408

01:47:31,940 --> 01:47:30,060

got to verify and that's the biggest

2409

01:47:33,350 --> 01:47:31,950

thing with these cases you got to verify

2410

01:47:36,290 --> 01:47:33,360

them before you go talking about them

2411

01:47:37,790 --> 01:47:36,300

because you know they're so strange

2412

01:47:40,010 --> 01:47:37,800

they're almost you almost think that

2413

01:47:41,900 --> 01:47:40,020

somebody just sat there made them up but

2414

01:47:43,520 --> 01:47:41,910

you know the cases that have come

2415

01:47:45,200 --> 01:47:43,530

forward that you know like the autopsy

2416

01:47:47,710 --> 01:47:45,210

reports we can read you know I had the

2417

01:47:51,200 --> 01:47:47,720

claw had to get the one from Brazil uh

2418

01:47:53,840 --> 01:47:51,210

translated from the you know their

2419

01:47:59,750 --> 01:47:53,850

language to us but it was worth 250

2420

01:48:03,410 --> 01:47:59,760

bucks excuse me and not people speak

2421

01:48:06,230 --> 01:48:03,420

Portuguese around my area oh yeah so the

2422

01:48:08,990 --> 01:48:06,240

is there anything like a radiation or

2423

01:48:11,510 --> 01:48:09,000

anything like that any exposure any

2424

01:48:17,330 --> 01:48:11,520

other dope unusual things no radiation

2425

01:48:20,060 --> 01:48:17,340

exposure no burns no no um how I say

2426

01:48:22,460 --> 01:48:20,070

have damage done to the body

2427

01:48:23,510 --> 01:48:22,470

you know like with an axe or a sharp

2428

01:48:26,300 --> 01:48:23,520

knife or anything like that

2429

01:48:28,850 --> 01:48:26,310

everything is precision they're all done

2430

01:48:32,420 --> 01:48:28,860

the same way done in the same way same

2431

01:48:34,640 --> 01:48:32,430

parts are taken not much body found and

2432

01:48:38,120 --> 01:48:34,650

you know it's just it's just very

2433

01:48:41,840 --> 01:48:38,130

strange and approximately how long is

2434

01:48:46,010 --> 01:48:41,850

the body of like left where ever datas

2435

01:48:50,210 --> 01:48:46,020

and of these indoor-outdoor where are

2436

01:48:53,030 --> 01:48:50,220

they found most outdoor uh the the only

2437

01:48:56,780 --> 01:48:53,040

one I know that was indoor was the Cairo

2438

01:48:58,190 --> 01:48:56,790

case the others were all outdoors bliss

2439

01:49:02,030 --> 01:48:58,200

Idaho that was out in the middle of

2440

01:49:03,680 --> 01:49:02,040

nowhere which is strange because and

2441

01:49:05,420 --> 01:49:03,690

when I first read that report it kind of

2442

01:49:07,580 --> 01:49:05,430

took me to Todd seats because when cease

2443

01:49:08,120 --> 01:49:07,590

was found the area where he lives and

2444

01:49:09,950 --> 01:49:08,130

we've been there

2445

01:49:11,990 --> 01:49:09,960

I mean it's so Rocky that well you know

2446

01:49:14,420 --> 01:49:12,000

I was wearing pretty heavy heavy boots

2447

01:49:16,730 --> 01:49:14,430

and those rocks were hurt my feet I mean

2448

01:49:19,550 --> 01:49:16,740

it's just unbelievable how rocky that

2449

01:49:22,400 --> 01:49:19,560

area is he was found in his socks

2450

01:49:25,970 --> 01:49:22,410

and his feet were not damaged at all

2451

01:49:27,410 --> 01:49:25,980

there was no is his feet ankles top

2452

01:49:29,210 --> 01:49:27,420

bottom were unremarkable there was no

2453

01:49:30,610 --> 01:49:29,220

damage no scratches no bruises no

2454

01:49:33,740 --> 01:49:30,620

nothing

2455

01:49:36,920 --> 01:49:33,750

Bobby get there that's really weird

2456

01:49:39,830 --> 01:49:36,930

yeah and then to me that there was

2457

01:49:43,700 --> 01:49:39,840

another and maybe I'm confusing another

2458

01:49:46,220 --> 01:49:43,710

case but that people saw like someone

2459

01:49:49,280 --> 01:49:46,230

the same thing like lifted up into a

2460

01:49:51,470 --> 01:49:49,290

craft but the guy was really in rough

2461

01:49:53,660 --> 01:49:51,480

shape when he was found is that is that

2462

01:49:55,640 --> 01:49:53,670

anything sounds familiar to you at the

2463

01:49:58,280 --> 01:49:55,650

same case it is the same case yeah

2464

01:50:00,920 --> 01:49:58,290

that's Patsy's case yeah see and

2465

01:50:03,680 --> 01:50:00,930

everybody's conception of this is that a

2466

01:50:05,000 --> 01:50:03,690

UFO picked him up took him up and then

2467

01:50:06,620 --> 01:50:05,010

you know day later dropped him off in

2468

01:50:09,740 --> 01:50:06,630

the back you know out in the backcountry

2469

01:50:12,200 --> 01:50:09,750

but you know although we have a report

2470

01:50:14,960 --> 01:50:12,210

that the guy's the fisherman and the

2471

01:50:16,460 --> 01:50:14,970

farmer see something like a man being

2472

01:50:17,620 --> 01:50:16,470

pulled up into a craft above the

2473

01:50:20,870 --> 01:50:17,630

powerlines

2474

01:50:22,490 --> 01:50:20,880

dressed in his underwear which had a

2475

01:50:24,740 --> 01:50:22,500

distance from where the river is to

2476

01:50:26,780 --> 01:50:24,750

where he was seen and you know it's like

2477

01:50:33,020 --> 01:50:26,790

come out of his driveway and across the

2478

01:50:34,640 --> 01:50:33,030

road you're at the river uh you have at

2479

01:50:36,320 --> 01:50:34,650

that distance you know a guy in his

2480

01:50:37,760 --> 01:50:36,330

shorts and a t-shirt with socks on would

2481

01:50:41,300 --> 01:50:37,770

look like a guy in his underwear I guess

2482

01:50:44,330 --> 01:50:41,310

and that's how he was found cutoff jeans

2483

01:50:46,520 --> 01:50:44,340

t-shirt and socks that was it yeah Wow

2484

01:50:50,420 --> 01:50:46,530

now you mentioned in the very beginning

2485

01:50:55,580 --> 01:50:50,430

of the podcast that or the live show

2486

01:50:58,040 --> 01:50:55,590

that is that you had 10 separate

2487

01:51:01,190 --> 01:50:58,050

chapters or whatever of of this

2488

01:51:02,570 --> 01:51:01,200

organization and some in Europe are you

2489

01:51:04,910 --> 01:51:02,580

like in touch with these people

2490

01:51:07,940 --> 01:51:04,920

constantly or does everyone work on

2491

01:51:11,960 --> 01:51:07,950

their own no we're in constant contact

2492

01:51:13,910 --> 01:51:11,970

with everybody they know what I'm doing

2493

01:51:16,070 --> 01:51:13,920

I know what they're doing matter of fact

2494

01:51:22,280 --> 01:51:16,080

that case that you were talking about

2495

01:51:26,410 --> 01:51:22,290

with Alejandro the ham operator and the

2496

01:51:29,360 --> 01:51:26,420

airline pilot that was a MUFON Utah case

2497

01:51:32,980 --> 01:51:29,370

right and the girl investigated that

2498

01:51:38,120 --> 01:51:32,990

Erika Luke's is the person that runs my

2499

01:51:42,170 --> 01:51:38,130

you for cop branch in Utah Oh 13s of

2500

01:51:43,610 --> 01:51:42,180

just recently yeah oh okay good yeah I

2501

01:51:47,180 --> 01:51:43,620

like Erika she's very nice

2502

01:51:49,850 --> 01:51:47,190

she's uh she's a past guest on the show

2503

01:51:52,189 --> 01:51:49,860

yeah she's she's quite a lady huh yeah

2504

01:51:56,689 --> 01:51:52,199

she joined us about believe it's three

2505

01:51:59,209 --> 01:51:56,699

weeks now that's just about right yeah

2506

01:52:01,550 --> 01:51:59,219

we have been playing phone tag because I

2507

01:52:05,570 --> 01:52:01,560

wanted to find out what exactly

2508

01:52:10,160 --> 01:52:05,580

transpired but so I'm sure she'll share

2509

01:52:11,780 --> 01:52:10,170

some of that with me but yes Wow well

2510

01:52:15,290 --> 01:52:11,790

you know we're getting near the end of

2511

01:52:17,390 --> 01:52:15,300

the show and so we have a maybe five or

2512

01:52:21,020 --> 01:52:17,400

five minutes or so left four or five

2513

01:52:25,990 --> 01:52:21,030

minutes and do you actually have a

2514

01:52:32,390 --> 01:52:26,000

website yes oh and yeah it's a four-top

2515

01:52:34,669 --> 01:52:32,400

you for Capcom it's a UFO our Co P com

2516

01:52:36,439 --> 01:52:34,679

no I mean do you have a personal website

2517

01:52:37,910 --> 01:52:36,449

or is that can you just be found on that

2518

01:52:40,160 --> 01:52:37,920

one

2519

01:52:42,140 --> 01:52:40,170

oh no I'm also on Facebook we have like

2520

01:52:43,970 --> 01:52:42,150

three pages on Facebook we have au port

2521

01:52:47,629 --> 01:52:43,980

cop page we have UFO research center

2522

01:52:49,879 --> 01:52:47,639

Pennsylvania page we have a jar page I

2523

01:52:52,570 --> 01:52:49,889

am the editor of jar magazine which is a

2524

01:52:57,350 --> 01:52:52,580

Journal of abnormal abduction research

2525

01:53:01,760 --> 01:52:57,360

and then I have a personal page also now

2526

01:53:04,250 --> 01:53:01,770

are you are you a retired and you just

2527

01:53:07,729 --> 01:53:04,260

do all this now like this sounds like a

2528

01:53:09,290 --> 01:53:07,739

full-time job it is a full-time job when

2529

01:53:11,870 --> 01:53:09,300

I'm done with you I'll be up here in my

2530

01:53:13,700 --> 01:53:11,880

office till about 4:00 a.m. oh I'll grab

2531

01:53:20,180 --> 01:53:13,710

six hours of sleep and I'll be back at

2532

01:53:22,280 --> 01:53:20,190

it Wow and I retire in 2013 uh-huh

2533

01:53:25,640 --> 01:53:22,290

and then basically this is taking your

2534

01:53:26,990 --> 01:53:25,650

time now we're one more question along

2535

01:53:29,570 --> 01:53:27,000

these lines what's the furthest away

2536

01:53:32,090 --> 01:53:29,580

that the the farther set you will travel

2537

01:53:35,330 --> 01:53:32,100

for a case does it depend on what the

2538

01:53:37,040 --> 01:53:35,340

case is not not really I mean if

2539

01:53:38,330 --> 01:53:37,050

somebody needs are like I said before if

2540

01:53:39,740 --> 01:53:38,340

anybody needs our help whether it's

2541

01:53:42,470 --> 01:53:39,750

something I can do here in the office or

2542

01:53:44,689 --> 01:53:42,480

through the other groups or if they

2543

01:53:46,640 --> 01:53:44,699

require you know but if they need that

2544

01:53:48,320 --> 01:53:46,650

mobile unit on the site of what they

2545

01:53:49,610 --> 01:53:48,330

think they have let's a cattle

2546

01:53:52,700 --> 01:53:49,620

mutilation whatever or whatever that

2547

01:53:55,760 --> 01:53:52,710

whatever comes up if it's within

2548

01:53:57,110 --> 01:53:55,770

Pennsylvania no problem I can be it

2549

01:53:58,310 --> 01:53:57,120

either into Pennsylvania within five

2550

01:53:59,670 --> 01:53:58,320

hours or less

2551  
01:54:01,860 --> 01:53:59,680  
way less

2552  
01:54:04,230 --> 01:54:01,870  
and if it's like say I'm going out to

2553  
01:54:05,730 --> 01:54:04,240  
Missouri to investigate something as

2554  
01:54:06,960 --> 01:54:05,740  
long as they can help with the gas and

2555  
01:54:09,630 --> 01:54:06,970  
tolls I'm on my way

2556  
01:54:14,610 --> 01:54:09,640  
I see now do you have pictures of this

2557  
01:54:16,230 --> 01:54:14,620  
rig we just took the old ones down the

2558  
01:54:21,870 --> 01:54:16,240  
new pictures of the new we just bought a

2559  
01:54:22,980 --> 01:54:21,880  
2016 Ford Transit and and it's something

2560  
01:54:29,640 --> 01:54:22,990  
we always won because the other was a

2561  
01:54:31,230 --> 01:54:29,650  
afford it was a 2012 but it was a little

2562  
01:54:33,030 --> 01:54:31,240  
low top this one we can walk around and

2563  
01:54:34,500 --> 01:54:33,040

inside we have a lot more shelving in it

2564

01:54:36,630 --> 01:54:34,510

we just got it back from those folks

2565

01:54:38,430 --> 01:54:36,640

yesterday and but last three days now

2566

01:54:40,230 --> 01:54:38,440

I've been shuffling equipment in and out

2567

01:54:42,960 --> 01:54:40,240

and in now we'll have everything ready

2568

01:54:45,090 --> 01:54:42,970

to roll in the next by the end of this

2569

01:54:46,410 --> 01:54:45,100

week everything will be finished the

2570

01:54:48,630 --> 01:54:46,420

only thing that's not won't be finished

2571

01:54:50,880 --> 01:54:48,640

for two weeks is the radio people have

2572

01:54:52,140 --> 01:54:50,890

to put all radios back in because we're

2573

01:54:53,820 --> 01:54:52,150

going to do a different setup this time

2574

01:54:55,730 --> 01:54:53,830

we're going to put radios in a console

2575

01:54:57,750 --> 01:54:55,740

between the seats just like a police car

2576

01:54:59,520 --> 01:54:57,760

instead of hanging them off the ceiling

2577

01:55:02,880 --> 01:54:59,530

and all that stuff yeah almost like

2578

01:55:04,320 --> 01:55:02,890

storm chasers in a way oh we make them

2579

01:55:07,800 --> 01:55:04,330

look sick we got more equipment than

2580

01:55:10,770 --> 01:55:07,810

they awesome well this has been a lot of

2581

01:55:15,170 --> 01:55:10,780

fun I've really enjoyed speaking you to

2582

01:55:18,050 --> 01:55:15,180

you tonight and my pleasure yes and so

2583

01:55:21,450 --> 01:55:18,060

anyone out there that would like to

2584

01:55:23,790 --> 01:55:21,460

contact you for a UFO report is it

2585

01:55:25,620 --> 01:55:23,800

instead of going to the other two that

2586

01:55:28,710 --> 01:55:25,630

you hear so much about they're welcome

2587

01:55:29,400 --> 01:55:28,720

to contact you yeah they can contact me

2588

01:55:30,810 --> 01:55:29,410

about anything

2589

01:55:32,070 --> 01:55:30,820

whether it's a question they want

2590

01:55:33,660 --> 01:55:32,080

answered or if there's something I can

2591

01:55:36,000 --> 01:55:33,670

find in my database or they may have a

2592

01:55:39,030 --> 01:55:36,010

photograph they want us to look at we

2593

01:55:40,710 --> 01:55:39,040

use Photoshop cm s7 to go over our

2594

01:55:44,490 --> 01:55:40,720

photographs and a couple other programs

2595

01:55:48,210 --> 01:55:44,500

we have or they they have a case that

2596

01:55:49,470 --> 01:55:48,220

they won't look that the only thing I

2597

01:55:50,820 --> 01:55:49,480

won't do is I won't interfere if

2598

01:55:53,730 --> 01:55:50,830

somebody else is investigating the case

2599

01:55:55,320 --> 01:55:53,740

yeah that makes sense yeah I just I just

2600

01:55:58,290 --> 01:55:55,330

don't do that I mean you know it's just

2601  
01:56:02,550 --> 01:55:58,300  
bad that's just bad jiju yeah but I get

2602  
01:56:04,200 --> 01:56:02,560  
that all right well it's time to go and

2603  
01:56:06,180 --> 01:56:04,210  
I want to thank you so much it's been a

2604  
01:56:09,180 --> 01:56:06,190  
real pleasure and I hope to talk to you

2605  
01:56:11,670 --> 01:56:09,190  
soon oh absolutely any time all right

2606  
01:56:13,080 --> 01:56:11,680
