

A night scene of a marina with a glowing UFO in the sky. The UFO is a saucer-shaped object with a bright light on top and four smaller lights on the sides. The background shows a dark sky, a body of water with reflections, and a marina with several boats docked. The text 'PODCAST UFO LIVE' is overlaid on the right side of the image.

KGRA Radio

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:08,270 --> 00:00:05,370
everything that occurred in the

5
00:00:11,180 --> 00:00:08,280
Rendlesham forest incident that aliens

6
00:00:15,620 --> 00:00:11,190
at all it was completely silent it comes

7
00:00:17,180 --> 00:00:15,630
right over our head he's sick he's also

8
00:00:18,800 --> 00:00:17,190
really standing in the clearing he

9
00:00:20,450 --> 00:00:18,810
turned over to my father and held his

10
00:00:24,670 --> 00:00:20,460
hand and he looked in his eyes and said

11
00:00:30,830 --> 00:00:28,429
welcome to podcast UFO for our live show

12
00:00:33,049 --> 00:00:30,840
we're live every Wednesday at 8 p.m.

13
00:00:35,540 --> 00:00:33,059

Eastern Standard Time on the dark matter

14

00:00:39,229 --> 00:00:35,550

radio network please remember to visit

15

00:00:42,410 --> 00:00:39,239

the website podcast UFO comm for past

16

00:00:44,420 --> 00:00:42,420

episodes blogs and forums during the

17

00:00:46,880 --> 00:00:44,430

show feel free to participate live in

18

00:00:49,779 --> 00:00:46,890

our chat room and don't forget to Like

19

00:00:53,569 --> 00:00:49,789

us on our very active Facebook page

20

00:00:55,430 --> 00:00:53,579

hello and welcome to the show and this

21

00:00:59,060 --> 00:00:55,440

is Martyn Willis your host and I'm

22

00:01:00,439 --> 00:00:59,070

coming from Norris Sisk Russia which is

23

00:01:03,740 --> 00:01:00,449

right on the Black Sea

24

00:01:05,509 --> 00:01:03,750

beautiful town hoppin little town lots

25

00:01:09,530 --> 00:01:05,519

of people here our guest for this

26
00:01:12,679 --> 00:01:09,540
evening is Peeta celebi's I'm gonna ask

27
00:01:15,740 --> 00:01:12,689
him how to pronounce that better than

28
00:01:18,590 --> 00:01:15,750
that he has written a book called UFOs

29
00:01:21,170 --> 00:01:18,600
over Poland in a land of high

30
00:01:23,330 --> 00:01:21,180
strangeness should be a great topic

31
00:01:25,609 --> 00:01:23,340
great guest before that we have

32
00:01:29,270 --> 00:01:25,619
Alejandro Rojas coming up with the news

33
00:01:31,130 --> 00:01:29,280
in a minute and I want to thank you

34
00:01:33,649 --> 00:01:31,140
listeners that support the show you can

35
00:01:35,630 --> 00:01:33,659
for just two dollars per month you can

36
00:01:38,600 --> 00:01:35,640
listen to full shows plus the entire

37
00:01:40,850 --> 00:01:38,610
archives if you can't support the show

38
00:01:43,760 --> 00:01:40,860

you'd still like to listen for free you

39

00:01:46,670 --> 00:01:43,770

can come to podcast UFO com every

40

00:01:50,780 --> 00:01:46,680

Wednesday evening at 8 to 10 p.m.

41

00:01:53,630 --> 00:01:50,790

Eastern Daylight Savings Time and that's

42

00:01:56,480 --> 00:01:53,640

the same if you're overseas that's the

43

00:01:59,719 --> 00:01:56,490

same if you google it New York City time

44

00:02:02,480 --> 00:01:59,729

same time and we also have a chat room

45

00:02:06,160 --> 00:02:02,490

on our website sir you're welcome to

46

00:02:12,020 --> 00:02:06,170

jump in that and we take calls at 6:03

47

00:02:13,610 --> 00:02:12,030

967 403 o if you will also want to

48

00:02:14,030 --> 00:02:13,620

listen to the show for free you can

49

00:02:16,509 --> 00:02:14,040

listen to

50

00:02:19,069 --> 00:02:16,519

every Thursday at 10:00 to midnight

51
00:02:21,440 --> 00:02:19,079
Eastern Daylight Savings Time once again

52
00:02:25,699 --> 00:02:21,450
and that's on the Dark Matter digital

53
00:02:28,399 --> 00:02:25,709
network so how are you alejandro I am

54
00:02:30,710 --> 00:02:28,409
good how are you my friend I'm good and

55
00:02:32,509 --> 00:02:30,720
glad to be here so early in the morning

56
00:02:33,500 --> 00:02:32,519
how is everything going over there in

57
00:02:35,509 --> 00:02:33,510
the States

58
00:02:38,330 --> 00:02:35,519
everything is going really well keeping

59
00:02:41,410 --> 00:02:38,340
very busy and as usual you know there's

60
00:02:44,449 --> 00:02:41,420
a lots of interesting news out there so

61
00:02:47,929 --> 00:02:44,459
which leaves me in a quandary and

62
00:02:49,129 --> 00:02:47,939
baffled on a regular basis yeah even

63
00:02:51,440 --> 00:02:49,139

when it feels like there's nothing going

64

00:02:53,569 --> 00:02:51,450

on there's always something going on

65

00:02:57,369 --> 00:02:53,579

yeah even the weeks where the news is

66

00:03:01,250 --> 00:02:57,379

slow there's something that happened so

67

00:03:03,589 --> 00:03:01,260

but days like today or weeks like this

68

00:03:06,289 --> 00:03:03,599

there's a lot going on so which keeps

69

00:03:08,690 --> 00:03:06,299

things exciting but like we'll talk

70

00:03:10,819 --> 00:03:08,700

about today you know everything is all

71

00:03:13,089 --> 00:03:10,829

over the board and leaves you scratching

72

00:03:15,860 --> 00:03:13,099

your head what the heck ah

73

00:03:17,509 --> 00:03:15,870

so right so what's the first thing you

74

00:03:20,000 --> 00:03:17,519

want to talk about that sounded like

75

00:03:22,219 --> 00:03:20,010

your peanut butter baby impression and

76
00:03:23,719 --> 00:03:22,229
you know the younger people are gonna

77
00:03:25,610 --> 00:03:23,729
crack up do you know who the peanut

78
00:03:28,399 --> 00:03:25,620
butter baby is no I'm not young enough

79
00:03:29,809 --> 00:03:28,409
for cool enough it's it's a viral gift

80
00:03:31,729 --> 00:03:29,819
out there where there's this baby

81
00:03:33,110 --> 00:03:31,739
sitting on a table that got into some

82
00:03:36,500 --> 00:03:33,120
peanut butter and spread it all over

83
00:03:38,360 --> 00:03:36,510
itself and the mom comes up walks up and

84
00:03:41,479 --> 00:03:38,370
goes what are you doing and the baby

85
00:03:43,250 --> 00:03:41,489
just looks over and goes ah kind of like

86
00:03:44,839 --> 00:03:43,260
you just did and that's how I thought

87
00:03:46,580 --> 00:03:44,849
maybe that's what you're doing but it's

88
00:03:47,149 --> 00:03:46,590

hilarious you got to see it it's very

89

00:03:50,089 --> 00:03:47,159

funny

90

00:03:52,520 --> 00:03:50,099

but let's talk about UFOs so here are

91

00:03:56,479 --> 00:03:52,530

the couple of stories so here are people

92

00:03:58,300 --> 00:03:56,489

finding different things so I want to

93

00:04:02,240 --> 00:03:58,310

talk about both of these first of all

94

00:04:04,219 --> 00:04:02,250

Tom DeLonge so you know we've talked

95

00:04:07,909 --> 00:04:04,229

about him over the years because he's a

96

00:04:11,659 --> 00:04:07,919

UFO buff but he recently did some

97

00:04:14,089 --> 00:04:11,669

interviews with George Knapp of klas

98

00:04:16,789 --> 00:04:14,099

he's an investigative reporter in Las

99

00:04:19,069 --> 00:04:16,799

Vegas part of what they call the i-team

100

00:04:21,469 --> 00:04:19,079

you know every local news has a team

101

00:04:24,110 --> 00:04:21,479

that goes in to investigate you know

102

00:04:26,000 --> 00:04:24,120

wrongdoings or what have you but George

103

00:04:27,410 --> 00:04:26,010

of course is into UFOs one of the best

104

00:04:29,720 --> 00:04:27,420

UFO journalist

105

00:04:31,190 --> 00:04:29,730

he's just a great journalist overall but

106

00:04:34,580 --> 00:04:31,200

he's been able to become friends with

107

00:04:39,260 --> 00:04:34,590

Tom DeLonge who is a superstar rock and

108

00:04:42,440 --> 00:04:39,270

roll guy part of blink-182 but Tom

109

00:04:46,190 --> 00:04:42,450

DeLonge has pretty much ditched left

110

00:04:49,100 --> 00:04:46,200

blink-182 and rock and roll although

111

00:04:51,590 --> 00:04:49,110

he's still doing it but he's got his own

112

00:04:54,320 --> 00:04:51,600

band called Angels and Airwaves but

113

00:04:56,480 --> 00:04:54,330

everything he's doing now is UFO related

114

00:04:58,520 --> 00:04:56,490

so he's doing these fiction he just

115

00:05:01,970 --> 00:04:58,530

released a book called secret machines

116

00:05:06,050 --> 00:05:01,980

it's the first of several books and it's

117

00:05:08,510 --> 00:05:06,060

fiction based on reality and he says you

118

00:05:10,820 --> 00:05:08,520

know he's got these government insiders

119

00:05:12,380 --> 00:05:10,830

that are telling him things and he's

120

00:05:14,870 --> 00:05:12,390

gonna release some of this shocking

121

00:05:17,540 --> 00:05:14,880

information he's essentially like the

122

00:05:19,760 --> 00:05:17,550

story I wrote I was Tom DeLonge says he

123

00:05:21,890 --> 00:05:19,770

will be the conduit for UFO disclosure

124

00:05:24,260 --> 00:05:21,900

and that's what he's saying he's saying

125

00:05:26,920 --> 00:05:24,270

the government has hidden information

126

00:05:29,330 --> 00:05:26,930

that they've sent out disinformation

127

00:05:31,880 --> 00:05:29,340

originally they wanted to slowly get the

128

00:05:34,160 --> 00:05:31,890

information out and now he's kind of

129

00:05:37,790 --> 00:05:34,170

been chosen to be the guy to get the

130

00:05:39,470 --> 00:05:37,800

real info out there by some of these

131

00:05:41,660 --> 00:05:39,480

insiders

132

00:05:43,490 --> 00:05:41,670

he says he'll tell more over time but

133

00:05:46,520 --> 00:05:43,500

some of the things that he says they

134

00:05:49,840 --> 00:05:46,530

have told him is that there is a

135

00:05:52,910 --> 00:05:49,850

government program around UFOs

136

00:05:55,790 --> 00:05:52,920

apparently I think he's alluding to that

137

00:05:59,030 --> 00:05:55,800

you know there are aliens and/or UFOs at

138

00:06:03,230 --> 00:05:59,040

area 51 but he does say he learned that

139

00:06:07,070 --> 00:06:03,240

a UFO there happened UFO crashes that

140

00:06:10,100 --> 00:06:07,080

have been recovered that they have

141

00:06:12,670 --> 00:06:10,110

received a body that freaked out the

142

00:06:15,170 --> 00:06:12,680

government and that's all he said so far

143

00:06:16,850 --> 00:06:15,180

but I guess he's going to do more

144

00:06:20,780 --> 00:06:16,860

interviews with George Knapp as time

145

00:06:23,630 --> 00:06:20,790

goes on to reveal his alleged insider

146

00:06:25,400 --> 00:06:23,640

info yeah I've been following that and

147

00:06:29,720 --> 00:06:25,410

the first thing I think of right off the

148

00:06:32,060 --> 00:06:29,730

but is why would the government or any

149

00:06:33,860 --> 00:06:32,070

other entity choose him to reveal all

150

00:06:36,470 --> 00:06:33,870

that he answers that question actually

151
00:06:38,120 --> 00:06:36,480
he says they chose him because he has

152
00:06:39,850 --> 00:06:38,130
the ear of a younger audience

153
00:06:41,740 --> 00:06:39,860
essentially

154
00:06:45,219 --> 00:06:41,750
and that's the type of audience I guess

155
00:06:47,439 --> 00:06:45,229
they want to reach well do you think he

156
00:06:49,960 --> 00:06:47,449
has that type of following that large of

157
00:06:53,110 --> 00:06:49,970
one he has a huge following I mean he's

158
00:06:56,770 --> 00:06:53,120
a major rock star the issue is you know

159
00:07:00,809 --> 00:06:56,780
our rock stars credible and I think most

160
00:07:03,159 --> 00:07:00,819
people would say no and not to this

161
00:07:05,260 --> 00:07:03,169
DeLong or anything because you know I've

162
00:07:07,240 --> 00:07:05,270
got well we all have a lot of rock stars

163
00:07:09,070 --> 00:07:07,250

that we love to death but they're just

164

00:07:11,529 --> 00:07:09,080

kind of like Kardashians or something

165

00:07:13,330 --> 00:07:11,539

they're not seen as you know scientists

166

00:07:16,719 --> 00:07:13,340

or they've seen people who are prone to

167

00:07:18,370 --> 00:07:16,729

having some pretty wild ideas and he has

168

00:07:22,089 --> 00:07:18,380

a history of having some pretty wild

169

00:07:25,270 --> 00:07:22,099

lyrics so I don't know that the

170

00:07:27,939 --> 00:07:25,280

credibility is there so that certainly I

171

00:07:29,920 --> 00:07:27,949

think would be an issue and I know from

172

00:07:32,140 --> 00:07:29,930

writing stories and I'm sure you find

173

00:07:33,839 --> 00:07:32,150

this too when we write about celebrities

174

00:07:36,070 --> 00:07:33,849

and what they think about UFOs I

175

00:07:37,450 --> 00:07:36,080

appreciate that they talk about it and

176

00:07:39,460 --> 00:07:37,460

they're bold enough to talk about their

177

00:07:42,700 --> 00:07:39,470

interests but a lot of people probably

178

00:07:45,339 --> 00:07:42,710

people who aren't as into whatever that

179

00:07:47,189 --> 00:07:45,349

person does are like why should I listen

180

00:07:49,540 --> 00:07:47,199

to that person they're just a stupid

181

00:07:53,290 --> 00:07:49,550

rocks are they're just a stupid

182

00:07:54,939 --> 00:07:53,300

celebrity what do they know but so I

183

00:07:59,110 --> 00:07:54,949

think that's how a lot of people feel so

184

00:08:00,730 --> 00:07:59,120

you're right I I don't know whether or

185

00:08:03,010 --> 00:08:00,740

not he would be the best person to

186

00:08:05,909 --> 00:08:03,020

choose so it's a good question you know

187

00:08:08,230 --> 00:08:05,919

I just hope that he's not being duped

188

00:08:10,749 --> 00:08:08,240

yeah I know we more or less talked about

189

00:08:13,659 --> 00:08:10,759

that a little bit on your show and I

190

00:08:17,020 --> 00:08:13,669

wondered if you know somehow Richard

191

00:08:19,930 --> 00:08:17,030

Doty could be involved in this and has

192

00:08:22,089 --> 00:08:19,940

he long since retired do you know what

193

00:08:25,870 --> 00:08:22,099

his status is no he's still a police

194

00:08:27,670 --> 00:08:25,880

officer from what I understand and he's

195

00:08:30,070 --> 00:08:27,680

a police officer in Grant's New Mexico

196

00:08:32,440 --> 00:08:30,080

and he's always popping in to the scene

197

00:08:36,040 --> 00:08:32,450

it doesn't seem like certainly not a

198

00:08:38,440 --> 00:08:36,050

year goes by without him sending an

199

00:08:42,990 --> 00:08:38,450

email somewhere or talking to somebody

200

00:08:45,550 --> 00:08:43,000

about his wild ideas and his alleged

201
00:08:48,550 --> 00:08:45,560
knowledge of similar things that belongs

202
00:08:50,800 --> 00:08:48,560
talking about I know in fact that I've

203
00:08:53,120 --> 00:08:50,810
heard that he even converses with george

204
00:08:54,800 --> 00:08:53,130
knapp on occasion so

205
00:08:57,259 --> 00:08:54,810
yeah you never know hopefully it's not

206
00:09:01,550 --> 00:08:57,269
someone like that that has fooled him

207
00:09:03,710 --> 00:09:01,560
into believing some wild stories so

208
00:09:07,040 --> 00:09:03,720
there's a Richard Doty on Facebook I

209
00:09:08,389 --> 00:09:07,050
think it's Richard Doty jr. maybe I

210
00:09:11,360 --> 00:09:08,399
don't know I don't I don't believe that

211
00:09:14,870 --> 00:09:11,370
the real Richard Doty is on Facebook I

212
00:09:17,780 --> 00:09:14,880
see yeah that I could be wrong if it

213
00:09:20,449 --> 00:09:17,790

could have changed but yeah doesn't

214

00:09:21,860 --> 00:09:20,459

appear so so yeah I know you've written

215

00:09:24,650 --> 00:09:21,870

about him have you ever thought about

216

00:09:29,120 --> 00:09:24,660

interviewing him directly oh yeah I

217

00:09:32,809 --> 00:09:29,130

didn't you have know Jason and Maureen

218

00:09:35,150 --> 00:09:32,819

did Oh with open mind about five years

219

00:09:37,759 --> 00:09:35,160

ago so we do have that online in effect

220

00:09:41,030 --> 00:09:37,769

I used some of the pictures from our

221

00:09:43,519 --> 00:09:41,040

interview with him but he's even you

222

00:09:46,189 --> 00:09:43,529

know he came to our conference in 2015

223

00:09:48,559 --> 00:09:46,199

well he didn't stay for very long he

224

00:09:51,100 --> 00:09:48,569

only came in during bob lazar stock and

225

00:09:54,309 --> 00:09:51,110

then he snuck out with george knapp and

226

00:09:55,970 --> 00:09:54,319

jeremy Korbel and bob lazar they all

227

00:09:59,720 --> 00:09:55,980

hung out together

228

00:10:01,699 --> 00:09:59,730

Reuben Langdon and because I don't know

229

00:10:05,389 --> 00:10:01,709

if they know him but he certainly seems

230

00:10:08,300 --> 00:10:05,399

to be into Bob was our story so yeah

231

00:10:11,179 --> 00:10:08,310

there's another story about a real

232

00:10:13,480 --> 00:10:11,189

government insider and this comes from a

233

00:10:15,710 --> 00:10:13,490

very credible source this is Leslie Kane

234

00:10:18,550 --> 00:10:15,720

actually it comes directly from this

235

00:10:21,319 --> 00:10:18,560

government insider so Leslie Kane

236

00:10:25,300 --> 00:10:21,329

interviewed by an a man by the name of

237

00:10:28,790 --> 00:10:25,310

Chris Mellon Chris Mellon has worked

238

00:10:31,460 --> 00:10:28,800

he's retired retired now but he worked

239

00:10:36,889 --> 00:10:31,470

his entire career with the Department of

240

00:10:40,009 --> 00:10:36,899

Defense and in intelligence and his job

241

00:10:42,850 --> 00:10:40,019

was to do such things as audit black

242

00:10:47,179 --> 00:10:42,860

projects these compartmentalized

243

00:10:49,790 --> 00:10:47,189

projects he's really secret projects so

244

00:10:52,519 --> 00:10:49,800

this interview is fascinating because

245

00:10:55,400 --> 00:10:52,529

this guy has had a lifelong interested

246

00:10:57,980 --> 00:10:55,410

in UFOs he became interested when he was

247

00:11:01,040 --> 00:10:57,990

just a kid and his school's principal

248

00:11:03,410 --> 00:11:01,050

caught on film a video or not a video

249

00:11:06,049 --> 00:11:03,420

but a movie film you know because that's

250

00:11:06,410 --> 00:11:06,059

what they had back then a UFO and he

251
00:11:08,900 --> 00:11:06,420
said

252
00:11:10,790 --> 00:11:08,910
fascinating he didn't believe it was it

253
00:11:12,680 --> 00:11:10,800
was hoax he thought it was real ever

254
00:11:15,800 --> 00:11:12,690
since then he's read everything and been

255
00:11:17,990 --> 00:11:15,810
really into the topic now his interest

256
00:11:20,870 --> 00:11:18,000
in UFOs was not something he shared with

257
00:11:22,699 --> 00:11:20,880
his colleagues only his friends and and

258
00:11:24,079 --> 00:11:22,709
those colleagues who became close

259
00:11:26,449 --> 00:11:24,089
friends but it's not something that he

260
00:11:28,340 --> 00:11:26,459
really talked about although one Navy

261
00:11:31,460 --> 00:11:28,350
personnel a Navy man

262
00:11:33,680 --> 00:11:31,470
I guess heard about his interest and

263
00:11:36,530 --> 00:11:33,690

called him with this remarkable sighting

264

00:11:38,329 --> 00:11:36,540

that he had but Mellon goes on to say

265

00:11:40,519 --> 00:11:38,339

cuz Kane asked him well what about

266

00:11:42,769 --> 00:11:40,529

Clinton would she really be able to find

267

00:11:45,019 --> 00:11:42,779

anything if she looked for UFOs and he

268

00:11:48,710 --> 00:11:45,029

said no he said I highly doubt it

269

00:11:51,050 --> 00:11:48,720

first of all compartmentalized programs

270

00:11:55,370 --> 00:11:51,060

not even the Secretary of State has

271

00:11:58,970 --> 00:11:55,380

access to now they can't lie and they

272

00:12:02,030 --> 00:11:58,980

don't you know they release their

273

00:12:04,790 --> 00:12:02,040

budgets to the government and everything

274

00:12:07,129 --> 00:12:04,800

but as far as details about different

275

00:12:08,960 --> 00:12:07,139

programs you know they just have to have

276

00:12:10,639 --> 00:12:08,970

a need-to-know and the president

277

00:12:12,829 --> 00:12:10,649

wouldn't have a need-to-know so most

278

00:12:15,889 --> 00:12:12,839

likely she would not be able to gain

279

00:12:17,870 --> 00:12:15,899

access to those programs however beyond

280

00:12:22,400 --> 00:12:17,880

that he says he doesn't think there are

281

00:12:25,100 --> 00:12:22,410

such programs that he visited area 51 he

282

00:12:28,639 --> 00:12:25,110

literally audited black projects and he

283

00:12:32,600 --> 00:12:28,649

found no inkling of any secret UFO

284

00:12:34,639 --> 00:12:32,610

projects going on he says actually

285

00:12:37,730 --> 00:12:34,649

something very similar to John Alexander

286

00:12:39,710 --> 00:12:37,740

who was another guy in he was in army

287

00:12:41,630 --> 00:12:39,720

intelligence of course who looked for

288

00:12:44,240 --> 00:12:41,640

the UFO secrets in the government and

289

00:12:45,949 --> 00:12:44,250

military john alexander assumed there

290

00:12:48,230 --> 00:12:45,959

were some and found that there weren't

291

00:12:51,380 --> 00:12:48,240

and he says something very similar to

292

00:12:53,840 --> 00:12:51,390

what Chris Mullin says which is it's

293

00:12:56,870 --> 00:12:53,850

just they are so freaked out by the

294

00:12:58,519 --> 00:12:56,880

topic that when a real case happens they

295

00:13:00,620 --> 00:12:58,529

they want nothing to do with it they

296

00:13:01,519 --> 00:13:00,630

don't want to be ridiculed they don't

297

00:13:03,920 --> 00:13:01,529

want to be made fun of

298

00:13:06,319 --> 00:13:03,930

they just feel awkward and strange about

299

00:13:08,150 --> 00:13:06,329

it so they want to kind of move it along

300

00:13:10,160 --> 00:13:08,160

and get it off their desk as soon as

301
00:13:13,069 --> 00:13:10,170
possible and just try to kind of put

302
00:13:15,259 --> 00:13:13,079
their bury their head in the sand over

303
00:13:17,329 --> 00:13:15,269
the whole incident and move on he's

304
00:13:20,000 --> 00:13:17,339
found that to be the case which he says

305
00:13:22,490 --> 00:13:20,010
is extremely frustrated

306
00:13:25,760 --> 00:13:22,500
and he says he it's very frustrating to

307
00:13:28,310 --> 00:13:25,770
him that you know the topic isn't taken

308
00:13:31,370 --> 00:13:28,320
more seriously and so he's joined this

309
00:13:34,580 --> 00:13:31,380
group UFO data which is a group of

310
00:13:36,950 --> 00:13:34,590
scientists who are hoping to kind of

311
00:13:39,500 --> 00:13:36,960
create some UFO listening posts these

312
00:13:42,080 --> 00:13:39,510
UFOs stations where they can catch video

313
00:13:43,760 --> 00:13:42,090

and other telemetry of UFOs to try to

314

00:13:45,410 --> 00:13:43,770

understand them better and he

315

00:13:47,330 --> 00:13:45,420

essentially says you're wasting your

316

00:13:48,800 --> 00:13:47,340

time going to the government and telling

317

00:13:50,780 --> 00:13:48,810

them to spill the beans about their

318

00:13:52,430 --> 00:13:50,790

cover-up because all that's going to do

319

00:13:53,810 --> 00:13:52,440

is upset people and they're not they're

320

00:13:56,570 --> 00:13:53,820

gonna be less inclined to take you

321

00:13:59,030 --> 00:13:56,580

seriously he said what really needs to

322

00:14:00,680 --> 00:13:59,040

happen is some science and we have to go

323

00:14:03,410 --> 00:14:00,690

out there and find the evidence and

324

00:14:05,300 --> 00:14:03,420

that's what we have to bring to the

325

00:14:08,540 --> 00:14:05,310

mainstream to get them more involved

326

00:14:11,480 --> 00:14:08,550

which I do agree with that you know so

327

00:14:14,060 --> 00:14:11,490

yeah really interesting interview it's

328

00:14:16,100 --> 00:14:14,070

it's somewhat lengthy she posted that on

329

00:14:17,690 --> 00:14:16,110

Huffington Post they have since been

330

00:14:19,910 --> 00:14:17,700

putting it on the front page of

331

00:14:22,910 --> 00:14:19,920

Huffington Post and I guess it's been

332

00:14:26,360 --> 00:14:22,920

doing really well now I wonder if this

333

00:14:30,440 --> 00:14:26,370

is the status quo or the way things have

334

00:14:34,330 --> 00:14:30,450

changed since project us since Project

335

00:14:38,870 --> 00:14:34,340

Blue Book was closed back in 1969 or

336

00:14:40,970 --> 00:14:38,880

well what do you think about that well

337

00:14:43,490 --> 00:14:40,980

that's what's interesting and it's hard

338

00:14:46,670 --> 00:14:43,500

to know I think you know I interviewed

339

00:14:50,540 --> 00:14:46,680

Richard Hoffman fairly recently he's at

340

00:14:53,350 --> 00:14:50,550

Alabama State Director for MUFON Alabama

341

00:14:56,570 --> 00:14:53,360

and Mississippi and he works in an IT

342

00:14:59,150 --> 00:14:56,580

for a defense and different intelligent

343

00:15:01,610 --> 00:14:59,160

groups and he makes a few points that

344

00:15:03,950 --> 00:15:01,620

the the information is going somewhere

345

00:15:06,320 --> 00:15:03,960

that there are people with an interest

346

00:15:09,320 --> 00:15:06,330

and the information is going somewhere

347

00:15:12,290 --> 00:15:09,330

and he points to many cases where the

348

00:15:18,410 --> 00:15:12,300

government has said like agreement or I

349

00:15:21,500 --> 00:15:18,420

mean you know cases where they were told

350

00:15:27,260 --> 00:15:21,510

to send that information up and they

351

00:15:29,420 --> 00:15:27,270

never see their UFO case again and it

352

00:15:32,000 --> 00:15:29,430

happened several times Gordon Cooper for

353

00:15:33,520 --> 00:15:32,010

instance yeah he was told send his video

354

00:15:36,550 --> 00:15:33,530

to this place in it

355

00:15:38,050 --> 00:15:36,560

or when it comes to the nuclear cases

356

00:15:41,110 --> 00:15:38,060

and I talked to Robert Hastings about

357

00:15:43,120 --> 00:15:41,120

this where you know they're told well

358

00:15:45,370 --> 00:15:43,130

when they see a UFO send that

359

00:15:47,860 --> 00:15:45,380

information to Air Force intelligence

360

00:15:50,260 --> 00:15:47,870

and it goes there and they never hear

361

00:15:51,490 --> 00:15:50,270

about it so it seems like the data is

362

00:15:55,150 --> 00:15:51,500

being collected

363

00:15:57,340 --> 00:15:55,160

but maybe but what's being done beyond

364

00:15:58,960 --> 00:15:57,350

that and what can be done beyond that

365

00:16:01,750 --> 00:15:58,970

maybe there's not much they can do but

366

00:16:03,700 --> 00:16:01,760

file those cases away and it's kind of

367

00:16:06,970 --> 00:16:03,710

like the x-files they have this x-files

368

00:16:09,460 --> 00:16:06,980

of of cold cases where you know we don't

369

00:16:12,040 --> 00:16:09,470

know what the hell we filed it away and

370

00:16:15,280 --> 00:16:12,050

our mysterious you know cold cases file

371

00:16:16,960 --> 00:16:15,290

and and that's all we can do if they

372

00:16:19,060 --> 00:16:16,970

can't really investigate something that

373

00:16:21,640 --> 00:16:19,070

happened in the past or something they

374

00:16:26,410 --> 00:16:21,650

don't understand so in that scenario

375

00:16:28,390 --> 00:16:26,420

that could be the case and then it goes

376

00:16:30,220 --> 00:16:28,400

beyond you know some of these things who

377

00:16:32,680 --> 00:16:30,230

Tom DeLonge is talking about was there a

378

00:16:34,780 --> 00:16:32,690

crash were there aliens at area 51 this

379

00:16:36,100 --> 00:16:34,790

sort of thing of course if that's the

380

00:16:40,000 --> 00:16:36,110

case then there's something bigger going

381

00:16:43,810 --> 00:16:40,010

on but besides you know the testimony of

382

00:16:46,990 --> 00:16:43,820

one lone person Bob Lazar there is no

383

00:16:49,450 --> 00:16:47,000

evidence whatsoever that that really

384

00:16:52,540 --> 00:16:49,460

happened and up beyond stories that's

385

00:16:54,220 --> 00:16:52,550

all we have even with Roswell so it's so

386

00:16:56,230 --> 00:16:54,230

hard like I said you know who do you

387

00:17:01,150 --> 00:16:56,240

believe that Tom Lange Tom DeLonge

388

00:17:03,910 --> 00:17:01,160

version the Chris melon version what the

389

00:17:07,360 --> 00:17:03,920

heck is going on all good stuff now is

390

00:17:09,040 --> 00:17:07,370

that it for tonight that is it for

391

00:17:12,010 --> 00:17:09,050

tonight one last thing because it is a

392

00:17:15,340 --> 00:17:12,020

fun story this is a story that came from

393

00:17:19,270 --> 00:17:15,350

MUFON it was a MUFON report and posted

394

00:17:22,449 --> 00:17:19,280

by Roger Marsh but this is a testimony

395

00:17:25,090 --> 00:17:22,459

from a couple who and the the the

396

00:17:27,340 --> 00:17:25,100

husband of this married couple has since

397

00:17:30,360 --> 00:17:27,350

passed away but this is from Cornwall

398

00:17:32,590 --> 00:17:30,370

you know right on the ocean they're

399

00:17:34,930 --> 00:17:32,600

essentially these people said they were

400

00:17:39,040 --> 00:17:34,940

heard they got some fish and chips they

401

00:17:41,260 --> 00:17:39,050

drove to the cliffs of st. dust in

402

00:17:42,970 --> 00:17:41,270

Cornwall to look at the water and have a

403

00:17:43,630 --> 00:17:42,980

nice little evening dinner they're in

404

00:17:45,970 --> 00:17:43,640

their car

405

00:17:47,350 --> 00:17:45,980

well they said a person came walking up

406

00:17:50,289 --> 00:17:47,360

the cliffs who looked like

407

00:17:54,130 --> 00:17:50,299

old-time olden times smuggler they said

408

00:17:56,470 --> 00:17:54,140

from the 17 or 1800s and that this

409

00:17:59,590 --> 00:17:56,480

person had a large wooden staff and a

410

00:18:02,289 --> 00:17:59,600

small barrel or keg under his right arm

411

00:18:05,260 --> 00:18:02,299

it's they said that it reminded him of

412

00:18:07,330 --> 00:18:05,270

the television show Poldark if anybody's

413

00:18:11,080 --> 00:18:07,340

seen that they play that on PBS here in

414

00:18:13,120 --> 00:18:11,090

the US so they saw this guy and it was

415

00:18:15,490 --> 00:18:13,130

really windy and he disappeared right

416

00:18:18,070 --> 00:18:15,500

after that and the reason it becomes a

417

00:18:21,430 --> 00:18:18,080

UFO story is that right behind him was

418

00:18:24,130 --> 00:18:21,440

this white orb this ball that kind of

419

00:18:26,440 --> 00:18:24,140

blew off they said it was spinning super

420

00:18:28,390 --> 00:18:26,450

quickly and even though it was windy it

421

00:18:31,570 --> 00:18:28,400

wasn't affected at all by the wind and

422

00:18:35,799 --> 00:18:31,580

then it flew away so just kind of a

423

00:18:39,970 --> 00:18:35,809

really interesting weird story they felt

424

00:18:42,580 --> 00:18:39,980

that this perhaps ghostly apparition was

425

00:18:45,039 --> 00:18:42,590

related to their UFO sighting and and

426
00:18:47,440 --> 00:18:45,049
maybe it was a ghost some opening and

427
00:18:50,890 --> 00:18:47,450
portal in a dimension but it's just kind

428
00:18:53,740 --> 00:18:50,900
of a fun story that we just posted today

429
00:18:59,860 --> 00:18:53,750
and these stories can be seen on open

430
00:19:01,810 --> 00:18:59,870
minds dot TV and that's it also I help

431
00:19:04,690 --> 00:19:01,820
you with the podcast with the news every

432
00:19:06,940 --> 00:19:04,700
Monday open minds UFO radio right oh

433
00:19:09,490 --> 00:19:06,950
thanks a lot all right thank you

434
00:19:11,260 --> 00:19:09,500
talk to you next week yeah we'll talk to

435
00:19:14,260 --> 00:19:11,270
you soon have a great time out there and

436
00:19:16,659 --> 00:19:14,270
I have a great show now a little bit

437
00:19:19,470 --> 00:19:16,669
about our guest it's really hard for me

438
00:19:24,340 --> 00:19:19,480

to pronounce his name he was born in

439

00:19:26,590 --> 00:19:24,350

1986 in Poland and Piatra syllabus holds

440

00:19:27,789 --> 00:19:26,600

a MA in history and a BA in political

441

00:19:30,909 --> 00:19:27,799

sciences

442

00:19:33,580 --> 00:19:30,919

he's a well known polish writer and a

443

00:19:36,930 --> 00:19:33,590

journalist specializes in French science

444

00:19:41,770 --> 00:19:36,940

and paranormal phenomena co-founder of

445

00:19:46,299 --> 00:19:41,780

infra org dot pl website collecting UFO

446

00:19:49,539 --> 00:19:46,309

reports long-term ufological publisher

447

00:19:52,180 --> 00:19:49,549

and contributor to ufological magazines

448

00:19:59,200 --> 00:19:52,190

and websites in english he writes

449

00:20:00,820 --> 00:19:59,210

regularly on one et that's Oh n et dot

450

00:20:04,360 --> 00:20:00,830

pl the most

451
00:20:05,740 --> 00:20:04,370
our peeler polish web portal for the now

452
00:20:10,360 --> 00:20:05,750
there's a lot of things hard to

453
00:20:13,350 --> 00:20:10,370
pronounce here the knees in a sweat

454
00:20:15,430 --> 00:20:13,360
the oldest polish monthly publication

455
00:20:18,850 --> 00:20:15,440
devoted to fringe and science and

456
00:20:22,810 --> 00:20:18,860
paranormal phenomena he is the whole

457
00:20:26,289 --> 00:20:22,820
author of the true UFOs a book in Polish

458
00:20:28,000 --> 00:20:26,299
summarizing UFO phenomena and so that's

459
00:20:32,200 --> 00:20:28,010
it in a nutshell we'll be talking right

460
00:20:35,919 --> 00:20:32,210
now to Piatra welcome to the show I met

461
00:20:37,779 --> 00:20:35,929
him you know I probably didn't do a very

462
00:20:39,340 --> 00:20:37,789
good job pronouncing your name if you

463
00:20:42,129 --> 00:20:39,350

wouldn't mind could you pronounce your

464

00:20:45,159 --> 00:20:42,139

name for the listening audience my name

465

00:20:50,470 --> 00:20:45,169

is Peter chillin guys and I'm aware that

466

00:20:53,830 --> 00:20:50,480

it may be how to pronounce by people

467

00:20:57,430 --> 00:20:53,840

speaking in English but also many people

468

00:21:01,289 --> 00:20:57,440

in Poland have problems with my my

469

00:21:03,639 --> 00:21:01,299

surname so well that's good to know

470

00:21:05,710 --> 00:21:03,649

can you tell the listening audience

471

00:21:06,730 --> 00:21:05,720

we're gonna get into your book here in a

472

00:21:09,850 --> 00:21:06,740

minute

473

00:21:12,970 --> 00:21:09,860

and it's called UFOs over Poland land of

474

00:21:16,360 --> 00:21:12,980

high strangeness of like the title it's

475

00:21:21,060 --> 00:21:16,370

in English and can you tell the audience

476
00:21:28,600 --> 00:21:24,340
I'm interested in UFOs on the paranormal

477
00:21:34,210 --> 00:21:28,610
since titled as many other researchers

478
00:21:39,090 --> 00:21:34,220
and authors but the main reason of my

479
00:21:42,750 --> 00:21:39,100
interest was my personal sighting of UFO

480
00:21:44,820 --> 00:21:42,760
when I was a child it was a

481
00:21:46,230 --> 00:21:44,830
very interesting exciting in fact

482
00:21:50,210 --> 00:21:46,240
because it it

483
00:21:55,140 --> 00:21:50,220
I saw a typical flying saucer

484
00:22:00,500 --> 00:21:55,150
but I wasn't abducted I'm not a UFO buff

485
00:22:05,060 --> 00:22:00,510
in fact I tend to research the topic

486
00:22:07,250 --> 00:22:05,070
rather in scientific manner and from

487
00:22:10,830 --> 00:22:07,260
historical perspective because I'm

488
00:22:14,970 --> 00:22:10,840

history and by education so I try to

489

00:22:20,150 --> 00:22:14,980

find some historical parallels in the

490

00:22:23,450 --> 00:22:20,160

phenomenon but also I must say that my

491

00:22:27,900 --> 00:22:23,460

grandmother stories about strange

492

00:22:30,600 --> 00:22:27,910

occurrences in her family also started

493

00:22:33,830 --> 00:22:30,610

my interest in in paranormal and and

494

00:22:38,310 --> 00:22:33,840

strange phenomena because the UFO is not

495

00:22:43,910 --> 00:22:38,320

only fact of my interest in in the field

496

00:22:48,120 --> 00:22:43,920

I'm working as a publisher and author in

497

00:22:51,540 --> 00:22:48,130

his initial magazine in on a spell where

498

00:22:56,880 --> 00:22:51,550

I'm writing about fine science

499

00:23:01,130 --> 00:22:56,890

paranormal and other so UFOs as I said

500

00:23:04,920 --> 00:23:01,140

before on yeah I've heard of interest

501
00:23:08,130 --> 00:23:04,930
yep now and what prompted you to write

502
00:23:14,760 --> 00:23:08,140
this book in English is that also in

503
00:23:21,210 --> 00:23:14,770
Polish no it's only in English I become

504
00:23:24,900 --> 00:23:21,220
aware that many many sightings and cases

505
00:23:30,600 --> 00:23:24,910
from Polish UFO history is not known

506
00:23:33,950 --> 00:23:30,610
abroad so I decide for some total - some

507
00:23:40,440 --> 00:23:33,960
kind of summary of Polish UFO history

508
00:23:43,440 --> 00:23:40,450
and and show the people the UFO

509
00:23:48,030 --> 00:23:43,450
community community in the world that

510
00:23:49,810 --> 00:23:48,040
Poland has long and very strange UFO

511
00:23:53,290 --> 00:23:49,820
history because

512
00:23:56,860 --> 00:23:53,300
many cases contained in the book shows

513
00:24:02,980 --> 00:23:56,870

that the phenomenon in Poland tends to

514

00:24:06,580 --> 00:24:02,990

be very very complicated in fact that

515

00:24:10,350 --> 00:24:06,590

the title is connected with what I mean

516

00:24:13,420 --> 00:24:10,360

to say the land of high strangeness and

517

00:24:16,680 --> 00:24:13,430

many cases and you have four

518

00:24:20,610 --> 00:24:16,690

manifestations in parent aware of

519

00:24:26,710 --> 00:24:20,620

strangeness in nature so they contain

520

00:24:29,910 --> 00:24:26,720

some some very unusual elements well

521

00:24:35,500 --> 00:24:29,920

can't wait to get into some of those

522

00:24:40,540 --> 00:24:35,510

often I've asked guests on the show when

523

00:24:43,540 --> 00:24:40,550

we discuss hot spots for UFOs if there's

524

00:24:45,400 --> 00:24:43,550

other you know paranormal activity in

525

00:24:49,360 --> 00:24:45,410

the area and a lot of times there seems

526

00:24:53,200 --> 00:24:49,370

to be whether it's even goes as far as

527

00:24:57,730 --> 00:24:53,210

people talking about Bigfoot ghosts and

528

00:25:00,280 --> 00:24:57,740

all kind of wrapped into one area so I

529

00:25:01,960 --> 00:25:00,290

would like to get into discussion I'm

530

00:25:03,790 --> 00:25:01,970

not saying that's what you're talking

531

00:25:06,670 --> 00:25:03,800

about but I'd like to get in discussion

532

00:25:09,670 --> 00:25:06,680

about some of those interesting cases

533

00:25:13,870 --> 00:25:09,680

but before we do is this a book that you

534

00:25:18,340 --> 00:25:13,880

will translate into to polish no because

535

00:25:24,160 --> 00:25:18,350

all the cases in the in the book can be

536

00:25:29,350 --> 00:25:24,170

found in other publications on my web

537

00:25:36,460 --> 00:25:29,360

site on websites of my friends so people

538

00:25:41,320 --> 00:25:36,470

in Poland may find the material in other

539

00:25:42,210 --> 00:25:41,330

sources and the book itself may not be

540

00:25:45,280 --> 00:25:42,220

so shocking

541

00:25:49,320 --> 00:25:45,290

for our readers that would involve

542

00:25:53,669 --> 00:25:49,330

because they know the the those cases

543

00:25:56,770 --> 00:25:53,679

and no but I'm now

544

00:25:57,520 --> 00:25:56,780

in editorial process of my book in

545

00:26:02,409 --> 00:25:57,530

Polish

546

00:26:07,120 --> 00:26:02,419

it's called true UFOs and it will appear

547

00:26:08,830 --> 00:26:07,130

in probably in the autumn so but it's

548

00:26:12,250 --> 00:26:08,840

not the same material it's it's very

549

00:26:14,770 --> 00:26:12,260

different I mean in true UFOs I am

550

00:26:19,299 --> 00:26:14,780

trying to summarize the phenomenon from

551
00:26:21,600 --> 00:26:19,309
the very beginning to present times and

552
00:26:25,120 --> 00:26:21,610
and so very interesting parallels from

553
00:26:28,750 --> 00:26:25,130
historical perspective okay and getting

554
00:26:31,900 --> 00:26:28,760
back to what I called the hot spots just

555
00:26:34,900 --> 00:26:31,910
earlier word they have flaps or there's

556
00:26:37,570 --> 00:26:34,910
a lot of UFO sightings in one area is

557
00:26:43,060 --> 00:26:37,580
there a place or places in Poland where

558
00:26:48,940 --> 00:26:43,070
that holds true yes indeed there are

559
00:26:54,250 --> 00:26:48,950
several places in Poland where UFO

560
00:26:55,900 --> 00:26:54,260
activity is quite regular and hi I'm in

561
00:27:00,070 --> 00:26:55,910
two places

562
00:27:05,049 --> 00:27:00,080
first is clinic clinic is a village in

563
00:27:05,980 --> 00:27:05,059

search of area is is south eastern tip

564

00:27:08,490 --> 00:27:05,990

of Poland

565

00:27:14,770 --> 00:27:08,500

maybe not the tip but it's close to

566

00:27:16,810 --> 00:27:14,780

stovic and Ukrainian border and it's a

567

00:27:20,500 --> 00:27:16,820

very strange place because it's a normal

568

00:27:27,360 --> 00:27:20,510

village at the first glance but people

569

00:27:31,419 --> 00:27:27,370

there are holding stories from the past

570

00:27:35,380 --> 00:27:31,429

from decades ago about very strange

571

00:27:39,820 --> 00:27:35,390

phenomena for example they say that the

572

00:27:43,810 --> 00:27:39,830

village in 1960s of 60s and Allah knows

573

00:27:49,049 --> 00:27:43,820

a place of very strange activities of

574

00:27:53,700 --> 00:27:49,059

flying humanoids mini UFOs and so on but

575

00:27:59,350 --> 00:27:53,710

the activity in greening is not

576

00:28:01,750 --> 00:27:59,360

typically you follice many aspects of

577

00:28:05,740 --> 00:28:01,760

the phenomenon are different for example

578

00:28:08,460 --> 00:28:05,750

people see the so they're flying

579

00:28:12,910 --> 00:28:08,470

humanoids but

580

00:28:14,980 --> 00:28:12,920

some other people may may mistake their

581

00:28:23,800 --> 00:28:14,990

manifestations with ghosts

582

00:28:28,060 --> 00:28:23,810

so those entities were looking as were

583

00:28:32,110 --> 00:28:28,070

similar to to some kind of specters or

584

00:28:36,100 --> 00:28:32,120

so but there were also manifestation of

585

00:28:39,490 --> 00:28:36,110

typical flying saucers in clinic the the

586

00:28:43,030 --> 00:28:39,500

situation and how history of the

587

00:28:45,310 --> 00:28:43,040

villages is is described in one of the

588

00:28:48,730 --> 00:28:45,320

chapters of UFOs over Poland my friend

589

00:28:55,330 --> 00:28:48,740

Eric Niaga who was researching the the

590

00:28:57,850 --> 00:28:55,340

the story is asserting that something

591

00:29:02,230 --> 00:28:57,860

strange is going on in England but it's

592

00:29:05,940 --> 00:29:02,240

not a regular activity it's coming in in

593

00:29:09,580 --> 00:29:05,950

waves for example for example now the

594

00:29:12,240 --> 00:29:09,590

there is complete silence silence in

595

00:29:17,530 --> 00:29:12,250

greening not nothing is going on but

596

00:29:22,060 --> 00:29:17,540

probably in 2010 there was a very

597

00:29:29,470 --> 00:29:22,070

strange incident when two people two men

598

00:29:37,840 --> 00:29:29,480

from being so tall dark figure lurking

599

00:29:44,380 --> 00:29:37,850

in the in the field and they were very

600

00:29:46,780 --> 00:29:44,390

scared so cleaning is one of hotspots of

601
00:29:51,220 --> 00:29:46,790
the UFO and paranormal hotspot in in

602
00:29:55,050 --> 00:29:51,230
Poland but there are also other ones for

603
00:29:58,720 --> 00:29:55,060
example in Czestochowa area where I live

604
00:30:04,320 --> 00:29:58,730
there's a place called awesome Hill

605
00:30:09,329 --> 00:30:04,330
awesome is this name of of some man who

606
00:30:13,560 --> 00:30:09,339
who was a local who was one of the

607
00:30:16,949 --> 00:30:13,570
locals it's it's a name of a man who

608
00:30:22,229 --> 00:30:16,959
rana airfield in the area of the healin

609
00:30:25,919 --> 00:30:22,239
that become awesome hill the area is

610
00:30:29,570 --> 00:30:25,929
also a place of strange activity but of

611
00:30:36,899 --> 00:30:29,580
another kind other kind than in benek

612
00:30:40,259 --> 00:30:36,909
because also he is known in the reaffirm

613
00:30:44,339 --> 00:30:40,269

manifestation of flying object of flying

614

00:30:49,159 --> 00:30:44,349

objects in 2002 my friend jagger starch

615

00:30:53,089 --> 00:30:49,169

in skin so so one of these objects and

616

00:30:59,459 --> 00:30:53,099

that was very strange incident because

617

00:31:03,389 --> 00:30:59,469

he met a flying sphere and when he was

618

00:31:06,239 --> 00:31:03,399

in his car and when when he blinked the

619

00:31:12,299 --> 00:31:06,249

headlights of his car that the sphere

620

00:31:16,349 --> 00:31:12,309

repeated the signal so it means that the

621

00:31:19,469 --> 00:31:16,359

object was probably intelligent some

622

00:31:25,769 --> 00:31:19,479

people say that innocent hill area the

623

00:31:28,589 --> 00:31:25,779

incidence of natural of natural nature

624

00:31:32,430 --> 00:31:28,599

for short can be explained for example

625

00:31:37,079 --> 00:31:32,440

by some kind of atmospheric phenomena as

626
00:31:40,409 --> 00:31:37,089
ball lightning but I never heard about

627
00:31:41,459 --> 00:31:40,419
ball lightning repeating the light

628
00:31:44,759 --> 00:31:41,469
signal

629
00:31:47,279 --> 00:31:44,769
I receive many man reports from us on

630
00:31:56,359 --> 00:31:47,289
hill they may be not so spectacular as

631
00:31:59,459 --> 00:31:56,369
in linic but in 2014 there was very

632
00:32:04,310 --> 00:31:59,469
interesting incident in in the area

633
00:32:08,279 --> 00:32:04,320
because the the awesome here is is near

634
00:32:15,569 --> 00:32:08,289
local foundry just off of a foundry very

635
00:32:16,899 --> 00:32:15,579
very large plant and in 2014 I got a

636
00:32:21,940 --> 00:32:16,909
report from a

637
00:32:27,639 --> 00:32:21,950
from Czestochowa the the main witness

638
00:32:31,649 --> 00:32:27,649

said that he saw along with her her

639

00:32:37,450 --> 00:32:31,659

girlfriend a very interesting object

640

00:32:47,560 --> 00:32:37,460

that make that made a car to stop that

641

00:32:53,950 --> 00:32:47,570

made a cell phone to broke down and it

642

00:32:58,899 --> 00:32:53,960

was just a small ball of light standing

643

00:33:02,950 --> 00:32:58,909

in the ground but it's electromagnet but

644

00:33:05,799 --> 00:33:02,960

it's false it's its influence was so

645

00:33:09,759 --> 00:33:05,809

high that they carved the cell phones

646

00:33:13,180 --> 00:33:09,769

and and other instruments were broken

647

00:33:16,629 --> 00:33:13,190

down so it's also very interesting about

648

00:33:19,149 --> 00:33:16,639

other hot spots it's hard to say because

649

00:33:23,859 --> 00:33:19,159

in other parts of Poland the UFO

650

00:33:26,710 --> 00:33:23,869

activity is not restricted to to for

651
00:33:33,249 --> 00:33:26,720
example villages or or some other kinds

652
00:33:36,519 --> 00:33:33,259
of or some other locations a rush of

653
00:33:41,369 --> 00:33:36,529
city is also a place of high activity of

654
00:33:46,570 --> 00:33:41,379
UFOs but the manifestations aren't

655
00:33:53,049 --> 00:33:46,580
concentrated in in one area also for

656
00:33:57,299 --> 00:33:53,059
example for example throught suave big

657
00:34:01,539 --> 00:33:57,309
city in western Poland is also a kind of

658
00:34:05,889 --> 00:34:01,549
UFO hotspot but it's not so restricted

659
00:34:12,419 --> 00:34:05,899
it's not restricted to one region of one

660
00:34:15,720 --> 00:34:12,429
one point but the bigger area so if we

661
00:34:19,720 --> 00:34:15,730
talk about this

662
00:34:24,910 --> 00:34:19,730
this is the this kind of phenomena and I

663
00:34:29,110 --> 00:34:24,920

also must mention about Bigfoot's

664

00:34:35,350 --> 00:34:29,120

because I like the topic and many people

665

00:34:37,800 --> 00:34:35,360

maybe may be surprised but by the fact

666

00:34:43,300 --> 00:34:37,810

that in Poland we also got very

667

00:34:47,500 --> 00:34:43,310

interesting reports about I may not call

668

00:34:52,810 --> 00:34:47,510

it Bigfoot but about people saying say

669

00:34:55,660 --> 00:34:52,820

about strange monsters I got I received

670

00:35:02,680 --> 00:34:55,670

very very very poor very many reports

671

00:35:07,570 --> 00:35:02,690

about about strange creators you know to

672

00:35:12,280 --> 00:35:07,580

call Bigfoot Yeti and polar no no it's

673

00:35:18,820 --> 00:35:12,290

not yet in intolerant and we have not

674

00:35:24,340 --> 00:35:18,830

tradition of of Bigfoots and and Harry

675

00:35:27,720 --> 00:35:24,350

how many needs but in some years recent

676
00:35:36,720 --> 00:35:27,730
years we got many reports from people

677
00:35:40,120 --> 00:35:36,730
reporting some strange creators and and

678
00:35:45,940 --> 00:35:40,130
it's very interesting because there are

679
00:35:48,490 --> 00:35:45,950
no they they aren't present in in polish

680
00:35:51,250 --> 00:35:48,500
folklore but now how they are appearing

681
00:35:53,590 --> 00:35:51,260
for for some reason and then that's very

682
00:36:00,460 --> 00:35:53,600
strange people saying for example that

683
00:36:03,970 --> 00:36:00,470
that they encountered them in in in

684
00:36:06,960 --> 00:36:03,980
woods and it's hard to believe because I

685
00:36:13,060 --> 00:36:06,970
have never seen about Bigfoot in Poland

686
00:36:18,580 --> 00:36:13,070
but now the cases become to emerge so so

687
00:36:22,740 --> 00:36:18,590
it's it's hard to say what is the reason

688
00:36:25,660 --> 00:36:22,750

of the activity are the Bigfoots living

689

00:36:28,720 --> 00:36:25,670

creatures or maybe their product of some

690

00:36:33,760 --> 00:36:28,730

kind of some kind of paranormal

691

00:36:35,410 --> 00:36:33,770

photos mm-hmm well before there's a some

692

00:36:39,520 --> 00:36:35,420

questions I want to ask you about what

693

00:36:42,670 --> 00:36:39,530

you just said but where do you report

694

00:36:44,790 --> 00:36:42,680

sightings I mentioned that you take some

695

00:36:49,510 --> 00:36:44,800

reports but is there any type of

696

00:36:54,160 --> 00:36:49,520

national reporting center in Poland no

697

00:36:58,050 --> 00:36:54,170

and there never was mm-hmm along with my

698

00:37:01,830 --> 00:36:58,060

friends with our igneous Gurewitz

699

00:37:04,900 --> 00:37:01,840

diamond trela and many others we are

700

00:37:09,160 --> 00:37:04,910

forming a kind of collective informal

701
00:37:13,060 --> 00:37:09,170
collective and we are sharing the

702
00:37:17,260 --> 00:37:13,070
information about sightings but it must

703
00:37:24,640 --> 00:37:17,270
be said that in this year that the UFO

704
00:37:28,690 --> 00:37:24,650
activity is very low so many reports how

705
00:37:31,120 --> 00:37:28,700
changes all the time I'm sure and a lot

706
00:37:34,060 --> 00:37:31,130
of the time people would not have any

707
00:37:38,770 --> 00:37:34,070
idea where to report something to begin

708
00:37:43,810 --> 00:37:38,780
with now what is the ridicule factor

709
00:37:49,150 --> 00:37:43,820
like in Poland it's very complicated

710
00:37:57,390 --> 00:37:49,160
because since a session of Poland into

711
00:38:01,560 --> 00:37:57,400
NATO structures it's become very

712
00:38:06,040 --> 00:38:01,570
complicated to speak publicly about UFOs

713
00:38:10,980 --> 00:38:06,050

I don't know the reason the exact reason

714

00:38:15,250 --> 00:38:10,990

but I think that Polish Air Force is

715

00:38:19,030 --> 00:38:15,260

restricting the information is trying to

716

00:38:23,560 --> 00:38:19,040

ridicule the topic because they know

717

00:38:30,060 --> 00:38:23,570

that every comments about unexplained

718

00:38:35,210 --> 00:38:30,070

activity other Poland maybe be connected

719

00:38:41,030 --> 00:38:35,220

for example in the eyes of Americans too

720

00:38:45,020 --> 00:38:41,040

two Russian Russian activity so it may

721

00:38:49,190 --> 00:38:45,030

be a matter of it may be a matter of

722

00:38:54,010 --> 00:38:49,200

fear that the the Polish Air Force is

723

00:39:04,160 --> 00:38:54,020

not saying publicly about the UFO cases

724

00:39:10,099 --> 00:39:04,170

feeling of feeling of ridicule of the

725

00:39:12,589 --> 00:39:10,109

other countries and the for example

726

00:39:18,290 --> 00:39:12,599

polish television is not covering the

727

00:39:26,060 --> 00:39:18,300

topic in you know only smart small part

728

00:39:29,780 --> 00:39:26,070

of media are interested in in the in the

729

00:39:34,130 --> 00:39:29,790

UFO activity but Internet is the the

730

00:39:37,670 --> 00:39:34,140

main source of information about that

731

00:39:42,560 --> 00:39:37,680

kind of phenomena mainstream media seems

732

00:39:46,310 --> 00:39:42,570

not to be interested at all in in the

733

00:39:48,920 --> 00:39:46,320

topic yeah that is unfortunate now going

734

00:39:53,089 --> 00:39:48,930

back to some of the sightings you just

735

00:39:55,430 --> 00:39:53,099

talked about I wanted to ask a couple of

736

00:40:00,829 --> 00:39:55,440

questions first of all can you give

737

00:40:09,050 --> 00:40:00,839

details of this flying humanoids cases

738

00:40:14,780 --> 00:40:09,060

or case mm-hmm flying humanoids and at

739

00:40:19,430 --> 00:40:14,790

some point in the in the past were very

740

00:40:24,290 --> 00:40:19,440

common because from the beginning of the

741

00:40:29,510 --> 00:40:24,300

this century I receive many cases about

742

00:40:34,490 --> 00:40:29,520

strange figures figures floating in the

743

00:40:40,550 --> 00:40:34,500

middle but then I received also some

744

00:40:44,329 --> 00:40:40,560

other cases so I may maybe start with a

745

00:40:50,960 --> 00:40:44,339

very interesting story from western

746

00:40:55,190 --> 00:40:50,970

Poland in 1969 a group of young young

747

00:41:01,609 --> 00:40:55,200

young men boys teenagers were returning

748

00:41:05,060 --> 00:41:01,619

to to lots of vivid from the cinema and

749

00:41:10,040 --> 00:41:05,070

on the way they meet with a strange

750

00:41:13,820 --> 00:41:10,050

figure it was it was not very tall it

751
00:41:17,030 --> 00:41:13,830
was or the average head but the head of

752
00:41:21,140 --> 00:41:17,040
the of the entity was was great

753
00:41:25,730 --> 00:41:21,150
looked like plasticine made with a kind

754
00:41:30,620 --> 00:41:25,740
of a real of halo about the head blue

755
00:41:34,730 --> 00:41:30,630
body and the main witness who was who

756
00:41:38,930 --> 00:41:34,740
reported me that the story said that if

757
00:41:42,740 --> 00:41:38,940
he was a religious person he would

758
00:41:47,570 --> 00:41:42,750
mistook the bank with angel because it

759
00:41:51,109 --> 00:41:47,580
looked so similar to endow the boys look

760
00:41:52,970 --> 00:41:51,119
at the at the being who was standing

761
00:41:57,710 --> 00:41:52,980
just by them

762
00:42:00,410 --> 00:41:57,720
and rushed to to eat thinking that it

763
00:42:07,780 --> 00:42:00,420

may be as of some kind of I don't know

764

00:42:11,750 --> 00:42:07,790

prankster also and the alleged angel

765

00:42:16,010 --> 00:42:11,760

become probably scared and began running

766

00:42:20,839 --> 00:42:16,020

and why why is running from from from

767

00:42:23,420 --> 00:42:20,849

from from the voice it was not not not

768

00:42:27,950 --> 00:42:23,430

not touching the grant because it was

769

00:42:30,980 --> 00:42:27,960

flying just over the ground and and and

770

00:42:34,480 --> 00:42:30,990

they become very scared because they saw

771

00:42:38,799 --> 00:42:34,490

that is it is nothing natural

772

00:42:42,819 --> 00:42:38,809

so that was that the the last of case

773

00:42:46,240 --> 00:42:42,829

also covered in the book when the next

774

00:42:50,260 --> 00:42:46,250

interesting case with flying humanoid

775

00:42:53,020 --> 00:42:50,270

took place borders will never in 2008 in

776

00:42:56,940 --> 00:42:53,030

the main witness an elderly woman

777

00:43:01,630 --> 00:42:56,950

contacted me and say that during a straw

778

00:43:05,700 --> 00:43:01,640

during a trip with her husband to born s

779

00:43:08,410 --> 00:43:05,710

Villanova she met a strange floating

780

00:43:11,170 --> 00:43:08,420

transparent figure and the poor

781

00:43:16,680 --> 00:43:11,180

naturally never is a row at City is a

782

00:43:19,390 --> 00:43:16,690

former base of Red Army in Poland it's a

783

00:43:24,970 --> 00:43:19,400

it's a military complex now now

784

00:43:28,900 --> 00:43:24,980

abandoned and when when the wonder when

785

00:43:34,839 --> 00:43:28,910

the pair split the man went in one side

786

00:43:40,990 --> 00:43:34,849

and and his woman and his his wife hid

787

00:43:44,530 --> 00:43:41,000

in the other direction she said that at

788

00:43:49,809 --> 00:43:44,540

some moment she realized that some kind

789

00:43:52,630 --> 00:43:49,819

of semi-transparent entity is floating

790

00:43:57,730 --> 00:43:52,640

in the earth it looked it looked like

791

00:44:05,670 --> 00:43:57,740

like a man with crossed arms it was very

792

00:44:11,109 --> 00:44:05,680

big and that being looking as as

793

00:44:12,640 --> 00:44:11,119

camouflage that predator from there from

794

00:44:17,230 --> 00:44:12,650

the movie which fell with with

795

00:44:21,430 --> 00:44:17,240

frightened again just passed above them

796

00:44:26,849 --> 00:44:21,440

the woman she she she was she was

797

00:44:30,280 --> 00:44:26,859

panicked she wasn't able to move and

798

00:44:33,510 --> 00:44:30,290

when the entity past and and disappeared

799

00:44:37,460 --> 00:44:33,520

in the woods she ran to the Curan and

800

00:44:41,359 --> 00:44:37,470

screamed for them for for her

801
00:44:44,839 --> 00:44:41,369
husband another interesting case with

802
00:44:47,270 --> 00:44:44,849
flying humanoids took place in in a

803
00:44:55,000 --> 00:44:47,280
small village in the rural area and it's

804
00:44:59,599 --> 00:44:55,010
called Manassas and it took place in

805
00:45:03,680 --> 00:44:59,609
2005 and autumn were a family from the

806
00:45:08,359 --> 00:45:03,690
village so that so that very strange

807
00:45:10,940 --> 00:45:08,369
shape is coming from the sky to the

808
00:45:13,910 --> 00:45:10,950
woods to the nearby woods it was it

809
00:45:16,160 --> 00:45:13,920
looked like a landing cover of a flying

810
00:45:19,130 --> 00:45:16,170
humanoid in the woods they become very

811
00:45:22,220 --> 00:45:19,140
scared but they decide to run to the

812
00:45:24,079 --> 00:45:22,230
woods and check what it was and when

813
00:45:29,120 --> 00:45:24,089

they reach the third thing they couldn't

814

00:45:34,400 --> 00:45:29,130

fight that it couldn't fight the ping

815

00:45:41,150 --> 00:45:34,410

but feared some strange presence in that

816

00:45:45,250 --> 00:45:41,160

place so to sum up I am NOT able to say

817

00:45:49,220 --> 00:45:45,260

exactly what flying humanoid would be

818

00:45:51,740 --> 00:45:49,230

that I think that they had something in

819

00:45:57,620 --> 00:45:51,750

common with the broader nature of the

820

00:46:00,770 --> 00:45:57,630

UFO phenomenon the the nature that is

821

00:46:06,890 --> 00:46:00,780

not completely understand by us because

822

00:46:11,660 --> 00:46:06,900

we we look at the UFOs from from by

823

00:46:15,859 --> 00:46:11,670

there through the perspective of a

824

00:46:20,480 --> 00:46:15,869

flying saucers and and green man but

825

00:46:25,849 --> 00:46:20,490

there also some other manifestations

826

00:46:29,450 --> 00:46:25,859

that are very very strange but also but

827

00:46:33,620 --> 00:46:29,460

are also embraced but by them but the

828

00:46:38,569 --> 00:46:33,630

time but by the time UFO or ufological

829

00:46:41,510 --> 00:46:38,579

so flying humanoid mace made me shoulder

830

00:46:45,800 --> 00:46:41,520

very complex in nature of UFO phenomena

831

00:46:48,490 --> 00:46:45,810

well that's interesting and the the

832

00:46:51,950 --> 00:46:48,500

thing you said about the angel almost

833

00:46:55,190 --> 00:46:51,960

could make one speculate that you know

834

00:46:59,240 --> 00:46:55,200

people were drawing angels and the whole

835

00:47:01,490 --> 00:46:59,250

creation of angels in our history may

836

00:47:05,870 --> 00:47:01,500

have had to do with something that that

837

00:47:07,370 --> 00:47:05,880

person saw just maybe going out on a

838

00:47:11,960 --> 00:47:07,380

limb by saying something like that but

839

00:47:13,550 --> 00:47:11,970

it's still very interesting and I it's

840

00:47:17,030 --> 00:47:13,560

something mmm

841

00:47:20,809 --> 00:47:17,040

I also heard about a case in Poland I'm

842

00:47:26,089 --> 00:47:20,819

loves I remember that the place of the

843

00:47:28,120 --> 00:47:26,099

of the incident but there was a UFO

844

00:47:32,780 --> 00:47:28,130

sighting in one village immense so

845

00:47:35,960 --> 00:47:32,790

flying ball with some kind of shape

846

00:47:40,220 --> 00:47:35,970

inside the ball and then he was so

847

00:47:45,680 --> 00:47:40,230

excited and so charmed but by the by the

848

00:47:47,750 --> 00:47:45,690

incident they that he built a chapel a

849

00:47:52,390 --> 00:47:47,760

small chapel in the place of the

850

00:47:59,870 --> 00:47:52,400

incident saying that it was a

851
00:48:04,190 --> 00:47:59,880
manifestation of Virgin Mary so angel is

852
00:48:07,190 --> 00:48:04,200
not them not only thing that people made

853
00:48:10,309 --> 00:48:07,200
me stuck with oh yeah well you know I

854
00:48:12,829 --> 00:48:10,319
had a past guest on that said that there

855
00:48:16,460 --> 00:48:12,839
was a few encounters were there were

856
00:48:17,780 --> 00:48:16,470
orbs where it appeared to be something

857
00:48:21,350 --> 00:48:17,790
inside the or

858
00:48:23,360 --> 00:48:21,360
which like the moving entity or

859
00:48:26,530 --> 00:48:23,370
something which is pretty interesting

860
00:48:30,080 --> 00:48:26,540
and you were talking earlier about the

861
00:48:33,050 --> 00:48:30,090
reaction to light that that one orb or

862
00:48:36,760 --> 00:48:33,060
whatever it was had and there's a number

863
00:48:39,560 --> 00:48:36,770

of cases where there's a reaction to

864

00:48:42,530 --> 00:48:39,570

like an intelligent reaction to someone

865

00:48:46,660 --> 00:48:42,540

either flashing a flashlight or like you

866

00:48:51,110 --> 00:48:46,670

mentioned a car light very interesting

867

00:48:52,670 --> 00:48:51,120

other a lot of other cases in Poland

868

00:48:55,760 --> 00:48:52,680

where there's some type of

869

00:48:58,250 --> 00:48:55,770

electromagnetic reaction like there was

870

00:49:03,520 --> 00:48:58,260

with that car and cellphone of that one

871

00:49:08,930 --> 00:49:03,530

case mm-hmm I know many cases with with

872

00:49:15,140 --> 00:49:08,940

that kind of reaction of for example

873

00:49:19,030 --> 00:49:15,150

cars cellphones on UFO activity but the

874

00:49:23,060 --> 00:49:19,040

most interesting one and the most

875

00:49:27,410 --> 00:49:23,070

controversial one because I don't know

876
00:49:32,990 --> 00:49:27,420
exactly what what what caused the then

877
00:49:37,280 --> 00:49:33,000
incident was the fishing boat meeting

878
00:49:44,020 --> 00:49:37,290
with a strange orb flying flying ball on

879
00:49:48,790 --> 00:49:44,030
the Baltic Sea in 1980s and the case was

880
00:49:57,670 --> 00:49:48,800
probably never explained because it

881
00:50:02,450 --> 00:49:57,680
happened in time of passing of one not

882
00:50:05,570 --> 00:50:02,460
everything it might be published in

883
00:50:09,920 --> 00:50:05,580
newspapers it

884
00:50:13,840 --> 00:50:09,930
it happened on the Baltic Sea when when

885
00:50:18,110 --> 00:50:13,850
a fishing boat of Schomburg family

886
00:50:21,590 --> 00:50:18,120
encountered a strange object over over

887
00:50:25,810 --> 00:50:21,600
the the waters it was just hovering over

888
00:50:30,230 --> 00:50:25,820

the sea in some distance from them and

889

00:50:31,730 --> 00:50:30,240

at some point something strange began to

890

00:50:37,310 --> 00:50:31,740

happen with the

891

00:50:40,760 --> 00:50:37,320

crew some say that they were nearly

892

00:50:47,300 --> 00:50:40,770

pariah paralyzed but by the by strange

893

00:50:50,450 --> 00:50:47,310

fault they they they think that they the

894

00:50:53,720 --> 00:50:50,460

state has something in common with the

895

00:50:56,720 --> 00:50:53,730

strange object in the distance but they

896

00:51:00,010 --> 00:50:56,730

were weren't able even to ask for help

897

00:51:05,900 --> 00:51:00,020

because there will paralyze the lost

898

00:51:10,490 --> 00:51:05,910

energy one of the one of them and even

899

00:51:16,579 --> 00:51:10,500

temporarily lost sight it they weren't

900

00:51:23,480 --> 00:51:16,589

able to to call for help the captain of

901
00:51:26,570 --> 00:51:23,490
the boat being on his last legs tended

902
00:51:32,570 --> 00:51:26,580
by by the steering well and try to to

903
00:51:37,780 --> 00:51:32,580
get and get to the part but it was it

904
00:51:46,339 --> 00:51:37,790
was very hard to him to to maneuver the

905
00:51:50,680 --> 00:51:46,349
ship being in the in the constant under

906
00:51:54,040 --> 00:51:50,690
the constant influence of the object so

907
00:51:56,480 --> 00:51:54,050
Schomburg sample case was very

908
00:52:00,890 --> 00:51:56,490
controversial because when the they

909
00:52:07,400 --> 00:52:00,900
finally reached the part there they will

910
00:52:11,420 --> 00:52:07,410
check by by paramedics and the case went

911
00:52:14,060 --> 00:52:11,430
silent totally silent even today no one

912
00:52:16,220 --> 00:52:14,070
knows what exactly happened with with

913
00:52:21,589 --> 00:52:16,230

with those people

914

00:52:22,640 --> 00:52:21,599

some months ago I talked with my papa

915

00:52:26,180 --> 00:52:22,650

and my papa giza

916

00:52:30,680 --> 00:52:26,190

polish UFO researcher and journalist and

917

00:52:32,930 --> 00:52:30,690

she she wrote about Samburu case and she

918

00:52:38,630 --> 00:52:32,940

is also not certain what what what may

919

00:52:43,250 --> 00:52:38,640

happen what what my caused the incident

920

00:52:48,800 --> 00:52:43,260

she suggested me that it was a kind of

921

00:52:51,470 --> 00:52:48,810

experiment with electromagnetic weapons

922

00:52:58,370 --> 00:52:51,480

but I'm not very sure about that

923

00:53:02,820 --> 00:52:58,380

explanation the the witnesses themselves

924

00:53:07,020 --> 00:53:02,830

also not present in the media they just

925

00:53:11,940 --> 00:53:07,030

disappeared probably living very quiet

926
00:53:15,630 --> 00:53:11,950
lives and the case remained mystery and

927
00:53:19,500 --> 00:53:15,640
it's the the most interesting case of

928
00:53:23,670 --> 00:53:19,510
some kind of influence of the UFO on on

929
00:53:29,250 --> 00:53:23,680
the witnesses Wow interesting that's a

930
00:53:32,130 --> 00:53:29,260
good one now you are a historian so I

931
00:53:36,060 --> 00:53:32,140
would like to talk a little bit about

932
00:53:38,280 --> 00:53:36,070
historic UFO sightings and why don't you

933
00:53:41,310 --> 00:53:38,290
go into that a little bit as far as how

934
00:53:44,070 --> 00:53:41,320
far back that they're recorded that

935
00:53:46,710 --> 00:53:44,080
you're aware of and and bring it forward

936
00:53:52,760 --> 00:53:46,720
if you would into some of the highlights

937
00:53:56,640 --> 00:53:52,770
of some of the cases to be honest I

938
00:54:04,430 --> 00:53:56,650

don't know many historical polish UFO

939

00:54:07,370 --> 00:54:04,440

cases because at some point of of

940

00:54:12,620 --> 00:54:07,380

historical recordings at some levels

941

00:54:18,240 --> 00:54:12,630

strange reports become very similar to

942

00:54:23,450 --> 00:54:18,250

for example ordinary reports about about

943

00:54:30,000 --> 00:54:23,460

about astronomical events so I'm very

944

00:54:33,930 --> 00:54:30,010

suspicious about some historical

945

00:54:36,870 --> 00:54:33,940

chronics and services but one of the

946

00:54:42,600 --> 00:54:36,880

most interesting cases found from the

947

00:54:47,600 --> 00:54:42,610

test took place in just before the great

948

00:54:52,140 --> 00:54:47,610

great Battle of Vienna when polish King

949

00:54:54,080 --> 00:54:52,150

Jung sobieski was heading on the battle

950

00:54:56,630 --> 00:54:54,090

with with his his

951
00:55:01,030 --> 00:54:56,640
others and solve a very interesting

952
00:55:06,010 --> 00:55:01,040
phenomenon that was probably not an

953
00:55:10,900 --> 00:55:06,020
astronomical phenomenon but a kind of

954
00:55:13,970 --> 00:55:10,910
other manifestation maybe a UFO and

955
00:55:18,410 --> 00:55:13,980
description of the even may be found in

956
00:55:20,180 --> 00:55:18,420
the book I also remember in a very end

957
00:55:25,190 --> 00:55:20,190
abuse in the 17th century

958
00:55:28,640 --> 00:55:25,200
I also remember another another record

959
00:55:31,970 --> 00:55:28,650
from some kind of historical source from

960
00:55:34,850 --> 00:55:31,980
stretching area but that that took place

961
00:55:38,020 --> 00:55:34,860
on in present present Poland but the

962
00:55:43,760 --> 00:55:38,030
witness what was a German boy to them

963
00:55:48,050 --> 00:55:43,770

and he saw that he related to the author

964

00:55:52,630 --> 00:55:48,060

of The Chronicle that he saw some kind

965

00:55:55,040 --> 00:55:52,640

of entity a white boy white and

966

00:55:58,430 --> 00:55:55,050

descending from from some kind of the

967

00:56:01,520 --> 00:55:58,440

object so that was also a very very

968

00:56:06,440 --> 00:56:01,530

interesting and suggestive manifestation

969

00:56:11,150 --> 00:56:06,450

if we talk about 19th century or 12th

970

00:56:13,930 --> 00:56:11,160

century we we also can find

971

00:56:17,599 --> 00:56:13,940

some interesting more interesting

972

00:56:22,400 --> 00:56:17,609

reports about unexplained activity in

973

00:56:25,309 --> 00:56:22,410

the sky in 19th century we can find in

974

00:56:30,380 --> 00:56:25,319

Polish sources reports about flying

975

00:56:32,660 --> 00:56:30,390

balloons with with with spotlights seen

976
00:56:36,259 --> 00:56:32,670
for example in info carpaccio area in

977
00:56:41,120 --> 00:56:36,269
reserved area people the witnesses

978
00:56:43,670 --> 00:56:41,130
reported seeing objects that they took

979
00:56:48,910 --> 00:56:43,680
for balloons but they were probably the

980
00:56:52,819 --> 00:56:48,920
same airships that were seen in in USA

981
00:56:57,370 --> 00:56:52,829
during the during the Great Wave of off

982
00:57:02,779 --> 00:56:57,380
from the end of 19th century but in

983
00:57:06,279 --> 00:57:02,789
century before the Arnold's I think

984
00:57:09,589 --> 00:57:06,289
there were very very very interesting

985
00:57:13,999 --> 00:57:09,599
reports from Poland for example in the

986
00:57:19,069 --> 00:57:14,009
war so in 1920s there was an incident

987
00:57:23,239 --> 00:57:19,079
involving flying saucer that nearly

988
00:57:27,890 --> 00:57:23,249

landed in Warsaw in one of the districts

989

00:57:30,459 --> 00:57:27,900

in Warsaw the witnesses reported that it

990

00:57:34,819 --> 00:57:30,469

took look like two plates doing it

991

00:57:40,729 --> 00:57:34,829

together and the object according to the

992

00:57:44,539 --> 00:57:40,739

witness got very near to the ground and

993

00:57:48,349 --> 00:57:44,549

then then then went up but it almost

994

00:57:51,440 --> 00:57:48,359

looked like a crash landing and then

995

00:57:56,599 --> 00:57:51,450

there were some cases from World War two

996

00:58:00,049 --> 00:57:56,609

also very interesting for example in a

997

00:58:03,440 --> 00:58:00,059

case from Novi no Venus is missing in

998

00:58:11,809 --> 00:58:03,450

eastern Poland in Samaj area but the

999

00:58:15,349 --> 00:58:11,819

case was resulted in 1980s because it

1000

00:58:20,599 --> 00:58:15,359

took place a long time for the witness

1001
00:58:22,700 --> 00:58:20,609
to to review the story well Wow

1002
00:58:25,860 --> 00:58:22,710
and the witness said the

1003
00:58:32,580 --> 00:58:25,870
the only living witness of the incident

1004
00:58:40,200 --> 00:58:32,590
say that during the war in 1943 a

1005
00:58:43,350 --> 00:58:40,210
strange craft landed by the hut but the

1006
00:58:46,080 --> 00:58:43,360
house and some very strange men emerged

1007
00:58:49,820 --> 00:58:46,090
from the object the the witness said

1008
00:58:53,070 --> 00:58:49,830
that they were short they were in

1009
00:58:56,870 --> 00:58:53,080
strange helmets and try to communicate

1010
00:59:02,340 --> 00:58:56,880
with with the witnesses at some point

1011
00:59:06,150 --> 00:59:02,350
two witnesses from the house who went

1012
00:59:09,630 --> 00:59:06,160
off and approached the object and while

1013
00:59:12,480 --> 00:59:09,640

approaching they were temporarily

1014

00:59:15,330 --> 00:59:12,490

paralyzed probably and and fall to the

1015

00:59:21,930 --> 00:59:15,340

ground after the beings from the object

1016

00:59:26,160 --> 00:59:21,940

try to to try to call them they show the

1017

00:59:30,210 --> 00:59:26,170

they pointed to the craft and and try to

1018

00:59:34,310 --> 00:59:30,220

prompt that the witnesses to to approach

1019

00:59:41,220 --> 00:59:34,320

and enter the curve interrupt a part but

1020

00:59:45,660 --> 00:59:41,230

it didn't happen then also we have some

1021

00:59:49,410 --> 00:59:45,670

interesting case in Warsaw another time

1022

00:59:53,540 --> 00:59:49,420

in war so during the during the Jewish

1023

00:59:58,230 --> 00:59:53,550

uprising just before the Jewish uprising

1024

01:00:03,530 --> 00:59:58,240

in Warsaw occupied Belgium by German

1025

01:00:06,450 --> 01:00:03,540

forces by Hitler army and the case was

1026

01:00:10,760 --> 01:00:06,460

witnessed by clashing years of Casimir

1027

01:00:16,770 --> 01:00:10,770

Pulaski was a Polish UFO researcher and

1028

01:00:20,940 --> 01:00:16,780

in 1943 he was a young boy living in or

1029

01:00:21,870 --> 01:00:20,950

so and at one time when he was in the

1030

01:00:27,120 --> 01:00:21,880

Jewish ghetto

1031

01:00:31,740 --> 01:00:27,130

he's so he saw a strange object hovering

1032

01:00:34,710 --> 01:00:31,750

in in the air it was very easy it was as

1033

01:00:35,780 --> 01:00:34,720

the justice just he said full of colors

1034

01:00:38,390 --> 01:00:35,790

inside eating

1035

01:00:43,730 --> 01:00:38,400

it looked like if it was a ball with

1036

01:00:47,030 --> 01:00:43,740

with a mix of many carbs inside and the

1037

01:00:50,750 --> 01:00:47,040

object was hovering over our houses very

1038

01:00:56,300 --> 01:00:50,760

low low over the ground and Germans and

1039

01:01:00,950 --> 01:00:56,310

Latvian soldiers began to in the shot to

1040

01:01:04,850 --> 01:01:00,960

the object but but the bullets have no

1041

01:01:05,450 --> 01:01:04,860

effect under and on the UFO so it was a

1042

01:01:11,210 --> 01:01:05,460

look

1043

01:01:14,300 --> 01:01:11,220

object was inspecting the the the the

1044

01:01:18,380 --> 01:01:14,310

there were so the the what is going on

1045

01:01:22,430 --> 01:01:18,390

down in the occupied city so you don't

1046

01:01:25,490 --> 01:01:22,440

know last thing I would ever do if I had

1047

01:01:28,100 --> 01:01:25,500

a gun audience our UFO would be dare to

1048

01:01:30,200 --> 01:01:28,110

shoot at it I couldn't leave you know

1049

01:01:32,960 --> 01:01:30,210

I've heard of heard of that before

1050

01:01:34,790 --> 01:01:32,970

but you would think if they have the

1051
01:01:37,760 --> 01:01:34,800
intelligence to get here they could just

1052
01:01:41,630 --> 01:01:37,770
zap you something off would useless

1053
01:01:47,120 --> 01:01:41,640
existence bouzouki was observing the the

1054
01:01:51,020 --> 01:01:47,130
scene by by by binoculars so he saw it

1055
01:01:56,630 --> 01:01:51,030
very well and he reported in his books

1056
01:01:59,390 --> 01:01:56,640
that the scene was shocking and and the

1057
01:02:01,850 --> 01:01:59,400
bullets have no effect on the on the

1058
01:02:06,970 --> 01:02:01,860
object but I know another very

1059
01:02:10,990 --> 01:02:06,980
interesting case from Poland I'm not

1060
01:02:15,680 --> 01:02:11,000
sure where it where it happened

1061
01:02:20,060 --> 01:02:15,690
probably in central Poland but the man

1062
01:02:22,610 --> 01:02:20,070
who reported the sighting also mentioned

1063
01:02:25,910 --> 01:02:22,620

that he should nearly shot at the object

1064

01:02:32,980 --> 01:02:25,920

he saw he said that when he was in in

1065

01:02:37,670 --> 01:02:32,990

army and was was guarding the the

1066

01:02:41,570 --> 01:02:37,680

military base but was one of the of the

1067

01:02:45,440 --> 01:02:41,580

guards he saw very very strange object

1068

01:02:48,770 --> 01:02:45,450

moving over the over the base and he was

1069

01:02:54,880 --> 01:02:48,780

so shocked that he took his gun

1070

01:02:57,830 --> 01:02:54,890

and in the object in the one of the

1071

01:03:01,250 --> 01:02:57,840

lights seeing of the object and try to

1072

01:03:05,660 --> 01:03:01,260

shoot but at the same time when he was

1073

01:03:09,070 --> 01:03:05,670

trying to do it he heard a strange

1074

01:03:18,970 --> 01:03:09,080

communicate in his head saying don't

1075

01:03:27,170 --> 01:03:23,810

interesting because the the telepathic

1076

01:03:30,470 --> 01:03:27,180

of telepathic communication with the

1077

01:03:35,540 --> 01:03:30,480

witnesses is something very uncommon in

1078

01:03:38,690 --> 01:03:35,550

fact in in UFO sightings in Poland well

1079

01:03:41,660 --> 01:03:38,700

coming back to the flying saucer in

1080

01:03:45,260 --> 01:03:41,670

nineteen you know the which would call

1081

01:03:48,800 --> 01:03:45,270

flying disc in 1920 I mean you know you

1082

01:03:54,320 --> 01:03:48,810

hear people talk about the first seen

1083

01:03:57,800 --> 01:03:54,330

UFO or that was a disc shape was by

1084

01:04:00,920 --> 01:03:57,810

Kenneth Arnold back in 1947 and so it's

1085

01:04:03,590 --> 01:04:00,930

really interesting to hear any reports

1086

01:04:07,550 --> 01:04:03,600

of similar objects at an earlier time

1087

01:04:08,270 --> 01:04:07,560

you said this look like two plates kind

1088

01:04:14,050 --> 01:04:08,280

of together

1089

01:04:17,800 --> 01:04:14,060

he is it was it was as I remember

1090

01:04:21,050 --> 01:04:17,810

described as two plates doing it

1091

01:04:29,360 --> 01:04:21,060

together and look like typical flying

1092

01:04:32,110 --> 01:04:29,370

discs 1920 Wow probably 1922 that the

1093

01:04:35,000 --> 01:04:32,120

report may be found in the in the book

1094

01:04:38,440 --> 01:04:35,010

aha so while we're kind of on that

1095

01:04:41,390 --> 01:04:38,450

subject of wealth of historical ones

1096

01:04:43,730 --> 01:04:41,400

through also through World War two

1097

01:04:46,060 --> 01:04:43,740

how about pilot encounters I noticed

1098

01:04:49,460 --> 01:04:46,070

that was mentioned in your book mm-hmm

1099

01:04:53,720 --> 01:04:49,470

it's also very complex Polish pilots

1100

01:04:55,990 --> 01:04:53,730

meet with strange object in the past and

1101

01:05:07,920 --> 01:04:56,000

it's

1102

01:05:11,470 --> 01:05:07,930

from the research of other ufo-ologists

1103

01:05:14,860 --> 01:05:11,480

but now the pair had to find a pilot who

1104

01:05:18,880 --> 01:05:14,870

is who who dare to report that his UFO

1105

01:05:22,030 --> 01:05:18,890

sighting I heard about I heard many

1106

01:05:25,660 --> 01:05:22,040

stories for probably the most intriguing

1107

01:05:29,880 --> 01:05:25,670

ones came from general general general

1108

01:05:34,900 --> 01:05:29,890

turned off and turned off was the

1109

01:05:37,540 --> 01:05:34,910

highest figure in in Polish army who who

1110

01:05:42,610 --> 01:05:37,550

said directly about the UFOs and he

1111

01:05:45,240 --> 01:05:42,620

mentioned in at some point that in 1950s

1112

01:05:49,000 --> 01:05:45,250

one of the Polish pilots perished

1113

01:05:53,080 --> 01:05:49,010

disappeared during during a UFO chase

1114

01:05:59,610 --> 01:05:53,090

and he probably died in the same way as

1115

01:06:04,210 --> 01:05:59,620

Thomas mentor but also other pilots

1116

01:06:07,360 --> 01:06:04,220

reported strange activities and one of

1117

01:06:12,180 --> 01:06:07,370

the most interesting cases was research

1118

01:06:18,030 --> 01:06:12,190

by Damien trailer very very variable

1119

01:06:22,930 --> 01:06:18,040

researcher from Brasov area and he

1120

01:06:27,220 --> 01:06:22,940

described in his in his report a tale of

1121

01:06:32,200 --> 01:06:27,230

two pilots who saw a flying disc that

1122

01:06:36,010 --> 01:06:32,210

was so close to the crafts today today

1123

01:06:40,750 --> 01:06:36,020

today today rejects that it was shocking

1124

01:06:45,070 --> 01:06:40,760

for them the the sighting can be found

1125

01:06:48,910 --> 01:06:45,080

also in the book but I also heard

1126

01:06:54,000 --> 01:06:48,920

stories typical stories about for

1127

01:06:57,040 --> 01:06:54,010

example flying balls chased by pilots or

1128

01:07:00,790 --> 01:06:57,050

similar incidents so it's very

1129

01:07:04,810 --> 01:07:00,800

interesting to learn that in the past

1130

01:07:09,710 --> 01:07:04,820

there were many incidents of that kind

1131

01:07:15,020 --> 01:07:09,720

and when pilots or military was reacting

1132

01:07:20,170 --> 01:07:15,030

- UFO activity but now it's over now you

1133

01:07:23,710 --> 01:07:20,180

can't find any pilot reporting UFO and

1134

01:07:28,120 --> 01:07:23,720

that's probably connected with with

1135

01:07:30,980 --> 01:07:28,130

Polish accession to NATO because

1136

01:07:35,480 --> 01:07:30,990

something strange happens some kind of

1137

01:07:42,349 --> 01:07:35,490

curtain fall on the on the on the topic

1138

01:07:45,500 --> 01:07:42,359

and from 2000 probably circa 2000 there

1139

01:07:49,370 --> 01:07:45,510

are no fresh reports of from military

1140

01:07:54,170 --> 01:07:49,380

pilots so so it's very very interesting

1141

01:07:58,280 --> 01:07:54,180

in in fact you can even find in from any

1142

01:08:02,540 --> 01:07:58,290

information in Poland from civilian

1143

01:08:07,520 --> 01:08:02,550

pilots so the UFO topic in our country

1144

01:08:08,180 --> 01:08:07,530

officially is non-existing wow that's

1145

01:08:10,910 --> 01:08:08,190

amazing

1146

01:08:14,690 --> 01:08:10,920

you know you've talked about spheres

1147

01:08:16,700 --> 01:08:14,700

like orbs and things like that you

1148

01:08:19,550 --> 01:08:16,710

talked about discs

1149

01:08:22,070 --> 01:08:19,560

how about triangles there's a lot of

1150

01:08:25,519 --> 01:08:22,080

reports of triangles in this country and

1151

01:08:29,269 --> 01:08:25,529

the United States that is flying

1152

01:08:32,390 --> 01:08:29,279

triangles and boomerangs because because

1153

01:08:38,720 --> 01:08:32,400

we got reports about boomerang-shaped

1154

01:08:43,519 --> 01:08:38,730

objects in recent years those reports

1155

01:08:48,910 --> 01:08:43,529

were very common in from probably 2008

1156

01:08:53,630 --> 01:08:48,920

to 2014 there was a small flap of

1157

01:09:00,140 --> 01:08:53,640

triangular UFOs over Poland and what was

1158

01:09:04,220 --> 01:09:00,150

the most interesting Kingdom we found

1159

01:09:10,090 --> 01:09:04,230

that most of the sightings took place in

1160

01:09:16,789 --> 01:09:10,100

close vicinity to to military bases

1161

01:09:19,670 --> 01:09:16,799

exact to bases of Air Force polygraphers

1162

01:09:21,410 --> 01:09:19,680

for example in Lublin it's our yellow

1163

01:09:25,939 --> 01:09:21,420

beanie despite new

1164

01:09:31,220 --> 01:09:25,949

from from my city there's a base of

1165

01:09:36,950 --> 01:09:31,230

Special Forces and in 2013 for probably

1166

01:09:40,450 --> 01:09:36,960

I received a report from a wife of one

1167

01:09:43,430 --> 01:09:40,460

of the soldiers and the woman said that

1168

01:09:47,510 --> 01:09:43,440

during a night strong with her dog he

1169

01:09:50,209 --> 01:09:47,520

saw a huge boomerang shaped object

1170

01:09:53,229 --> 01:09:50,219

hovering over over the small city it

1171

01:09:57,169 --> 01:09:53,239

just passed over the blocks over the

1172

01:10:01,180 --> 01:09:57,179

over the city very low and it looked

1173

01:10:03,590 --> 01:10:01,190

like to be covered in some kind of

1174

01:10:07,880 --> 01:10:03,600

camouflage but it was very strange

1175

01:10:14,209 --> 01:10:07,890

because the camouflage made the object

1176

01:10:17,720 --> 01:10:14,219

more visible it was a quasi camouflage

1177

01:10:21,410 --> 01:10:17,730

very very very strange aspect and that

1178

01:10:25,610 --> 01:10:21,420

aspect of of camouflage making the

1179

01:10:29,060 --> 01:10:25,620

object more visible is appealing also in

1180

01:10:35,930 --> 01:10:29,070

other reports for example in Sandomierz

1181

01:10:40,720 --> 01:10:35,940

a in Centauri City in 2008 a man quite

1182

01:10:45,220 --> 01:10:40,730

real the real boomin so flying

1183

01:10:50,229 --> 01:10:45,230

boomerangs dotted with small red points

1184

01:10:56,450 --> 01:10:50,239

also covered by some kind of camouflage

1185

01:11:01,580 --> 01:10:56,460

described by him as as kind of water of

1186

01:11:04,040 --> 01:11:01,590

or something of least but the camouflage

1187

01:11:07,040 --> 01:11:04,050

was making the object clearly visible

1188

01:11:12,100 --> 01:11:07,050

but if the object was without the

1189

01:11:16,700 --> 01:11:12,110

camouflage it would be it would be not

1190

01:11:21,350 --> 01:11:16,710

visible adult on the on the on the black

1191

01:11:27,380 --> 01:11:21,360

sky and we call that we would call that

1192

01:11:30,740 --> 01:11:27,390

a camouflage fail in the u.s. so your

1193

01:11:32,900 --> 01:11:30,750

your triangle sightings you mentioned a

1194

01:11:35,240 --> 01:11:32,910

lot of them or boomerang sightings are

1195

01:11:37,610 --> 01:11:35,250

seen near military bases and that

1196

01:11:40,180 --> 01:11:37,620

really furthers the speculation that

1197

01:11:43,880 --> 01:11:40,190

there's craft out there that were not

1198

01:11:48,980 --> 01:11:43,890

aware of that actually that Poland has

1199

01:11:54,020 --> 01:11:48,990

as well as United States it was very

1200

01:11:56,720 --> 01:11:54,030

very easy to to join the triangle

1201

01:12:02,240 --> 01:11:56,730

activity of UFO triangles with military

1202

01:12:05,030 --> 01:12:02,250

but they the activity and behavior of

1203

01:12:07,580 --> 01:12:05,040

this object was so reckless and strange

1204

01:12:12,200 --> 01:12:07,590

that it was hard to believe that

1205

01:12:15,230 --> 01:12:12,210

military would start object and then

1206

01:12:19,040 --> 01:12:15,240

appear over a city where all the people

1207

01:12:23,000 --> 01:12:19,050

can see it probably it's it's

1208

01:12:26,390 --> 01:12:23,010

unbelievable for example in 2009 a

1209

01:12:30,140 --> 01:12:26,400

flying triangle very strange object

1210

01:12:35,320 --> 01:12:30,150

because from the underside as the

1211

01:12:41,090 --> 01:12:35,330

witness said it look as if built of of

1212

01:12:45,650 --> 01:12:41,100

cubes it was an irregular and that

1213

01:12:50,480 --> 01:12:45,660

object appeared of a highway in central

1214

01:12:53,360 --> 01:12:50,490

Poland and look as if broken down

1215

01:12:57,470 --> 01:12:53,370

because it was moving in jerks some kind

1216

01:13:01,640 --> 01:12:57,480

of jerks and one of the lights and their

1217

01:13:06,440 --> 01:13:01,650

sight was blinking as if as if something

1218

01:13:10,460 --> 01:13:06,450

was wrong with it and and when we look

1219

01:13:13,400 --> 01:13:10,470

at the incident we can came to

1220

01:13:19,400 --> 01:13:13,410

conclusion that the object in fact may

1221

01:13:24,920 --> 01:13:19,410

have some problems and I'm not very sure

1222

01:13:29,080 --> 01:13:24,930

if military while testing some strange

1223

01:13:33,350 --> 01:13:29,090

crafts would be so reckless and and and

1224

01:13:38,570 --> 01:13:33,360

maybe even stupid too to fly over a

1225

01:13:43,790 --> 01:13:38,580

year's where everybody may to look and

1226

01:13:48,709 --> 01:13:43,800

see the objects in the sky while on the

1227

01:13:54,860 --> 01:13:52,130

do everything in the in the secret so

1228

01:13:58,430 --> 01:13:54,870

it's very strange strange it's very

1229

01:14:01,430 --> 01:13:58,440

strange tactics seen also in American

1230

01:14:07,750 --> 01:14:01,440

cases of flying triangles because when

1231

01:14:10,959 --> 01:14:07,760

we compare our our our conclusions to

1232

01:14:14,420 --> 01:14:10,969

reports from NIGC

1233

01:14:18,260 --> 01:14:14,430

about Frank triangles we and we could

1234

01:14:22,160 --> 01:14:18,270

find very interesting parallels between

1235

01:14:25,300 --> 01:14:22,170

activity in USA and triangular activity

1236

01:14:29,180 --> 01:14:25,310

in Django activity in the in Poland I

1237

01:14:32,479 --> 01:14:29,190

mentioned that to a guest I had on the

1238

01:14:35,390 --> 01:14:32,489

show a while back that was stating that

1239

01:14:38,209 --> 01:14:35,400

he thought that all triangles were some

1240

01:14:41,150 --> 01:14:38,219

military secret project that we were not

1241

01:14:43,939 --> 01:14:41,160

aware of and I said you know why would

1242

01:14:47,300 --> 01:14:43,949

they fly these things in a populated

1243

01:14:49,280 --> 01:14:47,310

area if they were secret and I think his

1244

01:14:52,520 --> 01:14:49,290

reply was something along the lines

1245

01:14:54,200 --> 01:14:52,530

where we're getting getting the public

1246

01:14:55,850 --> 01:14:54,210

used to seeing these things and that's

1247

01:14:59,689 --> 01:14:55,860

why we're doing you know that's why what

1248

01:15:04,300 --> 01:14:59,699

they're doing and maybe but I remember

1249

01:15:10,880 --> 01:15:04,310

reports for example of some young

1250

01:15:14,270 --> 01:15:10,890

astronomer he reported that at some

1251
01:15:16,550 --> 01:15:14,280
point probably in 2014 he saw a strange

1252
01:15:19,700 --> 01:15:16,560
object very high in the sky because it

1253
01:15:24,380 --> 01:15:19,710
was most of the of the triangles were

1254
01:15:26,959 --> 01:15:24,390
seen on low attitudes but at that time

1255
01:15:31,400 --> 01:15:26,969
he was so the object very high in the

1256
01:15:34,640 --> 01:15:31,410
sky and it looked like if it was I don't

1257
01:15:38,479 --> 01:15:34,650
know entering the atmosphere or so I

1258
01:15:42,380 --> 01:15:38,489
remember also reports but I'm not sure

1259
01:15:45,140 --> 01:15:42,390
if it's if it's variable because the

1260
01:15:48,200 --> 01:15:45,150
witnesses didn't know to reveal his

1261
01:15:55,459 --> 01:15:48,210
identity and it was restricted only to

1262
01:15:59,570 --> 01:15:55,469
email but them and also living in in

1263
01:16:01,189 --> 01:15:59,580

this vicinity of military base so say

1264

01:16:07,340 --> 01:16:01,199

that he saw

1265

01:16:10,910 --> 01:16:07,350

flying triangle and that flying angle on

1266

01:16:16,430 --> 01:16:10,920

his eyes began to disappearing in the

1267

01:16:19,550 --> 01:16:16,440

mid so he came to conclusion that the

1268

01:16:22,700 --> 01:16:19,560

object was partially paranormal because

1269

01:16:27,260 --> 01:16:22,710

he did something that it's not

1270

01:16:30,560 --> 01:16:27,270

mmm not possible in in real world it

1271

01:16:34,090 --> 01:16:30,570

just disappeared become shrinking and

1272

01:16:36,680 --> 01:16:34,100

then disappeared but also I remember

1273

01:16:39,530 --> 01:16:36,690

reports about flying triangles from for

1274

01:16:43,100 --> 01:16:39,540

example 1970s and and it's hard to

1275

01:16:46,100 --> 01:16:43,110

believe that in that times Americans

1276

01:16:49,250 --> 01:16:46,110

were flying over Poland and testing

1277

01:16:55,910 --> 01:16:49,260

those objects was it also interesting is

1278

01:16:57,950 --> 01:16:55,920

that we noticed that the activity of

1279

01:17:00,770 --> 01:16:57,960

triangles of a pond may have something

1280

01:17:04,910 --> 01:17:00,780

in common with the this situation in

1281

01:17:07,970 --> 01:17:04,920

Ukraine because just before the conflict

1282

01:17:12,050 --> 01:17:07,980

start in the Ukraine the activity of

1283

01:17:14,629 --> 01:17:12,060

flying changes rose in Poland so we came

1284

01:17:15,680 --> 01:17:14,639

to conclusion that it may be may have

1285

01:17:20,120 --> 01:17:15,690

something in common

1286

01:17:22,490 --> 01:17:20,130

I remember some opinions about Frank

1287

01:17:31,030 --> 01:17:22,500

Frank angles saying that they may be

1288

01:17:35,600 --> 01:17:31,040

kind of chaplains of of very light

1289

01:17:37,850 --> 01:17:35,610

aircrafts of military use and we came to

1290

01:17:42,020 --> 01:17:37,860

conclusion that they may be crashing to

1291

01:17:45,080 --> 01:17:42,030

Ukraine but on the other hand most of

1292

01:17:47,649 --> 01:17:45,090

the incidents with Frank angles to play

1293

01:17:53,030 --> 01:17:47,659

took place in western Poland not on the

1294

01:17:55,609 --> 01:17:53,040

eastern border well with Ukraine but on

1295

01:18:00,729 --> 01:17:55,619

the other side but maybe the activity

1296

01:18:04,490 --> 01:18:00,739

was in some manner connected with the

1297

01:18:08,780 --> 01:18:04,500

conflict that that burst in the Ukraine

1298

01:18:12,399 --> 01:18:08,790

some years ago who knows you know I

1299

01:18:14,990 --> 01:18:12,409

spoke with someone recently that is not

1300

01:18:18,350 --> 01:18:15,000

you know this is kind of like outside

1301
01:18:19,970 --> 01:18:18,360
UFO field it was just a witness who told

1302
01:18:23,000 --> 01:18:19,980
me I briefly mentioned this on a past

1303
01:18:26,990 --> 01:18:23,010
show but the details are this was back

1304
01:18:28,880 --> 01:18:27,000
in 1976 she was riding with her aunt

1305
01:18:31,520 --> 01:18:28,890
like in the backseat and all of a sudden

1306
01:18:33,410 --> 01:18:31,530
Iran stopped and she said you know look

1307
01:18:35,650 --> 01:18:33,420
at this up ahead and it was up she said

1308
01:18:40,340 --> 01:18:35,660
it was a perfectly shaped triangle just

1309
01:18:42,590 --> 01:18:40,350
sitting there over the road and she said

1310
01:18:46,970 --> 01:18:42,600
her aunt got out of the car and there

1311
01:18:49,490 --> 01:18:46,980
was no sound at all you know and then so

1312
01:18:52,940 --> 01:18:49,500
was hovering and then it followed their

1313
01:18:55,130 --> 01:18:52,950

car you know and this is back in 1976

1314

01:18:58,910 --> 01:18:55,140

and if our government or another

1315

01:19:01,070 --> 01:18:58,920

government had vehicles back in 1976 I

1316

01:19:03,050 --> 01:19:01,080

could do that and could move with no

1317

01:19:05,660 --> 01:19:03,060

sound I it seems to me that we would
