

1
00:00:03,169 --> 00:00:02,389
and it hits me oh my gosh this is that

2
00:00:04,249 --> 00:00:03,179
triangle

3
00:00:05,360 --> 00:00:04,259
you know there's explanation for

4
00:00:08,270 --> 00:00:05,370
everything that occurred in the

5
00:00:11,180 --> 00:00:08,280
Rendlesham forest incident didn't aliens

6
00:00:14,539 --> 00:00:11,190
at all it was completely silent it comes

7
00:00:16,670 --> 00:00:14,549
right over our heads it's sort of like

8
00:00:18,529 --> 00:00:16,680
flying saucer really standing in the

9
00:00:19,970 --> 00:00:18,539
clearing he turned over to my father and

10
00:00:25,820 --> 00:00:19,980
held his hand and he looked in his eyes

11
00:00:29,150 --> 00:00:25,830
and said we're not alone welcome to

Matter digital network every Thursday at

39

00:01:43,100 --> 00:01:40,259

10:00 to midnight Eastern Standard Time

40

00:01:45,350 --> 00:01:43,110

how you doing Alejandra I am doing well

41

00:01:47,710 --> 00:01:45,360

how are you good I've heard you've had

42

00:01:51,490 --> 00:01:47,720

some scorching heat out that way

43

00:01:53,960 --> 00:01:51,500

yeah you notice I haven't been

44

00:01:55,910 --> 00:01:53,970

mentioning the weather because I can't

45

00:01:58,160 --> 00:01:55,920

brag about the weather anymore most of

46

00:02:00,170 --> 00:01:58,170

the year I can brag and be like oh hey

47

00:02:04,370 --> 00:02:00,180

what's weather out there snowing huh

48

00:02:07,100 --> 00:02:04,380

bummer it's perfect out here yeah but no

49

00:02:11,540 --> 00:02:07,110

it was perfect weather up until a few

50

00:02:13,940 --> 00:02:11,550

days ago and I think that mother nature

51

00:02:18,280 --> 00:02:13,950

or whoever is in charge of

52

00:02:21,470 --> 00:02:18,290

the heat meter out there in the universe

53

00:02:24,559 --> 00:02:21,480

like just switched it on hardcore a

54

00:02:27,440 --> 00:02:24,569

couple days ago and we went from you

55

00:02:29,030 --> 00:02:27,450

know low 90s which may be hot in some

56

00:02:33,830 --> 00:02:29,040

areas but is not bad here it's like

57

00:02:36,590 --> 00:02:33,840

perfect up to 110 boom and we're now in

58

00:02:40,100 --> 00:02:36,600

the summer we're in the hotness and it's

59

00:02:42,770 --> 00:02:40,110

it's like the difference is is there's

60

00:02:45,640 --> 00:02:42,780

like no reprieve you can't go anywhere

61

00:02:50,180 --> 00:02:45,650

but inside to the AC because you walk

62

00:02:52,400 --> 00:02:50,190

into the shade and you know it's just

63

00:02:55,100 --> 00:02:52,410

less hot but it's still a hundred and

64

00:02:57,020 --> 00:02:55,110

plus so it's still very hot you're just

65

00:03:00,680 --> 00:02:57,030

out of the Sun so you're gonna survive

66

00:03:03,229 --> 00:03:00,690

for a few more minutes but then then a

67

00:03:05,509 --> 00:03:03,239

breeze is no reprieve at all at when

68

00:03:07,790 --> 00:03:05,519

that's was a shocking thing when I moved

69

00:03:09,440 --> 00:03:07,800

out here and experienced it when there's

70

00:03:11,360 --> 00:03:09,450

a breeze you're thinking oh this is

71

00:03:13,640 --> 00:03:11,370

gonna be nice a breeze in most places a

72

00:03:17,150 --> 00:03:13,650

breeze cools you down Noah breeze is

73

00:03:19,610 --> 00:03:17,160

just like a hairdryer yeah hot air

74

00:03:23,180 --> 00:03:19,620

furnace being blown on your face out

75

00:03:25,220 --> 00:03:23,190

here yeah so it is yep we're into the

76

00:03:29,180 --> 00:03:25,230

summer heat now so we're living that

77

00:03:31,789 --> 00:03:29,190

that life and inside looking out our

78

00:03:34,130 --> 00:03:31,799

windows that there still looks pretty

79

00:03:36,920 --> 00:03:34,140

but yeah you don't want to be out there

80

00:03:38,810 --> 00:03:36,930

for too long yeah you know it's it's it

81

00:03:42,110 --> 00:03:38,820

makes you wonder what they did you know

82

00:03:44,259 --> 00:03:42,120

50 years ago and in that area you know

83

00:03:47,360 --> 00:03:44,269

when there was no air conditioning yeah

84

00:03:50,240 --> 00:03:47,370

well you know I've been down to Tucson

85

00:03:53,390 --> 00:03:50,250

and the area what is at the okay Corral

86

00:03:56,210 --> 00:03:53,400

right yeah they wore a lot of clothes

87

00:03:58,160 --> 00:03:56,220

back then the big jackets the wool and

88

00:04:00,050 --> 00:03:58,170

I've been out there for like the

89

00:04:02,090 --> 00:04:00,060
anniversary of the shootout and

90

00:04:05,030 --> 00:04:02,100
everything and where they do the

91

00:04:07,220 --> 00:04:05,040
reenactment yeah I don't know how those

92

00:04:09,110 --> 00:04:07,230
actors were yes you've been out there

93

00:04:11,750 --> 00:04:09,120
let alone those people back then with no

94

00:04:15,530 --> 00:04:11,760
a/c I don't know how they did it and

95

00:04:18,050 --> 00:04:15,540
that he'd I mean it's amazing to me or

96

00:04:20,300 --> 00:04:18,060
you know there are lots of Native

97

00:04:22,339 --> 00:04:20,310
American tribes in this area oh yeah how

98

00:04:25,190 --> 00:04:22,349
they did it you know I think that they

99

00:04:27,350 --> 00:04:25,200
did stay inside most and and moved

100

00:04:29,480 --> 00:04:27,360
around mostly at night but

101
00:04:33,020 --> 00:04:29,490
they had little Earth's Hut's out here

102
00:04:34,969 --> 00:04:33,030
that they would build and your Illi

103
00:04:38,570 --> 00:04:34,979
think of that often how the heck did

104
00:04:40,999 --> 00:04:38,580
people survive before AC yeah it must

105
00:04:43,040 --> 00:04:41,009
have been just getting used to you know

106
00:04:45,230 --> 00:04:43,050
I mean they're just a way of life more

107
00:04:46,339 --> 00:04:45,240
or less yeah like the Native Americans

108
00:04:48,399 --> 00:04:46,349
stuff like that

109
00:04:52,339 --> 00:04:48,409
well I think we're here to talk about

110
00:04:55,909 --> 00:04:52,349
UFOs oh okay yeah yeah I can talk about

111
00:04:58,939 --> 00:04:55,919
that too okay and is there anything

112
00:05:01,219 --> 00:04:58,949
going on no I did yeah there actually we

113
00:05:06,200 --> 00:05:01,229

do have some interesting stories okay so

114

00:05:08,540 --> 00:05:06,210

a couple of things here first of all you

115

00:05:10,519 --> 00:05:08,550

know one of the videos and it's a pretty

116

00:05:12,649 --> 00:05:10,529

video because that's one of the reasons

117

00:05:14,480 --> 00:05:12,659

I like talking about it

118

00:05:17,029 --> 00:05:14,490

but there's a little bit of controversy

119

00:05:21,040 --> 00:05:17,039

not everybody agrees about this video

120

00:05:25,100 --> 00:05:21,050

but this is an Ohio video that was taken

121

00:05:27,170 --> 00:05:25,110

recently and you know if you read the

122

00:05:31,040 --> 00:05:27,180

description these people sound very

123

00:05:33,829 --> 00:05:31,050

intelligent and the date their report is

124

00:05:36,469 --> 00:05:33,839

very well-written whereas many times

125

00:05:39,619 --> 00:05:36,479

they're not but this was May 27th in the

126
00:05:40,700 --> 00:05:39,629
town of Rudolph and this couple at about

127
00:05:45,170 --> 00:05:40,710
9:30 p.m.

128
00:05:47,119 --> 00:05:45,180
it's a object in the sky the wife said

129
00:05:48,619 --> 00:05:47,129
that her husband looked over his

130
00:05:51,920 --> 00:05:48,629
shoulder and said what the hell is that

131
00:05:53,510 --> 00:05:51,930
and they said they saw directly over

132
00:05:57,050 --> 00:05:53,520
them what appeared to be something very

133
00:05:59,990 --> 00:05:57,060
large but they described it like this

134
00:06:02,420 --> 00:06:00,000
they described it as a bright pulsating

135
00:06:04,850 --> 00:06:02,430
white light that changed to a faint

136
00:06:08,480 --> 00:06:04,860
glowing red light and then back to white

137
00:06:14,510 --> 00:06:08,490
and that this light was inside of a

138
00:06:19,399 --> 00:06:14,520

translucent square so the MUFON

139

00:06:21,469 --> 00:06:19,409

investigator who was Donovan Lee did

140

00:06:23,869 --> 00:06:21,479

some investigation and closed it as an

141

00:06:26,990 --> 00:06:23,879

unknown although he described this as

142

00:06:29,899 --> 00:06:27,000

the color being white but glowing to a

143

00:06:33,350 --> 00:06:29,909

reddish hue and he said it was it was

144

00:06:36,230 --> 00:06:33,360

like it was a burning flame well a

145

00:06:39,529 --> 00:06:36,240

burning flame inside of a translucent

146

00:06:41,200 --> 00:06:39,539

square to me sounds exactly like yeah it

147

00:06:43,880 --> 00:06:41,210

sounds like a Chinese lantern

148

00:06:45,740 --> 00:06:43,890

but he felt that it wasn't he felt it

149

00:06:49,520 --> 00:06:45,750

was being it was moving too slow to be a

150

00:06:51,830 --> 00:06:49,530

kite or a balloon and that too fast to

151
00:06:55,070 --> 00:06:51,840
be a plane he said it was not moving in

152
00:06:58,820 --> 00:06:55,080
the direction of the wind but win can

153
00:07:01,340 --> 00:06:58,830
change at different elevation so this

154
00:07:03,470 --> 00:07:01,350
person the investigator and others feel

155
00:07:05,870 --> 00:07:03,480
pretty confidently that it's not a

156
00:07:07,640 --> 00:07:05,880
Chinese lantern and I think you said you

157
00:07:10,760 --> 00:07:07,650
watch the video too and you goat that it

158
00:07:12,650 --> 00:07:10,770
was too hard to tell but the description

159
00:07:14,930 --> 00:07:12,660
very much sounds like one but it's a

160
00:07:17,540 --> 00:07:14,940
great I think it's a neat video I mean

161
00:07:20,930 --> 00:07:17,550
it's it's well done and and the

162
00:07:23,210 --> 00:07:20,940
aesthetics of the video are nice yeah

163
00:07:27,580 --> 00:07:23,220

now did anyone come up with the theory

164

00:07:30,800 --> 00:07:27,590

that it could be a red-nosed reindeer no

165

00:07:35,600 --> 00:07:30,810

it's not the season for that but all but

166

00:07:37,550 --> 00:07:35,610

right the county it's Rudolph well so I

167

00:07:40,040 --> 00:07:37,560

sorry I had to go there I don't know

168

00:07:42,760 --> 00:07:40,050

much about the town of Rudolph Ohio but

169

00:07:45,800 --> 00:07:42,770

I don't believe that the name has any

170

00:07:47,390 --> 00:07:45,810

you know history related to the

171

00:07:50,810 --> 00:07:47,400

red-nosed reindeer

172

00:07:53,780 --> 00:07:50,820

in fact I I know people get upset that

173

00:07:56,060 --> 00:07:53,790

we can be so skeptical on the show but I

174

00:07:58,820 --> 00:07:56,070

am one of those people who is very

175

00:08:01,730 --> 00:07:58,830

skeptical that Rudolph the red-nosed

176

00:08:04,550 --> 00:08:01,740

reindeer existed at all well you know

177

00:08:06,920 --> 00:08:04,560

there's no hard evidence no I think

178

00:08:10,850 --> 00:08:06,930

that's total mythology I just don't

179

00:08:12,590 --> 00:08:10,860

think that he is real yeah well you know

180

00:08:15,290 --> 00:08:12,600

I'm gonna get a lot of hate mail about

181

00:08:18,409 --> 00:08:15,300

this yeah thank you are I don't believe

182

00:08:22,840 --> 00:08:18,419

in Santa Claus never we're did either

183

00:08:26,540 --> 00:08:22,850

how about that they dropped a bomb yeah

184

00:08:28,190 --> 00:08:26,550

so there's another video though that or

185

00:08:31,310 --> 00:08:28,200

photos that are a little more

186

00:08:34,850 --> 00:08:31,320

interesting these are in from Grass

187

00:08:41,329 --> 00:08:34,860

Grass Valley California around the same

188

00:08:43,730 --> 00:08:41,339

time also late May and this was also

189

00:08:45,950 --> 00:08:43,740

later in the day although you can tell

190

00:08:48,980 --> 00:08:45,960

it there is daylight out the person said

191

00:08:51,350 --> 00:08:48,990

it was 7:30 p.m. this was May 28th so

192

00:08:54,120 --> 00:08:51,360

just a couple days after the other video

193

00:09:00,170 --> 00:08:56,580

they said they saw this object in the

194

00:09:03,450 --> 00:09:00,180

sky so they took some pictures of it

195

00:09:04,830 --> 00:09:03,460

actually this person also you know is

196

00:09:07,950 --> 00:09:04,840

very well written they seem very

197

00:09:09,360 --> 00:09:07,960

intelligent this person told their

198

00:09:11,100 --> 00:09:09,370

roommate hey look at that thing in the

199

00:09:13,020 --> 00:09:11,110

sky and it was a roommate who went and

200

00:09:15,840 --> 00:09:13,030

grabbed a camera and took some pictures

201
00:09:17,670 --> 00:09:15,850
and they took these pictures and they

202
00:09:21,000 --> 00:09:17,680
blew him up and they just couldn't tell

203
00:09:23,040 --> 00:09:21,010
what they were you know they they talked

204
00:09:26,190 --> 00:09:23,050
about how in a three of the pictures

205
00:09:28,350 --> 00:09:26,200
they got fuzzy objects and I feel that

206
00:09:30,660 --> 00:09:28,360
those are probably due to the camera

207
00:09:33,720 --> 00:09:30,670
being very out of focus however two of

208
00:09:35,970 --> 00:09:33,730
the pictures are very in focus but the

209
00:09:39,360 --> 00:09:35,980
object in each of the images is

210
00:09:43,020 --> 00:09:39,370
completely different one of them yeah is

211
00:09:46,350 --> 00:09:43,030
an oblong kind of a taller kind of thing

212
00:09:48,330 --> 00:09:46,360
almost like a lipstick bottle flying in

213
00:09:49,980 --> 00:09:48,340

the air or something like that and then

214

00:09:53,180 --> 00:09:49,990

the other one I don't even know how to

215

00:09:55,800 --> 00:09:53,190

describe this some kind of lampshade

216

00:09:57,720 --> 00:09:55,810

description yeah I just came up with

217

00:09:59,880 --> 00:09:57,730

that one and finally I came up with a

218

00:10:02,430 --> 00:09:59,890

description kind of a lampshade like the

219

00:10:04,230 --> 00:10:02,440

ones with the little balls hanging from

220

00:10:09,260 --> 00:10:04,240

the bottom like little poofy kind of

221

00:10:12,080 --> 00:10:09,270

fabric like pom pom little things and so

222

00:10:15,690 --> 00:10:12,090

but yeah they feel that this object

223

00:10:19,260 --> 00:10:15,700

changed shapes while it was flying along

224

00:10:22,100 --> 00:10:19,270

in the sky there so some interesting

225

00:10:26,310 --> 00:10:22,110

photos yeah you know that's that is

226

00:10:27,960 --> 00:10:26,320

really really strange but also not like

227

00:10:30,480 --> 00:10:27,970

something we haven't heard before you

228

00:10:34,110 --> 00:10:30,490

know right not a precedented yep I'm

229

00:10:35,520 --> 00:10:34,120

saying that they totally shift I don't

230

00:10:39,480 --> 00:10:35,530

want to say shape-shift but they do

231

00:10:42,620 --> 00:10:39,490

change like a formation and fade in and

232

00:10:45,720 --> 00:10:42,630

out and all that stuff you know yeah so

233

00:10:48,150 --> 00:10:45,730

they said that the light the intensity

234

00:10:50,670 --> 00:10:48,160

of the light you know increased and they

235

00:10:53,610 --> 00:10:50,680

felt it was reflecting light so the

236

00:10:56,810 --> 00:10:53,620

reflectivity increased and decreased so

237

00:11:00,140 --> 00:10:56,820

I guess that would be the possibility of

238

00:11:03,150 --> 00:11:00,150

balloons tumbling in the sky and in fact

239

00:11:06,210 --> 00:11:03,160

you know I think an amazing video a

240

00:11:07,560 --> 00:11:06,220

great video which we know was balloons

241

00:11:10,110 --> 00:11:07,570

actually was

242

00:11:13,680 --> 00:11:10,120

one posted by one of Jaime mousse ons

243

00:11:15,150 --> 00:11:13,690

guys oh so this is what happened this is

244

00:11:17,040 --> 00:11:15,160

how it happened with me I might have

245

00:11:20,370 --> 00:11:17,050

told you this story I don't know has to

246

00:11:22,320 --> 00:11:20,380

do with Ruben Uriarte who's a MUFON

247

00:11:24,960 --> 00:11:22,330

investigator in California who also does

248

00:11:29,880 --> 00:11:24,970

work in Mexico but they went out with

249

00:11:32,160 --> 00:11:29,890

Jaime and their crew and they in Mexico

250

00:11:35,910 --> 00:11:32,170

City and they were way far away and they

251
00:11:37,470 --> 00:11:35,920
launched a set of balloons and they were

252
00:11:41,430 --> 00:11:37,480
going to videotape them from this

253
00:11:44,340 --> 00:11:41,440
rooftop well one of the guys sees the

254
00:11:47,640 --> 00:11:44,350
vid the balloons he's like oh my gosh he

255
00:11:49,890 --> 00:11:47,650
starts filming it and then they told him

256
00:11:52,680 --> 00:11:49,900
those aren't that's not a UFO those are

257
00:11:54,240 --> 00:11:52,690
balloons we we launched those so we can

258
00:11:56,160 --> 00:11:54,250
film them to see what they look like so

259
00:11:59,580 --> 00:11:56,170
we can match him up against some of the

260
00:12:00,900 --> 00:11:59,590
other videos this is where a TV show do

261
00:12:01,470 --> 00:12:00,910
you have like a pet squirrel or

262
00:12:06,300 --> 00:12:01,480
something

263
00:12:09,450 --> 00:12:06,310

no I'm hearing like little feet oh sorry

264

00:12:13,140 --> 00:12:09,460

I it might be the table hear me oh it

265

00:12:17,070 --> 00:12:13,150

could be yeah okay so this guy posted

266

00:12:18,360 --> 00:12:17,080

the video as a shape-changing UFO even

267

00:12:21,300 --> 00:12:18,370

though they had told him it was a

268

00:12:24,480 --> 00:12:21,310

balloon and so it went viral of course

269

00:12:27,630 --> 00:12:24,490

yeah and the video I mean really looks

270

00:12:30,150 --> 00:12:27,640

like a solid object changing shape it's

271

00:12:32,460 --> 00:12:30,160

pretty weird it's really the videos

272

00:12:34,560 --> 00:12:32,470

great it was really weird so I saw the

273

00:12:36,780 --> 00:12:34,570

video and because it was in Mexico I

274

00:12:39,210 --> 00:12:36,790

immediately got a hold of Ruben and I

275

00:12:41,310 --> 00:12:39,220

said hey have you seen this yet and he

276

00:12:44,100 --> 00:12:41,320

laughed he called me and he said oh my

277

00:12:45,960 --> 00:12:44,110

gosh he's like I can't believe that they

278

00:12:48,510 --> 00:12:45,970

posted this he's like these are the

279

00:12:50,940 --> 00:12:48,520

balloons we launched when we were in

280

00:12:54,150 --> 00:12:50,950

Mexico City and he knows that why is he

281

00:12:56,160 --> 00:12:54,160

posting this so and - Jaime's defense it

282

00:12:59,340 --> 00:12:56,170

wasn't Jaime who posted it it was one of

283

00:13:01,650 --> 00:12:59,350

the guys that works with him but yeah so

284

00:13:04,560 --> 00:13:01,660

balloons can look kind of weird although

285

00:13:06,990 --> 00:13:04,570

I'm not sure that's what this is because

286

00:13:09,560 --> 00:13:07,000

this does appear to be one solid object

287

00:13:12,450 --> 00:13:09,570

doesn't appear to be multiple but I

288

00:13:14,940 --> 00:13:12,460

don't know yeah we're a duck so I'm done

289

00:13:18,150 --> 00:13:14,950

well I think it's time to call it a

290

00:13:20,370 --> 00:13:18,160

night feed your squirrel and and we'll

291

00:13:21,150 --> 00:13:20,380

okay yeah talking sweet my invisible

292

00:13:25,050 --> 00:13:21,160

squirrel

293

00:13:26,639 --> 00:13:25,060

here yeah all right all right yep you

294

00:13:27,360 --> 00:13:26,649

have a great week and we will talk to

295

00:13:29,309 --> 00:13:27,370

you later

296

00:13:31,499 --> 00:13:29,319

all right thanks a lot so a little bit

297

00:13:33,990 --> 00:13:31,509

about our guest tonight Jeff Willis has

298

00:13:36,389 --> 00:13:34,000

been researching UFOs and related

299

00:13:39,389 --> 00:13:36,399

phenomena for over 25 years his initial

300

00:13:41,730 --> 00:13:39,399

interest in aliens didn't start with the

301
00:13:43,530 --> 00:13:41,740
simple UFO sighting he's been having

302
00:13:47,340 --> 00:13:43,540
sightings of UFOs and other odd

303
00:13:49,230 --> 00:13:47,350
experiences since 1975 in 1987 at the

304
00:13:51,449 --> 00:13:49,240
age of 17 he moved to Phoenix from

305
00:13:53,970 --> 00:13:51,459
Seattle with his family skywatching

306
00:13:57,210 --> 00:13:53,980
became his full-time activity after

307
00:14:00,449 --> 00:13:57,220
getting his video camera in 1995 he's

308
00:14:03,139 --> 00:14:00,459
been able to get over 250 hours of solid

309
00:14:05,879 --> 00:14:03,149
UFO video Jeff Willis was one of the

310
00:14:08,550 --> 00:14:05,889
co-creators of at the UFO trip it became

311
00:14:10,290 --> 00:14:08,560
the History Channel's UFO Hunters TV

312
00:14:12,540 --> 00:14:10,300
show his footage has been on featured

313
00:14:14,369 --> 00:14:12,550

and many programs including History

314

00:14:16,650 --> 00:14:14,379

Channel's ancient aliens Disney's race

315

00:14:20,519 --> 00:14:16,660

to Witch Mountain and Danny Aykroyd

316

00:14:20,790 --> 00:14:20,529

unplugged on UFOs and many more all

317

00:14:23,400 --> 00:14:20,800

right

318

00:15:51,940 --> 00:14:23,410

so hang in for the quick music break

319

00:15:58,010 --> 00:15:55,970

Jeff Willis hello yeah hey how you doing

320

00:16:00,080 --> 00:15:58,020

that's a great music intro I thought I

321

00:16:02,960 --> 00:16:00,090

was stuck inside of a Pink Floyd video

322

00:16:05,090 --> 00:16:02,970

or something that's by Carrie Lloyd

323

00:16:08,630 --> 00:16:05,100

Whitehouse he's a fan of the show he's

324

00:16:11,690 --> 00:16:08,640

in Ireland produces movies for music for

325

00:16:14,090 --> 00:16:11,700

movies and and he did some a bunch of

326

00:16:17,990 --> 00:16:14,100

music for us so yeah that was great

327

00:16:22,340 --> 00:16:18,000

yeah thanks Hey well welcome to the show

328

00:16:24,110 --> 00:16:22,350

first of all and we are not related by

329

00:16:25,700 --> 00:16:24,120

the way are for some reason your

330

00:16:28,550 --> 00:16:25,710

relatives decide to put an e in your

331

00:16:31,880 --> 00:16:28,560

last name right yeah where'd they go

332

00:16:33,769 --> 00:16:31,890

wrong right well yeah I know every time

333

00:16:35,329 --> 00:16:33,779

someone asked me you know what's your

334

00:16:37,100 --> 00:16:35,339

name you know and I tell them in there

335

00:16:38,720 --> 00:16:37,110

they try to you know they have to write

336

00:16:41,660 --> 00:16:38,730

it down for some reason they always

337

00:16:47,720 --> 00:16:41,670

spell it with an is instead of a yes it

338

00:16:49,880 --> 00:16:47,730

happens so first of all you are in

339

00:16:52,160 --> 00:16:49,890

Phoenix and I believe I saw you a couple

340

00:16:56,030 --> 00:16:52,170

years ago out there at the conference at

341

00:16:59,180 --> 00:16:56,040

the UFO Congress but how did you first

342

00:16:59,720 --> 00:16:59,190

get involved in the UFO topic to begin

343

00:17:03,200 --> 00:16:59,730

with

344

00:17:06,079 --> 00:17:03,210

what was your fascination well that

345

00:17:09,040 --> 00:17:06,089

happened from some experiences that I

346

00:17:12,079 --> 00:17:09,050

had and when I was about 5 years old in

347

00:17:14,569 --> 00:17:12,089

1975 it will you know start way at the

348

00:17:18,199 --> 00:17:14,579

very beginning I guess and what happened

349

00:17:22,669 --> 00:17:18,209

was as I was lying in bed about ready to

350

00:17:25,309 --> 00:17:22,679

go to sleep and I was the lights were

351
00:17:29,530 --> 00:17:25,319
turned off and the door was cracked open

352
00:17:33,590 --> 00:17:29,540
just a hair and as I was lying there

353
00:17:35,180 --> 00:17:33,600
about maybe 5 minutes later after I was

354
00:17:37,790 --> 00:17:35,190
lying there all of a sudden I felt

355
00:17:40,820 --> 00:17:37,800
something grabbed my hand and all of a

356
00:17:44,510 --> 00:17:40,830
sudden something was holding my hand now

357
00:17:48,860 --> 00:17:44,520
it felt like a regular person's hand as

358
00:17:50,810 --> 00:17:48,870
far as I remember and I wasn't

359
00:17:54,560 --> 00:17:50,820
immediately scared or startled because I

360
00:17:56,750 --> 00:17:54,570
thought maybe for I just you know you

361
00:17:58,400 --> 00:17:56,760
when you're a kid you you you know and

362
00:17:59,930 --> 00:17:58,410
when you're an adult you try to explain

363
00:18:02,299 --> 00:17:59,940

it away at first to try to come up with

364

00:18:04,519 --> 00:18:02,309

an explanation what is this so

365

00:18:06,499 --> 00:18:04,529

the first thought I had was my mom come

366

00:18:08,810 --> 00:18:06,509

in the room when I had my eyes closed

367

00:18:10,909 --> 00:18:08,820

and let's hold my hand for some reason

368

00:18:14,749 --> 00:18:10,919

like a lion lying there with me and then

369

00:18:17,899 --> 00:18:14,759

right after that immediate thought I saw

370

00:18:19,519 --> 00:18:17,909

her walk by the door on the outside of

371

00:18:23,450 --> 00:18:19,529

the door on the other side in the other

372

00:18:25,989 --> 00:18:23,460

room walking around and so once I saw

373

00:18:30,139 --> 00:18:25,999

that that's when I got scared and I

374

00:18:30,680 --> 00:18:30,149

gathered enough courage to as fast as I

375

00:18:32,810 --> 00:18:30,690

could

376

00:18:34,399 --> 00:18:32,820

reach over and turn on the lamp that was

377

00:18:35,989 --> 00:18:34,409

on the right hand side of the bed and so

378

00:18:38,690 --> 00:18:35,999

I did that as soon as I did in the light

379

00:18:40,099 --> 00:18:38,700

flood of the room the right the pressure

380

00:18:42,049 --> 00:18:40,109

released off my hand and there was

381

00:18:45,709 --> 00:18:42,059

nothing there at all absolutely nothing

382

00:18:48,409 --> 00:18:45,719

so at the very young age of like five or

383

00:18:50,419 --> 00:18:48,419

six years old I realized that there was

384

00:18:52,999 --> 00:18:50,429

something else besides the physical

385

00:18:54,769 --> 00:18:53,009

realm that we're all here and you know

386

00:18:56,389 --> 00:18:54,779

obviously there's something there

387

00:18:58,310 --> 00:18:56,399

something was holding my hand and

388

00:19:00,499 --> 00:18:58,320

they're not there when the lights turned

389

00:19:03,019 --> 00:19:00,509

on so this is something that is

390

00:19:05,659 --> 00:19:03,029

interfering into our world that we can't

391

00:19:08,779 --> 00:19:05,669

see obviously so I was brought into it

392

00:19:12,440 --> 00:19:08,789

at you know with questions at a very

393

00:19:15,799 --> 00:19:12,450

young age and how that progressed was

394

00:19:18,139 --> 00:19:15,809

when I went to kindergarten they decided

395

00:19:21,379 --> 00:19:18,149

to take the group the very first day of

396

00:19:24,079 --> 00:19:21,389

kindergarten they took a group of us to

397

00:19:26,769 --> 00:19:24,089

the the elementary school library which

398

00:19:29,959 --> 00:19:26,779

was a couple rooms down the hall and

399

00:19:32,060 --> 00:19:29,969

they were you know showing us all these

400

00:19:33,769 --> 00:19:32,070

books and you know now you're in this

401

00:19:36,139 --> 00:19:33,779

elementary school you can come here and

402

00:19:38,269 --> 00:19:36,149

check out books any day of the week and

403

00:19:40,279 --> 00:19:38,279

take them home and they they were like

404

00:19:42,979 --> 00:19:40,289

okay so why don't you guys all spread

405

00:19:45,169 --> 00:19:42,989

out and grab some books so you can we

406

00:19:46,969 --> 00:19:45,179

can check them out and you know you got

407

00:19:49,969 --> 00:19:46,979

to remember this was great kindergarten

408

00:19:52,129 --> 00:19:49,979

through sixth grade I believe and so

409

00:19:54,109 --> 00:19:52,139

they had older kids you know sixth grade

410

00:19:54,829 --> 00:19:54,119

or books and you know bigger words and

411

00:19:57,139 --> 00:19:54,839

stuff like that

412

00:20:00,079 --> 00:19:57,149

so I found I was looking through the

413

00:20:03,769 --> 00:20:00,089

entire library at a kindergartener and I

414

00:20:06,499 --> 00:20:03,779

come across a section of books that I

415

00:20:08,989 --> 00:20:06,509

just grabbed off the shelves I was like

416

00:20:10,960 --> 00:20:08,999

I got to know about this I mean because

417

00:20:13,879 --> 00:20:10,970

of the incident that happened before I

418

00:20:16,040 --> 00:20:13,889

came to the counter and I had a book

419

00:20:18,620 --> 00:20:16,050

called UFO photographs

420

00:20:21,980 --> 00:20:18,630

and it had the different saucer shapes

421

00:20:25,040 --> 00:20:21,990

that people have saw and another book

422

00:20:28,400 --> 00:20:25,050

was that I was trying to check out at

423

00:20:31,220 --> 00:20:28,410

the time was was a man it was called

424

00:20:33,980 --> 00:20:31,230

beyond Earth man's contact with UFOs and

425

00:20:35,930 --> 00:20:33,990

had some abduction cases in there I

426

00:20:38,000 --> 00:20:35,940

think the one the first one of the very

427

00:20:40,340 --> 00:20:38,010

first abduction cases was in the book

428

00:20:42,740 --> 00:20:40,350

was the Travis Walton case so that came

429

00:20:44,810 --> 00:20:42,750

later but also was featured in that book

430

00:20:48,200 --> 00:20:44,820

was a Betty and Barney Hill case which

431

00:20:51,410 --> 00:20:48,210

came you know 10 or 12 years prior prior

432

00:20:53,150 --> 00:20:51,420

the Travis Walton thing and so I also

433

00:20:54,890 --> 00:20:53,160

had a Bigfoot book I was trying to check

434

00:20:56,150 --> 00:20:54,900

out and so when I brought these books to

435

00:20:58,640 --> 00:20:56,160

the thing they looked at me and they're

436

00:20:59,960 --> 00:20:58,650

like you can't read these you're barely

437

00:21:01,490 --> 00:20:59,970

learning to read and these are like

438

00:21:03,440 --> 00:21:01,500

sixth grade books what are you trying to

439

00:21:05,570 --> 00:21:03,450

do why are you interested in this stuff

440

00:21:08,300 --> 00:21:05,580

and why are you trying to read this and

441

00:21:10,940 --> 00:21:08,310

basically i i i just told her i want to

442

00:21:12,800 --> 00:21:10,950

i wanted these books you know i want to

443

00:21:14,780 --> 00:21:12,810

check these books out so i brought him

444

00:21:16,310 --> 00:21:14,790

home and my parents were puzzled too

445

00:21:19,100 --> 00:21:16,320

they were like why do you want to know

446

00:21:22,430 --> 00:21:19,110

what this isn't and and i that was one

447

00:21:24,950 --> 00:21:22,440

of the first times i was able to ask the

448

00:21:27,290 --> 00:21:24,960

question i was i was like well well what

449

00:21:31,090 --> 00:21:27,300

is i want to know what a UFO is and i

450

00:21:34,190 --> 00:21:31,100

want to know what's inside of a UFO and

451

00:21:36,260 --> 00:21:34,200

you know please answer that question and

452

00:21:39,470 --> 00:21:36,270

and my mom was like well i don't know

453

00:21:41,630 --> 00:21:39,480

and maybe a robot i guess and that

454

00:21:42,980 --> 00:21:41,640

didn't really satisfy me so i was like

455

00:21:46,610 --> 00:21:42,990

and i want to know what was in my room

456

00:21:48,140 --> 00:21:46,620

you know the you know you know not too

457

00:21:49,640 --> 00:21:48,150

long ago a few months ago that was trent

458

00:21:51,890 --> 00:21:49,650

that was holding my hand and I asked her

459

00:21:53,360 --> 00:21:51,900

that the next morning I asked her what

460

00:21:55,250 --> 00:21:53,370

that was when it when the incident

461

00:21:56,960 --> 00:21:55,260

happened as well and she didn't have an

462

00:22:00,290 --> 00:21:56,970

answer for me she said it was probably a

463

00:22:01,970 --> 00:22:00,300

guardian angel or that was for that's

464

00:22:04,280 --> 00:22:01,980

what she said so that didn't really

465

00:22:05,870 --> 00:22:04,290

satisfy me either so I was asking again

466

00:22:07,880 --> 00:22:05,880

later and I had these books and I was

467

00:22:10,910 --> 00:22:07,890

trying to figure all this stuff out so

468

00:22:12,920 --> 00:22:10,920

that that kind of a long answered your

469

00:22:16,130 --> 00:22:12,930

question but that's basically how it how

470

00:22:18,710 --> 00:22:16,140

it started well I I that's probably a

471

00:22:21,260 --> 00:22:18,720

record for someone starting that young

472

00:22:23,930 --> 00:22:21,270

looking at UFO books I've never heard

473

00:22:26,350 --> 00:22:23,940

anyone that yeah that's amazing well

474

00:22:29,900 --> 00:22:26,360

what was weird is later on in life when

475

00:22:31,250 --> 00:22:29,910

the book the I think it was like

476

00:22:35,900 --> 00:22:31,260

you know some of the very first material

477

00:22:40,520 --> 00:22:35,910

to touch on some of the abduction cases

478

00:22:42,890 --> 00:22:40,530

and some of the commonalities among them

479

00:22:45,500 --> 00:22:42,900

was that book called missing time by

480

00:22:50,150 --> 00:22:45,510

Budd Hopkins which came out around 1980

481

00:22:52,280 --> 00:22:50,160

and I bought the book and I looked at it

482

00:22:53,750 --> 00:22:52,290

and read it and I was amazed to see that

483

00:22:57,050 --> 00:22:53,760

there was a lot of people in that book

484

00:22:58,700 --> 00:22:57,060

though that claim do we have abduction

485

00:23:00,260 --> 00:22:58,710

experiences where they all were seeing

486

00:23:02,210 --> 00:23:00,270

the same thing that was starting out

487

00:23:04,430 --> 00:23:02,220

when there were like five or six years

488

00:23:06,020 --> 00:23:04,440

old and it was like a common thread

489

00:23:08,390 --> 00:23:06,030

among a lot of them and I remember

490

00:23:10,610 --> 00:23:08,400

reading some of Whitley streamer's books

491

00:23:12,650 --> 00:23:10,620

later to that he said that he believed

492

00:23:14,420 --> 00:23:12,660

it has started around when he was like 5

493

00:23:16,760 --> 00:23:14,430

or 6 years old and so I was thinking is

494

00:23:18,410 --> 00:23:16,770

this a common thread where where the

495

00:23:20,660 --> 00:23:18,420

people are being contact or being

496

00:23:22,580 --> 00:23:20,670

contacted at that young of an age and

497

00:23:26,180 --> 00:23:22,590

and am i part of this group of people

498

00:23:28,400 --> 00:23:26,190

and you know all these questions led me

499

00:23:30,410 --> 00:23:28,410

to basically by almost every single UFO

500

00:23:33,020 --> 00:23:30,420

book on the subject I couldn't find or

501
00:23:36,800 --> 00:23:33,030
ever get my hands on and so I have this

502
00:23:40,520 --> 00:23:36,810
huge library of UFO books and I've read

503
00:23:42,650 --> 00:23:40,530
probably like 90% of them and you know

504
00:23:46,790 --> 00:23:42,660
my life my library hasn't gotten much

505
00:23:50,840 --> 00:23:46,800
bigger since 1995 when I got my first

506
00:23:52,580 --> 00:23:50,850
video camera to try to to videotape

507
00:23:54,530 --> 00:23:52,590
these things because out of all these

508
00:23:56,660 --> 00:23:54,540
books that I read in all of the UFO

509
00:24:00,140 --> 00:23:56,670
cases that I ever read about it never

510
00:24:02,630 --> 00:24:00,150
really told me the truth are they really

511
00:24:04,760 --> 00:24:02,640
here you know can I see it for myself

512
00:24:06,350 --> 00:24:04,770
or we're never gonna believe a book or

513
00:24:09,620 --> 00:24:06,360

someone's story unless we see it herself

514

00:24:12,050 --> 00:24:09,630

right so that was my next mission was to

515

00:24:15,020 --> 00:24:12,060

videotape them get them on tape to prove

516

00:24:18,830 --> 00:24:15,030

it to myself I mean there I already knew

517

00:24:21,770 --> 00:24:18,840

because of the contacts from you know

518

00:24:23,090 --> 00:24:21,780

the different incidences that I had that

519

00:24:24,980 --> 00:24:23,100

there was something that was trying to

520

00:24:28,070 --> 00:24:24,990

contact me or you know I've been

521

00:24:29,660 --> 00:24:28,080

physically touched by them so to speak

522

00:24:32,300 --> 00:24:29,670

and I know that there was something

523

00:24:34,970 --> 00:24:32,310

there so you know whether it was a ghost

524

00:24:37,220 --> 00:24:34,980

and alien whatever it was you know I

525

00:24:40,690 --> 00:24:37,230

want to know so it just basically drove

526
00:24:43,670 --> 00:24:40,700
me to the UFO subject because later on

527
00:24:47,120 --> 00:24:43,680
when I was about 7 years

528
00:24:50,240 --> 00:24:47,130
I saw a UFO which was like a triangle

529
00:24:52,090 --> 00:24:50,250
shaped UFO over the apartment complex

530
00:24:54,920 --> 00:24:52,100
that I lived at when I was seven and

531
00:24:56,810 --> 00:24:54,930
this was in broad daylight and there was

532
00:24:58,880 --> 00:24:56,820
three of them and I remember they were

533
00:25:00,500 --> 00:24:58,890
small they weren't like what you you

534
00:25:02,690 --> 00:25:00,510
know hear these reports of these huge

535
00:25:04,430 --> 00:25:02,700
triangles these were like smaller

536
00:25:07,760 --> 00:25:04,440
triangles service three of them and

537
00:25:10,520 --> 00:25:07,770
instead of flying like the point would

538
00:25:13,970 --> 00:25:10,530

fly in that direction first it was

539

00:25:16,370 --> 00:25:13,980

flying with the V like shape back it

540

00:25:17,600 --> 00:25:16,380

looked like a backwards flying you know

541

00:25:19,400 --> 00:25:17,610

what you would think would be flying

542

00:25:21,320 --> 00:25:19,410

this way you know with the point in the

543

00:25:23,240 --> 00:25:21,330

front it wouldn't it wasn't flying that

544

00:25:25,640 --> 00:25:23,250

way it's pointing flying with the V in

545

00:25:27,530 --> 00:25:25,650

the front and so that's what startled me

546

00:25:29,270 --> 00:25:27,540

at first I thought it was an airplane

547

00:25:31,549 --> 00:25:29,280

and then when the three of them got

548

00:25:33,940 --> 00:25:31,559

closer I was like that's not an airplane

549

00:25:38,630 --> 00:25:33,950

that's from that book that I had and

550

00:25:40,790 --> 00:25:38,640

that's one of those UFOs and so I you

551
00:25:43,790 --> 00:25:40,800
know was trying to relate the the

552
00:25:46,750 --> 00:25:43,800
experience in the bedroom with the UFOs

553
00:25:49,730 --> 00:25:46,760
that I saw to try to put those together

554
00:25:52,040 --> 00:25:49,740
along with the books of telling people

555
00:25:53,660 --> 00:25:52,050
that you know in the book explaining

556
00:25:55,730 --> 00:25:53,670
that people have been contacted by these

557
00:25:57,680 --> 00:25:55,740
UFOs and the beans Close Encounters of

558
00:26:00,200 --> 00:25:57,690
the Third Kind I'd already learned that

559
00:26:02,900 --> 00:26:00,210
phrase by the time I was seven which is

560
00:26:05,210 --> 00:26:02,910
the description of a UFO in close

561
00:26:06,470 --> 00:26:05,220
proximity to a person within like 50

562
00:26:08,930 --> 00:26:06,480
yards or something like that

563
00:26:11,750 --> 00:26:08,940

and yeah and they where they see beings

564

00:26:14,450 --> 00:26:11,760

outside the craft would you know so I

565

00:26:16,430 --> 00:26:14,460

was always from familiar with the lingo

566

00:26:21,020 --> 00:26:16,440

and all this stuff this young age and

567

00:26:25,370 --> 00:26:21,030

also I saw a what I can only describe is

568

00:26:27,230 --> 00:26:25,380

as a low UFO over some houses when I was

569

00:26:29,419 --> 00:26:27,240

10 years old and this UFO looked like a

570

00:26:31,700 --> 00:26:29,429

lot like you know the old New York City

571

00:26:34,640 --> 00:26:31,710

water towers they lit like kind of

572

00:26:36,860 --> 00:26:34,650

cone-shaped and round with like a round

573

00:26:38,960 --> 00:26:36,870

oval like you know like oval or round

574

00:26:42,950 --> 00:26:38,970

shaped like a UFO on the bottom but with

575

00:26:45,200 --> 00:26:42,960

a slight cone on the top and this was

576
00:26:47,960 --> 00:26:45,210
just kind of wobbling over a house I was

577
00:26:49,880 --> 00:26:47,970
come up on it over a hill with my bike

578
00:26:52,250 --> 00:26:49,890
and saw it hovering over house rocking

579
00:26:54,380 --> 00:26:52,260
back and forth and I watched it in

580
00:26:56,870 --> 00:26:54,390
amazement for like what seemed like a

581
00:26:57,500 --> 00:26:56,880
while but it was only like probably like

582
00:26:59,450 --> 00:26:57,510
two

583
00:27:02,630 --> 00:26:59,460
minutes and then it just started taking

584
00:27:04,760 --> 00:27:02,640
off over some trees nearby like it

585
00:27:06,770 --> 00:27:04,770
started flying in in a direction where

586
00:27:09,200 --> 00:27:06,780
it went over a Greenbelt where there

587
00:27:11,300 --> 00:27:09,210
were some trees and I lost it because

588
00:27:12,860 --> 00:27:11,310

you know the trees eventually will cut

589

00:27:14,270 --> 00:27:12,870

you know you can't see it so I went down

590

00:27:17,270 --> 00:27:14,280

this trail looking for it

591

00:27:19,580 --> 00:27:17,280

and this is when I had my first missing

592

00:27:21,140 --> 00:27:19,590

time experience is after I went down

593

00:27:22,940 --> 00:27:21,150

that trail looking for this thing I

594

00:27:25,520 --> 00:27:22,950

don't remember anything until like about

595

00:27:26,000 --> 00:27:25,530

7:30 this happened about maybe 3 in the

596

00:27:27,980 --> 00:27:26,010

afternoon

597

00:27:30,620 --> 00:27:27,990

and I don't remember anything until

598

00:27:32,210 --> 00:27:30,630

probably like 7:00 at the next night I

599

00:27:33,560 --> 00:27:32,220

remember of a skid and dark and I

600

00:27:35,240 --> 00:27:33,570

couldn't find my bike like all of a

601
00:27:39,350 --> 00:27:35,250
sudden I was on a trail and I couldn't

602
00:27:41,390 --> 00:27:39,360
find my bike and and and it was dark and

603
00:27:42,920 --> 00:27:41,400
then I finally found it and I started

604
00:27:44,930 --> 00:27:42,930
writing home and when I got home my

605
00:27:46,040 --> 00:27:44,940
parents I remember were mad because I

606
00:27:50,080 --> 00:27:46,050
should have been home a long time ago

607
00:27:52,940 --> 00:27:50,090
and I couldn't remember I didn't really

608
00:27:55,400 --> 00:27:52,950
you know look at it you know before

609
00:27:56,720 --> 00:27:55,410
missing time was in the book UFO books

610
00:27:58,250 --> 00:27:56,730
and all that stuff you didn't really

611
00:28:00,260 --> 00:27:58,260
hear about it other than the Barney and

612
00:28:03,440 --> 00:28:00,270
Betty hill case and maybe the Travis

613
00:28:05,510 --> 00:28:03,450

Walton case but I wasn't really as much

614

00:28:07,100 --> 00:28:05,520

familiar with those cases to really know

615

00:28:09,620 --> 00:28:07,110

what missing time was and I didn't

616

00:28:11,180 --> 00:28:09,630

really feel like you know I knew that

617

00:28:12,890 --> 00:28:11,190

there was some time passed and it was

618

00:28:14,930 --> 00:28:12,900

darker and I found my bike as when

619

00:28:16,220 --> 00:28:14,940

you're a kid you you don't really think

620

00:28:18,920 --> 00:28:16,230

about that too much

621

00:28:20,810 --> 00:28:18,930

I did a little bit but then later on

622

00:28:22,250 --> 00:28:20,820

after I learned it was part of the UFO

623

00:28:24,500 --> 00:28:22,260

phenomenon that's when I really started

624

00:28:27,950 --> 00:28:24,510

focused on that was did I have missing

625

00:28:30,890 --> 00:28:27,960

time and it was so finally it was so

626

00:28:34,370 --> 00:28:30,900

finally cut into you know the regular

627

00:28:37,070 --> 00:28:34,380

time that you barely you know you barely

628

00:28:38,840 --> 00:28:37,080

miss it you know maybe maybe it was only

629

00:28:40,450 --> 00:28:38,850

maybe an hour and a half or maybe two

630

00:28:42,770 --> 00:28:40,460

hours you know I don't know but I

631

00:28:44,780 --> 00:28:42,780

apparently I was late getting home and

632

00:28:47,060 --> 00:28:44,790

my parents weren't too happy about it

633

00:28:49,490 --> 00:28:47,070

yeah a lot of people talked about it

634

00:28:53,740 --> 00:28:49,500

being a retrospective that they look

635

00:28:55,970 --> 00:28:53,750

back and it takes a little bit of

636

00:28:57,680 --> 00:28:55,980

looking back to realize that there was

637

00:29:00,590 --> 00:28:57,690

actually a missing time that's what

638

00:29:04,070 --> 00:29:00,600

that's what I hear a lot on those cases

639

00:29:06,650 --> 00:29:04,080

so do you think the incident you had in

640

00:29:09,140 --> 00:29:06,660

the bedroom is what started your

641

00:29:10,430 --> 00:29:09,150

fascination with why you walk through

642

00:29:11,690 --> 00:29:10,440

the library and grab those

643

00:29:15,110 --> 00:29:11,700

or do you think you would have been

644

00:29:16,580 --> 00:29:15,120

having it was I think it was but it's

645

00:29:19,220 --> 00:29:16,590

hard to tell if I would have anyways

646

00:29:21,530 --> 00:29:19,230

because later on down the road I had a

647

00:29:23,870 --> 00:29:21,540

couple more bedroom experiences in the

648

00:29:27,950 --> 00:29:23,880

future but I was never able to actually

649

00:29:33,460 --> 00:29:27,960

see the face of what it was until just

650

00:29:40,370 --> 00:29:33,470

even like most recently I think about I

651
00:29:44,660 --> 00:29:40,380
would say was like about 2012 or 2013 I

652
00:29:47,270 --> 00:29:44,670
was finally able to look see the glimpse

653
00:29:48,700 --> 00:29:47,280
of the face of what this thing was and I

654
00:29:51,290 --> 00:29:48,710
don't know if it was the same thing that

655
00:29:53,450 --> 00:29:51,300
had come into the bedroom previous times

656
00:29:56,120 --> 00:29:53,460
because I would I can count them on one

657
00:29:58,040 --> 00:29:56,130
hand I probably had like five bedroom

658
00:30:01,280 --> 00:29:58,050
experiences that I can remember

659
00:30:03,680 --> 00:30:01,290
well that I can know that I was like

660
00:30:06,020 --> 00:30:03,690
conscious when it happened type of thing

661
00:30:08,510 --> 00:30:06,030
you know where I can you know relate to

662
00:30:11,060 --> 00:30:08,520
it now who's to say that when they're

663
00:30:12,020 --> 00:30:11,070

when you're at your most deep asleep in

664

00:30:13,760 --> 00:30:12,030

the middle of the night that they don't

665

00:30:15,410 --> 00:30:13,770

come and do something you know I don't I

666

00:30:18,230 --> 00:30:15,420

don't know if that happened but I do

667

00:30:25,070 --> 00:30:18,240

remember the times that did happen and

668

00:30:28,880 --> 00:30:25,080

what happened so what I saw before 2012

669

00:30:32,240 --> 00:30:28,890

or 2013 was always a dark figure where

670

00:30:36,680 --> 00:30:32,250

you can't see what it is for a split

671

00:30:38,090 --> 00:30:36,690

second before you like go into a missing

672

00:30:39,380 --> 00:30:38,100

time experience and then wake up and

673

00:30:41,120 --> 00:30:39,390

nothing's there or wake up in the

674

00:30:42,770 --> 00:30:41,130

morning and then slightly remember all

675

00:30:45,470 --> 00:30:42,780

right before I went to sleep I remember

676
00:30:47,540 --> 00:30:45,480
seeing like some Dean standing at the

677
00:30:49,850 --> 00:30:47,550
foot of the bed one time I saw two of

678
00:30:52,690 --> 00:30:49,860
them standing at the foot of the bed but

679
00:30:55,100 --> 00:30:52,700
they don't but to fast forward to the

680
00:30:57,140 --> 00:30:55,110
2012-2013 incident was in the middle of

681
00:30:59,060 --> 00:30:57,150
the day like 12:00 in the afternoon I

682
00:31:01,730 --> 00:30:59,070
was feeling kind of tired so I laid down

683
00:31:03,830 --> 00:31:01,740
for like a short nap and all of a sudden

684
00:31:06,080 --> 00:31:03,840
I felt like what you know when you're

685
00:31:07,970 --> 00:31:06,090
lying on your stomach like if like I

686
00:31:09,710 --> 00:31:07,980
what you would feel if liked like a

687
00:31:12,530 --> 00:31:09,720
person put both of their hands on your

688
00:31:14,900 --> 00:31:12,540

back and start pushing and start pushing

689

00:31:17,180 --> 00:31:14,910

you onto the bed like pushing those like

690

00:31:19,490 --> 00:31:17,190

with force where you can feel somebody

691

00:31:21,680 --> 00:31:19,500

pushing down on your back and I like

692

00:31:24,110 --> 00:31:21,690

that kind of like woke me up out of the

693

00:31:26,570 --> 00:31:24,120

sleep but I was like paralyzed I

694

00:31:28,460 --> 00:31:26,580

couldn't move at all and I can feel this

695

00:31:31,310 --> 00:31:28,470

pressure pushing me down further into

696

00:31:33,680 --> 00:31:31,320

the bed and I was like well I can't move

697

00:31:37,040 --> 00:31:33,690

I can feel somebody pushing on my back I

698

00:31:38,270 --> 00:31:37,050

don't know what this is and then I you

699

00:31:39,890 --> 00:31:38,280

know I thought that for just a second

700

00:31:41,750 --> 00:31:39,900

and then all of sudden I related it back

701
00:31:43,760 --> 00:31:41,760
to all these other experience and then I

702
00:31:45,280 --> 00:31:43,770
thought to myself okay I know exactly

703
00:31:50,090 --> 00:31:45,290
what this is

704
00:31:54,310 --> 00:31:50,100
and so I was able to break free of the

705
00:31:58,310 --> 00:31:54,320
paralysis and get my eyes wide open

706
00:32:00,290 --> 00:31:58,320
during the same second that I felt being

707
00:32:04,310 --> 00:32:00,300
pushing on my back and I was able to

708
00:32:06,320 --> 00:32:04,320
flip around on my back to see the face

709
00:32:08,990 --> 00:32:06,330
this thing for the first time it looked

710
00:32:14,960 --> 00:32:09,000
like exactly what they always described

711
00:32:17,120 --> 00:32:14,970
in these books it was but to see it you

712
00:32:19,730 --> 00:32:17,130
could see the texture it was like a like

713
00:32:23,120 --> 00:32:19,740

grey the skin was gray like they always

714

00:32:26,480 --> 00:32:23,130

say at the skin though and the face you

715

00:32:29,150 --> 00:32:26,490

can see was like the texture was like

716

00:32:31,310 --> 00:32:29,160

moist it had like moisture the skin was

717

00:32:33,140 --> 00:32:31,320

like moist like maybe a frog like the

718

00:32:36,470 --> 00:32:33,150

texture of a flock frog and you can see

719

00:32:39,560 --> 00:32:36,480

like veins under the skin like like

720

00:32:42,680 --> 00:32:39,570

black or like you know gray like type of

721

00:32:44,960 --> 00:32:42,690

like you know compression of what we're

722

00:32:46,490 --> 00:32:44,970

like some type of like vein I don't know

723

00:32:48,920 --> 00:32:46,500

for their veins or not but there was

724

00:32:53,240 --> 00:32:48,930

like a pattern of something on the skin

725

00:32:56,090 --> 00:32:53,250

of like a tight skin over like veins

726

00:32:59,360 --> 00:32:56,100

that are popping out and it had the

727

00:33:01,520 --> 00:32:59,370

grave it had the eyes we were like just

728

00:33:03,500 --> 00:33:01,530

one black pupil and they weren't like

729

00:33:05,570 --> 00:33:03,510

oversized like a lot of they described

730

00:33:08,690 --> 00:33:05,580

it was it was like bigger than normal

731

00:33:10,610 --> 00:33:08,700

but it wasn't like huge like how they

732

00:33:12,560 --> 00:33:10,620

described it and the thing is is the I

733

00:33:14,900 --> 00:33:12,570

only saw it for like less than even a

734

00:33:17,290 --> 00:33:14,910

second it only let I was only able to

735

00:33:21,530 --> 00:33:17,300

see it for like one second and as soon

736

00:33:25,670 --> 00:33:21,540

as I blink and opened my eyes back up as

737

00:33:27,800 --> 00:33:25,680

quick as a blink it was gone well and so

738

00:33:30,230 --> 00:33:27,810

it was over of my bed at when I when I

739

00:33:32,600 --> 00:33:30,240

rolled over my back I saw it right its

740

00:33:34,220 --> 00:33:32,610

face right there and then I didn't see

741

00:33:36,830 --> 00:33:34,230

the rest of its body it just maybe the

742

00:33:38,040 --> 00:33:36,840

shoulders of it and then what then one

743

00:33:41,970 --> 00:33:38,050

blanket was gone

744

00:33:44,100 --> 00:33:41,980

and so you know that was the only time

745

00:33:45,930 --> 00:33:44,110

I've ever seen what they look like and I

746

00:33:48,330 --> 00:33:45,940

don't know if those that was the same

747

00:33:49,770 --> 00:33:48,340

thing that you know that's been coming

748

00:33:53,040 --> 00:33:49,780

around all these years and I don't even

749

00:33:55,470 --> 00:33:53,050

know if you can relate these bedroom

750

00:33:56,820 --> 00:33:55,480

beans or these whatever they are I don't

751

00:33:59,700 --> 00:33:56,830

even know if you can relate them to

752

00:34:02,190 --> 00:33:59,710

aerial phenomenon because a lot of times

753

00:34:05,490 --> 00:34:02,200

when when people see this aspect of the

754

00:34:07,320 --> 00:34:05,500

UFO experience or the abduction

755

00:34:10,860 --> 00:34:07,330

experience so to speak when they have

756

00:34:13,290 --> 00:34:10,870

the bedroom visitation of an alien most

757

00:34:16,440 --> 00:34:13,300

of those experience no one ever sees UFO

758

00:34:17,760 --> 00:34:16,450

with those experiences you know I mean

759

00:34:21,270 --> 00:34:17,770

there's other experiences where you

760

00:34:23,760 --> 00:34:21,280

where you see the UFO with the beam like

761

00:34:27,270 --> 00:34:23,770

the Betty and Barney Hill case or the

762

00:34:28,889 --> 00:34:27,280

Travis Walton case those are 2i you know

763

00:34:30,240 --> 00:34:28,899

when I look at the UFO abduction

764

00:34:32,430 --> 00:34:30,250

phenomenon I put them in those two

765

00:34:34,380 --> 00:34:32,440

different categories there's the cases

766

00:34:36,240 --> 00:34:34,390

where you see the UFO with the beam and

767

00:34:38,040 --> 00:34:36,250

then there's the cases where they never

768

00:34:41,280 --> 00:34:38,050

see the UFO where they only see the beam

769

00:34:42,960 --> 00:34:41,290

in the room or then there's a little of

770

00:34:45,240 --> 00:34:42,970

both when you see the beam and you're

771

00:34:47,610 --> 00:34:45,250

being levitated out of a beam into a UFO

772

00:34:50,550 --> 00:34:47,620

oh there's those that category as well

773

00:34:52,169 --> 00:34:50,560

and that way you finally see both but it

774

00:34:54,240 --> 00:34:52,179

starts off in the room and then you're

775

00:34:56,760 --> 00:34:54,250

levitated into a UFO and then you see

776

00:34:58,460 --> 00:34:56,770

the UFO after you see the beam so though

777

00:35:01,440 --> 00:34:58,470

there's a couple different categories

778

00:35:04,800 --> 00:35:01,450

there that I like to look at when it

779

00:35:07,710 --> 00:35:04,810

comes to the actual entities or or ET or

780

00:35:10,380 --> 00:35:07,720

whatever you want to call it now we have

781

00:35:12,330 --> 00:35:10,390

a regression therapists in the chat room

782

00:35:13,650 --> 00:35:12,340

so she probably wouldn't want me to ask

783

00:35:18,870 --> 00:35:13,660

this question have you ever thought of

784

00:35:23,760 --> 00:35:18,880

having regression hypnotherapy well yeah

785

00:35:27,960 --> 00:35:23,770

back in like 1992 I believe it was 1992

786

00:35:30,240 --> 00:35:27,970

I seen on some UFO documentaries I think

787

00:35:32,670 --> 00:35:30,250

like sightings a couple different TV

788

00:35:34,620 --> 00:35:32,680

shows of maybe well yeah it was

789

00:35:36,480 --> 00:35:34,630

sightings and I also saw her on I

790

00:35:40,320 --> 00:35:36,490

believe like Geraldo Rivera or whatever

791

00:35:43,230 --> 00:35:40,330

was the famous hypnotherapist Yvonne

792

00:35:45,120 --> 00:35:43,240

Smith from Halle for Neum so around the

793

00:35:46,650 --> 00:35:45,130

early 90s I saw her talking about this

794

00:35:49,380 --> 00:35:46,660

sort of stuff and I was like thinking

795

00:35:51,280 --> 00:35:49,390

wow you know she's hypnotizing these

796

00:35:52,720 --> 00:35:51,290

people just like Budd Hopkins

797

00:35:55,090 --> 00:35:52,730

she's friends with Budd Hopkins Sheen

798

00:35:58,150 --> 00:35:55,100

obviously knows what she's doing

799

00:35:59,950 --> 00:35:58,160

so I contacted her about it and then she

800

00:36:02,680 --> 00:35:59,960

referred me to a therapist in the

801
00:36:04,720 --> 00:36:02,690
Phoenix area that works with regression

802
00:36:09,310 --> 00:36:04,730
with abductees and stuff and I never

803
00:36:11,470 --> 00:36:09,320
went further than that with with

804
00:36:14,050 --> 00:36:11,480
contacting another person about it and

805
00:36:17,740 --> 00:36:14,060
going under hypnosis because I bought

806
00:36:20,680 --> 00:36:17,750
this book by in like it was like a 93 of

807
00:36:23,620 --> 00:36:20,690
maybe your later after I you know

808
00:36:29,760 --> 00:36:23,630
started looking into this hypnosis thing

809
00:36:32,650 --> 00:36:29,770
I bought a book by um it was Edith I

810
00:36:34,030 --> 00:36:32,660
can't I can't really recall in it I

811
00:36:36,700 --> 00:36:34,040
can't remember right offhand but it was

812
00:36:38,200 --> 00:36:36,710
a book about self hypnosis they like

813
00:36:40,930 --> 00:36:38,210

they taught you how to do it yourself

814

00:36:45,070 --> 00:36:40,940

like to hypnotize yourself and look for

815

00:36:48,280 --> 00:36:45,080

memories and so I did I did it and I

816

00:36:51,520 --> 00:36:48,290

tried to recall one incident and I

817

00:36:54,690 --> 00:36:51,530

started to see in my mind in my

818

00:36:56,890 --> 00:36:54,700

subconscious mind started to show me

819

00:37:00,070 --> 00:36:56,900

memories about it that I couldn't

820

00:37:03,700 --> 00:37:00,080

remember before I started they have

821

00:37:05,320 --> 00:37:03,710

noticed this process and right and when

822

00:37:07,570 --> 00:37:05,330

I started getting the information that I

823

00:37:09,880 --> 00:37:07,580

couldn't remember consciously I quit

824

00:37:11,740 --> 00:37:09,890

doing it because I I started getting

825

00:37:15,760 --> 00:37:11,750

scared and I didn't want to I didn't

826

00:37:17,410 --> 00:37:15,770

want to you know it's like wait a minute

827

00:37:19,720 --> 00:37:17,420

you know why can't I remember this

828

00:37:21,340 --> 00:37:19,730

before I go into hypnosis I'm and so

829

00:37:25,720 --> 00:37:21,350

that part of it kind of freaked me out

830

00:37:27,760 --> 00:37:25,730

and I I pretty much stopped so and I

831

00:37:31,540 --> 00:37:27,770

didn't / I didn't pursue it with anybody

832

00:37:32,410 --> 00:37:31,550

else or try any more self hypnosis or

833

00:37:36,040 --> 00:37:32,420

anything like that

834

00:37:40,660 --> 00:37:36,050

so I mean I was I'm open to it now maybe

835

00:37:42,520 --> 00:37:40,670

now but at the time I wasn't I'm not

836

00:37:44,640 --> 00:37:42,530

sure if I if something like that

837

00:37:47,050 --> 00:37:44,650

happened to me if I'd really want to

838

00:37:50,140 --> 00:37:47,060

explore it I know this has come up on

839

00:37:51,730 --> 00:37:50,150

the show before but I asked I asked

840

00:37:54,070 --> 00:37:51,740

Travis Walton the same question

841

00:37:56,470 --> 00:37:54,080

basically and he said he did it once and

842

00:37:59,200 --> 00:37:56,480

he'll never do it again he doesn't want

843

00:38:01,450 --> 00:37:59,210

to know anymore you know basically so

844

00:38:03,220 --> 00:38:01,460

right and that was my experience with it

845

00:38:04,780 --> 00:38:03,230

because once your brain is starting to

846

00:38:05,230 --> 00:38:04,790

show you memories that you couldn't

847

00:38:08,260 --> 00:38:05,240

remember

848

00:38:10,720 --> 00:38:08,270

until you got into this trance state you

849

00:38:13,210 --> 00:38:10,730

might not want to continue the down that

850

00:38:16,120 --> 00:38:13,220

road I mean once you open the door now

851
00:38:17,830 --> 00:38:16,130
once you know if I won't if I was to go

852
00:38:20,620 --> 00:38:17,840
into hypnosis and look at a different

853
00:38:23,410 --> 00:38:20,630
experience and it started turning out

854
00:38:26,490 --> 00:38:23,420
the same way then I might want to just

855
00:38:30,640 --> 00:38:26,500
stop the session too you know but it's I

856
00:38:32,590 --> 00:38:30,650
don't know it's weird it's weird for

857
00:38:33,880 --> 00:38:32,600
your subconscious it's the same thing

858
00:38:36,340 --> 00:38:33,890
and you know it's used in a court of law

859
00:38:38,770 --> 00:38:36,350
you know it's you know you you know some

860
00:38:40,270 --> 00:38:38,780
people they do something bad and a car

861
00:38:41,710 --> 00:38:40,280
speeds down the street and you're the

862
00:38:44,640 --> 00:38:41,720
only one there was standing on the

863
00:38:48,460 --> 00:38:44,650

sidewalk so they take you and the police

864

00:38:49,870 --> 00:38:48,470

do a interview with you about it and

865

00:38:51,580 --> 00:38:49,880

then they come to collusion that maybe

866

00:38:53,890 --> 00:38:51,590

he might remember the license plate

867

00:38:55,630 --> 00:38:53,900

under hypnosis so you go under hypnosis

868

00:38:57,220 --> 00:38:55,640

and all of a sudden you can remember

869

00:38:58,870 --> 00:38:57,230

that license plate just like you were

870

00:39:01,720 --> 00:38:58,880

standing there staring right at it I

871

00:39:03,460 --> 00:39:01,730

mean and that kind of kind of freaks you

872

00:39:06,310 --> 00:39:03,470

out after that you know you're like wow

873

00:39:08,230 --> 00:39:06,320

your subconscious is taken in a heck of

874

00:39:13,090 --> 00:39:08,240

a lot more than you are really aware of

875

00:39:14,770 --> 00:39:13,100

and this can be accessed yeah you know

876

00:39:17,620 --> 00:39:14,780

kind of put everything in little file

877

00:39:19,810 --> 00:39:17,630

boxes you know little moments and things

878

00:39:21,400 --> 00:39:19,820

like that which can be accessed which is

879

00:39:24,130 --> 00:39:21,410

I don't know if can be accessed through

880

00:39:26,680 --> 00:39:24,140

it no therapy but it's still that your

881

00:39:31,270 --> 00:39:26,690

your brain really does capture a lot of

882

00:39:33,670 --> 00:39:31,280

things now I see that you moved to

883

00:39:42,040 --> 00:39:33,680

Phoenix in 1995 and the first thing I

884

00:39:44,770 --> 00:39:42,050

think I moved in 1987 oh yeah 1995 I got

885

00:39:48,700 --> 00:39:44,780

my video camera ah okay I was going to

886

00:39:53,280 --> 00:39:48,710

ask you if you're here for 1997 March

887

00:39:58,030 --> 00:39:53,290

13th you know what I'm talking about but

888

00:40:01,000 --> 00:39:58,040

if when you move there did you right

889

00:40:06,850 --> 00:40:01,010

away get into what was going on in that

890

00:40:08,830 --> 00:40:06,860

area when we moved here in 1987 it was a

891

00:40:13,150 --> 00:40:08,840

weird transition because what happened

892

00:40:16,090 --> 00:40:13,160

was is I I was into UFOs until about a

893

00:40:18,040 --> 00:40:16,100

year before that I was into UFOs until I

894

00:40:20,710 --> 00:40:18,050

was about 16 years old

895

00:40:23,410 --> 00:40:20,720

and I was you know I you know about the

896

00:40:25,810 --> 00:40:23,420

all the experiences and and all that in

897

00:40:27,340 --> 00:40:25,820

all the books and stuff like that I I

898

00:40:29,380 --> 00:40:27,350

read them and I was really into the

899

00:40:35,050 --> 00:40:29,390

subject and for some reason when I

900

00:40:37,240 --> 00:40:35,060

turned 16 I was basically you know been

901
00:40:39,340 --> 00:40:37,250
in high school maybe a year or so and so

902
00:40:41,110 --> 00:40:39,350
I was kind of like in the threshold of

903
00:40:44,680 --> 00:40:41,120
going through high school and stuff like

904
00:40:47,080 --> 00:40:44,690
that and then when I turned 17 my

905
00:40:50,340 --> 00:40:47,090
parents decided that we're gonna leave

906
00:40:53,110 --> 00:40:50,350
Seattle moving to Phoenix and so I

907
00:40:55,780 --> 00:40:53,120
started a new high school when we moved

908
00:41:00,370 --> 00:40:55,790
out here in 87 and finished high school

909
00:41:02,170 --> 00:41:00,380
in 88 and then I you know so this was

910
00:41:05,560 --> 00:41:02,180
probably about the third year that I was

911
00:41:10,360 --> 00:41:05,570
kind of not pursuing or being interested

912
00:41:15,610 --> 00:41:10,370
in the UFO stuff and then in about 19 I

913
00:41:19,090 --> 00:41:15,620

think it was about 1990 was when I got

914

00:41:22,360 --> 00:41:19,100

back into it because I had an experience

915

00:41:24,520 --> 00:41:22,370

here in Phoenix and another bedroom one

916

00:41:26,320 --> 00:41:24,530

and I it related me back to the Seattle

917

00:41:28,740 --> 00:41:26,330

experiences and all that and I thought

918

00:41:31,840 --> 00:41:28,750

to myself you know they followed me here

919

00:41:34,480 --> 00:41:31,850

like like how did they know you know and

920

00:41:36,250 --> 00:41:34,490

like all this stuff was flooding my

921

00:41:40,210 --> 00:41:36,260

brain you know it was all coming backing

922

00:41:43,570 --> 00:41:40,220

and so then in 1990 I was going through

923

00:41:46,780 --> 00:41:43,580

a book you know it's a bookstore and I

924

00:41:49,240 --> 00:41:46,790

saw the communion book on the shelf

925

00:41:50,590 --> 00:41:49,250

mm-hmm and I never read it before and I

926

00:41:52,810 --> 00:41:50,600

never even seen it before I didn't know

927

00:41:54,730 --> 00:41:52,820

anything about it and it'd already been

928

00:41:56,800 --> 00:41:54,740

out like about maybe you know four years

929

00:42:00,100 --> 00:41:56,810

or something like that but you know in

930

00:42:01,810 --> 00:42:00,110

1990 when I you know bought it I guess I

931

00:42:03,910 --> 00:42:01,820

apparently had already been been out for

932

00:42:08,140 --> 00:42:03,920

like five or six years I don't know but

933

00:42:10,240 --> 00:42:08,150

um I bought it and went home and I and I

934

00:42:12,910 --> 00:42:10,250

when I saw the cover of course I saw

935

00:42:15,580 --> 00:42:12,920

that I was like yeah I need to get this

936

00:42:18,670 --> 00:42:15,590

this is this this is connected to me

937

00:42:20,590 --> 00:42:18,680

somehow and I read it and it related me

938

00:42:22,060 --> 00:42:20,600

back to when I was a kid some of the

939

00:42:25,510 --> 00:42:22,070

experiences he had it brought me back

940

00:42:27,370 --> 00:42:25,520

into it kind of basically it did it

941

00:42:30,250 --> 00:42:27,380

really did bring me back into it so then

942

00:42:31,990 --> 00:42:30,260

that's when I followed up and buying the

943

00:42:34,290 --> 00:42:32,000

the Budd Hopkins

944

00:42:37,090 --> 00:42:34,300

of missing time and then I bought

945

00:42:41,560 --> 00:42:37,100

intruders thought Hopkins intruders and

946

00:42:43,840 --> 00:42:41,570

then I started buying a bunch of UFO

947

00:42:47,740 --> 00:42:43,850

abduction literature like secret live

948

00:42:49,600 --> 00:42:47,750

from David Jacobs and a couple more will

949

00:42:51,120 --> 00:42:49,610

East River books transformation and

950

00:42:53,980 --> 00:42:51,130

stuff just trying to get the feel

951
00:42:56,770 --> 00:42:53,990
because now I was starting to connect

952
00:42:59,410 --> 00:42:56,780
and try and I was connecting myself with

953
00:43:01,060 --> 00:42:59,420
some of these other people that had the

954
00:43:04,060 --> 00:43:01,070
experience from a young age and I bought

955
00:43:06,220 --> 00:43:04,070
the ed Walters book Gulf Breeze Florida

956
00:43:09,700 --> 00:43:06,230
sightings now this is what kind of

957
00:43:13,960 --> 00:43:09,710
turned me into the sky watcher here is I

958
00:43:15,820 --> 00:43:13,970
saw a sightings television show

959
00:43:18,040 --> 00:43:15,830
broadcast sightings remember that old

960
00:43:20,170 --> 00:43:18,050
show sightings oh yeah of course

961
00:43:24,310 --> 00:43:20,180
now they had a sightings episode and

962
00:43:27,460 --> 00:43:24,320
this was about in 1993 I believe 1993

963
00:43:29,380 --> 00:43:27,470

1994 and it was about a guy that can

964

00:43:31,420 --> 00:43:29,390

videotape a UFO any time of the day

965

00:43:33,070 --> 00:43:31,430

don't it doesn't matter you can go

966

00:43:35,380 --> 00:43:33,080

outside in his backyard set up the video

967

00:43:37,360 --> 00:43:35,390

camera boom he gets UFO on video doesn't

968

00:43:39,520 --> 00:43:37,370

matter what time of day is as long as

969

00:43:42,130 --> 00:43:39,530

it's date there's daylight outside you

970

00:43:43,980 --> 00:43:42,140

say blood get it on video and so I was

971

00:43:47,230 --> 00:43:43,990

like this is what I've been waiting to

972

00:43:50,380 --> 00:43:47,240

my whole life to do to get it on video I

973

00:43:52,510 --> 00:43:50,390

saw the the new uploads before now it's

974

00:43:55,390 --> 00:43:52,520

you know I've read all these books I

975

00:43:57,160 --> 00:43:55,400

have a huge UFO library you know and now

976

00:43:59,640 --> 00:43:57,170

it's time to get the evidence I want to

977

00:44:03,850 --> 00:43:59,650

know how to do this and so basically

978

00:44:05,560 --> 00:44:03,860

this guy was John Breaux Wilkie okay and

979

00:44:08,830 --> 00:44:05,570

you probably have heard of him

980

00:44:11,080 --> 00:44:08,840

using UFO literature John Breaux Wilkie

981

00:44:12,940 --> 00:44:11,090

he was able to videotape this UFO any

982

00:44:17,560 --> 00:44:12,950

time the day so sightings oh yes I know

983

00:44:20,310 --> 00:44:17,570

who he is yeah yeah so yeah he he set up

984

00:44:23,800 --> 00:44:20,320

his video camera sightings set up their

985

00:44:26,320 --> 00:44:23,810

television broadcast video you know

986

00:44:29,740 --> 00:44:26,330

cameras film cameras and they were able

987

00:44:32,290 --> 00:44:29,750

to get UFOs on tape all right long sign

988

00:44:35,380 --> 00:44:32,300

that lot rot right alongside this guy on

989

00:44:37,840 --> 00:44:35,390

his cameras as well and so this was

990

00:44:42,190 --> 00:44:37,850

proven right there you know that this

991

00:44:45,660 --> 00:44:42,200

guy can do it and so he had a technique

992

00:44:48,630 --> 00:44:45,670

and the technique was just

993

00:44:51,150 --> 00:44:48,640

right and how is how what he did was is

994

00:44:53,549 --> 00:44:51,160

he took the side of his house

995

00:44:55,980 --> 00:44:53,559

and he blocked the Sun out out so you

996

00:45:00,089 --> 00:44:55,990

can't see the Sun and then the glowing

997

00:45:02,789 --> 00:45:00,099

remainder of the Sun you know he took

998

00:45:06,480 --> 00:45:02,799

his camera zoomed into this part of the

999

00:45:09,599 --> 00:45:06,490

sky where you can see like way up there

1000

00:45:12,089 --> 00:45:09,609

and you can see like bug shooting by you

1001
00:45:16,250 --> 00:45:12,099
can see like cotton balls cruising

1002
00:45:19,109 --> 00:45:16,260
across the sky but then way way up there

1003
00:45:21,750 --> 00:45:19,119
past all the cotton balls past all the

1004
00:45:25,349 --> 00:45:21,760
bugs you would see an object coming to

1005
00:45:27,089 --> 00:45:25,359
frame stop slowly start to move and then

1006
00:45:28,890 --> 00:45:27,099
shoot away real fast and he would get

1007
00:45:30,390 --> 00:45:28,900
like a bunch of these and in different

1008
00:45:32,789 --> 00:45:30,400
they've come in different speeds

1009
00:45:34,260 --> 00:45:32,799
different altitudes and they would do

1010
00:45:36,059 --> 00:45:34,270
different things some of them were cigar

1011
00:45:38,039 --> 00:45:36,069
shaped some of them were round some of

1012
00:45:41,069 --> 00:45:38,049
them were hockey puck looking some of

1013
00:45:44,520 --> 00:45:41,079

them were cylinders you know any

1014

00:45:45,990 --> 00:45:44,530

category of the UFO if you look at UFOs

1015

00:45:48,240 --> 00:45:46,000

they're described in a million different

1016

00:45:51,599 --> 00:45:48,250

shapes he got every million shape you

1017

00:45:53,670 --> 00:45:51,609

can think of and so and so that was it I

1018

00:45:56,039 --> 00:45:53,680

went out and bought my video camera and

1019

00:45:57,900 --> 00:45:56,049

I set it up and I tried to do the same

1020

00:46:00,839 --> 00:45:57,910

thing and I did a little bit of research

1021

00:46:05,069 --> 00:46:00,849

as well which I saw on some of the other

1022

00:46:09,299 --> 00:46:05,079

sighting shows about these 1990 solar

1023

00:46:11,400 --> 00:46:09,309

eclipse in Mexico City where at the top

1024

00:46:14,160 --> 00:46:11,410

and the height of the Eclipse when the

1025

00:46:16,680 --> 00:46:14,170

entire disk of the Sun was blocked that

1026
00:46:17,220 --> 00:46:16,690
people started videotaping UFOs all over

1027
00:46:19,650 --> 00:46:17,230
the place

1028
00:46:22,079 --> 00:46:19,660
and I thought it's the same concept you

1029
00:46:24,870 --> 00:46:22,089
block the Sun out you can see these

1030
00:46:26,700 --> 00:46:24,880
things way way up there it happens in

1031
00:46:28,589 --> 00:46:26,710
the Eclipse it happens when you block it

1032
00:46:32,630 --> 00:46:28,599
away with your house same concept so I

1033
00:46:36,510 --> 00:46:32,640
did it I got video of a UFO and I

1034
00:46:39,089 --> 00:46:36,520
contacted MUFON this was back in 1997

1035
00:46:41,609 --> 00:46:39,099
when when I was able to get a bunch of

1036
00:46:42,539 --> 00:46:41,619
UFOs on video and then in 1997 I had I

1037
00:46:44,549 --> 00:46:42,549
got this one

1038
00:46:46,740 --> 00:46:44,559

double dome looking UFO like what I

1039

00:46:50,069 --> 00:46:46,750

described as a cigar shape with two

1040

00:46:51,960 --> 00:46:50,079

domes on top instead of one and so I

1041

00:46:54,120 --> 00:46:51,970

thought this video is really interesting

1042

00:46:56,339 --> 00:46:54,130

and it was a daylight video as well and

1043

00:46:58,690 --> 00:46:56,349

it streaks across a camera really really

1044

00:47:02,500 --> 00:46:58,700

fast so I called

1045

00:47:04,839 --> 00:47:02,510

ten FoxNews and they looked at the video

1046

00:47:09,640 --> 00:47:04,849

and they're like oh yeah we got to run

1047

00:47:11,260 --> 00:47:09,650

this so they showed the video but before

1048

00:47:14,500 --> 00:47:11,270

they showed the video I thought well if

1049

00:47:16,990 --> 00:47:14,510

they're gonna do on Fox 10 tonight then

1050

00:47:18,819 --> 00:47:17,000

and I've already had MUFON over there a

1051
00:47:20,589 --> 00:47:18,829
week before that and they took the video

1052
00:47:23,050 --> 00:47:20,599
and took aside and report from me and

1053
00:47:27,400 --> 00:47:23,060
took a copy of the video so I figure

1054
00:47:29,109 --> 00:47:27,410
well I'm I I had this list of ufologist

1055
00:47:32,170 --> 00:47:29,119
in this book that came out that was

1056
00:47:34,300 --> 00:47:32,180
published back then and I I were

1057
00:47:37,180 --> 00:47:34,310
familiar with Linda Moulton Moulton

1058
00:47:39,700 --> 00:47:37,190
Howes reports on dreamland with art bell

1059
00:47:41,589 --> 00:47:39,710
on Sunday so I saw I had her number in

1060
00:47:43,390 --> 00:47:41,599
that book and I've I figure I'm just

1061
00:47:46,960 --> 00:47:43,400
gonna call her a teller you know that

1062
00:47:48,490 --> 00:47:46,970
tonight you know if you you know want

1063
00:47:50,440 --> 00:47:48,500

the broadcast I'll send it to you but

1064

00:47:52,060 --> 00:47:50,450

tonight on Fox we're gonna have a look

1065

00:47:54,099 --> 00:47:52,070

they're gonna have a local news story

1066

00:47:55,300 --> 00:47:54,109

about some footage I shot and so I

1067

00:47:56,980 --> 00:47:55,310

thought I'd just call her and tell her

1068

00:47:59,319 --> 00:47:56,990

and if she wants the tape I'll send it

1069

00:48:03,250 --> 00:47:59,329

to her instead she did a whole

1070

00:48:05,319 --> 00:48:03,260

she did a whole audio interview with me

1071

00:48:07,630 --> 00:48:05,329

about the footage and about what was

1072

00:48:10,990 --> 00:48:07,640

going to show later on Fox and she took

1073

00:48:13,089 --> 00:48:11,000

the interview and late and later that

1074

00:48:15,550 --> 00:48:13,099

night she went on art bell at 8 o'clock

1075

00:48:17,770 --> 00:48:15,560

and broadcast the interview with me and

1076

00:48:19,809 --> 00:48:17,780

her on Dream Land an hour before or two

1077

00:48:21,700 --> 00:48:19,819

hours before the actual new cat newscast

1078

00:48:23,260 --> 00:48:21,710

so she kind of scooped Fox ten and

1079

00:48:25,359 --> 00:48:23,270

Phoenix by putting it on Dream Land with

1080

00:48:28,500 --> 00:48:25,369

and so I was like wow this is cool I'm

1081

00:48:30,609 --> 00:48:28,510

on art Belle but I'm I'm on the

1082

00:48:32,109 --> 00:48:30,619

interview with Linda Moulton Howe so I'm

1083

00:48:34,329 --> 00:48:32,119

not actually live on the art Belle show

1084

00:48:36,130 --> 00:48:34,339

I'm alive I'm not even live I'm on an

1085

00:48:37,900 --> 00:48:36,140

interview a pre-recorded interview with

1086

00:48:40,150 --> 00:48:37,910

Linda on Dream Land so I thought that

1087

00:48:42,490 --> 00:48:40,160

was kind of cool to get on art bell via

1088

00:48:45,040 --> 00:48:42,500

an interview with Linda you know on a on

1089

00:48:47,650 --> 00:48:45,050

an audio tape that was kind of a cool

1090

00:48:50,200 --> 00:48:47,660

way to break through into the the thing

1091

00:48:52,990 --> 00:48:50,210

with radio so you know it's starting to

1092

00:48:54,790 --> 00:48:53,000

do radio shows after that but that was

1093

00:48:57,940 --> 00:48:54,800

the first time I ever was introduced to

1094

00:49:00,430 --> 00:48:57,950

being on a UFO radio show so later on

1095

00:49:04,240 --> 00:49:00,440

that night they put the video on Fox 10

1096

00:49:07,030 --> 00:49:04,250

and and they they showed it and people

1097

00:49:10,359 --> 00:49:07,040

earlier in the night they heard it on

1098

00:49:12,550 --> 00:49:10,369

art bell and they heard me on with Linda

1099

00:49:14,740 --> 00:49:12,560

and so the next day I got mail

1100

00:49:16,690 --> 00:49:14,750

all over the world I collect within the

1101

00:49:19,150 --> 00:49:16,700

next week I not the next day but within

1102

00:49:22,240 --> 00:49:19,160

a couple days I was getting letters from

1103

00:49:24,610 --> 00:49:22,250

everywhere and I got like New Zealand

1104

00:49:26,590 --> 00:49:24,620

and all sorts of places and then

1105

00:49:29,020 --> 00:49:26,600

everybody in Phoenix that saw it on the

1106

00:49:31,150 --> 00:49:29,030

Fox the double dome video they were

1107

00:49:33,040 --> 00:49:31,160

calling me and Khan trying to contact me

1108

00:49:35,740 --> 00:49:33,050

so I went and spoke for the art bell

1109

00:49:37,420 --> 00:49:35,750

chat Club that year and it just

1110

00:49:40,750 --> 00:49:37,430

snowballed after that and that's how I

1111

00:49:42,610 --> 00:49:40,760

really started getting into the video of

1112

00:49:45,630 --> 00:49:42,620

this you know I just captured more video

1113

00:49:49,150 --> 00:49:45,640

and more video and more video and then

1114

00:49:51,910 --> 00:49:49,160

what was kind of unique was that I

1115

00:49:55,030 --> 00:49:51,920

decided not to do the Sun technique

1116

00:49:58,000 --> 00:49:55,040

thing anymore because people that were

1117

00:50:02,370 --> 00:49:58,010

doing it at the time what with you know

1118

00:50:06,430 --> 00:50:02,380

not only not just me but during like

1119

00:50:09,850 --> 00:50:06,440

pre-1998 like I would say between 9 1993

1120

00:50:13,570 --> 00:50:09,860

and 1998 there was the only people that

1121

00:50:15,970 --> 00:50:13,580

were videotaping UFOs and the only

1122

00:50:16,690 --> 00:50:15,980

people that were doing the Sun technique

1123

00:50:18,730 --> 00:50:16,700

as well

1124

00:50:21,280 --> 00:50:18,740

or you know we could count them on just

1125

00:50:26,140 --> 00:50:21,290

you know maybe you know one hand even it

1126

00:50:29,790 --> 00:50:26,150

was like me it was Tim Edwards Hosea's

1127

00:50:32,590 --> 00:50:29,800

cameelious Tom King and John Breaux and

1128

00:50:34,840 --> 00:50:32,600

that was it five there's maybe a couple

1129

00:50:36,190 --> 00:50:34,850

more there was a couple other sky

1130

00:50:37,780 --> 00:50:36,200

watchers that I knew at the time that

1131

00:50:40,030 --> 00:50:37,790

we're just starting to get into it oh

1132

00:50:41,620 --> 00:50:40,040

yeah and you had Tom Sabourin from from

1133

00:50:43,990 --> 00:50:41,630

Gulf Breeze Florida and a couple of the

1134

00:50:45,910 --> 00:50:44,000

Gulf Breeze people you know because that

1135

00:50:47,170 --> 00:50:45,920

flap went on for like five or six years

1136

00:50:48,730 --> 00:50:47,180

and there were you know there was a lot

1137

00:50:50,830 --> 00:50:48,740

of sky watchers that came out of it like

1138

00:50:53,020 --> 00:50:50,840

Bruce Morrison and Ed Walters and a few

1139

00:50:55,930 --> 00:50:53,030

other famous ones but there wasn't very

1140

00:50:58,270 --> 00:50:55,940

many of us back in you know like 93 to

1141

00:51:00,400 --> 00:50:58,280

98 that were taping UFOs you can count

1142

00:51:03,400 --> 00:51:00,410

them on you know two hands basically and

1143

00:51:05,980 --> 00:51:03,410

so there were there the the daylight

1144

00:51:08,680 --> 00:51:05,990

sighting people like me and Hosea's

1145

00:51:10,300 --> 00:51:08,690

camellias and Tim Edwards and Tom King

1146

00:51:12,430 --> 00:51:10,310

and John Breaux the people that did a

1147

00:51:14,140 --> 00:51:12,440

lot of solar technique we were getting

1148

00:51:15,490 --> 00:51:14,150

attacked by all these debunkers that

1149

00:51:19,060 --> 00:51:15,500

we're seeing all those are just cotton

1150

00:51:20,410 --> 00:51:19,070

balls or insects and and john growing us

1151

00:51:21,940 --> 00:51:20,420

we would always say you know you can

1152

00:51:24,700 --> 00:51:21,950

tell the difference between the cotton

1153

00:51:26,260 --> 00:51:24,710

and the insects the UFOs you know that

1154

00:51:28,840 --> 00:51:26,270

you can tell the difference but

1155

00:51:30,790 --> 00:51:28,850

you know they don't want to ever listen

1156

00:51:33,310 --> 00:51:30,800

to it they attacked his rods footage

1157

00:51:35,140 --> 00:51:33,320

stuff he you know you know saying all

1158

00:51:37,150 --> 00:51:35,150

the rods are just insects and all that

1159

00:51:39,510 --> 00:51:37,160

stuff like that so I got kind of fed up

1160

00:51:43,180 --> 00:51:39,520

with it so around I'd say around 1990

1161

00:51:45,970 --> 00:51:43,190

around 1998 I decided to change my

1162

00:51:48,070 --> 00:51:45,980

tactics on videotaping UFOs I decided

1163

00:51:50,620 --> 00:51:48,080

that I'm not gonna do any solar footage

1164

00:51:52,780 --> 00:51:50,630

anymore I'm not gonna film UFOs using

1165

00:51:54,850 --> 00:51:52,790

the solar technique or I'm not gonna and

1166

00:51:57,760 --> 00:51:54,860

I'm not gonna film any more rods or any

1167

00:52:00,460 --> 00:51:57,770

of that stuff anymore if I I'm using

1168

00:52:02,230 --> 00:52:00,470

that technique and so I changed my

1169

00:52:04,360 --> 00:52:02,240

technique which was to turn my back on

1170

00:52:07,510 --> 00:52:04,370

the Sun to film everything away from the

1171

00:52:10,090 --> 00:52:07,520

Sun totally back against the Sun and I

1172

00:52:15,400 --> 00:52:10,100

was still able to get the rod cylinders

1173

00:52:17,470 --> 00:52:15,410

UFOs the hockey puck UFOs that you just

1174

00:52:20,020 --> 00:52:17,480

ship UFOs I was still able to get all

1175

00:52:22,660 --> 00:52:20,030

the same stuff but the footage got

1176
00:52:26,200 --> 00:52:22,670
better turning your back on the Sun and

1177
00:52:27,910 --> 00:52:26,210
videotaping them this way I started my

1178
00:52:31,090 --> 00:52:27,920
footage started to improve and I was

1179
00:52:34,420 --> 00:52:31,100
starting to get better footage like like

1180
00:52:35,890 --> 00:52:34,430
you know more structured videos like

1181
00:52:37,480 --> 00:52:35,900
where you can see structure and stuff

1182
00:52:40,180 --> 00:52:37,490
like that where before it was just like

1183
00:52:41,710 --> 00:52:40,190
a fuzzy ball or whatever now you can see

1184
00:52:43,720 --> 00:52:41,720
like the actual roundness or the

1185
00:52:46,570 --> 00:52:43,730
structure of the oval shape of the video

1186
00:52:50,200 --> 00:52:46,580
and so there was some improvement in

1187
00:52:54,820 --> 00:52:50,210
video basically uh-huh can you explain

1188
00:52:59,020 --> 00:52:54,830

before we move on exactly how you were

1189

00:53:01,990 --> 00:52:59,030

doing the solar block out okay what you

1190

00:53:03,880 --> 00:53:02,000

do is is you okay you know when you're

1191

00:53:06,160 --> 00:53:03,890

out in your patio in the backyard you

1192

00:53:08,650 --> 00:53:06,170

have like a that overhang up above you

1193

00:53:11,290 --> 00:53:08,660

you can do it like that you can take

1194

00:53:14,290 --> 00:53:11,300

your position of your camera and block

1195

00:53:18,190 --> 00:53:14,300

the entire Sun out until you just get

1196

00:53:22,270 --> 00:53:18,200

the krona the corona of the Sun the

1197

00:53:24,130 --> 00:53:22,280

shine like basically the bright part of

1198

00:53:26,500 --> 00:53:24,140

it not the center part you want to

1199

00:53:29,080 --> 00:53:26,510

completely block the Sun out till you

1200

00:53:32,110 --> 00:53:29,090

just get that glow you know that glow

1201
00:53:34,300 --> 00:53:32,120
overhang you know of it and you want to

1202
00:53:36,760 --> 00:53:34,310
either do that behind your house like

1203
00:53:38,860 --> 00:53:36,770
depending on what position the Sun is is

1204
00:53:40,030 --> 00:53:38,870
during the day like at high noon the

1205
00:53:43,060 --> 00:53:40,040
ideal position

1206
00:53:44,290 --> 00:53:43,070
would be like the overhang of a patio to

1207
00:53:47,920 --> 00:53:44,300
where you get that bright part of the

1208
00:53:50,260 --> 00:53:47,930
Sun and and and if it's later in the day

1209
00:53:52,150 --> 00:53:50,270
like three o'clock to five o'clock you'd

1210
00:53:55,240 --> 00:53:52,160
want to use the side of your house where

1211
00:53:59,110 --> 00:53:55,250
you can see like the you know the like

1212
00:54:01,840 --> 00:53:59,120
the left part of the Sun coming out not

1213
00:54:04,210 --> 00:54:01,850

the disk part of course but just the

1214

00:54:06,730 --> 00:54:04,220

glow of it and during like the early

1215

00:54:09,910 --> 00:54:06,740

hours of the day a good thing would be

1216

00:54:11,980 --> 00:54:09,920

like a fence to block out that part the

1217

00:54:15,670 --> 00:54:11,990

this part and get the shiny part so you

1218

00:54:17,830 --> 00:54:15,680

can film at the top of the corona part

1219

00:54:19,840 --> 00:54:17,840

now also another thing is is you always

1220

00:54:22,390 --> 00:54:19,850

want to use UV protective sunglasses

1221

00:54:25,090 --> 00:54:22,400

when you do it you never want to point

1222

00:54:28,870 --> 00:54:25,100

the lens of your camera directly at the

1223

00:54:31,780 --> 00:54:28,880

Sun like you never want to have the year

1224

00:54:34,660 --> 00:54:31,790

the disk of the Sun exposing into the

1225

00:54:37,360 --> 00:54:34,670

camera lens okay so what you want to do

1226
00:54:40,090 --> 00:54:37,370
is you want to completely block the Sun

1227
00:54:44,620 --> 00:54:40,100
before you even set your camera up and

1228
00:54:47,200 --> 00:54:44,630
so when you do get the the the bright

1229
00:54:49,180 --> 00:54:47,210
part of the Sun coming out of the area

1230
00:54:52,030 --> 00:54:49,190
that's blocked off like the shiny part

1231
00:54:54,780 --> 00:54:52,040
you'll want to zoom in with your camera

1232
00:54:57,010 --> 00:54:54,790
into that Corona part and not even

1233
00:54:58,960 --> 00:54:57,020
completely in the corona a little bit to

1234
00:55:01,810 --> 00:54:58,970
the left or the right of it depending on

1235
00:55:03,490 --> 00:55:01,820
you know where you're at just a way like

1236
00:55:05,410 --> 00:55:03,500
you know to you're just on the outer

1237
00:55:08,530 --> 00:55:05,420
edges of the shiny part you know zoom

1238
00:55:10,690 --> 00:55:08,540

into that and you'll start seeing what

1239

00:55:15,400 --> 00:55:10,700

you'll see first off is you're gonna see

1240

00:55:16,990 --> 00:55:15,410

like bugs cotton stuff way up there and

1241

00:55:19,810 --> 00:55:17,000

stuff that you could be confused and

1242

00:55:24,490 --> 00:55:19,820

thinking that that's a UFO but watch and

1243

00:55:26,410 --> 00:55:24,500

look because if they it may very well be

1244

00:55:28,900 --> 00:55:26,420

a UFO but but look at the difference

1245

00:55:30,880 --> 00:55:28,910

make sure that that you see bugs and

1246

00:55:33,370 --> 00:55:30,890

make sure that you see spiderwebs make

1247

00:55:37,030 --> 00:55:33,380

sure that you see cotton make sure that

1248

00:55:39,490 --> 00:55:37,040

you can identify all the known stuff and

1249

00:55:41,890 --> 00:55:39,500

then that way when you see the stuff

1250

00:55:44,350 --> 00:55:41,900

that's higher up there then you'll see

1251

00:55:46,210 --> 00:55:44,360

the real thing and you'll get it on

1252

00:55:49,030 --> 00:55:46,220

video and you'll be able to roll it back

1253

00:55:50,830 --> 00:55:49,040

on your computer or your TV and say look

1254

00:55:53,290 --> 00:55:50,840

you know all this stuff is this

1255

00:55:56,380 --> 00:55:53,300

identical stuff identifiable stuff but

1256

00:55:58,510 --> 00:55:56,390

look at this no one can tell me that

1257

00:56:00,430 --> 00:55:58,520

this is this other stuff because it's

1258

00:56:04,270 --> 00:56:00,440

obviously not and then you'll be able to

1259

00:56:07,300 --> 00:56:04,280

you know videotape a UFO and like I said

1260

00:56:09,310 --> 00:56:07,310

I you know eventually I got away from

1261

00:56:11,740 --> 00:56:09,320

that way to do it but that's always a

1262

00:56:13,300 --> 00:56:11,750

great way to start and that's what I was

1263

00:56:15,010 --> 00:56:13,310

getting that before if you want to start

1264

00:56:17,820 --> 00:56:15,020

out videotaping them that's a great way

1265

00:56:21,010 --> 00:56:17,830

to start and then once you can identify

1266

00:56:22,570 --> 00:56:21,020

everything like that once you turn your

1267

00:56:24,250 --> 00:56:22,580

back on the Sun and look up at the sky

1268

00:56:26,830 --> 00:56:24,260

you'll know exactly what you're looking

1269

00:56:29,140 --> 00:56:26,840

for you'll and you'll know exactly what

1270

00:56:31,330 --> 00:56:29,150

to look for and when you see it you'll

1271

00:56:35,590 --> 00:56:31,340

know what you're looking at and also

1272

00:56:37,570 --> 00:56:35,600

another thing is is you use your the sky

1273

00:56:41,380 --> 00:56:37,580

is like a canvas like a painter would

1274

00:56:43,570 --> 00:56:41,390

use and that's how we recognize a UFO is

1275

00:56:45,700 --> 00:56:43,580

if like in Arizona we always have a

1276
00:56:47,830 --> 00:56:45,710
perfectly blue sky with no clouds ever

1277
00:56:50,830 --> 00:56:47,840
and when you do see clouds they're

1278
00:56:53,320 --> 00:56:50,840
really high or they're blanketing the

1279
00:56:55,120 --> 00:56:53,330
entire sky because it's gonna rain so

1280
00:56:58,360 --> 00:56:55,130
most of time we have nothing it's just a

1281
00:57:01,690 --> 00:56:58,370
big blue sky and you focus your eyes and

1282
00:57:03,610 --> 00:57:01,700
on this big blue canvas and then just

1283
00:57:05,590 --> 00:57:03,620
kind of just let your eyes just look at

1284
00:57:08,590 --> 00:57:05,600
it and then after about five minutes

1285
00:57:11,380 --> 00:57:08,600
your eyes are adjusted into it so that

1286
00:57:14,320 --> 00:57:11,390
any thing that disturbs the canvas like

1287
00:57:16,780 --> 00:57:14,330
an airplane or a balloon or a UFO or

1288
00:57:18,100 --> 00:57:16,790

anything up there is gonna disturb that

1289

00:57:20,200 --> 00:57:18,110

you're gonna see it right away it's

1290

00:57:22,570 --> 00:57:20,210

gonna you know your eyes will will catch

1291

00:57:25,030 --> 00:57:22,580

it because it's it's messing up your

1292

00:57:26,950 --> 00:57:25,040

perfect blue canvas you know that's so

1293

00:57:29,410 --> 00:57:26,960

your eyes will be able to adjust and say

1294

00:57:31,690 --> 00:57:29,420

hey there's something and then and grab

1295

00:57:34,510 --> 00:57:31,700

your camera now this is how I do it I I

1296

00:57:37,150 --> 00:57:34,520

always have binoculars like a narrow can

1297

00:57:39,250 --> 00:57:37,160

I ask you that yeah and this is and the

1298

00:57:41,410 --> 00:57:39,260

reason for this is because number one I

1299

00:57:42,820 --> 00:57:41,420

got like ten by fifty binoculars they're

1300

00:57:44,110 --> 00:57:42,830

not that they don't cost that much and

1301
00:57:46,090 --> 00:57:44,120
they're pretty powerful they're not the

1302
00:57:47,470 --> 00:57:46,100
you know most powerful or anything but

1303
00:57:49,660 --> 00:57:47,480
you don't need that you just need what's

1304
00:57:54,280 --> 00:57:49,670
affordable and I would say ten by 50 s

1305
00:57:57,250 --> 00:57:54,290
don't go any lower than that but it's a

1306
00:58:00,340 --> 00:57:57,260
good you know good binocular good power

1307
00:58:02,500 --> 00:58:00,350
and what I do is if I see something that

1308
00:58:04,570 --> 00:58:02,510
I want to see what it is I'll look

1309
00:58:06,670 --> 00:58:04,580
through the binoculars first and if I

1310
00:58:07,120 --> 00:58:06,680
can just if I can see oh that's a plane

1311
00:58:08,680 --> 00:58:07,130
that's

1312
00:58:10,390 --> 00:58:08,690
look after I'll forget it you know and

1313
00:58:12,880 --> 00:58:10,400

but if I look to the binoculars and I

1314

00:58:14,590 --> 00:58:12,890

see okay that's something that I can't

1315

00:58:16,450 --> 00:58:14,600

explain then that's when I turn the

1316

00:58:18,040 --> 00:58:16,460

camera on that way you're not sitting

1317

00:58:19,780 --> 00:58:18,050

there with your camera on wasting your

1318

00:58:21,400 --> 00:58:19,790

battery so then when the UFO shows up

1319

00:58:24,430 --> 00:58:21,410

and you press record oh the battery is

1320

00:58:26,830 --> 00:58:24,440

dead you know so what you want to do is

1321

00:58:29,770 --> 00:58:26,840

use your binoculars until you see a UFO

1322

00:58:32,940 --> 00:58:29,780

and then once you do turn your camera on

1323

00:58:35,470 --> 00:58:32,950

and zoom into it and start recording and

1324

00:58:38,860 --> 00:58:35,480

I also have lenses that I use that are

1325

00:58:43,840 --> 00:58:38,870

different power like a 5/5 I have a what

1326

00:58:48,670 --> 00:58:43,850

they call a of 5x lens made by made by k

1327

00:58:52,630 --> 00:58:48,680

UT and it's called to cut 5x and it puts

1328

00:58:54,640 --> 00:58:52,640

like 50 power on your video camera so is

1329

00:58:57,580 --> 00:58:54,650

there is there a lot of time in the

1330

00:58:59,740 --> 00:58:57,590

field that's just plain boring just like

1331

00:59:01,060 --> 00:58:59,750

looking around and I mean you have to

1332

00:59:01,480 --> 00:59:01,070

have a lot of patience for what you're

1333

00:59:04,870 --> 00:59:01,490

doing

1334

00:59:10,990 --> 00:59:04,880

oh yeah yeah I mean well the thing is

1335

00:59:14,290 --> 00:59:11,000

about daylight video of UFOs is like you

1336

00:59:16,200 --> 00:59:14,300

know it's gonna happen you know if you

1337

00:59:19,000 --> 00:59:16,210

sit there for like two or three hours

1338

00:59:21,430 --> 00:59:19,010

you know you're bound to see something I

1339

00:59:23,400 --> 00:59:21,440

mean there's been times where we've

1340

00:59:26,590 --> 00:59:23,410

watched for like three or four hours and

1341

00:59:30,670 --> 00:59:26,600

don't see anything not even a balloon or

1342

00:59:34,390 --> 00:59:30,680

anything like that and so we just you

1343

00:59:34,750 --> 00:59:34,400

know chalk it up nothing that day so try

1344

00:59:37,480 --> 00:59:34,760

it again

1345

00:59:38,830 --> 00:59:37,490

and so what you want to generally try to

1346

00:59:41,200 --> 00:59:38,840

do is put in hours

1347

00:59:43,120 --> 00:59:41,210

that's all I always looked at it is you

1348

00:59:45,520 --> 00:59:43,130

try to put in maybe like 20 hours a week

1349

00:59:47,980 --> 00:59:45,530

and then you're bound to catch something

1350

00:59:49,990 --> 00:59:47,990

now in the summertime like how it is in

1351
00:59:53,710 --> 00:59:50,000
Phoenix like like for the last couple

1352
00:59:57,550 --> 00:59:53,720
days we've hit like 116 like Saturday it

1353
01:00:00,430 --> 00:59:57,560
was like 116 we've had like 115-113 it's

1354
01:00:03,220 --> 01:00:00,440
been in the 112 through 116 the last

1355
01:00:04,840 --> 01:00:03,230
week and so forget forget UFOs during

1356
01:00:05,230 --> 01:00:04,850
the day I mean this is not going to

1357
01:00:09,070 --> 01:00:05,240
happen

1358
01:00:12,130 --> 01:00:09,080
and so we I turn to nighttime sky

1359
01:00:13,930 --> 01:00:12,140
watching during this time here and if

1360
01:00:16,450 --> 01:00:13,940
you look at all my footage I mean if you

1361
01:00:19,240 --> 01:00:16,460
go to my websites UFOs over Phoenix comm

1362
01:00:20,950 --> 01:00:19,250
you can download the video they're on on

1363
01:00:22,089 --> 01:00:20,960

a video page or there

1364

01:00:23,650 --> 01:00:22,099

a button on there where you can just

1365

01:00:25,750 --> 01:00:23,660

simply go to my YouTube channel and

1366

01:00:28,329 --> 01:00:25,760

check all my youtube videos and then

1367

01:00:31,720 --> 01:00:28,339

look at my my catalog of footage and

1368

01:00:37,290 --> 01:00:31,730

you'll see that I have some pretty great

1369

01:00:40,300 --> 01:00:37,300

night time footage too and so you know

1370

01:00:42,880 --> 01:00:40,310

nighttime footage its few and far

1371

01:00:44,859 --> 01:00:42,890

between though I tell you i-i've been

1372

01:00:46,270 --> 01:00:44,869

able to videotape some really good

1373

01:00:49,030 --> 01:00:46,280

smoking gun

1374

01:00:50,849 --> 01:00:49,040

nighttime videos but I probably only

1375

01:00:54,790 --> 01:00:50,859

have maybe look like five of them

1376

01:00:57,400 --> 01:00:54,800

because you know you just don't I mean

1377

01:01:00,760 --> 01:00:57,410

people say oh wow you were able to even

1378

01:01:02,560 --> 01:01:00,770

see UFO more than once you know that's

1379

01:01:05,260 --> 01:01:02,570

like freaks people out or now you're

1380

01:01:06,880 --> 01:01:05,270

you're even able to videotape a UFO more

1381

01:01:07,660 --> 01:01:06,890

than that more than once that freaks

1382

01:01:09,670 --> 01:01:07,670

people out

1383

01:01:11,890 --> 01:01:09,680

and yeah and it's because they're not

1384

01:01:14,349 --> 01:01:11,900

educated about it like UFOs

1385

01:01:16,300 --> 01:01:14,359

like I said UFOs before it's a high

1386

01:01:19,450 --> 01:01:16,310

altitude phenomenon that occurs every

1387

01:01:21,310 --> 01:01:19,460

day over every single major city of the

1388

01:01:24,820 --> 01:01:21,320

United States also you have to just look

1389

01:01:28,540 --> 01:01:24,830

for them it's the same at night too as

1390

01:01:30,370 --> 01:01:28,550

well so you know it's it's one of those

1391

01:01:32,020 --> 01:01:30,380

things you go on to like the UFO

1392

01:01:34,060 --> 01:01:32,030

Reporting Center like for instance it's

1393

01:01:35,170 --> 01:01:34,070

Peter Davenport Uwe Boll important

1394

01:01:37,450 --> 01:01:35,180

Center and you can go up by

1395

01:01:40,980 --> 01:01:37,460

state-by-state index and see every

1396

01:01:44,109 --> 01:01:40,990

single sighting and you'll realize that

1397

01:01:46,359 --> 01:01:44,119

that the data is just incredible

1398

01:01:48,579 --> 01:01:46,369

like like they go you know there's

1399

01:01:52,780 --> 01:01:48,589

hundreds of sightings every month you

1400

01:01:54,370 --> 01:01:52,790

know in every state so and it's and it

1401
01:01:56,349 --> 01:01:54,380
goes back years and years and years

1402
01:01:58,089 --> 01:01:56,359
every year you know you can go back 20

1403
01:02:02,620 --> 01:01:58,099
years or whatever so it's nothing that

1404
01:02:04,780 --> 01:02:02,630
you know people should be like if you're

1405
01:02:05,890 --> 01:02:04,790
a UFO hunter or you're someone that's

1406
01:02:07,630 --> 01:02:05,900
interested in this stuff you're gonna

1407
01:02:09,130 --> 01:02:07,640
see a bunch of them you know if it's not

1408
01:02:10,810 --> 01:02:09,140
it's what you do but if people don't

1409
01:02:12,910 --> 01:02:10,820
know much about it you know they don't

1410
01:02:15,339 --> 01:02:12,920
have the researcher knowledge about it

1411
01:02:17,440 --> 01:02:15,349
it kind of freaks me out that someone's

1412
01:02:18,640 --> 01:02:17,450
able to see like a UFO over and over

1413
01:02:21,520 --> 01:02:18,650

again because they think it's a

1414

01:02:23,859 --> 01:02:21,530

once-in-a-lifetime experience or you

1415

01:02:25,630 --> 01:02:23,869

know even a videotape one or just to see

1416

01:02:28,720 --> 01:02:25,640

one you know and it's not that's not

1417

01:02:31,990 --> 01:02:28,730

it's not like that do you think though

1418

01:02:33,820 --> 01:02:32,000

you have your experience in Phoenix so

1419

01:02:34,599 --> 01:02:33,830

what makes you think that there are over

1420

01:02:38,200 --> 01:02:34,609

others it

1421

01:02:39,609 --> 01:02:38,210

as well like they are there well that's

1422

01:02:42,430 --> 01:02:39,619

kind of going back to the John Breaux

1423

01:02:46,269 --> 01:02:42,440

thing when I got into the videotaping

1424

01:02:48,309 --> 01:02:46,279

stuff in 2005 I started quickly becoming

1425

01:02:50,440 --> 01:02:48,319

friends with all the sky watchers that

1426

01:02:52,809 --> 01:02:50,450

we're shooting video when they found out

1427

01:02:54,099 --> 01:02:52,819

I shot the same type of UFO footage that

1428

01:02:55,359 --> 01:02:54,109

they shot they all wanted to be my

1429

01:03:00,099 --> 01:02:55,369

friend and know who I was

1430

01:03:03,009 --> 01:03:00,109

so in 1995 I met people like Tim Edwards

1431

01:03:05,920 --> 01:03:03,019

that had shot a cylinder footage in

1432

01:03:07,660 --> 01:03:05,930

Salida Colorado for instance and he shot

1433

01:03:09,999 --> 01:03:07,670

daylight cylinder footage and you're

1434

01:03:13,329 --> 01:03:10,009

probably familiar with that video and I

1435

01:03:15,460 --> 01:03:13,339

also met during that same year Hosea's

1436

01:03:17,920 --> 01:03:15,470

camellias which lived in New Mexico at

1437

01:03:20,950 --> 01:03:17,930

the time and so now already I have a

1438

01:03:22,809 --> 01:03:20,960

friend in in in Colorado that's shooting

1439

01:03:24,519 --> 01:03:22,819

cylinders and I shot some daylight

1440

01:03:26,829 --> 01:03:24,529

cylinders - so he's shooting the same

1441

01:03:29,410 --> 01:03:26,839

stuff I am shooting me but he lives in

1442

01:03:32,079 --> 01:03:29,420

Colorado and then during the same time

1443

01:03:36,130 --> 01:03:32,089

frame I met Jose's camellias that lived

1444

01:03:39,910 --> 01:03:36,140

in new in New Mexico and he was shooting

1445

01:03:41,410 --> 01:03:39,920

what they called the Midway I don't know

1446

01:03:44,440 --> 01:03:41,420

if you're familiar with this but back in

1447

01:03:47,799 --> 01:03:44,450

1995 Hosea's camellias was being was

1448

01:03:50,200 --> 01:03:47,809

famous for the Midway New Mexico UFO

1449

01:03:53,859 --> 01:03:50,210

sightings and he was using the solar

1450

01:03:57,370 --> 01:03:53,869

technique to videotape little hockey

1451

01:03:59,559 --> 01:03:57,380

puck shaped daylight UFOs in Midway New

1452

01:04:01,210 --> 01:03:59,569

Mexico and then a little bit later a cup

1453

01:04:03,819 --> 01:04:01,220

maybe a year later he started become

1454

01:04:05,950 --> 01:04:03,829

famous during the rod things so this was

1455

01:04:10,299 --> 01:04:05,960

even before he was famous with rods he

1456

01:04:12,249 --> 01:04:10,309

was shooting he a famous you a UFO flap

1457

01:04:15,759 --> 01:04:12,259

that he made famous himself by shooting

1458

01:04:19,239 --> 01:04:15,769

footage in Midway New Mexico the Midway

1459

01:04:21,009 --> 01:04:19,249

UFO flap and he was getting famous off

1460

01:04:25,989 --> 01:04:21,019

that before even he got famous with the

1461

01:04:29,789 --> 01:04:25,999

rod footage that used to like film

1462

01:04:32,349 --> 01:04:29,799

outside out of his skylight sometimes

1463

01:04:34,720 --> 01:04:32,359

I'm not I'm not really too sure on that

1464

01:04:37,210 --> 01:04:34,730

but this was you know who has asked

1465

01:04:40,809 --> 01:04:37,220

Milius is obviously the rods frauds

1466

01:04:44,220 --> 01:04:40,819

right yeah before the before he got

1467

01:04:47,410 --> 01:04:44,230

famous with rods he was famous for a

1468

01:04:48,069 --> 01:04:47,420

daylight footage that he was shooting in

1469

01:04:53,979 --> 01:04:48,079

Midway

1470

01:04:58,239 --> 01:04:53,989

sightings and this was like I'd say like

1471

01:05:02,079 --> 01:04:58,249

92 through 94 somewhere in there you

1472

01:05:03,609 --> 01:05:02,089

know and so if not you know maybe 95 you

1473

01:05:06,430 --> 01:05:03,619

know say it was in there it was before

1474

01:05:08,920 --> 01:05:06,440

he was in got into the rod thing but um

1475

01:05:11,469 --> 01:05:08,930

so he lived in New Mexico and then of

1476
01:05:14,400 --> 01:05:11,479
course John Breau at the time he lived

1477
01:05:17,019 --> 01:05:14,410
in northern in Southern California and

1478
01:05:18,640 --> 01:05:17,029
so the they were all four of them we're

1479
01:05:20,370 --> 01:05:18,650
all shooting the same stuff at the time

1480
01:05:24,519 --> 01:05:20,380
that I was shooting here in Phoenix so

1481
01:05:26,319 --> 01:05:24,529
that's what you know I concluded this is

1482
01:05:28,660 --> 01:05:26,329
this is happening every day in every

1483
01:05:31,349 --> 01:05:28,670
city across the country I mean I mean

1484
01:05:33,190 --> 01:05:31,359
these these four other guys prove it

1485
01:05:35,410 --> 01:05:33,200
pretty much to me

1486
01:05:37,269 --> 01:05:35,420
you know if we had one of these guys in

1487
01:05:39,400 --> 01:05:37,279
every state they would all be reporting

1488
01:05:42,900 --> 01:05:39,410

the same or video videotaping the same

1489

01:05:45,849 --> 01:05:42,910

stuff now have you had some footage that

1490

01:05:47,529 --> 01:05:45,859

you really examine closely and you could

1491

01:05:50,709 --> 01:05:47,539

figure out it was something you know

1492

01:05:53,079 --> 01:05:50,719

prosaic like say helicopter at a

1493

01:05:55,749 --> 01:05:53,089

distance or something like that oh yeah

1494

01:05:58,599 --> 01:05:55,759

all the time I have like um I probably

1495

01:06:01,779 --> 01:05:58,609

have like a stack of like 200 VHS tapes

1496

01:06:04,120 --> 01:06:01,789

because back when you and through the

1497

01:06:05,829 --> 01:06:04,130

90s when you're shooting on 8 millimeter

1498

01:06:09,699 --> 01:06:05,839

we would transfer all of our footage

1499

01:06:11,559 --> 01:06:09,709

straight to of to a VHS tape that way if

1500

01:06:13,299 --> 01:06:11,569

our eight millimeter tape got eaten or

1501
01:06:19,449 --> 01:06:13,309
damaged or something we would have a

1502
01:06:22,239 --> 01:06:19,459
copy of it on a VHS tape so we just back

1503
01:06:25,599 --> 01:06:22,249
then we just instead of just copying the

1504
01:06:28,209 --> 01:06:25,609
one siding on to the onto the tape we

1505
01:06:31,269 --> 01:06:28,219
just tape they and we just put dump the

1506
01:06:32,890 --> 01:06:31,279
entire 8 millimeter on to the VHS

1507
01:06:34,779 --> 01:06:32,900
because you can put like extended play

1508
01:06:37,479 --> 01:06:34,789
and it would take like five or six hours

1509
01:06:39,779 --> 01:06:37,489
of tape so we would throw it all on VHS

1510
01:06:42,130 --> 01:06:39,789
tapes and then go over it and decide

1511
01:06:44,739 --> 01:06:42,140
well most the time you can tell in

1512
01:06:46,420 --> 01:06:44,749
camera when your video when you be like

1513
01:06:49,989 --> 01:06:46,430

I said that's why I always got into the

1514

01:06:53,170 --> 01:06:49,999

the binoculars before I even press

1515

01:06:54,729 --> 01:06:53,180

record because when early when you start

1516

01:06:56,529 --> 01:06:54,739

early on you start to realize that

1517

01:06:59,890 --> 01:06:56,539

you're starting to videotape a lot of

1518

01:07:01,870 --> 01:06:59,900

crap so to speak then and I were use

1519

01:07:03,520 --> 01:07:01,880

that word because of it ends

1520

01:07:05,260 --> 01:07:03,530

up being a helicopter or a ball of

1521

01:07:07,300 --> 01:07:05,270

cotton or a balloon or something like

1522

01:07:09,100 --> 01:07:07,310

that until you zoom in and get you know

1523

01:07:10,840 --> 01:07:09,110

your pression record and you're trying

1524

01:07:13,900 --> 01:07:10,850

to capture this thing and then when you

1525

01:07:15,310 --> 01:07:13,910

get in on it on Zoom oh that's just a

1526

01:07:18,340 --> 01:07:15,320

ball of cotton or a balloon or a

1527

01:07:21,430 --> 01:07:18,350

helicopter a high-altitude satellite or

1528

01:07:24,220 --> 01:07:21,440

something like that and so we you know

1529

01:07:27,490 --> 01:07:24,230

we had a lot of that stuff that we

1530

01:07:29,380 --> 01:07:27,500

examine just to make sure but also to

1531

01:07:31,450 --> 01:07:29,390

get away from it all together that's

1532

01:07:33,180 --> 01:07:31,460

when I got started you know I got the

1533

01:07:37,000 --> 01:07:33,190

binoculars that way we don't have to

1534

01:07:40,150 --> 01:07:37,010

waste videotape waste recorded tape and

1535

01:07:42,610 --> 01:07:40,160

have to record over something and you

1536

01:07:45,220 --> 01:07:42,620

know you know everything costs money you

1537

01:07:47,590 --> 01:07:45,230

know even back then a you know a hi-8

1538

01:07:50,230 --> 01:07:47,600

tape still cost five bucks or whatever

1539

01:07:52,960 --> 01:07:50,240

you know and if you have to record over

1540

01:07:55,480 --> 01:07:52,970

if you know that that doesn't look good

1541

01:07:57,100 --> 01:07:55,490

because the quality I mean I don't know

1542

01:07:58,840 --> 01:07:57,110

if it's gonna hold the same quality if

1543

01:08:01,360 --> 01:07:58,850

it's been this tapes been recorded over

1544

01:08:03,550 --> 01:08:01,370

three times you know because the first

1545

01:08:08,080 --> 01:08:03,560

two times we recorded balloons by

1546

01:08:10,480 --> 01:08:08,090

accident you know now you've mentioned

1547

01:08:13,330 --> 01:08:10,490

earlier that these are high altitude a

1548

01:08:15,730 --> 01:08:13,340

lot of them are high altitude and one of

1549

01:08:17,710 --> 01:08:15,740

the things you hear is that a lot of

1550

01:08:20,290 --> 01:08:17,720

people are saying about the triangle

1551

01:08:22,330 --> 01:08:20,300

crafts that no one sees them at high

1552

01:08:25,060 --> 01:08:22,340

altitude and I just wondered had you

1553

01:08:28,720 --> 01:08:25,070

ever seen anything triangular high

1554

01:08:32,410 --> 01:08:28,730

altitude yeah yeah a matter of fact I

1555

01:08:35,320 --> 01:08:32,420

have and you're right there is a lot of

1556

01:08:39,580 --> 01:08:35,330

low active low altitude activity with

1557

01:08:41,680 --> 01:08:39,590

UFOs and triangles but generally these

1558

01:08:43,810 --> 01:08:41,690

things like to you know they like to

1559

01:08:47,260 --> 01:08:43,820

stay a little bit away from us like

1560

01:08:49,330 --> 01:08:47,270

they're a little higher up and like the

1561

01:08:53,070 --> 01:08:49,340

day I've got some daylight triangle

1562

01:08:58,240 --> 01:08:53,080

footage in the 90s from different people

1563

01:09:00,790 --> 01:08:58,250

and I videotaped one too but generally

1564

01:09:02,500 --> 01:09:00,800

they're different like depending on like

1565

01:09:04,480 --> 01:09:02,510

I said you know that's weird about UFOs

1566

01:09:06,340 --> 01:09:04,490

is like someone shoots a triangle and

1567

01:09:07,750 --> 01:09:06,350

then another pursued it's a triangle and

1568

01:09:09,940 --> 01:09:07,760

then you look at both videos and they're

1569

01:09:11,770 --> 01:09:09,950

different like the the objects are

1570

01:09:15,070 --> 01:09:11,780

different like the crafts are different

1571

01:09:15,579 --> 01:09:15,080

it's not very rarely do you have this

1572

01:09:18,970 --> 01:09:15,589

person

1573

01:09:20,800 --> 01:09:18,980

video tape the exact same thing in this

1574

01:09:22,570 --> 01:09:20,810

video where you can compare both videos

1575

01:09:25,120 --> 01:09:22,580

and say well that looks like the exact

1576

01:09:26,919 --> 01:09:25,130

same thing I mean most the time you're

1577

01:09:29,709 --> 01:09:26,929

gonna get two table jerks that are very

1578

01:09:32,260 --> 01:09:29,719

similar but you wouldn't say that they

1579

01:09:34,359 --> 01:09:32,270

were the exact same thing but every now

1580

01:09:36,399 --> 01:09:34,369

and then that happens but not too often

1581

01:09:38,410 --> 01:09:36,409

and that's that's the funny thing about

1582

01:09:39,939 --> 01:09:38,420

the daylight triangles as I was thinking

1583

01:09:43,209 --> 01:09:39,949

is because I remember there were some

1584

01:09:46,059 --> 01:09:43,219

footage I looked at by a guy Tom King

1585

01:09:48,419 --> 01:09:46,069

back in the early 90s that shot a

1586

01:09:51,099 --> 01:09:48,429

triangular footage but it looked like

1587

01:09:53,079 --> 01:09:51,109

you know it was high altitude but the

1588

01:09:55,000 --> 01:09:53,089

way that it looked it looked like each

1589

01:09:57,040 --> 01:09:55,010

tip of the triangle was like a round

1590

01:10:01,359 --> 01:09:57,050

ball but they were connected together

1591

01:10:04,120 --> 01:10:01,369

like by something like an outer rim so

1592

01:10:05,800 --> 01:10:04,130

the triangle shape was there but on each

1593

01:10:07,780 --> 01:10:05,810

end of the triangle was like a round

1594

01:10:10,479 --> 01:10:07,790

ball you had these three round balls and

1595

01:10:12,910 --> 01:10:10,489

a triangular formation but when you zoom

1596

01:10:15,729 --> 01:10:12,920

in on the footage you can see the

1597

01:10:18,479 --> 01:10:15,739

outline you know beyond the ball of the

1598

01:10:21,430 --> 01:10:18,489

actual shape of the triangle and then I

1599

01:10:24,609 --> 01:10:21,440

compared it to a video that was shot the

1600

01:10:25,930 --> 01:10:24,619

same year by this guy prophet Yahweh I

1601
01:10:28,149 --> 01:10:25,940
don't know if you've heard of this guy

1602
01:10:29,500 --> 01:10:28,159
before prophet Yahweh he he's been

1603
01:10:32,470 --> 01:10:29,510
around for 20 years

1604
01:10:36,780 --> 01:10:32,480
shooting UFO video come out of Vegas I

1605
01:10:39,550 --> 01:10:36,790
did an investigation on him back in 1996

1606
01:10:41,589 --> 01:10:39,560
we drove out to Vegas to see if this guy

1607
01:10:43,450 --> 01:10:41,599
was for real or not that's a totally

1608
01:10:46,000 --> 01:10:43,460
different story but he shot this

1609
01:10:47,790 --> 01:10:46,010
triangular footage but it didn't look

1610
01:10:51,100 --> 01:10:47,800
anything like the Tom King footage this

1611
01:10:53,260 --> 01:10:51,110
this triangular this triangle footage

1612
01:10:58,419 --> 01:10:53,270
was boomerang shaped and it would look

1613
01:11:01,330 --> 01:10:58,429

like a bunch of like white balls like to

1614

01:11:03,970 --> 01:11:01,340

like you would see two white sticks put

1615

01:11:05,979 --> 01:11:03,980

together like a V but when he zoomed in

1616

01:11:08,530 --> 01:11:05,989

it looked like a little tiny like white

1617

01:11:12,399 --> 01:11:08,540

balls like they could be balloons tuck

1618

01:11:14,859 --> 01:11:12,409

together in a triangle like shape but it

1619

01:11:16,510 --> 01:11:14,869

wasn't that because they weren't like

1620

01:11:18,729 --> 01:11:16,520

flipping like balloons or tumbling and

1621

01:11:21,040 --> 01:11:18,739

they were like rigid stuck and it was

1622

01:11:25,930 --> 01:11:21,050

traveling at like none of us first

1623

01:11:28,089 --> 01:11:25,940

across the sky and and that was you know

1624

01:11:29,370 --> 01:11:28,099

some pretty intriguing video like in a

1625

01:11:31,689 --> 01:11:29,380

lot of these guys

1626

01:11:34,540 --> 01:11:31,699

to tell you the truth lot of these sky

1627

01:11:38,609 --> 01:11:34,550

watchers out there and I'm one of them

1628

01:11:42,129 --> 01:11:38,619

so I can tell you this I'm not you know

1629

01:11:45,459 --> 01:11:42,139

it's amazing to me because they will put

1630

01:11:48,010 --> 01:11:45,469

out some junk footage sometimes stuff

1631

01:11:49,209 --> 01:11:48,020

that they know it's not UFOs and then

1632

01:11:51,760 --> 01:11:49,219

they'll put out some stuff that they've

1633

01:11:53,620 --> 01:11:51,770

shot that is UFOs and it's not like

1634

01:11:58,660 --> 01:11:53,630

they're trying to be hoaxers or that's

1635

01:12:00,220 --> 01:11:58,670

not like they're trying to you know put

1636

01:12:03,430 --> 01:12:00,230

one over on anybody I think that the

1637

01:12:05,859 --> 01:12:03,440

honestly sometimes don't know whether

1638

01:12:08,470 --> 01:12:05,869

this is a balloon or a UFO or an orb and

1639

01:12:10,240 --> 01:12:08,480

they like they're 50/50 on it so they're

1640

01:12:13,120 --> 01:12:10,250

just like let's just put it out there

1641

01:12:14,530 --> 01:12:13,130

you know who cares you know and that

1642

01:12:19,180 --> 01:12:14,540

might not be the right approach

1643

01:12:21,399 --> 01:12:19,190

sometimes and you know the point the

1644

01:12:22,629 --> 01:12:21,409

people that do it more often than they

1645

01:12:25,270 --> 01:12:22,639

put out a real piece of footage

1646

01:12:28,330 --> 01:12:25,280

eventually they're labeled into a group

1647

01:12:30,939 --> 01:12:28,340

of people yeah that the and you know all

1648

01:12:33,580 --> 01:12:30,949

about that but there's groups on

1649

01:12:35,560 --> 01:12:33,590

Facebook now that are like these sky

1650

01:12:38,649 --> 01:12:35,570

anomaly groups where they're posting

1651

01:12:40,629 --> 01:12:38,659

like balloons and they think that now

1652

01:12:44,919 --> 01:12:40,639

this is the weirdest thing and you know

1653

01:12:46,870 --> 01:12:44,929

they think that the UFO is like a mimic

1654

01:12:48,520 --> 01:12:46,880

it's like becoming a bullet like it's

1655

01:12:51,580 --> 01:12:48,530

doing a shape of a balloon to try to

1656

01:12:52,870 --> 01:12:51,590

trick you and they're filming what

1657

01:12:54,550 --> 01:12:52,880

they're filming is not a balloon at all

1658

01:12:56,020 --> 01:12:54,560

even though it's got a big string and

1659

01:12:57,669 --> 01:12:56,030

even though it's got a picture of

1660

01:12:59,140 --> 01:12:57,679

spider-man on the balloon they think

1661

01:13:03,399 --> 01:12:59,150

it's some call they call it a balloon

1662

01:13:06,820 --> 01:13:03,409

mimic yes and they call it sky sky

1663

01:13:08,859 --> 01:13:06,830

anomaly variables and all this other

1664

01:13:10,720 --> 01:13:08,869

words nice words that they try to come

1665

01:13:13,060 --> 01:13:10,730

up with to try to convince you that it's

1666

01:13:15,189 --> 01:13:13,070

not just a regular balloon I don't I

1667

01:13:18,370 --> 01:13:15,199

don't believe in any of that stuff I got

1668

01:13:20,410 --> 01:13:18,380

I got VHS tapes full of balloons that

1669

01:13:22,899 --> 01:13:20,420

I've zoomed in on to see if it was UFO

1670

01:13:26,140 --> 01:13:22,909

and then I never would put it out there

1671

01:13:28,149 --> 01:13:26,150

as a UFO yeah you know yeah so I don't

1672

01:13:29,680 --> 01:13:28,159

so you got large groups of these people

1673

01:13:32,260 --> 01:13:29,690

out there that are doing this is totally

1674

01:13:35,470 --> 01:13:32,270

discrediting the entire video movement

1675

01:13:38,589 --> 01:13:35,480

of ufology unless you videotape a

1676

01:13:41,320 --> 01:13:38,599

perfect saucer shaped object or what

1677

01:13:43,280 --> 01:13:41,330

everybody you know knows of as a flying

1678

01:13:45,590 --> 01:13:43,290

saucer UFO Shay

1679

01:13:50,240 --> 01:13:45,600

and look you know if it doesn't have

1680

01:13:52,040 --> 01:13:50,250

that perfect UFO shape and look and it's

1681

01:13:54,590 --> 01:13:52,050

got like an orb look or a balloon look

1682

01:13:58,010 --> 01:13:54,600

and it's gonna be labeled as a balloon

1683

01:13:59,540 --> 01:13:58,020

or a piece of sky garbage because of all

1684

01:14:03,260 --> 01:13:59,550

these people that are posting all this

1685

01:14:06,110 --> 01:14:03,270

junk so yeah yeah no I I got it and

1686

01:14:10,040 --> 01:14:06,120

there is a lot of things out there to

1687

01:14:14,900 --> 01:14:10,050

muddy the water as well as CGI and you

1688

01:14:16,940 --> 01:14:14,910

know hoax is a real hoaxes we're on live

1689

01:14:19,670 --> 01:14:16,950

with a Jeff Willis if anyone wants to

1690

01:14:23,900 --> 01:14:19,680

call in that's six oh three nine six

1691

01:14:26,660 --> 01:14:23,910

seven four oh three oh speaking of

1692

01:14:30,500 --> 01:14:26,670

hoaxes there was one that went viral

1693

01:14:31,760 --> 01:14:30,510

recently I think it was called team ten

1694

01:14:34,160 --> 01:14:31,770

or something like that

1695

01:14:36,710 --> 01:14:34,170

yeah secure team there isn't any yeah

1696

01:14:40,310 --> 01:14:36,720

yeah these guys can you know it's funny

1697

01:14:42,230 --> 01:14:40,320

because you know being in the UFOs for

1698

01:14:43,730 --> 01:14:42,240

so long you know when I was a little kid

1699

01:14:45,980 --> 01:14:43,740

when I was like like I said when I was

1700

01:14:47,780 --> 01:14:45,990

like seven years old or when I got that

1701

01:14:50,480 --> 01:14:47,790

book off the shelf and one of the some

1702

01:14:52,550 --> 01:14:50,490

of the pictures in that book that when I

1703

01:14:54,110 --> 01:14:52,560

was like in kindergarten in this and in

1704

01:14:55,580 --> 01:14:54,120

the second grade a couple of those

1705

01:14:57,910 --> 01:14:55,590

different books that I had checked out

1706

01:15:00,830 --> 01:14:57,920

from the library they had those perfect

1707

01:15:03,230 --> 01:15:00,840

beautiful pictures of flying saucers by

1708

01:15:04,970 --> 01:15:03,240

billy meier oh yeah now well you know

1709

01:15:07,130 --> 01:15:04,980

when you're looking at that as a six or

1710

01:15:09,140 --> 01:15:07,140

seven year old kid you know you're gonna

1711

01:15:10,280 --> 01:15:09,150

believe that those pictures of course

1712

01:15:12,830 --> 01:15:10,290

they were in the book and they were

1713

01:15:14,720 --> 01:15:12,840

claimed to be real and of course that

1714

01:15:17,120 --> 01:15:14,730

whole case and those pictures when they

1715

01:15:20,120 --> 01:15:17,130

came out at the time though that whole

1716

01:15:22,790 --> 01:15:20,130

case was being brought forward yeah in

1717

01:15:25,460 --> 01:15:22,800

print by the investigators that brought

1718

01:15:28,520 --> 01:15:25,470

us the case which were of lee elders and

1719

01:15:30,770 --> 01:15:28,530

wendell stevens and of course the people

1720

01:15:33,050 --> 01:15:30,780

the person that was backing up the video

1721

01:15:35,600 --> 01:15:33,060

to be real was another none other than

1722

01:15:37,430 --> 01:15:35,610

jim delito so now all these guys are

1723

01:15:40,250 --> 01:15:37,440

great UFO researchers and they're great

1724

01:15:45,050 --> 01:15:40,260

video analysis and stuff but we're

1725

01:15:46,880 --> 01:15:45,060

talking 1975 1976 1977 you know i mean

1726

01:15:49,130 --> 01:15:46,890

maybe they had the wool pulled over

1727

01:15:52,460 --> 01:15:49,140

their eyes you know because because

1728

01:15:55,010 --> 01:15:52,470

because now every time almost I'd say

1729

01:15:56,990 --> 01:15:55,020

almost 80% of the time that one of those

1730

01:15:59,630 --> 01:15:57,000

type of style

1731

01:16:02,240 --> 01:15:59,640

that great of a picture or a video comes

1732

01:16:04,880 --> 01:16:02,250

out you know it's only a few days later

1733

01:16:08,150 --> 01:16:04,890

words where everybody is like crying

1734

01:16:10,310 --> 01:16:08,160

hoax on you know like the secured team

1735

01:16:13,010 --> 01:16:10,320

ten where they keep on putting out these

1736

01:16:16,430 --> 01:16:13,020

perfect UFO images that everybody wants

1737

01:16:19,130 --> 01:16:16,440

to believe but no one can prove if it's

1738

01:16:22,340 --> 01:16:19,140

real or fake because they're never gonna

1739

01:16:23,840 --> 01:16:22,350

give you the original tape of course so

1740

01:16:26,450 --> 01:16:23,850

right there you're never gonna know if

1741

01:16:28,190 --> 01:16:26,460

it's real and they always claim all we

1742

01:16:29,690 --> 01:16:28,200

got this footage from this person and

1743

01:16:32,030 --> 01:16:29,700

now we're going we got that pert that

1744

01:16:34,070 --> 01:16:32,040

person on the line or here's that person

1745

01:16:35,960 --> 01:16:34,080

in the conversation so you don't know if

1746

01:16:38,270 --> 01:16:35,970

this is the guy's brother or the guy

1747

01:16:40,400 --> 01:16:38,280

across the street or you don't know if

1748

01:16:42,170 --> 01:16:40,410

they're given a script to read or any of

1749

01:16:44,630 --> 01:16:42,180

this stuff I mean and then they never

1750

01:16:46,820 --> 01:16:44,640

come on to do an interview with a

1751

01:16:49,250 --> 01:16:46,830

regular show or on television they never

1752

01:16:52,150 --> 01:16:49,260

come out to defend the video or whatever

1753

01:16:54,950 --> 01:16:52,160

so you know it's like secure team and

1754

01:16:55,610 --> 01:16:54,960

those other guys third phases made for

1755

01:16:57,890 --> 01:16:55,620

the moon yeah

1756

01:17:00,590 --> 01:16:57,900

and there's a you know and so it's

1757

01:17:03,650 --> 01:17:00,600

really bad because what if someone

1758

01:17:05,930 --> 01:17:03,660

videotapes a real UFO on their video

1759

01:17:08,240 --> 01:17:05,940

camera and they go on line because they

1760

01:17:10,550 --> 01:17:08,250

don't know who'd report it and they go

1761

01:17:13,160 --> 01:17:10,560

on YouTube and they see this secure team

1762

01:17:14,690 --> 01:17:13,170

10 or this third phase the moon guys and

1763

01:17:16,130 --> 01:17:14,700

they believe it and they're they call

1764

01:17:17,900 --> 01:17:16,140

them or email and they say oh I got

1765

01:17:19,850 --> 01:17:17,910

something that's real you got to see

1766

01:17:21,830 --> 01:17:19,860

this and they give it to these guys and

1767

01:17:25,280 --> 01:17:21,840

now these guys are putting it out there

1768

01:17:26,900 --> 01:17:25,290

as part of their fold of junk and this

1769

01:17:29,150 --> 01:17:26,910

one dude man this one just happens to be

1770

01:17:30,590 --> 01:17:29,160

real and of course we're not gonna pass

1771

01:17:31,790 --> 01:17:30,600

that up they're gonna throw it in with

1772

01:17:34,310 --> 01:17:31,800

the mix of all the other stuff that

1773

01:17:35,660 --> 01:17:34,320

they're either producing or faking or

1774

01:17:38,630 --> 01:17:35,670

getting from the public that's either

1775

01:17:41,330 --> 01:17:38,640

real or fake and so that's another thing

1776

01:17:43,010 --> 01:17:41,340

somebody could be faking them out too

1777

01:17:45,080 --> 01:17:43,020

and they don't know they're they just

1778

01:17:46,520 --> 01:17:45,090

put anything out there that looks good

1779

01:17:47,810 --> 01:17:46,530

if it doesn't look good they're not

1780

01:17:49,880 --> 01:17:47,820

gonna put it out there but if it looks

1781

01:17:51,890 --> 01:17:49,890

good they're gonna use it or put it out

1782

01:17:54,140 --> 01:17:51,900

there so that's the thing with those

1783

01:17:57,500 --> 01:17:54,150

type of YouTube channels to they they

1784

01:17:59,690 --> 01:17:57,510

don't put out the maybes you know they

1785

01:18:02,300 --> 01:17:59,700

put out what is considered the real

1786

01:18:04,970 --> 01:18:02,310

thing you know and even if it's CGI or

1787

01:18:08,350 --> 01:18:04,980

whatever you know we don't know until we

1788

01:18:10,700 --> 01:18:08,360

have the real tape yeah yeah I mean

1789

01:18:13,700 --> 01:18:10,710

another thing is that you know the

1790

01:18:16,940 --> 01:18:13,710

of witnesses of real witnesses something

1791

01:18:20,720 --> 01:18:16,950

like that one recently that went so

1792

01:18:23,780 --> 01:18:20,730

viral you know they would it was so

1793

01:18:25,850 --> 01:18:23,790

obvious in the sky for so long that I'm

1794

01:18:28,850 --> 01:18:25,860

sure there would be multiple witnesses

1795

01:18:30,890 --> 01:18:28,860

and you heard of nothing you know right

1796

01:18:33,620 --> 01:18:30,900

and that was said to be in Ohio I

1797

01:18:35,570 --> 01:18:33,630

believe or something like that right and

1798

01:18:39,290 --> 01:18:35,580

that was the one with the cloud was that

1799

01:18:41,780 --> 01:18:39,300

with the cloud okay yeah now there's the

1800

01:18:46,010 --> 01:18:41,790

thing about that now you see a lot of

1801

01:18:47,810 --> 01:18:46,020

most people never look up okay so when

1802

01:18:49,400 --> 01:18:47,820

when you have a sighting where there's

1803

01:18:51,560 --> 01:18:49,410

only like one or two people that's not

1804

01:18:53,000 --> 01:18:51,570

too uncommon because that just that fact

1805

01:18:54,709 --> 01:18:53,010

that people just don't look up in the

1806

01:18:56,780 --> 01:18:54,719

sky there when they're walking down the

1807

01:18:59,300 --> 01:18:56,790

street or they're usually looking down

1808

01:19:02,110 --> 01:18:59,310

you know and so they don't look up and

1809

01:19:04,430 --> 01:19:02,120

then if you are lucky enough to actually

1810

01:19:06,110 --> 01:19:04,440

videotape something you know the way

1811

01:19:08,060 --> 01:19:06,120

that that thing was like in the cloud or

1812

01:19:10,010 --> 01:19:08,070

whatever these things are never trying

1813

01:19:11,630 --> 01:19:10,020

to black broadcasts they're here yeah

1814

01:19:12,920 --> 01:19:11,640

and the way that the way that that thing

1815

01:19:14,690 --> 01:19:12,930

was it was like just kind of like

1816

01:19:17,060 --> 01:19:14,700

hanging in the cloud like hoping that no

1817

01:19:19,430 --> 01:19:17,070

one can see it you know type of the

1818

01:19:20,900 --> 01:19:19,440

thing so it didn't really if it is real

1819

01:19:24,410 --> 01:19:20,910

it looks like it was trying to

1820

01:19:26,510 --> 01:19:24,420

camouflage itself so there's a there's

1821

01:19:27,979 --> 01:19:26,520

someone in the one of the there's two

1822

01:19:30,020 --> 01:19:27,989

different chat rooms here one is on

1823

01:19:32,570 --> 01:19:30,030

skype and the other one is on the wet

1824

01:19:35,030 --> 01:19:32,580

our website but someone wrote that

1825

01:19:37,310 --> 01:19:35,040

because they were in pursuit of the

1826

01:19:40,040 --> 01:19:37,320

truth asking the right questions to

1827

01:19:45,020 --> 01:19:40,050

secure team 10 they banned them right

1828

01:19:46,340 --> 01:19:45,030

away from the YouTube channel well you

1829

01:19:48,470 --> 01:19:46,350

know they're gonna do that because

1830

01:19:51,830 --> 01:19:48,480

there's wet there's a lot of UFO

1831

01:19:53,600 --> 01:19:51,840

websites out there that flat out call

1832

01:19:55,220 --> 01:19:53,610

them hoaxers and have their videos on

1833

01:19:57,550 --> 01:19:55,230

their site and say this this is why

1834

01:20:00,229 --> 01:19:57,560

these guys are fakers a matter of fact

1835

01:20:02,510 --> 01:20:00,239

there's a website out there called UFO

1836

01:20:04,820 --> 01:20:02,520

theater calm that's dedicated to

1837

01:20:09,650 --> 01:20:04,830

exposing hoaxes and this blew me away

1838

01:20:13,310 --> 01:20:09,660

because back in 2006 I was contacted by

1839

01:20:15,830 --> 01:20:13,320

a guy that ran a website called UFO

1840

01:20:17,420 --> 01:20:15,840

theater calm it's the same website but

1841

01:20:19,910 --> 01:20:17,430

it's a totally different owner because

1842

01:20:23,780 --> 01:20:19,920

back then the guy that owned the site

1843

01:20:26,450 --> 01:20:23,790

pulled a hoax people the hoax on me

1844

01:20:29,000 --> 01:20:26,460

and what he did was he was like yeah

1845

01:20:30,620 --> 01:20:29,010

you're you know you know I'm gonna come

1846

01:20:32,450 --> 01:20:30,630

out to Phoenix and I want to do a sky

1847

01:20:34,280 --> 01:20:32,460

watch with you because you know you you

1848

01:20:36,710 --> 01:20:34,290

know you're known for this stuff and

1849

01:20:38,270 --> 01:20:36,720

famous for this stuff or whatever and so

1850

01:20:40,280 --> 01:20:38,280

I was like sure you know and so I was

1851
01:20:42,110 --> 01:20:40,290
kind of became friends with his website

1852
01:20:44,300 --> 01:20:42,120
and I had a banner to his website he had

1853
01:20:45,500 --> 01:20:44,310
a banner to mine and then the guy comes

1854
01:20:48,170 --> 01:20:45,510
out here

1855
01:20:49,970 --> 01:20:48,180
he lived in Texas by the way so he was

1856
01:20:52,370 --> 01:20:49,980
Santee I'm planning a trip to Arizona to

1857
01:20:54,980 --> 01:20:52,380
go skywatching with you and so we became

1858
01:20:57,560 --> 01:20:54,990
friends and and so on and then when he

1859
01:20:59,660 --> 01:20:57,570
came out to Phoenix we did a short

1860
01:21:01,550 --> 01:20:59,670
little Sky Watch I dropped him off at

1861
01:21:04,100 --> 01:21:01,560
his hotel room with his girlfriend and

1862
01:21:05,780 --> 01:21:04,110
then the next day he called me and he

1863
01:21:07,160 --> 01:21:05,790

goes oh you'll never believe what

1864

01:21:09,380 --> 01:21:07,170

happened when you dropped me off at my

1865

01:21:11,960 --> 01:21:09,390

hotel I got the most incredible UFO

1866

01:21:14,030 --> 01:21:11,970

footage in the world and so I said oh

1867

01:21:16,460 --> 01:21:14,040

really we'll bring it over to my house I

1868

01:21:21,500 --> 01:21:16,470

got to see this and so the guy's name

1869

01:21:23,030 --> 01:21:21,510

was Brian ascent and he come he came to

1870

01:21:25,130 --> 01:21:23,040

my house in the morning brought the

1871

01:21:27,500 --> 01:21:25,140

video I put it into my computer and

1872

01:21:30,680 --> 01:21:27,510

washed it and it was the most amazing

1873

01:21:33,050 --> 01:21:30,690

footage there was this light that showed

1874

01:21:34,910 --> 01:21:33,060

up over the mountain and then all of a

1875

01:21:37,760 --> 01:21:34,920

sudden or first it comes down from the

1876

01:21:39,740 --> 01:21:37,770

sky and stops and then glows and then

1877

01:21:42,050 --> 01:21:39,750

another light comes down from this from

1878

01:21:44,390 --> 01:21:42,060

the top and then it kind of docks with

1879

01:21:46,040 --> 01:21:44,400

that light and then another light comes

1880

01:21:49,810 --> 01:21:46,050

down and docks with it another until it

1881

01:21:53,780 --> 01:21:49,820

fell like six lights full form this

1882

01:21:57,050 --> 01:21:53,790

flower looking thing and and then it

1883

01:21:58,880 --> 01:21:57,060

like goes out totally goes out and I and

1884

01:22:01,490 --> 01:21:58,890

I'm thinking in my head like the first

1885

01:22:03,320 --> 01:22:01,500

thing I thought in my mind was this is

1886

01:22:06,350 --> 01:22:03,330

this isn't the most incredible footage

1887

01:22:09,590 --> 01:22:06,360

I've ever seen and this looks real this

1888

01:22:12,530 --> 01:22:09,600

looks like a real video and so right

1889

01:22:14,390 --> 01:22:12,540

away he had me going plus I apparently a

1890

01:22:16,850 --> 01:22:14,400

you know I'd been friends with them for

1891

01:22:18,650 --> 01:22:16,860

a few months after knowing the guy and

1892

01:22:21,110 --> 01:22:18,660

trusting them because because this site

1893

01:22:27,170 --> 01:22:21,120

had UFO videos all over and I trusted

1894

01:22:29,120 --> 01:22:27,180

the guy you know and so my second

1895

01:22:31,340 --> 01:22:29,130

thoughts were wait a minute how does

1896

01:22:34,070 --> 01:22:31,350

this guy come into town in two days get

1897

01:22:37,370 --> 01:22:34,080

the most incredible UFO footage in the

1898

01:22:38,720 --> 01:22:37,380

state of Arizona and I didn't I was like

1899

01:22:40,970 --> 01:22:38,730

this can't be there's something wrong

1900

01:22:42,500 --> 01:22:40,980

with this I mean I want to believe it I

1901

01:22:46,490 --> 01:22:42,510

want to trust the guy but at the same

1902

01:22:48,020 --> 01:22:46,500

time my you know my my brain saying this

1903

01:22:50,570 --> 01:22:48,030

isn't this is there's something wrong

1904

01:22:54,200 --> 01:22:50,580

with this picture here and so I knew

1905

01:22:58,430 --> 01:22:54,210

what to do okay we have Jim Daly COSO

1906

01:23:00,290 --> 01:22:58,440

and Phoenix Arizona and the Arizona news

1907

01:23:01,879 --> 01:23:00,300

channels they have him in their in their

1908

01:23:04,129 --> 01:23:01,889

back pocket they can use him whenever

1909

01:23:06,470 --> 01:23:04,139

they want so I told him you know what

1910

01:23:08,540 --> 01:23:06,480

you need to do Brian you need to take

1911

01:23:10,939 --> 01:23:08,550

this tape you need to go directly to

1912

01:23:13,910 --> 01:23:10,949

channel 3 and you need to put this on TV

1913

01:23:15,890 --> 01:23:13,920

and so I slowly set him up yeah I had

1914

01:23:17,120 --> 01:23:15,900

him go down there with the tape I knew

1915

01:23:19,939 --> 01:23:17,130

they were gonna pull Jim out of the

1916

01:23:22,070 --> 01:23:19,949

woodwork and they did the first day and

1917

01:23:23,750 --> 01:23:22,080

they did the broadcast on his amazing

1918

01:23:26,780 --> 01:23:23,760

footage with the guy and did an

1919

01:23:30,169 --> 01:23:26,790

interview with them and then they they

1920

01:23:32,899 --> 01:23:30,179

sent him packing and then they called in

1921

01:23:35,419 --> 01:23:32,909

Jim to do a second follow up on the

1922

01:23:37,760 --> 01:23:35,429

story to analyze the footage and Jim

1923

01:23:41,300 --> 01:23:37,770

blew it apart and found out it was

1924

01:23:43,550 --> 01:23:41,310

designed by a computer program and they

1925

01:23:45,740 --> 01:23:43,560

called the guy in for the interview the

1926

01:23:48,860 --> 01:23:45,750

second interview to come together with

1927

01:23:50,780 --> 01:23:48,870

Jim so Jim can confront him on the video

1928

01:23:51,890 --> 01:23:50,790

being fake and all the stuff and the guy

1929

01:23:55,010 --> 01:23:51,900

never showed up

1930

01:23:56,780 --> 01:23:55,020

so they totally yeah they totally took

1931

01:23:58,370 --> 01:23:56,790

it apart as a hoax and they in Jim

1932

01:24:00,950 --> 01:23:58,380

showed why it was a hoax on this

1933

01:24:02,479 --> 01:24:00,960

computer and and how it was generated

1934

01:24:04,220 --> 01:24:02,489

how the lights were generated and stuff

1935

01:24:07,100 --> 01:24:04,230

like by a computer program and all this

1936

01:24:09,169 --> 01:24:07,110

and so by this time it was blowing up on

1937

01:24:13,010 --> 01:24:09,179

coast to coast I am and on Jeff wrens

1938

01:24:15,200 --> 01:24:13,020

show and the footage was already blown

1939

01:24:17,930 --> 01:24:15,210

up because of the first broadcast on the

1940

01:24:21,500 --> 01:24:17,940

news as well as being on his website and

1941

01:24:23,090 --> 01:24:21,510

then like later the second part comes

1942

01:24:26,360 --> 01:24:23,100

out to it being a hoax and then it

1943

01:24:28,790 --> 01:24:26,370

really blew up it went crazy and so then

1944

01:24:32,149 --> 01:24:28,800

he now he's mad at me because he knows I

1945

01:24:33,830 --> 01:24:32,159

set him up to get you know for us to

1946

01:24:36,080 --> 01:24:33,840

find out what's going on here and we

1947

01:24:38,270 --> 01:24:36,090

found out it was a hoax so like a couple

1948

01:24:40,700 --> 01:24:38,280

weeks about a week later he finally

1949

01:24:42,229 --> 01:24:40,710

admits it he does an expose on a site

1950

01:24:44,479 --> 01:24:42,239

where he admits the whole thing as a

1951

01:24:46,669 --> 01:24:44,489

hoax and why he did it and then after

1952

01:24:49,640 --> 01:24:46,679

that the website goes offline it totally

1953

01:24:50,810 --> 01:24:49,650

disappears and then a couple months

1954

01:24:53,690 --> 01:24:50,820

later you know as

1955

01:24:55,790 --> 01:24:53,700

checking the domain name all of a sudden

1956

01:24:59,270 --> 01:24:55,800

the domain is parked and now it's owned

1957

01:25:01,670 --> 01:24:59,280

by somebody else and then now we look at

1958

01:25:03,920 --> 01:25:01,680

like 10 years later all of a sudden ten

1959

01:25:06,140 --> 01:25:03,930

years later the website comes back

1960

01:25:09,500 --> 01:25:06,150

online as you know it comes back online

1961

01:25:13,310 --> 01:25:09,510

UFO theater calm and now this websites

1962

01:25:15,560 --> 01:25:13,320

dedicated to exposing hoaxes and they

1963

01:25:19,310 --> 01:25:15,570

have a list of people that are hoaxing

1964

01:25:22,910 --> 01:25:19,320

that it's a secured team ten third phase

1965

01:25:25,430 --> 01:25:22,920

of the Moon and this is this guy that is

1966

01:25:27,740 --> 01:25:25,440

running the site now yeah I'd like when

1967

01:25:29,180 --> 01:25:27,750

it first popped up I was really blown

1968

01:25:31,100 --> 01:25:29,190

away I was like are you kidding me

1969

01:25:34,100 --> 01:25:31,110

is this guy back and now he's gonna

1970

01:25:37,040 --> 01:25:34,110

dedicate his ufology to exposing hoaxes

1971

01:25:38,600 --> 01:25:37,050

after he was the hoaxer and it turned

1972

01:25:40,190 --> 01:25:38,610

out that that wasn't the case it was

1973

01:25:42,470 --> 01:25:40,200

turned out that this guy bought that

1974

01:25:44,570 --> 01:25:42,480

domain only about the he knew about the

1975

01:25:46,610 --> 01:25:44,580

shady past of the domain and he was

1976

01:25:49,460 --> 01:25:46,620

going to try to make it good by by

1977

01:25:51,920 --> 01:25:49,470

making this domain dedicated to just

1978

01:25:53,990 --> 01:25:51,930

exposing hoaxes and so you know I had a

1979

01:25:55,400 --> 01:25:54,000

little chat with him and I was

1980

01:25:57,770 --> 01:25:55,410

completely blown away and that's when I

1981

01:26:00,650 --> 01:25:57,780

learned that yeah for third phase the

1982

01:26:02,720 --> 01:26:00,660

moon and secure team ten there's a

1983

01:26:04,190 --> 01:26:02,730

couple other ones on there that that

1984

01:26:06,500 --> 01:26:04,200

they claim are hoaxes and all these

1985

01:26:08,600 --> 01:26:06,510

videos you know and that's the sad part

1986

01:26:10,700 --> 01:26:08,610

it's like what if some of these videos

1987

01:26:13,150 --> 01:26:10,710

aren't hoax because people see him on

1988

01:26:17,810 --> 01:26:13,160

YouTube and send their real video to him

1989

01:26:20,840 --> 01:26:17,820

yeah you know that's that's so true now

1990

01:26:23,110 --> 01:26:20,850

what was his statement of why he hopes

1991

01:26:27,410 --> 01:26:23,120

that video before his website went down

1992

01:26:30,740 --> 01:26:27,420

well his his his whole thing on his ex

1993

01:26:34,010 --> 01:26:30,750

his expose that he posted about why he

1994

01:26:39,110 --> 01:26:34,020

did it was because he wanted to prove

1995

01:26:42,860 --> 01:26:39,120

that Jeff wrens his website will post

1996

01:26:45,260 --> 01:26:42,870

anything on UFOs without even knowing if

1997

01:26:47,900 --> 01:26:45,270

it's real or not so his his whole thing

1998

01:26:50,690 --> 01:26:47,910

was to attempt to try to discredit the

1999

01:26:53,720 --> 01:26:50,700

wrens website and in the Jeff around the

2000

01:26:56,780 --> 01:26:53,730

show that was his immediate goal his

2001

01:27:01,610 --> 01:26:56,790

other goal was also to prove that when

2002

01:27:03,290 --> 01:27:01,620

you buy UFO DVDs online that it could be

2003

01:27:04,430 --> 01:27:03,300

be all fake and that you just wasted

2004

01:27:06,470 --> 01:27:04,440

your money and that was

2005

01:27:09,020 --> 01:27:06,480

kind of a shot at me because a lot of us

2006

01:27:11,800 --> 01:27:09,030

that we're doing UFOs at the time we

2007

01:27:14,840 --> 01:27:11,810

were trying to come out with videotapes

2008

01:27:19,010 --> 01:27:14,850

DVDs to sell with our real footage on it

2009

01:27:21,709 --> 01:27:19,020

so basically it was his way of trying to

2010

01:27:23,390 --> 01:27:21,719

shoot everybody's real footage down by

2011

01:27:25,550 --> 01:27:23,400

saying oh you don't know what you're

2012

01:27:27,470 --> 01:27:25,560

buying now and now you can't trust my

2013

01:27:29,390 --> 01:27:27,480

footage how can you trust anybody else's

2014

01:27:31,640 --> 01:27:29,400

so now when you spend 20 bucks on a DVD

2015

01:27:34,340 --> 01:27:31,650

you may be getting completely fake

2016

01:27:37,640 --> 01:27:34,350

footage you know and so it seems like

2017

01:27:40,670 --> 01:27:37,650

ever since that case that our sales did

2018

01:27:42,130 --> 01:27:40,680

go down - and I don't want to try - yeah

2019

01:27:45,500 --> 01:27:42,140

I don't want to give him credit for

2020

01:27:47,450 --> 01:27:45,510

dropping DVD sales on UFOs across the

2021

01:27:50,180 --> 01:27:47,460

internet on everybody's website but it's

2022

01:27:54,080 --> 01:27:50,190

almost like it's that happen almost

2023

01:27:56,990 --> 01:27:54,090

because his site got like worldwide

2024

01:27:58,760 --> 01:27:57,000

national attention on Ranson on coast to

2025

01:28:01,670 --> 01:27:58,770

coast am at the time and then all of a

2026

01:28:04,430 --> 01:28:01,680

sudden it was proved to be a hoax you

2027

01:28:06,920 --> 01:28:04,440

know and so you know if people were

2028

01:28:10,130 --> 01:28:06,930

worried about buying DVDs after that

2029

01:28:13,610 --> 01:28:10,140

point it seemed like yeah yeah there's a

2030

01:28:15,950 --> 01:28:13,620

question up on the message board do you

2031

01:28:19,840 --> 01:28:15,960

connect early childhood experiences and

2032

01:28:23,810 --> 01:28:19,850

your ability to have these sightings

2033

01:28:28,459 --> 01:28:23,820

um well at first I did and now I I mean

2034

01:28:30,410 --> 01:28:28,469

I in a way I I do and I don't because I

2035

01:28:33,200 --> 01:28:30,420

think that if you've never had a UFO

2036

01:28:36,170 --> 01:28:33,210

sighting or if you've never had a UFO

2037

01:28:38,180 --> 01:28:36,180

alike abduction or alien experience or

2038

01:28:40,550 --> 01:28:38,190

whatever if you've never had either one

2039

01:28:42,590 --> 01:28:40,560

of those I believe that you can still go

2040

01:28:44,840 --> 01:28:42,600

out in your backyard during the middle

2041

01:28:46,910 --> 01:28:44,850

of the day and see these things up there

2042

01:28:49,939 --> 01:28:46,920

if you put the time and to look for him

2043

01:28:52,729 --> 01:28:49,949

okay and further in that question do you

2044

01:28:58,550 --> 01:28:52,739

have any other paranormal or Hayek's

2045

01:29:00,979 --> 01:28:58,560

high strangeness experiences oh yeah one

2046

01:29:03,770 --> 01:29:00,989

time I

2047

01:29:06,260 --> 01:29:03,780

well I'll just you know the one that

2048

01:29:11,560 --> 01:29:06,270

pops to the mind the most was I would

2049

01:29:18,350 --> 01:29:17,300

yeah a 2013 I was it was about maybe

2050

01:29:20,899 --> 01:29:18,360

like 5:00 in the

2051
01:29:22,609 --> 01:29:20,909
afternoon and preseason football had

2052
01:29:25,310 --> 01:29:22,619
just started so I was watching like the

2053
01:29:27,439 --> 01:29:25,320
very first preseason football game of

2054
01:29:29,149 --> 01:29:27,449
the year and I remember was like Douw

2055
01:29:31,000 --> 01:29:29,159
let's look at someone I can't really

2056
01:29:36,560 --> 01:29:31,010
remember who but I remember Dallas and

2057
01:29:39,080 --> 01:29:36,570
so I was lying there watching it and for

2058
01:29:40,399 --> 01:29:39,090
some reason I am I don't it's weird

2059
01:29:41,990 --> 01:29:40,409
because of like when you're watching a

2060
01:29:43,879 --> 01:29:42,000
game or watching something on TV that

2061
01:29:47,270 --> 01:29:43,889
you're interested in and all of sudden

2062
01:29:49,939 --> 01:29:47,280
Falls like go into like a half sleep

2063
01:29:52,550 --> 01:29:49,949

state doesn't really make sense to me

2064

01:29:54,350 --> 01:29:52,560

like why would I let myself drift off

2065

01:29:56,750 --> 01:29:54,360

like that and so that was kind of weird

2066

01:30:01,070 --> 01:29:56,760

so like all of a sudden I'm in this half

2067

01:30:02,720 --> 01:30:01,080

sleep half awake state and all the next

2068

01:30:05,419 --> 01:30:02,730

thing I know I'm completely paralyzed

2069

01:30:09,770 --> 01:30:05,429

I'm into that paralysis again and I

2070

01:30:13,070 --> 01:30:09,780

can't move at all and I am able to force

2071

01:30:15,530 --> 01:30:13,080

my eyelids open that's the only thing I

2072

01:30:17,810 --> 01:30:15,540

could only muscle on my body is that I

2073

01:30:20,870 --> 01:30:17,820

can move as my eyelids so I'm able to

2074

01:30:23,899 --> 01:30:20,880

open them and everything is fuzzy now

2075

01:30:25,550 --> 01:30:23,909

because I'm in this state and I can't

2076

01:30:27,379 --> 01:30:25,560

break out of it but I'm thinking in my

2077

01:30:29,300 --> 01:30:27,389

head well I'm paralyzed and I can't

2078

01:30:31,129 --> 01:30:29,310

break out of this but I can I just

2079

01:30:34,359 --> 01:30:31,139

managed to open my eyelids and I can see

2080

01:30:38,540 --> 01:30:34,369

so I see the TV still on and the fuzzy

2081

01:30:40,129 --> 01:30:38,550

pictures on and I can't really make out

2082

01:30:44,060 --> 01:30:40,139

the game because I'm in this state and

2083

01:30:47,930 --> 01:30:44,070

all of a sudden I see this what I well

2084

01:30:51,560 --> 01:30:47,940

the only way I can describe it is like a

2085

01:30:53,660 --> 01:30:51,570

U shaped like a woman's purse that is

2086

01:30:57,050 --> 01:30:53,670

like you shaped you know what I'm saying

2087

01:30:59,209 --> 01:30:57,060

like a U shaped purse handbag it look

2088

01:31:03,020 --> 01:30:59,219

like it was leather like a like a

2089

01:31:07,100 --> 01:31:03,030

leather texture and it had often like

2090

01:31:08,570 --> 01:31:07,110

octopus tentacles all over it all over

2091

01:31:11,410 --> 01:31:08,580

it it was then they were flipping

2092

01:31:12,590 --> 01:31:11,420

everywhere it had like I'd say like 20

2093

01:31:17,209 --> 01:31:12,600

octopus

2094

01:31:18,530 --> 01:31:17,219

like tentacles maybe you know 12 inches

2095

01:31:20,720 --> 01:31:18,540

long each one of them flipping all over

2096

01:31:24,800 --> 01:31:20,730

the place that crazy and it was all

2097

01:31:29,030 --> 01:31:24,810

attached to this u-shaped thing and this

2098

01:31:31,490 --> 01:31:29,040

thing was hovering about I'd say this

2099

01:31:32,300 --> 01:31:31,500

thing was literally hovering four feet

2100

01:31:34,850 --> 01:31:32,310

from me

2101

01:31:38,690 --> 01:31:34,860

me on to the left of the side of the bed

2102

01:31:41,990 --> 01:31:38,700

and it was hovering right over a case of

2103

01:31:44,870 --> 01:31:42,000

all of my DVDs all of my UFO footage

2104

01:31:48,680 --> 01:31:44,880

that's been dumped onto DVD storage and

2105

01:31:54,230 --> 01:31:48,690

I have like I have this this crate full

2106

01:31:55,280 --> 01:31:54,240

of DVDs in spools you know stacks of

2107

01:32:00,740 --> 01:31:55,290

them in there and this thing was

2108

01:32:03,260 --> 01:32:00,750

hovering right over that area and I saw

2109

01:32:04,700 --> 01:32:03,270

it like hovering over it for probably it

2110

01:32:08,930 --> 01:32:04,710

seemed like maybe three or four minutes

2111

01:32:10,340 --> 01:32:08,940

and then it disappeared and as soon as

2112

01:32:13,250 --> 01:32:10,350

it disappeared I was able to break free

2113

01:32:16,040 --> 01:32:13,260

of further paralysis and like blink my

2114

01:32:19,070 --> 01:32:16,050

eyes a little bit and rub them and look

2115

01:32:22,010 --> 01:32:19,080

again and see did I just see what I

2116

01:32:24,320 --> 01:32:22,020

thought I saw and feel how I just

2117

01:32:26,240 --> 01:32:24,330

thought I felt you know right like that

2118

01:32:28,550 --> 01:32:26,250

you know paralyzed and it was like it

2119

01:32:30,260 --> 01:32:28,560

you know the when these things come into

2120

01:32:33,920 --> 01:32:30,270

your presence or whatever they are they

2121

01:32:35,930 --> 01:32:33,930

have the ability to turn you off or shut

2122

01:32:38,540 --> 01:32:35,940

you off they an insulin and that is

2123

01:32:40,970 --> 01:32:38,550

described in all the UFO literature in

2124

01:32:43,310 --> 01:32:40,980

all the abduction stuff as well so it's

2125

01:32:45,590 --> 01:32:43,320

not just a sleep what the medical

2126

01:32:47,750 --> 01:32:45,600

community would call it just a sleep

2127

01:32:52,700 --> 01:32:47,760

paralysis where you've hallucinate

2128

01:32:54,170 --> 01:32:52,710

AddThis this is not the case you know

2129

01:32:56,000 --> 01:32:54,180

sleep paralysis that's a completely

2130

01:32:59,120 --> 01:32:56,010

different thing that's when you're in

2131

01:33:01,040 --> 01:32:59,130

the awake and asleep state and you

2132

01:33:03,650 --> 01:33:01,050

apparently you can't move or whatever

2133

01:33:05,210 --> 01:33:03,660

but you're not gonna see these things

2134

01:33:07,280 --> 01:33:05,220

through you're not gonna be able to open

2135

01:33:09,140 --> 01:33:07,290

up your eyelids and see forms and

2136

01:33:11,420 --> 01:33:09,150

figures and these things doing these

2137

01:33:12,560 --> 01:33:11,430

weird things that's you know your brain

2138

01:33:15,200 --> 01:33:12,570

doesn't work like that

2139

01:33:17,540 --> 01:33:15,210

you know I'm sorry but it's not gonna

2140

01:33:20,930 --> 01:33:17,550

make up fake stuff just because you're

2141

01:33:23,240 --> 01:33:20,940

in a sleep you're half in asleep and

2142

01:33:25,940 --> 01:33:23,250

half awake and it's you know what and

2143

01:33:28,340 --> 01:33:25,950

what does this what does scientists and

2144

01:33:32,870 --> 01:33:28,350

experts know about what sleep paralysis

2145

01:33:34,000 --> 01:33:32,880

is anyways right okay you know what I'm

2146

01:33:38,630 --> 01:33:34,010

saying

2147

01:33:39,950 --> 01:33:38,640

right right one of the things that came

2148

01:33:43,480 --> 01:33:39,960

to mind is when you're talking about

2149

01:33:45,960 --> 01:33:43,490

that the different objects that you see

2150

01:33:50,460 --> 01:33:45,970

how about orange orbs you heard

2151

01:33:53,460 --> 01:33:50,470

that a lot oh yeah a matter of fact we

2152

01:33:56,700 --> 01:33:53,470

had a case of flap we had what they call

2153

01:33:59,250 --> 01:33:56,710

a UFO flap here between the year 2000 in

2154

01:34:01,590 --> 01:33:59,260

the year 2003 where we had this red or

2155

01:34:06,480 --> 01:34:01,600

orange orb that was showing up in the

2156

01:34:10,140 --> 01:34:06,490

same time same area and and it was like

2157

01:34:13,050 --> 01:34:10,150

video taped by 10 or 12 different people

2158

01:34:14,310 --> 01:34:13,060

over a three-month period and sometimes

2159

01:34:18,060 --> 01:34:14,320

when it would show up but there would be

2160

01:34:20,010 --> 01:34:18,070

two of them like aside my side like not

2161

01:34:23,100 --> 01:34:20,020

close enough to where you would think

2162

01:34:25,920 --> 01:34:23,110

that it was one object with two lights

2163

01:34:27,990 --> 01:34:25,930

on the side but far enough away like

2164

01:34:30,030 --> 01:34:28,000

maybe a half a mile in between the

2165

01:34:31,770 --> 01:34:30,040

middle of each of these two things and

2166

01:34:35,100 --> 01:34:31,780

they would travel together at a slow

2167

01:34:36,330 --> 01:34:35,110

speed now a lot of them you know the

2168

01:34:39,990 --> 01:34:36,340

people thought all these are just

2169

01:34:41,880 --> 01:34:40,000

Chinese lanterns or it's a road flare

2170

01:34:44,910 --> 01:34:41,890

tied to a Mylar

2171

01:34:46,440 --> 01:34:44,920

or something like that and but it wasn't

2172

01:34:48,990 --> 01:34:46,450

that because when we zoom in on

2173

01:34:54,300 --> 01:34:49,000

high-power there was no smoke there was

2174

01:34:56,550 --> 01:34:54,310

no flickering like candle or flare type

2175

01:34:58,410 --> 01:34:56,560

of flickering it was like a solid glow

2176

01:35:01,310 --> 01:34:58,420

like an orb like you're saying like an

2177

01:35:04,200 --> 01:35:01,320

orange or like a glow you know and so

2178

01:35:05,970 --> 01:35:04,210

this went on for like you know on and

2179

01:35:07,980 --> 01:35:05,980

off like there was a good time period

2180

01:35:09,900 --> 01:35:07,990

there for a buddy one thought like the

2181

01:35:11,760 --> 01:35:09,910

first summer it happened it this thing

2182

01:35:14,940 --> 01:35:11,770

would show up maybe twice a week it was

2183

01:35:17,130 --> 01:35:14,950

pretty it was pretty punctual on its I

2184

01:35:19,590 --> 01:35:17,140

mean it was pretty consistent but then

2185

01:35:21,210 --> 01:35:19,600

after that summer it dropped off and

2186

01:35:23,790 --> 01:35:21,220

then the next year they would show up

2187

01:35:27,240 --> 01:35:23,800

sporadically like maybe once every three

2188

01:35:29,670 --> 01:35:27,250

weeks or something like that so yeah now

2189

01:35:31,980 --> 01:35:29,680

when you're doing this sky watch do you

2190

01:35:32,810 --> 01:35:31,990

always do it alone or sometimes you have

2191

01:35:35,460 --> 01:35:32,820

someone with you

2192

01:35:38,040 --> 01:35:35,470

well I normally do it alone unless we do

2193

01:35:40,200 --> 01:35:38,050

a group outing or if I have some people

2194

01:35:43,050 --> 01:35:40,210

that want to come by and take you know

2195

01:35:44,850 --> 01:35:43,060

do a sky watch with me what about night

2196

01:35:47,490 --> 01:35:44,860

vision do you ever get into that you I

2197

01:35:49,080 --> 01:35:47,500

know you said you filmed at night and it

2198

01:35:51,630 --> 01:35:49,090

was not a boring but do you ever get

2199

01:35:53,940 --> 01:35:51,640

into night vision as well well yeah I

2200

01:35:56,070 --> 01:35:53,950

got it I've gotten into night vision but

2201

01:35:59,460 --> 01:35:56,080

I don't have the equipment mm-hmm

2202

01:36:01,470 --> 01:35:59,470

basically I have I have a Sony camera

2203

01:36:03,690 --> 01:36:01,480

has night shot on it oh yes totally

2204

01:36:07,230 --> 01:36:03,700

which is totally different but it does

2205

01:36:10,550 --> 01:36:07,240

illuminate you know it's pretty good for

2206

01:36:16,620 --> 01:36:10,560

our video can't you know camera quality

2207

01:36:19,080 --> 01:36:16,630

right right of all the the footage that

2208

01:36:21,480 --> 01:36:19,090

you've taken or I should say everything

2209

01:36:25,260 --> 01:36:21,490

that you've seen is there something that

2210

01:36:26,880 --> 01:36:25,270

stands out is the most remarkable well

2211

01:36:28,920 --> 01:36:26,890

yeah there's a couple of them there's a

2212

01:36:30,600 --> 01:36:28,930

couple night pieces of footage there's

2213

01:36:33,540 --> 01:36:30,610

just one piece of footage on my side

2214

01:36:35,970 --> 01:36:33,550

that's labeled for twenty two thousand

2215

01:36:39,000 --> 01:36:35,980

six and that's when it was shot it was

2216

01:36:41,400 --> 01:36:39,010

you know and so what happens with this

2217

01:36:44,370 --> 01:36:41,410

piece of footage was really weird it

2218

01:36:48,270 --> 01:36:44,380

starts out as like two lights two

2219

01:36:51,090 --> 01:36:48,280

wharves at night and they're they're

2220

01:36:53,520 --> 01:36:51,100

just two like white orbs like in the

2221

01:36:55,470 --> 01:36:53,530

distance they don't look very far it

2222

01:36:59,040 --> 01:36:55,480

looks like within about a mile away and

2223

01:37:00,600 --> 01:36:59,050

then you see these two orbs for about 30

2224

01:37:02,460 --> 01:37:00,610

seconds and then all of a sudden one

2225

01:37:05,760 --> 01:37:02,470

just kind of dims out where there's only

2226

01:37:08,280 --> 01:37:05,770

like one and then that one gets kind of

2227

01:37:10,800 --> 01:37:08,290

closer and closer and closer and then

2228

01:37:15,030 --> 01:37:10,810

all of a sudden you'll see like it

2229

01:37:16,650 --> 01:37:15,040

shooting orbs out of it like like one at

2230

01:37:18,240 --> 01:37:16,660

a time and they're going and it's not

2231

01:37:21,840 --> 01:37:18,250

shooting them down and shooting them up

2232

01:37:24,000 --> 01:37:21,850

out of the top of it and so these four

2233

01:37:26,340 --> 01:37:24,010

or five lights that come out of it it

2234

01:37:28,830 --> 01:37:26,350

turns into like a triangular shape and

2235

01:37:32,130 --> 01:37:28,840

then the top of where the triangular is

2236

01:37:34,470 --> 01:37:32,140

turns red like flashes like it doesn't

2237

01:37:36,060 --> 01:37:34,480

like flash red it kind of just gets like

2238

01:37:39,450 --> 01:37:36,070

really bright red and then kind of dims

2239

01:37:41,520 --> 01:37:39,460

down and then after seeing this for

2240

01:37:45,630 --> 01:37:41,530

about a minute more the whole thing just

2241

01:37:48,270 --> 01:37:45,640

completely shuts off and so yeah it was

2242

01:37:50,730 --> 01:37:48,280

that's a doozy that one and then there

2243

01:37:52,350 --> 01:37:50,740

was another one that a piece of footage

2244

01:37:54,150 --> 01:37:52,360

that I've shot that's on a ton of

2245

01:37:57,120 --> 01:37:54,160

different V on a ton of different

2246

01:37:59,820 --> 01:37:57,130

television programs that I'm on and they

2247

01:38:07,040 --> 01:37:59,830

always loved to use it and it's this one

2248

01:38:11,160 --> 01:38:07,050

was it was I think it was the May 12th

2249

01:38:12,780 --> 01:38:11,170

2005 I believe it is yeah and what

2250

01:38:13,530 --> 01:38:12,790

happens here is it's like a Twilight

2251

01:38:16,800 --> 01:38:13,540

shot

2252

01:38:19,830 --> 01:38:16,810

and you've probably seen it it was like

2253

01:38:21,270 --> 01:38:19,840

a like almost sunset and you'll see like

2254

01:38:23,910 --> 01:38:21,280

all of a sudden we're doing an interview

2255

01:38:25,590 --> 01:38:23,920

okay this is the funny thing we were we

2256

01:38:29,520 --> 01:38:25,600

met with the guy that had been seeing

2257

01:38:31,620 --> 01:38:29,530

some UFO do beautiful UFOs in the area

2258

01:38:33,630 --> 01:38:31,630

and he actually shot his own video of

2259

01:38:35,370 --> 01:38:33,640

some UFO footage that he you know he's

2260

01:38:37,680 --> 01:38:35,380

been adding sightings over and over for

2261

01:38:39,300 --> 01:38:37,690

the last couple months and so we meet

2262

01:38:42,060 --> 01:38:39,310

him at the mountain where he's you know

2263

01:38:44,700 --> 01:38:42,070

sees a lot of his footage and we're

2264

01:38:49,110 --> 01:38:44,710

doing an interview and all of a sudden

2265

01:38:51,150 --> 01:38:49,120

it shows up and the funny thing about it

2266

01:38:53,550 --> 01:38:51,160

is is I already had the camera rolling

2267

01:38:56,640 --> 01:38:53,560

because we were taping him talking on

2268

01:38:58,620 --> 01:38:56,650

his interview so like we had him on one

2269

01:39:00,510 --> 01:38:58,630

camera we're shooting him on two

2270

01:39:01,860 --> 01:39:00,520

different cameras because we were you

2271

01:39:04,170 --> 01:39:01,870

know we wanted to get the different

2272

01:39:07,650 --> 01:39:04,180

camera angles and so I at the moment

2273

01:39:10,200 --> 01:39:07,660

that he's on the one camera and I have

2274

01:39:12,090 --> 01:39:10,210

the other camera I don't have that one

2275

01:39:14,070 --> 01:39:12,100

camera on him because the other camera

2276

01:39:17,790 --> 01:39:14,080

was covering him and I have it just over

2277

01:39:19,470 --> 01:39:17,800

to to the side just a little bit and so

2278

01:39:21,720 --> 01:39:19,480

it's not yeah he's not in the view and

2279

01:39:24,450 --> 01:39:21,730

all of a sudden right in the middle of

2280

01:39:26,460 --> 01:39:24,460

the screen of my camera that's already

2281

01:39:29,400 --> 01:39:26,470

on record that's where the when the UFO

2282

01:39:31,890 --> 01:39:29,410

shows up right there right it just

2283

01:39:34,890 --> 01:39:31,900

blinked on right in the middle of my my

2284

01:39:38,190 --> 01:39:34,900

camera frame and and as I'm looking I

2285

01:39:40,170 --> 01:39:38,200

see it right away and so like right off

2286

01:39:41,850 --> 01:39:40,180

that bat you hear me I say I got a

2287

01:39:45,420 --> 01:39:41,860

serious the lights I got it I got it and

2288

01:39:48,510 --> 01:39:45,430

so i zoom in on it and it's four lights

2289

01:39:51,750 --> 01:39:48,520

and what's weird what what was bizarre

2290

01:39:54,510 --> 01:39:51,760

is that the light on the far right

2291

01:39:57,630 --> 01:39:54,520

disappears and then a new light appears

2292

01:39:59,850 --> 01:39:57,640

on the far left of the original three

2293

01:40:01,380 --> 01:39:59,860

that were you know on the left-hand side

2294

01:40:03,690 --> 01:40:01,390

of it so this thing appears to be

2295

01:40:06,120 --> 01:40:03,700

skipping across sky and now the new

2296

01:40:09,240 --> 01:40:06,130

light that's on the right that took its

2297

01:40:10,920 --> 01:40:09,250

place disappears and then a new light

2298

01:40:13,320 --> 01:40:10,930

shows up on the left and this happens

2299

01:40:15,090 --> 01:40:13,330

like three or four times on each light

2300

01:40:18,060 --> 01:40:15,100

so it's like skipping across the sky and

2301

01:40:20,790 --> 01:40:18,070

like a weird like ricochet skipping

2302

01:40:27,570 --> 01:40:20,800

pattern deal and it was like really

2303

01:40:32,940 --> 01:40:27,580

weird and there was a like a small like

2304

01:40:35,250 --> 01:40:32,950

like thin cloud above these UFOs and so

2305

01:40:36,450 --> 01:40:35,260

we would be able to tell if it was a

2306

01:40:38,790 --> 01:40:36,460

flare me and dropped from an airplane

2307

01:40:41,400 --> 01:40:38,800

because there was no planes above them

2308

01:40:43,920 --> 01:40:41,410

dropping anything and so all of a sudden

2309

01:40:46,050 --> 01:40:43,930

these lights disappear and then like two

2310

01:40:48,480 --> 01:40:46,060

seconds later you'll see a light show up

2311

01:40:50,670 --> 01:40:48,490

on the far left and maybe like a mile

2312

01:40:52,860 --> 01:40:50,680

away from the original sequence within

2313

01:40:55,200 --> 01:40:52,870

like one second so it's almost like it

2314

01:40:58,230 --> 01:40:55,210

hyper jumped like after it disappeared

2315

01:41:00,870 --> 01:40:58,240

hyper jumped over here and it shows up

2316

01:41:02,850 --> 01:41:00,880

so I got that all on one frame and

2317

01:41:05,010 --> 01:41:02,860

you're probably you know or all on one

2318

01:41:08,340 --> 01:41:05,020

catch and I'm sure you're familiar with

2319

01:41:09,990 --> 01:41:08,350

that piece of footage that I don't know

2320

01:41:12,570 --> 01:41:10,000

if you've seen it but I think so yeah

2321

01:41:14,550 --> 01:41:12,580

yeah it's it's a matter of fact okay so

2322

01:41:17,430 --> 01:41:14,560

after I shot that shoot the footage I

2323

01:41:19,530 --> 01:41:17,440

sent it to art bell immediately that

2324

01:41:21,030 --> 01:41:19,540

same that's very next day or the same

2325

01:41:23,400 --> 01:41:21,040

night even I don't know I think it was

2326

01:41:25,080 --> 01:41:23,410

the next day or whatever it may have

2327

01:41:27,210 --> 01:41:25,090

been that same night but I believe it

2328

01:41:29,850 --> 01:41:27,220

was the next day I sent an email to him

2329

01:41:32,850 --> 01:41:29,860

and art called me right after I got it

2330

01:41:34,290 --> 01:41:32,860

and I wasn't home but I was home but I

2331

01:41:36,690 --> 01:41:34,300

was in the other room so I didn't hear

2332

01:41:40,260 --> 01:41:36,700

the phone ring so the answer machine got

2333

01:41:42,300 --> 01:41:40,270

it and so I knew someone called so I was

2334

01:41:44,730 --> 01:41:42,310

I went out there to I press play and I

2335

01:41:48,270 --> 01:41:44,740

hear art on the on the voicemail he was

2336

01:41:51,840 --> 01:41:48,280

saying st. Jeff this is our Bell calling

2337

01:41:54,120 --> 01:41:51,850

you are you there and then he's then he

2338

01:41:58,830 --> 01:41:54,130

says are you there and then he says

2339

01:42:01,920 --> 01:41:58,840

hello Jeff Thanks I was like oh gosh and

2340

01:42:03,690 --> 01:42:01,930

so I know that voice yeah yeah so I call

2341

01:42:05,670 --> 01:42:03,700

him back and he's like you want you

2342

01:42:07,140 --> 01:42:05,680

ready to go on the air with this I was

2343

01:42:12,060 --> 01:42:07,150

like yeah of course

2344

01:42:14,820 --> 01:42:12,070

Wow and so I was cool so after that you

2345

01:42:17,700 --> 01:42:14,830

know show featured that piece of footage

2346

01:42:20,250 --> 01:42:17,710

I got calls from sci-fi channel they

2347

01:42:23,370 --> 01:42:20,260

wanted to put me on factor factor fake

2348

01:42:26,190 --> 01:42:23,380

so I was on the very first episode

2349

01:42:28,470 --> 01:42:26,200

if season 1 episode 1 of fact or faked

2350

01:42:31,200 --> 01:42:28,480

oh yeah where yes and that's where that

2351

01:42:32,670 --> 01:42:31,210

yeah and so that's one of the shows

2352

01:42:34,830 --> 01:42:32,680

where you probably saw that piece of

2353

01:42:37,140 --> 01:42:34,840

footage and what they even did was in

2354

01:42:39,780 --> 01:42:37,150

that first season a factor faked

2355

01:42:41,280 --> 01:42:39,790

they actually incorporated my piece of

2356

01:42:43,740 --> 01:42:41,290

footage into the beguine

2357

01:42:45,390 --> 01:42:43,750

sequence of the opening of the show

2358

01:42:46,560 --> 01:42:45,400

right like you'll see a bunch of

2359

01:42:49,010 --> 01:42:46,570

different footage and then you'll see

2360

01:42:51,480 --> 01:42:49,020

mine there and you'll hear my voice and

2361

01:42:53,250 --> 01:42:51,490

so that was kind of cool and so what

2362

01:42:55,200 --> 01:42:53,260

they did was as they tried to fake the

2363

01:42:58,170 --> 01:42:55,210

footage to see if they can duplicate it

2364

01:42:59,850 --> 01:42:58,180

and it didn't work yeah and so so then

2365

01:43:01,530 --> 01:42:59,860

they tried another experiment where they

2366

01:43:04,260 --> 01:43:01,540

tried to fake it and it didn't work and

2367

01:43:06,720 --> 01:43:04,270

so their third attempt was to have a

2368

01:43:09,390 --> 01:43:06,730

nighttime investigation and during that

2369

01:43:12,150 --> 01:43:09,400

nighttime investigation they had a UFO

2370

01:43:14,040 --> 01:43:12,160

sighting in the same place where I had

2371

01:43:17,370 --> 01:43:14,050

mine so kind of backed up my story and

2372

01:43:19,620 --> 01:43:17,380

then on top of that they took my voice

2373

01:43:23,280 --> 01:43:19,630

which I didn't know they were gonna do

2374

01:43:25,530 --> 01:43:23,290

they took an audio clip of my voice when

2375

01:43:28,020 --> 01:43:25,540

I was describing what I saw and what my

2376

01:43:31,080 --> 01:43:28,030

sighting and they took that that my

2377

01:43:33,060 --> 01:43:31,090

voice and they put it in a test which

2378

01:43:36,840 --> 01:43:33,070

the Sheriff's Department uses which is a

2379

01:43:40,230 --> 01:43:36,850

voice test it's a stress test analysis

2380

01:43:42,390 --> 01:43:40,240

and this will prove whether all your a

2381

01:43:44,610 --> 01:43:42,400

person's voice is telling the truth or

2382

01:43:46,910 --> 01:43:44,620

they're lying or whatever and I passed

2383

01:43:49,350 --> 01:43:46,920

on flying colors that my story was real

2384

01:43:51,420 --> 01:43:49,360

and so they showed that at the end of

2385

01:43:53,970 --> 01:43:51,430

the clip of the factor fake two they

2386

01:43:56,550 --> 01:43:53,980

said not only did we not war and we not

2387

01:43:58,230 --> 01:43:56,560

able to duplicate what he shot but we

2388

01:44:00,180 --> 01:43:58,240

had our own sighting that night during

2389

01:44:03,570 --> 01:44:00,190

our night investigation and on top of

2390

01:44:05,700 --> 01:44:03,580

that our analysis on his story comes out

2391

01:44:09,690 --> 01:44:05,710

conclusive that he told the truth

2392

01:44:12,960 --> 01:44:09,700

I remember that whole episode yeah I've

2393

01:44:15,660 --> 01:44:12,970

watched them all yeah and so they also

2394

01:44:18,090 --> 01:44:15,670

used the footage that same clip they

2395

01:44:20,300 --> 01:44:18,100

used it on the opening of that movie

2396

01:44:22,890 --> 01:44:20,310

race to Witch Mountain with the rock and

2397

01:44:24,600 --> 01:44:22,900

at the beginning of that movie race

2398

01:44:26,190 --> 01:44:24,610

twitch Mountain they have a bunch of UFO

2399

01:44:28,500 --> 01:44:26,200

clips at the very beginning of the movie

2400

01:44:30,840 --> 01:44:28,510

and they sandwiched that one in with

2401

01:44:35,010 --> 01:44:30,850

about five or six other ones that I had

2402

01:44:37,530 --> 01:44:35,020

shot so they basically licensed maybe

2403

01:44:39,750 --> 01:44:37,540

five or six shots from me to go into the

2404

01:44:41,610 --> 01:44:39,760

opening sequence sandwiched in with

2405

01:44:43,770 --> 01:44:41,620

about 50 other clips that other people

2406

01:44:46,710 --> 01:44:43,780

shot and they odd that and that same

2407

01:44:53,490 --> 01:44:46,720

clip was also used on on another show

2408

01:44:55,290 --> 01:44:53,500

that I was on called it was called it

2409

01:44:58,680 --> 01:44:55,300

was on it was a sci-fi show

2410

01:45:00,990 --> 01:44:58,690

and it featured the son of Gilligan from

2411

01:45:05,130 --> 01:45:01,000

Gilligan's Island the son of him his

2412

01:45:08,190 --> 01:45:05,140

name's Patrick Denver and this show this

2413

01:45:10,470 --> 01:45:08,200

show was called X testers I don't know

2414

01:45:13,470 --> 01:45:10,480

if you're it only remit was like four

2415

01:45:16,380 --> 01:45:13,480

episodes they they recorded I think they

2416

01:45:18,990 --> 01:45:16,390

did like eight episodes but they like

2417

01:45:20,490 --> 01:45:19,000

they released the first four shows and I

2418

01:45:22,170 --> 01:45:20,500

guess I didn't get enough watches so the

2419

01:45:25,380 --> 01:45:22,180

rest of the episodes were shelved or

2420

01:45:27,570 --> 01:45:25,390

whatever and this ran on Discovery

2421

01:45:30,330 --> 01:45:27,580

Channel and so it was on that show and

2422

01:45:35,340 --> 01:45:30,340

then it was also on ancient aliens

2423

01:45:37,710 --> 01:45:35,350

showed a clip of it and a few other

2424

01:45:40,770 --> 01:45:37,720

shows I think best evidence caught on

2425

01:45:44,040 --> 01:45:40,780

tape the bob caveat special that was on

2426

01:45:45,720 --> 01:45:44,050

that show as well and so yeah it's been

2427

01:45:48,660 --> 01:45:45,730

on a ton of demo really made the rounds

2428

01:45:52,580 --> 01:45:48,670

oh yeah Shane has a couple questions on

2429

01:45:54,990 --> 01:45:52,590

the message board for you do you ever

2430

01:46:00,240 --> 01:45:55,000

capture things that you would consider

2431

01:46:02,160 --> 01:46:00,250

might be military technology yeah all

2432

01:46:03,660 --> 01:46:02,170

the time a lot of the ones well let's

2433

01:46:06,270 --> 01:46:03,670

see that's the thing there's a lot of

2434

01:46:08,370 --> 01:46:06,280

times when you videotape what you think

2435

01:46:11,370 --> 01:46:08,380

is like you know those hockey puck

2436

01:46:14,840 --> 01:46:11,380

shaped UFOs or the round orb ones the

2437

01:46:20,660 --> 01:46:14,850

daylight ones like a lot of the metallic

2438

01:46:23,430 --> 01:46:20,670

a lot of the metallic high altitude

2439

01:46:25,680 --> 01:46:23,440

stuff that falls into that category like

2440

01:46:27,810 --> 01:46:25,690

hockey puck shaped orb shape that's up

2441

01:46:30,210 --> 01:46:27,820

there a lot of that could fall into that

2442

01:46:35,250 --> 01:46:30,220

category as some type of military probe

2443

01:46:37,380 --> 01:46:35,260

or a military vehicle secret project or

2444

01:46:39,450 --> 01:46:37,390

something because you know when it's

2445

01:46:41,610 --> 01:46:39,460

that high up you can't really tell how

2446

01:46:44,700 --> 01:46:41,620

big it is and the all's you really have

2447

01:46:47,400 --> 01:46:44,710

is like an estimation of like you think

2448

01:46:50,040 --> 01:46:47,410

to yourself like you know if I parked in

2449

01:46:52,500 --> 01:46:50,050

a parking lot and I walked a couple like

2450

01:46:54,930 --> 01:46:52,510

five hundred feet away from my car and

2451

01:46:56,520 --> 01:46:54,940

look at it it's gonna be tiny it's gonna

2452

01:46:58,590 --> 01:46:56,530

be you can like take your two fingers

2453

01:47:01,290 --> 01:46:58,600

and like kind of put it in between them

2454

01:47:02,700 --> 01:47:01,300

and kind of measure it that way and you

2455

01:47:04,590 --> 01:47:02,710

have to do the same thing with something

2456

01:47:06,840 --> 01:47:04,600

way way high up in the sky you know like

2457

01:47:08,220 --> 01:47:06,850

on like a 747 or a plane it's gonna look

2458

01:47:09,600 --> 01:47:08,230

tiny up there but when you're standing

2459

01:47:13,020 --> 01:47:09,610

right next to it at the airport you

2460

01:47:14,550 --> 01:47:13,030

so you got to kind of figure out the you

2461

01:47:17,879 --> 01:47:14,560

know dimensions of these things and it

2462

01:47:19,770 --> 01:47:17,889

could be hard when they're so high but

2463

01:47:23,970 --> 01:47:19,780

that's how you rule out that it can't be

2464

01:47:26,399 --> 01:47:23,980

a balloon or a you know a cotton ball or

2465

01:47:28,109 --> 01:47:26,409

something high up there because if it's

2466

01:47:30,000 --> 01:47:28,119

that high you're not going to be able to

2467

01:47:31,740 --> 01:47:30,010

see a tiny you know something that's

2468

01:47:33,870 --> 01:47:31,750

small you know it's gonna be like a

2469

01:47:35,760 --> 01:47:33,880

little pin dot up there compared to

2470

01:47:37,439 --> 01:47:35,770

these other things that are bigger so

2471

01:47:40,410 --> 01:47:37,449

this thing has to be the size of a

2472

01:47:42,629 --> 01:47:40,420

suburban or three cars put together or

2473

01:47:44,580 --> 01:47:42,639

something like that you know so anything

2474

01:47:46,890 --> 01:47:44,590

in that range that's bigger that you

2475

01:47:48,330 --> 01:47:46,900

would conceive of when you're looking at

2476

01:47:50,700 --> 01:47:48,340

it is this thing is bigger than a

2477

01:47:53,459 --> 01:47:50,710

balloon you know anything like that

2478

01:47:56,580 --> 01:47:53,469

could be you know it's fair game for

2479

01:47:57,959 --> 01:47:56,590

military you know secret projects or the

2480

01:47:59,340 --> 01:47:57,969

extra-terrestrial UFO

2481

01:48:01,260 --> 01:47:59,350

you know you really don't know I mean

2482

01:48:03,060 --> 01:48:01,270

unless the thing lands and people get

2483

01:48:04,350 --> 01:48:03,070

out and this you know our aliens get out

2484

01:48:07,859 --> 01:48:04,360

or whatever that's the only way you're

2485

01:48:10,709 --> 01:48:07,869

gonna ever know now Shane also asked if

2486

01:48:13,709 --> 01:48:10,719

you ever considered streaming your sky

2487

01:48:16,590 --> 01:48:13,719

watching I wonder if you could do that

2488

01:48:20,970 --> 01:48:16,600

but it seems like that there's so much

2489

01:48:23,490 --> 01:48:20,980

downtime that you can't well we did we

2490

01:48:26,689 --> 01:48:23,500

have done it and we did do it

2491

01:48:29,399 --> 01:48:26,699

but a way you know and you're right it's

2492

01:48:31,950 --> 01:48:29,409

it is there is a little a lot of time

2493

01:48:33,930 --> 01:48:31,960

down time but that during the point that

2494

01:48:37,050 --> 01:48:33,940

we were doing it it was during that flap

2495

01:48:39,330 --> 01:48:37,060

that that you know the UFO was you know

2496

01:48:42,780 --> 01:48:39,340

coming like 2 or 3 times a week so we

2497

01:48:45,300 --> 01:48:42,790

knew between 7:30 at 9 o'clock this

2498

01:48:46,680 --> 01:48:45,310

thing's going to show up 3 days out of

2499

01:48:48,240 --> 01:48:46,690

the week you know this thing was very

2500

01:48:51,660 --> 01:48:48,250

consistent so that's when we were doing

2501
01:48:53,609 --> 01:48:51,670
our lives casts and you know as soon as

2502
01:48:55,530 --> 01:48:53,619
the flap stopped we stopped doing the

2503
01:48:59,220 --> 01:48:55,540
sky watches because it's like you said

2504
01:49:01,140 --> 01:48:59,230
it's just you know just it be just like

2505
01:49:02,910 --> 01:49:01,150
staring and looking at you know four

2506
01:49:05,430 --> 01:49:02,920
hours at nothing until finally something

2507
01:49:07,379 --> 01:49:05,440
showed up so in place of that doing the

2508
01:49:08,939 --> 01:49:07,389
live sky watchers now we'll do the live

2509
01:49:10,500 --> 01:49:08,949
sky watchers again if we run into

2510
01:49:12,209 --> 01:49:10,510
another flap where the things coming

2511
01:49:14,250 --> 01:49:12,219
back over and over and over we'll try to

2512
01:49:16,709 --> 01:49:14,260
get it alive but see what we've done

2513
01:49:19,379 --> 01:49:16,719

instead of that because if you go to

2514

01:49:22,229 --> 01:49:19,389

UFOs or Phoenix comm my website you'll

2515

01:49:23,040 --> 01:49:22,239

see Sky Watch cameras that are live that

2516

01:49:26,549 --> 01:49:23,050

are there

2517

01:49:28,950 --> 01:49:26,559

and these are these are cameras that are

2518

01:49:31,439 --> 01:49:28,960

set up around Phoenix that are

2519

01:49:33,359 --> 01:49:31,449

broadcasting live and I've just put the

2520

01:49:35,819 --> 01:49:33,369

direct links on my website so if you

2521

01:49:38,459 --> 01:49:35,829

click it the camera box will open up and

2522

01:49:41,129 --> 01:49:38,469

you'll get to see a live video of four

2523

01:49:43,979 --> 01:49:41,139

or five different cams around Phoenix

2524

01:49:45,660 --> 01:49:43,989

and so they're there they're connected

2525

01:49:47,669 --> 01:49:45,670

with other websites but we put him on

2526

01:49:49,290 --> 01:49:47,679

our website so you don't have to go to

2527

01:49:50,910 --> 01:49:49,300

the other website to open them you just

2528

01:49:52,799 --> 01:49:50,920

click the camera it opens right on our

2529

01:49:54,569 --> 01:49:52,809

website like it's our own cameras all

2530

01:49:57,030 --> 01:49:54,579

over the way all over the valley you

2531

01:49:59,129 --> 01:49:57,040

know and so and you know that's thought

2532

01:50:01,049 --> 01:49:59,139

that what we've done for live sky

2533

01:50:03,990 --> 01:50:01,059

watching cameras that we is we've put

2534

01:50:06,660 --> 01:50:04,000

some some Mountain cameras up there from

2535

01:50:08,129 --> 01:50:06,670

Phoenix different Phoenix live sources

2536

01:50:10,290 --> 01:50:08,139

uh-huh I see

2537

01:50:15,620 --> 01:50:10,300

now have you ever thought about using

2538

01:50:19,140 --> 01:50:15,630

any other type of equipment along in

2539

01:50:21,950 --> 01:50:19,150

concert with video in other words some

2540

01:50:24,990 --> 01:50:21,960

type of detection or anything like that

2541

01:50:28,109 --> 01:50:25,000

well yeah I mean well you know I've

2542

01:50:30,000 --> 01:50:28,119

thought about it a lot but you know what

2543

01:50:31,290 --> 01:50:30,010

you know we don't really you know look

2544

01:50:33,510 --> 01:50:31,300

we don't even have the money really to

2545

01:50:36,810 --> 01:50:33,520

get night vision you know really so

2546

01:50:39,530 --> 01:50:36,820

we're running on you know a shoestring

2547

01:50:42,330 --> 01:50:39,540

budget and like on our website we have

2548

01:50:44,100 --> 01:50:42,340

you know we have a donate button there

2549

01:50:46,470 --> 01:50:44,110

for people that want to help us you know

2550

01:50:49,589 --> 01:50:46,480

to donate money to help us keep our our

2551
01:50:51,629 --> 01:50:49,599
footage on the line our website it's

2552
01:50:54,240 --> 01:50:51,639
going in all of our you know hosting

2553
01:50:55,950 --> 01:50:54,250
paid for and like I was telling you

2554
01:50:57,689 --> 01:50:55,960
before we had our movies streams up

2555
01:51:00,950 --> 01:50:57,699
there live that people can like watch

2556
01:51:03,810 --> 01:51:00,960
him but we didn't get enough for that

2557
01:51:05,609 --> 01:51:03,820
enough watches to keep it on you know to

2558
01:51:08,660 --> 01:51:05,619
keep it hosted but instead we have our

2559
01:51:11,189 --> 01:51:08,670
DVDs on there where if you buy a DVD

2560
01:51:13,350 --> 01:51:11,199
there you know they're they're like 20

2561
01:51:15,959 --> 01:51:13,360
bucks if you buy one you'll get the DVD

2562
01:51:17,910 --> 01:51:15,969
and it only cost you know probably like

2563
01:51:19,500 --> 01:51:17,920

you know three dollars to ship it and

2564

01:51:22,109 --> 01:51:19,510

then it cost me probably another five

2565

01:51:25,189 --> 01:51:22,119

bucks to make it so whatever profit I

2566

01:51:28,680 --> 01:51:25,199

have leftover goes to hosting or goes to

2567

01:51:30,930 --> 01:51:28,690

new equipment or you know I have a can I

2568

01:51:32,600 --> 01:51:30,940

have a high eight camera it still takes

2569

01:51:35,609 --> 01:51:32,610

high eight tapes you know I have the old

2570

01:51:36,990 --> 01:51:35,619

one and then I have a brand new camera

2571

01:51:39,090 --> 01:51:37,000

that is a hard drive

2572

01:51:41,940 --> 01:51:39,100

camera so it captures everything on the

2573

01:51:43,350 --> 01:51:41,950

cameras memory like a computer and then

2574

01:51:45,270 --> 01:51:43,360

you can dump it on your computer later

2575

01:51:47,040 --> 01:51:45,280

so I have the best of the new stuff and

2576

01:51:49,500 --> 01:51:47,050

I have the best of the the old stuff but

2577

01:51:53,160 --> 01:51:49,510

you know what you know I'd love to get

2578

01:51:55,730 --> 01:51:53,170

some night-vision telescopes you know a

2579

01:51:58,320 --> 01:51:55,740

night-vision cameras a night-vision

2580

01:52:00,150 --> 01:51:58,330

stuff and you know you know if I had a

2581

01:52:02,070 --> 01:52:00,160

bunch of money I would be able to dump

2582

01:52:06,930 --> 01:52:02,080

more money into it and you know they

2583

01:52:08,310 --> 01:52:06,940

have these UFO detective detectors and

2584

01:52:11,430 --> 01:52:08,320

stuff like they have all sorts of

2585

01:52:13,920 --> 01:52:11,440

strange stuff on the internet now now

2586

01:52:16,800 --> 01:52:13,930

there's actually some some people really

2587

01:52:20,010 --> 01:52:16,810

looking deeply into doing that we had a

2588

01:52:23,130 --> 01:52:20,020

talk last week about that someone posted

2589

01:52:26,820 --> 01:52:23,140

on the Skype message board that if you

2590

01:52:29,880 --> 01:52:26,830

watch eBay you can pick up some night

2591

01:52:32,670 --> 01:52:29,890

vision as low as \$200 if you keep your

2592

01:52:35,460 --> 01:52:32,680

eye on eBay someone else on the other

2593

01:52:37,350 --> 01:52:35,470

message board wants to know is this a

2594

01:52:39,060 --> 01:52:37,360

full-time thing you do or do you

2595

01:52:41,100 --> 01:52:39,070

actually have a job where you work and

2596

01:52:45,030 --> 01:52:41,110

then you do this like as a passion hobby

2597

01:52:47,220 --> 01:52:45,040

type thing yeah I do it you know I have

2598

01:52:49,710 --> 01:52:47,230

a job I have to keep you know I have

2599

01:52:51,480 --> 01:52:49,720

like a like a part-time job it you know

2600

01:52:54,000 --> 01:52:51,490

it pays some of the bills and stuff and

2601
01:52:57,690 --> 01:52:54,010
then I I do this

2602
01:53:00,270 --> 01:52:57,700
you know I would say this is kind of

2603
01:53:01,920 --> 01:53:00,280
like a part-time job in itself you know

2604
01:53:03,810 --> 01:53:01,930
I could make it full-time you know I

2605
01:53:06,120 --> 01:53:03,820
could spend more time

2606
01:53:08,490 --> 01:53:06,130
you know uploading more videos making

2607
01:53:11,280 --> 01:53:08,500
the website you know better you know I

2608
01:53:14,940 --> 01:53:11,290
could spend like eight hours a day on

2609
01:53:17,040 --> 01:53:14,950
the web sites alone you know and making

2610
01:53:19,140 --> 01:53:17,050
them better and do putting more stuff on

2611
01:53:21,240 --> 01:53:19,150
there and managing them and stuff like

2612
01:53:24,330 --> 01:53:21,250
that but I just don't have the time so I

2613
01:53:26,640 --> 01:53:24,340

have have to you know dedicate you know

2614

01:53:28,470 --> 01:53:26,650

a couple hours a week doing the websites

2615

01:53:31,560 --> 01:53:28,480

and a few hours a week doing sky

2616

01:53:33,420 --> 01:53:31,570

watching and then a few hours you know

2617

01:53:34,980 --> 01:53:33,430

you have Facebook feeds where you have

2618

01:53:37,860 --> 01:53:34,990

to upload stuff to and all this other

2619

01:53:41,760 --> 01:53:37,870

stuff so it becomes a full-time job you

2620

01:53:43,710 --> 01:53:41,770

know right right yeah and we talked

2621

01:53:46,500 --> 01:53:43,720

earlier before the show just for a

2622

01:53:48,030 --> 01:53:46,510

couple minutes and this is not the type

2623

01:53:49,130 --> 01:53:48,040

of field you want to get into if you

2624

01:53:50,850 --> 01:53:49,140

want to make a lot of money

2625

01:53:53,100 --> 01:53:50,860

right and that's why

2626
01:53:54,840 --> 01:53:53,110
saying I mean if everybody listening

2627
01:53:56,790 --> 01:53:54,850
like like you were saying like UFO

2628
01:53:59,669 --> 01:53:56,800
people don't like to spend money on non

2629
01:54:02,010 --> 01:53:59,679
UFO stuff you know or they don't like to

2630
01:54:04,800 --> 01:54:02,020
spend a lot of money so you know and I

2631
01:54:07,500 --> 01:54:04,810
know that and and I you know if you love

2632
01:54:09,450 --> 01:54:07,510
UFOs and you want to keep seeing us put

2633
01:54:12,149 --> 01:54:09,460
them on our website and you want to do

2634
01:54:14,100 --> 01:54:12,159
something to help the field out you know

2635
01:54:16,140 --> 01:54:14,110
I'd say everybody listening you know I

2636
01:54:18,750 --> 01:54:16,150
mean if he can just at least like just

2637
01:54:20,879 --> 01:54:18,760
donate like a dollar to us like you know

2638
01:54:23,490 --> 01:54:20,889

I mean that would if people don't look

2639

01:54:25,229 --> 01:54:23,500

at it oh you know if I donate a dollar

2640

01:54:26,939 --> 01:54:25,239

it's not going to do anything yeah but

2641

01:54:28,890 --> 01:54:26,949

like if two or three hundred people just

2642

01:54:32,189 --> 01:54:28,900

donated a dollar we would have the money

2643

01:54:35,040 --> 01:54:32,199

to reactivate our movie streams and put

2644

01:54:36,899 --> 01:54:35,050

them back up we would be able to pay for

2645

01:54:39,840 --> 01:54:36,909

all of our hosting we would be able to

2646

01:54:41,070 --> 01:54:39,850

go buy a night vision camera because see

2647

01:54:43,649 --> 01:54:41,080

at the end of at the end of the month

2648

01:54:45,540 --> 01:54:43,659

all of my money is gonna have to go to

2649

01:54:47,280 --> 01:54:45,550

paying my rent and keeping the

2650

01:54:48,930 --> 01:54:47,290

electricity on and paying the water bill

2651
01:54:51,390 --> 01:54:48,940
and stuff like that after that we don't

2652
01:54:54,240 --> 01:54:51,400
have money for UFOs so you know if you

2653
01:54:56,220 --> 01:54:54,250
can donate a buck then we might have

2654
01:54:58,200 --> 01:54:56,230
money at the end of the month well we at

2655
01:54:59,609 --> 01:54:58,210
least have money to reactivate our movie

2656
01:55:01,859 --> 01:54:59,619
streams and put them out there because

2657
01:55:04,200 --> 01:55:01,869
right now all of the video footage of

2658
01:55:06,359 --> 01:55:04,210
UFOs on my website you can download it

2659
01:55:09,600 --> 01:55:06,369
or you can see it on YouTube but we

2660
01:55:11,220 --> 01:55:09,610
actually had our we have like five DVD

2661
01:55:12,959 --> 01:55:11,230
movies that we sell for 20 bucks each

2662
01:55:14,430 --> 01:55:12,969
and we actually had all of those movies

2663
01:55:16,020 --> 01:55:14,440

on our website where you can watch them

2664

01:55:17,669 --> 01:55:16,030

for only a dollar you didn't have to

2665

01:55:19,560 --> 01:55:17,679

spend 20 bucks to get the DVD you can

2666

01:55:21,689 --> 01:55:19,570

just go on there and watch it for a

2667

01:55:24,030 --> 01:55:21,699

dollar but we didn't have enough people

2668

01:55:26,459 --> 01:55:24,040

doing it and to host all those movies

2669

01:55:29,010 --> 01:55:26,469

cost 40 bucks a month and we weren't

2670

01:55:31,950 --> 01:55:29,020

even getting and 40 people to watch them

2671

01:55:34,350 --> 01:55:31,960

to pay for it you know and so you know

2672

01:55:35,729 --> 01:55:34,360

we could just get one person to donate

2673

01:55:37,410 --> 01:55:35,739

the 40 bucks and then we would

2674

01:55:39,300 --> 01:55:37,420

reactivate them for everybody else you

2675

01:55:41,250 --> 01:55:39,310

know so there's a lot of different ways

2676

01:55:43,680 --> 01:55:41,260

that could work but if everybody would

2677

01:55:46,320 --> 01:55:43,690

just you know you know like you said can

2678

01:55:48,209 --> 01:55:46,330

little you know just a buck you know at

2679

01:55:50,790 --> 01:55:48,219

their favorite you know their favorite

2680

01:55:52,709 --> 01:55:50,800

people and UFOs and you know everybody's

2681

01:55:55,050 --> 01:55:52,719

got a donation button on their website

2682

01:55:57,149 --> 01:55:55,060

you know so you know everybody can help

2683

01:55:59,399 --> 01:55:57,159

everybody yes

2684

01:56:01,830 --> 01:55:59,409

you know just we only have a couple

2685

01:56:04,680 --> 01:56:01,840

minutes left just two minutes left or so

2686

01:56:06,060 --> 01:56:04,690

but I one of the things

2687

01:56:09,180 --> 01:56:06,070

that comes to mind we were talking

2688

01:56:13,320 --> 01:56:09,190

earlier about billy meier and people

2689

01:56:18,630 --> 01:56:13,330

like billy meier third phase of the moon

2690

01:56:21,660 --> 01:56:18,640

secure team 10 all that they're in it

2691

01:56:25,229 --> 01:56:21,670

for the money obviously and you can't

2692

01:56:28,010 --> 01:56:25,239

force ufos in other words they it's a

2693

01:56:31,439 --> 01:56:28,020

fleeting thing it's nothing you can

2694

01:56:34,290 --> 01:56:31,449

captivate to make money on and I think

2695

01:56:36,720 --> 01:56:34,300

people just get frustrated with it and

2696

01:56:39,180 --> 01:56:36,730

decide that they're going to hoax to try

2697

01:56:42,240 --> 01:56:39,190

to make money there's a girl named

2698

01:56:46,470 --> 01:56:42,250

Sheila aliens I can't Sheila Allen I

2699

01:56:50,070 --> 01:56:46,480

think her name is and she she was on my

2700

01:56:52,229 --> 01:56:50,080

show and she confronted she was verbally

2701

01:56:55,470 --> 01:56:52,239

confronting and interviewing I can't

2702

01:56:58,530 --> 01:56:55,480

remember the name of the two brothers on

2703

01:57:00,120 --> 01:56:58,540

third phase of the moon yeah yeah I'm

2704

01:57:01,500 --> 01:57:00,130

familiar with her I've been on a show

2705

01:57:02,910 --> 01:57:01,510

I've been on a couple shows with

2706

01:57:04,979 --> 01:57:02,920

Sheila's oh okay

2707

01:57:06,150 --> 01:57:04,989

suppose she you know basically I think

2708

01:57:08,100 --> 01:57:06,160

she told me that they were making

2709

01:57:10,590 --> 01:57:08,110

several thousand dollars a month by

2710

01:57:12,660 --> 01:57:10,600

those with those fake videos so yeah I I

2711

01:57:15,810 --> 01:57:12,670

saw the interview where she confronted

2712

01:57:17,490 --> 01:57:15,820

those two brothers cousins or whatever

2713

01:57:20,700 --> 01:57:17,500

their names are third phase the moon

2714

01:57:21,930 --> 01:57:20,710

yeah and what they do how they make the

2715

01:57:24,180 --> 01:57:21,940

money is you know where they got that

2716

01:57:27,780 --> 01:57:24,190

fake UFO video on there and then they

2717

01:57:30,680 --> 01:57:27,790

put those ads and banner ads on there

2718

01:57:33,240 --> 01:57:30,690

from you from YouTube you know and then

2719

01:57:35,640 --> 01:57:33,250

after like a million people watch it you

2720

01:57:37,680 --> 01:57:35,650

know that you know that ad pops up a

2721

01:57:40,050 --> 01:57:37,690

million times and that puts ad sent

2722

01:57:42,390 --> 01:57:40,060

money into the tray account and we use

2723

01:57:44,520 --> 01:57:42,400

that sense on our videos too and but our

2724

01:57:47,040 --> 01:57:44,530

videos are real you know and and we're

2725

01:57:49,890 --> 01:57:47,050

just trying to to recoup the money

2726

01:57:52,860 --> 01:57:49,900

that's that we lose on hosting every

2727

01:57:55,530 --> 01:57:52,870

month to try to recoup it and you know

2728

01:57:57,709 --> 01:57:55,540

it's funny because well you know I got

2729

01:58:00,420 --> 01:57:57,719

to tell you we're out of time I tell you

2730

01:58:02,490 --> 01:58:00,430

so real quick throw your your website

2731

01:58:05,430 --> 01:58:02,500
