

1
00:00:05,780 --> 00:00:04,999
and it hits me oh my gosh this is that

2
00:00:06,860 --> 00:00:05,790
triangle

3
00:00:07,970 --> 00:00:06,870
you know there's explanation for

4
00:00:11,030 --> 00:00:07,980
everything that appeared in the

5
00:00:13,789 --> 00:00:11,040
Rendlesham forest incident it aliens at

6
00:00:17,380 --> 00:00:13,799
all it was completely silent it comes

7
00:00:19,790 --> 00:00:17,390
right over our head it's sort of like

8
00:00:21,650 --> 00:00:19,800
salsa really standing in the clearing he

9
00:00:23,240 --> 00:00:21,660
turned over to my father held his hand

10
00:00:29,960 --> 00:00:23,250
and he looked in his eyes and said we're

11
00:00:32,870 --> 00:00:29,970

24

00:01:09,410 --> 00:01:05,850

25

00:01:11,480 --> 00:01:09,420

26

00:01:13,820 --> 00:01:11,490

midnight it's on the Dark Matter digital

43
00:02:00,950 --> 00:02:00,210
network so that's it for me welcome to

44
00:02:07,340 --> 00:02:00,960
this show

45
00:02:11,300 --> 00:02:07,350
Alejandro hello hello and you are a new

46
00:02:12,860 --> 00:02:11,310
homeowner congratulations thank you yeah

47
00:02:13,730 --> 00:02:12,870
I'm not feeling good

48
00:02:15,680 --> 00:02:13,740
you're not feeling

49
00:02:21,200 --> 00:02:15,690
good and you're a triple - come on I'm

50
00:02:25,300 --> 00:02:21,210
not feeling very good no I'm I'm not

51
00:02:29,720 --> 00:02:25,310
exaggerating there for a comedic effect

52
00:02:31,880 --> 00:02:29,730
but and drama bring some drama into the

53
00:02:34,550 --> 00:02:31,890
show yeah we should add some drama

54
00:02:37,850 --> 00:02:34,560
I should like I don't even know how to

55
00:02:40,370 --> 00:02:37,860
do drama though I guess I was gonna try

56
00:02:42,110 --> 00:02:40,380
some drama like you know and my

57
00:02:43,940 --> 00:02:42,120
girlfriend watches housewife so it's

58
00:02:47,180 --> 00:02:43,950
gonna try to use that kind of thing and

59
00:02:49,040 --> 00:02:47,190
to tell you hey you did this to me or

60
00:02:52,190 --> 00:02:49,050
some I don't know how to do it though I

61
00:02:54,680 --> 00:02:52,200
don't know what to say so pretending to

62
00:02:56,810 --> 00:02:54,690
be sick it's all like all I could do but

63
00:03:01,370 --> 00:02:56,820

you're not pretending you do have a side

64

00:03:03,410 --> 00:03:01,380

I do have a summer cold and I do feel

65

00:03:06,440 --> 00:03:03,420

like you know I think just the best

66

00:03:10,460 --> 00:03:06,450

thing to do when you get sick is to rest

67

00:03:14,810 --> 00:03:10,470

and take it easy try to de-stress and I

68

00:03:16,700 --> 00:03:14,820

actually I feel when I really started

69

00:03:17,360 --> 00:03:16,710

getting into meditation because I'm into

70

00:03:20,060 --> 00:03:17,370

meditation

71

00:03:23,150 --> 00:03:20,070

which to me is just advanced relaxation

72

00:03:25,340 --> 00:03:23,160

I got sick so much less and I think when

73

00:03:26,960 --> 00:03:25,350

you get sick like this and your body's

74

00:03:30,260 --> 00:03:26,970

just telling you know hey dude take it

75

00:03:32,690 --> 00:03:30,270

easy man so that's what I got to do

76

00:03:36,950 --> 00:03:32,700

because I like you said I moved I got a

77

00:03:38,300 --> 00:03:36,960

new home and that just was a ton of time

78

00:03:41,750 --> 00:03:38,310

and time and trying to work up until

79

00:03:43,550 --> 00:03:41,760

late last night even mm-hmm if you've

80

00:03:44,630 --> 00:03:43,560

never gone through that before it is

81

00:03:46,610 --> 00:03:44,640

stressful

82

00:03:50,060 --> 00:03:46,620

I think everybody's probably gone

83

00:03:52,910 --> 00:03:50,070

through a move except for the the little

84

00:03:54,380 --> 00:03:52,920

guys may be out there but it's supposed

85

00:03:57,440 --> 00:03:54,390

to be one of the most stressful things

86

00:04:02,110 --> 00:03:57,450

something like weddings moving and

87

00:04:05,240 --> 00:04:02,120

public speaking surprisingly is up there

88

00:04:07,340 --> 00:04:05,250

Wow surprising to me cuz I love public

89

00:04:09,740 --> 00:04:07,350

speaking I'll be doing it in a few weeks

90

00:04:12,199 --> 00:04:09,750

at in Florida that's right

91

00:04:14,570 --> 00:04:12,209

someone just called me today and asked

92

00:04:16,729 --> 00:04:14,580

me if I was going down there barn you're

93

00:04:19,370 --> 00:04:16,739

not though right not I can't make it

94

00:04:23,180 --> 00:04:19,380

that's a bummer yeah it's gonna be a big

95

00:04:26,570 --> 00:04:23,190

turnout it sounds like yeah Wow

96

00:04:27,470 --> 00:04:26,580

during my talk I'll do you a moment of

97

00:04:29,650 --> 00:04:27,480

silence for

98

00:04:34,790 --> 00:04:29,660

were you not being there or something

99

00:04:36,770 --> 00:04:34,800

okay sure that thought of work that lets

100

00:04:39,980 --> 00:04:36,780

the sense word on that subject real

101
00:04:41,750 --> 00:04:39,990
quick yeah why don't we just quickly go

102
00:04:44,720 --> 00:04:41,760
can you go over a few people that are

103
00:04:50,240 --> 00:04:44,730
speaking there and and when the event is

104
00:04:53,630 --> 00:04:50,250
all that it's like in August okay

105
00:04:57,250 --> 00:04:53,640
and there is I don't think marks

106
00:05:03,110 --> 00:04:57,260
speaking so he's not let's see who else

107
00:05:04,700 --> 00:05:03,120
no he's not speaking actually to cool

108
00:05:06,680 --> 00:05:04,710
people who have been on your show who

109
00:05:08,840 --> 00:05:06,690
will be speaking I think even recently

110
00:05:11,690 --> 00:05:08,850
you had rich Hoffman who will be on

111
00:05:13,490 --> 00:05:11,700
that's right and then he'll be talking

112
00:05:15,680 --> 00:05:13,500
about the Homeland Security case that

113
00:05:21,580 --> 00:05:15,690

was investigated by the SE U which is

114

00:05:24,530 --> 00:05:21,590

the Society for scientific ufology and

115

00:05:26,840 --> 00:05:24,540

his colleague in that organization

116

00:05:29,390 --> 00:05:26,850

Robert Powell will also be speaking he's

117

00:05:31,280 --> 00:05:29,400

a director of research for MUFON I

118

00:05:34,280 --> 00:05:31,290

forget his name right now but there will

119

00:05:36,800 --> 00:05:34,290

be a gentleman who is from Norway who

120

00:05:40,120 --> 00:05:36,810

has investigated that has Dylan light so

121

00:05:43,640 --> 00:05:40,130

that's exciting I'm glad to hear that

122

00:05:46,850 --> 00:05:43,650

yeah I'm particularly excited about that

123

00:05:48,170 --> 00:05:46,860

one but a lot of other great speakers

124

00:05:50,030 --> 00:05:48,180

and they feel real bad that I'm

125

00:05:52,850 --> 00:05:50,040

forgetting them and also ever I just

126

00:05:56,240 --> 00:05:52,860

pulled a list so okay but I want to

127

00:05:59,140 --> 00:05:56,250

plague a high go ahead no no I was gonna

128

00:06:01,250 --> 00:05:59,150

use this opportunity to plug my show

129

00:06:03,500 --> 00:06:01,260

because I've let you plugged yours

130

00:06:06,680 --> 00:06:03,510

online during the news so I hope you

131

00:06:09,110 --> 00:06:06,690

don't mind and don't cut this because

132

00:06:13,700 --> 00:06:09,120

we're not doing live right now but

133

00:06:17,120 --> 00:06:13,710

please I I did speak with Morgan Bell

134

00:06:18,860 --> 00:06:17,130

who is doing the you know he's a

135

00:06:21,050 --> 00:06:18,870

director for Florida MUFON and he's

136

00:06:23,650 --> 00:06:21,060

putting helping organize this and he

137

00:06:26,210 --> 00:06:23,660

sent me audio from these great YouTube

138

00:06:27,860 --> 00:06:26,220

videos that he made from all of the

139

00:06:30,860 --> 00:06:27,870

speakers and I think they're really cool

140

00:06:33,380 --> 00:06:30,870

and so I'm putting them all together and

141

00:06:38,240 --> 00:06:33,390

that'll probably be my next show is all

142

00:06:39,740 --> 00:06:38,250

of these YouTube audios playing and

143

00:06:41,150 --> 00:06:39,750

what's great about this is it all the

144

00:06:41,390 --> 00:06:41,160

speakers kind of talk about themselves

145

00:06:42,860 --> 00:06:41,400

with

146

00:06:44,900 --> 00:06:42,870

they're gonna talk about and how they

147

00:06:47,540 --> 00:06:44,910

got into this field so I'm really

148

00:06:51,260 --> 00:06:47,550

excited about that well I will that

149

00:06:54,080 --> 00:06:51,270

video be posted on your no this is audio

150

00:06:56,390 --> 00:06:54,090

this is my Python audio oh wow he's

151
00:06:59,150 --> 00:06:56,400
already got the videos up on the MUFON

152
00:07:01,520 --> 00:06:59,160
website you can see the videos but some

153
00:07:04,310 --> 00:07:01,530
people like to listen to podcasts

154
00:07:06,110 --> 00:07:04,320
instead of videos and maybe some of you

155
00:07:08,150 --> 00:07:06,120
have seen one or two of the videos but

156
00:07:10,159 --> 00:07:08,160
not all of them but I'll put them all

157
00:07:12,529 --> 00:07:10,169
together on a podcast so I think that'll

158
00:07:15,110 --> 00:07:12,539
be a fun you know show for an hour and a

159
00:07:16,790 --> 00:07:15,120
half or so to listen to all these great

160
00:07:18,710 --> 00:07:16,800
people and then and you know what's

161
00:07:21,260 --> 00:07:18,720
gonna be really great about this show is

162
00:07:23,420 --> 00:07:21,270
at the beginning of the show you'll be

163
00:07:25,850 --> 00:07:23,430

on to give us some some talk some news

164

00:07:29,150 --> 00:07:25,860

and stuff Wow awesome

165

00:07:32,540 --> 00:07:29,160

so the rundown real quickly is Robert

166

00:07:33,129 --> 00:07:32,550

Hastings and of course om Alejandro

167

00:07:37,820 --> 00:07:33,139

Rojas

168

00:07:39,860 --> 00:07:37,830

Ben moss and Tony and G ola um cool guys

169

00:07:42,620 --> 00:07:39,870

fun guys bill Schroeder

170

00:07:46,640 --> 00:07:42,630

Cheryl Costa David Marlar one of my

171

00:07:47,360 --> 00:07:46,650

favorites om erling P strand John

172

00:07:50,330 --> 00:07:47,370

Greenwald

173

00:07:53,560 --> 00:07:50,340

Kathleen Mardan Peola harris peter

174

00:07:57,140 --> 00:07:53,570

robbins he is the emcee rich Hoffman

175

00:08:01,850 --> 00:07:57,150

Richard T me and Robert Powell that is

176

00:08:04,159 --> 00:08:01,860

the lineup and it's yeah yeah yeah I

177

00:08:06,379 --> 00:08:04,169

mean I feel bad for forgetting so many

178

00:08:08,839 --> 00:08:06,389

of those cuz yeah it is a great lineup

179

00:08:11,570 --> 00:08:08,849

that Morgan has done a great job putting

180

00:08:13,010 --> 00:08:11,580

that all those people together yeah a

181

00:08:15,589 --> 00:08:13,020

lot of people are talking about this one

182

00:08:18,140 --> 00:08:15,599

it should be a good real good so what is

183

00:08:20,180 --> 00:08:18,150

going on for the news well speaking of

184

00:08:23,089 --> 00:08:20,190

Florida it's only fitting that we talk

185

00:08:25,909 --> 00:08:23,099

about a case from Florida and this is a

186

00:08:32,269 --> 00:08:25,919

video an interesting video that Roger

187

00:08:32,269 --> 00:08:32,279

Marsh just posted to open mind TV

188

00:08:40,610 --> 00:08:35,719

I came the archives so all the way back

189

00:08:44,329 --> 00:08:40,620

in 2012 there was a video that this

190

00:08:46,250 --> 00:08:44,339

person got in Doudna den do you I don't

191

00:08:48,410 --> 00:08:46,260

know if you're familiar with this town

192

00:08:50,120 --> 00:08:48,420

doomed in I'm not sure if I'm saying it

193

00:08:54,140 --> 00:08:50,130

correctly but it's a town in Florida

194

00:08:55,250 --> 00:08:54,150

where these people saw what they

195

00:08:58,610 --> 00:08:55,260

believed to be a boomer

196

00:09:03,770 --> 00:08:58,620

shake UFO this is at night it was about

197

00:09:07,810 --> 00:09:03,780

8:40 p.m. they were driving they felt

198

00:09:11,120 --> 00:09:07,820

this object was 200 to 300 feet across

199

00:09:13,340 --> 00:09:11,130

and you can see the video the video

200

00:09:16,250 --> 00:09:13,350

actually is pretty interesting

201

00:09:19,850 --> 00:09:16,260

it is a grouping of lights and the

202

00:09:23,210 --> 00:09:19,860

lights are different colors in some of

203

00:09:26,810 --> 00:09:23,220

the stills that we provided on the

204

00:09:30,490 --> 00:09:26,820

website you can see that and and it's a

205

00:09:33,200 --> 00:09:30,500

short video but it's pretty interesting

206

00:09:35,290 --> 00:09:33,210

great well I'll check that out no I have

207

00:09:38,900 --> 00:09:35,300

no idea never heard of that town before

208

00:09:41,450 --> 00:09:38,910

mm-hmm usually you hear the same times

209

00:09:45,470 --> 00:09:41,460

over and over not that one not familiar

210

00:09:51,290 --> 00:09:45,480

you have you heard of the town Dubai a

211

00:09:55,160 --> 00:09:51,300

little small town yes well in the United

212

00:09:58,970 --> 00:09:55,170

Arab I is in the United Arab Emirates

213

00:10:01,760 --> 00:09:58,980

and I just you know I just thought of

214

00:10:04,760 --> 00:10:01,770

this story whenever I think of did there

215

00:10:06,860 --> 00:10:04,770

was this video that was put out that was

216

00:10:08,720 --> 00:10:06,870

allegedly UFOs this isn't the story I'm

217

00:10:10,370 --> 00:10:08,730

talking about this just always comes to

218

00:10:13,100 --> 00:10:10,380

memory when I think of this area and

219

00:10:16,460 --> 00:10:13,110

UFOs and Vegas I was in Vegas a few

220

00:10:18,350 --> 00:10:16,470

weeks ago and the video turned out to be

221

00:10:22,430 --> 00:10:18,360

the guy filming some of the lights I

222

00:10:24,260 --> 00:10:22,440

think it was in Caesars Palace so you

223

00:10:26,630 --> 00:10:24,270

know the background looks like this guy

224

00:10:28,910 --> 00:10:26,640

and he's filming the lights in the

225

00:10:31,280 --> 00:10:28,920

ceiling and it was a video that went

226

00:10:35,120 --> 00:10:31,290

viral people still believe that's a UFO

227

00:10:36,770 --> 00:10:35,130

video to the state but it's not yeah but

228

00:10:39,740 --> 00:10:36,780

this is a different one this one

229

00:10:43,670 --> 00:10:39,750

actually is recent this is from July

230

00:10:45,940 --> 00:10:43,680

11th 2016 and this was taken at about

231

00:10:51,740 --> 00:10:45,950

3:00 a.m.

232

00:10:55,690 --> 00:10:51,750

Dury are near the police station at bin

233

00:10:58,400 --> 00:10:55,700

Laden signal and of course this isn't

234

00:11:01,490 --> 00:10:58,410

Osama bin Laden that there but the bin

235

00:11:04,370 --> 00:11:01,500

Laden's are a big popular family of

236

00:11:07,250 --> 00:11:04,380

which Osama bin Laden was just one of

237

00:11:09,440 --> 00:11:07,260

many of the sons of this big rich family

238

00:11:12,180 --> 00:11:09,450

but

239

00:11:18,690 --> 00:11:12,190

so at this place named after the Bin

240

00:11:20,670 --> 00:11:18,700

Ladin family this person saw what he

241

00:11:24,269 --> 00:11:20,680

said he thought was an airplane or a

242

00:11:27,480 --> 00:11:24,279

star but then he said it moved very fast

243

00:11:30,690 --> 00:11:27,490

and in different directions that there

244

00:11:32,610 --> 00:11:30,700

were actually three lights at and it

245

00:11:34,860 --> 00:11:32,620

looked like a triangular shaped object

246

00:11:37,620 --> 00:11:34,870

so he took some pictures of it and you

247

00:11:38,910 --> 00:11:37,630

can see the pictures online it's a

248

00:11:41,699 --> 00:11:38,920

little difficult to make something out

249

00:11:44,300 --> 00:11:41,709

but it is kind of interesting but yeah

250

00:11:48,329 --> 00:11:44,310

this is a photographic one it's not

251
00:11:51,329 --> 00:11:48,339
immediately you know you can't just

252
00:11:54,240 --> 00:11:51,339
identify it quickly like often you can

253
00:11:57,120 --> 00:11:54,250
so it's hard to say exactly what this is

254
00:12:00,440 --> 00:11:57,130
of course in today in this day and age

255
00:12:03,480 --> 00:12:00,450
it is possible that it was a drone but

256
00:12:05,220 --> 00:12:03,490
this person by the movement yeah really

257
00:12:07,980 --> 00:12:05,230
what even with the movement I guess it

258
00:12:09,389 --> 00:12:07,990
could be a drone but people have to

259
00:12:11,699 --> 00:12:09,399
check it out and see what they think I

260
00:12:15,139 --> 00:12:11,709
think there was a sighting in Dubai a

261
00:12:17,850 --> 00:12:15,149
while back that was a drone right I

262
00:12:19,530 --> 00:12:17,860
can't remember yeah that's going up one

263
00:12:22,740 --> 00:12:19,540

of the really tall buildings over there

264

00:12:24,540 --> 00:12:22,750

and there was some controversy about it

265

00:12:28,199 --> 00:12:24,550

because it seemed to shoot up really

266

00:12:30,449 --> 00:12:28,209

fast you don't remember that huh no no I

267

00:12:33,150 --> 00:12:30,459

can't remember that one it sounds let me

268

00:12:35,610 --> 00:12:33,160

see I was just gonna do a quick search

269

00:12:38,790 --> 00:12:35,620

at our website because if it's not on

270

00:12:39,960 --> 00:12:38,800

there it wasn't it didn't hear you I am

271

00:12:41,730 --> 00:12:39,970

yeah

272

00:12:45,150 --> 00:12:41,740

no I can't see anything in particular

273

00:12:48,290 --> 00:12:45,160

about it I may be thinking of a

274

00:12:51,689 --> 00:12:48,300

different city could be one of those

275

00:12:55,019 --> 00:12:51,699

awkward moments again oh you know wait

276

00:12:56,750 --> 00:12:55,029

here it is okay oh yeah we didn't write

277

00:13:01,889 --> 00:12:56,760

about it because this was a bad one oh

278

00:13:04,230 --> 00:13:01,899

and because this was obviously a like

279

00:13:09,090 --> 00:13:04,240

post I do remember this one so this was

280

00:13:12,439 --> 00:13:09,100

just in April there was a video of a

281

00:13:15,540 --> 00:13:12,449

light with some sort of streaking

282

00:13:19,110 --> 00:13:15,550

happening under it almost looking like a

283

00:13:23,550 --> 00:13:19,120

craft moving upwards very quickly or it

284

00:13:25,320 --> 00:13:23,560

being a light to the ground and actual

285

00:13:27,330 --> 00:13:25,330

and I think you can't tell this very

286

00:13:28,860 --> 00:13:27,340

easily from looking at the pictures and

287

00:13:29,280 --> 00:13:28,870

that's why I didn't get too excited

288

00:13:33,840 --> 00:13:29,290

about it

289

00:13:36,870 --> 00:13:33,850

it is a lamppost but that is just

290

00:13:39,210 --> 00:13:36,880

distorted from motion blur oh so because

291

00:13:41,190 --> 00:13:39,220

this person was in their car took a

292

00:13:43,740 --> 00:13:41,200

picture of the lamppost and of course

293

00:13:48,120 --> 00:13:43,750

the lamppost looks weird because she's

294

00:13:51,660 --> 00:13:48,130

moving in the car okay so let's move on

295

00:13:54,930 --> 00:13:51,670

let's move on

296

00:13:58,020 --> 00:13:54,940

oh boy yeah mmm

297

00:14:02,310 --> 00:13:58,030

why do I remember those ones I don't

298

00:14:03,270 --> 00:14:02,320

know Martin come on yeah well what else

299

00:14:07,440 --> 00:14:03,280

is happening

300

00:14:09,000 --> 00:14:07,450

that's about it that's it oh hey thanks

301

00:14:11,820 --> 00:14:09,010

so much and talk to you next week

302

00:14:13,530 --> 00:14:11,830

tuck you guys later alright so hang in

303

00:15:57,570 --> 00:14:13,540

there for the music break we'll be right

304

00:16:06,760 --> 00:16:02,710

welcome to the show Donna Donna you

305

00:16:10,540 --> 00:16:06,770

there I'm not hearing anything your mute

306

00:16:11,050 --> 00:16:10,550

button must be on Donna hello how about

307

00:16:15,580 --> 00:16:11,060

now

308

00:16:18,430 --> 00:16:15,590

there you are oh yeah hi welcome to the

309

00:16:21,580 --> 00:16:18,440

show thank you so much thank you for the

310

00:16:24,700 --> 00:16:21,590

invitation a lot to show and it's really

311

00:16:27,430 --> 00:16:24,710

was really nice to be invited yes you

312

00:16:29,800 --> 00:16:27,440

have called in a number of times and you

313

00:16:32,110 --> 00:16:29,810

have a lot of good things to say and you

314

00:16:35,080 --> 00:16:32,120

and I have met and I'm going to give a

315

00:16:38,440 --> 00:16:35,090

little teaser out there within the first

316

00:16:41,590 --> 00:16:38,450

hour I'm gonna say something really

317

00:16:43,120 --> 00:16:41,600

unique that Donna and I have in common

318

00:16:47,050 --> 00:16:43,130

and I'll leave that out there as a

319

00:16:49,480 --> 00:16:47,060

teaser so for now Donna why don't you

320

00:16:53,260 --> 00:16:49,490

tell the listener a little bit about

321

00:16:58,030 --> 00:16:53,270

yourself and what got you interested in

322

00:17:00,130 --> 00:16:58,040

the UFO subject well as far as my

323

00:17:03,640 --> 00:17:00,140

background goes well people didn't have

324

00:17:06,580 --> 00:17:03,650

a chance to read the bio my background

325

00:17:10,030 --> 00:17:06,590

is that I had been a professional

326

00:17:13,690 --> 00:17:10,040

licensed social worker for most of my

327

00:17:15,820 --> 00:17:13,700

adult life I hold a degree in Human

328

00:17:18,670 --> 00:17:15,830

Services a bachelor's degree and a

329

00:17:21,310 --> 00:17:18,680

master's degree in counseling and I

330

00:17:26,170 --> 00:17:21,320

spent most of my professional career

331

00:17:28,900 --> 00:17:26,180

doing acute care in a medical social

332

00:17:32,320 --> 00:17:28,910

worker medical social work in a hospital

333

00:17:35,260 --> 00:17:32,330

setting so that's my professional

334

00:17:39,850 --> 00:17:35,270

background I was born and raised in

335

00:17:43,780 --> 00:17:39,860

Boston and Boston area and I developed

336

00:17:46,990 --> 00:17:43,790

an interest in UFOs at a very early age

337

00:17:50,350 --> 00:17:47,000

I I was trying to think about why and

338

00:17:51,970 --> 00:17:50,360

when that was and I really can't

339

00:17:54,880 --> 00:17:51,980

pinpoint it but I can say it was

340

00:17:57,190 --> 00:17:54,890

probably around the age of five I

341

00:18:00,190 --> 00:17:57,200

remember hearing about these UFOs or

342

00:18:03,460 --> 00:18:00,200

flying saucers and asking my parents

343

00:18:05,320 --> 00:18:03,470

about it and they were unable to explain

344

00:18:06,860 --> 00:18:05,330

them they said well some people see them

345

00:18:08,660 --> 00:18:06,870

and some people

346

00:18:12,500 --> 00:18:08,670

they're from another planet but nobody

347

00:18:15,290 --> 00:18:12,510

really knows for sure if they exist or

348

00:18:17,510 --> 00:18:15,300

not and I think I was hooked at an early

349

00:18:19,430 --> 00:18:17,520

age the mystery of something an adult

350

00:18:21,650 --> 00:18:19,440

could not explain something that some

351

00:18:24,080 --> 00:18:21,660

people witnessed but there wasn't an

352

00:18:27,830 --> 00:18:24,090

explanation and I think that sense of

353

00:18:30,530 --> 00:18:27,840

mystery kind of hooked me yeah and so

354

00:18:32,750 --> 00:18:30,540

from an early age again nothing that I

355

00:18:35,150 --> 00:18:32,760

can really think of in particular it was

356

00:18:37,370 --> 00:18:35,160

the it was it was the days of The

357

00:18:40,220 --> 00:18:37,380

Twilight Zone in the Outer Limits and a

358

00:18:44,419 --> 00:18:40,230

lot of those sci-fi things and so that

359

00:18:46,880 --> 00:18:44,429

may have influenced me but um anyway I

360

00:18:50,030 --> 00:18:46,890

was interested and I would say at the

361

00:18:52,610 --> 00:18:50,040

age of 10 I remember being at the

362

00:18:56,120 --> 00:18:52,620

dentist's office and seeing a magazine

363

00:19:01,210 --> 00:18:56,130

Look magazine and on the cover of Look

364

00:19:04,940 --> 00:19:01,220

magazine was a story about a couple who

365

00:19:08,990 --> 00:19:04,950

had allegedly been abducted by aliens

366

00:19:12,350 --> 00:19:09,000

and so the you know age 10 I read that

367

00:19:16,000 --> 00:19:12,360

story I was really intrigued became a

368

00:19:19,130 --> 00:19:16,010

big aficionado of that particular story

369

00:19:22,850 --> 00:19:19,140

and read everything that I could for

370

00:19:24,370 --> 00:19:22,860

four years in the days before we had the

371

00:19:27,169 --> 00:19:24,380

internet it was just books and the

372

00:19:31,090 --> 00:19:27,179

occasional television show or something

373

00:19:34,280 --> 00:19:31,100

like that we are you know he had some

374

00:19:39,020 --> 00:19:34,290

information about UFOs and that sort of

375

00:19:41,180 --> 00:19:39,030

thing so just before you move on part in

376

00:19:44,090 --> 00:19:41,190

the Look magazine in particular was that

377

00:19:52,240 --> 00:19:44,100

a cover story or was that just something

378

00:19:55,520 --> 00:19:52,250

19 no 1966 it was a two-part article

379

00:20:00,080 --> 00:19:55,530

1966 it was the cover it was also the

380

00:20:02,750 --> 00:20:00,090

cover in a newspaper in Boston people

381

00:20:06,970 --> 00:20:02,760

don't really know that but it was it was

382

00:20:11,419 --> 00:20:06,980

actually first reported in a Boston

383

00:20:15,380 --> 00:20:11,429

newspaper article but I I remember it

384

00:20:17,840 --> 00:20:15,390

mostly from I was just 10 my mother let

385

00:20:20,720 --> 00:20:17,850

me walk to the dentist's office and I'm

386

00:20:24,320 --> 00:20:20,730

reading this story and totally

387

00:20:26,480 --> 00:20:24,330

merged by it intrigued by it wondering

388

00:20:30,169 --> 00:20:26,490

like everybody isn't talking about it

389

00:20:32,360 --> 00:20:30,179

because you know it's pretty amazing so

390

00:20:35,539 --> 00:20:32,370

anyway those who might early you know

391

00:20:40,220 --> 00:20:35,549

the earlier kinds of you know interest

392

00:20:41,990 --> 00:20:40,230

that I had and and you move on just want

393

00:20:46,850 --> 00:20:42,000

to say a little bit about the Betty and

394

00:20:48,320 --> 00:20:46,860

Barney Hill incident that I lived five

395

00:20:51,350 --> 00:20:48,330

miles from Portsmouth New Hampshire

396

00:20:54,860 --> 00:20:51,360

where they lived and I never saw the

397

00:20:59,510 --> 00:20:54,870

articles when that came out but I did

398

00:21:04,610 --> 00:20:59,520

hear I did hear about this post office

399

00:21:07,340 --> 00:21:04,620

worker and his wife supposedly being

400

00:21:09,140 --> 00:21:07,350

abducted by aliens and it was like crazy

401
00:21:11,150 --> 00:21:09,150
and it was you know Portsmouth New

402
00:21:13,100 --> 00:21:11,160
Hampshire just right over the border for

403
00:21:15,260 --> 00:21:13,110
me so I thought it was just some type of

404
00:21:17,630 --> 00:21:15,270
local story that nobody else knew about

405
00:21:18,890 --> 00:21:17,640
but when you when you when you said you

406
00:21:22,130 --> 00:21:18,900
heard about it you mean word-of-mouth

407
00:21:24,169 --> 00:21:22,140
yes neighbors totally worth of town it

408
00:21:27,289 --> 00:21:24,179
was in our I was talking about it in my

409
00:21:29,150 --> 00:21:27,299
school okay did you hear about the guy

410
00:21:34,880 --> 00:21:29,160
and the woman and that type of thing

411
00:21:38,600 --> 00:21:34,890
yeah it was yeah okay Wow well you know

412
00:21:40,970 --> 00:21:38,610
I honestly I mean this is interesting to

413
00:21:43,520 --> 00:21:40,980

me as we talked about it if I hadn't

414

00:21:45,200 --> 00:21:43,530

been at the dentist Baptist I may have

415

00:21:47,600 --> 00:21:45,210

not I don't know what I would have heard

416

00:21:51,590 --> 00:21:47,610

about it I mean I think about that and I

417

00:21:53,720 --> 00:21:51,600

just happened to see it so I might not

418

00:21:56,600 --> 00:21:53,730

have heard it for years to come until

419

00:22:00,440 --> 00:21:56,610

you know later when the book was

420

00:22:08,270 --> 00:22:00,450

released I think interrupted journey

421

00:22:11,510 --> 00:22:08,280

came out and no 70 in the seventies I

422

00:22:15,380 --> 00:22:11,520

think that well I know that I think that

423

00:22:18,560 --> 00:22:15,390

I think that John fuller actually wrote

424

00:22:22,190 --> 00:22:18,570

the book around in the sixties but the

425

00:22:24,380 --> 00:22:22,200

mutant the movie came out in 1976 John

426

00:22:26,450 --> 00:22:24,390

fuller wrote a book and I don't know big

427

00:22:29,630 --> 00:22:26,460

bad dates but anyway I did write I did

428

00:22:32,330 --> 00:22:29,640

read that book I did see the movie that

429

00:22:34,520 --> 00:22:32,340

pretty much was one of the biggest cases

430

00:22:37,940 --> 00:22:34,530

I think at that time that I

431

00:22:41,930 --> 00:22:37,950

knew about and so that is pretty much

432

00:22:43,880 --> 00:22:41,940

until that point my experience with UFOs

433

00:22:45,740 --> 00:22:43,890

and interest in an interest in

434

00:22:54,170 --> 00:22:45,750

particular with the Betty and Barney

435

00:22:56,540 --> 00:22:54,180

Hill case anyway so around 1973 my

436

00:22:59,500 --> 00:22:56,550

brother I lived in Rockland at this time

437

00:23:04,180 --> 00:22:59,510

Rockland Massachusetts south of Boston

438

00:23:07,580 --> 00:23:04,190

my brother he's a year younger than I am

439

00:23:10,280 --> 00:23:07,590

saw what he thought was a star in the

440

00:23:12,830 --> 00:23:10,290

sky and he wasn't sure if it was a star

441

00:23:15,080 --> 00:23:12,840

or if it was maybe it was a star maybe

442

00:23:17,480 --> 00:23:15,090

it was an antenna something he had

443

00:23:19,220 --> 00:23:17,490

installed and had put a little light on

444

00:23:23,050 --> 00:23:19,230

top of it but he had never noticed it

445

00:23:26,330 --> 00:23:23,060

before and he watched it for a while and

446

00:23:28,820 --> 00:23:26,340

to his surprise it started moving very

447

00:23:30,950 --> 00:23:28,830

slowly across the sky and he started

448

00:23:32,480 --> 00:23:30,960

wondering what could be stationary for

449

00:23:37,250 --> 00:23:32,490

so long that he thought it was either a

450

00:23:42,440 --> 00:23:37,260

star or a light and yet it started

451
00:23:45,950 --> 00:23:42,450
moving so he maintained call it you know

452
00:23:48,760 --> 00:23:45,960
what his visuals on it and it will very

453
00:23:52,490 --> 00:23:48,770
slowly across the sky and at some point

454
00:23:56,270 --> 00:23:52,500
it started approaching our house and it

455
00:23:59,420 --> 00:23:56,280
was summer and we were with after 11

456
00:24:01,700 --> 00:23:59,430
o'clock we're in bed and he said you

457
00:24:02,630 --> 00:24:01,710
know there's something in the sky that's

458
00:24:07,520 --> 00:24:02,640
really weird

459
00:24:10,310 --> 00:24:07,530
and and so my mother my two younger

460
00:24:11,870 --> 00:24:10,320
brothers neighbors and so forth for my

461
00:24:15,440 --> 00:24:11,880
best friend happened to be sleeping over

462
00:24:18,230 --> 00:24:15,450
and and we looked outside our window and

463
00:24:21,140 --> 00:24:18,240

right above the tree line and I did give

464

00:24:23,660 --> 00:24:21,150

this some thought to I'm not good at

465

00:24:25,520 --> 00:24:23,670

spatial things like how many feet but it

466

00:24:30,020 --> 00:24:25,530

would have been maybe three stories high

467

00:24:35,060 --> 00:24:30,030

the trees outside my house there was an

468

00:24:38,990 --> 00:24:35,070

object totally stationary for between 5

469

00:24:42,200 --> 00:24:39,000

to 10 minutes with a rhythmically light

470

00:24:45,530 --> 00:24:42,210

going on and off that right above the

471

00:24:47,600 --> 00:24:45,540

tree line probably definitely you know

472

00:24:48,440 --> 00:24:47,610

intelligently controlled definitely had

473

00:24:54,290 --> 00:24:48,450

some substance

474

00:24:57,200 --> 00:24:54,300

to it and it was really life-changing in

475

00:25:00,740 --> 00:24:57,210

that we were all there looking at it and

476

00:25:05,780 --> 00:25:00,750

saying well it's not a plane it's not a

477

00:25:08,330 --> 00:25:05,790

it's not a what what can hover well you

478

00:25:10,490 --> 00:25:08,340

know a helicopter can hover but it can't

479

00:25:13,940 --> 00:25:10,500

be that low and not make noise at all

480

00:25:18,140 --> 00:25:13,950

there's no movement of trees or any kind

481

00:25:20,570 --> 00:25:18,150

of leaves or anything like that and and

482

00:25:23,320 --> 00:25:20,580

so we kept looking at it and ruling out

483

00:25:25,850 --> 00:25:23,330

anything it could be and it was worried

484

00:25:31,430 --> 00:25:25,860

profound to look at something and say

485

00:25:34,430 --> 00:25:31,440

well I can tell you what it isn't but no

486

00:25:37,040 --> 00:25:34,440

idea what it was and so I watched it was

487

00:25:41,600 --> 00:25:37,050

transfixed as the light went on and off

488

00:25:46,040 --> 00:25:41,610

and kept watching it to see what it

489

00:25:49,340 --> 00:25:46,050

would do and in a blink of an eye it it

490

00:25:51,470 --> 00:25:49,350

the light came on the light went off and

491

00:25:54,170 --> 00:25:51,480

it was totally gone out of the sky it

492

00:25:58,570 --> 00:25:54,180

had completely blanked out and although

493

00:26:02,750 --> 00:25:58,580

it had taken a long time to cross the

494

00:26:07,120 --> 00:26:02,760

sky it took a blink for it to totally

495

00:26:10,640 --> 00:26:07,130

disappear in front of all of us and so I

496

00:26:12,710 --> 00:26:10,650

didn't know what to do if that those

497

00:26:16,670 --> 00:26:12,720

days but I called the Weymouth air force

498

00:26:19,580 --> 00:26:16,680

base and said have you seen anything

499

00:26:21,200 --> 00:26:19,590

unusual and there was all sorts of

500

00:26:23,450 --> 00:26:21,210

giggling going on on the I was a

501
00:26:26,000 --> 00:26:23,460
teenager they were you know thought this

502
00:26:28,670 --> 00:26:26,010
was hilarious no there was nothing they

503
00:26:32,810 --> 00:26:28,680
thought nothing like made are and that

504
00:26:35,600 --> 00:26:32,820
was it but it was it was really was

505
00:26:37,580 --> 00:26:35,610
really interesting to actually see

506
00:26:39,830 --> 00:26:37,590
something that you can't identify you

507
00:26:41,780 --> 00:26:39,840
can't you know ruled out everything and

508
00:26:44,570 --> 00:26:41,790
in those days I mean I don't know what

509
00:26:45,440 --> 00:26:44,580
that could have been to be totally still

510
00:26:50,720 --> 00:26:45,450
like that

511
00:26:53,960 --> 00:26:50,730
and not make any sound whatsoever right

512
00:26:55,000 --> 00:26:53,970
as far as you know pardon me as far as

513
00:26:59,180 --> 00:26:55,010

you know there were no other witnesses

514

00:27:01,130 --> 00:26:59,190

besides your family well my family the

515

00:27:02,330 --> 00:27:01,140

neighbors I mean I'm grateful for every

516

00:27:04,549 --> 00:27:02,340

crazy thing that happened

517

00:27:07,909 --> 00:27:04,559

to me and we'll get into that later I

518

00:27:09,590 --> 00:27:07,919

have witnesses and I'm grateful that

519

00:27:15,529 --> 00:27:09,600

these things don't happen in isolation

520

00:27:19,250 --> 00:27:15,539

and so like yes so aside from my closest

521

00:27:23,289 --> 00:27:19,260

friend and neighbors and I've just

522

00:27:27,019 --> 00:27:23,299

recently found out that my best friend

523

00:27:29,120 --> 00:27:27,029

who is still my best friend her husband

524

00:27:32,570 --> 00:27:29,130

they didn't know each other at the time

525

00:27:34,460 --> 00:27:32,580

but he also fought so you know this was

526

00:27:39,490 --> 00:27:34,470

just recent there was nothing in the

527

00:27:43,010 --> 00:27:39,500

newspapers nobody else seen to that we

528

00:27:46,070 --> 00:27:43,020

talked to seem to have seen it again the

529

00:27:47,720 --> 00:27:46,080

neighbors and no reports but honestly

530

00:27:50,360 --> 00:27:47,730

Martin I don't know I was I was a

531

00:27:52,700 --> 00:27:50,370

teenager I don't know that I looked that

532

00:27:56,680 --> 00:27:52,710

hard but there was nothing there wasn't

533

00:28:00,430 --> 00:27:56,690

big news and in any and in the event so

534

00:28:03,200 --> 00:28:00,440

anyway but you know it was definitely

535

00:28:08,990 --> 00:28:03,210

something that I don't know at this

536

00:28:12,320 --> 00:28:09,000

point in time that there is even a you

537

00:28:14,269 --> 00:28:12,330

know an object that I can think of that

538

00:28:19,399 --> 00:28:14,279

would be above the treeline that long

539

00:28:22,039 --> 00:28:19,409

and be silent and then disappear I mean

540

00:28:24,470 --> 00:28:22,049

I'm not sure all these years later even

541

00:28:26,690 --> 00:28:24,480

now there's anything like that so how

542

00:28:34,580 --> 00:28:26,700

was it talked about much in your family

543

00:28:36,950 --> 00:28:34,590

after that by me because I was the only

544

00:28:40,789 --> 00:28:36,960

one that talks about it I met up with my

545

00:28:44,600 --> 00:28:40,799

friends recently and I saw the face the

546

00:28:48,080 --> 00:28:44,610

faces oh gosh I know it's coming the

547

00:28:51,019 --> 00:28:48,090

stories coming out and and I don't

548

00:28:52,880 --> 00:28:51,029

understand I mean my fam my mother got

549

00:29:01,760 --> 00:28:52,890

bored watching it and she went back to

550

00:29:05,450 --> 00:29:01,770

bed well you know that may be but she

551

00:29:09,080 --> 00:29:05,460

went to bed and so it's talked it was

552

00:29:13,520 --> 00:29:09,090

talked about by me but really nobody

553

00:29:14,930 --> 00:29:13,530

else seemed even my friend will say sure

554

00:29:16,310 --> 00:29:14,940

that was weird

555

00:29:19,700 --> 00:29:16,320

yep it was

556

00:29:22,669 --> 00:29:19,710

unidentified but you know she wasn't

557

00:29:26,269 --> 00:29:22,679

that amazed really and isn't even now

558

00:29:29,269 --> 00:29:26,279

she up that was weird don't know

559

00:29:33,259 --> 00:29:29,279

oops watch her just be careful your

560

00:29:35,180 --> 00:29:33,269

keyboard on your phone oh yeah alright

561

00:29:37,639 --> 00:29:35,190

so that was that so that's the end of

562

00:29:41,389 --> 00:29:37,649

that story I need my little attempt to

563

00:29:44,960 --> 00:29:41,399

report it was was giggle dad and that

564

00:29:49,220 --> 00:29:44,970

was the end of that so so we skip ahead

565

00:29:54,740 --> 00:29:49,230

two years a few years later I went to

566

00:29:57,460 --> 00:29:54,750

college came home one weekend and my

567

00:30:02,509 --> 00:29:57,470

mother have reported that my brother

568

00:30:05,899 --> 00:30:02,519

again a year younger than I was he had

569

00:30:07,970 --> 00:30:05,909

come home one evening probably around 1

570

00:30:08,690 --> 00:30:07,980

or 2 o'clock in the morning and he was

571

00:30:13,730 --> 00:30:08,700

hysterical

572

00:30:16,549 --> 00:30:13,740

screaming and you know must have been 18

573

00:30:18,619 --> 00:30:16,559

19 at the time and she didn't know what

574

00:30:21,649 --> 00:30:18,629

to do he hadn't appeared to be doing any

575

00:30:25,789 --> 00:30:21,659

kind of drugs or working or anything and

576

00:30:27,889 --> 00:30:25,799

he said that he had been at a party with

577

00:30:31,340 --> 00:30:27,899

a friend that they were leaving the

578

00:30:37,580 --> 00:30:31,350

pretti coming across the wooded area

579

00:30:41,210 --> 00:30:37,590

near a pond near our home and that his

580

00:30:44,629 --> 00:30:41,220

friends was somehow put to sleep and he

581

00:30:49,009 --> 00:30:44,639

was taken by a craft that was on the

582

00:30:50,810 --> 00:30:49,019

ground and had you know was he didn't

583

00:30:54,320 --> 00:30:50,820

see anything in the sky is the thing was

584

00:30:56,389 --> 00:30:54,330

already on the ground had been taken and

585

00:30:59,269 --> 00:30:56,399

they had done terrible things to him and

586

00:31:01,940 --> 00:30:59,279

he was sobbing crying when he was

587

00:31:03,560 --> 00:31:01,950

explaining this all to my mother who

588

00:31:06,169 --> 00:31:03,570

didn't know what to do with him at that

589

00:31:08,539 --> 00:31:06,179

hour of the morning and had he had no

590

00:31:13,279 --> 00:31:08,549

history of this and she was beside

591

00:31:15,289 --> 00:31:13,289

herself I'm sure and said that he had he

592

00:31:18,980 --> 00:31:15,299

had done some terrible thing to him and

593

00:31:22,220 --> 00:31:18,990

told him things like that they had been

594

00:31:26,629 --> 00:31:22,230

observing him for many years for his

595

00:31:28,519 --> 00:31:26,639

entire life and that they could take him

596

00:31:30,230 --> 00:31:28,529

whenever they wanted they had taken him

597

00:31:32,090 --> 00:31:30,240

before and they could say

598

00:31:34,220 --> 00:31:32,100

can anytime and that they were

599

00:31:37,520 --> 00:31:34,230

interested in him particularly because

600

00:31:41,270 --> 00:31:37,530

of some mechanical abilities that he had

601
00:31:43,640 --> 00:31:41,280
and in fact he was sort of a prodigy in

602
00:31:45,530 --> 00:31:43,650
that when he was 3 or 4 years old he

603
00:31:48,200 --> 00:31:45,540
could you know take things apart

604
00:31:50,500 --> 00:31:48,210
disassemble and reassemble things and

605
00:31:54,670 --> 00:31:50,510
it's really quite extraordinary and

606
00:31:57,650 --> 00:31:54,680
anyway by the time I got there he was

607
00:31:59,420 --> 00:31:57,660
experiencing some symptoms which now it

608
00:32:01,430 --> 00:31:59,430
would recognize this post-traumatic

609
00:32:05,660 --> 00:32:01,440
kinds of things from anxiety and

610
00:32:07,280 --> 00:32:05,670
difficulties and I thought well gee what

611
00:32:09,680 --> 00:32:07,290
you know what what do you do with that I

612
00:32:11,510 --> 00:32:09,690
mean how do you help somebody my mother

613
00:32:15,710 --> 00:32:11,520

certainly didn't know what to do and and

614

00:32:18,200 --> 00:32:15,720

I thought well you know who I don't know

615

00:32:20,950 --> 00:32:18,210

if this really happens but whatever

616

00:32:24,680 --> 00:32:20,960

happened he's had some sort of an event

617

00:32:27,500 --> 00:32:24,690

which is caused trauma again no no other

618

00:32:32,630 --> 00:32:27,510

history of this you always look for

619

00:32:36,050 --> 00:32:32,640

history patterns think things did you

620

00:32:38,480 --> 00:32:36,060

sit down and talk with him one on one as

621

00:32:42,440 --> 00:32:38,490

like brother sister to brother

622

00:32:44,000 --> 00:32:42,450

haha right and he now in a more relaxed

623

00:32:47,860 --> 00:32:44,010

state you know than when he must have

624

00:32:52,520 --> 00:32:47,870

been repeated basically the same story

625

00:32:54,710 --> 00:32:52,530

so he said I never want you know

626

00:32:59,000 --> 00:32:54,720

anything like that to happen to me again

627

00:33:01,790 --> 00:32:59,010

and very you know very obviously

628

00:33:04,040 --> 00:33:01,800

traumatized and you know Native it may

629

00:33:07,040 --> 00:33:04,050

have been weeks by the time I got home

630

00:33:09,470 --> 00:33:07,050

from college but he was having some

631

00:33:12,770 --> 00:33:09,480

difficulty coping my mother didn't know

632

00:33:14,900 --> 00:33:12,780

you know what to do and you think well

633

00:33:17,330 --> 00:33:14,910

you know do you bring him to a doctor to

634

00:33:19,760 --> 00:33:17,340

bring to a psychologist and you think

635

00:33:22,070 --> 00:33:19,770

you know well you know gap half at that

636

00:33:27,190 --> 00:33:22,080

time you know was going to go directly

637

00:33:29,600 --> 00:33:27,200

to you know was that the path man was

638

00:33:33,950 --> 00:33:29,610

probably you know this is a delusion and

639

00:33:38,300 --> 00:33:33,960

that sort of thing so I thought well you

640

00:33:41,150 --> 00:33:38,310

know Benjamin Simon the psychiatrist who

641

00:33:43,840 --> 00:33:41,160

worked and treated the the hills may

642

00:33:47,409 --> 00:33:43,850

still be in practice

643

00:33:49,840 --> 00:33:47,419

was early seventies and and it was

644

00:33:52,360 --> 00:33:49,850

possible that he was still in practice

645

00:33:53,020 --> 00:33:52,370

and again without the internet like what

646

00:33:56,020 --> 00:33:53,030

did we do

647

00:33:58,299 --> 00:33:56,030

B I before the internet I don't know but

648

00:34:00,700 --> 00:33:58,309

I called dist directory assistance for

649

00:34:03,039 --> 00:34:00,710

Boston and did you just remember

650

00:34:06,430 --> 00:34:03,049

Hyman you just remember Benjamin Simon

651

00:34:08,560 --> 00:34:06,440

from the just reading you totally

652

00:34:14,530 --> 00:34:08,570

remember his name yeah yeah probably

653

00:34:19,180 --> 00:34:14,540

totally have always had a really great

654

00:34:21,550 --> 00:34:19,190

memory from an early age remembered it

655

00:34:24,520 --> 00:34:21,560

whether it had been by way of reading

656

00:34:26,919 --> 00:34:24,530

the book or the articles or you know I

657

00:34:28,930 --> 00:34:26,929

will say it's to me it's a little

658

00:34:31,930 --> 00:34:28,940

strange looking back that at such an

659

00:34:34,480 --> 00:34:31,940

early age I was reading all of that

660

00:34:36,550 --> 00:34:34,490

stuff and really into it but I did

661

00:34:39,399 --> 00:34:36,560

remember the name and I called directory

662

00:34:41,950 --> 00:34:39,409

assistance the Boston area got a phone

663

00:34:44,830 --> 00:34:41,960

number called the number and I said am i

664

00:34:47,680 --> 00:34:44,840

reaching the psychiatrist Benjamin Simon

665

00:34:51,790 --> 00:34:47,690

who treated the hill and I was prepared

666

00:34:55,389 --> 00:34:51,800

for a number of things like he doesn't

667

00:34:57,820 --> 00:34:55,399

take these calls or you know any number

668

00:35:00,160 --> 00:34:57,830

of hits not the same Benjamin Simon and

669

00:35:04,210 --> 00:35:00,170

they said yes it is and I said well I'm

670

00:35:07,450 --> 00:35:04,220

I have a situation I have a family

671

00:35:10,420 --> 00:35:07,460

member who is reporting an experience

672

00:35:14,650 --> 00:35:10,430

and I having some difficulty coping and

673

00:35:17,130 --> 00:35:14,660

I am not at all sure what to do and they

674

00:35:19,780 --> 00:35:17,140

took my phone number and I thought well

675

00:35:22,120 --> 00:35:19,790

good luck with that I mean this this

676

00:35:23,920 --> 00:35:22,130

fellow probably gets called from all

677

00:35:26,050 --> 00:35:23,930

over the world all the time and I doubt

678

00:35:29,410 --> 00:35:26,060

that he will call me back and he did he

679

00:35:31,570 --> 00:35:29,420

called me back and he spent you know I'm

680

00:35:33,880 --> 00:35:31,580

guessing a good half hour on the phone

681

00:35:36,880 --> 00:35:33,890

with me and I explained what my

682

00:35:39,520 --> 00:35:36,890

brother's experience was and that I was

683

00:35:42,220 --> 00:35:39,530

hoping I guess when he did call back I

684

00:35:44,650 --> 00:35:42,230

thought well he'll say yes I've had a

685

00:35:48,040 --> 00:35:44,660

number of these cases since that I

686

00:35:49,150 --> 00:35:48,050

treated the hills I'm sort of the expert

687

00:35:52,090 --> 00:35:49,160

in the field

688

00:35:55,359 --> 00:35:52,100

bring him in I'll be happy to treat him

689

00:35:57,870 --> 00:35:55,369

or I'm so inundated by these patients I

690

00:35:59,880 --> 00:35:57,880

can make a referral to somebody that

691

00:36:03,120 --> 00:35:59,890

you know be understanding and open

692

00:36:07,559 --> 00:36:03,130

minded but that's not what happened what

693

00:36:09,959 --> 00:36:07,569

happened is he said well even though I

694

00:36:14,579 --> 00:36:09,969

had been portrayed in interrupted

695

00:36:19,499 --> 00:36:14,589

journey and the movie as having believed

696

00:36:21,930 --> 00:36:19,509

the Hills story in fact I don't believe

697

00:36:24,809 --> 00:36:21,940

never believed that they were abducted

698

00:36:29,849 --> 00:36:24,819

by UFOs I don't believe in flying

699

00:36:32,400 --> 00:36:29,859

saucers I did say that I didn't believe

700

00:36:36,509 --> 00:36:32,410

they were lying and they were or they

701
00:36:38,880 --> 00:36:36,519
were hoping but at the same time that is

702
00:36:40,620 --> 00:36:38,890
not I I never

703
00:36:43,199 --> 00:36:40,630
it was portrayed that I was being

704
00:36:45,719 --> 00:36:43,209
supportive of their story and I don't

705
00:36:48,749 --> 00:36:45,729
think that's what happened to them and I

706
00:36:50,759 --> 00:36:48,759
was floored because I had been a don't

707
00:36:52,709 --> 00:36:50,769
want to say a phantom story but I I

708
00:36:55,259 --> 00:36:52,719
guess I was at the end of the story

709
00:36:57,209 --> 00:36:55,269
and I was devastated I'm like what do

710
00:37:00,620 --> 00:36:57,219
you mean you're the doctor that that was

711
00:37:04,079 --> 00:37:00,630
bleeding that was that was lending such

712
00:37:06,599 --> 00:37:04,089
credibility to the story that AMD was

713
00:37:09,449 --> 00:37:06,609

involved I mean this is like this is not

714

00:37:12,749 --> 00:37:09,459

just this is an empty in Boston

715

00:37:16,140 --> 00:37:12,759

supposedly prestigious practice who is

716

00:37:19,769 --> 00:37:16,150

treating this person and he said now

717

00:37:24,809 --> 00:37:19,779

that was totally not not totally

718

00:37:29,160 --> 00:37:24,819

reported yes I did say not no no overt

719

00:37:31,439 --> 00:37:29,170

lying but on the other hand it wasn't

720

00:37:34,579 --> 00:37:31,449

within his realm of reality but that's

721

00:37:37,769 --> 00:37:34,589

what have happened so he explained to me

722

00:37:40,259 --> 00:37:37,779

what he thought had really happened and

723

00:37:42,420 --> 00:37:40,269

and I just could and I think I have said

724

00:37:44,099 --> 00:37:42,430

this on his show in the past but I don't

725

00:37:46,920 --> 00:37:44,109

know if this could happen today it was a

726
00:37:48,949 --> 00:37:46,930
public case so I'm not sure but because

727
00:37:51,120 --> 00:37:48,959
of confidentiality

728
00:37:54,359 --> 00:37:51,130
situations I'm not sure that he could

729
00:37:58,049 --> 00:37:54,369
have spoken to me so freely and what he

730
00:38:01,709 --> 00:37:58,059
said is this was the early 1960s it was

731
00:38:05,849 --> 00:38:01,719
in the height of civil rights this was

732
00:38:09,469 --> 00:38:05,859
an interracial couple in white-bread New

733
00:38:11,220 --> 00:38:09,479
Hampshire Barney had many difficulties

734
00:38:15,620 --> 00:38:11,230
struggles with stress

735
00:38:18,420 --> 00:38:15,630
coping with this interracial marriage he

736
00:38:20,849 --> 00:38:18,430
apparently had an ulcer had some you

737
00:38:26,700 --> 00:38:20,859
know a lot of difficulties and and he

738
00:38:29,420 --> 00:38:26,710

saw this as a combination of some

739

00:38:32,849 --> 00:38:29,430

delusions and some manifestations of

740

00:38:35,130 --> 00:38:32,859

anxiety and and I know probably people

741

00:38:37,020 --> 00:38:35,140

are you know just saying that can't be

742

00:38:41,880 --> 00:38:37,030

but just just deal with me for a minute

743

00:38:44,099 --> 00:38:41,890

that there is a there is a a psychiatric

744

00:38:46,500 --> 00:38:44,109

condition called follow you do it

745

00:38:50,700 --> 00:38:46,510

believe it is where two people can share

746

00:38:56,550 --> 00:38:50,710

the same delusion and in mind that this

747

00:38:58,800 --> 00:38:56,560

had occurred in 1961 the UM the incident

748

00:39:02,580 --> 00:38:58,810

itself and it was a couple of years

749

00:39:06,300 --> 00:39:02,590

later before they thought hypnosis and

750

00:39:11,330 --> 00:39:06,310

so there was a time period of you know a

751
00:39:14,130 --> 00:39:11,340
big gap and they had sought out his

752
00:39:17,849 --> 00:39:14,140
counsel and treatment to help with

753
00:39:19,290 --> 00:39:17,859
anxiety and help cope and you know try

754
00:39:23,490 --> 00:39:19,300
to figure out what had happened

755
00:39:26,340 --> 00:39:23,500
so anyway his conclusion was as the

756
00:39:28,530 --> 00:39:26,350
treating psychiatrist for the hill they

757
00:39:32,430 --> 00:39:28,540
did not experience this in my opinion

758
00:39:36,260 --> 00:39:32,440
and that they had another thing going on

759
00:39:41,190 --> 00:39:36,270
and it was a kind of combination of

760
00:39:43,770 --> 00:39:41,200
dreams and beliefs and delusions and

761
00:39:45,960 --> 00:39:43,780
that sort of thing so it was quite

762
00:39:49,020 --> 00:39:45,970
shocking to me and it was like bursting

763
00:39:50,580 --> 00:39:49,030

my balloon and I thought oh geez you

764

00:39:53,940 --> 00:39:50,590

know that was like the best case and

765

00:39:55,680 --> 00:39:53,950

whatever and but yet I was left with you

766

00:39:58,080 --> 00:39:55,690

know the situation with my brother and

767

00:40:00,750 --> 00:39:58,090

so having said that he said it until

768

00:40:01,890 --> 00:40:00,760

therefore just just before you move into

769

00:40:05,190 --> 00:40:01,900

about your brother a little more I'm

770

00:40:08,490 --> 00:40:05,200

sorry to have interrupted you but what

771

00:40:10,620 --> 00:40:08,500

what are your feelings now about the

772

00:40:16,280 --> 00:40:10,630

Betty and Barney case after you had

773

00:40:24,990 --> 00:40:22,830

so I I guess so I want to say from the

774

00:40:29,099 --> 00:40:25,000

from the beginning the

775

00:40:32,609 --> 00:40:29,109

I believe something is happening in the

776

00:40:35,599 --> 00:40:32,619

world I believe that there are too many

777

00:40:39,270 --> 00:40:35,609

credible people having these experiences

778

00:40:44,609 --> 00:40:39,280

and sightings there are just too many

779

00:40:46,740 --> 00:40:44,619

and and so I believe something is

780

00:40:53,430 --> 00:40:46,750

happening however in this particular

781

00:40:55,530 --> 00:40:53,440

case I really questioned it so and I

782

00:41:02,580 --> 00:40:55,540

didn't think I would go down this path

783

00:41:04,530 --> 00:41:02,590

exactly but years later I I did do some

784

00:41:06,690 --> 00:41:04,540

more research into the Betty and Barney

785

00:41:08,550 --> 00:41:06,700

Hill case so what I'm trying to say is I

786

00:41:11,430 --> 00:41:08,560

believe that people are having

787

00:41:14,660 --> 00:41:11,440

experiences I believe that there are you

788

00:41:17,160 --> 00:41:14,670

know there people are seeing things

789

00:41:19,830 --> 00:41:17,170

however I'm not sure about this

790

00:41:23,310 --> 00:41:19,840

particular case that was a huge blow in

791

00:41:27,510 --> 00:41:23,320

that clinical case for me and then

792

00:41:28,650 --> 00:41:27,520

further on I coincidentally if we

793

00:41:31,020 --> 00:41:28,660

believe in coincidences and

794

00:41:35,700 --> 00:41:31,030

synchronicity and all of that wild up

795

00:41:38,880 --> 00:41:35,710

living within oh an easy half-hour of

796

00:41:42,480 --> 00:41:38,890

the actual landing site of the hill case

797

00:41:46,040 --> 00:41:42,490

and there were some further things that

798

00:41:52,700 --> 00:41:46,050

I people had done some research on

799

00:41:56,849 --> 00:41:52,710

namely that going through the the knotch

800

00:41:59,760 --> 00:41:56,859

white mountains mm Franconia Notch I

801
00:42:02,790 --> 00:41:59,770
would go through there many times at

802
00:42:04,980 --> 00:42:02,800
night and I would see any UFO and I

803
00:42:08,609 --> 00:42:04,990
would get excited because I would like

804
00:42:12,000 --> 00:42:08,619
to see another UFO and and but no it was

805
00:42:13,890 --> 00:42:12,010
not a UFO it was the search light on top

806
00:42:20,460 --> 00:42:13,900
of Cannon Mountain and as you drive

807
00:42:22,410 --> 00:42:20,470
through the the knotch it'll will appear

808
00:42:26,579 --> 00:42:22,420
it's on the topic in amount it appears

809
00:42:29,880 --> 00:42:26,589
to dip and go up and down type of thing

810
00:42:33,180 --> 00:42:29,890
and somebody research that and sure

811
00:42:34,470 --> 00:42:33,190
enough it was put up in 1959 it did

812
00:42:37,950 --> 00:42:34,480
exist at that time

813
00:42:38,850 --> 00:42:37,960

and so a man by the name of Jim McDonald

814

00:42:42,930 --> 00:42:38,860

who is a

815

00:42:46,590 --> 00:42:42,940

Navy a naval have worked for the Navy

816

00:42:50,090 --> 00:42:46,600

and did and lives up in the Colebrook

817

00:42:54,030 --> 00:42:50,100

New Hampshire area didn't a thorough

818

00:42:56,910 --> 00:42:54,040

investigation and kind of attract the

819

00:43:01,080 --> 00:42:56,920

whole path and came up with some really

820

00:43:03,360 --> 00:43:01,090

interesting information about you know

821

00:43:07,080 --> 00:43:03,370

thinking it was the light on Cannon

822

00:43:09,450 --> 00:43:07,090

Mountain and also some other sites that

823

00:43:11,490 --> 00:43:09,460

were around there that could have been

824

00:43:15,900 --> 00:43:11,500

mistaken you could see the light

825

00:43:19,950 --> 00:43:15,910

appearing to come down you could see a

826

00:43:22,260 --> 00:43:19,960

billboard for the Jack O'Lantern motel

827

00:43:26,040 --> 00:43:22,270

which is still there not not the

828

00:43:27,960 --> 00:43:26,050

billboard but it was a huge orange I

829

00:43:31,620 --> 00:43:27,970

remember this as a child I used to go

830

00:43:36,830 --> 00:43:31,630

there Jacqueline and at night we have

831

00:43:40,700 --> 00:43:36,840

back in 1961 there weren't those lights

832

00:43:44,130 --> 00:43:40,710

street lights on that desolate world and

833

00:43:48,360 --> 00:43:44,140

you know if you're driving I could see

834

00:43:51,180 --> 00:43:48,370

how you would see a big orange glowing

835

00:43:53,580 --> 00:43:51,190

object that would appear to be near

836

00:43:56,190 --> 00:43:53,590

horizon she didn't know what that was

837

00:43:58,340 --> 00:43:56,200

that was one of the things they saw so

838

00:44:04,020 --> 00:43:58,350

we did a really good job at you know

839

00:44:09,560 --> 00:44:04,030

suggesting alternatives so I am I am you

840

00:44:14,850 --> 00:44:09,570

know I think that they weren't lying I

841

00:44:19,200 --> 00:44:14,860

think they had some sort of fighting but

842

00:44:22,500 --> 00:44:19,210

I'm not so sure that it wasn't something

843

00:44:24,780 --> 00:44:22,510

other than some other things that they

844

00:44:27,030 --> 00:44:24,790

misinterpreted and that it got all

845

00:44:30,300 --> 00:44:27,040

mishmash you know over a period of years

846

00:44:33,810 --> 00:44:30,310

before they sought out by hypnosis but

847

00:44:37,590 --> 00:44:33,820

didn't get turned into you know it's a

848

00:44:40,830 --> 00:44:37,600

lot of time to elapse where things could

849

00:44:42,920 --> 00:44:40,840

get in even though they said well they

850

00:44:46,020 --> 00:44:42,930

were separated and they independently

851

00:44:48,300 --> 00:44:46,030

reported these things they were with

852

00:44:50,760 --> 00:44:48,310

each other for years and this was

853

00:44:52,630 --> 00:44:50,770

something that was obviously on your

854

00:44:54,910 --> 00:44:52,640

mind and it's concerned the

855

00:44:57,190 --> 00:44:54,920

they were going to places and trying to

856

00:44:59,559 --> 00:44:57,200

figure it out so it was discussion

857

00:45:01,569 --> 00:44:59,569

between them it wasn't you know I don't

858

00:45:05,220 --> 00:45:01,579

and if you listen this is really

859

00:45:10,049 --> 00:45:05,230

interesting I think for your listeners

860

00:45:16,150 --> 00:45:10,059

it's on YouTube you can go and listen to

861

00:45:19,660 --> 00:45:16,160

the actual Benjamin Simon recordings

862

00:45:22,630 --> 00:45:19,670

talking the actual recordings yes you

863

00:45:25,089 --> 00:45:22,640

can hear him talking to them and what

864

00:45:28,120 --> 00:45:25,099

they're saying and it's really

865

00:45:31,000 --> 00:45:28,130

interesting because it's not exactly how

866

00:45:32,670 --> 00:45:31,010

things get locked into the final product

867

00:45:35,079 --> 00:45:32,680

I mean at first

868

00:45:37,029 --> 00:45:35,089

Barney was reporting them is looking

869

00:45:39,490 --> 00:45:37,039

like Nazis and they were looking like

870

00:45:41,140 --> 00:45:39,500

Irishmen and they said well why do you

871

00:45:43,750 --> 00:45:41,150

think he's an Irishman look if he has

872

00:45:46,750 --> 00:45:43,760

red hair and it's known that Irish

873

00:45:49,150 --> 00:45:46,760

people don't like Negroes and so when

874

00:45:53,529 --> 00:45:49,160

you hear the whole story and then you

875

00:45:56,319 --> 00:45:53,539

hear from the horse's mouth so to speak

876

00:45:58,599 --> 00:45:56,329

the psychiatrists say I treated them I

877

00:45:59,380 --> 00:45:58,609

saw the whole picture that is not what

878

00:46:02,680 --> 00:45:59,390

happened to them

879

00:46:06,130 --> 00:46:02,690

it did put a hole in the story for me so

880

00:46:08,289 --> 00:46:06,140

at the end of the day I guess I I don't

881

00:46:10,990 --> 00:46:08,299

know I I really have some doubts about

882

00:46:13,870 --> 00:46:11,000

that particular story that does not mean

883

00:46:15,940 --> 00:46:13,880

I I don't think it happened because I

884

00:46:18,160 --> 00:46:15,950

think it I think things are happening

885

00:46:22,630 --> 00:46:18,170

but that particular story I think

886

00:46:25,059 --> 00:46:22,640

because of researching it further and

887

00:46:28,990 --> 00:46:25,069

I've recently been up there to kind of

888

00:46:31,960 --> 00:46:29,000

go through the past myself I see how

889

00:46:35,680 --> 00:46:31,970

that that could have happened how those

890

00:46:37,749 --> 00:46:35,690

things were misinterpreted and and you

891

00:46:40,029 --> 00:46:37,759

know misinterpreted honestly and turned

892

00:46:42,220 --> 00:46:40,039

into doubt in their mind you know I

893

00:46:44,140 --> 00:46:42,230

brought this up I think last time I

894

00:46:47,559 --> 00:46:44,150

spoke with Kathy Martin or when I saw

895

00:46:49,569 --> 00:46:47,569

her perhaps in Phoenix I sat and talked

896

00:46:53,319 --> 00:46:49,579

with you a little while about this right

897

00:46:55,980 --> 00:46:53,329

one of the things she has also mentioned

898

00:46:58,740 --> 00:46:55,990

is that there was an ongoing history of

899

00:47:02,140 --> 00:46:58,750

abductions and the family you know

900

00:47:04,660 --> 00:47:02,150

coincidentally I don't know you know so

901
00:47:05,900 --> 00:47:04,670
there is this is just a mystery we won't

902
00:47:08,450 --> 00:47:05,910
really get

903
00:47:10,640 --> 00:47:08,460
too far so now I mean we won't I mean

904
00:47:13,329 --> 00:47:10,650
all I can say about it and you know this

905
00:47:16,880 --> 00:47:13,339
is only it just a little part of my

906
00:47:18,529 --> 00:47:16,890
experience my my journey with the UFO

907
00:47:21,650 --> 00:47:18,539
story so it's not here to talk about

908
00:47:24,589 --> 00:47:21,660
just this one case but I I guess the

909
00:47:28,190 --> 00:47:24,599
most interesting thing for me was to

910
00:47:31,220 --> 00:47:28,200
talk about it to my to to this person

911
00:47:35,120 --> 00:47:31,230
the psychiatrist have him discount it

912
00:47:38,210 --> 00:47:35,130
totally and then suggest that my brother

913
00:47:40,750 --> 00:47:38,220

had it in his opinion had had a

914

00:47:43,960 --> 00:47:40,760

psychiatric break that he was probably

915

00:47:46,760 --> 00:47:43,970

psychotic and needed immediate

916

00:47:48,620 --> 00:47:46,770

psychiatric attention so that was the

917

00:47:52,390 --> 00:47:48,630

bottom line he certainly wasn't at all

918

00:47:55,250 --> 00:47:52,400

feeding into any kind of you know

919

00:47:58,160 --> 00:47:55,260

treatment that it would be you know he

920

00:48:00,289 --> 00:47:58,170

needs to go into this specialized UFO

921

00:48:02,059 --> 00:48:00,299

people that know how to deal with that

922

00:48:05,359 --> 00:48:02,069

he was like you need to get him

923

00:48:07,549 --> 00:48:05,369

somewhere because he's a sick person so

924

00:48:11,750 --> 00:48:07,559

that didn't happen that didn't happen

925

00:48:15,470 --> 00:48:11,760

my brother continued on he he struggled

926

00:48:17,539 --> 00:48:15,480

I like to talk about it he did not like

927

00:48:19,309 --> 00:48:17,549

to talk about it he was traumatized and

928

00:48:20,690 --> 00:48:19,319

at some points that I will not talk

929

00:48:23,779 --> 00:48:20,700

about this anymore

930

00:48:25,400 --> 00:48:23,789

okay but I before before you move on and

931

00:48:27,079 --> 00:48:25,410

you don't have to give any details

932

00:48:29,990 --> 00:48:27,089

because you just kind of outline that

933

00:48:33,319 --> 00:48:30,000

just know but someone did ask a couple

934

00:48:37,819 --> 00:48:33,329

things earlier on in the message port

935

00:48:40,940 --> 00:48:37,829

and that was um did you did you think or

936

00:48:44,470 --> 00:48:40,950

did your brother assume that the this

937

00:48:47,630 --> 00:48:44,480

was a malevolent abduction and also

938

00:48:49,299 --> 00:48:47,640

don't know Evelyn absolutely and did he

939

00:48:54,980 --> 00:48:49,309

describe the beings at all

940

00:48:56,420 --> 00:48:54,990

I'm he did um okay is that you tell you

941

00:48:58,940 --> 00:48:56,430

want to stay away from her are you and

942

00:49:03,289 --> 00:48:58,950

are you know I tell you I can tell you

943

00:49:06,319 --> 00:49:03,299

everything um so the detail as much as I

944

00:49:09,289 --> 00:49:06,329

could you know clean at that time was

945

00:49:10,849 --> 00:49:09,299

and and this was really also you know I

946

00:49:15,859 --> 00:49:10,859

just want to back up a little bit bit

947

00:49:17,930 --> 00:49:15,869

and say okay so one could wonder I was

948

00:49:18,829 --> 00:49:17,940

interested in the subject I brought the

949

00:49:19,820 --> 00:49:18,839

books around

950

00:49:22,240 --> 00:49:19,830

I watched the moon

951
00:49:24,980 --> 00:49:22,250
these it was around it was the somehow

952
00:49:27,980 --> 00:49:24,990
something that was planted in his brain

953
00:49:31,910 --> 00:49:27,990
and somehow you know came out because of

954
00:49:34,370 --> 00:49:31,920
that but his case was so odd this wasn't

955
00:49:35,960 --> 00:49:34,380
Betty and Barney Hill case was they were

956
00:49:38,000 --> 00:49:35,970
just happen to be in them you know it

957
00:49:39,920 --> 00:49:38,010
sounds like possibly the wrong place at

958
00:49:43,580 --> 00:49:39,930
the wrong time and you know this

959
00:49:46,130 --> 00:49:43,590
encounter happened this was involved

960
00:49:48,200 --> 00:49:46,140
another person that they didn't take

961
00:49:51,830 --> 00:49:48,210
they only took my brother right there

962
00:49:53,570 --> 00:49:51,840
that would seem strange to me and that

963
00:49:56,360 --> 00:49:53,580

they told him that they had taken him

964

00:49:57,020 --> 00:49:56,370

before I may continue to take him at any

965

00:50:00,650 --> 00:49:57,030

time

966

00:50:02,630 --> 00:50:00,660

and that certainly wasn't any kind of a

967

00:50:06,320 --> 00:50:02,640

pattern I had ever heard before and the

968

00:50:10,720 --> 00:50:06,330

whole story really was you know a little

969

00:50:14,990 --> 00:50:10,730

bizarre so the description of the beings

970

00:50:15,890 --> 00:50:15,000

were not little grey but very large

971

00:50:19,880 --> 00:50:15,900

beings

972

00:50:23,090 --> 00:50:19,890

I believe it's not anything that you

973

00:50:24,890 --> 00:50:23,100

know since I can really pinpoint but

974

00:50:27,710 --> 00:50:24,900

they weren't they weren't small they

975

00:50:31,130 --> 00:50:27,720

were very large they did terrible things

976

00:50:33,050 --> 00:50:31,140

to him and he absolutely could could

977

00:50:35,540 --> 00:50:33,060

barely ever talk about it before

978

00:50:40,970 --> 00:50:35,550

breaking down into tears which was not

979

00:50:43,610 --> 00:50:40,980

at all his you know personality type and

980

00:50:45,350 --> 00:50:43,620

and obviously something something

981

00:50:49,390 --> 00:50:45,360

happened to him I believe something

982

00:50:52,400 --> 00:50:49,400

happened to him I don't know but but I

983

00:50:54,020 --> 00:50:52,410

you know certainly it fits fits a

984

00:50:57,260 --> 00:50:54,030

profile although there were these odd

985

00:51:00,980 --> 00:50:57,270

features about having been taken before

986

00:51:03,440 --> 00:51:00,990

and and one person being sort of

987

00:51:06,020 --> 00:51:03,450

suspended and not taking the other one

988

00:51:08,300 --> 00:51:06,030

and that was really rather odd and so

989

00:51:10,670 --> 00:51:08,310

after I talked to Benjamin Simon I

990

00:51:14,420 --> 00:51:10,680

thought well I mean maybe he insect may

991

00:51:16,550 --> 00:51:14,430

be an issue and nothing really happens

992

00:51:20,650 --> 00:51:16,560

with that I mean he just contained on he

993

00:51:24,110 --> 00:51:20,660

did have some anxiety issues and he

994

00:51:25,850 --> 00:51:24,120

wouldn't talk about it with me really

995

00:51:29,390 --> 00:51:25,860

you know once in a while hit hit on the

996

00:51:33,500 --> 00:51:29,400

subject and and he did say to me well

997

00:51:37,490 --> 00:51:33,510

maybe they took you to so

998

00:51:40,970 --> 00:51:37,500

I thought well I have no memory of that

999

00:51:43,670 --> 00:51:40,980

and I have nothing in my life I thought

1000

00:51:46,099 --> 00:51:43,680

though at that time that would lead me

1001
00:51:50,770 --> 00:51:46,109
to believe that anything like that had

1002
00:51:54,650 --> 00:51:50,780
happened to me so so we now fast forward

1003
00:51:57,170 --> 00:51:54,660
10 years later and I have put my

1004
00:51:59,690 --> 00:51:57,180
brother's story kind of as a mystery a

1005
00:52:02,920 --> 00:51:59,700
question but thinking maybe maybe it

1006
00:52:05,930 --> 00:52:02,930
wasn't because of the Benjamin Simon

1007
00:52:10,359 --> 00:52:05,940
discussion possibly this was a

1008
00:52:14,870 --> 00:52:10,369
psychiatric issue and not a UFO

1009
00:52:17,270 --> 00:52:14,880
abduction and I had still continued

1010
00:52:19,880 --> 00:52:17,280
reading whenever there was something

1011
00:52:22,760 --> 00:52:19,890
around to read or whatever but I was

1012
00:52:25,849 --> 00:52:22,770
home one day from work and there was a

1013
00:52:31,580 --> 00:52:25,859

show on television Sally Jessy Raphael I

1014

00:52:33,440 --> 00:52:31,590

don't know it's a talk show and I was

1015

00:52:35,090 --> 00:52:33,450

never home during the day but I thought

1016

00:52:38,300 --> 00:52:35,100

I must have been home sick or something

1017

00:52:41,000 --> 00:52:38,310

and she was on and she brought this you

1018

00:52:43,730 --> 00:52:41,010

know and his the guest was about Hopkins

1019

00:52:45,950 --> 00:52:43,740

and Budd Hopkins started telling the

1020

00:52:48,740 --> 00:52:45,960

story yet written this book missing time

1021

00:52:50,840 --> 00:52:48,750

and he said we're now finding out that

1022

00:52:53,300 --> 00:52:50,850

there are people and they can be with

1023

00:52:56,030 --> 00:52:53,310

other people but they don't take because

1024

00:52:58,849 --> 00:52:56,040

a person they just take one person and

1025

00:53:01,790 --> 00:52:58,859

they select out well the other person is

1026
00:53:04,580 --> 00:53:01,800
sort of suspended and they can take

1027
00:53:09,050 --> 00:53:04,590
people over their entire lives starting

1028
00:53:13,160 --> 00:53:09,060
from you know childhood on and the more

1029
00:53:17,120 --> 00:53:13,170
he spoke the more my brother's case I

1030
00:53:20,690 --> 00:53:17,130
thought this is all this stuff that my

1031
00:53:24,730 --> 00:53:20,700
brother was saying a decade ago and I

1032
00:53:29,330 --> 00:53:24,740
was you know this was sort of very

1033
00:53:34,359 --> 00:53:29,340
enlightening and upsetting so I I read

1034
00:53:36,470 --> 00:53:34,369
the book I will say whether it was just

1035
00:53:38,270 --> 00:53:36,480
suggestion or whatever as I read it

1036
00:53:40,310 --> 00:53:38,280
there were things about it that was that

1037
00:53:42,950 --> 00:53:40,320
was disturbing to me personally I can't

1038
00:53:47,390 --> 00:53:42,960

tell you exactly but as I read it I did

1039

00:53:53,539 --> 00:53:47,400

feel uneasy and but it

1040

00:53:55,130 --> 00:53:53,549

really it really did sound like my

1041

00:53:59,049 --> 00:53:55,140

brother's case there was there was so

1042

00:54:02,930 --> 00:53:59,059

much about it that was similar so I

1043

00:54:05,809 --> 00:54:02,940

called information it said on the jacket

1044

00:54:08,450 --> 00:54:05,819

cover that Don Hopkins summers and

1045

00:54:10,940 --> 00:54:08,460

Wellesley and it was summer and I

1046

00:54:12,950 --> 00:54:10,950

thought well I called information for

1047

00:54:15,109 --> 00:54:12,960

Wellesley and I said can I have the

1048

00:54:17,180 --> 00:54:15,119

number for but Hopkins thinking of

1049

00:54:20,900 --> 00:54:17,190

course he's not going to show the listed

1050

00:54:24,440 --> 00:54:20,910

number but he did so I called him and I

1051
00:54:28,160 --> 00:54:24,450
thought hi answer machine days well

1052
00:54:31,999 --> 00:54:28,170
still but hi it was new you know

1053
00:54:34,190 --> 00:54:32,009
hi you know I case my brother I don't

1054
00:54:34,999 --> 00:54:34,200
know whatever I blabbed it on and here's

1055
00:54:37,249 --> 00:54:35,009
my phone number

1056
00:54:41,660 --> 00:54:37,259
and I'm thinking and he's never going to

1057
00:54:45,400 --> 00:54:41,670
call me back but he did and so we had a

1058
00:54:48,829 --> 00:54:45,410
really nice exchange and he totally

1059
00:54:51,170 --> 00:54:48,839
thought this took the profile of all of

1060
00:54:54,680 --> 00:54:51,180
the things that he had been you know

1061
00:54:57,890 --> 00:54:54,690
hearing and was you know I should know

1062
00:55:01,880 --> 00:54:57,900
deeply involved in also and the first

1063
00:55:03,710 --> 00:55:01,890

one to be treating people in that he was

1064

00:55:07,569 --> 00:55:03,720

doing hypnosis that's another subject

1065

00:55:10,489 --> 00:55:07,579

but he was doing regressive hypnosis

1066

00:55:15,410 --> 00:55:10,499

attempt you know to help people cope and

1067

00:55:17,569 --> 00:55:15,420

also he had established in the support

1068

00:55:21,289 --> 00:55:17,579

group in New York City and had offered

1069

00:55:23,900 --> 00:55:21,299

both of those modalities to my brother

1070

00:55:27,229 --> 00:55:23,910

you know he would see internalized and

1071

00:55:30,739 --> 00:55:27,239

he would offer him support group in New

1072

00:55:34,029 --> 00:55:30,749

York and my brother would hear of none

1073

00:55:36,349 --> 00:55:34,039

of it he just did not want to go there

1074

00:55:39,739 --> 00:55:36,359

he wanted nothing to do with it

1075

00:55:43,460 --> 00:55:39,749

whatsoever and so I did suggest it to

1076
00:55:46,099 --> 00:55:43,470
him and by talking at that time was just

1077
00:55:50,079 --> 00:55:46,109
working with David Jacobs and all the

1078
00:55:52,220 --> 00:55:50,089
whole thing about the you know genetic

1079
00:55:54,019 --> 00:55:52,230
manipulation was just coming out so I

1080
00:55:56,630 --> 00:55:54,029
actually heard that firsthand

1081
00:55:59,720 --> 00:55:56,640
I never read it I mean I heard it right

1082
00:56:01,160 --> 00:55:59,730
from but when he was doing that working

1083
00:56:03,460 --> 00:56:01,170
with David Jake

1084
00:56:06,170 --> 00:56:03,470
they were talking about you know the

1085
00:56:08,450 --> 00:56:06,180
genetic manipulations and hybrids and

1086
00:56:11,900 --> 00:56:08,460
and all of that and you know quite

1087
00:56:14,329 --> 00:56:11,910
terrifying for bud to say you know the

1088
00:56:16,849 --> 00:56:14,339

first person to say this introduced this

1089

00:56:19,460 --> 00:56:16,859

to me well I think they're taking eggs

1090

00:56:21,440 --> 00:56:19,470

and you know women and they're doing

1091

00:56:25,400 --> 00:56:21,450

these things and you know it was pretty

1092

00:56:28,970 --> 00:56:25,410

frightening but it was in those days and

1093

00:56:30,710 --> 00:56:28,980

and then God said to me independently

1094

00:56:34,700 --> 00:56:30,720

not knowing what my brother had said to

1095

00:56:39,260 --> 00:56:34,710

me you know previously previous yes he

1096

00:56:42,079 --> 00:56:39,270

said well it's a possible you have been

1097

00:56:46,910 --> 00:56:42,089

taken and I said you know when I read

1098

00:56:49,609 --> 00:56:46,920

your book I uneasy but no I mean there's

1099

00:56:56,620 --> 00:56:49,619

nothing that I can see here that is a

1100

00:56:59,870 --> 00:56:56,630

missing time scenario so you know he was

1101

00:57:01,849 --> 00:56:59,880

always we had a little bit of a

1102

00:57:04,039 --> 00:57:01,859

telephone relationship for some years

1103

00:57:06,859 --> 00:57:04,049

and he would say well whenever you're

1104

00:57:08,480 --> 00:57:06,869

ready you know to be hypnotized again

1105

00:57:10,670 --> 00:57:08,490

you know I have mixed feelings about

1106

00:57:12,710 --> 00:57:10,680

that at that time I really did not think

1107

00:57:15,289 --> 00:57:12,720

you know there was really anything going

1108

00:57:16,880 --> 00:57:15,299

on and they wondered about that I'm like

1109

00:57:20,120 --> 00:57:16,890

well I'm I'm telling you you know I

1110

00:57:24,099 --> 00:57:20,130

don't I don't think so and you know he

1111

00:57:31,160 --> 00:57:24,109

was I don't want to say persistent but

1112

00:57:32,839 --> 00:57:31,170

you know he was very persistent but he I

1113

00:57:35,750 --> 00:57:32,849

guess he was just offering it was just

1114

00:57:41,420 --> 00:57:35,760

there for me to do so then we skip along

1115

00:57:43,490 --> 00:57:41,430

a couple of years later and this I'm a

1116

00:57:46,400 --> 00:57:43,500

little uneasy talking about publicly

1117

00:57:52,730 --> 00:57:46,410

publicly but I will

1118

00:57:56,240 --> 00:57:52,740

so I started having these situations

1119

00:57:59,900 --> 00:57:56,250

where it would wake up in the middle of

1120

00:58:02,539 --> 00:57:59,910

the night and I would hear something

1121

00:58:06,200 --> 00:58:02,549

like a whirring sound is the best way I

1122

00:58:10,370 --> 00:58:06,210

can describe it but it was more than a

1123

00:58:15,050 --> 00:58:10,380

sound it was a vibration as well and I

1124

00:58:18,230 --> 00:58:15,060

would feel some Terra and

1125

00:58:20,750 --> 00:58:18,240

I would I would have what people I'm

1126
00:58:23,420 --> 00:58:20,760
sure some people and I've researched

1127
00:58:26,360 --> 00:58:23,430
this as well could be sleep paralysis

1128
00:58:29,300 --> 00:58:26,370
and that I couldn't move I had no

1129
00:58:33,080 --> 00:58:29,310
control and I was screaming because I

1130
00:58:35,660 --> 00:58:33,090
was so frightened and even though I knew

1131
00:58:38,720 --> 00:58:35,670
I was screaming I know that there was no

1132
00:58:40,490 --> 00:58:38,730
sound coming out and something happened

1133
00:58:43,190 --> 00:58:40,500
about my house

1134
00:58:45,500 --> 00:58:43,200
whatever the sound was or whatever was

1135
00:58:47,960 --> 00:58:45,510
coming from above and I didn't feel like

1136
00:58:51,140 --> 00:58:47,970
I was sleeping and it has never happened

1137
00:58:55,790 --> 00:58:51,150
to me before but I felt like I was being

1138
00:59:00,410 --> 00:58:55,800

taken up and all I remember I have no

1139

00:59:06,070 --> 00:59:00,420

visual of any kind of beings but I have

1140

00:59:08,900 --> 00:59:06,080

the two senses one is a very powerful

1141

00:59:11,890 --> 00:59:08,910

like a punching of the upper solar

1142

00:59:17,360 --> 00:59:11,900

plexus from the inside out very

1143

00:59:22,460 --> 00:59:17,370

uncomfortable and that happened at least

1144

00:59:27,890 --> 00:59:22,470

three times that I know of and and I

1145

00:59:31,040 --> 00:59:27,900

remember thinking when it happened on a

1146

00:59:31,460 --> 00:59:31,050

couple of occasions think oh not this

1147

00:59:37,760 --> 00:59:31,470

again

1148

00:59:38,570 --> 00:59:37,770

and I would say hurry up and just get

1149

00:59:42,500 --> 00:59:38,580

this over with

1150

00:59:43,010 --> 00:59:42,510

like just get it done do it and get it

1151

00:59:48,260 --> 00:59:43,020

over with

1152

00:59:53,210 --> 00:59:48,270

and I had some very bad feeling about a

1153

00:59:56,000 --> 00:59:53,220

field across the street and in those

1154

00:59:59,330 --> 00:59:56,010

days my situation was I was alone a lot

1155

01:00:01,760 --> 00:59:59,340

at night and I I did have this feeling

1156

01:00:05,990 --> 01:00:01,770

that I had been in that field somehow

1157

01:00:08,450 --> 01:00:06,000

and even now it still hot but I when I

1158

01:00:11,540 --> 01:00:08,460

go by it I have a sudden you see feeling

1159

01:00:15,260 --> 01:00:11,550

so I don't know what that was and one

1160

01:00:19,130 --> 01:00:15,270

could say because of my whole story

1161

01:00:22,760 --> 01:00:19,140

I keep an open mind about everything and

1162

01:00:24,710 --> 01:00:22,770

I try to explain things you know in a

1163

01:00:27,260 --> 01:00:24,720

logical manner and one of them is call

1164

01:00:29,049 --> 01:00:27,270

you had been in in the past talking to

1165

01:00:31,519 --> 01:00:29,059

bud Hopkins

1166

01:00:34,940 --> 01:00:31,529

you know but have been planted in your

1167

01:00:37,039 --> 01:00:34,950

praying you could have been going to and

1168

01:00:40,339 --> 01:00:37,049

you know some sort of a stressful time

1169

01:00:43,160 --> 01:00:40,349

and it played itself out this way and so

1170

01:00:45,079 --> 01:00:43,170

all of those things certainly you know

1171

01:00:48,229 --> 01:00:45,089

have to be considered and I think in the

1172

01:00:50,359 --> 01:00:48,239

UFO realm one has to be critically think

1173

01:00:52,099 --> 01:00:50,369

about these things like you know you

1174

01:00:55,339 --> 01:00:52,109

were talking to the guy who read his

1175

01:00:56,839 --> 01:00:55,349

book you know you had the sighting you

1176

01:01:00,920 --> 01:00:56,849

have the interest

1177

01:01:03,890 --> 01:01:00,930

so was it planted there or you know did

1178

01:01:06,559 --> 01:01:03,900

something really happen you know and I

1179

01:01:09,099 --> 01:01:06,569

have no proof i I just remember at that

1180

01:01:11,660 --> 01:01:09,109

time that when it would get dark I would

1181

01:01:13,249 --> 01:01:11,670

start pulling the shades down and I

1182

01:01:16,819 --> 01:01:13,259

would think well that's not going to

1183

01:01:18,799 --> 01:01:16,829

stop them but I was really pretty pretty

1184

01:01:21,349 --> 01:01:18,809

frightened and there was nothing like

1185

01:01:23,390 --> 01:01:21,359

talk to anyone about really because I

1186

01:01:26,239 --> 01:01:23,400

was working as a hospital social worker

1187

01:01:30,199 --> 01:01:26,249

I was a new mother I had a child I lived

1188

01:01:33,910 --> 01:01:30,209

a functional life you know to go into

1189

01:01:38,229 --> 01:01:33,920

work and say well you know last night

1190

01:01:43,699 --> 01:01:38,239

it's possible I was taken up it's like

1191

01:01:45,949 --> 01:01:43,709

some crafts and things and whatever it

1192

01:01:49,640 --> 01:01:45,959

was just nothing that I could really you

1193

01:01:52,819 --> 01:01:49,650

know talk to anyone about and so anyway

1194

01:01:57,949 --> 01:01:52,829

those were my those my personal

1195

01:02:00,650 --> 01:01:57,959

experiences and you know it

1196

01:02:03,799 --> 01:02:00,660

and after that whenever I would look for

1197

01:02:06,979 --> 01:02:03,809

a house if it had any open field

1198

01:02:09,349 --> 01:02:06,989

surrounded or any open spaces I wouldn't

1199

01:02:12,739 --> 01:02:09,359

I wouldn't buy the house because I just

1200

01:02:14,809 --> 01:02:12,749

didn't want a potential landing site

1201
01:02:18,019 --> 01:02:14,819
although I don't think that's necessary

1202
01:02:21,819 --> 01:02:18,029
and I'll just add this one little detail

1203
01:02:23,839 --> 01:02:21,829
that years later I went back to the

1204
01:02:26,630 --> 01:02:23,849
neighborhood where I had lived with

1205
01:02:29,299 --> 01:02:26,640
those experiences happen I believe

1206
01:02:31,189 --> 01:02:29,309
happened and I was talking to a neighbor

1207
01:02:35,029 --> 01:02:31,199
that ideally didn't know that well at

1208
01:02:37,279 --> 01:02:35,039
the time when I lived there and she I

1209
01:02:40,939 --> 01:02:37,289
don't know how it even came up but I

1210
01:02:42,850 --> 01:02:40,949
said you know I was always afraid afraid

1211
01:02:45,640 --> 01:02:42,860
in that house because

1212
01:02:49,300 --> 01:02:45,650
I know this will sound crazy but I used

1213
01:02:53,710 --> 01:02:49,310

to hear that sound in this vibration and

1214

01:02:56,200 --> 01:02:53,720

and she and she was one of these people

1215

01:02:58,960 --> 01:02:56,210

who was just the salt of the earth I

1216

01:03:01,930 --> 01:02:58,970

just can't imagine she would have any

1217

01:03:04,810 --> 01:03:01,940

interest in anything other than you know

1218

01:03:08,140 --> 01:03:04,820

your basic things that you can see in

1219

01:03:10,930 --> 01:03:08,150

your day-to-day you know reality and she

1220

01:03:12,280 --> 01:03:10,940

said I know that sound I heard it too I

1221

01:03:16,660 --> 01:03:12,290

wouldn't go in the other window

1222

01:03:19,690 --> 01:03:16,670

Wow and that was the only yeah and it

1223

01:03:21,340 --> 01:03:19,700

was the only validation I ever had and I

1224

01:03:26,050 --> 01:03:21,350

said it wasn't just a sound it was a

1225

01:03:28,120 --> 01:03:26,060

vibration she said I heard it too so yes

1226

01:03:29,760 --> 01:03:28,130

we're at the top of the hour and I did

1227

01:03:38,020 --> 01:03:29,770

promise I was going to share something

1228

01:03:40,780 --> 01:03:38,030

also will continue I think anyone could

1229

01:03:43,360 --> 01:03:40,790

ever guess in a million years I think

1230

01:03:45,190 --> 01:03:43,370

there should be a prize yeah well we

1231

01:03:46,750 --> 01:03:45,200

just don't we can't do that because this

1232

01:03:49,780 --> 01:03:46,760

is a live show and you know all that's

1233

01:03:51,810 --> 01:03:49,790

okay but anyway we will take calls in

1234

01:03:56,140 --> 01:03:51,820

the second hour and that phone number is

1235

01:03:59,290 --> 01:03:56,150

603 967 403 or if you'd like to call it

1236

01:04:01,510 --> 01:03:59,300

so here goes and I do want to ask about

1237

01:04:05,800 --> 01:04:01,520

the question I'll lead into in the

1238

01:04:07,930 --> 01:04:05,810

second hour is and don't answer now but

1239

01:04:12,940 --> 01:04:07,940

it has your brother ever talked about

1240

01:04:15,850 --> 01:04:12,950

ongoing so what happened was up now one

1241

01:04:18,850 --> 01:04:15,860

of the things I like about your you are

1242

01:04:20,440 --> 01:04:18,860

logical and you have a skepticism and

1243

01:04:23,170 --> 01:04:20,450

that's one of the reasons I thought

1244

01:04:25,480 --> 01:04:23,180

you'd be a great guest but anyway

1245

01:04:28,210 --> 01:04:25,490

Donna and I'm telling this to the

1246

01:04:29,920 --> 01:04:28,220

audience Donna and I connected because

1247

01:04:32,380 --> 01:04:29,930

she started listening to the show I

1248

01:04:38,110 --> 01:04:32,390

think a few years ago two or three years

1249

01:04:42,450 --> 01:04:38,120

ago and also she saw my birthday on

1250

01:04:45,370 --> 01:04:42,460

facebook and it happened to him

1251

01:04:47,890 --> 01:04:45,380

so she emailed me and and we ended up

1252

01:04:51,880 --> 01:04:47,900

meeting at a conference and got into a

1253

01:04:53,980 --> 01:04:51,890

conversation we were born I'll just lay

1254

01:04:56,170 --> 01:04:53,990

this out we were born on the same day in

1255

01:04:58,390 --> 01:04:56,180

the same year

1256

01:05:01,900 --> 01:04:58,400

so in our conversation we found out we

1257

01:05:04,329 --> 01:05:01,910

were born in the same town so further

1258

01:05:07,150 --> 01:05:04,339

conversation my sister came out last

1259

01:05:09,490 --> 01:05:07,160

year from New Mexico and I said to my

1260

01:05:13,029 --> 01:05:09,500

sister because my mother had my mother

1261

01:05:15,309 --> 01:05:13,039

had special care with type 1 diabetes so

1262

01:05:17,799 --> 01:05:15,319

she was and used the same hospital every

1263

01:05:21,880 --> 01:05:17,809

time so I said what hospital will reborn

1264

01:05:24,789 --> 01:05:21,890

in in Boston and I just said the woman's

1265

01:05:27,430 --> 01:05:24,799

lying in and so I contacted Don and a

1266

01:05:28,890 --> 01:05:27,440

said Donna what hospital were you born

1267

01:05:31,809 --> 01:05:28,900

in and she was born in the same hospital

1268

01:05:34,089 --> 01:05:31,819

so you and I looked at our birth

1269

01:05:36,549 --> 01:05:34,099

certificates and we were born exact we

1270

01:05:39,099 --> 01:05:36,559

were born in the exact same place and we

1271

01:05:41,490 --> 01:05:39,109

were born to the minute one hour apart

1272

01:05:43,960 --> 01:05:41,500

and I'm older than you

1273

01:05:48,430 --> 01:05:43,970

that's correct you know what's one at

1274

01:05:53,650 --> 01:05:48,440

7:37 a.m. and I was born at 8:37 a.m. in

1275

01:05:56,410 --> 01:05:53,660

my my first UFO pal that's kind of you

1276

01:05:59,319 --> 01:05:56,420

we had to be sharing the same room then

1277

01:06:01,660 --> 01:05:59,329

well I think we were you know somebody

1278

01:06:04,510 --> 01:06:01,670

could make a story of this I mean what

1279

01:06:06,220 --> 01:06:04,520

are the chances that in anybody out

1280

01:06:09,010 --> 01:06:06,230

there listening to this that does

1281

01:06:11,680 --> 01:06:09,020

astrology and and you know you look at

1282

01:06:15,789 --> 01:06:11,690

you want to know the time and this in

1283

01:06:19,480 --> 01:06:15,799

the place of birth I mean we it couldn't

1284

01:06:23,440 --> 01:06:19,490

be you know any closer and and then to

1285

01:06:26,859 --> 01:06:23,450

have both had sightings which how many

1286

01:06:28,779 --> 01:06:26,869

people you know maybe than this and this

1287

01:06:31,359 --> 01:06:28,789

audience people have but in the general

1288

01:06:34,029 --> 01:06:31,369

audience have had a sighting and a

1289

01:06:37,170 --> 01:06:34,039

passion for the subject yes it's pretty

1290

01:06:40,089 --> 01:06:37,180

yeah it's pretty interesting yeah

1291

01:06:42,519 --> 01:06:40,099

someone just said on the message board

1292

01:06:47,940 --> 01:06:42,529

old bugger's thanks a lot there Shane

1293

01:06:50,380 --> 01:06:47,950

from Australia yes we are hi Shane

1294

01:06:56,349 --> 01:06:50,390

crushing someone wants to know what they

1295

01:06:59,470 --> 01:06:56,359

win because of math you did saber yeah

1296

01:07:01,539 --> 01:06:59,480

you're usually in on the message board I

1297

01:07:05,170 --> 01:07:01,549

am usually in the chat room with your

1298

01:07:07,000 --> 01:07:05,180

fabulous chat people so a shout out to

1299

01:07:09,940 --> 01:07:07,010

the people in the chat room and for all

1300

01:07:12,910 --> 01:07:09,950

the listeners that is this is not

1301

01:07:15,910 --> 01:07:12,920

only a great show but if you can listen

1302

01:07:19,530 --> 01:07:15,920

in and become a subscriber and be in

1303

01:07:22,960 --> 01:07:19,540

that chat room it's just highly

1304

01:07:24,579 --> 01:07:22,970

interesting and intelligent fascinating

1305

01:07:28,510 --> 01:07:24,589

people in there and it's a nice exchange

1306

01:07:29,880 --> 01:07:28,520

and I always look forward to seeing the

1307

01:07:32,050 --> 01:07:29,890

same people in there

1308

01:07:34,750 --> 01:07:32,060

and then new people we're getting some

1309

01:07:37,770 --> 01:07:34,760

new people a number of people I think we

1310

01:07:42,400 --> 01:07:37,780

have three from Australia one from

1311

01:07:43,480 --> 01:07:42,410

Tasmania and yeah because it's the day

1312

01:07:45,310 --> 01:07:43,490

time for them over there

1313

01:07:48,220 --> 01:07:45,320

so they're listed some are listening at

1314

01:07:50,740 --> 01:07:48,230

work which is great so here we are in

1315

01:07:53,980 --> 01:07:50,750

the second hour and so the question I

1316

01:07:58,780 --> 01:07:53,990

was leading into had your brother ever

1317

01:08:06,190 --> 01:07:58,790

talked again about you know anything

1318

01:08:09,520 --> 01:08:06,200

ongoing so through the years again

1319

01:08:11,800 --> 01:08:09,530

because I have the interest I would

1320

01:08:14,829 --> 01:08:11,810

broach the subject and sometimes he

1321

01:08:17,709 --> 01:08:14,839

would reveal a little bit to my

1322

01:08:23,079 --> 01:08:17,719

knowledge he did not I don't know that

1323

01:08:24,789 --> 01:08:23,089

he ever sought any counseling you know I

1324

01:08:28,559 --> 01:08:24,799

think he did seek some counseling

1325

01:08:33,999 --> 01:08:28,569

because he had some and again post

1326
01:08:37,019 --> 01:08:34,009
incident he had some anxiety issues and

1327
01:08:42,420 --> 01:08:37,029
he did the counseling whether he

1328
01:08:46,499 --> 01:08:42,430
identified that particular you know

1329
01:08:49,269 --> 01:08:46,509
scenario to them as a trigger or

1330
01:08:53,979 --> 01:08:49,279
anything that he was you know bothered

1331
01:08:57,519 --> 01:08:53,989
about I don't know he continued to

1332
01:09:02,050 --> 01:08:57,529
suggest that I thought possibly I had

1333
01:09:04,090 --> 01:09:02,060
been taken really and yeah and now

1334
01:09:06,459 --> 01:09:04,100
annual and so that left me thinking well

1335
01:09:09,550 --> 01:09:06,469
did they say something but again leading

1336
01:09:11,559 --> 01:09:09,560
you know it's time went on you I was I

1337
01:09:13,360 --> 01:09:11,569
was reading all these people and they

1338
01:09:15,789 --> 01:09:13,370

were you know but Hopkins certainly was

1339

01:09:19,870 --> 01:09:15,799

suggesting and and this was again his

1340

01:09:23,500 --> 01:09:19,880

incident we are again it was it was pre

1341

01:09:30,850 --> 01:09:25,990

did you say hey last time I didn't

1342

01:09:34,900 --> 01:09:30,860

remember that part of the story um he he

1343

01:09:37,330 --> 01:09:34,910

he was he was taken in the woods and he

1344

01:09:39,930 --> 01:09:37,340

didn't know what time elapsed I would

1345

01:09:43,510 --> 01:09:39,940

say that I see but the things that we

1346

01:09:47,410 --> 01:09:43,520

were unique about that case at that time

1347

01:09:49,270 --> 01:09:47,420

was that one person was taken and one

1348

01:09:53,770 --> 01:09:49,280

wasn't and that there was an indication

1349

01:09:55,450 --> 01:09:53,780

of having been taken multiple times and

1350

01:09:59,410 --> 01:09:55,460

that they could track him at any point

1351

01:10:02,140 --> 01:09:59,420

which didn't didn't come into a into our

1352

01:10:07,600 --> 01:10:02,150

you know collective consciousness until

1353

01:10:11,620 --> 01:10:07,610

I think about Hopkins and then it was so

1354

01:10:14,110 --> 01:10:11,630

this was a decade before so he he yeah I

1355

01:10:18,250 --> 01:10:14,120

think it you know my my feeling about

1356

01:10:21,610 --> 01:10:18,260

that is that something happened to him I

1357

01:10:23,140 --> 01:10:21,620

don't you know can I say I've thought of

1358

01:10:26,050 --> 01:10:23,150

every possibility

1359

01:10:29,890 --> 01:10:26,060

it's he's never he's never reported to

1360

01:10:32,440 --> 01:10:29,900

me that it happened again if that's what

1361

01:10:36,310 --> 01:10:32,450

people are wondering yeah you know any

1362

01:10:40,150 --> 01:10:36,320

future kinds of incidents if it happened

1363

01:10:44,080 --> 01:10:40,160

he didn't tell me he certainly fearful

1364

01:10:48,280 --> 01:10:44,090

of it was terribly fearful I think he

1365

01:10:49,720 --> 01:10:48,290

almost lived a very I'll say limited

1366

01:10:52,390 --> 01:10:49,730

kind of existence

1367

01:10:56,380 --> 01:10:52,400

you know maybe almost want to say harm

1368

01:10:58,560 --> 01:10:56,390

it like but I don't know yeah I think

1369

01:11:04,840 --> 01:10:58,570

yes Martin that's a good that's a good

1370

01:11:07,600 --> 01:11:04,850

word for it so either that's it did he

1371

01:11:10,420 --> 01:11:07,610

say that the beings were verbal or was

1372

01:11:11,530 --> 01:11:10,430

this just did he talk about that how it

1373

01:11:14,110 --> 01:11:11,540

was telepathic

1374

01:11:16,480 --> 01:11:14,120

yeah that's what I was thinking wow yeah

1375

01:11:19,440 --> 01:11:16,490

yeah but telepathic there was no word

1376

01:11:24,460 --> 01:11:19,450

and he said that before he before you

1377

01:11:27,820 --> 01:11:24,470

read Budd Hopkins book before he said

1378

01:11:29,710 --> 01:11:27,830

that early on before decade before well

1379

01:11:34,450 --> 01:11:29,720

I mean there were too many things about

1380

01:11:36,879 --> 01:11:34,460

it that even it even at my young age of

1381

01:11:40,899 --> 01:11:36,889

probably early 20s I

1382

01:11:43,949 --> 01:11:40,909

I was about maybe not even 20 when I was

1383

01:11:50,799 --> 01:11:43,959

trying to help him and figure this out

1384

01:11:52,359 --> 01:11:50,809

you know he you know he trying to I'm

1385

01:11:55,029 --> 01:11:52,369

trying to think of how to you know he

1386

01:11:59,909 --> 01:11:55,039

certainly said that they were not verbal

1387

01:12:09,270 --> 01:12:05,080

yeah so well yeah I think if not the

1388

01:12:13,239 --> 01:12:09,280

fact that he was told supposedly told

1389

01:12:15,850 --> 01:12:13,249

that they were watching him and have

1390

01:12:18,250 --> 01:12:15,860

taken him before I mean that that could

1391

01:12:20,679 --> 01:12:18,260

throw anyone into some well that's all

1392

01:12:24,429 --> 01:12:20,689

mine I mean to think that this could

1393

01:12:26,500 --> 01:12:24,439

happen I mean there go any controls I

1394

01:12:28,659 --> 01:12:26,510

mean you know again I'm thinking Oh

1395

01:12:31,000 --> 01:12:28,669

Betty and Barney Hill was just I mean

1396

01:12:32,469 --> 01:12:31,010

not that anyone deserves to be taken but

1397

01:12:34,270 --> 01:12:32,479

they're up there in the nineteen sixties

1398

01:12:42,879 --> 01:12:34,280

with no lights going through that

1399

01:12:46,449 --> 01:12:42,889

ridiculous you know whatever very three

1400

01:12:49,060 --> 01:12:46,459

very isolated and you know you know okay

1401

01:12:50,859 --> 01:12:49,070

I can I can imagine it happens you know

1402

01:12:54,939 --> 01:12:50,869

there's a landing and whatever but it

1403

01:12:56,919 --> 01:12:54,949

misses you know but this was a that's

1404

01:12:59,589 --> 01:12:56,929

from one time when I was a one-time-only

1405

01:13:01,929 --> 01:12:59,599

all those you if you if you really get

1406

01:13:03,729 --> 01:13:01,939

into the whole case with Betty in the

1407

01:13:06,040 --> 01:13:03,739

later days which I do know about but

1408

01:13:08,409 --> 01:13:06,050

this is not the form for that that's

1409

01:13:12,819 --> 01:13:08,419

another that's another story in another

1410

01:13:14,830 --> 01:13:12,829

case but you know that one-time thing

1411

01:13:16,989 --> 01:13:14,840

because she claims there was another

1412

01:13:19,209 --> 01:13:16,999

there was some other encounter but I

1413

01:13:21,399 --> 01:13:19,219

mean in that particular case the

1414

01:13:25,719 --> 01:13:21,409

one-time thing and this was he had been

1415

01:13:29,339 --> 01:13:25,729

taken multiple times so that is pretty

1416

01:13:34,179 --> 01:13:29,349

frightening and I certainly had a sense

1417

01:13:37,359 --> 01:13:34,189

because of my own whatever that was that

1418

01:13:40,239 --> 01:13:37,369

was happening to me those dreams I like

1419

01:13:45,310 --> 01:13:40,249

I like to take them as dreams and I will

1420

01:13:48,879 --> 01:13:45,320

say that you know again but offered to

1421

01:13:50,350 --> 01:13:48,889

do what hypnosis and my feeling about

1422

01:13:53,800 --> 01:13:50,360

that was I

1423

01:13:57,160 --> 01:13:53,810

not want to know I am NOT I do not want

1424

01:14:02,800 --> 01:13:57,170

to know I would prefer to think of this

1425

01:14:04,600 --> 01:14:02,810

as a dream or as sleep paralysis I would

1426

01:14:08,169 --> 01:14:04,610

prefer to think of this as anything

1427

01:14:11,580 --> 01:14:08,179

other than what it could be and if it is

1428

01:14:16,209 --> 01:14:11,590

I saw no use in going through

1429

01:14:18,120 --> 01:14:16,219

hypnotherapy to find out that it you

1430

01:14:20,830 --> 01:14:18,130

know find out more details or

1431

01:14:23,740 --> 01:14:20,840

re-experiencing the trauma because I

1432

01:14:27,970 --> 01:14:23,750

thought I I won't be able to cope I can

1433

01:14:30,220 --> 01:14:27,980

only help thinking well I mean these

1434

01:14:33,160 --> 01:14:30,230

things are happening but perhaps their

1435

01:14:36,390 --> 01:14:33,170

dreams and perhaps it's not real and and

1436

01:14:42,390 --> 01:14:36,400

that was easier for me to deal with so

1437

01:14:44,950 --> 01:14:42,400

you know I am very aware of the the

1438

01:14:47,919 --> 01:14:44,960

psychic think about this if this really

1439

01:14:50,770 --> 01:14:47,929

happens to people how traumatizing you

1440

01:14:54,700 --> 01:14:50,780

think of that they have there is no

1441

01:14:57,490 --> 01:14:54,710

control I mean you have no control your

1442

01:14:58,120 --> 01:14:57,500

being violated and no one will believe

1443

01:15:00,580 --> 01:14:58,130

you

1444

01:15:03,790 --> 01:15:00,590

I can't even imagine I mean I I don't

1445

01:15:08,770 --> 01:15:03,800

know how you know if it really is going

1446

01:15:10,720 --> 01:15:08,780

on and had a conversation earlier with

1447

01:15:13,450 --> 01:15:10,730

Alejandra on the phone about this you

1448

01:15:16,510 --> 01:15:13,460

know just is this could this really be

1449

01:15:19,240 --> 01:15:16,520

happening to all these people and I just

1450

01:15:21,729 --> 01:15:19,250

my life would be in pieces if something

1451

01:15:23,649 --> 01:15:21,739

like that was happening to me and Dawn I

1452

01:15:26,399 --> 01:15:23,659

have to ask this question because a few

1453

01:15:29,830 --> 01:15:26,409

people want to know I'm going back to

1454

01:15:33,399 --> 01:15:29,840

know the telepathic was a telepathic

1455

01:15:35,620 --> 01:15:33,409

speech or did he just like visualize her

1456

01:15:39,540 --> 01:15:35,630

intention or just know their intention

1457

01:15:42,550 --> 01:15:39,550

my brother yes Marion I brought my

1458

01:15:44,979 --> 01:15:42,560

experience was it was telepathic there

1459

01:15:47,740 --> 01:15:44,989

was no verbal when they were telling me

1460

01:15:49,540 --> 01:15:47,750

that you know they were just going to do

1461

01:15:52,689 --> 01:15:49,550

whatever they were doing and and it

1462

01:15:55,990 --> 01:15:52,699

would be over and just cooperate and all

1463

01:16:00,459 --> 01:15:56,000

of that so my mind was you know I don't

1464

01:16:03,640 --> 01:16:00,469

I can't say and again I still like to

1465

01:16:06,520 --> 01:16:03,650

think those were dreams but I mentioned

1466

01:16:07,689 --> 01:16:06,530

actually mm-hmm yeah oh sorry so my

1467

01:16:10,090 --> 01:16:07,699

brothers

1468

01:16:12,419 --> 01:16:10,100

I you know I don't I can't honestly

1469

01:16:15,820 --> 01:16:12,429

answer that he just said there was no

1470

01:16:20,260 --> 01:16:15,830

verbal communication it was conveyed to

1471

01:16:24,250 --> 01:16:20,270

him by his mind so he knew what they

1472

01:16:27,550 --> 01:16:24,260

were saying but there was no actual

1473

01:16:29,439 --> 01:16:27,560

verbal I don't know does that make sense

1474

01:16:33,850 --> 01:16:29,449

they were they were able to communicate

1475

01:16:36,280 --> 01:16:33,860

their thoughts to him but I can't really

1476

01:16:38,530 --> 01:16:36,290

say speak for him whether it was you

1477

01:16:41,610 --> 01:16:38,540

know in words or whatever they were just

1478

01:16:44,709 --> 01:16:41,620

able to make all of this information

1479

01:16:47,890 --> 01:16:44,719

known and in particular why they were

1480

01:16:50,890 --> 01:16:47,900

interested in him and in fact he did

1481

01:16:52,959 --> 01:16:50,900

have an uncanny ability to you know with

1482

01:16:55,780 --> 01:16:52,969

mechanical things but she was destroyed

1483

01:16:58,720 --> 01:16:55,790

by you know he was destroyed after this

1484

01:17:05,580 --> 01:16:58,730

so how old was he would you say he was

1485

01:17:10,750 --> 01:17:05,590

when this happened to him so he has been

1486

01:17:14,169 --> 01:17:10,760

18 maybe I was 18 oh that's right yeah

1487

01:17:16,330 --> 01:17:14,179

just say that yeah he was late teens and

1488

01:17:17,919 --> 01:17:16,340

I have to you know I have to remember

1489

01:17:19,720 --> 01:17:17,929

this you know at the time I wasn't

1490

01:17:25,080 --> 01:17:19,730

taking notes because I never thought I

1491

01:17:27,340 --> 01:17:25,090

would be on the podcast UFO show so

1492

01:17:30,760 --> 01:17:27,350

otherwise I would have taken better

1493

01:17:33,490 --> 01:17:30,770

notes but yeah he had to be in his late

1494

01:17:35,680 --> 01:17:33,500

teens I think I was still a teenager as

1495

01:17:39,729 --> 01:17:35,690

well so 18 ish

1496

01:17:45,399 --> 01:17:39,739

well so you noticed instantly a change

1497

01:17:50,620 --> 01:17:45,409

in his personality yeah yeah wow that's

1498

01:17:53,709 --> 01:17:50,630

really that's really too bad and it made

1499

01:17:57,640 --> 01:17:53,719

me and how it affected me and it was in

1500

01:17:59,830 --> 01:17:57,650

the sense that you know talking talking

1501

01:18:03,430 --> 01:17:59,840

to bud Hopkins and reading with the

1502

01:18:06,959 --> 01:18:03,440

books and knowing that that somebody was

1503

01:18:10,780 --> 01:18:06,969

saying hey this is this is going on and

1504

01:18:14,290 --> 01:18:10,790

somebody has to believe these people and

1505

01:18:16,760 --> 01:18:14,300

help them and not you know put them on

1506

01:18:20,360 --> 01:18:16,770

the psychiatric path way

1507

01:18:22,000 --> 01:18:20,370

of delusional put them on medication

1508

01:18:25,430 --> 01:18:22,010

they're having a break with reality

1509

01:18:27,650 --> 01:18:25,440

they're psychotic I mean that is that is

1510

01:18:33,350 --> 01:18:27,660

what the treatment was I mean if you

1511

01:18:36,650 --> 01:18:33,360

were having these experiences that is

1512

01:18:38,360 --> 01:18:36,660

kind of the protocol that would that's

1513

01:18:41,300 --> 01:18:38,370

what would happen you're having a break

1514

01:18:45,170 --> 01:18:41,310

with reality and and bad was really

1515

01:18:50,330 --> 01:18:45,180

innovative in that he had some

1516

01:18:55,970 --> 01:18:50,340

compassion and he would provide a

1517

01:18:59,090 --> 01:18:55,980

support group you know a network safety

1518

01:19:01,820 --> 01:18:59,100

network for people who were having these

1519

01:19:03,860 --> 01:19:01,830

experiences and he was always lovely you

1520

01:19:06,650 --> 01:19:03,870

know whenever I called him he was lovely

1521

01:19:09,530 --> 01:19:06,660

about calling back and offering support

1522

01:19:11,960 --> 01:19:09,540

and that type of thing it wasn't totally

1523

01:19:14,030 --> 01:19:11,970

practical factors for my brother to

1524

01:19:17,360 --> 01:19:14,040

travel to new to New York and honestly

1525

01:19:19,910 --> 01:19:17,370

my brother's experience was I do not

1526

01:19:22,580 --> 01:19:19,920

want to know about it anymore

1527

01:19:24,530 --> 01:19:22,590

it was horrible and I don't want to talk

1528

01:19:27,140 --> 01:19:24,540

about it and I mean he he didn't want

1529

01:19:29,810 --> 01:19:27,150

support he just didn't want to it was so

1530

01:19:33,050 --> 01:19:29,820

horrible he just and what's interesting

1531

01:19:35,690 --> 01:19:33,060

about his case is that he didn't require

1532

01:19:38,890 --> 01:19:35,700

hypnosis to remember anything he just

1533

01:19:41,750 --> 01:19:38,900

remembered it he knew it right away you

1534

01:19:43,580 --> 01:19:41,760

know when he came from home from

1535

01:19:46,250 --> 01:19:43,590

whatever this incident was there was no

1536

01:19:51,620 --> 01:19:46,260

there may have been a lapse of time but

1537

01:19:53,330 --> 01:19:51,630

there was no you know no need to do you

1538

01:19:57,470 --> 01:19:53,340

know the only reason to do a regression

1539

01:19:59,420 --> 01:19:57,480

is to get game more information he said

1540

01:20:03,230 --> 01:19:59,430

he had all the entry I mean that's one

1541

01:20:07,790 --> 01:20:03,240

of the reasons but he didn't require

1542

01:20:11,750 --> 01:20:07,800

that at all he had as much information

1543

01:20:13,640 --> 01:20:11,760

as he really wanted to have and he

1544

01:20:16,520 --> 01:20:13,650

didn't really want any additional

1545

01:20:21,020 --> 01:20:16,530

information yeah do you know if there

1546

01:20:25,450 --> 01:20:21,030

was a lot of times people will go into

1547

01:20:28,790 --> 01:20:25,460

detail that when they have communication

1548

01:20:30,379 --> 01:20:28,800

alleged communication that they there's

1549

01:20:33,229 --> 01:20:30,389

talk about the earth

1550

01:20:35,449 --> 01:20:33,239

condition in us how we're taking care of

1551

01:20:37,580 --> 01:20:35,459

the planet or whatever whether it was

1552

01:20:40,060 --> 01:20:37,590

there any other part of the conversation

1553

01:20:43,159 --> 01:20:40,070

other than what you've already mentioned

1554

01:20:47,449 --> 01:20:43,169

no not in his experience there was

1555

01:20:52,520 --> 01:20:47,459

nothing nothing like that you know again

1556

01:20:55,609 --> 01:20:52,530

in Martin had I know we were going to be

1557

01:20:58,429 --> 01:20:55,619

here discussing this I would have paid

1558

01:21:01,339 --> 01:20:58,439

more attention but I all I remember

1559

01:21:03,979 --> 01:21:01,349

about his experience is that they had

1560

01:21:07,429 --> 01:21:03,989

been studying him they get pictures of

1561

01:21:10,659 --> 01:21:07,439

him on the basis of his some kind of

1562

01:21:13,399 --> 01:21:10,669

mechanical abilities and there was no

1563

01:21:15,649 --> 01:21:13,409

you know even in hindsight having read

1564

01:21:20,060 --> 01:21:15,659

all the stuff there was there was no

1565

01:21:22,250 --> 01:21:20,070

mention of the earth you know any

1566

01:21:25,540 --> 01:21:22,260

anything you know earth in trouble and

1567

01:21:29,709 --> 01:21:25,550

enough to be nice to the earth and

1568

01:21:34,699 --> 01:21:29,719

ketotic catastrophe might happen but

1569

01:21:36,709 --> 01:21:34,709

something did happen to me and so so are

1570

01:21:38,600 --> 01:21:36,719

there any other questions about my

1571

01:21:41,000 --> 01:21:38,610

brother's experience and I can just tell

1572

01:21:42,830 --> 01:21:41,010

you you know as much as I know any of

1573

01:21:47,719 --> 01:21:42,840

any other questions about that and then

1574

01:21:52,549 --> 01:21:47,729

I can move on but I did I mean it did

1575

01:21:54,409 --> 01:21:52,559

make me feel you know I had a and a and

1576

01:21:56,149 --> 01:21:54,419

there were no other issues so you look

1577

01:21:59,089 --> 01:21:56,159

at this from a critical standpoint

1578

01:22:01,549 --> 01:21:59,099

whether any other issues going on there

1579

01:22:04,850 --> 01:22:01,559

any other stresses where this was there

1580

01:22:06,620 --> 01:22:04,860

any you know abuse of any drugs or

1581

01:22:09,049 --> 01:22:06,630

anything like that and the answer is no

1582

01:22:11,569 --> 01:22:09,059

so you know you have to rule all those

1583

01:22:15,350 --> 01:22:11,579

things out and I just have that

1584

01:22:17,899 --> 01:22:15,360

compassion plus I had whatever those

1585

01:22:21,469 --> 01:22:17,909

dreams were that I was having that that

1586

01:22:24,620 --> 01:22:21,479

made me feel some empathy towards people

1587

01:22:27,259 --> 01:22:24,630

who may be having these experiences okay

1588

01:22:29,449 --> 01:22:27,269

I'm having we had a number of questions

1589

01:22:32,810 --> 01:22:29,459

or it's been discussed on the message

1590

01:22:34,969 --> 01:22:32,820

board a little bit and I'm Renison to

1591

01:22:36,859 --> 01:22:34,979

ask this question but is your brother

1592

01:22:42,770 --> 01:22:36,869

still is your brother still with that's

1593

01:22:44,000 --> 01:22:42,780

it ask away brother still yes younger

1594

01:22:48,350 --> 01:22:44,010

okay house

1595

01:22:53,149 --> 01:22:48,360

doing today oh he's still having issues

1596

01:22:57,399 --> 01:22:53,159

but he never really I would say he never

1597

01:23:01,910 --> 01:22:57,409

totally recovered and I can't I I can't

1598

01:23:04,609 --> 01:23:01,920

say that that was the only thing that

1599

01:23:07,310 --> 01:23:04,619

contributed to what whatever he and we

1600

01:23:08,839 --> 01:23:07,320

were also estranged which is uh you know

1601
01:23:13,399 --> 01:23:08,849
totally has nothing to do with this

1602
01:23:17,720 --> 01:23:13,409
issue so we don't talk after my mother

1603
01:23:22,549 --> 01:23:17,730
passed away we we really don't talk but

1604
01:23:26,810 --> 01:23:22,559
I I believe he still struggled with you

1605
01:23:30,560 --> 01:23:26,820
know anxiety and depression so yeah Wow

1606
01:23:36,100 --> 01:23:30,570
yeah and you do it's kind of interesting

1607
01:23:38,209 --> 01:23:36,110
that you do hear of that with any like

1608
01:23:39,950 --> 01:23:38,219
another thing there were there were

1609
01:23:43,160 --> 01:23:39,960
multiple suicide attempts

1610
01:23:46,100 --> 01:23:43,170
I don't you know but so I should add

1611
01:23:49,750 --> 01:23:46,110
that but yeah you know and they were not

1612
01:23:53,209 --> 01:23:49,760
successful obviously so yeah after that

1613
01:23:55,879 --> 01:23:53,219

Wow mm-hmm yeah so we're on if you're

1614

01:23:58,040 --> 01:23:55,889

just joining live we're on the show with

1615

01:24:00,439 --> 01:23:58,050

Donna Walker and anyone is welcome to

1616

01:24:03,140 --> 01:24:00,449

call in or you can pose a message up on

1617

01:24:05,229 --> 01:24:03,150

the message board at podcast UFO comm

1618

01:24:10,600 --> 01:24:05,239

the phone number is 600

1619

01:24:16,790 --> 01:24:10,610

six seven four o3o so donut did this

1620

01:24:24,529 --> 01:24:16,800

influenced you to get into regression

1621

01:24:26,359 --> 01:24:24,539

hypnosis yourself it did because you

1622

01:24:31,959 --> 01:24:26,369

know that was the key thing that seemed

1623

01:24:36,529 --> 01:24:31,969

I became a came a follower of John Mac

1624

01:24:38,770 --> 01:24:36,539

that was really interesting to me that

1625

01:24:44,419 --> 01:24:38,780

somebody of his caliber or a

1626
01:24:46,970 --> 01:24:44,429
psychiatrist at Harvard that was saying

1627
01:24:50,870 --> 01:24:46,980
this is happening these people are not

1628
01:24:53,720 --> 01:24:50,880
lying there's something going on you

1629
01:24:57,980 --> 01:24:53,730
know somebody of that caliber is just

1630
01:25:01,340 --> 01:24:57,990
not going to put their reputation

1631
01:25:04,280 --> 01:25:01,350
and at risk and he certainly took enough

1632
01:25:06,410 --> 01:25:04,290
flak for it and but how it did keep him

1633
01:25:10,850 --> 01:25:06,420
on I mean I know he had some challenges

1634
01:25:17,060 --> 01:25:10,860
with that but but certainly my fantasy

1635
01:25:20,960 --> 01:25:17,070
was at some point to to help people to

1636
01:25:23,750 --> 01:25:20,970
believe that these things actually could

1637
01:25:27,320 --> 01:25:23,760
be occurring in to deal and treat not

1638
01:25:29,270 --> 01:25:27,330

just for information betrayal but more

1639

01:25:30,890 --> 01:25:29,280

importantly and this is what Benjamin

1640

01:25:33,110 --> 01:25:30,900

Simon was doing that wasn't for

1641

01:25:36,440 --> 01:25:33,120

retrieval of information to write a

1642

01:25:38,830 --> 01:25:36,450

story it was the treatment of the stress

1643

01:25:41,330 --> 01:25:38,840

of post-traumatic stress that happens

1644

01:25:44,450 --> 01:25:41,340

when these things occur and to take

1645

01:25:48,410 --> 01:25:44,460

these people seriously and have some

1646

01:25:52,600 --> 01:25:48,420

compassionate compassion for that so

1647

01:25:56,840 --> 01:25:52,610

that did motivate me to delve into

1648

01:25:59,930 --> 01:25:56,850

hypnotherapy and understand what what it

1649

01:26:01,700 --> 01:25:59,940

actually is and you know what was this

1650

01:26:05,270 --> 01:26:01,710

magical thing that you could do to

1651
01:26:09,020 --> 01:26:05,280
people to to put them into these states

1652
01:26:12,230 --> 01:26:09,030
to retrieve this information so I took

1653
01:26:14,750 --> 01:26:12,240
it on very seriously yes we did we were

1654
01:26:16,940 --> 01:26:14,760
we were indicating at the time and I I

1655
01:26:19,790 --> 01:26:16,950
want you to this is very important I

1656
01:26:23,000 --> 01:26:19,800
think I want to talk about this the do's

1657
01:26:25,310 --> 01:26:23,010
and don'ts and because this is you know

1658
01:26:28,400 --> 01:26:25,320
it's groundbreaking first of all when

1659
01:26:32,270 --> 01:26:28,410
people early on like Jacobs and Hopkins

1660
01:26:35,930 --> 01:26:32,280
were doing it there no one was no one

1661
01:26:40,730 --> 01:26:35,940
knew where to steer the boat so but

1662
01:26:44,360 --> 01:26:40,740
there can be planted suggestive that

1663
01:26:46,100 --> 01:26:44,370

will make someone you know kind of go

1664

01:26:48,500 --> 01:26:46,110

along with their own story so can you

1665

01:26:51,470 --> 01:26:48,510

explain because I know you're very

1666

01:26:55,520 --> 01:26:51,480

careful in your logic the do's and

1667

01:26:56,600 --> 01:26:55,530

don'ts and and how you believe things

1668

01:26:59,930 --> 01:26:56,610

should be done and what type of

1669

01:27:02,000 --> 01:26:59,940

information can come out I know you said

1670

01:27:04,430 --> 01:27:02,010

it's basically to treat you know the

1671

01:27:06,050 --> 01:27:04,440

stress part of it but if you would go

1672

01:27:11,130 --> 01:27:06,060

into that I'm very interested to hear

1673

01:27:14,790 --> 01:27:11,140

all this okay so um so

1674

01:27:20,460 --> 01:27:14,800

basically the hypnosis hypnotic no

1675

01:27:24,030 --> 01:27:20,470

therapy is a focused concentrated very

1676

01:27:26,160 --> 01:27:24,040

focused net almost like a meditative

1677

01:27:29,480 --> 01:27:26,170

state that brings you through that you

1678

01:27:31,890 --> 01:27:29,490

can access your subconscious mind and

1679

01:27:34,710 --> 01:27:31,900

all sorts of things are in your

1680

01:27:38,970 --> 01:27:34,720

subconscious mind things that happened

1681

01:27:41,580 --> 01:27:38,980

and dream fragments imagination there

1682

01:27:44,040 --> 01:27:41,590

are all sorts of things and so if you

1683

01:27:49,350 --> 01:27:44,050

think of it this way when you hear about

1684

01:27:51,420 --> 01:27:49,360

the oh I don't know the the you know the

1685

01:27:53,460 --> 01:27:51,430

the movie version of what happens with

1686

01:27:56,250 --> 01:27:53,470

hypnosis that you go back and you know

1687

01:27:58,680 --> 01:27:56,260

you whatever you retrieve is is the

1688

01:28:02,160 --> 01:27:58,690

truth and all of that it's like a truth

1689

01:28:04,950 --> 01:28:02,170

serum it it's not quite that way and

1690

01:28:11,190 --> 01:28:04,960

it's very controversial the use of

1691

01:28:12,570 --> 01:28:11,200

hypnosis um you can for example you know

1692

01:28:14,940 --> 01:28:12,580

when you hear about and somebody

1693

01:28:16,920 --> 01:28:14,950

couldn't remember the license plate

1694

01:28:19,350 --> 01:28:16,930

number and they just have no system they

1695

01:28:21,510 --> 01:28:19,360

remembered that that can happen I mean

1696

01:28:24,870 --> 01:28:21,520

it is like the subconscious mind is

1697

01:28:26,850 --> 01:28:24,880

recording things and so say you're

1698

01:28:30,150 --> 01:28:26,860

anxious about something and it's

1699

01:28:32,400 --> 01:28:30,160

blocking out that memory you can while

1700

01:28:36,630 --> 01:28:32,410

people basically you have a pattern I

1701

01:28:39,930 --> 01:28:36,640

have a very you know very gentle patter

1702

01:28:43,880 --> 01:28:39,940

and put people into this lulling state

1703

01:28:46,650 --> 01:28:43,890

and and they can go in to the state and

1704

01:28:50,370 --> 01:28:46,660

you know get rid of all these

1705

01:28:53,520 --> 01:28:50,380

surrounding thoughts and just focus and

1706

01:28:56,610 --> 01:28:53,530

that might free up that memory and in

1707

01:28:58,560 --> 01:28:56,620

the same way if somebody has that could

1708

01:29:00,780 --> 01:28:58,570

that could happen you could remember

1709

01:29:04,110 --> 01:29:00,790

something we you lost or you could

1710

01:29:07,490 --> 01:29:04,120

remember something and you could use

1711

01:29:12,720 --> 01:29:07,500

that in a case like a legal case

1712

01:29:16,440 --> 01:29:12,730

although courts are very very don't

1713

01:29:19,200 --> 01:29:16,450

really allow that it's used as a tool

1714

01:29:23,340 --> 01:29:19,210

you have to have corroborating evidence

1715

01:29:24,989 --> 01:29:23,350

so in and of itself the hypnosis part it

1716

01:29:27,509 --> 01:29:24,999

is very

1717

01:29:29,430 --> 01:29:27,519

it's very controversial and not always

1718

01:29:33,629 --> 01:29:29,440

admissible in court depending on the

1719

01:29:39,029 --> 01:29:33,639

situation so if something has happened

1720

01:29:42,149 --> 01:29:39,039

to you like an abduction sure you can

1721

01:29:45,509 --> 01:29:42,159

put this person into that state and they

1722

01:29:48,450 --> 01:29:45,519

whatever they've been blocking out you

1723

01:29:51,719 --> 01:29:48,460

can put them into a state and perhaps

1724

01:29:55,950 --> 01:29:51,729

they can remember some details about

1725

01:29:58,739 --> 01:29:55,960

that situation however the problem is if

1726

01:30:01,890 --> 01:29:58,749

it really happened you might be able to

1727

01:30:03,660 --> 01:30:01,900

remember it the problem is that just

1728

01:30:06,479 --> 01:30:03,670

because you go into a state and you

1729

01:30:10,850 --> 01:30:06,489

start recounting things does not make it

1730

01:30:15,149 --> 01:30:10,860

so that makes that it does not make it

1731

01:30:17,040 --> 01:30:15,159

necessarily so it's just a tool to be

1732

01:30:19,799 --> 01:30:17,050

used and you need to use it very

1733

01:30:24,060 --> 01:30:19,809

carefully and I think it has been

1734

01:30:26,520 --> 01:30:24,070

misused by people who are well-meaning I

1735

01:30:31,709 --> 01:30:26,530

won't use names unless you want me to

1736

01:30:35,520 --> 01:30:31,719

about people who didn't have any this is

1737

01:30:40,350 --> 01:30:35,530

very serious you are you're fooling with

1738

01:30:43,489 --> 01:30:40,360

people's minds and they possibly have

1739

01:30:46,739 --> 01:30:43,499

had one of the most traumatic

1740

01:30:50,009 --> 01:30:46,749

experiences that you can imagine an

1741

01:30:54,779 --> 01:30:50,019

entity I mean it's it's traumatic when

1742

01:30:57,930 --> 01:30:54,789

you know you've beaten up by a human but

1743

01:30:59,609 --> 01:30:57,940

can you imagine an entity that you don't

1744

01:31:02,069 --> 01:30:59,619

know if they could come back and what it

1745

01:31:05,160 --> 01:31:02,079

was and you know subscribe traumatic

1746

01:31:09,000 --> 01:31:05,170

it's a very traumatic situation and you

1747

01:31:13,109 --> 01:31:09,010

should be dealing with them in an effort

1748

01:31:16,339 --> 01:31:13,119

to heal the trauma and there are people

1749

01:31:20,100 --> 01:31:16,349

who have no clinical skills whatsoever

1750

01:31:23,549 --> 01:31:20,110

who just do this meditative state and

1751

01:31:26,669 --> 01:31:23,559

have people reporting things and I don't

1752

01:31:29,129 --> 01:31:26,679

know really what their skills are to

1753

01:31:32,370 --> 01:31:29,139

help them on an ongoing basis I think

1754

01:31:34,560 --> 01:31:32,380

the support group was a certainly a nice

1755

01:31:37,259 --> 01:31:34,570

afterthe I thought Hopkins I he was

1756

01:31:38,869 --> 01:31:37,269

always nice to me and I think that he

1757

01:31:47,629 --> 01:31:38,879

was

1758

01:31:49,580 --> 01:31:47,639

I mean he yes he had this home on Ralph

1759

01:31:51,049 --> 01:31:49,590

Lydia this place in New York I don't

1760

01:31:54,049 --> 01:31:51,059

think he needed the money I don't think

1761

01:31:57,529 --> 01:31:54,059

he who knows how much you know I think

1762

01:32:02,599 --> 01:31:57,539

he was motivated by you know his own

1763

01:32:04,849 --> 01:32:02,609

sighting and really had some empathy for

1764

01:32:08,540 --> 01:32:04,859

people that were having these

1765

01:32:10,219 --> 01:32:08,550

experiences and trying to you know deal

1766

01:32:13,069 --> 01:32:10,229

with them and he did the best he could

1767

01:32:18,049 --> 01:32:13,079

but he was an artist and not a therapist

1768

01:32:20,929 --> 01:32:18,059

so you know I can't speak for you know I

1769

01:32:22,759 --> 01:32:20,939

don't think he was motivated by in my

1770

01:32:24,409 --> 01:32:22,769

experience and he never was so pushing

1771

01:32:27,369 --> 01:32:24,419

us to say well I need to write another

1772

01:32:30,649 --> 01:32:27,379

book Donna so get over here and let me

1773

01:32:32,979 --> 01:32:30,659

let me regress you I mean he wasn't you

1774

01:32:36,889 --> 01:32:32,989

know I don't think he was motivated by

1775

01:32:39,349 --> 01:32:36,899

by that I think he certainly you know

1776

01:32:44,839 --> 01:32:39,359

wanted to document it I think he thought

1777

01:32:50,270 --> 01:32:44,849

it was a you know something that was you

1778

01:32:57,339 --> 01:32:50,280

know hugely important and so anyway so I

1779

01:33:01,310 --> 01:32:57,349

do have this issue with people who have

1780

01:33:05,509 --> 01:33:01,320

limited very limited training and with

1781

01:33:09,020 --> 01:33:05,519

hypnotherapy and no training at all with

1782

01:33:11,659 --> 01:33:09,030

you know you know counseling training to

1783

01:33:15,469 --> 01:33:11,669

heal and heal you know help and heal

1784

01:33:19,849 --> 01:33:15,479

with you know the trauma and certainly I

1785

01:33:24,109 --> 01:33:19,859

have issues with people who are leading

1786

01:33:28,239 --> 01:33:24,119

in any way there is one person who is

1787

01:33:31,879 --> 01:33:28,249

quite prominent in the field who has

1788

01:33:36,049 --> 01:33:31,889

written many books on him you know doing

1789

01:33:40,909 --> 01:33:36,059

hypnotherapy and has an outstanding case

1790

01:33:43,969 --> 01:33:40,919

where somebody did I don't know if they

1791

01:33:46,790 --> 01:33:43,979

they recorded it somehow I think what's

1792

01:33:49,819 --> 01:33:46,800

an audio recording and in that recording

1793

01:33:53,270 --> 01:33:49,829

as I have reviewed it everything wrong

1794

01:33:55,310 --> 01:33:53,280

has happened you just do not lead

1795

01:33:57,830 --> 01:33:55,320

you do not tell the people about other

1796

01:34:00,590 --> 01:33:57,840

cases you're working on you do not plant

1797

01:34:03,320 --> 01:34:00,600

seeds and these people's minds you know

1798

01:34:06,800 --> 01:34:03,330

that are vulnerable and it was totally

1799

01:34:11,240 --> 01:34:06,810

unethical and inappropriate and how this

1800

01:34:14,570 --> 01:34:11,250

person continues on it have no idea how

1801

01:34:17,540 --> 01:34:14,580

that goes on but you know I do have some

1802

01:34:20,390 --> 01:34:17,550

very strong you know feelings about the

1803

01:34:22,520 --> 01:34:20,400

you know they hypnosis process and I I

1804

01:34:24,020 --> 01:34:22,530

will tell you for the few people that

1805

01:34:26,990 --> 01:34:24,030

I've worked with on this particular

1806

01:34:31,910 --> 01:34:27,000

subject because that's I'm not finding I

1807

01:34:34,250 --> 01:34:31,920

am registered with the free people which

1808

01:34:36,020 --> 01:34:34,260

is the foundational research I can't

1809

01:34:39,440 --> 01:34:36,030

remember the call they what it stands

1810

01:34:43,340 --> 01:34:39,450

for but it's ray from Hernandez group

1811

01:34:46,880 --> 01:34:43,350

that I think Edgar Mitchell headed up

1812

01:34:49,580 --> 01:34:46,890

and so mine means like you know if you

1813

01:34:52,130 --> 01:34:49,590

want to be requests and I'm not getting

1814

01:34:55,900 --> 01:34:52,140

a lot of I'm not getting a lot of people

1815

01:34:58,970 --> 01:34:55,910

I I thought when I did this became this

1816

01:35:01,880 --> 01:34:58,980

regression alatna therapist that of

1817

01:35:04,970 --> 01:35:01,890

course they would be lining up and and I

1818

01:35:07,940 --> 01:35:04,980

will say that I do this for people that

1819

01:35:09,890 --> 01:35:07,950

I do another kind of regression that I

1820

01:35:13,130 --> 01:35:09,900

do charge for but not this I mean this

1821

01:35:16,580 --> 01:35:13,140

is something I see people I see people

1822

01:35:18,740 --> 01:35:16,590

as some people as and this is another

1823

01:35:21,560 --> 01:35:18,750

subject about you know whether you're a

1824

01:35:23,630 --> 01:35:21,570

victim now there there's a new group of

1825

01:35:26,540 --> 01:35:23,640

people that are contactees and they're

1826
01:35:28,580 --> 01:35:26,550
saying no I'm not a I'm not a victim I'm

1827
01:35:31,190 --> 01:35:28,590
okay with this whole process but that's

1828
01:35:34,520 --> 01:35:31,200
that's another subject but for people

1829
01:35:38,510 --> 01:35:34,530
who this has happened to I've been in

1830
01:35:43,010 --> 01:35:38,520
I've been in that feeling of not having

1831
01:35:45,710 --> 01:35:43,020
control and all of those feelings that

1832
01:35:49,040 --> 01:35:45,720
go along with it and I feel that I have

1833
01:35:51,380 --> 01:35:49,050
the compassion and the ability and the

1834
01:35:54,230 --> 01:35:51,390
skills to help them work through that

1835
01:35:57,470 --> 01:35:54,240
and I will also say that I have worked

1836
01:36:00,700 --> 01:35:57,480
through my own anxiety with whatever

1837
01:36:04,730 --> 01:36:00,710
happened to me hopefully it was a dream

1838
01:36:06,529 --> 01:36:04,740

and I still like to think that and they

1839

01:36:10,789 --> 01:36:06,539

have left me alone if

1840

01:36:12,679 --> 01:36:10,799

I had although I think I I think I

1841

01:36:14,659 --> 01:36:12,689

mentioned this to you recently if they

1842

01:36:17,000 --> 01:36:14,669

got coming in I wouldn't mind if they

1843

01:36:18,919 --> 01:36:17,010

came and got me and took me away till

1844

01:36:23,209 --> 01:36:18,929

after the elections I wouldn't mind that

1845

01:36:25,459 --> 01:36:23,219

actually exchange yeah I think I think I

1846

01:36:28,069 --> 01:36:25,469

think if they could come and get me you

1847

01:36:29,629 --> 01:36:28,079

know and take me I used to be like a

1848

01:36:32,409 --> 01:36:29,639

little afraid but now I'm sort of

1849

01:36:35,779 --> 01:36:32,419

thinking you know my wherever they are

1850

01:36:37,009 --> 01:36:35,789

it might be better so yeah I don't I

1851
01:36:38,539 --> 01:36:37,019
don't know you know and if they bring

1852
01:36:39,559 --> 01:36:38,549
you back after the election I don't

1853
01:36:46,609 --> 01:36:39,569
think it's going to be very pretty

1854
01:36:48,259 --> 01:36:46,619
either either and whatever happens okay

1855
01:36:49,789 --> 01:36:48,269
I promise people I would never go

1856
01:36:57,049 --> 01:36:49,799
political so let's try to stay away from

1857
01:37:00,500 --> 01:36:57,059
me okay yet now I I want to ask you this

1858
01:37:04,009 --> 01:37:00,510
now so I would like to extend this out

1859
01:37:08,539 --> 01:37:04,019
to the listener if there is someone you

1860
01:37:10,939 --> 01:37:08,549
know out there or you yourself have you

1861
01:37:12,679 --> 01:37:10,949
think you're experiencing something and

1862
01:37:16,159 --> 01:37:12,689
you live in New England I'll put it that

1863
01:37:18,279 --> 01:37:16,169

way because part of me the person I

1864

01:37:22,579 --> 01:37:18,289

believe you were speaking about earlier

1865

01:37:25,789 --> 01:37:22,589

that you did not really see eye to eye

1866

01:37:27,709 --> 01:37:25,799

with I believe does some hypnosis on the

1867

01:37:31,089 --> 01:37:27,719

phone and what is your what is your

1868

01:37:34,759 --> 01:37:31,099

thoughts about that as well oh and and I

1869

01:37:38,899 --> 01:37:34,769

had I had a good conversation today with

1870

01:37:42,169 --> 01:37:38,909

my um my friend Debbie Tripp who does

1871

01:37:45,799 --> 01:37:42,179

who has had had some experiences and

1872

01:37:48,589 --> 01:37:45,809

it's into this whole realm herself and

1873

01:37:51,770 --> 01:37:48,599

we did have a discussion about this and

1874

01:37:55,909 --> 01:37:51,780

it was it was nice to get her support

1875

01:38:00,549 --> 01:37:55,919

when we were talking about doing

1876

01:38:04,069 --> 01:38:00,559

hypnosis via phone or Skype I used to be

1877

01:38:06,979 --> 01:38:04,079

Skype to me is perhaps a little better

1878

01:38:10,279 --> 01:38:06,989

at least at my training you know I was

1879

01:38:13,849 --> 01:38:10,289

trained to observe applications for our

1880

01:38:16,549 --> 01:38:13,859

clients for app reactions and so while

1881

01:38:18,799 --> 01:38:16,559

your you know allowing them and not

1882

01:38:20,510 --> 01:38:18,809

leading very important not to leave them

1883

01:38:22,700 --> 01:38:20,520

when they get into the states a

1884

01:38:26,000 --> 01:38:22,710

look around - tell me what you see you

1885

01:38:29,000 --> 01:38:26,010

don't say well okay gray well are their

1886

01:38:33,650 --> 01:38:29,010

eyes slanted well I mean you you just

1887

01:38:38,030 --> 01:38:33,660

very open-ended questions not leading at

1888

01:38:40,820 --> 01:38:38,040

all observing ice water there's a number

1889

01:38:42,800 --> 01:38:40,830

of things you're observing because it

1890

01:38:45,740 --> 01:38:42,810

can be very telling in the process and

1891

01:38:50,959 --> 01:38:45,750

so how anybody can call someone in

1892

01:38:53,750 --> 01:38:50,969

Australia and talk endlessly to them and

1893

01:38:55,400 --> 01:38:53,760

then tell them about other clients but

1894

01:38:59,240 --> 01:38:55,410

they're treating and what they said and

1895

01:39:00,650 --> 01:38:59,250

talk about and and I know some listeners

1896

01:39:04,220 --> 01:39:00,660

out there know exactly who I'm talking

1897

01:39:07,280 --> 01:39:04,230

about underwear and send me under you

1898

01:39:10,840 --> 01:39:07,290

know all of this to me you know doing

1899

01:39:14,440 --> 01:39:10,850

this remotely to me is not the

1900

01:39:19,459 --> 01:39:14,450

preferable way with Skype however

1901

01:39:21,740 --> 01:39:19,469

because you can observe people I believe

1902

01:39:23,959 --> 01:39:21,750

it's a little bit better because you

1903

01:39:27,160 --> 01:39:23,969

can't observe them you you you you don't

1904

01:39:29,900 --> 01:39:27,170

know if you're somebody is I've

1905

01:39:33,320 --> 01:39:29,910

regretted people and they start shaking

1906

01:39:35,540 --> 01:39:33,330

and they start having a pre actions and

1907

01:39:38,090 --> 01:39:35,550

you need to be able to address that at

1908

01:39:39,920 --> 01:39:38,100

the time it's happening and you just

1909

01:39:42,830 --> 01:39:39,930

can't see that in a telephone call and

1910

01:39:45,260 --> 01:39:42,840

maybe maybe the Skype maybe would Skype

1911

01:39:50,090 --> 01:39:45,270

it's a little better but I it is I think

1912

01:39:52,850 --> 01:39:50,100

it's a no-no I think it's you know not

1913

01:39:54,040 --> 01:39:52,860

preferable at all yeah okay someone also

1914

01:39:56,600 --> 01:39:54,050

want to know

1915

01:40:01,490 --> 01:39:56,610

pardon me is it with the few that you

1916

01:40:03,590 --> 01:40:01,500

have actually regressed were there

1917

01:40:07,459 --> 01:40:03,600

stories what you expected were there

1918

01:40:09,920 --> 01:40:07,469

interesting stories well um so these are

1919

01:40:14,470 --> 01:40:09,930

more like the objection straight they're

1920

01:40:18,680 --> 01:40:14,480

more um not no they weren't actually

1921

01:40:25,400 --> 01:40:18,690

they're more sort of like I I wanted

1922

01:40:27,320 --> 01:40:25,410

them to come or it's these entities that

1923

01:40:30,110 --> 01:40:27,330

they wake up and they're these entities

1924

01:40:32,840 --> 01:40:30,120

in the house they know that they're in

1925

01:40:34,370 --> 01:40:32,850

the house type of thing it's not it's

1926

01:40:36,740 --> 01:40:34,380

not like a new

1927

01:40:39,020 --> 01:40:36,750

taken aboard and they were taking you

1928

01:40:42,470 --> 01:40:39,030

know sperm so it's not what I expected

1929

01:40:44,330 --> 01:40:42,480

I will say that it is not what I it is

1930

01:40:45,620 --> 01:40:44,340

not anything I thought there would be

1931

01:40:48,950 --> 01:40:45,630

lines

1932

01:40:51,110 --> 01:40:48,960

I talked to a friend today and she had

1933

01:40:58,280 --> 01:40:51,120

the same experience I mean I don't know

1934

01:41:01,129 --> 01:40:58,290

what this is saying but there are all of

1935

01:41:03,229 --> 01:41:01,139

these it doesn't say you know that there

1936

01:41:05,479 --> 01:41:03,239

may be flocking to the Yvonne Smith's

1937

01:41:08,570 --> 01:41:05,489

and they another person that they won't

1938

01:41:10,430 --> 01:41:08,580

say or or whatever but we thought well

1939

01:41:14,240 --> 01:41:10,440

this is kind of interesting and I won't

1940

01:41:18,050 --> 01:41:14,250

take this personally because all I am is

1941

01:41:20,780 --> 01:41:18,060

listed yes in a you know in some sort of

1942

01:41:23,510 --> 01:41:20,790

you know listing for in MUFON or

1943

01:41:27,500 --> 01:41:23,520

whatever for treatment and I'm not

1944

01:41:30,140 --> 01:41:27,510

getting a lot of response and I asked

1945

01:41:32,840 --> 01:41:30,150

them stab on people and I've ology it

1946

01:41:36,740 --> 01:41:32,850

for them as well to be the volunteer

1947

01:41:41,180 --> 01:41:36,750

from the therapist know free of charge

1948

01:41:45,050 --> 01:41:41,190

to help them and I'm not getting any

1949

01:41:46,910 --> 01:41:45,060

calls so so where could someone actually

1950

01:41:49,370 --> 01:41:46,920

a listener say there's a listener that

1951

01:41:51,320 --> 01:41:49,380

either knows someone or they're having

1952

01:41:54,379 --> 01:41:51,330

some issues that they are think they

1953

01:41:56,600 --> 01:41:54,389

want to be regressed mm-hmm how can they

1954

01:41:59,149 --> 01:41:56,610

can find on the free reps your name and

1955

01:42:04,280 --> 01:41:59,159

contact information on the free website

1956

01:42:07,640 --> 01:42:04,290

and also yes the last one the star well

1957

01:42:08,689 --> 01:42:07,650

I would say the free is probably the

1958

01:42:11,390 --> 01:42:08,699

best one

1959

01:42:13,430 --> 01:42:11,400

you know I'm listed with them and so

1960

01:42:16,250 --> 01:42:13,440

that would be that would be the best one

1961

01:42:20,479 --> 01:42:16,260

but my friend and I did sort of think

1962

01:42:22,490 --> 01:42:20,489

like I was thinking well how many people

1963

01:42:25,610 --> 01:42:22,500

are there that are out there maybe

1964

01:42:27,649 --> 01:42:25,620

there's not that many people is it that

1965

01:42:29,300 --> 01:42:27,659

they only want to go to the person where

1966

01:42:33,379 --> 01:42:29,310

they're going to wind up in a book or

1967

01:42:35,450 --> 01:42:33,389

you know it's very curious to me you

1968

01:42:36,860 --> 01:42:35,460

know maybe they're out there and they

1969

01:42:39,080 --> 01:42:36,870

just don't know where to turn I don't

1970

01:42:43,250 --> 01:42:39,090

know I mean I've tried to make myself as

1971

01:42:46,070 --> 01:42:43,260

a as available as possible but but she's

1972

01:42:46,760 --> 01:42:46,080

not seeing a lot of she said exactly the

1973

01:42:48,050 --> 01:42:46,770

same thing

1974

01:42:50,390 --> 01:42:48,060

like where

1975

01:42:53,000 --> 01:42:50,400

is going to be like so busy doing this

1976

01:42:56,330 --> 01:42:53,010

and and and there aren't that many

1977

01:42:59,330 --> 01:42:56,340

people so you know I don't know what

1978

01:43:02,050 --> 01:42:59,340

that's I my answer by my responses I

1979

01:43:06,860 --> 01:43:02,060

don't know you know what that's about

1980

01:43:09,800 --> 01:43:06,870

but yes that was the motivation for me

1981

01:43:12,800 --> 01:43:09,810

to to learn about hypnotherapy to

1982

01:43:15,920 --> 01:43:12,810

understand you know with people people

1983

01:43:18,710 --> 01:43:15,930

are going into hypnosis does that mean

1984

01:43:21,470 --> 01:43:18,720

that this really happened to them I

1985

01:43:24,680 --> 01:43:21,480

wanted to understand it when I do thing

1986

01:43:27,830 --> 01:43:24,690

and they take it on I want to understand

1987

01:43:29,360 --> 01:43:27,840

it completely and fully and so I thought

1988

01:43:31,640 --> 01:43:29,370

well I'll just I'll just take the

1989

01:43:35,600 --> 01:43:31,650

training and to understand and so I do

1990

01:43:37,730 --> 01:43:35,610

understand that perhaps has happened but

1991

01:43:39,740 --> 01:43:37,740

it isn't necessary it didn't know it did

1992

01:43:42,020 --> 01:43:39,750

not necessarily happen it it does not

1993

01:43:45,530 --> 01:43:42,030

mean it was the truth does that make

1994

01:43:49,010 --> 01:43:45,540

sense yeah yes so just for the listener

1995

01:43:53,360 --> 01:43:49,020

out there so the free website is in

1996

01:43:56,720 --> 01:43:53,370

Burien sir dot org that's where you go

1997

01:43:57,830 --> 01:43:56,730

to to look Donna up on that in this

1998

01:44:00,890 --> 01:43:57,840

little search bar you could probably

1999

01:44:04,520 --> 01:44:00,900

just type her name in there and went up

2000

01:44:07,040 --> 01:44:04,530

your your under sure your about there's

2001

01:44:10,390 --> 01:44:07,050

a drop-down menu I just can't do it

2002

01:44:14,450 --> 01:44:12,740

but I tell you what the listener if

2003

01:44:17,720 --> 01:44:14,460

you're interested I will put that link

2004

01:44:18,260 --> 01:44:17,730

in the show notes so check that out yeah

2005

01:44:20,690 --> 01:44:18,270

okay

2006

01:44:23,300 --> 01:44:20,700

so if anyone can call in if you'd like

2007

01:44:27,860 --> 01:44:23,310

in that number six oh three nine six

2008

01:44:30,800 --> 01:44:27,870

seven four oh three oh there was I think

2009

01:44:34,340 --> 01:44:30,810

that's that there's another question

2010

01:44:37,510 --> 01:44:34,350

that came up earlier and I forgot it and

2011

01:44:42,410 --> 01:44:37,520

that is are either you or your brother

2012

01:44:46,910 --> 01:44:42,420

Rh negative for blood type I know who is

2013

01:44:51,590 --> 01:44:46,920

asking that question I bet and yes no

2014

01:44:53,750 --> 01:44:51,600

neither of us are negative so that's a

2015

01:44:56,480 --> 01:44:53,760

good question however you think you for

2016

01:44:57,380 --> 01:44:56,490

asking us but now we're both yeah

2017

01:44:59,750 --> 01:44:57,390

positive

2018

01:45:01,700 --> 01:44:59,760

okay all right that is a question that

2019

01:45:05,240 --> 01:45:01,710

does come up a lot because

2020

01:45:09,230 --> 01:45:05,250

you know connection I'm Reid and Tom

2021

01:45:12,950 --> 01:45:09,240

Reid I think and yeah number of people

2022

01:45:16,940 --> 01:45:12,960

yeah our air h- you know they're there

2023

01:45:19,910 --> 01:45:16,950

does I will tell you that you know I'm

2024

01:45:22,340 --> 01:45:19,920

trying you know in the field - I have

2025

01:45:24,770 --> 01:45:22,350

the interest I have some healthy

2026

01:45:28,190 --> 01:45:24,780

skepticism I look at the whole thing

2027

01:45:31,160 --> 01:45:28,200

critically I try to think of any other

2028

01:45:37,970 --> 01:45:31,170

kinds of things that could be you know

2029

01:45:42,110 --> 01:45:37,980

the reality so I have lost at things

2030

01:45:44,990 --> 01:45:42,120

like gee did my mic were there any other

2031

01:45:48,230 --> 01:45:45,000

odd stories and my family and my

2032

01:45:51,100 --> 01:45:48,240

grandmother didn't tell me this crazy

2033

01:45:55,910 --> 01:45:51,110

story that I started putting together

2034

01:45:59,420 --> 01:45:55,920

you know later that she saw some weird

2035

01:46:03,400 --> 01:45:59,430

thing in the sky and you know but

2036

01:46:06,980 --> 01:46:03,410

nothing you know nothing like the

2037

01:46:09,550 --> 01:46:06,990

abduction or a lot of UFO sightings you

2038

01:46:16,000 --> 01:46:09,560

know I know this seems to go through

2039

01:46:18,440 --> 01:46:16,010

family lines but nothing like like that

2040

01:46:22,760 --> 01:46:18,450

you know I was concerned about my

2041

01:46:28,220 --> 01:46:22,770

children you know and my daughter when

2042

01:46:31,700 --> 01:46:28,230

she was three screamed one night and

2043

01:46:35,060 --> 01:46:31,710

just bloody just a bloody is a great

2044

01:46:37,280 --> 01:46:35,070

horrible scream and I went up to her

2045

01:46:38,840 --> 01:46:37,290

room and and I and I will say that one

2046

01:46:42,040 --> 01:46:38,850

when I was going through this whole

2047

01:46:46,040 --> 01:46:42,050

thing you know thinking that possibly

2048

01:46:48,710 --> 01:46:46,050

things were coming in at night that my

2049

01:46:50,120 --> 01:46:48,720

concern was take me but don't you know

2050

01:46:52,640 --> 01:46:50,130

don't hurt my child

2051

01:46:56,750 --> 01:46:52,650

you know I do whatever and it was an

2052

01:47:00,280 --> 01:46:56,760

additional anxiety but she screamed and

2053

01:47:03,560 --> 01:47:00,290

I ran to her side and she said that um

2054

01:47:05,840 --> 01:47:03,570

that the the me anima Rome had come into

2055

01:47:08,720 --> 01:47:05,850

her room and slapped her and she'll

2056

01:47:11,900 --> 01:47:08,730

still talk about this but she was

2057

01:47:14,900 --> 01:47:11,910

feeling some slapping on her side and

2058

01:47:15,560 --> 01:47:14,910

became pretty traumatized and we still

2059

01:47:19,610 --> 01:47:15,570

talked about

2060

01:47:21,290 --> 01:47:19,620

she's an adult now but you know we still

2061

01:47:24,350 --> 01:47:21,300

talk about it so now is in the death

2062

01:47:28,430 --> 01:47:24,360

what was that just you know that I was

2063

01:47:33,170 --> 01:47:28,440

awake and there was slapping and I felt

2064

01:47:34,880 --> 01:47:33,180

it and it was a man and and you know my

2065

01:47:37,550 --> 01:47:34,890

mother had been visiting me at the time

2066

01:47:40,820 --> 01:47:37,560

and we both might recite and and so you

2067

01:47:42,140 --> 01:47:40,830

know again a witness to that and so I

2068

01:47:45,410 --> 01:47:42,150

don't know what that is but other than

2069

01:47:48,290 --> 01:47:45,420

that you know nothing you know through

2070

01:47:55,010 --> 01:47:48,300

the bloodline or historically that I can

2071

01:47:58,220 --> 01:47:55,020

really tell yes oh so like I said so I

2072

01:48:02,300 --> 01:47:58,230

think I have that I have that a couple

2073

01:48:05,690 --> 01:48:02,310

of other things that happened to me and

2074

01:48:06,980 --> 01:48:05,700

I didn't really ever relate them and

2075

01:48:11,830 --> 01:48:06,990

this is where you come in

2076

01:48:14,840 --> 01:48:11,840

I never related them to to to be UFO

2077

01:48:17,320 --> 01:48:14,850

phenomenon at all until I started

2078

01:48:19,970 --> 01:48:17,330

listening to your show and going to

2079

01:48:22,070 --> 01:48:19,980

experiences I went to about their

2080

01:48:24,170 --> 01:48:22,080

conferences and and that's a great

2081

01:48:26,660 --> 01:48:24,180

conference if they're doing it again in

2082

01:48:29,960 --> 01:48:26,670

August um for people you know that want

2083

01:48:31,520 --> 01:48:29,970

to explore this further but I had a

2084

01:48:34,310 --> 01:48:31,530

couple of things happen to me in my

2085

01:48:37,220 --> 01:48:34,320

childhood and I they were just odd

2086

01:48:39,200 --> 01:48:37,230

things and I never connected it to

2087

01:48:43,100 --> 01:48:39,210

anything until I start listening to your

2088

01:48:46,730 --> 01:48:43,110

show and about it and and also listen to

2089

01:48:48,860 --> 01:48:46,740

another one frequently called the

2090

01:48:53,800 --> 01:48:48,870

unexplained - Howard Hughes and oh yeah

2091

01:48:57,970 --> 01:48:53,810

so similar girl but a great show yep and

2092

01:49:00,140 --> 01:48:57,980

and that is when I was about five years

2093

01:49:02,210 --> 01:49:00,150

old again

2094

01:49:05,360 --> 01:49:02,220

yeah I have a very clear memory from

2095

01:49:10,760 --> 01:49:05,370

about 4:00 on in flashbacks from 2:00

2096

01:49:15,850 --> 01:49:10,770

and 3:00 on verified by my mother I woke

2097

01:49:20,510 --> 01:49:15,860

up and I was surrounded by some

2098

01:49:24,890 --> 01:49:20,520

skeletons I thought and it was

2099

01:49:27,770 --> 01:49:24,900

terrifying and I had this episode of

2100

01:49:29,540 --> 01:49:27,780

sort of feeling some sort of paralysis I

2101

01:49:32,330 --> 01:49:29,550

guess I wasn't able to move in

2102

01:49:33,890 --> 01:49:32,340

fine wasn't I told me mother ran into my

2103

01:49:35,600 --> 01:49:33,900

mother's room and she said well you know

2104

01:49:38,470 --> 01:49:35,610

you've had you're having a nightmare and

2105

01:49:42,799 --> 01:49:38,480

think happy thoughts and think about

2106

01:49:44,959 --> 01:49:42,809

nice things to bed and so that's what I

2107

01:49:47,750 --> 01:49:44,969

thought that was I wouldn't even bring

2108

01:49:49,700 --> 01:49:47,760

it up again to anyone except I'm sure

2109

01:49:54,080 --> 01:49:49,710

I've had many nightmares but that one

2110

01:49:55,790 --> 01:49:54,090

was really something and I had a couple

2111

01:49:58,790 --> 01:49:55,800

of other things I won't go into detail

2112

01:50:01,339 --> 01:49:58,800

but sort of strange like that and I

2113

01:50:04,250 --> 01:50:01,349

started listening to show and I had

2114

01:50:07,729 --> 01:50:04,260

found in talking to people have had

2115

01:50:10,459 --> 01:50:07,739

experiences that it seems like things

2116

01:50:14,899 --> 01:50:10,469

like that happened to them at various

2117

01:50:20,450 --> 01:50:14,909

past times of their lives starting from

2118

01:50:23,359 --> 01:50:20,460

early ages around five years old having

2119

01:50:25,459 --> 01:50:23,369

these things and I you know I maybe they

2120

01:50:27,589 --> 01:50:25,469

were nightmares but you know some of

2121

01:50:29,030 --> 01:50:27,599

them just it there seems to be I guess

2122

01:50:31,370 --> 01:50:29,040

when there seems to be a patent and

2123

01:50:33,830 --> 01:50:31,380

trend and now that we have the internet

2124

01:50:36,370 --> 01:50:33,840

we can listen to shows like yours you

2125

01:50:40,100 --> 01:50:36,380

know maybe something upset and this

2126

01:50:43,760 --> 01:50:40,110

interview has resonated with with

2127

01:50:47,120 --> 01:50:43,770

somebody just as I've heard other people

2128

01:50:50,120 --> 01:50:47,130

speak and Debbie Tripp and I had a long

2129

01:50:54,290 --> 01:50:50,130

conversation and we are totally on the

2130

01:50:58,760 --> 01:50:54,300

same page that we we both have had other

2131

01:51:04,089 --> 01:50:58,770

paranormal kinds of experiences that we

2132

01:51:08,390 --> 01:51:04,099

wouldn't have necessarily equated with a

2133

01:51:11,660 --> 01:51:08,400

UFO sighting or these experiences but

2134

01:51:14,299 --> 01:51:11,670

it's curious that you know these other

2135

01:51:16,879 --> 01:51:14,309

things have happened I'm particularly

2136

01:51:22,270 --> 01:51:16,889

sensitive I I guess I would describe

2137

01:51:25,669 --> 01:51:22,280

myself as a sensitive in a path and that

2138

01:51:28,189 --> 01:51:25,679

I haven't in what an amount of

2139

01:51:31,339 --> 01:51:28,199

synchronicities and strange things that

2140

01:51:33,770 --> 01:51:31,349

happen to me happily all experience with

2141

01:51:36,589 --> 01:51:33,780

other people so that I know that it's

2142

01:51:39,859 --> 01:51:36,599

not just me and other people but I've

2143

01:51:43,339 --> 01:51:39,869

heard on your show and Debbie Tripp

2144

01:51:45,109 --> 01:51:43,349

herself has had these kinds of things

2145

01:51:47,330 --> 01:51:45,119

I don't know how we don't know how

2146

01:51:51,080 --> 01:51:47,340

they're connected but captain Kathleen

2147

01:51:55,279 --> 01:51:51,090

Biden and Denise toner have written

2148

01:51:59,029 --> 01:51:55,289

books about this and that there seems to

2149

01:52:01,969 --> 01:51:59,039

be some sort of connection with you know

2150

01:52:04,879 --> 01:52:01,979

having whether you know the chicken or

2151
01:52:09,469 --> 01:52:04,889
the egg were you already sensitive and

2152
01:52:12,589 --> 01:52:09,479
so you drew this to you or is the

2153
01:52:18,379 --> 01:52:12,599
connection with this other entity

2154
01:52:22,759 --> 01:52:18,389
whatever they are did they somehow you

2155
01:52:26,089 --> 01:52:22,769
know provide this or you know instill

2156
01:52:29,649 --> 01:52:26,099
this in you so that's sort of out you

2157
01:52:34,369 --> 01:52:29,659
know out there for some kind of you know

2158
01:52:37,429 --> 01:52:34,379
debate mm-hmm Wow

2159
01:52:40,569 --> 01:52:37,439
okay so I was just looking up someone

2160
01:52:43,609 --> 01:52:40,579
once no earlier what do you think these

2161
01:52:45,349 --> 01:52:43,619
abductions are all about what your

2162
01:52:46,969 --> 01:52:45,359
thoughts are coming up we only have

2163
01:52:50,509 --> 01:52:46,979

about five minutes on the conclusion

2164

01:52:53,270 --> 01:52:50,519

right on the conclusion so the

2165

01:52:56,179 --> 01:52:53,280

conclusion is I have had a journey

2166

01:52:59,869 --> 01:52:56,189

through you know all of this you know my

2167

01:53:03,949 --> 01:52:59,879

conclusion is that there are certainly

2168

01:53:06,589 --> 01:53:03,959

that that reality as we know it is more

2169

01:53:10,939 --> 01:53:06,599

than what we think it is and that

2170

01:53:15,020 --> 01:53:10,949

certainly certainly some people seem to

2171

01:53:21,619 --> 01:53:15,030

be more aware and sensitive to all of

2172

01:53:25,040 --> 01:53:21,629

that that that I am Not sure I would say

2173

01:53:28,250 --> 01:53:25,050

whether these entities for example if

2174

01:53:31,609 --> 01:53:28,260

you know my brother are they

2175

01:53:34,219 --> 01:53:31,619

extraterrestrial or interdimensional you

2176
01:53:38,750 --> 01:53:34,229
know I couldn't possibly like would not

2177
01:53:41,599 --> 01:53:38,760
possibly be able to to say I think

2178
01:53:44,869 --> 01:53:41,609
something is happening and I couldn't

2179
01:53:51,310 --> 01:53:44,879
classify say I my own personal feeling

2180
01:53:59,819 --> 01:53:57,120
dissertation by another realm

2181
01:54:02,850 --> 01:53:59,829
and I don't know if it's from another

2182
01:54:06,810 --> 01:54:02,860
place or this place in another dimension

2183
01:54:10,310 --> 01:54:06,820
I don't know I think we are seated

2184
01:54:11,550 --> 01:54:10,320
I think we have been seated by another

2185
01:54:15,000 --> 01:54:11,560
civilization

2186
01:54:16,950 --> 01:54:15,010
you know I I I guess I guess if I if I

2187
01:54:19,080 --> 01:54:16,960
put against the Walmart and like putting

2188
01:54:23,280 --> 01:54:19,090

me against the wall I guess I think that

2189

01:54:25,350 --> 01:54:23,290

I guess I think that you know I'm into

2190

01:54:32,629 --> 01:54:25,360

the ancient alien I'm into all of that

2191

01:54:39,149 --> 01:54:32,639

I believe that we were seeded by another

2192

01:54:42,060 --> 01:54:39,159

by an alien society and that we have

2193

01:54:45,479 --> 01:54:42,070

been observed for whatever reason I I

2194

01:54:48,410 --> 01:54:45,489

don't think it's I think that it's

2195

01:54:50,850 --> 01:54:48,420

telling that there was an onslaught of

2196

01:54:54,240 --> 01:54:50,860

sightings around the use of nuclear

2197

01:54:57,240 --> 01:54:54,250

weapons around the second world war with

2198

01:55:00,270 --> 01:54:57,250

the Foo Fighters and all kinds of

2199

01:55:03,270 --> 01:55:00,280

sightings may just by heading to Roswell

2200

01:55:05,280 --> 01:55:03,280

and that was all that being tapping

2201

01:55:08,780 --> 01:55:05,290

around places where there are nuclear

2202

01:55:12,990 --> 01:55:08,790

weapons I believe we have been studied

2203

01:55:17,310 --> 01:55:13,000

being studied I don't know why I do

2204

01:55:21,330 --> 01:55:17,320

think we are some sort of a reality

2205

01:55:23,850 --> 01:55:21,340

series possibly for somebody that just

2206

01:55:27,959 --> 01:55:23,860

says let's just put these Truman Show

2207

01:55:30,600 --> 01:55:27,969

right so what it is it's the truth show

2208

01:55:32,879 --> 01:55:30,610

exactly right mine it's like let's put

2209

01:55:36,270 --> 01:55:32,889

these factions down there we're going to

2210

01:55:39,030 --> 01:55:36,280

have every time we're gonna have some go

2211

01:55:41,879 --> 01:55:39,040

to this way and some go that way and

2212

01:55:45,270 --> 01:55:41,889

then we'll just watch them you know kind

2213

01:55:48,180 --> 01:55:45,280

it's like you know that we're always so

2214

01:55:51,120 --> 01:55:48,190

polarized like is that for entertainment

2215

01:55:54,030 --> 01:55:51,130

value and let's add this and what about

2216

01:55:58,379 --> 01:55:54,040

that so you know do I do I have this oh

2217

01:56:00,899 --> 01:55:58,389

I do their instance you know I thought

2218

01:56:04,530 --> 01:56:00,909

that you know they're they're here to

2219

01:56:07,410 --> 01:56:04,540

help us and that you know that may that

2220

01:56:11,490 --> 01:56:07,420

may be true I think it's telling about

2221

01:56:15,420 --> 01:56:11,500

the you know the nuclear situation

2222

01:56:19,350 --> 01:56:15,430

but you know I don't know I mean so so

2223

01:56:24,390 --> 01:56:19,360

in a nutshell I guess it could be any

2224

01:56:26,550 --> 01:56:24,400

anybody but I do feel that you know it

2225

01:56:28,980 --> 01:56:26,560

is extraterrestrial and for people that

2226
01:56:31,830 --> 01:56:28,990
say well they couldn't get here and you

2227
01:56:34,500 --> 01:56:31,840
know that's for a very limited tiny

2228
01:56:37,110 --> 01:56:34,510
human minds that we can't possibly I

2229
01:56:40,170 --> 01:56:37,120
don't think we can understand the whole

2230
01:56:44,970 --> 01:56:40,180
you know physics about it it may be

2231
01:56:46,830 --> 01:56:44,980
that's right the physics exists we just

2232
01:56:50,790 --> 01:56:46,840
have not discovered if we think we've

2233
01:56:53,130 --> 01:56:50,800
discovered all of physics then that's a

2234
01:56:55,860 --> 01:56:53,140
crazy thought and that's what a lot of

2235
01:56:58,140 --> 01:56:55,870
mainstream science assumes there's

2236
01:57:01,470 --> 01:56:58,150
probably a lot more to explore out there

2237
01:57:04,740 --> 01:57:01,480
so this has been great you know I looked

2238
01:57:06,900 --> 01:57:04,750

on the on the website on the free

2239

01:57:12,060 --> 01:57:06,910

website I couldn't find you on that page

2240

01:57:14,310 --> 01:57:12,070

so if you I think we will talk after the

2241

01:57:16,920 --> 01:57:14,320

show quickly and we will I will make

2242

01:57:20,190 --> 01:57:16,930

sure that the listener will have your

2243

01:57:22,860 --> 01:57:20,200

contact information somehow and these

2244

01:57:24,810 --> 01:57:22,870

shortly yeah absolutely I would love I

2245

01:57:27,780 --> 01:57:24,820

would love to you know help anyone who

2246

01:57:29,970 --> 01:57:27,790

you know wants to explore this you know

2247

01:57:33,890 --> 01:57:29,980

further right excellent

2248

01:57:39,180 --> 01:57:36,690

yeah we'll talk about synchronicities

2249

01:57:42,360 --> 01:57:39,190

we've had quite a few of them haven't we

2250

01:57:45,480 --> 01:57:42,370

we we have we have for whatever that

2251

01:57:48,510 --> 01:57:45,490

whatever that means we we have and we

2252

01:57:52,500 --> 01:57:48,520

can certainly have each other to be the

2253

01:57:55,860 --> 01:57:52,510

witness and same-day in our pot in the

2254

01:57:57,030 --> 01:57:55,870

same place and here we are no that's

2255

01:57:58,830 --> 01:57:57,040

right I don't know

2256

01:58:01,230 --> 01:57:58,840

certainly it's been a joy it's been a

2257

01:58:04,950 --> 01:58:01,240

joy being on the side of the chat room

2258

01:58:07,410 --> 01:58:04,960

and and I'm a big fan and I'll be show

2259

01:58:09,600 --> 01:58:07,420

and thanks again for having me and I and

2260

01:58:12,300 --> 01:58:09,610

I hope you know somebody I help somebody

2261

01:58:15,180 --> 01:58:12,310

or you know that wasn't interesting here

2262

01:58:17,310 --> 01:58:15,190

and listeners yeah yeah a lot it was

2263

01:58:19,920 --> 01:58:17,320

some very they're very kind in the

2264

01:58:22,850 --> 01:58:19,930

chatroom too so that's good alright so

2265

01:58:24,810 --> 01:58:22,860

that's it for the show thank you

2266

01:58:28,860 --> 01:58:24,820

alright so that's it for the

2267

01:58:30,810 --> 01:58:28,870

and next week we have Sam moranto coming

2268

01:58:33,000 --> 01:58:30,820

on out in Illinois he's a friend he's

2269

01:58:33,900 --> 01:58:33,010

been on a number of times so Sam will be

2270

01:58:35,820 --> 01:58:33,910

on next week

2271

01:58:38,790 --> 01:58:35,830

so thanks so much for your support and

2272

01:58:41,940 --> 01:58:38,800

thank you for listening live and we'll

2273

01:58:46,140 --> 01:58:41,950

be back next week remember always to
