

1
00:00:04,280 --> 00:00:03,500
and it hits me oh my gosh this is that

2
00:00:05,360 --> 00:00:04,290
triangle

3
00:00:06,470 --> 00:00:05,370
you know there's explanation for

4
00:00:08,839 --> 00:00:06,480
everything that occurred in the

5
00:00:11,180 --> 00:00:08,849
Rendlesham forest incident that involved

6
00:00:14,560 --> 00:00:11,190
aliens at all it was completely silent

7
00:00:17,689 --> 00:00:14,570
it comes right over our head it's so a

8
00:00:19,370 --> 00:00:17,699
classic flying-saucer really standing in

9
00:00:20,900 --> 00:00:19,380
the clearing he turned over to my father

10
00:00:26,929 --> 00:00:20,910
and held his hand and he looked in his

11
00:00:30,259 --> 00:00:26,939
eyes and said we're not alone welcome to

12
00:00:32,209 --> 00:00:30,269

pretty excited about tonight's show I've

25
00:01:05,800 --> 00:01:02,969
been trying to get someone on to talk

26

00:01:09,020 --> 00:01:05,810

about that subject for quite a while

27

00:01:11,030 --> 00:01:09,030

fascinating subject if you are

28

00:01:14,359 --> 00:01:11,040

supporting the show I want to thank you

29

00:01:17,359 --> 00:01:14,369

very much I really appreciate it our

30

00:01:19,429 --> 00:01:17,369

bandwidth for some reason is going crazy

31

00:01:23,810 --> 00:01:19,439

lately that means we're getting a lot of

32

00:01:25,550 --> 00:01:23,820

downloads which is good so I really do

33

00:01:28,700 --> 00:01:25,560

appreciate your support for your support

34

00:01:30,440 --> 00:01:28,710

and that's all I got how you doing

45

00:02:00,530 --> 00:01:58,200

alejandro I am well how are you great

46

00:02:03,740 --> 00:02:00,540

great things are going good we've had a

47

00:02:06,530 --> 00:02:03,750

beautiful summer here in the in the East

48

00:02:09,109 --> 00:02:06,540

Coast mm-hmm it's been totally dry no

49

00:02:11,650 --> 00:02:09,119

mosquitoes which is really rare for me

50

00:02:13,460 --> 00:02:11,660

no mosquitoes no ticks it's really nice

51
00:02:17,300 --> 00:02:13,470
we're in Hub

52
00:02:20,050 --> 00:02:17,310
be seasoned Haho be what what is that

53
00:02:23,210 --> 00:02:20,060
boob they're actually called hub boobs

54
00:02:25,850 --> 00:02:23,220
where you know these big waves of sand

55
00:02:27,800 --> 00:02:25,860
come like on the movies really you know

56
00:02:29,960 --> 00:02:27,810
where you have these huge clouds now

57
00:02:32,480 --> 00:02:29,970
unlike the movies it's not like they

58
00:02:35,180 --> 00:02:32,490
shred your skin or they're that scary

59
00:02:38,030 --> 00:02:35,190
it's really just this dust that comes

60
00:02:41,690 --> 00:02:38,040
over and it feels like when they come up

61
00:02:44,600 --> 00:02:41,700
through it feels like you're in a like a

62
00:02:46,460 --> 00:02:44,610
in a vacuum or something like that get

63
00:02:49,340 --> 00:02:46,470

like a vacuum machine that just it's

64

00:02:51,920 --> 00:02:49,350

just dusty and it's this like cloud of

65

00:02:55,430 --> 00:02:51,930

dust it's yucky visibility can be a

66

00:02:57,050 --> 00:02:55,440

little lower and it's just you know it's

67

00:02:58,850 --> 00:02:57,060

just kind of gross but what's

68

00:03:00,260 --> 00:02:58,860

interesting is there's lightning in

69

00:03:02,630 --> 00:03:00,270

these things and a lightning goes

70

00:03:05,030 --> 00:03:02,640

sideways and everything and that can be

71

00:03:08,240 --> 00:03:05,040

really weird but it looks really cool

72

00:03:10,820 --> 00:03:08,250

you can go to the Phoenix news and stuff

73

00:03:12,860 --> 00:03:10,830

I call them ha boobies because that's

74

00:03:15,100 --> 00:03:12,870

just more fun but they're actually

75

00:03:19,070 --> 00:03:15,110

called uh boobs

76
00:03:22,630 --> 00:03:19,080
Wow mm-hm yeah but the kids love playing

77
00:03:25,580 --> 00:03:22,640
with that name yeah yeah actually my

78
00:03:29,600 --> 00:03:25,590
girlfriend's daughter she's a teenager

79
00:03:31,550 --> 00:03:29,610
just be a senior this year she doesn't

80
00:03:33,650 --> 00:03:31,560
like that word she doesn't like it when

81
00:03:36,140 --> 00:03:33,660
I say that oh well yeah that could be

82
00:03:39,110 --> 00:03:36,150
which of course just makes me want to

83
00:03:40,220 --> 00:03:39,120
say it more right yeah I was wondering

84
00:03:41,960 --> 00:03:40,230
when you first started talking about

85
00:03:43,940 --> 00:03:41,970
that if there was any static electricity

86
00:03:47,560 --> 00:03:43,950
if it made does it make everything like

87
00:03:49,759 --> 00:03:47,570
real staticky as well no not really

88
00:03:53,180 --> 00:03:49,769

sometimes rain comes with it and it's

89

00:03:55,430 --> 00:03:53,190

just real dirty it's a dirt rain Wow

90

00:03:57,680 --> 00:03:55,440

but yeah and it makes your cars dirty

91

00:04:00,440 --> 00:03:57,690

which is funny out here because there's

92

00:04:01,880 --> 00:04:00,450

so little rain and so much sunshine that

93

00:04:04,280 --> 00:04:01,890

yeah you don't have to wash your car

94

00:04:06,380 --> 00:04:04,290

much and they stay so clean being from

95

00:04:08,120 --> 00:04:06,390

Colorado that was one thing I noticed

96

00:04:11,390 --> 00:04:08,130

because it's hard to keep your car clean

97

00:04:13,009 --> 00:04:11,400

in Colorado in the winter especially but

98

00:04:15,949 --> 00:04:13,019

everybody's car is usually so clean out

99

00:04:18,170 --> 00:04:15,959

here until a ho boobie comes by yeah is

100

00:04:20,770 --> 00:04:18,180

it must be low UFO sightings during her

101
00:04:23,420 --> 00:04:20,780
boobies season yeah which of course

102
00:04:25,010 --> 00:04:23,430
they're you know what that would be

103
00:04:26,490 --> 00:04:25,020
interesting statistic I wouldn't doubt

104
00:04:29,820 --> 00:04:26,500
if there were

105
00:04:32,070 --> 00:04:29,830
less however Arizona just because of the

106
00:04:34,350 --> 00:04:32,080
clear skies I think has quite a few

107
00:04:36,950 --> 00:04:34,360
sightings all year round yeah I'm sure

108
00:04:39,990 --> 00:04:36,960
they do so what is happening out there

109
00:04:41,670 --> 00:04:40,000
what is happening bub up up up up this

110
00:04:43,530 --> 00:04:41,680
is exciting for you because I know

111
00:04:48,660 --> 00:04:43,540
you're a big fan this is a story about

112
00:04:52,620 --> 00:04:48,670
Rowan Blanchard Rowan Blanchard mm-hmm

113
00:04:55,170 --> 00:04:52,630

okay um do you know who that is I don't

114

00:04:58,560 --> 00:04:55,180

have any idea I didn't know actually

115

00:05:00,030 --> 00:04:58,570

either until I read the story and some

116

00:05:04,590 --> 00:05:00,040

of the younger listeners of which you

117

00:05:08,190 --> 00:05:04,600

probably have none she I guess she's a

118

00:05:11,670 --> 00:05:08,200

Disney Channel star she's on this show

119

00:05:13,560 --> 00:05:11,680

called Girl Meets World but there's a

120

00:05:15,390 --> 00:05:13,570

story about her why I bring her up in

121

00:05:18,210 --> 00:05:15,400

particular it's kind of because I'm

122

00:05:20,310 --> 00:05:18,220

feeling kind of snarky and I want to

123

00:05:24,060 --> 00:05:20,320

kind of rub this into people

124

00:05:28,500 --> 00:05:24,070

she there's a story by MTV saying that

125

00:05:30,360 --> 00:05:28,510

she accidentally photographed a UFO and

126

00:05:33,240 --> 00:05:30,370

she posted this picture to Instagram

127

00:05:36,030 --> 00:05:33,250

saying oh is this UFO in my picture it's

128

00:05:37,830 --> 00:05:36,040

not what it is it's a reflection from

129

00:05:41,400 --> 00:05:37,840

the highway light you can see the other

130

00:05:44,430 --> 00:05:41,410

highway lights in the picture the reason

131

00:05:46,590 --> 00:05:44,440

why I like to talk about this is that

132

00:05:49,860 --> 00:05:46,600

it's so funny there was this happen you

133

00:05:53,390 --> 00:05:49,870

may remember maybe a year or so ago in

134

00:05:56,820 --> 00:05:53,400

Texas someone took a picture like this

135

00:05:59,250 --> 00:05:56,830

it went into the news and people went

136

00:06:01,650 --> 00:05:59,260

crazy about it now a lot of us you know

137

00:06:04,230 --> 00:06:01,660

said no that's not what it is it's a

138

00:06:07,710 --> 00:06:04,240

reflection on the windshield from the

139

00:06:12,540 --> 00:06:07,720

highway lights and it was shocking to me

140

00:06:14,580 --> 00:06:12,550

how many people got upset by me and

141

00:06:17,219 --> 00:06:14,590

others even when I said this on your

142

00:06:20,280 --> 00:06:17,229

show people got upset people got really

143

00:06:22,980 --> 00:06:20,290

upset so I we have similar lights here

144

00:06:25,590 --> 00:06:22,990

on our highways so I took my phone and I

145

00:06:27,300 --> 00:06:25,600

recorded those lights out my windshield

146

00:06:29,610 --> 00:06:27,310

ensure enough you the same effect

147

00:06:32,340 --> 00:06:29,620

happens you see the the round lights

148

00:06:34,409 --> 00:06:32,350

like the lights themselves are so bright

149

00:06:36,210 --> 00:06:34,419

that the camera can't pick up the shape

150

00:06:38,190 --> 00:06:36,220

that they're in you just see this big

151

00:06:40,350 --> 00:06:38,200

mass of bright light but in the

152

00:06:43,499 --> 00:06:40,360

reflection you actually see the

153

00:06:46,170 --> 00:06:43,509

individual lights in a circle so they

154

00:06:47,399 --> 00:06:46,180

look like a circle of light so that's

155

00:06:49,649 --> 00:06:47,409

essentially what's happening so I

156

00:06:52,140 --> 00:06:49,659

recorded this and I put it on our

157

00:06:55,830 --> 00:06:52,150

YouTube so if you go to youtube and you

158

00:07:00,089 --> 00:06:55,840

can see this effect but unfortunately

159

00:07:02,790 --> 00:07:00,099

young miss Blanchard it's not a UFO it

160

00:07:06,119 --> 00:07:02,800

is just a reflection but I just want to

161

00:07:07,770 --> 00:07:06,129

remind people of that phenomenon Wow so

162

00:07:09,659 --> 00:07:07,780

and someone liked her post something

163

00:07:12,149 --> 00:07:09,669

like that I bet it just absolutely goes

164

00:07:13,830 --> 00:07:12,159

crazy yeah I'm sure it will you know

165

00:07:20,159 --> 00:07:13,840

there'll be lots of people saying it's

166

00:07:23,909 --> 00:07:20,169

UFO who knows so yeah but there you go

167

00:07:26,969 --> 00:07:23,919

you know what can you do what can you do

168

00:07:30,809 --> 00:07:26,979

yeah nothing you can't do it damn thing

169

00:07:35,459 --> 00:07:30,819

Martin um speaking of celebrities in

170

00:07:38,279 --> 00:07:35,469

UFOs there was some progress Tom DeLonge

171

00:07:41,879 --> 00:07:38,289

was going to supposedly make are you

172

00:07:43,740 --> 00:07:41,889

aware of any updates on that not really

173

00:07:48,860 --> 00:07:43,750

I mean he said he was gonna release a

174

00:07:51,749 --> 00:07:48,870

fiction book about what he was told by

175

00:07:55,110 --> 00:07:51,759

different military witnesses deep

176

00:07:57,420 --> 00:07:55,120

throats his deep throats and he did

177

00:08:00,809 --> 00:07:57,430

release this book it's a fiction book

178

00:08:03,629 --> 00:08:00,819

and I don't think I haven't heard that

179

00:08:06,930 --> 00:08:03,639

it's done very well nor has anyone

180

00:08:08,850 --> 00:08:06,940

really made a big deal out of it I've

181

00:08:12,450 --> 00:08:08,860

read from at least a couple of people

182

00:08:15,059 --> 00:08:12,460

who read through it and you just can't

183

00:08:18,499 --> 00:08:15,069

make heads or tail of what the heck he's

184

00:08:21,899 --> 00:08:18,509

trying to reveal that's so shocking so

185

00:08:24,510 --> 00:08:21,909

no the book I was I was thinking once

186

00:08:27,839 --> 00:08:24,520

the book came out perhaps there would be

187

00:08:30,179 --> 00:08:27,849

a big you know I do at least finally we

188

00:08:33,870 --> 00:08:30,189

would hear what he was claiming that he

189

00:08:36,959 --> 00:08:33,880

had information he had received but not

190

00:08:41,819 --> 00:08:36,969

much so it's been silent that way Wow

191

00:08:43,649 --> 00:08:41,829

well because you know the thing that the

192

00:08:46,110 --> 00:08:43,659

celebrities have is you know that when

193

00:08:50,100 --> 00:08:46,120

they have a huge fan base they have a

194

00:08:53,370 --> 00:08:50,110

lot of power and you know I just I hate

195

00:08:53,960 --> 00:08:53,380

to see anything abused or misused when

196

00:08:56,929 --> 00:08:53,970

it comes

197

00:08:58,910 --> 00:08:56,939

things like this but you know that

198

00:09:01,519 --> 00:08:58,920

sounds like of the person you were

199

00:09:03,050 --> 00:09:01,529

speaking of from Disney there I already

200

00:09:03,499 --> 00:09:03,060

forgot her name Blanchard or something

201
00:09:08,600 --> 00:09:03,509
like that

202
00:09:10,639 --> 00:09:08,610
you know other celebrities have done the

203
00:09:14,210 --> 00:09:10,649
same thing who was it

204
00:09:16,670 --> 00:09:14,220
Russell Crowe right I did the same yeah

205
00:09:18,949 --> 00:09:16,680
and unfortunately he was really sticking

206
00:09:20,869 --> 00:09:18,959
to it - UFO even after it was debunked

207
00:09:23,300 --> 00:09:20,879
but I don't know that he was aware of

208
00:09:26,509 --> 00:09:23,310
the debunking or what people figured it

209
00:09:29,179 --> 00:09:26,519
out to be I think pretty they did a

210
00:09:32,090 --> 00:09:29,189
great job figuring it out and

211
00:09:33,619 --> 00:09:32,100
demonstrating that they were right but

212
00:09:35,540 --> 00:09:33,629
yeah it happened

213
00:09:37,670 --> 00:09:35,550

and then sometimes celebrities have some

214

00:09:40,699 --> 00:09:37,680

sightings that are more unexplainable

215

00:09:42,350 --> 00:09:40,709

but I think it's interesting I think

216

00:09:45,230 --> 00:09:42,360

it's great that Tom DeLonge is

217

00:09:47,509 --> 00:09:45,240

interested in the topic you know yeah

218

00:09:50,900 --> 00:09:47,519

and it often happens it even happen with

219

00:09:54,139 --> 00:09:50,910

me where I was really excited by certain

220

00:09:55,999 --> 00:09:54,149

cases but then when I had the time to

221

00:09:59,090 --> 00:09:56,009

actually really view deep thorough

222

00:10:00,350 --> 00:09:59,100

research into these cases I found that

223

00:10:03,350 --> 00:10:00,360

they weren't as exciting as I thought

224

00:10:06,110 --> 00:10:03,360

they were or that people were purporting

225

00:10:08,960 --> 00:10:06,120

them to be and that could be a stage

226

00:10:11,689 --> 00:10:08,970

that he's going through it's really hard

227

00:10:14,179 --> 00:10:11,699

sure to do all the research and with

228

00:10:16,400 --> 00:10:14,189

everything that he does I'm sure he's

229

00:10:20,449 --> 00:10:16,410

only got limited time to to do this sort

230

00:10:22,910 --> 00:10:20,459

of looking anyway so yeah right so I

231

00:10:25,040 --> 00:10:22,920

wish him all the luck and we'll see what

232

00:10:27,499 --> 00:10:25,050

happens with when he releases more

233

00:10:30,470 --> 00:10:27,509

information hoping that he will yeah

234

00:10:32,990 --> 00:10:30,480

yeah right so what else is happening out

235

00:10:35,329 --> 00:10:33,000

there what else is happening there's

236

00:10:39,309 --> 00:10:35,339

been a couple other interesting

237

00:10:42,079 --> 00:10:39,319

sightings there's a Utah witness who saw

238

00:10:45,410 --> 00:10:42,089

and this is you know I've seen a few of

239

00:10:51,110 --> 00:10:45,420

these he was in the town of West Jordan

240

00:10:54,290 --> 00:10:51,120

and he saw lights hovering that he felt

241

00:10:56,030 --> 00:10:54,300

were under five hundred feet he said at

242

00:10:58,249 --> 00:10:56,040

first he thought the lights were a plane

243

00:11:01,910 --> 00:10:58,259

but they weren't moving - staying still

244

00:11:04,519 --> 00:11:01,920

really still and when he got closer the

245

00:11:07,280 --> 00:11:04,529

two lights he saw that the two lights

246

00:11:10,160 --> 00:11:07,290

were connected by a cylinder

247

00:11:13,040 --> 00:11:10,170

so it's just another interesting

248

00:11:16,610 --> 00:11:13,050

exciting there's a drawing of it I

249

00:11:21,890 --> 00:11:16,620

always kind of wonder if perhaps these

250

00:11:23,900 --> 00:11:21,900

cylinders that they see are just planes

251
00:11:29,090 --> 00:11:23,910
you know what lights on on each of their

252
00:11:31,160 --> 00:11:29,100
wings but it's hard to say he said that

253
00:11:32,690 --> 00:11:31,170
you know when each side was a dome where

254
00:11:36,740 --> 00:11:32,700
these lights were that he felt were

255
00:11:39,950 --> 00:11:36,750
probably the size of trampolines so I

256
00:11:41,960 --> 00:11:39,960
don't know huh no noise yeah or did it

257
00:11:46,190 --> 00:11:41,970
report anything about was there any

258
00:11:49,940 --> 00:11:46,200
report about any noise I don't think

259
00:11:51,320 --> 00:11:49,950
they did report anything about noise the

260
00:11:54,080 --> 00:11:51,330
first thing makes me think of as a

261
00:11:56,780 --> 00:11:54,090
helicopter for some reason I'm saying

262
00:12:02,810 --> 00:11:56,790
these trampoline it wasn't like a

263
00:12:04,940 --> 00:12:02,820

psychic premonition yes oh very

264

00:12:06,950 --> 00:12:04,950

interesting otherwise the other news is

265

00:12:10,220 --> 00:12:06,960

well a couple things if he wouldn't mind

266

00:12:12,140 --> 00:12:10,230

me talking about I don't think I did

267

00:12:14,750 --> 00:12:12,150

talked about cuz I only posted this on

268

00:12:16,640 --> 00:12:14,760

the 19th my astronomers and you oh yeah

269

00:12:18,410 --> 00:12:16,650

that's a great I want you to set talk

270

00:12:20,990 --> 00:12:18,420

about that that's really ok cool cool

271

00:12:22,790 --> 00:12:21,000

cool cool so I did post a story I

272

00:12:25,010 --> 00:12:22,800

originally wrote this for the magazine

273

00:12:28,430 --> 00:12:25,020

the last issue of our open minds

274

00:12:30,260 --> 00:12:28,440

magazine however that magazine is no

275

00:12:32,030 --> 00:12:30,270

longer in print and we're out of copies

276

00:12:33,620 --> 00:12:32,040

so you can't get in anywhere so I'm

277

00:12:37,960 --> 00:12:33,630

starting to post the stories from the

278

00:12:40,490 --> 00:12:37,970

magazine into our onto our website and

279

00:12:43,210 --> 00:12:40,500

one of them I'm really happy about and

280

00:12:46,160 --> 00:12:43,220

that I did work for a long time

281

00:12:48,410 --> 00:12:46,170

researching is one about astronomers and

282

00:12:50,060 --> 00:12:48,420

UFOs and one of the reasons I really

283

00:12:53,660 --> 00:12:50,070

wanted to write this article is because

284

00:12:58,520 --> 00:12:53,670

I had talked with Seth Shostak he is the

285

00:13:00,200 --> 00:12:58,530

lead scientist for SETI and when I was

286

00:13:01,610 --> 00:13:00,210

interviewing him he said you know if

287

00:13:04,610 --> 00:13:01,620

there really was something to UFOs

288

00:13:07,130 --> 00:13:04,620

astronomers would be all over this but

289

00:13:08,780 --> 00:13:07,140

they're not because astronomers are

290

00:13:12,020 --> 00:13:08,790

looking at the night sky all of the time

291

00:13:14,390 --> 00:13:12,030

and I asked him in particular about one

292

00:13:16,520 --> 00:13:14,400

book that was written by an astronomer

293

00:13:18,380 --> 00:13:16,530

and he hadn't read it so I was kind of

294

00:13:20,519 --> 00:13:18,390

disappointed in him that you know he

295

00:13:24,119 --> 00:13:20,529

would make such a statement without have

296

00:13:26,400 --> 00:13:24,129

researched that which is he's inaccurate

297

00:13:28,800 --> 00:13:26,410

not only do I demonstrate and they say

298

00:13:31,739 --> 00:13:28,810

astronomers aren't interested they have

299

00:13:37,049 --> 00:13:31,749

had sightings but that astronomers are

300

00:13:41,759 --> 00:13:37,059

really the main ones to have pushed

301
00:13:44,730 --> 00:13:41,769
forward the research into UFOs first one

302
00:13:47,639 --> 00:13:44,740
being J Allen Hynek mm-hmm who was a

303
00:13:51,600 --> 00:13:47,649
consultant for the Air Force and he was

304
00:13:53,819 --> 00:13:51,610
a famous astronomer III I've got a

305
00:13:55,590 --> 00:13:53,829
actually show coming up we're going to

306
00:13:57,239 --> 00:13:55,600
do this thing called UFO magazine but

307
00:13:58,710 --> 00:13:57,249
it's gonna be online on YouTube that

308
00:14:00,989 --> 00:13:58,720
we're gonna post for free where I'm

309
00:14:03,360 --> 00:14:00,999
going to cover the 1952 case in

310
00:14:06,150 --> 00:14:03,370
Washington which was a really big deal

311
00:14:10,920 --> 00:14:06,160
we're gonna cover it in depth right when

312
00:14:14,100 --> 00:14:10,930
that event happened it spawned a an

313
00:14:17,429 --> 00:14:14,110

article from Life magazine about UFOs in

314

00:14:19,350 --> 00:14:17,439

1952 and in that article they talked

315

00:14:23,489 --> 00:14:19,360

about sightings from other very

316

00:14:26,100 --> 00:14:23,499

prominent astronomers so I talked about

317

00:14:28,199 --> 00:14:26,110

that that then prompted Hynek to do a

318

00:14:30,689 --> 00:14:28,209

report in an investigation on

319

00:14:33,869 --> 00:14:30,699

astronomers and UFOs where he found

320

00:14:35,549 --> 00:14:33,879

astronomers were reporting UFOs and a

321

00:14:37,499 --> 00:14:35,559

lot of them did have some positive

322

00:14:39,389 --> 00:14:37,509

things to say about the research into

323

00:14:41,369 --> 00:14:39,399

UFOs and then later on

324

00:14:44,400 --> 00:14:41,379

Peter Sturrock wrote this book UFO

325

00:14:46,610 --> 00:14:44,410

enigma and he in it he talks about an

326

00:14:48,749 --> 00:14:46,620

investigation he did was another

327

00:14:50,220 --> 00:14:48,759

Astronomical Society where he

328

00:14:53,129 --> 00:14:50,230

interviewed them about UFOs and fine

329

00:14:54,569 --> 00:14:53,139

found similar findings to hynek's but

330

00:14:57,269 --> 00:14:54,579

this is just as somewhat of a

331

00:14:59,069 --> 00:14:57,279

demonstration more recently there's a

332

00:15:01,410 --> 00:14:59,079

astronomer in New York Derek

333

00:15:03,689 --> 00:15:01,420

Pitts who actually had a lot of positive

334

00:15:05,879 --> 00:15:03,699

things to say about Leslie Cain's book

335

00:15:07,919 --> 00:15:05,889

and talking about how you know that's

336

00:15:09,840 --> 00:15:07,929

made him think that you all folks really

337

00:15:12,329 --> 00:15:09,850

are something that we should look into

338

00:15:14,790 --> 00:15:12,339

Michio Kaku who's a physicist but

339

00:15:18,419 --> 00:15:14,800

theoretical physicist is always always

340

00:15:20,400 --> 00:15:18,429

said the same so I put all this together

341

00:15:21,929 --> 00:15:20,410

and I think it's really important and I

342

00:15:24,389 --> 00:15:21,939

would love for people to read it because

343

00:15:26,610 --> 00:15:24,399

if you ever get that you know our

344

00:15:28,199 --> 00:15:26,620

astronomers interested you know take a

345

00:15:30,929 --> 00:15:28,209

look at this article and you could say

346

00:15:33,929 --> 00:15:30,939

yeah they are buddy that's right your

347

00:15:36,389 --> 00:15:33,939

saw stack and then you know tell Shasta

348

00:15:39,059 --> 00:15:36,399

yeah they sure are and then give him an

349

00:15:42,059 --> 00:15:39,069

ugly yeah and then send him a link to

350

00:15:45,569 --> 00:15:42,069

your story yeah all the same time yeah

351

00:15:48,449 --> 00:15:45,579

awesome well I've got that is great I

352

00:15:51,389 --> 00:15:48,459

appreciate it I really do encourage the

353

00:16:04,529 --> 00:15:51,399

listeners to go to openminds.tv/radio

354

00:16:07,339 --> 00:16:04,539

and there is the experiencer speak

355

00:16:09,779 --> 00:16:07,349

coming up here in Portland Maine with

356

00:16:12,299 --> 00:16:09,789

Audrey humans puts that on every year

357

00:16:13,769 --> 00:16:12,309

why move on the front symposiums this

358

00:16:15,779 --> 00:16:13,779

weekend I'll be leaving in the morning

359

00:16:18,389 --> 00:16:15,789

so that's right down in Florida and

360

00:16:23,099 --> 00:16:18,399

that'll be fun yep yep and Ben moss will

361

00:16:24,659 --> 00:16:23,109

be there Tony and G Ola keep going with

362

00:16:29,969 --> 00:16:24,669

the names of someone we just had on the

363

00:16:30,569 --> 00:16:29,979

show RIT rich Hoffman that's Robert

364

00:16:34,739 --> 00:16:30,579

Powell

365

00:16:36,839 --> 00:16:34,749

Richard theme erling strand Paola Harris

366

00:16:39,779 --> 00:16:36,849

I think it's yeah he's speaking John

367

00:16:41,849 --> 00:16:39,789

Greenwald so yeah isn't here's a Richard

368

00:16:43,889 --> 00:16:41,859

T me that's how you're supposed to say

369

00:16:45,539 --> 00:16:43,899

that really yeah I don't know yeah I

370

00:16:47,939 --> 00:16:45,549

don't know I'm guessing yep and I'm

371

00:16:50,189 --> 00:16:47,949

screwing it up I guess yeah all right

372

00:16:51,949 --> 00:16:50,199

man well you have a good one okay you

373

00:16:54,149 --> 00:16:51,959

too all right now talk to you next week

374

00:16:55,649 --> 00:16:54,159

all right hang in everyone for this

375

00:16:58,229 --> 00:16:55,659

quick music break we'll be right back

376

00:17:19,520 --> 00:16:58,239

with Paul Stonehill and we're talking us

377

00:17:24,949 --> 00:17:22,380

all right we're on with Paul Stonehill

378

00:17:28,140 --> 00:17:24,959

scruff sweet yeah Paul

379

00:17:31,440 --> 00:17:28,150

yes hello can you hear me yes I can hear

380

00:17:34,950 --> 00:17:31,450

you welcome to the show thank you so

381

00:17:37,500 --> 00:17:34,960

much thank you for inviting me and I

382

00:17:39,390 --> 00:17:37,510

wanted to start by saying that Alejandra

383

00:17:43,200 --> 00:17:39,400

is absolutely right about the

384

00:17:47,310 --> 00:17:43,210

astronomers and yeah my books I list

385

00:17:50,310 --> 00:17:47,320

Soviet astronomers that definitely were

386

00:17:54,390 --> 00:17:50,320

interested in UFOs and your souls but of

387

00:17:57,390 --> 00:17:54,400

course zero-force primarily and some of

388

00:17:59,250 --> 00:17:57,400

them were not afraid to speak you know

389

00:18:00,930 --> 00:17:59,260

there were parent periods in Soviet

390

00:18:03,000 --> 00:18:00,940

history when you could speak a lot or

391

00:18:05,430 --> 00:18:03,010

you couldn't couldn't speak at all what

392

00:18:08,930 --> 00:18:05,440

I do list those astronomers so that's

393

00:18:13,890 --> 00:18:08,940

he's absolutely right yes I do remember

394

00:18:16,740 --> 00:18:13,900

I also interviewed chef sauce szostak

395

00:18:19,860 --> 00:18:16,750

and he did make the same comment on my

396

00:18:22,620 --> 00:18:19,870

show as well and I remember right after

397

00:18:27,080 --> 00:18:22,630

that I was contacted by an an astronomer

398

00:18:29,730 --> 00:18:27,090

in the u k-- in the UK and he said what

399

00:18:32,160 --> 00:18:29,740

szostak just said is not true because

400

00:18:36,870 --> 00:18:32,170

I'm an astronomer and I just watched a

401
00:18:39,810 --> 00:18:36,880
big black triangle fly over me so yeah

402
00:18:41,670 --> 00:18:39,820
and this has been happening you know yes

403
00:18:43,830 --> 00:18:41,680
there are they're out there in the night

404
00:18:46,560 --> 00:18:43,840
sky a lot a lot of times for many many

405
00:18:48,660 --> 00:18:46,570
hours I've joined them a few times and

406
00:18:50,910 --> 00:18:48,670
you know just plain looking up at the

407
00:18:53,100 --> 00:18:50,920
sky it's bound to happen and for someone

408
00:18:56,430 --> 00:18:53,110
to be closed-minded like that and say

409
00:19:00,420 --> 00:18:56,440
you never happens is it's too bad he's

410
00:19:04,050 --> 00:19:00,430
right he's inaccurate so let's talk

411
00:19:06,240 --> 00:19:04,060
about you Paul you have quite an

412
00:19:10,320 --> 00:19:06,250
interesting background and the listener

413
00:19:13,830 --> 00:19:10,330

can see that in our show notes you grew

414

00:19:15,779 --> 00:19:13,840

up in in the Soviet Union at the time

415

00:19:19,919 --> 00:19:15,789

and Kiev are

416

00:19:22,499 --> 00:19:19,929

that area and so and then you eventually

417

00:19:25,229 --> 00:19:22,509

made it over to the US but when how

418

00:19:28,830 --> 00:19:25,239

early in your life did the interests in

419

00:19:31,289 --> 00:19:28,840

UFOs begin for you and why I would say

420

00:19:33,409 --> 00:19:31,299

very early probably when I was eight and

421

00:19:37,700 --> 00:19:33,419

I met somebody who had actually

422

00:19:41,279 --> 00:19:37,710

witnessed UFO over the Arctic and

423

00:19:45,210 --> 00:19:41,289

besides that I will was also a you know

424

00:19:48,149 --> 00:19:45,220

interested in reading very famous and

425

00:19:50,339 --> 00:19:48,159

very fearless Soviet magazine called

426

00:19:52,769 --> 00:19:50,349

Technica mala Jersey where they

427

00:19:55,430 --> 00:19:52,779

published interesting articles that

428

00:19:58,919 --> 00:19:55,440

touched upon you apology ancient

429

00:20:03,839 --> 00:19:58,929

visitations ancient aliens and so forth

430

00:20:05,070 --> 00:20:03,849

Wow okay and you you have I I wasn't

431

00:20:06,479 --> 00:20:05,080

aware of this until I was reading

432

00:20:09,119 --> 00:20:06,489

through your biography but you've

433

00:20:10,680 --> 00:20:09,129

written other books with Philip mantel

434

00:20:14,219 --> 00:20:10,690

Philips been on the show a number of

435

00:20:16,589 --> 00:20:14,229

times and but I am really really

436

00:20:20,879 --> 00:20:16,599

interested in the unidentified

437

00:20:22,950 --> 00:20:20,889

submersible objects because there has

438

00:20:24,419 --> 00:20:22,960

been some great stories about that so I

439

00:20:27,509 --> 00:20:24,429

would love for you to just jump right

440

00:20:29,369 --> 00:20:27,519

into the topic and what you discovered

441

00:20:30,839 --> 00:20:29,379

while you were writing this book and by

442

00:20:33,839 --> 00:20:30,849

the way the title of the book and it can

443

00:20:37,649 --> 00:20:33,849

be found on Amazon and also it's on

444

00:20:40,469 --> 00:20:37,659

Richard Dolan Press is Russia's USO

445

00:20:46,259 --> 00:20:40,479

secrets and again with co-author Philip

446

00:20:49,499 --> 00:20:46,269

mantel yes and if anybody if we don't if

447

00:20:53,070 --> 00:20:49,509

anybody wants to find out more about our

448

00:20:53,909 --> 00:20:53,080

books and also my Chinese UFO research

449

00:20:58,649 --> 00:20:53,919

and others

450

00:21:02,159 --> 00:20:58,659

it's www Paul Stonehill Russian UFO and

451

00:21:06,659 --> 00:21:02,169

you are so research calm very easy

452

00:21:09,089 --> 00:21:06,669

everything is there what what you know

453

00:21:11,759 --> 00:21:09,099

what I wanted to let you know is that my

454

00:21:14,129 --> 00:21:11,769

my prime you know primary interest was

455

00:21:17,820 --> 00:21:14,139

the way the Soviet Union the Russian

456

00:21:20,190 --> 00:21:17,830

Empire before the Soviet Union and to

457

00:21:22,080 --> 00:21:20,200

the extent possible you know modern

458

00:21:25,349 --> 00:21:22,090

states in the former Soviet Union

459

00:21:27,659 --> 00:21:25,359

Territory how they studied your force

460

00:21:29,310 --> 00:21:27,669

and most interesting cases and that's

461

00:21:32,820 --> 00:21:29,320

what the book will have

462

00:21:34,710 --> 00:21:32,830

I list cases I think I have about one

463

00:21:36,930 --> 00:21:34,720

you know myself and Philip collected

464

00:21:40,560 --> 00:21:36,940

information for about I guess I think

465

00:21:42,269 --> 00:21:40,570

about twenty chapters and we break it

466

00:21:45,029 --> 00:21:42,279

down into different regions and

467

00:21:47,820 --> 00:21:45,039

different areas for example the Arctic

468

00:21:51,419 --> 00:21:47,830

Ocean sightings very interesting or the

469

00:21:53,700 --> 00:21:51,429

Baltics and we try to go us back into

470

00:21:58,620 --> 00:21:53,710

the antiquity as possible because there

471

00:22:01,049 --> 00:21:58,630

is a lot a lot to show and through the

472

00:22:02,600 --> 00:22:01,059

modern times but especially the Soviet

473

00:22:06,570 --> 00:22:02,610

period because it was a fascinating

474

00:22:08,549 --> 00:22:06,580

period in our history when it was the

475

00:22:10,980 --> 00:22:08,559

mightiest country in the world in terms

476
00:22:12,990 --> 00:22:10,990
of territory and they assumed the world

477
00:22:15,749 --> 00:22:13,000
you know the military power they

478
00:22:17,850 --> 00:22:15,759
experimented a lot they've done a lot of

479
00:22:20,310 --> 00:22:17,860
damage to the - to the land of Russia

480
00:22:21,930 --> 00:22:20,320
and other lands through the experiments

481
00:22:26,789 --> 00:22:21,940
but at the same time they had the power

482
00:22:31,669 --> 00:22:26,799
to harness you of all observations like

483
00:22:34,230 --> 00:22:31,679
no one else ever did in 1978

484
00:22:36,419 --> 00:22:34,240
actually a little bit earlier special

485
00:22:38,999 --> 00:22:36,429
instructions when went to all the

486
00:22:42,480 --> 00:22:39,009
branches of the Soviet armed forces to

487
00:22:45,149 --> 00:22:42,490
study they called it anomalous aerial

488
00:22:46,680 --> 00:22:45,159

phenomena UFOs you could not you should

489

00:22:50,519 --> 00:22:46,690

not be saying you a force it was a

490

00:22:54,740 --> 00:22:50,529

bourgeois invention you know and it was

491

00:22:57,980 --> 00:22:54,750

a very very powerful program because

492

00:23:00,360 --> 00:22:57,990

information streamed into the Soviet

493

00:23:02,310 --> 00:23:00,370

centers there were two research centers

494

00:23:05,220 --> 00:23:02,320

and we'll list them in the book and

495

00:23:08,730 --> 00:23:05,230

quite a lot was collected

496

00:23:12,810 --> 00:23:08,740

besides that we had independent

497

00:23:15,419 --> 00:23:12,820

researchers who dared to study UFOs and

498

00:23:18,119 --> 00:23:15,429

people like Felix eagle and a few others

499

00:23:20,610 --> 00:23:18,129

achieved quite a lot will in back of a

500

00:23:23,190 --> 00:23:20,620

few more and collected information and

501
00:23:26,310 --> 00:23:23,200
for example we have somebody there was

502
00:23:29,369 --> 00:23:26,320
Alexander kuzava in a very very diligent

503
00:23:32,669 --> 00:23:29,379
researcher who collected a fascinating

504
00:23:37,049 --> 00:23:32,679
information about a u.s. oh he sighted

505
00:23:40,470 --> 00:23:37,059
he was told by scientists who had who

506
00:23:43,529 --> 00:23:40,480
had seen it at the you know under the

507
00:23:48,629 --> 00:23:43,539
water in the Black Sea it was a Jake

508
00:23:50,450 --> 00:23:48,639
ten story building you know tell us toll

509
00:23:54,599 --> 00:23:50,460
as a 10-story building standing

510
00:23:57,779 --> 00:23:54,609
vertically what should they say a will

511
00:24:01,349 --> 00:23:57,789
like structure with numerous lights and

512
00:24:04,469 --> 00:24:01,359
they observed it face to face and then

513
00:24:06,930 --> 00:24:04,479

it changed went into horizontal position

514

00:24:09,060 --> 00:24:06,940

and left an incredible speed and you

515

00:24:11,459 --> 00:24:09,070

know you had information like this plus

516

00:24:14,299 --> 00:24:11,469

like I said you had the military of all

517

00:24:18,749 --> 00:24:14,309

the branches bringing information in

518

00:24:20,519 --> 00:24:18,759

also to the extent they were interested

519

00:24:23,669 --> 00:24:20,529

which was not really very much was the

520

00:24:26,279 --> 00:24:23,679

KGB who had to receive information from

521

00:24:27,930 --> 00:24:26,289

the informers there were too many

522

00:24:29,789 --> 00:24:27,940

informers in the Soviet Union and

523

00:24:32,269 --> 00:24:29,799

anything unusual or suspicious they

524

00:24:35,039 --> 00:24:32,279

would see they would run to the KGB and

525

00:24:36,869 --> 00:24:35,049

you know provide information but the

526

00:24:39,119 --> 00:24:36,879

most important the most interesting

527

00:24:42,899 --> 00:24:39,129

source of information were the Soviet

528

00:24:45,209 --> 00:24:42,909

Armed Forces but and you know of that I

529

00:24:49,079 --> 00:24:45,219

am proud because I had relatives who had

530

00:24:51,779 --> 00:24:49,089

served in the Russian and Soviet Navy it

531

00:24:54,180 --> 00:24:51,789

was the Navy that was P spearheaded such

532

00:24:56,899 --> 00:24:54,190

research because they had to know what

533

00:24:59,489 --> 00:24:56,909

was going on and in the book will list

534

00:25:01,310 --> 00:24:59,499

here you know all the details but what's

535

00:25:06,799 --> 00:25:01,320

interesting that it started early in

536

00:25:09,450 --> 00:25:06,809

1960s and they created special teams of

537

00:25:12,599 --> 00:25:09,460

highly professional highly educated

538

00:25:17,549 --> 00:25:12,609

military scientists who would visit

539

00:25:19,229 --> 00:25:17,559

Soviet naval bases and he ventured

540

00:25:21,029 --> 00:25:19,239

outside of the Soviet borders too

541

00:25:24,629 --> 00:25:21,039

because they were quite concerned about

542

00:25:27,529 --> 00:25:24,639

us owes the so called quackery and

543

00:25:34,190 --> 00:25:27,539

other phenomena they mentioned which

544

00:25:41,070 --> 00:25:37,979

programs and also would basically

545

00:25:43,709 --> 00:25:41,080

interfere sometimes with the military

546

00:25:47,789 --> 00:25:43,719

games that they had conducted well of

547

00:25:50,099 --> 00:25:47,799

course most you know worrisome to them

548

00:25:53,039 --> 00:25:50,109

was the appearance of UFOs and you a

549

00:25:55,769 --> 00:25:53,049

force in the secret military bases in

550

00:25:56,520 --> 00:25:55,779

the Kola Peninsula for example which is

551
00:25:59,730 --> 00:25:56,530
a very straight

552
00:26:03,240 --> 00:25:59,740
we've located Flay's and home of the

553
00:26:04,500 --> 00:26:03,250
Soviet Navy north fleet very important

554
00:26:08,880 --> 00:26:04,510
you know that's where they're stationed

555
00:26:12,480 --> 00:26:08,890
and the submarines and special factories

556
00:26:15,090 --> 00:26:12,490
that produce most secrets of it Russian

557
00:26:17,910 --> 00:26:15,100
submarines and you had UFOs they're all

558
00:26:22,290 --> 00:26:17,920
over the place especially in the years

559
00:26:24,420 --> 00:26:22,300
of through 70802 1980s but it's just one

560
00:26:27,150 --> 00:26:24,430
piece of the Soviet territory Russia is

561
00:26:29,880 --> 00:26:27,160
a gigantic country mm-hmm and the Soviet

562
00:26:33,570 --> 00:26:29,890
Union was even bigger and no matter were

563
00:26:37,740 --> 00:26:33,580

and will list chapters Chukotka

564

00:26:42,720 --> 00:26:37,750

Kamchatka you name it a sea of okhotsk

565

00:26:47,250 --> 00:26:42,730

others you had us owes and you know we

566

00:26:49,710 --> 00:26:47,260

don't we provide information given to us

567

00:26:52,650 --> 00:26:49,720

provided to us that we found through our

568

00:26:55,380 --> 00:26:52,660

research from the military observers the

569

00:26:57,690 --> 00:26:55,390

best ones there can be from people from

570

00:27:02,970 --> 00:26:57,700

scientists from some government

571

00:27:06,120 --> 00:27:02,980

officials and of course from scientists

572

00:27:08,400 --> 00:27:06,130

like we mentioned the astronomers and

573

00:27:10,740 --> 00:27:08,410

others and I wanted to say I just want

574

00:27:12,510 --> 00:27:10,750

to put in as much as I can into this

575

00:27:17,270 --> 00:27:12,520

conversation but I wanted to say that

576

00:27:20,640 --> 00:27:17,280

what what we found out is that US Oh's

577

00:27:24,270 --> 00:27:20,650

had been attracted to the Soviet Union

578

00:27:26,790 --> 00:27:24,280

in many ways because of the ecological

579

00:27:28,830 --> 00:27:26,800

damage done to the country it was very

580

00:27:33,540 --> 00:27:28,840

interesting because yeah because through

581

00:27:37,350 --> 00:27:33,550

the years and you could see based on the

582

00:27:40,350 --> 00:27:37,360

report high level of you as all an UFO

583

00:27:44,940 --> 00:27:40,360

activity especially in the years you

584

00:27:47,310 --> 00:27:44,950

know where they had ecological incidents

585

00:27:49,740 --> 00:27:47,320

or like Chernobyl but of course you have

586

00:27:54,390 --> 00:27:49,750

nothing to do with your souls but we had

587

00:27:58,170 --> 00:27:54,400

in our books will list the 1986 UFO over

588

00:28:00,900 --> 00:27:58,180

Chernobyl very interesting but and what

589

00:28:03,450 --> 00:28:00,910

we found out that through the history

590

00:28:09,330 --> 00:28:03,460

some of the most interesting years for

591

00:28:10,320 --> 00:28:09,340

us Oh activity were 1965 1982 especial

592

00:28:16,740 --> 00:28:10,330

in 1980

593

00:28:20,850 --> 00:28:16,750

to 1978-1979 and a few years after but I

594

00:28:23,419 --> 00:28:20,860

would underline 1965 and 1982 because

595

00:28:27,560 --> 00:28:23,429

based on the reports we have in the book

596

00:28:30,259 --> 00:28:27,570

observations by Soviet naval personnel

597

00:28:32,789 --> 00:28:30,269

within the Soviet territories and

598

00:28:34,769 --> 00:28:32,799

outside we have a whole chapter about

599

00:28:36,750 --> 00:28:34,779

the International sightings it's more

600

00:28:39,389 --> 00:28:36,760

than one chapter but we kind of wanted

601
00:28:42,810 --> 00:28:39,399
to list it that way you will see cases

602
00:28:47,669 --> 00:28:42,820
going back from 1965 around the world

603
00:28:51,799 --> 00:28:47,679
and in Russia and also there were

604
00:28:54,149 --> 00:28:51,809
interesting cases in 1968 in 1978 and

605
00:28:56,460 --> 00:28:54,159
cases around South America for example

606
00:28:59,039 --> 00:28:56,470
were Soviet scientific ships which

607
00:29:02,490 --> 00:28:59,049
definitely contained you know

608
00:29:05,820 --> 00:29:02,500
intelligence personnel aboard where they

609
00:29:08,090 --> 00:29:05,830
involved in military collection sorry in

610
00:29:12,450 --> 00:29:08,100
the collection of scientific data and

611
00:29:14,820 --> 00:29:12,460
when they lower their cables with

612
00:29:16,769 --> 00:29:14,830
special equipment you know down into the

613
00:29:19,529 --> 00:29:16,779

you know at the bottom of the ocean just

614

00:29:22,620 --> 00:29:19,539

to say what they got back were cables

615

00:29:24,330 --> 00:29:22,630

that were just sheared off and you know

616

00:29:26,399 --> 00:29:24,340

we found confirmation we just thought

617

00:29:28,230 --> 00:29:26,409

would just try not to lose the story

618

00:29:29,669 --> 00:29:28,240

without right trying to find other

619

00:29:32,370 --> 00:29:29,679

confirmation so we went to new

620

00:29:35,009 --> 00:29:32,380

scientific magazines to find out if such

621

00:29:36,509 --> 00:29:35,019

for example an expedition actually

622

00:29:40,610 --> 00:29:36,519

existed and when we do provide

623

00:29:44,039 --> 00:29:40,620

confirmation very interesting so in 1982

624

00:29:45,539 --> 00:29:44,049

I'm gonna be jumping around a little bit

625

00:29:49,350 --> 00:29:45,549

but I do want your listeners to

626

00:29:52,799 --> 00:29:49,360

understand 1982 was a significant year

627

00:29:54,810 --> 00:29:52,809

and many people you know nowadays they

628

00:29:57,899 --> 00:29:54,820

come to me about the story of the so

629

00:30:00,889 --> 00:29:57,909

called swimmers and this took place in

630

00:30:03,930 --> 00:30:00,899

1982 when a detachment of Soviet frogmen

631

00:30:10,409 --> 00:30:03,940

basically perished because they try to

632

00:30:13,919 --> 00:30:10,419

capture very unusual gigantic humanoid

633

00:30:15,750 --> 00:30:13,929

ant beings at the I don't want to say

634

00:30:18,149 --> 00:30:15,760

the bottom of the lake baikal but but

635

00:30:20,370 --> 00:30:18,159

you know below working on whatever they

636

00:30:21,720 --> 00:30:20,380

needed to do without any without any

637

00:30:23,409 --> 00:30:21,730

appearance of the breathing apparatuses

638

00:30:27,129 --> 00:30:23,419

or anything else

639

00:30:28,839 --> 00:30:27,139

and we said command even yeah and we

640

00:30:31,209 --> 00:30:28,849

know this was a very interesting story

641

00:30:32,979 --> 00:30:31,219

and we found confirmation years later

642

00:30:36,609 --> 00:30:32,989

from a Russian and a very respected

643

00:30:40,209 --> 00:30:36,619

Russian writer who heard about it also

644

00:30:44,159 --> 00:30:40,219

in 1986 and we represent information to

645

00:30:48,719 --> 00:30:44,169

where we got this 1982 case but moreover

646

00:30:53,079 --> 00:30:48,729

we get confirmation about the same year

647

00:30:57,099 --> 00:30:53,089

observation of a I very identical being

648

00:31:00,789 --> 00:30:57,109

in the same I don't wanna say uniform

649

00:31:05,529 --> 00:31:00,799

but rest the same way from the annals of

650

00:31:09,399 --> 00:31:05,539

the Soviet secret UFO research program

651
00:31:12,430 --> 00:31:09,409
called Sitka net in Russian this was the

652
00:31:16,779 --> 00:31:12,440
program like I said that started in 1978

653
00:31:19,690 --> 00:31:16,789
and lasted officially from 1991 although

654
00:31:23,259 --> 00:31:19,700
we knew that you know we know that some

655
00:31:24,999 --> 00:31:23,269
people stayed on through 1996 and we're

656
00:31:29,289 --> 00:31:25,009
not sure about what's going on today

657
00:31:33,369 --> 00:31:29,299
but that was the Soviet program just to

658
00:31:37,359 --> 00:31:33,379
research UFOs their impact and the

659
00:31:40,539 --> 00:31:37,369
Soviet armed forces possibility of

660
00:31:44,399 --> 00:31:40,549
catching a UFO so to say into the net

661
00:31:47,619 --> 00:31:44,409
car into the sea Epke you know net and

662
00:31:51,759 --> 00:31:47,629
also you know to find out how they can

663
00:31:53,589 --> 00:31:51,769

be utilized and this was I wouldn't want

664

00:31:56,079 --> 00:31:53,599

to say magnificus because they had a lot

665

00:31:59,019 --> 00:31:56,089

of difficulties but this was a program

666

00:32:01,839 --> 00:31:59,029

that was divided into two sections one

667

00:32:04,719 --> 00:32:01,849

was the academic side the other one was

668

00:32:07,359 --> 00:32:04,729

the military side and the military

669

00:32:09,579 --> 00:32:07,369

people were always more practical and

670

00:32:11,619 --> 00:32:09,589

curious now they're academicians were

671

00:32:13,989 --> 00:32:11,629

very much like the scientists we

672

00:32:15,399 --> 00:32:13,999

mentioned before those scientists those

673

00:32:17,529 --> 00:32:15,409

astronomers they don't want to believe

674

00:32:20,109 --> 00:32:17,539

anything because it's convenient to do

675

00:32:24,609 --> 00:32:20,119

so not to pay attention to what's going

676
00:32:25,810 --> 00:32:24,619
on really around you in the world and it

677
00:32:29,049 --> 00:32:25,820
was very interesting because the

678
00:32:30,609 --> 00:32:29,059
military personnel got somewhat upset I

679
00:32:32,379 --> 00:32:30,619
wanted to use another verb I shall not

680
00:32:35,169 --> 00:32:32,389
say it but they they were very much

681
00:32:37,310 --> 00:32:35,179
upset and they they actually extended

682
00:32:40,159 --> 00:32:37,320
hand of friendship to independent

683
00:32:43,659 --> 00:32:40,169
rushon uo for researchers who were

684
00:32:47,029 --> 00:32:43,669
kicked out from the you know any any

685
00:32:50,629 --> 00:32:47,039
cooperation with the you know Academical

686
00:32:53,899 --> 00:32:50,639
circles and they wanted to know what was

687
00:32:57,440 --> 00:32:53,909
going on why is it that our skies our

688
00:33:00,639 --> 00:32:57,450

land our territories our seas and oceans

689

00:33:03,169 --> 00:33:00,649

are being penetrated by unusual objects

690

00:33:05,060 --> 00:33:03,179

without any explanation everybody knew

691

00:33:06,710 --> 00:33:05,070

this were not you know they they knew

692

00:33:07,580 --> 00:33:06,720

this were not the american state they

693

00:33:10,310 --> 00:33:07,590

were not stupid

694

00:33:12,649 --> 00:33:10,320

they knew that nato faced very much the

695

00:33:14,570 --> 00:33:12,659

same but was Ernie was there any

696

00:33:17,539 --> 00:33:14,580

propaganda saying that it was American

697

00:33:18,169 --> 00:33:17,549

at the time of course of course of

698

00:33:21,649 --> 00:33:18,179

course

699

00:33:24,769 --> 00:33:21,659

first of all in early 1950s and we

700

00:33:27,049 --> 00:33:24,779

shortened our books this was the you

701
00:33:29,509 --> 00:33:27,059
know I think it began in 1953 if I'm not

702
00:33:30,379 --> 00:33:29,519
mistaken the very first article against

703
00:33:32,690 --> 00:33:30,389
UFOs

704
00:33:34,730 --> 00:33:32,700
it was a brutal invention and then they

705
00:33:37,190 --> 00:33:34,740
say this is what they want to do to take

706
00:33:39,649 --> 00:33:37,200
no minds of the working people away from

707
00:33:42,590 --> 00:33:39,659
the troubles in the United States and so

708
00:33:46,100 --> 00:33:42,600
on also they they would translate

709
00:33:48,980 --> 00:33:46,110
themselves Brooke the debunking you know

710
00:33:51,769 --> 00:33:48,990
you you apology per say they published

711
00:33:54,889 --> 00:33:51,779
it in the Soviet Union and they you know

712
00:33:56,600 --> 00:33:54,899
they would go out of their way to say

713
00:33:59,060 --> 00:33:56,610

that your force don't exist but at the

714

00:34:02,480 --> 00:33:59,070

same time you couldn't hide it

715

00:34:05,570 --> 00:34:02,490

this was the impetus for the UFO

716

00:34:08,030 --> 00:34:05,580

research program in 1977 there were a

717

00:34:11,359 --> 00:34:08,040

number of observations that couldn't be

718

00:34:13,399 --> 00:34:11,369

explained some of them were launches of

719

00:34:14,599 --> 00:34:13,409

the Soviet military satellites that's

720

00:34:18,200 --> 00:34:14,609

not even a question

721

00:34:20,480 --> 00:34:18,210

but accompanying those launches well

722

00:34:22,940 --> 00:34:20,490

you'll force seen throughout the Baltic

723

00:34:26,000 --> 00:34:22,950

and northern Russia nobody could explain

724

00:34:28,369 --> 00:34:26,010

it and that's why they got they had

725

00:34:30,829 --> 00:34:28,379

enough and they got together it was the

726

00:34:33,530 --> 00:34:30,839

military industrial commission of the

727

00:34:35,629 --> 00:34:33,540

Soviet Union responsible to the

728

00:34:39,260 --> 00:34:35,639

Politburo to you know several

729

00:34:42,099 --> 00:34:39,270

you know levels bureaucracy nevertheless

730

00:34:45,800 --> 00:34:42,109

they were given money they were given

731

00:34:49,010 --> 00:34:45,810

abilities to study UFOs and they were

732

00:34:50,520 --> 00:34:49,020

given permission to go out to all the

733

00:34:54,330 --> 00:34:50,530

armed forces and

734

00:34:58,170 --> 00:34:54,340

ask them for report I have an available

735

00:35:02,430 --> 00:34:58,180

list on our books special Soviet forms

736

00:35:04,740 --> 00:35:02,440

that every military person had to fill

737

00:35:06,420 --> 00:35:04,750

out should he see anything unusual in

738

00:35:10,080 --> 00:35:06,430

the sky or in the sea very very

739

00:35:12,599 --> 00:35:10,090

interesting with this history and you

740

00:35:15,290 --> 00:35:12,609

know this was discontinued for a long

741

00:35:18,480 --> 00:35:15,300

time they changed names of that program

742

00:35:21,150 --> 00:35:18,490

from Sitka to Galactica because they had

743

00:35:23,460 --> 00:35:21,160

to get funding every five years they had

744

00:35:26,609 --> 00:35:23,470

to had government funding and to show

745

00:35:33,200 --> 00:35:26,619

that something was done we're not sure

746

00:35:37,550 --> 00:35:33,210

no one is how much they caught we know

747

00:35:41,190 --> 00:35:37,560

enough to make us amazed and fascinated

748

00:35:44,040 --> 00:35:41,200

and will list their findings and some of

749

00:35:45,900 --> 00:35:44,050

the reports in the book this one and

750

00:35:48,510 --> 00:35:45,910

others but especially this one about us

751
00:35:50,760 --> 00:35:48,520
owes because we have reports that were

752
00:35:53,490 --> 00:35:50,770
you know we were able to obtain and

753
00:35:55,440 --> 00:35:53,500
Russian new apologists Ukrainian Russian

754
00:35:57,599 --> 00:35:55,450
new apologists let me put it that way

755
00:35:59,339 --> 00:35:57,609
our colleagues and some of them very

756
00:36:01,680 --> 00:35:59,349
good contacts and some of them very

757
00:36:04,650 --> 00:36:01,690
brave people were able to obtain the

758
00:36:06,960 --> 00:36:04,660
sector reports about us all sightings

759
00:36:09,150 --> 00:36:06,970
and you know very interesting and some

760
00:36:12,890 --> 00:36:09,160
of them and you know quite remote places

761
00:36:17,160 --> 00:36:12,900
that we want to underline for people to

762
00:36:19,620 --> 00:36:17,170
to kept their eyes on let's say and but

763
00:36:21,630 --> 00:36:19,630

to to to stick to the program I gotta

764

00:36:25,200 --> 00:36:21,640

tell you that actually it was the Navy

765

00:36:27,770 --> 00:36:25,210

Soviet Navy that kicked the ball it they

766

00:36:30,270 --> 00:36:27,780

were the ones that he should first

767

00:36:32,430 --> 00:36:30,280

instructions to the naval forces and

768

00:36:38,150 --> 00:36:32,440

under Admiral Gorshkov

769

00:36:40,500 --> 00:36:38,160

they had special military teams

770

00:36:42,630 --> 00:36:40,510

researchers like I said who would

771

00:36:44,880 --> 00:36:42,640

adventure throughout you know different

772

00:36:47,670 --> 00:36:44,890

bases around the world trying to study

773

00:36:52,490 --> 00:36:47,680

the impact of the Kokiri

774

00:36:55,589 --> 00:36:52,500

that's in our I believe chapter two and

775

00:36:57,510 --> 00:36:55,599

that's a very interesting a ghost of the

776

00:36:59,820 --> 00:36:57,520

ocean I think when people read it I know

777

00:37:01,320 --> 00:36:59,830

those who read it are quite fascinated

778

00:37:04,020 --> 00:37:01,330

and we're we're happy that we were able

779

00:37:06,300 --> 00:37:04,030

to bring out this phenomena

780

00:37:08,210 --> 00:37:06,310

phenomenon to the tutor to the Western

781

00:37:11,220 --> 00:37:08,220

world and to you know other places

782

00:37:13,110 --> 00:37:11,230

because this was something that existed

783

00:37:17,610 --> 00:37:13,120

and bothered the Soviet Union from the

784

00:37:19,950 --> 00:37:17,620

mid 1960s to mid-1980s when the

785

00:37:22,980 --> 00:37:19,960

phenomenon just disappeared

786

00:37:24,960 --> 00:37:22,990

for now we're not sure you know if it

787

00:37:27,150 --> 00:37:24,970

hasn't come back what's interesting in

788

00:37:29,760 --> 00:37:27,160

the book we will show we were showing

789

00:37:31,890 --> 00:37:29,770

that Soviets were not the only ones who

790

00:37:36,300 --> 00:37:31,900

were interested in this very unusual

791

00:37:39,680 --> 00:37:36,310

phenomenon you know at the down under

792

00:37:44,250 --> 00:37:39,690

the surface of the ocean for unusual

793

00:37:45,510 --> 00:37:44,260

gigantic lie beings yeah I don't know if

794

00:37:48,090 --> 00:37:45,520

you can even describe it like that

795

00:37:50,880 --> 00:37:48,100

chasing Soviet submarines it was neat oh

796

00:37:53,550 --> 00:37:50,890

also was interested but I think the two

797

00:37:57,030 --> 00:37:53,560

sides blamed each other what we found

798

00:37:59,130 --> 00:37:57,040

out that they had a meeting and you find

799

00:38:02,070 --> 00:37:59,140

out what happened in their meeting so

800

00:38:04,290 --> 00:38:02,080

but that's just one phenomenon and I

801

00:38:08,400 --> 00:38:04,300

mentioned the swimmers those very

802

00:38:11,670 --> 00:38:08,410

unusual beans that the Soviets tried to

803

00:38:13,650 --> 00:38:11,680

capture in 1982 and we have a lot of

804

00:38:15,150 --> 00:38:13,660

other cases from 1982 through the book

805

00:38:19,860 --> 00:38:15,160

you you know your readers will see

806

00:38:22,350 --> 00:38:19,870

because not only in Siberia but in other

807

00:38:23,850 --> 00:38:22,360

parts of Russia including Ukraine at

808

00:38:28,020 --> 00:38:23,860

that time and and you know everywhere

809

00:38:30,450 --> 00:38:28,030

else and just like 1965 cases you had a

810

00:38:33,420 --> 00:38:30,460

lover do all over the globe and the

811

00:38:36,800 --> 00:38:33,430

Soviets were able to see them so we also

812

00:38:39,630 --> 00:38:36,810

try to bring attention of the people to

813

00:38:43,290 --> 00:38:39,640

the Pacific Bermuda Triangle and the

814

00:38:45,930 --> 00:38:43,300

very unusual areas like The Devil's sea

815

00:38:48,120 --> 00:38:45,940

it's about 100 kilometers south of Japan

816

00:38:50,100 --> 00:38:48,130

and what the Soviets had observed there

817

00:38:53,600 --> 00:38:50,110

and not only Soviets but the Russian

818

00:38:56,760 --> 00:38:53,610

Navy well before the Soviet Union and

819

00:38:58,800 --> 00:38:56,770

please understand that with all the

820

00:39:02,610 --> 00:38:58,810

commotion we have today with China

821

00:39:05,160 --> 00:39:02,620

building their basis on the you know

822

00:39:08,130 --> 00:39:05,170

islands that are in conflict in the

823

00:39:12,030 --> 00:39:08,140

South China Sea and so forth this is the

824

00:39:15,720 --> 00:39:12,040

area in the Pacific Ocean where you as

825

00:39:17,640 --> 00:39:15,730

oz had been cited quite a lot by Russian

826

00:39:20,700 --> 00:39:17,650

and Soviet navies

827

00:39:24,239 --> 00:39:20,710

submarines mostly mm-hmm it's like this

828

00:39:27,870 --> 00:39:24,249

area attracts them and in my humble

829

00:39:30,420 --> 00:39:27,880

opinion I believe that the Russian Navy

830

00:39:32,609 --> 00:39:30,430

and the Chinese Navy and the American

831

00:39:35,999 --> 00:39:32,619

Navy I think they all understand what's

832

00:39:38,489 --> 00:39:36,009

going on and if they build up their

833

00:39:41,220 --> 00:39:38,499

forces in that region it's not only

834

00:39:44,430 --> 00:39:41,230

because they want to fight over a very

835

00:39:46,349 --> 00:39:44,440

you know where you wealthy islands

836

00:39:50,940 --> 00:39:46,359

because yeah there is a lot of there are

837

00:39:53,130 --> 00:39:50,950

a lot of resources down below oil and so

838

00:39:56,789 --> 00:39:53,140

forth but at the same time I think our

839

00:39:58,319 --> 00:39:56,799

our governments understand what's going

840

00:40:03,150 --> 00:39:58,329

on to the extent that they have to

841

00:40:05,759 --> 00:40:03,160

sooner or later face this danger and

842

00:40:08,430 --> 00:40:05,769

challenge you know wherever it comes

843

00:40:12,480 --> 00:40:08,440

from you know and what's interesting is

844

00:40:16,799 --> 00:40:12,490

that I not long ago I so information

845

00:40:19,769 --> 00:40:16,809

about them joint military games between

846

00:40:22,049 --> 00:40:19,779

Chinese and Russian Navy's Chinese and

847

00:40:26,370 --> 00:40:22,059

American navies so it's very interesting

848

00:40:28,529 --> 00:40:26,380

to me and I gotta tell you I respect the

849

00:40:30,359 --> 00:40:28,539

commanders of such navies because I

850

00:40:33,960 --> 00:40:30,369

think they know what's going on just

851

00:40:35,670 --> 00:40:33,970

like the Arctic Ocean we have a big

852

00:40:38,970 --> 00:40:35,680

chapter in the book about the Arctic

853

00:40:41,430 --> 00:40:38,980

Ocean and I've since I was a child in

854

00:40:44,420 --> 00:40:41,440

the Soviet Union I've you know studied

855

00:40:47,370 --> 00:40:44,430

quite a lot about that area and the

856

00:40:50,299 --> 00:40:47,380

brave people who under and the Soviet

857

00:40:54,749 --> 00:40:50,309

side and Russian side who tried to

858

00:40:56,880 --> 00:40:54,759

explore it and change it at the same

859

00:41:00,440 --> 00:40:56,890

time we present very interesting

860

00:41:04,170 --> 00:41:00,450

information about Soviet military

861

00:41:07,559 --> 00:41:04,180

attention to this area and numerous u.s.

862

00:41:10,319 --> 00:41:07,569

owes their well you I gotta tell you

863

00:41:13,200 --> 00:41:10,329

from definitely from nineteen twenties

864

00:41:16,349 --> 00:41:13,210

and an Arctic Ocean had attracted the

865

00:41:18,120 --> 00:41:16,359

Soviet government and we will see you

866

00:41:20,430 --> 00:41:18,130

know information I was it and it would

867

00:41:25,259 --> 00:41:20,440

go from the Kola Peninsula all the way

868

00:41:29,069 --> 00:41:25,269

to the Siberian lands and to your kujaku

869

00:41:31,080 --> 00:41:29,079

days especially a land of amazement and

870

00:41:33,990 --> 00:41:31,090

I ask that if

871

00:41:36,570 --> 00:41:34,000

if any if anybody ever travels to Russia

872

00:41:39,240 --> 00:41:36,580

not just to go to st. Petersburg and

873

00:41:41,870 --> 00:41:39,250

Moscow you know not that you will not

874

00:41:44,960 --> 00:41:41,880

see your force in that area but

875

00:41:48,150 --> 00:41:44,970

definitely you will see a lot more

876

00:41:52,320 --> 00:41:48,160

interesting stuff in your kutia in

877

00:41:55,260 --> 00:41:52,330

Siberia Chukotka Kamchatka there are

878

00:41:56,970 --> 00:41:55,270

some parts in the Arctic Ocean where

879

00:41:59,310 --> 00:41:56,980

they will not let you come for example

880

00:42:03,950 --> 00:41:59,320

this strategic city of Norilsk very

881

00:42:08,400 --> 00:42:03,960

interesting city and over I think it's

882

00:42:11,820 --> 00:42:08,410

north of the North Pole area but on

883

00:42:15,030 --> 00:42:11,830

below a little bit south in the time Mir

884

00:42:16,500 --> 00:42:15,040

Peninsula which is almost unexplored you

885

00:42:18,090 --> 00:42:16,510

will see quite a lot if you can get

886

00:42:21,030 --> 00:42:18,100

there because it's almost impossible for

887

00:42:25,710 --> 00:42:21,040

the locals to travel there but this is

888

00:42:27,320 --> 00:42:25,720

the area and represented of the where

889

00:42:30,090 --> 00:42:27,330

the Soviets found industrial diamonds

890

00:42:33,300 --> 00:42:30,100

which are much more than regular

891

00:42:35,840 --> 00:42:33,310

diamonds and present excellent

892

00:42:38,820 --> 00:42:35,850

scientific possibilities for the future

893

00:42:43,110 --> 00:42:38,830

but that's where the u.s. source of and

894

00:42:47,910 --> 00:42:43,120

UFOs are sited and we mentioned the most

895

00:42:50,910 --> 00:42:47,920

interesting village of hanga that's in

896

00:42:53,750 --> 00:42:50,920

your kutia and reports from the local

897

00:42:57,150 --> 00:42:53,760

meteorological station they have a

898

00:43:00,120 --> 00:42:57,160

special file on us OS and they're

899

00:43:02,670 --> 00:43:00,130

amazing cases from 1979 but who went

900

00:43:04,860 --> 00:43:02,680

beyond we found out some reports from

901
00:43:07,880 --> 00:43:04,870
the cedcap program that I already

902
00:43:11,310 --> 00:43:07,890
mentioned about the unusual gigantic

903
00:43:14,130 --> 00:43:11,320
object that had been seen sighted in

904
00:43:17,820 --> 00:43:14,140
October of 1979 to the extent that

905
00:43:21,030 --> 00:43:17,830
letters were sent out to to the research

906
00:43:23,580 --> 00:43:21,040
programs in existence in the Soviet

907
00:43:25,410 --> 00:43:23,590
Union and I have to mention one more to

908
00:43:28,830 --> 00:43:25,420
the magazines such as I told you about

909
00:43:33,180 --> 00:43:28,840
technical melodia and newspapers because

910
00:43:35,610 --> 00:43:33,190
people saw a gigantic UFO in the sky

911
00:43:39,330 --> 00:43:35,620
over their frozen land and they had to

912
00:43:42,290 --> 00:43:39,340
report it and although in most cases you

913
00:43:44,089 --> 00:43:42,300

know they would be laughed at

914

00:43:46,670 --> 00:43:44,099

in some cases that didn't happen they

915

00:43:50,270 --> 00:43:46,680

would just hide the reports but in that

916

00:43:53,690 --> 00:43:50,280

area of the arctic around her Tonga and

917

00:43:55,190 --> 00:43:53,700

in a few other places in around we

918

00:43:57,890 --> 00:43:55,200

mentioned all the cases this is

919

00:44:00,109 --> 00:43:57,900

incredible what has been seen and no

920

00:44:03,560 --> 00:44:00,119

matter what does you know professional

921

00:44:05,420 --> 00:44:03,570

scientists debunkers tell you we have

922

00:44:07,820 --> 00:44:05,430

reports like I said from the Soviet

923

00:44:10,550 --> 00:44:07,830

meteorological station this people are

924

00:44:13,520 --> 00:44:10,560

not lying they don't need to but if if

925

00:44:17,810 --> 00:44:13,530

if you need more in our chapter by the

926

00:44:19,150 --> 00:44:17,820

Arctic we mentioned Vladimir Lucan who

927

00:44:21,380 --> 00:44:19,160

is the head of the West stock

928

00:44:24,260 --> 00:44:21,390

exploration he's the head of the Arctic

929

00:44:27,380 --> 00:44:24,270

and Antarctic expeditions of the Russian

930

00:44:32,599 --> 00:44:27,390

Federation in 1984 it was a scientist

931

00:44:36,230 --> 00:44:32,609

and he himself had observed UFO UFOs in

932

00:44:38,780 --> 00:44:36,240

that area and in 1997 he went to the

933

00:44:43,099 --> 00:44:38,790

headquarters of the animal a newspaper

934

00:44:46,329 --> 00:44:43,109

he sat down and he told Russian UFO

935

00:44:49,220 --> 00:44:46,339

researchers such as Mikhail Gerstein

936

00:44:52,520 --> 00:44:49,230

probably one of the best in Russia today

937

00:44:54,740 --> 00:44:52,530

and and and a few others about his

938

00:44:57,950 --> 00:44:54,750

experiences now this is a top-notch

939

00:45:01,760 --> 00:44:57,960

scientist okay this is not somebody you

940

00:45:03,740 --> 00:45:01,770

know a bureaucratic debunker who one who

941

00:45:07,690 --> 00:45:03,750

wants to collect put a club down and a

942

00:45:10,400 --> 00:45:07,700

UFO research this is this is people work

943

00:45:14,180 --> 00:45:10,410

world-renowned names and we have more

944

00:45:16,070 --> 00:45:14,190

than that you know I wanted to mention

945

00:45:18,740 --> 00:45:16,080

one more program this is very important

946

00:45:21,670 --> 00:45:18,750

and we listed in our books when they set

947

00:45:25,820 --> 00:45:21,680

cap program was collecting information

948

00:45:28,490 --> 00:45:25,830

they didn't they did not get enough we

949

00:45:31,339 --> 00:45:28,500

think they wanted just from the military

950

00:45:33,380 --> 00:45:31,349

sources I think they found out so much

951
00:45:35,470 --> 00:45:33,390
there were means to such an extent that

952
00:45:40,070 --> 00:45:35,480
they needed to establish patterns and

953
00:45:44,750 --> 00:45:40,080
find out more so this is very unusual

954
00:45:48,140 --> 00:45:44,760
and has no anything similar in the West

955
00:45:51,440 --> 00:45:48,150
or anywhere else in 1994 84 again the

956
00:45:56,420 --> 00:45:51,450
same year 1984 very interesting in the

957
00:45:59,640 --> 00:45:56,430
Soviet Union they established a civilian

958
00:46:02,130 --> 00:45:59,650
government-sponsored organization

959
00:46:04,080 --> 00:46:02,140
actually government organizations for

960
00:46:08,040 --> 00:46:04,090
the civilians to send their reports to

961
00:46:09,500 --> 00:46:08,050
and one of the people who was in charge

962
00:46:13,590 --> 00:46:09,510
of it

963
00:46:17,550 --> 00:46:13,600

very much very much involved with it was

964

00:46:19,500 --> 00:46:17,560

Pavel Popovich the Soviet cosmonaut born

965

00:46:23,970 --> 00:46:19,510

in Ukraine which you know always prior

966

00:46:26,970 --> 00:46:23,980

to us and very energetic in helping you

967

00:46:29,130 --> 00:46:26,980

apologists we have a saying now in

968

00:46:31,680 --> 00:46:29,140

Russia you know when you provide roof

969

00:46:34,620 --> 00:46:31,690

for somebody it means that you provide

970

00:46:37,860 --> 00:46:34,630

protection it's a modern Russian slang

971

00:46:40,830 --> 00:46:37,870

well he provided so-called roof for you

972

00:46:43,680 --> 00:46:40,840

or for researchers who were not liked by

973

00:46:45,510 --> 00:46:43,690

the Communist Party he was very

974

00:46:49,410 --> 00:46:45,520

instrumental in helping them and he also

975

00:46:51,930 --> 00:46:49,420

spoke out a lot in defense of you for

976
00:46:55,440 --> 00:46:51,940
research and pushed as much as possible

977
00:46:57,840 --> 00:46:55,450
to actually get it you know research in

978
00:47:01,650 --> 00:46:57,850
an open way in the Soviet Union well he

979
00:47:03,060 --> 00:47:01,660
got a lot of what he wanted to he helped

980
00:47:06,360 --> 00:47:03,070
Vladimir ajaja

981
00:47:08,790 --> 00:47:06,370
form this Soviet UFO research center

982
00:47:11,880 --> 00:47:08,800
which was very important achievement at

983
00:47:17,930 --> 00:47:11,890
the time and he was the one that later

984
00:47:21,720 --> 00:47:17,940
received the so-called KGB UFO documents

985
00:47:24,590 --> 00:47:21,730
124 pages of the blue file from the

986
00:47:26,810 --> 00:47:24,600
hands of the KGB general nikolai sham

987
00:47:29,730 --> 00:47:26,820
phillip mental should tell you because

988
00:47:32,610 --> 00:47:29,740

he obtained very interesting information

989

00:47:38,910 --> 00:47:32,620

and we will publish them to about the

990

00:47:42,210 --> 00:47:38,920

nikolai sham revelations so Popovich was

991

00:47:45,630 --> 00:47:42,220

a historical personality in the Soviet

992

00:47:48,960 --> 00:47:45,640

UFO research and again I've studied UFO

993

00:47:52,050 --> 00:47:48,970

research in the United States China and

994

00:47:58,530 --> 00:47:52,060

I do not find any similarity anywhere

995

00:48:02,130 --> 00:47:58,540

else despite Soviet communist or should

996

00:48:04,050 --> 00:48:02,140

I say ideology prevalent all over we had

997

00:48:07,320 --> 00:48:04,060

to study this bloody mark Simms mark

998

00:48:08,950 --> 00:48:07,330

Marxism Leninism every time you know

999

00:48:11,320 --> 00:48:08,960

they pushed it on us

1000

00:48:14,490 --> 00:48:11,330

had to spend time studying this dead

1001
00:48:17,890 --> 00:48:14,500
ideology despite all of this nonsense

1002
00:48:22,000 --> 00:48:17,900
Popovich was able to help UFO research

1003
00:48:24,930 --> 00:48:22,010
and he was placed somewhat in charge

1004
00:48:27,820 --> 00:48:24,940
with another person an academician

1005
00:48:29,740 --> 00:48:27,830
Trotsky in charge of that other program

1006
00:48:32,200 --> 00:48:29,750
that's important because we have cases

1007
00:48:36,220 --> 00:48:32,210
in this book and others but especially

1008
00:48:41,500 --> 00:48:36,230
you are so book cases of you know

1009
00:48:44,500 --> 00:48:41,510
observations that were sent to to this

1010
00:48:48,780 --> 00:48:44,510
research program so you had this

1011
00:48:52,450 --> 00:48:48,790
powerful and super-secret Soviet /

1012
00:48:54,730 --> 00:48:52,460
military / academic programs iike you

1013
00:48:56,079 --> 00:48:54,740

had the other program we mentioned all

1014

00:48:58,900 --> 00:48:56,089

the details about it

1015

00:49:01,359 --> 00:48:58,910

in the Soviet Union and you had UFO

1016

00:49:03,990 --> 00:49:01,369

researchers who did their best to bring

1017

00:49:06,670 --> 00:49:04,000

out information and they did bring a lot

1018

00:49:09,490 --> 00:49:06,680

no no no matter that it was a

1019

00:49:10,030 --> 00:49:09,500

totalitarian government information was

1020

00:49:12,670 --> 00:49:10,040

collected

1021

00:49:15,700 --> 00:49:12,680

it wasn't dispersed disseminated and

1022

00:49:18,820 --> 00:49:15,710

that's why when the Soviet Union

1023

00:49:22,180 --> 00:49:18,830

disintegrated in 1991 all of it came out

1024

00:49:25,060 --> 00:49:22,190

a lot of it came out and you know I was

1025

00:49:26,950 --> 00:49:25,070

there I've had my contacts with people

1026

00:49:29,829 --> 00:49:26,960

in the Soviet Union for years and

1027

00:49:33,160 --> 00:49:29,839

especially in 1990 after 1991

1028

00:49:35,980 --> 00:49:33,170

I started getting information - very

1029

00:49:37,420 --> 00:49:35,990

interesting now do they have that they

1030

00:49:40,329 --> 00:49:37,430

have any pardon me do they have any type

1031

00:49:43,150 --> 00:49:40,339

of you said that a lot of information

1032

00:49:45,520 --> 00:49:43,160

was released which is great but there's

1033

00:49:47,589 --> 00:49:45,530

no such thing as like a Freedom of

1034

00:49:51,430 --> 00:49:47,599

Information Act or anything like that as

1035

00:49:53,230 --> 00:49:51,440

far as you a person or you follow just

1036

00:49:56,160 --> 00:49:53,240

trying to get documents from the

1037

00:49:58,720 --> 00:49:56,170

government is that next to impossible

1038

00:50:00,339 --> 00:49:58,730

it's next to impossible and I have to

1039

00:50:02,890 --> 00:50:00,349

tell you you know people have to be

1040

00:50:05,589 --> 00:50:02,900

careful in the Soviet Union a few people

1041

00:50:08,170 --> 00:50:05,599

got sent to the mental asylums Wow

1042

00:50:10,540 --> 00:50:08,180

because they didn't like and some people

1043

00:50:14,260 --> 00:50:10,550

in the Baltics I know were actually

1044

00:50:17,800 --> 00:50:14,270

threatened and to the extent look at

1045

00:50:20,410 --> 00:50:17,810

Isaiah he couldn't find work until he

1046

00:50:22,970 --> 00:50:20,420

was given opportunity to work and study

1047

00:50:25,040 --> 00:50:22,980

your force and your source by his

1048

00:50:28,120 --> 00:50:25,050

France from the naval from the Navy

1049

00:50:30,830 --> 00:50:28,130

because he himself was a submariner and

1050

00:50:32,359 --> 00:50:30,840

but it was very difficult

1051

00:50:35,590 --> 00:50:32,369

some of the people would just shut down

1052

00:50:39,290 --> 00:50:35,600

like foam forming who was a lecturer in

1053

00:50:41,570 --> 00:50:39,300

1950s who presented lectures about your

1054

00:50:44,000 --> 00:50:41,580

force I mean you couldn't just go and

1055

00:50:46,340 --> 00:50:44,010

hire a hall and do it he had to go

1056

00:50:49,460 --> 00:50:46,350

through the auspices of the Soviet

1057

00:50:51,349 --> 00:50:49,470

knowledge Society and say well I want to

1058

00:50:53,359 --> 00:50:51,359

talk about you know ancient mysteries

1059

00:50:56,599 --> 00:50:53,369

this and that and he was able to speak

1060

00:50:59,260 --> 00:50:56,609

and a few others but but but then came

1061

00:51:01,430 --> 00:50:59,270

you know then they found out somebody

1062

00:51:03,980 --> 00:51:01,440

informed on him some stool pigeon

1063

00:51:05,450 --> 00:51:03,990

whatever and it was shut down you

1064

00:51:07,190 --> 00:51:05,460
couldn't just go out and publish

1065

00:51:08,750 --> 00:51:07,200
articles about your force

1066

00:51:12,260 --> 00:51:08,760
some were published some very

1067

00:51:17,030 --> 00:51:12,270
interesting you know we did make it

1068

00:51:19,780 --> 00:51:17,040
through this censorship and found oh you

1069

00:51:23,420 --> 00:51:19,790
know we published in media for example

1070

00:51:26,090 --> 00:51:23,430
1967 which and I'll give you one example

1071

00:51:29,330 --> 00:51:26,100
of what we have in the book 1967 by the

1072

00:51:31,730 --> 00:51:29,340
way was a year of Liberty for hero for

1073

00:51:33,680 --> 00:51:31,740
research in the Soviet Union very

1074

00:51:36,650 --> 00:51:33,690
interesting for some reason they allowed

1075

00:51:42,130 --> 00:51:36,660
information to be published and there

1076

00:51:46,310 --> 00:51:42,140

was a case in nine in the Baltic area in

1077

00:51:48,859 --> 00:51:46,320

1967 when in November there was a

1078

00:51:52,070 --> 00:51:48,869

gigantic UFO it appeared over the shore

1079

00:51:54,980 --> 00:51:52,080

of the Baltic Sea nearly a playa that's

1080

00:51:57,440 --> 00:51:54,990

that's a lot less LA city in Latvia it

1081

00:52:01,340 --> 00:51:57,450

was a semi sphere of huge proportions

1082

00:52:04,450 --> 00:52:01,350

it was glimmering as it Harvard

1083

00:52:07,250 --> 00:52:04,460

low over the ground so it couldn't be

1084

00:52:10,190 --> 00:52:07,260

mistaken for a cloud airplane satellite

1085

00:52:13,220 --> 00:52:10,200

or any other conventional object it's

1086

00:52:16,490 --> 00:52:13,230

glow was fiery and painful to look at

1087

00:52:18,620 --> 00:52:16,500

with unprotected eyes it began to move

1088

00:52:21,290 --> 00:52:18,630

later and then it quickly vanished over

1089

00:52:23,990 --> 00:52:21,300

the horizon and those among those people

1090

00:52:26,900 --> 00:52:24,000

who witnessed us with the said we're

1091

00:52:31,460 --> 00:52:26,910

scientists meteorologists and this was

1092

00:52:33,950 --> 00:52:31,470

published in 1967 in the inner Latvian

1093

00:52:35,810 --> 00:52:33,960

and Soviet Latvian newspaper and there

1094

00:52:36,859 --> 00:52:35,820

were a few more but you had to be

1095

00:52:41,479 --> 00:52:36,869

careful

1096

00:52:45,140 --> 00:52:41,489

because when in 1985 another incident

1097

00:52:47,269 --> 00:52:45,150

was published account of another

1098

00:52:49,670 --> 00:52:47,279

incident was published in 1985 and a

1099

00:52:52,400 --> 00:52:49,680

Soviet newspapers at Alicia's conduce

1100

00:52:54,680 --> 00:52:52,410

Lea they're very very sinister UFO

1101
00:52:56,809 --> 00:52:54,690
observations where observer we are still

1102
00:53:01,489 --> 00:52:56,819
not sure till the end what it was most

1103
00:53:04,729 --> 00:53:01,499
likely it had to be Soviet naval missile

1104
00:53:08,329 --> 00:53:04,739
testing and maybe more in the sky but

1105
00:53:10,339 --> 00:53:08,339
people died and it wasn't a pretty hmm

1106
00:53:12,410 --> 00:53:10,349
anyway it wasn't it wasn't well done but

1107
00:53:15,049 --> 00:53:12,420
people who buy the the editor who

1108
00:53:16,219 --> 00:53:15,059
published it was fired and a lot of

1109
00:53:18,079 --> 00:53:16,229
other people were fired and the

1110
00:53:20,839 --> 00:53:18,089
newspaper was almost closed down but it

1111
00:53:22,519 --> 00:53:20,849
was not so you had to be careful but I

1112
00:53:25,309 --> 00:53:22,529
what what I wanted to let you know is

1113
00:53:28,549 --> 00:53:25,319

that you know information did come out

1114

00:53:30,559 --> 00:53:28,559

to the extent possible but when the

1115

00:53:33,200 --> 00:53:30,569

Soviet Union fell apart this was so

1116

00:53:35,029 --> 00:53:33,210

interesting because then then

1117

00:53:40,729 --> 00:53:35,039

information started coming out and I

1118

00:53:43,880 --> 00:53:40,739

would say till 1994 a lot leaked out

1119

00:53:46,969 --> 00:53:43,890

then situation changed in Russia it

1120

00:53:51,049 --> 00:53:46,979

wasn't as free as before and there was

1121

00:53:52,789 --> 00:53:51,059

no internet nevertheless nevertheless we

1122

00:53:55,640 --> 00:53:52,799

still you know were able to receive

1123

00:53:58,099 --> 00:53:55,650

information and and I want to thank

1124

00:54:00,680 --> 00:53:58,109

again our Russian colleagues who were

1125

00:54:05,529 --> 00:54:00,690

not afraid to study your force under

1126

00:54:08,529 --> 00:54:05,539

different regimes but also I want to

1127

00:54:12,160 --> 00:54:08,539

point your attention for example to

1128

00:54:14,239 --> 00:54:12,170

Soviet military people who came out with

1129

00:54:18,589 --> 00:54:14,249

information there were quite a lot and

1130

00:54:21,440 --> 00:54:18,599

in the early nineteen in the early 2000s

1131

00:54:23,569 --> 00:54:21,450

there were a few programs on Russian TV

1132

00:54:27,200 --> 00:54:23,579

and I was amazed to see stories I

1133

00:54:32,839 --> 00:54:27,210

published years before confirmed by

1134

00:54:36,109 --> 00:54:32,849

former top Soviet Navy personnel but

1135

00:54:37,940 --> 00:54:36,119

back 25 years ago I found a very

1136

00:54:40,180 --> 00:54:37,950

interesting report by somebody who I

1137

00:54:42,829 --> 00:54:40,190

wish I could find him but I can't

1138

00:54:45,829 --> 00:54:42,839

Nicolai German who was a Soviet Navy

1139

00:54:47,569 --> 00:54:45,839

officer very professional and I

1140

00:54:50,190 --> 00:54:47,579

published that he stated that just like

1141

00:54:52,079 --> 00:54:50,200

many other Soviet military officers

1142

00:54:55,079 --> 00:54:52,089

didn't consider you are forced to be

1143

00:54:57,569 --> 00:54:55,089

optical illusions the Euro forces

1144

00:55:01,020 --> 00:54:57,579

friends and colleagues observed were the

1145

00:55:02,849 --> 00:55:01,030

same saucers balls and rays has seen

1146

00:55:06,240 --> 00:55:02,859

through the ages in other parts of the

1147

00:55:08,220 --> 00:55:06,250

world but they recorded such

1148

00:55:12,450 --> 00:55:08,230

observations with the precision and

1149

00:55:15,300 --> 00:55:12,460

impartiality of military reports and he

1150

00:55:17,609 --> 00:55:15,310

mentioned that naval observers utilized

1151
00:55:21,450 --> 00:55:17,619
special technical means to record such

1152
00:55:24,180 --> 00:55:21,460
objects and because they wanted to find

1153
00:55:27,270 --> 00:55:24,190
out you know their flight dynamics and

1154
00:55:28,829 --> 00:55:27,280
now what's interesting and at that time

1155
00:55:30,839 --> 00:55:28,839
we didn't know about the existence of

1156
00:55:33,329 --> 00:55:30,849
the secret soviet geo food program he

1157
00:55:35,819 --> 00:55:33,339
said that the sightings were checked and

1158
00:55:38,250 --> 00:55:35,829
verified by Soviet fleet meteorological

1159
00:55:40,230 --> 00:55:38,260
officers and they were positively shown

1160
00:55:42,780 --> 00:55:40,240
to be objects that were not results of

1161
00:55:45,000 --> 00:55:42,790
human technology and technological

1162
00:55:50,579 --> 00:55:45,010
activity or optical illusions that's

1163
00:55:52,710 --> 00:55:50,589

very important now us souls again we

1164

00:55:54,829 --> 00:55:52,720

have reports that go back to antiquity

1165

00:55:57,210 --> 00:55:54,839

but you know we're mostly interested in

1166

00:56:01,050 --> 00:55:57,220

the times where you could you know

1167

00:56:03,329 --> 00:56:01,060

confirm it and we have from many parts

1168

00:56:06,599 --> 00:56:03,339

of the world I already brought you

1169

00:56:09,390 --> 00:56:06,609

attention to the Arctic region to the

1170

00:56:13,890 --> 00:56:09,400

Pacific Ocean around the area of Japan

1171

00:56:17,640 --> 00:56:13,900

and China a very dynamic area but also I

1172

00:56:22,589 --> 00:56:17,650

want to you know very few people right

1173

00:56:26,700 --> 00:56:22,599

about this part of the world in a calm

1174

00:56:29,160 --> 00:56:26,710

manner the Antarctic I know stories I've

1175

00:56:33,270 --> 00:56:29,170

heard stories about Nazi bases and all

1176

00:56:37,109 --> 00:56:33,280

that now the Soviet military observers

1177

00:56:41,010 --> 00:56:37,119

some are insiders and others definitely

1178

00:56:43,920 --> 00:56:41,020

were lurking around the Antarctic area

1179

00:56:45,990 --> 00:56:43,930

especially the British island of South

1180

00:56:48,690 --> 00:56:46,000

Georgia very important place and you

1181

00:56:53,579 --> 00:56:48,700

will see in our book why and the stories

1182

00:56:58,020 --> 00:56:53,589

they had seen this is an area that is

1183

00:57:02,490 --> 00:56:58,030

not very well known to civilians but is

1184

00:57:03,609 --> 00:57:02,500

of very much interest to scientists from

1185

00:57:07,839 --> 00:57:03,619

Russia in

1186

00:57:11,890 --> 00:57:07,849

China the United States of course you

1187

00:57:13,660 --> 00:57:11,900

know South America and others something

1188

00:57:18,039 --> 00:57:13,670

is going on there it's not just the lake

1189

00:57:21,430 --> 00:57:18,049

of a stalk research and other lakes that

1190

00:57:23,620 --> 00:57:21,440

were found not long ago and I suggest

1191

00:57:25,630 --> 00:57:23,630

people follow up on the story is coming

1192

00:57:29,529 --> 00:57:25,640

from there there is something in that

1193

00:57:35,170 --> 00:57:29,539

area that like a magnet attracts our

1194

00:57:38,019 --> 00:57:35,180

scientists and UFOs and us OHS I just

1195

00:57:40,089 --> 00:57:38,029

and Philip we just brought out the

1196

00:57:42,160 --> 00:57:40,099

Soviet and Russian aspect of the

1197

00:57:44,859 --> 00:57:42,170

research women have photographs that we

1198

00:57:47,019 --> 00:57:44,869

were able to obtain a few of falls over

1199

00:57:49,779 --> 00:57:47,029

the island but if anybody ever goes to

1200

00:57:51,309 --> 00:57:49,789

South Georgia island and there are ways

1201

00:57:55,420 --> 00:57:51,319

to get there and it's a wonderful place

1202

00:58:00,609 --> 00:57:55,430

to visit I think they should keep in

1203

00:58:02,440 --> 00:58:00,619

mind that it's an area of high UFO USO

1204

00:58:05,349 --> 00:58:02,450

activity and there is something

1205

00:58:08,950 --> 00:58:05,359

definitely down at the bottom of the

1206

00:58:10,539 --> 00:58:08,960

ocean in that area well what was amazing

1207

00:58:12,099 --> 00:58:10,549

to me is that you know about the

1208

00:58:15,160 --> 00:58:12,109

earthquakes they took place a few days

1209

00:58:18,549 --> 00:58:15,170

ago not many people know that there was

1210

00:58:21,160 --> 00:58:18,559

an larger earthquake in the ocean right

1211

00:58:25,529 --> 00:58:21,170

next to South Georgia island a few days

1212

00:58:28,329 --> 00:58:25,539

ago and if you hear about your so

1213

00:58:32,400 --> 00:58:28,339

observations it will not be surprised to

1214

00:58:36,339 --> 00:58:32,410

me because during natural calamities

1215

00:58:38,799 --> 00:58:36,349

we've noticed that US Coast and UFOs had

1216

00:58:42,160 --> 00:58:38,809

been sighted over Russian territories

1217

00:58:44,049 --> 00:58:42,170

Wow amazing you know one of the things

1218

00:58:47,380 --> 00:58:44,059

you touched on I don't want to go off of

1219

00:58:50,289 --> 00:58:47,390

the USO subject too far but you

1220

00:58:53,319 --> 00:58:50,299

mentioned that in your book you talked a

1221

00:58:55,839 --> 00:58:53,329

little bit about the Chernobyl UFO and I

1222

00:58:57,849 --> 00:58:55,849

really would like to touch on that just

1223

00:59:00,549 --> 00:58:57,859

for a minute because um that's

1224

00:59:04,900 --> 00:59:00,559

fascinating to me I I had heard a rumor

1225

00:59:07,900 --> 00:59:04,910

that the cigar for whatever it is that

1226

00:59:11,650 --> 00:59:07,910

was covered over that there was

1227

00:59:14,380 --> 00:59:11,660

something that interacted with Chernobyl

1228

00:59:17,290 --> 00:59:14,390

a UFO is that is that anything that you

1229

00:59:20,710 --> 00:59:17,300

heard not in this book yes and we

1230

00:59:23,230 --> 00:59:20,720

than our other books it's interactive

1231

00:59:26,770 --> 00:59:23,240

it's impacted and I think it it made

1232

00:59:29,650 --> 00:59:26,780

sure that it's at what the right were

1233

00:59:33,790 --> 00:59:29,660

were probably would be attenuated or

1234

00:59:37,210 --> 00:59:33,800

made it much less the impact of the

1235

00:59:39,580 --> 00:59:37,220

Chernobyl explosion and we list names of

1236

00:59:43,540 --> 00:59:39,590

the people who had actually observed it

1237

00:59:45,580 --> 00:59:43,550

and you know what happened but I gotta

1238

00:59:48,160 --> 00:59:45,590

tell you that UFOs have been seen in

1239

00:59:51,070 --> 00:59:48,170

that area and in you know we present

1240

00:59:56,080 --> 00:59:51,080

very detailed information years after a

1241

00:59:59,820 --> 00:59:56,090

few years after because nothing is you

1242

01:00:03,820 --> 00:59:59,830

know resolved with the Chernobyl nuclear

1243

01:00:05,740 --> 01:00:03,830

reactor right tell them we're not sure I

1244

01:00:08,590 --> 01:00:05,750

mean there are issues there Ukraine is

1245

01:00:10,510 --> 01:00:08,600

it's a poor state and you know yeah

1246

01:00:12,580 --> 01:00:10,520

given the help of the international

1247

01:00:14,140 --> 01:00:12,590

community it's it's being covered

1248

01:00:17,050 --> 01:00:14,150

you know protected but to the extent

1249

01:00:19,570 --> 01:00:17,060

that it's over I'm not sure that's why

1250

01:00:22,210 --> 01:00:19,580

there were observations of UFOs after

1251

01:00:24,720 --> 01:00:22,220

there too and yes in 1986 something

1252

01:00:28,600 --> 01:00:24,730

definitely happened and there was a UFO

1253

01:00:32,620 --> 01:00:28,610

fiery sphere that was as I recall

1254

01:00:34,420 --> 01:00:32,630

observed in that area and by you know by

1255

01:00:36,220 --> 01:00:34,430

people who actually work there and say

1256

01:00:39,820 --> 01:00:36,230

you know young scientists and so forth

1257

01:00:41,530 --> 01:00:39,830

but that's not the only area and in the

1258

01:00:44,230 --> 01:00:41,540

book about your source we for example

1259

01:00:48,490 --> 01:00:44,240

will list Altai and the observations in

1260

01:00:50,220 --> 01:00:48,500

the Altai Mountains of Russia and some

1261

01:00:53,020 --> 01:00:50,230

other areas like the Ural Mountains

1262

01:00:57,220 --> 01:00:53,030

where you know there have been a number

1263

01:01:00,400 --> 01:00:57,230

of ecological disasters caused by Soviet

1264

01:01:04,780 --> 01:01:00,410

military experiments or look at the CF

1265

01:01:07,630 --> 01:01:04,790

you know that's what you know the

1266

01:01:09,880 --> 01:01:07,640

Soviets were trying to change nature and

1267

01:01:12,070 --> 01:01:09,890

you know they made sure what happened at

1268

01:01:14,080 --> 01:01:12,080

the end is that the that sea is almost

1269

01:01:16,360 --> 01:01:14,090

gone and because of that we actually

1270

01:01:19,480 --> 01:01:16,370

found out very interesting things at the

1271

01:01:23,080 --> 01:01:19,490

bottom of the of Dead Sea it's not Nazca

1272

01:01:24,160 --> 01:01:23,090

lines but it's very interesting images

1273

01:01:27,190 --> 01:01:24,170

that you could see there and we'll

1274

01:01:29,260 --> 01:01:27,200

release them but the point is that we

1275

01:01:30,640 --> 01:01:29,270

heard rumors of a secret nuclear

1276

01:01:32,350 --> 01:01:30,650

explosion in the

1277

01:01:35,590 --> 01:01:32,360

area they were testing something many

1278

01:01:39,310 --> 01:01:35,600

years ago but the UFOs definitely are

1279

01:01:41,740 --> 01:01:39,320

attracted and us sauce and and this is

1280

01:01:45,310 --> 01:01:41,750

something important there is a lake for

1281

01:01:45,730 --> 01:01:45,320

example in the Central Asia in Central

1282

01:01:48,040 --> 01:01:45,740

Asia

1283

01:01:51,690 --> 01:01:48,050

and during the Soviet period when it was

1284

01:01:56,470 --> 01:01:51,700

part of the Soviet Union and they had a

1285

01:01:59,830 --> 01:01:56,480

Soviet tracking station to spy on us

1286

01:02:03,400 --> 01:01:59,840

SDI technology and satellites in early

1287

01:02:06,130 --> 01:02:03,410

1980s gave our observing you a force

1288

01:02:09,700 --> 01:02:06,140

coming in and out of that Lake

1289

01:02:12,340 --> 01:02:09,710

now that Lake per se presents a danger

1290

01:02:14,950 --> 01:02:12,350

to the lands below Afghanistan in a few

1291

01:02:18,190 --> 01:02:14,960

other countries if it ever breaks if the

1292

01:02:20,460 --> 01:02:18,200

water ever breaks and rolls down it

1293

01:02:24,760 --> 01:02:20,470

could make a lot of problems and

1294

01:02:28,120 --> 01:02:24,770

consistently UFOs were observed coming

1295

01:02:29,740 --> 01:02:28,130

in and out from that area and it was

1296

01:02:32,560 --> 01:02:29,750

listed in the Soviet military

1297

01:02:37,120 --> 01:02:32,570

engineering bulletin we will talk about

1298

01:02:38,950 --> 01:02:37,130

it so you know you you have that what

1299

01:02:41,530 --> 01:02:38,960

you know if we live something

1300

01:02:45,280 --> 01:02:41,540

interesting let's go now to North Russia

1301

01:02:48,520 --> 01:02:45,290

and you know areas around discuss

1302

01:02:51,970 --> 01:02:48,530

Scandinavia Scandinavia is a prominent

1303

01:02:53,530 --> 01:02:51,980

part let's say Russian land next to

1304

01:02:55,060 --> 01:02:53,540

Scandinavia is a prominent part of our

1305

01:02:57,910 --> 01:02:55,070

book too because so much is happening

1306

01:03:00,520 --> 01:02:57,920

there very much I published an article

1307

01:03:03,400 --> 01:03:00,530

some years ago and it was reprinted and

1308

01:03:06,220 --> 01:03:03,410

posted on the Russian Navy site about

1309

01:03:08,740 --> 01:03:06,230

the observations of the so called

1310

01:03:10,780 --> 01:03:08,750

Russian submarines in the area Soviet

1311

01:03:12,820 --> 01:03:10,790

submarines I have no doubt that the

1312

01:03:15,640 --> 01:03:12,830

Soviets would spy if they have you know

1313

01:03:18,670 --> 01:03:15,650

there was a chance but sometimes

1314

01:03:21,220 --> 01:03:18,680

whatever was spying or whatever was

1315

01:03:23,410 --> 01:03:21,230

actually in the area was blamed on the

1316

01:03:27,630 --> 01:03:23,420

Soviets and it wasn't always the case

1317

01:03:34,570 --> 01:03:30,580

visitation let's say in the waters of

1318

01:03:37,570 --> 01:03:34,580

Norway Sweden and so forth but what's

1319

01:03:40,270 --> 01:03:37,580

interesting is that we don't if we don't

1320

01:03:43,660 --> 01:03:40,280

just limit ourselves with with threads

1321

01:03:44,020 --> 01:03:43,670

with the present we have a report from

1322

01:03:47,560 --> 01:03:44,030

the

1323

01:03:50,140 --> 01:03:47,570

Dutch diplomat it was basically an

1324

01:03:53,020 --> 01:03:50,150

espionage report coming from st.

1325

01:03:55,780 --> 01:03:53,030

Petersburg fascinating story it's in our

1326
01:03:57,250 --> 01:03:55,790
chapter about the Baltic Sea fascinating

1327
01:04:01,380 --> 01:03:57,260
because this is an official document

1328
01:04:05,800 --> 01:04:01,390
into Russian state archives about a

1329
01:04:08,020 --> 01:04:05,810
battle in the sky over st. Petersburg

1330
01:04:11,710 --> 01:04:08,030
and this goes you know back to the days

1331
01:04:14,440 --> 01:04:11,720
of Peter the Great very detailed very

1332
01:04:17,650 --> 01:04:14,450
scary it's almost like they knew and

1333
01:04:23,290 --> 01:04:17,660
heard the nürnberg battle sounds like

1334
01:04:25,360 --> 01:04:23,300
back in the 1500s oh well here it was I

1335
01:04:27,100 --> 01:04:25,370
think it was a little bit more than that

1336
01:04:30,460 --> 01:04:27,110
and there was an object that appeared

1337
01:04:33,880 --> 01:04:30,470
outside of the class of the two other

1338
01:04:37,720 --> 01:04:33,890

objects but it was confirmed by a famous

1339

01:04:40,450 --> 01:04:37,730

Russian naval Admiral announced in

1340

01:04:44,860 --> 01:04:40,460

heaven separately from the report of the

1341

01:04:46,240 --> 01:04:44,870

Dutch diplomat and again this is very

1342

01:04:48,970 --> 01:04:46,250

interesting will also present another

1343

01:04:51,970 --> 01:04:48,980

story which which nobody very few people

1344

01:04:55,620 --> 01:04:51,980

know about about the mysterious flame in

1345

01:04:58,980 --> 01:04:55,630

the Baltic Sea and the correlating

1346

01:05:01,900 --> 01:04:58,990

observation of a strange meteorite that

1347

01:05:05,680 --> 01:05:01,910

was observed in the sky at that time in

1348

01:05:07,930 --> 01:05:05,690

eighteen 1845 the same year where there

1349

01:05:11,550 --> 01:05:07,940

were a lot of natural disasters right

1350

01:05:15,160 --> 01:05:11,560

there that impacted Poland and Germany

1351

01:05:18,640 --> 01:05:15,170

so there is a lot a lot of and we also

1352

01:05:23,620 --> 01:05:18,650

try to present information about more

1353

01:05:26,830 --> 01:05:23,630

ancient stories and not just stories but

1354

01:05:31,600 --> 01:05:26,840

I don't want to say facts but at least

1355

01:05:33,430 --> 01:05:31,610

accounts of lost space ships there was

1356

01:05:36,520 --> 01:05:33,440

there's a research that took place a

1357

01:05:41,280 --> 01:05:36,530

while ago some 20 years ago and so forth

1358

01:05:45,400 --> 01:05:41,290

in the area of northern Russia but

1359

01:05:47,560 --> 01:05:45,410

beyond that we also try to present you

1360

01:05:50,620 --> 01:05:47,570

know smaller cases and there are quite a

1361

01:05:54,130 --> 01:05:50,630

lot going back for example 1947 we have

1362

01:05:55,450 --> 01:05:54,140

very interesting information about you

1363

01:05:57,010 --> 01:05:55,460

know attack and the Soviet military

1364

01:06:02,260 --> 01:05:57,020

regiment

1365

01:06:06,280 --> 01:06:02,270

and you name it we have a lot I think we

1366

01:06:11,160 --> 01:06:06,290

have hundreds of cases that we separate

1367

01:06:14,950 --> 01:06:11,170

it into geographical and and temporal

1368

01:06:16,420 --> 01:06:14,960

sections mm-hmm question oh go ahead

1369

01:06:17,859 --> 01:06:16,430

yeah go ahead

1370

01:06:20,590 --> 01:06:17,869

I don't know that's why I'm go ahead all

1371

01:06:22,450 --> 01:06:20,600

right I the listeners will know because

1372

01:06:25,390 --> 01:06:22,460

I was broadcasting from there but I was

1373

01:06:29,760 --> 01:06:25,400

in Russia for a month this year in Sochi

1374

01:06:32,109 --> 01:06:29,770

and no viruses and on the Black Sea and

1375

01:06:33,550 --> 01:06:32,119

so I did a little bit of research while

1376

01:06:36,190 --> 01:06:33,560

I was there to seeing what type of

1377

01:06:39,040 --> 01:06:36,200

activity was there I didn't see anything

1378

01:06:41,590 --> 01:06:39,050

about us OS but there were some a lot of

1379

01:06:44,770 --> 01:06:41,600

UFO sightings in the area but are you

1380

01:06:46,560 --> 01:06:44,780

familiar with any I haven't heard you

1381

01:06:49,410 --> 01:06:46,570

mentioned the Black Sea yet

1382

01:06:54,670 --> 01:06:49,420

are there any I haven't gotten there yet

1383

01:06:57,220 --> 01:06:54,680

yes okay what chapter oh yeah we have a

1384

01:07:00,010 --> 01:06:57,230

whole chapter chapter 13 and it's it's a

1385

01:07:03,010 --> 01:07:00,020

big chapter and they were very

1386

01:07:09,480 --> 01:07:03,020

interesting cases some I have went back

1387

01:07:11,770 --> 01:07:09,490

to you know 1950s and one of them was

1388

01:07:14,859 --> 01:07:11,780

it's an interesting case and I I

1389

01:07:17,500 --> 01:07:14,869

mentioned it for years in my writings he

1390

01:07:20,830 --> 01:07:17,510

took place I believe in the early 1950s

1391

01:07:23,650 --> 01:07:20,840

um I had a colleague and a friend who

1392

01:07:26,859 --> 01:07:23,660

passed away a few years ago and

1393

01:07:29,650 --> 01:07:26,869

Ukrainian writer crappy waffle engine

1394

01:07:33,000 --> 01:07:29,660

crappy wah and he was very instrumental

1395

01:07:35,500 --> 01:07:33,010

in early 1990s in bringing out

1396

01:07:38,710 --> 01:07:35,510

information that was covered up in the

1397

01:07:41,910 --> 01:07:38,720

Soviet Union he had good connections and

1398

01:07:44,470 --> 01:07:41,920

I gotta give it to him well he knew

1399

01:07:46,690 --> 01:07:44,480

professor Kasich off of the Edessa

1400

01:07:49,090 --> 01:07:46,700

University he met with him and the

1401

01:07:51,430 --> 01:07:49,100

professor told him about his friend who

1402

01:07:54,730 --> 01:07:51,440

was a Soviet Navy officer and served at

1403

01:07:57,609 --> 01:07:54,740

the Sevastopol naval base in Crimea so

1404

01:08:01,450 --> 01:07:57,619

he personally that officer observed a

1405

01:08:04,030 --> 01:08:01,460

UFO and that UFO I mean you can cause

1406

01:08:07,870 --> 01:08:04,040

you a for you are so the object you know

1407

01:08:09,940 --> 01:08:07,880

just ascended from under the sea behind

1408

01:08:12,849 --> 01:08:09,950

a battle cruiser okay

1409

01:08:14,589 --> 01:08:12,859

and the officer was under impression

1410

01:08:17,499 --> 01:08:14,599

that they came you know from the depths

1411

01:08:19,930 --> 01:08:17,509

of the Black Sea now the professor had a

1412

01:08:22,240 --> 01:08:19,940

photograph and crappier was trying to to

1413

01:08:25,120 --> 01:08:22,250

get it but he was not able to now

1414

01:08:27,820 --> 01:08:25,130

remember I told you in the beginning of

1415

01:08:35,050 --> 01:08:27,830

our conversation about Alexander coos of

1416

01:08:39,539 --> 01:08:35,060

King who was very diligent research of

1417

01:08:44,860 --> 01:08:39,549

UFO phenomena in the Soviet Union he

1418

01:08:49,090 --> 01:08:44,870

didn't die he committed suicide at the

1419

01:08:51,550 --> 01:08:49,100

end of his life because he came to the

1420

01:08:52,870 --> 01:08:51,560

conclusion that we could not we cannot

1421

01:08:55,840 --> 01:08:52,880

so he knew too much

1422

01:08:58,420 --> 01:08:55,850

it's almost like that in Indiana Jones

1423

01:09:00,700 --> 01:08:58,430

the last you know the last movie when

1424

01:09:02,890 --> 01:09:00,710

they when the Soviet officer the woman

1425

01:09:05,709 --> 01:09:02,900

when she went crazy she went fell to

1426

01:09:09,099 --> 01:09:05,719

pieces when she got knowledge from the

1427

01:09:10,450 --> 01:09:09,109

aliens well it's something like that

1428

01:09:14,050 --> 01:09:10,460

happened I don't want to you know make

1429

01:09:15,940 --> 01:09:14,060

it into a comedy but he definitely knew

1430

01:09:19,329 --> 01:09:15,950

too much and he burned a lot of these

1431

01:09:21,729 --> 01:09:19,339

materials will never regain them but

1432

01:09:24,519 --> 01:09:21,739

when what he was not when he was able to

1433

01:09:26,170 --> 01:09:24,529

publish some things and a lot of them

1434

01:09:29,050 --> 01:09:26,180

were in the Sun is that which was

1435

01:09:31,420 --> 01:09:29,060

underground publishing in the Soviet

1436

01:09:34,289 --> 01:09:31,430

Union and people paid price for

1437

01:09:37,959 --> 01:09:34,299

publishing unauthorized materials but

1438

01:09:39,700 --> 01:09:37,969

UFO researchers did too there were not

1439

01:09:44,289 --> 01:09:39,710

dissidents but you know that they risk

1440

01:09:47,769 --> 01:09:44,299

their livelihood anyway in I told you

1441

01:09:52,599 --> 01:09:47,779

about the report he had him went he was

1442

01:09:56,380 --> 01:09:52,609

he met with the scientists me marine

1443

01:10:00,060 --> 01:09:56,390

scientists who had studied the Black Sea

1444

01:10:03,520 --> 01:10:00,070

and went down and saw this gigantic real

1445

01:10:08,970 --> 01:10:03,530

ten story building you know in size

1446

01:10:11,590 --> 01:10:08,980

wheel that stood vertically and you know

1447

01:10:14,320 --> 01:10:11,600

spinned around basically and then it

1448

01:10:16,060 --> 01:10:14,330

became horizontal and and disappeared

1449

01:10:19,540 --> 01:10:16,070

but in our book you will see interesting

1450

01:10:22,810 --> 01:10:19,550

similar incidents now some it's good

1451

01:10:23,740 --> 01:10:22,820

that you brought 1965 and I hope

1452

01:10:26,440 --> 01:10:23,750

Alexander

1453

01:10:27,880 --> 01:10:26,450

is listening because I have a very

1454

01:10:32,290 --> 01:10:27,890

interesting case in the book who found

1455

01:10:35,860 --> 01:10:32,300

out in August of 1965 and I underlined

1456

01:10:38,740 --> 01:10:35,870

August 1965 because those who read this

1457

01:10:42,670 --> 01:10:38,750

book will find out other cases from

1458

01:10:45,370 --> 01:10:42,680

August of 1965 far away from the Black

1459

01:10:48,940 --> 01:10:45,380

Sea but at that time in the Black Sea

1460

01:10:51,610 --> 01:10:48,950

Soviet astronomer her last name was

1461

01:10:53,470 --> 01:10:51,620

taranovich she was a lecturer from the

1462

01:10:56,380 --> 01:10:53,480

masque observatory and she was on a

1463

01:10:59,950 --> 01:10:56,390

vacation and it was you know the at the

1464

01:11:03,730 --> 01:10:59,960

top Soviet resort nowhere phone it's an

1465

01:11:06,370 --> 01:11:03,740

area you know northwest of Caucasus now

1466

01:11:09,280 --> 01:11:06,380

it was I have a very good description

1467

01:11:11,830 --> 01:11:09,290

she was women can they see the the air

1468

01:11:13,720 --> 01:11:11,840

was clear cloudless and warm now about

1469

01:11:16,120 --> 01:11:13,730

20 minutes after the sunset she headed

1470

01:11:19,570 --> 01:11:16,130

to the shore about 100 meters away

1471

01:11:22,030 --> 01:11:19,580

suddenly high in the sky to the west she

1472

01:11:24,340 --> 01:11:22,040

noticed a black spot and soot she made

1473

01:11:27,040 --> 01:11:24,350

out it was like an elongated body a new

1474

01:11:29,920 --> 01:11:27,050

body at first she thought this was an

1475

01:11:32,680 --> 01:11:29,930

airplane but she's so no wings and heard

1476

01:11:35,020 --> 01:11:32,690

no engine noise to remember this

1477

01:11:38,500 --> 01:11:35,030

description I'll tell you why later the

1478

01:11:42,630 --> 01:11:38,510

object flew over the sea west to east at

1479

01:11:45,490 --> 01:11:42,640

about 400 meters distance from her it

1480

01:11:48,070 --> 01:11:45,500

descended to about 100 meters over the

1481

01:11:52,030 --> 01:11:48,080

sea then I turned at a 90-degree angle

1482

01:11:54,640 --> 01:11:52,040

as if it wasn't it's axe and access when

1483

01:11:56,950 --> 01:11:54,650

it turned a band of light flashed in its

1484

01:12:00,340 --> 01:11:56,960

center and she noticed that the object

1485

01:12:03,730 --> 01:12:00,350

was disc shaped as it turned the light

1486

01:12:07,150 --> 01:12:03,740

intensified in in in a few seconds the

1487

01:12:10,690 --> 01:12:07,160

shape change into a circle its center

1488

01:12:12,850 --> 01:12:10,700

was at something like a porthole about a

1489

01:12:15,790 --> 01:12:12,860

half size of the object itself and it

1490

01:12:17,590 --> 01:12:15,800

was glowing with yellow light the object

1491

01:12:19,780 --> 01:12:17,600

then flew north towards the shore

1492

01:12:22,030 --> 01:12:19,790

gaining speed and altitude as it did

1493

01:12:25,420 --> 01:12:22,040

until it became a dot in the distance

1494

01:12:30,820 --> 01:12:25,430

and disappeared okay it lasted about all

1495

01:12:36,890 --> 01:12:30,830

all over probably a minute now this

1496

01:12:46,439 --> 01:12:39,800

writings and felix legal was the famous

1497

01:12:49,740 --> 01:12:46,449

Soviet astronomer in researcher who was

1498

01:12:53,760 --> 01:12:49,750

not afraid to study UFOs and always

1499

01:12:56,729 --> 01:12:53,770

suffered for that from the Soviet

1500

01:13:00,840 --> 01:12:56,739

government and he he never needed to see

1501

01:13:03,689 --> 01:13:00,850

the shackles of ideology of censorship

1502

01:13:07,590 --> 01:13:03,699

taken away from the subject of UFOs he

1503

01:13:11,189 --> 01:13:07,600

died in 1988 in 1989 it became possible

1504

01:13:13,800 --> 01:13:11,199

to say the word UFO in Soviet media

1505

01:13:16,439 --> 01:13:13,810

openly and we have to think of a show

1506

01:13:18,120 --> 01:13:16,449

for that Wow but the description I gave

1507

01:13:21,270 --> 01:13:18,130

you is very interesting because we have

1508

01:13:23,490 --> 01:13:21,280

other throughout our books costing the

1509

01:13:26,910 --> 01:13:23,500

euro so book you have other interesting

1510

01:13:33,120 --> 01:13:26,920

objects similar to what this astronomer

1511

01:13:35,010 --> 01:13:33,130

had described from 1967 and it's

1512

01:13:37,010 --> 01:13:35,020

interesting because you know as you go

1513

01:13:39,479 --> 01:13:37,020

to the book you will see that

1514

01:13:41,760 --> 01:13:39,489

descriptions of what large cylinders

1515

01:13:45,750 --> 01:13:41,770

that split into small separate into

1516

01:13:48,540 --> 01:13:45,760

small parts and rejoin later and the

1517

01:13:50,880 --> 01:13:48,550

observations come from the Soviet naval

1518

01:13:55,160 --> 01:13:50,890

intelligence personnel so you know

1519

01:14:00,540 --> 01:13:55,170

that's important and you see you know

1520

01:14:03,090 --> 01:14:00,550

just like that so again the quality of

1521

01:14:05,399 --> 01:14:03,100

the information and the observers

1522

01:14:08,669 --> 01:14:05,409

presented in the book we are very proud

1523

01:14:10,169 --> 01:14:08,679

of because you know it took us a number

1524

01:14:14,610 --> 01:14:10,179

of years to get it together

1525

01:14:17,280 --> 01:14:14,620

that and we presented yeah dad

1526

01:14:19,680 --> 01:14:17,290

one of the things you I heard you

1527

01:14:23,070 --> 01:14:19,690

mention his Submariner

1528

01:14:25,260 --> 01:14:23,080

or some Mariners however you say that I

1529

01:14:27,390 --> 01:14:25,270

we actually had someone on the show oh

1530

01:14:33,050 --> 01:14:27,400

oh I don't know maybe a year or two ago

1531

01:14:36,000 --> 01:14:33,060

that was that observed a USO on radar

1532

01:14:40,770 --> 01:14:36,010

clocked at something like 90 nautical

1533

01:14:43,649 --> 01:14:40,780

miles an hour you know just going super

1534

01:14:49,450 --> 01:14:43,659

fast and it was the skipper aboard the

1535

01:14:52,899 --> 01:14:49,460

sub acted like it was like you know hush

1536

01:14:55,540 --> 01:14:52,909

like this almost happens a lot I thought

1537

01:14:58,240 --> 01:14:55,550

that was really interesting so can you

1538

01:15:03,520 --> 01:14:58,250

talk about a couple of the cases that

1539

01:15:05,439 --> 01:15:03,530

involve submarines sure we have one

1540

01:15:07,359 --> 01:15:05,449

chapter called Russian submarines in

1541

01:15:09,669 --> 01:15:07,369

u.s. sauce but of course we have

1542

01:15:11,879 --> 01:15:09,679

throughout the book observations of

1543

01:15:14,709 --> 01:15:11,889

Russian submarines well we talked about

1544

01:15:20,709 --> 01:15:14,719

1965 so let's stick with this year there

1545

01:15:22,510 --> 01:15:20,719

was a case in 1965 when it was a Soviet

1546

01:15:24,819 --> 01:15:22,520

submarine was definitely on a spy

1547

01:15:26,740 --> 01:15:24,829

mission in the Atlantic Ocean and the

1548

01:15:27,250 --> 01:15:26,750

Atlantic Ocean you will see the cases we

1549

01:15:29,709 --> 01:15:27,260

have there

1550

01:15:32,020 --> 01:15:29,719

it's a most numerous cases took place in

1551

01:15:34,330 --> 01:15:32,030

the Atlantic Ocean so it came to the

1552

01:15:38,290 --> 01:15:34,340

meeting a little bit early okay so the

1553

01:15:40,990 --> 01:15:38,300

crew had a chance to - to the surface to

1554

01:15:44,049 --> 01:15:41,000

go on the deck you know everything was

1555

01:15:46,299 --> 01:15:44,059

quiet it was a cloudless sky no enemy

1556

01:15:49,600 --> 01:15:46,309

around and then all of a sudden they see

1557

01:15:51,790 --> 01:15:49,610

a cigar-shaped object moving noise noise

1558

01:15:54,580 --> 01:15:51,800

noise mostly through the sky making no

1559

01:15:58,270 --> 01:15:54,590

noise ok this was in the international

1560

01:16:02,080 --> 01:15:58,280

waters but you know if the adversary was

1561

01:16:05,350 --> 01:16:02,090

there nobody would pay attention so they

1562

01:16:08,729 --> 01:16:05,360

wanted to dive immediately but what they

1563

01:16:11,830 --> 01:16:08,739

found out is the onboard reader did not

1564

01:16:13,720 --> 01:16:11,840

record anything like nothing was rounded

1565

01:16:15,729 --> 01:16:13,730

Wow oh the captain you know you didn't

1566

01:16:17,950 --> 01:16:15,739

know yeah he said okay let's remain on

1567

01:16:19,720 --> 01:16:17,960

the surface all of a sudden there were

1568

01:16:23,140 --> 01:16:19,730

three beams of light that shot out from

1569

01:16:25,720 --> 01:16:23,150

the UFO and the Soviets were able to see

1570

01:16:29,350 --> 01:16:25,730

that object quite closely it looked like

1571

01:16:32,500 --> 01:16:29,360

an airship but they had no gondolas no

1572

01:16:34,660 --> 01:16:32,510

rudders and nothing horizontal or

1573

01:16:37,240 --> 01:16:34,670

vertical attached to it it was large

1574

01:16:41,319 --> 01:16:37,250

they recorded it was about 250 meters

1575

01:16:43,479 --> 01:16:41,329

long and the Soviet Navy people knew

1576

01:16:48,399 --> 01:16:43,489

that the US had no such theory tables

1577

01:16:49,930 --> 01:16:48,409

not at all so what you know then slowly

1578

01:16:52,209 --> 01:16:49,940

that object descended

1579

01:16:53,439 --> 01:16:52,219

right into the ocean and the search

1580

01:16:57,520 --> 01:16:53,449

light was still on

1581

01:16:59,200 --> 01:16:57,530

it submerged under the water and what

1582

01:17:01,650 --> 01:16:59,210

happened is that that time dishonor

1583

01:17:03,960 --> 01:17:01,660

sonar from the submarine registers and

1584

01:17:07,890 --> 01:17:03,970

strange and very intensive hissing sound

1585

01:17:10,950 --> 01:17:07,900

and it faded away and by the way when it

1586

01:17:12,930 --> 01:17:10,960

comes to noises our chapter chapter 2

1587

01:17:15,930 --> 01:17:12,940

when we talk about the crockery

1588

01:17:18,480 --> 01:17:15,940

phenomenon you will see a lot about

1589

01:17:20,250 --> 01:17:18,490

noises we present information and

1590

01:17:23,550 --> 01:17:20,260

opinions from the former Soviet

1591

01:17:28,470 --> 01:17:23,560

submarine officers it's amazing Wow so

1592

01:17:33,270 --> 01:17:28,480

this was this was one of the cases let's

1593

01:17:36,780 --> 01:17:33,280

see I told you about the case of course

1594

01:17:40,140 --> 01:17:36,790

of Kim but let's say 1951 I always liked

1595

01:17:42,870 --> 01:17:40,150

the 1950s because for a few reasons when

1596

01:17:45,360 --> 01:17:42,880

it comes to the Soviet UFO research we

1597

01:17:47,160 --> 01:17:45,370

present a lot in this book and in some

1598

01:17:49,880 --> 01:17:47,170

in other books a lot of information in

1599

01:17:54,540 --> 01:17:49,890

other books plus Stalin was in power and

1600

01:17:57,120 --> 01:17:54,550

when you read about their Arctic regions

1601

01:17:59,130 --> 01:17:57,130

you will find out we were able to find

1602

01:18:03,000 --> 01:17:59,140

out that there was a very intensive and

1603

01:18:06,090 --> 01:18:03,010

gigantic program secret program to

1604

01:18:07,680 --> 01:18:06,100

explore the Arctic but under Stalin

1605

01:18:10,920 --> 01:18:07,690

everything was put in and then it was

1606

01:18:12,720 --> 01:18:10,930

shut down but in a way that you could it

1607

01:18:15,150 --> 01:18:12,730

was preserved for the future

1608

01:18:16,710 --> 01:18:15,160

there was another program too but we're

1609

01:18:20,250 --> 01:18:16,720

talking about style here's an

1610

01:18:21,930 --> 01:18:20,260

interesting case from 1951 there was a

1611

01:18:25,320 --> 01:18:21,940

solid somewhere in that encountered a

1612

01:18:28,680 --> 01:18:25,330

strange underwater object it was a very

1613

01:18:31,320 --> 01:18:28,690

large size it ignored all requests for

1614

01:18:34,500 --> 01:18:31,330

identification and just continued on a

1615

01:18:37,320 --> 01:18:34,510

steady course towards the shore of the

1616

01:18:39,960 --> 01:18:37,330

USSR so the captain of the submarine

1617

01:18:43,650 --> 01:18:39,970

ordered depth charges to be dropped

1618

01:18:44,490 --> 01:18:43,660

bombs at the USO location no reaction to

1619

01:18:47,640 --> 01:18:44,500

the attack

1620

01:18:50,550 --> 01:18:47,650

the USO just continued without any

1621

01:18:54,510 --> 01:18:50,560

change in speed and then after some time

1622

01:18:56,670 --> 01:18:54,520

it just unexpectedly and rapid abruptly

1623

01:19:00,420 --> 01:18:56,680

rose towards a center towards the

1624

01:19:03,540 --> 01:19:00,430

surface and then at the you know when it

1625

01:19:06,300 --> 01:19:03,550

was about 50 meters deep and the water

1626

01:19:09,390 --> 01:19:06,310

it stopped change course and departed

1627

01:19:12,750 --> 01:19:09,400

this was 1978 we can tell you you know

1628

01:19:14,640 --> 01:19:12,760

other stories from 1978 1979 and so for

1629

01:19:15,300 --> 01:19:14,650

like I said we have stories from the

1630

01:19:17,010 --> 01:19:15,310

Bermuda

1631

01:19:20,180 --> 01:19:17,020

triangle because the Soviets were there

1632

01:19:22,980 --> 01:19:20,190

- and they are they had very interesting

1633

01:19:26,070 --> 01:19:22,990

sightings in the deep waters of Bahamas

1634

01:19:28,530 --> 01:19:26,080

Bermuda Puerto Rico and east coast of

1635

01:19:31,740 --> 01:19:28,540

the United States okay because they were

1636

01:19:33,570 --> 01:19:31,750

interested and what would sometimes

1637

01:19:36,840 --> 01:19:33,580

scare them is done their way to the

1638

01:19:40,110 --> 01:19:36,850

Atlantic Ocean and right there they were

1639

01:19:43,410 --> 01:19:40,120

encountered by this strange phenomena we

1640

01:19:46,410 --> 01:19:43,420

mentioned in the second chapter and they

1641

01:19:48,120 --> 01:19:46,420

assume that they were spied on by the

1642

01:19:52,020 --> 01:19:48,130

Americans but it was a very wrong

1643

01:19:55,680 --> 01:19:52,030

assumption so those are the cases and

1644

01:19:58,980 --> 01:19:55,690

you know again we have a lot a lot of

1645

01:20:01,680 --> 01:19:58,990

them and yeah we mentioned submarines

1646

01:20:05,430 --> 01:20:01,690

and you know lectures given by submarine

1647

01:20:07,980 --> 01:20:05,440

officers where they speak about Soviet

1648

01:20:10,200 --> 01:20:07,990

Navy submarines chased by other objects

1649

01:20:12,960 --> 01:20:10,210

where the pursuers could change their

1650

01:20:15,680 --> 01:20:12,970

speed at will and were faster than any

1651
01:20:19,140 --> 01:20:15,690
other vessels known to be at the time

1652
01:20:21,420 --> 01:20:19,150
this is a challenge and it's it's a

1653
01:20:23,730 --> 01:20:21,430
challenge that sooner or later we will

1654
01:20:26,640 --> 01:20:23,740
face and like I said I think those in

1655
01:20:27,570 --> 01:20:26,650
charge of the naval forces understand

1656
01:20:31,320 --> 01:20:27,580
what's going on

1657
01:20:36,780 --> 01:20:31,330
I remember that many years ago I found

1658
01:20:39,750 --> 01:20:36,790
out that my my my first book the Soviet

1659
01:20:43,080 --> 01:20:39,760
UFO FILES was part of the u.s. Navy

1660
01:20:45,870 --> 01:20:43,090
library which is okay you know wow I'm

1661
01:20:47,010 --> 01:20:45,880
glad I'm not sure if it still is yeah I

1662
01:20:48,930 --> 01:20:47,020
don't think that sight is even

1663
01:20:51,450 --> 01:20:48,940

accessible but but that's why we're at

1664

01:20:54,090 --> 01:20:51,460

the book so you know here and in other

1665

01:20:57,780 --> 01:20:54,100

countries people realize what's going on

1666

01:21:01,050 --> 01:20:57,790

there is nothing that we obtained

1667

01:21:04,770 --> 01:21:01,060

illegally from the Soviet Union and rest

1668

01:21:07,830 --> 01:21:04,780

assured that the deepest secrets the

1669

01:21:11,670 --> 01:21:07,840

Soviet Union has Soviet Navy will never

1670

01:21:14,520 --> 01:21:11,680

be unfortunately will never be made

1671

01:21:16,830 --> 01:21:14,530

public unless something something

1672

01:21:20,550 --> 01:21:16,840

drastic happens and and we listed

1673

01:21:22,860 --> 01:21:20,560

because some years ago there were people

1674

01:21:28,200 --> 01:21:22,870

that claimed that the Soviet Union is

1675

01:21:28,709 --> 01:21:28,210

going to to declassify their files it

1676

01:21:30,930 --> 01:21:28,719

may be

1677

01:21:33,689 --> 01:21:30,940

and of course they came out and they

1678

01:21:35,580 --> 01:21:33,699

said this is not going to happen and we

1679

01:21:38,310 --> 01:21:35,590

understand it who else will not do the

1680

01:21:40,560 --> 01:21:38,320

same because if you Declassified whether

1681

01:21:45,169 --> 01:21:40,570

you find out where their submarines are

1682

01:21:48,299 --> 01:21:45,179

you know going on their missions mm-hmm

1683

01:21:52,069 --> 01:21:48,309

yeah I can never say that part of it

1684

01:21:55,020 --> 01:21:52,079

sure yeah Russia Russia is you know

1685

01:21:57,149 --> 01:21:55,030

historically it tends to be a closed

1686

01:22:00,120 --> 01:21:57,159

society and we're not going to discuss

1687

01:22:04,850 --> 01:22:00,130

politics but you know every nation has

1688

01:22:07,890 --> 01:22:04,860

its quirks every nation has its and

1689

01:22:12,529 --> 01:22:07,900

Russia is no different but no matter

1690

01:22:19,620 --> 01:22:15,209

listeners to pay attention to China

1691

01:22:24,689 --> 01:22:19,630

because China is becoming world power

1692

01:22:25,770 --> 01:22:24,699

and it's UFO research is unlike ours or

1693

01:22:27,899 --> 01:22:25,780

in Russia

1694

01:22:31,439 --> 01:22:27,909

unlike because that's that's where the

1695

01:22:34,080 --> 01:22:31,449

government pays close attention to UFO

1696

01:22:37,339 --> 01:22:34,090

research and actually sponsors a number

1697

01:22:40,049 --> 01:22:37,349

of organizations and I think in you know

1698

01:22:43,109 --> 01:22:40,059

thousands tens of thousands of

1699

01:22:45,330 --> 01:22:43,119

scientists are involved and I've had

1700

01:22:49,049 --> 01:22:45,340

some articles and people can see it in

1701
01:22:52,850 --> 01:22:49,059
my website yeah yeah that is interesting

1702
01:22:55,560 --> 01:22:52,860
now this sept cow or however you say it

1703
01:22:58,819 --> 01:22:55,570
organization did you say yeah did you

1704
01:23:02,549 --> 01:22:58,829
say that was that was in part of

1705
01:23:07,200 --> 01:23:02,559
coordinated by the government or was

1706
01:23:08,759 --> 01:23:07,210
that also a coordinated because if

1707
01:23:12,899 --> 01:23:08,769
anything was not coordinated by the

1708
01:23:14,729 --> 01:23:12,909
government you know then the way was to

1709
01:23:16,799 --> 01:23:14,739
either you know wind up in the

1710
01:23:19,439 --> 01:23:16,809
concentration camp or in the mental

1711
01:23:22,319 --> 01:23:19,449
asylum you know any anything

1712
01:23:27,229 --> 01:23:22,329
unsanctioned you know you couldn't do it

1713
01:23:30,689 --> 01:23:27,239

no this was a totally government led

1714

01:23:32,430 --> 01:23:30,699

government in instigated research and

1715

01:23:35,700 --> 01:23:32,440

government people worked for it because

1716

01:23:38,790 --> 01:23:35,710

you had scientists on one hand and we

1717

01:23:42,240 --> 01:23:38,800

presented in full detail names and deeds

1718

01:23:46,080 --> 01:23:42,250

and military officers involved we

1719

01:23:49,590 --> 01:23:46,090

list and names of the Russian Soviet

1720

01:23:51,840 --> 01:23:49,600

Navy intelligence commanders and others

1721

01:23:55,650 --> 01:23:51,850

who were instrumental in this program

1722

01:23:59,390 --> 01:23:55,660

and what they revealed this was a

1723

01:24:04,620 --> 01:23:59,400

program that you know was put in motion

1724

01:24:07,260 --> 01:24:04,630

in 1978 for sure but some parts started

1725

01:24:08,880 --> 01:24:07,270

well well before Navy parts started in

1726

01:24:10,950 --> 01:24:08,890

76

1727

01:24:12,600 --> 01:24:10,960

and there was a there was a reason for

1728

01:24:14,520 --> 01:24:12,610

it and you will see people who read the

1729

01:24:20,310 --> 01:24:14,530

book oh I understand when they read

1730

01:24:24,540 --> 01:24:20,320

about the the what's the right word very

1731

01:24:29,850 --> 01:24:24,550

unusual dance of the U of O over a

1732

01:24:32,330 --> 01:24:29,860

Soviet submarine station and how it

1733

01:24:36,090 --> 01:24:32,340

scared the Soviet government but anyway

1734

01:24:40,380 --> 01:24:36,100

this was a program that you know lasted

1735

01:24:45,290 --> 01:24:40,390

from 78 for sure through 1991 and it was

1736

01:24:48,810 --> 01:24:45,300

very active it used scientists such as

1737

01:24:51,060 --> 01:24:48,820

meteorologists and of course I believe

1738

01:24:53,100 --> 01:24:51,070

they had about I don't remember the

1739

01:24:57,930 --> 01:24:53,110

number exactly but about 30 Soviet

1740

01:24:59,850 --> 01:24:57,940

higher Institute's involved in that and

1741

01:25:02,760 --> 01:24:59,860

wisdom will list them because it's very

1742

01:25:07,800 --> 01:25:02,770

important and some of those scientists I

1743

01:25:09,870 --> 01:25:07,810

gotta tell you Davers so persistent not

1744

01:25:12,000 --> 01:25:09,880

not the people at the top know that

1745

01:25:13,650 --> 01:25:12,010

those are the debunkers who didn't want

1746

01:25:16,740 --> 01:25:13,660

to do anything but some of the

1747

01:25:19,230 --> 01:25:16,750

scientists are very persistent I have an

1748

01:25:22,560 --> 01:25:19,240

article by the way also in open minds

1749

01:25:24,420 --> 01:25:22,570

about the Kazakhstan research by side

1750

01:25:27,960 --> 01:25:24,430

scientists very interesting very unusual

1751

01:25:32,910 --> 01:25:27,970

cases but in a little closer at least

1752

01:25:40,170 --> 01:25:32,920

two to one is the mention of 1982 of

1753

01:25:54,780 --> 01:25:46,470

this was one case and this was one case

1754

01:25:59,250 --> 01:25:54,790

and the other was in also 1982 but had

1755

01:26:02,310 --> 01:25:59,260

to do with the Russian case that goes

1756

01:26:05,580 --> 01:26:02,320

back to the 17th century and it's in our

1757

01:26:08,910 --> 01:26:05,590

book it's a famous case one of the best

1758

01:26:12,690 --> 01:26:08,920

from the front from the Middle Ages and

1759

01:26:17,910 --> 01:26:12,700

in later times of a UFO observation over

1760

01:26:23,370 --> 01:26:17,920

the lake and the description was given

1761

01:26:25,140 --> 01:26:23,380

by a very able person who was able to

1762

01:26:29,580 --> 01:26:25,150

write everything down and present the

1763

01:26:32,060 --> 01:26:29,590

details this was a very sinister case I

1764

01:26:35,430 --> 01:26:32,070

should say when an object kept coming

1765

01:26:37,470 --> 01:26:35,440

back to the to the lake and scaring

1766

01:26:41,970 --> 01:26:37,480

local people who just came out from the

1767

01:26:44,010 --> 01:26:41,980

church they robbed or Oro bo z ER oh

1768

01:26:51,480 --> 01:26:44,020

you'd better chapter about it in the

1769

01:26:54,330 --> 01:26:51,490

book and in 1982 an expedition which

1770

01:26:58,650 --> 01:26:54,340

included the Soviet scientists from this

1771

01:27:04,320 --> 01:26:58,660

cedcap program went back to that area to

1772

01:27:06,210 --> 01:27:04,330

study to study the impact of that body

1773

01:27:09,150 --> 01:27:06,220

from the front you know from the 17th

1774

01:27:10,620 --> 01:27:09,160

century on the soil of of the area it

1775

01:27:13,080 --> 01:27:10,630

was very interesting because they found

1776

01:27:16,140 --> 01:27:13,090

confirmation scientific confirmation

1777

01:27:20,190 --> 01:27:16,150

that something took place residual

1778

01:27:22,170 --> 01:27:20,200

matter and so forth so you asked about

1779

01:27:24,570 --> 01:27:22,180

CSKA there are two examples there are

1780

01:27:27,840 --> 01:27:24,580

more I remember there are more because

1781

01:27:31,260 --> 01:27:27,850

there was a case from I believe the

1782

01:27:35,630 --> 01:27:31,270

Indian Ocean where which was reported

1783

01:27:39,470 --> 01:27:35,640

through the Circa program and somehow

1784

01:27:42,600 --> 01:27:39,480

surfers do now is there any such

1785

01:27:44,430 --> 01:27:42,610

organization or similar organization

1786

01:27:46,100 --> 01:27:44,440

that you're aware of now that collects

1787

01:27:49,890 --> 01:27:46,110

UFO data

1788

01:27:52,410 --> 01:27:49,900

well I in why I have no doubts that it

1789

01:27:53,759 --> 01:27:52,420

goes on but it would be completely

1790

01:27:55,259 --> 01:27:53,769

different

1791

01:27:58,910 --> 01:27:55,269

today they're there they know there are

1792

01:28:01,589 --> 01:27:58,920

other ways to collect matter I think

1793

01:28:03,779 --> 01:28:01,599

that the Russian government is very much

1794

01:28:06,180 --> 01:28:03,789

interested they have to be because the

1795

01:28:10,950 --> 01:28:06,190

Russian Navy is becoming very powerful

1796

01:28:14,759 --> 01:28:10,960

they are building small and very

1797

01:28:17,160 --> 01:28:14,769

powerful submarines unusual design

1798

01:28:19,770 --> 01:28:17,170

I know Putin himself for example who

1799

01:28:23,689 --> 01:28:19,780

went to the bottom of the lake baikal in

1800

01:28:26,459 --> 01:28:23,699

2009 and you know I thought I wanted to

1801

01:28:29,100 --> 01:28:26,469

do to humour myself thinking maybe he

1802

01:28:31,319 --> 01:28:29,110

read my book on Philips writings too but

1803

01:28:34,379 --> 01:28:31,329

I think he knows himself with what he

1804

01:28:37,859 --> 01:28:34,389

needs to know and I would be surprised

1805

01:28:41,009 --> 01:28:37,869

if Russia would not have an organization

1806

01:28:43,910 --> 01:28:41,019

that studies us owes and you of owes to

1807

01:28:48,419 --> 01:28:43,920

the extent possible and remember today

1808

01:28:52,520 --> 01:28:48,429

we we can grasp and see much more than

1809

01:28:55,049 --> 01:28:52,530

30 40 15 years ago simply because of the

1810

01:28:58,859 --> 01:28:55,059

you know development of our technology

1811

01:29:02,009 --> 01:28:58,869

we have underwater robots and we can

1812

01:29:05,189 --> 01:29:02,019

explore Marianas Trench much more than

1813

01:29:07,290 --> 01:29:05,199

before and and those who read my our

1814

01:29:09,330 --> 01:29:07,300

book will understand why when they read

1815

01:29:13,649 --> 01:29:09,340

the body Mariana Trench and a few other

1816

01:29:17,250 --> 01:29:13,659

places like that and definitely we will

1817

01:29:18,989 --> 01:29:17,260

see much more but there is more than

1818

01:29:21,419 --> 01:29:18,999

that I mean when you when you read all

1819

01:29:23,970 --> 01:29:21,429

these observations and reports and you

1820

01:29:26,939 --> 01:29:23,980

put things together you start things

1821

01:29:30,239 --> 01:29:26,949

seeing patterns and it's very

1822

01:29:32,970 --> 01:29:30,249

interesting and you start thinking well

1823

01:29:36,080 --> 01:29:32,980

are there tunnels that we know don't

1824

01:29:41,640 --> 01:29:36,090

know about that exist under the surface

1825

01:29:44,850 --> 01:29:41,650

of the earth core maybe or down below

1826
01:29:48,930 --> 01:29:44,860
that connect the oceans or leg by cow

1827
01:29:51,629 --> 01:29:48,940
with the ocean could be and then we

1828
01:29:53,939 --> 01:29:51,639
start trying to find confirmation and I

1829
01:29:56,819 --> 01:29:53,949
gotta tell you I'm proud of what we what

1830
01:30:00,000 --> 01:29:56,829
we did for the chapter of the swimmers

1831
01:30:02,700 --> 01:30:00,010
people always often some researchers

1832
01:30:05,160 --> 01:30:02,710
talk about ancient India and the mana

1833
01:30:06,910 --> 01:30:05,170
weapons and so forth we found a

1834
01:30:11,580 --> 01:30:06,920
different angle

1835
01:30:12,850 --> 01:30:11,590
we found X descriptions in the

1836
01:30:16,930 --> 01:30:12,860
Mahabharata

1837
01:30:21,490 --> 01:30:16,940
of the ancient battles between dem

1838
01:30:27,160 --> 01:30:21,500

demigods and celestial beings and the

1839

01:30:29,710 --> 01:30:27,170

underwater demons and we give

1840

01:30:32,920 --> 01:30:29,720

description of the underwater demon race

1841

01:30:35,320 --> 01:30:32,930

that existed complete detail description

1842

01:30:36,880 --> 01:30:35,330

of the battles it's like reading science

1843

01:30:38,920 --> 01:30:36,890

fiction novel today because we don't

1844

01:30:40,690 --> 01:30:38,930

even have weapons like that we still

1845

01:30:43,840 --> 01:30:40,700

don't have illusion weapons to the

1846

01:30:46,930 --> 01:30:43,850

extent that I know and a few others but

1847

01:30:51,730 --> 01:30:46,940

most important we die ancient Indian

1848

01:30:54,640 --> 01:30:51,740

myth in all myths or stories to the

1849

01:30:56,740 --> 01:30:54,650

lakes in the areas we describe Tibet

1850

01:30:59,260 --> 01:30:56,750

because you will see a few things that

1851

01:31:01,750 --> 01:30:59,270

we found out about Tibet by cow and

1852

01:31:04,390 --> 01:31:01,760

others and this is fascinating because I

1853

01:31:08,730 --> 01:31:04,400

think this should be continued because

1854

01:31:11,650 --> 01:31:08,740

ancient India had stories of beings that

1855

01:31:15,580 --> 01:31:11,660

Soviet military in our Soviet naval

1856

01:31:18,150 --> 01:31:15,590

commanders so observed in the sea maybe

1857

01:31:24,040 --> 01:31:18,160

30 years ago that's what's fascinating

1858

01:31:25,360 --> 01:31:24,050

well and you know and we there are you

1859

01:31:28,210 --> 01:31:25,370

know ancient Chinese Chinese

1860

01:31:30,370 --> 01:31:28,220

observations of so-called your souls and

1861

01:31:32,710 --> 01:31:30,380

so forth and Japan has a number of

1862

01:31:34,900 --> 01:31:32,720

stories but Japan is right there and you

1863

01:31:37,690 --> 01:31:34,910

know right next to Russia so a lot of

1864

01:31:42,700 --> 01:31:37,700

the cases we describe our from that area

1865

01:31:46,210 --> 01:31:42,710

to very interesting cases and you can

1866

01:31:49,300 --> 01:31:46,220

see that in the antiquity people had

1867

01:31:51,760 --> 01:31:49,310

observed unusual very unusual things and

1868

01:31:55,960 --> 01:31:51,770

that's how we start to book that's how

1869

01:32:00,160 --> 01:31:55,970

it starts you know with the Russian

1870

01:32:04,060 --> 01:32:00,170

writer he died in London some years ago

1871

01:32:06,820 --> 01:32:04,070

he was very famous because he you know

1872

01:32:10,210 --> 01:32:06,830

if Erich von däniken started writing

1873

01:32:13,090 --> 01:32:10,220

here in the 1960s in in Russia we had

1874

01:32:15,120 --> 01:32:13,100

people before scientists who were

1875

01:32:19,450 --> 01:32:15,130

interested in the ancient contact

1876

01:32:20,560 --> 01:32:19,460

ancient visitation Palio contact as it

1877

01:32:24,220 --> 01:32:20,570

was called and where

1878

01:32:25,750 --> 01:32:24,230

able to publish some of the hypotheses

1879

01:32:28,660 --> 01:32:25,760

they had I still have books from

1880

01:32:31,210 --> 01:32:28,670

nineteen nineteen seventies they were

1881

01:32:33,880 --> 01:32:31,220

very fearless very determined

1882

01:32:37,450 --> 01:32:33,890

researchers now this guy had information

1883

01:32:39,880 --> 01:32:37,460

about an object a USO that goes that

1884

01:32:43,060 --> 01:32:39,890

probably a few thousand years ago in the

1885

01:32:45,790 --> 01:32:43,070

Mediterranean and you will see more

1886

01:32:49,420 --> 01:32:45,800

those who read our books will definitely

1887

01:32:52,150 --> 01:32:49,430

want to find out about Central Asia and

1888

01:32:55,720 --> 01:32:52,160

some of the lakes in that part of the

1889

01:32:59,110 --> 01:32:55,730

world and ancient observations of UFOs

1890

01:33:02,080 --> 01:32:59,120

and your souls and also very interesting

1891

01:33:05,680 --> 01:33:02,090

modern cases yeah I was gonna ask you

1892

01:33:08,440 --> 01:33:05,690

about people about modern the into

1893

01:33:10,660 --> 01:33:08,450

antiquity is really fascinating to me

1894

01:33:15,430 --> 01:33:10,670

but I just wondered in your book what is

1895

01:33:21,460 --> 01:33:15,440

the latest case that you that you report

1896

01:33:23,230 --> 01:33:21,470

on 2006 Ukraine Black Sea uh-huh you

1897

01:33:25,020 --> 01:33:23,240

want to just cool very cool case yeah

1898

01:33:28,600 --> 01:33:25,030

let's hear that case if that's alright

1899

01:33:32,710 --> 01:33:28,610

well it was a very interesting

1900

01:33:37,500 --> 01:33:32,720

observation by a crew of the joint

1901

01:33:42,820 --> 01:33:37,510

Russian Ukrainian naval mission to

1902

01:33:46,000 --> 01:33:42,830

society the they wanted to find the site

1903

01:33:49,000 --> 01:33:46,010

where Armenia Soviet it was the name of

1904

01:33:52,570 --> 01:33:49,010

the Soviet ship that not that Nazi

1905

01:33:56,440 --> 01:33:52,580

Germany sank it was a medical ship and

1906

01:33:59,830 --> 01:33:56,450

it went down with many people aboard and

1907

01:34:04,510 --> 01:33:59,840

when they were in the area of the

1908

01:34:07,750 --> 01:34:04,520

alleged you know presence of that ship

1909

01:34:11,890 --> 01:34:07,760

they cited something unusual and we

1910

01:34:15,310 --> 01:34:11,900

present that information 2006 and what

1911

01:34:17,430 --> 01:34:15,320

we have cases that call go back to 2000

1912

01:34:19,510 --> 01:34:17,440

I think there was one from 2002

1913

01:34:21,400 --> 01:34:19,520

observation from Russian scientists

1914

01:34:23,740 --> 01:34:21,410

which is very interesting like of

1915

01:34:27,700 --> 01:34:23,750

ramming Co and others it's it's in the

1916

01:34:30,220 --> 01:34:27,710

book so you know and of course if

1917

01:34:32,710 --> 01:34:30,230

anything else comes anything later comes

1918

01:34:34,160 --> 01:34:32,720

why that's reveal the world publish it

1919

01:34:36,590 --> 01:34:34,170

right I just don't

1920

01:34:40,010 --> 01:34:36,600

saying that a lot of information will be

1921

01:34:42,820 --> 01:34:40,020

able unless recorded by people who have

1922

01:34:46,880 --> 01:34:42,830

cameras today and so forth but again

1923

01:34:49,070 --> 01:34:46,890

like I said a lot of the reports for

1924

01:34:52,430 --> 01:34:49,080

example would come from Arctic

1925

01:34:54,860 --> 01:34:52,440

hard-to-reach areas or Yakutia you have

1926

01:34:58,400 --> 01:34:54,870

to get there to be able to photograph

1927

01:35:01,910 --> 01:34:58,410

something right hot Russia is a very

1928

01:35:04,610 --> 01:35:01,920

much unexplored land in Siberia in the

1929

01:35:08,570 --> 01:35:04,620

taiga forest my father served in the

1930

01:35:11,090 --> 01:35:08,580

Soviet Army in the 1950s and he was in

1931

01:35:13,430 --> 01:35:11,100

the communications unit they would put

1932

01:35:16,910 --> 01:35:13,440

communication lines and he went from

1933

01:35:19,790 --> 01:35:16,920

Magadan from the very removed far far

1934

01:35:21,919 --> 01:35:19,800

remote areas and the Far East Siberia

1935

01:35:23,930 --> 01:35:21,929

and so forth it was a very unsteady

1936

01:35:26,450 --> 01:35:23,940

period when the concentration camps were

1937

01:35:28,790 --> 01:35:26,460

were closed down and a lot of people

1938

01:35:32,090 --> 01:35:28,800

were let out political prisoners but

1939

01:35:34,729 --> 01:35:32,100

also criminals he had observed cannibals

1940

01:35:38,510 --> 01:35:34,739

he had seen a lot while he served in

1941

01:35:41,110 --> 01:35:38,520

those areas and he told me you know for

1942

01:35:43,970 --> 01:35:41,120

thousands hundreds of thousands of miles

1943

01:35:45,860 --> 01:35:43,980

there is no there is nobody who lives

1944

01:35:47,689 --> 01:35:45,870

there and if anybody does you don't know

1945

01:35:50,300 --> 01:35:47,699

about them and they don't know about the

1946

01:35:52,400 --> 01:35:50,310

outside world there were villages that

1947

01:35:54,530 --> 01:35:52,410

were discovered in the Soviet Union our

1948

01:35:57,620 --> 01:35:54,540

next nineteen sixties nineteen seventies

1949

01:36:00,320 --> 01:35:57,630

of people who lived without any contact

1950

01:36:02,990 --> 01:36:00,330

with population for hundreds of years

1951

01:36:06,380 --> 01:36:03,000

yes I've heard about that they invent

1952

01:36:08,959 --> 01:36:06,390

their own languages and everything their

1953

01:36:11,959 --> 01:36:08,969

own languages the the Old Believers star

1954

01:36:13,669 --> 01:36:11,969

Avira those who escaped Peter the Great

1955

01:36:17,630 --> 01:36:13,679

and all other Russian Czars and

1956

01:36:19,189 --> 01:36:17,640

dictators and so forth and you know you

1957

01:36:21,590 --> 01:36:19,199

know those who escaped the Soviet Union

1958

01:36:25,610 --> 01:36:21,600

the Soviet government you can find them

1959

01:36:27,650 --> 01:36:25,620

too and whatever it's like the in 1908

1960

01:36:30,590 --> 01:36:27,660

case which we described in other books

1961

01:36:33,169 --> 01:36:30,600

but it's very interesting the Tunguska

1962

01:36:37,430 --> 01:36:33,179

kisk right you know it was it's it's

1963

01:36:39,919 --> 01:36:37,440

hard to get there but we did get a lot

1964

01:36:44,419 --> 01:36:39,929

of information in we also in the chapter

1965

01:36:46,820 --> 01:36:44,429

about Far East we present observations

1966

01:36:47,760 --> 01:36:46,830

of the hunters local hunters will always

1967

01:36:50,910 --> 01:36:47,770

want to

1968

01:36:53,610 --> 01:36:50,920

present views of those people who were

1969

01:36:55,590 --> 01:36:53,620

largely disseminate had no decimated

1970

01:36:58,440 --> 01:36:55,600

during the Soviet time and even before

1971

01:37:01,100 --> 01:36:58,450

we want them to be heard too because

1972

01:37:04,110 --> 01:37:01,110

their cultures and their beliefs

1973

01:37:06,570 --> 01:37:04,120

vanished to maniac to an extent they

1974

01:37:07,290 --> 01:37:06,580

become russified whether they wanted to

1975

01:37:09,420 --> 01:37:07,300

or not

1976

01:37:11,760 --> 01:37:09,430

you know their face was taken away they

1977

01:37:13,710 --> 01:37:11,770

became Russian Orthodox forcefully but

1978

01:37:15,450 --> 01:37:13,720

many of them resisted and we have

1979

01:37:18,630 --> 01:37:15,460

stories about the two very interesting

1980

01:37:21,560 --> 01:37:18,640

stories but their observations deserve

1981

01:37:25,170 --> 01:37:21,570

to be heard and it's very interesting

1982

01:37:28,320 --> 01:37:25,180

you know I did in the kutia chapter and

1983

01:37:31,530 --> 01:37:28,330

also did an episode for ancient aliens

1984

01:37:36,090 --> 01:37:31,540

once about Yakutia there is much more I

1985

01:37:38,690 --> 01:37:36,100

wish you know Americans and others had a

1986

01:37:41,010 --> 01:37:38,700

chance to travel and see more of it or

1987

01:37:43,610 --> 01:37:41,020

we got more information too right there

1988

01:37:45,450 --> 01:37:43,620

are very unusual objects in that land

1989

01:37:48,960 --> 01:37:45,460

Wow

1990

01:37:51,390 --> 01:37:48,970

yeah right the countryside of Russia

1991

01:37:54,720 --> 01:37:51,400

like you said there's so much unexplored

1992

01:37:58,830 --> 01:37:54,730

area and that that kind of leads me I

1993

01:38:01,530 --> 01:37:58,840

heard you say the URL Mountains earlier

1994

01:38:04,500 --> 01:38:01,540

and had you ever looked into the Dyatlov

1995

01:38:08,280 --> 01:38:04,510

pass incident I mean that's always been

1996

01:38:11,700 --> 01:38:08,290

just fascinating oh yes absolutely

1997

01:38:13,500 --> 01:38:11,710

absolutely and we presented in in our

1998

01:38:15,120 --> 01:38:13,510

earlier books not in this one it has

1999

01:38:16,770 --> 01:38:15,130

nothing to do with it but it's a

2000

01:38:19,410 --> 01:38:16,780

fascinating and complicated case because

2001

01:38:22,230 --> 01:38:19,420

nobody knows till the end what killed

2002

01:38:23,670 --> 01:38:22,240

them right but we have our own idea we

2003

01:38:26,070 --> 01:38:23,680

have our own presentation but it has

2004

01:38:29,880 --> 01:38:26,080

nothing to do with UFOs yourselves and

2005

01:38:32,580 --> 01:38:29,890

I've studied it before and something

2006

01:38:36,720 --> 01:38:32,590

that we we will publish more about later

2007

01:38:39,330 --> 01:38:36,730

but this case is by no means ended but I

2008

01:38:42,230 --> 01:38:39,340

gotta tell you that you know you are so

2009

01:38:47,100 --> 01:38:42,240

booked we had we have very interesting

2010

01:38:51,600 --> 01:38:47,110

ideas no information about various

2011

01:38:56,520 --> 01:38:51,610

physical impact on human psyche because

2012

01:39:00,030 --> 01:38:56,530

not everything we see I would say I have

2013

01:39:01,460 --> 01:39:00,040

to agree with Evgeny Litvinov he's in

2014

01:39:03,920 --> 01:39:01,470

our book one of the

2015

01:39:05,660 --> 01:39:03,930

active former Soviet military naval

2016

01:39:08,720 --> 01:39:05,670

meter people who collect information

2017

01:39:11,150 --> 01:39:08,730

about us source he says that about 70

2018

01:39:14,840 --> 01:39:11,160

percent should be explained and can be

2019

01:39:17,210 --> 01:39:14,850

explained as military tests you know and

2020

01:39:20,060 --> 01:39:17,220

other phenomena in a known natural

2021

01:39:22,520 --> 01:39:20,070

phenomena but definitely thirty percent

2022

01:39:27,230 --> 01:39:22,530

cannot be explained and I would say of

2023

01:39:30,920 --> 01:39:27,240

the 30 percent 10 percent defy any

2024

01:39:33,650 --> 01:39:30,930

explanation we can have in our world

2025

01:39:36,350 --> 01:39:33,660

and people sometimes see things that

2026

01:39:38,600 --> 01:39:36,360

they mistake for UFOs and u.s. owes and

2027

01:39:41,750 --> 01:39:38,610

that's why the government's don't like

2028

01:39:44,120 --> 01:39:41,760

people to see to work up too much in the

2029

01:39:46,250 --> 01:39:44,130

sky or underwater ones and then they

2030

01:39:51,560 --> 01:39:46,260

have hired people who can explain it

2031

01:39:55,010 --> 01:39:51,570

away to bonk it but but we still don't

2032

01:39:57,380 --> 01:39:55,020

know all the physical world around us

2033

01:40:01,490 --> 01:39:57,390

and in our chapter about the Arctic

2034

01:40:05,600 --> 01:40:01,500

Ocean you will see a description that

2035

01:40:10,040 --> 01:40:05,610

came out in the 1950s in the Soviet

2036

01:40:13,670 --> 01:40:10,050

Union based on that Stalin's secret

2037

01:40:15,920 --> 01:40:13,680

program to study the Arctic most of the

2038

01:40:20,060 --> 01:40:15,930

information is unavailable but what came

2039

01:40:24,110 --> 01:40:20,070

out and what the Soviet airmen had

2040

01:40:26,960 --> 01:40:24,120

observed on the ice floes in the Arctic

2041

01:40:29,390 --> 01:40:26,970

is fascinating and sometimes in many

2042

01:40:32,570 --> 01:40:29,400

ways it brings me back to the Edgar

2043

01:40:34,700 --> 01:40:32,580

Allan Poe description of the Antarctic

2044

01:40:38,900 --> 01:40:34,710

very strange book that he had a body

2045

01:40:40,960 --> 01:40:38,910

Antarctic oh you know ocean and I mean

2046

01:40:43,550 --> 01:40:40,970

the Antarctic land and the air you know

2047

01:40:46,010 --> 01:40:43,560

happenings around we know very little

2048

01:40:48,260 --> 01:40:46,020

about the South Pole the North Pole

2049

01:40:51,740 --> 01:40:48,270

what's going on there yes but there are

2050

01:40:53,480 --> 01:40:51,750

those who who have to and you know your

2051

01:40:56,330 --> 01:40:53,490

hair will stand up when you read the

2052

01:40:59,450 --> 01:40:56,340

story that they presented yeah you know

2053

01:41:01,220 --> 01:40:59,460

it's a I think there's we know more

2054

01:41:04,160 --> 01:41:01,230

about the surface of the Moon than we do

2055

01:41:07,040 --> 01:41:04,170

about the oceans and it's it is very

2056

01:41:10,940 --> 01:41:07,050

intriguing this subject of us OS has

2057

01:41:12,860 --> 01:41:10,950

been very intriguing to me because of

2058

01:41:15,359 --> 01:41:12,870

what a great place to hide if something

2059

01:41:18,479 --> 01:41:15,369

can you know there's so many

2060

01:41:20,490 --> 01:41:18,489

there's so many cases and I'm sure you

2061

01:41:23,310 --> 01:41:20,500

know a lot of them are probably a lot in

2062

01:41:24,780 --> 01:41:23,320

your book where the thing just flies in

2063

01:41:27,930 --> 01:41:24,790

the sky and then right into the water

2064

01:41:30,629 --> 01:41:27,940

and almost like at the same speed just

2065

01:41:32,490 --> 01:41:30,639

fascinate or through the ice and yeah

2066

01:41:35,250 --> 01:41:32,500

yeah so they are breaking the ice

2067

01:41:37,680 --> 01:41:35,260

yeah yeah Allah we have a lot of K which

2068

01:41:40,800 --> 01:41:37,690

is very interesting you know and then

2069

01:41:43,709 --> 01:41:40,810

you know subject the objects that change

2070

01:41:47,399 --> 01:41:43,719

shape or move around and yeah speeds we

2071

01:41:49,439 --> 01:41:47,409

cannot even fathom you know we cannot

2072

01:41:52,379 --> 01:41:49,449

explain it and you know there were

2073

01:41:54,149 --> 01:41:52,389

interesting cases of interaction and you

2074

01:41:57,000 --> 01:41:54,159

will see I don't want to spoil the mood

2075

01:42:01,050 --> 01:41:57,010

but people will see what's going on

2076

01:42:08,189 --> 01:42:01,060

sometimes Soviets was their aircraft or

2077

01:42:11,910 --> 01:42:08,199

other craft you know when encountering

2078

01:42:14,280 --> 01:42:11,920

UFOs and u.s. owes and again they were

2079

01:42:17,250 --> 01:42:14,290

scared they were definitely scared and

2080

01:42:20,129 --> 01:42:17,260

to me it seems like somebody would push

2081

01:42:22,830 --> 01:42:20,139

away you know a playful child who gets

2082

01:42:24,899 --> 01:42:22,840

too too curious to know it knows that

2083

01:42:27,810 --> 01:42:24,909

you know they're being pushed away and

2084

01:42:30,240 --> 01:42:27,820

as not so as not to bother their adults

2085

01:42:32,700 --> 01:42:30,250

well if whoever visits this planets are

2086

01:42:35,790 --> 01:42:32,710

the adults you know it's very unusual

2087

01:42:38,280 --> 01:42:35,800

because we have stories of hostility but

2088

01:42:42,209 --> 01:42:38,290

we also have stories of attention to

2089

01:42:47,370 --> 01:42:42,219

ecological damage down to the planet and

2090

01:42:49,770 --> 01:42:47,380

and prevalence of UFO reports from the

2091

01:42:52,560 --> 01:42:49,780

Cold War from the from the hottest

2092

01:42:54,810 --> 01:42:52,570

moment of the Cold War it's like the you

2093

01:42:57,750 --> 01:42:54,820

of UFOs and your sores were always

2094

01:42:59,910 --> 01:42:57,760

present and in our other books we

2095

01:43:03,000 --> 01:42:59,920

describe Soviet space program and

2096

01:43:04,830 --> 01:43:03,010

cosmonaut observations too and what's

2097

01:43:07,550 --> 01:43:04,840

very interesting and it applies to this

2098

01:43:09,930 --> 01:43:07,560

book too is there was a Soviet

2099

01:43:13,050 --> 01:43:09,940

academician one of the top scientists

2100

01:43:16,470 --> 01:43:13,060

who said that when the Soviet during the

2101

01:43:17,609 --> 01:43:16,480

Soviet space program they felt like you

2102

01:43:22,890 --> 01:43:17,619

know they were under a microscope

2103

01:43:25,979 --> 01:43:22,900

because UFOs would be present always or

2104

01:43:28,680 --> 01:43:25,989

almost always had the launches of Soviet

2105

01:43:31,620 --> 01:43:28,690

spacecraft and so forth

2106

01:43:34,709 --> 01:43:31,630

and Russia definitely Russia and the

2107

01:43:37,500 --> 01:43:34,719

ones around presented very interesting

2108

01:43:41,430 --> 01:43:37,510

magnet to them and Ukraine my native

2109

01:43:45,090 --> 01:43:41,440

land as well definitely because not only

2110

01:43:48,020 --> 01:43:45,100

the Black Sea but other areas in Ukraine

2111

01:43:50,880 --> 01:43:48,030

too but again no matter how much

2112

01:43:54,209 --> 01:43:50,890

interesting European cases are

2113

01:43:57,090 --> 01:43:54,219

especially from the Baltic Sea or or the

2114

01:43:59,700 --> 01:43:57,100

North Sea Odin original waters most

2115

01:44:03,200 --> 01:43:59,710

interesting cases I would say take place

2116

01:44:06,150 --> 01:44:03,210

in the Arctic areas in Kamchatka

2117

01:44:07,770 --> 01:44:06,160

Chukotka you'll you know your leaders

2118

01:44:11,490 --> 01:44:07,780

will be able to read the case from

2119

01:44:15,060 --> 01:44:11,500

Kamchatka from 1970 a sinister case of a

2120

01:44:18,870 --> 01:44:15,070

UFO coming you know out from the waters

2121

01:44:21,330 --> 01:44:18,880

of a lake in that area that's very

2122

01:44:23,640 --> 01:44:21,340

interesting and what happens to those

2123

01:44:26,390 --> 01:44:23,650

who observed it you know we have

2124

01:44:29,459 --> 01:44:26,400

numerous stories of various lakes you

2125

01:44:31,830 --> 01:44:29,469

know big ones like by car but also lakes

2126

01:44:37,470 --> 01:44:31,840

in the northern Russia and other areas

2127

01:44:41,070 --> 01:44:37,480

of the country and us OS are observed in

2128

01:44:43,590 --> 01:44:41,080

such Lakes deep water lakes but you know

2129

01:44:45,959 --> 01:44:43,600

not only yeah I was going to ask if

2130

01:44:49,380 --> 01:44:45,969

there were only deep water lakes so

2131

01:44:51,570 --> 01:44:49,390

there are some lakes that are not or

2132

01:44:55,200 --> 01:44:51,580

that are more shallow that there's

2133

01:44:58,439 --> 01:44:55,210

observed as well yeah yeah and the

2134

01:45:00,270 --> 01:44:58,449

attention when you know I'm proud of the

2135

01:45:03,900 --> 01:45:00,280

information we were able to collect and

2136

01:45:06,930 --> 01:45:03,910

some of it came years ago when I just

2137

01:45:10,229 --> 01:45:06,940

started you know getting a lot of it and

2138

01:45:12,240 --> 01:45:10,239

being open to protect my sources in the

2139

01:45:14,490 --> 01:45:12,250

Soviet Union I had to be quiet for a few

2140

01:45:20,370 --> 01:45:14,500

years but it is published in Russian

2141

01:45:23,220 --> 01:45:20,380

mostly articles about UFO research in

2142

01:45:25,950 --> 01:45:23,230

Australia in the United States and we

2143

01:45:29,760 --> 01:45:25,960

published them here and we smuggled into

2144

01:45:33,120 --> 01:45:29,770

the Soviet Union and people were able to

2145

01:45:34,709 --> 01:45:33,130

read about UFO research here in the

2146

01:45:37,410 --> 01:45:34,719

United States when everything else was

2147

01:45:39,510 --> 01:45:37,420

shut down and you couldn't and of course

2148

01:45:42,300 --> 01:45:39,520

there were other publications translated

2149

01:45:45,930 --> 01:45:42,310

but not a lot but after

2150

01:45:48,990 --> 01:45:45,940

I would say 1991 it was like a flood of

2151
01:45:51,570 --> 01:45:49,000
information came out and remember there

2152
01:45:54,960 --> 01:45:51,580
were no tabloids at that time in Russia

2153
01:45:57,300 --> 01:45:54,970
okay now they learned at that time in

2154
01:46:00,870 --> 01:45:57,310
the Soviet Union they didn't know people

2155
01:46:06,710 --> 01:46:00,880
were eager to share information to

2156
01:46:08,940 --> 01:46:06,720
present stuff that they knew about so I

2157
01:46:10,020 --> 01:46:08,950
received information we are interesting

2158
01:46:13,470 --> 01:46:10,030
a bottle you know

2159
01:46:15,870 --> 01:46:13,480
observations of one of the lakes around

2160
01:46:20,160 --> 01:46:15,880
st. Petersburg Leningrad at the time and

2161
01:46:23,790 --> 01:46:20,170
I want to turn your readers attention to

2162
01:46:26,190 --> 01:46:23,800
the Ladoga Lake Ladoga and very

2163
01:46:29,670 --> 01:46:26,200

interesting cases and a few others on

2164

01:46:34,110 --> 01:46:29,680

Niaga and there is more than that I know

2165

01:46:36,230 --> 01:46:34,120

very serious researchers who had

2166

01:46:39,960 --> 01:46:36,240

published a number of books in Russia

2167

01:46:42,420 --> 01:46:39,970

for diligent and dedicate their life to

2168

01:46:46,020 --> 01:46:42,430

UFO research and they believe that there

2169

01:46:49,770 --> 01:46:46,030

is an underwater base in Lake Ladoga

2170

01:46:51,300 --> 01:46:49,780

and they present their facts very

2171

01:46:53,580 --> 01:46:51,310

interesting and I have to agree with

2172

01:46:56,280 --> 01:46:53,590

them because I there is definitely

2173

01:47:00,300 --> 01:46:56,290

something down down below and that area

2174

01:47:02,850 --> 01:47:00,310

is heavily militarized around st.

2175

01:47:04,580 --> 01:47:02,860

Petersburg in the Leningrad region it

2176
01:47:08,520 --> 01:47:04,590
has to be because they're right next to

2177
01:47:14,220 --> 01:47:08,530
NATO and Scandinavia and outside of any

2178
01:47:16,820 --> 01:47:14,230
political what should I say I don't want

2179
01:47:21,170 --> 01:47:16,830
to say fighting but any political

2180
01:47:24,870 --> 01:47:21,180
disagreements there may be for sure a

2181
01:47:28,380 --> 01:47:24,880
Russian army and navy today understand

2182
01:47:31,620 --> 01:47:28,390
and know about observations of us oppose

2183
01:47:34,950 --> 01:47:31,630
and other strange phenomena in the in

2184
01:47:37,290 --> 01:47:34,960
their part of the world and even the KGB

2185
01:47:39,150 --> 01:47:37,300
and we describe it by the way it was

2186
01:47:42,620 --> 01:47:39,160
very that's why I want to say it and you

2187
01:47:46,020 --> 01:47:42,630
know they knew about the Kola Peninsula

2188
01:47:47,940 --> 01:47:46,030

phenomena very unusual lakes and your

2189

01:47:50,340 --> 01:47:47,950

readers will understand and other

2190

01:47:56,220 --> 01:47:50,350

information they knew about it back in

2191

01:47:59,370 --> 01:47:56,230

1920s because there was in that time

2192

01:48:01,710 --> 01:47:59,380

there was a research conducted by the

2193

01:48:05,010 --> 01:48:01,720

KGB of the time it was called

2194

01:48:07,020 --> 01:48:05,020

differently and they collected a lot of

2195

01:48:08,790 --> 01:48:07,030

interesting information and sent out

2196

01:48:13,770 --> 01:48:08,800

expeditions especial to the Kola

2197

01:48:19,100 --> 01:48:13,780

Peninsula and in the 1938 it came to the

2198

01:48:23,670 --> 01:48:19,110

end because the head of this research

2199

01:48:28,290 --> 01:48:23,680

KGB general very very interesting person

2200

01:48:31,290 --> 01:48:28,300

he was purged and people around him were

2201

01:48:33,660 --> 01:48:31,300

executed including the top Russian

2202

01:48:38,340 --> 01:48:33,670

scientist birchen Co who was involved in

2203

01:48:44,130 --> 01:48:38,350

it and files the files had disappeared

2204

01:48:46,200 --> 01:48:44,140

and gone probably not completely

2205

01:48:48,570 --> 01:48:46,210

I'm sure the Soviet Russian government

2206

01:48:52,800 --> 01:48:48,580

of this has those files but what people

2207

01:48:55,380 --> 01:48:52,810

try to find them later and it was a very

2208

01:48:57,210 --> 01:48:55,390

unusual research and had a lot of active

2209

01:49:00,690 --> 01:48:57,220

people but again most of them perished

2210

01:49:03,050 --> 01:49:00,700

and we don't know what happened but what

2211

01:49:06,810 --> 01:49:03,060

we do know is that the Kola Peninsula

2212

01:49:08,700 --> 01:49:06,820

was of great interest to the Soviet

2213

01:49:11,460 --> 01:49:08,710

Union in the early days of the Soviet

2214

01:49:15,570 --> 01:49:11,470

government and their friends in Nazi

2215

01:49:17,010 --> 01:49:15,580

Germany were as much interested as the

2216

01:49:20,430 --> 01:49:17,020

Soviets were because they were good

2217

01:49:24,900 --> 01:49:20,440

friends until a certain time in the

2218

01:49:27,900 --> 01:49:24,910

nineteen thirties and Nazi Germany tried

2219

01:49:30,300 --> 01:49:27,910

to wrestle Kola Peninsula away from the

2220

01:49:32,690 --> 01:49:30,310

Soviet government when the world war two

2221

01:49:37,610 --> 01:49:32,700

started but the Soviets were able to

2222

01:49:42,840 --> 01:49:37,620

protect it however there were Nazi

2223

01:49:45,180 --> 01:49:42,850

espionage missions to the area and you

2224

01:49:49,229 --> 01:49:45,190

know they found some artifacts and so

2225

01:49:52,620 --> 01:49:49,239

forth so those who read my our book will

2226

01:49:54,930 --> 01:49:52,630

understand why and again this is the

2227

01:50:01,260 --> 01:49:54,940

area of the concentration Soviet of

2228

01:50:06,979 --> 01:50:01,270

these Russian naval power and submarine

2229

01:50:10,160 --> 01:50:06,989

bases same area where you as ozan UFOs

2230

01:50:13,460 --> 01:50:10,170

visited late 1970s now

2231

01:50:16,100 --> 01:50:13,470

ages and we present a lot of cases in

2232

01:50:19,940 --> 01:50:16,110

our book yeah have a question up here

2233

01:50:21,550 --> 01:50:19,950

for you do you and then we're almost

2234

01:50:24,050 --> 01:50:21,560

running out of time pretty soon here

2235

01:50:27,970 --> 01:50:24,060

they want to know if you know of any

2236

01:50:30,800 --> 01:50:27,980

cases around the car path Carpathian

2237

01:50:34,880 --> 01:50:30,810

Mountains near the current Ukraine and

2238

01:50:36,980 --> 01:50:34,890

southern Poland border actually Makaha

2239

01:50:39,410 --> 01:50:36,990

yes there were a number of cases would

2240

01:50:42,110 --> 01:50:39,420

present another books one of them was in

2241

01:50:47,000 --> 01:50:42,120

the from the comes from the CSKA program

2242

01:50:49,520 --> 01:50:47,010

fiery fears flying and encountering

2243

01:50:53,720 --> 01:50:49,530

Soviet aircraft I think it was from 1984

2244

01:50:55,430 --> 01:50:53,730

yes there were cases actually I keep up

2245

01:50:58,010 --> 01:50:55,440

with the developments in the Ukrainian

2246

01:51:02,000 --> 01:50:58,020

your follow Jim just two days ago I read

2247

01:51:04,790 --> 01:51:02,010

about the a large number of UFO

2248

01:51:09,650 --> 01:51:04,800

sightings in the Carpathian Mountains

2249

01:51:11,720 --> 01:51:09,660

area as contrasted to the rest of the

2250

01:51:13,970 --> 01:51:11,730

Ukraine which is very unusual but at the

2251

01:51:18,470 --> 01:51:13,980

same time you need to remember the

2252

01:51:23,500 --> 01:51:18,480

Soviets when they spied on us satellites

2253

01:51:25,910 --> 01:51:23,510

they had they had a secret underground

2254

01:51:27,860 --> 01:51:25,920

installations that local people did not

2255

01:51:29,810 --> 01:51:27,870

know about I know because I married to

2256

01:51:32,090 --> 01:51:29,820

one of the local people they know

2257

01:51:34,460 --> 01:51:32,100

nothing about they nobody knew anything

2258

01:51:37,160 --> 01:51:34,470

about that but after the Soviet Union

2259

01:51:40,190 --> 01:51:37,170

fell apart they found out that you know

2260

01:51:41,810 --> 01:51:40,200

this was the area of the u.s. after of

2261

01:51:43,160 --> 01:51:41,820

the of the station that spies in a

2262

01:51:45,680 --> 01:51:43,170

satellite so yeah there are a lot of

2263

01:51:48,440 --> 01:51:45,690

cases in that part of the world I see

2264

01:51:50,360 --> 01:51:48,450

yeah it sounds like there's a lot of hot

2265

01:51:53,540 --> 01:51:50,370

spots too with what you've discussed

2266

01:51:55,670 --> 01:51:53,550

before now has there ever been any

2267

01:51:59,390 --> 01:51:55,680

discussion or any reports that you're

2268

01:52:04,850 --> 01:51:59,400

aware of of any I'm switching it over to

2269

01:52:07,490 --> 01:52:04,860

UFO any UFO crashes a lot there are a

2270

01:52:11,120 --> 01:52:07,500

lot of information about UFO crashes but

2271

01:52:14,900 --> 01:52:11,130

you know most of them are definitely

2272

01:52:16,970 --> 01:52:14,910

nonsense because the foreign object that

2273

01:52:21,560 --> 01:52:16,980

moves at such speed and so forth to be

2274

01:52:23,780 --> 01:52:21,570

shut down by by our meager you know

2275

01:52:26,300 --> 01:52:23,790

capabilities it's not it's not unusual

2276

01:52:30,530 --> 01:52:26,310

but I don't want to impose my opinion

2277

01:52:32,090 --> 01:52:30,540

and reported cases and in our books we

2278

01:52:34,760 --> 01:52:32,100

present information so I'm very

2279

01:52:37,460 --> 01:52:34,770

interesting some from the Ukrainian

2280

01:52:40,040 --> 01:52:37,470

scientist a military scientist very

2281

01:52:42,380 --> 01:52:40,050

active in the Soviet armed forces who

2282

01:52:45,440 --> 01:52:42,390

claims that yes yes

2283

01:52:48,290 --> 01:52:45,450

missiles did bring down one or two

2284

01:52:51,500 --> 01:52:48,300

so-called UFOs and the technology

2285

01:52:55,520 --> 01:52:51,510

obtained from from the you of all was

2286

01:52:57,920 --> 01:52:55,530

from that UFO was used for Soviets to

2287

01:53:00,680 --> 01:52:57,930

improve their missile capabilities also

2288

01:53:04,010 --> 01:53:00,690

the darling courts case of 1986 again

2289

01:53:06,740 --> 01:53:04,020

very fascinating year 1986 there are pro

2290

01:53:10,010 --> 01:53:06,750

and con all contra opinions of what it

2291

01:53:14,960 --> 01:53:10,020

was was it a UFO or a high-level

2292

01:53:17,720 --> 01:53:14,970

military satellite using you know most

2293

01:53:19,490 --> 01:53:17,730

advanced technology available we still

2294

01:53:21,530 --> 01:53:19,500

don't know but a lot of people do want

2295

01:53:24,920 --> 01:53:21,540

to know yeah Wow

2296

01:53:26,510 --> 01:53:24,930

okay so just one last question because

2297

01:53:29,540 --> 01:53:26,520

we are getting near the end here and

2298

01:53:31,190 --> 01:53:29,550

that is can you go into right at the

2299

01:53:34,520 --> 01:53:31,200

very beginning of the show you mentioned

2300

01:53:37,280 --> 01:53:34,530

these humanoid type things swimming

2301

01:53:39,350 --> 01:53:37,290

without any you know equipment or

2302

01:53:40,910 --> 01:53:39,360

anything like that can you go into a

2303

01:53:43,550 --> 01:53:40,920

little more detail of what they were

2304

01:53:46,970 --> 01:53:43,560

reporting about that and it was at

2305

01:53:49,250 --> 01:53:46,980

freshwater or was that saltwater lake

2306

01:53:51,950 --> 01:53:49,260

baikal you know what you know it's a

2307

01:53:55,250 --> 01:53:51,960

very complicated case and Lake Baikal by

2308

01:54:00,830 --> 01:53:55,260

the way had other incidents including

2309

01:54:02,830 --> 01:54:00,840

the strange and sinister you know fiery

2310

01:54:05,810 --> 01:54:02,840

glow that almost destroyed the Soviet

2311

01:54:07,870 --> 01:54:05,820

contingent and so forth and I I prefer

2312

01:54:10,940 --> 01:54:07,880

that people read about it it's a very

2313

01:54:13,940 --> 01:54:10,950

complicated case and we presented in

2314

01:54:16,010 --> 01:54:13,950

full with the information available to

2315

01:54:18,410 --> 01:54:16,020

us including like I said confirmation

2316

01:54:21,620 --> 01:54:18,420

from a Russian writer who knew quite a

2317

01:54:24,320 --> 01:54:21,630

lot about the territory and so forth and

2318

01:54:27,850 --> 01:54:24,330

the cedcap program scientists who had

2319

01:54:30,980 --> 01:54:27,860

observed some similar being later and

2320

01:54:34,130 --> 01:54:30,990

same year and information from the

2321

01:54:37,340 --> 01:54:34,140

russian naval counterintelligence that

2322

01:54:39,620 --> 01:54:37,350

had to invest

2323

01:54:45,170 --> 01:54:39,630

a similar case not not there but a

2324

01:54:48,290 --> 01:54:45,180

similar being in 1990 so it's a very

2325

01:54:49,940 --> 01:54:48,300

interesting case and I you know I think

2326

01:54:52,790 --> 01:54:49,950

people will like it when they read it

2327

01:54:56,450 --> 01:54:52,800

yeah okay well I didn't know I'd be able

2328

01:54:57,140 --> 01:54:56,460

to ask this question but I we have just

2329

01:55:00,080 --> 01:54:57,150

a minute here

2330

01:55:05,240 --> 01:55:00,090

did besides what you heard about this

2331

01:55:08,180 --> 01:55:05,250

crashed UFO and supposedly reverse

2332

01:55:11,360 --> 01:55:08,190

technology for weapons or whatever it

2333

01:55:15,860 --> 01:55:11,370

was was there talk of more of that you

2334

01:55:17,930 --> 01:55:15,870

always hear about the like the area 51

2335

01:55:20,630 --> 01:55:17,940

you know things like that like this

2336

01:55:22,250 --> 01:55:20,640

reverse technology was has there been

2337

01:55:23,870 --> 01:55:22,260

talk over the years I know you said

2338

01:55:26,660 --> 01:55:23,880

there was a lot of nonsense is that all

2339

01:55:28,730 --> 01:55:26,670

part of the nonsense well there was a

2340

01:55:31,160 --> 01:55:28,740

lot of nonsense a lot of the fabricated

2341

01:55:34,700 --> 01:55:31,170

stories too and there were stories that

2342

01:55:36,200 --> 01:55:34,710

cannot be explained in our books when if

2343

01:55:39,500 --> 01:55:36,210

people are interested in to read about
