

1
00:00:05,059 --> 00:00:04,280
and it hits me oh my gosh this is that

2
00:00:06,140 --> 00:00:05,069
triangle

3
00:00:07,249 --> 00:00:06,150
you know there's explanation for

4
00:00:09,620 --> 00:00:07,259
everything that occurred in the

5
00:00:11,959 --> 00:00:09,630
Rendlesham forest incident that involved

6
00:00:15,340 --> 00:00:11,969
aliens at all it was completely silent

7
00:00:18,560 --> 00:00:15,350
it comes right over our head it's so

8
00:00:20,420 --> 00:00:18,570
classic he's also really standing in the

9
00:00:21,859 --> 00:00:20,430
clearing he turned over to my father and

10
00:00:27,710 --> 00:00:21,869
held his hand and he looked in his eyes

11
00:00:30,320 --> 00:00:27,720
and said we're not alone welcome to

12
00:00:32,720 --> 00:00:30,330
podcast UFO for our live show

13
00:00:36,139 --> 00:00:32,730

we're live every Wednesday at 8 p.m.

14
00:00:38,479 --> 00:00:36,149
Eastern Standard Time a podcast UFO calm

15
00:00:41,389 --> 00:00:38,489
during the show feel free to participate

16
00:00:43,610 --> 00:00:41,399
live in our chat room and don't forget

17
00:00:46,279 --> 00:00:43,620
to Like us on our very active Facebook

18
00:00:49,010 --> 00:00:46,289
page hello and welcome to the show I'm

19
00:00:51,139 --> 00:00:49,020
Martyn Willis your host and we have an

20
00:00:53,840 --> 00:00:51,149
interesting show this evening we have

21
00:00:55,880 --> 00:00:53,850
grant Cameron coming up we're gonna be

22
00:00:58,790 --> 00:00:55,890
talking about not just the presidential

23
00:01:00,970 --> 00:00:58,800
you know UFO thing but a bunch of other

24
00:01:03,680 --> 00:01:00,980
stuff too he wanted to speak about and

25
00:01:06,710 --> 00:01:03,690
before that we have Alejandro Rojas

26
00:01:08,330 --> 00:01:06,720
coming up with the UFO updates in just a

27
00:01:09,770 --> 00:01:08,340
couple of minutes thank you for

28
00:01:11,929 --> 00:01:09,780
supporting the show if you're helping us

29
00:01:14,179 --> 00:01:11,939
out for only two dollars or more per

30
00:01:16,880 --> 00:01:14,189
month you can help pay for some of that

31
00:01:20,149 --> 00:01:16,890
bandwidth that we have cranking up here

32
00:01:21,920 --> 00:01:20,159
and I appreciate if you can't help if

33
00:01:25,280 --> 00:01:21,930
you can't you can still listen to the

34
00:01:27,950 --> 00:01:25,290
show for free every Wednesday at 8 to 10

35
00:01:31,399 --> 00:01:27,960
p.m. he's from Standard Time on podcast

36
00:01:33,890 --> 00:01:31,409
UFO and psn radio you can also listen to

37
00:01:36,410 --> 00:01:33,900
the full entire show on the Dark Matter

38
00:01:38,390 --> 00:01:36,420

digital network that's every Thursday at

39

00:01:41,090 --> 00:01:38,400

10 to midnight

40

00:01:42,350 --> 00:01:41,100

that's Eastern Standard Time alright

41

00:01:44,960 --> 00:01:42,360

that's enough for me how you doing

42

00:01:48,550 --> 00:01:44,970

Alejandro I am well how are you my

43

00:01:51,020 --> 00:01:48,560

friend doing great tonight good

44

00:01:55,340 --> 00:01:51,030

sometimes you get excited to do a show

45

00:01:57,109 --> 00:01:55,350

sometimes you know yeah like huh but mm

46

00:01:58,520 --> 00:01:57,119

and a lot of times has nothing to do

47

00:02:01,039 --> 00:01:58,530

with the guests it's just how your mood

48

00:02:02,569 --> 00:02:01,049

is and I'm just in a great mood so yeah

49

00:02:05,240 --> 00:02:02,579

sometimes you have low energy I'm

50

00:02:08,300 --> 00:02:05,250

usually pretty excited still even if I

51
00:02:10,190 --> 00:02:08,310
have low energy especially if you have

52
00:02:13,670 --> 00:02:10,200
the right guest first of all they could

53
00:02:15,860 --> 00:02:13,680
perk you up and make you happy or or

54
00:02:18,170 --> 00:02:15,870
you can just like be like okay you could

55
00:02:21,190 --> 00:02:18,180
you ask a few questions and they they

56
00:02:24,920 --> 00:02:21,200
kind of take let them take charge and

57
00:02:26,990 --> 00:02:24,930
give the information yeah which I don't

58
00:02:29,660 --> 00:02:27,000
mind anyway I don't mind either but you

59
00:02:32,089 --> 00:02:29,670
have to say in your toes because you do

60
00:02:33,530 --> 00:02:32,099
yeah you can easily even they can all of

61
00:02:36,649 --> 00:02:33,540
a sudden say you know what I'm talking

62
00:02:38,809 --> 00:02:36,659
about and then you say uh what yeah yeah

63
00:02:41,599 --> 00:02:38,819

oh I'm always in the conversation but

64

00:02:46,159 --> 00:02:41,609

plus you gotta be ready to have the BS

65

00:02:50,929 --> 00:02:46,169

card ready that's true just the drop

66

00:02:55,399 --> 00:02:50,939

button so what's going on for UFO news

67

00:02:57,860 --> 00:02:55,409

yeah oh there's some UFOs out there so

68

00:03:00,530 --> 00:02:57,870

let's see of course

69

00:03:02,209 --> 00:03:00,540

the tablets are still running bs just to

70

00:03:04,190 --> 00:03:02,219

keep everybody up to date on that I

71

00:03:08,089 --> 00:03:04,200

don't think there is one that kind of

72

00:03:10,459 --> 00:03:08,099

made some news though in Bolton a town

73

00:03:12,289 --> 00:03:10,469

of Bolton and actually I'm gonna be

74

00:03:13,490 --> 00:03:12,299

writing that up and in fact let me write

75

00:03:15,170 --> 00:03:13,500

that up and I'll give you more

76

00:03:16,819 --> 00:03:15,180

information on that next week I'll

77

00:03:19,969 --> 00:03:16,829

probably have the story up later today

78

00:03:23,300 --> 00:03:19,979

but alright just people might have heard

79

00:03:25,339 --> 00:03:23,310

of this video and Bolton and I'll

80

00:03:26,809 --> 00:03:25,349

explain it we do have it in our daily

81

00:03:29,210 --> 00:03:26,819

headlines and I'll hopefully have this

82

00:03:32,000 --> 00:03:29,220

story up by the end of the day hopefully

83

00:03:34,069 --> 00:03:32,010

by the time your show's over but

84

00:03:37,789 --> 00:03:34,079

essentially these people have their

85

00:03:40,789 --> 00:03:37,799

security camera up and during this short

86

00:03:42,589 --> 00:03:40,799

video they were looking at their

87

00:03:45,860 --> 00:03:42,599

security camera because it's a motion

88

00:03:47,569 --> 00:03:45,870

detector on their cars and they were in

89

00:03:49,670 --> 00:03:47,579

the UK and they were afraid of someone

90

00:03:51,110 --> 00:03:49,680

breaking in or something the camera

91

00:03:53,809 --> 00:03:51,120

comes on for a little while it's only

92

00:03:55,759 --> 00:03:53,819

like 40 seconds or so a lot of people

93

00:03:57,710 --> 00:03:55,769

are like where's the rest of the video

94

00:03:59,990 --> 00:03:57,720

but there is no more video what

95

00:04:02,960 --> 00:04:00,000

triggered the camera they're not sure

96

00:04:05,089 --> 00:04:02,970

they say probably their cat but what's

97

00:04:09,080 --> 00:04:05,099

interesting is over the rooftops you see

98

00:04:11,330 --> 00:04:09,090

about 20 seconds into the video in

99

00:04:15,649 --> 00:04:11,340

between a couple of the rooftops you

100

00:04:16,879 --> 00:04:15,659

there's a white orb that kind of goes by

101
00:04:19,279 --> 00:04:16,889
at first you're kind of like oh maybe

102
00:04:20,870 --> 00:04:19,289
it's just a meteorite but then you see

103
00:04:23,420 --> 00:04:20,880
it come on

104
00:04:26,480 --> 00:04:23,430
you know another behind another house

105
00:04:27,170 --> 00:04:26,490
and then it turns and goes in front of

106
00:04:30,950 --> 00:04:27,180
that how

107
00:04:34,040 --> 00:04:30,960
and then the video ends so very very

108
00:04:36,469 --> 00:04:34,050
strange or video especially when

109
00:04:38,450 --> 00:04:36,479
something turns you know and yeah I can

110
00:04:42,350 --> 00:04:38,460
explain away a lot of like the straight

111
00:04:45,020 --> 00:04:42,360
line and a movement of lights or or what

112
00:04:47,990 --> 00:04:45,030
may look like an orb but when that turns

113
00:04:55,840 --> 00:04:48,000

that becomes a lot trickier to then you

114

00:04:59,450 --> 00:04:55,850

gotta say WTF this is that is strange eh

115

00:05:03,439 --> 00:04:59,460

that's right see and by the way I don't

116

00:05:08,060 --> 00:05:03,449

say bad word so when I say AF or WTF I

117

00:05:13,310 --> 00:05:08,070

mean what the Frick uh or or that is

118

00:05:15,590 --> 00:05:13,320

crazy AF is as flip ya just I I don't

119

00:05:18,320 --> 00:05:15,600

mean the other word I mean flip

120

00:05:21,200 --> 00:05:18,330

typically when I refer to app I see just

121

00:05:24,529 --> 00:05:21,210

show people now yeah just just in case

122

00:05:26,930 --> 00:05:24,539

your kids are listening yeah there's a

123

00:05:30,219 --> 00:05:26,940

there's a couple other crazy AF videos

124

00:05:33,170 --> 00:05:30,229

out there though - at least pictures

125

00:05:35,390 --> 00:05:33,180

yeah one of these is in Washington DC

126

00:05:37,490 --> 00:05:35,400

this is a Roger Marsh story he's a

127

00:05:39,110 --> 00:05:37,500

director of MUFON our director of

128

00:05:42,140 --> 00:05:39,120

communication from MUFON who writes for

129

00:05:44,570 --> 00:05:42,150

us MUFON cases and this is a worm like

130

00:05:47,870 --> 00:05:44,580

object that they said person said was

131

00:05:51,110 --> 00:05:47,880

hovering in the sky at about 40 feet it

132

00:05:53,390 --> 00:05:51,120

almost looks like a balloon like a those

133

00:05:56,689 --> 00:05:53,400

long balloons you you make animal shapes

134

00:05:59,629 --> 00:05:56,699

with but it's no real shape you can

135

00:06:03,350 --> 00:05:59,639

distinguish but this was about 11:00

136

00:06:05,060 --> 00:06:03,360

a.m. on October 2nd this person saw this

137

00:06:07,010 --> 00:06:05,070

up in the sky kind of freaked out and

138

00:06:09,920 --> 00:06:07,020

said what the heck is that he said he

139

00:06:12,379 --> 00:06:09,930

ran over he took a cup of pictures then

140

00:06:15,050 --> 00:06:12,389

ran over to get a better picture closer

141

00:06:18,439 --> 00:06:15,060

to the object and the object was gone

142

00:06:20,839 --> 00:06:18,449

it disappeared he called it a worm like

143

00:06:23,540 --> 00:06:20,849

shape and you can kind of see what it

144

00:06:26,060 --> 00:06:23,550

means somebody kind of being funny said

145

00:06:29,360 --> 00:06:26,070

it looks like the symbol for you know

146

00:06:32,029 --> 00:06:29,370

formally known as the symbol that Prince

147

00:06:35,719 --> 00:06:32,039

used for his name for a period of time

148

00:06:38,589 --> 00:06:35,729

but it is a really strange picture of

149

00:06:40,500 --> 00:06:38,599

some object floating you can see a

150

00:06:44,160 --> 00:06:40,510

apartment complex

151

00:06:47,570 --> 00:06:44,170

close to the person and it's just past

152

00:06:50,400 --> 00:06:47,580

to that so it's not too high in the sky

153

00:06:53,550 --> 00:06:50,410

but yeah this it's pretty weird pretty

154

00:06:56,670 --> 00:06:53,560

weird one yeah yeah I looked at that and

155

00:06:59,910 --> 00:06:56,680

mm-hmm I know it looks uh I think this

156

00:07:04,020 --> 00:06:59,920

is uh last week you did a report on like

157

00:07:05,880 --> 00:07:04,030

another biomorphic type shape uh-huh and

158

00:07:08,790 --> 00:07:05,890

that's kind of what this looks like -

159

00:07:11,520 --> 00:07:08,800

yeah really strange there was another

160

00:07:13,920 --> 00:07:11,530

one in Colorado superior Colorado which

161

00:07:16,920 --> 00:07:13,930

is near Boulder this person said he

162

00:07:20,460 --> 00:07:16,930

caught a five metallic like objects on

163

00:07:22,500 --> 00:07:20,470

his photograph he felt that the object

164

00:07:25,250 --> 00:07:22,510

was about thirty thousand feet not sure

165

00:07:28,560 --> 00:07:25,260

how this person determined that but

166

00:07:31,170 --> 00:07:28,570

these objects are really weird they kind

167

00:07:34,170 --> 00:07:31,180

of look like something that is

168

00:07:36,240 --> 00:07:34,180

reflective to me they they look more

169

00:07:39,300 --> 00:07:36,250

translucent but perhaps it's because

170

00:07:43,080 --> 00:07:39,310

they're far away this person felt that

171

00:07:45,030 --> 00:07:43,090

they look like they were metal but this

172

00:07:47,580 --> 00:07:45,040

person said they seem to fluctuate in

173

00:07:49,170 --> 00:07:47,590

bright yes he said potentially from

174

00:07:51,270 --> 00:07:49,180

changing its position with respect to

175

00:07:54,780 --> 00:07:51,280

the Sun which it does seem to be the

176

00:07:57,210 --> 00:07:54,790

bright spots are reflections they said

177

00:07:59,010 --> 00:07:57,220

that this was you know they were able to

178

00:08:03,240 --> 00:07:59,020

use their digital zoom to get the

179

00:08:05,400 --> 00:08:03,250

picture they used a Nikon SLR they took

180

00:08:07,800 --> 00:08:05,410

the pictures of the objects and then the

181

00:08:10,350 --> 00:08:07,810

objects disappeared they say so did you

182

00:08:12,570 --> 00:08:10,360

see those pictures I did not you know

183

00:08:15,140 --> 00:08:12,580

but this kind of reminds me when I was

184

00:08:18,390 --> 00:08:15,150

helping with your show yesterday

185

00:08:20,790 --> 00:08:18,400

you jokingly said keep your eyes you

186

00:08:22,290 --> 00:08:20,800

know since I was outside oh yeah

187

00:08:26,010 --> 00:08:22,300

look up at the sky and then I said right

188

00:08:27,720 --> 00:08:26,020

after we quit recording I said you're

189

00:08:30,110 --> 00:08:27,730

not gonna believe this but I see

190

00:08:32,760 --> 00:08:30,120

something in the sky a bright light and

191

00:08:34,950 --> 00:08:32,770

I realized that what it was was a

192

00:08:37,170 --> 00:08:34,960

reflection of the Sun which was going

193

00:08:40,590 --> 00:08:37,180

down off of probably off of an airplane

194

00:08:42,510 --> 00:08:40,600

because it like disappeared also so I'm

195

00:08:44,160 --> 00:08:42,520

wondering if the that's kind of you know

196

00:08:46,080 --> 00:08:44,170

I'm not saying it is for sure but I'm

197

00:08:48,060 --> 00:08:46,090

wondering if it's possible that's what

198

00:08:50,340 --> 00:08:48,070

they were seeing could be I don't know

199

00:08:53,370 --> 00:08:50,350

what the heck it's just like I said it's

200

00:08:55,260 --> 00:08:53,380

strange AF so really weird when

201
00:08:57,020 --> 00:08:55,270
I'll just throw another one in there if

202
00:09:00,240 --> 00:08:57,030
that's okay yeah

203
00:09:03,090 --> 00:09:00,250
West Virginia Barbara County another

204
00:09:06,510 --> 00:09:03,100
MUFON case for lights in a triangle

205
00:09:12,840 --> 00:09:06,520
shape says the witness they posted a

206
00:09:14,790 --> 00:09:12,850
video people on the GaN YouTube looked

207
00:09:18,540 --> 00:09:14,800
at the video and said this is lame

208
00:09:21,420 --> 00:09:18,550
AAF and the reason why is because it

209
00:09:24,030 --> 00:09:21,430
just it's a very poor video and this

210
00:09:26,400 --> 00:09:24,040
person says he has a crappy Android that

211
00:09:29,010 --> 00:09:26,410
doesn't take good videos but luckily

212
00:09:31,830 --> 00:09:29,020
this person took pictures and in the

213
00:09:33,720 --> 00:09:31,840

story Roger posted he put the pictures

214

00:09:35,280 --> 00:09:33,730

in there so the video is not very

215

00:09:36,780 --> 00:09:35,290

impressive at all you would just think

216

00:09:40,350 --> 00:09:36,790

it's Venus or something this guy is

217

00:09:43,140 --> 00:09:40,360

mistaken for something strange he took

218

00:09:46,530 --> 00:09:43,150

this video at 6:18 a.m. when he got up

219

00:09:48,030 --> 00:09:46,540

and was at work him and his co-workers

220

00:09:50,370 --> 00:09:48,040

were on this hill and they were getting

221

00:09:54,060 --> 00:09:50,380

their machinery out not sure what he

222

00:09:57,510 --> 00:09:54,070

does to do their job when he saw it this

223

00:10:01,530 --> 00:09:57,520

was on September 5th it was still dark

224

00:10:02,970 --> 00:10:01,540

out and the pictures are strange so we

225

00:10:05,310 --> 00:10:02,980

took these pictures and zoomed in and

226

00:10:07,080 --> 00:10:05,320

he's like what the heck is this and one

227

00:10:09,120 --> 00:10:07,090

of the pictures you can see that this is

228

00:10:12,480 --> 00:10:09,130

not just one light in the sky you can

229

00:10:14,850 --> 00:10:12,490

clearly see it's four lights three of

230

00:10:17,400 --> 00:10:14,860

those lights are in a line and then one

231

00:10:20,490 --> 00:10:17,410

of the lights is below the light on the

232

00:10:24,090 --> 00:10:20,500

left and so it is sort of a triangular

233

00:10:26,010 --> 00:10:24,100

shape so this is weird you know with

234

00:10:27,540 --> 00:10:26,020

just looking at the video alone I can

235

00:10:31,200 --> 00:10:27,550

see why the people on YouTube were

236

00:10:35,280 --> 00:10:31,210

saying this is stupid but when you look

237

00:10:37,230 --> 00:10:35,290

at the pictures it is really strange so

238

00:10:40,230 --> 00:10:37,240

in another good one some strange stuff

239

00:10:43,260 --> 00:10:40,240

Roger has been getting out of the MUFON

240

00:10:46,560 --> 00:10:43,270

files here yeah yeah I know a lot of

241

00:10:48,570 --> 00:10:46,570

times the videos just do not do any

242

00:10:52,710 --> 00:10:48,580

justice to what right you're seeing no

243

00:10:54,240 --> 00:10:52,720

matter what you're videoing on a phone

244

00:10:58,380 --> 00:10:54,250

and that technology is gonna get better

245

00:11:01,800 --> 00:10:58,390

I know so mm-hmm we'll have better

246

00:11:04,860 --> 00:11:01,810

better videos in the future I imagine I

247

00:11:06,720 --> 00:11:04,870

should probably yeah if we make it maybe

248

00:11:08,340 --> 00:11:06,730

like holo cameras do you

249

00:11:09,990 --> 00:11:08,350

that would be something in the future

250

00:11:13,139 --> 00:11:10,000

wait a minute did you just say if we

251
00:11:15,930 --> 00:11:13,149
make it if we may get um through the

252
00:11:18,389 --> 00:11:15,940
bottleneck of technology assistance yeah

253
00:11:21,930 --> 00:11:18,399
I mean you know with all the nukes out

254
00:11:25,079 --> 00:11:21,940
there and it's a dangerous world my

255
00:11:28,439 --> 00:11:25,089
friend a dangerous world it is on that

256
00:11:30,900 --> 00:11:28,449
note do you have anything else well I

257
00:11:35,509 --> 00:11:30,910
don't want to leave on a sad note what

258
00:11:40,160 --> 00:11:35,519
would be something happy I could say II

259
00:11:45,720 --> 00:11:40,170
oh well things I don't want to bring up

260
00:11:47,910 --> 00:11:45,730
politics that's not happy I got an idea

261
00:11:48,990 --> 00:11:47,920
whether it's great out here that's right

262
00:11:51,660 --> 00:11:49,000
it's a really good time of year for

263
00:11:53,759 --> 00:11:51,670

weather out there yeah but let me just

264

00:11:56,250 --> 00:11:53,769

ask you this have you I know February's

265

00:11:59,340 --> 00:11:56,260

a long way off it is but I'm still

266

00:12:01,439 --> 00:11:59,350

excited already for coming out yes did

267

00:12:03,480 --> 00:12:01,449

you have have you had any new guests

268

00:12:06,329 --> 00:12:03,490

since the last time you brought up the

269

00:12:08,100 --> 00:12:06,339

guest list I don't know that's a good

270

00:12:11,069 --> 00:12:08,110

question because I can't remember when I

271

00:12:12,900 --> 00:12:11,079

brought up the guest list last I think I

272

00:12:15,090 --> 00:12:12,910

do tell you about John Alexander it's

273

00:12:18,360 --> 00:12:15,100

funny there was one person who posted

274

00:12:20,160 --> 00:12:18,370

and said Oh your lineup looks awesome

275

00:12:22,079 --> 00:12:20,170

it's incredible I'm so excited but why

276

00:12:25,590 --> 00:12:22,089

the heck are you having John Alexander

277

00:12:27,120 --> 00:12:25,600

he's a disinformation agent but what's

278

00:12:28,980 --> 00:12:27,130

interesting and and it's it's

279

00:12:33,120 --> 00:12:28,990

frustrating that people say stuff like

280

00:12:36,590 --> 00:12:33,130

that because you know just because

281

00:12:39,720 --> 00:12:36,600

someone has a different point of view

282

00:12:41,400 --> 00:12:39,730

however and some of your listeners are

283

00:12:44,129 --> 00:12:41,410

gonna be like she's really is well then

284

00:12:45,870 --> 00:12:44,139

prove it tell me what makes you feel

285

00:12:48,689 --> 00:12:45,880

this way except for it's just your

286

00:12:50,699 --> 00:12:48,699

opinion because of what he says I don't

287

00:12:54,329 --> 00:12:50,709

feel that anything he's saying is so

288

00:12:56,840 --> 00:12:54,339

extraordinarily outlandish that it's not

289

00:12:58,710 --> 00:12:56,850

outside the realm of possibility

290

00:13:00,000 --> 00:12:58,720

essentially at the Air Force doesn't

291

00:13:02,990 --> 00:13:00,010

know what they're doing and they don't

292

00:13:05,639 --> 00:13:03,000

know what the heck to do about UFOs but

293

00:13:07,079 --> 00:13:05,649

this is what's great is that he actually

294

00:13:09,780 --> 00:13:07,089

for the first time is going to be

295

00:13:12,720 --> 00:13:09,790

speaking about his own sighting and so

296

00:13:14,720 --> 00:13:12,730

that's pretty cool and what's weird is

297

00:13:16,980 --> 00:13:14,730

he has it says it has to do with like

298

00:13:18,809 --> 00:13:16,990

healings and all of this other weird

299

00:13:19,730 --> 00:13:18,819

stuff so it's going to be kind of cool

300

00:13:22,370 --> 00:13:19,740

but

301

00:13:24,560 --> 00:13:22,380

otherwise I don't think I even have this

302

00:13:26,420 --> 00:13:24,570

person posted yet but we have confirmed

303

00:13:30,889 --> 00:13:26,430

and I need to do that

304

00:13:33,019 --> 00:13:30,899

Erlang strand so he is a professor from

305

00:13:36,139 --> 00:13:33,029

the University of Norway who has been

306

00:13:38,600 --> 00:13:36,149

investigating the Pez Dylan lights and

307

00:13:42,079 --> 00:13:38,610

what's great is that you know they've

308

00:13:46,010 --> 00:13:42,089

been looking at it as possibly a plasma

309

00:13:49,970 --> 00:13:46,020

sort of phenomena he says no this isn't

310

00:13:52,850 --> 00:13:49,980

plasma this is much stranger and he

311

00:13:55,070 --> 00:13:52,860

feels it does appear to be intelligently

312

00:13:57,829 --> 00:13:55,080

controlled so he's going to give more

313

00:14:01,250 --> 00:13:57,839

information to that effect really great

314

00:14:03,829 --> 00:14:01,260

guy he was at move on I got to meet him

315

00:14:06,710 --> 00:14:03,839

at the MUFON symposium and we're super

316

00:14:12,320 --> 00:14:06,720

excited to have him participating in the

317

00:14:15,170 --> 00:14:12,330

2017 UFO Congress right all right that's

318

00:14:17,240 --> 00:14:15,180

great well thanks so much and we'll be

319

00:14:19,370 --> 00:14:17,250

talking to you next week all right talk

320

00:14:20,900 --> 00:14:19,380

to you soon buddy all righty all right

321

00:14:22,639 --> 00:14:20,910

hanging everyone for the quick music

322

00:14:26,090 --> 00:14:22,649

break we'll be right back with Grant

323

00:15:45,600 --> 00:14:26,100

Cameron we'll be right back with Grant

324

00:15:51,670 --> 00:15:48,730

that music is by Carrie Lloyd Whitehouse

325

00:15:53,110 --> 00:15:51,680

probably for some movie that he has

326

00:15:55,270 --> 00:15:53,120

written that for or something but he's

327

00:15:57,130 --> 00:15:55,280

given us all his music to play here and

328

00:15:59,800 --> 00:15:57,140

there and we have a few other people

329

00:16:03,910 --> 00:15:59,810

that are giving us some music coming up

330

00:16:07,390 --> 00:16:03,920

soon now we have grant Cameron on now

331

00:16:08,770 --> 00:16:07,400

welcome to the show grant welcome thank

332

00:16:11,440 --> 00:16:08,780

you very much for having me I'm Martin I

333

00:16:13,360 --> 00:16:11,450

appreciate it yes I think I didn't look

334

00:16:15,490 --> 00:16:13,370

on my show but I think it's been a few

335

00:16:19,270 --> 00:16:15,500

years I think you were only on for a

336

00:16:21,520 --> 00:16:19,280

short stint catching up on something you

337

00:16:22,510 --> 00:16:21,530

were doing I think at the time then

338

00:16:24,970 --> 00:16:22,520

we'll have lots to talk about

339

00:16:27,610 --> 00:16:24,980

yeah that's right and I did get to meet

340

00:16:31,450 --> 00:16:27,620

you last year over in in Maine you would

341

00:16:32,650 --> 00:16:31,460

mean yes and we were in Canada right yes

342

00:16:34,810 --> 00:16:32,660

right in the middle right above North

343

00:16:36,280 --> 00:16:34,820

Dakota right yeah it's famous for being

344

00:16:40,660 --> 00:16:36,290

the coldest city in the world there's

345

00:16:42,580 --> 00:16:40,670

actually a spot on Mars where during one

346

00:16:44,260 --> 00:16:42,590

point it was colder here than was on

347

00:16:47,230 --> 00:16:44,270

Mars so apparently there's a spot on

348

00:16:49,960 --> 00:16:47,240

Mars that's called Winnipeg oh my

349

00:16:52,030 --> 00:16:49,970

goodness Wow I hadn't I'd no idea that's

350

00:16:54,580 --> 00:16:52,040

where you were oh my god I've heard

351
00:16:58,060 --> 00:16:54,590
about the winters here Wow something

352
00:17:00,340 --> 00:16:58,070
else so grant for the person that has

353
00:17:03,340 --> 00:17:00,350
not heard you I think most people

354
00:17:06,430 --> 00:17:03,350
listening probably know about you I know

355
00:17:09,250 --> 00:17:06,440
you had a sighting back in the 1970s and

356
00:17:11,920 --> 00:17:09,260
that changed everything and all that and

357
00:17:13,630 --> 00:17:11,930
just to let the listener know we have

358
00:17:17,080 --> 00:17:13,640
some questions that came in that I'd

359
00:17:18,610 --> 00:17:17,090
like to ask you during the first part of

360
00:17:19,990 --> 00:17:18,620
the show and then sure we'll get into

361
00:17:21,550 --> 00:17:20,000
other things that you would like to talk

362
00:17:24,480 --> 00:17:21,560
about you sent me a list of a few things

363
00:17:26,830 --> 00:17:24,490

interesting but can you give the

364

00:17:30,010 --> 00:17:26,840

listener that may not have heard you

365

00:17:32,380 --> 00:17:30,020

before kind of a quick nutshell of who

366

00:17:36,400 --> 00:17:32,390

you are and what got your interests

367

00:17:39,070 --> 00:17:36,410

perked up in UFOs okay I've been in it

368

00:17:42,250 --> 00:17:39,080

since 1975 I had a whole series of

369

00:17:44,260 --> 00:17:42,260

sightings in 1975 the only reason that I

370

00:17:46,840 --> 00:17:44,270

ever got involved in UFOs was there's a

371

00:17:49,210 --> 00:17:46,850

small town called Carmen Manitoba which

372

00:17:52,510 --> 00:17:49,220

is about 25 miles from the North Dakota

373

00:17:55,390 --> 00:17:52,520

border just above where all the

374

00:17:57,730 --> 00:17:55,400

missile silos were and this town was

375

00:18:01,150 --> 00:17:57,740

being inundated from about February till

376

00:18:02,860 --> 00:18:01,160

about November of 1975 and the only

377

00:18:03,880 --> 00:18:02,870

reason I went out there was because I

378

00:18:05,260 --> 00:18:03,890

wanted to see what everybody was seeing

379

00:18:06,840 --> 00:18:05,270

I had no interest in UFOs I'd never

380

00:18:09,610 --> 00:18:06,850

thought about extraterrestrial life and

381

00:18:11,230 --> 00:18:09,620

I went out there to see whatever he's

382

00:18:12,790 --> 00:18:11,240

looking at thinking I bought the lottery

383

00:18:15,010 --> 00:18:12,800

ticket there's a chance you can win but

384

00:18:15,910 --> 00:18:15,020

you're not going to win and I could not

385

00:18:17,620 --> 00:18:15,920

believe it this thing flew right in

386

00:18:19,240 --> 00:18:17,630

front of the car down low pretty close

387

00:18:23,290 --> 00:18:19,250

to the car it was not a light in the sky

388

00:18:26,380 --> 00:18:23,300

it was an object and it changed my life

389

00:18:28,240 --> 00:18:26,390

I started to gather all the sightings

390

00:18:30,430 --> 00:18:28,250

after the second night I went back two

391

00:18:31,930 --> 00:18:30,440

nights later had a an encounter with

392

00:18:33,520 --> 00:18:31,940

this thing came right at us the second

393

00:18:36,130 --> 00:18:33,530

night and it was in fairly close again

394

00:18:38,470 --> 00:18:36,140

and at that point I decided that this

395

00:18:40,420 --> 00:18:38,480

was pretty bizarre that why is somebody

396

00:18:42,580 --> 00:18:40,430

not talking to the people in the town

397

00:18:43,750 --> 00:18:42,590

because the rumored was and it was true

398

00:18:45,340 --> 00:18:43,760

that half the people in the town had

399

00:18:45,730 --> 00:18:45,350

seen this thing over this one-year

400

00:18:47,710 --> 00:18:45,740

period

401
00:18:52,300 --> 00:18:47,720
and gathered all that material together

402
00:18:53,620 --> 00:18:52,310
tried to get it published and the local

403
00:18:54,820 --> 00:18:53,630
publisher who should have published it

404
00:18:57,040 --> 00:18:54,830
because there's a famous story around

405
00:18:58,570 --> 00:18:57,050
here said Mr Cameron you may believe in

406
00:19:00,700 --> 00:18:58,580
this kind of stuff count me among men

407
00:19:02,470 --> 00:19:00,710
believers and at that point I said this

408
00:19:04,150 --> 00:19:02,480
is a total waste of time and I

409
00:19:06,640 --> 00:19:04,160
completely lost any interest in

410
00:19:09,460 --> 00:19:06,650
sightings and I was just interested in

411
00:19:10,870 --> 00:19:09,470
what was it that I had seen and who in

412
00:19:12,340 --> 00:19:10,880
the world who in the world had the

413
00:19:15,880 --> 00:19:12,350

answer to what I'd seen so that was

414

00:19:18,160 --> 00:19:15,890

that's the from Saved 1977 until now

415

00:19:19,990 --> 00:19:18,170

that has been my pursuit is to find out

416

00:19:23,170 --> 00:19:20,000

who's got the answer who should we be

417

00:19:24,850 --> 00:19:23,180

listening to and my sort of underlying

418

00:19:28,990 --> 00:19:24,860

belief that somebody has to know what's

419

00:19:31,420 --> 00:19:29,000

going on yeah you know I I wonder that I

420

00:19:34,600 --> 00:19:31,430

I have said a few times on the show too

421

00:19:36,520 --> 00:19:34,610

that perhaps they know something like

422

00:19:40,630 --> 00:19:36,530

say let's just say some part of the US

423

00:19:43,870 --> 00:19:40,640

government you know will agree and knows

424

00:19:45,610 --> 00:19:43,880

that something is going on but the thing

425

00:19:48,190 --> 00:19:45,620

that I've wondered is perhaps they

426

00:19:50,920 --> 00:19:48,200

really don't know in exactly what it is

427

00:19:52,270 --> 00:19:50,930

but want to keep it quiet because if

428

00:19:56,230 --> 00:19:52,280

they don't know they wouldn't know how

429

00:19:57,340 --> 00:19:56,240

to tell the public I used to believe

430

00:20:00,970 --> 00:19:57,350

that I don't believe it anymore

431

00:20:04,000 --> 00:20:00,980

I absolutely believe they know and the

432

00:20:05,950 --> 00:20:04,010

whole catch to the cover-up is that they

433

00:20:09,639 --> 00:20:05,960

want you to think they don't know

434

00:20:12,999 --> 00:20:09,649

because as I say if you look behind the

435

00:20:14,350 --> 00:20:13,009

cover behind the the curtain it is the

436

00:20:16,749 --> 00:20:14,360

President of the United States who was

437

00:20:18,639 --> 00:20:16,759

running the cover-up he is in charge of

438

00:20:21,279 --> 00:20:18,649

everything he is the guy who runs the

439

00:20:24,639 --> 00:20:21,289

military he runs the intelligence he's

440

00:20:26,169 --> 00:20:24,649

the head of the executive branch of the

441

00:20:29,019 --> 00:20:26,179

government if you're dealing with

442

00:20:30,730 --> 00:20:29,029

foreign power with aliens he's the head

443

00:20:33,450 --> 00:20:30,740

of state you cannot have anybody

444

00:20:36,070 --> 00:20:33,460

negotiate except for the head of state

445

00:20:38,560 --> 00:20:36,080

constitutionally he's in the loop so the

446

00:20:41,139 --> 00:20:38,570

what the I believe now is that the

447

00:20:43,180 --> 00:20:41,149

president knows it's unacknowledged

448

00:20:47,379 --> 00:20:43,190

special access which means not only is

449

00:20:49,299 --> 00:20:47,389

it secret

450

00:20:51,159 --> 00:20:49,309

they can't even acknowledge as a program

451
00:20:53,019 --> 00:20:51,169
because to acknowledge the program is

452
00:20:54,669 --> 00:20:53,029
just to invite more questions so you

453
00:20:59,529 --> 00:20:54,679
can't talk about it you have to deny it

454
00:21:03,310 --> 00:20:59,539
exists and you and I say after you say

455
00:21:05,139 --> 00:21:03,320
as a broadcaster if you knew the

456
00:21:06,549 --> 00:21:05,149
president was running the show you and

457
00:21:08,259 --> 00:21:06,559
two thousand other reporters would

458
00:21:10,299 --> 00:21:08,269
descend on the White House lawn and

459
00:21:12,820 --> 00:21:10,309
start asking him questions but if you

460
00:21:15,489 --> 00:21:12,830
think that it's the evil cabal or it's

461
00:21:16,960 --> 00:21:15,499
the Illuminati or its The Wizard of Oz

462
00:21:18,399 --> 00:21:16,970
that's running the cover-up there's

463
00:21:20,200 --> 00:21:18,409

nothing you can do because you can't

464

00:21:21,460 --> 00:21:20,210

interview those people that's just a

465

00:21:23,519 --> 00:21:21,470

solution type thing that I believe

466

00:21:26,379 --> 00:21:23,529

they're trying to put out there is that

467

00:21:28,440 --> 00:21:26,389

Bill Clinton said and if you look at

468

00:21:31,149 --> 00:21:28,450

when Bill Clinton was asked a question

469

00:21:32,950 --> 00:21:31,159

there was a review done by Ben Hansen

470

00:21:35,200 --> 00:21:32,960

who did fact and faked he worked for the

471

00:21:37,600 --> 00:21:35,210

FBI and he can do all the you know the

472

00:21:39,519 --> 00:21:37,610

motions and and what people's reactions

473

00:21:41,320 --> 00:21:39,529

are and how they respond and his

474

00:21:43,149 --> 00:21:41,330

analysis was that Bill Clinton was being

475

00:21:44,259 --> 00:21:43,159

deceptive and Bill Clinton was saying

476

00:21:47,080 --> 00:21:44,269

you know I'm not probably the first

477

00:21:49,509 --> 00:21:47,090

president that that the bureaucrats have

478

00:21:50,680 --> 00:21:49,519

kept in the dark and that bureaucrats

479

00:21:51,580 --> 00:21:50,690

have tried to wade out and all this kind

480

00:21:54,460 --> 00:21:51,590

of stuff that I really didn't know what

481

00:21:55,629 --> 00:21:54,470

was going on and when you review that

482

00:21:58,060 --> 00:21:55,639

thing it looks like he's being deceptive

483

00:22:00,039 --> 00:21:58,070

and that's the that's the party line

484

00:22:02,109 --> 00:22:00,049

that is Brock Obama said that's what

485

00:22:04,060 --> 00:22:02,119

we're told to say when he says it in a

486

00:22:05,680 --> 00:22:04,070

joking manner and that's because

487

00:22:08,169 --> 00:22:05,690

everybody knows what the president lips

488

00:22:09,879 --> 00:22:08,179

if you suddenly realize if it suddenly

489

00:22:12,639 --> 00:22:09,889

becomes known that the president has

490

00:22:13,869 --> 00:22:12,649

been briefed then you know wow I mean

491

00:22:15,430 --> 00:22:13,879

this thing's for real you don't briefed

492

00:22:18,340 --> 00:22:15,440

the President on something that doesn't

493

00:22:19,600 --> 00:22:18,350

exist and everybody knows I know what

494

00:22:21,310 --> 00:22:19,610

the president's phone number I act

495

00:22:24,940 --> 00:22:21,320

no his actual phone number to get into

496

00:22:27,280 --> 00:22:24,950

the president's lying into to the to the

497

00:22:29,980 --> 00:22:27,290

the switchboard at that at the executive

498

00:22:31,780 --> 00:22:29,990

office this is not an unknown number and

499

00:22:34,570 --> 00:22:31,790

everybody knows where he lives

500

00:22:35,860 --> 00:22:34,580

and you end up in his position if it

501
00:22:38,440 --> 00:22:35,870
becomes known the president's briefed

502
00:22:40,780 --> 00:22:38,450
that he starts facing questions and this

503
00:22:42,640 --> 00:22:40,790
almost happened in May of this year I

504
00:22:43,870 --> 00:22:42,650
thought the cover-up was over I thought

505
00:22:45,780 --> 00:22:43,880
it was we were days away from the

506
00:22:49,030 --> 00:22:45,790
cover-up because what had happened is

507
00:22:50,830 --> 00:22:49,040
that Hillary Clinton had not talked

508
00:22:53,169 --> 00:22:50,840
about UFO who says a lot of people put

509
00:22:54,940 --> 00:22:53,179
out she had answered three questions she

510
00:22:56,590 --> 00:22:54,950
had been set up John Podesta set this

511
00:22:58,390 --> 00:22:56,600
thing up to get the reporters to ask her

512
00:23:00,010 --> 00:22:58,400
about aliens so she was asked three

513
00:23:02,440 --> 00:23:00,020

questions and she answered them honestly

514

00:23:04,690 --> 00:23:02,450

she answered them clearly and this

515

00:23:06,370 --> 00:23:04,700

started sort of a firestorm of stories

516

00:23:08,350 --> 00:23:06,380

about Hillary's gonna disclose and all

517

00:23:10,360 --> 00:23:08,360

this kind of stuff and nothing happened

518

00:23:12,460 --> 00:23:10,370

until May the 10th of this year when the

519

00:23:14,710 --> 00:23:12,470

New York Times did a straight-up piece

520

00:23:17,890 --> 00:23:14,720

on UFOs and Hillary Clinton and Hillary

521

00:23:19,870 --> 00:23:17,900

Clinton's gonna disclose and that sort

522

00:23:21,730 --> 00:23:19,880

of broke the dam as soon as the New York

523

00:23:23,380 --> 00:23:21,740

Times did it it was like well this is a

524

00:23:25,120 --> 00:23:23,390

real newspaper I mean it doesn't really

525

00:23:28,120 --> 00:23:25,130

matter if you know some little

526

00:23:29,950 --> 00:23:28,130

rinky-dink podcast puts it out or some

527

00:23:31,510 --> 00:23:29,960

little newspaper puts it out but the New

528

00:23:33,310 --> 00:23:31,520

York Times is actually doing a story

529

00:23:35,409 --> 00:23:33,320

where they're questioning is Hillary

530

00:23:37,750 --> 00:23:35,419

gonna disclose this thing and that

531

00:23:41,200 --> 00:23:37,760

started this this sort of what I've

532

00:23:44,919 --> 00:23:41,210

always said has to happen is you had the

533

00:23:47,200 --> 00:23:44,929

White House press reporters who will not

534

00:23:50,560 --> 00:23:47,210

ask a UFO question and that is because

535

00:23:53,650 --> 00:23:50,570

if you are say working for the NBC or

536

00:23:56,049 --> 00:23:53,660

for Fox or something and you go ask the

537

00:23:58,690 --> 00:23:56,059

dumb UFO question you embarrass the

538

00:24:00,880 --> 00:23:58,700

network and the president calls on

539

00:24:02,049 --> 00:24:00,890

people so the President may decide that

540

00:24:03,460 --> 00:24:02,059

you've embarrassed him that you don't

541

00:24:06,159 --> 00:24:03,470

want that they don't want this question

542

00:24:07,930 --> 00:24:06,169

asked so you end up back you know doing

543

00:24:09,970 --> 00:24:07,940

court reporting and you lose your thing

544

00:24:11,650 --> 00:24:09,980

and it what happens is if you're in the

545

00:24:13,180 --> 00:24:11,660

White House press corps you want to be

546

00:24:15,820 --> 00:24:13,190

respectable you want to ask the question

547

00:24:17,950 --> 00:24:15,830

about you know the economic situation of

548

00:24:19,360 --> 00:24:17,960

Afghanistan or some you know make it

549

00:24:20,710 --> 00:24:19,370

sound like you're smart you want ask

550

00:24:24,010 --> 00:24:20,720

those kinda questions you don't ask dumb

551
00:24:25,870 --> 00:24:24,020
UFO question and the last time before

552
00:24:27,790 --> 00:24:25,880
this happened in May when when all these

553
00:24:30,790 --> 00:24:27,800
questions started to be fired before

554
00:24:32,670 --> 00:24:30,800
that the the last time that White House

555
00:24:35,500 --> 00:24:32,680
press

556
00:24:38,560 --> 00:24:35,510
secretary had taken a question on ufos

557
00:24:40,330 --> 00:24:38,570
was in 1997 when webster hubbell came

558
00:24:42,250 --> 00:24:40,340
forward he wrote a book friends in high

559
00:24:44,620 --> 00:24:42,260
places he's the one that came out and

560
00:24:46,180 --> 00:24:44,630
said before bill was elected when he was

561
00:24:48,580 --> 00:24:46,190
president-elect he had said to my folks

562
00:24:49,900 --> 00:24:48,590
you over them justice I want you to find

563
00:24:52,840 --> 00:24:49,910

out the answer to two questions number

564

00:24:55,000 --> 00:24:52,850

one are the UFOs and who killed JFK and

565

00:24:56,710 --> 00:24:55,010

he said I couldn't get proper answers so

566

00:24:58,570 --> 00:24:56,720

he puts this in the book and Deborah

567

00:25:00,340 --> 00:24:58,580

Oren who worked for the New York Post

568

00:25:02,200 --> 00:25:00,350

and you have newspapers no matter what

569

00:25:04,900 --> 00:25:02,210

people say there are conservative

570

00:25:06,130 --> 00:25:04,910

newspapers and there's you know like

571

00:25:08,650 --> 00:25:06,140

Republican newspapers and there's

572

00:25:11,740 --> 00:25:08,660

democratic newspapers and the New York

573

00:25:13,750 --> 00:25:11,750

Post is a is a pro Republican newspaper

574

00:25:15,550 --> 00:25:13,760

and she hated the Clintons she put out

575

00:25:18,190 --> 00:25:15,560

the Monica Lewinsky story so she's the

576
00:25:21,460 --> 00:25:18,200
one that asked the question in 1997 of

577
00:25:22,930 --> 00:25:21,470
the press secretary and said webster

578
00:25:24,970 --> 00:25:22,940
hubbell has talked about bill sending

579
00:25:27,400 --> 00:25:24,980
Webster out to look for UFOs is this

580
00:25:30,280 --> 00:25:27,410
true and the press secretary abated it

581
00:25:32,500 --> 00:25:30,290
he talked about this Paulo this is

582
00:25:34,630 --> 00:25:32,510
famous weekly world news alien he said

583
00:25:36,550 --> 00:25:34,640
no he gave that job to the alien and so

584
00:25:38,200 --> 00:25:36,560
he walks around her question so she

585
00:25:40,150 --> 00:25:38,210
comes back with a follow-up question she

586
00:25:42,190 --> 00:25:40,160
said is it true what mr. Hubble writes

587
00:25:44,650 --> 00:25:42,200
in his in his book and then the press

588
00:25:46,120 --> 00:25:44,660

secretary says I will not comment on

589

00:25:48,190 --> 00:25:46,130

what private people put in their private

590

00:25:49,870 --> 00:25:48,200

books so he walks around the question

591

00:25:52,810 --> 00:25:49,880

and Deborah Oren in a later interview

592

00:25:54,940 --> 00:25:52,820

said I sat there and waited for the rest

593

00:25:57,250 --> 00:25:54,950

of the White House press corps to follow

594

00:25:59,230 --> 00:25:57,260

up and they all just rolled over and

595

00:26:00,460 --> 00:25:59,240

played dead and the reason they play

596

00:26:02,260 --> 00:26:00,470

dead is because nobody wants to ask the

597

00:26:03,760 --> 00:26:02,270

stupid question so they got away with it

598

00:26:05,950 --> 00:26:03,770

have webster hubbell put this in his

599

00:26:07,570 --> 00:26:05,960

book and nobody ever brought it up and

600

00:26:09,970 --> 00:26:07,580

nobody ever forced the White House to

601
00:26:12,610 --> 00:26:09,980
answer the question before that the

602
00:26:16,870 --> 00:26:12,620
question that was asked was President

603
00:26:20,200 --> 00:26:16,880
Eisenhower in January of 1954 took a

604
00:26:22,510 --> 00:26:20,210
question 54 yeah he was January of 1954

605
00:26:23,950 --> 00:26:22,520
BP knows time there's been no question

606
00:26:26,860 --> 00:26:23,960
as to the White House so what happens in

607
00:26:28,960 --> 00:26:26,870
May May the 10th New York Times does

608
00:26:30,190 --> 00:26:28,970
this piece and suddenly everybody gets

609
00:26:31,750 --> 00:26:30,200
religious on the White House press corps

610
00:26:33,670 --> 00:26:31,760
and they suddenly okay now it's not

611
00:26:35,290 --> 00:26:33,680
permissible because the White House the

612
00:26:36,880 --> 00:26:35,300
New York Times has done a story so now

613
00:26:39,430 --> 00:26:36,890

we can ask the question and these were

614

00:26:43,660 --> 00:26:39,440

major reporters so the the one was with

615

00:26:45,370 --> 00:26:43,670

Yahoo News one was I think ABC and the

616

00:26:46,870 --> 00:26:45,380

other the third one was with

617

00:26:50,740 --> 00:26:46,880

african-american reporter for some

618

00:26:52,930 --> 00:26:50,750

african-american news outlet and the

619

00:26:54,910 --> 00:26:52,940

first question came and said the Newt

620

00:26:57,010 --> 00:26:54,920

the white house the New York Times has

621

00:26:59,200 --> 00:26:57,020

put out this story about Hillary going

622

00:27:01,240 --> 00:26:59,210

to disclose and this is a serious issue

623

00:27:04,270 --> 00:27:01,250

that people are interested in and I want

624

00:27:05,830 --> 00:27:04,280

to know is Barack Obama going to beat

625

00:27:08,170 --> 00:27:05,840

Hillary to the punch and disclose and

626

00:27:09,970 --> 00:27:08,180

the White House press secretary gets

627

00:27:11,680 --> 00:27:09,980

saved because of course he doesn't have

628

00:27:13,750 --> 00:27:11,690

a clearance that's what he says he said

629

00:27:16,000 --> 00:27:13,760

I don't have a clearance I don't have a

630

00:27:18,220 --> 00:27:16,010

tab in my briefing book for that I don't

631

00:27:21,400 --> 00:27:18,230

have a clearance but the president has

632

00:27:24,640 --> 00:27:21,410

jokingly indicated that his job gives

633

00:27:27,280 --> 00:27:24,650

him access to that kind of material you

634

00:27:28,450 --> 00:27:27,290

should ask him it'll be interesting I

635

00:27:29,740 --> 00:27:28,460

couldn't believe it when he said you

636

00:27:31,420 --> 00:27:29,750

should ask him it should it'll be

637

00:27:32,800 --> 00:27:31,430

interesting he basically rats out the

638

00:27:34,750 --> 00:27:32,810

president he throws the president of the

639

00:27:35,860 --> 00:27:34,760

bus and says ask the president and

640

00:27:37,330 --> 00:27:35,870

that's what I've been saying for years

641

00:27:39,190 --> 00:27:37,340

that's what you've got to do the

642

00:27:41,050 --> 00:27:39,200

president knows and you've got to ask

643

00:27:43,120 --> 00:27:41,060

him the briefing question what's going

644

00:27:44,740 --> 00:27:43,130

on so then the second question comes up

645

00:27:46,180 --> 00:27:44,750

and it's the same sort of thing it's the

646

00:27:49,450 --> 00:27:46,190

same question and he walks around the

647

00:27:50,800 --> 00:27:49,460

question again and then on the 16th the

648

00:27:52,810 --> 00:27:50,810

questions were asked like may 10th was

649

00:27:53,830 --> 00:27:52,820

the article May the 11th two questions

650

00:27:56,230 --> 00:27:53,840

were asked by the White House press

651
00:27:58,060 --> 00:27:56,240
secretary press corps and you could tell

652
00:27:59,200 --> 00:27:58,070
the questions were serious questions

653
00:28:00,790 --> 00:27:59,210
there was no little green man there was

654
00:28:02,170 --> 00:28:00,800
no laughing whatever they were serious

655
00:28:04,300 --> 00:28:02,180
questions is this thing for real

656
00:28:05,710 --> 00:28:04,310
Hillary's talking about this thing does

657
00:28:08,080 --> 00:28:05,720
the president get briefed is this thing

658
00:28:09,190 --> 00:28:08,090
for real and the the Paris secretary

659
00:28:11,110 --> 00:28:09,200
just walks around it by saying I don't

660
00:28:13,240 --> 00:28:11,120
have a clearance for that and so then on

661
00:28:15,730 --> 00:28:13,250
the 16th this African American reporter

662
00:28:18,250 --> 00:28:15,740
Diana Kemmerer name is she says okay

663
00:28:21,430 --> 00:28:18,260

what about Roswell is Roswell did

664

00:28:24,130 --> 00:28:21,440

Roswell really happen what's the deal is

665

00:28:28,110 --> 00:28:24,140

this classified is this trying to keep

666

00:28:32,050 --> 00:28:28,120

this away from the people and then he's

667

00:28:33,880 --> 00:28:32,060

the camera the guys name is the press

668

00:28:36,070 --> 00:28:33,890

secretary starts going for a drink of

669

00:28:37,810 --> 00:28:36,080

water as she's asking the question and

670

00:28:39,070 --> 00:28:37,820

she says to him look at that you do in

671

00:28:40,390 --> 00:28:39,080

the dance you're doing the dance at the

672

00:28:41,410 --> 00:28:40,400

podium you're getting a drink of water

673

00:28:42,700 --> 00:28:41,420

you're trying to figure out what you're

674

00:28:44,920 --> 00:28:42,710

gonna say to walk around the question

675

00:28:48,340 --> 00:28:44,930

and then he says you just keep trying

676
00:28:49,930 --> 00:28:48,350
and and so basically he puts her off but

677
00:28:51,730 --> 00:28:49,940
you can see that the reporters have

678
00:28:53,710 --> 00:28:51,740
suddenly decided this thing's for real

679
00:28:55,240 --> 00:28:53,720
there's some truth to this and they

680
00:28:57,190 --> 00:28:55,250
start asking this question the only

681
00:28:59,230 --> 00:28:57,200
thing that solved it was that the person

682
00:29:00,549 --> 00:28:59,240
who had the need to know the

683
00:29:03,190 --> 00:29:00,559
President of the United States at that

684
00:29:05,230 --> 00:29:03,200
time was in Japan and so it was a week

685
00:29:06,880 --> 00:29:05,240
before he came back and by that time the

686
00:29:08,320 --> 00:29:06,890
week was over the press had all gone

687
00:29:10,180 --> 00:29:08,330
back to sleep again and they basically

688
00:29:11,980 --> 00:29:10,190

didn't didn't have the question or

689

00:29:13,930 --> 00:29:11,990

Barack Obama didn't take the take the

690

00:29:15,810 --> 00:29:13,940

question from those three reporters so

691

00:29:18,910 --> 00:29:15,820

it basically came down to this position

692

00:29:20,560 --> 00:29:18,920

where if the president had taken a news

693

00:29:22,120 --> 00:29:20,570

conference the day after this all

694

00:29:23,500 --> 00:29:22,130

happened he would have faced the

695

00:29:25,990 --> 00:29:23,510

briefing question and Barack Obama

696

00:29:27,610 --> 00:29:26,000

compared to Bill Clinton Barack Obama

697

00:29:29,860 --> 00:29:27,620

has never I'll maintained

698

00:29:32,500 --> 00:29:29,870

he's had a lot of comments on UFOs he

699

00:29:34,180 --> 00:29:32,510

has never lied he has walked around it

700

00:29:36,250 --> 00:29:34,190

by making jokes and stuff but he has

701
00:29:37,600 --> 00:29:36,260
never openly lied the way Bill Clinton

702
00:29:38,890 --> 00:29:37,610
does when Bill Clinton answers the

703
00:29:40,720 --> 00:29:38,900
question so you're gonna have a

704
00:29:43,630 --> 00:29:40,730
situation where I say if you have a

705
00:29:45,190 --> 00:29:43,640
high-level official a vice president a

706
00:29:47,169 --> 00:29:45,200
president who may have gotten the

707
00:29:48,250 --> 00:29:47,179
briefing the Vice President may have got

708
00:29:50,350 --> 00:29:48,260
the briefing the president for sure has

709
00:29:51,970 --> 00:29:50,360
the briefing or a four-star general that

710
00:29:54,640 --> 00:29:51,980
you unified command will have had the

711
00:29:56,290 --> 00:29:54,650
briefing so this is the the question

712
00:29:58,150 --> 00:29:56,300
that you've got to ask him and that's

713
00:29:59,560 --> 00:29:58,160

the question I asked Dick Cheney the

714

00:30:01,210 --> 00:29:59,570

briefing question you don't care if

715

00:30:03,010 --> 00:30:01,220

they're interested in UFOs you don't

716

00:30:04,750 --> 00:30:03,020

care if they've seen a UFO who cares

717

00:30:07,690 --> 00:30:04,760

the only question you want to ask him is

718

00:30:10,060 --> 00:30:07,700

did you get briefed that's the that's

719

00:30:13,419 --> 00:30:10,070

the answer is did someone walk in your

720

00:30:15,640 --> 00:30:13,429

office swear you to secrecy and then

721

00:30:18,130 --> 00:30:15,650

tell you what was going on because the

722

00:30:20,410 --> 00:30:18,140

17 intelligence agencies that work for

723

00:30:22,120 --> 00:30:20,420

that all they do is one job they provide

724

00:30:24,190 --> 00:30:22,130

the best intelligence possible

725

00:30:26,290 --> 00:30:24,200

for the people at 60,000 feet and that's

726

00:30:28,930 --> 00:30:26,300

the president that's his executive

727

00:30:31,750 --> 00:30:28,940

branch executive branch people that's

728

00:30:34,150 --> 00:30:31,760

the head of the intelligence for the

729

00:30:35,290 --> 00:30:34,160

Senate and the and and the house that's

730

00:30:37,419 --> 00:30:35,300

the people that they provide the best

731

00:30:40,299 --> 00:30:37,429

intelligence so when a person gets a

732

00:30:42,430 --> 00:30:40,309

briefing the top intelligence people on

733

00:30:43,780 --> 00:30:42,440

that subject will go in they'll swear

734

00:30:45,730 --> 00:30:43,790

you to secrecy at whatever level that

735

00:30:47,290 --> 00:30:45,740

secrecy is and they will tell you the

736

00:30:49,120 --> 00:30:47,300

truth that's the truth so that's the

737

00:30:51,940 --> 00:30:49,130

question that Dick Cheney because the

738

00:30:54,820 --> 00:30:51,950

rumor always was a dick cheney was mj-12

739

00:30:57,700 --> 00:30:54,830

guy he was like the really powerful guy

740

00:30:59,710 --> 00:30:57,710

and Bush actually had said Cheney knows

741

00:31:01,000 --> 00:30:59,720

about it he knows it's the first thing

742

00:31:02,140 --> 00:31:01,010

I'll he's gonna do when he gets the

743

00:31:02,500 --> 00:31:02,150

White House so he gets to the White

744

00:31:05,890 --> 00:31:02,510

House

745

00:31:07,299 --> 00:31:05,900

it's April 11 2001 he's on a radio talk

746

00:31:09,520 --> 00:31:07,309

show in Washington on the Diane Rehm

747

00:31:11,110 --> 00:31:09,530

Show I know how to get in on the show I

748

00:31:11,529 --> 00:31:11,120

know how to get on the phone I know how

749

00:31:14,739 --> 00:31:11,539

to

750

00:31:17,109 --> 00:31:14,749

works so I set this thing up I'm the

751

00:31:19,539 --> 00:31:17,119

first caller in and I asked him mr.

752

00:31:21,430 --> 00:31:19,549

Cheney in all your jobs and government

753

00:31:24,639 --> 00:31:21,440

have you ever been briefed on the

754

00:31:27,489 --> 00:31:24,649

subject of UFOs if so when was it and

755

00:31:28,389 --> 00:31:27,499

what were you told and he was caught off

756

00:31:30,489 --> 00:31:28,399

guard you could tell he was caught off

757

00:31:31,930 --> 00:31:30,499

guard he said if I had been briefed on

758

00:31:33,609 --> 00:31:31,940

that subject it would probably be

759

00:31:35,919 --> 00:31:33,619

classified and I wouldn't be talking

760

00:31:37,509 --> 00:31:35,929

about it that's the truth that's how it

761

00:31:39,820 --> 00:31:37,519

works it's classified and I wouldn't

762

00:31:41,830 --> 00:31:39,830

talk about it and so that's where it

763

00:31:44,200 --> 00:31:41,840

comes down where I thought there was

764

00:31:45,489 --> 00:31:44,210

going to be disclosure and they sir

765

00:31:47,019 --> 00:31:45,499

walked around it again and now we're

766

00:31:49,029 --> 00:31:47,029

back to this sort of situation of

767

00:31:50,139 --> 00:31:49,039

waiting for someone to ask the question

768

00:31:52,719 --> 00:31:50,149

because you could ask the question of

769

00:31:55,269 --> 00:31:52,729

the secretary to fancy may not know you

770

00:31:56,799 --> 00:31:55,279

can ask the CIA guy he may not know you

771

00:31:59,560 --> 00:31:56,809

can ask a lot of people the only person

772

00:32:01,239 --> 00:31:59,570

for sure that I would say knows that

773

00:32:03,129 --> 00:32:01,249

nobody's gonna tell me differently that

774

00:32:05,560 --> 00:32:03,139

doesn't know is the president because

775

00:32:08,440 --> 00:32:05,570

constitutionally and and I'm a Canadian

776

00:32:10,509 --> 00:32:08,450

so I sort of we see this with Americans

777

00:32:12,430 --> 00:32:10,519

Americans except for maybe Donald Trump

778

00:32:14,019 --> 00:32:12,440

are absolutely anal about the

779

00:32:15,430 --> 00:32:14,029

Constitution I mean you got your First

780

00:32:17,349 --> 00:32:15,440

Amendment right to free speech you got

781

00:32:18,909 --> 00:32:17,359

your second Amendment right to bear arms

782

00:32:20,799 --> 00:32:18,919

a Fourth Amendment right against the

783

00:32:21,999 --> 00:32:20,809

search and seizure and Americans are

784

00:32:23,769 --> 00:32:22,009

just like talking about this

785

00:32:25,479 --> 00:32:23,779

Constitution in Canada you ask about the

786

00:32:27,489 --> 00:32:25,489

Constitution they'll say what

787

00:32:29,469 --> 00:32:27,499

Constitution like nobody has any idea

788

00:32:31,029 --> 00:32:29,479

but nobody's ran it nobody cares about

789

00:32:32,859 --> 00:32:31,039

it and in the United States everybody's

790

00:32:34,239 --> 00:32:32,869

into that thing so the whole point is

791

00:32:36,519 --> 00:32:34,249

that if you have these high-level

792

00:32:38,320 --> 00:32:36,529

officials they are very aware of the

793

00:32:40,989 --> 00:32:38,330

Constitution and that's why you have

794

00:32:43,119 --> 00:32:40,999

situations that that show that this is

795

00:32:45,310 --> 00:32:43,129

for real that that if the president

796

00:32:46,719 --> 00:32:45,320

needs to know he's going to be told you

797

00:32:47,200 --> 00:32:46,729

have this thing with with the nuclear

798

00:32:52,599 --> 00:32:47,210

footballs

799

00:32:54,820 --> 00:32:52,609

these these things that these satchels

800

00:32:56,589 --> 00:32:54,830

that are carried around by the sort of a

801
00:32:58,119 --> 00:32:56,599
guy that follows the president around

802
00:33:00,009 --> 00:32:58,129
he's always within reach of the

803
00:33:01,599 --> 00:33:00,019
president and this is it so if there's a

804
00:33:03,669 --> 00:33:01,609
nuclear war the president has like 30

805
00:33:05,349 --> 00:33:03,679
seconds or 60 seconds to decide what

806
00:33:07,210 --> 00:33:05,359
he's gonna do there's no conversation

807
00:33:08,739 --> 00:33:07,220
with anybody else he basically makes the

808
00:33:10,779 --> 00:33:08,749
decision what he's gonna do and he's got

809
00:33:12,909 --> 00:33:10,789
all the codes in this satchel there are

810
00:33:14,289 --> 00:33:12,919
two of them one is the is carried with

811
00:33:16,210 --> 00:33:14,299
the Vice President once carried with the

812
00:33:18,159 --> 00:33:16,220
president because this is constitutional

813
00:33:19,629 --> 00:33:18,169

thing that if the president dies you

814

00:33:21,909 --> 00:33:19,639

have to have somebody who's within a

815

00:33:24,220 --> 00:33:21,919

couple of seconds of launching a nuclear

816

00:33:25,390 --> 00:33:24,230

attack the same as when the president

817

00:33:27,460 --> 00:33:25,400

gets elected

818

00:33:29,260 --> 00:33:27,470

on the day of the inauguration there are

819

00:33:30,970 --> 00:33:29,270

two footballs one for the incoming

820

00:33:33,160 --> 00:33:30,980

president one for the outgoing president

821

00:33:35,320 --> 00:33:33,170

because there's this anal Constitution

822

00:33:37,840 --> 00:33:35,330

thing that there may be 30 seconds

823

00:33:38,920 --> 00:33:37,850

when there isn't a president and so it

824

00:33:40,780 --> 00:33:38,930

comes down to this thing where you have

825

00:33:42,640 --> 00:33:40,790

to have these two footballs and so if

826

00:33:45,310 --> 00:33:42,650

you see if they're that anal about the

827

00:33:47,260 --> 00:33:45,320

Constitution and about following it to

828

00:33:49,840 --> 00:33:47,270

the letter of the law there's no way

829

00:33:51,120 --> 00:33:49,850

that you're gonna have some gs-13 down

830

00:33:54,310 --> 00:33:51,130

in the bottom of the State Department

831

00:33:56,320 --> 00:33:54,320

negotiating with greys or aliens or

832

00:33:58,510 --> 00:33:56,330

whoever this this consciousness is it

833

00:34:00,880 --> 00:33:58,520

has to be the present if it's a foreign

834

00:34:02,680 --> 00:34:00,890

power the president is constitutionally

835

00:34:04,000 --> 00:34:02,690

the guy in charge the same as these the

836

00:34:05,830 --> 00:34:04,010

head of the military if the military's

837

00:34:07,900 --> 00:34:05,840

covering up it's all going up to him all

838

00:34:09,100 --> 00:34:07,910

the intelligence agencies report to the

839

00:34:11,470 --> 00:34:09,110

president that's what they do they don't

840

00:34:13,510 --> 00:34:11,480

sell Trump say steaks they don't sell

841

00:34:15,669 --> 00:34:13,520

cars all you do is one thing provide the

842

00:34:17,860 --> 00:34:15,679

best intelligence for the present so

843

00:34:19,720 --> 00:34:17,870

it's a long answer to your question yeah

844

00:34:22,360 --> 00:34:19,730

well you know I've got I've got a

845

00:34:25,960 --> 00:34:22,370

scenario that I want to run by you on

846

00:34:28,419 --> 00:34:25,970

this yeah okay so let's say we know that

847

00:34:31,480 --> 00:34:28,429

Bill Clinton was in office and yeah then

848

00:34:33,340 --> 00:34:31,490

if that is true what you said of course

849

00:34:35,500 --> 00:34:33,350

he was sworn to secrecy not to talk

850

00:34:37,450 --> 00:34:35,510

about and all that well he is married to

851
00:34:39,490 --> 00:34:37,460
Hillary and why wouldn't they have the

852
00:34:42,520 --> 00:34:39,500
conversation behind closed doors look

853
00:34:44,800 --> 00:34:42,530
don't bother getting into this because

854
00:34:45,970 --> 00:34:44,810
it's going to go nowhere you're going to

855
00:34:49,060 --> 00:34:45,980
be briefed on it then you're going to be

856
00:34:50,710 --> 00:34:49,070
sworn to secrecy that's the type of

857
00:34:52,840 --> 00:34:50,720
thing that I would see if it follows

858
00:34:56,770 --> 00:34:52,850
what you're saying like the president is

859
00:34:58,450 --> 00:34:56,780
briefed on it sworn to secrecy I would

860
00:35:00,250 --> 00:34:58,460
think that he would say hey Hillary

861
00:35:02,490 --> 00:35:00,260
don't even talk about the uf of someone

862
00:35:04,630 --> 00:35:02,500
ask you something about UFO topic just

863
00:35:06,850 --> 00:35:04,640

move on to something else

864

00:35:09,700 --> 00:35:06,860

you're saying bill would say that to her

865

00:35:13,390 --> 00:35:09,710

yeah because you know like though he

866

00:35:15,070 --> 00:35:13,400

knows all I'm saying now like went

867

00:35:17,050 --> 00:35:15,080

before she came out in May and started

868

00:35:18,580 --> 00:35:17,060

talking about it or at was asked

869

00:35:21,970 --> 00:35:18,590

questions and answered questions about

870

00:35:24,160 --> 00:35:21,980

it if if bill knows that it's a brick

871

00:35:26,290 --> 00:35:24,170

wall and can't go anywhere why would why

872

00:35:29,710 --> 00:35:26,300

wouldn't he share that with his wife and

873

00:35:31,360 --> 00:35:29,720

say don't even go there okay because it

874

00:35:33,640 --> 00:35:31,370

wasn't her decision it was John

875

00:35:34,900 --> 00:35:33,650

Podesta's decision and things have

876

00:35:36,130 --> 00:35:34,910

changed that's what I would say is

877

00:35:38,830 --> 00:35:36,140

happens things have changed there's

878

00:35:41,410 --> 00:35:38,840

always been this idea in fact I think

879

00:35:42,850 --> 00:35:41,420

talks about this there's disclosure

880

00:35:46,950 --> 00:35:42,860

event that was gonna take place with

881

00:35:50,020 --> 00:35:46,960

George Bush in August of 1991 after the

882

00:35:51,340 --> 00:35:50,030

Russia fell there was this you'll read

883

00:35:52,900 --> 00:35:51,350

it in Dolan's book there's a few people

884

00:35:54,550 --> 00:35:52,910

talk about this this disclosure thing

885

00:35:56,590 --> 00:35:54,560

where they were going to do the

886

00:35:58,600 --> 00:35:56,600

disclosure thing they had Kennebunkport

887

00:36:00,040 --> 00:35:58,610

they had Bush at Kennebunkport they had

888

00:36:01,330 --> 00:36:00,050

all these people it was all set up and

889

00:36:03,220 --> 00:36:01,340

they were gonna go do the briefing and

890

00:36:05,170 --> 00:36:03,230

they need it they the boat they figured

891

00:36:06,190 --> 00:36:05,180

the boat was there was sixteen people or

892

00:36:08,740 --> 00:36:06,200

something like that and they figured

893

00:36:10,330 --> 00:36:08,750

they had eight votes or something and

894

00:36:12,280 --> 00:36:10,340

they get the other eight votes and it

895

00:36:13,840 --> 00:36:12,290

was all set up and just when they went

896

00:36:16,630 --> 00:36:13,850

the boat went exactly the opposite way

897

00:36:18,490 --> 00:36:16,640

so that's if you hear Hillary talk about

898

00:36:22,480 --> 00:36:18,500

it in one of the statements when Hillary

899

00:36:24,970 --> 00:36:22,490

talks about it she says if I can get

900

00:36:26,740 --> 00:36:24,980

agreement and that skips by everybody

901
00:36:29,200 --> 00:36:26,750
she says if I can get agreement which

902
00:36:31,360 --> 00:36:29,210
means and she knows how it works

903
00:36:33,250 --> 00:36:31,370
so she's saying if I can get agreement

904
00:36:34,510 --> 00:36:33,260
so it means that she's got whatever the

905
00:36:36,400 --> 00:36:34,520
thing is well there's the mj-12

906
00:36:38,830 --> 00:36:36,410
committee whether it's the head of the

907
00:36:41,230 --> 00:36:38,840
head of National Intelligence the NSA

908
00:36:43,210 --> 00:36:41,240
CIA a group of those type of people all

909
00:36:44,890 --> 00:36:43,220
get together there's a vote so I think

910
00:36:47,320 --> 00:36:44,900
the boat has changed I think the vote

911
00:36:48,940 --> 00:36:47,330
used to be like like if it was mj-12 was

912
00:36:50,920 --> 00:36:48,950
12 to zero then it was ten to two and

913
00:36:52,930 --> 00:36:50,930

eight to four and I think the vote is

914

00:36:54,610 --> 00:36:52,940

now in the opposite direction where they

915

00:36:56,140 --> 00:36:54,620

have decided and I've heard this from

916

00:36:57,850 --> 00:36:56,150

behind closed doors that they are making

917

00:36:59,920 --> 00:36:57,860

a move they just don't know how to get

918

00:37:01,690 --> 00:36:59,930

this thing out they want to the one

919

00:37:03,730 --> 00:37:01,700

statement I was told is you wanted out

920

00:37:05,170 --> 00:37:03,740

but you don't want the fmg government's

921

00:37:07,360 --> 00:37:05,180

fingerprints on it and I said well good

922

00:37:09,190 --> 00:37:07,370

luck with that but in one case where

923

00:37:10,990 --> 00:37:09,200

Hillary's actually asked about it she's

924

00:37:12,550 --> 00:37:11,000

asked about the Bill Clinton thing when

925

00:37:14,440 --> 00:37:12,560

she's on the Kimmel show and Bill and

926

00:37:16,060 --> 00:37:14,450

Kimmel always has this joke you know if

927

00:37:17,650 --> 00:37:16,070

I had my hand on the Bible my hand would

928

00:37:18,820 --> 00:37:17,660

still be hot coming off the Bible and

929

00:37:20,470 --> 00:37:18,830

I'd be heading to the White House to

930

00:37:23,350 --> 00:37:20,480

find out what's wrong with the situation

931

00:37:26,470 --> 00:37:23,360

with the UFOs and he says I had your

932

00:37:28,570 --> 00:37:26,480

husband on here and he said I didn't

933

00:37:31,570 --> 00:37:28,580

know I had no I couldn't find out

934

00:37:34,000 --> 00:37:31,580

anything so what about you and what she

935

00:37:35,830 --> 00:37:34,010

says she starts the answer immediately

936

00:37:37,630 --> 00:37:35,840

and if you look at Hillary's answer

937

00:37:39,790 --> 00:37:37,640

she's very direct on these things she's

938

00:37:41,770 --> 00:37:39,800

not hedging like bills she's not humming

939

00:37:43,480 --> 00:37:41,780

and on she goes directly to it but the

940

00:37:46,870 --> 00:37:43,490

people start laughing so she stops and

941

00:37:48,820 --> 00:37:46,880

she said well I'm gonna do it again

942

00:37:50,080 --> 00:37:48,830

which is completely different than bill

943

00:37:51,880 --> 00:37:50,090

bill saying I couldn't find anything and

944

00:37:52,300 --> 00:37:51,890

she said well I'm gonna look again I'm

945

00:37:54,220 --> 00:37:52,310

gonna do

946

00:37:56,470 --> 00:37:54,230

again I'm gonna make the review again as

947

00:37:58,930 --> 00:37:56,480

if there is a plan the same as John

948

00:38:01,630 --> 00:37:58,940

Podesta and I maintained if people will

949

00:38:04,450 --> 00:38:01,640

argue with me I absolutely maintain John

950

00:38:06,520 --> 00:38:04,460

Podesta this all started when Hillary

951

00:38:09,190 --> 00:38:06,530

did during the campaign she did an

952

00:38:10,660 --> 00:38:09,200

interview with Lena Dunham so she does

953

00:38:12,280 --> 00:38:10,670

this interview with Lena Dunham and this

954

00:38:13,960 --> 00:38:12,290

is when John makes the famous tweet now

955

00:38:16,120 --> 00:38:13,970

John Podesta you got remember John

956

00:38:18,760 --> 00:38:16,130

Podesta calls himself he likes to be

957

00:38:20,620 --> 00:38:18,770

part of the cult of non personality John

958

00:38:22,570 --> 00:38:20,630

Podesta is not in front of the camera he

959

00:38:24,910 --> 00:38:22,580

doesn't want to talk to anybody he's the

960

00:38:26,650 --> 00:38:24,920

guy the the The Wizard of Oz behind the

961

00:38:27,940 --> 00:38:26,660

curtain pulling his strings and he's in

962

00:38:29,170 --> 00:38:27,950

charge of the whole Hillary Clinton

963

00:38:30,460 --> 00:38:29,180

campaign he's running the show but

964

00:38:32,110 --> 00:38:30,470

you're never gonna see the guy the odd

965

00:38:33,520 --> 00:38:32,120

time he'll be interviewed somebody else

966

00:38:36,370 --> 00:38:33,530

track him down whatever he doesn't want

967

00:38:38,890 --> 00:38:36,380

to be in in the forefront so he very

968

00:38:40,810 --> 00:38:38,900

rarely tweets but he tweets when Lena

969

00:38:43,750 --> 00:38:40,820

Dunham does the interview he says good

970

00:38:46,510 --> 00:38:43,760

interview lenient Lena next time ask her

971

00:38:48,730 --> 00:38:46,520

about the aliens when I saw that I knew

972

00:38:51,340 --> 00:38:48,740

something was up I mean really that this

973

00:38:52,900 --> 00:38:51,350

is this is really something because what

974

00:38:54,340 --> 00:38:52,910

you gotta remember is because he's the

975

00:38:55,780 --> 00:38:54,350

head of the Hillary Clinton needs the

976

00:38:59,740 --> 00:38:55,790

chairperson of the Hillary Clinton

977

00:39:02,320 --> 00:38:59,750

campaign he is in charge of the whole

978

00:39:04,750 --> 00:39:02,330

operation and everything I maintain

979

00:39:07,720 --> 00:39:04,760

everything in a presidential campaign

980

00:39:09,850 --> 00:39:07,730

except maybe Trump's campaign is done by

981

00:39:11,650 --> 00:39:09,860

focus groups and think that Trump

982

00:39:13,480 --> 00:39:11,660

actually makes jokes about Hillary with

983

00:39:15,250 --> 00:39:13,490

the focus groups that what you do is you

984

00:39:16,810 --> 00:39:15,260

take an issue and you put it in front of

985

00:39:18,160 --> 00:39:16,820

a focus group and you you everybody's

986

00:39:19,480 --> 00:39:18,170

got the little counters and you watch

987

00:39:20,890 --> 00:39:19,490

whether the numbers going up or down or

988

00:39:21,940 --> 00:39:20,900

whatever and if the number goes up

989

00:39:24,070 --> 00:39:21,950

that's something we're gonna talk about

990

00:39:25,780 --> 00:39:24,080

if the number goes down you stay away

991

00:39:26,830 --> 00:39:25,790

from this subject and so that's what

992

00:39:29,080 --> 00:39:26,840

they do they put everything in front of

993

00:39:31,330 --> 00:39:29,090

focus groups so when John Podesta says

994

00:39:33,670 --> 00:39:31,340

the Lena Dunham during a presidential

995

00:39:37,510 --> 00:39:33,680

campaign that is going to cost a billion

996

00:39:40,150 --> 00:39:37,520

dollars where if it goes south her gonna

997

00:39:41,410 --> 00:39:40,160

be forgetful if suddenly she started

998

00:39:44,140 --> 00:39:41,420

talking about UFOs and suddenly

999

00:39:46,270 --> 00:39:44,150

everybody wrote her off like Kucinich in

1000

00:39:48,670 --> 00:39:46,280

2008 and suddenly she drops twenty

1001
00:39:51,040 --> 00:39:48,680
percent in the polls John Podesta would

1002
00:39:54,040 --> 00:39:51,050
go down in history as the were the most

1003
00:39:57,010 --> 00:39:54,050
stupid man in the entire world so I say

1004
00:39:58,990 --> 00:39:57,020
there is no doubt that this issue the

1005
00:40:01,330 --> 00:39:59,000
UFO issue was put in front of a focus

1006
00:40:03,160 --> 00:40:01,340
group John would not have asked a

1007
00:40:05,350 --> 00:40:03,170
reporter during a major major

1008
00:40:06,130 --> 00:40:05,360
presidential campaign to ask about

1009
00:40:08,740 --> 00:40:06,140
aliens

1010
00:40:10,569 --> 00:40:08,750
unless he knew that the numbers went up

1011
00:40:12,130 --> 00:40:10,579
when the people pushed the counters that

1012
00:40:15,039 --> 00:40:12,140
this was a positive issue and it would

1013
00:40:16,660 --> 00:40:15,049

not hurt like it did causation 2008 and

1014

00:40:17,890 --> 00:40:16,670

that's exactly what's happened it hasn't

1015

00:40:19,569 --> 00:40:17,900

gone south people have said well why

1016

00:40:20,890 --> 00:40:19,579

isn't she getting attacked because they

1017

00:40:22,210 --> 00:40:20,900

put it in front of focus group it's not

1018

00:40:24,309 --> 00:40:22,220

that big a deal people aren't really

1019

00:40:26,349 --> 00:40:24,319

interested and it's not that toxic issue

1020

00:40:28,990 --> 00:40:26,359

it used to be so it's John Podesta

1021

00:40:33,160 --> 00:40:29,000

that's behind this whole thing he did

1022

00:40:35,170 --> 00:40:33,170

the initial tweet in 2000 and 2015 the

1023

00:40:37,630 --> 00:40:35,180

day before he believes the Barack Obama

1024

00:40:40,210 --> 00:40:37,640

administration it's a very famous and a

1025

00:40:42,670 --> 00:40:40,220

very important tweet where he says once

1026
00:40:44,769 --> 00:40:42,680
again and that's important when you read

1027
00:40:46,809 --> 00:40:44,779
John Podesta he is the smartest guy in

1028
00:40:48,609 --> 00:40:46,819
the room he is the smartest Democrat the

1029
00:40:52,089 --> 00:40:48,619
most powerful Democrat there is he's the

1030
00:40:53,470 --> 00:40:52,099
the the wheeler and dealer in in the

1031
00:40:55,660 --> 00:40:53,480
Democratic Party that's running the

1032
00:40:57,400 --> 00:40:55,670
whole show so when you see his tweets

1033
00:40:58,690 --> 00:40:57,410
you got to read every word he says and

1034
00:41:01,000 --> 00:40:58,700
he's being very careful about what he

1035
00:41:02,710 --> 00:41:01,010
says he says once again my biggest

1036
00:41:04,690 --> 00:41:02,720
disappointment which means he's done

1037
00:41:06,220 --> 00:41:04,700
this before he tried to get built to

1038
00:41:08,740 --> 00:41:06,230

disclose he couldn't get built to

1039

00:41:11,470 --> 00:41:08,750

disclose and then he says once again my

1040

00:41:13,089 --> 00:41:11,480

biggest disappointment of 2014 was not

1041

00:41:14,650 --> 00:41:13,099

getting you a full disclosure he says

1042

00:41:16,809 --> 00:41:14,660

this the day he's leaving the Brock

1043

00:41:18,519 --> 00:41:16,819

Obama administration sort of putting

1044

00:41:19,960 --> 00:41:18,529

himself on the record because the

1045

00:41:22,059 --> 00:41:19,970

Washington Post that actually put a

1046

00:41:25,120 --> 00:41:22,069

story because I was filing all his fo a

1047

00:41:27,220 --> 00:41:25,130

stuff they said John you're in this box

1048

00:41:28,960 --> 00:41:27,230

now as soon as Barack Obama leaves the

1049

00:41:30,309 --> 00:41:28,970

administration you're gonna be asked

1050

00:41:33,339 --> 00:41:30,319

about all the correspondence between

1051

00:41:34,450 --> 00:41:33,349

Barack Obama and Podesta on UFOs so he's

1052

00:41:36,609 --> 00:41:34,460

putting himself on the record okay

1053

00:41:39,099 --> 00:41:36,619

here's the record I asked the question

1054

00:41:42,549 --> 00:41:39,109

and he confirmed that to this rockstar

1055

00:41:44,740 --> 00:41:42,559

guy that's running around tom tom

1056

00:41:46,809 --> 00:41:44,750

delonge he's confirmed he Tom DeLonge

1057

00:41:49,059 --> 00:41:46,819

confirms that Podesta did talk to Obama

1058

00:41:50,440 --> 00:41:49,069

about UFOs so this is this whole thing

1059

00:41:52,390 --> 00:41:50,450

that he said once again my biggest

1060

00:41:54,549 --> 00:41:52,400

disappointment was not getting UFO

1061

00:41:56,609 --> 00:41:54,559

disclosure so when Hillary comes in then

1062

00:41:59,470 --> 00:41:56,619

you see that with the court court the

1063

00:42:02,769 --> 00:41:59,480

conversation is in the interview that

1064

00:42:07,809 --> 00:42:02,779

John does in Las Vegas with with naps

1065

00:42:11,620 --> 00:42:07,819

people at Kaos kls TV he says the fact

1066

00:42:14,319 --> 00:42:11,630

he said I think I've convinced her she

1067

00:42:15,880 --> 00:42:14,329

has to look at the material and disclose

1068

00:42:17,079 --> 00:42:15,890

what she can now it's that's very

1069

00:42:18,940 --> 00:42:17,089

important you listen John you listen

1070

00:42:20,140 --> 00:42:18,950

every word he's saying so he says I

1071

00:42:22,360 --> 00:42:20,150

think I convinced

1072

00:42:24,610 --> 00:42:22,370

which means I couldn't convince Hill

1073

00:42:26,350 --> 00:42:24,620

Bill to do it I couldn't convince Barack

1074

00:42:28,420 --> 00:42:26,360

Obama to do it but I've convinced

1075

00:42:31,540 --> 00:42:28,430

Hillary to do it and then he says she's

1076

00:42:33,250 --> 00:42:31,550

going to take the material and look at

1077

00:42:35,110 --> 00:42:33,260

it and disclose as much as you can which

1078

00:42:37,390 --> 00:42:35,120

means there's a process it's not the

1079

00:42:39,280 --> 00:42:37,400

evil cabal the you know Wizard of Oz

1080

00:42:39,730 --> 00:42:39,290

running the cover-up it's the president

1081

00:42:41,530 --> 00:42:39,740

knows

1082

00:42:44,200 --> 00:42:41,540

Hillary will get the material in front

1083

00:42:46,000 --> 00:42:44,210

of her she'll look at it and she will

1084

00:42:48,820 --> 00:42:46,010

disclose as much as you can and that's

1085

00:42:51,220 --> 00:42:48,830

exactly what Hillary has said yeah if

1086

00:42:53,440 --> 00:42:51,230

it's not natural security I will release

1087

00:42:54,730 --> 00:42:53,450

the material so she had she is admitting

1088

00:42:57,370 --> 00:42:54,740

that she will have access to the

1089

00:42:58,900 --> 00:42:57,380

material now have you ever spoken or

1090

00:43:05,140 --> 00:42:58,910

communicated in any type of way with

1091

00:43:07,510 --> 00:43:05,150

Podesta no we do have a message board by

1092

00:43:09,280 --> 00:43:07,520

the way and people listening live to

1093

00:43:10,780 --> 00:43:09,290

post questions and I have another one

1094

00:43:11,620 --> 00:43:10,790

right after that but what were you guys

1095

00:43:14,380 --> 00:43:11,630

what were you saying

1096

00:43:15,970 --> 00:43:14,390

yeah he just as I said he says he's part

1097

00:43:18,190 --> 00:43:15,980

of the cult of non personality he does

1098

00:43:20,650 --> 00:43:18,200

not get dragged in he deals with with

1099

00:43:22,630 --> 00:43:20,660

Leslie Kane right yeah but I don't think

1100

00:43:24,940 --> 00:43:22,640

he Leslie Kane even has any position

1101

00:43:27,130 --> 00:43:24,950

because that's not the way John operates

1102

00:43:29,350 --> 00:43:27,140

John when he wants to do something he

1103

00:43:32,230 --> 00:43:29,360

will suddenly appear with the with a

1104

00:43:33,910 --> 00:43:32,240

tweet otherwise he's the last guy you're

1105

00:43:36,760 --> 00:43:33,920

ever gonna get the interview yeah Kane

1106

00:43:40,060 --> 00:43:36,770

also said that she thought he was joking

1107

00:43:44,950 --> 00:43:40,070

but there's a lot of people that

1108

00:43:46,600 --> 00:43:44,960

disagree with that okay so one of the we

1109

00:43:51,490 --> 00:43:46,610

have a listener down and I think it's

1110

00:43:54,070 --> 00:43:51,500

Tasmania or down that way somewhere he

1111

00:43:55,810 --> 00:43:54,080

was wondering why is it just up to the

1112

00:43:57,400 --> 00:43:55,820

US what about all the other countries

1113

00:43:59,860 --> 00:43:57,410

that know something's going on

1114

00:44:02,560 --> 00:43:59,870

okay when when I first had my UFO

1115

00:44:03,760 --> 00:44:02,570

sighting I went to investigate on the

1116

00:44:04,900 --> 00:44:03,770

Canadian government and the guy that ran

1117

00:44:08,980 --> 00:44:04,910

the Canadian government program was

1118

00:44:12,250 --> 00:44:08,990

Wilbert Smith and we recovered all his

1119

00:44:14,290 --> 00:44:12,260

government stuff which is access to

1120

00:44:16,810 --> 00:44:14,300

everybody but we also recovered all his

1121

00:44:18,730 --> 00:44:16,820

private material and that's like what

1122

00:44:21,850 --> 00:44:18,740

10,000 pages of material whatever it's

1123

00:44:23,950 --> 00:44:21,860

at the University of Ottawa so we saw

1124

00:44:26,650 --> 00:44:23,960

that material there's a letter from 1956

1125

00:44:28,870 --> 00:44:26,660

written to a guy named Cass well he said

1126

00:44:31,540 --> 00:44:28,880

just for information every nation of the

1127

00:44:33,770 --> 00:44:31,550

world has been informed of the existence

1128

00:44:37,310 --> 00:44:33,780

of the itísö Howry for

1129

00:44:39,200 --> 00:44:37,320

and each government is up is it is up to

1130

00:44:41,510 --> 00:44:39,210

them to decide what they're gonna do so

1131

00:44:43,250 --> 00:44:41,520

that's a guy who ran the conglomerate

1132

00:44:45,260 --> 00:44:43,260

UFO program who basically says they all

1133

00:44:48,920 --> 00:44:45,270

know it always comes down to the thing

1134

00:44:52,700 --> 00:44:48,930

where it's it's always the bottom line

1135

00:44:55,130 --> 00:44:52,710

to this thing is is military weapon

1136

00:44:56,750 --> 00:44:55,140

secrets its lead time that the farther

1137

00:45:00,550 --> 00:44:56,760

you can get ahead of your opponent the

1138

00:45:03,290 --> 00:45:00,560

better the better you are in terms of

1139

00:45:05,750 --> 00:45:03,300

weapons so if for example the atomic

1140

00:45:07,130 --> 00:45:05,760

bomb is the example I was used so in in

1141

00:45:09,200 --> 00:45:07,140

World War two the Americans dropped the

1142

00:45:10,850 --> 00:45:09,210

atomic bomb and then of course they go

1143

00:45:12,170 --> 00:45:10,860

running to the Emperor in Japan and say

1144

00:45:14,990 --> 00:45:12,180

well you know drop this atomic bomb

1145

00:45:16,100 --> 00:45:15,000

killed a hundred thousand people and we

1146

00:45:17,510 --> 00:45:16,110

got to fight back and of course the

1147

00:45:18,650 --> 00:45:17,520

Emperor says okay just build one of

1148

00:45:20,450 --> 00:45:18,660

these bombs and we'll drop it on them

1149

00:45:22,550 --> 00:45:20,460

and how long's it gonna take oh I don't

1150

00:45:25,130 --> 00:45:22,560

know about eight years you can't that's

1151

00:45:28,580 --> 00:45:25,140

what lead time is is do with weapons so

1152

00:45:32,030 --> 00:45:28,590

the way the game is played is that all

1153

00:45:33,800 --> 00:45:32,040

the major powers either control the

1154

00:45:36,680 --> 00:45:33,810

smaller countries or the lead the big

1155

00:45:39,350 --> 00:45:36,690

powers it becomes a game of who's going

1156

00:45:40,850 --> 00:45:39,360

to put the cards down first so if for

1157

00:45:42,050 --> 00:45:40,860

example you have 80 percent year the

1158

00:45:44,420 --> 00:45:42,060

Americans you have 80 percent of the

1159

00:45:46,280 --> 00:45:44,430

secret and you put your cards down and

1160

00:45:48,320 --> 00:45:46,290

the Russians have 80 percent and you

1161

00:45:50,240 --> 00:45:48,330

suddenly give the Russians the eight

1162

00:45:51,560 --> 00:45:50,250

twenty percent they need then they say

1163

00:45:53,630 --> 00:45:51,570

okay where we decide we're not going to

1164

00:45:55,400 --> 00:45:53,640

disclose and they've got the hundred

1165

00:45:57,260 --> 00:45:55,410

percent you've got 80 percent and so it

1166

00:45:59,090 --> 00:45:57,270

comes down to a game of chicken who's

1167

00:46:00,470 --> 00:45:59,100

gonna put the cards down first and I'll

1168

00:46:05,360 --> 00:46:00,480

give you an example of how that worked

1169

00:46:09,320 --> 00:46:05,370

one of the people who helped brief Bill

1170

00:46:11,360 --> 00:46:09,330

Clinton's science advisor was Scott

1171

00:46:14,810 --> 00:46:11,370

Jones now Scott Jones worked as an

1172

00:46:16,820 --> 00:46:14,820

advisor on the cat on the staff of

1173

00:46:20,090 --> 00:46:16,830

Claiborne Pell who was the head of

1174

00:46:22,820 --> 00:46:20,100

foreign Foreign Relations top ranking

1175

00:46:25,400 --> 00:46:22,830

senator in the United States and he

1176

00:46:27,170 --> 00:46:25,410

tells the story many times he's told in

1177

00:46:28,700 --> 00:46:27,180

probably but he told me publicly or

1178

00:46:30,590 --> 00:46:28,710

privately he told me two story about

1179

00:46:33,110 --> 00:46:30,600

going to the Russians and he would go to

1180

00:46:34,340 --> 00:46:33,120

these different countries and on behalf

1181

00:46:36,650 --> 00:46:34,350

of Claiborne Pell because Claiborne

1182

00:46:38,240 --> 00:46:36,660

Powell wasn't so much into UFOs he was

1183

00:46:41,030 --> 00:46:38,250

into paranormal phenomena psychic

1184

00:46:42,200 --> 00:46:41,040

phenomena all this kind of stuff and so

1185

00:46:44,540 --> 00:46:42,210

he would go to these different countries

1186

00:46:46,010 --> 00:46:44,550

and and he told me that he had at one

1187

00:46:47,630 --> 00:46:46,020

point was negotiating with the Russians

1188

00:46:49,519 --> 00:46:47,640

for a piece of

1189

00:46:50,930 --> 00:46:49,529

alien tissue and it fell through and

1190

00:46:52,549 --> 00:46:50,940

then he talked about going to the

1191

00:46:56,089 --> 00:46:52,559

Chinese he tells the story goes to the

1192

00:46:57,289 --> 00:46:56,099

Chinese and because he's the way are the

1193

00:46:59,719 --> 00:46:57,299

American government works is you have

1194

00:47:01,609 --> 00:46:59,729

you know these these different branches

1195

00:47:03,499 --> 00:47:01,619

of government and the Chinese didn't

1196

00:47:04,729 --> 00:47:03,509

understand this in China there was only

1197

00:47:05,660 --> 00:47:04,739

one branch of government you really

1198

00:47:07,039 --> 00:47:05,670

record for the government you're not

1199

00:47:08,359 --> 00:47:07,049

working for the government so they said

1200

00:47:09,680 --> 00:47:08,369

to him they said well what does the

1201
00:47:10,849 --> 00:47:09,690
government do what is the American

1202
00:47:13,099 --> 00:47:10,859
position and he said well I really don't

1203
00:47:14,359 --> 00:47:13,109
know I'm working for Claiborne Pell it's

1204
00:47:15,589 --> 00:47:14,369
not the government and they said why

1205
00:47:17,059 --> 00:47:15,599
you're working for the government no I'm

1206
00:47:18,380 --> 00:47:17,069
not remember come work for Claiborne

1207
00:47:20,209 --> 00:47:18,390
Pell and they couldn't get this through

1208
00:47:22,370 --> 00:47:20,219
their head so he asked and so he's

1209
00:47:25,969 --> 00:47:22,380
dealing with high-level officials like

1210
00:47:28,489 --> 00:47:25,979
people right in the top echelon of power

1211
00:47:30,559 --> 00:47:28,499
in China and because everybody works for

1212
00:47:32,959 --> 00:47:30,569
the government there and he says okay

1213
00:47:35,839 --> 00:47:32,969

why don't you disclose why don't you

1214

00:47:38,150 --> 00:47:35,849

beat the Americans to it and the answer

1215

00:47:39,709 --> 00:47:38,160

according to Scott Jones the Chinese

1216

00:47:42,019 --> 00:47:39,719

looked at him and said when the

1217

00:47:43,880 --> 00:47:42,029

Americans disclose will be a close

1218

00:47:45,739 --> 00:47:43,890

second and that's what I think it comes

1219

00:47:48,469 --> 00:47:45,749

down to is the thing is everybody wants

1220

00:47:50,890 --> 00:47:48,479

everybody else to disclose before before

1221

00:47:52,849 --> 00:47:50,900

they do because it's a game of

1222

00:47:54,499 --> 00:47:52,859

technology what do you what is the other

1223

00:47:55,789 --> 00:47:54,509

people know and everybody hides their

1224

00:47:57,559 --> 00:47:55,799

stuff and then you have these situations

1225

00:47:59,989 --> 00:47:57,569

as I said countries that get controlled

1226

00:48:02,089 --> 00:47:59,999

there's a story I tell I did the the

1227

00:48:07,069 --> 00:48:02,099

Clinton book on UFOs and one of the

1228

00:48:10,719 --> 00:48:07,079

stories I tell is about secretary his

1229

00:48:16,660 --> 00:48:10,729

name's gonna scam his secretary of state

1230

00:48:19,880 --> 00:48:16,670

under Clinton goes to Virginia Virginia

1231

00:48:21,709 --> 00:48:19,890

Brazil he goes to Brazil a couple of

1232

00:48:23,390 --> 00:48:21,719

weeks after the the Virginia crash now

1233

00:48:25,009 --> 00:48:23,400

this is where the crash is and they've

1234

00:48:26,390 --> 00:48:25,019

got these live aliens and all this kind

1235

00:48:29,120 --> 00:48:26,400

of stuff and there's all these rumored

1236

00:48:31,339 --> 00:48:29,130

reports that the American NASA and

1237

00:48:31,969 --> 00:48:31,349

American officials suddenly show up in

1238

00:48:34,329 --> 00:48:31,979

the country

1239

00:48:37,640 --> 00:48:34,339

they to get the craft and the bodies and

1240

00:48:39,499 --> 00:48:37,650

the story from the Brazilians that's

1241

00:48:42,589 --> 00:48:39,509

always been the story is that this is

1242

00:48:44,529 --> 00:48:42,599

what happened and that this Christopher

1243

00:48:47,749 --> 00:48:44,539

weren't Christopher a Warren Christopher

1244

00:48:49,969 --> 00:48:47,759

Nolan Albright but yeah okay yeah so

1245

00:48:52,999 --> 00:48:49,979

when Christopher appears a couple of

1246

00:48:55,459 --> 00:48:53,009

weeks after and the head of NASA appears

1247

00:48:57,380 --> 00:48:55,469

a couple of weeks after on as you know

1248

00:48:59,209 --> 00:48:57,390

they've got other sort of excuses why

1249

00:49:01,339 --> 00:48:59,219

they're there but they suddenly appear

1250

00:49:03,859 --> 00:49:01,349

and the Brazilian store

1251
00:49:06,829 --> 00:49:03,869
is always that the negotiation was that

1252
00:49:08,089 --> 00:49:06,839
they would get you know support from the

1253
00:49:10,640 --> 00:49:08,099
United States if they handed over the

1254
00:49:13,700 --> 00:49:10,650
craft and and the beings and the fact

1255
00:49:16,009 --> 00:49:13,710
that they would put a somebody on the

1256
00:49:16,880 --> 00:49:16,019
Space Shuttle and sure enough that's one

1257
00:49:18,109 --> 00:49:16,890
of the things to happen they put a

1258
00:49:19,940 --> 00:49:18,119
Brazilian on the space shuttle

1259
00:49:21,349 --> 00:49:19,950
so whether the Brazilians are wrong but

1260
00:49:22,249 --> 00:49:21,359
if you listen to the Brazilian

1261
00:49:24,349 --> 00:49:22,259
researchers they will maintain

1262
00:49:26,210 --> 00:49:24,359
absolutely that there was negotiation

1263
00:49:27,829 --> 00:49:26,220

that the Americans moved in there

1264

00:49:31,460 --> 00:49:27,839

immediately the same as there was a

1265

00:49:33,559 --> 00:49:31,470

crash in 1978 on the Bolivian border

1266

00:49:35,210 --> 00:49:33,569

that I bought Pratt was doing with the

1267

00:49:37,130 --> 00:49:35,220

national enquirer and there was the same

1268

00:49:38,809 --> 00:49:37,140

stories about first telling me because I

1269

00:49:41,059 --> 00:49:38,819

was active that time with with the

1270

00:49:43,339 --> 00:49:41,069

National Enquirer that the Americans

1271

00:49:46,579 --> 00:49:43,349

appeared there right away so you have

1272

00:49:48,319 --> 00:49:46,589

you know you can give them financial

1273

00:49:50,120 --> 00:49:48,329

thing these countries need this kind of

1274

00:49:51,410 --> 00:49:50,130

stuff or your American support you can

1275

00:49:52,700 --> 00:49:51,420

offer them all this kind of stuff in

1276

00:49:54,289 --> 00:49:52,710

exchange for this kind of stuff so I

1277

00:49:55,700 --> 00:49:54,299

think you have these hemispheres with

1278

00:49:57,739 --> 00:49:55,710

the Chinese control a lot of countries

1279

00:49:59,749 --> 00:49:57,749

to control this material the Russians

1280

00:50:01,309 --> 00:49:59,759

control a lot of material and the the

1281

00:50:02,269 --> 00:50:01,319

Americans control a lot of the material

1282

00:50:03,799 --> 00:50:02,279

Wow

1283

00:50:06,769 --> 00:50:03,809

you know I have a bunch of questions

1284

00:50:08,120 --> 00:50:06,779

that came in from email this one I had

1285

00:50:10,640 --> 00:50:08,130

to cut down a little bit you know I came

1286

00:50:12,620 --> 00:50:10,650

in from Kerry he wanted to know do you

1287

00:50:15,680 --> 00:50:12,630

think Department depending on which

1288

00:50:19,059 --> 00:50:15,690

person is in office at the time by way

1289

00:50:21,799 --> 00:50:19,069

of his or possibly the future her

1290

00:50:25,489 --> 00:50:21,809

character limits what information they

1291

00:50:27,200 --> 00:50:25,499

are get told about UFOs no I used to

1292

00:50:28,910 --> 00:50:27,210

believe that I used to I used to lecture

1293

00:50:30,319 --> 00:50:28,920

and actually on my website if most of

1294

00:50:31,969 --> 00:50:30,329

stuff I'm more Osage now is wrong

1295

00:50:34,370 --> 00:50:31,979

because I said you know the president

1296

00:50:36,349 --> 00:50:34,380

doesn't know I said you know I used to

1297

00:50:38,329 --> 00:50:36,359

tell the story that the Democrats were

1298

00:50:40,099 --> 00:50:38,339

were not told and the Republicans were

1299

00:50:42,440 --> 00:50:40,109

told because the Republicans have a you

1300

00:50:45,079 --> 00:50:42,450

know a closer tie to the to the military

1301
00:50:47,269 --> 00:50:45,089
and I know I no longer believe that and

1302
00:50:49,039 --> 00:50:47,279
I have in my book I put it in appendix

1303
00:50:50,420 --> 00:50:49,049
where I I say well if you believe that

1304
00:50:51,920 --> 00:50:50,430
certain presidents have told certain

1305
00:50:54,559 --> 00:50:51,930
things then you got to start explaining

1306
00:50:58,549 --> 00:50:54,569
this and I I go to the the Adamski story

1307
00:51:00,920 --> 00:50:58,559
that that Kennedy was given access to

1308
00:51:02,359 --> 00:51:00,930
the aliens I tell the story that Tim

1309
00:51:04,880 --> 00:51:02,369
good tells and Tim gives a pretty

1310
00:51:08,120 --> 00:51:04,890
reliable source that he talked to the

1311
00:51:11,280 --> 00:51:08,130
head of Air Force One about Kennedy

1312
00:51:13,980 --> 00:51:11,290
being flown to Florida to see bodies and

1313
00:51:17,580 --> 00:51:13,990

Jagr and nixon showing jackie gleason

1314

00:51:20,520 --> 00:51:17,590

the body nixon having alien photographs

1315

00:51:25,170 --> 00:51:20,530

in his filing cabinet Jimmy Carter

1316

00:51:27,000 --> 00:51:25,180

telling Shirley MacLaine yes there were

1317

00:51:28,140 --> 00:51:27,010

occupants why should we be the only

1318

00:51:34,020 --> 00:51:28,150

people in the universe

1319

00:51:36,240 --> 00:51:34,030

I wanted to son would what it called it

1320

00:51:38,250 --> 00:51:36,250

I wanted to expose it to the people to

1321

00:51:40,140 --> 00:51:38,260

see how they would react but I couldn't

1322

00:51:41,310 --> 00:51:40,150

and wouldn't and so you have all these

1323

00:51:46,590 --> 00:51:41,320

different things were almost every

1324

00:51:48,480 --> 00:51:46,600

president or secret stuff where I had a

1325

00:51:49,950 --> 00:51:48,490

guy phone me one time and say if you got

1326

00:51:51,510 --> 00:51:49,960

Jimmy Carter's phone number and I said I

1327

00:51:53,460 --> 00:51:51,520

mean I got Jimmy Carter's phone this is

1328

00:51:55,349 --> 00:51:53,470

a high-level guy that's it's connected

1329

00:51:57,270 --> 00:51:55,359

to I don't want to say through his

1330

00:51:58,980 --> 00:51:57,280

scientists is but you know the

1331

00:52:02,220 --> 00:51:58,990

scientists and he works for him and he

1332

00:52:03,420 --> 00:52:02,230

said because the whole story about the

1333

00:52:04,500 --> 00:52:03,430

Holloman Air Force Base film they were

1334

00:52:06,870 --> 00:52:04,510

trying to track down the Holloman Air

1335

00:52:08,849 --> 00:52:06,880

Force Base film and I was very much

1336

00:52:10,500 --> 00:52:08,859

involved in that story so he said we got

1337

00:52:12,090 --> 00:52:10,510

Jimmy Carter's phone number because

1338

00:52:14,880 --> 00:52:12,100

there was a story that Jimmy Carter one

1339

00:52:16,680 --> 00:52:14,890

of his Secret Service guys had said that

1340

00:52:18,810 --> 00:52:16,690

part of the briefing he was in the

1341

00:52:21,210 --> 00:52:18,820

briefing for Carter and he was shown a

1342

00:52:23,480 --> 00:52:21,220

15-minute color film of a landing at

1343

00:52:28,170 --> 00:52:23,490

Holloman Air Force Base and so this

1344

00:52:29,250 --> 00:52:28,180

scientist PhD astrophysicists guy phones

1345

00:52:30,450 --> 00:52:29,260

me up and says you got Jimmy Carter's

1346

00:52:31,830 --> 00:52:30,460

phone number and I said well no I'm a

1347

00:52:33,030 --> 00:52:31,840

Canadian why would I have Jimmy Carter's

1348

00:52:34,380 --> 00:52:33,040

warned about Jimmy Carter's phone number

1349

00:52:35,430 --> 00:52:34,390

and they see I said well what do you

1350

00:52:37,670 --> 00:52:35,440

want his phone number for he said well I

1351

00:52:39,990 --> 00:52:37,680

just talked to Bush and I talked to I

1352

00:52:41,880 --> 00:52:40,000

talked to Bush and I talked to Ford

1353

00:52:42,810 --> 00:52:41,890

about the Holloman Air Force Base film

1354

00:52:45,060 --> 00:52:42,820

and of course the Holloman Air Force

1355

00:52:47,550 --> 00:52:45,070

Base film depending whether you listen

1356

00:52:49,109 --> 00:52:47,560

to counterintelligence or the the guys

1357

00:52:52,550 --> 00:52:49,119

who actually got the original material

1358

00:52:54,690 --> 00:52:52,560

was that either in 1971 or in 1964

1359

00:52:57,960 --> 00:52:54,700

aliens land at Holloman Air Force Base

1360

00:52:59,820 --> 00:52:57,970

film Holloman Air Force Base the craft

1361

00:53:01,290 --> 00:52:59,830

landed these aliens got out there was an

1362

00:53:02,970 --> 00:53:01,300

interaction the craft was put in a

1363

00:53:05,550 --> 00:53:02,980

hangar and they had the number of the

1364

00:53:06,750 --> 00:53:05,560

hangar and the address on the base and

1365

00:53:08,190 --> 00:53:06,760

all this kind of stuff and so what

1366

00:53:10,650 --> 00:53:08,200

they're trying to do is confirm this

1367

00:53:13,320 --> 00:53:10,660

story and what he told me through he

1368

00:53:14,700 --> 00:53:13,330

they all belonged to this foreign

1369

00:53:16,320 --> 00:53:14,710

intelligence agent and foreign

1370

00:53:18,240 --> 00:53:16,330

intelligence group and it's like ember

1371

00:53:19,950 --> 00:53:18,250

at the name of the group is but that's

1372

00:53:23,520 --> 00:53:19,960

how he got two of these people

1373

00:53:25,070 --> 00:53:23,530

he's if Ford and and Bush Senior both

1374

00:53:26,750 --> 00:53:25,080

belong to this group so he

1375

00:53:28,910 --> 00:53:26,760

he got ahold of them and he asked for it

1376

00:53:31,850 --> 00:53:28,920

he said did you did you see the Holloman

1377

00:53:35,030 --> 00:53:31,860

Air Force Base film during your briefing

1378

00:53:36,350 --> 00:53:35,040

and Ford says yes I saw it and he said

1379

00:53:37,730 --> 00:53:36,360

well was it an eight twelve because

1380

00:53:39,470 --> 00:53:37,740

there's all this stuff like Coleman and

1381

00:53:42,020 --> 00:53:39,480

people putting out I was in 812 there

1382

00:53:43,910 --> 00:53:42,030

was a psychological film that was to

1383

00:53:45,350 --> 00:53:43,920

test the the troops and stuff I got so

1384

00:53:48,230 --> 00:53:45,360

he asked him you says it was an aid talk

1385

00:53:50,030 --> 00:53:48,240

no was it a psychological film no and he

1386

00:53:51,650 --> 00:53:50,040

said well when was the briefing and did

1387

00:53:53,480 --> 00:53:51,660

a briefing I say is always the key thing

1388

00:53:56,080 --> 00:53:53,490

he said to Ford when was the briefing

1389

00:53:59,300 --> 00:53:56,090

and breathe he said I'm not going there

1390

00:54:00,590 --> 00:53:59,310

don't even bother to ask because if you

1391

00:54:01,730 --> 00:54:00,600

get the briefing you get the date of the

1392

00:54:02,870 --> 00:54:01,740

briefing and who was in the briefing

1393

00:54:04,400 --> 00:54:02,880

then you can start to dig for the

1394

00:54:06,560 --> 00:54:04,410

documents he said I'm not even to go

1395

00:54:08,630 --> 00:54:06,570

there he asked Bush Senior did you see

1396

00:54:10,910 --> 00:54:08,640

the briefing they are the Holloman Air

1397

00:54:12,200 --> 00:54:10,920

Force Base film he said yes I saw it but

1398

00:54:15,020 --> 00:54:12,210

not as my president not in my

1399

00:54:17,030 --> 00:54:15,030

presidential briefing I saw it as CIA

1400

00:54:18,680 --> 00:54:17,040

director so you have these stories and I

1401
00:54:20,870 --> 00:54:18,690
have an appendix that shows all these

1402
00:54:22,280 --> 00:54:20,880
different things and it's again it comes

1403
00:54:25,010 --> 00:54:22,290
down to this constitutional argument

1404
00:54:26,510 --> 00:54:25,020
that you can say you got to realize how

1405
00:54:28,310 --> 00:54:26,520
government works there's lots and lots

1406
00:54:30,530 --> 00:54:28,320
and lots of people in the government and

1407
00:54:32,660 --> 00:54:30,540
they're all honest people who are just

1408
00:54:34,250 --> 00:54:32,670
trying to they may be deluded totally

1409
00:54:35,600 --> 00:54:34,260
deluded but but they actually think

1410
00:54:37,310 --> 00:54:35,610
they're saving the world and they're all

1411
00:54:39,950 --> 00:54:37,320
trying to do this sort of stop so if you

1412
00:54:42,370 --> 00:54:39,960
have for example from the Eisenhower

1413
00:54:44,510 --> 00:54:42,380

going to the the Kennedy administration

1414

00:54:46,130 --> 00:54:44,520

when you have the UFO thing you've got a

1415

00:54:48,860 --> 00:54:46,140

lot of people involved in this whole

1416

00:54:50,240 --> 00:54:48,870

situation in NSA and you know

1417

00:54:52,280 --> 00:54:50,250

intelligence or all these different

1418

00:54:54,170 --> 00:54:52,290

things how do you suddenly turn all

1419

00:54:56,120 --> 00:54:54,180

these people and say okay our

1420

00:54:57,860 --> 00:54:56,130

administration is leaving all you people

1421

00:54:59,720 --> 00:54:57,870

are no longer allowed to tell the next

1422

00:55:02,570 --> 00:54:59,730

president what's going on it is not that

1423

00:55:04,190 --> 00:55:02,580

easy to to stop this ball this thing

1424

00:55:05,930 --> 00:55:04,200

from rolling you can see in the American

1425

00:55:08,300 --> 00:55:05,940

government that once something gets into

1426
00:55:09,350 --> 00:55:08,310
policy once things start rolling there's

1427
00:55:11,930 --> 00:55:09,360
no way you're going to turn it around

1428
00:55:14,720 --> 00:55:11,940
it's like set in stone and that's what

1429
00:55:16,130 --> 00:55:14,730
happens is that everybody is gonna say

1430
00:55:18,230 --> 00:55:16,140
the same thing that the next president

1431
00:55:19,430 --> 00:55:18,240
needs to know as much as possible and we

1432
00:55:21,380 --> 00:55:19,440
give him as much material as possible

1433
00:55:22,970 --> 00:55:21,390
and they all believe that the president

1434
00:55:26,600 --> 00:55:22,980
is this constitutional he's like a

1435
00:55:28,010 --> 00:55:26,610
monarch he rules the world we can't you

1436
00:55:29,870 --> 00:55:28,020
know argue with the president he can

1437
00:55:31,250 --> 00:55:29,880
drop the nuclear bombs if he wants he

1438
00:55:32,990 --> 00:55:31,260

can do whatever he's got this ultimate

1439

00:55:34,550 --> 00:55:33,000

power and everybody salutes to the

1440

00:55:36,170 --> 00:55:34,560

president because if you say you're the

1441

00:55:37,610 --> 00:55:36,180

military and you decide going from the

1442

00:55:39,270 --> 00:55:37,620

Eisenhower administration of the KE

1443

00:55:41,010 --> 00:55:39,280

administration you just

1444

00:55:42,660 --> 00:55:41,020

I'm not gonna tell the president and

1445

00:55:44,339 --> 00:55:42,670

then he calls you in and says okay

1446

00:55:45,660 --> 00:55:44,349

what's the what's the what's the story

1447

00:55:48,599 --> 00:55:45,670

and you say you don't have the need to

1448

00:55:51,630 --> 00:55:48,609

know mr. president he says okay thank

1449

00:55:54,270 --> 00:55:51,640

you very much the guy leaves you phoned

1450

00:55:55,920 --> 00:55:54,280

the head of his boss and you say okay I

1451

00:55:57,390 --> 00:55:55,930

want his resignation on my desk at nine

1452

00:55:59,069 --> 00:55:57,400

o'clock tomorrow morning and I want his

1453

00:56:00,420 --> 00:55:59,079

boss in here the president can fire

1454

00:56:02,250 --> 00:56:00,430

anybody wants the president does not

1455

00:56:03,720 --> 00:56:02,260

even have a security clearance which is

1456

00:56:05,880 --> 00:56:03,730

one of the biggest things people make a

1457

00:56:08,190 --> 00:56:05,890

mistake about people think that the

1458

00:56:09,900 --> 00:56:08,200

security thing is run by law I didn't

1459

00:56:11,760 --> 00:56:09,910

realize this until in the last year I

1460

00:56:13,920 --> 00:56:11,770

didn't realize this it's not run by law

1461

00:56:17,099 --> 00:56:13,930

there was no laws to run this thing all

1462

00:56:19,559 --> 00:56:17,109

security all the classifications all the

1463

00:56:22,559 --> 00:56:19,569

need to know all the the codewords

1464

00:56:24,390 --> 00:56:22,569

all that is run out of the executive

1465

00:56:27,480 --> 00:56:24,400

office of the president the president is

1466

00:56:29,910 --> 00:56:27,490

in charge of all security all clearances

1467

00:56:32,490 --> 00:56:29,920

everything is run you can take a look it

1468

00:56:34,349 --> 00:56:32,500

you take a look at the eyes Roosevelt

1469

00:56:37,049 --> 00:56:34,359

was the first 1940 he created

1470

00:56:41,400 --> 00:56:37,059

confidential and secret Truman added

1471

00:56:43,079 --> 00:56:41,410

top-secret Eisenhower added clearances

1472

00:56:46,130 --> 00:56:43,089

for national security information and

1473

00:56:49,170 --> 00:56:46,140

they built on this and even Bill Clinton

1474

00:56:50,640 --> 00:56:49,180

you take 1993 I think all the contractor

1475

00:56:53,309 --> 00:56:50,650

stuff that was under Bill Clinton that

1476

00:56:55,170 --> 00:56:53,319

all the the the contractors security

1477

00:56:57,000 --> 00:56:55,180

type stuff so if you're if you've got a

1478

00:56:58,410 --> 00:56:57,010

clearance it's run out of the executive

1479

00:56:59,760 --> 00:56:58,420

office of the president and that when

1480

00:57:01,200 --> 00:56:59,770

you start going back you start to see

1481

00:57:03,210 --> 00:57:01,210

how this thing all fits together that

1482

00:57:06,000 --> 00:57:03,220

the original mj-12 documents that's very

1483

00:57:08,430 --> 00:57:06,010

controversial in there it says it's a

1484

00:57:09,539 --> 00:57:08,440

classified executive order which means

1485

00:57:12,599 --> 00:57:09,549

it's run out of the president is the

1486

00:57:13,770 --> 00:57:12,609

president so you can't say if you you

1487

00:57:15,539 --> 00:57:13,780

hear these people who say oh I've got a

1488

00:57:17,819 --> 00:57:15,549

clearance 15 levels above the president

1489

00:57:18,960 --> 00:57:17,829

you tell them you're full of it man the

1490

00:57:20,970 --> 00:57:18,970

president doesn't have a security

1491

00:57:23,160 --> 00:57:20,980

clearance you can look you can google

1492

00:57:25,710 --> 00:57:23,170

search you can it will be confirmed by

1493

00:57:28,230 --> 00:57:25,720

all the the different people who know

1494

00:57:29,220 --> 00:57:28,240

this stuff the President does not have a

1495

00:57:30,720 --> 00:57:29,230

security clearance

1496

00:57:32,490 --> 00:57:30,730

none whatsoever you can see whatever he

1497

00:57:34,200 --> 00:57:32,500

wants you can look at where everybody

1498

00:57:36,780 --> 00:57:34,210

else is under him and has the security

1499

00:57:39,059 --> 00:57:36,790

clearance so the president has to know

1500

00:57:41,940 --> 00:57:39,069

he has to be in charge of this whole

1501

00:57:43,230 --> 00:57:41,950

thing and the idea is that that that

1502

00:57:45,420 --> 00:57:43,240

some presidents are told and some

1503

00:57:46,920 --> 00:57:45,430

president it's nice and theory but it

1504

00:57:48,690 --> 00:57:46,930

doesn't you start looking at it it does

1505

00:57:50,670 --> 00:57:48,700

make any sense whatsoever that you can

1506

00:57:52,470 --> 00:57:50,680

suddenly cut them out because if you can

1507

00:57:53,940 --> 00:57:52,480

cut the president out you

1508

00:57:55,290 --> 00:57:53,950

mr. president you ever need to know for

1509

00:57:56,910 --> 00:57:55,300

this and the prison stupid enough to go

1510

00:57:58,140 --> 00:57:56,920

along with that well then you say well

1511

00:57:59,760 --> 00:57:58,150

he doesn't have a need to know about

1512

00:58:00,810 --> 00:57:59,770

what's going on in Afghanistan he

1513

00:58:02,700 --> 00:58:00,820

doesn't have a need to know about this

1514

00:58:04,080 --> 00:58:02,710

I'm gonna or they say for example

1515

00:58:06,030 --> 00:58:04,090

they'll say oh the president we want to

1516

00:58:06,930 --> 00:58:06,040

protect the president so we we tell them

1517

00:58:08,880 --> 00:58:06,940

we're not gonna tell you mr. president

1518

00:58:10,620 --> 00:58:08,890

cuz we want to protect you then they say

1519

00:58:12,960 --> 00:58:10,630

okay well we don't want them to know

1520

00:58:14,580 --> 00:58:12,970

about the Iraq war we don't know about

1521

00:58:16,590 --> 00:58:14,590

the economy we don't and you could

1522

00:58:16,980 --> 00:58:16,600

protect the president and not tell him

1523

00:58:19,050 --> 00:58:16,990

anything

1524

00:58:20,580 --> 00:58:19,060

and then he's totally protected that's a

1525

00:58:23,160 --> 00:58:20,590

whole deal the buck stops at the

1526

00:58:25,080 --> 00:58:23,170

president the president is is the guy

1527

00:58:27,120 --> 00:58:25,090

who has to take responsibility for

1528

00:58:29,580 --> 00:58:27,130

everything and anything that happens

1529

00:58:30,810 --> 00:58:29,590

under him you can say well the president

1530

00:58:33,480 --> 00:58:30,820

didn't know but he's still gonna go down

1531

00:58:34,650 --> 00:58:33,490

if you suddenly say okay was the CIA it

1532

00:58:36,060 --> 00:58:34,660

was running the thing and the president

1533

00:58:38,310 --> 00:58:36,070

didn't know the president still going

1534

00:58:39,870 --> 00:58:38,320

down he's still in Constitution he's

1535

00:58:43,470 --> 00:58:39,880

still the guy who's actually responsible

1536

00:58:45,060 --> 00:58:43,480

for everything well okay just to let the

1537

00:58:47,670 --> 00:58:45,070

listener know in our to we're going to

1538

00:58:50,810 --> 00:58:47,680

get into you're gonna be talking about

1539

00:58:54,090 --> 00:58:50,820

the key to understanding the UFO mystery

1540

00:58:56,220 --> 00:58:54,100

the role of consciousness and why you

1541

00:58:59,190 --> 00:58:56,230

don't follow UFO reports all kinds of

1542

00:59:03,260 --> 00:58:59,200

things like that but so that kind of

1543

00:59:05,490 --> 00:59:03,270

wraps it up for our one of this show and

1544

00:59:07,620 --> 00:59:05,500

we're not going into a break or anything

1545

00:59:11,340 --> 00:59:07,630

but I just thought I would let you know

1546

00:59:14,250 --> 00:59:11,350

that and let's see we have a bunch of

1547

00:59:16,020 --> 00:59:14,260

questions here and one of them is what

1548

00:59:19,620 --> 00:59:16,030

can you tell us about the continuity of

1549

00:59:22,050 --> 00:59:19,630

government operation at Mount weather

1550

00:59:24,690 --> 00:59:22,060

and if there seems to be any connection

1551
00:59:26,070 --> 00:59:24,700
between that and UFOs okay that that's

1552
00:59:28,020 --> 00:59:26,080
an extremely important thing and that

1553
00:59:30,840 --> 00:59:28,030
goes to this the same idea does the

1554
00:59:35,030 --> 00:59:30,850
president know this goes back an article

1555
00:59:38,130 --> 00:59:35,040
I've wrote it's on my I think it's on my

1556
00:59:41,310 --> 00:59:38,140
my blog site if you google searched

1557
00:59:43,260 --> 00:59:41,320
White House UFO and blog it will pop up

1558
00:59:45,330 --> 00:59:43,270
my blog site the article is there it got

1559
00:59:47,250 --> 00:59:45,340
huge hits huge number of people wrote

1560
00:59:49,890 --> 00:59:47,260
this thing and what it comes from is a

1561
00:59:52,230 --> 00:59:49,900
story was told by Paul Hellyer a couple

1562
00:59:53,490 --> 00:59:52,240
months back and I've known Paul longer

1563
00:59:56,190 --> 00:59:53,500

than name by in the UFO field I was

1564

00:59:58,109 --> 00:59:56,200

chasing Paul around in 1970s and Paul

1565

01:00:00,330 --> 00:59:58,119

tells this story I'm sitting we're at a

1566

01:00:03,750 --> 01:00:00,340

you had the citizens hearing in the

1567

01:00:05,770 --> 01:00:03,760

United States in Canada we ran Victor be

1568

01:00:08,080 --> 01:00:05,780

Gianni set up a

1569

01:00:10,090 --> 01:00:08,090

similar type thing instead of senators

1570

01:00:14,590 --> 01:00:10,100

and congressmen they had reporters and

1571

01:00:16,000 --> 01:00:14,600

people doing PhDs in University and it

1572

01:00:18,070 --> 01:00:16,010

was a panel so there's a panel of us

1573

01:00:21,010 --> 01:00:18,080

there was Dolan and myself and Stanton

1574

01:00:22,210 --> 01:00:21,020

Friedman and Paul Hellyer and then all

1575

01:00:23,500 --> 01:00:22,220

these reporters in the other side they

1576

01:00:25,090 --> 01:00:23,510

would ask these questions and there was

1577

01:00:26,680 --> 01:00:25,100

it was jammed I don't how many people

1578

01:00:28,720 --> 01:00:26,690

400 people in the room in piles of

1579

01:00:31,240 --> 01:00:28,730

cameras and it was it was really big way

1580

01:00:33,010 --> 01:00:31,250

bigger than citizens hearing and so

1581

01:00:35,860 --> 01:00:33,020

anyway I'm sitting right beside Paul

1582

01:00:37,120 --> 01:00:35,870

Hellyer and I know a few interesting

1583

01:00:38,800 --> 01:00:37,130

stories I can tell about Paul Hellyer

1584

01:00:40,600 --> 01:00:38,810

and what what he knew and what he didn't

1585

01:00:43,270 --> 01:00:40,610

know but Paul Hellyer starts telling

1586

01:00:44,830 --> 01:00:43,280

this story and first of all they asked

1587

01:00:46,840 --> 01:00:44,840

him they say well who's who's briefed in

1588

01:00:48,550 --> 01:00:46,850

Canada who do you think knows and he

1589

01:00:50,290 --> 01:00:48,560

said the head of the Privy Council and

1590

01:00:51,130 --> 01:00:50,300

he's mentioning but he's guessing he's

1591

01:00:52,600 --> 01:00:51,140

saying well I think you know that

1592

01:00:54,520 --> 01:00:52,610

probably these people and whatever and

1593

01:00:56,080 --> 01:00:54,530

then later on he's asked another

1594

01:00:58,120 --> 01:00:56,090

question and that's when he adds this

1595

01:01:01,960 --> 01:00:58,130

thing he says well I I like to add one

1596

01:01:04,930 --> 01:01:01,970

that gets the briefing and he said he

1597

01:01:06,070 --> 01:01:04,940

tells the story I'm I get a phone call

1598

01:01:08,380 --> 01:01:06,080

from an Air Force buddy I think was an

1599

01:01:12,010 --> 01:01:08,390

Air Force buddy of his and this guy says

1600

01:01:15,880 --> 01:01:12,020

the head of the former head of emergency

1601
01:01:17,860 --> 01:01:15,890
measure Emergency Management in Canada

1602
01:01:21,040 --> 01:01:17,870
is dying of Lou Gehrig's disease

1603
01:01:23,890 --> 01:01:21,050
he's got ALS and he's got something he

1604
01:01:26,290 --> 01:01:23,900
wants to get off his chest about UFOs

1605
01:01:28,150 --> 01:01:26,300
and and he's decided you're the guy he

1606
01:01:30,580 --> 01:01:28,160
wants to tell it to so Paul says okay

1607
01:01:32,170 --> 01:01:30,590
fine so Paul doesn't go then the Air

1608
01:01:34,330 --> 01:01:32,180
Force guy phones him back again he says

1609
01:01:35,650 --> 01:01:34,340
he's about to go off the cliff you

1610
01:01:39,100 --> 01:01:35,660
better you better get you better talk to

1611
01:01:42,310 --> 01:01:39,110
him so Paul phones this guy up and the

1612
01:01:45,040 --> 01:01:42,320
guy says I just want to let you know I

1613
01:01:47,560 --> 01:01:45,050

was taken to Langley and I was given a

1614

01:01:49,720 --> 01:01:47,570

briefing and this thing's for real I was

1615

01:01:52,390 --> 01:01:49,730

given a briefing and I was made to sign

1616

01:01:56,230 --> 01:01:52,400

all these papers and I was taken to area

1617

01:01:58,180 --> 01:01:56,240

51 and I was I actually got to go inside

1618

01:02:01,270 --> 01:01:58,190

a craft I walked around inside a craft

1619

01:02:03,640 --> 01:02:01,280

and he said I I'm dying I swore I want

1620

01:02:05,370 --> 01:02:03,650

this on the record and so Paul tells the

1621

01:02:08,620 --> 01:02:05,380

story and he doesn't say who the guy is

1622

01:02:11,530 --> 01:02:08,630

but it's very important story is the

1623

01:02:14,860 --> 01:02:11,540

fact that if the head of emergency

1624

01:02:17,440 --> 01:02:14,870

management in Canada not even the United

1625

01:02:19,480 --> 01:02:17,450

States like some foreign power if the

1626

01:02:21,400 --> 01:02:19,490

CIA is bringing in the head of a

1627

01:02:24,550 --> 01:02:21,410

emergency management in Canada and

1628

01:02:26,950 --> 01:02:24,560

they're telling him what's going on it

1629

01:02:28,420 --> 01:02:26,960

makes no sense to say they're telling

1630

01:02:29,830 --> 01:02:28,430

Kathak Canadians what's going on but

1631

01:02:30,490 --> 01:02:29,840

they're not telling the president this

1632

01:02:32,920 --> 01:02:30,500

is nuts

1633

01:02:35,020 --> 01:02:32,930

the only reason this this just all fits

1634

01:02:38,650 --> 01:02:35,030

together is that the head of emergency

1635

01:02:40,120 --> 01:02:38,660

management is the guy who would have to

1636

01:02:41,650 --> 01:02:40,130

know and that's what it comes down to

1637

01:02:43,990 --> 01:02:41,660

when you look at this thing you say who

1638

01:02:45,700 --> 01:02:44,000

really needs to know if you don't need

1639

01:02:46,960 --> 01:02:45,710

to know they don't tell you but if

1640

01:02:50,140 --> 01:02:46,970

you're the head of Emergency Management

1641

01:02:52,060 --> 01:02:50,150

you need to know because if the thing

1642

01:02:54,760 --> 01:02:52,070

goes south if something crashes and you

1643

01:02:56,380 --> 01:02:54,770

can't control the story if you're gonna

1644

01:02:59,680 --> 01:02:56,390

do a disclosure thing and you're going

1645

01:03:01,630 --> 01:02:59,690

to suddenly say it's for real a lot of

1646

01:03:03,070 --> 01:03:01,640

things are gonna go south I wrote an

1647

01:03:04,540 --> 01:03:03,080

article called the sixty-four reasons

1648

01:03:06,160 --> 01:03:04,550

that decided not to tell you the truth

1649

01:03:07,930 --> 01:03:06,170

it's on my website it's called something

1650

01:03:09,850 --> 01:03:07,940

else but it's in the article section and

1651
01:03:11,440 --> 01:03:09,860
I go through and I say if you Rock you

1652
01:03:13,540 --> 01:03:11,450
realize what's going on and you realize

1653
01:03:15,220 --> 01:03:13,550
the briefing you do exactly what they're

1654
01:03:18,130 --> 01:03:15,230
doing because there's a lot of stuff

1655
01:03:20,530 --> 01:03:18,140
that can really get ugly and Steven

1656
01:03:22,359 --> 01:03:20,540
Greer started the one and it's true the

1657
01:03:24,400 --> 01:03:22,369
stock market could meltdown

1658
01:03:26,530 --> 01:03:24,410
you do not need a hundred percent of

1659
01:03:29,710 --> 01:03:26,540
people to panic you need a couple of

1660
01:03:33,460 --> 01:03:29,720
people with a pile of stock and owning

1661
01:03:35,680 --> 01:03:33,470
oil stock or something who realize this

1662
01:03:37,840 --> 01:03:35,690
is gonna go and they're going to short

1663
01:03:39,099 --> 01:03:37,850

sell their stock and that stock is gonna

1664

01:03:40,870 --> 01:03:39,109

be a hundred bucks and it's gonna be

1665

01:03:43,180 --> 01:03:40,880

opening a ten and heading for zero and

1666

01:03:45,340 --> 01:03:43,190

once those guys sell everybody else is

1667

01:03:47,260 --> 01:03:45,350

gonna sell now if I'm doing the briefing

1668

01:03:49,630 --> 01:03:47,270

and I say Martin okay this may not

1669

01:03:52,020 --> 01:03:49,640

happen but we don't know for sure this

1670

01:03:55,300 --> 01:03:52,030

may happen and the president goes I

1671

01:03:57,190 --> 01:03:55,310

don't of that I mean well hang on you

1672

01:03:59,230 --> 01:03:57,200

know like let's take this thing over

1673

01:04:00,970 --> 01:03:59,240

because you don't know and it's

1674

01:04:02,320 --> 01:04:00,980

uncertainty and if you're the if you're

1675

01:04:03,670 --> 01:04:02,330

in politics you don't want to do

1676

01:04:05,320 --> 01:04:03,680

anything that's uncertain you want to

1677

01:04:06,370 --> 01:04:05,330

make sure that it's especially to the

1678

01:04:08,710 --> 01:04:06,380

president you want the president look

1679

01:04:09,940 --> 01:04:08,720

like a fool that this thing all starts

1680

01:04:10,599 --> 01:04:09,950

going south there's a lot of things that

1681

01:04:13,180 --> 01:04:10,609

could go wrong

1682

01:04:15,580 --> 01:04:13,190

so emergency management is the guy who

1683

01:04:17,410 --> 01:04:15,590

has to know because things will start to

1684

01:04:18,700 --> 01:04:17,420

go bad I mean you can have riots you

1685

01:04:20,920 --> 01:04:18,710

could have also knows what's gonna

1686

01:04:23,320 --> 01:04:20,930

happen and so they have they have to

1687

01:04:25,750 --> 01:04:23,330

have a plan even if they don't believe

1688

01:04:27,640 --> 01:04:25,760

in UFOs they have to have a plan what if

1689

01:04:28,960 --> 01:04:27,650

aliens do come here we don't believe

1690

01:04:30,820 --> 01:04:28,970

aliens are coming about what happens if

1691

01:04:32,380 --> 01:04:30,830

aliens do come and suddenly land on the

1692

01:04:33,339 --> 01:04:32,390

White House lawn what are we gonna do

1693

01:04:35,170 --> 01:04:33,349

what kind of plan do we got

1694

01:04:36,789 --> 01:04:35,180

but money into the into the banks to

1695

01:04:38,319 --> 01:04:36,799

stop the banks from melting down we got

1696

01:04:40,059 --> 01:04:38,329

to do something with the stuff stock

1697

01:04:42,700 --> 01:04:40,069

market we got I guess the key with the

1698

01:04:44,259 --> 01:04:42,710

stock market is when 9/11 happened we

1699

01:04:45,849 --> 01:04:44,269

shut the stock market down for three or

1700

01:04:47,529 --> 01:04:45,859

four days or whatever it was and the

1701

01:04:49,599 --> 01:04:47,539

only reason I maintain they could open

1702

01:04:50,979 --> 01:04:49,609

the stock market again is because they

1703

01:04:52,660 --> 01:04:50,989

were able to convince the people that

1704

01:04:54,670 --> 01:04:52,670

they were able to do something about it

1705

01:04:56,410 --> 01:04:54,680

and what they said was if anybody stands

1706

01:04:57,789 --> 01:04:56,420

up on a plane and tries to hijack the

1707

01:04:59,559 --> 01:04:57,799

plane we're gonna have a Marshalls on

1708

01:05:01,509 --> 01:04:59,569

the plane and we're gonna shoot him and

1709

01:05:03,160 --> 01:05:01,519

every goes oh okay my they got under

1710

01:05:05,680 --> 01:05:03,170

control they've done something David but

1711

01:05:07,690 --> 01:05:05,690

if it's the UFO thing and if you don't

1712

01:05:08,829 --> 01:05:07,700

have control of this thing what are you

1713

01:05:10,380 --> 01:05:08,839

gonna do are you gonna open the stock

1714

01:05:12,670 --> 01:05:10,390

market again if it starts to melt down

1715

01:05:13,839 --> 01:05:12,680

then what do you do you got to convince

1716

01:05:15,069 --> 01:05:13,849

the people you've got this thing under

1717

01:05:16,749 --> 01:05:15,079

control but they don't have it under

1718

01:05:18,759 --> 01:05:16,759

control the aliens are running the show

1719

01:05:20,529 --> 01:05:18,769

and so that's that's the kind of

1720

01:05:23,680 --> 01:05:20,539

scenario you have to avoid and the

1721

01:05:25,059 --> 01:05:23,690

emergency management guy has to be in

1722

01:05:26,710 --> 01:05:25,069

charge of the thing and I knew this was

1723

01:05:28,539 --> 01:05:26,720

very important when Paul told the story

1724

01:05:30,579 --> 01:05:28,549

I was gone Wow because I had done a

1725

01:05:34,509 --> 01:05:30,589

story if you go to my my presidential

1726

01:05:37,259 --> 01:05:34,519

UFO site I had done a story on Johnson I

1727

01:05:39,579 --> 01:05:37,269

gone to the Johnson administration and I

1728

01:05:41,079 --> 01:05:39,589

look without that all the presidents I

1729

01:05:42,279 --> 01:05:41,089

would do each president I would see

1730

01:05:43,599 --> 01:05:42,289

which crash happened during the

1731

01:05:46,209 --> 01:05:43,609

president where was the president when

1732

01:05:47,890 --> 01:05:46,219

the crash took place who appeared and

1733

01:05:51,069 --> 01:05:47,900

you know at the White House or where it

1734

01:05:54,729 --> 01:05:51,079

was so Johnson had the Kecksburg crash

1735

01:05:57,150 --> 01:05:54,739

in December of 1965 the Kecksburg crash

1736

01:05:59,589 --> 01:05:57,160

occurred so I went to the Johnson

1737

01:06:01,450 --> 01:05:59,599

library and I started looking at all the

1738

01:06:03,309 --> 01:06:01,460

documents his pray that the daily

1739

01:06:05,229 --> 01:06:03,319

schedule where was the president where

1740

01:06:06,370 --> 01:06:05,239

was the secretary defense where was the

1741

01:06:09,099 --> 01:06:06,380

head of NASA and all this kind of stuff

1742

01:06:13,479 --> 01:06:09,109

and what I found out with that was that

1743

01:06:16,450 --> 01:06:13,489

the morning after the crash at the

1744

01:06:19,329 --> 01:06:16,460

Kecksburg the president was at the ranch

1745

01:06:21,999 --> 01:06:19,339

his Austin he was at his vacation ranch

1746

01:06:24,160 --> 01:06:22,009

in Austin recovering from an operation

1747

01:06:25,599 --> 01:06:24,170

or something and the next morning the

1748

01:06:28,420 --> 01:06:25,609

entire Joint Chiefs of Staff showed up

1749

01:06:31,359 --> 01:06:28,430

the head of NASA showed up the governor

1750

01:06:33,450 --> 01:06:31,369

of Pennsylvania showed up the the head

1751

01:06:35,739 --> 01:06:33,460
of Defense Department showed up

1752

01:06:36,789 --> 01:06:35,749
everybody that was anybody that would

1753

01:06:38,529 --> 01:06:36,799
have been involved in that crash

1754

01:06:40,620 --> 01:06:38,539
especially the Nassau guy head of NASA

1755

01:06:43,599 --> 01:06:40,630
they all showed up at the ranch and the

1756

01:06:45,339 --> 01:06:43,609
meeting said Vietnam War meeting but

1757

01:06:47,220 --> 01:06:45,349
they can change those kind of things and

1758

01:06:49,410 --> 01:06:47,230
so I was looking at that whole

1759

01:06:51,150 --> 01:06:49,420
whole thing and the key to this was that

1760

01:06:53,640 --> 01:06:51,160
there was a lot of evidence when I

1761

01:06:55,380 --> 01:06:53,650
started looking at the records around

1762

01:06:57,030 --> 01:06:55,390
the Kecksburg crash and the president

1763

01:07:00,270 --> 01:06:57,040

that showed that the president was

1764

01:07:02,640 --> 01:07:00,280

involved wonder was the day he comes

1765

01:07:04,950 --> 01:07:02,650

back from the ranch when the first

1766

01:07:08,099 --> 01:07:04,960

meetings he has in the White House is

1767

01:07:10,590 --> 01:07:08,109

with the head of FEMA the FEMA is

1768

01:07:13,890 --> 01:07:10,600

emergency management it's the American

1769

01:07:15,780 --> 01:07:13,900

equivalent of the the guy that Paul

1770

01:07:17,910 --> 01:07:15,790

Heller is talking about in Canada so

1771

01:07:19,740 --> 01:07:17,920

when the Kecksburg crash happens he has

1772

01:07:21,480 --> 01:07:19,750

a meeting with the head of FEMA the very

1773

01:07:23,040 --> 01:07:21,490

first meeting has the second meeting or

1774

01:07:25,770 --> 01:07:23,050

whatever but the same day comes back to

1775

01:07:27,450 --> 01:07:25,780

the IOC as his meeting with FEMA the

1776

01:07:29,099 --> 01:07:27,460

other thing I found out when you look at

1777

01:07:31,109 --> 01:07:29,109

the Blue Book files on the Kecksburg

1778

01:07:33,990 --> 01:07:31,119

crash and we would discover this sort of

1779

01:07:36,300 --> 01:07:34,000

bite by accident if you look at the

1780

01:07:37,500 --> 01:07:36,310

files on the Kecksburg crash they have

1781

01:07:40,050 --> 01:07:37,510

another name as they don't opt expires

1782

01:07:43,770 --> 01:07:40,060

another name you have all these these

1783

01:07:47,359 --> 01:07:43,780

reports and stuff and one of them is a

1784

01:07:50,250 --> 01:07:47,369

guy by name of Bourassa and Bourassa

1785

01:07:53,370 --> 01:07:50,260

puts a message on there that there's

1786

01:07:57,150 --> 01:07:53,380

been some metal recovered I think

1787

01:08:00,450 --> 01:07:57,160

Michigan I think and it on in the Blue

1788

01:08:02,340 --> 01:08:00,460

Book file it says Code Blue Grass and I

1789

01:08:03,900 --> 01:08:02,350

never knew what this was until years

1790

01:08:05,790 --> 01:08:03,910

later I started to look when after I

1791

01:08:07,830 --> 01:08:05,800

went came back from the Johnson

1792

01:08:10,380 --> 01:08:07,840

administration I look I find out what

1793

01:08:13,470 --> 01:08:10,390

blue grasses blue grass is Mount weather

1794

01:08:15,480 --> 01:08:13,480

blue grass is the code name for the

1795

01:08:17,400 --> 01:08:15,490

place where the president goes if

1796

01:08:19,979 --> 01:08:17,410

there's a nuclear attack and it's the

1797

01:08:22,140 --> 01:08:19,989

head of FEMA this is the key especially

1798

01:08:24,630 --> 01:08:22,150

in the old days this was the key place

1799

01:08:26,610 --> 01:08:24,640

because what you need is if the

1800

01:08:29,460 --> 01:08:26,620

president goes there you have to have

1801

01:08:32,099 --> 01:08:29,470

all the communication network to deal

1802

01:08:33,660 --> 01:08:32,109

with everybody foreign embassies Joint

1803

01:08:35,430 --> 01:08:33,670

Chiefs of Staff so you have all these

1804

01:08:38,130 --> 01:08:35,440

communications that go everywhere in the

1805

01:08:41,039 --> 01:08:38,140

world and at FEMA and at Mount weather

1806

01:08:42,870 --> 01:08:41,049

you have access to every every agency

1807

01:08:45,749 --> 01:08:42,880

every government agency every foreign

1808

01:08:49,499 --> 01:08:45,759

power and stuff like that so that's why

1809

01:08:50,820 --> 01:08:49,509

it's it's so powerful and Barossa ran

1810

01:08:53,370 --> 01:08:50,830

Mount weather

1811

01:08:55,620 --> 01:08:53,380

so Barossa on the night of the Kecksburg

1812

01:08:56,910 --> 01:08:55,630

crash the guy that's running the Mount

1813

01:08:59,729 --> 01:08:56,920

weather has all the communication

1814

01:09:01,140 --> 01:08:59,739

network is putting this message that the

1815

01:09:03,539 --> 01:09:01,150

day is the

1816

01:09:05,939 --> 01:09:03,549

has been a recovery of metal in Michigan

1817

01:09:08,820 --> 01:09:05,949

and when I saw that then I went now

1818

01:09:10,740 --> 01:09:08,830

looked at Barossa and I this guy ran

1819

01:09:13,289 --> 01:09:10,750

this whole thing for for many many years

1820

01:09:14,220 --> 01:09:13,299

and the other story I knew I had done

1821

01:09:14,939 --> 01:09:14,230

the interview I don't think I've ever

1822

01:09:16,769 --> 01:09:14,949

made it public

1823

01:09:18,390 --> 01:09:16,779

I didn't an interview with Steven Lufkin

1824

01:09:20,099 --> 01:09:18,400

Steven Lufkin was one of the

1825

01:09:23,249 --> 01:09:20,109

controversial witnesses for Steven Greer

1826

01:09:25,499 --> 01:09:23,259

and he claimed to be this general guy

1827

01:09:28,169 --> 01:09:25,509

who was a lawyer who had worked for

1828

01:09:29,550 --> 01:09:28,179

Eisenhower and claimed that he had been

1829

01:09:31,229 --> 01:09:29,560

with ice and Howard Eisenhower was

1830

01:09:33,780 --> 01:09:31,239

dueling UFOs and all this kind of stuff

1831

01:09:37,499 --> 01:09:33,790

I knew because I had interviewed him I

1832

01:09:39,959 --> 01:09:37,509

knew that he had said that the UFO thing

1833

01:09:41,220 --> 01:09:39,969

was being run out of Mount weather and I

1834

01:09:43,289 --> 01:09:41,230

asked him I said well how do you know

1835

01:09:45,390 --> 01:09:43,299

that and he said I was confronting him I

1836

01:09:47,099 --> 01:09:45,400

say how do you know that mount weather

1837

01:09:48,780 --> 01:09:47,109

was the place where they were monitoring

1838

01:09:51,450 --> 01:09:48,790

UFOs and stuff like that they had like

1839

01:09:53,760 --> 01:09:51,460

tracking UFOs and stuff a guy and he

1840

01:09:55,229 --> 01:09:53,770

said some guy told me he didn't mention

1841

01:09:57,030 --> 01:09:55,239

who the guy was but this guy told me

1842

01:09:59,340 --> 01:09:57,040

that this is where this happens and that

1843

01:10:00,630 --> 01:09:59,350

he had actually heard Eisenhower you'd

1844

01:10:00,930 --> 01:10:00,640

seen Eisenhower a couple times at Mount

1845

01:10:04,439 --> 01:10:00,940

weather

1846

01:10:05,790 --> 01:10:04,449

place so you I need a top-secret

1847

01:10:08,010 --> 01:10:05,800

security clearance just to get in the

1848

01:10:10,740 --> 01:10:08,020

place so all these things sort of fit

1849

01:10:12,000 --> 01:10:10,750

together that FEMA is running the whole

1850

01:10:14,520 --> 01:10:12,010

show and that's what you need

1851

01:10:17,340 --> 01:10:14,530

FEMA guy whether you believe in UFOs

1852

01:10:18,840 --> 01:10:17,350

aliens whatever you'd have to believe

1853

01:10:20,700 --> 01:10:18,850

that this guy and then one of the other

1854

01:10:22,500 --> 01:10:20,710

pieces of evidence I had was that the

1855

01:10:24,990 --> 01:10:22,510

FEMA manual this was the story that that

1856

01:10:27,780 --> 01:10:25,000

most people have covered that FEMA puts

1857

01:10:30,270 --> 01:10:27,790

out a manual to firefighters and they

1858

01:10:33,240 --> 01:10:30,280

have I think chapter 13 ha to deal with

1859

01:10:35,070 --> 01:10:33,250

a UFO cover recovery of a craft and they

1860

01:10:37,560 --> 01:10:35,080

actually have this chapter in this in

1861

01:10:39,419 --> 01:10:37,570

this manual FEMA manual on what to do if

1862

01:10:40,560 --> 01:10:39,429

a UFO crashes and they go through the

1863

01:10:42,510 --> 01:10:40,570

whole thing don't touch and there could

1864

01:10:44,100 --> 01:10:42,520

be you know radiation that could be you

1865

01:10:45,120 --> 01:10:44,110

know viruses and stuff and it goes

1866

01:10:47,399 --> 01:10:45,130

through the whole thing and then I think

1867

01:10:49,590 --> 01:10:47,409

they pulled it out of the manual once it

1868

01:10:50,820 --> 01:10:49,600

got exposed that this was there so you

1869

01:10:54,090 --> 01:10:50,830

see this kind of stuff that it makes

1870

01:10:56,790 --> 01:10:54,100

sense that FEMA knows the Canadians are

1871

01:10:58,350 --> 01:10:56,800

told so the president has to know and

1872

01:11:01,229 --> 01:10:58,360

that there is a plan and I absolutely

1873

01:11:03,090 --> 01:11:01,239

believe there is a plan in action that

1874

01:11:04,800 --> 01:11:03,100

that for all sorts of scenarios all

1875

01:11:06,479 --> 01:11:04,810

sorts of possibilities because that's

1876

01:11:08,010 --> 01:11:06,489

the way it works you that's what would

1877

01:11:10,169 --> 01:11:08,020

make sense Wow

1878

01:11:12,330 --> 01:11:10,179

now I'm gonna ask you we're gonna take a

1879

01:11:13,959 --> 01:11:12,340

real jack right here I'm gonna ask

1880

01:11:16,750 --> 01:11:13,969

because I've heard

1881

01:11:20,020 --> 01:11:16,760

about this before and we have someone in

1882

01:11:25,450 --> 01:11:20,030

the chat room that follows the Moody

1883

01:11:28,959 --> 01:11:25,460

Blues so I wanted to ask you you knew

1884

01:11:30,489 --> 01:11:28,969

something about the Moody Blues and I I

1885

01:11:33,819 --> 01:11:30,499

think I heard you mentioned something

1886

01:11:36,040 --> 01:11:33,829

about them can you talk about that the

1887

01:11:39,100 --> 01:11:36,050

Moody Blues were big-time into UFOs is

1888

01:11:42,430 --> 01:11:39,110

there's no tabata no doubt about it

1889

01:11:46,180 --> 01:11:42,440

they tell a few interesting stories they

1890

01:11:48,310 --> 01:11:46,190

were good friends with Jim talat oh so

1891

01:11:49,989 --> 01:11:48,320

if you ever have a chance to interview

1892

01:11:52,330 --> 01:11:49,999

him make sure you ask him about the

1893

01:11:55,180 --> 01:11:52,340

Moody Blues he did some work with them

1894

01:11:57,219 --> 01:11:55,190

and knew them fairly well and when they

1895

01:11:58,719 --> 01:11:57,229

came to Phoenix the Moody Blues they

1896

01:12:00,640 --> 01:11:58,729

would always go to Jim doll Tosa and get

1897

01:12:03,370 --> 01:12:00,650

the latest on UFOs the reason they were

1898

01:12:06,310 --> 01:12:03,380

interested in UFOs was that and this is

1899

01:12:07,989 --> 01:12:06,320

very open its in and it was in flying

1900

01:12:12,729 --> 01:12:07,999

saucer review I think they covered this

1901

01:12:15,040 --> 01:12:12,739

story in 1967 they are doing a concert

1902

01:12:21,700 --> 01:12:15,050

in Manchester England and they're going

1903

01:12:23,439 --> 01:12:21,710

back into London and Mike Pinder who is

1904

01:12:25,779 --> 01:12:23,449

the lead it was a lead singer for the

1905

01:12:28,569 --> 01:12:25,789

Moody Blues was very much into UFOs he

1906

01:12:30,160 --> 01:12:28,579

had UFO sightings as a kid he was very

1907

01:12:32,169 --> 01:12:30,170

open about the fact that sightings as a

1908

01:12:33,729 --> 01:12:32,179

kid he's sitting there in the back seat

1909

01:12:35,250 --> 01:12:33,739

and they're driving and he sees this

1910

01:12:37,660 --> 01:12:35,260

object which he thought was a

1911

01:12:39,700 --> 01:12:37,670

communication to our red light on top of

1912

01:12:40,930 --> 01:12:39,710

a tower and he's watching it watching it

1913

01:12:42,100 --> 01:12:40,940

it's still there still there and then he

1914

01:12:43,750 --> 01:12:42,110

points it out to the other guys and

1915

01:12:46,419 --> 01:12:43,760

they're all sort of watching it and then

1916

01:12:48,759 --> 01:12:46,429

they pull off the the motorway and the

1917

01:12:50,529 --> 01:12:48,769

thing lands in the office on the other

1918

01:12:53,049 --> 01:12:50,539

side of the motorway and in the forest

1919

01:12:54,100 --> 01:12:53,059

and that's all they remember and the

1920

01:12:55,899 --> 01:12:54,110

next thing they know they're back in

1921

01:13:00,189 --> 01:12:55,909

London and they've missing three hours

1922

01:13:03,189 --> 01:13:00,199

and one of the guys Graham I think was

1923

01:13:04,750 --> 01:13:03,199

the guy actually drew what he believed

1924

01:13:06,399 --> 01:13:04,760

was the alien that they'd had this and

1925

01:13:08,620 --> 01:13:06,409

they all basically are pretty open about

1926

01:13:10,750 --> 01:13:08,630

the fact that yeah they may have been

1927

01:13:13,299 --> 01:13:10,760

abducted that night that this actually

1928

01:13:15,729 --> 01:13:13,309

did happen and I actually had a guy

1929

01:13:18,160 --> 01:13:15,739

there's another one now a guy by name of

1930

01:13:19,930 --> 01:13:18,170

Steve Boucher who was in a band in

1931

01:13:22,029 --> 01:13:19,940

Canada I tracked this guy for years and

1932

01:13:23,589 --> 01:13:22,039

I was trying to find this band because I

1933

01:13:25,509 --> 01:13:23,599

heard another band had been abducted the

1934

01:13:27,399 --> 01:13:25,519

entire band in Canada out of st.

1935

01:13:28,020 --> 01:13:27,409

Catharines Ontario and this had been

1936

01:13:31,830 --> 01:13:28,030

written up in

1937

01:13:33,630 --> 01:13:31,840

a UFO Journal back in the 80s and then

1938

01:13:35,610 --> 01:13:33,640

I'm in Branford a couple months ago and

1939

01:13:37,080 --> 01:13:35,620

suddenly this guy's we're in it so when

1940

01:13:38,220 --> 01:13:37,090

these experienced or group things and

1941

01:13:39,570 --> 01:13:38,230

this guy stands up and tell start

1942

01:13:41,400 --> 01:13:39,580

telling the story I'm god this sounds

1943

01:13:43,170 --> 01:13:41,410

familiar and I'm somebody realized like

1944

01:13:44,190 --> 01:13:43,180

this guy was in this band and I went to

1945

01:13:45,780 --> 01:13:44,200

him I said man I've been looking for you

1946

01:13:47,640 --> 01:13:45,790

for years man I need to talk to you and

1947

01:13:50,130 --> 01:13:47,650

give me a business card and I actually

1948

01:13:53,610 --> 01:13:50,140

had him on my talking to my group in

1949

01:13:54,900 --> 01:13:53,620

Winnipeg on skype and he said same thing

1950

01:13:57,210 --> 01:13:54,910

as the Moody Blues I mean but he

1951

01:13:58,860 --> 01:13:57,220

remembered he went through Budd Hopkins

1952

01:13:59,970 --> 01:13:58,870

regressed them I think three times

1953

01:14:02,640 --> 01:13:59,980

though the person does by Dawkins

1954

01:14:03,990 --> 01:14:02,650

regressions did him three times and then

1955

01:14:05,940 --> 01:14:04,000

he had went back to Toronto we had a

1956

01:14:08,310 --> 01:14:05,950

bunch more regressions and he clearly

1957

01:14:10,800 --> 01:14:08,320

tells I mean all the all the band

1958

01:14:12,720 --> 01:14:10,810

members on the on the on the ship and

1959

01:14:14,550 --> 01:14:12,730

he's giving them his flute and and the

1960

01:14:16,830 --> 01:14:14,560

alien actually takes this flute and and

1961

01:14:18,990 --> 01:14:16,840

keeps it and then he talks about how the

1962

01:14:21,150 --> 01:14:19,000

entire audience was abducted later on

1963

01:14:23,310 --> 01:14:21,160

where a situation was abducted but the

1964

01:14:25,590 --> 01:14:23,320

Moody Blues is a big band and Moody

1965

01:14:27,810 --> 01:14:25,600

Blues with 70 million albums or whatever

1966

01:14:30,630 --> 01:14:27,820

they sold and the Moody Blues did a lot

1967

01:14:31,950 --> 01:14:30,640

of almost like anybody's into UFOs knows

1968

01:14:33,390 --> 01:14:31,960

what the Moody Blues and their music and

1969

01:14:35,610 --> 01:14:33,400

they're sort of influenced by the music

1970

01:14:38,370 --> 01:14:35,620

and they write the song the fastest way

1971

01:14:40,620 --> 01:14:38,380

to travel is with the mind or this is

1972

01:14:42,120 --> 01:14:40,630

through thought and this is how they fly

1973

01:14:43,740 --> 01:14:42,130

the UFOs this is where I get into

1974

01:14:45,330 --> 01:14:43,750

consciousness thing so they talk about

1975

01:14:47,340 --> 01:14:45,340

that but the in most interesting story

1976

01:14:49,680 --> 01:14:47,350

they tell is this is a story told by

1977

01:14:51,420 --> 01:14:49,690

Colin Anders and Colin Andrews cuz he

1978

01:14:53,700 --> 01:14:51,430

was very famous doing the crop circle

1979

01:14:55,290 --> 01:14:53,710

thing and he was approached by five

1980

01:14:57,750 --> 01:14:55,300

different bands the Moody Blues was one

1981

01:14:59,730 --> 01:14:57,760

of them and he tells a story that the

1982

01:15:02,640 --> 01:14:59,740

Moody Blues come to him after his

1983

01:15:03,600 --> 01:15:02,650

lecture and they say we want to talk to

1984

01:15:05,190 --> 01:15:03,610

you we'd like to take you out for lunch

1985

01:15:06,780 --> 01:15:05,200

we got something I want to tell you so

1986

01:15:08,190 --> 01:15:06,790

Colin tells the story and I've got on

1987

01:15:09,960 --> 01:15:08,200

tape Colin tells the story goes in

1988

01:15:11,610 --> 01:15:09,970

there's Pinder and the lead guitars for

1989

01:15:13,110 --> 01:15:11,620

the Moody Blues and they're having lunch

1990

01:15:14,820 --> 01:15:13,120

and Colin says you can tell these guys

1991

01:15:16,080 --> 01:15:14,830

are not making up this story yeah

1992

01:15:17,760 --> 01:15:16,090

because let's go back and forth telling

1993

01:15:19,230 --> 01:15:17,770

us then and they're going to one guy

1994

01:15:21,330 --> 01:15:19,240

tells a story and then back and forth

1995

01:15:23,850 --> 01:15:21,340

and they's tell the story that before

1996

01:15:26,190 --> 01:15:23,860

they were born they knew what was going

1997

01:15:27,960 --> 01:15:26,200

on that they were in a room with some

1998

01:15:30,300 --> 01:15:27,970

sort of elder type people and they were

1999

01:15:32,160 --> 01:15:30,310

told you are going to be musicians and

2000

01:15:33,690 --> 01:15:32,170

you're gonna go into the world and you

2001

01:15:34,830 --> 01:15:33,700

are there to raise consciousness and

2002

01:15:36,900 --> 01:15:34,840

you're going to put these lyrics into

2003

01:15:41,040 --> 01:15:36,910

your songs and Pinder is on record

2004

01:15:41,939 --> 01:15:41,050

saying lyrics have been put in songs by

2005

01:15:44,699 --> 01:15:41,949

forces

2006

01:15:46,109 --> 01:15:44,709

side of us and he's very open about that

2007

01:15:48,600 --> 01:15:46,119

but there they're telling the story that

2008

01:15:50,729 --> 01:15:48,610

before they were born they remember

2009

01:15:52,259 --> 01:15:50,739

clearly being told this job and then

2010

01:15:53,549 --> 01:15:52,269

they the lead guitarist sister Penry

2011

01:15:54,779 --> 01:15:53,559

says what to tell him how we came back

2012

01:15:56,219 --> 01:15:54,789

in tell him how we came back in the

2013

01:15:57,959 --> 01:15:56,229

world tell about that black hole and

2014

01:15:59,160 --> 01:15:57,969

then there was this black hole that they

2015

01:16:01,589 --> 01:15:59,170

came through this black hole and that's

2016

01:16:03,239 --> 01:16:01,599

how they came in in into into the world

2017

01:16:04,890 --> 01:16:03,249

and this gets down to the whole thing

2018

01:16:06,029 --> 01:16:04,900

with the experiences that you have I

2019

01:16:07,799 --> 01:16:06,039

done with the percentage but it's a

2020

01:16:10,350 --> 01:16:07,809

fairly high percentage of experiences

2021

01:16:12,180 --> 01:16:10,360

who will maintain they remember before

2022

01:16:13,919 --> 01:16:12,190

they were born they remember before they

2023

01:16:16,140 --> 01:16:13,929

were born that they had volunteered to

2024

01:16:18,660 --> 01:16:16,150

do this job this Steve Boucher who had

2025

01:16:20,370 --> 01:16:18,670

this band out of st. Catharines he tells

2026

01:16:22,410 --> 01:16:20,380

the story about the alien he gives me

2027

01:16:23,819 --> 01:16:22,420

the aliens name about him not wanting to

2028

01:16:25,199 --> 01:16:23,829

come and the aliens trying to talk him

2029

01:16:26,699 --> 01:16:25,209

into fact he's got to come to earth and

2030

01:16:28,739 --> 01:16:26,709

he's got this thing he's supposed to do

2031

01:16:30,419 --> 01:16:28,749

and all this kind of stuff so there's a

2032

01:16:31,439 --> 01:16:30,429

lot of people have this this thing about

2033

01:16:34,469 --> 01:16:31,449

before they were born

2034

01:16:35,609 --> 01:16:34,479

but the Moody Blues I mean I can say you

2035

01:16:37,290 --> 01:16:35,619

won't believe me if I tell you I

2036

01:16:38,969 --> 01:16:37,300

remember before our barn but the Moody

2037

01:16:42,719 --> 01:16:38,979

Blues is a different story these are big

2038

01:16:44,520 --> 01:16:42,729

time guys and so I've got the book

2039

01:16:46,649 --> 01:16:44,530

finished it's not going to editing I do

2040

01:16:49,560 --> 01:16:46,659

a whole thing with all the musicians

2041

01:16:52,199 --> 01:16:49,570

it's just unbelievable how many are

2042

01:16:54,810 --> 01:16:52,209

experiences and how many believed they

2043

01:16:57,120 --> 01:16:54,820

were they were part alien John Denver

2044

01:16:59,520 --> 01:16:57,130

for example believed that II was part

2045

01:17:01,979 --> 01:16:59,530

alien he came from the planet Lyra and

2046

01:17:03,600 --> 01:17:01,989

he actually writes a song called spirit

2047

01:17:05,399 --> 01:17:03,610

that was not released until after he

2048

01:17:06,540 --> 01:17:05,409

after he dies and you will see he's

2049

01:17:08,910 --> 01:17:06,550

talking about the stars in this

2050

01:17:10,919 --> 01:17:08,920

constellation Lyra and in public he

2051
01:17:12,899 --> 01:17:10,929
would say I often imagine I came from

2052
01:17:16,699 --> 01:17:12,909
this constellation the guy that wrote

2053
01:17:20,939 --> 01:17:16,709
the lyrics for the song or moves of the

2054
01:17:22,709 --> 01:17:20,949
melody for spirit said he believed he

2055
01:17:24,330 --> 01:17:22,719
was from there and piles of these

2056
01:17:29,279 --> 01:17:24,340
different people the guy who was ahead

2057
01:17:31,290 --> 01:17:29,289
of dub music that made Bob Marley famous

2058
01:17:32,819 --> 01:17:31,300
he believed he was an alien there was

2059
01:17:35,489 --> 01:17:32,829
piles and believed the Raelians there

2060
01:17:37,770 --> 01:17:35,499
was a there's a pile on the clearly head

2061
01:17:40,770 --> 01:17:37,780
of KISS clearly says he was abducted

2062
01:17:42,779 --> 01:17:40,780
John Lennon every indication we have

2063
01:17:44,669 --> 01:17:42,789

from John Lennon sighting was it was not

2064

01:17:47,459 --> 01:17:44,679

just a sighting it was very very bizarre

2065

01:17:50,429 --> 01:17:47,469

it had the odds effect and he was

2066

01:17:55,020 --> 01:17:50,439

probably abducted so you have a real

2067

01:18:00,089 --> 01:17:55,030

weird connection between aliens and

2068

01:18:01,399 --> 01:18:00,099

especially rock music but the I guess

2069

01:18:04,919 --> 01:18:01,409

the Moody Blues is one of the more

2070

01:18:07,049 --> 01:18:04,929

dramatic give me another one John

2071

01:18:09,720 --> 01:18:07,059

Anderson from yes the band yes which

2072

01:18:12,620 --> 01:18:09,730

also sold 50 million albums he came to

2073

01:18:16,680 --> 01:18:12,630

Colin Anders and he also on a radio show

2074

01:18:18,629 --> 01:18:16,690

where there was four people who he told

2075

01:18:20,879 --> 01:18:18,639

it off the air for people that I know

2076

01:18:22,770 --> 01:18:20,889

that were part of that thing when they

2077

01:18:24,959 --> 01:18:22,780

he was dead the interview told them as

2078

01:18:28,500 --> 01:18:24,969

well so I can tell the story that John

2079

01:18:30,780 --> 01:18:28,510

Anderson clearly he says that all art

2080

01:18:32,280 --> 01:18:30,790

and music comes from the Pleiades and

2081

01:18:33,600 --> 01:18:32,290

the question was well how does he know

2082

01:18:35,669 --> 01:18:33,610

that we're just getting this idea from

2083

01:18:37,859 --> 01:18:35,679

and he's fairly open that he's had UFO

2084

01:18:41,339 --> 01:18:37,869

sightings but what he told Colin Anders

2085

01:18:42,930 --> 01:18:41,349

was he was in Las Vegas Nevada doing a

2086

01:18:45,089 --> 01:18:42,940

concert and that he was staying at

2087

01:18:48,240 --> 01:18:45,099

Caesar's Palace and that when he was in

2088

01:18:50,640 --> 01:18:48,250

his room an alien came through the wall

2089

01:18:53,100 --> 01:18:50,650

and gave him information now he's never

2090

01:18:55,680 --> 01:18:53,110

gone public with that but I know Colin

2091

01:18:58,109 --> 01:18:55,690

Andrews and four or five and his four

2092

01:19:00,060 --> 01:18:58,119

people so five people total that he's

2093

01:19:01,859 --> 01:19:00,070

told that story to in private so you

2094

01:19:04,470 --> 01:19:01,869

have this very bizarre connection

2095

01:19:06,959 --> 01:19:04,480

between aliens and especially rock music

2096

01:19:08,459 --> 01:19:06,969

stars so what's the name of your book

2097

01:19:10,319 --> 01:19:08,469

that's going to be coming on have you to

2098

01:19:12,810 --> 01:19:10,329

have a working title or a finished title

2099

01:19:15,899 --> 01:19:12,820

mm-hmm no I don't I I the first one's

2100

01:19:18,180 --> 01:19:15,909

coming out is on inspiration it's it's

2101

01:19:20,160 --> 01:19:18,190

inspired the paranormal world of

2102

01:19:21,569 --> 01:19:20,170

creativity so I go through it started

2103

01:19:24,060 --> 01:19:21,579

with music what what happened with the

2104

01:19:26,010 --> 01:19:24,070

music thing and I say it's pretty funny

2105

01:19:27,419 --> 01:19:26,020

my father has been dead for ten years my

2106

01:19:28,649 --> 01:19:27,429

father would be rolling over in his

2107

01:19:30,060 --> 01:19:28,659

grave if he knew that his son was

2108

01:19:31,919 --> 01:19:30,070

writing a book I'm using because I'm a

2109

01:19:33,629 --> 01:19:31,929

musical idiot and I'll say clearly my

2110

01:19:36,270 --> 01:19:33,639

musical idiot I have never listened to

2111

01:19:39,089 --> 01:19:36,280

music I have bought two records in my

2112

01:19:40,830 --> 01:19:39,099

entire life I listen to talk radio I do

2113

01:19:42,270 --> 01:19:40,840

not listen to even now I don't listen

2114

01:19:44,850 --> 01:19:42,280

music except for the songs these bizarre

2115

01:19:48,000 --> 01:19:44,860

songs that were at the connections and

2116

01:19:49,020 --> 01:19:48,010

and and that I listen to and some of

2117

01:19:51,240 --> 01:19:49,030

them I don't even listen the whole song

2118

01:19:53,060 --> 01:19:51,250

I just yeah okay this makes sense the

2119

01:19:55,530 --> 01:19:53,070

lyrics that that this is part of it and

2120

01:19:57,149 --> 01:19:55,540

so and I don't play a musical instrument

2121

01:19:58,740 --> 01:19:57,159

never played my whole family's musical I

2122

01:19:59,399 --> 01:19:58,750

don't play a single musical instrument

2123

01:20:01,410 --> 01:19:59,409

or anything

2124

01:20:03,990 --> 01:20:01,420

and I'm writing this this this book I'm

2125

01:20:06,479 --> 01:20:04,000

music but though I'm doing the

2126
01:20:07,890 --> 01:20:06,489
inspiration one and what happened was no

2127
01:20:08,520 --> 01:20:07,900
interest in music and I get a phone call

2128
01:20:13,529 --> 01:20:08,530
from

2129
01:20:15,450 --> 01:20:13,539
he was talking to my group last night

2130
01:20:17,490 --> 01:20:15,460
and you're you were talking to Alejandro

2131
01:20:18,990 --> 01:20:17,500
and all the others talking about the UFO

2132
01:20:21,330 --> 01:20:19,000
sighting well the UFO sighting that he's

2133
01:20:23,580 --> 01:20:21,340
going to talk about happened with Chris

2134
01:20:26,819 --> 01:20:23,590
Bledsoe and Chris Bludso's told that

2135
01:20:28,430 --> 01:20:26,829
story in detail last night to my group

2136
01:20:33,740 --> 01:20:28,440
about this what John's gonna talk to

2137
01:20:36,270 --> 01:20:33,750
Alejandro about and so Chris Bledsoe has

2138
01:20:38,609 --> 01:20:36,280

I'm not gonna get in story it just it is

2139

01:20:39,990 --> 01:20:38,619

the wildest story of all times Warner

2140

01:20:42,060 --> 01:20:40,000

Brothers gonna throw eighty million

2141

01:20:43,830 --> 01:20:42,070

dollars at this story they were so fast

2142

01:20:48,029 --> 01:20:43,840

it's an unbelievable story but anyway

2143

01:20:49,529 --> 01:20:48,039

Chris Bledsoe contact me by email or

2144

01:20:50,879 --> 01:20:49,539

phone or something I've known it for

2145

01:20:53,069 --> 01:20:50,889

number years I had a bizarre experience

2146

01:20:55,620 --> 01:20:53,079

with him at his house and I've known him

2147

01:20:58,859 --> 01:20:55,630

since about 2012 and he phones me up and

2148

01:21:01,529 --> 01:20:58,869

he says I just want to let you know the

2149

01:21:03,209 --> 01:21:01,539

the guardians who he calls the people

2150

01:21:04,500 --> 01:21:03,219

he's dealing with the aliens he said

2151
01:21:08,790 --> 01:21:04,510
they've told me that the message is in

2152
01:21:11,939 --> 01:21:08,800
the music and I got whatever and he said

2153
01:21:15,569 --> 01:21:11,949
the one song is Kashmir by Led Zeppelin

2154
01:21:18,149 --> 01:21:15,579
and that's one of the ones and and then

2155
01:21:19,770 --> 01:21:18,159
he says the other one is and this is the

2156
01:21:21,479 --> 01:21:19,780
hook this is I'm on you can see it's

2157
01:21:23,459 --> 01:21:21,489
almost like this thing is planned more I

2158
01:21:25,350 --> 01:21:23,469
see UFOs it's like this thing is planned

2159
01:21:26,850 --> 01:21:25,360
it's like I'm getting dragged into one

2160
01:21:27,959 --> 01:21:26,860
thing after another it's like you know

2161
01:21:29,700 --> 01:21:27,969
I'm not going the right direction so the

2162
01:21:31,979 --> 01:21:29,710
aliens pull something on me and drag me

2163
01:21:34,470 --> 01:21:31,989

back into this thing again no interest

2164

01:21:36,629 --> 01:21:34,480

in like no inch none no interest in

2165

01:21:39,240 --> 01:21:36,639

music and he says to me he says the

2166

01:21:40,979 --> 01:21:39,250

other song is by Neil Young it's called

2167

01:21:43,020 --> 01:21:40,989

after the gold rush I said really

2168

01:21:45,600 --> 01:21:43,030

Neil Young they know nothing about music

2169

01:21:47,700 --> 01:21:45,610

but I do know that Neil Young the famous

2170

01:21:50,490 --> 01:21:47,710

musician grew up in Winnipeg Manitoba

2171

01:21:51,959 --> 01:21:50,500

Canada I know that and I said Neil Young

2172

01:21:53,220 --> 01:21:51,969

are you kidding me Neil Young he's from

2173

01:21:54,720 --> 01:21:53,230

my city you always from my city I'm

2174

01:21:56,819 --> 01:21:54,730

looking at the synchronicity of this

2175

01:21:58,200 --> 01:21:56,829

thing that's weird you know so I go and

2176

01:21:59,760 --> 01:21:58,210

look at the lyrics and though if you

2177

01:22:02,459 --> 01:21:59,770

look at the lyrics for after the gold

2178

01:22:04,200 --> 01:22:02,469

rush it is like there's 39 percent of

2179

01:22:05,850 --> 01:22:04,210

all experiences on board will say

2180

01:22:07,319 --> 01:22:05,860

they've seen the screen I asked him

2181

01:22:08,790 --> 01:22:07,329

you've seen the screen yeah I've seen

2182

01:22:11,339 --> 01:22:08,800

the screen and the screen is this thing

2183

01:22:13,260 --> 01:22:11,349

or that or they're told by visions and

2184

01:22:14,970 --> 01:22:13,270

dreams and stuff it's this Cataclysm

2185

01:22:16,529 --> 01:22:14,980

just you know this giant wave that comes

2186

01:22:18,890 --> 01:22:16,539

over the California coast that a lot of

2187

01:22:20,910 --> 01:22:18,900

people see and and these this

2188

01:22:22,330 --> 01:22:20,920

catastrophe that if we don't straighten

2189

01:22:24,280 --> 01:22:22,340

things out this is what's gonna happen

2190

01:22:26,080 --> 01:22:24,290

and there's a short - young kids and and

2191

01:22:27,879 --> 01:22:26,090

the impressive people on this this

2192

01:22:30,939 --> 01:22:27,889

environmental message that's coming up

2193

01:22:33,899 --> 01:22:30,949

from the aliens and so this the the song

2194

01:22:37,209 --> 01:22:33,909

was written by Neil Young in 1968 and

2195

01:22:39,580 --> 01:22:37,219

the song when when he sings the song if

2196

01:22:42,189 --> 01:22:39,590

you look at what he's saying the last

2197

01:22:44,250 --> 01:22:42,199

half of the lyrics are that we are

2198

01:22:47,109 --> 01:22:44,260

treating the world like a gold rush and

2199

01:22:49,240 --> 01:22:47,119

when the gold is gone it's going to

2200

01:22:52,030 --> 01:22:49,250

become a ghost town and this silver

2201
01:22:54,310 --> 01:22:52,040
seeds the flying saucers are gonna come

2202
01:22:58,570 --> 01:22:54,320
and take the chosen ones which is what

2203
01:23:01,359 --> 01:22:58,580
we now have on Smith calls abductees the

2204
01:23:03,399 --> 01:23:01,369
chosen ones to another planet and this

2205
01:23:06,580 --> 01:23:03,409
is his song and then you see this this

2206
01:23:08,229 --> 01:23:06,590
bizarre synchronicity where you get he

2207
01:23:09,820 --> 01:23:08,239
sings his song with this environmental

2208
01:23:11,560 --> 01:23:09,830
message and he's big environmental he's

2209
01:23:13,810 --> 01:23:11,570
up in Canada or he's trying to shut down

2210
01:23:15,760 --> 01:23:13,820
the oil sands in Canada he's huge

2211
01:23:18,669 --> 01:23:15,770
environmentalist and that that's another

2212
01:23:20,439 --> 01:23:18,679
tag that almost like he's an experiencer

2213
01:23:22,120 --> 01:23:20,449

but I have no proof days and experience

2214

01:23:24,010 --> 01:23:22,130

except for this bizarre song that has

2215

01:23:25,540 --> 01:23:24,020

this experience or message in it and

2216

01:23:29,169 --> 01:23:25,550

then suddenly you see all the people

2217

01:23:29,800 --> 01:23:29,179

starting to sing their song what's her

2218

01:23:36,399 --> 01:23:29,810

name

2219

01:23:36,939 --> 01:23:36,409

Tom York was one he sings the song Tom

2220

01:23:39,010 --> 01:23:36,949

York

2221

01:23:41,410 --> 01:23:39,020

sings this song there's no doubt he's an

2222

01:23:42,879 --> 01:23:41,420

experiancer you see these this song the

2223

01:23:49,149 --> 01:23:42,889

other one that's sang it was the guy

2224

01:23:56,830 --> 01:23:49,159

that was on Santana oh I sang that when

2225

01:23:58,270 --> 01:23:56,840

they did Grammy Award for well cause

2226

01:24:01,330 --> 01:23:58,280

Santana what what happened with the

2227

01:24:03,430 --> 01:24:01,340

Carlos Santana thing was Carlos Santana

2228

01:24:04,510 --> 01:24:03,440

doesn't get his like you have people are

2229

01:24:06,640 --> 01:24:04,520

claiming they're getting from aliens

2230

01:24:08,530 --> 01:24:06,650

then you get people who are getting it

2231

01:24:10,800 --> 01:24:08,540

through dreams so I do the dreams all

2232

01:24:13,089 --> 01:24:10,810

the artists who got songs through dreams

2233

01:24:13,899 --> 01:24:13,099

Nobel Prizes that came through dreams

2234

01:24:15,879 --> 01:24:13,909

and stuff like that

2235

01:24:18,669 --> 01:24:15,889

but Carlos Santana believed he was

2236

01:24:20,290 --> 01:24:18,679

getting his musical inspiration from an

2237

01:24:22,600 --> 01:24:20,300

archangel by name of Metatron and

2238

01:24:23,890 --> 01:24:22,610

Metatron falls into the UFO thing a

2239

01:24:26,950 --> 01:24:23,900

number of times but anyway he says he's

2240

01:24:33,839 --> 01:24:26,960

getting this inspiration and in 1997

2241

01:24:36,250 --> 01:24:33,849

Carlos Santana gets a a message that

2242

01:24:37,870 --> 01:24:36,260

through this channeling thing

2243

01:24:41,350 --> 01:24:37,880

says you haven't put out a major album

2244

01:24:44,200 --> 01:24:41,360

for 15 years what we're gonna do is

2245

01:24:45,580 --> 01:24:44,210

we're gonna take the top musicians and

2246

01:24:47,410 --> 01:24:45,590

we're gonna link you up with the top

2247

01:24:49,299 --> 01:24:47,420

musicians and we're gonna bring you back

2248

01:24:51,100 --> 01:24:49,309

onto the airwaves and you're gonna give

2249

01:24:54,850 --> 01:24:51,110

this message to the young children of

2250

01:24:56,680 --> 01:24:54,860

the world and so he says okay fine

2251
01:24:58,689 --> 01:24:56,690
whatever and suddenly he says people

2252
01:25:01,870 --> 01:24:58,699
start throwing him up like this this guy

2253
01:25:03,970 --> 01:25:01,880
that's name is escaping me Eric Clapton

2254
01:25:05,470 --> 01:25:03,980
phones them up all these major people

2255
01:25:08,709 --> 01:25:05,480
phone them up and and they say we're

2256
01:25:11,740 --> 01:25:08,719
gonna make you famous again in 2000 he

2257
01:25:15,580 --> 01:25:11,750
puts out the album called supernatural

2258
01:25:18,160 --> 01:25:15,590
supernatural sold 30 million albums it

2259
01:25:19,540 --> 01:25:18,170
won eight Grammy Awards did the record

2260
01:25:22,540 --> 01:25:19,550
the record is held by Michael Jackson

2261
01:25:25,000 --> 01:25:22,550
and Carlos Santana for this album and

2262
01:25:27,160 --> 01:25:25,010
and the people that are on there is Eric

2263
01:25:28,569 --> 01:25:27,170

Eric Clapton is rumored to be an

2264

01:25:31,149 --> 01:25:28,579

experiencer I heard that he'd been to

2265

01:25:33,669 --> 01:25:31,159

Hopkins and and and then regressions his

2266

01:25:35,529 --> 01:25:33,679

son is Michael Lee Hill Michael Lee Hill

2267

01:25:37,299 --> 01:25:35,539

is this guy who's photographing the UFOs

2268

01:25:39,250 --> 01:25:37,309

he claims to be the biological sign live

2269

01:25:41,919 --> 01:25:39,260

Clapton he's photographing these UFOs

2270

01:25:43,569 --> 01:25:41,929

over there over the Lake Erie or

2271

01:25:45,729 --> 01:25:43,579

whatever he lives in Cleveland Ohio

2272

01:25:47,410 --> 01:25:45,739

where where Clapton lives he has the

2273

01:25:49,720 --> 01:25:47,420

picture of his mother and Clapton

2274

01:25:51,279 --> 01:25:49,730

together and you you get these

2275

01:25:53,740 --> 01:25:51,289

synchronicities where suddenly all these

2276
01:25:56,470 --> 01:25:53,750
UFO people appear these experiences

2277
01:25:59,470 --> 01:25:56,480
appear with Santana so one of them is

2278
01:26:03,189 --> 01:25:59,480
experiencer and he sings this song then

2279
01:26:04,390 --> 01:26:03,199
you have the girl who sang Gloria she

2280
01:26:06,339 --> 01:26:04,400
was one of the first people to appear on

2281
01:26:07,959 --> 01:26:06,349
Saturday Night Live and she believes

2282
01:26:11,109 --> 01:26:07,969
she's part alien as well

2283
01:26:12,040 --> 01:26:11,119
she's the the godmother godmother punk

2284
01:26:13,750 --> 01:26:12,050
rock anyway

2285
01:26:17,200 --> 01:26:13,760
she sings the song all she does this

2286
01:26:19,000 --> 01:26:17,210
change it he says he uses 1970s and she

2287
01:26:20,620 --> 01:26:19,010
uses the 21st century she changed his a

2288
01:26:22,180 --> 01:26:20,630

couple of words in there she sings this

2289

01:26:22,600 --> 01:26:22,190

environmental song she sings it all the

2290

01:26:29,229 --> 01:26:22,610

time

2291

01:26:30,700 --> 01:26:29,239

well you know there was Gloria Gloria

2292

01:26:35,859 --> 01:26:30,710

she was said one of the first people are

2293

01:26:37,299 --> 01:26:35,869

in Sardinia nightlife anyway but anyway

2294

01:26:38,410 --> 01:26:37,309

you have sudden you have the all these

2295

01:26:44,229 --> 01:26:38,420

and the other one that's saying this

2296

01:26:45,609 --> 01:26:44,239

song was Dolly Parton and Dolly Parton

2297

01:26:46,959 --> 01:26:45,619

writes the song about abduction she

2298

01:26:48,129 --> 01:26:46,969

writes this thing I'm gone I think the

2299

01:26:50,049 --> 01:26:48,139

song is called I'm gone I've been

2300

01:26:51,849 --> 01:26:50,059

abducted and it's kind of a joke

2301

01:26:54,759 --> 01:26:51,859

what's kind of a joke she actually goes

2302

01:26:56,500 --> 01:26:54,769

to Neil Young and she says to him what's

2303

01:26:57,819 --> 01:26:56,510

the song about cuz her and Linda

2304

01:26:59,770 --> 01:26:57,829

Ronstadt and somebody else wanted to

2305

01:27:00,129 --> 01:26:59,780

sing this this song is after the gold

2306

01:27:02,500 --> 01:27:00,139

rush

2307

01:27:04,929 --> 01:27:02,510

so she says what's it mean Neil what was

2308

01:27:06,459 --> 01:27:04,939

the song mean and Neil Young says I have

2309

01:27:07,929 --> 01:27:06,469

no idea I was totally stoned when I

2310

01:27:09,309 --> 01:27:07,939

wrote the thing yeah I have no idea each

2311

01:27:12,159 --> 01:27:09,319

verse may mean something different

2312

01:27:13,000 --> 01:27:12,169

depending upon what I was on and so he's

2313

01:27:14,199 --> 01:27:13,010

claiming he doesn't know what this

2314

01:27:16,209 --> 01:27:14,209

lyrics mean but if you look at the

2315

01:27:17,979 --> 01:27:16,219

lyrics you see this wow it's like this

2316

01:27:19,359 --> 01:27:17,989

sort of environmental thing which a lot

2317

01:27:22,779 --> 01:27:19,369

of them get dragged into if you if you

2318

01:27:25,449 --> 01:27:22,789

look at sting you look at sting he talks

2319

01:27:27,669 --> 01:27:25,459

about doing the ayahuasca thing in South

2320

01:27:29,739 --> 01:27:27,679

America and he tells in his but his

2321

01:27:32,469 --> 01:27:29,749

biography tells the story about the fact

2322

01:27:35,079 --> 01:27:32,479

that he's put in with these alien type

2323

01:27:37,659 --> 01:27:35,089

gray type figures grab him and he's put

2324

01:27:39,669 --> 01:27:37,669

in front of this female alien and he's

2325

01:27:41,799 --> 01:27:39,679

playing this game of chess and he knows

2326

01:27:43,629 --> 01:27:41,809

he has to win this game and he loses the

2327

01:27:45,309 --> 01:27:43,639

game and he suddenly becomes obsessed

2328

01:27:47,500 --> 01:27:45,319

with the rainforest and he's put in

2329

01:27:49,659 --> 01:27:47,510

enough money from what I the figures I

2330

01:27:51,309 --> 01:27:49,669

saw to save 42 million acres of

2331

01:27:55,719 --> 01:27:51,319

rainforest he puts piles of money the

2332

01:27:57,669 --> 01:27:55,729

same as the head of Grateful Dead he was

2333

01:27:59,589 --> 01:27:57,679

big environmentalist he claimed that he

2334

01:28:00,879 --> 01:27:59,599

had this abduction experience and he was

2335

01:28:02,949 --> 01:28:00,889

putting money into the rainforest and

2336

01:28:06,189 --> 01:28:02,959

and you have Olivia newton-john who had

2337

01:28:08,079 --> 01:28:06,199

a real close encounter at 15 years old

2338

01:28:10,149 --> 01:28:08,089

her hair was standing up and she becomes

2339

01:28:12,729 --> 01:28:10,159

this massive environmentalist and and

2340

01:28:14,799 --> 01:28:12,739

hew and animal rights activists like

2341

01:28:16,569 --> 01:28:14,809

major and you see these so I put these

2342

01:28:18,099 --> 01:28:16,579

connections with the animal rights and

2343

01:28:20,799 --> 01:28:18,109

then where they're getting the songs and

2344

01:28:22,689 --> 01:28:20,809

these download songs are just so you

2345

01:28:24,909 --> 01:28:22,699

can't make this stuff up I'll tell you a

2346

01:28:26,529 --> 01:28:24,919

bizarre download which gets not so much

2347

01:28:28,149 --> 01:28:26,539

a day honest but this this download

2348

01:28:32,259 --> 01:28:28,159

thing there people are tapping into this

2349

01:28:36,459 --> 01:28:32,269

sort of upper whatever they're pulling

2350

01:28:39,699 --> 01:28:36,469

it on knowhere bono bono has a concert

2351
01:28:43,540 --> 01:28:39,709
yes I if you see his 2012 concert he has

2352
01:28:44,829 --> 01:28:43,550
a thing called us the spaceship and he's

2353
01:28:45,939 --> 01:28:44,839
in the spaceship thing and he's goes

2354
01:28:47,529 --> 01:28:45,949
around the world and he's doing this

2355
01:28:50,169 --> 01:28:47,539
concert and he doesn't really talk about

2356
01:28:52,779 --> 01:28:50,179
UFOs and then he has this dis event that

2357
01:28:55,059 --> 01:28:52,789
has this above the this this big huge

2358
01:28:56,649 --> 01:28:55,069
thing that he's under you have this sort

2359
01:28:59,949 --> 01:28:56,659
of a banner thing that runs around with

2360
01:29:01,869 --> 01:28:59,959
with with messages and images and stuff

2361
01:29:03,339 --> 01:29:01,879
and then suddenly you have this alien

2362
01:29:03,820 --> 01:29:03,349
comes on the screen above that above

2363
01:29:08,290 --> 01:29:03,830

this

2364

01:29:10,060 --> 01:29:08,300

alien says what time is it what time is

2365

01:29:12,400 --> 01:29:10,070

it and then Olson is three three three

2366

01:29:14,140 --> 01:29:12,410

three two three goes across this screen

2367

01:29:17,910 --> 01:29:14,150

I couldn't believe it like wow three

2368

01:29:22,810 --> 01:29:17,920

three three and then bono says hi

2369

01:29:25,540 --> 01:29:22,820

time time for help no end of the world

2370

01:29:29,020 --> 01:29:25,550

we need help and the people the Bono

2371

01:29:30,460 --> 01:29:29,030

people interpreted as Jeremiah 333 that

2372

01:29:33,220 --> 01:29:30,470

it wasn't the three three three that the

2373

01:29:34,150 --> 01:29:33,230

UFO people be Venus it was Jeremiah 333

2374

01:29:36,430 --> 01:29:34,160

which is supposed to be as well as

2375

01:29:37,720 --> 01:29:36,440

favoured passages was call upon me in

2376

01:29:39,640 --> 01:29:37,730

the day of trouble and now added liberty

2377

01:29:41,590 --> 01:29:39,650

so I do it like a download I'll tie her

2378

01:29:43,720 --> 01:29:41,600

bizarre this download thing he just came

2379

01:29:47,350 --> 01:29:43,730

against about bono was doing a concert

2380

01:29:48,640 --> 01:29:47,360

at Wembley Stadium in England and he

2381

01:29:50,110 --> 01:29:48,650

can't sleep the night before he's like

2382

01:29:51,430 --> 01:29:50,120

me before I had lectured lots of times I

2383

01:29:52,450 --> 01:29:51,440

don't sleep the night before so he's

2384

01:29:56,260 --> 01:29:52,460

there and he can't sleep and he's

2385

01:30:00,100 --> 01:29:56,270

playing this film called blue velvet and

2386

01:30:05,350 --> 01:30:00,110

in the film there's shoots yeah I'm not

2387

01:30:09,520 --> 01:30:05,360

not a music no I'm gonna ruin the whole

2388

01:30:14,620 --> 01:30:09,530

story here by not saying my dreams

2389

01:30:20,230 --> 01:30:14,630

mystery woman hang on he see this guy

2390

01:30:26,140 --> 01:30:20,240

singing this song darn it's good it's

2391

01:30:27,700 --> 01:30:26,150

ruining the story here Shh anyway anyway

2392

01:30:30,070 --> 01:30:27,710

in the song that they're singing this

2393

01:30:32,910 --> 01:30:30,080

guy song and he's from Tennessee

2394

01:30:37,960 --> 01:30:32,920

he's a country-western type guy died in

2395

01:30:40,060 --> 01:30:37,970

1990s and the song was called my dreams

2396

01:30:42,430 --> 01:30:40,070

so he's playing this tape he can't sleep

2397

01:30:44,050 --> 01:30:42,440

he's playing this this vid this movie

2398

01:30:47,290 --> 01:30:44,060

over and over again and this song comes

2399

01:30:49,480 --> 01:30:47,300

with this guy singing this song so he he

2400

01:30:51,820 --> 01:30:49,490

ghost he finally goes to sleep he wakes

2401
01:30:54,070 --> 01:30:51,830
up and there's a song in his head and

2402
01:30:55,720 --> 01:30:54,080
it's a song that he thinks that this guy

2403
01:30:57,100 --> 01:30:55,730
should be singing and he thinks well

2404
01:30:58,120 --> 01:30:57,110
it's just another song that this guy

2405
01:31:00,640 --> 01:30:58,130
sang and then he's thinking one knows

2406
01:31:03,550 --> 01:31:00,650
just a different song so he goes and he

2407
01:31:05,800 --> 01:31:03,560
and and at the at the soundcheck at

2408
01:31:14,640 --> 01:31:05,810
Wembley Stadium before he has the the

2409
01:31:20,500 --> 01:31:17,770
Orbison Roy Orbison so

2410
01:31:23,020 --> 01:31:20,510
Roberson he says Roy Orbison song sohee

2411
01:31:25,360 --> 01:31:23,030
at the soundcheck he plays for his his

2412
01:31:26,710 --> 01:31:25,370
band he plays his song he said man I got

2413
01:31:28,480 --> 01:31:26,720

this and I've dream last night he plays

2414

01:31:31,240 --> 01:31:28,490

this song and they say okay good didn't

2415

01:31:33,970 --> 01:31:31,250

they play the concert he goes down below

2416

01:31:35,050 --> 01:31:33,980

into the dressing room and he's got to

2417

01:31:37,390 --> 01:31:35,060

finish the song he's gotta finish the

2418

01:31:40,450 --> 01:31:37,400

song it came in his head knock on the

2419

01:31:42,340 --> 01:31:40,460

door security guard says Roy Orbison is

2420

01:31:43,330 --> 01:31:42,350

here he wants to talk to you him and his

2421

01:31:46,360 --> 01:31:43,340

wife are here and they want to talk to

2422

01:31:48,520 --> 01:31:46,370

you and he goes really he's here and and

2423

01:31:51,340 --> 01:31:48,530

so Roy Everson comes in and he says you

2424

01:31:53,140 --> 01:31:51,350

know I loved your concert I loved it

2425

01:31:56,440 --> 01:31:53,150

I'd like to play with you guys have you

2426
01:31:58,030 --> 01:31:56,450
got a song I can do rehearsal says yeah

2427
01:32:00,370 --> 01:31:58,040
in fact I just got one this morning and

2428
01:32:01,990 --> 01:32:00,380
I thought it was for you so he gives him

2429
01:32:03,220 --> 01:32:02,000
this song it was called mystery woman it

2430
01:32:05,800 --> 01:32:03,230
was number five in the United States

2431
01:32:07,900 --> 01:32:05,810
number two in in Great Britain so I go a

2432
01:32:09,780 --> 01:32:07,910
whole chapter of these just you you

2433
01:32:12,370 --> 01:32:09,790
can't make this stuff up as songs of

2434
01:32:13,930 --> 01:32:12,380
where these songs come from that you

2435
01:32:15,100 --> 01:32:13,940
think you know the song and you don't

2436
01:32:16,930 --> 01:32:15,110
know the real song behind it and it's

2437
01:32:19,840 --> 01:32:16,940
this download thing it's this almost

2438
01:32:21,550 --> 01:32:19,850

like what what the the Moody Blues are

2439

01:32:23,350 --> 01:32:21,560

talking about that they were given this

2440

01:32:26,380 --> 01:32:23,360

stuff that a lot of the stuff that's in

2441

01:32:31,540 --> 01:32:26,390

their their their albums and their songs

2442

01:32:32,290 --> 01:32:31,550

was given by somebody else Wow

2443

01:32:36,040 --> 01:32:32,300

interesting

2444

01:32:37,690 --> 01:32:36,050

so someone wanted to know up on the

2445

01:32:40,210 --> 01:32:37,700

message board do you think there's a

2446

01:32:43,060 --> 01:32:40,220

connection between UFOs and

2447

01:32:46,420 --> 01:32:43,070

synchronicity oh absolutely it's all

2448

01:32:49,630 --> 01:32:46,430

connected I say it's it's there's a book

2449

01:32:51,970 --> 01:32:49,640

written by Stephen King who actually got

2450

01:32:53,530 --> 01:32:51,980

a lot of his books came through lucid

2451
01:32:56,560 --> 01:32:53,540
dreaming a lot of people use lucid

2452
01:32:58,990 --> 01:32:56,570
dreaming to tap into this he has an

2453
01:33:01,240 --> 01:32:59,000
expression in their SSDD so when I talk

2454
01:33:04,090 --> 01:33:01,250
about it I say that's how it works

2455
01:33:06,190 --> 01:33:04,100
it's SSDD same [h__h] different day it's

2456
01:33:09,250 --> 01:33:06,200
all the same thing what it is is

2457
01:33:11,880 --> 01:33:09,260
shutting down the left brain you have a

2458
01:33:15,670 --> 01:33:11,890
rational analytical brain that we think

2459
01:33:18,190 --> 01:33:15,680
is in charge of giving us new ideas and

2460
01:33:20,470 --> 01:33:18,200
stuff it's not there are no good ideas

2461
01:33:21,550 --> 01:33:20,480
come out of the the rational analytical

2462
01:33:25,900 --> 01:33:21,560
brain it's all coming out of the

2463
01:33:28,120 --> 01:33:25,910

subconscious mind and I even have the

2464

01:33:31,859 --> 01:33:28,130

top neurologists in the United States as

2465

01:33:34,120 --> 01:33:31,869

Nancy Andreasen who's working on

2466

01:33:35,739 --> 01:33:34,130

creativity and she says there's a strong

2467

01:33:37,629 --> 01:33:35,749

relationship between creativity and the

2468

01:33:39,759 --> 01:33:37,639

unconscious processes that we think that

2469

01:33:41,410 --> 01:33:39,769

we think we think up that we're

2470

01:33:43,319 --> 01:33:41,420

analyzing it we're rationalizing we're

2471

01:33:45,160 --> 01:33:43,329

coming to Clues you know it's it's all

2472

01:33:46,509 --> 01:33:45,170

tapping into this thing so whether

2473

01:33:47,770 --> 01:33:46,519

you're doing meditation or whether

2474

01:33:49,089 --> 01:33:47,780

you're doing psychic phenomena

2475

01:33:50,770 --> 01:33:49,099

we like to parse all the stuff we say

2476

01:33:53,830 --> 01:33:50,780

for example experiences will tell me

2477

01:33:55,660 --> 01:33:53,840

okay I'm getting my messages like 42% of

2478

01:34:00,359 --> 01:33:55,670

all experiences claimed to get downloads

2479

01:34:06,669 --> 01:34:04,209

you know inventions 42% are getting

2480

01:34:08,739 --> 01:34:06,679

downloads and they'll say we're getting

2481

01:34:11,709 --> 01:34:08,749

real material don't lump us with the

2482

01:34:13,000 --> 01:34:11,719

Chandler's we're not Chandler's they're

2483

01:34:14,469 --> 01:34:13,010

all they're all full of it they're none

2484

01:34:16,390 --> 01:34:14,479

of those guys are real and I say it's

2485

01:34:17,919 --> 01:34:16,400

all the same thing it's like tuning into

2486

01:34:20,890 --> 01:34:17,929

a radio station if you're doing

2487

01:34:23,529 --> 01:34:20,900

mediumship you're tuning into 106.3 if

2488

01:34:25,299 --> 01:34:23,539

you're doing aliens they're on 1:06

2489

01:34:29,169 --> 01:34:25,309

point for you're you're shutting down

2490

01:34:31,049 --> 01:34:29,179

the left conscious brain that that is

2491

01:34:33,370 --> 01:34:31,059

breaks the filter that stops you from

2492

01:34:35,709 --> 01:34:33,380

connecting with non-local consciousness

2493

01:34:36,910 --> 01:34:35,719

and you're tapping into this kind of

2494

01:34:38,259 --> 01:34:36,920

stuff so all that kind of stuff

2495

01:34:41,350 --> 01:34:38,269

there's our giving an example of

2496

01:34:44,770 --> 01:34:41,360

synchronicity how is the guy who's

2497

01:34:48,910 --> 01:34:44,780

abducted out of Las Vegas and he tells

2498

01:34:50,319 --> 01:34:48,920

the story of waking up one morning with

2499

01:34:52,299 --> 01:34:50,329

this song in his head and he's a

2500

01:34:53,979 --> 01:34:52,309

musician and he wakes up with a song in

2501
01:34:57,489 --> 01:34:53,989
his head and then he goes to the truck

2502
01:34:59,589 --> 01:34:57,499
and he plays and he turns on the radio

2503
01:35:01,689 --> 01:34:59,599
and this song is playing and he's going

2504
01:35:04,810 --> 01:35:01,699
like wow like what's the chances of that

2505
01:35:08,169 --> 01:35:04,820
and I say well you believe in time and

2506
01:35:09,399 --> 01:35:08,179
space and there is no time in space if

2507
01:35:13,089 --> 01:35:09,409
you look at I in Stein and stuff like

2508
01:35:15,819 --> 01:35:13,099
that if you go to some of the latest

2509
01:35:17,319 --> 01:35:15,829
theories this whole idea that there is

2510
01:35:19,449 --> 01:35:17,329
no time and space that everything is

2511
01:35:22,120 --> 01:35:19,459
lumped on top of each other and that

2512
01:35:24,899 --> 01:35:22,130
that that's time and space are illusions

2513
01:35:28,540 --> 01:35:24,909

then you start to see that the

2514

01:35:30,160 --> 01:35:28,550

unconscious mind can tap in and it knows

2515

01:35:32,979 --> 01:35:30,170

what the first song is going to be and

2516

01:35:35,620 --> 01:35:32,989

so it puts it into it transfers it over

2517

01:35:37,449 --> 01:35:35,630

through the dream process into the

2518

01:35:39,729 --> 01:35:37,459

person's mind and then the person goes

2519

01:35:41,890 --> 01:35:39,739

in and plays it and it plays and he

2520

01:35:43,270 --> 01:35:41,900

thinks well this is unusual because they

2521

01:35:45,270 --> 01:35:43,280

believing that there's there's actual

2522

01:35:47,129 --> 01:35:45,280

time that that that time moves

2523

01:35:49,500 --> 01:35:47,139

a linear clock and therefore this can't

2524

01:35:51,299 --> 01:35:49,510

happen but if you don't have time and if

2525

01:35:53,010 --> 01:35:51,309

the unconscious has the access to all

2526

01:35:54,569 --> 01:35:53,020

this material and just transfers over to

2527

01:35:56,310 --> 01:35:54,579

the conscious mind the conscious mind

2528

01:35:58,649 --> 01:35:56,320

gets confused because it has a different

2529

01:36:00,479 --> 01:35:58,659

impression so you have to have this this

2530

01:36:01,950 --> 01:36:00,489

whole idea of getting the fundamentals

2531

01:36:03,990 --> 01:36:01,960

of the universe and that's where I think

2532

01:36:06,120 --> 01:36:04,000

we're going wrong is that we're doing

2533

01:36:07,709 --> 01:36:06,130

equations to understand the UFO

2534

01:36:09,149 --> 01:36:07,719

phenomena and we've got all the wrong

2535

01:36:10,500 --> 01:36:09,159

numbers to start and you're never going

2536

01:36:13,439 --> 01:36:10,510

to get the right answer unless you've

2537

01:36:15,540 --> 01:36:13,449

got the the right answers the right

2538

01:36:17,010 --> 01:36:15,550

numbers to put into the equation and so

2539

01:36:19,890 --> 01:36:17,020

when it comes to the consciousness thing

2540

01:36:21,750 --> 01:36:19,900

when it comes down to reality if you

2541

01:36:23,399 --> 01:36:21,760

look at the modern quantum physics stuff

2542

01:36:26,399 --> 01:36:23,409

that nobody wants to talk about this

2543

01:36:29,399 --> 01:36:26,409

idea this this whole idea about the

2544

01:36:33,109 --> 01:36:29,409

entangled particle experiment that the

2545

01:36:37,260 --> 01:36:33,119

the major guys that came up with this

2546

01:36:39,060 --> 01:36:37,270

Niels Bohr and Heisenberg and all these

2547

01:36:41,459 --> 01:36:39,070

guys basically came to this conclusion

2548

01:36:43,140 --> 01:36:41,469

that consciousness is primary that

2549

01:36:44,609 --> 01:36:43,150

consciousness that a particle does not

2550

01:36:46,500 --> 01:36:44,619

take a position in time in space until

2551
01:36:48,629 --> 01:36:46,510
there's an observer and this whole idea

2552
01:36:50,879 --> 01:36:48,639
that consciousness is primary so if you

2553
01:36:51,930 --> 01:36:50,889
have consciousness being primary then

2554
01:36:54,799 --> 01:36:51,940
you start looking at this thing with

2555
01:36:57,390 --> 01:36:54,809
time and space is consciousness local

2556
01:37:00,060 --> 01:36:57,400
where you know we have separate objects

2557
01:37:02,910 --> 01:37:00,070
and moves linearly or is it non-local

2558
01:37:04,290 --> 01:37:02,920
and if you listen to Russell Targ who

2559
01:37:06,959 --> 01:37:04,300
was the guy who ran the remote viewing

2560
01:37:09,720 --> 01:37:06,969
program with he'll put off for the CIA

2561
01:37:10,709 --> 01:37:09,730
for years and years and years every time

2562
01:37:13,649 --> 01:37:10,719
he's interviewed he tells the story

2563
01:37:17,189 --> 01:37:13,659

about consciousness about remote viewing

2564

01:37:19,799 --> 01:37:17,199

it is as easy to remote view in the past

2565

01:37:22,500 --> 01:37:19,809

and the future as it is in the present

2566

01:37:24,240 --> 01:37:22,510

it is as easy to Remote View on the

2567

01:37:25,680 --> 01:37:24,250

other side of the planet as it is in the

2568

01:37:27,870 --> 01:37:25,690

next room which means that consciousness

2569

01:37:30,510 --> 01:37:27,880

is not governed by time and space so

2570

01:37:32,430 --> 01:37:30,520

when you get that down properly then you

2571

01:37:34,740 --> 01:37:32,440

start to understand how do they get here

2572

01:37:36,569 --> 01:37:34,750

because you're not going to be flying

2573

01:37:38,279 --> 01:37:36,579

through time and space or through

2574

01:37:39,990 --> 01:37:38,289

through you know taking ten thousand

2575

01:37:42,990 --> 01:37:40,000

years that's the major argument by the

2576
01:37:45,270 --> 01:37:43,000
skeptical so you can't get here from

2577
01:37:47,129 --> 01:37:45,280
there the distances are too vast

2578
01:37:48,689 --> 01:37:47,139
you can't go past the speed of light all

2579
01:37:50,430 --> 01:37:48,699
that kind of nonsense but if you look at

2580
01:37:53,430 --> 01:37:50,440
the entangled particle experiment and

2581
01:37:54,450 --> 01:37:53,440
you see that these particles one is on

2582
01:37:55,950 --> 01:37:54,460
one side of the universe one's on the

2583
01:37:57,959 --> 01:37:55,960
other side of the universe and if you

2584
01:37:58,379 --> 01:37:57,969
effect one the other one knows what

2585
01:37:59,070 --> 01:37:58,389
you're doing

2586
01:38:00,750 --> 01:37:59,080
which means

2587
01:38:02,520 --> 01:38:00,760
it's conscious it's aware of what you're

2588
01:38:05,160 --> 01:38:02,530

doing so you have this consciousness as

2589

01:38:07,380 --> 01:38:05,170

this particle level and if particles can

2590

01:38:11,790 --> 01:38:07,390

transfer messages through time and space

2591

01:38:13,350 --> 01:38:11,800

with no no time then maybe the aliens

2592

01:38:14,460 --> 01:38:13,360

just understand how this works and

2593

01:38:16,020 --> 01:38:14,470

they're moving through and when you

2594

01:38:18,030 --> 01:38:16,030

start talking to experiences that's what

2595

01:38:20,550 --> 01:38:18,040

they're told that this is how it works

2596

01:38:22,980 --> 01:38:20,560

and then you get the even more part an

2597

01:38:24,450 --> 01:38:22,990

important part is that we make the

2598

01:38:26,060 --> 01:38:24,460

mistake that's the physical world and

2599

01:38:29,310 --> 01:38:26,070

when you go back to this original

2600

01:38:31,080 --> 01:38:29,320

quantum thing with the entangled

2601

01:38:32,790 --> 01:38:31,090

particle thing or with the dual slit

2602

01:38:35,160 --> 01:38:32,800

experiment where the consciousness

2603

01:38:37,470 --> 01:38:35,170

breaks down the wave you have this whole

2604

01:38:38,970 --> 01:38:37,480

idea that a particle does not take a

2605

01:38:40,590 --> 01:38:38,980

position in time and space until there's

2606

01:38:42,900 --> 01:38:40,600

observer you move the remove the

2607

01:38:44,220 --> 01:38:42,910

observer it goes back to a wait for the

2608

01:38:49,890 --> 01:38:44,230

observer on it goes back to a particle

2609

01:38:51,450 --> 01:38:49,900

so so particles are governed by

2610

01:38:53,010 --> 01:38:51,460

consciousness and then when you start

2611

01:38:54,690 --> 01:38:53,020

talking to experiences and and I had

2612

01:38:56,460 --> 01:38:54,700

Chris Bledsoe last night tell the story

2613

01:38:57,690 --> 01:38:56,470

he's one of 36 people that I've taught

2614

01:39:00,270 --> 01:38:57,700

well I've talked to them all but I've

2615

01:39:02,040 --> 01:39:00,280

I've got documented from and there's

2616

01:39:04,430 --> 01:39:02,050

maybe six or seven when I've actually

2617

01:39:07,110 --> 01:39:04,440

talked to when they say we know now that

2618

01:39:09,300 --> 01:39:07,120

14% of all experiences according to the

2619

01:39:12,300 --> 01:39:09,310

free survey say that they've flown the

2620

01:39:14,760 --> 01:39:12,310

craft and I've known this since 2013

2621

01:39:16,530 --> 01:39:14,770

when this woman floored me in Phoenix

2622

01:39:18,510 --> 01:39:16,540

Arizona and told she was flying the

2623

01:39:20,460 --> 01:39:18,520

craft and I said you are what I couldn't

2624

01:39:22,770 --> 01:39:20,470

I couldn't believe it I've been 37 years

2625

01:39:25,260 --> 01:39:22,780

and I said you're flying the craft you

2626

01:39:27,270 --> 01:39:25,270

kidding me said yeah her piloting the

2627

01:39:28,710 --> 01:39:27,280

car learning to fly yeah 14% of all

2628

01:39:30,330 --> 01:39:28,720

experiences according to the free survey

2629

01:39:33,090 --> 01:39:30,340

have flown to flow into craft never

2630

01:39:34,590 --> 01:39:33,100

heard well well ain't so I'd never heard

2631

01:39:36,420 --> 01:39:34,600

neither and when she told me this I said

2632

01:39:37,890 --> 01:39:36,430

you flew the craft

2633

01:39:39,720 --> 01:39:37,900

I couldn't first they'd set this meeting

2634

01:39:40,260 --> 01:39:39,730

up with me I done a consciousness

2635

01:39:41,730 --> 01:39:40,270

lecture

2636

01:39:45,600 --> 01:39:41,740

Nate set me and said you're gonna talk

2637

01:39:46,950 --> 01:39:45,610

to Pam and I said yeah okay and I

2638

01:39:48,780 --> 01:39:46,960

thought why I'd agreed to talk to her or

2639

01:39:50,010 --> 01:39:48,790

whatever so she comes in a big secret

2640

01:39:51,840 --> 01:39:50,020

meeting whatever she's telling me about

2641

01:39:53,280 --> 01:39:51,850

remote viewing and I know you've heard

2642

01:39:54,570 --> 01:39:53,290

all this stuff and I'm Nick ignoring her

2643

01:39:55,950 --> 01:39:54,580

you know I'm not really paying attention

2644

01:39:57,330 --> 01:39:55,960

and when she said this thing about she's

2645

01:39:59,430 --> 01:39:57,340

flown the craft that way and she's in

2646

01:40:01,770 --> 01:39:59,440

her 70s I said he'd flown to craft and

2647

01:40:04,590 --> 01:40:01,780

and she said yeah I've flown to craft I

2648

01:40:06,570 --> 01:40:04,600

said how do you fly a craft and she said

2649

01:40:08,100 --> 01:40:06,580

you do it with your mind as soon as she

2650

01:40:10,650 --> 01:40:08,110

said that it clicked why they set me up

2651
01:40:12,030 --> 01:40:10,660
with this woman and now suit so I have

2652
01:40:13,020 --> 01:40:12,040
all these people who suddenly say

2653
01:40:16,649 --> 01:40:13,030
they're flying the craft

2654
01:40:18,450 --> 01:40:16,659
women so when when they say oh I have an

2655
01:40:20,520 --> 01:40:18,460
idea I'm flying the craft or whatever I

2656
01:40:21,390 --> 01:40:20,530
all stop them and say hang on I don't

2657
01:40:23,310 --> 01:40:21,400
ask you a question

2658
01:40:25,979 --> 01:40:23,320
how do you fly the craft nobody

2659
01:40:27,240 --> 01:40:25,989
absolutely it's hundred percent nobody

2660
01:40:28,410 --> 01:40:27,250
has said anything different they all

2661
01:40:31,080 --> 01:40:28,420
said the same thing you do with your

2662
01:40:33,379 --> 01:40:31,090
mind so when Chris Bludso's on last

2663
01:40:35,669 --> 01:40:33,389

night I knew I talked to number times I

2664

01:40:37,560 --> 01:40:35,679

actually put on tape a couple of times I

2665

01:40:39,180 --> 01:40:37,570

said Chris you've flown the craft you

2666

01:40:42,120 --> 01:40:39,190

flew it you said I flew on a number of

2667

01:40:43,439 --> 01:40:42,130

times I said okay tell us how do you fly

2668

01:40:44,819 --> 01:40:43,449

crap what actually happens and he goes

2669

01:40:46,649 --> 01:40:44,829

through the whole procedure start and

2670

01:40:48,479 --> 01:40:46,659

getting on the craft exactly this

2671

01:40:50,310 --> 01:40:48,489

beehive type thing you put your hand on

2672

01:40:51,750 --> 01:40:50,320

it same Suzy Hansen from New Zealand

2673

01:40:53,430 --> 01:40:51,760

what tell the same story put your hand

2674

01:40:54,779 --> 01:40:53,440

on this thing and then suddenly

2675

01:40:56,640 --> 01:40:54,789

everything starts to move and there's

2676
01:40:57,720 --> 01:40:56,650
these hexagons moving in the wall and

2677
01:40:59,339 --> 01:40:57,730
stuff like that and suddenly the thing

2678
01:41:01,439 --> 01:40:59,349
opens up and you can see glass and and

2679
01:41:05,760 --> 01:41:01,449
you're actually using your mind to fly

2680
01:41:08,729 --> 01:41:05,770
the craft or what's-her-name the

2681
01:41:10,470 --> 01:41:08,739
assistant for Kathy Martin she talks

2682
01:41:13,290 --> 01:41:10,480
about this where she's actually talking

2683
01:41:15,270 --> 01:41:13,300
yeah Denise toner Denise toner talks

2684
01:41:18,930 --> 01:41:15,280
about the fact that she's talking to the

2685
01:41:21,450 --> 01:41:18,940
to the to the the actual mind of the

2686
01:41:23,430 --> 01:41:21,460
machine that she's under under the the

2687
01:41:25,319 --> 01:41:23,440
in the craft industry how it works and

2688
01:41:26,790 --> 01:41:25,329

that the the engine type thing is

2689

01:41:28,859 --> 01:41:26,800

actually alive and it's communicating

2690

01:41:30,720 --> 01:41:28,869

with other with other crafts and she

2691

01:41:32,790 --> 01:41:30,730

felt sorry for it cuz it was it was and

2692

01:41:34,439 --> 01:41:32,800

this whole idea that the craft is alive

2693

01:41:36,540 --> 01:41:34,449

and so when you come down to the

2694

01:41:38,310 --> 01:41:36,550

disclosure thing this is maybe would it

2695

01:41:40,290 --> 01:41:38,320

be about is this a good nothing - its

2696

01:41:41,700 --> 01:41:40,300

physical this is not like you gotta pull

2697

01:41:44,160 --> 01:41:41,710

this little engine out of that little

2698

01:41:46,020 --> 01:41:44,170

free and free energy engine and stick it

2699

01:41:47,819 --> 01:41:46,030

in your SUV and drive around for the

2700

01:41:49,229 --> 01:41:47,829

next 30 years for nothing it's got

2701

01:41:50,700 --> 01:41:49,239

nothing to do it the free energy it's

2702

01:41:52,770 --> 01:41:50,710

got to do it this whole thing that this

2703

01:41:54,689 --> 01:41:52,780

is mind aspect to this whole thing and

2704

01:41:56,490 --> 01:41:54,699

so you even take a look back at the

2705

01:41:58,319 --> 01:41:56,500

Roswell thing we used to think that

2706

01:42:01,919 --> 01:41:58,329

there was four dead aliens at Roswell

2707

01:42:03,629 --> 01:42:01,929

we now a lot of witnesses are saying no

2708

01:42:07,049 --> 01:42:03,639

no it was three dead in one live alien

2709

01:42:10,290 --> 01:42:07,059

so assuming that this is right take a

2710

01:42:12,660 --> 01:42:10,300

look back and say review you're

2711

01:42:14,850 --> 01:42:12,670

recovering the Roswell crash and there's

2712

01:42:16,560 --> 01:42:14,860

this live alien and that the people who

2713

01:42:18,330 --> 01:42:16,570

have claimed to have the live alien are

2714

01:42:21,060 --> 01:42:18,340

all telling the same story that the

2715

01:42:22,979 --> 01:42:21,070

thing was talking in their heads so if

2716

01:42:24,959 --> 01:42:22,989

you're in 1947 and it's the you know

2717

01:42:26,399 --> 01:42:24,969

after the war and it's all military and

2718

01:42:26,910 --> 01:42:26,409

stuff like that you suddenly get an

2719

01:42:28,979 --> 01:42:26,920

alien

2720

01:42:30,630 --> 01:42:28,989

talking in your head you go like wow

2721

01:42:32,250 --> 01:42:30,640

forget about what the craft is built up

2722

01:42:34,350 --> 01:42:32,260

like wow man if we could develop this

2723

01:42:38,490 --> 01:42:34,360

technology and that and I give you the

2724

01:42:40,620 --> 01:42:38,500

proof of how we support for this I have

2725

01:42:42,450 --> 01:42:40,630

just download experience in 2012 which

2726

01:42:43,919 --> 01:42:42,460

won't get into one of the items that was

2727

01:42:45,510 --> 01:42:43,929

downloaded into my head I had all the

2728

01:42:47,160 --> 01:42:45,520

material but all it did was put all the

2729

01:42:48,380 --> 01:42:47,170

material together it was like here's how

2730

01:42:50,729 --> 01:42:48,390

it fits together and it came with

2731

01:42:52,740 --> 01:42:50,739

absolute certainty you don't have to

2732

01:42:54,390 --> 01:42:52,750

check this you do not and anybody who's

2733

01:42:55,919 --> 01:42:54,400

had these downloads and I've got Nobel

2734

01:42:57,330 --> 01:42:55,929

Prize winners who talked about this it

2735

01:42:58,530 --> 01:42:57,340

comes with this absolute certainty you

2736

01:43:00,720 --> 01:42:58,540

don't have to check it this is for real

2737

01:43:03,660 --> 01:43:00,730

and that usually is is is real and it's

2738

01:43:05,640 --> 01:43:03,670

the it's always real so anyway one of

2739

01:43:07,560 --> 01:43:05,650

the things came into my head I chased

2740

01:43:11,280 --> 01:43:07,570

the Canadian government and the famous

2741

01:43:13,140 --> 01:43:11,290

top-secret memo from 1950 the Canadians

2742

01:43:15,060 --> 01:43:13,150

go to the Americans Wilbur Smith goes

2743

01:43:16,470 --> 01:43:15,070

through classified channels which is

2744

01:43:18,510 --> 01:43:16,480

important he's not he's going to

2745

01:43:20,220 --> 01:43:18,520

classify channels is the top secret memo

2746

01:43:21,780 --> 01:43:20,230

Canadian government does not deny this

2747

01:43:24,330 --> 01:43:21,790

document existence they do not deny

2748

01:43:25,410 --> 01:43:24,340

anything about it he says to the

2749

01:43:27,390 --> 01:43:25,420

Americans what's going on with flying

2750

01:43:29,280 --> 01:43:27,400

saucers to classified channel the

2751
01:43:31,229 --> 01:43:29,290
information comes back flying saucers

2752
01:43:32,490 --> 01:43:31,239
exist its most highly classes subject

2753
01:43:35,520 --> 01:43:32,500
United States it's of tremendous

2754
01:43:36,870 --> 01:43:35,530
significance to the Americans small

2755
01:43:38,610 --> 01:43:36,880
group headed by dr. banner of our Bush

2756
01:43:39,180 --> 01:43:38,620
running the thing and that what popped

2757
01:43:40,830 --> 01:43:39,190
in my head

2758
01:43:42,780 --> 01:43:40,840
during this download was the very next

2759
01:43:44,520 --> 01:43:42,790
line we were also told by American

2760
01:43:46,919 --> 01:43:44,530
officials that other things might be

2761
01:43:49,439 --> 01:43:46,929
associated with the flying saucers such

2762
01:43:50,640 --> 01:43:49,449
as mental phenomena the Americans aren't

2763
01:43:52,470 --> 01:43:50,650

doing very well because they've said if

2764

01:43:54,419 --> 01:43:52,480

we're working on the program they're

2765

01:43:56,580 --> 01:43:54,429

willing to exchange credentials and talk

2766

01:44:00,630 --> 01:43:56,590

to us the key to that is this is

2767

01:44:02,310 --> 01:44:00,640

November of 1950 you're Joe damps would

2768

01:44:03,900 --> 01:44:02,320

not come forward until a couple days

2769

01:44:06,419 --> 01:44:03,910

after the detonation of the hydrogen

2770

01:44:07,979 --> 01:44:06,429

bomb nobody was talking to aliens Betty

2771

01:44:10,890 --> 01:44:07,989

and Barney Hills would not become public

2772

01:44:13,620 --> 01:44:10,900

till the mid-1960s nobody there was no

2773

01:44:16,290 --> 01:44:13,630

reports in 1950 of people talking to

2774

01:44:18,930 --> 01:44:16,300

aliens let alone aliens being telepathic

2775

01:44:21,660 --> 01:44:18,940

so the question is how did the how did

2776

01:44:23,370 --> 01:44:21,670

the Americans know to tell the Canadians

2777

01:44:26,459 --> 01:44:23,380

that mental phenomena was part of the

2778

01:44:29,700 --> 01:44:26,469

UFO phenomena back in 1950 cuz they

2779

01:44:31,860 --> 01:44:29,710

recovered alive alien at Roswell and a

2780

01:44:33,990 --> 01:44:31,870

new mental phenomena was a key part of

2781

01:44:35,220 --> 01:44:34,000

this this whole phenomenon so you can

2782

01:44:37,140 --> 01:44:35,230

see it right at the beginning they've

2783

01:44:39,000 --> 01:44:37,150

known right from the beginning and that

2784

01:44:40,739 --> 01:44:39,010

may be one of the key things that's

2785

01:44:42,540 --> 01:44:40,749

causing the security

2786

01:44:45,169 --> 01:44:42,550

behind this thing is this mental

2787

01:44:47,489 --> 01:44:45,179

phenomena and the fact that it's all

2788

01:44:49,229 --> 01:44:47,499

controlled and I even show an experiment

2789

01:44:50,790 --> 01:44:49,239

when I lecture on this I say if you

2790

01:44:52,200 --> 01:44:50,800

don't think that this is important and

2791

01:44:54,419 --> 01:44:52,210

then they're not doing this take a look

2792

01:44:57,509 --> 01:44:54,429

at this and I show this video all you

2793

01:45:00,029 --> 01:44:57,519

have to do is Google search f/22 and rat

2794

01:45:01,589 --> 01:45:00,039

and this experiment will pop up and this

2795

01:45:03,450 --> 01:45:01,599

came from following a UFO case I won't

2796

01:45:05,819 --> 01:45:03,460

get into it but it ends up at this lab

2797

01:45:07,410 --> 01:45:05,829

in in University of Southern Florida and

2798

01:45:08,790 --> 01:45:07,420

they're running this experiment and what

2799

01:45:10,859 --> 01:45:08,800

they do is they take we have a hundred

2800

01:45:13,799 --> 01:45:10,869

billion neurons in our brain

2801

01:45:15,930 --> 01:45:13,809

they take twenty twenty thousand neurons

2802

01:45:18,750 --> 01:45:15,940

from a rat brain it put it in a little

2803

01:45:22,529 --> 01:45:18,760

tiny petri dish that has wires attached

2804

01:45:24,899 --> 01:45:22,539

to the bottom of it and they they wire

2805

01:45:28,319 --> 01:45:24,909

it into an f-22 simulator and I did a

2806

01:45:30,689 --> 01:45:28,329

lecture I actually had George church

2807

01:45:32,160 --> 01:45:30,699

fire in one of my lectures and I always

2808

01:45:34,680 --> 01:45:32,170

asked how many people can fly an f-22

2809

01:45:36,930 --> 01:45:34,690

simulator nobody nobody can ever nope no

2810

01:45:38,700 --> 01:45:36,940

no has ever gone I said to George is it

2811

01:45:40,529 --> 01:45:38,710

hard to fly an f-22 CMM you said yeah

2812

01:45:42,450 --> 01:45:40,539

it'd be hard to fly it and have 22

2813

01:45:44,069 --> 01:45:42,460

similar so they take this these twenty

2814

01:45:45,569 --> 01:45:44,079

thousand yards to put the wires in there

2815

01:45:46,919 --> 01:45:45,579

and what they do is when the when they

2816

01:45:49,169 --> 01:45:46,929

when the nose of the plane goes down

2817

01:45:52,049 --> 01:45:49,179

they send a high-frequency signal to the

2818

01:45:53,669 --> 01:45:52,059

to these neurons and the neurons send a

2819

01:45:55,469 --> 01:45:53,679

signal back and what they do is they

2820

01:45:57,600 --> 01:45:55,479

leave it for three days and and on this

2821

01:45:59,129 --> 01:45:57,610

video you'll see it shows and all the

2822

01:46:01,709 --> 01:45:59,139

neurons aren't talking there's nothing

2823

01:46:03,209 --> 01:46:01,719

happening and after one day they start

2824

01:46:04,560 --> 01:46:03,219

to talk two days they were talking and

2825

01:46:05,879 --> 01:46:04,570

after three days it's like a brain

2826

01:46:07,529 --> 01:46:05,889

there's all these signals in the brain

2827

01:46:10,290 --> 01:46:07,539

is all these neurons are talking with

2828

01:46:12,359 --> 01:46:10,300

each other and they control it then from

2829

01:46:14,459 --> 01:46:12,369

side to side they control it and so this

2830

01:46:16,410 --> 01:46:14,469

this twenty thousand neurons of a rat

2831

01:46:18,450 --> 01:46:16,420

brain is flying the f-22 simulator and

2832

01:46:19,709 --> 01:46:18,460

then they change the weather you see on

2833

01:46:22,169 --> 01:46:19,719

the video they changed the weather and

2834

01:46:23,430 --> 01:46:22,179

it's like hi you know thunderstorms and

2835

01:46:25,319 --> 01:46:23,440

wind and stuff like this and it

2836

01:46:27,660 --> 01:46:25,329

continues to fly the simulator and that

2837

01:46:31,109 --> 01:46:27,670

comes down on the symbiotic thing can

2838

01:46:32,640 --> 01:46:31,119

you get a pilot to fly a craft a plane

2839

01:46:35,250 --> 01:46:32,650

with your mind they're working on it

2840

01:46:36,390 --> 01:46:35,260

this is white world technology 2004 you

2841

01:46:40,080 --> 01:46:36,400

can imagine what they're doing in the

2842

01:46:42,600 --> 01:46:40,090

black world Wow okay one of the

2843

01:46:44,850 --> 01:46:42,610

questions I wanted someone on the

2844

01:46:46,919 --> 01:46:44,860

message board wanted to know if you and

2845

01:46:48,419 --> 01:46:46,929

just real quickly on this with you if we

2846

01:46:49,799 --> 01:46:48,429

would because I want to shift gears here

2847

01:46:54,000 --> 01:46:49,809

for ya in just a minute

2848

01:46:54,750 --> 01:46:54,010

but did you vet these people that claim

2849

01:47:02,160 --> 01:46:54,760

they

2850

01:47:04,290 --> 01:47:02,170

absolutely I mean how do you met them I

2851
01:47:06,149 --> 01:47:04,300
mean as soon as I said as soon as they

2852
01:47:07,709 --> 01:47:06,159
said and they'd be telling the story

2853
01:47:11,040 --> 01:47:07,719
inhibited Oh I flew the craft man that's

2854
01:47:12,509 --> 01:47:11,050
a stop heidi flag craft i mean you said

2855
01:47:14,700 --> 01:47:12,519
you've never heard of this before

2856
01:47:16,890 --> 01:47:14,710
great right I had never heard of it in

2857
01:47:19,770 --> 01:47:16,900
2013 so who's gonna make up oh I used my

2858
01:47:21,540 --> 01:47:19,780
mind who's gonna make that up it's the

2859
01:47:23,549 --> 01:47:21,550
last thing you think about and as I said

2860
01:47:26,189 --> 01:47:23,559
a hundred percent not ninety percent

2861
01:47:28,410 --> 01:47:26,199
hundred percent of people all tell the

2862
01:47:29,609 --> 01:47:28,420
same thing that they'll talk about this

2863
01:47:30,870 --> 01:47:29,619

fact that they're they're using your

2864

01:47:32,759 --> 01:47:30,880

mind to fly the ground and that the

2865

01:47:34,379 --> 01:47:32,769

crafts alive and and the other thing is

2866

01:47:36,870 --> 01:47:34,389

you if you take a look and I asked the

2867

01:47:39,029 --> 01:47:36,880

the the free people because they're

2868

01:47:40,890 --> 01:47:39,039

going into stage 3 and stage 4 I said

2869

01:47:43,140 --> 01:47:40,900

you've got to ask these are important

2870

01:47:44,819 --> 01:47:43,150

this important question these 14 percent

2871

01:47:46,350 --> 01:47:44,829

to claim they've flown the craft that's

2872

01:47:47,850 --> 01:47:46,360

the question you gotta ask them you can

2873

01:47:49,950 --> 01:47:47,860

ask them about how'd you fly the craft

2874

01:47:52,109 --> 01:47:49,960

and see if you have this 100 percent

2875

01:47:53,669 --> 01:47:52,119

thing because it's it's hundreds of

2876

01:47:56,220 --> 01:47:53,679

people that they're talking to that are

2877

01:47:57,509 --> 01:47:56,230

that are making this claim and you know

2878

01:47:59,279 --> 01:47:57,519

it's like why would you even claim

2879

01:48:00,660 --> 01:47:59,289

you're flying the craft I mean because

2880

01:48:07,049 --> 01:48:00,670

and then the other one is I'll give you

2881

01:48:10,109 --> 01:48:07,059

a quick quick example the singer he

2882

01:48:12,750 --> 01:48:10,119

became a Muslim I shoot cats Venus Cat

2883

01:48:13,979 --> 01:48:12,760

Stevens Cat Stevens claims he was

2884

01:48:15,689 --> 01:48:13,989

abducted no doubt about he's on a

2885

01:48:17,040 --> 01:48:15,699

rooftop in London he said they came they

2886

01:48:18,779 --> 01:48:17,050

sucked him up into the craft and and

2887

01:48:22,049 --> 01:48:18,789

they become Muslim didn't really talk

2888

01:48:24,029 --> 01:48:22,059

about it anymore he does two songs on

2889

01:48:25,379 --> 01:48:24,039

his abduction experience one is called

2890

01:48:29,220 --> 01:48:25,389

longboats the other one is called

2891

01:48:32,370 --> 01:48:29,230

freezing steel he said I was on the ship

2892

01:48:34,830 --> 01:48:32,380

the ship of freezing steel the ship

2893

01:48:36,899 --> 01:48:34,840

without the guiding wheel it was written

2894

01:48:38,459 --> 01:48:36,909

1970 and that indicates there is no

2895

01:48:41,100 --> 01:48:38,469

guiding wheel they're flying it with

2896

01:48:43,830 --> 01:48:41,110

their mind and so this is the critical

2897

01:48:45,930 --> 01:48:43,840

thing is for the free people to nail

2898

01:48:47,009 --> 01:48:45,940

this thing down the same as you know we

2899

01:48:48,270 --> 01:48:47,019

well there's all sorts of things they

2900

01:48:50,609 --> 01:48:48,280

have to nail down that I've sort of

2901

01:48:52,979 --> 01:48:50,619

discovered that these weird things that

2902

01:48:54,000 --> 01:48:52,989

really tell us what's going on well how

2903

01:48:56,520 --> 01:48:54,010

do you have some other questions so go

2904

01:49:00,060 --> 01:48:56,530

ahead oh yeah no I wanted to know what

2905

01:49:02,609 --> 01:49:00,070

your new revelation regarding one of the

2906

01:49:07,410 --> 01:49:02,619

ariel school kids because I know you

2907

01:49:08,550 --> 01:49:07,420

sent that to me I want okay yeah because

2908

01:49:11,070 --> 01:49:08,560

we only have about just

2909

01:49:14,190 --> 01:49:11,080

we have about seven minutes or so okay

2910

01:49:15,750 --> 01:49:14,200

this is a girl trim yeah Emily time I

2911

01:49:18,690 --> 01:49:15,760

met her Emily trim she's going to speak

2912

01:49:22,440 --> 01:49:18,700

at UFO Congress she spoke she came

2913

01:49:24,810 --> 01:49:22,450

public in Brantford in 2015 I happened

2914

01:49:26,640 --> 01:49:24,820

to be in the lecture she's talking about

2915

01:49:28,470 --> 01:49:26,650

and I always when I could do the

2916

01:49:29,610 --> 01:49:28,480

consciousness thing I know it's not

2917

01:49:31,560 --> 01:49:29,620

consciousness I mean these people just

2918

01:49:33,600 --> 01:49:31,570

think that they're getting messages from

2919

01:49:35,520 --> 01:49:33,610

aliens and it's not really true we know

2920

01:49:37,440 --> 01:49:35,530

and we know and they just believe so

2921

01:49:39,600 --> 01:49:37,450

they're doing this thing that and and so

2922

01:49:41,010 --> 01:49:39,610

you have these 62 kids and I in my

2923

01:49:42,720 --> 01:49:41,020

lectures I'll bring it up and I'll say

2924

01:49:43,890 --> 01:49:42,730

look at this cake and these downloads

2925

01:49:45,330 --> 01:49:43,900

these kids were all getting he's down

2926

01:49:46,320 --> 01:49:45,340

there talking about coming out of the

2927

01:49:46,980 --> 01:49:46,330

aliens eyes and they're getting these

2928

01:49:48,870 --> 01:49:46,990

messages

2929

01:49:51,480 --> 01:49:48,880

so Emily trim comes forward and she says

2930

01:49:54,060 --> 01:49:51,490

she and this other girl are on the edge

2931

01:49:55,800 --> 01:49:54,070

they're within range of touching these

2932

01:49:57,540 --> 01:49:55,810

aliens when the aliens appear they're

2933

01:49:59,490 --> 01:49:57,550

walking these logs on the edge of the on

2934

01:50:01,650 --> 01:49:59,500

the playground and she tells a story

2935

01:50:03,360 --> 01:50:01,660

that the alien was there and she was

2936

01:50:05,490 --> 01:50:03,370

looking into the aliens eyes and she got

2937

01:50:07,050 --> 01:50:05,500

this download and all this stuff was

2938

01:50:09,000 --> 01:50:07,060

going into her head and the other girl

2939

01:50:10,830 --> 01:50:09,010

got hers was environmental and the other

2940

01:50:12,420 --> 01:50:10,840

girls was no hers was technology and

2941

01:50:14,550 --> 01:50:12,430

other girls was environmental these

2942

01:50:17,280 --> 01:50:14,560

messages and what she described is

2943

01:50:19,440 --> 01:50:17,290

something that only I sort of picked up

2944

01:50:20,910 --> 01:50:19,450

on is she's talking about the and I'm

2945

01:50:22,530 --> 01:50:20,920

having an interview with her handler

2946

01:50:24,330 --> 01:50:22,540

they just didn't want me to talking to

2947

01:50:25,800 --> 01:50:24,340

her but her handler is this guy out of

2948

01:50:27,540 --> 01:50:25,810

Montreal and I'm gonna talk to him

2949

01:50:29,580 --> 01:50:27,550

tomorrow I'm doing this interview and so

2950

01:50:32,040 --> 01:50:29,590

the question is how fast were these

2951
01:50:33,840 --> 01:50:32,050
images going in in her head and that is

2952
01:50:36,120 --> 01:50:33,850
because there's a technique that is

2953
01:50:37,560 --> 01:50:36,130
called a Bengston healing method it is

2954
01:50:40,380 --> 01:50:37,570
the one that claims to be the Cadillac

2955
01:50:42,180 --> 01:50:40,390
to heal cancer I won't get into it but

2956
01:50:43,260 --> 01:50:42,190
what it what they use and I was actually

2957
01:50:44,700 --> 01:50:43,270
trained on this because I'm so

2958
01:50:46,290 --> 01:50:44,710
interested in this whole thing I was

2959
01:50:48,480 --> 01:50:46,300
trained it's called rapid image cycling

2960
01:50:50,880 --> 01:50:48,490
it's the ability to cycle thousands of

2961
01:50:52,710 --> 01:50:50,890
images in your in your head every second

2962
01:50:54,660 --> 01:50:52,720
and then they teach how to do this in

2963
01:50:56,070 --> 01:50:54,670

these images so anyway she's talking

2964

01:50:58,500 --> 01:50:56,080

about this she's talking rapid image

2965

01:51:00,690 --> 01:50:58,510

cycling the key is that the person who

2966

01:51:02,790 --> 01:51:00,700

taught the rapid image cycling to

2967

01:51:07,050 --> 01:51:02,800

Bengston who is now in charge of it was

2968

01:51:08,790 --> 01:51:07,060

a medium who later on claimed he was an

2969

01:51:10,530 --> 01:51:08,800

alien so that's the one connection so

2970

01:51:12,630 --> 01:51:10,540

this alien thing that he and and the

2971

01:51:13,770 --> 01:51:12,640

thing is it's like the flying the ship

2972

01:51:15,780 --> 01:51:13,780

with your mind like who would think

2973

01:51:17,760 --> 01:51:15,790

you're gonna cure cancer by flipping

2974

01:51:19,080 --> 01:51:17,770

thousands of images a second in your

2975

01:51:21,360 --> 01:51:19,090

head doesn't make any sense it's like

2976
01:51:22,129 --> 01:51:21,370
weird this come from so he tells a story

2977
01:51:24,859 --> 01:51:22,139
and then

2978
01:51:25,280 --> 01:51:24,869
when I hear Suzanne Hansen telling the

2979
01:51:29,660 --> 01:51:25,290
story

2980
01:51:30,919 --> 01:51:29,670
February 2010 and she doesn't know what

2981
01:51:33,169 --> 01:51:30,929
she's talking about I mean I hear this I

2982
01:51:35,899 --> 01:51:33,179
go wow and I contact her and she confer

2983
01:51:38,000 --> 01:51:35,909
confirms the story the aliens take her

2984
01:51:41,330 --> 01:51:38,010
and about 250 people to an underground

2985
01:51:43,760 --> 01:51:41,340
facility but like an underground lecture

2986
01:51:45,709 --> 01:51:43,770
theater and they're all in this room and

2987
01:51:47,419 --> 01:51:45,719
the alien comes out and she says the

2988
01:51:49,359 --> 01:51:47,429

images start on the screen and this is

2989

01:51:53,660 --> 01:51:49,369

environmental images and it's flash

2990

01:51:55,970 --> 01:51:53,670

flash flash flash flash flash and she

2991

01:51:57,770 --> 01:51:55,980

says and when it was going she said

2992

01:51:59,419 --> 01:51:57,780

there was emotion people were crying all

2993

01:52:01,189 --> 01:51:59,429

these images were flashing on the screen

2994

01:52:03,410 --> 01:52:01,199

and she said they were going hundreds of

2995

01:52:04,970 --> 01:52:03,420

times a second and they had taught us

2996

01:52:06,410 --> 01:52:04,980

how to do it

2997

01:52:07,700 --> 01:52:06,420

that's the Bankston method which was

2998

01:52:09,169 --> 01:52:07,710

taught by this guy who claimed to be an

2999

01:52:11,030 --> 01:52:09,179

alien and then sudden you have this

3000

01:52:12,740 --> 01:52:11,040

Emily trim coming forward and she's got

3001
01:52:14,840 --> 01:52:12,750
these images flashing in her head so my

3002
01:52:16,459 --> 01:52:14,850
question now is how fast were the

3003
01:52:18,229 --> 01:52:16,469
flashing was that a hundred images a

3004
01:52:20,479 --> 01:52:18,239
second which does make any sense unless

3005
01:52:22,250 --> 01:52:20,489
you know how they're trained you say no

3006
01:52:23,930 --> 01:52:22,260
and you can't flash 100 images a second

3007
01:52:25,520 --> 01:52:23,940
in your head but Emily trim is telling

3008
01:52:27,890 --> 01:52:25,530
the story and the other one that she

3009
01:52:29,540 --> 01:52:27,900
tells that's interesting is that she

3010
01:52:31,850 --> 01:52:29,550
does this thing and I've done a lot of

3011
01:52:33,530 --> 01:52:31,860
this is this download thing that a lot

3012
01:52:35,510 --> 01:52:33,540
of experiences when they have their

3013
01:52:37,640 --> 01:52:35,520

encounter Chris bludsoe is a prime

3014

01:52:39,140 --> 01:52:37,650

example they suddenly holy cow I got a

3015

01:52:41,180 --> 01:52:39,150

paint crisp line she was never paint in

3016

01:52:43,280 --> 01:52:41,190

his life he's got to go to the the arts

3017

01:52:45,290 --> 01:52:43,290

thing he's gotta buy canvases and paints

3018

01:52:47,479 --> 01:52:45,300

and stuff and I have a whole list of

3019

01:52:49,310 --> 01:52:47,489

experiences who suddenly are able to do

3020

01:52:51,109 --> 01:52:49,320

art that you cannot believe as soon as

3021

01:52:53,060 --> 01:52:51,119

they have their wakening UFO experience

3022

01:52:56,180 --> 01:52:53,070

Emily trim is one she's got these these

3023

01:52:59,030 --> 01:52:56,190

massive beautiful paintings that are all

3024

01:53:01,070 --> 01:52:59,040

related to her experience and she she

3025

01:53:02,629 --> 01:53:01,080

has this ability and it's almost like

3026

01:53:04,580 --> 01:53:02,639

they're given this ability to do this

3027

01:53:06,770 --> 01:53:04,590

painting or the allagash guys if you

3028

01:53:08,780 --> 01:53:06,780

hear stone they're artists I just

3029

01:53:11,570 --> 01:53:08,790

mention that yeah and one became a

3030

01:53:13,010 --> 01:53:11,580

mathematician yeah but but but they're

3031

01:53:15,560 --> 01:53:13,020

doing art with the mathematics involved

3032

01:53:17,180 --> 01:53:15,570

there art all changed as if they're

3033

01:53:18,979 --> 01:53:17,190

being influenced and and this is sort of

3034

01:53:20,660 --> 01:53:18,989

like whatever they're doing with the art

3035

01:53:22,070 --> 01:53:20,670

thing but there's so many of these

3036

01:53:24,080 --> 01:53:22,080

people you can't believe how many people

3037

01:53:27,109 --> 01:53:24,090

have these claims were they you know a

3038

01:53:29,149 --> 01:53:27,119

caretaker or janitor out of Ontario and

3039

01:53:30,859 --> 01:53:29,159

some of his stuff I couldn't believe it

3040

01:53:32,300 --> 01:53:30,869

he never pained before his life and it

3041

01:53:33,709 --> 01:53:32,310

looks like a like a professional artist

3042

01:53:35,060 --> 01:53:33,719

it was like unbelievable and I said

3043

01:53:35,870 --> 01:53:35,070

really and this only happened a couple

3044

01:53:37,370 --> 01:53:35,880

years ago he has

3045

01:53:39,050 --> 01:53:37,380

awakening experience and something he

3046

01:53:41,000 --> 01:53:39,060

can't stop painting he's painting all

3047

01:53:42,350 --> 01:53:41,010

the time and so these are the kind of

3048

01:53:43,820 --> 01:53:42,360

things that I think that are very

3049

01:53:45,620 --> 01:53:43,830

interesting that we should be looking at

3050

01:53:47,320 --> 01:53:45,630

to see what's going on because there's a

3051
01:53:49,100 --> 01:53:47,330
lot of these people running around and

3052
01:53:53,180 --> 01:53:49,110
we'll see where it goes

3053
01:53:54,650 --> 01:53:53,190
ah yeah let's see we just had one more

3054
01:53:58,000 --> 01:53:54,660
question I think we'll probably fill up

3055
01:54:01,370 --> 01:53:58,010
the rest of the time and could you tell

3056
01:54:03,680 --> 01:54:01,380
about the deathbed confessions of two

3057
01:54:05,420 --> 01:54:03,690
Canadian officials and what they claim

3058
01:54:08,120 --> 01:54:05,430
they were shown by American officials

3059
01:54:09,710 --> 01:54:08,130
related to UFOs well no there's only the

3060
01:54:12,620 --> 01:54:09,720
one I mentioned the one this is the one

3061
01:54:15,200 --> 01:54:12,630
the the emergency management guy who

3062
01:54:16,490 --> 01:54:15,210
told hell you're the story the guy who's

3063
01:54:19,160 --> 01:54:16,500

dying of ALS but the other one was

3064

01:54:21,110 --> 01:54:19,170

Wilbur Smith and I talked to his son and

3065

01:54:23,810 --> 01:54:21,120

Wilbur Smith why ran the Canadian

3066

01:54:25,100 --> 01:54:23,820

government program from 1950 1954 he was

3067

01:54:26,930 --> 01:54:25,110

the official no matter what anybody's

3068

01:54:28,550 --> 01:54:26,940

got to say there we have records to

3069

01:54:30,950 --> 01:54:28,560

prove that he was the official running

3070

01:54:33,140 --> 01:54:30,960

the program he wasn't reporting to

3071

01:54:35,300 --> 01:54:33,150

anybody or you know taking orders from

3072

01:54:37,190 --> 01:54:35,310

anybody he was running the show and he

3073

01:54:38,570 --> 01:54:37,200

was a contactee we never mentioned it

3074

01:54:40,970 --> 01:54:38,580

for a number of years he was a contact

3075

01:54:45,170 --> 01:54:40,980

he at the end of his life his son said

3076
01:54:46,670 --> 01:54:45,180
to him dad did you see the craft and his

3077
01:54:48,680 --> 01:54:46,680
son told me I've got you taped the

3078
01:54:50,780 --> 01:54:48,690
interview with him he said yeah he was

3079
01:54:52,370 --> 01:54:50,790
his father's dying of lower bowel cancer

3080
01:54:53,900 --> 01:54:52,380
he knew his dying he was near the end

3081
01:54:54,500 --> 01:54:53,910
and he said there's nothing they can do

3082
01:54:56,570 --> 01:54:54,510
to me anymore

3083
01:54:59,150 --> 01:54:56,580
yes I saw the craft I was shown the

3084
01:55:01,220 --> 01:54:59,160
craft and I was shown the bodies and I

3085
01:55:04,670 --> 01:55:01,230
immediately said to Jim his son I said

3086
01:55:07,010 --> 01:55:04,680
were they grace because there's no gray

3087
01:55:10,130 --> 01:55:07,020
mention back in that time and he said no

3088
01:55:12,860 --> 01:55:10,140

they were aliens described at the time

3089

01:55:15,080 --> 01:55:12,870

people like us that you would accept

3090

01:55:17,480 --> 01:55:15,090

smaller but looking like us so Wilbur

3091

01:55:19,100 --> 01:55:17,490

Smith confirmed to his son and on his

3092

01:55:20,960 --> 01:55:19,110

deathbed that yes he had actually seen

3093

01:55:23,090 --> 01:55:20,970

the craft outside of Washington DC and

3094

01:55:24,320 --> 01:55:23,100

he was shown the bodies by the Americans

3095

01:55:25,790 --> 01:55:24,330

and he was a Canadian government

3096

01:55:27,320 --> 01:55:25,800

official that was that was running it

3097

01:55:29,180 --> 01:55:27,330

until he claimed there was a flying

3098

01:55:31,160 --> 01:55:29,190

saucer came over to Washington or over

3099

01:55:32,780 --> 01:55:31,170

Ottawa which is nation's capital and

3100

01:55:34,250 --> 01:55:32,790

they shut the program down and that was

3101

01:55:37,520 --> 01:55:34,260

the end of the program Wow

3102

01:55:40,100 --> 01:55:37,530

okay one last question here and why is

3103

01:55:44,660 --> 01:55:40,110

it that you don't follow UFO sighting

3104

01:55:47,570 --> 01:55:44,670

reports because we've done it for 70

3105

01:55:49,370 --> 01:55:47,580

years and if you take a look where are

3106

01:55:50,390 --> 01:55:49,380

we everybody says

3107

01:55:52,850 --> 01:55:50,400

it's a big mystery we don't know what's

3108

01:55:55,520 --> 01:55:52,860

going on it's not a physical thing you

3109

01:55:57,649 --> 01:55:55,530

you cannot if you I say if we try to

3110

01:55:59,300 --> 01:55:57,659

measure it we're never gonna figure it

3111

01:56:01,550 --> 01:55:59,310

out you you've got to go to the next

3112

01:56:03,260 --> 01:56:01,560

step if you were if you had 3,000

3113

01:56:04,459 --> 01:56:03,270

members like me five members if you had

3114

01:56:07,520 --> 01:56:04,469

the CIA

3115

01:56:10,220 --> 01:56:07,530

if you said okay instead of a UFO or

3116

01:56:11,830 --> 01:56:10,230

aliens it's a Russian plane if I say to

3117

01:56:13,580 --> 01:56:11,840

you okay Martin what are we gonna do

3118

01:56:16,430 --> 01:56:13,590

everybody go stand out in their backyard

3119

01:56:18,979 --> 01:56:16,440

for for a week and see what they see or

3120

01:56:20,479 --> 01:56:18,989

are we gonna listen to the experiencers

3121

01:56:23,780 --> 01:56:20,489

the people who claim to have worked

3122

01:56:25,250 --> 01:56:23,790

inside the Russian space program claim

3123

01:56:27,560 --> 01:56:25,260

to being inside the thing now maybe

3124

01:56:32,720 --> 01:56:27,570

they're lying but don't you think it's

3125

01:56:34,669 --> 01:56:32,730

more what a better source of our time

3126

01:56:35,959 --> 01:56:34,679

and energy to talk to people who

3127

01:56:38,959 --> 01:56:35,969

actually been apart because what can you

3128

01:56:40,520 --> 01:56:38,969

tell by you know what you see what these

3129

01:56:42,169 --> 01:56:40,530

style of thousands of people will see in

3130

01:56:44,000 --> 01:56:42,179

their yard they'll report this color

3131

01:56:46,040 --> 01:56:44,010

that this object and you can't tell

3132

01:56:48,080 --> 01:56:46,050

anything by stuff flying around the sky

3133

01:56:49,820 --> 01:56:48,090

it could always be something else that

3134

01:56:51,020 --> 01:56:49,830

you're never gonna nail it down the only

3135

01:56:53,540 --> 01:56:51,030

way you're gonna nail down is to get the

3136

01:56:55,280 --> 01:56:53,550

government to disclose or to talk to the

3137

01:56:57,379 --> 01:56:55,290

people who claim to have been inside the

3138

01:56:59,990 --> 01:56:57,389

ship that's right okay we are out of

3139

01:57:01,959 --> 01:57:00,000

time thanks so much I really do

3140

01:57:04,189 --> 01:57:01,969

appreciate it it was very interesting

3141

01:57:07,490 --> 01:57:04,199

well thank you for your interest I

3142

01:57:10,070 --> 01:57:07,500

appreciate your listening to my tales

3143

01:57:13,910 --> 01:57:10,080

yeah very good all right you take care

3144

01:57:15,590 --> 01:57:13,920

grant okay see you Martin thank you all

3145

01:57:18,919 --> 01:57:15,600

right everyone so thanks so much for

3146

01:57:22,310 --> 01:57:18,929

listening and next week we have Frank

3147

01:57:25,010 --> 01:57:22,320

Jacobs on he's put together a movie

3148

01:57:27,530 --> 01:57:25,020

called packing for Mars I think it'll be

3149

01:57:30,020 --> 01:57:27,540

an interesting show I want to thank a

3150

01:57:33,470 --> 01:57:30,030

few people our guests of course Brant

3151

01:57:36,439 --> 01:57:33,480

Cameron Alejandro Rojas however you say

3152

01:57:39,649 --> 01:57:36,449

that for the news I want to thank Carrie

3153

01:57:43,700 --> 01:57:39,659

Lloyd Whitehouse for the music for the

3154

01:57:46,550 --> 01:57:43,710

show and I'm Peggy shunning for managing

3155

01:57:48,080 --> 01:57:46,560

the Facebook page and so that is going

3156

01:57:51,110 --> 01:57:48,090

to do it for the show this evening and
