UFOs

NICK REDFERN

365 DAYS
of UFOs

A Year of
Alien Encounters

1
00:00:03,830 --> 00:00:02,470
me oh my gosh this is that triangle you

2
00:00:05,510 --> 00:00:03,840
know there's explanation for everything

3
00:00:07,670 --> 00:00:05,520
that occurred in the rendelsham forest

4
00:00:10,549 --> 00:00:07,680
incident that doesn't involve aliens at

5
00:00:13,430 --> 00:00:10,559
all it was completely silent it comes

6
00:00:15,829 --> 00:00:13,440
right over our heads he saw a

7
00:00:17,510 --> 00:00:15,839
classic flying saucer really standing in

8
00:00:19,029 --> 00:00:17,520
the clearing he turned over to my father

9
00:00:24,470 --> 00:00:19,039
and held his hand and he looked in his

10
00:00:30,150 --> 00:00:27,830
welcome to podcast ufo for our live show

11
00:00:32,510 --> 00:00:30,160
we're live every wednesday at 8pm

12
00:00:35,270 --> 00:00:32,520
eastern standard time on

13
00:00:37,830 --> 00:00:35,280

podcastufo.com during the show feel free

14

00:00:39,990 --> 00:00:37,840

to participate live in our chat room

15

00:00:42,950 --> 00:00:40,000

and don't forget to like us on our very

16

00:00:45,590 --> 00:00:42,960

active facebook page hello and welcome

17

00:00:47,830 --> 00:00:45,600

to the show i am martin willis your host

18

00:00:50,709 --> 00:00:47,840

and we have another great show for you

19

00:00:52,950 --> 00:00:50,719

this evening alejandro rojas of course

20

00:00:56,310 --> 00:00:52,960

is coming up with the ufo updates and

21

00:00:57,830 --> 00:00:56,320

our guest is the prolific author nick

22

00:00:59,229 --> 00:00:57,840

redfearn he's going to be talking about

23

00:01:02,869 --> 00:00:59,239

his book

24

00:01:05,030 --> 00:01:02,879

365 days of ufos i downloaded the book

25

00:01:07,030 --> 00:01:05,040

on kindle and started reading it and

26

00:01:08,630 --> 00:01:07,040

we'll go over that it's a lot of fun

27

00:01:12,789 --> 00:01:08,640

uh big news

28

00:01:14,950 --> 00:01:12,799

we are now live streaming on youtube

29

00:01:17,270 --> 00:01:14,960

so uh nothing will really change will be

30

00:01:19,429 --> 00:01:17,280

a player it looked like a youtube video

31

00:01:21,270 --> 00:01:19,439

on the home page of our website you just

32

00:01:24,149 --> 00:01:21,280

want to click on that during the show

33

00:01:25,590 --> 00:01:24,159

which is 8 to 10 p.m eastern standard

34

00:01:27,350 --> 00:01:25,600

time

35

00:01:30,230 --> 00:01:27,360

so that's basically there's not going to

36

00:01:33,030 --> 00:01:30,240

be a lot of changes and if i can get

37

00:01:35,749 --> 00:01:33,040

help we will still uh stream

38

00:01:36,950 --> 00:01:35,759

live on psn radio i'm working on that

39

00:01:39,510 --> 00:01:36,960

we'll see what happens with that i

40

00:01:41,270 --> 00:01:39,520

apologize for the show last week um

41

00:01:43,749 --> 00:01:41,280

their servers were down over at psn

42

00:01:45,910 --> 00:01:43,759

radio and i couldn't be live

43

00:01:49,270 --> 00:01:45,920

so what's going to change nothing really

44

00:01:51,510 --> 00:01:49,280

the podcast will be coming out as usual

45

00:01:54,230 --> 00:01:51,520

no changes there but if you wanted to

46

00:01:56,630 --> 00:01:54,240

watch live on podcastufo.com

47

00:01:58,789 --> 00:01:56,640

uh on wednesdays there's going to be

48

00:02:01,749 --> 00:01:58,799

some video feeds and that's basically

49

00:02:03,990 --> 00:02:01,759

the only real change and

50

00:02:05,510 --> 00:02:04,000

i've done several tests i don't think

51
00:02:07,510 --> 00:02:05,520
there's going to be any problems tonight

52
00:02:09,270 --> 00:02:07,520
i'm a little concerned but i've actually

53
00:02:11,750 --> 00:02:09,280
done 25

54
00:02:14,790 --> 00:02:11,760
tests to get the thing right um we had a

55
00:02:17,430 --> 00:02:14,800
bunch of people when i was doing them uh

56
00:02:20,390 --> 00:02:17,440
live in public tons of people jumping in

57
00:02:23,110 --> 00:02:20,400
the chat room on youtube so and i know i

58
00:02:25,270 --> 00:02:23,120
have a chat room on podcast ufo but uh

59
00:02:27,430 --> 00:02:25,280
feel free to check that out in the

60
00:02:30,150 --> 00:02:27,440
youtube page as well i'll put a link to

61
00:02:31,589 --> 00:02:30,160
that in the show notes the director

62
00:02:33,509 --> 00:02:31,599
youtube page

63
00:02:36,869 --> 00:02:33,519

so i want to thank all the listeners who

64

00:02:38,470 --> 00:02:36,879

support the show and if you are not able

65

00:02:40,470 --> 00:02:38,480

to support the show

66

00:02:42,550 --> 00:02:40,480

we still appreciate you and you can

67

00:02:44,869 --> 00:02:42,560

listen to the whole show for free

68

00:02:48,229 --> 00:02:44,879

of course every wednesday as i mentioned

69

00:02:50,869 --> 00:02:48,239

uh 8 to 10 pm eastern standard time on

70

00:02:52,949 --> 00:02:50,879

podcastufo.com

71

00:02:54,630 --> 00:02:52,959

and you can also uh

72

00:02:56,630 --> 00:02:54,640

go over to the dark matter digital

73

00:02:58,309 --> 00:02:56,640

network every thursday evening 10 to

74

00:03:01,030 --> 00:02:58,319

midnight and listen to the full show

75

00:03:02,710 --> 00:03:01,040

there and that's enough babbling how you

76

00:03:05,509 --> 00:03:02,720

doing alejandro

77

00:03:07,910 --> 00:03:05,519

i am doing well that sounds really cool

78

00:03:10,630 --> 00:03:07,920

your youtube thing however

79

00:03:13,270 --> 00:03:10,640

um if you're going to do video you've

80

00:03:15,509 --> 00:03:13,280

got to do something unique like i was

81

00:03:17,589 --> 00:03:15,519

thinking just now while you were talking

82

00:03:19,110 --> 00:03:17,599

uh i would probably put up like a a

83

00:03:21,190 --> 00:03:19,120

beach scene

84

00:03:23,190 --> 00:03:21,200

and then you can have your girlfriend uh

85

00:03:25,030 --> 00:03:23,200

walk back and forth occasionally

86

00:03:27,990 --> 00:03:25,040

pretending like she's on the beach maybe

87

00:03:30,149 --> 00:03:28,000

even have her splash some water on the

88

00:03:32,229 --> 00:03:30,159

back of your head or something so you

89

00:03:34,390 --> 00:03:32,239

know oh the waves are getting big out

90

00:03:36,949 --> 00:03:34,400

here or you know you gotta what are you

91

00:03:39,910 --> 00:03:36,959

gonna do that is visually

92

00:03:41,270 --> 00:03:39,920

um you know interesting wow you know

93

00:03:42,789 --> 00:03:41,280

i've been fine with this now you're

94

00:03:45,830 --> 00:03:42,799

making me think

95

00:03:48,229 --> 00:03:45,840

uh oh no i'm gonna have to think this is

96

00:03:50,550 --> 00:03:48,239

this is a showmanship that's right well

97

00:03:52,390 --> 00:03:50,560

the video feed of myself

98

00:03:54,710 --> 00:03:52,400

is gonna be rather minute i did that

99

00:03:57,429 --> 00:03:54,720

kind of purposely you know so

100

00:04:00,789 --> 00:03:57,439

i have a face good for uh radio mostly

101
00:04:03,509 --> 00:04:00,799
no well you know but uh anyway we'll see

102
00:04:05,990 --> 00:04:03,519
how i know all about your face oh my

103
00:04:07,750 --> 00:04:06,000
gosh oh no no you got a good face come

104
00:04:09,270 --> 00:04:07,760
on well anyway

105
00:04:12,789 --> 00:04:09,280
you know i really want to focus on the

106
00:04:14,710 --> 00:04:12,799
guests also but this uh this evening

107
00:04:16,789 --> 00:04:14,720
nick redfearn does not have the

108
00:04:19,590 --> 00:04:16,799
capability of skype so just have images

109
00:04:21,110 --> 00:04:19,600
on on the feed that's it also before we

110
00:04:22,790 --> 00:04:21,120
get going in the news i just wanted to

111
00:04:24,710 --> 00:04:22,800
tell everyone i am going to be out in

112
00:04:26,230 --> 00:04:24,720
phoenix at the ufo congress in a couple

113
00:04:28,870 --> 00:04:26,240

weeks really looking forward to it and i

114

00:04:30,070 --> 00:04:28,880

just want to say another um reminder

115

00:04:32,749 --> 00:04:30,080

anyone that's going to be out there

116

00:04:34,390 --> 00:04:32,759

please do email me at

117

00:04:36,310 --> 00:04:34,400

martinetpodcastufo.com i'd love to hang

118

00:04:38,629 --> 00:04:36,320

out with you it's always a lot of fun it

119

00:04:40,790 --> 00:04:38,639

is yeah that's one of the great things

120

00:04:42,629 --> 00:04:40,800

is having people come up and say hi and

121

00:04:43,990 --> 00:04:42,639

say they listen to the show

122

00:04:45,350 --> 00:04:44,000

um

123

00:04:46,390 --> 00:04:45,360

it's a lot of fun

124

00:04:49,430 --> 00:04:46,400

it is

125

00:04:53,510 --> 00:04:49,440

so what's going on in the news this week

126

00:04:55,670 --> 00:04:53,520

in the news so um oh i i should give

127

00:04:56,550 --> 00:04:55,680

your listeners a tip too two

128

00:04:58,790 --> 00:04:56,560

that

129

00:05:01,270 --> 00:04:58,800

if you're going to the conference if you

130

00:05:03,029 --> 00:05:01,280

want uh discount tickets you're gonna

131

00:05:05,990 --> 00:05:03,039

get a much cheaper price if you buy the

132

00:05:09,110 --> 00:05:06,000

tickets online at ufocongress.com

133

00:05:10,870 --> 00:05:09,120

but that those ticket sales end

134

00:05:14,710 --> 00:05:10,880

this weekend so you've got to buy your

135

00:05:17,350 --> 00:05:14,720

tickets by friday and the day is

136

00:05:19,670 --> 00:05:17,360

the 28th of seventh i think i think

137

00:05:21,110 --> 00:05:19,680

friday's the 27th yeah

138

00:05:23,830 --> 00:05:21,120

so you got to buy them by friday the

139

00:05:26,950 --> 00:05:23,840

27th yeah you got to get them by friday

140

00:05:28,710 --> 00:05:26,960

the end of this week uh or else you'll

141

00:05:30,390 --> 00:05:28,720

you'll be able to buy them at the door

142

00:05:32,550 --> 00:05:30,400

which is no problem but you'll get a

143

00:05:34,870 --> 00:05:32,560

much better price if you plan ahead and

144

00:05:36,310 --> 00:05:34,880

get them early

145

00:05:37,350 --> 00:05:36,320

all right i wanted to let your listeners

146

00:05:39,749 --> 00:05:37,360

know that because it's really important

147

00:05:43,749 --> 00:05:39,759

because you get a really decent discount

148

00:05:46,310 --> 00:05:43,759

um but otherwise yes in the news i i

149

00:05:48,070 --> 00:05:46,320

don't think we talked about this one uh

150

00:05:49,430 --> 00:05:48,080

there have been sightings over the last

151
00:05:50,790 --> 00:05:49,440
few days

152
00:05:53,189 --> 00:05:50,800
but nothing

153
00:05:56,469 --> 00:05:53,199
too exciting

154
00:05:59,110 --> 00:05:56,479
but uh this canadian one is really cool

155
00:06:01,110 --> 00:05:59,120
uh this canadian video it's interesting

156
00:06:03,029 --> 00:06:01,120
i think we didn't talk about this i

157
00:06:04,309 --> 00:06:03,039
don't know i don't believe oh yeah i

158
00:06:06,710 --> 00:06:04,319
don't think so we did it on my show but

159
00:06:08,550 --> 00:06:06,720
not on yours before so yeah this is a

160
00:06:11,430 --> 00:06:08,560
canadian witness at a place called

161
00:06:14,950 --> 00:06:11,440
etsy's bridge and he uh reported

162
00:06:18,070 --> 00:06:14,960
watching a stationary light that he said

163
00:06:20,710 --> 00:06:18,080

was emitting a growling noise and moved

164

00:06:22,710 --> 00:06:20,720

away very quickly

165

00:06:27,830 --> 00:06:22,720

he heard this noise he looked up it's

166

00:06:29,830 --> 00:06:27,840

about 5 10 pm on december 23rd

167

00:06:32,309 --> 00:06:29,840

just before christmas there

168

00:06:34,790 --> 00:06:32,319

and it seemed stationary and then it

169

00:06:37,590 --> 00:06:34,800

moves to side to side and then it moves

170

00:06:40,230 --> 00:06:37,600

off and he caught some of this on video

171

00:06:41,909 --> 00:06:40,240

now the object seems very far quite a

172

00:06:45,350 --> 00:06:41,919

quite a distance away

173

00:06:47,670 --> 00:06:45,360

i suppose it's possible it's a drone but

174

00:06:50,469 --> 00:06:47,680

this thing seemed to be in the air for

175

00:06:53,029 --> 00:06:50,479

quite a while

176

00:06:54,870 --> 00:06:53,039

i i don't know i think he said he only

177

00:06:57,110 --> 00:06:54,880

saw it for a few minutes but it's

178

00:06:59,189 --> 00:06:57,120

sitting up there just sitting there

179

00:07:01,670 --> 00:06:59,199

before it starts moving

180

00:07:03,670 --> 00:07:01,680

it's an interesting video it is blinking

181

00:07:05,110 --> 00:07:03,680

so who knows it could be a drone but

182

00:07:07,270 --> 00:07:05,120

it's pretty high up in the air just kind

183

00:07:10,710 --> 00:07:07,280

of sitting there before it moves around

184

00:07:12,870 --> 00:07:10,720

and uh at some distance it seems so

185

00:07:14,950 --> 00:07:12,880

uh yeah you took a look at that right

186

00:07:16,629 --> 00:07:14,960

yeah now uh what i don't recall is can

187

00:07:17,670 --> 00:07:16,639

you you don't hear any of the noise

188

00:07:19,670 --> 00:07:17,680

though do you

189

00:07:21,830 --> 00:07:19,680

in the video

190

00:07:22,950 --> 00:07:21,840

i don't remember hearing the noise no

191

00:07:23,990 --> 00:07:22,960

you're right

192

00:07:26,390 --> 00:07:24,000

hmm

193

00:07:27,990 --> 00:07:26,400

yeah interesting mo it's sounds like

194

00:07:30,629 --> 00:07:28,000

that one's going to be a drone after all

195

00:07:31,749 --> 00:07:30,639

but you know you never know yeah you

196

00:07:35,510 --> 00:07:31,759

never

197

00:07:37,909 --> 00:07:35,520

that one is kind of interesting

198

00:07:40,309 --> 00:07:37,919

yeah otherwise there is one from georgia

199

00:07:42,870 --> 00:07:40,319

i like covering these ones uh that have

200

00:07:44,790 --> 00:07:42,880

some visuals with them so there are

201
00:07:47,029 --> 00:07:44,800
other sightings that we have but that

202
00:07:49,430 --> 00:07:47,039
one has the video this other one from

203
00:07:52,790 --> 00:07:49,440
georgia the witness kind of drew

204
00:07:54,710 --> 00:07:52,800
something out and he says

205
00:07:55,990 --> 00:07:54,720
that he saw

206
00:08:07,670 --> 00:07:56,000
a

207
00:08:11,029 --> 00:08:07,680
december 2nd

208
00:08:12,869 --> 00:08:11,039
and this was incoming georgia

209
00:08:14,950 --> 00:08:12,879
he said he was looking back over his

210
00:08:18,710 --> 00:08:14,960
house when he heard a faint chop chop

211
00:08:19,589 --> 00:08:18,720
chop of a helicopter a copter uh he saw

212
00:08:29,909 --> 00:08:19,599
the

213
00:08:32,630 --> 00:08:29,919

he also noticed some object that was

214

00:08:35,269 --> 00:08:32,640

moving very very fast

215

00:08:38,149 --> 00:08:35,279

and he felt that this helicopter was

216

00:08:41,029 --> 00:08:38,159

chasing this object

217

00:08:44,230 --> 00:08:41,039

he said it was tubular shaped

218

00:08:45,430 --> 00:08:44,240

he felt it was only about 50 to 70 feet

219

00:08:47,590 --> 00:08:45,440

uh

220

00:08:50,949 --> 00:08:47,600

in front of the helicopter

221

00:08:52,710 --> 00:08:50,959

and as it chased it along so uh he felt

222

00:08:55,670 --> 00:08:52,720

you know it couldn't have been a jet or

223

00:08:57,829 --> 00:08:55,680

a missile but that's what he felt it

224

00:08:58,710 --> 00:08:57,839

kind of looked similar to

225

00:09:00,630 --> 00:08:58,720

uh

226

00:09:01,750 --> 00:09:00,640

so and he said the helicopter was like

227

00:09:05,110 --> 00:09:01,760

you know

228

00:09:09,190 --> 00:09:05,120

he describes the helicopter as a fast

229

00:09:11,350 --> 00:09:09,200

and extremely fast and powerful military

230

00:09:13,430 --> 00:09:11,360

style chopper

231

00:09:15,190 --> 00:09:13,440

so uh yeah so this is kind of an

232

00:09:17,590 --> 00:09:15,200

interesting sighting and he drew some

233

00:09:18,710 --> 00:09:17,600

pictures of uh where the thing flew in

234

00:09:22,310 --> 00:09:18,720

you see

235

00:09:24,630 --> 00:09:22,320

this thing flew very near his house um

236

00:09:25,750 --> 00:09:24,640

but yeah this guy

237

00:09:27,829 --> 00:09:25,760

was

238

00:09:30,150 --> 00:09:27,839

hot tubbing when he saw this i think i

239

00:09:32,310 --> 00:09:30,160

said 7 22 p.m so he's

240

00:09:33,269 --> 00:09:32,320

chilling in this hot tub much like you

241

00:09:34,389 --> 00:09:33,279

do

242

00:09:35,269 --> 00:09:34,399

um

243

00:09:38,630 --> 00:09:35,279

and

244

00:09:41,430 --> 00:09:38,640

saw this ufo so hot tubbin um as we've

245

00:09:43,750 --> 00:09:41,440

discussed before is a good way uh to

246

00:09:45,269 --> 00:09:43,760

spot ufos a lot of people go outside to

247

00:09:47,670 --> 00:09:45,279

smoke cigarettes and they spend time

248

00:09:50,389 --> 00:09:47,680

outside that's right but uh some people

249

00:09:52,310 --> 00:09:50,399

like you hot tub and then you see

250

00:09:54,550 --> 00:09:52,320

strange things like you have yes well

251
00:09:57,269 --> 00:09:54,560
it's where i had my sighting and yeah in

252
00:09:58,710 --> 00:09:57,279
the hot tub and it's uh and i was teased

253
00:10:00,550 --> 00:09:58,720
about that you know like oh you must

254
00:10:02,630 --> 00:10:00,560
have been drunk or something like that

255
00:10:04,069 --> 00:10:02,640
but that you're right you're just

256
00:10:06,470 --> 00:10:04,079
sitting there in the open sky and this

257
00:10:09,110 --> 00:10:06,480
wasn't actually dark yet this was only

258
00:10:11,910 --> 00:10:09,120
about like 8 8 30 or something in the

259
00:10:13,750 --> 00:10:11,920
evening sort of dusk when i had my

260
00:10:15,430 --> 00:10:13,760
sighting which

261
00:10:17,110 --> 00:10:15,440
by the way i've told her a number of

262
00:10:18,949 --> 00:10:17,120
times but just real quickly for the new

263
00:10:22,150 --> 00:10:18,959

listener you know it was a

264

00:10:25,030 --> 00:10:22,160

uh i was in carmel valley in california

265

00:10:27,990 --> 00:10:25,040

um actually i was working on uh merv

266

00:10:30,470 --> 00:10:28,000

griffin's appraisal and uh so i was

267

00:10:31,269 --> 00:10:30,480

relaxing at a ranch in carmel valley and

268

00:10:33,269 --> 00:10:31,279

uh

269

00:10:34,870 --> 00:10:33,279

all of a sudden something caught my eye

270

00:10:35,990 --> 00:10:34,880

and i looked up and a perfect shaped

271

00:10:36,790 --> 00:10:36,000

disc

272

00:10:38,470 --> 00:10:36,800

uh

273

00:10:40,230 --> 00:10:38,480

came right over my head it must have

274

00:10:43,030 --> 00:10:40,240

been i don't know how many thousand feet

275

00:10:46,150 --> 00:10:43,040

up but it was really hard to judge the

276

00:10:48,389 --> 00:10:46,160

size of it and distance but no the thing

277

00:10:50,550 --> 00:10:48,399

that shocked me the most

278

00:10:52,710 --> 00:10:50,560

about all of this was that there was

279

00:10:54,790 --> 00:10:52,720

absolutely no sound it moved in a

280

00:10:55,910 --> 00:10:54,800

straight line it stopped

281

00:10:58,829 --> 00:10:55,920

and then it

282

00:11:03,269 --> 00:10:58,839

it sort of went off in an angle toward

283

00:11:05,110 --> 00:11:03,279

um uh not carmel uh monterey you know it

284

00:11:06,710 --> 00:11:05,120

had sort of a bluish

285

00:11:09,350 --> 00:11:06,720

overall glow

286

00:11:11,590 --> 00:11:09,360

sort of like a blue metal glow on the

287

00:11:12,870 --> 00:11:11,600

thing but i can't i could never explain

288

00:11:15,269 --> 00:11:12,880

that sighting

289

00:11:17,590 --> 00:11:15,279

uh yeah and so that's what got me really

290

00:11:18,949 --> 00:11:17,600

interested in this topic to begin with i

291

00:11:20,069 --> 00:11:18,959

got on the phone to the police

292

00:11:23,110 --> 00:11:20,079

department

293

00:11:25,430 --> 00:11:23,120

uh over in monterey and uh they just

294

00:11:28,389 --> 00:11:25,440

gave me the woman dispatcher just gave

295

00:11:31,110 --> 00:11:28,399

me a a really hard time sarcastic

296

00:11:32,150 --> 00:11:31,120

put me on hold 15 minutes i hung up and

297

00:11:34,389 --> 00:11:32,160

um

298

00:11:35,829 --> 00:11:34,399

so that that was my side that was my hot

299

00:11:39,350 --> 00:11:35,839

top sighting

300

00:11:41,030 --> 00:11:39,360

not cool dispatch lady not cool yeah

301
00:11:44,389 --> 00:11:41,040
i know and

302
00:11:47,430 --> 00:11:44,399
now from what i understand almost all um

303
00:11:51,190 --> 00:11:47,440
police stations in this country uh have

304
00:11:53,509 --> 00:11:51,200
uh referrals to uh mufon or other

305
00:11:55,350 --> 00:11:53,519
organizations

306
00:11:57,350 --> 00:11:55,360
yep that's pretty cool but they didn't

307
00:11:59,509 --> 00:11:57,360
say anything to me at that time yeah

308
00:12:01,990 --> 00:11:59,519
that's unfortunate

309
00:12:04,310 --> 00:12:02,000
well interesting hot tubs hot tub and so

310
00:12:05,910 --> 00:12:04,320
there's a hot tub story for you the last

311
00:12:08,230 --> 00:12:05,920
story i haven't even written up on the

312
00:12:09,350 --> 00:12:08,240
website but this is super exciting for

313
00:12:12,470 --> 00:12:09,360

me

314

00:12:15,110 --> 00:12:12,480
call and he's doing a talk at the

315

00:12:17,670 --> 00:12:15,120
congress about the presidential comments

316

00:12:19,509 --> 00:12:17,680
about ufos or uh

317

00:12:22,150 --> 00:12:19,519
in hillary clinton's case or john

318

00:12:23,350 --> 00:12:22,160
podesta her campaign manager

319

00:12:26,310 --> 00:12:23,360
the

320

00:12:28,069 --> 00:12:26,320
nominees comments about ufos

321

00:12:30,870 --> 00:12:28,079
and he said hey i wanted to ask you

322

00:12:32,629 --> 00:12:30,880
about that wikileaks that you're in and i

323

00:12:34,870 --> 00:12:32,639
was like what i'm in a wikileaks he's

324

00:12:36,870 --> 00:12:34,880
like yeah you didn't even know this so

325

00:12:38,870 --> 00:12:36,880
one of our stories is in a wikileaks so

326

00:12:40,470 --> 00:12:38,880

the back story is and we've talked about

327

00:12:42,949 --> 00:12:40,480

this before and i guess i just didn't

328

00:12:44,150 --> 00:12:42,959

read thoroughly through all of them

329

00:12:46,310 --> 00:12:44,160

but um

330

00:12:48,470 --> 00:12:46,320

there was some conversation between

331

00:12:50,710 --> 00:12:48,480

hillary and hillary clinton's campaign

332

00:12:53,110 --> 00:12:50,720

when she went on jimmy kimmel so we know

333

00:12:54,790 --> 00:12:53,120

she was expecting uh the question and

334

00:12:58,150 --> 00:12:54,800

looking forward to it well in one of

335

00:13:00,629 --> 00:12:58,160

these emails one of the staffers uh her

336

00:13:02,389 --> 00:13:00,639

staffers sends an email and we know this

337

00:13:04,389 --> 00:13:02,399

because this conversation was forwarded

338

00:13:05,190 --> 00:13:04,399

to john podesta so to keep him on the

339

00:13:07,190 --> 00:13:05,200

loop

340

00:13:08,870 --> 00:13:07,200

and um

341

00:13:10,470 --> 00:13:08,880

and what is staffer says here's what i

342

00:13:13,269 --> 00:13:10,480

think we should talk about regarding

343

00:13:14,870 --> 00:13:13,279

ufos with jimmy kimmel and when the lady

344

00:13:17,829 --> 00:13:14,880

says what are you talking about why

345

00:13:21,190 --> 00:13:17,839

would he want to talk about aliens and

346

00:13:23,829 --> 00:13:21,200

so she replies well because john podesta

347

00:13:25,509 --> 00:13:23,839

and bill clinton are really into ufos

348

00:13:27,990 --> 00:13:25,519

here's some background on it they give a

349

00:13:30,550 --> 00:13:28,000

mother jones story a recent one which

350

00:13:31,750 --> 00:13:30,560

was kind of a short story a good one and

351
00:13:33,910 --> 00:13:31,760
then

352
00:13:38,150 --> 00:13:33,920
they say here's some more background on

353
00:13:41,030 --> 00:13:38,160
bill clinton's comments on uh ufos and

354
00:13:42,790 --> 00:13:41,040
they linked to one of my stories amazing

355
00:13:45,590 --> 00:13:42,800
so the hillary clinton people were

356
00:13:47,670 --> 00:13:45,600
passing around an open mindset tv story

357
00:13:49,189 --> 00:13:47,680
to get up to speed on what bill and

358
00:13:50,230 --> 00:13:49,199
podesta had

359
00:13:52,710 --> 00:13:50,240
done

360
00:13:54,470 --> 00:13:52,720
what they had said publicly about ufos

361
00:13:57,269 --> 00:13:54,480
and i did outline it i think pretty

362
00:13:59,590 --> 00:13:57,279
thoroughly in this story um i have done

363
00:14:01,189 --> 00:13:59,600

that in several stories but

364

00:14:03,750 --> 00:14:01,199

so yeah pretty cool

365

00:14:06,310 --> 00:14:03,760

that was a really neat i'm just super

366

00:14:08,790 --> 00:14:06,320

excited about getting in the wikileaks

367

00:14:10,389 --> 00:14:08,800

there um and i'm excited that you know

368

00:14:12,310 --> 00:14:10,399

hillary's people were passing that

369

00:14:15,430 --> 00:14:12,320

around that's pretty cool that is

370

00:14:17,509 --> 00:14:15,440

amazing wow good maybe that'll help me

371

00:14:19,269 --> 00:14:17,519

get podesta we all of course want to get

372

00:14:21,430 --> 00:14:19,279

we all want to interview podesta how

373

00:14:23,110 --> 00:14:21,440

awesome would that be so that would be

374

00:14:25,750 --> 00:14:23,120

really really great i would love to see

375

00:14:28,230 --> 00:14:25,760

that all right thanks so much

376

00:14:30,949 --> 00:14:28,240

and my pleasure all right and we'll be

377

00:14:33,030 --> 00:14:30,959

talking to you next week alright hang in

378

00:14:34,629 --> 00:14:33,040

everyone after this quick music break

379

00:15:05,400 --> 00:14:34,639

we'll be right back

380

00:16:05,030 --> 00:15:26,190

[Music]

381

00:16:08,389 --> 00:16:06,790

hello nick

382

00:16:09,990 --> 00:16:08,399

oh hey martin i would just sit staying

383

00:16:12,629 --> 00:16:10,000

quiet in case you

384

00:16:14,790 --> 00:16:12,639

do something uh good to hear you nick um

385

00:16:16,470 --> 00:16:14,800

i've been on pins and needles here with

386

00:16:19,189 --> 00:16:16,480

uh this new program

387

00:16:20,710 --> 00:16:19,199

and uh so glad uh so far it seems like

388

00:16:23,749 --> 00:16:20,720

it's working

389

00:16:26,389 --> 00:16:23,759

oh cool yes and uh so thanks i know

390

00:16:28,389 --> 00:16:26,399

you've been on the show before uh always

391

00:16:30,310 --> 00:16:28,399

always a pleasure to have you on

392

00:16:31,509 --> 00:16:30,320

and uh

393

00:16:34,069 --> 00:16:31,519

just uh

394

00:16:35,590 --> 00:16:34,079

you've written another book um

395

00:16:37,110 --> 00:16:35,600

first of all how many books have you

396

00:16:38,310 --> 00:16:37,120

written i know we've talked about this

397

00:16:41,829 --> 00:16:38,320

before

398

00:16:44,150 --> 00:16:41,839

um i think it's 40 um

399

00:16:45,430 --> 00:16:44,160

all together so far and you're a very

400

00:16:47,110 --> 00:16:45,440

disciplined

401
00:16:49,269 --> 00:16:47,120
um author you

402
00:16:51,030 --> 00:16:49,279
you have uh you've told me how you

403
00:16:52,470 --> 00:16:51,040
you've done this you you start at eight

404
00:16:54,949 --> 00:16:52,480
o'clock in the morning you take a lunch

405
00:16:56,790 --> 00:16:54,959
break and work uh it's a like a nine to

406
00:16:59,910 --> 00:16:56,800
five job and you you're just dedicated

407
00:17:01,350 --> 00:16:59,920
to that and uh i think that's uh

408
00:17:03,990 --> 00:17:01,360
uh something changed yeah i mean the

409
00:17:06,230 --> 00:17:04,000
reason i do that really is because so i

410
00:17:08,230 --> 00:17:06,240
get up have breakfast and i sort of you

411
00:17:10,870 --> 00:17:08,240
know first hour eight to nine of bill

412
00:17:13,110 --> 00:17:10,880
thereabouts i sort of answer emails and

413
00:17:13,829 --> 00:17:13,120

do a few facebook posts and whatever but

414

00:17:15,909 --> 00:17:13,839

um

415

00:17:19,029 --> 00:17:15,919

the reason i like to do that sort of

416

00:17:21,590 --> 00:17:19,039

work in nine to five monday to friday is

417

00:17:24,309 --> 00:17:21,600

because for me it's important to have a

418

00:17:25,110 --> 00:17:24,319

good fun social life as well so i take

419

00:17:29,669 --> 00:17:25,120

off

420

00:17:31,110 --> 00:17:29,679

then i get back to it again monday

421

00:17:33,430 --> 00:17:31,120

morning you know and

422

00:17:35,029 --> 00:17:33,440

not that i consider it just a job you

423

00:17:36,230 --> 00:17:35,039

know you have to have that passion for

424

00:17:37,110 --> 00:17:36,240

it as well

425

00:17:39,750 --> 00:17:37,120

um

426

00:17:41,190 --> 00:17:39,760

but for me i like to sort of

427

00:17:43,270 --> 00:17:41,200

do the work

428

00:17:45,029 --> 00:17:43,280

and then stop and just you know kick

429

00:17:47,190 --> 00:17:45,039

back and do whatever i want to do night

430

00:17:49,830 --> 00:17:47,200

and weekends and that way i don't get

431

00:17:52,310 --> 00:17:49,840

burned out you know it's um

432

00:17:54,549 --> 00:17:52,320

i was doing it 24 7 you know

433

00:17:58,070 --> 00:17:54,559

surfing the net at 3am for the latest on

434

00:17:59,590 --> 00:17:58,080

roswell or whatever i would get out so

435

00:18:01,750 --> 00:17:59,600

that you know but everybody's kind of

436

00:18:03,190 --> 00:18:01,760

different you know i have friends who

437

00:18:05,990 --> 00:18:03,200

get inspired

438

00:18:07,990 --> 00:18:06,000

right through the night you know and um

439

00:18:11,909 --> 00:18:08,000

everybody's a bit different i guess

440

00:18:14,470 --> 00:18:11,919

right right um so this book uh what what

441

00:18:16,630 --> 00:18:14,480

was your your thoughts how did you get

442

00:18:19,190 --> 00:18:16,640

the idea of writing this book

443

00:18:21,909 --> 00:18:19,200

in the first in the beginning

444

00:18:23,590 --> 00:18:21,919

well you know whenever you sort of um

445

00:18:25,190 --> 00:18:23,600

looking to do a new book you want to be

446

00:18:27,270 --> 00:18:25,200

able to give the reader

447

00:18:29,830 --> 00:18:27,280

something new you know i always try and

448

00:18:31,110 --> 00:18:29,840

put myself in the place of the reader

449

00:18:33,590 --> 00:18:31,120

you know because i'm not just a writer

450

00:18:35,430 --> 00:18:33,600

of books i read books as well

451
00:18:37,669 --> 00:18:35,440
and you want to be able to read

452
00:18:39,510 --> 00:18:37,679
something that's got new material and

453
00:18:42,070 --> 00:18:39,520
perhaps presented in a

454
00:18:45,110 --> 00:18:42,080
different way and i was speaking to my

455
00:18:46,950 --> 00:18:45,120
agent and publisher lisa hagen um you

456
00:18:47,990 --> 00:18:46,960
know what books we could do for the

457
00:18:49,750 --> 00:18:48,000
future

458
00:18:52,549 --> 00:18:49,760
and we can't we came up this with this

459
00:18:55,750 --> 00:18:52,559
one sort of collectively uh the idea of

460
00:18:58,230 --> 00:18:55,760
doing a ufo story for every day of the

461
00:19:01,669 --> 00:18:58,240
year so like that's why it's called 365

462
00:19:04,549 --> 00:19:01,679
days of ufos um but what i didn't want

463
00:19:07,350 --> 00:19:04,559

to do was sort of just you know

464

00:19:09,909 --> 00:19:07,360

circulate or recirculate the same old

465

00:19:11,830 --> 00:19:09,919

cases now there's some like roswell and

466

00:19:13,270 --> 00:19:11,840

the betty and barney hill case

467

00:19:14,470 --> 00:19:13,280

things like that that you've got to put

468

00:19:16,630 --> 00:19:14,480

in there because they're sort of

469

00:19:19,750 --> 00:19:16,640

definitively

470

00:19:21,590 --> 00:19:19,760

uh famous uh cases and parts of ufology

471

00:19:22,470 --> 00:19:21,600

that you know we can't do without so to

472

00:19:25,110 --> 00:19:22,480

speak

473

00:19:27,750 --> 00:19:25,120

um but what i've done with many of the

474

00:19:29,270 --> 00:19:27,760

cases is just to use a lot of accounts

475

00:19:30,549 --> 00:19:29,280

that have been given to me over the

476
00:19:32,230 --> 00:19:30,559
years which

477
00:19:33,750 --> 00:19:32,240
really didn't sort of

478
00:19:35,669 --> 00:19:33,760
fit in any of the books that i was

479
00:19:38,470 --> 00:19:35,679
writing about at those times and so they

480
00:19:41,029 --> 00:19:38,480
just went into kind of like a limbo um

481
00:19:43,270 --> 00:19:41,039
but when the thread is not the cases or

482
00:19:44,310 --> 00:19:43,280
the subject but actually the the day of

483
00:19:46,390 --> 00:19:44,320
the year

484
00:19:48,549 --> 00:19:46,400
then you know they sort of smoothly kind

485
00:19:50,870 --> 00:19:48,559
of fit into the into the book so that

486
00:19:54,470 --> 00:19:50,880
was that was basically the idea was to

487
00:19:56,230 --> 00:19:54,480
sort of present 365 cases a lot of never

488
00:19:58,710 --> 00:19:56,240

before seen ones

489

00:19:59,669 --> 00:19:58,720

and just demonstrate to people so the

490

00:20:02,230 --> 00:19:59,679

sheer

491

00:20:04,470 --> 00:20:02,240

number of reports and also the fact that

492

00:20:06,950 --> 00:20:04,480

you know these are worldwide reports

493

00:20:10,230 --> 00:20:06,960

again sort of showing the global scale

494

00:20:11,990 --> 00:20:10,240

of the reports too uh-huh and uh

495

00:20:13,590 --> 00:20:12,000

i think it's pretty interesting because

496

00:20:16,870 --> 00:20:13,600

uh you start out

497

00:20:18,870 --> 00:20:16,880

um january 1st and then it goes in to

498

00:20:20,789 --> 00:20:18,880

different years and things like that and

499

00:20:21,909 --> 00:20:20,799

of course i had to look at my birthday

500

00:20:23,590 --> 00:20:21,919

and um

501

00:20:26,230 --> 00:20:23,600

geez i wonder if i could tell you my

502

00:20:29,789 --> 00:20:26,240

story and you'd know what my birthday is

503

00:20:34,310 --> 00:20:29,799

no um it was a sighting in oregon um in

504

00:20:35,830 --> 00:20:34,320

1947 on uh july 7th so i imagine that's

505

00:20:36,549 --> 00:20:35,840

what a lot of people do

506

00:20:39,110 --> 00:20:36,559

see

507

00:20:41,909 --> 00:20:39,120

uh what you picked for their birthday um

508

00:20:43,669 --> 00:20:41,919

and one thing i like about your book is

509

00:20:47,190 --> 00:20:43,679

um it's a

510

00:20:50,950 --> 00:20:47,200

it's an easy read and um

511

00:20:53,029 --> 00:20:50,960

and if someone like me uh who has add a

512

00:20:55,669 --> 00:20:53,039

little bit um it's easy to read they're

513

00:20:57,909 --> 00:20:55,679

short stories i love short stories

514

00:20:59,590 --> 00:20:57,919

so well you know i'm glad you said that

515

00:21:02,870 --> 00:20:59,600

because you know the book is sort of

516

00:21:05,029 --> 00:21:02,880

it's in excess of 400 pages and even for

517

00:21:06,390 --> 00:21:05,039

me you know if i get a review book or a

518

00:21:08,149 --> 00:21:06,400

new book to read

519

00:21:09,430 --> 00:21:08,159

and it's like four or five hundred pages

520

00:21:10,390 --> 00:21:09,440

i'm like gee

521

00:21:11,350 --> 00:21:10,400

you know

522

00:21:13,110 --> 00:21:11,360

um

523

00:21:15,990 --> 00:21:13,120

and particularly so when you've got to

524

00:21:18,149 --> 00:21:16,000

read it from page one to page 500 or

525

00:21:21,190 --> 00:21:18,159

whatever but yeah the good thing about

526

00:21:23,590 --> 00:21:21,200

this book is that each case is roughly

527

00:21:25,990 --> 00:21:23,600

one page you know and i've kept it

528

00:21:28,149 --> 00:21:26,000

um detailed you know i'm sort of uh just

529

00:21:30,549 --> 00:21:28,159

skimmed over it but each one is sort of

530

00:21:32,630 --> 00:21:30,559

like a page or thereabouts

531

00:21:34,710 --> 00:21:32,640

on on each case so in other words you

532

00:21:37,350 --> 00:21:34,720

can just dip into it you don't have to

533

00:21:39,750 --> 00:21:37,360

start at january the first

534

00:21:42,230 --> 00:21:39,760

and finish of you know december the 31st

535

00:21:44,710 --> 00:21:42,240

you can just dip in as and when you like

536

00:21:46,630 --> 00:21:44,720

and just you know find

537

00:21:49,029 --> 00:21:46,640

a story which hopefully people find

538

00:21:50,789 --> 00:21:49,039

interesting and um and i think you know

539

00:21:53,350 --> 00:21:50,799

when you're dealing with bigger and

540

00:21:55,190 --> 00:21:53,360

bigger books that really is the way to

541

00:21:56,470 --> 00:21:55,200

go because sometimes you know you can

542

00:21:58,310 --> 00:21:56,480

get

543

00:22:00,630 --> 00:21:58,320

information overload when you've got to

544

00:22:02,630 --> 00:22:00,640

take in everything from the first place

545

00:22:04,549 --> 00:22:02,640

page to the last page you know it can be

546

00:22:06,630 --> 00:22:04,559

uh

547

00:22:08,630 --> 00:22:06,640

even for me you know it can be a pain in

548

00:22:10,549 --> 00:22:08,640

the neck

549

00:22:12,390 --> 00:22:10,559

um someone wants to know if you if this

550

00:22:14,950 --> 00:22:12,400

will eventually be turning into an audio

551

00:22:17,590 --> 00:22:16,149

um

552

00:22:20,070 --> 00:22:17,600

that's a good question i'm not entirely

553

00:22:22,070 --> 00:22:20,080

sure but the previous book that the the

554

00:22:23,990 --> 00:22:22,080

company has put this out lisa hagen

555

00:22:26,710 --> 00:22:24,000

books the previous company

556

00:22:29,190 --> 00:22:26,720

did an audio book of the early one they

557

00:22:31,029 --> 00:22:29,200

did which was uh women in black kind of

558

00:22:33,669 --> 00:22:31,039

like the men in black mystery that one

559

00:22:37,190 --> 00:22:33,679

came out last year and that's just um

560

00:22:38,710 --> 00:22:37,200

come out in an audio and the um the men

561

00:22:41,669 --> 00:22:38,720

in black one that i did for them the

562

00:22:43,990 --> 00:22:41,679

previous year has also come out in audio

563

00:22:46,070 --> 00:22:44,000

so hopefully this one will as well but

564

00:22:47,830 --> 00:22:46,080

because it's just come out in paperback

565

00:22:49,590 --> 00:22:47,840

i think it might actually be a couple of

566

00:22:52,149 --> 00:22:49,600

months before the uh

567

00:22:54,230 --> 00:22:52,159

the audio or the audible um version

568

00:22:56,470 --> 00:22:54,240

comes out online yeah audible yeah

569

00:22:57,350 --> 00:22:56,480

that's a good site

570

00:23:03,510 --> 00:22:57,360

i

571

00:23:05,750 --> 00:23:03,520

show to talk about that so

572

00:23:08,310 --> 00:23:05,760

now that you're here i'd like to chat a

573

00:23:10,630 --> 00:23:08,320

little bit about that because um when i

574

00:23:12,789 --> 00:23:10,640

was reading this new book i saw that um

575

00:23:15,270 --> 00:23:12,799

some of the women in black

576

00:23:18,070 --> 00:23:15,280

uh cases uh went all the way back to the

577

00:23:20,390 --> 00:23:18,080

19th century but i i understand a lot of

578

00:23:23,110 --> 00:23:20,400

women any woman in mourning back then

579

00:23:26,710 --> 00:23:23,120

you know was wearing all black but uh

580

00:23:30,070 --> 00:23:26,720

how far back uh was that in late 19 i

581

00:23:32,070 --> 00:23:30,080

mean uh late 1800s right

582

00:23:34,070 --> 00:23:32,080

yeah i mean the the women in black

583

00:23:36,230 --> 00:23:34,080

phenomenon is sort of far less well

584

00:23:38,070 --> 00:23:36,240

known than the men in black mystery but

585

00:23:39,909 --> 00:23:38,080

there's you know there's no shortage of

586

00:23:41,830 --> 00:23:39,919

stories which is why

587

00:23:44,470 --> 00:23:41,840

you know i uh i wrote a book about it

588

00:23:45,990 --> 00:23:44,480

and then also had cases that i could um

589

00:23:47,510 --> 00:23:46,000

use in the new book as well that

590

00:23:49,750 --> 00:23:47,520

actually came in

591

00:23:51,269 --> 00:23:49,760

after the women in black book came out

592

00:23:53,510 --> 00:23:51,279

and you know there was still time to put

593

00:23:56,470 --> 00:23:53,520

them in in the new book but yeah you're

594

00:23:59,510 --> 00:23:56,480

right um the stories actually go back to

595

00:24:02,070 --> 00:23:59,520

sort of the uh 1800s and um

596

00:24:04,230 --> 00:24:02,080

the stories are sort of like eerily

597

00:24:05,990 --> 00:24:04,240

similar where the witnesses describe

598

00:24:07,990 --> 00:24:06,000

these sort of strange

599

00:24:10,549 --> 00:24:08,000

women in black as sort of well obviously

600

00:24:13,750 --> 00:24:10,559

dressed in black looking very pale

601
00:24:16,710 --> 00:24:13,760
and sort of emotionless and they often

602
00:24:18,870 --> 00:24:16,720
turned up in situations of a paranormal

603
00:24:20,070 --> 00:24:18,880
kind um

604
00:24:23,029 --> 00:24:20,080
for example

605
00:24:25,830 --> 00:24:23,039
um in wales in 1909 just at the start of

606
00:24:29,269 --> 00:24:25,840
the 20th century there's a wave of ufo

607
00:24:31,029 --> 00:24:29,279
activity in uh in north wales and south

608
00:24:33,750 --> 00:24:31,039
wales in a number of villages now the

609
00:24:35,350 --> 00:24:33,760
terms ufo and flying saucer weren't

610
00:24:37,909 --> 00:24:35,360
created back then

611
00:24:39,430 --> 00:24:37,919
but people reported seeing these strange

612
00:24:40,549 --> 00:24:39,440
balls of light flitting through the

613
00:24:42,950 --> 00:24:40,559

villages

614

00:24:44,630 --> 00:24:42,960

and on several occasions

615

00:24:46,470 --> 00:24:44,640

these women in black would turn up on

616

00:24:48,149 --> 00:24:46,480

the doorsteps of people in the little

617

00:24:49,830 --> 00:24:48,159

villages and ask them if they'd seen

618

00:24:52,230 --> 00:24:49,840

anything unusual

619

00:24:54,149 --> 00:24:52,240

um which kind of sounds you know just

620

00:24:55,029 --> 00:24:54,159

like the sort of things that the men in

621

00:24:56,630 --> 00:24:55,039

black

622

00:24:58,390 --> 00:24:56,640

asked people today you know when they

623

00:25:00,710 --> 00:24:58,400

sort of launch into their threats and

624

00:25:02,870 --> 00:25:00,720

interrogations so um

625

00:25:06,230 --> 00:25:02,880

you know the it's the phenomenon's sort

626

00:25:08,390 --> 00:25:06,240

of gone very much under the radar but

627

00:25:10,710 --> 00:25:08,400

you can draw sort of real parallels

628

00:25:12,830 --> 00:25:10,720

between what was going on back then and

629

00:25:13,990 --> 00:25:12,840

what's going on today

630

00:25:16,470 --> 00:25:14,000

mm-hmm um

631

00:25:19,669 --> 00:25:16,480

now you will be um

632

00:25:23,110 --> 00:25:19,679

you will you be out in phoenix this year

633

00:25:24,310 --> 00:25:23,120

no well not not this year no i went um

634

00:25:25,830 --> 00:25:24,320

last year and right you know i

635

00:25:28,310 --> 00:25:25,840

understand they want to sort of you know

636

00:25:30,390 --> 00:25:28,320

mix it up so you don't get the

637

00:25:32,149 --> 00:25:30,400

same faces all the time but um i've got

638

00:25:32,870 --> 00:25:32,159

quite a few conferences coming up this

639

00:25:34,630 --> 00:25:32,880

year

640

00:25:36,230 --> 00:25:34,640

i bet you do you're you're uh pretty

641

00:25:38,390 --> 00:25:36,240

popular you go

642

00:25:41,029 --> 00:25:38,400

um all over the place i and it seems

643

00:25:44,950 --> 00:25:41,039

like whenever i turn on a show in this

644

00:25:47,269 --> 00:25:44,960

uh uh in this venue uh you're on it

645

00:25:48,870 --> 00:25:47,279

and so you do a lot of shows um yeah

646

00:25:50,470 --> 00:25:48,880

well i like doing lectures and

647

00:25:52,549 --> 00:25:50,480

conferences not just because you know

648

00:25:54,390 --> 00:25:52,559

you get to share information but also

649

00:25:56,390 --> 00:25:54,400

you know the good fun i enjoy the social

650

00:25:57,830 --> 00:25:56,400

side of just hanging out with friends

651
00:26:00,230 --> 00:25:57,840
that you know you only see a couple of

652
00:26:01,590 --> 00:26:00,240
times a year at conferences that's right

653
00:26:02,630 --> 00:26:01,600
it was great to meet you when i was out

654
00:26:03,750 --> 00:26:02,640
there too

655
00:26:06,310 --> 00:26:03,760
and uh

656
00:26:08,149 --> 00:26:06,320
yeah that's coming right up that uh it'd

657
00:26:09,750 --> 00:26:08,159
be good to get away now you're in texas

658
00:26:11,669 --> 00:26:09,760
right

659
00:26:15,110 --> 00:26:11,679
yeah i'll leave about a 20-minute drive

660
00:26:16,950 --> 00:26:15,120
outside of dallas yeah so um i

661
00:26:18,870 --> 00:26:16,960
um and i know you wrote on the uh

662
00:26:21,350 --> 00:26:18,880
stephenville case

663
00:26:23,269 --> 00:26:21,360

and uh yeah there was quite a spin on

664

00:26:26,390 --> 00:26:23,279

that if i remember right it wasn't well

665

00:26:28,950 --> 00:26:26,400

it wasn't uh at all or wasn't wholly

666

00:26:31,909 --> 00:26:28,960

what i remember um how deeply have you

667

00:26:33,590 --> 00:26:31,919

looked into that particular case

668

00:26:36,230 --> 00:26:33,600

oh well actually quite deep i mean the

669

00:26:38,310 --> 00:26:36,240

stephenville event was like a really

670

00:26:40,390 --> 00:26:38,320

important one regards to which way you

671

00:26:42,470 --> 00:26:40,400

look at it for example in terms of the

672

00:26:44,630 --> 00:26:42,480

media you know they gave it massive

673

00:26:46,710 --> 00:26:44,640

coverage it was one that sort of really

674

00:26:49,669 --> 00:26:46,720

caught the attention of the of the uh

675

00:26:51,990 --> 00:26:49,679

country's uh regular mainstream media

676
00:26:53,350 --> 00:26:52,000
never mind you know alternative media or

677
00:26:57,029 --> 00:26:53,360
ufology

678
00:26:59,350 --> 00:26:57,039
um people like associated press cnn i

679
00:27:01,909 --> 00:26:59,360
mean and they all reported on this

680
00:27:04,149 --> 00:27:01,919
particular case and one of the reasons

681
00:27:05,909 --> 00:27:04,159
was that you know stephenville

682
00:27:07,669 --> 00:27:05,919
um which actually isn't that far from

683
00:27:09,430 --> 00:27:07,679
where i live it's only been a 45 minute

684
00:27:13,269 --> 00:27:09,440
drive or something like that

685
00:27:16,390 --> 00:27:13,279
um but it really sort of put the town

686
00:27:19,510 --> 00:27:16,400
on the map and for a number of reasons

687
00:27:22,870 --> 00:27:19,520
one being that numerous people saw

688
00:27:25,110 --> 00:27:22,880

this first particular ufo and what was

689

00:27:27,750 --> 00:27:25,120

particularly interesting about it was it

690

00:27:30,630 --> 00:27:27,760

was gigantic you know it was just

691

00:27:32,870 --> 00:27:30,640

like this huge you know slab flying

692

00:27:34,549 --> 00:27:32,880

through the sky yeah some people said

693

00:27:36,230 --> 00:27:34,559

like a mile they thought it could be a

694

00:27:39,110 --> 00:27:36,240

mile right yeah

695

00:27:42,230 --> 00:27:39,120

yeah it was reportedly massive now what

696

00:27:44,789 --> 00:27:42,240

happened was that a number of the uh

697

00:27:47,990 --> 00:27:44,799

witnesses said they saw military planes

698

00:27:50,630 --> 00:27:48,000

pursuing the uh ufo like fighter

699

00:27:53,430 --> 00:27:50,640

aircraft now this was actually denied

700

00:27:54,549 --> 00:27:53,440

officially but then shortly afterwards

701
00:27:57,350 --> 00:27:54,559
um

702
00:28:00,070 --> 00:27:57,360
the joint reserve base naval air station

703
00:28:01,590 --> 00:28:00,080
in fort worth um admitted that they

704
00:28:03,830 --> 00:28:01,600
actually did have

705
00:28:05,669 --> 00:28:03,840
um planes up on that night but they're

706
00:28:08,230 --> 00:28:05,679
actually just taking part

707
00:28:10,389 --> 00:28:08,240
um in an exercise

708
00:28:12,310 --> 00:28:10,399
um and that really caught the attention

709
00:28:13,190 --> 00:28:12,320
of the military excuse me of the media

710
00:28:14,710 --> 00:28:13,200
as well

711
00:28:16,950 --> 00:28:14,720
when they were like well hang on you

712
00:28:18,549 --> 00:28:16,960
know now there were aircraft up in the

713
00:28:21,029 --> 00:28:18,559

sky what's going on

714

00:28:22,149 --> 00:28:21,039

so it was for reasons like that

715

00:28:24,389 --> 00:28:22,159

that people

716

00:28:27,830 --> 00:28:24,399

got interested and then rumors started

717

00:28:30,470 --> 00:28:27,840

circulating that um like a scientific

718

00:28:33,269 --> 00:28:30,480

office within the united nations had

719

00:28:34,149 --> 00:28:33,279

been secretly briefed on the incident

720

00:28:38,230 --> 00:28:34,159

and

721

00:28:40,310 --> 00:28:38,240

determining the

722

00:28:42,710 --> 00:28:40,320

the reaction of the general public you

723

00:28:44,310 --> 00:28:42,720

know how they reacted to it and what

724

00:28:46,710 --> 00:28:44,320

their thoughts were as if they were

725

00:28:48,870 --> 00:28:46,720

looking from like a psychological

726

00:28:50,549 --> 00:28:48,880

perspective of you know one of the

727

00:28:52,389 --> 00:28:50,559

theories was that if they government

728

00:28:53,590 --> 00:28:52,399

ever needed to come clean on the ufo

729

00:28:54,470 --> 00:28:53,600

subject

730

00:28:56,149 --> 00:28:54,480

the

731

00:28:58,789 --> 00:28:56,159

stephenville case might be sort of a

732

00:29:01,350 --> 00:28:58,799

good litmus test if you like to

733

00:29:03,510 --> 00:29:01,360

understanding how the public might react

734

00:29:05,990 --> 00:29:03,520

in the 21st century to

735

00:29:08,950 --> 00:29:06,000

you know the presence of a massive fleet

736

00:29:10,710 --> 00:29:08,960

of ufos or whatever

737

00:29:12,950 --> 00:29:10,720

um there's a question up on i've got a

738

00:29:13,909 --> 00:29:12,960

couple message boards going uh one on

739

00:29:17,190 --> 00:29:13,919

youtube

740

00:29:19,669 --> 00:29:17,200

and one on my regular uh home page and

741

00:29:22,389 --> 00:29:19,679

this question is after your rh negative

742

00:29:23,990 --> 00:29:22,399

book was published did you get contacted

743

00:29:27,590 --> 00:29:24,000

by readers who claim that they were

744

00:29:30,149 --> 00:29:27,600

abductees who are are h-negative

745

00:29:31,269 --> 00:29:30,159

or are there any stories i got literally

746

00:29:36,470 --> 00:29:31,279

um

747

00:29:39,269 --> 00:29:36,480

really wow enough most of the reports

748

00:29:41,830 --> 00:29:39,279

actually came through to my uh through

749

00:29:43,110 --> 00:29:41,840

through facebook message um

750

00:29:45,269 --> 00:29:43,120

and

751
00:29:47,669 --> 00:29:45,279
of of the people who came forward i

752
00:29:49,830 --> 00:29:47,679
would say i said low hundreds were the

753
00:29:50,710 --> 00:29:49,840
number of people who contacted me

754
00:29:52,789 --> 00:29:50,720
and

755
00:29:55,510 --> 00:29:52,799
the vast majority of those were people

756
00:29:57,590 --> 00:29:55,520
who were rh negative and had

757
00:30:01,269 --> 00:29:57,600
sort of profound ufo encounters like

758
00:30:03,990 --> 00:30:01,279
abductions or contact cases or

759
00:30:06,230 --> 00:30:04,000
like landings and things like that but

760
00:30:09,269 --> 00:30:06,240
the other smaller percentage who was

761
00:30:10,710 --> 00:30:09,279
still rh negative uh a number of them

762
00:30:13,590 --> 00:30:10,720
said that they hadn't had ufo

763
00:30:16,149 --> 00:30:13,600

experiences but from childhood they'd

764

00:30:18,470 --> 00:30:16,159

felt sort of eerily drawn towards the

765

00:30:19,669 --> 00:30:18,480

subject for reasons they couldn't fully

766

00:30:24,950 --> 00:30:19,679

understand

767

00:30:27,269 --> 00:30:24,960

you know that to me was interesting

768

00:30:29,669 --> 00:30:27,279

because for a couple of reasons

769

00:30:30,870 --> 00:30:29,679

the people were rh negative and

770

00:30:35,350 --> 00:30:30,880

certainly

771

00:30:36,789 --> 00:30:35,360

200 responses within probably

772

00:30:38,630 --> 00:30:36,799

two or three weeks of the book coming

773

00:30:40,870 --> 00:30:38,640

out was something that i'd never

774

00:30:43,669 --> 00:30:40,880

experienced before i mean

775

00:30:46,070 --> 00:30:43,679

you know i get feedback from readers

776

00:30:48,149 --> 00:30:46,080

obviously but you know not sort of two

777

00:30:50,950 --> 00:30:48,159

or three hundred you know in two or

778

00:30:53,110 --> 00:30:50,960

three weeks i get sort of maybe i mean

779

00:30:56,710 --> 00:30:53,120

like with my women in black book i think

780

00:30:58,789 --> 00:30:56,720

since that's come out i've got probably

781

00:31:00,149 --> 00:30:58,799

20 25

782

00:31:06,070 --> 00:31:00,159

new cases

783

00:31:07,909 --> 00:31:06,080

the last um sort of

784

00:31:10,470 --> 00:31:07,919

six or seven months since the book came

785

00:31:11,430 --> 00:31:10,480

out or a little bit more i think it was

786

00:31:13,750 --> 00:31:11,440

um

787

00:31:16,389 --> 00:31:13,760

so you know that that was really you

788

00:31:18,149 --> 00:31:16,399

know a massive difference in terms with

789

00:31:19,269 --> 00:31:18,159

the bloodline of the gods book that the

790

00:31:21,990 --> 00:31:19,279

uh

791

00:31:25,110 --> 00:31:22,000

the person was talking about um

792

00:31:27,110 --> 00:31:25,120

in the in the uh chat room so um

793

00:31:29,350 --> 00:31:27,120

yeah that that was sort of um

794

00:31:31,110 --> 00:31:29,360

you know a bit of a

795

00:31:32,870 --> 00:31:31,120

you know for me it was an eye-opening

796

00:31:35,669 --> 00:31:32,880

thing you know the fact that um all

797

00:31:37,669 --> 00:31:35,679

these people were coming forward but uh

798

00:31:39,029 --> 00:31:37,679

you know i find it interesting that it

799

00:31:41,669 --> 00:31:39,039

sort of um

800

00:31:43,909 --> 00:31:41,679

really did sort of open the floodgates

801
00:31:46,149 --> 00:31:43,919
to all these rh negative people to come

802
00:31:48,070 --> 00:31:46,159
forward and you know talk about their

803
00:31:50,149 --> 00:31:48,080
encounters and what was particularly

804
00:31:52,710 --> 00:31:50,159
interesting you know when i talked about

805
00:31:56,070 --> 00:31:52,720
people having abduction encounters and

806
00:31:58,950 --> 00:31:56,080
contacts and landings there was barely a

807
00:32:00,789 --> 00:31:58,960
single case of like um oh i just saw a

808
00:32:02,789 --> 00:32:00,799
light in the sky you know that they were

809
00:32:06,149 --> 00:32:02,799
all sort of really

810
00:32:08,950 --> 00:32:06,159
intriguing ufo cases

811
00:32:10,789 --> 00:32:08,960
wow now when you you're telling you just

812
00:32:11,990 --> 00:32:10,799
said that these people came forward with

813
00:32:22,630 --> 00:32:12,000

the

814

00:32:24,870 --> 00:32:22,640

and wondering if you

815

00:32:26,950 --> 00:32:24,880

had uh new cases can you talk about a

816

00:32:31,269 --> 00:32:26,960

couple of them that uh

817

00:32:34,149 --> 00:32:31,279

that uh when people contacted you

818

00:32:35,909 --> 00:32:34,159

oh yeah um well i mean one good example

819

00:32:38,070 --> 00:32:35,919

is a guy um

820

00:32:40,830 --> 00:32:38,080

who actually had an encounter uh with a

821

00:32:44,630 --> 00:32:40,840

woman in black in the 1970s in a

822

00:32:48,549 --> 00:32:44,640

bookstore and this was in ohio and

823

00:32:50,710 --> 00:32:48,559

weirdly i've got quite a few reports of

824

00:32:52,630 --> 00:32:50,720

men and black and women in black turning

825

00:32:53,990 --> 00:32:52,640

up in sort of old books

826
00:32:56,789 --> 00:32:54,000
bookstores

827
00:32:58,789 --> 00:32:56,799
and old libraries um there's some really

828
00:33:00,710 --> 00:32:58,799
creepy stories where

829
00:33:02,630 --> 00:33:00,720
the the people for example were sitting

830
00:33:04,310 --> 00:33:02,640
in the library and

831
00:33:06,149 --> 00:33:04,320
this woman in black or manning black

832
00:33:08,789 --> 00:33:06,159
appeared and suddenly the entire library

833
00:33:10,230 --> 00:33:08,799
went quiet as if like in a vacuum and

834
00:33:12,549 --> 00:33:10,240
the people looked around and they

835
00:33:15,430 --> 00:33:12,559
couldn't see anybody else in the library

836
00:33:16,470 --> 00:33:15,440
it was almost like reality had briefly

837
00:33:19,350 --> 00:33:16,480
shifted

838
00:33:21,430 --> 00:33:19,360

and um so i've got a couple of new cases

839

00:33:23,750 --> 00:33:21,440

along those lines and

840

00:33:24,549 --> 00:33:23,760

this whole angle of many black women in

841

00:33:27,430 --> 00:33:24,559

black

842

00:33:29,430 --> 00:33:27,440

libraries and bookstores is sort of um

843

00:33:31,269 --> 00:33:29,440

one that really hasn't been

844

00:33:33,190 --> 00:33:31,279

sort of looked at too deeply because i

845

00:33:35,430 --> 00:33:33,200

think people have just not realized it

846

00:33:36,470 --> 00:33:35,440

is you know part of the phenomenon but

847

00:33:38,710 --> 00:33:36,480

um

848

00:33:40,549 --> 00:33:38,720

why that should be the case i don't know

849

00:33:42,870 --> 00:33:40,559

but they seem to be

850

00:33:44,870 --> 00:33:42,880

attracted to not just books but to our

851

00:33:47,509 --> 00:33:44,880

old books for some there's a whole

852

00:33:50,230 --> 00:33:47,519

reason um but i've got a couple of cases

853

00:33:52,149 --> 00:33:50,240

like that in the book of um

854

00:33:54,389 --> 00:33:52,159

the the women in black men in black

855

00:33:56,470 --> 00:33:54,399

turning up under those circumstances and

856

00:33:59,509 --> 00:33:56,480

more importantly you know in relation to

857

00:34:03,190 --> 00:33:59,519

the the question yeah i've got um

858

00:34:05,430 --> 00:34:03,200

several um new reports of women in black

859

00:34:07,269 --> 00:34:05,440

in association with them library

860

00:34:08,950 --> 00:34:07,279

sightings which um

861

00:34:10,629 --> 00:34:08,960

you know i'm still sort of scratching my

862

00:34:12,950 --> 00:34:10,639

head trying to figure out

863

00:34:15,349 --> 00:34:12,960

why there should be that connection but

864

00:34:16,710 --> 00:34:15,359

regardless of the why you know there is

865

00:34:19,030 --> 00:34:16,720

that connection

866

00:34:20,869 --> 00:34:19,040

right um that that

867

00:34:24,389 --> 00:34:20,879

so this happens when you write a book

868

00:34:27,669 --> 00:34:24,399

you you get contacted um by people that

869

00:34:30,069 --> 00:34:27,679

have news stories like related to that

870

00:34:33,829 --> 00:34:30,079

um it almost i bet that happens to a lot

871

00:34:35,829 --> 00:34:33,839

of authors that uh right along this line

872

00:34:38,310 --> 00:34:35,839

yeah i'm sure it happens to pretty much

873

00:34:40,550 --> 00:34:38,320

every author in ufology and related

874

00:34:42,149 --> 00:34:40,560

paranormal phenomena you know i mean i

875

00:34:43,349 --> 00:34:42,159

rarely if ever

876
00:34:45,829 --> 00:34:43,359
have gotten

877
00:34:46,950 --> 00:34:45,839
like a report of a haunted house i get

878
00:34:51,270 --> 00:34:46,960
very

879
00:34:53,589 --> 00:34:51,280
reports but i'm sure authors who write

880
00:34:55,829 --> 00:34:53,599
books on haunted houses and those who

881
00:34:57,670 --> 00:34:55,839
write books about crop circles get

882
00:34:59,990 --> 00:34:57,680
you know feedback in the same way i do

883
00:35:00,950 --> 00:35:00,000
so i think i think what often happens is

884
00:35:03,670 --> 00:35:00,960
that

885
00:35:05,829 --> 00:35:03,680
readers

886
00:35:08,069 --> 00:35:05,839
they read a book and maybe they've got

887
00:35:09,510 --> 00:35:08,079
an experience that's very similar you

888
00:35:11,190 --> 00:35:09,520

know obviously they feel prompted to

889

00:35:13,430 --> 00:35:11,200

contact the author

890

00:35:15,109 --> 00:35:13,440

to share the information or hopefully

891

00:35:17,990 --> 00:35:15,119

you know to get some answers as to what

892

00:35:19,910 --> 00:35:18,000

they saw but i think you know they

893

00:35:21,430 --> 00:35:19,920

and it's understandable again that they

894

00:35:23,109 --> 00:35:21,440

would pick out the author who's written

895

00:35:26,150 --> 00:35:23,119

about the subject

896

00:35:27,270 --> 00:35:26,160

that they were exposed to you know so

897

00:35:29,910 --> 00:35:27,280

that's why

898

00:35:31,829 --> 00:35:29,920

i don't get reports like a set of ghosts

899

00:35:33,349 --> 00:35:31,839

and hauntings because i don't really not

900

00:35:35,829 --> 00:35:33,359

really interested in that so don't write

901
00:35:37,750 --> 00:35:35,839
about it you know i write about

902
00:35:40,790 --> 00:35:37,760
women in black and things like that so

903
00:35:43,109 --> 00:35:40,800
people reply so uh you know it's nothing

904
00:35:46,390 --> 00:35:43,119
mysterious it's just down to sort of

905
00:35:49,349 --> 00:35:46,400
logic i guess really uh-huh um someone

906
00:35:51,109 --> 00:35:49,359
on the youtube chat wants me to ask you

907
00:35:53,589 --> 00:35:51,119
to explain your theory on the ufo

908
00:35:56,390 --> 00:35:53,599
phenomena nuts and bolts alternate

909
00:35:58,630 --> 00:35:56,400
dimensions universe spiritual what what

910
00:35:59,750 --> 00:35:58,640
do you what do you what do you think

911
00:36:01,829 --> 00:35:59,760
about

912
00:36:03,109 --> 00:36:01,839
um we always wonder i mean i've always

913
00:36:05,670 --> 00:36:03,119

wondered

914

00:36:07,829 --> 00:36:05,680

what the heck is going on uh

915

00:36:09,910 --> 00:36:07,839

what are your thoughts

916

00:36:11,270 --> 00:36:09,920

well you know when i first got in

917

00:36:13,990 --> 00:36:11,280

interested in all this stuff you know i

918

00:36:16,710 --> 00:36:14,000

was a kid i was about 11 10 11 12

919

00:36:19,109 --> 00:36:16,720

something like that and um you know when

920

00:36:21,190 --> 00:36:19,119

you that age everything's sort of black

921

00:36:23,510 --> 00:36:21,200

and white you know and for me

922

00:36:26,150 --> 00:36:23,520

bigfoot was a giant ape and loch ness

923

00:36:28,230 --> 00:36:26,160

monsters were surviving dinosaurs and

924

00:36:30,230 --> 00:36:28,240

ufos with spaceships from other planets

925

00:36:31,430 --> 00:36:30,240

coming here to

926
00:36:34,470 --> 00:36:31,440
you know sort of

927
00:36:37,990 --> 00:36:34,480
do experiments and fly around and keep a

928
00:36:39,829 --> 00:36:38,000
look on the on the population um but

929
00:36:42,790 --> 00:36:39,839
certainly by the time you know i got to

930
00:36:45,030 --> 00:36:42,800
my sort of mid late 20s something like

931
00:36:46,230 --> 00:36:45,040
that you know i began to realize more

932
00:36:48,870 --> 00:36:46,240
and more that

933
00:36:50,630 --> 00:36:48,880
there were certain aspects of the ufo

934
00:36:52,870 --> 00:36:50,640
phenomenon that

935
00:36:55,589 --> 00:36:52,880
clearly crossed paths with the worlds of

936
00:36:57,030 --> 00:36:55,599
the paranormal and the supernatural you

937
00:36:59,430 --> 00:36:57,040
know and um

938
00:37:01,190 --> 00:36:59,440

and i came to sort of accept that we're

939

00:37:04,630 --> 00:37:01,200

dealing with something that goes far

940

00:37:06,870 --> 00:37:04,640

beyond just nuts and bolts

941

00:37:08,390 --> 00:37:06,880

aliens or somebody else's equivalent of

942

00:37:10,870 --> 00:37:08,400

nasa coming here

943

00:37:12,470 --> 00:37:10,880

you know when you find cases where as

944

00:37:14,790 --> 00:37:12,480

i've got a lot with the men and women in

945

00:37:16,150 --> 00:37:14,800

black where they've had the men in black

946

00:37:18,150 --> 00:37:16,160

and the women in black in their homes

947

00:37:20,069 --> 00:37:18,160

and shortly afterwards or in some cases

948

00:37:22,710 --> 00:37:20,079

immediately after they've left

949

00:37:25,270 --> 00:37:22,720

the person has experienced violent

950

00:37:28,390 --> 00:37:25,280

poltergeist activity in the home i've

951
00:37:31,990 --> 00:37:28,400
got quite a few reports of people who

952
00:37:34,710 --> 00:37:32,000
um were visited um by the men in black

953
00:37:36,710 --> 00:37:34,720
after dabbling with ouija boards now

954
00:37:38,950 --> 00:37:36,720
none of that can kind of be

955
00:37:41,510 --> 00:37:38,960
explained just by you know somebody

956
00:37:43,589 --> 00:37:41,520
coming to the earth in metal spaceships

957
00:37:46,069 --> 00:37:43,599
it's it sort of suggests

958
00:37:47,829 --> 00:37:46,079
you know that these phenomena are also

959
00:37:51,510 --> 00:37:47,839
somehow interlinked

960
00:37:52,950 --> 00:37:51,520
so certainly since my late 20s early 30s

961
00:37:54,829 --> 00:37:52,960
you know um

962
00:37:57,510 --> 00:37:54,839
while i don't rule out an

963
00:38:00,069 --> 00:37:57,520

extraterrestrial origin and i think it's

964

00:38:01,589 --> 00:38:00,079

quite possible i'm sort of more inclined

965

00:38:04,150 --> 00:38:01,599

to think

966

00:38:05,589 --> 00:38:04,160

these things could be probably more

967

00:38:07,109 --> 00:38:05,599

coexisting with us you know

968

00:38:09,670 --> 00:38:07,119

multi-dimensional

969

00:38:12,230 --> 00:38:09,680

and the world of the paranormal as we

970

00:38:14,630 --> 00:38:12,240

call it or supernatural is somehow tied

971

00:38:15,430 --> 00:38:14,640

in with all this as well i remember in

972

00:38:21,829 --> 00:38:15,440

your

973

00:38:24,550 --> 00:38:21,839

new book about uh uh let's see it was a

974

00:38:27,589 --> 00:38:24,560

chupacabra went into or out of one of

975

00:38:30,150 --> 00:38:27,599

the crafts that landed right

976
00:38:32,630 --> 00:38:30,160
yeah i mean i've been to puerto rico on

977
00:38:35,190 --> 00:38:32,640
many occasions looking for the um the

978
00:38:36,710 --> 00:38:35,200
original uh chupacabra which was

979
00:38:40,230 --> 00:38:36,720
reported

980
00:38:44,310 --> 00:38:40,240
first in in puerto rico in 1995

981
00:38:47,430 --> 00:38:44,320
and um between 2004 and the most recent

982
00:38:49,270 --> 00:38:47,440
time i went to puerto rico 2014

983
00:38:52,150 --> 00:38:49,280
um i said i've been there many times

984
00:38:54,230 --> 00:38:52,160
looking into accounts of chupacabra

985
00:38:55,910 --> 00:38:54,240
and you know a lot of the reports are

986
00:38:58,870 --> 00:38:55,920
just where people have seen these

987
00:39:01,510 --> 00:38:58,880
creatures or you know their farmers

988
00:39:03,510 --> 00:39:01,520

whose animals were attacked by them or

989

00:39:06,150 --> 00:39:03,520

in some cases veterinarians and police

990

00:39:07,349 --> 00:39:06,160

officers who were involved in either

991

00:39:10,150 --> 00:39:07,359

recovering

992

00:39:11,670 --> 00:39:10,160

um you know farm animals killed by these

993

00:39:14,710 --> 00:39:11,680

creatures allegedly and then you know

994

00:39:16,790 --> 00:39:14,720

being autopsied and so on but every now

995

00:39:20,470 --> 00:39:16,800

and again a really weird story would

996

00:39:23,109 --> 00:39:20,480

surface where for example um someone

997

00:39:26,390 --> 00:39:23,119

would um see a chupacabra

998

00:39:28,550 --> 00:39:26,400

in the same location the same time frame

999

00:39:29,990 --> 00:39:28,560

as a ufo and yeah there's there's one

1000

00:39:33,349 --> 00:39:30,000

case in the book

1001
00:39:35,670 --> 00:39:33,359
where a woman saw this um chupacabra

1002
00:39:37,190 --> 00:39:35,680
which was described as like a walking on

1003
00:39:39,829 --> 00:39:37,200
two legs it was sort of like imagine

1004
00:39:42,630 --> 00:39:39,839
like a chimpanzee but hairless

1005
00:39:45,589 --> 00:39:42,640
and with a row of spikes down its head

1006
00:39:46,550 --> 00:39:45,599
and neck but the cut same kind of speed

1007
00:39:49,589 --> 00:39:46,560
build

1008
00:39:51,510 --> 00:39:49,599
and and stance of a chimpanzee you know

1009
00:39:53,270 --> 00:39:51,520
which can be quite violent animals you

1010
00:39:56,230 --> 00:39:53,280
know when you if you

1011
00:39:58,310 --> 00:39:56,240
confront them um and that's how it was

1012
00:40:00,310 --> 00:39:58,320
described but

1013
00:40:03,109 --> 00:40:00,320

instead of just sort of racing off into

1014

00:40:05,910 --> 00:40:03,119

the el yankee rainforest it actually

1015

00:40:07,430 --> 00:40:05,920

sort of charged aboard this ufo which

1016

00:40:08,230 --> 00:40:07,440

shot into the sky

1017

00:40:10,230 --> 00:40:08,240

now

1018

00:40:13,190 --> 00:40:10,240

puerto rico does have a long history of

1019

00:40:15,990 --> 00:40:13,200

ufo activity and regardless of what

1020

00:40:18,470 --> 00:40:16,000

people think of the situation the fact

1021

00:40:20,710 --> 00:40:18,480

is that where a lot of the chupacabra

1022

00:40:23,270 --> 00:40:20,720

sightings have been made there have been

1023

00:40:25,270 --> 00:40:23,280

a lot of ufo activity such as

1024

00:40:28,230 --> 00:40:25,280

in the al yankee rainforest which is

1025

00:40:30,790 --> 00:40:28,240

this huge rainforest that dominates

1026

00:40:32,950 --> 00:40:30,800

puerto rico so although these stories

1027

00:40:34,630 --> 00:40:32,960

are controversial you know when you sit

1028

00:40:36,950 --> 00:40:34,640

down with people and you hear these

1029

00:40:38,950 --> 00:40:36,960

accounts and the you know they they see

1030

00:40:40,550 --> 00:40:38,960

they look you in the eye and just

1031

00:40:43,190 --> 00:40:40,560

you know they just want answers as well

1032

00:40:46,150 --> 00:40:43,200

as we do um you know i have to say they

1033

00:40:50,710 --> 00:40:46,160

come across as very credible people just

1034

00:40:54,710 --> 00:40:52,950

well here's a uh we also get some

1035

00:40:56,870 --> 00:40:54,720

questions on our forum here and here's

1036

00:40:58,630 --> 00:40:56,880

one here out of all your research that

1037

00:41:01,430 --> 00:40:58,640

you've done over the years if you had to

1038

00:41:03,910 --> 00:41:01,440

pick one case to try and influence

1039

00:41:06,309 --> 00:41:03,920

skeptics in the scientific community

1040

00:41:08,950 --> 00:41:06,319

that we are being visited which case

1041

00:41:11,430 --> 00:41:08,960

would you choose that you feel would be

1042

00:41:12,950 --> 00:41:11,440

the most compelling

1043

00:41:14,950 --> 00:41:12,960

um well that's actually a really good

1044

00:41:17,030 --> 00:41:14,960

one um

1045

00:41:18,470 --> 00:41:17,040

i i get i'm not so much biased but i

1046

00:41:20,550 --> 00:41:18,480

think for me i would say the rendles

1047

00:41:21,990 --> 00:41:20,560

from forrest case not just because in

1048

00:41:23,750 --> 00:41:22,000

england not just because i'm from

1049

00:41:25,190 --> 00:41:23,760

england but because

1050

00:41:26,710 --> 00:41:25,200

living in england at the time it

1051
00:41:29,910 --> 00:41:26,720
happened i mean i was only a kid then in

1052
00:41:32,069 --> 00:41:29,920
1980 um so i wasn't researching then or

1053
00:41:33,589 --> 00:41:32,079
anything but because the uk is such a

1054
00:41:35,670 --> 00:41:33,599
small country

1055
00:41:37,510 --> 00:41:35,680
you know the story really when it was

1056
00:41:39,670 --> 00:41:37,520
released or surfaced

1057
00:41:41,349 --> 00:41:39,680
you know everybody in the country heard

1058
00:41:43,349 --> 00:41:41,359
it whether they were interested in ufos

1059
00:41:44,230 --> 00:41:43,359
or not and so when i got involved in the

1060
00:41:46,870 --> 00:41:44,240
case

1061
00:41:49,990 --> 00:41:46,880
and investigating it you know i came to

1062
00:41:52,309 --> 00:41:50,000
realize that this wasn't an event which

1063
00:41:54,550 --> 00:41:52,319

occurred in december 1980 in woods just

1064

00:41:57,190 --> 00:41:54,560

outside a military military base on the

1065

00:41:58,390 --> 00:41:57,200

east coast of england this wasn't just a

1066

00:42:00,150 --> 00:41:58,400

excuse me

1067

00:42:02,710 --> 00:42:00,160

a case involving

1068

00:42:04,309 --> 00:42:02,720

you know two or three witnesses but you

1069

00:42:06,870 --> 00:42:04,319

know you had dozens of military

1070

00:42:08,630 --> 00:42:06,880

personnel out in the woods

1071

00:42:11,270 --> 00:42:08,640

seeing this object that was described as

1072

00:42:13,510 --> 00:42:11,280

like a triangle pyramid shape type

1073

00:42:16,390 --> 00:42:13,520

object there were reports of strange

1074

00:42:18,470 --> 00:42:16,400

creatures seen in the woods missing time

1075

00:42:21,589 --> 00:42:18,480

uh interrogations by military

1076
00:42:22,390 --> 00:42:21,599
intelligence denials by the government

1077
00:42:23,670 --> 00:42:22,400
and

1078
00:42:24,790 --> 00:42:23,680
you know when you put all of this

1079
00:42:27,349 --> 00:42:24,800
together

1080
00:42:29,750 --> 00:42:27,359
um to me for me at least you know

1081
00:42:30,950 --> 00:42:29,760
randall sherry's is one of the standout

1082
00:42:32,630 --> 00:42:30,960
ones now

1083
00:42:34,470 --> 00:42:32,640
you know the same could be said about

1084
00:42:36,150 --> 00:42:34,480
roswell but the reason why i sort of

1085
00:42:38,390 --> 00:42:36,160
lean more towards

1086
00:42:41,270 --> 00:42:38,400
rendelsham is because you know roswell

1087
00:42:42,309 --> 00:42:41,280
this year is 70 years old so in other

1088
00:42:44,630 --> 00:42:42,319

words

1089

00:42:46,950 --> 00:42:44,640

there's really nobody left now that we

1090

00:42:48,870 --> 00:42:46,960

can speak to to continue the

1091

00:42:51,670 --> 00:42:48,880

investigation investigation we've kind

1092

00:42:53,829 --> 00:42:51,680

of almost hit a brick wall now with

1093

00:42:55,829 --> 00:42:53,839

rendelsham a lot of the guys when this

1094

00:42:58,150 --> 00:42:55,839

happened in 1980 they were only sort of

1095

00:43:00,069 --> 00:42:58,160

like 19 or 20. so they're only in the

1096

00:43:03,670 --> 00:43:00,079

mid 50s now you know so we've got

1097

00:43:08,069 --> 00:43:03,680

another potential 25 years you know

1098

00:43:10,390 --> 00:43:08,079

before these guys get up high in age um

1099

00:43:13,589 --> 00:43:10,400

to you know another 25 years to continue

1100

00:43:15,910 --> 00:43:13,599

speaking with all the original witnesses

1101
00:43:16,870 --> 00:43:15,920
and so that's why i think it's important

1102
00:43:20,069 --> 00:43:16,880
because

1103
00:43:23,109 --> 00:43:20,079
we can still continue to investigate

1104
00:43:25,190 --> 00:43:23,119
that case with the witnesses roswell

1105
00:43:27,430 --> 00:43:25,200
it's becoming tougher and tougher to do

1106
00:43:29,190 --> 00:43:27,440
that when pretty much everybody's gone i

1107
00:43:31,510 --> 00:43:29,200
mean if you think about it if you had a

1108
00:43:35,109 --> 00:43:31,520
guard out at the roswell crash site in

1109
00:43:36,790 --> 00:43:35,119
1947 and they were 20 they'd be 90 now

1110
00:43:38,470 --> 00:43:36,800
that's how long ago

1111
00:43:39,270 --> 00:43:38,480
roswell was when you think about it like

1112
00:43:41,589 --> 00:43:39,280
that

1113
00:43:43,829 --> 00:43:41,599

so when everybody's gone

1114

00:43:46,150 --> 00:43:43,839

in relation to roswell yes it's an

1115

00:43:49,030 --> 00:43:46,160

important case but how do we take it

1116

00:43:51,109 --> 00:43:49,040

further and i think that's the problem

1117

00:43:52,950 --> 00:43:51,119

with roswell it one day it'll be

1118

00:43:55,109 --> 00:43:52,960

rendlesham's problem but the important

1119

00:43:58,230 --> 00:43:55,119

thing is that right now it isn't and it

1120

00:44:00,230 --> 00:43:58,240

shouldn't be you know for the next 25 30

1121

00:44:02,150 --> 00:44:00,240

years or whatever i think i mentioned

1122

00:44:04,150 --> 00:44:02,160

this on someone else's show i hope i

1123

00:44:05,190 --> 00:44:04,160

didn't say it last week on this show but

1124

00:44:07,670 --> 00:44:05,200

um

1125

00:44:09,109 --> 00:44:07,680

where do you think roswell will be like

1126

00:44:10,230 --> 00:44:09,119

to say if there's

1127

00:44:13,829 --> 00:44:10,240

if we

1128

00:44:16,309 --> 00:44:13,839

have proof

1129

00:44:18,390 --> 00:44:16,319

that uh we are being visited by

1130

00:44:20,150 --> 00:44:18,400

extraterrestrial or whatever

1131

00:44:21,990 --> 00:44:20,160

where would you think uh

1132

00:44:23,270 --> 00:44:22,000

roswell will end up do you think it'll

1133

00:44:26,150 --> 00:44:23,280

be just like a

1134

00:44:28,230 --> 00:44:26,160

a mythology like

1135

00:44:30,390 --> 00:44:28,240

or or what

1136

00:44:32,870 --> 00:44:30,400

well i hate to say this i don't mean it

1137

00:44:34,309 --> 00:44:32,880

to be defeatist i'm just trying to take

1138

00:44:36,710 --> 00:44:34,319

a look at it from a realistic

1139

00:44:38,950 --> 00:44:36,720

perspective you know if

1140

00:44:40,550 --> 00:44:38,960

every you know 10 years from now even

1141

00:44:41,589 --> 00:44:40,560

the second hand witnesses like the

1142

00:44:42,950 --> 00:44:41,599

children

1143

00:44:44,710 --> 00:44:42,960

are going to be dead you know there's

1144

00:44:47,109 --> 00:44:44,720

not going to be anybody probably left at

1145

00:44:49,030 --> 00:44:47,119

all 10 years from now

1146

00:44:51,109 --> 00:44:49,040

who was at the site or even like i said

1147

00:44:51,910 --> 00:44:51,119

the second hand witnesses as well

1148

00:44:54,470 --> 00:44:51,920

so

1149

00:44:56,230 --> 00:44:54,480

the only other chances then of roswell

1150

00:44:58,950 --> 00:44:56,240

coming out would be

1151

00:45:01,109 --> 00:44:58,960

if the government's disclosed

1152

00:45:03,349 --> 00:45:01,119

and i've got to be honest i'm not a big

1153

00:45:05,349 --> 00:45:03,359

fan of disclosure you know i'm tired of

1154

00:45:07,510 --> 00:45:05,359

that sort of hearing every other year or

1155

00:45:09,109 --> 00:45:07,520

every year oh it's coming next year it's

1156

00:45:11,109 --> 00:45:09,119

coming next year it's coming in the next

1157

00:45:13,670 --> 00:45:11,119

administration it's like well give me a

1158

00:45:16,390 --> 00:45:13,680

break you know either put up or shut the

1159

00:45:18,150 --> 00:45:16,400

hell up you know um i don't want to keep

1160

00:45:20,710 --> 00:45:18,160

hearing you parroting every year that

1161

00:45:22,790 --> 00:45:20,720

disclosure's coming either show us or

1162

00:45:23,750 --> 00:45:22,800

don't shut up and go away

1163

00:45:29,990 --> 00:45:23,760

um

1164

00:45:32,069 --> 00:45:30,000

i think there's two other ways

1165

00:45:34,309 --> 00:45:32,079

the truth of roswell could come out one

1166

00:45:36,710 --> 00:45:34,319

would be if something was

1167

00:45:38,150 --> 00:45:36,720

declassified by accidents

1168

00:45:40,150 --> 00:45:38,160

which i don't think there's much of a

1169

00:45:43,349 --> 00:45:40,160

chance of happening but you know things

1170

00:45:45,750 --> 00:45:43,359

like that do happen occasionally um and

1171

00:45:48,309 --> 00:45:45,760

the other way would be if there was kind

1172

00:45:51,510 --> 00:45:48,319

of what i would call like a ufological

1173

00:45:53,430 --> 00:45:51,520

edward snowden you know who in the same

1174

00:45:55,910 --> 00:45:53,440

way snowed and you know leaked all these

1175

00:45:58,630 --> 00:45:55,920

documents and stories etc

1176
00:46:00,230 --> 00:45:58,640
if somebody did the same with roswell

1177
00:46:02,470 --> 00:46:00,240
but i think the important thing to

1178
00:46:05,030 --> 00:46:02,480
remember is that a lot of people forget

1179
00:46:06,710 --> 00:46:05,040
this is that roswell happened in 47 this

1180
00:46:07,670 --> 00:46:06,720
was pre-internet

1181
00:46:10,710 --> 00:46:07,680
um

1182
00:46:13,990 --> 00:46:10,720
and at an age when a staging in you know

1183
00:46:16,550 --> 00:46:14,000
in our history when everything was put

1184
00:46:19,270 --> 00:46:16,560
down on paper it may well be that the

1185
00:46:22,870 --> 00:46:19,280
reason why the roswell secret is so well

1186
00:46:25,990 --> 00:46:22,880
kept is because what is being hidden is

1187
00:46:27,270 --> 00:46:26,000
not masses of computer files that the

1188
00:46:29,750 --> 00:46:27,280

government has to worry about somebody

1189

00:46:30,790 --> 00:46:29,760

hacking into it could just be file you

1190

00:46:33,030 --> 00:46:30,800

know

1191

00:46:34,870 --> 00:46:33,040

filing cabinets upon filing cabinets of

1192

00:46:36,550 --> 00:46:34,880

all the old files from the 40s and the

1193

00:46:38,550 --> 00:46:36,560

50s on roswell

1194

00:46:40,550 --> 00:46:38,560

which no one has to worry about because

1195

00:46:43,030 --> 00:46:40,560

they're protected and guarded and how do

1196

00:46:45,190 --> 00:46:43,040

you hack a piece of paper well you don't

1197

00:46:47,430 --> 00:46:45,200

you know so it could be that everything

1198

00:46:50,309 --> 00:46:47,440

is just stored away

1199

00:46:53,589 --> 00:46:50,319

and in sort of an impenetrable vault 50

1200

00:46:54,630 --> 00:46:53,599

feet underground that's guarded 24 7 and

1201

00:46:57,589 --> 00:46:54,640

which

1202

00:47:01,190 --> 00:46:57,599

is not computerized in any way in that

1203

00:47:04,069 --> 00:47:01,200

sense i hate to admit it but the secret

1204

00:47:05,750 --> 00:47:04,079

could be very easily kept if that's

1205

00:47:07,349 --> 00:47:05,760

the situation you know you imagine

1206

00:47:10,870 --> 00:47:07,359

hypothetically there's this bunker

1207

00:47:13,430 --> 00:47:10,880

underground say 200 feet by 200 feet and

1208

00:47:15,349 --> 00:47:13,440

it contains you know all the files that

1209

00:47:17,270 --> 00:47:15,359

were put together years ago trying to

1210

00:47:19,030 --> 00:47:17,280

figure out what was going on and autopsy

1211

00:47:20,150 --> 00:47:19,040

reports but it's all in paper form

1212

00:47:22,710 --> 00:47:20,160

because you know that's when everything

1213

00:47:24,790 --> 00:47:22,720

went down and let's say the wreckage is

1214

00:47:26,950 --> 00:47:24,800

stored there and the bodies are

1215

00:47:27,990 --> 00:47:26,960

preserved in you know cryogenically in

1216

00:47:29,510 --> 00:47:28,000

tanks

1217

00:47:30,549 --> 00:47:29,520

um

1218

00:47:32,309 --> 00:47:30,559

you know there's

1219

00:47:36,309 --> 00:47:32,319

that could actually be well hidden

1220

00:47:38,549 --> 00:47:36,319

forever so the pro the possibility is

1221

00:47:39,750 --> 00:47:38,559

that you know 100 years from now 50

1222

00:47:41,910 --> 00:47:39,760

years from now

1223

00:47:44,069 --> 00:47:41,920

um roswell could be like

1224

00:47:46,309 --> 00:47:44,079

an american version of britain's jack

1225

00:47:49,190 --> 00:47:46,319

the ripper where you've got this old

1226

00:47:52,150 --> 00:47:49,200

mystery filled with lots of intrigue

1227

00:47:54,150 --> 00:47:52,160

lots of characters and witnesses and

1228

00:47:56,150 --> 00:47:54,160

numerous different theories

1229

00:47:58,230 --> 00:47:56,160

but it's so long ago

1230

00:48:01,109 --> 00:47:58,240

that it's in that stage where no matter

1231

00:48:03,670 --> 00:48:01,119

what people say what no matter what new

1232

00:48:06,230 --> 00:48:03,680

theories come along or data you can

1233

00:48:07,829 --> 00:48:06,240

never prove it because it's so long ago

1234

00:48:10,790 --> 00:48:07,839

and the evidence

1235

00:48:12,950 --> 00:48:10,800

we don't have it you know so right right

1236

00:48:14,630 --> 00:48:12,960

i think they just it was just something

1237

00:48:15,990 --> 00:48:14,640

last year on jack the ripper like they

1238

00:48:18,549 --> 00:48:16,000

think they have it

1239

00:48:20,950 --> 00:48:18,559

solved finally but uh that's probably

1240

00:48:22,630 --> 00:48:20,960

just another another turn turn in the

1241

00:48:24,549 --> 00:48:22,640

road um

1242

00:48:26,870 --> 00:48:24,559

on the youtube chat room someone wants

1243

00:48:29,190 --> 00:48:26,880

to know what part of ufology would you

1244

00:48:30,710 --> 00:48:29,200

prefer just go away is there a subject

1245

00:48:33,109 --> 00:48:30,720

in the field that

1246

00:48:35,030 --> 00:48:33,119

you can't get behind and you think is

1247

00:48:36,710 --> 00:48:35,040

rubbish

1248

00:48:38,630 --> 00:48:36,720

um

1249

00:48:39,420 --> 00:48:38,640

you could say no an english person using

1250

00:48:43,750 --> 00:48:39,430

the word rubbish

1251
00:48:48,309 --> 00:48:43,760
[Laughter]

1252
00:48:53,109 --> 00:48:51,670
i don't know really i mean um

1253
00:48:55,349 --> 00:48:53,119
i think

1254
00:48:58,390 --> 00:48:55,359
you know to a degree most aspects of the

1255
00:49:01,910 --> 00:48:58,400
ufo phenomenon have validity to them

1256
00:49:03,430 --> 00:49:01,920
it's just a matter of finding um

1257
00:49:04,790 --> 00:49:03,440
evidence you know

1258
00:49:06,390 --> 00:49:04,800
um

1259
00:49:08,150 --> 00:49:06,400
i don't know if there's any that i wish

1260
00:49:10,790 --> 00:49:08,160
would go away but there are certainly

1261
00:49:12,549 --> 00:49:10,800
some that are more interested in and

1262
00:49:14,790 --> 00:49:12,559
then and less interested in others i

1263
00:49:16,549 --> 00:49:14,800

mean for example you know stuff like the

1264

00:49:18,230 --> 00:49:16,559

men in black and the women in black all

1265

00:49:20,470 --> 00:49:18,240

that kind of stuff like the black-eyed

1266

00:49:22,710 --> 00:49:20,480

children and you know the shadow people

1267

00:49:25,430 --> 00:49:22,720

that sort of stuff really interests me

1268

00:49:27,349 --> 00:49:25,440

and roswell interests me a lot as well

1269

00:49:31,589 --> 00:49:27,359

and and i'm very interested as well in

1270

00:49:34,069 --> 00:49:31,599

the the contact t movement of the 1950s

1271

00:49:36,470 --> 00:49:34,079

but you know sort of one of the things

1272

00:49:37,990 --> 00:49:36,480

that really doesn't interest me and not

1273

00:49:39,750 --> 00:49:38,000

because i don't believe it's not a valid

1274

00:49:41,589 --> 00:49:39,760

phenomenon i think it is

1275

00:49:44,710 --> 00:49:41,599

it's the reports of like you know the

1276

00:49:46,230 --> 00:49:44,720

black flying triangles um

1277

00:49:47,990 --> 00:49:46,240

you know

1278

00:49:50,150 --> 00:49:48,000

i mean it's an interesting phenomenon in

1279

00:49:51,829 --> 00:49:50,160

the sense that they're flying around and

1280

00:49:53,430 --> 00:49:51,839

there's a lot of debate as to what they

1281

00:49:55,349 --> 00:49:53,440

are you know are they military craft are

1282

00:49:58,790 --> 00:49:55,359

they alien spacecraft

1283

00:50:00,390 --> 00:49:58,800

but you know when you read report after

1284

00:50:02,549 --> 00:50:00,400

report of another flying triangle

1285

00:50:04,710 --> 00:50:02,559

another flying triangle i'm kind of like

1286

00:50:07,270 --> 00:50:04,720

okay we know it's a real phenomenon

1287

00:50:09,670 --> 00:50:07,280

we've got statistical reports going back

1288

00:50:11,670 --> 00:50:09,680

you know a couple of decades

1289

00:50:13,750 --> 00:50:11,680

i don't need to read any more reports of

1290

00:50:14,790 --> 00:50:13,760

a black triangle what i need

1291

00:50:16,390 --> 00:50:14,800

is

1292

00:50:17,990 --> 00:50:16,400

let's take it to the next step let's try

1293

00:50:20,390 --> 00:50:18,000

and find out what they are where they're

1294

00:50:24,309 --> 00:50:20,400

coming from and make that the thrust of

1295

00:50:27,430 --> 00:50:24,319

it so um i think sometimes ufology

1296

00:50:29,910 --> 00:50:27,440

relies on um

1297

00:50:32,630 --> 00:50:29,920

you know the number of reports

1298

00:50:34,309 --> 00:50:32,640

has been the credible part of the story

1299

00:50:35,990 --> 00:50:34,319

you know the more reports that adds to

1300

00:50:38,390 --> 00:50:36,000

our credibility well now it actually

1301
00:50:40,549 --> 00:50:38,400
doesn't what adds to our credibility

1302
00:50:42,470 --> 00:50:40,559
is solving the phenomenon

1303
00:50:43,510 --> 00:50:42,480
you know so um

1304
00:50:45,270 --> 00:50:43,520
i think

1305
00:50:47,510 --> 00:50:45,280
yeah it's good to have a lot of reports

1306
00:50:49,750 --> 00:50:47,520
and statistics and things like that

1307
00:50:52,950 --> 00:50:49,760
but there's a point where we have enough

1308
00:50:53,750 --> 00:50:52,960
material to make a case the next step is

1309
00:51:00,470 --> 00:50:53,760
to

1310
00:51:01,109 --> 00:51:00,480
i've had a few on the show in the past

1311
00:51:02,870 --> 00:51:01,119
and

1312
00:51:04,150 --> 00:51:02,880
uh you know i've asked them a question

1313
00:51:07,349 --> 00:51:04,160

what type of

1314

00:51:10,230 --> 00:51:07,359

proof would you actually need and they

1315

00:51:12,309 --> 00:51:10,240

that the answers i get are always the

1316

00:51:15,109 --> 00:51:12,319

same you know physical evidence

1317

00:51:17,030 --> 00:51:15,119

something they can you know research and

1318

00:51:19,990 --> 00:51:17,040

you know hold in their hands type of

1319

00:51:23,030 --> 00:51:20,000

thing i remember um uh seth shawstack

1320

00:51:25,990 --> 00:51:23,040

from seti said he would need a a wing in

1321

00:51:28,470 --> 00:51:26,000

the smithsonian with uh ufo parts in it

1322

00:51:30,790 --> 00:51:28,480

before he'd believe in it

1323

00:51:32,470 --> 00:51:30,800

so well you know i mean i understand

1324

00:51:36,630 --> 00:51:32,480

sort of the need for

1325

00:51:38,790 --> 00:51:36,640

evidence but you know sometimes um

1326

00:51:40,710 --> 00:51:38,800

the body of data

1327

00:51:43,349 --> 00:51:40,720

is certain if not proof it's definitely

1328

00:51:45,829 --> 00:51:43,359

sort of persuasive i mean you know there

1329

00:51:47,589 --> 00:51:45,839

are examples where people have been

1330

00:51:48,470 --> 00:51:47,599

found guilty of murder when there's no

1331

00:51:50,710 --> 00:51:48,480

body

1332

00:51:52,549 --> 00:51:50,720

you know um

1333

00:51:54,230 --> 00:51:52,559

millions well billions of people not

1334

00:51:56,870 --> 00:51:54,240

millions millions of people billions of

1335

00:51:58,870 --> 00:51:56,880

people you know believe in a god you

1336

00:52:01,589 --> 00:51:58,880

know and i'm sort of open-minded on the

1337

00:52:02,470 --> 00:52:01,599

whole phenomenon of of that as to what

1338

00:52:06,390 --> 00:52:02,480

you know

1339

00:52:08,790 --> 00:52:06,400

i don't mean this

1340

00:52:10,950 --> 00:52:08,800

with disrespect i mean it just as a fact

1341

00:52:13,190 --> 00:52:10,960

um you know billions of people believe

1342

00:52:15,910 --> 00:52:13,200

in the existence of a god

1343

00:52:17,589 --> 00:52:15,920

on belief alone you know and there's

1344

00:52:19,589 --> 00:52:17,599

nothing wrong with that you know i don't

1345

00:52:22,150 --> 00:52:19,599

have a problem with people who have

1346

00:52:24,069 --> 00:52:22,160

faith or anything like that at all but

1347

00:52:27,829 --> 00:52:24,079

you know i think

1348

00:52:30,150 --> 00:52:27,839

you can't criticize ufology for

1349

00:52:33,030 --> 00:52:30,160

believing the accounts and believing the

1350

00:52:35,190 --> 00:52:33,040

statistics when somebody else believes

1351
00:52:38,470 --> 00:52:35,200
you know that when they die some part of

1352
00:52:41,510 --> 00:52:38,480
the body continues you know um

1353
00:52:42,950 --> 00:52:41,520
so i think in that sense um

1354
00:52:44,630 --> 00:52:42,960
if we're going to be criticized for

1355
00:52:46,390 --> 00:52:44,640
believing in things

1356
00:52:47,430 --> 00:52:46,400
then that should

1357
00:52:50,150 --> 00:52:47,440
um

1358
00:52:52,950 --> 00:52:50,160
apply across the board or it shouldn't

1359
00:52:54,950 --> 00:52:52,960
apply at all you know i think with the

1360
00:52:57,430 --> 00:52:54,960
flying triangles do we have a flying

1361
00:53:00,309 --> 00:52:57,440
triangle in hand no we don't

1362
00:53:01,910 --> 00:53:00,319
can we make a persuasive case that

1363
00:53:04,710 --> 00:53:01,920

allows us to believe these things are

1364

00:53:07,190 --> 00:53:04,720

real yes we can because of you know we

1365

00:53:09,270 --> 00:53:07,200

have a few photographs and we have

1366

00:53:11,589 --> 00:53:09,280

highly credible testimony from military

1367

00:53:14,870 --> 00:53:11,599

personnel so um

1368

00:53:16,870 --> 00:53:14,880

in that sense you know um belief you

1369

00:53:19,349 --> 00:53:16,880

know becomes sort of a blurry line

1370

00:53:21,990 --> 00:53:21,030

now uh

1371

00:53:25,190 --> 00:53:22,000

about

1372

00:53:26,230 --> 00:53:25,200

the the triangles uh are you saying that

1373

00:53:28,390 --> 00:53:26,240

uh

1374

00:53:30,470 --> 00:53:28,400

that you just have heard way too many

1375

00:53:32,790 --> 00:53:30,480

cases or do you think

1376

00:53:34,390 --> 00:53:32,800

um are your thoughts on that as uh a lot

1377

00:53:36,549 --> 00:53:34,400

of people will say they think it's

1378

00:53:38,549 --> 00:53:36,559

probably like a military type of

1379

00:53:40,710 --> 00:53:38,559

situation well

1380

00:53:42,790 --> 00:53:40,720

yeah well i mean i i would say i've got

1381

00:53:44,470 --> 00:53:42,800

i've heard enough not because i'm

1382

00:53:46,470 --> 00:53:44,480

getting you know i just can't be

1383

00:53:48,630 --> 00:53:46,480

bothered to listen it's not that it's

1384

00:53:50,549 --> 00:53:48,640

just that we have so many

1385

00:53:52,790 --> 00:53:50,559

that we've made the case

1386

00:53:54,630 --> 00:53:52,800

that these things are real they clearly

1387

00:53:56,790 --> 00:53:54,640

are because you know the witnesses have

1388

00:53:58,390 --> 00:53:56,800

been sort of good enough to come forward

1389

00:53:59,990 --> 00:53:58,400

and share their experiences so we know

1390

00:54:02,470 --> 00:54:00,000

they're real

1391

00:54:05,829 --> 00:54:02,480

what where i look at it is

1392

00:54:08,069 --> 00:54:05,839

we just don't need to keep

1393

00:54:11,109 --> 00:54:08,079

adding to the statistics because that

1394

00:54:13,589 --> 00:54:11,119

takes time away from investigating the

1395

00:54:15,670 --> 00:54:13,599

phenomenon more you know if we've got 2

1396

00:54:18,309 --> 00:54:15,680

000 reports of flying

1397

00:54:20,950 --> 00:54:18,319

triangles in the last 10 years say

1398

00:54:22,470 --> 00:54:20,960

um you know we could have another 10 2

1399

00:54:24,790 --> 00:54:22,480

000 in another couple of years and

1400

00:54:25,829 --> 00:54:24,800

another two half thousand after that

1401

00:54:28,470 --> 00:54:25,839

but

1402

00:54:30,870 --> 00:54:28,480

that will just give us more reports

1403

00:54:32,950 --> 00:54:30,880

what we need to do is

1404

00:54:35,270 --> 00:54:32,960

try and find that you know what i would

1405

00:54:37,270 --> 00:54:35,280

do if i was investigating flying tribes

1406

00:54:39,430 --> 00:54:37,280

is to look at patterns of

1407

00:54:42,069 --> 00:54:39,440

geographical distribution

1408

00:54:44,230 --> 00:54:42,079

how many are seen near military bases

1409

00:54:45,589 --> 00:54:44,240

how many are seen by where it's

1410

00:54:48,069 --> 00:54:45,599

suspected there are underground

1411

00:54:51,030 --> 00:54:48,079

installations which might point in the

1412

00:54:52,630 --> 00:54:51,040

direction of a military craft

1413

00:54:54,470 --> 00:54:52,640

have they been reported outside the

1414

00:54:56,870 --> 00:54:54,480

earth's atmosphere which suggests they

1415

00:54:58,309 --> 00:54:56,880

might be from somewhere else i think we

1416

00:54:59,910 --> 00:54:58,319

need to sort of

1417

00:55:01,430 --> 00:54:59,920

what i try and do very often with

1418

00:55:03,829 --> 00:55:01,440

investigation you sort of take an

1419

00:55:05,349 --> 00:55:03,839

alternative approach because

1420

00:55:06,470 --> 00:55:05,359

you know we're dealing with alternative

1421

00:55:07,670 --> 00:55:06,480

phenomena

1422

00:55:09,750 --> 00:55:07,680

and so

1423

00:55:10,549 --> 00:55:09,760

look in directions and ask questions

1424

00:55:13,030 --> 00:55:10,559

that

1425

00:55:15,589 --> 00:55:13,040

aren't necessarily the ones you might

1426

00:55:17,589 --> 00:55:15,599

ask you know look at um

1427

00:55:19,349 --> 00:55:17,599

we need to it's such a weird subject we

1428

00:55:21,589 --> 00:55:19,359

need to think outside the box you know

1429

00:55:23,829 --> 00:55:21,599

it's sometimes not enough just to try

1430

00:55:25,829 --> 00:55:23,839

and make a case by saying well

1431

00:55:28,069 --> 00:55:25,839

i've got 300 reports

1432

00:55:30,069 --> 00:55:28,079

of this particular phenomenon

1433

00:55:31,670 --> 00:55:30,079

that's the case made well it isn't it

1434

00:55:32,789 --> 00:55:31,680

just means you've got 300 cases so

1435

00:55:34,870 --> 00:55:32,799

that's that's what i mean about the

1436

00:55:37,190 --> 00:55:34,880

flying triangles it's not

1437

00:55:38,069 --> 00:55:37,200

i hate the phenomenon or anything like

1438

00:55:41,990 --> 00:55:38,079

that

1439

00:55:43,990 --> 00:55:42,000

i think now we need to sort of go in

1440

00:55:46,950 --> 00:55:44,000

another direction with it which might

1441

00:55:50,150 --> 00:55:46,960

lead to answers rather than just more

1442

00:55:51,670 --> 00:55:50,160

filled up filing cabinets thumb drives

1443

00:55:53,670 --> 00:55:51,680

you know or whatever

1444

00:55:55,990 --> 00:55:53,680

now what do you think about um the ufo

1445

00:55:57,670 --> 00:55:56,000

detections out there there's a couple of

1446

00:55:59,750 --> 00:55:57,680

people working on them one of them is

1447

00:56:01,109 --> 00:55:59,760

cubesat i'm not sure what's going on

1448

00:56:04,069 --> 00:56:01,119

with that then there's

1449

00:56:07,190 --> 00:56:04,079

talk and then there's uh the one let's

1450

00:56:10,069 --> 00:56:07,200

see it's on my website um

1451
00:56:11,510 --> 00:56:10,079
ufo data

1452
00:56:14,390 --> 00:56:11,520
do you think they're yeah that's a good

1453
00:56:15,270 --> 00:56:14,400
idea that they're looking to get

1454
00:56:17,430 --> 00:56:15,280
some

1455
00:56:20,470 --> 00:56:17,440
hard data

1456
00:56:22,789 --> 00:56:20,480
yeah i mean if you know if it works

1457
00:56:25,670 --> 00:56:22,799
and it proves to work again and again

1458
00:56:26,470 --> 00:56:25,680
and again then you know i'm all for it i

1459
00:56:29,030 --> 00:56:26,480
think

1460
00:56:31,190 --> 00:56:29,040
you know we need to sort of find

1461
00:56:33,270 --> 00:56:31,200
new ways to investigate the subject

1462
00:56:35,829 --> 00:56:33,280
because for all the work that's been

1463
00:56:37,430 --> 00:56:35,839

done in the last 70 years

1464

00:56:39,589 --> 00:56:37,440

we're still really kind of scratching

1465

00:56:41,589 --> 00:56:39,599

our heads wondering what on earth going

1466

00:56:44,870 --> 00:56:41,599

on where these things are from

1467

00:56:47,750 --> 00:56:44,880

so again you know any any alternative

1468

00:56:50,630 --> 00:56:47,760

way that might provide us you know ever

1469

00:56:52,789 --> 00:56:50,640

you know through detection um where

1470

00:56:54,789 --> 00:56:52,799

maybe even we could anticipate where a

1471

00:56:57,349 --> 00:56:54,799

ufo might turn up that kind of thing if

1472

00:56:59,670 --> 00:56:57,359

that you know for detecting them

1473

00:57:01,510 --> 00:56:59,680

uncover some kind of pattern

1474

00:57:03,990 --> 00:57:01,520

maybe that would sort of open even more

1475

00:57:05,589 --> 00:57:04,000

doors so i'm all for sort of looking

1476
00:57:07,270 --> 00:57:05,599
you know outside of the box when it

1477
00:57:09,670 --> 00:57:07,280
comes to

1478
00:57:12,789 --> 00:57:09,680
trying to get answers and trying to get

1479
00:57:14,150 --> 00:57:12,799
data and information um

1480
00:57:16,069 --> 00:57:14,160
but

1481
00:57:17,990 --> 00:57:16,079
you know let's see the evidence you know

1482
00:57:19,510 --> 00:57:18,000
let's see what you come up with and then

1483
00:57:21,589 --> 00:57:19,520
hopefully you know we can take you to

1484
00:57:23,589 --> 00:57:21,599
that next stage i think

1485
00:57:26,630 --> 00:57:23,599
you know the idea of just going out on a

1486
00:57:29,829 --> 00:57:26,640
hill at midnight you know as people used

1487
00:57:31,910 --> 00:57:29,839
to do you know decades ago

1488
00:57:33,990 --> 00:57:31,920

hoping ufos are going to come down

1489

00:57:35,109 --> 00:57:34,000

that i don't think you know sort of

1490

00:57:37,750 --> 00:57:35,119

really

1491

00:57:39,589 --> 00:57:37,760

cuts it for me um i think we just need

1492

00:57:41,510 --> 00:57:39,599

to be sort of more

1493

00:57:44,069 --> 00:57:41,520

proactive

1494

00:57:46,470 --> 00:57:44,079

in finding new ways to sort of solve the

1495

00:57:48,470 --> 00:57:46,480

mystery because the old ways have only

1496

00:57:51,030 --> 00:57:48,480

took us so far really

1497

00:57:53,829 --> 00:57:51,040

i know it's uh like you just mentioned

1498

00:57:54,549 --> 00:57:53,839

70 years later here we are and um there

1499

00:57:56,870 --> 00:57:54,559

were

1500

00:57:58,150 --> 00:57:56,880

people that wrote books

1501
00:58:00,390 --> 00:57:58,160
that um

1502
00:58:01,829 --> 00:58:00,400
back in the 1950s they were saying you

1503
00:58:03,589 --> 00:58:01,839
know i just hope this is solved in my

1504
00:58:05,990 --> 00:58:03,599
lifetime they're long gone

1505
00:58:09,190 --> 00:58:06,000
you know and uh i think you know that

1506
00:58:11,349 --> 00:58:09,200
that chant is still ongoing um in the

1507
00:58:12,789 --> 00:58:11,359
youtube message board

1508
00:58:14,630 --> 00:58:12,799
the guy wanted

1509
00:58:18,230 --> 00:58:14,640
you to know that he's not a bloody

1510
00:58:19,670 --> 00:58:18,240
englishman with a big smiley face um

1511
00:58:21,589 --> 00:58:19,680
and uh well he did

1512
00:58:23,589 --> 00:58:21,599
rubbish yes he did

1513
00:58:25,030 --> 00:58:23,599

and uh he wanted to know how about if we

1514

00:58:27,270 --> 00:58:25,040

find life

1515

00:58:30,150 --> 00:58:27,280

in a faraway galaxy

1516

00:58:31,670 --> 00:58:30,160

uh would that change any of uh any of

1517

00:58:32,789 --> 00:58:31,680

your views or would that do you think

1518

00:58:35,109 --> 00:58:32,799

that would change

1519

00:58:37,670 --> 00:58:35,119

uh views in general about us being

1520

00:58:39,670 --> 00:58:37,680

visited by extraterrestrial

1521

00:58:40,950 --> 00:58:39,680

so what was the first part you said i

1522

00:58:42,870 --> 00:58:40,960

missed a bit about just before the

1523

00:58:44,309 --> 00:58:42,880

galaxy what did you say uh what what

1524

00:58:46,710 --> 00:58:44,319

happens if uh

1525

00:58:48,390 --> 00:58:46,720

what would your view be if i can't find

1526
00:58:51,109 --> 00:58:48,400
it right now but what would your view be

1527
00:58:53,030 --> 00:58:51,119
if they've uh life was found in distant

1528
00:58:55,270 --> 00:58:53,040
galaxies

1529
00:58:57,270 --> 00:58:55,280
you know like we confirmed confirmed

1530
00:58:59,430 --> 00:58:57,280
life found

1531
00:59:01,829 --> 00:58:59,440
well if we confirmed that life existed

1532
00:59:04,069 --> 00:59:01,839
on other worlds that would have a major

1533
00:59:05,030 --> 00:59:04,079
positive bearing on the ufo phenomenon

1534
00:59:06,230 --> 00:59:05,040
because

1535
00:59:08,950 --> 00:59:06,240
you know one of the things that the

1536
00:59:10,870 --> 00:59:08,960
skeptics say or the septics as i like to

1537
00:59:14,390 --> 00:59:10,880
call them um one of the things the

1538
00:59:16,309 --> 00:59:14,400

skeptics say is that you know ufos can't

1539

00:59:17,910 --> 00:59:16,319

exist or don't exist or we don't have

1540

00:59:21,670 --> 00:59:17,920

evidence of it because there's no

1541

00:59:24,230 --> 00:59:21,680

evidence yet of alien life so

1542

00:59:26,390 --> 00:59:24,240

even if alien life was detected on

1543

00:59:29,190 --> 00:59:26,400

another world you know through say like

1544

00:59:31,670 --> 00:59:29,200

radio transmissions that kind of thing

1545

00:59:32,710 --> 00:59:31,680

although it wouldn't necessarily prove

1546

00:59:34,950 --> 00:59:32,720

that

1547

00:59:36,549 --> 00:59:34,960

those same aliens were visiting the

1548

00:59:38,150 --> 00:59:36,559

earth in ufos

1549

00:59:41,910 --> 00:59:38,160

it would definitely

1550

00:59:42,870 --> 00:59:41,920

improve the position of ufology within

1551
00:59:44,829 --> 00:59:42,880
you know

1552
00:59:46,710 --> 00:59:44,839
the public's mindset and the media's

1553
00:59:48,950 --> 00:59:46,720
mindset um

1554
00:59:51,349 --> 00:59:48,960
so i think you know one of these people

1555
00:59:52,710 --> 00:59:51,359
who doesn't think that the whole seti

1556
00:59:54,470 --> 00:59:52,720
surgery

1557
00:59:56,950 --> 00:59:54,480
extraterrestrial intelligence and one of

1558
00:59:58,470 --> 00:59:56,960
the people who in ufology who doesn't

1559
01:00:01,510 --> 00:59:58,480
think it's a waste of time a lot of

1560
01:00:03,990 --> 01:00:01,520
people do but my view is if seti

1561
01:00:05,109 --> 01:00:04,000
did uncover legitimate signals

1562
01:00:11,750 --> 01:00:05,119
it would

1563
01:00:14,630 --> 01:00:11,760

and also uh credibility so yeah i'm all

1564

01:00:17,589 --> 01:00:14,640

for looking for evidence of

1565

01:00:20,630 --> 01:00:17,599

alien life beyond just alien life that

1566

01:00:22,870 --> 01:00:20,640

might be piloting ufos

1567

01:00:24,789 --> 01:00:22,880

i think we're going i think that part is

1568

01:00:27,510 --> 01:00:24,799

going to be solved you know i'd like to

1569

01:00:30,309 --> 01:00:27,520

say in my lifetime uh it just seems like

1570

01:00:32,630 --> 01:00:30,319

we get closer and closer and i think

1571

01:00:34,390 --> 01:00:32,640

it seems like almost any year now

1572

01:00:36,630 --> 01:00:34,400

that we're going to get evidence of

1573

01:00:37,750 --> 01:00:36,640

extraterrestrial life some somewhere

1574

01:00:41,109 --> 01:00:37,760

somehow

1575

01:00:44,710 --> 01:00:41,119

and uh in the message board

1576

01:00:48,710 --> 01:00:47,270

uh i think he there's a typo there i

1577

01:00:49,990 --> 01:00:48,720

think have you

1578

01:00:52,390 --> 01:00:50,000

looked into

1579

01:00:54,309 --> 01:00:52,400

um a book

1580

01:00:57,270 --> 01:00:54,319

uh dedicated to the many

1581

01:01:00,470 --> 01:00:57,280

in many of uh the cases of

1582

01:01:02,390 --> 01:01:00,480

planes snatched from the skyline

1583

01:01:04,789 --> 01:01:02,400

like uh you know in australia and stuff

1584

01:01:06,950 --> 01:01:04,799

like that

1585

01:01:08,950 --> 01:01:06,960

um is there enough

1586

01:01:12,230 --> 01:01:08,960

i've written a little bit about that but

1587

01:01:15,430 --> 01:01:12,240

um one guy who wrote a lot about this is

1588

01:01:17,190 --> 01:01:15,440

um frank pecino um i forget what his

1589

01:01:20,150 --> 01:01:17,200

book was called now but he wrote one on

1590

01:01:21,910 --> 01:01:20,160

the flatwoods monster of 1952 and he

1591

01:01:22,870 --> 01:01:21,920

wrote a follow-up

1592

01:01:24,710 --> 01:01:22,880

book

1593

01:01:25,430 --> 01:01:24,720

which actually sort of chronicled a lot

1594

01:01:32,470 --> 01:01:25,440

of

1595

01:01:34,950 --> 01:01:32,480

crashing while chasing ufos and some

1596

01:01:36,069 --> 01:01:34,960

which just completely vanished

1597

01:01:38,390 --> 01:01:36,079

um

1598

01:01:41,270 --> 01:01:38,400

so you know frank did a really good sort

1599

01:01:44,630 --> 01:01:41,280

of definitive book on that subject

1600

01:01:46,630 --> 01:01:44,640

um so you know i recommend people read

1601

01:01:48,789 --> 01:01:46,640

that book uh as i said he's frank

1602

01:01:50,549 --> 01:01:48,799

fischino but i forget the title of his

1603

01:01:53,589 --> 01:01:50,559

book now other than the flatwoods

1604

01:01:55,910 --> 01:01:53,599

monster one um but yeah i mean

1605

01:01:57,829 --> 01:01:55,920

that's like a you know a perfect book to

1606

01:01:59,349 --> 01:01:57,839

to dig into if you want to find out

1607

01:02:01,670 --> 01:01:59,359

about um

1608

01:02:04,069 --> 01:02:01,680

missing aircraft crash death craft in

1609

01:02:06,789 --> 01:02:04,079

relation to ufos sort of ufo aircraft

1610

01:02:08,789 --> 01:02:06,799

dog fights that kind of thing

1611

01:02:11,589 --> 01:02:08,799

i'm having a uh

1612

01:02:13,910 --> 01:02:11,599

um i've lost his name right now leo i

1613

01:02:16,230 --> 01:02:13,920

want to say from uh

1614

01:02:18,390 --> 01:02:16,240

from narcap is going to be on

1615

01:02:20,309 --> 01:02:18,400

and uh so i'm really excited about that

1616

01:02:22,630 --> 01:02:20,319

you know to talk about pilot cases

1617

01:02:24,549 --> 01:02:22,640

that's coming up on february 8th i

1618

01:02:26,710 --> 01:02:24,559

believe it is um let's see another

1619

01:02:28,950 --> 01:02:26,720

question here with the modern era of

1620

01:02:32,230 --> 01:02:28,960

ufology starting in the 1940s what's

1621

01:02:35,349 --> 01:02:32,240

your opinion on why ets are still

1622

01:02:36,870 --> 01:02:35,359

interested in visiting us

1623

01:02:39,510 --> 01:02:36,880

uh but you've kind of mentioned earlier

1624

01:02:41,510 --> 01:02:39,520

you're not really sure what they are

1625

01:02:43,589 --> 01:02:41,520

well no i'm not you know but whatever

1626

01:02:45,190 --> 01:02:43,599

the phenomenon is it's still definitely

1627

01:02:46,470 --> 01:02:45,200

here and with us

1628

01:02:48,630 --> 01:02:46,480

um

1629

01:02:50,230 --> 01:02:48,640

maybe it's like maybe the equivalent of

1630

01:02:52,230 --> 01:02:50,240

like going to the circus and watching

1631

01:02:54,309 --> 01:02:52,240

these crazy

1632

01:02:55,990 --> 01:02:54,319

people you know do crazy things i don't

1633

01:02:58,470 --> 01:02:56,000

know um

1634

01:03:01,589 --> 01:02:58,480

what i would say for sure is that you

1635

01:03:04,230 --> 01:03:01,599

know we clearly haven't been

1636

01:03:06,230 --> 01:03:04,240

um but then again you know

1637

01:03:08,069 --> 01:03:06,240

i don't see a great deal that's been

1638

01:03:10,549 --> 01:03:08,079

done to help us unless it's been done in

1639

01:03:12,870 --> 01:03:10,559

sort of an obscure behind-the-scenes way

1640

01:03:13,990 --> 01:03:12,880

which is not impossible at all

1641

01:03:28,069 --> 01:03:14,000

um

1642

01:03:30,150 --> 01:03:28,079

have they been helped

1643

01:03:31,750 --> 01:03:30,160

you know by extraterrestrials to sort of

1644

01:03:34,390 --> 01:03:31,760

fix those things

1645

01:03:36,630 --> 01:03:34,400

i i don't see evidence of it so i kind

1646

01:03:38,309 --> 01:03:36,640

of view the ufo phenomenon as one that

1647

01:03:40,950 --> 01:03:38,319

interacts with us

1648

01:03:43,670 --> 01:03:40,960

closely at times and very intimately at

1649

01:03:45,109 --> 01:03:43,680

times but it also it's sort of careful

1650

01:03:46,069 --> 01:03:45,119

to

1651
01:03:48,069 --> 01:03:46,079
keep

1652
01:03:49,270 --> 01:03:48,079
in the shadows as well

1653
01:03:53,270 --> 01:03:49,280
now

1654
01:03:55,750 --> 01:03:53,280
sort of forced to

1655
01:03:56,549 --> 01:03:55,760
interp what interpret what that means

1656
01:03:58,789 --> 01:03:56,559
from

1657
01:04:01,109 --> 01:03:58,799
the perspective of a human mind how we

1658
01:04:04,309 --> 01:04:01,119
rationalize and think about these things

1659
01:04:06,069 --> 01:04:04,319
you know maybe they have goals and

1660
01:04:08,710 --> 01:04:06,079
agendas which

1661
01:04:09,750 --> 01:04:08,720
we don't even really understand properly

1662
01:04:11,829 --> 01:04:09,760
um

1663
01:04:13,510 --> 01:04:11,839

you know in the same way that's

1664

01:04:15,109 --> 01:04:13,520

you know if you've got like a pet dog

1665

01:04:17,190 --> 01:04:15,119

dogs are really intelligence and you

1666

01:04:20,230 --> 01:04:17,200

know they know hundreds of words you can

1667

01:04:21,910 --> 01:04:20,240

teach them um but there are some things

1668

01:04:22,710 --> 01:04:21,920

you'll never be able to get across to

1669

01:04:25,029 --> 01:04:22,720

them

1670

01:04:27,270 --> 01:04:25,039

um it doesn't mean your dog's stupid it

1671

01:04:30,390 --> 01:04:27,280

isn't it's the exact opposite but there

1672

01:04:31,349 --> 01:04:30,400

is a limit on what it can understand

1673

01:04:32,630 --> 01:04:31,359

and

1674

01:04:33,910 --> 01:04:32,640

interpret

1675

01:04:35,910 --> 01:04:33,920

um

1676

01:04:37,670 --> 01:04:35,920

you know the dog knows

1677

01:04:38,789 --> 01:04:37,680

when you go to work in the morning you

1678

01:04:41,510 --> 01:04:38,799

know that you're going to come back

1679

01:04:44,390 --> 01:04:41,520

later but it has no concept of where you

1680

01:04:45,990 --> 01:04:44,400

go or why and maybe that's kind of like

1681

01:04:48,789 --> 01:04:46,000

with us we just

1682

01:04:51,510 --> 01:04:48,799

we're not in in a mindset that has an

1683

01:04:53,029 --> 01:04:51,520

understanding of what they do and why we

1684

01:04:55,349 --> 01:04:53,039

can only sort of apply it from our

1685

01:04:56,789 --> 01:04:55,359

perspective which might be

1686

01:04:59,750 --> 01:04:56,799

totally

1687

01:05:02,230 --> 01:04:59,760

ironically alien you know to them ah

1688

01:05:03,589 --> 01:05:02,240

yeah really good point there um

1689

01:05:04,710 --> 01:05:03,599

there was someone on the message board

1690

01:05:06,870 --> 01:05:04,720

that

1691

01:05:09,349 --> 01:05:06,880

uh noted the book you were trying to

1692

01:05:10,549 --> 01:05:09,359

remember was called shoot them down

1693

01:05:12,470 --> 01:05:10,559

by uh friends

1694

01:05:14,950 --> 01:05:12,480

frank fischino he's been on the show

1695

01:05:17,510 --> 01:05:14,960

before he's a good guy um

1696

01:05:18,549 --> 01:05:17,520

and someone wants to know who is your

1697

01:05:21,349 --> 01:05:18,559

favorite

1698

01:05:22,549 --> 01:05:21,359

author for uh books in the field ufo

1699

01:05:25,829 --> 01:05:22,559

field

1700

01:05:27,910 --> 01:05:26,789

um

1701

01:05:29,829 --> 01:05:27,920

well

1702

01:05:32,069 --> 01:05:29,839

i would have to sort of lump ufo with

1703

01:05:35,829 --> 01:05:32,079

the paranormal because i would say john

1704

01:05:38,390 --> 01:05:35,839

kale um you know john kale was the when

1705

01:05:40,230 --> 01:05:38,400

i was like a kid like i said 10 11 12

1706

01:05:43,270 --> 01:05:40,240

something like that i started reading

1707

01:05:45,589 --> 01:05:43,280

books by john kale and brad steiger

1708

01:05:48,870 --> 01:05:45,599

frank edwards um this would have been

1709

01:05:51,430 --> 01:05:48,880

sort of late 70s and

1710

01:05:53,829 --> 01:05:51,440

that got me interested in the subject

1711

01:05:55,349 --> 01:05:53,839

and i like kale stuff for a couple of

1712

01:05:57,029 --> 01:05:55,359

reasons one

1713

01:05:58,069 --> 01:05:57,039

you know his writing wasn't sort of

1714

01:06:01,109 --> 01:05:58,079

bland

1715

01:06:03,109 --> 01:06:01,119

it wasn't sort of mr jones saw a ufo it

1716

01:06:06,390 --> 01:06:03,119

was silver you know

1717

01:06:07,750 --> 01:06:06,400

he wrote in a really atmospheric way and

1718

01:06:09,670 --> 01:06:07,760

i like that i think you know if you're

1719

01:06:11,829 --> 01:06:09,680

going to tell a story

1720

01:06:13,670 --> 01:06:11,839

um it's not enough just to sort of

1721

01:06:14,789 --> 01:06:13,680

relate the fact you've got to make it

1722

01:06:16,789 --> 01:06:14,799

readable

1723

01:06:19,270 --> 01:06:16,799

and eye-catching hopefully for the

1724

01:06:20,710 --> 01:06:19,280

reader um so i like that but i also like

1725

01:06:22,470 --> 01:06:20,720

the fact that keele

1726

01:06:24,789 --> 01:06:22,480

didn't really care

1727

01:06:25,829 --> 01:06:24,799

what his peers thought of him and i kind

1728

01:06:27,670 --> 01:06:25,839

of go

1729

01:06:30,390 --> 01:06:27,680

you know that approach as well i do what

1730

01:06:32,230 --> 01:06:30,400

i do i write what i write and if people

1731

01:06:33,829 --> 01:06:32,240

like it that's fine and if they don't

1732

01:06:36,630 --> 01:06:33,839

well that's how it goes you know i'm not

1733

01:06:39,910 --> 01:06:36,640

going to lose sleep over it and keel

1734

01:06:41,829 --> 01:06:39,920

very bravely in the 60s and 70s when you

1735

01:06:44,309 --> 01:06:41,839

know the whole nuts and bolts angle was

1736

01:06:47,109 --> 01:06:44,319

the dominating one in ufology you know

1737

01:06:49,430 --> 01:06:47,119

you had people like donald kehoe

1738

01:06:51,750 --> 01:06:49,440

uh leonard stringfield

1739

01:06:54,870 --> 01:06:51,760

um you know all the people who were sort

1740

01:06:57,349 --> 01:06:54,880

of at the the forefront knight cap you

1741

01:07:00,309 --> 01:06:57,359

know at the forefront of um

1742

01:07:01,670 --> 01:07:00,319

promoting the et theory you know keel

1743

01:07:05,750 --> 01:07:01,680

was making

1744

01:07:08,710 --> 01:07:05,760

um sort of parallels between ufology

1745

01:07:11,510 --> 01:07:08,720

and um the supernatural and the occult

1746

01:07:13,430 --> 01:07:11,520

even demonology and things like that and

1747

01:07:14,390 --> 01:07:13,440

he was kind of a bit of a maverick and

1748

01:07:16,150 --> 01:07:14,400

um

1749

01:07:19,190 --> 01:07:16,160

so you know those are the reasons why i

1750

01:07:20,630 --> 01:07:19,200

like kiel's books because he really

1751

01:07:23,109 --> 01:07:20,640

he didn't just go with the flow for the

1752

01:07:24,950 --> 01:07:23,119

sake of it he actually asked the awkward

1753

01:07:26,630 --> 01:07:24,960

questions that a lot of researchers

1754

01:07:28,710 --> 01:07:26,640

didn't want to touch because he took

1755

01:07:31,029 --> 01:07:28,720

them out of their

1756

01:07:32,789 --> 01:07:31,039

straightforward belief system of nuts

1757

01:07:34,069 --> 01:07:32,799

and bolts aliens and they just didn't

1758

01:07:37,190 --> 01:07:34,079

want to deal

1759

01:07:38,870 --> 01:07:37,200

with these sort of rogue cases that kale

1760

01:07:40,309 --> 01:07:38,880

really sort of you know got his teeth

1761

01:07:42,069 --> 01:07:40,319

into

1762

01:07:44,230 --> 01:07:42,079

right right another question out of all

1763

01:07:49,109 --> 01:07:44,240

the books that you have authored what's

1764

01:07:56,150 --> 01:07:51,190

um

1765

01:07:59,750 --> 01:07:56,160

let's say it's probably a book i wrote

1766

01:08:01,589 --> 01:07:59,760

in um 2012 called wild man and it was

1767

01:08:03,910 --> 01:08:01,599

all about the very little known

1768

01:08:05,829 --> 01:08:03,920

phenomenon of bigfoot and bigfoot type

1769

01:08:07,589 --> 01:08:05,839

creatures in the uk

1770

01:08:10,630 --> 01:08:07,599

um a lot of these reports like the

1771

01:08:13,750 --> 01:08:10,640

mountains and forests of um scotland

1772

01:08:15,349 --> 01:08:13,760

and wales and and also a number from the

1773

01:08:18,070 --> 01:08:15,359

from england as well

1774

01:08:20,870 --> 01:08:18,080

um and i was sort of pleased to be able

1775

01:08:23,349 --> 01:08:20,880

to do that book because um it's a

1776

01:08:26,630 --> 01:08:23,359

subject i've had a long interest in for

1777

01:08:29,189 --> 01:08:26,640

years and finally in 2012 i was able to

1778

01:08:30,870 --> 01:08:29,199

get around and write a full-length book

1779

01:08:32,870 --> 01:08:30,880

on the subject so

1780

01:08:34,229 --> 01:08:32,880

i would say that one because

1781

01:08:35,669 --> 01:08:34,239

um

1782

01:08:38,070 --> 01:08:35,679

because it was the one i always wanted

1783

01:08:40,870 --> 01:08:38,080

to do and finally uh got around to it

1784

01:08:42,149 --> 01:08:40,880

uh-huh i know when we very first spoke i

1785

01:08:45,829 --> 01:08:42,159

think the first time i had you on this

1786

01:08:47,829 --> 01:08:45,839

show you were saying uh the crypto uh

1787

01:08:51,030 --> 01:08:47,839

field is the one you're most interested

1788

01:08:55,590 --> 01:08:51,040

in are you um if that's true today are

1789

01:08:57,430 --> 01:08:55,600

you uh writing anything on that soon

1790

01:08:59,349 --> 01:08:57,440

yeah i actually had a book come out just

1791

01:09:00,630 --> 01:08:59,359

a couple of months ago on the loch ness

1792

01:09:02,470 --> 01:09:00,640

monster

1793

01:09:03,749 --> 01:09:02,480

which looks like a different approach

1794

01:09:04,630 --> 01:09:03,759

and looked at all the really sort of

1795

01:09:06,870 --> 01:09:04,640

weird

1796

01:09:10,070 --> 01:09:06,880

supernatural stuff surrounding the story

1797

01:09:11,990 --> 01:09:10,080

of the loch ness monster or monsters um

1798

01:09:14,309 --> 01:09:12,000

for example there have been a lot of ufo

1799

01:09:16,709 --> 01:09:14,319

sightings over loch ness there have been

1800

01:09:19,510 --> 01:09:16,719

men in black reports

1801

01:09:21,269 --> 01:09:19,520

the famous occultist alister crowley

1802

01:09:23,749 --> 01:09:21,279

had a house at loch ness called

1803

01:09:26,309 --> 01:09:23,759

burlesque in house where he tried to uh

1804

01:09:28,630 --> 01:09:26,319

summon up supernatural entities that

1805

01:09:30,630 --> 01:09:28,640

some people believe sort of opened a

1806

01:09:32,309 --> 01:09:30,640

door to allow these

1807

01:09:34,630 --> 01:09:32,319

monsters through in other words that

1808

01:09:36,789 --> 01:09:34,640

they're not sort of just surviving

1809

01:09:38,789 --> 01:09:36,799

relics from you know the jurassic era or

1810

01:09:41,430 --> 01:09:38,799

whatever but as something

1811

01:09:44,470 --> 01:09:41,440

much stranger um so that was a theme of

1812

01:09:47,590 --> 01:09:44,480

that one but uh yeah cryptozoology is my

1813

01:09:49,669 --> 01:09:47,600

main interest ufo's being next

1814

01:09:51,910 --> 01:09:49,679

mainly for a couple of reasons you know

1815

01:09:54,470 --> 01:09:51,920

i just it just appeals to me more but

1816

01:09:56,790 --> 01:09:54,480

the other one is i enjoy sort of going

1817

01:09:59,030 --> 01:09:56,800

on expeditions and road trips you know

1818

01:10:02,229 --> 01:09:59,040

it's um it's fun you know it can be

1819

01:10:04,550 --> 01:10:02,239

exciting and um you know the sort of the

1820

01:10:07,110 --> 01:10:04,560

adrenaline rush of maybe you know we're

1821

01:10:09,990 --> 01:10:07,120

gonna find something um

1822

01:10:11,910 --> 01:10:10,000

i mean for all the book writing i do you

1823

01:10:13,910 --> 01:10:11,920

know i actually enjoy

1824

01:10:14,709 --> 01:10:13,920

hitting the road you know

1825

01:10:20,709 --> 01:10:14,719

and

1826

01:10:22,470 --> 01:10:20,719

just

1827

01:10:24,630 --> 01:10:22,480

you know sort of looking for these

1828

01:10:27,030 --> 01:10:24,640

things um

1829

01:10:29,270 --> 01:10:27,040

you know it's it's fun to do it's you

1830

01:10:30,870 --> 01:10:29,280

know stimulating and uh and at the end

1831

01:10:33,430 --> 01:10:30,880

of the day maybe one of the days you

1832

01:10:36,790 --> 01:10:33,440

know we'll catch a big foot or a yeti or

1833

01:10:38,390 --> 01:10:36,800

a triple cabra i know it's it's so

1834

01:10:42,229 --> 01:10:38,400

interesting when you really think about

1835

01:10:44,470 --> 01:10:42,239

it the ufos the anything paranormal

1836

01:10:46,550 --> 01:10:44,480

ghosts

1837

01:10:49,030 --> 01:10:46,560

cryptology any of the

1838

01:10:50,229 --> 01:10:49,040

so-called the bigfoot yeti and all that

1839

01:10:52,950 --> 01:10:50,239

uh no

1840

01:10:54,870 --> 01:10:52,960

hard evidence now i know dr melva

1841

01:10:56,830 --> 01:10:54,880

ketchum who i've actually spoke with

1842

01:10:59,430 --> 01:10:56,840

very nice lady

1843

01:11:02,310 --> 01:10:59,440

um claims she has the closest thing to

1844

01:11:04,709 --> 01:11:02,320

evidence and that is uh uh dna that

1845

01:11:07,110 --> 01:11:04,719

can't be explained basically

1846

01:11:08,550 --> 01:11:07,120

but there's just no hard

1847

01:11:10,470 --> 01:11:08,560

evidence

1848

01:11:12,790 --> 01:11:10,480

i'm not sure

1849

01:11:15,430 --> 01:11:12,800

what i think about that in particular

1850

01:11:17,590 --> 01:11:15,440

but um well you know i mean one of the

1851
01:11:20,470 --> 01:11:17,600
theories and it's one of the ones i kind

1852
01:11:22,229 --> 01:11:20,480
of go with is i actually don't think

1853
01:11:24,870 --> 01:11:22,239
that a lot of these so-called cryptids

1854
01:11:27,430 --> 01:11:24,880
as they're known like bigfoot the yeti

1855
01:11:30,070 --> 01:11:27,440
loch ness monster the chubber camera i'm

1856
01:11:32,310 --> 01:11:30,080
not entirely sure that they're just what

1857
01:11:34,229 --> 01:11:32,320
we would call unknown animals there's a

1858
01:11:36,070 --> 01:11:34,239
lot of very weird stuff

1859
01:11:38,149 --> 01:11:36,080
in relation to bigfoot where people have

1860
01:11:39,750 --> 01:11:38,159
seen these creatures and supposedly

1861
01:11:41,910 --> 01:11:39,760
they've sort of vanished in a flash of

1862
01:11:44,709 --> 01:11:41,920
light or they've just sort of in an

1863
01:11:46,950 --> 01:11:44,719

instant winked out of existence um

1864

01:11:48,470 --> 01:11:46,960

the reports are people seeing bigfoot in

1865

01:11:50,870 --> 01:11:48,480

the woods and it's surrounded by like

1866

01:11:52,870 --> 01:11:50,880

these small glit glittering balls of

1867

01:11:55,189 --> 01:11:52,880

light like almost like a some sort of

1868

01:11:56,630 --> 01:11:55,199

weird energy as i said there's a lot of

1869

01:12:00,229 --> 01:11:56,640

strange stuff

1870

01:12:01,910 --> 01:12:00,239

um with ufo activity excuse me um we

1871

01:12:02,950 --> 01:12:01,920

could put paranormal activity at loch

1872

01:12:04,790 --> 01:12:02,960

ness

1873

01:12:07,030 --> 01:12:04,800

you know that goes far beyond just the

1874

01:12:09,510 --> 01:12:07,040

reports of the loch ness monster

1875

01:12:12,310 --> 01:12:09,520

um and that's the same with you know a

1876

01:12:14,229 --> 01:12:12,320

number of lake monster stories in the us

1877

01:12:15,910 --> 01:12:14,239

um people have tried to photograph these

1878

01:12:17,750 --> 01:12:15,920

things and the cameras have jammed or

1879

01:12:19,510 --> 01:12:17,760

the pictures have come out fogged and

1880

01:12:22,550 --> 01:12:19,520

this has happened on far more than just

1881

01:12:24,709 --> 01:12:22,560

a couple of random occasions so

1882

01:12:26,390 --> 01:12:24,719

i think we could be dealing with as as

1883

01:12:29,110 --> 01:12:26,400

john keel felt

1884

01:12:31,590 --> 01:12:29,120

that these animals the reason we don't

1885

01:12:34,630 --> 01:12:31,600

catch them the why the reason why

1886

01:12:36,229 --> 01:12:34,640

it's so they're so elusive and why

1887

01:12:38,229 --> 01:12:36,239

bigfoot you know which is like this

1888

01:12:42,070 --> 01:12:38,239

seven to eight foot tall ape

1889

01:12:43,910 --> 01:12:42,080

in a country so densely packed and um as

1890

01:12:44,790 --> 01:12:43,920

the united states we can't even catch

1891

01:12:47,430 --> 01:12:44,800

one

1892

01:12:49,830 --> 01:12:47,440

you know which sounds totally unlikely

1893

01:12:52,870 --> 01:12:49,840

it may be because as john cale felt that

1894

01:12:55,270 --> 01:12:52,880

they're actually only temporarily in our

1895

01:12:57,830 --> 01:12:55,280

reality maybe they sort of flit in and

1896

01:13:00,310 --> 01:12:57,840

out of other realities um

1897

01:13:01,990 --> 01:13:00,320

and you know they're just temporary

1898

01:13:03,910 --> 01:13:02,000

visitors and then

1899

01:13:06,149 --> 01:13:03,920

you know that's the reason we may not

1900

01:13:08,790 --> 01:13:06,159

catch them because for the most part

1901
01:13:09,510 --> 01:13:08,800
they're not here and now of course a lot

1902
01:13:11,830 --> 01:13:09,520
of

1903
01:13:13,990 --> 01:13:11,840
regular cryptozoologists

1904
01:13:16,149 --> 01:13:14,000
they sort of really you know shake their

1905
01:13:17,189 --> 01:13:16,159
heads and roll their eyes when you start

1906
01:13:19,550 --> 01:13:17,199
bringing

1907
01:13:22,310 --> 01:13:19,560
the paranormal and multi-dimensions into

1908
01:13:25,270 --> 01:13:22,320
cryptozoology but you know i always tell

1909
01:13:28,070 --> 01:13:25,280
people that the most important people

1910
01:13:30,149 --> 01:13:28,080
in these fields and everything i do it's

1911
01:13:31,590 --> 01:13:30,159
not the authors or the tv host or

1912
01:13:33,110 --> 01:13:31,600
whatever it's the witnesses because

1913
01:13:35,510 --> 01:13:33,120

without the witnesses

1914

01:13:37,990 --> 01:13:35,520

we don't have anything and the fact is

1915

01:13:40,070 --> 01:13:38,000

there are a lot of witness reports of

1916

01:13:42,390 --> 01:13:40,080

a lot of really weird stuff in relation

1917

01:13:44,709 --> 01:13:42,400

to bigfoot and you know for certain

1918

01:13:47,590 --> 01:13:44,719

researchers to ignore those reports

1919

01:13:48,630 --> 01:13:47,600

because they don't fit in well with

1920

01:13:51,110 --> 01:13:48,640

their

1921

01:13:53,189 --> 01:13:51,120

theories they're they're basically self

1922

01:13:56,390 --> 01:13:53,199

censoring themselves you know instead of

1923

01:13:57,910 --> 01:13:56,400

being completely open minded

1924

01:14:00,390 --> 01:13:57,920

someone on the message board wanted to

1925

01:14:01,830 --> 01:14:00,400

know what you thought about lloyd pie's

1926

01:14:05,270 --> 01:14:01,840

theory on the connection between

1927

01:14:06,630 --> 01:14:05,280

neanderthal and sasquatch

1928

01:14:08,709 --> 01:14:06,640

are you familiar with

1929

01:14:10,149 --> 01:14:08,719

his theory on that

1930

01:14:11,990 --> 01:14:10,159

well

1931

01:14:15,189 --> 01:14:12,000

i mean it's an interesting theory but

1932

01:14:18,149 --> 01:14:15,199

the the the one problem i have with it

1933

01:14:20,870 --> 01:14:18,159

is that you know neanderthal man was a

1934

01:14:23,350 --> 01:14:20,880

was a type of man you know they they

1935

01:14:27,110 --> 01:14:23,360

looked obviously you know significantly

1936

01:14:28,709 --> 01:14:27,120

different to us um but they looked like

1937

01:14:31,750 --> 01:14:28,719

a primitive human

1938

01:14:33,830 --> 01:14:31,760

whereas bigfoot is almost

1939

01:14:34,709 --> 01:14:33,840

exclusively described as looking far

1940

01:14:37,510 --> 01:14:34,719

more

1941

01:14:39,910 --> 01:14:37,520

ape-like you know and so

1942

01:14:42,149 --> 01:14:39,920

unless an argument could be made that

1943

01:14:44,630 --> 01:14:42,159

over you know thousands of thousands of

1944

01:14:46,070 --> 01:14:44,640

years if they'd survived extinction

1945

01:14:48,070 --> 01:14:46,080

they um

1946

01:14:50,149 --> 01:14:48,080

you know they might have evolved more

1947

01:14:52,390 --> 01:14:50,159

i'm not sure that's a valid case you

1948

01:14:54,070 --> 01:14:52,400

know in saying that you know you look at

1949

01:14:55,590 --> 01:14:54,080

bigfoot in the united states it does

1950

01:14:56,390 --> 01:14:55,600

look more ape-like

1951

01:15:03,270 --> 01:14:56,400

now

1952

01:15:04,630 --> 01:15:03,280

far reaches of russia um the ukraine

1953

01:15:06,630 --> 01:15:04,640

siberia

1954

01:15:08,149 --> 01:15:06,640

you do get a lot of reports of the

1955

01:15:12,070 --> 01:15:08,159

russian equivalent which is known as the

1956

01:15:14,630 --> 01:15:12,080

al-masti now at least a fair

1957

01:15:16,550 --> 01:15:14,640

significant number of those reports

1958

01:15:18,950 --> 01:15:16,560

do seem to involve creatures that are

1959

01:15:19,830 --> 01:15:18,960

more like a primitive human

1960

01:15:22,070 --> 01:15:19,840

um

1961

01:15:24,950 --> 01:15:22,080

but they're very often distinctly

1962

01:15:27,510 --> 01:15:24,960

different to the american bigfoot now in

1963

01:15:29,430 --> 01:15:27,520

china they have the yeren which is even

1964

01:15:33,270 --> 01:15:29,440

more ape-like

1965

01:15:36,550 --> 01:15:33,280

so i don't personally think bigfoot

1966

01:15:38,390 --> 01:15:36,560

and neanderthals are one of the same but

1967

01:15:40,870 --> 01:15:38,400

i don't think it's out of the question

1968

01:15:42,390 --> 01:15:40,880

that some of these more primitive

1969

01:15:45,030 --> 01:15:42,400

human-looking ones in the world of

1970

01:15:47,189 --> 01:15:45,040

russia they could actually be

1971

01:15:49,830 --> 01:15:47,199

relic populations of neanderthals or

1972

01:15:51,990 --> 01:15:49,840

crow magnets um

1973

01:15:53,910 --> 01:15:52,000

so you know there could actually be more

1974

01:15:55,910 --> 01:15:53,920

than one answer to whatever these sort

1975

01:15:58,070 --> 01:15:55,920

of hairy humanoid creatures are it

1976

01:15:59,910 --> 01:15:58,080

doesn't necessarily all have to be

1977

01:16:01,590 --> 01:15:59,920

bigfoot winking out of existence some

1978

01:16:04,390 --> 01:16:01,600

could actually be just

1979

01:16:06,870 --> 01:16:04,400

pockets of primitive humans that against

1980

01:16:10,790 --> 01:16:06,880

all the odds have survived you know

1981

01:16:13,189 --> 01:16:10,800

wow yeah interesting back to uh ufos um

1982

01:16:14,390 --> 01:16:13,199

another question in the forum here

1983

01:16:16,550 --> 01:16:14,400

someone want to know have you come

1984

01:16:17,669 --> 01:16:16,560

across any ufo cases that seem to have

1985

01:16:21,030 --> 01:16:17,679

the ability

1986

01:16:23,030 --> 01:16:21,040

to temporarily camouflage themselves

1987

01:16:24,870 --> 01:16:23,040

as to look more like the conventional

1988

01:16:27,270 --> 01:16:24,880

aircraft

1989

01:16:29,350 --> 01:16:27,280

i haven't heard that myself

1990

01:16:32,709 --> 01:16:29,360

well i haven't heard it with aircraft

1991

01:16:34,550 --> 01:16:32,719

but i actually have um

1992

01:16:37,590 --> 01:16:34,560

well quite a few reports and i think

1993

01:16:41,030 --> 01:16:37,600

there's a couple in the 365 days where

1994

01:16:42,790 --> 01:16:41,040

people have seen ufos transform into

1995

01:16:44,790 --> 01:16:42,800

what we call like black helicopters and

1996

01:16:47,669 --> 01:16:44,800

also vice versa the black helicopters

1997

01:16:49,350 --> 01:16:47,679

have transformed into ufos now

1998

01:16:51,350 --> 01:16:49,360

you know if you look up ufos and black

1999

01:16:52,310 --> 01:16:51,360

helicopters you'll find a ton of stories

2000

01:16:54,709 --> 01:16:52,320

where

2001
01:16:58,149 --> 01:16:54,719
these black helicopters and unmarked

2002
01:17:00,709 --> 01:16:58,159
helicopters often turn up in abduction

2003
01:17:02,550 --> 01:17:00,719
cases you know someone's abducted and

2004
01:17:05,110 --> 01:17:02,560
then the next night there's this black

2005
01:17:07,990 --> 01:17:05,120
helicopter hovering over the home and

2006
01:17:09,750 --> 01:17:08,000
people assume it's some sort of covert

2007
01:17:11,430 --> 01:17:09,760
arm of the military that monitors

2008
01:17:13,030 --> 01:17:11,440
abductees you know and they're the

2009
01:17:14,070 --> 01:17:13,040
monitoring this person and another

2010
01:17:16,310 --> 01:17:14,080
person

2011
01:17:18,310 --> 01:17:16,320
and they also turn up in cattle

2012
01:17:20,950 --> 01:17:18,320
mutilations where people have

2013
01:17:22,550 --> 01:17:20,960

seen animals mutilated and then

2014

01:17:24,709 --> 01:17:22,560

um

2015

01:17:27,189 --> 01:17:24,719

a helicopter's flying over but in a lot

2016

01:17:28,790 --> 01:17:27,199

of these cases the one weird factor is

2017

01:17:31,510 --> 01:17:28,800

that the helicopters

2018

01:17:33,910 --> 01:17:31,520

are flying completely silently

2019

01:17:35,830 --> 01:17:33,920

now there have been for years rumors of

2020

01:17:37,910 --> 01:17:35,840

the military having perfected silent

2021

01:17:40,070 --> 01:17:37,920

helicopters but it hasn't been

2022

01:17:42,470 --> 01:17:40,080

you know fully proved so right maybe

2023

01:17:45,110 --> 01:17:42,480

some fall into that category but there

2024

01:17:48,709 --> 01:17:45,120

are some really weird cases that kind of

2025

01:17:51,430 --> 01:17:48,719

uh fall into what you you call a um just

2026

01:17:54,310 --> 01:17:51,440

mentioned and that's in relation to how

2027

01:17:56,149 --> 01:17:54,320

people have seen these black helicopters

2028

01:17:58,550 --> 01:17:56,159

sort of suddenly shrink into a ball of

2029

01:18:01,510 --> 01:17:58,560

light which shoots off at high speed

2030

01:18:03,910 --> 01:18:01,520

or the ball of light hovers in the sky

2031

01:18:06,550 --> 01:18:03,920

and then suddenly it's replaced by a

2032

01:18:09,030 --> 01:18:06,560

black helicopter which has given rise to

2033

01:18:11,110 --> 01:18:09,040

the theory in some quarters that these

2034

01:18:13,030 --> 01:18:11,120

craft are either

2035

01:18:14,950 --> 01:18:13,040

literally physically

2036

01:18:17,510 --> 01:18:14,960

camouflaging the excuse me literally

2037

01:18:19,030 --> 01:18:17,520

physically transforming themselves or

2038

01:18:21,350 --> 01:18:19,040

more likely

2039

01:18:22,630 --> 01:18:21,360

that they are sort of projecting like a

2040

01:18:24,149 --> 01:18:22,640

holographic

2041

01:18:26,950 --> 01:18:24,159

image

2042

01:18:29,430 --> 01:18:26,960

um sort of over the top of the the

2043

01:18:31,270 --> 01:18:29,440

railcraft you know so we just see like

2044

01:18:33,990 --> 01:18:31,280

almost like the projection

2045

01:18:36,310 --> 01:18:34,000

behind which is the the real craft

2046

01:18:38,149 --> 01:18:36,320

so that that's about the closest i can

2047

01:18:40,390 --> 01:18:38,159

think of um

2048

01:18:42,790 --> 01:18:40,400

where you've got this sort of situation

2049

01:18:45,750 --> 01:18:42,800

of either they're literally changing

2050

01:18:47,669 --> 01:18:45,760

shape or they're projecting something

2051
01:18:49,030 --> 01:18:47,679
in front of the craft to make you think

2052
01:18:51,510 --> 01:18:49,040
you're seeing something that you're

2053
01:18:54,790 --> 01:18:51,520
actually not wow yeah i know they're

2054
01:18:57,510 --> 01:18:54,800
they're working on a technology of uh of

2055
01:18:59,030 --> 01:18:57,520
uh helicopter rotors that are like sound

2056
01:19:01,189 --> 01:18:59,040
cancelling

2057
01:19:04,229 --> 01:19:01,199
and um i think we will see that if it's

2058
01:19:05,830 --> 01:19:04,239
not out already but it's hard to know um

2059
01:19:07,350 --> 01:19:05,840
a lot of times we just don't know what's

2060
01:19:08,790 --> 01:19:07,360
out there

2061
01:19:10,550 --> 01:19:08,800
well the thing is you know if you look

2062
01:19:12,310 --> 01:19:10,560
back at the the stealth bomber and the

2063
01:19:14,870 --> 01:19:12,320

stealth fighter when they were unveiled

2064

01:19:16,470 --> 01:19:14,880

in the late eighties we know now that

2065

01:19:19,110 --> 01:19:16,480

the prototypes of the flight of the

2066

01:19:21,270 --> 01:19:19,120

stealth eyes were flying in 75

2067

01:19:24,229 --> 01:19:21,280

like 13 years before it was rolled out

2068

01:19:26,950 --> 01:19:24,239

of the hangar so it wouldn't surprise me

2069

01:19:28,870 --> 01:19:26,960

if there were silent helicopters now

2070

01:19:32,149 --> 01:19:28,880

which we might not be told about till

2071

01:19:33,990 --> 01:19:32,159

like i don't know 20 30 or something um

2072

01:19:36,470 --> 01:19:34,000

that happens a lot you know if things

2073

01:19:38,950 --> 01:19:36,480

are kept on the secret list because you

2074

01:19:41,830 --> 01:19:38,960

know you don't want your your enemy um

2075

01:19:44,229 --> 01:19:41,840

to find out what you've got so until you

2076

01:19:45,990 --> 01:19:44,239

actually need it in a warfare situation

2077

01:19:47,430 --> 01:19:46,000

you keep it under wraps or you fly it

2078

01:19:49,350 --> 01:19:47,440

around and see

2079

01:19:51,750 --> 01:19:49,360

you know how it how it works and whether

2080

01:19:53,669 --> 01:19:51,760

people see it or pick up on it or

2081

01:19:57,189 --> 01:19:53,679

hopefully from their perspective you

2082

01:19:59,750 --> 01:19:58,390

now

2083

01:20:01,510 --> 01:19:59,760

this uh

2084

01:20:04,149 --> 01:20:01,520

this question here it says does your

2085

01:20:05,830 --> 01:20:04,159

book mention the battle of los angeles

2086

01:20:08,390 --> 01:20:05,840

and what can you tell us about that

2087

01:20:11,030 --> 01:20:08,400

event but i also want to say that uh

2088

01:20:12,470 --> 01:20:11,040

uh i know david marlar is working on

2089

01:20:15,030 --> 01:20:12,480

that the same one

2090

01:20:15,750 --> 01:20:15,040

uh that worked on the triangles

2091

01:20:18,629 --> 01:20:15,760

so

2092

01:20:19,750 --> 01:20:18,639

he's going to do a presentation on that

2093

01:20:23,350 --> 01:20:19,760

oh cool

2094

01:20:25,590 --> 01:20:23,360

well um yeah i actually do have the um

2095

01:20:27,990 --> 01:20:25,600

the battle of los angeles in the book

2096

01:20:30,390 --> 01:20:28,000

now for people who aren't aware of it

2097

01:20:34,470 --> 01:20:30,400

you know when the second world war broke

2098

01:20:36,229 --> 01:20:34,480

out in 1939 um you know the the war was

2099

01:20:39,270 --> 01:20:36,239

going on in europe and then when pearl

2100

01:20:42,310 --> 01:20:39,280

harbor got attacked in december 41 uh

2101
01:20:43,990 --> 01:20:42,320
america entered the war now of course

2102
01:20:45,990 --> 01:20:44,000
like everywhere you know there was a

2103
01:20:48,149 --> 01:20:46,000
great deal of concern about the war and

2104
01:20:51,270 --> 01:20:48,159
what was going to happen and um you know

2105
01:20:53,430 --> 01:20:51,280
a lot of war nerves as well and um you

2106
01:20:55,510 --> 01:20:53,440
know people looking to the skies and so

2107
01:20:59,030 --> 01:20:55,520
on um and what's particularly

2108
01:21:02,790 --> 01:20:59,040
interesting is that in uh december 1941

2109
01:21:05,830 --> 01:21:02,800
you had this strange um situation

2110
01:21:08,709 --> 01:21:05,840
where unknown objects were seen flying

2111
01:21:10,950 --> 01:21:08,719
across the skies of los angeles and um

2112
01:21:12,790 --> 01:21:10,960
nobody knew what they were

2113
01:21:14,550 --> 01:21:12,800

you know the first thought was that the

2114

01:21:17,910 --> 01:21:14,560

worst case scenario

2115

01:21:20,149 --> 01:21:17,920

was that um you know it was the japanese

2116

01:21:21,990 --> 01:21:20,159

but that was pretty much if not

2117

01:21:23,510 --> 01:21:22,000

completely ruled out by the fact that

2118

01:21:26,149 --> 01:21:23,520

there was no sort of

2119

01:21:29,030 --> 01:21:26,159

attempt if you like to um

2120

01:21:31,189 --> 01:21:29,040

to drop bombs or to attack the city or

2121

01:21:33,910 --> 01:21:31,199

anything like that at all you know it

2122

01:21:35,750 --> 01:21:33,920

was it really was just a situation where

2123

01:21:37,910 --> 01:21:35,760

um

2124

01:21:39,830 --> 01:21:37,920

you know the the the lights were seen

2125

01:21:40,830 --> 01:21:39,840

these objects were seen they were lit up

2126

01:21:42,550 --> 01:21:40,840

by

2127

01:21:44,470 --> 01:21:42,560

floodlights um

2128

01:21:46,310 --> 01:21:44,480

their attempts to shoot them down you

2129

01:21:48,790 --> 01:21:46,320

know with um

2130

01:21:50,870 --> 01:21:48,800

ground to surface um

2131

01:21:53,350 --> 01:21:50,880

cannons that kind of thing and none of

2132

01:21:56,229 --> 01:21:53,360

it worked now i talk about in the book

2133

01:21:57,910 --> 01:21:56,239

for example uh how a number of files

2134

01:22:00,229 --> 01:21:57,920

have now been declassified through the

2135

01:22:01,910 --> 01:22:00,239

terms of the freedom information act but

2136

01:22:05,350 --> 01:22:01,920

actually talk about

2137

01:22:06,950 --> 01:22:05,360

um these particular experiences and how

2138

01:22:09,669 --> 01:22:06,960

uh for example

2139

01:22:11,750 --> 01:22:09,679

um the military was chronicling all this

2140

01:22:13,510 --> 01:22:11,760

and the you know the the files and the

2141

01:22:15,750 --> 01:22:13,520

data was going to the white house and

2142

01:22:16,550 --> 01:22:15,760

military intelligence trying to figure

2143

01:22:19,430 --> 01:22:16,560

out

2144

01:22:21,669 --> 01:22:19,440

what on earth was going on and

2145

01:22:23,350 --> 01:22:21,679

nobody really could solve it it was it

2146

01:22:26,149 --> 01:22:23,360

was just one of these mysteries that

2147

01:22:27,590 --> 01:22:26,159

like a lot of ufo cases sort of came and

2148

01:22:29,510 --> 01:22:27,600

went really

2149

01:22:33,110 --> 01:22:29,520

right right um

2150

01:22:36,790 --> 01:22:34,390

have you

2151
01:22:39,430 --> 01:22:36,800
ever come across any stories where

2152
01:22:41,110 --> 01:22:39,440
people are talking about they've uh

2153
01:22:45,110 --> 01:22:41,120
claimed to have seen

2154
01:22:49,189 --> 01:22:46,629
that's another oh yeah i mean there's a

2155
01:22:51,189 --> 01:22:49,199
lot of reports like this um

2156
01:22:53,590 --> 01:22:51,199
you know you can find them pretty much

2157
01:22:55,750 --> 01:22:53,600
all over the world um not just in the

2158
01:22:58,629 --> 01:22:55,760
united states but certainly you know the

2159
01:23:00,870 --> 01:22:58,639
more credible ones uh have surfaced from

2160
01:23:03,350 --> 01:23:00,880
the u.s and particularly from places

2161
01:23:05,430 --> 01:23:03,360
like wright-patterson air force base in

2162
01:23:09,030 --> 01:23:05,440
dayton ohio which has been for many

2163
01:23:11,350 --> 01:23:09,040

years was involved in the ufo phenomenon

2164

01:23:12,950 --> 01:23:11,360

from the perspective of looking at

2165

01:23:15,270 --> 01:23:12,960

things um

2166

01:23:18,229 --> 01:23:15,280

you know for ufos in the sky things like

2167

01:23:19,990 --> 01:23:18,239

that you have project blue book um

2168

01:23:22,229 --> 01:23:20,000

based there even though blue book was a

2169

01:23:24,390 --> 01:23:22,239

relatively sort of low level data

2170

01:23:27,510 --> 01:23:24,400

collection operation

2171

01:23:29,590 --> 01:23:27,520

however um there have long been rumors

2172

01:23:31,350 --> 01:23:29,600

that at wright patterson there are these

2173

01:23:32,950 --> 01:23:31,360

sort of underground bunker type

2174

01:23:34,390 --> 01:23:32,960

situations that i sort of you know

2175

01:23:35,350 --> 01:23:34,400

mentioned before

2176
01:23:38,390 --> 01:23:35,360
and

2177
01:23:40,709 --> 01:23:38,400
um places where military personnel have

2178
01:23:41,910 --> 01:23:40,719
allegedly seen alien bodies sort of

2179
01:23:44,470 --> 01:23:41,920
stored in

2180
01:23:47,590 --> 01:23:44,480
either sort of cryogenic chambers you

2181
01:23:50,149 --> 01:23:47,600
know you know like a frozen form or

2182
01:23:51,110 --> 01:23:50,159
almost like pickled in huge tanks of

2183
01:23:53,830 --> 01:23:51,120
liquid

2184
01:23:56,390 --> 01:23:53,840
um and they're typically described as

2185
01:23:59,030 --> 01:23:56,400
you know as a sort of classic grey alien

2186
01:24:00,550 --> 01:23:59,040
sort of small bodies and large heads and

2187
01:24:02,470 --> 01:24:00,560
in some cases

2188
01:24:04,149 --> 01:24:02,480

they're in perfect condition in other

2189

01:24:06,390 --> 01:24:04,159

cases the witnesses said they were sort

2190

01:24:08,629 --> 01:24:06,400

of pulverized as if they'd been you know

2191

01:24:11,030 --> 01:24:08,639

in a you know huge accidents or

2192

01:24:13,350 --> 01:24:11,040

something like that other cases people

2193

01:24:14,310 --> 01:24:13,360

claim to have seen like body parts

2194

01:24:16,470 --> 01:24:14,320

you know

2195

01:24:19,189 --> 01:24:16,480

rather than a complete body

2196

01:24:21,350 --> 01:24:19,199

so in that sense um

2197

01:24:23,110 --> 01:24:21,360

you know we're sort of looking at

2198

01:24:25,270 --> 01:24:23,120

stories that actually when you put them

2199

01:24:26,950 --> 01:24:25,280

all together have a lot of similarities

2200

01:24:29,590 --> 01:24:26,960

which is an important point when it

2201
01:24:31,189 --> 01:24:29,600
comes comes to validating these cases

2202
01:24:34,390 --> 01:24:31,199
you know it actually

2203
01:24:37,350 --> 01:24:34,400
presents things um from the perspective

2204
01:24:39,669 --> 01:24:37,360
of um hey you know this person said this

2205
01:24:41,669 --> 01:24:39,679
that person said that they both worked

2206
01:24:43,189 --> 01:24:41,679
at the same base right patterson in the

2207
01:24:45,110 --> 01:24:43,199
same time frame

2208
01:24:47,510 --> 01:24:45,120
this is sort of an intriguing little

2209
01:24:49,350 --> 01:24:47,520
link up so um yeah i've got i think i've

2210
01:24:53,270 --> 01:24:49,360
got sort of five or six cases in the

2211
01:24:56,070 --> 01:24:53,280
book altogether of people who were um

2212
01:24:58,310 --> 01:24:56,080
sort of on duty or they were guards

2213
01:25:00,310 --> 01:24:58,320

um you know at certain places and they

2214

01:25:02,629 --> 01:25:00,320

had the opportunity to at least take a

2215

01:25:05,189 --> 01:25:02,639

glimpse of something and there's one

2216

01:25:07,510 --> 01:25:05,199

interesting case in the book where

2217

01:25:08,790 --> 01:25:07,520

the one of the military guys was exposed

2218

01:25:11,110 --> 01:25:08,800

to these

2219

01:25:13,590 --> 01:25:11,120

bodies in these tanks for no real reason

2220

01:25:16,070 --> 01:25:13,600

at all we couldn't fathom it out unless

2221

01:25:19,830 --> 01:25:16,080

as he suspected it was either a test of

2222

01:25:21,430 --> 01:25:19,840

his loyalty if he stayed quiet or maybe

2223

01:25:23,830 --> 01:25:21,440

somebody on the inside was hoping he

2224

01:25:25,350 --> 01:25:23,840

would get the story out to see what the

2225

01:25:27,669 --> 01:25:25,360

you know the public

2226

01:25:31,110 --> 01:25:27,679

reaction was in relation to all this you

2227

01:25:34,149 --> 01:25:31,120

know um would people panic um

2228

01:25:35,510 --> 01:25:34,159

you know would they um

2229

01:25:37,270 --> 01:25:35,520

you know would they accept it would they

2230

01:25:39,350 --> 01:25:37,280

think it was nonsense and i think that

2231

01:25:41,350 --> 01:25:39,360

does sometimes happen that you know

2232

01:25:42,310 --> 01:25:41,360

store legitimate stories are put out

2233

01:25:43,590 --> 01:25:42,320

there

2234

01:25:47,030 --> 01:25:43,600

just to see

2235

01:25:49,590 --> 01:25:47,040

you know what the the current um

2236

01:25:51,189 --> 01:25:49,600

sort of stance and opinion is of you

2237

01:25:52,790 --> 01:25:51,199

know of the people

2238

01:25:55,590 --> 01:25:52,800

how are they going to

2239

01:25:57,110 --> 01:25:55,600

you know respond to all this and um

2240

01:25:58,790 --> 01:25:57,120

what would they do if we told them you

2241

01:26:00,470 --> 01:25:58,800

know that kind of things

2242

01:26:02,149 --> 01:26:00,480

right right um

2243

01:26:04,470 --> 01:26:02,159

now i've that story you were just

2244

01:26:07,189 --> 01:26:04,480

talking about i read that in your book

2245

01:26:09,350 --> 01:26:07,199

um and it was sort of like men and black

2246

01:26:11,270 --> 01:26:09,360

type people that were escorting this guy

2247

01:26:12,550 --> 01:26:11,280

and then made him sign all kinds of

2248

01:26:14,790 --> 01:26:12,560

documents

2249

01:26:16,470 --> 01:26:14,800

uh well that's our story another weird

2250

01:26:18,790 --> 01:26:16,480

part of the story now whether it was

2251
01:26:20,950 --> 01:26:18,800
done for show or they were you know some

2252
01:26:22,950 --> 01:26:20,960
of the really genuinely weird

2253
01:26:26,229 --> 01:26:22,960
um man in black it's

2254
01:26:27,590 --> 01:26:26,239
difficult to say but this particular um

2255
01:26:30,070 --> 01:26:27,600
case you're talking about yeah the

2256
01:26:33,430 --> 01:26:30,080
witness was taken down to this sort of

2257
01:26:36,149 --> 01:26:33,440
bunker-like area to see these um

2258
01:26:38,550 --> 01:26:36,159
preserved aliens but they weren't taken

2259
01:26:41,189 --> 01:26:38,560
down by what you would call regular sort

2260
01:26:43,350 --> 01:26:41,199
of military personnel or mps or anything

2261
01:26:45,270 --> 01:26:43,360
like that they were these sort of creepy

2262
01:26:49,110 --> 01:26:45,280
looking um

2263
01:26:50,870 --> 01:26:49,120

pale faced guys in black suits and

2264

01:26:52,870 --> 01:26:50,880

you know they they were just sort of

2265

01:26:54,790 --> 01:26:52,880

really weird looking like straight out

2266

01:26:56,629 --> 01:26:54,800

the men in black who were saving point

2267

01:26:58,310 --> 01:26:56,639

pleasant west virginia when the mothman

2268

01:27:01,030 --> 01:26:58,320

cited the heights

2269

01:27:02,790 --> 01:27:01,040

in the 60s and um

2270

01:27:04,790 --> 01:27:02,800

you know when it comes to something like

2271

01:27:08,709 --> 01:27:04,800

that as i said either it was stage

2272

01:27:10,310 --> 01:27:08,719

managed you know to sort of um

2273

01:27:12,550 --> 01:27:10,320

to sort of convince the witness that

2274

01:27:13,669 --> 01:27:12,560

there was more to it or you know it

2275

01:27:15,750 --> 01:27:13,679

really was

2276

01:27:18,070 --> 01:27:15,760

all the government is working with

2277

01:27:20,070 --> 01:27:18,080

whatever these stranger men in black are

2278

01:27:21,669 --> 01:27:20,080

or maybe a bit of both who knows but i

2279

01:27:23,510 --> 01:27:21,679

definitely think in that case there was

2280

01:27:26,149 --> 01:27:23,520

some sort of um

2281

01:27:29,189 --> 01:27:26,159

like a mind manipulation or like a

2282

01:27:30,830 --> 01:27:29,199

psychological testing of the guy to see

2283

01:27:34,709 --> 01:27:30,840

what his reaction at least was going to

2284

01:27:36,709 --> 01:27:34,719

be um let's see now uh some people in

2285

01:27:39,270 --> 01:27:36,719

the chat room over eventually just to

2286

01:27:40,790 --> 01:27:39,280

let you know on our home page i've been

2287

01:27:42,390 --> 01:27:40,800

running a chat room but eventually i'm

2288

01:27:44,390 --> 01:27:42,400

going to try to migrate everyone over to

2289

01:27:46,390 --> 01:27:44,400

youtube and i got to figure out how that

2290

01:27:49,270 --> 01:27:46,400

how to work that just to

2291

01:27:51,189 --> 01:27:49,280

that's just a question that came up

2292

01:27:54,149 --> 01:27:51,199

online here now

2293

01:27:56,229 --> 01:27:54,159

uh in the forum another question was

2294

01:28:00,390 --> 01:27:56,239

have you ever done any research

2295

01:28:02,709 --> 01:28:00,400

on val thor valiant thor

2296

01:28:05,350 --> 01:28:02,719

i actually have um just one quick thing

2297

01:28:08,070 --> 01:28:05,360

before i get to that i made a mistake in

2298

01:28:10,790 --> 01:28:08,080

when i was just talking about the the um

2299

01:28:12,310 --> 01:28:10,800

the los angeles ones the uh i sure what

2300

01:28:14,390 --> 01:28:12,320

i meant to say was that you know we had

2301

01:28:17,350 --> 01:28:14,400

pearl harbor in december 41

2302

01:28:19,510 --> 01:28:17,360

but the the sightings over los angeles

2303

01:28:21,990 --> 01:28:19,520

were actually february 42. it was just a

2304

01:28:26,390 --> 01:28:22,000

couple of months later but that the war

2305

01:28:30,310 --> 01:28:28,070

but i just wanted to to correct that

2306

01:28:31,750 --> 01:28:30,320

thing sure but um yeah it was about

2307

01:28:33,750 --> 01:28:31,760

thought um

2308

01:28:35,510 --> 01:28:33,760

funnily enough i've got a another book

2309

01:28:37,189 --> 01:28:35,520

uh that came out towards the end of last

2310

01:28:40,709 --> 01:28:37,199

year immortality of the gods which

2311

01:28:43,189 --> 01:28:40,719

actually has a a chapter in there um

2312

01:28:46,870 --> 01:28:43,199

where a woman actually claimed to have

2313

01:28:49,510 --> 01:28:46,880

met and chatted with uh val thor

2314

01:28:51,830 --> 01:28:49,520

in the 2000s now for people who aren't

2315

01:28:53,750 --> 01:28:51,840

aware of the story it came from a man

2316

01:28:56,870 --> 01:28:53,760

named frank strange's

2317

01:28:58,550 --> 01:28:56,880

um who back in the daughter of the 1960s

2318

01:29:00,470 --> 01:28:58,560

wrote a book called strangers at the

2319

01:29:03,030 --> 01:29:00,480

pentagon or stranger at the pentagon

2320

01:29:05,510 --> 01:29:03,040

excuse me and he told the story of this

2321

01:29:08,709 --> 01:29:05,520

man whose name or alien whose name was

2322

01:29:10,870 --> 01:29:08,719

supposedly valium thor who looked just

2323

01:29:12,790 --> 01:29:10,880

like a regular person

2324

01:29:14,950 --> 01:29:12,800

and the story was that he sort of

2325

01:29:16,390 --> 01:29:14,960

infiltrated the higher levels of the

2326

01:29:17,990 --> 01:29:16,400

pentagon

2327

01:29:19,590 --> 01:29:18,000

not infiltrated from a sinister

2328

01:29:21,990 --> 01:29:19,600

perspective but more from the

2329

01:29:25,270 --> 01:29:22,000

perspective of trying to

2330

01:29:28,629 --> 01:29:25,280

get us to sort of curb our warlike ways

2331

01:29:33,030 --> 01:29:28,639

and um and sort of mold us and from the

2332

01:29:35,270 --> 01:29:33,040

inside so to speak and um reportedly

2333

01:29:37,590 --> 01:29:35,280

valiant thor was not the only one like

2334

01:29:40,870 --> 01:29:37,600

this that there were supposedly

2335

01:29:43,510 --> 01:29:40,880

untold number of um

2336

01:29:45,270 --> 01:29:43,520

very human looking aliens um on the

2337

01:29:46,229 --> 01:29:45,280

planet and specifically throughout the

2338

01:29:48,310 --> 01:29:46,239

us

2339

01:29:50,310 --> 01:29:48,320

in this sort of immediate period after

2340

01:29:51,750 --> 01:29:50,320

the end of the war and when the cold war

2341

01:29:53,030 --> 01:29:51,760

started now

2342

01:29:54,550 --> 01:29:53,040

as i mentioned earlier i'm very

2343

01:29:57,510 --> 01:29:54,560

interested in the whole

2344

01:30:00,709 --> 01:29:57,520

contact team movement and certainly this

2345

01:30:03,189 --> 01:30:00,719

was um that period when numerous people

2346

01:30:04,470 --> 01:30:03,199

were claiming to see um human-like

2347

01:30:06,149 --> 01:30:04,480

aliens and

2348

01:30:09,110 --> 01:30:06,159

a lot of these reports were taken very

2349

01:30:11,590 --> 01:30:09,120

seriously by the authorities for example

2350

01:30:14,390 --> 01:30:11,600

the fbi has declassified its files on

2351

01:30:17,430 --> 01:30:14,400

people like georgia damski george van

2352

01:30:19,669 --> 01:30:17,440

tassel truman bathroom uh george hunt

2353

01:30:20,870 --> 01:30:19,679

williamson who are all contactees who

2354

01:30:22,790 --> 01:30:20,880

claimed

2355

01:30:24,950 --> 01:30:22,800

contact with with human-looking aliens

2356

01:30:27,270 --> 01:30:24,960

but the story of valiant thor

2357

01:30:29,990 --> 01:30:27,280

as i said told in the book stranger at

2358

01:30:31,430 --> 01:30:30,000

the pentagon um sort of really digs deep

2359

01:30:36,149 --> 01:30:31,440

into how

2360

01:30:38,790 --> 01:30:36,159

strange is supposedly met um thor and um

2361

01:30:40,709 --> 01:30:38,800

sort of told was told of his agenda on

2362

01:30:43,030 --> 01:30:40,719

the planet and um

2363

01:30:45,430 --> 01:30:43,040

and the agenda of his people and so on

2364

01:30:48,790 --> 01:30:45,440

and uh and admittedly it does kind of

2365

01:30:51,750 --> 01:30:48,800

sound like you know sort of 1950s era

2366

01:30:53,910 --> 01:30:51,760

hollywood sci-fi movie type situations

2367

01:30:56,070 --> 01:30:53,920

not unlike the the day the earth stood

2368

01:30:58,070 --> 01:30:56,080

still and interestingly enough a number

2369

01:31:01,350 --> 01:30:58,080

of researchers have suggested

2370

01:31:03,910 --> 01:31:01,360

that the day the earth stood still movie

2371

01:31:06,790 --> 01:31:03,920

may actually have been sort of a test

2372

01:31:09,910 --> 01:31:06,800

um of public opinion that perhaps the

2373

01:31:11,830 --> 01:31:09,920

military offered some sort of influence

2374

01:31:14,390 --> 01:31:11,840

or you know a little bit of push and

2375

01:31:15,510 --> 01:31:14,400

shove to get the movie made

2376

01:31:17,990 --> 01:31:15,520

um

2377

01:31:20,629 --> 01:31:18,000

so the the story of valiant thor as i

2378

01:31:23,910 --> 01:31:20,639

said is it goes back to the 50s and then

2379

01:31:25,990 --> 01:31:23,920

the book was published in the 60s and um

2380

01:31:28,310 --> 01:31:26,000

there's a couple of new books out i

2381

01:31:31,350 --> 01:31:28,320

noticed actually the other day on amazon

2382

01:31:33,510 --> 01:31:31,360

about uh valiant thought and i said in

2383

01:31:35,510 --> 01:31:33,520

my immortality the gods book which came

2384

01:31:37,510 --> 01:31:35,520

out towards the end of last year i got

2385

01:31:39,030 --> 01:31:37,520

an entire chapter in there on as i said

2386

01:31:41,510 --> 01:31:39,040

this woman who

2387

01:31:44,149 --> 01:31:41,520

claimed to have met him just a few years

2388

01:31:45,910 --> 01:31:44,159

ago and also claim that he didn't seem

2389

01:31:47,750 --> 01:31:45,920

to have aged there's a there's like a

2390

01:31:49,910 --> 01:31:47,760

famous photograph you can find of him

2391

01:31:51,750 --> 01:31:49,920

online and wearing like a black suit and

2392

01:31:54,790 --> 01:31:51,760

sort of slick black hair

2393

01:31:57,430 --> 01:31:54,800

um and she said apart from the hair

2394

01:31:59,270 --> 01:31:57,440

style and the clothing which was both

2395

01:32:01,910 --> 01:31:59,280

different obviously you know sort of 60

2396

01:32:04,149 --> 01:32:01,920

years later he appeared not to have aged

2397

01:32:07,750 --> 01:32:04,159

um you know which in itself is sort of a

2398

01:32:10,070 --> 01:32:07,760

an interesting thing wow yeah now

2399

01:32:12,550 --> 01:32:10,080

you know forgive me if uh you have

2400

01:32:14,709 --> 01:32:12,560

already written a book on contactees but

2401
01:32:17,510 --> 01:32:14,719
is that something that you're thinking

2402
01:32:19,430 --> 01:32:17,520
about doing if you haven't done it yet

2403
01:32:20,870 --> 01:32:19,440
um well actually i did do a book on the

2404
01:32:24,390 --> 01:32:20,880
subject in

2405
01:32:28,870 --> 01:32:24,400
2009 which had the uh amazingly original

2406
01:32:33,189 --> 01:32:30,790
and so i i can't i actually talk about

2407
01:32:36,310 --> 01:32:33,199
that case in the book and um the book's

2408
01:32:38,790 --> 01:32:36,320
sort of a study of the entire

2409
01:32:40,629 --> 01:32:38,800
context phenomenon from the witness

2410
01:32:43,669 --> 01:32:40,639
reports to how

2411
01:32:45,830 --> 01:32:43,679
he had these cases had an impact on not

2412
01:32:48,390 --> 01:32:45,840
just ufology but the public and

2413
01:32:50,550 --> 01:32:48,400

hollywood and even the military and you

2414

01:32:52,790 --> 01:32:50,560

know the governments who got caught up

2415

01:32:54,390 --> 01:32:52,800

in this as well um

2416

01:32:56,310 --> 01:32:54,400

and also how

2417

01:32:58,709 --> 01:32:56,320

you know this sort of

2418

01:33:00,390 --> 01:32:58,719

almost like a pre hippie culture was

2419

01:33:02,629 --> 01:33:00,400

created where a lot of the

2420

01:33:05,030 --> 01:33:02,639

contactees suddenly became what you

2421

01:33:07,110 --> 01:33:05,040

would call sort of like gurus you know

2422

01:33:09,510 --> 01:33:07,120

and they had huge followings and people

2423

01:33:11,590 --> 01:33:09,520

are influenced by them so it's much as

2424

01:33:15,030 --> 01:33:11,600

much as sort of a study of the

2425

01:33:17,990 --> 01:33:15,040

phenomenon as it is a study of it from a

2426

01:33:20,229 --> 01:33:18,000

like a sociological perspective as well

2427

01:33:23,110 --> 01:33:20,239

um and also looking at the government

2428

01:33:25,270 --> 01:33:23,120

files on the contact tees i mean that's

2429

01:33:28,070 --> 01:33:25,280

one of the ironic things that i like

2430

01:33:30,950 --> 01:33:28,080

telling those who are skeptical of the

2431

01:33:32,870 --> 01:33:30,960

contact t era is that you know people

2432

01:33:34,790 --> 01:33:32,880

are always saying oh and if the

2433

01:33:37,030 --> 01:33:34,800

government's watching me and if there's

2434

01:33:39,030 --> 01:33:37,040

a file on me you know that kind of thing

2435

01:33:41,030 --> 01:33:39,040

i have so many people who you know worry

2436

01:33:43,030 --> 01:33:41,040

there's a file on them and yet they have

2437

01:33:46,070 --> 01:33:43,040

no time for the contact team movement

2438

01:33:47,669 --> 01:33:46,080

and yet ironically the contactees were

2439

01:33:50,709 --> 01:33:47,679

some of the people are the biggest files

2440

01:33:54,390 --> 01:33:50,719

of all um george van tassel

2441

01:33:56,950 --> 01:33:54,400

who had um space brother type encounters

2442

01:33:59,110 --> 01:33:56,960

out at giant rock california and held

2443

01:34:01,750 --> 01:33:59,120

these um huge conferences outdoor

2444

01:34:04,709 --> 01:34:01,760

conferences at giant rock his fbi files

2445

01:34:07,110 --> 01:34:04,719

like about 320 pages long georgia

2446

01:34:09,669 --> 01:34:07,120

damskis is about 120.

2447

01:34:12,470 --> 01:34:09,679

uh georgetown williamson's is about 50.

2448

01:34:15,990 --> 01:34:12,480

you know you go on and on the people who

2449

01:34:18,310 --> 01:34:16,000

a lot of today's um ufology ridicule and

2450

01:34:20,470 --> 01:34:18,320

dismiss with some of the people being

2451

01:34:23,510 --> 01:34:20,480

most closely watched of all

2452

01:34:26,870 --> 01:34:23,520

in the 50s you know so that that's an

2453

01:34:28,709 --> 01:34:26,880

important thing i mean yeah now i had i

2454

01:34:30,070 --> 01:34:28,719

can't remember which contact he but it

2455

01:34:32,790 --> 01:34:30,080

was someone that was

2456

01:34:35,430 --> 01:34:32,800

associated doing a lot of work um in

2457

01:34:37,270 --> 01:34:35,440

europa he was on the show and forget i

2458

01:34:39,350 --> 01:34:37,280

just can't remember who it is

2459

01:34:42,629 --> 01:34:39,360

but some of the claims that these

2460

01:34:45,189 --> 01:34:42,639

contactees were making or were just

2461

01:34:48,070 --> 01:34:45,199

uh actually laughable you know like

2462

01:34:48,950 --> 01:34:48,080

living on uh venus and uh

2463

01:34:51,189 --> 01:34:48,960

uh

2464

01:34:52,950 --> 01:34:51,199

going to jupiter and and and things like

2465

01:34:54,550 --> 01:34:52,960

that um

2466

01:34:56,149 --> 01:34:54,560

did you get right you're absolutely

2467

01:34:58,550 --> 01:34:56,159

right i mean i don't sort of look at

2468

01:35:01,510 --> 01:34:58,560

these uncritically and there is some

2469

01:35:02,390 --> 01:35:01,520

evidence that in a lot of these cases

2470

01:35:04,070 --> 01:35:02,400

that

2471

01:35:06,149 --> 01:35:04,080

the witnesses

2472

01:35:07,830 --> 01:35:06,159

uh who met these long-haired

2473

01:35:09,669 --> 01:35:07,840

human-looking aliens that became known

2474

01:35:12,550 --> 01:35:09,679

as the space brothers that they were

2475

01:35:14,790 --> 01:35:12,560

actually being manipulated in to some

2476
01:35:16,149 --> 01:35:14,800
degree and there's all sorts of theories

2477
01:35:18,229 --> 01:35:16,159
i talk about

2478
01:35:20,709 --> 01:35:18,239
in relation to what this manipulation

2479
01:35:21,669 --> 01:35:20,719
might be now some people believe they're

2480
01:35:23,030 --> 01:35:21,679
actually

2481
01:35:25,350 --> 01:35:23,040
like us

2482
01:35:27,830 --> 01:35:25,360
intelligence agents who were

2483
01:35:30,310 --> 01:35:27,840
fabricating events to try and

2484
01:35:31,350 --> 01:35:30,320
determine how quickly belief systems

2485
01:35:32,470 --> 01:35:31,360
could be

2486
01:35:35,030 --> 01:35:32,480
um

2487
01:35:37,270 --> 01:35:35,040
created and how you know people would

2488
01:35:39,189 --> 01:35:37,280

begin to follow these belief systems you

2489

01:35:41,510 --> 01:35:39,199

know again from a sociological level

2490

01:35:42,950 --> 01:35:41,520

then there was a theory that actually a

2491

01:35:45,350 --> 01:35:42,960

number of people

2492

01:35:49,109 --> 01:35:45,360

in uh military intelligence over here

2493

01:35:51,109 --> 01:35:49,119

felt was that the contactees were being

2494

01:35:52,070 --> 01:35:51,119

sort of manipulated by the soviets

2495

01:35:54,149 --> 01:35:52,080

because

2496

01:35:55,109 --> 01:35:54,159

george adamsky in particular said that

2497

01:35:56,870 --> 01:35:55,119

the

2498

01:35:59,030 --> 01:35:56,880

human-looking aliens he met were

2499

01:36:00,470 --> 01:35:59,040

communists they had a communist type of

2500

01:36:03,109 --> 01:36:00,480

government and that was one of the main

2501

01:36:05,350 --> 01:36:03,119

reasons why the fbi opened a file on

2502

01:36:06,470 --> 01:36:05,360

adamski because he was this guy

2503

01:36:07,830 --> 01:36:06,480

selling

2504

01:36:09,830 --> 01:36:07,840

you know literally these first book

2505

01:36:11,350 --> 01:36:09,840

flying sources of landed sold in six

2506

01:36:13,270 --> 01:36:11,360

figures you know that's how many copies

2507

01:36:15,430 --> 01:36:13,280

it sold um

2508

01:36:16,870 --> 01:36:15,440

and he was talking about the aliens

2509

01:36:19,270 --> 01:36:16,880

being communists so that was one of the

2510

01:36:21,830 --> 01:36:19,280

reasons why he was closely watched and

2511

01:36:25,030 --> 01:36:21,840

there was a theory that well what if

2512

01:36:27,350 --> 01:36:25,040

adamski was actually you know sort of

2513

01:36:29,510 --> 01:36:27,360

being deceived and they really they look

2514

01:36:32,070 --> 01:36:29,520

so human because they were but they were

2515

01:36:34,950 --> 01:36:32,080

sort of you know soviet plants and then

2516

01:36:37,669 --> 01:36:34,960

you had the theory that the aliens

2517

01:36:40,229 --> 01:36:37,679

themselves were deceiving us by giving

2518

01:36:42,790 --> 01:36:40,239

fake names and places where they came

2519

01:36:45,189 --> 01:36:42,800

from as a means to try and

2520

01:36:47,109 --> 01:36:45,199

get to know us and influence us but in a

2521

01:36:49,669 --> 01:36:47,119

way where we would never stand a chance

2522

01:36:52,149 --> 01:36:49,679

to really understand who or what they

2523

01:36:53,350 --> 01:36:52,159

what they were or are and they would do

2524

01:36:55,590 --> 01:36:53,360

that by

2525

01:36:57,830 --> 01:36:55,600

constantly moving the goal post of where

2526

01:37:00,229 --> 01:36:57,840

they were from and creating these

2527

01:37:02,950 --> 01:37:00,239

sort of bizarre stories to

2528

01:37:05,510 --> 01:37:02,960

you know keep us in sort of a state of

2529

01:37:08,070 --> 01:37:05,520

like constant confusion really or you

2530

01:37:09,430 --> 01:37:08,080

could make the case that as is certainly

2531

01:37:10,790 --> 01:37:09,440

the case with some of them that they

2532

01:37:13,669 --> 01:37:10,800

were just

2533

01:37:15,750 --> 01:37:13,679

fake as hoaxers or fantasists i mean

2534

01:37:17,590 --> 01:37:15,760

there was that aspect to it as well as

2535

01:37:20,390 --> 01:37:17,600

unfortunately there is in

2536

01:37:22,310 --> 01:37:20,400

every aspect you know i'm you know i'm

2537

01:37:24,070 --> 01:37:22,320

sort of fairly confident that

2538

01:37:25,669 --> 01:37:24,080

most of the people i've well very

2539

01:37:27,510 --> 01:37:25,679

confident that most of the people i've

2540

01:37:29,910 --> 01:37:27,520

interviewed over the years are just

2541

01:37:31,270 --> 01:37:29,920

genuine good people want to know what

2542

01:37:33,189 --> 01:37:31,280

they saw

2543

01:37:35,189 --> 01:37:33,199

um or just want to share their stories

2544

01:37:38,870 --> 01:37:35,199

but unfortunately in any aspect of this

2545

01:37:39,990 --> 01:37:38,880

subject you you do get hoaxes you know

2546

01:37:41,910 --> 01:37:40,000

and um

2547

01:37:44,550 --> 01:37:41,920

we just have to deal with them and hope

2548

01:37:46,229 --> 01:37:44,560

we don't get taken in too often but

2549

01:37:48,070 --> 01:37:46,239

there's no doubt that you know the the

2550

01:37:49,590 --> 01:37:48,080

contact team movement did have its

2551
01:37:51,830 --> 01:37:49,600
hoaxes

2552
01:37:52,709 --> 01:37:51,840
absolutely yes um

2553
01:37:54,709 --> 01:37:52,719
um

2554
01:37:56,070 --> 01:37:54,719
ray stanford who's been on the show a

2555
01:37:58,870 --> 01:37:56,080
number of times

2556
01:38:01,910 --> 01:37:58,880
was uh a young i think 17 him and his

2557
01:38:03,910 --> 01:38:01,920
twin brother were out at great rock i

2558
01:38:06,550 --> 01:38:03,920
think that's what it's called right

2559
01:38:08,629 --> 01:38:06,560
giant rock yeah giant rock and uh there

2560
01:38:10,629 --> 01:38:08,639
was uh some there was a lot of people

2561
01:38:12,550 --> 01:38:10,639
there and they all kind of trickled away

2562
01:38:13,350 --> 01:38:12,560
and his brother and him kind of stayed

2563
01:38:16,550 --> 01:38:13,360

back

2564

01:38:17,910 --> 01:38:16,560

and uh george came up to him and this is

2565

01:38:20,470 --> 01:38:17,920

according to ray

2566

01:38:23,030 --> 01:38:20,480

uh came up to him and said you you two

2567

01:38:25,109 --> 01:38:23,040

are like nice young fellas he says why

2568

01:38:28,310 --> 01:38:25,119

don't you get lost this is all just a

2569

01:38:32,229 --> 01:38:30,070

and well you know i think that would be

2570

01:38:34,790 --> 01:38:32,239

that could be the case i mean as i said

2571

01:38:36,790 --> 01:38:34,800

um it was there's no doubt that whatever

2572

01:38:38,709 --> 01:38:36,800

people think of the contact team

2573

01:38:40,149 --> 01:38:38,719

movement whichever side they're on

2574

01:38:42,950 --> 01:38:40,159

there's no doubt in my mind it's the

2575

01:38:46,390 --> 01:38:42,960

most controversial side of ufology

2576

01:38:49,189 --> 01:38:46,400

period you know the idea of human aliens

2577

01:38:51,990 --> 01:38:49,199

coming to earth and you know um hanging

2578

01:38:53,990 --> 01:38:52,000

out with people in the desert um

2579

01:38:55,830 --> 01:38:54,000

you know it it is controversial it does

2580

01:38:57,430 --> 01:38:55,840

kind of sound straight out of you know

2581

01:39:00,310 --> 01:38:57,440

the day the earth stood still that sort

2582

01:39:04,229 --> 01:39:00,320

of thing um but again i think what

2583

01:39:06,870 --> 01:39:04,239

interested certainly the government was

2584

01:39:09,590 --> 01:39:06,880

the sheer effect these stories had on

2585

01:39:11,430 --> 01:39:09,600

people you know on a massive scale i

2586

01:39:13,189 --> 01:39:11,440

mean at the height regardless what

2587

01:39:16,310 --> 01:39:13,199

people think of george van tased at

2588

01:39:18,790 --> 01:39:16,320

giant rock at the height of his um ufo

2589

01:39:21,830 --> 01:39:18,800

conventions out in the desert he was

2590

01:39:24,310 --> 01:39:21,840

attracting 11 000 people now if you're

2591

01:39:26,790 --> 01:39:24,320

attracting 11 000 people and you've got

2592

01:39:29,030 --> 01:39:26,800

speakers who are saying that the aliens

2593

01:39:30,790 --> 01:39:29,040

want us to you know drop our type of

2594

01:39:33,109 --> 01:39:30,800

government and have a more communist

2595

01:39:34,629 --> 01:39:33,119

type government you can easily

2596

01:39:37,830 --> 01:39:34,639

understand how

2597

01:39:39,510 --> 01:39:37,840

a phenomenon that might be ridiculous

2598

01:39:41,750 --> 01:39:39,520

could actually become a national

2599

01:39:42,629 --> 01:39:41,760

security issue you see what i mean yeah

2600

01:39:43,590 --> 01:39:42,639

so

2601
01:39:45,270 --> 01:39:43,600
i think

2602
01:39:47,750 --> 01:39:45,280
that's that's one of the reasons that

2603
01:39:49,510 --> 01:39:47,760
fascinates me you know i'm not like a

2604
01:39:51,189 --> 01:39:49,520
full-on believer that everything the

2605
01:39:53,669 --> 01:39:51,199
contractor he said is true i don't

2606
01:39:55,510 --> 01:39:53,679
believe that at all but i am sort of

2607
01:39:58,629 --> 01:39:55,520
fascinated by

2608
01:40:01,270 --> 01:39:58,639
how it became a massive part of popular

2609
01:40:02,550 --> 01:40:01,280
culture and how and why

2610
01:40:05,350 --> 01:40:02,560
there were people in government who were

2611
01:40:07,590 --> 01:40:05,360
concerned regardless of you know the

2612
01:40:09,109 --> 01:40:07,600
truth behind these stories or not it was

2613
01:40:11,669 --> 01:40:09,119

still something that

2614

01:40:14,629 --> 01:40:11,679

really got people's attention who do you

2615

01:40:15,350 --> 01:40:14,639

think today's george ademski

2616

01:40:18,629 --> 01:40:15,360

is

2617

01:40:19,750 --> 01:40:18,639

um stephen stephen greer

2618

01:40:21,350 --> 01:40:19,760

i mean

2619

01:40:25,189 --> 01:40:21,360

someone just wrote that earlier the

2620

01:40:28,470 --> 01:40:25,199

ironic thing is i i rarely get contactee

2621

01:40:30,790 --> 01:40:28,480

reports today at all um now there are

2622

01:40:33,270 --> 01:40:30,800

some and as i said i got that one of um

2623

01:40:35,590 --> 01:40:33,280

the valiant thor story but i think the

2624

01:40:36,550 --> 01:40:35,600

reason the the girl picked me out was

2625

01:40:38,470 --> 01:40:36,560

because

2626

01:40:42,149 --> 01:40:38,480

i specifically had written about him in

2627

01:40:44,790 --> 01:40:42,159

the contact he's book um well let me

2628

01:40:46,870 --> 01:40:44,800

i should rephrase the question um

2629

01:40:47,910 --> 01:40:46,880

what i meant to say is who is the one

2630

01:40:49,590 --> 01:40:47,920

that's

2631

01:40:51,990 --> 01:40:49,600

getting all the people

2632

01:40:54,709 --> 01:40:52,000

interested today like get in a gathering

2633

01:40:56,070 --> 01:40:54,719

of say who could gather 11 000 people in

2634

01:40:58,149 --> 01:40:56,080

this field

2635

01:41:01,350 --> 01:40:58,159

i don't think there really is anyone or

2636

01:41:02,950 --> 01:41:01,360

i'm not sure anybody could actually

2637

01:41:04,790 --> 01:41:02,960

um you know if you look at most

2638

01:41:08,310 --> 01:41:04,800

conferences i go to

2639

01:41:10,229 --> 01:41:08,320

you know um you get um

2640

01:41:13,189 --> 01:41:10,239

three or four hundred people

2641

01:41:14,550 --> 01:41:13,199

um i think the ufo congress last year

2642

01:41:16,070 --> 01:41:14,560

was probably one of the biggest i've

2643

01:41:17,910 --> 01:41:16,080

done in a long time i think it was about

2644

01:41:19,430 --> 01:41:17,920

eight or nine hundred people then that

2645

01:41:20,310 --> 01:41:19,440

was really good you know that's a great

2646

01:41:22,629 --> 01:41:20,320

figure

2647

01:41:24,390 --> 01:41:22,639

um but i'm not sure anybody can today

2648

01:41:27,030 --> 01:41:24,400

can kind of rustle up

2649

01:41:29,030 --> 01:41:27,040

you know five six ten thousand people

2650

01:41:32,310 --> 01:41:29,040

now when i went to the

2651
01:41:34,470 --> 01:41:32,320
mothman festival uh in point pleasant uh

2652
01:41:37,350 --> 01:41:34,480
west virginia last september this

2653
01:41:39,590 --> 01:41:37,360
september just gone that was the 50th

2654
01:41:41,390 --> 01:41:39,600
anniversary of the mothman sightings

2655
01:41:45,270 --> 01:41:41,400
that began in

2656
01:41:47,189 --> 01:41:45,280
1966. now that festival is pretty much

2657
01:41:49,109 --> 01:41:47,199
outside apart from the lectures which

2658
01:41:51,109 --> 01:41:49,119
are inside you know everything goes on

2659
01:41:53,750 --> 01:41:51,119
outside like for example there's people

2660
01:41:55,590 --> 01:41:53,760
selling muffman fridge magnets and

2661
01:41:58,229 --> 01:41:55,600
t-shirts and you know you can have

2662
01:42:00,870 --> 01:41:58,239
muffin tattoos and earpieces all sorts

2663
01:42:03,830 --> 01:42:00,880

of stuff um but but that's like an

2664

01:42:06,870 --> 01:42:03,840

outdoor festival that actually last year

2665

01:42:08,790 --> 01:42:06,880

um just tipped 11 000 people who turned

2666

01:42:10,790 --> 01:42:08,800

up but a lot of those were like the

2667

01:42:11,669 --> 01:42:10,800

locals in the area who came along as

2668

01:42:13,510 --> 01:42:11,679

well

2669

01:42:15,750 --> 01:42:13,520

so it can be done

2670

01:42:18,149 --> 01:42:15,760

but it's like in that sense if that was

2671

01:42:19,669 --> 01:42:18,159

more like a very alternative way of

2672

01:42:21,830 --> 01:42:19,679

getting a big crowd you know because it

2673

01:42:23,590 --> 01:42:21,840

was almost like a like a county fair

2674

01:42:25,750 --> 01:42:23,600

that kind of thing that's how it's done

2675

01:42:27,990 --> 01:42:25,760

and i think that's why van tassel

2676
01:42:29,590 --> 01:42:28,000
attracted so many because it was like a

2677
01:42:31,510 --> 01:42:29,600
day out in the desert you know the old

2678
01:42:33,830 --> 01:42:31,520
family goes out and takes deck chairs

2679
01:42:35,590 --> 01:42:33,840
and you know snacks and beer and

2680
01:42:37,910 --> 01:42:35,600
everything else and just has a good time

2681
01:42:39,669 --> 01:42:37,920
listening to the ufo stories

2682
01:42:42,229 --> 01:42:39,679
that could still probably i think

2683
01:42:45,189 --> 01:42:42,239
attract that many because it's a fun day

2684
01:42:47,350 --> 01:42:45,199
out ufo conferences as such with sort of

2685
01:42:49,189 --> 01:42:47,360
six or seven people a day giving a

2686
01:42:51,189 --> 01:42:49,199
lecture on this or that

2687
01:42:54,550 --> 01:42:51,199
you know we're still sort of at the

2688
01:42:56,070 --> 01:42:54,560

three four five hundred figure and um

2689

01:42:57,189 --> 01:42:56,080

and i think that's sort of where it's

2690

01:42:58,950 --> 01:42:57,199

going to stay i don't think there's

2691

01:43:01,350 --> 01:42:58,960

anybody really who

2692

01:43:03,430 --> 01:43:01,360

jumps out and you know click of the

2693

01:43:05,430 --> 01:43:03,440

fingers and 2 000 people are going to

2694

01:43:07,350 --> 01:43:05,440

flock to them really well you know if it

2695

01:43:09,510 --> 01:43:07,360

if things change and it becomes more of

2696

01:43:11,669 --> 01:43:09,520

a pop culture type thing like a

2697

01:43:15,109 --> 01:43:11,679

comic-con or something like that i mean

2698

01:43:15,990 --> 01:43:15,119

yeah uh you know actually uh

2699

01:43:16,950 --> 01:43:16,000

uh

2700

01:43:20,390 --> 01:43:16,960

jason

2701

01:43:22,470 --> 01:43:20,400

was on this uh show recently it said

2702

01:43:25,990 --> 01:43:22,480

that he is actually going to a comic-con

2703

01:43:27,990 --> 01:43:26,000

with a uh more or less a ufo booth so i

2704

01:43:30,310 --> 01:43:28,000

think you know these things can change

2705

01:43:32,310 --> 01:43:30,320

it could become again more like i guess

2706

01:43:34,070 --> 01:43:32,320

it was pop culture at the time back then

2707

01:43:35,189 --> 01:43:34,080

the contact d movement

2708

01:43:37,109 --> 01:43:35,199

and um

2709

01:43:38,870 --> 01:43:37,119

uh you know and it kind of

2710

01:43:40,390 --> 01:43:38,880

in a way it kind of muddies the water

2711

01:43:42,790 --> 01:43:40,400

when that happens

2712

01:43:44,870 --> 01:43:42,800

um because so there's some people out

2713

01:43:46,149 --> 01:43:44,880

there trying to do some really thorough

2714

01:43:48,149 --> 01:43:46,159

research

2715

01:43:50,830 --> 01:43:48,159

that you know will no longer be taken

2716

01:43:53,669 --> 01:43:50,840

seriously if it all becomes just pop

2717

01:43:55,830 --> 01:43:53,679

culture yeah and i think you know that

2718

01:43:57,189 --> 01:43:55,840

the pop culture angle of it you know a

2719

01:43:59,910 --> 01:43:57,199

lot of people sort of say well it's not

2720

01:44:01,270 --> 01:43:59,920

a part of ufology but it actually is now

2721

01:44:02,870 --> 01:44:01,280

you know when you bring up sort of

2722

01:44:04,149 --> 01:44:02,880

comic-con i'm you know i've never been

2723

01:44:04,950 --> 01:44:04,159

to one of those things i'm not really

2724

01:44:06,550 --> 01:44:04,960

into

2725

01:44:08,470 --> 01:44:06,560

comic books and all that kind of stuff

2726

01:44:10,070 --> 01:44:08,480

but i do know friends who have been to

2727

01:44:11,830 --> 01:44:10,080

them and you know and they've said you

2728

01:44:14,070 --> 01:44:11,840

know these things are

2729

01:44:16,550 --> 01:44:14,080

gigantic and i kind of saw this in a way

2730

01:44:18,830 --> 01:44:16,560

when um i did a book uh called the

2731

01:44:21,270 --> 01:44:18,840

zombie book like an a to z book on

2732

01:44:24,790 --> 01:44:21,280

zombies a couple of years ago and i did

2733

01:44:26,070 --> 01:44:24,800

a like a zombie con here in dallas

2734

01:44:27,590 --> 01:44:26,080

and you know there were people from the

2735

01:44:30,550 --> 01:44:27,600

walking dead there and some of the

2736

01:44:33,430 --> 01:44:30,560

romero movies and that was jammed you

2737

01:44:35,189 --> 01:44:33,440

know and i can see how ufology could do

2738

01:44:37,750 --> 01:44:35,199

something like that but i think the

2739

01:44:39,430 --> 01:44:37,760

problem i actually do in a way that was

2740

01:44:41,830 --> 01:44:39,440

really it would be really entertaining

2741

01:44:43,510 --> 01:44:41,840

and fun but also informative i think the

2742

01:44:46,709 --> 01:44:43,520

problem is a lot of

2743

01:44:48,390 --> 01:44:46,719

ufo conference organizers feel that

2744

01:44:51,669 --> 01:44:48,400

if it's not 100

2745

01:44:54,390 --> 01:44:51,679

a conference with speakers wearing

2746

01:44:56,310 --> 01:44:54,400

shirts and ties if it's not that it's

2747

01:44:58,709 --> 01:44:56,320

somehow not credible

2748

01:45:01,109 --> 01:44:58,719

well you know you know me you saw me at

2749

01:45:05,030 --> 01:45:01,119

the conference last year you know i'm a

2750

01:45:07,910 --> 01:45:05,040

t-shirt and jeans and biker jackets

2751

01:45:09,430 --> 01:45:07,920

yeah pistons you know the whole lot

2752

01:45:10,870 --> 01:45:09,440

um

2753

01:45:12,629 --> 01:45:10,880

you know i don't dress like a bank

2754

01:45:14,229 --> 01:45:12,639

manager and i've had conference

2755

01:45:16,709 --> 01:45:14,239

organizers say well nick will have you

2756

01:45:18,390 --> 01:45:16,719

if you put a buy a shirt and tie

2757

01:45:20,390 --> 01:45:18,400

a jacket which i would actually i would

2758

01:45:23,109 --> 01:45:20,400

literally have to buy them because i

2759

01:45:25,990 --> 01:45:23,990

and

2760

01:45:28,470 --> 01:45:26,000

but the way i look at it is

2761

01:45:30,470 --> 01:45:28,480

you can have people on stage

2762

01:45:33,830 --> 01:45:30,480

giving a good presentation

2763

01:45:36,629 --> 01:45:33,840

keeping it informative keeping it fun

2764

01:45:40,310 --> 01:45:36,639

and then afterwards you all hang out in

2765

01:45:42,470 --> 01:45:40,320

sort of a a call kind of vibe situation

2766

01:45:45,189 --> 01:45:42,480

and not where it comes across like a

2767

01:45:48,310 --> 01:45:45,199

meeting at the united nations which you

2768

01:45:51,030 --> 01:45:48,320

know is kind of stuffy and and whatever

2769

01:45:53,750 --> 01:45:51,040

but so many people i think particularly

2770

01:45:56,790 --> 01:45:53,760

from the first wave of ufology think

2771

01:45:59,109 --> 01:45:56,800

they've got to take that approach or

2772

01:46:01,030 --> 01:45:59,119

they're not serious ufologists well the

2773

01:46:04,310 --> 01:46:01,040

thing is you're dealing with stories of

2774

01:46:05,750 --> 01:46:04,320

aliens you know you've got to make it

2775

01:46:08,310 --> 01:46:05,760

um

2776

01:46:12,390 --> 01:46:08,320

sort of amenable to people outside of

2777

01:46:14,950 --> 01:46:12,400

ufology uh to to bring them in you know

2778

01:46:17,590 --> 01:46:14,960

you've got to have more than just

2779

01:46:19,910 --> 01:46:17,600

an 80 year old guy on stage showing you

2780

01:46:22,470 --> 01:46:19,920

a picture of the pentagon you know

2781

01:46:25,109 --> 01:46:22,480

um and that's no disrespect it just the

2782

01:46:27,750 --> 01:46:25,119

fact is if we don't sort of i think get

2783

01:46:29,669 --> 01:46:27,760

more into like that sort of comic-con

2784

01:46:31,470 --> 01:46:29,679

approach and i don't see anything wrong

2785

01:46:35,189 --> 01:46:31,480

with that i don't think it sort of

2786

01:46:37,990 --> 01:46:35,199

de-legitimizes the subject to to keep it

2787

01:46:40,070 --> 01:46:38,000

you know entertaining and informative

2788

01:46:42,070 --> 01:46:40,080

um i don't see anything wrong with that

2789

01:46:44,310 --> 01:46:42,080

and i think it could actually be a good

2790

01:46:47,590 --> 01:46:44,320

way to go you know

2791

01:46:50,709 --> 01:46:47,600

right right um you know a lot of these

2792

01:46:53,270 --> 01:46:50,719

what i find in at the conferences myself

2793

01:46:55,270 --> 01:46:53,280

for myself that is is that uh it's the

2794

01:46:57,910 --> 01:46:55,280

hallways it's the uh

2795

01:47:00,310 --> 01:46:57,920

it's the uh dinner after or uh you know

2796

01:47:01,990 --> 01:47:00,320

going out with uh people after that yeah

2797

01:47:03,830 --> 01:47:02,000

you really hear the interesting stuff

2798

01:47:07,109 --> 01:47:03,840

and that's that's what i'm really

2799

01:47:08,870 --> 01:47:07,119

looking forward to coming up here um and

2800

01:47:11,030 --> 01:47:08,880

well that's something else i mean i

2801
01:47:13,350 --> 01:47:11,040
won't name names but you know one of the

2802
01:47:14,629 --> 01:47:13,360
things that really annoys me when i go

2803
01:47:17,030 --> 01:47:14,639
to a conference

2804
01:47:17,990 --> 01:47:17,040
is when you know certain speakers are

2805
01:47:21,270 --> 01:47:18,000
there

2806
01:47:22,790 --> 01:47:21,280
and they don't give time to the audience

2807
01:47:23,910 --> 01:47:22,800
you know the way i look at if i go to a

2808
01:47:25,750 --> 01:47:23,920
conference

2809
01:47:28,229 --> 01:47:25,760
and you know i'm speaking there and i

2810
01:47:30,070 --> 01:47:28,239
sell 30 books

2811
01:47:32,390 --> 01:47:30,080
you know you should you should spend

2812
01:47:34,149 --> 01:47:32,400
time with the people not just because

2813
01:47:36,229 --> 01:47:34,159

you feel it's right to be because you

2814

01:47:37,590 --> 01:47:36,239

want to and you know these are the

2815

01:47:38,950 --> 01:47:37,600

people who are

2816

01:47:41,030 --> 01:47:38,960

buying your books and coming to your

2817

01:47:41,910 --> 01:47:41,040

conference or your lecture

2818

01:47:44,149 --> 01:47:41,920

and

2819

01:47:46,229 --> 01:47:44,159

you know spend time with them sign books

2820

01:47:48,629 --> 01:47:46,239

get you know if they want pictures taken

2821

01:47:51,030 --> 01:47:48,639

you do that and you sign autographs and

2822

01:47:52,950 --> 01:47:51,040

things like that until everybody is

2823

01:47:54,149 --> 01:47:52,960

happy they've got what they want and you

2824

01:47:56,470 --> 01:47:54,159

don't as i said you don't do it at a

2825

01:47:58,390 --> 01:47:56,480

duty you do it because you want to do it

2826

01:48:00,950 --> 01:47:58,400

and it's the right thing to do but i've

2827

01:48:03,030 --> 01:48:00,960

i won't name names but so many times

2828

01:48:05,030 --> 01:48:03,040

i've seen people who are like

2829

01:48:06,470 --> 01:48:05,040

they do the lecture all they want to do

2830

01:48:08,310 --> 01:48:06,480

is sell the books and then they start

2831

01:48:09,830 --> 01:48:08,320

looking at the watch somebody wants to

2832

01:48:12,149 --> 01:48:09,840

speak to them i can see they're looking

2833

01:48:13,270 --> 01:48:12,159

around the room thinking i want to go i

2834

01:48:14,790 --> 01:48:13,280

want to leave

2835

01:48:17,350 --> 01:48:14,800

you know and i think that's one of the

2836

01:48:19,910 --> 01:48:17,360

problems is that um

2837

01:48:22,149 --> 01:48:19,920

people like that interaction and i like

2838

01:48:24,070 --> 01:48:22,159

that interaction you know i enjoy

2839

01:48:25,590 --> 01:48:24,080

hanging out at the bar after the the

2840

01:48:27,510 --> 01:48:25,600

gig's over you know and having a good

2841

01:48:29,270 --> 01:48:27,520

time um

2842

01:48:30,870 --> 01:48:29,280

and i don't have much time for those

2843

01:48:32,870 --> 01:48:30,880

people who just take themselves off to

2844

01:48:34,709 --> 01:48:32,880

their hotel room

2845

01:48:37,350 --> 01:48:34,719

you know don't bother me i'm an author

2846

01:48:39,030 --> 01:48:37,360

well big deal you know what i mean

2847

01:48:39,400 --> 01:48:39,040

get your sort of head out you you know

2848

01:48:40,470 --> 01:48:39,410

what

2849

01:48:43,910 --> 01:48:40,480

[Laughter]

2850

01:48:45,750 --> 01:48:43,920

yeah every time i saw you you were

2851

01:48:47,750 --> 01:48:45,760

signing books or people were lining up

2852

01:48:51,669 --> 01:48:47,760

to uh take pictures with you you

2853

01:48:56,310 --> 01:48:54,149

no no at your table at your table oh

2854

01:48:58,390 --> 01:48:56,320

well you know that that's because like i

2855

01:49:00,229 --> 01:48:58,400

said i enjoy doing it and it is the

2856

01:49:02,310 --> 01:49:00,239

right thing to do as well i mean people

2857

01:49:04,550 --> 01:49:02,320

are spending their money to come out and

2858

01:49:07,189 --> 01:49:04,560

see you you know like show some respect

2859

01:49:08,870 --> 01:49:07,199

right across like some arrogance

2860

01:49:11,430 --> 01:49:08,880

you know i think some of the people in

2861

01:49:13,270 --> 01:49:11,440

ufology think they're like

2862

01:49:16,149 --> 01:49:13,280

you know hollywood

2863

01:49:18,070 --> 01:49:16,159

mega stars or whatever they've got to be

2864

01:49:19,430 --> 01:49:18,080

you know treated like this and treated

2865

01:49:21,430 --> 01:49:19,440

like that well

2866

01:49:22,790 --> 01:49:21,440

no you know we the way i look at it

2867

01:49:24,790 --> 01:49:22,800

we're all in it together whether it's

2868

01:49:26,390 --> 01:49:24,800

like you know you with your show me

2869

01:49:29,030 --> 01:49:26,400

writing the books the witnesses sharing

2870

01:49:30,950 --> 01:49:29,040

their experiences somebody's got

2871

01:49:33,189 --> 01:49:30,960

a blog you know someone's got a youtube

2872

01:49:35,270 --> 01:49:33,199

channel we're all in it together looking

2873

01:49:36,870 --> 01:49:35,280

for answers oh that's how it should be

2874

01:49:39,910 --> 01:49:36,880

you know nobody's bigger than the

2875

01:49:41,830 --> 01:49:39,920

subject really right right now last year

2876

01:49:44,550 --> 01:49:41,840

um i know i mentioned this story before

2877

01:49:47,189 --> 01:49:44,560

but it's been such a long time but last

2878

01:49:49,430 --> 01:49:47,199

year at the ufo conference i went

2879

01:49:50,390 --> 01:49:49,440

next door to the casino there was food

2880

01:49:52,149 --> 01:49:50,400

over there

2881

01:49:53,669 --> 01:49:52,159

and there was a girl sitting outside i

2882

01:49:55,350 --> 01:49:53,679

was walking my dog

2883

01:49:56,870 --> 01:49:55,360

and just started chatting with her and

2884

01:49:59,270 --> 01:49:56,880

she goes what's going on next door and i

2885

01:50:01,030 --> 01:49:59,280

said hey there's a ufo conference and

2886

01:50:02,870 --> 01:50:01,040

um and so she goes oh you know i should

2887

01:50:04,950 --> 01:50:02,880

go over there and she says because i i

2888

01:50:06,870 --> 01:50:04,960

had something happen she tells me the

2889

01:50:07,910 --> 01:50:06,880

story uh i'm going to tell it real

2890

01:50:10,310 --> 01:50:07,920

quickly

2891

01:50:12,629 --> 01:50:10,320

it's just i love hearing stories from

2892

01:50:14,709 --> 01:50:12,639

i'm going to say outside people people

2893

01:50:17,030 --> 01:50:14,719

outside of the field

2894

01:50:18,629 --> 01:50:17,040

and so she and her friend were riding

2895

01:50:21,430 --> 01:50:18,639

along in their car not far away from

2896

01:50:23,510 --> 01:50:21,440

where the conference was in arizona

2897

01:50:25,109 --> 01:50:23,520

and a mesa or plateau or something like

2898

01:50:27,990 --> 01:50:25,119

that they saw this

2899

01:50:29,910 --> 01:50:28,000

this dark object like come over

2900

01:50:32,470 --> 01:50:29,920

down and over i can't remember what time

2901
01:50:34,310 --> 01:50:32,480
of day it was but it came over their car

2902
01:50:36,709 --> 01:50:34,320
and she just froze and that there was a

2903
01:50:37,510 --> 01:50:36,719
beam of light that came down

2904
01:50:43,270 --> 01:50:37,520
and

2905
01:50:46,229 --> 01:50:43,280
hit the gas

2906
01:50:48,470 --> 01:50:46,239
and they you know just kind of outran it

2907
01:50:50,550 --> 01:50:48,480
you know and it made no noise or

2908
01:50:52,390 --> 01:50:50,560
anything like that and then she said and

2909
01:50:53,350 --> 01:50:52,400
the strangest thing of all she said

2910
01:50:54,390 --> 01:50:53,360
about

2911
01:50:55,990 --> 01:50:54,400
um

2912
01:50:57,589 --> 01:50:56,000
ten minutes later

2913
01:50:59,350 --> 01:50:57,599

all of a sudden the biggest owl that

2914

01:51:00,550 --> 01:50:59,360

i've ever seen came right down at the

2915

01:51:03,990 --> 01:51:00,560

windshield

2916

01:51:06,310 --> 01:51:04,000

and i thought wow what a story that was

2917

01:51:08,470 --> 01:51:06,320

you know that's interesting because you

2918

01:51:10,470 --> 01:51:08,480

know i'll some as i'm sure you know turn

2919

01:51:12,229 --> 01:51:10,480

up it turn up in a lot of ufo cases

2920

01:51:14,070 --> 01:51:12,239

particularly with so-called

2921

01:51:16,070 --> 01:51:14,080

screen memories where the person thinks

2922

01:51:18,149 --> 01:51:16,080

they've seen this huge owl and they

2923

01:51:20,310 --> 01:51:18,159

never forget about it and then they

2924

01:51:22,070 --> 01:51:20,320

start having dreams where the owl was

2925

01:51:24,550 --> 01:51:22,080

actually like a screen memory or

2926

01:51:25,830 --> 01:51:24,560

something like that for an alien um

2927

01:51:27,350 --> 01:51:25,840

funnily enough i think i've got two

2928

01:51:30,070 --> 01:51:27,360

cases like that in the book i know

2929

01:51:33,270 --> 01:51:30,080

there's definitely one um where this

2930

01:51:35,510 --> 01:51:33,280

sort of um owl-like apparition clearly

2931

01:51:37,750 --> 01:51:35,520

much bigger than any normal owl could

2932

01:51:39,030 --> 01:51:37,760

ever be but the witness was sure that's

2933

01:51:41,270 --> 01:51:39,040

what they saw stood at the edge of the

2934

01:51:43,189 --> 01:51:41,280

road on a night when they'd had missing

2935

01:51:44,629 --> 01:51:43,199

time and um

2936

01:51:46,390 --> 01:51:44,639

you know from there

2937

01:51:48,790 --> 01:51:46,400

gradually bit by bit it came back to

2938

01:51:50,070 --> 01:51:48,800

them that the owl actually wasn't an owl

2939

01:51:52,470 --> 01:51:50,080

after all it was just like these

2940

01:51:55,030 --> 01:51:52,480

enticing huge eyes

2941

01:51:56,229 --> 01:51:55,040

that would be replaced with an all's eyes

2942

01:51:59,270 --> 01:51:56,239

when it was actually sort of you know

2943

01:52:02,550 --> 01:51:59,280

like the classic gray alien eyes right

2944

01:52:04,709 --> 01:52:02,560

um the screen memory thing is something

2945

01:52:05,669 --> 01:52:04,719

that uh was one of the questions on the

2946

01:52:07,350 --> 01:52:05,679

forum

2947

01:52:09,189 --> 01:52:07,360

and you just mentioned you have them in

2948

01:52:09,990 --> 01:52:09,199

your book that was a question they had

2949

01:52:13,510 --> 01:52:10,000

but

2950

01:52:17,669 --> 01:52:13,520

okay can you explain exactly what

2951

01:52:19,830 --> 01:52:17,679

what a screen memory is considered to be

2952

01:52:22,390 --> 01:52:19,840

well yeah it's basically somebody has

2953

01:52:24,790 --> 01:52:22,400

sort of a significant or more often like

2954

01:52:25,910 --> 01:52:24,800

a traumatic ufo event

2955

01:52:29,109 --> 01:52:25,920

and

2956

01:52:31,270 --> 01:52:29,119

the the mind sort of interprets it in a

2957

01:52:34,070 --> 01:52:31,280

different way now sometimes that's like

2958

01:52:36,709 --> 01:52:34,080

the the the right the mind

2959

01:52:39,350 --> 01:52:36,719

uh subconsciously doing it without you

2960

01:52:41,589 --> 01:52:39,360

realizing you know if somebody sees um

2961

01:52:44,629 --> 01:52:41,599

there are like verifiable examples where

2962

01:52:46,310 --> 01:52:44,639

somebody sees like a really horrific car

2963

01:52:48,550 --> 01:52:46,320

accident you know somebody goes through

2964

01:52:51,910 --> 01:52:48,560

the windshield and just cut to pieces

2965

01:52:54,149 --> 01:52:51,920

seven and dies in front of them and then

2966

01:52:56,629 --> 01:52:54,159

six months by six months later the

2967

01:52:58,629 --> 01:52:56,639

person knows they saw all that

2968

01:53:00,310 --> 01:52:58,639

but they just cannot see it in their

2969

01:53:01,510 --> 01:53:00,320

mind anymore you know what i mean they

2970

01:53:03,510 --> 01:53:01,520

know the person came through the

2971

01:53:04,709 --> 01:53:03,520

windshield etcetera etcetera but the

2972

01:53:07,270 --> 01:53:04,719

graphic

2973

01:53:09,669 --> 01:53:07,280

aspects i've have gone you know they can

2974

01:53:11,669 --> 01:53:09,679

see is like a blur or

2975

01:53:13,910 --> 01:53:11,679

they they're forced to imagine what it

2976

01:53:16,149 --> 01:53:13,920

was like so that is one kind of screen

2977

01:53:19,189 --> 01:53:16,159

memory but the one that turns up more

2978

01:53:20,870 --> 01:53:19,199

often in ufology is where it seems like

2979

01:53:22,149 --> 01:53:20,880

the phenomenon

2980

01:53:25,189 --> 01:53:22,159

can

2981

01:53:27,750 --> 01:53:25,199

literally enter our mind and alter

2982

01:53:29,750 --> 01:53:27,760

our memories you know it's not like it's

2983

01:53:31,990 --> 01:53:29,760

camouflaging itself and changing the way

2984

01:53:34,470 --> 01:53:32,000

it looks like possibly is the case with

2985

01:53:37,350 --> 01:53:34,480

those black helicopters it's a case of

2986

01:53:40,310 --> 01:53:37,360

the mind actually being manipulated to

2987

01:53:41,990 --> 01:53:40,320

see something it actually isn't and so

2988

01:53:45,910 --> 01:53:42,000

that may be why

2989

01:53:48,229 --> 01:53:45,920

in so many of these owl cases people see

2990

01:53:50,390 --> 01:53:48,239

a ufo or they think excuse me i should

2991

01:53:52,149 --> 01:53:50,400

say they first they thought they saw

2992

01:53:54,550 --> 01:53:52,159

this weird looking owl at the side of

2993

01:53:56,629 --> 01:53:54,560

the road anybody looked really big and

2994

01:53:57,990 --> 01:53:56,639

they never forgot about it or it swooped

2995

01:53:59,830 --> 01:53:58,000

right in front of the windshield and

2996

01:54:01,830 --> 01:53:59,840

they were sure it was going to hit the

2997

01:54:02,790 --> 01:54:01,840

the glass and swerved away at the last

2998

01:54:04,709 --> 01:54:02,800

second

2999

01:54:08,070 --> 01:54:04,719

and then the person just felt weird on

3000

01:54:09,750 --> 01:54:08,080

the rest of the drive home and then over

3001
01:54:13,189 --> 01:54:09,760
time sometimes

3002
01:54:14,470 --> 01:54:13,199
um it's like the screen memory starts to

3003
01:54:16,470 --> 01:54:14,480
fall apart

3004
01:54:19,030 --> 01:54:16,480
and the person then repo

3005
01:54:22,229 --> 01:54:19,040
remembers seeing like a a ufo at the

3006
01:54:23,669 --> 01:54:22,239
side of the road or two alien creatures

3007
01:54:25,430 --> 01:54:23,679
that's you know perceived alien

3008
01:54:27,750 --> 01:54:25,440
creatures that sort of

3009
01:54:29,510 --> 01:54:27,760
had the ability to stop the car and took

3010
01:54:31,350 --> 01:54:29,520
the person out the car

3011
01:54:34,470 --> 01:54:31,360
lo took them on board a ufo and there's

3012
01:54:37,270 --> 01:54:34,480
like a typical abduction scenario

3013
01:54:39,510 --> 01:54:37,280

but all the person remembered was seeing

3014

01:54:42,790 --> 01:54:39,520

the entities but didn't even recall

3015

01:54:44,229 --> 01:54:42,800

seeing them as aliens until years later

3016

01:54:47,189 --> 01:54:44,239

so um

3017

01:54:49,750 --> 01:54:47,199

you know there could be almost like a

3018

01:54:51,750 --> 01:54:49,760

almost like a silent massive underground

3019

01:54:54,229 --> 01:54:51,760

number of people who've had

3020

01:54:56,149 --> 01:54:54,239

weird experiences like this where they

3021

01:54:58,149 --> 01:54:56,159

don't consciously recall ever having

3022

01:54:59,669 --> 01:54:58,159

seen a ufo but they might have had

3023

01:55:01,830 --> 01:54:59,679

another weird experience it could have

3024

01:55:04,149 --> 01:55:01,840

been a cover for one wow really

3025

01:55:05,430 --> 01:55:04,159

interesting nick what are you writing uh

3026

01:55:07,109 --> 01:55:05,440

you're you're probably writing like

3027

01:55:08,310 --> 01:55:07,119

three books right now

3028

01:55:10,790 --> 01:55:08,320

but

3029

01:55:13,350 --> 01:55:10,800

when are you writing i'm literally right

3030

01:55:16,229 --> 01:55:13,360

not right now yeah um

3031

01:55:20,229 --> 01:55:16,239

do you uh have anything planned in the

3032

01:55:24,390 --> 01:55:20,239

future coming up on ufos

3033

01:55:26,470 --> 01:55:24,400

um well i i do um but the the next study

3034

01:55:29,030 --> 01:55:26,480

ufo books are going to be well i'm

3035

01:55:31,350 --> 01:55:29,040

actually working on another men in black

3036

01:55:32,629 --> 01:55:31,360

slash women in black book which will be

3037

01:55:35,270 --> 01:55:32,639

out at some point this year but i'm

3038

01:55:37,750 --> 01:55:35,280

still writing that one um but i also

3039

01:55:39,510 --> 01:55:37,760

have another book out um

3040

01:55:41,669 --> 01:55:39,520

in a couple of months called secret

3041

01:55:42,709 --> 01:55:41,679

societies which is like an a to z of all

3042

01:55:45,430 --> 01:55:42,719

sorts of

3043

01:55:48,149 --> 01:55:45,440

um strange and ancient modern secret

3044

01:55:50,070 --> 01:55:48,159

societies and then in september i've got

3045

01:55:52,229 --> 01:55:50,080

a book coming out called shape shifters

3046

01:55:55,109 --> 01:55:52,239

which is a sort of a cryptozoology book

3047

01:55:57,750 --> 01:55:55,119

yeah but it deals with all the history

3048

01:55:59,030 --> 01:55:57,760

legends and folklore of animals that can

3049

01:56:00,950 --> 01:55:59,040

reportedly

3050

01:56:02,709 --> 01:56:00,960

shape-shift not just like

3051

01:56:04,870 --> 01:56:02,719

werewolves but

3052

01:56:07,109 --> 01:56:04,880

you know in native american legends like

3053

01:56:09,510 --> 01:56:07,119

coyotes and

3054

01:56:12,310 --> 01:56:09,520

animals like that and also

3055

01:56:14,790 --> 01:56:12,320

um accounts where like like for example

3056

01:56:16,709 --> 01:56:14,800

that the scream everything as well where

3057

01:56:18,870 --> 01:56:16,719

he doesn't necessarily physically shape

3058

01:56:21,830 --> 01:56:18,880

shift but he's like a mind shift on the

3059

01:56:24,310 --> 01:56:21,840

part of the witness so it sort of covers

3060

01:56:26,950 --> 01:56:24,320

all sorts of strange creatures that you

3061

01:56:29,510 --> 01:56:26,960

know reportedly can sort of change their

3062

01:56:30,950 --> 01:56:29,520

physical appearance wow uh

3063

01:56:33,189 --> 01:56:30,960

interesting so

3064

01:56:34,470 --> 01:56:33,199

let's see there is a uh

3065

01:56:37,270 --> 01:56:34,480

there is a

3066

01:56:39,189 --> 01:56:37,280

one more message that i'd like to um ask

3067

01:56:41,430 --> 01:56:39,199

you because it involves men in black in

3068

01:56:44,149 --> 01:56:41,440

your research have you come across two

3069

01:56:46,790 --> 01:56:44,159

types of men in black where one type

3070

01:56:48,629 --> 01:56:46,800

does not seem to be completely human

3071

01:56:51,990 --> 01:56:48,639

and how does their appearance differ

3072

01:56:53,830 --> 01:56:52,000

from the more human looking ones

3073

01:56:55,350 --> 01:56:53,840

yeah that's one of the weirdest things

3074

01:56:57,430 --> 01:56:55,360

about the men in black mystery whenever

3075

01:56:59,510 --> 01:56:57,440

i give lectures on the subject i always

3076

01:57:02,470 --> 01:56:59,520

point this out that why the subject so

3077

01:57:04,709 --> 01:57:02,480

confusing is because there actually are

3078

01:57:06,950 --> 01:57:04,719

two categories of men in black now

3079

01:57:09,990 --> 01:57:06,960

certainly in the 40s and 50s

3080

01:57:12,390 --> 01:57:10,000

um you know the guys all dressed in sort

3081

01:57:14,629 --> 01:57:12,400

of you know dark suits skinny black ties

3082

01:57:17,830 --> 01:57:14,639

and fedoras that was the fashion back

3083

01:57:18,709 --> 01:57:17,840

then so there's no doubt that i think

3084

01:57:20,310 --> 01:57:18,719

some

3085

01:57:22,310 --> 01:57:20,320

cases that have sort of perceived as

3086

01:57:24,550 --> 01:57:22,320

so-called men in black reports were

3087

01:57:27,669 --> 01:57:24,560

legitimate visits by government people

3088

01:57:29,510 --> 01:57:27,679

to the homes of witnesses and where they

3089

01:57:31,109 --> 01:57:29,520

you know suggested we prefer you

3090

01:57:34,550 --> 01:57:31,119

wouldn't talk about this and they become

3091

01:57:37,910 --> 01:57:34,560

part of the you know the mib history and

3092

01:57:39,910 --> 01:57:37,920

law so to speak but in saying that

3093

01:57:42,390 --> 01:57:39,920

nearly i would say a good

3094

01:57:44,229 --> 01:57:42,400

at least sort of 70 80 probably more

3095

01:57:46,629 --> 01:57:44,239

percent than that of all the reports i

3096

01:57:48,709 --> 01:57:46,639

ever get are the more creepy men in

3097

01:57:49,669 --> 01:57:48,719

black which are described often very

3098

01:57:50,550 --> 01:57:49,679

pale

3099

01:57:53,669 --> 01:57:50,560

um

3100

01:57:55,750 --> 01:57:53,679

skinny only about five feet tall

3101
01:57:57,589 --> 01:57:55,760
their skin looks like you know they've

3102
01:57:59,270 --> 01:57:57,599
overdone it with a botox you know it's

3103
01:58:01,189 --> 01:57:59,280
just smooth

3104
01:58:02,149 --> 01:58:01,199
to the point of just looking really

3105
01:58:03,510 --> 01:58:02,159
weird

3106
01:58:05,990 --> 01:58:03,520
and um

3107
01:58:08,149 --> 01:58:06,000
they often wear these sort of black wigs

3108
01:58:10,390 --> 01:58:08,159
that are clearly wigs and the fedora

3109
01:58:12,390 --> 01:58:10,400
hats with the hats pulled down and these

3110
01:58:14,390 --> 01:58:12,400
weird wrap-around sunglasses so you can

3111
01:58:16,550 --> 01:58:14,400
barely make out their face

3112
01:58:18,870 --> 01:58:16,560
um which if you to remove the hat the

3113
01:58:21,430 --> 01:58:18,880

wigs and the sunglasses they might look

3114

01:58:23,669 --> 01:58:21,440

sort of really kind of alien and so you

3115

01:58:25,270 --> 01:58:23,679

have theories that they are literal

3116

01:58:26,870 --> 01:58:25,280

aliens or

3117

01:58:30,149 --> 01:58:26,880

could they be human

3118

01:58:31,750 --> 01:58:30,159

alien hybrids or something supernatural

3119

01:58:33,830 --> 01:58:31,760

but what i would say there are with

3120

01:58:36,629 --> 01:58:33,840

these weirder men in black there are a

3121

01:58:37,510 --> 01:58:36,639

lot of really strange aspects that do

3122

01:58:39,669 --> 01:58:37,520

sort of

3123

01:58:40,550 --> 01:58:39,679

border the paranormal like i said with

3124

01:58:42,550 --> 01:58:40,560

um

3125

01:58:44,149 --> 01:58:42,560

poltergeist activity in the homes and

3126

01:58:46,550 --> 01:58:44,159

some weird cases where people have

3127

01:58:48,709 --> 01:58:46,560

fallen really ill and sick after they've

3128

01:58:50,070 --> 01:58:48,719

been in the vicinity of the men in black

3129

01:58:52,070 --> 01:58:50,080

and um

3130

01:58:53,910 --> 01:58:52,080

so you know you we can't

3131

01:58:55,990 --> 01:58:53,920

we can't blame that on an intelligence

3132

01:58:57,830 --> 01:58:56,000

agency that's that belongs to this

3133

01:58:59,750 --> 01:58:57,840

weirder category which we're still

3134

01:59:01,350 --> 01:58:59,760

struggling to understand

3135

01:59:03,750 --> 01:59:01,360

what they are but they're not from the

3136

01:59:07,830 --> 01:59:03,760

pentagon that's for sure right right

3137

01:59:11,030 --> 01:59:07,840

interesting okay so nick's book is 365

3138

01:59:13,910 --> 01:59:11,040

days of ufos it has goes right through

3139

01:59:16,310 --> 01:59:13,920

the calendar in different years um it

3140

01:59:19,270 --> 01:59:16,320

will go from january 1st all the way to

3141

01:59:20,709 --> 01:59:19,280

december 31st a story for each day of

3142

01:59:24,629 --> 01:59:20,719

something that happened on that day

3143

01:59:27,669 --> 01:59:24,639

sometime in history and uh nick's uh

3144

01:59:29,189 --> 01:59:27,679

amazon link as well as his

3145

01:59:31,669 --> 01:59:29,199

uh blog

3146

01:59:33,750 --> 01:59:31,679

is right in the show notes the show

3147

01:59:37,030 --> 01:59:33,760

notes sub you'll find right right below

3148

01:59:39,589 --> 01:59:37,040

on podcastufo.com and thanks so much

3149

01:59:41,270 --> 01:59:39,599

nick it's it's been a real pleasure

3150

01:59:44,149 --> 01:59:41,280

oh well thanks so much martin had a good

3151

01:59:46,629 --> 01:59:44,159

time yes and uh hang in while i close

3152

01:59:49,030 --> 01:59:46,639

out if you would please so uh thanks so

3153

01:59:51,350 --> 01:59:49,040

much for listening everyone um we're

3154

01:59:53,109 --> 01:59:51,360

going to be back next week with artie

3155

01:59:55,430 --> 01:59:53,119

six killer clark

3156

01:59:56,790 --> 01:59:55,440

uh the following week will be the narcap

3157

01:59:58,950 --> 01:59:56,800

uh

3158

02:00:00,550 --> 01:59:58,960

agent or i don't want to say agent

3159

02:00:03,830 --> 02:00:00,560

member or uh

3160

02:00:06,149 --> 02:00:03,840

anyway um he'll be on after that

3161

02:00:08,310 --> 02:00:06,159

and the following week after that will

3162

02:00:10,390 --> 02:00:08,320

be out in phoenix and i can't wait

3163

02:00:13,910 --> 02:00:10,400

remember if you're going to be there

3164

02:00:15,589 --> 02:00:13,920

look me up uh martin at podcast ufo and

3165

02:00:17,750 --> 02:00:15,599

uh i'd love to hang out with you it'd be

3166

02:00:19,030 --> 02:00:17,760

a lot of fun so that's and i want to

3167

02:00:20,709 --> 02:00:19,040

thank everyone for helping out with the

3168

02:00:23,750 --> 02:00:20,719

show i want to thank the people who

3169

02:00:26,070 --> 02:00:23,760

participated in chat it really uh it was

3170

02:00:28,229 --> 02:00:26,080

great in the youtube and so what i did

3171

02:00:30,870 --> 02:00:28,239

find out while we're running the show

3172

02:00:33,109 --> 02:00:30,880

here is if you do need to open a gmail

3173

02:00:35,589 --> 02:00:33,119

account or some type of youtube account

3174

02:00:37,589 --> 02:00:35,599

to participate in the chat eventually i

3175

02:00:40,070 --> 02:00:37,599

do believe that i'm going to

3176

02:00:42,709 --> 02:00:40,080

embed that on my home page for all the

3177

02:00:45,350 --> 02:00:42,719

regular listeners so alright thanks so

3178

02:00:49,390 --> 02:00:45,360

much and remember to keep your eyes to
