

1
00:00:00,160 --> 00:00:05,269
live show

2
00:00:09,990 --> 00:00:07,749
to participate live in our chat room

3
00:00:11,990 --> 00:00:10,000
and don't forget to like us on our very

4
00:00:13,669 --> 00:00:12,000
active facebook page

5
00:00:16,230 --> 00:00:13,679
hello and welcome to the show i'm martin

6
00:00:18,550 --> 00:00:16,240
willis your host and we have an exciting

7
00:00:20,230 --> 00:00:18,560
show john burroughs is coming up and

8
00:00:22,230 --> 00:00:20,240
he's going to be talking about

9
00:00:24,230 --> 00:00:22,240
what's been going on the last few years

10
00:00:26,470 --> 00:00:24,240
since he was on the show last

11
00:00:28,070 --> 00:00:26,480
and uh anything i don't know if there's

12
00:00:29,750 --> 00:00:28,080
anything new in rendering for us but

13
00:00:32,150 --> 00:00:29,760

we're definitely talking about

14

00:00:34,150 --> 00:00:32,160

rendlesham force that's for sure our

15

00:00:35,990 --> 00:00:34,160

shows as you probably know are now live

16

00:00:37,830 --> 00:00:36,000

streaming on youtube

17

00:00:39,190 --> 00:00:37,840

and uh one of the changes that we are

18

00:00:41,270 --> 00:00:39,200

making is we always send out our

19

00:00:42,869 --> 00:00:41,280

newsletter and that newsletter goes out

20

00:00:44,869 --> 00:00:42,879

the day after our show now we're gonna

21

00:00:45,830 --> 00:00:44,879

be sending out the newsletter the day of

22

00:00:48,310 --> 00:00:45,840

our show

23

00:00:51,430 --> 00:00:48,320

with the upcoming guest that way you get

24

00:00:53,270 --> 00:00:51,440

an opportunity to watch the show live if

25

00:00:55,549 --> 00:00:53,280

you would like so you can sign up on

26

00:00:58,229 --> 00:00:55,559

that mailing list which is right on

27

00:01:00,790 --> 00:00:58,239

podcastufo.com right on the sidebar and

28

00:01:02,790 --> 00:01:00,800

uh you will get one letter per week i'm

29

00:01:04,950 --> 00:01:02,800

not going to flood you with email i mean

30

00:01:07,910 --> 00:01:04,960

newsletters or anything like that

31

00:01:08,710 --> 00:01:07,920

so the everything else show is added to

32

00:01:14,230 --> 00:01:08,720

the

33

00:01:16,710 --> 00:01:14,240

supporters uh rss feed for uh for shows

34

00:01:18,870 --> 00:01:16,720

and uh that is on youtube as well next

35

00:01:21,749 --> 00:01:18,880

week we have leslie kane coming up

36

00:01:22,550 --> 00:01:21,759

talking about uh near-death experiences

37

00:01:26,070 --> 00:01:22,560

and

38

00:01:28,390 --> 00:01:26,080

book she has recently written so she'll

39

00:01:29,990 --> 00:01:28,400

be on monday everyone anyone wants to

40

00:01:32,230 --> 00:01:30,000

watch that live it will be coming up in

41

00:01:33,910 --> 00:01:32,240

the supporter feed as well and thank you

42

00:01:36,550 --> 00:01:33,920

very much supporters for supporting the

43

00:01:38,789 --> 00:01:36,560

show anyone can help out at two dollars

44

00:01:41,670 --> 00:01:38,799

or more per month all that information

45

00:01:44,069 --> 00:01:41,680

is on podcastufo.com this show does cost

46

00:01:46,550 --> 00:01:44,079

several hundred dollars a month to run

47

00:01:48,389 --> 00:01:46,560

so it is uh very much appreciated when

48

00:01:50,710 --> 00:01:48,399

people help us out here

49

00:01:52,710 --> 00:01:50,720

and that will do it for me alejandro

50

00:01:55,270 --> 00:01:52,720

what's going on

51
00:01:56,789 --> 00:01:55,280
oh this and that this and that and the

52
00:02:05,270 --> 00:01:56,799
other

53
00:02:07,749 --> 00:02:05,280
for this and that

54
00:02:10,949 --> 00:02:07,759
okay well

55
00:02:13,430 --> 00:02:10,959
awkward shuffle through your notes

56
00:02:14,470 --> 00:02:13,440
okay yeah no there's some good stuff

57
00:02:16,710 --> 00:02:14,480
this week

58
00:02:20,150 --> 00:02:16,720
great but it really is i know there is

59
00:02:22,390 --> 00:02:20,160
great even great stuff all right

60
00:02:26,150 --> 00:02:22,400
so are you ready i'm ready absolutely

61
00:02:29,589 --> 00:02:26,160
okay cool so yeah this is a cool one

62
00:02:31,910 --> 00:02:29,599
from uh have you heard of john greenwald

63
00:02:34,550 --> 00:02:31,920

never uh

64

00:02:36,949 --> 00:02:34,560

yes of course i have and no you have i

65

00:02:39,750 --> 00:02:36,959

got to meet him last year yes oh you did

66

00:02:41,350 --> 00:02:39,760

that's wonderful yeah great kid he's not

67

00:02:42,390 --> 00:02:41,360

so much a kid anymore i think he might

68

00:02:45,589 --> 00:02:42,400

even be

69

00:02:47,430 --> 00:02:45,599

uh in his 30s and he's a father now but

70

00:02:49,750 --> 00:02:47,440

he was a kid when he started doing all

71

00:02:50,710 --> 00:02:49,760

of this and what was it that he did he

72

00:02:53,110 --> 00:02:50,720

would do

73

00:02:55,910 --> 00:02:53,120

freedom of information act requests to

74

00:02:57,030 --> 00:02:55,920

get all kinds of information out now he

75

00:03:00,229 --> 00:02:57,040

has

76

00:03:02,710 --> 00:03:00,239

over a million pages of

77

00:03:05,670 --> 00:03:02,720

declassified information on his website

78

00:03:09,990 --> 00:03:05,680

and his latest additions

79

00:03:14,790 --> 00:03:10,000

are some files from the nash nuclear

80

00:03:15,750 --> 00:03:14,800

regulatory regulatory commission

81

00:03:17,110 --> 00:03:15,760

and

82

00:03:20,550 --> 00:03:17,120

essentially what this is they're called

83

00:03:22,550 --> 00:03:20,560

the nrc and they you know uh monitor the

84

00:03:25,910 --> 00:03:22,560

safety of like

85

00:03:26,790 --> 00:03:25,920

nuclear reactors and stuff like that and

86

00:03:28,869 --> 00:03:26,800

uh

87

00:03:30,789 --> 00:03:28,879

and that's what they do so he asked them

88

00:03:32,309 --> 00:03:30,799

for their ufo files

89

00:03:34,949 --> 00:03:32,319

and it wasn't that long ago and

90

00:03:38,070 --> 00:03:34,959

surprisingly he said quicker than normal

91

00:03:40,789 --> 00:03:38,080

he actually got a response and he got 43

92

00:03:43,830 --> 00:03:40,799

pages of documents

93

00:03:45,830 --> 00:03:43,840

wow yeah pretty cool so pretty quickly

94

00:03:48,789 --> 00:03:45,840

now there wasn't a whole lot there it

95

00:03:52,229 --> 00:03:48,799

sounds like a lot you know 43 pages but

96

00:03:55,350 --> 00:03:52,239

uh most of these pages had to deal with

97

00:03:58,710 --> 00:03:55,360

uh one particular case and the last two

98

00:04:01,990 --> 00:03:58,720

seem to deal with two separate ones or

99

00:04:05,990 --> 00:04:02,000

just two inquiries they had received so

100

00:04:08,990 --> 00:04:06,000

not as interesting however the case that

101
00:04:12,470 --> 00:04:09,000
is mostly featured in these files is

102
00:04:14,550 --> 00:04:12,480
extraordinary and

103
00:04:18,310 --> 00:04:14,560
my humble opinion i think it's really

104
00:04:20,870 --> 00:04:18,320
good so what this uh case uh entails is

105
00:04:23,909 --> 00:04:20,880
a report that they received in 2010 from

106
00:04:26,230 --> 00:04:23,919
a former security officer this security

107
00:04:30,390 --> 00:04:26,240
officer worked at cooper

108
00:04:33,189 --> 00:04:30,400
um nuclear station

109
00:04:36,629 --> 00:04:33,199
and essentially it's it's a power plant

110
00:04:39,350 --> 00:04:36,639
and uh in nebraska

111
00:04:41,670 --> 00:04:39,360
he submitted this report in 2010

112
00:04:45,270 --> 00:04:41,680
although he remembered the account from

113
00:04:47,590 --> 00:04:45,280

the late 80s he just had felt that

114

00:04:50,390 --> 00:04:47,600

he didn't believe it had gotten properly

115

00:04:52,469 --> 00:04:50,400

reported so for some reason in 2010 he's

116

00:04:54,790 --> 00:04:52,479

thinking hey you know what i better make

117

00:04:56,310 --> 00:04:54,800

sure that i report that and make sure it

118

00:04:58,710 --> 00:04:56,320

got properly reported so that's

119

00:05:00,629 --> 00:04:58,720

essentially what he sent in he was like

120

00:05:03,350 --> 00:05:00,639

you know this should have been reported

121

00:05:05,909 --> 00:05:03,360

but his sighting is pretty cool so while

122

00:05:08,310 --> 00:05:05,919

he was at the intake

123

00:05:11,110 --> 00:05:08,320

structure one night now this

124

00:05:13,110 --> 00:05:11,120

power plant is right off of the missouri

125

00:05:15,270 --> 00:05:13,120

river

126

00:05:17,430 --> 00:05:15,280

and it's actually almost practically in

127

00:05:19,189 --> 00:05:17,440

the river which is actually which has

128

00:05:20,550 --> 00:05:19,199

caused controversy in the past about

129

00:05:23,270 --> 00:05:20,560

flooding and stuff like this because

130

00:05:25,590 --> 00:05:23,280

it's it's jets out into this river and i

131

00:05:27,350 --> 00:05:25,600

mean i would be concerned about

132

00:05:29,830 --> 00:05:27,360

contamination and things like this but

133

00:05:32,710 --> 00:05:29,840

they probably use the water for cooling

134

00:05:34,629 --> 00:05:32,720

but anyways that the intake which is

135

00:05:35,830 --> 00:05:34,639

where you know i'm sure it's taking in

136

00:05:38,710 --> 00:05:35,840

water

137

00:05:42,150 --> 00:05:38,720

uh one night when he observed an

138

00:05:44,710 --> 00:05:42,160

unidentified flying object fly down the

139

00:05:47,670 --> 00:05:44,720

missouri river it was about a hundred

140

00:05:50,310 --> 00:05:47,680

and fifty feet in the air it hovered in

141

00:05:53,029 --> 00:05:50,320

front of the intake he saw it for a few

142

00:05:57,350 --> 00:05:53,039

minutes then he called another security

143

00:06:04,309 --> 00:06:00,790

and then together they saw it turn

144

00:06:06,390 --> 00:06:04,319

and go back up the river and that was it

145

00:06:08,230 --> 00:06:06,400

so pretty shocking that this had

146

00:06:11,590 --> 00:06:08,240

happened you know

147

00:06:16,230 --> 00:06:14,870

but it happened again

148

00:06:17,749 --> 00:06:16,240

you're supposed to like make some sort

149

00:06:20,550 --> 00:06:17,759

of explanation of

150

00:06:22,629 --> 00:06:20,560

whoa i i can't tell actually if you want

151

00:06:25,110 --> 00:06:22,639

me to be frank with you

152

00:06:26,710 --> 00:06:25,120

i was thinking we had skype issues

153

00:06:28,070 --> 00:06:26,720

the hesitation thing because it's been

154

00:06:30,629 --> 00:06:28,080

happening a little bit

155

00:06:32,070 --> 00:06:30,639

oh no no that was a um that was a

156

00:06:38,550 --> 00:06:32,080

dramatic pause

157

00:06:40,629 --> 00:06:38,560

do that let's just do that over again

158

00:06:44,550 --> 00:06:40,639

it went up the river

159

00:06:45,990 --> 00:06:44,560

disappeared

160

00:06:48,150 --> 00:06:46,000

uh what's

161

00:06:49,110 --> 00:06:48,160

oh and then but this is what's really

162

00:06:52,309 --> 00:06:49,120

cool

163

00:06:55,510 --> 00:06:52,319

so uh is that the next evening it

164

00:06:55,520 --> 00:06:58,950

yeah wow

165

00:07:03,589 --> 00:07:00,629

this time at first when it happened he

166

00:07:07,029 --> 00:07:03,599

didn't call anybody the ufo came up the

167

00:07:10,469 --> 00:07:07,039

river again but this time it went into a

168

00:07:13,029 --> 00:07:10,479

protected area and it hovered above one

169

00:07:15,110 --> 00:07:13,039

of the reactor buildings

170

00:07:17,830 --> 00:07:15,120

he said he could see it was triangular

171

00:07:20,469 --> 00:07:17,840

in shape he believed that the object was

172

00:07:22,309 --> 00:07:20,479

roughly a third the size of the reactor

173

00:07:24,950 --> 00:07:22,319

building which of course those are very

174

00:07:27,430 --> 00:07:24,960

large buildings they are

175

00:07:28,390 --> 00:07:27,440

since it was in the protected area he

176

00:07:30,710 --> 00:07:28,400

called

177

00:07:32,629 --> 00:07:30,720

the security break room which is i guess

178

00:07:34,309 --> 00:07:32,639

where all the all the security guards

179

00:07:36,950 --> 00:07:34,319

were he was the only one working at the

180

00:07:38,790 --> 00:07:36,960

time they came out

181

00:07:41,270 --> 00:07:38,800

and they saw the

182

00:07:44,070 --> 00:07:41,280

object as well it hovered for a few

183

00:07:45,350 --> 00:07:44,080

minutes and then it exited the protected

184

00:07:48,150 --> 00:07:45,360

area

185

00:07:49,909 --> 00:07:48,160

and returned back up to the river

186

00:07:52,790 --> 00:07:49,919

back up the river to the north just like

187

00:07:55,270 --> 00:07:52,800

it had the previous night

188

00:07:56,629 --> 00:07:55,280

and that was it he never saw it again

189

00:07:58,950 --> 00:07:56,639

but

190

00:08:00,309 --> 00:07:58,960

pretty crazy so of course that's a big

191

00:08:03,350 --> 00:08:00,319

deal when some

192

00:08:07,029 --> 00:08:03,360

unknown object you know comes in hovers

193

00:08:09,430 --> 00:08:07,039

and then flies off you know over a

194

00:08:10,950 --> 00:08:09,440

nuclear power plant

195

00:08:12,869 --> 00:08:10,960

so he thought you know this is a big

196

00:08:15,749 --> 00:08:12,879

deal it needs to be reported

197

00:08:18,150 --> 00:08:15,759

now in these papers the nrc actually did

198

00:08:19,990 --> 00:08:18,160

some investigation in particular a

199

00:08:23,430 --> 00:08:20,000

gentleman by the name of nick taylor who

200

00:08:26,150 --> 00:08:23,440

is a senior resident inspector when he

201
00:08:28,869 --> 00:08:26,160
sent off information uh in one of these

202
00:08:31,670 --> 00:08:28,879
letters he said he couldn't find any

203
00:08:34,230 --> 00:08:31,680
records that corroborated this account

204
00:08:37,350 --> 00:08:34,240
however he said that doesn't mean that

205
00:08:39,190 --> 00:08:37,360
it didn't happen he said reporting these

206
00:08:42,389 --> 00:08:39,200
days is much better than it used to be

207
00:08:45,350 --> 00:08:42,399
he gave an example that he looked for

208
00:08:48,630 --> 00:08:45,360
some reports between january 1 1986 and

209
00:08:50,870 --> 00:08:48,640
december 31st 1989 the witness said he

210
00:08:52,230 --> 00:08:50,880
believed it happened sometime in that

211
00:08:53,750 --> 00:08:52,240
period

212
00:08:55,590 --> 00:08:53,760
the investigator said there were only a

213
00:08:59,509 --> 00:08:55,600

thousand reports total

214

00:09:02,150 --> 00:08:59,519

uh overall however he says these days

215

00:09:04,150 --> 00:09:02,160

uh we report much more thoroughly and

216

00:09:05,110 --> 00:09:04,160

there's about ten thousand reports a

217

00:09:06,870 --> 00:09:05,120

year

218

00:09:09,030 --> 00:09:06,880

so he wasn't surprised he couldn't find

219

00:09:10,770 --> 00:09:09,040

anything because just people didn't fill

220

00:09:12,630 --> 00:09:10,780

out reports back then for some reason

221

00:09:14,310 --> 00:09:12,640

[Music]

222

00:09:15,829 --> 00:09:14,320

but he did say that regarding the

223

00:09:17,829 --> 00:09:15,839

investigation of this case it's going to

224

00:09:19,670 --> 00:09:17,839

be one wild ride

225

00:09:21,430 --> 00:09:19,680

is what he put

226

00:09:23,829 --> 00:09:21,440

so we don't know much

227

00:09:26,630 --> 00:09:23,839

beyond that he said he did

228

00:09:28,310 --> 00:09:26,640

talk to so the other witnesses the other

229

00:09:30,790 --> 00:09:28,320

security guards that were hanging out in

230

00:09:33,670 --> 00:09:30,800

the break room are hanging out in that

231

00:09:35,910 --> 00:09:33,680

break room to this day so i guess well

232

00:09:38,310 --> 00:09:35,920

at least in 2010 when this was

233

00:09:40,870 --> 00:09:38,320

investigated and reported those guys

234

00:09:42,949 --> 00:09:40,880

still work there uh all of the original

235

00:09:44,710 --> 00:09:42,959

witnesses just this one

236

00:09:47,190 --> 00:09:44,720

guy who reported it is the only one who

237

00:09:49,430 --> 00:09:47,200

was retired so they spoke with the other

238

00:09:52,070 --> 00:09:49,440

witnesses but unfortunately we don't

239

00:09:55,190 --> 00:09:52,080

have any information it adds to yet as

240

00:09:56,550 --> 00:09:55,200

to what they had said uh that was

241

00:10:00,070 --> 00:09:56,560

apparently

242

00:10:01,030 --> 00:10:00,080

forwarded to an arb which is a review

243

00:10:02,710 --> 00:10:01,040

board

244

00:10:07,670 --> 00:10:02,720

and

245

00:10:10,790 --> 00:10:07,680

pretty incredible

246

00:10:11,910 --> 00:10:10,800

report i think huh i do too you know i

247

00:10:14,550 --> 00:10:11,920

always

248

00:10:16,710 --> 00:10:14,560

am fascinated by anything to do with uh

249

00:10:19,030 --> 00:10:16,720

nuclear weapons and nuclear power

250

00:10:21,350 --> 00:10:19,040

anything to do with ufos because there's

251
00:10:24,710 --> 00:10:21,360
definitely some type of connection there

252
00:10:25,509 --> 00:10:24,720
and i wonder if uh robert hastings will

253
00:10:28,310 --> 00:10:25,519
um

254
00:10:30,630 --> 00:10:28,320
be interested in trying to investigate

255
00:10:33,269 --> 00:10:30,640
any part of this one

256
00:10:36,389 --> 00:10:33,279
uh yeah we'll have to see uh it

257
00:10:38,310 --> 00:10:36,399
certainly fits in his wheelhouse um

258
00:10:40,870 --> 00:10:38,320
and uh he's done some

259
00:10:42,790 --> 00:10:40,880
you know the best work in this area so

260
00:10:44,630 --> 00:10:42,800
right uh it's a great casey auto look

261
00:10:46,630 --> 00:10:44,640
into it that's for sure

262
00:10:48,949 --> 00:10:46,640
i'm sure he probably knows about it i'm

263
00:10:50,550 --> 00:10:48,959

sure probably john greenwald would have

264

00:10:52,470 --> 00:10:50,560

contacted him i would

265

00:10:53,509 --> 00:10:52,480

think maybe i'm just full of assumptions

266

00:10:55,190 --> 00:10:53,519

i don't know

267

00:10:58,470 --> 00:10:55,200

yeah i think you're making a lot of

268

00:11:00,310 --> 00:10:58,480

assumptions i think i am um well however

269

00:11:02,310 --> 00:11:00,320

he may be aware but that makes me think

270

00:11:03,910 --> 00:11:02,320

i should forward him this story you know

271

00:11:05,110 --> 00:11:03,920

why don't you go ahead and afford him

272

00:11:07,670 --> 00:11:05,120

the story

273

00:11:09,110 --> 00:11:07,680

okay great idea yeah that is a great

274

00:11:10,630 --> 00:11:09,120

idea

275

00:11:12,470 --> 00:11:10,640

i'll do that

276

00:11:13,990 --> 00:11:12,480

so the other thing this is kind of funny

277

00:11:17,190 --> 00:11:14,000

too because

278

00:11:19,269 --> 00:11:17,200

another the other uh files in these

279

00:11:21,750 --> 00:11:19,279

papers were essentially one person

280

00:11:25,350 --> 00:11:21,760

claiming that she believed that these uh

281

00:11:28,230 --> 00:11:25,360

aircraft that were uh nuclear powered

282

00:11:31,430 --> 00:11:28,240

had crashed and created

283

00:11:33,430 --> 00:11:31,440

essentially nuclear hot spots

284

00:11:35,030 --> 00:11:33,440

which they said

285

00:11:39,350 --> 00:11:35,040

no

286

00:11:42,150 --> 00:11:39,360

they summarized it the individual

287

00:11:45,590 --> 00:11:42,160

expressed vague concerns about finding

288

00:11:48,230 --> 00:11:45,600

low-level radiation within the last year

289

00:11:51,990 --> 00:11:48,240

where his daughter whom he believes is

290

00:11:53,509 --> 00:11:52,000

an alien or alien transplant passed

291

00:11:56,870 --> 00:11:53,519

so that's sad

292

00:11:59,190 --> 00:11:56,880

she passed away in addition the paper

293

00:12:01,750 --> 00:11:59,200

goes on in addition the individual

294

00:12:04,710 --> 00:12:01,760

believes that travel speed can be

295

00:12:07,990 --> 00:12:04,720

increased using the relativity equation

296

00:12:11,910 --> 00:12:08,000

with minor modifications finally the

297

00:12:13,670 --> 00:12:11,920

individual has observed ufos

298

00:12:14,949 --> 00:12:13,680

they responded to this gentleman and

299

00:12:17,190 --> 00:12:14,959

essentially said

300

00:12:21,350 --> 00:12:17,200

you know those topics don't really fit

301
00:12:23,990 --> 00:12:21,360
into our purview of duties and

302
00:12:26,870 --> 00:12:24,000
suggested that perhaps he contacted the

303
00:12:28,870 --> 00:12:26,880
department of defense so are you saying

304
00:12:32,389 --> 00:12:28,880
these last stories

305
00:12:33,509 --> 00:12:32,399
someone actually contacted the nrc

306
00:12:34,949 --> 00:12:33,519
with correct

307
00:12:35,829 --> 00:12:34,959
wow

308
00:12:39,110 --> 00:12:35,839
so

309
00:12:41,910 --> 00:12:39,120
um it makes you wonder why they even

310
00:12:44,389 --> 00:12:41,920
took the ufo story seriously and looked

311
00:12:46,230 --> 00:12:44,399
into it you know after um getting all

312
00:12:48,150 --> 00:12:46,240
types of other strange reports of course

313
00:12:50,069 --> 00:12:48,160

the guy did work at the plant so did the

314

00:12:52,870 --> 00:12:50,079

other people i guess that was the

315

00:12:54,949 --> 00:12:52,880

difference for sure yeah they took it

316

00:12:57,110 --> 00:12:54,959

very seriously there was no indication

317

00:12:58,470 --> 00:12:57,120

beyond saying it would be a wild ride

318

00:13:00,870 --> 00:12:58,480

that they

319

00:13:01,670 --> 00:13:00,880

were making fun or tongue-in-cheek at

320

00:13:03,990 --> 00:13:01,680

all

321

00:13:05,670 --> 00:13:04,000

so they did take it very seriously which

322

00:13:07,030 --> 00:13:05,680

they should coming from a security

323

00:13:08,470 --> 00:13:07,040

officer

324

00:13:10,310 --> 00:13:08,480

but of course it would be very

325

00:13:12,550 --> 00:13:10,320

interesting to speak with that officer

326

00:13:14,870 --> 00:13:12,560

or some of these other witnesses

327

00:13:17,670 --> 00:13:14,880

so hopefully someone will do that

328

00:13:19,030 --> 00:13:17,680

perhaps it will be myself at some point

329

00:13:20,949 --> 00:13:19,040

but

330

00:13:23,509 --> 00:13:20,959

we'll see if anybody beats me to it or

331

00:13:24,710 --> 00:13:23,519

if uh any of us are able to talk to

332

00:13:26,310 --> 00:13:24,720

anyone at all

333

00:13:28,389 --> 00:13:26,320

all right well

334

00:13:30,550 --> 00:13:28,399

i i think we're we're getting kind of

335

00:13:31,829 --> 00:13:30,560

out of time-ish sort of i don't think we

336

00:13:33,110 --> 00:13:31,839

have time for another story unless you

337

00:13:35,110 --> 00:13:33,120

have a quick one

338

00:13:37,350 --> 00:13:35,120

uh well just very quickly a couple of

339

00:13:39,910 --> 00:13:37,360

great cases you know roger marsh seems

340

00:13:42,629 --> 00:13:39,920

to really love plucking out the triangle

341

00:13:45,350 --> 00:13:42,639

uh ufo sightings right uh

342

00:13:47,509 --> 00:13:45,360

the mufon and uh and this was a triangle

343

00:13:50,230 --> 00:13:47,519

signing so there are a couple more uh

344

00:13:51,910 --> 00:13:50,240

recent ones so one from virginia and

345

00:13:53,910 --> 00:13:51,920

this person drew a picture of what they

346

00:13:56,629 --> 00:13:53,920

saw a triangular craft with five lights

347

00:13:58,150 --> 00:13:56,639

on it this was from just march 19th so

348

00:13:59,750 --> 00:13:58,160

very recent

349

00:14:00,790 --> 00:13:59,760

another one

350

00:14:02,389 --> 00:14:00,800

is

351

00:14:04,310 --> 00:14:02,399

from pennsylvania

352

00:14:07,509 --> 00:14:04,320

dauphin is the name of the city this was

353

00:14:12,629 --> 00:14:07,519

in february february 14th and this

354

00:14:14,790 --> 00:14:12,639

person uh drew uh kind of did a graphic

355

00:14:17,110 --> 00:14:14,800

like a photoshop sort of graphic of what

356

00:14:19,030 --> 00:14:17,120

they saw so a great graphic so a couple

357

00:14:21,030 --> 00:14:19,040

more triangular cases that you can see

358

00:14:22,629 --> 00:14:21,040

also all of which you can find at

359

00:14:23,590 --> 00:14:22,639

openminds tv

360

00:14:26,069 --> 00:14:23,600

great

361

00:14:28,069 --> 00:14:26,079

all right alejandro thanks so much as

362

00:14:29,829 --> 00:14:28,079

always for your

363

00:14:30,710 --> 00:14:29,839

for your professionalism and all that

364

00:14:33,030 --> 00:14:30,720

stuff

365

00:14:34,870 --> 00:14:33,040

my pleasure all right and we'll talk to

366

00:14:36,870 --> 00:14:34,880

you next week all right talk to you

367

00:14:38,310 --> 00:14:36,880

later buddy all righty so hang in

368

00:14:40,389 --> 00:14:38,320

everyone we're gonna have a quick music

369

00:14:43,540 --> 00:14:40,399

break and we'll be right back with john

370

00:14:43,550 --> 00:15:00,790

[Music]

371

00:15:23,630 --> 00:15:02,090

so

372

00:15:33,750 --> 00:15:29,350

[Music]

373

00:15:37,430 --> 00:15:35,350

thanks martin i appreciate you bringing

374

00:15:39,189 --> 00:15:37,440

me on again yes i think it was uh i

375

00:15:40,629 --> 00:15:39,199

think it was two years ago i believe it

376

00:15:43,189 --> 00:15:40,639

was in

377

00:15:44,389 --> 00:15:43,199

uh december last time we had both you

378

00:15:46,629 --> 00:15:44,399

and uh

379

00:15:49,910 --> 00:15:46,639

colonel halt on which was actually a

380

00:15:52,310 --> 00:15:49,920

very popular show for for us

381

00:15:54,949 --> 00:15:52,320

right it was definitely an interesting

382

00:15:57,269 --> 00:15:54,959

show you can say that for sure yeah

383

00:15:58,389 --> 00:15:57,279

yeah interesting um and

384

00:16:00,470 --> 00:15:58,399

so

385

00:16:03,590 --> 00:16:00,480

i i'm glad you're back on and you do a

386

00:16:05,670 --> 00:16:03,600

show now with uh linda molten howe and

387

00:16:07,990 --> 00:16:05,680

uh why don't you just tell the listening

388

00:16:10,069 --> 00:16:08,000

audience about that because uh

389

00:16:11,910 --> 00:16:10,079

she's a fascinating lady and you

390

00:16:13,189 --> 00:16:11,920

interview different people yourself

391

00:16:15,670 --> 00:16:13,199

right

392

00:16:18,150 --> 00:16:15,680

correct um we started a show it'll be

393

00:16:20,150 --> 00:16:18,160

just over a year and a half ago on kgra

394

00:16:22,870 --> 00:16:20,160

called phenomenon radio

395

00:16:25,670 --> 00:16:22,880

and we've covered different topics but

396

00:16:27,910 --> 00:16:25,680

we try to stick a little bit to

397

00:16:30,230 --> 00:16:27,920

the bent waters case itself we've had

398

00:16:31,829 --> 00:16:30,240

different people on involving that

399

00:16:34,150 --> 00:16:31,839

and some of the phenomena that's in

400

00:16:37,189 --> 00:16:34,160

condyne and some of this other stuff

401
00:16:39,430 --> 00:16:37,199
that can relate to rundle shum but also

402
00:16:41,670 --> 00:16:39,440
what's going on period you know in as

403
00:16:43,509 --> 00:16:41,680
far as the sightings and and different

404
00:16:47,509 --> 00:16:43,519
things like that we're on every thursday

405
00:16:49,509 --> 00:16:47,519
night on kgra from uh 8 to 10 eastern

406
00:16:51,350 --> 00:16:49,519
and we have a whole bunch of different

407
00:16:53,110 --> 00:16:51,360
guests on depending on the week and the

408
00:16:55,030 --> 00:16:53,120
topic and

409
00:16:56,790 --> 00:16:55,040
you know as far as where we're trying to

410
00:16:58,470 --> 00:16:56,800
go with different things right right now

411
00:17:00,870 --> 00:16:58,480
we've been talking about

412
00:17:03,509 --> 00:17:00,880
quite a bit about there might be some

413
00:17:04,470 --> 00:17:03,519

attempt of some kind of i don't like the

414

00:17:09,590 --> 00:17:04,480

word

415

00:17:11,750 --> 00:17:09,600

i call confirmation there may be some

416

00:17:14,150 --> 00:17:11,760

something coming out this summer on

417

00:17:16,470 --> 00:17:14,160

um that that will be admitted there's

418

00:17:18,390 --> 00:17:16,480

been some kind of uh like contact with

419

00:17:21,270 --> 00:17:18,400

something out there in space

420

00:17:24,870 --> 00:17:21,280

wow you know it's it's uh

421

00:17:26,870 --> 00:17:24,880

i think i listened to an old show on

422

00:17:29,430 --> 00:17:26,880

youtube or something like that from way

423

00:17:31,669 --> 00:17:29,440

back in the 1950s and there was a there

424

00:17:34,390 --> 00:17:31,679

was a guy in there that was

425

00:17:36,310 --> 00:17:34,400

claiming that some type of contact he

426

00:17:38,150 --> 00:17:36,320

was sure that was going to happen

427

00:17:39,029 --> 00:17:38,160

in his lifetime within the next year or

428

00:17:41,750 --> 00:17:39,039

two

429

00:17:43,909 --> 00:17:41,760

and it kind of made me a little like go

430

00:17:48,549 --> 00:17:43,919

okay so they've been saying it all along

431

00:17:51,510 --> 00:17:48,559

you know but maybe uh just maybe uh

432

00:17:53,990 --> 00:17:51,520

you know i i feel i truly feel like we

433

00:17:55,750 --> 00:17:54,000

are drawing nearer to something you know

434

00:17:58,150 --> 00:17:55,760

maybe it's my imagination just like it

435

00:18:00,470 --> 00:17:58,160

was for that gentleman way back then but

436

00:18:01,990 --> 00:18:00,480

uh are you hearing

437

00:18:04,710 --> 00:18:02,000

well i was gonna say i think

438

00:18:06,150 --> 00:18:04,720

expectations are too high i mean

439

00:18:08,390 --> 00:18:06,160

if you just look at how the government

440

00:18:10,310 --> 00:18:08,400

handles everything and this may not even

441

00:18:11,510 --> 00:18:10,320

come from the government directly

442

00:18:13,190 --> 00:18:11,520

obviously more than likely the

443

00:18:14,710 --> 00:18:13,200

government will have to allow it to

444

00:18:16,870 --> 00:18:14,720

happen as far as they'll give their

445

00:18:19,510 --> 00:18:16,880

blessings but it may come through the

446

00:18:21,190 --> 00:18:19,520

scientific community um so much of this

447

00:18:21,990 --> 00:18:21,200

has kind of been

448

00:18:25,190 --> 00:18:22,000

low

449

00:18:26,310 --> 00:18:25,200

profile because of the elections we had

450

00:18:28,630 --> 00:18:26,320

last fall

451
00:18:29,270 --> 00:18:28,640
i mean on top of what was being covered

452
00:18:31,350 --> 00:18:29,280
in

453
00:18:33,830 --> 00:18:31,360
you know what could happen was more

454
00:18:35,430 --> 00:18:33,840
along the lines that podesta and hillary

455
00:18:36,470 --> 00:18:35,440
were going to do something after she got

456
00:18:39,669 --> 00:18:36,480
elected

457
00:18:42,070 --> 00:18:39,679
but you had stuff coming out that there

458
00:18:43,350 --> 00:18:42,080
was some articles written there was even

459
00:18:44,950 --> 00:18:43,360
a paper written and i don't have the

460
00:18:45,909 --> 00:18:44,960
names of the scientists in front of me

461
00:18:50,950 --> 00:18:45,919
but

462
00:18:54,310 --> 00:18:50,960
what area out there you know in the

463
00:18:56,470 --> 00:18:54,320

solar system they think they've received

464

00:18:59,270 --> 00:18:56,480

transmissions possibly

465

00:19:00,950 --> 00:18:59,280

from from that area uh nasa just came

466

00:19:02,789 --> 00:19:00,960

out recently and said the same thing

467

00:19:05,190 --> 00:19:02,799

that you know there is a solar system

468

00:19:07,310 --> 00:19:05,200

that could support life and sadie jumped

469

00:19:09,350 --> 00:19:07,320

on it right afterwards and said they are

470

00:19:12,310 --> 00:19:09,360

reevaluating certain signals that come

471

00:19:14,549 --> 00:19:12,320

from that area based on this you know

472

00:19:16,150 --> 00:19:14,559

this discovery or whatever you want to

473

00:19:17,430 --> 00:19:16,160

call whether it was a discovery how long

474

00:19:19,270 --> 00:19:17,440

they knew it or

475

00:19:20,870 --> 00:19:19,280

you know this admission they're going to

476

00:19:23,110 --> 00:19:20,880

look further into maybe there's been

477

00:19:26,310 --> 00:19:23,120

some signals coming from that area

478

00:19:28,630 --> 00:19:26,320

so my take on this is that if you have

479

00:19:29,669 --> 00:19:28,640

never seen the movie contact watch it

480

00:19:32,710 --> 00:19:29,679

yeah

481

00:19:34,710 --> 00:19:32,720

because that was kind of

482

00:19:36,070 --> 00:19:34,720

an interesting spin on how it could all

483

00:19:38,710 --> 00:19:36,080

take place but

484

00:19:40,630 --> 00:19:38,720

it would make the most sense and i'm

485

00:19:43,430 --> 00:19:40,640

sure for the hardcore people living in

486

00:19:45,430 --> 00:19:43,440

ufology forever they're not going to buy

487

00:19:47,510 --> 00:19:45,440

you know what'll come out of it but if

488

00:19:49,029 --> 00:19:47,520

you let the scientists come out

489

00:19:50,630 --> 00:19:49,039

say they've had

490

00:19:53,110 --> 00:19:50,640

some kind of interaction or they believe

491

00:19:55,029 --> 00:19:53,120

they had on top of the fact that it

492

00:19:56,789 --> 00:19:55,039

could involve the chinese have launched

493

00:19:59,750 --> 00:19:56,799

a quantum satellite they've confirmed

494

00:20:02,230 --> 00:19:59,760

that i'm not sure what we have up there

495

00:20:03,990 --> 00:20:02,240

and they're also putting a quantum

496

00:20:06,789 --> 00:20:04,000

computer online

497

00:20:08,789 --> 00:20:06,799

that that would play into this so

498

00:20:10,870 --> 00:20:08,799

if you let the scientific world admit

499

00:20:12,789 --> 00:20:10,880

there was some kind of transmission that

500

00:20:13,830 --> 00:20:12,799

took place because they all but did say

501
00:20:18,549 --> 00:20:13,840
that

502
00:20:19,350 --> 00:20:18,559
just had to reconfirm it

503
00:20:21,590 --> 00:20:19,360
so

504
00:20:23,430 --> 00:20:21,600
if you did that that would take the

505
00:20:25,190 --> 00:20:23,440
pressure off the government

506
00:20:27,190 --> 00:20:25,200
and it would throw into the scientist's

507
00:20:28,070 --> 00:20:27,200
lap of what it could mean and everything

508
00:20:29,990 --> 00:20:28,080
else

509
00:20:31,830 --> 00:20:30,000
and they then they could try to

510
00:20:33,350 --> 00:20:31,840
speculate on where it is where it's

511
00:20:35,750 --> 00:20:33,360
coming from

512
00:20:37,270 --> 00:20:35,760
they decide for the message and all that

513
00:20:39,190 --> 00:20:37,280

and it would take some of the heat off

514

00:20:41,029 --> 00:20:39,200

our government for

515

00:20:42,950 --> 00:20:41,039

you know coming out taking heated

516

00:20:45,410 --> 00:20:42,960

questions on disclosure

517

00:20:46,630 --> 00:20:45,420

and on top of that it also would um

518

00:20:49,029 --> 00:20:46,640

[Music]

519

00:20:50,789 --> 00:20:49,039

fall into this robert bigelow scenario

520

00:20:52,710 --> 00:20:50,799

that he did three years ago with george

521

00:20:54,710 --> 00:20:52,720

knapp and it seems to be falling into

522

00:20:57,190 --> 00:20:54,720

place see he said we're probably going

523

00:20:58,870 --> 00:20:57,200

to get confirmation over disclosure

524

00:21:00,549 --> 00:20:58,880

and that would be kind of what this

525

00:21:02,070 --> 00:21:00,559

would be that there is something else

526

00:21:04,390 --> 00:21:02,080

out there but we're not going to go any

527

00:21:07,510 --> 00:21:04,400

further with it other than that at this

528

00:21:10,230 --> 00:21:07,520

point right yeah i heard i heard uh

529

00:21:12,310 --> 00:21:10,240

recently about those radio blasts that's

530

00:21:14,070 --> 00:21:12,320

interesting uh

531

00:21:16,390 --> 00:21:14,080

and i'm wondering how

532

00:21:18,470 --> 00:21:16,400

i know that seti is actually looking or

533

00:21:22,630 --> 00:21:18,480

turning their you know telescopes in

534

00:21:24,950 --> 00:21:22,640

that direction and and but i i do feel

535

00:21:26,470 --> 00:21:24,960

i feel like we've been gently led toward

536

00:21:28,149 --> 00:21:26,480

that direction

537

00:21:29,669 --> 00:21:28,159

um you know with the

538

00:21:31,190 --> 00:21:29,679

starting with the kepler telescope and

539

00:21:33,669 --> 00:21:31,200

all that and just the

540

00:21:35,830 --> 00:21:33,679

uh you know the more identifiable

541

00:21:37,029 --> 00:21:35,840

earth-like planets that seem to be

542

00:21:40,230 --> 00:21:37,039

uh found

543

00:21:41,590 --> 00:21:40,240

um and some interesting ones lately um

544

00:21:43,029 --> 00:21:41,600

just a couple things john i wanted to

545

00:21:44,149 --> 00:21:43,039

let you know that we do have some

546

00:21:48,070 --> 00:21:44,159

questions

547

00:21:49,590 --> 00:21:48,080

also have a chat room uh someone posted

548

00:21:51,750 --> 00:21:49,600

a question there i asked him to post it

549

00:21:53,750 --> 00:21:51,760

again a little bit later on um so we'll

550

00:21:55,750 --> 00:21:53,760

be taking questions as far as the phone

551
00:21:59,190 --> 00:21:55,760
goes just to let the listener

552
00:22:00,710 --> 00:21:59,200
know i started the show in 2011 i wanted

553
00:22:01,990 --> 00:22:00,720
to make sure it was interactive with

554
00:22:03,990 --> 00:22:02,000
everyone so

555
00:22:06,310 --> 00:22:04,000
phone calls was important to me some

556
00:22:09,110 --> 00:22:06,320
people complain about them but uh phone

557
00:22:11,270 --> 00:22:09,120
calls have been important skype is not

558
00:22:13,190 --> 00:22:11,280
allowing me to add phone calls to the

559
00:22:14,870 --> 00:22:13,200
conversation and i thought it was

560
00:22:16,870 --> 00:22:14,880
something wrong with my software or

561
00:22:18,710 --> 00:22:16,880
something like that but going into the

562
00:22:20,789 --> 00:22:18,720
forums and things like that i find out

563
00:22:22,950 --> 00:22:20,799

that anyone that does shows is having

564

00:22:24,549 --> 00:22:22,960

the same issue skype is not fixing it

565

00:22:27,430 --> 00:22:24,559

because they've done a couple of updates

566

00:22:29,029 --> 00:22:27,440

since then so i'm gonna get a phone line

567

00:22:31,029 --> 00:22:29,039

service in here somehow i'm gonna get

568

00:22:32,470 --> 00:22:31,039

phones but no phone calls this evening

569

00:22:33,590 --> 00:22:32,480

but again if you're in the chat room and

570

00:22:35,270 --> 00:22:33,600

you're live and you'd like to ask some

571

00:22:37,510 --> 00:22:35,280

questions um

572

00:22:39,909 --> 00:22:37,520

i will ask them a little later on as we

573

00:22:41,669 --> 00:22:39,919

as we go along here

574

00:22:44,149 --> 00:22:41,679

it's better actually in the second hour

575

00:22:47,350 --> 00:22:44,159

if you're hanging in that long

576

00:22:49,350 --> 00:22:47,360

so john uh as far as

577

00:22:51,270 --> 00:22:49,360

i think that when you were on before we

578

00:22:54,070 --> 00:22:51,280

talked about the

579

00:22:57,190 --> 00:22:54,080

different uh it's sort of convoluted

580

00:22:58,149 --> 00:22:57,200

tales between a lot of different people

581

00:22:59,110 --> 00:22:58,159

um

582

00:23:01,350 --> 00:22:59,120

and

583

00:23:03,830 --> 00:23:01,360

there's a there's confusion you hear you

584

00:23:05,830 --> 00:23:03,840

know quite a bit with what happened and

585

00:23:07,669 --> 00:23:05,840

i know that uh

586

00:23:09,909 --> 00:23:07,679

the situation was not good with you the

587

00:23:12,070 --> 00:23:09,919

way that you were

588

00:23:14,310 --> 00:23:12,080

so-called debriefed

589

00:23:16,149 --> 00:23:14,320

and i can't even believe that

590

00:23:18,149 --> 00:23:16,159

drugs were used i mean it just doesn't

591

00:23:19,909 --> 00:23:18,159

even make any sense that our government

592

00:23:21,510 --> 00:23:19,919

would do that i mean it baffles me

593

00:23:24,470 --> 00:23:21,520

because i don't know if there's other

594

00:23:26,789 --> 00:23:24,480

cases are you familiar with other cases

595

00:23:29,029 --> 00:23:26,799

not ufos but other cases where they use

596

00:23:31,190 --> 00:23:29,039

drugs to uh

597

00:23:33,270 --> 00:23:31,200

interrogate whatever well here's the

598

00:23:36,230 --> 00:23:33,280

thing okay this is what

599

00:23:37,990 --> 00:23:36,240

this is where this there's a problem you

600

00:23:39,350 --> 00:23:38,000

know as far as certain people to follow

601
00:23:40,390 --> 00:23:39,360
the case and different things that have

602
00:23:43,430 --> 00:23:40,400
happened

603
00:23:44,870 --> 00:23:43,440
uh and even i want to throw this out

604
00:23:45,909 --> 00:23:44,880
about colonel hall

605
00:23:50,230 --> 00:23:45,919
he

606
00:23:51,909 --> 00:23:50,240
aware of any of that taking place right

607
00:23:54,950 --> 00:23:51,919
after the incident

608
00:23:56,549 --> 00:23:54,960
but because penniston under hypnosis

609
00:23:59,430 --> 00:23:56,559
came out and said

610
00:24:01,750 --> 00:23:59,440
that he was injected with um

611
00:24:03,029 --> 00:24:01,760
sodium pentathol but

612
00:24:04,470 --> 00:24:03,039
other people said it could have been

613
00:24:06,789 --> 00:24:04,480

pentathol would have been amythol

614

00:24:08,630 --> 00:24:06,799

because that's the more conducive drug

615

00:24:10,950 --> 00:24:08,640

if it really did happen

616

00:24:13,110 --> 00:24:10,960

um i think postenza mentioned a little

617

00:24:15,510 --> 00:24:13,120

bit that he was taken down underground

618

00:24:18,230 --> 00:24:15,520

and intimidated he never really went

619

00:24:20,470 --> 00:24:18,240

into um you know as far as drugs being

620

00:24:22,549 --> 00:24:20,480

used on them um so

621

00:24:24,390 --> 00:24:22,559

there's no there's never really been a

622

00:24:27,269 --> 00:24:24,400

total confirmation

623

00:24:29,430 --> 00:24:27,279

that that took place for sure uh colonel

624

00:24:31,510 --> 00:24:29,440

hall loves to harp on that

625

00:24:33,909 --> 00:24:31,520

but that's one of the issues i have with

626

00:24:35,990 --> 00:24:33,919

him he he says he didn't know it took

627

00:24:38,549 --> 00:24:36,000

place during the time and that's always

628

00:24:41,269 --> 00:24:38,559

been a question of mine is

629

00:24:42,870 --> 00:24:41,279

if this incident took place he claims he

630

00:24:43,830 --> 00:24:42,880

never was talked too debriefed or

631

00:24:45,990 --> 00:24:43,840

anything

632

00:24:49,190 --> 00:24:46,000

um he wasn't aware of this going on with

633

00:24:52,310 --> 00:24:49,200

us but he was the deputy base commander

634

00:24:54,070 --> 00:24:52,320

and if they brought these people in and

635

00:24:56,070 --> 00:24:54,080

according to some there was a group of

636

00:24:57,750 --> 00:24:56,080

us that were brought in and worked over

637

00:24:59,430 --> 00:24:57,760

how could they not have known something

638

00:25:02,549 --> 00:24:59,440

was taking place

639

00:25:04,630 --> 00:25:02,559

i it just seems like that that would

640

00:25:06,789 --> 00:25:04,640

you know and and the second part of it

641

00:25:08,390 --> 00:25:06,799

is his part about saying he was never

642

00:25:11,190 --> 00:25:08,400

talked to a debrief doesn't make any

643

00:25:13,029 --> 00:25:11,200

sense either because he's had he had an

644

00:25:14,950 --> 00:25:13,039

interaction out in the field with

645

00:25:17,909 --> 00:25:14,960

something to include a beam of light

646

00:25:20,390 --> 00:25:17,919

coming down his feet with the tape now

647

00:25:22,230 --> 00:25:20,400

he was questioning that one time where

648

00:25:24,230 --> 00:25:22,240

you know he goes they go could you have

649

00:25:26,310 --> 00:25:24,240

been he goes no he goes what they go why

650

00:25:28,230 --> 00:25:26,320

he goes well several weeks later i wrote

651
00:25:29,750 --> 00:25:28,240
down everything that happened and i

652
00:25:32,390 --> 00:25:29,760
still remember it that way and he says

653
00:25:33,830 --> 00:25:32,400
well according to what you said other

654
00:25:36,230 --> 00:25:33,840
people said it happened immediately

655
00:25:37,990 --> 00:25:36,240
after so who's to say that you couldn't

656
00:25:39,909 --> 00:25:38,000
have been messed with

657
00:25:41,430 --> 00:25:39,919
you know right away and what you wrote

658
00:25:42,390 --> 00:25:41,440
down three or four weeks later is what

659
00:25:44,230 --> 00:25:42,400
you remember

660
00:25:46,230 --> 00:25:44,240
based on what they did to you

661
00:25:49,269 --> 00:25:46,240
yes i think you and i may have had a

662
00:25:50,070 --> 00:25:49,279
conversation um about what i thought i

663
00:25:52,950 --> 00:25:50,080

heard

664

00:25:57,110 --> 00:25:52,960

colonel hall say to me in north carolina

665

00:25:58,549 --> 00:25:57,120

about right yeah um so you know we we

666

00:26:00,390 --> 00:25:58,559

uh

667

00:26:01,590 --> 00:26:00,400

colonel halton i leave it at this point

668

00:26:03,590 --> 00:26:01,600

where

669

00:26:06,230 --> 00:26:03,600

um i think

670

00:26:09,110 --> 00:26:06,240

uh that i heard him say that they use

671

00:26:11,110 --> 00:26:09,120

drugs on him and he says he never said

672

00:26:13,269 --> 00:26:11,120

it and that we're we we're parting as

673

00:26:16,789 --> 00:26:13,279

friends in that way we're not uh getting

674

00:26:20,230 --> 00:26:16,799

a big uh argument about it but um

675

00:26:22,230 --> 00:26:20,240

you know it it does it is a little weird

676

00:26:24,549 --> 00:26:22,240

what you just said why

677

00:26:26,630 --> 00:26:24,559

he wasn't debriefed i mean he was right

678

00:26:27,909 --> 00:26:26,640

there and he was commanding the whole

679

00:26:29,990 --> 00:26:27,919

situation

680

00:26:31,190 --> 00:26:30,000

um you know so it is it is rather

681

00:26:33,510 --> 00:26:31,200

bizarre

682

00:26:35,830 --> 00:26:33,520

that well yeah it goes even deeper than

683

00:26:36,789 --> 00:26:35,840

that as far as he just came out with the

684

00:26:40,149 --> 00:26:36,799

book

685

00:26:42,070 --> 00:26:40,159

i think it was last fall yeah um called

686

00:26:44,549 --> 00:26:42,080

the hall perspective and

687

00:26:46,950 --> 00:26:44,559

it was typical colonel hall i mean as

688

00:26:49,669 --> 00:26:46,960

far as going after larry warren

689

00:26:51,830 --> 00:26:49,679

and um that i've always found that

690

00:26:53,350 --> 00:26:51,840

actually not right away but over the

691

00:26:54,870 --> 00:26:53,360

years i've watched this

692

00:26:56,310 --> 00:26:54,880

that it just seems like anytime

693

00:26:58,870 --> 00:26:56,320

something interesting starts coming out

694

00:27:00,390 --> 00:26:58,880

about the case those two seem to go at

695

00:27:02,630 --> 00:27:00,400

each other and

696

00:27:04,950 --> 00:27:02,640

most of the time it is driven by colonel

697

00:27:07,269 --> 00:27:04,960

hall not by warren himself

698

00:27:09,510 --> 00:27:07,279

but it turns into this big

699

00:27:11,990 --> 00:27:09,520

you know back and forth thing and and we

700

00:27:14,070 --> 00:27:12,000

get sidetracked from what actually could

701
00:27:16,149 --> 00:27:14,080
have been at the area in the base what

702
00:27:18,230 --> 00:27:16,159
we could have encountered what went on

703
00:27:20,789 --> 00:27:18,240
but as far as the part about it telling

704
00:27:22,310 --> 00:27:20,799
the story

705
00:27:24,470 --> 00:27:22,320
when you listen to him talk about what

706
00:27:25,269 --> 00:27:24,480
he remembers happening it's fascinating

707
00:27:26,950 --> 00:27:25,279
i mean

708
00:27:29,750 --> 00:27:26,960
here the man was out there with the

709
00:27:31,269 --> 00:27:29,760
five-man team originally and they saw

710
00:27:32,870 --> 00:27:31,279
stuff in the sky

711
00:27:35,909 --> 00:27:32,880
and they had a beam of light come down

712
00:27:37,669 --> 00:27:35,919
to their feet he was recording this and

713
00:27:40,149 --> 00:27:37,679

stuff and that makes that you know

714

00:27:42,789 --> 00:27:40,159

that's huge and and as far as the fact

715

00:27:45,750 --> 00:27:42,799

that you have a lieutenant colonel out

716

00:27:48,310 --> 00:27:45,760

there that documented this you know

717

00:27:49,190 --> 00:27:48,320

that makes a lot that's important to the

718

00:27:52,070 --> 00:27:49,200

case

719

00:27:53,909 --> 00:27:52,080

and to have people understand it

720

00:27:55,830 --> 00:27:53,919

whatever you want to believe happened

721

00:27:58,230 --> 00:27:55,840

whether it was e.t

722

00:28:00,389 --> 00:27:58,240

time travelers us

723

00:28:01,750 --> 00:28:00,399

or the phenomenon that they talk about

724

00:28:03,750 --> 00:28:01,760

in con dying

725

00:28:06,789 --> 00:28:03,760

or a mixture of all three or four or

726

00:28:08,549 --> 00:28:06,799

whatever something did happen to us but

727

00:28:11,110 --> 00:28:08,559

what ends up happening all the time is

728

00:28:12,630 --> 00:28:11,120

we get into this slug vest especially

729

00:28:14,470 --> 00:28:12,640

him at warren and

730

00:28:16,549 --> 00:28:14,480

and it sidetracks from the incident

731

00:28:19,350 --> 00:28:16,559

itself and it never really gets around

732

00:28:20,149 --> 00:28:19,360

to let's move forward to get as many

733

00:28:22,389 --> 00:28:20,159

people

734

00:28:24,950 --> 00:28:22,399

to come out to remember what they heard

735

00:28:28,310 --> 00:28:24,960

what they saw or what what they know and

736

00:28:31,110 --> 00:28:28,320

go forward so it hurts the case as far

737

00:28:33,350 --> 00:28:31,120

as the way he comes after warren but he

738

00:28:35,830 --> 00:28:33,360

also likes to come after the rest of us

739

00:28:38,549 --> 00:28:35,840

too and say we're not you know reliable

740

00:28:40,149 --> 00:28:38,559

witnesses because of the fact that he

741

00:28:42,310 --> 00:28:40,159

feels that we were interrogated and

742

00:28:44,070 --> 00:28:42,320

everything else but then he provides no

743

00:28:46,470 --> 00:28:44,080

proof to that matter you know what i

744

00:28:48,789 --> 00:28:46,480

mean and when i say that i'm not saying

745

00:28:51,350 --> 00:28:48,799

that maybe something didn't happen to us

746

00:28:54,230 --> 00:28:51,360

but why does he want to reinforce that

747

00:28:56,070 --> 00:28:54,240

and say he never was messed with trust

748

00:28:58,549 --> 00:28:56,080

him and trust him only

749

00:29:01,510 --> 00:28:58,559

when you can take some of his story as

750

00:29:03,029 --> 00:29:01,520

far as how he's tried to go after us to

751
00:29:05,510 --> 00:29:03,039
include the fact that he lied about

752
00:29:07,909 --> 00:29:05,520
adrian and i's participation in the

753
00:29:09,669 --> 00:29:07,919
incident early on and just now in this

754
00:29:11,110 --> 00:29:09,679
latest book he's admitted now that we

755
00:29:13,269 --> 00:29:11,120
were involved with this party and we

756
00:29:15,110 --> 00:29:13,279
went forward of him

757
00:29:16,630 --> 00:29:15,120
and he even admitted he can't say for

758
00:29:18,149 --> 00:29:16,640
sure what happened to us once we went

759
00:29:22,070 --> 00:29:18,159
forward

760
00:29:24,630 --> 00:29:22,080
right right so you do you yourself

761
00:29:27,909 --> 00:29:24,640
what do you recall from the debriefing

762
00:29:32,470 --> 00:29:30,389
i never that's the thing i don't ever

763
00:29:34,710 --> 00:29:32,480

remember being debriefed now really i

764

00:29:37,190 --> 00:29:34,720

think bestenza at one point told me we

765

00:29:39,510 --> 00:29:37,200

talked you know we talked occasionally

766

00:29:42,070 --> 00:29:39,520

he told me he said he saw me up there i

767

00:29:43,750 --> 00:29:42,080

think was on monday up there at the uh

768

00:29:44,870 --> 00:29:43,760

security uh

769

00:29:45,669 --> 00:29:44,880

desk or

770

00:29:48,389 --> 00:29:45,679

not

771

00:29:50,230 --> 00:29:48,399

where the security operations was the

772

00:29:52,389 --> 00:29:50,240

desk law enforcement desk was across the

773

00:29:54,710 --> 00:29:52,399

street so he saw me up there at one

774

00:29:56,470 --> 00:29:54,720

point um the only thing i ever

775

00:29:57,190 --> 00:29:56,480

remembered was simply

776

00:30:05,350 --> 00:29:57,200

we

777

00:30:07,269 --> 00:30:05,360

there obviously early friday morning and

778

00:30:09,990 --> 00:30:07,279

then i was back out there again saturday

779

00:30:13,190 --> 00:30:10,000

night into sunday now i remember when we

780

00:30:14,549 --> 00:30:13,200

came to work monday we were on before we

781

00:30:15,590 --> 00:30:14,559

went on break on friday the shift

782

00:30:17,510 --> 00:30:15,600

commander said we're probably gonna have

783

00:30:19,909 --> 00:30:17,520

to write something up came back they

784

00:30:22,549 --> 00:30:19,919

wanted us to write something up so i

785

00:30:25,269 --> 00:30:22,559

remember going and seeing with peniston

786

00:30:27,669 --> 00:30:25,279

command second i we went in and saw uh

787

00:30:30,070 --> 00:30:27,679

colonel hall then colonel conrad and

788

00:30:32,630 --> 00:30:30,080

colonel williams each one at a time and

789

00:30:35,190 --> 00:30:32,640

with our statements that we wrote up and

790

00:30:37,269 --> 00:30:35,200

uh peniston did most of the talking and

791

00:30:39,750 --> 00:30:37,279

basically we just got told that it was

792

00:30:40,710 --> 00:30:39,760

being looked into and uh just to stay

793

00:30:42,470 --> 00:30:40,720

quiet

794

00:30:45,110 --> 00:30:42,480

and they'd let us know if they needed

795

00:30:46,710 --> 00:30:45,120

anything from us and i was in there

796

00:30:49,269 --> 00:30:46,720

everyone first class and i just went on

797

00:30:51,110 --> 00:30:49,279

my way and i couldn't explain it anyway

798

00:30:53,190 --> 00:30:51,120

and there's a lot of people higher

799

00:30:55,029 --> 00:30:53,200

ranked to me that said leave it alone so

800

00:30:58,070 --> 00:30:55,039

i did so

801

00:30:59,830 --> 00:30:58,080

now um i've i asked uh last time uh

802

00:31:01,350 --> 00:30:59,840

colonel hall was on this

803

00:31:02,870 --> 00:31:01,360

show i asked him this question i'm going

804

00:31:05,590 --> 00:31:02,880

to ask you the same

805

00:31:08,070 --> 00:31:05,600

and is that if this

806

00:31:10,149 --> 00:31:08,080

hadn't been brought to light

807

00:31:12,070 --> 00:31:10,159

would you have talked about it publicly

808

00:31:13,110 --> 00:31:12,080

or would you have just kept quiet about

809

00:31:19,190 --> 00:31:13,120

it

810

00:31:20,789 --> 00:31:19,200

and i didn't have any health issues yeah

811

00:31:21,830 --> 00:31:20,799

i probably never would have talked about

812

00:31:22,789 --> 00:31:21,840

it

813

00:31:25,350 --> 00:31:22,799

but

814

00:31:26,230 --> 00:31:25,360

i can't say i wouldn't have that later

815

00:31:28,070 --> 00:31:26,240

on

816

00:31:29,590 --> 00:31:28,080

down the line when i started having my

817

00:31:31,750 --> 00:31:29,600

health issues

818

00:31:33,590 --> 00:31:31,760

that i would not have

819

00:31:35,750 --> 00:31:33,600

ever come forward with that ever talked

820

00:31:38,389 --> 00:31:35,760

about i i don't know i mean

821

00:31:40,149 --> 00:31:38,399

because of the the fact that i think

822

00:31:42,070 --> 00:31:40,159

some of the reason why things happen the

823

00:31:43,350 --> 00:31:42,080

way they did was i was public about some

824

00:31:45,269 --> 00:31:43,360

of the stuff

825

00:31:47,190 --> 00:31:45,279

do you know as far as what was going on

826

00:31:49,909 --> 00:31:47,200

and what was taking place so

827

00:31:51,990 --> 00:31:49,919

if my health was fine and the incident

828

00:31:53,750 --> 00:31:52,000

just happened and it never seen the

829

00:31:55,990 --> 00:31:53,760

light of day no i would not have brought

830

00:31:58,310 --> 00:31:56,000

it up there would have been no reason to

831

00:31:59,590 --> 00:31:58,320

yeah um i i can't imagine though what it

832

00:32:02,070 --> 00:31:59,600

would be like

833

00:32:02,950 --> 00:32:02,080

for you to be the lone duck uh trying to

834

00:32:05,190 --> 00:32:02,960

bring

835

00:32:06,950 --> 00:32:05,200

this up if you you know if you had if it

836

00:32:09,430 --> 00:32:06,960

didn't come out and you had health

837

00:32:12,070 --> 00:32:09,440

issues and you came out with it

838

00:32:14,789 --> 00:32:12,080

separately or you broke the story

839

00:32:16,870 --> 00:32:14,799

that would be uh especially years later

840

00:32:19,190 --> 00:32:16,880

it took that long for your health issues

841

00:32:21,830 --> 00:32:19,200

to start that would have been a tough uh

842

00:32:24,789 --> 00:32:21,840

tough road to hoe actually

843

00:32:27,509 --> 00:32:24,799

well well yeah that's true but there has

844

00:32:29,750 --> 00:32:27,519

been declassified documents that emitted

845

00:32:31,830 --> 00:32:29,760

you know talk about reynolds and project

846

00:32:33,669 --> 00:32:31,840

con dying yeah so

847

00:32:37,669 --> 00:32:33,679

i mean

848

00:32:39,750 --> 00:32:37,679

know if they could have kept it quiet

849

00:32:40,470 --> 00:32:39,760

for so many different people knew about

850

00:32:42,470 --> 00:32:40,480

it

851

00:32:43,909 --> 00:32:42,480

you know and stuff like that um the

852

00:32:45,990 --> 00:32:43,919

thing that would have probably made it

853

00:32:47,430 --> 00:32:46,000

harder to um

854

00:32:50,070 --> 00:32:47,440

move forward with would have been if the

855

00:32:50,870 --> 00:32:50,080

halt memo hadn't surfaced that part i

856

00:32:54,789 --> 00:32:50,880

think

857

00:32:57,029 --> 00:32:54,799

that one document was the document that

858

00:32:58,389 --> 00:32:57,039

forced a lot of hands i think and it

859

00:33:00,149 --> 00:32:58,399

sure did yeah

860

00:33:01,909 --> 00:33:00,159

even if it would have

861

00:33:04,149 --> 00:33:01,919

come out because you had the the women

862

00:33:06,470 --> 00:33:04,159

working on it in the uk you have barry

863

00:33:09,110 --> 00:33:06,480

greenwood and larry fawcett working on

864

00:33:11,269 --> 00:33:09,120

it in the states ray beauché and scott

865

00:33:13,029 --> 00:33:11,279

colbert knew about it because it was

866

00:33:14,950 --> 00:33:13,039

actually before the memo came out it was

867

00:33:17,509 --> 00:33:14,960

already being talked about so it wasn't

868

00:33:18,950 --> 00:33:17,519

really ever kept quiet so but if you're

869

00:33:20,870 --> 00:33:18,960

just saying if the incident would have

870

00:33:23,190 --> 00:33:20,880

taken place nothing would have ever come

871

00:33:24,389 --> 00:33:23,200

out on it no one knew about it and i

872

00:33:25,669 --> 00:33:24,399

didn't have health issues yeah i would

873

00:33:27,269 --> 00:33:25,679

have stayed quiet

874

00:33:29,029 --> 00:33:27,279

yeah wow now

875

00:33:30,230 --> 00:33:29,039

you mentioned that you really don't

876

00:33:35,269 --> 00:33:30,240

remember

877

00:33:37,110 --> 00:33:35,279

ever told to never talk about it from

878

00:33:39,750 --> 00:33:37,120

anything well that's what i said when

879

00:33:42,950 --> 00:33:39,760

when we went in and saw the the command

880

00:33:45,509 --> 00:33:42,960

level you know the it was uh conrad and

881

00:33:49,110 --> 00:33:45,519

williams it was just kind of along the

882

00:33:50,149 --> 00:33:49,120

lines is that we're looking into this um

883

00:33:51,669 --> 00:33:50,159

you know

884

00:33:54,070 --> 00:33:51,679

you need to just kind of be qui stay

885

00:33:56,870 --> 00:33:54,080

quiet about it don't you know

886

00:33:58,549 --> 00:33:56,880

um i i didn't get directly told it was

887

00:34:00,549 --> 00:33:58,559

top secret but

888

00:34:03,110 --> 00:34:00,559

penis then applied it implied it

889

00:34:05,590 --> 00:34:03,120

afterwards when we walked out and kind

890

00:34:07,590 --> 00:34:05,600

of the conversation what place but

891

00:34:09,909 --> 00:34:07,600

but yeah it was clearly

892

00:34:12,550 --> 00:34:09,919

we were let know that just we just

893

00:34:13,829 --> 00:34:12,560

needed to let it go leave it alone if

894

00:34:16,389 --> 00:34:13,839

they needed anything from us they would

895

00:34:18,230 --> 00:34:16,399

get back to us now there was a

896

00:34:20,869 --> 00:34:18,240

on the second night that this happened

897

00:34:23,589 --> 00:34:20,879

in the chat room um

898

00:34:24,550 --> 00:34:23,599

says what's your best guess as to what

899

00:34:26,790 --> 00:34:24,560

happened

900

00:34:28,470 --> 00:34:26,800

on the second night when they s

901
00:34:30,550 --> 00:34:28,480
when they said he

902
00:34:31,510 --> 00:34:30,560
was brought up on board the craft

903
00:34:33,349 --> 00:34:31,520
getting

904
00:34:36,310 --> 00:34:33,359
sucked up into the light

905
00:34:39,430 --> 00:34:36,320
in front of adrian as is that i remember

906
00:34:40,950 --> 00:34:39,440
hearing bits and pieces of this but

907
00:34:42,869 --> 00:34:40,960
right adrian

908
00:34:44,710 --> 00:34:42,879
did actually we did an interview with

909
00:34:46,629 --> 00:34:44,720
him on phenomenon and

910
00:34:49,030 --> 00:34:46,639
and i've known about this for quite a

911
00:34:51,030 --> 00:34:49,040
while that had been one of those

912
00:34:52,629 --> 00:34:51,040
kind of the sore points for me

913
00:34:53,669 --> 00:34:52,639

over the years because

914

00:34:55,829 --> 00:34:53,679

halt

915

00:34:57,589 --> 00:34:55,839

went on the attack

916

00:35:00,630 --> 00:34:57,599

this was even before adrian and i even

917

00:35:02,150 --> 00:35:00,640

knew it was out in other words

918

00:35:03,270 --> 00:35:02,160

i went on my way i went to my next

919

00:35:04,310 --> 00:35:03,280

assignment

920

00:35:05,990 --> 00:35:04,320

um

921

00:35:08,069 --> 00:35:06,000

left there went to another assignment

922

00:35:10,470 --> 00:35:08,079

and then i started getting phone calls

923

00:35:12,310 --> 00:35:10,480

about it when news of the world hit and

924

00:35:14,790 --> 00:35:12,320

then these investigators started talking

925

00:35:16,470 --> 00:35:14,800

to me and i got brought i was brought up

926
00:35:17,750 --> 00:35:16,480
i go why are you talking to me where you

927
00:35:19,589 --> 00:35:17,760
know they wouldn't give me the whole

928
00:35:21,589 --> 00:35:19,599
story they wanted to know what fight try

929
00:35:23,670 --> 00:35:21,599
to get stuff out of me chuck the carl

930
00:35:25,910 --> 00:35:23,680
got a hold of me too but but it

931
00:35:28,310 --> 00:35:25,920
basically came to light that they knew i

932
00:35:29,990 --> 00:35:28,320
was out there on one night and

933
00:35:31,589 --> 00:35:30,000
then there had been talk that i was out

934
00:35:33,589 --> 00:35:31,599
there on a different night with halt but

935
00:35:34,950 --> 00:35:33,599
halt was denying it was bad mouth and

936
00:35:37,190 --> 00:35:34,960
adrienne and i

937
00:35:39,190 --> 00:35:37,200
and just saying that we were never even

938
00:35:41,510 --> 00:35:39,200

there then if you listen to the tape you

939

00:35:43,349 --> 00:35:41,520

hear my name on it adrian's on it and

940

00:35:44,950 --> 00:35:43,359

it's just slowly been broken down over

941

00:35:47,510 --> 00:35:44,960

the years to now where he's had to admit

942

00:35:48,390 --> 00:35:47,520

we were not only there with him

943

00:35:50,470 --> 00:35:48,400

but

944

00:35:52,630 --> 00:35:50,480

that we went forward of him

945

00:35:53,430 --> 00:35:52,640

as far as

946

00:35:55,510 --> 00:35:53,440

uh

947

00:35:57,750 --> 00:35:55,520

adrian's saying that yeah he said on the

948

00:36:00,630 --> 00:35:57,760

radio show he said that

949

00:36:03,510 --> 00:36:00,640

he saw me go into it and he saw me like

950

00:36:04,710 --> 00:36:03,520

i phased out and i was gone

951

00:36:06,950 --> 00:36:04,720

so

952

00:36:08,790 --> 00:36:06,960

it's hard to say what it was i mean

953

00:36:10,710 --> 00:36:08,800

there has been a lot of good research

954

00:36:12,950 --> 00:36:10,720

done recently on technology in the area

955

00:36:15,430 --> 00:36:12,960

what it is declassified documents

956

00:36:17,670 --> 00:36:15,440

i mean it's possible it was something we

957

00:36:18,710 --> 00:36:17,680

were working on even

958

00:36:21,430 --> 00:36:18,720

yeah

959

00:36:22,310 --> 00:36:21,440

so many mysteries anyway to this whole

960

00:36:24,230 --> 00:36:22,320

thing

961

00:36:25,109 --> 00:36:24,240

um to begin with

962

00:36:28,230 --> 00:36:25,119

um

963

00:36:29,589 --> 00:36:28,240

so your health issues

964

00:36:31,349 --> 00:36:29,599

is it something you're free to talk

965

00:36:33,190 --> 00:36:31,359

about or would

966

00:36:35,510 --> 00:36:33,200

be interesting no i mean well do you

967

00:36:37,589 --> 00:36:35,520

have a question or yeah

968

00:36:39,829 --> 00:36:37,599

what what uh

969

00:36:42,310 --> 00:36:39,839

first of all i understand

970

00:36:45,270 --> 00:36:42,320

your military records were completely

971

00:36:47,430 --> 00:36:45,280

lost or not found so let's let's talk

972

00:36:48,630 --> 00:36:47,440

about that and then the process that you

973

00:36:51,430 --> 00:36:48,640

had to get

974

00:36:52,630 --> 00:36:51,440

uh through in order to get some help on

975

00:36:55,270 --> 00:36:52,640

this

976
00:36:58,710 --> 00:36:55,280
okay well what what ended up happening

977
00:37:02,470 --> 00:36:58,720
was it was it was it was it it just

978
00:37:04,870 --> 00:37:02,480
happened after we went over in 2010

979
00:37:06,069 --> 00:37:04,880
for the 30th when i came back i wasn't

980
00:37:08,390 --> 00:37:06,079
feeling well

981
00:37:10,230 --> 00:37:08,400
and but prior going back to the very

982
00:37:12,950 --> 00:37:10,240
beginning so like i said stage right

983
00:37:13,829 --> 00:37:12,960
after the incident i didn't feel well

984
00:37:18,470 --> 00:37:13,839
and

985
00:37:20,630 --> 00:37:18,480
also went in my mouth turned white but i

986
00:37:22,470 --> 00:37:20,640
didn't feel well and when i went in the

987
00:37:24,630 --> 00:37:22,480
doctor found a heart murmur

988
00:37:26,950 --> 00:37:24,640

and to set the stage you couldn't get in

989

00:37:28,950 --> 00:37:26,960

the air force if you had a heart murmur

990

00:37:30,150 --> 00:37:28,960

and there's been you know skeptics or

991

00:37:31,990 --> 00:37:30,160

whatever you want to come say well you

992

00:37:33,750 --> 00:37:32,000

know they might have missed it well

993

00:37:35,430 --> 00:37:33,760

from the immediate time that they first

994

00:37:36,630 --> 00:37:35,440

found it right after the incident it was

995

00:37:37,990 --> 00:37:36,640

they said it was one of the loudest

996

00:37:40,230 --> 00:37:38,000

they've ever heard

997

00:37:41,190 --> 00:37:40,240

now my entry level physical no heart

998

00:37:43,030 --> 00:37:41,200

issues

999

00:37:45,270 --> 00:37:43,040

right after the incident they found this

1000

00:37:47,430 --> 00:37:45,280

heart murmur um shortly after that they

1001
00:37:49,510 --> 00:37:47,440
sent me to wright patterson which it

1002
00:37:51,349 --> 00:37:49,520
still may not mean anything but

1003
00:37:53,190 --> 00:37:51,359
not knowing at the time but later on you

1004
00:37:55,349 --> 00:37:53,200
find out this is where they look into

1005
00:37:57,349 --> 00:37:55,359
some of this stuff especially maybe if

1006
00:37:59,510 --> 00:37:57,359
you had some involvement with technology

1007
00:38:01,990 --> 00:37:59,520
were affected by something so i went to

1008
00:38:04,790 --> 00:38:02,000
write pat um they confirmed i had a

1009
00:38:09,190 --> 00:38:04,800
heart murmur mitral valve prolapse

1010
00:38:11,670 --> 00:38:09,200
regurgitation so i had a decent type of

1011
00:38:14,150 --> 00:38:11,680
heart issue that came on right after the

1012
00:38:16,390 --> 00:38:14,160
incident so that was established that

1013
00:38:19,670 --> 00:38:16,400

was in my medical records okay

1014

00:38:22,310 --> 00:38:19,680

so when i got out in 88 of active

1015

00:38:23,829 --> 00:38:22,320

it's in my exit physical yes he's now

1016

00:38:26,150 --> 00:38:23,839

developed heart issues and it says in

1017

00:38:27,589 --> 00:38:26,160

there i developed heart issues okay why

1018

00:38:30,069 --> 00:38:27,599

on active duty

1019

00:38:33,910 --> 00:38:30,079

wasn't before coming in was while on

1020

00:38:36,470 --> 00:38:33,920

active duty so i had these two documents

1021

00:38:38,870 --> 00:38:36,480

um but what happened was after i came

1022

00:38:40,150 --> 00:38:38,880

back in 10 i started not feeling well i

1023

00:38:41,750 --> 00:38:40,160

just thought it was bronchitis or

1024

00:38:43,910 --> 00:38:41,760

something from being over in england and

1025

00:38:46,710 --> 00:38:43,920

you know i got sick well when i went

1026
00:38:49,190 --> 00:38:46,720
into urgent care i was having trouble

1027
00:38:50,870 --> 00:38:49,200
catching my breath finally um they found

1028
00:38:52,069 --> 00:38:50,880
out i was in congestive heart failure

1029
00:38:54,870 --> 00:38:52,079
afib

1030
00:38:56,390 --> 00:38:54,880
so they took me in they got my heart

1031
00:38:57,589 --> 00:38:56,400
back in rhythm

1032
00:39:00,630 --> 00:38:57,599
and

1033
00:39:01,510 --> 00:39:00,640
the doctor at the time wanted to know

1034
00:39:03,030 --> 00:39:01,520
you know

1035
00:39:05,510 --> 00:39:03,040
when i first developed all this and

1036
00:39:07,270 --> 00:39:05,520
stuff it was going back and forth and i

1037
00:39:08,550 --> 00:39:07,280
told him it happened in the military so

1038
00:39:10,470 --> 00:39:08,560

he said

1039

00:39:11,990 --> 00:39:10,480

well i'd like to see those records i'd

1040

00:39:14,470 --> 00:39:12,000

like to look at the records and see what

1041

00:39:16,470 --> 00:39:14,480

the initial diagnosis was the echo and

1042

00:39:19,190 --> 00:39:16,480

everything else i said all right

1043

00:39:21,750 --> 00:39:19,200

so what i ended up doing was going to uh

1044

00:39:23,510 --> 00:39:21,760

kyle senator kyle's office and i had

1045

00:39:26,310 --> 00:39:23,520

them request my military so i had a

1046

00:39:27,589 --> 00:39:26,320

record of it my military records and my

1047

00:39:29,750 --> 00:39:27,599

health records

1048

00:39:31,990 --> 00:39:29,760

well the initial response back was my

1049

00:39:34,550 --> 00:39:32,000

records weren't where they belonged

1050

00:39:36,550 --> 00:39:34,560

which the the lady most people that they

1051

00:39:38,710 --> 00:39:36,560

think the senator directly does all this

1052

00:39:41,109 --> 00:39:38,720

it's not what goes on it's the clerks

1053

00:39:42,870 --> 00:39:41,119

you know the clerk or the staff i want

1054

00:39:45,190 --> 00:39:42,880

to call them staff that work for the

1055

00:39:47,589 --> 00:39:45,200

senator that that does the work

1056

00:39:49,430 --> 00:39:47,599

so i just got this letter back that the

1057

00:39:51,190 --> 00:39:49,440

air force responded back so my records

1058

00:39:53,109 --> 00:39:51,200

weren't where they were supposed to be

1059

00:39:54,550 --> 00:39:53,119

so my response back was well what does

1060

00:39:55,750 --> 00:39:54,560

that mean what are you going to do and

1061

00:39:56,710 --> 00:39:55,760

they said well we're going to dig

1062

00:39:57,910 --> 00:39:56,720

further

1063

00:39:59,349 --> 00:39:57,920

so

1064

00:40:01,270 --> 00:39:59,359

um

1065

00:40:02,230 --> 00:40:01,280

she made more inquiries

1066

00:40:04,310 --> 00:40:02,240

and

1067

00:40:07,109 --> 00:40:04,320

they got back a portion of my medical or

1068

00:40:08,710 --> 00:40:07,119

my not my medical my personnel records

1069

00:40:10,550 --> 00:40:08,720

but one of the things that stood out

1070

00:40:11,910 --> 00:40:10,560

right away was there was no records of

1071

00:40:13,190 --> 00:40:11,920

me being

1072

00:40:15,430 --> 00:40:13,200

in

1073

00:40:17,589 --> 00:40:15,440

england at bentwater's the records all

1074

00:40:19,589 --> 00:40:17,599

started after i was back in the states

1075

00:40:20,950 --> 00:40:19,599

but i mean looking at him at the

1076

00:40:23,270 --> 00:40:20,960

beginning you're like whatever i don't

1077

00:40:25,829 --> 00:40:23,280

know why all my records aren't there but

1078

00:40:26,630 --> 00:40:25,839

they weren't and then she when she sent

1079

00:40:28,550 --> 00:40:26,640

that

1080

00:40:29,349 --> 00:40:28,560

those records with me in the letter she

1081

00:40:31,030 --> 00:40:29,359

put

1082

00:40:34,470 --> 00:40:31,040

i believe your your medical records are

1083

00:40:39,430 --> 00:40:34,480

classified and so she said that to give

1084

00:40:39,440 --> 00:40:44,069

oh you there john

1085

00:40:47,670 --> 00:40:46,230

okay you there yeah yeah

1086

00:40:49,030 --> 00:40:47,680

i don't know what happened yeah okay

1087

00:40:50,470 --> 00:40:49,040

you're back that's good that's all i

1088

00:40:52,470 --> 00:40:50,480

care about um

1089

00:40:54,390 --> 00:40:52,480

she said i need to go down to the va and

1090

00:40:56,069 --> 00:40:54,400

and file for disability because that

1091

00:40:58,069 --> 00:40:56,079

would open that would force them to

1092

00:41:00,390 --> 00:40:58,079

answer more questions so i did so this

1093

00:41:02,150 --> 00:41:00,400

was in the summer kyle was not going for

1094

00:41:03,910 --> 00:41:02,160

reelection in the fall

1095

00:41:05,030 --> 00:41:03,920

and i didn't hear anything back after i

1096

00:41:06,950 --> 00:41:05,040

went and submitted all the paperwork

1097

00:41:08,470 --> 00:41:06,960

took it to them i did meet with her

1098

00:41:10,230 --> 00:41:08,480

briefly when they gave the paperwork she

1099

00:41:13,109 --> 00:41:10,240

said a couple things to me that was

1100

00:41:15,510 --> 00:41:13,119

interesting she said that she goes she

1101
00:41:17,910 --> 00:41:15,520
knows something bad happened to us

1102
00:41:19,109 --> 00:41:17,920
and but she she feels that she's only

1103
00:41:20,550 --> 00:41:19,119
going to be able to do her best to get

1104
00:41:22,630 --> 00:41:20,560
me medical care

1105
00:41:24,150 --> 00:41:22,640
but don't expect to get my records and

1106
00:41:25,829 --> 00:41:24,160
don't expect to get an answer on what

1107
00:41:26,950 --> 00:41:25,839
took place so that was a little

1108
00:41:28,309 --> 00:41:26,960
interesting

1109
00:41:30,150 --> 00:41:28,319
so

1110
00:41:32,150 --> 00:41:30,160
november came hadn't heard nothing yet

1111
00:41:33,270 --> 00:41:32,160
sent him a letter they responded back

1112
00:41:37,109 --> 00:41:33,280
that

1113
00:41:38,950 --> 00:41:37,119

weren't they were unable to get what

1114

00:41:41,030 --> 00:41:38,960

they wanted recommended i go to senator

1115

00:41:43,030 --> 00:41:41,040

mccain's office so they forwarded my

1116

00:41:44,630 --> 00:41:43,040

whole pack at the mccain's office they

1117

00:41:46,550 --> 00:41:44,640

were able to get me in for my initial

1118

00:41:48,550 --> 00:41:46,560

disability um

1119

00:41:50,309 --> 00:41:48,560

uh review when i went in there the

1120

00:41:51,990 --> 00:41:50,319

doctor asked me point blank after asking

1121

00:41:53,589 --> 00:41:52,000

me some questions about my issues i was

1122

00:41:55,270 --> 00:41:53,599

claiming she just looked at me and she

1123

00:41:56,309 --> 00:41:55,280

said well everything you're claiming

1124

00:41:58,069 --> 00:41:56,319

couldn't have happened to you in the

1125

00:41:59,510 --> 00:41:58,079

military because there's no records of

1126

00:42:03,190 --> 00:41:59,520

you being in the military during that

1127

00:42:04,630 --> 00:42:03,200

time frame medically or personnel wise

1128

00:42:06,470 --> 00:42:04,640

so i'm looking at it i go what do you

1129

00:42:08,470 --> 00:42:06,480

mean she goes you didn't come in until

1130

00:42:10,069 --> 00:42:08,480

1982. these are the records i have in

1131

00:42:12,550 --> 00:42:10,079

front of me saying that

1132

00:42:14,470 --> 00:42:12,560

like well i came in 79

1133

00:42:16,550 --> 00:42:14,480

and so i showed her of some pay records

1134

00:42:17,829 --> 00:42:16,560

i had in a briefcase i was carrying she

1135

00:42:19,510 --> 00:42:17,839

looked at her eyes got kind of big she

1136

00:42:20,950 --> 00:42:19,520

goes i go well what are you going to do

1137

00:42:22,069 --> 00:42:20,960

now she says well there's nothing i can

1138

00:42:23,990 --> 00:42:22,079

really do other than write up what's

1139

00:42:26,390 --> 00:42:24,000

available to me that'll be up to the pay

1140

00:42:28,230 --> 00:42:26,400

grade higher than me it's like fine so

1141

00:42:30,150 --> 00:42:28,240

two months later they came back and

1142

00:42:32,309 --> 00:42:30,160

denied my disability based on the fact

1143

00:42:35,349 --> 00:42:32,319

that i was not in the air force from 79

1144

00:42:37,670 --> 00:42:35,359

to 82 provided a dd form 214 showing

1145

00:42:40,630 --> 00:42:37,680

that i wasn't that i came in in 82 so

1146

00:42:43,670 --> 00:42:40,640

they altered my dd form 214

1147

00:42:46,470 --> 00:42:43,680

and that there were no medical records

1148

00:42:47,430 --> 00:42:46,480

for me for me 79 82 either

1149

00:42:49,349 --> 00:42:47,440

so

1150

00:42:51,589 --> 00:42:49,359

this was the denial letter and it was

1151

00:42:54,069 --> 00:42:51,599

all spelled out in there right

1152

00:42:56,230 --> 00:42:54,079

so and and what they were emphasizing

1153

00:42:57,990 --> 00:42:56,240

too was they were they acknowledged the

1154

00:42:59,670 --> 00:42:58,000

fact that my claim was i was injured in

1155

00:43:01,190 --> 00:42:59,680

the line of duty at bent waters and

1156

00:43:03,270 --> 00:43:01,200

rental sephoras

1157

00:43:04,470 --> 00:43:03,280

but that i couldn't have been because i

1158

00:43:06,870 --> 00:43:04,480

wasn't

1159

00:43:09,349 --> 00:43:06,880

in the air force then so that was

1160

00:43:10,630 --> 00:43:09,359

mccain's office went nuts

1161

00:43:14,230 --> 00:43:10,640

i mean

1162

00:43:16,069 --> 00:43:14,240

they didn't they couldn't believe this

1163

00:43:17,430 --> 00:43:16,079

was going on and

1164

00:43:19,109 --> 00:43:17,440

so

1165

00:43:20,230 --> 00:43:19,119

they started pushing harder i had to

1166

00:43:22,390 --> 00:43:20,240

meet with

1167

00:43:25,190 --> 00:43:22,400

some people up higher in his staff now i

1168

00:43:26,470 --> 00:43:25,200

was you know it was the i was talking to

1169

00:43:28,309 --> 00:43:26,480

now the people

1170

00:43:29,910 --> 00:43:28,319

way close to him and i actually got to

1171

00:43:31,190 --> 00:43:29,920

meet him at one point too and talk to

1172

00:43:32,390 --> 00:43:31,200

him about it

1173

00:43:34,950 --> 00:43:32,400

but

1174

00:43:38,230 --> 00:43:34,960

what they were able to do eventually was

1175

00:43:40,309 --> 00:43:38,240

to they did finally get my

1176

00:43:44,230 --> 00:43:40,319

dd form 214 to show i was in the air

1177

00:43:47,109 --> 00:43:44,240

force in 79. but the comment was from

1178

00:43:50,150 --> 00:43:47,119

the staffers was we were able to get

1179

00:43:53,190 --> 00:43:50,160

them to change your dd form 214 but

1180

00:43:54,790 --> 00:43:53,200

don't expect your medical records

1181

00:43:57,030 --> 00:43:54,800

you're not going to get them okay

1182

00:43:58,790 --> 00:43:57,040

they're classified so

1183

00:44:01,190 --> 00:43:58,800

i'm like okay

1184

00:44:03,910 --> 00:44:01,200

but being is the fact is that they now

1185

00:44:04,950 --> 00:44:03,920

had to admit i was in in 79

1186

00:44:06,790 --> 00:44:04,960

um

1187

00:44:08,870 --> 00:44:06,800

and at that point we were already

1188

00:44:11,589 --> 00:44:08,880

threatening i had a lawyer working with

1189

00:44:13,750 --> 00:44:11,599

me out of mississippi patrisconia really

1190

00:44:15,270 --> 00:44:13,760

good guy he wasn't a va lawyer but what

1191

00:44:17,589 --> 00:44:15,280

we were going to do was we were going to

1192

00:44:20,470 --> 00:44:17,599

go to federal court and file

1193

00:44:22,630 --> 00:44:20,480

we're going to file a lawsuit

1194

00:44:24,470 --> 00:44:22,640

you know asking for my medical records

1195

00:44:27,190 --> 00:44:24,480

because the va wasn't taking

1196

00:44:28,550 --> 00:44:27,200

responsibility for me and my civilian

1197

00:44:30,950 --> 00:44:28,560

doctors couldn't treat me because they

1198

00:44:31,829 --> 00:44:30,960

didn't know what i was dealing with

1199

00:44:33,829 --> 00:44:31,839

so

1200

00:44:36,470 --> 00:44:33,839

all that was going on

1201
00:44:38,870 --> 00:44:36,480
and so they started moving forward

1202
00:44:39,589 --> 00:44:38,880
with that as far as they admitted i was

1203
00:44:45,270 --> 00:44:39,599
in

1204
00:44:46,230 --> 00:44:45,280
too

1205
00:44:48,710 --> 00:44:46,240
but

1206
00:44:51,430 --> 00:44:48,720
another factor came into play

1207
00:44:53,030 --> 00:44:51,440
um we went to this what i believe is

1208
00:44:56,150 --> 00:44:53,040
called the citizens hearing correct me

1209
00:44:57,109 --> 00:44:56,160
if i'm wrong with steve bassett yeah

1210
00:44:58,390 --> 00:44:57,119
and

1211
00:45:00,550 --> 00:44:58,400
so we went

1212
00:45:02,710 --> 00:45:00,560
to the citizen hearing and we did a

1213
00:45:05,109 --> 00:45:02,720

presentation it was nick pope

1214

00:45:06,950 --> 00:45:05,119

patrick patricia the attorney myself

1215

00:45:08,309 --> 00:45:06,960

and pedestal was there and we did a

1216

00:45:12,630 --> 00:45:08,319

presentation

1217

00:45:15,750 --> 00:45:12,640

incident but what happened to us

1218

00:45:18,309 --> 00:45:15,760

physically and provided information

1219

00:45:19,829 --> 00:45:18,319

to them and they were moved by it and

1220

00:45:21,910 --> 00:45:19,839

they were even shocked that there was a

1221

00:45:24,390 --> 00:45:21,920

classified record section where they

1222

00:45:26,309 --> 00:45:24,400

kept military records classified the

1223

00:45:27,910 --> 00:45:26,319

medical that a lot of them didn't know

1224

00:45:29,349 --> 00:45:27,920

and a couple of them did but several of

1225

00:45:31,270 --> 00:45:29,359

them didn't

1226

00:45:32,710 --> 00:45:31,280

so they wrote a letter

1227

00:45:34,550 --> 00:45:32,720

they had two letters written they had

1228

00:45:35,430 --> 00:45:34,560

one for president obama and one for the

1229

00:45:36,950 --> 00:45:35,440

va

1230

00:45:39,349 --> 00:45:36,960

and they signed it and they sent it into

1231

00:45:41,270 --> 00:45:39,359

both of them and right after that all

1232

00:45:44,150 --> 00:45:41,280

happened all of a sudden

1233

00:45:46,390 --> 00:45:44,160

a pack got a phone call from an xcia guy

1234

00:45:48,550 --> 00:45:46,400

or i shouldn't say x he was

1235

00:45:51,030 --> 00:45:48,560

had been in the company and then he was

1236

00:45:52,790 --> 00:45:51,040

a consultant now for them and he stepped

1237

00:45:54,870 --> 00:45:52,800

forward and met with

1238

00:45:56,069 --> 00:45:54,880

pat then met with me that met with

1239

00:45:58,230 --> 00:45:56,079

peniston

1240

00:46:00,870 --> 00:45:58,240

and he supplied some information

1241

00:46:01,589 --> 00:46:00,880

including a letter with some data in it

1242

00:46:07,510 --> 00:46:01,599

that

1243

00:46:09,510 --> 00:46:07,520

and the next thing you know all of a

1244

00:46:11,190 --> 00:46:09,520

sudden i'm getting medical care i'm

1245

00:46:13,109 --> 00:46:11,200

getting in front of a surgeon they're

1246

00:46:15,270 --> 00:46:13,119

doing surgery on me

1247

00:46:17,190 --> 00:46:15,280

and then then with all the other stuff

1248

00:46:18,550 --> 00:46:17,200

going on eventually they granted me

1249

00:46:23,190 --> 00:46:18,560

disability

1250

00:46:25,750 --> 00:46:23,200

based on the fact that i was injured in

1251

00:46:27,589 --> 00:46:25,760

the line of duty in randallstrom forest

1252

00:46:29,589 --> 00:46:27,599

and the press release that came out was

1253

00:46:31,510 --> 00:46:29,599

the fact of the us government and missed

1254

00:46:33,349 --> 00:46:31,520

ufos exist because

1255

00:46:35,109 --> 00:46:33,359

that was what the case has been labeled

1256

00:46:38,550 --> 00:46:35,119

you know what i mean

1257

00:46:40,230 --> 00:46:38,560

so wow the the evidence there that i

1258

00:46:41,990 --> 00:46:40,240

presented

1259

00:46:43,670 --> 00:46:42,000

the government accepted and said that

1260

00:46:45,430 --> 00:46:43,680

yes you were injured by whatever you

1261

00:46:46,550 --> 00:46:45,440

encountered in reynolds isn't that

1262

00:46:48,710 --> 00:46:46,560

amazing

1263

00:46:50,550 --> 00:46:48,720

yeah that really is something that's

1264

00:46:53,510 --> 00:46:50,560

groundbreaking as far as

1265

00:46:55,910 --> 00:46:53,520

you know something like that happening

1266

00:46:58,230 --> 00:46:55,920

right but they never admitted and billy

1267

00:47:00,630 --> 00:46:58,240

cox the reporter out of florida we

1268

00:47:03,349 --> 00:47:00,640

provided him all the documentation

1269

00:47:05,109 --> 00:47:03,359

showing him exactly you know the case

1270

00:47:07,109 --> 00:47:05,119

file that was presented as far as what

1271

00:47:09,190 --> 00:47:07,119

we were presented what the va agreed to

1272

00:47:11,589 --> 00:47:09,200

and he wrote an article on it and he saw

1273

00:47:13,589 --> 00:47:11,599

the information they admitted

1274

00:47:16,390 --> 00:47:13,599

that my case was based on injuries in

1275

00:47:17,430 --> 00:47:16,400

the line of duty at randalls from forest

1276

00:47:21,190 --> 00:47:17,440

so

1277

00:47:24,390 --> 00:47:21,200

what they haven't admitted to is what it

1278

00:47:25,190 --> 00:47:24,400

really was or what was taking place yeah

1279

00:47:27,589 --> 00:47:25,200

well

1280

00:47:30,710 --> 00:47:27,599

you can only assume right

1281

00:47:33,109 --> 00:47:30,720

um so a question in the message board

1282

00:47:36,710 --> 00:47:33,119

adrian i never know how to pronounce his

1283

00:47:39,190 --> 00:47:36,720

last name bastenza yeah but yeah um he

1284

00:47:40,470 --> 00:47:39,200

once said now this is allegedly once

1285

00:47:42,230 --> 00:47:40,480

said because someone's writing this in

1286

00:47:44,550 --> 00:47:42,240

the message board

1287

00:47:49,030 --> 00:47:44,560

that halt was at the landing on the

1288

00:47:52,550 --> 00:47:49,990

well

1289

00:47:53,589 --> 00:47:52,560

the landing that you were at obviously

1290

00:47:54,790 --> 00:47:53,599

well yeah

1291

00:47:56,390 --> 00:47:54,800

the originally

1292

00:47:58,870 --> 00:47:56,400

the guys that went out there was colonel

1293

00:48:01,990 --> 00:47:58,880

hall a monroe neville's disaster

1294

00:48:04,870 --> 00:48:02,000

preparedness uh uh master sergeant ball

1295

00:48:06,790 --> 00:48:04,880

was the oncoming security flight chief

1296

00:48:08,550 --> 00:48:06,800

so it actually happened i believe

1297

00:48:10,309 --> 00:48:08,560

started on swing ship by the time they

1298

00:48:11,430 --> 00:48:10,319

got everybody together the

1299

00:48:18,950 --> 00:48:11,440

the

1300

00:48:21,829 --> 00:48:18,960

commander on swing shift and he held

1301
00:48:23,589 --> 00:48:21,839
over and then bostinza was in that group

1302
00:48:24,870 --> 00:48:23,599
and then i met up with hall after he'd

1303
00:48:27,270 --> 00:48:24,880
been out there for a while and went

1304
00:48:30,630 --> 00:48:27,280
forward and yeah

1305
00:48:33,750 --> 00:48:30,640
this is the big discrepancy that

1306
00:48:36,309 --> 00:48:33,760
that there's a there's a gap in the tape

1307
00:48:37,589 --> 00:48:36,319
um halt went out of his way to say that

1308
00:48:39,109 --> 00:48:37,599
adrian and i weren't there and over the

1309
00:48:41,030 --> 00:48:39,119
years admitted that finally now we were

1310
00:48:42,790 --> 00:48:41,040
there and then we went forward and he

1311
00:48:44,870 --> 00:48:42,800
says he can't say that something didn't

1312
00:48:47,190 --> 00:48:44,880
happen to us when we went forward but

1313
00:48:49,670 --> 00:48:47,200

that is the area i think pretty much

1314

00:48:52,950 --> 00:48:49,680

that he's always tried to cover up as

1315

00:48:55,510 --> 00:48:52,960

far as keep it from ever going anywhere

1316

00:48:57,910 --> 00:48:55,520

and that they did see whatever happened

1317

00:48:59,349 --> 00:48:57,920

to adrian and i now whether or not

1318

00:49:02,950 --> 00:48:59,359

they

1319

00:49:03,750 --> 00:49:02,960

now when we went forward or not i don't

1320

00:49:05,349 --> 00:49:03,760

know

1321

00:49:07,190 --> 00:49:05,359

but that would be the whole thing in

1322

00:49:08,390 --> 00:49:07,200

there and there's a gap in the tape

1323

00:49:10,150 --> 00:49:08,400

where

1324

00:49:11,270 --> 00:49:10,160

nothing's happens for quite a while and

1325

00:49:12,870 --> 00:49:11,280

then obviously he says they're heading

1326

00:49:14,790 --> 00:49:12,880

back to base

1327

00:49:16,950 --> 00:49:14,800

wow now so

1328

00:49:18,470 --> 00:49:16,960

do you remember actually walking toward

1329

00:49:20,630 --> 00:49:18,480

the craft

1330

00:49:22,309 --> 00:49:20,640

well i don't call it a craft i always

1331

00:49:23,670 --> 00:49:22,319

remember it as lights you know in other

1332

00:49:25,109 --> 00:49:23,680

words peniston described it as a

1333

00:49:27,030 --> 00:49:25,119

triangular craft

1334

00:49:28,950 --> 00:49:27,040

adrian called it lights until i went

1335

00:49:31,030 --> 00:49:28,960

into it then he said it exploded into

1336

00:49:33,109 --> 00:49:31,040

something that looked kind of triangular

1337

00:49:34,870 --> 00:49:33,119

with blue lights in it

1338

00:49:37,109 --> 00:49:34,880

um but

1339

00:49:38,950 --> 00:49:37,119

i got him and i were running forward

1340

00:49:41,030 --> 00:49:38,960

towards it and

1341

00:49:43,750 --> 00:49:41,040

what what happened was

1342

00:49:45,829 --> 00:49:43,760

some the whatever it was started coming

1343

00:49:49,430 --> 00:49:45,839

back towards the halt landing party when

1344

00:49:51,349 --> 00:49:49,440

i met up with him and hal asked me

1345

00:49:53,510 --> 00:49:51,359

is that what you saw the first night and

1346

00:49:55,030 --> 00:49:53,520

it was in a distance too but it looked

1347

00:49:56,790 --> 00:49:55,040

kind of like something when we were

1348

00:49:58,470 --> 00:49:56,800

looking at it from a distance but this

1349

00:50:00,309 --> 00:49:58,480

time it was like coming over the top of

1350

00:50:01,750 --> 00:50:00,319

some trees out in front of us down in

1351

00:50:03,190 --> 00:50:01,760

towards the field

1352

00:50:04,549 --> 00:50:03,200

so i'm just like i don't know i'd like

1353

00:50:07,109 --> 00:50:04,559

to get a closer look so he left the

1354

00:50:09,910 --> 00:50:07,119

stinson i go forward and we started

1355

00:50:11,510 --> 00:50:09,920

moving towards it um we were running

1356

00:50:12,870 --> 00:50:11,520

adrian went down to the ground he said

1357

00:50:15,270 --> 00:50:12,880

he felt like something pushed him down

1358

00:50:18,069 --> 00:50:15,280

held him down and then he then he

1359

00:50:20,150 --> 00:50:18,079

described it he saw me go into it i

1360

00:50:21,030 --> 00:50:20,160

phased out like i was gone or almost

1361

00:50:23,190 --> 00:50:21,040

gone

1362

00:50:26,230 --> 00:50:23,200

and then one of us was going on and

1363

00:50:27,910 --> 00:50:26,240

exploded then whatever it was then i

1364

00:50:29,510 --> 00:50:27,920

reappeared and was gone

1365

00:50:31,109 --> 00:50:29,520

and all i remember was getting close to

1366

00:50:33,430 --> 00:50:31,119

it and then it was gone

1367

00:50:35,990 --> 00:50:33,440

that's all you remember and yes what

1368

00:50:38,150 --> 00:50:36,000

about um

1369

00:50:41,109 --> 00:50:38,160

what about that night afterwards did you

1370

00:50:43,030 --> 00:50:41,119

feel do you remember how you felt or

1371

00:50:46,150 --> 00:50:43,040

did you feel like there was something

1372

00:50:48,790 --> 00:50:46,160

else you know wrong other than you know

1373

00:50:51,750 --> 00:50:48,800

the sighting itself

1374

00:50:54,470 --> 00:50:51,760

well the the crazy thing is is that

1375

00:50:56,470 --> 00:50:54,480

adrian and i have talked about this

1376

00:50:58,230 --> 00:50:56,480

and i remember

1377

00:51:00,549 --> 00:50:58,240

when it was gone i was standing there i

1378

00:51:01,510 --> 00:51:00,559

saw him we had a brief conversation kind

1379

00:51:03,190 --> 00:51:01,520

of like

1380

00:51:05,510 --> 00:51:03,200

about what took place

1381

00:51:08,230 --> 00:51:05,520

and we started walking back and him and

1382

00:51:09,990 --> 00:51:08,240

i have no memory from that point until

1383

00:51:12,549 --> 00:51:10,000

the next day wow

1384

00:51:14,870 --> 00:51:12,559

we don't know

1385

00:51:16,870 --> 00:51:14,880

how we where we got taken back

1386

00:51:19,589 --> 00:51:16,880

um you know how we got back who we met

1387

00:51:22,230 --> 00:51:19,599

up with or what happened now i don't

1388

00:51:24,230 --> 00:51:22,240

remember anything until the next evening

1389

00:51:27,030 --> 00:51:24,240

which was sunday night and i was out on

1390

00:51:30,309 --> 00:51:27,040

the flight line in the post office

1391

00:51:31,750 --> 00:51:30,319

and um i saw the c5 came in i've talked

1392

00:51:33,750 --> 00:51:31,760

about you know i was like i was checking

1393

00:51:35,990 --> 00:51:33,760

a mill and there was a c5

1394

00:51:37,990 --> 00:51:36,000

um and adrian never will explain much

1395

00:51:40,309 --> 00:51:38,000

other than he remembers the next

1396

00:51:43,349 --> 00:51:40,319

afternoon so

1397

00:51:45,510 --> 00:51:43,359

so i i can't tell you and neither can

1398

00:51:47,670 --> 00:51:45,520

adrian for sure what happened there has

1399

00:51:49,670 --> 00:51:47,680

been a new witnesses come forward

1400

00:51:52,790 --> 00:51:49,680

recently that came on our radio show and

1401
00:51:54,790 --> 00:51:52,800
talked about it she worked in supply

1402
00:51:57,030 --> 00:51:54,800
and she said that

1403
00:51:58,710 --> 00:51:57,040
on all three nights she was sent out and

1404
00:52:02,309 --> 00:51:58,720
picked us up

1405
00:52:05,109 --> 00:52:02,319
she was out there was the incident was

1406
00:52:06,790 --> 00:52:05,119
taking place and transported us back

1407
00:52:09,190 --> 00:52:06,800
and had it and we were checked out by a

1408
00:52:10,390 --> 00:52:09,200
mil um like a doctor she called him on a

1409
00:52:11,270 --> 00:52:10,400
white coat

1410
00:52:12,870 --> 00:52:11,280
and

1411
00:52:13,750 --> 00:52:12,880
the interesting thing was a couple

1412
00:52:14,870 --> 00:52:13,760
things

1413
00:52:16,829 --> 00:52:14,880

about her story that was very

1414

00:52:18,470 --> 00:52:16,839

interesting was

1415

00:52:20,069 --> 00:52:18,480

peniston

1416

00:52:21,829 --> 00:52:20,079

and more than one occasion including

1417

00:52:24,549 --> 00:52:21,839

with hal myself

1418

00:52:26,150 --> 00:52:24,559

and on other documentaries he completely

1419

00:52:27,829 --> 00:52:26,160

went to a totally different area than

1420

00:52:30,230 --> 00:52:27,839

what i remember us being at in our

1421

00:52:31,430 --> 00:52:30,240

statement support and he would go right

1422

00:52:33,510 --> 00:52:31,440

outside the east gate and say it was

1423

00:52:34,870 --> 00:52:33,520

right on the fence line well

1424

00:52:40,309 --> 00:52:34,880

she

1425

00:52:43,270 --> 00:52:40,319

there we were up by that fence line

1426

00:52:45,190 --> 00:52:43,280

and she also said that halt was

1427

00:52:46,549 --> 00:52:45,200

also taken back and looked over on the

1428

00:52:49,750 --> 00:52:46,559

third night

1429

00:52:51,270 --> 00:52:49,760

and halt went ballistic on that but

1430

00:52:53,589 --> 00:52:51,280

then he's gone around and talked a

1431

00:52:55,670 --> 00:52:53,599

little bit about how he does believe we

1432

00:52:58,309 --> 00:52:55,680

were all checked out worked over

1433

00:52:59,349 --> 00:52:58,319

by the guy she describes in a white coat

1434

00:53:01,270 --> 00:52:59,359

but

1435

00:53:03,510 --> 00:53:01,280

again he doesn't he believes all of us

1436

00:53:06,150 --> 00:53:03,520

were all worked over except that

1437

00:53:07,750 --> 00:53:06,160

he wasn't to include the fact that we

1438

00:53:08,870 --> 00:53:07,760

were all taken away on the third night

1439

00:53:12,230 --> 00:53:08,880

again

1440

00:53:14,870 --> 00:53:12,240

except for him but how could he not know

1441

00:53:16,630 --> 00:53:14,880

we were taken away and say that we were

1442

00:53:19,109 --> 00:53:16,640

but he wasn't then you see what i'm

1443

00:53:21,190 --> 00:53:19,119

getting at yeah yeah so he's kind of

1444

00:53:23,190 --> 00:53:21,200

supported her story but and then taking

1445

00:53:25,589 --> 00:53:23,200

shots of the story but the most part of

1446

00:53:27,510 --> 00:53:25,599

what he took shots at was that he wasn't

1447

00:53:30,470 --> 00:53:27,520

taken in he wasn't worked all right you

1448

00:53:33,109 --> 00:53:30,480

know the rest of us were but he wasn't

1449

00:53:35,349 --> 00:53:33,119

yeah do you think uh

1450

00:53:37,430 --> 00:53:35,359

would you give him like

1451
00:53:38,870 --> 00:53:37,440
this that you know perhaps

1452
00:53:40,950 --> 00:53:38,880
it's just his

1453
00:53:43,829 --> 00:53:40,960
has no memory of it

1454
00:53:45,750 --> 00:53:43,839
happening well interesting enough a guy

1455
00:53:47,910 --> 00:53:45,760
that he worked with for a while they

1456
00:53:49,750 --> 00:53:47,920
were trying to put together a movie and

1457
00:53:52,710 --> 00:53:49,760
he was working with the guy

1458
00:53:54,309 --> 00:53:52,720
and he was the one that halt came when

1459
00:53:57,190 --> 00:53:54,319
he came out and talked about it right

1460
00:53:59,109 --> 00:53:57,200
around 10 that he'd always told people

1461
00:54:01,109 --> 00:53:59,119
behind the scenes it was more technical

1462
00:54:03,030 --> 00:54:01,119
and look at other areas but then all of

1463
00:54:04,390 --> 00:54:03,040

a sudden around 10 he came out and said

1464

00:54:06,230 --> 00:54:04,400

it was e.t

1465

00:54:08,950 --> 00:54:06,240

and we're not alone

1466

00:54:12,549 --> 00:54:08,960

but his statement kind of supports con

1467

00:54:14,549 --> 00:54:12,559

dying in a lot of ways other than he

1468

00:54:16,790 --> 00:54:14,559

said he thinks it's e.t

1469

00:54:19,109 --> 00:54:16,800

but the guy that he was working with

1470

00:54:20,950 --> 00:54:19,119

came out and said later that halt

1471

00:54:23,430 --> 00:54:20,960

told him he has no memory on certain

1472

00:54:25,349 --> 00:54:23,440

things and may have some missing time

1473

00:54:27,670 --> 00:54:25,359

but then halt came back and denied it

1474

00:54:30,470 --> 00:54:27,680

later and there's been some other things

1475

00:54:32,150 --> 00:54:30,480

that a couple researchers are working on

1476

00:54:33,910 --> 00:54:32,160

that i don't want to say much about now

1477

00:54:35,670 --> 00:54:33,920

other than we'll see what what they come

1478

00:54:37,430 --> 00:54:35,680

forward with where he made some

1479

00:54:39,670 --> 00:54:37,440

statements early on to some people that

1480

00:54:42,950 --> 00:54:39,680

may come out that will support some

1481

00:54:45,430 --> 00:54:42,960

things about the fact that

1482

00:54:47,190 --> 00:54:45,440

he may have been worked over and he saw

1483

00:54:48,069 --> 00:54:47,200

other things that he hasn't admitted to

1484

00:54:49,030 --> 00:54:48,079

so

1485

00:54:51,030 --> 00:54:49,040

wow

1486

00:54:53,190 --> 00:54:51,040

yeah

1487

00:54:55,829 --> 00:54:53,200

that is something so i just want to

1488

00:54:58,870 --> 00:54:55,839

throw a question at you that's in our um

1489

00:55:02,390 --> 00:54:58,880

on our forum and that as a result of the

1490

00:55:04,630 --> 00:55:02,400

ufo events that took place over the base

1491

00:55:05,750 --> 00:55:04,640

do you think that this is for an opinion

1492

00:55:07,750 --> 00:55:05,760

do you think

1493

00:55:09,670 --> 00:55:07,760

senior military staff

1494

00:55:11,589 --> 00:55:09,680

have been briefed on how to deal with

1495

00:55:13,190 --> 00:55:11,599

this scenario and contain any

1496

00:55:15,589 --> 00:55:13,200

information leaking

1497

00:55:19,190 --> 00:55:15,599

to the public if it occurred at another

1498

00:55:23,430 --> 00:55:20,790

you know there's people that have done

1499

00:55:25,990 --> 00:55:23,440

research on that i think somebody found

1500

00:55:27,030 --> 00:55:26,000

some documents that were out there that

1501
00:55:29,270 --> 00:55:27,040
were

1502
00:55:34,549 --> 00:55:29,280
that that the air force had that how to

1503
00:55:38,309 --> 00:55:36,950
it's hard to say i mean

1504
00:55:40,309 --> 00:55:38,319
there's been enough incidents that have

1505
00:55:42,630 --> 00:55:40,319
taken place over the years

1506
00:55:44,950 --> 00:55:42,640
you know that the air force has had

1507
00:55:46,950 --> 00:55:44,960
strange things around the base and their

1508
00:55:49,510 --> 00:55:46,960
personnel involved with that i would

1509
00:55:50,470 --> 00:55:49,520
assume that if it's not at the local

1510
00:55:52,630 --> 00:55:50,480
level

1511
00:55:55,750 --> 00:55:52,640
that if it's ones that's up channel that

1512
00:55:57,829 --> 00:55:55,760
then they go into you know defense mode

1513
00:55:59,750 --> 00:55:57,839

as far as how to handle it and public

1514

00:56:01,750 --> 00:55:59,760

affairs handles it um

1515

00:56:03,190 --> 00:56:01,760

the other thing was in con dying it

1516

00:56:05,430 --> 00:56:03,200

talked about how

1517

00:56:07,910 --> 00:56:05,440

that wing commanders were briefed on a

1518

00:56:10,789 --> 00:56:07,920

phenomenon because of the interaction

1519

00:56:13,349 --> 00:56:10,799

with aircraft and they were briefed and

1520

00:56:15,030 --> 00:56:13,359

their pilots were briefed on how to deal

1521

00:56:18,630 --> 00:56:15,040

with it because there had actually been

1522

00:56:23,510 --> 00:56:18,640

aircraft brought down by this phenomenon

1523

00:56:27,829 --> 00:56:24,789

yeah it all

1524

00:56:28,630 --> 00:56:27,839

as far as you remember when the events

1525

00:56:31,349 --> 00:56:28,640

all

1526

00:56:33,430 --> 00:56:31,359

started had before i should say had

1527

00:56:36,309 --> 00:56:33,440

anyone ever talked about

1528

00:56:39,190 --> 00:56:36,319

um anything happening there previously

1529

00:56:44,390 --> 00:56:41,990

prior to the incident no i didn't know

1530

00:56:46,150 --> 00:56:44,400

anything about that um other than there

1531

00:56:48,150 --> 00:56:46,160

were stories about the place being

1532

00:56:50,630 --> 00:56:48,160

haunted easton charlie

1533

00:56:52,789 --> 00:56:50,640

and and witches in the area and some

1534

00:56:55,030 --> 00:56:52,799

weird stuff like that but i never heard

1535

00:56:57,270 --> 00:56:55,040

any stories of ufo activity

1536

00:56:58,789 --> 00:56:57,280

um but after the incident took place

1537

00:57:01,510 --> 00:56:58,799

over the years talking to different

1538

00:57:03,430 --> 00:57:01,520

people there were different people that

1539

00:57:07,270 --> 00:57:03,440

had different encounters

1540

00:57:08,549 --> 00:57:07,280

way back even in you know like 78 there

1541

00:57:09,829 --> 00:57:08,559

was some stuff that happened at

1542

00:57:12,710 --> 00:57:09,839

woodbridge

1543

00:57:13,750 --> 00:57:12,720

that happened around the wsa that was

1544

00:57:16,230 --> 00:57:13,760

active

1545

00:57:18,549 --> 00:57:16,240

at the time with the f4s being there but

1546

00:57:20,870 --> 00:57:18,559

it then it got deactivated after the f4

1547

00:57:22,870 --> 00:57:20,880

is left in the tens came in so there was

1548

00:57:24,470 --> 00:57:22,880

some stuff that took place there there

1549

00:57:27,510 --> 00:57:24,480

was some stuff that took place at bent

1550

00:57:29,349 --> 00:57:27,520

waters there was the 56 incident that

1551
00:57:31,030 --> 00:57:29,359
happened at bent waters

1552
00:57:32,390 --> 00:57:31,040
where they picked something up on radar

1553
00:57:33,829 --> 00:57:32,400
and they chased it supposedly with

1554
00:57:34,630 --> 00:57:33,839
aircraft

1555
00:57:36,630 --> 00:57:34,640
so

1556
00:57:39,270 --> 00:57:36,640
yeah there have been stuff that happened

1557
00:57:40,950 --> 00:57:39,280
prior to us and even a couple guys that

1558
00:57:42,870 --> 00:57:40,960
we've interviewed that right before our

1559
00:57:45,349 --> 00:57:42,880
incident saw different things and stuff

1560
00:57:47,910 --> 00:57:45,359
strange things happened but did i know

1561
00:57:50,549 --> 00:57:47,920
about this prior to the incident no have

1562
00:57:52,150 --> 00:57:50,559
i found out about it since yes yeah well

1563
00:57:54,470 --> 00:57:52,160

on the other side

1564

00:57:56,950 --> 00:57:54,480

um i understand there's still

1565

00:57:58,789 --> 00:57:56,960

things happening there do you

1566

00:58:00,630 --> 00:57:58,799

follow any of that

1567

00:58:02,549 --> 00:58:00,640

yeah i deal with people that are they're

1568

00:58:04,710 --> 00:58:02,559

living over there um i talk to different

1569

00:58:06,710 --> 00:58:04,720

people all the time and yeah there's

1570

00:58:09,349 --> 00:58:06,720

still strange stuff um when we went back

1571

00:58:11,270 --> 00:58:09,359

in 10 um we had a guy come down an

1572

00:58:13,670 --> 00:58:11,280

engineer come down with equipment and we

1573

00:58:16,230 --> 00:58:13,680

filmed some weird stuff that was out in

1574

00:58:18,549 --> 00:58:16,240

the field and we had some em readings

1575

00:58:20,470 --> 00:58:18,559

and some strange stuff that went on so

1576

00:58:22,870 --> 00:58:20,480

yeah there there's still there's still

1577

00:58:24,390 --> 00:58:22,880

strange stuff going on that can't be

1578

00:58:26,789 --> 00:58:24,400

totally explained

1579

00:58:28,390 --> 00:58:26,799

yeah you know to this day so

1580

00:58:31,030 --> 00:58:28,400

right and i heard you say earlier you

1581

00:58:32,950 --> 00:58:31,040

know i i know that um

1582

00:58:35,109 --> 00:58:32,960

chuck thinks that it's

1583

00:58:37,430 --> 00:58:35,119

most likely e.t

1584

00:58:40,069 --> 00:58:37,440

well he made a press release on it so

1585

00:58:41,990 --> 00:58:40,079

yeah yeah he he said that on this show

1586

00:58:43,349 --> 00:58:42,000

as well when he was on

1587

00:58:45,750 --> 00:58:43,359

um

1588

00:58:47,349 --> 00:58:45,760

and you sound like you're kind of

1589

00:58:48,630 --> 00:58:47,359

confused about

1590

00:58:52,069 --> 00:58:48,640

what

1591

00:58:53,750 --> 00:58:52,079

it could be um and i don't blame you i

1592

00:58:55,349 --> 00:58:53,760

mean i would be too

1593

00:58:56,950 --> 00:58:55,359

um but the

1594

00:58:59,270 --> 00:58:56,960

i guess i'm gonna ask you what what do

1595

00:59:01,270 --> 00:58:59,280

you think the most likely

1596

00:59:05,270 --> 00:59:01,280

possibility

1597

00:59:08,069 --> 00:59:05,280

of what happened on those nights was

1598

00:59:10,789 --> 00:59:08,079

well i can tell you before i've done

1599

00:59:13,109 --> 00:59:10,799

this research i've always felt like it

1600

00:59:14,950 --> 00:59:13,119

was something that we were doing that

1601
00:59:17,430 --> 00:59:14,960
caused something to happen

1602
00:59:20,069 --> 00:59:17,440
and what i mean by happening is like you

1603
00:59:21,750 --> 00:59:20,079
know i can't tell you what what

1604
00:59:24,309 --> 00:59:21,760
what we dealt with but there was

1605
00:59:25,109 --> 00:59:24,319
something else there other than just us

1606
00:59:28,230 --> 00:59:25,119
and

1607
00:59:30,069 --> 00:59:28,240
so much research now shows the area

1608
00:59:31,670 --> 00:59:30,079
declassified documents show that there

1609
00:59:33,829 --> 00:59:31,680
was all kinds of special weapons

1610
00:59:35,670 --> 00:59:33,839
programs going on special access

1611
00:59:37,990 --> 00:59:35,680
programs were taking place right outside

1612
00:59:39,589 --> 00:59:38,000
the base where it was alright bowser

1613
00:59:41,910 --> 00:59:39,599

models from heath

1614

00:59:43,670 --> 00:59:41,920

um the bt site that was connected to

1615

00:59:45,589 --> 00:59:43,680

mars from heath

1616

00:59:47,109 --> 00:59:45,599

you had orford nest you had all this

1617

00:59:49,670 --> 00:59:47,119

stuff that was there they're working on

1618

00:59:53,109 --> 00:59:49,680

em fields and different technologies

1619

00:59:55,030 --> 00:59:53,119

plasmas and stuff and then you had

1620

00:59:57,190 --> 00:59:55,040

condyne that got declassified where they

1621

00:59:58,950 --> 00:59:57,200

said we were exposed that was one of the

1622

01:00:00,789 --> 00:59:58,960

documents helped to get that helped me

1623

01:00:03,109 --> 01:00:00,799

get my um

1624

01:00:05,510 --> 01:00:03,119

my disability was the fact that in condy

1625

01:00:06,789 --> 01:00:05,520

and it said that we were exposed to uap

1626

01:00:08,069 --> 01:00:06,799

radiation

1627

01:00:13,109 --> 01:00:08,079

so

1628

01:00:15,030 --> 01:00:13,119

there's a phenomenon and that

1629

01:00:16,789 --> 01:00:15,040

that phenomenon was present

1630

01:00:18,069 --> 01:00:16,799

you know in that area

1631

01:00:21,190 --> 01:00:18,079

so

1632

01:00:23,990 --> 01:00:21,200

my take is is i'm not saying i'm i don't

1633

01:00:26,309 --> 01:00:24,000

have an opinion either way on et okay i

1634

01:00:30,150 --> 01:00:26,319

don't believe that we're we're the only

1635

01:00:31,910 --> 01:00:30,160

ones in the universe but i've never had

1636

01:00:33,589 --> 01:00:31,920

seen any hardcore proof wanted me to be

1637

01:00:35,510 --> 01:00:33,599

proof is there's never been an

1638

01:00:37,430 --> 01:00:35,520

explanation of what it is that we'd be

1639

01:00:39,510 --> 01:00:37,440

dealing with other than condying came to

1640

01:00:40,710 --> 01:00:39,520

closes and said there's a phenomenon

1641

01:00:44,230 --> 01:00:40,720

that exists

1642

01:00:45,670 --> 01:00:44,240

and that as far as time travelers well i

1643

01:00:47,430 --> 01:00:45,680

you know

1644

01:00:49,670 --> 01:00:47,440

could it be possible i guess if in the

1645

01:00:53,910 --> 01:00:49,680

future they came back maybe

1646

01:00:57,829 --> 01:00:55,910

there you go i'm not sure but i do

1647

01:00:59,349 --> 01:00:57,839

believe we were doing something i don't

1648

01:01:01,430 --> 01:00:59,359

know if we were indirectly doing

1649

01:01:03,589 --> 01:01:01,440

something that caused the problem or we

1650

01:01:05,270 --> 01:01:03,599

were zapping this energy field that's

1651
01:01:07,190 --> 01:01:05,280
there um

1652
01:01:08,710 --> 01:01:07,200
there's also the possibility too we were

1653
01:01:10,870 --> 01:01:08,720
working on

1654
01:01:12,870 --> 01:01:10,880
satellite technology as far as bringing

1655
01:01:15,510 --> 01:01:12,880
them down and that we may have also

1656
01:01:17,030 --> 01:01:15,520
zapped a soviet satellite during that

1657
01:01:18,230 --> 01:01:17,040
three-day period and brought it down in

1658
01:01:20,630 --> 01:01:18,240
the area

1659
01:01:22,309 --> 01:01:20,640
wow wow so

1660
01:01:24,710 --> 01:01:22,319
yeah um

1661
01:01:27,349 --> 01:01:24,720
one of the things uh you you hear you

1662
01:01:29,430 --> 01:01:27,359
know and now i've invited jim penniston

1663
01:01:31,349 --> 01:01:29,440

on a number of times and he's he's come

1664

01:01:34,230 --> 01:01:31,359

close to coming on but he's never

1665

01:01:35,829 --> 01:01:34,240

um totally accepted coming on but and

1666

01:01:38,150 --> 01:01:35,839

without him being here

1667

01:01:40,630 --> 01:01:38,160

you know i don't want to talk

1668

01:01:42,630 --> 01:01:40,640

i'm not trying to talk negative but i

1669

01:01:45,670 --> 01:01:42,640

just want to find out what your thoughts

1670

01:01:47,349 --> 01:01:45,680

were on the binary code if you would

1671

01:01:49,430 --> 01:01:47,359

like to share that

1672

01:01:51,589 --> 01:01:49,440

well sure i mean i i'd like to break it

1673

01:01:53,670 --> 01:01:51,599

down in this way okay first of all

1674

01:01:55,829 --> 01:01:53,680

there's an old saying trust but verify

1675

01:01:58,470 --> 01:01:55,839

and the bottom line is

1676

01:02:02,069 --> 01:01:58,480

is when when it first came out

1677

01:02:04,309 --> 01:02:02,079

um i knew nothing about it until we were

1678

01:02:07,109 --> 01:02:04,319

the the 30th anniversary was coming up

1679

01:02:08,630 --> 01:02:07,119

and we were in phoenix we were doing a

1680

01:02:10,309 --> 01:02:08,640

shoot with ancient aliens they were

1681

01:02:11,510 --> 01:02:10,319

going to do a 15 or 20 minute piece in

1682

01:02:13,109 --> 01:02:11,520

their show

1683

01:02:16,309 --> 01:02:13,119

and then they were going to is it

1684

01:02:18,549 --> 01:02:16,319

because the the the show um

1685

01:02:20,549 --> 01:02:18,559

is done by prometheus they do the

1686

01:02:22,950 --> 01:02:20,559

filming for ancient aliens and they were

1687

01:02:25,829 --> 01:02:22,960

going to then go over to the uk with us

1688

01:02:27,589 --> 01:02:25,839

and film us over there for several days

1689

01:02:30,230 --> 01:02:27,599

and put together a documentary and put

1690

01:02:32,150 --> 01:02:30,240

it up for sale so there was two things

1691

01:02:35,109 --> 01:02:32,160

kind of going on at one time

1692

01:02:37,349 --> 01:02:35,119

and when we were in phoenix um he

1693

01:02:39,349 --> 01:02:37,359

brought his notebook now i'll just be

1694

01:02:41,510 --> 01:02:39,359

straightforward the the the questions

1695

01:02:44,870 --> 01:02:41,520

that have risen about the notebook is it

1696

01:02:46,710 --> 01:02:44,880

never came public for for years

1697

01:02:49,349 --> 01:02:46,720

the notebook the first discrepancy that

1698

01:02:51,349 --> 01:02:49,359

was noted was in his notebook he had the

1699

01:02:52,710 --> 01:02:51,359

27th of december as the incident taking

1700

01:02:55,030 --> 01:02:52,720

place when it took

1701

01:02:57,589 --> 01:02:55,040

place on the 26th and the 27th of

1702

01:02:59,270 --> 01:02:57,599

december matches the halt memo and the

1703

01:03:01,030 --> 01:02:59,280

whole memo had to do

1704

01:03:02,710 --> 01:03:01,040

okay so that was the very first

1705

01:03:04,549 --> 01:03:02,720

discrepancy that came out other than the

1706

01:03:05,990 --> 01:03:04,559

fact that

1707

01:03:07,990 --> 01:03:06,000

that um

1708

01:03:11,190 --> 01:03:08,000

that the notebook didn't surface until

1709

01:03:13,030 --> 01:03:11,200

the mid 90s now he came out with an

1710

01:03:15,349 --> 01:03:13,040

excuse well you know i was still on

1711

01:03:17,430 --> 01:03:15,359

active duty so i didn't bring it out but

1712

01:03:19,829 --> 01:03:17,440

him and i and halt did a show together

1713

01:03:22,630 --> 01:03:19,839

in the uk called strange but true

1714

01:03:24,710 --> 01:03:22,640

you know he never talked to halton about

1715

01:03:26,870 --> 01:03:24,720

the notebook over there he never showed

1716

01:03:28,950 --> 01:03:26,880

the notebook he claims that he offered

1717

01:03:30,630 --> 01:03:28,960

it to him at the time

1718

01:03:31,990 --> 01:03:30,640

but

1719

01:03:34,069 --> 01:03:32,000

you know i was in the production

1720

01:03:36,069 --> 01:03:34,079

meetings he never brought it up

1721

01:03:39,109 --> 01:03:36,079

so the notebook didn't come out for

1722

01:03:40,789 --> 01:03:39,119

quite a while after the incident and

1723

01:03:42,150 --> 01:03:40,799

then there's another radio interview he

1724

01:03:44,630 --> 01:03:42,160

did with a guy by the name of richard

1725

01:03:46,710 --> 01:03:44,640

berlino who bertolino said when they

1726

01:03:49,430 --> 01:03:46,720

write back from woodbridge

1727

01:03:51,750 --> 01:03:49,440

that that he was sketching what he saw

1728

01:03:53,589 --> 01:03:51,760

but with his notebook but there was no

1729

01:03:54,870 --> 01:03:53,599

mention of anything else being written

1730

01:03:57,190 --> 01:03:54,880

in the notebook

1731

01:03:58,950 --> 01:03:57,200

you know or the glyphs or anything else

1732

01:04:01,829 --> 01:03:58,960

so a lot of this stuff didn't surface

1733

01:04:04,069 --> 01:04:01,839

till later okay so that's that's another

1734

01:04:05,910 --> 01:04:04,079

question people have all right and that

1735

01:04:06,789 --> 01:04:05,920

includes the notebook and the glyphs all

1736

01:04:09,990 --> 01:04:06,799

right

1737

01:04:11,430 --> 01:04:10,000

then this stuff comes out

1738

01:04:12,789 --> 01:04:11,440

and

1739

01:04:15,589 --> 01:04:12,799

so

1740

01:04:18,630 --> 01:04:15,599

it comes out in the mid to late 90s and

1741

01:04:20,470 --> 01:04:18,640

it all came out around georgina's book

1742

01:04:22,549 --> 01:04:20,480

and sci-fi

1743

01:04:25,029 --> 01:04:22,559

but like i said the date's wrong in it

1744

01:04:28,470 --> 01:04:25,039

so there's an issue with that then

1745

01:04:30,309 --> 01:04:28,480

then then when we were back in october

1746

01:04:32,630 --> 01:04:30,319

that's when the binaries and all of a

1747

01:04:34,630 --> 01:04:32,640

sudden shown to us when we're shooting

1748

01:04:36,309 --> 01:04:34,640

well the issue with that was people

1749

01:04:38,789 --> 01:04:36,319

questioned well how come you never

1750

01:04:40,870 --> 01:04:38,799

brought the binary prior to then

1751

01:04:42,390 --> 01:04:40,880

james fox had a notebook hall handled

1752

01:04:43,829 --> 01:04:42,400

the notebook call even put in his book

1753

01:04:45,990 --> 01:04:43,839

he handled the notebook and never saw

1754

01:04:48,549 --> 01:04:46,000

the binary in there he never talked to

1755

01:04:50,549 --> 01:04:48,559

fox about it and fox actually tried to

1756

01:04:52,230 --> 01:04:50,559

figure out what the glyphs were so you

1757

01:04:53,829 --> 01:04:52,240

had all the issues with

1758

01:04:55,750 --> 01:04:53,839

the notebook showing up late and then

1759

01:04:57,670 --> 01:04:55,760

the binary not being a notebook what was

1760

01:04:59,750 --> 01:04:57,680

excuse for that was well i always kept

1761

01:05:01,910 --> 01:04:59,760

the binary out it was a lucid notebook

1762

01:05:03,829 --> 01:05:01,920

okay i didn't want anybody to see it all

1763

01:05:06,789 --> 01:05:03,839

right well then magically he brings it

1764

01:05:08,710 --> 01:05:06,799

to phoenix so we can all see it okay

1765

01:05:10,069 --> 01:05:08,720

and then once they see it and obviously

1766

01:05:11,430 --> 01:05:10,079

ancient aliens wanted to do something

1767

01:05:13,670 --> 01:05:11,440

with it and they did their thing and

1768

01:05:14,549 --> 01:05:13,680

linda's uh people had looked at and did

1769

01:05:16,950 --> 01:05:14,559

their thing and they started

1770

01:05:19,430 --> 01:05:16,960

interpreting stuff but then his excuse

1771

01:05:21,750 --> 01:05:19,440

was he really didn't want to come out

1772

01:05:23,430 --> 01:05:21,760

and it should never have come out but

1773

01:05:25,270 --> 01:05:23,440

they made him do it

1774

01:05:27,750 --> 01:05:25,280

but why would he ever bring it show it

1775

01:05:30,309 --> 01:05:27,760

to him you get what i'm saying yeah

1776

01:05:32,870 --> 01:05:30,319

so all this this is circulating around

1777

01:05:34,309 --> 01:05:32,880

then we announced it in england and that

1778

01:05:36,470 --> 01:05:34,319

didn't go too well

1779

01:05:37,990 --> 01:05:36,480

and then he did a radio interview and

1780

01:05:39,190 --> 01:05:38,000

that didn't go well you can listen to

1781

01:05:41,589 --> 01:05:39,200

the interview it's out there the

1782

01:05:42,789 --> 01:05:41,599

questions and what was asked then

1783

01:05:44,789 --> 01:05:42,799

there's people that have done more

1784

01:05:47,349 --> 01:05:44,799

research and they've uncovered that all

1785

01:05:50,230 --> 01:05:47,359

the sites the code sites which by the

1786

01:05:52,470 --> 01:05:50,240

way they had to put a point in there to

1787

01:05:54,630 --> 01:05:52,480

come up with them anyway but the code

1788

01:05:56,309 --> 01:05:54,640

sites were all found on an ancient site

1789

01:05:58,390 --> 01:05:56,319

that was available prior to him coming

1790

01:06:01,029 --> 01:05:58,400

out with it there was a letter that he

1791

01:06:02,870 --> 01:06:01,039

wrote to sally rail in 96 saying that he

1792

01:06:04,710 --> 01:06:02,880

had some kind of messaging but it

1793

01:06:07,109 --> 01:06:04,720

wouldn't come out till the 30-year mark

1794

01:06:08,789 --> 01:06:07,119

which magically is that's when it did

1795

01:06:11,029 --> 01:06:08,799

do you know what i'm saying wow so

1796

01:06:12,950 --> 01:06:11,039

there's just a lot of issues

1797

01:06:15,109 --> 01:06:12,960

you know with the code and the

1798

01:06:18,069 --> 01:06:15,119

discrepancies in it on top of the glyphs

1799

01:06:20,549 --> 01:06:18,079

have been found by a company in germany

1800

01:06:22,630 --> 01:06:20,559

that they're using on their equipment

1801
01:06:24,230 --> 01:06:22,640
you know so you have all these issues

1802
01:06:26,069 --> 01:06:24,240
with the code so

1803
01:06:27,510 --> 01:06:26,079
when i first found out about it i was

1804
01:06:29,990 --> 01:06:27,520
intrigued by it

1805
01:06:33,190 --> 01:06:30,000
i tried to follow it through they had

1806
01:06:35,430 --> 01:06:33,200
had a researcher work on it he's put i

1807
01:06:37,990 --> 01:06:35,440
call it putting a a a

1808
01:06:41,029 --> 01:06:38,000
um a square pagan round hole or vice

1809
01:06:42,710 --> 01:06:41,039
versa because he's basing it on you know

1810
01:06:45,029 --> 01:06:42,720
the dates times the penises that had

1811
01:06:47,349 --> 01:06:45,039
happened um where the point would be for

1812
01:06:49,270 --> 01:06:47,359
the things and different things and

1813
01:06:50,950 --> 01:06:49,280

transmission errors because jim may have

1814

01:06:52,630 --> 01:06:50,960

wrote it down wrong so

1815

01:06:53,510 --> 01:06:52,640

in essence they're coming out with the

1816

01:06:55,270 --> 01:06:53,520

book

1817

01:06:56,710 --> 01:06:55,280

the uh he's going to try to explain

1818

01:06:58,470 --> 01:06:56,720

everything on

1819

01:07:00,390 --> 01:06:58,480

how these discrepancies are what they

1820

01:07:02,230 --> 01:07:00,400

are but he won't talk about him now for

1821

01:07:04,710 --> 01:07:02,240

whatever reason but it's supposed to be

1822

01:07:06,549 --> 01:07:04,720

all laid out in his book and what the

1823

01:07:08,549 --> 01:07:06,559

codes mean finally

1824

01:07:10,069 --> 01:07:08,559

you know seven years later after they

1825

01:07:12,150 --> 01:07:10,079

were introduced in 10 what they could

1826

01:07:13,349 --> 01:07:12,160

mean and all that so what i say to

1827

01:07:14,950 --> 01:07:13,359

people is this

1828

01:07:17,670 --> 01:07:14,960

i'm a skeptic

1829

01:07:19,670 --> 01:07:17,680

on this simply because of all the

1830

01:07:22,549 --> 01:07:19,680

discrepancies and the way it's been

1831

01:07:24,630 --> 01:07:22,559

handled um but if

1832

01:07:26,710 --> 01:07:24,640

based on don't go in my opinion either

1833

01:07:28,870 --> 01:07:26,720

way i'm not recommending buying the book

1834

01:07:31,349 --> 01:07:28,880

but i wouldn't say don't but if you do

1835

01:07:33,270 --> 01:07:31,359

buy it you know read it all and and then

1836

01:07:35,829 --> 01:07:33,280

come up with your own opinion don't let

1837

01:07:37,829 --> 01:07:35,839

other people totally influence you other

1838

01:07:40,870 --> 01:07:37,839

than just be aware that there is some

1839

01:07:44,549 --> 01:07:40,880

discrepancies involving all this yeah

1840

01:07:47,109 --> 01:07:44,559

wow uh thank you for all that that's uh

1841

01:07:51,109 --> 01:07:47,119

that is interesting and uh i think there

1842

01:07:53,829 --> 01:07:51,119

was a story out there too that um some

1843

01:07:57,029 --> 01:07:53,839

former girlfriend or something had seen

1844

01:07:59,910 --> 01:07:57,039

the the notebook um with without you

1845

01:08:02,150 --> 01:07:59,920

know with just blank pages past past the

1846

01:08:05,109 --> 01:08:02,160

drawing well no i don't i don't think

1847

01:08:07,029 --> 01:08:05,119

that must be misconstrued because

1848

01:08:09,589 --> 01:08:07,039

i know what you're talking about and she

1849

01:08:11,670 --> 01:08:09,599

didn't show up until the uk when we were

1850

01:08:15,829 --> 01:08:11,680

over there okay and that had already

1851
01:08:19,030 --> 01:08:15,839
been disclosed and what her story was

1852
01:08:20,390 --> 01:08:19,040
and that was another issue that he never

1853
01:08:22,470 --> 01:08:20,400
did if you go back and listen to the

1854
01:08:24,309 --> 01:08:22,480
radio interview he never did get

1855
01:08:26,070 --> 01:08:24,319
the pages straight how many pages there

1856
01:08:28,630 --> 01:08:26,080
were a binary okay

1857
01:08:30,229 --> 01:08:28,640
and what her story was is she saw him

1858
01:08:31,269 --> 01:08:30,239
write some binary

1859
01:08:32,950 --> 01:08:31,279
and

1860
01:08:34,390 --> 01:08:32,960
the interesting thing was that would

1861
01:08:36,550 --> 01:08:34,400
have been the last three pages that

1862
01:08:38,870 --> 01:08:36,560
surfaced i believe one to three i can't

1863
01:08:41,430 --> 01:08:38,880

remember i can't even keep track but in

1864

01:08:44,229 --> 01:08:41,440

it said eyes of yours eyes and the thing

1865

01:08:45,829 --> 01:08:44,239

was is that there was some things he was

1866

01:08:47,669 --> 01:08:45,839

he broke up with her and came back and

1867

01:08:49,669 --> 01:08:47,679

saw me in phoenix we were working on

1868

01:08:51,269 --> 01:08:49,679

some stuff and he did

1869

01:08:53,590 --> 01:08:51,279

give me that piece of notebook paper and

1870

01:08:55,510 --> 01:08:53,600

acted weird about it so again all i'm

1871

01:08:57,590 --> 01:08:55,520

saying is there's a lot of things to

1872

01:08:59,030 --> 01:08:57,600

this this is a cut and dry he didn't

1873

01:09:01,349 --> 01:08:59,040

come out right after he started talking

1874

01:09:03,590 --> 01:09:01,359

said here's my notebook i've had glyphs

1875

01:09:06,229 --> 01:09:03,600

i've had this and that now i will say in

1876

01:09:08,789 --> 01:09:06,239

his defense he did talk early on about

1877

01:09:11,430 --> 01:09:08,799

uh uh well actually early early on he

1878

01:09:12,950 --> 01:09:11,440

described the craft differently but then

1879

01:09:14,709 --> 01:09:12,960

when he did kind of really come out and

1880

01:09:16,709 --> 01:09:14,719

go public he did call it a triangular

1881

01:09:17,910 --> 01:09:16,719

craft he did say there was something on

1882

01:09:20,229 --> 01:09:17,920

the craft

1883

01:09:22,550 --> 01:09:20,239

you know but he never did even say did

1884

01:09:24,950 --> 01:09:22,560

he walk around it at first and stuff and

1885

01:09:26,630 --> 01:09:24,960

that was came in later but he did have

1886

01:09:28,709 --> 01:09:26,640

there's some things of his story that he

1887

01:09:30,870 --> 01:09:28,719

did say early on but there's been a lot

1888

01:09:33,030 --> 01:09:30,880

of stuff added over the years

1889

01:09:34,630 --> 01:09:33,040

and the fact is if he would have just

1890

01:09:36,309 --> 01:09:34,640

said everything right away when he first

1891

01:09:39,189 --> 01:09:36,319

went public it would have made it a lot

1892

01:09:41,510 --> 01:09:39,199

easier to digest than

1893

01:09:43,590 --> 01:09:41,520

you know the way it has been piecemealed

1894

01:09:45,910 --> 01:09:43,600

and there's discrepancies involved in it

1895

01:09:48,149 --> 01:09:45,920

right and i do realize i do realize you

1896

01:09:51,030 --> 01:09:48,159

know this is going way back uh you know

1897

01:09:52,550 --> 01:09:51,040

i remember 1980 and that's a long time

1898

01:09:54,390 --> 01:09:52,560

to remember things but

1899

01:09:56,630 --> 01:09:54,400

um you know things

1900

01:09:58,790 --> 01:09:56,640

uh and there is a there is a problem

1901

01:10:01,350 --> 01:09:58,800

with memory a lot of times but you know

1902

01:10:03,669 --> 01:10:01,360

this is uh above and beyond that uh

1903

01:10:06,070 --> 01:10:03,679

certainly um someone wanted to know what

1904

01:10:10,070 --> 01:10:06,080

you thought about leslie kane's

1905

01:10:11,669 --> 01:10:10,080

a book on this account

1906

01:10:13,270 --> 01:10:11,679

you mean the one with the pilots or

1907

01:10:14,950 --> 01:10:13,280

whatever yes

1908

01:10:17,990 --> 01:10:14,960

well the interesting thing there's a

1909

01:10:19,910 --> 01:10:18,000

backstory to this that i think

1910

01:10:21,830 --> 01:10:19,920

kind of went by the wayside they were

1911

01:10:23,669 --> 01:10:21,840

setting this up for a while because i

1912

01:10:25,270 --> 01:10:23,679

think people that

1913

01:10:27,510 --> 01:10:25,280

know leslie kane know that she was

1914

01:10:29,510 --> 01:10:27,520

working with podesta

1915

01:10:31,830 --> 01:10:29,520

and this book was written

1916

01:10:32,790 --> 01:10:31,840

um i but you know you had podesta trying

1917

01:10:35,910 --> 01:10:32,800

to push

1918

01:10:38,310 --> 01:10:35,920

for just with bill back in the 90s you

1919

01:10:41,030 --> 01:10:38,320

had the rockefeller stuff going on um

1920

01:10:43,830 --> 01:10:41,040

then she went forward with her book

1921

01:10:46,390 --> 01:10:43,840

you had the podesta think tank that met

1922

01:10:48,390 --> 01:10:46,400

um leslie was involved with it

1923

01:10:50,630 --> 01:10:48,400

pope were involved with it condy was

1924

01:10:52,950 --> 01:10:50,640

involved with it so all this was going

1925

01:10:55,030 --> 01:10:52,960

on and one of the things that i never

1926

01:10:55,910 --> 01:10:55,040

understood till later that i even wonder

1927

01:10:58,470 --> 01:10:55,920

about

1928

01:11:00,470 --> 01:10:58,480

was it was a pretty dry book what i mean

1929

01:11:01,750 --> 01:11:00,480

was just straightforward these are

1930

01:11:03,669 --> 01:11:01,760

different incidents these are what

1931

01:11:05,110 --> 01:11:03,679

people seen there was nothing

1932

01:11:07,189 --> 01:11:05,120

you know

1933

01:11:08,229 --> 01:11:07,199

it was just basically a straight cut and

1934

01:11:10,709 --> 01:11:08,239

dry book

1935

01:11:13,030 --> 01:11:10,719

and and our book encounters was kind of

1936

01:11:13,830 --> 01:11:13,040

that way and i never could understand

1937

01:11:15,590 --> 01:11:13,840

nick

1938

01:11:17,110 --> 01:11:15,600

because

1939

01:11:19,189 --> 01:11:17,120

there was some stuff that's showing in

1940

01:11:21,270 --> 01:11:19,199

there about condy that he would hold out

1941

01:11:23,750 --> 01:11:21,280

that he held out and then

1942

01:11:26,070 --> 01:11:23,760

then the codes there was just the sights

1943

01:11:28,229 --> 01:11:26,080

were released he never there was a

1944

01:11:30,630 --> 01:11:28,239

analysis done early on that was supposed

1945

01:11:32,470 --> 01:11:30,640

to go in with osborne who now is working

1946

01:11:35,270 --> 01:11:32,480

with peniston on a separate book and

1947

01:11:39,110 --> 01:11:35,280

that was held out and i can't help but

1948

01:11:40,550 --> 01:11:39,120

wonder based on the factory that hillary

1949

01:11:42,630 --> 01:11:40,560

came out on kimmel and said there's a

1950

01:11:44,870 --> 01:11:42,640

new newman culture called uaps which

1951

01:11:47,189 --> 01:11:44,880

goes back to condying and all this stuff

1952

01:11:49,510 --> 01:11:47,199

that went on that if they weren't going

1953

01:11:51,910 --> 01:11:49,520

to use

1954

01:11:52,709 --> 01:11:51,920

some of that and even bent waters in it

1955

01:11:57,030 --> 01:11:52,719

so

1956

01:11:59,270 --> 01:11:57,040

halt you know and he's an officer too

1957

01:12:00,310 --> 01:11:59,280

that this was done that way

1958

01:12:02,950 --> 01:12:00,320

so that

1959

01:12:05,910 --> 01:12:02,960

that it could open up to

1960

01:12:08,390 --> 01:12:05,920

her opening up some cases but she did

1961

01:12:10,149 --> 01:12:08,400

make that one little caveat that she

1962

01:12:12,470 --> 01:12:10,159

said at the end was what we'll look at

1963

01:12:14,950 --> 01:12:12,480

it but if it's all classified stuff

1964

01:12:16,390 --> 01:12:14,960

we're not we won't go forward with it

1965

01:12:17,990 --> 01:12:16,400

well well

1966

01:12:19,189 --> 01:12:18,000

in your opinion what do you think is the

1967

01:12:23,350 --> 01:12:19,199

best

1968

01:12:24,229 --> 01:12:23,360

documentary most accurate documentary um

1969

01:12:26,470 --> 01:12:24,239

that

1970

01:12:27,830 --> 01:12:26,480

you know how it's reflecting what ha

1971

01:12:29,910 --> 01:12:27,840

actually happened

1972

01:12:32,390 --> 01:12:29,920

well i think

1973

01:12:34,310 --> 01:12:32,400

it's kind of a two two thing

1974

01:12:36,310 --> 01:12:34,320

phase thing you have to say there was

1975

01:12:38,950 --> 01:12:36,320

one that was done and i can't remember

1976

01:12:40,870 --> 01:12:38,960

what it's called but it was done

1977

01:12:43,830 --> 01:12:40,880

i think

1978

01:12:46,149 --> 01:12:43,840

it would have been early 2000s it was

1979

01:12:48,229 --> 01:12:46,159

it's been aired on history it's out on

1980

01:12:49,189 --> 01:12:48,239

out on the internet it's on youtube but

1981

01:12:53,750 --> 01:12:49,199

it had

1982

01:12:55,590 --> 01:12:53,760

as far as the different people were

1983

01:12:56,550 --> 01:12:55,600

involved they had georgina bruni in it

1984

01:12:57,910 --> 01:12:56,560

and stuff

1985

01:13:00,870 --> 01:12:57,920

um

1986

01:13:04,070 --> 01:13:00,880

then there was another one sci-fi that

1987

01:13:06,550 --> 01:13:04,080

you know they looked at it hard uh the

1988

01:13:08,630 --> 01:13:06,560

initial one that chuck the carl did was

1989

01:13:11,189 --> 01:13:08,640

a very interesting documentary and it's

1990

01:13:12,790 --> 01:13:11,199

out on the internet where he went in and

1991

01:13:14,630 --> 01:13:12,800

talked to a lot of people adrian and i

1992

01:13:16,790 --> 01:13:14,640

weren't involved in it and pedestal

1993

01:13:19,350 --> 01:13:16,800

wasn't involved in a halt but they had a

1994

01:13:20,630 --> 01:13:19,360

lot of other witnesses talking about it

1995

01:13:22,310 --> 01:13:20,640

you know people that were actually out

1996

01:13:24,470 --> 01:13:22,320

there with hauled and stuff

1997

01:13:27,110 --> 01:13:24,480

so there's there's several different

1998

01:13:29,430 --> 01:13:27,120

ones out there but the one that had them

1999

01:13:32,550 --> 01:13:29,440

a lot of information that was well put

2000

01:13:34,950 --> 01:13:32,560

together was that one that has been on

2001

01:13:36,550 --> 01:13:34,960

history several times that was a good

2002

01:13:37,510 --> 01:13:36,560

one because there was most of us were in

2003

01:13:39,030 --> 01:13:37,520

there

2004

01:13:42,070 --> 01:13:39,040

and um

2005

01:13:45,030 --> 01:13:42,080

so it was it was an interesting piece

2006

01:13:47,510 --> 01:13:45,040

now on in your everyday life

2007

01:13:49,669 --> 01:13:47,520

as john burroughs other

2008

01:13:51,669 --> 01:13:49,679

are there connections to this

2009

01:13:53,270 --> 01:13:51,679

like in your everyday life or is it

2010

01:13:55,510 --> 01:13:53,280

something that you you know i know

2011

01:13:57,350 --> 01:13:55,520

you're on with linda once a week

2012

01:13:58,390 --> 01:13:57,360

is it something that you just you know

2013

01:14:00,470 --> 01:13:58,400

visit

2014

01:14:01,750 --> 01:14:00,480

now and then or is it a big part of your

2015

01:14:03,110 --> 01:14:01,760

life

2016

01:14:05,110 --> 01:14:03,120

at this point

2017

01:14:06,790 --> 01:14:05,120

there was a point when it was a huge

2018

01:14:08,870 --> 01:14:06,800

part of my life that's when i was sick

2019

01:14:11,270 --> 01:14:08,880

and i was doing a lot of research

2020

01:14:13,430 --> 01:14:11,280

um i started before i really got sick

2021

01:14:14,709 --> 01:14:13,440

before the 30th trying to figure some

2022

01:14:16,709 --> 01:14:14,719

stuff out

2023

01:14:19,350 --> 01:14:16,719

and then when i got sick i really got

2024

01:14:22,070 --> 01:14:19,360

into it um but since i've gotten my

2025

01:14:23,750 --> 01:14:22,080

settlement and everything no i i still

2026

01:14:25,590 --> 01:14:23,760

look at it i got different people that

2027

01:14:27,590 --> 01:14:25,600

are doing some good work into it i've

2028

01:14:30,149 --> 01:14:27,600

backed off on some of that

2029

01:14:32,470 --> 01:14:30,159

but um i'd say

2030

01:14:34,229 --> 01:14:32,480

i mean it's always going to be there and

2031

01:14:36,870 --> 01:14:34,239

i always get reminders of it with

2032

01:14:38,950 --> 01:14:36,880

different things that people uncover um

2033

01:14:40,550 --> 01:14:38,960

but it's not something that every

2034

01:14:42,630 --> 01:14:40,560

morning i wake up and that's the first

2035

01:14:45,350 --> 01:14:42,640

thing i think about right and your

2036

01:14:47,430 --> 01:14:45,360

community for instance do people know

2037

01:14:49,910 --> 01:14:47,440

like in your community like oh that's

2038

01:14:52,709 --> 01:14:49,920

john burroughs you know rendering force

2039

01:14:54,950 --> 01:14:52,719

or or can you you know kind of get away

2040

01:14:56,870 --> 01:14:54,960

with you know running uh

2041

01:14:58,950 --> 01:14:56,880

a typical life without worrying about

2042

01:15:00,470 --> 01:14:58,960

anything like that well sedona when i

2043

01:15:02,870 --> 01:15:00,480

lived in sedona before i moved back to

2044

01:15:04,630 --> 01:15:02,880

illinois i it was hard not to go around

2045

01:15:06,630 --> 01:15:04,640

without the people not knowing who i was

2046

01:15:08,790 --> 01:15:06,640

obviously because then also sedona was

2047

01:15:10,630 --> 01:15:08,800

identified as one of the code sites

2048

01:15:12,950 --> 01:15:10,640

but back here there it's been a couple

2049

01:15:15,510 --> 01:15:12,960

times that people

2050

01:15:18,229 --> 01:15:15,520

when i'm out there the the one time that

2051
01:15:19,750 --> 01:15:18,239
stood out but was i was at a baseball

2052
01:15:21,430 --> 01:15:19,760
game here a local

2053
01:15:23,590 --> 01:15:21,440
minor league team and i was in line

2054
01:15:25,350 --> 01:15:23,600
getting food before the game and the

2055
01:15:26,390 --> 01:15:25,360
people behind the

2056
01:15:29,189 --> 01:15:26,400
um

2057
01:15:31,430 --> 01:15:29,199
the the counter recognize me i guess

2058
01:15:33,430 --> 01:15:31,440
they just seen that this was one of the

2059
01:15:35,750 --> 01:15:33,440
documentaries on the tv night before and

2060
01:15:38,470 --> 01:15:35,760
they recognized me but no i i can pretty

2061
01:15:40,310 --> 01:15:38,480
much walk around and you know i don't

2062
01:15:41,910 --> 01:15:40,320
have to worry about it i mean it depends

2063
01:15:44,070 --> 01:15:41,920

on where you're at you know if you're in

2064

01:15:46,149 --> 01:15:44,080

a town or an area where there's a lot of

2065

01:15:48,070 --> 01:15:46,159

people are into it and stuff you'll be

2066

01:15:50,229 --> 01:15:48,080

recognized more you know than if you're

2067

01:15:51,430 --> 01:15:50,239

just in an area like this and illinois

2068

01:15:53,669 --> 01:15:51,440

believe it or not it's had a lot of

2069

01:15:55,110 --> 01:15:53,679

weird things happen in sightings but

2070

01:15:57,510 --> 01:15:55,120

they're not really

2071

01:16:01,189 --> 01:15:57,520

a big movement here for ufos and stuff

2072

01:16:03,590 --> 01:16:01,199

so yeah yeah interesting well um a

2073

01:16:05,590 --> 01:16:03,600

question in the uh forum

2074

01:16:08,390 --> 01:16:05,600

on the first night of the rendelstrom

2075

01:16:10,550 --> 01:16:08,400

forest incident after you called in that

2076

01:16:12,630 --> 01:16:10,560

there was something moving in the forest

2077

01:16:14,630 --> 01:16:12,640

did anyone check with radar

2078

01:16:17,189 --> 01:16:14,640

installations to confirm that something

2079

01:16:18,950 --> 01:16:17,199

had been detected near the base

2080

01:16:22,070 --> 01:16:18,960

well yeah that that's one of the things

2081

01:16:25,669 --> 01:16:22,080

that that was interesting now hall

2082

01:16:26,870 --> 01:16:25,679

has gone on to say that he had him check

2083

01:16:28,630 --> 01:16:26,880

when he was out there and he said

2084

01:16:30,470 --> 01:16:28,640

negative but he found out later from

2085

01:16:31,669 --> 01:16:30,480

radar operators that there was something

2086

01:16:33,750 --> 01:16:31,679

that night

2087

01:16:35,590 --> 01:16:33,760

we never could have left base at night

2088

01:16:37,510 --> 01:16:35,600

if it wasn't for the fact that they

2089

01:16:38,790 --> 01:16:37,520

checked with our local radar which is

2090

01:16:41,189 --> 01:16:38,800

rapcon

2091

01:16:43,750 --> 01:16:41,199

and they identified something and then

2092

01:16:45,750 --> 01:16:43,760

eastern radar and heathrow saw something

2093

01:16:48,070 --> 01:16:45,760

on radar that disappeared into the force

2094

01:16:50,149 --> 01:16:48,080

area because the reason why they sent us

2095

01:16:52,229 --> 01:16:50,159

out there and they don't like this to be

2096

01:16:55,110 --> 01:16:52,239

discussed very much including shift

2097

01:16:57,590 --> 01:16:55,120

commander who came in and disputed some

2098

01:16:58,630 --> 01:16:57,600

of peniston's claims and colonel conrad

2099

01:17:00,229 --> 01:16:58,640

did too

2100

01:17:02,709 --> 01:17:00,239

over the years about some of the things

2101

01:17:04,310 --> 01:17:02,719

that jim's added to the story but i

2102

01:17:05,830 --> 01:17:04,320

challenged the lieutenant i says why

2103

01:17:08,149 --> 01:17:05,840

didn't you send us out there then sir it

2104

01:17:09,750 --> 01:17:08,159

was off base the local authorities have

2105

01:17:11,110 --> 01:17:09,760

been

2106

01:17:12,870 --> 01:17:11,120

notified that there was something

2107

01:17:15,030 --> 01:17:12,880

strange in the forest and we should have

2108

01:17:17,030 --> 01:17:15,040

just monitored it and the reason why we

2109

01:17:18,390 --> 01:17:17,040

went out there was because they thought

2110

01:17:20,390 --> 01:17:18,400

an aircraft may have crashed in the

2111

01:17:23,189 --> 01:17:20,400

forest and that's why they sent us out

2112

01:17:25,669 --> 01:17:23,199

there to to look at it and the final

2113

01:17:27,990 --> 01:17:25,679

piece of information a lot of

2114

01:17:29,270 --> 01:17:28,000

to go out there was the radar actually

2115

01:17:32,630 --> 01:17:29,280

the subtitle was on radar and it

2116

01:17:35,430 --> 01:17:32,640

disappeared oh okay thank you now when

2117

01:17:37,830 --> 01:17:35,440

you actually the first night when you're

2118

01:17:39,750 --> 01:17:37,840

out there in the woods were you walking

2119

01:17:42,149 --> 01:17:39,760

you know basically side by side with

2120

01:17:43,590 --> 01:17:42,159

peniston or were you like uh far apart

2121

01:17:45,910 --> 01:17:43,600

from each other

2122

01:17:47,590 --> 01:17:45,920

well we got out of the vehicle and we

2123

01:17:49,350 --> 01:17:47,600

moved out forward

2124

01:17:51,510 --> 01:17:49,360

as we approached whatever it was

2125

01:17:53,350 --> 01:17:51,520

pedestrian was in front of me to my left

2126
01:17:55,910 --> 01:17:53,360
i was in the center command set goes to

2127
01:17:59,830 --> 01:17:55,920
my left to my right so we were in a

2128
01:18:01,910 --> 01:17:59,840
staggered line formation so i i was i

2129
01:18:05,270 --> 01:18:01,920
don't know

2130
01:18:07,669 --> 01:18:05,280
six seven feet from him

2131
01:18:09,990 --> 01:18:07,679
when we came up on whatever it was so

2132
01:18:11,510 --> 01:18:10,000
now he describes actually the triangle

2133
01:18:12,550 --> 01:18:11,520
craft going around it and all that but

2134
01:18:16,630 --> 01:18:12,560
you just

2135
01:18:18,550 --> 01:18:16,640
what

2136
01:18:20,149 --> 01:18:18,560
when we when we came

2137
01:18:21,910 --> 01:18:20,159
up on the berm

2138
01:18:23,990 --> 01:18:21,920

as far as there was like there was

2139

01:18:25,590 --> 01:18:24,000

something in front of us we could see it

2140

01:18:27,830 --> 01:18:25,600

and there was like a small burn we came

2141

01:18:28,950 --> 01:18:27,840

up as we came up on the top of it all of

2142

01:18:31,110 --> 01:18:28,960

a sudden

2143

01:18:33,430 --> 01:18:31,120

there was the lights and it got real

2144

01:18:36,149 --> 01:18:33,440

bright so we hit the ground and what i

2145

01:18:38,470 --> 01:18:36,159

remember then was the lights dimmed

2146

01:18:39,430 --> 01:18:38,480

and whatever it was went up and took off

2147

01:18:41,110 --> 01:18:39,440

and

2148

01:18:43,750 --> 01:18:41,120

peniston

2149

01:18:46,149 --> 01:18:43,760

again like i said

2150

01:18:49,110 --> 01:18:46,159

over the years he's added to you know

2151
01:18:51,510 --> 01:18:49,120
the fact that he got up walked around it

2152
01:18:53,270 --> 01:18:51,520
touched and did all that stuff so

2153
01:18:57,750 --> 01:18:53,280
yeah he's got a different recollection

2154
01:19:00,470 --> 01:18:57,760
but cabansack did one interview on uh

2155
01:19:02,390 --> 01:19:00,480
with for james fox it was it was out of

2156
01:19:04,470 --> 01:19:02,400
blue and i know what i saw it was in

2157
01:19:06,229 --> 01:19:04,480
both clips and he basically said we got

2158
01:19:10,149 --> 01:19:06,239
close to it and whatever it was we

2159
01:19:11,110 --> 01:19:10,159
blacked out once we got close to it wow

2160
01:19:15,430 --> 01:19:11,120
so

2161
01:19:17,510 --> 01:19:15,440
jim has now said that only

2162
01:19:19,110 --> 01:19:17,520
him and i were there and ed was to the

2163
01:19:20,950 --> 01:19:19,120

back but

2164

01:19:23,830 --> 01:19:20,960

early on jim did say in an interview

2165

01:19:25,910 --> 01:19:23,840

that the three of us were together so

2166

01:19:27,669 --> 01:19:25,920

all i'm getting at is yes we all have

2167

01:19:30,470 --> 01:19:27,679

kind of different recollections of what

2168

01:19:32,709 --> 01:19:30,480

took place that it's a fact and even ed

2169

01:19:34,950 --> 01:19:32,719

remembers it a little differently than

2170

01:19:37,430 --> 01:19:34,960

than i do or jim so

2171

01:19:38,790 --> 01:19:37,440

now did you were you part of the the

2172

01:19:41,189 --> 01:19:38,800

the crew that went back there and

2173

01:19:42,390 --> 01:19:41,199

actually looked for physical evidence

2174

01:19:44,229 --> 01:19:42,400

the next day

2175

01:19:45,990 --> 01:19:44,239

yeah in the morning after we turned in

2176

01:19:47,510 --> 01:19:46,000

we saw the ship commander and on our way

2177

01:19:48,310 --> 01:19:47,520

home he told us to go back out to the

2178

01:19:49,669 --> 01:19:48,320

site

2179

01:19:51,270 --> 01:19:49,679

and they had the day shift shift

2180

01:19:53,430 --> 01:19:51,280

commander out there they had the day

2181

01:19:55,189 --> 01:19:53,440

shift security flight chief out there

2182

01:19:56,470 --> 01:19:55,199

operations officers showed up those are

2183

01:19:58,310 --> 01:19:56,480

the three i remember there were some

2184

01:20:01,030 --> 01:19:58,320

other people out there too but at the

2185

01:20:01,830 --> 01:20:01,040

top of my head i don't remember who they

2186

01:20:03,430 --> 01:20:01,840

were

2187

01:20:05,750 --> 01:20:03,440

but there was some british police out

2188

01:20:08,470 --> 01:20:05,760

there too and that's where the area was

2189

01:20:10,630 --> 01:20:08,480

where they found the the indentations of

2190

01:20:13,910 --> 01:20:10,640

the ground and some damage to the trees

2191

01:20:15,510 --> 01:20:13,920

yeah right right now i saw on youtube

2192

01:20:17,830 --> 01:20:15,520

there's a clip

2193

01:20:19,430 --> 01:20:17,840

that someone posted on there when you're

2194

01:20:22,790 --> 01:20:19,440

being

2195

01:20:25,910 --> 01:20:22,800

led through hypnotherapy a regression

2196

01:20:27,830 --> 01:20:25,920

um right is that the only time that you

2197

01:20:29,430 --> 01:20:27,840

had ever done that or have you tried

2198

01:20:31,830 --> 01:20:29,440

things like that

2199

01:20:33,430 --> 01:20:31,840

you mean hypnosis yeah

2200

01:20:35,350 --> 01:20:33,440

i'm not sure which one you saw because

2201

01:20:38,149 --> 01:20:35,360

there's a couple different ones out

2202

01:20:41,030 --> 01:20:38,159

there but the original hypnosis was done

2203

01:20:43,590 --> 01:20:41,040

in 88 and that's the one

2204

01:20:46,070 --> 01:20:43,600

that was done because of the fact that

2205

01:20:47,669 --> 01:20:46,080

both times i said when i got close to i

2206

01:20:49,750 --> 01:20:47,679

don't know what happened afterwards what

2207

01:20:51,189 --> 01:20:49,760

i mean by that is the first time i just

2208

01:20:52,950 --> 01:20:51,199

remember it

2209

01:20:54,950 --> 01:20:52,960

you know going up and leaving peniston

2210

01:20:56,630 --> 01:20:54,960

remembers it differently the second time

2211

01:20:59,510 --> 01:20:56,640

i just remember getting close to and it

2212

01:21:01,990 --> 01:20:59,520

was gone and the stenza saw what you

2213

01:21:03,830 --> 01:21:02,000

know that i went into it so they put me

2214

01:21:06,709 --> 01:21:03,840

under to try to see if i could remember

2215

01:21:09,030 --> 01:21:06,719

some of that so um

2216

01:21:11,590 --> 01:21:09,040

now has anyone ever tried

2217

01:21:13,189 --> 01:21:11,600

um you know not that it's needed in any

2218

01:21:16,790 --> 01:21:13,199

type of way at all but has anyone ever

2219

01:21:19,110 --> 01:21:16,800

tried to get any one of you on a

2220

01:21:21,430 --> 01:21:19,120

polygraph test

2221

01:21:22,870 --> 01:21:21,440

no yeah i mean this is one of the cases

2222

01:21:24,070 --> 01:21:22,880

where there's so many witnesses it would

2223

01:21:26,470 --> 01:21:24,080

be foolish

2224

01:21:28,709 --> 01:21:26,480

you know to ever try anything like that

2225

01:21:30,470 --> 01:21:28,719

well i i mean i you can't say it would

2226

01:21:32,470 --> 01:21:30,480

be foolish but

2227

01:21:33,990 --> 01:21:32,480

the the issue with the polygraph is what

2228

01:21:37,990 --> 01:21:34,000

are they going to ask us were we out

2229

01:21:39,830 --> 01:21:38,000

there yeah that's been substantiated um

2230

01:21:41,030 --> 01:21:39,840

yeah i guess you could go after penis

2231

01:21:42,870 --> 01:21:41,040

and say

2232

01:21:44,630 --> 01:21:42,880

did you really see a triangular craft

2233

01:21:46,390 --> 01:21:44,640

did you really walk around it did you

2234

01:21:48,390 --> 01:21:46,400

really touch it yeah did you really have

2235

01:21:52,149 --> 01:21:48,400

binary um

2236

01:21:54,149 --> 01:21:52,159

so yeah they could do that um

2237

01:21:55,510 --> 01:21:54,159

what they could say did you see what

2238

01:21:56,390 --> 01:21:55,520

penises saw

2239

01:22:02,229 --> 01:21:56,400

you know

2240

01:22:04,310 --> 01:22:02,239

clear through a lie detector test but

2241

01:22:06,149 --> 01:22:04,320

to me you would what would be the point

2242

01:22:07,750 --> 01:22:06,159

of the lie detector test

2243

01:22:09,590 --> 01:22:07,760

you know

2244

01:22:11,750 --> 01:22:09,600

as far as if you just want to know if

2245

01:22:14,149 --> 01:22:11,760

the incident took place it took place

2246

01:22:15,669 --> 01:22:14,159

and strange things happened um and i

2247

01:22:17,990 --> 01:22:15,679

don't know

2248

01:22:19,590 --> 01:22:18,000

how it would clarify the rest i mean

2249

01:22:21,189 --> 01:22:19,600

right to say

2250

01:22:23,750 --> 01:22:21,199

that

2251

01:22:26,390 --> 01:22:23,760

not to do it is would be stupid i mean

2252

01:22:28,709 --> 01:22:26,400

whatever i mean you know

2253

01:22:31,110 --> 01:22:28,719

has there ever been an attempt by any

2254

01:22:33,350 --> 01:22:31,120

one of you to get

2255

01:22:35,669 --> 01:22:33,360

everyone together to just sit down and

2256

01:22:37,750 --> 01:22:35,679

hash out the differences

2257

01:22:39,350 --> 01:22:37,760

well that that yeah there was jimmy

2258

01:22:41,350 --> 01:22:39,360

church tried to work on that at one

2259

01:22:43,270 --> 01:22:41,360

point um supposedly had somebody with

2260

01:22:46,070 --> 01:22:43,280

some money that wanted to do it

2261

01:22:49,430 --> 01:22:46,080

and halt just let out said he wouldn't

2262

01:22:52,629 --> 01:22:49,440

he wouldn't show up it warned it um

2263

01:22:55,030 --> 01:22:52,639

so that alienated people um that's what

2264

01:22:57,270 --> 01:22:55,040

i'm saying all along

2265

01:22:58,790 --> 01:22:57,280

the the big one of the bigger issues is

2266

01:23:00,550 --> 01:22:58,800

is that there's a lot of different

2267

01:23:01,669 --> 01:23:00,560

people that saw the different things

2268

01:23:03,270 --> 01:23:01,679

we've had some of the different

2269

01:23:05,110 --> 01:23:03,280

witnesses on

2270

01:23:06,709 --> 01:23:05,120

on the second night

2271

01:23:09,030 --> 01:23:06,719

we're on the third night heard things

2272

01:23:10,950 --> 01:23:09,040

and saw things and it would be fantastic

2273

01:23:12,070 --> 01:23:10,960

if that would happen but there was

2274

01:23:13,669 --> 01:23:12,080

always that

2275

01:23:15,590 --> 01:23:13,679

thing hanging over

2276

01:23:18,070 --> 01:23:15,600

the warren hall

2277

01:23:19,750 --> 01:23:18,080

clash and then and then some of the new

2278

01:23:22,870 --> 01:23:19,760

witnesses that come forward recently

2279

01:23:24,870 --> 01:23:22,880

hall attacks them right away so you know

2280

01:23:27,830 --> 01:23:24,880

if you don't if you don't follow halt's

2281

01:23:29,590 --> 01:23:27,840

line if you don't go along with what he

2282

01:23:31,990 --> 01:23:29,600

said happened if you say anything

2283

01:23:34,149 --> 01:23:32,000

different he goes after you so

2284

01:23:36,390 --> 01:23:34,159

i don't think it'll ever happen and to

2285

01:23:37,910 --> 01:23:36,400

be honest with you i really question

2286

01:23:40,790 --> 01:23:37,920

whether hall ever really wants it to

2287

01:23:42,310 --> 01:23:40,800

happen he as a leader as a colonel if he

2288

01:23:44,070 --> 01:23:42,320

really cared about us if he really

2289

01:23:45,910 --> 01:23:44,080

wanted to know what happened

2290

01:23:48,550 --> 01:23:45,920

as far as put it all together and get

2291

01:23:50,790 --> 01:23:48,560

all the stories together he would try to

2292

01:23:52,790 --> 01:23:50,800

get us together but he never has

2293

01:23:54,870 --> 01:23:52,800

do you think part of it has to do with

2294

01:23:55,910 --> 01:23:54,880

the very fact that he was a leader and

2295

01:23:57,830 --> 01:23:55,920

he was

2296

01:23:59,430 --> 01:23:57,840

you know in you know a deputy commander

2297

01:24:00,629 --> 01:23:59,440

of the base at the time

2298

01:24:02,310 --> 01:24:00,639

that he

2299

01:24:03,990 --> 01:24:02,320

i don't want to say it's an ego thing

2300

01:24:06,550 --> 01:24:04,000

but it's more of a

2301

01:24:08,149 --> 01:24:06,560

a control type of thing over the

2302

01:24:09,510 --> 01:24:08,159

information do you think that's what it

2303

01:24:11,590 --> 01:24:09,520

is

2304

01:24:14,550 --> 01:24:11,600

well if you mean by control

2305

01:24:18,310 --> 01:24:14,560

is is he a part of the cover-up i'd say

2306

01:24:20,470 --> 01:24:18,320

he possibly could be um as far as just

2307

01:24:21,830 --> 01:24:20,480

him controlling everything that still

2308

01:24:24,629 --> 01:24:21,840

couldn't keep us from all getting

2309

01:24:26,470 --> 01:24:24,639

together i mean he's gone out of his way

2310

01:24:28,790 --> 01:24:26,480

to not want us to get together is what

2311

01:24:30,870 --> 01:24:28,800

i'm saying you know what i mean yeah he

2312

01:24:33,430 --> 01:24:30,880

doesn't really seem to care about what

2313

01:24:34,870 --> 01:24:33,440

really happened he doesn't really seem

2314

01:24:37,510 --> 01:24:34,880

because if he did

2315

01:24:38,470 --> 01:24:37,520

he sure as heck based just on church's

2316

01:24:40,629 --> 01:24:38,480

offer

2317

01:24:42,390 --> 01:24:40,639

could have you know spearheaded it you

2318

01:24:45,990 --> 01:24:42,400

know because some of the issue could be

2319

01:24:48,149 --> 01:24:46,000

money but there was supposedly money on

2320

01:24:51,590 --> 01:24:48,159

the table that could get us all together

2321

01:24:53,430 --> 01:24:51,600

but right away he had stipulations and

2322

01:24:55,590 --> 01:24:53,440

and also killed it

2323

01:24:57,990 --> 01:24:55,600

you know and this is

2324

01:25:00,310 --> 01:24:58,000

this is a case that is still in

2325

01:25:01,990 --> 01:25:00,320

contemporary times you know this is it's

2326

01:25:03,750 --> 01:25:02,000

going to happen time will move on you

2327

01:25:05,510 --> 01:25:03,760

know this this case i think is going to

2328

01:25:07,350 --> 01:25:05,520

go down as one of the

2329

01:25:09,110 --> 01:25:07,360

one of the you know

2330

01:25:11,350 --> 01:25:09,120

well it's already called

2331

01:25:12,629 --> 01:25:11,360

you know england's roswell and all that

2332

01:25:15,830 --> 01:25:12,639

i think it's going to go down as one of

2333

01:25:18,709 --> 01:25:15,840

the most extraordinary cases

2334

01:25:21,910 --> 01:25:18,719

most everyone is alive as far as i know

2335

01:25:24,229 --> 01:25:21,920

and it's just too bad that that can't

2336

01:25:25,830 --> 01:25:24,239

uh you know that can happen you know all

2337

01:25:26,790 --> 01:25:25,840

that is happening is you know separate

2338

01:25:28,870 --> 01:25:26,800

accounts

2339

01:25:30,870 --> 01:25:28,880

and uh which don't always seem to line

2340

01:25:34,870 --> 01:25:30,880

up

2341

01:25:37,110 --> 01:25:34,880

mean

2342

01:25:38,950 --> 01:25:37,120

that's the point get us all together and

2343

01:25:41,430 --> 01:25:38,960

see why i mean

2344

01:25:43,430 --> 01:25:41,440

but again that i don't think that'll

2345

01:25:45,110 --> 01:25:43,440

happen i think those days i think the

2346

01:25:46,229 --> 01:25:45,120

closest we ever came to it would have

2347

01:25:47,990 --> 01:25:46,239

been

2348

01:25:49,830 --> 01:25:48,000

the 30th now

2349

01:25:51,350 --> 01:25:49,840

i mean i guess there's an outside chance

2350

01:25:54,070 --> 01:25:51,360

on the 40th

2351

01:25:56,070 --> 01:25:54,080

that you know whoever's still around and

2352

01:25:57,030 --> 01:25:56,080

i'm not saying anybody's near death but

2353

01:25:59,030 --> 01:25:57,040

i mean

2354

01:26:01,110 --> 01:25:59,040

halt's way up there in age williams has

2355

01:26:03,510 --> 01:26:01,120

been sick and is up there in age

2356

01:26:05,189 --> 01:26:03,520

you know um conrad i haven't talked to

2357

01:26:06,629 --> 01:26:05,199

him for three or four years i don't know

2358

01:26:08,870 --> 01:26:06,639

his status but

2359

01:26:09,910 --> 01:26:08,880

the the senior staff are getting up in

2360

01:26:11,990 --> 01:26:09,920

age but

2361

01:26:13,830 --> 01:26:12,000

yeah it would be kind of cool you know

2362

01:26:16,790 --> 01:26:13,840

even if we couldn't go to the uk to do

2363

01:26:18,550 --> 01:26:16,800

it that on the 40th anniversary

2364

01:26:20,390 --> 01:26:18,560

you know we pick a spot somewhere in

2365

01:26:21,350 --> 01:26:20,400

central amer you know central united

2366

01:26:23,030 --> 01:26:21,360

states

2367

01:26:24,870 --> 01:26:23,040

and everybody would get together you

2368

01:26:26,950 --> 01:26:24,880

know would be cool and and sit down and

2369

01:26:29,030 --> 01:26:26,960

talk about it but

2370

01:26:31,189 --> 01:26:29,040

i i don't see it happen i'm not saying

2371

01:26:33,189 --> 01:26:31,199

some of us won't get together but i just

2372

01:26:35,669 --> 01:26:33,199

don't see

2373

01:26:37,669 --> 01:26:35,679

the the you know enough people getting

2374

01:26:39,030 --> 01:26:37,679

together and sitting down and talking

2375

01:26:40,149 --> 01:26:39,040

through it i think

2376

01:26:43,030 --> 01:26:40,159

that

2377

01:26:45,830 --> 01:26:43,040

it was it's by design this way um

2378

01:26:47,510 --> 01:26:45,840

and i think that they're covering up

2379

01:26:50,229 --> 01:26:47,520

you know i don't want to say aliens or

2380

01:26:52,470 --> 01:26:50,239

time travelers but they're covering up

2381

01:26:54,310 --> 01:26:52,480

well what our involvement was as far as

2382

01:26:56,790 --> 01:26:54,320

technology-wise what we're learning from

2383

01:26:59,030 --> 01:26:56,800

what we're doing it's in condying i mean

2384

01:27:01,030 --> 01:26:59,040

in fact i did foia i don't know if

2385

01:27:02,550 --> 01:27:01,040

you're aware of that but remember how

2386

01:27:04,470 --> 01:27:02,560

the british said that they'd released

2387

01:27:06,550 --> 01:27:04,480

all their documents yes

2388

01:27:08,149 --> 01:27:06,560

well i've got them i caught them to

2389

01:27:11,590 --> 01:27:08,159

admit that they hadn't they're still

2390

01:27:13,430 --> 01:27:11,600

holding 18 files really and um

2391

01:27:15,270 --> 01:27:13,440

yeah it's not a huge story it's been

2392

01:27:17,990 --> 01:27:15,280

around it ended up on the house the

2393

01:27:19,910 --> 01:27:18,000

florida house of lords because they

2394

01:27:21,669 --> 01:27:19,920

admitted it to me and then they were

2395

01:27:24,070 --> 01:27:21,679

going to release it and they didn't and

2396

01:27:25,830 --> 01:27:24,080

then then it got taken to the floor and

2397

01:27:27,510 --> 01:27:25,840

they said they were and then they were

2398

01:27:29,669 --> 01:27:27,520

then they they were they supposedly

2399

01:27:31,510 --> 01:27:29,679

released it to the archives last summer

2400

01:27:33,030 --> 01:27:31,520

and then they pulled it back because

2401

01:27:34,709 --> 01:27:33,040

there was still classified stuff in

2402

01:27:36,709 --> 01:27:34,719

there that shouldn't have been

2403

01:27:38,950 --> 01:27:36,719

so whatever's in there they're they're

2404

01:27:41,030 --> 01:27:38,960

highly redacting them so it means a lot

2405

01:27:43,350 --> 01:27:41,040

of classified stuff but of course the

2406

01:27:44,870 --> 01:27:43,360

debunkers are saying well you know

2407

01:27:46,629 --> 01:27:44,880

there's nothing to this these are all

2408

01:27:48,149 --> 01:27:46,639

documents and stuff well if that's the

2409

01:27:50,310 --> 01:27:48,159

case why are they taking so long to

2410

01:27:53,430 --> 01:27:50,320

release it and why are they redacting so

2411

01:27:55,350 --> 01:27:53,440

much of it and then on top of it i was

2412

01:27:57,430 --> 01:27:55,360

going further along with some stuff i

2413

01:27:59,270 --> 01:27:57,440

had and uh

2414

01:28:01,189 --> 01:27:59,280

got them to admit that they actually

2415

01:28:02,470 --> 01:28:01,199

developed a weapon off whatever we

2416

01:28:04,149 --> 01:28:02,480

encountered

2417

01:28:06,310 --> 01:28:04,159

and um

2418

01:28:07,669 --> 01:28:06,320

then they section me and i can't ask any

2419

01:28:09,430 --> 01:28:07,679

more questions until everything's

2420

01:28:10,870 --> 01:28:09,440

released

2421

01:28:14,390 --> 01:28:10,880

so

2422

01:28:16,790 --> 01:28:14,400

there's that whole issue going on um but

2423

01:28:19,030 --> 01:28:16,800

i they're they're covering up

2424

01:28:21,350 --> 01:28:19,040

you know it's easy to say aliens were

2425

01:28:22,870 --> 01:28:21,360

there but i i don't know what was there

2426
01:28:24,550 --> 01:28:22,880
and i don't know exactly what we were

2427
01:28:25,750 --> 01:28:24,560
doing and what else was there and what

2428
01:28:27,669 --> 01:28:25,760
was going on

2429
01:28:29,830 --> 01:28:27,679
but there it's clearly something that's

2430
01:28:31,990 --> 01:28:29,840
still important to this day that needs

2431
01:28:34,149 --> 01:28:32,000
to remain classified to include my

2432
01:28:36,709 --> 01:28:34,159
medical records do you know what i mean

2433
01:28:38,709 --> 01:28:36,719
and we we still can't totally understand

2434
01:28:40,709 --> 01:28:38,719
what could be in my records that they

2435
01:28:43,430 --> 01:28:40,719
wouldn't want released to a doctor at

2436
01:28:45,350 --> 01:28:43,440
least at least you know in other words

2437
01:28:47,030 --> 01:28:45,360
only certain doctors in the va can see

2438
01:28:48,870 --> 01:28:47,040

my records certain parts of my records

2439

01:28:50,070 --> 01:28:48,880

are restricted from my regular doctor

2440

01:28:51,830 --> 01:28:50,080

even

2441

01:28:53,910 --> 01:28:51,840

have you ever heard of anyone else's

2442

01:28:55,030 --> 01:28:53,920

medical records being classified like

2443

01:28:56,950 --> 01:28:55,040

that

2444

01:29:00,070 --> 01:28:56,960

well what i've learned

2445

01:29:01,750 --> 01:29:00,080

was through this lady that um

2446

01:29:03,910 --> 01:29:01,760

that was working for kyle and she ended

2447

01:29:05,830 --> 01:29:03,920

up going to work for the new guy that

2448

01:29:07,110 --> 01:29:05,840

got elected and cosplayed he's a

2449

01:29:10,790 --> 01:29:07,120

republican too

2450

01:29:12,870 --> 01:29:10,800

was that there is a special operations

2451
01:29:14,870 --> 01:29:12,880
in out on the east coast they store the

2452
01:29:16,149 --> 01:29:14,880
records i think in jackson mississippi

2453
01:29:18,550 --> 01:29:16,159
if i got this right that's what the

2454
01:29:21,590 --> 01:29:18,560
attorney was from but they do

2455
01:29:23,430 --> 01:29:21,600
have a classified section for operations

2456
01:29:25,669 --> 01:29:23,440
that take place in other words like you

2457
01:29:28,229 --> 01:29:25,679
have seals involved in operations to get

2458
01:29:30,709 --> 01:29:28,239
injured cia you know different people

2459
01:29:32,950 --> 01:29:30,719
so there are things in the records that

2460
01:29:34,470 --> 01:29:32,960
would be classified because they can't

2461
01:29:37,189 --> 01:29:34,480
release them you know

2462
01:29:38,950 --> 01:29:37,199
and then there are different people like

2463
01:29:40,790 --> 01:29:38,960

she said she learned of the sec the

2464

01:29:42,229 --> 01:29:40,800

record section in the first place

2465

01:29:44,390 --> 01:29:42,239

because they were working on agent

2466

01:29:46,550 --> 01:29:44,400

orange and they kept running into

2467

01:29:48,070 --> 01:29:46,560

different road blocks and they finally

2468

01:29:49,350 --> 01:29:48,080

got him to admit that there were

2469

01:29:51,110 --> 01:29:49,360

different people's records were

2470

01:29:52,790 --> 01:29:51,120

classified because of the stuff that

2471

01:29:54,310 --> 01:29:52,800

involved agent orange

2472

01:29:55,510 --> 01:29:54,320

and then that was one of the first

2473

01:29:57,910 --> 01:29:55,520

tip-offs

2474

01:30:00,149 --> 01:29:57,920

to my records being classified because

2475

01:30:02,390 --> 01:30:00,159

that she was getting the same you know

2476
01:30:03,910 --> 01:30:02,400
results from requests from my records

2477
01:30:06,070 --> 01:30:03,920
and the way they were reacting and

2478
01:30:07,669 --> 01:30:06,080
treating it as they did on certain

2479
01:30:09,669 --> 01:30:07,679
people involved and this other stuff

2480
01:30:11,189 --> 01:30:09,679
that was classified in vietnam and stuff

2481
01:30:14,870 --> 01:30:11,199
so

2482
01:30:16,790 --> 01:30:14,880
but

2483
01:30:19,110 --> 01:30:16,800
i'm not sure about anybody else's

2484
01:30:21,830 --> 01:30:19,120
records that were involved but what's

2485
01:30:24,310 --> 01:30:21,840
interesting is the cia guy

2486
01:30:25,430 --> 01:30:24,320
that got involved and helped get my

2487
01:30:26,709 --> 01:30:25,440
treatment

2488
01:30:28,149 --> 01:30:26,719

actually went i don't know if you're

2489

01:30:30,310 --> 01:30:28,159

aware of this site it's called above top

2490

01:30:32,149 --> 01:30:30,320

secret oh yeah and

2491

01:30:33,750 --> 01:30:32,159

he he actually went in there because

2492

01:30:36,149 --> 01:30:33,760

right after my

2493

01:30:37,990 --> 01:30:36,159

records got the the

2494

01:30:39,510 --> 01:30:38,000

when they gave me my disability and we

2495

01:30:41,430 --> 01:30:39,520

did the press release there was this

2496

01:30:44,870 --> 01:30:41,440

huge debate about it

2497

01:30:46,070 --> 01:30:44,880

and he jumped in and said yeah um i was

2498

01:30:48,070 --> 01:30:46,080

involved with it

2499

01:30:49,590 --> 01:30:48,080

yes his records are classified and

2500

01:30:52,390 --> 01:30:49,600

there's only two other sets of records

2501

01:30:54,709 --> 01:30:52,400

i've seen classified now i'm reminding

2502

01:30:56,629 --> 01:30:54,719

i'm telling you this in the public is

2503

01:30:59,350 --> 01:30:56,639

is that i didn't say this he said it

2504

01:31:00,870 --> 01:30:59,360

okay so take that not coming from me

2505

01:31:02,950 --> 01:31:00,880

that he said there's only two other sets

2506

01:31:06,470 --> 01:31:02,960

of records you seem classified like this

2507

01:31:08,870 --> 01:31:06,480

adolf hitler's and john f kennedy's

2508

01:31:10,550 --> 01:31:08,880

and it he said it probably ties into

2509

01:31:13,270 --> 01:31:10,560

people to review my records with special

2510

01:31:14,870 --> 01:31:13,280

access programs and stuff like that but

2511

01:31:17,430 --> 01:31:14,880

the fact are that my records are

2512

01:31:20,149 --> 01:31:17,440

classified and

2513

01:31:23,990 --> 01:31:20,159

there you go so he even

2514

01:31:25,590 --> 01:31:24,000

came out and said that on this forum so

2515

01:31:27,590 --> 01:31:25,600

wow amazing

2516

01:31:29,270 --> 01:31:27,600

um now what about the

2517

01:31:31,430 --> 01:31:29,280

the story about the cameras being

2518

01:31:33,990 --> 01:31:31,440

confiscated that i know there was a

2519

01:31:35,350 --> 01:31:34,000

issue with uh pictures not coming out i

2520

01:31:37,750 --> 01:31:35,360

believe right

2521

01:31:38,550 --> 01:31:37,760

well yeah that there were pictures that

2522

01:31:40,790 --> 01:31:38,560

were

2523

01:31:42,629 --> 01:31:40,800

turned in and came back fogged that much

2524

01:31:45,830 --> 01:31:42,639

came out i had nothing to do with any of

2525

01:31:48,870 --> 01:31:45,840

that um i guess adrian vistinza i

2526

01:31:51,510 --> 01:31:48,880

believe and larry warren made statements

2527

01:31:53,030 --> 01:31:51,520

that that that why this took place on

2528

01:31:55,990 --> 01:31:53,040

the third night they were ordered to

2529

01:31:57,510 --> 01:31:56,000

take some cameras but i wasn't there for

2530

01:32:00,470 --> 01:31:57,520

any of that so

2531

01:32:02,790 --> 01:32:00,480

you know that's what was stated and

2532

01:32:04,790 --> 01:32:02,800

i think halt's denied all that but you

2533

01:32:06,229 --> 01:32:04,800

know that that did come out that way and

2534

01:32:08,149 --> 01:32:06,239

that the pictures that came back did

2535

01:32:10,149 --> 01:32:08,159

come back were all fogged

2536

01:32:12,470 --> 01:32:10,159

right now this is a question i'm going

2537

01:32:13,830 --> 01:32:12,480

to ask you it's pretty obvious that you

2538

01:32:16,870 --> 01:32:13,840

would say

2539

01:32:19,350 --> 01:32:16,880

not go near the craft but other than the

2540

01:32:20,709 --> 01:32:19,360

radiation issues that you had

2541

01:32:22,629 --> 01:32:20,719

if you

2542

01:32:24,870 --> 01:32:22,639

and just pretend that didn't happen

2543

01:32:26,709 --> 01:32:24,880

would you do anything different

2544

01:32:29,030 --> 01:32:26,719

like if you could take it all back and

2545

01:32:30,550 --> 01:32:29,040

start all over again

2546

01:32:32,950 --> 01:32:30,560

well yeah i've been asked that when i go

2547

01:32:35,030 --> 01:32:32,960

out there knowing what i know now well

2548

01:32:37,110 --> 01:32:35,040

if i would have been on duty again and

2549

01:32:39,030 --> 01:32:37,120

there was no one else to go i would have

2550

01:32:40,709 --> 01:32:39,040

gone this was my job

2551

01:32:42,149 --> 01:32:40,719

as far as um

2552

01:32:43,830 --> 01:32:42,159

if someone else would have stepped up

2553

01:32:45,430 --> 01:32:43,840

and said they wanted to go i would have

2554

01:32:46,629 --> 01:32:45,440

known what i know now i would let them

2555

01:32:49,510 --> 01:32:46,639

go um

2556

01:32:52,310 --> 01:32:49,520

as far as getting close to it i mean

2557

01:32:54,149 --> 01:32:52,320

both times it wasn't like

2558

01:32:56,390 --> 01:32:54,159

yeah i guess we were trying to figure it

2559

01:32:58,790 --> 01:32:56,400

out the first night was the aircraft the

2560

01:33:00,950 --> 01:32:58,800

third night was i was just so blown away

2561

01:33:01,910 --> 01:33:00,960

that it came back a second and a third

2562

01:33:03,750 --> 01:33:01,920

night

2563

01:33:05,030 --> 01:33:03,760

that yeah i was trying to figure it out

2564

01:33:05,830 --> 01:33:05,040

um

2565

01:33:24,709 --> 01:33:05,840

i

2566

01:33:25,750 --> 01:33:24,719

and and by the way you wouldn't even

2567

01:33:27,830 --> 01:33:25,760

know

2568

01:33:30,870 --> 01:33:27,840

what night it was that you actually were

2569

01:33:33,350 --> 01:33:30,880

exposed for sure

2570

01:33:36,470 --> 01:33:33,360

no um pedestal has said that he saw that

2571

01:33:38,950 --> 01:33:36,480

i disappeared also there's he's talked

2572

01:33:40,950 --> 01:33:38,960

about that some before so

2573

01:33:42,470 --> 01:33:40,960

i i don't know i really don't know i

2574

01:33:44,310 --> 01:33:42,480

mean obviously

2575

01:33:46,390 --> 01:33:44,320

if i went into it disappeared on the

2576

01:33:48,709 --> 01:33:46,400

third night there had been some pretty

2577

01:33:52,070 --> 01:33:48,719

interact interesting interactions going

2578

01:33:53,990 --> 01:33:52,080

on so if it wasn't the first night some

2579

01:33:56,070 --> 01:33:54,000

of it happened definitely something had

2580

01:33:58,229 --> 01:33:56,080

to happen to me on the third night well

2581

01:34:00,149 --> 01:33:58,239

i think you were pretty brave to undergo

2582

01:34:02,390 --> 01:34:00,159

hypnotherapy to

2583

01:34:05,110 --> 01:34:02,400

see what happened inside of if you did

2584

01:34:06,790 --> 01:34:05,120

go inside the craft i mean i i was just

2585

01:34:10,870 --> 01:34:06,800

thinking

2586

01:34:12,950 --> 01:34:10,880

well it really wasn't at the time in 88

2587

01:34:15,189 --> 01:34:12,960

whether i went inside it or not it was

2588

01:34:17,430 --> 01:34:15,199

just what can i remember that i can't

2589

01:34:19,750 --> 01:34:17,440

remember especially the third night the

2590

01:34:21,189 --> 01:34:19,760

second the first night wasn't that big

2591

01:34:22,390 --> 01:34:21,199

of a question

2592

01:34:25,030 --> 01:34:22,400

it was like

2593

01:34:27,270 --> 01:34:25,040

look this is what i saw it came down

2594

01:34:30,229 --> 01:34:27,280

well i mean it was there the light the

2595

01:34:32,550 --> 01:34:30,239

the lights uh the force lit up it was

2596

01:34:34,470 --> 01:34:32,560

white light bright there was this oval

2597

01:34:36,470 --> 01:34:34,480

orange object in there blue lights and

2598

01:34:38,790 --> 01:34:36,480

all that other stuff then it dimmed and

2599

01:34:42,149 --> 01:34:38,800

it took off and left i drove that in my

2600

01:34:43,910 --> 01:34:42,159

statement um even in 88 remember now

2601
01:34:45,510 --> 01:34:43,920
peniston's story hadn't come out where

2602
01:34:46,870 --> 01:34:45,520
he'd walk around it and all that you

2603
01:34:48,950 --> 01:34:46,880
know what i mean

2604
01:34:50,790 --> 01:34:48,960
so for me it was pretty cut and dry this

2605
01:34:54,550 --> 01:34:50,800
is what i remember

2606
01:34:56,229 --> 01:34:54,560
the third night was the troubling night

2607
01:34:58,550 --> 01:34:56,239
because of some of what adrian was

2608
01:35:01,830 --> 01:34:58,560
talking about off hadn't talked about

2609
01:35:03,830 --> 01:35:01,840
openly and i knew about and when i got

2610
01:35:05,590 --> 01:35:03,840
closer then it was gone so that was the

2611
01:35:07,270 --> 01:35:05,600
night we were really looking at and i

2612
01:35:09,110 --> 01:35:07,280
was just trying to remember what

2613
01:35:11,030 --> 01:35:09,120

happened when i got close to it i it

2614

01:35:12,790 --> 01:35:11,040

wasn't like did i go into it or anything

2615

01:35:14,790 --> 01:35:12,800

like that i see

2616

01:35:17,669 --> 01:35:14,800

wow now i'll tell you this i'm not going

2617

01:35:20,149 --> 01:35:17,679

under hypnosis again yeah she won't have

2618

01:35:21,830 --> 01:35:20,159

it again i don't blame you i uh travis

2619

01:35:24,709 --> 01:35:21,840

walton says the same thing he'll never

2620

01:35:26,470 --> 01:35:24,719

do it again um

2621

01:35:28,629 --> 01:35:26,480

someone in the chat room wanted me to

2622

01:35:29,510 --> 01:35:28,639

ask you if you've ever experienced

2623

01:35:32,790 --> 01:35:29,520

anything

2624

01:35:34,870 --> 01:35:32,800

uh post rendering forest

2625

01:35:36,870 --> 01:35:34,880

ufo sightings or anything

2626

01:35:38,629 --> 01:35:36,880

there was obviously in 10 when we went

2627

01:35:40,550 --> 01:35:38,639

over there some weird stuff happened oh

2628

01:35:43,030 --> 01:35:40,560

yes you mentioned that earlier i'm sorry

2629

01:35:44,870 --> 01:35:43,040

and then when i lived in sedona there

2630

01:35:46,790 --> 01:35:44,880

was two or three times

2631

01:35:48,229 --> 01:35:46,800

we were out in this particular area in

2632

01:35:49,910 --> 01:35:48,239

west sedona

2633

01:35:52,950 --> 01:35:49,920

and there were strange lights flying

2634

01:35:55,590 --> 01:35:52,960

around and some stuff going on so

2635

01:35:58,390 --> 01:35:55,600

yes i've seen things since

2636

01:36:00,310 --> 01:35:58,400

rendelsham but again i have no idea what

2637

01:36:03,030 --> 01:36:00,320

they were and i'm not claiming they were

2638

01:36:04,149 --> 01:36:03,040

aliens so how's that sound yeah okay

2639

01:36:07,110 --> 01:36:04,159

very good

2640

01:36:09,350 --> 01:36:07,120

now uh in the forum someone want to know

2641

01:36:11,590 --> 01:36:09,360

have there been lots of reported ufo

2642

01:36:13,110 --> 01:36:11,600

activity occurring over other military

2643

01:36:15,270 --> 01:36:13,120

bases now i know

2644

01:36:17,189 --> 01:36:15,280

um when it comes to um can't remember

2645

01:36:19,590 --> 01:36:17,199

the base exactly but

2646

01:36:21,750 --> 01:36:19,600

like warheads and stuff like that yes

2647

01:36:24,629 --> 01:36:21,760

but are there any other that you're

2648

01:36:27,430 --> 01:36:24,639

aware of military bases

2649

01:36:29,590 --> 01:36:27,440

well there were some guys that

2650

01:36:31,270 --> 01:36:29,600

especially in the 90s

2651

01:36:36,310 --> 01:36:31,280

when

2652

01:36:39,270 --> 01:36:36,320

was the first well cnn did their their

2653

01:36:41,750 --> 01:36:39,280

piece but that was early on for cable

2654

01:36:44,070 --> 01:36:41,760

news network and that was i remember

2655

01:36:46,550 --> 01:36:44,080

right that was done in 86

2656

01:36:48,149 --> 01:36:46,560

so you know cable wasn't big then cnn

2657

01:36:51,350 --> 01:36:48,159

was a very big so i don't know how many

2658

01:36:53,189 --> 01:36:51,360

people saw it and i was in korea they

2659

01:36:55,030 --> 01:36:53,199

they they hit me in korea for a year

2660

01:36:57,430 --> 01:36:55,040

with haltom williams

2661

01:36:59,669 --> 01:36:57,440

believe it or not i was at osan hall was

2662

01:37:02,070 --> 01:36:59,679

at kunsan and williams was pac-half

2663

01:37:04,709 --> 01:37:02,080

commander we were hid away so no one

2664

01:37:06,229 --> 01:37:04,719

could get at us when the story broke so

2665

01:37:07,590 --> 01:37:06,239

nothing was really said to me then by

2666

01:37:09,109 --> 01:37:07,600

the time i got back to the states had

2667

01:37:10,870 --> 01:37:09,119

been a year later

2668

01:37:12,790 --> 01:37:10,880

but after the unsalt mysteries piece

2669

01:37:14,470 --> 01:37:12,800

came out i had different guys come up to

2670

01:37:15,830 --> 01:37:14,480

me and say strange things that happen at

2671

01:37:18,870 --> 01:37:15,840

different bases

2672

01:37:20,390 --> 01:37:18,880

so yeah there's been strange activity at

2673

01:37:21,590 --> 01:37:20,400

different basis

2674

01:37:24,149 --> 01:37:21,600

right definitely

2675

01:37:26,070 --> 01:37:24,159

some that's never going public yes

2676

01:37:27,109 --> 01:37:26,080

yes yeah

2677

01:37:28,950 --> 01:37:27,119

it

2678

01:37:31,270 --> 01:37:28,960

i uh

2679

01:37:33,830 --> 01:37:31,280

i'm just trying to think of

2680

01:37:34,790 --> 01:37:33,840

the military base that i which one it is

2681

01:37:36,950 --> 01:37:34,800

where

2682

01:37:39,030 --> 01:37:36,960

i've heard that a lot of things have

2683

01:37:41,430 --> 01:37:39,040

happened but i've like in the states

2684

01:37:43,669 --> 01:37:41,440

they've had a lot of activity down at

2685

01:37:45,430 --> 01:37:43,679

eglin over the years

2686

01:37:48,149 --> 01:37:45,440

in florida um

2687

01:37:50,070 --> 01:37:48,159

obviously area 51 comes up there's been

2688

01:37:51,830 --> 01:37:50,080

also activity out in california

2689

01:37:53,030 --> 01:37:51,840

especially down in the desert around

2690

01:37:54,709 --> 01:37:53,040

edwards

2691

01:37:55,910 --> 01:37:54,719

and vanderberg

2692

01:37:58,390 --> 01:37:55,920

yeah um

2693

01:37:59,990 --> 01:37:58,400

kirkland down in new mexico has had

2694

01:38:03,189 --> 01:38:00,000

different stuff happen over the years

2695

01:38:04,310 --> 01:38:03,199

too right yeah the hell it goes back to

2696

01:38:06,709 --> 01:38:04,320

um

2697

01:38:08,950 --> 01:38:06,719

uh paul uh benowitz

2698

01:38:11,270 --> 01:38:08,960

yeah seeing some things

2699

01:38:12,390 --> 01:38:11,280

and uh some someone wanted to know has

2700

01:38:16,709 --> 01:38:12,400

this

2701

01:38:18,629 --> 01:38:16,719

incident um you know being part of

2702

01:38:21,990 --> 01:38:18,639

actually this person wrote one of the

2703

01:38:23,830 --> 01:38:22,000

most famous ufo incidents in history how

2704

01:38:28,629 --> 01:38:23,840

is how do you think you know besides

2705

01:38:32,229 --> 01:38:29,750

you know

2706

01:38:33,750 --> 01:38:32,239

again there's only two things before my

2707

01:38:36,550 --> 01:38:33,760

health all i cared about was trying to

2708

01:38:37,270 --> 01:38:36,560

figure out what it was okay so

2709

01:38:38,310 --> 01:38:37,280

but

2710

01:38:41,910 --> 01:38:38,320

you know

2711

01:38:44,390 --> 01:38:41,920

up until about 2008 2009

2712

01:38:47,189 --> 01:38:44,400

it wasn't like something that i really

2713

01:38:49,830 --> 01:38:47,199

looked at that closely but then i also

2714

01:38:51,590 --> 01:38:49,840

have to admit with the internet you know

2715

01:38:53,590 --> 01:38:51,600

as it's grown over the years it's easier

2716

01:38:56,070 --> 01:38:53,600

and easier to research

2717

01:38:57,910 --> 01:38:56,080

and to contact people and stuff so that

2718

01:39:00,149 --> 01:38:57,920

played into me looking at this closer

2719

01:39:01,910 --> 01:39:00,159

too and then obviously after my health

2720

01:39:02,950 --> 01:39:01,920

issues came up i really started pushing

2721

01:39:03,910 --> 01:39:02,960

for stuff

2722

01:39:05,109 --> 01:39:03,920

so

2723

01:39:06,470 --> 01:39:05,119

you know

2724

01:39:07,350 --> 01:39:06,480

um

2725

01:39:33,430 --> 01:39:07,360

i

2726

01:39:35,510 --> 01:39:33,440

encountered so

2727

01:39:37,350 --> 01:39:35,520

that's the biggest thing that's changed

2728

01:39:40,149 --> 01:39:37,360

in me you know i want to know what it

2729

01:39:42,149 --> 01:39:40,159

was and and i probably will always want

2730

01:39:44,149 --> 01:39:42,159

to know what it is you know

2731

01:39:45,990 --> 01:39:44,159

right right and who knows if we'll ever

2732

01:39:47,990 --> 01:39:46,000

have the answer

2733

01:39:51,030 --> 01:39:48,000

in the chat room someone wanted to know

2734

01:39:53,430 --> 01:39:51,040

if you think that halt is deliberately

2735

01:39:54,790 --> 01:39:53,440

trying to spread disinformation and

2736

01:39:55,669 --> 01:39:54,800

confusion

2737

01:39:59,590 --> 01:39:55,679

and

2738

01:40:01,910 --> 01:39:59,600

uh trying to discredit other people um

2739

01:40:03,510 --> 01:40:01,920

you sort of address that but uh i guess

2740

01:40:05,189 --> 01:40:03,520

they're looking for more of like an

2741

01:40:05,910 --> 01:40:05,199

opinion and if you think that's true

2742

01:40:08,470 --> 01:40:05,920

well

2743

01:40:10,950 --> 01:40:08,480

it's clear it's clear that he loves to

2744

01:40:12,229 --> 01:40:10,960

go after warren okay i mean i just you

2745

01:40:16,310 --> 01:40:12,239

can't

2746

01:40:17,590 --> 01:40:16,320

and do you want me to say does warren

2747

01:40:20,550 --> 01:40:17,600

deserve it well there's a lot of

2748

01:40:21,750 --> 01:40:20,560

discrepancies in warren's story

2749

01:40:23,590 --> 01:40:21,760

so

2750

01:40:25,830 --> 01:40:23,600

you know

2751

01:40:27,350 --> 01:40:25,840

it's a no-brainer that he didn't like it

2752

01:40:30,229 --> 01:40:27,360

and there's been a big issue between

2753

01:40:31,510 --> 01:40:30,239

halt and robbins too but the thing is is

2754

01:40:32,470 --> 01:40:31,520

that

2755

01:40:34,790 --> 01:40:32,480

again

2756

01:40:36,950 --> 01:40:34,800

there's things that he hasn't said that

2757

01:40:39,590 --> 01:40:36,960

he wasn't truthful about

2758

01:40:41,350 --> 01:40:39,600

and that he nev he's never really

2759

01:40:43,510 --> 01:40:41,360

stepped up and i've challenged him on

2760

01:40:46,709 --> 01:40:43,520

this more than once step up and get us

2761

01:40:48,870 --> 01:40:46,719

together if halt said let's meet in six

2762

01:40:50,790 --> 01:40:48,880

months in this location i think a lot of

2763

01:40:52,709 --> 01:40:50,800

people would show up yeah and a lot of

2764

01:40:53,430 --> 01:40:52,719

people will talk he's never done that

2765

01:40:54,870 --> 01:40:53,440

and

2766

01:40:57,270 --> 01:40:54,880

the the fact that he wants to

2767

01:40:59,109 --> 01:40:57,280

continually attack everybody in

2768

01:41:01,990 --> 01:40:59,119

different ways and he does it more

2769

01:41:03,270 --> 01:41:02,000

subtly with myself and peniston and

2770

01:41:05,189 --> 01:41:03,280

bestenza

2771

01:41:07,830 --> 01:41:05,199

and some of the new witnesses have come

2772

01:41:09,990 --> 01:41:07,840

forward and stuff but the the thing is

2773

01:41:11,990 --> 01:41:10,000

is that he's not acting like someone who

2774

01:41:14,470 --> 01:41:12,000

really cares to know what went on or to

2775

01:41:16,629 --> 01:41:14,480

get us together and figure it out

2776

01:41:18,310 --> 01:41:16,639

so i can say that for sure yeah when i

2777

01:41:19,510 --> 01:41:18,320

talked to him when he was on the show a

2778

01:41:21,669 --> 01:41:19,520

few months ago

2779

01:41:23,430 --> 01:41:21,679

he basically said for the most part of

2780

01:41:25,430 --> 01:41:23,440

his life that he puts us on the shelf

2781

01:41:27,590 --> 01:41:25,440

and doesn't even think about it

2782

01:41:29,430 --> 01:41:27,600

and you know he you know and he wouldn't

2783

01:41:31,030 --> 01:41:29,440

be unless you know the book came along

2784

01:41:34,550 --> 01:41:31,040

he was approached

2785

01:41:36,870 --> 01:41:34,560

um uh by i'm trying to remember

2786

01:41:38,790 --> 01:41:36,880

you know john hanson yes that's not true

2787

01:41:41,270 --> 01:41:38,800

he'd been shopping to try to get a book

2788

01:41:43,750 --> 01:41:41,280

out for years and no one would take it

2789

01:41:45,510 --> 01:41:43,760

he was working with sally rail and she

2790

01:41:47,350 --> 01:41:45,520

kicked him and penced into the curb

2791

01:41:49,109 --> 01:41:47,360

because she couldn't get the truth out

2792

01:41:50,229 --> 01:41:49,119

of them she didn't feel what they were

2793

01:41:52,390 --> 01:41:50,239

telling

2794

01:41:54,149 --> 01:41:52,400

her was truthful they wouldn't cooperate

2795

01:41:56,550 --> 01:41:54,159

with her and there's been other people

2796

01:41:58,470 --> 01:41:56,560

he's tried to to do the book with and

2797

01:42:00,149 --> 01:41:58,480

i'm just going to be blunt about this

2798

01:42:01,830 --> 01:42:00,159

you know he came on i've heard him do a

2799

01:42:03,750 --> 01:42:01,840

couple interviews and he said well you

2800

01:42:05,270 --> 01:42:03,760

know my idea wasn't to make any money

2801
01:42:07,830 --> 01:42:05,280
was just get the truth out well they did

2802
01:42:10,229 --> 01:42:07,840
an 800 page book that half of it doesn't

2803
01:42:12,950 --> 01:42:10,239
even talk about ben waters itself

2804
01:42:14,950 --> 01:42:12,960
number one number two i'm just

2805
01:42:17,910 --> 01:42:14,960
he's a colonel in the united states air

2806
01:42:19,669 --> 01:42:17,920
force that said et's possible and the

2807
01:42:21,590 --> 01:42:19,679
best he could do was get the guy that

2808
01:42:23,350 --> 01:42:21,600
wrote his book for him write it for him

2809
01:42:25,030 --> 01:42:23,360
you know the man should have if he was

2810
01:42:26,470 --> 01:42:25,040
honest and people wanted to work with

2811
01:42:28,390 --> 01:42:26,480
him should have been able to get a

2812
01:42:30,149 --> 01:42:28,400
decent author to come forward

2813
01:42:31,990 --> 01:42:30,159

and write a book just on his experience

2814

01:42:33,270 --> 01:42:32,000

on what took place and to be honest with

2815

01:42:35,510 --> 01:42:33,280

you there should have been a movie by

2816

01:42:37,430 --> 01:42:35,520

now too involving the incident and the

2817

01:42:40,229 --> 01:42:37,440

fact that he was in the middle of it

2818

01:42:42,070 --> 01:42:40,239

right and it hasn't happened either yeah

2819

01:42:44,070 --> 01:42:42,080

um going back to when this thing was

2820

01:42:45,510 --> 01:42:44,080

actually happening i've heard people

2821

01:42:47,430 --> 01:42:45,520

that have had

2822

01:42:49,590 --> 01:42:47,440

you know major encounters

2823

01:42:51,030 --> 01:42:49,600

think that it's kind of like the end of

2824

01:42:52,790 --> 01:42:51,040

the world or they just you know they

2825

01:42:55,109 --> 01:42:52,800

just can't understand

2826

01:42:57,189 --> 01:42:55,119

what is happening do you remember any

2827

01:42:59,270 --> 01:42:57,199

type of feeling like that like

2828

01:43:00,470 --> 01:42:59,280

what the heck is happening to the

2829

01:43:02,310 --> 01:43:00,480

you know i mean a lot of people think

2830

01:43:04,870 --> 01:43:02,320

it's like worldwide or something

2831

01:43:06,870 --> 01:43:04,880

happening when it's happening to them

2832

01:43:08,629 --> 01:43:06,880

do you remember any of those feelings

2833

01:43:09,669 --> 01:43:08,639

you talk about when we had our encounter

2834

01:43:12,629 --> 01:43:09,679

yes

2835

01:43:14,070 --> 01:43:12,639

no i to be honest with you i was 19 what

2836

01:43:15,750 --> 01:43:14,080

how i want to get this right because

2837

01:43:18,070 --> 01:43:15,760

somebody will come after me and add my

2838

01:43:20,390 --> 01:43:18,080

age up okay i would have been

2839

01:43:22,229 --> 01:43:20,400

i would have been 20 and 80 right so i

2840

01:43:24,629 --> 01:43:22,239

was 19 years

2841

01:43:28,390 --> 01:43:24,639

what oh i was 20 years old okay because

2842

01:43:30,870 --> 01:43:28,400

i was turned 20 in july okay and

2843

01:43:34,070 --> 01:43:30,880

i was all about

2844

01:43:36,070 --> 01:43:34,080

having fun okay so there's nothing on my

2845

01:43:38,310 --> 01:43:36,080

mind prior to this this has taken place

2846

01:43:39,750 --> 01:43:38,320

i wasn't into this kind of stuff and

2847

01:43:42,470 --> 01:43:39,760

when it took place

2848

01:43:44,390 --> 01:43:42,480

i really didn't look at it as what it

2849

01:43:46,310 --> 01:43:44,400

came out to be as far as aliens and all

2850

01:43:47,830 --> 01:43:46,320

this stuff i just looked at it as there

2851
01:43:50,709 --> 01:43:47,840
was something there we don't know what

2852
01:43:52,149 --> 01:43:50,719
it is and i can't explain it and so no i

2853
01:43:53,910 --> 01:43:52,159
wasn't worried about the world was

2854
01:43:55,430 --> 01:43:53,920
coming to end or anything else it was

2855
01:43:57,590 --> 01:43:55,440
more like

2856
01:43:59,430 --> 01:43:57,600
what i just saw i can't explain and i

2857
01:44:01,590 --> 01:43:59,440
don't see how it could do it and the

2858
01:44:02,390 --> 01:44:01,600
interesting thing is is that on that

2859
01:44:05,270 --> 01:44:02,400
note

2860
01:44:08,310 --> 01:44:05,280
at the time the technology that we had

2861
01:44:10,709 --> 01:44:08,320
wasn't known and believe it or not with

2862
01:44:13,030 --> 01:44:10,719
these declassified documents we had some

2863
01:44:14,390 --> 01:44:13,040

technology back in 1980 that most people

2864

01:44:15,990 --> 01:44:14,400

don't know about and if they don't do

2865

01:44:18,470 --> 01:44:16,000

their research they couldn't believe

2866

01:44:20,550 --> 01:44:18,480

that a lot of what we saw and took place

2867

01:44:22,390 --> 01:44:20,560

could be explained by technology now

2868

01:44:25,430 --> 01:44:22,400

that's been declassified

2869

01:44:27,990 --> 01:44:25,440

and some of the stuff even on those that

2870

01:44:30,390 --> 01:44:28,000

18 000 uh documents that were released

2871

01:44:32,550 --> 01:44:30,400

by the cia there's stuff in there that

2872

01:44:34,550 --> 01:44:32,560

they admit to the technology we have and

2873

01:44:36,229 --> 01:44:34,560

the russians had at the time and that

2874

01:44:37,830 --> 01:44:36,239

the russians and us were playing back

2875

01:44:40,709 --> 01:44:37,840

and forth with each other's facilities

2876

01:44:43,270 --> 01:44:40,719

including nuclear weapons at the time

2877

01:44:46,149 --> 01:44:43,280

okay so let me ask you this

2878

01:44:48,470 --> 01:44:46,159

um you know this case has it made you

2879

01:44:50,390 --> 01:44:48,480

look at other cases and also i want to

2880

01:44:51,590 --> 01:44:50,400

ask you some things about the military

2881

01:44:53,510 --> 01:44:51,600

as well

2882

01:44:55,030 --> 01:44:53,520

okay that um

2883

01:44:56,950 --> 01:44:55,040

you talk about other cases kirkland

2884

01:44:59,510 --> 01:44:56,960

happened right before us it's very

2885

01:45:01,109 --> 01:44:59,520

interesting it was a weapon storage area

2886

01:45:03,270 --> 01:45:01,119

they had some stuff seen and happened

2887

01:45:05,350 --> 01:45:03,280

just almost like us and there was a lot

2888

01:45:07,510 --> 01:45:05,360

of technology down there um so i've

2889

01:45:09,270 --> 01:45:07,520

looked at that one um i've had cash

2890

01:45:10,870 --> 01:45:09,280

landers brought up to me on one occasion

2891

01:45:12,070 --> 01:45:10,880

because it happened immediately after

2892

01:45:13,669 --> 01:45:12,080

our incident

2893

01:45:15,189 --> 01:45:13,679

there could be something involved

2894

01:45:17,430 --> 01:45:15,199

whatever they were hauling and maybe had

2895

01:45:19,590 --> 01:45:17,440

something to do with us i don't know

2896

01:45:21,830 --> 01:45:19,600

but as far as looking at a lot of other

2897

01:45:23,830 --> 01:45:21,840

incidents no i lived in phoenix when the

2898

01:45:25,830 --> 01:45:23,840

phoenix lights took place i know more

2899

01:45:28,070 --> 01:45:25,840

about it than i can say

2900

01:45:29,669 --> 01:45:28,080

but what i'm getting at is that would be

2901
01:45:31,350 --> 01:45:29,679
the only other one i've really looked at

2902
01:45:32,709 --> 01:45:31,360
closely i see

2903
01:45:34,629 --> 01:45:32,719
now

2904
01:45:37,910 --> 01:45:34,639
you were talking about this this so this

2905
01:45:40,470 --> 01:45:37,920
happened back in 1980 i have a

2906
01:45:44,390 --> 01:45:40,480
a friend that had an amazing

2907
01:45:46,149 --> 01:45:44,400
um triangle sighting back in 1978 in

2908
01:45:47,430 --> 01:45:46,159
massachusetts a lot of people saw a lot

2909
01:45:49,669 --> 01:45:47,440
of witnesses

2910
01:45:52,950 --> 01:45:49,679
um so you think

2911
01:45:55,750 --> 01:45:52,960
um the do you

2912
01:45:58,070 --> 01:45:55,760
kind of assume or think it's possible

2913
01:46:00,229 --> 01:45:58,080

that the triangle the big triangles even

2914

01:46:02,470 --> 01:46:00,239

the huge ones that people are seeing

2915

01:46:04,390 --> 01:46:02,480

like the phoenix lights and other ones

2916

01:46:07,270 --> 01:46:04,400

that are noted do you think it's

2917

01:46:09,590 --> 01:46:07,280

possible that they're military

2918

01:46:10,950 --> 01:46:09,600

well all i could say is this a guy that

2919

01:46:12,629 --> 01:46:10,960

did the initial

2920

01:46:14,310 --> 01:46:12,639

investigation in bell waters was chuck

2921

01:46:15,590 --> 01:46:14,320

de caro we've had him on our show more

2922

01:46:19,430 --> 01:46:15,600

than once

2923

01:46:21,030 --> 01:46:19,440

he left cnn went to work for the dod and

2924

01:46:22,629 --> 01:46:21,040

he worked for a guy by the name of andy

2925

01:46:24,550 --> 01:46:22,639

marshall and if no mo a lot of people

2926

01:46:26,629 --> 01:46:24,560

don't know he is but he was the top

2927

01:46:29,109 --> 01:46:26,639

think tank in the united states for

2928

01:46:32,149 --> 01:46:29,119

advanced weaponry and new technology

2929

01:46:33,990 --> 01:46:32,159

and they called him yoda but chuck will

2930

01:46:35,830 --> 01:46:34,000

over and over tell you he's not trying

2931

01:46:37,430 --> 01:46:35,840

to tell people we're not we're not not

2932

01:46:39,590 --> 01:46:37,440

alone that they're not some other life

2933

01:46:41,590 --> 01:46:39,600

form out there but a lot of what people

2934

01:46:42,790 --> 01:46:41,600

see is probably us or the russians are

2935

01:46:44,550 --> 01:46:42,800

both

2936

01:46:46,870 --> 01:46:44,560

and i would say

2937

01:46:47,669 --> 01:46:46,880

when i first got into this i laughed at

2938

01:46:54,390 --> 01:46:47,679

that

2939

01:46:56,070 --> 01:46:54,400

declassified from the 70s and 80s and

2940

01:46:57,030 --> 01:46:56,080

stuff that

2941

01:46:59,590 --> 01:46:57,040

that

2942

01:47:01,910 --> 01:46:59,600

i just can't believe we had then

2943

01:47:02,550 --> 01:47:01,920

imagine what we have now and on top of

2944

01:47:04,390 --> 01:47:02,560

it

2945

01:47:07,030 --> 01:47:04,400

i can't go into any detail other than

2946

01:47:09,189 --> 01:47:07,040

just tell you this when i was over for

2947

01:47:10,629 --> 01:47:09,199

after 9 11 i was put back on active duty

2948

01:47:12,870 --> 01:47:10,639

and i was deployed to the middle east on

2949

01:47:14,709 --> 01:47:12,880

more than one occasion and i was in

2950

01:47:16,709 --> 01:47:14,719

classified locations there was stuff

2951

01:47:19,270 --> 01:47:16,719

that i seen and took place

2952

01:47:20,790 --> 01:47:19,280

that just would blow people's minds if

2953

01:47:22,629 --> 01:47:20,800

they knew what we had what we were

2954

01:47:26,070 --> 01:47:22,639

capable of doing

2955

01:47:27,350 --> 01:47:26,080

wow uh yeah it really makes you wonder

2956

01:47:28,070 --> 01:47:27,360

um there

2957

01:47:30,229 --> 01:47:28,080

how

2958

01:47:31,030 --> 01:47:30,239

something doesn't get out you know i

2959

01:47:32,390 --> 01:47:31,040

know

2960

01:47:34,709 --> 01:47:32,400

you're

2961

01:47:35,669 --> 01:47:34,719

it's classified and all that but it just

2962

01:47:38,229 --> 01:47:35,679

seems

2963

01:47:39,590 --> 01:47:38,239

to me that if these

2964

01:47:41,910 --> 01:47:39,600

you know these triangles that are

2965

01:47:43,510 --> 01:47:41,920

floating around now and again you know i

2966

01:47:46,149 --> 01:47:43,520

mean there have been sightings of

2967

01:47:47,750 --> 01:47:46,159

triangles 100 years ago too

2968

01:47:50,470 --> 01:47:47,760

so it's not i wouldn't say it's a

2969

01:47:52,310 --> 01:47:50,480

blanket answer but no no no and that's

2970

01:47:53,590 --> 01:47:52,320

what i tried to tell people i'm not

2971

01:47:55,270 --> 01:47:53,600

saying

2972

01:47:57,910 --> 01:47:55,280

just with our incident i think it was

2973

01:47:59,270 --> 01:47:57,920

both okay do i think that some of this

2974

01:48:03,350 --> 01:47:59,280

stuff going on

2975

01:48:05,910 --> 01:48:03,360

um now is all us no i think it's both i

2976

01:48:07,109 --> 01:48:05,920

also believe that you have to look at

2977

01:48:10,470 --> 01:48:07,119

the areas

2978

01:48:12,790 --> 01:48:10,480

took place and what was around their

2979

01:48:13,910 --> 01:48:12,800

military-wise and everything else

2980

01:48:16,550 --> 01:48:13,920

and

2981

01:48:18,950 --> 01:48:16,560

i i definitely don't think we're alone

2982

01:48:21,830 --> 01:48:18,960

but again there's so many people out

2983

01:48:24,070 --> 01:48:21,840

there to tell them there's grays there's

2984

01:48:25,830 --> 01:48:24,080

what is a reptilians and all that i'm

2985

01:48:27,910 --> 01:48:25,840

not against any of that because there's

2986

01:48:30,310 --> 01:48:27,920

stuff that's happened to me and stuff

2987

01:48:31,910 --> 01:48:30,320

that i know that if people listen to my

2988

01:48:33,750 --> 01:48:31,920

story probably listen to think i'm half

2989

01:48:36,070 --> 01:48:33,760

nuts too so i'm not saying these people

2990

01:48:38,149 --> 01:48:36,080

are wrong but there's just not enough

2991

01:48:40,149 --> 01:48:38,159

evidence out there for me

2992

01:48:42,470 --> 01:48:40,159

to tell you me exactly what it is how

2993

01:48:45,430 --> 01:48:42,480

much of us us how much of something else

2994

01:48:47,830 --> 01:48:45,440

and and and how much we know other than

2995

01:48:50,070 --> 01:48:47,840

i do believe whatever's going on we're

2996

01:48:51,830 --> 01:48:50,080

definitely trying to weaponize it and

2997

01:48:54,790 --> 01:48:51,840

trying to understand it you know what i

2998

01:48:58,070 --> 01:48:54,800

mean and to use it to our advantage and

2999

01:49:01,590 --> 01:48:58,080

whichever country holds the technology

3000

01:49:03,750 --> 01:49:01,600

will have the advantage over the world

3001
01:49:05,910 --> 01:49:03,760
and would have a better advantage to

3002
01:49:07,750 --> 01:49:05,920
whatever could be going to happen or you

3003
01:49:09,109 --> 01:49:07,760
know whatever's out there

3004
01:49:11,350 --> 01:49:09,119
yeah that that's kind of scary the

3005
01:49:14,390 --> 01:49:11,360
weaponizing part of

3006
01:49:16,070 --> 01:49:14,400
the possibilities and that's been um you

3007
01:49:17,990 --> 01:49:16,080
know that's uh something a number of

3008
01:49:19,109 --> 01:49:18,000
people have talked about like

3009
01:49:21,910 --> 01:49:19,119
if these

3010
01:49:23,910 --> 01:49:21,920
things were you know for instance if it

3011
01:49:25,350 --> 01:49:23,920
was et and it was here it was back

3012
01:49:27,510 --> 01:49:25,360
engineered you know that would

3013
01:49:29,590 --> 01:49:27,520

definitely be kept secret because of the

3014

01:49:31,350 --> 01:49:29,600

weaponizing well right and you realize

3015

01:49:33,669 --> 01:49:31,360

too that that's part of this whole thing

3016

01:49:35,189 --> 01:49:33,679

that was with the contact scenario they

3017

01:49:37,189 --> 01:49:35,199

did if you've seen the articles where

3018

01:49:39,590 --> 01:49:37,199

they admitted first that e.t was

3019

01:49:41,350 --> 01:49:39,600

possibly here and gone whatever e.t is

3020

01:49:43,750 --> 01:49:41,360

whether it's the annunaki there's all

3021

01:49:46,149 --> 01:49:43,760

kinds of flavors anunnaki

3022

01:49:48,070 --> 01:49:46,159

graze whatever okay there's all kinds of

3023

01:49:49,510 --> 01:49:48,080

things that supposedly visited us there

3024

01:49:52,070 --> 01:49:49,520

was a little bit in the article that

3025

01:49:54,310 --> 01:49:52,080

maybe were as is you know we're not

3026

01:49:56,550 --> 01:49:54,320

really what we think we are or aliens

3027

01:49:58,470 --> 01:49:56,560

that were put here um the article that

3028

01:50:00,070 --> 01:49:58,480

just came out with mars the life was

3029

01:50:01,910 --> 01:50:00,080

seated there and ended up here do you

3030

01:50:03,590 --> 01:50:01,920

know what i mean yeah and we're not who

3031

01:50:06,870 --> 01:50:03,600

we think we are which would affect

3032

01:50:08,390 --> 01:50:06,880

religion and all that other stuff so i

3033

01:50:10,709 --> 01:50:08,400

mean and you go back to the contact

3034

01:50:13,030 --> 01:50:10,719

scenario what to happen they gave us a

3035

01:50:14,950 --> 01:50:13,040

message we built this thing and then we

3036

01:50:16,709 --> 01:50:14,960

were able to travel somehow whether it

3037

01:50:18,629 --> 01:50:16,719

was just through consciousness or

3038

01:50:21,030 --> 01:50:18,639

physically you know it never really

3039

01:50:23,590 --> 01:50:21,040

totally clarified you know other than

3040

01:50:25,350 --> 01:50:23,600

maybe it was time travel or whatever and

3041

01:50:26,790 --> 01:50:25,360

then she met up with something from

3042

01:50:28,629 --> 01:50:26,800

somewhere else who said we've been

3043

01:50:31,669 --> 01:50:28,639

visiting here for years not just us but

3044

01:50:33,430 --> 01:50:31,679

other species do you know what i mean

3045

01:50:35,350 --> 01:50:33,440

so there's been all kinds of these

3046

01:50:37,030 --> 01:50:35,360

articles that are coming out now that

3047

01:50:38,709 --> 01:50:37,040

aren't just i don't i don't like to

3048

01:50:40,390 --> 01:50:38,719

sound mean but there's a lot of wacko

3049

01:50:43,030 --> 01:50:40,400

sites out there okay

3050

01:50:45,109 --> 01:50:43,040

but these are more mainstream articles

3051

01:50:47,189 --> 01:50:45,119

and more scientific stuff involved in

3052

01:50:49,510 --> 01:50:47,199

scientists talking about it and even the

3053

01:50:50,310 --> 01:50:49,520

possibility that there was life on mars

3054

01:50:52,310 --> 01:50:50,320

and

3055

01:50:54,149 --> 01:50:52,320

the seats from there came to air

3056

01:50:58,550 --> 01:50:54,159

so

3057

01:51:00,790 --> 01:50:58,560

the the my two things is there's not

3058

01:51:02,629 --> 01:51:00,800

enough proof to give you a definitive

3059

01:51:04,390 --> 01:51:02,639

answer on what it is

3060

01:51:06,149 --> 01:51:04,400

and number two they've kept the secret

3061

01:51:08,390 --> 01:51:06,159

so long what would cause them to want to

3062

01:51:10,149 --> 01:51:08,400

talk about it now but it does appear

3063

01:51:12,310 --> 01:51:10,159

like there is a movement towards doing

3064

01:51:16,229 --> 01:51:12,320

that so why would they do that and that

3065

01:51:17,990 --> 01:51:16,239

would be my first question why now

3066

01:51:19,990 --> 01:51:18,000

right why would you do it now what is

3067

01:51:21,510 --> 01:51:20,000

the reasoning why have you kept a secret

3068

01:51:23,109 --> 01:51:21,520

for so long and of course they could use

3069

01:51:25,430 --> 01:51:23,119

the thing well we weren't really aware

3070

01:51:26,790 --> 01:51:25,440

of it till now and there was messages

3071

01:51:28,390 --> 01:51:26,800

coming in but we didn't know about it

3072

01:51:30,790 --> 01:51:28,400

because we didn't have the technology to

3073

01:51:32,709 --> 01:51:30,800

decipher it now this quantum has made it

3074

01:51:34,390 --> 01:51:32,719

so that could be their excuse but i

3075

01:51:36,709 --> 01:51:34,400

would find it hard to believe

3076

01:51:38,709 --> 01:51:36,719

that quantum's been around for a while

3077

01:51:40,550 --> 01:51:38,719

that they that they're not aware of

3078

01:51:42,070 --> 01:51:40,560

something you know sooner than they're

3079

01:51:43,910 --> 01:51:42,080

going to release it and the question

3080

01:51:45,669 --> 01:51:43,920

would be why now then you know why would

3081

01:51:47,350 --> 01:51:45,679

they release it yeah is it because

3082

01:51:48,870 --> 01:51:47,360

technology we're getting so advanced

3083

01:51:50,470 --> 01:51:48,880

they're going to have to admit to it i

3084

01:51:52,709 --> 01:51:50,480

don't know that's that seems like a

3085

01:51:54,629 --> 01:51:52,719

logical choice

3086

01:51:56,229 --> 01:51:54,639

definitely they're working on warp drive

3087

01:51:58,070 --> 01:51:56,239

if you can believe that or not that's

3088

01:51:59,830 --> 01:51:58,080

been articles out and and they're

3089

01:52:02,470 --> 01:51:59,840

working on gravitics which is like

3090

01:52:03,990 --> 01:52:02,480

impulse power and star trek so

3091

01:52:06,070 --> 01:52:04,000

you know are they going to say that the

3092

01:52:08,390 --> 01:52:06,080

message was given to us how to do this

3093

01:52:10,229 --> 01:52:08,400

or what i don't know we'll see but i do

3094

01:52:13,189 --> 01:52:10,239

believe that there will be what

3095

01:52:14,950 --> 01:52:13,199

bigelow's pushed confirmation sometime

3096

01:52:16,709 --> 01:52:14,960

maybe as early as this summer and

3097

01:52:19,750 --> 01:52:16,719

interesting enough the contact movie

3098

01:52:21,510 --> 01:52:19,760

will be 20 years old this summer

3099

01:52:23,189 --> 01:52:21,520

yeah that that is a

3100

01:52:24,390 --> 01:52:23,199

such a well thought out movie i love

3101
01:52:26,310 --> 01:52:24,400
that movie

3102
01:52:28,870 --> 01:52:26,320
well and it would be a good way to

3103
01:52:30,709 --> 01:52:28,880
expose it to the public without massive

3104
01:52:32,390 --> 01:52:30,719
panic

3105
01:52:34,310 --> 01:52:32,400
yes i don't think that

3106
01:52:36,709 --> 01:52:34,320
i don't personally i don't think you

3107
01:52:38,390 --> 01:52:36,719
know may happen in some

3108
01:52:40,070 --> 01:52:38,400
some with some people and like you

3109
01:52:42,550 --> 01:52:40,080
mentioned earlier some religions or

3110
01:52:45,270 --> 01:52:42,560
something like that may not be able to

3111
01:52:48,229 --> 01:52:45,280
to get a grip on it well going back to

3112
01:52:50,149 --> 01:52:48,239
mars you know the possibility of being

3113
01:52:52,390 --> 01:52:50,159

seated from mars

3114

01:52:54,709 --> 01:52:52,400

it's hard for the human brain to fathom

3115

01:52:56,390 --> 01:52:54,719

time when it comes to

3116

01:52:58,550 --> 01:52:56,400

you know millions of years or billions

3117

01:53:01,109 --> 01:52:58,560

of years or anything like that

3118

01:53:03,589 --> 01:53:01,119

so i i agree that that could very well

3119

01:53:05,510 --> 01:53:03,599

be possible at one time there's

3120

01:53:08,550 --> 01:53:05,520

signs of you know of course water being

3121

01:53:10,390 --> 01:53:08,560

on mars and probably a magnetosphere to

3122

01:53:11,189 --> 01:53:10,400

hold everything in and you know there's

3123

01:53:13,669 --> 01:53:11,199

very

3124

01:53:15,510 --> 01:53:13,679

but

3125

01:53:18,470 --> 01:53:15,520

have you ever wondered why

3126
01:53:20,870 --> 01:53:18,480
like the rovers haven't really uncovered

3127
01:53:22,950 --> 01:53:20,880
anything more solid as it comes to that

3128
01:53:24,470 --> 01:53:22,960
or you know do you think that's possible

3129
01:53:26,950 --> 01:53:24,480
do you think that

3130
01:53:28,310 --> 01:53:26,960
it's possible that they have recovered

3131
01:53:29,589 --> 01:53:28,320
some things like that and we just don't

3132
01:53:31,589 --> 01:53:29,599
know

3133
01:53:34,070 --> 01:53:31,599
well i'll be honest with you and i can't

3134
01:53:36,310 --> 01:53:34,080
i basis just on pure speculation so take

3135
01:53:38,709 --> 01:53:36,320
it for what it's worth

3136
01:53:40,550 --> 01:53:38,719
if there's something out there

3137
01:53:43,189 --> 01:53:40,560
they're trying to figure it out

3138
01:53:45,109 --> 01:53:43,199

and i don't buy the fact that they know

3139

01:53:46,870 --> 01:53:45,119

nothing like they claim

3140

01:53:47,830 --> 01:53:46,880

and um

3141

01:53:49,430 --> 01:53:47,840

so

3142

01:53:51,189 --> 01:53:49,440

i do believe they know more than they've

3143

01:53:52,709 --> 01:53:51,199

told us and

3144

01:53:55,109 --> 01:53:52,719

then you get into the question of why

3145

01:53:57,750 --> 01:53:55,119

they're holding it back you know and you

3146

01:53:59,189 --> 01:53:57,760

could go down so many different avenues

3147

01:54:01,350 --> 01:53:59,199

and they could intermix while they're

3148

01:54:03,430 --> 01:54:01,360

holding it back but i do believe we're

3149

01:54:05,750 --> 01:54:03,440

not alone i mean i

3150

01:54:07,910 --> 01:54:05,760

i i lean towards that

3151
01:54:10,390 --> 01:54:07,920
with condite saying we were exposing uap

3152
01:54:12,550 --> 01:54:10,400
radiation uaps are involved in this in

3153
01:54:14,709 --> 01:54:12,560
the british documents that are still

3154
01:54:17,350 --> 01:54:14,719
classified they changed the terminology

3155
01:54:18,870 --> 01:54:17,360
from ufos uaps in 2000 which is about

3156
01:54:20,149 --> 01:54:18,880
the time the content report was being

3157
01:54:20,950 --> 01:54:20,159
put together

3158
01:54:25,910 --> 01:54:20,960
so

3159
01:54:27,510 --> 01:54:25,920
i just don't know how much they know but

3160
01:54:29,510 --> 01:54:27,520
i also don't buy the fact that they

3161
01:54:31,350 --> 01:54:29,520
haven't done some contingency plans

3162
01:54:33,189 --> 01:54:31,360
prepared for it and that they're not

3163
01:54:36,629 --> 01:54:33,199

looking at whatever it is to weaponize

3164

01:54:39,030 --> 01:54:36,639

it so the rest of us open to why

3165

01:54:41,669 --> 01:54:39,040

and why now you know what i mean

3166

01:54:43,270 --> 01:54:41,679

yeah if we were being visited this is

3167

01:54:44,070 --> 01:54:43,280

you know something i occasionally ask a

3168

01:54:51,030 --> 01:54:44,080

guest

3169

01:54:53,510 --> 01:54:51,040

why do you think that we're not being uh

3170

01:54:55,990 --> 01:54:53,520

you know actually contacted directly or

3171

01:54:57,910 --> 01:54:56,000

why do you think it's so evasive

3172

01:55:00,310 --> 01:54:57,920

well i mean you could throw the theory

3173

01:55:02,470 --> 01:55:00,320

out are they trying to we just don't

3174

01:55:03,910 --> 01:55:02,480

know we are was that what what happened

3175

01:55:05,109 --> 01:55:03,920

to us was that something they're trying

3176

01:55:07,270 --> 01:55:05,119

to contact us but we couldn't

3177

01:55:09,910 --> 01:55:07,280

communicate with it you know what i mean

3178

01:55:12,070 --> 01:55:09,920

um so that's a that's a that's a

3179

01:55:13,589 --> 01:55:12,080

question or you go into the conspiracy

3180

01:55:15,270 --> 01:55:13,599

theories that they met with our

3181

01:55:17,270 --> 01:55:15,280

government government leaders world

3182

01:55:19,030 --> 01:55:17,280

leaders some of the world leaders are

3183

01:55:21,350 --> 01:55:19,040

really them anyway you know there's a

3184

01:55:23,270 --> 01:55:21,360

zillion reasons why i mean and that's

3185

01:55:25,189 --> 01:55:23,280

part of the problem with disclosure if

3186

01:55:27,510 --> 01:55:25,199

you come out and say their hair already

3187

01:55:29,270 --> 01:55:27,520

that's going to lead just that's going

3188

01:55:30,790 --> 01:55:29,280

to blow up and i mean even they're not

3189

01:55:33,189 --> 01:55:30,800

going to be able to restrain mainstream

3190

01:55:35,109 --> 01:55:33,199

media from asking a thousand questions

3191

01:55:36,950 --> 01:55:35,119

so the easiest way to do this is simply

3192

01:55:37,830 --> 01:55:36,960

say we've received a message from outer

3193

01:55:39,750 --> 01:55:37,840

space

3194

01:55:42,470 --> 01:55:39,760

we're in a process of either we've just

3195

01:55:43,910 --> 01:55:42,480

we've actually um deciphered some of

3196

01:55:46,229 --> 01:55:43,920

them and this is what they've said early

3197

01:55:48,470 --> 01:55:46,239

on they're not that close yet and to

3198

01:55:50,629 --> 01:55:48,480

slowly build us into it because any

3199

01:55:52,310 --> 01:55:50,639

other way if they try

3200

01:55:53,990 --> 01:55:52,320

they're not worried about the debunkers

3201
01:55:55,910 --> 01:55:54,000
and the skeptics because a lot of them

3202
01:55:57,750 --> 01:55:55,920
are just them anyway and they're not

3203
01:55:58,950 --> 01:55:57,760
worried about the people that are into

3204
01:56:00,390 --> 01:55:58,960
this because

3205
01:56:02,310 --> 01:56:00,400
unless they

3206
01:56:04,550 --> 01:56:02,320
say exactly what they want to hear

3207
01:56:05,750 --> 01:56:04,560
there's going to be skepticism from them

3208
01:56:07,510 --> 01:56:05,760
so what they're worrying about

3209
01:56:10,070 --> 01:56:07,520
controlling is the majority of the

3210
01:56:11,750 --> 01:56:10,080
people that don't know a lot about this

3211
01:56:13,270 --> 01:56:11,760
they believe we're not alone but they're

3212
01:56:16,550 --> 01:56:13,280
waiting for the government to tell us

3213
01:56:18,070 --> 01:56:16,560

what to do next right right and there

3214

01:56:19,189 --> 01:56:18,080

has to be i mean like you mentioned

3215

01:56:21,589 --> 01:56:19,199

earlier

3216

01:56:23,350 --> 01:56:21,599

if they just plain came out with it

3217

01:56:25,750 --> 01:56:23,360

there would be so many questions and

3218

01:56:27,669 --> 01:56:25,760

there'd be a lot of explaining a lot of

3219

01:56:28,629 --> 01:56:27,679

explaining to do as jackie gleason used

3220

01:56:30,070 --> 01:56:28,639

to say

3221

01:56:32,629 --> 01:56:30,080

right and if you look at the contact

3222

01:56:35,189 --> 01:56:32,639

scenario we just went into who is it

3223

01:56:37,189 --> 01:56:35,199

what is it we don't know yet um oops

3224

01:56:38,709 --> 01:56:37,199

they gave us this message we can't

3225

01:56:40,149 --> 01:56:38,719

decipher it we're still trying to figure

3226

01:56:42,229 --> 01:56:40,159

it out oh we figured it out with the

3227

01:56:44,070 --> 01:56:42,239

perimeter and this is what they want us

3228

01:56:46,229 --> 01:56:44,080

to build and do we do that and do we

3229

01:56:47,669 --> 01:56:46,239

contact them so the bottom line it

3230

01:56:49,750 --> 01:56:47,679

wasn't all the questions are they here

3231

01:56:51,270 --> 01:56:49,760

or not it was simply how do we talk to

3232

01:56:53,350 --> 01:56:51,280

them and how do we figure out what they

3233

01:56:55,350 --> 01:56:53,360

want right right

3234

01:56:57,510 --> 01:56:55,360

and i think that's the easiest way to go

3235

01:56:59,750 --> 01:56:57,520

yeah yeah and you know

3236

01:57:00,950 --> 01:56:59,760

you may be right i wouldn't i wouldn't

3237

01:57:03,270 --> 01:57:00,960

even know if the word would be

3238

01:57:05,589 --> 01:57:03,280

disclosure or who would just be

3239

01:57:06,550 --> 01:57:05,599

so bigelow called a confirmation he said

3240

01:57:08,149 --> 01:57:06,560

flat out

3241

01:57:09,669 --> 01:57:08,159

we'll confirm that there's something out

3242

01:57:13,510 --> 01:57:09,679

there but we're not going any further

3243

01:57:15,030 --> 01:57:13,520

with it wow wow great so john uh thanks

3244

01:57:17,270 --> 01:57:15,040

so much we're at the end of our time

3245

01:57:19,350 --> 01:57:17,280

here can you throw out one more time how

3246

01:57:20,629 --> 01:57:19,360

someone would catch your your show every

3247

01:57:23,189 --> 01:57:20,639

thursday

3248

01:57:26,390 --> 01:57:23,199

yeah it's on kgra it's on the web just

3249

01:57:27,750 --> 01:57:26,400

you can google kgra and we're on every

3250

01:57:30,390 --> 01:57:27,760

thursday night

3251

01:57:32,709 --> 01:57:30,400

linda molten how myself do a show from 8

3252

01:57:34,070 --> 01:57:32,719

to 10 eastern call phenomenon radio and

3253

01:57:35,669 --> 01:57:34,080

we bring on people involving

3254

01:57:36,709 --> 01:57:35,679

technologies different things we're

3255

01:57:39,030 --> 01:57:36,719

going to have somebody on with

3256

01:57:41,350 --> 01:57:39,040

statistics ufo signings this week we're

3257

01:57:43,830 --> 01:57:41,360

going to have danny sheehan on the week

3258

01:57:45,830 --> 01:57:43,840

after with the vatican connection to

3259

01:57:49,109 --> 01:57:45,840

this oh and then

3260

01:57:51,030 --> 01:57:49,119

possibly there's going to be a um a show

3261

01:57:52,550 --> 01:57:51,040

sometime towards the end of april where

3262

01:57:56,629 --> 01:57:52,560

i'm going to disclose some more about my

3263

01:57:58,390 --> 01:57:56,639

hypnosis so wow great and your book

3264

01:58:00,229 --> 01:57:58,400

encounter and reynolds enforcement it

3265

01:58:02,629 --> 01:58:00,239

was encounters in reynoldson forest it's

3266

01:58:04,790 --> 01:58:02,639

available on amazon nick pope was the

3267

01:58:07,669 --> 01:58:04,800

main author jim penis and i contributed

3268

01:58:10,709 --> 01:58:07,679

to it and it's about the story of our

3269

01:58:13,109 --> 01:58:10,719

experience inside rendelsham forest and

3270

01:58:15,669 --> 01:58:13,119

nick's experience inside the mod and it

3271

01:58:17,589 --> 01:58:15,679

goes into contact somewhat in there also

3272

01:58:19,030 --> 01:58:17,599

excellent all right john hey thanks so

3273

01:58:20,950 --> 01:58:19,040

much it's always a pleasure talking to

3274

01:58:23,030 --> 01:58:20,960

you thanks for having me on martin and

3275

01:58:24,790 --> 01:58:23,040

uh let's hope maybe this summer we'll

3276

01:58:27,189 --> 01:58:24,800

have something more to talk about sounds

3277

01:58:30,390 --> 01:58:27,199

good all right you take care

3278

01:58:32,390 --> 01:58:30,400

thanks all right good night good night

3279

01:58:34,870 --> 01:58:32,400

all right that's it uh thanks so much

3280

01:58:36,310 --> 01:58:34,880

for listening and thanks for joining in

3281

01:58:37,430 --> 01:58:36,320

in the chat room

3282

01:58:38,790 --> 01:58:37,440

and uh
