

PODCAST LIFE LIVE STREAM

Mary Redwell

1
00:00:03,669 --> 00:00:01,510
occurred in the rental champions

2
00:00:06,550 --> 00:00:03,679
incident that doesn't involve aliens at

3
00:00:09,430 --> 00:00:06,560
all it was completely silent it comes

4
00:00:11,749 --> 00:00:09,440
right over our heads he saw a

5
00:00:13,589 --> 00:00:11,759
classic flying saucer really standing in

6
00:00:15,110 --> 00:00:13,599
the clearing he turned over to my father

7
00:00:16,550 --> 00:00:15,120
and held his hand and he looked in his

8
00:00:20,390 --> 00:00:16,560
eyes and he said we're not alone

9
00:00:23,830 --> 00:00:20,400
[Music]

10
00:00:26,070 --> 00:00:23,840
welcome to podcast ufo for our live show

11
00:00:28,390 --> 00:00:26,080
we're live every wednesday at 8 pm

12
00:00:30,790 --> 00:00:28,400
eastern standard time on the dark matter

13
00:00:33,910 --> 00:00:30,800

radio network please remember to visit

14

00:00:37,030 --> 00:00:33,920

the website podcastufo.com

15

00:00:39,110 --> 00:00:37,040

for past episodes blogs and forums

16

00:00:40,869 --> 00:00:39,120

during the show feel free to participate

17

00:00:43,030 --> 00:00:40,879

live in our chat room

18

00:00:45,270 --> 00:00:43,040

and don't forget to like us on our very

19

00:00:47,190 --> 00:00:45,280

active facebook page

20

00:00:49,350 --> 00:00:47,200

hello and welcome to the show i'm martin

21

00:00:52,389 --> 00:00:49,360

willis your host and joining me in just

22

00:00:53,590 --> 00:00:52,399

a minute is the one and only alejandro

23

00:00:57,029 --> 00:00:53,600

rojas

24

00:01:00,150 --> 00:00:57,039

i might have an in-studio guest donnie

25

00:01:03,110 --> 00:01:00,160

goslin might join us again the uh

26
00:01:04,950 --> 00:01:03,120
former boston police officer uh i had a

27
00:01:07,830 --> 00:01:04,960
lot of people really enjoyed it last

28
00:01:09,830 --> 00:01:07,840
time he was in studio so he maybe he

29
00:01:11,270 --> 00:01:09,840
said about 90 chance he might be

30
00:01:14,149 --> 00:01:11,280
crawling in here

31
00:01:15,990 --> 00:01:14,159
while we're doing the news and

32
00:01:19,350 --> 00:01:16,000
so hopefully we'll see what happens our

33
00:01:20,710 --> 00:01:19,360
guest this evening is mary rodwell from

34
00:01:22,630 --> 00:01:20,720
australia

35
00:01:25,990 --> 00:01:22,640
and we're going to be talking about her

36
00:01:28,710 --> 00:01:26,000
new book and a lot more and thank you

37
00:01:30,070 --> 00:01:28,720
for supporting the show if you do um

38
00:01:32,390 --> 00:01:30,080

it's very easy

39

00:01:33,749 --> 00:01:32,400

if you're not a supporter to sign up for

40

00:01:36,230 --> 00:01:33,759

only two dollars or more a month and

41

00:01:38,630 --> 00:01:36,240

that's at podcastufo.com

42

00:01:40,230 --> 00:01:38,640

we are live streaming on youtube a lot

43

00:01:42,230 --> 00:01:40,240

of people are really enjoying that so

44

00:01:44,789 --> 00:01:42,240

you can check that out um every

45

00:01:47,190 --> 00:01:44,799

wednesday night at eight eight to ten

46

00:01:50,310 --> 00:01:47,200

p.m eastern standard time and that's

47

00:01:53,270 --> 00:01:50,320

again on our website and on uh youtube

48

00:01:56,469 --> 00:01:53,280

as well you can find it there

49

00:01:59,670 --> 00:01:56,479

so uh with that i want to start the show

50

00:02:00,870 --> 00:01:59,680

of the ufo updates with alejandro how

51
00:02:05,109 --> 00:02:00,880
are you

52
00:02:07,510 --> 00:02:05,119
are going pretty well here in maine

53
00:02:09,910 --> 00:02:07,520
that's good that's really good to hear

54
00:02:11,670 --> 00:02:09,920
yeah yeah haven't fallen off any ladders

55
00:02:13,910 --> 00:02:11,680
or anything for a while so

56
00:02:16,949 --> 00:02:13,920
thank goodness that seems to be one of

57
00:02:19,110 --> 00:02:16,959
your favorite pastimes yes uh yeah i had

58
00:02:20,949 --> 00:02:19,120
a contractor here working on the roof

59
00:02:23,910 --> 00:02:20,959
and i he wanted me to come up and look

60
00:02:25,830 --> 00:02:23,920
at the roof and i wouldn't do it

61
00:02:26,869 --> 00:02:25,840
i'm just hoping it's uh yeah it won't

62
00:02:30,630 --> 00:02:26,879
leak

63
00:02:33,589 --> 00:02:30,640

take some pictures yeah and then

64

00:02:35,990 --> 00:02:33,599

text them to me yeah yeah that's pretty

65

00:02:36,949 --> 00:02:36,000

safe i'm gonna be doing that yeah yeah

66

00:02:39,509 --> 00:02:36,959

good

67

00:02:41,190 --> 00:02:39,519

i'm glad to hear that because uh you

68

00:02:44,470 --> 00:02:41,200

know with your

69

00:02:45,430 --> 00:02:44,480

propensity to fall off of roofs and

70

00:02:47,750 --> 00:02:45,440

stuff

71

00:02:48,350 --> 00:02:47,760

uh it's just better that you stay on on

72

00:02:51,190 --> 00:02:48,360

the

73

00:02:52,710 --> 00:02:51,200

ground yeah especially given this

74

00:02:54,470 --> 00:02:52,720

podcast that you do that you stay

75

00:02:57,030 --> 00:02:54,480

grounded anyway

76

00:02:59,110 --> 00:02:57,040

yeah i i suppose that's a good point

77

00:03:01,750 --> 00:02:59,120

you're right about that yeah

78

00:03:02,869 --> 00:03:01,760

so what's happening in the uh ufo news

79

00:03:04,390 --> 00:03:02,879

these days

80

00:03:07,110 --> 00:03:04,400

what's

81

00:03:09,110 --> 00:03:07,120

so uh well i just want to mention this

82

00:03:11,190 --> 00:03:09,120

one story it's not really news it's

83

00:03:12,869 --> 00:03:11,200

nothing new but there is some news so

84

00:03:14,949 --> 00:03:12,879

last time i was on your show

85

00:03:16,710 --> 00:03:14,959

we talked about this sighting uh where

86

00:03:18,470 --> 00:03:16,720

this person saw

87

00:03:20,630 --> 00:03:18,480

these these orbs flying around and there

88

00:03:22,309 --> 00:03:20,640

was a deer watching them right the deer

89

00:03:23,110 --> 00:03:22,319

was just kind of casually having a good

90

00:03:26,710 --> 00:03:23,120

time

91

00:03:28,630 --> 00:03:26,720

and uh so that inspired linda zimmerman

92

00:03:31,430 --> 00:03:28,640

uh you probably remember her she's the

93

00:03:32,869 --> 00:03:31,440

author of a couple ufo books about ufos

94

00:03:34,630 --> 00:03:32,879

in new york

95

00:03:36,630 --> 00:03:34,640

one of those books being hudson valley

96

00:03:39,190 --> 00:03:36,640

ufos

97

00:03:43,589 --> 00:03:39,200

she contributes to our site occasionally

98

00:03:47,670 --> 00:03:43,599

but that story inspired her to write a a

99

00:03:49,910 --> 00:03:47,680

story about dogs and ufos so it's tied

100

00:03:53,670 --> 00:03:49,920

you know man's best ufo witness question

101
00:03:56,470 --> 00:03:53,680
mark and it's a great story of a lot of

102
00:03:57,429 --> 00:03:56,480
different stories she's compiled of dogs

103
00:04:01,110 --> 00:03:57,439
being

104
00:04:03,589 --> 00:04:01,120
part of ufo sightings such as you know

105
00:04:04,949 --> 00:04:03,599
dogs kind of freaking out prior to ufo

106
00:04:07,270 --> 00:04:04,959
sighting

107
00:04:08,149 --> 00:04:07,280
or that sort of thing so it's a lot of

108
00:04:09,350 --> 00:04:08,159
fun

109
00:04:11,190 --> 00:04:09,360
um

110
00:04:14,190 --> 00:04:11,200
uh this thing that she's put together so

111
00:04:16,949 --> 00:04:14,200
it's a great story uh you can read it at

112
00:04:18,390 --> 00:04:16,959
openminds.tv but yeah a really fun one

113
00:04:20,469 --> 00:04:18,400

that's great uh

114

00:04:21,909 --> 00:04:20,479

i think i think a lot of linda she's

115

00:04:25,670 --> 00:04:21,919

actually coming on

116

00:04:27,189 --> 00:04:25,680

um the show on the seventh of june we'll

117

00:04:29,270 --> 00:04:27,199

have her on

118

00:04:31,030 --> 00:04:29,280

cool yeah she's uh she's great

119

00:04:32,870 --> 00:04:31,040

absolutely great yeah i've spoken she's

120

00:04:34,710 --> 00:04:32,880

really great yeah

121

00:04:38,070 --> 00:04:34,720

good i agree

122

00:04:41,270 --> 00:04:38,080

so uh otherwise you know we do the ufo

123

00:04:42,469 --> 00:04:41,280

headlines all of the time uh so ufo news

124

00:04:44,550 --> 00:04:42,479

daily headlines

125

00:04:46,310 --> 00:04:44,560

and you can find that on our front page

126
00:04:48,790 --> 00:04:46,320
but one of them i wanted to talk about

127
00:04:49,870 --> 00:04:48,800
today is really interesting this is it

128
00:04:52,070 --> 00:04:49,880
from the

129
00:04:55,430 --> 00:04:52,080
hindustani times

130
00:04:58,070 --> 00:04:55,440
and it's called meet india's ufo hunters

131
00:05:00,550 --> 00:04:58,080
and it's an interesting story mostly

132
00:05:03,270 --> 00:05:00,560
about a guy named

133
00:05:07,029 --> 00:05:03,280
haitash hopefully i'm saying his name

134
00:05:10,469 --> 00:05:09,749
yadav is his full name he's a 20 year

135
00:05:14,070 --> 00:05:10,479
old

136
00:05:16,230 --> 00:05:14,080
tech student at gurgaon college

137
00:05:20,629 --> 00:05:16,240
you know i'm probably pronouncing all of

138
00:05:24,070 --> 00:05:20,639

that wrong but he runs a free ufo online

139

00:05:25,909 --> 00:05:24,080

magazine called ufo magazine and he's a

140

00:05:29,350 --> 00:05:25,919

founder of a group called disclosure

141

00:05:30,230 --> 00:05:29,360

team india but it's an interesting story

142

00:05:32,629 --> 00:05:30,240

so

143

00:05:34,870 --> 00:05:32,639

his he got interested in ufos when he

144

00:05:38,710 --> 00:05:34,880

was a kid

145

00:05:41,029 --> 00:05:38,720

and his mom woke up at midnight and she

146

00:05:42,469 --> 00:05:41,039

said she was petrified because she saw

147

00:05:46,150 --> 00:05:42,479

behind their home

148

00:05:47,830 --> 00:05:46,160

a an alien about four foot tall a gray

149

00:05:50,870 --> 00:05:47,840

skinned you know same old thing with the

150

00:05:53,510 --> 00:05:50,880

big black eyes she said it was like

151
00:05:55,990 --> 00:05:53,520
hovering in their backyard then it moved

152
00:05:58,790 --> 00:05:56,000
around and moved towards the door and

153
00:06:01,110 --> 00:05:58,800
the family saw this so itash says he

154
00:06:03,110 --> 00:06:01,120
also saw it and he remembers that the

155
00:06:05,590 --> 00:06:03,120
thing just vanished

156
00:06:07,189 --> 00:06:05,600
and in the 15 that was about 15 years

157
00:06:09,510 --> 00:06:07,199
ago so he was really little he's

158
00:06:12,950 --> 00:06:09,520
probably what five years old

159
00:06:16,629 --> 00:06:12,960
but uh then i guess other people around

160
00:06:19,430 --> 00:06:16,639
their town and around um this hospital

161
00:06:21,189 --> 00:06:19,440
which is in their town of punch

162
00:06:22,070 --> 00:06:21,199
panchkula

163
00:06:24,230 --> 00:06:22,080

uh

164

00:06:26,150 --> 00:06:24,240

which is 10 kilometers away from

165

00:06:28,710 --> 00:06:26,160

cendigra i don't know why that's

166

00:06:32,230 --> 00:06:28,720

significant i'm guessing chandigarh is

167

00:06:35,830 --> 00:06:32,240

you know a more popular town but anyway

168

00:06:37,830 --> 00:06:35,840

they had seen this alien so people um

169

00:06:40,070 --> 00:06:37,840

since then have seen

170

00:06:42,710 --> 00:06:40,080

allegedly this alien but they didn't

171

00:06:44,390 --> 00:06:42,720

really get freaked out they felt that it

172

00:06:47,749 --> 00:06:44,400

was good luck

173

00:06:50,150 --> 00:06:47,759

to see it wow and so that inspired him

174

00:06:53,029 --> 00:06:50,160

to get really involved and to start up

175

00:06:56,150 --> 00:06:53,039

this magazine and to start this research

176
00:06:58,070 --> 00:06:56,160
group that looks into ufos so it's a

177
00:07:01,110 --> 00:06:58,080
small well it's not that small of a

178
00:07:04,309 --> 00:07:01,120
group i guess it's about 200 people

179
00:07:05,749 --> 00:07:04,319
people and um so it's kind of cool

180
00:07:08,070 --> 00:07:05,759
this indian

181
00:07:10,469 --> 00:07:08,080
group that's looking into ufo so it's a

182
00:07:12,629 --> 00:07:10,479
great story that people can check out

183
00:07:14,790 --> 00:07:12,639
and it tells a little bit more about

184
00:07:17,830 --> 00:07:14,800
some of the other members and

185
00:07:18,790 --> 00:07:17,840
how they work with mufon and stuff like

186
00:07:21,110 --> 00:07:18,800
this so

187
00:07:24,309 --> 00:07:21,120
really cool story i love

188
00:07:26,629 --> 00:07:24,319

getting insight into ufo research groups

189

00:07:29,270 --> 00:07:26,639

in other countries yeah same here same

190

00:07:31,749 --> 00:07:29,280

here we have a new blog writer from

191

00:07:33,749 --> 00:07:31,759

india um he's remarkable really really

192

00:07:36,150 --> 00:07:33,759

good blogs

193

00:07:39,029 --> 00:07:36,160

um excellent research does a lot of

194

00:07:40,950 --> 00:07:39,039

really great research so i had i really

195

00:07:43,110 --> 00:07:40,960

didn't have an idea that there was a lot

196

00:07:46,390 --> 00:07:43,120

of people listening to the show from

197

00:07:48,870 --> 00:07:46,400

there but there definitely are some

198

00:07:51,110 --> 00:07:48,880

yeah that's what's fun about podcasts is

199

00:07:54,309 --> 00:07:51,120

that you get these audiences from all

200

00:07:55,909 --> 00:07:54,319

over the world and of course uh

201
00:07:57,990 --> 00:07:55,919
the

202
00:07:59,830 --> 00:07:58,000
asia is really far away india is really

203
00:08:03,029 --> 00:07:59,840
far away but you know at the ufo

204
00:08:05,430 --> 00:08:03,039
congress we usually have at least a

205
00:08:08,230 --> 00:08:05,440
couple groups or at least a couple

206
00:08:09,909 --> 00:08:08,240
people from india that come from india

207
00:08:12,790 --> 00:08:09,919
all the way out here i mean we get

208
00:08:15,029 --> 00:08:12,800
people from all over the world but

209
00:08:16,469 --> 00:08:15,039
india is one of those furthest countries

210
00:08:18,230 --> 00:08:16,479
we usually have a couple from india a

211
00:08:19,189 --> 00:08:18,240
couple from japan

212
00:08:21,110 --> 00:08:19,199
um

213
00:08:22,390 --> 00:08:21,120

but it's always fun to talk to those

214

00:08:24,390 --> 00:08:22,400

guys

215

00:08:27,350 --> 00:08:24,400

there was a guy who wanted us to try to

216

00:08:30,230 --> 00:08:27,360

help him do a ufo congress in india but

217

00:08:32,709 --> 00:08:30,240

that was just so difficult and expensive

218

00:08:34,389 --> 00:08:32,719

i wish we could help him but

219

00:08:39,269 --> 00:08:34,399

yeah

220

00:08:41,829 --> 00:08:39,279

that's right that's right

221

00:08:43,909 --> 00:08:41,839

um as far as you know that is

222

00:08:45,430 --> 00:08:43,919

yeah you might have a doppelganger out

223

00:08:48,310 --> 00:08:45,440

there you never know it's entirely

224

00:08:51,590 --> 00:08:48,320

possible i could be cloned by aliens and

225

00:08:55,110 --> 00:08:51,600

sent to this planet in order to

226

00:08:58,230 --> 00:08:55,120

uh get everybody ready for mass uh

227

00:09:00,630 --> 00:08:58,240

slavery by some sort of a civilization

228

00:09:03,670 --> 00:09:00,640

that's entirely possible but if that is

229

00:09:05,430 --> 00:09:03,680

the case it is uh not uh i'm it's

230

00:09:06,949 --> 00:09:05,440

totally subconscious

231

00:09:09,030 --> 00:09:06,959

of course i could be getting the the

232

00:09:10,550 --> 00:09:09,040

population also ready for some sort of

233

00:09:13,030 --> 00:09:10,560

enlightenment

234

00:09:13,910 --> 00:09:13,040

um that's probably even more likely

235

00:09:16,949 --> 00:09:13,920

uh

236

00:09:19,350 --> 00:09:16,959

you might have something like the

237

00:09:21,190 --> 00:09:19,360

manchurian candidate thing going on you

238

00:09:23,430 --> 00:09:21,200

know yeah what if they turn me on and i

239

00:09:25,190 --> 00:09:23,440

just started talking alien and stuff and

240

00:09:27,750 --> 00:09:25,200

uh yeah but they were having trouble

241

00:09:29,829 --> 00:09:27,760

with skype earlier so uh yeah you did

242

00:09:31,350 --> 00:09:29,839

sound kind of alien like wow that's what

243

00:09:33,350 --> 00:09:31,360

you said yeah

244

00:09:35,990 --> 00:09:33,360

amazing wow

245

00:09:38,630 --> 00:09:36,000

is that it for the ufo news this week

246

00:09:40,550 --> 00:09:38,640

yeah that's that's that's what i got uh

247

00:09:43,110 --> 00:09:40,560

for today if that's all right i mean

248

00:09:45,829 --> 00:09:43,120

there's a couple other just uh sightings

249

00:09:47,430 --> 00:09:45,839

that we always get um

250

00:09:49,910 --> 00:09:47,440

one of them was which is pretty

251
00:09:52,389 --> 00:09:49,920
interesting uh one of the roger marsh

252
00:09:53,509 --> 00:09:52,399
mufon stories of course triangles yet

253
00:09:56,230 --> 00:09:53,519
again

254
00:09:59,670 --> 00:09:56,240
and this was a guy in savannah georgia

255
00:10:02,829 --> 00:09:59,680
this was on april 25th at 9 45 p.m

256
00:10:05,590 --> 00:10:02,839
said he saw a couple

257
00:10:08,550 --> 00:10:05,600
enormous triangular shaped objects

258
00:10:09,990 --> 00:10:08,560
floating in the air so um no pictures or

259
00:10:12,150 --> 00:10:10,000
anything but

260
00:10:13,190 --> 00:10:12,160
you can see the account there uh at the

261
00:10:15,190 --> 00:10:13,200
website

262
00:10:16,230 --> 00:10:15,200
excellent all right alejandro thanks so

263
00:10:18,870 --> 00:10:16,240

much

264

00:10:21,350 --> 00:10:18,880

all right thank you okay so donnie

265

00:10:23,829 --> 00:10:21,360

gosling did sneak in here he's going to

266

00:10:25,990 --> 00:10:23,839

be co-hosting with me and i'll be right

267

00:10:28,650 --> 00:10:26,000

back after i set him up here right after

268

00:10:50,630 --> 00:10:28,660

this quick music break

269

00:11:13,430 --> 00:10:51,980

so

270

00:11:47,990 --> 00:11:15,480

no

271

00:11:50,310 --> 00:11:48,000

[Music]

272

00:11:52,230 --> 00:11:50,320

well here we are in the studio donnie

273

00:11:54,550 --> 00:11:52,240

you i think you have to lean

274

00:11:57,190 --> 00:11:54,560

there you are

275

00:11:58,790 --> 00:11:57,200

uh thanks for thanks for showing up

276

00:12:01,190 --> 00:11:58,800

it's good to be here martin thanks for

277

00:12:03,430 --> 00:12:01,200

inviting me yeah i'm sorry we both can't

278

00:12:05,110 --> 00:12:03,440

i i didn't have time to set the camera

279

00:12:06,550 --> 00:12:05,120

back so we can't you have to kind of

280

00:12:08,069 --> 00:12:06,560

lean in and say hi

281

00:12:09,910 --> 00:12:08,079

uh when you say hi

282

00:12:11,750 --> 00:12:09,920

uh let me just see if i can split it out

283

00:12:13,110 --> 00:12:11,760

a little bit better

284

00:12:14,870 --> 00:12:13,120

uh

285

00:12:17,350 --> 00:12:14,880

hey there we are a little bit better

286

00:12:19,670 --> 00:12:17,360

great yeah i look i'm way up high and

287

00:12:21,750 --> 00:12:19,680

you're down it must be the chair but

288

00:12:23,430 --> 00:12:21,760

anyway uh thanks for being um in the

289

00:12:25,430 --> 00:12:23,440

studio again we're gonna be contacting

290

00:12:27,190 --> 00:12:25,440

mary rodwell in just a minute

291

00:12:29,190 --> 00:12:27,200

uh but i just thought i would say hi and

292

00:12:32,150 --> 00:12:29,200

you just got done reading uh john mack's

293

00:12:34,230 --> 00:12:32,160

book i did i i read abduction

294

00:12:37,110 --> 00:12:34,240

and now i'm probably halfway through

295

00:12:39,110 --> 00:12:37,120

through uh passport to the cosmos ah

296

00:12:40,870 --> 00:12:39,120

yeah how many did he have more than

297

00:12:42,629 --> 00:12:40,880

those two books no just those two

298

00:12:45,990 --> 00:12:42,639

unfortunately he uh

299

00:12:48,310 --> 00:12:46,000

he died in 2004 he was hit by a

300

00:12:50,629 --> 00:12:48,320

drunk driver over in london yeah i know

301
00:12:52,629 --> 00:12:50,639
yeah there's some conspiracy about that

302
00:12:56,069 --> 00:12:52,639
but i don't i don't i think he was he

303
00:12:58,790 --> 00:12:56,079
was just tired and um did i think what

304
00:13:00,230 --> 00:12:58,800
he did at that situation was just um

305
00:13:01,590 --> 00:13:00,240
think that he was an american looked on

306
00:13:03,670 --> 00:13:01,600
the wrong side of the road yeah it

307
00:13:05,269 --> 00:13:03,680
happens it really does

308
00:13:07,269 --> 00:13:05,279
you probably you've been over the uk i

309
00:13:09,590 --> 00:13:07,279
mean the first thing that you do is when

310
00:13:11,190 --> 00:13:09,600
you cross a street you uh you tend to

311
00:13:13,110 --> 00:13:11,200
look from where the traffic always comes

312
00:13:15,190 --> 00:13:13,120
from then you step out and before you

313
00:13:17,750 --> 00:13:15,200

know it you're on the roof of a cab yeah

314

00:13:19,829 --> 00:13:17,760

yeah yeah no uh um so a lot of people

315

00:13:22,870 --> 00:13:19,839

are conspiratorial with that but

316

00:13:26,790 --> 00:13:22,880

i think that's great um that um someone

317

00:13:28,310 --> 00:13:26,800

of his stature did what he did and uh

318

00:13:29,590 --> 00:13:28,320

took on such a

319

00:13:31,190 --> 00:13:29,600

topic which we're actually going to be

320

00:13:35,509 --> 00:13:31,200

talking about today with mary she'll be

321

00:13:37,750 --> 00:13:35,519

on in just a minute about that but um uh

322

00:13:39,350 --> 00:13:37,760

i think uh does he ever mention in

323

00:13:41,430 --> 00:13:39,360

either one of in either one of those

324

00:13:44,949 --> 00:13:41,440

books when he went to africa

325

00:13:47,030 --> 00:13:44,959

um with those uh 60 children probably

326

00:13:48,470 --> 00:13:47,040

it's briefly mentioned if i'm not

327

00:13:51,269 --> 00:13:48,480

mistaken in

328

00:13:52,870 --> 00:13:51,279

in abduction and passport to the cosmos

329

00:13:56,629 --> 00:13:52,880

as much as i've read there are there are

330

00:13:58,790 --> 00:13:56,639

some references to that with respect to

331

00:14:01,590 --> 00:13:58,800

what interactions these children had

332

00:14:03,350 --> 00:14:01,600

with with uh with these

333

00:14:05,750 --> 00:14:03,360

these bags yeah

334

00:14:09,670 --> 00:14:05,760

now uh randy nickerson

335

00:14:11,430 --> 00:14:09,680

is uh making a film it's on our website

336

00:14:12,310 --> 00:14:11,440

it's arielle school you'll see a banner

337

00:14:15,509 --> 00:14:12,320

on that

338

00:14:17,189 --> 00:14:15,519

uh aerial school incident and i am going

339

00:14:19,030 --> 00:14:17,199

to follow up with him and see where he's

340

00:14:20,310 --> 00:14:19,040

at he's been working on that film for

341

00:14:23,110 --> 00:14:20,320

seven years

342

00:14:25,269 --> 00:14:23,120

he has been uh he's interviewed almost

343

00:14:28,710 --> 00:14:25,279

well he's interviewed every

344

00:14:31,030 --> 00:14:28,720

uh child that was at the that event that

345

00:14:32,310 --> 00:14:31,040

will uh be interviewed in other words

346

00:14:33,750 --> 00:14:32,320

there are some that just don't want to

347

00:14:36,310 --> 00:14:33,760

talk about it but

348

00:14:38,389 --> 00:14:36,320

um it's really something i i did get to

349

00:14:39,590 --> 00:14:38,399

meet um emily who was one of them last

350

00:14:41,829 --> 00:14:39,600

year

351
00:14:42,949 --> 00:14:41,839
and to actually talk to someone in

352
00:14:44,710 --> 00:14:42,959
person

353
00:14:46,550 --> 00:14:44,720
that that's to me is one of the most

354
00:14:49,350 --> 00:14:46,560
amazing encounters i don't know if

355
00:14:51,509 --> 00:14:49,360
you've looked into that yeah i did i i i

356
00:14:54,870 --> 00:14:51,519
did look into it and it was fascinating

357
00:14:56,629 --> 00:14:54,880
in the sense that the uh the children

358
00:14:58,310 --> 00:14:56,639
almost to to

359
00:15:01,189 --> 00:14:58,320
almost every single one really mentioned

360
00:15:04,629 --> 00:15:01,199
the focus of the communication was on

361
00:15:06,790 --> 00:15:04,639
on uh environmental disaster and and

362
00:15:08,949 --> 00:15:06,800
things that were going to occur

363
00:15:11,350 --> 00:15:08,959

unless uh mankind

364

00:15:13,269 --> 00:15:11,360

started to uh to

365

00:15:15,269 --> 00:15:13,279

think differently think outside the box

366

00:15:16,389 --> 00:15:15,279

right and continue on the same road that

367

00:15:18,389 --> 00:15:16,399

we're going

368

00:15:21,189 --> 00:15:18,399

yeah there's not a good outcome yeah

369

00:15:24,310 --> 00:15:21,199

yeah uh donnie just for uh the person

370

00:15:26,389 --> 00:15:24,320

that's in uh listening now that didn't

371

00:15:28,870 --> 00:15:26,399

uh didn't get to

372

00:15:31,829 --> 00:15:28,880

hear you last time uh your last name is

373

00:15:34,310 --> 00:15:31,839

goslin right and uh you're a former uh

374

00:15:36,150 --> 00:15:34,320

retired uh boston police officer that's

375

00:15:39,509 --> 00:15:36,160

right hence the hat you're wearing yeah

376

00:15:42,629 --> 00:15:39,519

boston is strong boston strong 617 yeah

377

00:15:44,870 --> 00:15:42,639

yeah um so but you've had an interest in

378

00:15:46,870 --> 00:15:44,880

the topic and and by the way everyone i

379

00:15:49,189 --> 00:15:46,880

live in the middle of nowhere in maine

380

00:15:51,030 --> 00:15:49,199

so it's amazing but i live up on the

381

00:15:53,590 --> 00:15:51,040

second right near the second largest

382

00:15:55,670 --> 00:15:53,600

lake in maine and you have a property

383

00:15:58,230 --> 00:15:55,680

there yeah we live about five minutes

384

00:16:00,069 --> 00:15:58,240

from each other yeah yeah well you you

385

00:16:01,749 --> 00:16:00,079

you just it's your lake house right i

386

00:16:03,990 --> 00:16:01,759

mean you also live i spend most of the

387

00:16:05,110 --> 00:16:04,000

time here yeah but you're also all over

388

00:16:06,870 --> 00:16:05,120

the place in

389

00:16:09,189 --> 00:16:06,880

other countries and yeah i'm like johnny

390

00:16:11,430 --> 00:16:09,199

cash i've been everywhere yeah yeah

391

00:16:14,069 --> 00:16:11,440

yeah but anyway uh it's good to have you

392

00:16:17,509 --> 00:16:14,079

on and um and so i'm gonna as we go

393

00:16:18,790 --> 00:16:17,519

along here um you just uh like tap my

394

00:16:21,269 --> 00:16:18,800

you know shoulder or something if you

395

00:16:23,829 --> 00:16:21,279

need to ask mary a question and we'll uh

396

00:16:26,389 --> 00:16:23,839

we'll pull her into the interview now

397

00:16:37,990 --> 00:16:26,399

so here comes mary and hold on everyone

398

00:16:38,000 --> 00:16:41,590

all right it's ringing

399

00:16:41,600 --> 00:16:45,590

hi mary

400

00:16:49,269 --> 00:16:46,629

thank you

401

00:16:51,590 --> 00:16:49,279

and here we are we have uh we have

402

00:16:53,670 --> 00:16:51,600

traveled into the future

403

00:16:56,790 --> 00:16:53,680

um it is now thursday morning we do make

404

00:16:59,030 --> 00:16:56,800

it to thursday morning in australia um

405

00:17:00,230 --> 00:16:59,040

and thanks so much for being on the show

406

00:17:02,550 --> 00:17:00,240

this is one

407

00:17:04,069 --> 00:17:02,560

uh you know i can't do shows with anyone

408

00:17:06,069 --> 00:17:04,079

in the uk because it's it's in the

409

00:17:08,390 --> 00:17:06,079

middle of the night but australia is

410

00:17:10,069 --> 00:17:08,400

wonderful because um uh

411

00:17:12,150 --> 00:17:10,079

it's like 10 o'clock in the morning for

412

00:17:14,069 --> 00:17:12,160

you there right

413

00:17:15,909 --> 00:17:14,079

it's a perfect time for me because it's

414

00:17:18,150 --> 00:17:15,919

the best time in the day anyway because

415

00:17:19,990 --> 00:17:18,160

as it the day goes on i get very tired

416

00:17:22,789 --> 00:17:20,000

so this is good good not that you get

417

00:17:25,829 --> 00:17:22,799

tired but good that this is perfect um

418

00:17:27,110 --> 00:17:25,839

so many um for the listener um there are

419

00:17:29,270 --> 00:17:27,120

a lot of people that are pretty excited

420

00:17:32,150 --> 00:17:29,280

to to have you on the show

421

00:17:35,110 --> 00:17:32,160

um for the listener that is not um aware

422

00:17:36,390 --> 00:17:35,120

of what you have been up to can you just

423

00:17:39,029 --> 00:17:36,400

give your background and how you

424

00:17:42,630 --> 00:17:39,039

basically got started in into this whole

425

00:17:45,430 --> 00:17:42,640

uh situation topic

426

00:17:47,190 --> 00:17:45,440

um well my background is i'm a former

427

00:17:49,350 --> 00:17:47,200

nurse midwife

428

00:17:50,470 --> 00:17:49,360

and then i went into counseling about 30

429

00:17:52,710 --> 00:17:50,480

years ago

430

00:17:54,630 --> 00:17:52,720

private practice where i worked with all

431

00:17:56,710 --> 00:17:54,640

sorts of issues that you can you

432

00:17:59,669 --> 00:17:56,720

normally get within counseling and human

433

00:18:02,070 --> 00:17:59,679

experiences until about 20 plus years

434

00:18:03,990 --> 00:18:02,080

ago a gentleman walked through the door

435

00:18:06,070 --> 00:18:04,000

and said you know that for this there's

436

00:18:08,549 --> 00:18:06,080

no support groups for this people just

437

00:18:11,270 --> 00:18:08,559

think you're crazy and proceeded to tell

438

00:18:13,110 --> 00:18:11,280

me about the fact that he was aware that

439

00:18:15,990 --> 00:18:13,120

he was having experiences with

440

00:18:18,150 --> 00:18:16,000

extraterrestrials going up on spacecraft

441

00:18:20,070 --> 00:18:18,160

and the thing that was compelling for me

442

00:18:21,830 --> 00:18:20,080

was it wasn't just him in the family

443

00:18:24,549 --> 00:18:21,840

that was experiencing it it was his

444

00:18:27,830 --> 00:18:24,559

partner and the children so this was a

445

00:18:30,310 --> 00:18:27,840

family affair and fortunately i'd read a

446

00:18:33,190 --> 00:18:30,320

couple of books on this subject which

447

00:18:35,270 --> 00:18:33,200

enabled me at least to understand where

448

00:18:37,350 --> 00:18:35,280

he was coming from a little bit and it

449

00:18:39,190 --> 00:18:37,360

was through reading communion with by

450

00:18:41,510 --> 00:18:39,200

whitney street which everybody i think

451

00:18:44,870 --> 00:18:41,520

within the field knows about as one of

452

00:18:47,110 --> 00:18:44,880

the classics and also a book by dr john

453

00:18:49,270 --> 00:18:47,120

mack the former professor of psychiatry

454

00:18:51,350 --> 00:18:49,280

at harvard university who wrote

455

00:18:54,150 --> 00:18:51,360

abduction human encounters with aliens

456

00:18:55,830 --> 00:18:54,160

and then passport to the cosmos so

457

00:18:58,630 --> 00:18:55,840

fortunately i've read a couple of books

458

00:19:01,270 --> 00:18:58,640

on this so this enabled me to hear this

459

00:19:03,830 --> 00:19:01,280

gentleman and to really that really

460

00:19:07,510 --> 00:19:03,840

started me on this road of trying to

461

00:19:09,430 --> 00:19:07,520

understand uh-huh and uh do you are you

462

00:19:11,510 --> 00:19:09,440

actually involved in uh regression

463

00:19:13,990 --> 00:19:11,520

therapy as well or i've heard you talk

464

00:19:17,190 --> 00:19:14,000

about that

465

00:19:20,070 --> 00:19:17,200

absolutely counseling is one aspect and

466

00:19:22,789 --> 00:19:20,080

the other aspect is that i did

467

00:19:25,190 --> 00:19:22,799

hypnotherapy um a few years well

468

00:19:27,909 --> 00:19:25,200

probably about 15 years ago now

469

00:19:30,310 --> 00:19:27,919

and i do regressions um not just for

470

00:19:33,029 --> 00:19:30,320

present life but obviously past life but

471

00:19:35,029 --> 00:19:33,039

also taking people into that space if

472

00:19:37,270 --> 00:19:35,039

they've had something like missing time

473

00:19:39,350 --> 00:19:37,280

through seeing a craft or thinking

474

00:19:41,830 --> 00:19:39,360

something's happened i can take them

475

00:19:43,110 --> 00:19:41,840

back into that space and they can work

476
00:19:45,270 --> 00:19:43,120
out from

477
00:19:47,990 --> 00:19:45,280
in trance state what actually happened

478
00:19:49,830 --> 00:19:48,000
and it's been extremely invaluable no

479
00:19:53,110 --> 00:19:49,840
matter what people may think about

480
00:19:54,870 --> 00:19:53,120
hypnosis what dr john max said and i

481
00:19:56,710 --> 00:19:54,880
absolutely concur

482
00:19:59,270 --> 00:19:56,720
is that when you take something into

483
00:20:01,669 --> 00:19:59,280
hypnosis you're getting a far more

484
00:20:04,230 --> 00:20:01,679
accurate account of what's happened than

485
00:20:06,710 --> 00:20:04,240
often conscious memory because conscious

486
00:20:09,270 --> 00:20:06,720
your consciousness will edit things out

487
00:20:11,510 --> 00:20:09,280
that don't feel okay to you whereas the

488
00:20:13,830 --> 00:20:11,520

subconscious doesn't edit anything it

489

00:20:15,909 --> 00:20:13,840

just says it as it perceives it like a

490

00:20:18,870 --> 00:20:15,919

blank tape so you're actually getting

491

00:20:20,549 --> 00:20:18,880

something far more accurate than um as i

492

00:20:21,430 --> 00:20:20,559

say in conscious memory so it's very

493

00:20:23,430 --> 00:20:21,440

very

494

00:20:26,789 --> 00:20:23,440

important as part of my work you know i

495

00:20:29,190 --> 00:20:26,799

i have a friend who who does that um but

496

00:20:32,310 --> 00:20:29,200

i'd never heard it put the way you just

497

00:20:34,789 --> 00:20:32,320

did so now i understand that um your

498

00:20:37,270 --> 00:20:34,799

subconscious just lets things flow more

499

00:20:39,590 --> 00:20:37,280

freely obviously and you're not hindered

500

00:20:41,750 --> 00:20:39,600

by your your conscious mind

501
00:20:43,110 --> 00:20:41,760
um so that is interesting i always

502
00:20:45,909 --> 00:20:43,120
wondered what made

503
00:20:49,270 --> 00:20:45,919
uh what was the edge of uh hypnosis that

504
00:20:50,390 --> 00:20:49,280
made it made it work the way it it does

505
00:20:51,190 --> 00:20:50,400
and it

506
00:20:53,510 --> 00:20:51,200
well

507
00:20:55,669 --> 00:20:53,520
it's it's interesting um the more i've

508
00:20:57,669 --> 00:20:55,679
worked in that space is what is

509
00:21:00,950 --> 00:20:57,679
brilliant about it is that people can

510
00:21:02,630 --> 00:21:00,960
access awareness and understanding that

511
00:21:04,789 --> 00:21:02,640
they would never with their conscious

512
00:21:06,390 --> 00:21:04,799
mind because they're always editing

513
00:21:08,549 --> 00:21:06,400

in their conscious mind whereas if you

514

00:21:10,710 --> 00:21:08,559

take them into that space and you can

515

00:21:13,830 --> 00:21:10,720

ask very profound questions and you can

516

00:21:17,350 --> 00:21:13,840

ask them to access their subconscious

517

00:21:19,669 --> 00:21:17,360

super conscious and amazing wisdom can

518

00:21:21,350 --> 00:21:19,679

often come through that process because

519

00:21:23,909 --> 00:21:21,360

there are no filters

520

00:21:25,909 --> 00:21:23,919

so it's it's a very valuable way of

521

00:21:27,270 --> 00:21:25,919

accessing information and people do this

522

00:21:30,870 --> 00:21:27,280

through meditation of course and

523

00:21:31,750 --> 00:21:30,880

relaxation exercises as well i see um

524

00:21:32,950 --> 00:21:31,760

now

525

00:21:37,510 --> 00:21:32,960

uh

526

00:21:40,149 --> 00:21:37,520

mentioned it and donnie who's joining me

527

00:21:42,710 --> 00:21:40,159

here in studio have is on to his second

528

00:21:44,789 --> 00:21:42,720

book reading that now um what did you

529

00:21:46,950 --> 00:21:44,799

think of his work overall i you know i

530

00:21:50,230 --> 00:21:46,960

mean i i was just saying how impressed i

531

00:21:52,230 --> 00:21:50,240

was with someone with his stature uh you

532

00:21:54,390 --> 00:21:52,240

know actually took on this topic and

533

00:21:55,750 --> 00:21:54,400

took it seriously and i think that's

534

00:21:58,070 --> 00:21:55,760

really opened the doors for a lot of

535

00:21:59,909 --> 00:21:58,080

people

536

00:22:03,029 --> 00:21:59,919

well he certainly did for me i actually

537

00:22:05,750 --> 00:22:03,039

met john dr john mack um a few months

538

00:22:08,549 --> 00:22:05,760

before tragically he was he was killed

539

00:22:10,950 --> 00:22:08,559

in london um and what was wonderful

540

00:22:13,669 --> 00:22:10,960

about him even though he came in as a

541

00:22:16,710 --> 00:22:13,679

skeptic he you know he was just

542

00:22:18,470 --> 00:22:16,720

open-minded and what he discovered was

543

00:22:19,669 --> 00:22:18,480

after doing all the psychological

544

00:22:21,350 --> 00:22:19,679

testing

545

00:22:23,990 --> 00:22:21,360

and of course he had access to all of

546

00:22:25,909 --> 00:22:24,000

that anyway he had no problem with

547

00:22:27,750 --> 00:22:25,919

understanding that they were quite they

548

00:22:29,830 --> 00:22:27,760

were perfectly sane

549

00:22:32,630 --> 00:22:29,840

but what he did find was that they were

550

00:22:35,430 --> 00:22:32,640

often a lot more intuitive a lot more

551
00:22:37,990 --> 00:22:35,440
aware multi-dimensionally if you have it

552
00:22:40,630 --> 00:22:38,000
and when he used hypnosis of course he

553
00:22:43,430 --> 00:22:40,640
was finding out as i am

554
00:22:45,270 --> 00:22:43,440
far more of what goes on um that is is

555
00:22:48,070 --> 00:22:45,280
blocked to the conscious mind and

556
00:22:50,310 --> 00:22:48,080
through it became absolutely convinced

557
00:22:52,710 --> 00:22:50,320
this was not only a reality that we

558
00:22:54,630 --> 00:22:52,720
could learn a great deal from those that

559
00:22:57,669 --> 00:22:54,640
had experiences

560
00:22:59,669 --> 00:22:57,679
yes now um i was contacted last night

561
00:23:02,070 --> 00:22:59,679
from someone in this this happens now

562
00:23:03,590 --> 00:23:02,080
and then because of my show my podcast

563
00:23:06,390 --> 00:23:03,600

but i think they saw your name or

564

00:23:09,350 --> 00:23:06,400

whatever um i'm not really sure

565

00:23:11,750 --> 00:23:09,360

but they uh they somehow contacted me

566

00:23:15,029 --> 00:23:11,760

and said i think i'm being abducted i

567

00:23:16,950 --> 00:23:15,039

need help so i have that information and

568

00:23:19,590 --> 00:23:16,960

so when someone sends me something like

569

00:23:21,590 --> 00:23:19,600

that and needs help um

570

00:23:24,070 --> 00:23:21,600

what would you suggest i do what would

571

00:23:28,950 --> 00:23:26,230

well for me if someone contacts me you

572

00:23:31,430 --> 00:23:28,960

know and this is on a daily basis um

573

00:23:33,430 --> 00:23:31,440

with my work anyway if it's facebook or

574

00:23:37,430 --> 00:23:33,440

whether or not it's through my website

575

00:23:39,270 --> 00:23:37,440

or directly is um what i i first do is

576

00:23:41,029 --> 00:23:39,280

send them out a questionnaire and the

577

00:23:42,310 --> 00:23:41,039

reason for that is there are a lot of

578

00:23:43,990 --> 00:23:42,320

things with this experience is

579

00:23:46,230 --> 00:23:44,000

somebody's questioning

580

00:23:48,390 --> 00:23:46,240

what is actually going on and for many

581

00:23:50,390 --> 00:23:48,400

people that's exactly you know am i

582

00:23:52,149 --> 00:23:50,400

crazy or is this real i the

583

00:23:54,230 --> 00:23:52,159

questionnaire helps them put the pieces

584

00:23:55,510 --> 00:23:54,240

together a little bit they're jigsaw and

585

00:23:57,190 --> 00:23:55,520

there are things that a lot of people

586

00:23:59,430 --> 00:23:57,200

don't know are related to this

587

00:24:01,430 --> 00:23:59,440

experience but they are not aware that

588

00:24:03,270 --> 00:24:01,440

they are so the questionnaire is more

589

00:24:05,270 --> 00:24:03,280

for them than for me

590

00:24:08,549 --> 00:24:05,280

it allows them to you know join the dots

591

00:24:11,430 --> 00:24:08,559

a little bit and then i i will find out

592

00:24:13,750 --> 00:24:11,440

what they feel they most need for some

593

00:24:15,990 --> 00:24:13,760

they just need more information others

594

00:24:18,549 --> 00:24:16,000

want to talk about it or want to share

595

00:24:20,470 --> 00:24:18,559

others want to explore more deeply so it

596

00:24:22,789 --> 00:24:20,480

really is you know my my question to

597

00:24:24,710 --> 00:24:22,799

them then is what do you most feel will

598

00:24:26,870 --> 00:24:24,720

be helpful what do you most feel you

599

00:24:29,430 --> 00:24:26,880

need and from that we can work out the

600

00:24:30,230 --> 00:24:29,440

best way to help yes yes um

601
00:24:33,750 --> 00:24:30,240
now

602
00:24:36,630 --> 00:24:33,760
when someone um fills out one of these

603
00:24:39,029 --> 00:24:36,640
forms do you compare it um do you

604
00:24:41,909 --> 00:24:39,039
compare it to like a body of work do you

605
00:24:44,470 --> 00:24:41,919
compare to the commonalities that they

606
00:24:49,430 --> 00:24:46,870
absolutely um for me it's more the

607
00:24:51,269 --> 00:24:49,440
information than the identity ultimately

608
00:24:54,070 --> 00:24:51,279
because what it's allowing me to do is

609
00:24:56,630 --> 00:24:54,080
seeing patterns of experience because a

610
00:24:59,350 --> 00:24:56,640
lot of these things are not as tangible

611
00:25:01,510 --> 00:24:59,360
as you know we'd like them to be in 3d

612
00:25:03,350 --> 00:25:01,520
you know we'd like everything to be very

613
00:25:04,950 --> 00:25:03,360

you know very tangible that you know you

614

00:25:07,269 --> 00:25:04,960

can touch and feel the being or you can

615

00:25:09,590 --> 00:25:07,279

touch the craft or whatever but a lot of

616

00:25:12,390 --> 00:25:09,600

the time their experiences are in an

617

00:25:14,390 --> 00:25:12,400

altered state so they're questioning

618

00:25:16,789 --> 00:25:14,400

whether or not it's real or was it was

619

00:25:19,830 --> 00:25:16,799

it a dream or whatever but there are a

620

00:25:22,549 --> 00:25:19,840

lot of things that now we're noticing as

621

00:25:24,390 --> 00:25:22,559

these patterns of the non-physical side

622

00:25:26,950 --> 00:25:24,400

of this experience that are often it's

623

00:25:29,430 --> 00:25:26,960

in trance state but there are changes

624

00:25:31,830 --> 00:25:29,440

and shifts in their awareness and

625

00:25:34,710 --> 00:25:31,840

abilities and their understanding that

626
00:25:37,190 --> 00:25:34,720
happen via the experiences and i'm also

627
00:25:39,110 --> 00:25:37,200
part of another organization called the

628
00:25:41,029 --> 00:25:39,120
dr edgar mitchell foundation for

629
00:25:43,590 --> 00:25:41,039
research into extraterrestrial

630
00:25:46,390 --> 00:25:43,600
encounters free and what we're doing

631
00:25:47,669 --> 00:25:46,400
there is we're working with scientists

632
00:25:49,350 --> 00:25:47,679
you know these are physicists

633
00:25:51,750 --> 00:25:49,360
astrophysicists

634
00:25:53,269 --> 00:25:51,760
psychology professors therapists

635
00:25:56,230 --> 00:25:53,279
researchers

636
00:25:59,110 --> 00:25:56,240
mds and what we've done is put together

637
00:26:02,310 --> 00:25:59,120
600 questions in our surveys

638
00:26:04,870 --> 00:26:02,320

um and with and so far nearly 4 000

639

00:26:08,710 --> 00:26:04,880

people have filled them out and primary

640

00:26:11,269 --> 00:26:08,720

for that is getting the data getting the

641

00:26:13,510 --> 00:26:11,279

information and it's been absolutely

642

00:26:14,950 --> 00:26:13,520

profound what we're discovering and

643

00:26:17,110 --> 00:26:14,960

there are things that are going to turn

644

00:26:18,630 --> 00:26:17,120

ufology on its head through what we're

645

00:26:20,549 --> 00:26:18,640

discovering through these surveys and

646

00:26:23,269 --> 00:26:20,559

these are being made available we've got

647

00:26:26,789 --> 00:26:23,279

statisticians actually looking at what

648

00:26:28,789 --> 00:26:26,799

this is showing us now um and the most

649

00:26:31,029 --> 00:26:28,799

important thing with this is that what

650

00:26:34,230 --> 00:26:31,039

we're discovering is the broad range of

651

00:26:37,190 --> 00:26:34,240

experiences that um one way

652

00:26:39,430 --> 00:26:37,200

the the scientists in free are exploring

653

00:26:41,510 --> 00:26:39,440

it through the quantum hologram model so

654

00:26:43,750 --> 00:26:41,520

that we can actually understand how

655

00:26:45,669 --> 00:26:43,760

things like intuition you know and

656

00:26:48,070 --> 00:26:45,679

paranormal experiences you know

657

00:26:50,870 --> 00:26:48,080

clairvoyance clairaudience seeing energy

658

00:26:52,870 --> 00:26:50,880

seeing spirits you know and precognition

659

00:26:54,870 --> 00:26:52,880

all these things can be validated

660

00:26:57,110 --> 00:26:54,880

through the quantum hologram and so

661

00:26:59,430 --> 00:26:57,120

there we have a model that will allow us

662

00:27:02,310 --> 00:26:59,440

to understand how people have these

663

00:27:05,190 --> 00:27:02,320

experiences and give them a tangibility

664

00:27:07,669 --> 00:27:05,200

even although it's not ground traces or

665

00:27:09,669 --> 00:27:07,679

marks on the body or implants or

666

00:27:13,029 --> 00:27:09,679

photographs of the beings it's actually

667

00:27:16,390 --> 00:27:13,039

showing how experiences literally affect

668

00:27:17,990 --> 00:27:16,400

individuals after their experiences may

669

00:27:20,710 --> 00:27:18,000

you mentioned the survey and it's a

670

00:27:23,430 --> 00:27:20,720

rather likely survey as you described it

671

00:27:25,669 --> 00:27:23,440

what measures do you take as a

672

00:27:28,149 --> 00:27:25,679

as a as a researcher

673

00:27:30,549 --> 00:27:28,159

to ensure that that the questions

674

00:27:31,590 --> 00:27:30,559

contained in the survey don't

675

00:27:34,710 --> 00:27:31,600

don't

676

00:27:37,110 --> 00:27:34,720

corrupt the answers of the person or or

677

00:27:38,870 --> 00:27:37,120

maybe plant ideas in the person's mind

678

00:27:41,990 --> 00:27:38,880

that maybe they would elaborate on

679

00:27:43,830 --> 00:27:42,000

during a hypnosis session

680

00:27:46,070 --> 00:27:43,840

i think it's an extremely good question

681

00:27:48,549 --> 00:27:46,080

and i'm not the expert here in the sense

682

00:27:50,870 --> 00:27:48,559

that this has been a collaboration

683

00:27:52,950 --> 00:27:50,880

between those working in the field we've

684

00:27:55,029 --> 00:27:52,960

got um dr bob davis who's a

685

00:27:58,230 --> 00:27:55,039

neuroscientist who's part of the he's

686

00:28:01,590 --> 00:27:58,240

co-chair of the survey we've got um dr

687

00:28:04,310 --> 00:28:01,600

cleo who is a professor of psychology

688

00:28:06,630 --> 00:28:04,320

and parapsychology for 40 years those

689

00:28:08,950 --> 00:28:06,640

two are actually putting with the help

690

00:28:11,590 --> 00:28:08,960

of researchers like myself and others

691

00:28:14,149 --> 00:28:11,600

the questions are very much in the

692

00:28:16,389 --> 00:28:14,159

open-ended questions so that people have

693

00:28:18,389 --> 00:28:16,399

the freedom to say and understand

694

00:28:20,710 --> 00:28:18,399

without anything being leading they're

695

00:28:22,549 --> 00:28:20,720

very very aware of that just in the same

696

00:28:25,590 --> 00:28:22,559

way i am as a counselor you know you

697

00:28:27,430 --> 00:28:25,600

don't ask leading questions you reflect

698

00:28:29,669 --> 00:28:27,440

um whatever they're saying to you and

699

00:28:31,830 --> 00:28:29,679

you give them the freedom to actually

700

00:28:34,470 --> 00:28:31,840

explain their experiences

701
00:28:37,190 --> 00:28:34,480
and this has been you know quite an

702
00:28:40,389 --> 00:28:37,200
enormous task to actually create

703
00:28:42,149 --> 00:28:40,399
questions that allow the person to share

704
00:28:44,710 --> 00:28:42,159
what's happening to them and these are

705
00:28:47,830 --> 00:28:44,720
the conscious recall by the way these

706
00:28:49,830 --> 00:28:47,840
are not through hypnosis are further two

707
00:28:52,230 --> 00:28:49,840
surveys one of them is going to be

708
00:28:53,510 --> 00:28:52,240
covering far more of the paranormal

709
00:28:55,669 --> 00:28:53,520
and things like they've discovered

710
00:28:59,990 --> 00:28:55,679
through hypnosis or whatever but the

711
00:29:03,669 --> 00:29:00,000
whole idea is finally to create um a way

712
00:29:06,310 --> 00:29:03,679
of explaining this academically

713
00:29:08,389 --> 00:29:06,320

to the mainstream so that this gets some

714

00:29:10,549 --> 00:29:08,399

credibility this has been our aim all

715

00:29:12,710 --> 00:29:10,559

along and what really we're doing is

716

00:29:14,950 --> 00:29:12,720

we're exploring a way to understand

717

00:29:16,310 --> 00:29:14,960

consciousness not just extraterrestrial

718

00:29:18,870 --> 00:29:16,320

encounters because we know some of them

719

00:29:20,950 --> 00:29:18,880

are interdimensional extra dimensional

720

00:29:22,789 --> 00:29:20,960

and we also know that people have these

721

00:29:25,110 --> 00:29:22,799

experiences if they've had a near-death

722

00:29:27,430 --> 00:29:25,120

experience in fact 40

723

00:29:29,909 --> 00:29:27,440

of those surveyed had near-death

724

00:29:31,990 --> 00:29:29,919

experiences that enabled them to then

725

00:29:34,389 --> 00:29:32,000

start accessing these non-human

726

00:29:37,029 --> 00:29:34,399

intelligences so for them it wasn't a

727

00:29:38,310 --> 00:29:37,039

ufo craft or being taken up in a craft

728

00:29:40,549 --> 00:29:38,320

it was through their near-death

729

00:29:42,870 --> 00:29:40,559

experience and that was a catalyst if

730

00:29:45,830 --> 00:29:42,880

you like for awareness or

731

00:29:47,909 --> 00:29:45,840

an ability to access more of the matrix

732

00:29:49,990 --> 00:29:47,919

that allow them then to start to

733

00:29:52,310 --> 00:29:50,000

interact with these beings others it

734

00:29:55,350 --> 00:29:52,320

will be a shamanic waking up call if you

735

00:29:57,590 --> 00:29:55,360

like or a kundalini awakening so there

736

00:30:00,230 --> 00:29:57,600

are many different ways people are

737

00:30:02,549 --> 00:30:00,240

accessing this realm and beginning to

738

00:30:06,310 --> 00:30:02,559

contact these non-human intelligences so

739

00:30:10,149 --> 00:30:06,320

it's it's not just about the ufo um et

740

00:30:13,430 --> 00:30:10,159

one standard abduction and interestingly

741

00:30:16,389 --> 00:30:13,440

only about 20 percent believe they've

742

00:30:18,710 --> 00:30:16,399

been abducted the rest are actually

743

00:30:20,149 --> 00:30:18,720

saying that this was for them something

744

00:30:23,430 --> 00:30:20,159

that they've welcomed and that's

745

00:30:25,590 --> 00:30:23,440

something that they are participating in

746

00:30:27,669 --> 00:30:25,600

and this is again turning everything we

747

00:30:30,230 --> 00:30:27,679

know on its head because we've always

748

00:30:32,549 --> 00:30:30,240

thought oh you know this is without

749

00:30:34,230 --> 00:30:32,559

people's choice without their consent

750

00:30:36,789 --> 00:30:34,240

and what we're discovering is that a

751

00:30:37,590 --> 00:30:36,799

majority it's actually the reverse of

752

00:30:41,110 --> 00:30:37,600

that

753

00:30:42,789 --> 00:30:41,120

so this is really fascinating um data

754

00:30:46,389 --> 00:30:42,799

that we're getting and it's done in a

755

00:30:49,190 --> 00:30:46,399

way that will cover all the all the the

756

00:30:51,750 --> 00:30:49,200

uh um the traditional mandates that you

757

00:30:54,549 --> 00:30:51,760

need to look at so that there is no

758

00:30:56,149 --> 00:30:54,559

question that we are leading those that

759

00:30:58,549 --> 00:30:56,159

are answering the question and it's all

760

00:31:00,310 --> 00:30:58,559

anonymous by the way no there is no

761

00:31:02,870 --> 00:31:00,320

identity with this

762

00:31:05,269 --> 00:31:02,880

needed it's all about the data wow now

763

00:31:08,470 --> 00:31:05,279

when you say with their consent

764

00:31:11,830 --> 00:31:08,480

um how do they give their consent or

765

00:31:17,110 --> 00:31:14,310

it may be conscious they may be already

766

00:31:19,750 --> 00:31:17,120

aware that they've had an agreement

767

00:31:22,710 --> 00:31:19,760

with the beings or the intelligences but

768

00:31:25,830 --> 00:31:22,720

it's also come through in hypnosis one

769

00:31:28,070 --> 00:31:25,840

of the questions that i ask amongst many

770

00:31:29,750 --> 00:31:28,080

others while they're in that space

771

00:31:31,350 --> 00:31:29,760

is have you

772

00:31:34,149 --> 00:31:31,360

on any level

773

00:31:37,110 --> 00:31:34,159

consented to this experience and for

774

00:31:40,070 --> 00:31:37,120

some it's yes before i came here as a as

775

00:31:42,310 --> 00:31:40,080

a soul um i've agreed to this experience

776
00:31:44,789 --> 00:31:42,320
because many of them see themselves

777
00:31:47,110 --> 00:31:44,799
connected to these beings these visitors

778
00:31:49,269 --> 00:31:47,120
and they will see that that connection

779
00:31:50,950 --> 00:31:49,279
means that they sort of if you like

780
00:31:52,389 --> 00:31:50,960
decided to come in

781
00:31:55,269 --> 00:31:52,399
from that source

782
00:31:57,990 --> 00:31:55,279
or that origin of those beings in

783
00:32:00,870 --> 00:31:58,000
physical form or in human form because

784
00:32:03,110 --> 00:32:00,880
of the human experience and some of them

785
00:32:04,870 --> 00:32:03,120
even you know recall

786
00:32:06,950 --> 00:32:04,880
going and meeting up with these beings

787
00:32:09,029 --> 00:32:06,960
and basically telling them what it's

788
00:32:11,110 --> 00:32:09,039

like to be human what happens on this

789

00:32:13,590 --> 00:32:11,120

planet so there's this kind of

790

00:32:16,950 --> 00:32:13,600

interfacing going on where these beings

791

00:32:19,909 --> 00:32:16,960

are understanding how it works for us in

792

00:32:22,389 --> 00:32:19,919

human form in our human containers so

793

00:32:24,630 --> 00:32:22,399

this is really quite revolutionary as

794

00:32:26,230 --> 00:32:24,640

far as most people understand that there

795

00:32:28,549 --> 00:32:26,240

is a cooperation

796

00:32:30,950 --> 00:32:28,559

with many many people having these

797

00:32:33,190 --> 00:32:30,960

experiences and i'm working with even

798

00:32:36,470 --> 00:32:33,200

the small children and my book the new

799

00:32:39,590 --> 00:32:36,480

human is that there's nine chapters of

800

00:32:41,750 --> 00:32:39,600

children under 10 telling me how the

801
00:32:42,789 --> 00:32:41,760
star visitors as they call them or their

802
00:32:45,990 --> 00:32:42,799
family

803
00:32:48,630 --> 00:32:46,000
um and they've come from that origin to

804
00:32:51,029 --> 00:32:48,640
come in human form with awareness so

805
00:32:52,870 --> 00:32:51,039
that they can tell their family what

806
00:32:54,630 --> 00:32:52,880
it's like and they will actually

807
00:32:56,870 --> 00:32:54,640
communicate and interface with them and

808
00:32:59,269 --> 00:32:56,880
these are children you know as young as

809
00:33:01,269 --> 00:32:59,279
four or five or six saying you know

810
00:33:03,430 --> 00:33:01,279
you're not my real parents my parents

811
00:33:06,389 --> 00:33:03,440
are in space you're just here to look

812
00:33:08,870 --> 00:33:06,399
after me and this is a pattern of you

813
00:33:10,950 --> 00:33:08,880

know many many children that have told

814

00:33:12,549 --> 00:33:10,960

their parents this and the parents

815

00:33:15,509 --> 00:33:12,559

writing to me and i've even talked to

816

00:33:17,350 --> 00:33:15,519

these children and they'll say oh yes um

817

00:33:19,190 --> 00:33:17,360

i was two days ago i was talking to a

818

00:33:21,990 --> 00:33:19,200

nine-year-old here in australia telling

819

00:33:24,310 --> 00:33:22,000

me that his other mother from where he

820

00:33:26,549 --> 00:33:24,320

comes from helps him understand this

821

00:33:28,310 --> 00:33:26,559

planet and he tells her what's going on

822

00:33:31,590 --> 00:33:28,320

and what he understands and told me

823

00:33:34,230 --> 00:33:31,600

quite consciously he's aware of choosing

824

00:33:36,549 --> 00:33:34,240

his parents before he came onto this

825

00:33:38,549 --> 00:33:36,559

planet and and basically told his mother

826

00:33:40,549 --> 00:33:38,559

that you know that i chose you

827

00:33:43,750 --> 00:33:40,559

as i came in in human form so he

828

00:33:46,070 --> 00:33:43,760

remembers before he even came here um

829

00:33:48,310 --> 00:33:46,080

where he's from now uh

830

00:33:49,909 --> 00:33:48,320

there's never been any like television

831

00:33:52,789 --> 00:33:49,919

show or anything

832

00:33:54,630 --> 00:33:52,799

like this that the kids could be exposed

833

00:33:57,909 --> 00:33:54,640

to i mean what would the skeptic say

834

00:34:03,029 --> 00:34:00,149

well the interesting thing for me is

835

00:34:05,350 --> 00:34:03,039

when you're talking to children under 10

836

00:34:07,350 --> 00:34:05,360

even with all the cartoons with aliens

837

00:34:09,829 --> 00:34:07,360

on it and what have you you don't get

838

00:34:11,669 --> 00:34:09,839

certain concepts coming up that are

839

00:34:13,589 --> 00:34:11,679

complex concepts that these children

840

00:34:15,510 --> 00:34:13,599

will have discussed with me

841

00:34:17,589 --> 00:34:15,520

for example one eight-year-old was it

842

00:34:18,790 --> 00:34:17,599

describing being taken to a planet at

843

00:34:20,869 --> 00:34:18,800

night

844

00:34:23,030 --> 00:34:20,879

with a being which she described that

845

00:34:26,069 --> 00:34:23,040

took her and was teaching her how to

846

00:34:29,190 --> 00:34:26,079

levitate how to use her third eye and

847

00:34:31,829 --> 00:34:29,200

also showing her um genetic engineering

848

00:34:33,909 --> 00:34:31,839

saying she was shown how they do genetic

849

00:34:36,310 --> 00:34:33,919

engineering with different species

850

00:34:39,349 --> 00:34:36,320

different animals different plants for

851
00:34:41,190 --> 00:34:39,359
example and going into detail about this

852
00:34:43,750 --> 00:34:41,200
this is not something you're going to

853
00:34:45,510 --> 00:34:43,760
get on a cartoon or anything and how

854
00:34:47,990 --> 00:34:45,520
this eight-year-old also told me that

855
00:34:50,950 --> 00:34:48,000
when she was brought back the craft

856
00:34:53,109 --> 00:34:50,960
cloaked itself so it wasn't seen by

857
00:34:55,589 --> 00:34:53,119
anyone around when they brought her back

858
00:34:57,990 --> 00:34:55,599
for example another eight-year-old told

859
00:35:00,390 --> 00:34:58,000
me that she was taken by a craft

860
00:35:02,550 --> 00:35:00,400
right to see a black hole and what it

861
00:35:05,190 --> 00:35:02,560
was like in the black hole where she was

862
00:35:07,510 --> 00:35:05,200
seeing planets exploding and coming back

863
00:35:09,990 --> 00:35:07,520

together again including taking her

864

00:35:12,310 --> 00:35:10,000

inside a wormhole where she was seeing

865

00:35:14,470 --> 00:35:12,320

in almost real time things like

866

00:35:15,670 --> 00:35:14,480

dinosaurs and this kind of thing now

867

00:35:17,270 --> 00:35:15,680

these aren't

868

00:35:19,430 --> 00:35:17,280

concepts that

869

00:35:22,630 --> 00:35:19,440

the average eight-year-old has any

870

00:35:25,349 --> 00:35:22,640

notion of and you know i i've had three

871

00:35:27,109 --> 00:35:25,359

children i've got five grandchildren and

872

00:35:28,950 --> 00:35:27,119

they're not concepts that they would

873

00:35:30,630 --> 00:35:28,960

come out with as part of their

874

00:35:32,710 --> 00:35:30,640

experience whatever they've seen on

875

00:35:34,550 --> 00:35:32,720

television or whatever yeah i i could

876

00:35:36,390 --> 00:35:34,560

see that i mean that would be really

877

00:35:38,390 --> 00:35:36,400

that is some really strange things to

878

00:35:40,710 --> 00:35:38,400

come up with uh

879

00:35:44,310 --> 00:35:40,720

in the chat room phil wanted to know

880

00:35:47,030 --> 00:35:44,320

uh what exactly is quantum quantum

881

00:35:50,790 --> 00:35:48,950

or the quantum hologram hologram i'm

882

00:35:53,190 --> 00:35:50,800

sorry uh

883

00:35:55,670 --> 00:35:53,200

yeah um i mean this is a model of

884

00:35:58,230 --> 00:35:55,680

reality that astrophysicists and

885

00:36:00,310 --> 00:35:58,240

physicists talk about and please don't

886

00:36:02,230 --> 00:36:00,320

ask me to go into detail other than the

887

00:36:05,589 --> 00:36:02,240

fact that i understand that everything

888

00:36:08,069 --> 00:36:05,599

is is like we are if if you like within

889

00:36:08,870 --> 00:36:08,079

a hologram of consciousness

890

00:36:12,390 --> 00:36:08,880

and

891

00:36:14,150 --> 00:36:12,400

hologram

892

00:36:17,109 --> 00:36:14,160

of consciousness is what we're

893

00:36:19,510 --> 00:36:17,119

interacting with both through our

894

00:36:20,950 --> 00:36:19,520

conscious 3d but our multi-dimensional

895

00:36:22,870 --> 00:36:20,960

awareness as well

896

00:36:27,430 --> 00:36:22,880

so that for example

897

00:36:29,510 --> 00:36:27,440

things like intuition um clairvoyance um

898

00:36:32,310 --> 00:36:29,520

all those what we call

899

00:36:34,310 --> 00:36:32,320

paranormal are really parts of our

900

00:36:35,910 --> 00:36:34,320

ability we don't always use them we

901
00:36:37,990 --> 00:36:35,920
don't always trust them because for many

902
00:36:39,190 --> 00:36:38,000
people they're afraid that if they do

903
00:36:41,349 --> 00:36:39,200
that there's go you know there's

904
00:36:43,910 --> 00:36:41,359
something they'll probably go a bit

905
00:36:46,390 --> 00:36:43,920
crazy or whatever but what it really is

906
00:36:48,950 --> 00:36:46,400
part of our nature to be

907
00:36:51,270 --> 00:36:48,960
if you like multi-dimensional and what

908
00:36:53,990 --> 00:36:51,280
you can do when you access that side of

909
00:36:55,349 --> 00:36:54,000
yourself you that's when you you know

910
00:36:57,510 --> 00:36:55,359
when you get the sense your friend's

911
00:36:59,510 --> 00:36:57,520
going to ring you or you get a get a

912
00:37:00,870 --> 00:36:59,520
sense when you're going down the road

913
00:37:02,870 --> 00:37:00,880

that something's going to happen and you

914

00:37:04,870 --> 00:37:02,880

better be careful those kinds of

915

00:37:06,550 --> 00:37:04,880

feelings and knowings and senses come

916

00:37:08,950 --> 00:37:06,560

from your multi-dimensional self and

917

00:37:11,510 --> 00:37:08,960

from the hologram so basically it's like

918

00:37:14,790 --> 00:37:11,520

saying a hologram of consciousness is

919

00:37:17,030 --> 00:37:14,800

what we are part of and the this is the

920

00:37:19,750 --> 00:37:17,040

way that the scientists now are coming

921

00:37:22,630 --> 00:37:19,760

to understand it but if you want to know

922

00:37:23,670 --> 00:37:22,640

its complexity then you need to go on to

923

00:37:25,349 --> 00:37:23,680

you know

924

00:37:27,190 --> 00:37:25,359

some of the uh

925

00:37:29,109 --> 00:37:27,200

websites of the physicist as they

926
00:37:31,670 --> 00:37:29,119
explain it in more detail that's as much

927
00:37:34,150 --> 00:37:31,680
as i can possibly explain to you but i

928
00:37:36,230 --> 00:37:34,160
know from the experiences that people

929
00:37:38,470 --> 00:37:36,240
have that that's what we're doing we're

930
00:37:40,310 --> 00:37:38,480
accessing another aspect of our

931
00:37:42,550 --> 00:37:40,320
multi-dimensional awareness when we're

932
00:37:44,550 --> 00:37:42,560
tapping in to those feelings those

933
00:37:46,550 --> 00:37:44,560
knowings those senses

934
00:37:48,870 --> 00:37:46,560
because all of those actually we all

935
00:37:51,109 --> 00:37:48,880
have but many of us shut them down

936
00:37:53,270 --> 00:37:51,119
because we're afraid to trust them and

937
00:37:56,230 --> 00:37:53,280
yet often it's far better to trust that

938
00:37:58,390 --> 00:37:56,240

than your logic or your analytical mind

939

00:38:00,150 --> 00:37:58,400

mary i'd like to ask you just to follow

940

00:38:03,270 --> 00:38:00,160

up on the the 80

941

00:38:05,349 --> 00:38:03,280

consensual number which seems to be

942

00:38:07,349 --> 00:38:05,359

pretty much in line with what dr mack

943

00:38:09,349 --> 00:38:07,359

reported in his first book

944

00:38:11,190 --> 00:38:09,359

which really for me was a game changer

945

00:38:13,990 --> 00:38:11,200

because i had always thought of this

946

00:38:15,589 --> 00:38:14,000

this phenomenon uh as it was

947

00:38:18,710 --> 00:38:15,599

as i understood it at the time to be

948

00:38:21,750 --> 00:38:18,720

something that was completely against uh

949

00:38:23,750 --> 00:38:21,760

one's own wishes but uh 80 percent

950

00:38:26,150 --> 00:38:23,760

according to dr macanal we're hearing it

951
00:38:28,630 --> 00:38:26,160
from you as well uh claim that this is

952
00:38:30,870 --> 00:38:28,640
some sort of consensual experience but i

953
00:38:33,109 --> 00:38:30,880
i'd like to kind of mine a little bit of

954
00:38:34,230 --> 00:38:33,119
this whole this whole consensual

955
00:38:38,870 --> 00:38:34,240
experience

956
00:38:41,349 --> 00:38:38,880
that they have

957
00:38:43,990 --> 00:38:41,359
that that seems to be

958
00:38:47,109 --> 00:38:44,000
common among all the consensual uh

959
00:38:49,990 --> 00:38:47,119
people in other words is this

960
00:38:52,470 --> 00:38:50,000
is this some sort of a uh

961
00:38:54,230 --> 00:38:52,480
what dr mack

962
00:38:57,430 --> 00:38:54,240
referred to on many different occasions

963
00:39:00,069 --> 00:38:57,440

with this 80 consensual is that there is

964

00:39:02,150 --> 00:39:00,079

some sort of communication with respect

965

00:39:05,030 --> 00:39:02,160

to environmental disasters and things

966

00:39:08,230 --> 00:39:05,040

that needed to be avoided in order to uh

967

00:39:09,349 --> 00:39:08,240

to ensure that humanity continues

968

00:39:11,510 --> 00:39:09,359

did you

969

00:39:12,230 --> 00:39:11,520

in your research and and the people that

970

00:39:18,390 --> 00:39:12,240

you

971

00:39:19,589 --> 00:39:18,400

sort of communication occurring

972

00:39:20,390 --> 00:39:19,599

absolutely

973

00:39:22,069 --> 00:39:20,400

um

974

00:39:25,030 --> 00:39:22,079

excuse me

975

00:39:27,829 --> 00:39:25,040

one of the things we've discovered is 85

976
00:39:29,910 --> 00:39:27,839
found their experiences transformative

977
00:39:32,069 --> 00:39:29,920
and by that it means they've changed

978
00:39:34,150 --> 00:39:32,079
their whole paradigm through the

979
00:39:34,950 --> 00:39:34,160
experience and everything that they've

980
00:39:38,470 --> 00:39:34,960
ever

981
00:39:41,190 --> 00:39:38,480
accepted as a truth in their 3d

982
00:39:43,430 --> 00:39:41,200
educational conditioning and programming

983
00:39:44,710 --> 00:39:43,440
often now becomes

984
00:39:46,630 --> 00:39:44,720
a question

985
00:39:48,470 --> 00:39:46,640
um but one of the things they notice

986
00:39:49,910 --> 00:39:48,480
from the experience and many of them

987
00:39:52,870 --> 00:39:49,920
have said this

988
00:39:54,950 --> 00:39:52,880

that they um every all life becomes

989

00:39:57,349 --> 00:39:54,960

precious that the some of them say i

990

00:39:59,190 --> 00:39:57,359

can't even stand on an ant now

991

00:40:02,150 --> 00:39:59,200

um i can't

992

00:40:04,150 --> 00:40:02,160

i can't see the pain and and

993

00:40:06,630 --> 00:40:04,160

on this planet i can't

994

00:40:09,190 --> 00:40:06,640

cope with the aggression i can't cope

995

00:40:11,190 --> 00:40:09,200

with the war um some of them become

996

00:40:13,109 --> 00:40:11,200

environmentalists where they know that

997

00:40:15,430 --> 00:40:13,119

they're if they almost think it's like

998

00:40:17,510 --> 00:40:15,440

their mission that they have got to do

999

00:40:20,550 --> 00:40:17,520

something now to protect the planet they

1000

00:40:22,310 --> 00:40:20,560

become very very aware of that kind of

1001

00:40:24,870 --> 00:40:22,320

thing and they'll get involved and

1002

00:40:25,670 --> 00:40:24,880

become quite activist in it many of them

1003

00:40:28,230 --> 00:40:25,680

want

1004

00:40:29,829 --> 00:40:28,240

you know more rural holistic lifestyles

1005

00:40:31,510 --> 00:40:29,839

they change their diet many of them

1006

00:40:34,550 --> 00:40:31,520

become vegetarian

1007

00:40:37,589 --> 00:40:34,560

um others want to be healers and want to

1008

00:40:40,630 --> 00:40:37,599

support one another they lose total

1009

00:40:42,870 --> 00:40:40,640

interest in materialistic values um no

1010

00:40:43,750 --> 00:40:42,880

longer interested in generating any kind

1011

00:40:46,950 --> 00:40:43,760

of

1012

00:40:48,870 --> 00:40:46,960

you know um funds or whatever other than

1013

00:40:51,510 --> 00:40:48,880

survival and what have you

1014

00:40:54,230 --> 00:40:51,520

so that it's literally everything within

1015

00:40:56,069 --> 00:40:54,240

their framework is altered and change

1016

00:40:59,030 --> 00:40:56,079

and this is the transformative side that

1017

00:41:01,030 --> 00:40:59,040

i'm fascinated by because you know when

1018

00:41:03,270 --> 00:41:01,040

everybody says to me you know what's

1019

00:41:04,150 --> 00:41:03,280

their agendas you know what is it that

1020

00:41:05,829 --> 00:41:04,160

they're

1021

00:41:08,069 --> 00:41:05,839

you know what are they doing this for

1022

00:41:10,950 --> 00:41:08,079

and all the rest of it without doubt the

1023

00:41:13,270 --> 00:41:10,960

85 percent are saying

1024

00:41:15,270 --> 00:41:13,280

that it is about shifting the

1025

00:41:16,790 --> 00:41:15,280

consciousness of the human

1026
00:41:19,670 --> 00:41:16,800
from a

1027
00:41:22,390 --> 00:41:19,680
one of a far more blinkered awareness of

1028
00:41:24,470 --> 00:41:22,400
you know the 3d reality and showing them

1029
00:41:26,630 --> 00:41:24,480
that they're multi-dimensional but also

1030
00:41:29,109 --> 00:41:26,640
showing them how we're connected to

1031
00:41:31,030 --> 00:41:29,119
everything that everything you know that

1032
00:41:33,990 --> 00:41:31,040
we are part of a consciousness if you

1033
00:41:36,230 --> 00:41:34,000
like that also is part of what these

1034
00:41:39,270 --> 00:41:36,240
beings are because the way that they

1035
00:41:42,470 --> 00:41:39,280
communicate most often is through tele

1036
00:41:44,470 --> 00:41:42,480
through telepathy and i and my sense is

1037
00:41:47,510 --> 00:41:44,480
that when you're getting people becoming

1038
00:41:49,910 --> 00:41:47,520

more sensitive more aware more empathic

1039

00:41:52,550 --> 00:41:49,920

many of them start to feel and

1040

00:41:55,190 --> 00:41:52,560

this communication with these beings on

1041

00:41:57,030 --> 00:41:55,200

a telepathic basis and what i've also

1042

00:41:59,109 --> 00:41:57,040

discovered is a lot of the children that

1043

00:42:01,990 --> 00:41:59,119

are being born now what i call the new

1044

00:42:04,470 --> 00:42:02,000

upgrades of children are being born

1045

00:42:07,510 --> 00:42:04,480

telepathic and i've had parents write to

1046

00:42:09,589 --> 00:42:07,520

me um i i recall an email only recently

1047

00:42:11,829 --> 00:42:09,599

of a woman telling me her three-year-old

1048

00:42:13,589 --> 00:42:11,839

daughter was had been telepathic since

1049

00:42:15,910 --> 00:42:13,599

birth and she said my biggest problem

1050

00:42:18,630 --> 00:42:15,920

mary is that she not only reads my mind

1051
00:42:20,470 --> 00:42:18,640
but those around around us as well and

1052
00:42:22,550 --> 00:42:20,480
she said and it's you know she's three

1053
00:42:24,309 --> 00:42:22,560
years old i have to watch my thoughts

1054
00:42:26,309 --> 00:42:24,319
all the time because she she knows what

1055
00:42:27,910 --> 00:42:26,319
i'm thinking she's not the only one

1056
00:42:30,150 --> 00:42:27,920
we're discovering now a lot of these

1057
00:42:32,710 --> 00:42:30,160
children that the parents write to me

1058
00:42:35,190 --> 00:42:32,720
about or talk to me they say that they

1059
00:42:37,910 --> 00:42:35,200
have the ability to tap into thoughts

1060
00:42:40,150 --> 00:42:37,920
and emotion and feelings and they are

1061
00:42:41,910 --> 00:42:40,160
hypersensitive and these are the new

1062
00:42:46,390 --> 00:42:41,920
programs that i talk about the new

1063
00:42:48,470 --> 00:42:46,400

humans um are these very aware upgrades

1064

00:42:50,950 --> 00:42:48,480

as i call them and i talk about them in

1065

00:42:53,829 --> 00:42:50,960

my presentations and these these new

1066

00:42:55,750 --> 00:42:53,839

upgrades are being recognized by a

1067

00:42:58,069 --> 00:42:55,760

number of uh

1068

00:43:00,710 --> 00:42:58,079

individuals within different professions

1069

00:43:02,630 --> 00:43:00,720

and i know two molecular biologists that

1070

00:43:04,550 --> 00:43:02,640

talk about these new upgrades one of

1071

00:43:07,829 --> 00:43:04,560

them is um

1072

00:43:09,910 --> 00:43:07,839

in sweden dr olsen and she talks about

1073

00:43:13,510 --> 00:43:09,920

the leather people the new human the

1074

00:43:17,109 --> 00:43:13,520

quantum and these are often diagnosed or

1075

00:43:19,910 --> 00:43:17,119

labelled as adhd or asperger's or

1076

00:43:22,470 --> 00:43:19,920

dyslexic or cell phones of autism but

1077

00:43:25,030 --> 00:43:22,480

actually they are experiencing

1078

00:43:27,190 --> 00:43:25,040

a far more broader

1079

00:43:29,270 --> 00:43:27,200

version of reality a multi-dimensional

1080

00:43:31,430 --> 00:43:29,280

reality and that is why they appear

1081

00:43:33,750 --> 00:43:31,440

dysfunctional because they're already

1082

00:43:36,790 --> 00:43:33,760

operating from that level rather than

1083

00:43:38,710 --> 00:43:36,800

the 3d the older models like myself

1084

00:43:40,550 --> 00:43:38,720

are operating from so they struggle and

1085

00:43:42,950 --> 00:43:40,560

that's the reason they struggle

1086

00:43:45,910 --> 00:43:42,960

and one gentleman who found he was

1087

00:43:48,950 --> 00:43:45,920

diagnosed as adhd when in his 50s neil

1088

00:43:51,829 --> 00:43:48,960

gold who's a ufologist in in hong kong

1089

00:43:56,470 --> 00:43:51,839

re wrote a book um close encounters of

1090

00:44:00,710 --> 00:43:56,480

the adhd kind and he read he re um he

1091

00:44:02,950 --> 00:44:00,720

changed adhd to always um dialed into

1092

00:44:05,190 --> 00:44:02,960

higher dimensions because he'd always

1093

00:44:07,510 --> 00:44:05,200

seen reality differently even from a

1094

00:44:10,069 --> 00:44:07,520

small child and a lot of these children

1095

00:44:12,870 --> 00:44:10,079

that are being diagnosed as adhd are

1096

00:44:15,829 --> 00:44:12,880

actually i believe new programs that are

1097

00:44:17,910 --> 00:44:15,839

getting us into a more aware species or

1098

00:44:20,390 --> 00:44:17,920

becoming a more aware species

1099

00:44:23,430 --> 00:44:20,400

now um there it seems to be like almost

1100

00:44:24,230 --> 00:44:23,440

two schools of thought uh one is that we

1101
00:44:29,750 --> 00:44:24,240
were

1102
00:44:33,510 --> 00:44:29,760
know um in ancient times

1103
00:44:35,270 --> 00:44:33,520
and then uh so in that case uh what are

1104
00:44:36,550 --> 00:44:35,280
your thoughts on on that first of all i

1105
00:44:38,390 --> 00:44:36,560
should ask you

1106
00:44:40,230 --> 00:44:38,400
do you think that's what uh possibly

1107
00:44:42,630 --> 00:44:40,240
happened to the human race instead of

1108
00:44:45,750 --> 00:44:42,640
evolution or partial evolution and

1109
00:44:51,430 --> 00:44:48,390
absolutely um i've actually got a whole

1110
00:44:52,630 --> 00:44:51,440
chapter on the dna where i i've tapped

1111
00:44:54,710 --> 00:44:52,640
into

1112
00:44:57,829 --> 00:44:54,720
this whole area because i think it's

1113
00:44:59,510 --> 00:44:57,839

really important that people understand

1114

00:45:02,309 --> 00:44:59,520

a little bit more of the anomalies that

1115

00:45:04,150 --> 00:45:02,319

have been found in human dna and as i

1116

00:45:06,630 --> 00:45:04,160

mentioned a whistleblower geneticist

1117

00:45:08,950 --> 00:45:06,640

that was in lloyd pye's book who who

1118

00:45:10,630 --> 00:45:08,960

explored all the information on the star

1119

00:45:12,150 --> 00:45:10,640

child skull and

1120

00:45:13,829 --> 00:45:12,160

he wrote the book the intervention

1121

00:45:15,270 --> 00:45:13,839

theory and in it he's got a

1122

00:45:18,150 --> 00:45:15,280

whistleblower statement from a

1123

00:45:21,030 --> 00:45:18,160

geneticist basically stating that we're

1124

00:45:24,390 --> 00:45:21,040

hybrids that he he knows and can see in

1125

00:45:26,069 --> 00:45:24,400

our dna where we've been spliced um and

1126

00:45:28,630 --> 00:45:26,079

various things he said it's you know

1127

00:45:31,829 --> 00:45:28,640

it's absolutely as obvious as anything

1128

00:45:33,990 --> 00:45:31,839

but if you dare to try and you know say

1129

00:45:34,870 --> 00:45:34,000

this um you know you'd be hung out to

1130

00:45:37,589 --> 00:45:34,880

dry

1131

00:45:40,150 --> 00:45:37,599

but this is being noted and the other

1132

00:45:41,910 --> 00:45:40,160

thing that's fascinating to me and it's

1133

00:45:44,069 --> 00:45:41,920

you know it's it's already there that

1134

00:45:45,589 --> 00:45:44,079

you've got cro-magnon and you've got the

1135

00:45:46,950 --> 00:45:45,599

neanderthal then you've got what's

1136

00:45:49,510 --> 00:45:46,960

called the missing link and then

1137

00:45:52,309 --> 00:45:49,520

suddenly you have homo sapiens sapiens

1138

00:45:55,030 --> 00:45:52,319

there's twice the brain size for example

1139

00:45:57,829 --> 00:45:55,040

and 223 genes

1140

00:46:00,630 --> 00:45:57,839

that um are in that were a sideways

1141

00:46:02,470 --> 00:46:00,640

insertion of genetic material that are

1142

00:46:05,190 --> 00:46:02,480

all to do with higher psychological

1143

00:46:07,589 --> 00:46:05,200

functioning suddenly being part of who

1144

00:46:10,390 --> 00:46:07,599

we are as well and you have those that

1145

00:46:12,950 --> 00:46:10,400

have interactions with ets that say and

1146

00:46:16,870 --> 00:46:12,960

are being told by the ets that they have

1147

00:46:19,270 --> 00:46:16,880

put their dna with our dna for example

1148

00:46:21,109 --> 00:46:19,280

so everything and even francis crick

1149

00:46:23,349 --> 00:46:21,119

co-founder of the dna molecule in his

1150

00:46:25,030 --> 00:46:23,359

book life itself was saying the same

1151
00:46:28,870 --> 00:46:25,040
thing he said we were seeded from the

1152
00:46:31,349 --> 00:46:28,880
stars he was also saying they you know

1153
00:46:34,710 --> 00:46:31,359
did certain things and until we get

1154
00:46:37,349 --> 00:46:34,720
ready to um be more involved so we you

1155
00:46:39,430 --> 00:46:37,359
know we we've been if you like um dumbed

1156
00:46:42,150 --> 00:46:39,440
down because some of our our genes are

1157
00:46:44,309 --> 00:46:42,160
not switched on yet we only they only

1158
00:46:47,430 --> 00:46:44,319
say that we use five percent of our dna

1159
00:46:49,750 --> 00:46:47,440
and the rest is some kind of um junk

1160
00:46:51,829 --> 00:46:49,760
litter but what what i'm finding is that

1161
00:46:53,829 --> 00:46:51,839
there's part of that now that these

1162
00:46:55,750 --> 00:46:53,839
experiences are telling us that is being

1163
00:46:58,390 --> 00:46:55,760

switched on being activated and this is

1164

00:46:59,990 --> 00:46:58,400

why more and more people are becoming

1165

00:47:01,270 --> 00:47:00,000

more aware becoming more

1166

00:47:03,349 --> 00:47:01,280

multi-dimensionally aware because

1167

00:47:05,750 --> 00:47:03,359

they're that part of their dna is being

1168

00:47:06,550 --> 00:47:05,760

activated and they're relating more and

1169

00:47:09,030 --> 00:47:06,560

more

1170

00:47:11,349 --> 00:47:09,040

to the the the um

1171

00:47:14,150 --> 00:47:11,359

these extraterrestrials that have put

1172

00:47:15,670 --> 00:47:14,160

something in the human dna and and they

1173

00:47:18,069 --> 00:47:15,680

will say well i feel i'm from the

1174

00:47:20,230 --> 00:47:18,079

pleiades or i feel i'm from taurus or

1175

00:47:22,230 --> 00:47:20,240

whatever but what they're doing is what

1176

00:47:25,030 --> 00:47:22,240

i believe is happening that part of

1177

00:47:26,870 --> 00:47:25,040

their et dna is being activated and

1178

00:47:28,870 --> 00:47:26,880

that's why they start to feel their

1179

00:47:30,309 --> 00:47:28,880

connections to these species that are

1180

00:47:33,190 --> 00:47:30,319

visiting us

1181

00:47:35,510 --> 00:47:33,200

from all over the galaxy so why wouldn't

1182

00:47:36,630 --> 00:47:35,520

a couple of things on that

1183

00:47:39,349 --> 00:47:36,640

why

1184

00:47:42,069 --> 00:47:39,359

would they have waited so long to

1185

00:47:43,670 --> 00:47:42,079

activate uh that part of their dna

1186

00:47:45,990 --> 00:47:43,680

that's one of the questions and the

1187

00:47:48,150 --> 00:47:46,000

other one is um

1188

00:47:49,109 --> 00:47:48,160

we'll just answer that part first um if

1189

00:47:50,150 --> 00:47:49,119

you would

1190

00:47:52,470 --> 00:47:50,160

um

1191

00:47:54,069 --> 00:47:52,480

well i don't know the mind of these

1192

00:47:56,550 --> 00:47:54,079

these intelligences that are working

1193

00:47:59,670 --> 00:47:56,560

with us but what seems to have happened

1194

00:48:02,390 --> 00:47:59,680

is that we've been allowed to evolve in

1195

00:48:03,910 --> 00:48:02,400

the way that most from what one

1196

00:48:05,750 --> 00:48:03,920

eight-year-old told me they do this in

1197

00:48:08,069 --> 00:48:05,760

other galaxies and other universes they

1198

00:48:09,910 --> 00:48:08,079

seed planets and they wait

1199

00:48:12,630 --> 00:48:09,920

and allow them to evolve in their own

1200

00:48:16,309 --> 00:48:12,640

way my understanding is that because now

1201

00:48:17,990 --> 00:48:16,319

we are becoming space faring species and

1202

00:48:20,390 --> 00:48:18,000

because we have

1203

00:48:23,190 --> 00:48:20,400

technology now that is destructive

1204

00:48:25,349 --> 00:48:23,200

there is a great fear of what we will do

1205

00:48:28,230 --> 00:48:25,359

with it before we become aware that

1206

00:48:31,190 --> 00:48:28,240

we're we're part of a galactic community

1207

00:48:33,430 --> 00:48:31,200

and so um you know the way i describe it

1208

00:48:36,230 --> 00:48:33,440

from what i understand is that if you

1209

00:48:38,230 --> 00:48:36,240

give a three-year-old a loaded gun

1210

00:48:40,870 --> 00:48:38,240

and they don't realize that it can kill

1211

00:48:43,030 --> 00:48:40,880

people you're in trouble so you've got

1212

00:48:46,069 --> 00:48:43,040

to upgrade the child and give it the

1213

00:48:47,910 --> 00:48:46,079

maturity to understand what it's dealing

1214

00:48:49,430 --> 00:48:47,920

with and this is what i think is going

1215

00:48:52,549 --> 00:48:49,440

on at the moment there's a

1216

00:48:54,549 --> 00:48:52,559

fast exponential upgrade program going

1217

00:48:57,349 --> 00:48:54,559

on and this is why these new children

1218

00:48:59,349 --> 00:48:57,359

are so aware and activated because they

1219

00:49:01,190 --> 00:48:59,359

know how it works they're already

1220

00:49:03,990 --> 00:49:01,200

interfacing with these beings which they

1221

00:49:06,870 --> 00:49:04,000

see as part of their family their star

1222

00:49:08,790 --> 00:49:06,880

family in many many cases and so that

1223

00:49:11,910 --> 00:49:08,800

they're coming in with these abilities

1224

00:49:14,390 --> 00:49:11,920

and awareness which is helping us

1225

00:49:15,990 --> 00:49:14,400

as we learn from them and this is what's

1226

00:49:17,750 --> 00:49:16,000

happening a lot of the parents are

1227

00:49:19,349 --> 00:49:17,760

learning from the kids

1228

00:49:21,109 --> 00:49:19,359

you know that we are part of the

1229

00:49:23,829 --> 00:49:21,119

consciousness but also part of a

1230

00:49:26,870 --> 00:49:23,839

galactic community and we need to grow

1231

00:49:28,870 --> 00:49:26,880

up and take responsibility for you know

1232

00:49:31,109 --> 00:49:28,880

what we're doing and this is part of

1233

00:49:33,270 --> 00:49:31,119

this exponential increase now in this

1234

00:49:34,950 --> 00:49:33,280

activation that's going on certainly

1235

00:49:37,109 --> 00:49:34,960

it's part of it it's probably not all of

1236

00:49:39,589 --> 00:49:37,119

it at all but it's it's certainly coming

1237

00:49:42,549 --> 00:49:39,599

out in i've worked with over 3 000

1238

00:49:44,309 --> 00:49:42,559

individuals globally and the parents and

1239

00:49:47,109 --> 00:49:44,319

and the children that are coming up and

1240

00:49:49,430 --> 00:49:47,119

this is what's coming out of this is why

1241

00:49:52,150 --> 00:49:49,440

they are so much more aware because

1242

00:49:54,390 --> 00:49:52,160

they're basically helping us to grow up

1243

00:49:56,630 --> 00:49:54,400

and mature spiritually psycho

1244

00:49:59,750 --> 00:49:56,640

spiritually if you like um in a way that

1245

00:50:01,750 --> 00:49:59,760

we can interact in a healthy balanced

1246

00:50:04,630 --> 00:50:01,760

and less aggressive way with our

1247

00:50:07,109 --> 00:50:04,640

galactic neighbours if you like now when

1248

00:50:08,630 --> 00:50:07,119

did you notice that these children were

1249

00:50:11,589 --> 00:50:08,640

coming forward and talking to their

1250

00:50:15,910 --> 00:50:11,599

parents how long ago would you say that

1251

00:50:21,030 --> 00:50:18,470

oh look i think that there's been

1252

00:50:23,589 --> 00:50:21,040

upgrades been going on for possibly the

1253

00:50:25,589 --> 00:50:23,599

last hundred years um and the older

1254

00:50:28,230 --> 00:50:25,599

generations had these abilities but

1255

00:50:29,910 --> 00:50:28,240

often they were squashed um because they

1256

00:50:32,549 --> 00:50:29,920

were told it wasn't real and not to

1257

00:50:35,270 --> 00:50:32,559

believe it but um the interesting thing

1258

00:50:37,510 --> 00:50:35,280

is that almost each generation from that

1259

00:50:40,309 --> 00:50:37,520

has been being able to just be that

1260

00:50:43,270 --> 00:50:40,319

little bit more aware or at least to

1261

00:50:45,190 --> 00:50:43,280

honor some of it um i was talking to a

1262

00:50:48,710 --> 00:50:45,200

uh 80 sorry

1263

00:50:50,630 --> 00:50:48,720

79 year old lady in in norway

1264

00:50:52,150 --> 00:50:50,640

and i spoke about the new children and

1265

00:50:53,990 --> 00:50:52,160

their abilities

1266

00:50:55,430 --> 00:50:54,000

and she said to me she came up to me

1267

00:50:57,349 --> 00:50:55,440

afterwards and said you're the very

1268

00:50:59,109 --> 00:50:57,359

first person in my life

1269

00:51:01,430 --> 00:50:59,119

that is actually spoken about all the

1270

00:51:03,430 --> 00:51:01,440

abilities that these new children can do

1271

00:51:05,750 --> 00:51:03,440

she said i've been able to do it all my

1272

00:51:07,990 --> 00:51:05,760

life i could call the sheep in with my

1273

00:51:09,829 --> 00:51:08,000

mind and nobody knew how i did it but

1274

00:51:11,750 --> 00:51:09,839

she said i'd never heard of anyone else

1275

00:51:14,470 --> 00:51:11,760

being able to do it i think what's

1276
00:51:17,270 --> 00:51:14,480
happened is that with the upgrades of

1277
00:51:19,030 --> 00:51:17,280
these two these each generation

1278
00:51:20,630 --> 00:51:19,040
more and more of the parents have been

1279
00:51:22,790 --> 00:51:20,640
more accepting because they've

1280
00:51:25,270 --> 00:51:22,800
experienced it but have not known what

1281
00:51:27,750 --> 00:51:25,280
to do with it or how to understand it

1282
00:51:29,589 --> 00:51:27,760
but because of the internet because

1283
00:51:31,510 --> 00:51:29,599
there's information going out there now

1284
00:51:33,349 --> 00:51:31,520
more and more recognizing this in their

1285
00:51:35,190 --> 00:51:33,359
children and instead of telling them

1286
00:51:36,790 --> 00:51:35,200
don't be silly when you say you're

1287
00:51:38,150 --> 00:51:36,800
seeing a little blue being or you're

1288
00:51:40,230 --> 00:51:38,160

seeing a little green being and they're

1289

00:51:41,990 --> 00:51:40,240

taking up on the spaceship they're not

1290

00:51:44,390 --> 00:51:42,000

telling them anymore don't be silly

1291

00:51:46,950 --> 00:51:44,400

don't talk about it as they may have

1292

00:51:48,390 --> 00:51:46,960

experienced from their parents stop stop

1293

00:51:51,349 --> 00:51:48,400

talking about this is adjust your

1294

00:51:53,829 --> 00:51:51,359

imagination don't be silly um because

1295

00:51:55,510 --> 00:51:53,839

these parents are allowing their child

1296

00:51:57,510 --> 00:51:55,520

to say look this is what i experienced

1297

00:51:59,670 --> 00:51:57,520

because in their heart they know that

1298

00:52:01,510 --> 00:51:59,680

this is a reality as well because

1299

00:52:02,790 --> 00:52:01,520

they've experienced it you're hearing

1300

00:52:04,870 --> 00:52:02,800

more and more now and people are

1301
00:52:07,109 --> 00:52:04,880
approaching me i'm getting emails from

1302
00:52:09,270 --> 00:52:07,119
parents from all over the globe telling

1303
00:52:11,910 --> 00:52:09,280
me what their young children are saying

1304
00:52:13,990 --> 00:52:11,920
and how they understand their reality

1305
00:52:15,589 --> 00:52:14,000
and that they're not from here and that

1306
00:52:17,670 --> 00:52:15,599
they some of them say look i just want

1307
00:52:18,390 --> 00:52:17,680
to go home i don't like this planet very

1308
00:52:19,910 --> 00:52:18,400
much

1309
00:52:21,990 --> 00:52:19,920
and the parents relate to it because

1310
00:52:23,910 --> 00:52:22,000
that was how they felt when they were

1311
00:52:26,150 --> 00:52:23,920
young kids but it was squashed or

1312
00:52:28,150 --> 00:52:26,160
conditioned out of them or programmed

1313
00:52:29,910 --> 00:52:28,160

out of them and so they're saying but i

1314

00:52:31,750 --> 00:52:29,920

don't want to do that with my children

1315

00:52:34,710 --> 00:52:31,760

so it's there have been waves and

1316

00:52:36,790 --> 00:52:34,720

generations of upgrades slowly coming to

1317

00:52:39,430 --> 00:52:36,800

the point where now we've got children

1318

00:52:41,190 --> 00:52:39,440

being born that are fully awake to who

1319

00:52:43,910 --> 00:52:41,200

they are why they've come

1320

00:52:46,230 --> 00:52:43,920

with the abilities the their you'd call

1321

00:52:50,069 --> 00:52:46,240

them psychic abilities intuition

1322

00:52:51,910 --> 00:52:50,079

telepathy precognition ability to a

1323

00:52:54,230 --> 00:52:51,920

certain telekinetic abilities for

1324

00:52:57,190 --> 00:52:54,240

example so they've got all these kinds

1325

00:52:59,990 --> 00:52:57,200

of what you know with considered gifts

1326

00:53:02,630 --> 00:53:00,000

but it is natural to them and the only

1327

00:53:05,030 --> 00:53:02,640

time that they will stop doing it is if

1328

00:53:06,470 --> 00:53:05,040

they're told it's not okay and if

1329

00:53:08,390 --> 00:53:06,480

they're told it's not okay then they

1330

00:53:09,829 --> 00:53:08,400

will stop doing it and they will dumb it

1331

00:53:12,390 --> 00:53:09,839

down

1332

00:53:14,710 --> 00:53:12,400

i come from a background of forensic

1333

00:53:17,589 --> 00:53:14,720

science and

1334

00:53:19,990 --> 00:53:17,599

as a police officer and also as a lawyer

1335

00:53:21,510 --> 00:53:20,000

we talk a lot about evidence we talk a

1336

00:53:23,510 --> 00:53:21,520

lot about circumstantial evidence

1337

00:53:25,750 --> 00:53:23,520

physical evidence all these different

1338

00:53:27,910 --> 00:53:25,760

types of things that tend to prove that

1339

00:53:30,230 --> 00:53:27,920

a certain thing is real and and that's

1340

00:53:31,349 --> 00:53:30,240

why quite frankly i i've come to the

1341

00:53:34,150 --> 00:53:31,359

subject

1342

00:53:37,270 --> 00:53:34,160

very uh reluctantly and very skeptically

1343

00:53:39,510 --> 00:53:37,280

and i i still maintain uh some level of

1344

00:53:42,630 --> 00:53:39,520

skepticism but having said that what

1345

00:53:43,829 --> 00:53:42,640

i've read in dr mack's book

1346

00:53:45,829 --> 00:53:43,839

is

1347

00:53:48,790 --> 00:53:45,839

what i found what i got out of it really

1348

00:53:52,069 --> 00:53:48,800

was that there was a series of

1349

00:53:56,950 --> 00:53:54,470

evidence that that came to light but it

1350

00:53:58,470 --> 00:53:56,960

was remarkably similar across different

1351
00:54:00,309 --> 00:53:58,480
people who had never communicated with

1352
00:54:02,309 --> 00:54:00,319
one another and

1353
00:54:04,470 --> 00:54:02,319
i still have to say that i remain

1354
00:54:07,030 --> 00:54:04,480
skeptical about this but

1355
00:54:08,870 --> 00:54:07,040
i have an open mind but

1356
00:54:10,790 --> 00:54:08,880
let me ask you this

1357
00:54:12,549 --> 00:54:10,800
what is it about this and i'm sure you

1358
00:54:14,309 --> 00:54:12,559
approached this when when you first

1359
00:54:15,829 --> 00:54:14,319
became aware of it with a healthy dose

1360
00:54:19,589 --> 00:54:15,839
of skepticism

1361
00:54:22,230 --> 00:54:19,599
what is a particular case that you have

1362
00:54:24,630 --> 00:54:22,240
uh uh have have treated or a person that

1363
00:54:25,670 --> 00:54:24,640

you have uh have interviewed

1364

00:54:29,430 --> 00:54:25,680

that

1365

00:54:32,230 --> 00:54:29,440

this can you give us some particulars on

1366

00:54:37,430 --> 00:54:35,109

oh gosh there are so many um i

1367

00:54:40,309 --> 00:54:37,440

absolutely understand where you're

1368

00:54:43,030 --> 00:54:40,319

coming from and you know i'm i'm the

1369

00:54:45,270 --> 00:54:43,040

next nurse midwife i do i deal with a

1370

00:54:47,750 --> 00:54:45,280

lot of tangibility in that reality and

1371

00:54:50,549 --> 00:54:47,760

what have you and i really wanted to be

1372

00:54:53,030 --> 00:54:50,559

clear that i wasn't getting carried away

1373

00:54:55,589 --> 00:54:53,040

and you say you're open-minded and i'm

1374

00:54:57,510 --> 00:54:55,599

open-minded but like you it doesn't

1375

00:54:58,950 --> 00:54:57,520

equate to gullibility

1376

00:55:01,270 --> 00:54:58,960

what i have done

1377

00:55:02,790 --> 00:55:01,280

with not only with the adults but with

1378

00:55:04,069 --> 00:55:02,800

the children too

1379

00:55:07,190 --> 00:55:04,079

is

1380

00:55:09,109 --> 00:55:07,200

seeing where they their their

1381

00:55:11,589 --> 00:55:09,119

information

1382

00:55:13,990 --> 00:55:11,599

can be corroborated for example as much

1383

00:55:15,190 --> 00:55:14,000

as possible and also try and see if i

1384

00:55:17,190 --> 00:55:15,200

can find

1385

00:55:18,309 --> 00:55:17,200

information through science through

1386

00:55:20,710 --> 00:55:18,319

other in

1387

00:55:22,950 --> 00:55:20,720

other knowledge that may corroborate

1388

00:55:25,349 --> 00:55:22,960

their information as well very very

1389

00:55:27,589 --> 00:55:25,359

important and i think you know everyone

1390

00:55:29,670 --> 00:55:27,599

should look at it from both angles

1391

00:55:32,950 --> 00:55:29,680

because you need to be able to have

1392

00:55:34,710 --> 00:55:32,960

something tangible here with it um but

1393

00:55:37,030 --> 00:55:34,720

i'll tell you something that was really

1394

00:55:39,270 --> 00:55:37,040

quite fascinating and it's to do with

1395

00:55:42,230 --> 00:55:39,280

the children again because if i get

1396

00:55:44,309 --> 00:55:42,240

information from one child i may very

1397

00:55:46,710 --> 00:55:44,319

well see if i can get similar

1398

00:55:49,589 --> 00:55:46,720

information from another and see if it's

1399

00:55:52,230 --> 00:55:49,599

it's the same kind of information

1400

00:55:54,630 --> 00:55:52,240

and this involves two young girls one

1401
00:55:58,309 --> 00:55:54,640
was seven and one was eight and the one

1402
00:56:00,789 --> 00:55:58,319
family um the mother and the daughter

1403
00:56:03,270 --> 00:56:00,799
uh had both experiences and the daughter

1404
00:56:04,390 --> 00:56:03,280
had got a symbol that she was shown on a

1405
00:56:06,549 --> 00:56:04,400
craft

1406
00:56:09,510 --> 00:56:06,559
when she visited she said she was taken

1407
00:56:10,789 --> 00:56:09,520
to mars and this symbol she had drawn

1408
00:56:13,910 --> 00:56:10,799
and she said i have a bit of an

1409
00:56:16,630 --> 00:56:13,920
understanding of it but i'd like to know

1410
00:56:20,630 --> 00:56:16,640
if anyone else has seen this symbol

1411
00:56:23,030 --> 00:56:20,640
so i took i took the drawing and i also

1412
00:56:24,710 --> 00:56:23,040
knew of another young lady with the

1413
00:56:26,870 --> 00:56:24,720

whole family had experiences and this

1414

00:56:28,549 --> 00:56:26,880

was in the u.s these families obviously

1415

00:56:30,470 --> 00:56:28,559

have never communicated and this is

1416

00:56:33,109 --> 00:56:30,480

really very important

1417

00:56:35,750 --> 00:56:33,119

and i sent the symbol and i said does

1418

00:56:37,990 --> 00:56:35,760

any of the the children and one was 12 a

1419

00:56:41,109 --> 00:56:38,000

little boy and one was an eight-year-old

1420

00:56:43,829 --> 00:56:41,119

girl and i said have seen this symbol or

1421

00:56:44,950 --> 00:56:43,839

have any idea of it or any sense of what

1422

00:56:48,390 --> 00:56:44,960

it is

1423

00:56:50,470 --> 00:56:48,400

and what was absolutely fascinating was

1424

00:56:52,309 --> 00:56:50,480

the little girl said yes

1425

00:56:55,270 --> 00:56:52,319

i've seen it when i was on a spaceship

1426
00:56:57,349 --> 00:56:55,280
when they took me to mars and it means

1427
00:56:59,670 --> 00:56:57,359
this this and this

1428
00:57:01,990 --> 00:56:59,680
and so it was absolutely fascinating

1429
00:57:04,950 --> 00:57:02,000
because i sent the information from that

1430
00:57:07,270 --> 00:57:04,960
family back to the first little

1431
00:57:09,750 --> 00:57:07,280
the girl and her mother and the little

1432
00:57:11,109 --> 00:57:09,760
girl said yes that was exactly what they

1433
00:57:13,829 --> 00:57:11,119
told me

1434
00:57:16,470 --> 00:57:13,839
now this was just one symbol

1435
00:57:19,910 --> 00:57:16,480
where there was no front loading there

1436
00:57:21,990 --> 00:57:19,920
was no information where she'd seen it

1437
00:57:24,470 --> 00:57:22,000
how she understood it or anything it was

1438
00:57:26,789 --> 00:57:24,480

primarily have you ever seen this from

1439

00:57:28,390 --> 00:57:26,799

the father who was very clear he's an

1440

00:57:30,549 --> 00:57:28,400

engineer and he was very clear that

1441

00:57:32,789 --> 00:57:30,559

there was absolutely no front loading

1442

00:57:36,150 --> 00:57:32,799

so you get things like that going on

1443

00:57:37,589 --> 00:57:36,160

which can be quite um amazing in the

1444

00:57:40,549 --> 00:57:37,599

sense of how

1445

00:57:42,950 --> 00:57:40,559

would that happen i have also talked to

1446

00:57:45,190 --> 00:57:42,960

children about their experiences on the

1447

00:57:47,349 --> 00:57:45,200

craft and what they've understood and

1448

00:57:49,910 --> 00:57:47,359

i've had adults say

1449

00:57:52,390 --> 00:57:49,920

the identical things about how they're

1450

00:57:55,109 --> 00:57:52,400

being taught how things are holographic

1451
00:57:57,030 --> 00:57:55,119
how they use their mind to create things

1452
00:57:59,990 --> 00:57:57,040
so many have talked about being shown

1453
00:58:02,549 --> 00:58:00,000
how to use their mind flying craft that

1454
00:58:04,470 --> 00:58:02,559
the the craft is conscious for example

1455
00:58:05,829 --> 00:58:04,480
and a lot of these people it's the very

1456
00:58:08,390 --> 00:58:05,839
first time

1457
00:58:10,230 --> 00:58:08,400
they've ever shared this and i always

1458
00:58:14,150 --> 00:58:10,240
remember and this was really profound

1459
00:58:17,030 --> 00:58:14,160
for me i it was a 59 year old man he was

1460
00:58:18,870 --> 00:58:17,040
australian man and he rang me up one day

1461
00:58:20,390 --> 00:58:18,880
and said i've had

1462
00:58:22,870 --> 00:58:20,400
experiences where i think are

1463
00:58:24,549 --> 00:58:22,880

extraterrestrial but i want to know a

1464

00:58:26,069 --> 00:58:24,559

little bit more and i sent him the

1465

00:58:27,829 --> 00:58:26,079

questionnaire

1466

00:58:29,589 --> 00:58:27,839

he phoned me back

1467

00:58:33,430 --> 00:58:29,599

in tears

1468

00:58:37,190 --> 00:58:33,440

he was so emotional and he said to me

1469

00:58:38,950 --> 00:58:37,200

how do you know about my life

1470

00:58:41,750 --> 00:58:38,960

because everything he'd read in that

1471

00:58:44,150 --> 00:58:41,760

questionnaire resonated with him to such

1472

00:58:46,150 --> 00:58:44,160

a profound degree it shocked him

1473

00:58:47,510 --> 00:58:46,160

and he said i've never spoken about this

1474

00:58:49,510 --> 00:58:47,520

to anyone

1475

00:58:51,670 --> 00:58:49,520

nobody knows this is my experience it's

1476

00:58:52,950 --> 00:58:51,680

the first time that i've ever even

1477

00:58:55,750 --> 00:58:52,960

explored it

1478

00:58:58,150 --> 00:58:55,760

so you get those kinds of reactions from

1479

00:59:00,870 --> 00:58:58,160

people and you know it leaves you in no

1480

00:59:04,230 --> 00:59:00,880

doubt that how profound this is for them

1481

00:59:06,789 --> 00:59:04,240

and yes many have the tangible marks on

1482

00:59:08,630 --> 00:59:06,799

the body um some have had implants taken

1483

00:59:10,870 --> 00:59:08,640

out and dr roger leah did

1484

00:59:13,030 --> 00:59:10,880

some wonderful pioneering work and i

1485

00:59:15,510 --> 00:59:13,040

mean he was a good friend of mine and

1486

00:59:17,270 --> 00:59:15,520

you know he he's taken out a number of

1487

00:59:20,390 --> 00:59:17,280

of the implants

1488

00:59:22,230 --> 00:59:20,400

knowing um through his investigations

1489

00:59:24,950 --> 00:59:22,240

that there were things about them that

1490

00:59:26,549 --> 00:59:24,960

couldn't be explained that there were

1491

00:59:28,789 --> 00:59:26,559

compositions of them that didn't look

1492

00:59:31,270 --> 00:59:28,799

they came from this planet and some of

1493

00:59:33,670 --> 00:59:31,280

them were highly magnetized etc so

1494

00:59:36,069 --> 00:59:33,680

you've got this you've got people

1495

00:59:37,270 --> 00:59:36,079

that find themselves outside with no

1496

00:59:40,309 --> 00:59:37,280

clothes

1497

00:59:45,990 --> 00:59:40,319

on and all the doors locked children

1498

00:59:48,710 --> 00:59:47,349

oh

1499

00:59:51,109 --> 00:59:48,720

we froze

1500

00:59:53,109 --> 00:59:51,119

uh hanging it there everyone looks like

1501
00:59:56,309 --> 00:59:53,119
it's a skype issue

1502
01:00:01,349 --> 00:59:56,319
and uh we will hang up on her and uh

1503
01:00:07,670 --> 01:00:02,470
okay

1504
01:00:22,549 --> 01:00:09,510
and

1505
01:00:26,390 --> 01:00:24,710
australia has terrible internet service

1506
01:00:28,390 --> 01:00:26,400
i'm told

1507
01:00:30,710 --> 01:00:28,400
the person whom you're trying to reach

1508
01:00:42,230 --> 01:00:30,720
is currently unavailable

1509
01:00:52,150 --> 01:00:45,349
so uh donnie we may be doing uh our two

1510
01:00:57,750 --> 01:00:54,789
uh as it is right now she uh skype is

1511
01:00:59,670 --> 01:00:57,760
not uh she's not picking up on skype

1512
01:01:01,910 --> 01:00:59,680
she may have lost anything there

1513
01:01:05,190 --> 01:01:01,920

yes yes i have heard a number of things

1514

01:01:07,109 --> 01:01:05,200

about uh the internet in uh australia

1515

01:01:09,349 --> 01:01:07,119

and we have another guest coming up in

1516

01:01:10,710 --> 01:01:09,359

australia in just a couple weeks ben

1517

01:01:13,589 --> 01:01:10,720

hurle

1518

01:01:14,789 --> 01:01:13,599

um a few other guests coming up i will

1519

01:01:17,190 --> 01:01:14,799

just read

1520

01:01:19,670 --> 01:01:17,200

while we're trying to get a hold of

1521

01:01:20,470 --> 01:01:19,680

of mary we have uh next week we have

1522

01:01:22,549 --> 01:01:20,480

john

1523

01:01:25,109 --> 01:01:22,559

de sousa he's a former

1524

01:01:27,349 --> 01:01:25,119

former uh fbi agent

1525

01:01:29,190 --> 01:01:27,359

oh mary

1526

01:01:30,710 --> 01:01:29,200

there you are you're back

1527

01:01:33,030 --> 01:01:30,720

all right

1528

01:01:35,190 --> 01:01:33,040

um thanks uh i don't know what happened

1529

01:01:38,150 --> 01:01:35,200

was it your internet that uh

1530

01:01:40,789 --> 01:01:38,160

do you have any idea i idea

1531

01:01:42,549 --> 01:01:40,799

it was working as far as i know but look

1532

01:01:46,390 --> 01:01:42,559

who can probably have no idea where you

1533

01:01:51,670 --> 01:01:48,470

um i'm not really i was talking about

1534

01:01:54,630 --> 01:01:51,680

the tangible markers

1535

01:01:56,789 --> 01:01:54,640

of experiences with the implants

1536

01:01:58,870 --> 01:01:56,799

um and this kind of thing which are very

1537

01:02:00,470 --> 01:01:58,880

important for people to understand that

1538

01:02:02,230 --> 01:02:00,480

they're having experiences and i think i

1539

01:02:03,670 --> 01:02:02,240

mentioned dr roger i don't know if you

1540

01:02:05,990 --> 01:02:03,680

recall that

1541

01:02:07,829 --> 01:02:06,000

yeah because those tangible markers have

1542

01:02:10,150 --> 01:02:07,839

been very important but also people

1543

01:02:12,470 --> 01:02:10,160

being found outside with all the doors

1544

01:02:14,870 --> 01:02:12,480

locked for example this kind of thing

1545

01:02:16,549 --> 01:02:14,880

the missing time episodes where they

1546

01:02:18,630 --> 01:02:16,559

can't um

1547

01:02:21,270 --> 01:02:18,640

qualify a couple of hours on their way

1548

01:02:23,430 --> 01:02:21,280

on a journey sometimes and have no idea

1549

01:02:24,870 --> 01:02:23,440

what happened all those kind of more

1550

01:02:25,910 --> 01:02:24,880

physical things

1551

01:02:28,069 --> 01:02:25,920

but what

1552

01:02:30,390 --> 01:02:28,079

is much harder to quantify and i really

1553

01:02:33,190 --> 01:02:30,400

understand you know from a 3d

1554

01:02:36,150 --> 01:02:33,200

perspective you know how do you quantify

1555

01:02:38,870 --> 01:02:36,160

the changes the psycho-spiritual changes

1556

01:02:40,710 --> 01:02:38,880

that people experience after contact and

1557

01:02:42,390 --> 01:02:40,720

this is really what the organization of

1558

01:02:46,390 --> 01:02:42,400

free is about because

1559

01:02:49,910 --> 01:02:46,400

with the having a model to explain how

1560

01:02:52,150 --> 01:02:49,920

you can access the hologram and your

1561

01:02:54,710 --> 01:02:52,160

multi-dimensional self through the the

1562

01:02:57,990 --> 01:02:54,720

quantum hologram allows us then to

1563

01:02:59,670 --> 01:02:58,000

explore that side of this experience in

1564

01:03:01,270 --> 01:02:59,680

a way that will give us better

1565

01:03:03,670 --> 01:03:01,280

understanding and

1566

01:03:06,069 --> 01:03:03,680

exploring consciousness really is what

1567

01:03:08,150 --> 01:03:06,079

we're talking about here because this is

1568

01:03:10,309 --> 01:03:08,160

how many people change it's their

1569

01:03:12,950 --> 01:03:10,319

consciousness that changes their whole

1570

01:03:15,349 --> 01:03:12,960

focus changes and when people say well

1571

01:03:18,230 --> 01:03:15,359

where is you know what is the evidence

1572

01:03:20,950 --> 01:03:18,240

the evidence is you don't change

1573

01:03:23,029 --> 01:03:20,960

in such an important transformative way

1574

01:03:25,109 --> 01:03:23,039

unless something real has happened

1575

01:03:27,109 --> 01:03:25,119

you know that someone who has maybe an

1576

01:03:29,589 --> 01:03:27,119

experience in their lives a profound

1577

01:03:31,589 --> 01:03:29,599

experience in their lives whether or not

1578

01:03:34,150 --> 01:03:31,599

it's a grief experience or whether it's

1579

01:03:36,549 --> 01:03:34,160

a spiritual experience they are changed

1580

01:03:38,309 --> 01:03:36,559

by it through that experience the exact

1581

01:03:41,349 --> 01:03:38,319

same thing happens

1582

01:03:43,750 --> 01:03:41,359

through these kinds of experiences and

1583

01:03:46,150 --> 01:03:43,760

also what goes with that and i know this

1584

01:03:48,630 --> 01:03:46,160

is going to sound maybe very weird to

1585

01:03:51,510 --> 01:03:48,640

some people listening to this they start

1586

01:03:53,750 --> 01:03:51,520

to do unusual things for example they

1587

01:03:55,990 --> 01:03:53,760

start to draw the beings that they've

1588

01:03:58,870 --> 01:03:56,000

seen for example they may find

1589

01:04:01,349 --> 01:03:58,880

themselves drawing strange writing

1590

01:04:04,309 --> 01:04:01,359

or scripts they may find themselves

1591

01:04:06,630 --> 01:04:04,319

doing strange geometric drawings or

1592

01:04:08,549 --> 01:04:06,640

symbols for example

1593

01:04:10,630 --> 01:04:08,559

others start to find themselves coming

1594

01:04:12,630 --> 01:04:10,640

out with unusual languages you know we

1595

01:04:15,670 --> 01:04:12,640

call these star languages

1596

01:04:17,349 --> 01:04:15,680

from simply their experiences now why do

1597

01:04:18,950 --> 01:04:17,359

people do this

1598

01:04:21,430 --> 01:04:18,960

from you don't do this from a

1599

01:04:23,510 --> 01:04:21,440

hallucination you don't do this from a

1600

01:04:25,589 --> 01:04:23,520

fantasy you're doing it because

1601
01:04:28,870 --> 01:04:25,599
something's happened to trigger

1602
01:04:31,029 --> 01:04:28,880
these unusual expressions after contact

1603
01:04:33,270 --> 01:04:31,039
why do people suddenly want to change

1604
01:04:35,430 --> 01:04:33,280
their lives completely and have a more

1605
01:04:38,150 --> 01:04:35,440
holistic lifestyle get interested in

1606
01:04:40,230 --> 01:04:38,160
healing get interested in the ecology

1607
01:04:44,390 --> 01:04:40,240
get interested in wanting to make a

1608
01:04:45,430 --> 01:04:44,400
difference from being you know 3d i'm

1609
01:04:48,309 --> 01:04:45,440
one of the

1610
01:04:52,870 --> 01:04:48,319
co-founders of free is a lawyer

1611
01:04:55,589 --> 01:04:52,880
very atheist lawyer very 3d until he had

1612
01:04:58,390 --> 01:04:55,599
a huge craft go over his house which his

1613
01:05:00,870 --> 01:04:58,400

wife and his daughter saw and and a

1614

01:05:03,750 --> 01:05:00,880

being that came his dog was dying was

1615

01:05:06,390 --> 01:05:03,760

very very sick and they saw this being

1616

01:05:09,109 --> 01:05:06,400

that actually healed the dog after this

1617

01:05:12,710 --> 01:05:09,119

experience you know ray hernandez is his

1618

01:05:15,349 --> 01:05:12,720

name now no longer interested in 3d he's

1619

01:05:18,630 --> 01:05:15,359

been fascinated with quantum physics and

1620

01:05:21,109 --> 01:05:18,640

was inspired to create with myself and

1621

01:05:23,750 --> 01:05:21,119

dr edgar mitchell and also dr rudy

1622

01:05:26,470 --> 01:05:23,760

shield free the organization of free

1623

01:05:29,109 --> 01:05:26,480

from that experience from having his

1624

01:05:31,029 --> 01:05:29,119

world turned upside down this is what i

1625

01:05:33,670 --> 01:05:31,039

mean you don't do if this is a

1626
01:05:34,870 --> 01:05:33,680
hallucination you don't actually want to

1627
01:05:37,430 --> 01:05:34,880
change your life

1628
01:05:39,589 --> 01:05:37,440
and that is an evidence of a reality you

1629
01:05:41,750 --> 01:05:39,599
know just as trauma can change the way

1630
01:05:44,710 --> 01:05:41,760
people react and people you know we've

1631
01:05:47,510 --> 01:05:44,720
got pstd um you know

1632
01:05:49,910 --> 01:05:47,520
after a traumatic experience people will

1633
01:05:51,430 --> 01:05:49,920
often have this as well of course if

1634
01:05:53,670 --> 01:05:51,440
they've been traumatized and they don't

1635
01:05:55,990 --> 01:05:53,680
know what's going on we'll also have

1636
01:05:58,150 --> 01:05:56,000
post-traumatic stress disorder as well

1637
01:05:59,990 --> 01:05:58,160
so it's evidence of a reality by the

1638
01:06:03,190 --> 01:06:00,000

mere fact that they have these

1639

01:06:07,109 --> 01:06:03,200
transformative changes and 85

1640

01:06:09,029 --> 01:06:07,119
of the 3000 plus that did this survey

1641

01:06:11,109 --> 01:06:09,039
said that they had psycho spiritual

1642

01:06:13,589 --> 01:06:11,119
changes everything changed in the way

1643

01:06:16,470 --> 01:06:13,599
that they saw the world they had a huge

1644

01:06:19,430 --> 01:06:16,480
paradigm shift they became more psychic

1645

01:06:21,430 --> 01:06:19,440
more aware on multiple levels

1646

01:06:23,270 --> 01:06:21,440
and it can be very scary because you

1647

01:06:25,270 --> 01:06:23,280
know one minute you're seeing the world

1648

01:06:26,390 --> 01:06:25,280
through this lens and the next minute

1649

01:06:28,390 --> 01:06:26,400
you're seeing the world

1650

01:06:30,549 --> 01:06:28,400
multi-dimensionally you're sensing

1651

01:06:32,470 --> 01:06:30,559

emotion you're sensing feeling you're

1652

01:06:34,309 --> 01:06:32,480

aware of what's going on another part of

1653

01:06:37,430 --> 01:06:34,319

the planet because you're able to access

1654

01:06:40,230 --> 01:06:37,440

it this is what occurs from these

1655

01:06:42,710 --> 01:06:40,240

experiences and there is your evidence

1656

01:06:45,270 --> 01:06:42,720

your evidence is from the transformative

1657

01:06:47,270 --> 01:06:45,280

effects of this experience and i know

1658

01:06:48,710 --> 01:06:47,280

that for a lot of people that's a hard

1659

01:06:51,670 --> 01:06:48,720

one to swallow but if they've looked

1660

01:06:53,829 --> 01:06:51,680

into ndes and near-death experiences any

1661

01:06:55,670 --> 01:06:53,839

of these kinds of experiences it's a

1662

01:06:57,349 --> 01:06:55,680

similar kind of psycho-spiritual

1663

01:06:58,950 --> 01:06:57,359

transformation this is the first time

1664

01:07:02,069 --> 01:06:58,960

i've ever heard

1665

01:07:05,109 --> 01:07:02,079

anyone mentioned anything about the uh

1666

01:07:07,190 --> 01:07:05,119

near-death experiences like propelling

1667

01:07:09,910 --> 01:07:07,200

um into what they think may be

1668

01:07:13,750 --> 01:07:09,920

abductions or whatever but uh going back

1669

01:07:16,549 --> 01:07:13,760

to something you said a few minutes ago

1670

01:07:19,829 --> 01:07:16,559

was something about this young child

1671

01:07:22,230 --> 01:07:19,839

saying that they were taken on mars and

1672

01:07:24,630 --> 01:07:22,240

right away like the red flags go up for

1673

01:07:26,230 --> 01:07:24,640

me if i hear something like that because

1674

01:07:28,710 --> 01:07:26,240

it kind of goes back to what the

1675

01:07:30,710 --> 01:07:28,720

contactees used to say

1676

01:07:32,309 --> 01:07:30,720

that they used to go to venus and mars

1677

01:07:34,069 --> 01:07:32,319

and all that but

1678

01:07:35,670 --> 01:07:34,079

i always wonder

1679

01:07:38,230 --> 01:07:35,680

why

1680

01:07:40,789 --> 01:07:38,240

any a being would take someone to a

1681

01:07:43,109 --> 01:07:40,799

planet that's basically uninhabitable

1682

01:07:47,270 --> 01:07:43,119

and what would the purpose be other than

1683

01:07:52,710 --> 01:07:49,829

very important question and one that

1684

01:07:54,150 --> 01:07:52,720

certainly challenged me too because

1685

01:07:56,390 --> 01:07:54,160

you know to hear that they're being

1686

01:07:58,630 --> 01:07:56,400

taken to other planets

1687

01:08:00,950 --> 01:07:58,640

and been shown things

1688

01:08:02,630 --> 01:08:00,960

what i understand is that

1689

01:08:04,870 --> 01:08:02,640

when they go up on the spacecraft

1690

01:08:07,190 --> 01:08:04,880

they're taught a great deal that we

1691

01:08:09,190 --> 01:08:07,200

don't understand you know one of the

1692

01:08:11,990 --> 01:08:09,200

young girls called it magic school and

1693

01:08:13,829 --> 01:08:12,000

they taught them about time and space

1694

01:08:15,589 --> 01:08:13,839

which is a funny kind of magic school

1695

01:08:18,390 --> 01:08:15,599

but what they're really saying is you

1696

01:08:20,709 --> 01:08:18,400

know this is to do with physics etc

1697

01:08:22,630 --> 01:08:20,719

what i seem to understand is not only

1698

01:08:25,030 --> 01:08:22,640

are they taken on craft where they have

1699

01:08:26,950 --> 01:08:25,040

lessons they're educated on the craft

1700

01:08:29,269 --> 01:08:26,960

and one of the little eight-year-olds

1701

01:08:31,030 --> 01:08:29,279

was telling me in this very office

1702

01:08:33,510 --> 01:08:31,040

when he explained to me that when he

1703

01:08:34,789 --> 01:08:33,520

goes up on the on the craft he goes up

1704

01:08:36,470 --> 01:08:34,799

there with a couple of his school

1705

01:08:39,510 --> 01:08:36,480

friends he doesn't know whether they

1706

01:08:41,990 --> 01:08:39,520

remember or not and he described being

1707

01:08:44,789 --> 01:08:42,000

in a room where there were other

1708

01:08:47,430 --> 01:08:44,799

human children and i said so when you

1709

01:08:49,749 --> 01:08:47,440

say human are there other children that

1710

01:08:51,669 --> 01:08:49,759

are not human he said yes and i said how

1711

01:08:53,030 --> 01:08:51,679

do you know he said well because their

1712

01:08:55,590 --> 01:08:53,040

eyes are different and they are

1713

01:08:56,789 --> 01:08:55,600

different and i said so what happens and

1714

01:08:58,470 --> 01:08:56,799

he just

1715

01:09:00,950 --> 01:08:58,480

he explained to me they use their

1716

01:09:03,430 --> 01:09:00,960

consciousness their mind to be taught

1717

01:09:05,990 --> 01:09:03,440

things and how to manipulate things with

1718

01:09:08,550 --> 01:09:06,000

their mind like you know telekinesis for

1719

01:09:10,149 --> 01:09:08,560

example and they are shown

1720

01:09:13,110 --> 01:09:10,159

you know what they can do with their

1721

01:09:15,189 --> 01:09:13,120

consciousness but they are also shown

1722

01:09:17,269 --> 01:09:15,199

you know more of of what happens in

1723

01:09:19,189 --> 01:09:17,279

space you know the the planets the

1724

01:09:21,269 --> 01:09:19,199

history of the planets

1725

01:09:25,110 --> 01:09:21,279

much of it that we don't understand when

1726

01:09:28,229 --> 01:09:25,120

i was talking to a um a 16 year old and

1727

01:09:30,789 --> 01:09:28,239

i said to him um he said i've got a past

1728

01:09:32,789 --> 01:09:30,799

life memory where i was on mars and he

1729

01:09:34,870 --> 01:09:32,799

said i can actually build interstellar

1730

01:09:36,709 --> 01:09:34,880

craft and i said well

1731

01:09:39,189 --> 01:09:36,719

how did you know was this because you

1732

01:09:41,430 --> 01:09:39,199

were taught on the spacecraft or you

1733

01:09:43,030 --> 01:09:41,440

have what some of them called downloaded

1734

01:09:45,430 --> 01:09:43,040

information

1735

01:09:47,349 --> 01:09:45,440

and he said no it's because i remember i

1736

01:09:48,470 --> 01:09:47,359

used to do that when i was on mars and

1737

01:09:51,269 --> 01:09:48,480

he was talking

1738

01:09:53,910 --> 01:09:51,279

about having a life on mars and so it

1739

01:09:55,990 --> 01:09:53,920

seems that they're taught also about the

1740

01:09:58,870 --> 01:09:56,000

civilizations were that were on other

1741

01:10:01,430 --> 01:09:58,880

planets and and being taught more of the

1742

01:10:04,390 --> 01:10:01,440

history that we don't know in our very

1743

01:10:06,470 --> 01:10:04,400

insular earth history where we're given

1744

01:10:09,110 --> 01:10:06,480

you know the snippets of what our own

1745

01:10:11,430 --> 01:10:09,120

history is um they're being taught a

1746

01:10:13,110 --> 01:10:11,440

galactic history and this is part of the

1747

01:10:15,590 --> 01:10:13,120

reason they're shown these different

1748

01:10:17,350 --> 01:10:15,600

planets and what's on them and how to

1749

01:10:19,189 --> 01:10:17,360

understand them so it's they're being

1750

01:10:22,070 --> 01:10:19,199

taught literally more of an

1751

01:10:24,790 --> 01:10:22,080

understanding of the nature of every

1752

01:10:28,310 --> 01:10:24,800

species not just humans i you know if

1753

01:10:29,669 --> 01:10:28,320

that makes sense and fascinating it is

1754

01:10:31,189 --> 01:10:29,679

that that you know there's not just one

1755

01:10:33,590 --> 01:10:31,199

or two of them that talk about being

1756

01:10:35,990 --> 01:10:33,600

shown these different planets or going

1757

01:10:38,229 --> 01:10:36,000

interdimensionally these are many

1758

01:10:40,709 --> 01:10:38,239

hundreds now that have said the same

1759

01:10:43,350 --> 01:10:40,719

thing to me and they say the problem is

1760

01:10:45,750 --> 01:10:43,360

that you know for most of humans they've

1761

01:10:47,669 --> 01:10:45,760

got no idea how can you tell them this

1762

01:10:49,830 --> 01:10:47,679

how can you explain to them this is what

1763

01:10:51,350 --> 01:10:49,840

you are aware of or you've been shown

1764

01:10:53,430 --> 01:10:51,360

because most people just shake their

1765

01:10:56,630 --> 01:10:53,440

head and say oh you know you're crazy or

1766

01:10:59,750 --> 01:10:56,640

whatever so that's the problem you know

1767

01:11:02,870 --> 01:10:59,760

we are being exposed to all of this data

1768

01:11:05,350 --> 01:11:02,880

but we are conditioned and programmed so

1769

01:11:07,350 --> 01:11:05,360

heavily that it's really hard to own

1770

01:11:10,070 --> 01:11:07,360

that maybe just maybe

1771

01:11:13,189 --> 01:11:10,080

some of this may have integrity this

1772

01:11:15,830 --> 01:11:13,199

this may actually be what's going on and

1773

01:11:17,669 --> 01:11:15,840

until we start to at least be open to

1774

01:11:19,510 --> 01:11:17,679

hearing it we don't have to believe it

1775

01:11:21,350 --> 01:11:19,520

all but we at least can be open to

1776

01:11:23,270 --> 01:11:21,360

hearing what they have to say

1777

01:11:25,189 --> 01:11:23,280

maybe we'll get a better idea of what's

1778

01:11:27,350 --> 01:11:25,199

really going on rather than saying oh

1779

01:11:29,830 --> 01:11:27,360

well i can't take that on that's just

1780

01:11:30,630 --> 01:11:29,840

too weird as soon as we do that we shut

1781

01:11:32,470 --> 01:11:30,640

down

1782

01:11:33,830 --> 01:11:32,480

our understanding and i think we're

1783

01:11:35,030 --> 01:11:33,840

being

1784

01:11:37,910 --> 01:11:35,040

challenged

1785

01:11:40,070 --> 01:11:37,920

to open to the possibilities even if we

1786

01:11:41,189 --> 01:11:40,080

don't take them on board at this moment

1787

01:11:43,110 --> 01:11:41,199

in time

1788

01:11:44,229 --> 01:11:43,120

one of the things that i saw

1789

01:11:47,910 --> 01:11:44,239

in

1790

01:11:49,189 --> 01:11:47,920

excuse me

1791

01:11:55,750 --> 01:11:49,199

was

1792

01:11:59,590 --> 01:11:55,760

to perform an examination on on human

1793

01:12:03,189 --> 01:11:59,600

beings in this situation and it was

1794

01:12:08,709 --> 01:12:03,199

drawn by two different people that dr

1795

01:12:10,709 --> 01:12:08,719

mack was interviewing or or he was uh

1796

01:12:12,149 --> 01:12:10,719

that he was counseling and they came up

1797

01:12:13,110 --> 01:12:12,159

with the same

1798

01:12:15,189 --> 01:12:13,120

almost

1799

01:12:17,350 --> 01:12:15,199

identical drawing and identical scenario

1800

01:12:18,870 --> 01:12:17,360

and how this this thing was used

1801

01:12:20,229 --> 01:12:18,880

these people didn't know each other

1802

01:12:21,430 --> 01:12:20,239

these people were from different parts

1803

01:12:22,390 --> 01:12:21,440

of the country

1804

01:12:25,189 --> 01:12:22,400

this

1805

01:12:27,910 --> 01:12:25,199

type of thing had not entered into the

1806

01:12:30,630 --> 01:12:27,920

popular uh

1807

01:12:32,390 --> 01:12:30,640

into the popular discussion really

1808

01:12:33,910 --> 01:12:32,400

of these type of events

1809

01:12:36,229 --> 01:12:33,920

so really

1810

01:12:38,310 --> 01:12:36,239

it's remarkable in the sense that two

1811

01:12:41,030 --> 01:12:38,320

different people come up draw the same

1812

01:12:43,189 --> 01:12:41,040

object from different parts of the world

1813

01:12:45,430 --> 01:12:43,199

and describe the object being used in

1814

01:12:48,070 --> 01:12:45,440

the way that it was so i guess that's

1815

01:12:51,270 --> 01:12:48,080

kind of a way to to ask you you would

1816

01:12:53,030 --> 01:12:51,280

mention two children who have drawn the

1817

01:12:54,070 --> 01:12:53,040

same type of symbol

1818

01:12:57,510 --> 01:12:54,080

could you

1819

01:13:05,110 --> 01:13:01,590

it was almost like um a t it was um but

1820

01:13:07,110 --> 01:13:05,120

more um cuboid if you like um like this

1821

01:13:09,350 --> 01:13:07,120

but i found that

1822

01:13:10,870 --> 01:13:09,360

same correlations with some adults with

1823

01:13:13,990 --> 01:13:10,880

some of the symbols because that's been

1824

01:13:14,950 --> 01:13:14,000

an area that i've been fascinated by is

1825

01:13:17,189 --> 01:13:14,960

how can

1826

01:13:19,990 --> 01:13:17,199

if someone is saying this is you know

1827

01:13:22,790 --> 01:13:20,000

what i'm being shown or this is a symbol

1828

01:13:25,350 --> 01:13:22,800

or this is whatever it is if i get

1829

01:13:26,790 --> 01:13:25,360

others that have no connection to one

1830

01:13:29,430 --> 01:13:26,800

another and of course you as a

1831

01:13:31,590 --> 01:13:29,440

researcher you're very careful about you

1832

01:13:32,550 --> 01:13:31,600

know there's not any cross-contamination

1833

01:13:34,149 --> 01:13:32,560

or whatever

1834

01:13:36,390 --> 01:13:34,159

and you get

1835

01:13:37,990 --> 01:13:36,400

drawings of the craft you get different

1836

01:13:40,229 --> 01:13:38,000

beings what they wear whether they've

1837

01:13:42,550 --> 01:13:40,239

got symbols on them or whatever if you

1838

01:13:44,709 --> 01:13:42,560

can see that you've got two three four

1839

01:13:46,550 --> 01:13:44,719

or five that are all doing the same

1840

01:13:49,270 --> 01:13:46,560

thing then it really gives it a

1841

01:13:50,790 --> 01:13:49,280

tangibility and it's exactly the same

1842

01:13:53,270 --> 01:13:50,800

with some of the things they may say

1843

01:13:54,950 --> 01:13:53,280

about what they experience um when you

1844

01:13:56,550 --> 01:13:54,960

talked about this

1845

01:13:57,350 --> 01:13:56,560

kind of object

1846

01:13:58,470 --> 01:13:57,360

um

1847

01:14:00,470 --> 01:13:58,480

that

1848

01:14:03,030 --> 01:14:00,480

you know was doing a kind of healing

1849

01:14:05,430 --> 01:14:03,040

procedure or some kind of thing i've had

1850

01:14:07,430 --> 01:14:05,440

children draw a particular object

1851

01:14:09,430 --> 01:14:07,440

you know very similar to that saying

1852

01:14:12,229 --> 01:14:09,440

this one was like a scientist i remember

1853

01:14:14,630 --> 01:14:12,239

this 13 year old from canada doing a

1854

01:14:17,110 --> 01:14:14,640

drawing of this being and holding this

1855

01:14:19,189 --> 01:14:17,120

object and saying he was a scientist and

1856

01:14:21,270 --> 01:14:19,199

it was all to do with dna

1857

01:14:23,669 --> 01:14:21,280

so he was aware that it was connected to

1858

01:14:25,510 --> 01:14:23,679

dna and and that that was one of the

1859

01:14:27,990 --> 01:14:25,520

instruments and he said it it actually

1860

01:14:30,310 --> 01:14:28,000

helped it wasn't like a gun or anything

1861

01:14:32,070 --> 01:14:30,320

it said it helped you put you to sleep

1862

01:14:34,709 --> 01:14:32,080

so he was aware it was like it acted

1863

01:14:36,470 --> 01:14:34,719

like an anesthetic or whatever it was

1864

01:14:39,510 --> 01:14:36,480

for example so they often have an

1865

01:14:42,229 --> 01:14:39,520

understanding of what these things are

1866

01:14:45,350 --> 01:14:42,239

very very important that if i can

1867

01:14:47,750 --> 01:14:45,360

qualify in some way or corroborate in

1868

01:14:50,550 --> 01:14:47,760

some way the stories of the children

1869

01:14:53,189 --> 01:14:50,560

then absolutely it's it's it's it helps

1870

01:14:55,750 --> 01:14:53,199

us all then to you know open our mind to

1871

01:14:57,750 --> 01:14:55,760

the possibilities and whatever and i've

1872

01:14:59,510 --> 01:14:57,760

through my you know my book particularly

1873

01:15:01,590 --> 01:14:59,520

my second book with the children you

1874

01:15:03,110 --> 01:15:01,600

know i've done my best to corroborate as

1875

01:15:05,270 --> 01:15:03,120

much as i can

1876

01:15:07,750 --> 01:15:05,280

similar stories or or similar

1877

01:15:11,669 --> 01:15:07,760

understanding but the the bottom line is

1878

01:15:14,470 --> 01:15:11,679

for me you know that really gives me um

1879

01:15:16,149 --> 01:15:14,480

heart with this is the number of emails

1880

01:15:17,830 --> 01:15:16,159

when i've done presentations and i've

1881

01:15:19,669 --> 01:15:17,840

shown some of this material where

1882

01:15:21,910 --> 01:15:19,679

somebody said that's been exactly what i

1883

01:15:24,149 --> 01:15:21,920

saw or that was exactly what i

1884

01:15:26,709 --> 01:15:24,159

experienced or that was how i understood

1885

01:15:29,110 --> 01:15:26,719

it and the fact that it's resonating

1886

01:15:31,030 --> 01:15:29,120

with more and more people as far as i'm

1887

01:15:33,590 --> 01:15:31,040

concerned is the most important thing of

1888

01:15:35,750 --> 01:15:33,600

all i'm not out to prove anything i mean

1889

01:15:37,830 --> 01:15:35,760

who am i i'm a researcher i'm primarily

1890

01:15:40,630 --> 01:15:37,840

a therapist you know i want to help

1891

01:15:42,390 --> 01:15:40,640

people to understand and cope with

1892

01:15:43,510 --> 01:15:42,400

what's going on with them someone who's

1893

01:15:46,390 --> 01:15:43,520

going to listen

1894

01:15:48,310 --> 01:15:46,400

not judge and allow them to explore

1895

01:15:50,870 --> 01:15:48,320

what's been going on for them with as

1896

01:15:52,310 --> 01:15:50,880

much openness as they need that to be

1897

01:15:54,229 --> 01:15:52,320

they need someone to listen without

1898

01:15:55,590 --> 01:15:54,239

saying oh well i can't believe that oh

1899

01:15:56,870 --> 01:15:55,600

well when you just said that i can't

1900

01:15:58,709 --> 01:15:56,880

believe that as soon as you do that you

1901

01:16:01,350 --> 01:15:58,719

shut them down how are we going to find

1902

01:16:03,350 --> 01:16:01,360

out if we don't give them that open slab

1903

01:16:06,070 --> 01:16:03,360

of that open mandate to at least say

1904

01:16:08,470 --> 01:16:06,080

this is how i understand my experiences

1905

01:16:10,630 --> 01:16:08,480

and then with the information that you

1906

01:16:12,790 --> 01:16:10,640

can offer them you may be able to offer

1907

01:16:14,390 --> 01:16:12,800

corroboration with certain aspects of

1908

01:16:16,950 --> 01:16:14,400

their experience and then it's up to

1909

01:16:19,350 --> 01:16:16,960

them whether they take on board

1910

01:16:20,870 --> 01:16:19,360

and believe and understand it or if they

1911

01:16:22,630 --> 01:16:20,880

say look it's all too hard i'd rather

1912

01:16:24,470 --> 01:16:22,640

not you know you know

1913

01:16:26,149 --> 01:16:24,480

believe any more of this even if i know

1914

01:16:28,630 --> 01:16:26,159

i've experienced it i'm not cool with it

1915

01:16:30,630 --> 01:16:28,640

or whatever it really is up to them my

1916

01:16:32,550 --> 01:16:30,640

job is just to collate the information

1917

01:16:35,270 --> 01:16:32,560

i'm not there to judge it i'm there just

1918

01:16:37,030 --> 01:16:35,280

to tell the story and say you know

1919

01:16:39,590 --> 01:16:37,040

this is how i've come you know this is

1920

01:16:41,830 --> 01:16:39,600

what i've been told um this but i can

1921

01:16:43,510 --> 01:16:41,840

corroborate with someone else

1922

01:16:45,430 --> 01:16:43,520

at the end of the day it's up to the

1923

01:16:47,350 --> 01:16:45,440

person reading the story or listening to

1924

01:16:48,950 --> 01:16:47,360

the story to make up their own mind

1925

01:16:51,510 --> 01:16:48,960

whether or not this makes sense to them

1926

01:16:53,270 --> 01:16:51,520

on or resonates with them or not i'm you

1927

01:16:55,510 --> 01:16:53,280

know i'm not here to prove anything to

1928

01:16:58,310 --> 01:16:55,520

anybody that's not my job my job is to

1929

01:16:59,990 --> 01:16:58,320

just produce the research that i have

1930

01:17:01,430 --> 01:17:00,000

and let people make up their own mind

1931

01:17:03,189 --> 01:17:01,440

because ultimately that's all that

1932

01:17:04,870 --> 01:17:03,199

matters yeah you're right uh people do

1933

01:17:07,270 --> 01:17:04,880

shut down as soon as you

1934

01:17:09,669 --> 01:17:07,280

um as soon as you don't believe them and

1935

01:17:12,229 --> 01:17:09,679

you you know listening is really

1936

01:17:14,229 --> 01:17:12,239

important i think um i've seen that

1937

01:17:16,070 --> 01:17:14,239

happen before as far as people shutting

1938

01:17:16,870 --> 01:17:16,080

down if

1939

01:17:18,149 --> 01:17:16,880

now

1940

01:17:20,310 --> 01:17:18,159

donna on the

1941

01:17:22,630 --> 01:17:20,320

message board wanted to know what is the

1942

01:17:26,709 --> 01:17:22,640

difference between the indigo children

1943

01:17:30,550 --> 01:17:28,709

very good question and i

1944

01:17:33,350 --> 01:17:30,560

in my book the new human i actually

1945

01:17:35,350 --> 01:17:33,360

address the indi what metaphysicians are

1946

01:17:36,790 --> 01:17:35,360

calling indigos crystal children

1947

01:17:39,030 --> 01:17:36,800

children of light

1948

01:17:41,189 --> 01:17:39,040

golden children all those ones they're

1949

01:17:43,110 --> 01:17:41,199

noticing difference in behaviors they're

1950

01:17:46,470 --> 01:17:43,120

noticing difference in attitude and

1951

01:17:49,030 --> 01:17:46,480

personality in those particular labels

1952

01:17:51,830 --> 01:17:49,040

what they're not taking on board and

1953

01:17:53,990 --> 01:17:51,840

this is what i have seen is when you

1954

01:17:57,189 --> 01:17:54,000

bring in the extraterrestrial

1955

01:17:59,110 --> 01:17:57,199

aspect of that what what we're seeing is

1956

01:18:00,709 --> 01:17:59,120

that these are another name for the

1957

01:18:02,870 --> 01:18:00,719

upgrades

1958

01:18:05,750 --> 01:18:02,880

but i will say what you bring in with

1959

01:18:07,910 --> 01:18:05,760

that are those that we call adhd

1960

01:18:09,350 --> 01:18:07,920

always dialed into higher dimensions for

1961

01:18:11,910 --> 01:18:09,360

example

1962

01:18:14,709 --> 01:18:11,920

asperger's i think dyslexia is another

1963

01:18:16,470 --> 01:18:14,719

program i think some forms of autism are

1964

01:18:18,149 --> 01:18:16,480

another program because the autistic

1965

01:18:20,470 --> 01:18:18,159

children they're discovering now are

1966

01:18:22,229 --> 01:18:20,480

telepathic many of them are telepathic

1967

01:18:24,709 --> 01:18:22,239

and there's some really credible

1968

01:18:26,390 --> 01:18:24,719

research that's showing that that a lot

1969

01:18:28,870 --> 01:18:26,400

of the autistic children happen to be

1970

01:18:30,709 --> 01:18:28,880

telepathic and happen to be accessing

1971

01:18:32,790 --> 01:18:30,719

more of a multi-dimensional reality and

1972

01:18:34,630 --> 01:18:32,800

that is why they struggle um because

1973

01:18:37,510 --> 01:18:34,640

we're trying to put them into a smaller

1974

01:18:41,110 --> 01:18:37,520

box of 3d and they struggle with that

1975

01:18:43,189 --> 01:18:41,120

the same goes for those the adhd that

1976

01:18:47,510 --> 01:18:43,199

they're operating at a faster speed if

1977

01:18:49,750 --> 01:18:47,520

you like and to give you um a a bit

1978

01:18:50,550 --> 01:18:49,760

from a more tangible way of looking at

1979

01:18:53,750 --> 01:18:50,560

this

1980

01:18:56,870 --> 01:18:53,760

dr brown molecular biologists said the

1981

01:18:59,350 --> 01:18:56,880

exponential increase in autistic add

1982

01:19:01,430 --> 01:18:59,360

indigo children they have new genetic

1983

01:19:03,750 --> 01:19:01,440

architecture which allows them to see

1984

01:19:05,990 --> 01:19:03,760

the world in a multi-dimensional fashion

1985

01:19:09,030 --> 01:19:06,000

he believes research would show dormant

1986

01:19:11,270 --> 01:19:09,040

genetic regions are being re-integrated

1987

01:19:13,110 --> 01:19:11,280

into the biological systems and

1988

01:19:15,430 --> 01:19:13,120

occurring in all of us to produce

1989

01:19:17,430 --> 01:19:15,440

expanded awareness their brains work

1990

01:19:19,270 --> 01:19:17,440

faster they have access to more

1991

01:19:21,030 --> 01:19:19,280

information in the beginning in the

1992

01:19:23,430 --> 01:19:21,040

classroom learning is much faster than

1993

01:19:25,669 --> 01:19:23,440

normal and he says i believe they

1994

01:19:28,310 --> 01:19:25,679

already know what's being taught there's

1995

01:19:29,510 --> 01:19:28,320

more of that that he he says about these

1996

01:19:34,790 --> 01:19:29,520

new

1997

01:19:36,390 --> 01:19:34,800

human dr lena olsen also a molecular

1998

01:19:39,030 --> 01:19:36,400

biologist in sweden

1999

01:19:41,270 --> 01:19:39,040

calls them letter people um and she's

2000

01:19:44,229 --> 01:19:41,280

she's she says that she's one as well

2001

01:19:46,310 --> 01:19:44,239

and she's adhd stroke slightly autistic

2002

01:19:49,030 --> 01:19:46,320

or whatever and she's saying you know

2003

01:19:51,270 --> 01:19:49,040

even their sensitivities they they hear

2004

01:19:53,910 --> 01:19:51,280

at a broader range of hearing their

2005

01:19:55,669 --> 01:19:53,920

visual um their visual uh spectrum is

2006

01:19:58,470 --> 01:19:55,679

broader as well so they're seeing and

2007

01:20:01,030 --> 01:19:58,480

sensing more um even the sensitivity on

2008

01:20:03,430 --> 01:20:01,040

their their skin so this is why they

2009

01:20:05,270 --> 01:20:03,440

react in the way that they do and how

2010

01:20:07,830 --> 01:20:05,280

they struggle to be

2011

01:20:10,229 --> 01:20:07,840

focused in 3d because it's a lot slower

2012

01:20:12,470 --> 01:20:10,239

in 3d and they're having to

2013

01:20:14,550 --> 01:20:12,480

shut themselves down to be able to even

2014

01:20:16,709 --> 01:20:14,560

concentrate because they're operating

2015

01:20:19,910 --> 01:20:16,719

all the way all up here and i've had

2016

01:20:22,070 --> 01:20:19,920

educators contact me i've had along with

2017

01:20:24,709 --> 01:20:22,080

parents saying everything you're saying

2018

01:20:26,950 --> 01:20:24,719

is identical to what my child is

2019

01:20:28,709 --> 01:20:26,960

experiencing and there are many

2020

01:20:31,590 --> 01:20:28,719

educators out there that know this is

2021

01:20:33,350 --> 01:20:31,600

going on and i'm in touch with them who

2022

01:20:35,189 --> 01:20:33,360

are actually telling me they've they

2023

01:20:38,229 --> 01:20:35,199

believe there has to be a new way of

2024

01:20:41,189 --> 01:20:38,239

teaching a new kind of curriculum for

2025

01:20:43,750 --> 01:20:41,199

these new new programs of human which

2026

01:20:45,189 --> 01:20:43,760

are being assisted by these

2027

01:20:47,350 --> 01:20:45,199

intelligences

2028

01:20:49,430 --> 01:20:47,360

they believe and certainly the children

2029

01:20:51,030 --> 01:20:49,440

seem to understand their connection with

2030

01:20:53,750 --> 01:20:51,040

these beings which they're interfacing

2031

01:20:55,270 --> 01:20:53,760

with and and and talk about their their

2032

01:20:57,750 --> 01:20:55,280

they'll call them their teachers or

2033

01:20:59,430 --> 01:20:57,760

their guides and one may be blue and one

2034

01:21:01,510 --> 01:20:59,440

may be green and they're teaching them

2035

01:21:04,390 --> 01:21:01,520

information they don't learn in their

2036

01:21:06,070 --> 01:21:04,400

schools here so people can take this for

2037

01:21:08,470 --> 01:21:06,080

what they you know they can believe it

2038

01:21:10,229 --> 01:21:08,480

or not but this is what i'm finding and

2039

01:21:12,950 --> 01:21:10,239

this is why i've written what i've

2040

01:21:16,950 --> 01:21:12,960

written because it seems to be a global

2041

01:21:18,390 --> 01:21:16,960

phenomenon now i know in the westall

2042

01:21:21,750 --> 01:21:18,400

uh incident

2043

01:21:23,910 --> 01:21:21,760

that um there wasn't any uh supposed

2044

01:21:26,310 --> 01:21:23,920

abductions or anything like that but ed

2045

01:21:28,950 --> 01:21:26,320

um in the message board wanted to know

2046

01:21:30,950 --> 01:21:28,960

have you ever researched that uh

2047

01:21:33,350 --> 01:21:30,960

westall school case

2048

01:21:35,510 --> 01:21:33,360

and uh how had it

2049

01:21:36,310 --> 01:21:35,520

uh and the good question in this i think

2050

01:21:39,430 --> 01:21:36,320

is

2051
01:21:42,470 --> 01:21:39,440
if so how had that impacted the children

2052
01:21:44,790 --> 01:21:42,480
later in life

2053
01:21:47,350 --> 01:21:44,800
it's a very good question i'm very i'm

2054
01:21:49,590 --> 01:21:47,360
up to date with the westall um

2055
01:21:51,110 --> 01:21:49,600
incident and shane who put the

2056
01:21:54,229 --> 01:21:51,120
documentary out

2057
01:21:56,709 --> 01:21:54,239
i have only heard of one person

2058
01:21:58,310 --> 01:21:56,719
that um you know the outcome for them

2059
01:22:01,430 --> 01:21:58,320
was profound

2060
01:22:03,030 --> 01:22:01,440
but i haven't ever spoken to any others

2061
01:22:04,950 --> 01:22:03,040
and it was it is something i would

2062
01:22:07,030 --> 01:22:04,960
really like to know because i do know

2063
01:22:10,790 --> 01:22:07,040

the one that was investigated by dr john

2064

01:22:13,189 --> 01:22:10,800

mack in zimbabwe um where they also saw

2065

01:22:16,390 --> 01:22:13,199

a craft and describe the beings many of

2066

01:22:19,270 --> 01:22:16,400

those as adults have shifted and changed

2067

01:22:21,590 --> 01:22:19,280

in terms of from that contact or that

2068

01:22:23,910 --> 01:22:21,600

seeing that craft or whatever i there's

2069

01:22:25,990 --> 01:22:23,920

also been one in the solomon islands

2070

01:22:29,110 --> 01:22:26,000

that was similar to that as well and i

2071

01:22:31,590 --> 01:22:29,120

believe there was one over in california

2072

01:22:34,070 --> 01:22:31,600

um another gentleman told me about so

2073

01:22:35,750 --> 01:22:34,080

they are it does seem to be schools can

2074

01:22:38,229 --> 01:22:35,760

sometimes be

2075

01:22:40,709 --> 01:22:38,239

you know have this kind of thing happen

2076

01:22:42,870 --> 01:22:40,719

but certainly it does seem that with

2077

01:22:44,629 --> 01:22:42,880

westall i've heard at least one case

2078

01:22:47,669 --> 01:22:44,639

although i haven't worked with

2079

01:22:49,750 --> 01:22:47,679

where they had shifts and chains after

2080

01:22:51,750 --> 01:22:49,760

uh seeing the craft and it would

2081

01:22:54,070 --> 01:22:51,760

wouldn't surprise me in the slightest

2082

01:22:56,950 --> 01:22:54,080

because what i've also discovered is

2083

01:22:59,350 --> 01:22:56,960

that when someone sees a craft and they

2084

01:23:00,149 --> 01:22:59,360

may think it's only for a few minutes in

2085

01:23:01,510 --> 01:23:00,159

fact

2086

01:23:03,110 --> 01:23:01,520

being on the craft they may have

2087

01:23:04,870 --> 01:23:03,120

actually been picked up

2088

01:23:07,510 --> 01:23:04,880

or they may have had a downloading of

2089

01:23:09,510 --> 01:23:07,520

information and being totally unaware

2090

01:23:11,830 --> 01:23:09,520

consciously that that's gone on because

2091

01:23:13,590 --> 01:23:11,840

when people write to me with sightings

2092

01:23:15,430 --> 01:23:13,600

often i'll say to them did you feel

2093

01:23:17,430 --> 01:23:15,440

differently afterwards and they'll

2094

01:23:19,830 --> 01:23:17,440

they'll write back and say well actually

2095

01:23:21,990 --> 01:23:19,840

yes i did and that usually means there's

2096

01:23:24,310 --> 01:23:22,000

been an interaction because when they go

2097

01:23:27,189 --> 01:23:24,320

up on the craft of course they have this

2098

01:23:29,189 --> 01:23:27,199

ability to stretch time um so that you

2099

01:23:31,110 --> 01:23:29,199

think you've been gone you know you

2100

01:23:32,790 --> 01:23:31,120

think that it's been an instant thing or

2101
01:23:34,310 --> 01:23:32,800
you've just seen it for a few minutes

2102
01:23:36,310 --> 01:23:34,320
but actually you may have been on the

2103
01:23:38,070 --> 01:23:36,320
craft for much longer and not realized

2104
01:23:39,030 --> 01:23:38,080
it because that seems to be an ability

2105
01:23:41,750 --> 01:23:39,040
they have

2106
01:23:44,310 --> 01:23:41,760
to stretch time um when you're actually

2107
01:23:45,830 --> 01:23:44,320
on on the craft itself all these things

2108
01:23:47,750 --> 01:23:45,840
we you know are so

2109
01:23:50,470 --> 01:23:47,760
a way out of our understanding of

2110
01:23:52,070 --> 01:23:50,480
physics but then again you know i think

2111
01:23:53,990 --> 01:23:52,080
that's what we've got to realize too

2112
01:23:56,149 --> 01:23:54,000
that we really don't know what we don't

2113
01:23:57,990 --> 01:23:56,159

know and we don't know what's possible

2114

01:23:59,990 --> 01:23:58,000

or impossible and the only way we're

2115

01:24:02,470 --> 01:24:00,000

going to find out is listening and

2116

01:24:05,030 --> 01:24:02,480

hearing from these experiences in your

2117

01:24:07,030 --> 01:24:05,040

practice have you encountered unrelated

2118

01:24:10,229 --> 01:24:07,040

people whether they're children

2119

01:24:13,270 --> 01:24:10,239

or adults that have been

2120

01:24:15,750 --> 01:24:13,280

abducted or or they've been they've been

2121

01:24:17,189 --> 01:24:15,760

experienced at the same time something

2122

01:24:19,750 --> 01:24:17,199

along the lines of

2123

01:24:21,590 --> 01:24:19,760

what was uh alleged to have occurred in

2124

01:24:24,709 --> 01:24:21,600

the allagash just north of us here in

2125

01:24:27,110 --> 01:24:24,719

maine it's a very famous case but i'm

2126

01:24:30,390 --> 01:24:27,120

kind of interested in in

2127

01:24:34,390 --> 01:24:30,400

unrelated adults or children that tell a

2128

01:24:38,310 --> 01:24:36,310

as well i can tell you that i mean

2129

01:24:39,750 --> 01:24:38,320

there's lots of others where families go

2130

01:24:41,430 --> 01:24:39,760

up and they go into different parts of

2131

01:24:42,550 --> 01:24:41,440

the spacecraft and they will describe it

2132

01:24:45,270 --> 01:24:42,560

from different

2133

01:24:47,270 --> 01:24:45,280

different angles if you like from their

2134

01:24:50,070 --> 01:24:47,280

perspective the child describing it the

2135

01:24:51,990 --> 01:24:50,080

adult describing it um where they were

2136

01:24:54,550 --> 01:24:52,000

taken or and there's lots of those kinds

2137

01:24:56,830 --> 01:24:54,560

of cases there was one which was in the

2138

01:24:59,350 --> 01:24:56,840

blue mountains where a group of

2139

01:25:01,030 --> 01:24:59,360

investigators um went because they

2140

01:25:03,430 --> 01:25:01,040

believe as a base there

2141

01:25:05,030 --> 01:25:03,440

um and also

2142

01:25:08,310 --> 01:25:05,040

had some interaction which they think

2143

01:25:10,390 --> 01:25:08,320

was with a yowie as well but they um

2144

01:25:13,110 --> 01:25:10,400

they asked me um

2145

01:25:15,110 --> 01:25:13,120

to when i went to give a talk in their

2146

01:25:17,590 --> 01:25:15,120

their group whether i would regress them

2147

01:25:19,430 --> 01:25:17,600

all that had gone on that trip because

2148

01:25:20,950 --> 01:25:19,440

they want they knew something strange

2149

01:25:23,270 --> 01:25:20,960

had happened they were aware there was

2150

01:25:24,790 --> 01:25:23,280

high strangeness and they deliberately

2151
01:25:27,590 --> 01:25:24,800
not talked about it because they knew i

2152
01:25:29,510 --> 01:25:27,600
was coming and they wanted to get their

2153
01:25:31,830 --> 01:25:29,520
individual understanding so that we

2154
01:25:34,550 --> 01:25:31,840
could ultimately put it all together and

2155
01:25:36,870 --> 01:25:34,560
see if it correlated if you like and it

2156
01:25:37,830 --> 01:25:36,880
was fascinating how each one had their

2157
01:25:39,910 --> 01:25:37,840
own

2158
01:25:42,550 --> 01:25:39,920
awareness of being taken they were taken

2159
01:25:44,470 --> 01:25:42,560
to a base they were shown various things

2160
01:25:45,990 --> 01:25:44,480
and each one was able to describe it

2161
01:25:48,229 --> 01:25:46,000
from their perspective but the

2162
01:25:49,910 --> 01:25:48,239
correlations were amazing about what

2163
01:25:51,510 --> 01:25:49,920

they'd seen what beings they'd seen

2164

01:25:52,950 --> 01:25:51,520

where they'd been put

2165

01:25:54,470 --> 01:25:52,960

and how they'd seen it from their

2166

01:25:56,870 --> 01:25:54,480

particular perspective

2167

01:25:57,910 --> 01:25:56,880

and it was because they were researchers

2168

01:25:59,830 --> 01:25:57,920

themselves

2169

01:26:01,590 --> 01:25:59,840

there was no front loading with any of

2170

01:26:03,189 --> 01:26:01,600

them they really wanted to find out

2171

01:26:05,350 --> 01:26:03,199

whether or not it was the same

2172

01:26:08,229 --> 01:26:05,360

experience or not so there are things

2173

01:26:10,149 --> 01:26:08,239

like this going on all the time which

2174

01:26:12,790 --> 01:26:10,159

you know are wonderful for us as

2175

01:26:15,189 --> 01:26:12,800

researchers because there we are getting

2176

01:26:17,270 --> 01:26:15,199

that kind of um

2177

01:26:19,590 --> 01:26:17,280

you know that that's that understanding

2178

01:26:21,590 --> 01:26:19,600

that it really is a reality when you've

2179

01:26:23,990 --> 01:26:21,600

got that kind that when you've got those

2180

01:26:26,709 --> 01:26:24,000

correlating stories or whatever so you

2181

01:26:30,070 --> 01:26:26,719

know it how how it's verified or

2182

01:26:32,550 --> 01:26:30,080

whatever so yes it is my answer to that

2183

01:26:33,910 --> 01:26:32,560

and and it i've had them what two people

2184

01:26:35,750 --> 01:26:33,920

who were friends in different parts of

2185

01:26:37,830 --> 01:26:35,760

the country both aware they're on the

2186

01:26:41,030 --> 01:26:37,840

same night they've been taken up and

2187

01:26:43,110 --> 01:26:41,040

then um being you know having

2188

01:26:44,709 --> 01:26:43,120

it from their perspective but also

2189

01:26:46,709 --> 01:26:44,719

knowing that they were taken up on the

2190

01:26:49,030 --> 01:26:46,719

same craft and living in different parts

2191

01:26:49,750 --> 01:26:49,040

of the country for example this as well

2192

01:26:51,430 --> 01:26:49,760

so

2193

01:26:53,830 --> 01:26:51,440

there's lots and lots of stories like

2194

01:26:56,229 --> 01:26:53,840

that i mean it's it it you know i find

2195

01:26:59,110 --> 01:26:56,239

it absolutely incredible how

2196

01:27:00,709 --> 01:26:59,120

how that can happen and how amazing it

2197

01:27:02,870 --> 01:27:00,719

is your uh

2198

01:27:05,030 --> 01:27:02,880

your survey that you send to people have

2199

01:27:07,990 --> 01:27:05,040

you ever weeded out

2200

01:27:09,830 --> 01:27:08,000

let's say someone that was a wannabe you

2201

01:27:12,310 --> 01:27:09,840

know they wanted to be

2202

01:27:14,709 --> 01:27:12,320

i mean there must be those people too

2203

01:27:17,030 --> 01:27:14,719

are there

2204

01:27:19,110 --> 01:27:17,040

um not as many as you think i'm often

2205

01:27:20,790 --> 01:27:19,120

when i do the media you know newspapers

2206

01:27:22,070 --> 01:27:20,800

and radio and whatever they always

2207

01:27:23,830 --> 01:27:22,080

wanting to know you know are these

2208

01:27:25,990 --> 01:27:23,840

people just self-seeking

2209

01:27:26,870 --> 01:27:26,000

wanting to have their own fantasy and

2210

01:27:29,110 --> 01:27:26,880

you know

2211

01:27:31,110 --> 01:27:29,120

all the rest of it and this is my answer

2212

01:27:32,709 --> 01:27:31,120

i have people flying over from america

2213

01:27:34,790 --> 01:27:32,719

from the uk from

2214

01:27:36,070 --> 01:27:34,800

italy and malaysia as well as uh

2215

01:27:37,990 --> 01:27:36,080

domestically

2216

01:27:39,830 --> 01:27:38,000

and uh you know if they're flying all

2217

01:27:41,750 --> 01:27:39,840

that way to come and see me

2218

01:27:43,350 --> 01:27:41,760

they're not coming to tell me a fantasy

2219

01:27:45,030 --> 01:27:43,360

they're coming because they really want

2220

01:27:47,110 --> 01:27:45,040

to know stuff and they really want to

2221

01:27:48,709 --> 01:27:47,120

know about their experiences i'm not

2222

01:27:50,390 --> 01:27:48,719

going to make them famous i'm not going

2223

01:27:52,070 --> 01:27:50,400

to you know put their name up in lights

2224

01:27:53,990 --> 01:27:52,080

they're going to get no money from me

2225

01:27:56,470 --> 01:27:54,000

nothing they're coming because they need

2226

01:28:00,550 --> 01:27:56,480

to tell their story so there's actually

2227

01:28:03,510 --> 01:28:00,560

to be honest i would think zero 00.5 is

2228

01:28:06,149 --> 01:28:03,520

probably the the the person that really

2229

01:28:08,229 --> 01:28:06,159

desperately may try and make up a story

2230

01:28:11,189 --> 01:28:08,239

but you know you can you can suss them

2231

01:28:13,350 --> 01:28:11,199

out very very quickly i've been in this

2232

01:28:15,990 --> 01:28:13,360

you know for over 20 years there are

2233

01:28:18,390 --> 01:28:16,000

classic indicators not all of them are

2234

01:28:21,270 --> 01:28:18,400

out there you can soon tell if someone's

2235

01:28:23,669 --> 01:28:21,280

just wanting this to be their experience

2236

01:28:26,550 --> 01:28:23,679

and what have you um so

2237

01:28:27,990 --> 01:28:26,560

it's very very minimal most people

2238

01:28:30,550 --> 01:28:28,000

really they just want to know they're

2239

01:28:32,310 --> 01:28:30,560

not crazy um and they just want to make

2240

01:28:34,390 --> 01:28:32,320

sure that they're not leading themselves

2241

01:28:36,470 --> 01:28:34,400

on down do you know the most skeptical

2242

01:28:39,030 --> 01:28:36,480

and i know most people don't realize

2243

01:28:41,590 --> 01:28:39,040

this the most skeptical of all are often

2244

01:28:43,110 --> 01:28:41,600

the experiences themselves because they

2245

01:28:45,590 --> 01:28:43,120

want to prove to themselves they're not

2246

01:28:47,669 --> 01:28:45,600

crazy and that is more important to them

2247

01:28:49,270 --> 01:28:47,679

and then any kind of fame or fortune

2248

01:28:50,870 --> 01:28:49,280

which most of them anyway would rather

2249

01:28:53,270 --> 01:28:50,880

not i mean if you're a lawyer or you're

2250

01:28:55,750 --> 01:28:53,280

a doctor or if you're a psychiatrist or

2251

01:28:58,149 --> 01:28:55,760

a psychologist the last thing you want

2252

01:29:00,629 --> 01:28:58,159

actually is to be having experiences you

2253

01:29:02,709 --> 01:29:00,639

can't explain through your own um

2254

01:29:04,470 --> 01:29:02,719

background or whatever or professionally

2255

01:29:06,870 --> 01:29:04,480

and i need all of them i'm meeting

2256

01:29:08,629 --> 01:29:06,880

scientists you know with you know

2257

01:29:10,149 --> 01:29:08,639

several phds or whatever who are

2258

01:29:11,750 --> 01:29:10,159

experiences and saying you know there's

2259

01:29:14,550 --> 01:29:11,760

no way in the world i can come out and

2260

01:29:17,910 --> 01:29:14,560

say this is my experience and yet this

2261

01:29:19,830 --> 01:29:17,920

is what is going on so most of the time

2262

01:29:21,750 --> 01:29:19,840

they're questioning and they're hoping

2263

01:29:23,750 --> 01:29:21,760

it's not true rather than actually

2264

01:29:24,550 --> 01:29:23,760

trying to create it because what are

2265

01:29:27,189 --> 01:29:24,560

they going to get they're going to

2266

01:29:28,790 --> 01:29:27,199

people laughing at them mocking them you

2267

01:29:30,629 --> 01:29:28,800

know telling them they need to take

2268

01:29:32,229 --> 01:29:30,639

lithium or there's something wrong with

2269

01:29:33,430 --> 01:29:32,239

them they are not going to get their

2270

01:29:35,510 --> 01:29:33,440

name in lights and they're certainly not

2271

01:29:38,310 --> 01:29:35,520

going to get any money so why would they

2272

01:29:40,310 --> 01:29:38,320

so for most so i know it's a long way of

2273

01:29:42,470 --> 01:29:40,320

saying this but most of the time they're

2274

01:29:44,070 --> 01:29:42,480

people with very real experiences right

2275

01:29:47,350 --> 01:29:44,080

um it sounds like someone's trying to

2276

01:29:49,750 --> 01:29:47,360

contact you on skype um uh keep hearing

2277

01:29:51,830 --> 01:29:49,760

uh something come in oh do you want me

2278

01:29:53,189 --> 01:29:51,840

to put

2279

01:29:54,709 --> 01:29:53,199

notifications but i don't know if you

2280

01:29:56,870 --> 01:29:54,719

can do that while while we're going

2281

01:29:59,830 --> 01:29:56,880

along here um

2282

01:30:01,990 --> 01:29:59,840

so i've said this before on some of the

2283

01:30:03,590 --> 01:30:02,000

shows if this type of thing was

2284

01:30:06,229 --> 01:30:03,600

happening to me

2285

01:30:08,629 --> 01:30:06,239

like i thought i was having you know

2286

01:30:10,470 --> 01:30:08,639

these experiences i don't i don't think

2287

01:30:12,229 --> 01:30:10,480

i could function

2288

01:30:14,950 --> 01:30:12,239

uh it just seems like it would be

2289

01:30:17,189 --> 01:30:14,960

all-consuming and i don't think i could

2290

01:30:19,430 --> 01:30:17,199

like have a normal job or a normal life

2291

01:30:22,470 --> 01:30:19,440

in any type of way how do these people

2292

01:30:27,590 --> 01:30:25,189

with difficulty to start with

2293

01:30:29,910 --> 01:30:27,600

primarily because of the confusion of

2294

01:30:31,030 --> 01:30:29,920

what the hell is going on am i going

2295

01:30:32,709 --> 01:30:31,040

crazy

2296

01:30:33,510 --> 01:30:32,719

who's going to believe me

2297

01:30:38,149 --> 01:30:33,520

um

2298

01:30:40,629 --> 01:30:38,159

i'm i'm

2299

01:30:42,709 --> 01:30:40,639

i have a friend who's a geneticist and

2300

01:30:44,790 --> 01:30:42,719

you know for the first nine months of

2301

01:30:48,310 --> 01:30:44,800

his experiences and after seeing you

2302

01:30:50,470 --> 01:30:48,320

know a man being in his his bedroom um

2303

01:30:53,030 --> 01:30:50,480

and having all these strange high

2304

01:30:55,189 --> 01:30:53,040

strangeness experiences and downloads he

2305

01:30:56,550 --> 01:30:55,199

went to a psychiatrist and it was quite

2306

01:30:58,550 --> 01:30:56,560

certain that he was going around the

2307

01:31:00,149 --> 01:30:58,560

bend um it was only when the

2308

01:31:01,750 --> 01:31:00,159

psychiatrist couldn't really give him

2309

01:31:04,149 --> 01:31:01,760

any answers and was just offering him

2310

01:31:06,709 --> 01:31:04,159

medication he decided to look into it

2311

01:31:08,470 --> 01:31:06,719

from other levels and and and eventually

2312

01:31:10,629 --> 01:31:08,480

i remember the first time he came to see

2313

01:31:12,229 --> 01:31:10,639

me and he said you know he said it was

2314

01:31:14,950 --> 01:31:12,239

great talking to you mary but i was

2315

01:31:17,270 --> 01:31:14,960

pretty certain you were bonkers um and

2316

01:31:19,830 --> 01:31:17,280

it wasn't till some time later when he

2317

01:31:22,310 --> 01:31:19,840

did his own traveling around and more

2318

01:31:23,830 --> 01:31:22,320

investigations he finally came to the

2319

01:31:26,149 --> 01:31:23,840

the conclusion that he had to go down

2320

01:31:28,550 --> 01:31:26,159

the rabbit hole um so you know the

2321

01:31:30,790 --> 01:31:28,560

reason i wrote the book awakening was as

2322

01:31:33,510 --> 01:31:30,800

a process for people who are questioning

2323

01:31:35,590 --> 01:31:33,520

their sanity and it was how do you know

2324

01:31:37,590 --> 01:31:35,600

you're not crazy these are the reasons

2325

01:31:39,830 --> 01:31:37,600

you know you're not crazy what do you do

2326

01:31:41,510 --> 01:31:39,840

about the fear who can you go to who

2327

01:31:42,950 --> 01:31:41,520

isn't going to you know who's going to

2328

01:31:45,189 --> 01:31:42,960

support you

2329

01:31:47,910 --> 01:31:45,199

what do you do when you start having you

2330

01:31:50,229 --> 01:31:47,920

know pre-cognitive information or you

2331

01:31:52,390 --> 01:31:50,239

feel that you know stuff or if you're

2332

01:31:54,149 --> 01:31:52,400

you know your psychic abilities start to

2333

01:31:56,070 --> 01:31:54,159

see energies or you start to see orbs or

2334

01:31:57,830 --> 01:31:56,080

you start to see beings in your lounge

2335

01:32:00,470 --> 01:31:57,840

in your lounge room what do you do about

2336

01:32:02,550 --> 01:32:00,480

that how do you manage that and so

2337

01:32:05,350 --> 01:32:02,560

people go through this process of

2338

01:32:07,430 --> 01:32:05,360

confusion and conflict maybe for some

2339

01:32:09,590 --> 01:32:07,440

it's many months before they get to a

2340

01:32:11,750 --> 01:32:09,600

point where you know what this seems to

2341

01:32:13,750 --> 01:32:11,760

be a reality seems to be happening i

2342

01:32:15,830 --> 01:32:13,760

can't run away from it let me try and

2343

01:32:18,229 --> 01:32:15,840

understand it and that's when they start

2344

01:32:19,750 --> 01:32:18,239

going crazy you know with looking all

2345

01:32:22,470 --> 01:32:19,760

the information on the internet they

2346

01:32:24,629 --> 01:32:22,480

absolutely bombard themselves with all

2347

01:32:27,669 --> 01:32:24,639

this stuff so that they could start to

2348

01:32:29,750 --> 01:32:27,679

get a handle on where it fits for them

2349

01:32:31,590 --> 01:32:29,760

and that is it can be all-consuming for

2350

01:32:33,830 --> 01:32:31,600

months or even for some people even

2351

01:32:36,390 --> 01:32:33,840

years till the point comes when there's

2352

01:32:37,750 --> 01:32:36,400

an acceptance well you know what i think

2353

01:32:39,669 --> 01:32:37,760

it's real i don't care what anybody else

2354

01:32:41,110 --> 01:32:39,679

thinks anymore it's what's happening

2355

01:32:44,070 --> 01:32:41,120

it's what's going on and there's an

2356

01:32:45,750 --> 01:32:44,080

integration and acceptance and then they

2357

01:32:47,189 --> 01:32:45,760

come into a better place they know that

2358

01:32:49,510 --> 01:32:47,199

most people aren't going to believe them

2359

01:32:51,669 --> 01:32:49,520

so that's okay i just don't talk to them

2360

01:32:53,990 --> 01:32:51,679

about this i talk to people who do

2361

01:32:55,510 --> 01:32:54,000

understand and then you get the networks

2362

01:32:57,830 --> 01:32:55,520

and the buddy systems and all those

2363

01:33:00,550 --> 01:32:57,840

kinds of things and then a lot of them

2364

01:33:02,390 --> 01:33:00,560

open up to communication they start to

2365

01:33:04,070 --> 01:33:02,400

interface with the beings and asking

2366

01:33:05,830 --> 01:33:04,080

them questions and getting an

2367

01:33:08,390 --> 01:33:05,840

understanding and then they get more

2368

01:33:09,510 --> 01:33:08,400

into the contact type of thing where

2369

01:33:12,229 --> 01:33:09,520

they're actually doing this

2370

01:33:13,510 --> 01:33:12,239

communication and they just accept that

2371

01:33:15,910 --> 01:33:13,520

there are a lot of people out there that

2372

01:33:17,910 --> 01:33:15,920

don't get it are uninformed and don't

2373

01:33:19,990 --> 01:33:17,920

believe it it's frustrating it's even

2374

01:33:21,830 --> 01:33:20,000

hard if your partner struggles with it

2375

01:33:24,070 --> 01:33:21,840

or your family struggles with it or your

2376

01:33:26,390 --> 01:33:24,080

kids struggle with it but many people

2377

01:33:28,550 --> 01:33:26,400

are saying but i can't deny it anymore

2378

01:33:30,310 --> 01:33:28,560

this is my reality this is this is how i

2379

01:33:32,310 --> 01:33:30,320

am and you know the ones that step out

2380

01:33:34,550 --> 01:33:32,320

the space closet as i call it you know

2381

01:33:38,070 --> 01:33:34,560

dr lena olsen is one of them i mean it's

2382

01:33:39,669 --> 01:33:38,080

huge in sweden to come out as a as a phd

2383

01:33:43,110 --> 01:33:39,679

a scientist and say this is my

2384

01:33:44,950 --> 01:33:43,120

experience i've just had um in my i've

2385

01:33:47,189 --> 01:33:44,960

written about her story in my book a

2386

01:33:49,510 --> 01:33:47,199

medical doctor in melbourne who's come

2387

01:33:51,590 --> 01:33:49,520

out of the closet and said you know what

2388

01:33:54,070 --> 01:33:51,600

whether you believe me or not this is my

2389

01:33:56,229 --> 01:33:54,080

experience now i've had experience of

2390

01:33:58,629 --> 01:33:56,239

interacting with these galactic beings

2391

01:34:01,189 --> 01:33:58,639

and she's she's standing tall and you

2392

01:34:02,790 --> 01:34:01,199

know her family thinks she's crazy

2393

01:34:05,590 --> 01:34:02,800

and she's dealing you know she's married

2394

01:34:08,629 --> 01:34:05,600

to a a surgeon who thinks she's gone

2395

01:34:10,229 --> 01:34:08,639

around the bend um but they they get to

2396

01:34:11,669 --> 01:34:10,239

a point where they can't deny it anymore

2397

01:34:13,510 --> 01:34:11,679

and they're just standing tall and

2398

01:34:17,189 --> 01:34:13,520

saying whether you like it or not this

2399

01:34:19,350 --> 01:34:17,199

is my experience now this is how i am

2400

01:34:20,310 --> 01:34:19,360

you can take it or leave it and i think

2401

01:34:22,229 --> 01:34:20,320

this is

2402

01:34:24,149 --> 01:34:22,239

what's happening more and more now is

2403

01:34:25,990 --> 01:34:24,159

that people are saying you know what you

2404

01:34:27,830 --> 01:34:26,000

can you can think i'm around the bend

2405

01:34:30,390 --> 01:34:27,840

this is how it is for me and this is

2406

01:34:32,709 --> 01:34:30,400

what makes sense for me but it's huge

2407

01:34:34,870 --> 01:34:32,719

it's absolutely huge because if you're a

2408

01:34:36,709 --> 01:34:34,880

lawyer or you're a doctor as i say or

2409

01:34:39,110 --> 01:34:36,719

one of these professions where you're

2410

01:34:40,790 --> 01:34:39,120

looked to as being reasonably credible

2411

01:34:43,110 --> 01:34:40,800

and here you know policemen the number

2412

01:34:45,510 --> 01:34:43,120

of policemen that have had experiences i

2413

01:34:48,229 --> 01:34:45,520

mean gary hesseltine in england has is a

2414

01:34:51,910 --> 01:34:48,239

police detective that now runs the ufo

2415

01:34:53,430 --> 01:34:51,920

magazine there um ufo truth magazine

2416

01:34:56,950 --> 01:34:53,440

because he's had over a thousand

2417

01:34:59,669 --> 01:34:56,960

policemen who've had experiences or um

2418

01:35:01,910 --> 01:34:59,679

seen craft or whatever and he started

2419

01:35:04,229 --> 01:35:01,920

out collating all of that and now he's

2420

01:35:05,110 --> 01:35:04,239

running a ufo magazine

2421

01:35:07,510 --> 01:35:05,120

um

2422

01:35:10,149 --> 01:35:07,520

which goes global about you know people

2423

01:35:12,229 --> 01:35:10,159

with their experiences many many of you

2424

01:35:14,709 --> 01:35:12,239

know pilots all these

2425

01:35:16,870 --> 01:35:14,719

we see as credible people are having

2426

01:35:18,550 --> 01:35:16,880

these experiences and many of them are

2427

01:35:20,870 --> 01:35:18,560

too afraid to come out because of their

2428

01:35:22,870 --> 01:35:20,880

professions but there are some brave

2429

01:35:25,030 --> 01:35:22,880

souls that are actually doing it because

2430

01:35:27,590 --> 01:35:25,040

they know that it's changed their lives

2431

01:35:29,430 --> 01:35:27,600

and it's real and this is this is the

2432

01:35:32,629 --> 01:35:29,440

the issue at the moment isn't it the

2433

01:35:35,350 --> 01:35:32,639

truth embargo where most of the public

2434

01:35:37,270 --> 01:35:35,360

still is uninformed and this is this is

2435

01:35:39,030 --> 01:35:37,280

the problem until

2436

01:35:40,229 --> 01:35:39,040

enough people come out that people can

2437

01:35:41,110 --> 01:35:40,239

believe

2438

01:35:42,870 --> 01:35:41,120

then

2439

01:35:45,110 --> 01:35:42,880

we're stuck with this conundrum aren't

2440

01:35:47,350 --> 01:35:45,120

we that you know we're talking about

2441

01:35:50,310 --> 01:35:47,360

this but everybody says oh yeah you know

2442

01:35:52,790 --> 01:35:50,320

but a bit too weird for me right

2443

01:35:55,510 --> 01:35:52,800

the three of us are products of

2444

01:35:57,669 --> 01:35:55,520

english-speaking western culture and i

2445

01:36:00,550 --> 01:35:57,679

think a lot of the cases that we that

2446

01:36:02,950 --> 01:36:00,560

you discuss with us tonight seem to be

2447

01:36:05,510 --> 01:36:02,960

english-speaking western culture i'm

2448

01:36:06,870 --> 01:36:05,520

kind of curious to see what variations

2449

01:36:09,430 --> 01:36:06,880

that you've seen

2450

01:36:10,550 --> 01:36:09,440

with respect to people who claim this

2451
01:36:13,910 --> 01:36:10,560
experience

2452
01:36:18,229 --> 01:36:13,920
who are perhaps uh hindu

2453
01:36:19,510 --> 01:36:18,239
or or buddhist or or even even

2454
01:36:21,350 --> 01:36:19,520
muslim

2455
01:36:22,550 --> 01:36:21,360
what what variations do you see among

2456
01:36:25,430 --> 01:36:22,560
those different

2457
01:36:27,510 --> 01:36:25,440
faith groups

2458
01:36:30,070 --> 01:36:27,520
it's really culture and religious

2459
01:36:32,390 --> 01:36:30,080
beliefs um i've

2460
01:36:34,229 --> 01:36:32,400
got a lovely young man in india who

2461
01:36:36,709 --> 01:36:34,239
wrote to me in fact i've written his

2462
01:36:37,750 --> 01:36:36,719
story there's a new magazine in india

2463
01:36:41,110 --> 01:36:37,760

called

2464

01:36:42,870 --> 01:36:41,120

ufo india or indian ufo magazine it's

2465

01:36:45,030 --> 01:36:42,880

only been out i think they're on their

2466

01:36:46,310 --> 01:36:45,040

third edition which i sent the story and

2467

01:36:49,030 --> 01:36:46,320

i called it a

2468

01:36:51,430 --> 01:36:49,040

an indian starseed because this young

2469

01:36:54,790 --> 01:36:51,440

man wrote to me and said my biggest

2470

01:36:58,390 --> 01:36:54,800

issue in my culture mary is i know i'm

2471

01:37:00,870 --> 01:36:58,400

not from here i know that i'm um

2472

01:37:03,189 --> 01:37:00,880

i i you know i've come to this planet

2473

01:37:06,950 --> 01:37:03,199

from somewhere else he said but all my

2474

01:37:09,189 --> 01:37:06,960

culture and the religious beliefs here

2475

01:37:11,510 --> 01:37:09,199

that they are calling gods and he says

2476
01:37:13,510 --> 01:37:11,520
there's about a million gods in india he

2477
01:37:16,070 --> 01:37:13,520
said and they all worship them but he

2478
01:37:18,550 --> 01:37:16,080
said my understanding and my knowing is

2479
01:37:20,550 --> 01:37:18,560
they're all extraterrestrials um and

2480
01:37:23,109 --> 01:37:20,560
they're worshiping extraterrestrials and

2481
01:37:24,950 --> 01:37:23,119
it really really upsets him and he said

2482
01:37:27,669 --> 01:37:24,960
and the biggest problem is that with my

2483
01:37:29,830 --> 01:37:27,679
own even my own family and friends i

2484
01:37:32,070 --> 01:37:29,840
can't tell them that that's what it is

2485
01:37:34,550 --> 01:37:32,080
as far as my understanding is these

2486
01:37:37,270 --> 01:37:34,560
these gods that they're worshiping are

2487
01:37:39,510 --> 01:37:37,280
literally extraterrestrials so his

2488
01:37:40,550 --> 01:37:39,520

that's his dilemma his cultural

2489

01:37:42,950 --> 01:37:40,560

spiritual

2490

01:37:46,390 --> 01:37:42,960

dilemma is that he has a knowing that

2491

01:37:48,870 --> 01:37:46,400

that's not what it is i've also met um

2492

01:37:51,669 --> 01:37:48,880

i've talked to those in other cultures

2493

01:37:53,030 --> 01:37:51,679

as well um interestingly in buddhism the

2494

01:37:55,109 --> 01:37:53,040

dalai lama talks about the

2495

01:37:56,950 --> 01:37:55,119

extraterrestrials and they're you know

2496

01:37:59,590 --> 01:37:56,960

that we should treat them as friends and

2497

01:38:01,510 --> 01:37:59,600

and treat them respectfully and lovingly

2498

01:38:02,550 --> 01:38:01,520

but we've also got you know within

2499

01:38:04,070 --> 01:38:02,560

christian

2500

01:38:06,390 --> 01:38:04,080

religious culture

2501
01:38:08,709 --> 01:38:06,400
where there are some churches that see

2502
01:38:10,550 --> 01:38:08,719
these as demons rather than as the

2503
01:38:13,189 --> 01:38:10,560
catholic church actually admits they're

2504
01:38:14,790 --> 01:38:13,199
not demons that they are a that this is

2505
01:38:16,870 --> 01:38:14,800
a real experience

2506
01:38:19,189 --> 01:38:16,880
um and that you know they're all god's

2507
01:38:21,590 --> 01:38:19,199
children as well they seem to be sitting

2508
01:38:23,910 --> 01:38:21,600
quite nicely on the fence but there are

2509
01:38:26,470 --> 01:38:23,920
some christian groups fundamental groups

2510
01:38:29,669 --> 01:38:26,480
that literally see them as demons so um

2511
01:38:33,109 --> 01:38:29,679
i've i've also heard from some you know

2512
01:38:35,350 --> 01:38:33,119
of the islamic cultures again they

2513
01:38:37,990 --> 01:38:35,360

some of them will recognize them or see

2514

01:38:41,030 --> 01:38:38,000

them as demons you know the jinn

2515

01:38:42,950 --> 01:38:41,040

um as demons or entities um and some of

2516

01:38:45,669 --> 01:38:42,960

them have a knowing that that's not the

2517

01:38:47,910 --> 01:38:45,679

case that they um some of these beings

2518

01:38:51,030 --> 01:38:47,920

are in fact interdimensionals or

2519

01:38:53,510 --> 01:38:51,040

extraterrestrials as well so it seems to

2520

01:38:55,750 --> 01:38:53,520

very much vary with the awareness of the

2521

01:38:58,390 --> 01:38:55,760

individual coming and having a knowing

2522

01:39:01,109 --> 01:38:58,400

like this young man surya who who wrote

2523

01:39:02,229 --> 01:39:01,119

to me he just knows he just

2524

01:39:03,510 --> 01:39:02,239

he can't

2525

01:39:05,270 --> 01:39:03,520

um cope

2526

01:39:07,830 --> 01:39:05,280

with the way that his culture looks at

2527

01:39:09,510 --> 01:39:07,840

them as gods when he knows different and

2528

01:39:12,149 --> 01:39:09,520

this is a knowing that he seems to have

2529

01:39:14,870 --> 01:39:12,159

been born and been conscious with so the

2530

01:39:16,470 --> 01:39:14,880

there's got this awful dilemma that the

2531

01:39:18,629 --> 01:39:16,480

many that are

2532

01:39:20,070 --> 01:39:18,639

coming in with this awareness and others

2533

01:39:24,229 --> 01:39:20,080

that have been programmed and

2534

01:39:26,629 --> 01:39:24,239

conditioned to the the culture cultural

2535

01:39:29,270 --> 01:39:26,639

spiritual or religious belief of that

2536

01:39:30,310 --> 01:39:29,280

culture and you know they they're

2537

01:39:32,390 --> 01:39:30,320

fighting

2538

01:39:34,950 --> 01:39:32,400

their knowing from what they're being

2539

01:39:36,950 --> 01:39:34,960

taught to believe or expected to believe

2540

01:39:39,590 --> 01:39:36,960

and i've i've even had one young man

2541

01:39:42,070 --> 01:39:39,600

suicidal because he was brought up in a

2542

01:39:44,390 --> 01:39:42,080

christian belief system where there was

2543

01:39:47,030 --> 01:39:44,400

no such thing as extraterrestrials and

2544

01:39:49,350 --> 01:39:47,040

he is aware of his own experiences and

2545

01:39:51,350 --> 01:39:49,360

and his his awareness that you know that

2546

01:39:53,109 --> 01:39:51,360

he looks at you know

2547

01:39:54,390 --> 01:39:53,119

what they're seeing as spiritual beings

2548

01:39:56,390 --> 01:39:54,400

in a different way

2549

01:39:58,790 --> 01:39:56,400

and his family just can't cope with it

2550

01:40:01,270 --> 01:39:58,800

he said because they can't cope i can't

2551

01:40:03,990 --> 01:40:01,280

talk about it and he said and i just

2552

01:40:06,149 --> 01:40:04,000

don't want to be here because i can't

2553

01:40:08,390 --> 01:40:06,159

tell them my truth because they just

2554

01:40:11,030 --> 01:40:08,400

they just can't handle it because their

2555

01:40:13,910 --> 01:40:11,040

own dogma and belief system does not

2556

01:40:16,070 --> 01:40:13,920

embrace the extraterrestrial hypothesis

2557

01:40:17,990 --> 01:40:16,080

and that is the problem with many of

2558

01:40:20,950 --> 01:40:18,000

those that come in with those beliefs to

2559

01:40:22,790 --> 01:40:20,960

see me they may be you know some brought

2560

01:40:24,310 --> 01:40:22,800

up in a christian orthodox way or

2561

01:40:26,709 --> 01:40:24,320

whatever but they're having these

2562

01:40:28,629 --> 01:40:26,719

experiences and it terrifies them

2563

01:40:30,950 --> 01:40:28,639

because their belief system tells them

2564

01:40:33,350 --> 01:40:30,960

it's a demon and therefore they must be

2565

01:40:35,750 --> 01:40:33,360

bad and you know this is where our

2566

01:40:37,430 --> 01:40:35,760

religions have to wake up and start

2567

01:40:39,350 --> 01:40:37,440

realizing that more and more people are

2568

01:40:42,070 --> 01:40:39,360

going to have these experiences and are

2569

01:40:44,149 --> 01:40:42,080

they going to send them away with huge

2570

01:40:46,390 --> 01:40:44,159

fear or are they going to actually start

2571

01:40:47,990 --> 01:40:46,400

to get with the program and realize that

2572

01:40:50,070 --> 01:40:48,000

many of these visits are coming from

2573

01:40:52,070 --> 01:40:50,080

just advanced technology you know beings

2574

01:40:53,910 --> 01:40:52,080

with advanced technology you know this

2575

01:40:56,070 --> 01:40:53,920

is time to you know to get with the

2576

01:40:58,550 --> 01:40:56,080

modern program and start coming from a

2577

01:41:01,990 --> 01:40:58,560

medieval perspective um ed up on the

2578

01:41:03,109 --> 01:41:02,000

chat room um wants me to ask uh if you

2579

01:41:07,030 --> 01:41:03,119

yourself

2580

01:41:09,510 --> 01:41:07,040

have had any ufo contact experience

2581

01:41:10,790 --> 01:41:09,520

or have you ever had a you know a close

2582

01:41:13,830 --> 01:41:10,800

encounter

2583

01:41:18,070 --> 01:41:13,840

or are your conclusions based on these 3

2584

01:41:21,430 --> 01:41:18,080

000 cases that you dealt with

2585

01:41:23,830 --> 01:41:21,440

i can say is that um

2586

01:41:26,950 --> 01:41:23,840

i've seen ufos

2587

01:41:29,030 --> 01:41:26,960

um i'm not aware of ever consciously

2588

01:41:31,590 --> 01:41:29,040

going on board craft

2589

01:41:34,310 --> 01:41:31,600

but i will say i've had individuals come

2590

01:41:35,270 --> 01:41:34,320

to me and tell me they've seen me there

2591

01:41:38,229 --> 01:41:35,280

so

2592

01:41:41,350 --> 01:41:38,239

i can only go from what they say and not

2593

01:41:43,430 --> 01:41:41,360

always in human form i might add um but

2594

01:41:47,189 --> 01:41:43,440

i also am aware

2595

01:41:49,510 --> 01:41:47,199

that i i feel like i sense sometimes

2596

01:41:50,709 --> 01:41:49,520

around me beings that i call the the

2597

01:41:53,990 --> 01:41:50,719

non-human

2598

01:41:57,109 --> 01:41:54,000

team so i i sort of um because i work as

2599

01:42:00,229 --> 01:41:57,119

an energy worker and healer um as well

2600

01:42:02,950 --> 01:42:00,239

um i sort of tap into those realms a

2601

01:42:04,790 --> 01:42:02,960

little bit and i do feel that i am given

2602

01:42:07,350 --> 01:42:04,800

information from

2603

01:42:09,109 --> 01:42:07,360

what i call the non-human team so i have

2604

01:42:11,189 --> 01:42:09,119

a sense of them but i certainly have

2605

01:42:13,189 --> 01:42:11,199

never touched a craft i've never

2606

01:42:16,229 --> 01:42:13,199

physically touched any i've never seen

2607

01:42:18,709 --> 01:42:16,239

anything physically with my eyes but i

2608

01:42:20,870 --> 01:42:18,719

do have um the sense

2609

01:42:23,990 --> 01:42:20,880

and an understanding from

2610

01:42:26,229 --> 01:42:24,000

just working intuitively if you like

2611

01:42:28,470 --> 01:42:26,239

and and that's as near as i can get but

2612

01:42:30,790 --> 01:42:28,480

i would love to one day

2613

01:42:32,790 --> 01:42:30,800

actually go up on one and touch it and

2614

01:42:34,950 --> 01:42:32,800

feel it because i'd really like that

2615

01:42:36,550 --> 01:42:34,960

yeah to have that tangibility i suppose

2616

01:42:39,350 --> 01:42:36,560

yeah so earlier in the news i know you

2617

01:42:41,510 --> 01:42:39,360

missed it we were talking about i think

2618

01:42:42,470 --> 01:42:41,520

i can't remember where alejandro rojas

2619

01:42:44,070 --> 01:42:42,480

said

2620

01:42:46,629 --> 01:42:44,080

where it was but

2621

01:42:48,310 --> 01:42:46,639

um they saw a being and they thought it

2622

01:42:49,910 --> 01:42:48,320

was good luck

2623

01:42:51,590 --> 01:42:49,920

because they that's that's how they

2624

01:42:54,709 --> 01:42:51,600

looked at it in their culture i think it

2625

01:42:58,149 --> 01:42:56,470

it

2626

01:42:59,990 --> 01:42:58,159

a lot of these new children they're

2627

01:43:01,990 --> 01:43:00,000

seeing as just psychic kids but they're

2628

01:43:05,350 --> 01:43:02,000

they're not seeing it as a this this

2629

01:43:07,350 --> 01:43:05,360

shift as well but yes it's it's still

2630

01:43:09,910 --> 01:43:07,360

interestingly a lot of their academics

2631

01:43:12,629 --> 01:43:09,920

that are seeing the images on the caves

2632

01:43:14,629 --> 01:43:12,639

and uh beings being drawn there are

2633

01:43:17,510 --> 01:43:14,639

admitting as far as they're concerned

2634

01:43:18,790 --> 01:43:17,520

the vivanas are crafts spacecraft and

2635

01:43:20,229 --> 01:43:18,800

that they've been visited so the

2636

01:43:23,189 --> 01:43:20,239

academics

2637

01:43:25,109 --> 01:43:23,199

of india and indian culture are coming

2638

01:43:26,709 --> 01:43:25,119

very much to the party of their being

2639

01:43:29,590 --> 01:43:26,719

extraterrestrials

2640

01:43:32,470 --> 01:43:29,600

um not deities and that was very much

2641

01:43:35,510 --> 01:43:32,480

the the push of my article was not just

2642

01:43:38,629 --> 01:43:35,520

surya's story but also what the indian

2643

01:43:39,910 --> 01:43:38,639

academics in india daily are reporting

2644

01:43:43,030 --> 01:43:39,920

you know some of these wonderful

2645

01:43:44,870 --> 01:43:43,040

drawings of the vimanas and beings on

2646

01:43:46,870 --> 01:43:44,880

cave drawings and certainly they're not

2647

01:43:48,709 --> 01:43:46,880

seeing them as deities they're seeing

2648

01:43:50,709 --> 01:43:48,719

them as extraterrestrials

2649

01:43:53,270 --> 01:43:50,719

now earlier you mentioned that if

2650

01:43:55,590 --> 01:43:53,280

someone believes that they're having

2651

01:43:57,350 --> 01:43:55,600

an abduction experience

2652

01:43:59,510 --> 01:43:57,360

they'll go wild looking all over the

2653

01:44:02,070 --> 01:43:59,520

internet for information

2654

01:44:03,990 --> 01:44:02,080

so uh and you've been at this about 20

2655

01:44:06,629 --> 01:44:04,000

years about when the internet started do

2656

01:44:10,149 --> 01:44:06,639

you have an idea what things were like

2657

01:44:11,510 --> 01:44:10,159

prior to the internet um if abductions

2658

01:44:16,629 --> 01:44:11,520

were happening

2659

01:44:20,790 --> 01:44:18,870

i think it must have been

2660

01:44:22,950 --> 01:44:20,800

really hard and talking to the older

2661

01:44:25,669 --> 01:44:22,960

generations because there was very

2662

01:44:27,590 --> 01:44:25,679

little out there on this and it was

2663

01:44:29,750 --> 01:44:27,600

really the benny you know the the barney

2664

01:44:32,310 --> 01:44:29,760

hill betty and barney hill stuff that

2665

01:44:34,470 --> 01:44:32,320

was one of maybe the first that came out

2666

01:44:35,430 --> 01:44:34,480

um to explain this wasn't you know

2667

01:44:37,830 --> 01:44:35,440

somebody

2668

01:44:39,910 --> 01:44:37,840

you know a couple that had an experience

2669

01:44:42,709 --> 01:44:39,920

and then you got intruders with bud

2670

01:44:45,109 --> 01:44:42,719

hopkins and kathy who spoke about her

2671

01:44:47,030 --> 01:44:45,119

experiences and what have you but there

2672

01:44:49,910 --> 01:44:47,040

was very very little whitney strieber of

2673

01:44:53,590 --> 01:44:49,920

course came out with communion and

2674

01:44:55,830 --> 01:44:53,600

but it was very very small um in terms

2675

01:44:57,910 --> 01:44:55,840

of the kinds of understanding or

2676

01:45:00,390 --> 01:44:57,920

experiences and it was still considered

2677

01:45:03,990 --> 01:45:00,400

extremely weird from what i understand

2678

01:45:07,270 --> 01:45:04,000

because i came into it you know 94 95

2679

01:45:09,350 --> 01:45:07,280

time where you know again there was more

2680

01:45:12,470 --> 01:45:09,360

and more information starting to be

2681

01:45:14,709 --> 01:45:12,480

disseminated and and by that more and

2682

01:45:18,790 --> 01:45:14,719

more people were being informed but it

2683

01:45:19,510 --> 01:45:18,800

was very very hard and very very scary

2684

01:45:23,830 --> 01:45:19,520

and

2685

01:45:26,310 --> 01:45:23,840

a lot of relief now with those older

2686

01:45:28,709 --> 01:45:26,320

generations as this is coming out and

2687

01:45:31,109 --> 01:45:28,719

what have you so i can't even imagine

2688

01:45:33,030 --> 01:45:31,119

how difficult it was with people

2689

01:45:35,270 --> 01:45:33,040

other than what they've told me and how

2690

01:45:37,590 --> 01:45:35,280

they just couldn't go there because it

2691

01:45:39,350 --> 01:45:37,600

was just too scary and then these cases

2692

01:45:42,870 --> 01:45:39,360

that you've received

2693

01:45:44,790 --> 01:45:42,880

particularly let's focus on children

2694

01:45:46,470 --> 01:45:44,800

the age seven eight

2695

01:45:48,470 --> 01:45:46,480

like some of the the ages of children

2696

01:45:51,189 --> 01:45:48,480

you you've described

2697

01:45:52,790 --> 01:45:51,199

have you come across any child that has

2698

01:45:54,470 --> 01:45:52,800

related to you

2699

01:45:56,390 --> 01:45:54,480

something that

2700

01:45:58,629 --> 01:45:56,400

would be even beyond the wildest dreams

2701
01:46:00,470 --> 01:45:58,639
of any precocious child in the sense

2702
01:46:02,310 --> 01:46:00,480
that have they revealed anything about

2703
01:46:03,189 --> 01:46:02,320
the particle physics

2704
01:46:08,310 --> 01:46:03,199
or

2705
01:46:10,629 --> 01:46:08,320
their age would really have any

2706
01:46:14,870 --> 01:46:10,639
understanding of or any knowledge of but

2707
01:46:19,350 --> 01:46:18,149
well i've not been able yet to get the

2708
01:46:21,590 --> 01:46:19,360
information

2709
01:46:24,229 --> 01:46:21,600
to a level where i've been able to

2710
01:46:26,470 --> 01:46:24,239
present it to the physicists in in free

2711
01:46:28,709 --> 01:46:26,480
yet but i can actually tell you there

2712
01:46:30,870 --> 01:46:28,719
are two two particular cases that come

2713
01:46:33,430 --> 01:46:30,880

to mind one's a ten-year-old

2714

01:46:35,030 --> 01:46:33,440

in england who spoke to his teachers

2715

01:46:38,070 --> 01:46:35,040

saying that they teach in a linear

2716

01:46:39,750 --> 01:46:38,080

fashion he thinks in spirals and he told

2717

01:46:40,790 --> 01:46:39,760

me that when he was seven or eight he

2718

01:46:43,430 --> 01:46:40,800

was given

2719

01:46:44,950 --> 01:46:43,440

formula to create portals and had done

2720

01:46:45,750 --> 01:46:44,960

all these drawings

2721

01:46:48,709 --> 01:46:45,760

of

2722

01:46:51,910 --> 01:46:48,719

um the parents

2723

01:46:54,390 --> 01:46:51,920

were very wary about it going anywhere

2724

01:46:56,950 --> 01:46:54,400

another one was a young man of nine

2725

01:46:58,550 --> 01:46:56,960

who spoke to me and initially he spoke

2726
01:47:00,709 --> 01:46:58,560
because his father was speaking to me

2727
01:47:02,470 --> 01:47:00,719
and he said can i speak to mary

2728
01:47:04,550 --> 01:47:02,480
and i said why do you want to speak to

2729
01:47:06,390 --> 01:47:04,560
me he said well i i want to speak to you

2730
01:47:08,390 --> 01:47:06,400
because of your frequency

2731
01:47:10,390 --> 01:47:08,400
he then proceeded to tell me that he was

2732
01:47:13,030 --> 01:47:10,400
aware he came from orion

2733
01:47:14,550 --> 01:47:13,040
um that he was a light physicist that

2734
01:47:17,189 --> 01:47:14,560
was his title

2735
01:47:20,390 --> 01:47:17,199
in um in that you know in that

2736
01:47:23,430 --> 01:47:20,400
incarnation and he was creating time

2737
01:47:26,070 --> 01:47:23,440
travel technology and he said my biggest

2738
01:47:28,629 --> 01:47:26,080

problem on this planet he said is the

2739

01:47:30,709 --> 01:47:28,639

scientists here will not understand the

2740

01:47:32,629 --> 01:47:30,719

physics that i understand because they

2741

01:47:34,790 --> 01:47:32,639

are still quite primitive

2742

01:47:37,189 --> 01:47:34,800

and he said the other thing was that the

2743

01:47:39,430 --> 01:47:37,199

oni and he asked his father to do this

2744

01:47:41,990 --> 01:47:39,440

to get all the information on nicola

2745

01:47:44,470 --> 01:47:42,000

tesla because at least that was a good

2746

01:47:46,229 --> 01:47:44,480

baseline for him in terms of showing

2747

01:47:48,310 --> 01:47:46,239

what he understands he was going to work

2748

01:47:51,030 --> 01:47:48,320

from the work of tesla although that

2749

01:47:53,189 --> 01:47:51,040

still was pretty um basic was how he

2750

01:47:55,030 --> 01:47:53,199

explained he explained it to me now

2751

01:47:57,109 --> 01:47:55,040

we're talking about a nine-year-old

2752

01:47:59,189 --> 01:47:57,119

having absolutely no time for our

2753

01:48:01,030 --> 01:47:59,199

particular physicist and their

2754

01:48:02,149 --> 01:48:01,040

understanding because it was still very

2755

01:48:03,990 --> 01:48:02,159

primitive

2756

01:48:05,510 --> 01:48:04,000

i also talked to an eight-year-old who

2757

01:48:07,830 --> 01:48:05,520

was talking about what he was being

2758

01:48:09,750 --> 01:48:07,840

taught on the craft and he said some of

2759

01:48:13,109 --> 01:48:09,760

it is very complex

2760

01:48:16,390 --> 01:48:13,119

so i said to him can you tell me some of

2761

01:48:19,189 --> 01:48:16,400

the information that is so complex

2762

01:48:20,550 --> 01:48:19,199

and he said no because it's too complex

2763

01:48:21,590 --> 01:48:20,560

for you

2764

01:48:23,830 --> 01:48:21,600

so

2765

01:48:25,750 --> 01:48:23,840

where do you go with that i mean i'll

2766

01:48:27,669 --> 01:48:25,760

leave that with you

2767

01:48:29,590 --> 01:48:27,679

uh here's a

2768

01:48:30,390 --> 01:48:29,600

thought have you ever

2769

01:48:33,189 --> 01:48:30,400

like

2770

01:48:35,910 --> 01:48:33,199

been in contact with someone that was

2771

01:48:37,590 --> 01:48:35,920

claiming that they were being abducted

2772

01:48:39,350 --> 01:48:37,600

and all of a sudden they

2773

01:48:43,270 --> 01:48:39,360

became missing you know just plain

2774

01:48:47,750 --> 01:48:45,109

at the time they believe they're being

2775

01:48:49,189 --> 01:48:47,760

abducted yes i mean like uh you're

2776

01:48:51,109 --> 01:48:49,199

talking to them they're having these

2777

01:48:54,870 --> 01:48:51,119

experiences and then all of a sudden

2778

01:48:59,910 --> 01:48:56,790

no that that's never happened although

2779

01:49:01,590 --> 01:48:59,920

some have rung me in great fear knowing

2780

01:49:03,750 --> 01:49:01,600

that they were going to be picked up

2781

01:49:06,229 --> 01:49:03,760

that night and be and i've actually had

2782

01:49:08,070 --> 01:49:06,239

to talk to them and and calm them down

2783

01:49:10,070 --> 01:49:08,080

and what have you and i use a very

2784

01:49:12,229 --> 01:49:10,080

pragmatic um

2785

01:49:14,470 --> 01:49:12,239

you know sort of way of responding to

2786

01:49:16,149 --> 01:49:14,480

that often as not because i said look

2787

01:49:17,590 --> 01:49:16,159

you know you've been picked up many

2788

01:49:19,830 --> 01:49:17,600

times before

2789

01:49:21,189 --> 01:49:19,840

which you know most of them are aware of

2790

01:49:22,790 --> 01:49:21,199

i said they've always brought you back

2791

01:49:24,870 --> 01:49:22,800

you still had your head attached to your

2792

01:49:26,390 --> 01:49:24,880

body and your arms attached to your body

2793

01:49:28,229 --> 01:49:26,400

and whatever and you've still been able

2794

01:49:31,350 --> 01:49:28,239

to go to work or or to school or

2795

01:49:33,030 --> 01:49:31,360

whatever it is the next day i said so

2796

01:49:34,790 --> 01:49:33,040

the chances are of the same thing

2797

01:49:35,910 --> 01:49:34,800

happening if it happens tonight is that

2798

01:49:37,910 --> 01:49:35,920

you're still going to find yourself

2799

01:49:39,350 --> 01:49:37,920

waking up in the morning getting ready

2800

01:49:42,470 --> 01:49:39,360

to go to work and what have you may be

2801

01:49:45,510 --> 01:49:42,480

very tired and exhausted but still in

2802

01:49:47,189 --> 01:49:45,520

one piece um and that seems to be

2803

01:49:48,870 --> 01:49:47,199

strangely that seems to be very

2804

01:49:50,790 --> 01:49:48,880

comforting is to remind them that

2805

01:49:53,109 --> 01:49:50,800

they've been through this before and

2806

01:49:55,350 --> 01:49:53,119

they've come out the other end and you

2807

01:49:57,109 --> 01:49:55,360

know so i've as far as i know that's

2808

01:49:58,870 --> 01:49:57,119

always been the case with the ones that

2809

01:50:00,390 --> 01:49:58,880

i've worked with i wouldn't know about

2810

01:50:02,629 --> 01:50:00,400

ones that have gone missing and never

2811

01:50:06,310 --> 01:50:02,639

come back because i've never come across

2812

01:50:08,229 --> 01:50:06,320

that i see okay about your book the

2813

01:50:09,510 --> 01:50:08,239

new human awakening to our cosmic

2814

01:50:11,830 --> 01:50:09,520

heritage

2815

01:50:13,590 --> 01:50:11,840

i believe you sent me that uh

2816

01:50:15,510 --> 01:50:13,600

that information

2817

01:50:17,990 --> 01:50:15,520

is that a book that's out now or is that

2818

01:50:19,990 --> 01:50:18,000

coming out

2819

01:50:21,830 --> 01:50:20,000

that's actually uh published now i

2820

01:50:24,310 --> 01:50:21,840

published it at the end of december it's

2821

01:50:26,229 --> 01:50:24,320

on amazon for those out of australia

2822

01:50:29,030 --> 01:50:26,239

which is the best way for them to access

2823

01:50:30,790 --> 01:50:29,040

it they can get it directly from me

2824

01:50:32,709 --> 01:50:30,800

actually in australia the trouble is

2825

01:50:34,470 --> 01:50:32,719

sending it overseas is just ridiculous

2826

01:50:36,629 --> 01:50:34,480

postage so i just say it's cheaper for

2827

01:50:38,629 --> 01:50:36,639

them to go via amazon but yes it's

2828

01:50:41,350 --> 01:50:38,639

available now and

2829

01:50:43,030 --> 01:50:41,360

this is not the book that has the uh the

2830

01:50:44,950 --> 01:50:43,040

children that you've interviewed or is

2831

01:50:49,189 --> 01:50:44,960

it

2832

01:50:50,950 --> 01:50:49,199

chapters are about the children and

2833

01:50:53,430 --> 01:50:50,960

their parents and then it goes into

2834

01:50:55,910 --> 01:50:53,440

teenagers and then it goes into adults

2835

01:50:58,070 --> 01:50:55,920

that have had you know activations and

2836

01:50:59,990 --> 01:50:58,080

awareness of their including the md i

2837

01:51:01,910 --> 01:51:00,000

talked about the medical doctor and

2838

01:51:03,590 --> 01:51:01,920

including um actually a minister of

2839

01:51:06,070 --> 01:51:03,600

religion is in there coming out for the

2840

01:51:07,270 --> 01:51:06,080

first time and dr leena olsen is always

2841

01:51:09,910 --> 01:51:07,280

covered she's coming out with her

2842

01:51:12,390 --> 01:51:09,920

awareness of all the dna changes as well

2843

01:51:13,910 --> 01:51:12,400

so it's it's quite comprehensive in

2844

01:51:15,990 --> 01:51:13,920

looking at all the new programs of

2845

01:51:17,669 --> 01:51:16,000

children all of these these children

2846

01:51:20,229 --> 01:51:17,679

you've spoken to when you talk about

2847

01:51:22,229 --> 01:51:20,239

upgrades you talk about indigo children

2848

01:51:23,990 --> 01:51:22,239

you talk about adhd really being

2849

01:51:27,830 --> 01:51:24,000

misconstrued

2850

01:51:31,510 --> 01:51:29,990

with so many different cases

2851
01:51:32,550 --> 01:51:31,520
and so many different people that you've

2852
01:51:34,550 --> 01:51:32,560
interviewed

2853
01:51:36,950 --> 01:51:34,560
what is your hypothesis of what the end

2854
01:51:39,589 --> 01:51:36,960
game is here what is this all about if

2855
01:51:41,589 --> 01:51:39,599
this is a true phenomenon then what is

2856
01:51:45,510 --> 01:51:41,599
the goal what what is what is the end

2857
01:51:49,030 --> 01:51:48,310
i've got a few but the main one seems to

2858
01:51:52,149 --> 01:51:49,040
be

2859
01:51:53,990 --> 01:51:52,159
the evidence of having experiences when

2860
01:51:55,430 --> 01:51:54,000
you get 85

2861
01:51:58,310 --> 01:51:55,440
as we've now discovered through the

2862
01:52:00,709 --> 01:51:58,320
surveys having a psycho spiritual

2863
01:52:02,629 --> 01:52:00,719

transformation in terms of

2864

01:52:04,470 --> 01:52:02,639

their paradigm shift

2865

01:52:05,510 --> 01:52:04,480

and the way that they're redirected

2866

01:52:08,470 --> 01:52:05,520

through it

2867

01:52:10,950 --> 01:52:08,480

seems to be certainly one of the goals

2868

01:52:13,030 --> 01:52:10,960

of this interaction and that was why i

2869

01:52:15,270 --> 01:52:13,040

wrote awakening how it can transform

2870

01:52:17,510 --> 01:52:15,280

your life because it does and dr mack

2871

01:52:19,669 --> 01:52:17,520

found this that people changed in

2872

01:52:21,750 --> 01:52:19,679

amazing ways and usually very positive

2873

01:52:24,390 --> 01:52:21,760

ways once they came to terms with it and

2874

01:52:26,070 --> 01:52:24,400

they understood it so

2875

01:52:27,189 --> 01:52:26,080

psycho spiritual transformation means

2876

01:52:29,030 --> 01:52:27,199

also they become more

2877

01:52:31,270 --> 01:52:29,040

multi-dimensionally aware

2878

01:52:33,510 --> 01:52:31,280

my senses the reason they want us to

2879

01:52:36,550 --> 01:52:33,520

become more multi-dimensionally aware

2880

01:52:38,709 --> 01:52:36,560

more aware of the matrix more aware of

2881

01:52:41,189 --> 01:52:38,719

the holographic universe and our connect

2882

01:52:44,070 --> 01:52:41,199

our connection to everything including

2883

01:52:45,910 --> 01:52:44,080

these intelligences that for many ways

2884

01:52:48,550 --> 01:52:45,920

are are communicating with us

2885

01:52:50,390 --> 01:52:48,560

telepathically it's a we're getting to a

2886

01:52:51,910 --> 01:52:50,400

point i believe where we'll be able to

2887

01:52:54,229 --> 01:52:51,920

interface with them

2888

01:52:57,669 --> 01:52:54,239

on that level that it's it's upgrading

2889

01:52:59,750 --> 01:52:57,679

us to a point where we will be able to

2890

01:53:01,189 --> 01:52:59,760

literally rather than verbally

2891

01:53:03,910 --> 01:53:01,199

communicate

2892

01:53:06,550 --> 01:53:03,920

as these children born telepathic they

2893

01:53:08,870 --> 01:53:06,560

will communicate with us telepathically

2894

01:53:11,350 --> 01:53:08,880

and we will have a true kind of

2895

01:53:13,430 --> 01:53:11,360

communion with them a true kind of

2896

01:53:16,310 --> 01:53:13,440

understanding of who they are what

2897

01:53:18,310 --> 01:53:16,320

they're about but there seems to be this

2898

01:53:19,830 --> 01:53:18,320

this upgrading is part of

2899

01:53:24,229 --> 01:53:19,840

getting us ready

2900

01:53:26,229 --> 01:53:24,239

acknowledge we're not the only ones in

2901

01:53:28,149 --> 01:53:26,239

this um in this universe that there are

2902

01:53:30,870 --> 01:53:28,159

many different species of intelligence

2903

01:53:34,229 --> 01:53:30,880

out there and that as we become galactic

2904

01:53:36,950 --> 01:53:34,239

citizens we need to be more evolved

2905

01:53:39,510 --> 01:53:36,960

galactic citizens and do you know and do

2906

01:53:41,510 --> 01:53:39,520

what they're doing become part of that

2907

01:53:44,390 --> 01:53:41,520

galactic community so my sense is that

2908

01:53:47,030 --> 01:53:44,400

we're getting prepared for contact in a

2909

01:53:49,109 --> 01:53:47,040

very very real way and through this

2910

01:53:51,589 --> 01:53:49,119

upgrading of our consciousness that we

2911

01:53:54,470 --> 01:53:51,599

can communicate in this way rather than

2912

01:53:56,149 --> 01:53:54,480

rely on the very primitive vocal

2913

01:53:58,950 --> 01:53:56,159

way that we're doing now where there is

2914

01:54:01,350 --> 01:53:58,960

a lot of misunderstandings and

2915

01:54:03,030 --> 01:54:01,360

as we all know you know often that the

2916

01:54:04,870 --> 01:54:03,040

way we think and the way we say things

2917

01:54:08,070 --> 01:54:04,880

doesn't always come out right i think

2918

01:54:11,270 --> 01:54:08,080

it's a purer way of communicating so

2919

01:54:13,750 --> 01:54:11,280

those are that's part of it at least

2920

01:54:15,669 --> 01:54:13,760

other stuff may be part of their agenda

2921

01:54:18,070 --> 01:54:15,679

and i think it's very very complex and i

2922

01:54:20,229 --> 01:54:18,080

think it's it's multi-complex as well

2923

01:54:22,390 --> 01:54:20,239

but that's how i've come to understand

2924

01:54:24,229 --> 01:54:22,400

it at this point if that makes sense uh

2925

01:54:25,270 --> 01:54:24,239

there was uh uh

2926

01:55:04,390 --> 01:54:25,280

a

2927

01:55:05,910 --> 01:55:04,400

the child

2928

01:55:07,750 --> 01:55:05,920

picked up on the mother's thoughts and

2929

01:55:10,790 --> 01:55:07,760

did something quite

2930

01:55:13,669 --> 01:55:10,800

bizarre that only could have been known

2931

01:55:15,990 --> 01:55:13,679

if he'd um picked it up from his mother

2932

01:55:18,550 --> 01:55:16,000

and this was you know this was within my

2933

01:55:20,550 --> 01:55:18,560

own my own relatives

2934

01:55:22,790 --> 01:55:20,560

and i believe them absolutely because of

2935

01:55:24,149 --> 01:55:22,800

what i heard but you know i haven't had

2936

01:55:26,390 --> 01:55:24,159

a telepathic communion with

2937

01:55:29,030 --> 01:55:26,400

communication with anyone so unless i've

2938

01:55:31,589 --> 01:55:29,040

experienced it actually myself

2939

01:55:33,030 --> 01:55:31,599

or tested it out no i haven't but i do

2940

01:55:34,709 --> 01:55:33,040

know that

2941

01:55:37,030 --> 01:55:34,719

there are studies now being done with

2942

01:55:39,589 --> 01:55:37,040

the autistic children with a medical

2943

01:55:41,830 --> 01:55:39,599

doctor a neuroscientist actually that's

2944

01:55:44,470 --> 01:55:41,840

doing that and she's already found one

2945

01:55:47,030 --> 01:55:44,480

one savant that is actually um doing

2946

01:55:48,950 --> 01:55:47,040

this uh telepathic communication with

2947

01:55:51,350 --> 01:55:48,960

his mother and she's doing the testing

2948

01:55:54,070 --> 01:55:51,360

so it will come out and it will be shown

2949

01:55:55,510 --> 01:55:54,080

at some point very good well mary um

2950

01:55:58,550 --> 01:55:55,520

do you want to give out your website

2951

01:56:03,350 --> 01:56:01,109

absolutely um uh it's

2952

01:56:08,470 --> 01:56:03,360

maryrodwell.com.edu

2953

01:56:11,669 --> 01:56:08,480

or it's a cern a c e r n dot com dot a u

2954

01:56:13,589 --> 01:56:11,679

and i've got facebook and i've also um

2955

01:56:15,830 --> 01:56:13,599

you know people can communicate with me

2956

01:56:17,589 --> 01:56:15,840

through either of those methods

2957

01:56:20,070 --> 01:56:17,599

or they just need to google me because

2958

01:56:21,589 --> 01:56:20,080

there's many presentations on on youtube

2959

01:56:23,510 --> 01:56:21,599

and what have you as well very good well

2960

01:56:26,470 --> 01:56:23,520

thanks so much it's been a real pleasure

2961

01:56:27,990 --> 01:56:26,480

really enjoyed talking to you

2962

01:56:29,910 --> 01:56:28,000

martin it's been an absolute pleasure

2963

01:56:31,589 --> 01:56:29,920

thank you so much for inviting me and i

2964

01:56:33,830 --> 01:56:31,599

hope you have a wonderful thank you and

2965

01:56:35,990 --> 01:56:33,840

have a wonderful afternoon right or

2966

01:56:37,990 --> 01:56:36,000

still morning there yeah

2967

01:56:40,709 --> 01:56:38,000

all right it is take care

2968

01:56:46,149 --> 01:56:43,510

all right everyone uh thanks so much uh

2969

01:56:49,589 --> 01:56:46,159

here we are in the studio and uh that is

2970

01:56:52,550 --> 01:56:49,599

a wrap for today next week we have john

2971

01:56:54,629 --> 01:56:52,560

de souza um he is a former fbi agent

2972

01:56:56,470 --> 01:56:54,639

he'll be on next week

2973

01:56:58,310 --> 01:56:56,480

we do have a schedule all the way out to

2974

01:56:59,510 --> 01:56:58,320

july i think of some really good guests

2975

01:57:01,910 --> 01:56:59,520

coming up

2976

01:57:04,149 --> 01:57:01,920

and some great shows uh thanks so much

2977

01:57:06,550 --> 01:57:04,159

for listening live and uh donnie thank

2978

01:57:08,950 --> 01:57:06,560

you for joining in studio thanks for

2979

01:57:11,189 --> 01:57:08,960

having me all right all right everyone

2980

01:57:17,210 --> 01:57:11,199

so uh remember to keep your eyes to the
