

1
00:00:07,519 --> 00:00:06,800
and it hits me oh my gosh this is that

2
00:00:08,660 --> 00:00:07,529
triangle

3
00:00:09,770 --> 00:00:08,670
you know there's explanation for

4
00:00:11,720 --> 00:00:09,780
everything that occurred in the

5
00:00:14,089 --> 00:00:11,730
Rendlesham forest incident it doesn't

6
00:00:17,150 --> 00:00:14,099
involve aliens at all it was completely

7
00:00:20,420 --> 00:00:17,160
silent it comes right over our head

8
00:00:22,189 --> 00:00:20,430
it's so a classic flying-saucer really

9
00:00:23,810 --> 00:00:22,199
standing in the clearing he turned over

10
00:00:25,160 --> 00:00:23,820
to my father and held his hand and he

11
00:00:31,790 --> 00:00:25,170
looked in his eyes and said we're not

12
00:00:34,670 --> 00:00:31,800
alone welcome to podcast UFO for our

13
00:00:37,160 --> 00:00:34,680

live show we're live every Wednesday at

14

00:00:39,740 --> 00:00:37,170

8 p.m. Eastern Standard Time on the dark

15

00:00:43,369 --> 00:00:39,750

matter radio network please remember to

16

00:00:46,700 --> 00:00:43,379

visit the website podcast UFO calm for

17

00:00:48,590 --> 00:00:46,710

past episodes blogs and forums during

18

00:00:51,139 --> 00:00:48,600

the show feel free to participate live

19

00:00:53,450 --> 00:00:51,149

in our chat room and don't forget to

20

00:00:56,150 --> 00:00:53,460

like us on our very active Facebook page

21

00:00:59,090 --> 00:00:56,160

hello and welcome to the show I'm Martin

22

00:01:01,729 --> 00:00:59,100

will usher host and Alejandro Rojas is

23

00:01:04,369 --> 00:01:01,739

coming up with UFO updates and just one

24

00:01:06,710 --> 00:01:04,379

minute our guest this evening is John

25

00:01:11,440 --> 00:01:06,720

D'Souza he's going to be talking about

26

00:01:13,910 --> 00:01:11,450

his new book and extraterrestrials as

27

00:01:15,289 --> 00:01:13,920

interdimensional which up is a topic

28

00:01:18,800 --> 00:01:15,299

that comes up a lot I thought it might

29

00:01:20,210 --> 00:01:18,810

be an interesting topic so stay tuned

30

00:01:22,700 --> 00:01:20,220

for that I want to thank everyone that

31

00:01:24,350 --> 00:01:22,710

supports the show and if you'd like to

32

00:01:26,810 --> 00:01:24,360

help us out for two dollars or more a

33

00:01:30,499 --> 00:01:26,820

month that is on our website podcast UFO

34

00:01:33,260 --> 00:01:30,509

calm also we are live streaming on

35

00:01:34,999 --> 00:01:33,270

YouTube every Wednesday night at 8:00 to

36

00:01:37,069 --> 00:01:35,009

10:00 p.m. Eastern Standard Time

37

00:01:42,140 --> 00:01:37,079

you can catch that right on our website

38

00:01:44,210 --> 00:01:42,150

or on YouTube and you can also listen to

39

00:01:46,490 --> 00:01:44,220

the entire show for free every Thursday

40

00:01:48,350 --> 00:01:46,500

night from 10:00 to midnight and that's

41

00:01:50,539 --> 00:01:48,360

on the Dark Matter digital network

42

00:01:53,960 --> 00:01:50,549

that's it for me Alejandro how's it

43

00:01:56,929 --> 00:01:53,970

going I am well how are you good good

44

00:01:59,569 --> 00:01:56,939

it's up you know it's nice and green up

45

00:02:01,940 --> 00:01:59,579

here on top of the mountain it's nice it

46

00:02:05,450 --> 00:02:01,950

said in the 80s today

47

00:02:07,880 --> 00:02:05,460

pretty warm really yeah yeah I mean what

48

00:02:09,650 --> 00:02:07,890

it's been it was like in the 70s it's

49

00:02:11,630 --> 00:02:09,660

going to be in the 80s here which is

50

00:02:12,870 --> 00:02:11,640

really cool so it's really nice for us

51
00:02:20,250 --> 00:02:12,880
yeah

52
00:02:22,040 --> 00:02:20,260
things called black flies on our link

53
00:02:25,080 --> 00:02:22,050
they are terrible

54
00:02:26,880 --> 00:02:25,090
it's like a cloud you have to I actually

55
00:02:29,730 --> 00:02:26,890
have like a screen thing I have to wear

56
00:02:32,310 --> 00:02:29,740
if I'm doing garden work so I can't wait

57
00:02:34,470 --> 00:02:32,320
you have these flies the other call

58
00:02:36,360 --> 00:02:34,480
black flies they bite Wow

59
00:02:40,170 --> 00:02:36,370
just big swarms of them come around you

60
00:02:42,210 --> 00:02:40,180
it's really all a moly it sounds awful

61
00:02:44,010 --> 00:02:42,220
that's right and I had an alien Veit

62
00:02:46,580 --> 00:02:44,020
invasion last night I had a pincher

63
00:02:49,200 --> 00:02:46,590

beetle over two and a half inches long

64
00:02:51,210 --> 00:02:49,210
and somehow was running around my house

65
00:02:55,370 --> 00:02:51,220
last night I got picking a little bit

66
00:03:00,120 --> 00:02:55,380
looks very very alien like really yeah

67
00:03:02,040 --> 00:03:00,130
invasion Wow so what's going on with

68
00:03:04,470 --> 00:03:02,050
your stuff that's way more scary than

69
00:03:07,940 --> 00:03:04,480
the desert man I have add nothing at my

70
00:03:11,310 --> 00:03:07,950
house no creatures or none of that oh

71
00:03:14,640 --> 00:03:11,320
wow just lots of quail running around

72
00:03:16,290 --> 00:03:14,650
they're cute little guys and yeah so

73
00:03:22,050 --> 00:03:16,300
it's been very pleasant around my

74
00:03:24,540 --> 00:03:22,060
homestead no invasions of any sort so

75
00:03:26,220 --> 00:03:24,550
that's good yeah hey you have a lot of

76
00:03:28,440 --> 00:03:26,230
coyotes out there though right because I

77
00:03:31,050 --> 00:03:28,450
remembers you yeah seeing someone I was

78
00:03:32,670 --> 00:03:31,060
out there at your conference so that

79
00:03:35,010 --> 00:03:32,680
probably takes care of a lot of the

80
00:03:37,920 --> 00:03:35,020
other little things around ya out there

81
00:03:40,950 --> 00:03:37,930
at the conference it's a little more you

82
00:03:43,110 --> 00:03:40,960
know rural at least it's they're spaced

83
00:03:45,180 --> 00:03:43,120
around so you can often hear them

84
00:03:47,460 --> 00:03:45,190
singing at night which is cool and and

85
00:03:49,290 --> 00:03:47,470
when you go hiking but even in town you

86
00:03:52,199 --> 00:03:49,300
can hear that sometimes so yeah that's

87
00:03:52,770 --> 00:03:52,209
coyotes yeah yeah and even a couple Road

88
00:03:54,600 --> 00:03:52,780

Runners

- 89
00:03:56,550 --> 00:03:54,610
I've seen my house I've seen a
- 90
00:03:58,410 --> 00:03:56,560
roadrunner a couple times recently there
- 91
00:04:02,370 --> 00:03:58,420
was one there was one at your conference
- 92
00:04:03,720 --> 00:04:02,380
Oh was out yes yeah we were chasing it
- 93
00:04:05,820 --> 00:04:03,730
around not really chasing around but
- 94
00:04:07,590 --> 00:04:05,830
watching it you know it gets really
- 95
00:04:10,680 --> 00:04:07,600
close and the thing just goes like crazy
- 96
00:04:12,720 --> 00:04:10,690
me me back Carol they don't make that no
- 97
00:04:15,660 --> 00:04:12,730
I know but I thought I'd just throw that
- 98
00:04:19,740 --> 00:04:15,670
in there mm-hmm so what's going on with
- 99
00:04:22,650 --> 00:04:19,750
UFO news what's going on with UFOs so we
- 100
00:04:25,770 --> 00:04:22,660
have kind of a cool story here and and

101

00:04:30,270 --> 00:04:25,780

I think a UK tabloid picked it up a UK

102

00:04:32,880 --> 00:04:30,280

doublet and and it got pretty popular

103

00:04:35,790 --> 00:04:32,890

but we have it straight from the source

104

00:04:39,060 --> 00:04:35,800

and the good thing is I'll let your

105

00:04:42,270 --> 00:04:39,070

listeners in on a secret these move on

106

00:04:46,080 --> 00:04:42,280

stories that we post we post the entire

107

00:04:48,390 --> 00:04:46,090

story for people to see for free whereas

108

00:04:51,150 --> 00:04:48,400

if you go to MUFON com

109

00:04:53,430 --> 00:04:51,160

you're only going to see a picture or

110

00:04:54,840 --> 00:04:53,440

two maybe in a paragraph or two so you

111

00:04:57,210 --> 00:04:54,850

don't get the full story you have to

112

00:04:59,970 --> 00:04:57,220

actually be a MUFON member and pay to

113

00:05:01,790 --> 00:04:59,980

get the full story but that or you can

114

00:05:04,080 --> 00:05:01,800

come to our house and get full or our

115

00:05:07,110 --> 00:05:04,090

website yeah our house I like that it's

116

00:05:11,910 --> 00:05:07,120

our house you get the full story so

117

00:05:14,040 --> 00:05:11,920

here's the full story on this and so

118

00:05:16,650 --> 00:05:14,050

this is a siding it's a video by a

119

00:05:18,990 --> 00:05:16,660

British bus driver so this bus driver

120

00:05:22,230 --> 00:05:19,000

says he's waiting for his bus to start

121

00:05:27,390 --> 00:05:22,240

work this is about 941 p.m. on April

122

00:05:30,090 --> 00:05:27,400

17th when this happened he was actually

123

00:05:32,640 --> 00:05:30,100

talking to his best man about his

124

00:05:40,970 --> 00:05:32,650

upcoming wedding on the phone when he

125

00:05:45,030 --> 00:05:40,980

freaks out he saw this that these lights

126

00:05:48,560 --> 00:05:45,040

that he said were in a triangular

127

00:05:51,540 --> 00:05:48,570

pattern rotating on its axis and

128

00:05:54,480 --> 00:05:51,550

wobbling slightly it's how we explained

129

00:05:57,840 --> 00:05:54,490

it so he says he's been interested in

130

00:05:59,760 --> 00:05:57,850

UFOs there were some streetlights around

131

00:06:01,500 --> 00:05:59,770

and stuff so he's tried to film it with

132

00:06:05,310 --> 00:06:01,510

this bone and he did get a little bit of

133

00:06:07,920 --> 00:06:05,320

film and it's about 2 2 minutes and 40

134

00:06:09,570 --> 00:06:07,930

seconds this video and most of it you

135

00:06:11,190 --> 00:06:09,580

know is him trying to get to get the

136

00:06:13,740 --> 00:06:11,200

thing on video so it's not towards the

137

00:06:16,920 --> 00:06:13,750

end till you can see these three lights

138

00:06:23,220 --> 00:06:16,930

so they are white lights they don't look

139

00:06:24,990 --> 00:06:23,230

obviously like ah balloons or or Chinese

140

00:06:28,680 --> 00:06:25,000

lanterns like it's a possibility I

141

00:06:30,630 --> 00:06:28,690

suppose still though so we ended up

142

00:06:34,740 --> 00:06:30,640

being late because he was looking at

143

00:06:36,480 --> 00:06:34,750

these UFOs or whatever they were so it's

144

00:06:39,420 --> 00:06:36,490

it's kind of an interesting video

145

00:06:41,100 --> 00:06:39,430

it is a guy by the way I seen it I have

146

00:06:44,760 --> 00:06:41,110

seen it by the way it's not safe for

147

00:06:47,309 --> 00:06:44,770

work as they say he does say he does

148

00:06:48,689 --> 00:06:47,319

cuss quite a bit and that's because I

149

00:06:51,480 --> 00:06:48,699

know exactly why is because the

150

00:06:54,300 --> 00:06:51,490

streetlights keep up getting his iPhone

151
00:06:56,460 --> 00:06:54,310
out of focus you know keeps focusing on

152
00:06:58,170 --> 00:06:56,470
the street lights automatically so he's

153
00:06:59,670 --> 00:06:58,180
running around and he goes I can't

154
00:07:01,499 --> 00:06:59,680
believe I'm actually seeing one I think

155
00:07:05,129 --> 00:07:01,509
that's what he says hit one point yeah

156
00:07:06,749 --> 00:07:05,139
yes it is a good video though yeah it is

157
00:07:08,400 --> 00:07:06,759
pretty decent pretty interesting one I

158
00:07:10,439 --> 00:07:08,410
think that's one of the best UFO stories

159
00:07:12,719 --> 00:07:10,449
we've gotten in a while not UFO

160
00:07:15,689 --> 00:07:12,729
submissions so yeah that's a good one so

161
00:07:17,999 --> 00:07:15,699
check it out at open mindset TV and also

162
00:07:20,070 --> 00:07:18,009
you know actually I want to talk about a

163
00:07:22,290 --> 00:07:20,080

couple of headlines that came up today

164

00:07:24,450 --> 00:07:22,300

so you know how we post headlines every

165

00:07:26,670 --> 00:07:24,460

day and there was a couple interesting

166

00:07:29,939 --> 00:07:26,680

ones that were posted today by friends

167

00:07:34,469 --> 00:07:29,949

of ours one by Lee Spiegel posted a

168

00:07:38,939 --> 00:07:34,479

story I don't know if you saw this but

169

00:07:41,760 --> 00:07:38,949

essentially we busted Pravda uh with

170

00:07:45,089 --> 00:07:41,770

yellow shopping a picture and claiming

171

00:07:50,100 --> 00:07:45,099

that there is a UFOs in there this is a

172

00:07:54,779 --> 00:07:50,110

Russian the Russian one with a son yes

173

00:07:56,399 --> 00:07:54,789

so prob that is a Russian paper and you

174

00:07:58,709 --> 00:07:56,409

remember all media is owned by the

175

00:08:01,200 --> 00:07:58,719

government so it is a you know it's

176
00:08:04,469 --> 00:08:01,210
unfortunately propaganda there they're

177
00:08:06,390 --> 00:08:04,479
the kings of it so that's what's hard

178
00:08:09,089 --> 00:08:06,400
when it comes to Russian news and

179
00:08:10,800 --> 00:08:09,099
Russian news reporting but yeah they

180
00:08:13,350 --> 00:08:10,810
posted this picture of the son with

181
00:08:16,409 --> 00:08:13,360
these dots on it and claiming there's

182
00:08:18,719 --> 00:08:16,419
UFOs so Lee did some research into this

183
00:08:20,999 --> 00:08:18,729
and he found that it's the picture they

184
00:08:24,870 --> 00:08:21,009
posted is actually photoshopped of the

185
00:08:28,080 --> 00:08:24,880
original picture which he found so he's

186
00:08:30,749 --> 00:08:28,090
saying hey you guys you're faking crud

187
00:08:33,870 --> 00:08:30,759
which is entirely possible because I

188
00:08:37,889 --> 00:08:33,880

don't know like recently prob that in

189

00:08:42,300 --> 00:08:37,899

the last year or two has and Russia

190

00:08:44,670 --> 00:08:42,310

today uh they featured UFO people from

191

00:08:49,110 --> 00:08:44,680

the United States that are often quite

192

00:08:50,190 --> 00:08:49,120

dubious so they've picked up on the

193

00:08:52,980 --> 00:08:50,200

sensational

194

00:08:55,320 --> 00:08:52,990

six stories why I don't know if there's

195

00:08:59,820 --> 00:08:55,330

there could be intentions behind it that

196

00:09:01,850 --> 00:08:59,830

are there are more you know orchestrated

197

00:09:03,690 --> 00:09:01,860

or have more of an effect than

198

00:09:06,450 --> 00:09:03,700

attempting to have more in effect than

199

00:09:08,910 --> 00:09:06,460

we thought I mean I think that it's

200

00:09:12,270 --> 00:09:08,920

possible they're trying to undermine you

201
00:09:15,210 --> 00:09:12,280
know people's NASA's credibility which I

202
00:09:17,310 --> 00:09:15,220
think stories like this help do but the

203
00:09:19,410 --> 00:09:17,320
UK tabloids have been doing this sort of

204
00:09:21,540 --> 00:09:19,420
stuff for these last few years - right

205
00:09:24,450 --> 00:09:21,550
and I think their only intention is to

206
00:09:26,670 --> 00:09:24,460
get more clicks that's the reason they

207
00:09:30,030 --> 00:09:26,680
have bikini girls all over their

208
00:09:31,920 --> 00:09:30,040
websites and everything or less you know

209
00:09:35,040 --> 00:09:31,930
they're all about getting clicks and I

210
00:09:36,630 --> 00:09:35,050
think that their click baiting but it's

211
00:09:39,720 --> 00:09:36,640
interesting yeah it's kind of cool that

212
00:09:41,940 --> 00:09:39,730
liro destroying all them out do you

213
00:09:43,950 --> 00:09:41,950

think that it's is it possible that they

214

00:09:46,770 --> 00:09:43,960

may have been sent the image by someone

215

00:09:48,870 --> 00:09:46,780

and took it for you know face barely

216

00:09:51,690 --> 00:09:48,880

possible yeah I mean that's usually what

217

00:09:53,820 --> 00:09:51,700

the UK tabloids you they just go out to

218

00:09:57,540 --> 00:09:53,830

these sites that post sensational stuff

219

00:09:59,400 --> 00:09:57,550

and and take their stuff and post it

220

00:10:01,380 --> 00:09:59,410

they don't do any vetting they don't

221

00:10:05,670 --> 00:10:01,390

figure out if it's fake or not they just

222

00:10:09,030 --> 00:10:05,680

say you know UFO expert Jimmy Joe UFO

223

00:10:13,650 --> 00:10:09,040

hoax or says this is real and and they

224

00:10:15,360 --> 00:10:13,660

put stay so that's entirely possible but

225

00:10:16,470 --> 00:10:15,370

at least from what we have Leedy feels

226

00:10:19,140 --> 00:10:16,480

that it could have been prompted

227

00:10:20,700 --> 00:10:19,150

themselves who did this so hard to say

228

00:10:25,230 --> 00:10:20,710

but I night that's a great thought

229

00:10:27,990 --> 00:10:25,240

because I wonder that myself hmm so

230

00:10:30,690 --> 00:10:28,000

anything else happening yeah another

231

00:10:37,320 --> 00:10:30,700

interesting one is from Nick Polk so

232

00:10:41,850 --> 00:10:37,330

Nick Pope wrote a article for at a new

233

00:10:45,030 --> 00:10:41,860

site in the UK called I news and his

234

00:10:48,330 --> 00:10:45,040

article was how would we fare in an

235

00:10:51,690 --> 00:10:48,340

alien evasion invasion and essentially

236

00:10:53,430 --> 00:10:51,700

he is a kind of piggybacking off of what

237

00:10:56,010 --> 00:10:53,440

we talked about I think last week was a

238

00:10:58,200 --> 00:10:56,020

Ridley Scott we've got a story on that

239

00:11:01,830 --> 00:10:58,210

on our site as well but Ridley Scott

240

00:11:04,120 --> 00:11:01,840

talking about how you know aliens are

241

00:11:09,220 --> 00:11:04,130

kind of bad we should run for it if you

242

00:11:11,590 --> 00:11:09,230

a UFO and I don't know you know some

243

00:11:16,120 --> 00:11:11,600

people do some people don't so people

244

00:11:18,340 --> 00:11:16,130

try to get a video of it but essentially

245

00:11:22,120 --> 00:11:18,350

yeah he kind of write about his thoughts

246

00:11:24,180 --> 00:11:22,130

on all of this so it's kind of cool do

247

00:11:28,960 --> 00:11:24,190

you think that there's something in

248

00:11:31,360 --> 00:11:28,970

place in any government like in case we

249

00:11:33,400 --> 00:11:31,370

get invaded you know this is the steps

250

00:11:35,430 --> 00:11:33,410

that we should take or do you think that

251
00:11:39,610 --> 00:11:35,440
would be caught completely by surprise

252
00:11:42,850 --> 00:11:39,620
no I'm sure there are protocols out

253
00:11:47,260 --> 00:11:42,860
there by think tanks just because you

254
00:11:49,390 --> 00:11:47,270
know the government will ask think tanks

255
00:11:51,670 --> 00:11:49,400
to do this for them to come up with

256
00:11:53,680 --> 00:11:51,680
different scenarios so that they have

257
00:11:57,340 --> 00:11:53,690
these protocols in these plans to call

258
00:12:00,460 --> 00:11:57,350
upon just in case something happens

259
00:12:02,560 --> 00:12:00,470
have they asked for this sort of thing I

260
00:12:03,940 --> 00:12:02,570
don't know for sure I mean it would be

261
00:12:05,470 --> 00:12:03,950
interesting there might be some people

262
00:12:07,960 --> 00:12:05,480
who would know Nick Pope would be

263
00:12:11,940 --> 00:12:07,970

someone to ask he says there's no real

264

00:12:16,750 --> 00:12:11,950

plans but sometimes these think tanks

265

00:12:19,360 --> 00:12:16,760

just as an exercise will use these sorts

266

00:12:21,130 --> 00:12:19,370

of things so over the years because they

267

00:12:24,670 --> 00:12:21,140

do so much of all of this I would

268

00:12:26,500 --> 00:12:24,680

imagine that something tank has has kind

269

00:12:31,480 --> 00:12:26,510

of come up with a plan over kind of

270

00:12:33,550 --> 00:12:31,490

thought about this and just just as an

271

00:12:38,680 --> 00:12:33,560

exercise you know for what the heck at

272

00:12:41,410 --> 00:12:38,690

it I think you know keeps them thinking

273

00:12:43,270 --> 00:12:41,420

and I you know gets an exercise for them

274

00:12:46,450 --> 00:12:43,280

to get together and talk and discuss in

275

00:12:48,010 --> 00:12:46,460

research so it's possible I wouldn't

276

00:12:49,750 --> 00:12:48,020

doubt that there was some kind of plan

277

00:12:51,520 --> 00:12:49,760

out there somewhere wouldn't that be

278

00:12:53,560 --> 00:12:51,530

fascinating to talk to someone that was

279

00:12:56,710 --> 00:12:53,570

you know part of a think-tank that

280

00:12:59,470 --> 00:12:56,720

actually went through this process to me

281

00:13:03,580 --> 00:12:59,480

I think well there are there is a book

282

00:13:05,470 --> 00:13:03,590

out there and it's really interesting we

283

00:13:08,980 --> 00:13:05,480

tried to get the guy one of the guys who

284

00:13:11,080 --> 00:13:08,990

wrote the book to come to our conference

285

00:13:12,490 --> 00:13:11,090

and maybe I'll try that again there were

286

00:13:14,290 --> 00:13:12,500

two people who wrote the book and I

287

00:13:17,210 --> 00:13:14,300

can't remember the details right now but

288

00:13:19,460 --> 00:13:17,220

I remember one of the guys was it

289

00:13:22,400 --> 00:13:19,470

but on this sort of thing not just

290

00:13:25,070 --> 00:13:22,410

aliens but overall coming up with plans

291

00:13:26,990 --> 00:13:25,080

and so they wrote a book about this what

292

00:13:29,600 --> 00:13:27,000

would we do if there's an alien invasion

293

00:13:32,840 --> 00:13:29,610

and kind of stuff and and these were

294

00:13:34,580 --> 00:13:32,850

both people who are in the field who

295

00:13:37,700 --> 00:13:34,590

come up with these sorts of plans for

296

00:13:40,790 --> 00:13:37,710

the government so that book I think is

297

00:13:42,860 --> 00:13:40,800

the best thing I've seen out there I

298

00:13:46,220 --> 00:13:42,870

can't remember what the book is people

299

00:13:48,380 --> 00:13:46,230

can google it and look for that

300

00:13:50,720 --> 00:13:48,390

innovation book of course you're going

301
00:13:52,820 --> 00:13:50,730
to find a lot of weird stuff out there

302
00:13:55,400 --> 00:13:52,830
so you're right

303
00:13:57,920 --> 00:13:55,410
but yeah there is one book serious book

304
00:13:59,690 --> 00:13:57,930
out there where they took a look in fact

305
00:14:02,720 --> 00:13:59,700
during the time when I was trying to get

306
00:14:04,850 --> 00:14:02,730
this guy to our conference he was on a

307
00:14:07,970 --> 00:14:04,860
television show some television show

308
00:14:10,430 --> 00:14:07,980
about you know weapons and defense and

309
00:14:12,140 --> 00:14:10,440
stuff like that so he was super busy at

310
00:14:15,710 --> 00:14:12,150
the time but I don't know if that shows

311
00:14:20,690 --> 00:14:15,720
on anymore that's why maybe it could hit

312
00:14:22,070 --> 00:14:20,700
him up again but yeah I I don't know if

313
00:14:23,960 --> 00:14:22,080

I have a copy of that book I'll have to

314

00:14:25,760 --> 00:14:23,970

look at my desk here and figure that out

315

00:14:28,820 --> 00:14:25,770

but I remember I was attempting to get a

316

00:14:33,230 --> 00:14:28,830

copy at one point huh Wow how about that

317

00:14:35,210 --> 00:14:33,240

so is that it for it for the news you

318

00:14:39,080 --> 00:14:35,220

can find all of those stories on the

319

00:14:42,020 --> 00:14:39,090

front page of open minds that TV and um

320

00:14:45,350 --> 00:14:42,030

Thank You Martin so much for having me

321

00:14:47,240 --> 00:14:45,360

on well and I can't I owe you a big

322

00:14:49,670 --> 00:14:47,250

thank you as well sir thanks so much

323

00:14:51,590 --> 00:14:49,680

yeah watch out for those aliens although

324

00:14:52,490 --> 00:14:51,600

I think they're actually just bugs I

325

00:14:54,380 --> 00:14:52,500

think so too

326

00:14:56,270 --> 00:14:54,390

all right all right you take care and

327

00:14:56,570 --> 00:14:56,280

I'll talk to you next week talk to you

328

00:14:58,280 --> 00:14:56,580

later

329

00:14:59,690 --> 00:14:58,290

all right everyone hang in there for

330

00:15:03,230 --> 00:14:59,700

this quick music break and we'll be

331

00:16:19,120 --> 00:15:03,240

right back with John D'Souza

332

00:16:21,710 --> 00:16:19,130

[Music]

333

00:16:23,660 --> 00:16:21,720

hey hello everyone before I get started

334

00:16:25,550 --> 00:16:23,670

here I wanted to make a couple of quick

335

00:16:28,280 --> 00:16:25,560

announcements thank you for joining the

336

00:16:30,620 --> 00:16:28,290

show and that is well in the chat right

337

00:16:32,870 --> 00:16:30,630

now is our blog writer from India

338

00:16:34,550 --> 00:16:32,880

there's a brand new blog up just went up

339

00:16:36,920 --> 00:16:34,560

the other day a great one it's basically

340

00:16:42,250 --> 00:16:36,930

UFOs over India this goes back to

341

00:16:45,019 --> 00:16:42,260

ancient times really well written also

342

00:16:48,590 --> 00:16:45,029

we had to make a change this week our

343

00:16:51,260 --> 00:16:48,600

Monday everything else show with Edwards

344

00:16:53,389 --> 00:16:51,270

seemed a was switched up for Friday

345

00:16:55,910 --> 00:16:53,399

because he's actually on some Island

346

00:16:57,530 --> 00:16:55,920

celebrate celebrating his wife's 70th

347

00:16:59,810 --> 00:16:57,540

birthday forgot all about that

348

00:17:03,139 --> 00:16:59,820

so that show is going to come up on

349

00:17:05,540 --> 00:17:03,149

Friday evening so check that out the

350

00:17:08,059 --> 00:17:05,550

everything else show you get to it from

351

00:17:11,079 --> 00:17:08,069

our website podcast UFO and that's it

352

00:17:15,799 --> 00:17:11,089

it's time for me to introduce our guest

353

00:17:17,270 --> 00:17:15,809

John D'Souza former FBI and he has

354

00:17:18,579 --> 00:17:17,280

written a book and we're going to be

355

00:17:20,240 --> 00:17:18,589

talking about that and a lot more

356

00:17:24,230 --> 00:17:20,250

welcome to the show

357

00:17:26,120 --> 00:17:24,240

John Thank You Martin thank you so much

358

00:17:29,240 --> 00:17:26,130

so nice to be here you and your

359

00:17:32,360 --> 00:17:29,250

listeners viewers it's really a really

360

00:17:36,080 --> 00:17:32,370

yes well great great I know you found me

361

00:17:37,760 --> 00:17:36,090

I believe I believe that you actually

362

00:17:41,299 --> 00:17:37,770

wrote me an email and it's always good

363

00:17:43,970 --> 00:17:41,309

when people reach out in that way I'm

364

00:17:47,060 --> 00:17:43,980

just trying to change the chat that you

365

00:17:48,980 --> 00:17:47,070

and I were using on the video here hang

366

00:17:50,330 --> 00:17:48,990

on just a minute some reason showing

367

00:17:53,030 --> 00:17:50,340

over to the side and I can't get rid of

368

00:17:54,169 --> 00:17:53,040

it I'd rather you take the whole screen

369

00:17:56,780 --> 00:17:54,179

over and I don't know how to change that

370

00:17:58,580 --> 00:17:56,790

so can you start I'm going to work on

371

00:17:59,870 --> 00:17:58,590

that can you start by telling the

372

00:18:03,620 --> 00:17:59,880

audience a little bit about your

373

00:18:05,870 --> 00:18:03,630

background and I got you interested you

374

00:18:09,710 --> 00:18:05,880

had a sighting early but basically just

375

00:18:12,890 --> 00:18:09,720

we want to know who you are so go ahead

376

00:18:15,140 --> 00:18:12,900

if you would yes for your viewers my

377

00:18:17,740 --> 00:18:15,150

name is John D'Souza I was a special

378

00:18:20,860 --> 00:18:17,750

agent in the FBI for over 20 years

379

00:18:23,740 --> 00:18:20,870

during that time I worked mostly

380

00:18:27,670 --> 00:18:23,750

counterterrorism investigations or

381

00:18:31,140 --> 00:18:27,680

or file investigations the Unabomber the

382

00:18:36,090 --> 00:18:31,150

World Trade Center bombing of 93 and

383

00:18:40,060 --> 00:18:36,100

9/11 terrorist acts that occurred and

384

00:18:44,370 --> 00:18:40,070

many others violent crimes also but also

385

00:18:47,170 --> 00:18:44,380

during my time in the FBI I also was

386

00:18:49,780 --> 00:18:47,180

collected a lot of what I call the real

387

00:18:55,030 --> 00:18:49,790

x-files and I share those with people in

388

00:18:58,570 --> 00:18:55,040

my books today also what also I was I'm

389

00:19:02,620 --> 00:18:58,580

an investigator that I believe has a

390

00:19:04,930 --> 00:19:02,630

greater objectivity in paranormal events

391

00:19:08,580 --> 00:19:04,940

and the reason for that is because I

392

00:19:12,430 --> 00:19:08,590

have seen both sides of the equation for

393

00:19:14,680 --> 00:19:12,440

instance when I was was about and this

394

00:19:17,530 --> 00:19:14,690

is related in my books like the

395

00:19:19,180 --> 00:19:17,540

extradimensional when I was about nine

396

00:19:23,470 --> 00:19:19,190

years old I had a couple of experiences

397

00:19:26,380 --> 00:19:23,480

that really opened up my eyes I had a

398

00:19:28,300 --> 00:19:26,390

kind of observation experience I was

399

00:19:32,140 --> 00:19:28,310

those nine was growing up in New York

400

00:19:35,260 --> 00:19:32,150

City I was with my parents out in New

401
00:19:38,350 --> 00:19:35,270
York City night on a big rental hall

402
00:19:42,040 --> 00:19:38,360
where few hundred B people gathered for

403
00:19:43,960 --> 00:19:42,050
a wedding reception and it was for me

404
00:19:47,830 --> 00:19:43,970
and a lot of other little kids it wasn't

405
00:19:50,320 --> 00:19:47,840
very entertaining for us inside there so

406
00:19:52,060 --> 00:19:50,330
at about 1:00 in the morning

407
00:19:53,740 --> 00:19:52,070
it was probably way past her bedtime

408
00:19:56,200 --> 00:19:53,750
that any of us had ever stayed up to

409
00:19:56,860 --> 00:19:56,210
that point and we spilled out into the

410
00:20:03,250 --> 00:19:56,870
streets

411
00:20:05,880 --> 00:20:03,260
it was late it was the middle of the

412
00:20:08,500 --> 00:20:05,890
city of New York City Manhattan and

413
00:20:12,790 --> 00:20:08,510

there were basically no cars out there

414

00:20:15,490 --> 00:20:12,800

no nothing and we ran I ran we were

415

00:20:17,800 --> 00:20:15,500

playing a group got very spirited one of

416

00:20:19,300 --> 00:20:17,810

the kids had me hit me in the stomach so

417

00:20:21,610 --> 00:20:19,310

now I went down on the sidewalk one of

418

00:20:23,980 --> 00:20:21,620

the kids yelled out he's really hurt and

419

00:20:26,170 --> 00:20:23,990

so they did they all just took off

420

00:20:28,120 --> 00:20:26,180

running and they ran back to the rental

421

00:20:31,240 --> 00:20:28,130

home where we came from and I was left

422

00:20:33,010 --> 00:20:31,250

her by myself I was staring up at -

423

00:20:34,330 --> 00:20:33,020

between two of the tallest buildings I'd

424

00:20:37,210 --> 00:20:34,340

ever seen - that point

425

00:20:40,120 --> 00:20:37,220

and it was a very starry night that was

426

00:20:42,310 --> 00:20:40,130

stars everywhere except in this space

427

00:20:45,870 --> 00:20:42,320

about these two buildings and I looked

428

00:20:49,300 --> 00:20:45,880

up and I just kept seeing a black space

429

00:20:52,090 --> 00:20:49,310

up between these two tall buildings and

430

00:20:55,300 --> 00:20:52,100

there were no stars and if you look like

431

00:20:56,980 --> 00:20:55,310

sort of like an ink black ink cloud like

432

00:20:59,800 --> 00:20:56,990

the kind of squid would give off in the

433

00:21:03,790 --> 00:20:59,810

water to try to grab it and I kept

434

00:21:05,950 --> 00:21:03,800

looking at that and suddenly up the sky

435

00:21:10,030 --> 00:21:05,960

at this and suddenly from the bottom of

436

00:21:13,720 --> 00:21:10,040

this blackish cloud emerged lights the

437

00:21:16,300 --> 00:21:13,730

whites coming up and our vehicle UFO

438

00:21:20,070 --> 00:21:16,310

vehicle came out of the bottom that

439

00:21:22,990 --> 00:21:20,080

thing and started coming towards me and

440

00:21:24,850 --> 00:21:23,000

so I was by this I was on my feet and

441

00:21:27,910 --> 00:21:24,860

just looking up at it and it was

442

00:21:31,540 --> 00:21:27,920

proceeding down towards me very slowly

443

00:21:35,560 --> 00:21:31,550

and I was looking up and it I felt like

444

00:21:38,680 --> 00:21:35,570

a spotlight came over me and I felt like

445

00:21:42,460 --> 00:21:38,690

I don't know like ass perception of this

446

00:21:45,520 --> 00:21:42,470

vehicle that it was intelligent alive

447

00:21:49,270 --> 00:21:45,530

however conscious however you want to

448

00:21:50,980 --> 00:21:49,280

phrase that and two girls two teenage

449

00:21:52,510 --> 00:21:50,990

girls appeared on my left and they were

450

00:21:54,670 --> 00:21:52,520

screaming their heads off so I know

451
00:21:56,530 --> 00:21:54,680
somebody else was seeing it as well and

452
00:21:58,930 --> 00:21:56,540
they were screaming that one of them

453
00:22:01,270 --> 00:21:58,940
screaming world is might be ending

454
00:22:03,580 --> 00:22:01,280
little boy you better run home grabbity

455
00:22:05,110 --> 00:22:03,590
they were hugging each other looking up

456
00:22:08,110 --> 00:22:05,120
at this thing screaming then they

457
00:22:11,080 --> 00:22:08,120
disappeared and then I was still looking

458
00:22:12,550 --> 00:22:11,090
at the thing as it was approaching and I

459
00:22:14,230 --> 00:22:12,560
took it was like we both change our

460
00:22:15,940 --> 00:22:14,240
minds at the same time I took a step

461
00:22:20,170 --> 00:22:15,950
back and the thing reversed course and

462
00:22:21,700 --> 00:22:20,180
just went back up and basically like a

463
00:22:23,980 --> 00:22:21,710

cartoon character jumped in the hole

464

00:22:25,630 --> 00:22:23,990

pulls a hole in after it this thing went

465

00:22:27,730 --> 00:22:25,640

back up into the cloud the cloud was

466

00:22:31,600 --> 00:22:27,740

gone I can see the stars again up there

467

00:22:33,220 --> 00:22:31,610

and I just took off at that point I took

468

00:22:37,330 --> 00:22:33,230

off went back to the hall where my

469

00:22:39,700 --> 00:22:37,340

parents were and I just tried to explain

470

00:22:41,710 --> 00:22:39,710

to them what happened and they were not

471

00:22:42,970 --> 00:22:41,720

happy to hear about it in public that's

472

00:22:44,890 --> 00:22:42,980

for sure

473

00:22:48,490 --> 00:22:44,900

so later on at home and went a little

474

00:22:50,080 --> 00:22:48,500

better and but not much better and that

475

00:22:52,090 --> 00:22:50,090

was my that was my first great

476

00:22:54,610 --> 00:22:52,100

experience before you move the whole you

477

00:22:57,970 --> 00:22:54,620

move on from that up did you talk about

478

00:23:00,220 --> 00:22:57,980

this a lot in your life or did you did

479

00:23:01,750 --> 00:23:00,230

your parents kind of make you feel bad

480

00:23:05,740 --> 00:23:01,760

about that like uh

481

00:23:09,520 --> 00:23:05,750

did they did they believe you not it not

482

00:23:14,140 --> 00:23:09,530

at all my my mom did believe me my mom

483

00:23:16,240 --> 00:23:14,150

was a was a person that was able to

484

00:23:18,690 --> 00:23:16,250

speak to me in terms that I could

485

00:23:23,159 --> 00:23:18,700

understand and she gave me a briefing

486

00:23:27,700 --> 00:23:23,169

basically on the importance of not

487

00:23:30,370 --> 00:23:27,710

talking to not revealing this sort of

488

00:23:32,140 --> 00:23:30,380

thing to certain people or in front of

489

00:23:35,590 --> 00:23:32,150

certain people because there would be

490

00:23:37,390 --> 00:23:35,600

negative consequences and she never told

491

00:23:39,039 --> 00:23:37,400

me what those negative consequences were

492

00:23:41,320 --> 00:23:39,049

but I took her meaning and I understood

493

00:23:43,510 --> 00:23:41,330

she said these these sorts of themes

494

00:23:46,169 --> 00:23:43,520

these sort of things you can talk about

495

00:23:50,470 --> 00:23:46,179

with certain people but you cannot

496

00:23:53,650 --> 00:23:50,480

discuss them in open air in front of

497

00:23:55,180 --> 00:23:53,660

general public because it will turn out

498

00:23:59,620 --> 00:23:55,190

that's not right now you're talking

499

00:24:02,830 --> 00:23:59,630

about now you know this part where the

500

00:24:05,890 --> 00:24:02,840

two teenage girls said to you the the

501
00:24:08,980 --> 00:24:05,900
world is where the world is ending that

502
00:24:11,470 --> 00:24:08,990
is something that I've actually heard a

503
00:24:12,850 --> 00:24:11,480
number of people say that's like the

504
00:24:15,310 --> 00:24:12,860
first thought that goes through

505
00:24:18,280 --> 00:24:15,320
someone's head a lot of times when

506
00:24:20,890 --> 00:24:18,290
during a major sighting so I find that

507
00:24:23,320 --> 00:24:20,900
pretty interesting that strange that you

508
00:24:25,840 --> 00:24:23,330
say that because yeah that was the first

509
00:24:28,770 --> 00:24:25,850
thing and then what's funny is those

510
00:24:30,760 --> 00:24:28,780
after that young lady said that I

511
00:24:32,770 --> 00:24:30,770
realize how important it was that she

512
00:24:35,110 --> 00:24:32,780
was that they were there because it is

513
00:24:37,870 --> 00:24:35,120

actually confirmed that other people

514

00:24:39,580 --> 00:24:37,880

were seeing it but more importantly they

515

00:24:40,900 --> 00:24:39,590

after that they disappeared and people

516

00:24:43,659 --> 00:24:40,910

ask me sometimes

517

00:24:46,600 --> 00:24:43,669

did they or they take him how did they

518

00:24:49,419 --> 00:24:46,610

did or did they run away and I really

519

00:24:51,340 --> 00:24:49,429

don't have any idea because they were I

520

00:24:52,940 --> 00:24:51,350

didn't I never looked back I just knew

521

00:24:54,650 --> 00:24:52,950

that they were gone

522

00:24:56,450 --> 00:24:54,660

weren't there anything about yeah so

523

00:24:58,220 --> 00:24:56,460

yeah that end-of-the-world comment

524

00:25:01,280 --> 00:24:58,230

that's that's funny yes yeah when your

525

00:25:03,620 --> 00:25:01,290

paradigm is ripped out completely that

526

00:25:07,430 --> 00:25:03,630

is the first thought many people have

527

00:25:09,380 --> 00:25:07,440

yeah it's true and so uh so you somehow

528

00:25:12,380 --> 00:25:09,390

you get into the FBI which is uh which

529

00:25:15,020 --> 00:25:12,390

is like kind of a dream I would consider

530

00:25:18,020 --> 00:25:15,030

kind of a dream job and heart very hard

531

00:25:19,670 --> 00:25:18,030

to get a loop so how did all that how

532

00:25:25,580 --> 00:25:19,680

did it lead how did your life lead to

533

00:25:28,820 --> 00:25:25,590

that once I was in the FBI because I I

534

00:25:31,790 --> 00:25:28,830

became an attorney and I didn't I wasn't

535

00:25:33,680 --> 00:25:31,800

really interested in practice of law but

536

00:25:36,530 --> 00:25:33,690

I knew that that was one of the

537

00:25:39,200 --> 00:25:36,540

categories that FBI enjoyed the FBI

538

00:25:42,170 --> 00:25:39,210

likes very much so it helped me also to

539

00:25:46,670 --> 00:25:42,180

get into to become an FBI special agent

540

00:25:50,150 --> 00:25:46,680

and once I became an FBI special agent

541

00:25:52,370 --> 00:25:50,160

weed I had a couple of I had a couple of

542

00:25:54,110 --> 00:25:52,380

more experiences I thought I was done

543

00:25:58,550 --> 00:25:54,120

with paranormal experiences but I did

544

00:26:04,730 --> 00:25:58,560

have some and the first great experience

545

00:26:07,300 --> 00:26:04,740

I had of the paranormal was when 9/11

546

00:26:11,000 --> 00:26:07,310

happened well had to know before

547

00:26:13,730 --> 00:26:11,010

including before 9/11 happened and that

548

00:26:15,170 --> 00:26:13,740

was the experience that I had one with

549

00:26:18,350 --> 00:26:15,180

many other law enforcement officers

550

00:26:20,330 --> 00:26:18,360

about the indigo kids of 9/11 which I

551

00:26:23,120 --> 00:26:20,340

write about in my first book the para

552

00:26:26,660 --> 00:26:23,130

investigators and that was basically the

553

00:26:30,050 --> 00:26:26,670

story of kids all over the country as

554

00:26:33,830 --> 00:26:30,060

young as young as four or five years old

555

00:26:37,280 --> 00:26:33,840

going all the way up to about this was

556

00:26:40,480 --> 00:26:37,290

pious eleven eleven to twelve years old

557

00:26:43,880 --> 00:26:40,490

kids all over the country who had these

558

00:26:46,760 --> 00:26:43,890

experiences in the weeks before 9/11

559

00:26:50,800 --> 00:26:46,770

happened where they were having they had

560

00:26:55,010 --> 00:26:50,810

visions they had experiences and Precog

561

00:26:57,850 --> 00:26:55,020

experiences of what would happen on 9/11

562

00:27:02,240 --> 00:26:57,860

and these kids were reported by

563

00:27:04,580 --> 00:27:02,250

caretakers and babysitters school

564

00:27:07,070 --> 00:27:04,590

drivers parents wouldn't report their

565

00:27:08,690 --> 00:27:07,080

own kids but after 9/11 happened there

566

00:27:11,390 --> 00:27:08,700

was this big see something say something

567

00:27:13,970 --> 00:27:11,400

campaign and so anything they could have

568

00:27:17,330 --> 00:27:13,980

any sort of relation any possible

569

00:27:19,250 --> 00:27:17,340

relation to the terrorist acts had to be

570

00:27:22,820 --> 00:27:19,260

reported and had to be investigated all

571

00:27:26,360 --> 00:27:22,830

the way out and so we had and I can tell

572

00:27:28,910 --> 00:27:26,370

you for instance I had a we had a little

573

00:27:30,800 --> 00:27:28,920

girl who was on a playground and wasn't

574

00:27:33,290 --> 00:27:30,810

playing with the other kids one day and

575

00:27:35,930 --> 00:27:33,300

she was just sitting there in her little

576

00:27:37,370 --> 00:27:35,940

skirt and sitting in the dirt and kind

577

00:27:40,430 --> 00:27:37,380

of tracing something with her finger

578

00:27:42,380 --> 00:27:40,440

teacher comes over sister are you okay

579

00:27:45,380 --> 00:27:42,390

so you're what do you want you all right

580

00:27:48,110 --> 00:27:45,390

and the little girl says oh no I'm fine

581

00:27:50,960 --> 00:27:48,120

I'm just thinking and the teacher goes

582

00:27:53,990 --> 00:27:50,970

to walk away little girl pulls on her

583

00:27:57,080 --> 00:27:54,000

skirt violently and says to her

584

00:27:59,090 --> 00:27:57,090

Toro make sure you stay away from tall

585

00:28:01,670 --> 00:27:59,100

buildings his tall building sometimes

586

00:28:06,500 --> 00:28:01,680

fall down and they sometimes they fall

587

00:28:08,300 --> 00:28:06,510

on people so that was one you know

588

00:28:10,400 --> 00:28:08,310

teacher probably walked away just chalk

589

00:28:12,230 --> 00:28:10,410

it up to too much sugar let's know there

590

00:28:14,840 --> 00:28:12,240

was a little boy doing an arts and

591

00:28:17,330 --> 00:28:14,850

crafts and this is in on my facebook on

592

00:28:20,180 --> 00:28:17,340

the trailer for my book the pyro

593

00:28:21,920 --> 00:28:20,190

investigators there's a little boy who's

594

00:28:24,410 --> 00:28:21,930

doing arts and crafts he's afraid of

595

00:28:27,170 --> 00:28:24,420

paintings he's painting in his class

596

00:28:31,190 --> 00:28:27,180

very happily there and teacher comes

597

00:28:32,780 --> 00:28:31,200

over and says to him so oh this is very

598

00:28:35,000 --> 00:28:32,790

beautiful painting painting these two

599

00:28:37,490 --> 00:28:35,010

tall buildings and they appear to be

600

00:28:39,530 --> 00:28:37,500

cooling it's very it's very beautiful

601
00:28:41,450 --> 00:28:39,540
and you have angels flying out of the

602
00:28:43,550 --> 00:28:41,460
buildings with these red wings and

603
00:28:46,370 --> 00:28:43,560
little boy said those buildings aren't

604
00:28:48,680 --> 00:28:46,380
glowing those buildings are on fire and

605
00:28:49,670 --> 00:28:48,690
those people aren't angels they're

606
00:28:51,980 --> 00:28:49,680
people

607
00:28:53,690 --> 00:28:51,990
those wings those they're on fire and

608
00:28:56,750 --> 00:28:53,700
they're jumping out of these buildings

609
00:28:59,120 --> 00:28:56,760
so teacher just walks away from kid like

610
00:29:02,270 --> 00:28:59,130
that again just doesn't think about it

611
00:29:04,910 --> 00:29:02,280
again until something happens there's

612
00:29:07,460 --> 00:29:04,920
another little boy woke up apparently

613
00:29:08,649 --> 00:29:07,470

didn't sleep very much in the days

614

00:29:11,369 --> 00:29:08,659

before 9/11

615

00:29:14,739 --> 00:29:11,379

and wakes up on a school bus and he's

616

00:29:16,869 --> 00:29:14,749

screaming screaming about building being

617

00:29:19,659 --> 00:29:16,879

on fire and people burned the line and

618

00:29:22,930 --> 00:29:19,669

the school bus driver wakes him wakes

619

00:29:24,700 --> 00:29:22,940

him up and kid goes to school like

620

00:29:28,419 --> 00:29:24,710

nothing happened now all of these

621

00:29:31,479 --> 00:29:28,429

incidences were seen by adults and the

622

00:29:34,539 --> 00:29:31,489

kind of didn't really put much stock in

623

00:29:37,629 --> 00:29:34,549

it until 9/11 happen and then they

624

00:29:38,830 --> 00:29:37,639

remembered these incidences and they

625

00:29:40,389 --> 00:29:38,840

reported the man so they actually

626

00:29:44,190 --> 00:29:40,399

reported these to the FBI

627

00:29:48,700 --> 00:29:44,200

these are yet to task forces and in

628

00:29:51,969 --> 00:29:48,710

these task forces that makes up FBI and

629

00:29:54,399 --> 00:29:51,979

police departments and other state state

630

00:29:56,320 --> 00:29:54,409

departments there's there's these task

631

00:29:59,320 --> 00:29:56,330

force's had members from all

632

00:30:02,469 --> 00:29:59,330

jurisdictions in them and so big

633

00:30:06,099 --> 00:30:02,479

strapping police often enforcement

634

00:30:09,849 --> 00:30:06,109

officers with guns had to go out and had

635

00:30:11,440 --> 00:30:09,859

to antenna interview not to say not to

636

00:30:13,570 --> 00:30:11,450

say interrogate they had to interview

637

00:30:16,529 --> 00:30:13,580

these little kids and get them to

638

00:30:20,409 --> 00:30:16,539

remember these very often traumatic

639

00:30:22,570 --> 00:30:20,419

dreams and visions that a lot of times

640

00:30:25,299 --> 00:30:22,580

these kids had to really be reminded

641

00:30:27,159 --> 00:30:25,309

that this even happened because it

642

00:30:29,529 --> 00:30:27,169

didn't really it didn't really connect

643

00:30:31,089 --> 00:30:29,539

to anything in their minds and so yeah

644

00:30:33,729 --> 00:30:31,099

they had to be they had to be

645

00:30:35,529 --> 00:30:33,739

interviewed thoroughly oh the parents

646

00:30:38,969 --> 00:30:35,539

helped of course and they had to be and

647

00:30:41,979 --> 00:30:38,979

the whole thing the whole lead

648

00:30:45,009 --> 00:30:41,989

investigation had to be run out for any

649

00:30:47,440 --> 00:30:45,019

possible connection to terrorism in

650

00:30:49,779 --> 00:30:47,450

other words did these kids overhear

651
00:30:52,149 --> 00:30:49,789
something maybe did they overhear you

652
00:30:54,879 --> 00:30:52,159
know parents that were in league with

653
00:30:57,099 --> 00:30:54,889
some terrorists somewhere and you know

654
00:30:59,940 --> 00:30:57,109
is that maybe how they got this bad

655
00:31:02,739 --> 00:30:59,950
dream this this vision is Precog

656
00:31:04,419 --> 00:31:02,749
impression that they got maybe they got

657
00:31:06,609 --> 00:31:04,429
it from a group of people that they

658
00:31:08,409 --> 00:31:06,619
overheard so all of that had to be

659
00:31:10,960 --> 00:31:08,419
explored in every single one of these

660
00:31:13,239 --> 00:31:10,970
cases of course every single time it

661
00:31:15,399 --> 00:31:13,249
always came back no connection to

662
00:31:16,890 --> 00:31:15,409
terrorism whatsoever and you know

663
00:31:19,860 --> 00:31:16,900

background checks of course

664

00:31:23,010 --> 00:31:19,870

I'm family and parents and nothing

665

00:31:25,620 --> 00:31:23,020

nothing negative or derogatory ever came

666

00:31:31,620 --> 00:31:25,630

up on these so so pretty much all of

667

00:31:35,430 --> 00:31:31,630

these incidents or were 100% paranormal

668

00:31:38,100 --> 00:31:35,440

and that was really shocking that was

669

00:31:39,930 --> 00:31:38,110

like like you said about um you know

670

00:31:41,850 --> 00:31:39,940

people saying maybe the world is ending

671

00:31:42,840 --> 00:31:41,860

when their their paradigm gets ripped

672

00:31:45,240 --> 00:31:42,850

out all of these law enforcement

673

00:31:48,990 --> 00:31:45,250

officers because we had conventions

674

00:31:51,120 --> 00:31:49,000

after after long after 9/11 we had then

675

00:31:53,850 --> 00:31:51,130

we had gotten together and talked to

676
00:31:55,350 --> 00:31:53,860
china exchange these stories and every

677
00:31:57,510 --> 00:31:55,360
single law enforcement officer that was

678
00:32:01,230 --> 00:31:57,520
involved with these interviews like

679
00:32:03,540 --> 00:32:01,240
myself were changed yeah forever because

680
00:32:04,980 --> 00:32:03,550
they knew what the final result of each

681
00:32:07,950 --> 00:32:04,990
one of these cases yeah another

682
00:32:10,340 --> 00:32:07,960
unexplainable just like the you know

683
00:32:13,650 --> 00:32:10,350
this topic that I explore here is just

684
00:32:15,120 --> 00:32:13,660
totally unexplainable you know a lot of

685
00:32:19,440 --> 00:32:15,130
people have theories including your

686
00:32:22,110 --> 00:32:19,450
theory we'll get into that and so I

687
00:32:24,870 --> 00:32:22,120
actually have a friend real quickly in

688
00:32:27,900 --> 00:32:24,880

that's a former FBI and he had the

689

00:32:30,600 --> 00:32:27,910

absolute coolest job and that is his art

690

00:32:32,160 --> 00:32:30,610

theft recovery traveled all over the

691

00:32:35,460 --> 00:32:32,170

world incognito

692

00:32:38,490 --> 00:32:35,470

all that is a great job I would love to

693

00:32:41,400 --> 00:32:38,500

yeah he but that means he he had some

694

00:32:43,470 --> 00:32:41,410

kind of a master's degree in art Islam

695

00:32:45,270 --> 00:32:43,480

you know he told me that he grew up like

696

00:32:47,310 --> 00:32:45,280

I did just around his parents were

697

00:32:49,320 --> 00:32:47,320

antique dealers his name is Robert

698

00:32:53,340 --> 00:32:49,330

Wittman anyone can look at him he's

699

00:32:55,560 --> 00:32:53,350

still he wrote a great book really

700

00:32:58,230 --> 00:32:55,570

interesting guy he's been you know had

701
00:33:00,360 --> 00:32:58,240
machine guns you know held up against

702
00:33:02,880 --> 00:33:00,370
him he carried you know the briefcases

703
00:33:05,070 --> 00:33:02,890
full of cash pretended to be a dumb

704
00:33:07,560 --> 00:33:05,080
person who loved art or a professor of

705
00:33:10,140 --> 00:33:07,570
art you know all that stuff incognito

706
00:33:13,560 --> 00:33:10,150
for 20 years for the FBI all over the

707
00:33:15,210 --> 00:33:13,570
world that's fast enough and and Martin

708
00:33:17,610 --> 00:33:15,220
you haven't had him on yourself no no I

709
00:33:19,320 --> 00:33:17,620
you know I do the other show I have

710
00:33:21,470 --> 00:33:19,330
that's not related to UFOs that would be

711
00:33:25,320 --> 00:33:21,480
fun to have him on that show absolutely

712
00:33:29,550 --> 00:33:25,330
absolutely so so you were involved for

713
00:33:30,810 --> 00:33:29,560

20 years with the FBI and and why were

714

00:33:32,340 --> 00:33:30,820

you called the X we

715

00:33:36,000 --> 00:33:32,350

called something like the x-man I think

716

00:33:38,910 --> 00:33:36,010

I read that somewhere yeah yeah it was

717

00:33:41,220 --> 00:33:38,920

not a compliment it happened during it

718

00:33:44,190 --> 00:33:41,230

happened during a minor scandal that

719

00:33:46,890 --> 00:33:44,200

occurred in the FBI in the 90s when the

720

00:33:50,970 --> 00:33:46,900

x-files course came out was hugely

721

00:33:55,670 --> 00:33:50,980

popular and apparently the x-files were

722

00:34:00,270 --> 00:33:55,680

were using some stories that came from

723

00:34:02,430 --> 00:34:00,280

real-life FBI cases and to this day I am

724

00:34:05,130 --> 00:34:02,440

still working to track down exactly

725

00:34:08,550 --> 00:34:05,140

which episodes match up with actually

726

00:34:12,960 --> 00:34:08,560

what FBI cases because what happened was

727

00:34:16,409 --> 00:34:12,970

are some people in our leadership ended

728

00:34:19,080 --> 00:34:16,419

up calling the creator yes I heard that

729

00:34:22,230 --> 00:34:19,090

Chris Carter oh yeah mm-hmm yes and he

730

00:34:25,830 --> 00:34:22,240

talks like this today and and they made

731

00:34:28,350 --> 00:34:25,840

him feel or to understand or made him

732

00:34:31,560 --> 00:34:28,360

feel that they could possibly shut down

733

00:34:32,880 --> 00:34:31,570

the x-files I don't see what possible

734

00:34:35,669 --> 00:34:32,890

excuse they could have for that door

735

00:34:37,830 --> 00:34:35,679

because but but that's what apparently

736

00:34:40,200 --> 00:34:37,840

that's what they made him to feel or

737

00:34:43,110 --> 00:34:40,210

understand did they accuse him of a like

738

00:34:45,350 --> 00:34:43,120

did they accuse someone of leaking

739

00:34:48,360 --> 00:34:45,360

information to him is that basically it

740

00:34:50,900 --> 00:34:48,370

well that's what I was accused of and I

741

00:34:54,240 --> 00:34:50,910

had to be able to show that I had no

742

00:34:57,150 --> 00:34:54,250

contacts with Chris Carter and I was

743

00:34:59,190 --> 00:34:57,160

able to say that because it's perfectly

744

00:35:01,560 --> 00:34:59,200

fine for Chris Carter to talk to

745

00:35:03,060 --> 00:35:01,570

retired FBI agents as consultants

746

00:35:07,170 --> 00:35:03,070

there's nothing wrong with that at all

747

00:35:10,140 --> 00:35:07,180

but no but you're not allowed to consult

748

00:35:12,210 --> 00:35:10,150

with people who are at that time working

749

00:35:14,550 --> 00:35:12,220

at the FBI that's not allowed

750

00:35:15,830 --> 00:35:14,560

definitely not allowed and so that's

751

00:35:19,020 --> 00:35:15,840

what they were concerned about

752

00:35:20,670 --> 00:35:19,030

supposedly and so Chris Carter was able

753

00:35:22,410 --> 00:35:20,680

to show them that he didn't do anything

754

00:35:25,800 --> 00:35:22,420

he wasn't getting information from

755

00:35:28,140 --> 00:35:25,810

anywhere strange or anywhere that was

756

00:35:30,860 --> 00:35:28,150

currently functioning with the FBI I was

757

00:35:33,960 --> 00:35:30,870

also able to show that I was not

758

00:35:35,820 --> 00:35:33,970

consulting not giving any information to

759

00:35:38,580 --> 00:35:35,830

Chris Carter but by that time I was

760

00:35:39,680 --> 00:35:38,590

already being called the x-files guy the

761

00:35:42,920 --> 00:35:39,690

x-files man

762

00:35:44,990 --> 00:35:42,930

because I loved the x-files so much but

763

00:35:47,000 --> 00:35:45,000

even but after that happened I was just

764

00:35:49,160 --> 00:35:47,010

they just trying to call me the x-man

765

00:35:52,089 --> 00:35:49,170

because I think I was actually told by

766

00:35:54,079 --> 00:35:52,099

superiors I have been demoted from g-man

767

00:35:55,809 --> 00:35:54,089

they call you they didn't call you

768

00:35:59,539 --> 00:35:55,819

Mulder huh

769

00:36:02,690 --> 00:35:59,549

no oh yeah that's right um so your book

770

00:36:04,490 --> 00:36:02,700

um you said this is your second this

771

00:36:06,020 --> 00:36:04,500

your second book or you have a few of

772

00:36:10,190 --> 00:36:06,030

you have more books don't you or is that

773

00:36:13,309 --> 00:36:10,200

just - it is mine it is my my second

774

00:36:15,829 --> 00:36:13,319

book I love being on video it's cool

775

00:36:18,770 --> 00:36:15,839

like yeah this now my first book is the

776

00:36:21,589 --> 00:36:18,780

power investigators that's the one but I

777

00:36:24,880 --> 00:36:21,599

wrote as soon as I retired from the FBI

778

00:36:28,579 --> 00:36:24,890

and my second book we're going video is

779

00:36:32,180 --> 00:36:28,589

the extra dimensions the news when you

780

00:36:34,880 --> 00:36:32,190

retire from the FBI do you sign any type

781

00:36:38,240 --> 00:36:34,890

of I don't know exactly what like a

782

00:36:40,460 --> 00:36:38,250

confidentiality or anything like that

783

00:36:42,020 --> 00:36:40,470

oh yeah so they're certain do they

784

00:36:46,670 --> 00:36:42,030

actually debrief you on certain topics

785

00:36:51,079 --> 00:36:46,680

you can't talk about not for me that

786

00:36:53,930 --> 00:36:51,089

never never did but usually that if that

787

00:36:56,029 --> 00:36:53,940

happens usually that's political for

788

00:36:58,880 --> 00:36:56,039

instance they will if you were involved

789

00:37:01,339 --> 00:36:58,890

I don't know let's say with Bill

790

00:37:04,010 --> 00:37:01,349

Clinton's protection detail for whatever

791

00:37:05,510 --> 00:37:04,020

reason there's no reason that I mean if

792

00:37:09,049 --> 00:37:05,520

you're involved with something like that

793

00:37:11,750 --> 00:37:09,059

and so there's political considerations

794

00:37:15,260 --> 00:37:11,760

involved with that and they don't want

795

00:37:17,539 --> 00:37:15,270

you running around and telling Bill

796

00:37:21,380 --> 00:37:17,549

Clinton's business then yeah they might

797

00:37:24,289 --> 00:37:21,390

do a separate set of permanent of you

798

00:37:26,510 --> 00:37:24,299

know permanent non-disclosures and part

799

00:37:28,910 --> 00:37:26,520

in perpetuity that you have to sign a

800

00:37:31,720 --> 00:37:28,920

stack of them to say it's totally

801
00:37:35,680 --> 00:37:31,730
separate from your general obligation of

802
00:37:38,059 --> 00:37:35,690
maintaining secrecy on on general secret

803
00:37:39,920 --> 00:37:38,069
methods and techniques yes not like that

804
00:37:42,940 --> 00:37:39,930
but I never had any sort of political

805
00:37:47,269 --> 00:37:42,950
involvement or any sort of like weird

806
00:37:49,789 --> 00:37:47,279
project uh political anything that I

807
00:37:51,860 --> 00:37:49,799
would have been involved with - FBI is a

808
00:37:55,310 --> 00:37:51,870
little politically right now

809
00:37:57,770 --> 00:37:55,320
oh man yeah tell me about it well but I

810
00:38:00,350 --> 00:37:57,780
think now that the person that was in

811
00:38:03,050 --> 00:38:00,360
charge there has been removed we're

812
00:38:05,030 --> 00:38:03,060
hoping well they're hoping that uh the

813
00:38:07,580 --> 00:38:05,040

FBI can get back to the business of what

814

00:38:11,090 --> 00:38:07,590

it does what it does in general and not

815

00:38:13,820 --> 00:38:11,100

be a political football yeah right right

816

00:38:17,930 --> 00:38:13,830

so yeah let's talk about your book

817

00:38:21,350 --> 00:38:17,940

what's the scoop behind your theory and

818

00:38:23,990 --> 00:38:21,360

the extra dimensionals now and before

819

00:38:26,990 --> 00:38:24,000

you get started out this is you know a

820

00:38:30,200 --> 00:38:27,000

lot of times the subject does come up

821

00:38:32,180 --> 00:38:30,210

you know people speculate they could be

822

00:38:34,940 --> 00:38:32,190

you know from another planet they could

823

00:38:37,340 --> 00:38:34,950

be of the you know number one it could

824

00:38:42,740 --> 00:38:37,350

be time travelers extra-dimensional does

825

00:38:44,840 --> 00:38:42,750

come up i i've had someone on the show

826

00:38:47,150 --> 00:38:44,850

Paulino that kind of goes a little bit

827

00:38:50,780 --> 00:38:47,160

along those lines of like a multiverse

828

00:38:58,790 --> 00:38:50,790

type of situation so it's it's it's

829

00:39:00,650 --> 00:38:58,800

always interesting to to hear what what

830

00:39:06,170 --> 00:39:00,660

your thoughts are and how you came about

831

00:39:09,920 --> 00:39:06,180

this topic a lot of it I noticed a lot

832

00:39:13,970 --> 00:39:09,930

of great thinkers are have really have

833

00:39:16,700 --> 00:39:13,980

in the past come with the same

834

00:39:20,180 --> 00:39:16,710

determination that it's starting to look

835

00:39:22,430 --> 00:39:20,190

like alien visitors which again I

836

00:39:24,710 --> 00:39:22,440

believe that feeling visitors are real

837

00:39:26,980 --> 00:39:24,720

that they are visiting the earth the

838

00:39:30,740 --> 00:39:26,990

UFOs a certain percentage of them are

839

00:39:34,790 --> 00:39:30,750

real and are unexplainable possibly

840

00:39:37,310 --> 00:39:34,800

picture dimensional and so the extra

841

00:39:40,670 --> 00:39:37,320

dimensionality just extra dimensional

842

00:39:44,000 --> 00:39:40,680

just basically says that alien visitors

843

00:39:45,950 --> 00:39:44,010

are not like us they're not like humans

844

00:39:48,250 --> 00:39:45,960

they don't cram themselves into little

845

00:39:52,240 --> 00:39:48,260

metal shells and sail across our

846

00:39:55,760 --> 00:39:52,250

galaxies and then arrive here physically

847

00:39:59,390 --> 00:39:55,770

like like we would we would get into a

848

00:40:02,300 --> 00:39:59,400

rocket ship and go to other planets you

849

00:40:06,050 --> 00:40:02,310

know saying what you said about

850

00:40:09,230 --> 00:40:06,060

you know Chuck fillet shot fillet had a

851

00:40:13,420 --> 00:40:09,240

great quote he said long time ago he

852

00:40:16,480 --> 00:40:13,430

said I would be terribly disappointed if

853

00:40:20,540 --> 00:40:16,490

UFOs turned out to be nothing more than

854

00:40:23,750 --> 00:40:20,550

a lian's visiting from other planets

855

00:40:28,820 --> 00:40:23,760

because I think I believe that they are

856

00:40:31,310 --> 00:40:28,830

so much more mm-hmm and that was that

857

00:40:33,140 --> 00:40:31,320

was i heard that quote very recently

858

00:40:34,910 --> 00:40:33,150

even though he said it well telling them

859

00:40:37,670 --> 00:40:34,920

and that's how i feel also i

860

00:40:40,550 --> 00:40:37,680

extra-dimensional extreme mentality just

861

00:40:43,940 --> 00:40:40,560

says that they are they're just not

862

00:40:46,460 --> 00:40:43,950

visible they are they are changing

863

00:40:50,030 --> 00:40:46,470

themselves and coming from other

864

00:40:53,360 --> 00:40:50,040

dimensions into our reality because it

865

00:40:56,720 --> 00:40:53,370

appears that the earth is possibly a

866

00:40:59,180 --> 00:40:56,730

gateway first and it's a planet second

867

00:41:01,550 --> 00:40:59,190

that's what a lot of my investigations

868

00:41:01,880 --> 00:41:01,560

that have done have led me led me to

869

00:41:04,760 --> 00:41:01,890

believe

870

00:41:07,550 --> 00:41:04,770

and that's what I've seen but where I

871

00:41:10,730 --> 00:41:07,560

originally where I originally got these

872

00:41:13,160 --> 00:41:10,740

ideas is actually from the most unlikely

873

00:41:16,430 --> 00:41:13,170

place from the most unlikely place

874

00:41:21,250 --> 00:41:16,440

anyone could ever met I actually got it

875

00:41:26,960 --> 00:41:21,260

from the FBI and that's because in

876

00:41:30,500 --> 00:41:26,970

nineteen in on July 8 1947 there was a

877

00:41:33,230 --> 00:41:30,510

document that examined very carefully in

878

00:41:35,150 --> 00:41:33,240

my book called a memorandum of

879

00:41:39,320 --> 00:41:35,160

importance I call it the smoking gun

880

00:41:42,410 --> 00:41:39,330

smoking gun document and it is it is a

881

00:41:44,870 --> 00:41:42,420

document that is out on the yacht if any

882

00:41:46,690 --> 00:41:44,880

of anybody can go to can actually get

883

00:41:50,690 --> 00:41:46,700

this document downloaded for free

884

00:41:53,540 --> 00:41:50,700

available at the site that is the it's

885

00:41:56,420 --> 00:41:53,550

like dumping ground for all Declassified

886

00:42:02,540 --> 00:41:56,430

FBI documents and it was written by an

887

00:42:03,020 --> 00:42:02,550

FBI supervisor and it is at FBI I'm

888

00:42:08,120 --> 00:42:03,030

sorry

889

00:42:14,040 --> 00:42:08,130

vault or vault dot fbi.gov it's right at

890

00:42:18,530 --> 00:42:14,050

that site vault which is v8u Lt

891

00:42:22,050 --> 00:42:18,540

fbi.gov and you anyway that site has

892

00:42:24,180 --> 00:42:22,060

thousands many many many thousands while

893

00:42:28,770 --> 00:42:24,190

documents that have been Declassified

894

00:42:31,680 --> 00:42:28,780

and some of them are in in every area

895

00:42:33,660 --> 00:42:31,690

you can imagine that has been held many

896

00:42:36,420 --> 00:42:33,670

secrets for many years there is

897

00:42:39,090 --> 00:42:36,430

documents on JFK assassination there's

898

00:42:41,640 --> 00:42:39,100

documents on cattle mutilations there's

899

00:42:46,230 --> 00:42:41,650

entire section of unexplained phenomena

900

00:42:49,440 --> 00:42:46,240

and so so you are go to that site you

901
00:42:52,140 --> 00:42:49,450
click on the right at unexplained

902
00:42:55,140 --> 00:42:52,150
phenomena click on that tab and then on

903
00:42:58,710 --> 00:42:55,150
the left you go to the first word it

904
00:43:01,110 --> 00:42:58,720
says you at all you click on UFO and

905
00:43:04,290 --> 00:43:01,120
then a group of documents will show up

906
00:43:07,770 --> 00:43:04,300
then you click on the Left where it says

907
00:43:11,010 --> 00:43:07,780
UFO part 1 then you click on that first

908
00:43:15,630 --> 00:43:11,020
group of documents and you go to page 22

909
00:43:19,020 --> 00:43:15,640
of that group and on page 22 is a

910
00:43:22,310 --> 00:43:19,030
Memorandum of importance that is the

911
00:43:25,230 --> 00:43:22,320
document that was written by an FBI

912
00:43:30,110 --> 00:43:25,240
supervisor and he wrote it because he

913
00:43:33,510 --> 00:43:30,120

was himself a former scientist a PhD

914

00:43:35,790 --> 00:43:33,520

scientist and he was writing this

915

00:43:38,640 --> 00:43:35,800

communication to the scientific

916

00:43:42,600 --> 00:43:38,650

community and he wrote it to them

917

00:43:45,780 --> 00:43:42,610

because he was being asked about alien

918

00:43:49,800 --> 00:43:45,790

visitors at this time that was very very

919

00:43:53,040 --> 00:43:49,810

uh very active subject among all

920

00:43:56,310 --> 00:43:53,050

scientific community and so he wrote

921

00:43:59,940 --> 00:43:56,320

this because he said he had a source an

922

00:44:02,610 --> 00:43:59,950

informant and the informant he writes it

923

00:44:05,880 --> 00:44:02,620

with this document at the top he says my

924

00:44:08,970 --> 00:44:05,890

informant is giving me information in my

925

00:44:10,850 --> 00:44:08,980

informant is super normal then super

926

00:44:13,530 --> 00:44:10,860

normal is an old timing word for

927

00:44:16,410 --> 00:44:13,540

paranormal supernatural / supernatural

928

00:44:19,920 --> 00:44:16,420

and from the context I'm thinking his

929

00:44:21,040 --> 00:44:19,930

informant was not a ghost and it appears

930

00:44:23,760 --> 00:44:21,050

that his

931

00:44:26,110 --> 00:44:23,770

women could actually have been

932

00:44:27,490 --> 00:44:26,120

extraterrestrial in nature and he

933

00:44:30,130 --> 00:44:27,500

actually says because of who my

934

00:44:32,290 --> 00:44:30,140

informant is giving me this information

935

00:44:34,210 --> 00:44:32,300

most of scientific community will

936

00:44:36,340 --> 00:44:34,220

probably ignore what I'm about to say

937

00:44:38,710 --> 00:44:36,350

but he says but I still have to say it

938

00:44:41,230 --> 00:44:38,720

because I have to try to help situation

939

00:44:43,720 --> 00:44:41,240

and then he goes on to lay out about

940

00:44:47,860 --> 00:44:43,730

eight or nine conclusions that he was

941

00:44:51,880 --> 00:44:47,870

told by his informant and the primary

942

00:44:55,120 --> 00:44:51,890

one of which is that alien visitors are

943

00:44:57,100 --> 00:44:55,130

not physical that they are extra

944

00:44:59,710 --> 00:44:57,110

dimensional they are coming here it's

945

00:45:02,560 --> 00:44:59,720

like they're beaming themselves in from

946

00:45:03,550 --> 00:45:02,570

other dimensions of reality into our

947

00:45:05,910 --> 00:45:03,560

reality

948

00:45:08,760 --> 00:45:05,920

he says they change their vibration and

949

00:45:12,070 --> 00:45:08,770

then they change their vibration to

950

00:45:15,420 --> 00:45:12,080

blend to match our physical vibration

951
00:45:18,640 --> 00:45:15,430
and that's how they appear here with us

952
00:45:21,190 --> 00:45:18,650
for a short period of time but he says

953
00:45:24,400 --> 00:45:21,200
the same things true twice as UFOs are

954
00:45:28,240 --> 00:45:24,410
not made of metal they're made of some

955
00:45:32,410 --> 00:45:28,250
kind of radiant material like plasma he

956
00:45:35,140 --> 00:45:32,420
also says that they are alien visitors

957
00:45:39,190 --> 00:45:35,150
are much larger than humans on the

958
00:45:43,080 --> 00:45:39,200
average he says that they are also their

959
00:45:46,510 --> 00:45:43,090
mission here is peaceful he says however

960
00:45:49,450 --> 00:45:46,520
we are Air Force her airplanes must

961
00:45:51,940 --> 00:45:49,460
never attack the you it was the genuine

962
00:45:54,850 --> 00:45:51,950
UFOs and he said that would end in

963
00:45:57,010 --> 00:45:54,860

catastrophe and of course we see what

964

00:45:57,580 --> 00:45:57,020

happened a short time later actually at

965

00:46:02,830 --> 00:45:57,590

Thea

966

00:46:05,380 --> 00:46:02,840

that be a battle of LA and also in 1952

967

00:46:09,930 --> 00:46:05,390

over Washington DC in the airspace above

968

00:46:12,580 --> 00:46:09,940

the Capitol building in DC when we had

969

00:46:16,420 --> 00:46:12,590

when we had the first time that the Air

970

00:46:19,420 --> 00:46:16,430

Force was actually sent in mass against

971

00:46:21,880 --> 00:46:19,430

a group of UFOs and it was again it was

972

00:46:25,690 --> 00:46:21,890

a catastrophe was catastrophic these

973

00:46:28,210 --> 00:46:25,700

UFOs did circles around our airplanes at

974

00:46:29,310 --> 00:46:28,220

time they did buzzing did you trace the

975

00:46:33,360 --> 00:46:29,320

faces

976

00:46:36,390 --> 00:46:33,370

and genuinely he got humiliating and yet

977

00:46:39,450 --> 00:46:36,400

they didn't destroy our Air Force in

978

00:46:42,750 --> 00:46:39,460

1952 in Washington DC what they call the

979

00:46:45,570 --> 00:46:42,760

invasion of DC that happened during over

980

00:46:47,550 --> 00:46:45,580

a period of about two weeks and so we

981

00:46:50,340 --> 00:46:47,560

see that that part of what he what he

982

00:46:54,050 --> 00:46:50,350

says in this document has been borne out

983

00:46:56,520 --> 00:46:54,060

and he says but basically he says that

984

00:46:57,960 --> 00:46:56,530

the most importantly he says I'm here is

985

00:47:01,010 --> 00:46:57,970

that they are not

986

00:47:03,540 --> 00:47:01,020

he says X Carnot since they are not

987

00:47:07,020 --> 00:47:03,550

physical like we are they are out of the

988

00:47:09,360 --> 00:47:07,030

body and that they can achieve the

989

00:47:12,330 --> 00:47:09,370

physicality for short period of time but

990

00:47:15,840 --> 00:47:12,340

something keeps them from maintaining

991

00:47:20,340 --> 00:47:15,850

that and so they go back to and he says

992

00:47:23,970 --> 00:47:20,350

Lord locust or Vettes which which is old

993

00:47:26,790 --> 00:47:23,980

vague language four levels parallel

994

00:47:28,530 --> 00:47:26,800

levels of existence that never intersect

995

00:47:30,960 --> 00:47:28,540

with each other and he says that's where

996

00:47:34,200 --> 00:47:30,970

they come from they do not come from our

997

00:47:38,060 --> 00:47:34,210

Soler's the next galaxy over or the next

998

00:47:43,110 --> 00:47:38,070

nebula or anything anything in our

999

00:47:45,840 --> 00:47:43,120

time-space that's what he says now that

1000

00:47:48,090 --> 00:47:45,850

I find that very interesting but also

1001
00:47:51,350 --> 00:47:48,100
I've heard a number of people speculate

1002
00:47:54,240 --> 00:47:51,360
that and even I think Jacques Vallee

1003
00:47:56,550 --> 00:47:54,250
actually has mentioned along the lines

1004
00:47:58,710 --> 00:47:56,560
were there speculations that it could be

1005
00:48:04,770 --> 00:47:58,720
a combination or or something that we've

1006
00:48:07,800 --> 00:48:04,780
never thought of and so what are you

1007
00:48:10,160 --> 00:48:07,810
hard line to this theory or do you think

1008
00:48:14,730 --> 00:48:10,170
that it's possible that we also could be

1009
00:48:18,600 --> 00:48:14,740
visited from another galaxy or solar

1010
00:48:26,100 --> 00:48:18,610
system or you know through a dimension

1011
00:48:27,690 --> 00:48:26,110
or somehow the same the same way yeah

1012
00:48:33,390 --> 00:48:27,700
it's just that I

1013
00:48:37,410 --> 00:48:33,400

the the extra-terrestrial theory I just

1014

00:48:40,920 --> 00:48:37,420

don't see that it matches up to anything

1015

00:48:42,690 --> 00:48:40,930

that has happened or anything that

1016

00:48:44,790 --> 00:48:42,700

really has been produced

1017

00:48:47,520 --> 00:48:44,800

in the last in the last few centuries

1018

00:48:51,210 --> 00:48:47,530

other than other than Roswell which I

1019

00:48:55,170 --> 00:48:51,220

believe that Roswell was a was a PSYOP

1020

00:48:57,770 --> 00:48:55,180

was a double trick operation that was

1021

00:49:00,900 --> 00:48:57,780

put together partly by alien visitors

1022

00:49:03,540 --> 00:49:00,910

and with their power possibly for

1023

00:49:05,490 --> 00:49:03,550

purposes of technology transfer and also

1024

00:49:07,860 --> 00:49:05,500

to make us believe very important agenda

1025

00:49:10,770 --> 00:49:07,870

item that alien visitors are physical

1026
00:49:13,500 --> 00:49:10,780
completely physical but I haven't seen

1027
00:49:17,160 --> 00:49:13,510
you know SETI has been looking for

1028
00:49:21,390 --> 00:49:17,170
signals for how long we've had and we've

1029
00:49:24,450 --> 00:49:21,400
had so much looking out towards our

1030
00:49:27,240 --> 00:49:24,460
physical space not there and there's

1031
00:49:31,400 --> 00:49:27,250
never been anything to match up to match

1032
00:49:33,870 --> 00:49:31,410
up with the physical extraterrestrial

1033
00:49:37,110 --> 00:49:33,880
hypothesis and not that I've seen

1034
00:49:39,960 --> 00:49:37,120
currency anything that is that is

1035
00:49:42,870 --> 00:49:39,970
credible that has been produced but if

1036
00:49:45,570 --> 00:49:42,880
it is I'm certainly I open to look at

1037
00:49:49,650 --> 00:49:45,580
but I just haven't seen it yet not in an

1038
00:49:52,590 --> 00:49:49,660

open not in an open way that it should

1039

00:49:56,850 --> 00:49:52,600

be it should be being produced so if

1040

00:49:59,670 --> 00:49:56,860

this if if someone can travel through

1041

00:50:02,010 --> 00:49:59,680

dimensions through vibration I've heard

1042

00:50:05,460 --> 00:50:02,020

actually I've heard theories about the

1043

00:50:07,020 --> 00:50:05,470

vibration as far as actually being able

1044

00:50:11,340 --> 00:50:07,030

to go through solid matter and all that

1045

00:50:16,070 --> 00:50:11,350

things are supposed to be possible so if

1046

00:50:19,290 --> 00:50:16,080

that is some type of technology are you

1047

00:50:22,800 --> 00:50:19,300

speculating that humankind will look

1048

00:50:25,350 --> 00:50:22,810

into that eventually as we progress and

1049

00:50:29,220 --> 00:50:25,360

and how would we even know there was

1050

00:50:31,050 --> 00:50:29,230

another dimension that existed and that

1051

00:50:33,330 --> 00:50:31,060

you know it's kind of an interesting

1052

00:50:36,570 --> 00:50:33,340

topic I just don't I don't really

1053

00:50:39,510 --> 00:50:36,580

understand enough about it yeah well

1054

00:50:41,970 --> 00:50:39,520

there's a lot of cases where these are

1055

00:50:42,540 --> 00:50:41,980

these UFOs are genuine UFOs the real

1056

00:50:49,140 --> 00:50:42,550

ones

1057

00:50:51,270 --> 00:50:49,150

they just they just seem to disappear if

1058

00:50:53,049 --> 00:50:51,280

not they don't just like they don't take

1059

00:50:54,819 --> 00:50:53,059

off to the horizon

1060

00:50:58,239 --> 00:50:54,829

where you can follow it with the naked

1061

00:51:01,029 --> 00:50:58,249

eye a lot of times they simply disappear

1062

00:51:03,789 --> 00:51:01,039

they go into a plasmic sort of

1063

00:51:06,339 --> 00:51:03,799

transition and then they again they

1064

00:51:08,349 --> 00:51:06,349

disappear yeah so where are they going

1065

00:51:10,870 --> 00:51:08,359

where are they going to see that's a

1066

00:51:14,469 --> 00:51:10,880

that's an interdimensional observation

1067

00:51:17,169 --> 00:51:14,479

right there and so and when people and

1068

00:51:19,359 --> 00:51:17,179

when so many people have seen these are

1069

00:51:24,640 --> 00:51:19,369

these alien visitors come through walls

1070

00:51:27,189 --> 00:51:24,650

and do things that suggest suggest extra

1071

00:51:29,049 --> 00:51:27,199

dimensional non-physical abilities

1072

00:51:31,569 --> 00:51:29,059

let's put it that way you know these

1073

00:51:33,130 --> 00:51:31,579

these patterns and these clues repeat

1074

00:51:37,029 --> 00:51:33,140

again and again and again to increase

1075

00:51:39,749 --> 00:51:37,039

the case so but no that does not exclude

1076

00:51:41,799 --> 00:51:39,759

that does not exclude a lot of other

1077

00:51:44,799 --> 00:51:41,809

theories that could be going on at the

1078

00:51:49,329 --> 00:51:44,809

same time like yeah there's probably a

1079

00:51:53,649 --> 00:51:49,339

portion of UFO observations that could

1080

00:51:55,599 --> 00:51:53,659

be human military in in origin so sure

1081

00:51:57,519 --> 00:51:55,609

you know that could exist there could be

1082

00:52:01,449 --> 00:51:57,529

other other things that are also going

1083

00:52:04,539 --> 00:52:01,459

on at the same time that that are some

1084

00:52:07,059 --> 00:52:04,549

people have speculated that our alien

1085

00:52:09,130 --> 00:52:07,069

visitors could be human beings from the

1086

00:52:10,779 --> 00:52:09,140

future as well you know that's a

1087

00:52:12,599 --> 00:52:10,789

possibility of course of course that's

1088

00:52:16,539 --> 00:52:12,609

none of these things are mutually

1089

00:52:19,569 --> 00:52:16,549

exclusive but the extra dimensional

1090

00:52:22,949 --> 00:52:19,579

aspect of it I believe is the most

1091

00:52:26,829 --> 00:52:22,959

important because what it does is it

1092

00:52:30,669 --> 00:52:26,839

frees us from a lot of agendas that are

1093

00:52:34,029 --> 00:52:30,679

going forward right now that are that

1094

00:52:36,999 --> 00:52:34,039

are using human beings towards purposes

1095

00:52:38,679 --> 00:52:37,009

that should not be used that's that's

1096

00:52:39,999 --> 00:52:38,689

why it's important about extra tonight

1097

00:52:43,120 --> 00:52:40,009

what do you see is like the best

1098

00:52:46,390 --> 00:52:43,130

argument against it like I'm sure you've

1099

00:52:49,179 --> 00:52:46,400

been either corresponding with people

1100

00:52:51,609 --> 00:52:49,189

about this or then perhaps on another

1101
00:52:54,929 --> 00:52:51,619
show or something like I like that what

1102
00:52:57,749 --> 00:52:54,939
is a what is like the strongest case

1103
00:53:01,599 --> 00:52:57,759
that you've heard against

1104
00:53:04,599 --> 00:53:01,609
extra-dimensional well that's easy it's

1105
00:53:05,630 --> 00:53:04,609
not when people when we go interview

1106
00:53:07,760 --> 00:53:05,640
witness

1107
00:53:11,470 --> 00:53:07,770
talk to people we've gone through these

1108
00:53:15,980 --> 00:53:11,480
these abduction experiences and these

1109
00:53:19,190 --> 00:53:15,990
observation experiences they will swear

1110
00:53:22,280 --> 00:53:19,200
they will swear they will hold up their

1111
00:53:25,190 --> 00:53:22,290
hand and swear that these experiences

1112
00:53:28,670 --> 00:53:25,200
are completely physical that they are

1113
00:53:31,520 --> 00:53:28,680

what we call real that they happen here

1114

00:53:33,830 --> 00:53:31,530

and now into our time-space and that the

1115

00:53:38,480 --> 00:53:33,840

alien the aliens they have had contact

1116

00:53:40,940 --> 00:53:38,490

with are completely utterly physical and

1117

00:53:42,890 --> 00:53:40,950

that's that's definitely and that is

1118

00:53:45,640 --> 00:53:42,900

their perception that is what they that

1119

00:53:49,400 --> 00:53:45,650

is what they feel any when Travis Walton

1120

00:53:51,710 --> 00:53:49,410

was was very young man in 1970s and he

1121

00:53:54,530 --> 00:53:51,720

was abducted thought supposedly he was

1122

00:53:57,200 --> 00:53:54,540

abducted and taken in what we believe

1123

00:54:00,590 --> 00:53:57,210

may have been a ship

1124

00:54:03,110 --> 00:54:00,600

he took an instrument and started

1125

00:54:05,870 --> 00:54:03,120

swinging at these greys these Gray's

1126
00:54:09,320 --> 00:54:05,880
that were trying to restrain him but you

1127
00:54:12,350 --> 00:54:09,330
can't get more physical than that so so

1128
00:54:14,330 --> 00:54:12,360
because of a neon juice truck struck one

1129
00:54:16,160 --> 00:54:14,340
of them and at that point they just

1130
00:54:19,250 --> 00:54:16,170
wanted to full retreat because they were

1131
00:54:21,890 --> 00:54:19,260
not prepared for aggression on this

1132
00:54:24,020 --> 00:54:21,900
physical level and so they better they

1133
00:54:25,280 --> 00:54:24,030
be to retreat so like I said that is the

1134
00:54:26,750 --> 00:54:25,290
strongest argument against it because

1135
00:54:29,540 --> 00:54:26,760
people who are the perceivers

1136
00:54:32,270 --> 00:54:29,550
experiencers they perceived these

1137
00:54:35,330 --> 00:54:32,280
experiences as completely physical

1138
00:54:38,960 --> 00:54:35,340

that's destroys okay so if they if they

1139

00:54:42,350 --> 00:54:38,970

were say if they were physical could

1140

00:54:45,140 --> 00:54:42,360

they be physical I think I heard you say

1141

00:54:48,080 --> 00:54:45,150

that that extra dimensionals could be

1142

00:54:51,350 --> 00:54:48,090

physical but for short time and why

1143

00:54:54,410 --> 00:54:51,360

would that be say a short time compared

1144

00:54:56,060 --> 00:54:54,420

to they could stay physical for any

1145

00:55:00,680 --> 00:54:56,070

amount of time is it because of the

1146

00:55:03,890 --> 00:55:00,690

vibration I there's some kind of

1147

00:55:06,770 --> 00:55:03,900

condition that has changed in the last

1148

00:55:10,310 --> 00:55:06,780

few millennium I believe something

1149

00:55:13,730 --> 00:55:10,320

changed to make our to make our

1150

00:55:14,710 --> 00:55:13,740

time-space difficult for them that's

1151

00:55:18,240 --> 00:55:14,720

what I believe

1152

00:55:21,760 --> 00:55:18,250

because if you go back to prehistory

1153

00:55:25,000 --> 00:55:21,770

history before we before we knew history

1154

00:55:28,870 --> 00:55:25,010

it's pretty obvious that alien visitors

1155

00:55:31,630 --> 00:55:28,880

were able to be here on on a continual

1156

00:55:33,550 --> 00:55:31,640

basis in the past because we see the

1157

00:55:35,349 --> 00:55:33,560

things that they have built they created

1158

00:55:37,720 --> 00:55:35,359

evening and that goes back to the

1159

00:55:40,750 --> 00:55:37,730

Anunnaki of course at the time of the

1160

00:55:44,319 --> 00:55:40,760

Anunnaki and others other alien races

1161

00:55:46,510 --> 00:55:44,329

that we have these things all these

1162

00:55:49,569 --> 00:55:46,520

monoliths megaliths around the earth

1163

00:55:54,700 --> 00:55:49,579

that were not created by humans we see

1164

00:55:56,829 --> 00:55:54,710

remnants of civilization we see items on

1165

00:56:00,910 --> 00:55:56,839

the moon the dark side of the Moon that

1166

00:56:02,950 --> 00:56:00,920

are that are not humanly human created

1167

00:56:05,829 --> 00:56:02,960

because it's just not the too large and

1168

00:56:08,890 --> 00:56:05,839

not practical for humans to have to have

1169

00:56:10,960 --> 00:56:08,900

created on Mars we see remnants and

1170

00:56:13,440 --> 00:56:10,970

probably not a parts of the solar system

1171

00:56:17,140 --> 00:56:13,450

- so there there was a time before

1172

00:56:21,220 --> 00:56:17,150

recorded history when alien visitors

1173

00:56:24,190 --> 00:56:21,230

could be here as long as physically and

1174

00:56:26,859 --> 00:56:24,200

as long as they wanted to but something

1175

00:56:29,890 --> 00:56:26,869

shifted something shifted to change all

1176
00:56:34,270 --> 00:56:29,900
that and that's why we're in a situation

1177
00:56:37,329 --> 00:56:34,280
now where they can't they can't be here

1178
00:56:40,210 --> 00:56:37,339
long enough to build more pyramids like

1179
00:56:43,300 --> 00:56:40,220
they possibly have in the past now so

1180
00:56:45,849 --> 00:56:43,310
but what exactly changed I don't know if

1181
00:56:47,819 --> 00:56:45,859
it had to be a huddle it may have been

1182
00:56:50,230 --> 00:56:47,829
something to do our time and space

1183
00:56:53,170 --> 00:56:50,240
something that changed regarding well if

1184
00:56:56,050 --> 00:56:53,180
it's up if it's a vibration situation

1185
00:56:58,990 --> 00:56:56,060
type of thing you could also speculate

1186
00:57:00,940 --> 00:56:59,000
the that now we're blasting with all

1187
00:57:02,290 --> 00:57:00,950
types of radio waves and microwaves of

1188
00:57:06,130 --> 00:57:02,300

every everything you could possibly

1189

00:57:08,020 --> 00:57:06,140

imagine is with our technology so I

1190

00:57:10,089 --> 00:57:08,030

don't know you know some people have

1191

00:57:15,700 --> 00:57:10,099

speculated that UFOs have crashed

1192

00:57:19,030 --> 00:57:15,710

because of radar radar waves they just

1193

00:57:21,130 --> 00:57:19,040

weren't prepared for that so you never

1194

00:57:23,380 --> 00:57:21,140

know it could be you know if I'm going

1195

00:57:24,430 --> 00:57:23,390

down this rabbit hole and saying yes I

1196

00:57:26,589 --> 00:57:24,440

agree with you that the extra

1197

00:57:28,000 --> 00:57:26,599

dimensional then I could also say that

1198

00:57:29,860 --> 00:57:28,010

you know perhaps

1199

00:57:32,890 --> 00:57:29,870

Knology that we have today may have

1200

00:57:35,440 --> 00:57:32,900

changed the reasoning for why they can't

1201
00:57:36,690 --> 00:57:35,450
stay here long if they if that's the

1202
00:57:38,920 --> 00:57:36,700
question

1203
00:57:42,210 --> 00:57:38,930
sure you're an excellent attorney you

1204
00:57:45,550 --> 00:57:42,220
can you cannot argue both sides but the

1205
00:57:48,250 --> 00:57:45,560
thing is that one of the one of the

1206
00:57:51,280 --> 00:57:48,260
things in my books that I always go back

1207
00:57:55,030 --> 00:57:51,290
to again and again is that alien

1208
00:57:57,550 --> 00:57:55,040
visitors are are not like humans I don't

1209
00:58:00,550 --> 00:57:57,560
believe they can be interfered with in

1210
00:58:03,010 --> 00:58:00,560
in the ways that humans could be I

1211
00:58:05,440 --> 00:58:03,020
believe they are they are so far ahead

1212
00:58:08,440 --> 00:58:05,450
in technology that it will be difficult

1213
00:58:12,850 --> 00:58:08,450

for us to imagine like arthur c clarke

1214

00:58:16,240 --> 00:58:12,860

said the science that is sufficiently

1215

00:58:18,790 --> 00:58:16,250

advanced appears to be magic to us and

1216

00:58:20,590 --> 00:58:18,800

that's i believe that's how far advanced

1217

00:58:24,100 --> 00:58:20,600

they are i don't think i don't really

1218

00:58:26,020 --> 00:58:24,110

see that they they need to physically

1219

00:58:28,210 --> 00:58:26,030

cram themselves into metal shelves like

1220

00:58:31,030 --> 00:58:28,220

we would and i don't see that they could

1221

00:58:33,340 --> 00:58:31,040

be interfered with by radar and i don't

1222

00:58:38,260 --> 00:58:33,350

believe that the ship that crashed at

1223

00:58:40,210 --> 00:58:38,270

Roswell was a genuine vehicle with alien

1224

00:58:42,730 --> 00:58:40,220

visitors in it because I just don't

1225

00:58:44,770 --> 00:58:42,740

believe that's only they have that that

1226

00:58:47,680 --> 00:58:44,780

their level of technology I believe as

1227

00:58:49,810 --> 00:58:47,690

much as so much farther advanced than

1228

00:58:52,090 --> 00:58:49,820

that that would be difficult for us to

1229

00:58:54,640 --> 00:58:52,100

imagine what it really what the real

1230

00:58:56,140 --> 00:58:54,650

state of their technology is and I

1231

00:58:58,510 --> 00:58:56,150

believe that Roswell is something

1232

00:59:02,730 --> 00:58:58,520

actually put together was actually a

1233

00:59:05,680 --> 00:59:02,740

PSYOP put together by by alien visitors

1234

00:59:09,210 --> 00:59:05,690

hand-in-hand with the elite powers and

1235

00:59:13,300 --> 00:59:09,220

control of our societies in order to

1236

00:59:16,960 --> 00:59:13,310

maybe transfer technology and also to

1237

00:59:19,840 --> 00:59:16,970

put put out that that mean that

1238

00:59:21,520 --> 00:59:19,850

understanding that alien does there's

1239

00:59:23,260 --> 00:59:21,530

our physical that's was one of the

1240

00:59:28,180 --> 00:59:23,270

accomplishments of Roswell to look at

1241

00:59:29,710 --> 00:59:28,190

the next 50 60 years uh-huh we have

1242

00:59:31,900 --> 00:59:29,720

questions coming in from the chat room

1243

00:59:34,390 --> 00:59:31,910

and I will get to our forum we have some

1244

00:59:38,410 --> 00:59:34,400

questions as well but Belinda wants to

1245

00:59:41,380 --> 00:59:38,420

know if this is the case and how come

1246

00:59:43,720 --> 00:59:41,390

there are radiation

1247

00:59:45,130 --> 00:59:43,730

levels high radiation levels for

1248

00:59:48,190 --> 00:59:45,140

instance Rendlesham forest and a few

1249

00:59:52,240 --> 00:59:48,200

other cases like that how how does this

1250

00:59:54,460 --> 00:59:52,250

fit into the whole equation yeah I think

1251
00:59:57,520 --> 00:59:54,470
that when you have when you have a

1252
00:59:59,620 --> 00:59:57,530
plasmic vehicles that well I mean

1253
01:00:02,380 --> 00:59:59,630
plasmic is the nearest understanding

1254
01:00:04,870 --> 01:00:02,390
there but that I can probably get to of

1255
01:00:05,950 --> 01:00:04,880
understanding the material that they're

1256
01:00:09,010 --> 01:00:05,960
there UFO's

1257
01:00:11,230 --> 01:00:09,020
are made out of for me that's there

1258
01:00:12,790 --> 01:00:11,240
they're a type of plasma that they're

1259
01:00:15,760 --> 01:00:12,800
made on which means they are able to

1260
01:00:19,510 --> 01:00:15,770
shift in their state the state of being

1261
01:00:21,910 --> 01:00:19,520
crow sort of liked gaseous material to

1262
01:00:24,400 --> 01:00:21,920
other materials and those transitions

1263
01:00:27,700 --> 01:00:24,410

those transitions I believe in our world

1264

01:00:30,150 --> 01:00:27,710

in our time space creates radiation of

1265

01:00:34,470 --> 01:00:30,160

different types and that's why that's

1266

01:00:38,140 --> 01:00:34,480

common that's a classic signal mark of

1267

01:00:41,560 --> 01:00:38,150

genuine UFO experiences is when you have

1268

01:00:44,560 --> 01:00:41,570

those those radiation markings and the

1269

01:00:46,060 --> 01:00:44,570

radiation burns that are left behind and

1270

01:00:47,860 --> 01:00:46,070

so for like that I don't think it's

1271

01:00:50,710 --> 01:00:47,870

because they I don't think it's because

1272

01:00:53,320 --> 01:00:50,720

the vehicles themselves are generating

1273

01:00:54,600 --> 01:00:53,330

that radiation on purpose I think

1274

01:00:56,620 --> 01:00:54,610

there's something about the

1275

01:00:59,490 --> 01:00:56,630

transformation states that they go

1276

01:01:02,800 --> 01:00:59,500

through that somehow generates that

1277

01:01:05,620 --> 01:01:02,810

radiation of those times that's why okay

1278

01:01:10,300 --> 01:01:05,630

so I'm going to actually pass along this

1279

01:01:12,970 --> 01:01:10,310

sub from Bill asked in the forum his

1280

01:01:16,150 --> 01:01:12,980

question is and I do believe he means

1281

01:01:18,340 --> 01:01:16,160

how this is related to the FBI guessing

1282

01:01:20,680 --> 01:01:18,350

that's what this question is is how our

1283

01:01:23,410 --> 01:01:20,690

real paranormal events copied or

1284

01:01:26,410 --> 01:01:23,420

counterfeited and then disseminated to

1285

01:01:28,900 --> 01:01:26,420

make the original event seem fake and

1286

01:01:40,870 --> 01:01:28,910

can you cite any type of example of that

1287

01:01:45,040 --> 01:01:40,880

oh yeah the uh in uh 1920 2010 I had an

1288

01:01:49,060 --> 01:01:45,050

experience with I had an experience with

1289

01:01:52,690 --> 01:01:49,070

an event that occurred in Jerusalem

1290

01:01:54,440 --> 01:01:52,700

Israel and it's anybody can look it up

1291

01:01:58,190 --> 01:01:54,450

it was the Dome of the rock

1292

01:02:04,700 --> 01:01:58,200

UFO occurrence that happened you know

1293

01:02:08,720 --> 01:02:04,710

was 2010 possibly was 2011 but what

1294

01:02:10,099 --> 01:02:08,730

occurred was that I was in a I was in an

1295

01:02:13,099 --> 01:02:10,109

intelligence taskforce

1296

01:02:16,640 --> 01:02:13,109

and I was with an individual I call get

1297

01:02:19,279 --> 01:02:16,650

saw and get so was running running

1298

01:02:23,150 --> 01:02:19,289

things in the in Jerusalem was actually

1299

01:02:25,370 --> 01:02:23,160

in Jerusalem and he was had people on

1300

01:02:28,490 --> 01:02:25,380

the ground working on something and at

1301

01:02:30,579 --> 01:02:28,500

some point he got communication from his

1302

01:02:32,900 --> 01:02:30,589

people on the ground who instead of

1303

01:02:35,809 --> 01:02:32,910

doing what they were supposed to be

1304

01:02:39,980 --> 01:02:35,819

doing were very caught up in the fact

1305

01:02:43,370 --> 01:02:39,990

that a UFO had just come down over the

1306

01:02:46,700 --> 01:02:43,380

Dome of the rock in Jerusalem they had

1307

01:02:48,829 --> 01:02:46,710

observed this and they were going they

1308

01:02:51,859 --> 01:02:48,839

were going nuts telling him this is it

1309

01:02:53,990 --> 01:02:51,869

they're coming they're here and he was a

1310

01:02:58,640 --> 01:02:54,000

UFO enthusiast as I was also at that

1311

01:03:00,799 --> 01:02:58,650

time and so I when he told me story what

1312

01:03:03,710 --> 01:03:00,809

the reporting was that he had gotten

1313

01:03:06,259 --> 01:03:03,720

that day the event occurred pacified

1314

01:03:09,710 --> 01:03:06,269

1:00 in the morning there in Jerusalem

1315

01:03:12,440 --> 01:03:09,720

and he had gotten and he got the report

1316

01:03:15,410 --> 01:03:12,450

a short while later and when he told me

1317

01:03:18,440 --> 01:03:15,420

about it he informing and this is a

1318

01:03:21,650 --> 01:03:18,450

person who was very high up levels in

1319

01:03:23,839 --> 01:03:21,660

this national security structure and so

1320

01:03:25,370 --> 01:03:23,849

I was very excited also when he told me

1321

01:03:28,519 --> 01:03:25,380

about that this actually had happened

1322

01:03:30,890 --> 01:03:28,529

there in Jerusalem and so I believed

1323

01:03:33,349 --> 01:03:30,900

like the people reporting it to him I

1324

01:03:37,640 --> 01:03:33,359

believed that this is it they they're

1325

01:03:40,039 --> 01:03:37,650

coming they're here and the people on

1326

01:03:42,650 --> 01:03:40,049

the ground also had heard rumors that

1327

01:03:46,519 --> 01:03:42,660

there had been UFO sightings over other

1328

01:03:50,559 --> 01:03:46,529

religious when landmarks also in

1329

01:03:52,339 --> 01:03:50,569

Jerusalem that night in Israel and so

1330

01:03:55,190 --> 01:03:52,349

what he told me

1331

01:03:58,130 --> 01:03:55,200

that shocked me he said he said to me no

1332

01:03:59,609 --> 01:03:58,140

this is not disclosure he says this by

1333

01:04:02,339 --> 01:03:59,619

morning time he says

1334

01:04:04,920 --> 01:04:02,349

by in a couple of hours he says the

1335

01:04:07,440 --> 01:04:04,930

original videos that people have been

1336

01:04:11,819 --> 01:04:07,450

loading loading up to common databases

1337

01:04:15,269 --> 01:04:11,829

of this incident will be erased they

1338

01:04:17,609 --> 01:04:15,279

will be replaced by fakes they will be

1339

01:04:20,160 --> 01:04:17,619

fakes will be loaded in there

1340

01:04:22,079 --> 01:04:20,170

in many places because there's going to

1341

01:04:27,089 --> 01:04:22,089

be millions of people in a rush to go

1342

01:04:29,910 --> 01:04:27,099

see the event called UFO over the Dome

1343

01:04:32,670 --> 01:04:29,920

of the rock and they will instead of

1344

01:04:34,979 --> 01:04:32,680

seeing the original videos from people

1345

01:04:37,319 --> 01:04:34,989

on the ground they'll be confronted with

1346

01:04:40,410 --> 01:04:37,329

these fakes that have intentional

1347

01:04:42,420 --> 01:04:40,420

breadcrumbs of fakery and that can be

1348

01:04:45,089 --> 01:04:42,430

that then can be knocked out by

1349

01:04:48,539 --> 01:04:45,099

mainstream media come in and say okay

1350

01:04:51,959 --> 01:04:48,549

this is not real is fake and he told me

1351

01:04:55,380 --> 01:04:51,969

that there are global shops that are set

1352

01:04:57,269 --> 01:04:55,390

up the permanent standing shops that are

1353

01:05:00,950 --> 01:04:57,279

for the purposes of doing just this

1354

01:05:04,499 --> 01:05:00,960

that's all they do is that they look for

1355

01:05:07,289 --> 01:05:04,509

instances of genuine paranormal activity

1356

01:05:10,140 --> 01:05:07,299

and when they find then they find them

1357

01:05:14,370 --> 01:05:10,150

and they take them down and replace them

1358

01:05:16,799 --> 01:05:14,380

so that no one can actually know at

1359

01:05:18,509 --> 01:05:16,809

least not in any significant numbers can

1360

01:05:20,819 --> 01:05:18,519

ever see the original the original

1361

01:05:24,209 --> 01:05:20,829

document or the original documentation

1362

01:05:28,469 --> 01:05:24,219

of the event that occurred and that was

1363

01:05:32,309 --> 01:05:28,479

my first example of what goes on with a

1364

01:05:35,279 --> 01:05:32,319

lot of these what are these UFO events

1365

01:05:37,920 --> 01:05:35,289

well the ones that are actually real and

1366

01:05:39,299 --> 01:05:37,930

how they are taken down right little

1367

01:05:41,969 --> 01:05:39,309

shops okay I'm hearing some type of

1368

01:05:43,289 --> 01:05:41,979

clicking so just be aware of that I

1369

01:05:48,329 --> 01:05:43,299

don't know if it's your mouse or what

1370

01:05:50,700 --> 01:05:48,339

I'm hearing it stopped okay so um yeah I

1371

01:05:52,200 --> 01:05:50,710

know you know right away if you anyone

1372

01:05:53,660 --> 01:05:52,210

can look online at the Dome of the rock

1373

01:05:57,890 --> 01:05:53,670

a hoax

1374

01:06:00,329 --> 01:05:57,900

supposedly my had heard that it was some

1375

01:06:03,329 --> 01:06:00,339

college students or something you know

1376

01:06:06,059 --> 01:06:03,339

as an experiment so what you're saying

1377

01:06:07,680 --> 01:06:06,069

is that there was a lot of people that

1378

01:06:10,589 --> 01:06:07,690

actually witnessed it really happened

1379

01:06:13,670 --> 01:06:10,599

and then it was replaced with and this

1380

01:06:16,529 --> 01:06:13,680

is was through the FBI

1381

01:06:19,589 --> 01:06:16,539

it was through intelligence task force

1382

01:06:20,970 --> 01:06:19,599

that I had been working at that time and

1383

01:06:23,400 --> 01:06:20,980

that's how I found out about their

1384

01:06:25,920 --> 01:06:23,410

global shops that actually replace these

1385

01:06:29,660 --> 01:06:25,930

videos and replace them with other

1386

01:06:33,180 --> 01:06:29,670

materials Wow isn't that something okay

1387

01:06:34,319 --> 01:06:33,190

someone in the chat room I'm still

1388

01:06:38,089 --> 01:06:34,329

hearing a cup a little bit of noise

1389

01:06:41,130 --> 01:06:38,099

there someone you all set over there

1390

01:06:43,529 --> 01:06:41,140

okay yes someone in the chat room wanted

1391

01:06:47,910 --> 01:06:43,539

to know his name Steve he wanted to know

1392

01:06:51,240 --> 01:06:47,920

if any of the missing for one one David

1393

01:06:54,170 --> 01:06:51,250

Pilates has those great books on all the

1394

01:06:57,390 --> 01:06:54,180

missing people starting out from the the

1395

01:06:58,950 --> 01:06:57,400

parks to you know all the way to urban

1396

01:07:02,039 --> 01:06:58,960

he wondered if there's any type of

1397

01:07:03,509 --> 01:07:02,049

connection if you would speculate if

1398

01:07:06,089 --> 01:07:03,519

there's any type of connection with the

1399

01:07:07,950 --> 01:07:06,099

inter-dimensional as far as people that

1400

01:07:10,880 --> 01:07:07,960

are just plain missing all over the

1401

01:07:14,279 --> 01:07:10,890

country and all over the world actually

1402

01:07:17,759 --> 01:07:14,289

that's a great question because whenever

1403

01:07:22,019 --> 01:07:17,769

I read a lot of those experiences they

1404

01:07:23,640 --> 01:07:22,029

they seem some of them seem to have an

1405

01:07:27,029 --> 01:07:23,650

extra dimensional quality to them

1406

01:07:30,630 --> 01:07:27,039

because you'll have you'll have parents

1407

01:07:33,539 --> 01:07:30,640

that are in a national park and they'll

1408

01:07:37,769 --> 01:07:33,549

be just a few feet away from their their

1409

01:07:40,769 --> 01:07:37,779

child and they will be on either side of

1410

01:07:43,499 --> 01:07:40,779

a tree there'll be a tree or you're

1411

01:07:46,410 --> 01:07:43,509

talking very young job three years old

1412

01:07:51,809 --> 01:07:46,420

who is playing in front of them and will

1413

01:07:55,470 --> 01:07:51,819

run behind a tree and then the parents

1414

01:07:57,839 --> 01:07:55,480

hear silence for a second where the

1415

01:08:01,140 --> 01:07:57,849

child had been very boisterous moment

1416

01:08:04,529 --> 01:08:01,150

court and then both parents will just go

1417

01:08:06,630 --> 01:08:04,539

forward into the tree and look behind a

1418

01:08:09,930 --> 01:08:06,640

grandchild their shirts hiding and

1419

01:08:13,740 --> 01:08:09,940

there's nothing there there's no there's

1420

01:08:18,030 --> 01:08:13,750

just one Center for footprints and child

1421

01:08:21,059 --> 01:08:18,040

is gone and it's not possible physically

1422

01:08:23,430 --> 01:08:21,069

I mean just physically it's just not in

1423

01:08:26,430 --> 01:08:23,440

or possible what what happened to them

1424

01:08:29,760 --> 01:08:26,440

and I hear a lot of incidences it's very

1425

01:08:31,950 --> 01:08:29,770

similar to that where people will be in

1426

01:08:34,289 --> 01:08:31,960

the national parks and some will just

1427

01:08:36,900 --> 01:08:34,299

take their eye off a person for a moment

1428

01:08:40,140 --> 01:08:36,910

in a in a clearing where there's no

1429

01:08:43,430 --> 01:08:40,150

place to go and they look back and

1430

01:08:46,920 --> 01:08:43,440

person's gone one set of footprints and

1431

01:08:49,289 --> 01:08:46,930

dogs won't go anywhere they'll bring

1432

01:08:53,670 --> 01:08:49,299

dogs in to search for the person then

1433

01:08:56,250 --> 01:08:53,680

the dogs just sit that in itself it's

1434

01:09:00,120 --> 01:08:56,260

and there's no there's no physical

1435

01:09:02,940 --> 01:09:00,130

explanation for an occurrence like that

1436

01:09:04,800 --> 01:09:02,950

so yeah that that does seem to have an

1437

01:09:06,840 --> 01:09:04,810

extra dimensional quality to it that's

1438

01:09:09,300 --> 01:09:06,850

how it seems to me now I know you

1439

01:09:12,349 --> 01:09:09,310

mentioned earlier that you thought earth

1440

01:09:16,490 --> 01:09:12,359

could be some type of gateway possibly

1441

01:09:18,930 --> 01:09:16,500

and so the question I have on that is

1442

01:09:21,809 --> 01:09:18,940

you know I know people have mentioned

1443

01:09:25,140 --> 01:09:21,819

portals possibly and alike things like

1444

01:09:28,320 --> 01:09:25,150

that but ah but why is the question that

1445

01:09:32,099 --> 01:09:28,330

I would speculate why would it be a

1446

01:09:34,260 --> 01:09:32,109

gateway and why would it be why would

1447

01:09:36,000 --> 01:09:34,270

there be portals here instead of other

1448

01:09:42,120 --> 01:09:36,010

planets we know there are other planets

1449

01:09:45,630 --> 01:09:42,130

why here because it must be that way

1450

01:09:48,660 --> 01:09:45,640

because we see alien visitors appearing

1451

01:09:51,630 --> 01:09:48,670

all the time we see but it's very uh

1452

01:09:54,750 --> 01:09:51,640

it's very temperate very ephemeral they

1453

01:09:57,300 --> 01:09:54,760

appear they have contact that there's

1454

01:09:58,980 --> 01:09:57,310

observation experience that abduction

1455

01:10:01,260 --> 01:09:58,990

experiences and these experiences

1456

01:10:03,150 --> 01:10:01,270

they're just not they're not leveling

1457

01:10:05,760 --> 01:10:03,160

off they're not diminishing they are

1458

01:10:08,040 --> 01:10:05,770

only increasing as if they're increasing

1459

01:10:13,530 --> 01:10:08,050

towards some kind of crescendo some kind

1460

01:10:15,960 --> 01:10:13,540

of final climax and they're and so they

1461

01:10:18,030 --> 01:10:15,970

are coming through somewhere so it

1462

01:10:22,290 --> 01:10:18,040

appears that they are coming through the

1463

01:10:24,780 --> 01:10:22,300

earth itself and they don't seem to they

1464

01:10:27,680 --> 01:10:24,790

don't seem to be stopping or and it

1465

01:10:30,850 --> 01:10:27,690

seems to be increasing in nature and so

1466

01:10:34,600 --> 01:10:30,860

yeah we're the only planet that we

1467

01:10:36,189 --> 01:10:34,610

but I just see that that gateway is just

1468

01:10:39,100 --> 01:10:36,199

seems appears to be getting bigger and

1469

01:10:41,200 --> 01:10:39,110

bigger all the time yes I'm in the forum

1470

01:10:44,680 --> 01:10:41,210

there's a bill had another question and

1471

01:10:47,260 --> 01:10:44,690

it's very similar to what Belinda asked

1472

01:10:49,780 --> 01:10:47,270

earlier about radiation and I think

1473

01:10:52,330 --> 01:10:49,790

you've kind of addressed this bill asked

1474

01:10:55,780 --> 01:10:52,340

if you believe that UFOs are physical

1475

01:10:56,799 --> 01:10:55,790

are a physical craft or are they some

1476

01:10:58,270 --> 01:10:56,809

other non-physical

1477

01:11:00,399 --> 01:10:58,280

makeup I believe you already mentioned

1478

01:11:03,339 --> 01:11:00,409

that possibly plasma

1479

01:11:05,589 --> 01:11:03,349

I think they transition they transition

1480

01:11:08,080 --> 01:11:05,599

and yes they can be physical I mean

1481

01:11:12,819 --> 01:11:08,090

there's people who have who have touched

1482

01:11:15,580 --> 01:11:12,829

them who have not well not to touch them

1483

01:11:17,470 --> 01:11:15,590

and they appear to be physical but that

1484

01:11:19,479 --> 01:11:17,480

could be that could be a transition so

1485

01:11:21,819 --> 01:11:19,489

yeah I need finishes so that finishes up

1486

01:11:23,260 --> 01:11:21,829

if they're non-physical how do they

1487

01:11:25,689 --> 01:11:23,270

leave behind trace evidence but I

1488

01:11:29,560 --> 01:11:25,699

believe you more or less address that

1489

01:11:31,390 --> 01:11:29,570

earlier yeah that's how because they do

1490

01:11:33,640 --> 01:11:31,400

go shift through various phases

1491

01:11:36,010 --> 01:11:33,650

including the physical computers because

1492

01:11:38,709 --> 01:11:36,020

and Belinda in the chat room wanted to

1493

01:11:42,479 --> 01:11:38,719

know why whistleblowers claim the

1494

01:11:44,979 --> 01:11:42,489

government is working with aliens oh

1495

01:11:49,299 --> 01:11:44,989

that's that's an excellent question

1496

01:11:51,700 --> 01:11:49,309

yeah the they do appear to be a great

1497

01:11:54,819 --> 01:11:51,710

deal of whistleblowers that are in the

1498

01:11:59,010 --> 01:11:54,829

in the business of you know uncovering

1499

01:12:02,200 --> 01:11:59,020

these government actions on behalf of

1500

01:12:06,609 --> 01:12:02,210

alien visitors but but I believe that

1501

01:12:08,379 --> 01:12:06,619

the what we see in our what we see with

1502

01:12:10,240 --> 01:12:08,389

governments the national government not

1503

01:12:13,540 --> 01:12:10,250

just our government but all the national

1504

01:12:16,870 --> 01:12:13,550

governments what we see happening with

1505

01:12:19,140 --> 01:12:16,880

them is that they are there I don't

1506

01:12:21,609 --> 01:12:19,150

think they're on the inside of any

1507

01:12:23,919 --> 01:12:21,619

conspiracy I think they're just

1508

01:12:26,410 --> 01:12:23,929

following orders and yeah there is there

1509

01:12:29,020 --> 01:12:26,420

is a conspiracy all right then it is

1510

01:12:31,660 --> 01:12:29,030

from levels above the national

1511

01:12:33,010 --> 01:12:31,670

governments and a lot of times the

1512

01:12:35,589 --> 01:12:33,020

national governments they're just

1513

01:12:38,740 --> 01:12:35,599

following orders like I heard I heard

1514

01:12:41,260 --> 01:12:38,750

you're very excellent interview with

1515

01:12:44,560 --> 01:12:41,270

the colonel halt of the Rendlesham

1516

01:12:47,290 --> 01:12:44,570

forest okay and that's next one that was

1517

01:12:49,420 --> 01:12:47,300

an excellent interview that he was it

1518

01:12:52,780 --> 01:12:49,430

was phenomenal to hear directly from him

1519

01:12:54,820 --> 01:12:52,790

about the occurrences of those nights in

1520

01:12:58,660 --> 01:12:54,830

Rendlesham forest but brendensen forest

1521

01:13:01,090 --> 01:12:58,670

is a perfect example these we have we

1522

01:13:03,820 --> 01:13:01,100

have two nations basically because the

1523

01:13:06,850 --> 01:13:03,830

Rendlesham was a an American military

1524

01:13:10,240 --> 01:13:06,860

base on British soil so you had two

1525

01:13:15,310 --> 01:13:10,250

nations major nations that immediately

1526

01:13:18,340 --> 01:13:15,320

fell into line covering up the invasion

1527

01:13:20,830 --> 01:13:18,350

that occurred of UFO vehicles genuine

1528

01:13:24,280 --> 01:13:20,840

UFO or explainable extraterrestrial

1529

01:13:28,450 --> 01:13:24,290

vehicles at Rendlesham at the Russian

1530

01:13:30,370 --> 01:13:28,460

military base and they after this

1531

01:13:34,210 --> 01:13:30,380

occurred over this occurred I think over

1532

01:13:37,750 --> 01:13:34,220

three nights where these these UFOs came

1533

01:13:40,420 --> 01:13:37,760

in and harassed and terrified these the

1534

01:13:42,850 --> 01:13:40,430

soldiers including Colonel halt himself

1535

01:13:45,340 --> 01:13:42,860

until you've reached that crescendo

1536

01:13:47,500 --> 01:13:45,350

where they were following that one UFO

1537

01:13:50,320 --> 01:13:47,510

that wasn't leading them on a merry

1538

01:13:54,310 --> 01:13:50,330

chase through the forest and eventually

1539

01:13:56,380 --> 01:13:54,320

broke into five orbs it broke into live

1540

01:14:00,280 --> 01:13:56,390

orders that all flew off in different

1541

01:14:02,470 --> 01:14:00,290

directions I mean that's amazing and as

1542

01:14:05,050 --> 01:14:02,480

soon as that event the extraordinary

1543

01:14:10,030 --> 01:14:05,060

event was over instead of celebrating

1544

01:14:12,550 --> 01:14:10,040

that event you see two nations that came

1545

01:14:16,090 --> 01:14:12,560

into lockstep with the national security

1546

01:14:19,060 --> 01:14:16,100

structure to suppress shut down and

1547

01:14:21,540 --> 01:14:19,070

cover up everything that occurred with

1548

01:14:25,510 --> 01:14:21,550

Colonel halt and his troops that night

1549

01:14:28,150 --> 01:14:25,520

these these orders are coming from

1550

01:14:32,110 --> 01:14:28,160

somewhere higher than the nation's that

1551

01:14:33,610 --> 01:14:32,120

is my that is my hypothesis that's what

1552

01:14:37,630 --> 01:14:33,620

I believe because that's what I've seen

1553

01:14:40,240 --> 01:14:37,640

I have seen nations that never cooperate

1554

01:14:42,220 --> 01:14:40,250

with each other on so many issues and

1555

01:14:44,980 --> 01:14:42,230

have a hard time even when they want to

1556

01:14:47,530 --> 01:14:44,990

cooperate and yet when something of this

1557

01:14:51,400 --> 01:14:47,540

nature happened something supernatural

1558

01:14:53,860 --> 01:14:51,410

something extra dimensional or extra

1559

01:14:56,680 --> 01:14:53,870

terrestrial all of a sudden all these

1560

01:14:59,980 --> 01:14:56,690

nations immediately cooperate lock arms

1561

01:15:04,080 --> 01:14:59,990

and do whatever they have to to cover up

1562

01:15:05,980 --> 01:15:04,090

to stop knowledge about the

1563

01:15:09,400 --> 01:15:05,990

extraterrestrials from getting out and

1564

01:15:11,110 --> 01:15:09,410

so that's me it just it's always I've

1565

01:15:14,170 --> 01:15:11,120

seen it happen again and get so many

1566

01:15:16,690 --> 01:15:14,180

times that it just it seems obvious to

1567

01:15:18,430 --> 01:15:16,700

me the orders for this are coming from

1568

01:15:22,030 --> 01:15:18,440

someplace higher than the nation I

1569

01:15:26,220 --> 01:15:22,040

personally don't think that that any

1570

01:15:30,100 --> 01:15:26,230

part of the government or governments

1571

01:15:31,900 --> 01:15:30,110

actually really know a hundred percent

1572

01:15:35,560 --> 01:15:31,910

of what's going on you know I mean I

1573

01:15:38,140 --> 01:15:35,570

think I think I think what they could be

1574

01:15:40,630 --> 01:15:38,150

is more scared of or anything else and

1575

01:15:43,030 --> 01:15:40,640

by the way I have a friend that's on the

1576

01:15:45,760 --> 01:15:43,040

Antiques Roadshow that had a UFO

1577

01:15:48,550 --> 01:15:45,770

sighting were a box-shaped thing burst

1578

01:15:50,320 --> 01:15:48,560

into five lights you know same same

1579

01:15:53,080 --> 01:15:50,330

exact type of thing you see sawed you

1580

01:15:54,160 --> 01:15:53,090

know with his own eyes oh and he doesn't

1581

01:15:55,420 --> 01:15:54,170

want to you know he would never come on

1582

01:15:57,280 --> 01:15:55,430

the show and talk about it but it was

1583

01:16:02,230 --> 01:15:57,290

quite a sighting and he had several

1584

01:16:05,410 --> 01:16:02,240

witnesses with him yeah it's it's

1585

01:16:07,540 --> 01:16:05,420

amazing and yeah that's exactly what I

1586

01:16:10,450 --> 01:16:07,550

believe I believe that uh the the

1587

01:16:14,230 --> 01:16:10,460

nations are the nations aren't terrified

1588

01:16:17,140 --> 01:16:14,240

and they have standing orders to always

1589

01:16:21,100 --> 01:16:17,150

do whatever it takes to make sure that

1590

01:16:24,130 --> 01:16:21,110

knowledge doesn't get out of this of the

1591

01:16:26,080 --> 01:16:24,140

extra-terrestrial reality or the extra

1592

01:16:27,670 --> 01:16:26,090

dimensional reality and that's their

1593

01:16:29,350 --> 01:16:27,680

orders and they follow those orders so

1594

01:16:34,020 --> 01:16:29,360

anybody doesn't believe all they got to

1595

01:16:36,760 --> 01:16:34,030

do is Google NASA cuts the live feed

1596

01:16:41,080 --> 01:16:36,770

just google that and see how many

1597

01:16:43,120 --> 01:16:41,090

instances you get of NASA having up

1598

01:16:44,700 --> 01:16:43,130

having their satellite feeds that are

1599

01:16:46,930 --> 01:16:44,710

out there thank goodness we have

1600

01:16:48,370 --> 01:16:46,940

computer people who are sitting behind

1601

01:16:51,370 --> 01:16:48,380

screens recording every

1602

01:16:54,430 --> 01:16:51,380

every month but and yeah you'll be

1603

01:16:56,680 --> 01:16:54,440

you'll find a dozen instances of where

1604

01:16:58,479 --> 01:16:56,690

NASA it has the live feed point you from

1605

01:17:00,189 --> 01:16:58,489

the satellite to Earth's upper

1606

01:17:02,379 --> 01:17:00,199

atmosphere and then something appears

1607

01:17:05,169 --> 01:17:02,389

that is completely unknown and

1608

01:17:06,910 --> 01:17:05,179

unexplainable and sometimes you'll have

1609

01:17:09,610 --> 01:17:06,920

a quick-thinking technician that will

1610

01:17:12,220 --> 01:17:09,620

mutter something about space debris or a

1611

01:17:14,590 --> 01:17:12,230

stage of some rocket that nobody knows

1612

01:17:16,930 --> 01:17:14,600

about or or something like that but

1613

01:17:19,390 --> 01:17:16,940

usually they just they just follow their

1614

01:17:22,720 --> 01:17:19,400

standing orders cut the live feed and

1615

01:17:25,390 --> 01:17:22,730

you can also Google es a European Space

1616

01:17:27,820 --> 01:17:25,400

Agency cuts the live feed then you'll

1617

01:17:30,820 --> 01:17:27,830

get similar results because all the

1618

01:17:32,800 --> 01:17:30,830

nations have the same orders and it's

1619

01:17:35,560 --> 01:17:32,810

not that I don't think there's anybody

1620

01:17:37,450 --> 01:17:35,570

out is anybody at NASA that knows why

1621

01:17:39,700 --> 01:17:37,460

they're doing it but they know they're

1622

01:17:41,110 --> 01:17:39,710

they have their orders they know the gun

1623

01:17:42,700 --> 01:17:41,120

and they're going to keep carrying them

1624

01:17:46,959 --> 01:17:42,710

out I've heard up I've heard of

1625

01:17:48,700 --> 01:17:46,969

speculation on that that they're told to

1626

01:17:50,649 --> 01:17:48,710

do that because they just don't you know

1627

01:17:51,790 --> 01:17:50,659

it could be space junk or something like

1628

01:17:54,550 --> 01:17:51,800

that but they just don't want to get the

1629

01:17:56,979 --> 01:17:54,560

phone calls along along the lines I have

1630

01:17:59,290 --> 01:17:56,989

a very very long question here in the

1631

01:18:00,850 --> 01:17:59,300

forum but it's kind of along the lines

1632

01:18:02,950 --> 01:18:00,860

of what we're talking about here when

1633

01:18:04,899 --> 01:18:02,960

facts are hidden obscured through data

1634

01:18:06,879 --> 01:18:04,909

flooding or other forms of

1635

01:18:08,820 --> 01:18:06,889

disinformation it can be difficult for

1636

01:18:12,370 --> 01:18:08,830

any investigator no matter how dedicated

1637

01:18:14,080 --> 01:18:12,380

to come to a sound conclusion when a

1638

01:18:16,629 --> 01:18:14,090

scientist is confronted with evidence

1639

01:18:19,919 --> 01:18:16,639

that does not fit the accepted paradigm

1640

01:18:22,330 --> 01:18:19,929

he might disregard it as spurious ontour

1641

01:18:23,890 --> 01:18:22,340

untrustworthy evidence especially when

1642

01:18:26,410 --> 01:18:23,900

it's drowned with a vast flood of

1643

01:18:29,080 --> 01:18:26,420

evidence that falls within the accepted

1644

01:18:32,080 --> 01:18:29,090

paradigm but a scientist I will get to

1645

01:18:34,600 --> 01:18:32,090

the actual question actually I think but

1646

01:18:36,370 --> 01:18:34,610

a scientist who decides to pursue that

1647

01:18:39,700 --> 01:18:36,380

odd evidence sometimes ends up making

1648

01:18:42,459 --> 01:18:39,710

the a paradigm changing discovery do you

1649

01:18:45,250 --> 01:18:42,469

think that an investigator should always

1650

01:18:47,800 --> 01:18:45,260

keep his eyes open to evidence that does

1651

01:18:50,050 --> 01:18:47,810

not fit his current conclusions for

1652

01:18:52,660 --> 01:18:50,060

example evidence of physical craft

1653

01:18:55,149 --> 01:18:52,670

physical beings or even a secretive

1654

01:18:58,000 --> 01:18:55,159

ongoing interstellar badr and technology

1655

01:19:00,250 --> 01:18:58,010

exchange or is some evidence just too

1656

01:19:01,930 --> 01:19:00,260

odd to even consider I don't even

1657

01:19:05,890 --> 01:19:01,940

remember how this question started

1658

01:19:09,340 --> 01:19:05,900

yeah no but I've got ok with it yes

1659

01:19:12,000 --> 01:19:09,350

it listen investigators always have to

1660

01:19:14,590 --> 01:19:12,010

follow the clues the truth the evidence

1661

01:19:17,710 --> 01:19:14,600

to wherever it may be and they must

1662

01:19:19,780 --> 01:19:17,720

never never lose that threat and never

1663

01:19:22,750 --> 01:19:19,790

there's nothing that's outside what can

1664

01:19:25,810 --> 01:19:22,760

be considered that's why I'm a para

1665

01:19:29,230 --> 01:19:25,820

investigator rather than investigator I

1666

01:19:32,080 --> 01:19:29,240

can I can see everything that occurs in

1667

01:19:35,470 --> 01:19:32,090

a material world but when that evidence

1668

01:19:37,540 --> 01:19:35,480

runs out I can look I can look and see

1669

01:19:40,360 --> 01:19:37,550

the metaphysical clues and evidence

1670

01:19:42,250 --> 01:19:40,370

which also is evidence and see that for

1671

01:19:44,890 --> 01:19:42,260

what it is also but yeah by the

1672

01:19:47,620 --> 01:19:44,900

investigator has to always be open to

1673

01:19:50,200 --> 01:19:47,630

anything and it goes against goes

1674

01:19:52,690 --> 01:19:50,210

against any hypotheses that they cling

1675

01:19:54,970 --> 01:19:52,700

to anything that they see anything that

1676

01:19:57,880 --> 01:19:54,980

they if they believe it or not you've

1677

01:20:01,600 --> 01:19:57,890

got always be open to the other side and

1678

01:20:04,870 --> 01:20:01,610

anything anything at all because we just

1679

01:20:08,260 --> 01:20:04,880

never know where those clues that

1680

01:20:11,920 --> 01:20:08,270

evidence may be now the difference the

1681

01:20:15,670 --> 01:20:11,930

differences between me for instance and

1682

01:20:18,970 --> 01:20:15,680

and scientists or journalists or fact

1683

01:20:21,270 --> 01:20:18,980

finders is that because I'm because I'm

1684

01:20:23,860 --> 01:20:21,280

a law enforcement investigator I

1685

01:20:26,590 --> 01:20:23,870

consider I have spent good portion my

1686

01:20:29,220 --> 01:20:26,600

life in the court system gathering

1687

01:20:33,220 --> 01:20:29,230

evidence and making case is ready for

1688

01:20:35,400 --> 01:20:33,230

trial things like that I have an

1689

01:20:38,050 --> 01:20:35,410

understanding of evidence that

1690

01:20:40,660 --> 01:20:38,060

scientists may not recognize that

1691

01:20:42,820 --> 01:20:40,670

journalists may not recognize as valid

1692

01:20:44,770 --> 01:20:42,830

they may not see it but I haven't

1693

01:20:46,690 --> 01:20:44,780

I happen to know and I go into this in

1694

01:20:49,300 --> 01:20:46,700

my book the power of investigators I

1695

01:20:53,080 --> 01:20:49,310

have understanding of evidence it's much

1696

01:20:55,780 --> 01:20:53,090

wider than much more involved than the

1697

01:20:59,200 --> 01:20:55,790

common evidence recognition

1698

01:21:00,790 --> 01:20:59,210

unfortunately TB has ruined people for

1699

01:21:04,080 --> 01:21:00,800

understanding what evidence really means

1700

01:21:05,870 --> 01:21:04,090

people have been trained by CSI

1701

01:21:08,030 --> 01:21:05,880

television that

1702

01:21:09,620 --> 01:21:08,040

only things that are really evidence or

1703

01:21:12,020 --> 01:21:09,630

whatever you can put out a test-tube and

1704

01:21:15,590 --> 01:21:12,030

take to the lab and send to the lab

1705

01:21:18,170 --> 01:21:15,600

technicians to be measured and matched

1706

01:21:21,170 --> 01:21:18,180

up and so forth but evidence actually

1707

01:21:22,640 --> 01:21:21,180

means a lot more than that and so that's

1708

01:21:26,780 --> 01:21:22,650

what that's one of the things I try to

1709

01:21:29,840 --> 01:21:26,790

teach people is what evidence really

1710

01:21:32,240 --> 01:21:29,850

means and what the strongest for

1711

01:21:34,760 --> 01:21:32,250

instance the strongest kind of evidence

1712

01:21:37,700 --> 01:21:34,770

that there really is is witness

1713

01:21:41,570 --> 01:21:37,710

authenticity the authenticity of a human

1714

01:21:44,000 --> 01:21:41,580

being that appears reliable credible and

1715

01:21:47,570 --> 01:21:44,010

real people want to see what they're

1716

01:21:49,750 --> 01:21:47,580

talking about they just need to go to go

1717

01:21:51,850 --> 01:21:49,760

to the common databases that have the

1718

01:21:53,810 --> 01:21:51,860

interviews of Betty and Barney Hill

1719

01:21:54,980 --> 01:21:53,820

those interviews are still on there

1720

01:21:57,740 --> 01:21:54,990

black and white but they're still

1721

01:22:00,920 --> 01:21:57,750

available today especially Betty Betty

1722

01:22:03,070 --> 01:22:00,930

he'll just go look go looking a lot of

1723

01:22:06,350 --> 01:22:03,080

her interviews where she talks about

1724

01:22:10,490 --> 01:22:06,360

1961 abduction experience in it the that

1725

01:22:12,290 --> 01:22:10,500

they had and you will see what witness

1726
01:22:16,730 --> 01:22:12,300
authenticity looks like these are people

1727
01:22:19,150 --> 01:22:16,740
who are in pain they're they're in great

1728
01:22:21,650 --> 01:22:19,160
discomfort we're counting these

1729
01:22:23,540 --> 01:22:21,660
experiences and yet they still do it

1730
01:22:26,960 --> 01:22:23,550
they still do it against great

1731
01:22:28,700 --> 01:22:26,970
resistance now and the only reason is to

1732
01:22:30,770 --> 01:22:28,710
help other people and I think they've

1733
01:22:33,920 --> 01:22:30,780
done that over the years now I've had

1734
01:22:36,680 --> 01:22:33,930
Seth Shostak from the study on the show

1735
01:22:39,350 --> 01:22:36,690
a couple times and one of the times we

1736
01:22:41,260 --> 01:22:39,360
debated UFOs and he's a real smooth

1737
01:22:45,560 --> 01:22:41,270
talker I think he did he did pretty well

1738
01:22:49,160 --> 01:22:45,570

but in that particular case we decided

1739

01:22:51,410 --> 01:22:49,170

you I was I was he was on the side that

1740

01:22:53,420 --> 01:22:51,420

that you were he was on the side that

1741

01:22:55,550 --> 01:22:53,430

they were we've never been visited you

1742

01:22:58,730 --> 01:22:55,560

know basically there's no evidence so

1743

01:23:01,130 --> 01:22:58,740

when I questioned him about the

1744

01:23:03,410 --> 01:23:01,140

authentic who I consider authentic and

1745

01:23:08,150 --> 01:23:03,420

more skilled possibly a law enforcement

1746

01:23:09,620 --> 01:23:08,160

and astronauts and airline pilots and

1747

01:23:11,810 --> 01:23:09,630

thing you know people like that that

1748

01:23:15,260 --> 01:23:11,820

have actually witnessed his comeback was

1749

01:23:17,810 --> 01:23:15,270

that eyewitness testimony does not hold

1750

01:23:20,410 --> 01:23:17,820

up in court and you know what your

1751

01:23:24,400 --> 01:23:20,420

what's your response to that

1752

01:23:27,830 --> 01:23:24,410

I'm not sure what that means because

1753

01:23:30,200 --> 01:23:27,840

because that's the the main most

1754

01:23:32,720 --> 01:23:30,210

important that's the most important

1755

01:23:35,140 --> 01:23:32,730

thing there is in any in any court

1756

01:23:37,940 --> 01:23:35,150

situation or any any sort of evidentiary

1757

01:23:41,980 --> 01:23:37,950

situation it's the human being the human

1758

01:23:45,320 --> 01:23:41,990

being that has to relate the experience

1759

01:23:47,090 --> 01:23:45,330

the experience of truth of what they

1760

01:23:50,930 --> 01:23:47,100

went through and what they what they

1761

01:23:54,050 --> 01:23:50,940

observed what they saw so yeah I witness

1762

01:23:56,510 --> 01:23:54,060

testimony I think maybe what what he

1763

01:24:00,830 --> 01:23:56,520

meant was that eyewitness testimony is

1764

01:24:02,690 --> 01:24:00,840

notoriously unreliable and yeah yeah it

1765

01:24:04,670 --> 01:24:02,700

is if you're a defense I think you did I

1766

01:24:07,850 --> 01:24:04,680

think that was probably more the point

1767

01:24:09,950 --> 01:24:07,860

yes yes yes and yeah that's absolutely

1768

01:24:13,550 --> 01:24:09,960

true if you're a defense attorney and

1769

01:24:16,160 --> 01:24:13,560

you're good at framing eyewitness

1770

01:24:18,140 --> 01:24:16,170

testimony is incredibly unreliable then

1771

01:24:20,570 --> 01:24:18,150

or well I guess it depends on situation

1772

01:24:24,800 --> 01:24:20,580

the prosecution could go for that also

1773

01:24:27,860 --> 01:24:24,810

but regardless attorneys can take apart

1774

01:24:31,220 --> 01:24:27,870

anything just with the power of

1775

01:24:33,830 --> 01:24:31,230

imagination and legal skills so yeah

1776

01:24:38,780 --> 01:24:33,840

there can be a I witness that's when it

1777

01:24:40,850 --> 01:24:38,790

can be can be unreliable in if you're at

1778

01:24:43,780 --> 01:24:40,860

least you can show it to be unreliable

1779

01:24:46,490 --> 01:24:43,790

not because but the reason is because

1780

01:24:48,950 --> 01:24:46,500

you're good attorney right here a good

1781

01:24:51,020 --> 01:24:48,960

exactly it's not because it's inherently

1782

01:24:53,540 --> 01:24:51,030

unreliable because that's definitely not

1783

01:24:56,450 --> 01:24:53,550

true that's not true at all but yeah

1784

01:24:59,000 --> 01:24:56,460

this is a skilled arguer have the

1785

01:25:01,160 --> 01:24:59,010

ability to make eyewitness testimony

1786

01:25:03,820 --> 01:25:01,170

seen Underland me of course they do

1787

01:25:08,780 --> 01:25:03,830

and I could do it myself it's not hard

1788

01:25:12,140 --> 01:25:08,790

but but human experience is the most is

1789

01:25:17,390 --> 01:25:12,150

a single most important thing in matters

1790

01:25:20,060 --> 01:25:17,400

of evidence and also we gotta when

1791

01:25:22,390 --> 01:25:20,070

people observe something and they

1792

01:25:24,980 --> 01:25:22,400

present it the best that they can

1793

01:25:27,350 --> 01:25:24,990

that's the that's the best thing that

1794

01:25:29,570 --> 01:25:27,360

you could hope for in any situation

1795

01:25:30,979 --> 01:25:29,580

despite regardless of what the degree of

1796

01:25:32,810 --> 01:25:30,989

skill is

1797

01:25:35,930 --> 01:25:32,820

whether they're an airline pilot or an

1798

01:25:38,660 --> 01:25:35,940

astronaut or just a just a person

1799

01:25:40,670 --> 01:25:38,670

unskilled labor it doesn't matter what

1800

01:25:44,300 --> 01:25:40,680

matters is are they reliable credible

1801
01:25:48,830 --> 01:25:44,310
and do we have reason do we have reason

1802
01:25:50,810 --> 01:25:48,840
to believe that they are not gaining by

1803
01:25:53,870 --> 01:25:50,820
this testimony that they are simply

1804
01:25:56,900 --> 01:25:53,880
trying to tell what happened in the

1805
01:25:58,760 --> 01:25:56,910
paranormal I also believe the most the

1806
01:26:01,910 --> 01:25:58,770
most one of the most important sayings

1807
01:26:05,630 --> 01:26:01,920
in the paranormal is I know what I saw

1808
01:26:09,170 --> 01:26:05,640
that's it I know what I saw the reason

1809
01:26:12,020 --> 01:26:09,180
that's so important is because whenever

1810
01:26:15,110 --> 01:26:12,030
any eye witness whenever any person

1811
01:26:20,470 --> 01:26:15,120
witnesses an experience there will be an

1812
01:26:24,410 --> 01:26:20,480
army of skeptics scientific thinkers of

1813
01:26:27,410 --> 01:26:24,420

doubters who will try to dislodge them

1814

01:26:29,930 --> 01:26:27,420

from the credibility of what they

1815

01:26:32,570 --> 01:26:29,940

believe and what they know that they

1816

01:26:34,360 --> 01:26:32,580

went through and it's very important for

1817

01:26:37,850 --> 01:26:34,370

people to have confidence in themselves

1818

01:26:41,780 --> 01:26:37,860

to know that that know that their

1819

01:26:44,560 --> 01:26:41,790

experience is valid regardless of their

1820

01:26:48,200 --> 01:26:44,570

level of experience and education yes I

1821

01:26:50,420 --> 01:26:48,210

get that I totally get that so earlier I

1822

01:26:53,180 --> 01:26:50,430

mentioned to you or I asked you the

1823

01:26:57,020 --> 01:26:53,190

question was that was what was your

1824

01:26:59,060 --> 01:26:57,030

water skeptic strongest case against you

1825

01:27:00,680 --> 01:26:59,070

know the inter-dimensional theory or

1826

01:27:02,690 --> 01:27:00,690

whatever it is you would like to call it

1827

01:27:05,780 --> 01:27:02,700

so I guess what I'll ask you is what is

1828

01:27:12,050 --> 01:27:05,790

your strongest case that that is what is

1829

01:27:15,229 --> 01:27:12,060

happening my strongest case that that

1830

01:27:18,610 --> 01:27:15,239

alien visitors are not physical that

1831

01:27:22,700 --> 01:27:18,620

they are coming from somewhere else is

1832

01:27:27,560 --> 01:27:22,710

the experience of clues and the patterns

1833

01:27:31,880 --> 01:27:27,570

that seem to repeat over and over again

1834

01:27:34,280 --> 01:27:31,890

in all of the cases in all of the most

1835

01:27:40,110 --> 01:27:34,290

famous cases that have

1836

01:27:43,200 --> 01:27:40,120

where we see where we see that that the

1837

01:27:46,050 --> 01:27:43,210

alien visitors displayed qualities that

1838

01:27:50,460 --> 01:27:46,060

are not that enough physical that are

1839

01:27:52,770 --> 01:27:50,470

other other-dimensional in quality when

1840

01:27:55,410 --> 01:27:52,780

we see them we see them coming through

1841

01:27:59,220 --> 01:27:55,420

walls when we see them we see these

1842

01:28:01,770 --> 01:27:59,230

ships that appear like what happened

1843

01:28:03,480 --> 01:28:01,780

when the Travis Walton experience for

1844

01:28:05,220 --> 01:28:03,490

instance we say this should that

1845

01:28:07,470 --> 01:28:05,230

appeared that was about it appear to be

1846

01:28:11,070 --> 01:28:07,480

kind of plasmic in in it's nature's

1847

01:28:14,070 --> 01:28:11,080

filled with light and he eventually was

1848

01:28:18,840 --> 01:28:14,080

transported aboard the ship supposedly

1849

01:28:22,170 --> 01:28:18,850

and yet when he broke free of the his

1850

01:28:26,730 --> 01:28:22,180

captors and he started taking a tour his

1851

01:28:28,740 --> 01:28:26,740

tour inside the ship it led out into

1852

01:28:33,240 --> 01:28:28,750

chambers that were enormous and

1853

01:28:35,520 --> 01:28:33,250

structure really enormous and then he

1854

01:28:37,020 --> 01:28:35,530

went to another chamber that was even

1855

01:28:40,560 --> 01:28:37,030

bigger than the one he just came from

1856

01:28:43,110 --> 01:28:40,570

and I kept that kept on happening when

1857

01:28:45,990 --> 01:28:43,120

it's in other words what he saw that

1858

01:28:49,620 --> 01:28:46,000

ship that he saw in three dimensional

1859

01:28:53,460 --> 01:28:49,630

space and it became something else when

1860

01:28:57,300 --> 01:28:53,470

he was inside of there so again little

1861

01:29:00,210 --> 01:28:57,310

clues like that we're not a repeated to

1862

01:29:03,750 --> 01:29:00,220

probe case the case case they keep on

1863

01:29:06,300 --> 01:29:03,760

repeating in many of the classic cases

1864

01:29:10,350 --> 01:29:06,310

where extra dimensional qualities are

1865

01:29:13,170 --> 01:29:10,360

displayed by either the UFOs or by the

1866

01:29:18,420 --> 01:29:13,180

alien visitors but here is the single

1867

01:29:24,290 --> 01:29:18,430

strongest case for extra dimensionality

1868

01:29:27,480 --> 01:29:24,300

it's this they're not here physically

1869

01:29:30,210 --> 01:29:27,490

alien visitors according to logic the

1870

01:29:32,550 --> 01:29:30,220

age of the universe and the fact that

1871

01:29:35,880 --> 01:29:32,560

there are civilization that there are

1872

01:29:39,420 --> 01:29:35,890

planets out there many planets out there

1873

01:29:43,200 --> 01:29:39,430

there are that are of the age that that

1874

01:29:45,100 --> 01:29:43,210

they should have races that achieved

1875

01:29:48,430 --> 01:29:45,110

interstellar travel by

1876
01:29:52,060 --> 01:29:48,440
now then they should be in our physical

1877
01:29:55,720 --> 01:29:52,070
time-space out there somewhere and they

1878
01:29:57,970 --> 01:29:55,730
should be here by now they should be

1879
01:30:00,790 --> 01:29:57,980
here not like peekaboo in the peekaboo

1880
01:30:02,500 --> 01:30:00,800
way like here we are all we're going to

1881
01:30:04,180 --> 01:30:02,510
visit one yard we're going to visit more

1882
01:30:05,800 --> 01:30:04,190
and we're going to visit him in his

1883
01:30:08,169 --> 01:30:05,810
bedroom and then we're not going to talk

1884
01:30:10,209 --> 01:30:08,179
to anybody else going to take off not

1885
01:30:12,490 --> 01:30:10,219
like that but like a parade down Main

1886
01:30:16,320 --> 01:30:12,500
Avenue they should be doing

1887
01:30:19,419 --> 01:30:16,330
open commerce and be physically

1888
01:30:22,180 --> 01:30:19,429

permanently here they should be on the

1889

01:30:26,100 --> 01:30:22,190

White House lawn and every other lawn

1890

01:30:29,379 --> 01:30:26,110

basically but that hasn't happened and

1891

01:30:32,609 --> 01:30:29,389

to me that is the strongest argument

1892

01:30:35,410 --> 01:30:32,619

that there's something non-physical

1893

01:30:37,990 --> 01:30:35,420

about alien visitors something very

1894

01:30:39,340 --> 01:30:38,000

non-physical that they came that the

1895

01:30:42,399 --> 01:30:39,350

only reason they wouldn't be here

1896

01:30:46,270 --> 01:30:42,409

physically permanently in large numbers

1897

01:30:50,439 --> 01:30:46,280

doing commerce with us with human beings

1898

01:30:54,550 --> 01:30:50,449

is because they can it's because they're

1899

01:30:57,220 --> 01:30:54,560

not physical it's because they are extra

1900

01:31:02,470 --> 01:30:57,230

dimensional in nature well that's that's

1901

01:31:07,149 --> 01:31:02,480

interesting and I well to argue that

1902

01:31:11,229 --> 01:31:07,159

just a little bit you know why would you

1903

01:31:13,720 --> 01:31:11,239

totally think that they would want to

1904

01:31:15,399 --> 01:31:13,730

show themselves or you know a lot of

1905

01:31:18,399 --> 01:31:15,409

people are speculating that they could

1906

01:31:21,310 --> 01:31:18,409

be just observing you know just

1907

01:31:23,379 --> 01:31:21,320

observing us as a culture and perhaps oh

1908

01:31:26,109 --> 01:31:23,389

yeah that would be you know that'll be

1909

01:31:29,649 --> 01:31:26,119

perfect that's what was occurring but

1910

01:31:32,500 --> 01:31:29,659

they're initiating contact regular basis

1911

01:31:35,439 --> 01:31:32,510

they are doing abductions they are doing

1912

01:31:38,050 --> 01:31:35,449

all kinds of other contexts both well

1913

01:31:40,750 --> 01:31:38,060

negative experiences and benevolent

1914

01:31:44,200 --> 01:31:40,760

experiences too so they are it's

1915

01:31:47,530 --> 01:31:44,210

definitely not just observed they are in

1916

01:31:50,530 --> 01:31:47,540

ok are involving themselves they are

1917

01:31:52,990 --> 01:31:50,540

sometimes showing up over as we saw in

1918

01:31:56,000 --> 01:31:53,000

rentals in Rendlesham they are showing

1919

01:31:58,250 --> 01:31:56,010

up over look clear up where we have

1920

01:32:00,229 --> 01:31:58,260

we're weapons and shutting them down and

1921

01:32:03,290 --> 01:32:00,239

sometimes activating them shutting them

1922

01:32:06,290 --> 01:32:03,300

down they are in other words insinuating

1923

01:32:10,069 --> 01:32:06,300

themselves into our physical into our

1924

01:32:12,020 --> 01:32:10,079

physical world all the time so if it was

1925

01:32:14,330 --> 01:32:12,030

just okay we just want to observe and

1926

01:32:16,939 --> 01:32:14,340

not interfere then that's not happening

1927

01:32:18,649 --> 01:32:16,949

because they they are interfering they

1928

01:32:21,799 --> 01:32:18,659

interfered with Betty and Barney Hill

1929

01:32:24,560 --> 01:32:21,809

they interviewed with Travis Walton they

1930

01:32:29,270 --> 01:32:24,570

interviewed with many many others over

1931

01:32:32,509 --> 01:32:29,280

the years so so yeah they are doing more

1932

01:32:34,640 --> 01:32:32,519

than just observing and so it begs the

1933

01:32:37,160 --> 01:32:34,650

question then why don't we just why

1934

01:32:40,479 --> 01:32:37,170

don't they just show up in large numbers

1935

01:32:44,600 --> 01:32:40,489

and just make their presence open and

1936

01:32:47,779 --> 01:32:44,610

open them continue and again it brings

1937

01:32:49,009 --> 01:32:47,789

me back to the same investigative

1938

01:32:50,870 --> 01:32:49,019

conclusion over and over again

1939

01:32:53,209 --> 01:32:50,880

it's because they can well that's

1940

01:32:57,620 --> 01:32:53,219

interesting Belinda from the chat room

1941

01:33:00,830 --> 01:32:57,630

wants to know if you think that we are

1942

01:33:05,270 --> 01:33:00,840

only physical beings we are the only

1943

01:33:08,109 --> 01:33:05,280

physical beings in the universe no

1944

01:33:13,729 --> 01:33:08,119

because she approached a very important

1945

01:33:16,040 --> 01:33:13,739

topic is that no obviously we we are we

1946

01:33:18,560 --> 01:33:16,050

are also we are spiritual creatures also

1947

01:33:21,200 --> 01:33:18,570

and in a sense in a sense we're actually

1948

01:33:23,750 --> 01:33:21,210

dimensional on that sense also but yeah

1949

01:33:26,839 --> 01:33:23,760

I see what she's saying permanent

1950

01:33:30,169 --> 01:33:26,849

physical creatures in the universe at

1951

01:33:34,669 --> 01:33:30,179

this time that is that is the conclusion

1952

01:33:38,930 --> 01:33:34,679

that I have led to that we human beings

1953

01:33:42,649 --> 01:33:38,940

are the only permanently physical

1954

01:33:45,049 --> 01:33:42,659

creatures in this time-space yeah that's

1955

01:33:47,979 --> 01:33:45,059

that's how I see it that's actually

1956

01:33:52,790 --> 01:33:47,989

exactly how I see it and I realize how

1957

01:33:54,799 --> 01:33:52,800

crazy that seems to people who will sit

1958

01:33:57,290 --> 01:33:54,809

and look out at night sky and see

1959

01:34:00,140 --> 01:33:57,300

hundreds of billions and quadrillions of

1960

01:34:03,169 --> 01:34:00,150

stars and star systems out there in our

1961

01:34:05,389 --> 01:34:03,179

physical time-space and they will not

1962

01:34:08,540 --> 01:34:05,399

may no not be happy to hear

1963

01:34:12,139 --> 01:34:08,550

at all but it's the the conclusion I

1964

01:34:13,759 --> 01:34:12,149

keep being led over and over again I'll

1965

01:34:15,979 --> 01:34:13,769

have to disagree with you on that I mean

1966

01:34:18,409 --> 01:34:15,989

that's that's not how I feel I feel that

1967

01:34:20,659 --> 01:34:18,419

it's almost impossible and most of that

1968

01:34:23,379 --> 01:34:20,669

must be picked up something couldn't

1969

01:34:26,270 --> 01:34:23,389

evolve with all the possibilities of

1970

01:34:29,209 --> 01:34:26,280

billions but anyway

1971

01:34:32,419 --> 01:34:29,219

almost almost impossible most people

1972

01:34:34,399 --> 01:34:32,429

would say absolutely impossible well it

1973

01:34:38,839 --> 01:34:34,409

yeah there were a lot of things that

1974

01:34:41,750 --> 01:34:38,849

came to the way we evolved a course but

1975

01:34:45,709 --> 01:34:41,760

it just seems like that magic could

1976

01:34:48,770 --> 01:34:45,719

happen multiple times in over you know

1977

01:34:50,750 --> 01:34:48,780

many periods of times and also for you

1978

01:34:54,290 --> 01:34:50,760

know two different civilizations to line

1979

01:34:58,330 --> 01:34:54,300

up in a certain time is a you know is

1980

01:35:07,189 --> 01:35:04,549

so if if we does that mean we we

1981

01:35:09,919 --> 01:35:07,199

shouldn't travel to try to explore we

1982

01:35:11,569 --> 01:35:09,929

shouldn't be doing SETI you know look to

1983

01:35:13,909 --> 01:35:11,579

see if there's radio signals out there

1984

01:35:17,209 --> 01:35:13,919

do you think it's all a waste of time in

1985

01:35:20,000 --> 01:35:17,219

your opinion well people waste their

1986

01:35:22,159 --> 01:35:20,010

time all the time it happens happens

1987

01:35:25,159 --> 01:35:22,169

constantly and I don't think that's

1988

01:35:27,009 --> 01:35:25,169

about to stop because people have their

1989

01:35:30,520 --> 01:35:27,019

agendas that they want to pursue and

1990

01:35:33,319 --> 01:35:30,530

they should do whatever makes them happy

1991

01:35:37,009 --> 01:35:33,329

but yeah of course I believe that's

1992

01:35:40,069 --> 01:35:37,019

waste time and if they've been running

1993

01:35:41,989 --> 01:35:40,079

for quite a while to say and if there

1994

01:35:43,639 --> 01:35:41,999

was something they would have perceived

1995

01:35:46,009 --> 01:35:43,649

I think they would have perceived by now

1996

01:35:47,899 --> 01:35:46,019

but that's like I said that's fine that

1997

01:35:51,199 --> 01:35:47,909

doesn't interfere with anything what

1998

01:35:55,219 --> 01:35:51,209

does what what is more upsetting

1999

01:35:57,979 --> 01:35:55,229

actually is the agenda for space travel

2000

01:36:01,549 --> 01:35:57,989

that we have and that's one of the

2001

01:36:06,739 --> 01:36:01,559

reasons why why it's so important for

2002

01:36:09,049 --> 01:36:06,749

the powers the powers in charge to stop

2003

01:36:11,419 --> 01:36:09,059

any thought any thoughts of extra

2004

01:36:15,409 --> 01:36:11,429

dimensional extra dimensionally because

2005

01:36:17,920 --> 01:36:15,419

the idea of physical aliens is wrapped

2006

01:36:21,520 --> 01:36:17,930

up into so many things like setting

2007

01:36:26,200 --> 01:36:21,530

and also an also space travel the

2008

01:36:29,650 --> 01:36:26,210

importance of space travel of sending

2009

01:36:34,020 --> 01:36:29,660

young generations of our people out into

2010

01:36:37,930 --> 01:36:34,030

space to go travel to go find I guess

2011

01:36:41,110 --> 01:36:37,940

alien races that are supposedly out

2012

01:36:42,460 --> 01:36:41,120

there and you know the I don't believe

2013

01:36:46,240 --> 01:36:42,470

that they're out there but there's this

2014

01:36:49,540 --> 01:36:46,250

huge agenda to have space travel become

2015

01:36:52,510 --> 01:36:49,550

this this incredibly important thing to

2016

01:36:56,410 --> 01:36:52,520

become like the new the new paradigm of

2017

01:36:58,870 --> 01:36:56,420

our of the future generations and if you

2018

01:37:01,150 --> 01:36:58,880

want to know what I'm talking about just

2019

01:37:03,550 --> 01:37:01,160

look at this up there's a movie that

2020

01:37:06,520 --> 01:37:03,560

came out called passengers it was a

2021

01:37:08,020 --> 01:37:06,530

Christopher Pratt movie passengers I

2022

01:37:12,040 --> 01:37:08,030

don't really see any reason for that

2023

01:37:14,140 --> 01:37:12,050

movie except to glorify sending

2024

01:37:17,230 --> 01:37:14,150

generations of our young people out into

2025

01:37:19,690 --> 01:37:17,240

space oh yes but the powers I saw that

2026

01:37:22,210 --> 01:37:19,700

yeah kind of I know yep did you okay

2027

01:37:25,150 --> 01:37:22,220

yeah I saw it and I was very puzzled by

2028

01:37:28,900 --> 01:37:25,160

it until I realized that it's part of

2029

01:37:31,270 --> 01:37:28,910

this agenda to make space travel to

2030

01:37:35,110 --> 01:37:31,280

pre-program us to make space travel

2031

01:37:39,430 --> 01:37:35,120

being the great JFK mission of our

2032

01:37:41,800 --> 01:37:39,440

generation and so and I don't think I

2033

01:37:44,650 --> 01:37:41,810

don't think there's anything out there I

2034

01:37:48,400 --> 01:37:44,660

really don't know not anything not

2035

01:37:49,960 --> 01:37:48,410

anything alive like us because if it

2036

01:37:53,470 --> 01:37:49,970

were I think it would be here already

2037

01:37:55,510 --> 01:37:53,480

but still that agenda is very important

2038

01:37:57,940 --> 01:37:55,520

because it also is tied up to

2039

01:38:01,180 --> 01:37:57,950

weaponizing to what Verner von Braun

2040

01:38:03,430 --> 01:38:01,190

talked about the final great the final

2041

01:38:06,100 --> 01:38:03,440

great fake war that also is very

2042

01:38:09,370 --> 01:38:06,110

important for the elite powers in charge

2043

01:38:11,590 --> 01:38:09,380

where they want to weaponize outer space

2044

01:38:13,900 --> 01:38:11,600

they want to talk about these physical

2045

01:38:16,060 --> 01:38:13,910

alien visitors that are going to invade

2046

01:38:18,310 --> 01:38:16,070

us that are going to invade us and we

2047

01:38:20,920 --> 01:38:18,320

need to weaponize all of space and then

2048

01:38:23,290 --> 01:38:20,930

ultimately of course we'll have weapons

2049

01:38:25,330 --> 01:38:23,300

all circling around the earth but those

2050

01:38:28,300 --> 01:38:25,340

weapons will eventually be turned inward

2051

01:38:30,710 --> 01:38:28,310

towards the earth and the powers in

2052

01:38:33,560 --> 01:38:30,720

charge will achieve a level

2053

01:38:37,760 --> 01:38:33,570

control that no one has ever seen well

2054

01:38:40,340 --> 01:38:37,770

you know arthur c clarke of his one of

2055

01:38:42,800 --> 01:38:40,350

his quotes was two possibilities exist

2056

01:38:46,850 --> 01:38:42,810

either we are alone in the universe or

2057

01:38:51,470 --> 01:38:46,860

we are not both are equally terrifying I

2058

01:38:55,010 --> 01:38:51,480

always loved that oh that's very good

2059

01:38:59,600 --> 01:38:55,020

yeah and we are we are definitely not

2060

01:39:04,540 --> 01:38:59,610

alone but we are in a sense also and

2061

01:39:07,550 --> 01:39:04,550

it's it's not up it's not a bad thing

2062

01:39:10,010 --> 01:39:07,560

because you know we have alien visitors

2063

01:39:13,460 --> 01:39:10,020

are coming in and out of here constantly

2064

01:39:14,960 --> 01:39:13,470

but our physical space I don't I don't

2065

01:39:18,170 --> 01:39:14,970

believe there's anything out there

2066

01:39:20,660 --> 01:39:18,180

okay um Steve wants to know that it's a

2067

01:39:22,840 --> 01:39:20,670

little bit off of the UFO topic but

2068

01:39:25,810 --> 01:39:22,850

Steve wants to know about giant

2069

01:39:29,320 --> 01:39:25,820

elongated skulls of what I don't know

2070

01:39:33,020 --> 01:39:29,330

what exactly how that fits into this but

2071

01:39:35,990 --> 01:39:33,030

um yeah I believe a lot of those are

2072

01:39:39,010 --> 01:39:36,000

tied up into are tied up into the

2073

01:39:41,990 --> 01:39:39,020

ancient alien races that were here

2074

01:39:45,560 --> 01:39:42,000

physically and pretty permanently in

2075

01:39:48,320 --> 01:39:45,570

like I said before recorded history back

2076

01:39:51,500 --> 01:39:48,330

back in the time of the Anunnaki and

2077

01:39:53,510 --> 01:39:51,510

other alien races that were here and I

2078

01:39:55,690 --> 01:39:53,520

believe that throughout our solar system

2079

01:39:59,240 --> 01:39:55,700

as well as we see traces of

2080

01:40:02,450 --> 01:39:59,250

civilizations even on Mars on the moon

2081

01:40:05,540 --> 01:40:02,460

so you know I bleed elongated skulls are

2082

01:40:08,300 --> 01:40:05,550

the ones that have been retained the

2083

01:40:11,780 --> 01:40:08,310

ones that are obviously not just not

2084

01:40:14,420 --> 01:40:11,790

just bound humans that just created

2085

01:40:20,060 --> 01:40:14,430

their own their own elongated skulls to

2086

01:40:22,430 --> 01:40:20,070

uh to imitate the alien races but yeah I

2087

01:40:25,910 --> 01:40:22,440

think that's part of the time those

2088

01:40:29,180 --> 01:40:25,920

skulls the ones that are really have a

2089

01:40:32,420 --> 01:40:29,190

higher volume of brain mass those are

2090

01:40:35,690 --> 01:40:32,430

part of the before recorded history what

2091

01:40:38,629 --> 01:40:35,700

alien races had no problem being in our

2092

01:40:41,040 --> 01:40:38,639

in our solar system in our

2093

01:40:43,050 --> 01:40:41,050

because permanently as they want so do

2094

01:40:46,850 --> 01:40:43,060

you think at that time we were seeded is

2095

01:40:50,520 --> 01:40:46,860

that what your I heard you say Anunnaki

2096

01:40:53,820 --> 01:40:50,530

yeah the Anunnaki I'm just referring to

2097

01:40:57,180 --> 01:40:53,830

the time before the time before our

2098

01:41:00,240 --> 01:40:57,190

recorded history when when we know that

2099

01:41:02,399 --> 01:41:00,250

alien races were present throughout our

2100

01:41:05,040 --> 01:41:02,409

civilization throughout our civilization

2101
01:41:08,160 --> 01:41:05,050
maybe on other planets in our solar

2102
01:41:11,970 --> 01:41:08,170
system as well so I just use Anunnaki to

2103
01:41:14,160 --> 01:41:11,980
refer to that period in general right I

2104
01:41:16,709 --> 01:41:14,170
don't I don't go any further than that

2105
01:41:18,479 --> 01:41:16,719
in terms of thinking about seeding and

2106
01:41:21,240 --> 01:41:18,489
so forth okay

2107
01:41:22,439 --> 01:41:21,250
now you mentioned earlier we talked a

2108
01:41:25,709 --> 01:41:22,449
little bit about you know the

2109
01:41:27,859 --> 01:41:25,719
possibility of the missing people but

2110
01:41:32,010 --> 01:41:27,869
would you consider any other

2111
01:41:34,320 --> 01:41:32,020
unexplainable or paranormal events so

2112
01:41:39,570 --> 01:41:34,330
totally related to this extra

2113
01:41:43,500 --> 01:41:39,580

dimensional theory of yours yeah

2114

01:41:47,339 --> 01:41:43,510

absolutely I mean there are there are

2115

01:41:50,040 --> 01:41:47,349

always events that uh just that cannot

2116

01:41:52,850 --> 01:41:50,050

be explained cannot be approached and

2117

01:41:56,669 --> 01:41:52,860

that people just don't don't really know

2118

01:41:59,010 --> 01:41:56,679

what what they really represent no

2119

01:42:02,839 --> 01:41:59,020

matter what so you know there was a

2120

01:42:07,379 --> 01:42:02,849

there was an incident in the Ural mouths

2121

01:42:10,709 --> 01:42:07,389

that that I believe do you have have you

2122

01:42:14,129 --> 01:42:10,719

got love past incident is that I

2123

01:42:15,750 --> 01:42:14,139

pronounce it this yet again it's a

2124

01:42:19,410 --> 01:42:15,760

Russian name who's actually one of the

2125

01:42:21,180 --> 01:42:19,420

hikers so I've been saying dill atop all

2126

01:42:23,490 --> 01:42:21,190

this that sounds Russian incorrect uh

2127

01:42:25,350 --> 01:42:23,500

yeah I actually spent some time there

2128

01:42:28,680 --> 01:42:25,360

and and but not in the Ural Mountains

2129

01:42:30,720 --> 01:42:28,690

but I tried to get a hold of I did get a

2130

01:42:32,490 --> 01:42:30,730

hold of someone actually that lived

2131

01:42:33,750 --> 01:42:32,500

there that had researched the case but

2132

01:42:35,850 --> 01:42:33,760

he said his English was not good enough

2133

01:42:39,560 --> 01:42:35,860

I was trying to try to get him on my

2134

01:42:42,629 --> 01:42:39,570

show that's a lot about having topic

2135

01:42:46,830 --> 01:42:42,639

because because that was that was a case

2136

01:42:50,399 --> 01:42:46,840

that I have been looking at and I cannot

2137

01:42:52,110 --> 01:42:50,409

get around the I cannot get around the

2138

01:42:54,570 --> 01:42:52,120

idea

2139

01:42:56,640 --> 01:42:54,580

that that had an extra dimensional

2140

01:42:58,020 --> 01:42:56,650

quality - I'm hearing some clicking you

2141

01:43:01,170 --> 01:42:58,030

know this pardon me I don't know if you

2142

01:43:06,150 --> 01:43:01,180

click on it but anyway yeah sorry yes I

2143

01:43:09,320 --> 01:43:06,160

was sorry and and so you know that was a

2144

01:43:11,600 --> 01:43:09,330

case where we had all we had all these

2145

01:43:14,280 --> 01:43:11,610

that was a case where the only

2146

01:43:17,520 --> 01:43:14,290

conclusion for people who don't know the

2147

01:43:22,710 --> 01:43:17,530

Dilla top iOS adulterer a dilettante

2148

01:43:25,950 --> 01:43:22,720

pass a case where we had where we had

2149

01:43:29,270 --> 01:43:25,960

all these hikers who were in tents in

2150

01:43:33,030 --> 01:43:29,280

this valley between snowy mountains and

2151
01:43:35,790 --> 01:43:33,040
suddenly they just something happened to

2152
01:43:39,930 --> 01:43:35,800
them and they were it was a spread of

2153
01:43:41,760 --> 01:43:39,940
the Soviet Union so the Soviets covered

2154
01:43:45,720 --> 01:43:41,770
up tried to cover up as best they could

2155
01:43:47,340 --> 01:43:45,730
the situation but that is a case where I

2156
01:43:50,660 --> 01:43:47,350
believe there was something extra

2157
01:43:55,440 --> 01:43:50,670
dimensional I went on but something

2158
01:43:58,530 --> 01:43:55,450
completely not understood by by US by me

2159
01:44:01,950 --> 01:43:58,540
or anybody else because because all of

2160
01:44:03,120 --> 01:44:01,960
these because the few clues that dig it

2161
01:44:05,970 --> 01:44:03,130
out because there were local

2162
01:44:09,120 --> 01:44:05,980
investigators involved as well as well

2163
01:44:11,310 --> 01:44:09,130

as KGB and others and some of the little

2164

01:44:13,860 --> 01:44:11,320

details did get out in the few details

2165

01:44:18,780 --> 01:44:13,870

that got out of that affair tell us a

2166

01:44:23,100 --> 01:44:18,790

lot like the tents were ripped open from

2167

01:44:24,480 --> 01:44:23,110

the inside and it's so so people

2168

01:44:28,950 --> 01:44:24,490

speculate what could it have been

2169

01:44:31,860 --> 01:44:28,960

Bigfoot or Yeti or yah we creature that

2170

01:44:33,990 --> 01:44:31,870

but how could it because of course lack

2171

01:44:36,000 --> 01:44:34,000

of footprints and they photograph they

2172

01:44:39,120 --> 01:44:36,010

photographed a lot of things out there

2173

01:44:43,200 --> 01:44:39,130

these bodies were were crushed torn

2174

01:44:45,960 --> 01:44:43,210

apart they were a massive head trauma

2175

01:44:48,180 --> 01:44:45,970

and some parts in some parts they were

2176

01:44:49,980 --> 01:44:48,190

ripped open these people robbed they did

2177

01:44:52,800 --> 01:44:49,990

just just correct you they did find

2178

01:44:55,170 --> 01:44:52,810

prints that were very large prints but

2179

01:44:58,100 --> 01:44:55,180

footprints but there's also this thing

2180

01:45:01,170 --> 01:44:58,110

I'm sure you know as when things thaw

2181

01:45:02,820 --> 01:45:01,180

like a footprint can get really large so

2182

01:45:05,700 --> 01:45:02,830

they couldn't they couldn't understand

2183

01:45:08,130 --> 01:45:05,710

whether that was you know I

2184

01:45:10,020 --> 01:45:08,140

a possible Yeti type footprint or if

2185

01:45:13,410 --> 01:45:10,030

it's just you know it was later in the

2186

01:45:15,830 --> 01:45:13,420

season when they found it so so we

2187

01:45:19,350 --> 01:45:15,840

repeat yeah there's there somewhere I

2188

01:45:22,170 --> 01:45:19,360

saw that when I was really looking into

2189

01:45:24,090 --> 01:45:22,180

it and intensely but and then there's a

2190

01:45:26,700 --> 01:45:24,100

picture that looks like a possible Yeti

2191

01:45:28,490 --> 01:45:26,710

one of their last pictures also pictures

2192

01:45:32,910 --> 01:45:28,500

of lights there is speculation that

2193

01:45:35,670 --> 01:45:32,920

there was some type of bomb testing

2194

01:45:37,230 --> 01:45:35,680

going on and that was the reason why

2195

01:45:40,050 --> 01:45:37,240

they ran out of their tents for their

2196

01:45:43,680 --> 01:45:40,060

life you know half half clothed but

2197

01:45:46,650 --> 01:45:43,690

there's just so many strange things you

2198

01:45:50,280 --> 01:45:46,660

know climbing the trees breaking all the

2199

01:45:53,010 --> 01:45:50,290

branches and then totally bashed up

2200

01:45:55,260 --> 01:45:53,020

really really bad mangled up pretty bad

2201

01:45:59,220 --> 01:45:55,270

so there's just so many things that

2202

01:46:00,240 --> 01:45:59,230

don't make any sense at all I totally

2203

01:46:05,610 --> 01:46:00,250

think that's one of the most fascinating

2204

01:46:08,700 --> 01:46:05,620

cases myself me too it's ER I mean but

2205

01:46:13,110 --> 01:46:08,710

to me a creature that's large let's stay

2206

01:46:17,160 --> 01:46:13,120

like a Yeti or a Bigfoot I don't see how

2207

01:46:20,660 --> 01:46:17,170

they would get inside the tent in order

2208

01:46:23,610 --> 01:46:20,670

to in order to terrorize the person

2209

01:46:25,800 --> 01:46:23,620

without knocking it over ripping it up

2210

01:46:28,740 --> 01:46:25,810

from the outside or something along

2211

01:46:30,810 --> 01:46:28,750

those lines that's why I say there had

2212

01:46:34,080 --> 01:46:30,820

to be some kind of extra dimensional

2213

01:46:36,420 --> 01:46:34,090

Ollie where something was transported

2214

01:46:39,630 --> 01:46:36,430

and appeared inside I see where you're

2215

01:46:42,060 --> 01:46:39,640

getting at okay yeah yeah because they

2216

01:46:43,530 --> 01:46:42,070

were burst oh right right yeah there was

2217

01:46:45,480 --> 01:46:43,540

a lot of speculation why they were

2218

01:46:48,030 --> 01:46:45,490

actually cut open from the inside with

2219

01:46:49,920 --> 01:46:48,040

knife with a knife they sliced it open

2220

01:46:53,070 --> 01:46:49,930

to run so they got the heck out of there

2221

01:46:55,590 --> 01:46:53,080

fast that's for sure now now what that

2222

01:46:58,350 --> 01:46:55,600

means is they had a knife they had

2223

01:47:02,210 --> 01:46:58,360

knives in with them like all good hikers

2224

01:47:05,240 --> 01:47:02,220

or hunters should have and so whatever

2225

01:47:09,210 --> 01:47:05,250

appeared and I say appear can be very

2226

01:47:12,480 --> 01:47:09,220

very odd decidedly whatever appeared

2227

01:47:13,620 --> 01:47:12,490

inside their tent was so so horrifying

2228

01:47:15,540 --> 01:47:13,630

that

2229

01:47:18,570 --> 01:47:15,550

they decided not to use an iPhone

2230

01:47:21,360 --> 01:47:18,580

because when you probably need to make a

2231

01:47:24,630 --> 01:47:21,370

dent so instead they use the knife to

2232

01:47:26,400 --> 01:47:24,640

rip the text from the outside that's

2233

01:47:30,090 --> 01:47:26,410

very tell yeah and I don't know if that

2234

01:47:32,640 --> 01:47:30,100

will ever be solved you know the

2235

01:47:35,520 --> 01:47:32,650

speculation on exactly what happened

2236

01:47:37,500 --> 01:47:35,530

because that's you know that's many

2237

01:47:41,010 --> 01:47:37,510

there's been many years and there's

2238

01:47:43,950 --> 01:47:41,020

hardly anyone around left that was there

2239

01:47:45,930 --> 01:47:43,960

at the time you know uh in the chat room

2240

01:47:51,390 --> 01:47:45,940

Bobby wants to know if you know anything

2241

01:47:56,970 --> 01:47:51,400

about Antarctica and UFOs Antarctica I

2242

01:47:58,550 --> 01:47:56,980

know I know a bit about what's going on

2243

01:48:02,160 --> 01:47:58,560

and the reason for that is because

2244

01:48:04,080 --> 01:48:02,170

because I don't watch I don't listen to

2245

01:48:07,710 --> 01:48:04,090

anything coming out of mainstream news

2246

01:48:11,280 --> 01:48:07,720

and instead and I create my own web

2247

01:48:14,160 --> 01:48:11,290

crawlers to crawl the web for anything

2248

01:48:17,820 --> 01:48:14,170

called Antarctica and to bring it back

2249

01:48:20,550 --> 01:48:17,830

to me and I immediately take the entire

2250

01:48:22,550 --> 01:48:20,560

mass of data and I eliminate anything

2251

01:48:24,930 --> 01:48:22,560

that has to do with environmental issues

2252

01:48:27,950 --> 01:48:24,940

because environmentally should has been

2253

01:48:30,300 --> 01:48:27,960

used to trim people at this point and

2254

01:48:33,680 --> 01:48:30,310

then I take away anything that's

2255

01:48:36,720 --> 01:48:33,690

political in nature and I'm left with

2256

01:48:39,000 --> 01:48:36,730

communications between people about

2257

01:48:43,530 --> 01:48:39,010

what's happening on the ground and it

2258

01:48:46,530 --> 01:48:43,540

appears that in Antarctica for cup for

2259

01:48:49,380 --> 01:48:46,540

several years we've had some kind of

2260

01:48:49,920 --> 01:48:49,390

secret project going on for quite a

2261

01:48:52,440 --> 01:48:49,930

while

2262

01:48:56,010 --> 01:48:52,450

and one of the phrases I keep getting

2263

01:48:58,290 --> 01:48:56,020

from communication to people because you

2264

01:48:59,700 --> 01:48:58,300

can't so we live now and age where

2265

01:49:01,500 --> 01:48:59,710

nothing can be kept secret

2266

01:49:03,930 --> 01:49:01,510

really the whole secrecy system is

2267

01:49:06,680 --> 01:49:03,940

pretty much obsolete that the nation is

2268

01:49:08,610 --> 01:49:06,690

used because everybody has their phones

2269

01:49:11,220 --> 01:49:08,620

you can make them sign this

2270

01:49:13,530 --> 01:49:11,230

non-disclosure as much as you want but

2271

01:49:16,050 --> 01:49:13,540

you can't take away their life that

2272

01:49:17,460 --> 01:49:16,060

they're living on the ground and they

2273

01:49:20,190 --> 01:49:17,470

have their phones so they communicate

2274

01:49:21,900 --> 01:49:20,200

with people back home with families

2275

01:49:22,479 --> 01:49:21,910

they're allowed to talk about what's

2276

01:49:25,229 --> 01:49:22,489

happening

2277

01:49:28,239 --> 01:49:25,239

their lives and to what we've seen

2278

01:49:29,919 --> 01:49:28,249

everything keeps coming back keep

2279

01:49:32,680 --> 01:49:29,929

getting the message over and over again

2280

01:49:36,310 --> 01:49:32,690

they they found Atlantis

2281

01:49:40,509 --> 01:49:36,320

they found Atlantis what that means I

2282

01:49:42,310 --> 01:49:40,519

don't know exactly but they're now in

2283

01:49:46,239 --> 01:49:42,320

the midst of building an infrastructure

2284

01:49:48,790 --> 01:49:46,249

there that is the equivalent of a small

2285

01:49:51,160 --> 01:49:48,800

city they have carriers you can go on

2286

01:49:54,430 --> 01:49:51,170

Google Earth and you can see that there

2287

01:49:57,549 --> 01:49:54,440

are carriers coming in and out like

2288

01:49:59,859 --> 01:49:57,559

cargo ships at a number at a number

2289

01:50:02,200 --> 01:49:59,869

that's unbelievable

2290

01:50:05,310 --> 01:50:02,210

it's an unbelievable number of ships

2291

01:50:08,379 --> 01:50:05,320

that are coming out in and out of that

2292

01:50:10,629 --> 01:50:08,389

what you call that peninsula area where

2293

01:50:14,439 --> 01:50:10,639

everybody where everybody goes into a

2294

01:50:15,939 --> 01:50:14,449

Targa cover and it's amazing how much

2295

01:50:18,700 --> 01:50:15,949

infrastructure they are building right

2296

01:50:21,700 --> 01:50:18,710

now it's almost like they're building a

2297

01:50:23,649 --> 01:50:21,710

medium-sized city at this point and all

2298

01:50:26,379 --> 01:50:23,659

the major government all the major

2299

01:50:30,790 --> 01:50:26,389

contractors are there and if anyone is

2300

01:50:33,989 --> 01:50:30,800

out of work that is looking for any type

2301

01:50:37,120 --> 01:50:33,999

of work they are hiring and at

2302

01:50:39,160 --> 01:50:37,130

Antarctica and they are hiring every

2303

01:50:43,239 --> 01:50:39,170

level of skill and non skilled labor

2304

01:50:45,939 --> 01:50:43,249

they're hiring clouds of workers and it

2305

01:50:48,870 --> 01:50:45,949

is because they have found something and

2306

01:50:52,450 --> 01:50:48,880

they are building an infrastructure

2307

01:50:53,200 --> 01:50:52,460

towards this thing it may be in maybe in

2308

01:50:57,399 --> 01:50:53,210

the Inner Earth

2309

01:50:59,319 --> 01:50:57,409

it may be an entire civilization that

2310

01:51:01,500 --> 01:50:59,329

they found now some people are saying

2311

01:51:06,069 --> 01:51:01,510

it's it's a flash-frozen

2312

01:51:09,580 --> 01:51:06,079

civilization I think it could be a life

2313

01:51:12,549 --> 01:51:09,590

functioning a civilization that is that

2314

01:51:14,890 --> 01:51:12,559

they found beneath the ice but whenever

2315

01:51:18,850 --> 01:51:14,900

they found they are trying to keep it

2316

01:51:20,770 --> 01:51:18,860

still quiet they are having they are

2317

01:51:24,580 --> 01:51:20,780

having politicians and religious leaders

2318

01:51:28,390 --> 01:51:24,590

go visit come and visit and that's going

2319

01:51:30,430 --> 01:51:28,400

to go on for a while but now the game

2320

01:51:32,209 --> 01:51:30,440

has been almost really blown out of the

2321

01:51:34,669 --> 01:51:32,219

water because Putin

2322

01:51:37,009 --> 01:51:34,679

now announced that he is going to

2323

01:51:40,069 --> 01:51:37,019

Antarctica which they didn't want they

2324

01:51:41,540 --> 01:51:40,079

didn't want or leaders to go and visit

2325

01:51:43,189 --> 01:51:41,550

because it makes it much harder to keep

2326

01:51:45,259 --> 01:51:43,199

a secret of what's called a Dobby just

2327

01:51:52,399 --> 01:51:45,269

that they just build a major base in the

2328

01:51:56,390 --> 01:51:52,409

Arctic Russia did yeah it's in the North

2329

01:51:59,740 --> 01:51:56,400

Pole basically well it's not just Russia

2330

01:52:04,189 --> 01:51:59,750

now all the major five powers are there

2331

01:52:07,640 --> 01:52:04,199

England the United States France also

2332

01:52:10,009 --> 01:52:07,650

China and of course Russia and so they

2333

01:52:13,069 --> 01:52:10,019

are all now they are all jockeying for

2334

01:52:17,450 --> 01:52:13,079

position because apparently there is a

2335

01:52:20,120 --> 01:52:17,460

great treasure trove that is basically I

2336

01:52:22,160 --> 01:52:20,130

think this is this is what people are

2337

01:52:25,250 --> 01:52:22,170

speculating there's a treasure trove of

2338

01:52:27,350 --> 01:52:25,260

alien technology that is there and the

2339

01:52:30,169 --> 01:52:27,360

five powers are basically jockeying to

2340

01:52:33,290 --> 01:52:30,179

make sure each of them gets their share

2341

01:52:35,779 --> 01:52:33,300

of it and they are fighting not well

2342

01:52:38,149 --> 01:52:35,789

fighting there they are basically

2343

01:52:40,819 --> 01:52:38,159

struggling for a position to make sure

2344

01:52:43,310 --> 01:52:40,829

that they each get what they are

2345

01:52:46,040 --> 01:52:43,320

supposed to get out of that might I

2346

01:52:48,109 --> 01:52:46,050

believe that I believe the trunk will be

2347

01:52:50,629 --> 01:52:48,119

announcing that he will be visiting very

2348

01:52:51,979 --> 01:52:50,639

soon really Wow ah but you won't know

2349

01:52:53,799 --> 01:52:51,989

because you don't pay attention to

2350

01:52:56,660 --> 01:52:53,809

politics

2351

01:52:58,430 --> 01:52:56,670

well I still I just go through all

2352

01:53:00,049 --> 01:52:58,440

charter so I'm just giving you a hard

2353

01:53:04,310 --> 01:53:00,059

time I thought because it seems like

2354

01:53:06,859 --> 01:53:04,320

that's all the news is these days now we

2355

01:53:10,430 --> 01:53:06,869

only have about three or four minutes

2356

01:53:12,799 --> 01:53:10,440

left so can you go just talk about your

2357

01:53:15,020 --> 01:53:12,809

book a little bit and you know where

2358

01:53:20,930 --> 01:53:15,030

someone can find it and all that and

2359

01:53:25,700 --> 01:53:20,940

your website too sure my my book the

2360

01:53:28,609 --> 01:53:25,710

power invested and also my think the

2361

01:53:31,850 --> 01:53:28,619

extra dimensionals is available they are

2362

01:53:36,380 --> 01:53:31,860

available on Amazon and my website is

2363

01:53:44,080 --> 01:53:36,390

John my website is John Tama

2364

01:53:47,090 --> 01:53:44,090

XCOM tamo tee-am a and that is available

2365

01:53:50,150 --> 01:53:47,100

through my through my website ends well

2366

01:53:55,210 --> 01:53:50,160

as long I was on like I said also I will

2367

01:53:58,940 --> 01:53:55,220

be appearing at contact in the desert

2368

01:54:00,530 --> 01:53:58,950

contact in the desert which will be

2369

01:54:05,510 --> 01:54:00,540

coming up this low it's this weekend

2370

01:54:08,660 --> 01:54:05,520

already Wow yeah yeah it is it is here

2371

01:54:13,190 --> 01:54:08,670

it is a long time coming and it is

2372

01:54:16,790 --> 01:54:13,200

finally here so I am very honored to be

2373

01:54:18,020 --> 01:54:16,800

appearing there with speaking of one of

2374

01:54:22,670 --> 01:54:18,030

the theories that we were talking about

2375

01:54:27,110 --> 01:54:22,680

with people like a Graham Hancock David

2376

01:54:29,960 --> 01:54:27,120

Wilcock many many other great thinkers

2377

01:54:33,560 --> 01:54:29,970

of Senator Mike Rucker well we'll be

2378

01:54:36,920 --> 01:54:33,570

there the men who fought for our

2379

01:54:38,900 --> 01:54:36,930

democracy and pretty much stopped the

2380

01:54:42,140 --> 01:54:38,910

Vietnam War almost single-handedly he

2381

01:54:45,320 --> 01:54:42,150

released the Pentagon Papers and he will

2382

01:54:48,440 --> 01:54:45,330

be a contact in the desert that's uh

2383

01:54:52,220 --> 01:54:48,450

that's pretty amazing dr. Steven Greer

2384

01:54:54,740 --> 01:54:52,230

will also be there and Eric Ben Donegan

2385

01:54:57,440 --> 01:54:54,750

chariots um yes yeah I had him on the

2386

01:55:01,550 --> 01:54:57,450

show a few years ago he's a real

2387

01:55:03,830 --> 01:55:01,560

character a real nice guy fun fun all

2388

01:55:06,050 --> 01:55:03,840

right well hey thanks so much it's been

2389

01:55:08,390 --> 01:55:06,060

it's been a real pleasure interesting

2390

01:55:11,870 --> 01:55:08,400

and good luck with your excuse me good

2391

01:55:14,360 --> 01:55:11,880

luck with your book oh thank you so much

2392

01:55:17,420 --> 01:55:14,370

for your you're an excellent treasure

2393

01:55:21,140 --> 01:55:17,430

yeah good I'll take that as a compliment

2394

01:55:24,610 --> 01:55:21,150

I guess alright did right you take care

2395

01:55:27,620 --> 01:55:24,620

thank you alright just like you know

2396

01:55:29,840 --> 01:55:27,630

alright everyone so that's it for the

2397

01:55:32,270 --> 01:55:29,850

show hey just to let someone know if

2398

01:55:38,180 --> 01:55:32,280

they wanted to call in real quick they

2399

01:55:40,570 --> 01:55:38,190

can at 6:03 967 403 oh I can take that

2400

01:55:43,730 --> 01:55:40,580

call if you'd like to call in right now

2401

01:55:48,560 --> 01:55:43,740

but that's it for the show this evening

2402

01:55:50,100 --> 01:55:48,570

next week we have a Don ledger in

2403

01:55:52,890 --> 01:55:50,110

old-time UFO

2404

01:55:54,960 --> 01:55:52,900

searcher up in Canada he's going to be

2405

01:55:57,360 --> 01:55:54,970

talking about shag harbour now I had him

2406

01:55:59,490 --> 01:55:57,370

on several years ago when I first

2407

01:56:02,430 --> 01:55:59,500

started the show so it's been a long

2408

01:56:04,550 --> 01:56:02,440

time he's going to come back so that

2409

01:56:06,780 --> 01:56:04,560

will be good you know I forget about I

2410

01:56:09,060 --> 01:56:06,790

asked if someone wanted to call because

2411

01:56:11,640 --> 01:56:09,070

we have a couple minutes left but I also

2412

01:56:14,520 --> 01:56:11,650

forgot the fact that there's a huge

2413

01:56:18,150 --> 01:56:14,530

delay on YouTube so by the time someone

2414

01:56:21,540 --> 01:56:18,160

would call me the show will be over on

2415

01:56:23,190 --> 01:56:21,550

my end so anyway I want to thank

2416

01:56:27,990 --> 01:56:23,200

everyone that helps out with the show

2417

01:56:30,420 --> 01:56:28,000

also you can catch the show live every

2418

01:56:33,060 --> 01:56:30,430

Wednesday at 8:00 8:00 to 10:00 p.m.

2419

01:56:35,790 --> 01:56:33,070

Eastern Standard Time you can catch that

2420

01:56:39,780 --> 01:56:35,800

through YouTube or right on our home

2421

01:56:42,510 --> 01:56:39,790

page on podcast UFO calm

2422

01:56:44,790 --> 01:56:42,520

I want to thank Peggy shunning for

2423

01:56:48,360 --> 01:56:44,800

helping out with our Facebook page we

2424

01:56:50,460 --> 01:56:48,370

have over 23,000 people active on that

2425

01:56:53,850 --> 01:56:50,470

so if you like to like us on Facebook

2426

01:56:58,350 --> 01:56:53,860

she posts things mostly to do with UFOs

2427

01:57:00,380 --> 01:56:58,360

but also science astronomy all that so

2428

01:57:04,110 --> 01:57:00,390

we'd love for you to like us on our

2429

01:57:08,490 --> 01:57:04,120

Facebook page it's Facebook at podcast

2430

01:57:10,890 --> 01:57:08,500

UFO however that URL is the icons on our

2431

01:57:12,660 --> 01:57:10,900

website as well we're also on Twitter I

2432

01:57:14,070 --> 01:57:12,670

never think I don't think I've ever

2433

01:57:18,060 --> 01:57:14,080

mentioned that but we were also on

2434

01:57:22,020 --> 01:57:18,070

Twitter on podcast UFO and I also want

2435

01:57:23,250 --> 01:57:22,030

to thank Keith Roland over at the Dark

2436

01:57:25,020 --> 01:57:23,260

Matter digital network

2437

01:57:27,720 --> 01:57:25,030

he plays our full shows on Thursday

2438

01:57:29,550 --> 01:57:27,730

nights and I want to thank Phil for

2439

01:57:32,070 --> 01:57:29,560

helping out tonight in the chatroom it

2440

01:57:33,630 --> 01:57:32,080

was uh it was great he kind of went

2441

01:57:36,480 --> 01:57:33,640

through the questions so I could

2442

01:57:39,480 --> 01:57:36,490

concentrate more on the guests and so

2443

01:57:41,340 --> 01:57:39,490

that is it for the show this evening I

2444

01:57:44,780 --> 01:57:41,350

want to thank everyone that hung in

2445

01:57:48,480 --> 01:57:44,790

there and listened live and were

2446

01:57:51,240 --> 01:57:48,490

participating in the chatroom and we

2447

01:57:58,840 --> 01:57:51,250

will be back next week remember to keep
