1
00:00:04,670 --> 00:00:03,949
and it hits me oh my gosh this is that

2
00:00:05,809 --> 00:00:04,680
triangle

3
00:00:06,920 --> 00:00:05,819
you know there's explanation for

4
00:00:08,509 --> 00:00:06,930
everything that occurred in the

5
00:00:10,700 --> 00:00:08,519
Rendlesham forest incident didn't

6
00:00:13,400 --> 00:00:10,710
doesn't involve aliens at all it was

7
00:00:16,939 --> 00:00:13,410
completely silent it comes right over

8
00:00:18,769 --> 00:00:16,949
our head it's so classic flying-saucer

9
00:00:20,359 --> 00:00:18,779
really standing in the clearing he

10
00:00:22,010 --> 00:00:20,369
turned over to my father and held his

11
00:00:28,519 --> 00:00:22,020
hand and he looked in his eyes and said

12
00:00:29,960 --> 00:00:28,529
we're not alone welcome to podcast UFO

13
00:00:32,389 --> 00:00:29,970

for our live show

14

00:00:34,580 --> 00:00:32,399

we're live every Wednesday at 8 p.m.

15

00:00:37,100 --> 00:00:34,590

Eastern Standard Time on the dark matter

16

00:00:40,790 --> 00:00:37,110

radio network please remember to visit

17

00:00:43,970 --> 00:00:40,800

the website podcast UFO calm for past

18

00:00:45,950 --> 00:00:43,980

episodes blogs and forums during the

19

00:00:48,440 --> 00:00:45,960

show feel free to participate live in

20

00:00:50,930 --> 00:00:48,450

our chat room and don't forget to like

21

00:00:53,150 --> 00:00:50,940

us on our very active Facebook page

22

00:00:55,939 --> 00:00:53,160

hello and welcome to the show I'm Martin

23

00:00:59,689 --> 00:00:55,949

will assure host and got a couple of

24

00:01:01,849 --> 00:00:59,699

announcements well first of all we have

25

00:01:05,780 --> 00:01:01,859

Alejandro Rojas coming up with the news

26
00:01:08,719 --> 00:01:05,790
and Linda Zimmerman UFOs more UFOs over

27
00:01:11,570 --> 00:01:08,729
Hudson Valley she'll be coming up as the

28
00:01:13,700 --> 00:01:11,580
guest but I do want to apologize the

29
00:01:16,609 --> 00:01:13,710
first time ever I couldn't do the shows

30
00:01:19,429 --> 00:01:16,619
last week that includes Monday's show

31
00:01:22,490 --> 00:01:19,439
because of a work commitment that was

32
00:01:24,950 --> 00:01:22,500
just basically around the clock I'm

33
00:01:27,289 --> 00:01:24,960
still working on that same project but

34
00:01:29,630 --> 00:01:27,299
I'm just about wrapping it up so I do

35
00:01:32,810 --> 00:01:29,640
apologize greatly for not having a show

36
00:01:35,359 --> 00:01:32,820
last week and also just a couple of

37
00:01:37,899 --> 00:01:35,369
changes coming up we have the show this

38
00:01:40,130 --> 00:01:37,909

evening Monday which is very unusual

39

00:01:42,710 --> 00:01:40,140

because I'm going to be heading to

40

00:01:44,719 --> 00:01:42,720

Russia actually Wednesday Thursday night

41

00:01:46,340 --> 00:01:44,729

I thought my flight left on Thursday it

42

00:01:49,550 --> 00:01:46,350

does indeed but it's one o'clock in the

43

00:01:51,289 --> 00:01:49,560

morning I have to be at JFK at while the

44

00:01:53,450 --> 00:01:51,299

show was going on so it's not going to

45

00:01:56,389 --> 00:01:53,460

happen and it's happening tonight

46

00:01:58,700 --> 00:01:56,399

instead that being said while I'm in

47

00:02:00,289 --> 00:01:58,710

Russia there's a couple of changes I

48

00:02:02,300 --> 00:02:00,299

just want to note unfortunately I

49

00:02:05,450 --> 00:02:02,310

decided not to do any of the Monday

50

00:02:07,850 --> 00:02:05,460

night shows while I'm there just because

51
00:02:10,660 --> 00:02:07,860
of it's very difficult to do a show and

52
00:02:13,309 --> 00:02:10,670
if you love to listen live to the show

53
00:02:15,500 --> 00:02:13,319
that's going to happen at

54
00:02:17,599 --> 00:02:15,510
1 p.m. to 3 p.m. Eastern Standard Time

55
00:02:19,940 --> 00:02:17,609
it's actually the regular time for me in

56
00:02:22,670 --> 00:02:19,950
Russia but I am going to be running

57
00:02:23,989 --> 00:02:22,680
those during the day on YouTube it's

58
00:02:26,119 --> 00:02:23,999
still going to be the whole show is

59
00:02:29,720 --> 00:02:26,129
still going to be on the Dark Matter

60
00:02:32,509 --> 00:02:29,730
digital network as usual and that's 10

61
00:02:36,800 --> 00:02:32,519
to midnight and that's Eastern Standard

62
00:02:38,539 --> 00:02:36,810
Time on Thursdays and also it's the

63
00:02:40,159 --> 00:02:38,549

podcast is not going to change the

64

00:02:42,259 --> 00:02:40,169

podcast UFO everything is going to stay

65

00:02:46,520 --> 00:02:42,269

exactly the same the show's will come

66

00:02:49,339 --> 00:02:46,530

out on Wednesdays and I'm sorry Thursday

67

00:02:52,369 --> 00:02:49,349

mornings and so that's all staying the

68

00:02:54,439 --> 00:02:52,379

same and I hope I didn't confuse

69

00:02:58,520 --> 00:02:54,449

everybody I'm totally confused

70

00:03:03,050 --> 00:02:58,530

alejandra are you confused too ah so

71

00:03:07,099 --> 00:03:03,060

you're going to have a show tomorrow or

72

00:03:10,640 --> 00:03:07,109

today that will be on tomorrow and then

73

00:03:13,520 --> 00:03:10,650

in Russia there'll be a show next week

74

00:03:16,490 --> 00:03:13,530

that will actually be because you're

75

00:03:21,409 --> 00:03:16,500

going to be flying during the normal

76
00:03:25,550 --> 00:03:21,419
Showtime on Wednesday yeah am i I don't

77
00:03:29,619 --> 00:03:25,560
know exactly already but but the good

78
00:03:33,289 --> 00:03:29,629
news is you will be able to join live

79
00:03:36,890 --> 00:03:33,299
starting next week next week's show what

80
00:03:39,289 --> 00:03:36,900
me I think we talked about that oh wow

81
00:03:42,710 --> 00:03:39,299
ok yeah no I think we did you're right

82
00:03:43,460 --> 00:03:42,720
and I'd be first actually I first let's

83
00:03:46,699 --> 00:03:43,470
do it

84
00:03:48,289 --> 00:03:46,709
alright so you'll be in Russia but

85
00:03:50,270 --> 00:03:48,299
you've done this before where you've

86
00:03:52,789 --> 00:03:50,280
gone to Russia for a period of time and

87
00:03:54,860 --> 00:03:52,799
it seems like your internet works pretty

88
00:03:57,080 --> 00:03:54,870

well and we were able to pull it off

89

00:03:59,959 --> 00:03:57,090

right it does the only thing that was

90

00:04:02,209 --> 00:03:59,969

different is I would get up at you know

91

00:04:04,459 --> 00:04:02,219

3:30 and start the show at 4:00 in the

92

00:04:06,679 --> 00:04:04,469

morning Wow the regular time but I was

93

00:04:10,490 --> 00:04:06,689

on a radio station now I'm not I'm just

94

00:04:12,050 --> 00:04:10,500

on YouTube so I can basically run the

95

00:04:13,969 --> 00:04:12,060

show when I want to and I don't have to

96

00:04:16,969 --> 00:04:13,979

get up in the middle of the night you

97

00:04:19,310 --> 00:04:16,979

can do what you want that's right and

98

00:04:22,250 --> 00:04:19,320

the podcast will not change it's going

99

00:04:25,250 --> 00:04:22,260

to be just the way it always is so and

100

00:04:26,670 --> 00:04:25,260

you've been away for a week and I have

101

00:04:28,560 --> 00:04:26,680

yeah and you were

102

00:04:30,960 --> 00:04:28,570

waxing in and we really don't have a

103

00:04:32,640 --> 00:04:30,970

whole lot of news but you had a great

104

00:04:34,790 --> 00:04:32,650

time you saw a lot of nice things and

105

00:04:38,510 --> 00:04:34,800

you did not you have I didn't at all

106

00:04:41,520 --> 00:04:38,520

know you Fon at all of course I would

107

00:04:43,560 --> 00:04:41,530

look outside and look at the skies and

108

00:04:45,900 --> 00:04:43,570

look around to see if I could see

109

00:04:48,960 --> 00:04:45,910

something unusual and I think I said

110

00:04:51,960 --> 00:04:48,970

this before is that you know I was going

111

00:04:54,600 --> 00:04:51,970

to have this is a UFO free type of thing

112

00:04:57,600 --> 00:04:54,610

so I can relax and that just take it

113

00:04:59,879 --> 00:04:57,610

easy and for the most part that worked

114

00:05:01,560 --> 00:04:59,889

of course I was open to any paranormal

115

00:05:05,430 --> 00:05:01,570

experiences that would have been a

116

00:05:09,600 --> 00:05:05,440

welcome interruption to my vacation but

117

00:05:11,490 --> 00:05:09,610

not really although my girlfriend's

118

00:05:15,980 --> 00:05:11,500

daughter thought she was having some

119

00:05:19,529 --> 00:05:15,990

ghost experiences Wow in the ship itself

120

00:05:22,499 --> 00:05:19,539

no I don't think in the ship itself but

121

00:05:25,020 --> 00:05:22,509

according to ok so our neighbors were

122

00:05:27,600 --> 00:05:25,030

coming with because their daughter is

123

00:05:30,420 --> 00:05:27,610

best friends with my girlfriend's

124

00:05:32,430 --> 00:05:30,430

daughter and you know and we're friends

125

00:05:33,930 --> 00:05:32,440

with the neighbors so we decided to all

126

00:05:35,790 --> 00:05:33,940

do this it was for the girls because

127

00:05:39,149 --> 00:05:35,800

they just graduated from high school so

128

00:05:41,520 --> 00:05:39,159

it was kind of their graduation trip so

129

00:05:43,950 --> 00:05:41,530

we went over there to pick them up so we

130

00:05:48,450 --> 00:05:43,960

could drive out to California to go

131

00:05:51,930 --> 00:05:48,460

catch the cruisin we my odd the girls

132

00:05:53,790 --> 00:05:51,940

weren't inside in just in the foyer a

133

00:05:57,270 --> 00:05:53,800

essentially a foyer of the house and

134

00:06:02,790 --> 00:05:57,280

there's a table there and my girlfriend

135

00:06:05,159 --> 00:06:02,800

walked in and right by where her

136

00:06:08,070 --> 00:06:05,169

daughter was standing this picture just

137

00:06:10,529 --> 00:06:08,080

like fell off of this table onto the

138

00:06:12,810 --> 00:06:10,539

floor which you know I'm not quite sure

139

00:06:13,529 --> 00:06:12,820

how that could happen so that was kind

140

00:06:14,820 --> 00:06:13,539

of weird

141

00:06:16,860 --> 00:06:14,830

of course she could have bumped it or

142

00:06:19,219 --> 00:06:16,870

something but they were really freaked

143

00:06:22,140 --> 00:06:19,229

out and they assumed it was a ghost and

144

00:06:24,450 --> 00:06:22,150

something else happened - that was weird

145

00:06:30,180 --> 00:06:24,460

I can't remember that they attributed to

146

00:06:31,950 --> 00:06:30,190

the ghost also but well I in California

147

00:06:34,260 --> 00:06:31,960

because then we stayed the night so we

148

00:06:38,749 --> 00:06:34,270

could catch the boat or the ship in the

149

00:06:40,939 --> 00:06:38,759

morning and so that was the only

150

00:06:44,600 --> 00:06:40,949

potential paranormal and they felt it

151
00:06:47,570 --> 00:06:44,610
was paranormal type of thing uh yeah

152
00:06:52,939 --> 00:06:47,580
well see the influence you've given her

153
00:06:55,219 --> 00:06:52,949
well yeah that's on my fault hey ain't

154
00:06:57,739 --> 00:06:55,229
no USO sightings off following the ship

155
00:06:59,629 --> 00:06:57,749
or anything now not at all nothing

156
00:07:01,939 --> 00:06:59,639
that's strange like that which is kind

157
00:07:05,089 --> 00:07:01,949
of fine too because then it when it made

158
00:07:07,159 --> 00:07:05,099
me have to work but but of course you

159
00:07:12,799 --> 00:07:07,169
know and that's what's funny you know

160
00:07:15,769 --> 00:07:12,809
I've done a lot of you know night vision

161
00:07:19,040 --> 00:07:15,779
and night sky watches I've even gone

162
00:07:21,019 --> 00:07:19,050
Bigfoot hunting ghost hunting and when

163
00:07:23,269 --> 00:07:21,029

you do it the first few times it's kind

164

00:07:26,179 --> 00:07:23,279

of exciting because you're you're hoping

165

00:07:28,549 --> 00:07:26,189

something will happen but once you do it

166

00:07:31,219 --> 00:07:28,559

like dozens of times it's like gets to

167

00:07:33,230 --> 00:07:31,229

be like we're you know nothing's going

168

00:07:34,969 --> 00:07:33,240

to happen and you want something to

169

00:07:38,570 --> 00:07:34,979

happen and you're prepared for something

170

00:07:44,959 --> 00:07:38,580

to happen but nothing does happen so

171

00:07:46,820 --> 00:07:44,969

it's always know kind of you never get

172

00:07:49,159 --> 00:07:46,830

your expectations up but of course it's

173

00:07:51,230 --> 00:07:49,169

exciting it's that much more exciting

174

00:07:53,749 --> 00:07:51,240

what something does happen it's kind of

175

00:07:57,499 --> 00:07:53,759

like an ocean away you know yeah yeah

176

00:07:59,300 --> 00:07:57,509

well well I don't know that I'm not that

177

00:08:02,510 --> 00:07:59,310

I fish anymore cuz I'm a vegetarian I

178

00:08:04,850 --> 00:08:02,520

don't like to kill the fish but I caught

179

00:08:08,360 --> 00:08:04,860

every I caught a fish every time I

180

00:08:11,959 --> 00:08:08,370

fished I think well that's true you have

181

00:08:14,269 --> 00:08:11,969

to be pretty bad not to but I have seen

182

00:08:15,949 --> 00:08:14,279

some things and had some experiences so

183

00:08:18,019 --> 00:08:15,959

luckily when it does happen it's even

184

00:08:19,909 --> 00:08:18,029

that much more exciting didn't you see a

185

00:08:23,779 --> 00:08:19,919

shadow person or something like that

186

00:08:27,629 --> 00:08:23,789

no it's some hotel you said something

187

00:08:34,230 --> 00:08:31,469

I don't now no huh in a dark hallway am

188

00:08:37,319 --> 00:08:34,240

I talking to the wrong alejandro yeah

189

00:08:40,469 --> 00:08:37,329

that may be a different could very well

190

00:08:42,800 --> 00:08:40,479

be well I gave you a perfect opportunity

191

00:08:47,579 --> 00:08:42,810

to fib and you didn't how about that

192

00:08:48,509 --> 00:08:47,589

animal did you want me to know well no I

193

00:08:53,660 --> 00:08:48,519

was just trying to make the show

194

00:08:56,490 --> 00:08:53,670

interesting but anyway uh thanks so much

195

00:08:58,759 --> 00:08:56,500

I know we don't really have any news but

196

00:09:04,079 --> 00:08:58,769

it's always good to check in and say hi

197

00:09:06,360 --> 00:09:04,089

yeah so there you go I've even looked

198

00:09:07,620 --> 00:09:06,370

for some news you know for the past week

199

00:09:10,079 --> 00:09:07,630

a little bit since I've been back

200

00:09:12,630 --> 00:09:10,089

because I've had tons of emails to go

201
00:09:14,730 --> 00:09:12,640
through social media have people to talk

202
00:09:18,150 --> 00:09:14,740
to on especially Facebook and stuff so I

203
00:09:20,790 --> 00:09:18,160
I caught up with all of that stuff

204
00:09:23,430 --> 00:09:20,800
and I haven't done as much deep diving

205
00:09:26,370 --> 00:09:23,440
into the news as I do but I will

206
00:09:29,189 --> 00:09:26,380
certainly so people can go to our site

207
00:09:32,160 --> 00:09:29,199
and see the latest but thus far I

208
00:09:36,150 --> 00:09:32,170
haven't seen a lot so no big UFO news

209
00:09:40,170 --> 00:09:36,160
even seems to have occurred it was gone

210
00:09:42,180 --> 00:09:40,180
it waited for you it did thank UFOs and

211
00:09:44,819 --> 00:09:42,190
we all wait for you too so get back to

212
00:09:46,650 --> 00:09:44,829
work and we'll see you next week all

213
00:09:48,840 --> 00:09:46,660

right I'll have some some stuff for you

214

00:09:51,030 --> 00:09:48,850

next week all right thanks a lot

215

00:09:52,860 --> 00:09:51,040

Alejandro and welcome back thanks man

216

00:09:55,189 --> 00:09:52,870

we'll be talking live next time a safe

217

00:09:57,480 --> 00:09:55,199

trip all right talk to you later

218

00:09:59,100 --> 00:09:57,490

all right everyone hang in there we'll

219

00:10:02,400 --> 00:09:59,110

be right back after this quick music

220

00:10:13,730 --> 00:10:02,410

break with Linda Zimmerman

221

00:11:24,840 --> 00:10:25,100

[Music]

222

00:11:27,030 --> 00:11:24,850

hey Linda welcome back to the show thank

223

00:11:30,870 --> 00:11:27,040

you I'm delighted to be here and uh kind

224

00:11:33,780 --> 00:11:30,880

of funny I'm so sorry I I announced the

225

00:11:39,060 --> 00:11:33,790

wrong name of your book so it's more

226

00:11:41,220 --> 00:11:39,070

Hudson Valley UFOs and and thank you you

227

00:11:43,980 --> 00:11:41,230

sent me the book with your personal

228

00:11:45,540 --> 00:11:43,990

notations that was very nice you and it

229

00:11:48,690 --> 00:11:45,550

was a real pleasure last time you were

230

00:11:50,520 --> 00:11:48,700

on and it was great meeting you at in

231

00:11:53,640 --> 00:11:50,530

Phoenix I guess was two years ago now

232

00:11:55,800 --> 00:11:53,650

right two and a half years yes that's

233

00:11:58,260 --> 00:11:55,810

right so so for the person who hasn't

234

00:12:01,410 --> 00:11:58,270

heard you before can you give a little

235

00:12:03,030 --> 00:12:01,420

bit of your background and I I can't

236

00:12:07,620 --> 00:12:03,040

remember what got you interested in the

237

00:12:10,500 --> 00:12:07,630

UFO topic was it your own sighting yes

238

00:12:14,310 --> 00:12:10,510

for sure and growing up in the Hudson

239

00:12:16,680 --> 00:12:14,320

Valley it just seemed to be the normal

240

00:12:19,400 --> 00:12:16,690

thing everyone had sightings um it

241

00:12:24,420 --> 00:12:19,410

wasn't anything I thought I would pursue

242

00:12:27,210 --> 00:12:24,430

career wise but I started out as a

243

00:12:29,730 --> 00:12:27,220

research scientist for a medical

244

00:12:35,460 --> 00:12:29,740

diagnostics company and thought when I

245

00:12:37,590 --> 00:12:35,470

retired I would start writing and they

246

00:12:40,170 --> 00:12:37,600

closed the research department one day

247

00:12:45,060 --> 00:12:40,180

and I said well let me try writing and

248

00:12:47,460 --> 00:12:45,070

that was over 20 years ago and I loved

249

00:12:50,010 --> 00:12:47,470

writing about weird and our so Taric

250

00:12:54,120 --> 00:12:50,020

things and I guess it was just

251
00:12:58,440 --> 00:12:54,130
inevitable that UFOs and I would would

252
00:13:01,110 --> 00:12:58,450
get together it's um yes so the thing I

253
00:13:03,060 --> 00:13:01,120
hear a lot a lot of people talk about is

254
00:13:06,660 --> 00:13:03,070
Pine Bush and I know that you have some

255
00:13:09,840 --> 00:13:06,670
witnesses you you have interviewed in

256
00:13:12,000 --> 00:13:09,850
your book and basically a lot of your

257
00:13:14,070 --> 00:13:12,010
book is actual personal interviews with

258
00:13:15,470 --> 00:13:14,080
people is that what it boils down to a

259
00:13:19,740 --> 00:13:15,480
lot of it

260
00:13:23,760 --> 00:13:19,750
yes that's if you're looking for you

261
00:13:27,240 --> 00:13:23,770
know speculative ideas on UFOs and

262
00:13:29,480 --> 00:13:27,250
aliens that's not so much me I like to

263
00:13:32,480 --> 00:13:29,490

go to the locations interview

264

00:13:35,810 --> 00:13:32,490

of eye witnesses get historical

265

00:13:39,769 --> 00:13:35,820

information where I can and so my books

266

00:13:44,120 --> 00:13:39,779

are basically just cover to cover cases

267

00:13:47,389 --> 00:13:44,130

actual cases Wow great great and up so

268

00:13:51,139 --> 00:13:47,399

let's and what inspired you to keep

269

00:13:54,290 --> 00:13:51,149

going after your last book that was

270

00:13:57,230 --> 00:13:54,300

titled UFOs Amina was at Hudson Valley

271

00:14:01,130 --> 00:13:57,240

UFOs as able to was sir my first book

272

00:14:03,760 --> 00:14:01,140

was in the night sky and that was also

273

00:14:06,829 --> 00:14:03,770

all Hudson Valley UFOs than it was

274

00:14:10,010 --> 00:14:06,839

Hudson Valley UFOs and I'm running out

275

00:14:14,750 --> 00:14:10,020

of titled the so it became more Hudson

276

00:14:19,250 --> 00:14:14,760

Valley UFOs but um I thought this is my

277

00:14:23,090 --> 00:14:19,260

one UFO book and I believe it was the

278

00:14:25,340 --> 00:14:23,100

day I got my first copies someone

279

00:14:28,329 --> 00:14:25,350

contacted me with a case and I said oh

280

00:14:30,769 --> 00:14:28,339

I'm sorry my book is done she said well

281

00:14:35,030 --> 00:14:30,779

you have to write another one because

282

00:14:36,980 --> 00:14:35,040

you need to hear my story and when you

283

00:14:40,069 --> 00:14:36,990

hear that another two three hundred

284

00:14:42,949 --> 00:14:40,079

times you say okay I need to do another

285

00:14:46,730 --> 00:14:42,959

book and it's the same thing the day

286

00:14:50,240 --> 00:14:46,740

this third book was completed I got

287

00:14:54,230 --> 00:14:50,250

three really good cases people contacted

288

00:14:56,449 --> 00:14:54,240

wow I guess not a but here we go again

289

00:14:58,819 --> 00:14:56,459

but that's what it's like being in the

290

00:15:02,870 --> 00:14:58,829

Hudson Valley the wealth of information

291

00:15:06,319 --> 00:15:02,880

here is astounding yes um I know that

292

00:15:08,180 --> 00:15:06,329

there was an article of written or was

293

00:15:11,750 --> 00:15:08,190

it a book written that got a lot of

294

00:15:16,100 --> 00:15:11,760

publicity in New York for the UFOs

295

00:15:21,889 --> 00:15:16,110

recently was picked up by I think so I'm

296

00:15:24,170 --> 00:15:21,899

actually a couple mainstream media yeah

297

00:15:27,050 --> 00:15:24,180

Cheryl Lacoste yes right on the

298

00:15:29,180 --> 00:15:27,060

statistics yes yeah New York Times

299

00:15:31,370 --> 00:15:29,190

reviewed it people are paying attention

300

00:15:33,470 --> 00:15:31,380

to it it's wonderful yeah Bob do you

301

00:15:35,990 --> 00:15:33,480

feel like there is a little bit of

302

00:15:41,960 --> 00:15:36,000

relaxing in the media as far as UFOs go

303

00:15:42,759 --> 00:15:41,970

since you've started a little bit but

304

00:15:45,609 --> 00:15:42,769

still

305

00:15:48,220 --> 00:15:45,619

there is the ridicule factor for example

306

00:15:51,309 --> 00:15:48,230

when they cover something about pine

307

00:15:55,780 --> 00:15:51,319

bush you know somebody has to make some

308

00:15:58,150 --> 00:15:55,790

sort of remark something demeaning about

309

00:15:58,960 --> 00:15:58,160

people and tinfoil hats or something

310

00:16:03,369 --> 00:15:58,970

like that

311

00:16:06,759 --> 00:16:03,379

so overall I think yes compared to say

312

00:16:10,030 --> 00:16:06,769

the 50s 60s but we we still have a long

313

00:16:15,489 --> 00:16:10,040

way to go getting respect I'm sure you

314

00:16:17,019 --> 00:16:15,499

found that now what about a pine Bush

315

00:16:20,019 --> 00:16:17,029

again I want to talk about that because

316

00:16:23,019 --> 00:16:20,029

I a person has helped me out with the

317

00:16:26,590 --> 00:16:23,029

show since just about day one lived in

318

00:16:27,879 --> 00:16:26,600

that area and she recalls sitting on the

319

00:16:29,979 --> 00:16:27,889

side of the road and you know beach

320

00:16:32,319 --> 00:16:29,989

chairs waiting at night with a whole

321

00:16:37,559 --> 00:16:32,329

bunch of people does just anything like

322

00:16:41,079 --> 00:16:37,569

that still go on well not to that degree

323

00:16:43,329 --> 00:16:41,089

just two weeks ago I did a bit of a sky

324

00:16:46,929 --> 00:16:43,339

watch with a friend of mine who had who

325

00:16:49,480 --> 00:16:46,939

runs the Pine Bush archive and we were

326

00:16:52,059 --> 00:16:49,490

sitting there and a big pickup truck

327

00:16:54,759 --> 00:16:52,069

comes rumbling by and we're we're still

328

00:16:56,980 --> 00:16:54,769

in farm country are like uh-oh what kind

329

00:16:58,989 --> 00:16:56,990

of harassment are we going to get the

330

00:17:01,480 --> 00:16:58,999

woman rolls down her window are you are

331

00:17:05,409 --> 00:17:01,490

you UFO hunting he's you know sky

332

00:17:08,710 --> 00:17:05,419

watching and we're like maybe yeah what

333

00:17:11,289 --> 00:17:08,720

why do you want to know um and she says

334

00:17:14,500 --> 00:17:11,299

oh let me tell you about my sighting so

335

00:17:18,279 --> 00:17:14,510

she she comes over and just two years

336

00:17:20,769 --> 00:17:18,289

ago she said a massive orange orb she

337

00:17:24,519 --> 00:17:20,779

called it a round craft went silently

338

00:17:27,039 --> 00:17:24,529

over her house and she said she was

339

00:17:28,600 --> 00:17:27,049

astounded she she you know this was the

340

00:17:31,419 --> 00:17:28,610

first time she'd lived there for many

341

00:17:33,789 --> 00:17:31,429

years and the kicker was she said you

342

00:17:36,370 --> 00:17:33,799

know I didn't grow up here she grew i

343

00:17:38,200 --> 00:17:36,380

she grew up in Pennsylvania she said

344

00:17:43,240 --> 00:17:38,210

it's a small town I don't know who ever

345

00:17:45,129 --> 00:17:43,250

heard of it called Oxford you never know

346

00:17:47,980 --> 00:17:45,139

who and what you will meet on the

347

00:17:50,409 --> 00:17:47,990

streets of pine bush but the heydays in

348

00:17:53,980 --> 00:17:50,419

the 80's and 90's when hundreds of

349

00:17:56,110 --> 00:17:53,990

people would line the streets um they're

350

00:17:58,240 --> 00:17:56,120

gone basically cuz

351

00:18:01,330 --> 00:17:58,250

it's been so developed now the big

352

00:18:03,100 --> 00:18:01,340

houses lining the streets and you you

353

00:18:05,530 --> 00:18:03,110

can't just park on somebody's property

354

00:18:09,010 --> 00:18:05,540

and set up a lawn chair unfortunate

355

00:18:12,640 --> 00:18:09,020

right right now uh I've talked to people

356

00:18:16,300 --> 00:18:12,650

like Mark D Antonio and who's actually

357

00:18:18,460 --> 00:18:16,310

you know setting up I'm not sure did you

358

00:18:20,410 --> 00:18:18,470

get to meet mark was he there he was

359

00:18:23,830 --> 00:18:20,420

there wasn't he the same time you're

360

00:18:27,460 --> 00:18:23,840

there uh mark was there at the Pine Bush

361

00:18:29,700 --> 00:18:27,470

UFO Festival last month yes I've talked

362

00:18:34,210 --> 00:18:29,710

to him about you know setting up this

363

00:18:37,390 --> 00:18:34,220

you photog you know detection units and

364

00:18:38,860 --> 00:18:37,400

hot spots and it seems like that has got

365

00:18:42,850 --> 00:18:38,870

to be one of the areas they must be

366

00:18:45,040 --> 00:18:42,860

considering I would think it would be

367

00:18:48,820 --> 00:18:45,050

one of their first considerations in the

368

00:18:53,170 --> 00:18:48,830

Northeast they're still wide-open fields

369

00:18:55,930 --> 00:18:53,180

that they could get permission there are

370

00:18:59,080 --> 00:18:55,940

spots where you have 360 degree views

371

00:19:03,880 --> 00:18:59,090

and I think that would be a great

372

00:19:07,780 --> 00:19:03,890

location oh I know I know that off the

373

00:19:10,290 --> 00:19:07,790

Shore of Long Island there were some

374

00:19:15,010 --> 00:19:10,300

there was a bunch of film sightings that

375

00:19:18,010 --> 00:19:15,020

that turned out to be just airliners you

376

00:19:18,540 --> 00:19:18,020

know coming into JFK or something like

377

00:19:23,230 --> 00:19:18,550

that

378

00:19:25,120 --> 00:19:23,240

but are any of these sightings in the

379

00:19:27,460 --> 00:19:25,130

Pine Bush area for instance since we're

380

00:19:31,720 --> 00:19:27,470

talking about that have any of them been

381

00:19:36,610 --> 00:19:31,730

explained or are they just all you know

382

00:19:39,400 --> 00:19:36,620

a mystery well we do have a Stewart

383

00:19:43,150 --> 00:19:39,410

Airport ten minutes away and a lot of

384

00:19:45,850 --> 00:19:43,160

traffic comes into that Airport on some

385

00:19:49,990 --> 00:19:45,860

small regional ones and of course we're

386

00:19:52,210 --> 00:19:50,000

in the New York metro area so usually

387

00:19:54,490 --> 00:19:52,220

within the first ten or fifteen minutes

388

00:19:57,730 --> 00:19:54,500

if you're doing a sky watch you can

389

00:20:01,330 --> 00:19:57,740

identify the paths that most of the

390

00:20:04,360 --> 00:20:01,340

airlines are taking certainly that that

391

00:20:07,180 --> 00:20:04,370

has been some of it you know wishful

392

00:20:10,120 --> 00:20:07,190

thinking that you're seeing a UFO coming

393

00:20:14,560 --> 00:20:10,130

in for a landing and it's going to store

394

00:20:18,670 --> 00:20:14,570

but the sightings go back to the 1920s

395

00:20:22,390 --> 00:20:18,680

and the nature of the sightings it's

396

00:20:25,420 --> 00:20:22,400

very unique in Pine Bush a lot of the

397

00:20:29,410 --> 00:20:25,430

activity comes up out of the ground and

398

00:20:32,560 --> 00:20:29,420

back into the round people have seen yes

399

00:20:35,800 --> 00:20:32,570

people have seen craft they described as

400

00:20:37,950 --> 00:20:35,810

like Ferris wheels spiraling coming up

401
00:20:41,080 --> 00:20:37,960
out of the woods out of the ground

402
00:20:44,860 --> 00:20:41,090
lights coming up and out and it's very

403
00:20:47,560 --> 00:20:44,870
unusual the sounds you hear from the

404
00:20:52,200 --> 00:20:47,570
ground as well like there's machinery

405
00:20:55,540 --> 00:20:52,210
under your feet it's it's really it's

406
00:20:59,680 --> 00:20:55,550
worth it to go and visit and see for

407
00:21:01,900 --> 00:20:59,690
yourself is really crazy huh and what

408
00:21:06,790 --> 00:21:01,910
about yourself have you actually seen

409
00:21:09,910 --> 00:21:06,800
something in that particular area we did

410
00:21:16,330 --> 00:21:09,920
a sky watch I'd say about two years ago

411
00:21:20,620 --> 00:21:16,340
and there was an object moving was still

412
00:21:22,810 --> 00:21:20,630
evening it was still light and I had a

413
00:21:24,490 --> 00:21:22,820

pair of binoculars and put the

414

00:21:27,880 --> 00:21:24,500

binoculars and I thought I'd be

415

00:21:32,820 --> 00:21:27,890

identifying an aircraft it was small

416

00:21:37,630 --> 00:21:32,830

round wingless and moving very fast

417

00:21:39,850 --> 00:21:37,640

under the clouds um I was trying to

418

00:21:42,130 --> 00:21:39,860

think perhaps some sort of drone you

419

00:21:45,070 --> 00:21:42,140

know we have West Point Military Academy

420

00:21:47,800 --> 00:21:45,080

and there is a military presence still

421

00:21:51,610 --> 00:21:47,810

it's Stewart but I don't know of any

422

00:21:55,180 --> 00:21:51,620

wingless round drones at this point and

423

00:21:58,270 --> 00:21:55,190

we also you get a strobe light effect

424

00:22:00,640 --> 00:21:58,280

there and that same night just as I'm

425

00:22:04,210 --> 00:22:00,650

thinking well nothing's going to happen

426

00:22:04,570 --> 00:22:04,220

this strobe light went off like a camera

427

00:22:08,260 --> 00:22:04,580

flash

428

00:22:11,800 --> 00:22:08,270

and we had no idea where it had had come

429

00:22:14,290 --> 00:22:11,810

from and I checked the weather forecast

430

00:22:19,270 --> 00:22:14,300

the you know the radar map and the

431

00:22:22,200 --> 00:22:19,280

nearest lightning strikes were over 70

432

00:22:25,410 --> 00:22:22,210

miles away so

433

00:22:27,660 --> 00:22:25,420

I don't know how to explain that as well

434

00:22:32,580 --> 00:22:27,670

so things are still happening in Pine

435

00:22:36,450 --> 00:22:32,590

Bush mostly rectangular craft in the

436

00:22:38,400 --> 00:22:36,460

last few years and Euler that's I mean

437

00:22:41,810 --> 00:22:38,410

you hear I'm hearing it seems like all

438

00:22:47,910 --> 00:22:41,820

the time I'm hearing about you know the

439

00:22:50,040 --> 00:22:47,920

triangular but but never me very very

440

00:22:51,900 --> 00:22:50,050

rarely do you hear about you know

441

00:22:54,300 --> 00:22:51,910

rectangular I mean a friend of mine had

442

00:22:56,820 --> 00:22:54,310

a rectangular sighting and you know that

443

00:23:00,660 --> 00:22:56,830

looked like a box but can you describe

444

00:23:04,520 --> 00:23:00,670

what they're seeing they're seeing

445

00:23:07,680 --> 00:23:04,530

something longer than it is wide a

446

00:23:10,140 --> 00:23:07,690

rectangle generally a white light in

447

00:23:13,350 --> 00:23:10,150

each corner and a red light in the

448

00:23:17,150 --> 00:23:13,360

center and I've had numerous reports of

449

00:23:20,220 --> 00:23:17,160

this over I'd say the last five years

450

00:23:24,200 --> 00:23:20,230

again like the massive triangles they're

451
00:23:26,970 --> 00:23:24,210
silent generally dark black or gunmetal

452
00:23:29,160 --> 00:23:26,980
one woman described something very

453
00:23:32,670 --> 00:23:29,170
interesting she said it looked like the

454
00:23:34,800 --> 00:23:32,680
bottom of a glass-bottom boat as if

455
00:23:38,190 --> 00:23:34,810
there was some sort of projection or

456
00:23:41,040 --> 00:23:38,200
rippling to the bottom of it and one

457
00:23:45,180 --> 00:23:41,050
other person described that they could

458
00:23:47,340 --> 00:23:45,190
see the stars uh almost as if they were

459
00:23:52,200 --> 00:23:47,350
being projected on the bottom for some

460
00:23:54,090 --> 00:23:52,210
sort of stealth or invisibility but they

461
00:23:56,730 --> 00:23:54,100
knew the star panned the star patterns

462
00:23:59,220 --> 00:23:56,740
didn't look quite right they were being

463
00:24:02,520 --> 00:23:59,230

projected but a little Distortion so

464

00:24:05,850 --> 00:24:02,530

they screwed up a little they screwed up

465

00:24:07,650 --> 00:24:05,860

a little exactly and we always like to

466

00:24:09,240 --> 00:24:07,660

try to exploit yes cruets

467

00:24:14,490 --> 00:24:09,250

especially when they could do so much

468

00:24:16,550 --> 00:24:14,500

right yeah now this woman that contacted

469

00:24:18,600 --> 00:24:16,560

you when you finished your last book and

470

00:24:19,170 --> 00:24:18,610

said Wayman you have to write another

471

00:24:21,660 --> 00:24:19,180

book

472

00:24:24,500 --> 00:24:21,670

you have to write about my sighting did

473

00:24:26,790 --> 00:24:24,510

she make the cut is she in the book

474

00:24:32,310 --> 00:24:26,800

she's in the second book made in the

475

00:24:35,380 --> 00:24:32,320

second book and uh yes and the majority

476

00:24:40,169 --> 00:24:35,390

of the stories I get are fascinating

477

00:24:46,810 --> 00:24:43,630

there are that percentage that you know

478

00:24:49,570 --> 00:24:46,820

I saw light in the sky okay I can't do

479

00:24:52,630 --> 00:24:49,580

much with you know I can't do much with

480

00:24:54,760 --> 00:24:52,640

that and some people they're just they

481

00:24:58,180 --> 00:24:54,770

just don't sound reliable but the

482

00:25:00,640 --> 00:24:58,190

majority of people are just honest

483

00:25:03,160 --> 00:25:00,650

sincere people who saw something they

484

00:25:05,350 --> 00:25:03,170

can't explain and they just want to

485

00:25:09,070 --> 00:25:05,360

share it with people ah well that's

486

00:25:12,130 --> 00:25:09,080

great so let's up in the notations that

487

00:25:13,930 --> 00:25:12,140

you sent me let's start off the bat I

488

00:25:17,380 --> 00:25:13,940

want to talk right off the bat about

489

00:25:19,260 --> 00:25:17,390

your favorite a witness Victoria Lama so

490

00:25:23,580 --> 00:25:19,270

however you say her name

491

00:25:28,090 --> 00:25:23,590

can you tell tell us I mean she she's up

492

00:25:32,950 --> 00:25:28,100

what did she work with it I saw the FAA

493

00:25:35,500 --> 00:25:32,960

right she was a professional plane

494

00:25:37,810 --> 00:25:35,510

spotter which I didn't know existed she

495

00:25:39,580 --> 00:25:37,820

worked for many years for LaGuardia

496

00:25:44,110 --> 00:25:39,590

Airport you know a major New York

497

00:25:46,930 --> 00:25:44,120

Airport and her job was to match tail

498

00:25:48,700 --> 00:25:46,940

numbers with the type of aircraft it was

499

00:25:52,000 --> 00:25:48,710

supposed to be with what the

500

00:25:54,669 --> 00:25:52,010

transponders were telling you and I said

501
00:25:57,430 --> 00:25:54,679
why would you do that well because drug

502
00:26:00,789 --> 00:25:57,440
dealers and other criminals will steal a

503
00:26:02,590 --> 00:26:00,799
plane alter the tail number and then

504
00:26:04,870 --> 00:26:02,600
think they can just fly into a major

505
00:26:05,320 --> 00:26:04,880
airport New York Airport no one will

506
00:26:10,060 --> 00:26:05,330
notice

507
00:26:14,169 --> 00:26:10,070
so she was trained to identify jets

508
00:26:16,990 --> 00:26:14,179
small planes helicopters of civilian

509
00:26:20,289 --> 00:26:17,000
military and commercial this was what

510
00:26:22,270 --> 00:26:20,299
she did for a living and a couple of

511
00:26:24,490 --> 00:26:22,280
years later she was working at

512
00:26:26,980 --> 00:26:24,500
Westchester County Airport living in

513
00:26:30,159 --> 00:26:26,990

that area she's on her way home with her

514

00:26:34,720 --> 00:26:30,169

mother and she looks up and there's a

515

00:26:36,850 --> 00:26:34,730

craft so huge and so low she can't see

516

00:26:39,909 --> 00:26:36,860

from side to side

517

00:26:42,940 --> 00:26:39,919

she can't even tell what shape it is she

518

00:26:46,120 --> 00:26:42,950

said she was doing her best to did it's

519

00:26:49,000 --> 00:26:46,130

a US Air Force on it or property of you

520

00:26:53,280 --> 00:26:49,010

know the United States no

521

00:26:57,400 --> 00:26:53,290

markings two lines of lights one red one

522

00:27:00,880 --> 00:26:57,410

white but about 60 feet off the ground

523

00:27:02,350 --> 00:27:00,890

and just filled the sky she gets out of

524

00:27:04,240 --> 00:27:02,360

the car her mother's yelling

525

00:27:07,020 --> 00:27:04,250

hysterically other people are pulling

526
00:27:10,390 --> 00:27:07,030
over they're all yelling hysterically

527
00:27:13,960 --> 00:27:10,400
she races home and calls her friend

528
00:27:16,750 --> 00:27:13,970
who's one of the radar men at this

529
00:27:20,170 --> 00:27:16,760
Westchester County Airport and he says

530
00:27:20,710 --> 00:27:20,180
we have it on radar I have no idea what

531
00:27:23,710 --> 00:27:20,720
it is

532
00:27:25,600 --> 00:27:23,720
its enormous he's really excited he said

533
00:27:28,330 --> 00:27:25,610
you know we'll talk about this tomorrow

534
00:27:30,940 --> 00:27:28,340
so she sees it for quite a while in fact

535
00:27:33,760 --> 00:27:30,950
this thing is hovering over her yard for

536
00:27:36,040 --> 00:27:33,770
for several minutes next morning she

537
00:27:38,110 --> 00:27:36,050
goes she's pulling into the parking lot

538
00:27:40,690 --> 00:27:38,120

and this radar man is running around the

539

00:27:43,180 --> 00:27:40,700

parking lot she's like what what's wrong

540

00:27:46,270 --> 00:27:43,190

with this guy he runs over to the car

541

00:27:48,670 --> 00:27:46,280

and the first thing he says whatever you

542

00:27:50,920 --> 00:27:48,680

do if you want to keep your job you

543

00:27:54,940 --> 00:27:50,930

didn't see anything it was a flock of

544

00:27:57,610 --> 00:27:54,950

birds my god she's like what do you set

545

00:28:00,750 --> 00:27:57,620

why you saying this right after their

546

00:28:04,810 --> 00:28:00,760

conversation on the phone

547

00:28:07,720 --> 00:28:04,820

military men with guns drawn burst into

548

00:28:10,090 --> 00:28:07,730

the radar room into the tower knocked

549

00:28:13,270 --> 00:28:10,100

over a table knocking things over we're

550

00:28:15,790 --> 00:28:13,280

very intimidating and in no uncertain

551

00:28:19,360 --> 00:28:15,800

terms that if you people want to keep

552

00:28:24,070 --> 00:28:19,370

working here it was a flock of birds and

553

00:28:26,860 --> 00:28:24,080

that's where they had to end so when a

554

00:28:29,230 --> 00:28:26,870

woman whose job is to identify aircraft

555

00:28:32,620 --> 00:28:29,240

can't even tell me the shape of it

556

00:28:37,360 --> 00:28:32,630

because it was so huge so low and then

557

00:28:38,560 --> 00:28:37,370

she's threatened with her job so I asked

558

00:28:41,380 --> 00:28:38,570

her could it have been something

559

00:28:44,140 --> 00:28:41,390

military and apparently the military men

560

00:28:46,240 --> 00:28:44,150

had it on their radar because there was

561

00:28:49,750 --> 00:28:46,250

an Air National Guard stationed at the

562

00:28:51,640 --> 00:28:49,760

airport at that time they had seen it on

563

00:28:53,770 --> 00:28:51,650

their radar that's why they rushed over

564

00:28:56,590 --> 00:28:53,780

to the civilian part of the airport and

565

00:29:00,790 --> 00:28:56,600

said this is not ours but you are not to

566

00:29:03,130 --> 00:29:00,800

talk about it so this is a actually one

567

00:29:05,400 --> 00:29:03,140

other thread of that

568

00:29:09,070 --> 00:29:05,410

you hear about cover-up I mean this is

569

00:29:12,280 --> 00:29:09,080

plainly a cover-up and just out of

570

00:29:16,300 --> 00:29:12,290

speculation why do you think they would

571

00:29:19,570 --> 00:29:16,310

cover it up if it wasn't theirs it I do

572

00:29:22,360 --> 00:29:19,580

think what do you think is involved in

573

00:29:24,250 --> 00:29:22,370

that do you think that do you think that

574

00:29:26,170 --> 00:29:24,260

the military doesn't know what these

575

00:29:30,510 --> 00:29:26,180

things are but they don't want people to

576

00:29:33,960 --> 00:29:30,520

be afraid or do you think they know more

577

00:29:37,330 --> 00:29:33,970

well oh I think they have to know more

578

00:29:39,220 --> 00:29:37,340

you know they with the radar systems

579

00:29:41,260 --> 00:29:39,230

we've had for so many decades they have

580

00:29:44,050 --> 00:29:41,270

to know what's coming in and out of our

581

00:29:47,200 --> 00:29:44,060

own airspace

582

00:29:51,490 --> 00:29:47,210

my theory is the whole idea of

583

00:29:53,590 --> 00:29:51,500

government and military is power and if

584

00:29:57,720 --> 00:29:53,600

you admit there is something you are

585

00:30:01,630 --> 00:29:57,730

completely powerless in the face of um

586

00:30:04,900 --> 00:30:01,640

how how does that make you look you lose

587

00:30:09,220 --> 00:30:04,910

your your status your credibility your

588

00:30:10,480 --> 00:30:09,230

sway over the population there could be

589

00:30:14,170 --> 00:30:10,490

a lot more to it

590

00:30:16,570 --> 00:30:14,180

but as far as I can tell that's probably

591

00:30:22,450 --> 00:30:16,580

the main do you think that in that

592

00:30:24,730 --> 00:30:22,460

particular case that some part of a

593

00:30:27,190 --> 00:30:24,740

country may communicate with another

594

00:30:29,380 --> 00:30:27,200

part of another country you know along

595

00:30:31,480 --> 00:30:29,390

those lines about these things like

596

00:30:34,530 --> 00:30:31,490

someone is talking about it between

597

00:30:37,210 --> 00:30:34,540

countries or do you think that each

598

00:30:39,610 --> 00:30:37,220

country just kind of you know keeps

599

00:30:43,420 --> 00:30:39,620

their their sightings under their own

600

00:30:47,770 --> 00:30:43,430

lid type of thing I would think

601
00:30:49,570 --> 00:30:47,780
countries would talk to one another here

602
00:30:51,880 --> 00:30:49,580
at least I would think we're in

603
00:30:54,220 --> 00:30:51,890
communication with Mexico and Canada as

604
00:30:58,870 --> 00:30:54,230
so many sightings have crossed you know

605
00:31:01,810 --> 00:30:58,880
both air spaces or all three I think it

606
00:31:04,420 --> 00:31:01,820
would behoove us to keep on top of

607
00:31:07,810 --> 00:31:04,430
things and want to know what's going on

608
00:31:10,870 --> 00:31:07,820
in the rest of the world again I have no

609
00:31:14,920 --> 00:31:10,880
insider knowledge of secret groups but

610
00:31:17,010 --> 00:31:14,930
it would just seem to make sense there

611
00:31:19,200 --> 00:31:17,020
is definitely something going on

612
00:31:23,520 --> 00:31:19,210
on we need as much information about it

613
00:31:27,000 --> 00:31:23,530

as we can but but that's me yes well

614

00:31:29,970 --> 00:31:27,010

obviously they're not a danger otherwise

615

00:31:33,390 --> 00:31:29,980

we'd know it by now and so that's all

616

00:31:34,790 --> 00:31:33,400

part of a part of the equation of

617

00:31:37,800 --> 00:31:34,800

everything I think

618

00:31:40,740 --> 00:31:37,810

but yeah it's interesting to speculate

619

00:31:42,480 --> 00:31:40,750

on this whole theory like who knows what

620

00:31:46,080 --> 00:31:42,490

what part of the government does no and

621

00:31:48,110 --> 00:31:46,090

and how you know compartmentalized is it

622

00:31:51,300 --> 00:31:48,120

you know

623

00:31:54,150 --> 00:31:51,310

well sure well there was a case at

624

00:31:56,940 --> 00:31:54,160

Stewart Air Force Stewart Airport used

625

00:32:00,210 --> 00:31:56,950

to be Stewart Air Force Base and they

626

00:32:03,720 --> 00:32:00,220

had a huge enormous square building

627

00:32:06,000 --> 00:32:03,730

called the sage building semi-automated

628

00:32:08,280 --> 00:32:06,010

ground environment I don't know why I

629

00:32:10,770 --> 00:32:08,290

remember that but it was basically part

630

00:32:13,470 --> 00:32:10,780

of the Strategic Air Command and they

631

00:32:16,800 --> 00:32:13,480

watched everything coming in and out of

632

00:32:20,880 --> 00:32:16,810

our airspace and in the early 60s he

633

00:32:23,250 --> 00:32:20,890

said everybody was you know freaking out

634

00:32:26,640 --> 00:32:23,260

basically because something came from

635

00:32:31,620 --> 00:32:26,650

the southern part of the country racing

636

00:32:35,610 --> 00:32:31,630

at an unbelievably fast speed up the

637

00:32:37,620 --> 00:32:35,620

East Coast everybody saw it they knew

638

00:32:40,230 --> 00:32:37,630

they knew from the speed and the way

639

00:32:43,290 --> 00:32:40,240

this thing was moving it was not ours it

640

00:32:45,930 --> 00:32:43,300

was not the Russians and he said

641

00:32:48,630 --> 00:32:45,940

everybody was buzzing about that for

642

00:32:52,350 --> 00:32:48,640

months and when you figure somebody

643

00:32:55,740 --> 00:32:52,360

who's in the chain of having your finger

644

00:32:59,100 --> 00:32:55,750

on the nuclear button is really agitated

645

00:33:02,730 --> 00:32:59,110

and excited that is big news so they had

646

00:33:05,220 --> 00:33:02,740

to you know they had to know going back

647

00:33:06,660 --> 00:33:05,230

many many decades there are things out

648

00:33:11,300 --> 00:33:06,670

there beyond their control

649

00:33:14,880 --> 00:33:11,310

don't you find it kind of unusual that

650

00:33:17,550 --> 00:33:14,890

you know all of the military people

651
00:33:19,620 --> 00:33:17,560
connected say for instance the people

652
00:33:21,840 --> 00:33:19,630
that burst into the radar room they're

653
00:33:25,740 --> 00:33:21,850
you know what the guns drawn and all

654
00:33:28,080 --> 00:33:25,750
that don't you think that if you know

655
00:33:30,420 --> 00:33:28,090
they retire down the line or whatever

656
00:33:30,810 --> 00:33:30,430
that there may be some loose lips or do

657
00:33:34,070 --> 00:33:30,820
you think

658
00:33:37,999 --> 00:33:34,080
people really you know of threatened or

659
00:33:41,700 --> 00:33:38,009
you know have to really abide by their

660
00:33:44,370 --> 00:33:41,710
you know classification to keep their

661
00:33:48,350 --> 00:33:44,380
pension or whatever it is or do you know

662
00:33:51,210 --> 00:33:48,360
do you ever think about any of that I

663
00:33:54,389 --> 00:33:51,220

have spoken to people who say it is

664

00:33:57,060 --> 00:33:54,399

still loyalty I have spoken to other

665

00:33:59,090 --> 00:33:57,070

people who did mention pensions they

666

00:34:02,190 --> 00:33:59,100

don't want to do anything to risk that

667

00:34:06,090 --> 00:34:02,200

but I have had some military men speak

668

00:34:09,210 --> 00:34:06,100

to me in the area there was a great case

669

00:34:11,669 --> 00:34:09,220

in this latest book from 1966 from the

670

00:34:14,399 --> 00:34:11,679

West Point Military Academy and I

671

00:34:17,750 --> 00:34:14,409

actually spoke to the retired colonel I

672

00:34:20,490 --> 00:34:17,760

believe he was a captain at the time but

673

00:34:22,379 --> 00:34:20,500

all the cadets and instructors are

674

00:34:26,520 --> 00:34:22,389

streaming out of the buildings looking

675

00:34:29,700 --> 00:34:26,530

up because there's this massive classic

676
00:34:33,300 --> 00:34:29,710
flying-saucer shape flying low over the

677
00:34:38,210 --> 00:34:33,310
buildings and the MPS were flooded with

678
00:34:41,700 --> 00:34:38,220
calls the whole base knew about this and

679
00:34:44,190 --> 00:34:41,710
I said you know did you eat he actually

680
00:34:46,649 --> 00:34:44,200
followed it down to the river ice did

681
00:34:49,409 --> 00:34:46,659
you talk about it with everyone he you

682
00:34:53,809 --> 00:34:49,419
know not ideal for career advancement

683
00:34:58,470 --> 00:34:53,819
and he would talk about it with me today

684
00:35:01,500 --> 00:34:58,480
but under the agreement that I would not

685
00:35:06,329 --> 00:35:01,510
reveal his name because there's still

686
00:35:09,000 --> 00:35:06,339
that apprehension um could they do

687
00:35:11,190 --> 00:35:09,010
something to him I don't know that they

688
00:35:14,280 --> 00:35:11,200

would at this point for a sighting like

689

00:35:16,440 --> 00:35:14,290

that but still why risk it what what

690

00:35:17,940 --> 00:35:16,450

what's what's to be gained right right

691

00:35:19,970 --> 00:35:17,950

Wow

692

00:35:23,220 --> 00:35:19,980

so let's talk about a couple of other

693

00:35:26,400 --> 00:35:23,230

people that you found really interesting

694

00:35:35,579 --> 00:35:26,410

in your book on you know with that you

695

00:35:38,130 --> 00:35:35,589

interviewed oh so many um the well I'll

696

00:35:43,430 --> 00:35:38,140

pick someone if that's alright oh oh

697

00:35:45,800 --> 00:35:45,410

what up you're in your own book aren't

698

00:35:52,160 --> 00:35:45,810

you

699

00:35:56,600 --> 00:35:52,170

ah yes unfortunately so we'll get to

700

00:35:58,850 --> 00:35:56,610

that in a minute yeah but I saw in here

701
00:36:01,490 --> 00:35:58,860
there was some drawing said let's just

702
00:36:05,720 --> 00:36:01,500
for instance uh talk about this really

703
00:36:09,620 --> 00:36:05,730
strange one which is as it Eddie

704
00:36:13,310 --> 00:36:09,630
is that his name yeah

705
00:36:14,740 --> 00:36:13,320
Eddie and I'm just trying to see where

706
00:36:18,200 --> 00:36:14,750
he's from

707
00:36:22,150 --> 00:36:18,210
it's toward the end of the book there's

708
00:36:27,830 --> 00:36:22,160
a drawing on a paper plate in 1974 huh

709
00:36:29,450 --> 00:36:27,840
yes yes that was fascinating I was any

710
00:36:31,580 --> 00:36:29,460
time I did a lecture in the Hudson

711
00:36:33,680 --> 00:36:31,590
Valley I usually get at least a dozen

712
00:36:36,680 --> 00:36:33,690
people coming up to me afterwards to

713
00:36:38,810 --> 00:36:36,690

share their stories and his story was

714

00:36:42,410 --> 00:36:38,820

just stunning and something I had never

715

00:36:46,640 --> 00:36:42,420

heard anything like it before he was on

716

00:36:49,730 --> 00:36:46,650

the west side of the Hudson River and at

717

00:36:52,190 --> 00:36:49,740

that point he could see across to the

718

00:36:52,820 --> 00:36:52,200

the City of Poughkeepsie which is not

719

00:36:56,000 --> 00:36:52,830

far

720

00:36:59,030 --> 00:36:56,010

and he said this light came down and it

721

00:37:02,540 --> 00:36:59,040

resolved into the only thing he could

722

00:37:04,700 --> 00:37:02,550

describe is it looked like a mountain in

723

00:37:08,300 --> 00:37:04,710

the sky it looked at like it was

724

00:37:11,300 --> 00:37:08,310

actually made of rock and on the bottom

725

00:37:14,240 --> 00:37:11,310

of it was some sort of lighted craft as

726

00:37:16,910 --> 00:37:14,250

if it was attached you know look he said

727

00:37:20,330 --> 00:37:16,920

it looked like it could detach from this

728

00:37:23,240 --> 00:37:20,340

enormous rock and they watched it for

729

00:37:25,460 --> 00:37:23,250

many minutes he couldn't estimate the

730

00:37:28,400 --> 00:37:25,470

size but he said it was just enormous

731

00:37:30,200 --> 00:37:28,410

and you know a picture's worth a

732

00:37:32,810 --> 00:37:30,210

thousand words so I said could you

733

00:37:34,940 --> 00:37:32,820

sketch it for me so over on the

734

00:37:39,020 --> 00:37:34,950

refreshment table he grabbed a paper

735

00:37:42,560 --> 00:37:39,030

plate and sketched this huge mountain

736

00:37:44,930 --> 00:37:42,570

shape with the craft under it and you

737

00:37:50,060 --> 00:37:44,940

know I said I will take evidence any way

738

00:37:54,920 --> 00:37:50,070

I can get it and this craft as enormous

739

00:37:56,000 --> 00:37:54,930

as it was moved away very rapidly and he

740

00:37:59,480 --> 00:37:56,010

and several

741

00:38:01,130 --> 00:37:59,490

saw it and uh maybe some of your

742

00:38:03,500 --> 00:38:01,140

listeners have heard of something but

743

00:38:05,780 --> 00:38:03,510

like this but I have never heard of

744

00:38:09,560 --> 00:38:05,790

something that looked like an actual

745

00:38:12,109 --> 00:38:09,570

mountain of rock in the sky that was

746

00:38:14,500 --> 00:38:12,119

really that was a new one never heard of

747

00:38:18,490 --> 00:38:14,510

anything like that

748

00:38:21,080 --> 00:38:18,500

so and you talked earlier about the

749

00:38:24,200 --> 00:38:21,090

vibrations and noises that people heard

750

00:38:26,120 --> 00:38:24,210

underground that's back in Pine Bush

751
00:38:28,970 --> 00:38:26,130
going back to that

752
00:38:29,330 --> 00:38:28,980
can you describe more of what that was

753
00:38:34,250 --> 00:38:29,340
like

754
00:38:36,590 --> 00:38:34,260
anything it's Hershey

755
00:38:40,250 --> 00:38:36,600
some people kind of describe it as a

756
00:38:44,900 --> 00:38:40,260
tremor an earthquake but mostly a hum or

757
00:38:47,590 --> 00:38:44,910
a vibration I what I hear most often is

758
00:38:50,090 --> 00:38:47,600
if someone was doing construction

759
00:38:53,050 --> 00:38:50,100
underground you know the sound at a

760
00:38:56,840 --> 00:38:53,060
construction site only if that was

761
00:39:03,310 --> 00:38:56,850
beneath your feet under the ground which

762
00:39:07,550 --> 00:39:03,320
I don't know how to explain that but I

763
00:39:10,900 --> 00:39:07,560

recently also got an email from a woman

764

00:39:14,380 --> 00:39:10,910

who said that she was one of those early

765

00:39:16,609 --> 00:39:14,390

West Sears Vil Road in Pine Bush

766

00:39:20,060 --> 00:39:16,619

skywatchers where the hundreds of people

767

00:39:22,700 --> 00:39:20,070

would gather and she said she's standing

768

00:39:26,660 --> 00:39:22,710

there one night and up out of the ground

769

00:39:28,340 --> 00:39:26,670

she said came a swirl of electricity of

770

00:39:31,190 --> 00:39:28,350

energy she said it almost looked like

771

00:39:34,730 --> 00:39:31,200

the rings of Saturn and half a block

772

00:39:38,570 --> 00:39:34,740

away it lit up a tree like daylight and

773

00:39:41,690 --> 00:39:38,580

then it faded back into the ground

774

00:39:43,810 --> 00:39:41,700

she said she ran towards it as that's a

775

00:39:47,750 --> 00:39:43,820

true Sky Watcher you run towards these

776

00:39:49,730 --> 00:39:47,760

Waveland as fast as she could and by the

777

00:39:51,740 --> 00:39:49,740

time she got to the ground the rings

778

00:39:54,470 --> 00:39:51,750

were gone but she said you know the

779

00:39:56,840 --> 00:39:54,480

fourth of July sparklers it was like

780

00:40:00,230 --> 00:39:56,850

these sparklers were leaping out of the

781

00:40:03,590 --> 00:40:00,240

ground and then it all faded and nothing

782

00:40:04,760 --> 00:40:03,600

was there today but that's why well in a

783

00:40:07,370 --> 00:40:04,770

case like that you would think that

784

00:40:08,750 --> 00:40:07,380

someone would test the ground area to

785

00:40:09,480 --> 00:40:08,760

see what they could come up with do you

786

00:40:13,100 --> 00:40:09,490

know if anyone has

787

00:40:15,480 --> 00:40:13,110

done anything like that people have done

788

00:40:19,830 --> 00:40:15,490

electromagnetic tests and found there

789

00:40:22,470 --> 00:40:19,840

are unusual fields in the area which may

790

00:40:24,980 --> 00:40:22,480

be from the geology or underground water

791

00:40:33,630 --> 00:40:24,990

sources I don't know but they definitely

792

00:40:34,170 --> 00:40:33,640

have found there's anomalous normal call

793

00:40:37,170 --> 00:40:34,180

it normal

794

00:40:39,900 --> 00:40:37,180

anomalous energies are in the ground at

795

00:40:43,590 --> 00:40:39,910

Pine Bush for sure that is really really

796

00:40:46,790 --> 00:40:43,600

interesting so let's talk about Barbara

797

00:40:52,260 --> 00:40:46,800

at West Point Military Academy back in

798

00:40:55,350 --> 00:40:52,270

1966 that case that was the one I was

799

00:40:58,620 --> 00:40:55,360

mentioning Barbara's father was the

800

00:41:00,570 --> 00:40:58,630

colonel but it was fascinating to hear

801
00:41:02,190 --> 00:41:00,580
the start of the story she and her

802
00:41:04,710 --> 00:41:02,200
mother you know they were stationed at

803
00:41:07,440 --> 00:41:04,720
the base are walking across a courtyard

804
00:41:09,900 --> 00:41:07,450
between buildings and she's just a

805
00:41:11,970 --> 00:41:09,910
little kid and all of a sudden all she

806
00:41:14,990 --> 00:41:11,980
said all these men in uniforms are

807
00:41:17,400 --> 00:41:15,000
rushing out pointing up to the sky and

808
00:41:19,260 --> 00:41:17,410
she didn't know what was going on at

809
00:41:22,080 --> 00:41:19,270
first and then they all looked up and

810
00:41:27,540 --> 00:41:22,090
that's when they saw the enormous disc

811
00:41:32,190 --> 00:41:27,550
and the mother later called the MPS and

812
00:41:35,280 --> 00:41:32,200
he said it had been reported up and down

813
00:41:35,940 --> 00:41:35,290

the Hudson River that day those were his

814

00:41:38,849 --> 00:41:35,950

words

815

00:41:41,609 --> 00:41:38,859

oh so that's pretty interesting when the

816

00:41:43,680 --> 00:41:41,619

military police states something like

817

00:41:46,740 --> 00:41:43,690

that and also said they had been swamped

818

00:41:53,940 --> 00:41:46,750

with calls on the base that day going

819

00:41:58,470 --> 00:41:53,950

back to the radar signals or data are

820

00:42:00,960 --> 00:41:58,480

you mentioned that the the person said

821

00:42:03,500 --> 00:42:00,970

that it was a huge can they actually

822

00:42:09,840 --> 00:42:03,510

tell how big something is through radar

823

00:42:13,109 --> 00:42:09,850

or is it just like approximate um I'm

824

00:42:15,930 --> 00:42:13,119

not sure how detailed they can get I'm

825

00:42:19,830 --> 00:42:15,940

sure with modern radar it can be a lot

826

00:42:23,010 --> 00:42:19,840

more this was 1983 so I'm not a radar

827

00:42:23,340 --> 00:42:23,020

expert but I'm sure you could tell the

828

00:42:27,630 --> 00:42:23,350

differ

829

00:42:31,860 --> 00:42:27,640

between a jumbo jet and a small plane by

830

00:42:35,100 --> 00:42:31,870

the size of the blip you know but he

831

00:42:41,120 --> 00:42:35,110

clearly said it was an enormous huge

832

00:42:44,250 --> 00:42:41,130

object so he had that capacity right and

833

00:42:47,280 --> 00:42:44,260

do you have when you're researching for

834

00:42:49,800 --> 00:42:47,290

your book how do you go about that do

835

00:42:51,480 --> 00:42:49,810

you start out with you know a lot of

836

00:42:54,210 --> 00:42:51,490

people used to start out with microfiche

837

00:42:59,690 --> 00:42:54,220

and look for cases how do you actually

838

00:43:02,880 --> 00:42:59,700

do that besides people contacting you um

839

00:43:05,940 --> 00:43:02,890

other than that yes I spend a lot of

840

00:43:11,100 --> 00:43:05,950

hours getting seasick watching

841

00:43:14,250 --> 00:43:11,110

microfiche go by but a lot of online

842

00:43:16,560 --> 00:43:14,260

newspaper searches as well and that's

843

00:43:19,620 --> 00:43:16,570

one of the things that has really caught

844

00:43:22,110 --> 00:43:19,630

my attention is the wave of sightings I

845

00:43:27,780 --> 00:43:22,120

found in the Hudson Valley and in the

846

00:43:31,920 --> 00:43:27,790

Northeast from 1908 to 1910 and I've

847

00:43:37,400 --> 00:43:31,930

found countless articles from the Hudson

848

00:43:40,940 --> 00:43:37,410

Valley from Boston from Canada

849

00:43:45,540 --> 00:43:40,950

throughout this area people were seeing

850

00:43:49,190 --> 00:43:45,550

at night an enormous dark cigar shaped

851

00:43:52,950 --> 00:43:49,200

object with one two three lights it

852

00:43:57,510 --> 00:43:52,960

could go up to an altitude estimated at

853

00:44:02,850 --> 00:43:57,520

at least 1500 feet which is a key number

854

00:44:09,420 --> 00:44:02,860

because Wilbur Wright in 1908 self set

855

00:44:11,510 --> 00:44:09,430

an altitude record of 361 feet that's as

856

00:44:15,450 --> 00:44:11,520

high anyone had gotten in a place so

857

00:44:19,710 --> 00:44:15,460

1500 feet at night no planes were flying

858

00:44:21,270 --> 00:44:19,720

at night many of the reporters I have to

859

00:44:24,000 --> 00:44:21,280

hand it to them they really did their

860

00:44:26,400 --> 00:44:24,010

due diligence when there was a sighting

861

00:44:28,860 --> 00:44:26,410

they would go around to anybody who

862

00:44:32,370 --> 00:44:28,870

might have a dirigible or a balloon and

863

00:44:35,250 --> 00:44:32,380

they would report every balloon has been

864

00:44:42,120 --> 00:44:38,609

and so you knew there was no man-made

865

00:44:44,450 --> 00:44:42,130

craft but no one was hysterical no one

866

00:44:47,430 --> 00:44:44,460

thought it was people from Venus or Mars

867

00:44:50,130 --> 00:44:47,440

they thought it was somebody like the

868

00:44:53,040 --> 00:44:50,140

Wright brothers or Thomas Edison they

869

00:44:56,250 --> 00:44:53,050

kept saying the genius inventor who has

870

00:44:59,430 --> 00:44:56,260

invented something that can hover move

871

00:45:01,920 --> 00:44:59,440

at incredibly rapid rate can fly at

872

00:45:04,170 --> 00:45:01,930

night can carry enormous searchlights

873

00:45:07,290 --> 00:45:04,180

and they often described it was like

874

00:45:10,140 --> 00:45:07,300

they were searching for something and

875

00:45:14,730 --> 00:45:10,150

could go one night one was seen from New

876

00:45:18,060 --> 00:45:14,740

York to Boston and nothing was flying

877

00:45:20,340 --> 00:45:18,070

that distance as I said at night and

878

00:45:22,920 --> 00:45:20,350

this went on for a couple of years so

879

00:45:26,660 --> 00:45:22,930

I've spent a lot of time in newspaper

880

00:45:30,330 --> 00:45:26,670

archives looking for cases like that

881

00:45:33,870 --> 00:45:30,340

searching a profiles Project Blue Book

882

00:45:37,710 --> 00:45:33,880

files because there's still a lot of

883

00:45:39,840 --> 00:45:37,720

untapped cases and information in blue

884

00:45:42,900 --> 00:45:39,850

book for sure Wow

885

00:45:46,859 --> 00:45:42,910

I am always fascinated by the early

886

00:45:49,440 --> 00:45:46,869

cases especially when you know there's

887

00:45:52,050 --> 00:45:49,450

the the saying out there that the modern

888

00:45:54,060 --> 00:45:52,060

UFO age of you know there were no

889

00:45:58,230 --> 00:45:54,070

sightings before 47 that's what you hear

890

00:46:00,359 --> 00:45:58,240

a lot which is you know baloney exactly

891

00:46:02,700 --> 00:46:00,369

duh oh Linda we're losing you to the

892

00:46:04,260 --> 00:46:02,710

dark you're gonna have to turnin okay

893

00:46:04,770 --> 00:46:04,270

you have to turn on some type of light

894

00:46:06,750 --> 00:46:04,780

there

895

00:46:08,460 --> 00:46:06,760

I can turn yeah that's good how is that

896

00:46:13,080 --> 00:46:08,470

- oh that's fine

897

00:46:16,460 --> 00:46:13,090

yeah okay sorry I I'm so used to working

898

00:46:21,090 --> 00:46:16,470

in the dark I don't notice anymore

899

00:46:25,020 --> 00:46:21,100

so I want to talk about you wrote an

900

00:46:27,690 --> 00:46:25,030

article about dogs and UFOs and I found

901
00:46:30,300 --> 00:46:27,700
that I'm a real dog lover I want to hear

902
00:46:36,660 --> 00:46:30,310
about that the inspiration and about

903
00:46:39,540 --> 00:46:36,670
that sure uh well I was looking at open

904
00:46:43,290 --> 00:46:39,550
minds I I love ala Hondo rowhouses news

905
00:46:46,020 --> 00:46:43,300
on your show and also um you know his

906
00:46:48,539 --> 00:46:46,030
news he posts on the website and I saw

907
00:46:52,140 --> 00:46:48,549
this interesting case about where a

908
00:46:54,839 --> 00:46:52,150
here seem to be noticing the UFO and I

909
00:46:57,569 --> 00:46:54,849
love these animal reaction cases and I

910
00:47:01,259 --> 00:46:57,579
said you know I've dealt with a lot of

911
00:47:04,709 --> 00:47:01,269
cases where dogs seem to have noticed

912
00:47:07,410 --> 00:47:04,719
something along with the owners but the

913
00:47:10,410 --> 00:47:07,420

dogs you should usually see or sense

914

00:47:13,919 --> 00:47:10,420

something first they'll start whining or

915

00:47:16,759 --> 00:47:13,929

barking won't want to go outside

916

00:47:20,009 --> 00:47:16,769

there was a great case where this dog

917

00:47:22,079 --> 00:47:20,019

very very agitated so the owners trying

918

00:47:24,599 --> 00:47:22,089

to push him out the back door and he

919

00:47:26,759 --> 00:47:24,609

used to love to go out but he pushes him

920

00:47:29,880 --> 00:47:26,769

out the back door and the dog curls up

921

00:47:33,179 --> 00:47:29,890

in the ball and is terrified and the

922

00:47:36,499 --> 00:47:33,189

owner suddenly realizes the entire sky

923

00:47:40,829 --> 00:47:36,509

is blacked out from a giant triangle and

924

00:47:42,890 --> 00:47:40,839

so the dog sensed something and so what

925

00:47:46,620 --> 00:47:42,900

I did in this article is gathered

926

00:47:50,009 --> 00:47:46,630

several of those cases and it made me

927

00:47:54,599 --> 00:47:50,019

think we know dogs have superior hearing

928

00:47:59,009 --> 00:47:54,609

especially in the high range maybe part

929

00:48:01,650 --> 00:47:59,019

of our UFO hunting equipment should be

930

00:48:04,439 --> 00:48:01,660

audio equipment that can hear in the

931

00:48:06,839 --> 00:48:04,449

ranges that a dog can hear that's right

932

00:48:10,650 --> 00:48:06,849

well we you know we I forget what the

933

00:48:12,689 --> 00:48:10,660

percentage is but we we can only see so

934

00:48:14,489 --> 00:48:12,699

much around us that we can only hear so

935

00:48:16,650 --> 00:48:14,499

much around us and this can be a lot of

936

00:48:20,939 --> 00:48:16,660

things going on that we there are out of

937

00:48:24,419 --> 00:48:20,949

our ranges so you know especially when

938

00:48:26,579 --> 00:48:24,429

it comes to a vision you know in a night

939

00:48:28,650 --> 00:48:26,589

you know night vision - you know all

940

00:48:32,189 --> 00:48:28,660

that but there's still a lot of waves

941

00:48:36,239 --> 00:48:32,199

where we can't detect us through our

942

00:48:39,359 --> 00:48:36,249

eyes and other senses so and you know

943

00:48:40,679 --> 00:48:39,369

you talk about of the sink coming out of

944

00:48:43,229 --> 00:48:40,689

the ground and going back into the

945

00:48:45,719 --> 00:48:43,239

ground and all that and and the

946

00:48:48,140 --> 00:48:45,729

vibration and all that and it starts to

947

00:48:51,479 --> 00:48:48,150

make me wonder about what some people

948

00:48:54,390 --> 00:48:51,489

think could be another dimension type of

949

00:48:59,780 --> 00:48:54,400

thing has anyone ever talked about that

950

00:49:02,630 --> 00:48:59,790

or is that too too far out um

951
00:49:05,210 --> 00:49:02,640
I'm open to the possibilities obviously

952
00:49:08,590 --> 00:49:05,220
I have no proof of that but from the

953
00:49:12,170 --> 00:49:08,600
things people have been describing

954
00:49:14,960 --> 00:49:12,180
another dimension would certainly help

955
00:49:19,280 --> 00:49:14,970
to explain these things objects suddenly

956
00:49:23,600 --> 00:49:19,290
appearing several cases where it seemed

957
00:49:25,670 --> 00:49:23,610
as though the craft went into a slit

958
00:49:32,810 --> 00:49:25,680
people will describe like a slit in the

959
00:49:36,280 --> 00:49:32,820
sky or would shrink to a point um things

960
00:49:40,010 --> 00:49:36,290
that you know iron our modern physics

961
00:49:42,140 --> 00:49:40,020
our everyday physics let's say would

962
00:49:44,900 --> 00:49:42,150
have a hard time explaining for sure

963
00:49:47,870 --> 00:49:44,910

right yeah absolutely

964

00:49:51,410 --> 00:49:47,880

now you talked about lights in the sky

965

00:49:53,440 --> 00:49:51,420

is that would you say that's I know

966

00:49:57,230 --> 00:49:53,450

that's a majority of a lot of sightings

967

00:49:59,180 --> 00:49:57,240

is that what you would say also happens

968

00:50:03,610 --> 00:49:59,190

in New York is mostly lights and then

969

00:50:10,130 --> 00:50:08,120

was surprised I thought the bulk of what

970

00:50:14,030 --> 00:50:10,140

people would tell me would be lights in

971

00:50:19,340 --> 00:50:14,040

the sky and it's actually not a really

972

00:50:23,060 --> 00:50:19,350

big percentage I was stunned how many

973

00:50:29,510 --> 00:50:23,070

people had sightings within one or two

974

00:50:32,380 --> 00:50:29,520

hundred feet prolonged sightings missing

975

00:50:37,550 --> 00:50:32,390

time if you want to get into that uh

976
00:50:40,220 --> 00:50:37,560
very very close encounters um seeing

977
00:50:42,110 --> 00:50:40,230
things hovering over their car looking

978
00:50:44,570 --> 00:50:42,120
through you know seeing the light coming

979
00:50:46,910 --> 00:50:44,580
out of the windows of these craft and

980
00:50:50,570 --> 00:50:46,920
picking out details they were so close

981
00:50:52,910 --> 00:50:50,580
and I can't say this happens everywhere

982
00:50:56,690 --> 00:50:52,920
in the world but the Hudson Valley it's

983
00:51:00,320 --> 00:50:56,700
very up close and personal in a I would

984
00:51:02,270 --> 00:51:00,330
say even a majority of the cases of

985
00:51:05,960 --> 00:51:02,280
course there's the all I saw something

986
00:51:09,290 --> 00:51:05,970
flying by but that was the thing about

987
00:51:12,890 --> 00:51:09,300
the wave in the 1980s when the massive

988
00:51:13,609 --> 00:51:12,900

triangular craft were coming by they

989

00:51:16,430 --> 00:51:13,619

were at

990

00:51:20,239 --> 00:51:16,440

three top-level which I heard time and

991

00:51:22,370 --> 00:51:20,249

time again I had people tell me they

992

00:51:24,019 --> 00:51:22,380

could hit it with a baseball if they had

993

00:51:25,940 --> 00:51:24,029

a rock they could have hit it they could

994

00:51:31,130 --> 00:51:25,950

have hit it with a tennis ball in other

995

00:51:33,529 --> 00:51:31,140

words it was so close um that it could

996

00:51:39,710 --> 00:51:33,539

not be mistaken for anything else Wow

997

00:51:42,410 --> 00:51:39,720

amazing yeah how do you think the

998

00:51:44,420 --> 00:51:42,420

average person do you think the average

999

00:51:48,380 --> 00:51:44,430

person just gets over something like

1000

00:51:53,299 --> 00:51:48,390

that or do you think they carry it with

1001
00:51:55,819 --> 00:51:53,309
them no yeah no getting over it is not

1002
00:51:58,099 --> 00:51:55,829
something when it's an intense sighting

1003
00:52:02,779 --> 00:51:58,109
that is not something that that happens

1004
00:52:07,670 --> 00:52:02,789
in fact part of my fascination was I

1005
00:52:10,190 --> 00:52:07,680
wanted to see 20 30 years later how did

1006
00:52:12,589 --> 00:52:10,200
these people who had these intense

1007
00:52:16,400 --> 00:52:12,599
sightings handle it how did it change

1008
00:52:20,349 --> 00:52:16,410
their lives and for the most part these

1009
00:52:22,700 --> 00:52:20,359
were life-altering experiences and uh

1010
00:52:25,700 --> 00:52:22,710
you know they're grown-up and have

1011
00:52:28,069 --> 00:52:25,710
children now or or senior citizens and

1012
00:52:31,069 --> 00:52:28,079
you know decades on from their

1013
00:52:32,900 --> 00:52:31,079

experience and I'll tell you I wish I

1014

00:52:36,609 --> 00:52:32,910

had a dollar for every time someone said

1015

00:52:39,920 --> 00:52:36,619

I remember it like it was yesterday and

1016

00:52:42,789 --> 00:52:39,930

many people said it opened them up to

1017

00:52:46,759 --> 00:52:42,799

new possibilities they became more

1018

00:52:50,180 --> 00:52:46,769

spiritual more tolerant but there is a

1019

00:52:53,720 --> 00:52:50,190

significant percentage of people who are

1020

00:52:56,210 --> 00:52:53,730

still living in fear one woman in

1021

00:52:58,190 --> 00:52:56,220

particular said she is still terrified

1022

00:53:00,170 --> 00:52:58,200

to bring the garbage out at night she

1023

00:53:04,339 --> 00:53:00,180

won't do it unless someone turns on the

1024

00:53:08,930 --> 00:53:04,349

light and goes out with her so I I don't

1025

00:53:09,979 --> 00:53:08,940

want to diminish the impact trivialize

1026
00:53:14,140 --> 00:53:09,989
this at all

1027
00:53:16,759 --> 00:53:14,150
this can be extremely traumatic and

1028
00:53:17,359 --> 00:53:16,769
terrified people for the rest of their

1029
00:53:20,900 --> 00:53:17,369
lives

1030
00:53:23,989 --> 00:53:20,910
as well yes I'm on my my sighting I had

1031
00:53:26,180 --> 00:53:23,999
there was never I never felt threatened

1032
00:53:27,380 --> 00:53:26,190
but I could understand how someone could

1033
00:53:28,759 --> 00:53:27,390
feel

1034
00:53:30,620 --> 00:53:28,769
especially when you're talking about

1035
00:53:33,549 --> 00:53:30,630
these cases with Hertz like right over

1036
00:53:36,019 --> 00:53:33,559
you know right over the car or whatever

1037
00:53:38,839 --> 00:53:36,029
boy I'll tell you that would be scary

1038
00:53:41,559 --> 00:53:38,849

when you just felt like it had no way

1039

00:53:44,960 --> 00:53:41,569

out so let's talk about you mentioned

1040

00:53:51,410 --> 00:53:44,970

missing time cases can you talk about

1041

00:53:55,490 --> 00:53:51,420

some of those uh yes just and I will

1042

00:54:00,650 --> 00:53:55,500

segue into my own okay well at the end

1043

00:54:03,349 --> 00:54:00,660

of that but yeah people who are driving

1044

00:54:07,400 --> 00:54:03,359

to a destination there's one woman she

1045

00:54:10,519 --> 00:54:07,410

was you know an older woman very active

1046

00:54:13,460 --> 00:54:10,529

in the community and was very strict

1047

00:54:16,299 --> 00:54:13,470

about her punctuality and she was on her

1048

00:54:19,099 --> 00:54:16,309

way to I think it was a Ladies Auxiliary

1049

00:54:23,589 --> 00:54:19,109

meeting in town I believe this was

1050

00:54:27,769 --> 00:54:23,599

Carmel area and she saw this craft

1051
00:54:29,839 --> 00:54:27,779
absolutely fascinated came very low she

1052
00:54:32,779 --> 00:54:29,849
thought this was a one or two minute

1053
00:54:35,029 --> 00:54:32,789
sighting gets to the meeting and

1054
00:54:37,400 --> 00:54:35,039
everybody's like are you alright she's

1055
00:54:39,380 --> 00:54:37,410
like what are you talking about well we

1056
00:54:43,370 --> 00:54:39,390
started 45 minutes ago

1057
00:54:50,359 --> 00:54:43,380
she's like no that's that's just not

1058
00:54:52,279 --> 00:54:50,369
possible and other cases where you're

1059
00:54:55,220 --> 00:54:52,289
just going about your business and you

1060
00:54:58,339 --> 00:54:55,230
realize it's an hour later and you don't

1061
00:55:01,269 --> 00:54:58,349
know anything of what happened but for

1062
00:55:04,099 --> 00:55:01,279
the most part the missing time is people

1063
00:55:08,299 --> 00:55:04,109

seeing something seeing something very

1064

00:55:13,059 --> 00:55:08,309

close thinking the activity the sighting

1065

00:55:16,609 --> 00:55:13,069

was brief or a minute or two and losing

1066

00:55:20,180 --> 00:55:16,619

sometimes hours of time I've had many

1067

00:55:22,400 --> 00:55:20,190

people say the next thing they know they

1068

00:55:25,370 --> 00:55:22,410

wake up it's morning and they're in

1069

00:55:29,509 --> 00:55:25,380

their driveway and they have no idea how

1070

00:55:32,809 --> 00:55:29,519

they got got there and in addition to

1071

00:55:35,809 --> 00:55:32,819

that they may lose that they have no

1072

00:55:39,380 --> 00:55:35,819

idea of what happened and maybe in a

1073

00:55:40,470 --> 00:55:39,390

year maybe ten years maybe it'll all

1074

00:55:42,390 --> 00:55:40,480

come back to them

1075

00:55:44,820 --> 00:55:42,400

was a fascinating case from the early

1076
00:55:48,720 --> 00:55:44,830
60s a family was driving home from the

1077
00:55:51,180 --> 00:55:48,730
movies and a massive craft stopped in

1078
00:55:53,609 --> 00:55:51,190
the road in front of them I love this

1079
00:55:56,550 --> 00:55:53,619
description the little girl went down on

1080
00:55:59,220 --> 00:55:56,560
the the back floor she was so scared and

1081
00:56:03,030 --> 00:55:59,230
she said there was this strange energy

1082
00:56:06,630 --> 00:56:03,040
and she watched the carpet fibers rise

1083
00:56:08,130 --> 00:56:06,640
up all the carpet fibers rose up as if

1084
00:56:11,520 --> 00:56:08,140
there was some sort of static

1085
00:56:15,570 --> 00:56:11,530
electricity and the whole yeah I I get

1086
00:56:17,609 --> 00:56:15,580
goosebumps just thinking of that and the

1087
00:56:19,650 --> 00:56:17,619
next thing they know they're getting

1088
00:56:21,150 --> 00:56:19,660

home and the grandmothers like what took

1089

00:56:23,900 --> 00:56:21,160

you so long and they're like what do you

1090

00:56:27,180 --> 00:56:23,910

mean they all forgot about it

1091

00:56:30,240 --> 00:56:27,190

20 years later they're all sitting down

1092

00:56:33,180 --> 00:56:30,250

to Thanksgiving dinner and suddenly one

1093

00:56:35,250 --> 00:56:33,190

of them says remember what we saw when

1094

00:56:38,070 --> 00:56:35,260

we were coming back from the movies that

1095

00:56:40,590 --> 00:56:38,080

night and just like that all of the

1096

00:56:44,670 --> 00:56:40,600

family remember members remembered at

1097

00:56:48,900 --> 00:56:44,680

once it was like a switch went off and I

1098

00:56:50,880 --> 00:56:48,910

find this time and again um a woman I

1099

00:56:53,010 --> 00:56:50,890

just interviewed she couldn't remember

1100

00:56:55,890 --> 00:56:53,020

anything she was camping one night and

1101
00:56:58,290 --> 00:56:55,900
she thought these little woodland

1102
00:57:01,830 --> 00:56:58,300
creatures deer or something were coming

1103
00:57:04,980 --> 00:57:01,840
near to her and she realized they were

1104
00:57:09,030 --> 00:57:04,990
short people with very large eyes and

1105
00:57:11,790 --> 00:57:09,040
her girlfriend saw the same thing and it

1106
00:57:14,840 --> 00:57:11,800
wasn't until two years later that they

1107
00:57:17,670 --> 00:57:14,850
both remembered at the same time and

1108
00:57:22,020 --> 00:57:17,680
it's like there's a time delay some sort

1109
00:57:24,990 --> 00:57:22,030
of fuse on these experiences that maybe

1110
00:57:28,170 --> 00:57:25,000
it's gone forever but maybe years from

1111
00:57:31,380 --> 00:57:28,180
now you'll spontaneously recall all of

1112
00:57:34,910 --> 00:57:31,390
all the details interesting yes I've

1113
00:57:38,690 --> 00:57:34,920

heard of a number of cases where people

1114

00:57:41,400 --> 00:57:38,700

will either have a sighting and

1115

00:57:43,500 --> 00:57:41,410

be together with a bunch of people and

1116

00:57:45,030 --> 00:57:43,510

they don't even talk about it and then

1117

00:57:46,950 --> 00:57:45,040

they'll talk about it in like years

1118

00:57:48,690 --> 00:57:46,960

later you know they won't talk about the

1119

00:57:52,320 --> 00:57:48,700

next day or anything like that but years

1120

00:57:53,820 --> 00:57:52,330

later it'll it'll come back as a memory

1121

00:57:56,460 --> 00:57:53,830

many many times

1122

00:58:00,480 --> 00:57:56,470

and you know maybe that is let's say

1123

00:58:04,170 --> 00:58:00,490

that somehow there is an abduction or

1124

00:58:09,330 --> 00:58:04,180

something and they're blocking out the

1125

00:58:11,430 --> 00:58:09,340

time also the memories perhaps maybe it

1126

00:58:13,200 --> 00:58:11,440

only lasts for so long or you know I

1127

00:58:17,580 --> 00:58:13,210

mean I guess that's what regression

1128

00:58:20,510 --> 00:58:17,590

hypnosis can sometimes pull that up if

1129

00:58:22,980 --> 00:58:20,520

if that's what it is but let's hear a

1130

00:58:24,240 --> 00:58:22,990

gun yeah

1131

00:58:28,770 --> 00:58:24,250

no no I was going to say I want to hear

1132

00:58:32,100 --> 00:58:28,780

about your own situation oh okay

1133

00:58:37,170 --> 00:58:32,110

um I had written in the first book about

1134

00:58:41,490 --> 00:58:37,180

a sighting I had very briefly three

1135

00:58:45,390 --> 00:58:41,500

lights were moving over my neighborhood

1136

00:58:48,890 --> 00:58:45,400

and we jumped in the car and I thought

1137

00:58:53,760 --> 00:58:48,900

we followed it up to this State Park

1138

00:58:55,890 --> 00:58:53,770

Harriman State Park and we watched it

1139

00:58:59,250 --> 00:58:55,900

and it was fascinating these three

1140

00:59:02,240 --> 00:58:59,260

lights came together in a burst of

1141

00:59:05,280 --> 00:59:02,250

bright light and as one glowing object

1142

00:59:08,580 --> 00:59:05,290

lowered to the top of this mountain at

1143

00:59:10,440 --> 00:59:08,590

this point a state trooper pulls up and

1144

00:59:12,210 --> 00:59:10,450

he's like you know I had run out of the

1145

00:59:13,980 --> 00:59:12,220

door in my bathrobe so I'm in the

1146

00:59:15,660 --> 00:59:13,990

bathroom with you know a couple of

1147

00:59:18,150 --> 00:59:15,670

people in the middle of a state park at

1148

00:59:20,880 --> 00:59:18,160

night um so I didn't want to sound

1149

00:59:24,620 --> 00:59:20,890

completely crazy but I said just turn

1150

00:59:27,420 --> 00:59:24,630

around and look and he saw this glowing

1151
00:59:28,890 --> 00:59:27,430
object on the top of the mat he said get

1152
00:59:33,210 --> 00:59:28,900
out of here now

1153
00:59:36,810 --> 00:59:33,220
and we did and in fact he blew by us he

1154
00:59:39,450 --> 00:59:36,820
was so terrified with this yep um though

1155
00:59:43,020 --> 00:59:39,460
I've been telling this story I thought I

1156
00:59:45,420 --> 00:59:43,030
knew every minute of that night because

1157
00:59:46,770 --> 00:59:45,430
it was the most remarkable thing I've

1158
00:59:51,930 --> 00:59:46,780
seen in my entire life

1159
00:59:54,810 --> 00:59:51,940
no no question about it and um last

1160
00:59:57,150 --> 00:59:54,820
think October I said you know I used to

1161
01:00:00,390 --> 00:59:57,160
keep a diary let me see this was in the

1162
01:00:03,630 --> 01:00:00,400
late 70s early 80s and I said I you know

1163
01:00:05,700 --> 01:00:03,640

Here I am being a UFO historian and I

1164

01:00:07,749 --> 01:00:05,710

don't know the date of my own sighting

1165

01:00:10,120 --> 01:00:07,759

so one day I just sat the

1166

01:00:13,120 --> 01:00:10,130

are going through page after page which

1167

01:00:16,839 --> 01:00:13,130

is very weird going through your life 35

1168

01:00:21,039 --> 01:00:16,849

years ago and I come across the date

1169

01:00:23,859 --> 01:00:21,049

December 9 1979 and I'm reading my own

1170

01:00:27,099 --> 01:00:23,869

handwriting and it talks about how we

1171

01:00:30,609 --> 01:00:27,109

jumped in the car and went to this

1172

01:00:33,639 --> 01:00:30,619

reservoir and I stood there for an hour

1173

01:00:35,609 --> 01:00:33,649

with a pair of binoculars looking at

1174

01:00:39,069 --> 01:00:35,619

this craft zipping in one direction

1175

01:00:42,459 --> 01:00:39,079

stopping going back and forth and we

1176

01:00:44,769 --> 01:00:42,469

watched this for an hour and it was like

1177

01:00:48,579 --> 01:00:44,779

reading the handwriting of a stranger

1178

01:00:50,979 --> 01:00:48,589

because I was like no that I never went

1179

01:00:54,489 --> 01:00:50,989

to the reservoir that night that didn't

1180

01:00:56,919 --> 01:00:54,499

why did I write this so I was with my

1181

01:00:59,559 --> 01:00:56,929

ex-boyfriend that night so I called him

1182

01:01:02,019 --> 01:00:59,569

up I said do you remember that night oh

1183

01:01:04,029 --> 01:01:02,029

yeah vividly and I said did we go to

1184

01:01:07,599 --> 01:01:04,039

this reservoir he said you know I

1185

01:01:09,669 --> 01:01:07,609

remember going to the reservoir but I

1186

01:01:12,969 --> 01:01:09,679

have no recollection of what happened

1187

01:01:17,259 --> 01:01:12,979

after that I'm like oh no don't don't

1188

01:01:20,620 --> 01:01:17,269

tell me that yet one of our group does

1189

01:01:23,469 --> 01:01:20,630

remember some of that night then the

1190

01:01:26,889 --> 01:01:23,479

next night we apparently went back to

1191

01:01:29,259 --> 01:01:26,899

this state park watched I said saw more

1192

01:01:31,839 --> 01:01:29,269

of the strange things I knew they would

1193

01:01:33,819 --> 01:01:31,849

be there I'm like how did I know they

1194

01:01:38,589 --> 01:01:33,829

would be there I wrote all this stuff

1195

01:01:41,799 --> 01:01:38,599

and then promptly forgot it and it had I

1196

01:01:44,439 --> 01:01:41,809

not written that down I wouldn't have

1197

01:01:47,319 --> 01:01:44,449

known that happened and I have tried and

1198

01:01:51,249 --> 01:01:47,329

tried you know let me relax and bring

1199

01:01:53,769 --> 01:01:51,259

myself back to that time you're you're

1200

01:01:56,019 --> 01:01:53,779

into a part appraisal you can imagine a

1201

01:01:58,829 --> 01:01:56,029

large painting with the center cut out

1202

01:02:01,449 --> 01:01:58,839

of it and that's what it feels like

1203

01:02:04,269 --> 01:02:01,459

something cut out the center of my

1204

01:02:07,719 --> 01:02:04,279

memory I was able to write it that night

1205

01:02:11,199 --> 01:02:07,729

so it wasn't exactly missing time but

1206

01:02:14,769 --> 01:02:11,209

I'm calling it a race time within 24

1207

01:02:16,719 --> 01:02:14,779

hours I have no recollection of it I

1208

01:02:20,319 --> 01:02:16,729

don't know what happened during that

1209

01:02:21,710 --> 01:02:20,329

time period and it bothers it it

1210

01:02:26,810 --> 01:02:21,720

genuinely

1211

01:02:29,060 --> 01:02:26,820

me because otherwise I've had no problem

1212

01:02:31,550 --> 01:02:29,070

with my memory I'm very proud of my

1213

01:02:34,970 --> 01:02:31,560

family when I'm giving lectures and

1214

01:02:37,220 --> 01:02:34,980

things so this is a big deal for me and

1215

01:02:39,670 --> 01:02:37,230

I still haven't come to grips with have

1216

01:02:45,710 --> 01:02:39,680

you thought about trying regression

1217

01:02:49,550 --> 01:02:45,720

hypnotherapy I would if I could find

1218

01:02:52,700 --> 01:02:49,560

someone who came highly recommended I

1219

01:02:55,220 --> 01:02:52,710

don't personally know of somebody like

1220

01:02:57,770 --> 01:02:55,230

that if you do or if anybody does I'm

1221

01:02:59,750 --> 01:02:57,780

I'm interested in here yeah well we'll

1222

01:03:04,070 --> 01:02:59,760

talk we'll talk off here I have someone

1223

01:03:07,040 --> 01:03:04,080

up to connect okay with you know calm

1224

01:03:08,660 --> 01:03:07,050

because you know I understand how you

1225

01:03:11,599 --> 01:03:08,670

have to be really really cautious

1226

01:03:14,030 --> 01:03:11,609

because of some people possibly could

1227

01:03:18,260 --> 01:03:14,040

lead you you know in some way or another

1228

01:03:20,960 --> 01:03:18,270

and yeah it's very sensitive so captain

1229

01:03:26,990 --> 01:03:20,970

right I would need somebody who has

1230

01:03:28,550 --> 01:03:27,000

worked on these cases before and you

1231

01:03:30,380 --> 01:03:28,560

know a lot of people are saying oh you

1232

01:03:36,620 --> 01:03:30,390

don't want to know yeah I do

1233

01:03:38,930 --> 01:03:36,630

I absolutely do I'm that type of person

1234

01:03:42,890 --> 01:03:38,940

that if something was messing with my

1235

01:03:45,050 --> 01:03:42,900

mind I want to know about it so that

1236

01:03:48,200 --> 01:03:45,060

that's really something you saw it at a

1237

01:03:52,010 --> 01:03:48,210

distance most likely and you still could

1238

01:03:53,990 --> 01:03:52,020

have been affected in this way and that

1239

01:03:56,450 --> 01:03:54,000

is also something I've heard other

1240

01:03:59,030 --> 01:03:56,460

people say as well which is really

1241

01:04:01,700 --> 01:03:59,040

bizarre I mean like how can they focus

1242

01:04:02,150 --> 01:04:01,710

on you on the ground when they're over

1243

01:04:04,070 --> 01:04:02,160

there

1244

01:04:06,050 --> 01:04:04,080

you know that type of thing but it seems

1245

01:04:08,359 --> 01:04:06,060

like other people have said the same

1246

01:04:12,050 --> 01:04:08,369

thing mm-hmm

1247

01:04:15,400 --> 01:04:12,060

and and I I was also stunned when I

1248

01:04:19,160 --> 01:04:15,410

wrote I knew they would go to Harriman

1249

01:04:21,530 --> 01:04:19,170

how did I know that you know I mean I

1250

01:04:23,599 --> 01:04:21,540

was adamant I knew they would go so

1251

01:04:27,260 --> 01:04:23,609

that's why we left the reservoir and

1252

01:04:29,750 --> 01:04:27,270

then drove up to Harriman to the exact

1253

01:04:34,210 --> 01:04:29,760

spot where those lights came together

1254

01:04:37,030 --> 01:04:34,220

yeah that's bizarre you know so

1255

01:04:39,520 --> 01:04:37,040

they were in my head somehow I have no

1256

01:04:40,300 --> 01:04:39,530

idea did you ever speak but I want that

1257

01:04:42,940 --> 01:04:40,310

pardon me

1258

01:04:46,510 --> 01:04:42,950

yes I do ever speak to the officer that

1259

01:04:50,170 --> 01:04:46,520

raced away after that I don't know who

1260

01:04:53,800 --> 01:04:50,180

he was I don't but if he's out there

1261

01:04:56,170 --> 01:04:53,810

listening I did speak to someone who was

1262

01:04:58,570 --> 01:04:56,180

a caretaker at the State Park lived on

1263

01:05:01,930 --> 01:04:58,580

the grounds of the park it's an enormous

1264

01:05:04,900 --> 01:05:01,940

park but he said there were things

1265

01:05:09,760 --> 01:05:04,910

flying around all the time in that area

1266

01:05:11,830 --> 01:05:09,770

and it's interesting that I was hooked

1267

01:05:14,680 --> 01:05:11,840

on UFO books when I was a kid Frank

1268

01:05:18,370 --> 01:05:14,690

Edwards books flying saucer serious

1269

01:05:21,490 --> 01:05:18,380

business he had published a photo of

1270

01:05:24,070 --> 01:05:21,500

this man Vincent Poorna in the early 60s

1271

01:05:27,220 --> 01:05:24,080

who was fishing at the lake nearby and

1272

01:05:31,960 --> 01:05:27,230

had taken a picture of this coppery disc

1273

01:05:34,930 --> 01:05:31,970

and I saw this photo when I was a kid

1274

01:05:37,450 --> 01:05:34,940

and I'm like wait a minute this is where

1275

01:05:40,839 --> 01:05:37,460

my family goes on Saturdays and Sunday

1276

01:05:43,960 --> 01:05:40,849

this is suddenly in my backyard so to

1277

01:05:47,349 --> 01:05:43,970

speaking this isn't you know out in Arizona

1278

01:05:50,079 --> 01:05:47,359

down in Brazil this was local so that

1279

01:05:55,329 --> 01:05:50,089

really made an impression on me as a kid

1280

01:05:57,760 --> 01:05:55,339

that um you know these UFOs were were

1281

01:05:59,980 --> 01:05:57,770

everywhere right right now I know the

1282

01:06:02,470 --> 01:05:59,990

Hudson Valley was formed I think it was

1283

01:06:04,270 --> 01:06:02,480

formed like after the last ice age or

1284

01:06:11,050 --> 01:06:04,280

perhaps another one or something like

1285

01:06:17,940 --> 01:06:11,060

that but the geography of it can you

1286

01:06:21,880 --> 01:06:17,950

explain the type of area that it covers

1287

01:06:26,530 --> 01:06:21,890

sure the Hudson Valley basically goes

1288

01:06:29,620 --> 01:06:26,540

from New York City up some it gets very

1289

01:06:32,650 --> 01:06:29,630

deep many hundreds of feet of there are

1290

01:06:38,579 --> 01:06:32,660

Palisades coming up mountains through

1291

01:06:42,010 --> 01:06:38,589

its course up to the Albany area and the

1292

01:06:46,150 --> 01:06:42,020

geology is unique in this area there's a

1293

01:06:47,920 --> 01:06:46,160

lot of iron mines in fact a lot of the

1294

01:06:52,450 --> 01:06:47,930

activity and the wave of the

1295

01:06:56,400 --> 01:06:52,460

1980s was near a couple of minds that

1296

01:07:01,320 --> 01:06:56,410

were very high had very pure magnetite

1297

01:07:04,750 --> 01:07:01,330

so magnetised iron so that's one of the

1298

01:07:08,820 --> 01:07:04,760

theories that it's something about the

1299

01:07:11,830 --> 01:07:08,830

geology of this area that attracts them

1300

01:07:14,050 --> 01:07:11,840

in addition to the river itself which

1301

01:07:17,410 --> 01:07:14,060

has had a lot of activity in and out of

1302

01:07:22,170 --> 01:07:17,420

it and over it on many many lakes and

1303

01:07:24,460 --> 01:07:22,180

reservoirs um right water is prevalent

1304

01:07:27,610 --> 01:07:24,470

everywhere

1305

01:07:30,460 --> 01:07:27,620

and mountains and still as close as we

1306

01:07:33,820 --> 01:07:30,470

are to New York City an hour hour and a

1307

01:07:37,240 --> 01:07:33,830

half away and you're on farm country or

1308

01:07:43,570 --> 01:07:37,250

you can be in the woods we have the

1309

01:07:47,470 --> 01:07:43,580

Catskill Mountains so you can still find

1310

01:07:50,260 --> 01:07:47,480

very isolated locations interesting and

1311

01:07:53,740 --> 01:07:50,270

it's it's also interesting when you say

1312

01:07:57,310 --> 01:07:53,750

the the metal content there seems to be

1313

01:08:00,640 --> 01:07:57,320

a lot of weird anomalies and sightings

1314

01:08:04,090 --> 01:08:00,650

around round mountains with like brown

1315

01:08:06,730 --> 01:08:04,100

mountain high copper content also

1316

01:08:09,340 --> 01:08:06,740

there's a few other places where and

1317

01:08:13,000 --> 01:08:09,350

that seems like it would be explainable

1318

01:08:15,610 --> 01:08:13,010

for like natural phenomena but not for

1319

01:08:21,610 --> 01:08:15,620

when people are seeing actual physical

1320

01:08:25,080 --> 01:08:21,620

craft you know speaking of that do you

1321

01:08:28,930 --> 01:08:25,090

think that there is a percentage of oh

1322

01:08:32,050 --> 01:08:28,940

say black projects or you know military

1323

01:08:33,850 --> 01:08:32,060

crap that people are actually seeing

1324

01:08:35,410 --> 01:08:33,860

that we don't know about I mean that's

1325

01:08:41,320 --> 01:08:35,420

another thing that comes up quite a bit

1326
01:08:46,360 --> 01:08:41,330
on the show yes I think a percentage of

1327
01:08:49,720 --> 01:08:46,370
that is most likely some people think

1328
01:08:53,980 --> 01:08:49,730
that all the massive triangles in the

1329
01:08:55,690 --> 01:08:53,990
1980s were these black projects but you

1330
01:08:58,030 --> 01:08:55,700
know triangles have been seen for

1331
01:09:00,030 --> 01:08:58,040
decades before and they are still being

1332
01:09:04,140 --> 01:09:00,040
seen and

1333
01:09:08,610 --> 01:09:04,150
um I do question the sanity of many many

1334
01:09:12,300 --> 01:09:08,620
any military organization who would have

1335
01:09:17,070 --> 01:09:12,310
one of their secret test craft hovering

1336
01:09:19,559 --> 01:09:17,080
over a major highway all lit up and

1337
01:09:20,910 --> 01:09:19,569
people stopping their cars in the middle

1338
01:09:23,789 --> 01:09:20,920

of the highway and getting out and

1339

01:09:29,490 --> 01:09:23,799

thousands of people seeing your secret

1340

01:09:32,700 --> 01:09:29,500

craft every night you know that I

1341

01:09:37,110 --> 01:09:32,710

suppose that's possible but again these

1342

01:09:39,180 --> 01:09:37,120

things were seen far before that period

1343

01:09:41,280 --> 01:09:39,190

of time in fact not in the Hudson Valley

1344

01:09:45,150 --> 01:09:41,290

but just two days ago a man from

1345

01:09:47,640 --> 01:09:45,160

Tennessee contacted me he read some of

1346

01:09:50,460 --> 01:09:47,650

my books and he said I just wanted to

1347

01:09:52,500 --> 01:09:50,470

let you know that triangles are not

1348

01:09:55,620 --> 01:09:52,510

exclusive to the Hudson Valley he said

1349

01:09:58,710 --> 01:09:55,630

in 1963 he's at a party and everybody's

1350

01:10:03,390 --> 01:09:58,720

playing in the yard and a massive silent

1351
01:10:06,090 --> 01:10:03,400
triangle came slowly floating right over

1352
01:10:08,040 --> 01:10:06,100
everybody and he said all the parents

1353
01:10:11,820 --> 01:10:08,050
grabbed their kids and thought it was a

1354
01:10:15,270 --> 01:10:11,830
Russian you know craft and with me they

1355
01:10:21,090 --> 01:10:15,280
were all about to die but here he's you

1356
01:10:25,290 --> 01:10:21,100
know 1963 over Tennessee and David

1357
01:10:28,040 --> 01:10:25,300
Marla's book on triangular UFOs he's

1358
01:10:32,100 --> 01:10:28,050
found wonderful evidence going back

1359
01:10:36,960 --> 01:10:32,110
generations for these crafts so yes

1360
01:10:39,150 --> 01:10:36,970
absolutely there are black projects for

1361
01:10:42,210 --> 01:10:39,160
military craft and things we probably

1362
01:10:44,280 --> 01:10:42,220
can't conceive of but certainly that

1363
01:10:47,550 --> 01:10:44,290

doesn't explain everything in the Hudson

1364

01:10:51,690 --> 01:10:47,560

Valley and which makes those cases from

1365

01:10:54,870 --> 01:10:51,700

1908 to 1909 ten even more crucial

1366

01:10:58,800 --> 01:10:54,880

setting the precedents hey we had this

1367

01:11:01,830 --> 01:10:58,810

going on a hundred years before these

1368

01:11:04,500 --> 01:11:01,840

things were were happening I noticed in

1369

01:11:07,740 --> 01:11:04,510

your book that you had some sightings

1370

01:11:10,380 --> 01:11:07,750

from out of state listed here and what

1371

01:11:12,880 --> 01:11:10,390

what was the I think I saw the Illinois

1372

01:11:17,380 --> 01:11:12,890

was one of them

1373

01:11:20,980 --> 01:11:17,390

well as you said I love the older cases

1374

01:11:24,520 --> 01:11:20,990

yep and so I did go a little far afield

1375

01:11:27,840 --> 01:11:24,530

this time in some cases because they

1376

01:11:31,420 --> 01:11:27,850

were just they were so stunning

1377

01:11:34,030 --> 01:11:31,430

Illinois that one was was funny he was a

1378

01:11:36,670 --> 01:11:34,040

little boy and he saw this craft he

1379

01:11:39,900 --> 01:11:36,680

watched it for half an hour and when he

1380

01:11:43,210 --> 01:11:39,910

got home his mother gave him a spanking

1381

01:11:47,080 --> 01:11:43,220

because of telling this tall tale and

1382

01:11:49,810 --> 01:11:47,090

being gone so long and I mean how could

1383

01:11:53,590 --> 01:11:49,820

I resist somebody getting a spanking

1384

01:11:57,070 --> 01:11:53,600

from a UFO sighting and then there was

1385

01:11:59,350 --> 01:11:57,080

another case from the 1930s in

1386

01:12:02,290 --> 01:11:59,360

Massachusetts where a man saw he thought

1387

01:12:05,140 --> 01:12:02,300

it was a dirigible realized it wasn't

1388

01:12:07,800 --> 01:12:05,150

but could see figures behind these

1389

01:12:11,740 --> 01:12:07,810

lighted windows and he had the

1390

01:12:15,910 --> 01:12:11,750

overwhelming word urge to wave at them

1391

01:12:20,110 --> 01:12:15,920

he said they were like my friends and he

1392

01:12:22,180 --> 01:12:20,120

just felt so drawn to them and when the

1393

01:12:26,260 --> 01:12:22,190

craft moved into the clouds and moved

1394

01:12:33,640 --> 01:12:26,270

away he felt a sense of law and this is

1395

01:12:36,430 --> 01:12:33,650

in the 1930s so you know when people are

1396

01:12:40,210 --> 01:12:36,440

trying to say everything is post Roswell

1397

01:12:44,950 --> 01:12:40,220

or you know post Whitley streamers

1398

01:12:47,590 --> 01:12:44,960

communion book no that's why I have to

1399

01:12:52,000 --> 01:12:47,600

present those cases to say here we have

1400

01:12:53,110 --> 01:12:52,010

a precedence predating by decades these

1401

01:12:57,270 --> 01:12:53,120

other events

1402

01:13:01,480 --> 01:12:57,280

yeah I do too love the early ones and

1403

01:13:03,790 --> 01:13:01,490

but I want to you to touch on the

1404

01:13:09,810 --> 01:13:03,800

hoaxing pilots what what is that one

1405

01:13:13,150 --> 01:13:09,820

about the baning of a UFO researchers

1406

01:13:17,110 --> 01:13:13,160

existence in the Hudson Valley there

1407

01:13:19,150 --> 01:13:17,120

were a group of men who I would like to

1408

01:13:22,210 --> 01:13:19,160

call morons but I'm trying to be

1409

01:13:24,880 --> 01:13:22,220

politically correct who flew both

1410

01:13:26,420 --> 01:13:24,890

Cessnas and ultralight if you're

1411

01:13:29,810 --> 01:13:26,430

familiar with ultralights they're like

1412

01:13:32,840 --> 01:13:29,820

go karts with airplane with lawnmower

1413

01:13:35,960 --> 01:13:32,850

engines and they thought it would be

1414

01:13:40,970 --> 01:13:35,970

very funny to fly in formation at night

1415

01:13:44,000 --> 01:13:40,980

um have coordinated lights lighting

1416

01:13:47,110 --> 01:13:44,010

systems turn their lights completely off

1417

01:13:50,330 --> 01:13:47,120

to make it look like the UFO disappeared

1418

01:13:53,180 --> 01:13:50,340

which of course is completely illegal to

1419

01:13:56,120 --> 01:13:53,190

turn your lights off on an aircraft and

1420

01:13:58,370 --> 01:13:56,130

they did this for several years and got

1421

01:14:01,760 --> 01:13:58,380

such a kick out of it

1422

01:14:04,910 --> 01:14:01,770

but none of them would go on the record

1423

01:14:07,040 --> 01:14:04,920

and give their names I have two of their

1424

01:14:09,770 --> 01:14:07,050

names right now unfortunately they're

1425

01:14:12,680 --> 01:14:09,780

both deceased but I'm trying to get

1426

01:14:14,630 --> 01:14:12,690

someone to have the guts to come forward

1427

01:14:18,320 --> 01:14:14,640

and say yes it was me

1428

01:14:21,590 --> 01:14:18,330

show me your your logbook what nights

1429

01:14:24,350 --> 01:14:21,600

did you fly how far did you fly because

1430

01:14:28,280 --> 01:14:24,360

a lot of the activity during that time

1431

01:14:30,320 --> 01:14:28,290

was also happening in Connecticut in

1432

01:14:32,330 --> 01:14:30,330

western Connecticut so we'd have it in

1433

01:14:34,400 --> 01:14:32,340

the Hudson Valley and either before or

1434

01:14:38,480 --> 01:14:34,410

after it would be seen in can--it's so

1435

01:14:42,290 --> 01:14:38,490

quite a far range and this went on for

1436

01:14:46,070 --> 01:14:42,300

many years and I want I want to know

1437

01:14:48,890 --> 01:14:46,080

what dates they flew and for the most if

1438

01:14:49,400 --> 01:14:48,900

they did fool people there's no question

1439

01:14:53,360 --> 01:14:49,410

about it

1440

01:14:56,000 --> 01:14:53,370

but for the most part people said I saw

1441

01:14:59,090 --> 01:14:56,010

the silent triangular craft hovering at

1442

01:15:01,910 --> 01:14:59,100

treetop level and I saw those idiots and

1443

01:15:04,790 --> 01:15:01,920

their Cessnas or their ultra lights they

1444

01:15:08,870 --> 01:15:04,800

were making noise they couldn't hold you

1445

01:15:12,230 --> 01:15:08,880

know a set pattern and you know to them

1446

01:15:15,590 --> 01:15:12,240

there was no question when they saw the

1447

01:15:19,930 --> 01:15:15,600

Polka Singh pilots and when they saw the

1448

01:15:22,250 --> 01:15:19,940

actual silent craft so there's a lot of

1449

01:15:26,780 --> 01:15:22,260

conspiracy theories that they were paid

1450

01:15:31,100 --> 01:15:26,790

to do this for disinformation why they

1451
01:15:34,730 --> 01:15:31,110
were never arrested or no one was ever

1452
01:15:38,540 --> 01:15:34,740
brought up on charges and people people

1453
01:15:39,859 --> 01:15:38,550
had accidents um you know they terrified

1454
01:15:42,050 --> 01:15:39,869
people

1455
01:15:44,390 --> 01:15:42,060
and it finally came to the end when they

1456
01:15:46,760 --> 01:15:44,400
started getting threatening phone calls

1457
01:15:48,890 --> 01:15:46,770
as people found out they'd stake out the

1458
01:15:50,450 --> 01:15:48,900
airport this was happening at the small

1459
01:15:52,879 --> 01:15:50,460
Stormville Airport

1460
01:15:55,810 --> 01:15:52,889
they'd stake it out and get their their

1461
01:15:58,700 --> 01:15:55,820
tail numbers and find out who they were

1462
01:16:00,800 --> 01:15:58,710
and then there was an article one day in

1463
01:16:03,830 --> 01:16:00,810

the paper that a pregnant woman drove

1464

01:16:08,660 --> 01:16:03,840

off the road and suddenly they realized

1465

01:16:10,609 --> 01:16:08,670

there could be liability issues and you

1466

01:16:12,919 --> 01:16:10,619

know nobody wanted to lose their flight

1467

01:16:17,750 --> 01:16:12,929

certification and it finally mercifully

1468

01:16:20,180 --> 01:16:17,760

came to an end but as late as last year

1469

01:16:23,030 --> 01:16:20,190

I was doing a conference in Danbury

1470

01:16:26,270 --> 01:16:23,040

Connecticut to try to bring witnesses

1471

01:16:29,720 --> 01:16:26,280

out and somebody posted on the newspaper

1472

01:16:33,850 --> 01:16:29,730

website oh sorry to burst everybody's

1473

01:16:37,060 --> 01:16:33,860

bubble but every sighting in the 1980s

1474

01:16:41,540 --> 01:16:37,070

was these you knows my dad and his

1475

01:16:45,680 --> 01:16:41,550

friends hoaxing uh you know hoaxing UFOs

1476

01:16:47,899 --> 01:16:45,690

and people believe that they buy that

1477

01:16:53,450 --> 01:16:47,909

and they'll just dismiss that entire

1478

01:16:56,240 --> 01:16:53,460

decade by these pilots so um you know

1479

01:16:59,510 --> 01:16:56,250

Dante's Inferno I like to think there's

1480

01:17:02,089 --> 01:16:59,520

a special place in hell for these for

1481

01:17:04,459 --> 01:17:02,099

these hoaxing pilots for muddying what

1482

01:17:07,520 --> 01:17:04,469

is one of the most spectacular wave of

1483

01:17:11,510 --> 01:17:07,530

sightings in all of history yeah yeah I

1484

01:17:15,979 --> 01:17:11,520

agree hoaxing in any way I remember uh

1485

01:17:18,229 --> 01:17:15,989

where I grew up in back in the 1970s

1486

01:17:19,939 --> 01:17:18,239

there were some hoaxes in going on there

1487

01:17:24,260 --> 01:17:19,949

was a wave first of all in New England

1488

01:17:26,720 --> 01:17:24,270

and so because of that you know people

1489

01:17:29,149 --> 01:17:26,730

were you know looking out on their lawns

1490

01:17:31,459 --> 01:17:29,159

and waiting and you know all this and so

1491

01:17:32,660 --> 01:17:31,469

these people did something with lights

1492

01:17:35,419 --> 01:17:32,670

and some gravel-pit

1493

01:17:38,000 --> 01:17:35,429

and I remember they got caught but you

1494

01:17:41,870 --> 01:17:38,010

know I never heard about hoaxing as much

1495

01:17:43,700 --> 01:17:41,880

back then as you seem to you know so

1496

01:17:45,820 --> 01:17:43,710

this was during the 80s that was during

1497

01:17:48,859 --> 01:17:45,830

the 70s so I guess it was happening but

1498

01:17:51,919 --> 01:17:48,869

but now it's all through video all the

1499

01:17:53,330 --> 01:17:51,929

video hoaxing through YouTube that's

1500

01:17:55,790 --> 01:17:53,340

where they do it I'll

1501

01:17:59,390 --> 01:17:55,800

I know people send me these and look at

1502

01:18:02,800 --> 01:17:59,400

this event and it's so obviously fake

1503

01:18:06,189 --> 01:18:02,810

and I don't what is the name of that's

1504

01:18:09,439 --> 01:18:06,199

something ten oh yeah secure team ten

1505

01:18:11,780 --> 01:18:09,449

the Cure team ten people will send me

1506

01:18:16,280 --> 01:18:11,790

the secure team ten I'm like yep don't

1507

01:18:21,320 --> 01:18:16,290

you know this is all fabricated so it's

1508

01:18:23,000 --> 01:18:21,330

unfortunate and again the ones who do

1509

01:18:26,570 --> 01:18:23,010

have something legitimate they

1510

01:18:28,280 --> 01:18:26,580

photographed or videotaped it's not

1511

01:18:30,260 --> 01:18:28,290

going to be looked at in the same way

1512

01:18:32,689 --> 01:18:30,270

it's immediately going to be considered

1513

01:18:35,540 --> 01:18:32,699

a hoax because it's so easy to do now

1514

01:18:39,020 --> 01:18:35,550

and I think it's I can only see that

1515

01:18:41,050 --> 01:18:39,030

getting worse you know as far as the

1516

01:18:47,089 --> 01:18:41,060

technology getting better to do that

1517

01:18:50,300 --> 01:18:47,099

mm-hmm you know what part of would you

1518

01:18:51,589 --> 01:18:50,310

say these days Chinese lanterns and

1519

01:18:54,470 --> 01:18:51,599

drones and things like that

1520

01:19:00,620 --> 01:18:54,480

what part of sightings do you think is

1521

01:19:03,770 --> 01:19:00,630

attributable to that um not so much the

1522

01:19:06,080 --> 01:19:03,780

Chinese lanterns sometimes on New Year's

1523

01:19:09,200 --> 01:19:06,090

and event you know when it's holidays

1524

01:19:11,120 --> 01:19:09,210

and I hear these glowing or you know

1525

01:19:14,120 --> 01:19:11,130

floating things I immediately think

1526

01:19:17,109 --> 01:19:14,130

Chinese lanterns but drones for sure

1527

01:19:20,390 --> 01:19:17,119

with daylight sightings in particular

1528

01:19:23,990 --> 01:19:20,400

I'm getting a lot of people sending

1529

01:19:26,030 --> 01:19:24,000

photographs and if you look you you know

1530

01:19:28,899 --> 01:19:26,040

you would you blow it up and enhance it

1531

01:19:33,379 --> 01:19:28,909

you can see the little quadcopter

1532

01:19:36,979 --> 01:19:33,389

propellers and things so yes that's

1533

01:19:41,950 --> 01:19:36,989

another monkey wrench in the in the

1534

01:19:44,209 --> 01:19:41,960

whole sighting thing drones are

1535

01:19:45,979 --> 01:19:44,219

everywhere in our skies and like you

1536

01:19:48,530 --> 01:19:45,989

said that is only going to get worse

1537

01:19:53,209 --> 01:19:48,540

yeah well yeah absolutely

1538

01:19:55,700 --> 01:19:53,219

so let's talk about some other you know

1539

01:20:00,669 --> 01:19:55,710

Hudson Valley of sightings that you

1540

01:20:05,000 --> 01:20:00,679

consider really noteworthy in your book

1541

01:20:07,280 --> 01:20:05,010

okay um there was one case someone

1542

01:20:10,690 --> 01:20:07,290

recently told me

1543

01:20:15,440 --> 01:20:10,700

I love the interaction type cases and

1544

01:20:18,920 --> 01:20:15,450

he's looking at a massive circular craft

1545

01:20:21,550 --> 01:20:18,930

it's ringed with multicolored lights and

1546

01:20:25,460 --> 01:20:21,560

he's looking and he said in particular

1547

01:20:28,460 --> 01:20:25,470

he thought he's thinking wow those blue

1548

01:20:31,810 --> 01:20:28,470

lights are really pretty and with that

1549

01:20:36,500 --> 01:20:31,820

the entire craft went blue all the

1550

01:20:38,240 --> 01:20:36,510

lights turned blue and he you know okay

1551

01:20:40,780 --> 01:20:38,250

that's a good one

1552

01:20:48,470 --> 01:20:40,790

you know when they when they actually

1553

01:20:50,660 --> 01:20:48,480

interact is is a fabulous case um the

1554

01:20:54,680 --> 01:20:50,670

one of the Connecticut sightings

1555

01:20:56,420 --> 01:20:54,690

I loved the description she said they

1556

01:20:59,810 --> 01:20:56,430

stopped the car because they saw

1557

01:21:01,970 --> 01:20:59,820

something and again so massive I can't

1558

01:21:04,610 --> 01:21:01,980

imagine this that it just filled the sky

1559

01:21:09,260 --> 01:21:04,620

she said the way she described it to me

1560

01:21:12,530 --> 01:21:09,270

the entire sky was metal and lights Wow

1561

01:21:17,690 --> 01:21:12,540

that that was it metal and lights and

1562

01:21:20,420 --> 01:21:17,700

and no sound one of my favorite

1563

01:21:23,810 --> 01:21:20,430

interviews for one of the past books

1564

01:21:26,500 --> 01:21:23,820

there were three teachers who were going

1565

01:21:29,690 --> 01:21:26,510

to graduate school in New York City and

1566

01:21:32,270 --> 01:21:29,700

coming back home driving on the Taconic

1567

01:21:35,360 --> 01:21:32,280

Parkway which figured in a lot of

1568

01:21:37,910 --> 01:21:35,370

sightings and they saw these cars pulled

1569

01:21:40,700 --> 01:21:37,920

off to the side of the road and this was

1570

01:21:43,280 --> 01:21:40,710

this was common in the 1980s people on

1571

01:21:47,480 --> 01:21:43,290

highways just stopping their cars and

1572

01:21:50,900 --> 01:21:47,490

getting out and she said that the three

1573

01:21:53,540 --> 01:21:50,910

lady said that there was again a massive

1574

01:21:57,710 --> 01:21:53,550

triangle brightly lit up treetop level

1575

01:22:00,320 --> 01:21:57,720

and they were standing directly under it

1576

01:22:04,880 --> 01:22:00,330

and they could describe it in great

1577

01:22:07,850 --> 01:22:04,890

detail and unexpected her to say they

1578

01:22:10,130 --> 01:22:07,860

saw it for 30 seconds maybe a minute I

1579

01:22:12,800 --> 01:22:10,140

mean a minute standing under something

1580

01:22:17,180 --> 01:22:12,810

like this would be life-altering they

1581

01:22:20,660 --> 01:22:17,190

stood there for 20 minutes and this

1582

01:22:22,959 --> 01:22:20,670

craft didn't move for 20 minutes

1583

01:22:26,510 --> 01:22:22,969

I don't know how you deal with something

1584

01:22:29,419 --> 01:22:26,520

like that the rest of your life and the

1585

01:22:32,479 --> 01:22:29,429

only way they finally left the one woman

1586

01:22:34,459 --> 01:22:32,489

she just started to get very agitated

1587

01:22:36,110 --> 01:22:34,469

she says I have to get out of here I

1588

01:22:40,790 --> 01:22:36,120

have to get out of here so they drove

1589

01:22:43,939 --> 01:22:40,800

off but who knows how much longer it was

1590

01:22:46,160 --> 01:22:43,949

hovering so when you know getting back

1591

01:22:48,740 --> 01:22:46,170

to those hoaxing pilots so when people

1592

01:22:53,720 --> 01:22:48,750

say it was a formation of ultralights

1593

01:22:57,260 --> 01:22:53,730

you just want to scream because you know

1594

01:23:02,870 --> 01:22:57,270

these are intensely close sightings for

1595

01:23:05,630 --> 01:23:02,880

very long durations yes yes I had heard

1596

01:23:09,470 --> 01:23:05,640

of a you know I'm as I mentioned earlier

1597

01:23:12,740 --> 01:23:09,480

going to be going to Russia and I had

1598

01:23:15,200 --> 01:23:12,750

spoke to someone over there that they

1599

01:23:18,680 --> 01:23:15,210

actually saw what they said it looked

1600

01:23:21,130 --> 01:23:18,690

like a washing machine you know and it

1601
01:23:24,080 --> 01:23:21,140
was just like spinning and sitting above

1602
01:23:25,700 --> 01:23:24,090
their houses and all these people are

1603
01:23:28,090 --> 01:23:25,710
coming out looking at it it didn't make

1604
01:23:31,610 --> 01:23:28,100
any noise it was just sitting there and

1605
01:23:34,280 --> 01:23:31,620
so I basically wanted to find out how

1606
01:23:37,669 --> 01:23:34,290
long it was something like eight hours

1607
01:23:39,020 --> 01:23:37,679
the thing was there I mean isn't that

1608
01:23:40,970 --> 01:23:39,030
crazy that's I've never heard of

1609
01:23:43,580 --> 01:23:40,980
anything like that that's that's

1610
01:23:45,500 --> 01:23:43,590
mind-blowing no and you know little

1611
01:23:47,479 --> 01:23:45,510
small town in Russia what are they going

1612
01:23:49,490 --> 01:23:47,489
to do you know that they're not going to

1613
01:23:55,430 --> 01:23:49,500

you know get the fire truck with a

1614

01:24:01,850 --> 01:23:55,440

ladder and co-op or something yeah so

1615

01:24:04,250 --> 01:24:01,860

let's uh let's talk about after you said

1616

01:24:05,780 --> 01:24:04,260

you finished this book you said you were

1617

01:24:07,010 --> 01:24:05,790

already contacted by someone I know you

1618

01:24:10,370 --> 01:24:07,020

probably probably wouldn't want to give

1619

01:24:14,900 --> 01:24:10,380

a spoiler alert for your next book but

1620

01:24:17,930 --> 01:24:14,910

oh why I don't mind um because we're

1621

01:24:21,790 --> 01:24:17,940

talking about unique shaped craft and

1622

01:24:24,890 --> 01:24:21,800

this one is certainly unique um this uh

1623

01:24:27,320 --> 01:24:24,900

she was at in her teens and she was

1624

01:24:30,620 --> 01:24:27,330

babysitting two kids a boy and a girl

1625

01:24:34,069 --> 01:24:30,630

and they're playing in the front yard

1626

01:24:36,290 --> 01:24:34,079

and all of a sudden she

1627

01:24:38,510 --> 01:24:36,300

she said I know he's going to sound

1628

01:24:41,870 --> 01:24:38,520

bizarre she said it was shaped like a

1629

01:24:45,830 --> 01:24:41,880

loaf of Italian bread you know long

1630

01:24:48,890 --> 01:24:45,840

cylindrical but it was the cult school

1631

01:24:51,919 --> 01:24:48,900

bus yellow so this bright yellow and

1632

01:24:54,319 --> 01:24:51,929

it's coming in so low and it's such an

1633

01:24:57,020 --> 01:24:54,329

angle she thought it was going to smash

1634

01:24:59,510 --> 01:24:57,030

into the houses or hit the ground so she

1635

01:25:01,879 --> 01:24:59,520

very vividly described how she got the

1636

01:25:05,109 --> 01:25:01,889

children behind her she's shielding the

1637

01:25:08,870 --> 01:25:05,119

children with her body and is backing up

1638

01:25:11,750 --> 01:25:08,880

towards the house the next thing she

1639

01:25:15,260 --> 01:25:11,760

knows she and the children know the

1640

01:25:20,240 --> 01:25:15,270

parents come home they find the front

1641

01:25:22,580 --> 01:25:20,250

and back door standing wide open and the

1642

01:25:25,609 --> 01:25:22,590

babysitter and their two kids all

1643

01:25:29,780 --> 01:25:25,619

huddled in this big armchair they're all

1644

01:25:31,879 --> 01:25:29,790

huddled together sound asleep and it

1645

01:25:33,830 --> 01:25:31,889

took some effort to wake them up and

1646

01:25:36,109 --> 01:25:33,840

they immediately are like where's the

1647

01:25:38,390 --> 01:25:36,119

craft where's the craft and the parents

1648

01:25:42,049 --> 01:25:38,400

of course oh you all had a you all had a

1649

01:25:45,109 --> 01:25:42,059

bad dream and they didn't they didn't

1650

01:25:48,919 --> 01:25:45,119

believe a word of it fast forward about

1651
01:25:51,729 --> 01:25:48,929
10 years and this babysitter has grown

1652
01:25:55,220 --> 01:25:51,739
up she's with her mother in a restaurant

1653
01:25:59,240 --> 01:25:55,230
about 20 miles from where this incident

1654
01:26:01,370 --> 01:25:59,250
occurred and this woman comes over she

1655
01:26:03,680 --> 01:26:01,380
was the mother of those children and

1656
01:26:05,720 --> 01:26:03,690
said oh I remember you you're the

1657
01:26:09,500 --> 01:26:05,730
babysitter you know that they never

1658
01:26:11,330 --> 01:26:09,510
asked back because uh you know of the

1659
01:26:15,410 --> 01:26:11,340
crazy stories and the front and back

1660
01:26:18,560 --> 01:26:15,420
door being standing wide open and she

1661
01:26:21,200 --> 01:26:18,570
said you know my son keeps talking about

1662
01:26:24,859 --> 01:26:21,210
that night as well I'm I think I'm

1663
01:26:26,419 --> 01:26:24,869

starting to believe him and you know so

1664

01:26:28,970 --> 01:26:26,429

the babysitter said well you know I'd

1665

01:26:31,700 --> 01:26:28,980

love to talk to him well he's he cooked

1666

01:26:33,740 --> 01:26:31,710

he's the cook in this restaurant she

1667

01:26:38,689 --> 01:26:33,750

happens to go into the one restaurant

1668

01:26:40,609 --> 01:26:38,699

where this boy now works and so they go

1669

01:26:42,709 --> 01:26:40,619

and get him and he comes running out and

1670

01:26:46,160 --> 01:26:42,719

he immediately says do you remember the

1671

01:26:48,850 --> 01:26:46,170

big yellow UFO and you know we saw on

1672

01:26:51,529 --> 01:26:48,860

the lawn and

1673

01:26:54,560 --> 01:26:51,539

again it was like it had happened

1674

01:26:58,850 --> 01:26:54,570

yesterday to them and finally the

1675

01:27:02,479 --> 01:26:58,860

mothers said okay we believe you now and

1676

01:27:05,739 --> 01:27:02,489

at the time they didn't and she also

1677

01:27:08,629 --> 01:27:05,749

would love to know what happened to her

1678

01:27:10,580 --> 01:27:08,639

during that time that she last

1679

01:27:12,859 --> 01:27:10,590

remembered them standing on the front

1680

01:27:17,239 --> 01:27:12,869

lawn to being woken up in the chair

1681

01:27:19,549 --> 01:27:17,249

inside and again this really bothers her

1682

01:27:21,679 --> 01:27:19,559

it bothered her that they wouldn't

1683

01:27:24,290 --> 01:27:21,689

believe her and obviously were

1684

01:27:27,529 --> 01:27:24,300

questioning her integrity you know how

1685

01:27:30,469 --> 01:27:27,539

is this a way to take care of our kids

1686

01:27:34,279 --> 01:27:30,479

and then it bothers her that she she

1687

01:27:36,319 --> 01:27:34,289

doesn't remember well so that that is a

1688

01:27:41,330 --> 01:27:36,329

spoiler that has not been written about

1689

01:27:44,419 --> 01:27:41,340

yet but you know talking about weird you

1690

01:27:48,560 --> 01:27:44,429

know school bus colored loaves of

1691

01:27:50,929 --> 01:27:48,570

Italian bread is pretty bizarre I you

1692

01:27:53,330 --> 01:27:50,939

know again if anybody out there has had

1693

01:27:56,540 --> 01:27:53,340

a similar experience please let me know

1694

01:27:59,109 --> 01:27:56,550

well if you look up the Alderney

1695

01:28:03,109 --> 01:27:59,119

sighting you know the English Channel

1696

01:28:06,379 --> 01:28:03,119

I'm pretty sure that they were bright

1697

01:28:08,509 --> 01:28:06,389

yellow too massive bright yellow like I

1698

01:28:12,290 --> 01:28:08,519

don't want to say loaves of bread but I

1699

01:28:14,299 --> 01:28:12,300

think they were shaped similar yeah okay

1700

01:28:17,209 --> 01:28:14,309

was this the one seen from that's right

1701

01:28:18,859 --> 01:28:17,219

plane yeah yeah okay but I'm pretty sure

1702

01:28:20,239 --> 01:28:18,869

they were yellow I don't recall them

1703

01:28:24,709 --> 01:28:20,249

being bright yellow is what I remember

1704

01:28:26,659 --> 01:28:24,719

about that one yeah interesting Wow

1705

01:28:29,869 --> 01:28:26,669

and I've heard of strange things like

1706

01:28:34,129 --> 01:28:29,879

that for instance Gen cars on you know

1707

01:28:36,709 --> 01:28:34,139

had a bright orange box shaped thing you

1708

01:28:38,270 --> 01:28:36,719

know as a UFO hope you know sighting it

1709

01:28:38,689 --> 01:28:38,280

i him and his brother when they were

1710

01:28:43,040 --> 01:28:38,699

kids

1711

01:28:46,069 --> 01:28:43,050

haha Wow and thinking of your washing

1712

01:28:49,459 --> 01:28:46,079

machine story oh one of my favorite

1713

01:28:51,080 --> 01:28:49,469

descriptions one man said he was he and

1714

01:28:53,290 --> 01:28:51,090

his friends are just hanging out sitting

1715

01:28:57,709 --> 01:28:53,300

on the hood of their car and they

1716

01:29:00,459 --> 01:28:57,719

described what looked like a norelco

1717

01:29:02,060 --> 01:29:00,469

razor you know with those three building

1718

01:29:03,740 --> 01:29:02,070

blades

1719

01:29:05,899 --> 01:29:03,750

he said that's what it looked like a

1720

01:29:10,069 --> 01:29:05,909

norelco razor with these spinning bands

1721

01:29:12,919 --> 01:29:10,079

of light came by and they're like did

1722

01:29:16,220 --> 01:29:12,929

you know what did we elucidating and

1723

01:29:19,609 --> 01:29:16,230

then on the radio it came on that this

1724

01:29:22,129 --> 01:29:19,619

UFO was being seen in the area I've

1725

01:29:26,000 --> 01:29:22,139

heard of things that were described as

1726

01:29:30,649 --> 01:29:26,010

looking like made of tinker toys um

1727

01:29:34,100 --> 01:29:30,659

you know boxes of obviously you know the

1728

01:29:36,290 --> 01:29:34,110

classic discs and and cigar shaped but

1729

01:29:38,990 --> 01:29:36,300

there are some very bizarre I've heard

1730

01:29:41,899 --> 01:29:39,000

several accounts of ice-cream cone

1731

01:29:45,680 --> 01:29:41,909

shaped I guess rounded I have yeah

1732

01:29:48,050 --> 01:29:45,690

recently that was brought up Oh a few

1733

01:29:53,200 --> 01:29:48,060

episodes ago I think someone was talking

1734

01:29:55,760 --> 01:29:53,210

about that like inverted ice cream um

1735

01:29:59,569 --> 01:29:55,770

some say it's up straight up and down

1736

01:30:00,680 --> 01:29:59,579

some on the side but yeah that ice cream

1737

01:30:04,010 --> 01:30:00,690

cone [h__\h]

1738

01:30:06,649 --> 01:30:04,020

yes strange isn't it and I love the

1739

01:30:08,330 --> 01:30:06,659

strange ones because you know for some

1740

01:30:10,879 --> 01:30:08,340

reason I think they're almost more

1741

01:30:13,600 --> 01:30:10,889

credible the more bizarre you know you

1742

01:30:19,030 --> 01:30:13,610

can't make you can't they are I mean

1743

01:30:22,189 --> 01:30:19,040

yeah right now I want to talk about the

1744

01:30:23,930 --> 01:30:22,199

metallic substance the anti-gravity

1745

01:30:30,830 --> 01:30:23,940

properties that fell in Connecticut in

1746

01:30:33,620 --> 01:30:30,840

1960 so yes um this really caught my

1747

01:30:35,540 --> 01:30:33,630

attention um as I said I like to pour

1748

01:30:37,669 --> 01:30:35,550

through Blue Book cases because you know

1749

01:30:39,439 --> 01:30:37,679

you can't go by the conclusion cards

1750

01:30:44,120 --> 01:30:39,449

because they tried to lie about

1751
01:30:48,520 --> 01:30:44,130
everything so there was a case some

1752
01:30:53,899 --> 01:30:48,530
metallic substance fell in Hartford

1753
01:30:57,080 --> 01:30:53,909
town number ninety many witnesses they

1754
01:31:00,370 --> 01:30:57,090
saw this green flaming object it landed

1755
01:31:03,229 --> 01:31:00,380
in a backyard started a small fire and

1756
01:31:07,129 --> 01:31:03,239
pieces were collected it was reported to

1757
01:31:11,330 --> 01:31:07,139
the police and the conclusion was that

1758
01:31:13,310 --> 01:31:11,340
it was a piece of furnace slag well

1759
01:31:16,010 --> 01:31:13,320
that's the first piece of furnace leg in

1760
01:31:18,230 --> 01:31:16,020
history to fall out of the sky

1761
01:31:21,320 --> 01:31:18,240
so right off the bat you you know

1762
01:31:24,740 --> 01:31:21,330
they're lying and the report was the

1763
01:31:26,780 --> 01:31:24,750

case file was 76 pages long and I

1764

01:31:29,510 --> 01:31:26,790

thought well isn't that an awful lot of

1765

01:31:33,290 --> 01:31:29,520

pages for a you know a simple piece of

1766

01:31:36,560 --> 01:31:33,300

furnace slag so as I read further into

1767

01:31:39,620 --> 01:31:36,570

the case there was a second metallic

1768

01:31:41,750 --> 01:31:39,630

fall in a town of Woodbridge to the

1769

01:31:45,200 --> 01:31:41,760

south of Hartford so we have two

1770

01:31:47,780 --> 01:31:45,210

metallic substances falling they were

1771

01:31:51,470 --> 01:31:47,790

sent for chemical analysis they were

1772

01:31:54,290 --> 01:31:51,480

aluminum with extremely high levels of

1773

01:31:55,790 --> 01:31:54,300

strontium and barium I don't know what

1774

01:31:59,390 --> 01:31:55,800

that means they didn't know at the time

1775

01:32:03,700 --> 01:31:59,400

but the chemical analysis was unusual

1776

01:32:07,240 --> 01:32:03,710

the real kicker was uh T Townsend Brown

1777

01:32:10,570 --> 01:32:07,250

became involved with Whitehall R and

1778

01:32:14,480 --> 01:32:10,580

Townsend Brown is the man behind the

1779

01:32:18,380 --> 01:32:14,490

electrogravitics who believed he you

1780

01:32:21,950 --> 01:32:18,390

know could use electrical fields to

1781

01:32:25,460 --> 01:32:21,960

create anti-gravity of propulsion

1782

01:32:27,740 --> 01:32:25,470

I may be simplifying that a lot but just

1783

01:32:30,560 --> 01:32:27,750

to give you an idea he and his

1784

01:32:33,350 --> 01:32:30,570

organization studied these samples and

1785

01:32:37,640 --> 01:32:33,360

they found that these metallic samples

1786

01:32:40,280 --> 01:32:37,650

were losing mass now that can happen for

1787

01:32:46,430 --> 01:32:40,290

a lot of ways outgassing difference of

1788

01:32:50,750 --> 01:32:46,440

things or yes but what it was also doing

1789

01:32:55,160 --> 01:32:50,760

was causing a weight loss in material

1790

01:32:59,360 --> 01:32:55,170

that came in contact with it or was was

1791

01:33:02,780 --> 01:32:59,370

in proximity to the samples and I read

1792

01:33:05,000 --> 01:33:02,790

that several times now Project Blue Book

1793

01:33:10,310 --> 01:33:05,010

was immediately in on this case the

1794

01:33:13,660 --> 01:33:10,320

Smithsonian Harvard Observatory was it

1795

01:33:17,140 --> 01:33:13,670

all this analysis was going on because

1796

01:33:20,500 --> 01:33:17,150

metallic substances fell from the sky

1797

01:33:25,520 --> 01:33:20,510

that were capable of having other

1798

01:33:29,660 --> 01:33:25,530

objects lose weight and I don't know of

1799

01:33:33,770 --> 01:33:29,670

anything in our textbooks

1800

01:33:36,200 --> 01:33:33,780

that can do that and all of this

1801
01:33:40,040 --> 01:33:36,210
correspondence in the file was talking

1802
01:33:42,320 --> 01:33:40,050
about how this was of amazing scientific

1803
01:33:46,760 --> 01:33:42,330
importance and could lead to all of

1804
01:33:49,520 --> 01:33:46,770
these things and then the file ends no

1805
01:33:52,700 --> 01:33:49,530
conclusions no final reports I have no

1806
01:33:58,760 --> 01:33:52,710
idea what happened to the substances the

1807
01:34:01,520 --> 01:33:58,770
trail went crazy crazy

1808
01:34:06,800 --> 01:34:01,530
I have some questions that came in for

1809
01:34:09,500 --> 01:34:06,810
you and so this one here these are from

1810
01:34:12,740 --> 01:34:09,510
Bill who writes a lot of questions to

1811
01:34:15,050 --> 01:34:12,750
our forum and I noticed our chatroom

1812
01:34:17,450 --> 01:34:15,060
unfortunately is not as something going

1813
01:34:20,120 --> 01:34:17,460

on with it it's just not it's acting up

1814

01:34:22,910 --> 01:34:20,130

I'm not sure exactly why but so this

1815

01:34:25,250 --> 01:34:22,920

question we kind of addressed a little

1816

01:34:28,010 --> 01:34:25,260

bit but not not in particular to his

1817

01:34:29,959 --> 01:34:28,020

case was the Hudson Valley flap involved

1818

01:34:32,270 --> 01:34:29,969

three to four years of nearly continuous

1819

01:34:34,700 --> 01:34:32,280

sightings several times a week many of

1820

01:34:37,370 --> 01:34:34,710

these were very close to at treetop

1821

01:34:40,209 --> 01:34:37,380

level why do you think this flap was so

1822

01:34:44,650 --> 01:34:40,219

greatly underreported and

1823

01:34:51,290 --> 01:34:47,660

thank you bill that is one of my

1824

01:34:54,560 --> 01:34:51,300

rallying cries um as wonderful as the

1825

01:34:57,620 --> 01:34:54,570

Phoenix lights incident was it was

1826

01:35:00,439 --> 01:34:57,630

basically one night and here in the

1827

01:35:04,870 --> 01:35:00,449

Hudson Valley that was a typical day of

1828

01:35:08,990 --> 01:35:04,880

the week we had those kind of sightings

1829

01:35:14,419 --> 01:35:09,000

constantly year after year I think two

1830

01:35:17,930 --> 01:35:14,429

things the hoaxing pilots really muddied

1831

01:35:21,350 --> 01:35:17,940

the waters terribly so people who even

1832

01:35:23,840 --> 01:35:21,360

saw this discounted it because they were

1833

01:35:26,510 --> 01:35:23,850

told time and time and again in the

1834

01:35:28,970 --> 01:35:26,520

newspapers or if they called the police

1835

01:35:30,860 --> 01:35:28,980

thus I've spoken to many police they

1836

01:35:34,070 --> 01:35:30,870

said regardless of what people were

1837

01:35:38,560 --> 01:35:34,080

calling to report you told them it was a

1838

01:35:42,550 --> 01:35:38,570

formation of planes so from the get-go

1839

01:35:47,740 --> 01:35:42,560

there was this disinformation and

1840

01:35:52,330 --> 01:35:47,750

to suppress this whole period of

1841

01:35:55,120 --> 01:35:52,340

sightings why in the intervening years

1842

01:35:56,020 --> 01:35:55,130

more people don't know about it I don't

1843

01:35:58,380 --> 01:35:56,030

know

1844

01:36:01,840 --> 01:35:58,390

I'm baffled when I give a lecture

1845

01:36:03,850 --> 01:36:01,850

somewhere else in the country people say

1846

01:36:06,430 --> 01:36:03,860

well not only had I not heard of this

1847

01:36:09,490 --> 01:36:06,440

wave of sightings I'd never heard of the

1848

01:36:13,540 --> 01:36:09,500

Hudson Valley and I get asked all the

1849

01:36:16,960 --> 01:36:13,550

time why don't I know about this I don't

1850

01:36:19,600 --> 01:36:16,970

know so I am doing my best that's why I

1851
01:36:23,230 --> 01:36:19,610
go all over the country and do programs

1852
01:36:25,570 --> 01:36:23,240
such as yours this is something everyone

1853
01:36:30,780 --> 01:36:25,580
interested in ufology should know about

1854
01:36:33,460 --> 01:36:30,790
it should be at the top one two or three

1855
01:36:36,790 --> 01:36:33,470
locations in the world that they should

1856
01:36:38,650 --> 01:36:36,800
know about well that's that's great so

1857
01:36:42,190 --> 01:36:38,660
they were called the storm evil fliers

1858
01:36:45,910 --> 01:36:42,200
right the hoaxers storyville all right I

1859
01:36:48,820 --> 01:36:45,920
see that yeah are there any reliable

1860
01:36:50,980 --> 01:36:48,830
photos or videos of any of the Hudson

1861
01:36:53,830 --> 01:36:50,990
Valley UFO sightings and if so is there

1862
01:36:58,570 --> 01:36:53,840
someplace someone can go online to see

1863
01:37:02,080 --> 01:36:58,580

any of these ah I don't know that

1864

01:37:05,710 --> 01:37:02,090

there's a central repository but if you

1865

01:37:07,630 --> 01:37:05,720

just look up Hudson Valley UFOs you know

1866

01:37:10,690 --> 01:37:07,640

particularly of the 1980s there was a

1867

01:37:13,420 --> 01:37:10,700

state trooper who took a marvelous photo

1868

01:37:16,320 --> 01:37:13,430

of a circular craft with multicolored

1869

01:37:19,720 --> 01:37:16,330

lights around it that's fairly famous

1870

01:37:22,120 --> 01:37:19,730

there was a couple his there named were

1871

01:37:26,590 --> 01:37:22,130

hi I'll never get the name right posi

1872

01:37:30,670 --> 01:37:26,600

Olli took video and you can see this

1873

01:37:34,360 --> 01:37:30,680

large craft moving along on the best

1874

01:37:38,260 --> 01:37:34,370

foot one of the best photos was taken by

1875

01:37:42,460 --> 01:37:38,270

a high school photography club member he

1876

01:37:44,020 --> 01:37:42,470

came out of his meeting one night and it

1877

01:37:46,480 --> 01:37:44,030

happened to be the night those three

1878

01:37:49,750 --> 01:37:46,490

teachers saw that massive triangular

1879

01:37:52,420 --> 01:37:49,760

craft and he took a couple of photos and

1880

01:37:55,150 --> 01:37:52,430

it made it into the newspapers and it's

1881

01:37:58,060 --> 01:37:55,160

a marvelous photo of a brightly lit

1882

01:38:01,090 --> 01:37:58,070

triangle he was up at elevation so

1883

01:38:04,450 --> 01:38:01,100

you're almost looking at it at the level

1884

01:38:06,760 --> 01:38:04,460

it was flying and it's also a beam of

1885

01:38:08,800 --> 01:38:06,770

light coming down from the bottom of it

1886

01:38:12,990 --> 01:38:08,810

illuminating the ground Wow

1887

01:38:16,260 --> 01:38:13,000

and um so this was in the newspaper I

1888

01:38:19,030 --> 01:38:16,270

tracked this man down thirty years later

1889

01:38:20,680 --> 01:38:19,040

cold called him and I said this is

1890

01:38:23,140 --> 01:38:20,690

probably going to be a blast from the

1891

01:38:26,200 --> 01:38:23,150

past but are you the man who took this

1892

01:38:30,250 --> 01:38:26,210

photo and there's silence for a moment

1893

01:38:33,580 --> 01:38:30,260

and he's east he's like wow that is a

1894

01:38:36,280 --> 01:38:33,590

blast for the pass he said yes I I took

1895

01:38:38,350 --> 01:38:36,290

the photo but why are you interested the

1896

01:38:39,280 --> 01:38:38,360

cops told me it was planes flying in

1897

01:38:43,030 --> 01:38:39,290

formation

1898

01:38:47,080 --> 01:38:43,040

so I said did you even look at your own

1899

01:38:50,800 --> 01:38:47,090

photo that do you still have that photo

1900

01:38:52,600 --> 01:38:50,810

and maybe even the negative I get in

1901

01:38:54,700 --> 01:38:52,610

touch with him two weeks later I said

1902

01:38:57,700 --> 01:38:54,710

yeah you know I found it in the Attic

1903

01:38:59,190 --> 01:38:57,710

and my kids took it to show-and-tell and

1904

01:39:04,810 --> 01:38:59,200

I don't know what happened to it

1905

01:39:06,910 --> 01:39:04,820

hmm so hopefully it'll turn up at some

1906

01:39:09,100 --> 01:39:06,920

point but we still have the photo

1907

01:39:11,920 --> 01:39:09,110

reproduced in the newspaper even though

1908

01:39:16,000 --> 01:39:11,930

the resolution is not there but that one

1909

01:39:19,800 --> 01:39:16,010

for sure that is in my first book in the

1910

01:39:22,990 --> 01:39:19,810

night sky and that is certainly a

1911

01:39:27,340 --> 01:39:23,000

stunning photo but the state trooper one

1912

01:39:30,700 --> 01:39:27,350

in the posi olie video are certainly

1913

01:39:34,990 --> 01:39:30,710

worth looking at as well right right now

1914

01:39:36,820 --> 01:39:35,000

what about the massive craft of people

1915

01:39:39,160 --> 01:39:36,830

were reporting over a nuclear power

1916

01:39:41,880 --> 01:39:39,170

plant in the Hudson River are you

1917

01:39:46,930 --> 01:39:41,890

familiar with that yes oh absolutely

1918

01:39:49,990 --> 01:39:46,940

Indian Point nuclear power plant a lot

1919

01:39:53,200 --> 01:39:50,000

of people say that's why UFOs are drawn

1920

01:39:55,690 --> 01:39:53,210

to this area but clearly we had activity

1921

01:39:58,570 --> 01:39:55,700

you know generations before the power

1922

01:40:01,240 --> 01:39:58,580

plant but certainly a lot of activity

1923

01:40:04,690 --> 01:40:01,250

has been centered over that power plant

1924

01:40:09,160 --> 01:40:04,700

I did interview one of the guards who

1925

01:40:10,900 --> 01:40:09,170

was working there one of the

1926

01:40:15,100 --> 01:40:10,910

lckes I say one because there were

1927

01:40:19,120 --> 01:40:15,110

several that this massive triangular

1928

01:40:25,810 --> 01:40:19,130

boomerang shaped craft hovered directly

1929

01:40:28,000 --> 01:40:25,820

over one of the reactors and in fact are

1930

01:40:28,600 --> 01:40:28,010

we there they had their guns do we shoot

1931

01:40:31,060 --> 01:40:28,610

at it

1932

01:40:34,709 --> 01:40:31,070

is going to make any difference what do

1933

01:40:38,620 --> 01:40:34,719

we do they didn't know what to do um

1934

01:40:41,470 --> 01:40:38,630

another person I interviewed he was

1935

01:40:43,510 --> 01:40:41,480

taking the garbage out one night and he

1936

01:40:46,030 --> 01:40:43,520

was directly across the river from the

1937

01:40:52,030 --> 01:40:46,040

power plant had a fabulous view of it

1938

01:40:54,939 --> 01:40:52,040

and he said this enormous craft um kind

1939

01:40:57,160 --> 01:40:54,949

of circular just odd shaped massive

1940

01:40:59,410 --> 01:40:57,170

craft directly over the power plant

1941

01:41:01,479 --> 01:40:59,420

he yelled for his wife and she's like

1942

01:41:03,130 --> 01:41:01,489

I'm in my underwear because I don't care

1943

01:41:04,479 --> 01:41:03,140

you get out here so she comes running

1944

01:41:07,450 --> 01:41:04,489

out in her underwear and they're

1945

01:41:11,410 --> 01:41:07,460

standing looking at this thing just

1946

01:41:13,689 --> 01:41:11,420

awestruck and they hear a helicopter a

1947

01:41:17,320 --> 01:41:13,699

military helicopter coming down the

1948

01:41:20,020 --> 01:41:17,330

river towards this object he said this

1949

01:41:25,360 --> 01:41:20,030

massive object started to move and he

1950

01:41:27,790 --> 01:41:25,370

said just went said gone and the flash

1951

01:41:33,330 --> 01:41:27,800

of an eye and this helicopter by the

1952

01:41:36,540 --> 01:41:33,340

time it got there it was long gone so

1953

01:41:40,500 --> 01:41:36,550

there have been all kinds of reports

1954

01:41:43,750 --> 01:41:40,510

over the years I have not heard of any

1955

01:41:47,850 --> 01:41:43,760

recently within the last several years

1956

01:41:51,370 --> 01:41:47,860

or actually in the last decade but

1957

01:41:55,030 --> 01:41:51,380

numerous people I have personally spoken

1958

01:41:57,250 --> 01:41:55,040

to have seen a variety of craft directly

1959

01:42:01,180 --> 01:41:57,260

over the nuclear power plant and an

1960

01:42:04,030 --> 01:42:01,190

interesting thing um this nuclear

1961

01:42:05,910 --> 01:42:04,040

facility is going to shut down in two

1962

01:42:09,790 --> 01:42:05,920

years the governor announced that

1963

01:42:15,430 --> 01:42:09,800

earlier this year so I'm wondering how

1964

01:42:17,860 --> 01:42:15,440

that might affect UFO activity as it's

1965

01:42:19,360 --> 01:42:17,870

being decommissioned and shut down and

1966

01:42:22,990 --> 01:42:19,370

once it is shut down

1967

01:42:26,290 --> 01:42:23,000

will there be less will there be more

1968

01:42:29,050 --> 01:42:26,300

for a time period certainly something

1969

01:42:30,700 --> 01:42:29,060

something to be cognizant of in the next

1970

01:42:32,830 --> 01:42:30,710

couple of years I'm not really sure how

1971

01:42:36,220 --> 01:42:32,840

long it takes them after they

1972

01:42:38,530 --> 01:42:36,230

decommission it to actually deconstruct

1973

01:42:40,690 --> 01:42:38,540

it you know I mean I think it it's a

1974

01:42:45,820 --> 01:42:40,700

lengthy process we might have to wait a

1975

01:42:51,340 --> 01:42:45,830

long time I believe it is I yeah I would

1976

01:42:53,200 --> 01:42:51,350

I would think now it this other question

1977

01:42:57,190 --> 01:42:53,210

he posed here you have investigated

1978

01:42:59,320 --> 01:42:57,200

cases of multi-generational abduction do

1979

01:43:01,360 --> 01:42:59,330

you have any speculation as to why

1980

01:43:03,160 --> 01:43:01,370

abductions would be multi-generational

1981

01:43:05,260 --> 01:43:03,170

I've always wondered that should we

1982

01:43:07,510 --> 01:43:05,270

worry more about genetically modified

1983

01:43:10,410 --> 01:43:07,520

people than about to medically

1984

01:43:14,170 --> 01:43:10,420

genetically modified crops I love it

1985

01:43:19,000 --> 01:43:14,180

well um we should certainly worry to

1986

01:43:21,060 --> 01:43:19,010

some degree because ah I didn't expect

1987

01:43:24,550 --> 01:43:21,070

to come across much in the way of

1988

01:43:27,220 --> 01:43:24,560

abduction cases and my very first

1989

01:43:31,870 --> 01:43:27,230

interview was of a man who had a

1990

01:43:34,950 --> 01:43:31,880

multi-generational case his parents

1991

01:43:39,730 --> 01:43:34,960

started having missing time and seeing

1992

01:43:42,400 --> 01:43:39,740

strange beings back in the 1930s and now

1993

01:43:46,270 --> 01:43:42,410

the grandchildren are having so we have

1994

01:43:50,500 --> 01:43:46,280

four generations of these types of

1995

01:43:52,990 --> 01:43:50,510

experiences and he is certainly not

1996

01:43:55,780 --> 01:43:53,000

alone many times somebody I'll be

1997

01:43:58,300 --> 01:43:55,790

interviewing someone and it's something

1998

01:44:01,150 --> 01:43:58,310

very intense missing time or some

1999

01:44:03,190 --> 01:44:01,160

abduction like case and I'll say did

2000

01:44:03,850 --> 01:44:03,200

your parents ever have anything or your

2001

01:44:06,070 --> 01:44:03,860

children

2002

01:44:09,460 --> 01:44:06,080

no absolutely well now that you mention

2003

01:44:11,380 --> 01:44:09,470

it you know my mother in the 50s or 60s

2004

01:44:14,020 --> 01:44:11,390

and you'll find out and then my

2005

01:44:16,360 --> 01:44:14,030

grandmother had and once they start

2006

01:44:18,520 --> 01:44:16,370

thinking about it you know so many

2007

01:44:21,940 --> 01:44:18,530

people say I never pieced that together

2008

01:44:25,660 --> 01:44:21,950

before and you know as a former

2009

01:44:27,540 --> 01:44:25,670

scientist um you would love to do

2010

01:44:31,570 --> 01:44:27,550

multi-gender whatever you're studying

2011

01:44:33,670 --> 01:44:31,580

you would love to study generations for

2012

01:44:34,819 --> 01:44:33,680

whatever traits or experiments you're

2013

01:44:39,259 --> 01:44:34,829

conducting

2014

01:44:45,560 --> 01:44:39,269

or whatever it is you are examining them

2015

01:44:49,310 --> 01:44:45,570

for um so to me it's the perfect science

2016

01:44:52,549 --> 01:44:49,320

experiment and it's frightening to me

2017

01:44:54,649 --> 01:44:52,559

right I've never understood when these

2018

01:44:57,770 --> 01:44:54,659

people say that they just keep coming

2019

01:45:00,979 --> 01:44:57,780

back I never near could never understand

2020

01:45:03,560 --> 01:45:00,989

Stan why that would be so and unless

2021

01:45:08,689 --> 01:45:03,570

they were doing something some type of

2022

01:45:12,819 --> 01:45:08,699

process you know that takes time one man

2023

01:45:16,729 --> 01:45:12,829

I wrote about in the this latest book um

2024

01:45:22,179 --> 01:45:16,739

was so traumatized by his multiple

2025

01:45:25,609 --> 01:45:22,189

childhood violations let's call them um

2026

01:45:30,049 --> 01:45:25,619

he flat out and simple said to me I

2027

01:45:32,719 --> 01:45:30,059

would shoot them all if I could um he's

2028

01:45:36,679 --> 01:45:32,729

grown up he's gone through therapy he's

2029

01:45:39,679 --> 01:45:36,689

gotten over a good portion of it but

2030

01:45:42,500 --> 01:45:39,689

when especially when you're a little kid

2031

01:45:46,129 --> 01:45:42,510

and you're something's happening that's

2032

01:45:50,959 --> 01:45:46,139

out of your control you're in pain your

2033

01:45:53,750 --> 01:45:50,969

parents don't believe you um you know I

2034

01:45:56,329 --> 01:45:53,760

I do have I have to say I do have cases

2035

01:45:59,599 --> 01:45:56,339

where people think they've benefited

2036

01:46:02,779 --> 01:45:59,609

from these encounters and they feel that

2037

01:46:05,839 --> 01:46:02,789

they're healthier or smarter or just a

2038

01:46:09,319 --> 01:46:05,849

better person but so many people have

2039

01:46:12,229 --> 01:46:09,329

been traumatized for life due to their

2040

01:46:15,829 --> 01:46:12,239

experiences and when you can't even feel

2041

01:46:18,049 --> 01:46:15,839

safe in your own home that is the worst

2042

01:46:19,759 --> 01:46:18,059

violation I've said it many times if

2043

01:46:21,529 --> 01:46:19,769

something like this was actually

2044

01:46:24,169 --> 01:46:21,539

happening I knew it was happening to me

2045

01:46:27,469 --> 01:46:24,179

I think I'd go crazy I don't know you

2046

01:46:30,560 --> 01:46:27,479

know where you can't hide anywhere no

2047

01:46:32,359 --> 01:46:30,570

you know I mean it just seems up I don't

2048

01:46:36,040 --> 01:46:32,369

know how people could function in day to

2049

01:46:40,540 --> 01:46:36,050

day life if this is really happening and

2050

01:46:43,939 --> 01:46:40,550

some of them can't like this one man was

2051
01:46:46,459 --> 01:46:43,949
mentally affected and physically ill for

2052
01:46:48,530 --> 01:46:46,469
decades till he came to grips with it

2053
01:46:50,780 --> 01:46:48,540
and started working through it

2054
01:46:52,400 --> 01:46:50,790
and you know what finally happens if

2055
01:46:54,350 --> 01:46:52,410
you're going to get over it a lot of

2056
01:46:56,990 --> 01:46:54,360
people say I'm not going to let them

2057
01:46:59,330 --> 01:46:57,000
ruin my life and it's that human

2058
01:47:02,750 --> 01:46:59,340
stubbornness and resilience I think

2059
01:47:05,390 --> 01:47:02,760
which finally kicks in but I'm just

2060
01:47:07,820 --> 01:47:05,400
freaked out from that hour and that

2061
01:47:10,280 --> 01:47:07,830
other night I can't remember I'm not

2062
01:47:15,080 --> 01:47:10,290
saying I was abducted or experimented on

2063
01:47:16,090 --> 01:47:15,090

but just that act of do messing with my

2064

01:47:20,330 --> 01:47:16,100

memory

2065

01:47:25,070 --> 01:47:20,340

that's that's appalling yeah no I get it

2066

01:47:26,660 --> 01:47:25,080

I get it yeah when someone you said gets

2067

01:47:30,790 --> 01:47:26,670

through it they actually go to therapy

2068

01:47:38,410 --> 01:47:30,800

so they would actually bring this

2069

01:47:42,740 --> 01:47:38,420

subject up to a therapist yes and that

2070

01:47:45,650 --> 01:47:42,750

can be damaging in itself I know one

2071

01:47:48,850 --> 01:47:45,660

woman I recently spoke to said the first

2072

01:47:51,530 --> 01:47:48,860

therapist was oh well you are obviously

2073

01:47:53,960 --> 01:47:51,540

sexually abused by your parents that's

2074

01:47:56,900 --> 01:47:53,970

why you have these abduction scenarios

2075

01:48:02,330 --> 01:47:56,910

and here take this prescription and get

2076
01:48:04,610 --> 01:48:02,340
over it and you know it's so you have to

2077
01:48:05,840 --> 01:48:04,620
find the right therapist I don't know

2078
01:48:08,210 --> 01:48:05,850
how you go about that

2079
01:48:13,150 --> 01:48:08,220
I guess you keep trying till you get

2080
01:48:17,780 --> 01:48:13,160
someone who will listen to you um but

2081
01:48:20,810 --> 01:48:17,790
it's not an easy thing to share that

2082
01:48:22,780 --> 01:48:20,820
your your personal deep dark secrets

2083
01:48:27,560 --> 01:48:22,790
with strangers even if they are

2084
01:48:29,330 --> 01:48:27,570
therapists and sometimes I feel I feel

2085
01:48:32,660 --> 01:48:29,340
honored but I feel a little

2086
01:48:35,060 --> 01:48:32,670
uncomfortable with the things people

2087
01:48:36,830 --> 01:48:35,070
tell me you know that they might not

2088
01:48:42,380 --> 01:48:36,840

even have told their spouse or their

2089

01:48:44,900 --> 01:48:42,390

best friends and so you know I I respect

2090

01:48:49,310 --> 01:48:44,910

their privacy and will never divulge

2091

01:48:51,110 --> 01:48:49,320

their their names and identities but the

2092

01:48:53,390 --> 01:48:51,120

things people share with me I have

2093

01:48:56,540 --> 01:48:53,400

trouble sleeping after I I listen to

2094

01:48:59,240 --> 01:48:56,550

some of these stories right right we

2095

01:49:02,389 --> 01:48:59,250

have a friend of the show it's an actor

2096

01:49:05,449 --> 01:49:02,399

producer that had a series going

2097

01:49:08,419 --> 01:49:05,459

for guest three years in a row called

2098

01:49:11,600 --> 01:49:08,429

Milgram and the fast walkers and that

2099

01:49:14,149 --> 01:49:11,610

was actually about he was a psychiatrist

2100

01:49:15,830 --> 01:49:14,159

and interviewing a woman that was going

2101

01:49:19,369 --> 01:49:15,840

through abduction that's kind of how

2102

01:49:21,799 --> 01:49:19,379

that series was now another question up

2103

01:49:23,659 --> 01:49:21,809

here do you think well why do you think

2104

01:49:26,229 --> 01:49:23,669

people are so reluctant to accept the

2105

01:49:28,790 --> 01:49:26,239

existence of USO UFO s despite

2106

01:49:31,369 --> 01:49:28,800

overwhelmingly abundant eyewitness

2107

01:49:33,859 --> 01:49:31,379

testimony and physical evidence we have

2108

01:49:36,290 --> 01:49:33,869

testimony from former presidents ranking

2109

01:49:39,319 --> 01:49:36,300

military airline pilots law enforcement

2110

01:49:41,449 --> 01:49:39,329

etc and so he basically wants your

2111

01:49:45,129 --> 01:49:41,459

opinion and why you think it's still

2112

01:49:49,459 --> 01:49:45,139

being people are reluctant to

2113

01:49:54,979 --> 01:49:49,469

acknowledge it I don't know if it's

2114

01:50:00,159 --> 01:49:54,989

their own fear um because I I can't

2115

01:50:05,719 --> 01:50:02,750

educated people who see this

2116

01:50:08,209 --> 01:50:05,729

preponderance of evidence and still deny

2117

01:50:13,219 --> 01:50:08,219

it you know these professional skeptics

2118

01:50:14,810 --> 01:50:13,229

um it's so frustrating I yes you should

2119

01:50:17,810 --> 01:50:14,820

have a healthy skepticism about

2120

01:50:20,600 --> 01:50:17,820

everything in life but when you see a

2121

01:50:23,330 --> 01:50:20,610

hundred years of evidence from as you

2122

01:50:25,129 --> 01:50:23,340

say all of these credible people are

2123

01:50:28,369 --> 01:50:25,139

they all hallucinating are they all

2124

01:50:33,319 --> 01:50:28,379

crazy is it all hoaxing pilots and

2125

01:50:38,119 --> 01:50:33,329

Chinese lanterns it's it is not I find

2126
01:50:40,729 --> 01:50:38,129
it very unreasonable to not look at this

2127
01:50:45,889 --> 01:50:40,739
evidence and conclude there is something

2128
01:50:48,199 --> 01:50:45,899
we can't explain out there it's there is

2129
01:50:51,979 --> 01:50:48,209
no reason to not believe it at this

2130
01:50:55,339 --> 01:50:51,989
point in time for sure it reminds me all

2131
01:50:57,589 --> 01:50:55,349
the time I'm a big Marx Brothers Ben and

2132
01:51:00,080 --> 01:50:57,599
if you remember the one where Groucho

2133
01:51:03,619 --> 01:51:00,090
was at the college and he sang the song

2134
01:51:05,389 --> 01:51:03,629
whatever it is I'm against it um and

2135
01:51:07,580 --> 01:51:05,399
that's that's what these people are like

2136
01:51:08,569 --> 01:51:07,590
I don't care what you show me I'm

2137
01:51:10,729 --> 01:51:08,579
against it

2138
01:51:15,860 --> 01:51:10,739

yeah yeah their minds made up already

2139

01:51:19,520 --> 01:51:15,870

before beforehand and and I

2140

01:51:22,490 --> 01:51:19,530

it's kind of like I guess you'd have to

2141

01:51:23,360 --> 01:51:22,500

look at it that my mind's made up

2142

01:51:26,930 --> 01:51:23,370

already

2143

01:51:28,910 --> 01:51:26,940

to that something is going on and if I

2144

01:51:31,400 --> 01:51:28,920

was told that there's no way that

2145

01:51:33,530 --> 01:51:31,410

there's something going on I guess I

2146

01:51:37,340 --> 01:51:33,540

wouldn't listen to it so that's the

2147

01:51:40,880 --> 01:51:37,350

other side of it well but you have all

2148

01:51:44,030 --> 01:51:40,890

of these examples if someone came came

2149

01:51:47,120 --> 01:51:44,040

by and gave you a reasonable or

2150

01:51:50,540 --> 01:51:47,130

down-to-earth explanation for every

2151
01:51:53,930 --> 01:51:50,550
single one of these thousand UFO cases

2152
01:51:55,750 --> 01:51:53,940
you're aware of you'd have to listen but

2153
01:51:59,240 --> 01:51:55,760
you can't just make a blanket statement

2154
01:52:03,710 --> 01:51:59,250
they don't exist because I think so yeah

2155
01:52:07,460 --> 01:52:03,720
you know because they can't exist so we

2156
01:52:11,120 --> 01:52:07,470
have the side of the evidence I think

2157
01:52:15,320 --> 01:52:11,130
and that if you won't open your mind

2158
01:52:17,600 --> 01:52:15,330
long enough to look at it fairly then

2159
01:52:19,700 --> 01:52:17,610
you have no right to discredit anyone

2160
01:52:22,520 --> 01:52:19,710
right right

2161
01:52:24,590 --> 01:52:22,530
now what about beings does anyone has

2162
01:52:26,570 --> 01:52:24,600
anyone talked about any seeing any

2163
01:52:29,180 --> 01:52:26,580

beings I know you mentioned earlier that

2164

01:52:31,250 --> 01:52:29,190

they saw them backlit inside of one of

2165

01:52:33,440 --> 01:52:31,260

the crafts or something like that but

2166

01:52:37,610 --> 01:52:33,450

I'm actually on the ground type of

2167

01:52:40,070 --> 01:52:37,620

situation yes um

2168

01:52:43,100 --> 01:52:40,080

this latest book had a very chilling

2169

01:52:45,530 --> 01:52:43,110

account where two young women they're

2170

01:52:47,600 --> 01:52:45,540

headed to the shopping mall and you know

2171

01:52:49,490 --> 01:52:47,610

they're just gabbing and talking and

2172

01:52:51,380 --> 01:52:49,500

they're driving along a dark road and

2173

01:52:53,120 --> 01:52:51,390

they see something in the road up ahead

2174

01:52:56,990 --> 01:52:53,130

and they think it must be a deer or

2175

01:53:01,390 --> 01:52:57,000

something so the woman the driver slows

2176
01:53:04,010 --> 01:53:01,400
down and she said she knew nothing about

2177
01:53:08,900 --> 01:53:04,020
aliens at this point it's in the early

2178
01:53:12,440 --> 01:53:08,910
80s and she said there was this person

2179
01:53:14,870 --> 01:53:12,450
standing there with no clothes on but it

2180
01:53:19,000 --> 01:53:14,880
was just this greyish skinned person

2181
01:53:23,060 --> 01:53:19,010
about six feet tall very thin limbs a

2182
01:53:26,560 --> 01:53:23,070
big head but the way she said those eyes

2183
01:53:29,149 --> 01:53:26,570
it was those eyes looking at us huge

2184
01:53:32,419 --> 01:53:29,159
almond shape eyes

2185
01:53:38,209 --> 01:53:32,429
she said they passed within a foot or

2186
01:53:42,050 --> 01:53:38,219
two of this figure standing there and it

2187
01:53:43,010 --> 01:53:42,060
just it just seemed to be reading them

2188
01:53:46,700 --> 01:53:43,020

like a book

2189

01:53:50,510 --> 01:53:46,710

looking at them and she you know she

2190

01:53:54,530 --> 01:53:50,520

took off and she said it wasn't until

2191

01:53:58,189 --> 01:53:54,540

years later she was somewhere and picked

2192

01:54:00,740 --> 01:53:58,199

up a book about grey aliens and she said

2193

01:54:02,750 --> 01:54:00,750

that's that's what we saw she had no

2194

01:54:04,640 --> 01:54:02,760

idea she said for years she and her

2195

01:54:08,450 --> 01:54:04,650

girlfriend joked that they had seen the

2196

01:54:10,340 --> 01:54:08,460

Elephant Man because of its gray skin so

2197

01:54:12,260 --> 01:54:10,350

it wasn't like you know she was out

2198

01:54:14,060 --> 01:54:12,270

looking for their going shopping and she

2199

01:54:18,229 --> 01:54:14,070

had no clue and could care less about

2200

01:54:21,770 --> 01:54:18,239

anything extraterrestrial so I found

2201

01:54:23,149 --> 01:54:21,780

that to be a very chilling case for sure

2202

01:54:27,649 --> 01:54:23,159

oh that's that's excellent

2203

01:54:30,890 --> 01:54:27,659

really and the last question now you may

2204

01:54:34,580 --> 01:54:30,900

have already answered this up where

2205

01:54:37,629 --> 01:54:34,590

there was a busy intersection or a busy

2206

01:54:39,860 --> 01:54:37,639

interstate 84 when a bunch of people

2207

01:54:42,110 --> 01:54:39,870

stopped I guess

2208

01:54:45,439 --> 01:54:42,120

caused traffic to stop is that one

2209

01:54:49,580 --> 01:54:45,449

you've already addressed well that

2210

01:54:53,570 --> 01:54:49,590

happened regularly during that 1980s

2211

01:54:56,959 --> 01:54:53,580

wave for whatever reason the craft was

2212

01:55:02,209 --> 01:54:56,969

seen going back and forth over the route

2213

01:55:05,840 --> 01:55:02,219

84 corridor and many times tractor

2214

01:55:08,090 --> 01:55:05,850

trailers and regular motorists would

2215

01:55:10,189 --> 01:55:08,100

just stop dead sometimes they'd pull

2216

01:55:13,220 --> 01:55:10,199

over sometimes they would just stop in

2217

01:55:15,649 --> 01:55:13,230

the middle of the road and get out which

2218

01:55:17,930 --> 01:55:15,659

is not a safe thing to do on this

2219

01:55:21,260 --> 01:55:17,940

particularly high a particular highway

2220

01:55:24,470 --> 01:55:21,270

but hundreds of people would do this on

2221

01:55:28,220 --> 01:55:24,480

the highways in the area and get out of

2222

01:55:30,800 --> 01:55:28,230

their cars and just stand there 5 10 20

2223

01:55:34,610 --> 01:55:30,810

minutes watching these craft stopping

2224

01:55:38,990 --> 01:55:34,620

traffic so how that didn't get to be

2225

01:55:40,570 --> 01:55:39,000

nationally known I'm I'm at a loss yeah

2226

01:55:42,890 --> 01:55:40,580

Wow

2227

01:55:46,100 --> 01:55:42,900

would you say

2228

01:55:48,680 --> 01:55:46,110

is there any particular case that comes

2229

01:55:51,470 --> 01:55:48,690

to mind that you think is the most

2230

01:55:54,080 --> 01:55:51,480

spectacular case as far as the amount of

2231

01:55:55,490 --> 01:55:54,090

witnesses is it or is it generally what

2232

01:55:59,930 --> 01:55:55,500

you were just talking about along that

2233

01:56:07,790 --> 01:55:59,940

highway I would I would probably have to

2234

01:56:12,740 --> 01:56:07,800

say March 17th and 24th of 1983 were the

2235

01:56:15,590 --> 01:56:12,750

two a big banner days of those massive

2236

01:56:19,310 --> 01:56:15,600

triangular craft seen by thousands of

2237

01:56:24,200 --> 01:56:19,320

people so if I was to pick just single

2238

01:56:29,510 --> 01:56:24,210

days the sheer number of witnesses and

2239

01:56:34,510 --> 01:56:29,520

the intensity that for sure and also a

2240

01:56:37,190 --> 01:56:34,520

smaller case last November um three

2241

01:56:41,000 --> 01:56:37,200

different groups of sightings around the

2242

01:56:43,310 --> 01:56:41,010

Hudson Valley occurred with one with

2243

01:56:49,450 --> 01:56:43,320

some sort of creature type sightings

2244

01:56:53,750 --> 01:56:49,460

other with mental influence sightings so

2245

01:56:56,660 --> 01:56:53,760

when I do like the cases that have occur

2246

01:56:58,990 --> 01:56:56,670

in multiple locations on the same night

2247

01:57:03,170 --> 01:56:59,000

as well I love those two and I also like

2248

01:57:06,290 --> 01:57:03,180

police officer cases as well when

2249

01:57:08,390 --> 01:57:06,300

they're involved oh yes I do have an

2250

01:57:10,610 --> 01:57:08,400

entire chapter of police officer

2251

01:57:12,380 --> 01:57:10,620

sightings in this book excellent well

2252

01:57:14,330 --> 01:57:12,390

where can someone find the book beside

2253

01:57:18,860 --> 01:57:14,340

Amazon do you happen to have a website

2254

01:57:23,930 --> 01:57:18,870

or anything yes um they can get in touch

2255

01:57:29,540 --> 01:57:23,940

with me through go to Zim comm g OT o z

2256

01:57:32,600 --> 01:57:29,550

IM calm but it's on amazon it's it's in

2257

01:57:35,840 --> 01:57:32,610

kindle format most of my books are

2258

01:57:39,110 --> 01:57:35,850

Barnes and Noble but if you want a

2259

01:57:41,120 --> 01:57:39,120

personalized copy um you know you can

2260

01:57:43,520 --> 01:57:41,130

certainly get in touch with me I have no

2261

01:57:44,930 --> 01:57:43,530

problem excellent okay well I want to

2262

01:57:48,770 --> 01:57:44,940

thank you so much it's been a real

2263

01:57:51,140 --> 01:57:48,780

pleasure Linda as always thank you it's

2264

01:57:53,870 --> 01:57:51,150

always delightful and enjoy your trip

2265

01:57:56,150 --> 01:57:53,880

I'll say thanks a lot all right all

2266

01:57:59,150 --> 01:57:56,160

right you take care I

2267

01:58:02,720 --> 01:57:59,160

by alright everyone thanks so much for

2268

01:58:05,960 --> 01:58:02,730

listening and show next week I believe

2269

01:58:07,850 --> 01:58:05,970

is going to be a Nick Redfern I'm just

2270

01:58:11,840 --> 01:58:07,860

waiting to hear confirmation back from

2271

01:58:16,120 --> 01:58:11,850

him and that will be Wednesday the 21st

2272

01:58:19,850 --> 01:58:16,130

and it's going to be one I'm yeah 1 2 3

2273

01:58:21,470 --> 01:58:19,860

p.m. Eastern Standard Time if you want

2274

01:58:25,850 --> 01:58:21,480

to watch it live otherwise it'll be

2275

01:58:27,980 --> 01:58:25,860

posted as a podcast as usual and so I

2276

01:58:29,780 --> 01:58:27,990

want to thank some people that helped

2277

01:58:32,360 --> 01:58:29,790

out with the show Alejandro Rojas with

2278

01:58:35,300 --> 01:58:32,370

the news of course Peggy for helping out

2279

01:58:38,390 --> 01:58:35,310

with the Facebook page remember to Like

2280

01:58:41,890 --> 01:58:38,400

us on Facebook we have 23,000 people or

2281

01:58:45,140 --> 01:58:41,900

so there and we post a UFO incidents and

2282

01:58:48,770 --> 01:58:45,150

space and all kinds of you know other

2283

01:58:51,340 --> 01:58:48,780

information every day there so check

2284

01:58:53,870 --> 01:58:51,350

that out and we'll be back next week

2285

01:58:56,120 --> 01:58:53,880

again I want to thank you everyone for

2286

01:58:58,080 --> 01:58:56,130

listening and remember to keep your eyes

2287

01:59:03,300 --> 01:58:58,090

to the sky
