

1  
00:00:07,340 --> 00:00:06,289  
yeah and it hits me oh my gosh this is

2  
00:00:08,450 --> 00:00:07,350  
that triangle

3  
00:00:09,560 --> 00:00:08,460  
you know there's explanation for

4  
00:00:11,180 --> 00:00:09,570  
everything that occurred in the

5  
00:00:13,339 --> 00:00:11,190  
Rendlesham forest incident didn't

6  
00:00:16,010 --> 00:00:13,349  
doesn't involve aliens at all it was

7  
00:00:19,519 --> 00:00:16,020  
completely silent it comes right over

8  
00:00:21,380 --> 00:00:19,529  
our head it's so classic slightly

9  
00:00:23,000 --> 00:00:21,390  
socially in the dining in the Clery he

10  
00:00:24,650 --> 00:00:23,010  
turned over to my father and held his

11  
00:00:31,330 --> 00:00:24,660  
hand and he looked in his eyes and said

12  
00:00:34,700 --> 00:00:31,340

how are you thanks so much for for

44

00:01:57,530 --> 00:01:55,290

joining us live hello comrade hello

45

00:02:01,100 --> 00:01:57,540

Marie does anybody actually say comrade

46

00:02:02,990 --> 00:02:01,110

out there in Russia I know buddy talk to

47

00:02:05,120 --> 00:02:03,000

you in your berth that it's just the I

48

00:02:08,020 --> 00:02:05,130

they give you the I that's all you know

49

00:02:11,900 --> 00:02:08,030

buddy yeah is it a good eye are bad eye

50

00:02:13,970 --> 00:02:11,910

it's the stink eye as they say oh yeah

51  
00:02:15,320 --> 00:02:13,980  
and that's in the area I'm in now

52  
00:02:17,600 --> 00:02:15,330  
down when you walk on down to the Black

53  
00:02:20,420 --> 00:02:17,610  
Sea it's a little more you know pleasant

54  
00:02:22,280 --> 00:02:20,430  
I should say a little nicer yeah people

55  
00:02:24,920 --> 00:02:22,290  
are on vacation down there I guess

56  
00:02:25,910 --> 00:02:24,930  
well yeah but mostly there's no

57  
00:02:27,589 --> 00:02:25,920  
Americans at all

58  
00:02:29,449 --> 00:02:27,599  
I'm neat like the only American there

59  
00:02:32,150 --> 00:02:29,459  
they are from other countries are from

60  
00:02:33,910 --> 00:02:32,160  
Turkey and a few other places uh there's

61  
00:02:36,530 --> 00:02:33,920  
quite a few of them that come here but

62  
00:02:38,449 --> 00:02:36,540  
very very few Americans I'm the first

63  
00:02:40,220 --> 00:02:38,459

American a lot of people meet here I'm

64

00:02:43,220 --> 00:02:40,230

about um I think it's about eight

65

00:02:44,750 --> 00:02:43,230

hundred miles south of Moscow if you

66

00:02:48,710 --> 00:02:44,760

looked at Moscow and then you look at

67

00:02:50,240 --> 00:02:48,720

the the big pond the the Black Sea you

68

00:02:52,640 --> 00:02:50,250

know it's just almost a direct line

69

00:02:56,420 --> 00:02:52,650

south from there though you're

70

00:02:56,930 --> 00:02:56,430

representing Americans for Russia that's

71

00:02:59,920 --> 00:02:56,940

right

72

00:03:03,170 --> 00:02:59,930

and I've tried that last year when I was

73

00:03:05,809 --> 00:03:03,180

last year when I was trying to get I try

74

00:03:07,460 --> 00:03:05,819

to get some local Russian people on

75

00:03:10,250 --> 00:03:07,470

because there's quite a bit of UFO

76

00:03:13,099 --> 00:03:10,260

sightings in the area here yeah and I

77

00:03:14,960 --> 00:03:13,109

had a you know I finally was able to

78

00:03:16,580 --> 00:03:14,970

communicate with one person and he said

79

00:03:19,280 --> 00:03:16,590

you know my English is really really bad

80

00:03:21,110 --> 00:03:19,290

I won't do it and I was also trying to

81

00:03:24,409 --> 00:03:21,120

get someone to do the Dyatlov pass

82

00:03:26,360 --> 00:03:24,419

incident you know that's a rush yeah

83

00:03:29,199 --> 00:03:26,370

same same deal the guy said he wasn't

84

00:03:31,610 --> 00:03:29,209

comfortable with his English so mmm

85

00:03:34,039 --> 00:03:31,620

we'll see I got a handle to beat that

86

00:03:36,349 --> 00:03:34,049

worried about it um that's too bad I

87

00:03:38,509 --> 00:03:36,359

know I still got a quite a bit of time

88

00:03:39,979 --> 00:03:38,519

here you never know it'll happen you

89

00:03:42,440 --> 00:03:39,989

know what that's something that's unique

90

00:03:44,180 --> 00:03:42,450

about Americans is that in other

91

00:03:45,710 --> 00:03:44,190

countries they make fun of each other if

92

00:03:48,050 --> 00:03:45,720

they don't speak their language well in

93

00:03:49,610 --> 00:03:48,060

America we kind of like it

94

00:03:53,180 --> 00:03:49,620

we kind of think it's quaint and we love

95

00:03:54,770 --> 00:03:53,190

accents we don't really make fun of

96

00:03:57,470 --> 00:03:54,780

people so much if they don't know our

97

00:03:59,659 --> 00:03:57,480

language that well yeah yeah well either

98

00:04:01,759 --> 00:03:59,669

think it's quaint and like it or hate

99

00:04:05,690 --> 00:04:01,769

them and wish that they leave our

100

00:04:09,349 --> 00:04:05,700

country and threatened to bomb them yeah

101  
00:04:11,869 --> 00:04:09,359  
that's all yeah so it's either way yeah

102  
00:04:13,789 --> 00:04:11,879  
yeah so I guess we should continue with

103  
00:04:16,640 --> 00:04:13,799  
UFOs so this is kind of cool night you

104  
00:04:18,199 --> 00:04:16,650  
could see me this is a shirt I got from

105  
00:04:20,330 --> 00:04:18,209  
Tom DeLonge himself

106  
00:04:20,800 --> 00:04:20,340  
oh really let me just scoop them camera

107  
00:04:23,740 --> 00:04:20,810  
over

108  
00:04:25,180 --> 00:04:23,750  
but here okay so this is like the it I

109  
00:04:26,860 --> 00:04:25,190  
think secret machine

110  
00:04:30,100 --> 00:04:26,870  
simple I'm not sure what that is I'm

111  
00:04:32,620 --> 00:04:30,110  
very simple that's all that's on it and

112  
00:04:34,900 --> 00:04:32,630  
that's uh that's his own design and

113  
00:04:37,420 --> 00:04:34,910

everything I guess so yeah

114

00:04:42,100 --> 00:04:37,430

and he sent it to you Wow yeah so that

115

00:04:45,010 --> 00:04:42,110

was uh play nice yeah so uh that's great

116

00:04:45,909 --> 00:04:45,020

now is there ever any possibility that

117

00:04:52,750 --> 00:04:45,919

you're gonna be able to interview him

118

00:04:56,020 --> 00:04:52,760

about I don't know um maybe yeah you're

119

00:04:58,719 --> 00:04:56,030

working on it I'm sure yeah I mean I I

120

00:05:01,719 --> 00:04:58,729

would like for I would like to kind of

121

00:05:04,740 --> 00:05:01,729

wait for this supposed announcement to

122

00:05:06,610 --> 00:05:04,750

come out or something really juicy so

123

00:05:09,520 --> 00:05:06,620

hopefully that'll happen at some point

124

00:05:10,810 --> 00:05:09,530

yeah I know that was uh what about four

125

00:05:12,520 --> 00:05:10,820

or five months ago he said he had a

126

00:05:16,000 --> 00:05:12,530

major announcement to make at some point

127

00:05:19,150 --> 00:05:16,010

and was this error or before the

128

00:05:20,740 --> 00:05:19,160

WikiLeaks went out this was after this

129

00:05:22,900 --> 00:05:20,750

is at our conference that he made this

130

00:05:24,460 --> 00:05:22,910

announcement oh that's right um that

131

00:05:26,590 --> 00:05:24,470

something was going to come out and then

132

00:05:30,279 --> 00:05:26,600

we did a video because if we gave him an

133

00:05:33,820 --> 00:05:30,289

award and that video with him talking to

134

00:05:36,270 --> 00:05:33,830

us went viral and so it got all over the

135

00:05:38,380 --> 00:05:36,280

place so people really knew about this

136

00:05:41,710 --> 00:05:38,390

supposed announcement that was supposed

137

00:05:44,260 --> 00:05:41,720

to come but it still hasn't come yeah

138

00:05:46,240 --> 00:05:44,270

yeah we'll see what happens with that so

139

00:05:47,800 --> 00:05:46,250

what else is going on there's a few

140

00:05:50,080 --> 00:05:47,810

things going on I mean I was on your

141

00:05:51,520 --> 00:05:50,090

show on Monday and we seemed to eat up

142

00:05:54,550 --> 00:05:51,530

about a whole yeah that's worth the news

143

00:05:55,960 --> 00:05:54,560

yeah we had a lot of stuff it wasn't

144

00:05:58,570 --> 00:05:55,970

quite that long I don't think maybe

145

00:06:00,820 --> 00:05:58,580

these things dragged on to you I like

146

00:06:02,950 --> 00:06:00,830

doing this and I like talking with you

147

00:06:04,450 --> 00:06:02,960

so time flies but yeah you don't

148

00:06:07,450 --> 00:06:04,460

necessarily have to feel the same way

149

00:06:09,159 --> 00:06:07,460

but yeah there's a few stories here so I

150

00:06:10,420 --> 00:06:09,169

think it's been a couple weeks one of

151

00:06:13,510 --> 00:06:10,430

them I don't think we've talked about

152

00:06:15,580 --> 00:06:13,520

this wow signal thing with on your show

153

00:06:17,800 --> 00:06:15,590

know we didn't know and I think this is

154

00:06:19,600 --> 00:06:17,810

really cool because essentially the WoW

155

00:06:22,870 --> 00:06:19,610

signal a lot of your listeners probably

156

00:06:25,270 --> 00:06:22,880

know what it was but in 1977 scientists

157

00:06:27,430 --> 00:06:25,280

who were working on the search for

158

00:06:30,550 --> 00:06:27,440

extraterrestrial intelligence project

159

00:06:32,589 --> 00:06:30,560

commonly known as SETI were listening to

160

00:06:34,000 --> 00:06:32,599

radio signal signals like the movie

161

00:06:34,730 --> 00:06:34,010

contact because they're hoping to let

162

00:06:35,780 --> 00:06:34,740

hear alien

163

00:06:38,450 --> 00:06:35,790

and they've been doing this for years

164

00:06:39,830 --> 00:06:38,460

well the only interesting signal that

165

00:06:45,170 --> 00:06:39,840

they've received is called the WoW

166

00:06:48,230 --> 00:06:45,180

signal that was in 1977 and this signal

167

00:06:48,740 --> 00:06:48,240

I nobody's been able to figure out what

168

00:06:51,620 --> 00:06:48,750

it is

169

00:06:54,050 --> 00:06:51,630

of course SETI scientists the most

170

00:06:56,840 --> 00:06:54,060

well-known being szostak are very

171

00:06:58,670 --> 00:06:56,850

conservative so you know if they're

172

00:07:00,650 --> 00:06:58,680

saying something's mysterious then you

173

00:07:02,590 --> 00:07:00,660

know that's that something to listen to

174

00:07:06,050 --> 00:07:02,600

I think that's that's interesting right

175

00:07:08,180 --> 00:07:06,060

that signal was captured in Ohio State

176

00:07:11,150 --> 00:07:08,190

at a bigger telescope it's called

177

00:07:13,070 --> 00:07:11,160

and nobody's really challenged yet they

178

00:07:18,020 --> 00:07:13,080

people kind of come up with ideas but a

179

00:07:20,690 --> 00:07:18,030

guy named Antonio Parris and a colleague

180

00:07:22,910 --> 00:07:20,700

of his posted a paper in the journal of

181

00:07:25,000 --> 00:07:22,920

the Washington Academy of Science so

182

00:07:27,410 --> 00:07:25,010

this is a compare review type of thing

183

00:07:30,350 --> 00:07:27,420

Antonio is an astronomer at Saint

184

00:07:31,970 --> 00:07:30,360

Petersburg College his co-author is Evan

185

00:07:35,660 --> 00:07:31,980

Davies but what's interesting about

186

00:07:37,670 --> 00:07:35,670

Antonio is he's also a UFO researcher so

187

00:07:39,470 --> 00:07:37,680

some of your listeners may even be

188

00:07:42,260 --> 00:07:39,480

familiar with his paranormal research

189

00:07:44,450 --> 00:07:42,270

group he used to be a MUFON investigator

190

00:07:45,890 --> 00:07:44,460

and involved with MUFON and I think you

191

00:07:47,630 --> 00:07:45,900

might have even been on the start him

192

00:07:49,370 --> 00:07:47,640

and everything but I've had him on my

193

00:07:51,950 --> 00:07:49,380

show talking about this another UFO

194

00:07:54,200 --> 00:07:51,960

stuff but yeah this this paper he and

195

00:07:55,730 --> 00:07:54,210

his colleague wrote got in the news all

196

00:07:57,980 --> 00:07:55,740

over the place because they were saying

197

00:08:01,400 --> 00:07:57,990

that they figured out what it is it was

198

00:08:06,260 --> 00:08:01,410

actually these two comments so comets do

199

00:08:08,690 --> 00:08:06,270

make a radio signal signals and at the

200

00:08:12,590 --> 00:08:08,700

same frequency the WoW signal was found

201  
00:08:16,370 --> 00:08:12,600  
and there were to come it's in the area

202  
00:08:17,630 --> 00:08:16,380  
that people didn't know about in 1977 so

203  
00:08:19,190 --> 00:08:17,640  
they're like you know they didn't know

204  
00:08:21,320 --> 00:08:19,200  
back then that there were comments right

205  
00:08:23,900 --> 00:08:21,330  
there we know that now so that's what it

206  
00:08:26,630 --> 00:08:23,910  
must have been however the SETI

207  
00:08:29,990 --> 00:08:26,640  
scientists interestingly have said no

208  
00:08:31,970 --> 00:08:30,000  
this still could be alien kind of weird

209  
00:08:34,760 --> 00:08:31,980  
right yeah you'd never expect them to

210  
00:08:36,620 --> 00:08:34,770  
say that yeah people expect SETI

211  
00:08:38,540 --> 00:08:36,630  
scientists to be debunkers but in this

212  
00:08:39,920 --> 00:08:38,550  
case they're like no we still don't know

213  
00:08:42,590 --> 00:08:39,930

what it is they couldn't be a they could

214

00:08:44,570 --> 00:08:42,600

be aliens their main arguments were that

215

00:08:48,260 --> 00:08:44,580

the comets are not exactly in the right

216

00:08:50,840 --> 00:08:48,270

place the signal was too powerful for it

217

00:08:53,690 --> 00:08:50,850

you have been that and that this radios

218

00:08:57,800 --> 00:08:53,700

telescope the big era has two listening

219

00:09:01,070 --> 00:08:57,810

devices that go around and one follows

220

00:09:03,890 --> 00:09:01,080

the other when if they were comets then

221

00:09:05,990 --> 00:09:03,900

the it would have been caught on the

222

00:09:08,930 --> 00:09:06,000

first horn and the second horn that's

223

00:09:10,970 --> 00:09:08,940

what they call them horns but it was

224

00:09:12,950 --> 00:09:10,980

only caught on the first not by the

225

00:09:17,090 --> 00:09:12,960

second which was only like a minute or

226

00:09:20,090 --> 00:09:17,100

so after the first so it turned off and

227

00:09:21,770 --> 00:09:20,100

their argument is comet that if the

228

00:09:24,710 --> 00:09:21,780

comets were emitting that sound they

229

00:09:27,200 --> 00:09:24,720

wouldn't just turn off like that and

230

00:09:29,240 --> 00:09:27,210

Antonio says that's right they are right

231

00:09:32,240 --> 00:09:29,250

that it wouldn't turn off like that but

232

00:09:34,220 --> 00:09:32,250

he suspects has not proven but suspects

233

00:09:36,230 --> 00:09:34,230

that the Big Ear telescope was not

234

00:09:40,040 --> 00:09:36,240

working correctly and that's what to

235

00:09:42,920 --> 00:09:40,050

blame was to blame but seth shostack has

236

00:09:46,580 --> 00:09:42,930

actually written an article disagreeing

237

00:09:50,240 --> 00:09:46,590

with Antonio and Paris in his colleague

238

00:09:52,520 --> 00:09:50,250

and also the man who first discovered

239

00:09:56,300 --> 00:09:52,530

the signal did an interview with life

240

00:09:58,910 --> 00:09:56,310

science who also says he disagrees for

241

00:10:01,070 --> 00:09:58,920

the same reason szostak does they also

242

00:10:03,680 --> 00:10:01,080

they did interview antonio paris on this

243

00:10:05,570 --> 00:10:03,690

life science article and he did say they

244

00:10:08,180 --> 00:10:05,580

are going to do more work studying

245

00:10:11,270 --> 00:10:08,190

comets and how comets emit this radio

246

00:10:12,800 --> 00:10:11,280

signal at the frequency to learn more

247

00:10:15,440 --> 00:10:12,810

about that because people don't know

248

00:10:17,240 --> 00:10:15,450

much about that so he's still holding on

249

00:10:19,340 --> 00:10:17,250

to the idea that it's possibly the

250

00:10:22,190 --> 00:10:19,350

comets are the answer and he's still

251

00:10:24,290 --> 00:10:22,200

seeking to study that a conclusion to

252

00:10:26,150 --> 00:10:24,300

see if he can maybe prove that that he

253

00:10:29,990 --> 00:10:26,160

was right in the first place do you

254

00:10:33,440 --> 00:10:30,000

think that they have been studying that

255

00:10:37,550 --> 00:10:33,450

area of the sky or I don't want to say

256

00:10:39,830 --> 00:10:37,560

the sky that star you know system or

257

00:10:43,280 --> 00:10:39,840

anything since this has happened on a

258

00:10:45,050 --> 00:10:43,290

regular basis yeah you do hear about

259

00:10:47,420 --> 00:10:45,060

stories because the WoW signal is so

260

00:10:49,610 --> 00:10:47,430

popular you do hear about stories where

261

00:10:51,680 --> 00:10:49,620

people do try to listen to that area to

262

00:10:54,020 --> 00:10:51,690

try to get a signal it was only heard

263

00:10:57,230 --> 00:10:54,030

once and that's part of the problem is

264

00:10:58,970 --> 00:10:57,240

that we've got this one weird signal we

265

00:11:01,130 --> 00:10:58,980

don't know what it is it was so strong

266

00:11:01,910 --> 00:11:01,140

it seems like they feel it seems like it

267

00:11:05,599 --> 00:11:01,920

could have been

268

00:11:08,299 --> 00:11:05,609

did to us but in order for it to be

269

00:11:10,759 --> 00:11:08,309

confirmed as something more anomalous

270

00:11:12,799 --> 00:11:10,769

they need to record it on several

271

00:11:16,489 --> 00:11:12,809

occasions and they've only received at

272

00:11:20,210 --> 00:11:16,499

this once though who knows what if it

273

00:11:22,909 --> 00:11:20,220

was like a watch out watch out behind

274

00:11:24,799 --> 00:11:22,919

you you know there's the aliens headed

275

00:11:28,189 --> 00:11:24,809

your way and then the aliens destroyed

276

00:11:29,509 --> 00:11:28,199

the people who are trying to warn us I I

277

00:11:32,169 --> 00:11:29,519

think you're watching too much

278

00:11:36,590 --> 00:11:32,179

Independence Day or something yeah

279

00:11:38,359 --> 00:11:36,600

Doctor Who yeah so yeah so that's a

280

00:11:40,939 --> 00:11:38,369

really cool story I think I love that

281

00:11:43,340 --> 00:11:40,949

story because one it evokes that UFO

282

00:11:44,689 --> 00:11:43,350

researcher who is an astronomer and a

283

00:11:46,909 --> 00:11:44,699

very credible person that's why it's

284

00:11:49,220 --> 00:11:46,919

taken seriously in fact a lot of the

285

00:11:50,989 --> 00:11:49,230

science magazines those who follow space

286

00:11:53,900 --> 00:11:50,999

science probably read about this because

287

00:11:56,780 --> 00:11:53,910

it's been all over the place and - we

288

00:11:59,509 --> 00:11:56,790

have the SETI scientists like sha sha

289

00:12:02,780 --> 00:11:59,519

stack on what is kind of our site

290

00:12:04,759 --> 00:12:02,790

defending the possibility that some of

291

00:12:09,199 --> 00:12:04,769

this could be extraterrestrial so that's

292

00:12:11,979 --> 00:12:09,209

pretty funny - yeah full story right

293

00:12:15,619 --> 00:12:11,989

right so what else is how so moving on

294

00:12:18,019 --> 00:12:15,629

your good old buddies at the midnight in

295

00:12:21,079 --> 00:12:18,029

the desert who used to were used to work

296

00:12:23,900 --> 00:12:21,089

with that station there but they've

297

00:12:26,210 --> 00:12:23,910

released this this mj-12 document

298

00:12:28,400 --> 00:12:26,220

alleged mj-12 document of course I

299

00:12:31,220 --> 00:12:28,410

personally feel all the mj-12 documents

300

00:12:33,409 --> 00:12:31,230

are hoaxes and the very first one is it

301  
00:12:35,030 --> 00:12:33,419  
admitted hoax something people denied

302  
00:12:37,129 --> 00:12:35,040  
you could read about that actually in

303  
00:12:40,869 --> 00:12:37,139  
this story I posted about so Heather

304  
00:12:42,710 --> 00:12:40,879  
Wade took over for art fell on his

305  
00:12:45,769 --> 00:12:42,720  
much-anticipated

306  
00:12:47,299 --> 00:12:45,779  
podcast that art bill started but

307  
00:12:50,479 --> 00:12:47,309  
unfortunately only did a few episodes

308  
00:12:51,919 --> 00:12:50,489  
before quitting yet again so Heather

309  
00:12:54,710 --> 00:12:51,929  
Wade took over

310  
00:12:57,379 --> 00:12:54,720  
she says she received some mj-12

311  
00:12:59,689 --> 00:12:57,389  
documents from an anonymous source but

312  
00:13:01,819 --> 00:12:59,699  
someone she said she knows and trusts

313  
00:13:03,349 --> 00:13:01,829

she posted those documents and said

314

00:13:05,449 --> 00:13:03,359

she's looking into it she's at Stan

315

00:13:08,749 --> 00:13:05,459

Freeman to look into it but she's seen

316

00:13:10,009 --> 00:13:08,759

no evidence of fakery I think she's

317

00:13:12,470 --> 00:13:10,019

being genuine paid some people are

318

00:13:13,939 --> 00:13:12,480

attacking her but I I personally don't

319

00:13:15,600 --> 00:13:13,949

believe there's any reason to

320

00:13:18,019 --> 00:13:15,610

she's just being on it

321

00:13:20,040 --> 00:13:18,029

and posting these stories however

322

00:13:23,190 --> 00:13:20,050

practically everybody disagrees that

323

00:13:26,910 --> 00:13:23,200

there's not evidence bakery in these

324

00:13:29,220 --> 00:13:26,920

documents even Stephen Bassett had sent

325

00:13:31,560 --> 00:13:29,230

out an email saying these might be real

326

00:13:33,120 --> 00:13:31,570

or disinformation and then soon after I

327

00:13:35,280 --> 00:13:33,130

sent out an email saying no this is

328

00:13:36,449 --> 00:13:35,290

complete hoax and pretty much everybody

329

00:13:38,730 --> 00:13:36,459

else had come forward and said that

330

00:13:41,400 --> 00:13:38,740

Freedman has not come forward with his

331

00:13:43,380 --> 00:13:41,410

opinion but as I write in the story

332

00:13:45,690 --> 00:13:43,390

about it the documents are pretty silly

333

00:13:47,850 --> 00:13:45,700

that especially there's a section where

334

00:13:52,370 --> 00:13:47,860

they allegedly interview an alien and

335

00:13:55,769 --> 00:13:52,380

the conversation is really kind of goofy

336

00:13:58,380 --> 00:13:55,779

yes I know he even uh-huh yeah I was

337

00:14:01,470 --> 00:13:58,390

just saying I had I had Kevin Randall we

338

00:14:03,329 --> 00:14:01,480

discussed this last week on the show for

339

00:14:06,110 --> 00:14:03,339

the entire show basically or most of the

340

00:14:08,730 --> 00:14:06,120

show but also just let you know I have

341

00:14:11,160 --> 00:14:08,740

coincidentally I booked this months ago

342

00:14:13,410 --> 00:14:11,170

but I do have santen Friedman on next

343

00:14:16,650 --> 00:14:13,420

week so Oh interesting we'll be

344

00:14:19,199 --> 00:14:16,660

exploring that topic even deeper yeah

345

00:14:22,620 --> 00:14:19,209

well read my article and I look at them

346

00:14:24,689 --> 00:14:22,630

and my other argument - yes I just did

347

00:14:27,139 --> 00:14:24,699

check it out yes and stamped up one

348

00:14:31,110 --> 00:14:27,149

person to debate with because he loves

349

00:14:34,650 --> 00:14:31,120

debating he just loves it and he's got a

350

00:14:37,259 --> 00:14:34,660

great attitude he does not hold grudges

351

00:14:39,689 --> 00:14:37,269

or you know get upset with well he's

352

00:14:42,180 --> 00:14:39,699

just really cool he has that debated

353

00:14:44,819 --> 00:14:42,190

Seshat that quite a bit and he still you

354

00:14:48,930 --> 00:14:44,829

know admire szostak very much so even

355

00:14:50,310 --> 00:14:48,940

though he's wrong moving on and we'll

356

00:14:54,090 --> 00:14:50,320

see if you had a guest and talked about

357

00:14:56,490 --> 00:14:54,100

this and these UK files so we've been

358

00:15:01,620 --> 00:14:56,500

waiting for these UK UFO files for

359

00:15:04,290 --> 00:15:01,630

literally years literally years so what

360

00:15:05,280 --> 00:15:04,300

how this came about is John burrows who

361

00:15:08,069 --> 00:15:05,290

is one of the Rendlesham forest

362

00:15:10,980 --> 00:15:08,079

witnesses of course he saw a UFO in the

363

00:15:13,189 --> 00:15:10,990

UK on a base that was on leased to the

364

00:15:17,519 --> 00:15:13,199

US Air Force he was a US Air Force

365

00:15:19,620 --> 00:15:17,529

security officer and he was sent to look

366

00:15:21,990 --> 00:15:19,630

at go out in the person and see this UFO

367

00:15:23,760 --> 00:15:22,000

very famous case of course we've had him

368

00:15:27,930 --> 00:15:23,770

on the show multiple times I'm sure you

369

00:15:29,519 --> 00:15:27,940

have as well but John Burroughs ad has

370

00:15:31,829 --> 00:15:29,529

been doing research on rentals

371

00:15:34,710 --> 00:15:31,839

these documents that he asked to see

372

00:15:37,019 --> 00:15:34,720

this was back while the UK government

373

00:15:39,329 --> 00:15:37,029

was releasing all of their UFO documents

374

00:15:41,129 --> 00:15:39,339

so they said well we're releasing all

375

00:15:42,720 --> 00:15:41,139

our UFO documents so they'll be in there

376

00:15:45,420 --> 00:15:42,730

eventually so you're just gonna have to

377

00:15:47,579 --> 00:15:45,430

wait well the last batch of UFO

378

00:15:50,220 --> 00:15:47,589

documents came out and they weren't in

379

00:15:52,860 --> 00:15:50,230

there and allegedly this was all their

380

00:15:54,569 --> 00:15:52,870

documents but for us knew better so he

381

00:15:55,920 --> 00:15:54,579

asked them to release them and they just

382

00:15:58,530 --> 00:15:55,930

kind of ignored him

383

00:16:02,009 --> 00:15:58,540

finally when someone else who had read

384

00:16:04,889 --> 00:16:02,019

about Burroughs efforts in the UK had

385

00:16:06,989 --> 00:16:04,899

asked about them the UK responded for

386

00:16:10,799 --> 00:16:06,999

this person officially on their website

387

00:16:12,780 --> 00:16:10,809

FOIA website and said oops we did find

388

00:16:15,150 --> 00:16:12,790

some more UFO files and we'll release

389

00:16:18,660 --> 00:16:15,160

those as soon as possible but it could

390

00:16:22,350 --> 00:16:18,670

take us nine months that was in 2014 and

391

00:16:25,679 --> 00:16:22,360

here we are in 2017 finally getting to

392

00:16:28,259 --> 00:16:25,689

see these files but it's not that easy

393

00:16:31,559 --> 00:16:28,269

they've been tricky about it they have

394

00:16:33,090 --> 00:16:31,569

released the headlines of the files very

395

00:16:37,049 --> 00:16:33,100

secretive Lee they didn't make much

396

00:16:39,389 --> 00:16:37,059

fanfare about it and you can't see these

397

00:16:41,340 --> 00:16:39,399

files unless you live in London or are

398

00:16:43,920 --> 00:16:41,350

you live in the UK near and you can

399

00:16:46,470 --> 00:16:43,930

drive to West London in the town of Q

400

00:16:49,259 --> 00:16:46,480

where they house these documents and

401  
00:16:50,730 --> 00:16:49,269  
actually look at them physically so very

402  
00:16:53,490 --> 00:16:50,740  
strange the way they've rolled him out

403  
00:16:56,400 --> 00:16:53,500  
the reason I say secretively because in

404  
00:16:58,139 --> 00:16:56,410  
the past they had previously let Nick

405  
00:17:00,749 --> 00:16:58,149  
Pope know of course he used to

406  
00:17:01,920 --> 00:17:00,759  
investigate UFOs for the UK all right

407  
00:17:04,169 --> 00:17:01,930  
they would let him know that they're

408  
00:17:06,899 --> 00:17:04,179  
gonna release files they would prepare a

409  
00:17:08,909 --> 00:17:06,909  
press release make the files available

410  
00:17:10,590 --> 00:17:08,919  
online and then Nick and others would do

411  
00:17:13,559 --> 00:17:10,600  
interviews about them so they were very

412  
00:17:15,329 --> 00:17:13,569  
open about them and um but this time

413  
00:17:17,399 --> 00:17:15,339

they tried to be sneaky they didn't

414

00:17:19,260 --> 00:17:17,409

notify Nick Pope he had to guess and

415

00:17:20,699 --> 00:17:19,270

Nick Pope is kind of like hey they're

416

00:17:21,840 --> 00:17:20,709

trying to be sneaky so I'm gonna try to

417

00:17:24,389 --> 00:17:21,850

get this out there as much as possible

418

00:17:26,639 --> 00:17:24,399

so he's been interfacing with a lot of

419

00:17:29,490 --> 00:17:26,649

the media and there have been a lot of

420

00:17:31,560 --> 00:17:29,500

media stories now about this and more

421

00:17:33,990 --> 00:17:31,570

and more is coming out about these files

422

00:17:39,120 --> 00:17:34,000

and there are some interesting cases

423

00:17:41,759 --> 00:17:39,130

such as a case where there was an object

424

00:17:43,529 --> 00:17:41,769

that was seen and Connor radar but

425

00:17:45,869 --> 00:17:43,539

the Royal Air Force told people to

426

00:17:48,480 --> 00:17:45,879

ignore him and so that's making some

427

00:17:50,100 --> 00:17:48,490

headlines not you could out that Nick

428

00:17:52,200 --> 00:17:50,110

Pope said that that was an interesting

429

00:17:56,190 --> 00:17:52,210

case and it was during a flap there are

430

00:17:57,659 --> 00:17:56,200

a lot of other sightings but that in the

431

00:17:59,369 --> 00:17:57,669

end the Royal Air Force said it was

432

00:18:01,799 --> 00:17:59,379

probably the at least when it came to

433

00:18:07,409 --> 00:18:01,809

the radar that it was probably a church

434

00:18:09,090 --> 00:18:07,419

spear that had made a foe so and and

435

00:18:13,289 --> 00:18:09,100

buildings can't do that but of course

436

00:18:15,119 --> 00:18:13,299

building our stay still and because of

437

00:18:16,970 --> 00:18:15,129

weather conditions that's why sometimes

438

00:18:20,639 --> 00:18:16,980

you may see him and sometimes you won't

439

00:18:22,019 --> 00:18:20,649

but yeah buildings don't move and it's

440

00:18:23,639 --> 00:18:22,029

something they probably would be aware

441

00:18:26,850 --> 00:18:23,649

of because you know it's something they

442

00:18:29,159 --> 00:18:26,860

would see occasionally in that area Wow

443

00:18:30,840 --> 00:18:29,169

so yeah so really interesting it's great

444

00:18:32,909 --> 00:18:30,850

that we finally received these files

445

00:18:36,049 --> 00:18:32,919

hopefully there will be some media

446

00:18:38,519 --> 00:18:36,059

pressure on the UK government to

447

00:18:40,200 --> 00:18:38,529

digitize these and release them

448

00:18:42,419 --> 00:18:40,210

otherwise we'll just have to wait and

449

00:18:46,470 --> 00:18:42,429

it's harder in the United States you can

450

00:18:49,259 --> 00:18:46,480

go to an archives scan a government file

451  
00:18:52,980 --> 00:18:49,269  
that isn't available online and make it

452  
00:18:55,320 --> 00:18:52,990  
available because as as taxpayers we all

453  
00:18:57,659 --> 00:18:55,330  
have rights to those files and we can

454  
00:19:00,119 --> 00:18:57,669  
use them at at will and the UK it's

455  
00:19:02,909 --> 00:19:00,129  
different the government keeps copyright

456  
00:19:07,169 --> 00:19:02,919  
so you can't share willy-nilly their

457  
00:19:09,509 --> 00:19:07,179  
stuff I compilation of their copyright

458  
00:19:11,820 --> 00:19:09,519  
so people have to actually typically pay

459  
00:19:15,600 --> 00:19:11,830  
to get those files to be able to use

460  
00:19:18,269 --> 00:19:15,610  
them Wow and so like even a new source

461  
00:19:19,769 --> 00:19:18,279  
that if a new source wanted to reference

462  
00:19:23,009 --> 00:19:19,779  
a file would they actually need

463  
00:19:25,200 --> 00:19:23,019

copyright they can wrest reference a

464

00:19:27,960 --> 00:19:25,210

file they can quote it and I'm sure you

465

00:19:30,359 --> 00:19:27,970

can quote it at length but you can't

466

00:19:34,019 --> 00:19:30,369

post that actual file you can post a

467

00:19:37,289 --> 00:19:34,029

link to the file in the government UK

468

00:19:38,970 --> 00:19:37,299

government archives but yeah a lot of us

469

00:19:41,850 --> 00:19:38,980

in the UFO field have been kind of

470

00:19:45,840 --> 00:19:41,860

pushing the line when it comes to these

471

00:19:48,619 --> 00:19:45,850

UFO files but nobody has that I know

472

00:19:51,539 --> 00:19:48,629

have has been told to take anything down

473

00:19:54,060 --> 00:19:51,549

I haven't heard of that so I don't know

474

00:19:54,900 --> 00:19:54,070

how aggressive they are in policing that

475

00:19:57,630 --> 00:19:54,910

but

476

00:19:59,550 --> 00:19:57,640

that's the rule they do warn you when

477

00:20:01,650 --> 00:19:59,560

you go and even when you download these

478

00:20:04,770 --> 00:20:01,660

there's a warning that says hey we have

479

00:20:08,400 --> 00:20:04,780

copyright so watch it bub

480

00:20:10,680 --> 00:20:08,410

uh how about thethe all right well well

481

00:20:12,690 --> 00:20:10,690

I guess we ran a little bit long it's 20

482

00:20:14,100 --> 00:20:12,700

minutes ten but today thanks so much can

483

00:20:16,320 --> 00:20:14,110

you hang in a minute and you can say hi

484

00:20:17,700 --> 00:20:16,330

to Phil sure that'd be great

485

00:20:22,290 --> 00:20:17,710

you know because actually it's I really

486

00:20:26,720 --> 00:20:22,300

want to make sure I can reach him now I

487

00:20:30,870 --> 00:20:26,730

had him on just a few minutes ago but

488

00:20:37,290 --> 00:20:30,880

let's see Bill is a regular contributor

489

00:20:39,690 --> 00:20:37,300

to open mind TV and yeah yeah so all

490

00:20:41,820 --> 00:20:39,700

right question I want to ask him today I

491

00:20:44,190 --> 00:20:41,830

don't want to see if I can get him on

492

00:20:46,860 --> 00:20:44,200

because it's right now it's only letting

493

00:20:50,250 --> 00:20:46,870

me add him as Skype and I really need to

494

00:20:52,950 --> 00:20:50,260

call his number let me give this I'll

495

00:20:59,070 --> 00:20:52,960

give it a try see what happens there's a

496

00:21:02,580 --> 00:20:59,080

mental man please come in the United

497

00:21:08,970 --> 00:21:02,590

States yes but it that that Pink Floyd

498

00:21:09,900 --> 00:21:08,980

like that but remember that are you sure

499

00:21:15,360 --> 00:21:09,910

you're doing the right one

500

00:21:16,830 --> 00:21:15,370

Phil's isyes yeah hi fellas this up is

501  
00:21:20,550 --> 00:21:16,840

503  
00:21:26,070 --> 00:21:22,960

504  
00:21:28,520 --> 00:21:26,080  
Alejandro Rojas is with us here and he

505  
00:21:32,130 --> 00:21:28,530  
had he had a question for you

506  
00:21:35,700 --> 00:21:32,140  
go ahead alejandro oh hey Bill how you

507  
00:21:37,020 --> 00:21:35,710  
doing all right nice to see ya good so

508  
00:21:39,330 --> 00:21:37,030  
I'm sure this is something you'll talk

509  
00:21:42,210 --> 00:21:39,340  
about with Martin but I was wondering if

510  
00:21:46,200 --> 00:21:42,220  
you had written an article on the

511  
00:21:48,000 --> 00:21:46,210  
Roswell witness in Irina's new book that

512  
00:21:50,460 --> 00:21:48,010  
you publish which I'm sure you'll talk

513  
00:21:54,900 --> 00:21:50,470

about because I would love to post an

514

00:21:57,000 --> 00:21:54,910

article on that whole thing so yeah and

515

00:21:59,040 --> 00:21:57,010

it's great because I love you know you

516

00:22:02,580 --> 00:21:59,050

contribute and I love your contribution

517

00:22:05,040 --> 00:22:02,590

so that would be fun yep you shall

518

00:22:08,170 --> 00:22:05,050

commit to this evening no problem

519

00:22:10,360 --> 00:22:08,180

perfect thank you very much my pleasure

520

00:22:12,880 --> 00:22:10,370

well you guys have a great show alright

521

00:22:14,020 --> 00:22:12,890

alright Alejandro thanks a lot and we'll

522

00:22:20,140 --> 00:22:14,030

be talking to you next week

523

00:22:22,330 --> 00:22:20,150

all right adios uh bye Phil Phil I'm

524

00:22:28,390 --> 00:22:22,340

going to see if I can what I'm going to

525

00:22:31,720 --> 00:22:28,400

do is I'm going to I am Phil can you

526

00:22:39,340 --> 00:22:31,730

hear me all right hang in everyone this

527

00:22:50,650 --> 00:22:39,350

this is a little bit tricky here we go

528

00:22:50,660 --> 00:22:57,490

alright I'll try them one more time here

529

00:23:06,789 --> 00:23:00,279

we were having trouble with the with the

530

00:23:08,409 --> 00:23:06,799

Skype and so I just wanted to it's not

531

00:23:13,419 --> 00:23:08,419

letting me do it in another way here

532

00:23:16,360 --> 00:23:13,429

just a minute here we go

533

00:23:23,110 --> 00:23:16,370

okay this should ring fine thanks for

534

00:23:25,570 --> 00:23:23,120

your patience everyone hello hey Phil

535

00:23:27,909 --> 00:23:25,580

how you doing I'm fine Mike thank you

536

00:23:29,740 --> 00:23:27,919

hey can you get into your phone a little

537

00:23:31,060 --> 00:23:29,750

bit it's a little bit quiet and I want

538

00:23:33,549 --> 00:23:31,070

to make sure everybody can hear you just

539

00:23:36,460 --> 00:23:33,559

fine yeah yeah

540

00:23:38,140 --> 00:23:36,470

all right so I might need you to speak

541

00:23:40,299 --> 00:23:38,150

up just a little it could be just on my

542

00:23:41,560 --> 00:23:40,309

end and maybe just the volume but I just

543

00:23:44,289 --> 00:23:41,570

want to make sure we all hear you very

544

00:23:47,620 --> 00:23:44,299

clearly so thanks I've been on the show

545

00:23:50,350 --> 00:23:47,630

a number of times this is great because

546

00:23:52,210 --> 00:23:50,360

while I'm in Russia I'm doing the show

547

00:23:55,720 --> 00:23:52,220

earlier and I get to speak with people

548

00:23:58,090 --> 00:23:55,730

like yourself in the UK and always like

549

00:23:59,380 --> 00:23:58,100

to have you on and I think this may be

550

00:24:02,680 --> 00:23:59,390

the first time we've actually done the

551

00:24:05,680 --> 00:24:02,690

show live perhaps I think it is yeah

552

00:24:07,539 --> 00:24:05,690

it's normally recorded which is you know

553

00:24:09,310 --> 00:24:07,549

it's flying but it's all up you know

554

00:24:12,820 --> 00:24:09,320

especially it's it's always better when

555

00:24:14,980 --> 00:24:12,830

it's live Martin I think so I think so

556

00:24:17,350 --> 00:24:14,990

so for the person that's I'm not

557

00:24:18,460 --> 00:24:17,360

familiar with you even though as I

558

00:24:20,350 --> 00:24:18,470

mentioned you've been on a number of

559

00:24:22,120 --> 00:24:20,360

times can you just you have quite a

560

00:24:24,190 --> 00:24:22,130

really strong background when it comes

561

00:24:26,140 --> 00:24:24,200

to UFOs can you just kind of in a

562

00:24:28,870 --> 00:24:26,150

nutshell talk about your background and

563

00:24:31,470 --> 00:24:28,880

what got you interested yeah I mean I

564

00:24:35,770 --> 00:24:31,480

was always interested in all things

565

00:24:40,890 --> 00:24:35,780

paranormal even as a young boy and sort

566

00:24:44,020 --> 00:24:40,900

of in my late teens the subject of UFOs

567

00:24:48,480 --> 00:24:44,030

emerged and that caught my interest and

568

00:24:51,370 --> 00:24:48,490

just by chance when I was 20 years old

569

00:24:53,770 --> 00:24:51,380

an organization started here in

570

00:24:56,500 --> 00:24:53,780

Yorkshire where I live and it's called

571

00:25:00,310 --> 00:24:56,510

the Yorkshire us all Society and it had

572

00:25:02,770 --> 00:25:00,320

been founded by two brothers Graham and

573

00:25:05,080 --> 00:25:02,780

Mark birdsong some people may recognize

574

00:25:07,870 --> 00:25:05,090

Graham's name because Graham went on to

575

00:25:10,730 --> 00:25:07,880

edit UFO magazine and publish it for

576

00:25:14,870 --> 00:25:10,740

many many years very successfully

577

00:25:17,570 --> 00:25:14,880

from there I stayed a lot of years learn

578

00:25:19,789 --> 00:25:17,580

all kinds of things moved on to a

579

00:25:23,330 --> 00:25:19,799

national organization which was the

580

00:25:25,220 --> 00:25:23,340

British UFO research Association I serve

581

00:25:27,919 --> 00:25:25,230

them in many ways as conference

582

00:25:29,060 --> 00:25:27,929

organizer press officer and director of

583

00:25:33,320 --> 00:25:29,070

investigations

584

00:25:36,380 --> 00:25:33,330

I was also the MUFON wreck for England

585

00:25:38,720 --> 00:25:36,390

for a number of years as well and I went

586

00:25:41,210 --> 00:25:38,730

on to do a whole host of things Martin

587

00:25:43,250 --> 00:25:41,220

you know quite quite by chance I think I

588

00:25:46,490 --> 00:25:43,260

crushed myself as being very fortunate I

589

00:25:49,159 --> 00:25:46,500

really do but it all began you know back

590

00:25:51,350 --> 00:25:49,169

back in those days around about 1980

591

00:25:55,039 --> 00:25:51,360

when I first met Graeme and marvered a

592

00:25:58,250 --> 00:25:55,049

lot that's my beginnings wow yeah wow

593

00:26:00,289 --> 00:25:58,260

that's great hey I wanted to let you

594

00:26:02,409 --> 00:26:00,299

know that we do we do have a chat room

595

00:26:04,820 --> 00:26:02,419

going here and so we may be getting

596

00:26:09,769 --> 00:26:04,830

questions coming in from that as we go

597

00:26:12,200 --> 00:26:09,779

along here and also we have a bunch of

598

00:26:15,740 --> 00:26:12,210

questions that came in to our forum over

599

00:26:20,389 --> 00:26:15,750

the last couple of days I came in today

600

00:26:21,950 --> 00:26:20,399

and so you know I can jump in to those

601  
00:26:24,529 --> 00:26:21,960  
questions but one of the things I wanted

602  
00:26:28,159 --> 00:26:24,539  
to talk about is kind of addressed here

603  
00:26:29,299 --> 00:26:28,169  
in the first question that I see and I

604  
00:26:33,289 --> 00:26:29,309  
wanted to talk to you a little bit about

605  
00:26:36,799 --> 00:26:33,299  
the British tabloids just why they seem

606  
00:26:40,610 --> 00:26:36,809  
to be going gangbusters in the UFOs

607  
00:26:44,120 --> 00:26:40,620  
these days and how much what's your

608  
00:26:46,490 --> 00:26:44,130  
opinion on if that's hurting you know

609  
00:26:48,230 --> 00:26:46,500  
the official of the stories that are out

610  
00:26:50,180 --> 00:26:48,240  
there and when I don't mean an official

611  
00:26:52,549 --> 00:26:50,190  
but the more solid stories are out there

612  
00:26:54,289 --> 00:26:52,559  
so the first question here is do you

613  
00:26:56,320 --> 00:26:54,299

think there were many or do you think

614

00:27:00,830 --> 00:26:56,330

there were any repercussions

615

00:27:03,230 --> 00:27:00,840

repercussions from government no I don't

616

00:27:06,830 --> 00:27:03,240

I mean you know I've certainly never

617

00:27:10,850 --> 00:27:06,840

seen any and and I've never encountered

618

00:27:12,590 --> 00:27:10,860

anyone that has I mean many years back

619

00:27:15,350 --> 00:27:12,600

I'll give you an example Martin we used

620

00:27:17,659 --> 00:27:15,360

to have we formed what we called a UFO

621

00:27:20,200 --> 00:27:17,669

hotline sounds fantastic

622

00:27:22,789 --> 00:27:20,210

and this is the days before the internet

623

00:27:24,380 --> 00:27:22,799

but basically all it was was a tie for

624

00:27:26,270 --> 00:27:24,390

an answering machine

625

00:27:28,490 --> 00:27:26,280

and they had a dedicated telephone

626

00:27:30,799 --> 00:27:28,500

number I won't set that number here

627

00:27:34,789 --> 00:27:30,809

they're in everywhere like I said no

628

00:27:36,650 --> 00:27:34,799

internet and you so amazed me where the

629

00:27:38,230 --> 00:27:36,660

actual telephone number used to end up

630

00:27:40,730 --> 00:27:38,240

because when people would call us I

631

00:27:43,010 --> 00:27:40,740

would ask them as a matter of course

632

00:27:45,950 --> 00:27:43,020

where did you get the number from and

633

00:27:49,220 --> 00:27:45,960

you know there were days when if you

634

00:27:51,860 --> 00:27:49,230

rang the Ministry of Defense in white

635

00:27:54,020 --> 00:27:51,870

Oregon London they would have given to

636

00:27:55,640 --> 00:27:54,030

require UFO sighting they were giving

637

00:28:01,190 --> 00:27:55,650

you a telephone number

638

00:28:04,159 --> 00:28:01,200

Wow and I got it from RAF bases police

639

00:28:06,380 --> 00:28:04,169

police stations because one of the one

640

00:28:08,060 --> 00:28:06,390

of the things we used to try and put

641

00:28:11,000 --> 00:28:08,070

into it when we sent these things out

642

00:28:12,440 --> 00:28:11,010

certainly two official bodies we kind of

643

00:28:14,720 --> 00:28:12,450

pound it to them we'd say look Julie

644

00:28:16,820 --> 00:28:14,730

you've got better things to do you know

645

00:28:18,409 --> 00:28:16,830

because most of the time if somebody

646

00:28:21,500 --> 00:28:18,419

contacted them they would fought them

647

00:28:23,419 --> 00:28:21,510

off anyway so it was far better that we

648

00:28:26,690 --> 00:28:23,429

dealt with it and that seemed to work on

649

00:28:28,250 --> 00:28:26,700

an awful lot of occasions and the

650

00:28:31,190 --> 00:28:28,260

Ministry of Defence we would have no

651  
00:28:32,810 --> 00:28:31,200  
exception and I mean I was astonished I

652  
00:28:34,580 --> 00:28:32,820  
didn't know I just got a gentleman ring

653  
00:28:36,350 --> 00:28:34,590  
in one day and I asked a question where

654  
00:28:38,960 --> 00:28:36,360  
did you get our telephone number from

655  
00:28:41,750 --> 00:28:38,970  
any job angry em or D and this gave me

656  
00:28:43,610 --> 00:28:41,760  
so I act contacted DM or D just to back

657  
00:28:46,850 --> 00:28:43,620  
that up and I said yeah I was correct

658  
00:28:50,560 --> 00:28:46,860  
you know so no repercussions from

659  
00:28:53,150 --> 00:28:50,570  
anything we're military otherwise

660  
00:28:55,730 --> 00:28:53,160  
investigating the subject or publishing

661  
00:28:57,530 --> 00:28:55,740  
things about it I've never seen I'm not

662  
00:28:59,330 --> 00:28:57,540  
saying it doesn't happen all I'm saying

663  
00:29:04,190 --> 00:28:59,340

is I've never come across it and I don't

664

00:29:07,039 --> 00:29:04,200

know anyone that house aha now what what

665

00:29:09,260 --> 00:29:07,049

are some of the big cases now I was

666

00:29:12,740 --> 00:29:09,270

reading somewhere along the line today I

667

00:29:16,039 --> 00:29:12,750

think was a 1996 photograph that really

668

00:29:18,590 --> 00:29:16,049

intrigued you you were really looking

669

00:29:21,320 --> 00:29:18,600

into it what are the details of that

670

00:29:23,990 --> 00:29:21,330

that that one yeah I mean what I've been

671

00:29:25,630 --> 00:29:24,000

trying to do Martini's because I have a

672

00:29:28,820 --> 00:29:25,640

bit of time on my hands at the moment

673

00:29:32,990 --> 00:29:28,830

literally right next to me is a filing

674

00:29:35,720 --> 00:29:33,000

cabinet and it's mainly of reports and

675

00:29:38,030 --> 00:29:35,730

files and then I have three boxes full

676

00:29:40,730 --> 00:29:38,040

of items as well

677

00:29:43,040 --> 00:29:40,740

most of which other reserves are

678

00:29:45,800 --> 00:29:43,050

investigated myself or with colleagues

679

00:29:48,710 --> 00:29:45,810

or the colleagues of Sentinelese from

680

00:29:50,630 --> 00:29:48,720

forever reason at the time there's no

681

00:29:53,270 --> 00:29:50,640

way on earth I can remember all this lot

682

00:29:56,150 --> 00:29:53,280

you know it's it's not filed in any

683

00:29:59,500 --> 00:29:56,160

particular order martini it's just filed

684

00:30:02,480 --> 00:29:59,510

a way to protect it to keep it safe and

685

00:30:04,190 --> 00:30:02,490

some of the items I've come across and

686

00:30:06,250 --> 00:30:04,200

as soon as I see them I remember them

687

00:30:08,780 --> 00:30:06,260

one of which was the photograph you

688

00:30:11,990 --> 00:30:08,790

mentioned and it was sent in with very

689

00:30:13,460 --> 00:30:12,000

little information but it's just one of

690

00:30:16,610 --> 00:30:13,470

those little things that intrigued me

691

00:30:19,640 --> 00:30:16,620

again I actually came to me thoughts on

692

00:30:22,490 --> 00:30:19,650

secondhand it had been sent to a

693

00:30:24,230 --> 00:30:22,500

newspaper first and they contacted me

694

00:30:26,540 --> 00:30:24,240

and said can you help us with this

695

00:30:28,010 --> 00:30:26,550

Philip and there wasn't an offer for

696

00:30:30,500 --> 00:30:28,020

what we could do to be honest because

697

00:30:33,460 --> 00:30:30,510

despite the gentleman giving us his full

698

00:30:36,470 --> 00:30:33,470

name and address and telephone number

699

00:30:40,090 --> 00:30:36,480

he wasn't very forthcoming with extra

700

00:30:42,130 --> 00:30:40,100

information but if you go back way back

701  
00:30:45,020 --> 00:30:42,140  
there's a series of black-and-white

702  
00:30:46,850 --> 00:30:45,030  
photographs a tuna dolly Island so you

703  
00:30:52,130 --> 00:30:46,860  
get the island and you got this this

704  
00:30:56,090 --> 00:30:52,140  
this ha shaped UFO film was taken by the

705  
00:30:59,090 --> 00:30:56,100  
Navy and this object in this particular

706  
00:31:01,340 --> 00:30:59,100  
thing in 1996 resembles that very

707  
00:31:03,410 --> 00:31:01,350  
closely although we haven't got any

708  
00:31:05,690 --> 00:31:03,420  
foreground and background details in so

709  
00:31:07,670 --> 00:31:05,700  
one of the reasons I'm going through

710  
00:31:09,920 --> 00:31:07,680  
this archive material is to try and make

711  
00:31:11,600 --> 00:31:09,930  
it available to people who've never

712  
00:31:14,690 --> 00:31:11,610  
clapped eyes on it which is just about

713  
00:31:17,600 --> 00:31:14,700

anybody Martin you know because again

714

00:31:19,310 --> 00:31:17,610

when we investigated it there was very

715

00:31:23,530 --> 00:31:19,320

little outlet for us to publish it

716

00:31:25,520 --> 00:31:23,540

anyway so and if we did it was in

717

00:31:28,910 --> 00:31:25,530

publications that only had a very small

718

00:31:31,280 --> 00:31:28,920

circulation so quickly no one has seen

719

00:31:33,290 --> 00:31:31,290

it so I've always been in favor of

720

00:31:36,200 --> 00:31:33,300

putting things into the public domain if

721

00:31:37,970 --> 00:31:36,210

you can and people come and they'll help

722

00:31:40,100 --> 00:31:37,980

you research it certainly these days you

723

00:31:42,320 --> 00:31:40,110

can possibly online and it can go around

724

00:31:44,660 --> 00:31:42,330

the world in a blink of an eye that's

725

00:31:47,660 --> 00:31:44,670

right you know yes I'll make it

726

00:31:49,820 --> 00:31:47,670

available people can hopefully help shed

727

00:31:51,260 --> 00:31:49,830

some more light on it or not as the case

728

00:31:53,240 --> 00:31:51,270

may be

729

00:31:55,790 --> 00:31:53,250

not just photographs that's you know

730

00:31:58,820 --> 00:31:55,800

different types of sightings you know

731

00:32:00,440 --> 00:31:58,830

particularly I mean what I started to do

732

00:32:03,020 --> 00:32:00,450

is believe it on are all about a few

733

00:32:04,460 --> 00:32:03,030

cases that I remembered in fact I picked

734

00:32:07,250 --> 00:32:04,470

pick three out all the way to the

735

00:32:09,860 --> 00:32:07,260

details of them and again these were all

736

00:32:13,310 --> 00:32:09,870

cases that were pre-internet days so I

737

00:32:15,410 --> 00:32:13,320

wrote to the three witnesses in question

738

00:32:17,720 --> 00:32:15,420

and the first letter I sent out the

739

00:32:20,360 --> 00:32:17,730

gentleman was still living there still

740

00:32:23,240 --> 00:32:20,370

at the same address remembered speaking

741

00:32:25,160 --> 00:32:23,250

to me originally I just clarified a few

742

00:32:29,210 --> 00:32:25,170

items with me man I mean no I'm talking

743

00:32:31,760 --> 00:32:29,220

about 25 years or more since that was

744

00:32:33,620 --> 00:32:31,770

submitted and he's still there you know

745

00:32:37,070 --> 00:32:33,630

and still remembers the internet and and

746

00:32:40,070 --> 00:32:37,080

so on similarly another gentleman and

747

00:32:42,560 --> 00:32:40,080

his wife that I contacted they didn't

748

00:32:44,540 --> 00:32:42,570

limit the address but they're there a

749

00:32:48,320 --> 00:32:44,550

family member did and they passed a

750

00:32:50,690 --> 00:32:48,330

letter on and he absolutely refused to

751  
00:32:54,410 --> 00:32:50,700  
speak about these anymore not because of

752  
00:32:56,120 --> 00:32:54,420  
any fly or ridicule it's just I remember

753  
00:32:58,820 --> 00:32:56,130  
interviewing him I went to speak to his

754  
00:33:00,590 --> 00:32:58,830  
wife in person I terrified the living

755  
00:33:03,470 --> 00:33:00,600  
daylights out of her Martin and and he

756  
00:33:06,620 --> 00:33:03,480  
just did not want to revisit it so I

757  
00:33:09,040 --> 00:33:06,630  
accepted that you know and change the

758  
00:33:11,570 --> 00:33:09,050  
subject so you remembered it all was and

759  
00:33:14,060 --> 00:33:11,580  
had a chat about something else you know

760  
00:33:16,280 --> 00:33:14,070  
what happened family wise in between now

761  
00:33:18,350 --> 00:33:16,290  
and then and I left it alone that the

762  
00:33:19,700 --> 00:33:18,360  
gentleman doesn't want to speak you know

763  
00:33:22,880 --> 00:33:19,710

that's fair enough

764

00:33:24,110 --> 00:33:22,890

we have your staff to accept that so

765

00:33:26,270 --> 00:33:24,120

that's what I've been trying to do

766

00:33:29,090 --> 00:33:26,280

anyway and I'm still on with it yeah

767

00:33:33,280 --> 00:33:29,100

well that's great well I I really

768

00:33:36,140 --> 00:33:33,290

appreciate the cases where the people

769

00:33:40,550 --> 00:33:36,150

really don't want to talk about it you

770

00:33:42,980 --> 00:33:40,560

know a little bit it just adds in my

771

00:33:45,920 --> 00:33:42,990

opinion you know only it just adds more

772

00:33:47,570 --> 00:33:45,930

to the credibility because you know they

773

00:33:48,860 --> 00:33:47,580

went through something that's horrific

774

00:33:52,490 --> 00:33:48,870

and they really don't want to talk about

775

00:33:54,800 --> 00:33:52,500

it and you know to me it just it just

776

00:33:58,490 --> 00:33:54,810

kind of alleviates any factors any red

777

00:34:01,730 --> 00:33:58,500

flags so to speak I agree I mean I wrote

778

00:34:04,490 --> 00:34:01,740

my first book back in 1994 and it's all

779

00:34:05,529 --> 00:34:04,500

about missing time cases and cases of

780

00:34:07,930 --> 00:34:05,539

abduction

781

00:34:10,869 --> 00:34:07,940

now one gentleman now calling David

782

00:34:13,750 --> 00:34:10,879

that's not his real name I went to speak

783

00:34:17,169 --> 00:34:13,760

to him he lived on the west coast of

784

00:34:20,680 --> 00:34:17,179

Wales at a place called Perth LA now

785

00:34:23,079 --> 00:34:20,690

he's only a young young chap and the

786

00:34:25,750 --> 00:34:23,089

basic story is not quickly outline it he

787

00:34:28,990 --> 00:34:25,760

was out of work at the time he'd been to

788

00:34:31,240 --> 00:34:29,000

a friend's birthday and he was walking

789

00:34:32,589 --> 00:34:31,250

home on what he called the main road you

790

00:34:35,079 --> 00:34:32,599

know we wouldn't call it a man role

791

00:34:38,109 --> 00:34:35,089

there was nothing there in the field up

792

00:34:39,639 --> 00:34:38,119

ahead he could see a light now part of

793

00:34:41,740 --> 00:34:39,649

him told him to go and take a little but

794

00:34:45,099 --> 00:34:41,750

a little party and said don't go any

795

00:34:46,990 --> 00:34:45,109

walked up in some bushes by this field

796

00:34:49,750 --> 00:34:47,000

and he could see this object looks a bit

797

00:34:52,359 --> 00:34:49,760

like the space shot to be honest on the

798

00:34:55,960 --> 00:34:52,369

ground and then he felt a hand on his

799

00:35:00,220 --> 00:34:55,970

shoulder and next thing he knew he was

800

00:35:02,410 --> 00:35:00,230

on board this thing why not on a bed I'm

801  
00:35:04,270 --> 00:35:02,420  
there's lots more to me I'm just giving

802  
00:35:08,200 --> 00:35:04,280  
the bed but in those days we had a

803  
00:35:10,420 --> 00:35:08,210  
Walkman you know I said yes and they

804  
00:35:13,359 --> 00:35:10,430  
took this cassette from him and put it

805  
00:35:15,280 --> 00:35:13,369  
in a panel and it played the rock music

806  
00:35:17,770 --> 00:35:15,290  
it was a rock music fan and it says it

807  
00:35:19,870 --> 00:35:17,780  
was the most bizarre thing you could

808  
00:35:22,839 --> 00:35:19,880  
ever dream of you know does this

809  
00:35:25,630 --> 00:35:22,849  
otherworldly environment with this rock

810  
00:35:28,539 --> 00:35:25,640  
music blaring out anyway he will

811  
00:35:30,460 --> 00:35:28,549  
eventually you know returned it was

812  
00:35:33,130 --> 00:35:30,470  
actually found by a police officer on

813  
00:35:34,960 --> 00:35:33,140

patrol in a police car staggering down

814

00:35:36,910 --> 00:35:34,970

the road wasn't drunk

815

00:35:38,620 --> 00:35:36,920

well I said to me Bertie friend's

816

00:35:40,569 --> 00:35:38,630

birthday party muscle managing she's

817

00:35:44,010 --> 00:35:40,579

fluid we were all unemployed you think

818

00:35:47,740 --> 00:35:44,020

you know we didn't have any money and

819

00:35:48,849 --> 00:35:47,750

when he go home live with his mom she

820

00:35:52,960 --> 00:35:48,859

was a single parent

821

00:35:55,539 --> 00:35:52,970

and he was Sulu terrified he told me mum

822

00:35:57,069 --> 00:35:55,549

everything it could remember it all she

823

00:36:00,400 --> 00:35:57,079

went to the library the next day and

824

00:36:02,650 --> 00:36:00,410

found warmed us whole book and it

825

00:36:04,960 --> 00:36:02,660

mentioned the UFO organization called

826  
00:36:05,440 --> 00:36:04,970  
contact International they were down in

827  
00:36:08,440 --> 00:36:05,450  
Oxford

828  
00:36:10,150 --> 00:36:08,450  
she's nowhere near Perth Ellie so she

829  
00:36:11,950 --> 00:36:10,160  
want us to get a phone number for them

830  
00:36:14,200 --> 00:36:11,960  
and spoke to them and she said were

831  
00:36:16,359 --> 00:36:14,210  
ringing back I'm all arranged you know

832  
00:36:18,880 --> 00:36:16,369  
come out and see yeah I'll get somebody

833  
00:36:19,240 --> 00:36:18,890  
there so the following night you know

834  
00:36:22,270 --> 00:36:19,250  
Dave

835  
00:36:24,010 --> 00:36:22,280  
ghostbed ears still tell if I want to

836  
00:36:26,860 --> 00:36:24,020  
say terrified are using the word

837  
00:36:28,840 --> 00:36:26,870  
incorrectly so what his mom did he can

838  
00:36:30,280 --> 00:36:28,850

now start to snow level issues they put

839

00:36:33,280 --> 00:36:30,290

him in the back of the car got this

840

00:36:35,950 --> 00:36:33,290

address got a map and drove to Watford

841

00:36:38,110 --> 00:36:35,960

which is a long drive and knocked on

842

00:36:39,910 --> 00:36:38,120

this fellas dawn in the morning and I

843

00:36:41,560 --> 00:36:39,920

know the gentleman in question and there

844

00:36:43,900 --> 00:36:41,570

was David in the back of the car you

845

00:36:47,850 --> 00:36:43,910

know I'm shivering and quaking cut a

846

00:36:51,190 --> 00:36:47,860

long story short David didn't have any

847

00:36:54,400 --> 00:36:51,200

regressive hypnosis he had to have no

848

00:36:55,900 --> 00:36:54,410

therapy to relieve him of the fear and

849

00:36:58,630 --> 00:36:55,910

the nightmares he had about this

850

00:37:00,700 --> 00:36:58,640

encounter no I interviewed him twice you

851  
00:37:03,250 --> 00:37:00,710  
talked to him by this time you know he

852  
00:37:06,970 --> 00:37:03,260  
got a job he got a girlfriend to like

853  
00:37:08,740 --> 00:37:06,980  
rock music and you talked to him about

854  
00:37:10,660 --> 00:37:08,750  
history obviously and it was like any

855  
00:37:14,230 --> 00:37:10,670  
any young fella but you soon as you

856  
00:37:16,570 --> 00:37:14,240  
changed the direction it starts to talk

857  
00:37:19,510 --> 00:37:16,580  
about his encounter he became nervous

858  
00:37:21,730 --> 00:37:19,520  
and agitated and I didn't realize I

859  
00:37:23,170 --> 00:37:21,740  
seriously take me to the location and

860  
00:37:25,960 --> 00:37:23,180  
they did I have a photograph of him

861  
00:37:27,280 --> 00:37:25,970  
stood there and he's something like it

862  
00:37:30,370 --> 00:37:27,290  
like like a piece of woman he's

863  
00:37:33,100 --> 00:37:30,380

terrified so what I wrote the book one

864

00:37:35,290 --> 00:37:33,110

of the things I did I sent it to a

865

00:37:38,190 --> 00:37:35,300

number of the witnesses in the book and

866

00:37:40,750 --> 00:37:38,200

I sent it to David they thanked me and

867

00:37:43,050 --> 00:37:40,760

he was still that scared he didn't

868

00:37:46,750 --> 00:37:43,060

actually read the book for three years

869

00:37:49,030 --> 00:37:46,760

left it up there on opened although he

870

00:37:50,680 --> 00:37:49,040

thanked me for it he didn't read it for

871

00:37:53,740 --> 00:37:50,690

three years

872

00:37:56,230 --> 00:37:53,750

and you know that just shows you what

873

00:37:59,020 --> 00:37:56,240

kind of and all those things that can a

874

00:38:01,060 --> 00:37:59,030

rare that's not a typical but it gave

875

00:38:05,110 --> 00:38:01,070

you terrified living daylights out of

876

00:38:07,830 --> 00:38:05,120

them and like you said marking that you

877

00:38:10,300 --> 00:38:07,840

know as a huge degree of credibility

878

00:38:12,370 --> 00:38:10,310

because sometimes it's not all about

879

00:38:13,630 --> 00:38:12,380

what the witness claims they may or may

880

00:38:16,870 --> 00:38:13,640

not have seen it's actually about the

881

00:38:21,220 --> 00:38:16,880

witness themselves that's the the that's

882

00:38:23,980 --> 00:38:21,230

that's the area of concentration yeah

883

00:38:26,350 --> 00:38:23,990

yeah yeah um one of the things I did

884

00:38:27,910 --> 00:38:26,360

mention so I like to kind of get this

885

00:38:29,350 --> 00:38:27,920

part of the show out of the way cuz I

886

00:38:32,230 --> 00:38:29,360

don't want to forget about it and that

887

00:38:35,890 --> 00:38:32,240

is some I had wanted or

888

00:38:40,000 --> 00:38:35,900

started out wanting to ask you why there

889

00:38:43,690 --> 00:38:40,010

is do you think it's the the clickbait

890

00:38:46,320 --> 00:38:43,700

is like they call it clickbait UFOs such

891

00:38:48,580 --> 00:38:46,330

a hot topic for the tabloids in the UK

892

00:38:52,530 --> 00:38:48,590

in the last I want to say in the last

893

00:38:55,440 --> 00:38:52,540

couple years especially have you yeah

894

00:38:58,780 --> 00:38:55,450

yeah absolutely because you know online

895

00:39:01,240 --> 00:38:58,790

it's packed with advertising if you

896

00:39:03,520 --> 00:39:01,250

access one of these articles and I've

897

00:39:06,310 --> 00:39:03,530

you know recently I've been involved

898

00:39:08,800 --> 00:39:06,320

with articles for the national newspaper

899

00:39:10,900 --> 00:39:08,810

that have gone online and as soon as you

900

00:39:13,360 --> 00:39:10,910

log on to it there's you know articles

901  
00:39:14,380 --> 00:39:13,370  
of those advertisements pop up here

902  
00:39:17,290 --> 00:39:14,390  
they're in everywhere

903  
00:39:20,650 --> 00:39:17,300  
you spend the first you know minute or

904  
00:39:22,660 --> 00:39:20,660  
so closing down all the paparazzi you

905  
00:39:24,940 --> 00:39:22,670  
getting your face got then things annoy

906  
00:39:27,460 --> 00:39:24,950  
me but there's money to be made out of

907  
00:39:29,670 --> 00:39:27,470  
advertising and you know and let's be

908  
00:39:31,330 --> 00:39:29,680  
honest about it does attract an audience

909  
00:39:33,370 --> 00:39:31,340  
and that's what they're all about

910  
00:39:35,290 --> 00:39:33,380  
newspapers aren't necessarily whether

911  
00:39:37,570 --> 00:39:35,300  
they're online or in the traditional

912  
00:39:39,700 --> 00:39:37,580  
print ones you know they're there to

913  
00:39:41,650 --> 00:39:39,710

make money they're not there necessarily

914

00:39:42,880 --> 00:39:41,660

to print the truth you know know what

915

00:39:46,630 --> 00:39:42,890

the truth get in the way of a good story

916

00:39:49,440 --> 00:39:46,640

you know it's an old scene United I mean

917

00:39:52,300 --> 00:39:49,450

and the interest as far as the

918

00:39:56,170 --> 00:39:52,310

newspapers are concerned goes up and

919

00:40:00,220 --> 00:39:56,180

down you know martini they used to call

920

00:40:02,260 --> 00:40:00,230

it a silly season subject you know when

921

00:40:04,660 --> 00:40:02,270

Parliament was closed and the football

922

00:40:06,520 --> 00:40:04,670

season has ended you know what we're

923

00:40:08,080 --> 00:40:06,530

gonna write about now oh yeah you know

924

00:40:09,940 --> 00:40:08,090

and it always tended to be around about

925

00:40:12,100 --> 00:40:09,950

the summer time was was the peak of the

926

00:40:14,140 --> 00:40:12,110

interest you know there's no football

927

00:40:16,690 --> 00:40:14,150

there was no politics you know no

928

00:40:20,140 --> 00:40:16,700

scandals alright we'll do a few articles

929

00:40:23,680 --> 00:40:20,150

about UFOs but now with it being online

930

00:40:25,600 --> 00:40:23,690

it's you know they look around and I'm

931

00:40:26,620 --> 00:40:25,610

starting on their instant the way you

932

00:40:31,930 --> 00:40:26,630

don't even have to have your permission

933

00:40:33,160 --> 00:40:31,940

you know but also you know let's be

934

00:40:36,370 --> 00:40:33,170

honest about it

935

00:40:39,010 --> 00:40:36,380

you know we can use it to our advantage

936

00:40:41,170 --> 00:40:39,020

as well if you're trying to get

937

00:40:44,860 --> 00:40:41,180

information about something or promote

938

00:40:46,270 --> 00:40:44,870

something or whatever then you know you

939

00:40:48,880 --> 00:40:46,280

can use it to your advantage

940

00:40:50,800 --> 00:40:48,890

doesn't work both ways but most of the

941

00:40:52,840 --> 00:40:50,810

time it works in favor of the newspaper

942

00:40:54,520 --> 00:40:52,850

so let's just remember that with that

943

00:40:55,000 --> 00:40:54,530

the debtor sell things are there to make

944

00:40:57,430 --> 00:40:55,010

money

945

00:40:59,590 --> 00:40:57,440

and as long as we understand that then

946

00:41:01,720 --> 00:40:59,600

you know how to treat you that that's a

947

00:41:03,760 --> 00:41:01,730

really good point and I know a lot of

948

00:41:07,210 --> 00:41:03,770

times they will not source their story

949

00:41:10,300 --> 00:41:07,220

or they'll improperly source it and they

950

00:41:11,800 --> 00:41:10,310

will also they'll also just roll with

951

00:41:14,800 --> 00:41:11,810

something anything that comes out

952

00:41:17,730 --> 00:41:14,810

without really looking into it it's it's

953

00:41:20,830 --> 00:41:17,740

you can tell that it's definitely just

954

00:41:21,760 --> 00:41:20,840

you know definitely for the clicks for

955

00:41:23,350 --> 00:41:21,770

sure absolutely

956

00:41:24,910 --> 00:41:23,360

you know it's amazing where that where

957

00:41:26,770 --> 00:41:24,920

they grabbed it from sometimes

958

00:41:28,960 --> 00:41:26,780

perceiving the person that's originally

959

00:41:30,640 --> 00:41:28,970

rhythmic doesn't know we send it up in

960

00:41:33,430 --> 00:41:30,650

in the Sun or the Daily Mirror or

961

00:41:33,730 --> 00:41:33,440

whatever online you know I haven't got a

962

00:41:35,230 --> 00:41:33,740

clue

963

00:41:38,530 --> 00:41:35,240

so yeah but that's what it's all about

964

00:41:40,720 --> 00:41:38,540

marching right right so another question

965

00:41:43,030 --> 00:41:40,730

that came in its says the Rendlesham

966

00:41:45,190 --> 00:41:43,040

news story didn't break until three

967

00:41:46,540 --> 00:41:45,200

years after the actual event I think I

968

00:41:49,570 --> 00:41:46,550

didn't then know it was three years but

969

00:41:51,400 --> 00:41:49,580

anyway do you think there are other

970

00:41:53,140 --> 00:41:51,410

incidents that may have occurred but

971

00:41:55,570 --> 00:41:53,150

never have been reported to the public

972

00:41:57,130 --> 00:41:55,580

in this modern Internet age oh

973

00:41:58,990 --> 00:41:57,140

absolutely

974

00:42:01,390 --> 00:41:59,000

yeah well there's no doubt about yeah

975

00:42:05,260 --> 00:42:01,400

and I can give you an example friend of

976  
00:42:08,470 --> 00:42:05,270  
mine sadly no longer with us was down in

977  
00:42:12,460 --> 00:42:08,480  
the Midlands of the UK ally was just in

978  
00:42:15,280 --> 00:42:12,470  
a pub one night this is about I don't

979  
00:42:16,120 --> 00:42:15,290  
know five or six years ago now maybe a

980  
00:42:18,670 --> 00:42:16,130  
little longer

981  
00:42:20,950 --> 00:42:18,680  
that he was a UFO investigator but he

982  
00:42:22,540 --> 00:42:20,960  
wasn't there about and I was just

983  
00:42:24,940 --> 00:42:22,550  
chatting away at the bar and you know

984  
00:42:26,970 --> 00:42:24,950  
the subject came up and there was a

985  
00:42:30,490 --> 00:42:26,980  
gentleman sat down and said excuse me

986  
00:42:31,420 --> 00:42:30,500  
elderly gentleman and he's you know can

987  
00:42:36,010 --> 00:42:31,430  
I have a word with you

988  
00:42:40,060 --> 00:42:36,020

only also now he was a retired RAF Wing

989

00:42:42,820 --> 00:42:40,070

Commander OBE so he was actually caught

990

00:42:46,020 --> 00:42:42,830

got a medal from the Queen as well and

991

00:42:51,520 --> 00:42:46,030

he told them about an incident he'd

992

00:42:54,310 --> 00:42:51,530

personally witnessed back in the 1960s

993

00:42:57,880 --> 00:42:54,320

he had the highest security clearance

994

00:43:00,010 --> 00:42:57,890

she could have in the RAF and his

995

00:43:02,680 --> 00:43:00,020

security was so high that when the

996

00:43:05,440 --> 00:43:02,690

American spy plane came in to land in

997

00:43:08,140 --> 00:43:05,450

Britain for refueling or whatever he was

998

00:43:11,500 --> 00:43:08,150

mortified right now if he was on duty

999

00:43:14,800 --> 00:43:11,510

one night that I had covered the whole

1000

00:43:18,220 --> 00:43:14,810

of the UK and he was also in touch with

1001  
00:43:21,970 --> 00:43:18,230  
other both civilian and military radar

1002  
00:43:26,110 --> 00:43:21,980  
stations when he tracked 6u Ethel's over

1003  
00:43:29,590 --> 00:43:26,120  
mainland Britain and he came eventually

1004  
00:43:33,610 --> 00:43:29,600  
to like my colleague told me about this

1005  
00:43:36,220 --> 00:43:33,620  
and I got in touch with him and he told

1006  
00:43:37,960 --> 00:43:36,230  
me a story he came to let you know one

1007  
00:43:42,820 --> 00:43:37,970  
of our conferences was getting on in

1008  
00:43:45,700 --> 00:43:42,830  
years then and he said I reported it

1009  
00:43:48,040 --> 00:43:45,710  
straight away to the powers that be they

1010  
00:43:52,450 --> 00:43:48,050  
are didn't be to make an immediate

1011  
00:43:54,070 --> 00:43:52,460  
report of it which he did and you know

1012  
00:43:55,870 --> 00:43:54,080  
having not been for that casual

1013  
00:43:58,030 --> 00:43:55,880

conversation in the pond tonight we

1014

00:44:01,150 --> 00:43:58,040

probably never have heard of it wrongly

1015

00:44:03,790 --> 00:44:01,160

that this Wing Commander each told me

1016

00:44:05,680 --> 00:44:03,800

about a colleague of his who had a

1017

00:44:08,200 --> 00:44:05,690

similar sighting but not on such a grand

1018

00:44:10,300 --> 00:44:08,210

scale so he put me in touch with him and

1019

00:44:13,180 --> 00:44:10,310

I would nice to interview him as well

1020

00:44:16,000 --> 00:44:13,190

and this is the cutest thing that the

1021

00:44:17,770 --> 00:44:16,010

Wing Commander you know they we could

1022

00:44:20,350 --> 00:44:17,780

find no record of it in the Emily's

1023

00:44:22,240 --> 00:44:20,360

files I mean nothing now if his

1024

00:44:27,070 --> 00:44:22,250

colleague who was a lower ranking

1025

00:44:30,880 --> 00:44:27,080

officer he had a sighting that they

1026

00:44:32,620 --> 00:44:30,890

captured on radar and on the the RAF

1027

00:44:34,660 --> 00:44:32,630

base they used to have guards around the

1028

00:44:38,080 --> 00:44:34,670

perimeter two of the guards actually saw

1029

00:44:39,940 --> 00:44:38,090

it visually as well so I submitted a

1030

00:44:44,560 --> 00:44:39,950

request to the MRD

1031

00:44:47,400 --> 00:44:44,570

waist it's curious the two guards you

1032

00:44:50,260 --> 00:44:47,410

know I got their report but not this

1033

00:44:53,830 --> 00:44:50,270

superior not that not the boss he's

1034

00:44:55,900 --> 00:44:53,840

reporting nowhere in the files at all so

1035

00:44:57,610 --> 00:44:55,910

both of those would have gone unknown

1036

00:44:59,920 --> 00:44:57,620

had it not been for the casual

1037

00:45:02,500 --> 00:44:59,930

conversation in a pub one night so he

1038

00:45:04,300 --> 00:45:02,510

announces other other other incidents

1039

00:45:05,110 --> 00:45:04,310

out there large and small most

1040

00:45:09,040 --> 00:45:05,120

definitely

1041

00:45:11,680 --> 00:45:09,050

well without without dealt and who knows

1042

00:45:13,510 --> 00:45:11,690

what will turn up next yeah yeah I think

1043

00:45:16,600 --> 00:45:13,520

he was sort of a

1044

00:45:19,420 --> 00:45:16,610

trying to insinuate a possible cover-up

1045

00:45:21,760 --> 00:45:19,430

but I'm not really sure if that's well I

1046

00:45:24,940 --> 00:45:21,770

mean I mean it is the duty of all

1047

00:45:28,360 --> 00:45:24,950

governments to keep secrets you know

1048

00:45:30,160 --> 00:45:28,370

let's let's not forget that so do the

1049

00:45:33,520 --> 00:45:30,170

government does our government withhold

1050

00:45:36,220 --> 00:45:33,530

things from us yes we are covered by the

1051  
00:45:38,050 --> 00:45:36,230  
you know the Official Secrets Act which

1052  
00:45:42,070 --> 00:45:38,060  
I believe was brought in for the first

1053  
00:45:43,900 --> 00:45:42,080  
world war so he can one out a date and

1054  
00:45:47,770 --> 00:45:43,910  
I'll give you an example a colleague of

1055  
00:45:49,840 --> 00:45:47,780  
mine used to work in a textile mill and

1056  
00:45:51,310 --> 00:45:49,850  
he had to sign the Official Secrets Act

1057  
00:45:52,150 --> 00:45:51,320  
and that's why it was joking this is

1058  
00:45:55,090 --> 00:45:52,160  
known for a buyout

1059  
00:45:57,790 --> 00:45:55,100  
I said why he said well we make some of

1060  
00:46:01,570 --> 00:45:57,800  
the cloth we make is for military dress

1061  
00:46:04,450 --> 00:46:01,580  
uniforms you know he's not high-tech

1062  
00:46:06,610 --> 00:46:04,460  
it's just uniforms but you still have to

1063  
00:46:09,940 --> 00:46:06,620

sign the Official Secrets Act listen

1064

00:46:12,190 --> 00:46:09,950

something yeah so yes they do keep

1065

00:46:15,220 --> 00:46:12,200

secrets and I'm sure they keep secret

1066

00:46:18,000 --> 00:46:15,230

about UFOs boy what are its secrets that

1067

00:46:20,610 --> 00:46:18,010

they know more than us I'm not so sure

1068

00:46:24,250 --> 00:46:20,620

but yes they don't withhold information

1069

00:46:26,560 --> 00:46:24,260

on a whole host of topics and that

1070

00:46:28,590 --> 00:46:26,570

includes UFOs Martin I don't think

1071

00:46:32,320 --> 00:46:28,600

there's any doubt about that yeah now

1072

00:46:37,810 --> 00:46:32,330

here in the u.s. we have the the Federal

1073

00:46:41,620 --> 00:46:37,820

Aviation the FAA and they're very

1074

00:46:44,140 --> 00:46:41,630

cautious about you know discussing any

1075

00:46:45,130 --> 00:46:44,150

part of UFOs or you know I'm sure you're

1076

00:46:50,140 --> 00:46:45,140

very familiar with that

1077

00:46:53,530 --> 00:46:50,150

what about radar operators in the UK are

1078

00:46:55,960 --> 00:46:53,540

they also like regulated or can you

1079

00:46:58,270 --> 00:46:55,970

actually speak to those purse you know

1080

00:47:00,700 --> 00:46:58,280

those people that are radar operators

1081

00:47:05,380 --> 00:47:00,710

and in about you know talk to them about

1082

00:47:08,010 --> 00:47:05,390

UFOs yeah I mean I you know we've not

1083

00:47:12,190 --> 00:47:08,020

found that there's a specific order

1084

00:47:14,860 --> 00:47:12,200

that's gone out to all the civilian air

1085

00:47:16,990 --> 00:47:14,870

stations saying this is what you must

1086

00:47:20,500 --> 00:47:17,000

say what you must not say it seems to be

1087

00:47:23,680 --> 00:47:20,510

down to each individual you know airport

1088

00:47:26,260 --> 00:47:23,690

or area that they cover I also found

1089

00:47:27,400 --> 00:47:26,270

that with with RAF bases and police

1090

00:47:29,559 --> 00:47:27,410

stations that we used

1091

00:47:32,319 --> 00:47:29,569

deal with as well it was down to whether

1092

00:47:35,160 --> 00:47:32,329

they could be bothered or not and so

1093

00:47:38,859 --> 00:47:35,170

sometimes you will contact a particular

1094

00:47:40,930 --> 00:47:38,869

airport and ask about what was seen on

1095

00:47:43,359 --> 00:47:40,940

on or did you have this I did you have

1096

00:47:46,420 --> 00:47:43,369

that and sometimes they'll give you a

1097

00:47:49,210 --> 00:47:46,430

nice apply which is just go away there's

1098

00:47:52,180 --> 00:47:49,220

still nicely but all over the cages no

1099

00:47:54,039 --> 00:47:52,190

they I have to have cooperated and so

1100

00:47:56,289 --> 00:47:54,049

it's just I think it's just take potluck

1101

00:47:58,809 --> 00:47:56,299

really there doesn't seem to be any one

1102

00:48:01,270 --> 00:47:58,819

official wine different with it with the

1103

00:48:04,569 --> 00:48:01,280

military of course but certainly the

1104

00:48:08,920 --> 00:48:04,579

civilian aviation you know I found it a

1105

00:48:10,750 --> 00:48:08,930

very mixed response so you know you just

1106

00:48:14,920 --> 00:48:10,760

take it as it comes really what we try

1107

00:48:16,779 --> 00:48:14,930

to do Martin again the days before the

1108

00:48:20,559 --> 00:48:16,789

internet will you should try and build a

1109

00:48:22,299 --> 00:48:20,569

rapport with our local air bases and

1110

00:48:26,109 --> 00:48:22,309

civilian air stations you know on

1111

00:48:29,319 --> 00:48:26,119

airports and build kind of a trust with

1112

00:48:31,089 --> 00:48:29,329

them and then you know if we got a

1113

00:48:33,130 --> 00:48:31,099

sighting in we could we could contact

1114

00:48:35,079 --> 00:48:33,140

the airport and say you know did you

1115

00:48:36,430 --> 00:48:35,089

have any traffic in this area at that

1116

00:48:39,250 --> 00:48:36,440

time yes or no please

1117

00:48:41,650 --> 00:48:39,260

and then you wouldn't pester the living

1118

00:48:43,539 --> 00:48:41,660

daylights out of them so you know I

1119

00:48:45,400 --> 00:48:43,549

think sometimes we've forgotten how to

1120

00:48:47,769 --> 00:48:45,410

do that we like everything now on

1121

00:48:48,519 --> 00:48:47,779

instant you know we we cease all I and I

1122

00:48:51,730 --> 00:48:48,529

want it now

1123

00:48:53,589 --> 00:48:51,740

you know and and and so sometimes that

1124

00:48:55,089 --> 00:48:53,599

what now works against is but we

1125

00:48:58,359 --> 00:48:55,099

certainly had a lot of success I

1126  
00:49:00,220 --> 00:48:58,369  
remember speaking to though the one of

1127  
00:49:01,870 --> 00:49:00,230  
the RAF places here and they're there

1128  
00:49:03,970 --> 00:49:01,880  
their public relations office it was

1129  
00:49:06,130 --> 00:49:03,980  
extremely helpful now whether he had a

1130  
00:49:09,190 --> 00:49:06,140  
personal interest or not we could never

1131  
00:49:11,400 --> 00:49:09,200  
find out but it was just the way it went

1132  
00:49:14,200 --> 00:49:11,410  
and we you know we speak to another

1133  
00:49:16,660 --> 00:49:14,210  
Elliott place and we thought were all a

1134  
00:49:18,430 --> 00:49:16,670  
bunch of lunatics so that's just the way

1135  
00:49:20,470 --> 00:49:18,440  
he went you know it's up to you to time

1136  
00:49:22,599 --> 00:49:20,480  
prove to them that you weren't but you

1137  
00:49:25,359 --> 00:49:22,609  
know always that easy yeah yeah yeah for

1138  
00:49:27,400 --> 00:49:25,369

sure you know one of my favorite cases

1139

00:49:29,079 --> 00:49:27,410

up there I have a couple of them of

1140

00:49:33,640 --> 00:49:29,089

course you know Rendlesham forces way up

1141

00:49:35,769 --> 00:49:33,650

there but is the 2007 alderney UFO

1142

00:49:37,990 --> 00:49:35,779

setting across yeah yeah

1143

00:49:40,059 --> 00:49:38,000

did you have that to me I think that is

1144

00:49:40,440 --> 00:49:40,069

just an amazing signing to have you ever

1145

00:49:43,589 --> 00:49:40,450

looked

1146

00:49:46,430 --> 00:49:43,599

- that yourself well again I you know I

1147

00:49:50,250 --> 00:49:46,440

did I need correspond with the pilots

1148

00:49:53,490 --> 00:49:50,260

for a while via email ah yes our rate

1149

00:49:56,970 --> 00:49:53,500

was a rape our disaster guy gentleman

1150

00:49:58,290 --> 00:49:56,980

yes it was it was investigated by an old

1151  
00:50:00,210 --> 00:49:58,300  
friend and colleague of mine it was

1152  
00:50:02,760 --> 00:50:00,220  
rather skeptical am i early that's

1153  
00:50:06,930 --> 00:50:02,770  
called David Clarke or dr. David Clarke

1154  
00:50:09,660 --> 00:50:06,940  
he does have a PhD in fairness to David

1155  
00:50:13,170 --> 00:50:09,670  
he went on on the record saying this is

1156  
00:50:15,210 --> 00:50:13,180  
the best witness I've ever spoken to and

1157  
00:50:17,400 --> 00:50:15,220  
that was captain ray hour and of course

1158  
00:50:21,870 --> 00:50:17,410  
you know the air stations involved at

1159  
00:50:24,990 --> 00:50:21,880  
the time cooperated quite openly you

1160  
00:50:26,430 --> 00:50:25,000  
know captain captain Bauer wasn't put on

1161  
00:50:31,410 --> 00:50:26,440  
and thereupon during any pressure from

1162  
00:50:33,300 --> 00:50:31,420  
anyone anywhere you know we did discuss

1163  
00:50:34,680 --> 00:50:33,310

the possibility of him speaking at one

1164

00:50:36,420 --> 00:50:34,690

of our conferences that we had at the

1165

00:50:38,790 --> 00:50:36,430

time and it wasn't against that idea it

1166

00:50:40,620 --> 00:50:38,800

was just a very busy man you know it

1167

00:50:43,609 --> 00:50:40,630

wasn't saying no we're just saying well

1168

00:50:47,190 --> 00:50:43,619

you know I have to work for a living

1169

00:50:49,170 --> 00:50:47,200

they did cooperate and you know

1170

00:50:51,540 --> 00:50:49,180

something was tracked on way now whether

1171

00:50:55,530 --> 00:50:51,550

it was the same as the sighting of

1172

00:50:57,480 --> 00:50:55,540

captain rape I'm not entirely sure you

1173

00:50:59,430 --> 00:50:57,490

know it's you use your own judgment in

1174

00:51:02,670 --> 00:50:59,440

that respect but I trust my friend David

1175

00:51:06,420 --> 00:51:02,680

Clark when he says he's the best UFO

1176  
00:51:07,050 --> 00:51:06,430  
witness he's ever spoken to Wow for the

1177  
00:51:09,059 --> 00:51:07,060  
listener

1178  
00:51:11,520 --> 00:51:09,069  
that's not familiar with the story can

1179  
00:51:13,950 --> 00:51:11,530  
you kind of go over what exactly

1180  
00:51:15,660 --> 00:51:13,960  
happened yeah well captain captain maybe

1181  
00:51:17,400 --> 00:51:15,670  
I was flying a small aircraft

1182  
00:51:19,760 --> 00:51:17,410  
you know civilian aircraft from mainland

1183  
00:51:22,200 --> 00:51:19,770  
Britain across to the Channel Islands

1184  
00:51:25,339 --> 00:51:22,210  
it's only he's on a short flight you

1185  
00:51:27,809 --> 00:51:25,349  
know he could do it with his eyes closed

1186  
00:51:29,790 --> 00:51:27,819  
if people don't know where that general

1187  
00:51:32,760 --> 00:51:29,800  
islands are there why off the the the

1188  
00:51:34,440 --> 00:51:32,770

southern part of England and I'm told

1189

00:51:35,640 --> 00:51:34,450

them very being smart never been there

1190

00:51:38,040 --> 00:51:35,650

it's the only part of Britain that was

1191

00:51:40,020 --> 00:51:38,050

occupied by the Germans from the Second

1192

00:51:42,059 --> 00:51:40,030

World War that was the Channel Islands

1193

00:51:47,670 --> 00:51:42,069

they are actually closer to France and

1194

00:51:49,109 --> 00:51:47,680

20 are the UK no yeah so you know in

1195

00:51:51,059 --> 00:51:49,119

bounce around

1196

00:51:53,770 --> 00:51:51,069

he got passengers behind him of course

1197

00:51:57,040 --> 00:51:53,780

he saw this huge

1198

00:51:59,800 --> 00:51:57,050

yellow oblong object in the distance I

1199

00:52:03,850 --> 00:51:59,810

want to say huge I do mean extremely

1200

00:52:05,740 --> 00:52:03,860

large now catch it bow was only you know

1201  
00:52:08,920 --> 00:52:05,750  
concern was for the safety of his

1202  
00:52:10,920 --> 00:52:08,930  
aircraft and his passengers so he did

1203  
00:52:13,230 --> 00:52:10,930  
the necessary you know

1204  
00:52:17,290 --> 00:52:13,240  
contacting the tower at all the neck

1205  
00:52:18,940 --> 00:52:17,300  
reported what he was seeing passengers

1206  
00:52:20,350 --> 00:52:18,950  
behind him could hear what was going on

1207  
00:52:22,180 --> 00:52:20,360  
this is only a small aircraft so they

1208  
00:52:24,520 --> 00:52:22,190  
took a look as well and they could see

1209  
00:52:26,410 --> 00:52:24,530  
it and of course he reported it

1210  
00:52:28,180 --> 00:52:26,420  
officially programming because he

1211  
00:52:29,800 --> 00:52:28,190  
thought this was a threat whatever it

1212  
00:52:31,420 --> 00:52:29,810  
was he didn't know what it was

1213  
00:52:34,150 --> 00:52:31,430

he'd never seen anything ice before I

1214

00:52:37,740 --> 00:52:34,160

mean this thing was very very big a big

1215

00:52:41,200 --> 00:52:37,750

oblong he thought it could be you know

1216

00:52:43,600 --> 00:52:41,210

have a detrimental effect to aircraft in

1217

00:52:45,790 --> 00:52:43,610

the area including his own you know that

1218

00:52:47,560 --> 00:52:45,800

was his primary concern was the safety

1219

00:52:49,570 --> 00:52:47,570

aspect mm-hmm

1220

00:52:52,060 --> 00:52:49,580

and again I think that added to his

1221

00:52:54,460 --> 00:52:52,070

credibility he didn't say what it was he

1222

00:52:56,920 --> 00:52:54,470

just said I don't know what it was never

1223

00:52:59,800 --> 00:52:56,930

seen and he'd flown this route you know

1224

00:53:01,090 --> 00:52:59,810

for a long time it was a regular thing

1225

00:53:03,220 --> 00:53:01,100

he did like I said he could probably

1226

00:53:05,680 --> 00:53:03,230

flying with his eyes closed you know it

1227

00:53:08,350 --> 00:53:05,690

was that regular but he was his own only

1228

00:53:10,120 --> 00:53:08,360

concern about the safety of his aircraft

1229

00:53:12,010 --> 00:53:10,130

and his passengers and that's why he

1230

00:53:15,550 --> 00:53:12,020

reported this thing because it could be

1231

00:53:19,180 --> 00:53:15,560

a something of a hazardous nature and

1232

00:53:22,750 --> 00:53:19,190

again that asked to expect in my just my

1233

00:53:24,490 --> 00:53:22,760

opinion had to his credibility he was

1234

00:53:25,960 --> 00:53:24,500

calling an alien spaceship or flying

1235

00:53:28,210 --> 00:53:25,970

saucer or anything like that just

1236

00:53:28,810 --> 00:53:28,220

dissing white never seen anything like

1237

00:53:34,180 --> 00:53:28,820

it

1238

00:53:36,700 --> 00:53:34,190

know in this in the same area and you

1239

00:53:39,190 --> 00:53:36,710

make of it what you will you know as

1240

00:53:41,740 --> 00:53:39,200

simple as well I think that I think

1241

00:53:44,230 --> 00:53:41,750

somewhere I was reading he he thought it

1242

00:53:46,270 --> 00:53:44,240

could possibly be a mile wide or

1243

00:53:48,130 --> 00:53:46,280

something like that absolutely it was

1244

00:53:51,300 --> 00:53:48,140

huge that was an estimate I mean that

1245

00:53:54,580 --> 00:53:51,310

was one of the difficulties he had was

1246

00:53:56,500 --> 00:53:54,590

estimating its exact size I mean if

1247

00:53:58,030 --> 00:53:56,510

you'd seen another aircraft it could

1248

00:54:00,280 --> 00:53:58,040

have told you we Germany how big it was

1249

00:54:01,750 --> 00:54:00,290

but he knew all the aircraft that flew

1250

00:54:04,810 --> 00:54:01,760

floating around there he hasn't just

1251  
00:54:07,569 --> 00:54:04,820  
flown little airplanes so but this thing

1252  
00:54:09,940 --> 00:54:07,579  
was huge humongous anything yeah

1253  
00:54:12,489 --> 00:54:09,950  
difficulty you know trying to estimate

1254  
00:54:15,359 --> 00:54:12,499  
the size of this thing because let's

1255  
00:54:18,009 --> 00:54:15,369  
face it if you're in if you're a pilot

1256  
00:54:20,589 --> 00:54:18,019  
there's nothing that we have that flies

1257  
00:54:23,319 --> 00:54:20,599  
is that is that big you know you know

1258  
00:54:25,120 --> 00:54:23,329  
you can't say it was as big as a X on a

1259  
00:54:26,349 --> 00:54:25,130  
wire on a Zed because they don't exist

1260  
00:54:28,539 --> 00:54:26,359  
yeah

1261  
00:54:30,339 --> 00:54:28,549  
what's quite remarkable yes and of

1262  
00:54:32,529 --> 00:54:30,349  
course he went public with it he didn't

1263  
00:54:35,049 --> 00:54:32,539

suffer anything by going public he

1264

00:54:36,940 --> 00:54:35,059

wasn't really killed you know you could

1265

00:54:39,910 --> 00:54:36,950

tell my speaking to the gentleman it was

1266

00:54:43,660 --> 00:54:39,920

genuinely concerned his observation

1267

00:54:45,699 --> 00:54:43,670

supported by the ground crew radar and

1268

00:54:47,469 --> 00:54:45,709

these passengers who were sat behind him

1269

00:54:51,190 --> 00:54:47,479

you know looking over his shoulder who

1270

00:54:53,229 --> 00:54:51,200

could also see it and you know it did by

1271

00:54:55,930 --> 00:54:53,239

going public was in my opinion you know

1272

00:54:58,479 --> 00:54:55,940

raised his credibility it more to lose

1273

00:55:01,509 --> 00:54:58,489

by going public than he did to keep

1274

00:55:03,849 --> 00:55:01,519

quiet but again think about his concern

1275

00:55:05,469 --> 00:55:03,859

was the safety aspect so surely the

1276

00:55:08,199 --> 00:55:05,479

public at large should know about this

1277

00:55:10,029 --> 00:55:08,209

yeah and it's a fascinating case it

1278

00:55:11,979 --> 00:55:10,039

really is yeah yeah

1279

00:55:14,170 --> 00:55:11,989

do you remember how long they were

1280

00:55:17,170 --> 00:55:14,180

watching this and if it moved in any

1281

00:55:20,049 --> 00:55:17,180

type of direction no it was several

1282

00:55:23,640 --> 00:55:20,059

minutes I mean the from the mainland to

1283

00:55:26,979 --> 00:55:23,650

to the Channel Islands in an aircraft

1284

00:55:28,959 --> 00:55:26,989

it's only a short jaunt it's only you

1285

00:55:32,620 --> 00:55:28,969

know taking a long time to swim it but

1286

00:55:34,660 --> 00:55:32,630

safai it's only it's only a short job

1287

00:55:36,999 --> 00:55:34,670

but they did see it you know that it

1288

00:55:38,589 --> 00:55:37,009

there for a number of minutes it wasn't

1289

00:55:41,819 --> 00:55:38,599

just there and gone in the blink of an

1290

00:55:44,739 --> 00:55:41,829

eye there were it was able to give good

1291

00:55:46,630 --> 00:55:44,749

directions to the ground crew the you

1292

00:55:49,120 --> 00:55:46,640

know and tell where it was what it

1293

00:55:51,189 --> 00:55:49,130

looked like how large you thought it was

1294

00:55:53,229 --> 00:55:51,199

you look for other aircraft in the area

1295

00:55:54,969 --> 00:55:53,239

you know it wasn't it wasn't a quick

1296

00:55:57,160 --> 00:55:54,979

thing was it all were in in a matter of

1297

00:55:58,989 --> 00:55:57,170

seconds it was certainly four minutes

1298

00:56:00,400 --> 00:55:58,999

and when you you know when you're on a

1299

00:56:02,829 --> 00:56:00,410

flight that doesn't play it out long

1300

00:56:07,359 --> 00:56:02,839

minutes he's a good chunk of your flying

1301  
00:56:09,699 --> 00:56:07,369  
time right right now going back to your

1302  
00:56:11,979 --> 00:56:09,709  
book I believe that's where this

1303  
00:56:15,999 --> 00:56:11,989  
question comes from the once upon a

1304  
00:56:18,219 --> 00:56:16,009  
missing time you interviewed an abductee

1305  
00:56:21,479 --> 00:56:18,229  
that you called Jane was that in that

1306  
00:56:25,779 --> 00:56:21,489  
book well Jane Jane was in

1307  
00:56:29,829 --> 00:56:25,789  
without consent and why what I did I

1308  
00:56:32,259 --> 00:56:29,839  
wrote a novel you know called once upon

1309  
00:56:34,359 --> 00:56:32,269  
a mission time and and I actually used

1310  
00:56:35,289 --> 00:56:34,369  
some of the information from without

1311  
00:56:38,439 --> 00:56:35,299  
consent

1312  
00:56:41,279 --> 00:56:38,449  
I still they'll play a fictional account

1313  
00:56:45,279 --> 00:56:41,289

of a of an abduction account and Jane

1314

00:56:48,640 --> 00:56:45,289

was in without consent I told you

1315

00:56:52,749 --> 00:56:48,650

earlier about the UFO hotline wink was -

1316

00:56:55,390 --> 00:56:52,759

yes now Jane was the very first person

1317

00:56:58,660 --> 00:56:55,400

to ever contact us on it because when I

1318

00:57:00,670 --> 00:56:58,670

lived in West Yorkshire top to get it up

1319

00:57:03,910 --> 00:57:00,680

and running I I didn't ask her for my

1320

00:57:06,370 --> 00:57:03,920

local newspaper and they put the UFO

1321

00:57:08,650 --> 00:57:06,380

offline telephone number in first lady

1322

00:57:10,539 --> 00:57:08,660

on it was a lady called Jane and she

1323

00:57:13,209 --> 00:57:10,549

just said oh no I had some sightings a

1324

00:57:14,589 --> 00:57:13,219

couple years ago a few years ago left

1325

00:57:18,370 --> 00:57:14,599

her name and telephone number

1326  
00:57:19,630 --> 00:57:18,380  
so yeah I mean as it you know she didn't

1327  
00:57:22,329 --> 00:57:19,640  
live that far from me so I thought

1328  
00:57:25,989 --> 00:57:22,339  
rather than talk all day on the phone

1329  
00:57:29,349 --> 00:57:25,999  
kind of come and have a chat with you so

1330  
00:57:31,539 --> 00:57:29,359  
she said yes so we made an appointment

1331  
00:57:34,989 --> 00:57:31,549  
went to see Jane she was you know we

1332  
00:57:38,739 --> 00:57:34,999  
know you same ages me know in the 20s I

1333  
00:57:42,789 --> 00:57:38,749  
had a partner and had a young child she

1334  
00:57:44,650 --> 00:57:42,799  
was a housewife and as were chatting she

1335  
00:57:46,749 --> 00:57:44,660  
told me about some sightings she had

1336  
00:57:50,309 --> 00:57:46,759  
several years earlier when she was only

1337  
00:57:53,349 --> 00:57:50,319  
16 and then as this conversation

1338  
00:57:56,650 --> 00:57:53,359

progressed she then began to tell me

1339

00:57:59,410 --> 00:57:56,660

about closing council experiences where

1340

00:58:02,769 --> 00:57:59,420

she was living now not six years prior

1341

00:58:05,680 --> 00:58:02,779

to that you know now on then in the

1342

00:58:09,630 --> 00:58:05,690

present tense and the initial encounter

1343

00:58:12,579 --> 00:58:09,640

joke Jane was up walking at night and

1344

00:58:15,939 --> 00:58:12,589

the exrange beings were in a bedroom

1345

00:58:18,160 --> 00:58:15,949

and somehow they they they took her to a

1346

00:58:20,650 --> 00:58:18,170

field that lies behind behind the

1347

00:58:22,479 --> 00:58:20,660

housing estate where she lives and I've

1348

00:58:23,859 --> 00:58:22,489

been there and there's nothing there's a

1349

00:58:27,719 --> 00:58:23,869

factory down that's it

1350

00:58:30,719 --> 00:58:27,729

but in this field was this large object

1351  
00:58:33,189 --> 00:58:30,729  
she remembers what walking towards it

1352  
00:58:35,109 --> 00:58:33,199  
but not actually going in it but she

1353  
00:58:38,109 --> 00:58:35,119  
remembers being in it

1354  
00:58:41,160 --> 00:58:38,119  
and she said she was given something to

1355  
00:58:44,009 --> 00:58:41,170  
drink something to eat that looked like

1356  
00:58:49,680 --> 00:58:44,019  
you call it candy we call them sweets

1357  
00:58:51,579 --> 00:58:49,690  
and she was made to undress and she was

1358  
00:58:53,739 --> 00:58:51,589  
put into a bath

1359  
00:58:55,359 --> 00:58:53,749  
although there was no water there but

1360  
00:58:58,620 --> 00:58:55,369  
she said this bath seemed to have been

1361  
00:59:02,410 --> 00:58:58,630  
made just for her it fitted her body

1362  
00:59:05,140 --> 00:59:02,420  
perfectly you know and she commenced

1363  
00:59:06,670 --> 00:59:05,150

with she was returned and she described

1364

00:59:08,499 --> 00:59:06,680

these beings and the small grey

1365

00:59:10,959 --> 00:59:08,509

creatures that a lot of people are

1366

00:59:13,269 --> 00:59:10,969

familiar with what more information to

1367

00:59:15,279 --> 00:59:13,279

it than that but this was just one of us

1368

00:59:18,999 --> 00:59:15,289

series of encounters that what I'm going

1369

00:59:22,120 --> 00:59:19,009

so what I did I again this is before the

1370

00:59:24,519 --> 00:59:22,130

days of the internet I transcribed the

1371

00:59:27,700 --> 00:59:24,529

the conversation I had with her course I

1372

00:59:30,670 --> 00:59:27,710

take recorded it printed it off and I

1373

00:59:33,549 --> 00:59:30,680

sent it to God rest is always no longer

1374

00:59:35,829 --> 00:59:33,559

with us but Hopkins oh yeah in New York

1375

00:59:39,999 --> 00:59:35,839

I knew but you know I was on good

1376

00:59:42,759 --> 00:59:40,009

childhood but today his opinion on it

1377

00:59:46,239 --> 00:59:42,769

and he you know bless him he came back

1378

00:59:47,499 --> 00:59:46,249

to me and asked for a new you know said

1379

00:59:50,859 --> 00:59:47,509

ask her this fell at night you know he

1380

00:59:52,539 --> 00:59:50,869

gave me some questions to ask he wore

1381

00:59:53,289 --> 00:59:52,549

what other encounters that she really

1382

00:59:55,809 --> 00:59:53,299

she related

1383

00:59:59,380 --> 00:59:55,819

she speculated that she thought she was

1384

01:00:02,579 --> 00:59:59,390

pregnant that the fetus was removed and

1385

01:00:07,569 --> 01:00:02,589

she was shown this half-alien half-human

1386

01:00:09,910 --> 01:00:07,579

baby but this had hair and she's if you

1387

01:00:12,609 --> 01:00:09,920

ever buy a you know a child's doll one

1388

01:00:14,200 --> 01:00:12,619

of the cheap ones they have this awful

1389

01:00:17,229 --> 01:00:14,210

hair on them she described the hair was

1390

01:00:19,569 --> 01:00:17,239

looking like that now blood was only

1391

01:00:24,400 --> 01:00:19,579

just writing about this kind of thing he

1392

01:00:26,319 --> 01:00:24,410

called mr. smart baby syndrome and Jane

1393

01:00:29,890 --> 01:00:26,329

was here housewife and with no

1394

01:00:31,930 --> 01:00:29,900

disrespect she had no education and she

1395

01:00:34,420 --> 01:00:31,940

wasn't you know the greatest of

1396

01:00:38,950 --> 01:00:34,430

intelligence it's just a normal everyday

1397

01:00:41,589 --> 01:00:38,960

lady and he she is telling me the same

1398

01:00:42,940 --> 01:00:41,599

things that has been reported you know

1399

01:00:45,190 --> 01:00:42,950

several thousand miles across the

1400

01:00:46,740 --> 01:00:45,200

Atlantic and it's only recently been

1401

01:00:49,650 --> 01:00:46,750

published in

1402

01:00:51,510 --> 01:00:49,660

a few UFO magazine you could want on the

1403

01:00:53,820 --> 01:00:51,520

internet then and look it up so how did

1404

01:00:55,350 --> 01:00:53,830

you know she couldn't have confabulated

1405

01:00:57,390 --> 01:00:55,360

this you couldn't have heard it anywhere

1406

01:00:59,670 --> 01:00:57,400

else I went round to her house there was

1407

01:01:01,830 --> 01:00:59,680

no books or UFO magazines or anything

1408

01:01:03,810 --> 01:01:01,840

like that that I could see but the

1409

01:01:06,960 --> 01:01:03,820

encounters were ongoing Martin they

1410

01:01:10,440 --> 01:01:06,970

didn't stop you know and even when I you

1411

01:01:13,440 --> 01:01:10,450

know sort of you know I got married that

1412

01:01:15,230 --> 01:01:13,450

children and we lost contact they were

1413

01:01:18,810 --> 01:01:15,240

still ongoing at that time but she'd

1414

01:01:20,730 --> 01:01:18,820

come to the conclusion that you know

1415

01:01:22,380 --> 01:01:20,740

whatever these encounters was that she

1416

01:01:24,210 --> 01:01:22,390

thought there were aliens and no doubt

1417

01:01:24,720 --> 01:01:24,220

about it we weren't really doing her any

1418

01:01:26,640 --> 01:01:24,730

harm

1419

01:01:29,100 --> 01:01:26,650

you know what she wasn't physically

1420

01:01:30,720 --> 01:01:29,110

harmed she wasn't hurt didn't disturb

1421

01:01:34,860 --> 01:01:30,730

her mentally she sort of come to terms

1422

01:01:37,260 --> 01:01:34,870

with it she was of the opinion that they

1423

01:01:39,870 --> 01:01:37,270

happen and there's nothing I can do

1424

01:01:42,930 --> 01:01:39,880

about it I mean before she spoke to me

1425

01:01:44,850 --> 01:01:42,940

she went to see her doctor and this was

1426

01:01:46,320 --> 01:01:44,860

in the other and when anyhow my I went

1427

01:01:48,420 --> 01:01:46,330

to see the doctors and I'm not feeling

1428

01:01:50,940 --> 01:01:48,430

well then mainly got prescribed since

1429

01:01:53,640 --> 01:01:50,950

that you know some tranquilizers or

1430

01:01:55,560 --> 01:01:53,650

whatever just to get rid of him and and

1431

01:01:57,510 --> 01:01:55,570

Jane said the medication didn't do

1432

01:02:00,720 --> 01:01:57,520

anything these experiences still

1433

01:02:02,430 --> 01:02:00,730

happened so she didn't mince in a world

1434

01:02:07,710 --> 01:02:02,440

she told the doctor where to stick his

1435

01:02:11,510 --> 01:02:07,720

medication you know and I took it to see

1436

01:02:16,110 --> 01:02:13,680

Manchester University was a friend of

1437

01:02:18,450 --> 01:02:16,120

mine and I left her there for several

1438

01:02:21,450 --> 01:02:18,460

hours for him to chat to her unbeknownst

1439

01:02:23,760 --> 01:02:21,460

to JJ and kind of a sneaky thing to do

1440

01:02:27,000 --> 01:02:23,770

but I didn't I was doing the other time

1441

01:02:28,830 --> 01:02:27,010

John you know so give it a test if you

1442

01:02:31,490 --> 01:02:28,840

liked it made sure she wasn't suffering

1443

01:02:36,900 --> 01:02:31,500

from x y&z and he given a clean bill of

1444

01:02:38,790 --> 01:02:36,910

psychological health and you know I so I

1445

01:02:41,070 --> 01:02:38,800

didn't know what to do you know it was

1446

01:02:43,680 --> 01:02:41,080

it was a and as far as I'm aware that

1447

01:02:45,870 --> 01:02:43,690

you know the the incidents didn't stop

1448

01:02:47,310 --> 01:02:45,880

I'm like hey Jane I mean one day she

1449

01:02:49,110 --> 01:02:47,320

rang me up and said I have this

1450

01:02:51,090 --> 01:02:49,120

encounter last night and I've got this

1451

01:02:54,210 --> 01:02:51,100

huge great scratch on the back of my

1452

01:02:56,160 --> 01:02:54,220

neck you know so I went and spoke to her

1453

01:02:58,470 --> 01:02:56,170

about it in person and out photographing

1454

01:03:00,420 --> 01:02:58,480

the you know this crush was there it's

1455

01:03:04,440 --> 01:03:00,430

not a lie

1456

01:03:07,110 --> 01:03:04,450

and her daughter was gained on now and

1457

01:03:11,220 --> 01:03:07,120

she was about 10 or 11 she reported

1458

01:03:14,280 --> 01:03:11,230

something I also spoke to her mum who

1459

01:03:16,530 --> 01:03:14,290

did not far away and that this kind of

1460

01:03:19,230 --> 01:03:16,540

quote made me off Martin a mother a

1461

01:03:21,780 --> 01:03:19,240

mother said she'd seen these beings one

1462

01:03:24,180 --> 01:03:21,790

night and she said they've got always

1463

01:03:27,240 --> 01:03:24,190

not me you want to challenge changing

1464

01:03:29,250 --> 01:03:27,250

you know that kind of make me laugh I

1465

01:03:32,490 --> 01:03:29,260

know you not funny but it kind of made

1466

01:03:35,160 --> 01:03:32,500

me laugh so there was other aspects

1467

01:03:38,220 --> 01:03:35,170

around it as well and it's you know Jane

1468

01:03:41,070 --> 01:03:38,230

was just a normal woman you know and how

1469

01:03:43,370 --> 01:03:41,080

she doubted she how did she tell her

1470

01:03:46,200 --> 01:03:43,380

tell you about these smart baby dreams

1471

01:03:48,390 --> 01:03:46,210

that was just coming out of a bull

1472

01:03:50,940 --> 01:03:48,400

Hopkins research in the USA I'm not I

1473

01:03:53,910 --> 01:03:50,950

don't have an answer for that and and

1474

01:03:55,740 --> 01:03:53,920

you know I'm put helped greatly you know

1475

01:03:58,830 --> 01:03:55,750

he gave me the you know questions to ask

1476

01:04:01,830 --> 01:03:58,840

this lady and it was an ongoing thing

1477

01:04:05,180 --> 01:04:01,840

yes hmm now to have you kept in touch

1478

01:04:07,650 --> 01:04:05,190

with some of the people that you have

1479

01:04:09,600 --> 01:04:07,660

interviewed when it comes to their

1480

01:04:11,460 --> 01:04:09,610

encounters and you know I mean are these

1481

01:04:14,610 --> 01:04:11,470

a lot of these things ongoing as far as

1482

01:04:16,500 --> 01:04:14,620

you know yeah absolutely I mean it's all

1483

01:04:18,060 --> 01:04:16,510

a deal not far from from where I live

1484

01:04:22,410 --> 01:04:18,070

now I live in Pontefract in West

1485

01:04:26,490 --> 01:04:22,420

Yorkshire and she's called so and again

1486

01:04:28,380 --> 01:04:26,500

she's had Jesus in her 50s now he's

1487

01:04:31,830 --> 01:04:28,390

still but she's had experiences again

1488

01:04:33,990 --> 01:04:31,840

from from a young age down the years I

1489

01:04:36,330 --> 01:04:34,000

could write one of their encounters up

1490

01:04:39,750 --> 01:04:36,340

but they are ongoing they haven't

1491

01:04:43,830 --> 01:04:39,760

stopped and she's not again she's not

1492

01:04:46,410 --> 01:04:43,840

flying by it she feels this this somehow

1493

01:04:51,540 --> 01:04:46,420

makes her special she feels that she's

1494

01:04:54,390 --> 01:04:51,550

been chosen in inverted commas and she

1495

01:04:57,360 --> 01:04:54,400

said she's tried everything can to make

1496

01:04:59,340 --> 01:04:57,370

them stop everything you can think of

1497

01:05:01,860 --> 01:04:59,350

but they haven't so she's she's gone

1498

01:05:03,540 --> 01:05:01,870

with it you know Wow and and she I like

1499

01:05:05,610 --> 01:05:03,550

Jane herself she said look I haven't

1500

01:05:07,830 --> 01:05:05,620

suffered any physical harm

1501  
01:05:09,900 --> 01:05:07,840  
you know you get scared because she

1502  
01:05:12,660 --> 01:05:09,910  
loves control you're not in control when

1503  
01:05:13,950 --> 01:05:12,670  
these things happen but she says you

1504  
01:05:16,920 --> 01:05:13,960  
know if I get on a bus

1505  
01:05:20,099 --> 01:05:16,930  
go into town I'm not in control it's the

1506  
01:05:23,160 --> 01:05:20,109  
guy who's driving in control so I just

1507  
01:05:25,349 --> 01:05:23,170  
go with it and every now and again you

1508  
01:05:29,250 --> 01:05:25,359  
know I don't want to disturb I'll just

1509  
01:05:30,210 --> 01:05:29,260  
say okay another lady who appeared in my

1510  
01:05:32,400 --> 01:05:30,220  
book Rosalind

1511  
01:05:35,280 --> 01:05:32,410  
Reynolds muzzling leads down in

1512  
01:05:38,010 --> 01:05:35,290  
Lincolnshire she runs an old business

1513  
01:05:41,250 --> 01:05:38,020

and every now okay you know

1514

01:05:43,109 --> 01:05:41,260

Rosalind encounter was a one-off but

1515

01:05:45,660 --> 01:05:43,119

every now and again I'll keep in contact

1516

01:05:47,670 --> 01:05:45,670

with Rosalind you know you okay we'll

1517

01:05:50,250 --> 01:05:47,680

have a chat you know so tell me about

1518

01:05:53,670 --> 01:05:50,260

business and so on but we do keep in

1519

01:05:57,210 --> 01:05:53,680

touch and and Rosalind was one of the

1520

01:06:00,540 --> 01:05:57,220

the abductees that when I wrote the

1521

01:06:03,510 --> 01:06:00,550

novel III bits of nog with bits of

1522

01:06:05,609 --> 01:06:03,520

Rosalind encountering there and I sent

1523

01:06:06,810 --> 01:06:05,619

of it and I said you know would you read

1524

01:06:09,120 --> 01:06:06,820

it please

1525

01:06:10,800 --> 01:06:09,130

and give me an opinion as someone who I

1526

01:06:12,950 --> 01:06:10,810

mean she had a very I won't go through

1527

01:06:15,480 --> 01:06:12,960

Roslin's and counsel is running along

1528

01:06:19,109 --> 01:06:15,490

but I said as someone who's been through

1529

01:06:20,970 --> 01:06:19,119

this experience have I got I got it

1530

01:06:22,589 --> 01:06:20,980

right have I got you know does this

1531

01:06:26,010 --> 01:06:22,599

normal it's a work of fiction but does

1532

01:06:28,500 --> 01:06:26,020

it feel in inverted commas realistic and

1533

01:06:31,260 --> 01:06:28,510

be honest you don't tell me no she gave

1534

01:06:32,490 --> 01:06:31,270

me she gave me the thumbs up so I was

1535

01:06:35,040 --> 01:06:32,500

quite happy with it I'm not bothered

1536

01:06:36,720 --> 01:06:35,050

what any other critic says but it wasn't

1537

01:06:37,170 --> 01:06:36,730

even give me the thumbs up that's fine

1538

01:06:41,820 --> 01:06:37,180

by me

1539

01:06:44,130 --> 01:06:41,830

mm-hmm well that's good sure now I want

1540

01:06:47,370 --> 01:06:44,140

to switch gears a little bit because

1541

01:06:52,609 --> 01:06:47,380

there's a question here that that was

1542

01:06:55,380 --> 01:06:52,619

put in the forum I think today or so and

1543

01:06:58,170 --> 01:06:55,390

bill says I've heard you comment that

1544

01:07:04,440 --> 01:06:58,180

all crop circles are fake and what leads

1545

01:07:07,410 --> 01:07:04,450

you to that conclusion yeah it's a good

1546

01:07:10,010 --> 01:07:07,420

question but when the crop circles first

1547

01:07:14,280 --> 01:07:10,020

hit the headlines here down in in in the

1548

01:07:16,440 --> 01:07:14,290

middie eighties early 1980s the budding

1549

01:07:18,150 --> 01:07:16,450

would churn ham chef now so mottley so

1550

01:07:21,300 --> 01:07:18,160

good good old drive from where I live

1551

01:07:22,890 --> 01:07:21,310

but I went down riddled

1552

01:07:25,400 --> 01:07:22,900

I mean there was just something then

1553

01:07:28,590 --> 01:07:25,410

when you saw these circles in the field

1554

01:07:30,600 --> 01:07:28,600

what I went to a place called Westbury

1555

01:07:32,430 --> 01:07:30,610

it's not that far from Stonehenge and

1556

01:07:34,380 --> 01:07:32,440

warming still in place and like that and

1557

01:07:36,090 --> 01:07:34,390

it was on because a place called Bratton

1558

01:07:38,460 --> 01:07:36,100

countless big Hill with it with a big

1559

01:07:41,220 --> 01:07:38,470

white horse on it and in the fields

1560

01:07:43,560 --> 01:07:41,230

below is these these crop circles there

1561

01:07:46,080 --> 01:07:43,570

was one big circle with four satellite

1562

01:07:48,320 --> 01:07:46,090

ones and then up in the left-hand corner

1563

01:07:51,330 --> 01:07:48,330

of the field was one on its own and

1564

01:07:53,450 --> 01:07:51,340

something just didn't strike me as as

1565

01:07:55,860 --> 01:07:53,460

being correct

1566

01:07:57,050 --> 01:07:55,870

Martin each other you know what what the

1567

01:08:00,180 --> 01:07:57,060

hell is this

1568

01:08:02,400 --> 01:08:00,190

so if you track it you know and a couple

1569

01:08:04,860 --> 01:08:02,410

of old boys to come out Doug and Dave

1570

01:08:06,350 --> 01:08:04,870

they you know they say they'd made some

1571

01:08:09,330 --> 01:08:06,360

of the earlier ones

1572

01:08:11,040 --> 01:08:09,340

what is interesting I've just mean I'm

1573

01:08:13,850 --> 01:08:11,050

in the process of republish in our

1574

01:08:17,160 --> 01:08:13,860

conference proceedings from 1991 and

1575

01:08:19,980 --> 01:08:17,170

there's a paper in it from Jenny

1576

01:08:22,650 --> 01:08:19,990

Randall's who was colleague at before at

1577

01:08:23,160 --> 01:08:22,660

the time well-known author in her own

1578

01:08:26,670 --> 01:08:23,170

right

1579

01:08:30,300 --> 01:08:26,680

her paper was about the crop circles in

1580

01:08:32,400 --> 01:08:30,310

England and how they developed I can't

1581

01:08:34,950 --> 01:08:32,410

agree with with with Jenny to some

1582

01:08:38,490 --> 01:08:34,960

respect because what her and a colleague

1583

01:08:42,750 --> 01:08:38,500

did they did a survey a lot of the farms

1584

01:08:46,560 --> 01:08:42,760

in the area and long behold you know

1585

01:08:49,740 --> 01:08:46,570

they did recount crop circles going back

1586

01:08:51,630 --> 01:08:49,750

several decades if not even further you

1587

01:08:54,420 --> 01:08:51,640

know because of the the land have been

1588

01:08:57,240 --> 01:08:54,430

found man and boy father song dance on

1589

01:09:00,990 --> 01:08:57,250

and so on but all of those earlier ones

1590

01:09:02,670 --> 01:09:01,000

were just simple little circles in in in

1591

01:09:05,250 --> 01:09:02,680

the field and there you stood the

1592

01:09:06,750 --> 01:09:05,260

shoulders and accepted them it's only

1593

01:09:08,340 --> 01:09:06,760

then when you come into the 1980s you

1594

01:09:10,290 --> 01:09:08,350

get the more complex forms and more

1595

01:09:13,620 --> 01:09:10,300

complex and more complex more complex

1596

01:09:15,990 --> 01:09:13,630

and and so on so I'm I'm I'm of the

1597

01:09:19,770 --> 01:09:16,000

opinion that they are man-made that

1598

01:09:22,860 --> 01:09:19,780

perhaps you know the earlier ones were

1599

01:09:24,960 --> 01:09:22,870

not it's similar in the same proceedings

1600

01:09:27,510 --> 01:09:24,970

we had a gentleman all from Australia to

1601

01:09:29,600 --> 01:09:27,520

speaking called Paul Norman Paul was

1602

01:09:32,490 --> 01:09:29,610

actually American who emigrated to

1603

01:09:34,140 --> 01:09:32,500

Australian after the war and he's given

1604

01:09:36,690 --> 01:09:34,150

what he's called an update from Down

1605

01:09:39,240 --> 01:09:36,700

Under what's his presentation on one of

1606

01:09:41,459 --> 01:09:39,250

the things again that he talks about is

1607

01:09:44,180 --> 01:09:41,469

he just told them circles

1608

01:09:51,689 --> 01:09:44,190

and there's a number of those in the

1609

01:09:53,099 --> 01:09:51,699

1960s and 1980s in certain locations in

1610

01:09:56,070 --> 01:09:53,109

Australia one of which was totally

1611

01:09:58,950 --> 01:09:56,080

remember not one but they were very

1612

01:10:02,490 --> 01:09:58,960

simple it was a lot of these complicated

1613

01:10:04,470 --> 01:10:02,500

patterns and layering and so on so I my

1614

01:10:06,390 --> 01:10:04,480

opinion they're they're authentic I also

1615

01:10:10,140 --> 01:10:06,400

know one of the guys who was a crop

1616

01:10:12,930 --> 01:10:10,150

circle hope sir absolutely say there's

1617

01:10:14,670 --> 01:10:12,940

no way that that can be made by a by a

1618

01:10:17,250 --> 01:10:14,680

man well I know it can because this

1619

01:10:19,189 --> 01:10:17,260

gentleman can do it you know and he's

1620

01:10:22,439 --> 01:10:19,199

called John he's called John Rundberg

1621

01:10:25,770 --> 01:10:22,449

and that was even done it you know as a

1622

01:10:28,380 --> 01:10:25,780

in inverted commas commercially he's

1623

01:10:31,020 --> 01:10:28,390

been hired by various and TV companies

1624

01:10:34,280 --> 01:10:31,030

to make a crop circle for their

1625

01:10:36,750 --> 01:10:34,290

advertising or their TV show or whatever

1626  
01:10:39,500 --> 01:10:36,760  
and also there was an incident you can

1627  
01:10:42,240 --> 01:10:39,510  
get a lot of publicity down near Westar

1628  
01:10:44,580 --> 01:10:42,250  
again we're going back a long way we're

1629  
01:10:46,560 --> 01:10:44,590  
smaller with people made a crop

1630  
01:10:49,830 --> 01:10:46,570  
formation no longer the circle anymore

1631  
01:10:53,580 --> 01:10:49,840  
remember and they film themselves doing

1632  
01:10:56,040 --> 01:10:53,590  
it and they left it in same thing to

1633  
01:10:59,010 --> 01:10:56,050  
anybody they just sat back Shirley's egg

1634  
01:11:02,430 --> 01:10:59,020  
his eggs it was discovered we state knew

1635  
01:11:04,620 --> 01:11:02,440  
it won't be this so-called experts were

1636  
01:11:06,990 --> 01:11:04,630  
brought in you know and after a day or

1637  
01:11:09,030 --> 01:11:07,000  
two and announced it is authentic and

1638  
01:11:12,209 --> 01:11:09,040

then they come up with the videotapes

1639

01:11:14,850 --> 01:11:12,219

and one sorry it's not you know here is

1640

01:11:17,130 --> 01:11:14,860

us making it then they were arguing why

1641

01:11:19,040 --> 01:11:17,140

the video must be a fake because you

1642

01:11:22,770 --> 01:11:19,050

kind of made it you know

1643

01:11:24,510 --> 01:11:22,780

yo that that's well I I mean I've

1644

01:11:26,070 --> 01:11:24,520

knitted it the gentleman who gave the

1645

01:11:29,550 --> 01:11:26,080

question I'm not an expert on crop

1646

01:11:32,459 --> 01:11:29,560

circles but for me if what's the

1647

01:11:34,020 --> 01:11:32,469

interests very very early on because I

1648

01:11:36,300 --> 01:11:34,030

do know in some of the P I'm in leave

1649

01:11:38,550 --> 01:11:36,310

even had one gentleman that was you take

1650

01:11:41,700 --> 01:11:38,560

the car up for making a crop circle and

1651  
01:11:44,670 --> 01:11:41,710  
so on and ended up with a small fine you

1652  
01:11:48,360 --> 01:11:44,680  
know so and I know John enjoys of

1653  
01:11:50,250 --> 01:11:48,370  
terrific artists and people say oh there

1654  
01:11:52,439 --> 01:11:50,260  
was a hidden message in this crop circle

1655  
01:11:54,270 --> 01:11:52,449  
and I look at John and he just smiles

1656  
01:11:55,380 --> 01:11:54,280  
you put the message in there for you

1657  
01:11:58,590 --> 01:11:55,390  
defined

1658  
01:12:00,810 --> 01:11:58,600  
didn't find me didn't matter you know so

1659  
01:12:02,040 --> 01:12:00,820  
yeah if people want to believe otherwise

1660  
01:12:03,960 --> 01:12:02,050  
I'm happy with that

1661  
01:12:07,560 --> 01:12:03,970  
well yeah I've always been on the fence

1662  
01:12:08,850 --> 01:12:07,570  
so to speak and I you know I've

1663  
01:12:12,600 --> 01:12:08,860

interviewed a few different people I

1664

01:12:15,390 --> 01:12:12,610

know Colin Andrews I believe is a in in

1665

01:12:19,590 --> 01:12:15,400

England does a lot of research on them

1666

01:12:21,030 --> 01:12:19,600

and in in the United States here I can't

1667

01:12:25,200 --> 01:12:21,040

remember her name I've had her on my

1668

01:12:29,760 --> 01:12:25,210

show before but she was funded actually

1669

01:12:31,860 --> 01:12:29,770

by the Rockefeller by I'm trying to

1670

01:12:34,770 --> 01:12:31,870

remember which Rockefeller was that was

1671

01:12:37,230 --> 01:12:34,780

funding people and the organization is

1672

01:12:39,930 --> 01:12:37,240

still going today and it's a thrill yeah

1673

01:12:41,370 --> 01:12:39,940

I mean Jenni's paper in our conference

1674

01:12:43,680 --> 01:12:41,380

proceedings one of the things she also

1675

01:12:46,200 --> 01:12:43,690

looks at it's not how would the the

1676

01:12:47,730 --> 01:12:46,210

start with a basic crop circle on any

1677

01:12:51,000 --> 01:12:47,740

one of these we're not wonderful

1678

01:12:54,030 --> 01:12:51,010

you know patterns but also the

1679

01:12:56,670 --> 01:12:54,040

explanations for them the early

1680

01:12:58,170 --> 01:12:56,680

explanation well quite simple that these

1681

01:12:59,060 --> 01:12:58,180

were the landing marks of a flying

1682

01:13:01,950 --> 01:12:59,070

saucer

1683

01:13:05,240 --> 01:13:01,960

well of course nobody saw anything

1684

01:13:08,100 --> 01:13:05,250

and then the explanations of what these

1685

01:13:08,880 --> 01:13:08,110

crop circles were caused by has also

1686

01:13:11,190 --> 01:13:08,890

changed

1687

01:13:13,200 --> 01:13:11,200

who was doctor tenants median Mead Mead

1688

01:13:15,930 --> 01:13:13,210

in them a meteorologist he was convinced

1689

01:13:17,490 --> 01:13:15,940

he had a formula for a you know a fair

1690

01:13:19,020 --> 01:13:17,500

weather whirlwind that could account for

1691

01:13:20,970 --> 01:13:19,030

them but as soon as the complicated

1692

01:13:21,690 --> 01:13:20,980

formations came in that went out the

1693

01:13:24,800 --> 01:13:21,700

window

1694

01:13:27,390 --> 01:13:24,810

so I think he ended up was with whiz I

1695

01:13:29,190 --> 01:13:27,400

think we ended up certainly in that in

1696

01:13:32,370 --> 01:13:29,200

the early 90s I haven't followed it that

1697

01:13:34,740 --> 01:13:32,380

closely we're by it smiley and some

1698

01:13:37,470 --> 01:13:34,750

messages from anywhere it's actually the

1699

01:13:39,930 --> 01:13:37,480

earth is life our planet is alive and

1700

01:13:42,900 --> 01:13:39,940

these are messages from our planet you

1701

01:13:43,440 --> 01:13:42,910

know telling us to pack it in no not

1702

01:13:47,060 --> 01:13:43,450

actually

1703

01:13:50,070 --> 01:13:47,070

stop stop stirring up the world so I

1704

01:13:52,800 --> 01:13:50,080

make northern explanations you know

1705

01:13:54,840 --> 01:13:52,810

since then and also not only the crop

1706

01:13:57,600 --> 01:13:54,850

circles evolved their patterns and their

1707

01:14:00,270 --> 01:13:57,610

complexity but the explanations behind

1708

01:14:03,480 --> 01:14:00,280

them has also evolved along with it

1709

01:14:06,339 --> 01:14:03,490

so that says a lot about in my opinion

1710

01:14:09,489 --> 01:14:06,349

as well yes I do agree with you there

1711

01:14:12,459 --> 01:14:09,499

no you see a lot of these patterns that

1712

01:14:16,629 --> 01:14:12,469

can be generated on a computer end up

1713

01:14:18,369 --> 01:14:16,639

you know popping up as I saw a special

1714

01:14:19,689 --> 01:14:18,379

about that where a guy would create

1715

01:14:22,239 --> 01:14:19,699

something on his computer and make a

1716

01:14:23,830 --> 01:14:22,249

crop circle out of it and you know but

1717

01:14:25,330 --> 01:14:23,840

there are people there saying you know

1718

01:14:27,899 --> 01:14:25,340

there are certain ones that are

1719

01:14:30,040 --> 01:14:27,909

authentic and they have you know this

1720

01:14:34,060 --> 01:14:30,050

certain type of thing going on with the

1721

01:14:36,279 --> 01:14:34,070

soil and actually reactions to the

1722

01:14:38,020 --> 01:14:36,289

plants themselves and all that so I

1723

01:14:40,500 --> 01:14:38,030

don't know I'm still on the fence about

1724

01:14:43,989 --> 01:14:40,510

the whole thing but it's just one of the

1725

01:14:47,020 --> 01:14:43,999

one of the interesting things that do

1726

01:14:48,639 --> 01:14:47,030

happen and you know it's not really in a

1727

01:14:49,959 --> 01:14:48,649

third world country you don't see them

1728

01:14:51,790 --> 01:14:49,969

happen they're you know mostly in

1729

01:14:55,209 --> 01:14:51,800

England some in the United States but

1730

01:15:00,609 --> 01:14:55,219

mostly in England yeah a few few around

1731

01:15:02,049 --> 01:15:00,619

Europe as well I said Australia yes they

1732

01:15:05,679 --> 01:15:02,059

don't appear everywhere

1733

01:15:09,459 --> 01:15:05,689

I mean it's pink in the UK there was

1734

01:15:11,709 --> 01:15:09,469

hundreds Marty and I mean hundreds you

1735

01:15:14,589 --> 01:15:11,719

know not just a handful here and there

1736

01:15:16,540 --> 01:15:14,599

and in that nice and of course you know

1737

01:15:20,049 --> 01:15:16,550

none of the farmers really complained

1738

01:15:21,909 --> 01:15:20,059

they complain more about when they first

1739

01:15:23,919 --> 01:15:21,919

hit the headlines about all the people

1740

01:15:25,419 --> 01:15:23,929

coming and something all over so what

1741

01:15:30,179 --> 01:15:25,429

one farmer did across the chasm of

1742

01:15:32,799 --> 01:15:30,189

poundage to go into the field you know

1743

01:15:34,089 --> 01:15:32,809

yeah he had to say goodbye to some of

1744

01:15:38,469 --> 01:15:34,099

his crop so he might as well make it up

1745

01:15:44,379 --> 01:15:41,859

so what you have actually been involved

1746

01:15:47,919 --> 01:15:44,389

in is it out of here media or something

1747

01:15:49,659 --> 01:15:47,929

like that what's your you actually have

1748

01:15:52,959 --> 01:15:49,669

helped publish books like we were

1749

01:15:58,509 --> 01:15:52,969

talking earlier darkness I started at

1750

01:16:02,679 --> 01:15:58,519

the end of 2015 and I formed my own

1751

01:16:06,909 --> 01:16:02,689

little publishing concerned it's called

1752

01:16:09,069 --> 01:16:06,919

flying this press okay after here is a

1753

01:16:11,379 --> 01:16:09,079

website we used to have you know and

1754

01:16:13,739 --> 01:16:11,389

it's still going that's all about the

1755

01:16:19,850 --> 01:16:13,749

alien autopsy film oh okay

1756

01:16:23,390 --> 01:16:19,860

so what what happened was in in 2015 a

1757

01:16:26,930 --> 01:16:23,400

in Poland sent me a manuscript for a

1758

01:16:30,560 --> 01:16:26,940

book not to publish just to read he was

1759

01:16:32,600 --> 01:16:30,570

practicing his English writing I've got

1760

01:16:35,689 --> 01:16:32,610

to be honest look I took one look then

1761

01:16:37,609 --> 01:16:35,699

and exotically written and many might

1762

01:16:40,280 --> 01:16:37,619

have edited a few magazines on my Tamil

1763

01:16:43,129 --> 01:16:40,290

articles we'll pray and I put to one

1764

01:16:45,140 --> 01:16:43,139

side and I learned then I read the first

1765

01:16:47,540 --> 01:16:45,150

chapter floor I this is interesting I

1766

01:16:50,899 --> 01:16:47,550

have a friend here called John Hanson

1767

01:16:53,780 --> 01:16:50,909

who have his own publishing concern

1768

01:16:55,669 --> 01:16:53,790

called haunted skies and John said to me

1769

01:16:57,890 --> 01:16:55,679

you know and encourage means some why

1770

01:17:00,680 --> 01:16:57,900

don't you publish it's like you know you

1771

01:17:04,040 --> 01:17:00,690

can you can join up with this particular

1772

01:17:06,320 --> 01:17:04,050

print-on-demand company and you know

1773

01:17:08,149 --> 01:17:06,330

I'll I'll run it you know give you the

1774

01:17:10,669 --> 01:17:08,159

details and you can promise you so I

1775

01:17:15,770 --> 01:17:10,679

asked my colleague and Poland is called

1776

01:17:18,040 --> 01:17:15,780

Pizza Pizza GL OB s if you wanted to go

1777

01:17:24,260 --> 01:17:18,050

down that road and see yeah why not so I

1778

01:17:25,850 --> 01:17:24,270

got a contract I edited it missed a few

1779

01:17:27,709 --> 01:17:25,860

bits and pieces I've got to be honest

1780

01:17:30,320 --> 01:17:27,719

you know it was a steep learning curve

1781

01:17:31,939 --> 01:17:30,330

anyway it's an excellent book you know

1782

01:17:34,850 --> 01:17:31,949

I'm not bragging but it really is an

1783

01:17:37,340 --> 01:17:34,860

excellent book published it has been you

1784

01:17:40,250 --> 01:17:37,350

know very well received that was then

1785

01:17:43,550 --> 01:17:40,260

followed up by UFOs that was caught UFOs

1786

01:17:45,970 --> 01:17:43,560

over Poland right I then followed that

1787

01:17:49,250 --> 01:17:45,980

up with UFOs over Romania

1788

01:17:54,919 --> 01:17:49,260

again because a gentleman I know called

1789

01:17:57,950 --> 01:17:54,929

Dan Farkas a PhD a bit a few articles

1790

01:17:59,930 --> 01:17:57,960

and they were fascinating so I asked Dan

1791

01:18:02,209 --> 01:17:59,940

if he had enough material for a book and

1792

01:18:05,149 --> 01:18:02,219

I you know a joking film you know he

1793

01:18:07,399 --> 01:18:05,159

dunce you know got past 70 now and he's

1794

01:18:10,220 --> 01:18:07,409

in hacker more than of so he put the

1795

01:18:12,050 --> 01:18:10,230

book together and again it for me it's

1796

01:18:14,180 --> 01:18:12,060

absolutely fascinating because most of

1797

01:18:17,540 --> 01:18:14,190

the material in there has never been

1798

01:18:19,729 --> 01:18:17,550

published in English before so again

1799

01:18:22,160 --> 01:18:19,739

that God could with good reviews

1800

01:18:24,979 --> 01:18:22,170

wherever it went it's in a skillet still

1801

01:18:27,649 --> 01:18:24,989

going and then literally this moment I

1802

01:18:31,850 --> 01:18:27,659

pushed another book by an American lady

1803

01:18:33,370 --> 01:18:31,860

I mean a stock PhD base called us today

1804

01:18:35,720 --> 01:18:33,380

70 years of

1805

01:18:38,180 --> 01:18:35,730

misinformation and government cover-up

1806

01:18:42,080 --> 01:18:38,190

in the subtitle give you an idea what

1807

01:18:44,569 --> 01:18:42,090

it's about and she worked all alive in

1808

01:18:48,709 --> 01:18:44,579

academia as I'm initially now retired

1809

01:18:50,240 --> 01:18:48,719

and Alex it's a look at the phenomena

1810

01:18:51,890 --> 01:18:50,250

from an official point of view she was

1811

01:18:52,870 --> 01:18:51,900

even involved in some of it at some

1812

01:18:58,220 --> 01:18:52,880

point

1813

01:19:00,080 --> 01:18:58,230

her husband was area51 it's not a rumor

1814

01:19:03,379 --> 01:19:00,090

harmless the problem is some of these

1815

01:19:06,609 --> 01:19:03,389

documents in the book and again you know

1816

01:19:11,839 --> 01:19:06,619

it's been extremely well received

1817

01:19:14,959 --> 01:19:11,849

whatever it's ended up and lost to Iran

1818

01:19:18,290 --> 01:19:14,969

on June the 1st and it will be launched

1819

01:19:21,319 --> 01:19:18,300

into being in Roswell in America this

1820

01:19:24,160 --> 01:19:21,329

this coming week at that the Roswell

1821

01:19:27,649 --> 01:19:24,170

incident conference that's rather scary

1822

01:19:29,120 --> 01:19:27,659

yeah yeah I'm not there and Irene is not

1823

01:19:30,729 --> 01:19:29,130

there but it's been he's part of a

1824

01:19:32,990 --> 01:19:30,739

presentation that wolf on are doing

1825

01:19:35,689 --> 01:19:33,000

because they were involved in a little

1826

01:19:37,580 --> 01:19:35,699

piece of the book and I'm also signing

1827

01:19:41,120 --> 01:19:37,590

agreement with MUFON they're going to

1828

01:19:44,359 --> 01:19:41,130

reproduce it in a hardback and eBook

1829

01:19:47,270 --> 01:19:44,369

edition so we're working together on

1830

01:19:49,640 --> 01:19:47,280

that as well so it's been very rewarding

1831

01:19:51,770 --> 01:19:49,650

not financially but you know I'm not

1832

01:19:55,879 --> 01:19:51,780

seem concerned about that I you know I'm

1833

01:19:58,280 --> 01:19:55,889

quite proud of publishing three totally

1834

01:19:59,810 --> 01:19:58,290

different books all new to the marquee

1835

01:20:02,990 --> 01:19:59,820

and they were I've also been able to do

1836

01:20:05,149 --> 01:20:03,000

these republish some of my older works

1837

01:20:06,200 --> 01:20:05,159

as well I mean again he's not for the

1838

01:20:08,930 --> 01:20:06,210

money it's just that they're out of

1839

01:20:10,879 --> 01:20:08,940

print and if you want a copy well you

1840

01:20:12,649 --> 01:20:10,889

know every now and again I get someone

1841

01:20:14,810 --> 01:20:12,659

asked me have you still got a copy in

1842

01:20:17,689 --> 01:20:14,820

this forest well you might be I'll find

1843

01:20:20,000 --> 01:20:17,699

it online the charge exorbitant price

1844

01:20:22,160 --> 01:20:20,010

for it but they're now available for you

1845

01:20:25,220 --> 01:20:22,170

know for a standard price and they're

1846

01:20:30,609 --> 01:20:25,230

there if people want them mm-hmm mm-hmm

1847

01:20:34,910 --> 01:20:30,619

no that's great I think it's really very

1848

01:20:37,250 --> 01:20:34,920

fascinating to have like UFOs over

1849

01:20:39,799 --> 01:20:37,260

Romania UFOs over these different

1850

01:20:41,089 --> 01:20:39,809

countries that normally or in a

1851  
01:20:43,520 --> 01:20:41,099  
different language and we can actually

1852  
01:20:46,160 --> 01:20:43,530  
read them in English I think that's very

1853  
01:20:46,669 --> 01:20:46,170  
valuable and I hope you you keep doing

1854  
01:20:49,010 --> 01:20:46,679  
that

1855  
01:20:51,169 --> 01:20:49,020  
or do more of flying know one of the

1856  
01:20:53,860 --> 01:20:51,179  
things I don't have access to is a pot

1857  
01:20:56,090 --> 01:20:53,870  
of money and behave someone to translate

1858  
01:20:58,550 --> 01:20:56,100  
certain words I mean a general an old

1859  
01:21:01,790 --> 01:20:58,560  
friend of mine has just offered me a

1860  
01:21:03,800 --> 01:21:01,800  
book from Switzerland and it's all about

1861  
01:21:05,840 --> 01:21:03,810  
the swiss bolivian oh I didn't know we

1862  
01:21:09,169 --> 01:21:05,850  
had one but this the Swiss Air Force oh

1863  
01:21:11,120 --> 01:21:09,179

wow and and and you know he's sending me

1864

01:21:13,990 --> 01:21:11,130

a copy but after this you wanna punish

1865

01:21:16,100 --> 01:21:14,000

you for that lifter oh I can't afford to

1866

01:21:17,899 --> 01:21:16,110

translate it now whether he's got the

1867

01:21:22,100 --> 01:21:17,909

time to sit down and rewriting in

1868

01:21:25,810 --> 01:21:22,110

English is another matter but there's

1869

01:21:28,300 --> 01:21:25,820

also this weekend conference in France

1870

01:21:30,860 --> 01:21:28,310

and they're looking at a particular

1871

01:21:33,140 --> 01:21:30,870

incident there and I actually look if

1872

01:21:35,330 --> 01:21:33,150

you can write it is enough material on

1873

01:21:38,240 --> 01:21:35,340

it for for a book in English then you

1874

01:21:40,970 --> 01:21:38,250

know please let me know so I'm always on

1875

01:21:42,500 --> 01:21:40,980

the lookout but you know the manuscript

1876

01:21:43,729 --> 01:21:42,510

has to be in England don't mind

1877

01:21:46,970 --> 01:21:43,739

everything here they don't get me wrong

1878

01:21:49,399 --> 01:21:46,980

and to that effect does one of the

1879

01:21:52,459 --> 01:21:49,409

leading researchers in Italy is dr.

1880

01:21:53,570 --> 01:21:52,469

Roberto penalty and I will be publishing

1881

01:21:57,919 --> 01:21:53,580

a to volumed

1882

01:22:00,979 --> 01:21:57,929

work that he's done on contact cases in

1883

01:22:04,100 --> 01:22:00,989

Italy I had swear you on here I've got

1884

01:22:06,020 --> 01:22:04,110

to start editing shortly and when it's

1885

01:22:09,919 --> 01:22:06,030

done polished out and then volume two

1886

01:22:13,310 --> 01:22:09,929

will follow thereafter and again you

1887

01:22:14,930 --> 01:22:13,320

know I've read a lot of stuff Martina

1888

01:22:17,630 --> 01:22:14,940

I'm sure you have but when I read

1889

01:22:20,450 --> 01:22:17,640

through Roberto's work I think I've

1890

01:22:21,950 --> 01:22:20,460

never heard of most efficiently yes so

1891

01:22:24,620 --> 01:22:21,960

simply because it's only ever been

1892

01:22:26,000 --> 01:22:24,630

published in Italian before about one or

1893

01:22:28,540 --> 01:22:26,010

two cases that you know that are

1894

01:22:30,950 --> 01:22:28,550

filtered through but the vast majority

1895

01:22:33,350 --> 01:22:30,960

you've never seen the light obtained in

1896

01:22:36,410 --> 01:22:33,360

the English language I'm also in touch

1897

01:22:39,500 --> 01:22:36,420

with Alex genetic alex lives in America

1898

01:22:42,950 --> 01:22:39,510

but originally from Argentina so one of

1899

01:22:46,640 --> 01:22:42,960

the things we agreed to do is UFOs over

1900

01:22:48,770 --> 01:22:46,650

Argentina and again you know most of the

1901

01:22:52,220 --> 01:22:48,780

items will be in the book we're all

1902

01:22:54,050 --> 01:22:52,230

reading the published in Spanish so I'm

1903

01:22:56,540 --> 01:22:54,060

just hopeful I can get them out into the

1904

01:22:59,300 --> 01:22:56,550

English language yeah yeah that is up

1905

01:23:00,209 --> 01:22:59,310

that's something that that does take a

1906

01:23:02,969 --> 01:23:00,219

lot of extra

1907

01:23:06,779 --> 01:23:02,979

work on there are some places like you

1908

01:23:09,089 --> 01:23:06,789

know a lot of countries that actually do

1909

01:23:11,850 --> 01:23:09,099

I have English as a second language if

1910

01:23:14,489 --> 01:23:11,860

you can get you know someone to write

1911

01:23:18,390 --> 01:23:14,499

there you'd be all set right and both

1912

01:23:21,719 --> 01:23:18,400

like what we've tried to do as well I

1913

01:23:22,979 --> 01:23:21,729

have my colleague Paul Stonehill and I

1914

01:23:24,989 --> 01:23:22,989

have written a couple of books together

1915

01:23:26,700 --> 01:23:24,999

about things that happened in the former

1916

01:23:29,700 --> 01:23:26,710

Soviet Union

1917

01:23:32,339 --> 01:23:29,710

Paul is originally from the Ukraine so

1918

01:23:34,439 --> 01:23:32,349

he reads and writes to language so we

1919

01:23:36,600 --> 01:23:34,449

don't come a problem there what we've

1920

01:23:38,279 --> 01:23:36,610

decided to do the same in Reverse we

1921

01:23:41,189 --> 01:23:38,289

tried to get one of our books published

1922

01:23:44,640 --> 01:23:41,199

in Russia yeah with no success

1923

01:23:46,799 --> 01:23:44,650

whatsoever well you know keep on trying

1924

01:23:53,640 --> 01:23:46,809

we'll keep on trying well I'm on the

1925

01:23:56,489 --> 01:23:53,650

inside maybe I can help you we've got a

1926

01:23:59,339 --> 01:23:56,499

couple of books I think you know if the

1927

01:24:00,810 --> 01:23:59,349

Russian people had a chance to read them

1928

01:24:03,390 --> 01:24:00,820

they won't find them of great interest

1929

01:24:05,430 --> 01:24:03,400

and I've got all Kim about it's a long

1930

01:24:07,439 --> 01:24:05,440

story again when Paul and I got involved

1931

01:24:08,819 --> 01:24:07,449

together but it was basically you know

1932

01:24:12,149 --> 01:24:08,829

because he could speak the language and

1933

01:24:14,640 --> 01:24:12,159

I couldn't and material came my way from

1934

01:24:16,410 --> 01:24:14,650

from Russia and I had no idea what he

1935

01:24:17,640 --> 01:24:16,420

said again it's pre-internet days you

1936

01:24:20,129 --> 01:24:17,650

couldn't tack it in and they'll give you

1937

01:24:22,560 --> 01:24:20,139

a translation yeah so sent it to Paul

1938

01:24:24,379 --> 01:24:22,570

and we've worked together ever since and

1939

01:24:30,359 --> 01:24:24,389

I will continue to do so

1940

01:24:32,910 --> 01:24:30,369

right right that's great now the UK has

1941

01:24:35,040 --> 01:24:32,920

just released some documents you weren't

1942

01:24:37,529 --> 01:24:35,050

able to listen to our news the news I

1943

01:24:39,589 --> 01:24:37,539

had with Alejandro Rojas but he was

1944

01:24:42,890 --> 01:24:39,599

talking about the recently released

1945

01:24:45,330 --> 01:24:42,900

documents that you really can't get to

1946

01:24:48,989 --> 01:24:45,340

have you been following that at all I

1947

01:24:51,200 --> 01:24:48,999

hope yes peculiar because all the all

1948

01:24:55,560 --> 01:24:51,210

the previous releases of documentation

1949

01:24:59,279 --> 01:24:55,570

was digitized so you could get access to

1950

01:25:02,939 --> 01:24:59,289

it for whatever reason this latest batch

1951

01:25:06,270 --> 01:25:02,949

it's only a small batch anyway has not

1952

01:25:09,029 --> 01:25:06,280

been digitized so if you want to to get

1953

01:25:11,549 --> 01:25:09,039

it you can either go on to the National

1954

01:25:13,920 --> 01:25:11,559

Archives themselves and have a look

1955

01:25:16,680 --> 01:25:13,930

or I think you can you can

1956

01:25:18,870 --> 01:25:16,690

via copy you know you can request a copy

1957

01:25:21,270 --> 01:25:18,880

and pay for it and then be sent to you

1958

01:25:22,800 --> 01:25:21,280

but you can't did you say it's not it's

1959

01:25:24,240 --> 01:25:22,810

not online anyway I know I've got a

1960

01:25:27,270 --> 01:25:24,250

colleague who's actually got a copy of

1961

01:25:29,910 --> 01:25:27,280

them and he asked for permission to post

1962

01:25:32,630 --> 01:25:29,920

them online from the National Archives

1963

01:25:35,700 --> 01:25:32,640

and they send and where or cost you

1964

01:25:37,470 --> 01:25:35,710

Sophie's head no so I'm just asking if I

1965

01:25:39,810 --> 01:25:37,480

can have a copy on on email I've

1966

01:25:41,430 --> 01:25:39,820

literally done that this evening so

1967

01:25:42,540 --> 01:25:41,440

reading part of one of them it seems

1968

01:25:44,670 --> 01:25:42,550

rather intriguing

1969

01:25:49,110 --> 01:25:44,680

and we go back to the Rendlesham forest

1970

01:25:54,090 --> 01:25:49,120

event and they say well they call it a

1971

01:25:57,240 --> 01:25:54,100

UFO solid you ap1 identify that most

1972

01:26:00,540 --> 01:25:57,250

static phenomena along with the Roswell

1973

01:26:03,990 --> 01:26:00,550

on that under the Woodbridge and that's

1974

01:26:07,260 --> 01:26:04,000

strange you know so there's an admission

1975

01:26:10,050 --> 01:26:07,270

that something happened but by colony au

1976

01:26:12,090 --> 01:26:10,060

a piece what keeps you open so you know

1977

01:26:14,280 --> 01:26:12,100

when whooshing yes yes I know one

1978

01:26:16,680 --> 01:26:14,290

mention in there what else is in there

1979

01:26:18,330 --> 01:26:16,690

I'm not entirely sure about at the

1980

01:26:20,520 --> 01:26:18,340

moment I wouldn't like to say because I

1981

01:26:22,140 --> 01:26:20,530

haven't seen them myself so that's my

1982

01:26:25,500 --> 01:26:22,150

colleagues look you've got a copy I

1983

01:26:28,260 --> 01:26:25,510

don't you know are they small enough in

1984

01:26:31,830 --> 01:26:28,270

in size to to email them to me in some

1985

01:26:33,600 --> 01:26:31,840

way and I Iowa is replying I'm sure I

1986

01:26:37,880 --> 01:26:33,610

get to have a look at them at some at

1987

01:26:40,530 --> 01:26:37,890

some point but I wouldn't get you know

1988

01:26:42,660 --> 01:26:40,540

too carried away with official releases

1989

01:26:45,210 --> 01:26:42,670

because when you look at these documents

1990

01:26:49,290 --> 01:26:45,220

I think the highest security clearance

1991

01:26:52,560 --> 01:26:49,300

you see on a miss secret yeah you know I

1992

01:26:57,180 --> 01:26:52,570

am or where I haven't seen one that says

1993

01:26:59,220 --> 01:26:57,190

top secret you know so you know it may

1994

01:27:03,270 --> 01:26:59,230

be that they were all just like this

1995

01:27:05,880 --> 01:27:03,280

secret oh there might be others that we

1996

01:27:08,130 --> 01:27:05,890

will never get to see I mean we our

1997

01:27:10,470 --> 01:27:08,140

government can refuse to release

1998

01:27:14,430 --> 01:27:10,480

documents and put an even longer time

1999

01:27:15,720 --> 01:27:14,440

span on them before even you know I'm

2000

01:27:17,970 --> 01:27:15,730

gonna get a chance to look at them

2001

01:27:20,640 --> 01:27:17,980

coming home again a whole range of

2002

01:27:22,920 --> 01:27:20,650

subject dr.xu fo if they want to have

2003

01:27:26,310 --> 01:27:22,930

even one example one of our most famous

2004

01:27:27,420 --> 01:27:26,320

monarchies for the Queen Victoria there

2005

01:27:31,080 --> 01:27:27,430

are letters why

2006

01:27:32,880 --> 01:27:31,090

Queen Victoria you know in the National

2007

01:27:35,940 --> 01:27:32,890

Archives that you won't get to look at

2008

01:27:38,070 --> 01:27:35,950

probably never you know but they are

2009

01:27:39,930 --> 01:27:38,080

there and they've put a long release

2010

01:27:42,630 --> 01:27:39,940

date on them what those documents

2011

01:27:44,160 --> 01:27:42,640

contain what they say your guess is as

2012

01:27:46,380 --> 01:27:44,170

good as mine but this just shows you

2013

01:27:48,090 --> 01:27:46,390

they can put a block on you getting hold

2014

01:27:50,190 --> 01:27:48,100

of Minister one but this just seems

2015

01:27:52,560 --> 01:27:50,200

silly you know it's not a large amount

2016

01:27:54,120 --> 01:27:52,570

of documents all the others are being

2017

01:27:57,180 --> 01:27:54,130

digitized why don't they just do the

2018

01:27:58,230 --> 01:27:57,190

same again I really don't know mm-hmm

2019

01:28:01,260 --> 01:27:58,240

right right

2020

01:28:03,660 --> 01:28:01,270

okay yeah I know that it's we were

2021

01:28:06,960 --> 01:28:03,670

talking in the news earlier Alejandro

2022

01:28:09,330 --> 01:28:06,970

was mentioning that the copy the there's

2023

01:28:11,040 --> 01:28:09,340

copyright on these documents so you

2024

01:28:12,660 --> 01:28:11,050

can't really use them the way you can

2025

01:28:16,050 --> 01:28:12,670

and in the States

2026

01:28:18,180 --> 01:28:16,060

you have to be careful on how you have

2027

01:28:20,060 --> 01:28:18,190

to get permission yeah if you you can

2028

01:28:22,410 --> 01:28:20,070

get access to them you can buy a copy

2029

01:28:25,500 --> 01:28:22,420

well as previously you could download

2030

01:28:28,290 --> 01:28:25,510

them which I have done you know and then

2031

01:28:32,580 --> 01:28:28,300

you've got wait through them most of it

2032

01:28:34,920 --> 01:28:32,590

is just internal chitchat with nothing

2033

01:28:38,430 --> 01:28:34,930

of any great relevance you know I want

2034

01:28:40,200 --> 01:28:38,440

to pass this file on to AXT impose zegs

2035

01:28:42,120 --> 01:28:40,210

us for this file will you pass it on to

2036

01:28:45,300 --> 01:28:42,130

him by this you know a lot of its just

2037

01:28:47,760 --> 01:28:45,310

internal memos and teacher but there are

2038

01:28:51,360 --> 01:28:47,770

some more gates that are interesting in

2039

01:28:54,390 --> 01:28:51,370

there you know and again you make it one

2040

01:28:57,750 --> 01:28:54,400

what you will yourself but if you want

2041

01:29:00,120 --> 01:28:57,760

to reproduce them in a book format or an

2042

01:29:02,640 --> 01:29:00,130

article or whatever you do need fluency

2043

01:29:04,680 --> 01:29:02,650

do need to get there their permission at

2044

01:29:06,000 --> 01:29:04,690

the National Archives which is like you

2045

01:29:08,550 --> 01:29:06,010

say it's different to the Freedom of

2046

01:29:10,650 --> 01:29:08,560

Information Act in in the USA but that's

2047

01:29:12,000 --> 01:29:10,660

the way it goes you know you know what

2048

01:29:13,680 --> 01:29:12,010

you're letting yourself in for you know

2049

01:29:16,110 --> 01:29:13,690

what the score is those are the rules

2050

01:29:18,930 --> 01:29:16,120

yes it's up to you whether you play by

2051

01:29:20,490 --> 01:29:18,940

Missy I was one of the first if not the

2052

01:29:22,560 --> 01:29:20,500

first to get some of those documents

2053

01:29:26,370 --> 01:29:22,570

released and there's a famous quote from

2054

01:29:28,380 --> 01:29:26,380

Sir Winston Churchill on a memo it's

2055

01:29:31,760 --> 01:29:28,390

always still like UFOs you know let me

2056

01:29:35,550 --> 01:29:31,770

know what your yeah yeah it's just a one

2057

01:29:38,700 --> 01:29:35,560

panelists sanic you know WSC you know

2058

01:29:40,720 --> 01:29:38,710

Winston Spencer Churchill III got that

2059

01:29:47,140 --> 01:29:40,730

released many many is gone

2060

01:29:49,270 --> 01:29:47,150

over here now and this was in 1952 yes

2061

01:29:51,280 --> 01:29:49,280

all it said was you know in the in the

2062

01:29:53,400 --> 01:29:51,290

press release was a batch of papers

2063

01:29:56,380 --> 01:29:53,410

relating to Winston Churchill have been

2064

01:29:59,920 --> 01:29:56,390

released to the National Archive in UFOs

2065

01:30:02,110 --> 01:29:59,930

I just took a point to a press till

2066

01:30:03,940 --> 01:30:02,120

I got that you know and we weren't

2067

01:30:08,650 --> 01:30:03,950

digitized then either they just sent me

2068

01:30:10,690 --> 01:30:08,660

them in the post and hey you go wow do

2069

01:30:11,190 --> 01:30:10,700

they redact them like they do in the

2070

01:30:16,510 --> 01:30:11,200

States

2071

01:30:19,450 --> 01:30:16,520

yes they do personal information well

2072

01:30:21,640 --> 01:30:19,460

it's mainly names names of people

2073

01:30:24,130 --> 01:30:21,650

if I ever report here that was done I

2074

01:30:25,900 --> 01:30:24,140

think he was during the 90s don't quote

2075

01:30:29,920 --> 01:30:25,910

me that's called the condign report oh

2076

01:30:33,070 --> 01:30:29,930

yes and then I guarantee it's an

2077

01:30:36,850 --> 01:30:33,080

interesting report but you can't find

2078

01:30:39,100 --> 01:30:36,860

out who was the author of it these

2079

01:30:41,890 --> 01:30:39,110

name's not on it or her name's not on ik

2080

01:30:46,360 --> 01:30:41,900

and if you contact the powers that be

2081

01:30:49,000 --> 01:30:46,370

they won't tell you sir hope you know it

2082

01:30:50,440 --> 01:30:49,010

would be interesting to know who would

2083

01:30:53,830 --> 01:30:50,450

written this report what their

2084

01:30:56,170 --> 01:30:53,840

credentials are you know and think about

2085

01:30:58,030 --> 01:30:56,180

you can't find it it's not there so and

2086

01:31:00,729 --> 01:30:58,040

that's been a bit of a puzzle as well

2087

01:31:02,560 --> 01:31:00,739

but it's just another little little

2088

01:31:03,490 --> 01:31:02,570

niggly things that you find when you're

2089

01:31:05,500 --> 01:31:03,500

when you're going through these

2090

01:31:08,080 --> 01:31:05,510

documents you know what I mean yeah yeah

2091

01:31:11,050 --> 01:31:08,090

no I had never realized I knew that it

2092

01:31:13,000 --> 01:31:11,060

was you know the British government

2093

01:31:15,400 --> 01:31:13,010

study but I never knew that you couldn't

2094

01:31:17,830 --> 01:31:15,410

actually see the author's no author's

2095

01:31:20,500 --> 01:31:17,840

name on it no I mean again we've asked

2096

01:31:23,080 --> 01:31:20,510

Nick Pope when he won't comment because

2097

01:31:24,520 --> 01:31:23,090

Nick knew it you know he's still bound

2098

01:31:26,620 --> 01:31:24,530

even though he's retired from the

2099

01:31:27,850 --> 01:31:26,630

minister defense he's still bound by the

2100

01:31:31,390 --> 01:31:27,860

Official Secrets Act

2101  
01:31:32,770 --> 01:31:31,400  
right unless they played to him yes yeah

2102  
01:31:37,060 --> 01:31:32,780  
absolutely

2103  
01:31:39,850 --> 01:31:37,070  
now someone wanted to ask in here do you

2104  
01:31:42,729 --> 01:31:39,860  
see worse I worry some amount of

2105  
01:31:45,220 --> 01:31:42,739  
infighting or closed-mindedness in the

2106  
01:31:45,700 --> 01:31:45,230  
UFO community today more than in the

2107  
01:31:48,850 --> 01:31:45,710  
past

2108  
01:31:52,720 --> 01:31:48,860  
oh absolutely you know I mean I'm on

2109  
01:31:54,190 --> 01:31:52,730  
Facebook and there's other social media

2110  
01:31:58,510 --> 01:31:54,200  
sites and it is so easy

2111  
01:32:01,210 --> 01:31:58,520  
now for I mean there's war raging about

2112  
01:32:03,130 --> 01:32:01,220  
all kinds of different topics all right

2113  
01:32:04,870 --> 01:32:03,140

first of all I don't miss Fisher won't

2114

01:32:06,700 --> 01:32:04,880

be involved in any of it I've been there

2115

01:32:08,680 --> 01:32:06,710

and done that in the old days when you

2116

01:32:10,960 --> 01:32:08,690

gather did it in on the phone or in

2117

01:32:13,540 --> 01:32:10,970

writing on face to face and of course

2118

01:32:15,370 --> 01:32:13,550

that made it much more difficult you

2119

01:32:19,150 --> 01:32:15,380

didn't have an instant audience like you

2120

01:32:21,580 --> 01:32:19,160

do now yeah one of them mention it

2121

01:32:25,200 --> 01:32:21,590

briefly you know and I'm not taking

2122

01:32:28,420 --> 01:32:25,210

sides ease these people with Lhari one

2123

01:32:31,540 --> 01:32:28,430

no it was co-author of the book left 88

2124

01:32:33,100 --> 01:32:31,550

now some people say while he wasn't a

2125

01:32:35,020 --> 01:32:33,110

trend wish him and his irony's don't

2126

01:32:36,730 --> 01:32:35,030

list out the other I would say no you're

2127

01:32:39,550 --> 01:32:36,740

talking rubbish I'm being polite when I

2128

01:32:41,740 --> 01:32:39,560

say that it was there this is he's

2129

01:32:46,030 --> 01:32:41,750

telling the truth and so on and it

2130

01:32:48,580 --> 01:32:46,040

hasn't been a war it's raised and I kept

2131

01:32:51,970 --> 01:32:48,590

well out of it that's just one example

2132

01:32:53,920 --> 01:32:51,980

yes so in in my opinion is because it is

2133

01:32:55,690 --> 01:32:53,930

far worse than it's ever been and and

2134

01:32:57,790 --> 01:32:55,700

might you know I don't like to give

2135

01:33:01,630 --> 01:32:57,800

advice with my head I will mix occasion

2136

01:33:04,870 --> 01:33:01,640

my advice is it's complete waste of time

2137

01:33:05,740 --> 01:33:04,880

really you know don't get involved no

2138

01:33:07,210 --> 01:33:05,750

just walk away

2139

01:33:08,920 --> 01:33:07,220

you've got that I personally have got

2140

01:33:11,260 --> 01:33:08,930

better things to do with my time and

2141

01:33:12,940 --> 01:33:11,270

then argue the toss on whether lolly was

2142

01:33:15,400 --> 01:33:12,950

there always know why he Warren and

2143

01:33:16,900 --> 01:33:15,410

Peter Robbins came to stay with me some

2144

01:33:19,270 --> 01:33:16,910

years back when the turmoil in the book

2145

01:33:21,550 --> 01:33:19,280

there were perfect gentleman that's all

2146

01:33:23,920 --> 01:33:21,560

I can say you know and I'll let others

2147

01:33:26,320 --> 01:33:23,930

decide for themselves you know I never

2148

01:33:28,120 --> 01:33:26,330

thought of the social media aspect but

2149

01:33:31,000 --> 01:33:28,130

you're absolutely right about that you

2150

01:33:34,690 --> 01:33:31,010

see you see a lot of infighting in

2151

01:33:39,480 --> 01:33:34,700

general on any topic from politics to

2152

01:33:45,250 --> 01:33:39,490

anything you can imagine so yeah and

2153

01:33:46,810 --> 01:33:45,260

speaking of that there is a there's I'm

2154

01:33:50,380 --> 01:33:46,820

sure you've seen this making the rounds

2155

01:33:52,360 --> 01:33:50,390

this new alien mummy the what do they

2156

01:33:55,900 --> 01:33:52,370

call it the Nazca line alien or

2157

01:33:58,420 --> 01:33:55,910

something like that I don't know if you

2158

01:34:01,810 --> 01:33:58,430

want to talk about that I I would like

2159

01:34:04,360 --> 01:34:01,820

to bring it up only for a fact that I I

2160

01:34:06,130 --> 01:34:04,370

think it's bogus myself

2161

01:34:06,830 --> 01:34:06,140

you know and I'm only seeing this I

2162

01:34:09,050 --> 01:34:06,840

don't have any

2163

01:34:11,899 --> 01:34:09,060

actual information or anything but I'm

2164

01:34:14,810 --> 01:34:11,909

saying it as a an antique and fine arts

2165

01:34:18,520 --> 01:34:14,820

appraiser I've been doing that for over

2166

01:34:21,589 --> 01:34:18,530

40 years and anytime I've ever seen any

2167

01:34:24,050 --> 01:34:21,599

plaster anything plastered with a lot of

2168

01:34:27,680 --> 01:34:24,060

age to it two things happen first of all

2169

01:34:31,100 --> 01:34:27,690

most of the time it yellows and secondly

2170

01:34:33,859 --> 01:34:31,110

there it there becomes that there comes

2171

01:34:36,890 --> 01:34:33,869

over what's called a patina in other

2172

01:34:39,620 --> 01:34:36,900

words it'll have with age it just has a

2173

01:34:41,540 --> 01:34:39,630

natural like Sheen not necessarily

2174

01:34:44,300 --> 01:34:41,550

necessarily from handling or anything

2175

01:34:47,149 --> 01:34:44,310

like that it just happens with age and

2176

01:34:50,330 --> 01:34:47,159

this is just this bright plaster white

2177

01:34:54,140 --> 01:34:50,340

plaster thing with three toes and three

2178

01:34:55,700 --> 01:34:54,150

fingers and yeah it's bogus but every

2179

01:34:59,209 --> 01:34:55,710

story's getting saying you know as well

2180

01:35:03,470 --> 01:34:59,219

as I do Martin the the the the money's

2181

01:35:05,149 --> 01:35:03,480

from South America were you know they

2182

01:35:08,570 --> 01:35:05,159

were put in a you know like a fetal

2183

01:35:10,820 --> 01:35:08,580

position put in a covering and left in

2184

01:35:12,560 --> 01:35:10,830

the ground and they just dried out you

2185

01:35:14,270 --> 01:35:12,570

know by themselves not likely against

2186

01:35:16,010 --> 01:35:14,280

your mummys the had to be dried on

2187

01:35:17,689 --> 01:35:16,020

purpose that's why they removed all the

2188

01:35:19,580 --> 01:35:17,699

soft tissue are the brains of the heart

2189

01:35:23,419 --> 01:35:19,590

and all that kind of stuff yeah they

2190

01:35:25,879 --> 01:35:23,429

they they mummified them in Egypt but in

2191

01:35:28,010 --> 01:35:25,889

southern American living so high so dry

2192

01:35:30,140 --> 01:35:28,020

there was it was natural mummification

2193

01:35:32,240 --> 01:35:30,150

and I'm willing it didn't look anything

2194

01:35:34,459 --> 01:35:32,250

like that one per plaster on that table

2195

01:35:36,500 --> 01:35:34,469

and as soon as you have a gentleman by

2196

01:35:39,680 --> 01:35:36,510

the name of Jaime muscle involved you

2197

01:35:43,790 --> 01:35:39,690

should walk away in story I'll say no

2198

01:35:45,919 --> 01:35:43,800

more than that yeah yeah I unfortunately

2199

01:35:49,010 --> 01:35:45,929

I'm with you there I mean when I saw

2200

01:35:50,510 --> 01:35:49,020

that trailer and I saw that I just kind

2201

01:35:54,439 --> 01:35:50,520

of rolled my eyes and say here we go

2202

01:35:57,709 --> 01:35:54,449

again and how do you think this how do

2203

01:36:00,490 --> 01:35:57,719

you think this hurts the UFO community I

2204

01:36:02,810 --> 01:36:00,500

know that I had you on the show recorded

2205

01:36:06,200 --> 01:36:02,820

pre-recorded to talk about the alien

2206

01:36:08,570 --> 01:36:06,210

slides a few years ago and what do you

2207

01:36:12,859 --> 01:36:08,580

think this does to the credibility of

2208

01:36:16,010 --> 01:36:12,869

the whole topic well you know I again it

2209

01:36:20,400 --> 01:36:16,020

kind of have a short-term detrimental

2210

01:36:23,370 --> 01:36:20,410

effect but not long-term I mean

2211

01:36:25,710 --> 01:36:23,380

you know I've met and spoken with people

2212

01:36:29,520 --> 01:36:25,720

like dr. Jacques Vallee and he's

2213

01:36:31,980 --> 01:36:29,530

recently made a statement again that you

2214

01:36:34,460 --> 01:36:31,990

know applies down to decades it doesn't

2215

01:36:38,010 --> 01:36:34,470

really change any what it just says

2216

01:36:42,060 --> 01:36:38,020

present your best evidence and that is

2217

01:36:44,430 --> 01:36:42,070

it you know so you know we can do better

2218

01:36:46,350 --> 01:36:44,440

than a plaster cast on our on our on a

2219

01:36:50,310 --> 01:36:46,360

table it's something we say it's like

2220

01:36:53,190 --> 01:36:50,320

the old Victorians used to do the the

2221

01:36:54,990 --> 01:36:53,200

paper mache mermaids that used to have

2222

01:36:55,890 --> 01:36:55,000

on their sidebars it was a topic of

2223

01:36:58,230 --> 01:36:55,900

conversation

2224

01:37:00,510 --> 01:36:58,240

you know do people really take it

2225

01:37:05,010 --> 01:37:00,520

seriously knowing you know the giddens

2226

01:37:08,930 --> 01:37:05,020

and I'd love to buy one and you know no

2227

01:37:11,910 --> 01:37:08,940

fakes you know and and this is like a

2228

01:37:13,890 --> 01:37:11,920

21st century version of the Victorian

2229

01:37:16,350 --> 01:37:13,900

paper mache mermaid that you know when

2230

01:37:17,880 --> 01:37:16,360

you say bought but also you know there's

2231

01:37:21,030 --> 01:37:17,890

a commercial aspect to it

2232

01:37:24,530 --> 01:37:21,040

there's also they know that there's a

2233

01:37:26,880 --> 01:37:24,540

great many people that believe in UFOs

2234

01:37:28,830 --> 01:37:26,890

alien spaceships and there may be right

2235

01:37:31,050 --> 01:37:28,840

of course I'm not saying it wrong or

2236

01:37:34,680 --> 01:37:31,060

that we may have been visited by beings

2237

01:37:37,710 --> 01:37:34,690

from another world in the past and they

2238

01:37:40,050 --> 01:37:37,720

want physical proof to try and support

2239

01:37:42,750 --> 01:37:40,060

that so you do get people along the

2240

01:37:45,030 --> 01:37:42,760

lines you know like this thing like the

2241

01:37:48,090 --> 01:37:45,040

alien autopsy or like they're trying to

2242

01:37:51,390 --> 01:37:48,100

appeal it give them what they want it's

2243

01:37:54,030 --> 01:37:51,400

also like you know artifacts within

2244

01:37:57,600 --> 01:37:54,040

religion you know the Turin Shroud and

2245

01:38:02,370 --> 01:37:57,610

so you know a system of a similar nature

2246

01:38:04,530 --> 01:38:02,380

very good yeah it is and as long as you

2247

01:38:06,930 --> 01:38:04,540

know where is that I think it kind of a

2248

01:38:08,910 --> 01:38:06,940

short-term effect but not not a

2249

01:38:11,340 --> 01:38:08,920

long-term effects mine you know I just

2250

01:38:13,680 --> 01:38:11,350

if some if I were on a TV show so I'm

2251

01:38:15,540 --> 01:38:13,690

skeptical about this and pull up at war

2252

01:38:18,180 --> 01:38:15,550

against we can all pull out things that

2253

01:38:20,610 --> 01:38:18,190

have proved to be being correct or fake

2254

01:38:21,750 --> 01:38:20,620

up August what just in ufology you know

2255

01:38:25,370 --> 01:38:21,760

with other Hitler Diaries

2256

01:38:27,990 --> 01:38:25,380

there Piltdown man you know we had to do

2257

01:38:31,230 --> 01:38:28,000

the film of this down the other row

2258

01:38:33,720 --> 01:38:31,240

bogus doesn't necessarily much filled

2259

01:38:34,260 --> 01:38:33,730

with women discover the Piltdown man

2260

01:38:37,170 --> 01:38:34,270

wasn't

2261

01:38:40,800 --> 01:38:37,180

and ain't man it didn't for archaeology

2262

01:38:43,530 --> 01:38:40,810

Haiti damage at all you know it still

2263

01:38:45,750 --> 01:38:43,540

went on and similar with the Hitler

2264

01:38:47,520 --> 01:38:45,760

Diaries you know it didn't really do you

2265

01:38:49,740 --> 01:38:47,530

know the collecting of wartime

2266

01:38:52,560 --> 01:38:49,750

memorabilia anyhow it's still a big

2267

01:38:54,360 --> 01:38:52,570

industry now so has a short-term effect

2268

01:38:57,510 --> 01:38:54,370

but that's all it is

2269

01:39:00,960 --> 01:38:57,520

now you were responsible for basically

2270

01:39:02,940 --> 01:39:00,970

uncovering the or you had a good part in

2271

01:39:08,820 --> 01:39:02,950

it for uncovering that the alien autopsy

2272

01:39:11,570 --> 01:39:08,830

film was bogus and thank you for that I

2273

01:39:14,190 --> 01:39:11,580

mean your good work on that years ago

2274

01:39:16,190 --> 01:39:14,200

how do you feel about when you see that

2275

01:39:18,690 --> 01:39:16,200

you know now it's on Netflix

2276

01:39:20,520 --> 01:39:18,700

you know the alien autopsy and all that

2277

01:39:22,350 --> 01:39:20,530

how do you well again you know that

2278

01:39:26,010 --> 01:39:22,360

that's that's just that's the commercial

2279

01:39:27,270 --> 01:39:26,020

world we're living today you know and

2280

01:39:30,270 --> 01:39:27,280

there's not a lot you can do about it

2281

01:39:33,570 --> 01:39:30,280

you know I wrote my book about it it's

2282

01:39:35,130 --> 01:39:33,580

there if people want it so it's again it

2283

01:39:36,660 --> 01:39:35,140

wasn't a commercial decision to write a

2284

01:39:38,610 --> 01:39:36,670

book you what we won't make me a rich

2285

01:39:41,400 --> 01:39:38,620

man but the point is the information is

2286

01:39:43,620 --> 01:39:41,410

there I'm gonna still people believe

2287

01:39:45,330 --> 01:39:43,630

that the alien autopsy film is real and

2288

01:39:47,490 --> 01:39:45,340

there's no matter what you say I do they

2289

01:39:48,120 --> 01:39:47,500

always will so you know let them go on

2290

01:39:49,950 --> 01:39:48,130

their way

2291

01:39:53,310 --> 01:39:49,960

you know they've nice people must no

2292

01:39:55,650 --> 01:39:53,320

harm against it but yeah I mean that

2293

01:39:58,290 --> 01:39:55,660

that's today's TV for you you know you

2294

01:40:00,300 --> 01:39:58,300

can do this stuff from yesteryear again

2295

01:40:03,210 --> 01:40:00,310

not just on us phones Marty but all

2296

01:40:07,680 --> 01:40:03,220

kinds of things pops up and there's an

2297

01:40:10,470 --> 01:40:07,690

audience for it so again if you are one

2298

01:40:12,300 --> 01:40:10,480

inquiring mind and you think well yeah

2299

01:40:13,980 --> 01:40:12,310

that was interesting you want to go I'll

2300

01:40:15,420 --> 01:40:13,990

go log on and you can find all the

2301  
01:40:18,030 --> 01:40:15,430  
information you want now whether it's

2302  
01:40:20,670 --> 01:40:18,040  
correct or not that's for you to decide

2303  
01:40:22,290 --> 01:40:20,680  
but the information is there so you're

2304  
01:40:25,830 --> 01:40:22,300  
not just relying on what you see on that

2305  
01:40:28,050 --> 01:40:25,840  
small screen like we were kids you know

2306  
01:40:31,350 --> 01:40:28,060  
yeah and or if you went to the cinema

2307  
01:40:33,690 --> 01:40:31,360  
and watched it move it I mean I in those

2308  
01:40:37,320 --> 01:40:33,700  
days if you were to go watch a movie and

2309  
01:40:38,610 --> 01:40:37,330  
you didn't get to see it that was it you

2310  
01:40:42,180 --> 01:40:38,620  
need to wait three or four years before

2311  
01:40:45,090 --> 01:40:42,190  
it came on TV well not now it's there

2312  
01:40:46,590 --> 01:40:45,100  
it's there at your fingertips yeah it's

2313  
01:40:48,280 --> 01:40:46,600

just one of those things we have to

2314

01:40:52,240 --> 01:40:48,290

accept and just more

2315

01:40:53,830 --> 01:40:52,250

right right so someone posts a question

2316

01:40:57,810 --> 01:40:53,840

a Carrie wanted to know do you have a

2317

01:40:59,380 --> 01:40:57,820

favorite case from the UK that as

2318

01:41:01,480 --> 01:40:59,390

well-known

2319

01:41:04,420 --> 01:41:01,490

you know established case such as the

2320

01:41:07,630 --> 01:41:04,430

Rendlesham forest I don't have one

2321

01:41:11,070 --> 01:41:07,640

that's well known and this is an

2322

01:41:13,390 --> 01:41:11,080

intriguing thing I mean most UFO cases

2323

01:41:15,850 --> 01:41:13,400

people like me investigate and not well

2324

01:41:17,860 --> 01:41:15,860

known as we mentioned earlier that's why

2325

01:41:19,780 --> 01:41:17,870

I'm trying to revisit some of the things

2326

01:41:22,180 --> 01:41:19,790

I have been involved with in the past

2327

01:41:23,890 --> 01:41:22,190

and what I do I'll write an article

2328

01:41:26,350 --> 01:41:23,900

about it and it goes to a whole variety

2329

01:41:29,350 --> 01:41:26,360

of different us all publications around

2330

01:41:30,790 --> 01:41:29,360

the world free of charge in some to them

2331

01:41:33,990 --> 01:41:30,800

whether they want to publish it or not

2332

01:41:37,390 --> 01:41:34,000

you know I I send it to them all and I

2333

01:41:39,040 --> 01:41:37,400

have one favorite case that probably

2334

01:41:40,480 --> 01:41:39,050

nobody's ever heard of that but I have

2335

01:41:43,240 --> 01:41:40,490

talked about you know what I haven't

2336

01:41:47,050 --> 01:41:43,250

been involved that long when Matt

2337

01:41:50,050 --> 01:41:47,060

Bernson and I received a letter from a

2338

01:41:51,880 --> 01:41:50,060

lady in a little town called normanton

2339

01:41:57,400 --> 01:41:51,890

it's just down the road from where I

2340

01:41:59,350 --> 01:41:57,410

live this is in the early 1980s it was a

2341

01:42:01,660 --> 01:41:59,360

mining town sort of mainly in this it

2342

01:42:06,550 --> 01:42:01,670

was coal mining as it's all around here

2343

01:42:10,270 --> 01:42:06,560

was it's all gone now and around the

2344

01:42:12,730 --> 01:42:10,280

radio and I spoke to her and she was

2345

01:42:14,200 --> 01:42:12,740

like mrs. westerman and she says you

2346

01:42:17,470 --> 01:42:14,210

don't believe me won't believe me won't

2347

01:42:23,410 --> 01:42:17,480

believe me I saw a kid a chance

2348

01:42:25,510 --> 01:42:23,420

and she'd seen our numbering in and our

2349

01:42:27,490 --> 01:42:25,520

details in a local newspaper and it's

2350

01:42:31,720 --> 01:42:27,500

hired to contact me we went to speak to

2351

01:42:33,430 --> 01:42:31,730

mrs. Westerman now she lives in what we

2352

01:42:36,340 --> 01:42:33,440

call an elevated house so you've got the

2353

01:42:38,680 --> 01:42:36,350

steps to get in the front door and it

2354

01:42:40,330 --> 01:42:38,690

was a paul de sac so she's about ten

2355

01:42:42,160 --> 01:42:40,340

hours from the bottom of the call this

2356

01:42:45,310 --> 01:42:42,170

up on the end of the call this act was

2357

01:42:48,490 --> 01:42:45,320

some fields some trees and some artistic

2358

01:42:50,350 --> 01:42:48,500

pylons that was it so what it what had

2359

01:42:53,950 --> 01:42:50,360

happened was he was just after lunchtime

2360

01:42:57,310 --> 01:42:53,960

and she was in the kitchen washing the

2361

01:42:59,380 --> 01:42:57,320

dishes just after lunch now four of her

2362

01:43:01,160 --> 01:42:59,390

children were out front in the road

2363

01:43:03,439 --> 01:43:01,170

playing a ballgame

2364

01:43:05,600 --> 01:43:03,449

the or baton is the exact same ball game

2365

01:43:06,770 --> 01:43:05,610

I used to play when I was a kid yeah I

2366

01:43:08,570 --> 01:43:06,780

won't tell you they'll see because it

2367

01:43:10,970 --> 01:43:08,580

don't mean nothing to you in a baby yeah

2368

01:43:14,600 --> 01:43:10,980

so the tennis ball that were using goes

2369

01:43:17,859 --> 01:43:14,610

up in the air the kids look at it and

2370

01:43:20,810 --> 01:43:17,869

they run in the house and say mom

2371

01:43:23,479 --> 01:43:20,820

there's an airplane come down in the

2372

01:43:25,850 --> 01:43:23,489

field now missing Westerman Kemal where

2373

01:43:28,129 --> 01:43:25,860

front door and because he's elevated you

2374

01:43:32,060 --> 01:43:28,139

could see across these fields and she

2375

01:43:36,439 --> 01:43:32,070

said it wasn't an airplane it was shaped

2376

01:43:38,359 --> 01:43:36,449

like a Mexican hat only green color or

2377

01:43:42,050 --> 01:43:38,369

she also described it looking a bit like

2378

01:43:45,050 --> 01:43:42,060

a tank you know an artillery tank but

2379

01:43:47,899 --> 01:43:45,060

did no gun on it on the front so she

2380

01:43:50,359 --> 01:43:47,909

called the children that walk down the

2381

01:43:52,669 --> 01:43:50,369

cul-de-sac across the field now at one

2382

01:43:54,290 --> 01:43:52,679

point you go down into a little

2383

01:43:56,660 --> 01:43:54,300

different as the stream there and so I

2384

01:43:59,479 --> 01:43:56,670

lost sight of this thing they come up

2385

01:44:01,090 --> 01:43:59,489

the other side and this field is going

2386

01:44:04,520 --> 01:44:01,100

to boundary around it with a small fence

2387

01:44:05,870 --> 01:44:04,530

I'm all behold in this field now is this

2388

01:44:10,459 --> 01:44:05,880

thing still sat there on the ground

2389

01:44:12,290 --> 01:44:10,469

there are three tall men they have a

2390

01:44:15,439 --> 01:44:12,300

visor over their face and all coming

2391

01:44:19,459 --> 01:44:15,449

like a warm piece white boiler since big

2392

01:44:20,959 --> 01:44:19,469

boots on not once but mittens sort of

2393

01:44:22,910 --> 01:44:20,969

was so close they could distinguish

2394

01:44:24,350 --> 01:44:22,920

between gloves and mittens they had

2395

01:44:27,620 --> 01:44:24,360

something in their hand that they're

2396

01:44:30,350 --> 01:44:27,630

waving about now the kids wanted to get

2397

01:44:33,290 --> 01:44:30,360

over the fence but machine Wesselman

2398

01:44:35,689 --> 01:44:33,300

held them back at this point these three

2399

01:44:37,729 --> 01:44:35,699

men walk behind this thing it rolls into

2400

01:44:41,600 --> 01:44:37,739

the air and stopped and then shot off at

2401

01:44:44,090 --> 01:44:41,610

an angle and was gone we also spoke to

2402

01:44:46,550 --> 01:44:44,100

one of the children's friends he didn't

2403

01:44:47,899 --> 01:44:46,560

see it but even he'd gone home for and

2404

01:44:51,320 --> 01:44:47,909

she would he came back about an hour

2405

01:44:53,629 --> 01:44:51,330

later and they were all talking about it

2406

01:44:55,760 --> 01:44:53,639

you know only described at no point did

2407

01:44:58,850 --> 01:44:55,770

she describe this is a spaceship on

2408

01:45:02,149 --> 01:44:58,860

flying saucer or anything like that you

2409

01:45:04,810 --> 01:45:02,159

know and what amazed or more than any

2410

01:45:08,510 --> 01:45:04,820

not not just the sighting itself

2411

01:45:12,470 --> 01:45:08,520

although rahmatan is a small town it's

2412

01:45:14,330 --> 01:45:12,480

traveled by a motorway on either side it

2413

01:45:17,419 --> 01:45:14,340

was a beautiful sunny day

2414

01:45:19,760 --> 01:45:17,429

you know and she thought this will be

2415

01:45:22,100 --> 01:45:19,770

all over the newspapers tomorrow you

2416

01:45:23,839 --> 01:45:22,110

know a lot of my neighbors were scenic

2417

01:45:28,270 --> 01:45:23,849

you know people driving down a motorway

2418

01:45:30,680 --> 01:45:28,280

must have seen it but nothing not a soul

2419

01:45:32,330 --> 01:45:30,690

nothing and even we've even tried again

2420

01:45:34,640 --> 01:45:32,340

you know this the local newspaper that

2421

01:45:37,820 --> 01:45:34,650

comes the area I've run the same story a

2422

01:45:39,290 --> 01:45:37,830

couple of times down the ears for me to

2423

01:45:41,209 --> 01:45:39,300

see if there's anyone else that you know

2424

01:45:43,370 --> 01:45:41,219

claims to have seen this thing I'm not a

2425

01:45:46,609 --> 01:45:43,380

lot of thing I'm not poor although more

2426  
01:45:48,379 --> 01:45:46,619  
than anything he's why just heard under

2427  
01:45:51,530 --> 01:45:48,389  
the children saw this on a lovely

2428  
01:45:55,760 --> 01:45:51,540  
summer's day and no one else did you

2429  
01:45:58,640 --> 01:45:55,770  
know and it's it's not again it's not so

2430  
01:46:01,729 --> 01:45:58,650  
much of what this lady planes too

2431  
01:46:04,820 --> 01:46:01,739  
obscene no it's a mining area or I

2432  
01:46:07,520 --> 01:46:04,830  
surely was then her husband worked down

2433  
01:46:09,830 --> 01:46:07,530  
the coal mine I come from a mining

2434  
01:46:11,390 --> 01:46:09,840  
village my father worked down the coal

2435  
01:46:14,930 --> 01:46:11,400  
mine all his life

2436  
01:46:18,109 --> 01:46:14,940  
so I wasn't I was raised by people that

2437  
01:46:19,640 --> 01:46:18,119  
exactly like this you know on a second

2438  
01:46:22,459 --> 01:46:19,650

occasion when we went back to us got a

2439

01:46:24,320 --> 01:46:22,469

few further questions and she had a

2440

01:46:25,689 --> 01:46:24,330

curlers in her hair and she was take a

2441

01:46:28,040 --> 01:46:25,699

photograph of her you know

2442

01:46:30,080 --> 01:46:28,050

there were what we call the salt of the

2443

01:46:33,890 --> 01:46:30,090

earth I know it's not scientific and

2444

01:46:35,899 --> 01:46:33,900

anything like that but to me oh this

2445

01:46:37,970 --> 01:46:35,909

lady was out of weighing and the

2446

01:46:38,300 --> 01:46:37,980

children were lying I was telling the

2447

01:46:39,919 --> 01:46:38,310

truth

2448

01:46:41,990 --> 01:46:39,929

there was no there's no gray area

2449

01:46:45,290 --> 01:46:42,000

there's no misidentification it wasn't a

2450

01:46:45,859 --> 01:46:45,300

helicopter or the flying flaming Venus

2451

01:46:47,780 --> 01:46:45,869

on us

2452

01:46:51,229 --> 01:46:47,790

well it wasn't below anything like that

2453

01:46:54,290 --> 01:46:51,239

I couldn't find any reason why she would

2454

01:46:56,209 --> 01:46:54,300

lie hidden wants to use her name all

2455

01:46:58,129 --> 01:46:56,219

right I haven't done from that yeah I

2456

01:47:01,399 --> 01:46:58,139

don't know but I didn't do for many many

2457

01:47:03,020 --> 01:47:01,409

years you know so you make of it what

2458

01:47:05,839 --> 01:47:03,030

you will I I have no reason to

2459

01:47:07,910 --> 01:47:05,849

disbelieve this lady and her children

2460

01:47:09,800 --> 01:47:07,920

and it smallness always stuck in my mind

2461

01:47:11,689 --> 01:47:09,810

you know I know this because I am been

2462

01:47:13,700 --> 01:47:11,699

involved in something that long I was

2463

01:47:15,680 --> 01:47:13,710

just the impression these people it's

2464

01:47:17,810 --> 01:47:15,690

just it's just one of several but that's

2465

01:47:19,490 --> 01:47:17,820

a nice brings to mind Martin yes yeah

2466

01:47:23,390 --> 01:47:19,500

that's a great one that's really good if

2467

01:47:25,220 --> 01:47:23,400

really like that very fascinating so

2468

01:47:26,930 --> 01:47:25,230

Kerry wanted to know do you think with

2469

01:47:28,070 --> 01:47:26,940

the growing field of alternative media

2470

01:47:30,500 --> 01:47:28,080

such as podcast

2471

01:47:32,960 --> 01:47:30,510

there's some video blogs as a means of

2472

01:47:37,640 --> 01:47:32,970

information this will grow to influence

2473

01:47:39,710 --> 01:47:37,650

the people believe I'm sorry let me read

2474

01:47:41,150 --> 01:47:39,720

that again this will grow to influence

2475

01:47:44,660 --> 01:47:41,160

what people believe when it comes to

2476

01:47:47,840 --> 01:47:44,670

UFOs the UFO subject over traditional

2477

01:47:52,010 --> 01:47:47,850

news reporting absolutely yes they do

2478

01:47:54,140 --> 01:47:52,020

and and to some respect it may not be

2479

01:47:56,120 --> 01:47:54,150

that much of a bad thing it just depends

2480

01:47:57,560 --> 01:47:56,130

on your own personal viewpoint I mean we

2481

01:47:59,440 --> 01:47:57,570

talked about the you know the tabloid

2482

01:48:02,600 --> 01:47:59,450

press earlier I'm not giving two monkeys

2483

01:48:04,310 --> 01:48:02,610

you know they're out just to make some

2484

01:48:05,720 --> 01:48:04,320

money you know with the online things

2485

01:48:06,530 --> 01:48:05,730

they're not have to necessarily sell you

2486

01:48:10,040 --> 01:48:06,540

something but there's all the

2487

01:48:13,660 --> 01:48:10,050

advertising so you know again click

2488

01:48:17,030 --> 01:48:13,670

still get money so the technology today

2489

01:48:19,970 --> 01:48:17,040

allows the the UFO community if they

2490

01:48:21,830 --> 01:48:19,980

want you to say well to hell with the

2491

01:48:24,110 --> 01:48:21,840

traditional press so I made with the

2492

01:48:25,880 --> 01:48:24,120

publication of my books I don't have to

2493

01:48:28,310 --> 01:48:25,890

go cap in hand to a publisher anymore

2494

01:48:28,730 --> 01:48:28,320

the technology now allows me to do it

2495

01:48:31,460 --> 01:48:28,740

myself

2496

01:48:34,070 --> 01:48:31,470

uh-huh as soon as I'm talking to you

2497

01:48:37,520 --> 01:48:34,080

tonight you know in the past it would be

2498

01:48:39,380 --> 01:48:37,530

my local radio station or the BBC you

2499

01:48:42,260 --> 01:48:39,390

were dependent on them you know giving

2500

01:48:43,970 --> 01:48:42,270

you a not well sometimes it was

2501

01:48:45,320 --> 01:48:43,980

difficult you know us all the time or

2502

01:48:49,280 --> 01:48:45,330

what I do will make fun of you

2503

01:48:53,120 --> 01:48:49,290

so ufology ufologists whenever you want

2504

01:48:55,340 --> 01:48:53,130

to term it now has the opportunity so

2505

01:48:59,720 --> 01:48:55,350

they buy back to all the old oh my god

2506

01:49:01,790 --> 01:48:59,730

and do it themselves but again you know

2507

01:49:04,310 --> 01:49:01,800

it's not police it's not regulated so

2508

01:49:05,840 --> 01:49:04,320

you will have to pick and choose let's

2509

01:49:08,930 --> 01:49:05,850

be let's be fair about it imagine

2510

01:49:12,080 --> 01:49:08,940

they'll be good and bad amongst casters

2511

01:49:15,230 --> 01:49:12,090

websites whatever you know Facebook

2512

01:49:17,690 --> 01:49:15,240

pages whatever you know and you have to

2513

01:49:20,300 --> 01:49:17,700

you know shred this through the

2514

01:49:21,670 --> 01:49:20,310

minefield carefully ourselves but it's

2515

01:49:23,330 --> 01:49:21,680

up to you and then make your own

2516

01:49:25,190 --> 01:49:23,340

decision you know people are listening

2517

01:49:28,550 --> 01:49:25,200

to this tonight may think I'm talking

2518

01:49:30,200 --> 01:49:28,560

absolute rubbish oh that's fine you know

2519

01:49:32,330 --> 01:49:30,210

that is absolutely fine

2520

01:49:34,310 --> 01:49:32,340

but we can agree to do that Martin

2521

01:49:35,120 --> 01:49:34,320

that's the point when I'm Farley now say

2522

01:49:37,250 --> 01:49:35,130

I'm sorry Frank

2523

01:49:39,830 --> 01:49:37,260

but I don't you see I disagree with you

2524

01:49:41,870 --> 01:49:39,840

totally without crop circles and this is

2525

01:49:44,629 --> 01:49:41,880

why well that's fine I have known

2526

01:49:47,270 --> 01:49:44,639

no no problem with that whatsoever you

2527

01:49:49,280 --> 01:49:47,280

know we can we can you know what go down

2528

01:49:50,780 --> 01:49:49,290

the route of you know name-calling and

2529

01:49:52,790 --> 01:49:50,790

falling out and so we can agree to

2530

01:49:54,890 --> 01:49:52,800

disagree at times as well so the

2531

01:49:56,840 --> 01:49:54,900

technology is there for us to do it

2532

01:49:59,750 --> 01:49:56,850

ourselves and I think it's only going to

2533

01:50:02,300 --> 01:49:59,760

grow much you know really do yes I I do

2534

01:50:05,899 --> 01:50:02,310

agree is a double-edged sword as you

2535

01:50:08,720 --> 01:50:05,909

know you know as you mentioned you know

2536

01:50:11,240 --> 01:50:08,730

with technology comes the other side of

2537

01:50:16,149 --> 01:50:11,250

it and as we talked about earlier that

2538

01:50:21,110 --> 01:50:16,159

the click bait and the hoaxing all that

2539

01:50:24,200 --> 01:50:21,120

there's no real big hoax case is there

2540

01:50:27,709 --> 01:50:24,210

that's that comes to mind or something

2541

01:50:31,550 --> 01:50:27,719

that's been you know recently found out

2542

01:50:33,350 --> 01:50:31,560

that whatever this last name was the

2543

01:50:37,160 --> 01:50:33,360

company is about was the roswell slides

2544

01:50:39,290 --> 01:50:37,170

of come yes yes and against once the

2545

01:50:43,030 --> 01:50:39,300

slides will make one up on a picture

2546

01:50:47,899 --> 01:50:43,040

from them was put into the public domain

2547

01:50:50,830 --> 01:50:47,909

then the answers to it were found within

2548

01:50:54,709 --> 01:50:50,840

no time I think that's wonderful that

2549

01:50:59,149 --> 01:50:54,719

it's like a self policing so that is the

2550

01:51:02,120 --> 01:50:59,159

the upside of of technology absolutely

2551  
01:51:04,370 --> 01:51:02,130  
and you found people are well well I got

2552  
01:51:05,300 --> 01:51:04,380  
involved with it began because I thought

2553  
01:51:07,669 --> 01:51:05,310  
this is a mommy

2554  
01:51:09,890 --> 01:51:07,679  
I hope they obvious people to ask Cal

2555  
01:51:12,229 --> 01:51:09,900  
ecologist so I think you know I go

2556  
01:51:15,320 --> 01:51:12,239  
online found a list of them son and the

2557  
01:51:17,000 --> 01:51:15,330  
pictures saying Reese's you know I know

2558  
01:51:18,350 --> 01:51:17,010  
what of them came back and told me what

2559  
01:51:21,140 --> 01:51:18,360  
their thoughts were and allowed me to

2560  
01:51:23,660 --> 01:51:21,150  
quote them as well from very pretty sis

2561  
01:51:25,459 --> 01:51:23,670  
predict the money well not all the

2562  
01:51:29,870 --> 01:51:25,469  
establishments around the world you know

2563  
01:51:31,729 --> 01:51:29,880

and others were able to you know look at

2564

01:51:34,160 --> 01:51:31,739

the card that they had on it and

2565

01:51:36,919 --> 01:51:34,170

decipher it you know clarify it and so

2566

01:51:38,720 --> 01:51:36,929

on so within no time at all you know

2567

01:51:41,270 --> 01:51:38,730

that was end of story

2568

01:51:44,899 --> 01:51:41,280

so that's the last you know sort of

2569

01:51:46,640 --> 01:51:44,909

major hoax so in some respects it makes

2570

01:51:49,010 --> 01:51:46,650

it more difficult we have we have web

2571

01:51:51,020 --> 01:51:49,020

sites now allow us all videos by the

2572

01:51:55,280 --> 01:51:51,030

tongue and you should be wary of them

2573

01:51:55,649 --> 01:51:55,290

you know well Isis soon that UFOs uh

2574

01:51:58,560 --> 01:51:55,659

speak

2575

01:52:00,330 --> 01:51:58,570

describe them are physically real let's

2576  
01:52:03,029 --> 01:52:00,340  
assume you you know you don't walking

2577  
01:52:05,729 --> 01:52:03,039  
your dog tonight are you seeing you on

2578  
01:52:07,770 --> 01:52:05,739  
and you know you've got a good camera

2579  
01:52:09,419 --> 01:52:07,780  
phone within you filming what's the

2580  
01:52:11,219 --> 01:52:09,429  
first thing you're gonna do right the

2581  
01:52:14,790 --> 01:52:11,229  
first thing I would do is not put it on

2582  
01:52:16,770 --> 01:52:14,800  
YouTube I would say I want somebody to

2583  
01:52:19,439 --> 01:52:16,780  
look at this somebody with a you know a

2584  
01:52:21,299 --> 01:52:19,449  
degree of capability behind them and

2585  
01:52:24,149 --> 01:52:21,309  
tell me what one earth it is you know

2586  
01:52:27,689 --> 01:52:24,159  
and then we'll think about showing it to

2587  
01:52:29,699 --> 01:52:27,699  
people but so I would always ask that

2588  
01:52:31,350 --> 01:52:29,709

question what would you do if you film

2589

01:52:33,239 --> 01:52:31,360

one of these things would you go and

2590

01:52:34,979 --> 01:52:33,249

stick it on your with you but um and if

2591

01:52:38,370 --> 01:52:34,989

he else is no well then why do you

2592

01:52:41,580 --> 01:52:38,380

believe all these others you know I I I

2593

01:52:45,839 --> 01:52:41,590

agree I think um I think the mentality

2594

01:52:48,089 --> 01:52:45,849

of a lot of people probably the probably

2595

01:52:50,189 --> 01:52:48,099

not thinking along the same lines I

2596

01:52:52,979 --> 01:52:50,199

understand what you're saying but you

2597

01:52:54,779 --> 01:52:52,989

know let's just say a lot of people just

2598

01:52:56,339 --> 01:52:54,789

think everything should go on YouTube

2599

01:52:59,609 --> 01:52:56,349

and all this is exciting I'll put it on

2600

01:53:01,830 --> 01:52:59,619

YouTube type of thing arguments of

2601  
01:53:03,330 --> 01:53:01,840  
course yeah I mean me to see sweets it

2602  
01:53:05,189 --> 01:53:03,340  
means the world in that respect

2603  
01:53:08,069 --> 01:53:05,199  
you know perhaps I'm from the old school

2604  
01:53:11,370 --> 01:53:08,079  
marching I mean I'm almost 16 our just

2605  
01:53:14,129 --> 01:53:11,380  
after what I was very young you see you

2606  
01:53:15,719 --> 01:53:14,139  
know but so you know it is a minefield

2607  
01:53:18,149 --> 01:53:15,729  
but it's up key what's it read through

2608  
01:53:21,000 --> 01:53:18,159  
carefully of course oh yes I'm you know

2609  
01:53:25,609 --> 01:53:21,010  
there's very I there's very few real

2610  
01:53:28,080 --> 01:53:25,619  
good credible videos on YouTube you know

2611  
01:53:30,899 --> 01:53:28,090  
Michael Russell Callahan Russell was

2612  
01:53:33,020 --> 01:53:30,909  
great Versailles son-in-law and worked

2613  
01:53:35,459 --> 01:53:33,030

hand in glove with him on UFO magazine

2614

01:53:38,339 --> 01:53:35,469

now one of the things that Russell does

2615

01:53:42,229 --> 01:53:38,349

as a profession is he films spotty

2616

01:53:44,279 --> 01:53:42,239

events so he knows what cameras are you

2617

01:53:46,560 --> 01:53:44,289

bother pounce off you're talking about

2618

01:53:49,560 --> 01:53:46,570

cameras but one of the things that

2619

01:53:51,899 --> 01:53:49,570

bothers Russell is that each of you you

2620

01:53:54,060 --> 01:53:51,909

know instant cameras cameras that we all

2621

01:53:56,549 --> 01:53:54,070

have on us now almost a lot of people

2622

01:53:58,379 --> 01:53:56,559

doing the sell in a Western world better

2623

01:54:00,560 --> 01:53:58,389

and better than pectus more

2624

01:54:03,359 --> 01:54:00,570

sophisticated the pictures are clearer

2625

01:54:05,790 --> 01:54:03,369

but when it comes to UFOs it seems to

2626  
01:54:07,649 --> 01:54:05,800  
have gone in the opposite direction we

2627  
01:54:09,739 --> 01:54:07,659  
still argue about the Paul sent

2628  
01:54:12,729 --> 01:54:09,749  
photographs taken in the 1950

2629  
01:54:16,969 --> 01:54:12,739  
almost better and what's clearly then

2630  
01:54:19,219 --> 01:54:16,979  
sophistic using this the you know the

2631  
01:54:21,319 --> 01:54:19,229  
high-tech things that we have now an

2632  
01:54:23,149 --> 01:54:21,329  
old-fashioned camera so sure it should

2633  
01:54:25,549 --> 01:54:23,159  
have gone the other way that kind of

2634  
01:54:27,830 --> 01:54:25,559  
bothers Russell you know unless Elias

2635  
01:54:29,629 --> 01:54:27,840  
speaking our conference in the hall in

2636  
01:54:31,279 --> 01:54:29,639  
September and that's going to be part of

2637  
01:54:33,830 --> 01:54:31,289  
these presentations you're walking at

2638  
01:54:35,810 --> 01:54:33,840

the video pictures why they haven't got

2639

01:54:37,839 --> 01:54:35,820

any better self to speak for us they

2640

01:54:44,270 --> 01:54:37,849

should have done yes

2641

01:54:48,319 --> 01:54:44,280

no I is there one good picture off film

2642

01:54:51,200 --> 01:54:48,329

or an alien what's the sure that is no

2643

01:54:53,419 --> 01:54:51,210

I'd be wrong but you know I couldn't put

2644

01:54:57,290 --> 01:54:53,429

hand on hand say those same with Bigfoot

2645

01:54:59,060 --> 01:54:57,300

you know yeah there you go that's a

2646

01:55:02,239 --> 01:54:59,070

question that begs to be answered

2647

01:55:04,790 --> 01:55:02,249

marking sure this should be you would

2648

01:55:06,560 --> 01:55:04,800

think so as far as the you know the

2649

01:55:08,419 --> 01:55:06,570

argument that I've heard people say

2650

01:55:10,219 --> 01:55:08,429

about why isn't there any good pictures

2651  
01:55:12,259 --> 01:55:10,229  
of an abduction or anything like that is

2652  
01:55:15,439 --> 01:55:12,269  
that you know they control everything

2653  
01:55:17,689 --> 01:55:15,449  
when it's happening which may or may not

2654  
01:55:20,209 --> 01:55:17,699  
be true I you know I try to be

2655  
01:55:21,649 --> 01:55:20,219  
open-minded about it but it just seems

2656  
01:55:25,700 --> 01:55:21,659  
like they're you know everyone has a

2657  
01:55:27,169 --> 01:55:25,710  
camera phone on them now but but no you

2658  
01:55:29,839 --> 01:55:27,179  
know in parts of the world certainly

2659  
01:55:32,930 --> 01:55:29,849  
here in Britain we are the most you know

2660  
01:55:34,819 --> 01:55:32,940  
cameras ice society that our cameras

2661  
01:55:37,189 --> 01:55:34,829  
everywhere not just she was that you

2662  
01:55:39,560 --> 01:55:37,199  
where I'm in my next-door neighbor you

2663  
01:55:42,319 --> 01:55:39,570

know has you know his houses to fail by

2664

01:55:43,879 --> 01:55:42,329

his own camera system you know I don't

2665

01:55:46,129 --> 01:55:43,889

only mean somewhat mahaki

2666

01:55:48,379 --> 01:55:46,139

everybody's got them and then you drive

2667

01:55:50,029 --> 01:55:48,389

down the road and the speed cameras that

2668

01:55:52,029 --> 01:55:50,039

of course yeah take pictures and film

2669

01:55:55,129 --> 01:55:52,039

and you know there's cameras everywhere

2670

01:55:56,600 --> 01:55:55,139

and surely we should have better images

2671

01:55:58,939 --> 01:55:56,610

but I'm afraid we don't

2672

01:56:01,729 --> 01:55:58,949

yeah I know there is that there are some

2673

01:56:03,620 --> 01:56:01,739

films surveillance films you can find

2674

01:56:06,080 --> 01:56:03,630

them on YouTube whether they're you know

2675

01:56:09,319 --> 01:56:06,090

real or not a lot of times there's

2676

01:56:12,140 --> 01:56:09,329

something like other than a UFO

2677

01:56:13,850 --> 01:56:12,150

happening that looks like a UFO you know

2678

01:56:16,370 --> 01:56:13,860

whether it's a camera reflection or

2679

01:56:18,649 --> 01:56:16,380

whatever it is yeah yeah yeah there is

2680

01:56:21,799 --> 01:56:18,659

some so we're out of time now

2681

01:56:23,510 --> 01:56:21,809
