

1
00:00:06,889 --> 00:00:05,329
streaming yes and it hits me oh my gosh

2
00:00:07,940 --> 00:00:06,899
this is that triangle

3
00:00:09,080 --> 00:00:07,950
you know there's explanation for

4
00:00:11,000 --> 00:00:09,090
everything that appeared in the

5
00:00:12,860 --> 00:00:11,010
Rendlesham forest incident didn't

6
00:00:15,530 --> 00:00:12,870
involvement aliens at all it was

7
00:00:19,609 --> 00:00:15,540
completely silent it comes right over

8
00:00:21,320 --> 00:00:19,619
our head it's so sick he's also really

9
00:00:23,120 --> 00:00:21,330
standing in the clearing he turned over

10
00:00:28,450 --> 00:00:23,130
to my father held his hand and he looked

11
00:00:33,740 --> 00:00:31,160
alright and welcome to the show this is

12
00:00:35,510 --> 00:00:33,750
Martin Willis your host and I am

13
00:00:37,430 --> 00:00:35,520

actually in Russia I know you people

14

00:00:38,810 --> 00:00:37,440

probably tired of hearing that and it'll

15

00:00:41,780 --> 00:00:38,820

be another couple of weeks that I'm here

16

00:00:43,940 --> 00:00:41,790

but the good thing is is I get to talk

17

00:00:46,490 --> 00:00:43,950

to people like our guest today class one

18

00:00:47,810 --> 00:00:46,500

who's in Sweden and it's not the middle

19

00:00:52,040 --> 00:00:47,820

of the night like it usually is when I

20

00:00:54,979 --> 00:00:52,050

do my shows back in the US so it's great

21

00:00:56,930 --> 00:00:54,989

it's uh it's one o'clock in Eastern

22

00:00:58,849 --> 00:00:56,940

Standard Time it's 8 o'clock here in

23

00:01:02,029 --> 00:00:58,859

Moscow and seven o'clock in Stockholm

24

00:01:03,319 --> 00:01:02,039

where he is and in California I don't

25

00:01:06,649 --> 00:01:03,329

know what time what time is it in

26

00:01:09,410 --> 00:01:06,659

California Alejandro it is 10:00 a.m.

27

00:01:12,649 --> 00:01:09,420

10:00 a.m. I have this one left on

28

00:01:15,140 --> 00:01:12,659

yellow I have this world clock thing I

29

00:01:17,510 --> 00:01:15,150

have to look all the time or I'm you

30

00:01:20,510 --> 00:01:17,520

know gonna wake people up all night yeah

31

00:01:23,719 --> 00:01:20,520

so just a man of international mystery

32

00:01:25,310 --> 00:01:23,729

this is just now all right so I do want

33

00:01:26,899 --> 00:01:25,320

to thank our supporters and if you'd

34

00:01:28,340 --> 00:01:26,909

like to support the show for two dollars

35

00:01:31,670 --> 00:01:28,350

or more a month you can find that

36

00:01:33,950 --> 00:01:31,680

information on podcast UFO com

37

00:01:36,830 --> 00:01:33,960

you can also watch us live wednesdays

38

00:01:39,980 --> 00:01:36,840

for a couple more weeks 1 to 3 p.m.

39

00:01:42,050 --> 00:01:39,990

Eastern Standard Time and also on

40

00:01:45,350 --> 00:01:42,060

YouTube we are YouTube live streaming

41

00:01:47,420 --> 00:01:45,360

and Alejandro and I we don't have video

42

00:01:48,920 --> 00:01:47,430

today neither one of us I can't get it

43

00:01:52,520 --> 00:01:48,930

to work on my computer for some reason

44

00:01:55,249 --> 00:01:52,530

and so I just thought best not being

45

00:01:58,249 --> 00:01:55,259

trying to make the news here on video

46

00:02:00,830 --> 00:01:58,259

but but class Vaughn will be joining us

47

00:02:03,889 --> 00:02:00,840

later and he will be on video so

48

00:02:05,959 --> 00:02:03,899

Alejandro how's it going out there it is

49

00:02:10,880 --> 00:02:05,969

going very well

50

00:02:13,390 --> 00:02:10,890

it's sunny and beautiful and yeah good

51

00:02:15,009 --> 00:02:13,400

stuff yeah yeah I am

52

00:02:17,410 --> 00:02:15,019

I always enjoy California is such a

53

00:02:19,179 --> 00:02:17,420

wonderful place especially where you go

54

00:02:22,660 --> 00:02:19,189

it's always seems like it's nice where

55

00:02:25,270 --> 00:02:22,670

they're almost all yeah well yeah but to

56

00:02:27,520 --> 00:02:25,280

get to go to the good places but again

57

00:02:34,720 --> 00:02:27,530

and and just so people don't freak out

58

00:02:38,470 --> 00:02:34,730

I'm still updating all of our stuff so I

59

00:02:40,929 --> 00:02:38,480

you can still you know go to our site

60

00:02:43,030 --> 00:02:40,939

and get news we posted news today we've

61

00:02:45,039 --> 00:02:43,040

got a UFO story we posted yesterday

62

00:02:48,099 --> 00:02:45,049

we'll have one that will be posting

63

00:02:51,550 --> 00:02:48,109

today so still keep him busy remotely

64

00:02:55,449 --> 00:02:51,560

wherever I am so no worries to those who

65

00:02:55,899 --> 00:02:55,459

are need there their UFO news fix that's

66

00:02:58,210 --> 00:02:55,909

right

67

00:03:00,940 --> 00:02:58,220

yeah and you do this up I really like

68

00:03:04,360 --> 00:03:00,950

the thing you do the UFO headlines till

69

00:03:07,210 --> 00:03:04,370

you scour the news and come up with that

70

00:03:09,670 --> 00:03:07,220

every single not well not every day but

71

00:03:11,770 --> 00:03:09,680

almost every day right yeah pretty much

72

00:03:13,330 --> 00:03:11,780

every weekday and and I think what's

73

00:03:14,890 --> 00:03:13,340

what's interesting is that there's

74

00:03:18,430 --> 00:03:14,900

there's something out there pretty much

75

00:03:22,000 --> 00:03:18,440

every day it's rare that I have a day I

76

00:03:23,409 --> 00:03:22,010

can't find something and even the last

77

00:03:24,909 --> 00:03:23,419

week there were a couple days where I

78

00:03:26,710 --> 00:03:24,919

found like too much you know there was a

79

00:03:28,930 --> 00:03:26,720

ton of stuff so yeah there's always

80

00:03:30,580 --> 00:03:28,940

something interesting going on that

81

00:03:34,000 --> 00:03:30,590

somebody in the mainstream media is

82

00:03:36,659 --> 00:03:34,010

writing about somewhere and you know a

83

00:03:38,920 --> 00:03:36,669

lot of times these are local papers but

84

00:03:40,960 --> 00:03:38,930

sometimes it's not so for instance

85

00:03:43,839 --> 00:03:40,970

there's a story and vibe there's a story

86

00:03:47,439 --> 00:03:43,849

in The Washington Post and this is kind

87

00:03:50,050 --> 00:03:47,449

of interesting NT news which is a

88

00:03:51,430 --> 00:03:50,060

Northern Territory Australia they've

89

00:03:53,589 --> 00:03:51,440

been really writing quite a bit about

90

00:03:55,869 --> 00:03:53,599

UFOs over the last couple of years and

91

00:03:58,030 --> 00:03:55,879

so they have another story out of what

92

00:04:00,399 --> 00:03:58,040

they say are their favorite UFO video

93

00:04:03,069 --> 00:04:00,409

clips and so we have that in our

94

00:04:05,949 --> 00:04:03,079

headlines today alright oh there's some

95

00:04:07,149 --> 00:04:05,959

good clips what do you think I you know

96

00:04:08,680 --> 00:04:07,159

what I haven't looked them over that

97

00:04:11,530 --> 00:04:08,690

much it looks like a lot of the clips

98

00:04:15,849 --> 00:04:11,540

where our hoax hoax videos that we've

99

00:04:18,849 --> 00:04:15,859

already talked about before but not all

100

00:04:21,940 --> 00:04:18,859

of them yeah well you know that's the

101
00:04:24,190 --> 00:04:21,950
thing there is some amazing UFO clips

102
00:04:24,990 --> 00:04:24,200
that are very well done I'll put it that

103
00:04:28,050 --> 00:04:25,000
way

104
00:04:29,940 --> 00:04:28,060
no kidding yeah mm-hmm

105
00:04:32,550 --> 00:04:29,950
especially the one that had like 15

106
00:04:34,770 --> 00:04:32,560
million views or something and that CGI

107
00:04:37,230 --> 00:04:34,780
and Haiti or someplace like that oh yeah

108
00:04:40,290 --> 00:04:37,240
yeah yeah that one is pretty much the

109
00:04:42,510 --> 00:04:40,300
most viewed of all hmm

110
00:04:45,810 --> 00:04:42,520
so yeah that that's a pretty interesting

111
00:04:50,130 --> 00:04:45,820
one the other one that the MT has here

112
00:04:51,900 --> 00:04:50,140
is the Chile one and of course that's

113
00:04:55,440 --> 00:04:51,910

been a bit controversial and you had

114

00:04:58,050 --> 00:04:55,450

Leslie Kane on - we both did and to

115

00:05:01,860 --> 00:04:58,060

talk about that one although I had her

116

00:05:04,110 --> 00:05:01,870

on right when the story at broke when

117

00:05:06,200 --> 00:05:04,120

the video got out and then you had her

118

00:05:08,880 --> 00:05:06,210

on a couple days later and by that time

119

00:05:10,770 --> 00:05:08,890

there were a lot of people who felt that

120

00:05:14,240 --> 00:05:10,780

they had figured out what that video was

121

00:05:16,740 --> 00:05:14,250

that it was in an actual aircraft so

122

00:05:18,240 --> 00:05:16,750

well yeah that was kind of cool that it

123

00:05:20,400 --> 00:05:18,250

worked out that way that we both got

124

00:05:24,090 --> 00:05:20,410

that you know having mine at two

125

00:05:26,970 --> 00:05:24,100

different times and I think I my memory

126

00:05:30,270 --> 00:05:26,980

serves me right I think I suggested to

127

00:05:32,940 --> 00:05:30,280

Leslie that we cancel that show mm-hmm

128

00:05:35,330 --> 00:05:32,950

because it was it was it was kind of

129

00:05:37,920 --> 00:05:35,340

figured out by that time that it was uh

130

00:05:39,750 --> 00:05:37,930

well I think oh she you cancelled it I

131

00:05:43,440 --> 00:05:39,760

thought you had it I'm pretty sure we

132

00:05:46,170 --> 00:05:43,450

canceled you know they face a little bit

133

00:05:49,380 --> 00:05:46,180

yeah oh yeah she did write an article

134

00:05:51,780 --> 00:05:49,390

though so and you know right yeah

135

00:05:54,710 --> 00:05:51,790

written a bit about that and at least we

136

00:05:59,430 --> 00:05:54,720

had talked about it I remember yep yes

137

00:06:03,120 --> 00:05:59,440

yeah so what else is happening yeah so

138

00:06:04,800 --> 00:06:03,130

other news out there so there's an

139

00:06:08,190 --> 00:06:04,810

interesting video you and I have talked

140

00:06:11,700 --> 00:06:08,200

about this a little bit it was a story

141

00:06:15,450 --> 00:06:11,710

we did I'm giggling because originally I

142

00:06:18,690 --> 00:06:15,460

had you know how to typo in the title

143

00:06:20,460 --> 00:06:18,700

and I had the shinning disc but a reader

144

00:06:22,830 --> 00:06:20,470

had pointed that out but it was a

145

00:06:25,380 --> 00:06:22,840

shining disc so UFO witness captures a

146

00:06:28,020 --> 00:06:25,390

shining disc on video near Toronto

147

00:06:29,760 --> 00:06:28,030

harbour front the first thing that you

148

00:06:32,820 --> 00:06:29,770

noticed about this video is that the

149

00:06:36,150 --> 00:06:32,830

Toronto harbour front is beautiful what

150

00:06:38,250 --> 00:06:36,160

it looks like a super cool place just

151
00:06:38,790 --> 00:06:38,260
and they've got this like spike this big

152
00:06:40,800 --> 00:06:38,800
Tower

153
00:06:43,920 --> 00:06:40,810
there and this tower is actually

154
00:06:47,939 --> 00:06:43,930
prominent in this video as well but this

155
00:06:50,399 --> 00:06:47,949
couple was out at the harbor front for a

156
00:06:52,860 --> 00:06:50,409
Canada Day which is July 2nd

157
00:06:55,050 --> 00:06:52,870
now why is Canada Day two days before

158
00:06:57,629 --> 00:06:55,060
July 4th are they trying to steal our

159
00:07:00,450 --> 00:06:57,639
thunder that's another question I don't

160
00:07:01,950 --> 00:07:00,460
have any answers regarding that but it

161
00:07:03,779 --> 00:07:01,960
does make me curious

162
00:07:06,240 --> 00:07:03,789
however these guys were out there for

163
00:07:07,830 --> 00:07:06,250

the festivities and it was during the

164

00:07:09,480 --> 00:07:07,840

day and they took a video and I think

165

00:07:12,570 --> 00:07:09,490

you've watched this and you think it's

166

00:07:15,749 --> 00:07:12,580

interesting too we're just round object

167

00:07:20,309 --> 00:07:15,759

with like a dark Center it almost looks

168

00:07:22,499 --> 00:07:20,319

like a white record like album that if

169

00:07:24,360 --> 00:07:22,509

you're younger and you've never heard of

170

00:07:26,580 --> 00:07:24,370

a record album and your night what the

171

00:07:28,189 --> 00:07:26,590

what the heck are you talking about look

172

00:07:30,959 --> 00:07:28,199

it up there used to be these flat

173

00:07:33,570 --> 00:07:30,969

plastic discs that we played music off

174

00:07:37,760 --> 00:07:33,580

of and that's what it looks like it's

175

00:07:41,610 --> 00:07:37,770

like good this white disc and it it

176
00:07:43,230 --> 00:07:41,620
disappears and reappears making it seem

177
00:07:45,269 --> 00:07:43,240
as though perhaps it's tumbling or

178
00:07:47,070 --> 00:07:45,279
spinning so that when it you know we see

179
00:07:49,589 --> 00:07:47,080
the edge we don't see it and then once

180
00:07:52,200 --> 00:07:49,599
it comes around and reflects in the Sun

181
00:07:54,420 --> 00:07:52,210
and the full face is facing us and we do

182
00:07:56,519 --> 00:07:54,430
see it some people have argued that's

183
00:07:59,430 --> 00:07:56,529
not what it looks like that perhaps it

184
00:08:02,189 --> 00:07:59,440
is a round object with something dark in

185
00:08:03,899 --> 00:08:02,199
the middle and many you know mylar

186
00:08:05,790 --> 00:08:03,909
balloons are like that that they're

187
00:08:08,550 --> 00:08:05,800
silver and they have you know cartoon

188
00:08:11,010 --> 00:08:08,560

character or something or a teddy bear

189

00:08:12,800 --> 00:08:11,020

or whatever in the middle we see these

190

00:08:16,890 --> 00:08:12,810

at the grocery store all the time

191

00:08:19,559 --> 00:08:16,900

however the fading in and out I don't

192

00:08:23,519 --> 00:08:19,569

think is explained by you know just a

193

00:08:25,290 --> 00:08:23,529

balloon kind of turning it could be

194

00:08:27,450 --> 00:08:25,300

possible that the clouds are blocking

195

00:08:28,740 --> 00:08:27,460

the Sun and it's going in and out of

196

00:08:31,499 --> 00:08:28,750

shadow but you'll see in the video

197

00:08:33,300 --> 00:08:31,509

there's not much Sun there so I think

198

00:08:35,100 --> 00:08:33,310

this is a really interesting video more

199

00:08:38,250 --> 00:08:35,110

interesting video than we've seen in a

200

00:08:40,709 --> 00:08:38,260

while and I know you saw this and yeah

201
00:08:42,360 --> 00:08:40,719
what did you think yes I think it's up I

202
00:08:44,189 --> 00:08:42,370
don't think it can be explained at all

203
00:08:47,069 --> 00:08:44,199
as a balloon just because it's so

204
00:08:50,850 --> 00:08:47,079
perfectly round and it seems like it's

205
00:08:51,720 --> 00:08:50,860
on a to direct you know to directory boy

206
00:08:56,460 --> 00:08:51,730
I'm having a hard time

207
00:08:58,470 --> 00:08:56,470
word today it seems like and there's

208
00:09:01,829 --> 00:08:58,480
work to have problems where yep

209
00:09:04,110 --> 00:09:01,839
and it's it gets very very bright now I

210
00:09:05,730 --> 00:09:04,120
understand reflection could do that if

211
00:09:07,769 --> 00:09:05,740
it hits the Sun and then like you said

212
00:09:08,910 --> 00:09:07,779
if there could have been a cloud that

213
00:09:10,710 --> 00:09:08,920

would be blocking the Sun although you

214

00:09:13,290 --> 00:09:10,720

don't see any clouds in the sky or I

215

00:09:16,920 --> 00:09:13,300

couldn't see anything I think it's very

216

00:09:19,170 --> 00:09:16,930

bright it's moving it's very interesting

217

00:09:22,259 --> 00:09:19,180

it just completely disappears it comes

218

00:09:24,090 --> 00:09:22,269

back into vision so I'm gonna tell the

219

00:09:27,960 --> 00:09:24,100

listener to check that out on open minds

220

00:09:30,420 --> 00:09:27,970

dot TV that video and see what you think

221

00:09:33,810 --> 00:09:30,430

I think it's really fascinating I think

222

00:09:35,670 --> 00:09:33,820

it's a good video that needs to be

223

00:09:38,610 --> 00:09:35,680

looked at hard that's what I think

224

00:09:42,449 --> 00:09:38,620

mm-hmm yeah I agree I think it's really

225

00:09:44,370 --> 00:09:42,459

interesting so if you know if MUFON does

226

00:09:47,670 --> 00:09:44,380

post about it later on will definitely

227

00:09:49,769 --> 00:09:47,680

update people and I hope they do because

228

00:09:51,090 --> 00:09:49,779

it's an interesting video and this is a

229

00:09:53,069 --> 00:09:51,100

MUFON case I don't know if I mentioned

230

00:09:56,129 --> 00:09:53,079

that so it was something that was

231

00:09:58,980 --> 00:09:56,139

submitted to them so originally in the

232

00:10:02,490 --> 00:09:58,990

story I had only the video that was

233

00:10:04,620 --> 00:10:02,500

posted on the MUFON site so I linked to

234

00:10:06,389 --> 00:10:04,630

that and you can still see that link

235

00:10:10,559 --> 00:10:06,399

that's the raw video uploaded by the

236

00:10:13,379 --> 00:10:10,569

witness but then you or somebody you had

237

00:10:15,600 --> 00:10:13,389

notified me that the it apparently the

238

00:10:18,569 --> 00:10:15,610

witness um posted the video on you yes

239

00:10:21,900 --> 00:10:18,579

as well so I did embed that for people

240

00:10:23,910 --> 00:10:21,910

to see and and you know even the

241

00:10:26,040 --> 00:10:23,920

reaction from the person it's something

242

00:10:28,019 --> 00:10:26,050

that's helpful to analyse is how they

243

00:10:29,939 --> 00:10:28,029

post it what they're saying in the video

244

00:10:32,519 --> 00:10:29,949

those sort of things and it all seems

245

00:10:36,210 --> 00:10:32,529

genuine that this is just you know it's

246

00:10:38,040 --> 00:10:36,220

a normal couple who who witnessed

247

00:10:40,170 --> 00:10:38,050

something they can't explain I think so

248

00:10:43,199 --> 00:10:40,180

and I do have to correct you slightly

249

00:10:45,120 --> 00:10:43,209

about one thing I think people know what

250

00:10:47,490 --> 00:10:45,130

records are a matter of fact there is a

251
00:10:50,879 --> 00:10:47,500
resurgence yeah there's a resurgence of

252
00:10:52,319 --> 00:10:50,889
vinyl it's coming back haven't you heard

253
00:10:54,720 --> 00:10:52,329
that really yes

254
00:10:59,009 --> 00:10:54,730
people are buying turntables again and

255
00:11:01,949 --> 00:10:59,019
buying records now if I'm wrong email me

256
00:11:03,240 --> 00:11:01,959
but I think I'm pretty sure that's what

257
00:11:04,980 --> 00:11:03,250
I've been hearing I have a friend that's

258
00:11:05,580 --> 00:11:04,990
what they're vintage and he was telling

259
00:11:08,160 --> 00:11:05,590
me there's a big

260
00:11:11,160 --> 00:11:08,170
come back and vinyl that's kind of silly

261
00:11:13,740 --> 00:11:11,170
yet I think just get their fun hey when

262
00:11:15,240 --> 00:11:13,750
I was a little kid I had this one and it

263
00:11:16,620 --> 00:11:15,250

was like you know a little kid one where

264

00:11:18,330 --> 00:11:16,630

they're all big and bulky and I had

265

00:11:20,040 --> 00:11:18,340

these little records that you could put

266

00:11:22,710 --> 00:11:20,050

on there and listen to like about

267

00:11:25,140 --> 00:11:22,720

dinosaurs and it was a lot of fun but

268

00:11:27,300 --> 00:11:25,150

it's ancient technology man you can use

269

00:11:29,010 --> 00:11:27,310

your phone and everything and what's

270

00:11:31,530 --> 00:11:29,020

cool you know even the the wikki wikki

271

00:11:33,900 --> 00:11:31,540

wikki rapper studio things are all

272

00:11:35,190 --> 00:11:33,910

digital so you can make that sound

273

00:11:37,410 --> 00:11:35,200

digital and you don't have to worry

274

00:11:41,190 --> 00:11:37,420

about these huge discs that you carry

275

00:11:43,860 --> 00:11:41,200

around that break and melt and so yeah I

276

00:11:45,540 --> 00:11:43,870

don't know but that's good to know at

277

00:11:48,090 --> 00:11:45,550

least they're learning a bit about

278

00:11:49,830 --> 00:11:48,100

history yeah otherwise two more mentions

279

00:11:51,240 --> 00:11:49,840

before we leave I just want to say in

280

00:11:53,610 --> 00:11:51,250

the headlines there's a couple

281

00:11:57,060 --> 00:11:53,620

interesting stories that have been out

282

00:12:00,690 --> 00:11:57,070

there in the last couple last few days

283

00:12:03,660 --> 00:12:00,700

one I think this is cool so goop which

284

00:12:08,100 --> 00:12:03,670

is a website that is owned by Gweneth

285

00:12:10,850 --> 00:12:08,110

Paltrow had an interview of let with

286

00:12:13,290 --> 00:12:10,860

Leslie Kane who we mentioned earlier and

287

00:12:15,030 --> 00:12:13,300

so that's kind of neat and it's about

288

00:12:17,370 --> 00:12:15,040

UFOs because of course she's written

289

00:12:20,550 --> 00:12:17,380

about life after gas recently in her

290

00:12:23,550 --> 00:12:20,560

latest book but it is about UFOs so

291

00:12:25,560 --> 00:12:23,560

that's pretty cool that's something to

292

00:12:27,360 --> 00:12:25,570

look out for and the other thing is this

293

00:12:32,760 --> 00:12:27,370

is kind of interesting for any fans of

294

00:12:35,880 --> 00:12:32,770

prodigy he's a musician or passed away

295

00:12:38,520 --> 00:12:35,890

recently but I guess he had a UFO

296

00:12:40,440 --> 00:12:38,530

sighting so there's a story about him

297

00:12:44,100 --> 00:12:40,450

having a UFO sighting and thinking maybe

298

00:12:47,220 --> 00:12:44,110

even he called them men but that is a

299

00:12:48,810 --> 00:12:47,230

story that was on vibe today so that's

300

00:12:50,700 --> 00:12:48,820

something to look at - that's kind of

301

00:12:52,350 --> 00:12:50,710

interesting so of course you can find

302

00:12:55,190 --> 00:12:52,360

these right on the front page and the

303

00:12:57,750 --> 00:12:55,200

daily UFO headlines the one from today

304

00:12:59,490 --> 00:12:57,760

but if you go into the article and go to

305

00:13:00,900 --> 00:12:59,500

daily UFO headlines you'll see some of

306

00:13:03,420 --> 00:13:00,910

the previous ones and you'll be able to

307

00:13:06,770 --> 00:13:03,430

find the link I think that was Monday it

308

00:13:09,060 --> 00:13:06,780

was the seventh - GUP Gwyneth Paltrow's

309

00:13:11,010 --> 00:13:09,070

website so that's kind of cool I think

310

00:13:14,730 --> 00:13:11,020

that is great yeah that's awesome

311

00:13:17,700 --> 00:13:14,740

and I like the fact when you know you

312

00:13:19,890 --> 00:13:17,710

and I had this conversations when before

313

00:13:23,790 --> 00:13:19,900

when you know celebrity gets involved

314

00:13:26,370 --> 00:13:23,800

at and people take it serious I should

315

00:13:29,579 --> 00:13:26,380

say more people will look at it you know

316

00:13:32,519 --> 00:13:29,589

what's going on so I think it's a good

317

00:13:36,390 --> 00:13:32,529

thing I agree I agree a hundred percent

318

00:13:38,100 --> 00:13:36,400

I think it's a good thing that the you

319

00:13:39,660 --> 00:13:38,110

know they all have followers and some

320

00:13:41,880 --> 00:13:39,670

people I think because they don't like

321

00:13:44,430 --> 00:13:41,890

the celebrity get really upset who cares

322

00:13:47,400 --> 00:13:44,440

what they think but you know celebrities

323

00:13:49,890 --> 00:13:47,410

have mostly largely like one of cultural

324

00:13:51,990 --> 00:13:49,900

millions of followers and people who are

325

00:13:53,730 --> 00:13:52,000

following her site so it's introducing

326

00:13:56,430 --> 00:13:53,740

the topic and especially with an

327

00:13:59,160 --> 00:13:56,440

interview from Leslie Kane in a credible

328

00:14:01,980 --> 00:13:59,170

way to people who otherwise would have

329

00:14:04,680 --> 00:14:01,990

no exposure to this stuff so definitely

330

00:14:07,620 --> 00:14:04,690

I agree out very positive thing and I

331

00:14:09,530 --> 00:14:07,630

I always feel great about um you know

332

00:14:11,850 --> 00:14:09,540

celebrities getting involved I don't

333

00:14:13,650 --> 00:14:11,860

personally so that's a negative thing

334

00:14:15,570 --> 00:14:13,660

some people feel there's credibility

335

00:14:20,010 --> 00:14:15,580

issues but we cause our own credibility

336

00:14:22,380 --> 00:14:20,020

issues no doubt um enough so yeah I

337

00:14:24,120 --> 00:14:22,390

agree with you all right hey well you

338

00:14:27,000 --> 00:14:24,130

have yourself a great time out there

339

00:14:28,800 --> 00:14:27,010

all right thanks you too it's some time

340

00:14:31,320 --> 00:14:28,810

on and I have a great interview all

341

00:14:33,660 --> 00:14:31,330

right yeah all right thanks I know I'll

342

00:14:37,320 --> 00:14:33,670

be out there within the within the the

343

00:14:39,210 --> 00:14:37,330

hour I'm sure you will all right take

344

00:14:42,870 --> 00:14:39,220

care now talk to you later all right

345

00:14:43,199 --> 00:14:42,880

all right class are you there yeah I'm

346

00:14:46,290 --> 00:14:43,209

here

347

00:14:47,910 --> 00:14:46,300

hi welcome to the show thank you

348

00:14:49,920 --> 00:14:47,920

thank you thanks so much for being here

349

00:14:54,060 --> 00:14:49,930

let me just suss what just whip

350

00:14:56,820 --> 00:14:54,070

something out here real quickly all

351
00:14:57,329 --> 00:14:56,830
right so how are you class welcome to

352
00:15:00,300 --> 00:14:57,339
the show

353
00:15:03,019 --> 00:15:00,310
you've been on a number of times I

354
00:15:05,940 --> 00:15:03,029
always enjoy hearing from you a lot and

355
00:15:07,740 --> 00:15:05,950
can you give the listener who hasn't

356
00:15:10,410 --> 00:15:07,750
heard you before your background oh you

357
00:15:12,150 --> 00:15:10,420
started you started very young in this

358
00:15:14,190 --> 00:15:12,160
field so why don't why don't you talk

359
00:15:18,090 --> 00:15:14,200
about that and what got you interested

360
00:15:20,519 --> 00:15:18,100
in the very first first place you know

361
00:15:23,790 --> 00:15:20,529
we were young once upon a time all of us

362
00:15:27,150 --> 00:15:23,800
and I was the being of age when I

363
00:15:29,930 --> 00:15:27,160

started a small society in a small city

364

00:15:32,280 --> 00:15:29,940

in the south of Sweden where I was born

365

00:15:33,210 --> 00:15:32,290

City School Maria stored and we were

366

00:15:37,310 --> 00:15:33,220

only ten

367

00:15:41,460 --> 00:15:37,320

well boys not the single girl inside

368

00:15:44,220 --> 00:15:41,470

that what we decided that we wanted to

369

00:15:45,860 --> 00:15:44,230

know some more about UFOs not just read

370

00:15:49,230 --> 00:15:45,870

about them we wanted to go in the field

371

00:15:52,730 --> 00:15:49,240

to make interviews to try to find

372

00:15:57,720 --> 00:15:52,740

explanations will make documentation and

373

00:16:00,870 --> 00:15:57,730

since then since that they may 18th 1974

374

00:16:06,900 --> 00:16:00,880

I done so every day of my life really

375

00:16:08,790 --> 00:16:06,910

couple of hours every day so yeah it's

376

00:16:10,800 --> 00:16:08,800

miss Eve maybe but most of the other

377

00:16:13,650 --> 00:16:10,810

days I do something that really has to

378

00:16:17,310 --> 00:16:13,660

do with UFOs and to find an answer

379

00:16:19,500 --> 00:16:17,320

solution to this enigma so I involved

380

00:16:22,290 --> 00:16:19,510

you of Sweden which is the organization

381

00:16:24,200 --> 00:16:22,300

here in Sweden I've been the chairman

382

00:16:26,160 --> 00:16:24,210

for many many years now I'm

383

00:16:29,550 --> 00:16:26,170

second-in-command because I want is a

384

00:16:32,430 --> 00:16:29,560

new Junger to come in and take it over

385

00:16:34,230 --> 00:16:32,440

after me but I'm still very involved in

386

00:16:35,850 --> 00:16:34,240

you for Sweden and they also work very

387

00:16:37,770 --> 00:16:35,860

much with your cash for the unexplained

388

00:16:40,110 --> 00:16:37,780

which we will come back to later I kiss

389

00:16:42,810 --> 00:16:40,120

you now if you're yes absolutely if

390

00:16:46,050 --> 00:16:42,820

you're watching live on YouTube or later

391

00:16:47,970 --> 00:16:46,060

on YouTube after it's been archived you

392

00:16:50,550 --> 00:16:47,980

will see in the background these are

393

00:16:52,890 --> 00:16:50,560

books that are just this is your home

394

00:16:55,560 --> 00:16:52,900

office right that you're in now a but

395

00:16:57,270 --> 00:16:55,570

you're but the archives are up to I

396

00:17:02,300 --> 00:16:57,280

asked you earlier before we went live

397

00:17:04,679 --> 00:17:02,310

thirty two thousand bucks which is

398

00:17:06,890 --> 00:17:04,689

there's only the books really but we

399

00:17:09,750 --> 00:17:06,900

have five hundred square meters of the

400

00:17:12,360 --> 00:17:09,760

area and hundreds of thousands of

401
00:17:14,579 --> 00:17:12,370
magazines hundreds of thousands and

402
00:17:17,520 --> 00:17:14,589
newspaper clippings we have audios we

403
00:17:20,040 --> 00:17:17,530
have videos you have paraphernalia

404
00:17:22,620 --> 00:17:20,050
we have full kind of stuff that you can

405
00:17:26,130 --> 00:17:22,630
really imagine that goes with the label

406
00:17:29,760 --> 00:17:26,140
UFO or you can say everything in the

407
00:17:33,270 --> 00:17:29,770
computer paranormal so we collect and we

408
00:17:34,890 --> 00:17:33,280
make things available that what we do do

409
00:17:36,360 --> 00:17:34,900
you have a lot of publishers that come

410
00:17:38,370 --> 00:17:36,370
out with a new book I get a lot of new

411
00:17:40,440 --> 00:17:38,380
books in the mail all the time which is

412
00:17:41,910 --> 00:17:40,450
really one of the benefits of having a

413
00:17:43,740 --> 00:17:41,920

show do you have that happen as well

414

00:17:44,830 --> 00:17:43,750

people send you books when they publish

415

00:17:49,029 --> 00:17:44,840

them

416

00:17:53,350 --> 00:17:49,039

yeah they do and but we also try to make

417

00:17:54,820 --> 00:17:53,360

contact with authors so we are on top of

418

00:17:57,249 --> 00:17:54,830

them before they are writing of course

419

00:17:58,899 --> 00:17:57,259

and we travel a lot I just came back

420

00:18:00,909 --> 00:17:58,909

from a hole in the Belgium I brought

421

00:18:03,489 --> 00:18:00,919

back five hundred folks and a couple of

422

00:18:05,739 --> 00:18:03,499

thousands of magazines and we go to

423

00:18:09,519 --> 00:18:05,749

Britain in October to bring back one

424

00:18:12,789 --> 00:18:09,529

hundred at least boxes with with UFO

425

00:18:16,690 --> 00:18:12,799

stuff and so that I do that every year

426

00:18:19,720 --> 00:18:16,700

and we went to California last year and

427

00:18:21,720 --> 00:18:19,730

saved a stick or caves in Eureka in

428

00:18:25,629 --> 00:18:21,730

California oh yeah I know where that is

429

00:18:28,980 --> 00:18:25,639

would you say what would you say is your

430

00:18:32,379 --> 00:18:28,990

most prized book in the in the archives

431

00:18:38,430 --> 00:18:32,389

do you have the Holy Grail we have a

432

00:18:40,950 --> 00:18:38,440

couple of from the 1700s about editions

433

00:18:45,669 --> 00:18:40,960

which are very very expensive

434

00:18:49,060 --> 00:18:45,679

a couple of thousand dollars for each of

435

00:18:51,220 --> 00:18:49,070

the books and quite a few books in that

436

00:18:54,970 --> 00:18:51,230

range really but most of them are in the

437

00:18:56,590 --> 00:18:54,980

paranormal field because UFOs well they

438

00:18:59,710 --> 00:18:56,600

just thought it to come around in the

439

00:19:03,850 --> 00:18:59,720

1940s and they are not that expensive

440

00:19:05,710 --> 00:19:03,860

but you can find books that we must pay

441

00:19:08,619 --> 00:19:05,720

eight seven or eight hundred dollars for

442

00:19:11,739 --> 00:19:08,629

if we want to buy them so there are or

443

00:19:13,960 --> 00:19:11,749

find things out there but we have most

444

00:19:17,109 --> 00:19:13,970

of it now which we're still looking for

445

00:19:20,019 --> 00:19:17,119

for some gems really we are yeah now

446

00:19:23,019 --> 00:19:20,029

I've talked to a couple of antique book

447

00:19:24,700 --> 00:19:23,029

dealers that just deal in libraries of

448

00:19:26,649 --> 00:19:24,710

books and I've always asked them to

449

00:19:29,049 --> 00:19:26,659

contact me if they find anything in UFOs

450

00:19:30,609 --> 00:19:29,059

and I've talked to about three or four

451

00:19:36,399 --> 00:19:30,619

of them I haven't had one single call

452

00:19:38,289 --> 00:19:36,409

yet so I'm just you know it's hard to

453

00:19:41,350 --> 00:19:38,299

find them because there are not too many

454

00:19:43,930 --> 00:19:41,360

of them I met the lady in Holland after

455

00:19:47,080 --> 00:19:43,940

last week she got a library like mine

456

00:19:50,200 --> 00:19:47,090

eight or nine thousand books and some

457

00:19:52,210 --> 00:19:50,210

are very very rare very nice things but

458

00:19:54,999 --> 00:19:52,220

mostly in Dutch but some of them in

459

00:19:58,000 --> 00:19:55,009

English as well very nice now who finds

460

00:20:00,100 --> 00:19:58,010

the keeping of these boy

461

00:20:04,090 --> 00:20:00,110

is itself like a self-funded

462

00:20:06,100 --> 00:20:04,100

organization we are around 50 people

463

00:20:09,070 --> 00:20:06,110

that putting money from our own pockets

464

00:20:10,810 --> 00:20:09,080

into this so we are really doing this

465

00:20:14,560 --> 00:20:10,820

for ourselves but for the greater

466

00:20:17,710 --> 00:20:14,570

benefit of others we start in 1973 with

467

00:20:20,260 --> 00:20:17,720

a Fu and since then we have paid for

468

00:20:23,410 --> 00:20:20,270

most of it ourselves the last couple of

469

00:20:26,680 --> 00:20:23,420

years we had some help from the Swedish

470

00:20:30,040 --> 00:20:26,690

unemployment agency that put people with

471

00:20:33,310 --> 00:20:30,050

us to work and we do get some money for

472

00:20:36,070 --> 00:20:33,320

doing that yeah that's good very good

473

00:20:38,470 --> 00:20:36,080

because the government really is helping

474

00:20:40,720 --> 00:20:38,480

us in that way wow that's amazing

475

00:20:46,540 --> 00:20:40,730

the government helping when it comes to

476

00:20:49,060 --> 00:20:46,550

UFOs do you have is there is there a

477

00:20:53,800 --> 00:20:49,070

need for funding of any kind to help

478

00:20:57,580 --> 00:20:53,810

help this and tell us about that yeah I

479

00:20:59,950 --> 00:20:57,590

mean it really is this is historical

480

00:21:02,080 --> 00:20:59,960

this is a value for all mankind as you

481

00:21:05,380 --> 00:21:02,090

say what we are doing nobody else is

482

00:21:07,930 --> 00:21:05,390

doing so the money coming in from

483

00:21:11,580 --> 00:21:07,940

outside our own pockets or very limited

484

00:21:14,800 --> 00:21:11,590

yeah yeah always on the edge every month

485

00:21:17,140 --> 00:21:14,810

turns around but nothing more and would

486

00:21:19,600 --> 00:21:17,150

save much so if anyone is interested

487

00:21:22,150 --> 00:21:19,610

okay if you dr. C and take a look and

488

00:21:24,640 --> 00:21:22,160

please there are there are a bottom

489

00:21:27,430 --> 00:21:24,650

tonight you could help us very very much

490

00:21:29,950 --> 00:21:27,440

with that yeah yeah now I know someone

491

00:21:33,370 --> 00:21:29,960

who took a large not not a library like

492

00:21:36,640 --> 00:21:33,380

yours but a library of antique books

493

00:21:40,960 --> 00:21:36,650

about 5000 of them and he digitized them

494

00:21:42,820 --> 00:21:40,970

yeah now has there ever been any talk

495

00:21:45,040 --> 00:21:42,830

about possibly I know that's it would be

496

00:21:46,720 --> 00:21:45,050

a vast undertaking but as their ever

497

00:21:49,920 --> 00:21:46,730

betting you talk about digitizing so

498

00:21:53,590 --> 00:21:49,930

that everybody can see what you have

499

00:21:58,390 --> 00:21:53,600

absolutely we are digitizing every day

500

00:21:59,590 --> 00:21:58,400

but mostly UFO magazines and newspaper

501
00:22:01,690 --> 00:21:59,600
clippings

502
00:22:03,220 --> 00:22:01,700
we have digitized around a couple of

503
00:22:08,770 --> 00:22:03,230
hundreds of thousands newspaper

504
00:22:11,350 --> 00:22:08,780
clippings Wow maybe 150 magazines so we

505
00:22:12,909 --> 00:22:11,360
are doing that all the time the books

506
00:22:14,529 --> 00:22:12,919
it's another topic really because you

507
00:22:17,229 --> 00:22:14,539
have to have a book scanner yeah and the

508
00:22:20,919 --> 00:22:17,239
books are very expensive we have saved

509
00:22:23,289 --> 00:22:20,929
money for buying one of those but we

510
00:22:25,269 --> 00:22:23,299
have not really decided to buy each

511
00:22:26,350 --> 00:22:25,279
other that will be the next step for us

512
00:22:29,169 --> 00:22:26,360
Wow

513
00:22:30,879 --> 00:22:29,179

so can anybody in the world go to this

514

00:22:34,659 --> 00:22:30,889

website and actually see those clippings

515

00:22:37,180 --> 00:22:34,669

that you already have digitized not yet

516

00:22:41,590 --> 00:22:37,190

you can go there you can see a lot of

517

00:22:43,409 --> 00:22:41,600

things but we are going to publish most

518

00:22:47,310 --> 00:22:43,419

of the things we have on our website

519

00:22:51,070 --> 00:22:47,320

probably behind some very very chic but

520

00:22:51,549 --> 00:22:51,080

annual donation button or something like

521

00:22:53,830 --> 00:22:51,559

that

522

00:22:56,529 --> 00:22:53,840

then you can get access to the material

523

00:22:58,389 --> 00:22:56,539

we have that is or go you can visit us

524

00:23:01,060 --> 00:22:58,399

which many people do from all around the

525

00:23:03,700 --> 00:23:01,070

world to sit down and make copies and

526

00:23:08,289 --> 00:23:03,710

read but we will be out on the internet

527

00:23:11,169 --> 00:23:08,299

with much more inside eurozone Wow okay

528

00:23:13,119 --> 00:23:11,179

now so this is all very interesting but

529

00:23:15,099 --> 00:23:13,129

everybody loves talking about UFO so

530

00:23:17,529 --> 00:23:15,109

we're gonna skip along to that but I

531

00:23:20,950 --> 00:23:17,539

think it's wonderful that you have this

532

00:23:24,090 --> 00:23:20,960

available and the future can only be

533

00:23:28,690 --> 00:23:24,100

better as far as the digitizing of it so

534

00:23:31,359 --> 00:23:28,700

you and I have talked about most rockets

535

00:23:37,359 --> 00:23:31,369

in the past this is back in I think it

536

00:23:38,950 --> 00:23:37,369

was 1946 wasn't it but when the and we

537

00:23:42,879 --> 00:23:38,960

do have a couple of questions that came

538

00:23:45,070 --> 00:23:42,889

in in regards to that but can you tell

539

00:23:47,409 --> 00:23:45,080

say there's someone listening that has

540

00:23:50,680 --> 00:23:47,419

never heard anything about ghost rockets

541

00:23:54,279 --> 00:23:50,690

can you talk about them as you said it

542

00:23:56,799 --> 00:23:54,289

was in 1946 it all started but you can

543

00:23:59,049 --> 00:23:56,809

still see them from time to time but

544

00:24:01,599 --> 00:23:59,059

30:46 was a very special year it was the

545

00:24:05,229 --> 00:24:01,609

year after the Second World War ended

546

00:24:07,840 --> 00:24:05,239

and everyone knew about the v1 and

547

00:24:10,570 --> 00:24:07,850

they'd be two bombs that that Hitler and

548

00:24:14,680 --> 00:24:10,580

Nazi Germany have created and suddenly

549

00:24:16,989 --> 00:24:14,690

in the beginning in 1946 change objects

550

00:24:19,899 --> 00:24:16,999

looking very very much like the V bombs

551
00:24:24,549 --> 00:24:19,909
started to fly over Sweden Norway and

552
00:24:28,080 --> 00:24:24,559
Finland and which was very strange so

553
00:24:29,860 --> 00:24:28,090
as they crashed they crashed into lakes

554
00:24:32,110 --> 00:24:29,870
never on ground

555
00:24:34,720 --> 00:24:32,120
buta crashed into lakes many many times

556
00:24:36,700 --> 00:24:34,730
and people saw them around the legs they

557
00:24:39,850 --> 00:24:36,710
heard a splash they saw them in broad

558
00:24:42,580 --> 00:24:39,860
daylight and the military sent their

559
00:24:45,100 --> 00:24:42,590
investigation teams to the lakes they

560
00:24:48,009 --> 00:24:45,110
combed them for weeks and weeks never

561
00:24:49,960 --> 00:24:48,019
found anything except an indentation or

562
00:24:51,159 --> 00:24:49,970
something at the bottom of the lake and

563
00:24:53,590 --> 00:24:51,169

I can see that

564

00:24:55,389 --> 00:24:53,600

stones were were thrown up onto the

565

00:24:59,619 --> 00:24:55,399

shore and I could see does something at

566

00:25:02,230 --> 00:24:59,629

impact in there but they put a very very

567

00:25:05,590 --> 00:25:02,240

great effort into finding the solution

568

00:25:08,590 --> 00:25:05,600

of the ghost rockets more than 1,000

569

00:25:12,159 --> 00:25:08,600

observations but processed by the

570

00:25:14,799 --> 00:25:12,169

military in 1946 but I never found a

571

00:25:17,200 --> 00:25:14,809

solution and up until today it still

572

00:25:19,119 --> 00:25:17,210

they're still coming you can still see

573

00:25:21,700 --> 00:25:19,129

them from time to time and they have

574

00:25:23,830 --> 00:25:21,710

steel crashing into lakes which is very

575

00:25:25,629 --> 00:25:23,840

strange had a soul that's always

576

00:25:28,419 --> 00:25:25,639

fascinated me from the very first time I

577

00:25:33,070 --> 00:25:28,429

heard about this have you ever spoken to

578

00:25:41,109 --> 00:25:33,080

an actual eyewitness of one maybe what

579

00:25:43,989 --> 00:25:41,119

100 or something like that yeah I mean a

580

00:25:46,060 --> 00:25:43,999

lot of time trying to pin down the

581

00:25:49,149 --> 00:25:46,070

original observers and I started with

582

00:25:51,039 --> 00:25:49,159

this in the early 1980s and they were

583

00:25:53,440 --> 00:25:51,049

still alive of course many of them now

584

00:25:55,840 --> 00:25:53,450

most of them are gone

585

00:25:59,109 --> 00:25:55,850

the most interesting story really

586

00:26:02,139 --> 00:25:59,119

happened in 1948 two years after when a

587

00:26:04,960 --> 00:26:02,149

man was sitting at the shore of a small

588

00:26:07,389 --> 00:26:04,970

lake south of Stockholm in the middle of

589

00:26:09,820 --> 00:26:07,399

the day he heard and he saw a huge

590

00:26:13,180 --> 00:26:09,830

rocket like think I'm flying from the

591

00:26:16,869 --> 00:26:13,190

South navigating diving into the water

592

00:26:20,710 --> 00:26:16,879

with a great water column 20 meters high

593

00:26:23,680 --> 00:26:20,720

splashing up in the air he was not an

594

00:26:25,299 --> 00:26:23,690

ordinary witness he was the military the

595

00:26:27,810 --> 00:26:25,309

highest military in Sweden and

596

00:26:31,659 --> 00:26:27,820

commander-in-chief of the military Wow

597

00:26:34,269 --> 00:26:31,669

when he saw that he started a process I

598

00:26:36,430 --> 00:26:34,279

mean he started radar surveillance all

599

00:26:38,470 --> 00:26:36,440

around Sweden he started an

600

00:26:40,630 --> 00:26:38,480

investigation into the lake

601
00:26:43,960 --> 00:26:40,640
and I read his diary you can see there

602
00:26:46,300 --> 00:26:43,970
that he was very very puzzled and they

603
00:26:49,030 --> 00:26:46,310
were combing the lake but it wasn't

604
00:26:50,920 --> 00:26:49,040
George layer of mud and they decided it

605
00:26:54,670 --> 00:26:50,930
must have sunk down in the mud somewhere

606
00:26:58,180 --> 00:26:54,680
I never found it but the last entry in

607
00:27:02,020 --> 00:26:58,190
his diary says something found in the

608
00:27:02,470 --> 00:27:02,030
lake divers will come tomorrow and then

609
00:27:04,870 --> 00:27:02,480
nothing

610
00:27:08,620 --> 00:27:04,880
oh hey we don't what happened after that

611
00:27:10,240 --> 00:27:08,630
oh my god Wow hey did any one of the

612
00:27:13,140 --> 00:27:10,250
witnesses that you talked to talked

613
00:27:15,820 --> 00:27:13,150

about any sound that these things made

614

00:27:17,430 --> 00:27:15,830

they they could hear the sound from

615

00:27:20,530 --> 00:27:17,440

there and there were like airplanes

616

00:27:22,870 --> 00:27:20,540

sometimes they were also chased by spawn

617

00:27:26,080 --> 00:27:22,880

one Swedish fighter pilot at one time

618

00:27:28,900 --> 00:27:26,090

but he was out flown all this ghost

619

00:27:32,260 --> 00:27:28,910

rocket so they could hear sound and I

620

00:27:34,510 --> 00:27:32,270

could see the Sun reflecting in the hull

621

00:27:37,300 --> 00:27:34,520

I could see that there were no wings no

622

00:27:39,400 --> 00:27:37,310

cockpit sometimes small wings but never

623

00:27:42,420 --> 00:27:39,410

a cockpit they were never seen any

624

00:27:46,090 --> 00:27:42,430

creatures together windows but there are

625

00:27:49,060 --> 00:27:46,100

observations later on with creatures as

626

00:27:50,920 --> 00:27:49,070

well but not in 1946 Wow

627

00:27:53,050 --> 00:27:50,930

I do want to talk about that before we

628

00:27:56,020 --> 00:27:53,060

move out of this subject but one of the

629

00:27:58,330 --> 00:27:56,030

questions in the forum is is there

630

00:28:01,690 --> 00:27:58,340

anything new to report about locating

631

00:28:04,260 --> 00:28:01,700

what crashed or landed in Lake nama

632

00:28:07,480 --> 00:28:04,270

sorry I can't pronounce that correctly

633

00:28:09,940 --> 00:28:07,490

but dude is that what you were just

634

00:28:13,240 --> 00:28:09,950

talking about that particular no no

635

00:28:16,090 --> 00:28:13,250

that's another one like no my aura is in

636

00:28:21,880 --> 00:28:16,100

the very north of Sweden and we went

637

00:28:26,680 --> 00:28:21,890

there in 2012 and 2014 trying to locate

638

00:28:29,650 --> 00:28:26,690

this object because in 1982 people from

639

00:28:34,350 --> 00:28:29,660

Stockholm were hiking up in this area

640

00:28:37,120 --> 00:28:34,360

and suddenly it's 11 o'clock in the

641

00:28:37,690 --> 00:28:37,130

middle of the day great day in the

642

00:28:40,150 --> 00:28:37,700

middle of summer

643

00:28:42,160 --> 00:28:40,160

they heard the sound from something

644

00:28:45,400 --> 00:28:42,170

flying in the air tell me from the South

645

00:28:48,370 --> 00:28:45,410

flying over them and they can see an

646

00:28:52,120 --> 00:28:48,380

elongated shape with the small wings

647

00:28:55,750 --> 00:28:52,130

maybe less than 100 meters of other

648

00:28:59,830 --> 00:28:55,760

Wow you know out over the lake turned

649

00:29:01,690 --> 00:28:59,840

around 180 degrees flew back towards

650

00:29:03,700 --> 00:29:01,700

them and they were very scared he was

651
00:29:06,100 --> 00:29:03,710
the middle of the Cold War and they

652
00:29:08,440 --> 00:29:06,110
thought this for something Russian and

653
00:29:12,340 --> 00:29:08,450
they thought something will hit us but

654
00:29:15,940 --> 00:29:12,350
it landed on the on the on the lake with

655
00:29:17,680 --> 00:29:15,950
a splash like that and they could see it

656
00:29:21,310 --> 00:29:17,690
was sinking and the bubbles coming up

657
00:29:23,050 --> 00:29:21,320
from and there at object we are trying

658
00:29:25,480 --> 00:29:23,060
to locate this was reported to the

659
00:29:28,720 --> 00:29:25,490
military at the time and they couldn't

660
00:29:31,060 --> 00:29:28,730
find it so we went back with the witness

661
00:29:33,270 --> 00:29:31,070
and they pointed where it was and we

662
00:29:37,060 --> 00:29:33,280
made his sooner map of all of the lake

663
00:29:37,780 --> 00:29:37,070

but as I told you in 1948 the

664

00:29:41,620 --> 00:29:37,790

commander-in-chief

665

00:29:45,340 --> 00:29:41,630

it was month for meters of mud so we had

666

00:29:47,410 --> 00:29:45,350

to go back again in in 2014 with another

667

00:29:51,130 --> 00:29:47,420

equipment that could see it through the

668

00:29:54,100 --> 00:29:51,140

mud and suddenly because some very

669

00:29:57,310 --> 00:29:54,110

interesting radar returns and now we are

670

00:29:59,260 --> 00:29:57,320

going back again to try to take a real

671

00:30:03,180 --> 00:29:59,270

good look at the radar returns it should

672

00:30:06,700 --> 00:30:03,190

be in this winter we go on ice with snow

673

00:30:10,270 --> 00:30:06,710

monster lives trying to see through the

674

00:30:12,250 --> 00:30:10,280

ice and looking down on these exact

675

00:30:13,060 --> 00:30:12,260

spots where those returns were were

676
00:30:16,930 --> 00:30:13,070
coming from

677
00:30:20,710 --> 00:30:16,940
Wow now how deep is the lake at that

678
00:30:23,890 --> 00:30:20,720
point it's very shallow it's only for me

679
00:30:27,130 --> 00:30:23,900
Wow 12 feet Wow something like 12 feet

680
00:30:29,200 --> 00:30:27,140
yeah there's nothing really it's a it's

681
00:30:32,050 --> 00:30:29,210
not a problem in that respect at all but

682
00:30:34,300 --> 00:30:32,060
in the middle of nowhere and and you

683
00:30:36,910 --> 00:30:34,310
cannot go there easily because you have

684
00:30:38,440 --> 00:30:36,920
to have permits and you were not you

685
00:30:40,990 --> 00:30:38,450
cannot fly there if you don't have

686
00:30:44,530 --> 00:30:41,000
permits it takes a lot of time to get

687
00:30:47,230 --> 00:30:44,540
those we have those permits we can do

688
00:30:49,750 --> 00:30:47,240

this but we can't we cannot bring

689

00:30:52,630 --> 00:30:49,760

anything out of this part it's a natural

690

00:30:54,550 --> 00:30:52,640

part everything that in there must stay

691

00:30:57,340 --> 00:30:54,560

there so if you find this stuff

692

00:30:58,990 --> 00:30:57,350

somewhere else maybe the military or the

693

00:31:02,230 --> 00:30:59,000

government in some respect

694

00:31:06,070 --> 00:31:02,240

my uncle's the government what must what

695

00:31:08,140 --> 00:31:06,080

they help us to bring help you yes

696

00:31:10,390 --> 00:31:08,150

yeah well that would be nice if they

697

00:31:11,710 --> 00:31:10,400

would because it would cost an awful lot

698

00:31:15,610 --> 00:31:11,720

of money to get something up from the

699

00:31:18,400 --> 00:31:15,620

bottom yeah Wow

700

00:31:20,740 --> 00:31:18,410

so what would you consider I mean the

701
00:31:22,930 --> 00:31:20,750
case you talked about where this thing

702
00:31:25,480 --> 00:31:22,940
or this one I guess where it flew back

703
00:31:27,420 --> 00:31:25,490
and forth and everything it's just

704
00:31:29,890 --> 00:31:27,430
fascinating what are some of the

705
00:31:32,890 --> 00:31:29,900
hypotheses that people are coming up

706
00:31:35,500 --> 00:31:32,900
with what these things might be if they

707
00:31:38,230 --> 00:31:35,510
weren't you know from another planet

708
00:31:42,250 --> 00:31:38,240
what if they were man-made what on earth

709
00:31:42,910 --> 00:31:42,260
would they be it's really a good

710
00:31:44,980 --> 00:31:42,920
question

711
00:31:48,730 --> 00:31:44,990
yeah I mean I mean I mean on top of this

712
00:31:51,490 --> 00:31:48,740
since 1980 in the early 1980s and I have

713
00:31:54,250 --> 00:31:51,500

no idea what they could be coming from

714

00:31:57,070 --> 00:31:54,260

or made or because the observations are

715

00:31:59,200 --> 00:31:57,080

very very good there are hundreds and

716

00:32:01,360 --> 00:31:59,210

hundreds of observers sometimes there

717

00:32:02,200 --> 00:32:01,370

are even hundred people around one lage

718

00:32:05,710 --> 00:32:02,210

Wow

719

00:32:09,270 --> 00:32:05,720

seeing these crashing down but nothing

720

00:32:11,950 --> 00:32:09,280

is found I mean there was a V bomb in

721

00:32:14,680 --> 00:32:11,960

1944 that crashed in the south of Sweden

722

00:32:18,250 --> 00:32:14,690

there was two thousand two hundred kilos

723

00:32:23,070 --> 00:32:18,260

took on two tons of debris after that

724

00:32:25,930 --> 00:32:23,080

one and here nothing nothing at all I

725

00:32:27,760 --> 00:32:25,940

don't know this is an enigma to me this

726

00:32:29,190 --> 00:32:27,770

is one of the great issue of apostles I

727

00:32:34,480 --> 00:32:29,200

can think of really this is something

728

00:32:40,480 --> 00:32:34,490

that really is hardware but you cannot

729

00:32:43,630 --> 00:32:40,490

find you trace of it yeah that that that

730

00:32:46,750 --> 00:32:43,640

is something that makes me think of when

731

00:32:49,150 --> 00:32:46,760

something disappears I always think of

732

00:32:51,040 --> 00:32:49,160

the possibility of interdimensional but

733

00:32:52,660 --> 00:32:51,050

that you know every time I say that

734

00:32:55,630 --> 00:32:52,670

people think I'm stretching it a little

735

00:32:57,070 --> 00:32:55,640

too far and I have no idea but you know

736

00:32:59,350 --> 00:32:57,080

you just makes you wonder when there are

737

00:33:01,660 --> 00:32:59,360

no answers for something plain

738

00:33:04,380 --> 00:33:01,670

disappearing you know what the heck it

739

00:33:08,110 --> 00:33:04,390

could be and why would it go into a lake

740

00:33:10,330 --> 00:33:08,120

lake me after lake they were looking for

741

00:33:13,450 --> 00:33:10,340

legs I mean you can see that they really

742

00:33:16,330 --> 00:33:13,460

wanted to go into lakes because they

743

00:33:19,120 --> 00:33:16,340

wanted to to hide probably yeah in

744

00:33:19,810 --> 00:33:19,130

degrees what I and how could they do

745

00:33:23,139 --> 00:33:19,820

that

746

00:33:25,289 --> 00:33:23,149

and in yeah it's not an easy thing to

747

00:33:29,580 --> 00:33:25,299

understand 1946 the Swedish military

748

00:33:36,009 --> 00:33:29,590

speculated that they were TV monitor and

749

00:33:39,460 --> 00:33:36,019

atomic energy also they were very very

750

00:33:41,529 --> 00:33:39,470

high texting TV atomic engine nuclear

751
00:33:45,639 --> 00:33:41,539
power that was the thoughts that had in

752
00:33:50,619 --> 00:33:45,649
1946 1946 while they came up with that

753
00:33:54,159 --> 00:33:50,629
and has any of them ever crashed into

754
00:33:56,249 --> 00:33:54,169
the ocean is their coastal anywhere near

755
00:34:01,149 --> 00:33:56,259
any coastal areas where they've crashed

756
00:34:04,719 --> 00:34:01,159
no no no only on land legs you know the

757
00:34:07,599 --> 00:34:04,729
water up low and how about any of that

758
00:34:11,049 --> 00:34:07,609
ever been reported that people thought

759
00:34:13,389 --> 00:34:11,059
may have landed on the ground there are

760
00:34:15,940 --> 00:34:13,399
no such reported on people who have seen

761
00:34:17,829 --> 00:34:15,950
in them vanishing behind the forest and

762
00:34:19,839 --> 00:34:17,839
thought maybe they were hitting the

763
00:34:22,690 --> 00:34:19,849

ground but they're also lakes behind the

764

00:34:24,460 --> 00:34:22,700

forest you never know really and I mean

765

00:34:26,289 --> 00:34:24,470

people have been out in the woods trying

766

00:34:28,690 --> 00:34:26,299

to locate those things but they never

767

00:34:30,250 --> 00:34:28,700

found anything have they ever seen them

768

00:34:33,669 --> 00:34:30,260

at night or as it always daylight

769

00:34:35,770 --> 00:34:33,679

sightings oh there were lots over or

770

00:34:37,419 --> 00:34:35,780

nighttime psyches as well but most of

771

00:34:40,629 --> 00:34:37,429

them were probably meteors or other

772

00:34:43,329 --> 00:34:40,639

stuff not very interesting really but

773

00:34:46,270 --> 00:34:43,339

there were hundreds of daylight psychics

774

00:34:49,629 --> 00:34:46,280

and as I told you before one Swedish

775

00:34:52,299 --> 00:34:49,639

fighter pilot tried to to get in contact

776
00:34:54,339 --> 00:34:52,309
really we one of those rockets but he

777
00:34:56,559 --> 00:34:54,349
was out flown by it and he saw it and

778
00:34:59,710 --> 00:34:56,569
his navigator saw it for a couple of

779
00:35:03,280 --> 00:34:59,720
minutes they lost it has anyone ever

780
00:35:05,859 --> 00:35:03,290
tried to take a picture of one that's

781
00:35:07,720 --> 00:35:05,869
only one picture published and that

782
00:35:09,510 --> 00:35:07,730
picture which was published in many

783
00:35:12,370 --> 00:35:09,520
newspapers around the world at the time

784
00:35:15,430 --> 00:35:12,380
turned out to be a daylight meteor which

785
00:35:19,450 --> 00:35:15,440
is very very scores as well it's a it's

786
00:35:22,539 --> 00:35:19,460
not a very common phenomenon and they

787
00:35:24,730 --> 00:35:22,549
happen to take a picture at the time as

788
00:35:29,799 --> 00:35:24,740

this meteor entered the Earth's

789

00:35:30,880 --> 00:35:29,809

atmosphere they got it that's nice yeah

790

00:35:33,220 --> 00:35:30,890

yeah how about that

791

00:35:35,710 --> 00:35:33,230

now what about radar return

792

00:35:39,640 --> 00:35:35,720

radar data is there any radar data on

793

00:35:41,890 --> 00:35:39,650

these yeah there are then they had some

794

00:35:43,300 --> 00:35:41,900

very crude radar at that time that was

795

00:35:47,020 --> 00:35:43,310

looked very good right or equipment here

796

00:35:50,650 --> 00:35:47,030

in Sweden the British had a football

797

00:35:54,220 --> 00:35:50,660

team waiting 40 through it would cause

798

00:35:56,260 --> 00:35:54,230

task force behind one nine six they were

799

00:35:59,410 --> 00:35:56,270

waiting to come to Sweden to help out

800

00:36:01,030 --> 00:35:59,420

with good radar equipment but the

801
00:36:06,280 --> 00:36:01,040
Swedish Prime Minister decided

802
00:36:08,560 --> 00:36:06,290
eventually to say no to it and we read a

803
00:36:11,050 --> 00:36:08,570
report informally secret report from

804
00:36:12,370 --> 00:36:11,060
from the British they were very very

805
00:36:14,859 --> 00:36:12,380
angry with the Prime Minister

806
00:36:17,200 --> 00:36:14,869
they called him called him cowardly and

807
00:36:19,690 --> 00:36:17,210
stupid but they really wanted to come

808
00:36:21,849 --> 00:36:19,700
here to do that so there are some

809
00:36:23,950 --> 00:36:21,859
reports some radar returns but they are

810
00:36:25,630 --> 00:36:23,960
they are not conclusive really but they

811
00:36:33,040 --> 00:36:25,640
you can read about them in the military

812
00:36:34,810 --> 00:36:33,050
reports Wow yes so our people still you

813
00:36:37,960 --> 00:36:34,820

say people are still seeing these when

814

00:36:41,020 --> 00:36:37,970

is the last really good sighting that

815

00:36:43,270 --> 00:36:41,030

you're aware of just a couple of years

816

00:36:45,000 --> 00:36:43,280

ago very three or four years ago there

817

00:36:50,099 --> 00:36:45,010

was an observation up in the very north

818

00:36:54,490 --> 00:36:50,109

the lost really good crash was in 1999

819

00:36:57,970 --> 00:36:54,500

in the middle of Sweden seven people I

820

00:37:00,930 --> 00:36:57,980

met all of them did see around one lake

821

00:37:03,550 --> 00:37:00,940

from three different positions this

822

00:37:06,430 --> 00:37:03,560

Helen Garrity cigar-shaped craft coming

823

00:37:08,230 --> 00:37:06,440

down crashing into the lake and the

824

00:37:12,130 --> 00:37:08,240

military came there and they worked for

825

00:37:14,680 --> 00:37:12,140

weeks it was a secret operation it was

826
00:37:17,550 --> 00:37:14,690
called Operation Sea find but they never

827
00:37:20,349 --> 00:37:17,560
found anything nothing to see

828
00:37:23,290 --> 00:37:20,359
we were on top of this because it was

829
00:37:25,569 --> 00:37:23,300
specified but we got the names of the

830
00:37:26,980 --> 00:37:25,579
witnesses through the local police which

831
00:37:31,809 --> 00:37:26,990
the military had forgotten to tell

832
00:37:34,930 --> 00:37:31,819
people secrets so what did that wow

833
00:37:37,540 --> 00:37:34,940
that's great and I know that when I had

834
00:37:42,280 --> 00:37:37,550
you on before you were saying that

835
00:37:44,349 --> 00:37:42,290
Sweden does not ridicule the UFO factor

836
00:37:45,590 --> 00:37:44,359
which i think is wonderful can you talk

837
00:37:48,170 --> 00:37:45,600
about that

838
00:37:50,120 --> 00:37:48,180

yeah it's very nice to be able to say

839

00:37:54,320 --> 00:37:50,130

that because I've been doing in today's

840

00:37:56,780 --> 00:37:54,330

business since 1974 and in the 70s it

841

00:37:58,790 --> 00:37:56,790

was not as easy as it is now well I

842

00:38:02,120 --> 00:37:58,800

think we were very much ridiculed at

843

00:38:04,850 --> 00:38:02,130

that time but during the 1980s to start

844

00:38:08,930 --> 00:38:04,860

we started to turn this around and when

845

00:38:12,230 --> 00:38:08,940

I went to be chairman in in 1990 I was

846

00:38:14,450 --> 00:38:12,240

very very keen on turning your Sweden

847

00:38:19,160 --> 00:38:14,460

into a scientifically the oriented

848

00:38:20,720 --> 00:38:19,170

organization and after that I can count

849

00:38:23,570 --> 00:38:20,730

all the times we have been ridiculed on

850

00:38:25,820 --> 00:38:23,580

my one hand you know it's a it never

851
00:38:28,430 --> 00:38:25,830
happens because we don't speculate we

852
00:38:32,830 --> 00:38:28,440
tell people and journalists what we do

853
00:38:34,460 --> 00:38:32,840
how we do it and what our results are

854
00:38:38,330 --> 00:38:34,470
that's wonderful

855
00:38:40,040 --> 00:38:38,340
we we have here and it's an unknown and

856
00:38:42,200 --> 00:38:40,050
they understand that we are dealing with

857
00:38:44,600 --> 00:38:42,210
an unknown and we have looked all the

858
00:38:46,550 --> 00:38:44,610
answers that I think that the key to all

859
00:38:49,010 --> 00:38:46,560
of this you have the answers you're more

860
00:38:51,320 --> 00:38:49,020
like a count or something like that

861
00:38:53,870 --> 00:38:51,330
I mean you should be very open minded

862
00:38:55,430 --> 00:38:53,880
yes you are I mean you know listening to

863
00:38:58,250 --> 00:38:55,440

you from the beginning here I mean you

864

00:39:00,740 --> 00:38:58,260

are really looking into UFOs the right

865

00:39:04,490 --> 00:39:00,750

way that's UFOs trying to find a

866

00:39:08,390 --> 00:39:04,500

solution yeah I think you know I think

867

00:39:11,000 --> 00:39:08,400

what the skeptics or the bunkers I

868

00:39:13,540 --> 00:39:11,010

should say either one really jump on is

869

00:39:17,750 --> 00:39:13,550

when people go right to the et

870

00:39:19,550 --> 00:39:17,760

explanation right off the bat without or

871

00:39:23,030 --> 00:39:19,560

claiming anything once you claim

872

00:39:25,250 --> 00:39:23,040

anything when it's unidentified you know

873

00:39:28,700 --> 00:39:25,260

you're you're gonna get yourself really

874

00:39:31,640 --> 00:39:28,710

killed there I think very big disservice

875

00:39:33,440 --> 00:39:31,650

by doing that and I mean I worked quite

876

00:39:36,050 --> 00:39:33,450

closely with the the skeptics here in

877

00:39:38,750 --> 00:39:36,060

Sweden I even give lectures for them and

878

00:39:42,740 --> 00:39:38,760

I'm also asked by them to give lectures

879

00:39:44,680 --> 00:39:42,750

on their behalf I mean we are not doing

880

00:39:47,540 --> 00:39:44,690

the same thing at all really but we are

881

00:39:50,660 --> 00:39:47,550

doing this thing with with a scientific

882

00:39:52,610 --> 00:39:50,670

instrument that we can we must work with

883

00:39:55,490 --> 00:39:52,620

a scientific instrument and we must work

884

00:39:58,670 --> 00:39:55,500

as scientists as much as we can and that

885

00:39:59,460 --> 00:39:58,680

is the also key to being treated the way

886

00:40:02,520 --> 00:39:59,470

we are

887

00:40:05,880 --> 00:40:02,530

mmm-hmm now when you say using science

888

00:40:09,540 --> 00:40:05,890

or instruments what type of what type of

889

00:40:11,400 --> 00:40:09,550

instruments are you talking about we are

890

00:40:13,470 --> 00:40:11,410

talking about when it comes to the close

891

00:40:16,050 --> 00:40:13,480

rockets I mean like doing up to namah

892

00:40:17,910 --> 00:40:16,060

yarder with solos and radar

893

00:40:21,060 --> 00:40:17,920

ground-penetrating radar

894

00:40:25,440 --> 00:40:21,070

things like that oh I see that that we

895

00:40:28,440 --> 00:40:25,450

do but we also do statistics and look at

896

00:40:31,830 --> 00:40:28,450

the reports we we are dealing with I

897

00:40:34,770 --> 00:40:31,840

mean we got 350 400 plus reports every

898

00:40:35,220 --> 00:40:34,780

year to your fou Sweden and we are

899

00:40:37,920 --> 00:40:35,230

trying

900

00:40:41,790 --> 00:40:37,930

mystics of them we did a very

901
00:40:44,450 --> 00:40:41,800
interesting thing in 2002 for seven and

902
00:40:49,380 --> 00:40:44,460
15 we went out around Sweden

903
00:40:51,900 --> 00:40:49,390
interviewing around 1,500 people look in

904
00:40:54,570 --> 00:40:51,910
that board asking them have you

905
00:40:57,000 --> 00:40:54,580
experienced anything unusual in the sky

906
00:40:59,130 --> 00:40:57,010
have you been watching something you

907
00:41:03,900 --> 00:40:59,140
didn't didn't understand at the time and

908
00:41:06,510 --> 00:41:03,910
it turned out that one in ten had to 10%

909
00:41:09,900 --> 00:41:06,520
of the Swedish populations have done

910
00:41:13,859 --> 00:41:09,910
that and nearly not any one of those

911
00:41:17,070 --> 00:41:13,869
Mornington had reported this to us haha

912
00:41:19,680 --> 00:41:17,080
to the Proteas to anyone there are a

913
00:41:22,920 --> 00:41:19,690

vast amount of observations out there in

914

00:41:24,839 --> 00:41:22,930

the u.s. in every country never reported

915

00:41:27,240 --> 00:41:24,849

because people don't know where to

916

00:41:29,940 --> 00:41:27,250

report it or they don't want to report

917

00:41:32,310 --> 00:41:29,950

it absolutely and I can talk my own

918

00:41:34,260 --> 00:41:32,320

sighting I didn't report because I had I

919

00:41:38,280 --> 00:41:34,270

never even thought to look online this

920

00:41:40,410 --> 00:41:38,290

is in 2006 never even thought to even

921

00:41:43,440 --> 00:41:40,420

look online for anything so I called up

922

00:41:45,870 --> 00:41:43,450

local police station and was basically

923

00:41:48,630 --> 00:41:45,880

dealing with the sarcastic dispatcher

924

00:41:50,550 --> 00:41:48,640

and kind of gave up and I never even

925

00:41:52,170 --> 00:41:50,560

thought about reporting and I'm from

926
00:41:55,109 --> 00:41:52,180
what I've been told someone told me I

927
00:41:57,540 --> 00:41:55,119
could still report it so I guess they

928
00:41:59,070 --> 00:41:57,550
still could although you know at this

929
00:42:00,900 --> 00:41:59,080
point I wouldn't even remember the date

930
00:42:05,280 --> 00:42:00,910
or anything I could probably figure that

931
00:42:09,000 --> 00:42:05,290
out but so along those lines someone

932
00:42:10,440 --> 00:42:09,010
wanted me to ask you this I know we're

933
00:42:11,609 --> 00:42:10,450
getting away from the ghost rockets I

934
00:42:12,420 --> 00:42:11,619
don't know if there's anything else you

935
00:42:14,790 --> 00:42:12,430
can add to the

936
00:42:16,170 --> 00:42:14,800
those Rockets but like I said that's

937
00:42:19,500 --> 00:42:16,180
always what been one of my favorite

938
00:42:21,600 --> 00:42:19,510

topics so before I move on is there

939

00:42:24,530 --> 00:42:21,610

anything else about the ghost Rockets

940

00:42:27,030 --> 00:42:24,540

you'd like to close that subject with

941

00:42:28,950 --> 00:42:27,040

yeah maybe one thing you asked me about

942

00:42:32,340 --> 00:42:28,960

pictures before yeah and they're really

943

00:42:36,060 --> 00:42:32,350

or another the film the film was taken

944

00:42:39,630 --> 00:42:36,070

in 1946 really it sounds really exciting

945

00:42:43,320 --> 00:42:39,640

doesn't it yes because there was a man

946

00:42:45,750 --> 00:42:43,330

who was head of a company photographic

947

00:42:48,170 --> 00:42:45,760

company in Sweden in the Gothenburg he

948

00:42:51,060 --> 00:42:48,180

had a very very lost

949

00:42:54,270 --> 00:42:51,070

film camera with him it was a brand new

950

00:42:56,040 --> 00:42:54,280

color film camera and we're traveling to

951
00:42:58,590 --> 00:42:56,050
Stockholm he was travelling with friends

952
00:43:01,380 --> 00:42:58,600
and I stopped south of lordship look

953
00:43:03,420 --> 00:43:01,390
north of Lord shipping in Sweden and

954
00:43:05,790 --> 00:43:03,430
when they were there he mounted this

955
00:43:08,850 --> 00:43:05,800
camera on a tripod and started to film

956
00:43:10,560 --> 00:43:08,860
the scenery suddenly one of his friends

957
00:43:11,010 --> 00:43:10,570
pointed up in the sky and said look

958
00:43:14,340 --> 00:43:11,020
there

959
00:43:15,780 --> 00:43:14,350
what's that and he turned the camera to

960
00:43:18,920 --> 00:43:15,790
rewards this object it was a

961
00:43:22,320 --> 00:43:18,930
cigar-shaped object flying to the cloud

962
00:43:23,940 --> 00:43:22,330
and he can cut out a cloud and out of

963
00:43:26,820 --> 00:43:23,950

that cloud and he followed it all the

964

00:43:29,160 --> 00:43:26,830

way until it disappeared and I

965

00:43:32,160 --> 00:43:29,170

interviewed this guy many years later he

966

00:43:40,320 --> 00:43:32,170

went to Stockholm call the military and

967

00:43:41,850 --> 00:43:40,330

their foreign interest type developed by

968

00:43:44,600 --> 00:43:41,860

tea together with his friends they were

969

00:43:48,720 --> 00:43:44,610

interviewed of course who sit in this

970

00:43:52,590 --> 00:43:48,730

this rule with a torch and maybe 20

971

00:43:56,490 --> 00:43:52,600

officers and the field was shown to them

972

00:44:00,800 --> 00:43:56,500

it was blank was nothing because he had

973

00:44:04,920 --> 00:44:00,810

changed the Natale to telephoto lens

974

00:44:07,980 --> 00:44:04,930

lens and he forgot to to adjust for the

975

00:44:10,020 --> 00:44:07,990

light because all overexposed how they

976
00:44:12,750 --> 00:44:10,030
could see not how that is horrible

977
00:44:14,820 --> 00:44:12,760
she had been thinking of this every day

978
00:44:16,830 --> 00:44:14,830
of his life he told me every day of his

979
00:44:20,940 --> 00:44:16,840
life of the 1946

980
00:44:24,870 --> 00:44:20,950
have been thinking about ah you know a

981
00:44:26,160 --> 00:44:24,880
lot of times you know the topic will

982
00:44:28,440 --> 00:44:26,170
come up while there's several

983
00:44:30,660 --> 00:44:28,450
has a iPhone camera on them or you know

984
00:44:33,720 --> 00:44:30,670
cell phone camera why aren't there more

985
00:44:35,970 --> 00:44:33,730
really good videos of UFOs and and I got

986
00:44:39,270 --> 00:44:35,980
to tell you when I when I had my

987
00:44:40,950 --> 00:44:39,280
sighting as brief as it was I never even

988
00:44:42,780 --> 00:44:40,960

would have thought of a camera or

989

00:44:44,370 --> 00:44:42,790

anything I was just like in the moment

990

00:44:47,300 --> 00:44:44,380

trying to figure out what the heck was

991

00:44:49,590 --> 00:44:47,310

going on and I don't know I don't know

992

00:44:51,900 --> 00:44:49,600

you know I've talked to Ray Stanford

993

00:44:55,860 --> 00:44:51,910

he's he always has a camera ready he

994

00:44:59,670 --> 00:44:55,870

always has for you know since the 1960s

995

00:45:02,280 --> 00:44:59,680

but I just I I of course now I think I'd

996

00:45:03,960 --> 00:45:02,290

be more apt to do that but you know when

997

00:45:06,720 --> 00:45:03,970

I first had that sighting of the camera

998

00:45:09,600 --> 00:45:06,730

wasn't even something I thought of in

999

00:45:12,780 --> 00:45:09,610

the forum someone said they wanted to

1000

00:45:14,490 --> 00:45:12,790

know if you would talk about the UFO

1001
00:45:19,970 --> 00:45:14,500
sighting that you and your wife had back

1002
00:45:24,540 --> 00:45:19,980
in 1995 yeah yeah November the feast

1003
00:45:26,760 --> 00:45:24,550
yeah I mean I've seen a couple of things

1004
00:45:30,540 --> 00:45:26,770
but this is really the most strange

1005
00:45:33,240 --> 00:45:30,550
thing I ever saw and I'm not out looking

1006
00:45:35,250 --> 00:45:33,250
for UFOs but I've been out hundreds and

1007
00:45:37,770 --> 00:45:35,260
hundreds of hours looking at the Stars

1008
00:45:41,940 --> 00:45:37,780
with my telescope or binoculars with my

1009
00:45:44,190 --> 00:45:41,950
naked eye but this time it is location

1010
00:45:47,760 --> 00:45:44,200
in November we were traveling from the

1011
00:45:50,240 --> 00:45:47,770
north of Stockholm to our house here in

1012
00:45:55,200 --> 00:45:50,250
the outside of Kyoto Stockholm and

1013
00:45:57,750 --> 00:45:55,210

coming into this area I live was one

1014

00:46:00,330 --> 00:45:57,760

o'clock in the night I saw a couple of

1015

00:46:03,030 --> 00:46:00,340

person standing waiting for the last bus

1016

00:46:05,400 --> 00:46:03,040

and one of them were pointing up in the

1017

00:46:06,080 --> 00:46:05,410

sky like this and the other one was

1018

00:46:08,640 --> 00:46:06,090

looking

1019

00:46:10,830 --> 00:46:08,650

so I also my wife she could take a look

1020

00:46:12,930 --> 00:46:10,840

if she could see anything so she leaned

1021

00:46:15,750 --> 00:46:12,940

forward and took a look out the window

1022

00:46:17,790 --> 00:46:15,760

of the car but is she said it just ours

1023

00:46:20,430 --> 00:46:17,800

is a wonderful life I can see lots of

1024

00:46:22,200 --> 00:46:20,440

stars but nothing else so we continue

1025

00:46:25,650 --> 00:46:22,210

and we have pasta Geist's at that time

1026

00:46:28,440 --> 00:46:25,660

and parked our car maybe two minutes

1027

00:46:31,890 --> 00:46:28,450

later and we went out to the car and and

1028

00:46:33,870 --> 00:46:31,900

we stood by our house and looked around

1029

00:46:36,600 --> 00:46:33,880

at the sky trying to figure out what

1030

00:46:38,790 --> 00:46:36,610

they were really looking at I think we

1031

00:46:39,290 --> 00:46:38,800

we stood there for a minute maybe and

1032

00:46:43,290 --> 00:46:39,300

then

1033

00:46:47,060 --> 00:46:43,300

suddenly just onto the darkness right

1034

00:46:50,340 --> 00:46:47,070

say 40 degrees up in the sky three

1035

00:46:53,040 --> 00:46:50,350

illuminated cross crosses like this came

1036

00:46:56,460 --> 00:46:53,050

flying like each other

1037

00:46:58,260 --> 00:46:56,470

flying over us and we saw them both of

1038

00:47:00,300 --> 00:46:58,270

us and they flew over us and they

1039

00:47:03,060 --> 00:47:00,310

vanished behind our neighbor's house and

1040

00:47:08,070 --> 00:47:03,070

I ran around the corner and I saw them

1041

00:47:10,350 --> 00:47:08,080

flying for maybe ten seconds more and

1042

00:47:12,330 --> 00:47:10,360

after that of course at that time I was

1043

00:47:15,840 --> 00:47:12,340

ahead of you for Sweden we went inside

1044

00:47:19,320 --> 00:47:15,850

and we didn't talk about this I gave a

1045

00:47:22,140 --> 00:47:19,330

reform and I before myself we set

1046

00:47:24,420 --> 00:47:22,150

intuitive into different rooms and we

1047

00:47:26,130 --> 00:47:24,430

filled out this form made it drawings

1048

00:47:28,160 --> 00:47:26,140

because of all the questions and after

1049

00:47:30,840 --> 00:47:28,170

that we compared and I put an

1050

00:47:32,490 --> 00:47:30,850

investigator to try to find the answer

1051
00:47:35,670 --> 00:47:32,500
but we never never did

1052
00:47:39,480 --> 00:47:35,680
Wow now I want you to talk about what

1053
00:47:41,130 --> 00:47:39,490
you did was very important and a couple

1054
00:47:44,220 --> 00:47:41,140
of different ways first of all you

1055
00:47:46,350 --> 00:47:44,230
didn't have a conversation with the same

1056
00:47:48,090 --> 00:47:46,360
person that witness it and you did

1057
00:47:51,270 --> 00:47:48,100
something immediately those two things

1058
00:47:53,070 --> 00:47:51,280
are very important I think when it comes

1059
00:47:55,860 --> 00:47:53,080
to a sighting wouldn't you agree about

1060
00:47:57,840 --> 00:47:55,870
that absolutely absolutely and look at

1061
00:48:04,080 --> 00:47:57,850
we looked at the watch of course and

1062
00:48:06,300 --> 00:48:04,090
took the exact time but that is the most

1063
00:48:09,810 --> 00:48:06,310

important thing and what is very much

1064

00:48:11,490 --> 00:48:09,820

interesting and yet gives us some sort

1065

00:48:15,210 --> 00:48:11,500

of feeling about the UFO mystery I think

1066

00:48:18,480 --> 00:48:15,220

I didn't say anything about this four or

1067

00:48:20,310 --> 00:48:18,490

maybe a year or two not even to my

1068

00:48:23,400 --> 00:48:20,320

clothes that you have on friends this

1069

00:48:26,310 --> 00:48:23,410

was too strange for suit change but then

1070

00:48:28,410 --> 00:48:26,320

I did I talked about it and in in the

1071

00:48:30,660 --> 00:48:28,420

radio interview I gave a couple of years

1072

00:48:33,960 --> 00:48:30,670

after that I told about the experience

1073

00:48:36,750 --> 00:48:33,970

and a listener called in and said my

1074

00:48:40,170 --> 00:48:36,760

mother saw something like this in 1930s

1075

00:48:42,450 --> 00:48:40,180

so I called her and she had seen some

1076
00:48:44,970 --> 00:48:42,460
very very strange stuff because she was

1077
00:48:47,070 --> 00:48:44,980
just a little girl at that time maybe 14

1078
00:48:49,680 --> 00:48:47,080
or 15 years of age he was waiting for

1079
00:48:51,810 --> 00:48:49,690
her mother outside the house and it was

1080
00:48:53,039 --> 00:48:51,820
a middle of the day and suddenly she saw

1081
00:48:56,429 --> 00:48:53,049
on the road

1082
00:48:59,039 --> 00:48:56,439
hundred meters from her three crosses

1083
00:49:02,359 --> 00:48:59,049
came out of nowhere

1084
00:49:05,849 --> 00:49:02,369
on the road for five seconds then

1085
00:49:08,189 --> 00:49:05,859
vanishing into thin air I just was there

1086
00:49:10,739 --> 00:49:08,199
they were there for just a couple of

1087
00:49:13,769 --> 00:49:10,749
seconds and then went away three crosses

1088
00:49:17,130 --> 00:49:13,779

but not up in the sky down down on the

1089

00:49:20,489 --> 00:49:17,140

road that is really amazing so had you

1090

00:49:22,620 --> 00:49:20,499

heard of besides that other one sighting

1091

00:49:26,069 --> 00:49:22,630

have you ever heard of anyone talking

1092

00:49:28,739 --> 00:49:26,079

about crosses other than that oh it's

1093

00:49:30,299 --> 00:49:28,749

very very very very score some I'm not

1094

00:49:32,279 --> 00:49:30,309

aware of anyone seeing at least three

1095

00:49:35,249 --> 00:49:32,289

crosses like this if you look back in

1096

00:49:37,919 --> 00:49:35,259

the 13-14 1500s you can read about

1097

00:49:39,659 --> 00:49:37,929

crosses in the sky quite often but most

1098

00:49:41,579 --> 00:49:39,669

of the time they have seen something to

1099

00:49:43,349 --> 00:49:41,589

do with the Sun some halo phenomena or

1100

00:49:47,219 --> 00:49:43,359

something like that the crosses in the

1101

00:49:52,559 --> 00:49:47,229

sky was really something that people who

1102

00:49:56,519 --> 00:49:52,569

had very deep beliefs could see nowadays

1103

00:49:59,279 --> 00:49:56,529

what is these crosses yeah I personally

1104

00:50:01,769 --> 00:49:59,289

think I've said this before in this show

1105

00:50:04,949 --> 00:50:01,779

that sometimes I think the weirdest

1106

00:50:07,439 --> 00:50:04,959

sightings are are some of the best

1107

00:50:11,099 --> 00:50:07,449

sightings because they're so unusual

1108

00:50:13,859 --> 00:50:11,109

it's almost like it can't be made up you

1109

00:50:16,199 --> 00:50:13,869

know that's right I mean absolutely

1110

00:50:17,549 --> 00:50:16,209

agree with you I mean why tell a story

1111

00:50:19,319 --> 00:50:17,559

that is so bizarre

1112

00:50:23,549 --> 00:50:19,329

that don't Amy your wife or children

1113

00:50:25,079 --> 00:50:23,559

will believe you why yeah yeah and I've

1114

00:50:28,370 --> 00:50:25,089

heard some being on the show I've heard

1115

00:50:30,779 --> 00:50:28,380

some weird ones enough a friend of mine

1116

00:50:33,659 --> 00:50:30,789

told the story a number of times on the

1117

00:50:35,639 --> 00:50:33,669

Antiques Roadshow which is a popular

1118

00:50:39,629 --> 00:50:35,649

show here I mean in the United States

1119

00:50:42,779 --> 00:50:39,639

not here in Russia but and he actually

1120

00:50:44,729 --> 00:50:42,789

saw this box thing it was a box shaped

1121

00:50:47,189 --> 00:50:44,739

thing and then he saw it explode into

1122

00:50:53,279 --> 00:50:47,199

five lights and then the lights did like

1123

00:50:56,339 --> 00:50:53,289

a formation and a fighter jet came after

1124

00:50:58,919 --> 00:50:56,349

it it disappeared but I mean you just

1125

00:51:01,080 --> 00:50:58,929

hear these weird weird sightings I love

1126

00:51:04,920 --> 00:51:01,090

him I actually love him

1127

00:51:06,990 --> 00:51:04,930

yeah those high strangeness cases are

1128

00:51:09,440 --> 00:51:07,000

not often mentioned when you're writing

1129

00:51:12,240 --> 00:51:09,450

UFO books or if you're giving speeches

1130

00:51:16,500 --> 00:51:12,250

you're trying to make your speech or

1131

00:51:19,050 --> 00:51:16,510

your book as comprehensive and and as as

1132

00:51:22,440 --> 00:51:19,060

you are really understanding the

1133

00:51:24,720 --> 00:51:22,450

phenomenon but I could say after more

1134

00:51:26,250 --> 00:51:24,730

than 40 years in this business that I do

1135

00:51:29,490 --> 00:51:26,260

not understand it because it's so

1136

00:51:33,540 --> 00:51:29,500

diverse I wrote a book a couple of years

1137

00:51:36,540 --> 00:51:33,550

ago about 1 100 years of UFO sightings

1138

00:51:39,720 --> 00:51:36,550

over Sweden which I have investigated in

1139

00:51:41,820 --> 00:51:39,730

some respects all of them and you can

1140

00:51:46,680 --> 00:51:41,830

find observations that there there are

1141

00:51:50,010 --> 00:51:46,690

locked handily fitting in into the usual

1142

00:51:52,380 --> 00:51:50,020

et concept at all I just strange they

1143

00:51:56,130 --> 00:51:52,390

are as real as anything you can read in

1144

00:52:02,040 --> 00:51:56,140

another book now what are you familiar

1145

00:52:04,590 --> 00:52:02,050

with the very unusual sighting word this

1146

00:52:07,110 --> 00:52:04,600

guy was on his horse cart and this thing

1147

00:52:09,690 --> 00:52:07,120

came down in a field and did you ever

1148

00:52:11,820 --> 00:52:09,700

hear that one it was do you know which

1149

00:52:13,590 --> 00:52:11,830

one I'm talking about and he went up men

1150

00:52:16,160 --> 00:52:13,600

who were birds inside of it and all

1151

00:52:22,590 --> 00:52:16,170

that did you ever hear this story

1152

00:52:28,190 --> 00:52:22,600

this is some it was I think was in the

1153

00:52:31,080 --> 00:52:28,200

70s I believe it was in the 70s yes

1154

00:52:32,310 --> 00:52:31,090

you're talking about it wasn't did

1155

00:52:34,440 --> 00:52:32,320

something in Poland

1156

00:52:38,070 --> 00:52:34,450

oh ok yes it was Poland okay I was think

1157

00:52:39,420 --> 00:52:38,080

it was the Netherlands okay so yeah but

1158

00:52:45,240 --> 00:52:39,430

that is that was another real

1159

00:52:49,770 --> 00:52:45,250

fascinating very bizarre case I mean I'm

1160

00:52:54,330 --> 00:52:49,780

a member of the Magana Network it's a

1161

00:52:56,760 --> 00:52:54,340

network of quite a few the corn of level

1162

00:53:00,720 --> 00:52:56,770

how did you follow this if you want but

1163

00:53:03,870 --> 00:53:00,730

they are combing the the old newspapers

1164

00:53:09,480 --> 00:53:03,880

old magazines old books from the 1600s

1165

00:53:12,420 --> 00:53:09,490

and another tale 1946-47 there you can

1166

00:53:14,160 --> 00:53:12,430

find fantastic your observations I mean

1167

00:53:17,099 --> 00:53:14,170

you can find things that

1168

00:53:18,569 --> 00:53:17,109

defy explanations today they are not

1169

00:53:22,470 --> 00:53:18,579

talking about aliens of course they are

1170

00:53:25,109 --> 00:53:22,480

not seeing the the popular et shape

1171

00:53:29,099 --> 00:53:25,119

alien they are seeing other things but

1172

00:53:32,069 --> 00:53:29,109

they're experiencing UFO sightings in in

1173

00:53:34,470 --> 00:53:32,079

their context were the early would when

1174

00:53:36,660 --> 00:53:34,480

they were living they didn't understand

1175

00:53:39,359 --> 00:53:36,670

it of course we don't understand what's

1176
00:53:41,970 --> 00:53:39,369
happening around us today it's been with

1177
00:53:43,319 --> 00:53:41,980
us for many many hundreds of years this

1178
00:53:47,069 --> 00:53:43,329
is fantastic

1179
00:53:48,809 --> 00:53:47,079
phenomenon yeah and I personally believe

1180
00:53:50,339 --> 00:53:48,819
they could be they could have been

1181
00:53:54,029 --> 00:53:50,349
coming here for millions of years it's

1182
00:53:56,490 --> 00:53:54,039
just the way civilizations line up could

1183
00:53:58,589 --> 00:53:56,500
be you know totally different on another

1184
00:54:02,759 --> 00:53:58,599
you know in another galaxy or you know

1185
00:54:06,569 --> 00:54:02,769
another solar system if they actually

1186
00:54:07,950 --> 00:54:06,579
are I mean they're still I'm not saying

1187
00:54:09,180 --> 00:54:07,960
for sure they are coming here because I

1188
00:54:13,109 --> 00:54:09,190

have absolutely no idea

1189

00:54:16,079 --> 00:54:13,119

so what it's all about

1190

00:54:19,499 --> 00:54:16,089

it's and I had a conversation with

1191

00:54:21,690 --> 00:54:19,509

Jacques Vallee when we're both checking

1192

00:54:24,450 --> 00:54:21,700

into the hotel out in Phoenix a couple

1193

00:54:27,900 --> 00:54:24,460

years ago and I said I think I've said

1194

00:54:29,370 --> 00:54:27,910

on the show that I do that maybe it's

1195

00:54:31,769 --> 00:54:29,380

something we haven't even thought of yet

1196

00:54:33,960 --> 00:54:31,779

any kind of laughs knee says yeah you're

1197

00:54:38,999 --> 00:54:33,970

get you're getting it the idea of it or

1198

00:54:40,740 --> 00:54:39,009

something like that you know so and you

1199

00:54:42,660 --> 00:54:40,750

doing this for so long

1200

00:54:44,220 --> 00:54:42,670

is that how you feel you mean you do

1201

00:54:47,249 --> 00:54:44,230

feel like you know perhaps it's

1202

00:54:50,730 --> 00:54:47,259

something we haven't even had the idea

1203

00:54:54,420 --> 00:54:50,740

of how to explore yet or do you think it

1204

00:54:55,950 --> 00:54:54,430

yeah I think I don't think we have all

1205

00:54:59,460 --> 00:54:55,960

the answers now because we don't have

1206

00:55:01,109 --> 00:54:59,470

the tools to to find them really and I

1207

00:55:04,170 --> 00:55:01,119

think we do not really understand the

1208

00:55:06,359 --> 00:55:04,180

human psyche you know because much of

1209

00:55:09,269 --> 00:55:06,369

this is connected to human beings in a

1210

00:55:11,999 --> 00:55:09,279

way that we we can see when we are

1211

00:55:13,710 --> 00:55:12,009

investigating UFO cases in Sweden it's

1212

00:55:16,559 --> 00:55:13,720

very important to follow all the

1213

00:55:19,589 --> 00:55:16,569

witnesses for many years you can learn

1214

00:55:22,529 --> 00:55:19,599

how they teach and what they believe

1215

00:55:25,769 --> 00:55:22,539

because not everything happens out there

1216

00:55:27,570 --> 00:55:25,779

very much so it happens in here as well

1217

00:55:30,390 --> 00:55:27,580

see break

1218

00:55:32,970 --> 00:55:30,400

flex metal if you don't know really that

1219

00:55:35,220 --> 00:55:32,980

is happening in here can be something

1220

00:55:37,560 --> 00:55:35,230

that is put in here from outside of

1221

00:55:40,710 --> 00:55:37,570

course from someone else something else

1222

00:55:44,130 --> 00:55:40,720

some unknown unusual natural phenomenon

1223

00:55:47,190 --> 00:55:44,140

or something completely different yes we

1224

00:55:49,080 --> 00:55:47,200

are only scratching the surface and to

1225

00:55:51,720 --> 00:55:49,090

say that we have also snow is really to

1226

00:55:53,790 --> 00:55:51,730

stretch it too far I think we have some

1227

00:55:56,970 --> 00:55:53,800

answers but they also we have all the

1228

00:55:59,330 --> 00:55:56,980

solutions of the misidentifications we

1229

00:56:03,770 --> 00:55:59,340

are finding all the time

1230

00:56:08,310 --> 00:56:03,780

now you had mentioned that another thing

1231

00:56:11,940 --> 00:56:08,320

that is or could be related is the high

1232

00:56:15,380 --> 00:56:11,950

strangeness the paranormal do you want

1233

00:56:18,090 --> 00:56:15,390

to talk about that yeah I think that's

1234

00:56:21,240 --> 00:56:18,100

that's what makes me tick really when it

1235

00:56:25,230 --> 00:56:21,250

comes to UFOs is the strange cases that

1236

00:56:27,690 --> 00:56:25,240

or little beside the ordinary cases if

1237

00:56:30,240 --> 00:56:27,700

there are any ordinary chases yeah when

1238

00:56:33,260 --> 00:56:30,250

accompanied with those I mean I

1239

00:56:38,640 --> 00:56:33,270

interviewed a guy was 11 years of age in

1240

00:56:42,120 --> 00:56:38,650

1947 in September 1947 he was walking

1241

00:56:45,540 --> 00:56:42,130

back home to his parents when suddenly

1242

00:56:49,620 --> 00:56:45,550

he saw some multicolored rings chanting

1243

00:56:51,180 --> 00:56:49,630

his stick in the ground I mean it was

1244

00:56:52,890 --> 00:56:51,190

impossible because the bubble would

1245

00:56:56,520 --> 00:56:52,900

break if you do this but he did it

1246

00:56:59,520 --> 00:56:56,530

anyway and that come came another two of

1247

00:57:02,730 --> 00:56:59,530

those guys within the same bubbles after

1248

00:57:03,900 --> 00:57:02,740

him doing this ice and real David who

1249

00:57:05,490 --> 00:57:03,910

talked into each other that we're

1250

00:57:09,570 --> 00:57:05,500

communicating but he couldn't hear

1251
00:57:13,680 --> 00:57:09,580
because sound seemed to be in capsule

1252
00:57:15,840 --> 00:57:13,690
inside the bubble and they disappeared

1253
00:57:18,930 --> 00:57:15,850
after a minute or so they were they were

1254
00:57:23,250 --> 00:57:18,940
gone behind a bone a couple of hundred

1255
00:57:24,710 --> 00:57:23,260
meters away and he went inside and first

1256
00:57:27,210 --> 00:57:24,720
he didn't tell anyone about this

1257
00:57:29,700 --> 00:57:27,220
eventually it did and nobody believed

1258
00:57:32,280 --> 00:57:29,710
him of course and now I mean couple of

1259
00:57:34,290 --> 00:57:32,290
years ago you hunky went to us hotel

1260
00:57:38,240 --> 00:57:34,300
this story was a very very good person

1261
00:57:40,290 --> 00:57:38,250
for incredible man who told a very

1262
00:57:41,100 --> 00:57:40,300
strange don't worry that we really

1263
00:57:43,290 --> 00:57:41,110

cannot

1264

00:57:45,840 --> 00:57:43,300

is that what is this has this to do with

1265

00:57:49,380 --> 00:57:45,850

UFOs at all yes it was flying at least

1266

00:57:51,030 --> 00:57:49,390

the decimator over the ground but it's

1267

00:57:54,690 --> 00:57:51,040

not really what you what you talk about

1268

00:57:56,460 --> 00:57:54,700

when you're dealing with with with UFOs

1269

00:57:58,680 --> 00:57:56,470

I mean there are lots of things like

1270

00:58:02,820 --> 00:57:58,690

this I mean I talked to another guy who

1271

00:58:05,900 --> 00:58:02,830

in the late 1940s his mother were out in

1272

00:58:08,910 --> 00:58:05,910

broad daylight in in the garden when

1273

00:58:10,920 --> 00:58:08,920

cigar-shaped object like a ghost rocket

1274

00:58:15,300 --> 00:58:10,930

but more like in a damn ski mothership

1275

00:58:18,690 --> 00:58:15,310

really came flies it was quite small but

1276

00:58:21,270 --> 00:58:18,700

it had portholes on its side and it

1277

00:58:23,790 --> 00:58:21,280

passed him and came and passed her story

1278

00:58:27,290 --> 00:58:23,800

and came back and then she could see

1279

00:58:30,510 --> 00:58:27,300

into the portholes that were very ugly

1280

00:58:36,840 --> 00:58:30,520

strange fearful old phone faces looking

1281

00:58:38,520 --> 00:58:36,850

out at her Wow yep blew away she Wow so

1282

00:58:44,040 --> 00:58:38,530

yeah I want to talk a little bit about

1283

00:58:46,920 --> 00:58:44,050

the that because the cigar shaped things

1284

00:58:49,230 --> 00:58:46,930

seem to have portholes or there's been

1285

00:58:51,300 --> 00:58:49,240

many accounts of that but going back to

1286

00:58:53,580 --> 00:58:51,310

the bubbles the people floating down in

1287

00:59:00,000 --> 00:58:53,590

bubbles those had to be time travelers

1288

00:59:03,000 --> 00:59:00,010

don't you think yes I've told this story

1289

00:59:06,960 --> 00:59:03,010

many a number of times on this show and

1290

00:59:11,040 --> 00:59:06,970

I apologize to the to the avid listener

1291

00:59:13,710 --> 00:59:11,050

of my show but my friend's father here

1292

00:59:16,890 --> 00:59:13,720

in Russia and I found out it was only

1293

00:59:19,110 --> 00:59:16,900

about ten years ago had a cigar shaped

1294

00:59:22,350 --> 00:59:19,120

thing go through a mountain pass when he

1295

00:59:25,080 --> 00:59:22,360

was going through this mountain pass all

1296

00:59:27,200 --> 00:59:25,090

the cars stalled while this thing was

1297

00:59:29,520 --> 00:59:27,210

going through they got out of the car

1298

00:59:30,570 --> 00:59:29,530

one lifted the hood and stuff like that

1299

00:59:32,850 --> 00:59:30,580

trying to figure out what's wrong with

1300

00:59:36,090 --> 00:59:32,860

the cars and this thing floated through

1301
00:59:38,580 --> 00:59:36,100
with portholes and you know they could

1302
00:59:40,020 --> 00:59:38,590
see all the the thing he was telling the

1303
00:59:42,240 --> 00:59:40,030
story in Russian and was being

1304
00:59:43,830 --> 00:59:42,250
translated to me and it was just like he

1305
00:59:45,960 --> 00:59:43,840
was telling a story of everyday life

1306
00:59:47,730 --> 00:59:45,970
he's not a person that's into UFOs or

1307
00:59:49,440 --> 00:59:47,740
anything and then he said all of a

1308
00:59:50,940 --> 00:59:49,450
sudden everyone's cars you know they

1309
00:59:53,340 --> 00:59:50,950
could start and run and they all drove

1310
00:59:54,750 --> 00:59:53,350
away no one talked to anyone no one

1311
00:59:55,980 --> 00:59:54,760
talked to each other

1312
00:59:57,720 --> 00:59:55,990
but that's I'm finding out in Russia

1313
01:00:04,350 --> 00:59:57,730

that's generally what happens no one

1314

01:00:06,180 --> 01:00:04,360

talks to each other oh yeah share 1993

1315

01:00:08,310 --> 01:00:06,190

and I met with lots of ufologist and

1316

01:00:11,790 --> 01:00:08,320

brought back your huge archive from

1317

01:00:14,880 --> 01:00:11,800

Moscow at that time and it was a very

1318

01:00:17,400 --> 01:00:14,890

very interesting to to see how the

1319

01:00:21,540 --> 01:00:17,410

Russians were dealing with UFOs at that

1320

01:00:23,790 --> 01:00:21,550

time 1993 was a very big interest they

1321

01:00:27,330 --> 01:00:23,800

published lots of UFO magazine today

1322

01:00:30,360 --> 01:00:27,340

it's not that at all no really glossy

1323

01:00:32,130 --> 01:00:30,370

magazine about UFOs anymore

1324

01:00:34,710 --> 01:00:32,140

and there are no really good youth

1325

01:00:36,150 --> 01:00:34,720

organizations either something's happen

1326

01:00:37,850 --> 01:00:36,160

there they are more interested in the

1327

01:00:41,370 --> 01:00:37,860

paranormal now I think

1328

01:00:43,050 --> 01:00:41,380

UFOs really Wow yes I've tried to find

1329

01:00:45,390 --> 01:00:43,060

someone local here because there have

1330

01:00:48,300 --> 01:00:45,400

been some sightings in this city I found

1331

01:00:51,630 --> 01:00:48,310

it online but I can't find anyone that

1332

01:00:54,750 --> 01:00:51,640

speaks good enough English to to be on

1333

01:00:56,640 --> 01:00:54,760

the show that's unfortunate and I've

1334

01:00:59,550 --> 01:00:56,650

tried to work with people outside you

1335

01:01:00,960 --> 01:00:59,560

know Phil mantle and a few other people

1336

01:01:04,290 --> 01:01:00,970

trying to figure out if they could find

1337

01:01:06,720 --> 01:01:04,300

someone here but that hasn't happened so

1338

01:01:09,090 --> 01:01:06,730

but just to let the listener know next

1339

01:01:10,350 --> 01:01:09,100

week Peter Robbins he's from the US he's

1340

01:01:12,930 --> 01:01:10,360

going to be on but we're gonna be

1341

01:01:14,730 --> 01:01:12,940

talking about Russian UFOs that that

1342

01:01:18,000 --> 01:01:14,740

comes up next week

1343

01:01:20,460 --> 01:01:18,010

so you know they already know just

1344

01:01:24,650 --> 01:01:20,470

yesterday I was interviewed in with an

1345

01:01:26,240 --> 01:01:24,660

energy with Russian TV and really in

1346

01:01:31,370 --> 01:01:26,250

Gramsci

1347

01:01:33,540 --> 01:01:31,380

it wasn't called or II and TV round TV

1348

01:01:35,280 --> 01:01:33,550

I'm not sure really worried about where

1349

01:01:37,730 --> 01:01:35,290

they were located but it will be

1350

01:01:40,110 --> 01:01:37,740

broadcasted in a couple of weeks I think

1351

01:01:44,220 --> 01:01:40,120

so but they didn't seem that

1352

01:01:46,980 --> 01:01:44,230

knowledgeable to be honest about UFOs

1353

01:01:51,120 --> 01:01:46,990

but they did make a regular UFO programs

1354

01:01:52,620 --> 01:01:51,130

and so you did you do I know you speak a

1355

01:01:56,460 --> 01:01:52,630

few languages did you speak in English

1356

01:02:00,600 --> 01:01:56,470

or English

1357

01:02:03,990 --> 01:02:00,610

I don't do Russian so yeah yeah yeah wow

1358

01:02:05,760 --> 01:02:04,000

that's interesting that's I would be

1359

01:02:08,280 --> 01:02:05,770

interested to see what type of

1360

01:02:10,800 --> 01:02:08,290

programming that is because you

1361

01:02:15,480 --> 01:02:10,810

I can't seem to find anything here on

1362

01:02:17,670 --> 01:02:15,490

that so so you bet you were here in 93

1363

01:02:19,740 --> 01:02:17,680

is that when you said you were here yeah

1364

01:02:23,040 --> 01:02:19,750

yeah it was a very strange time because

1365

01:02:24,750 --> 01:02:23,050

it was the same day as the the tanks

1366

01:02:28,350 --> 01:02:24,760

rolled into Moscow and it's not to show

1367

01:02:30,450 --> 01:02:28,360

it at the White House so it was a very

1368

01:02:32,220 --> 01:02:30,460

strange atmosphere because we couldn't

1369

01:02:36,360 --> 01:02:32,230

do exactly what we wanted people were

1370

01:02:38,250 --> 01:02:36,370

shooting in the streets and we were a

1371

01:02:39,860 --> 01:02:38,260

lot of military I'm a journalist so I

1372

01:02:42,750 --> 01:02:39,870

had worked for my newspaper at the time

1373

01:02:45,420 --> 01:02:42,760

but we were there trying to find

1374

01:02:49,200 --> 01:02:45,430

material at the KGB archives and other

1375

01:02:51,840 --> 01:02:49,210

stuff and we eventually but it was quite

1376

01:02:53,490 --> 01:02:51,850

problematic because sometimes the subway

1377

01:02:55,560 --> 01:02:53,500

were shut down you couldn't walk out

1378

01:03:02,040 --> 01:02:55,570

that station which it was shooting

1379

01:03:04,170 --> 01:03:02,050

outside but we were returned to Moscow

1380

01:03:06,750 --> 01:03:04,180

again and think in a couple of years

1381

01:03:08,190 --> 01:03:06,760

maybe next year and and st. Petersburg I

1382

01:03:10,200 --> 01:03:08,200

would not be cooler as well and to meet

1383

01:03:11,880 --> 01:03:10,210

with you follow just yes I would love to

1384

01:03:14,040 --> 01:03:11,890

go to definitely love to go to the st.

1385

01:03:17,430 --> 01:03:14,050

Petersburg I mean does any of that air

1386

01:03:18,750 --> 01:03:17,440

at Georgia all that area all right so

1387

01:03:22,770 --> 01:03:18,760

one of the things we wanted to talk

1388

01:03:24,510 --> 01:03:22,780

about this evening is military now when

1389

01:03:27,030 --> 01:03:24,520

you were talking when we're talking

1390

01:03:30,450 --> 01:03:27,040

about military and UFOs are you talking

1391

01:03:33,080 --> 01:03:30,460

about like like for instance what you

1392

01:03:35,670 --> 01:03:33,090

said earlier they had a top-secret

1393

01:03:37,650 --> 01:03:35,680

program trying to whatever it was called

1394

01:03:42,450 --> 01:03:37,660

fine to sea or whatever you said it was

1395

01:03:43,710 --> 01:03:42,460

called people see fine yeah so so what

1396

01:03:47,280 --> 01:03:43,720

is the military

1397

01:03:51,960 --> 01:03:47,290

Sweden's military's attitude toward the

1398

01:03:53,940 --> 01:03:51,970

UFO topic well it started in the 1930s

1399

01:03:55,410 --> 01:03:53,950

with the ghost flyer I've never heard

1400

01:03:58,200 --> 01:03:55,420

about the dog slide let's hear about

1401

01:04:02,070 --> 01:03:58,210

that what's the huge you have a wave in

1402

01:04:04,440 --> 01:04:02,080

1933 in 1934 it was hundreds and

1403

01:04:07,350 --> 01:04:04,450

hundreds observations of lights in the

1404

01:04:10,860 --> 01:04:07,360

sky and over strange aircraft never

1405

01:04:14,130 --> 01:04:10,870

identified it they turned up again 1936

1406

01:04:15,720 --> 01:04:14,140

1937 and I think I read every single

1407

01:04:19,200 --> 01:04:15,730

report and every single newspaper

1408

01:04:22,200 --> 01:04:19,210

article about this it was real mass

1409

01:04:24,750 --> 01:04:22,210

hysteria together with something

1410

01:04:27,090 --> 01:04:24,760

could be of interest as well but most of

1411

01:04:29,760 --> 01:04:27,100

the things people saw were just Venus

1412

01:04:32,820 --> 01:04:29,770

and all that stuff the skeptic says that

1413

01:04:34,260 --> 01:04:32,830

people see but the military put great

1414

01:04:37,920 --> 01:04:34,270

effort into this because they could see

1415

01:04:40,970 --> 01:04:37,930

those strange things flying over secret

1416

01:04:45,150 --> 01:04:40,980

military installations as well and in

1417

01:04:48,240 --> 01:04:45,160

very harsh weather so int1 one guy who

1418

01:04:52,320 --> 01:04:48,250

was up on a mountain outside one of

1419

01:04:55,200 --> 01:04:52,330

those installations with his gun and ten

1420

01:04:58,470 --> 01:04:55,210

of his comrades down in the bunker

1421

01:05:00,870 --> 01:04:58,480

50 meters beneath him and when he heard

1422

01:05:01,470 --> 01:05:00,880

something he was to ring in the ring a

1423

01:05:03,720 --> 01:05:01,480

bell

1424

01:05:05,910 --> 01:05:03,730

and they will all come up running and

1425

01:05:06,600 --> 01:05:05,920

shooting of this strange goes fly that

1426

01:05:08,880 --> 01:05:06,610

was the plan

1427

01:05:11,520 --> 01:05:08,890

but they never saw anything and they

1428

01:05:15,060 --> 01:05:11,530

never heard anything but many people did

1429

01:05:17,670 --> 01:05:15,070

so in 1946 when this ghost rocket wave

1430

01:05:20,880 --> 01:05:17,680

came around people and a military were a

1431

01:05:24,480 --> 01:05:20,890

little prepared they they knew how to

1432

01:05:25,950 --> 01:05:24,490

deal with mass observations from strange

1433

01:05:28,410 --> 01:05:25,960

stuff in the sky

1434

01:05:30,480 --> 01:05:28,420

so they started quite early with this

1435

01:05:34,050 --> 01:05:30,490

secret group that worked with this so

1436

01:05:36,300 --> 01:05:34,060

the night in the 1950s it was still a

1437

01:05:39,570 --> 01:05:36,310

very very big interest from the military

1438

01:05:43,860 --> 01:05:39,580

they had certain people earmark just to

1439

01:05:45,840 --> 01:05:43,870

do UFO investigations up till 1965 when

1440

01:05:50,430 --> 01:05:45,850

they turned their files over to the

1441

01:05:55,260 --> 01:05:50,440

Defense Research Institute and after

1442

01:05:58,440 --> 01:05:55,270

that not so many good research world

1443

01:06:00,660 --> 01:05:58,450

were made really they merely merely took

1444

01:06:03,060 --> 01:06:00,670

care of the reports they looked into

1445

01:06:05,820 --> 01:06:03,070

some of them but they didn't really

1446

01:06:09,690 --> 01:06:05,830

spend time with them at that time so now

1447

01:06:11,580 --> 01:06:09,700

in the 19th 2000 there are not as big

1448

01:06:14,130 --> 01:06:11,590

interest from the military scientists it

1449

01:06:16,590 --> 01:06:14,140

was once they turning their reporting

1450

01:06:18,420 --> 01:06:16,600

were to us now so if people are calling

1451

01:06:20,810 --> 01:06:18,430

them they will be transferred to you for

1452

01:06:25,340 --> 01:06:20,820

Sweden oh wow that's amazing

1453

01:06:29,220 --> 01:06:25,350

that's really great so is there

1454

01:06:31,800 --> 01:06:29,230

something comparable to our the United

1455

01:06:35,430 --> 01:06:31,810

States Freedom of Information Act as far

1456

01:06:36,150 --> 01:06:35,440

as you know getting documents earlier

1457

01:06:40,319 --> 01:06:36,160

document

1458

01:06:44,430 --> 01:06:40,329

so are they just plain releasing them we

1459

01:06:47,069 --> 01:06:44,440

have the same the same laws you have but

1460

01:06:49,620 --> 01:06:47,079

a couple of years ago I asked the

1461

01:06:52,470 --> 01:06:49,630

military if they could scan all their

1462

01:06:56,180 --> 01:06:52,480

files for us so they put a man to do

1463

01:06:58,650 --> 01:06:56,190

that 14 hot months they were earning and

1464

01:07:03,690 --> 01:06:58,660

eventually I got the one terabyte hard

1465

01:07:08,130 --> 01:07:03,700

drive with everything on it this was

1466

01:07:10,650 --> 01:07:08,140

good of course is that actually we have

1467

01:07:13,170 --> 01:07:10,660

very good connections we didn't sorry

1468

01:07:15,240 --> 01:07:13,180

now is that something that is going to

1469

01:07:17,789 --> 01:07:15,250

be available on any of that going to be

1470

01:07:20,099 --> 01:07:17,799

available online at all or is it what is

1471

01:07:22,500 --> 01:07:20,109

the laws they're like the problem is

1472

01:07:25,109 --> 01:07:22,510

it's in Swedish of course but the ghost

1473

01:07:27,990 --> 01:07:25,119

Rockets documents are also in Swedish

1474

01:07:30,180 --> 01:07:28,000

but some are translated into English

1475

01:07:33,390 --> 01:07:30,190

they are published on those Rockets dot

1476

01:07:37,049 --> 01:07:33,400

se or free you can go there and you can

1477

01:07:39,000 --> 01:07:37,059

you can read at least 30% of it right

1478

01:07:41,910 --> 01:07:39,010

now and you can help if you can read

1479

01:07:47,309 --> 01:07:41,920

Swedish and English help us to translate

1480

01:07:49,049 --> 01:07:47,319

more of it so I can really really say

1481

01:07:51,150 --> 01:07:49,059

that would be very great benefit for

1482

01:07:53,370 --> 01:07:51,160

this endeavor if we have more people

1483

01:07:57,630 --> 01:07:53,380

doing that so we can get everything out

1484

01:08:00,630 --> 01:07:57,640

in English we will publish the Swedish

1485

01:08:01,980 --> 01:08:00,640

material in Swedish of course eventually

1486

01:08:05,460 --> 01:08:01,990

it as well but that will be probably

1487

01:08:07,799 --> 01:08:05,470

next year they trust us and we trust

1488

01:08:09,720 --> 01:08:07,809

them and of course they don't tell us

1489

01:08:13,980 --> 01:08:09,730

everything we understand it's not so

1490

01:08:19,160 --> 01:08:13,990

military significant material will never

1491

01:08:24,660 --> 01:08:19,170

reach us we think it's a very good

1492

01:08:27,390 --> 01:08:24,670

neutral way to work I wish I wish our

1493

01:08:31,320 --> 01:08:27,400

government would work in that in that

1494

01:08:35,249 --> 01:08:31,330

way with you know we I don't think you

1495

01:08:39,450 --> 01:08:35,259

know we have MUFON here but it sounds

1496

01:08:41,550 --> 01:08:39,460

like it sounds like your organization I

1497

01:08:44,849 --> 01:08:41,560

don't want to say is more organized but

1498

01:08:46,769 --> 01:08:44,859

it sounds you know MUFON has been going

1499

01:08:49,290 --> 01:08:46,779

through a little bit of a rough rough

1500

01:08:51,990 --> 01:08:49,300

spot right now a little bit

1501

01:08:54,690 --> 01:08:52,000

but it sounds like you've been pretty

1502

01:08:57,240 --> 01:08:54,700

steady on what you're doing there do you

1503

01:09:03,180 --> 01:08:57,250

also work with any other countries

1504

01:09:06,210 --> 01:09:03,190

I met with John whoreson in Brazil in

1505

01:09:09,360 --> 01:09:06,220

December we were there giving talks for

1506

01:09:12,690 --> 01:09:09,370

both he and me we compared notes quite a

1507

01:09:14,930 --> 01:09:12,700

lot and they do things that we can't do

1508

01:09:16,860 --> 01:09:14,940

and we do things that they can't do

1509

01:09:18,570 --> 01:09:16,870

let's ensure they are good at many

1510

01:09:20,640 --> 01:09:18,580

things we are good at other things but

1511

01:09:24,060 --> 01:09:20,650

as you say we are very stable within

1512

01:09:27,750 --> 01:09:24,070

stable for so many years with no

1513

01:09:31,410 --> 01:09:27,760

turbulence no no change in the top

1514

01:09:34,560 --> 01:09:31,420

really and our our aim has been the same

1515

01:09:36,570 --> 01:09:34,570

since 1990 really and that's very very

1516

01:09:39,810 --> 01:09:36,580

good and we work together with so many

1517

01:09:43,100 --> 01:09:39,820

other countries especially through AFU

1518

01:09:46,560 --> 01:09:43,110

to the archives but also to you freedom

1519

01:09:47,610 --> 01:09:46,570

so no I have lots of contacts with with

1520

01:09:51,390 --> 01:09:47,620

people all around the world

1521

01:09:52,680 --> 01:09:51,400

yeah how much of the day did you say

1522

01:09:54,200 --> 01:09:52,690

this takes a couple of hours every

1523

01:09:58,950 --> 01:09:54,210

single day of your life

1524

01:10:00,420 --> 01:09:58,960

yeah wow that's real dedication really

1525

01:10:03,300 --> 01:10:00,430

is because I know where you have to put

1526

01:10:06,240 --> 01:10:03,310

food on the table too and you know you

1527

01:10:10,890 --> 01:10:06,250

know work every one of us has to most of

1528

01:10:13,320 --> 01:10:10,900

us have to work you know and I work

1529

01:10:16,530 --> 01:10:13,330

full-time at newspapers well I write one

1530

01:10:19,280 --> 01:10:16,540

book every year I'm editor of the UFO

1531

01:10:22,410 --> 01:10:19,290

magazine and I gave lots of speeches and

1532

01:10:23,130 --> 01:10:22,420

lots of interviews and trying to do some

1533

01:10:25,890 --> 01:10:23,140

research

1534

01:10:32,040 --> 01:10:25,900

yeah I keep myself busy but I'm old

1535

01:10:35,400 --> 01:10:32,050

alone today as well that's good yeah so

1536

01:10:38,340 --> 01:10:35,410

when a report comes in can you explain

1537

01:10:40,710 --> 01:10:38,350

what what the steps are that you do

1538

01:10:43,650 --> 01:10:40,720

because I'm you know I most people are

1539

01:10:46,470 --> 01:10:43,660

familiar with how MUFON works let's hear

1540

01:10:48,600 --> 01:10:46,480

how your organization works when someone

1541

01:10:51,680 --> 01:10:48,610

comes in what happens when someone

1542

01:10:54,720 --> 01:10:51,690

contacts you okay anyway we work very

1543

01:10:56,460 --> 01:10:54,730

similar at the very beginning and we

1544

01:11:00,870 --> 01:10:56,470

have a website you can report through as

1545

01:11:01,770 --> 01:11:00,880

MUFON does and when it's put there or

1546

01:11:05,580 --> 01:11:01,780

report

1547

01:11:07,950 --> 01:11:05,590

Center hey take care of it start an

1548

01:11:09,839 --> 01:11:07,960

investigation if it's not just a speck

1549

01:11:11,279 --> 01:11:09,849

of light in the sky of course but we

1550

01:11:13,500 --> 01:11:11,289

also get reports through telephone

1551
01:11:17,750 --> 01:11:13,510
through ordinary mail and of course

1552
01:11:21,629 --> 01:11:17,760
through Facebook which is the maybe well

1553
01:11:24,810 --> 01:11:21,639
we at least 25% of all reporting through

1554
01:11:29,310 --> 01:11:24,820
Facebook today I would say so after that

1555
01:11:34,609 --> 01:11:29,320
we dedicate a researcher to do the

1556
01:11:37,290 --> 01:11:34,619
investigation and he or she which we

1557
01:11:40,260 --> 01:11:37,300
educated the field trainee course every

1558
01:11:43,859 --> 01:11:40,270
year since 1977 I think it was we

1559
01:11:46,439 --> 01:11:43,869
started will go out and meet with this

1560
01:11:49,410 --> 01:11:46,449
observer if it is a very interesting

1561
01:11:51,959 --> 01:11:49,420
report if it's not that interesting we

1562
01:11:55,229 --> 01:11:51,969
do telephone into you or or yeah you

1563
01:11:57,890 --> 01:11:55,239

know we have to decide really what would

1564

01:12:02,879 --> 01:11:57,900

they have for him and after all is done

1565

01:12:05,850 --> 01:12:02,889

this is presented before a group that

1566

01:12:08,669 --> 01:12:05,860

takes a closer look at the report and

1567

01:12:10,890 --> 01:12:08,679

says no this was not properly done you

1568

01:12:13,350 --> 01:12:10,900

should do this you should do that or say

1569

01:12:15,390 --> 01:12:13,360

this is very good and it goes back to

1570

01:12:17,700 --> 01:12:15,400

reason to the researcher and he or she

1571

01:12:23,149 --> 01:12:17,710

must do some some new stuff maybe and

1572

01:12:26,520 --> 01:12:23,159

after that the most interesting cases or

1573

01:12:28,379 --> 01:12:26,530

evaluated by a group of scientists we

1574

01:12:30,629 --> 01:12:28,389

have psychologists we have physicist we

1575

01:12:33,510 --> 01:12:30,639

have astronomers it takes a look at the

1576

01:12:37,080 --> 01:12:33,520

very most interesting cases and gives

1577

01:12:40,410 --> 01:12:37,090

their benefit of experience so we can

1578

01:12:45,540 --> 01:12:40,420

get better so and after that you can say

1579

01:12:49,169 --> 01:12:45,550

we may have the UFO maybe in wow that is

1580

01:12:52,770 --> 01:12:49,179

that is really great the process that

1581

01:12:54,810 --> 01:12:52,780

that goes through would you have some

1582

01:12:57,419 --> 01:12:54,820

type of percentage that you would think

1583

01:13:01,950 --> 01:12:57,429

that makes it all the way through to the

1584

01:13:04,140 --> 01:13:01,960

end where it's still unexplained you

1585

01:13:07,290 --> 01:13:04,150

know most of the years we don't have a

1586

01:13:11,910 --> 01:13:07,300

single you of them I think one or two a

1587

01:13:13,680 --> 01:13:11,920

year maybe a very good year but on the

1588

01:13:15,639 --> 01:13:13,690

other hand it's a bad year because we

1589

01:13:20,739 --> 01:13:15,649

can't solve something

1590

01:13:23,439 --> 01:13:20,749

we have real missed that we be better

1591

01:13:25,350 --> 01:13:23,449

maybe we don't have all the facts but

1592

01:13:27,850 --> 01:13:25,360

there are some very very interesting

1593

01:13:30,939 --> 01:13:27,860

cases and I would like to mention one

1594

01:13:32,739 --> 01:13:30,949

yeah I just told you

1595

01:13:35,350 --> 01:13:32,749

with all the scientists and everything

1596

01:13:41,139 --> 01:13:35,360

and we couldn't find a solution to it

1597

01:13:44,199 --> 01:13:41,149

it was in January the 7th 1995 I got a

1598

01:13:47,020 --> 01:13:44,209

letter from the observer and couple of

1599

01:13:50,439 --> 01:13:47,030

years after that and I could meet with

1600

01:13:53,379 --> 01:13:50,449

with her at her house and she told me

1601

01:13:56,649 --> 01:13:53,389

that she was coming back home from from

1602

01:14:01,929 --> 01:13:56,659

work it was around 5:00 in the afternoon

1603

01:14:04,659 --> 01:14:01,939

and she had her husband a couple of 50

1604

01:14:07,509 --> 01:14:04,669

meters away 50 yards away so she yelled

1605

01:14:10,330 --> 01:14:07,519

at him that I will go for a walk he said

1606

01:14:13,649 --> 01:14:10,340

and she went for a short walk but she

1607

01:14:17,229 --> 01:14:13,659

just had walked for maybe 100 meters

1608

01:14:22,119 --> 01:14:17,239

when she saw an object coming through

1609

01:14:25,089 --> 01:14:22,129

the woods very bright light navigating

1610

01:14:28,109 --> 01:14:25,099

through the woods stopping where the

1611

01:14:31,359 --> 01:14:28,119

woods ended it was an open open field

1612

01:14:34,239 --> 01:14:31,369

100 meters between her and this strange

1613

01:14:37,149 --> 01:14:34,249

object and yogi it was ground but it

1614

01:14:42,100 --> 01:14:37,159

turned out to be like an eye after a

1615

01:14:43,779 --> 01:14:42,110

couple of moments or hanging Shiva she

1616

01:14:46,689 --> 01:14:43,789

was frozen she couldn't move she was

1617

01:14:49,569 --> 01:14:46,699

paralyzed she said to me I could only

1618

01:14:52,299 --> 01:14:49,579

stand there I couldn't move a limb after

1619

01:14:55,209 --> 01:14:52,309

why she cannot say how long his eye

1620

01:14:58,089 --> 01:14:55,219

turned out to be a ball of light again

1621

01:15:01,000 --> 01:14:58,099

navigated backwards and she could walk

1622

01:15:03,069 --> 01:15:01,010

and when she came back to her husband he

1623

01:15:05,319 --> 01:15:03,079

had wondered where she went she who had

1624

01:15:07,859 --> 01:15:05,329

been around she had been away for for

1625

01:15:10,959 --> 01:15:07,869

much longer than she usually usually was

1626

01:15:16,149 --> 01:15:10,969

but five days after this event the

1627

01:15:19,659 --> 01:15:16,159

neighbor came to visit and he was told

1628

01:15:22,869 --> 01:15:19,669

this story and he said wow I experienced

1629

01:15:25,209 --> 01:15:22,879

something at 9th at 7:30 the same

1630

01:15:27,989 --> 01:15:25,219

evening I was sitting inside my house

1631

01:15:29,560 --> 01:15:27,999

and it's only from two kilometers away

1632

01:15:32,229 --> 01:15:29,570

inside my

1633

01:15:34,479 --> 01:15:32,239

looking at the TV and suddenly it was a

1634

01:15:35,830 --> 01:15:34,489

bright light outside so I went to the

1635

01:15:39,879 --> 01:15:35,840

window I took a look I thought it was a

1636

01:15:43,089 --> 01:15:39,889

car that then maybe happened to to get

1637

01:15:45,129 --> 01:15:43,099

in in the a well crashed or something

1638

01:15:47,589 --> 01:15:45,139

like that with a headlight turned into

1639

01:15:49,780 --> 01:15:47,599

his house but it was a ball of light

1640

01:15:52,540 --> 01:15:49,790

outside so he went out to take a look at

1641

01:15:55,060 --> 01:15:52,550

that and he moved towards the bolo light

1642

01:15:56,800 --> 01:15:55,070

and he stopped and he thought I will try

1643

01:16:00,729 --> 01:15:56,810

to make a snowball or something and

1644

01:16:04,540 --> 01:16:00,739

throw it we bent down to grab some snow

1645

01:16:06,250 --> 01:16:04,550

and when he was to throw it he froze he

1646

01:16:08,680 --> 01:16:06,260

couldn't move he could just drop it and

1647

01:16:12,390 --> 01:16:08,690

stand up really it means like something

1648

01:16:15,819 --> 01:16:12,400

was controlling him yeah the same thing

1649

01:16:17,800 --> 01:16:15,829

the lady the same same night and

1650

01:16:21,669 --> 01:16:17,810

suddenly this ball of light which was

1651

01:16:23,890 --> 01:16:21,679

only maybe 20 meters from him lift it up

1652

01:16:27,669 --> 01:16:23,900

in the air flew away and when he went

1653

01:16:28,330 --> 01:16:27,679

inside all his television network was

1654

01:16:30,910 --> 01:16:28,340

scrambled

1655

01:16:33,580 --> 01:16:30,920

he got cables that he never had before I

1656

01:16:38,979 --> 01:16:33,590

couldn't get he couldn't understand what

1657

01:16:41,109 --> 01:16:38,989

happened Wow strange case and we we

1658

01:16:42,580 --> 01:16:41,119

couldn't find an explanation and the

1659

01:16:44,050 --> 01:16:42,590

scientists couldn't find an explanation

1660

01:16:49,000 --> 01:16:44,060

to it either

1661

01:16:50,589 --> 01:16:49,010

Wow Wow someone wanted to know I I do

1662

01:16:54,040 --> 01:16:50,599

want to talk about some more cases but

1663

01:16:57,209 --> 01:16:54,050

someone is the second question for some

1664

01:16:59,939 --> 01:16:57,219

reason I got on the Baltic Sea anomaly

1665

01:17:03,220 --> 01:16:59,949

do you know anything about that at all

1666

01:17:06,550 --> 01:17:03,230

yeah yeah I know the guys who are who

1667

01:17:08,680 --> 01:17:06,560

did a dive and I've been involved with I

1668

01:17:11,140 --> 01:17:08,690

mean I interviewed in in a documentary

1669

01:17:13,959 --> 01:17:11,150

about it and I'm very very skeptical

1670

01:17:17,370 --> 01:17:13,969

about all of the stuff really I talked

1671

01:17:20,859 --> 01:17:17,380

to the diver who went there first swell

1672

01:17:27,580 --> 01:17:20,869

yeah I don't think it's nothing to do

1673

01:17:32,260 --> 01:17:27,590

with you first the samples will be broke

1674

01:17:34,149 --> 01:17:32,270

and there are other formations looking

1675

01:17:37,899 --> 01:17:34,159

very much like this if you look around

1676

01:17:40,270 --> 01:17:37,909

the same area so I don't think he's got

1677

01:17:43,149 --> 01:17:40,280

nothing else to do with anything to do

1678

01:17:46,629 --> 01:17:43,159

with UFOs it may be something

1679

01:17:48,850 --> 01:17:46,639

geological interesting maybe but yeah

1680

01:17:53,229 --> 01:17:48,860

they have the money to go back it's very

1681

01:17:55,449 --> 01:17:53,239

very deep it's 80 meters down it's very

1682

01:17:57,759 --> 01:17:55,459

expensive to do the dives to go there

1683

01:18:00,969 --> 01:17:57,769

and those guys have to make a living and

1684

01:18:02,620 --> 01:18:00,979

this is not giving them any monkey so

1685

01:18:04,540 --> 01:18:02,630

they don't do it I know there was

1686

01:18:07,989 --> 01:18:04,550

something off the shore of California

1687

01:18:10,750 --> 01:18:07,999

that people were speculating very

1688

01:18:13,029 --> 01:18:10,760

similar you know that they thought it

1689

01:18:16,870 --> 01:18:13,039

was a crash UFO or something you know

1690

01:18:19,839 --> 01:18:16,880

and but there are a lot of very strange

1691

01:18:22,989 --> 01:18:19,849

natural anomalies out there when it

1692

01:18:25,089 --> 01:18:22,999

comes to formations under the sea I mean

1693

01:18:29,709 --> 01:18:25,099

I read the books about the neutral

1694

01:18:32,949 --> 01:18:29,719

natural phenomena and doing that I

1695

01:18:36,609 --> 01:18:32,959

realized how strange this world is and

1696

01:18:39,640 --> 01:18:36,619

how many unusual and weird things that

1697

01:18:43,719 --> 01:18:39,650

happens around us that are natural this

1698

01:18:46,089 --> 01:18:43,729

is very uncommon and seen by very few so

1699

01:18:47,560 --> 01:18:46,099

I think it's good to be followed is that

1700

01:18:51,250 --> 01:18:47,570

you must also know a lot about

1701

01:18:55,810 --> 01:18:51,260

psychology natural phenomena it was know

1702

01:18:58,239 --> 01:18:55,820

a lot about about history you must read

1703

01:19:03,250 --> 01:18:58,249

a lot I mean just reading your four

1704

01:19:05,649 --> 01:19:03,260

books that's bad for you yeah now can

1705

01:19:09,929 --> 01:19:05,659

you talk about some of the other really

1706

01:19:13,719 --> 01:19:09,939

interesting cases ever unsolved yeah we

1707

01:19:19,709 --> 01:19:13,729

are you investigated the case from 1988

1708

01:19:22,959 --> 01:19:19,719

from August the 28th and the guy who who

1709

01:19:26,169 --> 01:19:22,969

experienced this he he's a very very

1710

01:19:29,140 --> 01:19:26,179

nice guy he went out fishing

1711

01:19:32,229 --> 01:19:29,150

it's the between same north of Stockholm

1712

01:19:35,529 --> 01:19:32,239

not far from here really maybe 200

1713

01:19:38,739 --> 01:19:35,539

kilometers from here he was out there

1714

01:19:43,199 --> 01:19:38,749

very nice day and he he walked out on

1715

01:19:47,699 --> 01:19:43,209

the pier trying to catch some fish

1716

01:19:51,909 --> 01:19:47,709

suddenly he felt weird it was a some

1717

01:19:53,770 --> 01:19:51,919

electrical field had enclosed him came

1718

01:19:56,250 --> 01:19:53,780

around him in a way he couldn't really

1719

01:19:59,009 --> 01:19:56,260

pinpoint his felt

1720

01:20:00,000 --> 01:19:59,019

weary and the air was like filled with

1721

01:20:03,089 --> 01:20:00,010

electricity

1722

01:20:05,609 --> 01:20:03,099

she looked around see what is happening

1723

01:20:09,649 --> 01:20:05,619

what's happening around me and he looked

1724

01:20:14,069 --> 01:20:09,659

up in the sky and by chance he we could

1725

01:20:19,169 --> 01:20:14,079

change out there coming from 80 degrees

1726

01:20:21,810 --> 01:20:19,179

very very high flying down towards the

1727

01:20:25,109 --> 01:20:21,820

lake in front of him with a tremendous

1728

01:20:27,270 --> 01:20:25,119

speed but like a dark diamond I will

1729

01:20:29,779 --> 01:20:27,280

show you a picture here because I have

1730

01:20:34,439 --> 01:20:29,789

it in my booklet it you can see this oh

1731

01:20:37,500 --> 01:20:34,449

yes he stands there and he looks at this

1732

01:20:39,089 --> 01:20:37,510

strange object and you think this will

1733

01:20:42,540 --> 01:20:39,099

crash in the lake

1734

01:20:47,279 --> 01:20:42,550

but one meter above it's changed its

1735

01:20:49,140 --> 01:20:47,289

direction 90 degrees and traveled along

1736

01:20:52,229 --> 01:20:49,150

the lake to the right to him

1737

01:20:54,629 --> 01:20:52,239

which is completely impossible it's

1738

01:20:56,910 --> 01:20:54,639

impossible you cannot do that and the

1739

01:21:01,560 --> 01:20:56,920

speed was impossible and he could follow

1740

01:21:06,209 --> 01:21:01,570

it was flying underneath some the power

1741

01:21:09,709 --> 01:21:06,219

grid that was further away and then it

1742

01:21:12,660 --> 01:21:09,719

was gone but just gone so he put down

1743

01:21:15,149 --> 01:21:12,670

everything that was said he didn't fish

1744

01:21:17,729 --> 01:21:15,159

anymore he went up to the shore and he

1745

01:21:21,930 --> 01:21:17,739

sat down on a stone and then suddenly

1746

01:21:23,160 --> 01:21:21,940

heard a whining sound circling around

1747

01:21:27,319 --> 01:21:23,170

him like this

1748

01:21:34,470 --> 01:21:27,329

the came around like whoa whoa whoa

1749

01:21:36,959 --> 01:21:34,480

closing in but then he stopped yeah he

1750

01:21:40,560 --> 01:21:36,969

didn't tell anyone until 2001 when he

1751

01:21:44,040 --> 01:21:40,570

contacted me so I met with him and in

1752

01:21:47,700 --> 01:21:44,050

2015 we met again and filmed a

1753

01:21:51,330 --> 01:21:47,710

documentary out there on this this pier

1754

01:21:54,689 --> 01:21:51,340

and he told the same story all the time

1755

01:21:57,839 --> 01:21:54,699

and he said I didn't have a clue what it

1756

01:22:00,689 --> 01:21:57,849

was now when this thing was coming down

1757

01:22:03,149 --> 01:22:00,699

in it it stopped immediately and took

1758

01:22:07,620 --> 01:22:03,159

the 90-degree turn a meter above the

1759

01:22:09,180 --> 01:22:07,630

water did it cause any any ripples in

1760

01:22:09,840 --> 01:22:09,190

the water anything did you talk about

1761

01:22:13,610 --> 01:22:09,850

that

1762

01:22:16,140 --> 01:22:13,620

oh so bizarre isn't it

1763

01:22:19,980 --> 01:22:16,150

you have your type mentions there you

1764

01:22:22,740 --> 01:22:19,990

know I mean it wasn't really with him in

1765

01:22:26,760 --> 01:22:22,750

a way it was that but it wasn't really

1766

01:22:28,770 --> 01:22:26,770

there it should him should a ripple the

1767

01:22:31,440 --> 01:22:28,780

water surface of course yeah it should

1768

01:22:34,290 --> 01:22:31,450

have heard a loud bang it was traveling

1769

01:22:37,020 --> 01:22:34,300

that fast that you had you had to make

1770

01:22:39,000 --> 01:22:37,030

her Bank is yeah the the sound barrier

1771

01:22:41,490 --> 01:22:39,010

yeah no nothing

1772

01:22:43,740 --> 01:22:41,500

yeah that's another thing you always

1773

01:22:46,740 --> 01:22:43,750

hear of high speed UFOs but you never

1774

01:22:48,540 --> 01:22:46,750

I've never once heard of someone say it

1775

01:22:52,080 --> 01:22:48,550

breaking the sound barrier making the

1776

01:22:54,450 --> 01:22:52,090

boom no no that's right you know it's a

1777

01:22:56,010 --> 01:22:54,460

shoot of course yeah anything over seven

1778

01:22:58,260 --> 01:22:56,020

hundred and fourteen miles an hour or

1779

01:23:01,410 --> 01:22:58,270

whatever it is that breaks the sound

1780

01:23:04,320 --> 01:23:01,420

barrier and which is really amazing to

1781

01:23:07,710 --> 01:23:04,330

me because you hear of stories of you

1782

01:23:09,960 --> 01:23:07,720

know possibly you know in the multiple

1783

01:23:13,860 --> 01:23:09,970

thousands of miles an hour you know even

1784

01:23:17,460 --> 01:23:13,870

even some on radar yeah yeah which I

1785

01:23:20,010 --> 01:23:17,470

sure I mean that's strange it won't know

1786

01:23:21,840 --> 01:23:20,020

many strange things and and this guy I

1787

01:23:24,090 --> 01:23:21,850

mean I thought of him for many years I'm

1788

01:23:28,230 --> 01:23:24,100

still in contact with him from time to

1789

01:23:32,840 --> 01:23:28,240

time it's the same he doesn't speculate

1790

01:23:41,760 --> 01:23:37,020

bb1 Bombur something when it comes to

1791

01:23:44,790 --> 01:23:41,770

the surface diamond-shaped surface the

1792

01:23:47,220 --> 01:23:44,800

short and that was all he could compare

1793

01:23:52,860 --> 01:23:47,230

with really and there was there was a

1794

01:23:54,960 --> 01:23:52,870

swooshing sound from some way Wow

1795

01:23:56,940 --> 01:23:54,970

yeah and uh you know I've talked to a

1796

01:24:00,330 --> 01:23:56,950

few people who have talked about feeling

1797

01:24:03,120 --> 01:24:00,340

like the electromagnetic or some type of

1798

01:24:05,670 --> 01:24:03,130

pressure or something you hear all these

1799

01:24:10,320 --> 01:24:05,680

different you know they feel something

1800

01:24:12,780 --> 01:24:10,330

going on you know and yeah really

1801

01:24:15,600 --> 01:24:12,790

interesting the better thing is that if

1802

01:24:17,880 --> 01:24:15,610

he had told us this story the day after

1803

01:24:19,680 --> 01:24:17,890

or the same day we could have checked

1804

01:24:22,740 --> 01:24:19,690

what happened with his object when it

1805

01:24:23,690 --> 01:24:22,750

vanished because it was flying towards a

1806

01:24:27,530 --> 01:24:23,700

small village

1807

01:24:28,790 --> 01:24:27,540

hmm the someone there could very well

1808

01:24:32,000 --> 01:24:28,800

have seen it as well

1809

01:24:35,750 --> 01:24:32,010

but we'll never know no probably how

1810

01:24:38,960 --> 01:24:35,760

many years ago was this again 1988 yeah

1811

01:24:39,790 --> 01:24:38,970

yeah oh yeah so now it's quite a few

1812

01:24:44,180 --> 01:24:39,800

years ago

1813

01:24:46,040 --> 01:24:44,190

there's Sweden have any hot spots or has

1814

01:24:51,680 --> 01:24:46,050

there ever been like what you'd call a

1815

01:24:54,290 --> 01:24:51,690

flap yeah there being a few flaps in the

1816

01:24:56,600 --> 01:24:54,300

middle of Sweden it's a total feeling

1817

01:24:59,450 --> 01:24:56,610

called daughter Cornelia they had a

1818

01:25:02,060 --> 01:24:59,460

couple of UFO flaps with the military

1819

01:25:04,300 --> 01:25:02,070

involved as well they were trying to

1820

01:25:08,510 --> 01:25:04,310

find out what happened but I don't think

1821

01:25:10,370 --> 01:25:08,520

anyone did we have some hot spots as

1822

01:25:13,820 --> 01:25:10,380

well where people say that they can see

1823

01:25:15,770 --> 01:25:13,830

things we are went there but I'm very

1824

01:25:18,740 --> 01:25:15,780

very skeptical about it because when we

1825

01:25:21,320 --> 01:25:18,750

took a car and draw the same route

1826
01:25:23,450 --> 01:25:21,330
people pointed at our core is that there

1827
01:25:28,460 --> 01:25:23,460
it is that's a UFO it looks exactly like

1828
01:25:30,530 --> 01:25:28,470
that so I don't think we have any spot

1829
01:25:34,100 --> 01:25:30,540
in Sweden that you really can go to and

1830
01:25:40,720 --> 01:25:34,110
see things for sure you can do to spot

1831
01:25:45,110 --> 01:25:40,730
something you see things yeah yeah now

1832
01:25:45,800 --> 01:25:45,120
would you say that there are any old

1833
01:25:47,420 --> 01:25:45,810
time

1834
01:25:50,750 --> 01:25:47,430
researchers you know way before your

1835
01:25:54,770 --> 01:25:50,760
time that stood out as far as doing work

1836
01:25:57,140 --> 01:25:54,780
in Sweden there is one that you can read

1837
01:25:59,990 --> 01:25:57,150
in English as well his name is just REM

1838
01:26:02,780 --> 01:26:00,000

one at least with books were translated

1839

01:26:04,640 --> 01:26:02,790

into English ghosts are real it's not

1840

01:26:08,360 --> 01:26:04,650

very well known today but he was an

1841

01:26:13,070 --> 01:26:08,370

academic and he was I think that the

1842

01:26:15,770 --> 01:26:13,080

first one that really tried to make us

1843

01:26:17,660 --> 01:26:15,780

false academic in in in a way he treated

1844

01:26:20,990 --> 01:26:17,670

the subject in that way it was it was

1845

01:26:23,120 --> 01:26:21,000

very much ET oriented as well that I

1846

01:26:25,970 --> 01:26:23,130

think was his problem because he didn't

1847

01:26:30,200 --> 01:26:25,980

have really the proof for what he said

1848

01:26:31,850 --> 01:26:30,210

if he hadn't had that with him I think

1849

01:26:34,700 --> 01:26:31,860

there could have been the breakthrough

1850

01:26:37,580 --> 01:26:34,710

already in the 60s when he was most

1851

01:26:39,050 --> 01:26:37,590

prolific he was over a

1852

01:26:41,930 --> 01:26:39,060

the years of age when he started

1853

01:26:43,970 --> 01:26:41,940

interest in UFOs they came from United

1854

01:26:47,740 --> 01:26:43,980

States from work and came back to Sweden

1855

01:26:50,270 --> 01:26:47,750

and then started getting this interest

1856

01:26:52,790 --> 01:26:50,280

so we're very late in his life but he

1857

01:26:56,030 --> 01:26:52,800

was good at documenting he into your

1858

01:26:58,879 --> 01:26:56,040

witnesses put them on paper the people

1859

01:27:01,850 --> 01:26:58,889

laugh and read what he did and his files

1860

01:27:04,790 --> 01:27:01,860

we saved from the dump for really

1861

01:27:07,189 --> 01:27:04,800

because them how his family didn't

1862

01:27:10,040 --> 01:27:07,199

realize the value of it we had asked his

1863

01:27:12,950 --> 01:27:10,050

family it was the two of my friends in

1864

01:27:16,700 --> 01:27:12,960

within a a few that had asked his family

1865

01:27:19,780 --> 01:27:16,710

that could be get his files and sure

1866

01:27:22,580 --> 01:27:19,790

yeah we could but when they came there

1867

01:27:26,750 --> 01:27:22,590

all that was left was a couple of books

1868

01:27:28,459 --> 01:27:26,760

which they considered files so my my

1869

01:27:29,810 --> 01:27:28,469

friends who came along paced around a

1870

01:27:32,270 --> 01:27:29,820

degree and they asked but where are the

1871

01:27:35,990 --> 01:27:32,280

correspondence where are they the UFO

1872

01:27:38,810 --> 01:27:36,000

investigations ah were you interested in

1873

01:27:42,470 --> 01:27:38,820

that as well well put it down in the

1874

01:27:45,800 --> 01:27:42,480

dumpster here a week ago so they ran

1875

01:27:47,890 --> 01:27:45,810

outside and luckily it wasn't empty

1876

01:27:52,839 --> 01:27:47,900

people still there

1877

01:27:56,660 --> 01:27:52,849

Wow yeah I'm sure go ahead

1878

01:27:59,359 --> 01:27:56,670

no a narrow escape I mean yes yeah I'm

1879

01:28:02,080 --> 01:27:59,369

sure you heard about the Project Blue

1880

01:28:06,890 --> 01:28:02,090

Book files that were found on Craigslist

1881

01:28:09,189 --> 01:28:06,900

yeah yeah and that's that's all

1882

01:28:12,229 --> 01:28:09,199

interesting now it seems like your

1883

01:28:15,649 --> 01:28:12,239

organization would be a very good place

1884

01:28:16,339 --> 01:28:15,659

for someone to archive files and things

1885

01:28:19,370 --> 01:28:16,349

like that

1886

01:28:21,680 --> 01:28:19,380

you know because for instance let's just

1887

01:28:24,830 --> 01:28:21,690

say this I sat down had a conversation

1888

01:28:26,959 --> 01:28:24,840

at a conference with Travis Walton just

1889

01:28:29,540 --> 01:28:26,969

chit-chatting and all of a sudden I said

1890

01:28:31,129 --> 01:28:29,550

to him hey did Betty hill ever contact

1891

01:28:33,740 --> 01:28:31,139

you and he goes oh yeah we have a ton of

1892

01:28:35,899 --> 01:28:33,750

letters from Betty hill and I go I saw

1893

01:28:38,930 --> 01:28:35,909

you have letters from Betty hill writing

1894

01:28:41,330 --> 01:28:38,940

to you about your you know and I when I

1895

01:28:45,140 --> 01:28:41,340

hear something like that I all I think

1896

01:28:49,160 --> 01:28:45,150

of is preservation you know I do as well

1897

01:28:50,570 --> 01:28:49,170

I think because there would be that

1898

01:28:51,169 --> 01:28:50,580

would be fascinating reading

1899

01:28:53,229 --> 01:28:51,179

you know if

1900

01:28:56,600 --> 01:28:53,239

to personal it'd be fascinating reading

1901

01:28:59,149 --> 01:28:56,610

that documents you know two major cases

1902

01:29:02,270 --> 01:28:59,159

tied together you know I mean just two

1903

01:29:05,750 --> 01:29:02,280

people Oh paper has been lost I mean we

1904

01:29:09,080 --> 01:29:05,760

are we are sometimes too late I always

1905

01:29:11,660 --> 01:29:09,090

say to people please contact us we are

1906

01:29:14,330 --> 01:29:11,670

we are taking care of anything and

1907

01:29:17,200 --> 01:29:14,340

everything really I mean I got travel

1908

01:29:19,630 --> 01:29:17,210

Europe trying to save stuff all the time

1909

01:29:22,550 --> 01:29:19,640

the things we saved in Eureka California

1910

01:29:24,890 --> 01:29:22,560

last year they were the borderland

1911

01:29:28,419 --> 01:29:24,900

science research foundations paper from

1912

01:29:31,600 --> 01:29:28,429

the 1940s the earth UEFA group in

1913

01:29:35,419 --> 01:29:31,610

America what was he saying that

1914

01:29:38,149 --> 01:29:35,429

borderland Sciences Research Foundation

1915

01:29:41,780 --> 01:29:38,159

I've never heard that one no I mean it

1916

01:29:43,729 --> 01:29:41,790

was in the garage in Eureka I went in

1917

01:29:44,840 --> 01:29:43,739

contact with the guy who held them for

1918

01:29:47,899 --> 01:29:44,850

years

1919

01:29:49,310 --> 01:29:47,909

he posted a film from the beginning

1920

01:29:51,410 --> 01:29:49,320

there were also letters never also

1921

01:29:53,209 --> 01:29:51,420

emails but somebody would like to call

1922

01:29:58,100 --> 01:29:53,219

in two o'clock Swedish time in the life

1923

01:30:01,040 --> 01:29:58,110

he picked up the phone at that time he

1924

01:30:06,500 --> 01:30:01,050

was he was hooked I mean I don't get

1925

01:30:08,479 --> 01:30:06,510

people to to hang up on me when it's um

1926

01:30:10,669 --> 01:30:08,489

something like that happens we went

1927

01:30:14,540 --> 01:30:10,679

there and we brought back everything to

1928

01:30:17,390 --> 01:30:14,550

Sweden now it's it's safe here and we

1929

01:30:19,850 --> 01:30:17,400

are really encouraging people to think

1930

01:30:22,220 --> 01:30:19,860

of any of you before they die because

1931

01:30:25,760 --> 01:30:22,230

when they do the relatives they don't

1932

01:30:26,209 --> 01:30:25,770

value paper much worse yes and throw it

1933

01:30:28,520 --> 01:30:26,219

away

1934

01:30:31,610 --> 01:30:28,530

yeah there's a there's been talk about

1935

01:30:34,610 --> 01:30:31,620

someone like Paul bennewitz for instance

1936

01:30:37,070 --> 01:30:34,620

I'm sure you're familiar with him you

1937

01:30:39,830 --> 01:30:37,080

know what happened to all his you know

1938

01:30:41,630 --> 01:30:39,840

his films his paper his photos and all

1939

01:30:42,080 --> 01:30:41,640

that I know that he he went off the

1940

01:30:44,149 --> 01:30:42,090

rails

1941

01:30:47,330 --> 01:30:44,159

you know toward the end but in the

1942

01:30:50,410 --> 01:30:47,340

beginning he supposedly had some pretty

1943

01:30:53,330 --> 01:30:50,420

interesting things going on there

1944

01:30:56,390 --> 01:30:53,340

there's him there's you know there's

1945

01:30:57,860 --> 01:30:56,400

someone I know that has lots and lots of

1946

01:31:01,400 --> 01:30:57,870

files and

1947

01:31:04,640 --> 01:31:01,410

yeah it is it is a shame you know I'm in

1948

01:31:07,610 --> 01:31:04,650

the fine arts and antiques appraisals

1949

01:31:08,840 --> 01:31:07,620

and I do all that stuff so I I do you

1950

01:31:11,840 --> 01:31:08,850

know that's the first thing I think of

1951

01:31:13,910 --> 01:31:11,850

is not not necessarily the value of

1952

01:31:16,640 --> 01:31:13,920

something but just the fact that you

1953

01:31:19,580 --> 01:31:16,650

know preservation for for all you know

1954

01:31:22,730 --> 01:31:19,590

type of thing the monetary value is also

1955

01:31:25,730 --> 01:31:22,740

not very high right but the historical

1956

01:31:28,940 --> 01:31:25,740

value in the research value I mean I've

1957

01:31:32,540 --> 01:31:28,950

been to United Kingdom I said view fora

1958

01:31:36,170 --> 01:31:32,550

there their entire archives I traced it

1959

01:31:39,320 --> 01:31:36,180

around Great Britain from ten different

1960

01:31:41,780 --> 01:31:39,330

places and I assembled everything he

1961

01:31:44,120 --> 01:31:41,790

brought it to Sweden we scanned it we

1962

01:31:46,730 --> 01:31:44,130

did it ties all their tapes all their

1963

01:31:48,620 --> 01:31:46,740

pictures everything they had I brought

1964

01:31:51,410 --> 01:31:48,630

it back at the conference when they were

1965

01:31:53,600 --> 01:31:51,420

50 years I gave a talk in London again

1966

01:31:57,140 --> 01:31:53,610

in a two terabyte hard drive with all

1967

01:31:59,330 --> 01:31:57,150

their history and I thought this with

1968

01:32:02,120 --> 01:31:59,340

contact international in Britain as well

1969

01:32:05,060 --> 01:32:02,130

Flying Saucer review we have their

1970

01:32:07,340 --> 01:32:05,070

entire archive seen in any of you we

1971

01:32:09,020 --> 01:32:07,350

have so many organisations that we saved

1972

01:32:12,520 --> 01:32:09,030

their files because they are just

1973

01:32:15,740 --> 01:32:12,530

sitting in attics or in even worse in

1974

01:32:18,950 --> 01:32:15,750

basements damp basement right yeah

1975

01:32:20,930 --> 01:32:18,960

that's a killer of all yes yeah I mean

1976

01:32:22,910 --> 01:32:20,940

lifting books from from a floor never

1977

01:32:25,010 --> 01:32:22,920

glued to the floor half of the books

1978

01:32:27,800 --> 01:32:25,020

were still on the floor mainly the box

1979

01:32:32,330 --> 01:32:27,810

yep and the mold you get into mold and

1980

01:32:35,960 --> 01:32:32,340

all that yeah yep now what about did I

1981

01:32:40,310 --> 01:32:35,970

hear did you mention something about the

1982

01:32:44,030 --> 01:32:40,320

wendell stevens collection yeah yes i

1983

01:32:46,190 --> 01:32:44,040

have two large boxes of paperwork from

1984

01:32:49,640 --> 01:32:46,200

wendell stevens down in my basement

1985

01:32:51,680 --> 01:32:49,650

which I will sort before they are going

1986

01:32:56,150 --> 01:32:51,690

through a few we have some more stuff

1987

01:32:59,270 --> 01:32:56,160

coming in as well but that is stuff we

1988

01:33:01,850 --> 01:32:59,280

have to pay for I do understand that

1989

01:33:04,880 --> 01:33:01,860

because the guy yovan's got it and to

1990

01:33:07,700 --> 01:33:04,890

pay for it once and we don't have money

1991

01:33:09,620 --> 01:33:07,710

for that really so we are trying to get

1992

01:33:11,500 --> 01:33:09,630

donations to do things like that but

1993

01:33:14,240 --> 01:33:11,510

that's that's

1994

01:33:16,250 --> 01:33:14,250

yeah it's like that we are saying in

1995

01:33:19,760 --> 01:33:16,260

some part of it but lots of it are still

1996

01:33:22,070 --> 01:33:19,770

with another person in the US who is not

1997

01:33:27,500 --> 01:33:22,080

sharing anything at this moment I'm

1998

01:33:31,850 --> 01:33:27,510

sorry to say but maybe in the future so

1999

01:33:33,320 --> 01:33:31,860

as far as as far as recent cases that's

2000

01:33:36,020 --> 01:33:33,330

one of the things I think I put into

2001
01:33:37,610 --> 01:33:36,030
that would be talking also about more

2002
01:33:42,080 --> 01:33:37,620
recent cases has there been anything

2003
01:33:44,900 --> 01:33:42,090
really interesting going on I mean we

2004
01:33:47,360 --> 01:33:44,910
get lots of pictures because it's summer

2005
01:33:50,510 --> 01:33:47,370
people are all taking pictures but the

2006
01:33:54,590 --> 01:33:50,520
most recent interesting case that I'm

2007
01:33:58,520 --> 01:33:54,600
being involving was from 2016 August the

2008
01:34:02,930 --> 01:33:58,530
6th it's a high strangeness case as well

2009
01:34:06,160 --> 01:34:02,940
I should say but that night the man had

2010
01:34:07,670 --> 01:34:06,170
his wife in town south of Stockholm

2011
01:34:10,490 --> 01:34:07,680
we're out

2012
01:34:12,290 --> 01:34:10,500
they were barbecuing they were looking

2013
01:34:14,959 --> 01:34:12,300

up in the heavens they saw some really

2014

01:34:22,310 --> 01:34:14,969

strange clouds up there I could see

2015

01:34:24,680 --> 01:34:22,320

faces and human beings in the clouds we

2016

01:34:28,040 --> 01:34:24,690

continued for a while but eventually

2017

01:34:31,910 --> 01:34:28,050

they went in into the house but then

2018

01:34:35,470 --> 01:34:31,920

went out again around midnight and then

2019

01:34:38,590 --> 01:34:35,480

they saw some people walking on water

2020

01:34:41,780 --> 01:34:38,600

outside their house it's the small lake

2021

01:34:44,750 --> 01:34:41,790

to see a group of persons that were

2022

01:34:49,310 --> 01:34:44,760

standing on the water on the water on

2023

01:34:55,690 --> 01:34:49,320

the water like Jesus walking towards

2024

01:34:59,420 --> 01:34:55,700

them there is a small wooden area

2025

01:35:01,970 --> 01:34:59,430

they be behind their house and those

2026

01:35:05,050 --> 01:35:01,980

guys came walking towards this wooden

2027

01:35:08,959 --> 01:35:05,060

area and they were really scared so they

2028

01:35:11,270 --> 01:35:08,969

called the police because now in the

2029

01:35:13,850 --> 01:35:11,280

morning and they could see it is one of

2030

01:35:17,390 --> 01:35:13,860

those creatures in one of the trees and

2031

01:35:21,709 --> 01:35:17,400

the police came they brought the dog

2032

01:35:24,050 --> 01:35:21,719

with her and the lady who called us

2033

01:35:24,950 --> 01:35:24,060

there's a couple of hours after this

2034

01:35:28,130 --> 01:35:24,960

happen

2035

01:35:30,710 --> 01:35:28,140

told me that the dog didn't notice

2036

01:35:34,190 --> 01:35:30,720

anything and the policemen couldn't see

2037

01:35:36,620 --> 01:35:34,200

those creatures which both she and her

2038

01:35:39,170 --> 01:35:36,630

husband pointed to answer they are there

2039

01:35:40,550 --> 01:35:39,180

but nobody else could see them you mean

2040

01:35:43,640 --> 01:35:40,560

they could still see them when the

2041

01:35:46,000 --> 01:35:43,650

police officer was there yeah they claim

2042

01:35:48,260 --> 01:35:46,010

that they still could see them Wow

2043

01:35:51,410 --> 01:35:48,270

the police went the way of course

2044

01:35:53,870 --> 01:35:51,420

because what to do yeah they probably

2045

01:35:57,920 --> 01:35:53,880

didn't believe them so they went back to

2046

01:36:01,880 --> 01:35:57,930

the station and they abandoned the house

2047

01:36:04,610 --> 01:36:01,890

they locked the house and they took a

2048

01:36:07,610 --> 01:36:04,620

car and went to a relative and spent the

2049

01:36:12,410 --> 01:36:07,620

night there and called us they called us

2050

01:36:14,600 --> 01:36:12,420

in the morning early morning great

2051

01:36:17,360 --> 01:36:14,610

length with this lady that's what I

2052

01:36:19,640 --> 01:36:17,370

would do like whenever I see a movie

2053

01:36:21,410 --> 01:36:19,650

about ghosts or something I would say I

2054

01:36:23,960 --> 01:36:21,420

just pack up and get the hell out of the

2055

01:36:25,940 --> 01:36:23,970

house right now I wouldn't I wouldn't

2056

01:36:27,410 --> 01:36:25,950

try to make it better or try to you know

2057

01:36:31,690 --> 01:36:27,420

do anything I just get the heck out of

2058

01:36:34,520 --> 01:36:31,700

there now a question in the forum here

2059

01:36:36,470 --> 01:36:34,530

kind of related to this well where we're

2060

01:36:39,770 --> 01:36:36,480

going here it says do you think the UFO

2061

01:36:45,020 --> 01:36:39,780

phenomena is related to other paranormal

2062

01:36:47,630 --> 01:36:45,030

phenomena I think that's the path you

2063

01:36:50,600 --> 01:36:47,640

must investigate there is you almost

2064

01:36:52,340 --> 01:36:50,610

deal with that I think you cannot say

2065

01:36:56,180 --> 01:36:52,350

that this is something is not for us

2066

01:36:59,090 --> 01:36:56,190

because the paranormal and UFOs are in

2067

01:37:01,460 --> 01:36:59,100

many ways connected this when it comes

2068

01:37:04,670 --> 01:37:01,470

to how people tell the stories about

2069

01:37:10,430 --> 01:37:04,680

them I myself I don't distinguish

2070

01:37:15,350 --> 01:37:10,440

between visions of Virgin Mary or trolls

2071

01:37:19,040 --> 01:37:15,360

in the woods or elves or et entities

2072

01:37:23,660 --> 01:37:19,050

aliens they are to me thoughts of the

2073

01:37:30,890 --> 01:37:23,670

same context in a way so yeah I think

2074

01:37:33,320 --> 01:37:30,900

you should be very open my indeed an

2075

01:37:35,710 --> 01:37:33,330

openness of course that's very important

2076

01:37:39,490 --> 01:37:35,720

you cannot close the door here

2077

01:37:42,820 --> 01:37:39,500

right now when we spoke I think three

2078

01:37:44,980 --> 01:37:42,830

three years ago or so I remembered that

2079

01:37:48,760 --> 01:37:44,990

you told me that there have not been too

2080

01:37:51,610 --> 01:37:48,770

many abduction type cases is that still

2081

01:37:54,940 --> 01:37:51,620

the same there yeah it's still the same

2082

01:37:57,730 --> 01:37:54,950

very very very seldom it's not every

2083

01:38:00,550 --> 01:37:57,740

year it's not every second year we do

2084

01:38:06,100 --> 01:38:00,560

get some reports from people that are

2085

01:38:10,690 --> 01:38:06,110

waking up with strange markings on them

2086

01:38:12,730 --> 01:38:10,700

that happens but what what you see in

2087

01:38:15,340 --> 01:38:12,740

the u.s. when it comes to reductions you

2088

01:38:18,940 --> 01:38:15,350

don't see here and that cannot really

2089

01:38:21,180 --> 01:38:18,950

explain why but no and the same goes

2090

01:38:23,650 --> 01:38:21,190

with the Norway and Finland I should say

2091

01:38:28,930 --> 01:38:23,660

Wow isn't that it that's really

2092

01:38:31,930 --> 01:38:28,940

something and there are so many I don't

2093

01:38:35,590 --> 01:38:31,940

even want to say how many thousands of

2094

01:38:38,130 --> 01:38:35,600

people or maybe even more in the United

2095

01:38:41,800 --> 01:38:38,140

States that think something is happening

2096

01:38:43,570 --> 01:38:41,810

but you did tell me if you wouldn't mind

2097

01:38:45,400 --> 01:38:43,580

repeating this because it was like I

2098

01:38:48,640 --> 01:38:45,410

said I think it was three years or more

2099

01:38:50,770 --> 01:38:48,650

ago there was this one case that I

2100

01:38:55,540 --> 01:38:50,780

believe involved a police officer or

2101

01:38:58,650 --> 01:38:55,550

something like that where his wife he

2102

01:39:01,960 --> 01:38:58,660

actually saw something going on woke up

2103

01:39:05,080 --> 01:39:01,970

okay yeah it was not the police it was

2104

01:39:07,720 --> 01:39:05,090

an ordinary guy okay all right don't and

2105

01:39:09,760 --> 01:39:07,730

what you are talking about that is a

2106

01:39:11,890 --> 01:39:09,770

very very strange story because I got a

2107

01:39:14,800 --> 01:39:11,900

letter from from him from the husband

2108

01:39:17,680 --> 01:39:14,810

after he read one of my books and he

2109

01:39:22,270 --> 01:39:17,690

said you must come here and meet with us

2110

01:39:25,630 --> 01:39:22,280

and he explained in some outline the

2111

01:39:29,380 --> 01:39:25,640

story not in detail in his letter but he

2112

01:39:31,810 --> 01:39:29,390

he got be curious so I went there and he

2113

01:39:36,610 --> 01:39:31,820

had he not told his wife I was coming

2114

01:39:39,300 --> 01:39:36,620

which he should so he really really she

2115

01:39:43,090 --> 01:39:39,310

would say anything the first hour or two

2116

01:39:45,700 --> 01:39:43,100

but after a while we she warmed up and

2117

01:39:48,970 --> 01:39:45,710

we talked about many things and she

2118

01:39:49,490 --> 01:39:48,980

decided to share her experience so on

2119

01:39:51,230 --> 01:39:49,500

both of

2120

01:39:53,450 --> 01:39:51,240

told their experience to me and the

2121

01:39:56,240 --> 01:39:53,460

strange thing is that she said to me

2122

01:40:00,160 --> 01:39:56,250

that when I am going to bed I usually

2123

01:40:04,640 --> 01:40:00,170

wake up exactly as I fell asleep I'm not

2124

01:40:05,060 --> 01:40:04,650

tossing around my pillow or sheets or

2125

01:40:08,600 --> 01:40:05,070

anything

2126

01:40:13,780 --> 01:40:08,610

I sleep sound and very good but this

2127

01:40:18,380 --> 01:40:13,790

night she woke up she told me she was

2128

01:40:21,800 --> 01:40:18,390

crumbled like this like if like lying

2129

01:40:24,820 --> 01:40:21,810

with his or her face down towards the

2130

01:40:28,490 --> 01:40:24,830

bed and her knees underneath her chest

2131

01:40:31,160 --> 01:40:28,500

and she was floating she felt that she

2132

01:40:36,290 --> 01:40:31,170

was not touching the bed at all he was

2133

01:40:38,240 --> 01:40:36,300

floating out from the bed and she cannot

2134

01:40:41,150 --> 01:40:38,250

see what was behind her of course but

2135

01:40:44,390 --> 01:40:41,160

the room was illuminated with some sort

2136

01:40:46,160 --> 01:40:44,400

of greenish light and at that time she

2137

01:40:47,810 --> 01:40:46,170

felt ofcourse scared and she tried to

2138

01:40:50,390 --> 01:40:47,820

wake up her husband which he couldn't

2139

01:40:53,090 --> 01:40:50,400

she couldn't cry she couldn't say energy

2140

01:40:57,410 --> 01:40:53,100

could only whisper so she took his arm

2141

01:41:01,010 --> 01:40:57,420

instead and he woke up and he told me

2142

01:41:04,550 --> 01:41:01,020

that I could see my wife in this

2143

01:41:07,160 --> 01:41:04,560

position floating out to watch three

2144

01:41:10,970 --> 01:41:07,170

creatures like from a wiki streamer book

2145

01:41:14,300 --> 01:41:10,980

I should say same black eyes tiny

2146

01:41:16,400 --> 01:41:14,310

nostrils slit her mouth and bald heads

2147

01:41:19,880 --> 01:41:16,410

they were standing behind her and she

2148

01:41:20,900 --> 01:41:19,890

was floating towards them so he thought

2149

01:41:23,570 --> 01:41:20,910

what should I do

2150

01:41:27,080 --> 01:41:23,580

we tried to kick them he tried to kick

2151

01:41:31,100 --> 01:41:27,090

his side his wife and when he did that

2152

01:41:33,380 --> 01:41:31,110

when he tried to do this it was

2153

01:41:38,000 --> 01:41:33,390

completely dark in the room and he heard

2154

01:41:39,650 --> 01:41:38,010

a powerful pounce like this and his wife

2155

01:41:41,780 --> 01:41:39,660

was [h__h] falling on the floor

2156

01:41:43,010 --> 01:41:41,790

and she said I was outside the bed at

2157

01:41:45,590 --> 01:41:43,020

that time wha-ha-ha

2158

01:41:47,180 --> 01:41:45,600

I fell on the floor and if you think

2159

01:41:48,950 --> 01:41:47,190

that is strange the next thing that

2160

01:41:51,680 --> 01:41:48,960

happens is more strange I should say

2161

01:41:55,340 --> 01:41:51,690

because she she goes up in the bed again

2162

01:41:57,890 --> 01:41:55,350

and they talk to each other and say what

2163

01:42:02,780 --> 01:41:57,900

was that I have no idea and they fell

2164

01:42:03,469 --> 01:42:02,790

asleep again I mean he's having burglars

2165

01:42:06,060 --> 01:42:03,479

who have

2166

01:42:09,660 --> 01:42:06,070

anyone into your room you would have

2167

01:42:11,399 --> 01:42:09,670

turned every light yes and you've been

2168

01:42:14,700 --> 01:42:11,409

running around calling the police may be

2169

01:42:17,270 --> 01:42:14,710

looking for your rifle whatever they did

2170

01:42:21,060 --> 01:42:17,280

it next the next day they talked about

2171

01:42:25,319 --> 01:42:21,070

and very very straight and now they are

2172

01:42:28,319 --> 01:42:25,329

divorced which happened I think between

2173

01:42:30,509 --> 01:42:28,329

I told you last time and this time I

2174

01:42:32,850 --> 01:42:30,519

call them again of course I never I

2175

01:42:35,669 --> 01:42:32,860

never left the witness be between

2176

01:42:37,950 --> 01:42:35,679

interesting story the colon again now

2177

01:42:41,069 --> 01:42:37,960

the hem and no there's no sentiment I

2178

01:42:44,009 --> 01:42:41,079

mean I had have no reason to build each

2179

01:42:46,950 --> 01:42:44,019

other stories anymore huh but they tell

2180

01:42:49,709 --> 01:42:46,960

exactly the same story and she said I

2181

01:42:51,689 --> 01:42:49,719

never told this to anyone except my new

2182

01:42:56,700 --> 01:42:51,699

husband but look to my children

2183

01:43:04,319 --> 01:42:56,710

Wow now that that one is that's a great

2184

01:43:07,799 --> 01:43:04,329

story and it seems to me that I've heard

2185

01:43:10,469 --> 01:43:07,809

other people say after they have a major

2186

01:43:12,509 --> 01:43:10,479

sighting that they go right to sleep and

2187

01:43:13,770 --> 01:43:12,519

it doesn't make it it's another thing

2188

01:43:16,259 --> 01:43:13,780

that doesn't make any sense

2189

01:43:18,029 --> 01:43:16,269

you know just like you said if someone

2190

01:43:19,799 --> 01:43:18,039

was trying to break in the house and you

2191

01:43:20,339 --> 01:43:19,809

know I've had that actually happened

2192

01:43:23,310 --> 01:43:20,349

years ago

2193

01:43:25,140 --> 01:43:23,320

and I never slept the whole night you

2194

01:43:30,149 --> 01:43:25,150

know you know I was wide awake lights on

2195

01:43:31,859 --> 01:43:30,159

the whole deal and and I also have said

2196

01:43:34,049 --> 01:43:31,869

on the show in the past and it's because

2197

01:43:36,419 --> 01:43:34,059

the way I feel is like if I have that

2198

01:43:39,299 --> 01:43:36,429

going on in my life I would be a total

2199

01:43:40,469 --> 01:43:39,309

mess you know that really would be you

2200

01:43:42,629 --> 01:43:40,479

know I don't know how I could have

2201
01:43:44,640 --> 01:43:42,639
really function especially these people

2202
01:43:47,600 --> 01:43:44,650
that say that whatever it is is

2203
01:43:50,580 --> 01:43:47,610
happening over and over all the time I

2204
01:43:53,640 --> 01:43:50,590
agree with it must be tremendous

2205
01:43:57,750 --> 01:43:53,650
pressure on those people living with

2206
01:44:01,560 --> 01:43:57,760
fear every night maybe yeah not knowing

2207
01:44:05,700 --> 01:44:01,570
when it's gonna happen again no no yeah

2208
01:44:08,069 --> 01:44:05,710
and so that was several years ago is

2209
01:44:10,890 --> 01:44:08,079
there any other abduction cases that you

2210
01:44:14,219 --> 01:44:10,900
found interesting I know you said to so

2211
01:44:16,290 --> 01:44:14,229
few they also few and most of the

2212
01:44:16,830 --> 01:44:16,300
abduction cases I am not investigated

2213
01:44:19,650 --> 01:44:16,840

there are

2214

01:44:24,210 --> 01:44:19,660

the people in new force weeding that did

2215

01:44:26,160 --> 01:44:24,220

that one that I did not investigate I

2216

01:44:28,830 --> 01:44:26,170

mean I'm a tree Betty you may have told

2217

01:44:33,540 --> 01:44:28,840

you lost time I don't remember but I

2218

01:44:36,690 --> 01:44:33,550

spent a full day with Betty Hill didn't

2219

01:44:38,880 --> 01:44:36,700

know that though it was very very

2220

01:44:42,660 --> 01:44:38,890

interesting because many many aspects

2221

01:44:45,600 --> 01:44:42,670

really because she told me a lot of

2222

01:44:49,010 --> 01:44:45,610

things that you cannot read in books

2223

01:44:54,090 --> 01:44:49,020

about her about her UFO interest before

2224

01:44:57,800 --> 01:44:54,100

the the abduction it was very he had a

2225

01:45:01,500 --> 01:44:57,810

big interest she even saw a UFO crash

2226

01:45:04,980 --> 01:45:01,510

before the abduction haha which is not

2227

01:45:08,730 --> 01:45:04,990

very but many people know that but she

2228

01:45:11,880 --> 01:45:08,740

was with her sister when when she saw

2229

01:45:14,580 --> 01:45:11,890

this strange thing in the sky crashing

2230

01:45:19,140 --> 01:45:14,590

and she went there she brought back with

2231

01:45:23,420 --> 01:45:19,150

her a piece of this cross and that she

2232

01:45:27,690 --> 01:45:23,430

told me that piece she kept in a closet

2233

01:45:28,290 --> 01:45:27,700

inside bornus on her house for a long

2234

01:45:31,610 --> 01:45:28,300

time

2235

01:45:34,490 --> 01:45:31,620

aha until he said she didn't wanted them

2236

01:45:38,610 --> 01:45:34,500

and she took it out in the garden and

2237

01:45:39,570 --> 01:45:38,620

then one day a decay man Laurie with

2238

01:45:42,900 --> 01:45:39,580

gravel or something

2239

01:45:45,270 --> 01:45:42,910

I'm sorry with the with the yeah I'm so

2240

01:45:50,310 --> 01:45:45,280

Tom sand or whatever it was

2241

01:45:53,100 --> 01:45:50,320

and poured it over this object which is

2242

01:45:54,780 --> 01:45:53,110

gone she was still out there in the

2243

01:45:57,900 --> 01:45:54,790

garden when we met with her around me I

2244

01:46:00,300 --> 01:45:57,910

think it was in 1987 I met with her and

2245

01:46:04,650 --> 01:46:00,310

it was still out there she told me I had

2246

01:46:10,230 --> 01:46:04,660

this strange story yes so you were

2247

01:46:12,720 --> 01:46:10,240

actually at her house she baked a cake

2248

01:46:14,910 --> 01:46:12,730

for cake for us and she made a drawing

2249

01:46:16,290 --> 01:46:14,920

of this strange object that doesn't

2250

01:46:22,260 --> 01:46:16,300

really look like the drawings to have

2251

01:46:27,090 --> 01:46:22,270

seen before either and I mean after

2252

01:46:30,360 --> 01:46:27,100

listening to that story I feel that you

2253

01:46:30,830 --> 01:46:30,370

must really deal with the abduction case

2254

01:46:34,010 --> 01:46:30,840

in

2255

01:46:36,950 --> 01:46:34,020

different light as well mm-hmm

2256

01:46:40,220 --> 01:46:36,960

I was uh I was in that I lived in that

2257

01:46:41,960 --> 01:46:40,230

town Portsmouth New Hampshire back when

2258

01:46:45,800 --> 01:46:41,970

you're saying in that whole area for

2259

01:46:49,040 --> 01:46:45,810

many years growing up and everything so

2260

01:46:52,250 --> 01:46:49,050

Wow I'd had no idea that I'm gonna have

2261

01:46:54,020 --> 01:46:52,260

to talk to her niece Kathy Martin about

2262

01:46:56,090 --> 01:46:54,030

that that's just really interesting see

2263

01:46:57,670 --> 01:46:56,100

if she knows anything about the thing in

2264

01:46:59,720 --> 01:46:57,680

the garden she never mentioned it before

2265

01:47:01,880 --> 01:46:59,730

she's been on the show a number of times

2266

01:47:04,100 --> 01:47:01,890

yeah I have to talk to her about it

2267

01:47:07,070 --> 01:47:04,110

nobody meant I have a little tape but

2268

01:47:07,610 --> 01:47:07,080

nobody mentioned yeah yeah that's really

2269

01:47:12,800 --> 01:47:07,620

something

2270

01:47:15,260 --> 01:47:12,810

Wow so I guess you know we're going to

2271

01:47:18,230 --> 01:47:15,270

about we have an about five or seven

2272

01:47:20,810 --> 01:47:18,240

minutes so I guess I'd like to just ask

2273

01:47:25,130 --> 01:47:20,820

you I think we covered all the topics

2274

01:47:29,360 --> 01:47:25,140

that we wanted to and going in through

2275

01:47:32,990 --> 01:47:29,370

all this but one of the the thing that's

2276

01:47:34,970 --> 01:47:33,000

always fascinating is the unexplained

2277

01:47:38,900 --> 01:47:34,980

cases if you can think of anymore that

2278

01:47:40,790 --> 01:47:38,910

have come through your organization yeah

2279

01:47:43,610 --> 01:47:40,800

I mean there were lots of them really

2280

01:47:45,020 --> 01:47:43,620

the yeah well let's hear some some of

2281

01:47:50,330 --> 01:47:45,030

your wanting one or two of your

2282

01:47:57,950 --> 01:47:50,340

favorites one of my favorites I think I

2283

01:48:00,920 --> 01:47:57,960

can call it is from the 19 1977 the

2284

01:48:02,570 --> 01:48:00,930

summer of 1977 when it's the Swedish

2285

01:48:07,220 --> 01:48:02,580

fighter pilot that's one of those

2286

01:48:10,070 --> 01:48:07,230

objects and chased it in in the sky he

2287

01:48:14,300 --> 01:48:10,080

was out flying on a training mission in

2288

01:48:17,300 --> 01:48:14,310

the Baltic area east of Sweden when the

2289

01:48:20,720 --> 01:48:17,310

radar group leader on ground said that

2290

01:48:25,000 --> 01:48:20,730

he could see an unknown object flying

2291

01:48:27,980 --> 01:48:25,010

from east to west he to Sweden really

2292

01:48:30,410 --> 01:48:27,990

this was the Cold War and it happened

2293

01:48:34,370 --> 01:48:30,420

all the time Russians it was Americans

2294

01:48:38,000 --> 01:48:34,380

it was but other other guys was wrong so

2295

01:48:40,640 --> 01:48:38,010

this fighter pilot he turned his his

2296

01:48:44,080 --> 01:48:40,650

aircraft to towards this object and if

2297

01:48:47,680 --> 01:48:44,090

lo directed by the radar leader

2298

01:48:51,189 --> 01:48:47,690

towards the object and when he came in a

2299

01:48:53,410 --> 01:48:51,199

distance of maybe 20 kilometers

2300

01:48:55,899 --> 01:48:53,420

something like that he he got it on his

2301

01:48:59,800 --> 01:48:55,909

radar the board instructor yeah

2302

01:49:03,879 --> 01:48:59,810

we looked along Tommy and at that point

2303

01:49:06,250 --> 01:49:03,889

the object was hovering stationary may I

2304

01:49:09,129 --> 01:49:06,260

be moved moving a little little he

2305

01:49:12,939 --> 01:49:09,139

wasn't sure but mostly stationary

2306

01:49:16,439 --> 01:49:12,949

10 kilometers 10,000 meters over the

2307

01:49:21,250 --> 01:49:16,449

Baltic Sea and then probably the object

2308

01:49:26,830 --> 01:49:21,260

saw him because he started to fly her

2309

01:49:30,430 --> 01:49:26,840

straight up and he followed it he was in

2310

01:49:32,740 --> 01:49:30,440

an angle of 70 degrees wow it's deep

2311

01:49:35,919 --> 01:49:32,750

that's very steep yeah dangerous enough

2312

01:49:39,609 --> 01:49:35,929

sleep can you resist II can stall if you

2313

01:49:42,669 --> 01:49:39,619

don't watch it but he was so interested

2314

01:49:45,370 --> 01:49:42,679

in what this was so he flew after it but

2315

01:49:48,550 --> 01:49:45,380

when he came to tell you around 10

2316

01:49:50,919 --> 01:49:48,560

kilometers he was 12 flown by and he

2317

01:49:54,280 --> 01:49:50,929

said at that point the object was flying

2318

01:49:56,740 --> 01:49:54,290

out into space geez Wow

2319

01:49:59,320 --> 01:49:56,750

and he didn't report it because he said

2320

01:50:02,310 --> 01:49:59,330

to the radar controller on ground ground

2321

01:50:05,379 --> 01:50:02,320

that this was two strange dreams he said

2322

01:50:08,620 --> 01:50:05,389

no it wasn't here it was gone when when

2323

01:50:11,890 --> 01:50:08,630

I came here we went to the base and

2324

01:50:14,680 --> 01:50:11,900

landed and he never reported it really

2325

01:50:17,859 --> 01:50:14,690

but the same ginning he came back to his

2326

01:50:21,820 --> 01:50:17,869

wife and his wife told me that he was

2327

01:50:25,330 --> 01:50:21,830

old he was shattered this was said this

2328

01:50:29,859 --> 01:50:25,340

I saw today it doesn't really it doesn't

2329

01:50:32,080 --> 01:50:29,869

really exist and I talked to him in 1999

2330

01:50:34,149 --> 01:50:32,090

and just a couple of months after my

2331

01:50:36,790 --> 01:50:34,159

interview he was killed in the aircraft

2332

01:50:38,530 --> 01:50:36,800

accident with the helicopter ha I'm

2333

01:50:40,060 --> 01:50:38,540

trying to save people up in the north of

2334

01:50:43,479 --> 01:50:40,070

Sweden and his helicopter were bloke

2335

01:50:46,600 --> 01:50:43,489

blown into the side of a very high

2336

01:50:49,240 --> 01:50:46,610

mountain lemon was so I only have one

2337

01:50:51,160 --> 01:50:49,250

really long into you with him on tape

2338

01:50:54,220 --> 01:50:51,170

Wow

2339

01:50:55,930 --> 01:50:54,230
and we couldn't couldn't put any

2340

01:50:57,289 --> 01:50:55,940
follow-up questions but I've talked to

2341

01:51:00,559 --> 01:50:57,299
everyone around you

2342

01:51:02,719 --> 01:51:00,569
come please squadron leader with the

2343

01:51:06,769 --> 01:51:02,729
other Flyers around him they all work

2344

01:51:09,259 --> 01:51:06,779
for him - very good person but it was

2345

01:51:12,829 --> 01:51:09,269
never put on paper because in every

2346

01:51:19,099 --> 01:51:12,839
cookie now what is the deal with the

2347

01:51:22,009 --> 01:51:19,109
military and and private airline system

2348

01:51:23,599 --> 01:51:22,019
there as far as reporting UFOs is it

2349

01:51:27,919 --> 01:51:23,609
isn't it required anything that's

2350

01:51:30,500 --> 01:51:27,929
dangerous to be reported when I talk to

2351

01:51:32,689 --> 01:51:30,510

his commander of the word he said I

2352

01:51:36,259 --> 01:51:32,699

really would have liked that he had

2353

01:51:39,979 --> 01:51:36,269

reported this yeah and of course people

2354

01:51:43,000 --> 01:51:39,989

do report things as well I mean I take

2355

01:51:46,009 --> 01:51:43,010

pictures I got pictures from Swedish

2356

01:51:48,409 --> 01:51:46,019

airline pilots flying over Kazakhstan

2357

01:51:50,479 --> 01:51:48,419

took pictures of something very very

2358

01:51:54,229 --> 01:51:50,489

strange in this guy which was as I use

2359

01:51:55,819 --> 01:51:54,239

launch turned out to be but I mean they

2360

01:51:58,849 --> 01:51:55,829

see things they take pictures because

2361

01:52:01,369 --> 01:51:58,859

they also have cameras they do that and

2362

01:52:05,629 --> 01:52:01,379

there is of course very much I mean de

2363

01:52:08,649 --> 01:52:05,639

Cannes has investigated aircraft fighter

2364

01:52:12,259 --> 01:52:08,659

pilots in report for many many years

2365

01:52:13,759 --> 01:52:12,269

he knows lots of people he thinks when

2366

01:52:15,649 --> 01:52:13,769

they are flying that's right

2367

01:52:18,949 --> 01:52:15,659

not everyone has the ability to take a

2368

01:52:25,149 --> 01:52:18,959

picture though so what about this pilot

2369

01:52:27,409 --> 01:52:25,159

that took the 70-degree the 78 degree

2370

01:52:30,169 --> 01:52:27,419

what do you call it when he was chasing

2371

01:52:33,979 --> 01:52:30,179

after the UFO did he try to take any

2372

01:52:37,339 --> 01:52:33,989

pictures no I mean this was not an

2373

01:52:39,109 --> 01:52:37,349

aircraft quick with with cameras I see

2374

01:52:41,119 --> 01:52:39,119

and in a fighter jet you don't bring

2375

01:52:42,889 --> 01:52:41,129

your own camera if you don't have I mean

2376

01:52:45,109 --> 01:52:42,899

you have that option of course if you

2377

01:52:48,319 --> 01:52:45,119

are out on a mission like that yeah

2378

01:52:50,419 --> 01:52:48,329

Betina most of the time those things

2379

01:52:53,829 --> 01:52:50,429

happen very quickly I mean I interviewed

2380

01:52:56,179 --> 01:52:53,839

a alitalia pilot an airline pilot from

2381

01:52:59,869 --> 01:52:56,189

battalions Airlines

2382

01:53:02,419 --> 01:52:59,879

Alitalia who met what you can say goes

2383

01:53:05,929 --> 01:53:02,429

rocket over there British channel Wow

2384

01:53:07,699 --> 01:53:05,939

and they were clearly hit by it was only

2385

01:53:10,160 --> 01:53:07,709

couple hundred meter from Nate was

2386

01:53:15,140 --> 01:53:10,170

coming straight to them

2387

01:53:19,220 --> 01:53:15,150

he and his copilot they know it it's to

2388

01:53:22,790 --> 01:53:19,230

be called Heathrow control and they said

2389

01:53:26,419 --> 01:53:22,800

yes we see an object 10 nautical miles

2390

01:53:29,600 --> 01:53:26,429

behind you flying away from you do they

2391

01:53:33,020 --> 01:53:29,610

saw it and he landed and he asked what

2392

01:53:35,060 --> 01:53:33,030

was it and he was told it's probably a

2393

01:53:36,290 --> 01:53:35,070

helicopter or maybe something else is

2394

01:53:39,680 --> 01:53:36,300

that Wow

2395

01:53:41,660 --> 01:53:39,690

wrong altitude wrong size wrong speed

2396

01:53:43,490 --> 01:53:41,670

everything was wrong it wasn't the

2397

01:53:46,189 --> 01:53:43,500

helicopter and the British military

2398

01:53:48,950 --> 01:53:46,199

spent weeks and weeks and weeks and

2399

01:53:51,680 --> 01:53:48,960

eventually produced a report saying this

2400

01:53:55,070 --> 01:53:51,690

was a UFO and it doesn't matter because

2401
01:53:58,160 --> 01:53:55,080
we don't you have no interest in oh yeah

2402
01:53:59,990 --> 01:53:58,170
I always always like that when they

2403
01:54:07,130 --> 01:54:00,000
always say they don't have any interest

2404
01:54:11,240 --> 01:54:07,140
in it do you think it's just because

2405
01:54:13,729 --> 01:54:11,250
it's it can't be explained and you know

2406
01:54:17,450 --> 01:54:13,739
why why bother putting any energy into

2407
01:54:21,919 --> 01:54:17,460
it I mean why else would they you know

2408
01:54:23,720 --> 01:54:21,929
it takes so much time and money yeah do

2409
01:54:27,229 --> 01:54:23,730
it it doesn't give them anything back

2410
01:54:28,490 --> 01:54:27,239
really now you mentioned earlier we only

2411
01:54:31,790 --> 01:54:28,500
have two minutes here but you mentioned

2412
01:54:34,430 --> 01:54:31,800
earlier that you know the military was

2413
01:54:36,590 --> 01:54:34,440

involved and help and even today they

2414

01:54:40,220 --> 01:54:36,600

helped you as far as giving you

2415

01:54:43,729 --> 01:54:40,230

information and sending along people was

2416

01:54:46,970 --> 01:54:43,739

there ever any part of your Air Force

2417

01:54:49,520 --> 01:54:46,980

that got involved in actually doing a

2418

01:54:51,500 --> 01:54:49,530

scientific work you know like we did at

2419

01:54:56,300 --> 01:54:51,510

Project Blue Book and grunge and all

2420

01:54:59,830 --> 01:54:56,310

that yeah no never never never been

2421

01:55:03,350 --> 01:54:59,840

conducted any proper science just

2422

01:55:06,590 --> 01:55:03,360

assembling files nobody else really from

2423

01:55:08,479 --> 01:55:06,600

from the military never really tried to

2424

01:55:11,180 --> 01:55:08,489

make science or movies which it's a

2425

01:55:14,540 --> 01:55:11,190

shame of course yeah should have done

2426

01:55:16,610 --> 01:55:14,550

that so maybe we will do that then

2427

01:55:18,350 --> 01:55:16,620

there's lots of material it's thousands

2428

01:55:21,890 --> 01:55:18,360

and thousands of cases yeah I mean you

2429

01:55:23,660 --> 01:55:21,900

can do it yes and just one last question

2430

01:55:26,270 --> 01:55:23,670

here has anyone

2431

01:55:29,590 --> 01:55:26,280

ever tried to pull a hoax that you're

2432

01:55:34,610 --> 01:55:29,600

aware of yeah I mean just the other week

2433

01:55:37,970 --> 01:55:34,620

Lots it happens they put a picture out

2434

01:55:40,669 --> 01:55:37,980

and on Facebook on our Facebook's page

2435

01:55:43,160 --> 01:55:40,679

and said well I took this picture I saw

2436

01:55:45,470 --> 01:55:43,170

its object it was flying over me it was

2437

01:55:47,540 --> 01:55:45,480

I could see within half a second that it

2438

01:55:51,590 --> 01:55:47,550

wasn't it was a reflection from the Sun

2439

01:55:54,140 --> 01:55:51,600

and I wrote and eventually he he agreed

2440

01:55:57,890 --> 01:55:54,150

and said yeah I was just trying to see

2441

01:56:00,020 --> 01:55:57,900

if you would buy it just checking you

2442

01:56:02,360 --> 01:56:00,030

out all right hey thanks so much class

2443

01:56:05,300 --> 01:56:02,370

has been a real pleasure mmm the very

2444

01:56:07,610 --> 01:56:05,310

same very same and uh see you yes hope

2445

01:56:10,640 --> 01:56:07,620

to meet you someday all right yeah all

2446

01:56:14,419 --> 01:56:10,650

right you take care now you do thank

2447

01:56:16,310 --> 01:56:14,429

okay bye bye alright everyone so thanks

2448

01:56:18,169 --> 01:56:16,320

so much for listening I appreciate it

2449

01:56:20,030 --> 01:56:18,179

and if you were in chat thanks so much

2450

01:56:21,950 --> 01:56:20,040

for hanging out with me live we'll be

2451
01:56:25,130 --> 01:56:21,960
back next week with Peter Robbins and

2452
01:56:27,410 --> 01:56:25,140
we're gonna be talking about Russian

2453
01:56:29,240 --> 01:56:27,420
UFOs for the most part since I'm here in

2454
01:56:32,270 --> 01:56:29,250
Russia he thought he would touch on that

2455
01:56:34,010 --> 01:56:32,280
subject and again we'll be back next

2456
01:56:35,660 --> 01:56:34,020
week and thanks so much also if you're

2457
01:56:38,600 --> 01:56:35,670
listening at this time you are probably

2458
01:56:39,890 --> 01:56:38,610
either listening live or a supporter and

2459
01:56:42,260 --> 01:56:39,900
I appreciate that very much

2460
01:56:47,660 --> 01:56:42,270
and remember to keep your eyes to the
