

1  
00:00:06,769 --> 00:00:05,990  
and it hits me oh my gosh this is that

2  
00:00:07,849 --> 00:00:06,779  
triangle

3  
00:00:08,960 --> 00:00:07,859  
you know there's explanation for

4  
00:00:10,910 --> 00:00:08,970  
everything that occurred in the

5  
00:00:13,280 --> 00:00:10,920  
Rendlesham forest incident didn't

6  
00:00:16,369 --> 00:00:13,290  
involve aliens at all it was completely

7  
00:00:20,179 --> 00:00:16,379  
silent it comes right over our head

8  
00:00:21,830 --> 00:00:20,189  
it's like he's also really standing in

9  
00:00:23,390 --> 00:00:21,840  
the clearing he turned over to my father

10  
00:00:28,730 --> 00:00:23,400  
and held his hand and he looked in his

11  
00:00:30,589 --> 00:00:28,740  
eyes and said we're not alone hello and

12  
00:00:34,790 --> 00:00:30,599  
welcome to the show on Martin Willis

13  
00:00:37,520 --> 00:00:34,800

your host and this is my last couple

14

00:00:39,830 --> 00:00:37,530

days here in Russia so next week the

15

00:00:41,360 --> 00:00:39,840

show will go back to its usual time

16

00:00:44,720 --> 00:00:41,370

that's 8:00 to 10:00 p.m. Eastern

17

00:00:46,160 --> 00:00:44,730

Standard Time I've been happy to be able

18

00:00:49,279 --> 00:00:46,170

to talk to a couple of people that

19

00:00:52,040 --> 00:00:49,289

normally normally I wouldn't be able to

20

00:00:55,310 --> 00:00:52,050

such as our guests today Kevin Goodman

21

00:00:58,160 --> 00:00:55,320

he's in the UK and we're gonna be

22

00:00:59,840 --> 00:00:58,170

talking about the warminster UFO they

23

00:01:02,119 --> 00:00:59,850

used to be called the warminster thing

24

00:01:05,000 --> 00:01:02,129

and so that'll be exciting I got

25

00:01:07,370 --> 00:01:05,010

Alejandro Rojas coming up with the UFO

26  
00:01:09,859 --> 00:01:07,380

with Nick Redfern so gonna start doing

55  
00:02:31,490 --> 00:02:29,970  
the Monday night shows again and thank

56  
00:02:33,230 --> 00:02:31,500  
you for your patience it was just too

57  
00:02:35,810 --> 00:02:33,240  
difficult to do shoe shows here in

58  
00:02:40,250 --> 00:02:35,820  
Russia so I can't wait to get back home

59  
00:02:44,780 --> 00:02:40,260  
to the USA alejandro how are you I am

60  
00:02:47,210 --> 00:02:44,790  
doing well how are you doing great glad

61  
00:02:52,370 --> 00:02:47,220  
to talk you survived another trip I know

62  
00:02:56,690 --> 00:02:52,380  
this one was a long long long long trip

63  
00:02:59,390 --> 00:02:56,700

it was long yes yeah and I really they

64

00:03:01,070 --> 00:02:59,400

don't keep you I know there's people

65

00:03:02,150 --> 00:03:01,080

sending me all kinds of things saying

66

00:03:04,700 --> 00:03:02,160

they're gonna you know they're

67

00:03:07,070 --> 00:03:04,710

contacting TSA to stop me at the airport

68

00:03:09,980 --> 00:03:07,080

and all that I will tell you that Russia

69

00:03:11,570 --> 00:03:09,990

just that what Russia Ministry of travel

70

00:03:15,370 --> 00:03:11,580

just came out with all these new

71

00:03:17,660 --> 00:03:15,380

traveling regulations people are a moon

72

00:03:19,190 --> 00:03:17,670

people are really upset because the

73

00:03:20,810 --> 00:03:19,200

airports are all clogged they're like

74

00:03:23,510 --> 00:03:20,820

doing things like weighing your cell

75

00:03:26,000 --> 00:03:23,520

phone in your laptop and charging you

76

00:03:29,660 --> 00:03:26,010

extra this all just happened two days

77

00:03:32,110 --> 00:03:29,670

ago so there's pictures on the news here

78

00:03:36,050 --> 00:03:32,120

showing you know the airports clogged

79

00:03:38,390 --> 00:03:36,060

everybody's quite flummoxed about the

80

00:03:39,860 --> 00:03:38,400

whole thing so we'll see what happens I

81

00:03:40,940 --> 00:03:39,870

got a dog I got to bring through I'm

82

00:03:44,000 --> 00:03:40,950

wonder if they're gonna weigh the dog

83

00:03:46,220 --> 00:03:44,010

his milk bones and everything well thank

84

00:03:48,680 --> 00:03:46,230

goodness it's a chihuahua I know yeah I

85

00:03:50,240 --> 00:03:48,690

can't can't be too bad with that they

86

00:03:53,540 --> 00:03:50,250

can't charge you more than 20 bucks

87

00:03:55,970 --> 00:03:53,550

Wow I think well they already do charge

88

00:03:57,320 --> 00:03:55,980

about a couple under bucks but yeah I'm

89

00:03:59,479 --> 00:03:57,330

just gonna see what else they're gonna

90

00:04:00,380 --> 00:03:59,489

know like I say they're probably they're

91

00:04:03,380 --> 00:04:00,390

saying they're weighing everything

92

00:04:05,120 --> 00:04:03,390

clothes food and you name it I mean food

93

00:04:07,130 --> 00:04:05,130

that you need for like a baby or

94

00:04:08,930 --> 00:04:07,140

something like that yeah but anyway a

95

00:04:12,770 --> 00:04:08,940

bunch of experts Oh wah wah that's like

96

00:04:15,220 --> 00:04:12,780

20 bucks a pound that's right yeah but

97

00:04:18,440 --> 00:04:15,230

anyway hopefully I'll be stateside

98

00:04:20,210 --> 00:04:18,450

coming this weekend and back to the

99

00:04:22,460 --> 00:04:20,220

listeners starting on the Monday night

100

00:04:24,980 --> 00:04:22,470

show and of course the Wednesday night

101  
00:04:27,110 --> 00:04:24,990  
shows so and I've been really enjoying

102  
00:04:28,520 --> 00:04:27,120  
having you on live Alejandro

103  
00:04:30,290 --> 00:04:28,530  
we usually have to pre-record on

104  
00:04:31,939 --> 00:04:30,300  
Wednesdays so we'll be going back to

105  
00:04:35,510 --> 00:04:31,949  
that so I really appreciate you doing

106  
00:04:36,770 --> 00:04:35,520  
that again no problem you know I'm we

107  
00:04:40,760 --> 00:04:36,780  
might be able to arrange a Zbornak you

108  
00:04:42,290 --> 00:04:40,770  
do live going on forward do so yeah I

109  
00:04:43,969 --> 00:04:42,300  
might you know I'm toying with the idea

110  
00:04:45,980 --> 00:04:43,979  
of changing the time making a little bit

111  
00:04:48,620 --> 00:04:45,990  
earlier to accommodate you to make that

112  
00:04:51,950 --> 00:04:48,630  
happen but we'll all up I might send out

113  
00:04:53,870 --> 00:04:51,960

a or anybody can you know write me an

114

00:04:58,310 --> 00:04:53,880

email with your thoughts on that at

115

00:05:00,140 --> 00:04:58,320

martinet podcast UFO and calm yeah we

116

00:05:01,850 --> 00:05:00,150

can work something and we might be able

117

00:05:03,350 --> 00:05:01,860

to work something out so let's talk ya

118

00:05:04,430 --> 00:05:03,360

wheelchair maybe not you didn't have to

119

00:05:06,529 --> 00:05:04,440

do that all right

120

00:05:10,000 --> 00:05:06,539

okay so what's happening in the UFO

121

00:05:12,890 --> 00:05:10,010

world what's that happenin so I've been

122

00:05:16,400 --> 00:05:12,900

ever since we talked last actually I've

123

00:05:18,560 --> 00:05:16,410

been in Vegas for the most part for the

124

00:05:20,719 --> 00:05:18,570

movements and compose iam frightened

125

00:05:22,310 --> 00:05:20,729

people might be going what but I think I

126

00:05:24,710 --> 00:05:22,320

said this the last show that I decided

127

00:05:26,719 --> 00:05:24,720

to go coaches and the main reason is

128

00:05:28,670 --> 00:05:26,729

that we give them a table at the UFO

129

00:05:30,920 --> 00:05:28,680

Congress and they give us a free table

130

00:05:34,040 --> 00:05:30,930

at their conference and so I decided

131

00:05:36,020 --> 00:05:34,050

that you know it would be kind of silly

132

00:05:37,820 --> 00:05:36,030

to kind of hurt our business or at least

133

00:05:40,820 --> 00:05:37,830

not get out there and tell people about

134

00:05:43,969 --> 00:05:40,830

the Congress if I wasn't out there and

135

00:05:47,240 --> 00:05:43,979

of course my big issue was some of that

136

00:05:49,730 --> 00:05:47,250

the topics and stuff I did felt met of

137

00:05:52,430 --> 00:05:49,740

the criteria that move on should stick

138

00:05:54,050 --> 00:05:52,440

to but that wasn't the only one that

139

00:05:56,450 --> 00:05:54,060

felt that way there were certainly a lot

140

00:06:00,529 --> 00:05:56,460

of people that had come up and shared

141

00:06:02,360 --> 00:06:00,539

their their feelings as well but

142

00:06:03,890 --> 00:06:02,370

regardless it was good I mean it's good

143

00:06:07,159 --> 00:06:03,900

I've got lots of friends at MUFON

144

00:06:08,659 --> 00:06:07,169

there's lots of good people there and we

145

00:06:11,240 --> 00:06:08,669

were able to talk to a meet with a lot

146

00:06:13,339 --> 00:06:11,250

of people so overall I'm really glad

147

00:06:16,129 --> 00:06:13,349

that it went so well that's good I met

148

00:06:17,120 --> 00:06:16,139

hadal mm-hmm oh I was just gonna say I

149

00:06:19,879 --> 00:06:17,130

know there was a little bit of

150

00:06:23,779 --> 00:06:19,889

controversy on the type of speakers they

151  
00:06:25,939 --> 00:06:23,789  
had there and was that Andrew passaggio

152  
00:06:28,070 --> 00:06:25,949  
or however you say his name said they

153  
00:06:30,110 --> 00:06:28,080  
had the actual proof he was gonna give

154  
00:06:32,990 --> 00:06:30,120  
everyone at the show about time travel

155  
00:06:35,000 --> 00:06:33,000  
did that is it is it true is there

156  
00:06:37,459 --> 00:06:35,010  
really time travel Alejandro did you

157  
00:06:39,820 --> 00:06:37,469  
hear that well there wasn't any there

158  
00:06:42,610 --> 00:06:39,830  
were claims that there are

159  
00:06:45,339 --> 00:06:42,620  
time travel but and in fact evening said

160  
00:06:47,499 --> 00:06:45,349  
he you know was part of a training core

161  
00:06:50,050 --> 00:06:47,509  
with Barack Obama who they trained for

162  
00:06:53,080 --> 00:06:50,060  
time travel and traveling to Mars and

163  
00:06:55,689 --> 00:06:53,090

stuff like this and that he and Barack

164

00:06:57,399 --> 00:06:55,699

were you know chosen to be President and

165

00:07:00,520 --> 00:06:57,409

that he's going to be President one day

166

00:07:02,589 --> 00:07:00,530

and a lot of weird stuff essentially

167

00:07:07,029 --> 00:07:02,599

that you know they have block necks

168

00:07:09,159 --> 00:07:07,039

monsters on Mars that he thinks there

169

00:07:11,529 --> 00:07:09,169

may be plasias sores up there you know we

170

00:07:14,260 --> 00:07:11,539

there were a photograph not too long ago

171

00:07:17,409 --> 00:07:14,270

of a rock that looks somewhat maybe

172

00:07:21,580 --> 00:07:17,419

similar if you really squinted your eyes

173

00:07:23,379 --> 00:07:21,590

like I'm sort of dinosaur and he said

174

00:07:26,830 --> 00:07:23,389

that could be the same thing as the Loch

175

00:07:30,520 --> 00:07:26,840

Ness monster so it was some pretty wild

176

00:07:32,920 --> 00:07:30,530

stuff that was black backed up by

177

00:07:35,439 --> 00:07:32,930

nothing but his own anecdotal

178

00:07:38,350 --> 00:07:35,449

information we actually talked for a

179

00:07:41,260 --> 00:07:38,360

little while and he is a nice guy he's

180

00:07:45,159 --> 00:07:41,270

an intelligent person and that's what's

181

00:07:47,110 --> 00:07:45,169

difficult because is he is he where did

182

00:07:49,779 --> 00:07:47,120

he come up with this stuff is the hard

183

00:07:53,200 --> 00:07:49,789

part is he really actively seeking to

184

00:07:54,309 --> 00:07:53,210

fool people but I essentially told me

185

00:07:57,309 --> 00:07:54,319

you know let me know when you have

186

00:07:59,170 --> 00:07:57,319

something of substance and he claims

187

00:08:01,719 --> 00:07:59,180

that died he and Michael Saleh have

188

00:08:03,339 --> 00:08:01,729

enough information to get some

189

00:08:06,040 --> 00:08:03,349

government documents that prove his

190

00:08:09,159 --> 00:08:06,050

stories and I told him why I look

191

00:08:11,050 --> 00:08:09,169

forward to seeing that and and we'll see

192

00:08:12,790 --> 00:08:11,060

what happens I mean I am of course

193

00:08:16,149 --> 00:08:12,800

skeptical he'll be able to produce

194

00:08:19,240 --> 00:08:16,159

anything like that but but yeah just a

195

00:08:21,580 --> 00:08:19,250

lot of wild wild wild claims backed up

196

00:08:24,219 --> 00:08:21,590

by nothing but anecdotal information and

197

00:08:25,869 --> 00:08:24,229

you know um I guess it makes it even

198

00:08:28,360 --> 00:08:25,879

especially difficult for someone like me

199

00:08:30,760 --> 00:08:28,370

because I get and you pile in you as

200

00:08:33,850 --> 00:08:30,770

well I'm sure you know I get emails with

201  
00:08:37,209 --> 00:08:33,860  
wild claims on a regular basis several a

202  
00:08:40,689 --> 00:08:37,219  
week and yet claims are extraordinary I

203  
00:08:42,990 --> 00:08:40,699  
mean really really wild stuff that I

204  
00:08:45,220 --> 00:08:43,000  
couldn't have ever eternal upwe but that

205  
00:08:49,060 --> 00:08:45,230  
but they're just that knowing you know

206  
00:08:51,760 --> 00:08:49,070  
they're just stories from people so yeah

207  
00:08:53,199 --> 00:08:51,770  
Ill think that you know it's good to

208  
00:08:55,840 --> 00:08:53,209  
hold ourselves to a bit of a

209  
00:08:57,730 --> 00:08:55,850  
higher standard on these sort of things

210  
00:08:59,230 --> 00:08:57,740  
so especially move on which is supposed

211  
00:09:03,090 --> 00:08:59,240  
to be a scientific organization

212  
00:09:05,889 --> 00:09:03,100  
according to their mission statement so

213  
00:09:09,730 --> 00:09:05,899

so you know I don't wish anybody any any

214

00:09:11,829 --> 00:09:09,740

ill-will or any or bad but I'm glad that

215

00:09:16,480 --> 00:09:11,839

this is over and hopefully going forward

216

00:09:18,639 --> 00:09:16,490

you know we'll be able to highlight some

217

00:09:19,989 --> 00:09:18,649

work of like some of your guests it

218

00:09:21,639 --> 00:09:19,999

sounds like you have a great guest today

219

00:09:23,439 --> 00:09:21,649

that that's the sort of thing that I

220

00:09:26,559 --> 00:09:23,449

think we should be paying more attention

221

00:09:31,210 --> 00:09:26,569

to right but overall you said you had a

222

00:09:33,429 --> 00:09:31,220

good time and was her definite where

223

00:09:36,609 --> 00:09:33,439

were some of the were there some really

224

00:09:38,799 --> 00:09:36,619

good ufo-related speakers at this show I

225

00:09:40,210 --> 00:09:38,809

I went through the guest list a long

226  
00:09:43,329 --> 00:09:40,220  
time ago and I can't remember who was

227  
00:09:46,650 --> 00:09:43,339  
there well you know Richard Dolan was

228  
00:09:48,879 --> 00:09:46,660  
there of course he's been talking

229  
00:09:52,720 --> 00:09:48,889  
letting people know he's been skeptical

230  
00:09:55,780 --> 00:09:52,730  
of these other claims as well and he did

231  
00:09:58,509 --> 00:09:55,790  
speak on that there were a couple other

232  
00:10:01,600 --> 00:09:58,519  
people Michael schrott was there oh yeah

233  
00:10:03,759 --> 00:10:01,610  
and Michael's great going over different

234  
00:10:06,129 --> 00:10:03,769  
cases although he was kind of arguing

235  
00:10:08,850 --> 00:10:06,139  
look a lot of these cases look like they

236  
00:10:11,919 --> 00:10:08,860  
are probably you know advanced military

237  
00:10:15,429 --> 00:10:11,929  
craft and I think that kind of plays in

238  
00:10:16,960 --> 00:10:15,439

with the theme a bit but still you know

239

00:10:18,999 --> 00:10:16,970

he's not saying this out of nowhere he's

240

00:10:20,919 --> 00:10:19,009

a careful he is a researcher so yeah

241

00:10:23,410 --> 00:10:20,929

he's comparing it to different

242

00:10:26,079 --> 00:10:23,420

technologies and he's made these cool

243

00:10:27,609 --> 00:10:26,089

models I mean he's got like a dozen

244

00:10:29,859 --> 00:10:27,619

different models of different UFO

245

00:10:31,509 --> 00:10:29,869

sightings that he puts at his table and

246

00:10:33,069 --> 00:10:31,519

he even has these things where you can

247

00:10:35,829 --> 00:10:33,079

print them out you can cut them and fold

248

00:10:38,199 --> 00:10:35,839

them and make models of these sightings

249

00:10:41,169 --> 00:10:38,209

yourself so it's super cool stuff

250

00:10:42,639 --> 00:10:41,179

I love Michael's work and I didn't get

251  
00:10:45,549 --> 00:10:42,649  
to see any of the talks because I was

252  
00:10:48,309 --> 00:10:45,559  
busy out at our table but I did talk

253  
00:10:50,230 --> 00:10:48,319  
with Michael quite a bit and about all

254  
00:10:52,689 --> 00:10:50,240  
of those things and that really neat

255  
00:10:57,730 --> 00:10:52,699  
stuff and I saw him do this similar talk

256  
00:10:59,079 --> 00:10:57,740  
recently in Arizona so so that was

257  
00:11:01,329 --> 00:10:59,089  
really neat and I know there are a

258  
00:11:03,610 --> 00:11:01,339  
couple others but I need to go over this

259  
00:11:05,340 --> 00:11:03,620  
and purchase some of the DVDs of some of

260  
00:11:08,520 --> 00:11:05,350  
the others and watch them

261  
00:11:09,900 --> 00:11:08,530  
I didn't know most of the buzz of course

262  
00:11:10,950 --> 00:11:09,910  
was about some of the more spectacular

263  
00:11:15,450 --> 00:11:10,960

stuff

264

00:11:20,040 --> 00:11:15,460

but mm-hmm so all the rest kind of got

265

00:11:22,980 --> 00:11:20,050

washed out kind of so you didn't hear

266

00:11:24,270 --> 00:11:22,990

much about anything but that speakers

267

00:11:26,400 --> 00:11:24,280

sure sure

268

00:11:28,830 --> 00:11:26,410

now listen up I told you just before we

269

00:11:30,870 --> 00:11:28,840

started here that I'm unable I don't

270

00:11:32,430 --> 00:11:30,880

know I was blocked here on your website

271

00:11:35,010 --> 00:11:32,440

last year and I can't get onto your

272

00:11:37,140 --> 00:11:35,020

website so I don't know what's going on

273

00:11:40,530 --> 00:11:37,150

in the UFO world what is there anything

274

00:11:42,570 --> 00:11:40,540

up been happening since last week well

275

00:11:44,670 --> 00:11:42,580

there are some things of course we do

276

00:11:45,900 --> 00:11:44,680

our daily UFO headlines and we've got

277

00:11:47,910 --> 00:11:45,910

quite a few up there and some

278

00:11:49,620 --> 00:11:47,920

interesting stuff but we do have an

279

00:11:53,160 --> 00:11:49,630

interesting exciting that Roger Marsh

280

00:11:55,880 --> 00:11:53,170

gave us it's pretty weird speaking of

281

00:12:00,660 --> 00:11:55,890

weird this sighting was allegedly at

282

00:12:02,340 --> 00:12:00,670

11:24 a.m. on June 25th 2017 and this

283

00:12:05,760 --> 00:12:02,350

was a gentleman who said he was at a

284

00:12:11,000 --> 00:12:05,770

fast-food drive-through in Moorpark

285

00:12:13,350 --> 00:12:11,010

California when he says he saw a cloaked

286

00:12:16,740 --> 00:12:13,360

aircraft that uncloaked

287

00:12:19,890 --> 00:12:16,750

and it had a US Air Force insignia on it

288

00:12:22,860 --> 00:12:19,900

so it's kind of funny Wow said that

289

00:12:25,740 --> 00:12:22,870

Keith saw this crap and he was looking

290

00:12:28,800 --> 00:12:25,750

right at it and his eyes hurt to look at

291

00:12:32,070 --> 00:12:28,810

it he says that he thinks it was using

292

00:12:36,180 --> 00:12:32,080

some kind of neural confusion which is

293

00:12:39,840 --> 00:12:36,190

kind of funny but he said paint and on

294

00:12:43,440 --> 00:12:39,850

the table he could see us AF zero zero

295

00:12:45,420 --> 00:12:43,450

three it was kind of a bright object it

296

00:12:48,390 --> 00:12:45,430

looked like it was around with some sort

297

00:12:51,060 --> 00:12:48,400

of like tail on the end of it he called

298

00:12:54,540 --> 00:12:51,070

it kind of like a cookie pan with some

299

00:12:57,750 --> 00:12:54,550

kind of stabilizer on the back but he

300

00:13:00,420 --> 00:12:57,760

said he looked at it and it was hard to

301  
00:13:02,820 --> 00:13:00,430  
see and had some sort of electromagnetic

302  
00:13:05,310 --> 00:13:02,830  
like disturbance that was going on in

303  
00:13:07,950 --> 00:13:05,320  
the area and it seemed like the cloaking

304  
00:13:09,690 --> 00:13:07,960  
device I kind of turned off and then it

305  
00:13:11,310 --> 00:13:09,700  
turned back on and couldn't see it

306  
00:13:13,620 --> 00:13:11,320  
anymore he said so we saw this thing

307  
00:13:17,580 --> 00:13:13,630  
kind of disappear right in front of his

308  
00:13:18,900 --> 00:13:17,590  
eyes he said it was about 450 feet above

309  
00:13:23,580 --> 00:13:18,910  
the eye 18

310  
00:13:25,530 --> 00:13:23,590  
overpass in Moorpark California so when

311  
00:13:27,440 --> 00:13:25,540  
he drew some illustrations that we have

312  
00:13:29,820 --> 00:13:27,450  
on the siding but this is certainly a

313  
00:13:31,980 --> 00:13:29,830

who I don't remember ever getting a

314

00:13:33,600 --> 00:13:31,990

report like this so this is a weird one

315

00:13:35,550 --> 00:13:33,610

this is something different now what

316

00:13:38,190 --> 00:13:35,560

about you just talked a couple minutes

317

00:13:41,460 --> 00:13:38,200

ago about Michael's rat

318

00:13:46,080 --> 00:13:41,470

this sounds like a case for him to look

319

00:13:47,640 --> 00:13:46,090

into yeah I agree there's not much to

320

00:13:49,620 --> 00:13:47,650

make of it because I mean you don't have

321

00:13:51,630 --> 00:13:49,630

much to go on except with some witness

322

00:13:55,220 --> 00:13:51,640

testimony and pictures and it the

323

00:13:57,240 --> 00:13:55,230

pictures do not look like anything that

324

00:13:58,770 --> 00:13:57,250

you know looks like something that

325

00:14:01,620 --> 00:13:58,780

should be in the air in fact it looks

326

00:14:05,340 --> 00:14:01,630

kind of like have a bomb like a really

327

00:14:08,880 --> 00:14:05,350

old circular with like this tail on one

328

00:14:12,300 --> 00:14:08,890

side kind of like first nukes or

329

00:14:14,430 --> 00:14:12,310

something like that so so it's kind of a

330

00:14:18,630 --> 00:14:14,440

weird shape of course this person could

331

00:14:20,220 --> 00:14:18,640

just be messing with everybody and MUFON

332

00:14:23,460 --> 00:14:20,230

is looking into it so we'll see what

333

00:14:25,590 --> 00:14:23,470

they find out about yeah it's it's

334

00:14:29,750 --> 00:14:25,600

something different that's for sure

335

00:14:32,700 --> 00:14:29,760

Wow yeah and so what else is happening

336

00:14:34,380 --> 00:14:32,710

what else I just one other story I'd

337

00:14:36,780 --> 00:14:34,390

like to just kind of mention and this is

338

00:14:40,710 --> 00:14:36,790

from dr. Don Farkas and he's a Pisa

339

00:14:42,840 --> 00:14:40,720

wrote the book UFOs over Romania and he

340

00:14:44,790 --> 00:14:42,850

wrote an article for us that I think is

341

00:14:46,590 --> 00:14:44,800

really interesting essentially he was

342

00:14:49,530 --> 00:14:46,600

like you know everybody's talking about

343

00:14:52,170 --> 00:14:49,540

ETS and and all of these these different

344

00:14:54,570 --> 00:14:52,180

explanations kind of like that aliens

345

00:14:56,850 --> 00:14:54,580

are just people from another planet and

346

00:14:59,790 --> 00:14:56,860

he's saying hey we can't forget the work

347

00:15:01,740 --> 00:14:59,800

of Jacques Vallee and others who feel

348

00:15:05,900 --> 00:15:01,750

that there could be some other answers

349

00:15:08,220 --> 00:15:05,910

out there and these other ideas hyper

350

00:15:10,890 --> 00:15:08,230

civilisations so what he's kind of

351

00:15:14,040 --> 00:15:10,900

saying is it could be something that is

352

00:15:17,340 --> 00:15:14,050

beyond our comprehension that you know

353

00:15:20,100 --> 00:15:17,350

these things could be not material

354

00:15:22,860 --> 00:15:20,110

coming from you know possibly coming

355

00:15:24,720 --> 00:15:22,870

from other dimensions or just other

356

00:15:26,970 --> 00:15:24,730

types of life that that we are not

357

00:15:28,920 --> 00:15:26,980

familiar with so it's a really

358

00:15:32,310 --> 00:15:28,930

interesting article that get you

359

00:15:32,610 --> 00:15:32,320

thinking about alternatives to the extra

360

00:15:34,800 --> 00:15:32,620

tour

361

00:15:36,630 --> 00:15:34,810

draw hypotheses so I think people will

362

00:15:38,940 --> 00:15:36,640

find that interesting so far it looks

363

00:15:42,660 --> 00:15:38,950

like readers have there's been a few

364

00:15:44,400 --> 00:15:42,670

comments there so so yeah I would invite

365

00:15:47,820 --> 00:15:44,410

people to check that out and Lesley that

366

00:15:51,470 --> 00:15:47,830

on the front page of open minds that TV

367

00:15:55,770 --> 00:15:51,480

hey Alejandra have you heard about this

368

00:16:01,080 --> 00:15:55,780

this new campaign to launch of what is

369

00:16:03,480 --> 00:16:01,090

being called as laser SETI I mean I've

370

00:16:06,890 --> 00:16:03,490

heard I mean there's been talk about

371

00:16:10,560 --> 00:16:06,900

this laser said anything over the years

372

00:16:12,570 --> 00:16:10,570

and for a long time I mean even since

373

00:16:14,100 --> 00:16:12,580

the beginning of SETI practically when

374

00:16:16,560 --> 00:16:14,110

they talked about different ways they

375

00:16:20,610 --> 00:16:16,570

might be able to communicate or find

376

00:16:22,950 --> 00:16:20,620

communication so I know it's some other

377

00:16:24,990 --> 00:16:22,960

type of of course we didn't have the

378

00:16:27,180 --> 00:16:25,000

technology back then to do it so much

379

00:16:29,100 --> 00:16:27,190

and now you know there's been a lot of

380

00:16:32,550 --> 00:16:29,110

talk about hey this could be something

381

00:16:35,310 --> 00:16:32,560

that they're using yeah they're know

382

00:16:37,380 --> 00:16:35,320

they're trying to launch up and I just

383

00:16:41,250 --> 00:16:37,390

I'm sorry to interrupt you there you

384

00:16:44,850 --> 00:16:41,260

know I just saw I saw on IndieGoGo I get

385

00:16:46,050 --> 00:16:44,860

you know email alerts from them and so

386

00:16:50,880 --> 00:16:46,060

they're launching a campaign

387

00:16:54,450 --> 00:16:50,890

a GoFundMe type of situation and I think

388

00:16:56,670 --> 00:16:54,460

they're about halfway into the campaign

389

00:16:57,330 --> 00:16:56,680

and these things are going to be

390

00:17:01,410 --> 00:16:57,340

distributed

391

00:17:04,980 --> 00:17:01,420

you know worldwide and looking for

392

00:17:07,950 --> 00:17:04,990

signals worldwide I mean in a scope of

393

00:17:10,530 --> 00:17:07,960

360 degrees and not just one area of the

394

00:17:13,110 --> 00:17:10,540

sky so it's gonna it's really

395

00:17:16,770 --> 00:17:13,120

interesting I sent a note out to seth

396

00:17:19,770 --> 00:17:16,780

shostack to see if he's up for talking

397

00:17:21,690 --> 00:17:19,780

about it we'll see what happens but I

398

00:17:24,650 --> 00:17:21,700

know they're starting to move forward

399

00:17:27,480 --> 00:17:24,660

with the ideas what what I'm seeing yeah

400

00:17:31,350 --> 00:17:27,490

and I didn't realize that the idea had

401  
00:17:35,100 --> 00:17:31,360  
been around for a long time yeah yeah so

402  
00:17:36,870 --> 00:17:35,110  
interesting yet that it's tones again

403  
00:17:39,690 --> 00:17:36,880  
though still it's using technologies

404  
00:17:42,960 --> 00:17:39,700  
that you know and kind of to do dr.

405  
00:17:45,180 --> 00:17:42,970  
Farkas is point it's using technologies

406  
00:17:46,610 --> 00:17:45,190  
that were aware of and in this case yes

407  
00:17:48,340 --> 00:17:46,620  
just a couple technology

408  
00:17:50,830 --> 00:17:48,350  
when there's so many different

409  
00:17:55,549 --> 00:17:50,840  
possibilities out there I mean recently

410  
00:17:57,740 --> 00:17:55,559  
they were able to buy locate a photon so

411  
00:17:59,690 --> 00:17:57,750  
essentially they're talking about Oh a

412  
00:18:02,600 --> 00:17:59,700  
teleporter has been made but that they

413  
00:18:04,910 --> 00:18:02,610

were able to tell us instantaneously a

414

00:18:08,720 --> 00:18:04,920

photon from one area to another so I

415

00:18:10,430 --> 00:18:08,730

mean quantum communications is something

416

00:18:12,470 --> 00:18:10,440

that people have talked about using that

417

00:18:14,390 --> 00:18:12,480

technology because of course it's one

418

00:18:17,450 --> 00:18:14,400

photons one small little thing but if

419

00:18:19,190 --> 00:18:17,460

you could use that to do bits and bytes

420

00:18:21,620 --> 00:18:19,200

and stuff like you know it's easier to

421

00:18:25,010 --> 00:18:21,630

use that sort of technology for actual

422

00:18:29,780 --> 00:18:25,020

communication instead of actual instead

423

00:18:31,400 --> 00:18:29,790

of physical material so I know in and

424

00:18:33,260 --> 00:18:31,410

that could be and people have talked

425

00:18:35,270 --> 00:18:33,270

about this in SETI as well it could be

426

00:18:37,549 --> 00:18:35,280

some sort of technology like that that

427

00:18:39,470 --> 00:18:37,559

is still beyond our grasp but is

428

00:18:41,120 --> 00:18:39,480

something we haven't developed or

429

00:18:44,410 --> 00:18:41,130

perhaps even a conceit haven't even

430

00:18:47,320 --> 00:18:44,420

conceived of yet I believe that I

431

00:18:49,640 --> 00:18:47,330

believe you're 100% on target with that

432

00:18:52,940 --> 00:18:49,650

there's so many you know it's better

433

00:18:55,310 --> 00:18:52,950

than doing nothing but it is I agree

434

00:18:57,230 --> 00:18:55,320

but because it could be some way word

435

00:18:59,930 --> 00:18:57,240

signal you know that wasn't maybe even

436

00:19:02,390 --> 00:18:59,940

intended tonight necessarily be a

437

00:19:05,299 --> 00:19:02,400

message now success szostak will say it

438

00:19:08,360 --> 00:19:05,309

takes so much energy to blast you know

439

00:19:11,299 --> 00:19:08,370

signals out that if there was a signal

440

00:19:13,250 --> 00:19:11,309

that came to us then it was probably

441

00:19:15,590 --> 00:19:13,260

intentional but it would have taken a

442

00:19:17,930 --> 00:19:15,600

ton of energy so it's likely that if we

443

00:19:21,320 --> 00:19:17,940

receive a signal then it was intended

444

00:19:23,240 --> 00:19:21,330

for us for that reason but who knows it

445

00:19:26,720 --> 00:19:23,250

could be you know something flying by

446

00:19:29,360 --> 00:19:26,730

that releases some sort of errant signal

447

00:19:30,620 --> 00:19:29,370

that we're able to detect that's what

448

00:19:34,640 --> 00:19:30,630

the WoW signal could have been who knows

449

00:19:37,100 --> 00:19:34,650

yeah and we we may develop a different

450

00:19:41,450 --> 00:19:37,110

way of detecting as far as space

451  
00:19:44,240 --> 00:19:41,460  
telescopes go you know satellite you

452  
00:19:48,440 --> 00:19:44,250  
know type of technology down the road

453  
00:19:52,010 --> 00:19:48,450  
where we can possibly detect life in

454  
00:19:54,560 --> 00:19:52,020  
other ways on you know planets somehow

455  
00:19:56,000 --> 00:19:54,570  
as our technology gains that'll have

456  
00:19:59,410 --> 00:19:56,010  
nothing to do with anything SETI has

457  
00:20:02,180 --> 00:19:59,420  
been trying to attempt

458  
00:20:04,280 --> 00:20:02,190  
mm-hmm so these are all things this is

459  
00:20:08,990 --> 00:20:04,290  
all speculation but you know things that

460  
00:20:11,300 --> 00:20:09,000  
could have that right yeah so right

461  
00:20:12,680 --> 00:20:11,310  
right I guess so do you have any more

462  
00:20:15,490 --> 00:20:12,690  
anything else you'd like to talk about

463  
00:20:18,650 --> 00:20:15,500

real quickly before we say goodnight I

464

00:20:20,960 --> 00:20:18,660

know that's about it but looking forward

465

00:20:24,650 --> 00:20:20,970

to having you back in the States my

466

00:20:26,630 --> 00:20:24,660

friend oh so am i and I said good night

467

00:20:28,910 --> 00:20:26,640

it's it's night here in Russia it's

468

00:20:30,890 --> 00:20:28,920

morning where you're at and who knows

469

00:20:33,740 --> 00:20:30,900

what time it is where any of the live

470

00:20:37,220 --> 00:20:33,750

listeners are so thanks so much hala Han

471

00:20:39,100 --> 00:20:37,230

Dro yep thank you and have a great job

472

00:20:41,390 --> 00:20:39,110

all right I'll talk to you on Monday

473

00:20:46,400 --> 00:20:41,400

thank you later all right

474

00:20:50,210 --> 00:20:46,410

so our guests coming up is his Kevin

475

00:20:54,890 --> 00:20:50,220

Goodman now Kevin was on our show boy I

476

00:21:00,680 --> 00:20:54,900

want to say back in 2 3 2013 I believe

477

00:21:02,960 --> 00:21:00,690

it was and he actually had a sighting at

478

00:21:05,570 --> 00:21:02,970

warminster and we're gonna be talking

479

00:21:08,330 --> 00:21:05,580

about that I hope you have taken a

480

00:21:11,510 --> 00:21:08,340

little bit of time to research this is

481

00:21:12,860 --> 00:21:11,520

quite an interesting flap that was going

482

00:21:15,320 --> 00:21:12,870

on and we're gonna be talking about a

483

00:21:18,050 --> 00:21:15,330

number of things so Kevin how are you

484

00:21:19,940 --> 00:21:18,060

welcome to the show again thank you very

485

00:21:21,470 --> 00:21:19,950

much Marty no I'm fine thank you caught

486

00:21:22,910 --> 00:21:21,480

with my underwear down because I

487

00:21:24,260 --> 00:21:22,920

obviously I said to you earlier I

488

00:21:26,150 --> 00:21:24,270

thought this was going out on Saturday

489

00:21:29,390 --> 00:21:26,160

and of course it's now going out today

490

00:21:31,850 --> 00:21:29,400

yes that's that's no problem

491

00:21:33,860 --> 00:21:31,860

I'm just glad you could you could do

492

00:21:36,770 --> 00:21:33,870

it you didn't make any plans and here we

493

00:21:38,660 --> 00:21:36,780

are so we did your room looks a little

494

00:21:42,140 --> 00:21:38,670

dark that's it though you can't do

495

00:21:45,140 --> 00:21:42,150

anything about that sadly not and

496

00:21:46,820 --> 00:21:45,150

personally oh yeah sorry that's okay

497

00:21:50,230 --> 00:21:46,830

we'll just we'll just continue the way

498

00:21:53,210 --> 00:21:50,240

it is which is fine so Kevin can you

499

00:21:56,240 --> 00:21:53,220

give your background be your basic

500

00:21:58,990 --> 00:21:56,250

background so the listener who may not

501  
00:22:00,920 --> 00:21:59,000  
be familiar with you can get to know you

502  
00:22:02,680 --> 00:22:00,930  
well there are a lot of people that

503  
00:22:04,820 --> 00:22:02,690  
aren't familiar with me to be honest I

504  
00:22:08,120 --> 00:22:04,830  
was brought up a good little Catholic

505  
00:22:11,270 --> 00:22:08,130  
boy I went to a Catholic junior school

506  
00:22:13,310 --> 00:22:11,280  
and I have the religion rammed down my

507  
00:22:15,980 --> 00:22:13,320  
throat basically and so

508  
00:22:18,110 --> 00:22:15,990  
at the age of nine when I rebelled you

509  
00:22:19,549 --> 00:22:18,120  
know not in any sort of violent way or

510  
00:22:21,409 --> 00:22:19,559  
anything like that but I started to

511  
00:22:23,930 --> 00:22:21,419  
question the teachings of the church and

512  
00:22:27,529 --> 00:22:23,940  
because I was a child of the space age

513  
00:22:29,720 --> 00:22:27,539

then obviously my eyes tended to go more

514

00:22:33,049 --> 00:22:29,730

heavenwards so many interesting you pose

515

00:22:36,830 --> 00:22:33,059

be young then um so how young would you

516

00:22:40,070 --> 00:22:36,840

say that you as you were interested in

517

00:22:43,249 --> 00:22:40,080

the topic I would say from about nine or

518

00:22:45,169 --> 00:22:43,259

ten years of age onwards Wow now for any

519

00:22:46,940 --> 00:22:45,179

particular reason did anyone in your

520

00:22:49,789 --> 00:22:46,950

family have a sighting or anything like

521

00:22:52,399 --> 00:22:49,799

that or what do you remember what it was

522

00:22:53,200 --> 00:22:52,409

that made you fascinated in it to begin

523

00:22:56,869 --> 00:22:53,210

with

524

00:23:00,259 --> 00:22:56,879

well no as I said my family were quite

525

00:23:04,009 --> 00:23:00,269

strict Catholic so any thoughts of God

526

00:23:06,710 --> 00:23:04,019

is a spaceman they're sort of almost

527

00:23:09,919 --> 00:23:06,720

looked upon as being heresy but my eye

528

00:23:11,389 --> 00:23:09,929

my father used to get a daily paper in

529

00:23:14,509 --> 00:23:11,399

this country called the Daily Mirror I

530

00:23:16,669 --> 00:23:14,519

think it was in the mirror that some

531

00:23:18,740 --> 00:23:16,679

excerpts from Erich von Daniken's

532

00:23:20,659 --> 00:23:18,750

chariots the gods ha ha

533

00:23:26,090 --> 00:23:20,669

was serialized and of course immediately

534

00:23:28,970 --> 00:23:26,100

that struck a chord with me Wow and and

535

00:23:33,289 --> 00:23:28,980

you did you start reading regular UFO

536

00:23:36,440 --> 00:23:33,299

books entered a young age not straight

537

00:23:38,180 --> 00:23:36,450

away I mean I know this sort of almost

538

00:23:41,379 --> 00:23:38,190

contradicts what I said about my parents

539

00:23:43,820 --> 00:23:41,389

but my father actually was given a book

540

00:23:48,409 --> 00:23:43,830

by one of his workmates and it was

541

00:23:51,320 --> 00:23:48,419

called the UFO reader by Jay David which

542

00:23:54,470 --> 00:23:51,330

was a sort of anthology of various UFO

543

00:23:56,509 --> 00:23:54,480

cases and I devoured it and from that

544

00:23:58,159 --> 00:23:56,519

day onwards if I could go to the local

545

00:24:00,680 --> 00:23:58,169

library when I was old enough I would

546

00:24:04,789 --> 00:24:00,690

but you know borrow any books on the UFO

547

00:24:10,070 --> 00:24:04,799

phenomena could find Wow okay and now

548

00:24:12,080 --> 00:24:10,080

the warminster UFO you kind of took the

549

00:24:16,460 --> 00:24:12,090

reins on that one can you talk about how

550

00:24:20,269 --> 00:24:16,470

all that happened yeah well as I said

551  
00:24:22,519 --> 00:24:20,279  
you know I was basically both borrowing

552  
00:24:25,659 --> 00:24:22,529  
books from the library and then in the

553  
00:24:26,920 --> 00:24:25,669  
early to mid 1970s in England a

554  
00:24:30,280 --> 00:24:26,930  
publishing come

555  
00:24:32,200 --> 00:24:30,290  
they called tandem started to reprint in

556  
00:24:35,680 --> 00:24:32,210  
paperback a lot of the old classic UFO

557  
00:24:44,890 --> 00:24:35,690  
books people like Brad Steiger brings on

558  
00:24:48,670 --> 00:24:44,900  
the poet wrenched on ke ho whoops we

559  
00:24:53,110 --> 00:24:48,680  
have it looks like we have a Skype

560  
00:24:56,140 --> 00:24:53,120  
freeze here let me see what I can do I

561  
00:24:58,900 --> 00:24:56,150  
might have to hang in everybody live we

562  
00:25:01,960 --> 00:24:58,910  
are definitely having problems with the

563  
00:25:04,300 --> 00:25:01,970

internet here this is satellite internet

564

00:25:07,090 --> 00:25:04,310

here in Russia and I apologize for that

565

00:25:10,530 --> 00:25:07,100

but I think it's on Kevin's end so I'm

566

00:25:13,570 --> 00:25:10,540

going to I'm gonna try to hang up and

567

00:25:17,920 --> 00:25:13,580

give them a call back so hang in there

568

00:25:27,400 --> 00:25:17,930

everyone listening live and we'll get

569

00:25:34,960 --> 00:25:27,410

this going again here okay and I know

570

00:25:37,570 --> 00:25:34,970

that Kevin is on a London Wi-Fi I

571

00:25:44,350 --> 00:25:37,580

believe it's public Wi-Fi that just goes

572

00:25:47,440 --> 00:25:44,360

out but it's been up it has been working

573

00:25:50,140 --> 00:25:47,450

really well for him according to him now

574

00:25:56,750 --> 00:25:50,150

it's not working but we'll give it we'll

575

00:26:11,690 --> 00:26:07,960

all right so he is not picking up so

576

00:26:14,870 --> 00:26:11,700

what do I do in a case like this all

577

00:26:18,110 --> 00:26:14,880

right I I'm gonna wait a minute I'll try

578

00:26:21,110 --> 00:26:18,120

if you're in the chat room and you'd

579

00:26:24,230 --> 00:26:21,120

like to give a call to the show and talk

580

00:26:27,799 --> 00:26:24,240

about either a UFO sighting I see Mike

581

00:26:31,010 --> 00:26:27,809

you just posted something in the chat if

582

00:26:34,730 --> 00:26:31,020

you want to give a call dial either my

583

00:26:39,200 --> 00:26:34,740

skype name which is marty willis that's

584

00:26:41,419 --> 00:26:39,210

ma RT y wi ll is you can go ahead and

585

00:26:46,970 --> 00:26:41,429

Skype that or if you'd like to call

586

00:26:49,190 --> 00:26:46,980

that's 603 nine six seven four oh three

587

00:26:52,669 --> 00:26:49,200

oh and if you're listening live please

588

00:26:55,250 --> 00:26:52,679

do give a call talk about a sighting or

589

00:26:58,700 --> 00:26:55,260

just just any topic you'd like to chat

590

00:27:02,240 --> 00:26:58,710

about go ahead and I will try Kevin one

591

00:27:04,880 --> 00:27:02,250

more time here and see if I can get them

592

00:27:08,659 --> 00:27:04,890

back on but please do feel free to

593

00:27:10,190 --> 00:27:08,669

either call or skype in because I really

594

00:27:14,950 --> 00:27:10,200

don't want to cancel this show if I

595

00:27:19,220 --> 00:27:14,960

don't have to all right

596

00:27:22,159 --> 00:27:19,230

so Kevin is not answering so go ahead

597

00:27:23,480 --> 00:27:22,169

and if you want to call in or even you

598

00:27:26,750 --> 00:27:23,490

know just throw with something on the

599

00:27:33,970 --> 00:27:26,760

chat if you'd like a question to talk

600

00:27:36,770 --> 00:27:33,980

about I have been here in Russia now for

601  
00:27:39,470 --> 00:27:36,780  
44 days I think it's been and I've been

602  
00:27:41,240 --> 00:27:39,480  
looking for local people it's hard to

603  
00:27:42,740 --> 00:27:41,250  
strike up a conversation about UFOs

604  
00:27:45,200 --> 00:27:42,750  
never mind

605  
00:27:48,919 --> 00:27:45,210  
it's finding someone that speaks English

606  
00:27:50,450 --> 00:27:48,929  
I've only in the 44 days that have been

607  
00:27:53,480 --> 00:27:50,460  
here I think that's only happened a

608  
00:27:55,370 --> 00:27:53,490  
couple of times where someone can speak

609  
00:27:58,130 --> 00:27:55,380  
good enough English to carry on a

610  
00:28:01,310 --> 00:27:58,140  
conversation so that's not happening but

611  
00:28:05,419 --> 00:28:01,320  
I'm very interested in different

612  
00:28:06,860 --> 00:28:05,429  
countries that have you know UFO

613  
00:28:08,159 --> 00:28:06,870

sightings so that not too many people

614

00:28:10,950 --> 00:28:08,169

talk about

615

00:28:15,479 --> 00:28:10,960

and so if your I just saw someone from

616

00:28:17,460 --> 00:28:15,489

Vienna on the edoardo if you hear me

617

00:28:25,409 --> 00:28:17,470

Eduardo if you'd like to give a call

618

00:28:29,159 --> 00:28:25,419

either at 1 603 967 403 o1 is the

619

00:28:33,599 --> 00:28:29,169

country code or you can Skype me at

620

00:28:35,220 --> 00:28:33,609

marty willis that's ma RT y wi ll is

621

00:28:39,749 --> 00:28:35,230

that's my skype name

622

00:28:41,129 --> 00:28:39,759

so if Eduardo you want to call in tell

623

00:28:44,310 --> 00:28:41,139

me what's going on Vienna

624

00:28:47,450 --> 00:28:44,320

love to hear from you and here's Kevin

625

00:28:53,820 --> 00:28:47,460

let's see if this works

626

00:28:56,940 --> 00:28:53,830

Kevin are you there was that your up you

627

00:28:58,109 --> 00:28:56,950

know it's funny I have up I haven't let

628

00:28:59,820 --> 00:28:58,119

me try someone just called I been

629

00:29:04,590 --> 00:28:59,830

begging for people to call let me see if

630

00:29:09,239 --> 00:29:04,600

I can call hello

631

00:29:12,180 --> 00:29:09,249

did you call in your hello caller you're

632

00:29:14,310 --> 00:29:12,190

on the line call Mike hi Mike thanks for

633

00:29:17,940 --> 00:29:14,320

calling him now luckily we just got our

634

00:29:19,950 --> 00:29:17,950

guests back but you know what you Kevin

635

00:29:21,960 --> 00:29:19,960

had some trouble with his internet but

636

00:29:23,009 --> 00:29:21,970

he is back but I do appreciate you

637

00:29:26,549 --> 00:29:23,019

calling Mike you were on the chat

638

00:29:28,950 --> 00:29:26,559

obviously did you want to did you want

639

00:29:30,599 --> 00:29:28,960

to talk about quickly about any sighting

640

00:29:32,810 --> 00:29:30,609

in particular or anything like that or

641

00:29:37,409 --> 00:29:32,820

do you have a question for Kevin in

642

00:29:41,629 --> 00:29:37,419

England um but I tell you a funny story

643

00:29:45,539 --> 00:29:41,639

about a sighting sure go ahead

644

00:29:47,700 --> 00:29:45,549

okay um I was driving home from my

645

00:29:50,700 --> 00:29:47,710

cousin's house late one night it was

646

00:29:53,759 --> 00:29:50,710

about 2:00 in the morning and pulled up

647

00:29:55,710 --> 00:29:53,769

to the end of their street and there's a

648

00:29:59,070 --> 00:29:55,720

stop sign there start to go around the

649

00:30:02,369 --> 00:29:59,080

corner and there was two blocks down and

650

00:30:05,369 --> 00:30:02,379

between the trees there was a triangular

651  
00:30:07,830 --> 00:30:05,379  
craft hovering between the trees about

652  
00:30:09,930 --> 00:30:07,840  
30 feet off the ground I would say and

653  
00:30:13,489 --> 00:30:09,940  
it had three lights on it and then it

654  
00:30:15,749 --> 00:30:13,499  
had like a red light in the center and I

655  
00:30:17,639 --> 00:30:15,759  
started driving towards it because my

656  
00:30:18,799 --> 00:30:17,649  
brain said well that's a UFO but I

657  
00:30:21,480 --> 00:30:18,809  
didn't want to believe it

658  
00:30:24,270 --> 00:30:21,490  
so I started driving towards it well

659  
00:30:28,169 --> 00:30:24,280  
got about a block and a half and then I

660  
00:30:30,210 --> 00:30:28,179  
stopped and I was like that's UFO and it

661  
00:30:32,880 --> 00:30:30,220  
was facing in the direction that was

662  
00:30:38,210 --> 00:30:32,890  
away from me and it was moving slowly

663  
00:30:40,950 --> 00:30:38,220

away but then it started backing up

664

00:30:45,390 --> 00:30:40,960

well actually what happened is I stopped

665

00:30:48,360 --> 00:30:45,400

and then I put my car in reverse and I

666

00:30:50,250 --> 00:30:48,370

floored it and the craft came backwards

667

00:30:54,330 --> 00:30:50,260

and it came over my car and my car

668

00:30:56,070 --> 00:30:54,340

engine died and I was sitting right back

669

00:30:59,310 --> 00:30:56,080

at the stop sign where I had turned that

670

00:31:03,990 --> 00:30:59,320

and I looked up and down the street and

671

00:31:06,060 --> 00:31:04,000

there was nobody around so I you know me

672

00:31:10,020 --> 00:31:06,070

I'm very knowledgeable about UFOs and

673

00:31:11,100 --> 00:31:10,030

aliens so my first thought was how do I

674

00:31:13,110 --> 00:31:11,110

get out of the situation because I'm

675

00:31:14,250 --> 00:31:13,120

about to be abducted and I thought well

676

00:31:18,120 --> 00:31:14,260

they hate witnesses

677

00:31:19,650 --> 00:31:18,130

so I started slamming on my horn and I

678

00:31:22,890 --> 00:31:19,660

jumped out of the car and I started

679

00:31:24,960 --> 00:31:22,900

running down the street and back towards

680

00:31:26,549 --> 00:31:24,970

my cousin's house and it just so happens

681

00:31:28,710 --> 00:31:26,559

that I was lucky because there was a

682

00:31:31,410 --> 00:31:28,720

party going on at one of the houses on

683

00:31:33,660 --> 00:31:31,420

the corner and about 50 people came

684

00:31:37,980 --> 00:31:33,670

running out and they all saw this craft

685

00:31:40,860 --> 00:31:37,990

hovering over my car and then the craft

686

00:31:42,900 --> 00:31:40,870

just shot straight up but the two funny

687

00:31:46,650 --> 00:31:42,910

things the story is they said that I

688

00:31:49,380 --> 00:31:46,660

screamed like a little girl and the

689

00:31:53,190 --> 00:31:49,390

event happened on April 1st

690

00:31:54,360 --> 00:31:53,200

oh no yeah and yeah tried to get

691

00:31:56,220 --> 00:31:54,370

everyone to believe you on that one

692

00:32:01,160 --> 00:31:56,230

wow that's interesting you know so many

693

00:32:03,960 --> 00:32:01,170

of the the triangular UFOs that people

694

00:32:08,160 --> 00:32:03,970

described have that red light in the

695

00:32:11,390 --> 00:32:08,170

center and also it's funny I actually

696

00:32:13,200 --> 00:32:11,400

spoke with someone at an auction gallery

697

00:32:15,419 --> 00:32:13,210

someone that I've known a long time

698

00:32:17,490 --> 00:32:15,429

that's kind of said the same thing it

699

00:32:20,100 --> 00:32:17,500

was a triangle and they got out of the

700

00:32:23,010 --> 00:32:20,110

car and the thing moved back of course

701  
00:32:27,030 --> 00:32:23,020  
they didn't they they were panicking you

702  
00:32:30,659 --> 00:32:27,040  
know also but if they just stopped right

703  
00:32:32,700 --> 00:32:30,669  
over them I guess basically so you had

704  
00:32:34,310 --> 00:32:32,710  
about 50 witnesses did you ever report

705  
00:32:36,960 --> 00:32:34,320  
this

706  
00:32:39,810 --> 00:32:36,970  
yeah it's actually on the national UFO

707  
00:32:44,430 --> 00:32:39,820  
Reporting Center if you go out and look

708  
00:32:47,220 --> 00:32:44,440  
for it's either 1999 2000 or 2001 go out

709  
00:32:50,520 --> 00:32:47,230  
to April 1st and it's called UFO chase

710  
00:32:52,470 --> 00:32:50,530  
me and I actually reported it great well

711  
00:32:54,270 --> 00:32:52,480  
that's awesome well Mike thanks so much

712  
00:32:57,230 --> 00:32:54,280  
our guest is back I really appreciate

713  
00:33:00,480 --> 00:32:57,240

you going to bat and filling in while

714

00:33:02,340 --> 00:33:00,490

Kevin was missing so I appreciate that

715

00:33:03,330 --> 00:33:02,350

um you're welcome Martin all right you

716

00:33:06,630 --> 00:33:03,340

take care you're welcome

717

00:33:10,380 --> 00:33:06,640

all right but you do all right bye

718

00:33:13,350 --> 00:33:10,390

okay Kevin so let me see if I know he's

719

00:33:16,650 --> 00:33:13,360

gone very good so that was an

720

00:33:19,020 --> 00:33:16,660

interesting sighting huh yes I mean it

721

00:33:22,560 --> 00:33:19,030

sort of got shades of the x-files almost

722

00:33:26,640 --> 00:33:22,570

doesn't it yeah that's right bizarre but

723

00:33:28,260 --> 00:33:26,650

that was good thinking too you know beep

724

00:33:30,090 --> 00:33:28,270

on the horn and all that I don't know if

725

00:33:32,340 --> 00:33:30,100

I dare to you know I think if something

726

00:33:34,950 --> 00:33:32,350

like that was right over my car I'd be

727

00:33:38,250 --> 00:33:34,960

afraid to do about anything but I think

728

00:33:39,840 --> 00:33:38,260

I think the important thing is is to get

729

00:33:41,820 --> 00:33:39,850

as many independent witnesses as

730

00:33:43,440 --> 00:33:41,830

possible yeah that's something like that

731

00:33:44,940 --> 00:33:43,450

because you've got a hell of a more

732

00:33:47,490 --> 00:33:44,950

chance of being believed if there are

733

00:33:50,130 --> 00:33:47,500

more witnesses yeah that's right he was

734

00:33:52,920 --> 00:33:50,140

all alone no one saw it or anything like

735

00:33:56,040 --> 00:33:52,930

that that's almost a story that someone

736

00:33:58,950 --> 00:33:56,050

would say yeah right you know but when

737

00:34:01,080 --> 00:33:58,960

you get that many witnesses it's that is

738

00:34:02,490 --> 00:34:01,090

exciting and that was really good

739

00:34:05,480 --> 00:34:02,500

thinking thinking on his feet to

740

00:34:07,320 --> 00:34:05,490

actually make other at the Racquet

741

00:34:08,910 --> 00:34:07,330

absolutely and I mean you know it's a

742

00:34:11,220 --> 00:34:08,920

pity that by the sounds of it this

743

00:34:14,850 --> 00:34:11,230

wasn't followed up by someone oh the Sun

744

00:34:19,320 --> 00:34:14,860

body of the description right right so

745

00:34:22,890 --> 00:34:19,330

let's let's talk about your situation

746

00:34:24,870 --> 00:34:22,900

and the warminster now where are you

747

00:34:29,100 --> 00:34:24,880

located right now are you right in

748

00:34:30,990 --> 00:34:29,110

London no okay Laurie I know you said

749

00:34:34,790 --> 00:34:31,000

you're someplace has free Wi-Fi no no

750

00:34:39,780 --> 00:34:34,800

London does where where are you and Rory

751  
00:34:43,260 --> 00:34:39,790  
I'm actually back in the area in which I

752  
00:34:45,930 --> 00:34:43,270  
was born which is 12 miles east of a

753  
00:34:46,500 --> 00:34:45,940  
sorry west of Birmingham it's doing full

754  
00:34:47,790 --> 00:34:46,510  
Stourbridge

755  
00:34:53,159 --> 00:34:47,800  
yeah

756  
00:34:56,370 --> 00:34:53,169  
and so the warminster area how far is

757  
00:34:59,550 --> 00:34:56,380  
that in reference to that we have

758  
00:35:03,470 --> 00:34:59,560  
clocked it going down by car it's a

759  
00:35:06,330 --> 00:35:03,480  
hundred and twenty miles away uh-huh

760  
00:35:08,850 --> 00:35:06,340  
and for the person that has absolutely

761  
00:35:12,930 --> 00:35:08,860  
no idea what we're talking about can you

762  
00:35:14,790 --> 00:35:12,940  
go over and then how I got the the term

763  
00:35:17,490 --> 00:35:14,800

the thing and all that and I know there

764

00:35:19,350 --> 00:35:17,500

were some birds that died with some type

765

00:35:21,840 --> 00:35:19,360

of vibration noises that were happening

766

00:35:24,750 --> 00:35:21,850

and it was kind of a very unusual so can

767

00:35:28,110 --> 00:35:24,760

you describe in detail what was going on

768

00:35:30,140 --> 00:35:28,120

right well the the reason why it was

769

00:35:35,180 --> 00:35:30,150

initially known as the war mister thing

770

00:35:41,550 --> 00:35:35,190

was because in those days which was 1964

771

00:35:46,340 --> 00:35:41,560

1965 warminster was a small County a

772

00:35:49,650 --> 00:35:46,350

country town Bay in in Wiltshire and

773

00:35:53,760 --> 00:35:49,660

very few people in those days had heard

774

00:35:56,010 --> 00:35:53,770

of the term UFO flying saucer was

775

00:35:59,220 --> 00:35:56,020

probably one of the more popular sort of

776

00:36:01,800 --> 00:35:59,230

descriptions going around so it was

777

00:36:04,440 --> 00:36:01,810

named the thing because they couldn't

778

00:36:08,900 --> 00:36:04,450

find anything else better to describe

779

00:36:11,220 --> 00:36:08,910

what was happening around the town and

780

00:36:14,070 --> 00:36:11,230

so there was up I heard there was a

781

00:36:17,040 --> 00:36:14,080

debunking tour people trying to debunk

782

00:36:20,430 --> 00:36:17,050

it simply by saying you know it's it's

783

00:36:22,560 --> 00:36:20,440

ridiculous and all that which you you do

784

00:36:26,610 --> 00:36:22,570

hear a lot when anything like this

785

00:36:28,710 --> 00:36:26,620

happens was that ever overcome or do did

786

00:36:35,790 --> 00:36:28,720

do people still try to debunk the whole

787

00:36:38,040 --> 00:36:35,800

situation people do try to debunk it the

788

00:36:40,970 --> 00:36:38,050

the problem with warminster as I said

789

00:36:44,370 --> 00:36:40,980

earlier was that it was in the 1960s now

790

00:36:47,280 --> 00:36:44,380

there was no great communications

791

00:36:48,750 --> 00:36:47,290

network in those days as we have now so

792

00:36:52,110 --> 00:36:48,760

everything that was coming out of the

793

00:36:55,200 --> 00:36:52,120

town was either secondhand or written

794

00:36:57,990 --> 00:36:55,210

down and then possibly misinterpreted

795

00:36:59,940 --> 00:36:58,000

but going back to what I've always said

796

00:37:00,859 --> 00:36:59,950

is that I have experienced the

797

00:37:04,819 --> 00:37:00,869

phenomenon

798

00:37:07,430 --> 00:37:04,829

and believe you me something strange did

799

00:37:11,749 --> 00:37:07,440

happen in that town there is no two ways

800

00:37:16,309 --> 00:37:11,759

about it and can you describe what

801  
00:37:20,890 --> 00:37:16,319  
people were seeing yes I mean initially

802  
00:37:25,220 --> 00:37:20,900  
the whole thing started out with noises

803  
00:37:28,339 --> 00:37:25,230  
basically for example I mean in shuttle

804  
00:37:31,579 --> 00:37:28,349  
woods first book the war mr. mystery he

805  
00:37:34,609 --> 00:37:31,589  
tells a story of a war mister woman who

806  
00:37:38,359 --> 00:37:34,619  
was on her way to midnight mass in 1964

807  
00:37:40,910 --> 00:37:38,369  
and she was apparently assailed by sonic

808  
00:37:43,009 --> 00:37:40,920  
sounds and pressure as she walked toward

809  
00:37:44,450 --> 00:37:43,019  
his church and it made her sort of

810  
00:37:47,029 --> 00:37:44,460  
collapse to her knees and left her

811  
00:37:51,380 --> 00:37:47,039  
frightened later on there were things

812  
00:37:53,329 --> 00:37:51,390  
like noises other people said sounded

813  
00:37:55,670 --> 00:37:53,339

like branches being brushed across the

814

00:37:59,210 --> 00:37:55,680

roofs of their houses pebbles being

815

00:38:02,720 --> 00:37:59,220

dropped onto the roofs of houses so all

816

00:38:07,729 --> 00:38:02,730

this sort of initial almost introductory

817

00:38:10,549 --> 00:38:07,739

phenomenon started in 9899 through till

818

00:38:14,410 --> 00:38:10,559

1965 until the first visual sighting was

819

00:38:17,989 --> 00:38:14,420

made which was made by a council worker

820

00:38:19,130 --> 00:38:17,999

in the war mister central car park where

821

00:38:20,779 --> 00:38:19,140

he was looking over towards the

822

00:38:24,769 --> 00:38:20,789

direction of cradle Hill and cop Heath

823

00:38:27,799 --> 00:38:24,779

where he actually then saw to what he

824

00:38:30,559 --> 00:38:27,809

described as two red-hot poker hanging

825

00:38:33,950 --> 00:38:30,569

in the sky which then first asunder and

826

00:38:36,950 --> 00:38:33,960

disappeared without any sound wow that's

827

00:38:40,160 --> 00:38:36,960

a very unusual description red hot

828

00:38:42,950 --> 00:38:40,170

pokers so I'm guessing that it's kind of

829

00:38:47,109 --> 00:38:42,960

like a sort of like a bright orangish

830

00:38:49,759 --> 00:38:47,119

color or red you know reddish orange

831

00:38:51,650 --> 00:38:49,769

yeah right would say probably similar to

832

00:38:55,539 --> 00:38:51,660

the sort of colors you'd see he you know

833

00:39:02,089 --> 00:38:55,549

sort of the only good sunset I see

834

00:39:03,739 --> 00:39:02,099

so hey David Matt early on the chat you

835

00:39:08,380 --> 00:39:03,749

can go ahead and get lost if you'd like

836

00:39:10,880 --> 00:39:08,390

okay I'm sorry I just had to say that

837

00:39:14,370 --> 00:39:10,890

anyway and Monica you can take them out

838

00:39:19,470 --> 00:39:14,380

go ahead anyway

839

00:39:21,840 --> 00:39:19,480

so I want to know this first visual

840

00:39:22,500 --> 00:39:21,850

sighting you actually saw this thing

841

00:39:25,230 --> 00:39:22,510

going on

842

00:39:28,230 --> 00:39:25,240

so can you can you talk about that use

843

00:39:30,810 --> 00:39:28,240

and what what how many years after the

844

00:39:34,380 --> 00:39:30,820

fact was that well the first visual

845

00:39:36,780 --> 00:39:34,390

sighting I would say about six months

846

00:39:38,960 --> 00:39:36,790

approximately no I mean I mean possibly

847

00:39:41,280 --> 00:39:38,970

other things had been seen in the town

848

00:39:44,010 --> 00:39:41,290

previously to that but whether they were

849

00:39:47,400 --> 00:39:44,020

recorded or reported to someone we don't

850

00:39:49,290 --> 00:39:47,410

know yeah so what about yourself though

851

00:39:53,280 --> 00:39:49,300

you what did you see when you were there

852

00:39:54,660 --> 00:39:53,290

oh well what didn't I see your

853

00:39:58,470 --> 00:39:54,670

experience that as opposed to the

854

00:40:04,230 --> 00:39:58,480

question well I started to go down as a

855

00:40:05,580 --> 00:40:04,240

student in 1976 and that year in this

856

00:40:09,060 --> 00:40:05,590

country it was one of the hottest

857

00:40:11,240 --> 00:40:09,070

summers on record and on the Saturday

858

00:40:14,000 --> 00:40:11,250

night we were taken up to Cradle Hill

859

00:40:17,220 --> 00:40:14,010

and it was so hot

860

00:40:19,920 --> 00:40:17,230

still I mean I swear blind you could

861

00:40:23,940 --> 00:40:19,930

have boiled eggs off the tarmac on the

862

00:40:27,360 --> 00:40:23,950

road there the Sun had set and in those

863

00:40:30,840 --> 00:40:27,370

days people were using what we now call

864

00:40:34,080 --> 00:40:30,850

UFO detectors which work on the theory

865

00:40:36,780 --> 00:40:34,090

that magnetic pulses from the UFOs would

866

00:40:41,400 --> 00:40:36,790

disturb the net the Earth's natural

867

00:40:43,050 --> 00:40:41,410

magnetic field and there was a it was

868

00:40:45,330 --> 00:40:43,060

battery-powered and there were two

869

00:40:48,510 --> 00:40:45,340

contact points with a compass needle if

870

00:40:51,450 --> 00:40:48,520

the magnetic field fluctuated the the

871

00:40:53,400 --> 00:40:51,460

the pointer would would move touch one

872

00:40:56,820 --> 00:40:53,410

of the electrodes to the side of it and

873

00:40:59,700 --> 00:40:56,830

then the buzzer would go off so we were

874

00:41:03,270 --> 00:40:59,710

scanning the skies and then these two

875

00:41:03,690 --> 00:41:03,280

bright starlight objects was seen to go

876

00:41:06,990 --> 00:41:03,700

across

877

00:41:09,270 --> 00:41:07,000

they turned immediately sort of right

878

00:41:11,040 --> 00:41:09,280

they were very high up and then

879

00:41:13,320 --> 00:41:11,050

disappeared and then immediately they

880

00:41:15,510 --> 00:41:13,330

disappeared the two detectors went off

881

00:41:18,090 --> 00:41:15,520

simultaneously they were sheltered away

882

00:41:20,700 --> 00:41:18,100

from any wind anything they was you know

883

00:41:22,500 --> 00:41:20,710

they were completely protected so that

884

00:41:24,240 --> 00:41:22,510

was the very first sighting I had and

885

00:41:27,660 --> 00:41:24,250

from that day onwards I vowed to keep

886

00:41:28,150 --> 00:41:27,670

going back Wow and how many times would

887

00:41:31,329 --> 00:41:28,160

you say

888

00:41:35,829 --> 00:41:31,339

you went back and did you see something

889

00:41:37,450 --> 00:41:35,839

most of the time I've lost count when it

890

00:41:42,609 --> 00:41:37,460

returns I've been back now to be honest

891

00:41:46,180 --> 00:41:42,619

with you I I mean it was in 1977 it was

892

00:41:49,180 --> 00:41:46,190

Easter and we would my friend and I

893

00:41:51,039 --> 00:41:49,190

Coleen Reese were walking down from the

894

00:41:52,270 --> 00:41:51,049

cops at the top of Cradle Hill Cradle

895

00:41:55,210 --> 00:41:52,280

Hill being the main sky watching

896

00:41:58,720 --> 00:41:55,220

location and there was nobody else about

897

00:42:01,329 --> 00:41:58,730

and we just stopped and looked over to

898

00:42:04,950 --> 00:42:01,339

our right and there were these four red

899

00:42:08,950 --> 00:42:04,960

lights coming towards us over the Downs

900

00:42:10,690 --> 00:42:08,960

equally spaced apart just pulsing they

901  
00:42:13,510 --> 00:42:10,700  
carried on coming across and so they

902  
00:42:16,059 --> 00:42:13,520  
stayed stationary over battles Berryhill

903  
00:42:17,829 --> 00:42:16,069  
which is not iron-age fort which is

904  
00:42:19,900 --> 00:42:17,839  
directly in front of the crater hill

905  
00:42:21,940 --> 00:42:19,910  
Skywatch point they were completely

906  
00:42:24,609 --> 00:42:21,950  
additionally spaced to pass as I said in

907  
00:42:27,549 --> 00:42:24,619  
a line flashing and they must have hung

908  
00:42:29,920 --> 00:42:27,559  
there in silence for getting on towards

909  
00:42:33,039 --> 00:42:29,930  
a minute and then immediately the

910  
00:42:35,410 --> 00:42:33,049  
left-hand object shot off at high speed

911  
00:42:38,109 --> 00:42:35,420  
from the standing start performed a

912  
00:42:40,870 --> 00:42:38,119  
flawless 90-degree turn without stopping

913  
00:42:42,940 --> 00:42:40,880

upwards and shot into the sky the other

914

00:42:45,039 --> 00:42:42,950

three objects then stayed there flashing

915

00:42:48,069 --> 00:42:45,049

for about another 30 seconds and then

916

00:42:53,559 --> 00:42:48,079

just shot straight up again now it was a

917

00:42:55,960 --> 00:42:53,569

moonless night it was past dusk there

918

00:42:57,819 --> 00:42:55,970

was no wind and it was that still you

919

00:42:59,650 --> 00:42:57,829

could hear the trains going through the

920

00:43:01,510 --> 00:42:59,660

the railway station in war mister which

921

00:43:03,880 --> 00:43:01,520

was about half three-quarters of a mile

922

00:43:07,180 --> 00:43:03,890

away but these babies did not make a

923

00:43:11,260 --> 00:43:07,190

sound Wow you know I gotta tell you when

924

00:43:13,269 --> 00:43:11,270

I had my one really good sighting the

925

00:43:16,630 --> 00:43:13,279

one that I could not explain any type of

926  
00:43:19,720 --> 00:43:16,640  
way and I wasn't into the UFO subject at

927  
00:43:22,990 --> 00:43:19,730  
all but that was the most baffling thing

928  
00:43:25,569 --> 00:43:23,000  
of all was the fact that it made no

929  
00:43:27,910 --> 00:43:25,579  
sound because at this it didn't register

930  
00:43:29,680 --> 00:43:27,920  
in my brain like how can this thing be

931  
00:43:32,309 --> 00:43:29,690  
moving and doing what it's doing and

932  
00:43:36,190 --> 00:43:32,319  
there'd be no sound I couldn't get that

933  
00:43:38,410 --> 00:43:36,200  
we just stood there slack-jawed you know

934  
00:43:41,740 --> 00:43:38,420  
I mean I've been coming to warminster on

935  
00:43:43,630 --> 00:43:41,750  
and off for 18 months or so something

936  
00:43:47,410 --> 00:43:43,640  
like

937  
00:43:49,749 --> 00:43:47,420  
and that you know it was it might sound

938  
00:43:53,130 --> 00:43:49,759

trite but it was almost like a religious

939

00:43:56,910 --> 00:43:53,140

experience it was for me at least a

940

00:43:59,950 --> 00:43:56,920

life-changing moment suddenly I realized

941

00:44:02,529 --> 00:43:59,960

there is something in this you know it

942

00:44:05,289 --> 00:44:02,539

can't be explained a baby but by away by

943

00:44:07,900 --> 00:44:05,299

high flying satellites natural

944

00:44:11,140 --> 00:44:07,910

phenomenon or even secret military

945

00:44:13,180 --> 00:44:11,150

testing because although the place where

946

00:44:15,190 --> 00:44:13,190

we saw the sighting was on the cusp of

947

00:44:19,660 --> 00:44:15,200

our meal and which is the sole treaty

948

00:44:22,210 --> 00:44:19,670

plane training area even today we

949

00:44:25,809 --> 00:44:22,220

haven't got anything that can perform

950

00:44:28,749 --> 00:44:25,819

that that kind of maneuver at all we are

951  
00:44:30,940 --> 00:44:28,759  
talking at the time when the phantom jet

952  
00:44:35,140 --> 00:44:30,950  
was probably the highlight of the

953  
00:44:37,319 --> 00:44:35,150  
military technology now when I mentioned

954  
00:44:41,499 --> 00:44:37,329  
earlier I know there was some people

955  
00:44:45,069 --> 00:44:41,509  
debunking you know trying to debunk this

956  
00:44:47,289 --> 00:44:45,079  
what were they actually attributing what

957  
00:44:50,650 --> 00:44:47,299  
was happening what were they attributing

958  
00:44:53,410 --> 00:44:50,660  
it to they're attributing it to again

959  
00:44:58,720 --> 00:44:53,420  
secret military testing mass hysteria

960  
00:45:00,910 --> 00:44:58,730  
and basically media hype I mean Arthur

961  
00:45:03,759 --> 00:45:00,920  
shuttle would who really put war mister

962  
00:45:07,809 --> 00:45:03,769  
on the map was a reporter for the local

963  
00:45:10,779 --> 00:45:07,819

journal the wall mister journal and you

964

00:45:13,630 --> 00:45:10,789

know he really became a sort of guru for

965

00:45:16,390 --> 00:45:13,640

people who were visiting the town to

966

00:45:18,660 --> 00:45:16,400

look for the UFOs for the phenomenon the

967

00:45:22,299 --> 00:45:18,670

enigma the thing caught it what you want

968

00:45:25,539 --> 00:45:22,309

and he would spend night after night

969

00:45:28,920 --> 00:45:25,549

after night up on cradle Hill looking

970

00:45:34,269 --> 00:45:28,930

and reporting any sightings that he saw

971

00:45:39,700 --> 00:45:34,279

Wow well and when would you say the last

972

00:45:42,579 --> 00:45:39,710

known sighting there was well I think to

973

00:45:44,559 --> 00:45:42,589

be honest you've got more chance of

974

00:45:46,809 --> 00:45:44,569

seeing a UFO in any other part of the

975

00:45:50,769 --> 00:45:46,819

country or in the world even these days

976  
00:45:53,319 --> 00:45:50,779  
but it must have been about six seven

977  
00:45:55,540 --> 00:45:53,329  
years ago that I was last contacted by

978  
00:45:57,670 --> 00:45:55,550  
someone via the website

979  
00:45:59,800 --> 00:45:57,680  
to explain something similar to what

980  
00:46:02,560 --> 00:45:59,810  
I've seen that Easter night that had

981  
00:46:05,350 --> 00:46:02,570  
happened over the long leads estate so

982  
00:46:07,120 --> 00:46:05,360  
yeah UFOs are still seen in the

983  
00:46:09,100 --> 00:46:07,130  
Warminster area but it's definitely not

984  
00:46:12,700 --> 00:46:09,110  
only in the frequency that they used to

985  
00:46:15,760 --> 00:46:12,710  
be yeah I've always have I've always

986  
00:46:19,450 --> 00:46:15,770  
wondered what the miss mystery of UFO

987  
00:46:21,850 --> 00:46:19,460  
flaps could possibly be you know on some

988  
00:46:24,940 --> 00:46:21,860

cases it may be related to something

989

00:46:29,830 --> 00:46:24,950

natural you know a natural phenomena

990

00:46:32,980 --> 00:46:29,840

that occurs somehow but I just um you

991

00:46:35,740 --> 00:46:32,990

try to of course any logic that we can

992

00:46:39,520 --> 00:46:35,750

use as human is probably not going to

993

00:46:42,550 --> 00:46:39,530

work on whatever logic whatever it is is

994

00:46:44,680 --> 00:46:42,560

showing up but my logic says why would

995

00:46:50,230 --> 00:46:44,690

they show up at the same place if they

996

00:46:52,240 --> 00:46:50,240

can get from say Birmingham from another

997

00:46:55,060 --> 00:46:52,250

solar system or another galaxy or

998

00:46:57,220 --> 00:46:55,070

whatever why would they stay in the area

999

00:46:59,010 --> 00:46:57,230

why would they show up in that area over

1000

00:47:02,020 --> 00:46:59,020

and over again you know I mean that

1001  
00:47:07,210 --> 00:47:02,030  
that's always baffled me have you ever

1002  
00:47:09,310 --> 00:47:07,220  
given yeah you have to remember that the

1003  
00:47:11,980 --> 00:47:09,320  
wall mister area in wheelchair

1004  
00:47:15,280 --> 00:47:11,990  
I mean it's otherwise known as the wall

1005  
00:47:18,580 --> 00:47:15,290  
mister triangle I mean within spitting

1006  
00:47:22,210 --> 00:47:18,590  
distance you have Stonehenge Avebury

1007  
00:47:26,560 --> 00:47:22,220  
Silbury Hill Glastonbury you've got a

1008  
00:47:28,270 --> 00:47:26,570  
lot of prehistoric sites that are shall

1009  
00:47:30,670 --> 00:47:28,280  
we say for want a better word mystical

1010  
00:47:34,360 --> 00:47:30,680  
now whether that has something to do

1011  
00:47:36,760 --> 00:47:34,370  
with it I don't know but people would

1012  
00:47:39,160 --> 00:47:36,770  
come to warminster they would see

1013  
00:47:40,870 --> 00:47:39,170

something they would go back and tell

1014

00:47:43,060 --> 00:47:40,880

their friends their friends would say oh

1015

00:47:45,250 --> 00:47:43,070

that's interesting maybe we'll go down

1016

00:47:47,440 --> 00:47:45,260

they go down the same thing happens

1017

00:47:50,080 --> 00:47:47,450

again so the whole thing was basically

1018

00:47:54,970 --> 00:47:50,090

so perpetuating for getting on towards

1019

00:47:56,590 --> 00:47:54,980

15 years that interesting we have we

1020

00:47:59,740 --> 00:47:56,600

have some questions that came in on the

1021

00:48:01,170 --> 00:47:59,750

forum and I'm gonna read you it's kind

1022

00:48:03,820 --> 00:48:01,180

of a lengthy one here

1023

00:48:07,400 --> 00:48:03,830

Jeremy Korbelt who has been on this show

1024

00:48:11,260 --> 00:48:07,410

before he's a filmmaker

1025

00:48:16,640 --> 00:48:11,270

he has some old footage on his website

1026  
00:48:19,460 --> 00:48:16,650  
from the 1965 warminster town it's a

1027  
00:48:22,520 --> 00:48:19,470  
hall hall meeting where witnesses speak

1028  
00:48:24,849 --> 00:48:22,530  
of what they saw and also footage of a

1029  
00:48:27,950 --> 00:48:24,859  
report by two British policemen filed in

1030  
00:48:30,620 --> 00:48:27,960  
1967 the policemen were later silenced

1031  
00:48:34,309 --> 00:48:30,630  
under the Official Secrets Act

1032  
00:48:37,010 --> 00:48:34,319  
in the clip the policemen draw the craft

1033  
00:48:39,920 --> 00:48:37,020  
they claim followed their police car

1034  
00:48:42,680 --> 00:48:39,930  
there's also a 1990 documentary I

1035  
00:48:44,510 --> 00:48:42,690  
remember watching that on YouTube with

1036  
00:48:47,470 --> 00:48:44,520  
some witness testimony are you aware of

1037  
00:48:51,730 --> 00:48:47,480  
any other video of witness testimony

1038  
00:48:54,549 --> 00:48:51,740

that you could direct our listeners to

1039

00:48:58,069 --> 00:48:54,559

not as such I mean YouTube is a very

1040

00:49:00,710 --> 00:48:58,079

useful tool for me it's quite amazing

1041

00:49:03,710 --> 00:49:00,720

what does pop up there I mean there were

1042

00:49:06,920 --> 00:49:03,720

one or two media programs made in the

1043

00:49:10,210 --> 00:49:06,930

60s in the early 70s by the BBC the

1044

00:49:13,279 --> 00:49:10,220

first was one called pie-in-the-sky

1045

00:49:20,000 --> 00:49:13,289

which was broadcast again believing our

1046

00:49:21,799 --> 00:49:20,010

around April time in 1966 or 67 and that

1047

00:49:25,609 --> 00:49:21,809

was a half hour programme which looked

1048

00:49:28,250 --> 00:49:25,619

into the warminster mystery itself so as

1049

00:49:31,039 --> 00:49:28,260

I say there are are snippets that you

1050

00:49:34,160 --> 00:49:31,049

can find on YouTube I mean going back to

1051  
00:49:36,470 --> 00:49:34,170  
the question you've just read out the

1052  
00:49:39,559 --> 00:49:36,480  
town hall meeting itself was called by

1053  
00:49:42,769 --> 00:49:39,569  
the council to allay fears that they

1054  
00:49:44,930 --> 00:49:42,779  
were about to be invaded I believe John

1055  
00:49:48,680 --> 00:49:44,940  
Cleary Baker who was then the chairman

1056  
00:49:51,920 --> 00:49:48,690  
of new fora and the editor of flying

1057  
00:49:54,529 --> 00:49:51,930  
saucer review he was there and people

1058  
00:49:56,210 --> 00:49:54,539  
were locked out outside the Town Hall it

1059  
00:50:00,230 --> 00:49:56,220  
was reported by most of the television

1060  
00:50:03,440 --> 00:50:00,240  
crews of the time so there was a certain

1061  
00:50:06,859 --> 00:50:03,450  
amount of media frenzy involved now

1062  
00:50:10,640 --> 00:50:06,869  
going back to the policeman sighting

1063  
00:50:12,920 --> 00:50:10,650

then actually I think was in 1967 which

1064

00:50:18,859 --> 00:50:12,930

I remember it well believe it or not

1065

00:50:21,320 --> 00:50:18,869

even those any less than 10 in that the

1066

00:50:24,530 --> 00:50:21,330

worst was a spate in this country of UF

1067

00:50:27,170 --> 00:50:24,540

sightings and it was around Guy Fawkes

1068

00:50:29,480 --> 00:50:27,180

night because I remember hearing the

1069

00:50:31,370 --> 00:50:29,490

rockets and the fireworks going up in

1070

00:50:32,600 --> 00:50:31,380

the sky around my home and I was

1071

00:50:37,460 --> 00:50:32,610

thinking about scaling but there's off

1072

00:50:40,220 --> 00:50:37,470

the starters that particular footage was

1073

00:50:41,810 --> 00:50:40,230

actually I believe taken in Devon and it

1074

00:50:45,050 --> 00:50:41,820

was what's known as the famous flying

1075

00:50:47,750 --> 00:50:45,060

cross incident which debunkers and

1076

00:50:49,430 --> 00:50:47,760

skeptics if you know you want to if the

1077

00:50:51,620 --> 00:50:49,440

innit sits up to what people want to

1078

00:50:55,160 --> 00:50:51,630

believe they say all they were doing was

1079

00:50:59,710 --> 00:50:55,170

chasing Venus ah I love that you hear

1080

00:51:02,660 --> 00:50:59,720

that you hear that quite often and

1081

00:51:05,180 --> 00:51:02,670

that's the cross thing we had a guest a

1082

00:51:07,220 --> 00:51:05,190

class a swan that was on a couple weeks

1083

00:51:10,070 --> 00:51:07,230

ago and he had a sighting with his wife

1084

00:51:13,640 --> 00:51:10,080

and there was crosses you know you don't

1085

00:51:15,890 --> 00:51:13,650

hear of that too often no you don't and

1086

00:51:18,710 --> 00:51:15,900

I mean I always find it very sad

1087

00:51:22,700 --> 00:51:18,720

that those that are prepared for

1088

00:51:24,170 --> 00:51:22,710

sightings and that believing in UFOs are

1089

00:51:27,050 --> 00:51:24,180

always the ones that never get to see

1090

00:51:30,500 --> 00:51:27,060

them right right now you were prepared

1091

00:51:33,530 --> 00:51:30,510

when you were in Warminster yeah had

1092

00:51:36,830 --> 00:51:33,540

there many sightings what about filming

1093

00:51:39,290 --> 00:51:36,840

or photography were you able to get

1094

00:51:42,530 --> 00:51:39,300

anything that came out and looked like

1095

00:51:44,390 --> 00:51:42,540

something now there is a story

1096

00:51:49,220 --> 00:51:44,400

I mean don't forget we are talking first

1097

00:51:51,920 --> 00:51:49,230

of all the pre-digital age I had just

1098

00:51:55,430 --> 00:51:51,930

passed because I just left college I had

1099

00:51:57,680 --> 00:51:55,440

passed my photography course and I'd

1100

00:52:00,860 --> 00:51:57,690

taken down my camera which was a 35

1101  
00:52:03,440 --> 00:52:00,870  
millimeter single reflex practica with a

1102  
00:52:06,260 --> 00:52:03,450  
screw-on telephoto lens

1103  
00:52:08,420 --> 00:52:06,270  
now one afternoon we were recovering

1104  
00:52:12,170 --> 00:52:08,430  
from getting into the getting into the

1105  
00:52:16,430 --> 00:52:12,180  
house from the hill in the early hours

1106  
00:52:18,980 --> 00:52:16,440  
and my friend who had nicked for - a

1107  
00:52:21,440 --> 00:52:18,990  
better word the double bed that was

1108  
00:52:23,120 --> 00:52:21,450  
facing the window I assumed it was

1109  
00:52:25,490 --> 00:52:23,130  
asleep he jumped off and he said what

1110  
00:52:27,830 --> 00:52:25,500  
the hell's that and I join him at the

1111  
00:52:30,080 --> 00:52:27,840  
window and there was a cigar-shaped

1112  
00:52:34,430 --> 00:52:30,090  
object going from right to left from

1113  
00:52:35,960 --> 00:52:34,440

copied over two walls downhill and

1114

00:52:39,559 --> 00:52:35,970

for what you know this is too good at

1115

00:52:41,270 --> 00:52:39,569

this is too good a chance to miss so

1116

00:52:43,339 --> 00:52:41,280

don't ask me what I did it cuz I don't

1117

00:52:46,130 --> 00:52:43,349

know I ran downstairs screwing on the

1118

00:52:47,960 --> 00:52:46,140

telephoto lens went outside into the

1119

00:52:50,500 --> 00:52:47,970

garden brace myself against the

1120

00:52:55,190 --> 00:52:50,510

clothesline pole that was there and

1121

00:52:58,430 --> 00:52:55,200

focused exposed correctly shot off four

1122

00:53:00,710 --> 00:52:58,440

shots the fault the fourth and final one

1123

00:53:02,839 --> 00:53:00,720

actually shows it approaching the trees

1124

00:53:04,849 --> 00:53:02,849

on Elm Hill and my friend while I was

1125

00:53:06,799 --> 00:53:04,859

doing this yelled up Tilda sori yelled

1126

00:53:08,210 --> 00:53:06,809

down to me said it's got to be real

1127

00:53:09,289 --> 00:53:08,220

because there are people on the hill and

1128

00:53:11,390 --> 00:53:09,299

they're pointing at it

1129

00:53:14,210 --> 00:53:11,400

well of course immediately I think to

1130

00:53:17,390 --> 00:53:14,220

myself you know I've got proof you know

1131

00:53:19,160 --> 00:53:17,400

this is not a fake so when I got home I

1132

00:53:23,059 --> 00:53:19,170

got the film developed and in those days

1133

00:53:26,180 --> 00:53:23,069

it took a week and when I got the

1134

00:53:28,160 --> 00:53:26,190

photographs back there was blue sky gray

1135

00:53:30,140 --> 00:53:28,170

clouds and on the fourth photograph the

1136

00:53:31,940 --> 00:53:30,150

tips of the trees on the arm Hill but

1137

00:53:34,809 --> 00:53:31,950

there was no bloody object now I had

1138

00:53:39,829 --> 00:53:34,819

that thing dead centre in the viewfinder

1139

00:53:42,920 --> 00:53:39,839

so what was it it was a physical object

1140

00:53:45,500 --> 00:53:42,930

to us but it did not register on the

1141

00:53:48,349 --> 00:53:45,510

film well you're not the first one to

1142

00:53:50,029 --> 00:53:48,359

say that you realize that I don't

1143

00:53:51,490 --> 00:53:50,039

actually to be honest no I've heard

1144

00:53:54,769 --> 00:53:51,500

other people say that they've taken

1145

00:53:56,599 --> 00:53:54,779

shots of UFOs and nothing showed up on

1146

00:54:00,319 --> 00:53:56,609

their world their film just didn't you

1147

00:54:02,240 --> 00:54:00,329

know was was no good well I've heard

1148

00:54:05,120 --> 00:54:02,250

reports of films the film being fogged

1149

00:54:08,390 --> 00:54:05,130

yeah but I never I don't think I've ever

1150

00:54:10,010 --> 00:54:08,400

come across a case where whatever you

1151  
00:54:14,210 --> 00:54:10,020  
were photographing was not on the film

1152  
00:54:18,680 --> 00:54:14,220  
but everything else was yes I had a

1153  
00:54:20,870 --> 00:54:18,690  
chase let's key on my show you know

1154  
00:54:23,240 --> 00:54:20,880  
about the last time that you were on my

1155  
00:54:27,200 --> 00:54:23,250  
show long time ago long time ago yeah

1156  
00:54:30,230 --> 00:54:27,210  
and she said that they were they were

1157  
00:54:33,170 --> 00:54:30,240  
all set to film what was showing up in

1158  
00:54:36,620 --> 00:54:33,180  
this field and I think in in Tennessee

1159  
00:54:39,049 --> 00:54:36,630  
it was and so this big triangle came

1160  
00:54:40,490 --> 00:54:39,059  
over and all their camera equipment all

1161  
00:54:42,710 --> 00:54:40,500  
the batteries were dead on everything

1162  
00:54:44,240 --> 00:54:42,720  
that sounds what some form of

1163  
00:54:45,980 --> 00:54:44,250

electromagnetic interference to me

1164

00:54:47,810 --> 00:54:45,990

personally similar to have gentlemen

1165

00:54:49,910 --> 00:54:47,820

you're speaking to earlier on right

1166

00:54:51,550 --> 00:54:49,920

right all interesting makes you really

1167

00:54:54,140 --> 00:54:51,560

wonder to us in it

1168

00:55:00,070 --> 00:54:54,150

of course the thing is now we live in an

1169

00:55:02,840 --> 00:55:00,080

age where and I will use the dirty word

1170

00:55:06,590 --> 00:55:02,850

where films and federer's can be so

1171

00:55:10,130 --> 00:55:06,600

easily faked yes you know and I mean

1172

00:55:11,750 --> 00:55:10,140

yeah I would give my right arm for some

1173

00:55:13,670 --> 00:55:11,760

of the technology we've got now that I

1174

00:55:14,900 --> 00:55:13,680

could have used in the 1970s because

1175

00:55:18,950 --> 00:55:14,910

then at least I would have the proof

1176

00:55:22,160 --> 00:55:18,960

right right now when I referred this

1177

00:55:24,050 --> 00:55:22,170

show I've been out all day and

1178

00:55:26,360 --> 00:55:24,060

fortunately didn't have a long time to

1179

00:55:31,220 --> 00:55:26,370

do some research but when I first looked

1180

00:55:33,830 --> 00:55:31,230

on blind for warminster UFOs I noticed

1181

00:55:36,740 --> 00:55:33,840

there's there's some that are fairly

1182

00:55:40,610 --> 00:55:36,750

recent on YouTube have you been keeping

1183

00:55:41,960 --> 00:55:40,620

an eye on YouTube for any sightings that

1184

00:55:46,130 --> 00:55:41,970

show up there because I know a lot of

1185

00:55:48,070 --> 00:55:46,140

people will just plain post a video

1186

00:55:50,810 --> 00:55:48,080

right from their phone or whatever

1187

00:55:53,960 --> 00:55:50,820

without doing any research have you

1188

00:55:57,230 --> 00:55:53,970

looked through that recently no I I

1189

00:55:59,330 --> 00:55:57,240

don't do it religiously I I sort of

1190

00:56:02,390 --> 00:55:59,340

check that sort of thing about once a

1191

00:56:05,390 --> 00:56:02,400

week I mean there was a case of maybe a

1192

00:56:07,970 --> 00:56:05,400

month six weeks ago now of something

1193

00:56:10,090 --> 00:56:07,980

being seen over the clay Hill area which

1194

00:56:14,060 --> 00:56:10,100

has now been attributed to a drone ah

1195

00:56:18,500 --> 00:56:14,070

yeah so yeah we have a lot of challenges

1196

00:56:20,030 --> 00:56:18,510

don't we Chinese lanterns drones and

1197

00:56:24,530 --> 00:56:20,040

then CGI

1198

00:56:28,280 --> 00:56:24,540

yeah yeah I mean I live now in a

1199

00:56:29,960 --> 00:56:28,290

built-up area and New Year's Eve you

1200

00:56:32,930 --> 00:56:29,970

know I hope I always go to bed early

1201  
00:56:37,040 --> 00:56:32,940  
because I'm not a New Year's person per

1202  
00:56:38,570 --> 00:56:37,050  
se and you know I just look out the

1203  
00:56:41,210 --> 00:56:38,580  
curtains just before I went to bed and

1204  
00:56:43,550 --> 00:56:41,220  
you'd see this sort of 6 or 7 moving

1205  
00:56:46,910 --> 00:56:43,560  
lights going across the sky and for a

1206  
00:56:49,040 --> 00:56:46,920  
moment even though as a season Sky

1207  
00:56:52,880 --> 00:56:49,050  
Watcher you know you get excited and you

1208  
00:56:54,140 --> 00:56:52,890  
start thinking about is it a UFO you

1209  
00:56:58,810 --> 00:56:54,150  
think then don't be so bloody stupid

1210  
00:57:01,790 --> 00:56:58,820  
they're Chinese lanterns yes you know I

1211  
00:57:05,780 --> 00:57:01,800  
was a fourth of July

1212  
00:57:07,670 --> 00:57:05,790  
couple years ago I saw my first bunch of

1213  
00:57:10,100 --> 00:57:07,680

Chinese lanterns and I'm telling you I

1214

00:57:13,030 --> 00:57:10,110

understand why people call them in for

1215

00:57:15,710 --> 00:57:13,040

UFOs it looked pretty spectacular

1216

00:57:17,870 --> 00:57:15,720

well me not any the bane of our lives

1217

00:57:20,210 --> 00:57:17,880

but they're also blooming dangerous as

1218

00:57:22,970 --> 00:57:20,220

well as far as I'm concerned yes yeah I

1219

00:57:25,610 --> 00:57:22,980

know a number of their band in a lot of

1220

00:57:28,250 --> 00:57:25,620

places because of that fire start it was

1221

00:57:30,590 --> 00:57:28,260

you know that those they were over here

1222

00:57:33,500 --> 00:57:30,600

yeah the rule of thumb is the candles

1223

00:57:35,660 --> 00:57:33,510

supposed to go out and then you know it

1224

00:57:37,010 --> 00:57:35,670

cools down and then you know goes down

1225

00:57:38,150 --> 00:57:37,020

to the ground with a candle out that's

1226

00:57:39,920 --> 00:57:38,160

what it's supposed to happen but it

1227

00:57:42,500 --> 00:57:39,930

doesn't always happen they can actually

1228

00:57:45,830 --> 00:57:42,510

catch on fire and go to the ground and a

1229

00:57:48,140 --> 00:57:45,840

burning mess so exactly there's been at

1230

00:57:50,540 --> 00:57:48,150

least one case of an entire wheat field

1231

00:57:54,050 --> 00:57:50,550

being burnt due to a Chinese Lanza

1232

00:57:56,720 --> 00:57:54,060

yeah well speaking of wheat fields have

1233

00:57:59,150 --> 00:57:56,730

you ever I know this is way off topic

1234

00:58:02,320 --> 00:57:59,160

but you're in the country where there's

1235

00:58:07,030 --> 00:58:02,330

a lot of crop circles does it oh yes

1236

00:58:10,730 --> 00:58:07,040

does any of that happen in the area of

1237

00:58:12,530 --> 00:58:10,740

warminster I believe and it's a long

1238

00:58:15,260 --> 00:58:12,540

time ago it's coming into the early

1239

00:58:17,300 --> 00:58:15,270

1980s I believe the modern era of the

1240

00:58:22,100 --> 00:58:17,310

crop circle actually started around that

1241

00:58:27,860 --> 00:58:22,110

area yes aha and has anyone ever tried

1242

00:58:33,310 --> 00:58:27,870

to tie the two of them in together I

1243

00:58:41,030 --> 00:58:35,800

Lord how long ago did Beano been about

1244

00:58:43,340 --> 00:58:41,040

five six years ago now I actually went

1245

00:58:46,190 --> 00:58:43,350

down to warminster because we were in

1246

00:58:49,220 --> 00:58:46,200

the process of organizing a convention

1247

00:58:55,940 --> 00:58:49,230

stroke conference down there and there

1248

00:58:57,710 --> 00:58:55,950

had been a crop circle on the slopes and

1249

00:59:02,240 --> 00:58:57,720

the fields below the slopes of clay Hill

1250

00:59:05,240 --> 00:59:02,250

which is a very imposing landmark just

1251  
00:59:06,560 --> 00:59:05,250  
outside warminster and I went to see it

1252  
00:59:07,820 --> 00:59:06,570  
I mean obviously from the hill might

1253  
00:59:09,620 --> 00:59:07,830  
actually in the field because believe

1254  
00:59:12,020 --> 00:59:09,630  
you me looking at it from on the slopes

1255  
00:59:15,140 --> 00:59:12,030  
of the hill was Dan sight better it was

1256  
00:59:19,580 --> 00:59:15,150  
a beautiful almost three-dimensional

1257  
00:59:22,640 --> 00:59:19,590  
Rubik cube design and whoever did it be

1258  
00:59:24,110 --> 00:59:22,650  
they ETS or young farmers they need to

1259  
00:59:25,610 --> 00:59:24,120  
be congratulated because it was a

1260  
00:59:29,450 --> 00:59:25,620  
beautiful piece of work

1261  
00:59:34,520 --> 00:59:29,460  
I know I've watched a couple of videos

1262  
00:59:36,380 --> 00:59:34,530  
and seen images of some amazing works

1263  
00:59:40,790 --> 00:59:36,390

and if it's actually done in the middle

1264

00:59:43,600 --> 00:59:40,800

of the night with strings and you know

1265

00:59:47,240 --> 00:59:43,610

what is it strings and poles and then

1266

00:59:51,140 --> 00:59:47,250

boards on their feet yeah I mean to

1267

00:59:52,640 --> 00:59:51,150

measure them so accurately you know

1268

00:59:54,200 --> 00:59:52,650

there are people that claiming that

1269

00:59:58,070 --> 00:59:54,210

they're doing these things and you know

1270

01:00:01,090 --> 00:59:58,080

maybe it's it's another mystery you know

1271

01:00:03,680 --> 01:00:01,100

there's there's a lot of research where

1272

01:00:05,810 --> 01:00:03,690

you know people are claiming that

1273

01:00:08,360 --> 01:00:05,820

there's something going on in some of

1274

01:00:11,600 --> 01:00:08,370

these crop circles not not all of them

1275

01:00:14,360 --> 01:00:11,610

but where the soil changes the structure

1276

01:00:16,610 --> 01:00:14,370

of the plant changes all that I don't

1277

01:00:20,720 --> 01:00:16,620

know I'm on the fence about crop circles

1278

01:00:22,670 --> 01:00:20,730

I really don't really don't know yeah

1279

01:00:23,930 --> 01:00:22,680

and you're in the you're in the country

1280

01:00:26,210 --> 01:00:23,940

where it all began

1281

01:00:28,730 --> 01:00:26,220

and it it kind of leaves you to wonder

1282

01:00:30,920 --> 01:00:28,740

you know if it's happening there why

1283

01:00:33,170 --> 01:00:30,930

isn't it happening everywhere you know

1284

01:00:35,060 --> 01:00:33,180

it happens once in a while in the United

1285

01:00:36,730 --> 01:00:35,070

States and Canada and a few maybe a few

1286

01:00:40,550 --> 01:00:36,740

other countries but you don't hear of it

1287

01:00:42,890 --> 01:00:40,560

widespread worldwide has another if

1288

01:00:45,050 --> 01:00:42,900

they're hoaxes then you know they're

1289

01:00:49,760 --> 01:00:45,060

obviously imitators for want of a better

1290

01:00:51,320 --> 01:00:49,770

word but on the fly in the shuttle and

1291

01:00:54,770 --> 01:00:51,330

second book which was called one is from

1292

01:00:58,100 --> 01:00:54,780

flying friends he has a picture of the

1293

01:01:00,590 --> 01:00:58,110

wheat field next to Cradle Hill in which

1294

01:01:04,300 --> 01:01:00,600

he shows a photograph of what he calls

1295

01:01:08,570 --> 01:01:04,310

two UFO landing nests now that was in

1296

01:01:11,780 --> 01:01:08,580

1967 oh because you didn't really hear

1297

01:01:13,730 --> 01:01:11,790

about you know crop circles until when

1298

01:01:16,490 --> 01:01:13,740

like and we're talking the seventies or

1299

01:01:19,880 --> 01:01:16,500

eighties on woods Oh 1990s is it that

1300

01:01:21,320 --> 01:01:19,890

late 80s Oh 80s aha uh-huh yeah but then

1301  
01:01:23,480 --> 01:01:21,330  
again I mean they have been around for

1302  
01:01:26,300 --> 01:01:23,490  
for hundreds of years I mean there's a

1303  
01:01:27,970 --> 01:01:26,310  
woodcut which people can hopefully look

1304  
01:01:31,839 --> 01:01:27,980  
up on on Google

1305  
01:01:33,370 --> 01:01:31,849  
of a mowing devil and it's a stylish

1306  
01:01:36,220 --> 01:01:33,380  
description of the devil actually

1307  
01:01:37,620 --> 01:01:36,230  
cutting a crop circle in something like

1308  
01:01:40,510 --> 01:01:37,630  
the 17th century

1309  
01:01:44,050 --> 01:01:40,520  
that's something Wow

1310  
01:01:47,710 --> 01:01:44,060  
so what other you know you mentioned

1311  
01:01:52,120 --> 01:01:47,720  
where the location of this is and and

1312  
01:01:55,900 --> 01:01:52,130  
the other things that are going on in

1313  
01:01:59,020 --> 01:01:55,910

the area other there other besides the

1314

01:02:01,750 --> 01:01:59,030

UFOs and the crop circles a lot of times

1315

01:02:04,420 --> 01:02:01,760

you hear about other events sort of in

1316

01:02:07,660 --> 01:02:04,430

the paranormal area yeah

1317

01:02:10,960 --> 01:02:07,670

is that happening in that area too it is

1318

01:02:12,640 --> 01:02:10,970

again I experienced something myself in

1319

01:02:15,550 --> 01:02:12,650

so much that on the second visit there

1320

01:02:17,200 --> 01:02:15,560

we took with us the highlight of modern

1321

01:02:21,970 --> 01:02:17,210

technology in those days a cassette

1322

01:02:26,500 --> 01:02:21,980

recorder and we decided to make like a

1323

01:02:29,950 --> 01:02:26,510

an audio diary of a visit to the hill

1324

01:02:33,640 --> 01:02:29,960

one night and we got what was not

1325

01:02:38,109 --> 01:02:33,650

actually audible at the time a set of

1326

01:02:39,609 --> 01:02:38,119

clicks on the tape and it to me it

1327

01:02:45,010 --> 01:02:39,619

sounded like the sort of clicks you get

1328

01:02:47,710 --> 01:02:45,020

from a Geiger counter now like I say we

1329

01:02:49,510 --> 01:02:47,720

did it again the following night with a

1330

01:02:52,000 --> 01:02:49,520

different recorder new batteries

1331

01:02:55,359 --> 01:02:52,010

different cassette same thing happened

1332

01:02:57,339 --> 01:02:55,369

again so what the cause that was I don't

1333

01:02:59,109 --> 01:02:57,349

know because there wasn't any power

1334

01:03:00,970 --> 01:02:59,119

anywhere near as there were no power

1335

01:03:03,640 --> 01:03:00,980

lines there wouldn't at the newest house

1336

01:03:05,859 --> 01:03:03,650

was about half a mile away the army camp

1337

01:03:07,180 --> 01:03:05,869

itself was about half a mile away we

1338

01:03:11,650 --> 01:03:07,190

were right out in the middle of nowhere

1339

01:03:16,150 --> 01:03:11,660

and we got these strange sounds Wow

1340

01:03:18,280 --> 01:03:16,160

so going back to sound since we're on

1341

01:03:22,420 --> 01:03:18,290

that topic right now

1342

01:03:25,809 --> 01:03:22,430

did they or do they continue in the

1343

01:03:29,050 --> 01:03:25,819

warminster area you know first of all

1344

01:03:30,940 --> 01:03:29,060

can you describe this thing about the

1345

01:03:34,300 --> 01:03:30,950

birds falling out of the sky and stuff

1346

01:03:40,540 --> 01:03:34,310

like that what was happening that was

1347

01:03:45,700 --> 01:03:43,780

yeah that was actually reported to

1348

01:03:47,350 --> 01:03:45,710

Arthur shuttle would buy hurt and

1349

01:03:49,150 --> 01:03:47,360

shuttle would never actually I don't

1350

01:03:49,890 --> 01:03:49,160

think experienced or saw that for

1351

01:03:53,920 --> 01:03:49,900

himself

1352

01:03:56,650 --> 01:03:53,930

Hooten was a very character in so much

1353

01:03:58,270 --> 01:03:56,660

that later on he announced that it

1354

01:03:59,320 --> 01:03:58,280

should not be known as the warminster

1355

01:04:01,780 --> 01:03:59,330

mystery it should be known as the

1356

01:04:06,130 --> 01:04:01,790

Krakatoa mystery which is a small

1357

01:04:08,500 --> 01:04:06,140

village near that near the town he was a

1358

01:04:11,980 --> 01:04:08,510

colorful character shall we say so

1359

01:04:14,440 --> 01:04:11,990

whether or not anything actually sort of

1360

01:04:17,710 --> 01:04:14,450

it can be actually put down to him I

1361

01:04:19,990 --> 01:04:17,720

don't know I mean he died though about

1362

01:04:22,570 --> 01:04:20,000

ten years ago now so again sadly he's

1363

01:04:24,400 --> 01:04:22,580

another one from the genesis of the

1364

01:04:27,690 --> 01:04:24,410

phenomenon who's no longer around to be

1365

01:04:30,880 --> 01:04:27,700

questioned or interviewed right right

1366

01:04:32,890 --> 01:04:30,890

and what other types of things were

1367

01:04:34,390 --> 01:04:32,900

effect you do say people felt like there

1368

01:04:37,990 --> 01:04:34,400

were pebbles falling on the roof and

1369

01:04:40,000 --> 01:04:38,000

stuff like that yeah and yeah what about

1370

01:04:44,950 --> 01:04:40,010

vibrations you know I've heard people

1371

01:04:47,290 --> 01:04:44,960

talk about that before yeah sort of

1372

01:04:49,660 --> 01:04:47,300

sonic vibrations of Elliman the first

1373

01:04:52,450 --> 01:04:49,670

one the Marjorie by in submit is the one

1374

01:04:56,800 --> 01:04:52,460

that immediately springs to mind but

1375

01:04:58,810 --> 01:04:56,810

more mr. woods is was a very unique UFO

1376

01:05:00,220 --> 01:04:58,820

case in there were no abductions as far

1377

01:05:01,870 --> 01:05:00,230

as I know I mean there was a report of

1378

01:05:04,680 --> 01:05:01,880

some cattle being mysteriously

1379

01:05:09,240 --> 01:05:04,690

teleporting from one field to another

1380

01:05:11,820 --> 01:05:09,250

but it was mainly the lights in the sky

1381

01:05:13,780 --> 01:05:11,830

for the majority of the phenomenon that

1382

01:05:17,170 --> 01:05:13,790

seems to be more it seems to be more

1383

01:05:19,990 --> 01:05:17,180

famous for now you just mentioned cattle

1384

01:05:21,580 --> 01:05:20,000

so I have to ask you when I was asking

1385

01:05:24,780 --> 01:05:21,590

you about other things happening has

1386

01:05:28,660 --> 01:05:24,790

anyone ever reported cattle mutilations

1387

01:05:30,130 --> 01:05:28,670

not as far as I'm aware mm-hmm I mean

1388

01:05:31,500 --> 01:05:30,140

there are other people that research the

1389

01:05:34,390 --> 01:05:31,510

war mister phenomenon whether or

1390

01:05:38,730 --> 01:05:34,400

information on that I can't say yeah

1391

01:05:43,990 --> 01:05:38,740

yeah now have you ever Excel outside of

1392

01:05:45,520 --> 01:05:44,000

this the warminster area or is that kind

1393

01:05:47,400 --> 01:05:45,530

of your bailiwick on what you're

1394

01:05:51,220 --> 01:05:47,410

interested in

1395

01:05:52,510 --> 01:05:51,230

it's my primary focused but then again I

1396

01:05:54,400 --> 01:05:52,520

do have any interest in the UFO

1397

01:06:00,490 --> 01:05:54,410

phenomenon full stop

1398

01:06:02,710 --> 01:06:00,500

right so I don't you know in this

1399

01:06:04,270 --> 01:06:02,720

country I think the only sort of famous

1400

01:06:06,850 --> 01:06:04,280

case is if you can call woman's too

1401

01:06:08,710 --> 01:06:06,860

famous that I like that will be

1402

01:06:10,240 --> 01:06:08,720

obviously Bonnie bridge up in Scotland

1403

01:06:12,820 --> 01:06:10,250

which is a mirror to warminster

1404

01:06:15,880 --> 01:06:12,830

apparently and the Rendlesham forest

1405

01:06:17,890 --> 01:06:15,890

incident yes that always seems to come

1406

01:06:19,510 --> 01:06:17,900

up when I speak to someone from your

1407

01:06:21,460 --> 01:06:19,520

neck of the woods and when you were

1408

01:06:24,090 --> 01:06:21,470

talking about the warminster triangle

1409

01:06:28,860 --> 01:06:24,100

would you be able to give an idea of

1410

01:06:32,730 --> 01:06:28,870

what type of size that triangle area is

1411

01:06:40,840 --> 01:06:32,740

welcome people say it could be from

1412

01:06:44,610 --> 01:06:40,850

Bristol to milk ksham bath that that

1413

01:06:46,780 --> 01:06:44,620

sort of entire area really and what ties

1414

01:06:49,930 --> 01:06:46,790

regard geography I couldn't give you a

1415

01:06:52,450 --> 01:06:49,940

precise sort of triangular idea of what

1416

01:06:53,980 --> 01:06:52,460

the actual area can encompasses but a

1417

01:06:56,560 --> 01:06:53,990

lot of the a lot of the wheelchair

1418

01:06:59,860 --> 01:06:56,570

possibly Somerset area definitely yes

1419

01:07:03,880 --> 01:06:59,870

and would you say is that a few hundred

1420

01:07:04,300 --> 01:07:03,890

miles in a direction or anything like

1421

01:07:08,170 --> 01:07:04,310

that

1422

01:07:11,560 --> 01:07:08,180

like it's possibly a few hundred miles

1423

01:07:18,160 --> 01:07:11,570

as regards lambda acreage I would

1424

01:07:21,250 --> 01:07:18,170

imagine yes I see in well here is

1425

01:07:24,040 --> 01:07:21,260

another question in the forum are there

1426

01:07:26,440 --> 01:07:24,050

reliable photos of what was seen or

1427

01:07:29,040 --> 01:07:26,450

recordings of what was heard available

1428

01:07:32,560 --> 01:07:29,050

today and if so where can we find them

1429

01:07:36,640 --> 01:07:32,570

also again go ahead you mentioned

1430

01:07:39,010 --> 01:07:36,650

YouTube earlier on obviously yes but

1431

01:07:42,640 --> 01:07:39,020

again going back to I said earlier in

1432

01:07:46,530 --> 01:07:42,650

those days people did not have the

1433

01:07:48,280 --> 01:07:46,540

access to modern photographic oriole

1434

01:07:52,090 --> 01:07:48,290

recording devices

1435

01:07:55,750 --> 01:07:52,100

I mean for example I think when I was in

1436

01:07:58,300 --> 01:07:55,760

wormans to the highest AAS a rating film

1437

01:08:01,960 --> 01:07:58,310

that I could get for the camera was in

1438

01:08:05,980 --> 01:08:01,970

color was a thousand a si now you could

1439

01:08:07,180 --> 01:08:05,990

actually boost it up to 1600 by

1440

01:08:08,410 --> 01:08:07,190

developing it and

1441

01:08:11,620 --> 01:08:08,420

whatever would come out in

1442

01:08:14,140 --> 01:08:11,630

black-and-white basically if your

1443

01:08:16,720 --> 01:08:14,150

listeners don't know what an A essay

1444

01:08:19,360 --> 01:08:16,730

number is the higher the number the

1445

01:08:21,340 --> 01:08:19,370

better you've got a chance of getting a

1446

01:08:22,840 --> 01:08:21,350

photograph in low light I mean for

1447

01:08:27,519 --> 01:08:22,850

example I don't know if you can see that

1448

01:08:33,220 --> 01:08:27,529

here but yeah that is the famous Fault

1449

01:08:38,200 --> 01:08:33,230

in a photograph taken in 1965 which has

1450

01:08:41,470 --> 01:08:38,210

now been basically said to be a fake and

1451

01:08:44,380 --> 01:08:41,480

the reason why it's so grainy is because

1452

01:08:46,269 --> 01:08:44,390

that it the that particular image has

1453

01:08:48,189 --> 01:08:46,279

been blown up so much that the

1454

01:08:50,050 --> 01:08:48,199

individual grains of silver halide in

1455

01:08:51,420 --> 01:08:50,060

the negative are actually showing up

1456

01:08:55,890 --> 01:08:51,430

mm-hmm

1457

01:09:00,880 --> 01:08:55,900

all right so why is it considered a fake

1458

01:09:05,709 --> 01:09:00,890

again it's down to various people I mean

1459

01:09:08,499 --> 01:09:05,719

Faulkner himself a claim that it was

1460

01:09:11,140 --> 01:09:08,509

genuine and then said it was a fake and

1461

01:09:14,320 --> 01:09:11,150

then said no actually it is genuine and

1462

01:09:16,570 --> 01:09:14,330

no it's a fake no it is genuine so you

1463

01:09:19,570 --> 01:09:16,580

know with that sort of parentage behind

1464

01:09:21,579 --> 01:09:19,580

an image like that you have to think you

1465

01:09:24,939 --> 01:09:21,589

have to wonder and this is the person

1466

01:09:26,800 --> 01:09:24,949

that it came from yeah the Faulkner

1467

01:09:29,050 --> 01:09:26,810

actually took the photograph handed it

1468

01:09:31,780 --> 01:09:29,060

to shuttle wood shuttle wood who as I

1469

01:09:33,220 --> 01:09:31,790

said was a provincial reporter must have

1470

01:09:36,099 --> 01:09:33,230

looked at it and thought oh you know

1471

01:09:38,050 --> 01:09:36,109

this could be a gravy train them and

1472

01:09:40,329 --> 01:09:38,060

sent it to one of the London papers

1473

01:09:42,519 --> 01:09:40,339

which ran a double-page spread on

1474

01:09:45,070 --> 01:09:42,529

warmest around the and the photograph

1475

01:09:50,260 --> 01:09:45,080

and so thoughtless never made any money

1476

01:09:52,360 --> 01:09:50,270

out of this at all yeah it's still it's

1477

01:09:55,420 --> 01:09:52,370

still I understand why you know you'd be

1478

01:09:58,959 --> 01:09:55,430

leery of something like that because if

1479

01:10:00,520 --> 01:09:58,969

the person that hands over the photo is

1480

01:10:03,180 --> 01:10:00,530

calling it a fake and going back and

1481

01:10:06,040 --> 01:10:03,190

forth it doesn't doesn't hold very well

1482

01:10:09,689 --> 01:10:06,050

no it doesn't definitely yeah

1483

01:10:12,820 --> 01:10:09,699

now also in that same question this I

1484

01:10:16,479 --> 01:10:12,830

think it was Bill is that his name yes

1485

01:10:19,650 --> 01:10:16,489

bill in the forum was a asking are there

1486

01:10:22,170 --> 01:10:19,660

hoax photos which that one

1487

01:10:25,500 --> 01:10:22,180

probably is but are there other ones

1488

01:10:29,550 --> 01:10:25,510

that you can steer a listener away from

1489

01:10:30,450 --> 01:10:29,560

I don't honestly know is the answer to

1490

01:10:33,330 --> 01:10:30,460

that question

1491

01:10:36,000 --> 01:10:33,340

I mean shuttle would at the beginning

1492

01:10:39,930 --> 01:10:36,010

and through a quite a bit of the 1960's

1493

01:10:43,650 --> 01:10:39,940

had two other people on his skywatching

1494

01:10:45,270 --> 01:10:43,660

team simple champion and a chap called

1495

01:10:49,380 --> 01:10:45,280

Bob strong now Bob strong was the

1496

01:10:54,990 --> 01:10:49,390

photographer and Bob strong took quite a

1497

01:10:57,050 --> 01:10:55,000

few photographs of reported UFOs but as

1498

01:10:59,880 --> 01:10:57,060

I mentioned previously I passed my

1499

01:11:03,030 --> 01:10:59,890

course in photography and one of his

1500

01:11:06,810 --> 01:11:03,040

photographs is what I would class as a

1501

01:11:09,570 --> 01:11:06,820

typical negative kink in so much that

1502

01:11:14,880 --> 01:11:09,580

the negative was actually just squeezed

1503

01:11:20,000 --> 01:11:14,890

slightly and then developed and you get

1504

01:11:22,920 --> 01:11:20,010

this crescent shape and white light on

1505

01:11:26,760 --> 01:11:22,930

the photograph and that is claimed to be

1506

01:11:29,930 --> 01:11:26,770

a UFO so photographs from warminster are

1507

01:11:34,190 --> 01:11:29,940

rarer than hen's teeth trust me yeah so

1508

01:11:38,220 --> 01:11:34,200

you know I've yet to see anything that

1509

01:11:40,860 --> 01:11:38,230

to me says yeah that is a genuine UFO

1510

01:11:43,440 --> 01:11:40,870

shot and were there other times that you

1511

01:11:48,260 --> 01:11:43,450

yourself tried to catch something and

1512

01:11:52,620 --> 01:11:48,270

you said yes but again it boils down to

1513

01:11:55,200 --> 01:11:52,630

the speed of the film and being in place

1514

01:11:57,510 --> 01:11:55,210

at the time I mean you know and I took

1515

01:11:58,920 --> 01:11:57,520

some photographs of an army flare that

1516

01:12:01,080 --> 01:11:58,930

was coming down because the army were on

1517

01:12:03,780 --> 01:12:01,090

maneuvers one particular night but I

1518

01:12:05,670 --> 01:12:03,790

didn't do it as a to fake anything I did

1519

01:12:07,020 --> 01:12:05,680

it purely as a logistical exercise to

1520

01:12:09,050 --> 01:12:07,030

see if those photographs would come out

1521

01:12:13,560 --> 01:12:09,060

which they did because you have this

1522

01:12:14,850 --> 01:12:13,570

white blob with some smoke coming behind

1523

01:12:18,540 --> 01:12:14,860

it when I blew it when I blew the

1524

01:12:20,510 --> 01:12:18,550

negative up which again looked like some

1525

01:12:23,400 --> 01:12:20,520

of the photographs of Bob stronger taken

1526

01:12:26,520 --> 01:12:23,410

oh wow Wow

1527

01:12:30,300 --> 01:12:26,530

several people had reported seeing a

1528

01:12:32,490 --> 01:12:30,310

cigar-shaped craft in that area what are

1529

01:12:35,979 --> 01:12:32,500

some other shapes

1530

01:12:38,830 --> 01:12:35,989

that people have seen there well

1531

01:12:42,580 --> 01:12:38,840

obviously the cigar shaped objects the

1532

01:12:44,350 --> 01:12:42,590

typical saucer time shapes but again a

1533

01:12:45,910 --> 01:12:44,360

lot of them were seen at night and they

1534

01:12:48,370 --> 01:12:45,920

were Arthur that shuttle would Kris

1535

01:12:50,860 --> 01:12:48,380

endures and the gamblers which were just

1536

01:12:52,479 --> 01:12:50,870

sort of like reddish or orange balls of

1537

01:12:54,580 --> 01:12:52,489

light which would move erratically and

1538

01:12:58,390 --> 01:12:54,590

at speed and in front of the sky

1539

01:13:01,870 --> 01:12:58,400

watchers Wow

1540

01:13:04,209 --> 01:13:01,880

if you had to guess how many sightings

1541

01:13:05,890 --> 01:13:04,219

were actually seen in the area would you

1542

01:13:09,040 --> 01:13:05,900

say in the hundreds or would you say

1543

01:13:11,020 --> 01:13:09,050

even more than that I would say in the

1544

01:13:13,720 --> 01:13:11,030

thousands in the thousands

1545

01:13:16,660 --> 01:13:13,730

isn't that amazing shuttle would himself

1546

01:13:18,459 --> 01:13:16,670

actually said that you know within two

1547

01:13:20,830 --> 01:13:18,469

or three years of doing these regular

1548

01:13:22,750 --> 01:13:20,840

sky watches he heard a mass something in

1549

01:13:24,970 --> 01:13:22,760

the region of two to three thousand

1550

01:13:27,790 --> 01:13:24,980

sightings now whether they were all

1551

01:13:30,280 --> 01:13:27,800

whether they were all UFOs is open to

1552

01:13:34,209 --> 01:13:30,290

debate trust me well it also takes us

1553

01:13:35,650 --> 01:13:34,219

one right yeah in which the fourth the

1554

01:13:37,000 --> 01:13:35,660

faulkner photograph actually proves

1555

01:13:41,200 --> 01:13:37,010

because it you know it did hit the press

1556

01:13:44,320 --> 01:13:41,210

in a big way right now when when

1557

01:13:49,120 --> 01:13:44,330

something like this goes on like a flap

1558

01:13:51,729 --> 01:13:49,130

like this it makes me wonder why it's

1559

01:13:54,100 --> 01:13:51,739

not being you know scientifically

1560

01:13:57,160 --> 01:13:54,110

researched when it's so available or

1561

01:13:59,410 --> 01:13:57,170

it's not anymore as it used to be not as

1562

01:14:02,560 --> 01:13:59,420

frequent as it used to be but that

1563

01:14:04,900 --> 01:14:02,570

question always arises when I speak to

1564

01:14:07,209 --> 01:14:04,910

someone that is talking about a flap in

1565

01:14:09,280 --> 01:14:07,219

an area you know today we have better

1566

01:14:13,810 --> 01:14:09,290

technology for that there's people out

1567

01:14:17,709 --> 01:14:13,820

there trying to get equipment like the

1568

01:14:18,750 --> 01:14:17,719

UFO talk other places like that that are

1569

01:14:23,200 --> 01:14:18,760

actually looking for

1570

01:14:26,050 --> 01:14:23,210

you know ground station places that can

1571

01:14:29,470 --> 01:14:26,060

take all different types of readings has

1572

01:14:31,150 --> 01:14:29,480

anyone to your knowledge ever thought

1573

01:14:36,040 --> 01:14:31,160

about doing some something like that in

1574

01:14:39,040 --> 01:14:36,050

the area I think and you know again to

1575

01:14:44,470 --> 01:14:39,050

use the term mama kindly well-meaning

1576

01:14:46,149 --> 01:14:44,480

amateurs places like the áfourá and the

1577

01:14:49,390 --> 01:14:46,159

flying saucer review

1578

01:14:51,069 --> 01:14:49,400

they all did investigations into the

1579

01:14:54,959 --> 01:14:51,079

phenomenon all of which were

1580

01:14:58,060 --> 01:14:54,969

inconclusive but as regards serious

1581

01:15:00,370 --> 01:14:58,070

scientific investigation I'm afraid a

1582

01:15:02,469 --> 01:15:00,380

lot of professionals will steer away

1583

01:15:06,399 --> 01:15:02,479

from the subject because of the subject

1584

01:15:09,909 --> 01:15:06,409

matter right right but there are there

1585

01:15:13,770 --> 01:15:09,919

are people that are funding and taking

1586

01:15:17,379 --> 01:15:13,780

this serious Marc the Antonio for one

1587

01:15:19,989 --> 01:15:17,389

he's in the testing phase of the UFO

1588

01:15:22,600 --> 01:15:19,999

talk to right now

1589

01:15:25,959 --> 01:15:22,610

testing the cameras and and the other

1590

01:15:28,509 --> 01:15:25,969

equipment and if that gets some really

1591

01:15:31,290 --> 01:15:28,519

good backing that's gonna go all over

1592

01:15:34,299 --> 01:15:31,300

the world not just the United States

1593

01:15:37,870 --> 01:15:34,309

yeah it will definitely but of course

1594

01:15:41,229 --> 01:15:37,880

what you what we need now is another

1595

01:15:43,659 --> 01:15:41,239

warminster is another balmy bridge you

1596

01:15:46,779 --> 01:15:43,669

know that's that's what we need because

1597

01:15:49,719 --> 01:15:46,789

they don't see unless I'm so totally out

1598

01:15:53,109 --> 01:15:49,729

of touch with things they just don't

1599

01:15:56,290 --> 01:15:53,119

seem to be the flaps of UFO sightings

1600

01:16:01,929 --> 01:15:56,300

like they used to be I spoke to someone

1601

01:16:05,739 --> 01:16:01,939

in England that told me that he never

1602

01:16:07,179 --> 01:16:05,749

had a sighting he's into UFOs and all

1603

01:16:08,919 --> 01:16:07,189

that but he's never had a sighting and

1604

01:16:13,390 --> 01:16:08,929

he says because the weather is always so

1605

01:16:15,429 --> 01:16:13,400

overcast so crap yeah is that were - is

1606

01:16:19,179 --> 01:16:15,439

that what you find a lot and in that

1607

01:16:21,040 --> 01:16:19,189

area yes I mean I oh it always used to

1608

01:16:23,020 --> 01:16:21,050

make me smile but even though you know I

1609

01:16:25,600 --> 01:16:23,030

would be up on cradle Hill during the

1610

01:16:27,219 --> 01:16:25,610

day as well as the night during the day

1611

01:16:29,529 --> 01:16:27,229

I was always alone because there seemed

1612

01:16:36,279 --> 01:16:29,539

to me this mindset that UFOs were only

1613

01:16:37,839 --> 01:16:36,289

seen at night so yeah another reason why

1614

01:16:41,560 --> 01:16:37,849

I think warminster if you'll pardon the

1615

01:16:43,330 --> 01:16:41,570

pun took off to a degree was that has a

1616

01:16:45,939 --> 01:16:43,340

lot of listeners may be aware in this

1617

01:16:47,799 --> 01:16:45,949

country we suffered very badly from smog

1618

01:16:51,219 --> 01:16:47,809

and pollution in the 1950s and the early

1619

01:16:53,469 --> 01:16:51,229

1960s due to the amount of fossil fuels

1620

01:16:56,649 --> 01:16:53,479

that were being burnt not only power

1621

01:16:57,939 --> 01:16:56,659

stations but at home in homes as well so

1622

01:16:59,770 --> 01:16:57,949

the government class something could

1623

01:17:02,740 --> 01:16:59,780

pass something called the clear air bill

1624

01:17:04,750 --> 01:17:02,750

which basically encourage people to go

1625

01:17:06,790 --> 01:17:04,760

over to central heating rather than open

1626

01:17:09,520 --> 01:17:06,800

fires and sort of you know monitoring

1627

01:17:11,890 --> 01:17:09,530

the discharge from the power stations so

1628

01:17:14,140 --> 01:17:11,900

over the years this got the sky slowly

1629

01:17:16,860 --> 01:17:14,150

started to clear and people were

1630

01:17:19,780 --> 01:17:16,870

starting to see more of the night sky

1631

01:17:24,190 --> 01:17:19,790

than they had done for a generation or

1632

01:17:26,340 --> 01:17:24,200

more that added to the dawn of the Space

1633

01:17:29,290 --> 01:17:26,350

Age and the dawn of mass air

1634

01:17:30,970 --> 01:17:29,300

transportation means that people were

1635

01:17:33,790 --> 01:17:30,980

looking up at the sky more particularly

1636

01:17:35,620 --> 01:17:33,800

at night and seeing moving lights now

1637

01:17:38,290 --> 01:17:35,630

again I'm not saying that every moving

1638

01:17:42,640 --> 01:17:38,300

light was either an aircraft or whatever

1639

01:17:46,600 --> 01:17:42,650

but again it just proves that war mister

1640

01:17:48,790 --> 01:17:46,610

was on the cusp of a new era shall we

1641

01:17:52,930 --> 01:17:48,800

say so whether that again that had

1642

01:17:55,540 --> 01:17:52,940

something to do with it I don't know had

1643

01:17:59,260 --> 01:17:55,550

anyone ever reported in anything much

1644

01:18:03,640 --> 01:17:59,270

earlier in time in that area that you're

1645

01:18:06,310 --> 01:18:03,650

aware of there have been reports I mean

1646

01:18:11,760 --> 01:18:06,320

I can't give you a verbatim but there

1647

01:18:14,860 --> 01:18:11,770

was one that was from around 1910 of a

1648

01:18:17,850 --> 01:18:14,870

fast-moving airplane

1649

01:18:21,960 --> 01:18:17,860

trap illuminated traveling over the town

1650

01:18:27,460 --> 01:18:21,970

now I believe it was during the day and

1651

01:18:29,820 --> 01:18:27,470

this was only what nine years after the

1652

01:18:34,480 --> 01:18:29,830

Wright brothers took off at Kitty Hawk

1653

01:18:36,310 --> 01:18:34,490

so you know what was it they saw there

1654

01:18:40,810 --> 01:18:36,320

were reports in the 17th and 18th

1655

01:18:44,200 --> 01:18:40,820

century of different colored balls of

1656

01:18:50,680 --> 01:18:44,210

light fighting in the sky over the area

1657

01:18:53,200 --> 01:18:50,690

so you know there always has been there

1658

01:18:54,820 --> 01:18:53,210

always have been sorry UFOs and they're

1659

01:18:57,130 --> 01:18:54,830

obviously always have been some form of

1660

01:19:00,070 --> 01:18:57,140

UFOs or activity over the warminster

1661

01:19:03,520 --> 01:19:00,080

area but not to the frequency and the

1662

01:19:06,910 --> 01:19:03,530

intensity in the 1960s right now what

1663

01:19:10,740 --> 01:19:06,920

about abductions does that ever come up

1664

01:19:14,040 --> 01:19:10,750

when in regards to Warminster

1665

01:19:16,440 --> 01:19:14,050

no I've got again I've got no reports of

1666

01:19:19,160 --> 01:19:16,450

anybody being abducted but I have read

1667

01:19:22,920 --> 01:19:19,170

reports either in shuttle woods books or

1668

01:19:25,160 --> 01:19:22,930

heard from other people of particularly

1669

01:19:27,600 --> 01:19:25,170

in the 60s and the early 70s of

1670

01:19:30,090 --> 01:19:27,610

mysterious strangers being seen in the

1671

01:19:32,310 --> 01:19:30,100

town who I think one was actually run

1672

01:19:36,690 --> 01:19:32,320

over by a car and then who promptly

1673

01:19:40,500 --> 01:19:36,700

disappeared so again no it's not what

1674

01:19:43,020 --> 01:19:40,510

you would class as a classic UFO case by

1675

01:19:45,570 --> 01:19:43,030

any means it's quite some quite British

1676

01:19:46,710 --> 01:19:45,580

really I suppose quite subdued compared

1677

01:19:50,930 --> 01:19:46,720

to some of the reports you hear

1678

01:19:54,530 --> 01:19:50,940

worldwide right now I know in the States

1679

01:19:59,580 --> 01:19:54,540

you hear a lot about abductions

1680

01:20:03,090 --> 01:19:59,590

constantly and I just have never asked

1681

01:20:06,630 --> 01:20:03,100

this question of the UK from anyone from

1682

01:20:07,500 --> 01:20:06,640

there is that an ongoing situation that

1683

01:20:10,110 --> 01:20:07,510

you're aware of

1684

01:20:12,060 --> 01:20:10,120

I'm not saying in our area but I'm

1685

01:20:15,900 --> 01:20:12,070

pretty certain that abductions go on

1686

01:20:17,940 --> 01:20:15,910

throughout the UK but again it's getting

1687

01:20:20,400 --> 01:20:17,950

them reporting getting Dean taken

1688

01:20:23,670 --> 01:20:20,410

seriously I mean you you I think are

1689

01:20:28,260 --> 01:20:23,680

very lucky by being in America because I

1690

01:20:30,510 --> 01:20:28,270

think there is a more open mind to the

1691

01:20:32,820 --> 01:20:30,520

UFO phenomenon than there probably is in

1692

01:20:34,890 --> 01:20:32,830

this country particularly when I was

1693

01:20:38,010 --> 01:20:34,900

sort of active in Warminster for want of

1694

01:20:40,020 --> 01:20:38,020

a better word and I to a degree put this

1695

01:20:43,850 --> 01:20:40,030

down to what I call the post x-files

1696

01:20:47,820 --> 01:20:43,860

generation in that the x-files basically

1697

01:20:50,580 --> 01:20:47,830

opened the subject by the media to a lot

1698

01:20:52,230 --> 01:20:50,590

more people and it's a lot more accepted

1699

01:20:55,200 --> 01:20:52,240

now it's getting that way in this

1700

01:20:57,180 --> 01:20:55,210

country as well but you know in years

1701  
01:21:01,740 --> 01:20:57,190  
gone by people would not talk about it I

1702  
01:21:04,260 --> 01:21:01,750  
mean I when I'm at work you know I come

1703  
01:21:06,300 --> 01:21:04,270  
into contact with people and you know

1704  
01:21:07,980 --> 01:21:06,310  
you discuss things with them they say oh

1705  
01:21:09,360 --> 01:21:07,990  
what are your interests and I sort of

1706  
01:21:11,430 --> 01:21:09,370  
say well you know I'm interested in the

1707  
01:21:13,890 --> 01:21:11,440  
war mr. phenomenal oh yeah war mister I

1708  
01:21:16,680 --> 01:21:13,900  
remember that blimey

1709  
01:21:19,050 --> 01:21:16,690  
yeah I remember that so it's it's almost

1710  
01:21:21,270 --> 01:21:19,060  
a case of here day here today gone

1711  
01:21:23,660 --> 01:21:21,280  
tomorrow with us I think this country

1712  
01:21:25,189 --> 01:21:23,670  
agree I mean

1713  
01:21:29,900 --> 01:21:25,199

revolution forest I think will always be

1714

01:21:31,729 --> 01:21:29,910

with us yes due to a lot of the politics

1715

01:21:35,240 --> 01:21:31,739

that are going up well that's a probably

1716

01:21:36,709 --> 01:21:35,250

best way to describe it but you know

1717

01:21:40,250 --> 01:21:36,719

things like war mister very parochial

1718

01:21:43,910 --> 01:21:40,260

very it's a very British thing I mean

1719

01:21:45,950 --> 01:21:43,920

even even people in the town don't know

1720

01:21:47,930 --> 01:21:45,960

much about it now I mean the town has

1721

01:21:51,110 --> 01:21:47,940

grown in size over the years I'll he's

1722

01:21:54,470 --> 01:21:51,120

probably doubled its population I mean I

1723

01:21:56,630 --> 01:21:54,480

and again I can prove that by in 2015 on

1724

01:21:58,250 --> 01:21:56,640

the August bank holiday which was the

1725

01:22:01,340 --> 01:21:58,260

50th anniversary of the town hall

1726

01:22:05,209 --> 01:22:01,350

meeting I organized a convention in

1727

01:22:06,080 --> 01:22:05,219

Warminster and somebody came up to me at

1728

01:22:08,209 --> 01:22:06,090

the end of it and said oh they

1729

01:22:09,530 --> 01:22:08,219

thoroughly enjoyed it you know it's that

1730

01:22:11,630 --> 01:22:09,540

you know we've lived in this in this

1731

01:22:14,229 --> 01:22:11,640

town for about five seven years we never

1732

01:22:17,810 --> 01:22:14,239

knew any of this ever happened

1733

01:22:22,070 --> 01:22:17,820

so you know and a lot of the town people

1734

01:22:25,250 --> 01:22:22,080

do poopoo it's you know whatever you

1735

01:22:27,919 --> 01:22:25,260

know so yeah whether it's a typically

1736

01:22:30,860 --> 01:22:27,929

British thing I don't know did the

1737

01:22:35,000 --> 01:22:30,870

Ministry of Defense ever get involved in

1738

01:22:36,490 --> 01:22:35,010

any part of this they will have be a lot

1739

01:22:40,400 --> 01:22:36,500

they should have been if not they were

1740

01:22:42,560 --> 01:22:40,410

simply because of the sole people I sold

1741

01:22:46,880 --> 01:22:42,570

be plain training ground which was right

1742

01:22:49,850 --> 01:22:46,890

next to Cradle Hill so yeah well again I

1743

01:22:51,770 --> 01:22:49,860

can I can get I can give you information

1744

01:22:55,250 --> 01:22:51,780

on something I was sent a few years ago

1745

01:22:56,419 --> 01:22:55,260

in that this woman contacted me because

1746

01:22:59,150 --> 01:22:56,429

she would obviously got a few questions

1747

01:23:00,709 --> 01:22:59,160

about warminster and I answered them and

1748

01:23:04,330 --> 01:23:00,719

the reply came back to thank you very

1749

01:23:08,030 --> 01:23:04,340

much and say well my dad was a soldier

1750

01:23:10,070 --> 01:23:08,040

at the infantry barracks there and he

1751

01:23:12,439 --> 01:23:10,080

often used to go on what they call stag

1752

01:23:16,220 --> 01:23:12,449

duty now stamp duty is basically guard

1753

01:23:18,140 --> 01:23:16,230

duty and he said that she said that her

1754

01:23:19,640 --> 01:23:18,150

father had told her that they were

1755

01:23:23,240 --> 01:23:19,650

bought you know they used to get bored

1756

01:23:26,660 --> 01:23:23,250

doing this guard duty so the day was

1757

01:23:29,570 --> 01:23:26,670

sort of unofficially Skywatch and he

1758

01:23:32,300 --> 01:23:29,580

said the one or two times when they saw

1759

01:23:34,820 --> 01:23:32,310

things which they a soldiers couldn't

1760

01:23:37,610 --> 01:23:34,830

explain and the one time they actually

1761

01:23:39,230 --> 01:23:37,620

reported it because a low-flying and

1762

01:23:40,940 --> 01:23:39,240

the gambler was seen flying over the

1763

01:23:44,030 --> 01:23:40,950

camp over toward the Salisbury Plain

1764

01:23:46,340 --> 01:23:44,040

training ground of which at that time

1765

01:23:49,010 --> 01:23:46,350

that there were no activity there's no

1766

01:23:51,350 --> 01:23:49,020

activity from the Army and that report

1767

01:23:52,090 --> 01:23:51,360

was taken seriously but it was

1768

01:23:56,930 --> 01:23:52,100

inconclusive

1769

01:23:59,090 --> 01:23:56,940

so yeah they must they do they must know

1770

01:24:01,580 --> 01:23:59,100

all they do know about what happened

1771

01:24:03,110 --> 01:24:01,590

there but if you're talking the Ministry

1772

01:24:04,190 --> 01:24:03,120

of Defence you are probably talking is

1773

01:24:07,160 --> 01:24:04,200

veiled in secrecy

1774

01:24:10,040 --> 01:24:07,170

now a lot of there's a lot of talk about

1775

01:24:13,070 --> 01:24:10,050

documents that have been released and

1776

01:24:16,130 --> 01:24:13,080

some you know more being released have

1777

01:24:18,500 --> 01:24:16,140

you ever had have you ever tried to

1778

01:24:21,770 --> 01:24:18,510

search through I know it's really hard

1779

01:24:23,840 --> 01:24:21,780

to sift through these documents but has

1780

01:24:27,830 --> 01:24:23,850

anyone ever alerted you to any of them

1781

01:24:30,500 --> 01:24:27,840

regarding the bombing well regarding

1782

01:24:33,410 --> 01:24:30,510

them yes I've got a whole folder on the

1783

01:24:36,110 --> 01:24:33,420

computer on an external hard drive of

1784

01:24:37,850 --> 01:24:36,120

the mo D files that were released I mean

1785

01:24:39,890 --> 01:24:37,860

these days now you actually have to pay

1786

01:24:43,280 --> 01:24:39,900

to view them but if you caught them in

1787

01:24:45,890 --> 01:24:43,290

time you could download them for free so

1788

01:24:47,660 --> 01:24:45,900

you know I have got but if I printed it

1789

01:24:52,580 --> 01:24:47,670

out I mean goodness knows how many reams

1790

01:24:54,950 --> 01:24:52,590

of paper I get through but basically I'm

1791

01:24:57,860 --> 01:24:54,960

not saying they're useless but names

1792

01:25:03,350 --> 01:24:57,870

addresses locations and times are all

1793

01:25:06,140 --> 01:25:03,360

blanked out yes well I understand I

1794

01:25:12,830 --> 01:25:06,150

understand why they do that but

1795

01:25:16,580 --> 01:25:12,840

sometimes they you are right we got that

1796

01:25:22,930 --> 01:25:16,590

on film too I said we got that on film

1797

01:25:30,820 --> 01:25:26,390

going back to the LOD yeah they have got

1798

01:25:35,150 --> 01:25:30,830

to be aware of what happened again

1799

01:25:40,670 --> 01:25:35,160

another story I was up there in 19 I

1800

01:25:45,260 --> 01:25:40,680

think it was 86 and we my friend and I

1801

01:25:46,760 --> 01:25:45,270

had gone down and we did a Sky Watch and

1802

01:25:51,169 --> 01:25:46,770

we decided not to go back home that

1803

01:25:54,229 --> 01:25:51,179

night so we thought okay

1804

01:25:56,359 --> 01:25:54,239

I'll sleep in the car Sardo neck muscle

1805

01:25:59,719 --> 01:25:56,369

in about 11 o'clock we decided to get

1806

01:26:01,759 --> 01:25:59,729

our heads down fell asleep and then I

1807

01:26:05,899 --> 01:26:01,769

got woken up by lights approaching of

1808

01:26:09,080 --> 01:26:05,909

the hill on the road and an Army Land

1809

01:26:12,620 --> 01:26:09,090

Rover pulled up and I went down the

1810

01:26:14,390 --> 01:26:12,630

window and what are you doing here we're

1811

01:26:15,799 --> 01:26:14,400

sky watching oh don't give us any of

1812

01:26:18,669 --> 01:26:15,809

that UFO crap what the hell are you

1813

01:26:20,390 --> 01:26:18,679

doing here now we aren't going well

1814

01:26:23,839 --> 01:26:20,400

basically then I have to show my

1815

01:26:26,560 --> 01:26:23,849

driver's license with the threat of

1816

01:26:32,020 --> 01:26:26,570

having a automatic rifle poked in a year

1817

01:26:35,419 --> 01:26:32,030

and we were escorted off the hill geez

1818

01:26:41,029 --> 01:26:35,429

so again does that answer your question

1819

01:26:45,469 --> 01:26:41,039

in that yes you know the MRD are aware

1820

01:26:47,509 --> 01:26:45,479

yeah well that's interesting so I was

1821

01:26:50,870 --> 01:26:47,519

looking at your the time line on your

1822

01:26:55,609 --> 01:26:50,880

website and it talks about you know the

1823

01:27:00,350 --> 01:26:55,619

different sightings is that so there's

1824

01:27:02,660 --> 01:27:00,360

some really quite detailed I'm just

1825

01:27:05,149 --> 01:27:02,670

trying to see was er of the same person

1826

01:27:07,969 --> 01:27:05,159

twice in any of these sightings or is it

1827

01:27:10,580 --> 01:27:07,979

all different people throughout there

1828

01:27:14,209 --> 01:27:10,590

have been witnesses who have seen

1829

01:27:15,890 --> 01:27:14,219

multiple sightings yes I mean obviously

1830

01:27:17,239 --> 01:27:15,900

because I haven't got the information to

1831

01:27:19,399 --> 01:27:17,249

hand I can't actually give you their

1832

01:27:22,219 --> 01:27:19,409

names but yeah oh yeah there were people

1833

01:27:26,719 --> 01:27:22,229

that sort of were particularly I think

1834

01:27:31,459 --> 01:27:26,729

in the area of the sonic sounds should

1835

01:27:35,239 --> 01:27:31,469

we say repeatedly visited right now I

1836

01:27:39,290 --> 01:27:35,249

know they did the film in the 19th 1990

1837

01:27:40,729 --> 01:27:39,300

on the warminster UFO do you think

1838

01:27:44,629 --> 01:27:40,739

they'll ever be another documentary

1839

01:27:50,390 --> 01:27:44,639

about it I don't think a full-length

1840

01:27:54,439 --> 01:27:50,400

documentary I've been in asked to take

1841

01:27:57,319 --> 01:27:54,449

part in two television programs of which

1842

01:27:59,449 --> 01:27:57,329

I'm waiting to hear more about the one

1843

01:28:01,629 --> 01:27:59,459

is by a group of amateur filmmakers the

1844

01:28:04,790 --> 01:28:01,639

other one is by a production company

1845

01:28:07,399 --> 01:28:04,800

because sadly

1846

01:28:10,609 --> 01:28:07,409

a lot of people are not aware of

1847

01:28:13,939 --> 01:28:10,619

warminster and again I can tell you a

1848

01:28:15,950 --> 01:28:13,949

short story in that a few years ago

1849

01:28:18,669 --> 01:28:15,960

there was a four-part series produced

1850

01:28:23,510 --> 01:28:18,679

called Britain's closest encounters and

1851

01:28:26,629 --> 01:28:23,520

I was approached by the production team

1852

01:28:29,330 --> 01:28:26,639

to ask for the address of a researcher

1853

01:28:31,729 --> 01:28:29,340

who not only researched the UFO

1854

01:28:34,549 --> 01:28:31,739

phenomena in war mr. book then moved to

1855

01:28:38,419 --> 01:28:34,559

South Wales where the dahveed enigma

1856

01:28:39,859 --> 01:28:38,429

took place and I said well you know I'm

1857

01:28:43,339 --> 01:28:39,869

sorry but I've lost contact with the

1858

01:28:46,100 --> 01:28:43,349

said person you know but are you doing

1859

01:28:49,339 --> 01:28:46,110

anything about warminster and the answer

1860

01:28:54,140 --> 01:28:49,349

was what happened in Warminster so I had

1861

01:28:56,629 --> 01:28:54,150

to go through the usual spiel and on the

1862

01:28:57,919 --> 01:28:56,639

strength of that in part two I think it

1863

01:29:02,359 --> 01:28:57,929

was which was called or think the Welsh

1864

01:29:04,250 --> 01:29:02,369

triangle I'm on that in sort of with

1865

01:29:07,310 --> 01:29:04,260

them giving a five-minute spot to

1866

01:29:09,609 --> 01:29:07,320

warminster so you know even if these

1867

01:29:12,379 --> 01:29:09,619

researchers from television programs

1868

01:29:14,120 --> 01:29:12,389

don't know about it then what chances

1869

01:29:18,890 --> 01:29:14,130

that go to be of a proper documentary

1870

01:29:20,540 --> 01:29:18,900

night right right yeah I understand what

1871

01:29:23,030 --> 01:29:20,550

you're saying you know possibly part of

1872

01:29:27,709 --> 01:29:23,040

a documentary could include this as far

1873

01:29:29,450 --> 01:29:27,719

as great you know sightings in the UK or

1874

01:29:31,339 --> 01:29:29,460

something like that including Rendlesham

1875

01:29:35,120 --> 01:29:31,349

forest which like you said always of

1876

01:29:37,250 --> 01:29:35,130

course gets in the mix well we'll shoot

1877

01:29:41,600 --> 01:29:37,260

poorest has got sex appeal I don't think

1878

01:29:42,830 --> 01:29:41,610

what mr. Harris yeah yeah it's it that's

1879

01:29:47,450 --> 01:29:42,840

a good one

1880

01:29:49,459 --> 01:29:47,460

British Roswell as they say now at one

1881

01:29:51,169 --> 01:29:49,469

point you mentioned about people

1882

01:29:54,290 --> 01:29:51,179

claiming there are beings in town in

1883

01:29:55,790 --> 01:29:54,300

this forum question it says what do you

1884

01:29:57,979 --> 01:29:55,800

think of the stories of small beings

1885

01:30:01,100 --> 01:29:57,989

interrupting training at a nearby

1886

01:30:03,560 --> 01:30:01,110

infantry training school have other

1887

01:30:05,510 --> 01:30:03,570

beings been seen is this up basically

1888

01:30:06,640 --> 01:30:05,520

the same story of what you were talking

1889

01:30:08,839 --> 01:30:06,650

about or is this something different

1890

01:30:11,180 --> 01:30:08,849

this I think is something different

1891

01:30:14,950 --> 01:30:11,190

because I have to admit that I don't

1892

01:30:17,169 --> 01:30:14,960

know a lot about little people being

1893

01:30:21,469 --> 01:30:17,179

interrupting

1894

01:30:23,000 --> 01:30:21,479

army exercises or whatever I mean there

1895

01:30:25,250 --> 01:30:23,010

was a story that shuttle would himself

1896

01:30:29,509 --> 01:30:25,260

told me which I do taper the pincer salt

1897

01:30:33,229 --> 01:30:29,519

is that an army tank crew was buzzed by

1898

01:30:37,040 --> 01:30:33,239

a UFO and shot a beam of light out on it

1899

01:30:40,609 --> 01:30:37,050

and the members the tag crew then had to

1900

01:30:43,399 --> 01:30:40,619

be buried in lead-lined coffins now mmm

1901

01:30:47,330 --> 01:30:43,409

that to me is just a little bit too

1902

01:30:50,569 --> 01:30:47,340

going down the sensational East Avenue

1903

01:30:53,060 --> 01:30:50,579

personally right right hey if anyone

1904

01:30:54,799 --> 01:30:53,070

listening live in the chatroom would

1905

01:30:57,679 --> 01:30:54,809

like to pose a question go ahead and

1906

01:30:59,389 --> 01:30:57,689

post it up there and I'll ask Kevin for

1907

01:31:04,099 --> 01:30:59,399

you there's about a two minute delay

1908

01:31:08,119 --> 01:31:04,109

here so eventually I'll get that if they

1909

01:31:10,339 --> 01:31:08,129

pose the question so on your I've meant

1910

01:31:12,560 --> 01:31:10,349

to ask you right off the bat you do want

1911

01:31:14,810 --> 01:31:12,570

to give out your website I'm sure so

1912

01:31:16,580 --> 01:31:14,820

I'll do that for you there's a lot of

1913

01:31:24,679 --> 01:31:16,590

information for the listener to see

1914

01:31:25,759 --> 01:31:24,689

there it's WWF o - warminster a dot co

1915

01:31:29,629 --> 01:31:25,769

dot uk'

1916

01:31:32,779 --> 01:31:29,639

right that's the one yes and I really

1917

01:31:35,299 --> 01:31:32,789

like the timeline and did that did that

1918

01:31:37,099 --> 01:31:35,309

all come about from you going through

1919

01:31:41,779 --> 01:31:37,109

newspaper clips or how did you put that

1920

01:31:43,580 --> 01:31:41,789

together well the information was put

1921

01:31:48,229 --> 01:31:43,590

together by myself and Steve Julie my

1922

01:31:50,540 --> 01:31:48,239

co-author and he's basically transcribed

1923

01:31:52,790 --> 01:31:50,550

everything onto the website I mean you

1924

01:31:56,089 --> 01:31:52,800

know we've both got busy lives and we

1925

01:31:57,799 --> 01:31:56,099

just can't keep updating it regularly in

1926

01:32:02,060 --> 01:31:57,809

fact if anything the UFO woman's -

1927

01:32:05,239 --> 01:32:02,070

Facebook page is probably updating a lot

1928

01:32:08,290 --> 01:32:05,249

more regularly but yeah I mean it's it

1929

01:32:12,859 --> 01:32:08,300

was a case of going through books

1930

01:32:14,689 --> 01:32:12,869

magazines periodicals the works to get

1931

01:32:20,029 --> 01:32:14,699

the information then collating it into a

1932

01:32:21,919 --> 01:32:20,039

cohesive timeline I got it okay and the

1933

01:32:24,520 --> 01:32:21,929

photographs I was looking at them you

1934

01:32:26,810 --> 01:32:24,530

have I only got through the first page

1935

01:32:31,730 --> 01:32:26,820

nothing really

1936

01:32:33,740 --> 01:32:31,740

nothing that you can really see really

1937

01:32:36,890 --> 01:32:33,750

clearly unless these photographs really

1938

01:32:39,530 --> 01:32:36,900

blow up they blow up somewhat but

1939

01:32:43,970 --> 01:32:39,540

there's not not really any spectacular

1940

01:32:46,010 --> 01:32:43,980

photographs unless I'm missing something

1941

01:32:49,310 --> 01:32:46,020

no I don't think you're missing anything

1942

01:32:51,860 --> 01:32:49,320

I mean I you know I think that like I

1943

01:32:54,620 --> 01:32:51,870

said before you know the problem with

1944

01:32:58,340 --> 01:32:54,630

warminster is that you know we did not

1945

01:33:01,670 --> 01:32:58,350

have at the time in from the 60s through

1946

01:33:04,040 --> 01:33:01,680

possibly until the late 70s we didn't

1947

01:33:07,040 --> 01:33:04,050

have the technology to take good clear

1948

01:33:08,780 --> 01:33:07,050

photographs right whereas today you know

1949

01:33:11,330 --> 01:33:08,790

I mean I remember seeing one on

1950

01:33:13,970 --> 01:33:11,340

something on YouTube a couple years ago

1951

01:33:19,580 --> 01:33:13,980

with supposedly UFOs over Jerusalem

1952

01:33:24,290 --> 01:33:19,590

yes oh yeah hey hang on yeah that's a no

1953

01:33:25,850 --> 01:33:24,300

is that a fake you know so yeah it's in

1954

01:33:30,380 --> 01:33:25,860

the eye of the beholder to a degree I

1955

01:33:32,900 --> 01:33:30,390

think you know I asked I could still you

1956

01:33:34,370 --> 01:33:32,910

know I still I'm angry the fact that

1957

01:33:36,980 --> 01:33:34,380

those four photographs I took of that

1958

01:33:39,620 --> 01:33:36,990

cigar see I told yet never came out that

1959

01:33:44,060 --> 01:33:39,630

can you tell us about our thirst shuttle

1960

01:33:46,400 --> 01:33:44,070

would sky watching team I can tell you a

1961

01:33:49,820 --> 01:33:46,410

little bit about the author himself as I

1962

01:33:54,230 --> 01:33:49,830

said was the was a journalist for the

1963

01:33:58,430 --> 01:33:54,240

war mister journal he was at one stage a

1964

01:34:01,490 --> 01:33:58,440

counsellor for war mr. tau X Grenadier

1965

01:34:03,710 --> 01:34:01,500

Guards Minh and he was evacuated from

1966

01:34:11,300 --> 01:34:03,720

Dunkirk when the British forces

1967

01:34:15,620 --> 01:34:11,310

retreated died sadly in 1996 but did a

1968

01:34:17,720 --> 01:34:15,630

lot of work keeping more Minster and

1969

01:34:20,000 --> 01:34:17,730

getting warmest his name out there as

1970

01:34:21,950 --> 01:34:20,010

regard to the phenomenon a civil

1971

01:34:24,130 --> 01:34:21,960

champion I know very little about she

1972

01:34:27,980 --> 01:34:24,140

herself was I believe a housewife and

1973

01:34:30,500 --> 01:34:27,990

Bob Strom the photographer is was an ex

1974

01:34:33,740 --> 01:34:30,510

RAF pilot who was obviously very keen on

1975

01:34:37,430 --> 01:34:33,750

photography and that that was basically

1976

01:34:39,170 --> 01:34:37,440

the core of his initial skywatching team

1977

01:34:40,370 --> 01:34:39,180

and then obviously later on people like

1978

01:34:42,910 --> 01:34:40,380

Ken Rogers

1979

01:34:45,979 --> 01:34:42,920

Rogers who wrote the warminster triangle

1980

01:34:48,379 --> 01:34:45,989

he moved to the town as did other people

1981

01:34:50,689 --> 01:34:48,389

and they all sort of came into that

1982

01:34:53,780 --> 01:34:50,699

group so Arthur was never really solely

1983

01:34:56,209 --> 01:34:53,790

doing it on his own he helped set up the

1984

01:34:58,939 --> 01:34:56,219

fountain Center in Warminster that's the

1985

01:35:01,729 --> 01:34:58,949

place where I used to stay at run by

1986

01:35:03,290 --> 01:35:01,739

Peter and Jane Padgett and then he moved

1987

01:35:07,060 --> 01:35:03,300

on and then helped set up another

1988

01:35:10,910 --> 01:35:07,070

organization called UFO info so he was

1989

01:35:16,399 --> 01:35:10,920

proactive on with the phenomenon in the

1990

01:35:22,220 --> 01:35:16,409

town definitely now when this this was

1991

01:35:23,959 --> 01:35:22,230

going on back in the 1960s and it

1992

01:35:27,080 --> 01:35:23,969

started right after you said it finally

1993

01:35:30,290 --> 01:35:27,090

got some publicity did people did people

1994

01:35:35,740 --> 01:35:30,300

flock to the town in hopes of seeing

1995

01:35:38,360 --> 01:35:35,750

something yes there is a famous quote

1996

01:35:41,510 --> 01:35:38,370

within the warmest of fraternity shall

1997

01:35:43,610 --> 01:35:41,520

we say of one of the landlords of the

1998

01:35:45,350 --> 01:35:43,620

public houses in the town saying that it

1999

01:35:50,720 --> 01:35:45,360

was the only time he ever known the town

2000

01:35:53,810 --> 01:35:50,730

run dry of beer that was that was

2001

01:35:58,270 --> 01:35:53,820

possibly around again the August 1965

2002

01:36:02,060 --> 01:35:58,280

mark of the famous town hall meeting and

2003

01:36:04,610 --> 01:36:02,070

apparently one of the fields in cradle

2004

01:36:06,350 --> 01:36:04,620

Hill was turned into a mini mini

2005

01:36:08,570 --> 01:36:06,360

Glastonbury and so much there were so

2006

01:36:10,459 --> 01:36:08,580

many cars and tents on there you know

2007

01:36:12,020 --> 01:36:10,469

the they say there must have been up to

2008

01:36:16,729 --> 01:36:12,030

a thousand people up on the hills that

2009

01:36:18,919 --> 01:36:16,739

that weekend well now in back in 1965 I

2010

01:36:21,919 --> 01:36:18,929

saw in the timeline that someone

2011

01:36:24,320 --> 01:36:21,929

observed a large red ball which we would

2012

01:36:26,570 --> 01:36:24,330

call like an orb an orb sighting which

2013

01:36:28,430 --> 01:36:26,580

you hear about quite a bit today was

2014

01:36:33,800 --> 01:36:28,440

that a lot of what people were seeing as

2015

01:36:35,750 --> 01:36:33,810

well yes I think again going back to

2016

01:36:38,180 --> 01:36:35,760

what I spoke about earlier on

2017

01:36:41,930 --> 01:36:38,190

Arthur shuttle would refer to them as

2018

01:36:43,430 --> 01:36:41,940

amber gamblers and again I had first or

2019

01:36:44,780 --> 01:36:43,440

I didn't sorry I didn't have first-hand

2020

01:36:46,570 --> 01:36:44,790

knowledge so I wasn't there but some

2021

01:36:49,310 --> 01:36:46,580

feta mites had first-hand knowledge of

2022

01:36:51,860 --> 01:36:49,320

they were holding a Sky Watch in another

2023

01:36:54,320 --> 01:36:51,870

area believe it's called Upton Scudamore

2024

01:36:57,080 --> 01:36:54,330

which is the small village just outside

2025

01:36:59,390 --> 01:36:57,090

Minister and again two of them had

2026  
01:37:01,310 --> 01:36:59,400  
hunkered down in the car to sleep and

2027  
01:37:02,750 --> 01:37:01,320  
they will rudely woken up by the two

2028  
01:37:04,370 --> 01:37:02,760  
others banging on the roof of the car

2029  
01:37:07,190 --> 01:37:04,380  
saying get out you've got to come and

2030  
01:37:10,430 --> 01:37:07,200  
look at this and one of these amber

2031  
01:37:12,230 --> 01:37:10,440  
gamblers literally buzzed them and then

2032  
01:37:15,410 --> 01:37:12,240  
went off in that again the direction of

2033  
01:37:17,510 --> 01:37:15,420  
the plane so I think this light that

2034  
01:37:22,690 --> 01:37:17,520  
you're referring to is probably going to

2035  
01:37:26,300 --> 01:37:22,700  
be a rather large I'm a gambler ah yeah

2036  
01:37:28,250 --> 01:37:26,310  
well I'm at this time I'm gonna say that

2037  
01:37:31,700 --> 01:37:28,260  
if anyone would like to call in and ask

2038  
01:37:34,100 --> 01:37:31,710

our guest a question we've had trouble

2039

01:37:35,630 --> 01:37:34,110

with Skype joining calls but somehow I

2040

01:37:37,340 --> 01:37:35,640

noticed some maybe with the recent

2041

01:37:40,820 --> 01:37:37,350

download that's been fixed because I was

2042

01:37:42,800 --> 01:37:40,830

able to connect the last person so if

2043

01:37:44,860 --> 01:37:42,810

anyone wants to call in you're welcome

2044

01:37:49,280 --> 01:37:44,870

to call in and ask our guest a question

2045

01:37:51,860 --> 01:37:49,290

that number is 603 if you're calling

2046

01:37:55,820 --> 01:37:51,870

from out of country it's one six zero

2047

01:38:02,270 --> 01:37:55,830

three nine six seven four OH three oh

2048

01:38:05,210 --> 01:38:02,280

and also you can Skype in and that's at

2049

01:38:12,170 --> 01:38:05,220

Marty Willis that's all it is Marty

2050

01:38:15,950 --> 01:38:12,180

Willis ma RT y WI ll is so let's just

2051

01:38:17,810 --> 01:38:15,960

see oh the guy in the chat room a guy

2052

01:38:19,850 --> 01:38:17,820

Mike wanted to know if there's anything

2053

01:38:23,390 --> 01:38:19,860

more you can give on the information

2054

01:38:26,690 --> 01:38:23,400

where the person claimed that he ran

2055

01:38:29,330 --> 01:38:26,700

over a being that vanished was there

2056

01:38:33,980 --> 01:38:29,340

more information on that there is a inch

2057

01:38:36,560 --> 01:38:33,990

of woods books or as I say all I know is

2058

01:38:41,930 --> 01:38:36,570

that it was able I think it was a foggy

2059

01:38:45,530 --> 01:38:41,940

night and the car was driving saw this

2060

01:38:49,100 --> 01:38:45,540

figure ahead of them and before the

2061

01:38:51,140 --> 01:38:49,110

driver could take evasive action the

2062

01:38:54,290 --> 01:38:51,150

person was hit by the car the driver

2063

01:38:58,730 --> 01:38:54,300

stopped got out and the person was no

2064

01:39:01,550 --> 01:38:58,740

longer there that is really bizarre you

2065

01:39:03,380 --> 01:39:01,560

know you do hear of crafts a lot of

2066

01:39:06,770 --> 01:39:03,390

times like a craft I'll just plain

2067

01:39:10,190 --> 01:39:06,780

disappear instead of you know you talked

2068

01:39:12,770 --> 01:39:10,200

earlier about seeing one take off and

2069

01:39:15,050 --> 01:39:12,780

all that but still you never hear about

2070

01:39:19,430 --> 01:39:15,060

I mean you also hear about them just

2071

01:39:23,900 --> 01:39:19,440

plain disappearing so let me just give

2072

01:39:28,490 --> 01:39:23,910

this over to the Skype we might have

2073

01:39:31,310 --> 01:39:28,500

someone calling in I think that might be

2074

01:39:33,130 --> 01:39:31,320

it for our form questions because you

2075

01:39:38,510 --> 01:39:33,140

already talked about Roger Hooton right

2076

01:39:41,450 --> 01:39:38,520

yeah yeah and at the anniversary there's

2077

01:39:45,080 --> 01:39:41,460

one last question here you commented at

2078

01:39:47,150 --> 01:39:45,090

the 2015 warmest warminster anniversary

2079

01:39:50,270 --> 01:39:47,160

that a lot more people are ready to

2080

01:39:51,710 --> 01:39:50,280

embrace the subject of UFOs today much

2081

01:39:55,220 --> 01:39:51,720

more in the past is that do you think

2082

01:39:59,000 --> 01:39:55,230

that's in the UK or do you think that's

2083

01:40:01,250 --> 01:39:59,010

worldwide I think it's worldwide I mean

2084

01:40:05,000 --> 01:40:01,260

I can only obviously speak for the UK

2085

01:40:06,980 --> 01:40:05,010

but you know when I was first going down

2086

01:40:10,730 --> 01:40:06,990

to Warminster when I was at college

2087

01:40:14,840 --> 01:40:10,740

which would have been about 1976 to 78

2088

01:40:18,740 --> 01:40:14,850

something like that you kept your

2089

01:40:23,600 --> 01:40:18,750

interest in this very quiet because you

2090

01:40:25,400 --> 01:40:23,610

were ridiculed these days whether or not

2091

01:40:31,880 --> 01:40:25,410

it's because as I say people are more

2092

01:40:35,270 --> 01:40:31,890

open now to more esoteric ideas you know

2093

01:40:39,080 --> 01:40:35,280

it's you can discuss it in a serious way

2094

01:40:42,170 --> 01:40:39,090

such as we are doing it tonight because

2095

01:40:43,670 --> 01:40:42,180

people don't take a step away from you

2096

01:40:46,130 --> 01:40:43,680

and have that faraway look in their eyes

2097

01:40:50,240 --> 01:40:46,140

and to say I'm getting out of here right

2098

01:40:53,090 --> 01:40:50,250

so yeah and again I think it's to do

2099

01:40:57,500 --> 01:40:53,100

with things like Close Encounters of the

2100

01:41:01,430 --> 01:40:57,510

Third Kind of film The X Files dark

2101  
01:41:07,610 --> 01:41:01,440  
skies possibly you know all these main

2102  
01:41:11,750 --> 01:41:07,620  
media programs I think have to a degree

2103  
01:41:13,280 --> 01:41:11,760  
opened people's minds slightly and not

2104  
01:41:15,290 --> 01:41:13,290  
only that but of course there was a

2105  
01:41:18,110 --> 01:41:15,300  
report a few years ago in this country

2106  
01:41:20,450 --> 01:41:18,120  
saying that church attendances were

2107  
01:41:24,860 --> 01:41:20,460  
dropping because people were no longer

2108  
01:41:26,930 --> 01:41:24,870  
interested or wanted that kind of

2109  
01:41:31,479 --> 01:41:26,940  
spirituality now whether people are

2110  
01:41:34,220 --> 01:41:31,489  
going over to a more cosmological

2111  
01:41:38,930 --> 01:41:34,230  
spirituality I don't know but you know I

2112  
01:41:42,680 --> 01:41:38,940  
do think that people are more willing to

2113  
01:41:45,800 --> 01:41:42,690

embrace something like that now mm-hmm I

2114

01:41:47,420 --> 01:41:45,810

I agree I totally agree and hmm just in

2115

01:41:49,970 --> 01:41:47,430

the short time that I've been doing this

2116

01:41:52,340 --> 01:41:49,980

show which is oh my god am i coming

2117

01:41:55,220 --> 01:41:52,350

about five years I might be yeah I think

2118

01:41:57,170 --> 01:41:55,230

so or maybe even longer I don't know but

2119

01:42:00,740 --> 01:41:57,180

up for the length of time I've been

2120

01:42:04,580 --> 01:42:00,750

doing this I think that just with the

2121

01:42:08,420 --> 01:42:04,590

more awareness of you know possible

2122

01:42:11,300 --> 01:42:08,430

life-bearing planets out there in just a

2123

01:42:15,200 --> 01:42:11,310

short time that it's gonna be easier and

2124

01:42:18,790 --> 01:42:15,210

easier and easier pill to swallow yeah

2125

01:42:24,560 --> 01:42:18,800

it ever comes along oh I think you know

2126

01:42:26,270 --> 01:42:24,570

it's almost arrogance on a belay on on

2127

01:42:29,030 --> 01:42:26,280

us to believe that we are the only

2128

01:42:33,080 --> 01:42:29,040

intelligent life in the universe you

2129

01:42:35,720 --> 01:42:33,090

know I mean Catholic upbringing we were

2130

01:42:37,550 --> 01:42:35,730

created by God and then I did hear

2131

01:42:39,650 --> 01:42:37,560

something a while back that the Catholic

2132

01:42:41,630 --> 01:42:39,660

Church had now back step slightly and

2133

01:42:43,970 --> 01:42:41,640

said something on the lines of what if

2134

01:42:46,280 --> 01:42:43,980

intelligent universe's life is found in

2135

01:42:50,240 --> 01:42:46,290

the universe then it's all part of God's

2136

01:42:54,170 --> 01:42:50,250

making yes so it's almost like you know

2137

01:42:59,240 --> 01:42:56,690

a question in the chat room out of all

2138

01:43:01,400 --> 01:42:59,250

the stories that you've heard and

2139

01:43:02,750 --> 01:43:01,410

researched well you know I'm gonna hang

2140

01:43:05,120 --> 01:43:02,760

on that because I have uh someone

2141

01:43:08,590 --> 01:43:05,130

calling in now and I'd rather take the

2142

01:43:12,590 --> 01:43:08,600

call and I'll finish that question later

2143

01:43:14,300 --> 01:43:12,600

hello caller you're on the air can you

2144

01:43:19,580 --> 01:43:14,310

tell us your first name and where you're

2145

01:43:21,770 --> 01:43:19,590

calling from South Carolina

2146

01:43:24,989 --> 01:43:21,780

hi Ryan thank you so much you have a

2147

01:43:32,310 --> 01:43:26,939

part mcclure do you have a question for

2148

01:43:34,529 --> 01:43:32,320

Kevin I do um kind of a long-winded type

2149

01:43:38,609 --> 01:43:34,539

way yeah well I'm a long time skeptic

2150

01:43:41,599 --> 01:43:38,619

and the issue they do I take with this

2151  
01:43:44,399 --> 01:43:41,609  
is there's never any hard evidence and

2152  
01:43:47,429 --> 01:43:44,409  
my question Canada has never seen any

2153  
01:43:49,679 --> 01:43:47,439  
really really or what's the hardest

2154  
01:43:53,509 --> 01:43:49,689  
evidence he's seen that proves we have

2155  
01:43:56,399 --> 01:43:53,519  
been visited by extraterrestrials I

2156  
01:43:59,189 --> 01:43:56,409  
think the hardest evidence that I've

2157  
01:44:01,889 --> 01:43:59,199  
seen if you heard me talking about it

2158  
01:44:02,819 --> 01:44:01,899  
earlier on was the sighting of those

2159  
01:44:06,119 --> 01:44:02,829  
four red lights

2160  
01:44:07,589 --> 01:44:06,129  
in Warminster which the lead object flew

2161  
01:44:10,709 --> 01:44:07,599  
away at speed and then did that

2162  
01:44:14,609 --> 01:44:10,719  
90-degree turn without stopping yeah

2163  
01:44:16,709 --> 01:44:14,619

that that was the whole reason why I was

2164

01:44:19,500 --> 01:44:16,719

interested in in Warminster and the UFO

2165

01:44:22,349 --> 01:44:19,510

phenomenon insomuch that yes I wanted to

2166

01:44:25,079 --> 01:44:22,359

see it for myself and I did and boy did

2167

01:44:29,699 --> 01:44:25,089

that I don't say it changed my life to

2168

01:44:31,379 --> 01:44:29,709

the degree all right I'm hearing a

2169

01:44:33,750 --> 01:44:31,389

little bit of an echo here it's probably

2170

01:44:37,549 --> 01:44:33,760

you probably have your your radio or

2171

01:44:40,560 --> 01:44:37,559

your computer on so in the background

2172

01:44:44,599 --> 01:44:40,570

yeah you're gonna want them use that did

2173

01:44:48,020 --> 01:44:44,609

you mean more of a theoretical question

2174

01:44:50,579 --> 01:44:48,030

as far as that question goes like in

2175

01:44:51,839 --> 01:44:50,589

general what type of evidence has he

2176

01:44:53,270 --> 01:44:51,849

seen or were you talking about him

2177

01:45:00,329 --> 01:44:53,280

personally

2178

01:45:05,119 --> 01:45:00,339

every in every UFO investigator has has

2179

01:45:07,770 --> 01:45:05,129

their standard of yes I mean for example

2180

01:45:10,169 --> 01:45:07,780

Stanton Friedman for example he likes to

2181

01:45:14,759 --> 01:45:10,179

point out that you know the cumulative

2182

01:45:16,259 --> 01:45:14,769

number of anecdotal evidence some some

2183

01:45:17,969 --> 01:45:16,269

physical evidence that you know in my

2184

01:45:20,459 --> 01:45:17,979

opinion can be replicated here on earth

2185

01:45:23,159 --> 01:45:20,469

and I'm just kind of asking for what he

2186

01:45:26,969 --> 01:45:23,169

considers the hardest evidence he's seen

2187

01:45:30,089 --> 01:45:26,979

I guess the best way to put it yeah as I

2188

01:45:32,759 --> 01:45:30,099

said it was those four red lights and of

2189

01:45:34,679 --> 01:45:32,769

course I have come across in the past

2190

01:45:37,279 --> 01:45:34,689

people saying there didn't happen

2191

01:45:38,940 --> 01:45:37,289

whatever and I'm sorry but the only

2192

01:45:42,600 --> 01:45:38,950

answer I have to

2193

01:45:45,510 --> 01:45:42,610

is that you were there you know and if

2194

01:45:46,980 --> 01:45:45,520

that person isn't there then all they've

2195

01:45:52,440 --> 01:45:46,990

got is your word for it

2196

01:45:54,390 --> 01:45:52,450

and so you know it's subjective you know

2197

01:45:57,300 --> 01:45:54,400

if you were to if you yourself were to

2198

01:45:59,940 --> 01:45:57,310

go out tonight and see something that

2199

01:46:06,570 --> 01:45:59,950

you couldn't explain logically then you

2200

01:46:07,040 --> 01:46:06,580

would consider to be a UFO yeah all

2201

01:46:09,750 --> 01:46:07,050

right

2202

01:46:12,660 --> 01:46:09,760

hey I really appreciate the question

2203

01:46:13,410 --> 01:46:12,670

thanks so much for calling in all right

2204

01:46:17,640 --> 01:46:13,420

thank you very much

2205

01:46:19,980 --> 01:46:17,650

all right hang up now take care now all

2206

01:46:24,690 --> 01:46:19,990

right so we had another question up

2207

01:46:28,260 --> 01:46:24,700

there and that is out of all the stories

2208

01:46:33,110 --> 01:46:28,270

you've heard research what was the one

2209

01:46:33,120 --> 01:46:37,910

that's a big

2210

01:46:43,050 --> 01:46:40,680

well obviously the war mister phenomenon

2211

01:46:44,760 --> 01:46:43,060

to start with obviously because again we

2212

01:46:49,100 --> 01:46:44,770

have no answers but then again we have

2213

01:46:51,270 --> 01:46:49,110

no answers for the UFO phenomenon per se

2214

01:46:54,990 --> 01:46:51,280

so if you weren't

2215

01:46:58,470 --> 01:46:55,000

if you thought war mister out of the

2216

01:47:04,650 --> 01:46:58,480

equation I would probably say then with

2217

01:47:07,890 --> 01:47:04,660

what I've read Rendlesham probably but

2218

01:47:10,680 --> 01:47:07,900

because there is so much fog around the

2219

01:47:14,100 --> 01:47:10,690

subject of Rendlesham at the moment then

2220

01:47:16,170 --> 01:47:14,110

you know I I don't know but I would say

2221

01:47:18,960 --> 01:47:16,180

probably you know did Rendlesham happen

2222

01:47:19,650 --> 01:47:18,970

yeah I think it did what happened I

2223

01:47:23,520 --> 01:47:19,660

don't know

2224

01:47:28,890 --> 01:47:23,530

because again using that answer of mine

2225

01:47:30,930 --> 01:47:28,900

I wasn't there I know I've had just I've

2226

01:47:33,840 --> 01:47:30,940

had a number of people from Rendlesham

2227

01:47:38,790 --> 01:47:33,850

on my show in the past as a few that

2228

01:47:41,250 --> 01:47:38,800

have declined one Jim Penniston keeps

2229

01:47:44,100 --> 01:47:41,260

saying he's going to be on eventually I

2230

01:47:48,750 --> 01:47:44,110

really want to question him pretty hard

2231

01:47:50,480 --> 01:47:48,760

about the the digital download he

2232

01:47:54,700 --> 01:47:50,490

supposedly got

2233

01:47:57,580 --> 01:47:54,710

it I'm a little skeptical that one but

2234

01:48:01,670 --> 01:47:57,590

there is as you know a lot of infighting

2235

01:48:06,230 --> 01:48:01,680

between the witnesses at Rendlesham

2236

01:48:09,980 --> 01:48:06,240

forest and but you know there's there's

2237

01:48:14,230 --> 01:48:09,990

really solid there's solid evidence I

2238

01:48:16,990 --> 01:48:14,240

think in that particular one I I

2239

01:48:19,550 --> 01:48:17,000

consider it one of the top five

2240

01:48:22,460 --> 01:48:19,560

sightings of all time myself I don't

2241

01:48:25,280 --> 01:48:22,470

know what your feelings are on that well

2242

01:48:26,900 --> 01:48:25,290

I agree with what you're saying about it

2243

01:48:27,730 --> 01:48:26,910

being one of the top sightings of all

2244

01:48:31,850 --> 01:48:27,740

time

2245

01:48:37,220 --> 01:48:31,860

but the problem is the water is getting

2246

01:48:41,800 --> 01:48:37,230

muddied you know and I am steering well

2247

01:48:45,460 --> 01:48:41,810

clear of Rendlesham as such not

2248

01:48:48,080 --> 01:48:45,470

geographically but the subject itself I

2249

01:48:49,990 --> 01:48:48,090

mean I've been to Mendelson but that's

2250

01:48:52,820 --> 01:48:50,000

beside the point

2251

01:48:55,820 --> 01:48:52,830

because it's not doing us any favors I

2252

01:48:57,800 --> 01:48:55,830

mean I always thought there was a lot of

2253

01:49:01,010 --> 01:48:57,810

politics and a lot of mudslinging in

2254

01:49:03,290 --> 01:49:01,020

ufology in the 1970s and when I got back

2255

01:49:06,410 --> 01:49:03,300

into it if you go about ten years or so

2256

01:49:09,680 --> 01:49:06,420

ago now probably got back into it and I

2257

01:49:12,170 --> 01:49:09,690

was shocked and amazed that it's even

2258

01:49:13,970 --> 01:49:12,180

worse it's almost like people are

2259

01:49:16,990 --> 01:49:13,980

point-scoring off each other what I'm

2260

01:49:19,760 --> 01:49:17,000

sorry but that's not the subjects about

2261

01:49:22,490 --> 01:49:19,770

well you know there's there are a lot of

2262

01:49:24,980 --> 01:49:22,500

flaws and I think you can blame some of

2263

01:49:27,770 --> 01:49:24,990

that on technology for instance there's

2264

01:49:30,620 --> 01:49:27,780

you know I'm talking to you in Russia on

2265

01:49:32,510 --> 01:49:30,630

skype through the internet that didn't

2266

01:49:34,390 --> 01:49:32,520

exist you know when you were first

2267

01:49:36,650 --> 01:49:34,400

interested in this topic

2268

01:49:40,760 --> 01:49:36,660

exactly I wouldn't be talking about it

2269

01:49:45,350 --> 01:49:40,770

so in that case you know there is there

2270

01:49:49,040 --> 01:49:45,360

is a lot of politics unfortunately there

2271

01:49:54,890 --> 01:49:49,050

are people that are really diehards

2272

01:49:58,010 --> 01:49:54,900

against their their golden egg sort of

2273

01:49:59,720 --> 01:49:58,020

falling apart so they'll protect it even

2274

01:50:02,630 --> 01:49:59,730

if new evidence comes along you know

2275

01:50:04,430 --> 01:50:02,640

I've seen that a few times yeah and okay

2276

01:50:06,620 --> 01:50:04,440

so you got basically out of the

2277

01:50:09,020 --> 01:50:06,630

UFO field for a while and back into it

2278

01:50:13,430 --> 01:50:09,030

can you describe what made you leave and

2279

01:50:16,459 --> 01:50:13,440

what made you come back oh right well I

2280

01:50:20,110 --> 01:50:16,469

grew up basically for want of a better

2281

01:50:25,040 --> 01:50:20,120

expression now I got married and

2282

01:50:28,280 --> 01:50:25,050

obviously married life you have to make

2283

01:50:31,910 --> 01:50:28,290

sacrifices you have to sort of

2284

01:50:34,220 --> 01:50:31,920

accommodate the partner etc etc you know

2285

01:50:38,660 --> 01:50:34,230

and I had a very happy 14 odd year

2286

01:50:40,910 --> 01:50:38,670

marriage until my wife died and I was

2287

01:50:42,709 --> 01:50:40,920

going through a box we'd recently moved

2288

01:50:45,590 --> 01:50:42,719

or seemed to make a habit of this and we

2289

01:50:48,650 --> 01:50:45,600

recently moved we'd recently moved and I

2290

01:50:52,820 --> 01:50:48,660

um found a box but we haven't unpacked

2291

01:50:56,510 --> 01:50:52,830

and I done the very very very first very

2292

01:51:00,459 --> 01:50:56,520

rough draft of what became UFO war mr.

2293

01:51:03,410 --> 01:51:00,469

cradle of contact and I looked at it and

2294

01:51:05,120 --> 01:51:03,420

read what I'd written in about 3/4 of an

2295

01:51:08,920 --> 01:51:05,130

hour and I thought my god I could do

2296

01:51:12,890 --> 01:51:08,930

better than that now so I sat down

2297

01:51:17,180 --> 01:51:12,900

hunkered down wrote everything up made

2298

01:51:18,439 --> 01:51:17,190

some remade some old friendships with

2299

01:51:20,180 --> 01:51:18,449

people that I was he more mister with

2300

01:51:24,010 --> 01:51:20,190

that I'd lost contact with her and still

2301  
01:51:29,930 --> 01:51:24,020  
in contact with him now bless them and

2302  
01:51:31,790 --> 01:51:29,940  
then through a complete accident I was

2303  
01:51:34,580 --> 01:51:31,800  
doing an internet search on warminster

2304  
01:51:35,930 --> 01:51:34,590  
and this website came up and I looked at

2305  
01:51:39,290 --> 01:51:35,940  
it and there's a book there called in

2306  
01:51:42,100 --> 01:51:39,300  
alien heat the warminster mystery

2307  
01:51:46,640 --> 01:51:42,110  
deconstructed by Steve Julian John Riis

2308  
01:51:51,110 --> 01:51:46,650  
and believe it or not I actually had met

2309  
01:51:52,729 --> 01:51:51,120  
Steve in October of 1976 when he came to

2310  
01:51:57,260 --> 01:51:52,739  
the research centre I was staying at to

2311  
01:51:59,150 --> 01:51:57,270  
report a UFO sighting and he very kindly

2312  
01:52:01,670 --> 01:51:59,160  
offered to have a look at the book and

2313  
01:52:03,500 --> 01:52:01,680

then before I realized it he always

2314

01:52:08,570 --> 01:52:03,510

polished out and he polished it and

2315

01:52:10,430 --> 01:52:08,580

brushed it up and changed it and that's

2316

01:52:12,170 --> 01:52:10,440

now history so the books you know the

2317

01:52:14,479 --> 01:52:12,180

books out there it's co-written by Steve

2318

01:52:16,550 --> 01:52:14,489

and myself but that's the reason why I

2319

01:52:17,700 --> 01:52:16,560

got back into it because you know war

2320

01:52:20,040 --> 01:52:17,710

mystery is a little bit like

2321

01:52:21,720 --> 01:52:20,050

you know I've got you know it went back

2322

01:52:23,280 --> 01:52:21,730

down there and I think you know this is

2323

01:52:25,500 --> 01:52:23,290

what I've been missing all this sort of

2324

01:52:28,890 --> 01:52:25,510

thing and then before you realize it you

2325

01:52:30,209 --> 01:52:28,900

you get drawn back into it again and I

2326

01:52:34,350 --> 01:52:30,219

don't regret it one bit

2327

01:52:38,220 --> 01:52:34,360

well that's good we're getting close to

2328

01:52:41,010 --> 01:52:38,230

the end of the show and oh yeah if it

2329

01:52:45,720 --> 01:52:41,020

goes fast now one of the things I always

2330

01:52:48,300 --> 01:52:45,730

think about is or I get email quite a

2331

01:52:50,550 --> 01:52:48,310

few emails and also I might as well say

2332

01:52:52,560 --> 01:52:50,560

this while I'm talking about that if I

2333

01:52:56,820 --> 01:52:52,570

don't answer your email right away I

2334

01:53:00,120 --> 01:52:56,830

will try to eventually answer it so

2335

01:53:03,290 --> 01:53:00,130

don't be afraid to email me at Martin at

2336

01:53:06,360 --> 01:53:03,300

podcast UFO comm but one of the

2337

01:53:08,010 --> 01:53:06,370

questions that a lot of people send me

2338

01:53:10,890 --> 01:53:08,020

is you know where where are the really

2339

01:53:13,200 --> 01:53:10,900

big sightings you know I mean what's

2340

01:53:15,810 --> 01:53:13,210

happening we don't we don't hear of any

2341

01:53:19,560 --> 01:53:15,820

major like Phoenix lights or Rendlesham

2342

01:53:21,150 --> 01:53:19,570

forest or anything like that so what is

2343

01:53:23,280 --> 01:53:21,160

your answer to that why do you think

2344

01:53:24,810 --> 01:53:23,290

there's not with all the cell phone

2345

01:53:28,070 --> 01:53:24,820

technology out there and everything that

2346

01:53:33,440 --> 01:53:28,080

we have why aren't the really big heavy

2347

01:53:41,490 --> 01:53:38,880

that's a difficult one you know it could

2348

01:53:44,959 --> 01:53:41,500

be that to a degree like the warmest of

2349

01:53:49,320 --> 01:53:44,969

phenomenon it served its purpose

2350

01:53:51,660 --> 01:53:49,330

possibly but if I knew the answer to

2351

01:53:54,030 --> 01:53:51,670

that question along with a couple of

2352

01:53:57,180 --> 01:53:54,040

other questions within the field believe

2353

01:54:00,930 --> 01:53:57,190

you me you would be speaking to me and I

2354

01:54:03,540 --> 01:54:00,940

would be in my 18 room mansion with the

2355

01:54:05,700 --> 01:54:03,550

Rolls Royce outside the front door yeah

2356

01:54:08,810 --> 01:54:05,710

it gives the one thing that you will

2357

01:54:15,000 --> 01:54:08,820

find is the this subject will never ever

2358

01:54:17,520 --> 01:54:15,010

pay you back in any way yeah so I I

2359

01:54:19,229 --> 01:54:17,530

think to be honest whether or not you

2360

01:54:23,280 --> 01:54:19,239

know it served its purpose I don't know

2361

01:54:27,570 --> 01:54:23,290

but whether or not people are becoming

2362

01:54:30,150 --> 01:54:27,580

so blase about in there you know oh yeah

2363

01:54:31,540 --> 01:54:30,160

lights in the sky must be a UFO Oh carry

2364

01:54:33,970 --> 01:54:31,550

on doing what I was doing sort of thing

2365

01:54:36,129 --> 01:54:33,980

you know and I mean the other thing

2366

01:54:39,580 --> 01:54:36,139

you've got to think is exactly how much

2367

01:54:46,740 --> 01:54:39,590

UFOs have now got into the human psyche

2368

01:54:49,359 --> 01:54:46,750

per se right UFO means flying saucer

2369

01:54:52,450 --> 01:54:49,369

flying saucer leaned means little meek

2370

01:54:57,850 --> 01:54:52,460

little green men from Mars or Jupiter or

2371

01:55:02,470 --> 01:54:57,860

wherever percent all right so whether or

2372

01:55:05,229 --> 01:55:02,480

not now it's becoming or they've become

2373

01:55:09,040 --> 01:55:05,239

so commonplace that people don't really

2374

01:55:10,780 --> 01:55:09,050

notice it or they're not you know this

2375

01:55:12,160 --> 01:55:10,790

seeds and they don't want to sort of you

2376

01:55:14,200 --> 01:55:12,170

know make anything more of it I don't

2377

01:55:16,720 --> 01:55:14,210

know you know it's only some of those

2378

01:55:19,359 --> 01:55:16,730

people and I don't know any of them

2379

01:55:21,129 --> 01:55:19,369

thank heavens you know post these faked

2380

01:55:23,080 --> 01:55:21,139

photographs and videos up onto YouTube

2381

01:55:28,479 --> 01:55:23,090

because they want their 15 seconds of

2382

01:55:33,520 --> 01:55:28,489

fame yes there are there are a few of

2383

01:55:37,149 --> 01:55:33,530

them secure team ten and third phase of

2384

01:55:40,510 --> 01:55:37,159

the Moon a couple of these places that

2385

01:55:42,430 --> 01:55:40,520

produce basically hoaxed videos every

2386

01:55:44,109 --> 01:55:42,440

once in a while someone will actually

2387

01:55:45,729 --> 01:55:44,119

send them a real video because they

2388

01:55:48,339 --> 01:55:45,739

think they're you know the person to

2389

01:55:51,729 --> 01:55:48,349

send one to it really muddies the water

2390

01:55:54,250 --> 01:55:51,739

and it's all about making thousands of

2391

01:55:58,270 --> 01:55:54,260

dollars a month unfortunately and that

2392

01:56:01,680 --> 01:55:58,280

that does really destroy a lot when it

2393

01:56:05,459 --> 01:56:01,690

comes to people researching credible

2394

01:56:08,410 --> 01:56:05,469

UFOs I had actually someone from the

2395

01:56:12,990 --> 01:56:08,420

former agent from the Department of

2396

01:56:16,270 --> 01:56:13,000

Defense on my show a while back

2397

01:56:18,819 --> 01:56:16,280

Chris Mellon and he contacted me because

2398

01:56:22,419 --> 01:56:18,829

he was looking online and saw one of the

2399

01:56:25,390 --> 01:56:22,429

secured team 10 videos and asked me you

2400

01:56:27,370 --> 01:56:25,400

know is this real so even someone like

2401  
01:56:32,020 --> 01:56:27,380  
him you know anyone can get fooled by

2402  
01:56:33,280 --> 01:56:32,030  
these things that's is very true not

2403  
01:56:34,140 --> 01:56:33,290  
really too much we can do about it

2404  
01:56:36,910 --> 01:56:34,150  
either

2405  
01:56:38,620 --> 01:56:36,920  
it goes with the territory I'm afraid to

2406  
01:56:41,589 --> 01:56:38,630  
a degree

2407  
01:56:43,959 --> 01:56:41,599  
you know I mean odd members of various

2408  
01:56:45,189 --> 01:56:43,969  
UFO groups on Facebook and other sort of

2409  
01:56:46,810 --> 01:56:45,199  
groups and I mean

2410  
01:56:49,839 --> 01:56:46,820  
what are the ones that always makes me

2411  
01:56:53,589 --> 01:56:49,849  
smile is did we land on the moon

2412  
01:56:55,180 --> 01:56:53,599  
yes well sorry I lived through it and as

2413  
01:56:58,000 --> 01:56:55,190

far as i concerned there's no way you

2414

01:57:00,250 --> 01:56:58,010

can fake it you must be talking about

2415

01:57:03,129 --> 01:57:00,260

mark d Antonio's recent post with all

2416

01:57:05,799 --> 01:57:03,139

the actual images of the lunar landings

2417

01:57:08,439 --> 01:57:05,809

that's on I've seen so many over the

2418

01:57:10,359 --> 01:57:08,449

years Martin yeah you know as I say it

2419

01:57:12,250 --> 01:57:10,369

just makes me makes my blood boil to a

2420

01:57:14,949 --> 01:57:12,260

degree I have to tell you something I

2421

01:57:18,339 --> 01:57:14,959

had someone on my show that said that

2422

01:57:19,839 --> 01:57:18,349

the lunar landings were all faked and

2423

01:57:21,430 --> 01:57:19,849

all that and I said well what about the

2424

01:57:24,759 --> 01:57:21,440

images where you can actually see them

2425

01:57:26,680 --> 01:57:24,769

and even the footprints you know and the

2426

01:57:28,810 --> 01:57:26,690

Rovers and all that you know what about

2427

01:57:30,430 --> 01:57:28,820

those images and they said oh we went up

2428

01:57:37,449 --> 01:57:30,440

there afterwards and put all that stuff

2429

01:57:38,919 --> 01:57:37,459

up there is really cool see it's you

2430

01:57:40,959 --> 01:57:38,929

know there's the the other the other

2431

01:57:43,839 --> 01:57:40,969

thing that people have to think about is

2432

01:57:46,870 --> 01:57:43,849

that you know and company I can talk

2433

01:57:49,719 --> 01:57:46,880

about a UK conspiracy theory to a degree

2434

01:57:52,270 --> 01:57:49,729

here it's like the Princess Diana death

2435

01:57:56,319 --> 01:57:52,280

yeah you know people believe that she

2436

01:57:58,779 --> 01:57:56,329

was assassinated killed but how on earth

2437

01:58:01,600 --> 01:57:58,789

can you keep that secret how on earth

2438

01:58:04,779 --> 01:58:01,610

can you keep a film crew secret who had

2439

01:58:06,939 --> 01:58:04,789

been filming us you know what five-stage

2440

01:58:09,549 --> 01:58:06,949

moon landing six stage moon landings

2441

01:58:13,089 --> 01:58:09,559

yeah you could keep a lid on it

2442

01:58:15,580 --> 01:58:13,099

right right now I actually spoke with

2443

01:58:17,739 --> 01:58:15,590

Alan bean who was the I believe he was

2444

01:58:20,739 --> 01:58:17,749

the fourth man who set foot on the moon

2445

01:58:22,120 --> 01:58:20,749

and I asked him what a what do you how

2446

01:58:23,859 --> 01:58:22,130

do you handle these people that think

2447

01:58:25,540 --> 01:58:23,869

you never went there and he says I

2448

01:58:28,149 --> 01:58:25,550

absolutely don't even try to change

2449

01:58:29,410 --> 01:58:28,159

their mind he said I love he goes I let

2450

01:58:31,120 --> 01:58:29,420

them think whatever they want to think

2451

01:58:32,410 --> 01:58:31,130

because they're going to anyway so

2452

01:58:35,379 --> 01:58:32,420

that's gonna wrap it up for us

2453

01:58:37,180 --> 01:58:35,389

Kevin tonight thank you so much it's

2454

01:58:38,350 --> 01:58:37,190

been a pleasure mo Alton thank you very

2455

01:58:40,449 --> 01:58:38,360

much sorry about the hiccups at the

2456

01:58:43,569 --> 01:58:40,459

beginning no trouble at all all right

2457

01:58:46,419 --> 01:58:43,579

you take care and use' thanks a lot

2458

01:58:48,189 --> 01:58:46,429

thank you bye-bye bye-bye all right

2459

01:58:50,919 --> 01:58:48,199

that's it for our show I want to thank

2460
