00:00:24,150 --> 00:00:20,870

[Music]

2
00:00:26,940 --> 00:00:24,160

hello everyone its Martin Willis on the

3
00:00:29,130 --> 00:00:26,950

everything else show and yes I've been

4
00:00:31,470 --> 00:00:29,140

on hiatus I was in Russia and it was

5
00:00:34,560 --> 00:00:31,480

just too much for me to do my other show

6
00:00:35,939 --> 00:00:34,570

Plus this show over there and Nic along

7
00:00:38,840 --> 00:00:35,949

with the other guests I had lined up

8
00:00:42,660 --> 00:00:38,850

were good enough to reschedule with me

9
00:00:46,020 --> 00:00:42,670

so our guest Nick Redfern very

10
00:00:49,049 --> 00:00:46,030

interesting author he's authored I think

11
00:00:52,439 --> 00:00:49,059

around 18 books something like that on

12
00:00:54,530 --> 00:00:52,449

all different types of subjects we're

13
00:00:57,479 --> 00:00:54,540

going to be talking tonight about

14

00:01:00,600 --> 00:00:57,489

basically the paranormal side of

15

00:01:02,640 --> 00:01:00,610

cryptozoology I always have a hard time

16

00:01:04,890 --> 00:01:02,650

with that word and we're also gonna be

17

00:01:07,080 --> 00:01:04,900

talking about his book on Roswell

18

00:01:09,750 --> 00:01:07,090

which Roswell conspiracy it's an

19

00:01:11,460 --> 00:01:09,760

alternative theory - what happened with

20

00:01:13,890 --> 00:01:11,470

Roswell and I'm gonna try to punch some

21

00:01:17,580 --> 00:01:13,900

holes in that I've heard have not read

22

00:01:19,140 --> 00:01:17,590

the book but I have heard Nick on a few

23

00:01:23,639 --> 00:01:19,150

different shows including the one I do

24

00:01:26,370 --> 00:01:23,649

with Alejandro Rojas open minds and the

25

00:01:28,620 --> 00:01:26,380

one I do the news on I should say so I

26
00:01:30,149 --> 00:01:28,630
have heard him on that and I have some

27
00:01:32,099 --> 00:01:30,159
questions to ask him he may have already

28
00:01:34,410 --> 00:01:32,109
been asked these questions by someone

29
00:01:37,380 --> 00:01:34,420
else cuz he's done probably about 30

30
00:01:39,060 --> 00:01:37,390
interviews about that book so like I

31
00:01:40,739 --> 00:01:39,070
said we're gonna get to that in the

32
00:01:44,899 --> 00:01:40,749
second half of the show the first half

33
00:01:47,010 --> 00:01:44,909
we're gonna be talking mostly about

34
00:01:52,080 --> 00:01:47,020
cryptozoology I'll get that word down

35
00:01:55,260 --> 00:01:52,090
sooner or later Nick how are you good

36
00:01:57,989 --> 00:01:55,270
it's always a pleasure speaking to you

37
00:02:01,559 --> 00:01:57,999
and all the interesting topics you

38
00:02:03,899 --> 00:02:01,569

explore can you tell the listener that

39

00:02:07,260 --> 00:02:03,909

some of that may possibly be hearing you

40

00:02:08,790 --> 00:02:07,270

for the first time I doubt it but you

41

00:02:11,370 --> 00:02:08,800

never know could you explain your

42

00:02:13,200 --> 00:02:11,380

basically your background and I know you

43

00:02:15,990 --> 00:02:13,210

live in Texas you came over from England

44

00:02:18,870 --> 00:02:16,000

number of years ago but basically how

45

00:02:23,070 --> 00:02:18,880

you got into these interesting topics to

46

00:02:25,080 --> 00:02:23,080

begin with well yeah sure when I was

47

00:02:27,390 --> 00:02:25,090

probably cryptozoology who's my sort of

48

00:02:29,640 --> 00:02:27,400

favorite thing to investigate and you

49

00:02:31,290 --> 00:02:29,650

know go on expeditions and research and

50

00:02:32,940 --> 00:02:31,300

write about and that

51
00:02:35,790 --> 00:02:32,950
interest really goes back to when I was

52
00:02:38,340 --> 00:02:35,800
about six years old and my parents took

53
00:02:39,780 --> 00:02:38,350
me on a week's holiday to Scotland and

54
00:02:42,270 --> 00:02:39,790
while we're up there we spent a day at

55
00:02:45,240 --> 00:02:42,280
Loch Ness and my dad told me the story

56
00:02:46,830 --> 00:02:45,250
of a Loch Ness monster and you know when

57
00:02:50,280 --> 00:02:46,840
you're sort of that whole better hate I

58
00:02:53,640 --> 00:02:50,290
should say sort of six you know sort of

59
00:02:55,430 --> 00:02:53,650
an exciting cool creepy story no kind of

60
00:02:59,520 --> 00:02:55,440
a bogeyman under the bed sort of thing

61
00:03:01,470 --> 00:02:59,530
and but he got me sort of interested in

62
00:03:02,910 --> 00:03:01,480
the subject you know of course I wasn't

63
00:03:07,320 --> 00:03:02,920

doing research or anything like that

64

00:03:09,540 --> 00:03:07,330

obviously but when I got to about 11 or

65

00:03:11,600 --> 00:03:09,550

12 you know I had never forgotten that

66

00:03:16,470 --> 00:03:11,610

trip to Loch Ness and I started reading

67

00:03:20,750 --> 00:03:16,480

books by people like Frank Edwards and

68

00:03:22,910 --> 00:03:20,760

Brad Stager and John Cale some of the

69

00:03:26,460 --> 00:03:22,920

people who you know were writing books

70

00:03:29,220 --> 00:03:26,470

that's that I found interesting you know

71

00:03:32,180 --> 00:03:29,230

and there is an interest in writing

72

00:03:35,970 --> 00:03:32,190

styles particularly people like Kale and

73

00:03:37,970 --> 00:03:35,980

when I finished school I wasn't the best

74

00:03:41,340 --> 00:03:37,980

student of school to put it

75

00:03:43,199 --> 00:03:41,350

diplomatically and walked out one day I

76

00:03:46,920 --> 00:03:43,209

never went back and that's sort of like

77

00:03:49,440 --> 00:03:46,930

the short story and you know I know no

78

00:03:51,030 --> 00:03:49,450

college no universitaire just you know

79

00:03:53,370 --> 00:03:51,040

it's no good if any other just walked

80

00:03:55,199 --> 00:03:53,380

out and I'm the finger and gone you know

81

00:03:58,440 --> 00:03:55,209

and I didn't know what I was going to do

82

00:04:01,140 --> 00:03:58,450

and he just so happened that I got a job

83

00:04:02,970 --> 00:04:01,150

offer at the Blue working on a magazine

84

00:04:04,380 --> 00:04:02,980

that had started up in the area I was

85

00:04:06,479 --> 00:04:04,390

living at the time the magazine was

86

00:04:09,420 --> 00:04:06,489

called zero and it was sort of like an

87

00:04:13,710 --> 00:04:09,430

entertainment celebrity gossip magazine

88

00:04:14,970 --> 00:04:13,720

for for young people and and I got on

89

00:04:17,789 --> 00:04:14,980

board with that for a couple of years

90

00:04:22,260 --> 00:04:17,799

and and I still do a lot of sort of

91

00:04:25,230 --> 00:04:22,270

mainstream journalism today but it kind

92

00:04:28,409 --> 00:04:25,240

of got me interested in you know sort of

93

00:04:31,590 --> 00:04:28,419

pursuing writing as a career but outside

94

00:04:34,080 --> 00:04:31,600

of the 0 magazine and and that's what I

95

00:04:37,110 --> 00:04:34,090

started to do was sort of try and you

96

00:04:39,090 --> 00:04:37,120

know take an investigative approach to

97

00:04:41,219 --> 00:04:39,100

these things but you know be you're

98

00:04:43,860 --> 00:04:41,229

dealing with something kind of weird and

99

00:04:44,870 --> 00:04:43,870

that sort of I've been writing books for

100

00:04:48,200 --> 00:04:44,880

back

101
00:04:51,610 --> 00:04:48,210
years now on various subjects Bigfoot

102
00:04:54,380 --> 00:04:51,620
chupacabra Loch Ness monster UFOs

103
00:04:57,350 --> 00:04:54,390
celebrity cover-ups and you know

104
00:05:00,140 --> 00:04:57,360
whatever comes along you know speaking

105
00:05:01,430 --> 00:05:00,150
of the Loch Ness when I was young the

106
00:05:04,850 --> 00:05:01,440
Loch Ness monster

107
00:05:06,740 --> 00:05:04,860
I really had a fascination with that I

108
00:05:08,630 --> 00:05:06,750
think I've watched something on TV back

109
00:05:11,750 --> 00:05:08,640
when you know there was like four

110
00:05:13,250 --> 00:05:11,760
channels on TV and I was like totally

111
00:05:14,420 --> 00:05:13,260
hooked I wanted to know more about it

112
00:05:16,310 --> 00:05:14,430
and I started talking to my friends

113
00:05:19,310 --> 00:05:16,320

about it and but you actually got to

114

00:05:22,400 --> 00:05:19,320

visit Loch Ness so when you wrote your

115

00:05:25,040 --> 00:05:22,410

book on the Loch Ness monster did you

116

00:05:28,550 --> 00:05:25,050

revisit the area or did you try to speak

117

00:05:32,690 --> 00:05:28,560

to anyone that claimed they saw had a

118

00:05:34,610 --> 00:05:32,700

sighting of it yeah I mean I mean I've

119

00:05:36,980 --> 00:05:34,620

been to a lot less many times so it

120

00:05:40,220 --> 00:05:36,990

wasn't like you know I wrote a book sort

121

00:05:42,380 --> 00:05:40,230

of you know decades after I first went

122

00:05:44,300 --> 00:05:42,390

to Loch Ness and just reliance on that

123

00:05:47,450 --> 00:05:44,310

now I've been there quite a few times

124

00:05:50,780 --> 00:05:47,460

now and and spoken to some of the you

125

00:05:54,020 --> 00:05:50,790

know the eyewitnesses to certain events

126
00:05:57,100 --> 00:05:54,030
and sightings etc and you know it's sort

127
00:06:00,170 --> 00:05:57,110
of fascinating mystery which is kind of

128
00:06:02,270 --> 00:06:00,180
sort of expounded upon by the fact that

129
00:06:04,240 --> 00:06:02,280
Loch Ness is kind of a weird spooky

130
00:06:07,700 --> 00:06:04,250
looking place you know it's this sort of

131
00:06:09,080 --> 00:06:07,710
22 mile long lake and and luck for

132
00:06:10,820 --> 00:06:09,090
people who don't know Loch is just a

133
00:06:14,960 --> 00:06:10,830
Scottish word for Lake it doesn't mean

134
00:06:17,410 --> 00:06:14,970
anything other and like 22 miles long

135
00:06:20,750 --> 00:06:17,420
and round about a mile wide at its

136
00:06:23,180 --> 00:06:20,760
widest about 700 feet deep and the back

137
00:06:25,640 --> 00:06:23,190
waters very dark and you know you have

138
00:06:29,360 --> 00:06:25,650

these huge sloping hills surrounding it

139

00:06:31,960 --> 00:06:29,370

and crumbling old ruined castles so you

140

00:06:33,950 --> 00:06:31,970

know has this has a spooky vibe to it

141

00:06:36,650 --> 00:06:33,960

regardless of the story the Loch Ness

142

00:06:39,910 --> 00:06:36,660

monster you know there is a there is

143

00:06:42,590 --> 00:06:39,920

talk about the original a great photo

144

00:06:44,660 --> 00:06:42,600

that you see in all the books and you

145

00:06:47,240 --> 00:06:44,670

know magazines and everything that that

146

00:06:50,300 --> 00:06:47,250

was hoax so has that it to your

147

00:06:52,820 --> 00:06:50,310

knowledge has that ever been uncovered

148

00:06:58,460 --> 00:06:52,830

to be a hoax or is it just one of those

149

00:07:00,680 --> 00:06:58,470

rumors that started well it's kind of a

150

00:07:04,430 --> 00:07:00,690

story because there are people who claim

151

00:07:06,530 --> 00:07:04,440

to know that it was a hoax but other

152

00:07:09,890 --> 00:07:06,540

researchers think that the Hulk story

153

00:07:12,620 --> 00:07:09,900

itself is a hoax so it's difficult to

154

00:07:16,640 --> 00:07:12,630

say now if you look at the photograph if

155

00:07:18,200 --> 00:07:16,650

you see just the close-up you see this

156

00:07:20,330 --> 00:07:18,210

head coming out of the ward it's like

157

00:07:23,060 --> 00:07:20,340

the most sort of iconic Loch Ness

158

00:07:25,370 --> 00:07:23,070

monster picture but if you look at the

159

00:07:26,810 --> 00:07:25,380

original witch because you know most

160

00:07:28,790 --> 00:07:26,820

people have only seen this sort of

161

00:07:31,370 --> 00:07:28,800

clothes or cropped picture but if you

162

00:07:34,790 --> 00:07:31,380

look at the original it actually looks

163

00:07:37,580 --> 00:07:34,800

like the head is in a significantly far

164

00:07:40,670 --> 00:07:37,590

away from the shore now be the Hulk

165

00:07:42,860 --> 00:07:40,680

story is reliant on what we're told

166

00:07:45,680 --> 00:07:42,870

namely that the head was fixed to a toy

167

00:07:47,900 --> 00:07:45,690

submarine we'd like a plastic propeller

168

00:07:50,510 --> 00:07:47,910

on and released into the lock and they

169

00:07:52,730 --> 00:07:50,520

quickly took pictures of it but you know

170

00:07:55,310 --> 00:07:52,740

lot Loch Ness the water is very very

171

00:07:57,440 --> 00:07:55,320

choppy you know I mean it's it's a huge

172

00:08:02,570 --> 00:07:57,450

body and water you know as crashing

173

00:08:04,940 --> 00:08:02,580

waves so if this really was a submarine

174

00:08:06,710 --> 00:08:04,950

at a substantial distance a toy

175

00:08:08,900 --> 00:08:06,720

submarine a substantial distance from

176

00:08:11,690 --> 00:08:08,910

the shore you would expect it to be

177

00:08:14,510 --> 00:08:11,700

rocked around and you know sunk in

178

00:08:16,190 --> 00:08:14,520

seconds but we're told that isn't what

179

00:08:18,560 --> 00:08:16,200

happened that you know they filmed it

180

00:08:22,219 --> 00:08:18,570

moving along etcetera so they get

181

00:08:24,110 --> 00:08:22,229

different picture angles and so on so

182

00:08:26,630 --> 00:08:24,120

that is probably the main thing I have

183

00:08:29,360 --> 00:08:26,640

an issue with is the if you look at the

184

00:08:31,990 --> 00:08:29,370

original picture the original large

185

00:08:34,180 --> 00:08:32,000

picture rather than the cropped one I

186

00:08:36,320 --> 00:08:34,190

find it a little bit hard to believe

187

00:08:38,930 --> 00:08:36,330

that they would have been able to get

188

00:08:41,270 --> 00:08:38,940

some really good static imagery of the

189

00:08:42,649 --> 00:08:41,280

neck you know with the waves churning

190

00:08:46,300 --> 00:08:42,659

and everything else going why do you

191

00:08:53,780 --> 00:08:46,310

suppose off the bat why do you suppose

192

00:08:58,490 --> 00:08:53,790

cryptids say chupacabra Bigfoot all

193

00:09:02,360 --> 00:08:58,500

these things UFOs are so evasive and so

194

00:09:05,270 --> 00:09:02,370

hard to actually get hard evidence on I

195

00:09:10,200 --> 00:09:05,280

mean there's we don't we have everything

196

00:09:15,540 --> 00:09:12,450

well I think because a lot of these

197

00:09:18,750 --> 00:09:15,550

so-called cryptid creatures in from in

198

00:09:20,400 --> 00:09:18,760

my opinion at least I don't think

199

00:09:23,460 --> 00:09:20,410

they're flesh-and-blood animals at least

200

00:09:25,950 --> 00:09:23,470

not in the way we understand the term if

201
00:09:28,199 --> 00:09:25,960
they were I think you know we would have

202
00:09:31,410 --> 00:09:28,209
physical evidence but it's a certain

203
00:09:33,060 --> 00:09:31,420
types of creatures that we never catch

204
00:09:37,050 --> 00:09:33,070
which never get killed

205
00:09:38,400 --> 00:09:37,060
we never get hit by trucks or cars then

206
00:09:40,560 --> 00:09:38,410
we get shot the bodies are never found

207
00:09:43,860 --> 00:09:40,570
and that typically relates to things

208
00:09:48,600 --> 00:09:43,870
like lake monster's sea serpents flying

209
00:09:50,430 --> 00:09:48,610
anomalies like Mothman eight-man type

210
00:09:54,180 --> 00:09:50,440
creatures like Bigfoot's and the Yeti

211
00:09:57,630 --> 00:09:54,190
and you know you put all those together

212
00:10:01,920 --> 00:09:57,640
and by now we should have at least have

213
00:10:04,590 --> 00:10:01,930

had one body or one living example you

214

00:10:05,940 --> 00:10:04,600

know the the so-called cryptid creatures

215

00:10:08,910 --> 00:10:05,950

have one thing in common

216

00:10:13,320 --> 00:10:08,920

that all other animals don't have and

217

00:10:16,470 --> 00:10:13,330

that is that they're 100% elusive 100%

218

00:10:18,780 --> 00:10:16,480

of the time and you know it's kind of

219

00:10:23,040 --> 00:10:18,790

like if Bigfoot is just a North American

220

00:10:24,480 --> 00:10:23,050

equivalent of say an African gorilla we

221

00:10:27,269 --> 00:10:24,490

should have just one you know we're not

222

00:10:30,300 --> 00:10:27,279

talking about creatures the size of rats

223

00:10:32,480 --> 00:10:30,310

you know so we're talking about what

224

00:10:36,060 --> 00:10:32,490

we're told a sort of 7 to 8 foot tall

225

00:10:38,550 --> 00:10:36,070

Hey ate like animals roaming all around

226

00:10:41,690 --> 00:10:38,560

the United States thousands and reports

227

00:10:45,360 --> 00:10:41,700

and we still can't catch one you know

228

00:10:47,220 --> 00:10:45,370

and you know but but then the people who

229

00:10:50,040 --> 00:10:47,230

take the flesh-and-blood angle would say

230

00:10:52,140 --> 00:10:50,050

well most people never see a mountain

231

00:10:54,720 --> 00:10:52,150

lion or a bear in the world which is

232

00:10:56,579 --> 00:10:54,730

true but people do see them and people

233

00:10:58,380 --> 00:10:56,589

do eat them in with their vehicles and

234

00:11:00,329 --> 00:10:58,390

they do get put in zoos and

235

00:11:02,519 --> 00:11:00,339

unfortunately sometimes they get you

236

00:11:04,140 --> 00:11:02,529

know they had to get put on somebody's

237

00:11:07,500 --> 00:11:04,150

wall you know who thinks it's clever

238

00:11:09,540 --> 00:11:07,510

just to do that but that never happens

239

00:11:11,100 --> 00:11:09,550

with the cryptic creatures so and when

240

00:11:12,600 --> 00:11:11,110

you look at a lot of the weirdness that

241

00:11:16,290 --> 00:11:12,610

surrounds a lot of these so-called

242

00:11:18,780 --> 00:11:16,300

animals for me at Lacy takes us far and

243

00:11:20,579 --> 00:11:18,790

beyond them being normal animals I fully

244

00:11:22,410 --> 00:11:20,589

believe in the existence of these things

245

00:11:23,850 --> 00:11:22,420

I just don't believe they're

246

00:11:26,310 --> 00:11:23,860

flesh-and-blood animals in

247

00:11:30,780 --> 00:11:26,320

weh-weh or a lot of people think right

248

00:11:32,850 --> 00:11:30,790

right I'm trying to remember the woman's

249

00:11:35,100 --> 00:11:32,860

name I've actually had conversations

250

00:11:38,490 --> 00:11:35,110

with her on the phone that did the DNA

251
00:11:42,560 --> 00:11:38,500
research on Bigfoot doctor do you know

252
00:11:46,680 --> 00:11:42,570
who I mean that's it so I've had

253
00:11:50,970 --> 00:11:46,690
conversations with Melba and she told me

254
00:11:53,819 --> 00:11:50,980
that she's actually walked up to some

255
00:11:58,319 --> 00:11:53,829
sleeping and has actually seen these in

256
00:12:02,850 --> 00:11:58,329
person I I don't know and I guess there

257
00:12:05,819 --> 00:12:02,860
is some film of it I get suspicious I

258
00:12:08,460 --> 00:12:05,829
think she's you know I think she

259
00:12:11,490 --> 00:12:08,470
believes she saw it because I don't

260
00:12:14,819 --> 00:12:11,500
believe her to be someone that would you

261
00:12:18,900 --> 00:12:14,829
know lie about something but that just

262
00:12:21,600 --> 00:12:18,910
it it fascinates me that she's actually

263
00:12:24,000 --> 00:12:21,610

saying that she's actually has you know

264

00:12:25,860 --> 00:12:24,010

walked up to them and actually peered

265

00:12:28,800 --> 00:12:25,870

through the bushes and saw them now

266

00:12:31,410 --> 00:12:28,810

someone may have been hoaxing her the

267

00:12:32,930 --> 00:12:31,420

person that brought her in there you

268

00:12:35,160 --> 00:12:32,940

know that's very possible

269

00:12:36,900 --> 00:12:35,170

that's something like that happened but

270

00:12:38,730 --> 00:12:36,910

you just don't really hear of a

271

00:12:41,430 --> 00:12:38,740

situation like you're saying they're

272

00:12:44,610 --> 00:12:41,440

they're elusive 100% of the time there's

273

00:12:47,100 --> 00:12:44,620

no skeletons found there's no dents

274

00:12:49,310 --> 00:12:47,110

found or any place that they could be

275

00:12:52,620 --> 00:12:49,320

hiding that you'd find them down inside

276

00:12:54,840 --> 00:12:52,630

and they would have to be absolutely

277

00:12:56,880 --> 00:12:54,850

brilliant to evade us if that's what

278

00:13:00,689 --> 00:12:56,890

they are doing and that would go for all

279

00:13:02,850 --> 00:13:00,699

of them all the cryptids well yeah I

280

00:13:04,949 --> 00:13:02,860

mean I think they are evading because I

281

00:13:06,900 --> 00:13:04,959

don't believe they're just a myth or you

282

00:13:09,600 --> 00:13:06,910

know folklore or anything or legend

283

00:13:11,370 --> 00:13:09,610

I do believe they're real but to elude

284

00:13:13,710 --> 00:13:11,380

us the way they do and to the extent

285

00:13:16,139 --> 00:13:13,720

that they do there's got to be something

286

00:13:18,810 --> 00:13:16,149

more going on because even in the you

287

00:13:22,100 --> 00:13:18,820

know the depths of Africa you know we

288

00:13:24,449 --> 00:13:22,110

were able to prove that gorillas exist

289

00:13:26,790 --> 00:13:24,459

even you know the depths of South

290

00:13:28,860 --> 00:13:26,800

America in the jungles you know be able

291

00:13:30,060 --> 00:13:28,870

to prove that small animals that hadn't

292

00:13:31,920 --> 00:13:30,070

been seen before you know different

293

00:13:34,530 --> 00:13:31,930

types of rats and shrew and things like

294

00:13:36,480 --> 00:13:34,540

that had not been seen before but we

295

00:13:37,590 --> 00:13:36,490

can't prove that an eight-foot-tall ate

296

00:13:39,360 --> 00:13:37,600

existing nor

297

00:13:43,499 --> 00:13:39,370

America you know when you think of it

298

00:13:45,629 --> 00:13:43,509

like that it's just absurd and when you

299

00:13:47,579 --> 00:13:45,639

also sort of tie this in with reports

300

00:13:49,410 --> 00:13:47,589

where people claim to have seen these

301

00:13:52,259 --> 00:13:49,420

creatures sort of vanishing a flash of

302

00:13:53,249 --> 00:13:52,269

light or what here one second gone the

303

00:13:55,079 --> 00:13:53,259

next

304

00:13:56,730 --> 00:13:55,089

there are the reports where people have

305

00:13:58,980 --> 00:13:56,740

seen Bigfoot in the woods and it's sort

306

00:14:01,620 --> 00:13:58,990

of surrounded by these sort of like

307

00:14:04,740 --> 00:14:01,630

weird little flickering energy balls of

308

00:14:08,249 --> 00:14:04,750

light which you know again should not be

309

00:14:12,269 --> 00:14:08,259

seen around any kind of regular living

310

00:14:14,249 --> 00:14:12,279

animal so so what they actually are you

311

00:14:17,220 --> 00:14:14,259

know I don't know but what I can say for

312

00:14:20,249 --> 00:14:17,230

sure is that I don't believe that they

313

00:14:21,569 --> 00:14:20,259

are just regular animals IV said the

314

00:14:25,590 --> 00:14:21,579

equivalents of something that you would

315

00:14:28,290 --> 00:14:25,600

find in Africa or South America but what

316

00:14:29,819 --> 00:14:28,300

I've never really understood is why you

317

00:14:33,420 --> 00:14:29,829

know so many people in the Bigfoot

318

00:14:35,699 --> 00:14:33,430

community a hostile against that theory

319

00:14:38,300 --> 00:14:35,709

I mean for me whether they're flesh and

320

00:14:40,620 --> 00:14:38,310

blood or supernatural in some way

321

00:14:42,900 --> 00:14:40,630

whichever the answer is it would still

322

00:14:45,329 --> 00:14:42,910

be an amazing discovery I don't get it

323

00:14:47,189 --> 00:14:45,339

why there's so much of a need for them

324

00:14:48,870 --> 00:14:47,199

to be flesh and blood I don't go there

325

00:14:54,030 --> 00:14:48,880

is a there is infighting when it comes

326

00:14:56,309 --> 00:14:54,040

to everything related to fight it in

327

00:14:58,590 --> 00:14:56,319

every aspect of the parasol you know but

328

00:15:02,429 --> 00:14:58,600

that's that's just how it is but I mean

329

00:15:05,819 --> 00:15:02,439

I don't bother me and I enjoy good vibes

330

00:15:08,129 --> 00:15:05,829

another thing about that is my friend

331

00:15:11,100 --> 00:15:08,139

Paul you know um you probably know Paul

332

00:15:13,920 --> 00:15:11,110

do you know who he is yeah he has a

333

00:15:16,350 --> 00:15:13,930

theory that there's you know basically

334

00:15:19,110 --> 00:15:16,360

that it has to do with another dimension

335

00:15:20,939 --> 00:15:19,120

and that everything does you know UFOs

336

00:15:22,980 --> 00:15:20,949

ghosts and that's kind of his theory

337

00:15:27,540 --> 00:15:22,990

he's written a book on it it's

338

00:15:31,290 --> 00:15:27,550

interesting and it could make some sense

339

00:15:35,639 --> 00:15:31,300

but it's again these are all theories

340

00:15:37,470 --> 00:15:35,649

and speculation really yeah I mean that

341

00:15:39,509 --> 00:15:37,480

the interdimensional one is an

342

00:15:41,579 --> 00:15:39,519

interesting concept the idea that these

343

00:15:44,929 --> 00:15:41,589

things are so elusive because they sort

344

00:15:47,250 --> 00:15:44,939

of flit in and out of our reality and

345

00:15:49,439 --> 00:15:47,260

you know that they literally are here

346

00:15:51,060 --> 00:15:49,449

one second and gone the next which if

347

00:15:52,890 --> 00:15:51,070

true that would you

348

00:15:55,260 --> 00:15:52,900

help explain why they're so elusive

349

00:15:57,420 --> 00:15:55,270

because for the most part when we're

350

00:15:59,700 --> 00:15:57,430

looking for them they're not even in our

351
00:16:03,090 --> 00:15:59,710
reality now of course that that is

352
00:16:04,460 --> 00:16:03,100
requires us to you know be able to say

353
00:16:08,250 --> 00:16:04,470
for sure that there are multiple

354
00:16:10,710 --> 00:16:08,260
dimensions now things like quantum

355
00:16:13,740 --> 00:16:10,720
physics are allowing for the existence

356
00:16:15,390 --> 00:16:13,750
of multiple dimensions but you know even

357
00:16:18,480 --> 00:16:15,400
I have to admit a lot of any sort of

358
00:16:20,460 --> 00:16:18,490
theoretical but that doesn't mean it's

359
00:16:22,740 --> 00:16:20,470
not real but I you know if you if

360
00:16:25,020 --> 00:16:22,750
someone's put me on the you know

361
00:16:27,900 --> 00:16:25,030
understand and say what is your best

362
00:16:31,020 --> 00:16:27,910
estimate of what Big Foot is I would say

363
00:16:33,060 --> 00:16:31,030

something that kind of is like you know

364

00:16:35,280 --> 00:16:33,070

Flitz in and out of our reality but I'll

365

00:16:38,460 --> 00:16:35,290

be the first to admit I don't you know

366

00:16:40,830 --> 00:16:38,470

have any particular answers for anyone

367

00:16:42,660 --> 00:16:40,840

when it comes to explaining the full

368

00:16:44,700 --> 00:16:42,670

aspects of the science behind it but

369

00:16:46,410 --> 00:16:44,710

when you get a lot of these reports of

370

00:16:49,620 --> 00:16:46,420

these creatures vanishing in the flusher

371

00:16:52,110 --> 00:16:49,630

light or just one second they're there

372

00:16:53,880 --> 00:16:52,120

and then next thing they're gone and the

373

00:16:55,710 --> 00:16:53,890

witnesses come across as the credit was

374

00:16:58,200 --> 00:16:55,720

just as credible as anybody who's just

375

00:17:00,810 --> 00:16:58,210

seen you know a Bigfoot society without

376

00:17:03,540 --> 00:17:00,820

any weirdness they come across just as

377

00:17:05,640 --> 00:17:03,550

credible so I think I always tell people

378

00:17:08,250 --> 00:17:05,650

that the most important people in the

379

00:17:10,290 --> 00:17:08,260

paranormal world are the witnesses

380

00:17:12,630 --> 00:17:10,300

because without the witnesses we've got

381

00:17:15,480 --> 00:17:12,640

nothing to go on and I think for Bigfoot

382

00:17:17,670 --> 00:17:15,490

researchers to be selective and filter

383

00:17:19,860 --> 00:17:17,680

out the ones that they don't like and

384

00:17:22,020 --> 00:17:19,870

they say is problematic well that's as

385

00:17:24,120 --> 00:17:22,030

bad as being a debunking you know are

386

00:17:26,189 --> 00:17:24,130

there any situations that you're aware

387

00:17:29,190 --> 00:17:26,199

of where people actually say they have

388

00:17:34,350 --> 00:17:29,200

some type of physical contact with any

389

00:17:36,240 --> 00:17:34,360

of these beings well yeah primarily it

390

00:17:38,370 --> 00:17:36,250

does relate to things like Bigfoot and

391

00:17:40,980 --> 00:17:38,380

similar creatures I mean you don't see

392

00:17:43,680 --> 00:17:40,990

people sort of regularly feeding Nessie

393

00:17:46,140 --> 00:17:43,690

no but you do get reports of people who

394

00:17:48,360 --> 00:17:46,150

claim to have had sort of almost like

395

00:17:50,880 --> 00:17:48,370

friendships you know with the Bigfoot

396

00:17:52,920 --> 00:17:50,890

creatures and some of the some of the

397

00:17:55,800 --> 00:17:52,930

stories just really like craziness but

398

00:17:59,580 --> 00:17:55,810

others seem a little bit more kind of

399

00:18:01,500 --> 00:17:59,590

plausible but I mean you know most

400

00:18:03,600 --> 00:18:01,510

people who claims have seen Bigfoot have

401
00:18:04,620 --> 00:18:03,610
seen them it's fairly close range

402
00:18:08,100 --> 00:18:04,630
weather

403
00:18:11,580 --> 00:18:08,110
sort of you know there's a sort of an

404
00:18:13,080 --> 00:18:11,590
exchange of words or anything like that

405
00:18:15,720 --> 00:18:13,090
or they're just the creatures just

406
00:18:18,690 --> 00:18:15,730
quickly run out the way but you know the

407
00:18:21,720 --> 00:18:18,700
most people who report sightings do get

408
00:18:23,940 --> 00:18:21,730
a good enough picture of what they're

409
00:18:25,380 --> 00:18:23,950
looking at to say that they saw

410
00:18:28,110 --> 00:18:25,390
something that looked sort of vaguely

411
00:18:31,920 --> 00:18:28,120
human and vaguely ape-like at the same

412
00:18:34,050 --> 00:18:31,930
time so you know we're not talking for

413
00:18:35,610 --> 00:18:34,060

the most part about sightings from half

414

00:18:39,480 --> 00:18:35,620

a mile away which could be you know a

415

00:18:41,910 --> 00:18:39,490

guy in a dark jacket or whatever you

416

00:18:46,710 --> 00:18:41,920

know we are talking about cases which do

417

00:18:48,750 --> 00:18:46,720

seem to reflect you know what Bigfoot

418

00:18:50,700 --> 00:18:48,760

traditionally is said to look like and

419

00:18:53,190 --> 00:18:50,710

again again I've spoken to a lot of

420

00:18:54,420 --> 00:18:53,200

people who you know they were talking

421

00:18:56,640 --> 00:18:54,430

about anything else

422

00:18:59,370 --> 00:18:56,650

of a normal situation you would have no

423

00:19:01,860 --> 00:18:59,380

reason to suggest they were lying and

424

00:19:03,020 --> 00:19:01,870

they don't really come across lies you

425

00:19:05,520 --> 00:19:03,030

know when they're talking about their

426

00:19:08,280 --> 00:19:05,530

Bigfoot in cats right right if you're

427

00:19:10,080 --> 00:19:08,290

watching live on YouTube you can jump

428

00:19:14,180 --> 00:19:10,090

into chat if you have any questions for

429

00:19:16,770 --> 00:19:14,190

Nick I can convey them to them so

430

00:19:19,710 --> 00:19:16,780

another thing about Bigfoot you hear a

431

00:19:23,060 --> 00:19:19,720

lot of people say there's on the

432

00:19:25,500 --> 00:19:23,070

sightings that there's a really bad odor

433

00:19:26,970 --> 00:19:25,510

which is another curious thing because

434

00:19:28,860 --> 00:19:26,980

it's pretty consistent when you hear

435

00:19:32,910 --> 00:19:28,870

about people that have big current

436

00:19:36,020 --> 00:19:32,920

sightings well yeah there's very often

437

00:19:38,700 --> 00:19:36,030

like a like a rotten eggs type smell and

438

00:19:42,570 --> 00:19:38,710

but what's interesting that that's sort

439

00:19:45,030 --> 00:19:42,580

of the bad egg sort of sulfur type odor

440

00:19:46,110 --> 00:19:45,040

turns up in a lot of paranormal activity

441

00:19:48,780 --> 00:19:46,120

as well

442

00:19:51,900 --> 00:19:48,790

there are many UFO cases where people

443

00:19:57,210 --> 00:19:51,910

have said that the the UFO gave off this

444

00:20:01,500 --> 00:19:57,220

kind of you know sort of strong sulfur

445

00:20:03,690 --> 00:20:01,510

brimstone type odor you find it in a lot

446

00:20:05,370 --> 00:20:03,700

of men in black encounters the strange

447

00:20:06,750 --> 00:20:05,380

is that most and you know when they took

448

00:20:09,150 --> 00:20:06,760

I mean people think of the men in black

449

00:20:11,400 --> 00:20:09,160

they think Will Smith in some Hugh Jones

450

00:20:12,990 --> 00:20:11,410

you know but that's just a movie version

451
00:20:14,870 --> 00:20:13,000
I mean most of the witnesses are

452
00:20:17,490 --> 00:20:14,880
describing cancers with a man in black

453
00:20:19,730 --> 00:20:17,500
they actually you know they don't sound

454
00:20:21,740 --> 00:20:19,740
like regular pay

455
00:20:25,700 --> 00:20:21,750
and there a lot of cases with the MIB

456
00:20:29,779 --> 00:20:25,710
where there's been this older of again

457
00:20:32,690 --> 00:20:29,789
like like sulfur brimstone so again you

458
00:20:35,960 --> 00:20:32,700
know you find parallels across the board

459
00:20:38,120 --> 00:20:35,970
we've you know the elusiveness of these

460
00:20:40,220 --> 00:20:38,130
entities whether it's UFO related or

461
00:20:42,980 --> 00:20:40,230
[h__h] seeds and you have the odors as

462
00:20:45,529 --> 00:20:42,990
well which kind of goes down the path

463
00:20:47,529 --> 00:20:45,539

that john cale promoted the idea that

464

00:20:50,510 --> 00:20:47,539

all of these things are somehow

465

00:20:53,149 --> 00:20:50,520

interconnected even if we think they're

466

00:20:54,500 --> 00:20:53,159

sort of separate random mysteries he

467

00:20:57,020 --> 00:20:54,510

took the view that you know they're all

468

00:20:58,909 --> 00:20:57,030

part of one bigger thing even if we're

469

00:21:01,310 --> 00:20:58,919

not sure what that bigger thing relays

470

00:21:03,470 --> 00:21:01,320

can you go through a list of some of the

471

00:21:08,840 --> 00:21:03,480

cryptids that people are claiming they

472

00:21:10,970 --> 00:21:08,850

see well yeah I mean obviously you've

473

00:21:15,409 --> 00:21:10,980

got the famous ones like the Loch Ness

474

00:21:18,020 --> 00:21:15,419

monster like Bigfoot's not as much today

475

00:21:19,940 --> 00:21:18,030

but certainly in previous years like the

476
00:21:24,260 --> 00:21:19,950
Chupacabra sightings particularly from

477
00:21:26,960 --> 00:21:24,270
Puerto Rico the we still get occasional

478
00:21:29,750 --> 00:21:26,970
reports of the Yeti from the Himalayas

479
00:21:32,419 --> 00:21:29,760
Tibet not certainly not as many as they

480
00:21:34,210 --> 00:21:32,429
used to be but in the last few years

481
00:21:36,700 --> 00:21:34,220
there's been a few more research

482
00:21:39,020 --> 00:21:36,710
investigations into the Chinese

483
00:21:43,250 --> 00:21:39,030
equivalents of Bigfoot which is known as

484
00:21:44,690 --> 00:21:43,260
the yerin which you know in the in the

485
00:21:48,799 --> 00:21:44,700
case of some of these other ones like

486
00:21:51,440 --> 00:21:48,809
the orang pendeks of Sumatra and the B

487
00:21:53,570 --> 00:21:51,450
Aaron of China there is actually a

488
00:21:54,950 --> 00:21:53,580

possibility despite what we said we're

489

00:21:56,870 --> 00:21:54,960

being for they could actually be

490

00:21:59,600 --> 00:21:56,880

flesh-and-blood animals at least some of

491

00:22:02,899 --> 00:21:59,610

them in fact I think B orang pendeks

492

00:22:04,640 --> 00:22:02,909

which is this sort of small just give me

493

00:22:07,940 --> 00:22:04,650

eight like animal about four to five

494

00:22:09,620 --> 00:22:07,950

feet or which walks upright like us I

495

00:22:12,020 --> 00:22:09,630

actually think that he's a real

496

00:22:14,299 --> 00:22:12,030

flesh-and-blood type of ape this science

497

00:22:18,169 --> 00:22:14,309

hasn't classified yet I don't think that

498

00:22:20,029 --> 00:22:18,179

one is paranormal but for Bigfoot in the

499

00:22:22,610 --> 00:22:20,039

US with all the weirdness going on

500

00:22:25,279 --> 00:22:22,620

around it I think that's a different

501
00:22:27,590 --> 00:22:25,289
category but I mean he tends to be the

502
00:22:29,270 --> 00:22:27,600
most famous ones that people gravitate

503
00:22:32,509 --> 00:22:29,280
to you know it's like with Loch Ness

504
00:22:34,009 --> 00:22:32,519
people go there all the time hope

505
00:22:35,389 --> 00:22:34,019
to say something and you know they think

506
00:22:37,190 --> 00:22:35,399
they're going to turn up at Loch Ness

507
00:22:39,919 --> 00:22:37,200
you know and they're gonna say this

508
00:22:41,749 --> 00:22:39,929
longneck Russians have the wards but the

509
00:22:44,989 --> 00:22:41,759
reality is we only get sort of four or

510
00:22:47,779 --> 00:22:44,999
five good quality sight in the year that

511
00:22:50,419 --> 00:22:47,789
kind of suggests that if any reason if

512
00:22:52,489 --> 00:22:50,429
if their flesh and blood then clearly

513
00:22:54,799 --> 00:22:52,499

they're not something like what they

514

00:22:56,029 --> 00:22:54,809

Scottish tip tourist board would daily

515

00:22:57,589 --> 00:22:56,039

love them to be which is you know

516

00:23:01,789 --> 00:22:57,599

Plescia sores that they're not

517

00:23:03,769 --> 00:23:01,799

Plesiosaurus impossible so they're

518

00:23:06,229 --> 00:23:03,779

either there are some indications they

519

00:23:08,299 --> 00:23:06,239

could be paranormal if not there's some

520

00:23:10,339 --> 00:23:08,309

sort of animal I think that science

521

00:23:12,109 --> 00:23:10,349

again hasn't fully classic yeah I mean

522

00:23:14,959 --> 00:23:12,119

you look at the water you know I think

523

00:23:17,209 --> 00:23:14,969

the earth is I forget exactly how much

524

00:23:18,849 --> 00:23:17,219

water the earth is seventy percent or

525

00:23:22,009 --> 00:23:18,859

something like that it's really high oh

526

00:23:25,099 --> 00:23:22,019

yeah yeah most of the planets actually

527

00:23:27,799 --> 00:23:25,109

ease water no and and some of like for

528

00:23:29,959 --> 00:23:27,809

instance in the ocean the depths are

529

00:23:32,089 --> 00:23:29,969

just amazing I think that it is very

530

00:23:34,219 --> 00:23:32,099

possible that there are some things out

531

00:23:35,749 --> 00:23:34,229

there that we just have not ever seen

532

00:23:40,869 --> 00:23:35,759

and they they don't always have to be

533

00:23:43,279 --> 00:23:40,879

small you know to be elusive now back in

534

00:23:46,849 --> 00:23:43,289

1832 I was just looking was the first

535

00:23:50,539 --> 00:23:46,859

mention of what I used to hear as a kid

536

00:23:53,359 --> 00:23:50,549

growing up the abominable snowman but

537

00:23:58,819 --> 00:23:53,369

that was the Yeti and in the Himalaya

538

00:24:01,099 --> 00:23:58,829

and Himalayas 1832 so have you done any

539

00:24:02,749 --> 00:24:01,109

research to other cryptids that people

540

00:24:07,909 --> 00:24:02,759

had been talking about throughout the

541

00:24:11,409 --> 00:24:07,919

ages oh yeah a lot of expeditions to

542

00:24:14,209 --> 00:24:11,419

Puerto Rico and Mexico looking for the

543

00:24:16,159 --> 00:24:14,219

chupacabra now people talk about the

544

00:24:18,169 --> 00:24:16,169

chupacabra today in the first images

545

00:24:19,999 --> 00:24:18,179

like some of these photographs people

546

00:24:22,819 --> 00:24:20,009

have taken of sort of hairless doglike

547

00:24:25,129 --> 00:24:22,829

animals but that's not the original

548

00:24:27,349 --> 00:24:25,139

chupacabra the original reports that

549

00:24:30,949 --> 00:24:27,359

came out of Puerto Rico in which began

550

00:24:33,589 --> 00:24:30,959

in 1995 described a creature that kind

551
00:24:36,589 --> 00:24:33,599
of looked like and ran like a chimpanzee

552
00:24:38,899 --> 00:24:36,599
but completely hairless and it

553
00:24:42,319 --> 00:24:38,909
reportedly had these sort of powerful

554
00:24:44,659 --> 00:24:42,329
claws and these bright red eyes and kind

555
00:24:46,430 --> 00:24:44,669
of like a row of spikes down its head

556
00:24:49,999 --> 00:24:46,440
and back of its neck

557
00:24:52,669 --> 00:24:50,009
like a punk-rock mohawk and so clearly

558
00:24:54,590 --> 00:24:52,679
you know wasn't a normal animal and and

559
00:24:57,049 --> 00:24:54,600
I've been on many expeditions supporter

560
00:24:59,269 --> 00:24:57,059
recode spoken to a lot of firsthand

561
00:25:02,299 --> 00:24:59,279
witnesses and again you know they come

562
00:25:04,789 --> 00:25:02,309
across as very down-to-earth credible

563
00:25:06,470 --> 00:25:04,799

people who just happens to be in the

564

00:25:08,269 --> 00:25:06,480

right place at the right time or

565

00:25:11,029 --> 00:25:08,279

depending on your opinion the wrong

566

00:25:13,310 --> 00:25:11,039

place at the right time to see these

567

00:25:16,039 --> 00:25:13,320

creatures and you know nothing to gain

568

00:25:19,129 --> 00:25:16,049

from making up a storage but just very

569

00:25:21,560 --> 00:25:19,139

interested in hoping someone can answer

570

00:25:24,470 --> 00:25:21,570

the question as to what they saw but I

571

00:25:27,950 --> 00:25:24,480

mean I've spoken to veterinarians police

572

00:25:30,590 --> 00:25:27,960

officers ranchers all of whom had some

573

00:25:33,919 --> 00:25:30,600

sort of involvement in these Chupacabra

574

00:25:36,289 --> 00:25:33,929

investigations and in some cases the

575

00:25:40,310 --> 00:25:36,299

witnesses claimed that when the bodies

576
00:25:42,110 --> 00:25:40,320
were were necropsy that the blood were

577
00:25:44,840 --> 00:25:42,120
signal a significant amount of blood was

578
00:25:46,610 --> 00:25:44,850
missing from the corpses now you have to

579
00:25:48,680 --> 00:25:46,620
be careful on that angle because

580
00:25:51,350 --> 00:25:48,690
sometimes well what always happens I

581
00:25:53,799 --> 00:25:51,360
should say that when an animal dies in

582
00:25:56,029 --> 00:25:53,809
under those sort of situations the blood

583
00:25:58,490 --> 00:25:56,039
gravity takes a blow to the lower part

584
00:25:59,779 --> 00:25:58,500
of the body so sometimes you know if you

585
00:26:02,360 --> 00:25:59,789
not sure what you do and you can cut

586
00:26:03,889 --> 00:26:02,370
into it and not find much blood but it's

587
00:26:06,289 --> 00:26:03,899
not because the blood has all been

588
00:26:08,600 --> 00:26:06,299

drained it's because the lorries just

589

00:26:11,659 --> 00:26:08,610

sunk to the lower levels of the body but

590

00:26:14,960 --> 00:26:11,669

there are some cases where veterinarians

591

00:26:17,149 --> 00:26:14,970

have said yes you know large amounts of

592

00:26:19,279 --> 00:26:17,159

blood were missing and they were far

593

00:26:21,499 --> 00:26:19,289

more than what you would find in just

594

00:26:23,180 --> 00:26:21,509

you know a regular killing and of course

595

00:26:25,669 --> 00:26:23,190

one of the things a lot of people don't

596

00:26:28,940 --> 00:26:25,679

necessarily realize is there are no

597

00:26:31,639 --> 00:26:28,950

large dangerous indigenous animals on

598

00:26:36,110 --> 00:26:31,649

Puerto Rico that could mimic the attacks

599

00:26:37,279 --> 00:26:36,120

of you know of the so called chupacabra

600

00:26:40,810 --> 00:26:37,289

I mean because there's nothing there's

601
00:26:43,879 --> 00:26:40,820
nothing like big cats roaming around as

602
00:26:47,320 --> 00:26:43,889
nothing there's the largest animals were

603
00:26:52,009 --> 00:26:47,330
actually imported farm animals like pigs

604
00:26:55,039 --> 00:26:52,019
cows goats that conduct now in the late

605
00:26:57,379 --> 00:26:55,049
18th and early 19th century and even out

606
00:27:00,210 --> 00:26:57,389
to the Pacific Northwest there were

607
00:27:05,940 --> 00:27:00,220
Russian trappers and but

608
00:27:08,610 --> 00:27:05,950
purrs lived out for like years out and

609
00:27:11,490 --> 00:27:08,620
and wandered through the wilderness

610
00:27:14,760 --> 00:27:11,500
you know trapping are you familiar with

611
00:27:17,850 --> 00:27:14,770
any stories that were talked about safe

612
00:27:19,470 --> 00:27:17,860
for any type of likes uh Squatch or

613
00:27:21,090 --> 00:27:19,480

anything like that were they ever talked

614

00:27:24,390 --> 00:27:21,100

about and anything that you've ever

615

00:27:26,870 --> 00:27:24,400

heard of yeah yeah there's a lot of

616

00:27:31,289 --> 00:27:26,880

stories sort of going back to like the

617

00:27:33,060 --> 00:27:31,299

1800s particularly of you know sort of

618

00:27:34,680 --> 00:27:33,070

so-called mountain men you know who

619

00:27:36,630 --> 00:27:34,690

would sort of like trappers that kind of

620

00:27:39,149 --> 00:27:36,640

thing so you know spend a lot of time

621

00:27:41,700 --> 00:27:39,159

out in the wilds and essentially living

622

00:27:44,970 --> 00:27:41,710

out there and you there are a lot of

623

00:27:48,060 --> 00:27:44,980

stories from the northern states of the

624

00:27:51,870 --> 00:27:48,070

u.s. also from way up into Canada and

625

00:27:54,539 --> 00:27:51,880

also from Russia as well and again you

626
00:27:57,690 --> 00:27:54,549
know this is way before the term Bigfoot

627
00:28:00,570 --> 00:27:57,700
was created back in the 1950s but prior

628
00:28:03,630 --> 00:28:00,580
to the 50s people were still talking

629
00:28:06,180 --> 00:28:03,640
about seeing these large hairy so-called

630
00:28:08,370 --> 00:28:06,190
wild men I mean I'll give you a couple

631
00:28:11,520 --> 00:28:08,380
of classic examples there are reports

632
00:28:14,279 --> 00:28:11,530
from the Second World War where Russian

633
00:28:19,020 --> 00:28:14,289
troops on several occasions when they

634
00:28:21,450 --> 00:28:19,030
were fighting the Nazis came across what

635
00:28:23,370 --> 00:28:21,460
you would call like hairy wild men and

636
00:28:26,730 --> 00:28:23,380
some of those reports have been really

637
00:28:28,649 --> 00:28:26,740
well documented and and again kind of

638
00:28:30,510 --> 00:28:28,659

like the Chinese errand and the

639

00:28:33,080 --> 00:28:30,520

abominable snowman I think there's a

640

00:28:36,510 --> 00:28:33,090

good possibility that these are

641

00:28:39,960 --> 00:28:36,520

flesh-and-blood animals because there

642

00:28:42,120 --> 00:28:39,970

are no real supernatural overtones

643

00:28:45,390 --> 00:28:42,130

attached to these stories like there is

644

00:28:47,340 --> 00:28:45,400

with Bigfoot's so these could be some

645

00:28:49,590 --> 00:28:47,350

people believe them to be sort of

646

00:28:51,450 --> 00:28:49,600

primitive humans you know in the same

647

00:28:54,810 --> 00:28:51,460

way that today we're Homo sapiens but

648

00:28:56,520 --> 00:28:54,820

before us there was cro-magnon man and

649

00:28:58,409 --> 00:28:56,530

Neanderthal man and we're still finding

650

00:29:02,120 --> 00:28:58,419

different early types of human remains

651

00:29:06,149 --> 00:29:02,130

now so it's not impossible I think the

652

00:29:08,850 --> 00:29:06,159

isolated pockets in some parts of you

653

00:29:10,370 --> 00:29:08,860

know the the massive Russian icy snowy

654

00:29:14,150 --> 00:29:10,380

wastelands

655

00:29:16,850 --> 00:29:14,160

and you know could potentially still be

656

00:29:20,690 --> 00:29:16,860

around and you know making sure that

657

00:29:23,840 --> 00:29:20,700

they stay away from those crazy yeah

658

00:29:26,180 --> 00:29:23,850

going back up to the varieties of what

659

00:29:29,840 --> 00:29:26,190

people are seeing you mentioned Mothman

660

00:29:34,160 --> 00:29:29,850

and what is this dog man I've heard some

661

00:29:36,410 --> 00:29:34,170

people talk about that well the dog man

662

00:29:38,270 --> 00:29:36,420

is kind of almost like a kind of like a

663

00:29:40,880 --> 00:29:38,280

politically correct term for what

664

00:29:42,920 --> 00:29:40,890

everybody else would call a werewolf now

665

00:29:44,510 --> 00:29:42,930

of course when you mentioned werewolves

666

00:29:47,090 --> 00:29:44,520

to anybody they think of like the movie

667

00:29:50,510 --> 00:29:47,100

version you know where somebody bursts

668

00:29:52,100 --> 00:29:50,520

out their plows at a full moon and you

669

00:29:53,350 --> 00:29:52,110

know kills a bunch of teenagers in the

670

00:29:55,670 --> 00:29:53,360

woods you know sort of one of these

671

00:30:00,710 --> 00:29:55,680

useless films you see on the sci-fi

672

00:30:02,450 --> 00:30:00,720

channel or whatever but the I think one

673

00:30:04,990 --> 00:30:02,460

of the reasons why the term dog man has

674

00:30:09,560 --> 00:30:05,000

become preferred is because it creates

675

00:30:11,630 --> 00:30:09,570

imagery of you know the typical angle of

676

00:30:14,150 --> 00:30:11,640

people changing into wolves you know in

677

00:30:17,480 --> 00:30:14,160

Hollywood movies that kind of thing

678

00:30:19,790 --> 00:30:17,490

but if you read most of the reports of

679

00:30:22,070 --> 00:30:19,800

people have seen these so-called dog men

680

00:30:23,810 --> 00:30:22,080

there are literally hundreds of reports

681

00:30:26,270 --> 00:30:23,820

that may well be now thousands from

682

00:30:27,890 --> 00:30:26,280

across the US and Linda Godfrey as an

683

00:30:29,750 --> 00:30:27,900

example has done I think there's six

684

00:30:32,750 --> 00:30:29,760

books on the subjects you've got so many

685

00:30:35,090 --> 00:30:32,760

reports and that's just Linder alone but

686

00:30:37,580 --> 00:30:35,100

what's interesting out of all those

687

00:30:39,350 --> 00:30:37,590

hundreds and hundreds of reports I think

688

00:30:42,110 --> 00:30:39,360

there are only two where people claim to

689

00:30:44,960 --> 00:30:42,120

have seen these things shape-shift from

690

00:30:46,880 --> 00:30:44,970

people into you know some sort of wolf

691

00:30:49,100 --> 00:30:46,890

like animal and those couple of stories

692

00:30:51,860 --> 00:30:49,110

are very sort of suspect almost

693

00:30:55,730 --> 00:30:51,870

everybody has described seeing like a

694

00:30:58,700 --> 00:30:55,740

large wolf like animal but when the

695

00:31:01,400 --> 00:30:58,710

person has noticed it or its noticed

696

00:31:03,770 --> 00:31:01,410

them it rears up on to its hind legs and

697

00:31:06,110 --> 00:31:03,780

then usually backs away but also

698

00:31:08,420 --> 00:31:06,120

sometimes intimidates a person so

699

00:31:10,130 --> 00:31:08,430

there's no angle of despite what some

700

00:31:11,660 --> 00:31:10,140

people have said and think there's no

701
00:31:13,760 --> 00:31:11,670
angle of these things you know people

702
00:31:16,850 --> 00:31:13,770
bursting out their clothes and attacking

703
00:31:19,970 --> 00:31:16,860
people etcetera etcetera they are if

704
00:31:23,060 --> 00:31:19,980
they sound eerily like some kind of

705
00:31:23,919 --> 00:31:23,070
unknown wolf but like a bear you know

706
00:31:27,700 --> 00:31:23,929
can walk on

707
00:31:31,889 --> 00:31:27,710
two limbs or four limbs but it's a form

708
00:31:34,989 --> 00:31:31,899
of wolf rather than a form of you know

709
00:31:38,710 --> 00:31:34,999
just a regular wolf but in saying that

710
00:31:42,159 --> 00:31:38,720
Linda has also found that there been a

711
00:31:45,159 --> 00:31:42,169
large number of reports of the so called

712
00:31:48,519 --> 00:31:45,169
dog main creatures around sacred sites

713
00:31:50,919 --> 00:31:48,529

like for example Wisconsin earth mounds

714

00:31:52,859 --> 00:31:50,929

you know these ancient earth mounds that

715

00:31:55,330 --> 00:31:52,869

even today provoked a lot of controversy

716

00:31:57,759 --> 00:31:55,340

as to why they were built and who

717

00:32:00,249 --> 00:31:57,769

exactly built them and what they you

718

00:32:03,220 --> 00:32:00,259

know what there were for and also a lot

719

00:32:05,080 --> 00:32:03,230

of sightings around places at a classic

720

00:32:09,779 --> 00:32:05,090

places in the world of the supernatural

721

00:32:13,659 --> 00:32:09,789

like crossroads graveyards cemeteries

722

00:32:17,409 --> 00:32:13,669

stone circles so you know this suggests

723

00:32:19,840 --> 00:32:17,419

to me that the the dog man is kind of

724

00:32:22,180 --> 00:32:19,850

like Mothman and Bigfoot's and possibly

725

00:32:24,340 --> 00:32:22,190

NASA that there's something something

726
00:32:26,649 --> 00:32:24,350
supernatural and they seem to be tied to

727
00:32:28,600 --> 00:32:26,659
specific aspects of the environment

728
00:32:30,879 --> 00:32:28,610
which might also time we'd like

729
00:32:33,279 --> 00:32:30,889
dimensions and portals and things like

730
00:32:38,980 --> 00:32:33,289
other as there are with UFOs they're

731
00:32:41,680 --> 00:32:38,990
like flaps or hot spots where you just

732
00:32:44,590 --> 00:32:41,690
mentioned that people see them a lot in

733
00:32:47,139 --> 00:32:44,600
different areas but are there like a hot

734
00:32:50,799 --> 00:32:47,149
hot spots where there's a lot of these

735
00:32:52,450 --> 00:32:50,809
creatures seen well that's a good

736
00:32:54,340 --> 00:32:52,460
question because if you go back and you

737
00:32:56,560 --> 00:32:54,350
look and say the books particularly from

738
00:32:59,649 --> 00:32:56,570

the 70s on Bigfoot I mean you'll find

739

00:33:02,529 --> 00:32:59,659

numerous accounts of flaps and waves of

740

00:33:04,570 --> 00:33:02,539

sightings of Bigfoot you know causing

741

00:33:06,369 --> 00:33:04,580

hysteria and this one particular town

742

00:33:08,680 --> 00:33:06,379

and then it spreads to another one five

743

00:33:10,389 --> 00:33:08,690

miles away and then it's gone and then

744

00:33:12,639 --> 00:33:10,399

he picks up again 100 miles away you

745

00:33:15,070 --> 00:33:12,649

know and there's countless stories of

746

00:33:17,409 --> 00:33:15,080

people in little towns you know jumping

747

00:33:19,330 --> 00:33:17,419

in the truck with a you know gun full of

748

00:33:22,060 --> 00:33:19,340

bullets and we're gonna bag a sasquatch

749

00:33:23,980 --> 00:33:22,070

you know you can find lots of stories

750

00:33:27,909 --> 00:33:23,990

like that particularly from the 70s but

751
00:33:29,830 --> 00:33:27,919
today the cases seem to be more random

752
00:33:31,210 --> 00:33:29,840
you know one person will happen to see

753
00:33:33,340 --> 00:33:31,220
one of these creatures when they're

754
00:33:35,499 --> 00:33:33,350
walking through the woods and although

755
00:33:37,870 --> 00:33:35,509
there may well be other sightings in the

756
00:33:40,990 --> 00:33:37,880
area it's not like and on

757
00:33:43,600 --> 00:33:41,000
knowing wave as such as it was you know

758
00:33:45,190 --> 00:33:43,610
decades ago so that that's sort of an

759
00:33:47,560 --> 00:33:45,200
interesting question because there's

760
00:33:50,260 --> 00:33:47,570
been a definite change in the way in

761
00:33:51,820 --> 00:33:50,270
which these creatures are seen but for

762
00:33:55,060 --> 00:33:51,830
me at least the best book that's been

763
00:33:57,030 --> 00:33:55,070

written on sort of a specific certain

764

00:33:59,350 --> 00:33:57,040

wave of Bigfoot activity in the US

765

00:34:02,200 --> 00:33:59,360

written by a friend of mine Stan Gordon

766

00:34:04,870 --> 00:34:02,210

the books called silent invasion and

767

00:34:07,780 --> 00:34:04,880

that's a really good study of a Bigfoot

768

00:34:11,950 --> 00:34:07,790

slash UFO wave in pencil at rural

769

00:34:14,409 --> 00:34:11,960

Pennsylvania in the early 1970s and Stan

770

00:34:15,730 --> 00:34:14,419

who's still active in the subject was at

771

00:34:18,340 --> 00:34:15,740

the forefront of doing all those

772

00:34:20,710 --> 00:34:18,350

investigations back in the early 70s I

773

00:34:23,740 --> 00:34:20,720

think he started when he was like 16 or

774

00:34:26,020 --> 00:34:23,750

something like that and and that's a

775

00:34:29,200 --> 00:34:26,030

really good regional study of not just

776

00:34:32,409 --> 00:34:29,210

the weird aside of Bigfoot's but how the

777

00:34:35,020 --> 00:34:32,419

the whole angle of the sort of the wave

778

00:34:36,940 --> 00:34:35,030

the flap angle sort of dominated

779

00:34:40,300 --> 00:34:36,950

research back then right now what are

780

00:34:45,399 --> 00:34:40,310

some of these strangest type of cryptids

781

00:34:47,379 --> 00:34:45,409

that you've ever heard reports of oh wow

782

00:34:49,240 --> 00:34:47,389

well there's a lot of them I mean one I

783

00:34:51,850 --> 00:34:49,250

can think of which is actually not too

784

00:34:54,970 --> 00:34:51,860

far away from where I live I live just

785

00:34:57,580 --> 00:34:54,980

outside Dallas Texas and if I sort of

786

00:35:00,250 --> 00:34:57,590

drive north for a couple of hours comes

787

00:35:02,200 --> 00:35:00,260

a place just over the border in Oklahoma

788

00:35:05,050 --> 00:35:02,210

called Lake Thunderbird and like

789

00:35:06,700 --> 00:35:05,060

Thunderbird is the home of something

790

00:35:09,550 --> 00:35:06,710

that's become known as the Alcala Harbor

791

00:35:11,650 --> 00:35:09,560

octopus which it's almost like a

792

00:35:13,780 --> 00:35:11,660

legendary type story was very weird one

793

00:35:16,380 --> 00:35:13,790

about people claims have seen not just

794

00:35:19,620 --> 00:35:16,390

in Lake Thunderbird but in surrounding

795

00:35:22,930 --> 00:35:19,630

other lakes and tributaries and rivers

796

00:35:27,940 --> 00:35:22,940

these sort of large tentacled creatures

797

00:35:32,230 --> 00:35:27,950

which clearly aren't octopus because the

798

00:35:34,480 --> 00:35:32,240

octopus lives in salt water and all

799

00:35:37,570 --> 00:35:34,490

these lakes and rivers and regulates etc

800

00:35:38,230 --> 00:35:37,580

are freshwater but the the name the

801
00:35:41,440 --> 00:35:38,240
Oklahoma

802
00:35:43,780 --> 00:35:41,450
the fact that people have seen these

803
00:35:46,420 --> 00:35:43,790
large tentacles coming out of the water

804
00:35:48,210 --> 00:35:46,430
now what they are I have no idea but

805
00:35:51,250 --> 00:35:48,220
they kind of sound a little bit like a

806
00:35:55,090 --> 00:35:51,260
shrunk down version of HP Lovecraft

807
00:35:57,190 --> 00:35:55,100
cthulhu no something like that but

808
00:35:58,690 --> 00:35:57,200
another way at one which a friend of

809
00:36:02,050 --> 00:35:58,700
mine Richard Freeman went to investigate

810
00:36:04,510 --> 00:36:02,060
in Mongolia a few years ago he's known

811
00:36:06,040 --> 00:36:04,520
as the Mongolian Death Worm and if you

812
00:36:07,930 --> 00:36:06,050
look up it stands a weird now if you

813
00:36:10,900 --> 00:36:07,940

look it up because actually he's reputed

814

00:36:13,690 --> 00:36:10,910

to be a real animal which is like a like

815

00:36:18,130 --> 00:36:13,700

a coiling snake-like animal that burrows

816

00:36:20,380 --> 00:36:18,140

under the sands and can sort of shoot

817

00:36:22,960 --> 00:36:20,390

electricity out in the same way like an

818

00:36:25,660 --> 00:36:22,970

electric eel can and sort of stun and

819

00:36:27,340 --> 00:36:25,670

kill its prey and it just for the most

820

00:36:30,970 --> 00:36:27,350

part lives under the sand if you've ever

821

00:36:33,580 --> 00:36:30,980

seen the any of the movers just give me

822

00:36:36,640 --> 00:36:33,590

the movies the tremors movies you know

823

00:36:39,790 --> 00:36:36,650

where these large thunder snake I think

824

00:36:41,800 --> 00:36:39,800

that yeah they're kind of like that but

825

00:36:43,510 --> 00:36:41,810

smaller but if he's sort of that concept

826

00:36:46,510 --> 00:36:43,520

and the story of the Mongolian Death

827

00:36:50,370 --> 00:36:46,520

Worm has been around a Mongol if you no

828

00:36:54,910 --> 00:36:50,380

longer speak of lived in the area now

829

00:36:58,390 --> 00:36:54,920

what about the ocean Arthur are there

830

00:37:00,790 --> 00:36:58,400

really strange things reported that you

831

00:37:04,360 --> 00:37:00,800

know kind of like one person reported so

832

00:37:06,100 --> 00:37:04,370

they saw a prehistoric you know dinosaur

833

00:37:11,640 --> 00:37:06,110

type creature or something like that I

834

00:37:15,520 --> 00:37:11,650

know the giant squid is an elusive one

835

00:37:17,830 --> 00:37:15,530

yeah I mean again this is where I sort

836

00:37:20,050 --> 00:37:17,840

of bear away from the more paranormal

837

00:37:22,090 --> 00:37:20,060

thing I think there are a lot of things

838

00:37:23,710 --> 00:37:22,100

in the oceans that we don't know what

839

00:37:26,140 --> 00:37:23,720

they are yet or that may have survived

840

00:37:27,940 --> 00:37:26,150

extinction and I don't think these

841

00:37:31,270 --> 00:37:27,950

things are paranormal I mean you can

842

00:37:35,590 --> 00:37:31,280

find reports of sea serpents going back

843

00:37:38,110 --> 00:37:35,600

centuries and reported by very credible

844

00:37:40,270 --> 00:37:38,120

ship's crews and captains and you know

845

00:37:42,640 --> 00:37:40,280

is we can still access the old logbooks

846

00:37:44,830 --> 00:37:42,650

for example in the British government

847

00:37:47,740 --> 00:37:44,840

National Archives just outside London

848

00:37:51,700 --> 00:37:47,750

they've got an entire file on sea

849

00:37:54,190 --> 00:37:51,710

serpents reports filed by the British

850

00:37:56,910 --> 00:37:54,200

Royal Navy and the Admiralty which is

851
00:37:59,170 --> 00:37:56,920
like the equivalents of the the US Navy

852
00:38:02,590 --> 00:37:59,180
some of these stories go back to the

853
00:38:04,630 --> 00:38:02,600
1700s of ships captains and the entire

854
00:38:05,109 --> 00:38:04,640
crew see in these things and described

855
00:38:07,809 --> 00:38:05,119
them as

856
00:38:10,480 --> 00:38:07,819
of a huge snake-like creature sort of

857
00:38:13,539 --> 00:38:10,490
5060 feet long in some cases even longer

858
00:38:17,319 --> 00:38:13,549
we sort of bodys the thickness of oil

859
00:38:20,470 --> 00:38:17,329
drums and clearly not recognizing there

860
00:38:23,499 --> 00:38:20,480
was anything normal but also as you said

861
00:38:25,720 --> 00:38:23,509
you get giant squids things like this

862
00:38:30,999 --> 00:38:25,730
which may have led to legends of things

863
00:38:32,799 --> 00:38:31,009

like the Kraken and you know these some

864

00:38:34,989 --> 00:38:32,809

of the world's oceans are so deep that

865

00:38:37,239 --> 00:38:34,999

it's you know even with our technology

866

00:38:40,420 --> 00:38:37,249

it can be quite dicey to go to some of

867

00:38:42,220 --> 00:38:40,430

the really lowest levels of all and of

868

00:38:45,400 --> 00:38:42,230

course a lot of creatures that live that

869

00:38:47,319 --> 00:38:45,410

low down may you know of adapted to

870

00:38:49,839 --> 00:38:47,329

where they never really surface so

871

00:38:52,420 --> 00:38:49,849

unless we go looking into their into

872

00:38:55,029 --> 00:38:52,430

their environments we may never ever

873

00:38:57,249 --> 00:38:55,039

find them because you know they have no

874

00:38:58,390 --> 00:38:57,259

reason to surface at all particularly if

875

00:39:01,809 --> 00:38:58,400

they're fish you know they would never

876

00:39:04,660 --> 00:39:01,819

need to surface so I think you know

877

00:39:07,299 --> 00:39:04,670

there's a lot of things certainly you

878

00:39:09,539 --> 00:39:07,309

know within the oceans that do sort of

879

00:39:14,410 --> 00:39:09,549

lend credence to the idea that there are

880

00:39:15,519 --> 00:39:14,420

you know pockets of animals that we

881

00:39:17,920 --> 00:39:15,529

don't know what they are and the problem

882

00:39:20,470 --> 00:39:17,930

is of course most people like me who

883

00:39:22,630 --> 00:39:20,480

would love to go you know spend two

884

00:39:23,890 --> 00:39:22,640

weeks or whatever you know check you

885

00:39:25,720 --> 00:39:23,900

know some of the lowest levels of the

886

00:39:28,029 --> 00:39:25,730

Pacific or whatever you know we don't

887

00:39:30,430 --> 00:39:28,039

have the finances to do that obviously

888

00:39:33,970 --> 00:39:30,440

the people who do but you know big

889

00:39:35,739 --> 00:39:33,980

universities and you know etc ironically

890

00:39:39,220 --> 00:39:35,749

they're the ones that do have the

891

00:39:40,809 --> 00:39:39,230

ability and the money to do it but they

892

00:39:43,239 --> 00:39:40,819

won't do it because of fear of it

893

00:39:45,599 --> 00:39:43,249

upsetting their reputations you know so

894

00:39:48,160 --> 00:39:45,609

it's sort of like a catch-22 situation

895

00:39:51,609 --> 00:39:48,170

in terms of actually trying to find

896

00:39:54,130 --> 00:39:51,619

these rings now I do remember a few

897

00:39:56,019 --> 00:39:54,140

years ago I don't remember exactly when

898

00:39:58,539 --> 00:39:56,029

it happened you know maybe ten years ago

899

00:40:00,640 --> 00:39:58,549

but the Montauk Monster what it was

900

00:40:04,089 --> 00:40:00,650

claimed are you familiar with that well

901
00:40:06,160 --> 00:40:04,099
yeah yeah yeah and that was a that was

902
00:40:08,979 --> 00:40:06,170
attributed to have something to do with

903
00:40:11,019 --> 00:40:08,989
the Plum Island Animal Disease Center

904
00:40:14,049 --> 00:40:11,029
they they thought it was some type of

905
00:40:17,630 --> 00:40:14,059
creation or something do you know what

906
00:40:22,110 --> 00:40:17,640
the follow-up was on that particular one

907
00:40:24,240 --> 00:40:22,120
well various theories are put forward to

908
00:40:25,860 --> 00:40:24,250
be honest I don't think it all has

909
00:40:30,540 --> 00:40:25,870
anything to do with all these months or

910
00:40:32,400 --> 00:40:30,550
conspiracy stories and if you look at it

911
00:40:34,650 --> 00:40:32,410
people got really excited by the idea

912
00:40:35,430 --> 00:40:34,660
see to have a beak but actually wasn't

913
00:40:37,410 --> 00:40:35,440

what it was

914

00:40:40,590 --> 00:40:37,420

you had part of the head which still had

915

00:40:43,290 --> 00:40:40,600

the skin on but beneath that then the

916

00:40:45,690 --> 00:40:43,300

the the muzzle path the skin was all

917

00:40:47,850 --> 00:40:45,700

gone so you had sort of just the bounty

918

00:40:50,220 --> 00:40:47,860

pass but when you looked at it he looked

919

00:40:52,710 --> 00:40:50,230

like like a regular head and then they

920

00:40:55,350 --> 00:40:52,720

suddenly boney point which was perceived

921

00:40:58,860 --> 00:40:55,360

and did actually look like a baked but I

922

00:41:00,630 --> 00:40:58,870

mean the studies of other animals were

923

00:41:03,240 --> 00:41:00,640

found and some people suggested that it

924

00:41:05,970 --> 00:41:03,250

was a dog the people suggesting a beaver

925

00:41:09,210 --> 00:41:05,980

I don't know if it was ever actually

926
00:41:12,900 --> 00:41:09,220
proved as anything but I mean you know

927
00:41:14,460 --> 00:41:12,910
for me there's no need for my opinion at

928
00:41:17,790 --> 00:41:14,470
least there's no need to sort of make a

929
00:41:19,710 --> 00:41:17,800
leap to suggest that just because nobody

930
00:41:22,740 --> 00:41:19,720
took the time to actually pay to of it

931
00:41:24,510 --> 00:41:22,750
you know autopsies and autopsy properly

932
00:41:27,750 --> 00:41:24,520
and it's DNA taken which is again is

933
00:41:29,610 --> 00:41:27,760
very expensive to do for me there's no

934
00:41:31,590 --> 00:41:29,620
need to take a leap to say that you know

935
00:41:34,200 --> 00:41:31,600
the government's creating monsters under

936
00:41:36,600 --> 00:41:34,210
Montauk over there right right for the

937
00:41:39,710 --> 00:41:36,610
person watching this show live it's up

938
00:41:42,120 --> 00:41:39,720

on YouTube I just posted a an image of

939

00:41:44,520 --> 00:41:42,130

whatever it was that washed up on the

940

00:41:47,070 --> 00:41:44,530

shore but yeah I can see if you look at

941

00:41:48,560 --> 00:41:47,080

it you couldn't see that it could be

942

00:41:51,540 --> 00:41:48,570

partially washed away

943

00:41:53,580 --> 00:41:51,550

you know decomposing and just make I

944

00:41:55,560 --> 00:41:53,590

mean that happens a lot yeah a lot of

945

00:41:59,970 --> 00:41:55,570

things that wash up on shore look

946

00:42:02,100 --> 00:41:59,980

strange because they're decomposing yeah

947

00:42:03,750 --> 00:42:02,110

you're right and and again a lot of

948

00:42:06,000 --> 00:42:03,760

people aren't sort of really always

949

00:42:08,130 --> 00:42:06,010

conversant with what you know something

950

00:42:11,100 --> 00:42:08,140

looks like and I said that the other

951
00:42:15,150 --> 00:42:11,110
problem of course is a DNA analysis

952
00:42:18,570 --> 00:42:15,160
would have fully 100% of confirmed what

953
00:42:20,970 --> 00:42:18,580
it was or what it wasn't but I mean but

954
00:42:22,920 --> 00:42:20,980
doing DNA analysis can literally run

955
00:42:26,840 --> 00:42:22,930
into the thousands of dollars you know

956
00:42:30,210 --> 00:42:26,850
not hundreds of thousands so again the

957
00:42:30,940 --> 00:42:30,220
sometimes the the ancestor they what

958
00:42:34,150 --> 00:42:30,950
some of these things

959
00:42:36,160 --> 00:42:34,160
our elude us not because always of a

960
00:42:38,530 --> 00:42:36,170
parent because of a paranormal angle but

961
00:42:42,130 --> 00:42:38,540
simply because there's no way for the

962
00:42:44,950 --> 00:42:42,140
average cryptozoologist to you know have

963
00:42:47,620 --> 00:42:44,960

scientific studies done on some of these

964

00:42:50,230 --> 00:42:47,630

corpses that get washed up because it is

965

00:42:53,730 --> 00:42:50,240

so massively expensive you know and

966

00:42:56,500 --> 00:42:53,740

despite what some people think you know

967

00:42:58,089 --> 00:42:56,510

nobody's gonna get rich from writing

968

00:43:00,280 --> 00:42:58,099

books um Bigfoot or the Loch Ness

969

00:43:03,210 --> 00:43:00,290

monster you know it doesn't happen you

970

00:43:05,650 --> 00:43:03,220

know we do it because that's passion but

971

00:43:07,839 --> 00:43:05,660

you know there's a lot of people don't

972

00:43:10,089 --> 00:43:07,849

think that they think you know if you

973

00:43:12,370 --> 00:43:10,099

write a few books on UFOs or whatever

974

00:43:18,339 --> 00:43:12,380

you sort of driving a Ferrari in the

975

00:43:21,250 --> 00:43:18,349

Hollywood Hills you know that when I

976

00:43:24,400 --> 00:43:21,260

talk to ya Bobby but joking aside you

977

00:43:26,230 --> 00:43:24,410

know I do what I do because I enjoy it

978

00:43:29,020 --> 00:43:26,240

and as long as I've got that passion and

979

00:43:31,690 --> 00:43:29,030

enthusiasm for it I'll keep doing it you

980

00:43:35,170 --> 00:43:31,700

know for me that's the primary thing is

981

00:43:37,569 --> 00:43:35,180

to find the evidence to finally say what

982

00:43:39,670 --> 00:43:37,579

these things really are going back to we

983

00:43:44,530 --> 00:43:39,680

were talking about dr. Melba Ketchum

984

00:43:47,109 --> 00:43:44,540

earlier and what and just to get your

985

00:43:49,510 --> 00:43:47,119

opinion I'm not asking you to say

986

00:43:52,089 --> 00:43:49,520

anything against it or I just want to

987

00:43:56,140 --> 00:43:52,099

know your opinion of what was claimed to

988

00:44:00,130 --> 00:43:56,150

be DNA evidence found have you been

989

00:44:03,010 --> 00:44:00,140

following that I am quality that closely

990

00:44:04,450 --> 00:44:03,020

but I mean what I would say is the main

991

00:44:07,780 --> 00:44:04,460

reason why I didn't follow it closely

992

00:44:12,280 --> 00:44:07,790

was because I would have assumed that if

993

00:44:13,420 --> 00:44:12,290

we had 100% solid undeniable proof he

994

00:44:16,599 --> 00:44:13,430

would have been front-page news

995

00:44:19,569 --> 00:44:16,609

everywhere but he wasn't front page news

996

00:44:23,970 --> 00:44:19,579

everywhere yeah so I honestly have all

997

00:44:26,980 --> 00:44:23,980

of the story too deeply but you know I

998

00:44:29,920 --> 00:44:26,990

think when you sort of look at the the

999

00:44:31,630 --> 00:44:29,930

overall story you know I'd like to you

1000

00:44:34,030 --> 00:44:31,640

know I really ought to go back and sort

1001
00:44:36,040 --> 00:44:34,040
of check it all out properly but I mean

1002
00:44:40,720 --> 00:44:36,050
it's like I just sort of draw parallels

1003
00:44:43,450 --> 00:44:40,730
with you know with a hair sample or film

1004
00:44:44,740 --> 00:44:43,460
footage but if it was proved to be

1005
00:44:46,840 --> 00:44:44,750
undeniable

1006
00:44:48,220 --> 00:44:46,850
he wouldn't just pay you know something

1007
00:44:49,570 --> 00:44:48,230
we'd be talking about tonight it would

1008
00:44:53,560 --> 00:44:49,580
be on the front page of the New York

1009
00:44:55,990 --> 00:44:53,570
Times or whatever because if it was so

1010
00:44:57,070 --> 00:44:56,000
definitive so that's you know that's the

1011
00:45:00,730 --> 00:44:57,080
issue I have with a lot of these

1012
00:45:06,100 --> 00:45:00,740
accounts yes I know that she couldn't

1013
00:45:08,830 --> 00:45:06,110

find anyone to publish her findings so

1014

00:45:11,470 --> 00:45:08,840

and peer review it and all that but I

1015

00:45:15,130 --> 00:45:11,480

think that she actually published it

1016

00:45:18,520 --> 00:45:15,140

herself and so I don't know you know how

1017

00:45:20,470 --> 00:45:18,530

far you can get well well admittedly

1018

00:45:22,630 --> 00:45:20,480

that is one of the problems because as I

1019

00:45:25,660 --> 00:45:22,640

sort of briefly mentioned earlier the

1020

00:45:28,690 --> 00:45:25,670

very people who could actually do a

1021

00:45:31,900 --> 00:45:28,700

really good study and who have you know

1022

00:45:34,000 --> 00:45:31,910

massive funding for expeditions you know

1023

00:45:36,160 --> 00:45:34,010

in search of this or that they could

1024

00:45:39,460 --> 00:45:36,170

actually really solve some of these

1025

00:45:42,190 --> 00:45:39,470

cases I think because they do have the

1026

00:45:45,040 --> 00:45:42,200

funding you know everything else but

1027

00:45:47,950 --> 00:45:45,050

they're also the people are very worried

1028

00:45:51,340 --> 00:45:47,960

about their reputations you know

1029

00:45:53,800 --> 00:45:51,350

unfortunately most zoologists don't want

1030

00:45:56,980 --> 00:45:53,810

to be known as the guy who chases

1031

00:45:59,080 --> 00:45:56,990

Bigfoot's even if privately they believe

1032

00:46:01,060 --> 00:45:59,090

in it publicly they won't say so and for

1033

00:46:04,030 --> 00:46:01,070

me for the most part anyway for me

1034

00:46:06,040 --> 00:46:04,040

that's sort of like a cowardly useless

1035

00:46:08,320 --> 00:46:06,050

way of living your life you know I think

1036

00:46:09,910 --> 00:46:08,330

that if you ever believe in something

1037

00:46:11,860 --> 00:46:09,920

and you feel it's worth pursuing

1038

00:46:14,980 --> 00:46:11,870

whatever it is you know whether you want

1039

00:46:16,750 --> 00:46:14,990

to you know ride back cryptozoology if

1040

00:46:18,520 --> 00:46:16,760

you want to be a rock band or an actor

1041

00:46:20,800 --> 00:46:18,530

you know you should just do it

1042

00:46:23,170 --> 00:46:20,810

regardless of what anybody thinks and I

1043

00:46:24,880 --> 00:46:23,180

think that's the one downside when he

1044

00:46:27,580 --> 00:46:24,890

comes to these type of creatures that

1045

00:46:31,270 --> 00:46:27,590

you know when you're dealing with things

1046

00:46:33,550 --> 00:46:31,280

that's a controversial some people take

1047

00:46:36,370 --> 00:46:33,560

the Cowardly way out and privately might

1048

00:46:38,830 --> 00:46:36,380

have a personal interest publicly

1049

00:46:41,260 --> 00:46:38,840

they'll just laugh at it and you know I

1050

00:46:43,090 --> 00:46:41,270

don't really have much time for you know

1051

00:46:45,550 --> 00:46:43,100

people who've got no backbone right

1052

00:46:47,830 --> 00:46:45,560

right um you know I was having trouble

1053

00:46:49,630 --> 00:46:47,840

with the chat room and now I see there

1054

00:46:53,410 --> 00:46:49,640

is a bunch of people on there and a lot

1055

00:46:55,150 --> 00:46:53,420

of if there's any questions I'm sorry I

1056

00:46:57,430 --> 00:46:55,160

just like I said I've just got the chat

1057

00:46:58,040 --> 00:46:57,440

room to work on my end I was typing in

1058

00:46:59,960 --> 00:46:58,050

it and

1059

00:47:02,090 --> 00:46:59,970

nothing would come up so if you had

1060

00:47:03,410 --> 00:47:02,100

posted questions earlier please go ahead

1061

00:47:05,120 --> 00:47:03,420

and post them again because I'm about

1062

00:47:09,550 --> 00:47:05,130

ready to change the subject

1063

00:47:14,840 --> 00:47:09,560

here pretty soon here with with Nick

1064

00:47:16,520 --> 00:47:14,850

bacon yeah it's a conspiracy so I did

1065

00:47:19,100 --> 00:47:16,530

see that someone wanted to or they

1066

00:47:23,420 --> 00:47:19,110

wanted to know more about Mothman now

1067

00:47:25,550 --> 00:47:23,430

there was a movie about Mothman was that

1068

00:47:28,160 --> 00:47:25,560

did that follow any of what was being

1069

00:47:32,630 --> 00:47:28,170

reported or was that too just taken off

1070

00:47:35,240 --> 00:47:32,640

and as a sci-fi movie oh it it did

1071

00:47:38,090 --> 00:47:35,250

follow the story but because the Mothman

1072

00:47:40,610 --> 00:47:38,100

story so lens being complicated you know

1073

00:47:42,890 --> 00:47:40,620

there's only so much you can get across

1074

00:47:44,360 --> 00:47:42,900

in two hours so you know it was

1075

00:47:46,280 --> 00:47:44,370

massively condensed and some of the

1076
00:47:47,870 --> 00:47:46,290
names were changed but it did broadly

1077
00:47:50,950 --> 00:47:47,880
tell the story and for people who aren't

1078
00:47:54,440 --> 00:47:50,960
fully aware of it Mothman was this a

1079
00:47:56,090 --> 00:47:54,450
glowing red-eyed humanoid type creature

1080
00:47:59,360 --> 00:47:56,100
that some people described as having

1081
00:48:01,280 --> 00:47:59,370
back light wings and he was seen in and

1082
00:48:05,630 --> 00:48:01,290
around the town of Point Pleasant West

1083
00:48:08,180 --> 00:48:05,640
Virginia from late 66 to roughly around

1084
00:48:10,550 --> 00:48:08,190
about the end of 67 and it all

1085
00:48:12,380 --> 00:48:10,560
culminated with the collapse of the

1086
00:48:15,320 --> 00:48:12,390
town's silver bridge as it was called

1087
00:48:17,240 --> 00:48:15,330
into the Ohio River and more than 40

1088
00:48:19,100 --> 00:48:17,250

people were killed you know drowned when

1089

00:48:20,960 --> 00:48:19,110

the cars just plummeted into the river

1090

00:48:23,690 --> 00:48:20,970

when the bridge collapsed and a lot of

1091

00:48:27,380 --> 00:48:23,700

people in town and researchers as well

1092

00:48:30,980 --> 00:48:27,390

came to believe that the the Mothman was

1093

00:48:35,570 --> 00:48:30,990

either the cause of the disaster or that

1094

00:48:38,210 --> 00:48:35,580

it was some kind of sort of warning type

1095

00:48:39,700 --> 00:48:38,220

entity you know warning of a disaster

1096

00:48:43,100 --> 00:48:39,710

rather than actually causing it but

1097

00:48:45,320 --> 00:48:43,110

people saw the Mothman all around town

1098

00:48:48,770 --> 00:48:45,330

and the name Mothman kind of sounds like

1099

00:48:50,210 --> 00:48:48,780

some sort of cheesy superhero kind of

1100

00:48:53,900 --> 00:48:50,220

thing he wasn't like that it was more

1101
00:48:55,850 --> 00:48:53,910
like a very shadowy ominous as I said

1102
00:48:58,640 --> 00:48:55,860
glowing eye type of thing that would

1103
00:49:01,430 --> 00:48:58,650
lurk in the shadows around town late at

1104
00:49:03,050 --> 00:49:01,440
night in the woods and saw overhead you

1105
00:49:05,480 --> 00:49:03,060
know people would see it against a fall

1106
00:49:08,840 --> 00:49:05,490
no and things like that and so very

1107
00:49:10,769 --> 00:49:08,850
creepy almost like a gothic sort of

1108
00:49:13,079 --> 00:49:10,779
horror story really

1109
00:49:16,049 --> 00:49:13,089
the two books on it the one everybody

1110
00:49:17,909 --> 00:49:16,059
knows the Mothman Prophecies by John

1111
00:49:20,489 --> 00:49:17,919
Cale which was the same name the movie

1112
00:49:22,919 --> 00:49:20,499
as well but it's also another very good

1113
00:49:24,989 --> 00:49:22,929

book which is far more atmospheric

1114

00:49:28,079 --> 00:49:24,999

written by grey Barker called the Silver

1115

00:49:31,169 --> 00:49:28,089

Bridge which is harder to find but for

1116

00:49:33,509 --> 00:49:31,179

me it actually is a better read it just

1117

00:49:36,390 --> 00:49:33,519

didn't he never really sold and kind of

1118

00:49:38,219 --> 00:49:36,400

went into obscurity but I've been to

1119

00:49:40,620 --> 00:49:38,229

Point Pleasant on a number of occasions

1120

00:49:43,349 --> 00:49:40,630

and people you know when you get their

1121

00:49:45,149 --> 00:49:43,359

confidence they'll say that well you

1122

00:49:47,219 --> 00:49:45,159

know things are still seen around here

1123

00:49:49,589 --> 00:49:47,229

we still get occasional reports and

1124

00:49:53,429 --> 00:49:49,599

sightings so you know something's still

1125

00:49:58,049 --> 00:49:53,439

going on well and is that just unique to

1126
00:50:00,449 --> 00:49:58,059
that specific area no not really I mean

1127
00:50:02,489 --> 00:50:00,459
although the term Mothman is really just

1128
00:50:04,979 --> 00:50:02,499
applied to that area I mean you can find

1129
00:50:06,870 --> 00:50:04,989
stories of again like winged humanoids

1130
00:50:09,269 --> 00:50:06,880
all throughout history I mean you can go

1131
00:50:14,209 --> 00:50:09,279
back to you know an ancient folklore

1132
00:50:16,409 --> 00:50:14,219
mythology like the harpies gargoyles

1133
00:50:18,899 --> 00:50:16,419
Houston just a few hours drive from

1134
00:50:20,969 --> 00:50:18,909
where I live back in the early fifties

1135
00:50:22,499 --> 00:50:20,979
there were reports around the city of

1136
00:50:25,890 --> 00:50:22,509
Houston of a creature that became known

1137
00:50:28,679 --> 00:50:25,900
as the Houston Batman and you can find a

1138
00:50:30,390 --> 00:50:28,689

few news stories online about it and

1139

00:50:33,779 --> 00:50:30,400

also some of the original clippings of

1140

00:50:35,579 --> 00:50:33,789

somebody scanned and posted and again

1141

00:50:38,599 --> 00:50:35,589

people described as like a humanoid

1142

00:50:41,099 --> 00:50:38,609

creature but with these large wings and

1143

00:50:43,649 --> 00:50:41,109

there's also a British equivalent called

1144

00:50:45,749 --> 00:50:43,659

the owl man which as the name suggests

1145

00:50:48,870 --> 00:50:45,759

you know it's kind of like a again like

1146

00:50:51,120 --> 00:50:48,880

a humanoid bird like animal but again

1147

00:50:53,999 --> 00:50:51,130

you can find these things all throughout

1148

00:50:56,159 --> 00:50:54,009

history you know but they're just been

1149

00:50:59,519 --> 00:50:56,169

given different names by different

1150

00:51:03,029 --> 00:50:59,529

cultures um Otto in the chatroom wanted

1151
00:51:07,199 --> 00:51:03,039
to know that he asked has anyone ever

1152
00:51:10,169 --> 00:51:07,209
tried to Remote View a Bigfoot or I'll

1153
00:51:13,499 --> 00:51:10,179
go further any other type of cryptid

1154
00:51:15,959 --> 00:51:13,509
known well that's a good question the

1155
00:51:18,689 --> 00:51:15,969
only one that I do know of he's one that

1156
00:51:20,399 --> 00:51:18,699
Jim Marrs spoke about in his book I

1157
00:51:23,459 --> 00:51:20,409
think it was called remote viewers and

1158
00:51:24,270 --> 00:51:23,469
he talks about how when the US

1159
00:51:26,910 --> 00:51:24,280
government was

1160
00:51:28,620 --> 00:51:26,920
the height of its research into remote

1161
00:51:31,590 --> 00:51:28,630
viewing which for people who don't know

1162
00:51:33,540 --> 00:51:31,600
it's sort of cyclically spying on the

1163
00:51:35,700 --> 00:51:33,550

Russians was the overall game you know

1164

00:51:38,430 --> 00:51:35,710

to try and figure out if we could sort

1165

00:51:40,500 --> 00:51:38,440

of spy on the Russians and the Kremlin

1166

00:51:42,960 --> 00:51:40,510

but using our minds rather than having

1167

00:51:46,230 --> 00:51:42,970

to send agents out to you know do

1168

00:51:49,740 --> 00:51:46,240

espionage work and according to Jim's

1169

00:51:51,780 --> 00:51:49,750

book on a number of occasions some of

1170

00:51:54,180 --> 00:51:51,790

the remote viewers actually did remote

1171

00:51:56,310 --> 00:51:54,190

view Loch Ness and they described seeing

1172

00:51:58,830 --> 00:51:56,320

this strange creature but interestingly

1173

00:52:01,650 --> 00:51:58,840

enough they said that he would suddenly

1174

00:52:03,690 --> 00:52:01,660

vanish oh man they described his almost

1175

00:52:05,610 --> 00:52:03,700

ghost-like rather than being a

1176
00:52:06,960 --> 00:52:05,620
flesh-and-blood animal that it was kind

1177
00:52:09,720 --> 00:52:06,970
of like these Bigfoot stories it was

1178
00:52:12,210 --> 00:52:09,730
there one second and gone the next so

1179
00:52:14,700 --> 00:52:12,220
but that's a good question because I'm

1180
00:52:16,890 --> 00:52:14,710
actually not aware of any other research

1181
00:52:18,450 --> 00:52:16,900
that has been done with remote viewing

1182
00:52:21,210 --> 00:52:18,460
and cryptids but he actually would be a

1183
00:52:24,390 --> 00:52:21,220
good area to look into you know you're a

1184
00:52:26,880 --> 00:52:24,400
really skilled remote viewer out in the

1185
00:52:29,490 --> 00:52:26,890
fields you know where Bigfoot's been

1186
00:52:31,410 --> 00:52:29,500
seen I mean it could actually turn up so

1187
00:52:33,150 --> 00:52:31,420
interesting information right right I

1188
00:52:34,920 --> 00:52:33,160

wondered that may happen you never know

1189

00:52:39,150 --> 00:52:34,930

someone might be listening to the show

1190

00:52:44,400 --> 00:52:39,160

and do it tomorrow you never know so I

1191

00:52:50,730 --> 00:52:44,410

had Mike I'm trying to remember his name

1192

00:52:55,320 --> 00:52:50,740

talk about owls Mike leyland right and I

1193

00:52:57,690 --> 00:52:55,330

met him in Maine a few years ago so what

1194

00:53:01,560 --> 00:52:57,700

do you ever follow any part of that or

1195

00:53:05,160 --> 00:53:01,570

is that like totally has or he believes

1196

00:53:07,560 --> 00:53:05,170

it has to do with UFOs or possibly like

1197

00:53:12,900 --> 00:53:07,570

a shape-shifting of an alien type of

1198

00:53:14,910 --> 00:53:12,910

thing well yeah I mean Mike's book on

1199

00:53:18,180 --> 00:53:14,920

this particular subject you know it sort

1200

00:53:22,440 --> 00:53:18,190

of like a huge book that studies a lot

1201
00:53:26,760 --> 00:53:22,450
of weird anomalous encounters people

1202
00:53:28,650 --> 00:53:26,770
have had with howl like creatures in

1203
00:53:30,930 --> 00:53:28,660
some Carroll I say I'll like because

1204
00:53:33,690 --> 00:53:30,940
many of the people you know been driving

1205
00:53:35,340 --> 00:53:33,700
down a road late at night and they see

1206
00:53:37,110 --> 00:53:35,350
standing at the edge of the road what

1207
00:53:38,190 --> 00:53:37,120
looks like an owl but it's like five

1208
00:53:40,290 --> 00:53:38,200
feet tall

1209
00:53:42,060 --> 00:53:40,300
and for some reason we don't really

1210
00:53:44,130 --> 00:53:42,070
understand people just carry on driving

1211
00:53:45,810 --> 00:53:44,140
and they don't give you a proper thought

1212
00:53:48,540 --> 00:53:45,820
and then then apples they think we'll

1213
00:53:50,610 --> 00:53:48,550

hang on a minute there are now five foot

1214

00:53:53,850 --> 00:53:50,620

tall wall excuse me owls running around

1215

00:53:56,550 --> 00:53:53,860

or flying around and then the people

1216

00:53:58,320 --> 00:53:56,560

starts have weird dreams and being cases

1217

00:54:01,410 --> 00:53:58,330

where people have wondered if they've

1218

00:54:03,840 --> 00:54:01,420

had like an alien encounter but it's

1219

00:54:06,450 --> 00:54:03,850

been sort of masked by a screen memory

1220

00:54:08,100 --> 00:54:06,460

to take away the trauma of what really

1221

00:54:10,410 --> 00:54:08,110

happened and and that you know that is a

1222

00:54:11,790 --> 00:54:10,420

legitimate phenomenon that happens you

1223

00:54:14,640 --> 00:54:11,800

know if somebody goes through a

1224

00:54:17,070 --> 00:54:14,650

particularly traumatic event sometimes

1225

00:54:19,590 --> 00:54:17,080

the mind blocks out the real events and

1226
00:54:20,100 --> 00:54:19,600
creates sort of a screen memory as its

1227
00:54:22,620 --> 00:54:20,110
called

1228
00:54:25,350 --> 00:54:22,630
so the trauma kind of psychologically

1229
00:54:26,760 --> 00:54:25,360
impact he's sort of taken away a bit but

1230
00:54:32,600 --> 00:54:26,770
the big question of course is why do

1231
00:54:38,060 --> 00:54:35,610
the book of micro theory it the

1232
00:54:40,920 --> 00:54:38,070
messengers that actually talks about how

1233
00:54:42,480 --> 00:54:40,930
people who had about people that had

1234
00:54:45,360 --> 00:54:42,490
sort of weird synchronistic events

1235
00:54:49,230 --> 00:54:45,370
involving owls at the time of somebody's

1236
00:54:50,550 --> 00:54:49,240
death almost as if the owl recognized or

1237
00:54:52,680 --> 00:54:50,560
knew that something was going to happen

1238
00:54:54,900 --> 00:54:52,690

in the house where you know it landed on

1239

00:54:56,370 --> 00:54:54,910

the window over the particular house or

1240

00:54:58,950 --> 00:54:56,380

whatever something that you know was

1241

00:55:02,190 --> 00:54:58,960

unheard of that kind of thing but a lot

1242

00:55:05,130 --> 00:55:02,200

of weird cases like that you know howls

1243

00:55:07,740 --> 00:55:05,140

and synchronicities owls and death owls

1244

00:55:09,420 --> 00:55:07,750

and UFOs and might talks a lot about

1245

00:55:13,380 --> 00:55:09,430

those in his book as well you know when

1246

00:55:15,660 --> 00:55:13,390

I met you in Phoenix a few years ago in

1247

00:55:19,230 --> 00:55:15,670

February two years ago when you were out

1248

00:55:23,340 --> 00:55:19,240

there yeah I happen to go over with my

1249

00:55:25,350 --> 00:55:23,350

dog over to the casino and you know for

1250

00:55:28,410 --> 00:55:25,360

just walk him walking him along and

1251

00:55:30,780 --> 00:55:28,420

there was a gal outside near and her 20s

1252

00:55:33,180 --> 00:55:30,790

smoking a cigarette and she asked me she

1253

00:55:35,460 --> 00:55:33,190

says what's going on over there and I

1254

00:55:37,530 --> 00:55:35,470

said oh it's a UFO conference and she

1255

00:55:40,110 --> 00:55:37,540

goes really she goes I I should go over

1256

00:55:42,240 --> 00:55:40,120

there and I said well why did you have a

1257

00:55:44,240 --> 00:55:42,250

sighting or something and I love talking

1258

00:55:50,280 --> 00:55:44,250

to people when this comes up like this

1259

00:55:52,049 --> 00:55:50,290

and she said yes it was really weird so

1260

00:55:55,259 --> 00:55:52,059

I go can you tell me about you know

1261

00:55:56,999 --> 00:55:55,269

happen so she was riding with her friend

1262

00:55:58,739 --> 00:55:57,009

or friend was driving and they weren't

1263

00:56:02,069 --> 00:55:58,749

they were about 20 miles away from where

1264

00:56:06,569 --> 00:56:02,079

the conference's and they were driving

1265

00:56:09,749 --> 00:56:06,579

next to a Mesa and they saw something

1266

00:56:13,009 --> 00:56:09,759

come off the top of the Mesa and go over

1267

00:56:15,120 --> 00:56:13,019

toward their car and it was some type of

1268

00:56:17,309 --> 00:56:15,130

they said they couldn't see it was an

1269

00:56:19,380 --> 00:56:17,319

object that was just like right over the

1270

00:56:22,589 --> 00:56:19,390

third car they could look up and so she

1271

00:56:25,410 --> 00:56:22,599

started screaming to her friend go go go

1272

00:56:27,209 --> 00:56:25,420

and they were on like a open highway so

1273

00:56:29,910 --> 00:56:27,219

she gunned it and went as fast as the

1274

00:56:32,640 --> 00:56:29,920

car would go and she didn't say whether

1275

00:56:34,679 --> 00:56:32,650

it followed her or not and then you know

1276
00:56:36,209 --> 00:56:34,689
she was done with the story and I said

1277
00:56:37,289 --> 00:56:36,219
wow that's really interesting and then

1278
00:56:39,449 --> 00:56:37,299
she goes you know what the weirdest

1279
00:56:42,870 --> 00:56:39,459
thing was in the whole situation said

1280
00:56:46,589 --> 00:56:42,880
what she said this owl huge owl came

1281
00:56:49,229 --> 00:56:46,599
right at the windshield and I flipped

1282
00:56:52,410 --> 00:56:49,239
out I said are you kidding me so I

1283
00:56:53,130 --> 00:56:52,420
called I called Mike and I said Mike I'm

1284
00:56:55,019 --> 00:56:53,140
getting this

1285
00:56:57,509 --> 00:56:55,029
I've got her information I don't know if

1286
00:57:00,630 --> 00:56:57,519
they ever connected or not but I thought

1287
00:57:04,410 --> 00:57:00,640
that listen a lot of stories like that

1288
00:57:05,729 --> 00:57:04,420

you know and and people loved that what

1289

00:57:08,009 --> 00:57:05,739

you just talked about you know people

1290

00:57:09,959 --> 00:57:08,019

it's almost like a synchronicity that

1291

00:57:12,120 --> 00:57:09,969

the researcher actually gets the story

1292

00:57:13,949 --> 00:57:12,130

you know as if like you're just reading

1293

00:57:15,870 --> 00:57:13,959

the right place at the right time

1294

00:57:19,949 --> 00:57:15,880

are you ready to switch gears and talk

1295

00:57:23,039 --> 00:57:19,959

about Roswell okay because I I would

1296

00:57:25,589 --> 00:57:23,049

first of all there's been so many

1297

00:57:29,299 --> 00:57:25,599

different you know theories on what

1298

00:57:33,089 --> 00:57:29,309

happens and what happened in Roswell so

1299

00:57:37,049 --> 00:57:33,099

generally speaking the theory that most

1300

00:57:39,779 --> 00:57:37,059

people well I wouldn't say most people

1301

00:57:42,630 --> 00:57:39,789

I'm gonna say we'll talk about there's

1302

00:57:44,429 --> 00:57:42,640

the mogul there's you know the weather

1303

00:57:48,380 --> 00:57:44,439

balloon that type of thing then there's

1304

00:57:51,839 --> 00:57:48,390

the theory that you know a UFO crashed

1305

00:57:54,209 --> 00:57:51,849

on and Basel

1306

00:57:56,759 --> 00:57:54,219

you know brought debris are brought

1307

00:58:00,539 --> 00:57:56,769

actually brought the sheriff out I think

1308

00:58:04,370 --> 00:58:00,549

first I can't remember but anyway so

1309

00:58:06,350 --> 00:58:04,380

your theory is totally different than

1310

00:58:08,940 --> 00:58:06,360

extraterrestrial

1311

00:58:10,440 --> 00:58:08,950

and I'd like to poke some holes in it if

1312

00:58:14,940 --> 00:58:10,450

I can I don't know if I'm gonna be able

1313

00:58:18,300 --> 00:58:14,950

to but so can you can you talk about I

1314

00:58:21,600 --> 00:58:18,310

know Japan had flown a number of

1315

00:58:24,360 --> 00:58:21,610

balloons over are lots and lots of them

1316

00:58:26,640 --> 00:58:24,370

trying to sabotage basically the u.s.

1317

00:58:27,930 --> 00:58:26,650

with the prevailing winds and drop you

1318

00:58:32,970 --> 00:58:27,940

know bombs I guess something actually

1319

00:58:35,250 --> 00:58:32,980

did land at one time oh yeah a lot of

1320

00:58:37,860 --> 00:58:35,260

these balloon bombs they're called Fogo

1321

00:58:40,050 --> 00:58:37,870

balloons balloons Fu geo and they were

1322

00:58:43,140 --> 00:58:40,060

sort of a 20 foot 25 foot diameter

1323

00:58:44,970 --> 00:58:43,150

balloons that the Japanese sent over

1324

00:58:46,290 --> 00:58:44,980

during the Second World War and there

1325

00:58:49,080 --> 00:58:46,300

were literally thousands of them were

1326

00:58:51,480 --> 00:58:49,090

launched and somewhere in the high

1327

00:58:54,930 --> 00:58:51,490

hundreds actually made it to the US and

1328

00:58:56,460 --> 00:58:54,940

fortunately most of them didn't explode

1329

00:58:58,350 --> 00:58:56,470

you know that the bombs were calibrated

1330

00:59:00,960 --> 00:58:58,360

so the balloons would come lower and

1331

00:59:02,970 --> 00:59:00,970

lower as they went over the the jet

1332

00:59:06,890 --> 00:59:02,980

streams it's called from Japan across

1333

00:59:09,510 --> 00:59:06,900

the Pacific to the US and people

1334

00:59:13,350 --> 00:59:09,520

reported finding you know this sort of

1335

00:59:15,390 --> 00:59:13,360

balloon debris and we're warned you

1336

00:59:18,870 --> 00:59:15,400

don't touch anything and the authorities

1337

00:59:21,840 --> 00:59:18,880

would come out and you know recover

1338

00:59:23,460 --> 00:59:21,850

everything and just take it away but

1339

00:59:25,020 --> 00:59:23,470

this obviously weren't man balloons you

1340

00:59:26,820 --> 00:59:25,030

know they were more like a psychological

1341

00:59:28,400 --> 00:59:26,830

weapon to try and frighten people they

1342

00:59:30,810 --> 00:59:28,410

didn't actually do that much damage

1343

00:59:33,270 --> 00:59:30,820

there were a few deaths but that was

1344

00:59:37,440 --> 00:59:33,280

just in one incidence fortunately and

1345

00:59:41,910 --> 00:59:37,450

and but what I talk about in the book is

1346

00:59:44,280 --> 00:59:41,920

how in the post-war years what happened

1347

00:59:47,130 --> 00:59:44,290

was well two things was that when the

1348

00:59:50,790 --> 00:59:47,140

war finished classified programs were

1349

00:59:54,420 --> 00:59:50,800

created to bring both German scientists

1350

00:59:56,640 --> 00:59:54,430

and Japanese scientists to the US but

1351
00:59:59,310 --> 00:59:56,650
have been doing research into things

1352
01:00:01,080 --> 00:59:59,320
like high-altitude advanced balloons

1353
01:00:04,440 --> 01:00:01,090
that the Japanese were particularly

1354
01:00:06,420 --> 01:00:04,450
planning on building and the Nazis who

1355
01:00:09,660 --> 01:00:06,430
are brought over you know with Operation

1356
01:00:12,990 --> 01:00:09,670
Paperclip to continue with their rocket

1357
01:00:16,560 --> 01:00:13,000
programs in the United States and so the

1358
01:00:19,230 --> 01:00:16,570
book looks at the the the scenarios and

1359
01:00:21,390 --> 01:00:19,240
theories and data that's been put for

1360
01:00:23,340 --> 01:00:21,400
or word to suggest that what came down

1361
01:00:26,280 --> 01:00:23,350
at Roswell was not you know what we

1362
01:00:28,740 --> 01:00:26,290
would call a an alien spacecraft but a

1363
01:00:30,540 --> 01:00:28,750

combination of all this research and

1364

01:00:33,270 --> 01:00:30,550

technology captured at the end of the

1365

01:00:35,400 --> 01:00:33,280

Second World War and then tested out in

1366

01:00:37,400 --> 01:00:35,410

the wilds of New Mexico now of course

1367

01:00:39,660 --> 01:00:37,410

you know it's a very controversial

1368

01:00:41,400 --> 01:00:39,670

theory and you're right when you say

1369

01:00:42,870 --> 01:00:41,410

there are there are multiple theories so

1370

01:00:45,060 --> 01:00:42,880

what happened at Roswell I mean one of

1371

01:00:47,609 --> 01:00:45,070

the things I point out in the book is

1372

01:00:50,010 --> 01:00:47,619

that there are I think it's either 12 or

1373

01:00:52,170 --> 01:00:50,020

13 now different theories of what

1374

01:00:53,910 --> 01:00:52,180

happened at Roswell and clearly they

1375

01:00:56,670 --> 01:00:53,920

can't all be right you know all we can

1376

01:00:59,010 --> 01:00:56,680

do really is just you just keep digging

1377

01:01:01,859 --> 01:00:59,020

for answers really I mean even I admit

1378

01:01:05,460 --> 01:01:01,869

that you know for every theory that's

1379

01:01:08,010 --> 01:01:05,470

been put forward there really is any

1380

01:01:09,750 --> 01:01:08,020

hard evidence even the Air Force with

1381

01:01:11,160 --> 01:01:09,760

when he came up with the idea that what

1382

01:01:14,010 --> 01:01:11,170

was found on the ranch was one of these

1383

01:01:17,100 --> 01:01:14,020

gigantic mogul balloons as they recall

1384

01:01:20,100 --> 01:01:17,110

they were designed to monitor for the

1385

01:01:22,350 --> 01:01:20,110

Soviet atomic bomb detonations high in

1386

01:01:24,620 --> 01:01:22,360

the atmosphere even the Air Force

1387

01:01:27,090 --> 01:01:24,630

admitted they couldn't find any evidence

1388

01:01:28,920 --> 01:01:27,100

documented evidence to prove that theory

1389

01:01:31,290 --> 01:01:28,930

from but from their perspective it was

1390

01:01:32,880 --> 01:01:31,300

just a theory and when they said that

1391

01:01:34,710 --> 01:01:32,890

the bodies are actually crash test

1392

01:01:37,320 --> 01:01:34,720

dummies they also admitted then that

1393

01:01:39,810 --> 01:01:37,330

well we think that's what they are but

1394

01:01:42,660 --> 01:01:39,820

we've got no documented proof to

1395

01:01:45,870 --> 01:01:42,670

actually confirm that so if you know the

1396

01:01:48,510 --> 01:01:45,880

Air Force couldn't find proof actual

1397

01:01:50,849 --> 01:01:48,520

definitive proof you know it's no wonder

1398

01:01:52,200 --> 01:01:50,859

that we're finding problems you know

1399

01:01:54,120 --> 01:01:52,210

when it comes to actually finding hard

1400

01:01:56,130 --> 01:01:54,130

proof by the way you know that the crash

1401

01:02:00,180 --> 01:01:56,140

test dummies weren't even invented until

1402

01:02:03,270 --> 01:02:00,190

like five years after that correctly

1403

01:02:05,760 --> 01:02:03,280

operate the the test flights of the

1404

01:02:08,940 --> 01:02:05,770

crash test dummies didn't even begin

1405

01:02:10,680 --> 01:02:08,950

until like 1952 and even the guy who ran

1406

01:02:13,830 --> 01:02:10,690

the program it was still alive when that

1407

01:02:16,410 --> 01:02:13,840

theory was put out he said no that was

1408

01:02:18,390 --> 01:02:16,420

nothing to do you know my biggest

1409

01:02:20,070 --> 01:02:18,400

question about Roswell and this has

1410

01:02:23,940 --> 01:02:20,080

really nothing to do with your book but

1411

01:02:26,520 --> 01:02:23,950

my biggest question of all was why on

1412

01:02:30,830 --> 01:02:26,530

earth did the Air Force the Army Air

1413

01:02:36,210 --> 01:02:34,290

well I mean because the story I got from

1414

01:02:38,100 --> 01:02:36,220

the people I interviewed from my book at

1415

01:02:40,260 --> 01:02:38,110

least was because if this was a

1416

01:02:42,270 --> 01:02:40,270

classified experiment that they weren't

1417

01:02:44,640 --> 01:02:42,280

cluded on it they were they didn't have

1418

01:02:46,860 --> 01:02:44,650

a need to know because at the test light

1419

01:02:49,770 --> 01:02:46,870

which went wrong had nothing to do with

1420

01:02:52,140 --> 01:02:49,780

the guys at Roswell and what I was told

1421

01:02:55,620 --> 01:02:52,150

was that this was a flight involving

1422

01:02:57,750 --> 01:02:55,630

sort of like a hybrid device which had

1423

01:03:00,480 --> 01:02:57,760

this gigantic balloon attached to it

1424

01:03:03,300 --> 01:03:00,490

with this so-called lifting body

1425

01:03:05,910 --> 01:03:03,310

detachable craft below it and there was

1426

01:03:09,210 --> 01:03:05,920

an aerial disaster what happened they

1427

01:03:10,410 --> 01:03:09,220

said was that the the materials came

1428

01:03:12,840 --> 01:03:10,420

down on the ranch what happens the

1429

01:03:15,570 --> 01:03:12,850

balloon exploded so it showered down

1430

01:03:18,480 --> 01:03:15,580

rain down all this strange debris from

1431

01:03:20,580 --> 01:03:18,490

this advanced balloon and because that

1432

01:03:23,010 --> 01:03:20,590

was very lightweight it came down at an

1433

01:03:25,320 --> 01:03:23,020

angle you know taken by the wind to one

1434

01:03:27,840 --> 01:03:25,330

part of the ranch but the vehicle itself

1435

01:03:30,180 --> 01:03:27,850

the aircraft which detached was be much

1436

01:03:32,580 --> 01:03:30,190

heavier just plummeted to the ground so

1437

01:03:34,500 --> 01:03:32,590

he had to crash sites and because it was

1438

01:03:37,560 --> 01:03:34,510

a nighttime flight and a lot of these

1439

01:03:39,540 --> 01:03:37,570

flights he with the legitimate provable

1440

01:03:41,610 --> 01:03:39,550

balloon programs at the time were

1441

01:03:45,120 --> 01:03:41,620

carried out at night because during the

1442

01:03:48,660 --> 01:03:45,130

day the the temperature got so high that

1443

01:03:50,280 --> 01:03:48,670

these reflecting balloons aluminum

1444

01:03:53,010 --> 01:03:50,290

balloons well that sometimes they

1445

01:03:54,420 --> 01:03:53,020

explode just due to the sheer heat so

1446

01:03:56,850 --> 01:03:54,430

that's why a lot of the flights were

1447

01:04:02,730 --> 01:03:56,860

nighttime ones and the story I got was

1448

01:04:06,120 --> 01:04:02,740

that the the program was sort of began

1449

01:04:07,800 --> 01:04:06,130

out of like for police in Texas and also

1450

01:04:09,150 --> 01:04:07,810

the White Sands proving ground where a

1451

01:04:12,210 --> 01:04:09,160

lot of the German scientists were

1452

01:04:14,850 --> 01:04:12,220

brought over and when this incident if

1453

01:04:17,280 --> 01:04:14,860

you like occurred and the and the the

1454

01:04:19,920 --> 01:04:17,290

crash occurred the the military was

1455

01:04:22,140 --> 01:04:19,930

frantically looking around for the

1456

01:04:24,270 --> 01:04:22,150

wreckage they weren't sure exactly where

1457

01:04:26,460 --> 01:04:24,280

it had come down as because again they

1458

01:04:28,800 --> 01:04:26,470

didn't you know didn't follow up there

1459

01:04:31,260 --> 01:04:28,810

they anticipated an up and down flight

1460

01:04:35,160 --> 01:04:31,270

where it would have come back down you

1461

01:04:38,490 --> 01:04:35,170

know broadly on the on the you know the

1462

01:04:41,730 --> 01:04:38,500

fringes or at least on the installation

1463

01:04:43,470 --> 01:04:41,740

itself at White Sands but what they said

1464

01:04:46,589 --> 01:04:43,480

was that because he

1465

01:04:48,870 --> 01:04:46,599

or crash-landed off course the there was

1466

01:04:50,700 --> 01:04:48,880

this frantic search for it and in a

1467

01:04:53,039 --> 01:04:50,710

worst case scenario the rancher Mac

1468

01:04:56,099 --> 01:04:53,049

Brazel got there before the military

1469

01:04:59,309 --> 01:04:56,109

from white sands and he quickly

1470

01:05:02,549 --> 01:04:59,319

contacted the Sheriff's Office who then

1471

01:05:04,380 --> 01:05:02,559

contacted the guys at Roswell and the

1472

01:05:07,470 --> 01:05:04,390

guys at Roswell put the story out

1473

01:05:09,750 --> 01:05:07,480

legitimately thinking that well maybe we

1474

01:05:11,099 --> 01:05:09,760

found one of those flying sources that

1475

01:05:12,630 --> 01:05:11,109

people have been talking about for the

1476

01:05:15,690 --> 01:05:12,640

last three or four days because this was

1477

01:05:20,280 --> 01:05:15,700

just barely a week after the first use

1478

01:05:23,099 --> 01:05:20,290

of the term flying saucer and then what

1479

01:05:25,549 --> 01:05:23,109

happened was that the military code that

1480

01:05:27,960 --> 01:05:25,559

rim involved in the X in the experiment

1481

01:05:30,210 --> 01:05:27,970

contacted the guys at Roswell and said

1482

01:05:32,760 --> 01:05:30,220

why the hell if you put this story out

1483

01:05:34,950 --> 01:05:32,770

about a flying saucer coming down and

1484

01:05:37,620 --> 01:05:34,960

they basically said no one told us it

1485

01:05:39,599 --> 01:05:37,630

not to say anything about it in other

1486

01:05:42,420 --> 01:05:39,609

words you know they weren't in the know

1487

01:05:44,430 --> 01:05:42,430

but they unilaterally decided to tell

1488

01:05:46,559 --> 01:05:44,440

people what it was feeling it was an

1489

01:05:48,390 --> 01:05:46,569

important story and that's when you know

1490

01:05:51,210 --> 01:05:48,400

all hell broke loose and the people at

1491

01:05:53,099 --> 01:05:51,220

Roswell like Marcel you know we're told

1492

01:05:56,309 --> 01:05:53,109

you should not have done this you know

1493

01:05:58,020 --> 01:05:56,319

it should have been silenced but again

1494

01:05:59,819 --> 01:05:58,030

they were like well no one told us there

1495

01:06:02,789 --> 01:05:59,829

was a classified program going on or we

1496

01:06:04,410 --> 01:06:02,799

wouldn't have said anything so but again

1497

01:06:06,359 --> 01:06:04,420

that's the story told to me by the

1498

01:06:09,359 --> 01:06:06,369

people who said you know it was a

1499

01:06:12,480 --> 01:06:09,369

classified experiments but of course I

1500

01:06:15,420 --> 01:06:12,490

even I have to admit you know is it

1501

01:06:18,660 --> 01:06:15,430

possible that theory is disinformation

1502

01:06:20,370 --> 01:06:18,670

well it could be in the same way I don't

1503

01:06:21,839 --> 01:06:20,380

think the Air Force would dis informing

1504

01:06:23,970 --> 01:06:21,849

us with their crash-test-dummy

1505

01:06:26,190 --> 01:06:23,980

angle I think they legitimately went

1506

01:06:27,839 --> 01:06:26,200

looking couldn't find anything and

1507

01:06:29,309 --> 01:06:27,849

thought that was the best option but I

1508

01:06:32,670 --> 01:06:29,319

don't think those spreading

1509

01:06:34,650 --> 01:06:32,680

disinformation deliberately but again

1510

01:06:36,809 --> 01:06:34,660

you know it comes down to who's

1511

01:06:38,700 --> 01:06:36,819

witnesses you believe you know do you

1512

01:06:40,170 --> 01:06:38,710

believe the people who said he was crash

1513

01:06:42,030 --> 01:06:40,180

test dummies do you believe the people

1514

01:06:43,260 --> 01:06:42,040

said he was aliens do you believe the

1515

01:06:45,450 --> 01:06:43,270

people who said it was a classified

1516

01:06:46,980 --> 01:06:45,460

experiments do you believe the people

1517

01:06:49,109 --> 01:06:46,990

who said it was Time Traveller's you

1518

01:06:50,849 --> 01:06:49,119

know all those theories coming to play

1519

01:06:54,690 --> 01:06:50,859

with when it comes to Rosen yeah I think

1520

01:06:56,480 --> 01:06:54,700

I misunderstood your you're part of the

1521

01:06:59,240 --> 01:06:56,490

theory I didn't read the book

1522

01:07:01,190 --> 01:06:59,250

I heard you speak on the topic so I

1523

01:07:04,400 --> 01:07:01,200

thought what I was understanding is that

1524

01:07:06,890 --> 01:07:04,410

the Japanese had sent this over but they

1525

01:07:09,200 --> 01:07:06,900

were actually are you saying they were

1526

01:07:13,850 --> 01:07:09,210

part of something like Project Paperclip

1527

01:07:16,730 --> 01:07:13,860

and they were here and they were yeah

1528

01:07:18,380 --> 01:07:16,740

okay I'm not talking about Japan sending

1529

01:07:20,870 --> 01:07:18,390

something over to the US and then he

1530

01:07:22,510 --> 01:07:20,880

crashes yeah see that's that's where I

1531

01:07:24,859 --> 01:07:22,520

thought I wanted to argue the point

1532

01:07:27,490 --> 01:07:24,869

because I was during the occupation

1533

01:07:30,859 --> 01:07:27,500

I made the war was two years over in

1534

01:07:33,320 --> 01:07:30,869

1947 there was no viable Japanese

1535

01:07:35,930 --> 01:07:33,330

military I know but we do know I mean

1536

01:07:37,970 --> 01:07:35,940

for example people you know said that oh

1537

01:07:40,130 --> 01:07:37,980

you know this is Nick Medford's the

1538

01:07:42,710 --> 01:07:40,140

aerial Nick rivers idea a lot of people

1539

01:07:45,200 --> 01:07:42,720

don't realize that the story was

1540

01:07:47,300 --> 01:07:45,210

actually put out long before I even

1541

01:07:49,220 --> 01:07:47,310

started looking into it when this is the

1542

01:07:52,640 --> 01:07:49,230

second book I've written on this subject

1543

01:07:54,200 --> 01:07:52,650

or this theory the first one was body

1544

01:07:57,820 --> 01:07:54,210

snatchers in the desert which came out

1545

01:08:00,050 --> 01:07:57,830

in 2005 and the new one the Roswell UFO

1546

01:08:03,440 --> 01:08:00,060

conspiracy which came out earlier this

1547

01:08:07,570 --> 01:08:03,450

year but back in 1999 Popular Mechanics

1548

01:08:09,920 --> 01:08:07,580

magazine 97 Popular Mechanics magazine

1549

01:08:13,570 --> 01:08:09,930

they published a story saying that

1550

01:08:17,590 --> 01:08:13,580

they've been told of this Japanese

1551

01:08:19,820 --> 01:08:17,600

paperclip type program that involved

1552

01:08:22,640 --> 01:08:19,830

newly advanced or highly advanced

1553

01:08:25,220 --> 01:08:22,650

Japanese balloons combined with German

1554

01:08:28,970 --> 01:08:25,230

technology for the craft and that the

1555

01:08:30,620 --> 01:08:28,980

crew the you know the answer to the crew

1556

01:08:33,590 --> 01:08:30,630

would be that they were you know sort of

1557

01:08:36,289 --> 01:08:33,600

guinea pig test subjects so to speak and

1558

01:08:37,880 --> 01:08:36,299

now again whether or not that's true the

1559

01:08:39,740 --> 01:08:37,890

important thing is that you know the

1560

01:08:44,269 --> 01:08:39,750

same same story that was told to me

1561

01:08:49,730 --> 01:08:44,279

between 2001 and we just a couple years

1562

01:08:51,140 --> 01:08:49,740

ago was near identical and one of the

1563

01:08:54,829 --> 01:08:51,150

things a lot of people forget is that

1564

01:08:56,960 --> 01:08:54,839

the rancher Mac Brazel I mean and you

1565

01:08:59,180 --> 01:08:56,970

can find his quote in the newspapers he

1566

01:09:01,660 --> 01:08:59,190

said that although he didn't believe

1567

01:09:04,730 --> 01:09:01,670

that what came down on the on the ranch

1568

01:09:06,470 --> 01:09:04,740

was a weather balloon he said he did

1569

01:09:09,410 --> 01:09:06,480

admit that on two previous occasions

1570

01:09:10,129 --> 01:09:09,420

military devices had crashed on the

1571

01:09:12,649 --> 01:09:10,139

ranch

1572

01:09:15,050 --> 01:09:12,659

so you know a lot of people forget that

1573

01:09:17,570 --> 01:09:15,060

or don't even know about it that the the

1574

01:09:19,700 --> 01:09:17,580

the pace of land the foster ranch as it

1575

01:09:22,399 --> 01:09:19,710

was known back then that where the

1576

01:09:24,800 --> 01:09:22,409

wreckage and the debris was found he'd

1577

01:09:27,979 --> 01:09:24,810

already scooped up materials from two

1578

01:09:29,660 --> 01:09:27,989

previous military crashes there so you

1579

01:09:32,689 --> 01:09:29,670

know for me I have to sort of keep that

1580

01:09:34,700 --> 01:09:32,699

in mind you know is it possible that two

1581

01:09:36,919 --> 01:09:34,710

military devices crashed there and then

1582

01:09:40,579 --> 01:09:36,929

a UFO happened to crash there yes it's

1583

01:09:43,249 --> 01:09:40,589

possible for me if two military craft

1584

01:09:46,280 --> 01:09:43,259

crashed there which by in is admittance

1585

01:09:48,229 --> 01:09:46,290

they did then for me the chances are the

1586

01:09:50,959 --> 01:09:48,239

third one was a military device as well

1587

01:09:53,240 --> 01:09:50,969

unless you you know you take the co

1588

01:09:55,910 --> 01:09:53,250

incidence angle of the you know the UFO

1589

01:09:58,010 --> 01:09:55,920

crashing down on the same ranchers where

1590

01:10:02,030 --> 01:09:58,020

two previous weather devices had come

1591

01:10:04,340 --> 01:10:02,040

down so again you know it depends who

1592

01:10:06,649 --> 01:10:04,350

whose view you kind of take and whose

1593

01:10:09,229 --> 01:10:06,659

evidence you takers real versus

1594

01:10:11,270 --> 01:10:09,239

disinformation but I think the one thing

1595

01:10:14,359 --> 01:10:11,280

I think we can all agree on when it

1596

01:10:17,660 --> 01:10:14,369

comes to Roswell is that you know the

1597

01:10:20,660 --> 01:10:17,670

longer it goes on and the older the case

1598

01:10:22,850 --> 01:10:20,670

becomes the chances of actually solving

1599

01:10:24,580 --> 01:10:22,860

it again less and less you know it's

1600

01:10:26,870 --> 01:10:24,590

becoming almost like an American

1601

01:10:28,280 --> 01:10:26,880

equivalent to like Jack the Ripper you

1602

01:10:30,560 --> 01:10:28,290

know like this old mystery that

1603

01:10:32,120 --> 01:10:30,570

everybody's heard of you know and so

1604

01:10:34,430 --> 01:10:32,130

I've become legendary and they're all

1605

01:10:37,070 --> 01:10:34,440

different theories and you've kind of

1606

01:10:40,430 --> 01:10:37,080

got that going on with Roswell now where

1607

01:10:43,430 --> 01:10:40,440

even the children who were around back

1608

01:10:45,800 --> 01:10:43,440

then and now dying off I mean if you

1609

01:10:48,439 --> 01:10:45,810

think to give sort of perfect example of

1610

01:10:52,100 --> 01:10:48,449

how long ago it was you know if you had

1611

01:10:54,229 --> 01:10:52,110

to say a 21 year old guard you know

1612

01:10:56,359 --> 01:10:54,239

standing guard over the wreckage out of

1613

01:11:00,050 --> 01:10:56,369

the ranch 21 years old when this

1614

01:11:01,430 --> 01:11:00,060

occurred today that guy would be 91 you

1615

01:11:05,450 --> 01:11:01,440

know when you think me like that that's

1616

01:11:08,689 --> 01:11:05,460

how long ago this was so with a complete

1617

01:11:13,939 --> 01:11:08,699

absence of any kind of documentation no

1618

01:11:16,120 --> 01:11:13,949

photos from the time and just word of

1619

01:11:19,490 --> 01:11:16,130

mouth and pretty much everybody's gone

1620

01:11:20,959 --> 01:11:19,500

you know it's it's sort of sliding into

1621

01:11:23,450 --> 01:11:20,969

what I call that sort of Jack the Ripper

1622

01:11:23,960 --> 01:11:23,460

territory where it becomes not something

1623

01:11:27,080 --> 01:11:23,970

didn't happen

1624

01:11:29,060 --> 01:11:27,090

but he becomes like a legend you know he

1625

01:11:30,710 --> 01:11:29,070

rather than a factual event now it was

1626

01:11:32,690 --> 01:11:30,720

effective actual event in the same way

1627

01:11:35,930 --> 01:11:32,700

that Jack the Ripper was a factual event

1628

01:11:41,570 --> 01:11:35,940

or series of events but it takes on

1629

01:11:45,710 --> 01:11:41,580

almost like a legendary failing to it if

1630

01:11:48,020 --> 01:11:45,720

you like primarily because it is so old

1631

01:11:49,850 --> 01:11:48,030

and you know it becomes part of like

1632

01:11:51,410 --> 01:11:49,860

Americana you know sort of like a

1633

01:11:54,920 --> 01:11:51,420

folklore even though it actually wasn't

1634

01:11:56,750 --> 01:11:54,930

offense and I think it'll become harder

1635

01:11:58,130 --> 01:11:56,760

and harder to decipher you know think

1636

01:12:00,980 --> 01:11:58,140

about what will happen a hundred years

1637

01:12:05,750 --> 01:12:00,990

from now when it comes to Roswell now

1638

01:12:12,350 --> 01:12:05,760

has anyone testable incompetent if we

1639

01:12:16,400 --> 01:12:12,360

have to oblivion now has anyone tried to

1640

01:12:20,420 --> 01:12:16,410

get a fo a a foyer that is a Freedom of

1641

01:12:23,060 --> 01:12:20,430

Information Act documents regarding your

1642

01:12:26,480 --> 01:12:23,070

side are your thoughts in other words

1643

01:12:29,030 --> 01:12:26,490

you said White Sands was out looking for

1644

01:12:31,610 --> 01:12:29,040

the object does anyone try to find out

1645

01:12:35,960 --> 01:12:31,620

if there's any documentation that this

1646

01:12:38,990 --> 01:12:35,970

was going on well again it's like with

1647

01:12:41,840 --> 01:12:39,000

the crash test dummies stories the Mogul

1648

01:12:46,010 --> 01:12:41,850

balloons in the UFO angle there's no

1649

01:12:49,310 --> 01:12:46,020

documentation of any kind on Roswell

1650

01:12:54,340 --> 01:12:49,320

at all except for two one-page documents

1651
01:12:57,170 --> 01:12:54,350
released by the FBI in the 1990s which

1652
01:12:59,480 --> 01:12:57,180
essentially based upon existing

1653
01:13:02,120 --> 01:12:59,490
newspaper reports so that there's

1654
01:13:04,520 --> 01:13:02,130
nothing else at all anywhere relative to

1655
01:13:06,580 --> 01:13:04,530
Roswell the events now what is

1656
01:13:11,570 --> 01:13:06,590
interesting is that when the Air Force

1657
01:13:14,300 --> 01:13:11,580
went looking in 1993 and 1994 for the

1658
01:13:18,910 --> 01:13:14,310
answers to what happened at Roswell and

1659
01:13:21,830 --> 01:13:18,920
this was basically based around the the

1660
01:13:24,590 --> 01:13:21,840
not so much the order but the plan that

1661
01:13:27,350 --> 01:13:24,600
the New Mexico representative at the

1662
01:13:30,320 --> 01:13:27,360
time Steven Schiff he got interested in

1663
01:13:31,610 --> 01:13:30,330

Roswell and he approached what now is

1664

01:13:33,860 --> 01:13:31,620

called the Government Accountability

1665

01:13:36,110 --> 01:13:33,870

Office but back then it was called the

1666

01:13:37,490 --> 01:13:36,120

General Accounting Office and they're

1667

01:13:39,710 --> 01:13:37,500

very powerful GRU

1668

01:13:41,630 --> 01:13:39,720

within the government switch if you want

1669

01:13:44,300 --> 01:13:41,640

you know answers from a government

1670

01:13:46,370 --> 01:13:44,310

agency the GAO can go in and say look we

1671

01:13:49,090 --> 01:13:46,380

want the files on this they've been

1672

01:13:51,170 --> 01:13:49,100

requesting and you know you're hereby

1673

01:13:53,930 --> 01:13:51,180

ordered to hand over anything you've got

1674

01:13:56,570 --> 01:13:53,940

this order went out from the GAO to the

1675

01:14:00,200 --> 01:13:56,580

Air Force the army the Navy the CIA dia

1676

01:14:03,290 --> 01:14:00,210

NSA Department of Defense everywhere and

1677

01:14:04,910 --> 01:14:03,300

apart from those 2-1 pages of which

1678

01:14:08,090 --> 01:14:04,920

essentially didn't tell us anything new

1679

01:14:10,070 --> 01:14:08,100

from the FBI nothing surfaced but what

1680

01:14:13,460 --> 01:14:10,080

what he's interested is what didn't

1681

01:14:15,350 --> 01:14:13,470

surface the Air Force in it's 1994

1682

01:14:19,040 --> 01:14:15,360

report revealed that when it went

1683

01:14:21,550 --> 01:14:19,050

looking for the files from Roswell in

1684

01:14:25,580 --> 01:14:21,560

1947 he found that all the outgoing

1685

01:14:29,120 --> 01:14:25,590

messages from the base active of 45 to

1686

01:14:31,940 --> 01:14:29,130

51 were gone and nobody could find them

1687

01:14:35,120 --> 01:14:31,950

and there was no paperwork to explain

1688

01:14:37,310 --> 01:14:35,130

how or why the documents have vanished

1689

01:14:40,070 --> 01:14:37,320

only that they'd all gone and they have

1690

01:14:42,410 --> 01:14:40,080

never been seen since we don't know if

1691

01:14:46,400 --> 01:14:42,420

those files were pulled back in the 40s

1692

01:14:47,840 --> 01:14:46,410

or the early 50s or the 60s or 24 hours

1693

01:14:49,430 --> 01:14:47,850

you know before the Air Force went

1694

01:14:51,940 --> 01:14:49,440

looking but somebody grabbed them we

1695

01:14:55,040 --> 01:14:51,950

don't know but so in other words

1696

01:14:58,670 --> 01:14:55,050

whatever happened at Roswell has been an

1697

01:15:01,400 --> 01:14:58,680

extremely good program has been put into

1698

01:15:03,980 --> 01:15:01,410

place to try and prevent anybody from

1699

01:15:04,550 --> 01:15:03,990

getting the answers including senator

1700

01:15:11,450 --> 01:15:04,560

Schiff

1701
01:15:13,700 --> 01:15:11,460
Force so you know if even the Air Force

1702
01:15:16,370 --> 01:15:13,710
was prevented from finding the answer

1703
01:15:18,410 --> 01:15:16,380
then that kind of makes you wonder well

1704
01:15:22,010 --> 01:15:18,420
how far and how deep does this

1705
01:15:25,370 --> 01:15:22,020
conspiracy grow you know who or what

1706
01:15:29,060 --> 01:15:25,380
agency could be so powerful that it's

1707
01:15:32,410 --> 01:15:29,070
actively and successfully managed to

1708
01:15:35,060 --> 01:15:32,420
hide the entirety of the evidence

1709
01:15:35,780 --> 01:15:35,070
forever you know that literally nothing

1710
01:15:39,800 --> 01:15:35,790
has surfaced

1711
01:15:44,840 --> 01:15:39,810
why would something like this be so

1712
01:15:48,650 --> 01:15:44,850
top-secret if it was an experiment you

1713
01:15:51,169 --> 01:15:48,660

mean oh well the story that I got was

1714

01:15:54,080 --> 01:15:51,179

that the the technology wasn't

1715

01:15:58,129 --> 01:15:54,090

advanced we're talking about not exactly

1716

01:16:00,830 --> 01:15:58,139

regular balloons but basically alumina

1717

01:16:02,479 --> 01:16:00,840

aluminum coated polyethylene balloons

1718

01:16:05,719 --> 01:16:02,489

which were fairly new them but which are

1719

01:16:07,879 --> 01:16:05,729

more sturdy and they said that the the

1720

01:16:11,270 --> 01:16:07,889

technology was not that advanced I mean

1721

01:16:13,819 --> 01:16:11,280

we're talking about sort of the lifting

1722

01:16:17,029 --> 01:16:13,829

body glider type devices which would be

1723

01:16:20,179 --> 01:16:17,039

attached to these giant balloons now

1724

01:16:21,979 --> 01:16:20,189

these balloons would go right to the

1725

01:16:23,689 --> 01:16:21,989

sort of the edge of the stratosphere you

1726
01:16:25,580 --> 01:16:23,699
know we're talking about you know as

1727
01:16:27,439 --> 01:16:25,590
high as you can sort of go before you

1728
01:16:29,419 --> 01:16:27,449
start to reach the fringes about a space

1729
01:16:32,569 --> 01:16:29,429
now of course we didn't get that far

1730
01:16:34,910 --> 01:16:32,579
back in 47 but certainly you know we got

1731
01:16:38,419 --> 01:16:34,920
really you know high up I mean extremely

1732
01:16:40,729 --> 01:16:38,429
high and a great deal of research wasn't

1733
01:16:44,870 --> 01:16:40,739
known about how the human body would

1734
01:16:48,379 --> 01:16:44,880
react to things like exposure to high

1735
01:16:50,929 --> 01:16:48,389
altitudes cosmic rays things like that

1736
01:16:54,129 --> 01:16:50,939
and so the story given to me was that

1737
01:16:56,299 --> 01:16:54,139
what happened was a number of people

1738
01:16:58,939 --> 01:16:56,309

against their wills were essentially

1739

01:17:03,109 --> 01:16:58,949

used as like human guinea pigs in these

1740

01:17:05,929 --> 01:17:03,119

high-altitude experiments and I was told

1741

01:17:08,989 --> 01:17:05,939

that the main reasons why this story was

1742

01:17:11,270 --> 01:17:08,999

hidden wasn't for the technology but it

1743

01:17:14,179 --> 01:17:11,280

was just if a story came out it would

1744

01:17:17,379 --> 01:17:14,189

show that number one paper being used in

1745

01:17:19,759 --> 01:17:17,389

these human guinea pig test subjects

1746

01:17:22,339 --> 01:17:19,769

experiments but it would also show that

1747

01:17:24,229 --> 01:17:22,349

only just barely two years after we

1748

01:17:26,660 --> 01:17:24,239

defeated the Japanese we'd entered into

1749

01:17:29,839 --> 01:17:26,670

sort of a secret pact with them you know

1750

01:17:32,149 --> 01:17:29,849

to utilize their technology now although

1751

01:17:35,390 --> 01:17:32,159

nothing is surfaced on Roswell in

1752

01:17:37,790 --> 01:17:35,400

relation to the Japanese angle a lot of

1753

01:17:39,830 --> 01:17:37,800

the files which do talk about how the

1754

01:17:41,600 --> 01:17:39,840

Japanese balloon technology was brought

1755

01:17:44,750 --> 01:17:41,610

over to the US you can actually read

1756

01:17:46,520 --> 01:17:44,760

them at the National Archives in Mar a or

1757

01:17:49,520 --> 01:17:46,530

you can go onto their website and

1758

01:17:52,929 --> 01:17:49,530

download them as PDFs there's a section

1759

01:17:55,580 --> 01:17:52,939

of the National Archives website for

1760

01:17:57,379 --> 01:17:55,590

Japanese and German war crimes and if

1761

01:17:59,929 --> 01:17:57,389

you can find that section you can

1762

01:18:01,669 --> 01:17:59,939

download all the Japanese material that

1763

01:18:03,709 --> 01:18:01,679

was brought over well not all of you

1764

01:18:06,070 --> 01:18:03,719

because there's no Roswell material if

1765

01:18:08,919 --> 01:18:06,080

the story is true

1766

01:18:11,410 --> 01:18:08,929

so that's basically what it came down to

1767

01:18:14,350 --> 01:18:11,420

as I was told in terms of why the

1768

01:18:16,810 --> 01:18:14,360

secrecy existed not because of what was

1769

01:18:19,390 --> 01:18:16,820

found but because of the ramifications

1770

01:18:23,050 --> 01:18:19,400

of things like war crimes and you know

1771

01:18:25,479 --> 01:18:23,060

certain people being given sort of a

1772

01:18:26,979 --> 01:18:25,489

deal that's okay you show us the

1773

01:18:29,229 --> 01:18:26,989

technology you've got you hand it over

1774

01:18:33,270 --> 01:18:29,239

and you don't do 30 years for war crimes

1775

01:18:37,840 --> 01:18:33,280

you know what about say the situation of

1776

01:18:40,629 --> 01:18:37,850

Glenn Dennis who who was an important he

1777

01:18:45,640 --> 01:18:40,639

said that he was you know I don't know

1778

01:18:48,010 --> 01:18:45,650

how truthful his testimony was but he

1779

01:18:50,169 --> 01:18:48,020

was saying that he was told to order

1780

01:18:53,200 --> 01:18:50,179

these small coffins how fast could he

1781

01:18:54,610 --> 01:18:53,210

get them there and plus of the nurse

1782

01:18:58,979 --> 01:18:54,620

that he claims to have had a

1783

01:19:01,930 --> 01:18:58,989

relationship with that was involved in a

1784

01:19:04,810 --> 01:19:01,940

autopsy who was totally traumatized

1785

01:19:06,970 --> 01:19:04,820

according to him and ended up you know

1786

01:19:08,919 --> 01:19:06,980

leaving he never saw her again and she

1787

01:19:12,129 --> 01:19:08,929

died and all that and some type of

1788

01:19:14,830 --> 01:19:12,139

strange incident again I don't even know

1789

01:19:18,220 --> 01:19:14,840

if they ever named in the nurse but have

1790

01:19:20,560 --> 01:19:18,230

you ever looked into that part yeah the

1791

01:19:22,479 --> 01:19:20,570

problem was I mean glad Dennis is dead

1792

01:19:24,580 --> 01:19:22,489

now you know so unfortunately he's not

1793

01:19:26,169 --> 01:19:24,590

here to sort of you know give his side

1794

01:19:28,270 --> 01:19:26,179

of the story anymore

1795

01:19:31,149 --> 01:19:28,280

you know and it's never a good thing to

1796

01:19:33,209 --> 01:19:31,159

sort of you know when you can't when you

1797

01:19:35,830 --> 01:19:33,219

come you know present the person and

1798

01:19:38,800 --> 01:19:35,840

speak to them but I mean what I would

1799

01:19:41,169 --> 01:19:38,810

say is that I mean Kevin Randall who's

1800

01:19:43,270 --> 01:19:41,179

you know for years championed the

1801
01:19:45,850 --> 01:19:43,280
extra-terrestrial angle Kevin has washed

1802
01:19:47,500 --> 01:19:45,860
his hands of the now he's washed his

1803
01:19:51,399 --> 01:19:47,510
hands at the Glen Denny's story and

1804
01:19:54,610 --> 01:19:51,409
doesn't feel you know it has any value

1805
01:19:56,500 --> 01:19:54,620
anymore also the story of Frank Gore and

1806
01:20:00,129 --> 01:19:56,510
another one who for a number of years

1807
01:20:02,229 --> 01:20:00,139
that Kevin supported his story now feels

1808
01:20:04,780 --> 01:20:02,239
of that account doesn't have any merit

1809
01:20:07,899 --> 01:20:04,790
to it either now of course that doesn't

1810
01:20:09,820 --> 01:20:07,909
help my case because they talked about

1811
01:20:11,500 --> 01:20:09,830
bodies and if you know if they weren't

1812
01:20:13,450 --> 01:20:11,510
telling the truth about the bodies then

1813
01:20:15,610 --> 01:20:13,460

you know you can apply that to the

1814

01:20:17,680 --> 01:20:15,620

Japanese bodies as well so you know

1815

01:20:18,110 --> 01:20:17,690

doesn't help my position that he may

1816

01:20:20,330 --> 01:20:18,120

have

1817

01:20:25,880 --> 01:20:20,340

you know fabricated historic you know I

1818

01:20:27,560 --> 01:20:25,890

don't take any you know any sense of you

1819

01:20:31,100 --> 01:20:27,570

know failing that that he adds weight to

1820

01:20:32,600 --> 01:20:31,110

my store it actually doesn't but again

1821

01:20:33,890 --> 01:20:32,610

you know this is the problem that we

1822

01:20:36,290 --> 01:20:33,900

have we're you know we have a

1823

01:20:38,060 --> 01:20:36,300

fascinating story but we achieve and

1824

01:20:41,900 --> 01:20:38,070

some of the Roswell researchers then

1825

01:20:44,330 --> 01:20:41,910

come to doubt but in saying that you

1826
01:20:47,420 --> 01:20:44,340
know there are people whose who claims

1827
01:20:50,120 --> 01:20:47,430
have seen bodies and you know and their

1828
01:20:53,090 --> 01:20:50,130
stories have stood the test of time so

1829
01:20:55,060 --> 01:20:53,100
but again the problem is how do we solve

1830
01:20:57,680 --> 01:20:55,070
it you know what happens to the bodies

1831
01:21:02,660 --> 01:20:57,690
where do they go to did I still exist

1832
01:21:05,330 --> 01:21:02,670
now I think if if a UFO crashed then of

1833
01:21:07,910 --> 01:21:05,340
course all the evidence is going to be

1834
01:21:09,730 --> 01:21:07,920
preserved I mean if they were alien

1835
01:21:11,960 --> 01:21:09,740
beings then there would have been

1836
01:21:14,060 --> 01:21:11,970
autopsies there would have been studies

1837
01:21:16,730 --> 01:21:14,070
of the biology and you know all the

1838
01:21:19,160 --> 01:21:16,740

organs there were a massive you know

1839

01:21:21,350 --> 01:21:19,170

autopsy reports thousands and thousands

1840

01:21:22,970 --> 01:21:21,360

of pages that would never ever be

1841

01:21:24,980 --> 01:21:22,980

destroyed it would be so valuable and

1842

01:21:27,350 --> 01:21:24,990

that'd be the same for the for the craft

1843

01:21:29,510 --> 01:21:27,360

but what the people I interviewed tell

1844

01:21:30,950 --> 01:21:29,520

me was that most of these experiments

1845

01:21:32,720 --> 01:21:30,960

they said there was roughly seven or

1846

01:21:36,410 --> 01:21:32,730

eight the day knew of that went on in

1847

01:21:38,690 --> 01:21:36,420

New Mexico in 1947 they didn't learn

1848

01:21:41,150 --> 01:21:38,700

much from these high-altitude exposure

1849

01:21:44,690 --> 01:21:41,160

experiments and because there was this

1850

01:21:46,550 --> 01:21:44,700

sort of gray area of some of these

1851

01:21:50,330 --> 01:21:46,560

experiments perceived as being not

1852

01:21:52,580 --> 01:21:50,340

entirely legal and ethical to protect

1853

01:21:54,290 --> 01:21:52,590

everybody they said everything was

1854

01:21:56,630 --> 01:21:54,300

destroyed that the way they viewed it

1855

01:21:58,700 --> 01:21:56,640

there was no point keeping the balloon

1856

01:22:01,190 --> 01:21:58,710

debris there was no point keeping the

1857

01:22:05,240 --> 01:22:01,200

wreck craft and what would be the point

1858

01:22:07,070 --> 01:22:05,250

of preserving the bodies of a number of

1859

01:22:09,050 --> 01:22:07,080

people used in guinea pig flights when

1860

01:22:11,540 --> 01:22:09,060

he didn't prove anything and they said

1861

01:22:15,950 --> 01:22:11,550

that everything was destroyed to protect

1862

01:22:18,620 --> 01:22:15,960

the guilty so to speak so if so there

1863

01:22:20,300 --> 01:22:18,630

are two scenarios as I see if a UFO

1864

01:22:22,220 --> 01:22:20,310

crashed which I don't rule out you know

1865

01:22:24,500 --> 01:22:22,230

as I said I could never prove that I

1866

01:22:28,160 --> 01:22:24,510

wasn't light but what I would say is

1867

01:22:30,860 --> 01:22:28,170

that if it was a UFO we have a great

1868

01:22:32,060 --> 01:22:30,870

chance one day of possibly solving it

1869

01:22:33,770 --> 01:22:32,070

because all this material

1870

01:22:35,120 --> 01:22:33,780

would be hidden away and all the

1871

01:22:38,330 --> 01:22:35,130

documents and photographs would be

1872

01:22:40,160 --> 01:22:38,340

hidden away if however it was a dark and

1873

01:22:42,440 --> 01:22:40,170

dirty secret that somebody said we've

1874

01:22:45,020 --> 01:22:42,450

got to get rid of everything then it's

1875

01:22:46,970 --> 01:22:45,030

possible there actually is no evidence

1876

01:22:49,640 --> 01:22:46,980

left there's nothing other than old

1877

01:22:51,860 --> 01:22:49,650

memories and that would be kind of

1878

01:22:53,960 --> 01:22:51,870

depressing because even if that was the

1879

01:22:56,930 --> 01:22:53,970

answer it would be unable we'd be unable

1880

01:22:59,090 --> 01:22:56,940

to prove it so I think the only way we

1881

01:23:00,980 --> 01:22:59,100

can prove it is if it was actually

1882

01:23:02,690 --> 01:23:00,990

terrestrial because it would be common

1883

01:23:06,170 --> 01:23:02,700

sense that all that would be can right

1884

01:23:09,050 --> 01:23:06,180

now what about the alleged mystery metal

1885

01:23:11,320 --> 01:23:09,060

the memory metal that so many different

1886

01:23:14,000 --> 01:23:11,330

I think a number of people talked about

1887

01:23:16,130 --> 01:23:14,010

how you know you couldn't destroy it

1888

01:23:18,140 --> 01:23:16,140

although the one thing I've always

1889

01:23:20,090 --> 01:23:18,150

thought about that is if you couldn't

1890

01:23:24,020 --> 01:23:20,100

destroy it why was it burst all over the

1891

01:23:26,330 --> 01:23:24,030

place you know in little pieces yeah I

1892

01:23:28,910 --> 01:23:26,340

mean admittedly even I have to admit you

1893

01:23:31,880 --> 01:23:28,920

know that the the so-called memory metal

1894

01:23:34,280 --> 01:23:31,890

angrily is a really interesting one now

1895

01:23:36,080 --> 01:23:34,290

again the people I interviewed and for

1896

01:23:39,350 --> 01:23:36,090

people who aren't aware of the research

1897

01:23:41,000 --> 01:23:39,360

have done into this over since 2001

1898

01:23:43,940 --> 01:23:41,010

until I like I said a company years ago

1899

01:23:45,470 --> 01:23:43,950

I spoke to a lot of old-timers from the

1900

01:23:48,500 --> 01:23:45,480

intelligence world of them and the

1901

01:23:49,940 --> 01:23:48,510

military who basically said and some of

1902

01:23:51,950 --> 01:23:49,950

them knew each other and basically said

1903

01:23:53,540 --> 01:23:51,960

they wanted to sort of you know get

1904

01:23:56,510 --> 01:23:53,550

things off their chests and tell what

1905

01:23:58,760 --> 01:23:56,520

they knew now of course you know I'm not

1906

01:24:00,530 --> 01:23:58,770

stupid and you know it's important I

1907

01:24:03,560 --> 01:24:00,540

don't have to noted in both the books

1908

01:24:05,510 --> 01:24:03,570

I've done on this subject 30 even I

1909

01:24:08,390 --> 01:24:05,520

can't rule out the idea that this was a

1910

01:24:10,190 --> 01:24:08,400

deception to hide the idea that aliens

1911

01:24:13,520 --> 01:24:10,200

really did crash you know I'm not on

1912

01:24:15,860 --> 01:24:13,530

some sort of rants or campaign to

1913

01:24:18,860 --> 01:24:15,870

convince people aliens didn't crash I

1914

01:24:21,620 --> 01:24:18,870

can only present what I uncovered and

1915

01:24:24,140 --> 01:24:21,630

put it out and then hope you know or we

1916

01:24:26,270 --> 01:24:24,150

just see where the story goes but in

1917

01:24:28,430 --> 01:24:26,280

terms of the memory metal I mean one of

1918

01:24:31,640 --> 01:24:28,440

the things I would say is that this

1919

01:24:34,310 --> 01:24:31,650

doesn't this doesn't fully explain the

1920

01:24:37,820 --> 01:24:34,320

memory metal but what I would say that

1921

01:24:42,500 --> 01:24:37,830

it may not be coincidence but up until

1922

01:24:45,560 --> 01:24:42,510

the early part of 1947 the lot of the

1923

01:24:49,700 --> 01:24:45,570

Bulow's of the military flew

1924

01:24:51,760 --> 01:24:49,710

called polyethylene balloons now when

1925

01:24:54,020 --> 01:24:51,770

they started flying these high-altitude

1926

01:24:57,649 --> 01:24:54,030

legitimate programs I mean what we can

1927

01:25:00,290 --> 01:24:57,659

prove existed in 47 in New Mexico they

1928

01:25:02,930 --> 01:25:00,300

still use these polyethylene balloons

1929

01:25:05,660 --> 01:25:02,940

but they were laminated with aluminum

1930

01:25:08,510 --> 01:25:05,670

and most people had not seen them before

1931

01:25:11,689 --> 01:25:08,520

and if you take a piece of one of those

1932

01:25:13,819 --> 01:25:11,699

balloons be the polyethylene laminated

1933

01:25:17,649 --> 01:25:13,829

with the aluminum now you can't call it

1934

01:25:20,149 --> 01:25:17,659

memory metal but it does flex back now

1935

01:25:21,950 --> 01:25:20,159

you know on the one hand people are

1936

01:25:25,550 --> 01:25:21,960

gonna say well now they the witnesses

1937

01:25:28,069 --> 01:25:25,560

described how you know it returned to

1938

01:25:29,750 --> 01:25:28,079

its original shape with no crazies or

1939

01:25:31,550 --> 01:25:29,760

anything and if that's true you know

1940

01:25:34,459 --> 01:25:31,560

that's a problem that's problematic for

1941

01:25:36,890 --> 01:25:34,469

all theories apart from the 81 if

1942

01:25:40,189 --> 01:25:36,900

however they were seeing something they

1943

01:25:42,589 --> 01:25:40,199

still found weird but which was just the

1944

01:25:45,200 --> 01:25:42,599

little laminated with aluminum balloons

1945

01:25:47,000 --> 01:25:45,210

then they may remembered them has been

1946

01:25:51,020 --> 01:25:47,010

somewhat different to what they've seen

1947

01:25:53,600 --> 01:25:51,030

back in 45 or 46 does that prove you

1948

01:25:56,660 --> 01:25:53,610

know the that it's a again like a

1949

01:25:58,790 --> 01:25:56,670

military experiment no it doesn't but

1950

01:26:02,120 --> 01:25:58,800

you know even I have to admit that the

1951

01:26:06,500 --> 01:26:02,130

memory metal is the one aspect more than

1952

01:26:09,800 --> 01:26:06,510

any other that you know could confirm

1953

01:26:11,270 --> 01:26:09,810

Roswell as extraterrestrial if you know

1954

01:26:12,919 --> 01:26:11,280

when the witness is saying that it

1955

01:26:16,160 --> 01:26:12,929

couldn't be burns it couldn't be

1956

01:26:18,080 --> 01:26:16,170

scratched etc etc but then like you said

1957

01:26:20,810 --> 01:26:18,090

you know these the issue of the fact

1958

01:26:24,530 --> 01:26:20,820

that there was sort of a 600 foot wide

1959

01:26:29,030 --> 01:26:24,540

long tabret failed so clearly this

1960

01:26:30,649 --> 01:26:29,040

material could be broken you know and so

1961

01:26:33,109 --> 01:26:30,659

again you know a lot of questions a lot

1962

01:26:35,479 --> 01:26:33,119

of theories and and a lot a lot of

1963

01:26:38,990 --> 01:26:35,489

confusion at the end of it and along

1964

01:26:42,020 --> 01:26:39,000

those same lines of the military

1965

01:26:45,589 --> 01:26:42,030

supposedly and I think this came through

1966

01:26:47,720 --> 01:26:45,599

witnesses had to scour and pick up every

1967

01:26:50,780 --> 01:26:47,730

single little teeny piece of it that's

1968

01:26:54,410 --> 01:26:50,790

kind of suspicious too as far as uh you

1969

01:26:56,870 --> 01:26:54,420

know this whole thing goes well well

1970

01:26:59,060 --> 01:26:56,880

yeah I mean that I don't doubt happen

1971

01:26:59,510 --> 01:26:59,070

whatever the wreckage was I don't doubt

1972

01:27:03,140 --> 01:26:59,520

that was

1973

01:27:04,880 --> 01:27:03,150

all collected now as I didn't get sort

1974

01:27:06,470 --> 01:27:04,890

of you know a firm answer on that as to

1975

01:27:09,370 --> 01:27:06,480

why you know they would have collected

1976

01:27:12,860 --> 01:27:09,380

it all up except for the fact that

1977

01:27:15,650 --> 01:27:12,870

supposedly they were concerned as to if

1978

01:27:17,930 --> 01:27:15,660

the story got out as to you know this

1979

01:27:18,950 --> 01:27:17,940

sort of human guinea pig experiments if

1980

01:27:21,800 --> 01:27:18,960

he got out

1981

01:27:25,130 --> 01:27:21,810

you know the ramifications would be huge

1982

01:27:27,560 --> 01:27:25,140

so they decided to ensure that nothing

1983

01:27:30,260 --> 01:27:27,570

was ever left you know the bodies the

1984

01:27:32,930 --> 01:27:30,270

wreckage the papers were destroyed so

1985

01:27:35,500 --> 01:27:32,940

you know if that scenario is correct you

1986

01:27:38,030 --> 01:27:35,510

know you could make a case that the

1987

01:27:41,660 --> 01:27:38,040

every bit of the foil and wreckage was

1988

01:27:46,270 --> 01:27:41,670

collected purely and simply to to ensure

1989

01:27:49,340 --> 01:27:46,280

that every paper trail of every aspect

1990

01:27:51,830 --> 01:27:49,350

you know it was it was taken care of

1991

01:27:57,230 --> 01:27:51,840

them right right okay

1992

01:28:00,410 --> 01:27:57,240

now the one thing also that I think

1993

01:28:05,420 --> 01:28:00,420

about when it comes to Roswell that his

1994

01:28:10,180 --> 01:28:05,430

kind of bizarre is okay after 19 or 1980

1995

01:28:14,030 --> 01:28:10,190

whenever you know Stan Friedman and Bill

1996

01:28:16,310 --> 01:28:14,040

what's-his-name yeah well well and all

1997

01:28:18,710 --> 01:28:16,320

these you know the story basically broke

1998

01:28:21,620 --> 01:28:18,720

and it was in you know one of the

1999

01:28:22,940 --> 01:28:21,630

tabloids you know it came out well

2000

01:28:28,190 --> 01:28:22,950

people started to come forward right

2001

01:28:30,920 --> 01:28:28,200

away that were involved and I forget how

2002

01:28:32,630 --> 01:28:30,930

many witnesses I've heard you know up to

2003

01:28:34,910 --> 01:28:32,640

600 but I don't know if that's true or

2004

01:28:37,070 --> 01:28:34,920

not but these witnesses started coming

2005

01:28:38,570 --> 01:28:37,080

forward and so the question I have for

2006

01:28:40,730 --> 01:28:38,580

you is how come you didn't hear about

2007

01:28:45,470 --> 01:28:40,740

any witnesses coming forward with your

2008

01:28:48,620 --> 01:28:45,480

theory well we get it as I said that

2009

01:28:52,310 --> 01:28:48,630

that the problem is that the people who

2010

01:28:54,590 --> 01:28:52,320

I spoke to said that the fear of God

2011

01:28:57,200 --> 01:28:54,600

have been put them too in them to such a

2012

01:29:00,200 --> 01:28:57,210

degree the ones who are actually in the

2013

01:29:02,690 --> 01:29:00,210

know and to the point where there are

2014

01:29:04,600 --> 01:29:02,700

you know faithful of their lives now if

2015

01:29:07,970 --> 01:29:04,610

you look at the people who spoke out

2016

01:29:09,680 --> 01:29:07,980

about the UFO angle they were people who

2017

01:29:11,380 --> 01:29:09,690

buy their own admittance you know may

2018

01:29:13,459 --> 01:29:11,390

have been guards out at the crash site

2019

01:29:15,100 --> 01:29:13,469

didn't really know what had happened

2020

01:29:17,419 --> 01:29:15,110

but they were told to get out there and

2021

01:29:18,680 --> 01:29:17,429

secure this area and some of them saw

2022

01:29:21,560 --> 01:29:18,690

the wreckage and some of them saw the

2023

01:29:24,500 --> 01:29:21,570

bodies but they were you know they were

2024

01:29:26,779 --> 01:29:24,510

no wise as to what happened then say the

2025

01:29:29,270 --> 01:29:26,789

rancher Brazel was you know it's absurd

2026

01:29:30,770 --> 01:29:29,280

to think that or you know hundreds of

2027

01:29:33,049 --> 01:29:30,780

guys from the Roswell base would be

2028

01:29:34,459 --> 01:29:33,059

taken out there and they would be told a

2029

01:29:36,589 --> 01:29:34,469

false story what happened

2030

01:29:39,109 --> 01:29:36,599

that's not how secrets are kept you know

2031

01:29:41,839 --> 01:29:39,119

secrets are kept by keeping even your

2032

01:29:44,120 --> 01:29:41,849

own guys just give them the information

2033

01:29:46,609 --> 01:29:44,130

they need to know all they needed to

2034

01:29:49,279 --> 01:29:46,619

know was you guard this site you correct

2035

01:29:50,930 --> 01:29:49,289

them collect this wreckage if you find

2036

01:29:55,310 --> 01:29:50,940

anything that resembles a body or a body

2037

01:29:57,109 --> 01:29:55,320

Park report to Colonel Smith and Larry

2038

01:30:00,379 --> 01:29:57,119

you know put it in his hand so in other

2039

01:30:04,669 --> 01:30:00,389

words the people who came forward you

2040

01:30:06,770 --> 01:30:04,679

know in the wake of Bill Moore etc they

2041

01:30:09,350 --> 01:30:06,780

were no wise as to what happened than

2042

01:30:11,629 --> 01:30:09,360

anybody else because they were like the

2043

01:30:13,520 --> 01:30:11,639

second layer of witnesses the people who

2044

01:30:15,319 --> 01:30:13,530

were ordered to go out to recover

2045

01:30:19,459 --> 01:30:15,329

everything they weren't the people who

2046

01:30:21,979 --> 01:30:19,469

took part or who coordinated experiments

2047

01:30:25,299 --> 01:30:21,989

the people who I spoke to claimed to be

2048

01:30:27,799 --> 01:30:25,309

the ones who knew the full story and

2049

01:30:29,600 --> 01:30:27,809

basically said that they it wasn't not

2050

01:30:32,120 --> 01:30:29,610

until their so the latter days or for

2051

01:30:34,729 --> 01:30:32,130

even close to final days that they

2052

01:30:38,229 --> 01:30:34,739

decided to go public or at least public

2053

01:30:41,149 --> 01:30:38,239

to a degree because up until that point

2054

01:30:43,509 --> 01:30:41,159

knowing what they said was the true and

2055

01:30:46,729 --> 01:30:43,519

false story could have got them killed

2056

01:30:48,290 --> 01:30:46,739

nobody's going to kill somebody who was

2057

01:30:50,060 --> 01:30:48,300

in the military who happened to see some

2058

01:30:52,310 --> 01:30:50,070

strange wreckage on the ground because

2059

01:30:55,310 --> 01:30:52,320

that would just make people look into it

2060

01:30:57,140 --> 01:30:55,320

even further so you know there's no need

2061

01:30:58,879 --> 01:30:57,150

to take action against those people the

2062

01:31:00,430 --> 01:30:58,889

only ones who action would be taken

2063

01:31:04,700 --> 01:31:00,440

against would be somebody who had

2064

01:31:07,969 --> 01:31:04,710

arguably something really inflammatory

2065

01:31:11,209 --> 01:31:07,979

and dangerous so you know that was their

2066

01:31:14,029 --> 01:31:11,219

arguments as to why nobody came forward

2067

01:31:15,709 --> 01:31:14,039

with this angle before because those are

2068

01:31:17,989 --> 01:31:15,719

actually even oh we're too terrified to

2069

01:31:19,489 --> 01:31:17,999

reveal what they knew in case you know

2070

01:31:21,859 --> 01:31:19,499

they were killed or their family was

2071

01:31:25,069 --> 01:31:21,869

threatened and so they stayed silent

2072

01:31:27,350 --> 01:31:25,079

I still don't better tech the story did

2073

01:31:29,930 --> 01:31:27,360

come out long before mine I mean

2074

01:31:32,810 --> 01:31:29,940

1997 Popular Mechanics and you can find

2075

01:31:35,240 --> 01:31:32,820

their story online was yeah exactly

2076

01:31:37,910 --> 01:31:35,250

exactly the same story is told to me

2077

01:31:40,520 --> 01:31:37,920

Leonard Stringfield a well-known UFO

2078

01:31:42,109 --> 01:31:40,530

researcher he published the same story

2079

01:31:45,350 --> 01:31:42,119

although he didn't endorse it he

2080

01:31:46,850 --> 01:31:45,360

published the story in 1991 in his one

2081

01:31:50,510 --> 01:31:46,860

of his status reports as they were

2082

01:31:52,970 --> 01:31:50,520

called so the other angle of course is I

2083

01:31:55,729 --> 01:31:52,980

know now looking about retrospectively

2084

01:31:58,340 --> 01:31:55,739

but a number of UFO researchers were

2085

01:32:00,350 --> 01:31:58,350

also given the story years ago but they

2086

01:32:03,109 --> 01:32:00,360

chose not to publish it because they

2087

01:32:04,790 --> 01:32:03,119

didn't like what they were hearing you

2088

01:32:07,189 --> 01:32:04,800

know and so they were very driven by

2089

01:32:10,310 --> 01:32:07,199

that kind of I want to believe factor or

2090

01:32:12,590 --> 01:32:10,320

I want a disbelieve factor so a lot of

2091

01:32:15,410 --> 01:32:12,600

researchers say a lot but some

2092

01:32:17,450 --> 01:32:15,420

researchers who got the story did

2093

01:32:19,760 --> 01:32:17,460

legitimately receive the story years ago

2094

01:32:21,890 --> 01:32:19,770

but just did not want to put it out I

2095

01:32:24,770 --> 01:32:21,900

know in a couple of cases the reason why

2096

01:32:26,570 --> 01:32:24,780

was because they were fearful of being

2097

01:32:29,060 --> 01:32:26,580

kicked off the lecture circuit or not

2098

01:32:32,359 --> 01:32:29,070

being in with the right crowd anymore

2099

01:32:34,370 --> 01:32:32,369

because they dare to suggest Roswell as

2100

01:32:36,950 --> 01:32:34,380

a UFO event didn't happen but from my

2101
01:32:39,200 --> 01:32:36,960
perspective you know I don't care what

2102
01:32:40,910 --> 01:32:39,210
people think you know if he gets me

2103
01:32:43,370 --> 01:32:40,920
thrown off the lecture circuit from this

2104
01:32:47,060 --> 01:32:43,380
group or that group that's too bad you

2105
01:32:50,120 --> 01:32:47,070
know any people want to confront me at

2106
01:32:50,780 --> 01:32:50,130
an events you know and he gets raised at

2107
01:32:53,000 --> 01:32:50,790
a conference

2108
01:32:55,430 --> 01:32:53,010
you know confrontational I don't care

2109
01:32:57,109 --> 01:32:55,440
you know I'm gonna say what I found and

2110
01:32:59,780 --> 01:32:57,119
put it out and you know I don't care

2111
01:33:02,090 --> 01:32:59,790
about the ramifications people like it

2112
01:33:04,040 --> 01:33:02,100
fine if people don't like it ain't gonna

2113
01:33:06,169 --> 01:33:04,050

lose no sleep about it the one thing I

2114

01:33:09,470 --> 01:33:06,179

still am a little puzzled at Nick and

2115

01:33:11,830 --> 01:33:09,480

that is why would it be so secretive

2116

01:33:15,020 --> 01:33:11,840

that these people would be threatened

2117

01:33:17,090 --> 01:33:15,030

you know and why would they fear for

2118

01:33:20,629 --> 01:33:17,100

their lives over something that had to

2119

01:33:23,570 --> 01:33:20,639

do with an experimental post war not

2120

01:33:28,250 --> 01:33:23,580

during the war about post war huh like

2121

01:33:30,770 --> 01:33:28,260

balloon well yeah again you know you

2122

01:33:32,990 --> 01:33:30,780

can't not not the technology at all he

2123

01:33:35,750 --> 01:33:33,000

was he just purely and simply came down

2124

01:33:36,890 --> 01:33:35,760

to the fear of what the work well not

2125

01:33:39,350 --> 01:33:36,900

just the world but the you know the

2126
01:33:41,070 --> 01:33:39,360
American people might say if it was

2127
01:33:43,170 --> 01:33:41,080
found at number one

2128
01:33:45,600 --> 01:33:43,180
that people had been taken from like

2129
01:33:48,000 --> 01:33:45,610
prisons and asylums and used against

2130
01:33:51,390 --> 01:33:48,010
their will in high altitude balloon

2131
01:33:54,480 --> 01:33:51,400
flight and the other angle being that a

2132
01:33:57,330 --> 01:33:54,490
lot of the technology was based on the

2133
01:33:59,130 --> 01:33:57,340
Japanese balloon designs that they were

2134
01:34:00,450 --> 01:33:59,140
planning on building how they you know

2135
01:34:02,670 --> 01:34:00,460
had the atomic bombs dropped on

2136
01:34:05,040 --> 01:34:02,680
Hiroshima and Nagasaki not happened and

2137
01:34:08,280 --> 01:34:05,050
the war continued they were planning on

2138
01:34:13,080 --> 01:34:08,290

building these massive sturdier balloons

2139

01:34:14,910 --> 01:34:13,090

and when the war ended the basically the

2140

01:34:16,290 --> 01:34:14,920

with the paperclip program and the

2141

01:34:18,480 --> 01:34:16,300

Japanese equivalent you know the

2142

01:34:21,630 --> 01:34:18,490

scientists were told you either work for

2143

01:34:24,030 --> 01:34:21,640

us or you do 30 years in jail or life in

2144

01:34:25,380 --> 01:34:24,040

jail what's he gonna be you know it's

2145

01:34:27,300 --> 01:34:25,390

one of those local those sort of mafia

2146

01:34:29,960 --> 01:34:27,310

officer offers you know the one you

2147

01:34:33,720 --> 01:34:29,970

can't refuse

2148

01:34:36,720 --> 01:34:33,730

and so that was that was basically the

2149

01:34:39,600 --> 01:34:36,730

the reason as I was told one was the

2150

01:34:41,370 --> 01:34:39,610

sort of illegal angle of using people

2151

01:34:44,340 --> 01:34:41,380

against their will and number two of

2152

01:34:47,420 --> 01:34:44,350

doing deals with you know people we've

2153

01:34:50,400 --> 01:34:47,430

been a war with a new bomb Pearl Harbor

2154

01:34:52,740 --> 01:34:50,410

now four people might think that's sort

2155

01:34:55,380 --> 01:34:52,750

of too extreme I mean I'm sure you've

2156

01:34:57,750 --> 01:34:55,390

heard of Operation Paperclip which you

2157

01:34:59,220 --> 01:34:57,760

know to find massive amounts online now

2158

01:35:01,530 --> 01:34:59,230

even some of the original files where

2159

01:35:05,580 --> 01:35:01,540

you know German scientists have been

2160

01:35:09,480 --> 01:35:05,590

bombing Europe I mean creating rockets

2161

01:35:13,170 --> 01:35:09,490

bombing Europe in 1944-45 we're actually

2162

01:35:15,990 --> 01:35:13,180

working out at White Sands in 47 in New

2163

01:35:17,670 --> 01:35:16,000

Mexico and you know even a lot of the

2164

01:35:20,220 --> 01:35:17,680

guys working on the program we're not

2165

01:35:23,520 --> 01:35:20,230

happy with bringing these German and

2166

01:35:24,990 --> 01:35:23,530

Japanese scientists over but they kind

2167

01:35:27,690 --> 01:35:25,000

of viewed it as sort of having to do a

2168

01:35:29,580 --> 01:35:27,700

deal with a devil because if we didn't

2169

01:35:31,500 --> 01:35:29,590

grab them then sort of sure as hell that

2170

01:35:33,690 --> 01:35:31,510

the Russians would have and in a

2171

01:35:36,510 --> 01:35:33,700

worst-case scenario it could have

2172

01:35:38,940 --> 01:35:36,520

advanced their rocketry science to such

2173

01:35:40,410 --> 01:35:38,950

a degree but maybe you know in the early

2174

01:35:43,920 --> 01:35:40,420

years they could have launched a sneak

2175

01:35:45,300 --> 01:35:43,930

attack you know on us you know and we

2176

01:35:48,770 --> 01:35:45,310

could be sort of living in a radioactive

2177

01:35:51,450 --> 01:35:48,780

desert now so in other words it was like

2178

01:35:53,190 --> 01:35:51,460

you know who do we what do we do do we

2179

01:35:54,589 --> 01:35:53,200

deal with people we really don't like

2180

01:36:01,970 --> 01:35:54,599

and

2181

01:36:05,870 --> 01:36:01,980

the deal look nobody wanted to make but

2182

01:36:08,149 --> 01:36:05,880

they couldn't afford not to do it so but

2183

01:36:10,489 --> 01:36:08,159

you know that that's war I mean war

2184

01:36:13,459 --> 01:36:10,499

isn't is very rarely like black and

2185

01:36:15,259 --> 01:36:13,469

white in the movies you know it's was a

2186

01:36:18,529 --> 01:36:15,269

dirty game and it's dangerous and

2187

01:36:20,089 --> 01:36:18,539

violent and terrible you know we just

2188

01:36:22,910 --> 01:36:20,099

get to see bits of it on the news or

2189

01:36:26,359 --> 01:36:22,920

whatever you don't see the real what war

2190

01:36:28,970 --> 01:36:26,369

is really like in right right decisions

2191

01:36:31,669 --> 01:36:28,980

are made in different ways so but you

2192

01:36:34,250 --> 01:36:31,679

know again I think the biggest problem

2193

01:36:37,459 --> 01:36:34,260

of all and I like to set up you know if

2194

01:36:41,569 --> 01:36:37,469

nothing else I'm 100 percent honest when

2195

01:36:43,939 --> 01:36:41,579

I say that I cannot prove that the paper

2196

01:36:46,370 --> 01:36:43,949

I spoke to were telling the truth now a

2197

01:36:48,069 --> 01:36:46,380

lot of people who write books might not

2198

01:36:50,359 --> 01:36:48,079

say that and that might surprise some

2199

01:36:53,330 --> 01:36:50,369

listeners that I would say that but it's

2200

01:36:56,359 --> 01:36:53,340

you know I have to be brutally honest I

2201

01:36:59,479 --> 01:36:56,369

put the story out as I was told

2202

01:37:01,729 --> 01:36:59,489

and personally I think personally I do

2203

01:37:04,729 --> 01:37:01,739

think it is the answer but I can't prove

2204

01:37:07,580 --> 01:37:04,739

it like I I'm not sure it'll ever be

2205

01:37:08,720 --> 01:37:07,590

provable if it did happen as I said the

2206

01:37:11,419 --> 01:37:08,730

only way I think

2207

01:37:12,979 --> 01:37:11,429

Roswell can be proved is the

2208

01:37:15,339 --> 01:37:12,989

extra-terrestrial way and that would be

2209

01:37:19,000 --> 01:37:15,349

because all that material big would be

2210

01:37:23,000 --> 01:37:19,010

stored away of course the big problem is

2211

01:37:25,970 --> 01:37:23,010

we do ever scenario is correct the big

2212

01:37:28,729 --> 01:37:25,980

problem is accessing the material the

2213

01:37:30,830 --> 01:37:28,739

documents and the photos now today of

2214

01:37:33,319 --> 01:37:30,840

course in today's world everything's

2215

01:37:35,989 --> 01:37:33,329

online which is why you know when

2216

01:37:37,939 --> 01:37:35,999

hacking occurs that it can be so

2217

01:37:41,660 --> 01:37:37,949

successful because everything is online

2218

01:37:44,689 --> 01:37:41,670

that's why people like Edward Snowden

2219

01:37:48,080 --> 01:37:44,699

you know the rig the reason why he

2220

01:37:50,600 --> 01:37:48,090

accessed and and left the NSA with so

2221

01:37:54,200 --> 01:37:50,610

much material was because you know he

2222

01:37:56,600 --> 01:37:54,210

was able to take it out all in you know

2223

01:38:00,229 --> 01:37:56,610

digital form the problem is of course

2224

01:38:02,239 --> 01:38:00,239

when we're looking at 1947 you know it

2225

01:38:04,860 --> 01:38:02,249

was paper and those strange old things

2226

01:38:08,660 --> 01:38:04,870

called typewriters

2227

01:38:10,800 --> 01:38:08,670

and so in other words the original files

2228

01:38:12,930 --> 01:38:10,810

nobody you know if they let's just say

2229

01:38:15,149 --> 01:38:12,940

hypothetically whatever happened at

2230

01:38:17,610 --> 01:38:15,159

Roswell that all the paperwork is hidden

2231

01:38:20,399 --> 01:38:17,620

sort of 30 feet underground in a bunker

2232

01:38:23,729 --> 01:38:20,409

below a particular military base which

2233

01:38:26,340 --> 01:38:23,739

is guarded 24/7 by guards you know

2234

01:38:29,129 --> 01:38:26,350

vaulted doors there's no way you could

2235

01:38:30,660 --> 01:38:29,139

access that documentation number one

2236

01:38:32,310 --> 01:38:30,670

because you just wouldn't get in you

2237

01:38:36,000 --> 01:38:32,320

wouldn't even get you know barely across

2238

01:38:37,620 --> 01:38:36,010

the base fence but equally and more

2239

01:38:39,959 --> 01:38:37,630

importantly you would never be able to

2240

01:38:43,560 --> 01:38:39,969

access the documents because everything

2241

01:38:45,899 --> 01:38:43,570

would be 1947 era and it would just be

2242

01:38:47,729 --> 01:38:45,909

paid you know be thousands of thousands

2243

01:38:50,340 --> 01:38:47,739

of pages of now sort of yellowed and

2244

01:38:53,220 --> 01:38:50,350

fading papers it wouldn't be anything

2245

01:38:55,919 --> 01:38:53,230

that somebody could hack into so again

2246

01:38:58,260 --> 01:38:55,929

you know the chances of us finding

2247

01:39:01,080 --> 01:38:58,270

something or getting the answers and

2248

01:39:04,080 --> 01:39:01,090

less disclosure occurs which I'm not a

2249

01:39:06,120 --> 01:39:04,090

big fan of disclosure but I think that's

2250

01:39:09,419 --> 01:39:06,130

the only way could possibly happen would

2251

01:39:12,000 --> 01:39:09,429

be if either either disclosure occurs or

2252

01:39:14,729 --> 01:39:12,010

somebody releases something by mistake

2253

01:39:17,129 --> 01:39:14,739

any kind of opens the floodgates and

2254

01:39:19,050 --> 01:39:17,139

then you know it becomes unstoppable

2255

01:39:23,250 --> 01:39:19,060

then and when when it starts to say

2256

01:39:26,160 --> 01:39:23,260

right right yes I I would probably go

2257

01:39:30,290 --> 01:39:26,170

along with something you said earlier

2258

01:39:34,620 --> 01:39:30,300

that you know Roswell will most likely

2259

01:39:35,879 --> 01:39:34,630

continue and become almost folklore you

2260

01:39:39,450 --> 01:39:35,889

know I've wondered about that quite a

2261

01:39:43,290 --> 01:39:39,460

bit because you know it's the further

2262

01:39:46,530 --> 01:39:43,300

you get away from you know an event you

2263

01:39:47,729 --> 01:39:46,540

know the more mystifies and with the so

2264

01:39:51,120 --> 01:39:47,739

many you said they're 11 different

2265

01:39:54,450 --> 01:39:51,130

theories he and I believe it I've heard

2266

01:39:57,000 --> 01:39:54,460

I don't I've heard a few yeah I don't

2267

01:39:59,340 --> 01:39:57,010

know you know the Air Force has well the

2268

01:40:00,570 --> 01:39:59,350

Air Force came up with actually for

2269

01:40:02,370 --> 01:40:00,580

explanations

2270

01:40:04,800 --> 01:40:02,380

you know first they said it was a flying

2271

01:40:07,649 --> 01:40:04,810

disc then the day after it was a weather

2272

01:40:08,790 --> 01:40:07,659

balloon then in 1994 they said well it

2273

01:40:11,550 --> 01:40:08,800

wasn't a weather balloon it was one of

2274

01:40:14,100 --> 01:40:11,560

these mogul balloons for looking to

2275

01:40:16,110 --> 01:40:14,110

monitor for early Soviet atomic

2276

01:40:17,790 --> 01:40:16,120

detonations and these balloons were

2277

01:40:19,140 --> 01:40:17,800

legitimately gigantic below

2278

01:40:22,050 --> 01:40:19,150

it would go high up into the atmosphere

2279

01:40:23,790 --> 01:40:22,060

and it's a monitor for explosions that

2280

01:40:28,500 --> 01:40:23,800

was the third explanation that came out

2281

01:40:30,210 --> 01:40:28,510

in 94 and in the 1994 report the Air

2282

01:40:32,520 --> 01:40:30,220

Force correctly said that you know

2283

01:40:34,290 --> 01:40:32,530

Mulgrew blows didn't have crews sell the

2284

01:40:37,470 --> 01:40:34,300

stories read the bodies couldn't be true

2285

01:40:39,270 --> 01:40:37,480

but then in 97 which was really weird

2286

01:40:40,830 --> 01:40:39,280

that they would even do this they said

2287

01:40:42,930 --> 01:40:40,840

well yes actually there were bodies

2288

01:40:46,080 --> 01:40:42,940

afterward after all but they were

2289

01:40:47,430 --> 01:40:46,090

crash-test dummies and you know that's

2290

01:40:50,550 --> 01:40:47,440

one of the way of things is why they

2291

01:40:54,420 --> 01:40:50,560

even felt they had to address the bodies

2292

01:40:57,000 --> 01:40:54,430

issue in 97 20 1994 they'd already said

2293

01:40:59,010 --> 01:40:57,010

the were nobodies a lot of people forget

2294

01:41:02,310 --> 01:40:59,020

that as to why you know wasn't like that

2295

01:41:03,720 --> 01:41:02,320

somebody was pushing them to explain the

2296

01:41:06,180 --> 01:41:03,730

bodies you know they explained it to

2297

01:41:07,890 --> 01:41:06,190

them from their perspective in 94 by

2298

01:41:10,560 --> 01:41:07,900

saying there weren't any bodies you know

2299

01:41:13,590 --> 01:41:10,570

it was very it was like a closed door

2300

01:41:14,970 --> 01:41:13,600

situation but and they did change their

2301

01:41:17,220 --> 01:41:14,980

mind now

2302

01:41:20,460 --> 01:41:17,230

you also have the theory of a guy named

2303

01:41:22,830 --> 01:41:20,470

Jim Keith who died back in the 1990s but

2304

01:41:26,810 --> 01:41:22,840

Jim Keith claims have spoken to a couple

2305

01:41:30,210 --> 01:41:26,820

of military people who claim that a

2306

01:41:32,160 --> 01:41:30,220

atomic bomb being carried by one of the

2307

01:41:35,160 --> 01:41:32,170

aircraft from Roswell which was the

2308

01:41:37,200 --> 01:41:35,170

five-o ninth wing which bombed Hiroshima

2309

01:41:39,480 --> 01:41:37,210

that's where they're actually based at

2310

01:41:41,670 --> 01:41:39,490

Roswell and he claims have been told

2311

01:41:45,480 --> 01:41:41,680

that one of these bombs which

2312

01:41:47,070 --> 01:41:45,490

fortunately wasn't primed actually

2313

01:41:48,510 --> 01:41:47,080

crashed to the ground in an aircraft

2314

01:41:50,460 --> 01:41:48,520

there was a crash of the aircraft

2315

01:41:52,620 --> 01:41:50,470

carrying one of these bombs and they

2316

01:41:55,440 --> 01:41:52,630

heard the the crash of an atomic bomb in

2317

01:41:57,300 --> 01:41:55,450

the desert under the cover of a UFO

2318

01:41:59,310 --> 01:41:57,310

crash which but I don't believe that

2319

01:42:01,920 --> 01:41:59,320

story I think that I think that would be

2320

01:42:04,260 --> 01:42:01,930

so huge that he would have come out then

2321

01:42:06,360 --> 01:42:04,270

you've got the story you know time

2322

01:42:08,220 --> 01:42:06,370

travelers from the future which which I

2323

01:42:10,770 --> 01:42:08,230

don't believe either but it is a like a

2324

01:42:13,110 --> 01:42:10,780

really cool story the I the idea the

2325

01:42:16,110 --> 01:42:13,120

time travelers say for example in the

2326

01:42:18,810 --> 01:42:16,120

25th century people are still talking

2327

01:42:20,490 --> 01:42:18,820

about Roswell and finally in the 21st

2328

01:42:22,410 --> 01:42:20,500

century you know we've developed time

2329

01:42:24,060 --> 01:42:22,420

travel so somebody said well let's go

2330

01:42:26,160 --> 01:42:24,070

back to Roswell and find out what

2331

01:42:29,190 --> 01:42:26,170

happened you know so they construct this

2332

01:42:31,560 --> 01:42:29,200

craft this time-travel craft they get

2333

01:42:34,140 --> 01:42:31,570

the coordinates right the date right

2334

01:42:36,350 --> 01:42:34,150

and you know they reach Roswell in July

2335

01:42:38,790 --> 01:42:36,360

47 and then their time-traveling machine

2336

01:42:41,160 --> 01:42:38,800

malfunctions and crashes and they

2337

01:42:43,500 --> 01:42:41,170

actually become you know the source of

2338

01:42:45,330 --> 01:42:43,510

the half the Roswell crash so it's like

2339

01:42:47,160 --> 01:42:45,340

a cyclic or thing you know that goes on

2340

01:42:50,000 --> 01:42:47,170

and on so it's kind of an interesting

2341

01:42:52,589 --> 01:42:50,010

theory but he kind of really

2342

01:42:55,830 --> 01:42:52,599

demonstrates the lot of a sort of flaws

2343

01:42:57,300 --> 01:42:55,840

and problems with time travel so but

2344

01:42:59,970 --> 01:42:57,310

that's just a handful of them you know

2345

01:43:02,100 --> 01:42:59,980

there's a bunch I think there was a

2346

01:43:04,919 --> 01:43:02,110

woman that wrote in a book something

2347

01:43:07,709 --> 01:43:04,929

that had to do with the Germans some

2348

01:43:10,290 --> 01:43:07,719

type of oh that was a woman named Annie

2349

01:43:12,620 --> 01:43:10,300

Jacobson and a few years ago she wrote a

2350

01:43:18,419 --> 01:43:12,630

book called area 51 and she claimed that

2351

01:43:21,510 --> 01:43:18,429

an old time insider had given her the

2352

01:43:25,439 --> 01:43:21,520

story and it involved the Nazis doing

2353

01:43:29,310 --> 01:43:25,449

genetic experiments on dwarfs and and

2354

01:43:30,810 --> 01:43:29,320

using some sort of craft developed in

2355

01:43:34,229 --> 01:43:30,820

conjunction between the Nazis and the

2356

01:43:37,020 --> 01:43:34,239

Russians and again you know this is sort

2357

01:43:39,510 --> 01:43:37,030

of a another example of a another layer

2358

01:43:41,790 --> 01:43:39,520

upon layer of what did happen or what

2359

01:43:44,430 --> 01:43:41,800

didn't happen I think the only thing we

2360

01:43:48,089 --> 01:43:44,440

can say for sure is that all a couple of

2361

01:43:50,370 --> 01:43:48,099

things one is that obviously only one of

2362

01:43:52,410 --> 01:43:50,380

the theories can be current you know

2363

01:43:54,030 --> 01:43:52,420

there's no if you die the base or it's

2364

01:43:56,669 --> 01:43:54,040

that or something else it can only be

2365

01:43:58,350 --> 01:43:56,679

one thing though and I think the other

2366

01:44:01,680 --> 01:43:58,360

thing we can say with a fair degree of

2367

01:44:05,069 --> 01:44:01,690

certainty is that all the rest of the

2368

01:44:06,629 --> 01:44:05,079

stories are either the best attempts of

2369

01:44:08,970 --> 01:44:06,639

the government to try and solve it or

2370

01:44:10,890 --> 01:44:08,980

they're disinformation put it put out by

2371

01:44:13,520 --> 01:44:10,900

clandestine groups that we don't even

2372

01:44:20,550 --> 01:44:16,500

other than that you know it's sort of

2373

01:44:23,280 --> 01:44:20,560

everything still wide open I think but I

2374

01:44:25,439 --> 01:44:23,290

think I think the problem is we need to

2375

01:44:27,899 --> 01:44:25,449

find an alternative way to try and get

2376

01:44:31,530 --> 01:44:27,909

the answers I mean freedom information

2377

01:44:33,180 --> 01:44:31,540

hasn't solved Roswell even the General

2378

01:44:35,339 --> 01:44:33,190

Accounting Office couldn't get to the

2379

01:44:37,260 --> 01:44:35,349

bottom of it the Air Force went looking

2380

01:44:38,879 --> 01:44:37,270

for files and actually admitted well we

2381

01:44:40,979 --> 01:44:38,889

weren't looking but the files are gone

2382

01:44:42,750 --> 01:44:40,989

that's one of the reasons why I don't

2383

01:44:44,819 --> 01:44:42,760

think the Air Force was lying because if

2384

01:44:46,139 --> 01:44:44,829

they were lying about finding nothing

2385

01:44:48,209 --> 01:44:46,149

and

2386

01:44:50,699 --> 01:44:48,219

Sani was a mogul balloon I don't think

2387

01:44:52,350 --> 01:44:50,709

they would have admitted that all the

2388

01:44:55,589 --> 01:44:52,360

files were gone you know they would have

2389

01:44:57,810 --> 01:44:55,599

come up with something less sort of ITER

2390

01:44:59,909 --> 01:44:57,820

I catching or head-turning I mean that

2391

01:45:01,560 --> 01:44:59,919

really did turn heads when the air for

2392

01:45:03,899 --> 01:45:01,570

either within the mainstream media when

2393

01:45:05,790 --> 01:45:03,909

the air for said well we've gone looking

2394

01:45:08,399 --> 01:45:05,800

and all the files are missing from

2395

01:45:09,929 --> 01:45:08,409

Roswell you know I think if the Air

2396

01:45:12,169 --> 01:45:09,939

Force was lying they wouldn't have said

2397

01:45:15,540 --> 01:45:12,179

that some Maris and kept that certain oh

2398

01:45:17,250 --> 01:45:15,550

yeah so I think the Air Force I don't

2399

01:45:19,290 --> 01:45:17,260

view the Air Force as the bad guys in

2400

01:45:20,639 --> 01:45:19,300

Roswell at all I think today's whatever

2401

01:45:23,429 --> 01:45:20,649

happened at Roswell

2402

01:45:26,069 --> 01:45:23,439

I think today's Air Force is out of the

2403

01:45:28,709 --> 01:45:26,079

loop and I think whoever is sitting on

2404

01:45:31,319 --> 01:45:28,719

it is so incredibly powerful and deeply

2405

01:45:33,479 --> 01:45:31,329

hidden that they're answerable to no one

2406

01:45:35,609 --> 01:45:33,489

and that includes these these are known

2407

01:45:38,429 --> 01:45:35,619

as what is known as special access

2408

01:45:39,299 --> 01:45:38,439

programs or si peas where it doesn't

2409

01:45:41,909 --> 01:45:39,309

matter if you have a top-secret

2410

01:45:44,399 --> 01:45:41,919

clearance if you're not cleared on this

2411

01:45:46,709 --> 01:45:44,409

specific program you don't get in

2412

01:45:49,379 --> 01:45:46,719

regardless of your top-secret clearance

2413

01:45:51,479 --> 01:45:49,389

so I think it's something like that

2414

01:45:54,179 --> 01:45:51,489

that's hiding the truth of Roswell but

2415

01:45:56,279 --> 01:45:54,189

you know I have to admit and it doesn't

2416

01:45:59,159 --> 01:45:56,289

again he doesn't help anybody's case but

2417

01:46:02,369 --> 01:45:59,169

I just don't see how we go further that

2418

01:46:05,969 --> 01:46:02,379

we've gone now you know we really are at

2419

01:46:08,669 --> 01:46:05,979

that kind of brick wall position where

2420

01:46:11,159 --> 01:46:08,679

just read everybody's dead and also just

2421

01:46:14,040 --> 01:46:11,169

a few days ago one of the last surviving

2422

01:46:15,929 --> 01:46:14,050

witnesses to the wreckage and the you

2423

01:46:18,089 --> 01:46:15,939

know the threats a woman named Frank

2424

01:46:22,049 --> 01:46:18,099

lero she just died about a week or so

2425

01:46:24,029 --> 01:46:22,059

ago and so that's another one gone so

2426

01:46:27,929 --> 01:46:24,039

you know that there really is hardly

2427

01:46:29,549 --> 01:46:27,939

anybody left now and you know it's I

2428

01:46:33,299 --> 01:46:29,559

just don't know what that alternative

2429

01:46:34,469 --> 01:46:33,309

way to get the answers yes a v3z you

2430

01:46:36,359 --> 01:46:34,479

know well you know I thought I was gonna

2431

01:46:40,979 --> 01:46:36,369

punch a bunch of holes in your theory

2432

01:46:44,459 --> 01:46:40,989

but it had to do mostly because I I had

2433

01:46:46,500 --> 01:46:44,469

for some reason assumed that you were

2434

01:46:48,029 --> 01:46:46,510

claiming this thing came from Japan and

2435

01:46:54,299 --> 01:46:48,039

that's where I was you know gonna argue

2436

01:46:57,569 --> 01:46:54,309

with you but oh I get it yeah but yeah

2437

01:46:59,270 --> 01:46:57,579

but I mean again I mean whether it's

2438

01:47:01,790 --> 01:46:59,280

true or not it was the way it was

2439

01:47:03,620 --> 01:47:01,800

you know it was very intricate and

2440

01:47:05,359 --> 01:47:03,630

detailed and all the people you know

2441

01:47:08,660 --> 01:47:05,369

came across as genuine I mean there was

2442

01:47:10,279 --> 01:47:08,670

one other than so painful everybody else

2443

01:47:11,540 --> 01:47:10,289

everybody in the book is named under

2444

01:47:13,609 --> 01:47:11,550

their real names who I interviewed

2445

01:47:15,109 --> 01:47:13,619

because obviously you know the publisher

2446

01:47:17,810 --> 01:47:15,119

insists on that kind of stuff there was

2447

01:47:19,700 --> 01:47:17,820

one elderly lady who preferred to go

2448

01:47:22,490 --> 01:47:19,710

under a pseudonym but I had to provide

2449

01:47:26,120 --> 01:47:22,500

obviously again for her or her contact

2450

01:47:27,799 --> 01:47:26,130

info for the publisher but I mean when I

2451

01:47:30,140 --> 01:47:27,809

met her this was actually a Denny's

2452

01:47:32,419 --> 01:47:30,150

restaurant in the summer of 2001 and she

2453

01:47:35,120 --> 01:47:32,429

was 79 and she died a couple of years

2454

01:47:37,339 --> 01:47:35,130

ago but when I spoke to her about this

2455

01:47:40,490 --> 01:47:37,349

this angle and she told me what she knew

2456

01:47:42,560 --> 01:47:40,500

of it I mean she was literally bear in

2457

01:47:45,919 --> 01:47:42,570

mind this was 91 and she was talking

2458

01:47:48,080 --> 01:47:45,929

about events in 47 here decades ago she

2459

01:47:50,209 --> 01:47:48,090

was literally kind of shaking you know

2460

01:47:52,669 --> 01:47:50,219

and her lips were kind of wobbling not

2461

01:47:54,919 --> 01:47:52,679

through the emotion you know tears or

2462

01:47:57,439 --> 01:47:54,929

anything like that just just cold fear

2463

01:47:59,779 --> 01:47:57,449

of what's the government going to do

2464

01:48:02,149 --> 01:47:59,789

should is he should I actually say

2465

01:48:04,399 --> 01:48:02,159

anything to you what's going to happen

2466

01:48:06,379 --> 01:48:04,409

if you write the book I mean her concern

2467

01:48:09,830 --> 01:48:06,389

was not what are you gonna pay me you

2468

01:48:12,049 --> 01:48:09,840

know having you know what was what shows

2469

01:48:14,569 --> 01:48:12,059

am I gonna be on talking about this she

2470

01:48:17,240 --> 01:48:14,579

was like you know somebody who's

2471

01:48:19,430 --> 01:48:17,250

backtracking wondering should I have

2472

01:48:21,470 --> 01:48:19,440

actually even got into this and she did

2473

01:48:25,700 --> 01:48:21,480

not come across like you know a

2474

01:48:27,740 --> 01:48:25,710

carefully planted actor or anything like

2475

01:48:29,149 --> 01:48:27,750

that now could she have been well she

2476

01:48:31,010 --> 01:48:29,159

could have been but if she was you know

2477

01:48:34,450 --> 01:48:31,020

she was she would have deserved it

2478

01:48:36,979 --> 01:48:34,460

access she was she was like petrified of

2479

01:48:40,370 --> 01:48:36,989

had she got into the right thing of

2480

01:48:42,529 --> 01:48:40,380

actually saying anything and you know I

2481

01:48:44,419 --> 01:48:42,539

was kind of like well you know you

2482

01:48:46,459 --> 01:48:44,429

opened the floodgate or not me

2483

01:48:51,260 --> 01:48:46,469

well now the last question I have for

2484

01:48:52,760 --> 01:48:51,270

you here before we wrap this up is you

2485

01:48:54,919 --> 01:48:52,770

have been on a lot of shows talking

2486

01:49:00,319 --> 01:48:54,929

about your theory and I know you talked

2487

01:49:03,020 --> 01:49:00,329

about it out at the Roswell the festival

2488

01:49:08,290 --> 01:49:03,030

if that'll actual best fighter Rosa Lee

2489

01:49:11,839 --> 01:49:08,300

oh the question I had since anyone had

2490

01:49:12,479 --> 01:49:11,849

like a rebuttal to you that made you go

2491

01:49:14,370 --> 01:49:12,489

huh

2492

01:49:20,790 --> 01:49:14,380

while I didn't think of that hasn't any

2493

01:49:22,830 --> 01:49:20,800

of that pop up um I wouldn't say it was

2494

01:49:26,069 --> 01:49:22,840

anything specific but I mean what I

2495

01:49:29,100 --> 01:49:26,079

would say is that even higher I have to

2496

01:49:30,959 --> 01:49:29,110

admit things like the memory metal you

2497

01:49:33,470 --> 01:49:30,969

know if you know we mentioned this was

2498

01:49:35,370 --> 01:49:33,480

but I mean it is an important issue if

2499

01:49:37,290 --> 01:49:35,380

everybody who talked about all the the

2500

01:49:39,000 --> 01:49:37,300

number of people who talks about the

2501

01:49:43,080 --> 01:49:39,010

memory metal but have these really

2502

01:49:46,250 --> 01:49:43,090

almost beyond incredible properties then

2503

01:49:48,720 --> 01:49:46,260

that is really hard to explain in any

2504

01:49:51,390 --> 01:49:48,730

angle other than the extra-terrestrial

2505

01:49:53,759 --> 01:49:51,400

angle now as I said they the military

2506

01:49:55,979 --> 01:49:53,769

did switch certain balloon types in

2507

01:49:57,930 --> 01:49:55,989

terms of the construction not long

2508

01:50:01,470 --> 01:49:57,940

before Roswell so you know people would

2509

01:50:03,270 --> 01:50:01,480

be seeing balloon debris materials that

2510

01:50:05,790 --> 01:50:03,280

were significantly different to what

2511

01:50:09,299 --> 01:50:05,800

they'd seen in 46 now whether that could

2512

01:50:11,549 --> 01:50:09,309

explain I don't know but I would say

2513

01:50:13,229 --> 01:50:11,559

that's more than anything else that's

2514

01:50:14,060 --> 01:50:13,239

when people us you know like for a

2515

01:50:16,470 --> 01:50:14,070

rebuttal

2516

01:50:19,620 --> 01:50:16,480

the main issue that I would have to

2517

01:50:23,279 --> 01:50:19,630

focus on would be the memory metal more

2518

01:50:27,629 --> 01:50:23,289

than anything else so you know but again

2519

01:50:29,700 --> 01:50:27,639

you know I think it's important that we

2520

01:50:32,509 --> 01:50:29,710

all kind of remain open mind you know I

2521

01:50:36,750 --> 01:50:32,519

think the problem with Roswell it's been

2522

01:50:39,779 --> 01:50:36,760

sort of elevated to the number one UFO

2523

01:50:42,390 --> 01:50:39,789

case on the planet of all time you know

2524

01:50:44,339 --> 01:50:42,400

and it's kind of like the old phrase I

2525

01:50:44,669 --> 01:50:44,349

mean the bigger they are the harder they

2526

01:50:48,569 --> 01:50:44,679

fall

2527

01:50:50,790 --> 01:50:48,579

and I think what's happened is that so

2528

01:50:53,430 --> 01:50:50,800

many people now have got placed all

2529

01:50:56,310 --> 01:50:53,440

their hopes in Roswell as the one case

2530

01:50:58,739 --> 01:50:56,320

that can solve it but then just simply

2531

01:51:01,080 --> 01:50:58,749

not open to anything else because it's

2532

01:51:02,310 --> 01:51:01,090

almost like the fear factor of I really

2533

01:51:05,430 --> 01:51:02,320

don't want to know if it's something

2534

01:51:06,930 --> 01:51:05,440

other than extraterrestrial now you know

2535

01:51:09,479 --> 01:51:06,940

they're a player you know out of all our

2536

01:51:10,799 --> 01:51:09,489

believer in the existence of UFOs you

2537

01:51:13,020 --> 01:51:10,809

know I got interesting because my dad

2538

01:51:15,330 --> 01:51:13,030

was in the Royal Air Force in BOK worked

2539

01:51:17,970 --> 01:51:15,340

on radar I was involved in a couple of

2540

01:51:20,279 --> 01:51:17,980

UFO cases so a full-on believer I'm just

2541

01:51:24,060 --> 01:51:20,289

not sure aliens crashed at Roswell

2542

01:51:25,510 --> 01:51:24,070

but because Roswell has been elevated to

2543

01:51:27,610 --> 01:51:25,520

such a level

2544

01:51:28,990 --> 01:51:27,620

through no fault of their own Tralee

2545

01:51:31,510 --> 01:51:29,000

just the way it happened

2546

01:51:34,120 --> 01:51:31,520

isn't because he has been placed to such

2547

01:51:37,479 --> 01:51:34,130

a you know high Paik the people just

2548

01:51:39,850 --> 01:51:37,489

can't envisage handling the idea that

2549

01:51:42,880 --> 01:51:39,860

Roswell wasn't actually terrestrial so I

2550

01:51:46,180 --> 01:51:42,890

think that's why my theory hasn't been

2551

01:51:49,330 --> 01:51:46,190

sort of chased down by pretty much

2552

01:51:51,010 --> 01:51:49,340

hardly anybody but me because I think

2553

01:51:53,920 --> 01:51:51,020

there's I think there is honestly is

2554

01:51:55,810 --> 01:51:53,930

this degree of fear again it's people

2555

01:51:58,209 --> 01:51:55,820

are fearful of what they might find I

2556

01:52:02,590 --> 01:51:58,219

think that that is but one of the things

2557

01:52:04,510 --> 01:52:02,600

that sort of you know I think he's wise

2558

01:52:06,010 --> 01:52:04,520

most people have left it alone it's kind

2559

01:52:09,070 --> 01:52:06,020

of you know it's almost like the guy who

2560

01:52:10,720 --> 01:52:09,080

you know keeps getting pains or whatever

2561

01:52:12,340 --> 01:52:10,730

and doesn't never goes to the doctor and

2562

01:52:14,229 --> 01:52:12,350

then by the time he goes he's too late

2563

01:52:16,840 --> 01:52:14,239

he doesn't want to know that kind of

2564

01:52:19,810 --> 01:52:16,850

thing and I think that sort of applies a

2565

01:52:22,600 --> 01:52:19,820

little bit to Roswell but it's it's the

2566

01:52:24,760 --> 01:52:22,610

case it's it's untouchable you know well

2567

01:52:28,740 --> 01:52:24,770

I'd like to say that I have an open mind

2568

01:52:31,000 --> 01:52:28,750

about what's going on this this is

2569

01:52:32,440 --> 01:52:31,010

certainly very interesting it's a lot

2570

01:52:36,190 --> 01:52:32,450

more interesting than I thought it was

2571

01:52:38,440 --> 01:52:36,200

going to be after speaking with you now

2572

01:52:39,700 --> 01:52:38,450

do you have any other projects that you

2573

01:52:43,150 --> 01:52:39,710

can talk about that you're in the middle

2574

01:52:45,010 --> 01:52:43,160

of or is that something yeah go ahead no

2575

01:52:46,660 --> 01:52:45,020

no that's totally fine

2576

01:52:48,190 --> 01:52:46,670

I've actually got a book you know we

2577

01:52:50,560 --> 01:52:48,200

mentioned the dog man earlier I've got

2578

01:52:52,630 --> 01:52:50,570

book coming out in September so not far

2579

01:52:55,510 --> 01:52:52,640

away popped up this will probably start

2580

01:52:57,400 --> 01:52:55,520

service in about a few weeks called

2581

01:52:59,740 --> 01:52:57,410

shapeshifters which is a study of the

2582

01:53:03,580 --> 01:52:59,750

whole shapeshifter phenomenon throughout

2583

01:53:05,500 --> 01:53:03,590

history mythology folklore legend going

2584

01:53:09,459 --> 01:53:05,510

back thousands of years to the present

2585

01:53:12,070 --> 01:53:09,469

day looking at you know the whole issue

2586

01:53:14,470 --> 01:53:12,080

of shape-shifting in general and then in

2587

01:53:16,540 --> 01:53:14,480

February excuse me January so we're just

2588

01:53:18,900 --> 01:53:16,550

talking just shortly after Christmas

2589

01:53:22,030 --> 01:53:18,910

I've got a full-length book on the whole

2590

01:53:24,360 --> 01:53:22,040

controversy surrounding the Slender Man

2591

01:53:26,440 --> 01:53:24,370

phenomenon I'm sure a lot of you

2592

01:53:28,479 --> 01:53:26,450

listeners have heard of the Slender Man

2593

01:53:31,720 --> 01:53:28,489

this sort of creepy character that

2594

01:53:34,030 --> 01:53:31,730

surfaced on the internet in 2009 but

2595

01:53:35,860 --> 01:53:34,040

which now people see in the real world

2596

01:53:39,700 --> 01:53:35,870

so the theory is it's what's known as a

2597

01:53:42,880 --> 01:53:39,710

thought form or a Tulpa the idea being

2598

01:53:45,130 --> 01:53:42,890

people focus on something in their mind

2599

01:53:47,470 --> 01:53:45,140

they can kind of bring it to life in a

2600

01:53:50,530 --> 01:53:47,480

strange way so you know it's like a

2601
01:53:53,200 --> 01:53:50,540
fictional entity becomes fact because

2602
01:53:55,690 --> 01:53:53,210
enough people believe in it so I've

2603
01:53:56,890 --> 01:53:55,700
heard is that that was like the man

2604
01:53:58,720 --> 01:53:56,900
mysteries and that'll be out you know

2605
01:54:02,770 --> 01:53:58,730
it's very interesting I have to have you

2606
01:54:04,810 --> 01:54:02,780
back on yeah okay thanks so much Nick as

2607
01:54:07,900 --> 01:54:04,820
always it's but it's been a lot of fun

2608
01:54:09,160 --> 01:54:07,910
all right well thanks a lot Martin

2609
01:54:13,110 --> 01:54:09,170
thanks I'm gonna get that

2610
01:54:16,480 --> 01:54:13,120
take care now all right you okay let it

2611
01:54:21,010 --> 01:54:16,490
well everyone thanks so much for hanging

2612
01:54:24,250 --> 01:54:21,020
in and watching online and also this

2613
01:54:28,330 --> 01:54:24,260

show does come out as a podcast is for

2614

01:54:31,780 --> 01:54:28,340

members only on the everything else show

2615

01:54:35,050 --> 01:54:31,790

you can actually sign up for two dollars

2616

01:54:39,460 --> 01:54:35,060

or more a month for this podcast and for

2617

01:54:42,520 --> 01:54:39,470

the UFO podcasts and that informations

2618

01:54:44,200 --> 01:54:42,530

on podcast UFO calm would appreciate

2619

01:54:47,650 --> 01:54:44,210

your support we do get a lot of

2620

01:54:50,710 --> 01:54:47,660

downloads for the UFO show for one tens

2621

01:54:51,670 --> 01:54:50,720

of thousands actually which runs into a

2622

01:54:54,370 --> 01:54:51,680

lot of money so there are a lot of

2623

01:54:56,530 --> 01:54:54,380

expenses I would like hopefully to cover

2624

01:54:58,210 --> 01:54:56,540

so for just two dollars a month or more

2625

01:55:01,180 --> 01:54:58,220

you can do that I would appreciate it

2626
01:55:06,940 --> 01:55:01,190
and next week we have an interesting

2627
01:55:08,220 --> 01:55:06,950
guest his name is Zoltan Estevan and he

2628
01:55:10,690 --> 01:55:08,230
is going to be talking about

2629
01:55:13,450 --> 01:55:10,700
transhumanism and artificial

2630
01:55:16,000 --> 01:55:13,460
intelligence a real interesting guy out

2631
01:55:17,920 --> 01:55:16,010
in California so he'll be back next week

2632
01:55:20,200 --> 01:55:17,930
I'm not really sure if I'm going to be

2633
01:55:21,790 --> 01:55:20,210
able to do every single Monday but if

2634
01:55:23,560 --> 01:55:21,800
you want to find out what's going on

2635
01:55:26,290 --> 01:55:23,570
there's two different ways you can do

2636
01:55:29,770 --> 01:55:26,300
that one you can subscribe to the

2637
01:55:32,050 --> 01:55:29,780
YouTube channel and that's you know

2638
01:55:35,320 --> 01:55:32,060

right on the YouTube page if you're

2639

01:55:38,140 --> 01:55:35,330

watching there secondly you can fill out

2640

01:55:40,870 --> 01:55:38,150

the email address newsletter once a week

2641

01:55:43,180 --> 01:55:40,880

one newsletter goes out telling what our

2642

01:55:45,130 --> 01:55:43,190

guests are on the UFO show and also on

2643

01:55:48,820 --> 01:55:45,140

the everything else show and that's on

2644

01:55:50,200 --> 01:55:48,830

podcast UFO comm on the sidebar so like

2645

01:55:52,930 --> 01:55:50,210

I say once a week and get a newsletter

2646

01:55:53,500 --> 01:55:52,940

and find out what's happening so we're

2647

01:55:57,609 --> 01:55:53,510

back to right

2648

01:55:59,890 --> 01:55:57,619

times four shows and that is well on

2649

01:56:04,140 --> 01:55:59,900

Mondays it varies between eight and nine

2650

01:56:06,939 --> 01:56:04,150

o'clock and then goes on for however on

2651

01:56:09,399 --> 01:56:06,949

podcast you fo show which is on

2652

01:56:12,490 --> 01:56:09,409

Wednesday nights that's 8 to 10 p.m.

2653

01:56:16,720 --> 01:56:12,500

Eastern Standard Time alright so thanks

2654

01:56:18,970 --> 01:56:16,730

so much and we will be back next Monday

2655

01:56:21,069 --> 01:56:18,980

and we are going to be talking about

2656

01:56:26,439 --> 01:56:21,079

Lake Monsters eventually a couple weeks

2657

01:56:27,910 --> 01:56:26,449

away one gentleman has done a really

2658

01:56:29,319 --> 01:56:27,920

nice book on all the different Lake

2659

01:56:31,839 --> 01:56:29,329

Monsters throughout the world
