00:00:03,170 --> 00:00:07,290
three-two-one

2
00:00:26,970 --> 00:00:23,630
[Music]

3
00:00:29,940 --> 00:00:26,980
hello and welcome to the show I'm Martin

4
00:00:31,800 --> 00:00:29,950
Willis your host and we have an exciting

5
00:00:34,200 --> 00:00:31,810
show for you this evening we have

6
00:00:37,320 --> 00:00:34,210
William J hall and he is the author of

7
00:00:39,510 --> 00:00:37,330
the paranormal bestseller the world's

8
00:00:41,970 --> 00:00:39,520
most haunted house and this is a true

9
00:00:44,400 --> 00:00:41,980
story of the Bridgeport poltergeist on

10
00:00:46,860 --> 00:00:44,410
Lindsay Street our Lindley Street that

11
00:00:49,140 --> 00:00:46,870
is and this is in Connecticut happened

12
00:00:51,690 --> 00:00:49,150
in the 70s really amazing things have

13
00:00:53,490 --> 00:00:51,700

happened in this house and I actually

14

00:00:56,070 --> 00:00:53,500

spoke just Paul you know who was

15

00:00:59,160 --> 00:00:56,080

actually there when the refrigerator

16

00:01:02,960 --> 00:00:59,170

lifted up and police officers have

17

00:01:06,359 --> 00:01:02,970

witnessed what's going on there also a

18

00:01:09,080 --> 00:01:06,369

fireman I think there was many many

19

00:01:12,660 --> 00:01:09,090

witnesses and our guest tonight has

20

00:01:14,249 --> 00:01:12,670

spoken to a number of them a welcome to

21

00:01:19,859 --> 00:01:14,259

the show bill oh you want to be called

22

00:01:22,320 --> 00:01:19,869

bill don't you oh yes yes thanks so much

23

00:01:24,719 --> 00:01:22,330

for for being on I'm really excited to

24

00:01:27,779 --> 00:01:24,729

talk about this because it's a real

25

00:01:30,139 --> 00:01:27,789

exciting case and first of all a little

26

00:01:32,760 --> 00:01:30,149

bit about yourself now you were into

27

00:01:34,859 --> 00:01:32,770

magic for many years and I think that

28

00:01:36,770 --> 00:01:34,869

actually gives you an edge because I my

29

00:01:39,090 --> 00:01:36,780

friend that was into magic I would

30

00:01:39,840 --> 00:01:39,100

discuss certain things with him and he

31

00:01:41,730 --> 00:01:39,850

would tell me

32

00:01:44,999 --> 00:01:41,740

yeah well that can be done through this

33

00:01:46,559 --> 00:01:45,009

way or that way so so tell tell the

34

00:01:52,710 --> 00:01:46,569

listeners a little bit about yourself if

35

00:01:54,809 --> 00:01:52,720

you would yes I started to I started to

36

00:01:58,380 --> 00:01:54,819

magic when I was seven very corley but

37

00:02:01,080 --> 00:01:58,390

and I was always a curious child you

38

00:02:03,770 --> 00:02:01,090

know I loved magic and like most

39

00:02:08,520 --> 00:02:03,780

children I also loved in search of

40

00:02:10,350 --> 00:02:08,530

witches show when I was growing up now

41

00:02:13,350 --> 00:02:10,360

they have History Channel and you know a

42

00:02:15,540 --> 00:02:13,360

lot of those kinds of things you know

43

00:02:19,559 --> 00:02:15,550

with the unknown and and that always

44

00:02:21,510 --> 00:02:19,569

fascinated me and I would get asked a

45

00:02:23,580 --> 00:02:21,520

lot of questions when I did shows about

46

00:02:28,199 --> 00:02:23,590

you know is this real is this you know

47

00:02:33,390 --> 00:02:28,209

what do you think about this and I was

48

00:02:35,640 --> 00:02:33,400

open-minded what I really demanded you

49

00:02:39,300 --> 00:02:35,650

know some real solid evidence

50

00:02:41,119 --> 00:02:39,310

and I knew how easy it was to fool

51
00:02:44,220 --> 00:02:41,129
people because I didn't think I was

52
00:02:48,780 --> 00:02:44,230
amazing you know as a kid and I was able

53
00:02:52,170 --> 00:02:48,790
to fool people so I realize the

54
00:02:55,020 --> 00:02:52,180
faultiness of our brains when it comes

55
00:02:57,270 --> 00:02:55,030
to interpretation but I also started

56
00:02:59,460 --> 00:02:57,280
writing for some local newspapers in

57
00:03:02,220 --> 00:02:59,470
exchange for advertising and I was

58
00:03:04,800 --> 00:03:02,230
writing a column called magic and the

59
00:03:06,509 --> 00:03:04,810
unknown and and I would debunk a lot of

60
00:03:08,789 --> 00:03:06,519
things and you know occasionally I would

61
00:03:11,099 --> 00:03:08,799
come across a story that would make me

62
00:03:13,710 --> 00:03:11,109
go huh you know it's kind of weird I

63
00:03:16,259 --> 00:03:13,720

didn't get to the end you know where it

64

00:03:18,180 --> 00:03:16,269

was a debunk it was more like I don't

65

00:03:19,949 --> 00:03:18,190

know you know I mean didn't mean it was

66

00:03:23,119 --> 00:03:19,959

true but it was you know pretty

67

00:03:25,470 --> 00:03:23,129

interesting and some of those later on I

68

00:03:27,899 --> 00:03:25,480

bumped and you know some of those I

69

00:03:30,020 --> 00:03:27,909

never did they they seemed like they

70

00:03:32,849 --> 00:03:30,030

were you know legitimately interesting

71

00:03:36,119 --> 00:03:32,859

kinds of stories and Lindley Street I

72

00:03:38,099 --> 00:03:36,129

never really looked into but I'm

73

00:03:40,680 --> 00:03:38,109

Facebook somebody was posting it I

74

00:03:43,409 --> 00:03:40,690

remember a lot of people asked me about

75

00:03:45,360 --> 00:03:43,419

it and I didn't really have much

76

00:03:47,939 --> 00:03:45,370

interest in looking into it because as a

77

00:03:49,259 --> 00:03:47,949

magician I yeah I figured any bigot

78

00:03:52,890 --> 00:03:49,269

throw plates around and call the

79

00:03:55,229 --> 00:03:52,900

newspaper and but then again I never

80

00:03:58,649 --> 00:03:55,239

really researched it either it was a

81

00:04:02,369 --> 00:03:58,659

case of really just not not caring but

82

00:04:03,839 --> 00:04:02,379

later on I realized with Google and

83

00:04:07,680 --> 00:04:03,849

everything I mean look into it I never

84

00:04:10,289 --> 00:04:07,690

really looked into it and when I did I

85

00:04:12,930 --> 00:04:10,299

saw a lot of names a lot of witnesses I

86

00:04:16,020 --> 00:04:12,940

saw a lot of newspaper stories and

87

00:04:18,149 --> 00:04:16,030

didn't mean it was true but when I saw

88

00:04:20,490 --> 00:04:18,159

all those names of witnesses and what

89

00:04:24,180 --> 00:04:20,500

they said it told me that this was

90

00:04:27,210 --> 00:04:24,190

worthy of further inquiry in other words

91

00:04:30,149 --> 00:04:27,220

if it was a hoax hey that's okay if it

92

00:04:32,159 --> 00:04:30,159

wasn't that's okay but I it seemed like

93

00:04:34,920 --> 00:04:32,169

there was a heck of a story there just

94

00:04:40,020 --> 00:04:34,930

by reading the newspapers so that's kind

95

00:04:42,060 --> 00:04:40,030

of the evolution of it and yeah I was a

96

00:04:43,170 --> 00:04:42,070

weird kid I guess I'm a weird adult you

97

00:04:46,140 --> 00:04:43,180

know when they come across something

98

00:04:48,420 --> 00:04:46,150

like that I'd like to you know you like

99

00:04:49,320 --> 00:04:48,430

to look into it so I finally had the

100

00:04:51,450 --> 00:04:49,330

time and

101
00:04:55,890 --> 00:04:51,460
and the interest and looked into it and

102
00:04:57,890 --> 00:04:55,900
I you know I found that there was in a

103
00:05:00,810 --> 00:04:57,900
goldmine there because I ended up

104
00:05:02,850 --> 00:05:00,820
getting in touch her voice baby whose

105
00:05:07,640 --> 00:05:02,860
name was in one of the later newspapers

106
00:05:11,070 --> 00:05:07,650
on Lindley Street and he had 30 hours of

107
00:05:14,040 --> 00:05:11,080
interviews with witnesses that have

108
00:05:16,980 --> 00:05:14,050
never been heard with the family - that

109
00:05:19,380 --> 00:05:16,990
have never been heard so nobody really

110
00:05:23,640 --> 00:05:19,390
knew the full story of when Lee Street

111
00:05:26,700 --> 00:05:23,650
and in fact I did another ten hours of

112
00:05:27,870 --> 00:05:26,710
interviews and voice said he learned by

113
00:05:30,840 --> 00:05:27,880

reading my book

114

00:05:33,870 --> 00:05:30,850

- I'm not boasting it's just that nobody

115

00:05:36,990 --> 00:05:33,880

really had the full story it wasn't told

116

00:05:39,870 --> 00:05:37,000

because the formally wouldn't talk and

117

00:05:41,970 --> 00:05:39,880

and you know so nobody really knew the

118

00:05:43,950 --> 00:05:41,980

whole story so the book is written from

119

00:05:46,190 --> 00:05:43,960

40 hours of interviews there's nothing

120

00:05:48,270 --> 00:05:46,200

made up in there I mean the weather the

121

00:05:51,030 --> 00:05:48,280

police officer lighting the cigarette

122

00:05:54,060 --> 00:05:51,040

all those things are from their

123

00:05:57,690 --> 00:05:54,070

testimony and those interviews took

124

00:05:59,970 --> 00:05:57,700

place literally just one or two weeks

125

00:06:01,950 --> 00:05:59,980

after it happened and some a little a

126

00:06:03,810 --> 00:06:01,960

little bit later but it was videos very

127

00:06:07,920 --> 00:06:03,820

fresh at the time and a lot of those

128

00:06:11,250 --> 00:06:07,930

people you know weren't alive when when

129

00:06:14,610 --> 00:06:11,260

I was researching this so it really was

130

00:06:21,800 --> 00:06:14,620

a unique fine to be able to have such a

131

00:06:25,260 --> 00:06:21,810

well-documented investigation going on

132

00:06:28,200 --> 00:06:25,270

that's what pulled me to it it was a lot

133

00:06:32,040 --> 00:06:28,210

of witnesses and a lot of documentation

134

00:06:36,060 --> 00:06:32,050

both written and then to have 40 hours

135

00:06:38,700 --> 00:06:36,070

of witness interviews and I've been I

136

00:06:41,580 --> 00:06:38,710

think I started with about 68 witnesses

137

00:06:44,930 --> 00:06:41,590

and now I'm you know not not firsthand

138

00:06:47,940 --> 00:06:44,940

but if you include secondhand you know

139

00:06:49,590 --> 00:06:47,950

sons of police officers and you know

140

00:06:52,350 --> 00:06:49,600

family members and yeah then you're

141

00:06:55,140 --> 00:06:52,360

talking you know over 150 and the

142

00:06:58,860 --> 00:06:55,150

stories that they tell that confirm and

143

00:07:01,830 --> 00:06:58,870

cross-reference what was uncovered is

144

00:07:03,149 --> 00:07:01,840

really unbelievable yes and can you tell

145

00:07:06,329 --> 00:07:03,159

the listener out

146

00:07:10,199 --> 00:07:06,339

exactly I know this started in 1974 but

147

00:07:11,669 --> 00:07:10,209

the family adopted a child and and just

148

00:07:15,649 --> 00:07:11,679

if you would just go into the whole

149

00:07:18,809 --> 00:07:15,659

story on what exactly happened there

150

00:07:25,790 --> 00:07:18,819

yeah certainly so that the the basic

151
00:07:31,919 --> 00:07:25,800
overview is we have a family that has a

152
00:07:33,989 --> 00:07:31,929
it's a Laura and Gerry puddin and he is

153
00:07:36,929 --> 00:07:33,999
the maintenance man for Harvey Hubbell

154
00:07:40,109 --> 00:07:36,939
and in Bridgeport Connecticut and she's

155
00:07:43,350 --> 00:07:40,119
a housewife and they have a little child

156
00:07:45,449 --> 00:07:43,360
Gary jr. he ends up dying when he's 6

157
00:07:52,609 --> 00:07:45,459
years old and of multiple sclerosis and

158
00:07:56,219 --> 00:07:52,619
bad fever is really sad and they they

159
00:08:00,089 --> 00:07:56,229
really mourn his death pretty hard and

160
00:08:04,040 --> 00:08:00,099
then they end up deciding to adopt and

161
00:08:09,089 --> 00:08:04,050
they adopt a little girl Marcy from

162
00:08:11,699 --> 00:08:09,099
Canada from Ontario so they adopt her

163
00:08:16,259 --> 00:08:11,709

when she was about four and a half years

164

00:08:19,079 --> 00:08:16,269

old and behind the scenes this is before

165

00:08:22,259 --> 00:08:19,089

it went public there was some things

166

00:08:25,079 --> 00:08:22,269

that were happening you know a cheer out

167

00:08:27,419 --> 00:08:25,089

that Jerry thought he pushes in keys

168

00:08:28,919 --> 00:08:27,429

misplace little things you know things

169

00:08:33,870 --> 00:08:28,929

that made him think he's getting old

170

00:08:39,509 --> 00:08:33,880

nothing really you know crazy but it all

171

00:08:42,719 --> 00:08:39,519

really exploded later on Marcy was older

172

00:08:45,090 --> 00:08:42,729

and she was about 10 years while she was

173

00:08:47,519 --> 00:08:45,100

10 years old when it when the public

174

00:08:51,319 --> 00:08:47,529

story broke and leading up to that when

175

00:08:54,300 --> 00:08:51,329

she was 10 she was picked on at school

176

00:08:55,620 --> 00:08:54,310

she was picked on she was in kind of a

177

00:09:00,499 --> 00:08:55,630

rough public school in downtown

178

00:09:05,220 --> 00:09:00,509

Bridgeport and she was picked on because

179

00:09:08,340 --> 00:09:05,230

she was a little Native American girl in

180

00:09:10,650 --> 00:09:08,350

the middle of you know an Irish and

181

00:09:13,949 --> 00:09:10,660

black neighborhood and and she didn't

182

00:09:15,809 --> 00:09:13,959

really quite fit in and she was shy so

183

00:09:16,920 --> 00:09:15,819

between those things she's picked on

184

00:09:20,519 --> 00:09:16,930

quite a lot

185

00:09:25,019 --> 00:09:20,529

and after after a year of being picked

186

00:09:27,780 --> 00:09:25,029

on pecked on she was beat up pretty bad

187

00:09:31,350 --> 00:09:27,790

in the cafeteria by boy and she was

188

00:09:32,699 --> 00:09:31,360

stuck at home for six weeks and a body

189

00:09:35,340 --> 00:09:32,709

really Wow

190

00:09:37,379 --> 00:09:35,350

and a month yeah and her mother and

191

00:09:41,699 --> 00:09:37,389

father I'm their mother especially was

192

00:09:45,119 --> 00:09:41,709

very overbearing because they lost Jerry

193

00:09:49,169 --> 00:09:45,129

jr. she was really overprotective of

194

00:09:53,100 --> 00:09:49,179

Marcie which didn't help anything and

195

00:09:55,410 --> 00:09:53,110

they lived in a very tiny bungalow 768

196

00:09:58,410 --> 00:09:55,420

square feet so it's a tiny little hole

197

00:10:01,679 --> 00:09:58,420

in the wall in in the middle of the city

198

00:10:03,540 --> 00:10:01,689

not like out in some you know you hear

199

00:10:06,150 --> 00:10:03,550

most haunted houses you think of a big

200

00:10:08,519 --> 00:10:06,160

Victorian out in the woods and you know

201
00:10:10,679 --> 00:10:08,529
maybe there's one or two witnesses as a

202
00:10:12,600 --> 00:10:10,689
priest that changes his story and you

203
00:10:14,819 --> 00:10:12,610
know it's he said she said and that's it

204
00:10:19,189 --> 00:10:14,829
but this was a tiny little house in the

205
00:10:21,809 --> 00:10:19,199
middle of the city and to just give a

206
00:10:26,540 --> 00:10:21,819
very short overview and then of course

207
00:10:30,509 --> 00:10:26,550
we can get into detail what happens is

208
00:10:33,559 --> 00:10:30,519
all the sudden there's things going on

209
00:10:35,579 --> 00:10:33,569
in the house and a police officer

210
00:10:38,009 --> 00:10:35,589
that's a neighbor across the street

211
00:10:40,679 --> 00:10:38,019
comes over and he tells him to wait on

212
00:10:42,509 --> 00:10:40,689
the porch he goes in he's he's blown

213
00:10:45,350 --> 00:10:42,519

away because couches are opening and

214

00:10:47,579 --> 00:10:45,360

closing and TVs turning and

215

00:10:49,049 --> 00:10:47,589

refrigerators moving and you know things

216

00:10:52,199 --> 00:10:49,059

are happening he doesn't know what to do

217

00:10:53,730 --> 00:10:52,209

see calls for backup backup police come

218

00:10:55,259 --> 00:10:53,740

they don't know what to do so they call

219

00:10:58,980 --> 00:10:55,269

the fire department the fire department

220

00:11:00,989 --> 00:10:58,990

comes they don't know what to do so they

221

00:11:03,059 --> 00:11:00,999

called the chaplain at the fire

222

00:11:08,009 --> 00:11:03,069

department the priest comes to service

223

00:11:10,199 --> 00:11:08,019

places you know scary you know you know

224

00:11:13,499 --> 00:11:10,209

and then the neighbors call the Warrens

225

00:11:16,710 --> 00:11:13,509

and they show up with father Charbonneau

226

00:11:18,299 --> 00:11:16,720

and Paulino who was dear as a dear

227

00:11:21,780 --> 00:11:18,309

friend of mine now I met him through the

228

00:11:27,269 --> 00:11:21,790

research in the book and and and he came

229

00:11:30,450 --> 00:11:27,279

to so this story evolved from a natural

230

00:11:32,490 --> 00:11:30,460

progression of people that kept come

231

00:11:35,430 --> 00:11:32,500

into this little house same things

232

00:11:37,080 --> 00:11:35,440

happening and saying what do we do and

233

00:11:38,820 --> 00:11:37,090

trying to call other people because they

234

00:11:40,200 --> 00:11:38,830

don't know what to do meanwhile people

235

00:11:44,640 --> 00:11:40,210

are coming out of the little house

236

00:11:45,930 --> 00:11:44,650

police officers and firefighters or

237

00:11:48,390 --> 00:11:45,940

anything out there starting to tell

238

00:11:50,730 --> 00:11:48,400

these stories you know saying I saw this

239

00:11:52,800 --> 00:11:50,740

I saw that so word gets around the

240

00:11:54,840 --> 00:11:52,810

newspapers start showing up before you

241

00:11:57,420 --> 00:11:54,850

know if there's 2,000 people up and down

242

00:12:02,270 --> 00:11:57,430

outside the house I mean this became a

243

00:12:04,950 --> 00:12:02,280

real public poltergeist case and it was

244

00:12:09,180 --> 00:12:04,960

that's what was so unusual about it is

245

00:12:11,880 --> 00:12:09,190

it was so very public public as far as

246

00:12:15,240 --> 00:12:11,890

the number and quality and amount of

247

00:12:18,060 --> 00:12:15,250

witnesses as well as you know the town's

248

00:12:20,250 --> 00:12:18,070

being involved you know with police

249

00:12:23,340 --> 00:12:20,260

protection every day and the road being

250

00:12:26,120 --> 00:12:23,350

blocked off I mean it was a huge crazy

251

00:12:28,800 --> 00:12:26,130

spectacle that literally went virtually

252

00:12:31,020 --> 00:12:28,810

around the world ended up in Australian

253

00:12:36,990 --> 00:12:31,030

newspapers and Canada was in all the

254

00:12:38,910 --> 00:12:37,000

states and so it was a really it was

255

00:12:41,430 --> 00:12:38,920

truly unique when it comes to these

256

00:12:46,110 --> 00:12:41,440

cases when you look at documentation and

257

00:12:50,310 --> 00:12:46,120

and witnesses this case has so many

258

00:12:53,270 --> 00:12:50,320

witnesses and they they're all seeing

259

00:12:55,710 --> 00:12:53,280

the same things you know there's if

260

00:12:57,810 --> 00:12:55,720

sometimes their third word eleven

261

00:12:59,820 --> 00:12:57,820

witnesses that would see you know one

262

00:13:02,760 --> 00:12:59,830

thing happened like Marci being picked

263

00:13:05,010 --> 00:13:02,770

up and thrown across the room but who

264

00:13:07,680 --> 00:13:05,020

knows what it was you know visible force

265

00:13:09,300 --> 00:13:07,690

so when you see something like that you

266

00:13:11,310 --> 00:13:09,310

said well who's the witness you know

267

00:13:13,500 --> 00:13:11,320

what was it one guy or yeah you didn't

268

00:13:15,630 --> 00:13:13,510

see the whole thing or you know no we're

269

00:13:18,450 --> 00:13:15,640

talking you know roomful of people

270

00:13:20,610 --> 00:13:18,460

police officers firefighters I mean as a

271

00:13:24,960 --> 00:13:20,620

tiny little place it wasn't like anybody

272

00:13:26,850 --> 00:13:24,970

was faking anything wasn't as a magician

273

00:13:28,830 --> 00:13:26,860

I could say hey yeah I can make a

274

00:13:31,500 --> 00:13:28,840

picture fall off the wall and I you know

275

00:13:34,590 --> 00:13:31,510

I can make a rocking chair Rock and yeah

276

00:13:35,940 --> 00:13:34,600

I could do those things but when you

277

00:13:40,200 --> 00:13:35,950

look at the totality of the evidence

278

00:13:42,240 --> 00:13:40,210

here fakery was I know was not involved

279

00:13:43,860 --> 00:13:42,250

I mean we all could argue as to what it

280

00:13:48,060 --> 00:13:43,870

was but I

281

00:13:54,180 --> 00:13:48,070

you I know 100% as a fact that it was

282

00:13:56,850 --> 00:13:54,190

not a hoax hope what exactly a what

283

00:13:58,850 --> 00:13:56,860

course that's where were you know that

284

00:14:02,490 --> 00:13:58,860

would be up for debate now I heard

285

00:14:04,560 --> 00:14:02,500

somewhere or read somewhere that the

286

00:14:07,019 --> 00:14:04,570

police ended up calling it a hoax just

287

00:14:12,590 --> 00:14:07,029

to get people to stop hanging around the

288

00:14:16,380 --> 00:14:12,600

place is that is that a true story - yes

289

00:14:19,370 --> 00:14:16,390

and and it wasn't it wasn't really the

290

00:14:22,140 --> 00:14:19,380

police department idea although at first

291

00:14:24,329 --> 00:14:22,150

they suspected the child because that

292

00:14:26,730 --> 00:14:24,339

work that would be a natural usually

293

00:14:28,290 --> 00:14:26,740

parents are the last ones that suspect

294

00:14:31,050 --> 00:14:28,300

their children and you know a lot of

295

00:14:34,019 --> 00:14:31,060

times they're having their have it's not

296

00:14:36,329 --> 00:14:34,029

common but there have been cases where

297

00:14:37,740 --> 00:14:36,339

kids would throw things around and then

298

00:14:39,900 --> 00:14:37,750

say it was a ghost or whatever would

299

00:14:41,760 --> 00:14:39,910

fooled the parents and then once anyone

300

00:14:43,710 --> 00:14:41,770

came in whether it was police or

301
00:14:46,500 --> 00:14:43,720
paranormal investigator whatever it

302
00:14:48,000 --> 00:14:46,510
became obvious it was a child yes there

303
00:14:52,220 --> 00:14:48,010
has been that so I mean the police

304
00:14:54,840 --> 00:14:52,230
originally kind of suspected Marcy but

305
00:14:56,910 --> 00:14:54,850
quickly that was dispelled by the

306
00:14:58,980 --> 00:14:56,920
activity they were seeing especially a

307
00:15:02,010 --> 00:14:58,990
lot of the activity when Marcy wasn't in

308
00:15:06,050 --> 00:15:02,020
the room or even wasn't in the house but

309
00:15:13,710 --> 00:15:11,579
after a few days of us going on to

310
00:15:15,990 --> 00:15:13,720
officers that never were in the house

311
00:15:17,880 --> 00:15:16,000
before went in and they saw Marcy

312
00:15:20,670 --> 00:15:17,890
kicking a TV while she was sitting on

313
00:15:22,860 --> 00:15:20,680

the floor there and they asked her they

314

00:15:26,040 --> 00:15:22,870

said you know the the the officer said I

315

00:15:27,660 --> 00:15:26,050

saw you do that and she giggled and he

316

00:15:29,850 --> 00:15:27,670

said you know why did you do that and

317

00:15:32,220 --> 00:15:29,860

she said I want to see what Beeman would

318

00:15:37,110 --> 00:15:32,230

do you know but they took that as oh

319

00:15:39,540 --> 00:15:37,120

look it's her and then of course the you

320

00:15:41,250 --> 00:15:39,550

know the public doesn't the public just

321

00:15:43,860 --> 00:15:41,260

goes with what you say they don't think

322

00:15:45,720 --> 00:15:43,870

about the other officers that said we

323

00:15:47,550 --> 00:15:45,730

saw this refrigerator float you know

324

00:15:50,250 --> 00:15:47,560

what I mean so a lot of the police

325

00:15:51,900 --> 00:15:50,260

officers is about 26 police officers in

326

00:15:54,150 --> 00:15:51,910

the Bridgeport Police Department that

327

00:15:56,970 --> 00:15:54,160

were pretty ticked off that they were

328

00:15:57,900 --> 00:15:56,980

made to look stupid by you know coming

329

00:16:04,440 --> 00:15:57,910

out with a hoax too

330

00:16:07,320 --> 00:16:04,450

but you know they understood that it was

331

00:16:09,810 --> 00:16:07,330

almost a necessary evolution

332

00:16:13,590 --> 00:16:09,820

unfortunately because the crowds kept

333

00:16:17,040 --> 00:16:13,600

getting bigger and you know the news

334

00:16:19,290 --> 00:16:17,050

went across the country and and the

335

00:16:21,270 --> 00:16:19,300

superintendent wanted a city back I mean

336

00:16:23,220 --> 00:16:21,280

what do you do you can't tell people we

337

00:16:27,240 --> 00:16:23,230

don't know what it is because more

338

00:16:28,980 --> 00:16:27,250

people keep showing up and so so when

339

00:16:32,670 --> 00:16:28,990

the officers called in they said oh I

340

00:16:35,400 --> 00:16:32,680

think the kids doing it then the

341

00:16:37,460 --> 00:16:35,410

detective that was supposed to close the

342

00:16:43,470 --> 00:16:37,470

case because he was told in no uncertain

343

00:16:46,470 --> 00:16:43,480

terms by superintendent Walsh at the

344

00:16:48,420 --> 00:16:46,480

time in Bridgeport he said I want you to

345

00:16:51,120 --> 00:16:48,430

shut this down you need to make this go

346

00:16:52,710 --> 00:16:51,130

away so I mean he he had to get rid of

347

00:16:55,320 --> 00:16:52,720

it even though he knew it was real

348

00:16:57,600 --> 00:16:55,330

because he he heard all the explanation

349

00:17:00,210 --> 00:16:57,610

so when they called him with the story

350

00:17:02,490 --> 00:17:00,220

he said well now I've got my opportunity

351
00:17:06,720 --> 00:17:02,500
so yeah we'll roll with that you know

352
00:17:09,750 --> 00:17:06,730
and and that and that's what they did

353
00:17:12,960 --> 00:17:09,760
was announced the hoax the interesting

354
00:17:14,820 --> 00:17:12,970
thing about it though is after publicly

355
00:17:19,250 --> 00:17:14,830
announcing a the hoax the police

356
00:17:22,380 --> 00:17:19,260
department set up a conference room and

357
00:17:25,500 --> 00:17:22,390
mandated that any police officers that

358
00:17:27,720 --> 00:17:25,510
were in the house and saw activity were

359
00:17:32,310 --> 00:17:27,730
to be interviewed by voice beatty and

360
00:17:34,140 --> 00:17:32,320
his jerry sulfon and keith Harare the

361
00:17:38,250 --> 00:17:34,150
three gentlemen who did the

362
00:17:40,170 --> 00:17:38,260
investigation so the police or the

363
00:17:45,210 --> 00:17:40,180

police department certainly would not

364

00:17:48,390 --> 00:17:45,220

mandate these non-optional interviews

365

00:17:50,760 --> 00:17:48,400

with paranormal investigators after it

366

00:17:54,240 --> 00:17:50,770

was announced a hoax if it was a hoax

367

00:17:56,130 --> 00:17:54,250

and now I found out early on and that's

368

00:17:57,950 --> 00:17:56,140

what intrigued me to look into the story

369

00:18:02,340 --> 00:17:57,960

further I said that doesn't make sense

370

00:18:03,780 --> 00:18:02,350

because I talked to officer Joseph Tomac

371

00:18:05,910 --> 00:18:03,790

one of the first responding police

372

00:18:07,320 --> 00:18:05,920

officers and he said you know we were

373

00:18:09,540 --> 00:18:07,330

forced to be interviewed

374

00:18:11,850 --> 00:18:09,550

he said officers were taken off the

375

00:18:15,299 --> 00:18:11,860

street and then later on when

376

00:18:18,270 --> 00:18:15,309

I got the interviews I realized that you

377

00:18:20,160 --> 00:18:18,280

know that confirmed the story and there

378

00:18:22,230 --> 00:18:20,170

were other confirmations of that so

379

00:18:24,270 --> 00:18:22,240

that's what was unique about this case -

380

00:18:28,380 --> 00:18:24,280

it wasn't just one police officer saying

381

00:18:29,760 --> 00:18:28,390

we were forced to be interviewed you

382

00:18:33,000 --> 00:18:29,770

listen to the tapes and there was

383

00:18:34,980 --> 00:18:33,010

numerous officers and and you know she

384

00:18:36,870 --> 00:18:34,990

confirmed it with the investigators you

385

00:18:38,940 --> 00:18:36,880

confirm it with the police officers

386

00:18:41,160 --> 00:18:38,950

there was multiple ways to

387

00:18:42,630 --> 00:18:41,170

cross-reference the information so it

388

00:18:45,270 --> 00:18:42,640

was fascinating but that's the way the

389

00:18:48,690 --> 00:18:45,280

hoax story came about somebody actually

390

00:18:50,010 --> 00:18:48,700

tried to set the house on fire so you

391

00:18:52,560 --> 00:18:50,020

know that gives you example it was

392

00:18:53,789 --> 00:18:52,570

really becoming a dangerous scene you

393

00:18:59,909 --> 00:18:53,799

know anytime you get a big crowd

394

00:19:02,549 --> 00:18:59,919

together you know they're so yeah they

395

00:19:04,320 --> 00:19:02,559

really wanted to get rid of it plus you

396

00:19:07,020 --> 00:19:04,330

can imagine it was an embarrassment to

397

00:19:08,610 --> 00:19:07,030

the city of Bridgeport you know what

398

00:19:11,610 --> 00:19:08,620

they have to have police at the house

399

00:19:15,690 --> 00:19:11,620

every day I mean really you know you

400

00:19:17,370 --> 00:19:15,700

know that's an expense and it doesn't

401
00:19:19,289 --> 00:19:17,380
make you look too good so they really

402
00:19:21,030 --> 00:19:19,299
wanted to go away you know they even

403
00:19:23,100 --> 00:19:21,040
tried to plead with the newspapers would

404
00:19:25,230 --> 00:19:23,110
you please you know tone it down and

405
00:19:26,880 --> 00:19:25,240
stop you know reporting on this of

406
00:19:30,210 --> 00:19:26,890
course they really didn't because I mean

407
00:19:32,190 --> 00:19:30,220
everybody wants to know so but that's

408
00:19:34,710 --> 00:19:32,200
all that came back an you imagine what

409
00:19:37,830 --> 00:19:34,720
things would be like today with social

410
00:19:41,930 --> 00:19:37,840
media and the Internet it would be you

411
00:19:47,430 --> 00:19:45,360
yeah yeah and what was interesting is

412
00:19:51,030 --> 00:19:47,440
you know the 2,000 people outside the

413
00:19:54,690 --> 00:19:51,040

house and that story going all around

414

00:19:57,780 --> 00:19:54,700

all the states it was very fast I mean

415

00:20:00,750 --> 00:19:57,790

it was from the first day you know in

416

00:20:03,120 --> 00:20:00,760

the morning when things really when

417

00:20:07,890 --> 00:20:03,130

there was a lot of activity to later on

418

00:20:10,110 --> 00:20:07,900

once once New York reporter showed up

419

00:20:13,740 --> 00:20:10,120

and it went on the 80-wire this story

420

00:20:15,690 --> 00:20:13,750

was just everywhere so yeah today it

421

00:20:21,330 --> 00:20:15,700

would have there would have been 2,000

422

00:20:23,970 --> 00:20:21,340

people there within an hour now the

423

00:20:25,270 --> 00:20:23,980

first person I did this the everything

424

00:20:28,840 --> 00:20:25,280

else show with

425

00:20:32,590 --> 00:20:28,850

was Paul and his son Ben Eno and Paul

426
00:20:34,630 --> 00:20:32,600
was actually there at the house where I

427
00:20:36,460 --> 00:20:34,640
think that he said police officers and

428
00:20:38,740 --> 00:20:36,470
firefighters were there when they all

429
00:20:41,250 --> 00:20:38,750
saw the I think he said it was a 400

430
00:20:43,810 --> 00:20:41,260
pound refrigerator lift up and move and

431
00:20:46,210 --> 00:20:43,820
to me something like that would almost

432
00:20:51,760 --> 00:20:46,220
be life-changing in itself if I saw

433
00:20:56,020 --> 00:20:51,770
something like that yes and and that

434
00:20:59,770 --> 00:20:56,030
happened many times so when Paul saw it

435
00:21:01,990 --> 00:20:59,780
was a different time when before police

436
00:21:05,760 --> 00:21:02,000
officer saw which is a different time

437
00:21:08,710 --> 00:21:05,770
when the plumbing and electrical

438
00:21:13,240 --> 00:21:08,720

inspector saw it so I mean there were it

439

00:21:15,520 --> 00:21:13,250

was happening numerous times and and

440

00:21:19,780 --> 00:21:15,530

they all described it and and that was

441

00:21:22,060 --> 00:21:19,790

interesting voice babies you couldn't

442

00:21:23,890 --> 00:21:22,070

have had a magician conduct that and get

443

00:21:26,470 --> 00:21:23,900

any better than him I mean he really

444

00:21:27,760 --> 00:21:26,480

when somebody said refrigerator floated

445

00:21:30,430 --> 00:21:27,770

he said we'll wait a minute

446

00:21:33,280 --> 00:21:30,440

what did you see did it go up evenly

447

00:21:36,580 --> 00:21:33,290

gave one one end go up first

448

00:21:39,790 --> 00:21:36,590

did it make noise how high did it go I

449

00:21:44,500 --> 00:21:39,800

mean he really conducted that they all

450

00:21:46,750 --> 00:21:44,510

did as a real scientific investigation

451
00:21:49,000 --> 00:21:46,760
they did it right because otherwise as a

452
00:21:51,910 --> 00:21:49,010
magician if you told me a frigerator

453
00:21:54,220 --> 00:21:51,920
would flow I would say that's your

454
00:21:57,310 --> 00:21:54,230
conclusion I don't know what you

455
00:22:00,070 --> 00:21:57,320
actually saw I just know your experience

456
00:22:01,780 --> 00:22:00,080
told you refrigerator floated you know

457
00:22:03,820 --> 00:22:01,790
if I do a magic trick I can make you

458
00:22:05,680 --> 00:22:03,830
think I turned back time but that's just

459
00:22:08,260 --> 00:22:05,690
the way present the trick that's really

460
00:22:09,940 --> 00:22:08,270
not what happened so uh or I can tell

461
00:22:12,340 --> 00:22:09,950
you I never touched the envelope when

462
00:22:16,080 --> 00:22:12,350
really I did but you just really didn't

463
00:22:19,810 --> 00:22:16,090

see it because it was on an offbeat so

464

00:22:21,280 --> 00:22:19,820

he didn't let people get away not people

465

00:22:26,230 --> 00:22:21,290

get away with it but in other words at

466

00:22:29,710 --> 00:22:26,240

the table lifted up and turned he wanted

467

00:22:32,620 --> 00:22:29,720

to know did it turn with a speed that

468

00:22:35,080 --> 00:22:32,630

was faster than how gravity would have

469

00:22:37,630 --> 00:22:35,090

taken it once it got off or did it go

470

00:22:39,160 --> 00:22:37,640

extra fast did it make a noise did it go

471

00:22:41,710 --> 00:22:39,170

even did one side go

472

00:22:43,900 --> 00:22:41,720

he really wanted details he didn't care

473

00:22:46,960 --> 00:22:43,910

what you thought you saw he wants to

474

00:22:49,030 --> 00:22:46,970

know detail by detail you know what you

475

00:22:51,730 --> 00:22:49,040

saw what you didn't see did you see it

476

00:22:53,950 --> 00:22:51,740

from the beginning so that to me was

477

00:22:56,140 --> 00:22:53,960

fascinating because I was really nervous

478

00:22:59,530 --> 00:22:56,150

that I was going to get answers like the

479

00:23:00,910 --> 00:22:59,540

table floated and he would say Wow get

480

00:23:03,640 --> 00:23:00,920

on I mean because then we really would

481

00:23:07,570 --> 00:23:03,650

have known what happened so he really

482

00:23:10,330 --> 00:23:07,580

got into it so kudos to my good friend

483

00:23:13,660 --> 00:23:10,340

boy so I've had the pleasure to lecture

484

00:23:15,960 --> 00:23:13,670

with a few times and also give him the

485

00:23:20,290 --> 00:23:15,970

recognition that he never got because

486

00:23:22,480 --> 00:23:20,300

that investigation was done with the

487

00:23:24,250 --> 00:23:22,490

family and those interviews were done

488

00:23:27,640 --> 00:23:24,260

with the understanding that they would

489

00:23:29,380 --> 00:23:27,650

met that they would not go public the

490

00:23:33,220 --> 00:23:29,390

you know the family didn't wanna course

491

00:23:36,910 --> 00:23:33,230

down family is disease so he felt the

492

00:23:39,910 --> 00:23:36,920

story course now could be told but so

493

00:23:45,700 --> 00:23:39,920

that that's that part

494

00:23:48,760 --> 00:23:45,710

well now usually when there is some type

495

00:23:50,830 --> 00:23:48,770

of haunting in a house they always try

496

00:23:53,410 --> 00:23:50,840

to attribute it for instance my father

497

00:23:55,720 --> 00:23:53,420

had house I might get into the story a

498

00:23:58,060 --> 00:23:55,730

little bit where there was an Indian

499

00:23:59,890 --> 00:23:58,070

attack and the children were murdered on

500

00:24:03,940 --> 00:23:59,900

a terrible situation in Kittery Maine

501
00:24:06,220 --> 00:24:03,950
years ago did they attribute what it

502
00:24:07,450 --> 00:24:06,230
what did they attribute to this haunting

503
00:24:16,270 --> 00:24:07,460
when they were trying to figure things

504
00:24:18,670 --> 00:24:16,280
out well I would say we definitely know

505
00:24:21,790 --> 00:24:18,680
that the culmination of when this

506
00:24:24,100 --> 00:24:21,800
activity really took off you know when

507
00:24:26,740 --> 00:24:24,110
things really were were happening which

508
00:24:32,260 --> 00:24:26,750
was after the family came back from a

509
00:24:35,470 --> 00:24:32,270
trip to New York but Marcy was beat up

510
00:24:37,840 --> 00:24:35,480
at school she was stuck at home in this

511
00:24:42,550 --> 00:24:37,850
tiny little place with the overbearing

512
00:24:43,560 --> 00:24:42,560
mother and they you know they didn't get

513
00:24:48,700 --> 00:24:43,570

along too well

514

00:24:51,850 --> 00:24:48,710

she was pretty neurotic and an

515

00:24:53,160 --> 00:24:51,860

overbearing the father was you know a

516

00:24:54,930 --> 00:24:53,170

great guy but he

517

00:25:00,330 --> 00:24:54,940

even I don't think he had too much power

518

00:25:04,590 --> 00:25:00,340

in that in that team there but so she

519

00:25:07,710 --> 00:25:04,600

was very she held everything in she was

520

00:25:12,080 --> 00:25:07,720

quiet she was you know suffering through

521

00:25:14,940 --> 00:25:12,090

all this and I think you know that that

522

00:25:20,100 --> 00:25:14,950

negative energy or whatever you want to

523

00:25:23,460 --> 00:25:20,110

call it type of energy sent out the

524

00:25:26,730 --> 00:25:23,470

right frequency and attractive you know

525

00:25:29,820 --> 00:25:26,740

the right entity or entities that appear

526

00:25:31,980 --> 00:25:29,830

to as my good friend Paul would say that

527

00:25:35,630 --> 00:25:31,990

appear to feed on on this kind of stuff

528

00:25:39,360 --> 00:25:35,640

at least that's what it appears so I

529

00:25:41,940 --> 00:25:39,370

would attribute it more to the family

530

00:25:45,020 --> 00:25:41,950

situation and dynamic and the

531

00:25:48,750 --> 00:25:45,030

frustration and you know repression that

532

00:25:51,270 --> 00:25:48,760

that Marci was was feeling based on

533

00:25:53,790 --> 00:25:51,280

everything that culminated up to here

534

00:25:57,180 --> 00:25:53,800

being picked on of school being shy not

535

00:25:59,490 --> 00:25:57,190

having many friends and then being stuck

536

00:26:01,860 --> 00:25:59,500

in this little house with the body brace

537

00:26:05,430 --> 00:26:01,870

from being beat up and this is when it

538

00:26:08,550 --> 00:26:05,440

all exploded was you know right after

539

00:26:11,310 --> 00:26:08,560

that so I mean some people say well you

540

00:26:13,350 --> 00:26:11,320

know I think it was the dead Jerry jr.

541

00:26:15,060 --> 00:26:13,360

and even the family one point thought

542

00:26:16,650 --> 00:26:15,070

maybe was that but of course you know

543

00:26:19,110 --> 00:26:16,660

you reach out for all different things

544

00:26:25,100 --> 00:26:19,120

because nobody really knew but in the

545

00:26:29,220 --> 00:26:25,110

classic poltergeist sense Marci

546

00:26:31,950 --> 00:26:29,230

not that she willingly caused it but I

547

00:26:33,960 --> 00:26:31,960

would say it definitely had to do with

548

00:26:38,580 --> 00:26:33,970

you know the energy she was putting

549

00:26:45,170 --> 00:26:38,590

forth and and later on when Marci was

550

00:26:50,930 --> 00:26:45,180

found she act she did suffer from

551
00:26:53,400 --> 00:26:50,940
epilepsy and in multiple sclerosis which

552
00:26:58,200 --> 00:26:53,410
epilepsy or frontal lobe disorders

553
00:26:59,730 --> 00:26:58,210
seemed to and I say seem to because it's

554
00:27:03,860 --> 00:26:59,740
hard to get a lot of data when you're

555
00:27:07,049 --> 00:27:03,870
talking about things like poltergeists

556
00:27:09,810 --> 00:27:07,059
but it's certainly

557
00:27:13,860 --> 00:27:09,820
years to be more common based on the

558
00:27:16,499 --> 00:27:13,870
little data that we have we do find the

559
00:27:18,960 --> 00:27:16,509
you know the people who would have been

560
00:27:21,659 --> 00:27:18,970
called that quote-unquote agent I don't

561
00:27:26,999 --> 00:27:21,669
I don't know if I abide by that agent

562
00:27:29,999 --> 00:27:27,009
philosophy but yeah whichever that that

563
00:27:32,549 --> 00:27:30,009

it's quite often that they have epilepsy

564

00:27:36,060 --> 00:27:32,559

or a frontal lobe disorder and it and it

565

00:27:38,610 --> 00:27:36,070

seems to be and I say seem to because

566

00:27:41,369 --> 00:27:38,620

again this is more you know anecdotal

567

00:27:45,659 --> 00:27:41,379

than real Native but it appears like an

568

00:27:49,080 --> 00:27:45,669

empath seem to have a lot of physical

569

00:27:53,159 --> 00:27:49,090

problems like fibromyalgia and and some

570

00:27:54,180 --> 00:27:53,169

sometimes frontal lobe issues so you

571

00:27:57,720 --> 00:27:54,190

know I don't know which comes first

572

00:28:00,930 --> 00:27:57,730

chicken or the egg but it did turn out

573

00:28:04,159 --> 00:28:00,940

to that Marcy did have epilepsy which

574

00:28:08,960 --> 00:28:04,169

which I found very interesting because

575

00:28:11,340 --> 00:28:08,970

in my research I found that that I

576

00:28:13,590 --> 00:28:11,350

wouldn't say it's all the time the case

577

00:28:15,539 --> 00:28:13,600

but you know when you find epilepsy

578

00:28:18,299 --> 00:28:15,549

being there in six or seven or eight

579

00:28:20,460 --> 00:28:18,309

cases you'd say well that's odd yeah you

580

00:28:22,649 --> 00:28:20,470

know it wasn't like that many you know

581

00:28:25,230 --> 00:28:22,659

based on the sample size not like

582

00:28:28,230 --> 00:28:25,240

everybody has epilepsy you know so right

583

00:28:31,769 --> 00:28:28,240

so I think that I think that was the

584

00:28:34,259 --> 00:28:31,779

cause you know you can argue that you

585

00:28:37,830 --> 00:28:34,269

know the land and the underground stream

586

00:28:40,169 --> 00:28:37,840

and that there was the right geo factors

587

00:28:42,600 --> 00:28:40,179

and I'm sure that there obviously are

588

00:28:44,580 --> 00:28:42,610

other factors and just you know a child

589

00:28:47,190 --> 00:28:44,590

being upset because otherwise there'd be

590

00:28:48,989 --> 00:28:47,200

poltergeists everywhere so we know that

591

00:28:52,739 --> 00:28:48,999

there's other ingredients and we may not

592

00:28:57,299 --> 00:28:52,749

even have them all but I would say that

593

00:28:59,100 --> 00:28:57,309

really was the catalyst and nothing's

594

00:29:03,480 --> 00:28:59,110

ever happened in that house before or

595

00:29:05,580 --> 00:29:03,490

after so I and maybe it could happen

596

00:29:08,310 --> 00:29:05,590

again if you get the right mixture in

597

00:29:11,190 --> 00:29:08,320

there but I think you know I would say

598

00:29:13,440 --> 00:29:11,200

that it's pretty clear that that you

599

00:29:16,889 --> 00:29:13,450

know was the common thread that kind of

600

00:29:20,780 --> 00:29:16,899

really started the activity okay now I

601
00:29:24,350 --> 00:29:20,790
know she was Iroquois Native American or

602
00:29:29,840 --> 00:29:24,360
she was the from Canada do you happen to

603
00:29:35,000 --> 00:29:29,850
know if there is any folklore in the

604
00:29:40,280 --> 00:29:35,010
Iroquois tribe so to speak whether they

605
00:29:43,900 --> 00:29:40,290
had any similar situations or did you

606
00:29:52,280 --> 00:29:47,840
yes I did when the book was originally

607
00:29:58,070 --> 00:29:52,290
published I didn't have I didn't have

608
00:30:00,770 --> 00:29:58,080
that information what the family said in

609
00:30:03,110 --> 00:30:00,780
the interviews is they said they were

610
00:30:05,630 --> 00:30:03,120
told that she was the youngest of nine

611
00:30:08,450 --> 00:30:05,640
children and she was the only one given

612
00:30:12,170 --> 00:30:08,460
up for adoption and they think she was

613
00:30:15,830 --> 00:30:12,180

abused you know so that's that's kind of

614

00:30:17,720 --> 00:30:15,840

but that ended up not being true so an

615

00:30:23,300 --> 00:30:17,730

addendum was put in because what

616

00:30:27,190 --> 00:30:23,310

happened was I was contacted by one of

617

00:30:31,370 --> 00:30:27,200

the one of her biological half sisters

618

00:30:32,690 --> 00:30:31,380

and they knew her so this was a big

619

00:30:35,770 --> 00:30:32,700

breakthrough and this happened

620

00:30:41,090 --> 00:30:35,780

afterwards they had read my book in

621

00:30:42,770 --> 00:30:41,100

Canada and had contacted me and said you

622

00:30:45,320 --> 00:30:42,780

know we're reading this book and it

623

00:30:48,140 --> 00:30:45,330

occurs to us that's gene because that's

624

00:30:50,240 --> 00:30:48,150

she didn't go by Marci you know you

625

00:30:51,620 --> 00:30:50,250

don't really want to go by the same name

626

00:30:58,940 --> 00:30:51,630

when you're the center of this huge

627

00:31:02,270 --> 00:30:58,950

story you know and so so they said you

628

00:31:04,490 --> 00:31:02,280

know were the half sisters there's a

629

00:31:06,370 --> 00:31:04,500

half brother but we didn't meet so they

630

00:31:10,370 --> 00:31:06,380

only met her what they met once or twice

631

00:31:14,930 --> 00:31:10,380

I need to get together as sisters but

632

00:31:18,050 --> 00:31:14,940

her mother was a was had a few had those

633

00:31:20,840 --> 00:31:18,060

pregnancies as a teenager and therefore

634

00:31:25,310 --> 00:31:20,850

gave the children up for adoption so she

635

00:31:27,410 --> 00:31:25,320

didn't have any big yeah she didn't have

636

00:31:28,760 --> 00:31:27,420

any tribal upbringing or anything like

637

00:31:31,880 --> 00:31:28,770

that he's quite young when she was

638

00:31:35,030 --> 00:31:31,890

adopted anyhow but even before that she

639

00:31:38,900 --> 00:31:35,040

didn't you know have anything like that

640

00:31:40,730 --> 00:31:38,910

yeah there was some things that she did

641

00:31:42,320 --> 00:31:40,740

when she said yeah rocking back and

642

00:31:45,170 --> 00:31:42,330

forth saying she's talking to her

643

00:31:47,750 --> 00:31:45,180

grandfather or something like that and

644

00:31:49,820 --> 00:31:47,760

that's interesting you know I you know

645

00:31:55,100 --> 00:31:49,830

does it feed into it somehow you know

646

00:31:57,590 --> 00:31:55,110

who knows but I do know talking to the

647

00:32:00,950 --> 00:31:57,600

you know to the half sisters that you

648

00:32:02,810 --> 00:32:00,960

know she let a lot of pretty happy life

649

00:32:07,840 --> 00:32:02,820

in the last five years were very

650

00:32:11,690 --> 00:32:07,850

difficult due to the medical condition

651
00:32:15,290 --> 00:32:11,700
and I found out that she died because

652
00:32:18,140 --> 00:32:15,300
she does she's my age so she was 15 I

653
00:32:19,910 --> 00:32:18,150
think she died at age yes as soon as my

654
00:32:21,950 --> 00:32:19,920
age went wrong when I was right when I

655
00:32:26,570 --> 00:32:21,960
found out about his same age their young

656
00:32:28,850 --> 00:32:26,580
and had died from the multiple sclerosis

657
00:32:36,170 --> 00:32:28,860
and his seizures and all it's got really

658
00:32:38,330 --> 00:32:36,180
bad at the end and three it was a fan of

659
00:32:40,880 --> 00:32:38,340
the book contact at me and said this

660
00:32:43,040 --> 00:32:40,890
sounds like Marcy so I called up the

661
00:32:45,410 --> 00:32:43,050
coroner's office who placed an ad they

662
00:32:49,370 --> 00:32:45,420
didn't know what to do they couldn't

663
00:32:52,340 --> 00:32:49,380

find any next to Ken or anything and I

664

00:32:54,320 --> 00:32:52,350

called up and you know gave the birth

665

00:32:57,230 --> 00:32:54,330

date and social and all that stuff he

666

00:32:59,660 --> 00:32:57,240

says yeah this is her and he's the one

667

00:33:04,630 --> 00:32:59,670

who gave me all the information on her

668

00:33:07,670 --> 00:33:04,640

from you know told me about the epilepsy

669

00:33:09,620 --> 00:33:07,680

he also told me before I told him about

670

00:33:11,720 --> 00:33:09,630

the book that he had a really weird

671

00:33:14,690 --> 00:33:11,730

feeling when he went in the room and he

672

00:33:16,940 --> 00:33:14,700

said yeah he's been doing this for many

673

00:33:19,220 --> 00:33:16,950

years and nothing ever really yeah

674

00:33:21,530 --> 00:33:19,230

spooks him but he don't little spooked

675

00:33:25,130 --> 00:33:21,540

at first and he said that before I told

676

00:33:28,370 --> 00:33:25,140

him oh by the way his book and how it

677

00:33:33,910 --> 00:33:28,380

all fit together but I ended up matching

678

00:33:36,470 --> 00:33:33,920

the half sisters to Marcy's ashes and

679

00:33:39,920 --> 00:33:36,480

the beautiful end to the story is they

680

00:33:42,800 --> 00:33:39,930

buried her on family lands that's nice

681

00:33:45,410 --> 00:33:42,810

because before that we yeah she would

682

00:33:49,230 --> 00:33:45,420

have been in some room and the coroner's

683

00:33:52,540 --> 00:33:49,240

thing just sitting there on a shelf no

684

00:33:54,910 --> 00:33:52,550

so I know go all around the story but

685

00:33:57,040 --> 00:33:54,920

you know just babbling as things come up

686

00:33:58,780 --> 00:33:57,050

but that's those are rows you know

687

00:34:02,200 --> 00:33:58,790

relatively new developments that I found

688

00:34:05,530 --> 00:34:02,210

out afterwards and then ended up you

689

00:34:09,040 --> 00:34:05,540

know adding them in as you know an

690

00:34:11,530 --> 00:34:09,050

update because the story just as ever

691

00:34:13,389 --> 00:34:11,540

it's ever-evolving you know you run into

692

00:34:16,000 --> 00:34:13,399

people who were connected yeah I

693

00:34:19,540 --> 00:34:16,010

lectured once a voice and we ran into

694

00:34:21,399 --> 00:34:19,550

father Doyle sister father Doyle

695

00:34:23,950 --> 00:34:21,409

you know father Doyle was one of the

696

00:34:27,280 --> 00:34:23,960

witnesses who never publicly admitted

697

00:34:29,740 --> 00:34:27,290

that the place is haunted and you know

698

00:34:31,600 --> 00:34:29,750

on record he oh he said well you know we

699

00:34:33,070 --> 00:34:31,610

can't jump to conclusions yeah because

700

00:34:39,490 --> 00:34:33,080

he didn't want to get in trouble

701
00:34:42,100 --> 00:34:39,500
and you know we never I never I knew

702
00:34:44,139 --> 00:34:42,110
that I knew from the police reports that

703
00:34:47,230 --> 00:34:44,149
he must have believed that it was real

704
00:34:49,149 --> 00:34:47,240
by what they said but we got the talk to

705
00:34:52,720 --> 00:34:49,159
the sister and here are the inside story

706
00:34:54,790 --> 00:34:52,730
so it's just it's like Kevin Bacon six

707
00:34:56,980 --> 00:34:54,800
degrees of Kevin Bacon the you know the

708
00:34:59,770 --> 00:34:56,990
the people you run into that were

709
00:35:02,560 --> 00:34:59,780
connected to it you know oh I dated I

710
00:35:08,170 --> 00:35:02,570
dated the captain's daughter and you

711
00:35:09,820 --> 00:35:08,180
know and he was worried and very nervous

712
00:35:11,590 --> 00:35:09,830
about all this and wanted to put a

713
00:35:15,670 --> 00:35:11,600

kibosh on it yeah you got all these

714

00:35:17,530 --> 00:35:15,680

different stories from from these

715

00:35:20,890 --> 00:35:17,540

different people that were connected in

716

00:35:25,300 --> 00:35:20,900

some way and they they all validated

717

00:35:27,220 --> 00:35:25,310

what you know what was being said so it

718

00:35:29,470 --> 00:35:27,230

was very interesting to have those debt

719

00:35:31,930 --> 00:35:29,480

validation from multiple sources and not

720

00:35:35,560 --> 00:35:31,940

just oh one person said it or one person

721

00:35:38,590 --> 00:35:35,570

saw it so to me that was the most

722

00:35:40,750 --> 00:35:38,600

fascinating part of the case this was

723

00:35:43,570 --> 00:35:40,760

think this is really the case that told

724

00:35:45,820 --> 00:35:43,580

me beyond doubt that this stuff is

725

00:35:49,780 --> 00:35:45,830

involved there didn't tell me what it

726

00:35:52,660 --> 00:35:49,790

recorded in but but it told me the

727

00:35:54,700 --> 00:35:52,670

behavior and you know what is the

728

00:35:56,320 --> 00:35:54,710

poltergeist people would ask and I said

729

00:35:59,830 --> 00:35:56,330

well you know we can't tell you exactly

730

00:36:02,390 --> 00:35:59,840

what it is but we can describe its

731

00:36:04,940 --> 00:36:02,400

behavior and that's how it gets its name

732

00:36:07,670 --> 00:36:04,950

and you know so we could talk about that

733

00:36:09,620 --> 00:36:07,680

and then we can argue as to whether you

734

00:36:11,450 --> 00:36:09,630

know it's a demon named Fred but like

735

00:36:13,700 --> 00:36:11,460

peanut butter or whether it's something

736

00:36:15,799 --> 00:36:13,710

that from a different universe or

737

00:36:17,690 --> 00:36:15,809

whether we really have no right to say

738

00:36:20,150 --> 00:36:17,700

at all it's just something unknown and

739

00:36:24,279 --> 00:36:20,160

leave it at that you know everybody has

740

00:36:26,769 --> 00:36:24,289

a different take on it but I think I

741

00:36:28,819 --> 00:36:26,779

this is the case it did it for me

742

00:36:30,349 --> 00:36:28,829

actually it would have convinced me

743

00:36:32,359 --> 00:36:30,359

better than if I had seen something

744

00:36:35,990 --> 00:36:32,369

myself if I probably wouldn't have

745

00:36:37,880 --> 00:36:36,000

trusted what I saw

746

00:36:40,220 --> 00:36:37,890

unless it was unless it was something

747

00:36:41,720 --> 00:36:40,230

pervasive then of course I would but you

748

00:36:44,809 --> 00:36:41,730

know I mean if I saw something I'd

749

00:36:46,849 --> 00:36:44,819

figure oh I don't know I'm seeing things

750

00:36:48,980 --> 00:36:46,859

you know which is very common you know

751

00:36:51,170 --> 00:36:48,990

when people receive this stuff I was at

752

00:36:53,690 --> 00:36:51,180

the Mount Washington Hotel in New

753

00:36:56,150 --> 00:36:53,700

Hampshire this weekend and a friend of

754

00:36:58,309 --> 00:36:56,160

mine used to manage that place it's a

755

00:36:59,720 --> 00:36:58,319

beautiful well a turn-of-the-century I

756

00:37:04,039 --> 00:36:59,730

guess it's early Victorian I mean late

757

00:37:06,890 --> 00:37:04,049

Victorian resort in the mountains in New

758

00:37:09,470 --> 00:37:06,900

Hampshire and my friend told me years

759

00:37:11,120 --> 00:37:09,480

ago that when he managed the place it

760

00:37:12,829 --> 00:37:11,130

was haunted he saw things slide across

761

00:37:14,630 --> 00:37:12,839

the bar and there was some figure in

762

00:37:16,339 --> 00:37:14,640

there stairway and all that so while I

763

00:37:18,799 --> 00:37:16,349

was there this weekend I started talking

764

00:37:20,269 --> 00:37:18,809

to the each of the people that work

765

00:37:22,430 --> 00:37:20,279

there and they said oh yeah

766

00:37:25,460 --> 00:37:22,440

it's going on and they were telling me

767

00:37:27,769 --> 00:37:25,470

different stories about you know of the

768

00:37:30,349 --> 00:37:27,779

door buzzer you know buzzing when no one

769

00:37:31,849 --> 00:37:30,359

was there and clothes sliding on the

770

00:37:34,549 --> 00:37:31,859

rack right in front of them stuff like

771

00:37:39,430 --> 00:37:34,559

that stuff still going on you know it's

772

00:37:42,980 --> 00:37:39,440

it fascinates me this case in particular

773

00:37:46,700 --> 00:37:42,990

did did you ever think that it's

774

00:37:51,230 --> 00:37:46,710

possible that Marcy may have been

775

00:37:53,839 --> 00:37:51,240

somehow not attracting the energy but

776

00:37:55,609 --> 00:37:53,849

somehow putting out the energy that made

777

00:38:04,609 --> 00:37:55,619

these things happen I know that sounds

778

00:38:09,260 --> 00:38:04,619

strange but no people have about

779

00:38:11,870 --> 00:38:09,270

poltergeist is is that it's psychic

780

00:38:16,069 --> 00:38:11,880

energy put off by the agent which would

781

00:38:18,759 --> 00:38:16,079

be Marcy in this case and I think it was

782

00:38:22,120 --> 00:38:18,769

I think there's bill rolls that believed

783

00:38:25,789 --> 00:38:22,130

psychic energy put it out and then

784

00:38:27,709 --> 00:38:25,799

there's a possibility of entities being

785

00:38:30,019 --> 00:38:27,719

involved on top of that so kind of

786

00:38:33,140 --> 00:38:30,029

opening the door so sometimes the doors

787

00:38:36,259 --> 00:38:33,150

open by doing that sometimes it's not I

788

00:38:39,049 --> 00:38:36,269

mean I know Marcy was putting out or

789

00:38:43,309 --> 00:38:39,059

wife say I know I mean I believe that it

790

00:38:48,160 --> 00:38:43,319

it was the frequency of of the energy

791

00:38:52,069 --> 00:38:48,170

putting out that kind of attracted this

792

00:38:53,989 --> 00:38:52,079

these entities but I do agree with Paul

793

00:38:55,640 --> 00:38:53,999

that there's a lot of things that happen

794

00:38:58,579 --> 00:38:55,650

in the house that don't appear to be

795

00:39:01,209 --> 00:38:58,589

intentional that probably was the result

796

00:39:06,890 --> 00:39:01,219

of the energy being there versus an

797

00:39:08,390 --> 00:39:06,900

entity doing it for example a fridge or

798

00:39:10,459 --> 00:39:08,400

well frigerator floating is a good

799

00:39:12,949 --> 00:39:10,469

example I don't think that was done by

800

00:39:15,859 --> 00:39:12,959

an entity on purpose I think that was

801
00:39:20,779 --> 00:39:15,869
that was a result of that energy being

802
00:39:24,890 --> 00:39:20,789
there same thing with you know a model

803
00:39:27,410 --> 00:39:24,900
boat moving a little bit but picking up

804
00:39:29,660 --> 00:39:27,420
Marcy and throwing her or like when a

805
00:39:33,799 --> 00:39:29,670
when she's in a chair and it floated up

806
00:39:36,949 --> 00:39:33,809
and and that happened multiple times

807
00:39:39,140 --> 00:39:36,959
those were very personal things and we

808
00:39:42,349 --> 00:39:39,150
can't even say for sure that those were

809
00:39:44,299 --> 00:39:42,359
quote-unquote attacks but they certainly

810
00:39:45,680 --> 00:39:44,309
appeared to be you know picking her up

811
00:39:48,589 --> 00:39:45,690
and throwing her against the wall

812
00:39:51,170 --> 00:39:48,599
happened her being lifted up in the

813
00:39:53,059 --> 00:39:51,180

chair with the chair flipping and being

814

00:39:55,069 --> 00:39:53,069

thrown out of the cheers so I mean there

815

00:40:00,049 --> 00:39:55,079

were things like that that were

816

00:40:01,939 --> 00:40:00,059

happening that definitely appeared to to

817

00:40:05,059 --> 00:40:01,949

provoke I guess you'd say you know to

818

00:40:06,920 --> 00:40:05,069

really make you know across coming off

819

00:40:08,390 --> 00:40:06,930

the wall and floating down you know

820

00:40:11,449 --> 00:40:08,400

things like that that were more

821

00:40:15,049 --> 00:40:11,459

intentional as well as one of the Joe

822

00:40:17,630 --> 00:40:15,059

Tomic told me that he went in later and

823

00:40:19,430 --> 00:40:17,640

just said to went into Marcy's room and

824

00:40:21,469 --> 00:40:19,440

said to himself if you're here show

825

00:40:23,269 --> 00:40:21,479

yourself and he said at that moment he

826

00:40:25,160 --> 00:40:23,279

said everything was shaking on the walls

827

00:40:27,499 --> 00:40:25,170

and then he said okay now you can stop

828

00:40:29,410 --> 00:40:27,509

and it stopped and he told me he said at

829

00:40:31,059 --> 00:40:29,420

that moment I knew it was real

830

00:40:32,890 --> 00:40:31,069

he said but there was no way I was gonna

831

00:40:35,140 --> 00:40:32,900

put that in any police report it would

832

00:40:35,620 --> 00:40:35,150

have been but it would have been the end

833

00:40:39,430 --> 00:40:35,630

of it

834

00:40:41,079 --> 00:40:39,440

mm-hmm I admire him I admire him just

835

00:40:44,230 --> 00:40:41,089

for the fact of the police report that

836

00:40:47,890 --> 00:40:44,240

he put in there because all the police

837

00:40:51,039 --> 00:40:47,900

reports are he actually sent me a copy

838

00:40:55,089 --> 00:40:51,049

of the police report voice baby being a

839

00:40:58,720 --> 00:40:55,099

professional that he is he read all the

840

00:41:00,640 --> 00:40:58,730

police reports into the tapes to make

841

00:41:02,200 --> 00:41:00,650

sure that they were preserved which is

842

00:41:03,819 --> 00:41:02,210

great because of course they don't they

843

00:41:05,530 --> 00:41:03,829

don't retain those things for longer

844

00:41:07,059 --> 00:41:05,540

than 10 years and I think with Lindley

845

00:41:11,890 --> 00:41:07,069

Street they probably got rid of him a

846

00:41:14,410 --> 00:41:11,900

lot sooner - so well yes I think some of

847

00:41:18,039 --> 00:41:14,420

it is the energy that happens to be

848

00:41:21,130 --> 00:41:18,049

there Paul would say it's the multiple

849

00:41:24,549 --> 00:41:21,140

world intersect causing that you know

850

00:41:27,010 --> 00:41:24,559

causing that energy you know Paul's

851

00:41:32,589 --> 00:41:27,020

pretty positive about that

852

00:41:35,700 --> 00:41:32,599

I only differ from him in one respect is

853

00:41:41,890 --> 00:41:35,710

I do think that that is the best theory

854

00:41:44,109 --> 00:41:41,900

on the table but I'm not positive that's

855

00:41:45,670 --> 00:41:44,119

it you know oh and maybe Paul isn't

856

00:41:52,030 --> 00:41:45,680

either I don't know but of course Paul

857

00:41:55,990 --> 00:41:52,040

is seen more than I have to so multiple

858

00:41:58,960 --> 00:41:56,000

world version of the multiverse would

859

00:42:02,559 --> 00:41:58,970

nicely explained all of the paranormal

860

00:42:06,190 --> 00:42:02,569

of course we do know based on history

861

00:42:08,140 --> 00:42:06,200

that it's always not as simple as you

862

00:42:11,349 --> 00:42:08,150

know one answer you know or something

863

00:42:12,940 --> 00:42:11,359

like that but it seems to be the best

864

00:42:15,609 --> 00:42:12,950

theory I can think of I don't think

865

00:42:18,880 --> 00:42:15,619

these things are demons I don't think

866

00:42:20,680 --> 00:42:18,890

this I I mean you know I could see why

867

00:42:24,099 --> 00:42:20,690

they would be called that because they

868

00:42:26,079 --> 00:42:24,109

appear to act that way people feel you

869

00:42:29,829 --> 00:42:26,089

know like Lorraine Warren felt nauseous

870

00:42:34,270 --> 00:42:29,839

and sick and Marcie's room and and we

871

00:42:36,910 --> 00:42:34,280

equate sickness with evil not all of us

872

00:42:38,740 --> 00:42:36,920

but I mean I've heard that a number of

873

00:42:40,299 --> 00:42:38,750

times you know when I've done lectures

874

00:42:42,609 --> 00:42:40,309

and somebody said that they were in this

875

00:42:43,269 --> 00:42:42,619

historic house and they felt ill so they

876

00:42:46,929 --> 00:42:43,279

know

877

00:42:48,849 --> 00:42:46,939

haunted by an evil spirit and then I

878

00:42:51,189 --> 00:42:48,859

challenge that and say well do you think

879

00:42:55,149 --> 00:42:51,199

the flu is evil because you know we

880

00:42:57,279 --> 00:42:55,159

equate sickness with things with you

881

00:43:01,359 --> 00:42:57,289

know with negative entities or whatever

882

00:43:03,459 --> 00:43:01,369

but witnesses is neutral really I mean

883

00:43:05,919 --> 00:43:03,469

it you know our is the sickness because

884

00:43:08,469 --> 00:43:05,929

of that those multiple world intersex or

885

00:43:10,569 --> 00:43:08,479

is a sickness because you've got nasty

886

00:43:12,999 --> 00:43:10,579

entities in there you know I don't know

887

00:43:14,890 --> 00:43:13,009

maybe maybe it's one or the other or

888

00:43:18,130 --> 00:43:14,900

both maybe it really doesn't matter I

889

00:43:22,209 --> 00:43:18,140

don't know sometimes it ends up being

890

00:43:24,579 --> 00:43:22,219

the you know the electronic EMF you know

891

00:43:28,390 --> 00:43:24,589

those those frequencies that can come in

892

00:43:30,640 --> 00:43:28,400

through a water pipe shame has their way

893

00:43:33,039 --> 00:43:30,650

and myself we had a case where people

894

00:43:36,609 --> 00:43:33,049

were going crazy in the house and and

895

00:43:41,259 --> 00:43:36,619

and it was really a bizarre historical

896

00:43:43,359 --> 00:43:41,269

case and it ended up being the the

897

00:43:45,999 --> 00:43:43,369

electromagnetic frequency coming in the

898

00:43:50,380 --> 00:43:46,009

house or the water pipe was was really

899

00:43:54,459 --> 00:43:50,390

severe and sure enough she had this lady

900

00:43:57,029 --> 00:43:54,469

had tumors most of her life and her

901
00:44:00,669 --> 00:43:57,039
husband died of cancer and you know so

902
00:44:04,169 --> 00:44:00,679
and those things make you see shapes out

903
00:44:07,949 --> 00:44:04,179
of the corner of your eyes they make you

904
00:44:10,779 --> 00:44:07,959
emotionally change you know it's really

905
00:44:13,630 --> 00:44:10,789
basically it's it's a fake version of a

906
00:44:18,429 --> 00:44:13,640
paranormal that's unfortunately very

907
00:44:22,870 --> 00:44:18,439
real and damaging so sometimes is that

908
00:44:27,130 --> 00:44:22,880
but I mean it is I don't think it's all

909
00:44:29,890 --> 00:44:27,140
one thing I think I think a lot of times

910
00:44:32,679 --> 00:44:29,900
it is provocative and we should assume

911
00:44:34,659 --> 00:44:32,689
it must be the entities you know or in

912
00:44:38,019 --> 00:44:34,669
the case of Paul having an altercation

913
00:44:39,609 --> 00:44:38,029

with the entity fix it up Marcy and

914

00:44:43,630 --> 00:44:39,619

throwing her and getting around Paul

915

00:44:46,599 --> 00:44:43,640

that's a pretty clear message of some

916

00:44:49,329 --> 00:44:46,609

sort although I always try to ask well

917

00:44:53,229 --> 00:44:49,339

did the entity pick her up or is that a

918

00:44:56,620 --> 00:44:53,239

result of energy you know I don't like

919

00:45:00,460 --> 00:44:56,630

the Sun I don't like to assign intent

920

00:45:02,350 --> 00:45:00,470

to it but Paul was there and felt it and

921

00:45:04,630 --> 00:45:02,360

you know many of the people that did

922

00:45:08,580 --> 00:45:04,640

feel itself but it was something

923

00:45:11,320 --> 00:45:08,590

negative so you know it's hard to say

924

00:45:14,800 --> 00:45:11,330

but I try to give the entities the

925

00:45:16,690 --> 00:45:14,810

benefit of the doubt well I think you

926

00:45:20,440 --> 00:45:16,700

know I think how would I be if I was in

927

00:45:23,110 --> 00:45:20,450

a different world or if I you know you

928

00:45:27,910 --> 00:45:23,120

know maybe they're not even there by

929

00:45:29,410 --> 00:45:27,920

choice maybe the frequency you know suck

930

00:45:30,280 --> 00:45:29,420

them in or something and they really

931

00:45:34,320 --> 00:45:30,290

want to go home

932

00:45:42,370 --> 00:45:34,330

did they were watching two years but

933

00:45:46,420 --> 00:45:42,380

were their equivalent of TV now so on

934

00:45:49,660 --> 00:45:46,430

the slide show up on the YouTube right

935

00:45:55,620 --> 00:45:49,670

now is her artwork can you explain what

936

00:46:01,930 --> 00:45:55,630

that is real quickly yeah my she always

937

00:46:04,180 --> 00:46:01,940

was interested in art and she would draw

938

00:46:06,070 --> 00:46:04,190

and make things even when she was you

939

00:46:13,960 --> 00:46:06,080

know when this happened when she was 10

940

00:46:16,510 --> 00:46:13,970

and later on when I found out about her

941

00:46:20,550 --> 00:46:16,520

life since Lindley Street and her

942

00:46:28,360 --> 00:46:23,410

different things that happen to our life

943

00:46:30,970 --> 00:46:28,370

I also found her artwork and and I think

944

00:46:33,310 --> 00:46:30,980

her biological sisters sent me some of

945

00:46:35,740 --> 00:46:33,320

her artwork one or two pieces you know

946

00:46:38,770 --> 00:46:35,750

we're published I mean she did make you

947

00:46:41,950 --> 00:46:38,780

know money that way necessarily but so

948

00:46:46,150 --> 00:46:41,960

you know that artwork was found and so I

949

00:46:48,160 --> 00:46:46,160

wanted to share that with people you

950

00:46:55,450 --> 00:46:48,170

know read the book to so they can see

951
00:46:59,980 --> 00:46:55,460
that choice recently gave me all of the

952
00:47:04,900 --> 00:46:59,990
case files and all of Marcy's original

953
00:47:07,840 --> 00:47:04,910
artwork which which I was quite quite

954
00:47:11,650 --> 00:47:07,850
flattered by he handed it to me and said

955
00:47:20,170 --> 00:47:14,900
so I got all the original slides and and

956
00:47:23,950 --> 00:47:20,180
the 260 incident sheets and and

957
00:47:27,170 --> 00:47:23,960
Christmas cards from the family and and

958
00:47:30,230 --> 00:47:27,180
Marcy's original artwork so but that's

959
00:47:32,509 --> 00:47:30,240
why the artwork is there just because we

960
00:47:34,750 --> 00:47:32,519
all were fascinated and wanted to know

961
00:47:37,640 --> 00:47:34,760
you know what happened to Marcy and

962
00:47:39,799 --> 00:47:37,650
where is she and could you interview her

963
00:47:44,240 --> 00:47:39,809

and unfortunate I mean fortunately we

964

00:47:46,819 --> 00:47:44,250

found her unfortunately you know she she

965

00:47:48,470 --> 00:47:46,829

wasn't with us anymore right but

966

00:47:51,710 --> 00:47:48,480

connecting connecting with the

967

00:47:56,569 --> 00:47:51,720

biological sisters did give us some

968

00:47:59,120 --> 00:47:56,579

insight into you know some parts of her

969

00:48:02,450 --> 00:47:59,130

life and what her life you know was like

970

00:48:05,809 --> 00:48:02,460

and she remained to be a big animal fan

971

00:48:10,210 --> 00:48:05,819

as she was as a child and continued to

972

00:48:13,759 --> 00:48:10,220

draw and appeared to be a gentle and and

973

00:48:16,400 --> 00:48:13,769

nice person and didn't appear to be you

974

00:48:18,410 --> 00:48:16,410

know weird or maladjusted or anything

975

00:48:20,180 --> 00:48:18,420

like that you know I feel bad for her

976
00:48:26,029 --> 00:48:20,190
should some know she had a pretty rough

977
00:48:32,569 --> 00:48:26,039
rough beginning for sure oh yes yeah and

978
00:48:34,730 --> 00:48:32,579
her 13 age years I'm sure were yeah I'm

979
00:48:36,950 --> 00:48:34,740
not the greatest - and ultimately she

980
00:48:40,279 --> 00:48:36,960
left the house because she didn't get

981
00:48:41,900 --> 00:48:40,289
along with with Laura the mother yeah

982
00:48:42,700 --> 00:48:41,910
way too small of a house not to get

983
00:48:47,749 --> 00:48:42,710
along with someone

984
00:48:57,099 --> 00:48:47,759
Oh someone in the chat room wanted to

985
00:49:01,900 --> 00:48:57,109
know if there was any orb experiences no

986
00:49:05,180 --> 00:49:01,910
there really wasn't any words there were

987
00:49:10,039 --> 00:49:05,190
there was these glossy like entities

988
00:49:11,690 --> 00:49:10,049

that were seeing there was father

989

00:49:15,049 --> 00:49:11,700

Charbonneau with the Warrens in the

990

00:49:20,390 --> 00:49:15,059

basement they saw this like black

991

00:49:22,160 --> 00:49:20,400

figures form and then there was one

992

00:49:24,810 --> 00:49:22,170

point and Paul was part of this

993

00:49:26,840 --> 00:49:24,820

experience too

994

00:49:30,210 --> 00:49:26,850

where the whole house started filling

995

00:49:34,230 --> 00:49:30,220

with smoke which I hear is somewhat

996

00:49:38,340 --> 00:49:34,240

common in some exorcisms or Rebecca that

997

00:49:41,970 --> 00:49:38,350

kind of thing so those were three kind

998

00:49:46,830 --> 00:49:41,980

of other kinds of manifestations there

999

00:49:50,040 --> 00:49:46,840

was no mention of words just you know

1000

00:49:52,770 --> 00:49:50,050

moving objects like crazy weren't one of

1001

00:49:54,930 --> 00:49:52,780

I think I think one of the scariest

1002

00:49:57,840 --> 00:49:54,940

things for the family was when they were

1003

00:49:59,940 --> 00:49:57,850

out and this is Christmastime and they

1004

00:50:02,070 --> 00:49:59,950

came home and Jerry would go in first

1005

00:50:04,530 --> 00:50:02,080

because he was used to kind of checking

1006

00:50:07,310 --> 00:50:04,540

out everything and all the ornaments

1007

00:50:12,030 --> 00:50:07,320

were off the tree and in a little corner

1008

00:50:15,060 --> 00:50:12,040

you know on a little pile and that

1009

00:50:18,240 --> 00:50:15,070

really that really freaked out Laura

1010

00:50:19,550 --> 00:50:18,250

that was that and then in the kitchen

1011

00:50:25,670 --> 00:50:19,560

there

1012

00:50:27,900 --> 00:50:25,680

mother Mary statue was had fell over

1013

00:50:29,670 --> 00:50:27,910

which could have been coincidence or

1014

00:50:32,850 --> 00:50:29,680

whatever but still the whole thing was

1015

00:50:37,290 --> 00:50:32,860

just seeing the the ornaments and in a

1016

00:50:39,860 --> 00:50:37,300

pile like that was that that were

1017

00:50:45,120 --> 00:50:39,870

anything that was personal like that or

1018

00:50:47,130 --> 00:50:45,130

you know a chair flipping over is

1019

00:50:49,400 --> 00:50:47,140

frightening but when you start really

1020

00:50:53,010 --> 00:50:49,410

kind of assembling things like that

1021

00:50:56,210 --> 00:50:53,020

there was another time a baby stroller

1022

00:50:59,730 --> 00:50:56,220

that was wailing by itself and you know

1023

00:51:02,820 --> 00:50:59,740

those were the more freaky things and

1024

00:51:05,160 --> 00:51:02,830

obviously anything that involved Marci

1025

00:51:08,700 --> 00:51:05,170

was scary and there was audible things

1026
00:51:11,460 --> 00:51:08,710
there was but the whole thing started

1027
00:51:13,590 --> 00:51:11,470
when it started really taken off

1028
00:51:16,920 --> 00:51:13,600
it started with banging and that

1029
00:51:20,970 --> 00:51:16,930
actually occurred every year usually in

1030
00:51:22,920 --> 00:51:20,980
the fall for a few years before all this

1031
00:51:24,720 --> 00:51:22,930
really took off it would be a banging on

1032
00:51:28,050 --> 00:51:24,730
the insides and outsides of the walls

1033
00:51:29,910 --> 00:51:28,060
and it would it would start slow and

1034
00:51:32,550 --> 00:51:29,920
then get louder and louder louder and

1035
00:51:34,380 --> 00:51:32,560
you know Jerry called the police the

1036
00:51:35,970 --> 00:51:34,390
firemen checked it out yeah everybody

1037
00:51:37,230 --> 00:51:35,980
checked it out they didn't know what it

1038
00:51:43,050 --> 00:51:37,240

was

1039

00:51:44,930 --> 00:51:43,060

and the police officer friend officer

1040

00:51:47,370 --> 00:51:44,940

Holsworth from across the street

1041

00:51:49,830 --> 00:51:47,380

suggests that that they record it and

1042

00:51:51,540 --> 00:51:49,840

they actually recorded the sounds and

1043

00:51:54,060 --> 00:51:51,550

they ended up giving the tape to Edie

1044

00:51:56,070 --> 00:51:54,070

Warren Edie Warren gave it a two voice

1045

00:52:01,920 --> 00:51:56,080

baby and then boys Beatty gave it to me

1046

00:52:05,160 --> 00:52:01,930

so actually there's there's another with

1047

00:52:07,170 --> 00:52:05,170

the book comes a special URL where you

1048

00:52:12,630 --> 00:52:07,180

can go and you can hear the poltergeist

1049

00:52:16,290 --> 00:52:12,640

sounds and it's Erie's and when you hear

1050

00:52:18,690 --> 00:52:16,300

it in context but yes so those banging

1051

00:52:22,320 --> 00:52:18,700

sounds were a big part of it there was

1052

00:52:25,530 --> 00:52:22,330

footsteps knocks on the door with nobody

1053

00:52:28,080 --> 00:52:25,540

there there was footprints on the stoop

1054

00:52:31,740 --> 00:52:28,090

that looked wet but it was a dry day

1055

00:52:36,210 --> 00:52:31,750

there was windows just spontaneously

1056

00:52:40,170 --> 00:52:36,220

smashing a lot of different activity in

1057

00:52:42,470 --> 00:52:40,180

there but yeah it was any of the

1058

00:52:46,890 --> 00:52:42,480

personal things like the cross floating

1059

00:52:48,570 --> 00:52:46,900

pulling itself with a nail off the wall

1060

00:52:55,700 --> 00:52:48,580

and floating down and that was witnessed

1061

00:52:59,370 --> 00:52:55,710

by police captain so and he backed his

1062

00:53:02,130 --> 00:52:59,380

people but he could he couldn't say hey

1063

00:53:04,530 --> 00:53:02,140

I saw this cross go off but he said if

1064

00:53:08,849 --> 00:53:04,540

my people said they saw they saw it yes

1065

00:53:11,520 --> 00:53:08,859

he did defend his people but ya know or

1066

00:53:15,000 --> 00:53:11,530

uh-huh you know I I've had this

1067

00:53:16,680 --> 00:53:15,010

reoccurring dream that I get I finally

1068

00:53:19,920 --> 00:53:16,690

get the house of my dreams and ends up

1069

00:53:23,609 --> 00:53:19,930

being haunted and I've had that a number

1070

00:53:27,330 --> 00:53:23,619

of times and but the reason I bring that

1071

00:53:30,570 --> 00:53:27,340

up if I was in a house that anything

1072

00:53:32,480 --> 00:53:30,580

like this was going on I would get so

1073

00:53:35,880 --> 00:53:32,490

far away from there so fast

1074

00:53:44,160 --> 00:53:35,890

did they did they want to move away and

1075

00:53:46,140 --> 00:53:44,170

couldn't yeah so so a few things that I

1076

00:53:48,840 --> 00:53:46,150

think will bring context and some

1077

00:53:50,730 --> 00:53:48,850

understanding to it and I'm glad yes to

1078

00:53:51,089 --> 00:53:50,740

ask me that because I'm sure that you

1079

00:53:53,339 --> 00:53:51,099

know

1080

00:53:54,299 --> 00:53:53,349

of listeners would would wonder about

1081

00:53:59,489 --> 00:53:54,309

that too

1082

00:54:04,859 --> 00:53:59,499

is the real intensity of this took place

1083

00:54:08,609 --> 00:54:04,869

from like a Thursday to to Tuesday and

1084

00:54:10,920 --> 00:54:08,619

then aside from the knocking thing but

1085

00:54:12,329 --> 00:54:10,930

they weren't scared by it they were more

1086

00:54:13,950 --> 00:54:12,339

annoyed they didn't know what it was

1087

00:54:17,009 --> 00:54:13,960

they didn't connected to anything

1088

00:54:22,410 --> 00:54:17,019

you know like the haunting you know or

1089

00:54:29,700 --> 00:54:22,420

poltergeist but after that things did

1090

00:54:32,430 --> 00:54:29,710

happen what when things were at the

1091

00:54:37,259 --> 00:54:32,440

height there either were the police were

1092

00:54:40,650 --> 00:54:37,269

inside with them either was that was the

1093

00:54:47,339 --> 00:54:40,660

situation or they often went to stay

1094

00:54:50,069 --> 00:54:47,349

with family and whether they went you

1095

00:54:53,249 --> 00:54:50,079

know to stay with family or stayed at

1096

00:54:56,519 --> 00:54:53,259

the house depending on you know how bad

1097

00:54:58,769 --> 00:54:56,529

the activity was and and then later on

1098

00:55:00,180 --> 00:54:58,779

there was a period of time when Marcy

1099

00:55:03,870 --> 00:55:00,190

wasn't at the house at all she was

1100

00:55:06,450 --> 00:55:03,880

staying with family Jerry and Laura

1101
00:55:08,910 --> 00:55:06,460
didn't really want to burden family

1102
00:55:11,160 --> 00:55:08,920
every single time so they would stay at

1103
00:55:15,059 --> 00:55:11,170
the house but it would depend on you

1104
00:55:18,089 --> 00:55:15,069
know if it got bad or not and there was

1105
00:55:20,579 --> 00:55:18,099
a point when I mean they always had an

1106
00:55:22,559 --> 00:55:20,589
overnight bag packed and the routine was

1107
00:55:25,440 --> 00:55:22,569
Jerry would get up in the morning and

1108
00:55:28,620 --> 00:55:25,450
you know see what's going on and again

1109
00:55:30,599 --> 00:55:28,630
if the activity was the same as it was

1110
00:55:32,430 --> 00:55:30,609
during its height when it went public

1111
00:55:36,749 --> 00:55:32,440
you know that Thursday to Tuesday

1112
00:55:39,779 --> 00:55:36,759
stretch then they probably all would

1113
00:55:41,789 --> 00:55:39,789

have moved out and stayed with family

1114

00:55:43,890 --> 00:55:41,799

and not come back at all but but it did

1115

00:55:47,729 --> 00:55:43,900

die down after that even though it's

1116

00:55:53,339 --> 00:55:47,739

still continued until it ended in

1117

00:55:56,759 --> 00:55:53,349

January of 75 so like most poltergeist

1118

00:55:59,819 --> 00:55:56,769

cases that was not long lived but it was

1119

00:56:03,420 --> 00:55:59,829

extremely there was that period of

1120

00:56:04,950 --> 00:56:03,430

extreme heightened activity even while

1121

00:56:07,349 --> 00:56:04,960

people were going in and

1122

00:56:10,410 --> 00:56:07,359

house so that that's unique to I mean

1123

00:56:13,200 --> 00:56:10,420

most most of these kinds of cases you go

1124

00:56:15,120 --> 00:56:13,210

in and the activity will stop until you

1125

00:56:17,940 --> 00:56:15,130

kind of you got to kind of be there for

1126

00:56:20,250 --> 00:56:17,950

a while and blend in with the with the

1127

00:56:23,010 --> 00:56:20,260

area before things start but that this

1128

00:56:24,900 --> 00:56:23,020

was such that police officers were going

1129

00:56:26,880 --> 00:56:24,910

in and they were seeing things happen in

1130

00:56:29,880 --> 00:56:26,890

every room and they just entered the

1131

00:56:33,180 --> 00:56:29,890

place so it was unusual unusual very

1132

00:56:35,520 --> 00:56:33,190

heightened activity for poltergeists but

1133

00:56:37,859 --> 00:56:35,530

it wasn't that way for you know for

1134

00:56:42,240 --> 00:56:37,869

months on end or anything like that

1135

00:56:44,550 --> 00:56:42,250

and it ended by marci getting a

1136

00:56:46,950 --> 00:56:44,560

scholarship thanks to father Doyle who

1137

00:56:48,810 --> 00:56:46,960

knew the place was you know he knew and

1138

00:56:50,609 --> 00:56:48,820

saw stuff because he was trying to bless

1139

00:56:55,020 --> 00:56:50,619

the place and the holy water kept

1140

00:56:56,910 --> 00:56:55,030

getting knocked over so that's when he

1141

00:56:58,920 --> 00:56:56,920

left and he couldn't come back there he

1142

00:57:01,260 --> 00:56:58,930

could breathe he just didn't want to go

1143

00:57:02,940 --> 00:57:01,270

back to the house at all but he was very

1144

00:57:05,010 --> 00:57:02,950

supportive to the family ended up

1145

00:57:08,700 --> 00:57:05,020

getting them a scholarship to take

1146

00:57:10,470 --> 00:57:08,710

Marcin out of the not have her go back

1147

00:57:11,910 --> 00:57:10,480

to the public school because the parents

1148

00:57:16,650 --> 00:57:11,920

said we're not sending her back there

1149

00:57:18,270 --> 00:57:16,660

and got her into was a private Catholic

1150

00:57:22,140 --> 00:57:18,280

school and then everybody was friendly

1151
00:57:24,900 --> 00:57:22,150
to her and and the activity just petered

1152
00:57:27,440 --> 00:57:24,910
out so that's that's why that's why I

1153
00:57:30,359 --> 00:57:27,450
say it's pretty obvious that her

1154
00:57:35,210 --> 00:57:30,369
frequency her emotional you know

1155
00:57:37,740 --> 00:57:35,220
condition was sending out that kind of

1156
00:57:41,550 --> 00:57:37,750
you know negative frequency and

1157
00:57:45,710 --> 00:57:41,560
attracting these these things there and

1158
00:57:48,780 --> 00:57:45,720
then when her when her mindset changed

1159
00:57:52,020 --> 00:57:48,790
you know it stopped which is which is

1160
00:57:54,870 --> 00:57:52,030
very common you know that we find in

1161
00:57:57,060 --> 00:57:54,880
these negative haunts and I'm not

1162
00:57:58,950 --> 00:57:57,070
classifying everyone the same but it's

1163
00:58:02,520 --> 00:57:58,960

very often when you have a parasite or

1164

00:58:04,620 --> 00:58:02,530

entity for lack of a better word the

1165

00:58:06,599 --> 00:58:04,630

first thing as you know you probably ask

1166

00:58:08,550 --> 00:58:06,609

is you know what's going on you know

1167

00:58:10,800 --> 00:58:08,560

something's going on in the family

1168

00:58:14,520 --> 00:58:10,810

dynamic or something's going on in the

1169

00:58:18,000 --> 00:58:14,530

person's life and and once that person

1170

00:58:18,850 --> 00:58:18,010

changes the way they think you know they

1171

00:58:22,540 --> 00:58:18,860

can put an end to

1172

00:58:25,210 --> 00:58:22,550

it well so it petered out it just it

1173

00:58:28,380 --> 00:58:25,220

just stopped completely now does a house

1174

00:58:31,290 --> 00:58:28,390

still stand today

1175

00:58:33,340 --> 00:58:31,300

it does matter of fact I drove by it

1176

00:58:36,760 --> 00:58:33,350

yeah it does

1177

00:58:38,710 --> 00:58:36,770

there was only one owner it was vacant

1178

00:58:40,360 --> 00:58:38,720

for a few years the family did want to

1179

00:58:42,820 --> 00:58:40,370

get out of there

1180

00:58:46,810 --> 00:58:42,830

and actually Jerry put it best he says I

1181

00:58:49,360 --> 00:58:46,820

don't care about he says you know the it

1182

00:58:51,250 --> 00:58:49,370

stops happening but I can't even live in

1183

00:58:54,250 --> 00:58:51,260

town because I mean people were making

1184

00:58:56,410 --> 00:58:54,260

fun of them they were pulling the

1185

00:58:58,270 --> 00:58:56,420

clothes off the line and you know

1186

00:59:04,360 --> 00:58:58,280

slashing the tires and you know they

1187

00:59:06,220 --> 00:59:04,370

were really you know the as bill roll

1188

00:59:09,550 --> 00:59:06,230

once said you know the antics of the

1189

00:59:11,980 --> 00:59:09,560

poltergeists are only is bad or beaten

1190

00:59:15,490 --> 00:59:11,990

by the antics of the you know the people

1191

00:59:20,650 --> 00:59:15,500

they onlookers and there was this was so

1192

00:59:23,740 --> 00:59:20,660

public and you know that Jerry was

1193

00:59:26,800 --> 00:59:23,750

getting ridiculed at work and people

1194

00:59:28,630 --> 00:59:26,810

were of course constantly taking

1195

00:59:30,880 --> 00:59:28,640

pictures and trying to get in there and

1196

00:59:32,650 --> 00:59:30,890

you know all that kind of stuff so it

1197

00:59:36,220 --> 00:59:32,660

you know they wanted to get out for that

1198

00:59:37,690 --> 00:59:36,230

and they couldn't sell the house and so

1199

00:59:40,960 --> 00:59:37,700

they painted the house so that it

1200

00:59:45,430 --> 00:59:40,970

wouldn't look the same and after doing

1201

00:59:52,780 --> 00:59:49,270

yeah so they ended up deciding to stay

1202

00:59:55,390 --> 00:59:52,790

there the activity it ended and you know

1203

00:59:57,040 --> 00:59:55,400

and they didn't have they money to

1204

00:59:58,690 --> 00:59:57,050

replace the things over ruin there's

1205

01:00:01,450 --> 00:59:58,700

about five six thousand dollars in

1206

01:00:05,320 --> 01:00:01,460

property damage just to the stuff inside

1207

01:00:07,540 --> 01:00:05,330

the house and there was a time you know

1208

01:00:12,910 --> 01:00:07,550

Jerry went through various emotions very

1209

01:00:14,830 --> 01:00:12,920

anxious a lot of anxiety some fear and

1210

01:00:18,700 --> 01:00:14,840

then a lot of hatred yeah a lot of

1211

01:00:20,170 --> 01:00:18,710

hatred during it hatred meaning yeah he

1212

01:00:21,820 --> 01:00:20,180

wants the thing to come out so you can

1213

01:00:23,950 --> 01:00:21,830

fight it you know you're trying to

1214

01:00:25,690 --> 01:00:23,960

protect your family and you can't you

1215

01:00:30,790 --> 01:00:25,700

can't get your hands on this or fight

1216

01:00:32,660 --> 01:00:30,800

this thing and and at one point he was

1217

01:00:34,400 --> 01:00:32,670

he was so tired of it

1218

01:00:37,819 --> 01:00:34,410

he went to the hardware store and he got

1219

01:00:39,950 --> 01:00:37,829

wire and he he wired the furniture that

1220

01:00:42,260 --> 01:00:39,960

was left that wasn't damaged he wired

1221

01:00:44,120 --> 01:00:42,270

the stuffs at a wall and then of course

1222

01:00:45,950 --> 01:00:44,130

they took all the pictures down and

1223

01:00:47,839 --> 01:00:45,960

they're packing stuff up you know

1224

01:00:49,549 --> 01:00:47,849

because it can't have anything on the

1225

01:00:53,960 --> 01:00:49,559

walls because things are falling down

1226

01:00:56,390 --> 01:00:53,970

and but unfortunately ended up breaking

1227

01:00:58,370 --> 01:00:56,400

and ruining you know a lot of things in

1228

01:01:00,710 --> 01:00:58,380

the house even wire even put the

1229

01:01:02,690 --> 01:01:00,720

Christie put the Christmas tree in a

1230

01:01:04,940 --> 01:01:02,700

bucket and filled it with some men I

1231

01:01:06,470 --> 01:01:04,950

mean he was serious he we eat him well

1232

01:01:08,030 --> 01:01:06,480

he didn't want out the room Christmas

1233

01:01:10,460 --> 01:01:08,040

but it ended up going through the wine

1234

01:01:13,430 --> 01:01:10,470

or anyhow Boyce was fascinated by that

1235

01:01:16,609 --> 01:01:13,440

because the wire wasn't broken the tree

1236

01:01:19,430 --> 01:01:16,619

was held by the wire and then they they

1237

01:01:21,140 --> 01:01:19,440

were they were there they got up and the

1238

01:01:23,809 --> 01:01:21,150

tree was now on the other side of the

1239

01:01:27,260 --> 01:01:23,819

wire so that kind of freaked them out

1240

01:01:29,359 --> 01:01:27,270

but you know but yeah he even did that

1241

01:01:31,910 --> 01:01:29,369

but with the wire he's like you know if

1242

01:01:34,010 --> 01:01:31,920

I can't move then I'm gonna I'm gonna

1243

01:01:37,220 --> 01:01:34,020

stop this thing from having fun and then

1244

01:01:41,599 --> 01:01:37,230

they then I think he left one he left

1245

01:01:43,430 --> 01:01:41,609

like one dresser thing not not secured

1246

01:01:46,520 --> 01:01:43,440

to the wall just so he can check and see

1247

01:01:48,049 --> 01:01:46,530

if it's you know so it really was you

1248

01:01:50,059 --> 01:01:48,059

know if you look at what they did it

1249

01:01:53,180 --> 01:01:50,069

wasn't like the horror movies it was

1250

01:01:55,700 --> 01:01:53,190

very very much a real response to that

1251

01:01:57,799 --> 01:01:55,710

kind of thing all the different things

1252

01:01:59,930 --> 01:01:57,809

that were tried and you know Marcy

1253

01:02:03,530 --> 01:01:59,940

staying at family sometimes when I got

1254

01:02:04,910 --> 01:02:03,540

bad you know they would stay and and I

1255

01:02:06,650 --> 01:02:04,920

have heard from a lot of people why

1256

01:02:09,410 --> 01:02:06,660

would run out and never come back but

1257

01:02:12,289 --> 01:02:09,420

you know we find in in in real honking

1258

01:02:16,400 --> 01:02:12,299

that's not usually the case people

1259

01:02:18,799 --> 01:02:16,410

usually don't run from their house you

1260

01:02:21,440 --> 01:02:18,809

know they they tend to it's their house

1261

01:02:24,289 --> 01:02:21,450

they tend to not I mean some do and some

1262

01:02:27,940 --> 01:02:24,299

ultimate ly you know like my good friend

1263

01:02:33,980 --> 01:02:27,950

Edwin Becker probably know his story

1264

01:02:37,160 --> 01:02:33,990

true haunting give this book a plug yeah

1265

01:02:41,630 --> 01:02:37,170

ultimately you know they had to move and

1266

01:02:44,000 --> 01:02:41,640

yes that does happen but one thing

1267

01:02:46,069 --> 01:02:44,010

doesn't happen and people run out they

1268

01:02:46,520 --> 01:02:46,079

they usually stick it out and try to

1269

01:02:48,800 --> 01:02:46,530

figure

1270

01:02:51,860 --> 01:02:48,810

out trying to fight it trying to it's a

1271

01:02:54,350 --> 01:02:51,870

it's a myriad of motions versus the you

1272

01:02:55,400 --> 01:02:54,360

know the Hollywood single you know

1273

01:02:56,990 --> 01:02:55,410

scream and run

1274

01:03:01,340 --> 01:02:57,000

although Laura was pretty much the

1275

01:03:03,560 --> 01:03:01,350

Hollywood scream and yeah but but yeah

1276
01:03:06,770 --> 01:03:03,570
more like a myriad of emotions than just

1277
01:03:09,830 --> 01:03:06,780
what how it's betrayed you know you

1278
01:03:12,020 --> 01:03:09,840
mentioned earlier that Marcy was a real

1279
01:03:13,880 --> 01:03:12,030
animal lover and I saw those pictures of

1280
01:03:14,360 --> 01:03:13,890
her with the puppy and in a German

1281
01:03:17,660 --> 01:03:14,370
Shepherd

1282
01:03:23,650 --> 01:03:17,670
what was the animals reactions to what

1283
01:03:28,700 --> 01:03:26,120
yeah and they felt kind of bad because

1284
01:03:35,390 --> 01:03:28,710
they got a they got a new dog from the

1285
01:03:37,190 --> 01:03:35,400
pound in December and but they they

1286
01:03:44,840 --> 01:03:37,200
always have it they had a dog and they

1287
01:03:49,070 --> 01:03:44,850
had a cat and the dog would would be

1288
01:03:51,410 --> 01:03:49,080

found under the bed and so yeah I was

1289

01:03:52,490 --> 01:03:51,420

very very much the dog was frightened of

1290

01:04:01,600 --> 01:03:52,500

it

1291

01:04:05,210 --> 01:04:01,610

was audio phenomena and in the basement

1292

01:04:07,010 --> 01:04:05,220

father Charbonneau swears the cat said

1293

01:04:12,110 --> 01:04:07,020

jingle bells and other people heard it

1294

01:04:17,270 --> 01:04:12,120

and when Marcy was thrown across the

1295

01:04:21,980 --> 01:04:17,280

room and hit her head there was a it was

1296

01:04:26,210 --> 01:04:21,990

Bob Pantano the now now-defunct what but

1297

01:04:28,850 --> 01:04:26,220

you know a radio guy used one of him and

1298

01:04:31,880 --> 01:04:28,860

Tim Quinn were doing a story on it and

1299

01:04:33,650 --> 01:04:31,890

they were in the house and after Marcy

1300

01:04:37,330 --> 01:04:33,660

got thrown across the wall which they

1301

01:04:45,460 --> 01:04:43,460

he swore he heard the cat say help now I

1302

01:04:49,280 --> 01:04:45,470

don't think the cat talked you know

1303

01:04:51,230 --> 01:04:49,290

Jerry Jerry would say that he heard that

1304

01:04:53,840 --> 01:04:51,240

you know he heard things from the

1305

01:04:56,020 --> 01:04:53,850

basement were because they would keep

1306

01:04:58,460 --> 01:04:56,030

the cat in the basement sometimes

1307

01:04:59,750 --> 01:04:58,470

because the dog was big and if they're

1308

01:05:00,500 --> 01:04:59,760

going out you know they didn't want the

1309

01:05:02,090 --> 01:05:00,510

dog and cat

1310

01:05:04,790 --> 01:05:02,100

play together and the cat get injured

1311

01:05:07,000 --> 01:05:04,800

because the dog was you know very big so

1312

01:05:09,140 --> 01:05:07,010

they had the cat in the basement and

1313

01:05:11,420 --> 01:05:09,150

Jerry would come home and hear things

1314

01:05:14,180 --> 01:05:11,430

like let me out you dirty Frenchman and

1315

01:05:15,830 --> 01:05:14,190

you know and he of course everybody

1316

01:05:20,050 --> 01:05:15,840

would laugh at him we tell the story you

1317

01:05:22,430 --> 01:05:20,060

need say no I swear that cat is talking

1318

01:05:24,740 --> 01:05:22,440

but I you know I don't think the cat

1319

01:05:27,560 --> 01:05:24,750

talked I think it was audio phenomena

1320

01:05:33,020 --> 01:05:27,570

and I think you know like the proximity

1321

01:05:37,340 --> 01:05:33,030

effect used in ventriloquism or you know

1322

01:05:38,960 --> 01:05:37,350

for the audio experts you know if you

1323

01:05:41,840 --> 01:05:38,970

hear a sound and you look and there's a

1324

01:05:44,270 --> 01:05:41,850

cat there you say well the cat talked

1325

01:05:49,430 --> 01:05:44,280

you know you're associating with the

1326

01:05:50,930 --> 01:05:49,440

sound with with what's nearby similar

1327

01:05:54,910 --> 01:05:50,940

there were swans on the porch

1328

01:05:57,530 --> 01:05:54,920

and and the crowd actually saw the swans

1329

01:05:59,210 --> 01:05:57,540

they were these Swan planners in the

1330

01:06:01,780 --> 01:05:59,220

nineteen seventies these were big

1331

01:06:05,960 --> 01:06:01,790

they're like these big heavy ceramic

1332

01:06:08,660 --> 01:06:05,970

planners and and they were shaped like a

1333

01:06:10,790 --> 01:06:08,670

swan and there you put dirt in it with

1334

01:06:12,410 --> 01:06:10,800

some you know so there's two of those

1335

01:06:16,820 --> 01:06:12,420

one on each side of the house and those

1336

01:06:18,950 --> 01:06:16,830

were actually moving by themselves the

1337

01:06:21,109 --> 01:06:18,960

crowd not the crust people in the crowd

1338

01:06:23,090 --> 01:06:21,119

not only reporters the police officers

1339

01:06:25,700 --> 01:06:23,100

were complaining about it and actually

1340

01:06:28,010 --> 01:06:25,710

one police officer they were saying they

1341

01:06:31,310 --> 01:06:28,020

were hearing guttural sounds and they

1342

01:06:32,960 --> 01:06:31,320

said the swans are making sounds so

1343

01:06:35,060 --> 01:06:32,970

that's another example I don't think the

1344

01:06:38,510 --> 01:06:35,070

swans were making they were hearing this

1345

01:06:40,640 --> 01:06:38,520

audio phenomena because there was knocks

1346

01:06:43,760 --> 01:06:40,650

on the door there was footsteps there

1347

01:06:45,560 --> 01:06:43,770

was chimes that were going off by

1348

01:06:46,970 --> 01:06:45,570

themselves and knocks on the door and

1349

01:06:49,400 --> 01:06:46,980

you know there was that kind of

1350

01:06:53,480 --> 01:06:49,410

phenomena so I think people just

1351

01:06:56,930 --> 01:06:53,490

naturally associate with what's nearby

1352

01:06:59,990 --> 01:06:56,940

and you know so I think that's how the

1353

01:07:03,470 --> 01:07:00,000

cat got dragged into it but Paul Paul

1354

01:07:06,710 --> 01:07:03,480

always fancies telling this telling the

1355

01:07:08,599 --> 01:07:06,720

the story as does everybody else that

1356

01:07:10,520 --> 01:07:08,609

saw it the newspaper people putting a

1357

01:07:12,380 --> 01:07:10,530

microphone to the cat saying I hear you

1358

01:07:13,930 --> 01:07:12,390

can talk could you say something you

1359

01:07:18,010 --> 01:07:13,940

know

1360

01:07:20,380 --> 01:07:18,020

so yeah a lot of a lot of really crazy

1361

01:07:23,230 --> 01:07:20,390

ingredients in the Deana sure even a

1362

01:07:27,730 --> 01:07:23,240

talking cat right so there was recorded

1363

01:07:33,340 --> 01:07:27,740

audio had anyone tried to attempted any

1364

01:07:38,340 --> 01:07:33,350

type of filming or say you know taking

1365

01:07:47,440 --> 01:07:45,150

there's I had heard that and and this is

1366

01:07:49,450 --> 01:07:47,450

during during interviewing different

1367

01:07:53,980 --> 01:07:49,460

people and talking to boys and stuff

1368

01:07:56,470 --> 01:07:53,990

I think the Warrens wanted to film and I

1369

01:08:00,120 --> 01:07:56,480

think they even had some equipment in

1370

01:08:05,100 --> 01:08:00,130

there at one time and the story is that

1371

01:08:08,280 --> 01:08:05,110

Lord got mad and you know told them to

1372

01:08:11,140 --> 01:08:08,290

take it out hmm

1373

01:08:16,390 --> 01:08:11,150

so I think they would have wanted to

1374

01:08:19,329 --> 01:08:16,400

there also was I think it was a producer

1375

01:08:21,490 --> 01:08:19,339

or somebody the Warrens worked with that

1376

01:08:24,789 --> 01:08:21,500

was in the house for a short period of

1377

01:08:28,440 --> 01:08:24,799

time so I think there was a plan to do

1378

01:08:31,690 --> 01:08:28,450

something like that but the good and

1379

01:08:36,010 --> 01:08:31,700

squash on it because they didn't want

1380

01:08:38,440 --> 01:08:36,020

publicity or anything like that they

1381

01:08:41,050 --> 01:08:38,450

just wanted to get rid of it they want

1382

01:08:45,070 --> 01:08:41,060

to be left alone you know they didn't

1383

01:08:47,200 --> 01:08:45,080

want the crowd and everything but and

1384

01:08:50,710 --> 01:08:47,210

you know they had a falling out with the

1385

01:08:56,440 --> 01:08:50,720

Warrens because Edie and used their

1386

01:08:59,950 --> 01:08:56,450

phone to make toll calls to New York to

1387

01:09:02,650 --> 01:08:59,960

get reporters there to spread the story

1388

01:09:04,180 --> 01:09:02,660

and which is exactly that they didn't

1389

01:09:07,059 --> 01:09:04,190

want it spread they want to be left

1390

01:09:10,240 --> 01:09:07,069

alone but now it probably would have

1391

01:09:13,570 --> 01:09:10,250

spread anyhow but you know Edie saw it

1392

01:09:15,340 --> 01:09:13,580

as a you know something people needed to

1393

01:09:18,750 --> 01:09:15,350

see and know and of course I'm sure it

1394

01:09:23,039 --> 01:09:18,760

didn't hurt their career either so right

1395

01:09:25,660 --> 01:09:23,049

but yeah that that really ticked off

1396

01:09:27,309 --> 01:09:25,670

then because they're trying to you know

1397

01:09:29,289 --> 01:09:27,319

they're trying to live

1398

01:09:31,870 --> 01:09:29,299

peace and get rid of the people and and

1399

01:09:33,999 --> 01:09:31,880

he's he's inviting people to come down

1400

01:09:38,530 --> 01:09:34,009

and that's how it got him the AP wire is

1401

01:09:41,379 --> 01:09:38,540

he called up and they came and once once

1402

01:09:43,720 --> 01:09:41,389

they took the photos then the story

1403

01:09:46,749 --> 01:09:43,730

spread around all the states and and

1404

01:09:48,669 --> 01:09:46,759

even outside now at one point there were

1405

01:09:52,839 --> 01:09:48,679

like a couple thousand people that

1406

01:09:55,240 --> 01:09:52,849

descended on the area did they actually

1407

01:09:57,370 --> 01:09:55,250

let certain people come into the house

1408

01:10:04,240 --> 01:09:57,380

or did they just want them to all go

1409

01:10:06,640 --> 01:10:04,250

away the people that they let into the

1410

01:10:09,729 --> 01:10:06,650

house well they let the warrants in

1411

01:10:12,310 --> 01:10:09,739

because their neighbors said had seen

1412

01:10:15,459 --> 01:10:12,320

that the Warrens lecture and said that

1413

01:10:16,330 --> 01:10:15,469

maybe they can help and so they figured

1414

01:10:18,729 --> 01:10:16,340

well why not

1415

01:10:20,410 --> 01:10:18,739

you know nobody else has an answer the

1416

01:10:22,930 --> 01:10:20,420

police were there the fire department

1417

01:10:25,660 --> 01:10:22,940

priests you know they figured why not so

1418

01:10:28,000 --> 01:10:25,670

that's how they let the Warrens in you

1419

01:10:32,140 --> 01:10:28,010

know with paul you know and father

1420

01:10:36,970 --> 01:10:32,150

Charbonneau w NAB they listened to that

1421

01:10:41,800 --> 01:10:36,980

station so they liked Jim Quinn and Bob

1422

01:10:44,819 --> 01:10:41,810

pantyhose so they let them come in the

1423

01:10:48,790 --> 01:10:44,829

there one of the one of the guys from

1424

01:10:53,169 --> 01:10:48,800

the Bridgeport post John Sopko who I

1425

01:10:55,629 --> 01:10:53,179

talked to he presents himself very

1426

01:11:00,280 --> 01:10:55,639

nice from what you know the family

1427

01:11:04,800 --> 01:11:00,290

said so they let him in they made it a

1428

01:11:09,370 --> 01:11:07,330

there big thing is they wanted people to

1429

01:11:14,050 --> 01:11:09,380

know that this is not made-up that

1430

01:11:18,550 --> 01:11:14,060

they're not crazy so yes they did do a

1431

01:11:20,620 --> 01:11:18,560

little bit of that but the people on the

1432

01:11:21,790 --> 01:11:20,630

street and whatnot no they didn't they

1433

01:11:23,530 --> 01:11:21,800

didn't let them and there were there

1434

01:11:26,919 --> 01:11:23,540

were neighbors that were coming over

1435

01:11:28,689 --> 01:11:26,929

with pies and things like that because

1436

01:11:32,260 --> 01:11:28,699

you know they're trying to get opinion

1437

01:11:35,379 --> 01:11:32,270

in the house and yeah you know and and

1438

01:11:40,780 --> 01:11:35,389

and of course they let family and

1439

01:11:41,680 --> 01:11:40,790

friends in and you know like like one of

1440

01:11:44,740 --> 01:11:41,690

them

1441

01:11:47,530 --> 01:11:44,750

said an interview the whole again

1442

01:11:49,900 --> 01:11:47,540

holdsworth different homes work you know

1443

01:11:51,370 --> 01:11:49,910

lady said what do you mean am I scared

1444

01:11:53,229 --> 01:11:51,380

to go in there I've known these people

1445

01:11:57,280 --> 01:11:53,239

for years I've been their house a

1446

01:11:59,530 --> 01:11:57,290

million times unless you know so you

1447

01:12:04,690 --> 01:11:59,540

know they did let of course family and

1448

01:12:08,440 --> 01:12:04,700

friends that stopped by but you know

1449

01:12:10,510 --> 01:12:08,450

during that real turbulent time the

1450

01:12:12,459 --> 01:12:10,520

other warrants were there for a good

1451

01:12:15,010 --> 01:12:12,469

part of it I think they did offer that

1452

01:12:16,990 --> 01:12:15,020

you know some good comfort and company

1453

01:12:19,930 --> 01:12:17,000

and and I know Paul did it did a great

1454

01:12:21,910 --> 01:12:19,940

job and and father Charbonneau you know

1455

01:12:23,470 --> 01:12:21,920

wonderful I don't know him but I feel

1456

01:12:26,770 --> 01:12:23,480

like I know because I've listened to all

1457

01:12:28,510 --> 01:12:26,780

his interviews and he just seems like a

1458

01:12:33,340 --> 01:12:28,520

great guy and the way everybody

1459

01:12:36,190 --> 01:12:33,350

described him so yeah so so I mean they

1460

01:12:39,280 --> 01:12:36,200

were there and other than that there

1461

01:12:43,630 --> 01:12:39,290

were again you know there was there was

1462

01:12:47,650 --> 01:12:43,640

police that would stay inside you know

1463

01:12:49,450 --> 01:12:47,660

with them and you know one time Laura

1464

01:12:50,830 --> 01:12:49,460

said you think we should stay there and

1465

01:12:52,180 --> 01:12:50,840

though officers say well you probably

1466

01:12:55,120 --> 01:12:52,190

should go somewhere else and they all

1467

01:12:59,020 --> 01:12:55,130

left you know but that's kind of how

1468

01:13:01,479 --> 01:12:59,030

they managed it there were on lookers

1469

01:13:06,640 --> 01:13:01,489

that of course constantly tried to get

1470

01:13:08,200 --> 01:13:06,650

by the the police after was the declared

1471

01:13:12,490 --> 01:13:08,210

a hoax and they were supposed to take

1472

01:13:14,110 --> 01:13:12,500

Marcy to psychiatrist I mean people were

1473

01:13:17,470 --> 01:13:14,120

running after him and they even ripped

1474

01:13:19,330 --> 01:13:17,480

the pocket off of Marcy's coat you know

1475

01:13:25,510 --> 01:13:19,340

as a souvenir and they were coming up

1476

01:13:27,580 --> 01:13:25,520

and taking taking pieces off to Swan and

1477

01:13:29,680 --> 01:13:27,590

the you know the decorative ceramic

1478

01:13:33,490 --> 01:13:29,690

swans they're taking chips of pain off

1479

01:13:38,880 --> 01:13:33,500

it and they were taking pieces off

1480

01:13:41,080 --> 01:13:38,890

little pieces off the branches on the

1481

01:13:43,840 --> 01:13:41,090

what do you call it a little tree in

1482

01:13:46,479 --> 01:13:43,850

front of the house I mean was crazy I

1483

01:13:51,190 --> 01:13:46,489

know I guess there's just more normal

1484

01:13:54,070 --> 01:13:51,200

people stuff but yeah very very strange

1485

01:13:55,060 --> 01:13:54,080

and then other people were just very

1486

01:13:57,160 --> 01:13:55,070

nice and respect

1487

01:14:00,310 --> 01:13:57,170

full and just doing a vigil out there or

1488

01:14:02,260 --> 01:14:00,320

you know are just curious mm-hmm

1489

01:14:04,600 --> 01:14:02,270

now you mentioned the father the

1490

01:14:08,520 --> 01:14:04,610

minister you just said his name I don't

1491

01:14:11,500 --> 01:14:08,530

remember it but had anyone thought to

1492

01:14:13,390 --> 01:14:11,510

contact a priest and actually I mean did

1493

01:14:20,350 --> 01:14:13,400

they think of an exorcism was that

1494

01:14:24,729 --> 01:14:20,360

anything that came up yeah I mean that

1495

01:14:26,350 --> 01:14:24,739

was floated around and yeah the church

1496

01:14:28,240 --> 01:14:26,360

didn't want to touch it at all

1497

01:14:32,919 --> 01:14:28,250

my I don't think it would have helped

1498

01:14:35,050 --> 01:14:32,929

anyhow but because usually that at least

1499

01:14:39,339 --> 01:14:35,060

my belief anyhow is that none of these

1500

01:14:42,459 --> 01:14:39,349

entities respond to any religions no

1501
01:14:44,050 --> 01:14:42,469
matter no matter what I mean yeah we'll

1502
01:14:47,859 --> 01:14:44,060
make the cross fall over because they

1503
01:14:50,350 --> 01:14:47,869
know that seems to get your goat your

1504
01:14:53,760 --> 01:14:50,360
rile you up I don't think they respond

1505
01:14:58,240 --> 01:14:53,770
or subscribe to any any religion I think

1506
01:15:01,540 --> 01:14:58,250
when those kinds of things when religion

1507
01:15:04,060 --> 01:15:01,550
does work is it convinces the person so

1508
01:15:07,390 --> 01:15:04,070
if again if you break that frequency and

1509
01:15:09,310 --> 01:15:07,400
that person now has temporary peace you

1510
01:15:12,399 --> 01:15:09,320
know the activity could calm down and

1511
01:15:16,330 --> 01:15:12,409
then it starts up again why because it's

1512
01:15:17,560 --> 01:15:16,340
a it's it's not the real answer you

1513
01:15:19,720 --> 01:15:17,570

haven't gotten to the root of the

1514

01:15:22,899 --> 01:15:19,730

problem the root of the problem is Marcy

1515

01:15:25,600 --> 01:15:22,909

you know the way she's thinking and and

1516

01:15:29,140 --> 01:15:25,610

to get rid of that that frequency has to

1517

01:15:31,720 --> 01:15:29,150

be broken you know within her which

1518

01:15:35,379 --> 01:15:31,730

which happened once she settled into the

1519

01:15:37,750 --> 01:15:35,389

nice school and and now she was I guess

1520

01:15:39,160 --> 01:15:37,760

giving off positive energy or regular

1521

01:15:42,970 --> 01:15:39,170

energy whatever you want to call it

1522

01:15:46,180 --> 01:15:42,980

everybody has different terms but so I'm

1523

01:15:49,209 --> 01:15:46,190

not a subscriber to any of that matter

1524

01:15:53,319 --> 01:15:49,219

of fact my good friend chain Sarah way

1525

01:15:55,839 --> 01:15:53,329

and Paul you know in any any

1526

01:15:58,359 --> 01:15:55,849

investigations of parasites or entities

1527

01:16:03,129 --> 01:15:58,369

I mean Shane has never used religion

1528

01:16:06,549 --> 01:16:03,139

never needed it and that's because I

1529

01:16:08,709 --> 01:16:06,559

think it ultimately again it convinces

1530

01:16:10,270 --> 01:16:08,719

the people

1531

01:16:13,479 --> 01:16:10,280

so it can get rid of something

1532

01:16:15,610 --> 01:16:13,489

temporarily but I equate it to like an

1533

01:16:17,740 --> 01:16:15,620

allergy pill get rid of the symptoms but

1534

01:16:18,939 --> 01:16:17,750

it's not really getting rid of the it's

1535

01:16:23,560 --> 01:16:18,949

not getting rid of the root the root

1536

01:16:26,590 --> 01:16:23,570

cause of it but yes they did try and the

1537

01:16:28,479 --> 01:16:26,600

Bishop basically said no way and you

1538

01:16:30,160 --> 01:16:28,489

know they weren't going to touch it with

1539

01:16:32,320 --> 01:16:30,170

a ten-foot pole not that I can blame

1540

01:16:35,470 --> 01:16:32,330

them yeah you know you don't want to get

1541

01:16:37,390 --> 01:16:35,480

involved in something that public you

1542

01:16:41,459 --> 01:16:37,400

know fathers Charbonneau bless the house

1543

01:16:44,709 --> 01:16:41,469

and you know but but again I think I

1544

01:16:49,209 --> 01:16:44,719

think really that these things don't

1545

01:16:52,140 --> 01:16:49,219

subscribe to to any of our our religion

1546

01:16:55,810 --> 01:16:52,150

yeah yeah I had a the situation happened

1547

01:16:57,520 --> 01:16:55,820

several years ago so I'd like to tell

1548

01:17:02,110 --> 01:16:57,530

you about it just get your feedback on

1549

01:17:06,010 --> 01:17:02,120

it I did tell this to Paul on the show

1550

01:17:07,959 --> 01:17:06,020

back in January so years ago I've been

1551

01:17:10,930 --> 01:17:07,969

in the fine arts and antiques business

1552

01:17:12,610 --> 01:17:10,940

and also in the auction business years

1553

01:17:15,700 --> 01:17:12,620

ago I cleaned out a place for an auction

1554

01:17:18,189 --> 01:17:15,710

and there was nothing really left but

1555

01:17:20,290 --> 01:17:18,199

junk and the lawyer asked me if I could

1556

01:17:22,540 --> 01:17:20,300

you know clean out all the debris and

1557

01:17:25,180 --> 01:17:22,550

sweep it down get it ready for the house

1558

01:17:27,820 --> 01:17:25,190

to be sold so I said sure not sure it

1559

01:17:30,280 --> 01:17:27,830

was a slow time of year so it was

1560

01:17:32,020 --> 01:17:30,290

wintertime so all the windows were down

1561

01:17:34,030 --> 01:17:32,030

and in New England they have storm

1562

01:17:37,689 --> 01:17:34,040

windows and they were all down I was

1563

01:17:41,050 --> 01:17:37,699

upstairs in the bedroom and I had just

1564

01:17:43,000 --> 01:17:41,060

taken all the the coat hangers and put

1565

01:17:45,340 --> 01:17:43,010

them in a garbage bag out of the closet

1566

01:17:47,620 --> 01:17:45,350

now I had to pull the door across the

1567

01:17:50,080 --> 01:17:47,630

carpet they installed the carpet without

1568

01:17:52,090 --> 01:17:50,090

cutting the door so I had to really pull

1569

01:17:55,810 --> 01:17:52,100

hard on the door to open it when I

1570

01:17:57,459 --> 01:17:55,820

walked out with a bag full of hangers to

1571

01:18:01,030 --> 01:17:57,469

drop in the hallway all of a sudden the

1572

01:18:04,360 --> 01:18:01,040

closet door slammed and I went back in

1573

01:18:06,280 --> 01:18:04,370

and I took the door and I pulled it back

1574

01:18:08,680 --> 01:18:06,290

and forth and I go oh my good cut you

1575

01:18:13,229 --> 01:18:08,690

know what is going on here then the

1576

01:18:16,090 --> 01:18:13,239

broom fell down the stairs and the and

1577

01:18:17,860 --> 01:18:16,100

two seconds later the door front door

1578

01:18:19,840 --> 01:18:17,870

slammed there was no win that day that I

1579

01:18:23,140 --> 01:18:19,850

was aware of I went down the stairs and

1580

01:18:27,580 --> 01:18:23,150

the broom was leaning against the door

1581

01:18:29,470 --> 01:18:27,590

and there was a basket that I I was all

1582

01:18:30,700 --> 01:18:29,480

done I told of someone that was helping

1583

01:18:33,700 --> 01:18:30,710

me out what was going on and he was

1584

01:18:34,930 --> 01:18:33,710

laughing at me and picking on me so I

1585

01:18:37,330 --> 01:18:34,940

was in the garage

1586

01:18:40,870 --> 01:18:37,340

there was only one item left I was

1587

01:18:42,580 --> 01:18:40,880

tossing it in in a trailer he was a

1588

01:18:45,010 --> 01:18:42,590

basket and when when I went to go pick

1589

01:18:46,780 --> 01:18:45,020

it up it was stuck on the floor and I

1590

01:18:49,000 --> 01:18:46,790

pulled so hard it separated in the

1591

01:18:52,150 --> 01:18:49,010

bottom part of it was still on the floor

1592

01:18:54,459 --> 01:18:52,160

and I tossed the basket into the trailer

1593

01:18:56,170 --> 01:18:54,469

and all of a sudden I just thought you

1594

01:18:57,520 --> 01:18:56,180

know that I bet the bottom isn't even

1595

01:18:59,950 --> 01:18:57,530

stuck to anything and I tapped it with

1596

01:19:02,860 --> 01:18:59,960

my foot and it was moving free it was

1597

01:19:06,370 --> 01:19:02,870

just weird weird stuff Wow but it

1598

01:19:08,050 --> 01:19:06,380

happened first hand to me and I've

1599

01:19:09,790 --> 01:19:08,060

always wanted to stop at that house to

1600

01:19:14,800 --> 01:19:09,800

find out if things are still going on

1601
01:19:17,439 --> 01:19:14,810
there but but I saw this happen you know

1602
01:19:21,760 --> 01:19:17,449
I mean it happened I saw it and no one

1603
01:19:24,910 --> 01:19:21,770
can change that right and you know my

1604
01:19:27,610 --> 01:19:24,920
second book haunted house Diaries is on

1605
01:19:32,500 --> 01:19:27,620
an active case that Paul was working on

1606
01:19:37,420 --> 01:19:32,510
and graciously invited me in and yeah

1607
01:19:43,209 --> 01:19:37,430
and I mean I yeah we we got audio we we

1608
01:19:47,290 --> 01:19:43,219
saw stuff you know so I felt I had the

1609
01:19:49,540 --> 01:19:47,300
the best one two cases you can possibly

1610
01:19:50,979 --> 01:19:49,550
have you know what if you don't believe

1611
01:19:53,020 --> 01:19:50,989
what you see don't worry about it you

1612
01:19:55,689 --> 01:19:53,030
got Lindley Street has tons of witnesses

1613
01:19:57,970 --> 01:19:55,699

everything you know and and guess what

1614

01:20:01,150 --> 01:19:57,980

now you can feel and experience it

1615

01:20:05,650 --> 01:20:01,160

yourself and so you know it's it's real

1616

01:20:07,630 --> 01:20:05,660

and and I knew it was what when Lee

1617

01:20:11,380 --> 01:20:07,640

Street but still it's not like I was

1618

01:20:13,180 --> 01:20:11,390

living in a haunted house you know and

1619

01:20:17,740 --> 01:20:13,190

I'm happy to say I with him I wasn't

1620

01:20:20,170 --> 01:20:17,750

afraid but I but I think I I think

1621

01:20:22,270 --> 01:20:20,180

that's only because not because I was

1622

01:20:25,150 --> 01:20:22,280

brave I think that was only because I

1623

01:20:30,760 --> 01:20:25,160

was working with Shane and I was working

1624

01:20:33,729 --> 01:20:30,770

with Paul and Mark Dantonio to asked her

1625

01:20:36,040 --> 01:20:33,739

physicist friend he was the one to

1626

01:20:38,830 --> 01:20:36,050

validate all the photographs and

1627

01:20:42,160 --> 01:20:38,840

tell me some of the cool photographs I

1628

01:20:44,229 --> 01:20:42,170

had was or that the family took were you

1629

01:20:46,060 --> 01:20:44,239

know were optical illusions and lights

1630

01:20:47,410 --> 01:20:46,070

and stuff like that but you know that's

1631

01:20:53,049 --> 01:20:47,420

what he was there for even though he's a

1632

01:20:56,140 --> 01:20:53,059

buzzkill but but but yeah in

1633

01:20:59,069 --> 01:20:56,150

experiencing that yeah I wasn't afraid

1634

01:21:03,339 --> 01:20:59,079

but like I said I think that was because

1635

01:21:06,879 --> 01:21:03,349

it was put in perspective too but you

1636

01:21:08,649 --> 01:21:06,889

know for me that that these things yes

1637

01:21:10,479 --> 01:21:08,659

certainly you know you can get hurt if

1638

01:21:11,890 --> 01:21:10,489

something flies notch in the head or you

1639

01:21:14,530 --> 01:21:11,900

trip down the stairs because of

1640

01:21:19,030 --> 01:21:14,540

something yes but I mean by and large

1641

01:21:23,049 --> 01:21:19,040

this kind of stuff if you remain in

1642

01:21:26,530 --> 01:21:23,059

control you could you know you could be

1643

01:21:29,290 --> 01:21:26,540

the one in charge and so I was kind of

1644

01:21:31,209 --> 01:21:29,300

thinking of it that way and I know some

1645

01:21:32,859 --> 01:21:31,219

people will disagree and say well you

1646

01:21:34,899 --> 01:21:32,869

know we tried then we're certainly

1647

01:21:38,709 --> 01:21:34,909

there's all kinds of situations but I

1648

01:21:41,020 --> 01:21:38,719

mean I think going in with that with all

1649

01:21:42,819 --> 01:21:41,030

the research I had done and all the

1650

01:21:44,080 --> 01:21:42,829

knowledge from these these guys have

1651

01:21:46,720 --> 01:21:44,090

been doing you know good stuff

1652

01:21:48,939 --> 01:21:46,730

throughout the years I had a different

1653

01:21:50,770 --> 01:21:48,949

perspective on it if it was just in my

1654

01:21:52,419 --> 01:21:50,780

house and nobody talked to me about

1655

01:21:54,189 --> 01:21:52,429

anything and all this stuff started

1656

01:21:56,950 --> 01:21:54,199

happening I mean who knows they probably

1657

01:21:59,910 --> 01:21:56,960

just run out of the house whereas now I

1658

01:22:03,399 --> 01:21:59,920

don't know if I would I think I say oh

1659

01:22:06,640 --> 01:22:03,409

yeah but that's you know that's the

1660

01:22:09,819 --> 01:22:06,650

difference - I was wanting to you know

1661

01:22:12,160 --> 01:22:09,829

to be to be part of it and experience in

1662

01:22:14,109 --> 01:22:12,170

it so it was it was a bit different

1663

01:22:15,189 --> 01:22:14,119

it wasn't like going in there hoping it

1664

01:22:16,899 --> 01:22:15,199

nothing happened

1665

01:22:19,799 --> 01:22:16,909

you know which is what it would be if I

1666

01:22:24,600 --> 01:22:19,809

was in some dark place alone you know

1667

01:22:27,160 --> 01:22:24,610

yeah yeah go ahead

1668

01:22:28,629 --> 01:22:27,170

now you're saying people say well you

1669

01:22:30,370 --> 01:22:28,639

know if your place is haunted you know

1670

01:22:32,560 --> 01:22:30,380

would you be scared and I'm like well

1671

01:22:35,049 --> 01:22:32,570

you know I can't answer that you know I

1672

01:22:36,729 --> 01:22:35,059

mean who knows and it's my house it's a

1673

01:22:40,600 --> 01:22:36,739

little bit different I mean I couldn't

1674

01:22:42,280 --> 01:22:40,610

tell you I I might be fine and be able

1675

01:22:45,629 --> 01:22:42,290

to handle it based on everything I know

1676
01:22:47,560 --> 01:22:45,639
and you know or I may run out spring

1677
01:22:49,869 --> 01:22:47,570
getting back to what you were saying

1678
01:22:54,099 --> 01:22:49,879
earlier about Marcy having

1679
01:22:56,739 --> 01:22:54,109
frontal-lobe all issues and epilepsy

1680
01:22:58,689 --> 01:22:56,749
I believe that's what you said did you

1681
01:23:01,179 --> 01:22:58,699
yeah do you happen to know her blood

1682
01:23:06,759 --> 01:23:01,189
type because there's there's a lot of

1683
01:23:09,909 --> 01:23:06,769
links between is an Rh negative yeah Rh

1684
01:23:11,500 --> 01:23:09,919
negative blood and you know people

1685
01:23:14,109 --> 01:23:11,510
claiming to have these weird things

1686
01:23:16,270 --> 01:23:14,119
happening to them I know that sounds off

1687
01:23:23,139 --> 01:23:16,280
the wall but did you happen to know her

1688
01:23:25,830 --> 01:23:23,149

blood type no you know originally the

1689

01:23:28,779 --> 01:23:25,840

the coroner was going to try to get me

1690

01:23:32,109 --> 01:23:28,789

you know some of the medical papers but

1691

01:23:34,029 --> 01:23:32,119

you know he couldn't which is

1692

01:23:36,429 --> 01:23:34,039

understandable I'm sure it's you know

1693

01:23:39,699 --> 01:23:36,439

not a good thing for him to be released

1694

01:23:41,770 --> 01:23:39,709

and that's not but yeah that I don't

1695

01:23:43,899 --> 01:23:41,780

know well I was asking for someone up on

1696

01:23:48,149 --> 01:23:43,909

the you know someone in the chat room do

1697

01:23:51,270 --> 01:23:48,159

you think would you consider this the

1698

01:23:56,049 --> 01:23:51,280

well I know it's not real evidence but

1699

01:24:02,109 --> 01:23:56,059

one of the more evidential cases of any

1700

01:24:09,969 --> 01:24:02,119

type of poltergeist out there oh yes

1701

01:24:15,639 --> 01:24:09,979

definitely I would describe the Roswell

1702

01:24:18,060 --> 01:24:15,649

haunted houses and you know I mean

1703

01:24:23,409 --> 01:24:18,070

really I mean I mean when it comes to

1704

01:24:26,109 --> 01:24:23,419

evidence I I don't think I mean yes it's

1705

01:24:29,409 --> 01:24:26,119

not enough for it to to not be

1706

01:24:31,479 --> 01:24:29,419

pseudoscience I mean you and I believe

1707

01:24:33,790 --> 01:24:31,489

it no it's real lover listeners know

1708

01:24:36,279 --> 01:24:33,800

it's real but as far as isn't enough

1709

01:24:39,040 --> 01:24:36,289

evidence you know from somebody on the

1710

01:24:41,439 --> 01:24:39,050

outside well somebody who's not going to

1711

01:24:47,859 --> 01:24:41,449

believe it I mean I understand that but

1712

01:24:51,399 --> 01:24:47,869

if you're looking for a case that comes

1713

01:24:54,159 --> 01:24:51,409

the closest I would say this this would

1714

01:24:56,979 --> 01:24:54,169

be it certainly there are there are

1715

01:24:59,439 --> 01:24:56,989

plenty of crazy cases but this as far as

1716

01:25:01,060 --> 01:24:59,449

documentation you know you can't you

1717

01:25:03,729 --> 01:25:01,070

can't yeah hang on just a second we have

1718

01:25:07,570 --> 01:25:03,739

a caller I think he's calling from

1719

01:25:11,440 --> 01:25:07,580

Oh from Europe caller your name and

1720

01:25:12,430 --> 01:25:11,450

where are you calling from please eyes

1721

01:25:17,410 --> 01:25:12,440

not Matthew Willis

1722

01:25:20,580 --> 01:25:17,420

yes were you calling from ha I'm calling

1723

01:25:29,170 --> 01:25:23,830

hey Jonathan so you have a you have a

1724

01:25:31,900 --> 01:25:29,180

question for our guest yeah it's

1725

01:25:35,500 --> 01:25:31,910

actually the first time I've managed to

1726

01:25:39,790 --> 01:25:35,510

watch your show live and I've watched

1727

01:25:43,090 --> 01:25:39,800

your show quite a few times going to bed

1728

01:25:46,930 --> 01:25:43,100

early so it's fantastic

1729

01:25:54,700 --> 01:25:46,940

but yeah I mean tonight's show is

1730

01:26:00,240 --> 01:25:54,710

regarding paranormal experiences I I was

1731

01:26:04,300 --> 01:26:00,250

around around five or six years old and

1732

01:26:08,170 --> 01:26:04,310

I actually had an experience for a few

1733

01:26:13,240 --> 01:26:08,180

years continuously every night basically

1734

01:26:18,100 --> 01:26:13,250

my my nightmares or dreams whatever you

1735

01:26:20,890 --> 01:26:18,110

want to call them were continuous they

1736

01:26:22,390 --> 01:26:20,900

were absolutely exactly the same I don't

1737

01:26:25,810 --> 01:26:22,400

know what you call them that they they

1738

01:26:30,970 --> 01:26:25,820

were exactly the same every night and I

1739

01:26:33,790 --> 01:26:30,980

would go out of my bed go downstairs the

1740

01:26:37,060 --> 01:26:33,800

light switch wouldn't work and I would

1741

01:26:40,150 --> 01:26:37,070

run back upstairs but before I got the

1742

01:26:42,940 --> 01:26:40,160

chance to run back upstairs there would

1743

01:26:48,790 --> 01:26:42,950

be a face at the top of those stairs and

1744

01:26:55,240 --> 01:26:48,800

it would look at me and it would pull me

1745

01:26:58,540 --> 01:26:55,250

up and at that point I would get freaked

1746

01:27:00,940 --> 01:26:58,550

out wake up but yeah every single night

1747

01:27:07,060 --> 01:27:00,950

and that was for around two years three

1748

01:27:10,479 --> 01:27:07,070

years in fact it was closely towards the

1749

01:27:13,990 --> 01:27:10,489

point that I actually left where we were

1750

01:27:16,450 --> 01:27:14,000

living when I was a child the only point

1751
01:27:17,549 --> 01:27:16,460
of those nightmares actually stopped was

1752
01:27:20,939 --> 01:27:17,559
when I actually come

1753
01:27:22,500 --> 01:27:20,949
from turd what was at the top at that

1754
01:27:26,579 --> 01:27:22,510
face that was at the top of those stairs

1755
01:27:29,059 --> 01:27:26,589
and I actually went wow okay I've had

1756
01:27:32,939 --> 01:27:29,069
enough of this

1757
01:27:37,559 --> 01:27:32,949
and I basically went stop No

1758
01:27:40,109 --> 01:27:37,569
and the and and right after those and

1759
01:27:42,809 --> 01:27:40,119
right after I said that those nightmares

1760
01:27:46,429 --> 01:27:42,819
stopped from then but at that point as

1761
01:27:50,579 --> 01:27:46,439
well what I want to add to that was that

1762
01:27:55,439 --> 01:27:50,589
while those nightmares were going on the

1763
01:27:58,979 --> 01:27:55,449

alarm clocks I had I would wake up

1764

01:28:01,229 --> 01:27:58,989

around two minutes one minute before

1765

01:28:04,349 --> 01:28:01,239

that alarm clock went off every single

1766

01:28:06,929 --> 01:28:04,359

day for those two or three years that

1767

01:28:09,389 --> 01:28:06,939

that was going on so I just wanted to

1768

01:28:12,929 --> 01:28:09,399

add that that whole story in the whole

1769

01:28:15,329 --> 01:28:12,939

analogy whole sort of episode and

1770

01:28:17,339 --> 01:28:15,339

everything that was surrounding it just

1771

01:28:19,139 --> 01:28:17,349

sort you just so you got a whole picture

1772

01:28:20,790 --> 01:28:19,149

of what was going on yeah

1773

01:28:24,770 --> 01:28:20,800

did you also have a question for the

1774

01:28:35,459 --> 01:28:28,369

to be perfectly honest it was actually

1775

01:28:38,309 --> 01:28:35,469

that but I suppose yes you're right I

1776

01:28:41,489 --> 01:28:38,319

wouldn't really suppose it was a

1777

01:28:44,009 --> 01:28:41,499

question okay more of a question for

1778

01:28:51,439 --> 01:28:44,019

both of you because in fact actually

1779

01:28:53,609 --> 01:28:51,449

more to you actually because you've

1780

01:28:57,199 --> 01:28:53,619

questioned and interviewed actually

1781

01:29:03,959 --> 01:28:57,209

quite a lot more people in in more of a

1782

01:29:07,469 --> 01:29:03,969

surrounding area I I'm actually a bit of

1783

01:29:12,809 --> 01:29:07,479

a UFO fanatics since I actually saw I've

1784

01:29:16,529 --> 01:29:12,819

actually seen a couple of UFOs in in my

1785

01:29:20,839 --> 01:29:16,539

previous history over the past 20 years

1786

01:29:25,409 --> 01:29:20,849

I mean I'm 33 years old now and I've

1787

01:29:27,010 --> 01:29:25,419

seen those I was quite a long time they

1788

01:29:30,730 --> 01:29:27,020

really

1789

01:29:41,550 --> 01:29:30,740

it makes me question quite a lot because

1790

01:29:48,400 --> 01:29:41,560

there is a bit of a conflict because

1791

01:29:53,470 --> 01:29:48,410

with the the issue of I suppose a

1792

01:29:56,800 --> 01:29:53,480

ghostly presence and then UFOs in terms

1793

01:29:59,800 --> 01:29:56,810

of a scientific presence it's a bit of

1794

01:30:01,750 --> 01:29:59,810

a conflict there and it's it's really

1795

01:30:07,410 --> 01:30:01,760

troubled me over the past few years

1796

01:30:10,480 --> 01:30:07,420

because I'm like well the biggest

1797

01:30:13,270 --> 01:30:10,490

scientifically and and and ghostly godly

1798

01:30:16,570 --> 01:30:13,280

in a way has been quite a bit of a

1799

01:30:19,540 --> 01:30:16,580

conflict so I'm like what do what do I

1800

01:30:23,950 --> 01:30:19,550

understand where do I go what do I you

1801

01:30:26,200 --> 01:30:23,960

know what is life what death it really

1802

01:30:30,040 --> 01:30:26,210

makes me sort of question everything

1803

01:30:32,740 --> 01:30:30,050

really because I really don't know what

1804

01:30:33,910 --> 01:30:32,750

to understand where to go and how do you

1805

01:30:38,770 --> 01:30:33,920

understand yeah I do

1806

01:30:41,860 --> 01:30:38,780

so what bill why don't you address the

1807

01:30:44,110 --> 01:30:41,870

you know the overall question you know

1808

01:30:47,200 --> 01:30:44,120

it sounds you know where do you go where

1809

01:30:49,000 --> 01:30:47,210

do we go to get answers you know we we

1810

01:30:52,450 --> 01:30:49,010

can talk to intelligent people that may

1811

01:30:54,220 --> 01:30:52,460

have had you know experiences but it

1812

01:30:58,450 --> 01:30:54,230

sounds like Jonathan's a little bit

1813

01:31:00,030 --> 01:30:58,460

tormented and where does one get relief

1814

01:31:02,800 --> 01:31:00,040

I think about what he said earlier about

1815

01:31:05,710 --> 01:31:02,810

stopping these dreams from happening and

1816

01:31:10,710 --> 01:31:05,720

I wondered if Marcy had any power to

1817

01:31:17,350 --> 01:31:14,440

as soon as we left the house that as

1818

01:31:20,290 --> 01:31:17,360

soon as I had those as soon as I said

1819

01:31:22,600 --> 01:31:20,300

stop having us I does those nightmares

1820

01:31:23,740 --> 01:31:22,610

yeah okay Jonah when I was around I

1821

01:31:25,480 --> 01:31:23,750

think eight years old

1822

01:31:27,580 --> 01:31:25,490

all-righty way thank you so why don't

1823

01:31:32,080 --> 01:31:27,590

you listen to the reply off the air

1824

01:31:34,960 --> 01:31:32,090

alright thank you for calling in I'm

1825

01:31:37,990 --> 01:31:34,970

just glad I actually got a chance to to

1826

01:31:39,760 --> 01:31:38,000

see you guys yes and thank you very much

1827

01:31:41,160 --> 01:31:39,770

I'll continue to watch very good thanks

1828

01:31:45,040 --> 01:31:41,170

a lot now

1829

01:31:48,280 --> 01:31:45,050

thank you I'm not English so so bill go

1830

01:31:51,370 --> 01:31:48,290

ahead you know it I'm sorry I was going

1831

01:31:53,440 --> 01:31:51,380

to say it it's interesting because he

1832

01:31:56,550 --> 01:31:53,450

did put into words what a lot of people

1833

01:32:01,600 --> 01:31:56,560

and myself included at one point in time

1834

01:32:03,550 --> 01:32:01,610

it is it is kind of a torment with it

1835

01:32:06,760 --> 01:32:03,560

being the unknown I don't think there's

1836

01:32:09,310 --> 01:32:06,770

a conflict necessarily between you know

1837

01:32:13,710 --> 01:32:09,320

UFOs and ghosts or things like that

1838

01:32:21,460 --> 01:32:18,130

you know unknown kind of behavior and if

1839

01:32:24,040 --> 01:32:21,470

if the multiverse theory is correct it

1840

01:32:25,960 --> 01:32:24,050

would it would really they could all be

1841

01:32:27,760 --> 01:32:25,970

on the same bus doesn't mean they know

1842

01:32:29,920 --> 01:32:27,770

each other but you know and when people

1843

01:32:32,080 --> 01:32:29,930

talk about the you know cryptids when

1844

01:32:34,680 --> 01:32:32,090

people talk about UFOs and people talk

1845

01:32:37,720 --> 01:32:34,690

about ghosts you know if you see a ghost

1846

01:32:42,100 --> 01:32:37,730

and I'll plug Paul again because for

1847

01:32:44,470 --> 01:32:42,110

once said if you see a ghost outside or

1848

01:32:47,740 --> 01:32:44,480

it's a UFO if you see it inside the

1849

01:32:51,970 --> 01:32:47,750

ghost you know so I mean we kind of look

1850

01:32:54,670 --> 01:32:51,980

at things in context you know what's the

1851
01:32:56,620 --> 01:32:54,680
UFO versus you know well if UFOs are

1852
01:32:59,560 --> 01:32:56,630
traveling for the multiverse and maybe

1853
01:33:02,770 --> 01:32:59,570
the US and aliens and entity the same

1854
01:33:04,510 --> 01:33:02,780
way that an entity as Lily streets an

1855
01:33:07,450 --> 01:33:04,520
entity I mean it could be different

1856
01:33:10,300 --> 01:33:07,460
entities but it may in fact be more

1857
01:33:13,090 --> 01:33:10,310
similar than than we think so that

1858
01:33:16,900 --> 01:33:13,100
that's I think one part to put out yeah

1859
01:33:19,900 --> 01:33:16,910
yeah no it makes sense you know that

1860
01:33:21,250 --> 01:33:19,910
that yeah that they yeah like I said

1861
01:33:22,690 --> 01:33:21,260
they're on the same bus that they don't

1862
01:33:25,090 --> 01:33:22,700
know each other and that would explain

1863
01:33:27,870 --> 01:33:25,100

you know a lot of things and and that's

1864

01:33:31,330 --> 01:33:27,880

not a new that's not Mike you know

1865

01:33:33,700 --> 01:33:31,340

that's not a new but the other thing

1866

01:33:37,180 --> 01:33:33,710

it's funny many years ago I was really

1867

01:33:39,640 --> 01:33:37,190

really into UFOs and I mean they still

1868

01:33:42,960 --> 01:33:39,650

fascinate me now but it's you know it's

1869

01:33:45,460 --> 01:33:42,970

tough because because our military

1870

01:33:47,950 --> 01:33:45,470

builds so many things and you may not

1871

01:33:50,050 --> 01:33:47,960

see them for 30 or 40 years so there's a

1872

01:33:53,709 --> 01:33:50,060

lot of stuff that could look like UFOs

1873

01:33:57,250 --> 01:33:53,719

that doesn't mean I discount you know

1874

01:33:59,739 --> 01:33:57,260

all the UFO stuff but it just makes it

1875

01:34:01,989 --> 01:33:59,749

so frustrating to try to understand yeah

1876
01:34:07,450 --> 01:34:01,999
try to separate one thing from you know

1877
01:34:10,419 --> 01:34:07,460
a bad bad witness me or just an unknown

1878
01:34:13,359 --> 01:34:10,429
craft because I've seen him on you I've

1879
01:34:17,259 --> 01:34:13,369
seen I saw one on YouTube and it wasn't

1880
01:34:19,709 --> 01:34:17,269
a fake and it was amazing I mean that

1881
01:34:22,029 --> 01:34:19,719
thing looked like a UFO and the

1882
01:34:25,200 --> 01:34:22,039
government ended up coming out and

1883
01:34:27,790 --> 01:34:25,210
saying now that we were testing you know

1884
01:34:30,459 --> 01:34:27,800
we're testing this and that's what they

1885
01:34:33,120 --> 01:34:30,469
built it you know it wasn't luck it was

1886
01:34:36,100 --> 01:34:33,130
one of the things that they were able to

1887
01:34:38,500 --> 01:34:36,110
you know there wasn't like so top secret

1888
01:34:42,430 --> 01:34:38,510

or evidently it was it was I think it

1889

01:34:45,040 --> 01:34:42,440

jad or something but it I look crazy on

1890

01:34:47,859 --> 01:34:45,050

film so when you get it so there's a lot

1891

01:34:49,839 --> 01:34:47,869

of things that have been mistakenly UFOs

1892

01:34:51,370 --> 01:34:49,849

or a Loch Ness monster or whatever would

1893

01:34:55,089 --> 01:34:51,380

there was this submarine that was

1894

01:34:57,850 --> 01:34:55,099

mistaken as a you know lake monster and

1895

01:34:59,979 --> 01:34:57,860

then there was there's plenty of I

1896

01:35:02,500 --> 01:34:59,989

talked to retirement retired and

1897

01:35:05,259 --> 01:35:02,510

intelligence officer and he says I can't

1898

01:35:07,540 --> 01:35:05,269

tell you the amount of times people said

1899

01:35:09,310 --> 01:35:07,550

something was a UFO and it was just it

1900

01:35:10,600 --> 01:35:09,320

was stuff we're working on he says and

1901

01:35:12,459 --> 01:35:10,610

guess what you're not going to see it

1902

01:35:15,339 --> 01:35:12,469

for 30 years you know and you may not

1903

01:35:17,200 --> 01:35:15,349

see it at all you know so it gets

1904

01:35:19,629 --> 01:35:17,210

confusing but back to the back to the

1905

01:35:22,029 --> 01:35:19,639

original thing I remember when I was

1906

01:35:26,080 --> 01:35:22,039

really into UFOs and I was buying these

1907

01:35:28,810 --> 01:35:26,090

really cool books from this this guy who

1908

01:35:31,509 --> 01:35:28,820

had a UFO catalog and that's all he sold

1909

01:35:32,890 --> 01:35:31,519

was like your full books you know and I

1910

01:35:34,870 --> 01:35:32,900

remember talking to him on the phone

1911

01:35:37,509 --> 01:35:34,880

because I had question on a few books I

1912

01:35:39,609 --> 01:35:37,519

said this is so fascinating I say you

1913

01:35:40,450 --> 01:35:39,619

must go nuts over this stuff and he says

1914

01:35:43,479 --> 01:35:40,460

no not anymore

1915

01:35:45,489 --> 01:35:43,489

I said why he says you know it just gets

1916

01:35:47,169 --> 01:35:45,499

so frustrating you know you read and

1917

01:35:48,790 --> 01:35:47,179

read and read you think you're finding

1918

01:35:50,259 --> 01:35:48,800

out new stuff and you think you're

1919

01:35:52,330 --> 01:35:50,269

getting answers and he said and

1920

01:35:57,149 --> 01:35:52,340

ultimately in the end we just don't know

1921

01:36:03,250 --> 01:35:57,159

yeah so it's true and it go ahead

1922

01:36:04,359 --> 01:36:03,260

no gonna give up but I but that was the

1923

01:36:06,430 --> 01:36:04,369

first time I heard about that

1924

01:36:07,660 --> 01:36:06,440

frustration and I remember reaching it

1925

01:36:10,270 --> 01:36:07,670

myself where I had

1926

01:36:12,130 --> 01:36:10,280

kind of stop reading about it for a

1927

01:36:13,390 --> 01:36:12,140

while because I was reading every UFO

1928

01:36:15,580 --> 01:36:13,400

book and I'm like you know when I'm

1929

01:36:17,530 --> 01:36:15,590

reading all this stuff and it still

1930

01:36:22,570 --> 01:36:17,540

comes to the to the end where we don't

1931

01:36:25,030 --> 01:36:22,580

know yeah so you know sometimes you do

1932

01:36:27,370 --> 01:36:25,040

get as this guy was saying you know

1933

01:36:29,500 --> 01:36:27,380

sometimes you do get burnt burnt out and

1934

01:36:32,830 --> 01:36:29,510

that is a frustration so I think all we

1935

01:36:34,720 --> 01:36:32,840

could do is is you know be happy we're

1936

01:36:37,600 --> 01:36:34,730

asking the questions and just you know

1937

01:36:40,030 --> 01:36:37,610

to keep searching and and I'm sure we'll

1938

01:36:42,040 --> 01:36:40,040

find out that the paranormal is nothing

1939

01:36:43,830 --> 01:36:42,050

but normal it's just you know as we all

1940

01:36:48,610 --> 01:36:43,840

say all this stuff's undiscovered

1941

01:36:51,550 --> 01:36:48,620

science yeah I mean I'm sure we'll you

1942

01:36:53,950 --> 01:36:51,560

know we'll learn a lot yeah and then of

1943

01:36:56,470 --> 01:36:53,960

course new questions yeah like my son

1944

01:36:58,689 --> 01:36:56,480

has a good a good theory about that he

1945

01:37:01,120 --> 01:36:58,699

said whatever these things are they

1946

01:37:03,880 --> 01:37:01,130

actually do have an answer it's just you

1947

01:37:06,760 --> 01:37:03,890

know what is that answer is you know the

1948

01:37:09,700 --> 01:37:06,770

biggest question you know I mean there

1949

01:37:12,550 --> 01:37:09,710

is an answer to every poltergeist or

1950

01:37:16,900 --> 01:37:12,560

every ghost or every UFO and I do a show

1951

01:37:19,030 --> 01:37:16,910

on ufos by the way in and I know a lot

1952

01:37:22,510 --> 01:37:19,040

of people do get I do hear that

1953

01:37:25,330 --> 01:37:22,520

frustration from people that have been

1954

01:37:28,300 --> 01:37:25,340

in the field a long time they get burnt

1955

01:37:29,979 --> 01:37:28,310

out and a lot of it has to do with you

1956

01:37:33,130 --> 01:37:29,989

know they're looking for an answer they

1957

01:37:34,270 --> 01:37:33,140

think they're getting close and you know

1958

01:37:37,090 --> 01:37:34,280

they're right back where they started

1959

01:37:39,189 --> 01:37:37,100

and I've been doing that show for five

1960

01:37:41,350 --> 01:37:39,199

years and you know I kind of feel that

1961

01:37:52,209 --> 01:37:41,360

way but it's still very interesting to

1962

01:37:55,300 --> 01:37:52,219

talk about oh yeah you know still

1963

01:38:00,330 --> 01:37:55,310

fascinates me but I think my expectation

1964

01:38:03,310 --> 01:38:00,340

now you know is more in context you know

1965

01:38:06,939 --> 01:38:03,320

what I don't really have that same

1966

01:38:09,580 --> 01:38:06,949

frustration I think with on the the

1967

01:38:11,620 --> 01:38:09,590

ghost paranormal and and I think that's

1968

01:38:14,050 --> 01:38:11,630

only because maybe it's because they

1969

01:38:19,510 --> 01:38:14,060

don't really care what they are that's

1970

01:38:21,490 --> 01:38:19,520

kind of bad and I heard this from some

1971

01:38:23,170 --> 01:38:21,500

MUFON people you meet you

1972

01:38:25,480 --> 01:38:23,180

oh you know one guy says well you're

1973

01:38:27,130 --> 01:38:25,490

lucky you know because because all you

1974

01:38:28,990 --> 01:38:27,140

need is somebody complain in their house

1975

01:38:31,000 --> 01:38:29,000

is haunted and you can go there and you

1976

01:38:32,320 --> 01:38:31,010

can experience it and you can help them

1977

01:38:35,950 --> 01:38:32,330

get rid of it and stuff

1978

01:38:37,480 --> 01:38:35,960

he says us you know it's pop you know

1979

01:38:39,220 --> 01:38:37,490

you got to wait till you see something

1980

01:38:41,230 --> 01:38:39,230

or you hope somebody reports something

1981

01:38:44,200 --> 01:38:41,240

and then you've got to wade through it

1982

01:38:46,330 --> 01:38:44,210

and and see is it is it real or is it

1983

01:38:48,280 --> 01:38:46,340

immerse misinterpretation and most of

1984

01:38:50,320 --> 01:38:48,290

the time it's a misinterpretation so he

1985

01:38:51,880 --> 01:38:50,330

was saying hey I'm jealous of you

1986

01:38:53,710 --> 01:38:51,890

because all you got to do is wait for

1987

01:38:55,720 --> 01:38:53,720

somebody to call and say things are

1988

01:38:57,670 --> 01:38:55,730

moving in my house and and you you know

1989

01:39:00,700 --> 01:38:57,680

chances are you have you've got a you've

1990

01:39:04,630 --> 01:39:00,710

got something that that you can sink

1991

01:39:08,320 --> 01:39:04,640

your teeth into you know so you so I I

1992

01:39:10,330 --> 01:39:08,330

do commend the people who Reese research

1993

01:39:12,340 --> 01:39:10,340

UFOs because and of course it's more

1994

01:39:14,770 --> 01:39:12,350

difficult than ever now you can't go buy

1995

01:39:16,960 --> 01:39:14,780

any photos and you know but I think the

1996

01:39:20,080 --> 01:39:16,970

real fascinating thing about UFOs gets

1997

01:39:22,360 --> 01:39:20,090

gets to the level of you know people

1998

01:39:24,580 --> 01:39:22,370

have been abducted when you hear those

1999

01:39:29,470 --> 01:39:24,590

similar stories over and over in such my

2000

01:39:31,630 --> 01:39:29,480

new detail and psychologists you know

2001
01:39:33,130 --> 01:39:31,640
come up to me saying a been doing this

2002
01:39:34,840 --> 01:39:33,140
for 30 years and they're telling the

2003
01:39:37,270 --> 01:39:34,850
same story they don't know each other

2004
01:39:40,450 --> 01:39:37,280
and it's been really my new detail so

2005
01:39:42,550 --> 01:39:40,460
that helps me there's something

2006
01:39:44,260 --> 01:39:42,560
fascinating there and even if it's not

2007
01:39:47,170 --> 01:39:44,270
alien I don't care what it is somebody

2008
01:39:49,240 --> 01:39:47,180
says oh it's mass hypnosis yeah well if

2009
01:39:50,650 --> 01:39:49,250
it is then we better figure it out

2010
01:39:52,480 --> 01:39:50,660
because we don't know anything that

2011
01:39:54,670 --> 01:39:52,490
exists like that so there's something

2012
01:39:58,530 --> 01:39:54,680
fascinating in there no matter what yes

2013
01:40:01,030 --> 01:39:58,540

and I think you know it I think it's

2014

01:40:02,770 --> 01:40:01,040

there's like a hundreds hundreds of

2015

01:40:05,110 --> 01:40:02,780

thousands of people reporting the same

2016

01:40:07,840 --> 01:40:05,120

thing you know in this in this country

2017

01:40:11,590 --> 01:40:07,850

in the United States and you know it's

2018

01:40:14,200 --> 01:40:11,600

something that perhaps the you know

2019

01:40:16,660 --> 01:40:14,210

therapists and psychiatrists should take

2020

01:40:19,450 --> 01:40:16,670

more serious and look into it more I

2021

01:40:22,900 --> 01:40:19,460

think but now we're way off we're way

2022

01:40:25,690 --> 01:40:22,910

off the ghost topic so but I'm wrapping

2023

01:40:27,010 --> 01:40:25,700

up the show and it's been a real

2024

01:40:35,200 --> 01:40:27,020

pleasure and I wanted to ask you do you

2025

01:40:42,870 --> 01:40:36,970

really trying to get back into it as

2026

01:40:45,490 --> 01:40:42,880

people say it's a too long loss and and

2027

01:40:49,530 --> 01:40:45,500

think is now he's popping books out

2028

01:40:52,300 --> 01:40:49,540

right now right so i'm phased here but

2029

01:40:53,950 --> 01:40:52,310

you know I had a few subjects I was

2030

01:40:56,260 --> 01:40:53,960

looking into but you know I want to make

2031

01:40:58,630 --> 01:40:56,270

sure it's something that I could really

2032

01:41:00,490 --> 01:40:58,640

dig into I don't want to do an urban

2033

01:41:03,070 --> 01:41:00,500

legend book I want to do something that

2034

01:41:06,550 --> 01:41:03,080

has you know real research in that I can

2035

01:41:11,370 --> 01:41:06,560

believe in and you know put kind of put

2036

01:41:13,870 --> 01:41:11,380

my stamp on it because you people have

2037

01:41:16,240 --> 01:41:13,880

really liked that they commended me on

2038

01:41:18,430 --> 01:41:16,250

saying geez you know it sounds like you

2039

01:41:20,200 --> 01:41:18,440

don't you know you're not out to pull

2040

01:41:22,660 --> 01:41:20,210

the wool over anyone's eyes you tell it

2041

01:41:24,910 --> 01:41:22,670

like it is and you know and and it's

2042

01:41:27,880 --> 01:41:24,920

hard if you that's right you know Nick

2043

01:41:30,160 --> 01:41:27,890

but Nick Redfern is an expert at it I

2044

01:41:32,680 --> 01:41:30,170

mean he you know he can put it out there

2045

01:41:34,990 --> 01:41:32,690

and say yeah end up with who knows but I

2046

01:41:36,970 --> 01:41:35,000

can't even get into it if I admire that

2047

01:41:40,720 --> 01:41:36,980

but I can't get into it unless it's

2048

01:41:42,880 --> 01:41:40,730

something that I truly think is not only

2049

01:41:45,220 --> 01:41:42,890

real but you know there's this story

2050

01:41:48,370 --> 01:41:45,230

there so you know but that's me it's

2051

01:41:50,050 --> 01:41:48,380

it's probably my own thing so I am going

2052

01:41:53,650 --> 01:41:50,060

to try well I appreciate that you do

2053

01:41:56,020 --> 01:41:53,660

that and I know I did hear you on

2054

01:41:58,560 --> 01:41:56,030

another interview saying that you know

2055

01:42:01,810 --> 01:41:58,570

you've heard a lot of rumors on this

2056

01:42:03,580 --> 01:42:01,820

bridgeport case but you wouldn't put any

2057

01:42:05,920 --> 01:42:03,590

of those in your book because you wanted

2058

01:42:07,840 --> 01:42:05,930

to hear directly from the source instead

2059

01:42:10,150 --> 01:42:07,850

and you know that's what keeps things

2060

01:42:14,620 --> 01:42:10,160

more interesting and more true and I do

2061

01:42:18,250 --> 01:42:14,630

appreciate that you do that oh thank you

2062

01:42:22,510 --> 01:42:18,260

yeah I put in but I said I couldn't

2063

01:42:23,980 --> 01:42:22,520

verify it or you know but yeah there's

2064

01:42:27,370 --> 01:42:23,990

an that I didn't want to cloud it cuz

2065

01:42:30,490 --> 01:42:27,380

yeah there's there's crazy rumors about

2066

01:42:34,030 --> 01:42:30,500

lonely street and that's a case that I I

2067

01:42:37,150 --> 01:42:34,040

know is real so yeah it becomes very

2068

01:42:38,950 --> 01:42:37,160

difficult you know I mean we we get

2069

01:42:40,960 --> 01:42:38,960

stuff wrong that's really normal and

2070

01:42:44,760 --> 01:42:40,970

boring so you can just imagine the

2071

01:42:49,350 --> 01:42:44,770

rumors that round about yeah right and

2072

01:42:54,120 --> 01:42:49,360

so your website is William J Hall off
