1
00:00:06,800 --> 00:00:05,030
and it hits me oh my gosh this is that

2
00:00:08,030 --> 00:00:06,810
triangle you know there's explanation

3
00:00:09,650 --> 00:00:08,040
for everything that appeared in the

4
00:00:11,450 --> 00:00:09,660
Rendlesham forest incident didn't

5
00:00:14,180 --> 00:00:11,460
involve aliens at all

6
00:00:17,090 --> 00:00:14,190
it was completely silent it comes right

7
00:00:19,340 --> 00:00:17,100
over our head it's so classic

8
00:00:20,900 --> 00:00:19,350
flying-saucer really standing in the

9
00:00:22,640 --> 00:00:20,910
clearing he turned over to my father

10
00:00:28,460 --> 00:00:22,650
held his hand and he looked in his eyes

11
00:00:31,759 --> 00:00:28,470
they said we're not alone welcome to

12
00:00:34,069 --> 00:00:31,769
podcast UFO for our live show we're live

13
00:00:36,229 --> 00:00:34,079

every Wednesday at 8 p.m. Eastern

14

00:00:38,389 --> 00:00:36,239

Standard Time on the dark matter radio

15

00:00:41,900 --> 00:00:38,399

network please remember to visit the

16

00:00:45,080 --> 00:00:41,910

website podcast UFO calm for past

17

00:00:47,060 --> 00:00:45,090

episodes blogs and forums during the

18

00:00:49,549 --> 00:00:47,070

show feel free to participate live in

19

00:00:51,650 --> 00:00:49,559

our chat room and don't forget to like

20

00:00:54,319 --> 00:00:51,660

us on our very active Facebook page

21

00:00:56,060 --> 00:00:54,329

hello and welcome to the show I'm Martin

22

00:00:58,099 --> 00:00:56,070

will usher host we're starting at an

23

00:01:00,470 --> 00:00:58,109

hour late this evening to accommodate

24

00:01:02,510 --> 00:01:00,480

the guests but we're pretty excited to

25

00:01:04,700 --> 00:01:02,520

have them on it's MJ Baniyas and he's

26

00:01:07,580 --> 00:01:04,710

going to be talking about basically

27

00:01:11,179 --> 00:01:07,590

philosophy and UFOs and he has a lot of

28

00:01:13,730 --> 00:01:11,189

really good points and I I have a lot of

29

00:01:15,560 --> 00:01:13,740

questions as far as this goes so I'm

30

00:01:17,359 --> 00:01:15,570

pretty excited to have them on before

31

00:01:19,880 --> 00:01:17,369

that we have Alejandro Rojas coming

32

00:01:21,560 --> 00:01:19,890

right up live with the news I want to

33

00:01:24,469 --> 00:01:21,570

thank everyone that supports the show

34

00:01:25,910 --> 00:01:24,479

and if you are not able to support the

35

00:01:27,859 --> 00:01:25,920

show and want to listen to the full show

36

00:01:29,899 --> 00:01:27,869

you can always listen to it live and

37

00:01:32,690 --> 00:01:29,909

it's usually at 8 to 10 p.m. Eastern

38

00:01:34,969 --> 00:01:32,700

Standard Time and that's on podcast UFO

39

00:01:36,770 --> 00:01:34,979

it's also on our YouTube channel if you

40

00:01:39,289 --> 00:01:36,780

want to subscribe to our mailing list

41

00:01:41,600 --> 00:01:39,299

you can see who our upcoming guests are

42

00:01:44,179 --> 00:01:41,610

we send out a newsletter once a week and

43

00:01:46,249 --> 00:01:44,189

that's right on podcast UFO comm you

44

00:01:49,280 --> 00:01:46,259

just put your email address in there and

45

00:01:51,530 --> 00:01:49,290

that's it and also you can subscribe to

46

00:01:53,359 --> 00:01:51,540

our youtube channel and see when that is

47

00:01:56,060 --> 00:01:53,369

when shows are happening we also have

48

00:01:57,709 --> 00:01:56,070

the everything else show it's going to

49

00:02:00,499 --> 00:01:57,719

be on Monday nights not every Monday

50

00:02:03,109 --> 00:02:00,509

night but on Monday nights and this one

51
00:02:05,060 --> 00:02:03,119
coming up is on Lake Monsters so that

52
00:02:08,180 --> 00:02:05,070
should be pretty interesting with Denver

53
00:02:10,010 --> 00:02:08,190
Michaels and also if you can't support

54
00:02:11,240 --> 00:02:10,020
the show and you want to listen to the

55
00:02:13,700 --> 00:02:11,250
full show it's on the Dark Matter

56
00:02:16,030 --> 00:02:13,710
digital network and that's every

57
00:02:17,690 --> 00:02:16,040
Thursday night at 10:00 to midnight

58
00:02:22,970 --> 00:02:17,700
Eastern Standard Time

59
00:02:24,860 --> 00:02:22,980
alejandro how are you I am good so can

60
00:02:27,500 --> 00:02:24,870
people see me the whole time snow you

61
00:02:29,630 --> 00:02:27,510
know I'm on the video we know just now

62
00:02:31,280 --> 00:02:29,640
so I just came on hello everybody yeah

63
00:02:32,570 --> 00:02:31,290

no I wouldn't do that to you I wouldn't

64

00:02:35,630 --> 00:02:32,580

do that to me I wouldn't do that to you

65

00:02:37,580 --> 00:02:35,640

yeah well that would be you're good at

66

00:02:38,990 --> 00:02:37,590

awkward and that would be really awkward

67

00:02:40,820 --> 00:02:39,000

because it feels kind of awkward you're

68

00:02:42,920 --> 00:02:40,830

waiting here and you see yourself and

69

00:02:43,340 --> 00:02:42,930

you're like am I on can people see me

70

00:02:45,830 --> 00:02:43,350

Kenneth

71

00:02:50,800 --> 00:02:45,840

yeah so I'm not sure I'll do that next

72

00:02:54,500 --> 00:02:50,810

time though yeah yeah so how you doing I

73

00:02:58,180 --> 00:02:54,510

am doing well not too bad busy busy but

74

00:03:01,310 --> 00:02:58,190

don't good I know last week we mentioned

75

00:03:03,530 --> 00:03:01,320

of course we had a crash last week and

76
00:03:06,380 --> 00:03:03,540
what had happened to let the people know

77
00:03:08,720 --> 00:03:06,390
why we didn't have a show is we tried to

78
00:03:10,700 --> 00:03:08,730
go on you were on the show but no one

79
00:03:12,620 --> 00:03:10,710
could hear you or they hear like every

80
00:03:18,140 --> 00:03:12,630
fourth word or something I ended up

81
00:03:22,160 --> 00:03:18,150
being my youtube software for streaming

82
00:03:25,310 --> 00:03:22,170
was trying to was trying to upload a new

83
00:03:26,960 --> 00:03:25,320
version so update and it just kept I

84
00:03:29,360 --> 00:03:26,970
guess it was just attempting to so it

85
00:03:32,210 --> 00:03:29,370
wasn't working properly so I apologize

86
00:03:34,730 --> 00:03:32,220
to the listeners for no show last week

87
00:03:37,090 --> 00:03:34,740
but anyway the exciting news that you

88
00:03:42,010 --> 00:03:37,100

told everyone is that you and your

89

00:03:53,290 --> 00:03:42,020

girlfriend now own the UFO Congress in

90

00:03:56,900 --> 00:03:53,300

congratulations good so yes that's true

91

00:03:59,450 --> 00:03:56,910

this is the third time we've talked

92

00:04:02,270 --> 00:03:59,460

about it but the show keeps getting

93

00:04:03,680 --> 00:04:02,280

messed up or something but or just not

94

00:04:05,570 --> 00:04:03,690

available but yes

95

00:04:07,520 --> 00:04:05,580

it's been a while now so that's what you

96

00:04:09,380 --> 00:04:07,530

keeping me really busy although I've

97

00:04:10,550 --> 00:04:09,390

always been busy with the UFO Congress

98

00:04:13,700 --> 00:04:10,560

that I've been running it for years now

99

00:04:18,349 --> 00:04:13,710

but really excited about it

100

00:04:20,630 --> 00:04:18,359

we now are running everything but people

101
00:04:22,430 --> 00:04:20,640
really won't see any changes it'll be

102
00:04:23,840 --> 00:04:22,440
all of the same I still work for open

103
00:04:25,550 --> 00:04:23,850
mindset TV we're still going to be

104
00:04:27,740 --> 00:04:25,560
talking about open minds that TV news

105
00:04:29,930 --> 00:04:27,750
and

106
00:04:32,330 --> 00:04:29,940
open mind is so big part of the whole

107
00:04:35,510 --> 00:04:32,340
thing so yeah really it doesn't change

108
00:04:37,820 --> 00:04:35,520
too much for people but it's exciting

109
00:04:43,700 --> 00:04:37,830
yes and can you talk about any of the

110
00:04:47,090 --> 00:04:43,710
guest speakers you have lined up yeah so

111
00:04:49,460 --> 00:04:47,100
let's see we've got a couple people that

112
00:04:51,140 --> 00:04:49,470
we have okay let's see I've got four

113
00:04:53,870 --> 00:04:51,150

posted right now that we got public

114

00:04:56,390 --> 00:04:53,880

we're a lot more that we're working on

115

00:04:58,670 --> 00:04:56,400

but one of those is the return of Steve

116

00:05:01,190 --> 00:04:58,680

Bassett so that'll be fun he's been in

117

00:05:05,150 --> 00:05:01,200

Europe for awhile he essentially I think

118

00:05:06,500 --> 00:05:05,160

he's after the election he actually you

119

00:05:08,980 --> 00:05:06,510

know a lot of people threatened to leave

120

00:05:11,450 --> 00:05:08,990

the country and he actually did it and

121

00:05:13,760 --> 00:05:11,460

so he hasn't been around too much in the

122

00:05:15,440 --> 00:05:13,770

US but he is coming back for the

123

00:05:17,420 --> 00:05:15,450

conference so it ought to be interesting

124

00:05:18,860 --> 00:05:17,430

to hear from him because you know we

125

00:05:22,279 --> 00:05:18,870

haven't heard from him for a while and

126
00:05:25,340 --> 00:05:22,289
he has a lot of stories to share about

127
00:05:27,170 --> 00:05:25,350
his efforts out there otherwise we're

128
00:05:27,680 --> 00:05:27,180
gonna have Bryce's able and this is

129
00:05:30,469 --> 00:05:27,690
exciting

130
00:05:32,870 --> 00:05:30,479
have you met him on the show oh you

131
00:05:34,909 --> 00:05:32,880
haven't have Bryce table so Bryce used

132
00:05:36,890 --> 00:05:34,919
to run the Academy Awards for a period

133
00:05:39,890 --> 00:05:36,900
of time but before that he was a CNN

134
00:05:42,650 --> 00:05:39,900
anchor and then he was also but mostly

135
00:05:45,080 --> 00:05:42,660
he's worked in movies so he's produced a

136
00:05:47,750 --> 00:05:45,090
lot of stuff what was that the name dark

137
00:05:49,850 --> 00:05:47,760
skies that television program was mostly

138
00:05:52,550 --> 00:05:49,860

him like it was his idea and he got that

139

00:05:56,690 --> 00:05:52,560

done but he's working on a couple movies

140

00:05:58,010 --> 00:05:56,700

right now one could like the majestic man

141

00:05:59,990 --> 00:05:58,020

or something like that they're gonna

142

00:06:02,120 --> 00:06:00,000

call it with that essentially around

143

00:06:03,950 --> 00:06:02,130

dawn Schmidt and Sam Friedman that

144

00:06:05,450 --> 00:06:03,960

that's who it's gonna be about they're

145

00:06:07,460 --> 00:06:05,460

gonna have actors I'll hang them and

146

00:06:10,010 --> 00:06:07,470

then he's also working on a movie for

147

00:06:12,080 --> 00:06:10,020

Betty Hill and on the Betty Hill case

148

00:06:14,210 --> 00:06:12,090

and these have been greenlighted already

149

00:06:17,210 --> 00:06:14,220

so he's working on these projects right

150

00:06:19,250 --> 00:06:17,220

now big budgets you know Hollywood type

151

00:06:21,710 --> 00:06:19,260

of deals so he's gonna be their really

152

00:06:25,219 --> 00:06:21,720

cool guy I've known him for years we're

153

00:06:27,589 --> 00:06:25,229

gonna also have Jennifer Stein she was

154

00:06:29,930 --> 00:06:27,599

supposed to be there last year but she

155

00:06:31,730 --> 00:06:29,940

had a family emergency and couldn't make

156

00:06:33,440 --> 00:06:31,740

it so she's going to talk about crop

157

00:06:35,750 --> 00:06:33,450

circles I haven't seen this talk that

158

00:06:37,430 --> 00:06:35,760

she's going to do but everybody who has

159

00:06:38,930 --> 00:06:37,440

seen it says it's going to be great and

160

00:06:41,030 --> 00:06:38,940

the other person we're gonna have his

161

00:06:43,490 --> 00:06:41,040

tal Keller and he's

162

00:06:45,560 --> 00:06:43,500

interesting because he is an aerospace

163

00:06:47,390 --> 00:06:45,570

engineer that's where he spent most of

164

00:06:49,760 --> 00:06:47,400

his life so he's going to be talking

165

00:06:51,860 --> 00:06:49,770

about UFOs and interest sake he's had

166

00:06:53,780 --> 00:06:51,870

he's also going to be talking about you

167

00:06:55,160 --> 00:06:53,790

know are there there's are ours the

168

00:06:58,370 --> 00:06:55,170

potential that some of these are black

169

00:07:01,580 --> 00:06:58,380

projects that sort of thing from his

170

00:07:04,250 --> 00:07:01,590

perspective as an engineer great okay

171

00:07:05,300 --> 00:07:04,260

well that's a good little preview there

172

00:07:08,390 --> 00:07:05,310

and I know

173

00:07:11,420 --> 00:07:08,400

February's a long way away but I already

174

00:07:12,920 --> 00:07:11,430

booked the hotel rooms there that's all

175

00:07:14,660 --> 00:07:12,930

done I'm excited to come out this year

176

00:07:18,230 --> 00:07:14,670

and hopefully a storm will not keep me

177

00:07:18,470 --> 00:07:18,240

away like last year no so what's going

178

00:07:23,120 --> 00:07:18,480

on

179

00:07:25,280 --> 00:07:23,130

yeah fo News UFO news why I want to talk

180

00:07:27,050 --> 00:07:25,290

about this news this is a story I wrote

181

00:07:28,310 --> 00:07:27,060

recently although it's kind of old news

182

00:07:30,470 --> 00:07:28,320

but I don't think it's anything we've

183

00:07:33,560 --> 00:07:30,480

talked about old news for us me because

184

00:07:35,690 --> 00:07:33,570

it you know for us a week as is old news

185

00:07:37,220 --> 00:07:35,700

but a couple of these stories that came

186

00:07:39,860 --> 00:07:37,230

out recently and we haven't talked about

187

00:07:43,250 --> 00:07:39,870

which is NASA hiring a planetary

188

00:07:45,770 --> 00:07:43,260

protection officer and also the US Air

189

00:07:47,600 --> 00:07:45,780

Force seeking funding for a space Corps

190

00:07:50,870 --> 00:07:47,610

so these are interesting and they're

191

00:07:52,730 --> 00:07:50,880

kind of related in that the planetary

192

00:07:55,070 --> 00:07:52,740

protection officer position of course

193

00:07:57,110 --> 00:07:55,080

everybody got excited is it's gonna be a

194

00:07:59,570 --> 00:07:57,120

position where they're you know keeping

195

00:08:01,430 --> 00:07:59,580

UFOs away or looking for aliens and that

196

00:08:02,930 --> 00:08:01,440

sort of thing that's what the headlines

197

00:08:05,450 --> 00:08:02,940

were and that's what everybody assumed

198

00:08:07,280 --> 00:08:05,460

but that's not really what it was the

199

00:08:09,080 --> 00:08:07,290

space core is the same kind of thing

200

00:08:12,140 --> 00:08:09,090

everybody's you know the headlines were

201
00:08:13,970 --> 00:08:12,150
having fun with it are they going to be

202
00:08:16,460 --> 00:08:13,980
fighting aliens or something like this

203
00:08:19,460 --> 00:08:16,470
but no that's not the case so the

204
00:08:23,750 --> 00:08:19,470
planetary protection officer they that

205
00:08:25,580 --> 00:08:23,760
posting went out for NASA and people got

206
00:08:27,320 --> 00:08:25,590
excited it got in the headlines and a

207
00:08:29,690 --> 00:08:27,330
nine-year-old boy actually applied for

208
00:08:31,730 --> 00:08:29,700
it he says he watches guardian of the

209
00:08:34,040 --> 00:08:31,740
galaxies you know he watches all of the

210
00:08:37,100 --> 00:08:34,050
alien shows and and he thinks he would

211
00:08:39,140 --> 00:08:37,110
do a good job so NASA replied and I

212
00:08:41,990 --> 00:08:39,150
think they use just reply to this kid as

213
00:08:45,110 --> 00:08:42,000

a vehicle to kind of clarify what this

214

00:08:47,630 --> 00:08:45,120

job is even though it says it in very

215

00:08:50,300 --> 00:08:47,640

technical terms in the job posting which

216

00:08:54,410 --> 00:08:50,310

is really this person is in charge of

217

00:08:55,160 --> 00:08:54,420

like procedures for decontamination so

218

00:08:57,110 --> 00:08:55,170

when we bring

219

00:08:59,269 --> 00:08:57,120

stuff back from the moon or when we go

220

00:09:01,340 --> 00:08:59,279

to other planets to make sure that we're

221

00:09:02,690 --> 00:09:01,350

not contaminating other planets and that

222

00:09:04,759 --> 00:09:02,700

sort of thing so that's what this

223

00:09:07,490 --> 00:09:04,769

position is they've actually had it

224

00:09:09,740 --> 00:09:07,500

since the 60s so with all this new

225

00:09:11,420 --> 00:09:09,750

secret space stuff that's been in the

226

00:09:13,389 --> 00:09:11,430

you know people talking about has

227

00:09:16,490 --> 00:09:13,399

nothing to do with anything like that

228

00:09:18,230 --> 00:09:16,500

it's more of a kind of a boring job and

229

00:09:20,180 --> 00:09:18,240

it's kind of funny if anybody saw alien

230

00:09:23,030 --> 00:09:20,190

covenant they definitely could have used

231

00:09:24,949 --> 00:09:23,040

some of these protocols when they the

232

00:09:26,120 --> 00:09:24,959

space colonist went flying out there

233

00:09:29,150 --> 00:09:26,130

you've seen the movie you know what I'm

234

00:09:32,360 --> 00:09:29,160

talking about the space Court now this

235

00:09:34,819 --> 00:09:32,370

actually was passed by the house to fund

236

00:09:38,750 --> 00:09:34,829

a space Corps for the United States Air

237

00:09:42,050 --> 00:09:38,760

Force and you know it sounds exciting

238

00:09:44,840 --> 00:09:42,060

but and it is maybe somewhat exciting

239

00:09:48,740 --> 00:09:44,850

but it's mostly around space it is space

240

00:09:50,960 --> 00:09:48,750

warfare but it's it's in competition you

241

00:09:53,540 --> 00:09:50,970

know technologically with the Chinese

242

00:09:56,120 --> 00:09:53,550

and the Russian so this is looking for

243

00:09:57,920 --> 00:09:56,130

different sort of space weapons in space

244

00:10:00,280 --> 00:09:57,930

how do we create them how do we keep the

245

00:10:03,019 --> 00:10:00,290

Russians and the Chinese from doing that

246

00:10:06,170 --> 00:10:03,029

really the technology at this point is

247

00:10:08,810 --> 00:10:06,180

is where we have like or at least the

248

00:10:11,120 --> 00:10:08,820

Chinese have like you know satellite

249

00:10:12,620 --> 00:10:11,130

jammers that can jam the communication

250

00:10:14,750 --> 00:10:12,630

from the satellite coming to earth

251
00:10:16,790 --> 00:10:14,760
that's the kind of area they're looking

252
00:10:18,610 --> 00:10:16,800
at now we really don't have anything

253
00:10:20,720 --> 00:10:18,620
that could take out satellite so they're

254
00:10:20,960 --> 00:10:20,730
practicing these sort of things all the

255
00:10:23,389 --> 00:10:20,970
time

256
00:10:26,540 --> 00:10:23,399
lasers and other things that they can

257
00:10:29,780 --> 00:10:26,550
try to take out like literally destroy

258
00:10:31,189 --> 00:10:29,790
them or just make them inoperable so

259
00:10:33,590 --> 00:10:31,199
that's that's kind of what they were

260
00:10:35,509 --> 00:10:33,600
looking at doing essentially it got to

261
00:10:37,040 --> 00:10:35,519
the Senate the White House kind of

262
00:10:40,340 --> 00:10:37,050
laughed it off and said hey that we're

263
00:10:42,860 --> 00:10:40,350

way too premature to do this however so

264

00:10:44,720 --> 00:10:42,870

it's probably not gonna pass but we do

265

00:10:46,639 --> 00:10:44,730

already have a Space Command and the

266

00:10:49,059 --> 00:10:46,649

Space Command does similar things like

267

00:10:51,379 --> 00:10:49,069

this it's a US Air Force Space Command

268

00:10:53,629 --> 00:10:51,389

they are in charge of those satellites

269

00:10:57,319 --> 00:10:53,639

that are out there but they're also in

270

00:10:59,150 --> 00:10:57,329

charge of some of these you know some a

271

00:11:02,090 --> 00:10:59,160

lot of secret projects who knows what's

272

00:11:04,759 --> 00:11:02,100

going on but you know as I've shared I'm

273

00:11:07,400 --> 00:11:04,769

skeptical of this whole space we kind of

274

00:11:08,990 --> 00:11:07,410

idea but we have seen in the news lately

275

00:11:12,770 --> 00:11:09,000

at this little kind of time

276

00:11:15,680 --> 00:11:12,780

an unmanned space shuttle that the Air

277

00:11:18,920 --> 00:11:15,690

Force has and it is ran by a Space

278

00:11:20,720 --> 00:11:18,930

Command and it flies secret projects in

279

00:11:23,390 --> 00:11:20,730

fact it was in space for like a full

280

00:11:26,150 --> 00:11:23,400

year flying around they haven't revealed

281

00:11:28,460 --> 00:11:26,160

what it was doing but they had showed

282

00:11:30,080 --> 00:11:28,470

they have shown pictures of the object

283

00:11:31,100 --> 00:11:30,090

or of this craft and everything so

284

00:11:32,810 --> 00:11:31,110

they've kind of even

285

00:11:34,580 --> 00:11:32,820

you know told everybody hey we've got

286

00:11:36,290 --> 00:11:34,590

this craft but we're not gonna tell you

287

00:11:39,470 --> 00:11:36,300

what it's doing it's probably taking

288

00:11:41,150 --> 00:11:39,480

pictures and stuff like that but yeah so

289

00:11:43,220 --> 00:11:41,160

that's that's if people were wondering

290

00:11:45,350 --> 00:11:43,230

what about these space cores and I had

291

00:11:48,500 --> 00:11:45,360

to have some questions recently you know

292

00:11:51,410 --> 00:11:48,510

what about these these crazy NASA and

293

00:11:53,600 --> 00:11:51,420

Air Force space quarter soldiers and

294

00:11:55,940 --> 00:11:53,610

warfare and fighting that they're trying

295

00:11:57,680 --> 00:11:55,950

to hire people for mm-hmm you know

296

00:11:59,210 --> 00:11:57,690

that's been blown out of proportion a

297

00:12:01,790 --> 00:11:59,220

little bit this is what they really are

298

00:12:03,470 --> 00:12:01,800

oh hey someone in the chat room wanted

299

00:12:10,130 --> 00:12:03,480

to know what your thoughts were on the

300

00:12:13,280 --> 00:12:10,140

recent mo D release of files uh well

301
00:12:15,770 --> 00:12:13,290
there were a few mo D files released not

302
00:12:17,300 --> 00:12:15,780
a whole lot I think there was something

303
00:12:19,820 --> 00:12:17,310
like eight although they're supposed to

304
00:12:22,850 --> 00:12:19,830
be 13 so there's still some that haven't

305
00:12:24,579 --> 00:12:22,860
been released it was frustrating that it

306
00:12:26,990 --> 00:12:24,589
took them so long they were supposed to

307
00:12:29,810 --> 00:12:27,000
release these a couple years ago and

308
00:12:32,210 --> 00:12:29,820
they said they were going to but it they

309
00:12:34,400 --> 00:12:32,220
got delayed by a couple years but it

310
00:12:36,260 --> 00:12:34,410
doesn't have an NIC Pope you know I've

311
00:12:37,790 --> 00:12:36,270
interviewed him maybe you have to about

312
00:12:39,890 --> 00:12:37,800
you know what was going to be in those

313
00:12:41,990 --> 00:12:39,900

files and some of those files that may

314

00:12:44,540 --> 00:12:42,000

be of interest and he said there's no

315

00:12:48,290 --> 00:12:44,550

smoking gun in them and and there isn't

316

00:12:49,130 --> 00:12:48,300

there are a couple interesting cases but

317

00:12:51,350 --> 00:12:49,140

that's about all

318

00:12:52,820 --> 00:12:51,360

so we've got some links and we've been

319

00:12:54,650 --> 00:12:52,830

posting news on some of those

320

00:12:57,430 --> 00:12:54,660

interesting cases and maybe I'll compile

321

00:12:59,750 --> 00:12:57,440

a story about you know what they have

322

00:13:03,200 --> 00:12:59,760

what they all have what was frustrating

323

00:13:07,940 --> 00:13:03,210

about these files them was that in the

324

00:13:10,340 --> 00:13:07,950

past when the UK military of Defense or

325

00:13:12,140 --> 00:13:10,350

their archives have released these UFO

326

00:13:13,970 --> 00:13:12,150

files they've shared them with the

327

00:13:16,130 --> 00:13:13,980

public digitally so you could download

328

00:13:18,050 --> 00:13:16,140

them and they make them free for a month

329

00:13:21,500 --> 00:13:18,060

and then you have to pay it for them

330

00:13:22,820 --> 00:13:21,510

after that and in the UK it's different

331

00:13:24,560 --> 00:13:22,830

in the US

332

00:13:28,040 --> 00:13:24,570

you know anything that the government

333

00:13:30,140 --> 00:13:28,050

creates we can use its public domain for

334

00:13:31,940 --> 00:13:30,150

us in the UK it's different they have

335

00:13:33,500 --> 00:13:31,950

copyright over them so you can't use

336

00:13:36,520 --> 00:13:33,510

them without the permission of the UK

337

00:13:39,170 --> 00:13:36,530

government or paying them to use them so

338

00:13:42,760 --> 00:13:39,180

but what they did with these files is

339

00:13:46,550 --> 00:13:42,770

you could only get them by going to the

340

00:13:49,010 --> 00:13:46,560

National Archives outside of London in

341

00:13:52,160 --> 00:13:49,020

the UK to get these files so you had to

342

00:13:53,930 --> 00:13:52,170

go get them print you know photocopy em

343

00:13:55,340 --> 00:13:53,940

and then you can take them with you but

344

00:13:59,150 --> 00:13:55,350

that was the only way you could get them

345

00:14:00,800 --> 00:13:59,160

so you know Nick Pope talked about this

346

00:14:02,720 --> 00:14:00,810

is probably because they didn't want

347

00:14:06,110 --> 00:14:02,730

them to make as much news as they have

348

00:14:08,420 --> 00:14:06,120

in the past but Nick was intent on

349

00:14:09,740 --> 00:14:08,430

making them news anyway and he did a

350

00:14:11,090 --> 00:14:09,750

good job of it because he did an

351

00:14:13,580 --> 00:14:11,100

interview so it's a lot of the

352

00:14:17,840 --> 00:14:13,590

difference on news outlets in the UK and

353

00:14:20,870 --> 00:14:17,850

some here on those files but other than

354

00:14:22,580 --> 00:14:20,880

that you know some of the local tabloids

355

00:14:25,280 --> 00:14:22,590

did some stories on them but just

356

00:14:27,920 --> 00:14:25,290

nothing too exciting on those files but

357

00:14:30,170 --> 00:14:27,930

yeah some new ones did come out but

358

00:14:31,970 --> 00:14:30,180

we're awaiting three or four more and it

359

00:14:34,100 --> 00:14:31,980

is curious why they didn't release them

360

00:14:36,890 --> 00:14:34,110

all at once and why they've taken so

361

00:14:38,360 --> 00:14:36,900

long to release these files and why

362

00:14:40,490 --> 00:14:38,370

they've only made them available

363

00:14:42,260 --> 00:14:40,500

physically instead of making them

364

00:14:44,870 --> 00:14:42,270

available digitally as they happen right

365

00:14:47,810 --> 00:14:44,880

now yeah that is really strange why they

366

00:14:49,970 --> 00:14:47,820

have held back after all this time and

367

00:14:52,640 --> 00:14:49,980

it makes you wonder why they would hold

368

00:14:54,740 --> 00:14:52,650

out even any at all if they were

369

00:14:58,160 --> 00:14:54,750

releasing you know which is it's just

370

00:14:59,750 --> 00:14:58,170

strange yeah it is kind of strange I

371

00:15:02,660 --> 00:14:59,760

mean if there was like thousands I could

372

00:15:04,700 --> 00:15:02,670

understand them releasing you know 2000

373

00:15:07,700 --> 00:15:04,710

and still a thousand left but I mean if

374

00:15:11,120 --> 00:15:07,710

there's just a few left that is strange

375

00:15:12,620 --> 00:15:11,130

to me it is strange and John Burroughs

376

00:15:14,720 --> 00:15:12,630

was the one who called him out on it

377

00:15:16,910 --> 00:15:14,730

because he knew these files existed and

378

00:15:19,700 --> 00:15:16,920

he requested these files he wanted to

379

00:15:21,110 --> 00:15:19,710

see them and they told him to wait

380

00:15:23,600 --> 00:15:21,120

because we're gonna release them all

381

00:15:25,190 --> 00:15:23,610

this was prior to 2008 they ended up

382

00:15:27,500 --> 00:15:25,200

releasing all the files and these files

383

00:15:29,420 --> 00:15:27,510

weren't in there so Burroughs kept you

384

00:15:31,340 --> 00:15:29,430

know telling him hey we want these files

385

00:15:34,190 --> 00:15:31,350

and they kind of ignored him but finally

386

00:15:36,439 --> 00:15:34,200

Brits um British citizens read some of

387

00:15:38,629 --> 00:15:36,449

the stories that he had written

388

00:15:40,220 --> 00:15:38,639

and so they followed up with requests

389

00:15:42,319 --> 00:15:40,230

their version of the Freedom of

390

00:15:44,599 --> 00:15:42,329

Information Act requests and then

391

00:15:46,549 --> 00:15:44,609

finally they said we would release him

392

00:15:49,819 --> 00:15:46,559

this was all the way back you know this

393

00:15:52,309 --> 00:15:49,829

was a 2014 I think and it's taken him

394

00:15:54,199 --> 00:15:52,319

this long to get out John burrows being

395

00:15:57,499 --> 00:15:54,209

one of the witnesses at the Rendlesham

396

00:16:00,079 --> 00:15:57,509

forest you know a US servicemen who had

397

00:16:05,119 --> 00:16:00,089

a sighting on a base that was leased to

398

00:16:07,220 --> 00:16:05,129

the US in the UK back in 1980 and he

399

00:16:09,379 --> 00:16:07,230

felt he had some physiological effects

400

00:16:11,780 --> 00:16:09,389

and that's why he was interested in

401
00:16:15,079 --> 00:16:11,790
there any sightings list over this last

402
00:16:17,840 --> 00:16:15,089
week or so yeah definitely have some

403
00:16:21,139 --> 00:16:17,850
pretty interesting ones this one I like

404
00:16:22,970 --> 00:16:21,149
just because it is similar to what a lot

405
00:16:24,769 --> 00:16:22,980
of people see and this is a point of

406
00:16:26,960 --> 00:16:24,779
light that people you know a lot of

407
00:16:28,759 --> 00:16:26,970
people will report I think you know this

408
00:16:31,069 --> 00:16:28,769
is the most that I've heard and this

409
00:16:32,449 --> 00:16:31,079
term is using the most SIG's agging or

410
00:16:34,069 --> 00:16:32,459
there'll be a point of light kind of

411
00:16:36,710 --> 00:16:34,079
like a satellite moving across and then

412
00:16:38,989 --> 00:16:36,720
that zigzags around and flies off a lot

413
00:16:41,119 --> 00:16:38,999

of people report this sort of thing and

414

00:16:44,509 --> 00:16:41,129

this report is similar this was at

415

00:16:47,449 --> 00:16:44,519

ormond-by-the-sea in Florida this was

416

00:16:51,019 --> 00:16:47,459

just on August 10th where this gentleman

417

00:16:55,639 --> 00:16:51,029

who calls himself a military brat and he

418

00:16:57,559 --> 00:16:55,649

served 14 years himself in the Army he

419

00:17:00,189 --> 00:16:57,569

and his wife were out just kind of

420

00:17:02,749 --> 00:17:00,199

enjoying the ocean in Florida and

421

00:17:04,429 --> 00:17:02,759

enjoying the sunset when they saw

422

00:17:06,259 --> 00:17:04,439

something like this they saw a light

423

00:17:09,289 --> 00:17:06,269

that just kind of zigzagged around and

424

00:17:12,500 --> 00:17:09,299

flew off it's an interesting case he

425

00:17:14,509 --> 00:17:12,510

kind of drew what it looked like but I

426

00:17:16,579 --> 00:17:14,519

just felt it was kind of interesting

427

00:17:18,679 --> 00:17:16,589

because he's in the military you know it

428

00:17:23,000 --> 00:17:18,689

really baffled him and I think that a

429

00:17:24,590 --> 00:17:23,010

lot of people will you know feel that

430

00:17:26,509 --> 00:17:24,600

they've seen something similar because

431

00:17:29,149 --> 00:17:26,519

this is a very common report but he also

432

00:17:31,220 --> 00:17:29,159

did make a graphic of essentially the

433

00:17:34,460 --> 00:17:31,230

movements of this object that you can

434

00:17:36,139 --> 00:17:34,470

see on the report as well and then

435

00:17:37,909 --> 00:17:36,149

another one for people who like videos

436

00:17:40,220 --> 00:17:37,919

because everybody's complaining Oh what

437

00:17:41,899 --> 00:17:40,230

would then you know what isn't that UFO

438

00:17:44,330 --> 00:17:41,909

sighting have a video or a picture well

439

00:17:46,310 --> 00:17:44,340

some of them do but as you'll see in

440

00:17:48,080 --> 00:17:46,320

this sighting they don't always add a

441

00:17:49,700 --> 00:17:48,090

lot of information but it is kind of

442

00:17:50,330 --> 00:17:49,710

weird and I don't know if you looked at

443

00:17:55,700 --> 00:17:50,340

this one

444

00:18:00,200 --> 00:17:55,710

mm-hmm yeah it's kind of a weird video

445

00:18:02,720 --> 00:18:00,210

it's from August 6th actually 2017 when

446

00:18:05,210 --> 00:18:02,730

this person saw what looked like just

447

00:18:07,640 --> 00:18:05,220

two objects kind of flying together one

448

00:18:10,100 --> 00:18:07,650

of them faded out and one of them was

449

00:18:13,340 --> 00:18:10,110

still there he was able to get a picture

450

00:18:16,730 --> 00:18:13,350

of this with his phone and it's just an

451
00:18:18,770 --> 00:18:16,740
odd shape it's kind of like there's a

452
00:18:20,870 --> 00:18:18,780
kind of fish that kind of has like a

453
00:18:23,270 --> 00:18:20,880
similar kind of shape look at this I can

454
00:18:25,400 --> 00:18:23,280
actually kind of show people who are

455
00:18:27,410 --> 00:18:25,410
watching Thank You Tube yeah from my

456
00:18:29,180 --> 00:18:27,420
phone well you know weird shape was

457
00:18:32,660 --> 00:18:29,190
thank you that and you could see that

458
00:18:35,060 --> 00:18:32,670
flying along in this video it's a short

459
00:18:36,530 --> 00:18:35,070
video it's not that great of a video but

460
00:18:38,270 --> 00:18:36,540
it was kind of interesting it was kind

461
00:18:42,440 --> 00:18:38,280
of cool because what this guy did was

462
00:18:44,810 --> 00:18:42,450
also zoom in on an aircraft to just show

463
00:18:49,240 --> 00:18:44,820

you know how well his phone could zoom

464

00:18:51,380 --> 00:18:49,250

as you know to show the relationship but

465

00:18:53,330 --> 00:18:51,390

yeah I don't know what that was that was

466

00:18:54,740 --> 00:18:53,340

kind of a weird one so people can check

467

00:18:57,080 --> 00:18:54,750

that out watch the video and see what

468

00:19:01,160 --> 00:18:57,090

the excellent alright Alejandro well

469

00:19:02,060 --> 00:19:01,170

we'll be seeing you next week at the

470

00:19:03,710 --> 00:19:02,070

right time

471

00:19:06,860 --> 00:19:03,720

thanks for up thanks for coming in late

472

00:19:08,480 --> 00:19:06,870

on this one yeah no problem

473

00:19:10,280 --> 00:19:08,490

and that just remind people they can

474

00:19:12,230 --> 00:19:10,290

find this at open mindset TV all the

475

00:19:14,420 --> 00:19:12,240

stories right out that's right alright

476

00:19:19,070 --> 00:19:14,430

take care talk to you next week

477

00:19:23,150 --> 00:19:19,080

take care oh yeah I can't hang you up

478

00:19:26,770 --> 00:19:23,160

you're gonna have to alright so what if

479

00:19:30,350 --> 00:19:26,780

I down then you can join us for the show

480

00:19:35,270 --> 00:19:30,360

and that's great but I like don't take

481

00:19:40,430 --> 00:19:35,280

care alright so our guest MJ welcome to

482

00:19:42,680 --> 00:19:40,440

the show thanks very much Amy so I'm

483

00:19:46,400 --> 00:19:42,690

real excited to talk to you I think I

484

00:19:51,170 --> 00:19:46,410

think a lot of or I think a lot of what

485

00:19:53,450 --> 00:19:51,180

people think about UFOs is all based on

486

00:19:57,380 --> 00:19:53,460

philosophy because we certainly don't

487

00:20:02,360 --> 00:19:57,390

have you know we certainly don't have

488

00:20:04,220 --> 00:20:02,370

any evidence and so this is a what first

489

00:20:08,570 --> 00:20:04,230

of all before we get into anything what

490

00:20:14,210 --> 00:20:08,580

what sparked your your thoughts on this

491

00:20:15,560 --> 00:20:14,220

whole situation I think you know I sort

492

00:20:17,930 --> 00:20:15,570

of come at it from you know the way most

493

00:20:21,080 --> 00:20:17,940

of us do growing up you know you sort of

494

00:20:24,020 --> 00:20:21,090

watch you know a lot of the UFO shows

495

00:20:25,730 --> 00:20:24,030

and you know x-files and Star Trek and

496

00:20:27,350 --> 00:20:25,740

all that so you know as a kid growing up

497

00:20:31,220 --> 00:20:27,360

I really enjoyed sort of science fiction

498

00:20:33,740 --> 00:20:31,230

and you know the the idea and the

499

00:20:37,250 --> 00:20:33,750

possibility of life elsewhere in the

500

00:20:38,930 --> 00:20:37,260

universe as a sort of a subject in

501
00:20:40,250 --> 00:20:38,940
university I said in critical theory

502
00:20:43,220 --> 00:20:40,260
which is sort of my academic background

503
00:20:44,930 --> 00:20:43,230
and and critical theories basically you

504
00:20:47,090 --> 00:20:44,940
sort of cultural philosophy we talked

505
00:20:50,060 --> 00:20:47,100
about primarily sort of popular culture

506
00:20:52,490 --> 00:20:50,070
mainstream culture and how and why we

507
00:20:56,630 --> 00:20:52,500
sort of live our lives you know day to

508
00:20:58,400 --> 00:20:56,640
day and my focus in university was on

509
00:21:01,520 --> 00:20:58,410
subcultures I really enjoyed talking

510
00:21:04,370 --> 00:21:01,530
about why certain people sort of

511
00:21:06,560 --> 00:21:04,380
congregate and and discuss certain sort

512
00:21:08,539 --> 00:21:06,570
of specific things that are generally

513
00:21:11,870 --> 00:21:08,549

not considered normal or our mainstream

514

00:21:15,049 --> 00:21:11,880

or popular and and over the years I sort

515

00:21:16,549 --> 00:21:15,059

of realized that UFO culture or UFO

516

00:21:20,060 --> 00:21:16,559

subculture or the UFO community

517

00:21:21,890 --> 00:21:20,070

sometimes we call it is something that's

518

00:21:24,770 --> 00:21:21,900

very interesting the interesting group

519

00:21:26,659 --> 00:21:24,780

of people to look at and as I sort of

520

00:21:28,669 --> 00:21:26,669

started looking into a little more I

521

00:21:31,460 --> 00:21:28,679

became interested and I sort of I guess

522

00:21:34,190 --> 00:21:31,470

unofficially joined it became a MUFON

523

00:21:35,750 --> 00:21:34,200

field investigator for awhile and you

524

00:21:38,240 --> 00:21:35,760

know really just got into the subject

525

00:21:40,789 --> 00:21:38,250

got into the community and ever since

526

00:21:42,890 --> 00:21:40,799

its kind of just like like a train gone

527

00:21:45,310 --> 00:21:42,900

off the rails and into you know I can't

528

00:21:47,750 --> 00:21:45,320

stop it now and it's out of control

529

00:21:51,380 --> 00:21:47,760

but you know to go back to you sort of

530

00:21:53,270 --> 00:21:51,390

your initial point and it doesn't take

531

00:21:57,500 --> 00:21:53,280

long for someone who walks into the UFO

532

00:21:59,150 --> 00:21:57,510

culture to see that you know we've been

533

00:22:01,640 --> 00:21:59,160

kind of running over the same old ground

534

00:22:03,169 --> 00:22:01,650

and the science has been running over

535

00:22:06,470 --> 00:22:03,179

the same old ground and has ultimately

536

00:22:09,500 --> 00:22:06,480

solved nothing you know 70 years in if

537

00:22:11,930 --> 00:22:09,510

we sort of stayed as 1947 being sort of

538

00:22:13,880 --> 00:22:11,940

the unofficial start of UFOs or at least

539

00:22:16,070 --> 00:22:13,890

popular ufology and

540

00:22:18,860 --> 00:22:16,080

you know nothing's really been solved

541

00:22:20,540 --> 00:22:18,870

like you say there's no evidence so I

542

00:22:22,430 --> 00:22:20,550

think we need to approach the UFO

543

00:22:25,340 --> 00:22:22,440

question from a different standpoint and

544

00:22:27,260 --> 00:22:25,350

I think science is definitely one sort

545

00:22:29,390 --> 00:22:27,270

of aspect of it but definitely

546

00:22:31,520 --> 00:22:29,400

philosophy and theory and culture

547

00:22:33,380 --> 00:22:31,530

studies and other disciplines definitely

548

00:22:35,150 --> 00:22:33,390

need to get themselves involved if we're

549

00:22:37,880 --> 00:22:35,160

ever gonna sort of come to some sort of

550

00:22:41,050 --> 00:22:37,890

when you were a field investigator for

551
00:22:45,050 --> 00:22:41,060
MUFON did you investigate any cases that

552
00:22:49,580 --> 00:22:45,060
you thought were baffling that thought

553
00:22:52,040 --> 00:22:49,590
that was really something to this I

554
00:22:54,590 --> 00:22:52,050
think ultimately you know in my entire

555
00:22:55,850 --> 00:22:54,600
career and it was along I was only a

556
00:22:59,180 --> 00:22:55,860
movement for about two and a half years

557
00:23:00,920 --> 00:22:59,190
and my plan was to stay longer however

558
00:23:02,780 --> 00:23:00,930
just sort of due to political reasons

559
00:23:04,730 --> 00:23:02,790
and the political climate of MUFON sort

560
00:23:06,170 --> 00:23:04,740
of over the last couple of months I'm

561
00:23:10,460 --> 00:23:06,180
sure you know most of you audience

562
00:23:12,740 --> 00:23:10,470
remembers sort of the the debacles that

563
00:23:15,410 --> 00:23:12,750

occurred sort of in a row for MUFON and

564

00:23:17,330 --> 00:23:15,420

I decided that you know MUFON is an

565

00:23:20,270 --> 00:23:17,340

organization that I can no longer be a

566

00:23:24,380 --> 00:23:20,280

part of sort of just them personally as

567

00:23:26,060 --> 00:23:24,390

well as just sort of what I personally

568

00:23:27,260 --> 00:23:26,070

believe is a person personally believe

569

00:23:30,470 --> 00:23:27,270

is a person that's in silly but I

570

00:23:31,850 --> 00:23:30,480

personally believe as just a human being

571

00:23:33,350 --> 00:23:31,860

on this planet who who doesn't want to

572

00:23:35,990 --> 00:23:33,360

be involved with sort of certain people

573

00:23:37,850 --> 00:23:36,000

and I guess due to politics have to

574

00:23:41,330 --> 00:23:37,860

remain positions within the organization

575

00:23:45,410 --> 00:23:41,340

and I also have philosophical problems I

576

00:23:48,410 --> 00:23:45,420

think with move fund making claims that

577

00:23:51,260 --> 00:23:48,420

it's a scientific body meanwhile hosting

578

00:23:53,750 --> 00:23:51,270

symposiums concerning topics that are

579

00:23:56,090 --> 00:23:53,760

not at all scientific and are completely

580

00:23:58,150 --> 00:23:56,100

speculation or speculative with with

581

00:24:00,410 --> 00:23:58,160

little evidence to support them if any

582

00:24:02,210 --> 00:24:00,420

so you know I had my I had my

583

00:24:03,920 --> 00:24:02,220

separations with fun overall answer your

584

00:24:07,670 --> 00:24:03,930

question and there was one case that I

585

00:24:11,090 --> 00:24:07,680

that I sort of listed as an unknown only

586

00:24:13,610 --> 00:24:11,100

because I could not figure out in any

587

00:24:16,550 --> 00:24:13,620

way like I couldn't disprove it that of

588

00:24:18,620 --> 00:24:16,560

what the sighting was and so I did list

589

00:24:20,930 --> 00:24:18,630

it as an unknown I did sort of put a

590

00:24:23,600 --> 00:24:20,940

caveat in there saying that you know I

591

00:24:25,370 --> 00:24:23,610

doubt this is something that is you know

592

00:24:27,650 --> 00:24:25,380

otherworldly

593

00:24:28,790 --> 00:24:27,660

but it was definitely something I

594

00:24:31,700 --> 00:24:28,800

couldn't explain it was definitely

595

00:24:33,710 --> 00:24:31,710

something that as I sort of did the

596

00:24:35,810 --> 00:24:33,720

research and you know looked at all of

597

00:24:38,210 --> 00:24:35,820

the data out there flight patterns you

598

00:24:39,710 --> 00:24:38,220

know meteor meteor odd meteorological

599

00:24:42,950 --> 00:24:39,720

events talking to the witnesses there

600

00:24:44,870 --> 00:24:42,960

were two of them you know as far as I

601
00:24:47,360 --> 00:24:44,880
know they saw what they saw so that was

602
00:24:50,780 --> 00:24:47,370
an interesting case for sure huh now the

603
00:24:52,520 --> 00:24:50,790
French had a report I'm trying to

604
00:24:56,440 --> 00:24:52,530
remember the name of the report on UFOs

605
00:25:00,220 --> 00:24:56,450
uh you know which one I'm talking about

606
00:25:06,500 --> 00:25:00,230
did the one that I talked about yeah

607
00:25:08,720 --> 00:25:06,510
it's a I minored in my mind that so but

608
00:25:10,820 --> 00:25:08,730
Leslie did you know the only reason she

609
00:25:13,700 --> 00:25:10,830
got involved in UFO as I'm sure you know

610
00:25:16,070 --> 00:25:13,710
is because of this report she read the

611
00:25:17,690 --> 00:25:16,080
report and thought wow if this is you

612
00:25:20,060 --> 00:25:17,700
know the extra-terrestrial theory is

613
00:25:22,610 --> 00:25:20,070

here best you know their best guess of

614

00:25:26,630 --> 00:25:22,620

what is going on and team of scientists

615

00:25:30,710 --> 00:25:26,640

and you know so what do you think about

616

00:25:33,470 --> 00:25:30,720

that report you know the thing that I

617

00:25:35,510 --> 00:25:33,480

I've heard you say in another interview

618

00:25:36,920 --> 00:25:35,520

and I agree with you is that people do

619

00:25:40,190 --> 00:25:36,930

jump right on the bandwagon that

620

00:25:44,030 --> 00:25:40,200

everything's extraterrestrial right so

621

00:25:45,920 --> 00:25:44,040

what do you think about her you know

622

00:25:49,790 --> 00:25:45,930

getting involved in this because of that

623

00:25:53,180 --> 00:25:49,800

report sure you know I have nothing but

624

00:25:55,670 --> 00:25:53,190

respect for the yeah I think she's she's

625

00:25:57,230 --> 00:25:55,680

definitely coming to this and she's

626
00:26:00,560 --> 00:25:57,240
definitely someone who I think you know

627
00:26:02,180 --> 00:26:00,570
the UFO community needs um you know

628
00:26:05,200 --> 00:26:02,190
she's she's definitely very bright and

629
00:26:07,610 --> 00:26:05,210
she's definitely a good researcher and I

630
00:26:10,730 --> 00:26:07,620
think if we sort of the core of the

631
00:26:12,230 --> 00:26:10,740
question here is is you know the the ETH

632
00:26:14,330 --> 00:26:12,240
right the extra-terrestrial hypothesis

633
00:26:19,840 --> 00:26:14,340
and why has the extra-terrestrial

634
00:26:22,490 --> 00:26:19,850
hypothesis become the go-to position for

635
00:26:23,660 --> 00:26:22,500
people within the UFO community but most

636
00:26:25,130 --> 00:26:23,670
people's in the UFO community there's

637
00:26:27,200 --> 00:26:25,140
definitely people who sort of disagree

638
00:26:29,750 --> 00:26:27,210

with it and this is an interesting

639

00:26:33,500 --> 00:26:29,760

question you know I I fundamentally

640

00:26:37,220 --> 00:26:33,510

don't know why extraterrestrials have

641

00:26:39,050 --> 00:26:37,230

become this sort of standard idea by

642

00:26:41,870 --> 00:26:39,060

which we say you know if UFO

643

00:26:44,540 --> 00:26:41,880

our intelligently controlled it they

644

00:26:46,010 --> 00:26:44,550

must be piloted then by you know beings

645

00:26:47,570 --> 00:26:46,020

like you and I they're just maybe

646

00:26:49,160 --> 00:26:47,580

smarter and they look different and they

647

00:26:51,860 --> 00:26:49,170

have better technology that seems

648

00:26:53,150 --> 00:26:51,870

magical to us but you know we tend to

649

00:26:54,830 --> 00:26:53,160

fall back on us and I have to be honest

650

00:26:57,140 --> 00:26:54,840

I think primarily it's a cultural thing

651
00:26:58,670 --> 00:26:57,150
I think primarily we believe our sorry

652
00:27:01,250 --> 00:26:58,680
the the UFO community in general

653
00:27:03,890 --> 00:27:01,260
believes in extraterrestrials because

654
00:27:07,510 --> 00:27:03,900
we've been fed that story for a long

655
00:27:09,110 --> 00:27:07,520
time you know Star Trek and Star Wars

656
00:27:12,140 --> 00:27:09,120
The X Files

657
00:27:14,270 --> 00:27:12,150
you know alien all of these sort of

658
00:27:18,200 --> 00:27:14,280
films and TV shows that have constantly

659
00:27:21,290 --> 00:27:18,210
kind of reinforced this idea even into

660
00:27:23,060 --> 00:27:21,300
earlier the 1920s 1930s and 1940s you

661
00:27:26,330 --> 00:27:23,070
know there were the comics and and the

662
00:27:30,350 --> 00:27:26,340
radio shows talking about you know space

663
00:27:32,900 --> 00:27:30,360

aliens so this idea of beings from other

664

00:27:34,700 --> 00:27:32,910

planets is something that you and I can

665

00:27:37,040 --> 00:27:34,710

easily kind of talk about we can talk

666

00:27:39,290 --> 00:27:37,050

about it easily because they're like you

667

00:27:44,120 --> 00:27:39,300

and me right we kind of can approach the

668

00:27:45,830 --> 00:27:44,130

ETH because you and I are you know made

669

00:27:48,080 --> 00:27:45,840

of meat and we have free will an agency

670

00:27:51,500 --> 00:27:48,090

just like they do and we have technology

671

00:27:53,360 --> 00:27:51,510

just like they do and we are starting to

672

00:27:54,860 --> 00:27:53,370

go out into space and they've been doing

673

00:27:57,740 --> 00:27:54,870

it you know like it's easy for us to

674

00:28:00,650 --> 00:27:57,750

comprehend something else like us like

675

00:28:02,530 --> 00:28:00,660

ourselves however there's a lot of

676
00:28:05,120 --> 00:28:02,540
people especially now especially younger

677
00:28:08,030 --> 00:28:05,130
UFO researchers who are looking at the

678
00:28:10,520 --> 00:28:08,040
UFO question not from sort of the place

679
00:28:14,030 --> 00:28:10,530
of extraterrestrials but rather from

680
00:28:15,740 --> 00:28:14,040
something else something strange and

681
00:28:18,740 --> 00:28:15,750
I've said this before I believe

682
00:28:22,550 --> 00:28:18,750
something strange is going on what that

683
00:28:24,170 --> 00:28:22,560
strange is I have no idea but it

684
00:28:27,140 --> 00:28:24,180
definitely when you look at the evidence

685
00:28:29,390 --> 00:28:27,150
and you look at sort of all evidence

686
00:28:31,520 --> 00:28:29,400
equally and that's hard to do sometimes

687
00:28:33,950 --> 00:28:31,530
because we often approach UFO cases from

688
00:28:37,640 --> 00:28:33,960

kind of our own ideological baggage

689

00:28:39,770 --> 00:28:37,650

right some stuff sounds okay some stuff

690

00:28:41,390 --> 00:28:39,780

sounds totally nuts and what you

691

00:28:45,860 --> 00:28:41,400

shouldn't believe right if we kind of

692

00:28:48,170 --> 00:28:45,870

look at it all evenly the ETH doesn't

693

00:28:50,210 --> 00:28:48,180

fit it doesn't fit at all there's so

694

00:28:51,899 --> 00:28:50,220

many moments of high strangeness that

695

00:28:54,959 --> 00:28:51,909

don't jive

696

00:28:57,329 --> 00:28:54,969

why do we believe that it's a species of

697

00:28:58,919 --> 00:28:57,339

aliens or maybe a dozen species of

698

00:29:01,619 --> 00:28:58,929

aliens kind of doing stuff it doesn't

699

00:29:02,909 --> 00:29:01,629

make sense and and you know like I said

700

00:29:05,459 --> 00:29:02,919

I've talked about this many times before

701
00:29:10,229 --> 00:29:05,469
and in various blog posts as well as on

702
00:29:13,219 --> 00:29:10,239
other interviews I think we approach the

703
00:29:18,139 --> 00:29:13,229
UFO question from the ETH from culture

704
00:29:22,259 --> 00:29:18,149
but I think it's illegitimate well I I

705
00:29:24,419 --> 00:29:22,269
tend to think that I tend to think that

706
00:29:26,779 --> 00:29:24,429
there are at least part of it I have

707
00:29:30,329 --> 00:29:26,789
said on the show a number of times that

708
00:29:32,309 --> 00:29:30,339
you know it may be perhaps the UFOs are

709
00:29:35,159 --> 00:29:32,319
something we haven't even thought of yet

710
00:29:37,109 --> 00:29:35,169
or you know can't even imagine you know

711
00:29:41,309 --> 00:29:37,119
and I think you know that's definitely a

712
00:29:43,309 --> 00:29:41,319
possibility but I also think of it yes I

713
00:29:46,139 --> 00:29:43,319

understand where you're coming from and

714

00:29:49,529 --> 00:29:46,149

you you probably get a lot of people and

715

00:29:51,869 --> 00:29:49,539

ufology kind of hammering you because of

716

00:29:54,329 --> 00:29:51,879

your thoughts about this I can imagine

717

00:29:58,139 --> 00:29:54,339

possibly but we can talk about that but

718

00:30:03,629 --> 00:29:58,149

I do think it's possible that at least

719

00:30:06,749 --> 00:30:03,639

some of the UFOs could be visiting us I

720

00:30:12,509 --> 00:30:06,759

think it makes sense but I also realized

721

00:30:15,419 --> 00:30:12,519

that we can't help but put ourselves you

722

00:30:17,729 --> 00:30:15,429

know humanize what is going on you know

723

00:30:20,279 --> 00:30:17,739

that's that's the problem we always

724

00:30:22,019 --> 00:30:20,289

think like well we would do it so why

725

00:30:24,029 --> 00:30:22,029

wouldn't they do it and you know if

726

00:30:26,309 --> 00:30:24,039

something develops on an in a different

727

00:30:28,199 --> 00:30:26,319

solar system or whatever you know

728

00:30:29,899 --> 00:30:28,209

millions of years ahead of us who knows

729

00:30:32,339 --> 00:30:29,909

what their way of thinking and acting

730

00:30:37,259 --> 00:30:32,349

you know are maybe they can't even

731

00:30:38,969 --> 00:30:37,269

conceive of what we can see above yeah

732

00:30:41,789 --> 00:30:38,979

this comes up often right this comes up

733

00:30:45,809 --> 00:30:41,799

comes up often in in the UFO narrative

734

00:30:47,639 --> 00:30:45,819

where you have these beings and they're

735

00:30:49,680 --> 00:30:47,649

very similar to you and I right they're

736

00:30:52,529 --> 00:30:49,690

so similar in fact that we sort of have

737

00:30:54,989 --> 00:30:52,539

stories of hybridization you know and we

738

00:30:57,509 --> 00:30:54,999

have stories of you know sexual

739

00:30:59,399 --> 00:30:57,519

encounters between humans and you know

740

00:31:03,569 --> 00:30:59,409

these other these others whatever they

741

00:31:07,649 --> 00:31:03,579

are and not only that you know we often

742

00:31:09,809 --> 00:31:07,659

approach them in ins with human ethical

743

00:31:12,329 --> 00:31:09,819

terms right you know we we say that

744

00:31:14,369 --> 00:31:12,339

they're either peaceful or malevolent we

745

00:31:16,469 --> 00:31:14,379

even differentiate between the

746

00:31:18,809 --> 00:31:16,479

experiences we have with them right we

747

00:31:21,239 --> 00:31:18,819

we differentiate a contact experience

748

00:31:23,609 --> 00:31:21,249

which is usually benign peaceful

749

00:31:26,489 --> 00:31:23,619

they're here to impart a message upon

750

00:31:28,259 --> 00:31:26,499

someone this is a contact moment and

751
00:31:29,519 --> 00:31:28,269
then we have an abduction experience

752
00:31:31,949 --> 00:31:29,529
right this is the negative this is when

753
00:31:34,139 --> 00:31:31,959
we view them as evil beings they're

754
00:31:36,089 --> 00:31:34,149
malevolent they're here to test us and

755
00:31:38,849 --> 00:31:36,099
they're here to to prod us and pocus and

756
00:31:41,549 --> 00:31:38,859
do sort of horrible things and we apply

757
00:31:45,529 --> 00:31:41,559
this very human ethical system to

758
00:31:47,159 --> 00:31:45,539
something that isn't human and and

759
00:31:50,579 --> 00:31:47,169
fundamentally we need to ask ourselves

760
00:31:54,619 --> 00:31:50,589
why is this furthermore you know we need

761
00:31:57,569 --> 00:31:54,629
to understand I think that a lot of our

762
00:32:01,439 --> 00:31:57,579
anxieties a lot of our fears sort of as

763
00:32:04,709 --> 00:32:01,449

a culture we place upon them whatever

764

00:32:08,879 --> 00:32:04,719

they are at the other the alien or you

765

00:32:10,169 --> 00:32:08,889

know the intelligent sort of beings that

766

00:32:12,659 --> 00:32:10,179

without are often showing up in the

767

00:32:14,609 --> 00:32:12,669

narrative because they often come to us

768

00:32:16,769 --> 00:32:14,619

with sort of very human messages right

769

00:32:18,689 --> 00:32:16,779

and this has been happening since you

770

00:32:20,909 --> 00:32:18,699

know again the dawn of ufology with you

771

00:32:22,199 --> 00:32:20,919

know Adamski and all those guys you know

772

00:32:24,569 --> 00:32:22,209

they've been talking about space

773

00:32:26,639 --> 00:32:24,579

brothers and peace love and saving the

774

00:32:29,789 --> 00:32:26,649

planet from nuclear bombs and and global

775

00:32:31,709 --> 00:32:29,799

warming for a long time and a lot of

776

00:32:34,409 --> 00:32:31,719

this narrative sort of hasn't changed

777

00:32:36,209 --> 00:32:34,419

and and maybe it's because we haven't

778

00:32:39,869 --> 00:32:36,219

changed and we're still sort of afraid

779

00:32:43,199 --> 00:32:39,879

of those things but it makes you wonder

780

00:32:45,449 --> 00:32:43,209

why they would potentially sort of care

781

00:32:46,529 --> 00:32:45,459

about sort of those ideas and

782

00:32:48,479 --> 00:32:46,539

furthermore that they can even talk to

783

00:32:50,309 --> 00:32:48,489

us about those ideas you know if we make

784

00:32:51,269 --> 00:32:50,319

a lot of logical leaps and a lot of

785

00:32:53,789 --> 00:32:51,279

assumptions that they can even

786

00:32:56,969 --> 00:32:53,799

communicate with us that our brains can

787

00:32:59,069 --> 00:32:56,979

even jive in some sort of communicative

788

00:33:01,169 --> 00:32:59,079

sort of language or telepathy or

789

00:33:03,539 --> 00:33:01,179

whatever to suggest that they are gonna

790

00:33:07,829 --> 00:33:03,549

be anything like us is again you know

791

00:33:10,349 --> 00:33:07,839

very speculative and again if we go to

792

00:33:13,589 --> 00:33:10,359

the witnesses it's the witnesses sort of

793

00:33:14,490 --> 00:33:13,599

stories that create the scenario it's

794

00:33:15,660 --> 00:33:14,500

not other witnesses or

795

00:33:19,260 --> 00:33:15,670

lying and it's not that they're

796

00:33:22,050 --> 00:33:19,270

delusional these they are probably very

797

00:33:23,430 --> 00:33:22,060

much having real experiences however we

798

00:33:25,980 --> 00:33:23,440

have to remember that it's people

799

00:33:30,390 --> 00:33:25,990

interpreting experiences and and humans

800

00:33:32,130 --> 00:33:30,400

have this this sort of sort of safety

801
00:33:34,110 --> 00:33:32,140
switch that kind of whenever we

802
00:33:35,610 --> 00:33:34,120
experience anything we always interpret

803
00:33:39,090 --> 00:33:35,620
it in a way that makes sense to us right

804
00:33:41,220 --> 00:33:39,100
we always try to make everything make

805
00:33:44,820 --> 00:33:41,230
sense to us and this is perfectly normal

806
00:33:47,430 --> 00:33:44,830
resolution a safety it literally is yeah

807
00:33:48,600 --> 00:33:47,440
I mean you know we're designed to to see

808
00:33:50,070 --> 00:33:48,610
certain things we're designed to

809
00:33:54,000 --> 00:33:50,080
understand certain things in certain

810
00:33:56,700 --> 00:33:54,010
ways so you know we don't die and we

811
00:33:59,610 --> 00:33:56,710
often I think place our ideological

812
00:34:03,000 --> 00:33:59,620
selves upon these beings wherever they

813
00:34:05,370 --> 00:34:03,010

are and to suggest that they can easily

814

00:34:07,410 --> 00:34:05,380

communicate with us or anything that

815

00:34:08,760 --> 00:34:07,420

they're even like us in any way I think

816

00:34:11,600 --> 00:34:08,770

that is just sort of human

817

00:34:13,889 --> 00:34:11,610

interpretation being placed upon them

818

00:34:14,879 --> 00:34:13,899

whatever they are and this is why again

819

00:34:17,129 --> 00:34:14,889

I have problems with the

820

00:34:19,409 --> 00:34:17,139

extra-terrestrial hypothesis because if

821

00:34:23,340 --> 00:34:19,419

they were just people like you and I

822

00:34:25,139 --> 00:34:23,350

flying around the galaxy they would they

823

00:34:26,820 --> 00:34:25,149

wouldn't really function like you and I

824

00:34:28,680 --> 00:34:26,830

they would be totally different follow a

825

00:34:32,430 --> 00:34:28,690

completely separate evolutionary path on

826

00:34:34,560 --> 00:34:32,440

a totally separate evolutionary lineage

827

00:34:35,190 --> 00:34:34,570

and plant like you know to suggest that

828

00:34:38,159 --> 00:34:35,200

they're you know

829

00:34:40,139 --> 00:34:38,169

reptiles for example in one narrative

830

00:34:40,649 --> 00:34:40,149

right the reptilians or whatever that's

831

00:34:42,180 --> 00:34:40,659

crazy

832

00:34:43,409 --> 00:34:42,190

I mean how do you know there's reptiles

833

00:34:45,869 --> 00:34:43,419

on other planets you know I mean like

834

00:34:47,790 --> 00:34:45,879

what reptiles evolved on earth they did

835

00:34:50,430 --> 00:34:47,800

not necessarily evolve anywhere else in

836

00:34:52,590 --> 00:34:50,440

the cosmos so again you know it's these

837

00:34:55,320 --> 00:34:52,600

logical leaps the UFO community kind of

838

00:34:56,580 --> 00:34:55,330

takes and yeah I do definitely get flack

839

00:34:59,820 --> 00:34:56,590

for it I'm sure I'll get a couple

840

00:35:02,190 --> 00:34:59,830

interesting comments on this madness on

841

00:35:04,230 --> 00:35:02,200

this well when I can actually are in the

842

00:35:06,300 --> 00:35:04,240

second hour I'm gonna you know toward

843

00:35:09,180 --> 00:35:06,310

the end I'm gonna ask if anyone wants to

844

00:35:11,520 --> 00:35:09,190

call in and so they can do that right

845

00:35:13,650 --> 00:35:11,530

yeah it should be interesting if we get

846

00:35:17,100 --> 00:35:13,660

some calls so one of the one of the

847

00:35:19,260 --> 00:35:17,110

cases I think is totally amazing and a

848

00:35:23,040 --> 00:35:19,270

friend of mine is creating a film on it

849

00:35:28,290 --> 00:35:23,050

is the Ariel school the Ruis and Bob

850

00:35:28,590 --> 00:35:28,300

Whedon that particular case is really

851
00:35:31,560 --> 00:35:28,600
some

852
00:35:36,090 --> 00:35:31,570
thing and how would you think you would

853
00:35:38,090 --> 00:35:36,100
interpret what those children saw in any

854
00:35:41,280 --> 00:35:38,100
other way you know in a different way

855
00:35:43,530 --> 00:35:41,290
right well I think you know and again

856
00:35:46,830 --> 00:35:43,540
I've I know a bit about the case and

857
00:35:48,630 --> 00:35:46,840
I've heard that one of the overarching

858
00:35:49,800 --> 00:35:48,640
problems I guess with the case and

859
00:35:51,150 --> 00:35:49,810
there's what the debunkers have said I'm

860
00:35:53,280 --> 00:35:51,160
not necessary green with them I'm just

861
00:35:56,100 --> 00:35:53,290
sort of restating what they've stated is

862
00:35:59,210 --> 00:35:56,110
that some of the descriptions of what

863
00:36:01,830 --> 00:35:59,220

occurred and the entities or whatever

864

00:36:03,840 --> 00:36:01,840

weren't sort of the same across the

865

00:36:08,910 --> 00:36:03,850

board right they there were variations

866

00:36:11,100 --> 00:36:08,920

in in the testimony of the kids so this

867

00:36:12,210 --> 00:36:11,110

leads me to believe sort of it mislead

868

00:36:16,170 --> 00:36:12,220

should lead anyone to believe one of two

869

00:36:18,180 --> 00:36:16,180

things one they didn't make it up but

870

00:36:20,160 --> 00:36:18,190

they sort of imagined it and that's why

871

00:36:22,470 --> 00:36:20,170

there's variation in the story or two

872

00:36:24,870 --> 00:36:22,480

they something did happen something

873

00:36:27,240 --> 00:36:24,880

legitimately happened but the the

874

00:36:29,970 --> 00:36:27,250

children interpreted what occurred there

875

00:36:32,370 --> 00:36:29,980

they they're where they came from their

876

00:36:34,530 --> 00:36:32,380

ideological backgrounds interpreted what

877

00:36:38,940 --> 00:36:34,540

occurred differently based upon them

878

00:36:40,290 --> 00:36:38,950

right very similarly to you know I'm

879

00:36:41,780 --> 00:36:40,300

sure you're else immigrants has seen the

880

00:36:44,270 --> 00:36:41,790

film the arrival

881

00:36:46,350 --> 00:36:44,280

certain that was really good certain

882

00:36:50,400 --> 00:36:46,360

yeah certain characters in the film

883

00:36:52,350 --> 00:36:50,410

interpret the the Hebda pods in one way

884

00:36:53,610 --> 00:36:52,360

and some interpret them in the other way

885

00:36:56,010 --> 00:36:53,620

and the one who sort of interpret some

886

00:36:57,210 --> 00:36:56,020

of the best played by amy adams you know

887

00:36:59,340 --> 00:36:57,220

she learns to speak their language and

888

00:37:01,080 --> 00:36:59,350

she sort of sees them i suppose for what

889

00:37:03,990 --> 00:37:01,090

they actually are right she she can sort

890

00:37:06,930 --> 00:37:04,000

of move past the illusion of the Hebda

891

00:37:11,640 --> 00:37:06,940

plot you know I think potentially in

892

00:37:14,940 --> 00:37:11,650

this aerial case in Zimbabwe I think

893

00:37:17,250 --> 00:37:14,950

what you have is an anomalous event and

894

00:37:19,860 --> 00:37:17,260

I think you have a group of people who

895

00:37:22,650 --> 00:37:19,870

approach that event from their own sort

896

00:37:25,440 --> 00:37:22,660

of personal backgrounds and an end from

897

00:37:29,100 --> 00:37:25,450

their own ideological place and

898

00:37:30,510 --> 00:37:29,110

interpret it differently so I think for

899

00:37:33,990 --> 00:37:30,520

me personally this is why you have a

900

00:37:36,210 --> 00:37:34,000

variation of what occurred or or what

901
00:37:39,060 --> 00:37:36,220
they saw and we see this in the UFO

902
00:37:40,950 --> 00:37:39,070
narrative all the time you have dozens

903
00:37:42,210 --> 00:37:40,960
you have thousands and thousands and

904
00:37:45,100 --> 00:37:42,220
thousands of

905
00:37:48,730 --> 00:37:45,110
abduction cases involving the grace you

906
00:37:51,610 --> 00:37:48,740
also have thousands of you know UFO

907
00:37:54,750 --> 00:37:51,620
cases where people you know see giant

908
00:37:58,600 --> 00:37:54,760
owls and bunny rabbits and eight-foot

909
00:38:00,280 --> 00:37:58,610
giant beings with horns and goblins I

910
00:38:04,180 --> 00:38:00,290
mean you know you have this insane

911
00:38:08,440 --> 00:38:04,190
variation of UFO testimony to suggest

912
00:38:10,450 --> 00:38:08,450
that it's extraterrestrials is difficult

913
00:38:11,770 --> 00:38:10,460

because ultimately what's going on with

914

00:38:12,970 --> 00:38:11,780

the extraterrestrials how come sometimes

915

00:38:14,710 --> 00:38:12,980

they look like greys how come sometimes

916

00:38:16,030 --> 00:38:14,720

they look like owls sometimes look like

917

00:38:18,400 --> 00:38:16,040

how come sometimes they look they're

918

00:38:21,070 --> 00:38:18,410

eight feet tall and you know ultimately

919

00:38:23,590 --> 00:38:21,080

what occurs is is you either have to

920

00:38:26,110 --> 00:38:23,600

then say well there's hundreds of races

921

00:38:27,550 --> 00:38:26,120

visiting or hundreds and hundreds

922

00:38:30,010 --> 00:38:27,560

because they all fly different ships -

923

00:38:33,190 --> 00:38:30,020

and in the 1800's they flew airships and

924

00:38:35,110 --> 00:38:33,200

you know made out of hydrogen and they

925

00:38:37,060 --> 00:38:35,120

spoke English and they needed water and

926
00:38:38,770 --> 00:38:37,070
gasoline to fly them and you know in the

927
00:38:40,240 --> 00:38:38,780
1950s they had saucers and and in the

928
00:38:41,800 --> 00:38:40,250
90s that triangles so you know

929
00:38:44,200 --> 00:38:41,810
ultimately what's going on if it's

930
00:38:45,400 --> 00:38:44,210
extraterrestrials and I personally think

931
00:38:46,870 --> 00:38:45,410
it's something else I personally think

932
00:38:47,950 --> 00:38:46,880
we're dealing with something intelligent

933
00:38:50,740 --> 00:38:47,960
I think we're dealing with some sort of

934
00:38:52,630 --> 00:38:50,750
strange phenomenon but our personal

935
00:38:54,880 --> 00:38:52,640
interpretation of it is what makes it

936
00:38:57,400 --> 00:38:54,890
sort of real and it's what gives it

937
00:38:58,510 --> 00:38:57,410
shake and the kids at the in Zimbabwe I

938
00:39:01,240 --> 00:38:58,520

think this is what happened

939

00:39:03,190 --> 00:39:01,250

I think they fundamentally saw something

940

00:39:04,810 --> 00:39:03,200

anomalous something strange happened and

941

00:39:06,310 --> 00:39:04,820

they interpret it in their own way

942

00:39:09,910 --> 00:39:06,320

well it'll be really interesting when

943

00:39:12,400 --> 00:39:09,920

Randy gets that film completed because

944

00:39:16,150 --> 00:39:12,410

of a you know what he's basically done

945

00:39:18,820 --> 00:39:16,160

has interviewed these kids again today

946

00:39:20,230 --> 00:39:18,830

you know in their 20s and actually I'm

947

00:39:23,790 --> 00:39:20,240

gonna have one of them on the show with

948

00:39:27,760 --> 00:39:23,800

him coming up I've already met rmally

949

00:39:31,540 --> 00:39:27,770

and she gave a talk out at the Phoenix

950

00:39:33,940 --> 00:39:31,550

UFO Congress oh two two years ago I

951
00:39:36,310 --> 00:39:33,950
guess it was and actually brought a lot

952
00:39:39,630 --> 00:39:36,320
of people to tears because it was such a

953
00:39:43,180 --> 00:39:39,640
an emotional you know situation for her

954
00:39:44,950 --> 00:39:43,190
what will be really interesting is to

955
00:39:48,670 --> 00:39:44,960
see the film when it's completed and

956
00:39:50,590 --> 00:39:48,680
hear all all what has happened to their

957
00:39:53,110 --> 00:39:50,600
lives as they moved on and what they

958
00:39:55,630 --> 00:39:53,120
actually think about and the differences

959
00:39:57,460 --> 00:39:55,640
and what each of them say

960
00:39:59,290 --> 00:39:57,470
what happened that day one of the things

961
00:40:00,820 --> 00:39:59,300
I think is really interesting and for

962
00:40:03,160 --> 00:40:00,830
young children to come up with this on

963
00:40:05,470 --> 00:40:03,170

their own this kind of bizarre is a few

964

00:40:07,780 --> 00:40:05,480

of them were saying that you know the

965

00:40:10,150 --> 00:40:07,790

thoughts that they had had to do with us

966

00:40:11,740 --> 00:40:10,160

taking care of the earth you know that

967

00:40:13,780 --> 00:40:11,750

bad things can happen to the earth if we

968

00:40:16,810 --> 00:40:13,790

don't take care of it and you do hear

969

00:40:19,510 --> 00:40:16,820

that a lot you know but for a young

970

00:40:22,330 --> 00:40:19,520

child to say that that's uh that would

971

00:40:25,690 --> 00:40:22,340

just make that up would be very very

972

00:40:27,130 --> 00:40:25,700

strange so I agree and I don't

973

00:40:29,710 --> 00:40:27,140

necessarily think anything was made up I

974

00:40:33,490 --> 00:40:29,720

honestly think so the events in Zimbabwe

975

00:40:35,200 --> 00:40:33,500

like I said something did happen I'm

976

00:40:37,660 --> 00:40:35,210

just not sure if it was you know aliens

977

00:40:41,560 --> 00:40:37,670

from another planet and I and I think

978

00:40:43,630 --> 00:40:41,570

that's kind of where maybe I deviate a

979

00:40:47,470 --> 00:40:43,640

bit from sort of some of the others in

980

00:40:48,970 --> 00:40:47,480

within the UFO you know I you know the

981

00:40:50,710 --> 00:40:48,980

old saying I know what I saw you know

982

00:40:54,280 --> 00:40:50,720

type of thing you know I had I had a

983

00:40:57,310 --> 00:40:54,290

saving that you know I don't think could

984

00:40:59,620 --> 00:40:57,320

be explained you know back in 2006 and

985

00:41:04,780 --> 00:40:59,630

in Monterrey in the Monterey area I was

986

00:41:07,840 --> 00:41:04,790

in Carmel Valley California but also the

987

00:41:09,010 --> 00:41:07,850

one way it could be explained is you

988

00:41:10,750 --> 00:41:09,020

know it could be something it could have

989

00:41:13,120 --> 00:41:10,760

been something military although it was

990

00:41:15,610 --> 00:41:13,130

a perfectly shaped round disc and the

991

00:41:17,620 --> 00:41:15,620

thing that astonished me the most about

992

00:41:19,210 --> 00:41:17,630

the whole entire sighting and I had

993

00:41:20,860 --> 00:41:19,220

never heard anyone else say this is that

994

00:41:25,810 --> 00:41:20,870

the thing was moving without making any

995

00:41:27,340 --> 00:41:25,820

sound yet you know so when I say I know

996

00:41:30,010 --> 00:41:27,350

what I saw but I don't know if it was

997

00:41:32,200 --> 00:41:30,020

extraterrestrial I don't have no idea

998

00:41:34,660 --> 00:41:32,210

what it was but I certainly know that I

999

00:41:37,030 --> 00:41:34,670

saw something what do you think people

1000

00:41:38,890 --> 00:41:37,040

are seeing what what is your thoughts on

1001

00:41:42,400 --> 00:41:38,900

that if you don't think it's

1002

00:41:43,810 --> 00:41:42,410

extraterrestrial so okay so we're

1003

00:41:48,370 --> 00:41:43,820

getting to the we're getting to the core

1004

00:41:51,070 --> 00:41:48,380

of it now are we perfect you know

1005

00:41:54,130 --> 00:41:51,080

personally I don't know I can't ask your

1006

00:41:57,130 --> 00:41:54,140

question and you know I have to I have

1007

00:42:02,440 --> 00:41:57,140

to go with sorry let me let me start

1008

00:42:04,450 --> 00:42:02,450

over here I think I have to start with I

1009

00:42:07,570 --> 00:42:04,460

don't know and the main reason for that

1010

00:42:09,440 --> 00:42:07,580

is because anyone who's sort of within

1011

00:42:13,220 --> 00:42:09,450

the you know UFO community says

1012

00:42:15,170 --> 00:42:13,230

this is exactly what's going on 100% is

1013

00:42:19,970 --> 00:42:15,180

either delusional or trying to sell you

1014

00:42:22,010 --> 00:42:19,980

something and that's and that's across

1015

00:42:23,900 --> 00:42:22,020

the board right if they say I know

1016

00:42:28,730 --> 00:42:23,910

exactly what's going on and here's what

1017

00:42:32,540 --> 00:42:28,740

it is your BS meter should be going

1018

00:42:35,210 --> 00:42:32,550

through the roof and so so let's start

1019

00:42:37,550 --> 00:42:35,220

there so anyone who thinks they know

1020

00:42:41,450 --> 00:42:37,560

what's going on you can visit my website

1021

00:42:42,890 --> 00:42:41,460

no yeah I think I think what we're

1022

00:42:45,260 --> 00:42:42,900

dealing with and and this is again

1023

00:42:46,339 --> 00:42:45,270

personal opinion I'm not an expert I

1024

00:42:49,550 --> 00:42:46,349

don't know

1025

00:42:52,599 --> 00:42:49,560

all I all I have behind me to support me

1026
00:42:54,800 --> 00:42:52,609
in this is what the witnesses say and

1027
00:42:57,530 --> 00:42:54,810
the fact that what the witnesses say

1028
00:43:00,260 --> 00:42:57,540
don't always doesn't always jive the

1029
00:43:03,440 --> 00:43:00,270
fact that the the significant pile of

1030
00:43:05,480 --> 00:43:03,450
evidence out there signing reports

1031
00:43:07,609 --> 00:43:05,490
especially and witness encounters that

1032
00:43:10,550 --> 00:43:07,619
do not fit in with the extra-terrestrial

1033
00:43:12,770 --> 00:43:10,560
hypothesis so I'm kind of going on on

1034
00:43:16,280 --> 00:43:12,780
pure witness reports and I'm weighing

1035
00:43:17,750 --> 00:43:16,290
them evenly I'm not you know there's

1036
00:43:19,309 --> 00:43:17,760
gonna be hoaxes and there's gonna be

1037
00:43:21,829 --> 00:43:19,319
people who are delusional there's always

1038
00:43:24,200 --> 00:43:21,839

going to be that but you still have a

1039

00:43:26,240 --> 00:43:24,210

huge chunk a huge core of people who

1040

00:43:30,319 --> 00:43:26,250

have had strange experiences and they do

1041

00:43:33,740 --> 00:43:30,329

not sort of coalesce into this nice tidy

1042

00:43:36,200 --> 00:43:33,750

package of its et I think what we're

1043

00:43:38,329 --> 00:43:36,210

dealing with is something that you know

1044

00:43:41,990 --> 00:43:38,339

we've potentially as a species have been

1045

00:43:43,849 --> 00:43:42,000

dealing with for a long time I've made a

1046

00:43:48,559 --> 00:43:43,859

joke to someone once I've become you

1047

00:43:50,930 --> 00:43:48,569

know Union in my old age and I believe

1048

00:43:53,660 --> 00:43:50,940

that what we have sort of have been

1049

00:43:56,210 --> 00:43:53,670

dealing with for a long time is what

1050

00:43:58,280 --> 00:43:56,220

Carl Jung has often described as a sort

1051
00:44:02,500 --> 00:43:58,290
of a universal consciousness a sort of

1052
00:44:06,319 --> 00:44:02,510
an intelligence that exists within our

1053
00:44:10,010 --> 00:44:06,329
collective minds as a species we are all

1054
00:44:12,380 --> 00:44:10,020
sort of part of the same tapestry and

1055
00:44:14,780 --> 00:44:12,390
and there are other things within this

1056
00:44:16,160 --> 00:44:14,790
tapestry that also exist they're not

1057
00:44:18,550 --> 00:44:16,170
necessarily evil they're not necessarily

1058
00:44:21,290 --> 00:44:18,560
good that they just exist

1059
00:44:22,910 --> 00:44:21,300
when we interact with these things

1060
00:44:27,080 --> 00:44:22,920
whatever they are

1061
00:44:29,990 --> 00:44:27,090
we our own sort of concepts of good and

1062
00:44:32,720 --> 00:44:30,000
bad our own concepts of right and wrong

1063
00:44:35,870 --> 00:44:32,730

our own ideological background is what

1064

00:44:40,400 --> 00:44:35,880

makes them real they're sort of out

1065

00:44:42,590 --> 00:44:40,410

there we give them you know physical

1066

00:44:47,450 --> 00:44:42,600

presence and we give them the ability to

1067

00:44:49,550 --> 00:44:47,460

interact with us we see this sort of in

1068

00:44:51,440 --> 00:44:49,560

a couple ways um often talks about in

1069

00:44:53,120 --> 00:44:51,450

its in a psychology the idea of

1070

00:44:54,920 --> 00:44:53,130

archetypes the fact that it doesn't

1071

00:44:57,590 --> 00:44:54,930

matter whether you are born in North

1072

00:44:59,720 --> 00:44:57,600

America or whether you were born in in

1073

00:45:02,030 --> 00:44:59,730

the Middle Eastern Africa or wherever

1074

00:45:03,440 --> 00:45:02,040

and it doesn't matter if if these

1075

00:45:04,700 --> 00:45:03,450

cultures were born thousands of years

1076
00:45:06,140 --> 00:45:04,710
ago or these people were born thousands

1077
00:45:10,270 --> 00:45:06,150
of years ago or they're born today we

1078
00:45:15,170 --> 00:45:10,280
all have a fundamental understanding of

1079
00:45:17,510 --> 00:45:15,180
of some messages and ideologies the good

1080
00:45:20,990 --> 00:45:17,520
guys are always sort of similar the bad

1081
00:45:22,460 --> 00:45:21,000
guys are always sort of similar we also

1082
00:45:24,260 --> 00:45:22,470
interpret things differently we always

1083
00:45:26,690 --> 00:45:24,270
provide or sorry we always interpret

1084
00:45:29,390 --> 00:45:26,700
things similarly certain animals we

1085
00:45:30,920 --> 00:45:29,400
often interpret as being wise or good or

1086
00:45:32,720 --> 00:45:30,930
evil or as symbols of death or whatever

1087
00:45:34,640 --> 00:45:32,730
and this is sort of universal this is a

1088
00:45:37,550 --> 00:45:34,650

universal idea this idea of the

1089

00:45:39,830 --> 00:45:37,560

archetype and young often talks about

1090

00:45:41,450 --> 00:45:39,840

that the reason why these archetypes are

1091

00:45:43,970 --> 00:45:41,460

all similar for everyone on this planet

1092

00:45:44,570 --> 00:45:43,980

is because we're all sort of tied in

1093

00:45:46,280 --> 00:45:44,580

together

1094

00:45:47,900 --> 00:45:46,290

there is something that's binding us

1095

00:45:51,220 --> 00:45:47,910

together some sort of consciousness and

1096

00:45:54,020 --> 00:45:51,230

and like I've said sort of just now

1097

00:45:55,850 --> 00:45:54,030

there is something present within this

1098

00:45:57,440 --> 00:45:55,860

consciousness like I said it has some

1099

00:46:00,020 --> 00:45:57,450

sort of intelligence and when we

1100

00:46:02,780 --> 00:46:00,030

interact with it it sort of comes

1101
00:46:04,310 --> 00:46:02,790
forward in some way it's not necessarily

1102
00:46:08,660 --> 00:46:04,320
extraterrestrial it's not from another

1103
00:46:10,280 --> 00:46:08,670
planet it's just not human and I think

1104
00:46:12,050 --> 00:46:10,290
that this is sort of what we're dealing

1105
00:46:13,490 --> 00:46:12,060
with and philosophers have been talking

1106
00:46:16,040 --> 00:46:13,500
about this for a long time this is a new

1107
00:46:18,770 --> 00:46:16,050
Aristotle talked about this thousands

1108
00:46:20,330 --> 00:46:18,780
and thousands of years ago and so you

1109
00:46:21,950 --> 00:46:20,340
know we're not dealing with anything

1110
00:46:25,610 --> 00:46:21,960
strange or new in the philosophical

1111
00:46:27,380 --> 00:46:25,620
world but I think in the UFO world I

1112
00:46:28,940 --> 00:46:27,390
think this you know young kind of

1113
00:46:31,160 --> 00:46:28,950

brought it up and I think it's hasn't

1114

00:46:33,860 --> 00:46:31,170

really gotten the same traction that DTH

1115

00:46:35,150 --> 00:46:33,870

has and that's why the ETH is definitely

1116

00:46:36,980 --> 00:46:35,160

sort of the popular discourse right I

1117

00:46:40,430 --> 00:46:36,990

think this sort of ties in

1118

00:46:43,760 --> 00:46:40,440

with other paranormal events I have a

1119

00:46:47,600 --> 00:46:43,770

friend Paulino who talks about sort of

1120

00:46:49,640 --> 00:46:47,610

the multiverse you know having somebody

1121

00:46:53,060 --> 00:46:49,650

to do with like crossovers and things

1122

00:46:57,770 --> 00:46:53,070

like that and this is interesting what

1123

00:46:59,540 --> 00:46:57,780

you're saying about I'm not human right

1124

00:47:02,260 --> 00:46:59,550

you know and I think that this often

1125

00:47:04,670 --> 00:47:02,270

comes up right this often comes up with

1126

00:47:07,609 --> 00:47:04,680

you know the UFO question and and we

1127

00:47:09,320 --> 00:47:07,619

often you know we often lump UFOs in

1128

00:47:10,790 --> 00:47:09,330

with you know ghosts and Bigfoot and

1129

00:47:12,380 --> 00:47:10,800

cryptozoology and all these other things

1130

00:47:13,520 --> 00:47:12,390

and there's definitely a lot of people

1131

00:47:15,890 --> 00:47:13,530

within the oppo community who sort of

1132

00:47:19,910 --> 00:47:15,900

buy into this this idea that it's all

1133

00:47:21,410 --> 00:47:19,920

connected um you know I'm not sure again

1134

00:47:22,790 --> 00:47:21,420

I can't speak for it because I don't

1135

00:47:24,950 --> 00:47:22,800

necessarily know what this thing is this

1136

00:47:28,850 --> 00:47:24,960

is just a sort of a personal opinion

1137

00:47:31,490 --> 00:47:28,860

that I come to sort of via reading and

1138

00:47:33,440 --> 00:47:31,500

research you know being human I'm sure

1139

00:47:35,300 --> 00:47:33,450

my pain will probably change you know

1140

00:47:36,620 --> 00:47:35,310

within a few years because I bump into

1141

00:47:38,750 --> 00:47:36,630

some other piece of evidence and blows

1142

00:47:43,130 --> 00:47:38,760

my mind and suddenly you know it's

1143

00:47:45,800 --> 00:47:43,140

aliens you know you know I don't know

1144

00:47:47,570 --> 00:47:45,810

what I hesitate to say sort of it's all

1145

00:47:49,700 --> 00:47:47,580

linked together sort of with paranormal

1146

00:47:51,500 --> 00:47:49,710

stuff do I think humans have been

1147

00:47:53,960 --> 00:47:51,510

interacting with this intelligence

1148

00:47:56,060 --> 00:47:53,970

whatever it is for a long time yes is it

1149

00:47:57,380 --> 00:47:56,070

sort of ancient aliens that type of big

1150

00:47:59,050 --> 00:47:57,390

build of pyramids no I don't know I

1151

00:48:03,109 --> 00:47:59,060

don't think it's that I think it's more

1152

00:48:05,090 --> 00:48:03,119

when humans have strange moments happen

1153

00:48:08,630 --> 00:48:05,100

to them anomalous events strange

1154

00:48:10,820 --> 00:48:08,640

synchronicities when when we have odd

1155

00:48:14,290 --> 00:48:10,830

experiences of deja vu or we think

1156

00:48:17,630 --> 00:48:14,300

something's watching us or we have

1157

00:48:19,400 --> 00:48:17,640

moments where we believe we're where

1158

00:48:22,780 --> 00:48:19,410

like you say being visited you know by

1159

00:48:24,890 --> 00:48:22,790

something I think this is what that

1160

00:48:27,050 --> 00:48:24,900

intelligence is I think that's what

1161

00:48:29,420 --> 00:48:27,060

we're interacting with a UFO sighting is

1162

00:48:32,780 --> 00:48:29,430

simply our interpretation of that

1163

00:48:35,690 --> 00:48:32,790

intelligence from our cultural

1164

00:48:38,210 --> 00:48:35,700

standpoint five hundred years ago people

1165

00:48:39,680 --> 00:48:38,220

didn't see you know black triangle UFOs

1166

00:48:41,840 --> 00:48:39,690

flying to the sky and and

1167

00:48:43,400 --> 00:48:41,850

extraterrestrials with needles and

1168

00:48:45,349 --> 00:48:43,410

strange devices

1169

00:48:46,609 --> 00:48:45,359

you know technological devices they

1170

00:48:47,990 --> 00:48:46,619

would have seen something else they

1171

00:48:49,460 --> 00:48:48,000

would have seen fairies or they would

1172

00:48:50,510 --> 00:48:49,470

have seen you know elves or they would

1173

00:48:52,880 --> 00:48:50,520

have seen

1174

00:48:55,250 --> 00:48:52,890

you know some other creatures that they

1175

00:48:57,200 --> 00:48:55,260

would have been able to explain via

1176

00:49:00,440 --> 00:48:57,210

their own sort of ideological and

1177

00:49:02,840 --> 00:49:00,450

cultural and social background today you

1178

00:49:06,410 --> 00:49:02,850

know we live in the 21st century you

1179

00:49:08,840 --> 00:49:06,420

know we see you know flying discs and

1180

00:49:11,300 --> 00:49:08,850

stuff like that because we come from

1181

00:49:14,420 --> 00:49:11,310

that cultural place nobody sees fairies

1182

00:49:17,510 --> 00:49:14,430

anymore really nobody sees elves anymore

1183

00:49:19,910 --> 00:49:17,520

really more people have UFO sightings

1184

00:49:23,630 --> 00:49:19,920

than probably any other sighting of any

1185

00:49:24,950 --> 00:49:23,640

other paranormal or sort of anomalous

1186

00:49:28,990 --> 00:49:24,960

thing I think there's probably more UFO

1187

00:49:31,100 --> 00:49:29,000

sightings than Bigfoot sightings so I

1188

00:49:32,750 --> 00:49:31,110

think we're just sort of approaching

1189

00:49:34,820 --> 00:49:32,760

this intelligence from our own place and

1190

00:49:37,730 --> 00:49:34,830

we're placing our interpretation upon it

1191

00:49:39,440 --> 00:49:37,740

and making it seem real or making it

1192

00:49:41,870 --> 00:49:39,450

seem physical like a flying saucer or a

1193

00:49:43,940 --> 00:49:41,880

black triangle or an alien or a gray or

1194

00:49:46,370 --> 00:49:43,950

reptilian or whatever and I think it

1195

00:49:48,800 --> 00:49:46,380

just we just come from our own place and

1196

00:49:52,820 --> 00:49:48,810

we place it upon them other other

1197

00:49:55,370 --> 00:49:52,830

studies that are following along this

1198

00:49:56,900 --> 00:49:55,380

this line your line of thinking are

1199

00:50:00,140 --> 00:49:56,910

people doing any type of study because

1200

00:50:02,810 --> 00:50:00,150

this this would be a big deal you know

1201
00:50:05,210 --> 00:50:02,820
yeah you know Jacques Vallee sort of

1202
00:50:06,590 --> 00:50:05,220
does go on this route right he would

1203
00:50:08,420 --> 00:50:06,600
argue he sort of I think one of the

1204
00:50:10,130 --> 00:50:08,430
biggest proponents of this case that

1205
00:50:11,780 --> 00:50:10,140
it's not extraterrestrials Jacques

1206
00:50:13,310 --> 00:50:11,790
Vallee would probably say it's something

1207
00:50:14,450 --> 00:50:13,320
that's been around for a long time that

1208
00:50:17,300 --> 00:50:14,460
we've been dealing with and he often

1209
00:50:20,480 --> 00:50:17,310
links the UFO situation to sort of

1210
00:50:22,310 --> 00:50:20,490
ancient cases of like I said elves and

1211
00:50:25,180 --> 00:50:22,320
fairies and and you know goblins and

1212
00:50:27,770 --> 00:50:25,190
whatever that people used to experience

1213
00:50:31,910 --> 00:50:27,780

when it comes to actual sort of sign to

1214

00:50:34,820 --> 00:50:31,920

the cases you know I'm not sure what you

1215

00:50:37,100 --> 00:50:34,830

can scientifically track here because

1216

00:50:40,960 --> 00:50:37,110

ultimately how do you prove any of this

1217

00:50:43,510 --> 00:50:40,970

how do you go about and test for this

1218

00:50:46,760 --> 00:50:43,520

one thing I'll say is there's one

1219

00:50:49,760 --> 00:50:46,770

gentleman by the name of Jeff Richmond

1220

00:50:51,410 --> 00:50:49,770

he writes a great blog you can google

1221

00:50:53,840 --> 00:50:51,420

him Jeff Richmond and he has a project

1222

00:50:56,720 --> 00:50:53,850

called project oculus and what he's

1223

00:50:57,950 --> 00:50:56,730

basically done is he believes sort of he

1224

00:51:00,860 --> 00:50:57,960

doesn't actually believe what I believe

1225

00:51:03,210 --> 00:51:00,870

but he sort of unbelieving that it's not

1226

00:51:04,950 --> 00:51:03,220

extraterrestrials it's something else

1227

00:51:08,250 --> 00:51:04,960

and when he's basically done is he's

1228

00:51:13,410 --> 00:51:08,260

wired his entire house with cameras and

1229

00:51:16,080 --> 00:51:13,420

he purposefully places himself in sort

1230

00:51:18,120 --> 00:51:16,090

of these marginal states he makes

1231

00:51:20,250 --> 00:51:18,130

himself uncomfortable he throws off his

1232

00:51:23,250 --> 00:51:20,260

schedule purposefully so he wakes up at

1233

00:51:24,599 --> 00:51:23,260

odd hours and he doesn't get proper

1234

00:51:26,370 --> 00:51:24,609

night's sleep and he does all these

1235

00:51:29,280 --> 00:51:26,380

strange things to keep his life

1236

00:51:31,109 --> 00:51:29,290

off-balance and what he believes is if

1237

00:51:34,170 --> 00:51:31,119

you keep your life off-balance if you

1238

00:51:37,109 --> 00:51:34,180

don't live by sort of a steady

1239

00:51:39,480 --> 00:51:37,119

you know nine-to-five kind of grind you

1240

00:51:41,460 --> 00:51:39,490

are more open to having anomalous

1241

00:51:43,770 --> 00:51:41,470

experiences so what he's done is he's

1242

00:51:45,690 --> 00:51:43,780

purposely placed himself in this sort of

1243

00:51:48,510 --> 00:51:45,700

lifestyle and then he's basically

1244

00:51:49,980 --> 00:51:48,520

recording his whole life on camera

1245

00:51:52,740 --> 00:51:49,990

inside his home and he's caught some

1246

00:51:55,349 --> 00:51:52,750

interesting you know anomalous things

1247

00:51:56,430 --> 00:51:55,359

inside his own home and I think you know

1248

00:51:58,080 --> 00:51:56,440

you can go to his website you can just

1249

00:51:59,880 --> 00:51:58,090

like I said you can google Jeff Richmond

1250

00:52:01,320 --> 00:51:59,890

or you can Google project oculus and you

1251
00:52:02,910 --> 00:52:01,330
can definitely see some of his evidence

1252
00:52:05,070 --> 00:52:02,920
that he's picked up but it's an

1253
00:52:07,530 --> 00:52:05,080
interesting idea because what it does is

1254
00:52:09,570 --> 00:52:07,540
it sort of flies in the face of the

1255
00:52:11,190 --> 00:52:09,580
extra-terrestrial hypothesis an

1256
00:52:12,839 --> 00:52:11,200
extraterrestrial being or an

1257
00:52:15,240 --> 00:52:12,849
extraterrestrial intelligence you know

1258
00:52:16,530 --> 00:52:15,250
wouldn't care whether you're

1259
00:52:18,960 --> 00:52:16,540
uncomfortable or whether you're

1260
00:52:21,450 --> 00:52:18,970
comfortable in your daily life they

1261
00:52:23,460 --> 00:52:21,460
would simply go about their business and

1262
00:52:25,079 --> 00:52:23,470
you would go about yours and if the tube

1263
00:52:27,570 --> 00:52:25,089

you bumped into each other you know

1264

00:52:29,010 --> 00:52:27,580

that's the way it happens Richmond

1265

00:52:30,750 --> 00:52:29,020

doesn't actually believe this in project

1266

00:52:33,420 --> 00:52:30,760

oculus has attempted to kind of prove

1267

00:52:35,130 --> 00:52:33,430

this in a sense this idea that people

1268

00:52:38,339 --> 00:52:35,140

who place themselves or people who are

1269

00:52:41,490 --> 00:52:38,349

in these sort of marginal uncomfortable

1270

00:52:43,890 --> 00:52:41,500

states have more experiences with

1271

00:52:46,230 --> 00:52:43,900

anomalous activity it's not necessary

1272

00:52:48,390 --> 00:52:46,240

flying saucers and UFOs but it's a whole

1273

00:52:50,790 --> 00:52:48,400

bunch of other stuff as well it ties in

1274

00:52:53,640 --> 00:52:50,800

UFOs for sure but it also ties in other

1275

00:52:55,560 --> 00:52:53,650

paranormal phenomena so I think this is

1276

00:52:57,570 --> 00:52:55,570

sort of one of the few things that

1277

00:52:59,460 --> 00:52:57,580

that's actually happening sort of to try

1278

00:53:01,260 --> 00:52:59,470

and be objective I think this is more of

1279

00:53:03,690 --> 00:53:01,270

a philosophical project for me than it

1280

00:53:06,870 --> 00:53:03,700

is a scientific one I'm not a scientist

1281

00:53:09,390 --> 00:53:06,880

by any stretch of the imagination all I

1282

00:53:11,490 --> 00:53:09,400

have a sort of rationality and logic and

1283

00:53:13,740 --> 00:53:11,500

reasoning behind me and unfortunately

1284

00:53:16,590 --> 00:53:13,750

you know for me the ETH doesn't stack up

1285

00:53:18,350 --> 00:53:16,600

however sort of this other is I

1286

00:53:20,340 --> 00:53:18,360

idea of an other intelligence out there

1287

00:53:24,360 --> 00:53:20,350

not necessarily a lien but just

1288

00:53:27,150 --> 00:53:24,370

something and does I know there's been a

1289

00:53:29,400 --> 00:53:27,160

couple of studies with abductees through

1290

00:53:33,020 --> 00:53:29,410

the free foundation or now it's called

1291

00:53:38,450 --> 00:53:33,030

the Edgar Mitchell Foundation as well as

1292

00:53:41,130 --> 00:53:38,460

Cathy mark I'm gonna try to give

1293

00:53:44,490 --> 00:53:41,140

Kathleen Mardon

1294

00:53:48,120 --> 00:53:44,500

yes and Denise toner they've also done

1295

00:53:50,280 --> 00:53:48,130

some studies on the commonalities of

1296

00:53:53,100 --> 00:53:50,290

these people that have been you know

1297

00:53:56,040 --> 00:53:53,110

claimed to have been abducted and I'm

1298

00:53:59,790 --> 00:53:56,050

wondering I'll have to speak with Kathy

1299

00:54:02,070 --> 00:53:59,800

and find out if what you're talking

1300

00:54:04,470 --> 00:54:02,080

about a disruptive life I wonder if

1301
00:54:10,020 --> 00:54:04,480
that's part of what's going on with the

1302
00:54:12,300 --> 00:54:10,030
commonality of them you know potentially

1303
00:54:14,190 --> 00:54:12,310
it could be I don't know much about you

1304
00:54:15,780 --> 00:54:14,200
know the Edgar Mitchell Foundation and

1305
00:54:18,330 --> 00:54:15,790
I've heard of Kathy Martin but I don't

1306
00:54:19,650 --> 00:54:18,340
really know like I've heard of her but

1307
00:54:26,790 --> 00:54:19,660
I've never really read much of her work

1308
00:54:28,170 --> 00:54:26,800
um I think what I don't want to sort of

1309
00:54:30,150 --> 00:54:28,180
interpret things and sort of

1310
00:54:32,130 --> 00:54:30,160
purposefully sort of you know derail the

1311
00:54:34,290 --> 00:54:32,140
conversation but ultimately again I kind

1312
00:54:36,270 --> 00:54:34,300
of get do I I get sort of icky feelings

1313
00:54:40,410 --> 00:54:36,280

and when people sort of again make

1314

00:54:44,010 --> 00:54:40,420

claims to know things and say this is

1315

00:54:47,550 --> 00:54:44,020

100% what's going on and then sort of

1316

00:54:49,290 --> 00:54:47,560

try and sell it to me so you know I'm

1317

00:54:52,200 --> 00:54:49,300

gonna sort of reserve judgment on this

1318

00:54:54,690 --> 00:54:52,210

like I said you know my theory or sort

1319

00:54:57,630 --> 00:54:54,700

of my belief is just that it's a theory

1320

00:54:59,100 --> 00:54:57,640

and a belief and and I'm trying to kind

1321

00:55:00,900 --> 00:54:59,110

of figure out ways of proving it but

1322

00:55:02,820 --> 00:55:00,910

again you know the beauty of being sort

1323

00:55:04,910 --> 00:55:02,830

of a philosopher not a scientist is I

1324

00:55:07,530 --> 00:55:04,920

can change my mind really any time

1325

00:55:09,420 --> 00:55:07,540

because I can just compartmentalize my

1326

00:55:12,540 --> 00:55:09,430

own sort of existence and my own

1327

00:55:18,270 --> 00:55:12,550

thoughts and sort of philosophize in

1328

00:55:20,040 --> 00:55:18,280

different directions yeah like I said I

1329

00:55:22,530 --> 00:55:20,050

I don't know enough about their work to

1330

00:55:24,360 --> 00:55:22,540

sort of go much further than just saying

1331

00:55:25,770 --> 00:55:24,370

that it you know if their work is if

1332

00:55:27,360 --> 00:55:25,780

their work is free and their work is

1333

00:55:28,980 --> 00:55:27,370

just sort of here's all of our

1334

00:55:30,180 --> 00:55:28,990

information have at it

1335

00:55:31,590 --> 00:55:30,190

perfect yeah

1336

00:55:35,180 --> 00:55:31,600

that's basically what they're doing but

1337

00:55:39,090 --> 00:55:35,190

they're what they wanted to do was

1338

00:55:41,130 --> 00:55:39,100

anonymously track all the information to

1339

00:55:43,080 --> 00:55:41,140

see what was in common with these people

1340

00:55:45,330 --> 00:55:43,090

that were claiming right and you know my

1341

00:55:48,210 --> 00:55:45,340

only question is this I wonder what if

1342

00:55:51,270 --> 00:55:48,220

they had say less than you know the

1343

00:55:53,700 --> 00:55:51,280

normal sleep or you know if they were

1344

00:55:57,180 --> 00:55:53,710

disrupted in other ways you know because

1345

00:56:00,330 --> 00:55:57,190

that you do hear about you know my son

1346

00:56:03,000 --> 00:56:00,340

has insomnia a lot and he's had times

1347

00:56:05,880 --> 00:56:03,010

where he's had not night terrors but

1348

00:56:07,620 --> 00:56:05,890

he'll have where he can't move and you

1349

00:56:10,290 --> 00:56:07,630

know he'll he'll think he sees something

1350

00:56:12,300 --> 00:56:10,300

you know at the foot of the bed yeah you

1351

00:56:13,950 --> 00:56:12,310

know that's similar to I'm not saying

1352

00:56:16,200 --> 00:56:13,960

that's what these people that are

1353

00:56:18,780 --> 00:56:16,210

claimed to be abducted or having but

1354

00:56:20,880 --> 00:56:18,790

that is something that does happen when

1355

00:56:25,860 --> 00:56:20,890

you you know when you deprive yourself

1356

00:56:28,500 --> 00:56:25,870

from sleep of course and again this is

1357

00:56:29,850 --> 00:56:28,510

you know ancient right like humans have

1358

00:56:34,560 --> 00:56:29,860

been having this problem for a long time

1359

00:56:37,740 --> 00:56:34,570

and in fact sleep paralysis and insomnia

1360

00:56:40,170 --> 00:56:37,750

and and having night terrors right this

1361

00:56:43,260 --> 00:56:40,180

is this is sort of again existed in

1362

00:56:45,780 --> 00:56:43,270

folklore again across cultures not just

1363

00:56:48,060 --> 00:56:45,790

here in the West but you know in Africa

1364

00:56:50,730 --> 00:56:48,070

and Asia and the Middle East you know

1365

00:56:54,090 --> 00:56:50,740

people often ascribed night terrors and

1366

00:56:58,350 --> 00:56:54,100

sleep paralysis in in ancient cultures

1367

00:57:03,620 --> 00:56:58,360

and and cultures around the globe to

1368

00:57:06,180 --> 00:57:03,630

being some kind of access point to

1369

00:57:09,540 --> 00:57:06,190

another reality or another version of

1370

00:57:11,400 --> 00:57:09,550

reality I know in like I'm Canadian so

1371

00:57:13,440 --> 00:57:11,410

in Canada we have you know a significant

1372

00:57:17,880 --> 00:57:13,450

indigenous a significant indigenous

1373

00:57:20,640 --> 00:57:17,890

population and one you know aspect of a

1374

00:57:23,370 --> 00:57:20,650

spiritual journey is to purposefully not

1375

00:57:25,500 --> 00:57:23,380

sleep is to purposely stay awake for a

1376

00:57:28,230 --> 00:57:25,510

long time and place yourself into

1377

00:57:31,160 --> 00:57:28,240

incredibly uncomfortable situations to

1378

00:57:34,260 --> 00:57:31,170

deprive yourself of sort of comfort and

1379

00:57:38,820 --> 00:57:34,270

even sort of you know self-harm at times

1380

00:57:41,630 --> 00:57:38,830

where you know often you know young men

1381

00:57:44,040 --> 00:57:41,640

or young women and especially sort of

1382

00:57:46,730 --> 00:57:44,050

more shamanistic practice

1383

00:57:51,030 --> 00:57:46,740

would be literally cut yourself and and

1384

00:57:53,430 --> 00:57:51,040

burn yourself and the idea is to as you

1385

00:57:57,800 --> 00:57:53,440

place yourself in more positions of

1386

00:57:59,760 --> 00:57:57,810

discomfort your mind opens itself to

1387

00:58:02,580 --> 00:57:59,770

communicating with what they would refer

1388

00:58:06,270 --> 00:58:02,590

to as the spirit world and this practice

1389

00:58:09,840 --> 00:58:06,280

still occurs you know sweat lodges are

1390

00:58:11,430 --> 00:58:09,850

common practice you know in in in Canada

1391

00:58:13,890 --> 00:58:11,440

where I'm from for integers people where

1392

00:58:17,070 --> 00:58:13,900

you literally go into a tent and if you

1393

00:58:19,320 --> 00:58:17,080

just like sit in a hot tent for hours

1394

00:58:22,560 --> 00:58:19,330

and hours and hours and the idea is as

1395

00:58:25,530 --> 00:58:22,570

you become uncomfortable um you know the

1396

00:58:27,240 --> 00:58:25,540

broader world opens up to you there's

1397

00:58:28,620 --> 00:58:27,250

something to be said for this I mean

1398

00:58:31,200 --> 00:58:28,630

cultures have been doing this for a long

1399

00:58:34,020 --> 00:58:31,210

time and there's probably a good reason

1400

00:58:36,600 --> 00:58:34,030

for it it probably does open the mind to

1401

00:58:38,760 --> 00:58:36,610

something beyond just you know the

1402

00:58:40,650 --> 00:58:38,770

everyday reality we sort of exist in the

1403

00:58:44,610 --> 00:58:40,660

nine-to-five driving to Starbucks and

1404

00:58:46,800 --> 00:58:44,620

get your coffee reality so you know I

1405

00:58:49,200 --> 00:58:46,810

think your son and they think that

1406

00:58:52,080 --> 00:58:49,210

project oculus and potentially you know

1407

00:58:53,940 --> 00:58:52,090

the agreement foundation and Kathy

1408

00:58:55,890 --> 00:58:53,950

Martin's work if that is the case you

1409

00:58:57,360 --> 00:58:55,900

know if there are links here you know

1410

00:59:00,450 --> 00:58:57,370

maybe we're dealing with something maybe

1411

00:59:02,910 --> 00:59:00,460

we can potentially find some evidence to

1412

00:59:07,350 --> 00:59:02,920

support the fact that people who are in

1413

00:59:09,750 --> 00:59:07,360

these marginal states these these places

1414

00:59:11,760 --> 00:59:09,760

of discomfort in their lives are more

1415

00:59:14,280 --> 00:59:11,770

open to strange experience it's

1416

00:59:16,800 --> 00:59:14,290

definitely a place to go so along your

1417

00:59:18,000 --> 00:59:16,810

thoughts where do you think the

1418

00:59:20,100 --> 00:59:18,010

Rendlesham forest

1419

00:59:22,680 --> 00:59:20,110

fits in as far as you know I'm talking

1420

00:59:24,780 --> 00:59:22,690

about the integrity of the witnesses of

1421

00:59:27,180 --> 00:59:24,790

the people like right on Colonel halt

1422

00:59:30,270 --> 00:59:27,190

who absolutely did not want this thing

1423

00:59:33,540 --> 00:59:30,280

to get out at all and you listen to him

1424

00:59:36,420 --> 00:59:33,550

talk today and it's pretty solid you

1425

00:59:38,580 --> 00:59:36,430

know what he saw not not to say he knew

1426

00:59:41,460 --> 00:59:38,590

what he saw but what do you think of

1427

00:59:43,440 --> 00:59:41,470

cases like that and and how he could

1428

00:59:48,270 --> 00:59:43,450

have interpreted it or they could have

1429

00:59:52,600 --> 00:59:50,440

you know retinosyn is a tough one to

1430

00:59:54,730 --> 00:59:52,610

talk about it's a tough one to Jaco talk

1431

00:59:56,230 --> 00:59:54,740

look it's at the end of the day I'm you

1432

00:59:58,210 --> 00:59:56,240

know I'm still a bit of a skeptic and

1433

01:00:01,030 --> 00:59:58,220

I'm not saying that Rendlesham didn't

1434

01:00:02,230 --> 01:00:01,040

happen I don't say that at all I think

1435

01:00:04,900 --> 01:00:02,240

that there's a lot of issues with the

1436

01:00:09,240 --> 01:00:04,910

Rendlesham case from the wick standpoint

1437

01:00:11,470 --> 01:00:09,250

some witnesses claim that you know they

1438

01:00:13,270 --> 01:00:11,480

interacted with alien beings and they

1439

01:00:15,520 --> 01:00:13,280

saw them and they got into it like I

1440

01:00:17,530 --> 01:00:15,530

started triangular object and when they

1441

01:00:20,140 --> 01:00:17,540

came out of one rather and then some

1442

01:00:21,580 --> 01:00:20,150

witnesses you know say you know I just

1443

01:00:23,650 --> 01:00:21,590

sort of saw this light and you know

1444

01:00:27,040 --> 01:00:23,660

there's there's a lot of variation I

1445

01:00:29,170 --> 01:00:27,050

think from witness testimony as for

1446

01:00:31,660 --> 01:00:29,180

Colonel halt himself who I think is

1447

01:00:34,990 --> 01:00:31,670

probably one of the most reliable

1448

01:00:36,870 --> 01:00:35,000

witnesses in the case and I think he

1449

01:00:40,200 --> 01:00:36,880

definitely witnessed something anomalous

1450

01:00:43,330 --> 01:00:40,210

you know again I don't know what it was

1451
01:00:45,610 --> 01:00:43,340
the light flying around and the beams of

1452
01:00:47,110 --> 01:00:45,620
light coming down and all that you know

1453
01:00:50,640 --> 01:00:47,120
the debunkers would say it's a

1454
01:00:52,840 --> 01:00:50,650
lighthouse and I would argue it's not

1455
01:00:55,870 --> 01:00:52,850
because you know I know I confuse those

1456
01:00:59,650 --> 01:00:55,880
things but ultimately I think you have

1457
01:01:03,910 --> 01:00:59,660
someone who walked into a strange

1458
01:01:07,300 --> 01:01:03,920
situation and was unable to explain the

1459
01:01:08,740 --> 01:01:07,310
reality of what was going on and on his

1460
01:01:11,050 --> 01:01:08,750
tape recorder he did the best he could

1461
01:01:15,310 --> 01:01:11,060
and even today as he talks about

1462
01:01:17,500 --> 01:01:15,320
Rendlesham he's doing the best he can to

1463
01:01:19,000 --> 01:01:17,510

interpret something strange and

1464

01:01:22,510 --> 01:01:19,010

anomalous that that is sort of

1465

01:01:26,650 --> 01:01:22,520

objectively occurring from his own

1466

01:01:29,950 --> 01:01:26,660

position from his own human flawed

1467

01:01:31,510 --> 01:01:29,960

background and and when we experience

1468

01:01:33,370 --> 01:01:31,520

anything strange when you experience

1469

01:01:34,860 --> 01:01:33,380

anything anomalous or anything even

1470

01:01:37,060 --> 01:01:34,870

scary or frightening

1471

01:01:39,640 --> 01:01:37,070

like you said before right it's a matter

1472

01:01:44,170 --> 01:01:39,650

of evolution we sort of defer to things

1473

01:01:46,000 --> 01:01:44,180

we understand I don't know if Colonel

1474

01:01:49,240 --> 01:01:46,010

halt saw an extraterrestrial spacecraft

1475

01:01:53,770 --> 01:01:49,250

I don't I wasn't there no even if I was

1476

01:01:57,580 --> 01:01:53,780

there I probably wouldn't still know all

1477

01:01:59,820 --> 01:01:57,590

I do know is that he came to that

1478

01:02:02,310 --> 01:01:59,830

experience from his own

1479

01:02:04,270 --> 01:02:02,320

[Music]

1480

01:02:06,820 --> 01:02:04,280

from his background his military

1481

01:02:09,640 --> 01:02:06,830

training from being a colonel in the

1482

01:02:12,640 --> 01:02:09,650

military during the Cold War during

1483

01:02:15,640 --> 01:02:12,650

tense times with you know the Soviet

1484

01:02:20,740 --> 01:02:15,650

Union he's going to interpret that

1485

01:02:23,050 --> 01:02:20,750

object from that background and it would

1486

01:02:25,060 --> 01:02:23,060

be interesting to to sort of see if we

1487

01:02:27,070 --> 01:02:25,070

could almost time-travel in a sense to

1488

01:02:29,020 --> 01:02:27,080

to bring someone from the 21st you know

1489

01:02:31,470 --> 01:02:29,030

from today to see that to be at that

1490

01:02:33,700 --> 01:02:31,480

same expense a moment and to see that

1491

01:02:35,680 --> 01:02:33,710

how would it be interpreted would it be

1492

01:02:37,690 --> 01:02:35,690

interpreted differently I I think it

1493

01:02:39,760 --> 01:02:37,700

would be I think it's a it's a totally

1494

01:02:42,220 --> 01:02:39,770

different it depends on the person I

1495

01:02:43,540 --> 01:02:42,230

think to interpret the UFO question and

1496

01:02:49,240 --> 01:02:43,550

so you trip with the UFO sighting rather

1497

01:02:51,010 --> 01:02:49,250

and and any answer to to that question

1498

01:02:55,060 --> 01:02:51,020

is gonna sort of be subjective to that

1499

01:02:56,710 --> 01:02:55,070

person at least for now until we can

1500

01:03:00,550 --> 01:02:56,720

sort of let you say study this in a more

1501

01:03:02,380 --> 01:03:00,560

scientific way so yeah again I don't

1502

01:03:05,230 --> 01:03:02,390

want to sort of derail the conversation

1503

01:03:09,280 --> 01:03:05,240

but the Rendlesham forest is is

1504

01:03:11,380 --> 01:03:09,290

something I'm relatively not skeptical

1505

01:03:12,730 --> 01:03:11,390

about but there's issues I think with

1506

01:03:14,530 --> 01:03:12,740

some of the witnesses that you know

1507

01:03:16,600 --> 01:03:14,540

definitely can't be well there's

1508

01:03:24,700 --> 01:03:16,610

definitely been a lot of infighting and

1509

01:03:26,680 --> 01:03:24,710

there's been signaling you know this

1510

01:03:29,230 --> 01:03:26,690

information you know binary code and

1511

01:03:30,490 --> 01:03:29,240

stuff like that I'm gonna act repentance

1512

01:03:30,760 --> 01:03:30,500

and I'm actually gonna have him on the

1513

01:03:33,240 --> 01:03:30,770

show

1514

01:03:36,010 --> 01:03:33,250

eventually he says he'll be on

1515

01:03:39,340 --> 01:03:36,020

eventually and you know that part is

1516

01:03:40,930 --> 01:03:39,350

really difficult to swallow but I you

1517

01:03:43,810 --> 01:03:40,940

know and the part about drugging is

1518

01:03:46,300 --> 01:03:43,820

really interesting I don't know the

1519

01:03:49,660 --> 01:03:46,310

aftermath of the whole situation now

1520

01:03:51,940 --> 01:03:49,670

when I asked last time I had Chuck hold

1521

01:03:53,590 --> 01:03:51,950

on I asked some straight-out us of what

1522

01:03:56,290 --> 01:03:53,600

do you what do you interpret it what do

1523

01:03:58,450 --> 01:03:56,300

you think it was and he said ranks are

1524

01:04:00,970 --> 01:03:58,460

terrestrial he have 100 percent thinks

1525

01:04:02,800 --> 01:04:00,980

that's what it was and I think it's you

1526

01:04:06,180 --> 01:04:02,810

know I understand where you're coming

1527

01:04:08,260 --> 01:04:06,190

from it would be a hard thing to explain

1528

01:04:10,300 --> 01:04:08,270

otherwise you know he saw this thing

1529

01:04:11,770 --> 01:04:10,310

that looked like an eyeball bouncing

1530

01:04:12,900 --> 01:04:11,780

around the woods you know dropping like

1531

01:04:15,750 --> 01:04:12,910

Magnum

1532

01:04:18,720 --> 01:04:15,760

Magne very strange and then burst into

1533

01:04:21,870 --> 01:04:18,730

five lights and I also have a friend who

1534

01:04:24,960 --> 01:04:21,880

saw a UFO burst into five lights you

1535

01:04:26,670 --> 01:04:24,970

know I mean it's it really is very

1536

01:04:29,280 --> 01:04:26,680

strange what's that

1537

01:04:32,160 --> 01:04:29,290

so the question sorry so the question is

1538

01:04:34,650 --> 01:04:32,170

why do they think like how does that so

1539

01:04:36,420 --> 01:04:34,660

seeing that light sort of move into five

1540

01:04:37,560 --> 01:04:36,430

shapes and move around and then the sort

1541

01:04:38,970 --> 01:04:37,570

of the lights pouring out like it like

1542

01:04:42,410 --> 01:04:38,980

that laser the magma or whatever was

1543

01:04:45,060 --> 01:04:42,420

what is the link then from that to

1544

01:04:47,790 --> 01:04:45,070

extraterrestrials what is what what

1545

01:04:50,340 --> 01:04:47,800

makes a person make that logical leap

1546

01:04:52,830 --> 01:04:50,350

from seeing an anomalous series of

1547

01:04:54,570 --> 01:04:52,840

lights in the sky to automatically

1548

01:04:57,360 --> 01:04:54,580

aliens run out well I think the thing

1549

01:05:00,300 --> 01:04:57,370

that like that is what I guess I think

1550

01:05:02,130 --> 01:05:00,310

the thing when that was overhead and it

1551

01:05:04,050 --> 01:05:02,140

shot down that beam of light a very

1552

01:05:06,570 --> 01:05:04,060

strange beam of light by the way he said

1553

01:05:08,460 --> 01:05:06,580

it wasn't a normal it didn't react like

1554

01:05:10,080 --> 01:05:08,470

a normal being beam of light would just

1555

01:05:12,030 --> 01:05:10,090

go down on the ground this was very

1556

01:05:15,810 --> 01:05:12,040

strange the way it came down and

1557

01:05:18,090 --> 01:05:15,820

everything I think that more than

1558

01:05:20,820 --> 01:05:18,100

anything else what was probably what

1559

01:05:22,920 --> 01:05:20,830

made him decide that it had to be

1560

01:05:26,550 --> 01:05:22,930

something not from this world that's my

1561

01:05:27,630 --> 01:05:26,560

guess sure and and and I can I can

1562

01:05:30,210 --> 01:05:27,640

understand like I can I can definitely

1563

01:05:33,390 --> 01:05:30,220

say okay it's behaving strangely it's

1564

01:05:36,060 --> 01:05:33,400

not behaving like a man-made craft which

1565

01:05:39,240 --> 01:05:36,070

is fine but again seeing lights in the

1566

01:05:42,600 --> 01:05:39,250

sky does not necessarily sort of

1567

01:05:45,060 --> 01:05:42,610

correlate to it being then a spaceship

1568

01:05:48,090 --> 01:05:45,070

from another planet it correlates to

1569

01:05:50,540 --> 01:05:48,100

seeing something odd in the sky to being

1570

01:05:54,030 --> 01:05:50,550

a strange event an anomalous event but

1571

01:05:57,510 --> 01:05:54,040

you know the issue here is why is it

1572

01:05:59,580 --> 01:05:57,520

always a lian's from other planet and

1573

01:06:01,980 --> 01:05:59,590

and not potentially something else what

1574

01:06:03,840 --> 01:06:01,990

if it's some intelligence that's not

1575

01:06:07,740 --> 01:06:03,850

necessarily alien interacting with the

1576

01:06:12,380 --> 01:06:07,750

colonel and his men what if it's their

1577

01:06:16,200 --> 01:06:12,390

own personal sort of I don't know

1578

01:06:17,730 --> 01:06:16,210

archetypal anxieties kind of pushing

1579

01:06:20,810 --> 01:06:17,740

themselves outward and becoming real as

1580

01:06:24,270 --> 01:06:20,820

young would potentially say what if it's

1581

01:06:26,040 --> 01:06:24,280

I don't know god I could speculate all

1582

01:06:32,100 --> 01:06:26,050

day right we could say

1583

01:06:33,330 --> 01:06:32,110

and I don't know some ancient beings on

1584

01:06:35,130 --> 01:06:33,340

this planet that existed here for years

1585

01:06:37,380 --> 01:06:35,140

how do I know it's not angels or God or

1586

01:06:38,870 --> 01:06:37,390

anything right like to suggest that it's

1587

01:06:41,820 --> 01:06:38,880

automatically aliens from another planet

1588

01:06:43,710 --> 01:06:41,830

versus sort of anything else that it

1589

01:06:46,050 --> 01:06:43,720

could potentially be that's quite the

1590

01:06:47,730 --> 01:06:46,060

leap in logic right did you sort of

1591

01:06:51,330 --> 01:06:47,740

understand what I don't what am i did I

1592

01:06:54,230 --> 01:06:51,340

think that you know most of the time

1593

01:06:55,890 --> 01:06:54,240

when someone just absolutely thinks it's

1594

01:06:58,350 --> 01:06:55,900

extraterrestrial right off the bat

1595

01:07:00,090 --> 01:06:58,360

without really thinking about it but I

1596

01:07:02,190 --> 01:07:00,100

think he's really he's had a long time

1597

01:07:05,640 --> 01:07:02,200

to think about this and I think that's

1598

01:07:07,740 --> 01:07:05,650

you know his conclusion now now a couple

1599

01:07:10,050 --> 01:07:07,750

of things what about when something's

1600

01:07:12,150 --> 01:07:10,060

tracked on radar and you know it's going

1601
01:07:14,880 --> 01:07:12,160
20,000 miles an hour and Ellison stops

1602
01:07:16,650 --> 01:07:14,890
and goes another direction how can that

1603
01:07:20,760 --> 01:07:16,660
you know when it's that's actually a

1604
01:07:23,910 --> 01:07:20,770
data right there and right what how

1605
01:07:28,170 --> 01:07:23,920
could that be interpreted differently in

1606
01:07:32,450 --> 01:07:28,180
your in your mind yeah sure and and this

1607
01:07:36,510 --> 01:07:34,170
I've had I was having this conversation

1608
01:07:38,430 --> 01:07:36,520
with Greg Bishop who runs the radio

1609
01:07:40,350 --> 01:07:38,440
mysterious radio Mysterio's a podcast

1610
01:07:42,510 --> 01:07:40,360
and and he and I were talking about he

1611
01:07:44,190 --> 01:07:42,520
has a theory that he's sort of playing

1612
01:07:48,080 --> 01:07:44,200
with called the co-creation hypothesis

1613
01:07:53,070 --> 01:07:48,090

and he and he believes that whatever

1614

01:07:55,260 --> 01:07:53,080

that other is we bring sort of 99% of

1615

01:07:56,550 --> 01:07:55,270

our interpretation to it so I I did ask

1616

01:07:57,810 --> 01:07:56,560

him and there's actually I think we did

1617

01:08:00,120 --> 01:07:57,820

a podcast on this is an interview where

1618

01:08:01,440 --> 01:08:00,130

I sort of asking you know what what do

1619

01:08:04,440 --> 01:08:01,450

you say about the radar idea like how

1620

01:08:05,790 --> 01:08:04,450

does this thing become show up on radar

1621

01:08:08,190 --> 01:08:05,800

moving twenty thousand miles an hour

1622

01:08:09,510 --> 01:08:08,200

yeah and you know we sort of threw it

1623

01:08:13,350 --> 01:08:09,520

back and forth and when we were coming

1624

01:08:17,280 --> 01:08:13,360

up with different theories and I came up

1625

01:08:18,210 --> 01:08:17,290

with this idea that it's it's it's sort

1626

01:08:19,620 --> 01:08:18,220

of like a shapeshifter

1627

01:08:21,840 --> 01:08:19,630

and I have a blog post actually called

1628

01:08:23,220 --> 01:08:21,850

involuntary shapeshifters but and where

1629

01:08:25,559 --> 01:08:23,230

I talk about this and I expand upon this

1630

01:08:27,300 --> 01:08:25,569

idea of you know let's say we're dealing

1631

01:08:29,160 --> 01:08:27,310

with and I'm just speculating here I'm

1632

01:08:31,559 --> 01:08:29,170

just sort of spitballing on my own sort

1633

01:08:33,270 --> 01:08:31,569

of crazy theory let's say we're dealing

1634

01:08:35,630 --> 01:08:33,280

with some sort of intelligence that

1635

01:08:39,660 --> 01:08:35,640

exists out there around us sort of

1636

01:08:40,950 --> 01:08:39,670

wherever it is but it's not alien

1637

01:08:42,150 --> 01:08:40,960

it's not from another planet it's not

1638

01:08:44,519 --> 01:08:42,160

extraterrestrials it's just an

1639

01:08:46,260 --> 01:08:44,529

intelligence that sort of part of some

1640

01:08:50,640 --> 01:08:46,270

of the consciousness of humanity and

1641

01:08:52,530 --> 01:08:50,650

that's saying we sort of bump into it my

1642

01:08:55,769 --> 01:08:52,540

theory is that this intelligence has

1643

01:08:58,410 --> 01:08:55,779

evolved in a way that it's now forced to

1644

01:09:00,660 --> 01:08:58,420

sort of adapt itself to our

1645

01:09:03,539 --> 01:09:00,670

interpretation of it so if I'm sitting

1646

01:09:05,249 --> 01:09:03,549

there and I'm flying a plane and then

1647

01:09:08,700 --> 01:09:05,259

suddenly this you know thing comes

1648

01:09:10,410 --> 01:09:08,710

screaming past me what I had a moment

1649

01:09:12,209 --> 01:09:10,420

with was this anomalous thing this

1650

01:09:15,240 --> 01:09:12,219

anomalous other this intelligent other

1651
01:09:17,820 --> 01:09:15,250
whatever it is and the way I interpreted

1652
01:09:21,390 --> 01:09:17,830
that 99% of co-creation that I brought

1653
01:09:23,220 --> 01:09:21,400
to it was a craft flying past me at

1654
01:09:24,840 --> 01:09:23,230
20,000 miles an hour and then it

1655
01:09:28,620 --> 01:09:24,850
automatically stops in zigs in another

1656
01:09:31,709 --> 01:09:28,630
direction what essentially I've done is

1657
01:09:34,499 --> 01:09:31,719
I've created the reality for that thing

1658
01:09:37,470 --> 01:09:34,509
I have made it what it is

1659
01:09:40,410 --> 01:09:37,480
it exists in a subjective sense whatever

1660
01:09:43,320 --> 01:09:40,420
it is I don't know because I'm not it it

1661
01:09:45,539 --> 01:09:43,330
just it's out there when I see it when I

1662
01:09:46,800 --> 01:09:45,549
interact with it in some way when I have

1663
01:09:48,990 --> 01:09:46,810

my experience with it

1664

01:09:53,760 --> 01:09:49,000

it then takes shape its shape shifts

1665

01:09:55,470 --> 01:09:53,770

into what I want it to be and then it

1666

01:09:57,450 --> 01:09:55,480

shows up on radar for example you know

1667

01:10:01,260 --> 01:09:57,460

at some airfield and you know Missouri

1668

01:10:02,939 --> 01:10:01,270

or whatever I think ultimately this you

1669

01:10:03,600 --> 01:10:02,949

know we played with this idea and Greg

1670

01:10:05,220 --> 01:10:03,610

didn't love it

1671

01:10:07,950 --> 01:10:05,230

he said that's silly and I said I know

1672

01:10:10,050 --> 01:10:07,960

it's philosophy it's all silly and I

1673

01:10:11,580 --> 01:10:10,060

don't necessarily believe it I'm just

1674

01:10:13,500 --> 01:10:11,590

sort of saying you know this potentially

1675

01:10:15,120 --> 01:10:13,510

could be how it occurs it could be that

1676

01:10:19,530 --> 01:10:15,130

whatever this intelligence is it's

1677

01:10:21,209 --> 01:10:19,540

adapted itself to become the reality we

1678

01:10:24,830 --> 01:10:21,219

make for it when it bumps into something

1679

01:10:29,280 --> 01:10:24,840

intelligent like you and I it's sort of

1680

01:10:31,740 --> 01:10:29,290

coalesces into the thing we interpret it

1681

01:10:34,439 --> 01:10:31,750

to be what we ideologically sort of make

1682

01:10:36,840 --> 01:10:34,449

it and in this case it becomes a

1683

01:10:38,910 --> 01:10:36,850

physical object tracked on radar at

1684

01:10:40,950 --> 01:10:38,920

20,000 miles an hour which you know zigs

1685

01:10:44,820 --> 01:10:40,960

and zags and in sort of defying the laws

1686

01:10:47,790 --> 01:10:44,830

of physics it's it's a leap for sure in

1687

01:10:50,040 --> 01:10:47,800

a bit of theory but it does fill holes

1688

01:10:51,680 --> 01:10:50,050

that the extra-terrestrial hypothesis

1689

01:10:55,020 --> 01:10:51,690

leaves open

1690

01:10:56,280 --> 01:10:55,030

which is how come then you know alien

1691

01:10:57,690 --> 01:10:56,290

spacecraft don't show up on radar all

1692

01:10:58,800 --> 01:10:57,700

the time because there's UFO sightings

1693

01:11:02,070 --> 01:10:58,810

all the time one would think these would

1694

01:11:03,810 --> 01:11:02,080

be on radar 24/7 but they're not

1695

01:11:05,610 --> 01:11:03,820

sometimes they defy radar right so how

1696

01:11:07,050 --> 01:11:05,620

come some alien craft defy radar and

1697

01:11:08,910 --> 01:11:07,060

some don't

1698

01:11:10,890 --> 01:11:08,920

what is the the reason for this what's

1699

01:11:14,880 --> 01:11:10,900

the logic to flick the switch

1700

01:11:17,010 --> 01:11:14,890

you know Yeah right like yeah yeah yeah

1701

01:11:20,580 --> 01:11:17,020

damn it Larry Tournament yeah Harry's

1702

01:11:21,720 --> 01:11:20,590

fault yeah yeah that's right yeah you

1703

01:11:23,310 --> 01:11:21,730

know and that's the thing right you know

1704

01:11:24,540 --> 01:11:23,320

we kind of been speculated can't say

1705

01:11:28,260 --> 01:11:24,550

well they must have forgot to turn the

1706

01:11:30,660 --> 01:11:28,270

switch you know and now yes maybe and

1707

01:11:33,990 --> 01:11:30,670

then you know it's kind of like the same

1708

01:11:36,420 --> 01:11:34,000

you know along the lines of us owes you

1709

01:11:41,430 --> 01:11:36,430

know people are saying things go into

1710

01:11:43,050 --> 01:11:41,440

the water it's strange I understand

1711

01:11:48,120 --> 01:11:43,060

where you're where you coming from and

1712

01:11:54,930 --> 01:11:48,130

all that but also people interpretate

1713

01:11:58,650 --> 01:11:54,940

interpreting a UFO as a UFO do you think

1714

01:12:01,890 --> 01:11:58,660

this all began like in the night say the

1715

01:12:03,600 --> 01:12:01,900

modern UFO you were talking about 1947

1716

01:12:06,810 --> 01:12:03,610

you know there were tons of sightings

1717

01:12:08,850 --> 01:12:06,820

that year in the 1952 it was going crazy

1718

01:12:14,340 --> 01:12:08,860

yeah so you do you think it's part of

1719

01:12:15,570 --> 01:12:14,350

like a a cultural mass hysteria you know

1720

01:12:17,670 --> 01:12:15,580

no I don't actually think it's a it's

1721

01:12:19,620 --> 01:12:17,680

part of a mass hysteria do I think that

1722

01:12:21,270 --> 01:12:19,630

you know potentially you have nuns of

1723

01:12:24,150 --> 01:12:21,280

people thinking about it does that add

1724

01:12:27,630 --> 01:12:24,160

some fuel to the fire of whatever this

1725

01:12:28,709 --> 01:12:27,640

thing is baby again and you know like I

1726

01:12:31,110 --> 01:12:28,719

don't want to come off saying that this

1727

01:12:32,970 --> 01:12:31,120

is sort of what i 100% think is going on

1728

01:12:35,010 --> 01:12:32,980

I really don't know what's going on this

1729

01:12:37,020 --> 01:12:35,020

is just sort of a theory I've been sort

1730

01:12:40,140 --> 01:12:37,030

of playing around with it's kind of like

1731

01:12:42,510 --> 01:12:40,150

what I believe but I don't want to I'm

1732

01:12:44,100 --> 01:12:42,520

not gonna sort of stick my you know my

1733

01:12:46,650 --> 01:12:44,110

flag into it and say this is a hundred

1734

01:12:50,220 --> 01:12:46,660

percent you know my belief system

1735

01:12:51,690 --> 01:12:50,230

because I I can't I have no evidence to

1736

01:12:54,600 --> 01:12:51,700

support this belief system apart from

1737

01:13:00,479 --> 01:12:54,610

some you know basic philosophy I think

1738

01:13:02,040 --> 01:13:00,489

flaps do provide an interesting I do I

1739

01:13:04,410 --> 01:13:02,050

think that provide a very interesting

1740

01:13:05,970 --> 01:13:04,420

kind of motivation potentially for

1741

01:13:10,140 --> 01:13:05,980

whatever this is

1742

01:13:12,260 --> 01:13:10,150

maybe it sort of tends to show itself to

1743

01:13:15,629 --> 01:13:12,270

a whole lot of people at certain times

1744

01:13:18,180 --> 01:13:15,639

or maybe mass hysteria is what brings it

1745

01:13:20,930 --> 01:13:18,190

forward maybe a whole bunch of people

1746

01:13:23,419 --> 01:13:20,940

being uncomfortable makes it manifest

1747

01:13:27,360 --> 01:13:23,429

this is an interesting idea to play with

1748

01:13:33,090 --> 01:13:27,370

there you know 1967 was a major flap

1749

01:13:34,649 --> 01:13:33,100

here like you said 52:47 I think 2006

1750

01:13:36,870 --> 01:13:34,659

actually was a major flap here recently

1751

01:13:39,290 --> 01:13:36,880

what you have is potentially a

1752

01:13:42,720 --> 01:13:39,300

significant amount of sort of discomfort

1753

01:13:44,280 --> 01:13:42,730

globally or or at least you know in a

1754

01:13:46,470 --> 01:13:44,290

country or in a nation or within you

1755

01:13:50,580 --> 01:13:46,480

know like a hemisphere and potentially

1756

01:13:54,379 --> 01:13:50,590

this anxiety is causing this thing to

1757

01:14:02,419 --> 01:13:54,389

manifest itself it's it can sense our

1758

01:14:05,910 --> 01:14:02,429

fear it can sense our sort of collective

1759

01:14:08,490 --> 01:14:05,920

discomfort and you know if project

1760

01:14:10,860 --> 01:14:08,500

oculus and Jeff fritzman are right it's

1761

01:14:13,320 --> 01:14:10,870

on its discomfort that makes it come out

1762

01:14:18,120 --> 01:14:13,330

right so everyone's uncomfortable if

1763

01:14:20,280 --> 01:14:18,130

there's sort of mass anxiety maybe flaps

1764

01:14:22,620 --> 01:14:20,290

occur for that reason it's an

1765

01:14:22,919 --> 01:14:22,630

interesting episode it that way that's

1766

01:14:26,640 --> 01:14:22,929

great

1767

01:14:28,770 --> 01:14:26,650

Wow a revelation right here live right

1768

01:14:29,910 --> 01:14:28,780

like Eureka right no there's a blog post

1769

01:14:31,620 --> 01:14:29,920

gonna happen right now because that one

1770

01:14:33,060 --> 01:14:31,630

yes someone on the chatroom wants to

1771

01:14:34,379 --> 01:14:33,070

know why you think you're a UFO expert

1772

01:14:37,500 --> 01:14:34,389

but I'm gonna say that you're probably

1773

01:14:39,030 --> 01:14:37,510

gonna say you're not oh I am certainly

1774

01:14:41,040 --> 01:14:39,040

not a Yoho expert there's there's no

1775

01:14:45,209 --> 01:14:41,050

such thing as UFO expert I I would I

1776

01:14:47,580 --> 01:14:45,219

would I would ask anyone if anyone who

1777

01:14:50,610 --> 01:14:47,590

claims to be US expert out ask them sort

1778

01:14:53,490 --> 01:14:50,620

of what gives them the the insight to

1779

01:14:55,080 --> 01:14:53,500

you know understand what's actually

1780

01:14:57,870 --> 01:14:55,090

happening out there because certainly

1781

01:14:59,640 --> 01:14:57,880

nowhere is I agree with you in that all

1782

01:15:03,030 --> 01:14:59,650

right why do you think the Air Force

1783

01:15:05,580 --> 01:15:03,040

would have taken this serious back you

1784

01:15:08,490 --> 01:15:05,590

know to start project sign and then and

1785

01:15:12,370 --> 01:15:08,500

then project Bluebook Jen why would they

1786

01:15:16,270 --> 01:15:14,950

um you know an unfortunate I can't speak

1787

01:15:18,970 --> 01:15:16,280

for the airport I think what you had

1788

01:15:22,270 --> 01:15:18,980

though was you probably had a mixing of

1789

01:15:24,070 --> 01:15:22,280

a lot of anxieties right you would have

1790

01:15:25,570 --> 01:15:24,080

had I'm sure the air force

1791

01:15:26,740 --> 01:15:25,580

there was probably a point where the Air

1792

01:15:28,870 --> 01:15:26,750

Force was concerned that this was

1793

01:15:30,760 --> 01:15:28,880

potentially you know Soviet technology

1794

01:15:33,160 --> 01:15:30,770

and then and then obviously they learned

1795

01:15:35,919 --> 01:15:33,170

it wasn't but reports are still coming

1796

01:15:40,090 --> 01:15:35,929

in and I'm sure you had a you know a lot

1797

01:15:42,939 --> 01:15:40,100

of people who were in the military

1798

01:15:47,740 --> 01:15:42,949

concerned about you know some sort of

1799

01:15:48,939 --> 01:15:47,750

foreign aggressor and even concerned

1800

01:15:50,530 --> 01:15:48,949

about alien aggressors like why not

1801

01:15:52,600 --> 01:15:50,540

right I mean it was the 1940s and

1802

01:15:54,090 --> 01:15:52,610

fifties you know people believed strange

1803

01:15:59,200 --> 01:15:54,100

things all the time

1804

01:16:01,360 --> 01:15:59,210

I'll think where the UFO question sort of

1805

01:16:02,560 --> 01:16:01,370

became important and I think white still

1806

01:16:04,240 --> 01:16:02,570

is important is that people are still

1807

01:16:07,209 --> 01:16:04,250

seeing things and I think this is sort

1808

01:16:09,640 --> 01:16:07,219

of the key situation or the key sort of

1809

01:16:12,640 --> 01:16:09,650

the key point here people still have

1810

01:16:15,580 --> 01:16:12,650

anomalous experiences if the 21st

1811

01:16:21,160 --> 01:16:15,590

century and what we know now from what

1812

01:16:24,010 --> 01:16:21,170

we knew in 1947 is is exponentially

1813

01:16:25,720 --> 01:16:24,020

expanding we know significantly more

1814

01:16:27,160 --> 01:16:25,730

about the universe today and then we

1815

01:16:29,200 --> 01:16:27,170

knew in 1947 in fact what we knew in

1816

01:16:31,180 --> 01:16:29,210

1947 is laughable compared to what we

1817

01:16:34,540 --> 01:16:31,190

sort of know about the cosmos and what

1818

01:16:37,500 --> 01:16:34,550

we know about you know physics and what

1819

01:16:39,790 --> 01:16:37,510

we know about chemistry and everything

1820

01:16:41,500 --> 01:16:39,800

but people still have sightings people

1821

01:16:44,350 --> 01:16:41,510

still have anomalous experiences even

1822

01:16:47,200 --> 01:16:44,360

with our technological know-how and even

1823

01:16:50,110 --> 01:16:47,210

with our ability to understand the world

1824

01:16:53,439 --> 01:16:50,120

around us people still have weird

1825

01:16:55,930 --> 01:16:53,449

moments where this thing lands in my

1826

01:16:58,600 --> 01:16:55,940

backyard a door opens and a giant

1827

01:17:01,000 --> 01:16:58,610

four-foot owl walks out and looks at me

1828

01:17:03,010 --> 01:17:01,010

like people still have these odd moments

1829

01:17:05,260 --> 01:17:03,020

and they record them and they contact

1830

01:17:08,530 --> 01:17:05,270

MUFON and they tell people about them

1831

01:17:10,810 --> 01:17:08,540

and they write it on Facebook and they

1832

01:17:12,340 --> 01:17:10,820

go on podcast like this and and they

1833

01:17:15,129 --> 01:17:12,350

talk about these odd experiences they

1834

01:17:16,959 --> 01:17:15,139

have and in the 21st century right

1835

01:17:19,300 --> 01:17:16,969

people would normally kind of like hey

1836

01:17:20,830 --> 01:17:19,310

listen I I don't know what I saw I saw

1837

01:17:24,129 --> 01:17:20,840

four foot owl it was the strangest thing

1838

01:17:25,990 --> 01:17:24,139

in the world you know I'm just gonna

1839

01:17:28,420 --> 01:17:26,000

write this one up but we don't

1840

01:17:30,070 --> 01:17:28,430

don't for some reason and we don't

1841

01:17:31,210 --> 01:17:30,080

because these experiences I think are

1842

01:17:32,650 --> 01:17:31,220

happening to people people are

1843

01:17:34,240 --> 01:17:32,660

legitimately experiencing these

1844

01:17:37,120 --> 01:17:34,250

anomalous events and they can't explain

1845

01:17:38,440 --> 01:17:37,130

them and they know four-foot owls don't

1846

01:17:43,390 --> 01:17:38,450

walk out of spaceships sort of that

1847

01:17:45,550 --> 01:17:43,400

landed in their yard but it still seems

1848

01:17:47,020 --> 01:17:45,560

to be happening and and and not only

1849

01:17:49,450 --> 01:17:47,030

that you know and you can replace 4-foot

1850

01:17:51,220 --> 01:17:49,460

owl with a grey or a reptilian or an

1851
01:17:52,000 --> 01:17:51,230
insectoid or whatever you want to call

1852
01:17:54,580 --> 01:17:52,010
it right whatever

1853
01:17:56,590 --> 01:17:54,590
you know variation of extraterrestrials

1854
01:18:00,490 --> 01:17:56,600
you know we have now in the narrative of

1855
01:18:01,780 --> 01:18:00,500
the UFO discourse but people still have

1856
01:18:03,550 --> 01:18:01,790
strange experiences and I think this is

1857
01:18:06,040 --> 01:18:03,560
key I think this I think we need to go

1858
01:18:09,340 --> 01:18:06,050
back to the witness accounts here and I

1859
01:18:12,400 --> 01:18:09,350
think we need to let go of all of that

1860
01:18:13,900 --> 01:18:12,410
ideological baggage we bring to the UFO

1861
01:18:16,270 --> 01:18:13,910
question whether we believe it's

1862
01:18:17,650 --> 01:18:16,280
extraterrestrials or not we need to let

1863
01:18:19,720 --> 01:18:17,660

go of all that and we need to approach

1864

01:18:21,040 --> 01:18:19,730

the UFO question from the standpoint of

1865

01:18:23,230 --> 01:18:21,050

the witness because ultimately they're

1866

01:18:26,080 --> 01:18:23,240

the one on the ground having that

1867

01:18:28,120 --> 01:18:26,090

experience and it's and it's difficult

1868

01:18:31,300 --> 01:18:28,130

and it's difficult because when we deal

1869

01:18:34,240 --> 01:18:31,310

with a UFO case we walk into it

1870

01:18:36,520 --> 01:18:34,250

with what we think happened and what we

1871

01:18:39,070 --> 01:18:36,530

think is okay to believe in and what we

1872

01:18:40,810 --> 01:18:39,080

think is crazy to believe in when

1873

01:18:43,420 --> 01:18:40,820

somebody says I was in my backyard and

1874

01:18:46,360 --> 01:18:43,430

this this this this thing descended and

1875

01:18:48,310 --> 01:18:46,370

an out walked a gray some people are

1876

01:18:49,810 --> 01:18:48,320

more willing to believe that then

1877

01:18:52,480 --> 01:18:49,820

someone who says a four-foot I will

1878

01:18:54,460 --> 01:18:52,490

walked up the big question is why what

1879

01:18:57,040 --> 01:18:54,470

evidence does there exist that Gray's

1880

01:19:01,360 --> 01:18:57,050

exist versus four-foot owls that walk up

1881

01:19:03,280 --> 01:19:01,370

spaceships is it less odd maybe is it

1882

01:19:05,710 --> 01:19:03,290

because we're just used to hearing about

1883

01:19:08,080 --> 01:19:05,720

greys and not four foot out I don't know

1884

01:19:10,180 --> 01:19:08,090

but ultimately I would say we need to

1885

01:19:13,330 --> 01:19:10,190

look at every case kind of evenly and

1886

01:19:15,070 --> 01:19:13,340

equally we can't give certain cases sort

1887

01:19:19,390 --> 01:19:15,080

of more credit especially in high

1888

01:19:20,740 --> 01:19:19,400

strangeness than others because again

1889

01:19:22,840 --> 01:19:20,750

there's no evidence to support any of it

1890

01:19:26,110 --> 01:19:22,850

right so why are some cases more

1891

01:19:27,970 --> 01:19:26,120

legitimate there's no evidence versus

1892

01:19:31,450 --> 01:19:27,980

you know we we call some you know

1893

01:19:32,860 --> 01:19:31,460

illegitimate or or or delusional but

1894

01:19:34,900 --> 01:19:32,870

again they still have the same amount of

1895

01:19:36,940 --> 01:19:34,910

evidence zero to support them apart from

1896

01:19:40,120 --> 01:19:36,950

a story right well when it comes to

1897

01:19:42,670 --> 01:19:40,130

witnesses and how they interpret

1898

01:19:44,800 --> 01:19:42,680

how do you how does like a mass sighting

1899

01:19:46,390 --> 01:19:44,810

with multiple witnesses that are

1900

01:19:50,680 --> 01:19:46,400

basically saying they're seeing the same

1901

01:19:52,450 --> 01:19:50,690

thing how would that work for how people

1902

01:19:56,730 --> 01:19:52,460

interpret things according to your

1903

01:19:59,800 --> 01:19:56,740

thoughts Riley my crackpot theory yeah

1904

01:20:01,450 --> 01:19:59,810

you know this this this gets touched on

1905

01:20:03,040 --> 01:20:01,460

sort of again and up in that article

1906

01:20:05,710 --> 01:20:03,050

involuntary shape involuntary

1907

01:20:07,690 --> 01:20:05,720

shapeshifters and Greg Bishop and I

1908

01:20:10,120 --> 01:20:07,700

talked about this and this touched on

1909

01:20:13,270 --> 01:20:10,130

the same thing sort of concerning the

1910

01:20:16,090 --> 01:20:13,280

radar hit is you know if a group of

1911

01:20:20,050 --> 01:20:16,100

people are standing there whatever this

1912

01:20:21,970 --> 01:20:20,060

is it sort of chooses or or it is forced

1913

01:20:24,220 --> 01:20:21,980

to take on some sort of physical form

1914

01:20:26,320 --> 01:20:24,230

whether it's lights in the sky whether

1915

01:20:27,850 --> 01:20:26,330

it's a flying saucer whether it's a

1916

01:20:31,240 --> 01:20:27,860

black triangle or whether it's a gray or

1917

01:20:33,370 --> 01:20:31,250

whether it's a four-foot owl it kind of

1918

01:20:35,830 --> 01:20:33,380

just does and then it becomes that thing

1919

01:20:36,670 --> 01:20:35,840

and then everyone's kind of looking at

1920

01:20:38,710 --> 01:20:36,680

it

1921

01:20:41,830 --> 01:20:38,720

so you know take Phoenix lights which is

1922

01:20:44,530 --> 01:20:41,840

this you know beautiful UFO case you

1923

01:20:46,030 --> 01:20:44,540

know still shrouded in mystery and I

1924

01:20:49,210 --> 01:20:46,040

love it I think Phoenix license is one

1925

01:20:50,710 --> 01:20:49,220

of my favorite you invoke cases you have

1926

01:20:52,420 --> 01:20:50,720

you have hundreds and hundreds and

1927

01:20:54,820 --> 01:20:52,430

hundreds of people seeing the same thing

1928

01:20:58,840 --> 01:20:54,830

right they see this sort of triangular

1929

01:21:03,790 --> 01:20:58,850

massive you know several mile long

1930

01:21:05,080 --> 01:21:03,800

object in the sky according to my I'm

1931

01:21:08,230 --> 01:21:05,090

gonna call hypothesis according to my

1932

01:21:12,970 --> 01:21:08,240

hypothesis which is just my crazy

1933

01:21:15,010 --> 01:21:12,980

crackpot theory what you have I think is

1934

01:21:18,130 --> 01:21:15,020

whatever that anomaly was whatever that

1935

01:21:22,080 --> 01:21:18,140

intelligent other sort of manifesting

1936

01:21:24,790 --> 01:21:22,090

itself as it kind of went with what

1937

01:21:26,800 --> 01:21:24,800

either one person sort of was

1938

01:21:28,540 --> 01:21:26,810

interpreting or sort of the collective

1939

01:21:31,090 --> 01:21:28,550

was interpreting again if we if we buy

1940

01:21:33,730 --> 01:21:31,100

into the idea that our unconscious is

1941

01:21:36,460 --> 01:21:33,740

collective our unconscious is unified

1942

01:21:40,120 --> 01:21:36,470

which is what Carl Jung would say and

1943

01:21:42,310 --> 01:21:40,130

and others would say as well that our

1944

01:21:44,650 --> 01:21:42,320

unconscious minds are all tied into one

1945

01:21:48,040 --> 01:21:44,660

another whatever occurred in Phoenix

1946

01:21:50,080 --> 01:21:48,050

that thing tied into whatever the

1947

01:21:53,110 --> 01:21:50,090

collective unconsciousness was of that

1948

01:21:57,310 --> 01:21:53,120

town of time and became

1949

01:22:01,690 --> 01:21:57,320

that several mile-long triangular shape

1950

01:22:03,400 --> 01:22:01,700

object that would be sort of my take on

1951

01:22:05,380 --> 01:22:03,410

co-creation with Greg Bishop and now

1952

01:22:07,390 --> 01:22:05,390

sort of be my take on my sort of a

1953

01:22:09,880 --> 01:22:07,400

collective unconscious Union hypothesis

1954

01:22:12,310 --> 01:22:09,890

of what's going on

1955

01:22:12,730 --> 01:22:12,320

do I know that's what happened of course

1956

01:22:14,740 --> 01:22:12,740

not

1957

01:22:16,560 --> 01:22:14,750

hell it could have been you know alien

1958

01:22:19,390 --> 01:22:16,570

species from another planet but

1959

01:22:21,430 --> 01:22:19,400

ultimately this is sort of my

1960

01:22:23,710 --> 01:22:21,440

interpretation at least right now on

1961

01:22:25,560 --> 01:22:23,720

what I think occurred in Phoenix we get

1962

01:22:27,730 --> 01:22:25,570

the same thing in Chicago O'Hare in 2006

1963

01:22:29,950 --> 01:22:27,740

where you have you know a whole bunch of

1964

01:22:31,750 --> 01:22:29,960

people see this disc descend kind of

1965

01:22:33,100 --> 01:22:31,760

hover over the airport for a while and

1966

01:22:35,530 --> 01:22:33,110

then it kind of shoots back up into the

1967

01:22:39,610 --> 01:22:35,540

sky right again whatever this anomaly

1968

01:22:42,310 --> 01:22:39,620

was it sort of tied into the collective

1969

01:22:45,220 --> 01:22:42,320

unconsciousness of the people present

1970

01:22:47,290 --> 01:22:45,230

and it became what that collective

1971

01:22:49,300 --> 01:22:47,300

unconsciousness needed it to become the

1972

01:22:51,340 --> 01:22:49,310

reality was shaped for it by that

1973

01:22:52,810 --> 01:22:51,350

collective unconsciousness I sort of

1974

01:22:54,610 --> 01:22:52,820

extrapolate upon this this is tough to

1975

01:22:56,140 --> 01:22:54,620

do sort of in in a you know to our

1976

01:22:58,810 --> 01:22:56,150

podcast but there's an article I wrote

1977

01:23:00,310 --> 01:22:58,820

on my on my blog that you can sort of

1978

01:23:01,450 --> 01:23:00,320

read up where I kind of get into the

1979

01:23:03,250 --> 01:23:01,460

details here a little bit more about

1980

01:23:05,230 --> 01:23:03,260

Jungian psychology and and what you

1981

01:23:06,910 --> 01:23:05,240

meant when he when he was talking about

1982

01:23:08,760 --> 01:23:06,920

the collective unconscious and how we

1983

01:23:13,120 --> 01:23:08,770

all sort of are tied into it together

1984

01:23:14,710 --> 01:23:13,130

it's a little mystical but it's it's an

1985

01:23:16,630 --> 01:23:14,720

interesting way of looking at the UFO

1986

01:23:17,830 --> 01:23:16,640

question and it definitely like I said

1987

01:23:20,920 --> 01:23:17,840

fills a few gaps that the

1988

01:23:23,080 --> 01:23:20,930

extra-terrestrial hypothesis leaves now

1989

01:23:25,980 --> 01:23:23,090

you hear you hear sometimes that there's

1990

01:23:31,270 --> 01:23:25,990

like energy connecting all of us in

1991

01:23:32,740 --> 01:23:31,280

exactly and let's go ahead yeah yeah you

1992

01:23:34,060 --> 01:23:32,750

know and that's kind of we hear this

1993

01:23:35,590 --> 01:23:34,070

sort of in paranormal circles right or

1994

01:23:37,440 --> 01:23:35,600

we hear this we see this UFO conferences

1995

01:23:40,600 --> 01:23:37,450

right people selling crystals and stuff

1996

01:23:42,730 --> 01:23:40,610

you know ultimately this is kind of a

1997

01:23:44,260 --> 01:23:42,740

similar idea I think it's they've sort

1998

01:23:46,450 --> 01:23:44,270

of potentially bastardized it a little

1999

01:23:48,580 --> 01:23:46,460

bit but yeah ultimately Youngwood sort

2000

01:23:53,920 --> 01:23:48,590

of arguably the same thing we are all

2001

01:23:55,570 --> 01:23:53,930

connected via our unconscious mind and

2002

01:23:59,800 --> 01:23:55,580

this is sort of psychoanalytical

2003

01:24:03,070 --> 01:23:59,810

psychology we sort of all think similar

2004

01:24:05,600 --> 01:24:03,080

things about the universe around us we

2005

01:24:07,729 --> 01:24:05,610

all have similar thoughts about

2006

01:24:12,189 --> 01:24:07,739

what's good and what's bad when it comes

2007

01:24:15,200 --> 01:24:12,199

to sort of the world out there we all

2008

01:24:17,840 --> 01:24:15,210

for some reason get that feeling that

2009

01:24:20,479 --> 01:24:17,850

we're being watched and you know we kind

2010

01:24:21,560 --> 01:24:20,489

of start looking around a bit or we get

2011

01:24:25,850 --> 01:24:21,570

feelings of deja vu

2012

01:24:27,890 --> 01:24:25,860

and all that and that's Universal young

2013

01:24:30,979 --> 01:24:27,900

would argue anyway the way we interpret

2014

01:24:32,479 --> 01:24:30,989

dreams are universal so ultimately is

2015

01:24:33,649 --> 01:24:32,489

there something that exists within this

2016

01:24:36,560 --> 01:24:33,659

universal consciousness that's

2017

01:24:39,919 --> 01:24:36,570

intelligent and and manifesting itself

2018

01:24:41,660 --> 01:24:39,929

you know maybe you would say yes and

2019

01:24:45,260 --> 01:24:41,670

like I said I've become Jungian in my

2020

01:24:46,910 --> 01:24:45,270

old age but again it's my hypothesis not

2021

01:24:48,770 --> 01:24:46,920

it's it's nothing more than that you

2022

01:24:50,180 --> 01:24:48,780

know it's just philosophical rumination

2023

01:24:52,040 --> 01:24:50,190

and that's kind of the point and that's

2024

01:24:53,930 --> 01:24:52,050

kind of what my mission I think is in

2025

01:24:56,750 --> 01:24:53,940

the UFO world I'm not here to make

2026

01:24:58,220 --> 01:24:56,760

claims about what UFOs are I don't know

2027

01:25:01,160 --> 01:24:58,230

what your foes are I don't think anyone

2028

01:25:03,919 --> 01:25:01,170

knows what UFOs are all I can do is just

2029

01:25:07,689 --> 01:25:03,929

sort of propose philosophical ideas that

2030

01:25:10,520 --> 01:25:07,699

challenge the current UFO sort of

2031

01:25:12,379 --> 01:25:10,530

mythology that exists out there and I

2032

01:25:15,560 --> 01:25:12,389

think the extra-terrestrial hypothesis

2033

01:25:17,330 --> 01:25:15,570

is definitely a big UFO myth not that

2034

01:25:19,370 --> 01:25:17,340

it's not real it's just that it's a

2035

01:25:22,060 --> 01:25:19,380

story we kind of hear over and over and

2036

01:25:27,890 --> 01:25:22,070

over again and it's definitely become

2037

01:25:29,899 --> 01:25:27,900

just the base of UFO discourse and we

2038

01:25:31,609 --> 01:25:29,909

need to question why that is why do we

2039

01:25:33,620 --> 01:25:31,619

believe that it's aliens and not

2040

01:25:35,120 --> 01:25:33,630

something else and that's kind of what

2041

01:25:37,660 --> 01:25:35,130

I'm trying to do you know there are a

2042

01:25:38,840 --> 01:25:37,670

lot of people out there that could care

2043

01:25:43,430 --> 01:25:38,850

absolutely

2044

01:25:46,340 --> 01:25:43,440

less about you know UFOs or sightings or

2045

01:25:47,930 --> 01:25:46,350

have never even thought about it what

2046

01:25:50,270 --> 01:25:47,940

happens when they have a sighting when

2047

01:25:54,020 --> 01:25:50,280

they're not even paying attention to any

2048

01:25:55,970 --> 01:25:54,030

part of the UFO field or or may have not

2049

01:25:57,740 --> 01:25:55,980

even heard about anyone have a sighting

2050

01:26:00,830 --> 01:25:57,750

you know I don't think it's I don't

2051

01:26:02,629 --> 01:26:00,840

think it's everywhere that you know I

2052

01:26:04,939 --> 01:26:02,639

think it's a very small percentage of

2053

01:26:08,379 --> 01:26:04,949

people like you and I or even discussing

2054

01:26:11,660 --> 01:26:08,389

the topic or thinking about the topic

2055

01:26:13,129 --> 01:26:11,670

yeah you know the UFO the UFO community

2056

01:26:15,890 --> 01:26:13,139

is very much a subculture alike we are

2057

01:26:18,200 --> 01:26:15,900

not you know part of the mainstream but

2058

01:26:19,310 --> 01:26:18,210

you know UFOs have very much permeated

2059

01:26:21,290 --> 01:26:19,320

the mainstream you know

2060

01:26:23,390 --> 01:26:21,300

like the poster behind me right is from

2061

01:26:24,709 --> 01:26:23,400

a television show on on Fox that you

2062

01:26:27,530 --> 01:26:24,719

know millions and millions of people

2063

01:26:30,229 --> 01:26:27,540

have watched so you know while I think

2064

01:26:32,089 --> 01:26:30,239

the core of people like you and I right

2065

01:26:34,100 --> 01:26:32,099

who talk about UFOs sort of all the time

2066

01:26:38,450 --> 01:26:34,110

and and we sort of live in the world of

2067

01:26:40,939 --> 01:26:38,460

UFOs we might be small but you can ask

2068

01:26:42,530 --> 01:26:40,949

anyone what a UFO is and they'll be able

2069

01:26:44,569 --> 01:26:42,540

to tell you right they'll be able to

2070

01:26:46,939 --> 01:26:44,579

tell you this is what you know I've been

2071

01:26:48,439 --> 01:26:46,949

told it is because you know History

2072

01:26:51,379 --> 01:26:48,449

Channel or Discovery Channel had this

2073

01:26:54,439 --> 01:26:51,389

show about MUFON or gonna or the x-files

2074

01:26:55,819 --> 01:26:54,449

or Star Trek or anything so you know

2075

01:26:57,649 --> 01:26:55,829

it's interesting right when we talk

2076

01:26:59,270 --> 01:26:57,659

about people who are not in any way

2077

01:27:01,459 --> 01:26:59,280

involved in the UFO world have a

2078

01:27:03,229 --> 01:27:01,469

sighting I would say they fundamentally

2079

01:27:04,810 --> 01:27:03,239

already have had sightings right they've

2080

01:27:07,520 --> 01:27:04,820

seen them on TV all the time right

2081

01:27:09,470 --> 01:27:07,530

people have seen black triangles and

2082

01:27:11,709 --> 01:27:09,480

flying saucers and aliens you know you

2083

01:27:14,510 --> 01:27:11,719

go out into the world you go into any

2084

01:27:17,379 --> 01:27:14,520

Walmart and there is little toy aliens

2085

01:27:20,450 --> 01:27:17,389

and and spaceships and all that stuff so

2086

01:27:22,609 --> 01:27:20,460

they've already been exposed to the idea

2087

01:27:23,899 --> 01:27:22,619

of what a UFO is they've they've all

2088

01:27:25,609 --> 01:27:23,909

been exposed to the idea of what a

2089

01:27:27,050 --> 01:27:25,619

flying saucer is or what a gray is

2090

01:27:30,379 --> 01:27:27,060

because they've seen the movies they've

2091

01:27:31,370 --> 01:27:30,389

seen the documentaries and just because

2092

01:27:32,930 --> 01:27:31,380

they don't think about it on a daily

2093

01:27:34,609 --> 01:27:32,940

basis doesn't mean they can't an

2094

01:27:35,689 --> 01:27:34,619

experience and just because they don't

2095

01:27:37,310 --> 01:27:35,699

think about on a daily basis doesn't

2096

01:27:40,339 --> 01:27:37,320

mean that these shows aren't on TV still

2097

01:27:41,870 --> 01:27:40,349

and and I would argue that probably the

2098

01:27:44,080 --> 01:27:41,880

vast majority of people on this

2099

01:27:46,750 --> 01:27:44,090

especially in the West in North America

2100

01:27:49,640 --> 01:27:46,760

definitely sort of see UFOs all the time

2101
01:27:52,790 --> 01:27:49,650
not necessarily sort of anomalous ones

2102
01:27:56,959 --> 01:27:52,800
in the sky but they see it on TV a lot

2103
01:28:01,600 --> 01:27:56,969
or in movies or you know in in books or

2104
01:28:03,589 --> 01:28:01,610
magazines or whatever the Internet so

2105
01:28:06,950 --> 01:28:03,599
what we then need to sort of establish

2106
01:28:09,589 --> 01:28:06,960
is when a skeptic or when someone who

2107
01:28:14,180 --> 01:28:09,599
doesn't deal with UFOs at all has an

2108
01:28:17,180 --> 01:28:14,190
anomalous experience are they seeing an

2109
01:28:20,240 --> 01:28:17,190
objective flying saucer made of you know

2110
01:28:22,609 --> 01:28:20,250
metal or whatever the whatever the

2111
01:28:24,890 --> 01:28:22,619
material is being piloted by little

2112
01:28:28,339 --> 01:28:24,900
beings who are three feet tall and have

2113
01:28:30,140 --> 01:28:28,349

big heads are actually seeing that

2114

01:28:33,020 --> 01:28:30,150

objectively as a thing just like the

2115

01:28:37,100 --> 01:28:33,030

table in front of us or

2116

01:28:40,460 --> 01:28:37,110

are they seeing something and their mind

2117

01:28:44,150 --> 01:28:40,470

is interpreting that something as that

2118

01:28:46,280 --> 01:28:44,160

metal disk with little men flying it and

2119

01:28:49,880 --> 01:28:46,290

I think again that's the the question I

2120

01:28:56,180 --> 01:28:49,890

like to wrestle with is there an

2121

01:28:56,780 --> 01:28:56,190

objective UFO piloted by aliens or is it

2122

01:28:59,210 --> 01:28:56,790

something else

2123

01:29:01,810 --> 01:28:59,220

is it an anomalous event that you and I

2124

01:29:04,790 --> 01:29:01,820

are approaching from our own place and

2125

01:29:06,560 --> 01:29:04,800

interpreting in our own way and this is

2126

01:29:09,340 --> 01:29:06,570

the the point of my sort of

2127

01:29:16,520 --> 01:29:09,350

philosophical work within the UFO world

2128

01:29:18,680 --> 01:29:16,530

so do you think if someone was along

2129

01:29:20,860 --> 01:29:18,690

your lines they would you could still

2130

01:29:24,230 --> 01:29:20,870

taut you know thinking along your lines

2131

01:29:28,430 --> 01:29:24,240

they could still talk about witnesses

2132

01:29:30,020 --> 01:29:28,440

like several police officers you know

2133

01:29:32,000 --> 01:29:30,030

there was that case where it went

2134

01:29:33,770 --> 01:29:32,010

through several state are three or four

2135

01:29:36,800 --> 01:29:33,780

states where there was if they were

2136

01:29:40,730 --> 01:29:36,810

following it in do you think they would

2137

01:29:42,980 --> 01:29:40,740

interpret something as you know a flying

2138

01:29:46,280 --> 01:29:42,990

saucer from out of this world type of

2139

01:29:51,170 --> 01:29:46,290

thing how does that happen you know you

2140

01:29:54,320 --> 01:29:51,180

hear the their report yet so I'm not

2141

01:29:57,080 --> 01:29:54,330

sure how that's all right yeah all right

2142

01:29:58,310 --> 01:29:57,090

say let's say the case of I can't

2143

01:30:00,080 --> 01:29:58,320

remember when it was happened in the

2144

01:30:02,270 --> 01:30:00,090

Midwest Ohio and then it went through

2145

01:30:04,400 --> 01:30:02,280

like three states and all through the

2146

01:30:06,410 --> 01:30:04,410

morning in the night where all these

2147

01:30:11,390 --> 01:30:06,420

police officers were basically chasing

2148

01:30:13,340 --> 01:30:11,400

this UFO right they saw something you

2149

01:30:16,730 --> 01:30:13,350

think in in your terms they saw

2150

01:30:20,060 --> 01:30:16,740

something but not necessarily a UFO

2151
01:30:22,780 --> 01:30:20,070
strange UFO object same thing with you

2152
01:30:25,430 --> 01:30:22,790
know the Belgium you know triangle flap

2153
01:30:27,830 --> 01:30:25,440
you know what were these people seeing

2154
01:30:30,590 --> 01:30:27,840
and how did how did they interpret it

2155
01:30:34,100 --> 01:30:30,600
the way they did if it if it wasn't what

2156
01:30:38,420 --> 01:30:34,110
a you know they're say it was right so

2157
01:30:40,550 --> 01:30:38,430
so you know again if we sort of go along

2158
01:30:44,450 --> 01:30:40,560
this theory if we kind of follow it to

2159
01:30:46,640 --> 01:30:44,460
sort of a conclusion here whatever that

2160
01:30:49,040 --> 01:30:46,650
thing was that that other that

2161
01:30:51,880 --> 01:30:49,050
that anomaly that intelligence whatever

2162
01:30:54,800 --> 01:30:51,890
it was became that object it sort of

2163
01:30:58,459 --> 01:30:54,810

manifested itself as that Flying Saucer

2164

01:31:01,250 --> 01:30:58,469

or black triangle or you know the

2165

01:31:03,950 --> 01:31:01,260

Phoenix lights delta wing it manifested

2166

01:31:06,200 --> 01:31:03,960

itself as that and then it sort of went

2167

01:31:07,910 --> 01:31:06,210

along its way and people saw it all

2168

01:31:09,740 --> 01:31:07,920

along the way the police officers who

2169

01:31:12,350 --> 01:31:09,750

saw the flying disc or whatever it was

2170

01:31:14,479 --> 01:31:12,360

across three states you know when it

2171

01:31:16,850 --> 01:31:14,489

first became that flying disc it would

2172

01:31:19,970 --> 01:31:16,860

have sort of remained that until that

2173

01:31:22,010 --> 01:31:19,980

experience ended again if we're dealing

2174

01:31:23,930 --> 01:31:22,020

with this idea of a universal

2175

01:31:29,390 --> 01:31:23,940

consciousness if a universal yeah a

2176
01:31:31,820 --> 01:31:29,400
universal consciousness again we're all

2177
01:31:35,350 --> 01:31:31,830
connected right so if if a police

2178
01:31:38,180 --> 01:31:35,360
officer in Ohio see something his

2179
01:31:40,100 --> 01:31:38,190
universe his his sort of unconscious

2180
01:31:42,530 --> 01:31:40,110
mind is tied in with everyone else it's

2181
01:31:44,689 --> 01:31:42,540
just kind of becoming what it needs to

2182
01:31:47,360 --> 01:31:44,699
become for us to see it for us to

2183
01:31:49,040 --> 01:31:47,370
experience it so it takes the shape of a

2184
01:31:52,340 --> 01:31:49,050
flying disc or a black triangle or

2185
01:31:54,500 --> 01:31:52,350
whatever you know to kind of reverse

2186
01:31:56,930 --> 01:31:54,510
your question a little bit why do these

2187
01:31:59,390 --> 01:31:56,940
police officers in the United States see

2188
01:32:02,600 --> 01:31:59,400

a flying saucer and why did the people

2189

01:32:05,120 --> 01:32:02,610

in Belgium have a black triangle flap if

2190

01:32:06,470 --> 01:32:05,130

it's extraterrestrials why did the

2191

01:32:07,700 --> 01:32:06,480

extraterrestrials change the shape of

2192

01:32:11,360 --> 01:32:07,710

their vehicle yeah they have many

2193

01:32:13,220 --> 01:32:11,370

different models right and and that

2194

01:32:15,530 --> 01:32:13,230

becomes right now becomes some curious

2195

01:32:17,300 --> 01:32:15,540

like statement that we make about extra

2196

01:32:18,410 --> 01:32:17,310

hypotheses right oh well yeah there's

2197

01:32:21,830 --> 01:32:18,420

how I explained that because they have

2198

01:32:24,979 --> 01:32:21,840

different types of ships okay sure so so

2199

01:32:26,870 --> 01:32:24,989

so they have flying discs for one reason

2200

01:32:28,160 --> 01:32:26,880

and then they have black triangles for

2201

01:32:30,709 --> 01:32:28,170

another and then how about like the

2202

01:32:32,660 --> 01:32:30,719

ovals or the Delta wings and I mean it

2203

01:32:35,720 --> 01:32:32,670

we can keep going like the problem with

2204

01:32:39,580 --> 01:32:35,730

the extra hypothesis is it's incredibly

2205

01:32:42,709 --> 01:32:39,590

relative we can just like spiral into

2206

01:32:45,200 --> 01:32:42,719

chaos and we can explain everything by

2207

01:32:46,970 --> 01:32:45,210

just adding more stuff right we just add

2208

01:32:48,500 --> 01:32:46,980

more shapes and we saw they've got

2209

01:32:50,660 --> 01:32:48,510

different types of vehicles and you know

2210

01:32:51,919 --> 01:32:50,670

this one can do this speed and and this

2211

01:32:53,390 --> 01:32:51,929

one's designed for this type of truck

2212

01:32:57,169 --> 01:32:53,400

you know I mean like does that not sound

2213

01:33:00,620 --> 01:32:57,179

kind of odd to anyone I don't know it

2214

01:33:03,290 --> 01:33:00,630

seems it

2215

01:33:05,959 --> 01:33:03,300

seems odd that an intelligence that can

2216

01:33:07,700 --> 01:33:05,969

travel the Stars would have different

2217

01:33:11,209 --> 01:33:07,710

types of spaceships or stylistic ships

2218

01:33:13,370 --> 01:33:11,219

for some reason right like there's a lot

2219

01:33:16,100 --> 01:33:13,380

of opal that mio attribute the military

2220

01:33:18,770 --> 01:33:16,110

to black projects to the triangles

2221

01:33:20,780 --> 01:33:18,780

problem but the triangles have been

2222

01:33:23,540 --> 01:33:20,790

around for quite a while I mean I have a

2223

01:33:27,500 --> 01:33:23,550

friend who saw one in the 70s you know

2224

01:33:31,129 --> 01:33:27,510

they bent right I tell you a quick story

2225

01:33:32,780 --> 01:33:31,139

of I was having I was doing my show in a

2226

01:33:35,240 --> 01:33:32,790

different home that I'm in now I was

2227

01:33:38,479 --> 01:33:35,250

living in a condo at the time on on a

2228

01:33:39,740 --> 01:33:38,489

golf course and during the show my

2229

01:33:41,510 --> 01:33:39,750

neighbor was pounding on the door I

2230

01:33:46,340 --> 01:33:41,520

didn't I didn't hear her but she told me

2231

01:33:47,899 --> 01:33:46,350

later she said a huge triangle came over

2232

01:33:49,750 --> 01:33:47,909

the golf course and like floated over

2233

01:33:52,189 --> 01:33:49,760

the golf course and then took off and

2234

01:33:53,419 --> 01:33:52,199

she was like really scared she was

2235

01:33:56,330 --> 01:33:53,429

knocking on the door so I could come out

2236

01:33:58,220 --> 01:33:56,340

and see it so I told her well you know I

2237

01:34:00,410 --> 01:33:58,230

do a show on UFOs and I was actually

2238

01:34:02,360 --> 01:34:00,420

doing one when this happened you know

2239

01:34:03,979 --> 01:34:02,370

this amazing awesome can you come back

2240

01:34:06,320 --> 01:34:03,989

next week and be on my show this is

2241

01:34:08,990 --> 01:34:06,330

great she goes oh no I don't believe in

2242

01:34:10,760 --> 01:34:09,000

UFOs there's no way and I said no you

2243

01:34:11,810 --> 01:34:10,770

can be anonymous she was it's no way I'm

2244

01:34:13,910 --> 01:34:11,820

not gonna be on your show

2245

01:34:16,490 --> 01:34:13,920

sure nothing to do with UFOs and she

2246

01:34:19,300 --> 01:34:16,500

never actually talked to me again that

2247

01:34:21,860 --> 01:34:19,310

was like she kept her distance from me

2248

01:34:25,160 --> 01:34:21,870

and UFOs have this effect right like we

2249

01:34:29,870 --> 01:34:25,170

have this anxiety about the idea of the

2250

01:34:31,100 --> 01:34:29,880

UFO we have this anxiety about we

2251
01:34:32,360 --> 01:34:31,110
haven't anxiety about this concept that

2252
01:34:34,700 --> 01:34:32,370
there's something else out there right

2253
01:34:36,110 --> 01:34:34,710
that's intelligent and doing things

2254
01:34:38,330 --> 01:34:36,120
right that's sort of meddling in our

2255
01:34:41,000 --> 01:34:38,340
world you know we as humans live on this

2256
01:34:43,430 --> 01:34:41,010
planet and we kind of go to bed every

2257
01:34:46,310 --> 01:34:43,440
night comfortable in the fact that we're

2258
01:34:48,680 --> 01:34:46,320
the top dog you know there is nothing

2259
01:34:51,169 --> 01:34:48,690
else on this planet that's bigger than

2260
01:34:52,550 --> 01:34:51,179
us on the food chain right we we can

2261
01:34:55,100 --> 01:34:52,560
outgun everything right it doesn't

2262
01:34:57,110 --> 01:34:55,110
matter sort of the the biggest predator

2263
01:34:58,669 --> 01:34:57,120

out there and it doesn't compare to us

2264

01:34:59,930 --> 01:34:58,679

you know if we need to we can move a

2265

01:35:02,930 --> 01:34:59,940

mountain out of the way right to build

2266

01:35:05,600 --> 01:35:02,940

the train track for it or whatever you

2267

01:35:07,340 --> 01:35:05,610

know because we have this massive

2268

01:35:11,360 --> 01:35:07,350

intelligence right that you know because

2269

01:35:14,540 --> 01:35:11,370

we're human UFOs and the idea of an

2270

01:35:19,459 --> 01:35:14,550

intelligent other is really frightening

2271

01:35:21,560 --> 01:35:19,469

we lose then our control over the planet

2272

01:35:23,600 --> 01:35:21,570

we lose our control over we lose the

2273

01:35:25,399 --> 01:35:23,610

control over ourselves we lose control

2274

01:35:27,439 --> 01:35:25,409

over the way we govern our lives on a

2275

01:35:29,750 --> 01:35:27,449

day to day to day basis if there is

2276

01:35:31,760 --> 01:35:29,760

something else that is intelligent and

2277

01:35:34,970 --> 01:35:31,770

not only that is intelligent enough that

2278

01:35:37,040 --> 01:35:34,980

it can kind of help maneuver us or it

2279

01:35:39,200 --> 01:35:37,050

can help gonna soar or it can sort of

2280

01:35:40,850 --> 01:35:39,210

disappear or reappear random or it just

2281

01:35:42,280 --> 01:35:40,860

doesn't really care what we think and

2282

01:35:44,720 --> 01:35:42,290

just kind of goes about its merry way

2283

01:35:46,970 --> 01:35:44,730

this makes this this kind of freaks

2284

01:35:50,930 --> 01:35:46,980

people out and and I think rightfully so

2285

01:35:54,250 --> 01:35:50,940

UFOs are definitely an an anxious and

2286

01:35:56,990 --> 01:35:54,260

and and um sort of frightening thing

2287

01:35:58,790 --> 01:35:57,000

nobody wants to go to bed at night I'm

2288

01:36:00,649 --> 01:35:58,800

thinking that you know something's

2289

01:36:02,990 --> 01:36:00,659

better than they are or something's

2290

01:36:06,500 --> 01:36:03,000

bigger than they are and they can't

2291

01:36:09,560 --> 01:36:06,510

control it for people this is scary

2292

01:36:11,870 --> 01:36:09,570

we like to remain on top and you know

2293

01:36:14,270 --> 01:36:11,880

UFOs definitely throw that under the bus

2294

01:36:18,169 --> 01:36:14,280

yes and I think you know that's part of

2295

01:36:20,629 --> 01:36:18,179

the reason you know the Air Force you

2296

01:36:22,760 --> 01:36:20,639

know they had no control of what was

2297

01:36:25,640 --> 01:36:22,770

going on you know no matter what what it

2298

01:36:27,229 --> 01:36:25,650

was and you know and that's I think

2299

01:36:29,600 --> 01:36:27,239

that's why they you know stepped away

2300

01:36:33,950 --> 01:36:29,610

from it you know nothing was happening

2301
01:36:35,689 --> 01:36:33,960
in any serious way to affect anyone that

2302
01:36:38,899 --> 01:36:35,699
they they knew it yeah so what do you

2303
01:36:40,790 --> 01:36:38,909
think about Robert Bigelow did you hear

2304
01:36:43,010 --> 01:36:40,800
his statement on 60 minutes what he

2305
01:36:47,959 --> 01:36:43,020
thought about UFOs and coming to the

2306
01:36:50,209 --> 01:36:47,969
earth you know what I heard it happen

2307
01:36:53,780 --> 01:36:50,219
but I didn't sort of listen to it can

2308
01:36:56,419 --> 01:36:53,790
you give me a quick paraphrase Rob so he

2309
01:36:59,060 --> 01:36:56,429
was being interviewed by Lara Logan and

2310
01:37:01,580 --> 01:36:59,070
she said do you believe that UFOs have

2311
01:37:03,620 --> 01:37:01,590
come to this earth and there's his

2312
01:37:07,010 --> 01:37:03,630
answer was there has been in existence

2313
01:37:09,140 --> 01:37:07,020

presence and et presence and I've spent

2314

01:37:12,410 --> 01:37:09,150

millions millions of dollars probably

2315

01:37:14,990 --> 01:37:12,420

spent more than any individual ever has

2316

01:37:17,270 --> 01:37:15,000

in the United States as ever on this

2317

01:37:19,939 --> 01:37:17,280

subject and you know basically he just

2318

01:37:23,510 --> 01:37:19,949

was saying he didn't give a damn he

2319

01:37:24,950 --> 01:37:23,520

didn't care what people thought they he

2320

01:37:27,530 --> 01:37:24,960

didn't care if they thought he was crazy

2321

01:37:28,339 --> 01:37:27,540

or whatever you know he just moved what

2322

01:37:30,649 --> 01:37:28,349

he knew

2323

01:37:32,720 --> 01:37:30,659

and so yeah I mean you haven't really

2324

01:37:37,280 --> 01:37:32,730

had time to really digest any of that

2325

01:37:38,660 --> 01:37:37,290

but no but I think he makes sort of a

2326

01:37:40,339 --> 01:37:38,670

similar claim that a lot of people in

2327

01:37:42,379 --> 01:37:40,349

the yo full world sort of claim right

2328

01:37:46,660 --> 01:37:42,389

they say like I know it's aliens right

2329

01:37:49,550 --> 01:37:46,670

or I know it's extraterrestrials um I

2330

01:37:51,800 --> 01:37:49,560

think we can sort of walk away from any

2331

01:37:54,260 --> 01:37:51,810

UFO event from any UFO sighting or any

2332

01:37:55,939 --> 01:37:54,270

contact event or any abduction event we

2333

01:37:58,729 --> 01:37:55,949

can walk away not necessarily saying

2334

01:38:00,560 --> 01:37:58,739

that I know 100% they're extra serious

2335

01:38:03,229 --> 01:38:00,570

from another planet I think we can walk

2336

01:38:05,180 --> 01:38:03,239

away saying something strange happened

2337

01:38:07,189 --> 01:38:05,190

something anomalous happened and it was

2338

01:38:10,189 --> 01:38:07,199

intelligent that's sort of what we can

2339

01:38:12,709 --> 01:38:10,199

walk away with to say anything more than

2340

01:38:16,370 --> 01:38:12,719

that to say anything more than it was

2341

01:38:17,839 --> 01:38:16,380

anomalous and strange and intelligent

2342

01:38:19,819 --> 01:38:17,849

you know I think that's okay

2343

01:38:22,939 --> 01:38:19,829

because there's there's there's evidence

2344

01:38:25,189 --> 01:38:22,949

for that type of sort of argument to

2345

01:38:27,919 --> 01:38:25,199

then say they're aliens from this planet

2346

01:38:29,780 --> 01:38:27,929

now we're kind of going on a totally

2347

01:38:33,500 --> 01:38:29,790

different we're making a huge logical

2348

01:38:35,479 --> 01:38:33,510

leap here into into just what I

2349

01:38:37,939 --> 01:38:35,489

personally believe to be happening and

2350

01:38:40,100 --> 01:38:37,949

or what someone personally believes to

2351

01:38:42,129 --> 01:38:40,110

be happy and I think that this is well

2352

01:38:45,589 --> 01:38:42,139

he's like he didn't really explain why

2353

01:38:48,080 --> 01:38:45,599

he saying he knew what I knew is just

2354

01:38:49,819 --> 01:38:48,090

the fact that he he knew it because he

2355

01:38:54,080 --> 01:38:49,829

spent millions of dollars on the subject

2356

01:38:55,490 --> 01:38:54,090

to look into it okay so that like does

2357

01:38:57,379 --> 01:38:55,500

that mean he spoke to one of them like

2358

01:38:58,819 --> 01:38:57,389

does that mean he bought a meeting and

2359

01:39:00,229 --> 01:38:58,829

they came down and they were like yeah

2360

01:39:01,490 --> 01:39:00,239

it's a hundred percent you know this

2361

01:39:04,700 --> 01:39:01,500

were his plan and then they took like

2362

01:39:06,200 --> 01:39:04,710

you know I don't know and this this is

2363

01:39:08,950 --> 01:39:06,210

this is again just I think he's just

2364

01:39:11,450 --> 01:39:08,960

sort of making a belief claim here um

2365

01:39:12,530 --> 01:39:11,460

one thing I'll say is he's he's

2366

01:39:14,319 --> 01:39:12,540

definitely saying that there was

2367

01:39:16,910 --> 01:39:14,329

something strange going on right I mean

2368

01:39:18,800 --> 01:39:16,920

can he definitely proved that it's

2369

01:39:21,740 --> 01:39:18,810

extraterrestrial can he prove that it's

2370

01:39:23,810 --> 01:39:21,750

you know meat bodies like you and I from

2371

01:39:25,160 --> 01:39:23,820

another planet coming here I don't think

2372

01:39:26,479 --> 01:39:25,170

so because I'm sure he would probably

2373

01:39:31,189 --> 01:39:26,489

have come up with the proof if he added

2374

01:39:33,379 --> 01:39:31,199

and and just say that we are being

2375

01:39:35,899 --> 01:39:33,389

visited let's just throw that out there

2376

01:39:38,270 --> 01:39:35,909

let's say we are being visited yeah why

2377

01:39:40,549 --> 01:39:38,280

would you think that it's been so long

2378

01:39:41,620 --> 01:39:40,559

with so many interested people not being

2379

01:39:47,740 --> 01:39:41,630

able to

2380

01:39:49,390 --> 01:39:47,750

grasp any hard evidence right and this

2381

01:39:53,200 --> 01:39:49,400

is ultimately the problem right with the

2382

01:39:55,930 --> 01:39:53,210

accurate our hypothesis is that you know

2383

01:39:58,390 --> 01:39:55,940

like there's no real evidence there's a

2384

01:39:59,620 --> 01:39:58,400

few pieces of physical evidence that we

2385

01:40:01,899 --> 01:39:59,630

sort of say are dubious right like

2386

01:40:03,340 --> 01:40:01,909

there's been a few you know but people

2387

01:40:06,550 --> 01:40:03,350

claim when they've been abducted have

2388

01:40:08,260 --> 01:40:06,560

had the non-flying probes removed I yeah

2389

01:40:10,419 --> 01:40:08,270

the implants movement but again you know

2390

01:40:11,740 --> 01:40:10,429

the result like none of the results that

2391

01:40:13,419 --> 01:40:11,750

come back from any of the tests

2392

01:40:15,010 --> 01:40:13,429

regarding those things are you know oh

2393

01:40:17,080 --> 01:40:15,020

my god this is a metal we've never seen

2394

01:40:20,709 --> 01:40:17,090

before or whatever you know they sort of

2395

01:40:22,770 --> 01:40:20,719

come back you know odd and strange but

2396

01:40:26,410 --> 01:40:22,780

they're not sort of smoking gun evidence

2397

01:40:29,350 --> 01:40:26,420

so all of the evidence is relatively

2398

01:40:31,660 --> 01:40:29,360

dubious if it is extraterrestrials like

2399

01:40:34,510 --> 01:40:31,670

you and I they're doing a very good job

2400

01:40:36,100 --> 01:40:34,520

of covering their tracks furthermore for

2401

01:40:38,200 --> 01:40:36,110

a group of people who crashed their

2402

01:40:40,390 --> 01:40:38,210

spaceships so many times in this planet

2403

01:40:43,390 --> 01:40:40,400

whether it's Roswell or you know Aztec

2404

01:40:44,830 --> 01:40:43,400

or or or you know wherever you know they

2405

01:40:46,390 --> 01:40:44,840

keep slamming their spaceships into the

2406

01:40:51,939 --> 01:40:46,400

ends of the earth the fact that no one's

2407

01:40:53,229 --> 01:40:51,949

found anything is surprising this is

2408

01:40:54,879 --> 01:40:53,239

fundamentally the problem with

2409

01:40:56,229 --> 01:40:54,889

extra-terrestrial hypothesis it's been a

2410

01:40:59,860 --> 01:40:56,239

long time and people have claimed that

2411

01:41:01,120 --> 01:40:59,870

we've been visited for thousands and

2412

01:41:02,740 --> 01:41:01,130

thousands and thousands of years right

2413

01:41:05,169 --> 01:41:02,750

you know ancient aliens would posit that

2414

01:41:07,840 --> 01:41:05,179

you know this is not a new thing this is

2415

01:41:10,540 --> 01:41:07,850

an ancient thing and again there is

2416

01:41:14,290 --> 01:41:10,550

literally no smoking gun evidence that

2417

01:41:16,720 --> 01:41:14,300

we can say yeah 100% here it is they're

2418

01:41:18,250 --> 01:41:16,730

doing an amazing job of covering their

2419

01:41:21,220 --> 01:41:18,260

tracks mmm

2420

01:41:23,110 --> 01:41:21,230

now if it's not extraterrestrial let's

2421

01:41:24,879 --> 01:41:23,120

say it's intelligence that simply

2422

01:41:26,620 --> 01:41:24,889

manifests itself physically at times

2423

01:41:29,080 --> 01:41:26,630

well it makes sense nothing would be

2424

01:41:32,350 --> 01:41:29,090

left behind because when it's simply you

2425

01:41:34,360 --> 01:41:32,360

know when it leaves the reality we exist

2426

01:41:37,209 --> 01:41:34,370

in it kind of takes everything with it

2427

01:41:38,830 --> 01:41:37,219

right it leaves our sort of

2428

01:41:40,780 --> 01:41:38,840

interpretation of reality and it kind of

2429

01:41:41,320 --> 01:41:40,790

returns to wherever it's home is or not

2430

01:41:42,910 --> 01:41:41,330

home answer

2431

01:41:45,189 --> 01:41:42,920

that's a weirdo saying it it returns to

2432

01:41:50,680 --> 01:41:45,199

kind of wherever its places in in sort

2433

01:41:53,770 --> 01:41:50,690

of our our unconsciousness or or within

2434

01:41:55,020 --> 01:41:53,780

the sort of the linked sort of reality

2435

01:41:56,640 --> 01:41:55,030

that that we can't access

2436

01:41:58,050 --> 01:41:56,650

you know sometimes people say multiverse

2437

01:42:02,700 --> 01:41:58,060

for example right stranger things would

2438

01:42:06,750 --> 01:42:02,710

call it the upside down you know if if

2439

01:42:08,760 --> 01:42:06,760

if it's not bodies of meat like you and

2440

01:42:10,770 --> 01:42:08,770

I flying in spaceships it's something

2441

01:42:12,260 --> 01:42:10,780

else then that makes sense why there's

2442

01:42:15,810 --> 01:42:12,270

no physical evidence being left behind

2443

01:42:18,180 --> 01:42:15,820

one would think at some point you know

2444

01:42:19,920 --> 01:42:18,190

just like Larry the alien forgets to

2445

01:42:22,590 --> 01:42:19,930

turn the cloaking on and it gets a radar

2446

01:42:24,120 --> 01:42:22,600

hit one would think one would make a

2447

01:42:25,620 --> 01:42:24,130

mistake at some point or would screw up

2448

01:42:28,020 --> 01:42:25,630

or I mean they crashed at Roswell

2449

01:42:29,700 --> 01:42:28,030

apparently so you know clearly there

2450

01:42:31,710 --> 01:42:29,710

must be some shred of evidence out there

2451
01:42:33,000 --> 01:42:31,720
and there's zero chance you know the

2452
01:42:34,380 --> 01:42:33,010
American military night report 7 could

2453
01:42:40,590 --> 01:42:34,390
clean it all out i don't know i i'm i

2454
01:42:42,540 --> 01:42:40,600
find eth dubious so you know to to get

2455
01:42:44,670 --> 01:42:42,550
sort of back to your question you know

2456
01:42:49,350 --> 01:42:44,680
if we are being visited let's say by

2457
01:42:50,850 --> 01:42:49,360
aliens sorry I told you for all question

2458
01:42:53,730 --> 01:42:50,860
actually yeah why do you think the

2459
01:42:57,660 --> 01:42:53,740
evidence has been elusive for so long

2460
01:43:00,420 --> 01:42:57,670
yeah yeah so you know that's sort of

2461
01:43:01,860 --> 01:43:00,430
yeah that's how I started I guess it's

2462
01:43:03,780 --> 01:43:01,870
because there is no evidence right like

2463
01:43:05,250 --> 01:43:03,790

fundamentally I don't think it's it's

2464

01:43:06,720 --> 01:43:05,260

extraterrestrial another planet I think

2465

01:43:09,180 --> 01:43:06,730

that's why the evidence is elusive is

2466

01:43:11,070 --> 01:43:09,190

because ultimately I I just don't think

2467

01:43:12,510 --> 01:43:11,080

they're literally flying here in metal

2468

01:43:14,880 --> 01:43:12,520

spaceships visiting us I don't think

2469

01:43:17,100 --> 01:43:14,890

that's what we're dealing with because

2470

01:43:19,350 --> 01:43:17,110

if they were doing that there would be

2471

01:43:21,180 --> 01:43:19,360

evidence well there's there's on we

2472

01:43:22,890 --> 01:43:21,190

think there would be evidence but again

2473

01:43:27,480 --> 01:43:22,900

that's thinking along our lines of

2474

01:43:29,310 --> 01:43:27,490

making mistakes and you know if they

2475

01:43:32,280 --> 01:43:29,320

were intelligent enough to be here

2476
01:43:36,930 --> 01:43:32,290
perhaps they don't want to be you know

2477
01:43:38,870 --> 01:43:36,940
totally discovered or evidential should

2478
01:43:41,610 --> 01:43:38,880
disrupt our societies like the thing

2479
01:43:43,350 --> 01:43:41,620
right so you have to have to ask those

2480
01:43:46,380 --> 01:43:43,360
same people you know did they crash at

2481
01:43:48,120 --> 01:43:46,390
Roswell or do they crash at other places

2482
01:43:49,920 --> 01:43:48,130
because there's apparently been you know

2483
01:43:50,220 --> 01:43:49,930
dozens of UFO crashes in the last seven

2484
01:43:53,760 --> 01:43:50,230
years

2485
01:43:55,350 --> 01:43:53,770
so again if they're if they're hybrid

2486
01:43:59,130 --> 01:43:55,360
advanced and intelligent and they don't

2487
01:44:00,840 --> 01:43:59,140
make mistakes you know are we then do

2488
01:44:04,440 --> 01:44:00,850

those people still believe in Roswell as

2489

01:44:07,020 --> 01:44:04,450

a case right and this is interesting

2490

01:44:08,430 --> 01:44:07,030

right it's interesting to say they're so

2491

01:44:08,810 --> 01:44:08,440

hyper advanced that they have this

2492

01:44:10,060 --> 01:44:08,820

amazing

2493

01:44:13,670 --> 01:44:10,070

ecology and they don't screw up

2494

01:44:15,590 --> 01:44:13,680

meanwhile they crashed at Roswell you

2495

01:44:18,980 --> 01:44:15,600

know which is doesn't necessarily

2496

01:44:20,480 --> 01:44:18,990

correlate in logic it was a hairy forgot

2497

01:44:23,990 --> 01:44:20,490

to push the button that they're in the

2498

01:44:26,410 --> 01:44:24,000

you know right yeah you know the guy so

2499

01:44:28,160 --> 01:44:26,420

let's say let's just say Roswell is

2500

01:44:29,300 --> 01:44:28,170

nothing nothing happened at Roswell

2501

01:44:30,590 --> 01:44:29,310

let's just say it was a balloon or

2502

01:44:32,660 --> 01:44:30,600

something right and let's say they are

2503

01:44:35,210 --> 01:44:32,670

we are being visited just for the sake

2504

01:44:37,970 --> 01:44:35,220

of argument we're being visited by a

2505

01:44:43,280 --> 01:44:37,980

hyper-intelligent species that does not

2506

01:44:46,040 --> 01:44:43,290

make mistakes and and you know they just

2507

01:44:47,960 --> 01:44:46,050

cover their tracks perfectly you know I

2508

01:44:49,820 --> 01:44:47,970

suppose then potentially we could just

2509

01:44:51,590 --> 01:44:49,830

be dealing with you know technology so

2510

01:44:54,560 --> 01:44:51,600

advanced and it seems like magic to us

2511

01:44:56,840 --> 01:44:54,570

right they leave nothing behind because

2512

01:44:58,190 --> 01:44:56,850

maybe their version of reality you know

2513

01:44:59,000 --> 01:44:58,200

doesn't leave stuff behind in our

2514

01:45:01,100 --> 01:44:59,010

version I don't know it could be

2515

01:45:06,130 --> 01:45:01,110

anything you know I've written a lot of

2516

01:45:08,720 --> 01:45:06,140

articles about a theory posited by a

2517

01:45:12,200 --> 01:45:08,730

physicist named Caleb Scharf he says

2518

01:45:14,300 --> 01:45:12,210

that you know perhaps and a hyper

2519

01:45:16,390 --> 01:45:14,310

advanced alien species would upload

2520

01:45:19,820 --> 01:45:16,400

itself into the laws of physics itself

2521

01:45:21,680 --> 01:45:19,830

they would leave behind physical bodies

2522

01:45:24,740 --> 01:45:21,690

and they would become part of the

2523

01:45:27,350 --> 01:45:24,750

universe they would sort of become one

2524

01:45:29,090 --> 01:45:27,360

with the sort of matter within the

2525

01:45:32,060 --> 01:45:29,100

universe and he wrote he wrote an

2526

01:45:34,250 --> 01:45:32,070

article I believe for the Atlantic and

2527

01:45:35,770 --> 01:45:34,260

then Ill wrote it for mysterious

2528

01:45:39,530 --> 01:45:35,780

universe I sort of talked about his idea

2529

01:45:41,660 --> 01:45:39,540

and you know maybe this what's going on

2530

01:45:43,190 --> 01:45:41,670

maybe we are communicating with

2531

01:45:44,420 --> 01:45:43,200

something hyper intelligent but it

2532

01:45:45,530 --> 01:45:44,430

doesn't leave traces because it's just

2533

01:45:48,590 --> 01:45:45,540

it's not physical like you and I are

2534

01:45:51,260 --> 01:45:48,600

physical it exists within the fabric of

2535

01:45:53,990 --> 01:45:51,270

the universe itself it's part of matter

2536

01:45:56,060 --> 01:45:54,000

itself and it just kind of shows up when

2537

01:45:57,670 --> 01:45:56,070

it wants to who knows

2538

01:46:00,020 --> 01:45:57,680

rather nothing there's gonna be a

2539

01:46:02,240 --> 01:46:00,030

there's gonna be a point where you reach

2540

01:46:04,250 --> 01:46:02,250

such a technological advancement that

2541

01:46:06,920 --> 01:46:04,260

you no longer need a physical body you

2542

01:46:08,900 --> 01:46:06,930

would simply become energy itself

2543

01:46:11,660 --> 01:46:08,910

potential you could upload yourself into

2544

01:46:14,150 --> 01:46:11,670

dark matter or dark energy or whatever

2545

01:46:16,910 --> 01:46:14,160

other sort of you know quantum physical

2546

01:46:21,170 --> 01:46:16,920

and idea that science is currently

2547

01:46:22,830 --> 01:46:21,180

playing around with so you know we I can

2548

01:46:27,240 --> 01:46:22,840

be honest if it is extra

2549

01:46:29,490 --> 01:46:27,250

visiting us and they're there in Seoul

2550

01:46:30,810 --> 01:46:29,500

hyper-advanced beyond us there they're

2551

01:46:32,460 --> 01:46:30,820

probably not physical anyway right

2552

01:46:34,130 --> 01:46:32,470

they're probably not man enough meet

2553

01:46:36,930 --> 01:46:34,140

like you and I are made out of meat

2554

01:46:39,540 --> 01:46:36,940

because I can be honest this this form

2555

01:46:41,550 --> 01:46:39,550

of living this you know it's flawed

2556

01:46:43,590 --> 01:46:41,560

right it it dies eventually it fades

2557

01:46:45,240 --> 01:46:43,600

away you know if you really wanted to

2558

01:46:48,840 --> 01:46:45,250

survive forever if you really wanted to

2559

01:46:51,750 --> 01:46:48,850

ensure your species what exist for

2560

01:46:53,430 --> 01:46:51,760

infinity you become part of the universe

2561

01:46:54,720 --> 01:46:53,440

itself right you become part of the

2562

01:46:56,400 --> 01:46:54,730

building blocks that make up the

2563

01:46:59,130 --> 01:46:56,410

universe that's a really that's an

2564

01:47:01,650 --> 01:46:59,140

interesting theory to me and also along

2565

01:47:04,590 --> 01:47:01,660

the same lines a lot of people talk

2566

01:47:06,450 --> 01:47:04,600

about how things will disappear right in

2567

01:47:10,500 --> 01:47:06,460

front of their eyes you know and and you

2568

01:47:11,310 --> 01:47:10,510

know that would kind of fit that but I

2569

01:47:13,440 --> 01:47:11,320

like that

2570

01:47:15,540 --> 01:47:13,450

and that's very interesting we have a

2571

01:47:17,490 --> 01:47:15,550

Leslie in the chatroom that wanted to

2572

01:47:20,040 --> 01:47:17,500

know what you think about the way the

2573

01:47:22,650 --> 01:47:20,050

UFO experience has changed over the

2574

01:47:27,450 --> 01:47:22,660

decades the collective unconscious and

2575

01:47:31,170 --> 01:47:27,460

the space brothers for example yeah well

2576

01:47:33,720 --> 01:47:31,180

I mean you you see this across you know

2577

01:47:36,240 --> 01:47:33,730

we can even go back into the 1800s right

2578

01:47:37,680 --> 01:47:36,250

and in the 1800's people weren't seeing

2579

01:47:39,120 --> 01:47:37,690

flying saucers and black they were

2580

01:47:41,730 --> 01:47:39,130

seeing airships like they were literally

2581

01:47:44,220 --> 01:47:41,740

seeing balloons with with men with

2582

01:47:47,160 --> 01:47:44,230

strange accents wearing coveralls and

2583

01:47:49,920 --> 01:47:47,170

and you know climbing down on ladders

2584

01:47:53,010 --> 01:47:49,930

and asking for water and then exchanging

2585

01:47:56,310 --> 01:47:53,020

American currency for for like oil and

2586

01:47:59,580 --> 01:47:56,320

gas and then you know moving from there

2587

01:48:02,670 --> 01:47:59,590

you know as our technology changes as

2588

01:48:05,360 --> 01:48:02,680

our technology adjusts so too does our

2589

01:48:07,740 --> 01:48:05,370

unconscious right so too does our

2590

01:48:09,660 --> 01:48:07,750

perception of the world around us and as

2591

01:48:12,780 --> 01:48:09,670

we move technologically into sort of

2592

01:48:17,220 --> 01:48:12,790

today the 21st century um sort of

2593

01:48:19,080 --> 01:48:17,230

clearly our our technological bill

2594

01:48:21,630 --> 01:48:19,090

technological ability is going to

2595

01:48:23,040 --> 01:48:21,640

influence sort of our unconscious mind

2596

01:48:25,620 --> 01:48:23,050

and our conscious mind as well it's

2597

01:48:28,020 --> 01:48:25,630

going to shape our belief system it's

2598

01:48:31,140 --> 01:48:28,030

going to shape our it's gonna shape the

2599

01:48:32,370 --> 01:48:31,150

way we perceive the world around us so

2600

01:48:34,800 --> 01:48:32,380

you know talking about the space

2601

01:48:36,690 --> 01:48:34,810

brothers I have you know in the other

2602

01:48:38,880 --> 01:48:36,700

thing we lose the 1960s or late

2603

01:48:41,790 --> 01:48:38,890

early sixties was right the whole space

2604

01:48:43,650 --> 01:48:41,800

state space brother movement well I mean

2605

01:48:46,200 --> 01:48:43,660

you know you can clearly see this this

2606

01:48:47,790 --> 01:48:46,210

idea of sort of these hippie spacemen

2607

01:48:50,430 --> 01:48:47,800

from Venus who sort of talked about

2608

01:48:52,260 --> 01:48:50,440

cosmic love and and you know instead of

2609

01:48:53,820 --> 01:48:52,270

you know building nuclear weapons we

2610

01:48:56,070 --> 01:48:53,830

should just hug it out well this was

2611

01:48:58,440 --> 01:48:56,080

very much kind of the zeitgeist of the

2612

01:49:00,600 --> 01:48:58,450

1950s and 60s right the the hippie

2613

01:49:02,940 --> 01:49:00,610

movement and into the 70s the hippie

2614

01:49:04,500 --> 01:49:02,950

movement was sort of beginning and and

2615

01:49:06,480 --> 01:49:04,510

and and civil rights was sort of

2616

01:49:08,550 --> 01:49:06,490

occurring in the early sixties late 50s

2617

01:49:11,220 --> 01:49:08,560

you know you had this these movements of

2618

01:49:13,620 --> 01:49:11,230

people who were afraid of basically

2619

01:49:15,510 --> 01:49:13,630

getting nuked into oblivion and we're

2620

01:49:18,450 --> 01:49:15,520

going to total opposite weight right we

2621

01:49:21,480 --> 01:49:18,460

need to share and we need to sort of

2622

01:49:24,360 --> 01:49:21,490

live in communion and we need to you

2623

01:49:26,100 --> 01:49:24,370

know be friends with one another instead

2624

01:49:28,200 --> 01:49:26,110

of trying to kill each other you know

2625

01:49:31,100 --> 01:49:28,210

and what's the song by Buffalo

2626

01:49:37,310 --> 01:49:31,110

Springfield right and oh how does it go

2627

01:49:39,990 --> 01:49:37,320

south baby what's that sound yeah right

2628

01:49:43,220 --> 01:49:40,000

you're coming in last part of it but I

2629

01:49:47,610 --> 01:49:43,230

know there's something going on here

2630

01:49:50,520 --> 01:49:47,620

what it is exactly clear okay I don't

2631

01:49:52,110 --> 01:49:50,530

have the singing voice neither do I but

2632

01:49:55,080 --> 01:49:52,120

we I think we got the point across right

2633

01:49:59,690 --> 01:49:55,090

this this this sort of ideological shift

2634

01:50:02,460 --> 01:49:59,700

for sure that occurred from you know the

2635

01:50:05,430 --> 01:50:02,470

exploration and and breaking of the West

2636

01:50:08,760 --> 01:50:05,440

in the United States and airships and

2637

01:50:11,840 --> 01:50:08,770

that sort of ideological movement of

2638

01:50:16,410 --> 01:50:11,850

we're moving out west and we're sort of

2639

01:50:18,360 --> 01:50:16,420

you know going out into into parts of

2640

01:50:20,820 --> 01:50:18,370

Midwest and Western the United States

2641

01:50:24,330 --> 01:50:20,830

with these airships and these you know

2642

01:50:25,920 --> 01:50:24,340

amazing propeller flying devices into

2643

01:50:27,840 --> 01:50:25,930

the nuclear age and into the 21st

2644

01:50:29,250 --> 01:50:27,850

century where today I'm not sure if

2645

01:50:31,470 --> 01:50:29,260

people see flying saucers anymore I have

2646

01:50:32,670 --> 01:50:31,480

to be honest very rarely have I had in

2647

01:50:34,500 --> 01:50:32,680

the last couple years of flying saucer

2648

01:50:37,440 --> 01:50:34,510

report there was always a black triangle

2649

01:50:38,820 --> 01:50:37,450

or it was a norm so you know they don't

2650

01:50:41,220 --> 01:50:38,830

have shapes anymore right they sort of

2651
01:50:43,350 --> 01:50:41,230
shape-shift and they are just lights and

2652
01:50:45,090 --> 01:50:43,360
you know I think we're kind of month at

2653
01:50:46,410 --> 01:50:45,100
the dawn of another youthful aaja chol

2654
01:50:49,350 --> 01:50:46,420
age I think I think we're gonna sort of

2655
01:50:50,580 --> 01:50:49,360
leave physical craft behind as as

2656
01:50:53,070 --> 01:50:50,590
sightings

2657
01:50:55,350 --> 01:50:53,080
sort of you know as we deal with

2658
01:50:56,850 --> 01:50:55,360
sightings of UFOs we're gonna I think

2659
01:50:58,110 --> 01:50:56,860
leave behind physical craft it's gonna

2660
01:51:03,360 --> 01:50:58,120
be something else think I'd be doing

2661
01:51:05,250 --> 01:51:03,370
with more orb like UFO orb like sort of

2662
01:51:07,200 --> 01:51:05,260
UFO encounters or so it'd be interesting

2663
01:51:10,050 --> 01:51:07,210

if we could go ahead and time a hundred

2664

01:51:13,560 --> 01:51:10,060

years from now if there is no

2665

01:51:15,450 --> 01:51:13,570

evidence at that time what where this

2666

01:51:18,840 --> 01:51:15,460

would have transformed to speaking of

2667

01:51:21,870 --> 01:51:18,850

that 1946 you have the ghost rockets in

2668

01:51:23,310 --> 01:51:21,880

Sweden where they they looked like you

2669

01:51:27,300 --> 01:51:23,320

know sort of like missiles and they all

2670

01:51:29,460 --> 01:51:27,310

landed in lakes and as recent as the the

2671

01:51:32,400 --> 01:51:29,470

late 1970s people were seeing these

2672

01:51:35,700 --> 01:51:32,410

things that's just such a bizarre

2673

01:51:39,210 --> 01:51:35,710

another bizarre twist in the story of of

2674

01:51:40,020 --> 01:51:39,220

UFOs oh for sure and like you said right

2675

01:51:42,300 --> 01:51:40,030

you know people are seeing black

2676
01:51:44,070 --> 01:51:42,310
triangles in the 1970s and and you know

2677
01:51:45,810 --> 01:51:44,080
up into the 90s and even today right and

2678
01:51:49,800 --> 01:51:45,820
and you sort of have these sort of these

2679
01:51:53,310 --> 01:51:49,810
long you know moments of progression

2680
01:51:56,010 --> 01:51:53,320
right of you know people start seeing a

2681
01:51:58,050 --> 01:51:56,020
different type of UFO at a certain at a

2682
01:52:00,630 --> 01:51:58,060
certain time and then it kind of becomes

2683
01:52:02,220 --> 01:52:00,640
more mainstream almost until it becomes

2684
01:52:03,750 --> 01:52:02,230
kind of the norm the black triangle is

2685
01:52:06,750 --> 01:52:03,760
very much them no armaments or the 80s

2686
01:52:08,280 --> 01:52:06,760
and the 90s and then you know now we're

2687
01:52:10,170 --> 01:52:08,290
kind of petering out I think a little

2688
01:52:11,340 --> 01:52:10,180

bit people still see them for sure like

2689

01:52:13,440 --> 01:52:11,350

people still have those sightings but

2690

01:52:14,640 --> 01:52:13,450

it's not as significant as it was in the

2691

01:52:17,430 --> 01:52:14,650

nineties especially in Belgium right

2692

01:52:22,440 --> 01:52:17,440

that was sort of the peak of of black

2693

01:52:24,990 --> 01:52:22,450

triangle UFO sightings and for sure the

2694

01:52:27,750 --> 01:52:25,000

1950s 60s saw the saucer right right and

2695

01:52:30,120 --> 01:52:27,760

the port and and we don't you know like

2696

01:52:31,440 --> 01:52:30,130

I said I'm not sure people see saucer

2697

01:52:32,850 --> 01:52:31,450

shaped UFOs anymore right they're

2698

01:52:35,910 --> 01:52:32,860

they're much different yeah I think this

2699

01:52:38,820 --> 01:52:35,920

I do the news with Alejandro we do the

2700

01:52:41,280 --> 01:52:38,830

news on each other shows and there's

2701
01:52:43,080 --> 01:52:41,290
still disc sightings you know what I saw

2702
01:52:45,330 --> 01:52:43,090
well sure disc you know I saw an

2703
01:52:48,330 --> 01:52:45,340
old-fashioned UFO I guess but that was

2704
01:52:50,910 --> 01:52:48,340
uh you know in 2006 but they're they're

2705
01:52:53,580 --> 01:52:50,920
still seen triangles aren't the number

2706
01:52:55,710 --> 01:52:53,590
one there is a there is statistics on

2707
01:52:58,620 --> 01:52:55,720
what they see most of its life in the

2708
01:53:03,060 --> 01:52:58,630
sky of course you know orange orbs have

2709
01:53:04,020 --> 01:53:03,070
taken a big jump ahead yes but we have

2710
01:53:06,630 --> 01:53:04,030
about

2711
01:53:08,730 --> 01:53:06,640
four minutes left and I just wanted to

2712
01:53:15,690 --> 01:53:08,740
ask you what type of flack do you get

2713
01:53:21,240 --> 01:53:15,700

from people in the UFO field um you know

2714

01:53:23,850 --> 01:53:21,250

I think I generally you know I want to

2715

01:53:26,220 --> 01:53:23,860

be nice to everyone I think the the

2716

01:53:28,710 --> 01:53:26,230

biggest hurdle I face is is people need

2717

01:53:31,140 --> 01:53:28,720

to let go of what they think they know

2718

01:53:34,560 --> 01:53:31,150

and I think they need to approach this

2719

01:53:36,960 --> 01:53:34,570

phenomenon from the base point of I have

2720

01:53:38,700 --> 01:53:36,970

no idea and if you can approach the UFO

2721

01:53:40,170 --> 01:53:38,710

question from there I have no idea

2722

01:53:43,050 --> 01:53:40,180

what's going on then

2723

01:53:44,340 --> 01:53:43,060

you're gonna get better answers to your

2724

01:53:47,520 --> 01:53:44,350

questions or at least you're gonna be

2725

01:53:49,110 --> 01:53:47,530

able to think about this differently the

2726

01:53:51,300 --> 01:53:49,120

biggest flack I get is from people who

2727

01:53:53,370 --> 01:53:51,310

automatically have bought into one idea

2728

01:53:56,190 --> 01:53:53,380

and one idea only there's people out

2729

01:53:59,510 --> 01:53:56,200

there who say it's 100% aliens it's 100

2730

01:54:01,650 --> 01:53:59,520

cent extraterrestrials and that's it and

2731

01:54:05,240 --> 01:54:01,660

when someone else comes in with a

2732

01:54:08,100 --> 01:54:05,250

different idea they really struggle with

2733

01:54:10,710 --> 01:54:08,110

giving up their own bias and their own

2734

01:54:13,350 --> 01:54:10,720

ideological sort of construct that they

2735

01:54:14,460 --> 01:54:13,360

built for themselves and potentially

2736

01:54:18,480 --> 01:54:14,470

looking at this from another angle

2737

01:54:22,400 --> 01:54:18,490

mm-hmm I don't necessarily believe in my

2738

01:54:24,570 --> 01:54:22,410

hypothesis 100% it's just a hypothesis

2739

01:54:26,430 --> 01:54:24,580

it's just kind of one I'm playing with

2740

01:54:28,500 --> 01:54:26,440

right now because it makes more sense to

2741

01:54:33,630 --> 01:54:28,510

me then the extra-terrestrial hypothesis

2742

01:54:34,680 --> 01:54:33,640

does I've not bought into it totally but

2743

01:54:36,330 --> 01:54:34,690

they're strengthened that I think I

2744

01:54:39,060 --> 01:54:36,340

think I think because I haven't bought

2745

01:54:40,680 --> 01:54:39,070

into anything I'm open to a lot if

2746

01:54:42,180 --> 01:54:40,690

suddenly an alien showed up tomorrow and

2747

01:54:43,340 --> 01:54:42,190

said yeah it's been us this whole time

2748

01:54:49,230 --> 01:54:43,350

we're from this planet

2749

01:54:54,210 --> 01:54:49,240

I'm in great I buy it what what do you

2750

01:54:58,320 --> 01:54:54,220

think the the future is as far as you

2751
01:55:00,210 --> 01:54:58,330
know people you know interpreting this

2752
01:55:03,630 --> 01:55:00,220
whole phenomena do you think it's going

2753
01:55:05,250 --> 01:55:03,640
to go along the lines where it's going

2754
01:55:08,130 --> 01:55:05,260
to keep growing do you think this is all

2755
01:55:10,550 --> 01:55:08,140
part of popular culture do you think and

2756
01:55:14,100 --> 01:55:10,560
then the last question I had for you is

2757
01:55:16,710 --> 01:55:14,110
you hear people often talk about UFO as

2758
01:55:18,439 --> 01:55:16,720
a religion do you think there's part of

2759
01:55:20,970 --> 01:55:18,449
that going on too

2760
01:55:24,060 --> 01:55:20,980
yeah I think this all ties in together I

2761
01:55:26,850 --> 01:55:24,070
think the religious aspects of UFO

2762
01:55:28,680 --> 01:55:26,860
belief are are a huge portion of UFO

2763
01:55:31,200 --> 01:55:28,690

discourse in the UFO narrative I think

2764

01:55:35,610 --> 01:55:31,210

popular culture plays a significant role

2765

01:55:38,970 --> 01:55:35,620

in how we interpret the UFO phenomenon I

2766

01:55:40,979 --> 01:55:38,980

think sightings are going to continue

2767

01:55:42,870 --> 01:55:40,989

whether they go up or down I don't know

2768

01:55:46,229 --> 01:55:42,880

but they're definitely going to continue

2769

01:55:48,149 --> 01:55:46,239

because I do think something strange is

2770

01:55:49,470 --> 01:55:48,159

going on if I had to kind of lay it all

2771

01:55:52,530 --> 01:55:49,480

out and if somebody said you know what

2772

01:55:53,820 --> 01:55:52,540

does MJ benaiah believe in it's that

2773

01:55:55,890 --> 01:55:53,830

something strange is going on

2774

01:55:57,510 --> 01:55:55,900

and that's all I have I don't think that

2775

01:55:58,800 --> 01:55:57,520

strangeness is gonna go away I don't

2776

01:56:02,700 --> 01:55:58,810

think that strangeness is just gonna

2777

01:56:04,649 --> 01:56:02,710

suddenly vanish and and leave us alone

2778

01:56:06,390 --> 01:56:04,659

I think it's here with us and it's been

2779

01:56:09,830 --> 01:56:06,400

here with us for a long time and we've

2780

01:56:13,439 --> 01:56:09,840

been interacting with it for a long time

2781

01:56:17,220 --> 01:56:13,449

but I agree that the way we interpret

2782

01:56:19,200 --> 01:56:17,230

this strangeness whatever it is it's

2783

01:56:20,850 --> 01:56:19,210

hugely influenced by popular culture and

2784

01:56:23,160 --> 01:56:20,860

it's hugely influenced by people's

2785

01:56:24,540 --> 01:56:23,170

desire to believe in something and this

2786

01:56:29,340 --> 01:56:24,550

is where that religious aspect comes in

2787

01:56:32,700 --> 01:56:29,350

I I think this is a huge part of UFO

2788

01:56:36,930 --> 01:56:32,710

discourse is belief and and telling

2789

01:56:38,610 --> 01:56:36,940

stories and and buying into ideas and

2790

01:56:40,709 --> 01:56:38,620

unfortunately a huge part of the UFO

2791

01:56:42,570 --> 01:56:40,719

discourse is people who know that and

2792

01:56:43,890 --> 01:56:42,580

people who play upon that right there's

2793

01:56:47,340 --> 01:56:43,900

a lot of people out there who are gonna

2794

01:56:49,740 --> 01:56:47,350

say I know what's going on and I you

2795

01:56:52,080 --> 01:56:49,750

know you can be one of my followers or

2796

01:56:53,850 --> 01:56:52,090

you can you can know - or you can be

2797

01:56:55,530 --> 01:56:53,860

enlightened just like me if you pay me

2798

01:56:57,600 --> 01:56:55,540

this or if you buy this or if you follow

2799

01:56:59,070 --> 01:56:57,610

me or if you you know there's a lot of

2800

01:57:01,919 --> 01:56:59,080

charlatans and snake oil salesmen out

2801
01:57:05,580 --> 01:57:01,929
there because they know that a lot of

2802
01:57:09,090 --> 01:57:05,590
people are looking for salvation dr.

2803
01:57:12,240 --> 01:57:09,100
Steven Greer Penn did I say that I

2804
01:57:15,000 --> 01:57:12,250
didn't hear anything but yeah yeah and

2805
01:57:17,850 --> 01:57:15,010
you know there's like one of anything

2806
01:57:19,380 --> 01:57:17,860
right one of many all right well hey

2807
01:57:22,410 --> 01:57:19,390
thanks so much I really appreciate it

2808
01:57:25,189 --> 01:57:22,420
had a great time well thanks for my

2809
01:57:28,229 --> 01:57:25,199
throw your blog out there if you would

2810
01:57:31,209 --> 01:57:28,239
yeah that'd be great and my blog is

2811
01:57:34,810 --> 01:57:33,370
that you can find all my work there if

2812
01:57:36,430 --> 01:57:34,820
you're interested in looking sort of

2813
01:57:38,950 --> 01:57:36,440

about the culture of UFOs and then the

2814

01:57:41,739 --> 01:57:38,960

philosophy behind them as well I write

2815

01:57:45,279 --> 01:57:41,749

for mysterious universe which is a sort

2816

01:57:46,930 --> 01:57:45,289

of much much bigger than so he's great I

2817

01:57:48,879 --> 01:57:46,940

am really generous to them alright

2818

01:57:53,859 --> 01:57:48,889

thanks so much yeah and I'll talk to you

2819

01:57:56,290 --> 01:57:53,869

soon MJ alright okay alright everyone

2820

01:57:58,419 --> 01:57:56,300

thanks so much for listening to the show

2821

01:58:00,939 --> 01:57:58,429

tonight and next week we're going to try

2822

01:58:05,109 --> 01:58:00,949

it again with the failed show last week

2823

01:58:06,819 --> 01:58:05,119

with Thiago - Chetta have a hard time

2824

01:58:10,149 --> 01:58:06,829

with his name from Brazil he'll be back

2825

01:58:12,339 --> 01:58:10,159

next week alright so thanks for hanging

2826

01:58:14,709 --> 01:58:12,349

in if you support the show thanks so

2827

01:58:22,810 --> 01:58:14,719

much for helping us out and remember to
