

1
00:00:06,200 --> 00:00:05,450
and it hits me oh my gosh this is that

2
00:00:07,309 --> 00:00:06,210
triangle

3
00:00:08,419 --> 00:00:07,319
you know there's explanation for

4
00:00:10,370 --> 00:00:08,429
everything that occurred in the

5
00:00:12,740 --> 00:00:10,380
Rendlesham forest incident it wasn't

6
00:00:16,250 --> 00:00:12,750
involved aliens at all it was completely

7
00:00:19,490 --> 00:00:16,260
silent it comes right over our head it's

8
00:00:21,080 --> 00:00:19,500
so classic flying-saucer really standing

9
00:00:22,640 --> 00:00:21,090
in the clearing he turned over to my

10
00:00:24,160 --> 00:00:22,650
father and held his hand and he looked

11
00:00:27,700 --> 00:00:24,170
in his eyes they said we're not alone

12
00:00:33,860 --> 00:00:31,189

Willis your host and we have a good show

23

00:01:03,979 --> 00:01:00,090
for you tonight this is the show that

24

00:01:07,460 --> 00:01:03,989
didn't happen we try to have a Thiago on

25

00:01:09,800 --> 00:01:07,470
a few weeks ago and it just didn't

26
00:01:11,960 --> 00:01:09,810
happen we had software updating in the

27
00:01:13,940 --> 00:01:11,970
background which caused a terrible mess

28
00:01:17,030 --> 00:01:13,950
no one could hear the guests no could

29
00:01:20,210 --> 00:01:17,040
hear Alejandro when he joined us all

30
00:01:23,030 --> 00:01:20,220
that is fixed now so we're moving on I

00:01:25,039 --> 00:01:23,040
want to thank our supporters and you can

40

00:01:51,649 --> 00:01:48,810

Standard Time or you can listen to the

41

00:01:53,749 --> 00:01:51,659

whole show as a podcast on the Dark

42

00:01:57,219 --> 00:01:53,759

Matter digital network and that's every

43

00:02:03,440 --> 00:01:57,229

Thursday from 10:00 p.m. to midnight and

44

00:02:07,639 --> 00:02:03,450

Alejandro how you doing I am well I'm

45

00:02:10,130 --> 00:02:07,649

here at UFO Congress headquarters and

46

00:02:13,070 --> 00:02:10,140

we're in a transition the background

47

00:02:13,550 --> 00:02:13,080

again is super boring I'm sorry I had

48

00:02:15,080 --> 00:02:13,560

these

49

00:02:18,110 --> 00:02:15,090

boring backgrounds lately for you

50

00:02:20,000 --> 00:02:18,120

however not like Tiago when he comes up

51
00:02:22,490 --> 00:02:20,010
he's got aliens back there in books some

52
00:02:24,050 --> 00:02:22,500
really cool stuff but we're gonna be

53
00:02:26,000 --> 00:02:24,060
changing some stuff up so I'm gonna have

54
00:02:27,290 --> 00:02:26,010
I'm gonna be to two locations that I'll

55
00:02:29,960 --> 00:02:27,300
be doing this from and I'll have some

56
00:02:31,550 --> 00:02:29,970
better better background here soon yeah

57
00:02:33,949 --> 00:02:31,560
I know you had your aliens in the

58
00:02:38,089 --> 00:02:33,959
background and the open minds thing and

59
00:02:40,759 --> 00:02:38,099
all that yeah so so are they I open

60
00:02:43,100 --> 00:02:40,769
mindset and then a UFO Congress when

61
00:02:46,160 --> 00:02:43,110
depending on where I'm at on wind days

62
00:02:47,750 --> 00:02:46,170
and so whoa well how good so this is you

63
00:02:51,740 --> 00:02:47,760

know I'm working on it this is the only

64

00:02:54,500 --> 00:02:51,750

way you can do this show now at the time

65

00:02:57,979 --> 00:02:54,510

life right I mean this is your home

66

00:03:01,550 --> 00:02:57,989

office basically your home studio it is

67

00:03:03,620 --> 00:03:01,560

it is so although it you never know I

68

00:03:05,930 --> 00:03:03,630

mean things are so dynamic that you

69

00:03:09,020 --> 00:03:05,940

never know I I may be doing this from

70

00:03:12,710 --> 00:03:09,030

the open mind studio again that's such a

71

00:03:14,990 --> 00:03:12,720

fun place to to do this from but yeah

72

00:03:17,960 --> 00:03:15,000

currently I'm at the home office which

73

00:03:21,979 --> 00:03:17,970

we're fixing up it'll be better so right

74

00:03:23,960 --> 00:03:21,989

so what's going on this week so what's

75

00:03:27,560 --> 00:03:23,970

going on well the first thing is the

76

00:03:29,750 --> 00:03:27,570

Eclipse so I had a story where I

77

00:03:32,360 --> 00:03:29,760

compiled some information about the

78

00:03:34,640 --> 00:03:32,370

Eclipse on Monday and of course it was a

79

00:03:36,319 --> 00:03:34,650

total eclipse for some people but there

80

00:03:38,180 --> 00:03:36,329

were some funny quotes out there for

81

00:03:40,789 --> 00:03:38,190

people who did stories or were

82

00:03:43,699 --> 00:03:40,799

interviewed about stories for the

83

00:03:45,740 --> 00:03:43,709

Eclipse and UFOs but I do want to say

84

00:03:49,580 --> 00:03:45,750

this one weird fact about the total

85

00:03:52,280 --> 00:03:49,590

eclipse you know you are probably aware

86

00:03:54,440 --> 00:03:52,290

of this said that the Sun is actually

87

00:03:56,620 --> 00:03:54,450

larger than the moon did you know the

88

00:04:01,120 --> 00:03:56,630

corner times or something like that yeah

89

00:04:03,979 --> 00:04:01,130

yeah well then so why does the moon

90

00:04:05,870 --> 00:04:03,989

perfectly cover the Sun like perfectly

91

00:04:08,509 --> 00:04:05,880

during a total eclipse because it's

92

00:04:14,479 --> 00:04:08,519

about 400 times further away than the

93

00:04:17,150 --> 00:04:14,489

Sun that is exactly correct so the Sun

94

00:04:20,599 --> 00:04:17,160

is 400 times larger but it's also 400

95

00:04:24,980 --> 00:04:20,609

times further away but doesn't that seem

96

00:04:26,600 --> 00:04:24,990

awfully coincidental yes and I know the

97

00:04:27,420 --> 00:04:26,610

they say the moon is moving you know

98

00:04:31,320 --> 00:04:27,430

slightly

99

00:04:34,350 --> 00:04:31,330

but it's gonna take probably a million

100

00:04:36,300 --> 00:04:34,360

years before it'll be a different you

101
00:04:38,189 --> 00:04:36,310
know situation during the Eclipse we

102
00:04:41,279 --> 00:04:38,199
don't have to worry about that but it is

103
00:04:42,990 --> 00:04:41,289
it's the the total eclipse did this nice

104
00:04:45,960 --> 00:04:43,000
little swath right through the country

105
00:04:50,040 --> 00:04:45,970
and I've seen some pictures online and

106
00:04:51,450 --> 00:04:50,050
some video it's really something so

107
00:04:54,390 --> 00:04:51,460
pretty funny

108
00:04:56,129 --> 00:04:54,400
so some people think that the aliens

109
00:04:58,320 --> 00:04:56,139
brought the moon from elsewhere and

110
00:05:00,420 --> 00:04:58,330
that's one of their pieces of course but

111
00:05:04,620 --> 00:05:00,430
it is a pretty weird coincidence that

112
00:05:06,210 --> 00:05:04,630
makes that happen so of the UFO quotes

113
00:05:09,210 --> 00:05:06,220

out there Nick Pope's was the funniest

114

00:05:10,860 --> 00:05:09,220

so The Daily Express interviewed him and

115

00:05:12,510 --> 00:05:10,870

he made some pretty funny

116

00:05:14,460 --> 00:05:12,520

announcements he did say that they'll

117

00:05:17,640 --> 00:05:14,470

probably be a lot of UFO sightings

118

00:05:20,670 --> 00:05:17,650

because there usually is but one of the

119

00:05:23,129 --> 00:05:20,680

things that he also said is that he

120

00:05:25,320 --> 00:05:23,139

here's his quote sadly there's a dark

121

00:05:27,450 --> 00:05:25,330

side he's British if you're not aware he

122

00:05:29,520 --> 00:05:27,460

was an investigator of UFOs for the

123

00:05:32,460 --> 00:05:29,530

Ministry of Defence he's been on your

124

00:05:35,070 --> 00:05:32,470

show I'm sure he's on mine occasionally

125

00:05:38,730 --> 00:05:35,080

but he says sadly there's a dark side

126
00:05:40,860 --> 00:05:38,740
pun intended to the Eclipse such events

127
00:05:43,980 --> 00:05:40,870
bring out the crazies and I confidently

128
00:05:46,950 --> 00:05:43,990
predict that there will be an upsurge in

129
00:05:47,580 --> 00:05:46,960
nutjob eree at the time of the total

130
00:05:49,290 --> 00:05:47,590
eclipse

131
00:05:51,300 --> 00:05:49,300
I've already seen predictions that the

132
00:05:54,300 --> 00:05:51,310
world will and along with suggestions

133
00:05:57,749 --> 00:05:54,310
that will see more sightings of Bigfoot

134
00:06:01,290 --> 00:05:57,759
demons and any manner of other weird

135
00:06:03,740 --> 00:06:01,300
stuff what was he right I know the end

136
00:06:06,629 --> 00:06:03,750
of the world RP was about right yeah

137
00:06:08,790 --> 00:06:06,639
well like I commented I suggested that

138
00:06:11,129 --> 00:06:08,800

the the aliens brought the moon just

139

00:06:14,010 --> 00:06:11,139

pointing out that 400 by 400 thing that

140

00:06:17,399 --> 00:06:14,020

we talked about however yet there were

141

00:06:18,870 --> 00:06:17,409

some weird claims but thus far I have

142

00:06:20,580 --> 00:06:18,880

looked at the sightings because of

143

00:06:23,370 --> 00:06:20,590

course I wanted to do a story on any

144

00:06:26,129 --> 00:06:23,380

good Eclipse sightings out there however

145

00:06:30,719 --> 00:06:26,139

all of them that I've seen I think are

146

00:06:33,779 --> 00:06:30,729

birds bugs or lens flares lots of lens

147

00:06:35,879 --> 00:06:33,789

flares that people think are weird but I

148

00:06:38,610 --> 00:06:35,889

don't they just don't realize that when

149

00:06:40,200 --> 00:06:38,620

you're aiming your camera at the Sun

150

00:06:40,800 --> 00:06:40,210

even if that's your phone

151

00:06:42,450 --> 00:06:40,810

it's

152

00:06:44,070 --> 00:06:42,460

inching around on the lenses and

153

00:06:46,409 --> 00:06:44,080

everything until it's creating all of

154

00:06:49,200 --> 00:06:46,419

these artifacts so lots of people are

155

00:06:51,960 --> 00:06:49,210

getting these kind of reflections of the

156

00:06:54,540 --> 00:06:51,970

Sun inside of their cameras and thinking

157

00:06:56,129 --> 00:06:54,550

those are anomalous but they're not

158

00:06:59,220 --> 00:06:56,139

but the funnest peach the piece of

159

00:07:00,659 --> 00:06:59,230

nutjob Airy I think and I don't know if

160

00:07:03,060 --> 00:07:00,669

you've seen this but you can see this on

161

00:07:05,640 --> 00:07:03,070

my story about the Eclipse I saved it

162

00:07:09,900 --> 00:07:05,650

for posterity because it's so cool but

163

00:07:11,970 --> 00:07:09,910

Google created this little graphic when

164

00:07:14,040 --> 00:07:11,980

you went to the Google site on Monday

165

00:07:17,190 --> 00:07:14,050

where you see aliens kind of bouncing

166

00:07:19,409 --> 00:07:17,200

the moon off of their heads in front of

167

00:07:21,000 --> 00:07:19,419

the Sun kind of suggesting that aliens

168

00:07:24,150 --> 00:07:21,010

bounce the moon around creating an

169

00:07:26,790 --> 00:07:24,160

eclipse for fun of course that's not how

170

00:07:29,490 --> 00:07:26,800

its created but it's cool little graphic

171

00:07:31,980 --> 00:07:29,500

that's my funnest punished nutjob reah

172

00:07:34,320 --> 00:07:31,990

the Eclipse well you know if Google did

173

00:07:37,409 --> 00:07:34,330

that then it's most likely true that the

174

00:07:40,620 --> 00:07:37,419

aliens did put the moon there yeah yeah

175

00:07:42,330 --> 00:07:40,630

point that's a very odd one so yeah

176

00:07:45,390 --> 00:07:42,340

check that out check out the story to

177

00:07:48,360 --> 00:07:45,400

see the Google evidence that Martin has

178

00:07:50,130 --> 00:07:48,370

taken to hearten and has convinced him

179

00:07:56,100 --> 00:07:50,140

that aliens brought up the moon here

180

00:07:59,730 --> 00:07:56,110

yeah no that was so there's this yeah

181

00:08:01,890 --> 00:07:59,740

super cool so if people do get to I

182

00:08:03,180 --> 00:08:01,900

didn't get a go I didn't go anywhere to

183

00:08:05,700 --> 00:08:03,190

see the total eclipse and I'm kind of

184

00:08:07,380 --> 00:08:05,710

disappointed we're busy with all of this

185

00:08:09,810 --> 00:08:07,390

stuff going on but it would have been so

186

00:08:11,159 --> 00:08:09,820

fun to camp somewhere and experience

187

00:08:13,620 --> 00:08:11,169

that and I'm kind of bummed that I

188

00:08:15,120 --> 00:08:13,630

haven't but someone did say cuz we

189

00:08:16,950 --> 00:08:15,130

talked about this and I talked about how

190

00:08:19,260 --> 00:08:16,960

I was bummed about that someone did send

191

00:08:21,750 --> 00:08:19,270

me a link of other opportunities we will

192

00:08:24,090 --> 00:08:21,760

have in the future to do that so and we

193

00:08:26,070 --> 00:08:24,100

don't have to wait as long as you know

194

00:08:28,320 --> 00:08:26,080

70 80 years or something like some

195

00:08:30,779 --> 00:08:28,330

people have mentioned so it will happen

196

00:08:32,310 --> 00:08:30,789

again so if you didn't get a chance to

197

00:08:32,730 --> 00:08:32,320

experience that we'll have that chance

198

00:08:37,079 --> 00:08:32,740

again

199

00:08:39,540 --> 00:08:37,089

now how significant was it the coverage

200

00:08:41,909 --> 00:08:39,550

where you were did you have a fun

201
00:08:43,620 --> 00:08:41,919
experience whether just no I I didn't

202
00:08:45,750 --> 00:08:43,630
have a good setup so I didn't have a

203
00:08:49,699 --> 00:08:45,760
chance to look at it long however my son

204
00:08:52,110 --> 00:08:49,709
just you know like 40 miles away or so

205
00:08:54,670 --> 00:08:52,120
got a really good picture I saw that you

206
00:08:57,429 --> 00:08:54,680
saw that on a post-it on Facebook Hoku

207
00:09:00,609 --> 00:08:57,439
yeah you know but we were out of the

208
00:09:03,369 --> 00:09:00,619
swath the total area quite far in Maine

209
00:09:05,170 --> 00:09:03,379
yeah but it did it did come across you

210
00:09:08,829 --> 00:09:05,180
know I think a little more than half of

211
00:09:10,720 --> 00:09:08,839
it but if you had the glasses those were

212
00:09:13,059 --> 00:09:10,730
the best things to use now when you're

213
00:09:16,119 --> 00:09:13,069

talking about yeah your people get

214

00:09:18,549 --> 00:09:16,129

another chance to experience that this

215

00:09:21,249 --> 00:09:18,559

is that in another country or in the

216

00:09:23,079 --> 00:09:21,259

United States no it looked like I didn't

217

00:09:25,030 --> 00:09:23,089

look at it thoroughly I just received

218

00:09:26,739 --> 00:09:25,040

the email not too long ago so I can't

219

00:09:28,290 --> 00:09:26,749

tell you much about it but it looked

220

00:09:31,079 --> 00:09:28,300

like even in the United States will have

221

00:09:33,160 --> 00:09:31,089

chances to to experience that again

222

00:09:35,439 --> 00:09:33,170

relatively so the thing that was unique

223

00:09:38,309 --> 00:09:35,449

about this is only the United States saw

224

00:09:42,759 --> 00:09:38,319

this a clip from this eclipse yeah and

225

00:09:44,679 --> 00:09:42,769

and it just went right across so there

226

00:09:47,439 --> 00:09:44,689

were like I forget how many people

227

00:09:50,259 --> 00:09:47,449

gathered in Oregon but it was a huge

228

00:09:52,540 --> 00:09:50,269

crowd to see it there oh yeah it was

229

00:09:54,609 --> 00:09:52,550

like Burning Man it was like this you

230

00:09:57,280 --> 00:09:54,619

know city

231

00:09:59,139 --> 00:09:57,290

Hopkinsville was another place in

232

00:10:02,139 --> 00:09:59,149

Kentucky where there was a famous you

233

00:10:06,369 --> 00:10:02,149

know UFO an alien kind of encounter out

234

00:10:07,989 --> 00:10:06,379

there but yeah so cool so great but I do

235

00:10:09,189 --> 00:10:07,999

have another cool story yeah sure oh

236

00:10:11,860 --> 00:10:09,199

yeah we've got plenty of time at that

237

00:10:15,519 --> 00:10:11,870

time so this is cool

238

00:10:17,679 --> 00:10:15,529

this is something new so Sputnik

239

00:10:19,929 --> 00:10:17,689

International had this story and I

240

00:10:22,660 --> 00:10:19,939

wasn't aware of this case but I did find

241

00:10:28,329 --> 00:10:22,670

out other people world where and this is

242

00:10:31,540 --> 00:10:28,339

a Yugoslav general who says in 1975 they

243

00:10:34,600 --> 00:10:31,550

chased around a UFO a couple times and

244

00:10:37,299 --> 00:10:34,610

then this UFO they saw several times a

245

00:10:38,919 --> 00:10:37,309

really interesting story so I guess this

246

00:10:40,600 --> 00:10:38,929

originally came out and Billy Cox

247

00:10:42,429 --> 00:10:40,610

luckily had written about it he's

248

00:10:44,439 --> 00:10:42,439

another UFO blogger

249

00:10:46,600 --> 00:10:44,449

although I don't think he's blogging

250

00:10:48,639 --> 00:10:46,610

about UFOs anymore but I did link to his

251

00:10:51,999 --> 00:10:48,649

story which is really cool so in a book

252

00:10:55,980 --> 00:10:52,009

in 2011 from this gentleman who was part

253

00:10:58,419 --> 00:10:55,990

of the 172nd Aviation Regiment of the

254

00:11:00,669 --> 00:10:58,429

Yugoslavia force he wrote a book about

255

00:11:03,429 --> 00:11:00,679

this regiment and one of the people he

256

00:11:06,340 --> 00:11:03,439

interviewed and it's extremely difficult

257

00:11:08,530 --> 00:11:06,350

to say this guy's name Jorge avec l

258

00:11:11,200 --> 00:11:08,540

believe is how you say his last name l'm

259

00:11:12,520 --> 00:11:11,210

gonna attempt the first name maybe l

260

00:11:15,400 --> 00:11:12,530

will

261

00:11:18,550 --> 00:11:15,410

zon Amir vana me or something like that

262

00:11:21,700 --> 00:11:18,560

but anyway he was the head of this group

263

00:11:23,170 --> 00:11:21,710

and among all of the things they talked

264

00:11:26,500 --> 00:11:23,180

about in the book they dedicated a

265

00:11:29,650 --> 00:11:26,510

chapter to this UFO sighting and

266

00:11:33,280 --> 00:11:29,660

experience that they had had in 1975 so

267

00:11:35,290 --> 00:11:33,290

it began in January of 1975 that during

268

00:11:38,560 --> 00:11:35,300

their night routine or night flights

269

00:11:41,590 --> 00:11:38,570

fifty minutes after takeoff like almost

270

00:11:43,720 --> 00:11:41,600

clockwork they said they would see this

271

00:11:47,920 --> 00:11:43,730

a light or of this light it would flash

272

00:11:49,390 --> 00:11:47,930

different colors it was very visible not

273

00:11:52,830 --> 00:11:49,400

only he would see it but some of the

274

00:11:55,600 --> 00:11:52,840

other pilots would see it and eventually

275

00:11:57,460 --> 00:11:55,610

one time flying past he decided I'm

276

00:11:59,140 --> 00:11:57,470

gonna go check this thing out because

277

00:12:01,300 --> 00:11:59,150

they just kind of took know but they

278

00:12:02,860 --> 00:12:01,310

didn't surprisingly you know make a big

279

00:12:05,890 --> 00:12:02,870

deal out of it I guess it didn't show up

280

00:12:08,050 --> 00:12:05,900

on radar but that one time he decides to

281

00:12:11,070 --> 00:12:08,060

go check it out he turns in the heads

282

00:12:14,920 --> 00:12:11,080

towards the object and boom it's gone

283

00:12:18,430 --> 00:12:14,930

and it's not there anymore however they

284

00:12:22,720 --> 00:12:18,440

did see the object again oh he decided

285

00:12:25,270 --> 00:12:22,730

to kind of try to trick it trap it or

286

00:12:27,790 --> 00:12:25,280

hunt it down but also you know they were

287

00:12:30,580 --> 00:12:27,800

suspecting that perhaps it was born it

288

00:12:32,230 --> 00:12:30,590

was some sort of monitoring device maybe

289

00:12:36,280 --> 00:12:32,240

from the US or something like that

290

00:12:39,400 --> 00:12:36,290

so what he decided to do he and another

291

00:12:41,680 --> 00:12:39,410

pilot another jet took off and then soon

292

00:12:43,450 --> 00:12:41,690

after a couple more jets took off

293

00:12:45,130 --> 00:12:43,460

luckily he was in charge of the regiment

294

00:12:46,840 --> 00:12:45,140

so he can do what he wants so they

295

00:12:49,090 --> 00:12:46,850

didn't tell anybody they were doing this

296

00:12:50,830 --> 00:12:49,100

and this was on purpose they didn't want

297

00:12:52,630 --> 00:12:50,840

to communicate with anybody

298

00:12:54,730 --> 00:12:52,640

on the off-chance I guess there was a

299

00:12:56,050 --> 00:12:54,740

spy in the group but the other thing

300

00:12:58,210 --> 00:12:56,060

they didn't want to communicate over

301
00:13:01,330 --> 00:12:58,220
radio about what they were doing just in

302
00:13:03,070 --> 00:13:01,340
case your radio was being monitored so

303
00:13:05,320 --> 00:13:03,080
they took off kind of in two different

304
00:13:07,570 --> 00:13:05,330
directions so they can kind of zoom in

305
00:13:10,270 --> 00:13:07,580
on this thing if it showed up sure

306
00:13:13,540 --> 00:13:10,280
enough it showed up they headed towards

307
00:13:16,240 --> 00:13:13,550
it and it disappeared well it returned

308
00:13:18,370 --> 00:13:16,250
and during this experience they

309
00:13:20,050 --> 00:13:18,380
eventually did get you know I guess

310
00:13:22,540 --> 00:13:20,060
talked to the base while they were doing

311
00:13:25,900 --> 00:13:22,550
this and trying to chase it

312
00:13:28,420 --> 00:13:25,910
there were a couple Soviet MiG's that

313
00:13:29,590 --> 00:13:28,430

were sent from Belgrade to chase this

314

00:13:31,210 --> 00:13:29,600

thing because those things were much

315

00:13:33,819 --> 00:13:31,220

faster they were the fastest thing they

316

00:13:36,579 --> 00:13:33,829

had access to but even these jets which

317

00:13:38,769 --> 00:13:36,589

were supersonic could not catch catch

318

00:13:42,879 --> 00:13:38,779

this UFO it just disappeared and I guess

319

00:13:46,960 --> 00:13:42,889

while the Soviets had blown out that was

320

00:13:48,850 --> 00:13:46,970

the only time that the object was caught

321

00:13:50,019 --> 00:13:48,860

on radar for a period of time but it

322

00:13:50,769 --> 00:13:50,029

didn't help because they just

323

00:13:53,850 --> 00:13:50,779

disappeared

324

00:13:56,980 --> 00:13:53,860

so that was their experience they land

325

00:13:58,960 --> 00:13:56,990

he the general tells his colleagues and

326

00:14:04,180 --> 00:13:58,970

this general is a big deal he actually

327

00:14:11,019 --> 00:14:04,190

was was formerly the air force and air

328

00:14:12,280 --> 00:14:11,029

defense commander at one point so and he

329

00:14:14,019 --> 00:14:12,290

said there were a lot of people that

330

00:14:15,939 --> 00:14:14,029

were asking questions about their

331

00:14:18,519 --> 00:14:15,949

experience and were interested in it

332

00:14:20,530 --> 00:14:18,529

however there was a lot of people making

333

00:14:25,269 --> 00:14:20,540

fun of them over this whole thing as

334

00:14:27,130 --> 00:14:25,279

well and so he said he decided it was so

335

00:14:29,590 --> 00:14:27,140

much of a headache and a nuisance people

336

00:14:31,930 --> 00:14:29,600

making fun of them and it didn't seem to

337

00:14:35,199 --> 00:14:31,940

pose a danger that his orders were to

338

00:14:37,600 --> 00:14:35,209

ignore it so he said the last time they

339

00:14:39,579 --> 00:14:37,610

saw it was on February 12th and luckily

340

00:14:41,819 --> 00:14:39,589

Billy o'clock Cox this wasn't something

341

00:14:45,009 --> 00:14:41,829

he'd told Sputnik but Billy Cox had a

342

00:14:47,050 --> 00:14:45,019

detailed translation of of what happened

343

00:14:48,880 --> 00:14:47,060

on this last occurrence but the last

344

00:14:51,880 --> 00:14:48,890

occurrence happens everybody I guess at

345

00:14:53,530 --> 00:14:51,890

the base sees it and they're saying what

346

00:14:54,850 --> 00:14:53,540

is this UFO should we go see it should

347

00:14:56,680 --> 00:14:54,860

we go check it out and he's like no no

348

00:14:58,900 --> 00:14:56,690

he's totally ignoring it

349

00:15:00,280 --> 00:14:58,910

and people are like finally someone came

350

00:15:02,439 --> 00:15:00,290

to him and said look there's over a

351
00:15:05,050 --> 00:15:02,449
hundred men who see this thing why are

352
00:15:11,500 --> 00:15:05,060
you saying you're not seeing it and he

353
00:15:13,780 --> 00:15:11,510
said that he in and very loudly you know

354
00:15:16,900 --> 00:15:13,790
told everybody there's nothing going on

355
00:15:19,569 --> 00:15:16,910
there's nothing there ignore it get back

356
00:15:21,160 --> 00:15:19,579
to work and that was it that was the

357
00:15:22,870 --> 00:15:21,170
last time they experienced it and he

358
00:15:24,879 --> 00:15:22,880
told everybody that because he just

359
00:15:26,710 --> 00:15:24,889
didn't want to deal with the headache of

360
00:15:28,509 --> 00:15:26,720
it all which is something that we hear

361
00:15:31,750 --> 00:15:28,519
I've heard from people saying that I

362
00:15:34,300 --> 00:15:31,760
hadn't destroyed of a Navy radar Tech

363
00:15:35,830 --> 00:15:34,310

that I knew and he worked on the dew

364

00:15:37,630 --> 00:15:35,840

line in the 60s during the

365

00:15:39,220 --> 00:15:37,640

old Warren you know this is kind of the

366

00:15:42,790 --> 00:15:39,230

edge of where we go to watch the

367

00:15:44,290 --> 00:15:42,800

Russians and his radar could go up into

368

00:15:46,510 --> 00:15:44,300

the sky quite a bit and they would

369

00:15:49,470 --> 00:15:46,520

detect you know quick moving things in

370

00:15:51,850 --> 00:15:49,480

fact his name was Franklin Carter and

371

00:15:53,230 --> 00:15:51,860

they called him Carter's contacts

372

00:15:55,270 --> 00:15:53,240

because whenever they saw one of these

373

00:15:57,430 --> 00:15:55,280

things zipping around they would call

374

00:15:57,850 --> 00:15:57,440

Carter up and say hey what's wrong with

375

00:16:00,010 --> 00:15:57,860

her

376

00:16:01,840 --> 00:16:00,020

radar fix it and he would say well

377

00:16:04,990 --> 00:16:01,850

there's nothing wrong and so they called

378

00:16:07,090 --> 00:16:05,000

him Carter's contacts well they got a

379

00:16:09,370 --> 00:16:07,100

bunch of hack we're reporting it you

380

00:16:12,160 --> 00:16:09,380

know people making fun of them and and

381

00:16:13,810 --> 00:16:12,170

all of this stuff so he finally got a

382

00:16:15,760 --> 00:16:13,820

chance to ask some of the other radar

383

00:16:17,290 --> 00:16:15,770

texts aren't you experiencing this

384

00:16:19,360 --> 00:16:17,300

aren't you capturing these things and

385

00:16:20,470 --> 00:16:19,370

they said yeah and he asked well what

386

00:16:21,970 --> 00:16:20,480

are you doing about it and they're like

387

00:16:23,560 --> 00:16:21,980

nothing are you kidding we're not gonna

388

00:16:24,790 --> 00:16:23,570

report something like that you know

389

00:16:27,640 --> 00:16:24,800

we'll go through what you've gone

390

00:16:29,920 --> 00:16:27,650

through and it'll be a nightmare so they

391

00:16:31,840 --> 00:16:29,930

just didn't report on it and you know

392

00:16:33,670 --> 00:16:31,850

John Alexander is one of the guys who

393

00:16:35,740 --> 00:16:33,680

kind of talks about this that there's a

394

00:16:37,510 --> 00:16:35,750

lot of reasons that you know people in

395

00:16:39,880 --> 00:16:37,520

the military and stuff kind of push

396

00:16:42,850 --> 00:16:39,890

these things under their carpet at times

397

00:16:47,070 --> 00:16:42,860

and a lot of them are just kind of he

398

00:16:50,320 --> 00:16:47,080

calls it even a ignorant or you know

399

00:16:52,450 --> 00:16:50,330

kind of just human failings and that

400

00:16:54,520 --> 00:16:52,460

they're embarrassed you know it has

401
00:16:56,320 --> 00:16:54,530
happens with pilots and police officers

402
00:16:58,660 --> 00:16:56,330
I'm sure you've heard this too just

403
00:17:00,490 --> 00:16:58,670
people don't want that sort of notoriety

404
00:17:02,830 --> 00:17:00,500
and they don't want anything to do with

405
00:17:05,020 --> 00:17:02,840
it so they say hey you know I'm not

406
00:17:07,360 --> 00:17:05,030
going to talk about this experience now

407
00:17:10,120 --> 00:17:07,370
I wonder if they saw like with the radar

408
00:17:12,790 --> 00:17:10,130
if they saw you know like any unusual

409
00:17:16,780 --> 00:17:12,800
speeds or anything like that that didn't

410
00:17:18,760 --> 00:17:16,790
make any sense yeah unfortunately we

411
00:17:19,990 --> 00:17:18,770
don't have that sort of detail he just

412
00:17:23,530 --> 00:17:20,000
said they captured it

413
00:17:25,449 --> 00:17:23,540

once the mix got in the air then they

414

00:17:26,830 --> 00:17:25,459

were able to capture it on radar and

415

00:17:28,960 --> 00:17:26,840

that was the only time they were able to

416

00:17:30,900 --> 00:17:28,970

capture it on radar he didn't explain

417

00:17:33,130 --> 00:17:30,910

what they did but all he said was

418

00:17:35,260 --> 00:17:33,140

essentially that they out maneuvered to

419

00:17:40,450 --> 00:17:35,270

make the MiG's couldn't catch this thing

420

00:17:44,440 --> 00:17:40,460

either amazing huh yeah really cool

421

00:17:45,760 --> 00:17:44,450

story so we've got that @openmindtv so

422

00:17:49,720 --> 00:17:45,770

people can read it with links to the

423

00:17:51,760 --> 00:17:49,730

Billy Cox story and the US but Nick

424

00:17:54,190 --> 00:17:51,770

International story but you don't even

425

00:17:56,320 --> 00:17:54,200

have to go there because I just gave it

426

00:17:58,600 --> 00:17:56,330

all to you there in the one story no is

427

00:18:01,780 --> 00:17:58,610

Billy Cox he's the one in Florida am I

428

00:18:05,200 --> 00:18:01,790

thinking right yeah he was with the

429

00:18:09,700 --> 00:18:05,210

Sarasota Herald Tribune that's what it

430

00:18:12,280 --> 00:18:09,710

was it was a really good day he was

431

00:18:14,799 --> 00:18:12,290

great you know he had done some things

432

00:18:16,510 --> 00:18:14,809

cuz he really was dogged about getting

433

00:18:18,430 --> 00:18:16,520

interviewed with officials and stuff

434

00:18:20,470 --> 00:18:18,440

when things happen and sometimes he

435

00:18:22,720 --> 00:18:20,480

would get those interviews so he was a

436

00:18:24,310 --> 00:18:22,730

great resource for once in a while you

437

00:18:26,980 --> 00:18:24,320

know coming up with a kernel of

438

00:18:30,159 --> 00:18:26,990

information that others weren't able to

439

00:18:33,400 --> 00:18:30,169

get and so and the stories were a lot of

440

00:18:34,960 --> 00:18:33,410

fun but I guess he had some sort of

441

00:18:36,850 --> 00:18:34,970

falling-out with the paper even though

442

00:18:40,390 --> 00:18:36,860

he had done it for you for many many

443

00:18:42,430 --> 00:18:40,400

years and so he stopped doing it I tried

444

00:18:45,130 --> 00:18:42,440

my hardest to get him on my podcast but

445

00:18:48,220 --> 00:18:45,140

he just didn't want to do it but yeah a

446

00:18:49,990 --> 00:18:48,230

lot of us who really Intel have been

447

00:18:52,419 --> 00:18:50,000

into this for a while really admire his

448

00:18:53,799 --> 00:18:52,429

work yeah I know I said him an email one

449

00:18:55,720 --> 00:18:53,809

time he never heard back from him I

450

00:18:59,710 --> 00:18:55,730

tried to get him on and speaking of that

451
00:19:01,630 --> 00:18:59,720
Nick Pope has not been on my show yeah I

452
00:19:04,210 --> 00:19:01,640
know I contacted him a number of times

453
00:19:06,340 --> 00:19:04,220
in each time he he will tell me that he

454
00:19:08,230 --> 00:19:06,350
only does a certain you know certain few

455
00:19:10,480 --> 00:19:08,240
shows yours being one of them and that's

456
00:19:12,220 --> 00:19:10,490
it so you're gonna have to be probably

457
00:19:15,610 --> 00:19:12,230
you're gonna have to get and get him on

458
00:19:18,430 --> 00:19:15,620
my show well when you say stuff like you

459
00:19:26,620 --> 00:19:18,440
know the moons right here by aliens he

460
00:19:28,990 --> 00:19:26,630
probably thinks you're a Google all

461
00:19:30,640 --> 00:19:29,000
right i'lli'll thanks a lot and hey real

462
00:19:34,780 --> 00:19:30,650
quickly all right all the artists are

463
00:19:37,360 --> 00:19:34,790

going to Budapest that's right that's

464

00:19:39,280 --> 00:19:37,370

next week I like to say it like that

465

00:19:41,500 --> 00:19:39,290

with some kind of weird accent I'm not

466

00:19:44,860 --> 00:19:41,510

sure if it's even real accent it's not

467

00:19:48,810 --> 00:19:44,870

Budapest I'm no I don't think so did you

468

00:19:51,190 --> 00:19:48,820

ask the Budapest actually I it is that

469

00:19:53,500 --> 00:19:51,200

accent and and saying is actually

470

00:19:55,659 --> 00:19:53,510

appropriate because it's for Mars I'm

471

00:19:59,110 --> 00:19:55,669

going to Mars and Mars happens to be in

472

00:20:00,700 --> 00:19:59,120

Budapest so you know sometimes I get to

473

00:20:02,890 --> 00:20:00,710

do these trips and stuff and I write on

474

00:20:03,539 --> 00:20:02,900

Huffington Post and sometimes on open

475

00:20:06,989 --> 00:20:03,549

minds if I can

476
00:20:12,830 --> 00:20:06,999
get people to talk about UFOs I do these

477
00:20:16,649 --> 00:20:12,840
these these press trips about science in

478
00:20:18,590 --> 00:20:16,659
Hollywood and there is a Mars television

479
00:20:21,210 --> 00:20:18,600
show it's on National Geographic

480
00:20:23,399 --> 00:20:21,220
actually and some of you might have seen

481
00:20:26,399 --> 00:20:23,409
it really cool because it's it's it's

482
00:20:28,289 --> 00:20:26,409
kind of like Band of Brothers if you

483
00:20:29,700 --> 00:20:28,299
remember Band of Brothers kind of had at

484
00:20:31,950 --> 00:20:29,710
the beginning in the end they had

485
00:20:34,229 --> 00:20:31,960
interviews with real people so it was a

486
00:20:36,810 --> 00:20:34,239
little bit of a documentary in there at

487
00:20:40,169 --> 00:20:36,820
the be kind of bookending the drama and

488
00:20:43,019 --> 00:20:40,179

so this series about is about our first

489

00:20:44,639 --> 00:20:43,029

trip to Mars and it's very based on

490

00:20:48,119 --> 00:20:44,649

science and everything and they have

491

00:20:50,519 --> 00:20:48,129

NASA and other scientists Elon Musk

492

00:20:52,320 --> 00:20:50,529

isn't a lot of it talking about you know

493

00:20:54,799 --> 00:20:52,330

their progress and what they're doing to

494

00:20:57,840 --> 00:20:54,809

get to Mars and then the show is

495

00:20:59,340 --> 00:20:57,850

dramatizing you know our first first

496

00:21:00,799 --> 00:20:59,350

time we get people on Mars and the

497

00:21:04,259 --> 00:21:00,809

challenges and what it would be like

498

00:21:06,629 --> 00:21:04,269

really cool show so the first season has

499

00:21:08,430 --> 00:21:06,639

already aired and they're working on the

500

00:21:10,379 --> 00:21:08,440

second season so they're ready to

501
00:21:12,389 --> 00:21:10,389
promote that and that's why they're

502
00:21:15,749 --> 00:21:12,399
bringing some of us myself included to

503
00:21:18,529 --> 00:21:15,759
Budapest for a few days to spend a

504
00:21:22,529 --> 00:21:18,539
couple days on a static - the Martian

505
00:21:26,190 --> 00:21:22,539
set out there and so I'll be on Mars and

506
00:21:28,109 --> 00:21:26,200
I'll be tweeting and I should probably I

507
00:21:29,789 --> 00:21:28,119
don't use Instagram much but I should

508
00:21:33,269 --> 00:21:29,799
and and this one will definitely be

509
00:21:35,090 --> 00:21:33,279
photo licious so I'll use my Instagram

510
00:21:38,970 --> 00:21:35,100
but also Facebook I'll be sharing

511
00:21:42,119 --> 00:21:38,980
pictures and stuff about my budapest

512
00:21:44,729 --> 00:21:42,129
Mars adventure awesome so I know you'll

513
00:21:47,460 --> 00:21:44,739

be heading back that the day of the show

514

00:21:49,889 --> 00:21:47,470

that we have 30th so you're probably

515

00:21:53,039 --> 00:21:49,899

probably won't hear from you but you'll

516

00:21:55,440 --> 00:21:53,049

be the yeah they travel I think I I land

517

00:21:57,749 --> 00:21:55,450

at around 3:30 so it'll be difficult for

518

00:22:01,080 --> 00:21:57,759

me to to do the show with your probable

519

00:22:04,229 --> 00:22:01,090

so see the week after all right well you

520

00:22:05,340 --> 00:22:04,239

have a great one thanks so much all

521

00:22:11,070 --> 00:22:05,350

right thank you

522

00:22:11,700 --> 00:22:11,080

so our guest is Tiago Lewis I'm gonna

523

00:22:16,230 --> 00:22:11,710

get it wrong

524

00:22:17,440 --> 00:22:16,240

Tahiti and he is like the almost like

525

00:22:22,990 --> 00:22:17,450

the Richard Dolan

526

00:22:25,779 --> 00:22:23,000

of of Brazil and it's great to have him

527

00:22:27,930 --> 00:22:25,789

on again we tried to have him on a few

528

00:22:31,389 --> 00:22:27,940

weeks ago and it didn't work out and

529

00:22:33,899 --> 00:22:31,399

we're so glad that he was able to come

530

00:22:37,060 --> 00:22:33,909

back on welcome to the show

531

00:22:42,310 --> 00:22:37,070

thanks for thanking thanks for being on

532

00:22:45,370 --> 00:22:42,320

and and thanks for your patience this

533

00:22:48,360 --> 00:22:45,380

time everything is working just fine so

534

00:22:51,159 --> 00:22:48,370

we shouldn't have any trouble at all so

535

00:22:55,360 --> 00:22:51,169

my name is shaking your head you never

536

00:22:57,370 --> 00:22:55,370

know yeah yeah so can you tell the

537

00:23:00,970 --> 00:22:57,380

audience a little bit about your

538

00:23:02,649 --> 00:23:00,980

background you are in Brazil you have

539

00:23:05,889 --> 00:23:02,659

lived in a few different places in the

540

00:23:11,680 --> 00:23:05,899

world but what sparked your interest in

541

00:23:14,970 --> 00:23:11,690

the UFO topic to begin with well I'm

542

00:23:18,039 --> 00:23:14,980

living now in Brasilia Brazil sceptile

543

00:23:22,029 --> 00:23:18,049

but I'm here I'm from Rio de Janeiro I

544

00:23:26,080 --> 00:23:22,039

was born in Rio Janeiro and my father

545

00:23:29,680 --> 00:23:26,090

was a Air Force pilot so we move it a

546

00:23:32,080 --> 00:23:29,690

lot in Brazil I live in in Natal is he

547

00:23:34,659 --> 00:23:32,090

went to the North State live in Santa

548

00:23:37,090 --> 00:23:34,669

Maria is a Hueber in the SU stage and a

549

00:23:41,110 --> 00:23:37,100

huge Janeiro and now I'm living in

550

00:23:44,620 --> 00:23:41,120

Brasilia well I started to to get into

551
00:23:47,889 --> 00:23:44,630
ufology since I was a kid I think when I

552
00:23:52,480 --> 00:23:47,899
learned to read I start to read comic

553
00:23:56,649 --> 00:23:52,490
books like spider-man and UFO magazines

554
00:24:00,600 --> 00:23:56,659
that we had here in Brazil and in ninety

555
00:24:06,159 --> 00:24:00,610
nine ninety 82 I had my first and only

556
00:24:09,490 --> 00:24:06,169
sighting I saw a red red sphere coming

557
00:24:16,180 --> 00:24:09,500
from the sky and then fade away and then

558
00:24:18,490 --> 00:24:16,190
rise again get stronger and bigger at

559
00:24:21,549 --> 00:24:18,500
that other a red collar and the maker

560
00:24:24,850 --> 00:24:21,559
like her this movement and bit away from

561
00:24:28,299 --> 00:24:24,860
the from this path to the space and from

562
00:24:30,100 --> 00:24:28,309
now on I I get into the ufology very

563
00:24:34,889 --> 00:24:30,110

very serious

564

00:24:38,409 --> 00:24:34,899

first reading a lot and from my seventy

565

00:24:42,130 --> 00:24:38,419

but today I start to do research in

566

00:24:44,470 --> 00:24:42,140

Brasilia as well have you did you pardon

567

00:24:46,419 --> 00:24:44,480

me did you do any have you done any

568

00:24:52,180 --> 00:24:46,429

research in any other countries or do

569

00:24:55,509 --> 00:24:52,190

you just but you just focus on Brazil no

570

00:24:58,899 --> 00:24:55,519

just just in Brazil I I like to read and

571

00:25:07,210 --> 00:24:58,909

and study all the case out of the world

572

00:25:10,990 --> 00:25:07,220

but to be able to make us in in love in

573

00:25:14,340 --> 00:25:11,000

local investigation just in bruges ha ha

574

00:25:16,769 --> 00:25:14,350

so there has been some pretty amazing

575

00:25:19,419 --> 00:25:16,779

cases over the years starting up

576

00:25:23,169 --> 00:25:19,429

coincidentally I was looking online

577

00:25:24,460 --> 00:25:23,179

starting in 1947 same as Roswell it

578

00:25:27,610 --> 00:25:24,470

seems like that's when a lot of the

579

00:25:29,620 --> 00:25:27,620

sightings started the one that has

580

00:25:32,740 --> 00:25:29,630

intrigued me and I remember watching a

581

00:25:35,440 --> 00:25:32,750

documentary on it and by the way can you

582

00:25:37,680 --> 00:25:35,450

pronounce that your name so we know the

583

00:25:41,860 --> 00:25:37,690

right way to pronounce your name please

584

00:25:43,980 --> 00:25:41,870

it's chago Luis Chickasha boy did I ever

585

00:25:46,840 --> 00:25:43,990

get that wrong I'm sorry about that

586

00:25:54,870 --> 00:25:46,850

so I'll get this one wrong too

587

00:25:57,879 --> 00:25:54,880

in 1997 there was a uragan de holanda

588

00:26:03,009 --> 00:25:57,889

did I get that even close he was a pilot

589

00:26:07,000 --> 00:26:03,019

a retired pilot parachutist that had a

590

00:26:09,220 --> 00:26:07,010

sighting earlier in the Amazon and they

591

00:26:10,799 --> 00:26:09,230

found him dead do you know who I'm

592

00:26:21,360 --> 00:26:10,809

talking about

593

00:26:23,950 --> 00:26:21,370

yes is back in 1977 not night 1977 major

594

00:26:27,570 --> 00:26:23,960

by the time he was a captain captain

595

00:26:30,340 --> 00:26:27,580

we're done Jeju London he was assignment

596

00:26:33,909 --> 00:26:30,350

to investigate investigate some

597

00:26:39,970 --> 00:26:33,919

sightings in the culeros city in Perak

598

00:26:43,510 --> 00:26:39,980

state and he had a crew from militaries

599

00:26:47,530 --> 00:26:43,520

from Brazilian Air Force that

600

00:26:51,160 --> 00:26:47,540

three months they study the sightings

601
00:26:54,250 --> 00:26:51,170
that was happened in calories deciding

602
00:26:59,170 --> 00:26:54,260
the deciding was colored the super super

603
00:27:02,680 --> 00:26:59,180
phenomenon because the lights shot some

604
00:27:09,270 --> 00:27:02,690
lights in the people's shoulders and

605
00:27:13,870 --> 00:27:09,280
necks and arms and the mayor of the city

606
00:27:17,410 --> 00:27:13,880
asked for help to the Brazilian Air

607
00:27:20,230 --> 00:27:17,420
Force and then they send the captain

608
00:27:23,290 --> 00:27:20,240
Hollander to investigate it it was

609
00:27:26,410 --> 00:27:23,300
amazing this amazing case in Brazil that

610
00:27:29,380 --> 00:27:26,420
we have a photos that have official

611
00:27:32,530 --> 00:27:29,390
reports but we're still looking for the

612
00:27:36,820 --> 00:27:32,540
film's because they did they showed some

613
00:27:43,540 --> 00:27:36,830

fear now how long of a time was that was

614

00:27:46,030 --> 00:27:43,550

that going on for Wow the investigation

615

00:27:48,220 --> 00:27:46,040

of this of Education of the plate

616

00:27:49,530 --> 00:27:48,230

operation this was the name of the

617

00:27:55,300 --> 00:27:49,540

operation

618

00:27:58,750 --> 00:27:55,310

starting October 1977 to the December of

619

00:28:01,560 --> 00:27:58,760

the same year but now we are sure that

620

00:28:05,830 --> 00:28:01,570

when the Brazilian government stopped it

621

00:28:09,430 --> 00:28:05,840

to investigate the sightings we assured

622

00:28:14,440 --> 00:28:09,440

that we have US military in Amazon

623

00:28:19,690 --> 00:28:14,450

investigated until 1982 so five years

624

00:28:24,730 --> 00:28:19,700

later they keep kept still in there the

625

00:28:28,510 --> 00:28:24,740

decide now did this take a real toll on

626

00:28:30,940 --> 00:28:28,520

on him I mean I know that you know there

627

00:28:33,040 --> 00:28:30,950

was speculation that he may have

628

00:28:35,200 --> 00:28:33,050

committed suicide and this may have been

629

00:28:41,980 --> 00:28:35,210

related to it was there an investigation

630

00:28:49,590 --> 00:28:41,990

ongoing about that as well well he has

631

00:28:52,510 --> 00:28:49,600

some psychics and I had a depression and

632

00:28:56,110 --> 00:28:52,520

he committed suicide it's simpler like

633

00:28:57,280 --> 00:28:56,120

that he was not murdered he was not

634

00:28:59,560 --> 00:28:57,290

poisoned

635

00:29:05,190 --> 00:28:59,570

he just committed suicide as well huh

636

00:29:08,080 --> 00:29:05,200

but there was there was up the UFO case

637

00:29:09,610 --> 00:29:08,090

did it take a toll on him is that is

638

00:29:12,220 --> 00:29:09,620

that one I've been understanding in the

639

00:29:14,680 --> 00:29:12,230

documentary they made it sound like this

640

00:29:17,500 --> 00:29:14,690

led to his suicide now that may have

641

00:29:22,050 --> 00:29:17,510

been over exaggerated but what what do

642

00:29:26,550 --> 00:29:22,060

you know about that part of it no I

643

00:29:33,070 --> 00:29:30,160

after he gave out well he was the first

644

00:29:38,770 --> 00:29:33,080

person to give the documents to Burton

645

00:29:42,640 --> 00:29:38,780

apologists but since then we got more

646

00:29:46,540 --> 00:29:42,650

than 400 pages 400 notes or 4,000 pages

647

00:29:51,400 --> 00:29:46,550

of official documents after Brazilian

648

00:29:55,570 --> 00:29:51,410

government and a lot of them about the

649

00:29:57,940 --> 00:29:55,580

plate operation I don't think that's his

650

00:30:01,390 --> 00:29:57,950

suicide and the the document to release

651

00:30:04,150 --> 00:30:01,400

it or that he release it has something

652

00:30:05,650 --> 00:30:04,160

to do with the suicide I don't think so

653

00:30:07,930 --> 00:30:05,660

well you know that that may have just

654

00:30:10,570 --> 00:30:07,940

been to make the documentary more

655

00:30:14,950 --> 00:30:10,580

interesting they probably you know made

656

00:30:18,130 --> 00:30:14,960

that angle toward it but so the case was

657

00:30:20,770 --> 00:30:18,140

very interesting and never solved was

658

00:30:23,200 --> 00:30:20,780

when you said there were beams of light

659

00:30:28,870 --> 00:30:23,210

or did you say did it actually injure

660

00:30:32,050 --> 00:30:28,880

people yes and two people got killed

661

00:30:35,890 --> 00:30:32,060

because anemia that when when they got

662

00:30:41,130 --> 00:30:35,900

shot at the beam the people got anemia

663

00:30:45,850 --> 00:30:41,140

and we just had one nurse in the city

664

00:30:50,230 --> 00:30:45,860

she would take care of shoot thousand

665

00:30:52,930 --> 00:30:50,240

people and there in the village so as we

666

00:30:55,360 --> 00:30:52,940

know officially two people died because

667

00:31:00,520 --> 00:30:55,370

the name iya because was heated by the

668

00:31:02,800 --> 00:31:00,530

beam but we are sure that probably many

669

00:31:05,470 --> 00:31:02,810

more people had died because of that but

670

00:31:08,590 --> 00:31:05,480

we never know do you know what the

671

00:31:10,899 --> 00:31:08,600

effect was were they saying it was

672

00:31:17,349 --> 00:31:10,909

similar to radiation poisoning

673

00:31:21,789 --> 00:31:17,359

or something no when the people got hit

674

00:31:25,869 --> 00:31:21,799

by the beam they lost blood they lost

675

00:31:30,820 --> 00:31:25,879

some fluids the people got very very

676

00:31:36,659 --> 00:31:30,830

weak and that we are talking about very

677

00:31:38,830 --> 00:31:36,669

inner city in Brazil in 1977 so we

678

00:31:43,149 --> 00:31:38,840

didn't have internet we didn't have a

679

00:31:46,469 --> 00:31:43,159

phone we didn't have commercial airlines

680

00:31:51,519 --> 00:31:46,479

we didn't have it yeah until nowadays

681

00:31:55,649 --> 00:31:51,529

but to communicate it was very very poor

682

00:32:00,129 --> 00:31:55,659

the communication and it's almost

683

00:32:06,930 --> 00:32:00,139

impossible to get informations or your

684

00:32:12,190 --> 00:32:06,940

time so the people got sick got ill and

685

00:32:16,830 --> 00:32:12,200

just wonders to take care of it and as I

686

00:32:19,299 --> 00:32:16,840

as I said two people died officially but

687

00:32:22,839 --> 00:32:19,309

we are pretty sure that we have more

688

00:32:29,669 --> 00:32:22,849

people that got anemia and got awake and

689

00:32:34,450 --> 00:32:29,679

got ill and finally there Wow and when

690

00:32:36,849 --> 00:32:34,460

would you say there was a dozen or more

691

00:32:39,219 --> 00:32:36,859

people that was involved in this

692

00:32:44,909 --> 00:32:39,229

sighting or did it was even a larger

693

00:32:48,399 --> 00:32:44,919

number than that much larger much larger

694

00:32:54,009 --> 00:32:48,409

just to have an idea the crew the crew

695

00:33:00,659 --> 00:32:54,019

of Captain Orlando was about six six men

696

00:33:04,989 --> 00:33:00,669

and the people of the village like to

697

00:33:09,460 --> 00:33:04,999

2,000 people in a village and Almo

698

00:33:12,460 --> 00:33:09,470

almost everyone I mean I prefer that a

699

00:33:16,359 --> 00:33:12,470

hundred percent at everybody in the

700

00:33:19,029 --> 00:33:16,369

village Sol so at least at one time the

701
00:33:22,149 --> 00:33:19,039
lights in the sky I'm not saying that

702
00:33:24,630 --> 00:33:22,159
all the the village ins were hit by the

703
00:33:28,120 --> 00:33:24,640
beam but

704
00:33:29,590 --> 00:33:28,130
everyone there back the time saw the

705
00:33:33,580 --> 00:33:29,600
lights in the sky

706
00:33:36,160 --> 00:33:33,590
Wow Wow that's something would you say

707
00:33:43,990 --> 00:33:36,170
that that is one of the most important

708
00:33:48,870 --> 00:33:44,000
cases of UFOs and in Brazil yes it is it

709
00:33:52,690 --> 00:33:48,880
is as a huge case in Brazil that was to

710
00:33:54,370 --> 00:33:52,700
researching it because as I said we're

711
00:33:59,140 --> 00:33:54,380
we're still looking for more documents

712
00:34:01,810 --> 00:33:59,150
that we know that exist is we're looking

713
00:34:06,160 --> 00:34:01,820

for photos and looking for the films

714

00:34:08,470 --> 00:34:06,170

because captain Yolanda told us told aij

715

00:34:11,200 --> 00:34:08,480

fired and mackleton pitied the person

716

00:34:13,390 --> 00:34:11,210

apologies that was the first they were

717

00:34:17,140 --> 00:34:13,400

the first ones to know about the case

718

00:34:25,000 --> 00:34:17,150

and the first the person that captain

719

00:34:30,220 --> 00:34:25,010

Lander asked it to tell the story so it

720

00:34:33,760 --> 00:34:30,230

was a huge case that had the official

721

00:34:36,909 --> 00:34:33,770

operation a secret official operation

722

00:34:40,150 --> 00:34:36,919

and we're looking for the film's we know

723

00:34:43,120 --> 00:34:40,160

who have films they film at UFOs a very

724

00:34:47,340 --> 00:34:43,130

close range of UFOs a huge beautiful

725

00:34:52,659 --> 00:34:47,350

like the size of a football field and

726

00:34:55,210 --> 00:34:52,669

very very different shapes of UFOs as

727

00:34:58,810 --> 00:34:55,220

well Wow when you say you're looking for

728

00:35:02,260 --> 00:34:58,820

the films is that is that close to being

729

00:35:04,690 --> 00:35:02,270

a possibility that well first of all you

730

00:35:08,320 --> 00:35:04,700

think they exist but who would have

731

00:35:13,570 --> 00:35:08,330

those would the government have those of

732

00:35:15,880 --> 00:35:13,580

Brazil well the captain Hollander gave

733

00:35:19,450 --> 00:35:15,890

all the films all the material that he

734

00:35:22,440 --> 00:35:19,460

had the original material he makes some

735

00:35:25,840 --> 00:35:22,450

copies of the the documents and photos

736

00:35:28,770 --> 00:35:25,850

but the original documents photos

737

00:35:33,640 --> 00:35:28,780

documents and films he gave to his

738

00:35:37,599 --> 00:35:33,650

superior to bring it to the coroner that

739

00:35:42,430 --> 00:35:37,609

was in charge of the Aegean region

740

00:35:46,059 --> 00:35:42,440

and my guess that all they lost the

741

00:35:50,109 --> 00:35:46,069

documents and the films or they gave two

742

00:35:52,420 --> 00:35:50,119

due to the US military's I think so the

743

00:35:53,529 --> 00:35:52,430

second the second option is more

744

00:35:55,029 --> 00:35:53,539

realistic Wow

745

00:36:04,630 --> 00:35:55,039

and why do you think they would give it

746

00:36:09,789 --> 00:36:04,640

to the US well in 1977 the Brazil didn't

747

00:36:13,660 --> 00:36:09,799

have much interest to have it why why

748

00:36:16,870 --> 00:36:13,670

why we have it if we don't do any type

749

00:36:20,430 --> 00:36:16,880

of research and there's a some kind of

750

00:36:26,589 --> 00:36:20,440

deal between the countries that I think

751

00:36:29,200 --> 00:36:26,599

that this kind of information in

752

00:36:30,670 --> 00:36:29,210

exchange to something just something

753

00:36:35,160 --> 00:36:30,680

else

754

00:36:38,019 --> 00:36:35,170

we gave the information to a higher or a

755

00:36:42,249 --> 00:36:38,029

powerful country in Brazil the case

756

00:36:48,039 --> 00:36:42,259

Raziel Brazil very is a lie of United

757

00:36:51,489 --> 00:36:48,049

States so in 1977 I think it it was not

758

00:36:55,589 --> 00:36:51,499

much more important give to to sa the

759

00:36:59,499 --> 00:36:55,599

documents to keep it because if we if we

760

00:37:02,920 --> 00:36:59,509

we kept it why you're gonna do it right

761

00:37:05,319 --> 00:37:02,930

right now someone in our chat room wants

762

00:37:09,249 --> 00:37:05,329

to know if the Brazilians have the same

763

00:37:11,470 --> 00:37:09,259

cynicism about UFOs as found in the US

764

00:37:18,370 --> 00:37:11,480

in other words is it a taboo subject

765

00:37:21,870 --> 00:37:18,380

there as well yeah yeah but to the

766

00:37:27,220 --> 00:37:21,880

Brazilian government UFOs

767

00:37:31,239 --> 00:37:27,230

it's a matters we have as such huge

768

00:37:35,069 --> 00:37:31,249

problems in Brazil like economic social

769

00:37:38,650 --> 00:37:35,079

political problems in Brazil that UFOs

770

00:37:44,529 --> 00:37:38,660

don't come up in a first in a first

771

00:37:47,710 --> 00:37:44,539

sentence of the up problem so if yeah if

772

00:37:51,370 --> 00:37:47,720

we see a huge UFO crossing the skies of

773

00:37:53,410 --> 00:37:51,380

a Brasilia it's not more important

774

00:37:57,609 --> 00:37:53,420

that what art presents say about

775

00:38:01,509 --> 00:37:57,619

politicus about the economy so Brazil is

776

00:38:04,059 --> 00:38:01,519

not the country that the penetration

777

00:38:06,549 --> 00:38:04,069

about that height otally get that as a

778

00:38:09,970 --> 00:38:06,559

matter of fact in our country there was

779

00:38:12,549 --> 00:38:09,980

speculation that if Hillary Clinton was

780

00:38:15,940 --> 00:38:12,559

voted in as president that she was going

781

00:38:18,430 --> 00:38:15,950

to you know dig deeply into the UFO

782

00:38:20,499 --> 00:38:18,440

topic and I said a couple times on this

783

00:38:23,980 --> 00:38:20,509

show that you know anyone that takes

784

00:38:25,390 --> 00:38:23,990

over the office of presidency in the

785

00:38:27,249 --> 00:38:25,400

United States is going to have the tiger

786

00:38:28,690 --> 00:38:27,259

by the tail and so many other things on

787

00:38:31,390 --> 00:38:28,700

their plate that's going to be way way

788

00:38:33,120 --> 00:38:31,400

down on the list unless there's you know

789

00:38:36,509 --> 00:38:33,130

something you know dramatically

790

00:38:41,670 --> 00:38:36,519

happening or if something happens but

791

00:38:44,109 --> 00:38:41,680

yeah angry and do you does your country

792

00:38:47,289 --> 00:38:44,119

work with any other countries I know

793

00:38:50,769 --> 00:38:47,299

Chile is you know on the same continent

794

00:38:56,309 --> 00:38:50,779

and they're very open to the UFO topic

795

00:38:59,440 --> 00:38:56,319

and they have that SEF AHA organization

796

00:39:05,680 --> 00:38:59,450

does Brazil ever do any type of work

797

00:39:10,240 --> 00:39:05,690

with them in any type of way ah with

798

00:39:12,490 --> 00:39:10,250

other countries the Sheila has an

799

00:39:16,630 --> 00:39:12,500

official group a military official group

800

00:39:20,380 --> 00:39:16,640

to research UFO or why as well Peru as

801
00:39:25,269 --> 00:39:20,390
well but Brasilia but but Brazil we

802
00:39:29,140 --> 00:39:25,279
don't we too had use it to have Suwannee

803
00:39:33,839 --> 00:39:29,150
and sakhani and we had at the plate

804
00:39:38,519 --> 00:39:33,849
operation but nowadays there's there's

805
00:39:43,390 --> 00:39:38,529
no one official there's no official

806
00:39:47,970 --> 00:39:43,400
research about it in 2013 we had a

807
00:39:50,319 --> 00:39:47,980
meeting at Brazilian Ministry of Defense

808
00:39:56,519 --> 00:39:50,329
was the first time that followed

809
00:40:00,279 --> 00:39:56,529
civilian apologies had a meeting with

810
00:40:04,570 --> 00:40:00,289
representatives of Army Air Force and

811
00:40:09,310 --> 00:40:04,580
Navy included the Brazilian government

812
00:40:11,530 --> 00:40:09,320
to create a kind of cooperation between

813
00:40:15,160 --> 00:40:11,540

military and civilians of origin

814

00:40:21,010 --> 00:40:15,170

civilian of follow gist to investigate

815

00:40:26,530 --> 00:40:21,020

the UFOs well we try to we have two

816

00:40:30,010 --> 00:40:26,540

meetings but unfortunately we change our

817

00:40:35,290 --> 00:40:30,020

president we had impeachment in today

818

00:40:39,390 --> 00:40:35,300

last year so everyone that we know at

819

00:40:42,520 --> 00:40:39,400

the Ministry of Defense lost their jobs

820

00:40:46,750 --> 00:40:42,530

well because the change we change a

821

00:40:50,380 --> 00:40:46,760

president so changing jobs and we start

822

00:40:51,130 --> 00:40:50,390

from the zero again and start from the

823

00:40:55,780 --> 00:40:51,140

beginning again

824

00:40:59,470 --> 00:40:55,790

and as I said we have a lot of problems

825

00:41:03,460 --> 00:40:59,480

in Brazil and UFO is not the one of them

826

00:41:05,410 --> 00:41:03,470

right now the the countries that's the

827

00:41:11,710 --> 00:41:05,420

largest country in South America isn't

828

00:41:15,810 --> 00:41:11,720

it isn't Brazil yeah and and what is the

829

00:41:19,900 --> 00:41:15,820

pop is a population really high or is it

830

00:41:23,880 --> 00:41:19,910

it's not one of the really do you know

831

00:41:26,770 --> 00:41:23,890

the population size how many millions

832

00:41:30,310 --> 00:41:26,780

200 and 200 million wow that's that's a

833

00:41:33,400 --> 00:41:30,320

lot Wow yes so what would you say the

834

00:41:36,850 --> 00:41:33,410

sightings are like there I know and you

835

00:41:39,340 --> 00:41:36,860

know in America we we have you know you

836

00:41:42,340 --> 00:41:39,350

can check with MUFON and you know Peter

837

00:41:44,320 --> 00:41:42,350

Davenport site there's a lot of

838

00:41:48,940 --> 00:41:44,330

sightings per year are there a lot of

839

00:41:53,590 --> 00:41:48,950

sightings in Brazil overall yeah we have

840

00:41:57,310 --> 00:41:53,600

a lot but we don't have a database like

841

00:42:00,700 --> 00:41:57,320

gamma form and Dave Devonport we don't

842

00:42:04,900 --> 00:42:00,710

have it and and we need it

843

00:42:11,770 --> 00:42:04,910

I'm creditor of the fish 204 magazine in

844

00:42:16,540 --> 00:42:11,780

Brazil and we receive five to ten emails

845

00:42:18,990 --> 00:42:16,550

per day from people that think that saw

846

00:42:25,210 --> 00:42:19,000

something unusual in the sky

847

00:42:29,200 --> 00:42:25,220

so if you do the math five a day three

848

00:42:32,349 --> 00:42:29,210

hundred two hundred six five in a year

849

00:42:35,440 --> 00:42:32,359

we had almost yeah thousand almost

850

00:42:38,650 --> 00:42:35,450

thousand and five hundred sightings per

851
00:42:39,279 --> 00:42:38,660
year but they think it's much more than

852
00:42:42,490 --> 00:42:39,289
that

853
00:42:45,609 --> 00:42:42,500
because as I say Brazil is a huge

854
00:42:47,500 --> 00:42:45,619
country we we are the the fifth country

855
00:42:55,120 --> 00:42:47,510
largest country in the world I didn't

856
00:42:58,750 --> 00:42:55,130
know that well yeah and we have regions

857
00:43:03,970 --> 00:42:58,760
in Brazil like Amazon like para like

858
00:43:10,660 --> 00:43:03,980
Hawaii Minh rondônia that people saw

859
00:43:15,190 --> 00:43:10,670
UFOs every day but they is so so normal

860
00:43:17,770 --> 00:43:15,200
to them to see it that they first they

861
00:43:22,779 --> 00:43:17,780
don't report because it's normal to them

862
00:43:27,130 --> 00:43:22,789
and second to who to whom they are going

863
00:43:33,339 --> 00:43:27,140

to report so we miss a lot of cases we

864

00:43:35,289 --> 00:43:33,349

miss a lot of reports and that's why we

865

00:43:38,470 --> 00:43:35,299

need a database like a more phone and

866

00:43:43,809 --> 00:43:38,480

then important to have so what you say

867

00:43:47,079 --> 00:43:43,819

that UFO magazine we're getting maybe up

868

00:43:49,809 --> 00:43:47,089

to five emails a day that's kind of a

869

00:43:51,640 --> 00:43:49,819

strange place to report you know a UFO

870

00:43:54,190 --> 00:43:51,650

sighting well not really it's not really

871

00:43:57,609 --> 00:43:54,200

strange but I mean it's something that I

872

00:44:00,400 --> 00:43:57,619

would never think of if I saw a UFO if I

873

00:44:03,069 --> 00:44:00,410

didn't know there was any other you know

874

00:44:04,839 --> 00:44:03,079

places to contact for instance when I

875

00:44:08,140 --> 00:44:04,849

had a sighting I called the police

876

00:44:11,410 --> 00:44:08,150

department I didn't know who to call so

877

00:44:17,430 --> 00:44:11,420

when someone goes online and looks to

878

00:44:25,059 --> 00:44:22,120

well first of all when I receive the

879

00:44:30,299 --> 00:44:25,069

report we'll try to find some of follow

880

00:44:32,200 --> 00:44:30,309

gist that we know that scan that can

881

00:44:34,300 --> 00:44:32,210

look for the

882

00:44:38,020 --> 00:44:34,310

port and trying to figure out what what

883

00:44:43,690 --> 00:44:38,030

what was it was and the people really

884

00:44:46,720 --> 00:44:43,700

don't have who to call as I said so they

885

00:44:50,530 --> 00:44:46,730

send an email or called to the office of

886

00:44:54,540 --> 00:44:50,540

the heavy gufu austin emailed to me in

887

00:45:01,390 --> 00:44:54,550

my facebook page or to another apologist

888

00:45:04,630 --> 00:45:01,400

but we're not able in in the most part

889

00:45:08,980 --> 00:45:04,640

of the cases we're not able to be there

890

00:45:12,940 --> 00:45:08,990

and investigated because we have to

891

00:45:15,579 --> 00:45:12,950

spend money or money our money we have

892

00:45:22,800 --> 00:45:15,589

to spend time and had and i have to

893

00:45:29,230 --> 00:45:25,359

investigation and we don't have a time

894

00:45:31,870 --> 00:45:29,240

and money for that so many of the

895

00:45:34,930 --> 00:45:31,880

reports the people just email us and

896

00:45:38,500 --> 00:45:34,940

call us but we're trying to another

897

00:45:40,570 --> 00:45:38,510

fight to to analyze photos and the

898

00:45:44,349 --> 00:45:40,580

fields that's all it's very very

899

00:45:45,599 --> 00:45:44,359

difficult to do a field research right

900

00:45:49,000 --> 00:45:45,609

right I know that

901
00:45:51,400 --> 00:45:49,010
MUFON does get reports from all over the

902
00:45:54,670 --> 00:45:51,410
world you know so I'm sure that probably

903
00:45:57,089 --> 00:45:54,680
some of them actually go to you know

904
00:46:01,150 --> 00:45:57,099
some of them that originated in Brazil

905
00:46:03,160 --> 00:46:01,160
probably goes to them but are there any

906
00:46:04,300 --> 00:46:03,170
you know you just talked about the

907
00:46:09,180 --> 00:46:04,310
research and the money and all that

908
00:46:12,450 --> 00:46:09,190
other is yourself or any other

909
00:46:15,130 --> 00:46:12,460
colleagues of yours actually trying to

910
00:46:19,960 --> 00:46:15,140
do the research I know it's a big

911
00:46:22,480 --> 00:46:19,970
country but yeah yeah so it's only for a

912
00:46:25,359 --> 00:46:22,490
passion of it right I mean it's no money

913
00:46:27,339 --> 00:46:25,369

involved or anything like that just the

914

00:46:31,079 --> 00:46:27,349

curiosity can you explain some of the

915

00:46:35,320 --> 00:46:31,089

cases that you've tried to investigate

916

00:46:39,130 --> 00:46:35,330

yeah the most case that anything to

917

00:46:42,040 --> 00:46:39,140

gauge was here in Brasilia it's easy for

918

00:46:45,280 --> 00:46:42,050

me to do it so here in Brasilia I had

919

00:46:49,090 --> 00:46:45,290

investigated almost

920

00:46:52,090 --> 00:46:49,100

to instituted three cases in ten years

921

00:46:53,380 --> 00:46:52,100

here in Brasilia and that we have a good

922

00:46:56,470 --> 00:46:53,390

to follow just in Brazil of my

923

00:46:59,070 --> 00:46:56,480

colleagues that investigate casein and

924

00:47:02,200 --> 00:46:59,080

some powder in Rio Janeiro miniaturize

925

00:47:07,120 --> 00:47:02,210

we have a huge case in Brasilia like a

926
00:47:10,960 --> 00:47:07,130
version a case and about tube and mainly

927
00:47:14,980 --> 00:47:10,970
mainly pilot sightings we have this we

928
00:47:18,370 --> 00:47:14,990
have this I mean this friendship with

929
00:47:21,730 --> 00:47:18,380
Brazilian pilots that they report their

930
00:47:25,300 --> 00:47:21,740
sightings to us just to us because they

931
00:47:31,110 --> 00:47:25,310
don't want publicity they want to they

932
00:47:33,940 --> 00:47:31,120
didn't want should have their names on

933
00:47:38,350 --> 00:47:33,950
newspapers because it's gonna be a

934
00:47:41,530 --> 00:47:38,360
problem to them so I had investigated it

935
00:47:45,010 --> 00:47:41,540
myself in Brasilia 2225 caters very

936
00:47:47,440 --> 00:47:45,020
taste very interesting cases as well so

937
00:47:50,200 --> 00:47:47,450
when the pilots have a sighting are you

938
00:47:55,840 --> 00:47:50,210

talking about commercial pilots or

939

00:47:58,210 --> 00:47:55,850

military pilots both both my father was

940

00:48:03,610 --> 00:47:58,220

a Brazilian Air Force my father-in-law

941

00:48:06,940 --> 00:48:03,620

was a Brazilian Air Force pilot so I

942

00:48:11,790 --> 00:48:06,950

know mainly Brazilian Air Force pilots

943

00:48:16,030 --> 00:48:11,800

and from Air Force and now from civil

944

00:48:22,120 --> 00:48:16,040

Airways and they know that I investigate

945

00:48:25,150 --> 00:48:22,130

UFOs and when they know some sighting or

946

00:48:28,240 --> 00:48:25,160

a friend that had a sighting they

947

00:48:33,520 --> 00:48:28,250

contact me and give me the contact Ana

948

00:48:35,200 --> 00:48:33,530

and trying to investigate it now how

949

00:48:38,980 --> 00:48:35,210

does your family for instance your

950

00:48:42,900 --> 00:48:38,990

father feel about you investigating UFOs

951

00:48:46,390 --> 00:48:42,910

does he is he open-minded to it

952

00:48:50,950 --> 00:48:46,400

well my father passed away many many

953

00:48:54,820 --> 00:48:50,960

years ago when I was 19 years old he

954

00:48:57,670 --> 00:48:54,830

passed away now I'm 42 now sir but he

955

00:48:59,089 --> 00:48:57,680

was - no no problem he was the person

956

00:49:01,009 --> 00:48:59,099

that encouraged me to

957

00:49:04,549 --> 00:49:01,019

to to read about to follow gee he loved

958

00:49:09,319 --> 00:49:04,559

it he loves it follow Jane and I had the

959

00:49:13,640 --> 00:49:09,329

book chairs of Gods Erich von däniken

960

00:49:17,509 --> 00:49:13,650

book ever and he had a sighting when he

961

00:49:23,749 --> 00:49:17,519

has when he was young he was not pilot

962

00:49:30,979 --> 00:49:23,759

yet but had a sighting with my uncle his

963

00:49:32,719 --> 00:49:30,989

sister and he gave me all the

964

00:49:33,019 --> 00:49:32,729

opportunities he gave me books to read

965

00:49:34,609 --> 00:49:33,029

it

966

00:49:37,789 --> 00:49:34,619

and then my father was a very

967

00:49:40,370 --> 00:49:37,799

open-minded person my wife as well my

968

00:49:43,849 --> 00:49:40,380

wife support me my kids love this

969

00:49:46,999 --> 00:49:43,859

subject and my father-in-law as well he

970

00:49:49,400 --> 00:49:47,009

gave me his testimony about his sighting

971

00:49:51,170 --> 00:49:49,410

for the first time he told you to some

972

00:49:59,390 --> 00:49:51,180

morning he told to me and I have a

973

00:50:03,289 --> 00:49:59,400

record of it in my YouTube page and I

974

00:50:06,589 --> 00:50:03,299

think my family support me you know and

975

00:50:08,269 --> 00:50:06,599

all about it no one calls crazy right

976

00:50:09,549 --> 00:50:08,279

right well that's good I'm glad to hear

977

00:50:14,900 --> 00:50:09,559

that

978

00:50:15,650 --> 00:50:14,910

now does Brazil have any military type

979

00:50:17,989 --> 00:50:15,660

sightings

980

00:50:20,359 --> 00:50:17,999

you know you here in the United States

981

00:50:24,079 --> 00:50:20,369

like white sands and you know you hear

982

00:50:26,839 --> 00:50:24,089

about also about nuclear warheads which

983

00:50:29,930 --> 00:50:26,849

up I don't think Brazil has any I'm not

984

00:50:33,950 --> 00:50:29,940

sure but but do you have like nuclear

985

00:50:35,630 --> 00:50:33,960

power plants there you know there are

986

00:50:37,609 --> 00:50:35,640

some nuclear power plant sightings

987

00:50:40,849 --> 00:50:37,619

things like that I mean what I'm getting

988

00:50:43,309 --> 00:50:40,859

at is there any like certain types of

989

00:50:45,410 --> 00:50:43,319

sightings that are really interesting

990

00:50:47,299 --> 00:50:45,420

along the lines of military or or

991

00:50:49,089 --> 00:50:47,309

nuclear power plants or anything like

992

00:50:51,920 --> 00:50:49,099

that

993

00:50:57,799 --> 00:50:51,930

well we don't have a military plan and

994

00:50:59,779 --> 00:50:57,809

no pls we dont what we have to we but we

995

00:51:02,809 --> 00:50:59,789

have the technology of it we have the

996

00:51:06,200 --> 00:51:02,819

atomic technology we do have what we

997

00:51:12,920 --> 00:51:06,210

don't build atomic and nuclear bombs or

998

00:51:15,260 --> 00:51:12,930

weapons but we have intuition cases that

999

00:51:20,690 --> 00:51:15,270

to cordon and Brazilian Bay military

1000

00:51:24,500 --> 00:51:20,700

bases we have the the case the night of

1001
00:51:32,809 --> 00:51:24,510
UFOs we call here Brazil in 1986 where

1002
00:51:37,579 --> 00:51:32,819
more than 20 UFOs or saw bye-bye-bye

1003
00:51:43,990 --> 00:51:37,589
cool on the ground by pilots by military

1004
00:51:49,730 --> 00:51:44,000
pilots and five jet fighters was sent to

1005
00:51:53,690 --> 00:51:49,740
intercept the UFOs and was like a dog

1006
00:51:58,309 --> 00:51:53,700
dog cat fighting to try to try to

1007
00:52:01,400 --> 00:51:58,319
indentification the UFOs and we had

1008
00:52:06,589 --> 00:52:01,410
cases in santa maria he will sue that

1009
00:52:12,549 --> 00:52:06,599
UFO landed in in a base in the middle of

1010
00:52:20,210 --> 00:52:12,559
the base we have cases in in many cases

1011
00:52:23,630 --> 00:52:20,220
where the military in a land saw UFOs

1012
00:52:27,079 --> 00:52:23,640
over databases it's not it's not common

1013
00:52:30,200 --> 00:52:27,089

but it's not rare someone made a point

1014

00:52:33,220 --> 00:52:30,210

on the message board that he wondered if

1015

00:52:38,120 --> 00:52:33,230

pilots got together and in the group and

1016

00:52:41,599 --> 00:52:38,130

you know told their stories like if they

1017

00:52:44,240 --> 00:52:41,609

could get through their union or you

1018

00:52:47,690 --> 00:52:44,250

know I mean I'm sure that Brazil has

1019

00:52:52,880 --> 00:52:47,700

something similar to the FAA the Federal

1020

00:52:55,819 --> 00:52:52,890

Aviation that we have is it just taboo

1021

00:53:02,839 --> 00:52:55,829

across the board for pilots in every

1022

00:53:07,309 --> 00:53:02,849

which way it is it is when we win a

1023

00:53:10,370 --> 00:53:07,319

pilot commercial or military pilots

1024

00:53:16,390 --> 00:53:10,380

solve something in the sky they have to

1025

00:53:21,020 --> 00:53:16,400

make a report but many of them never do

1026
00:53:25,180 --> 00:53:21,030
because if they do the report first he

1027
00:53:26,289 --> 00:53:25,190
had to go under on the uprise scratch we

1028
00:53:36,219 --> 00:53:26,299
squash

1029
00:53:39,219 --> 00:53:36,229
go testers and had to I not lost their

1030
00:53:43,679 --> 00:53:39,229
jobs but the people start to look to

1031
00:53:50,039 --> 00:53:43,689
them like a crazy people a crazy person

1032
00:53:54,999 --> 00:53:50,049
so they is a huge taboo to the parents

1033
00:53:57,519 --> 00:53:55,009
not retired pilots not but the actual

1034
00:54:00,429 --> 00:53:57,529
pilots they don't want to talk about it

1035
00:54:02,559 --> 00:54:00,439
because they they think that they're

1036
00:54:04,870 --> 00:54:02,569
gonna lose their jobs it's a very good

1037
00:54:06,609 --> 00:54:04,880
it's a very very hard table here now I'm

1038
00:54:09,069 --> 00:54:06,619

just wondering like if there were two

1039

00:54:11,169 --> 00:54:09,079

you know a pilot in a co-pilot sitting

1040

00:54:12,969 --> 00:54:11,179

together they had a sighting and they

1041

00:54:17,009 --> 00:54:12,979

could cooperate perfectly with each

1042

00:54:21,099 --> 00:54:17,019

other it's still it's still an issue

1043

00:54:24,249 --> 00:54:21,109

well they prefer look to each other and

1044

00:54:27,509 --> 00:54:24,259

say why did you see I see nothing meet

1045

00:54:32,069 --> 00:54:27,519

you that's too bad it's really too bad

1046

00:54:35,289 --> 00:54:32,079

yeah what's it true yes the true yep and

1047

00:54:37,599 --> 00:54:35,299

you know it's funny we have a lot of

1048

00:54:41,259 --> 00:54:37,609

reasons in the United States why we

1049

00:54:44,229 --> 00:54:41,269

understand why that's the way it is you

1050

00:54:48,429 --> 00:54:44,239

know going all the way back to you know

1051
00:54:50,890 --> 00:54:48,439
the of course Project Blue Book that was

1052
00:54:53,439 --> 00:54:50,900
part of the deal when the the sightings

1053
00:54:55,299 --> 00:54:53,449
came flooding in they had to you know

1054
00:54:59,739 --> 00:54:55,309
explain them away to calm the people

1055
00:55:03,249 --> 00:54:59,749
down and then in 1953 there was the

1056
00:55:06,729 --> 00:55:03,259
Robertson panel you know which was all

1057
00:55:09,429 --> 00:55:06,739
about you know making humiliation out of

1058
00:55:09,880 --> 00:55:09,439
UFO sightings to just you know make them

1059
00:55:11,890 --> 00:55:09,890
go away

1060
00:55:14,410 --> 00:55:11,900
was there anything like that as far as

1061
00:55:19,089 --> 00:55:14,420
you know in Brazil the reason there's so

1062
00:55:23,109 --> 00:55:19,099
much ridicule well we don't we don't

1063
00:55:28,890 --> 00:55:23,119

need a special project to do it if a

1064

00:55:34,509 --> 00:55:28,900

person come and say that I saw a UFO or

1065

00:55:39,609 --> 00:55:34,519

an alien all the media if paid attention

1066

00:55:42,400 --> 00:55:39,619

to to to his report

1067

00:55:45,579 --> 00:55:42,410

it's gonna make a jerk of him yes that's

1068

00:55:49,779 --> 00:55:45,589

that's a hundred percent sure that's why

1069

00:55:52,019 --> 00:55:49,789

we fight we have a strong girl fight

1070

00:55:55,209 --> 00:55:52,029

show it

1071

00:55:57,430 --> 00:55:55,219

encourage people to come to us to follow

1072

00:56:00,249 --> 00:55:57,440

just we don't need we don't need

1073

00:56:02,799 --> 00:56:00,259

publicity we don't want publicity we

1074

00:56:05,859 --> 00:56:02,809

just want to understand the phenomenon

1075

00:56:11,170 --> 00:56:05,869

and we need the people report to us what

1076

00:56:13,890 --> 00:56:11,180

they saw and many people didn't do it

1077

00:56:19,150 --> 00:56:13,900

because they want they want to be

1078

00:56:23,109 --> 00:56:19,160

criticized ridiculous and be call like

1079

00:56:26,349 --> 00:56:23,119

crazy so we don't need a special project

1080

00:56:30,370 --> 00:56:26,359

to to do it we don't need it now what

1081

00:56:31,809 --> 00:56:30,380

about in the United States we have a lot

1082

00:56:33,700 --> 00:56:31,819

of people that think they're being

1083

00:56:36,579 --> 00:56:33,710

abducted

1084

00:56:39,579 --> 00:56:36,589

you know abductees or and I calm now

1085

00:56:43,170 --> 00:56:39,589

experiencers what's the situation like

1086

00:56:46,569 --> 00:56:43,180

in Brazil when it comes to that

1087

00:56:50,559 --> 00:56:46,579

well the the abduction phenomena is the

1088

00:56:56,759 --> 00:56:50,569

same all of the world here in Brazil we

1089

00:57:00,729 --> 00:56:56,769

have a very very good doctors that

1090

00:57:03,670 --> 00:57:00,739

studied the case we can I can aim it at

1091

00:57:08,009 --> 00:57:03,680

Canada issue the motor can aim and my to

1092

00:57:12,339 --> 00:57:08,019

her in jail they are very very good

1093

00:57:14,799 --> 00:57:12,349

professionals that to this abductions in

1094

00:57:20,620 --> 00:57:14,809

in Brazil we have a lot we have a lot we

1095

00:57:22,390 --> 00:57:20,630

have I think just well and I said the

1096

00:57:26,140 --> 00:57:22,400

population often I'd say it's much

1097

00:57:28,569 --> 00:57:26,150

bigger than Brazil but we have many

1098

00:57:31,420 --> 00:57:28,579

cases of abduction in Brazil and I have

1099

00:57:35,319 --> 00:57:31,430

a phases famous cases we have Tony

1100

00:57:39,339 --> 00:57:35,329

villers-bocage cases that Brazil for

1101
00:57:44,200 --> 00:57:39,349
miniaturize that had sexual relationship

1102
00:57:46,299 --> 00:57:44,210
with an alien being in 90 1957 so we

1103
00:57:48,989 --> 00:57:46,309
have a very important case about a bit

1104
00:57:53,230 --> 00:57:48,999
abductions in Brazil well I had no idea

1105
00:57:57,190 --> 00:57:53,240
and so but it's the same thing I'm sure

1106
00:57:59,740 --> 00:57:57,200
it's it's uh as far as the ridicule goes

1107
00:58:03,430 --> 00:57:59,750
it must be the same how we think are

1108
00:58:05,470 --> 00:58:03,440
even more yeah yes yes because some

1109
00:58:08,920 --> 00:58:05,480
people consider that the first part of

1110
00:58:10,930 --> 00:58:08,930
ufology some people don't but I'm

1111
00:58:13,660 --> 00:58:10,940
talking about in the United States so it

1112
00:58:15,430 --> 00:58:13,670
is always interesting to hear you know

1113
00:58:18,430 --> 00:58:15,440

different countries what's going on I

1114

00:58:21,760 --> 00:58:18,440

know when I had class Vaughn from Sweden

1115

00:58:24,370 --> 00:58:21,770

he says he may get one or two abduction

1116

00:58:26,830 --> 00:58:24,380

cases reported per year

1117

00:58:28,510 --> 00:58:26,840

what about to the magazine do people

1118

00:58:34,450 --> 00:58:28,520

actually report abductions to the

1119

00:58:42,760 --> 00:58:34,460

magazine yes we have many many many

1120

00:58:46,859 --> 00:58:42,770

reports but I can tell you 95% is we we

1121

00:58:51,640 --> 00:58:46,869

can explain external as a lie as

1122

00:58:56,820 --> 00:58:51,650

imagination dreams and sleep peril of

1123

00:59:02,080 --> 00:58:56,830

these and that something normal at sea

1124

00:59:07,680 --> 00:59:02,090

but we have a five percent that let's

1125

00:59:11,200 --> 00:59:07,690

let's see twenty thirty cases a year

1126

00:59:14,950 --> 00:59:11,210

that's very interesting and we have to

1127

00:59:15,310 --> 00:59:14,960

look deeply to understand what's going

1128

00:59:19,420 --> 00:59:15,320

on

1129

00:59:22,599 --> 00:59:19,430

how much of your time is taken up in the

1130

00:59:25,630 --> 00:59:22,609

UFO topic I you know most people like

1131

00:59:28,000 --> 00:59:25,640

myself I I have a you know a career and

1132

00:59:31,330 --> 00:59:28,010

then I do this show you know in another

1133

00:59:34,300 --> 00:59:31,340

show when I can

1134

00:59:39,520 --> 00:59:34,310

so does this take up a lot of your time

1135

00:59:44,740 --> 00:59:39,530

your spare time off with the law I do

1136

00:59:51,760 --> 00:59:44,750

not well I work a normal normal job ten

1137

00:59:54,670 --> 00:59:51,770

hours a day and I prefer spend most part

1138

00:59:58,630 --> 00:59:54,680

of my free time with my family I have to

1139

01:00:02,050 --> 00:59:58,640

care a boy of nine nine years old and uh

1140

01:00:05,890 --> 01:00:02,060

a little girl with a three years old and

1141

01:00:07,030 --> 01:00:05,900

my wife I prefer to spend my my most

1142

01:00:12,220 --> 01:00:07,040

part

1143

01:00:15,670 --> 01:00:12,230

of the free time with them and the rest

1144

01:00:23,140 --> 01:00:15,680

of time I spent with my my stuff's but I

1145

01:00:26,140 --> 01:00:23,150

do at least 10 minutes 15 minutes I see

1146

01:00:29,110 --> 01:00:26,150

something about your follow G or reading

1147

01:00:38,560 --> 01:00:29,120

a case or reading a few pages of a book

1148

01:00:43,900 --> 01:00:38,570

or an email that I receive if you if you

1149

01:00:49,110 --> 01:00:43,910

do the math again well if they have 24

1150

01:00:51,400 --> 01:00:49,120

hours 2 hours of follow you know my life

1151

01:00:54,220 --> 01:00:51,410

that's that's pretty fairness

1152

01:00:59,170 --> 01:00:54,230

well but but what but it wouldn't when I

1153

01:01:01,990 --> 01:00:59,180

own I get my retirement I gonna spend a

1154

01:01:06,240 --> 01:01:02,000

lot of time and I yes I told you write

1155

01:01:10,780 --> 01:01:06,250

to my wife about that yeah yeah so when

1156

01:01:14,290 --> 01:01:10,790

when someone is doing the work like you

1157

01:01:17,080 --> 01:01:14,300

have to do to research cases this is

1158

01:01:19,300 --> 01:01:17,090

this all done I mean you haven't

1159

01:01:22,330 --> 01:01:19,310

personally gone to research something

1160

01:01:26,170 --> 01:01:22,340

have you I'm thinking about Brazil how

1161

01:01:30,910 --> 01:01:26,180

large it is do you actually do some

1162

01:01:34,930 --> 01:01:30,920

research like feet on the ground yeah

1163

01:01:37,830 --> 01:01:34,940

yeah and my recession when I do my

1164

01:01:41,680 --> 01:01:37,840

research I have to do on a weekend

1165

01:01:45,100 --> 01:01:41,690

Saturday sound a few times during the

1166

01:01:48,280 --> 01:01:45,110

week but the weekends is when I when I

1167

01:01:52,060 --> 01:01:48,290

when I do my research if you had a

1168

01:01:57,210 --> 01:01:52,070

landing as well for example we have to

1169

01:02:01,840 --> 01:01:57,220

go there immediately when we have some

1170

01:02:06,130 --> 01:02:01,850

hard evidence I try to do my best to be

1171

01:02:09,340 --> 01:02:06,140

there as soon as possible and the few

1172

01:02:12,010 --> 01:02:09,350

research for me is a very important part

1173

01:02:15,970 --> 01:02:12,020

of the UFO investigation phenomena right

1174

01:02:18,400 --> 01:02:15,980

now I know there was a trace case but

1175

01:02:20,420 --> 01:02:18,410

they it was controversial whether was a

1176

01:02:24,880 --> 01:02:20,430

hoax or not where

1177

01:02:28,190 --> 01:02:24,890

in Brazil some UFO exploded in the the

1178

01:02:29,930 --> 01:02:28,200

the witness picked up some residue it

1179

01:02:31,700 --> 01:02:29,940

ended up being magnesium or something

1180

01:02:35,480 --> 01:02:31,710

like that do you know the case I'm

1181

01:02:41,290 --> 01:02:35,490

talking about yeah if they were too

1182

01:02:44,270 --> 01:02:41,300

bulky it's that happened in 1957 as well

1183

01:02:48,680 --> 01:02:44,280

we had this case that a UFO exploded

1184

01:02:55,780 --> 01:02:48,690

over the the beach and the someday

1185

01:03:01,570 --> 01:02:55,790

breeze came the most part of the breeze

1186

01:03:05,300 --> 01:03:01,580

down into the ocean and some part of it

1187

01:03:09,050 --> 01:03:05,310

felt on the beach and some people got it

1188

01:03:13,490 --> 01:03:09,060

and it's but it's a very controversial

1189

01:03:17,870 --> 01:03:13,500

case because Draya Simone Jeanne from

1190

01:03:21,380 --> 01:03:17,880

Argentina he claimed that he had a small

1191

01:03:24,890 --> 01:03:21,390

piece of the UFO from ubatuba and

1192

01:03:29,000 --> 01:03:24,900

Jacques Vallee the French colleges

1193

01:03:33,860 --> 01:03:29,010

checker Valley came three months ago he

1194

01:03:37,310 --> 01:03:33,870

went to to Argentina and took up a small

1195

01:03:42,190 --> 01:03:37,320

piece of this debris B to make analysis

1196

01:03:45,620 --> 01:03:42,200

I think the case is true I think that

1197

01:03:51,070 --> 01:03:45,630

that really happened but I don't think

1198

01:03:59,720 --> 01:03:54,500

evidence some some debris nowadays I

1199

01:04:03,740 --> 01:03:59,730

think all that we had was used to to to

1200

01:04:08,950 --> 01:04:03,750

make the research back the time like the

1201

01:04:13,040 --> 01:04:08,960

the couple Laura's coral and lorrison

1202

01:04:16,550 --> 01:04:13,050

coral and his husband her husband Jim

1203

01:04:19,870 --> 01:04:16,560

Cora and Jim Larson they took some of

1204

01:04:24,050 --> 01:04:19,880

the examples from a lot of pouches and

1205

01:04:26,420 --> 01:04:24,060

then destroy it destroyed the example

1206

01:04:29,240 --> 01:04:26,430

during the research so I don't think

1207

01:04:32,940 --> 01:04:29,250

they're gonna find that this evidence

1208

01:04:39,660 --> 01:04:37,340

I know you know there's one of the

1209

01:04:41,190 --> 01:04:39,670

people I've had on my show in the past

1210

01:04:43,230 --> 01:04:41,200

said you know if there were so many

1211

01:04:46,200 --> 01:04:43,240

crashes why isn't there any you know

1212

01:04:48,960 --> 01:04:46,210

physical evidence there have been some

1213

01:04:53,520 --> 01:04:48,970

things brought forward and it sure would

1214

01:04:57,330 --> 01:04:53,530

be nice it seems like if there was ever

1215

01:04:59,670 --> 01:04:57,340

some hard evidence found you know

1216

01:05:02,670 --> 01:04:59,680

there's so many elements in the universe

1217

01:05:04,320 --> 01:05:02,680

that we you know are aware of the only

1218

01:05:06,870 --> 01:05:04,330

thing that could be different if it was

1219

01:05:10,470 --> 01:05:06,880

extraterrestrial is the way it's

1220

01:05:13,140 --> 01:05:10,480

composed you know an alloy door whatever

1221

01:05:14,490 --> 01:05:13,150

to make something totally different but

1222

01:05:16,920 --> 01:05:14,500

it's really you know when as magnesium

1223

01:05:19,260 --> 01:05:16,930

found if it still could be

1224

01:05:21,780 --> 01:05:19,270

extraterrestrial and magnesium is what

1225

01:05:27,900 --> 01:05:21,790

I'm getting at you know it's awful hard

1226

01:05:31,350 --> 01:05:27,910

to take evidence and prove that it's

1227

01:05:35,220 --> 01:05:31,360

extraterrestrial you know if it even if

1228

01:05:39,450 --> 01:05:35,230

it was yeah

1229

01:05:42,470 --> 01:05:39,460

the do but - but the breeze that could

1230

01:05:49,260 --> 01:05:42,480

the analysis showed that mechanism was

1231

01:05:54,240 --> 01:05:49,270

19 99.9% pure that was impossible to

1232

01:05:58,410 --> 01:05:54,250

find in the the nature or impossible to

1233

01:06:02,030 --> 01:05:58,420

build it in 1957 I don't think if we can

1234

01:06:05,700 --> 01:06:02,040

do it nowadays but when we talk about

1235

01:06:10,890 --> 01:06:05,710

UFO crashes and we talk about a hard

1236

01:06:13,830 --> 01:06:10,900

evidences like touchable evidences we

1237

01:06:20,310 --> 01:06:13,840

have Roswell we have a roster in United

1238

01:06:25,080 --> 01:06:20,320

States we have virgin in Brazil we have

1239

01:06:29,010 --> 01:06:25,090

the Handelsman and in in England so we

1240

01:06:35,310 --> 01:06:29,020

do have this evidence but when I say do

1241

01:06:37,740 --> 01:06:35,320

we I mean we as human beings as military

1242

01:06:38,460 --> 01:06:37,750

because civilians as you and me we don't

1243

01:06:46,470 --> 01:06:38,470

have it

1244

01:06:50,900 --> 01:06:46,480

possible

1245

01:06:54,780 --> 01:06:50,910

you know last week's last week's guest

1246

01:06:56,339 --> 01:06:54,790

MJ banyas was on I don't I know you

1247

01:06:58,290 --> 01:06:56,349

listen to the show I don't know if you

1248

01:07:01,020 --> 01:06:58,300

was able to to catch that one in

1249

01:07:06,660 --> 01:07:01,030

particular apart yeah our times

1250

01:07:08,130 --> 01:07:06,670

so his one of his theories is that he

1251

01:07:10,200 --> 01:07:08,140

doesn't think they're extraterrestrial

1252

01:07:12,480 --> 01:07:10,210

he he thinks there's something else or

1253

01:07:14,160 --> 01:07:12,490

he thinks that it's something that we

1254

01:07:16,620 --> 01:07:14,170

kind of create which i thought was

1255

01:07:18,630 --> 01:07:16,630

interesting I love to hear interesting

1256

01:07:23,670 --> 01:07:18,640

views whether I agree with them or not

1257

01:07:27,089 --> 01:07:23,680

in general would you say that a lot of

1258

01:07:33,750 --> 01:07:27,099

ufologists in Brazil are think it's an

1259

01:07:39,060 --> 01:07:33,760

extraterrestrial theory yeah I think the

1260

01:07:46,890 --> 01:07:39,070

most part believe this way but not my

1261

01:07:51,690 --> 01:07:46,900

opinion I'm very open mind about it we

1262

01:07:55,770 --> 01:07:51,700

cannot say that the from other planet

1263

01:08:00,200 --> 01:07:55,780

because we don't have the proof we

1264

01:08:04,140 --> 01:08:00,210

cannot say that they did probably they

1265

01:08:08,280 --> 01:08:04,150

can be ourselves coming from the future

1266

01:08:11,250 --> 01:08:08,290

and when I when I do my lectures I give

1267

01:08:16,170 --> 01:08:11,260

this example like Back to the Future

1268

01:08:19,709 --> 01:08:16,180

theory theory we we can we can come to

1269

01:08:22,070 --> 01:08:19,719

the past but we cannot change the past

1270

01:08:30,690 --> 01:08:22,080

because it's going to change the future

1271

01:08:34,410 --> 01:08:30,700

so this being this these beings must can

1272

01:08:37,970 --> 01:08:34,420

be extraterrestrial can be ourselves

1273

01:08:40,280 --> 01:08:37,980

from the future came can be from

1274

01:08:44,729 --> 01:08:40,290

parallel universes

1275

01:08:48,030 --> 01:08:44,739

we we cannot claim until you have the

1276

01:08:52,079 --> 01:08:48,040

evidence and that we don't have it yes I

1277

01:08:54,240 --> 01:08:52,089

I agree and it's a you know the question

1278

01:08:59,579 --> 01:08:54,250

always comes up whether it's a skeptic

1279

01:09:00,390 --> 01:08:59,589

or whether it's a you know someone

1280

01:09:03,390 --> 01:09:00,400

trying to do

1281

01:09:06,300 --> 01:09:03,400

the case or whatever it is but it does

1282

01:09:09,090 --> 01:09:06,310

come up a lot as why is it so elusive

1283

01:09:12,780 --> 01:09:09,100

you know why why after all these years

1284

01:09:16,740 --> 01:09:12,790

you know going back to 1947 for modern

1285

01:09:19,590 --> 01:09:16,750

UFO ufology going all the way back to

1286

01:09:22,800 --> 01:09:19,600

that time 70 years and we still don't

1287

01:09:25,620 --> 01:09:22,810

have the answer do you think the answer

1288

01:09:29,600 --> 01:09:25,630

will come eventually or do you think

1289

01:09:44,180 --> 01:09:36,510

now it's gonna come in in a way or

1290

01:09:51,060 --> 01:09:44,190

another way why I think that we have a

1291

01:09:55,500 --> 01:09:51,070

very a very very difficult here many

1292

01:09:56,330 --> 01:09:55,510

people ask me if the aliens are good are

1293

01:10:01,980 --> 01:09:56,340

bad

1294

01:10:05,790 --> 01:10:01,990

why what's their agenda well in my

1295

01:10:10,290 --> 01:10:05,800

opinion they they are not good if they

1296

01:10:17,610 --> 01:10:10,300

were they help us to to clean the planet

1297

01:10:22,680 --> 01:10:17,620

as for example to stop disasters if they

1298

01:10:27,990 --> 01:10:22,690

were bad they probably would try to kill

1299

01:10:30,480 --> 01:10:28,000

us and conquer the planet and what

1300

01:10:35,850 --> 01:10:30,490

what's their agenda we don't know in my

1301

01:10:39,330 --> 01:10:35,860

opinion they come to our planet do what

1302

01:10:42,290 --> 01:10:39,340

they have to do they leave it they don't

1303

01:10:46,310 --> 01:10:42,300

want to come here to say hi my name is

1304

01:10:48,690 --> 01:10:46,320

something like that I'm from Planet X

1305

01:10:53,720 --> 01:10:48,700

and I want to be your friend no they

1306

01:10:58,280 --> 01:10:53,730

don't want it no not these civilizations

1307

01:11:02,160 --> 01:10:58,290

these realizations that come to earth

1308

01:11:05,420 --> 01:11:02,170

they just come here do what they have to

1309

01:11:08,610 --> 01:11:05,430

do and live it they don't to be seen

1310

01:11:12,120 --> 01:11:08,620

they don't want to be disturbed they

1311

01:11:14,190 --> 01:11:12,130

want to make friendship they just have

1312

01:11:17,370 --> 01:11:14,200

come here do it

1313

01:11:19,830 --> 01:11:17,380

what they have to do and leave and we

1314

01:11:25,860 --> 01:11:19,840

have that imagination from Raleigh's

1315

01:11:29,450 --> 01:11:25,870

films and the human nature why they come

1316

01:11:35,780 --> 01:11:29,460

why didn't why why they didn't land in a

1317

01:11:38,550 --> 01:11:35,790

yards of the White House why they don't

1318

01:11:41,610 --> 01:11:38,560

stay in it in the sky - I provided to

1319

01:11:43,680 --> 01:11:41,620

see it but they didn't want it I think

1320

01:11:46,860 --> 01:11:43,690

it's very very very simple like that and

1321

01:11:47,580 --> 01:11:46,870

many people don't don't like to be

1322

01:11:49,860 --> 01:11:47,590

simple

1323

01:11:53,670 --> 01:11:49,870

I think it's an answer now they don't

1324

01:11:56,310 --> 01:11:53,680

want to show up hmm sometimes someday in

1325

01:12:00,420 --> 01:11:56,320

a future maybe something in the future

1326

01:12:04,650 --> 01:12:00,430

maybe we find which we probably find

1327

01:12:10,020 --> 01:12:04,660

them and they well they found us so

1328

01:12:14,370 --> 01:12:10,030

let's say hi probably now now actually

1329

01:12:16,980 --> 01:12:14,380

now today they just want to do what they

1330

01:12:21,090 --> 01:12:16,990

have to do do it you know I brought this

1331

01:12:23,820 --> 01:12:21,100

up a few times on this show about 25 or

1332

01:12:26,940 --> 01:12:23,830

30 years ago I had an insurance agent

1333

01:12:30,480 --> 01:12:26,950

come to my house and we were in this

1334

01:12:32,250 --> 01:12:30,490

conversation and just a general

1335

01:12:34,200 --> 01:12:32,260

conversation at that time I was not

1336

01:12:36,620 --> 01:12:34,210

really into UFOs or anything you know I

1337

01:12:39,240 --> 01:12:36,630

had a sighting not that long ago back in

1338

01:12:41,660 --> 01:12:39,250

2006 that really got me interested in it

1339

01:12:44,430 --> 01:12:41,670

but prior to that I just you know I

1340

01:12:47,070 --> 01:12:44,440

listened to you know a few things and

1341

01:12:50,550 --> 01:12:47,080

kind of you know nonchalantly pay

1342

01:12:56,040 --> 01:12:50,560

attention well he told me that he was

1343

01:12:58,650 --> 01:12:56,050

part of a secret military department

1344

01:13:02,490 --> 01:12:58,660

while he was in Vietnam that was a

1345

01:13:05,970 --> 01:13:02,500

branch of the Air Force that was

1346

01:13:09,660 --> 01:13:05,980

studying UFOs in Vietnam as I said

1347

01:13:10,950 --> 01:13:09,670

really you know I had had no idea you

1348

01:13:12,720 --> 01:13:10,960

know much about him and I can't remember

1349

01:13:14,340 --> 01:13:12,730

his name I can't figure out how to get

1350

01:13:18,780 --> 01:13:14,350

ahold of my love to try to reach out to

1351

01:13:22,290 --> 01:13:18,790

him now but anyway he basically said

1352

01:13:24,600 --> 01:13:22,300

that the government's closest theory

1353

01:13:26,850 --> 01:13:24,610

because I asked him why why would they

1354

01:13:27,959 --> 01:13:26,860

be here and he said you know basically

1355

01:13:31,319 --> 01:13:27,969

it boiled down to

1356

01:13:33,569 --> 01:13:31,329

is that we're being observed that's all

1357

01:13:35,219 --> 01:13:33,579

and that's all they that's what he

1358

01:13:40,489 --> 01:13:35,229

claimed that's all the government knew

1359

01:13:43,080 --> 01:13:40,499

about it yes is there a reasonable I

1360

01:13:46,560 --> 01:13:43,090

mean that would that would only make

1361

01:13:48,810 --> 01:13:46,570

sense for the fact that they are so

1362

01:13:50,729 --> 01:13:48,820

elusive if they were being observed but

1363

01:13:54,060 --> 01:13:50,739

they certainly aren't hiding if that's

1364

01:13:56,219 --> 01:13:54,070

the case you know especially there's a

1365

01:14:01,229 --> 01:13:56,229

you know UFOs with lights

1366

01:14:02,580 --> 01:14:01,239

you know blinking lights so they're not

1367

01:14:08,700 --> 01:14:02,590

they're not really hiding and there's

1368

01:14:11,009 --> 01:14:08,710

daylight sightings and so so what do you

1369

01:14:18,450 --> 01:14:11,019

think about do you think that that is a

1370

01:14:23,250 --> 01:14:18,460

possibility yeah yeah I do but market

1371

01:14:28,890 --> 01:14:23,260

you have to well let let me be clear

1372

01:14:34,319 --> 01:14:28,900

translated Portuguese to English we have

1373

01:14:39,959 --> 01:14:34,329

cars we had cars back to the 40s to the

1374

01:14:43,200 --> 01:14:39,969

80s to the nineties in our cars were

1375

01:14:49,219 --> 01:14:43,210

getting technology now we have cars much

1376

01:14:59,219 --> 01:14:49,229

better than we had 15 years ago correct

1377

01:15:03,689 --> 01:14:59,229

and in parallel of that we have made any

1378

01:15:07,500 --> 01:15:03,699

many sightings much more sightings in my

1379

01:15:13,040 --> 01:15:07,510

opinion 20 30 years ago then you have

1380

01:15:16,109 --> 01:15:13,050

today and many people ask me well yeah

1381

01:15:20,520 --> 01:15:16,119

in the 80s we had much more photos an

1382

01:15:23,819 --> 01:15:20,530

insider than today at the time many

1383

01:15:27,689 --> 01:15:23,829

people's much more people saw UFOs in

1384

01:15:30,180 --> 01:15:27,699

the sky and now stay we don't see it why

1385

01:15:34,969 --> 01:15:30,190

they are not coming to earth know you

1386

01:15:38,669 --> 01:15:34,979

might be know their UFOs their machines

1387

01:15:41,640 --> 01:15:38,679

gain technology as well the development

1388

01:15:44,669 --> 01:15:41,650

technology now is now

1389

01:15:49,470 --> 01:15:44,679

I think that some UFOs and I'm seeing

1390

01:15:54,120 --> 01:15:49,480

some because I believe that many civil

1391

01:15:56,419 --> 01:15:54,130

civilizations of beings or extra show or

1392

01:15:59,910 --> 01:15:56,429

parallels

1393

01:16:06,870 --> 01:15:59,920

world something like that are visiting

1394

01:16:12,689 --> 01:16:06,880

our visiting our planet so their

1395

01:16:16,830 --> 01:16:12,699

technology gets gained was very very

1396

01:16:21,510 --> 01:16:16,840

very development that nowadays they

1397

01:16:26,479 --> 01:16:21,520

became invisible to our eyes and I given

1398

01:16:33,540 --> 01:16:26,489

an example last year a crew of

1399

01:16:39,990 --> 01:16:33,550

helicopter in England humid a UFO in a

1400

01:16:44,459 --> 01:16:40,000

in a infrared camera the UFO was side by

1401

01:16:47,070 --> 01:16:44,469

side of the helicopter and no one and

1402

01:16:49,709 --> 01:16:47,080

the crew inside of the helicopter saw

1403

01:16:53,760 --> 01:16:49,719

the UFO just the machine just a camera

1404

01:16:58,709 --> 01:16:53,770

just a camera saw it so I think that

1405

01:17:01,169 --> 01:16:58,719

their technology are so much advanced

1406

01:17:04,220 --> 01:17:01,179

advanced that hours that they became

1407

01:17:08,250 --> 01:17:04,230

they became invisible to our eyes and

1408

01:17:12,060 --> 01:17:08,260

you you must remember that film called

1409

01:17:14,610 --> 01:17:12,070

the predator that's that alien had the

1410

01:17:18,540 --> 01:17:14,620

camouflage right I think they have this

1411

01:17:23,550 --> 01:17:18,550

they I think they many UFOs have this

1412

01:17:26,370 --> 01:17:23,560

technology the camouflage so we don't do

1413

01:17:27,030 --> 01:17:26,380

that we don't see it often because you

1414

01:17:30,750 --> 01:17:27,040

can see it

1415

01:17:32,459 --> 01:17:30,760

they became invisible to our that's you

1416

01:17:35,160 --> 01:17:32,469

know a lot of people don't realize this

1417

01:17:38,760 --> 01:17:35,170

but we have this you know this visible

1418

01:17:43,229 --> 01:17:38,770

spectrum which is I forget exactly what

1419

01:17:47,430 --> 01:17:43,239

it is but we can only see certain you

1420

01:17:49,020 --> 01:17:47,440

know wavelengths you know so it is very

1421

01:17:52,320 --> 01:17:49,030

there's a lot of things that are out

1422

01:17:55,609 --> 01:17:52,330

there that we can't see basically yeah

1423

01:18:00,350 --> 01:17:55,619

yeah yeah I'll think that

1424

01:18:05,949 --> 01:18:00,360

that we forget we're getting we are

1425

01:18:09,919 --> 01:18:05,959

reaching a time that the UFOs would be

1426

01:18:13,250 --> 01:18:09,929

invisible to everybody they must be in

1427

01:18:16,179 --> 01:18:13,260

the sky but we can see it all all the

1428

01:18:19,879 --> 01:18:16,189

thoughts all the civilizations that

1429

01:18:23,119 --> 01:18:19,889

aliens that beings that came to earth to

1430

01:18:29,239 --> 01:18:23,129

just watch it this just come here to

1431

01:18:32,419 --> 01:18:29,249

watch study or our behavior or our day

1432

01:18:35,569 --> 01:18:32,429

by day and that's it right right

1433

01:18:38,689 --> 01:18:35,579

except when it comes to the possible

1434

01:18:40,879 --> 01:18:38,699

abduction part of it you know that that

1435

01:18:43,669 --> 01:18:40,889

part is a real mystery

1436

01:18:45,759 --> 01:18:43,679

you know I've I've had a few people on

1437

01:18:49,399 --> 01:18:45,769

over the years where we talked about

1438

01:18:50,750 --> 01:18:49,409

abduction cases you know Jacobs and a

1439

01:18:53,270 --> 01:18:50,760

few others

1440

01:18:56,000 --> 01:18:53,280

and yeah you know there's all types of

1441

01:18:58,159 --> 01:18:56,010

speculation on that the thing you know

1442

01:19:00,350 --> 01:18:58,169

that baffles me is why is the same

1443

01:19:03,830 --> 01:19:00,360

person abducted over and over again you

1444

01:19:06,139 --> 01:19:03,840

know and that's you know there's answers

1445

01:19:08,810 --> 01:19:06,149

for that according to you know the

1446

01:19:11,389 --> 01:19:08,820

people doing the research so yeah it's

1447

01:19:14,179 --> 01:19:11,399

it's bizarre stuff so now what about UFO

1448

01:19:16,609 --> 01:19:14,189

flaps in Brazil are there any areas and

1449

01:19:23,330 --> 01:19:16,619

times where there was flaps in a certain

1450

01:19:29,719 --> 01:19:23,340

area oh yeah we had very very a lot of

1451

01:19:34,299 --> 01:19:29,729

UFO flap so we had in 82 over the south

1452

01:19:40,009 --> 01:19:34,309

of Brazil and Southwest and have an 86

1453

01:19:44,350 --> 01:19:40,019

we had in 1991 over the the center of

1454

01:19:48,589 --> 01:19:44,360

Brazil and the last one we had was in

1455

01:19:52,100 --> 01:19:48,599

2014 before the World Cup in Brazil we

1456

01:19:56,089 --> 01:19:52,110

had it in the wiffle cross s all of

1457

01:19:59,419 --> 01:19:56,099

Brazil from the oil Pok it's a city in

1458

01:20:01,790 --> 01:19:59,429

the north of Brazil to issue e in the

1459

01:20:07,089 --> 01:20:01,800

south of Brazil we had more than 200

1460

01:20:09,150 --> 01:20:07,099

sightings in 15 days that's amazing and

1461

01:20:12,480 --> 01:20:09,160

yeah in Brazil

1462

01:20:17,010 --> 01:20:12,490

you know Brazil's a very big bigger

1463

01:20:20,900 --> 01:20:17,020

country so to 200 reports in 15 days a

1464

01:20:25,590 --> 01:20:20,910

lot of things right right now and uh and

1465

01:20:27,900 --> 01:20:25,600

current times what type of craft I'm not

1466

01:20:29,910 --> 01:20:27,910

talking about lights in the sky but now

1467

01:20:32,910 --> 01:20:29,920

let's talk about when people see some

1468

01:20:34,590 --> 01:20:32,920

type of shape are they seeing the

1469

01:20:36,990 --> 01:20:34,600

triangle that everybody's seeing are

1470

01:20:41,910 --> 01:20:37,000

they seeing disks what what are cigars

1471

01:20:48,210 --> 01:20:41,920

what type of shapes are they seeing well

1472

01:20:52,980 --> 01:20:48,220

in Brazil triangle is not common we hear

1473

01:20:58,200 --> 01:20:52,990

say the reports then the most part of is

1474

01:21:00,540 --> 01:20:58,210

like shares lot of lights but we had a

1475

01:21:04,410 --> 01:21:00,550

lot of flying like this like flying

1476

01:21:07,410 --> 01:21:04,420

saucers like discus and we have some

1477

01:21:10,650 --> 01:21:07,420

cigars it's not common as well but many

1478

01:21:13,740 --> 01:21:10,660

many the most cases are from us fierce

1479

01:21:15,540 --> 01:21:13,750

model flights and flying the flying

1480

01:21:19,020 --> 01:21:15,550

saucers they have the classical flying

1481

01:21:20,910 --> 01:21:19,030

saucers right right now here there's a

1482

01:21:25,250 --> 01:21:20,920

lot going on with what they call the

1483

01:21:29,550 --> 01:21:25,260

orange orbs does anyone talk about that

1484

01:21:32,820 --> 01:21:29,560

yeah we heard you have you do hear that

1485

01:21:35,010 --> 01:21:32,830

yeah but triangles you say or not or no

1486

01:21:36,930 --> 01:21:35,020

that's funny it seems like there's quite

1487

01:21:39,240 --> 01:21:36,940

a few triangles in the United States and

1488

01:21:41,670 --> 01:21:39,250

that's another kind of curious thing

1489

01:21:44,010 --> 01:21:41,680

when it comes to sightings and crafts

1490

01:21:46,200 --> 01:21:44,020

that people claim they see when they see

1491

01:21:48,120 --> 01:21:46,210

it in one country not another that just

1492

01:21:53,280 --> 01:21:48,130

makes it even the whole thing even

1493

01:21:55,110 --> 01:21:53,290

crazier yeah why would they visit you

1494

01:21:57,720 --> 01:21:55,120

know why would triangles visit this area

1495

01:22:01,320 --> 01:21:57,730

and a different shape crap visit that

1496

01:22:03,330 --> 01:22:01,330

area you know that type of thing the

1497

01:22:05,730 --> 01:22:03,340

sighting that you claimed that you had

1498

01:22:09,480 --> 01:22:05,740

years ago you said that was a red was at

1499

01:22:12,660 --> 01:22:09,490

a red orb in the red sphere

1500

01:22:17,850 --> 01:22:12,670

yeah it's fear 90 80 - yeah very sheer

1501
01:22:21,880 --> 01:22:17,860
and and it's a very amazing sighting and

1502
01:22:27,700 --> 01:22:21,890
I was with I was if my my brother and

1503
01:22:29,590 --> 01:22:27,710
a few friends that I was 18 18 e is I'll

1504
01:22:31,750 --> 01:22:29,600
say can you hold on just one second here

1505
01:22:34,450 --> 01:22:31,760
we have someone that's up that's calling

1506
01:22:38,680 --> 01:22:34,460
in so we have someone calling in for a

1507
01:22:41,320 --> 01:22:38,690
question hello caller you are you are

1508
01:22:42,610 --> 01:22:41,330
live on the air and why don't you tell

1509
01:22:46,990 --> 01:22:42,620
us your first name and where you're

1510
01:22:52,830 --> 01:22:47,000
calling from hi my name is Jonathan I've

1511
01:22:56,380 --> 01:22:52,840
called him once before last week and I

1512
01:22:59,760 --> 01:22:56,390
my name is Jonathan like I said and I am

1513
01:23:04,960 --> 01:22:59,770

just wanting to hi I'm just wanting to

1514

01:23:07,480 --> 01:23:04,970

speaking about because relating to the orbs

1515

01:23:09,190 --> 01:23:07,490

that your guest was speaking about and

1516

01:23:14,800 --> 01:23:09,200

the orange orbs that you said that were

1517

01:23:19,690 --> 01:23:14,810

quite prominent I I saw one of those in

1518

01:23:22,060 --> 01:23:19,700

my mid-teens but I've never really

1519

01:23:26,290 --> 01:23:22,070

spoken about this before I never spoken

1520

01:23:31,360 --> 01:23:26,300

about it to anybody and I suppose I just

1521

01:23:33,340 --> 01:23:31,370

wanted to explain the the few

1522

01:23:36,240 --> 01:23:33,350

experiences short experiences that I

1523

01:23:41,460 --> 01:23:36,250

have had what your thoughts are on them

1524

01:23:45,940 --> 01:23:41,470

yeah so yeah okay fantastic

1525

01:23:48,910 --> 01:23:45,950

now my first experiences was when I was

1526

01:23:51,580 --> 01:23:48,920

a child I have been like seven or eight

1527

01:23:54,040 --> 01:23:51,590

years old living at home with parents

1528

01:23:59,140 --> 01:23:54,050

and I slept on the top floor so

1529

01:24:02,890 --> 01:23:59,150

semi-detached house and tiny village you

1530

01:24:08,590 --> 01:24:02,900

know maybe a hundred houses houses on

1531

01:24:10,030 --> 01:24:08,600

that cul-de-sac and I was living on the

1532

01:24:14,050 --> 01:24:10,040

borders between Sheffield and

1533

01:24:16,060 --> 01:24:14,060

Huddersfield and middle of the night and

1534

01:24:19,270 --> 01:24:16,070

you know everything was quiet so

1535

01:24:22,500 --> 01:24:19,280

everyone must have been asleep and my

1536

01:24:25,330 --> 01:24:22,510

curtains were drawn so this one wasn't

1537

01:24:29,020 --> 01:24:25,340

necessarily a UFO they actually saw it

1538

01:24:31,360 --> 01:24:29,030

was more of an experience but yeah I I

1539

01:24:35,880 --> 01:24:31,370

opened my eyes and seconds later a

1540

01:24:40,300 --> 01:24:35,890

bright light

1541

01:24:44,560 --> 01:24:40,310

Rose slowly rose up from underneath my

1542

01:24:46,900 --> 01:24:44,570

window and stopped for a few seconds and

1543

01:24:50,950 --> 01:24:46,910

then rose back up and then glider back

1544

01:24:52,840 --> 01:24:50,960

down and it was gone and that's the only

1545

01:24:54,580 --> 01:24:52,850

one that actually scared the life out of

1546

01:24:58,200 --> 01:24:54,590

me I couldn't move I couldn't close my

1547

01:25:02,530 --> 01:24:58,210

eyes I I was scared to death

1548

01:25:05,070 --> 01:25:02,540

now I've got a lot of experience in in

1549

01:25:08,110 --> 01:25:05,080

the music industry and with lighting and

1550

01:25:11,020 --> 01:25:08,120

if it was say for example a torch which

1551

01:25:15,070 --> 01:25:11,030

shining up shining it down that's fine

1552

01:25:16,840 --> 01:25:15,080

but that creates that would basically

1553

01:25:19,000 --> 01:25:16,850

cover the whole window because there's a

1554

01:25:21,670 --> 01:25:19,010

garden and then was a street behind it

1555

01:25:25,870 --> 01:25:21,680

so you couldn't really shine a light

1556

01:25:28,450 --> 01:25:25,880

directly into the window but again that

1557

01:25:31,390 --> 01:25:28,460

would create a fade effect around the

1558

01:25:34,690 --> 01:25:31,400

edges if it was smaller if the beam was

1559

01:25:41,350 --> 01:25:34,700

small enough but it wasn't it was a

1560

01:25:43,720 --> 01:25:41,360

solid white bar it was very close it

1561

01:25:47,890 --> 01:25:43,730

must have been or it was a beam I don't

1562

01:25:52,630 --> 01:25:47,900

know but that there was no fade off at

1563

01:25:56,080 --> 01:25:52,640

all so it was a solid beam and it like I

1564

01:25:58,630 --> 01:25:56,090

say went from below my window up to the

1565

01:26:01,750 --> 01:25:58,640

middle of my window stopped and then

1566

01:26:06,430 --> 01:26:01,760

went up and then back down so that was

1567

01:26:09,190 --> 01:26:06,440

my first one when I was a child I had

1568

01:26:14,440 --> 01:26:09,200

one in my mid-teens like I said the the

1569

01:26:17,260 --> 01:26:14,450

orb and it was quite interesting that

1570

01:26:21,010 --> 01:26:17,270

was saw the thing that sort of really

1571

01:26:23,950 --> 01:26:21,020

really made me think I was living in

1572

01:26:32,620 --> 01:26:23,960

Liverpool this time as my family moved

1573

01:26:35,790 --> 01:26:32,630

and it was maybe it was just it was it

1574

01:26:39,760 --> 01:26:35,800

was on a winter's night it was dark so

1575

01:26:42,990 --> 01:26:39,770

it but people were still up so must have

1576
01:26:46,360 --> 01:26:43,000
been about eight and nine o'clock and I

1577
01:26:48,540 --> 01:26:46,370
was looking out my window there were

1578
01:26:52,150 --> 01:26:48,550
fireworks

1579
01:26:58,300 --> 01:26:52,160
because yes so it was so it was near

1580
01:27:04,750 --> 01:26:58,310
bonfire night and the and I looked so

1581
01:27:08,320 --> 01:27:04,760
from my left it was a solid glowing

1582
01:27:10,480 --> 01:27:08,330
orange orb like a burnt orange and it

1583
01:27:13,270 --> 01:27:10,490
made absolutely no sound it moved in a

1584
01:27:16,470 --> 01:27:13,280
continuous direction from my upper left

1585
01:27:19,060 --> 01:27:16,480
corner from behind the house and

1586
01:27:21,010 --> 01:27:19,070
continued slowly I mean it must have

1587
01:27:24,070 --> 01:27:21,020
been what 10 20 miles an hour it's

1588
01:27:26,260 --> 01:27:24,080

really slow quite

1589

01:27:28,840 --> 01:27:26,270

I wouldn't say large it was maybe the

1590

01:27:32,110 --> 01:27:28,850

size of I mean judging from what I was

1591

01:27:37,690 --> 01:27:32,120

seeing maybe the size of half a house or

1592

01:27:42,720 --> 01:27:37,700

a house maybe 30 or 40 feet above the

1593

01:27:47,710 --> 01:27:42,730

rooftops and it just carried on going

1594

01:27:50,200 --> 01:27:47,720

slowly I ran into my parents bathroom I

1595

01:27:52,030 --> 01:27:50,210

mean daddy was having a shave and I was

1596

01:27:53,950 --> 01:27:52,040

like come and see us go and see this and

1597

01:27:58,120 --> 01:27:53,960

yeah he's like no I'm shaving I've

1598

01:28:02,410 --> 01:27:58,130

caught myself now I mean you know yeah

1599

01:28:06,630 --> 01:28:02,420

and I run back in and I could still see

1600

01:28:09,820 --> 01:28:06,640

it going into the distance that was the

1601

01:28:11,530 --> 01:28:09,830

first time I ever saw an orb and it was

1602

01:28:14,760 --> 01:28:11,540

at night how many years ago was this a

1603

01:28:20,230 --> 01:28:14,770

lot I mean years ago was this Jonathan I

1604

01:28:25,870 --> 01:28:20,240

was 15 so and I'm 33 now so it was 18

1605

01:28:32,170 --> 01:28:25,880

years ago the last one was literally a

1606

01:28:36,370 --> 01:28:32,180

few years ago it was 2013 and it was

1607

01:28:40,750 --> 01:28:36,380

broad daylight it was cloudy ish so this

1608

01:28:42,460 --> 01:28:40,760

still breaks MacLeod and I caught it by

1609

01:28:46,630 --> 01:28:42,470

chance because I was walking up the

1610

01:28:48,100 --> 01:28:46,640

stairs I was living in an apartment and

1611

01:28:49,570 --> 01:28:48,110

I was walking up the stairs there's a

1612

01:28:52,530 --> 01:28:49,580

there's a window at the top of those

1613

01:28:57,640 --> 01:28:52,540

stairs and I saw something moved quickly

1614

01:28:59,860 --> 01:28:57,650

like really quickly so I sort of mistook

1615

01:29:02,360 --> 01:28:59,870

it for a bird you know when you see a

1616

01:29:05,900 --> 01:29:02,370

bird fly past your window

1617

01:29:07,640 --> 01:29:05,910

it was that speed and because it was

1618

01:29:13,880 --> 01:29:07,650

dark as well

1619

01:29:21,250 --> 01:29:13,890

the the object and it flew well straight

1620

01:29:26,390 --> 01:29:21,260

past and it went it went straight and

1621

01:29:30,050 --> 01:29:26,400

then arced up into the distance it must

1622

01:29:34,250 --> 01:29:30,060

have been gone it was gone up into the

1623

01:29:36,860 --> 01:29:34,260

horizon you know through the clouds well

1624

01:29:41,170 --> 01:29:36,870

as far as I could see in in maybe 15

1625

01:29:44,780 --> 01:29:41,180

seconds and that was a metallic orb

1626

01:29:45,740 --> 01:29:44,790

solid because it was in that with the

1627

01:29:47,600 --> 01:29:45,750

brakes and the cloud

1628

01:29:54,920 --> 01:29:47,610

the Sun was reflecting off so it was

1629

01:29:57,140 --> 01:29:54,930

actually a metallic orb and I watched

1630

01:30:02,300 --> 01:29:57,150

that go into the distance and yeah

1631

01:30:04,430 --> 01:30:02,310

that's the last time I ever saw a UFO

1632

01:30:05,959 --> 01:30:04,440

but then I gonna really got into PCs and

1633

01:30:07,160 --> 01:30:05,969

music production and sound engineering

1634

01:30:09,910 --> 01:30:07,170

so it's probably the last time I ever

1635

01:30:18,830 --> 01:30:09,920

looked out my window do you have any

1636

01:30:25,400 --> 01:30:18,840

feedback for him well first of all John

1637

01:30:28,070 --> 01:30:25,410

Muir College on you are looking at you

1638

01:30:31,130 --> 01:30:28,080

saw three times a UFO how many men you

1639

01:30:34,610 --> 01:30:31,140

follow just never see never saw one and

1640

01:30:36,350 --> 01:30:34,620

well why the other one was I couldn't

1641

01:30:38,090 --> 01:30:36,360

say it was a UFO because obviously there

1642

01:30:39,050 --> 01:30:38,100

was something obviously if something out

1643

01:30:42,110 --> 01:30:39,060

of the ordinary

1644

01:30:46,430 --> 01:30:42,120

that's certainly that would me at least

1645

01:30:50,060 --> 01:30:46,440

to secondly I was missing dick that

1646

01:30:58,220 --> 01:30:50,070

accent because I lived in London and I

1647

01:31:02,890 --> 01:30:58,230

had all my British accent 20 miles from

1648

01:31:06,800 --> 01:31:02,900

London so yeah III I live in Kent there

1649

01:31:09,470 --> 01:31:06,810

well I live in the nettleson in the

1650

01:31:14,689 --> 01:31:09,480

South I leave it there are a year and a

1651
01:31:15,620 --> 01:31:14,699
half and and your sight is very very

1652
01:31:20,540 --> 01:31:15,630
interesting

1653
01:31:24,380 --> 01:31:20,550
yes the the second sighting was a huge

1654
01:31:27,280 --> 01:31:24,390
orb the size of a house isn't it yes as

1655
01:31:31,150 --> 01:31:27,290
our issue it's amazing it's amazing and

1656
01:31:39,610 --> 01:31:31,160
what what impressed me most the most is

1657
01:31:43,010 --> 01:31:39,620
that many times just one person's solid

1658
01:31:47,210 --> 01:31:43,020
we would be talking about a huge orb the

1659
01:31:51,920 --> 01:31:47,220
size of a house and in just Jonathan saw

1660
01:31:55,190 --> 01:31:51,930
it I okay it's it's night but where are

1661
01:31:56,090 --> 01:31:55,200
the people that did it didn't see the

1662
01:31:59,000 --> 01:31:56,100
sky

1663
01:32:03,650 --> 01:31:59,010

well maybe other people did see it but I

1664

01:32:05,570 --> 01:32:03,660

was 15 and you know I didn't I you know

1665

01:32:07,370 --> 01:32:05,580

I just moved into the area didn't really

1666

01:32:14,000 --> 01:32:07,380

speak to any of the other kids and stuff

1667

01:32:16,070 --> 01:32:14,010

so it was you know it was sort of I was

1668

01:32:17,780 --> 01:32:16,080

you know I I don't know if I'm the only

1669

01:32:22,630 --> 01:32:17,790

person that saw it but I'm the only

1670

01:32:29,830 --> 01:32:22,640

person that I know this or but what if

1671

01:32:34,130 --> 01:32:29,840

someone else had to had saw it probably

1672

01:32:38,840 --> 01:32:34,140

you would heard about it because it not

1673

01:32:43,670 --> 01:32:38,850

it was not a small a small evil force

1674

01:32:47,720 --> 01:32:43,680

most fearsome it's huge and the meteor

1675

01:32:51,980 --> 01:32:47,730

was get attention of that but some

1676
01:32:55,220 --> 01:32:51,990
mazing amazing sightings and and as I

1677
01:33:00,370 --> 01:32:55,230
said we have a many type of UFOs and

1678
01:33:05,630 --> 01:33:00,380
this this and this orbs are getting much

1679
01:33:08,830 --> 01:33:05,640
again it's getting a much space in the

1680
01:33:10,730 --> 01:33:08,840
you have UFO sightings

1681
01:33:16,820 --> 01:33:10,740
they certainly are

1682
01:33:19,430 --> 01:33:16,830
i I'm seeing quite a few odd pictures of

1683
01:33:22,370 --> 01:33:19,440
them and videos

1684
01:33:26,180 --> 01:33:22,380
I think the negative side is that

1685
01:33:29,070 --> 01:33:26,190
there's so many YouTube sites and so

1686
01:33:36,900 --> 01:33:31,920
so much misinformation out there with

1687
01:33:38,729 --> 01:33:36,910
CGI and incredibly blurry lights that

1688
01:33:43,700 --> 01:33:38,739

could easily be planes or helicopters

1689

01:33:47,040 --> 01:33:43,710

and they are you know after attention or

1690

01:33:49,440 --> 01:33:47,050

or just to spread misinformation that's

1691

01:33:53,310 --> 01:33:49,450

I think that's disappointing for the

1692

01:33:55,229 --> 01:33:53,320

validity of people that see we and have

1693

01:33:58,530 --> 01:33:55,239

real experiences yeah

1694

01:34:00,750 --> 01:33:58,540

hey Jonathan so you you are your

1695

01:34:05,880 --> 01:34:00,760

position is perfect it's perfect

1696

01:34:09,500 --> 01:34:05,890

Jonathan it's perfect we have nowadays

1697

01:34:14,040 --> 01:34:09,510

Internet and the Internet

1698

01:34:20,220 --> 01:34:14,050

YouTube for example we have instantly

1699

01:34:23,959 --> 01:34:20,230

100 in 100 films on YouTube one must be

1700

01:34:29,220 --> 01:34:23,969

real the rest is a fake was drawn was

1701

01:34:32,550 --> 01:34:29,230

airplane or something else in Europe

1702

01:34:34,260 --> 01:34:32,560

your words are very correct hey John

1703

01:34:38,400 --> 01:34:34,270

Jonathan thank you so much for calling

1704

01:34:41,610 --> 01:34:38,410

in no problem thank you very much in

1705

01:34:44,850 --> 01:34:41,620

good to be clear lan cheers mate no

1706

01:34:48,479 --> 01:34:44,860

worries have a very nice look yes so

1707

01:34:50,370 --> 01:34:48,489

actually we want to make sure that when

1708

01:34:51,630 --> 01:34:50,380

callers call in I mean that was nice to

1709

01:34:54,540 --> 01:34:51,640

hear the siting and everything but we

1710

01:34:56,810 --> 01:34:54,550

usually want questions so if you if

1711

01:35:02,550 --> 01:34:56,820

anyone wants to call in with questions

1712

01:35:06,660 --> 01:35:02,560

for our guest of that number 603 967 403

1713

01:35:08,790 --> 01:35:06,670

oh but so yeah it's always interesting

1714

01:35:13,370 --> 01:35:08,800

to hear about different sightings going

1715

01:35:16,229 --> 01:35:13,380

back to Brazil and sightings in Brazil

1716

01:35:17,760 --> 01:35:16,239

what do you think besides of the ones

1717

01:35:20,150 --> 01:35:17,770

we've already talked about what do you

1718

01:35:24,479 --> 01:35:20,160

think are some real outstanding cases

1719

01:35:28,650 --> 01:35:24,489

that have happened over the years yeah

1720

01:35:33,209 --> 01:35:28,660

Brazil we have logic aids logic aids it

1721

01:35:41,280 --> 01:35:33,219

is the Brazilian Roswell we had a UFO

1722

01:35:43,250 --> 01:35:41,290

crash we have three alien beans cabbage

1723

01:35:50,640 --> 01:35:43,260

what year was this by the

1724

01:35:54,300 --> 01:35:50,650

in 1996 in Virginia City we had this

1725

01:36:00,510 --> 01:35:54,310

case and three beings captured chewed

1726

01:36:05,010 --> 01:36:00,520

that anyone alive and we had cover up

1727

01:36:08,880 --> 01:36:05,020

our almost perfect Cobra from the

1728

01:36:15,410 --> 01:36:08,890

Brazilian government supported by the US

1729

01:36:20,880 --> 01:36:15,420

military government as well we know that

1730

01:36:25,470 --> 01:36:20,890

the UFO and the beings were sent to USA

1731

01:36:32,040 --> 01:36:25,480

we know that because in that day in that

1732

01:36:37,050 --> 01:36:32,050

in those days as a special crew from

1733

01:36:42,470 --> 01:36:37,060

NASA and on a market airplane from the

1734

01:36:49,500 --> 01:36:42,480

United States arrived at in Beijing

1735

01:36:55,100 --> 01:36:49,510

Airport and we have usual not not usual

1736

01:36:59,240 --> 01:36:55,110

move movement in the city we had

1737

01:37:03,120 --> 01:36:59,250

military that died because he touched

1738

01:37:07,200 --> 01:37:03,130

touch it one of the aliens things over

1739

01:37:09,390 --> 01:37:07,210

one of the creatures the case is this it

1740

01:37:10,350 --> 01:37:09,400

is still we have a lot of information

1741

01:37:15,240 --> 01:37:10,360

about the case

1742

01:37:18,480 --> 01:37:15,250

but as plate operation we're still

1743

01:37:22,080 --> 01:37:18,490

looking for more we're looking for the

1744

01:37:24,660 --> 01:37:22,090

reports from the Persian army because

1745

01:37:27,990 --> 01:37:24,670

the Brazilian Army took the detailing

1746

01:37:34,710 --> 01:37:28,000

the aliens and sent to to United States

1747

01:37:38,400 --> 01:37:34,720

and when we ask him ask the Brazilian

1748

01:37:40,590 --> 01:37:38,410

Army whether the the reports and they

1749

01:37:46,280 --> 01:37:40,600

say well that's nothing nothing what

1750

01:37:51,980 --> 01:37:46,290

happened they blame it a person that had

1751

01:37:56,490 --> 01:37:51,990

some some physical problems that he was

1752

01:37:59,850 --> 01:37:56,500

the aliens that to a little girl saw but

1753

01:38:03,180 --> 01:37:59,860

know that it's a lie and I still looking

1754

01:38:05,010 --> 01:38:03,190

for in the will we get him much more

1755

01:38:08,430 --> 01:38:05,020

information on it now this wasn't the

1756

01:38:12,600 --> 01:38:08,440

one that were they saw the beings one of

1757

01:38:13,230 --> 01:38:12,610

them in a tree is it like climbed a tree

1758

01:38:16,070 --> 01:38:13,240

or something

1759

01:38:21,810 --> 01:38:16,080

no I thinking of something different

1760

01:38:25,170 --> 01:38:21,820

those Wow one of the beans was saw in a

1761

01:38:29,610 --> 01:38:25,180

zoo for a lady for an old lady

1762

01:38:32,880 --> 01:38:29,620

one of one of the beings what took in a

1763

01:38:38,490 --> 01:38:32,890

wood they was copy captured you know in

1764

01:38:41,970 --> 01:38:38,500

a wood uses in a net and trigger saw one

1765

01:38:45,960 --> 01:38:41,980

of the beings crouched it in the side of

1766

01:38:48,780 --> 01:38:45,970

a wall and the creature had red eyes

1767

01:38:51,660 --> 01:38:48,790

like the devil or some tweet-tweet

1768

01:38:55,500 --> 01:38:51,670

yeah I did hear about that yeah and

1769

01:39:01,890 --> 01:38:55,510

three three balls and you know in a head

1770

01:39:03,030 --> 01:39:01,900

so this case is amazing case is recently

1771

01:39:07,160 --> 01:39:03,040

case 1996

1772

01:39:12,270 --> 01:39:07,170

well Rosa happened in 1947 and just in

1773

01:39:16,590 --> 01:39:12,280

97 six just must have come to to tell

1774

01:39:18,990 --> 01:39:16,600

the story so this case happened 996 and

1775

01:39:24,750 --> 01:39:19,000

I'm still looking for more information

1776

01:39:25,530 --> 01:39:24,760

and I think in this case would be bigger

1777

01:39:29,520 --> 01:39:25,540

than it was Oh

1778

01:39:32,040 --> 01:39:29,530

now did wasn't there a documentary or a

1779

01:39:34,470 --> 01:39:32,050

TV series like UFO Hunters or something

1780

01:39:41,960 --> 01:39:34,480

like that that did that did a show on

1781

01:39:45,570 --> 01:39:41,970

this yeah yeah we had several shows

1782

01:39:49,080 --> 01:39:45,580

broadcast by History Channel or net geo

1783

01:39:55,170 --> 01:39:49,090

or Discovery Channel that showed this

1784

01:39:59,550 --> 01:39:55,180

case and but we don't have we do we do

1785

01:40:05,220 --> 01:39:59,560

have I think Bruce Maccabee wrote a book

1786

01:40:10,140 --> 01:40:05,230

about the case but it was 1996 we have

1787

01:40:13,740 --> 01:40:10,150

much more information out and I think we

1788

01:40:18,899 --> 01:40:13,750

we must have another book about the case

1789

01:40:22,500 --> 01:40:18,909

in English she show the people of all of

1790

01:40:25,050 --> 01:40:22,510

Brazil that this case Israel in their

1791

01:40:28,229 --> 01:40:25,060

important case right right

1792

01:40:30,479 --> 01:40:28,239

now when the I don't know if it was

1793

01:40:34,950 --> 01:40:30,489

military or whoever it was that touched

1794

01:40:37,890 --> 01:40:34,960

the supposed being you said that they

1795

01:40:43,459 --> 01:40:37,900

died how long after and what are they

1796

01:40:49,050 --> 01:40:43,469

what did they die from well he got sick

1797

01:40:57,600 --> 01:40:49,060

a week later he touched the the creature

1798

01:41:02,250 --> 01:40:57,610

and two months later he died his the

1799

01:41:07,050 --> 01:41:02,260

paper they said the cause of mortis said

1800

01:41:12,240 --> 01:41:07,060

the infection she there are always an

1801

01:41:17,220 --> 01:41:12,250

infection and he was buried not in the

1802

01:41:22,709 --> 01:41:17,230

in a normal coffee made by by would his

1803

01:41:26,330 --> 01:41:22,719

Casa was made by meto to not poison the

1804

01:41:32,310 --> 01:41:26,340

land what was that

1805

01:41:38,750 --> 01:41:32,320

interesting why a person was buried in a

1806

01:41:43,220 --> 01:41:38,760

casket made by iron if had just

1807

01:41:44,459 --> 01:41:43,230

infection why did the worried do not

1808

01:41:49,140 --> 01:41:44,469

poison

1809

01:41:53,490 --> 01:41:49,150

or contaminate the land the soil well

1810

01:41:56,370 --> 01:41:53,500

and he told before he died he told to

1811

01:42:00,090 --> 01:41:56,380

his family that he had touched the

1812

01:42:04,080 --> 01:42:00,100

creature oh is that right and he's yeah

1813

01:42:09,709 --> 01:42:04,090

his name was Shirazi so they're sure as

1814

01:42:15,300 --> 01:42:09,719

he and we choose talking with his sister

1815

01:42:17,220 --> 01:42:15,310

and she said to her that is true he he

1816

01:42:19,800 --> 01:42:17,230

told us that had touched the creature

1817

01:42:23,810 --> 01:42:19,810

and he got sick and then two months

1818

01:42:28,430 --> 01:42:23,820

later he was dead well some

1819

01:42:33,580 --> 01:42:28,440

wanted me to ask about a cart a kar T do

1820

01:42:39,470 --> 01:42:33,590

you know what he's talking about call a

1821

01:42:41,000 --> 01:42:39,480

well okay if you're listening I think

1822

01:42:46,370 --> 01:42:41,010

I'm just trying to see who it was that

1823

01:42:49,280 --> 01:42:46,380

was asking Mike Mike in the chat room

1824

01:42:55,370 --> 01:42:49,290

can you please describe the question you

1825

01:42:58,970 --> 01:42:55,380

have over again on that so someone was

1826

01:43:02,540 --> 01:42:58,980

saying that there was some cave drawings

1827

01:43:08,660 --> 01:43:02,550

in Brazil is that in the Amazon do you

1828

01:43:10,280 --> 01:43:08,670

that look like flying something maybe

1829

01:43:14,959 --> 01:43:10,290

UFOs or something - are you familiar

1830

01:43:20,839 --> 01:43:14,969

with anything about that yeah I'm a zoom

1831

01:43:26,120 --> 01:43:20,849

a Muslims a beard and is the size of

1832

01:43:28,879 --> 01:43:26,130

almost the whole Europe Muslims he is

1833

01:43:32,479 --> 01:43:28,889

huge and the Amazon has a lot of

1834

01:43:33,500 --> 01:43:32,489

mysteries and some people say and some

1835

01:43:40,819 --> 01:43:33,510

people saw it

1836

01:43:46,129 --> 01:43:40,829

earful diving and rising from lakes and

1837

01:43:50,600 --> 01:43:46,139

rivers in Amazon we recently found we

1838

01:43:56,240 --> 01:43:50,610

found some evidence of pyramids in

1839

01:43:59,750 --> 01:43:56,250

Amazon and caves in Amazon that the app

1840

01:44:03,709 --> 01:43:59,760

attends the loco evidence believe that

1841

01:44:10,370 --> 01:44:03,719

had there are the home of people that

1842

01:44:13,399 --> 01:44:10,380

come from inner inner world and but as I

1843

01:44:16,069 --> 01:44:13,409

said is so you you have to see Amazon

1844

01:44:20,629 --> 01:44:16,079

from the boat to see what I'm talking

1845

01:44:23,810 --> 01:44:20,639

about you just when you fly over Amazon

1846

01:44:28,760 --> 01:44:23,820

we don't you you don't see the land we

1847

01:44:32,839 --> 01:44:28,770

just see the the top of the trees it's a

1848

01:44:35,030 --> 01:44:32,849

very very very huge place cover of the

1849

01:44:37,910 --> 01:44:35,040

trees and that we can see that the land

1850

01:44:41,660 --> 01:44:37,920

so it's a perfect place

1851
01:44:45,169 --> 01:44:41,670
to hide very very very perfect place to

1852
01:44:49,540 --> 01:44:45,179
hide right right absolutely and it

1853
01:44:52,340 --> 01:44:49,550
stretches on and on and on right so

1854
01:44:55,250 --> 01:44:52,350
let's see let's talk about some we have

1855
01:44:57,770 --> 01:44:55,260
about just over ten minutes left

1856
01:45:03,500 --> 01:44:57,780
here so it goes fast doesn't it okay

1857
01:45:05,479 --> 01:45:03,510
okay yeah okay yeah we're good right if

1858
01:45:08,810 --> 01:45:05,489
anyone would like to call in to ask our

1859
01:45:14,300 --> 01:45:08,820
guest a question that number is six zero

1860
01:45:17,450 --> 01:45:14,310
three nine six seven four OH three Oh

1861
01:45:22,040 --> 01:45:17,460
or you can Skype in at Marty Willis

1862
01:45:23,890 --> 01:45:22,050
that's ma RT y wi ll is either way you

1863
01:45:26,689 --> 01:45:23,900

can call in to ask our guest a question

1864

01:45:30,530 --> 01:45:26,699

again we have about ten minutes left

1865

01:45:32,689 --> 01:45:30,540

did you ever did you write a book I'm

1866

01:45:34,780 --> 01:45:32,699

sorry I know I did the research on you a

1867

01:45:36,950 --> 01:45:34,790

couple weeks ago when the show crashed

1868

01:45:41,930 --> 01:45:36,960

did you have you written any books on

1869

01:45:46,160 --> 01:45:41,940

UFOs yes I wrote eight books about the

1870

01:45:48,590 --> 01:45:46,170

UFOs Wow okay in Portuguese I have to

1871

01:45:50,660 --> 01:45:48,600

translate in English oh the people are

1872

01:45:54,200 --> 01:45:50,670

gonna know me

1873

01:45:59,150 --> 01:45:54,210

I wanna well one of the books was about

1874

01:46:04,850 --> 01:45:59,160

was about UFO typology the other one was

1875

01:46:07,700 --> 01:46:04,860

about alien typology typology the other

1876

01:46:10,490 --> 01:46:07,710

one's about UFO crashes and I have two

1877

01:46:14,930 --> 01:46:10,500

about you have a question there the

1878

01:46:21,800 --> 01:46:14,940

first one I wrote in 2002 and this one's

1879

01:46:26,050 --> 01:46:21,810

a second edition in 2014 and I have four

1880

01:46:29,240 --> 01:46:26,060

other books about UFO general subjects

1881

01:46:32,450 --> 01:46:29,250

cases and the researches and stuff like

1882

01:46:37,820 --> 01:46:32,460

that but Allah I wrote eight books and

1883

01:46:40,580 --> 01:46:37,830

finish my my nice book and on to the end

1884

01:46:43,970 --> 01:46:40,590

of the year one hour Wow

1885

01:46:45,380 --> 01:46:43,980

I know how much time that can take just

1886

01:46:47,330 --> 01:46:45,390

from people I talked to

1887

01:46:50,140 --> 01:46:47,340

someone wanted to know and I think this

1888

01:46:51,950 --> 01:46:50,150

is actually a really good question

1889

01:46:55,630 --> 01:46:51,960

Helio

1890

01:47:01,400 --> 01:46:55,640

if I pronounce that right one to know if

1891

01:47:03,580 --> 01:47:01,410

if the aliens spoke or was a telepathy

1892

01:47:11,300 --> 01:47:03,590

or anything like that but if they did

1893

01:47:15,800 --> 01:47:11,310

did they speak in Portuguese yes yes as

1894

01:47:18,830 --> 01:47:15,810

far as I know the aliens speak the

1895

01:47:24,470 --> 01:47:18,840

language of the country that he was

1896

01:47:28,100 --> 01:47:24,480

there we have all the Brazilian cases

1897

01:47:34,720 --> 01:47:28,110

that have that interaction about with

1898

01:47:43,190 --> 01:47:39,230

telepathic or speaking matter matter of

1899

01:47:45,260 --> 01:47:43,200

fact speaking isn't in in Portuguese I

1900

01:47:47,720 --> 01:47:45,270

know the cases the they're being

1901

01:47:50,150 --> 01:47:47,730

speaking in Spanish when in Spain in

1902

01:47:53,510 --> 01:47:50,160

English ones United States and England

1903

01:47:55,450 --> 01:47:53,520

something like that but in in Brazil is

1904

01:47:59,870 --> 01:47:55,460

in Portuguese this is that something I

1905

01:48:02,780 --> 01:47:59,880

mean that is yeah yeah I guess if if if

1906

01:48:05,410 --> 01:48:02,790

they are say extraterrestrial wherever

1907

01:48:08,000 --> 01:48:05,420

they're coming from if they're actually

1908

01:48:09,860 --> 01:48:08,010

have the technology to get here I guess

1909

01:48:13,220 --> 01:48:09,870

they could just do about anything you

1910

01:48:15,170 --> 01:48:13,230

know really you know and a lot of times

1911

01:48:16,600 --> 01:48:15,180

a when people have talked about

1912

01:48:19,850 --> 01:48:16,610

communication

1913

01:48:22,490 --> 01:48:19,860

they've it's come down to the point

1914

01:48:24,230 --> 01:48:22,500

where they talk about the planet taking

1915

01:48:26,240 --> 01:48:24,240

care of the planet or you know bad

1916

01:48:28,430 --> 01:48:26,250

things can happen and all that has

1917

01:48:30,170 --> 01:48:28,440

anything like that in your as far as you

1918

01:48:36,920 --> 01:48:30,180

know has anything ever been talked about

1919

01:48:45,590 --> 01:48:36,930

like that yeah we have a case we call in

1920

01:48:50,060 --> 01:48:45,600

Brazil case pattern and the alien the

1921

01:48:52,970 --> 01:48:50,070

aliens they name name it Quran told to a

1922

01:48:57,080 --> 01:48:52,980

menial and Bianca that was the witness

1923

01:49:04,080 --> 01:48:57,090

of the case that they had have to spread

1924

01:49:10,170 --> 01:49:07,770

take care of the planet so in Brazil is

1925

01:49:13,560 --> 01:49:10,180

the same in Mexico United States when

1926

01:49:17,340 --> 01:49:13,570

they have to say they say to us that

1927

01:49:19,860 --> 01:49:17,350

they have to take take care of the

1928

01:49:24,630 --> 01:49:19,870

planet yeah that that really gets your

1929

01:49:26,190 --> 01:49:24,640

thinking doesn't it yeah cuz we're not

1930

01:49:31,620 --> 01:49:26,200

doing such a good job at that I don't

1931

01:49:34,740 --> 01:49:31,630

think no we not so you did that book on

1932

01:49:36,980 --> 01:49:34,750

our two books on UFO crashes and one of

1933

01:49:40,050 --> 01:49:36,990

the things that you know a skeptic will

1934

01:49:42,150 --> 01:49:40,060

always bring up as well they made it all

1935

01:49:43,650 --> 01:49:42,160

the way here and yet they crash you know

1936

01:49:45,900 --> 01:49:43,660

what's that about

1937

01:49:53,510 --> 01:49:45,910

so how do you address that skeptics

1938

01:49:56,130 --> 01:49:53,520

remark well they're much more they have

1939

01:50:01,970 --> 01:49:56,140

technology much better than our but they

1940

01:50:14,870 --> 01:50:09,060

about writing boat that hit the the UFO

1941

01:50:19,170 --> 01:50:14,880

they cannot avoid Terrace or missile

1942

01:50:21,840 --> 01:50:19,180

they they sleep while drivin the UFO

1943

01:50:24,930 --> 01:50:21,850

they're not perfect it's simple like

1944

01:50:29,070 --> 01:50:24,940

that we many many people think that

1945

01:50:32,160 --> 01:50:29,080

aliens is like a perfect perfect beings

1946

01:50:37,460 --> 01:50:32,170

they are not perfect in my opinion just

1947

01:50:43,500 --> 01:50:37,470

God and they are not God hmm about that

1948

01:50:45,450 --> 01:50:43,510

alright so how in in general this is one

1949

01:50:48,030 --> 01:50:45,460

of the questions I sometimes ask how do

1950

01:50:50,460 --> 01:50:48,040

you think ufology is going in your

1951

01:50:54,060 --> 01:50:50,470

country and is there a direction that

1952

01:50:55,560 --> 01:50:54,070

it's going in and if so what type of

1953

01:51:04,370 --> 01:50:55,570

direction would you say it's going in

1954

01:51:09,360 --> 01:51:04,380

well I think that the diversity of

1955

01:51:11,600 --> 01:51:09,370

ecology we are doing our best we're

1956

01:51:14,280 --> 01:51:11,610

doing everything that we can

1957

01:51:15,110 --> 01:51:14,290

so just have to move it just a little

1958

01:51:17,630 --> 01:51:15,120

sorry we

1959

01:51:21,170 --> 01:51:17,640

have four minutes so we're doing yeah

1960

01:51:25,430 --> 01:51:21,180

yeah we have to do we do best

1961

01:51:28,430 --> 01:51:25,440

we're looking for a very very good

1962

01:51:33,080 --> 01:51:28,440

research and I think that you're gonna

1963

01:51:36,080 --> 01:51:33,090

have we have I'll have to show the world

1964

01:51:37,100 --> 01:51:36,090

the Brazilian government the Brazilian

1965

01:51:40,370 --> 01:51:37,110

government they don't care about the

1966

01:51:48,260 --> 01:51:40,380

effort but to have apologies that do so

1967

01:51:50,990 --> 01:51:48,270

I think that we have a long path to go

1968

01:51:53,420 --> 01:51:51,000

but we're doing fine we're doing fine

1969

01:51:55,340 --> 01:51:53,430

now I know I know I asked you this

1970

01:51:59,300 --> 01:51:55,350

question or a similar question earlier

1971

01:52:01,340 --> 01:51:59,310

about Chile have they ever reached out

1972

01:52:04,040 --> 01:52:01,350

to your government as far as you know

1973

01:52:09,350 --> 01:52:04,050

for any of the sightings that they're

1974

01:52:13,220 --> 01:52:09,360

researching no never have no they don't

1975

01:52:17,240 --> 01:52:13,230

know never happen I wish I wish whatever

1976

01:52:19,550 --> 01:52:17,250

happened I think it's you know it's

1977

01:52:21,920 --> 01:52:19,560

really great that they are putting these

1978

01:52:25,310 --> 01:52:21,930

resources to work the way they do their

1979

01:52:26,930 --> 01:52:25,320

you know the the last you know UFO

1980

01:52:29,990 --> 01:52:26,940

sighting that they came out with ended

1981

01:52:32,540 --> 01:52:30,000

up being you know actually a jet a

1982

01:52:34,040 --> 01:52:32,550

commercial jet unfortunately that was

1983

01:52:36,980 --> 01:52:34,050

just seen with a different type of

1984

01:52:39,350 --> 01:52:36,990

technology so it was a mistake which is

1985

01:52:42,260 --> 01:52:39,360

is very unfortunate that they came out

1986

01:52:46,090 --> 01:52:42,270

with that and I'm hoping that it doesn't

1987

01:52:50,060 --> 01:52:46,100

you know make them have to disband the

1988

01:52:51,800 --> 01:52:50,070

that sefa I hope they just keep

1989

01:52:53,600 --> 01:52:51,810

continuing and trying because everyone

1990

01:52:56,870 --> 01:52:53,610

makes mistakes it's just too bad they

1991

01:53:02,800 --> 01:52:56,880

came out with it prematurely in my

1992

01:53:08,870 --> 01:53:02,810

opinion yeah I agree I agree I agree the

1993

01:53:11,000 --> 01:53:08,880

if it's an example to to all of the

1994

01:53:13,790 --> 01:53:11,010

countries because they do a very good

1995

01:53:16,550 --> 01:53:13,800

job very serious job yeah that's what

1996

01:53:18,800 --> 01:53:16,560

I've liked about them all along that

1997

01:53:21,830 --> 01:53:18,810

they they take it seriously there's not

1998

01:53:24,520 --> 01:53:21,840

really the ridicule there and they have

1999

01:53:26,870 --> 01:53:24,530

all the branches of the government and

2000

01:53:28,790 --> 01:53:26,880

you know Police Department you name it

2001

01:53:32,990 --> 01:53:28,800

they're all helping them work

2002

01:53:36,950 --> 01:53:33,000

with them and scientists yep I wish up I

2003

01:53:38,450 --> 01:53:36,960

wish we would you know it's not I know

2004

01:53:40,280 --> 01:53:38,460

there's a lot of things to spend money

2005

01:53:42,530 --> 01:53:40,290

on but if they're not spending a lot of

2006

01:53:46,910 --> 01:53:42,540

money on this and maybe some other

2007

01:53:49,220 --> 01:53:46,920

countries will follow suit a marching

2008

01:53:51,920 --> 01:53:49,230

the the Brazilian government don't need

2009

01:53:56,620 --> 01:53:51,930

to spend any money

2010

01:54:02,030 --> 01:53:56,630

we just wanted when everywhere were a

2011

01:54:04,180 --> 01:54:02,040

mixture of Defense we just said they

2012

01:54:07,040 --> 01:54:04,190

they said well we don't have money and

2013

01:54:09,710 --> 01:54:07,050

personnel to help you with that okay we

2014

01:54:14,030 --> 01:54:09,720

don't need it we're gonna do the

2015

01:54:17,420 --> 01:54:14,040

research we just need you to give us the

2016

01:54:20,390 --> 01:54:17,430

material that you have this I think the

2017

01:54:23,570 --> 01:54:20,400

fighting that you have the the report of

2018

01:54:26,690 --> 01:54:23,580

the pilots we do all the the let's see

2019

01:54:31,060 --> 01:54:26,700

their job and give it to you into

2020

01:54:34,970 --> 01:54:31,070

society an answer even inconclusive

2021

01:54:38,480 --> 01:54:34,980

we're gonna do the the job you just just

2022

01:54:41,720 --> 01:54:38,490

need your channel that's how don't need

2023

01:54:43,850 --> 01:54:41,730

to do to pay us Wow well that was great

2024

01:54:45,920 --> 01:54:43,860

I've had Ben moss on in the past you may

01:56:18,800 --> 01:56:15,000

know him from some of the UFO TV shows

2051

01:56:20,450 --> 01:56:18,810

that he's been on but Ben moss asked me

2052

01:56:23,240 --> 01:56:20,460

if he could talk about controversial

2053

01:56:26,330 --> 01:56:23,250

subjects in the UFO field and I said

2054

01:56:29,600 --> 01:56:26,340
