and uh we're gonna be talking uh this

21

00:00:56,069 --> 00:00:53,760

this show in particular is not gonna be

22

00:00:58,630 --> 00:00:56,079

all the rainbows and unicorns we're

23

00:01:00,869 --> 00:00:58,640

gonna be talking uh

24

00:01:02,709 --> 00:01:00,879

what is this saying drain the swamp uh

25

00:01:06,390 --> 00:01:02,719

we're going to be talking about some the

26
00:01:08,870 --> 00:01:06,400
negative things in you ufology um today

27
00:01:10,230 --> 00:01:08,880
and uh i hope that you know by the end

28
00:01:13,350 --> 00:01:10,240
of the show we can

29
00:01:15,670 --> 00:01:13,360
um say some positive things and and and

30
00:01:19,109 --> 00:01:15,680
come up with some ideas in the future

31
00:01:20,950 --> 00:01:19,119
that uh that will help um as we move

32
00:01:22,469 --> 00:01:20,960
forward i've been doing the show now

33
00:01:24,950 --> 00:01:22,479
it's coming up in six years i can't

34
00:01:27,030 --> 00:01:24,960
believe it and um i still don't know

35
00:01:29,109 --> 00:01:27,040
anything more than i knew when i started

36
00:01:30,789 --> 00:01:29,119
uh i was criticized for that recently

37
00:01:31,590 --> 00:01:30,799
and and that's okay

38
00:01:34,469 --> 00:01:31,600

um

39

00:01:35,749 --> 00:01:34,479

because i don't pretend to know anything

40

00:01:38,630 --> 00:01:35,759

i'm just

41

00:01:39,429 --> 00:01:38,640

here uh exploring basically so we have

42

00:01:41,350 --> 00:01:39,439

uh

43

00:01:43,910 --> 00:01:41,360

alejandra rojas will be coming back next

44

00:01:45,270 --> 00:01:43,920

week he is on the plane now flying home

45

00:01:46,950 --> 00:01:45,280

from budapest

46

00:01:49,990 --> 00:01:46,960

i don't know if any of you follow him on

47

00:01:51,510 --> 00:01:50,000

facebook um but he was posting some

48

00:01:53,270 --> 00:01:51,520

awesome pictures

49

00:01:54,630 --> 00:01:53,280

and it'll be good to have him back in

50

00:01:56,149 --> 00:01:54,640

town

51

00:01:58,389 --> 00:01:56,159

so our guest

52

00:02:00,310 --> 00:01:58,399

ben moss

53

00:02:01,749 --> 00:02:00,320

like i said he's been on with uh he's

54

00:02:04,550 --> 00:02:01,759

been on with tony

55

00:02:06,149 --> 00:02:04,560

angiola a number of times

56

00:02:09,190 --> 00:02:06,159

and he's mufon's chief field

57

00:02:11,190 --> 00:02:09,200

investigator in virginia and uh he's

58

00:02:13,589 --> 00:02:11,200

also part of the

59

00:02:15,670 --> 00:02:13,599

strike team area research

60

00:02:18,229 --> 00:02:15,680

or star team

61

00:02:20,470 --> 00:02:18,239

and uh he's been on history channels uh

62

00:02:24,630 --> 00:02:20,480

hangar one and a lot of other shows uh

63

00:02:26,550 --> 00:02:24,640

paranormal tv and on and on uh welcome

64

00:02:28,390 --> 00:02:26,560

to the show ben

65

00:02:30,309 --> 00:02:28,400

thanks thanks for having me i should say

66

00:02:31,750 --> 00:02:30,319

welcome back to the show

67

00:02:33,270 --> 00:02:31,760

yeah yeah

68

00:02:35,110 --> 00:02:33,280

so uh

69

00:02:37,270 --> 00:02:35,120

as i mentioned you know we're gonna be

70

00:02:38,710 --> 00:02:37,280

talking about you know some of the the

71

00:02:41,910 --> 00:02:38,720

issues

72

00:02:43,990 --> 00:02:41,920

um that are happening uh

73

00:02:45,190 --> 00:02:44,000

in the ufo field in general and i know

74

00:02:46,630 --> 00:02:45,200

there was uh you wanted to get some

75

00:02:49,589 --> 00:02:46,640

things off of your chest you wanted to

76

00:02:51,750 --> 00:02:49,599

talk about a little bit as well but uh

77

00:02:53,110 --> 00:02:51,760

for the person that's not familiar with

78

00:02:55,030 --> 00:02:53,120

you um

79

00:02:56,470 --> 00:02:55,040

that hadn't seen you on before can you

80

00:02:58,150 --> 00:02:56,480

give a little bit of your background and

81

00:02:59,990 --> 00:02:58,160

what got you interested in the topic to

82

00:03:04,070 --> 00:03:00,000

begin with

83

00:03:06,149 --> 00:03:04,080

uh yeah i um my dad was interested uh in

84

00:03:07,670 --> 00:03:06,159

ufos and when i was a little kid i

85

00:03:10,550 --> 00:03:07,680

remember climbing up on the bed and

86

00:03:12,470 --> 00:03:10,560

watching the walter cronkite special

87

00:03:13,830 --> 00:03:12,480

about ufos it was kind of a skeptical

88

00:03:15,990 --> 00:03:13,840

show

89

00:03:19,110 --> 00:03:16,000

and we did post that on our mufon va

90

00:03:20,550 --> 00:03:19,120

website but that got me going and then i

91

00:03:22,229 --> 00:03:20,560

was pretty much hooked from that point

92

00:03:23,509 --> 00:03:22,239

forward to the point where

93

00:03:25,350 --> 00:03:23,519

all the kids in the neighborhood were

94

00:03:29,990 --> 00:03:25,360

throwing frisbees up taking pictures of

95

00:03:33,270 --> 00:03:31,509

so

96

00:03:36,309 --> 00:03:33,280

how did you get involved in all the

97

00:03:38,309 --> 00:03:36,319

investigating and all that and move on

98

00:03:42,309 --> 00:03:38,319

what's what started that course

99

00:03:45,990 --> 00:03:42,319

uh that was in the 90s um i joined mufon

100

00:03:47,350 --> 00:03:46,000

and uh went to a conference and um and

101
00:03:51,190 --> 00:03:47,360
then i got interested in becoming an

102
00:03:53,509 --> 00:03:51,200
investigator and uh in 1999 i actually

103
00:03:56,070 --> 00:03:53,519
ran the security for the uh

104
00:03:58,070 --> 00:03:56,080
for the one in crystal city um that was

105
00:04:00,309 --> 00:03:58,080
really well attended i think seven or

106
00:04:02,390 --> 00:04:00,319
eight hundred people were there and uh

107
00:04:04,229 --> 00:04:02,400
then you know after doing i don't know

108
00:04:06,229 --> 00:04:04,239
about 40 or 50 investigations sue

109
00:04:08,070 --> 00:04:06,239
schweitek our state director promoted me

110
00:04:09,990 --> 00:04:08,080
to chief hill investigator

111
00:04:12,309 --> 00:04:10,000
and i've been uh disseminating working

112
00:04:14,470 --> 00:04:12,319
cases ever since um

113
00:04:17,189 --> 00:04:14,480

you know the more i've done the more

114

00:04:18,710 --> 00:04:17,199

i've gotten into it and uh it's just

115

00:04:19,909 --> 00:04:18,720

escalated from there with everything

116

00:04:21,430 --> 00:04:19,919

that's been happening in the last two or

117

00:04:23,670 --> 00:04:21,440

three years uh

118

00:04:25,430 --> 00:04:23,680

getting on the show hanger one was was a

119

00:04:28,230 --> 00:04:25,440

boost because more people just talked to

120

00:04:29,909 --> 00:04:28,240

me um because they recognized me so it's

121

00:04:31,749 --> 00:04:29,919

uh it's one of those things the more you

122

00:04:33,510 --> 00:04:31,759

do the more you people you meet the more

123

00:04:35,990 --> 00:04:33,520

people that want to talk to you

124

00:04:37,590 --> 00:04:36,000

and it just snowballs from there now

125

00:04:39,350 --> 00:04:37,600

hanger one had a little bit of

126
00:04:41,510 --> 00:04:39,360
controversy too you know i mean people

127
00:04:44,790 --> 00:04:41,520
were in the ufo field we're saying you

128
00:04:46,710 --> 00:04:44,800
know ah it's not so good or exaggerated

129
00:04:49,189 --> 00:04:46,720
um what did you think in general of the

130
00:04:50,390 --> 00:04:49,199
show if or can you set yourself aside

131
00:04:53,189 --> 00:04:50,400
and look at it

132
00:04:54,830 --> 00:04:53,199
uh or or is it just a biased opinion the

133
00:04:59,189 --> 00:04:54,840
only way you can go about something like

134
00:05:01,510 --> 00:04:59,199
that well um i remember the the kind of

135
00:05:03,430 --> 00:05:01,520
the blue book show that was on the past

136
00:05:06,150 --> 00:05:03,440
and you know the

137
00:05:09,749 --> 00:05:06,160
the one with robert stack and you know

138
00:05:12,629 --> 00:05:09,759

it was it was less fanfare and and more

139

00:05:14,790 --> 00:05:12,639

following uh cases that you know mufon

140

00:05:16,390 --> 00:05:14,800

actually investigated so i think when

141

00:05:18,070 --> 00:05:16,400

you take a lot of the wow out of the

142

00:05:19,830 --> 00:05:18,080

shows and have this really slick

143

00:05:21,430 --> 00:05:19,840

presentation that's what people are used

144

00:05:23,590 --> 00:05:21,440

to and there are other shows that do it

145

00:05:25,430 --> 00:05:23,600

that way the history channel show was

146

00:05:27,110 --> 00:05:25,440

pretty accurate um there was a little

147

00:05:28,550 --> 00:05:27,120

bit of embellishment here and there but

148

00:05:31,270 --> 00:05:28,560

i thought they did a good job with the

149

00:05:32,870 --> 00:05:31,280

stories um you know we just had uh

150

00:05:34,790 --> 00:05:32,880

several of us just didn't like the one

151

00:05:35,830 --> 00:05:34,800

about the the mars tale that's a whole

152

00:05:36,550 --> 00:05:35,840

other story

153

00:05:38,629 --> 00:05:36,560

but

154

00:05:40,390 --> 00:05:38,639

taking the cases that they that they

155

00:05:42,710 --> 00:05:40,400

picked um and those were selected by

156

00:05:44,629 --> 00:05:42,720

jeremy uh jeremy ray and some other

157

00:05:46,070 --> 00:05:44,639

people kind of helped with that but they

158

00:05:48,550 --> 00:05:46,080

picked really good cases i thought they

159

00:05:50,310 --> 00:05:48,560

did a good job they didn't change

160

00:05:51,830 --> 00:05:50,320

what really happened in the case because

161

00:05:53,189 --> 00:05:51,840

they're so unusual to begin with you

162

00:05:55,029 --> 00:05:53,199

don't have to add special effects and

163

00:05:57,270 --> 00:05:55,039

all these after thing after market

164

00:05:59,110 --> 00:05:57,280

things to to make this thing look better

165

00:06:01,270 --> 00:05:59,120

the stories are pretty fascinating as

166

00:06:03,510 --> 00:06:01,280

they are but i thought they did a good

167

00:06:05,110 --> 00:06:03,520

job i mean there were certain topics

168

00:06:06,950 --> 00:06:05,120

that we got on there a little bit out

169

00:06:08,309 --> 00:06:06,960

there but the cases were pretty well

170

00:06:09,909 --> 00:06:08,319

represented so

171

00:06:11,510 --> 00:06:09,919

and i'm trying not to be biased about it

172

00:06:12,870 --> 00:06:11,520

but if i wasn't on the show i still

173

00:06:14,629 --> 00:06:12,880

would have watched the show i watched

174

00:06:16,629 --> 00:06:14,639

almost all ufo shows the good ones and

175

00:06:17,830 --> 00:06:16,639

the bad ones and you can learn something

176
00:06:19,189 --> 00:06:17,840
from all of them

177
00:06:21,110 --> 00:06:19,199
right right

178
00:06:23,830 --> 00:06:21,120
now okay

179
00:06:26,070 --> 00:06:23,840
you know that uh mufon's been

180
00:06:29,110 --> 00:06:26,080
you know under scrutiny over the last

181
00:06:31,909 --> 00:06:29,120
year and uh uh all the way from the

182
00:06:35,110 --> 00:06:31,919
guests at their last symposium kind of

183
00:06:37,670 --> 00:06:35,120
being out there a bit or a bit fringy to

184
00:06:39,430 --> 00:06:37,680
um the issue with john ventry

185
00:06:41,909 --> 00:06:39,440
um you know i figured we could just talk

186
00:06:43,510 --> 00:06:41,919
about it all tonight you know get it all

187
00:06:47,110 --> 00:06:43,520
off our chest and see if we still have a

188
00:06:53,029 --> 00:06:49,350

well you know that uh

189

00:06:55,350 --> 00:06:53,039

when john ventury posted that um that

190

00:06:57,350 --> 00:06:55,360

i guess you would call it a rant um

191

00:06:59,589 --> 00:06:57,360

you know i actually called him up and

192

00:07:01,830 --> 00:06:59,599

told him because i know john i told him

193

00:07:03,510 --> 00:07:01,840

i said you know you should probably

194

00:07:04,710 --> 00:07:03,520

think about stepping down because that's

195

00:07:06,230 --> 00:07:04,720

where everything's going to lead to

196

00:07:07,909 --> 00:07:06,240

eventually and

197

00:07:10,629 --> 00:07:07,919

then mufon had kind of a halfway

198

00:07:13,110 --> 00:07:10,639

response and then kind of got backlash

199

00:07:16,150 --> 00:07:13,120

um social media is funny because they

200

00:07:18,870 --> 00:07:16,160

they'll jump on anything you know to get

201
00:07:20,950 --> 00:07:18,880
the ball rolling um but you know it was

202
00:07:22,790 --> 00:07:20,960
there are some things said that

203
00:07:25,189 --> 00:07:22,800
most people wouldn't agree with because

204
00:07:28,390 --> 00:07:25,199
they were you know fairly uh

205
00:07:29,189 --> 00:07:28,400
inflammatory and racist and so

206
00:07:30,629 --> 00:07:29,199
um

207
00:07:31,589 --> 00:07:30,639
you know it's just one of those things

208
00:07:34,550 --> 00:07:31,599
where

209
00:07:36,150 --> 00:07:34,560
guilt by association and um and jan

210
00:07:37,830 --> 00:07:36,160
maybe could have done a better job of

211
00:07:40,469 --> 00:07:37,840
just jumping on it right away because

212
00:07:43,029 --> 00:07:40,479
when i talked to john before he actually

213
00:07:44,950 --> 00:07:43,039

got let go completely i i said you know

214

00:07:47,110 --> 00:07:44,960

this is going to end with you

215

00:07:49,110 --> 00:07:47,120

leaving your position one way or another

216

00:07:51,350 --> 00:07:49,120

so it was just one of those things that

217

00:07:53,909 --> 00:07:51,360

um a lot of people were waiting to jump

218

00:07:55,350 --> 00:07:53,919

on mufon and that was a good catalyst

219

00:07:57,510 --> 00:07:55,360

but um

220

00:07:59,029 --> 00:07:57,520

in the last symposium that i was at in

221

00:08:01,350 --> 00:07:59,039

las vegas you know there were some

222

00:08:03,270 --> 00:08:01,360

topics that you know that it's like i've

223

00:08:05,189 --> 00:08:03,280

said before if you had a symposium of

224

00:08:06,790 --> 00:08:05,199

scientific data and white papers you'd

225

00:08:08,469 --> 00:08:06,800

probably have about 50 attendees and

226

00:08:10,629 --> 00:08:08,479

they'd all be scientists

227

00:08:13,510 --> 00:08:10,639

if you have a show about you know trips

228

00:08:15,110 --> 00:08:13,520

to mars with ross perot and and you know

229

00:08:17,510 --> 00:08:15,120

going back in time and time regression

230

00:08:19,270 --> 00:08:17,520

and dinosaurs on mars then

231

00:08:20,710 --> 00:08:19,280

you're gonna have seven or eight hundred

232

00:08:22,790 --> 00:08:20,720

people show up which is exactly what

233

00:08:24,070 --> 00:08:22,800

happened you know you know go ahead the

234

00:08:25,990 --> 00:08:24,080

one thing i wanted to add to that was

235

00:08:27,909 --> 00:08:26,000

just my observation because i was

236

00:08:29,589 --> 00:08:27,919

talking a lot of people but

237

00:08:31,909 --> 00:08:29,599

you know you got a lot of people

238

00:08:34,230 --> 00:08:31,919

that criticized mufon from the computer

239

00:08:36,469 --> 00:08:34,240

screen and you know everybody's

240

00:08:37,909 --> 00:08:36,479

very brave behind a computer screen but

241

00:08:39,750 --> 00:08:37,919

there's so many people that come to this

242

00:08:41,589 --> 00:08:39,760

conference from far away from other

243

00:08:44,310 --> 00:08:41,599

countries that are in walkers and

244

00:08:45,670 --> 00:08:44,320

wheelchairs and respirators and you know

245

00:08:47,269 --> 00:08:45,680

if some of the people that criticize

246

00:08:48,870 --> 00:08:47,279

mufon would just get out maybe come to

247

00:08:51,110 --> 00:08:48,880

one of the symposiums and meet some

248

00:08:53,269 --> 00:08:51,120

people you might have a bigger picture a

249

00:08:54,790 --> 00:08:53,279

bigger understanding of all the people

250

00:08:57,430 --> 00:08:54,800

involved in that

251

00:08:59,030 --> 00:08:57,440

so you know i i just it's easy to jump

252

00:09:00,389 --> 00:08:59,040

on something if you're not involved in

253

00:09:01,990 --> 00:09:00,399

it you don't know the inner workings of

254

00:09:03,910 --> 00:09:02,000

it it's another thing if you're part of

255

00:09:05,750 --> 00:09:03,920

it and you can see all the different

256

00:09:07,990 --> 00:09:05,760

clashes going on and what's going on

257

00:09:10,790 --> 00:09:08,000

behind the scenes but you know kudos to

258

00:09:12,310 --> 00:09:10,800

people that make it there that probably

259

00:09:14,710 --> 00:09:12,320

haven't left their house in a year i

260

00:09:17,750 --> 00:09:14,720

mean the average age at a conference is

261

00:09:19,430 --> 00:09:17,760

certainly over 45. yeah and uh you know

262

00:09:21,430 --> 00:09:19,440

it's just it's just tough it's easy to

263

00:09:23,590 --> 00:09:21,440

throw out barbs from a computer screen

264

00:09:26,070 --> 00:09:23,600

but you know do something about it

265

00:09:29,110 --> 00:09:26,080

uh yeah uh i

266

00:09:31,110 --> 00:09:29,120

i like jan harzon and i don't know if

267

00:09:32,710 --> 00:09:31,120

you caught kevin randall's

268

00:09:35,269 --> 00:09:32,720

interview with him

269

00:09:36,949 --> 00:09:35,279

but he he asked him you know some pretty

270

00:09:39,269 --> 00:09:36,959

strong questions

271

00:09:40,389 --> 00:09:39,279

um you know about um the people that

272

00:09:41,990 --> 00:09:40,399

donate

273

00:09:43,750 --> 00:09:42,000

the five thousand dollars or more that

274

00:09:45,750 --> 00:09:43,760

get into the inner circle and you know

275

00:09:48,070 --> 00:09:45,760

what type of information they get

276

00:09:50,790 --> 00:09:48,080

uh i thought that was uh that was

277

00:09:51,990 --> 00:09:50,800

interesting i had no idea about that

278

00:09:55,350 --> 00:09:52,000

part of it

279

00:09:57,030 --> 00:09:55,360

yeah i did hear that and uh it was um

280

00:10:00,070 --> 00:09:57,040

you know it was interesting

281

00:10:01,350 --> 00:10:00,080

like you said yeah yeah

282

00:10:03,990 --> 00:10:01,360

now

283

00:10:06,470 --> 00:10:04,000

i think i might also get my rants over

284

00:10:07,509 --> 00:10:06,480

with um

285

00:10:09,829 --> 00:10:07,519

okay

286

00:10:12,389 --> 00:10:09,839

and i gotta tell you every every time uh

287

00:10:15,110 --> 00:10:12,399

you know i i rail against

288

00:10:17,990 --> 00:10:15,120

uh dr stephen greer i lose support i

289

00:10:19,350 --> 00:10:18,000

lose supporters um i get nasty emails

290

00:10:21,350 --> 00:10:19,360

from some people

291

00:10:23,110 --> 00:10:21,360

i understand

292

00:10:25,750 --> 00:10:23,120

why people

293

00:10:27,350 --> 00:10:25,760

are attracted to his charisma

294

00:10:29,509 --> 00:10:27,360

and

295

00:10:31,350 --> 00:10:29,519

he seems you know in general he seems

296

00:10:34,310 --> 00:10:31,360

like a nice guy and i'm going to say

297

00:10:37,350 --> 00:10:34,320

some some positive things as well as

298

00:10:40,230 --> 00:10:37,360

uh the things that really upset me about

299

00:10:43,030 --> 00:10:40,240

what he has been doing and you know the

300

00:10:44,630 --> 00:10:43,040

last two movies serious and uh

301
00:10:46,550 --> 00:10:44,640
unacknowledged i don't know if you

302
00:10:48,470 --> 00:10:46,560
caught that did you have to catch it you

303
00:10:49,670 --> 00:10:48,480
did yeah

304
00:10:51,670 --> 00:10:49,680
um

305
00:10:55,670 --> 00:10:51,680
the serious one i thought was a total

306
00:10:56,870 --> 00:10:55,680
ego thing you know um so and

307
00:10:59,030 --> 00:10:56,880
uh

308
00:11:01,590 --> 00:10:59,040
that and you know the

309
00:11:04,150 --> 00:11:01,600
basically the bottom line is the atacama

310
00:11:07,750 --> 00:11:04,160
as i called the baby alien there ended

311
00:11:09,269 --> 00:11:07,760
up you know with a human dna uh so if

312
00:11:10,150 --> 00:11:09,279
you watched unacknowledged then you'll

313
00:11:13,430 --> 00:11:10,160

see

314

00:11:15,990 --> 00:11:13,440

that in this show he also talks about

315

00:11:17,590 --> 00:11:16,000

that let's see i have a quote here i i

316

00:11:18,630 --> 00:11:17,600

wrote the quote down

317

00:11:20,870 --> 00:11:18,640

and

318

00:11:24,230 --> 00:11:20,880

uh basically that

319

00:11:27,590 --> 00:11:24,240

of course oh yes the body the alien you

320

00:11:29,829 --> 00:11:27,600

know body is most likely not human

321

00:11:31,670 --> 00:11:29,839

so he's still hanging on to that and i

322

00:11:33,910 --> 00:11:31,680

think

323

00:11:36,630 --> 00:11:33,920

uh i liken him a little bit to a cult

324

00:11:39,190 --> 00:11:36,640

leader because he has these very very

325

00:11:42,870 --> 00:11:39,200

strong followers that will attack you if

326
00:11:44,150 --> 00:11:42,880
you say anything negative about it and

327
00:11:46,710 --> 00:11:44,160
i really

328
00:11:48,710 --> 00:11:46,720
would have to say that he's probably one

329
00:11:51,269 --> 00:11:48,720
of the biggest charlatans of our time in

330
00:11:53,030 --> 00:11:51,279
the ufo field

331
00:11:54,710 --> 00:11:53,040
and i think he's in it only for the

332
00:11:57,269 --> 00:11:54,720
money um

333
00:11:59,030 --> 00:11:57,279
you know it's it's kind of like a rock

334
00:12:01,269 --> 00:11:59,040
star it takes a while to get to the very

335
00:12:03,750 --> 00:12:01,279
top and you make a lot of money in the

336
00:12:06,710 --> 00:12:03,760
ufo field there's hardly any money made

337
00:12:08,310 --> 00:12:06,720
by anybody but if you're at the very top

338
00:12:11,110 --> 00:12:08,320

you can make some money

339

00:12:13,829 --> 00:12:11,120

uh and the way you make money is not

340

00:12:15,750 --> 00:12:13,839

necessarily through fame of

341

00:12:17,430 --> 00:12:15,760

say television shows or movies or

342

00:12:19,269 --> 00:12:17,440

anything like that but certainly not

343

00:12:20,150 --> 00:12:19,279

that way donations

344

00:12:22,470 --> 00:12:20,160

you know

345

00:12:25,190 --> 00:12:22,480

his his website is totally set up for

346

00:12:28,389 --> 00:12:25,200

donations i have to say unacknowledged

347

00:12:31,590 --> 00:12:28,399

um was very well done it was a really it

348

00:12:33,430 --> 00:12:31,600

was nice nice music uh absolutely

349

00:12:36,389 --> 00:12:33,440

fantastic editing

350

00:12:38,069 --> 00:12:36,399

some great ufo clips i really thought he

351
00:12:40,310 --> 00:12:38,079
did have he there was a couple in there

352
00:12:42,470 --> 00:12:40,320
that you know have been proven wrong

353
00:12:44,389 --> 00:12:42,480
uh hoaxes and things but for the most

354
00:12:45,509 --> 00:12:44,399
part the clips that he had in there were

355
00:12:47,829 --> 00:12:45,519
really good

356
00:12:50,710 --> 00:12:47,839
video clips of ufos i thought

357
00:12:53,350 --> 00:12:50,720
okay so here's a couple things that it

358
00:12:55,509 --> 00:12:53,360
really baffled me that richard dodie

359
00:12:56,389 --> 00:12:55,519
the richard doty in the paul benowitz

360
00:13:00,230 --> 00:12:56,399
case

361
00:13:02,470 --> 00:13:00,240
was uh talking about aliens and about

362
00:13:03,990 --> 00:13:02,480
you know the ones that he saw and things

363
00:13:05,910 --> 00:13:04,000

like that i don't know where that came

364

00:13:07,350 --> 00:13:05,920

from i don't know

365

00:13:08,230 --> 00:13:07,360

how much you know about richard dodie

366

00:13:09,990 --> 00:13:08,240

but

367

00:13:11,990 --> 00:13:10,000

um i was kind of shocked to hear him

368

00:13:13,670 --> 00:13:12,000

talk about that did you what did you

369

00:13:16,069 --> 00:13:13,680

think of that

370

00:13:18,310 --> 00:13:16,079

yeah you know dodie has that terrible

371

00:13:21,190 --> 00:13:18,320

history with

372

00:13:21,990 --> 00:13:21,200

linda molten howe and the paul benowitz

373

00:13:25,030 --> 00:13:22,000

and

374

00:13:26,949 --> 00:13:25,040

i it's just you never know what's

375

00:13:28,790 --> 00:13:26,959

what's the truth and what's made up and

376

00:13:31,430 --> 00:13:28,800

what's conjecture and what's you know

377

00:13:32,629 --> 00:13:31,440

because i know dr greer has been caught

378

00:13:34,949 --> 00:13:32,639

um

379

00:13:36,629 --> 00:13:34,959

with that dinner table talk about uh

380

00:13:38,470 --> 00:13:36,639

some type of revelation when the guy

381

00:13:40,389 --> 00:13:38,480

said he was just being cordial

382

00:13:43,430 --> 00:13:40,399

so you know i don't believe i've met

383

00:13:45,269 --> 00:13:43,440

stephen greer um and i never try to

384

00:13:47,030 --> 00:13:45,279

talk about somebody's character that i

385

00:13:49,590 --> 00:13:47,040

haven't met but you know

386

00:13:52,069 --> 00:13:49,600

like we said before a red flag to me is

387

00:13:54,150 --> 00:13:52,079

if you're generating income by you know

388

00:13:54,949 --> 00:13:54,160

taking people out on trips to see things

389

00:13:57,590 --> 00:13:54,959

um

390

00:13:59,509 --> 00:13:57,600

you've got to produce and so if you're

391

00:14:01,509 --> 00:13:59,519

in this for money

392

00:14:03,750 --> 00:14:01,519

there's something you have to keep doing

393

00:14:05,590 --> 00:14:03,760

to produce money and it's dangling that

394

00:14:07,269 --> 00:14:05,600

carrot right in front of you

395

00:14:09,910 --> 00:14:07,279

just out of reach so you never really

396

00:14:13,509 --> 00:14:09,920

catch it because there's no carrot

397

00:14:15,509 --> 00:14:13,519

so yeah the whole thing is that um

398

00:14:17,590 --> 00:14:15,519

i think the best thing he ever did was

399

00:14:19,189 --> 00:14:17,600

definitely when all the uh people came

400

00:14:20,790 --> 00:14:19,199

together at the press club in washington

401
00:14:22,710 --> 00:14:20,800
d.c absolutely that was a great

402
00:14:24,790 --> 00:14:22,720
presentation that's that's that's a

403
00:14:27,269 --> 00:14:24,800
great way to do things but

404
00:14:30,150 --> 00:14:27,279
everything else around it just has

405
00:14:32,790 --> 00:14:30,160
you know a is a big red flag to me i i

406
00:14:34,470 --> 00:14:32,800
richard dodie you know definitely

407
00:14:36,230 --> 00:14:34,480
was lying about a lot of things admitted

408
00:14:38,069 --> 00:14:36,240
he was lying you know to send people

409
00:14:40,470 --> 00:14:38,079
down the rabbit hole i just think

410
00:14:42,470 --> 00:14:40,480
there's a lot of misdirection here but

411
00:14:44,069 --> 00:14:42,480
underlying it all there's

412
00:14:46,150 --> 00:14:44,079
there's not anything of substance you

413
00:14:48,230 --> 00:14:46,160

know if if you have proof that you're

414

00:14:50,710 --> 00:14:48,240

calling down ufos where are the videos

415

00:14:52,069 --> 00:14:50,720

where's the electromagnetic readings you

416

00:14:54,550 --> 00:14:52,079

know where's the gravitometer the

417

00:14:58,310 --> 00:14:54,560

magnetometer the daylight you know all

418

00:15:00,790 --> 00:14:58,320

of that it's just not there and um this

419

00:15:02,470 --> 00:15:00,800

constant need for donations and things

420

00:15:05,350 --> 00:15:02,480

you know if it's about the money you're

421

00:15:07,509 --> 00:15:05,360

going to find ways to get money and it's

422

00:15:09,350 --> 00:15:07,519

probably not the way to investigate ufos

423

00:15:11,590 --> 00:15:09,360

because ufos take you where they want to

424

00:15:13,509 --> 00:15:11,600

take you you can't pigeonhole them and

425

00:15:14,870 --> 00:15:13,519

then uh you know command them to come

426

00:15:16,710 --> 00:15:14,880

down command them to be in a certain

427

00:15:18,790 --> 00:15:16,720

spot at a certain time so

428

00:15:20,629 --> 00:15:18,800

i i just you know it just leaves me with

429

00:15:21,990 --> 00:15:20,639

a bad taste in my mouth well you know he

430

00:15:25,189 --> 00:15:22,000

was charging

431

00:15:28,150 --> 00:15:25,199

um people i forget what the fee was

432

00:15:29,509 --> 00:15:28,160

um at one of those um you know citing

433

00:15:33,189 --> 00:15:29,519

whatever they called

434

00:15:35,750 --> 00:15:33,199

uh see seti was sighting uh

435

00:15:38,230 --> 00:15:35,760

sky watches he was charging them so much

436

00:15:40,629 --> 00:15:38,240

a piece to take a picture in this ufo

437

00:15:42,550 --> 00:15:40,639

that nobody could see you know i don't

438

00:15:45,030 --> 00:15:42,560

know if you heard about that or not yeah

439

00:15:47,670 --> 00:15:45,040

yeah yeah um so one of the parts in the

440

00:15:50,230 --> 00:15:47,680

movie he starts sobbing and i don't i

441

00:15:52,870 --> 00:15:50,240

never you know i'm a guy and you know i

442

00:15:55,430 --> 00:15:52,880

can sob too i understand that but i

443

00:15:57,829 --> 00:15:55,440

think it was theatrical and basically it

444

00:16:01,110 --> 00:15:57,839

was about his coming of age

445

00:16:03,749 --> 00:16:01,120

as a young doctor and it being uh being

446

00:16:07,030 --> 00:16:03,759

briefed by the cia director that's

447

00:16:08,470 --> 00:16:07,040

woolsey um who again he never spoke you

448

00:16:10,230 --> 00:16:08,480

know never

449

00:16:12,069 --> 00:16:10,240

no one thinks he really had meetings

450

00:16:13,910 --> 00:16:12,079

with him

451
00:16:16,870 --> 00:16:13,920
but you know he started sobbing about

452
00:16:17,910 --> 00:16:16,880
that because he was he had to

453
00:16:19,910 --> 00:16:17,920
um

454
00:16:21,990 --> 00:16:19,920
the according to him the president and

455
00:16:23,910 --> 00:16:22,000
the cia director were being lied to and

456
00:16:25,829 --> 00:16:23,920
he had to they came to him and that's

457
00:16:28,550 --> 00:16:25,839
what he was sobbing about as they came

458
00:16:31,189 --> 00:16:28,560
to him so he could help them

459
00:16:33,430 --> 00:16:31,199
and then also he said that there's a

460
00:16:34,870 --> 00:16:33,440
bullet in this room with everyone's name

461
00:16:36,389 --> 00:16:34,880
on it and

462
00:16:38,310 --> 00:16:36,399
if uh what you

463
00:16:40,790 --> 00:16:38,320

say here goes out of this room that

464

00:16:42,470 --> 00:16:40,800

bullet will find you

465

00:16:43,350 --> 00:16:42,480

you know that that type of thing i think

466

00:16:46,470 --> 00:16:43,360

that

467

00:16:47,590 --> 00:16:46,480

and people are buying into it it's uh

468

00:16:52,949 --> 00:16:47,600

it's kind of

469

00:16:55,509 --> 00:16:52,959

think it it hurts the ufo field and then

470

00:16:57,590 --> 00:16:55,519

he gets into the free energy part he has

471

00:16:58,949 --> 00:16:57,600

this thing called the new earth

472

00:17:01,509 --> 00:16:58,959

incubator

473

00:17:04,150 --> 00:17:01,519

he has a funding project on his website

474

00:17:06,470 --> 00:17:04,160

he needs to raise 1 to two hundred one

475

00:17:08,470 --> 00:17:06,480

hundred to two hundred million dollars

476
00:17:10,949 --> 00:17:08,480
and you're welcome to donate as much as

477
00:17:12,710 --> 00:17:10,959
you possibly can so

478
00:17:14,230 --> 00:17:12,720
well

479
00:17:15,429 --> 00:17:14,240
yeah that uh

480
00:17:17,189 --> 00:17:15,439
that's just

481
00:17:18,949 --> 00:17:17,199
you know if anybody had a free energy

482
00:17:20,630 --> 00:17:18,959
device uh

483
00:17:22,470 --> 00:17:20,640
you would patent it you would go public

484
00:17:25,270 --> 00:17:22,480
you would make the money without needing

485
00:17:27,189 --> 00:17:25,280
to ask for it uh or on the other end the

486
00:17:29,029 --> 00:17:27,199
big oil would have to have you rubbed

487
00:17:30,470 --> 00:17:29,039
out or something you know

488
00:17:32,390 --> 00:17:30,480

but uh

489

00:17:33,830 --> 00:17:32,400

i just don't i just don't see it you

490

00:17:35,750 --> 00:17:33,840

know it's just like with a lot of the

491

00:17:37,830 --> 00:17:35,760

claims of people

492

00:17:40,549 --> 00:17:37,840

that are really outlandish if you cannot

493

00:17:42,950 --> 00:17:40,559

prove something and your only source of

494

00:17:44,390 --> 00:17:42,960

verification is everybody else saying

495

00:17:46,549 --> 00:17:44,400

the same thing

496

00:17:50,470 --> 00:17:46,559

then you don't have any verification

497

00:17:52,870 --> 00:17:50,480

yeah yeah that's right um and also

498

00:17:54,549 --> 00:17:52,880

uh i got a call from lee spiegel he

499

00:17:56,230 --> 00:17:54,559

watched he had a pre-screening of the

500

00:17:58,070 --> 00:17:56,240

movie several months ago

501

00:18:00,390 --> 00:17:58,080

and he called me and said

502

00:18:03,190 --> 00:18:00,400

the thing that upset him the most is two

503

00:18:06,710 --> 00:18:03,200

times in the movie they say that j allen

504

00:18:09,110 --> 00:18:06,720

heineck was uh heading project blue book

505

00:18:10,390 --> 00:18:09,120

that really upset him for some reason

506

00:18:13,270 --> 00:18:10,400

that's a big flaw

507

00:18:16,230 --> 00:18:13,280

yeah yeah i mean it wasn't caught

508

00:18:17,990 --> 00:18:16,240

but anyway um so that's that's all i

509

00:18:20,070 --> 00:18:18,000

have to say you know like i said i

510

00:18:21,750 --> 00:18:20,080

understand why people

511

00:18:23,990 --> 00:18:21,760

have the attraction to

512

00:18:26,230 --> 00:18:24,000

uh stephen gray he seems really honest

513

00:18:28,150 --> 00:18:26,240

and like you said i really do commend

514

00:18:30,150 --> 00:18:28,160

him for the way he started it's just too

515

00:18:31,110 --> 00:18:30,160

bad i think he he took a fork in the

516

00:18:34,230 --> 00:18:31,120

road

517

00:18:36,549 --> 00:18:34,240

um because he that was a really big deal

518

00:18:37,990 --> 00:18:36,559

the thing he did back in what year was

519

00:18:40,630 --> 00:18:38,000

that do you remember it was going way

520

00:18:43,830 --> 00:18:40,640

back uh was it 99 somewhere around there

521

00:18:45,110 --> 00:18:43,840

maybe two thousand um i was there i just

522

00:18:47,270 --> 00:18:45,120

can't

523

00:18:50,230 --> 00:18:47,280

i was there i was standing in the back

524

00:18:53,430 --> 00:18:50,240

yeah um but uh yeah i mean if

525

00:18:55,190 --> 00:18:53,440

if the goal is to uncover the

526

00:18:57,110 --> 00:18:55,200

mystery of what ufos are that's one

527

00:18:59,909 --> 00:18:57,120

thing if the goal is to

528

00:19:01,510 --> 00:18:59,919

make an income and generate you know a

529

00:19:03,029 --> 00:19:01,520

salary each year

530

00:19:04,789 --> 00:19:03,039

then that's just not going to work the

531

00:19:06,630 --> 00:19:04,799

two don't go together

532

00:19:08,390 --> 00:19:06,640

yeah absolutely you have to have it's

533

00:19:09,350 --> 00:19:08,400

like um

534

00:19:12,070 --> 00:19:09,360

like

535

00:19:14,310 --> 00:19:12,080

um i know you you feel the same way as i

536

00:19:16,870 --> 00:19:14,320

do i do this for a passion i don't do it

537

00:19:18,630 --> 00:19:16,880

for obviously i don't do it for money

538

00:19:19,830 --> 00:19:18,640

um you know that's not what i'm looking

539

00:19:21,029 --> 00:19:19,840

for otherwise

540

00:19:23,669 --> 00:19:21,039

you know i would have quit a long time

541

00:19:24,390 --> 00:19:23,679

ago when the cost started rising on my

542

00:19:26,150 --> 00:19:24,400

uh

543

00:19:27,270 --> 00:19:26,160

you know my server and stuff like that

544

00:19:33,830 --> 00:19:27,280

uh

545

00:19:37,270 --> 00:19:33,840

another

546

00:19:39,909 --> 00:19:37,280

uh there was a billy meyer ufo shot it

547

00:19:42,549 --> 00:19:39,919

was one of the clips in greer's movie

548

00:19:44,070 --> 00:19:42,559

which i was kind of surprised

549

00:19:46,789 --> 00:19:44,080

most of those

550

00:19:50,230 --> 00:19:46,799

are you know hoaxes i get contacted by

551
00:19:52,150 --> 00:19:50,240
uh michael horn is it michael horn yeah

552
00:19:54,950 --> 00:19:52,160
several times a year wanting to be on my

553
00:19:55,909 --> 00:19:54,960
show and i i i don't know

554
00:19:56,710 --> 00:19:55,919
um

555
00:19:59,909 --> 00:19:56,720
you know

556
00:20:01,669 --> 00:19:59,919
i just can't have him on the show

557
00:20:03,270 --> 00:20:01,679
you know so we get into it each time and

558
00:20:05,510 --> 00:20:03,280
i just say look i'm not gonna argue with

559
00:20:07,669 --> 00:20:05,520
you i just i don't trust anything that

560
00:20:10,230 --> 00:20:07,679
billy meyer you know maybe billy meyer

561
00:20:12,070 --> 00:20:10,240
did have some sightings at one time

562
00:20:15,029 --> 00:20:12,080
possibly but you know

563
00:20:16,470 --> 00:20:15,039

so many things are proven hoaxes and

564

00:20:19,750 --> 00:20:16,480

it's another thing where the government

565

00:20:21,350 --> 00:20:19,760

comes in you know and uh changes things

566

00:20:22,470 --> 00:20:21,360

according to

567

00:20:23,510 --> 00:20:22,480

them

568

00:20:24,230 --> 00:20:23,520

right

569

00:20:28,070 --> 00:20:24,240

yeah

570

00:20:30,549 --> 00:20:28,080

billy myers another person that found an

571

00:20:33,270 --> 00:20:30,559

avenue towards making money

572

00:20:35,750 --> 00:20:33,280

and almost every

573

00:20:38,870 --> 00:20:35,760

decent photo that i've seen has been

574

00:20:40,390 --> 00:20:38,880

broken down to show models and you know

575

00:20:42,070 --> 00:20:40,400

um

576

00:20:45,350 --> 00:20:42,080

tape coming off of some of the

577

00:20:47,350 --> 00:20:45,360

motherships and you know things that uh

578

00:20:49,510 --> 00:20:47,360

people have pointed out and you know a

579

00:20:51,590 --> 00:20:49,520

lot of people have even better knowledge

580

00:20:53,750 --> 00:20:51,600

about um but you know

581

00:20:55,990 --> 00:20:53,760

it's kind of like the dan frye and a lot

582

00:20:57,909 --> 00:20:56,000

of these guys back in the day

583

00:20:59,270 --> 00:20:57,919

i haven't seen anything real that billy

584

00:21:00,549 --> 00:20:59,280

meyer and that's probably going to upset

585

00:21:02,310 --> 00:21:00,559

a lot of people but you know when you

586

00:21:04,470 --> 00:21:02,320

really do the homework and dig into it

587

00:21:06,149 --> 00:21:04,480

um there's so much

588

00:21:08,070 --> 00:21:06,159

an example is the one thing i remember

589

00:21:09,190 --> 00:21:08,080

clearly was a ufo that goes around a

590

00:21:12,310 --> 00:21:09,200

tree

591

00:21:14,630 --> 00:21:12,320

in his field and this guy goes out there

592

00:21:17,029 --> 00:21:14,640

and says there's no tree there you know

593

00:21:19,669 --> 00:21:17,039

and that's when we found out that he was

594

00:21:21,750 --> 00:21:19,679

growing these little japanese trees

595

00:21:23,990 --> 00:21:21,760

and probably inserted that into the

596

00:21:25,750 --> 00:21:24,000

video and and with a small model made it

597

00:21:27,909 --> 00:21:25,760

look like a giant oak tree or something

598

00:21:29,750 --> 00:21:27,919

so that's right yeah you shoot yourself

599

00:21:31,750 --> 00:21:29,760

in the foot once and your credibility is

600

00:21:33,669 --> 00:21:31,760

down the tubes pretty quickly at least

601
00:21:35,110 --> 00:21:33,679
with most people that do their homework

602
00:21:37,270 --> 00:21:35,120
well you know if you

603
00:21:38,390 --> 00:21:37,280
if any part of something

604
00:21:43,830 --> 00:21:38,400
is

605
00:21:45,510 --> 00:21:43,840
whole situation you know i'm a fine arts

606
00:21:47,430 --> 00:21:45,520
appraiser and

607
00:21:49,590 --> 00:21:47,440
that's how i have to look at something

608
00:21:51,110 --> 00:21:49,600
unfortunately and what i do is guilty

609
00:21:52,390 --> 00:21:51,120
till proven innocent instead of the

610
00:21:55,110 --> 00:21:52,400
other way around

611
00:21:56,630 --> 00:21:55,120
so if you see like a house that has one

612
00:21:58,950 --> 00:21:56,640
fake in it

613
00:22:00,230 --> 00:21:58,960

then you really have to be careful and

614

00:22:02,070 --> 00:22:00,240

with everything you're appraising and

615

00:22:04,710 --> 00:22:02,080

that's how i feel that's how i feel

616

00:22:07,750 --> 00:22:04,720

about things like the mj12 documents for

617

00:22:10,310 --> 00:22:07,760

instance yeah um i know stan friedman i

618

00:22:11,110 --> 00:22:10,320

have a lot of respect for stan friedman

619

00:22:13,270 --> 00:22:11,120

um

620

00:22:15,110 --> 00:22:13,280

really like him a lot but i know he

621

00:22:16,950 --> 00:22:15,120

believes that there are a few that are

622

00:22:18,789 --> 00:22:16,960

are correct and

623

00:22:19,669 --> 00:22:18,799

uh to me

624

00:22:20,630 --> 00:22:19,679

i

625

00:22:21,990 --> 00:22:20,640

you know

626
00:22:24,630 --> 00:22:22,000
it could be

627
00:22:27,510 --> 00:22:24,640
a campaign of disinformation to mix them

628
00:22:29,430 --> 00:22:27,520
in and have people not believe in it i i

629
00:22:31,830 --> 00:22:29,440
can understand that could possibly

630
00:22:34,870 --> 00:22:31,840
happen but i question those what do you

631
00:22:37,510 --> 00:22:34,880
think about the whole mj-12 situation

632
00:22:40,470 --> 00:22:37,520
you know it's probably sandwiched around

633
00:22:42,549 --> 00:22:40,480
some type of real document but

634
00:22:45,270 --> 00:22:42,559
i i've looked at these extensively you

635
00:22:46,149 --> 00:22:45,280
know the first red flag is anonymous

636
00:22:48,870 --> 00:22:46,159
mail

637
00:22:50,789 --> 00:22:48,880
sent to what jamie chandira

638
00:22:53,270 --> 00:22:50,799

so you have an anonymous source you

639

00:22:54,630 --> 00:22:53,280

can't verify anything from that source

640

00:22:56,789 --> 00:22:54,640

then you have some flaws in the

641

00:22:59,029 --> 00:22:56,799

documents that one with the harry truman

642

00:23:02,310 --> 00:22:59,039

signature looks like precise copy from a

643

00:23:05,190 --> 00:23:02,320

real document and you know there

644

00:23:07,270 --> 00:23:05,200

is it magic is it mj12 i mean when you

645

00:23:10,710 --> 00:23:07,280

kind of dig back into that there's a lot

646

00:23:12,390 --> 00:23:10,720

of problems i know that stan stanton has

647

00:23:15,029 --> 00:23:12,400

addressed some of the issues with fonts

648

00:23:17,029 --> 00:23:15,039

and things like that but i think it's

649

00:23:18,950 --> 00:23:17,039

probably disinformation built around

650

00:23:20,710 --> 00:23:18,960

some truth like legends you know or have

651
00:23:21,909 --> 00:23:20,720
a little bit basis of truth but look at

652
00:23:23,110 --> 00:23:21,919
the rabbit hole that sent a lot of

653
00:23:25,510 --> 00:23:23,120
people down look at the time and

654
00:23:27,190 --> 00:23:25,520
resources to investigate that if it is

655
00:23:29,029 --> 00:23:27,200
kind of made up around maybe some real

656
00:23:30,950 --> 00:23:29,039
document they did their job they took

657
00:23:32,390 --> 00:23:30,960
people off the path and they've spent 20

658
00:23:34,230 --> 00:23:32,400
years analyzing these things because

659
00:23:35,270 --> 00:23:34,240
they came out in 189

660
00:23:37,110 --> 00:23:35,280
yeah so

661
00:23:39,270 --> 00:23:37,120
you know if it is fake look at all the

662
00:23:41,110 --> 00:23:39,280
wasted time and money and documents and

663
00:23:43,029 --> 00:23:41,120

presentations and

664

00:23:45,190 --> 00:23:43,039

i mean it's just crazy well think of the

665

00:23:46,070 --> 00:23:45,200

time that stan himself

666

00:23:48,950 --> 00:23:46,080

has

667

00:23:51,669 --> 00:23:48,960

in that you know trips to washington you

668

00:23:53,110 --> 00:23:51,679

know luckily someone funded him for for

669

00:23:55,750 --> 00:23:53,120

doing that but

670

00:23:57,830 --> 00:23:55,760

you know just the time involved and you

671

00:24:01,510 --> 00:23:57,840

know i'm sure he i'm sure he enjoyed it

672

00:24:03,430 --> 00:24:01,520

too but still um it was that was uh that

673

00:24:05,990 --> 00:24:03,440

was really something and he likes

674

00:24:09,029 --> 00:24:06,000

digging through the archives right right

675

00:24:09,830 --> 00:24:09,039

i had mentioned to him on my show that i

676
00:24:13,350 --> 00:24:09,840
had

677
00:24:16,310 --> 00:24:13,360
uh at an auction house as uh cia former

678
00:24:19,430 --> 00:24:16,320
cia agent retired his estate was there

679
00:24:20,630 --> 00:24:19,440
and i found mj 12 documents in his foot

680
00:24:24,310 --> 00:24:20,640
locker

681
00:24:25,590 --> 00:24:24,320
or i didn't the auctioneer uh did um but

682
00:24:27,190 --> 00:24:25,600
you know there are copies the same

683
00:24:28,870 --> 00:24:27,200
copies that are floating all around and

684
00:24:31,430 --> 00:24:28,880
who knows why he had them but i don't

685
00:24:35,430 --> 00:24:31,440
think it's anything serious you know

686
00:24:37,510 --> 00:24:35,440
yeah uh so i just before um we keep uh

687
00:24:40,149 --> 00:24:37,520
our rants going here

688
00:24:43,190 --> 00:24:40,159

i'm gonna ask you a question or two that

689

00:24:45,430 --> 00:24:43,200

came in uh for you

690

00:24:48,230 --> 00:24:45,440

in your opinion do you think this is uh

691

00:24:49,830 --> 00:24:48,240

actually from kerry in the forum and do

692

00:24:51,430 --> 00:24:49,840

you think that bob bigelow has been

693

00:24:54,470 --> 00:24:51,440

given any information from the

694

00:24:57,029 --> 00:24:54,480

government as a precursor to finding out

695

00:25:01,350 --> 00:24:57,039

the truth especially with the money he

696

00:25:02,149 --> 00:25:01,360

has spent on investigating this topic

697

00:25:04,070 --> 00:25:02,159

uh

698

00:25:07,269 --> 00:25:04,080

well bob bigelow you know he did have

699

00:25:09,830 --> 00:25:07,279

access to some of the um close cases at

700

00:25:11,590 --> 00:25:09,840

mufon and he paid for that access but he

701
00:25:13,510 --> 00:25:11,600
um i believe

702
00:25:15,510 --> 00:25:13,520
from my understanding and he's a smart

703
00:25:18,070 --> 00:25:15,520
guy and i had given kudos for coming out

704
00:25:20,390 --> 00:25:18,080
with what he said on national news about

705
00:25:23,029 --> 00:25:20,400
alien presence but um

706
00:25:24,789 --> 00:25:23,039
he was looking for propulsion evidence

707
00:25:26,630 --> 00:25:24,799
pretty much so because he wants to put

708
00:25:29,110 --> 00:25:26,640
hotels in space and do a lot of things

709
00:25:30,630 --> 00:25:29,120
like elon musk is doing where space is

710
00:25:32,870 --> 00:25:30,640
next frontier

711
00:25:36,630 --> 00:25:32,880
so if by studying some of these really

712
00:25:38,390 --> 00:25:36,640
good uh evidential mufon cases you can

713
00:25:40,310 --> 00:25:38,400

learn something about the propulsion

714

00:25:42,470 --> 00:25:40,320

which is what all has been trying to do

715

00:25:45,029 --> 00:25:42,480

especially recently

716

00:25:46,390 --> 00:25:45,039

that is the reason why he dug into it my

717

00:25:48,070 --> 00:25:46,400

understanding was you know if he could

718

00:25:49,269 --> 00:25:48,080

get some material he could understand

719

00:25:50,470 --> 00:25:49,279

what these things are made of how

720

00:25:52,310 --> 00:25:50,480

they're withstanding the pressures of

721

00:25:54,870 --> 00:25:52,320

space if you can figure out some of the

722

00:25:57,190 --> 00:25:54,880

propulsion characteristics of how

723

00:25:59,590 --> 00:25:57,200

if something two miles wide

724

00:26:01,750 --> 00:25:59,600

or long is sitting in the atmosphere the

725

00:26:04,149 --> 00:26:01,760

amount of energy required to keep it in

726
00:26:05,830 --> 00:26:04,159
one place is just amazing so you know i

727
00:26:07,110 --> 00:26:05,840
think he was trying to get an inside

728
00:26:08,870 --> 00:26:07,120
look at

729
00:26:10,710 --> 00:26:08,880
what he could do to help with his

730
00:26:12,390 --> 00:26:10,720
programs in space

731
00:26:14,789 --> 00:26:12,400
and he might have gotten some data i

732
00:26:17,590 --> 00:26:14,799
just i i don't know uh

733
00:26:19,269 --> 00:26:17,600
a lot of what he did is kind of

734
00:26:22,549 --> 00:26:19,279
not out the public

735
00:26:26,789 --> 00:26:25,190
so i don't know if you want uh

736
00:26:29,669 --> 00:26:26,799
i know you had some other topics you

737
00:26:31,990 --> 00:26:29,679
wanted to talk about but um i can go

738
00:26:33,510 --> 00:26:32,000

into i only have two rants

739

00:26:34,310 --> 00:26:33,520

to make

740

00:26:37,750 --> 00:26:34,320

uh

741

00:26:39,750 --> 00:26:37,760

not not really i have a few more but

742

00:26:41,830 --> 00:26:39,760

still i don't have too much but i

743

00:26:43,830 --> 00:26:41,840

remember when we initially put this show

744

00:26:46,149 --> 00:26:43,840

together you said you wanted to you know

745

00:26:50,230 --> 00:26:46,159

get some things off your chest

746

00:26:52,390 --> 00:26:50,240

so uh yeah there i mean a lot of the

747

00:26:54,070 --> 00:26:52,400

a lot of the social media attacks and

748

00:26:56,630 --> 00:26:54,080

people have attacked me and that's fine

749

00:26:59,029 --> 00:26:56,640

i don't mind but um

750

00:27:01,269 --> 00:26:59,039

you know this whole thing about um the

751
00:27:02,789 --> 00:27:01,279
scientific study of ufos which

752
00:27:04,630 --> 00:27:02,799
mufon is

753
00:27:06,950 --> 00:27:04,640
kind of steered away from a little bit

754
00:27:08,789 --> 00:27:06,960
um there's a point there and there's a

755
00:27:10,789 --> 00:27:08,799
point for both sides but

756
00:27:13,110 --> 00:27:10,799
there's so many videos and things that

757
00:27:16,470 --> 00:27:13,120
pop up online and i'll go in and say you

758
00:27:18,230 --> 00:27:16,480
know cgi or you know fake inserted image

759
00:27:19,990 --> 00:27:18,240
and i'll just get hammered how do you

760
00:27:21,909 --> 00:27:20,000
know that you know uh you're just you're

761
00:27:24,230 --> 00:27:21,919
just it's got to be a mufon case for you

762
00:27:26,310 --> 00:27:24,240
to agree with it i'm like no you know

763
00:27:29,110 --> 00:27:26,320

the the key thing for a lot of these

764

00:27:31,510 --> 00:27:29,120

things that are being posted online is

765

00:27:34,390 --> 00:27:31,520

is there any evidence of anomalous

766

00:27:37,190 --> 00:27:34,400

movement or propulsion and just like the

767

00:27:39,029 --> 00:27:37,200

chilean video that um

768

00:27:40,390 --> 00:27:39,039

uh you know was found to be an airplane

769

00:27:41,510 --> 00:27:40,400

that was so far away just wasn't showing

770

00:27:43,190 --> 00:27:41,520

up on the radar and it was hitting a

771

00:27:44,870 --> 00:27:43,200

condensation

772

00:27:47,029 --> 00:27:44,880

level of what thirty thousand feet was

773

00:27:48,870 --> 00:27:47,039

shooting the the plume out the back

774

00:27:50,390 --> 00:27:48,880

which in infrared was black and looked

775

00:27:52,070 --> 00:27:50,400

weird but you know that was not

776

00:27:54,230 --> 00:27:52,080

anomalous at all it was an airplane it

777

00:27:55,990 --> 00:27:54,240

was flying in a straight line it had a

778

00:27:57,510 --> 00:27:56,000

plume come out and people didn't realize

779

00:27:59,269 --> 00:27:57,520

it was being filmed in infrared so they

780

00:28:01,190 --> 00:27:59,279

thought wow that's ejecting material

781

00:28:03,190 --> 00:28:01,200

it's some type of without crap

782

00:28:05,110 --> 00:28:03,200

so one of my big rants that i try not to

783

00:28:07,669 --> 00:28:05,120

go into too deeply is the fact that

784

00:28:10,149 --> 00:28:07,679

people will see a video and then repost

785

00:28:12,149 --> 00:28:10,159

it on facebook or wherever and say it's

786

00:28:13,590 --> 00:28:12,159

the greatest ufo video ever when it

787

00:28:15,909 --> 00:28:13,600

shows none of the characteristics of

788

00:28:17,990 --> 00:28:15,919

things we look for

789

00:28:20,230 --> 00:28:18,000

and it goes down the line of a lot of

790

00:28:22,230 --> 00:28:20,240

things out in the public now the nazca

791

00:28:25,269 --> 00:28:22,240

mummies and you know the three-fingered

792

00:28:28,230 --> 00:28:25,279

alien and all these things that have no

793

00:28:30,470 --> 00:28:28,240

backing no scientific background to them

794

00:28:32,149 --> 00:28:30,480

it's kind of gotten the one thing social

795

00:28:35,750 --> 00:28:32,159

media has done is you can take a subject

796

00:28:38,230 --> 00:28:35,760

and run with it in such a direction that

797

00:28:39,990 --> 00:28:38,240

it's like flat earthers you know i just

798

00:28:42,710 --> 00:28:40,000

can't believe that people think the

799

00:28:44,549 --> 00:28:42,720

earth is still flat uh it's just amazing

800

00:28:45,669 --> 00:28:44,559

to me some of the things that are posted

801
00:28:47,430 --> 00:28:45,679
so

802
00:28:49,510 --> 00:28:47,440
one thing that i'm trying to get to in

803
00:28:51,909 --> 00:28:49,520
my rant here is that

804
00:28:53,110 --> 00:28:51,919
if people do a little bit more homework

805
00:28:54,549 --> 00:28:53,120
they would understand what the

806
00:28:57,029 --> 00:28:54,559
difference is between what we're looking

807
00:28:59,990 --> 00:28:57,039
for and all the fakes and the sites like

808
00:29:01,590 --> 00:29:00,000
secure team six or secure team 10

809
00:29:03,269 --> 00:29:01,600
which you know you got to pay to watch

810
00:29:05,830 --> 00:29:03,279
these videos which are probably created

811
00:29:08,230 --> 00:29:05,840
by people just for that show and are not

812
00:29:09,909 --> 00:29:08,240
there's nothing real about them so you

813
00:29:11,029 --> 00:29:09,919

have to kind of have a discerning eye

814

00:29:12,470 --> 00:29:11,039

especially

815

00:29:14,870 --> 00:29:12,480

in the media we've always had to have

816

00:29:16,789 --> 00:29:14,880

that but in social media also

817

00:29:18,070 --> 00:29:16,799

right yeah you know social media is a

818

00:29:21,430 --> 00:29:18,080

whole different

819

00:29:22,710 --> 00:29:21,440

to this

820

00:29:24,950 --> 00:29:22,720

and uh

821

00:29:28,149 --> 00:29:24,960

um you know my

822

00:29:31,350 --> 00:29:28,159

there is a there is a want to believe i

823

00:29:33,830 --> 00:29:31,360

think in a lot of this i i totally get

824

00:29:36,230 --> 00:29:33,840

that and like my son says

825

00:29:38,389 --> 00:29:36,240

you know if uh if aliens didn't exist it

826

00:29:40,549 --> 00:29:38,399

would be a lot more boring

827

00:29:41,590 --> 00:29:40,559

you know or the possibility of them not

828

00:29:42,870 --> 00:29:41,600

existing

829

00:29:46,310 --> 00:29:42,880

um

830

00:29:48,630 --> 00:29:46,320

and so i get i get all that but once

831

00:29:50,870 --> 00:29:48,640

things start rolling

832

00:29:52,470 --> 00:29:50,880

um they're on like a

833

00:29:55,750 --> 00:29:52,480

a freight train

834

00:29:57,269 --> 00:29:55,760

you know it can't almost unstoppable you

835

00:30:00,149 --> 00:29:57,279

know once uh

836

00:30:01,190 --> 00:30:00,159

once something is bought into and

837

00:30:02,870 --> 00:30:01,200

um

838

00:30:04,789 --> 00:30:02,880

you know people are just looking at the

839

00:30:07,029 --> 00:30:04,799

surface and

840

00:30:10,149 --> 00:30:07,039

you know it's it's what what happens

841

00:30:12,389 --> 00:30:10,159

though in situations like this is if

842

00:30:15,430 --> 00:30:12,399

someone is thinking about really looking

843

00:30:18,149 --> 00:30:15,440

into the topic and excited about it

844

00:30:20,230 --> 00:30:18,159

and they right off the bat find out the

845

00:30:22,389 --> 00:30:20,240

first thing they really thought was real

846

00:30:24,630 --> 00:30:22,399

like i remember years ago watching

847

00:30:26,710 --> 00:30:24,640

the alien autopsy and thinking oh my god

848

00:30:29,110 --> 00:30:26,720

you know what is that yep

849

00:30:31,350 --> 00:30:29,120

so but so many people get burned they

850

00:30:33,750 --> 00:30:31,360

get burned by the experience once they

851

00:30:35,909 --> 00:30:33,760

realize that it was a hoax

852

00:30:37,990 --> 00:30:35,919

and uh then they no longer want anything

853

00:30:40,630 --> 00:30:38,000

to do with the topic when uh there's

854

00:30:43,990 --> 00:30:40,640

some perfectly good information

855

00:30:46,549 --> 00:30:44,000

and uh real hard work out there

856

00:30:47,909 --> 00:30:46,559

yeah i and and for some people they just

857

00:30:50,870 --> 00:30:47,919

can't let go of something that's been

858

00:30:52,389 --> 00:30:50,880

proven to not be true uh it's sad

859

00:30:54,389 --> 00:30:52,399

because it's like the

860

00:30:56,630 --> 00:30:54,399

billy meyer and people like that where

861

00:30:58,710 --> 00:30:56,640

you can pretty much show that there's a

862

00:30:59,990 --> 00:30:58,720

lot of hoaxing going on it's hard for

863

00:31:02,230 --> 00:31:00,000

people to let go of something they

864

00:31:03,990 --> 00:31:02,240

believed in i you know i've

865

00:31:06,389 --> 00:31:04,000

i've had some things where i thought

866

00:31:08,389 --> 00:31:06,399

were really great cases and true and

867

00:31:11,669 --> 00:31:08,399

then i found out otherwise and i'm like

868

00:31:13,110 --> 00:31:11,679

oh gosh how do i get fooled so you know

869

00:31:14,710 --> 00:31:13,120

one of the lessons is be careful what

870

00:31:16,950 --> 00:31:14,720

you say especially on social media

871

00:31:18,470 --> 00:31:16,960

because it's permanent it's out there

872

00:31:20,710 --> 00:31:18,480

forever it can be witnessed by seven

873

00:31:23,029 --> 00:31:20,720

billion people um so

874

00:31:25,750 --> 00:31:23,039

with a lot of these things it's best to

875

00:31:28,710 --> 00:31:25,760

do some your due diligence your homework

876

00:31:31,750 --> 00:31:28,720

and kind of get an idea of what makes

877

00:31:33,110 --> 00:31:31,760

something anomalous and unusual and a

878

00:31:36,789 --> 00:31:33,120

ufo

879

00:31:39,509 --> 00:31:36,799

and what is a fake cgi man-made

880

00:31:40,630 --> 00:31:39,519

atmospheric phenomena or weather related

881

00:31:42,310 --> 00:31:40,640

because

882

00:31:44,149 --> 00:31:42,320

just as an example when we had jupiter

883

00:31:45,669 --> 00:31:44,159

and saturn really close in the sky a

884

00:31:46,789 --> 00:31:45,679

couple years ago and i went out and

885

00:31:48,549 --> 00:31:46,799

looked at it

886

00:31:50,870 --> 00:31:48,559

it looked really weird but i knew the

887

00:31:54,149 --> 00:31:50,880

configuration was there we got about 10

888

00:31:55,110 --> 00:31:54,159

15 ufo reports about that and

889

00:31:56,870 --> 00:31:55,120

you know it looked like they were

890

00:31:58,950 --> 00:31:56,880

dancing in the sky but if you realize

891

00:32:00,789 --> 00:31:58,960

those two plants were close together you

892

00:32:02,710 --> 00:32:00,799

have that diffraction of the atmosphere

893

00:32:04,310 --> 00:32:02,720

where stars look like they twinkle

894

00:32:05,190 --> 00:32:04,320

because of all the stuff you're looking

895

00:32:06,710 --> 00:32:05,200

through

896

00:32:08,389 --> 00:32:06,720

it looked really strange but if you knew

897

00:32:09,909 --> 00:32:08,399

that that event was happening you'd

898

00:32:12,470 --> 00:32:09,919

realize hey that's really cool looking

899

00:32:15,430 --> 00:32:12,480

but that's jupiter and saturn so it's

900

00:32:17,590 --> 00:32:15,440

one of those things where um

901
00:32:19,430 --> 00:32:17,600
you like i've said before you have to

902
00:32:21,509 --> 00:32:19,440
kind of know a little bit about many

903
00:32:23,350 --> 00:32:21,519
different sciences to really look at

904
00:32:25,590 --> 00:32:23,360
this with kind of

905
00:32:27,590 --> 00:32:25,600
a trained eye i would guess and look at

906
00:32:29,350 --> 00:32:27,600
it so that you're not fooled know a

907
00:32:30,389 --> 00:32:29,360
little bit about meteorology a little

908
00:32:34,950 --> 00:32:30,399
bit about

909
00:32:36,950 --> 00:32:34,960
what's in the sky where use some of the

910
00:32:38,149 --> 00:32:36,960
apps on your phone those are all things

911
00:32:39,110 --> 00:32:38,159
that will help you

912
00:32:41,750 --> 00:32:39,120
you know

913
00:32:43,830 --> 00:32:41,760

it's like a case we went on once where

914

00:32:45,350 --> 00:32:43,840

the woman said she saw ufos constantly

915

00:32:47,190 --> 00:32:45,360

over her house and when we were there i

916

00:32:48,950 --> 00:32:47,200

was using my flight trader app i'm like

917

00:32:51,750 --> 00:32:48,960

that's a flight out of dulles no that's

918

00:32:53,669 --> 00:32:51,760

a flight going to chicago and and every

919

00:32:56,789 --> 00:32:53,679

single thing she thought was ufo was a

920

00:32:58,789 --> 00:32:56,799

flight so um i guess it's easy to be

921

00:33:01,350 --> 00:32:58,799

fooled because of all the so many shows

922

00:33:03,990 --> 00:33:01,360

now that talk about ufos fiction and

923

00:33:05,830 --> 00:33:04,000

reality or kind of reality shows

924

00:33:07,909 --> 00:33:05,840

that um

925

00:33:10,870 --> 00:33:07,919

i think some of the old great works in

926

00:33:12,470 --> 00:33:10,880

ufology are not being seen by by this

927

00:33:13,990 --> 00:33:12,480

new generations that's coming up some of

928

00:33:15,830 --> 00:33:14,000

the greatest books you know that really

929

00:33:17,990 --> 00:33:15,840

got into it and did a good job of

930

00:33:20,070 --> 00:33:18,000

talking about it and explaining things

931

00:33:23,190 --> 00:33:20,080

and looking at cases and that kind of

932

00:33:25,830 --> 00:33:23,200

thing yeah yeah well you know i titled

933

00:33:27,909 --> 00:33:25,840

this show um the elephant in the

934

00:33:30,389 --> 00:33:27,919

ufologist's living room or something

935

00:33:31,909 --> 00:33:30,399

along those lines and so

936

00:33:32,789 --> 00:33:31,919

you know i thought we could touch on

937

00:33:35,430 --> 00:33:32,799

some

938

00:33:37,590 --> 00:33:35,440

uh controversial subjects that no one

939

00:33:40,070 --> 00:33:37,600

would really want to talk about and one

940

00:33:41,430 --> 00:33:40,080

of those things is uh the stan romanek

941

00:33:44,310 --> 00:33:41,440

uh

942

00:33:46,789 --> 00:33:44,320

child pornography case um i don't know

943

00:33:49,909 --> 00:33:46,799

if anyone followed that or not but uh

944

00:33:50,830 --> 00:33:49,919

that did you know he did um

945

00:33:54,149 --> 00:33:50,840

one

946

00:33:56,630 --> 00:33:54,159

count uh was uh acquitted he was

947

00:33:58,389 --> 00:33:56,640

acquitted of one account but not uh he

948

00:33:59,990 --> 00:33:58,399

was also

949

00:34:03,029 --> 00:34:00,000

you know found guilty

950

00:34:05,430 --> 00:34:03,039

on uh not dispersing but owning you know

951
00:34:07,909 --> 00:34:05,440
child pornography which

952
00:34:09,909 --> 00:34:07,919
uh i you know that's

953
00:34:12,389 --> 00:34:09,919
attacking him as a character me talking

954
00:34:14,629 --> 00:34:12,399
about perhaps but they said that you

955
00:34:16,069 --> 00:34:14,639
know they wanted to bring ufology into

956
00:34:17,510 --> 00:34:16,079
the courtroom

957
00:34:19,270 --> 00:34:17,520
and the reason they wanted to do that

958
00:34:21,829 --> 00:34:19,280
now obviously i didn't hear anything

959
00:34:23,510 --> 00:34:21,839
about it you know

960
00:34:25,589 --> 00:34:23,520
i guess the lawyer was smart enough to

961
00:34:26,869 --> 00:34:25,599
say don't go there

962
00:34:28,629 --> 00:34:26,879
but they were going to accuse the

963
00:34:30,389 --> 00:34:28,639

government of

964

00:34:33,109 --> 00:34:30,399

coming in

965

00:34:35,430 --> 00:34:33,119

and because of stan's knowledge of all

966

00:34:37,990 --> 00:34:35,440

these beings and things like that the

967

00:34:38,950 --> 00:34:38,000

government planted the uh child porn on

968

00:34:41,990 --> 00:34:38,960

his

969

00:34:45,430 --> 00:34:42,000

um

970

00:34:48,869 --> 00:34:45,440

so that that's the part that i'm upset

971

00:34:51,589 --> 00:34:48,879

about is that you know what what type of

972

00:34:53,510 --> 00:34:51,599

information does he think he has

973

00:34:54,550 --> 00:34:53,520

um that he's not been able to prove to

974

00:34:55,909 --> 00:34:54,560

the world

975

00:34:59,109 --> 00:34:55,919

that the government would actually do

976
00:35:01,510 --> 00:34:59,119
something like that to discredit him uh

977
00:35:03,910 --> 00:35:01,520
that's kind of the thought i have on

978
00:35:06,150 --> 00:35:03,920
that and i also communicated with uh

979
00:35:08,630 --> 00:35:06,160
lisa romanek you know i just said

980
00:35:11,190 --> 00:35:08,640
um i hope you're doing okay

981
00:35:13,030 --> 00:35:11,200
um and i hope that you

982
00:35:15,670 --> 00:35:13,040
um i hope you get help because i know

983
00:35:17,510 --> 00:35:15,680
denial is a really you know a strong

984
00:35:20,870 --> 00:35:17,520
coping mechanism

985
00:35:23,589 --> 00:35:20,880
and uh so i received some you know total

986
00:35:25,589 --> 00:35:23,599
denial response back to that quite a few

987
00:35:27,990 --> 00:35:25,599
uh she wrote me several times

988
00:35:30,950 --> 00:35:28,000

um but just saying that he's 100

989

00:35:33,109 --> 00:35:30,960

innocent you know that's so you know i

990

00:35:35,510 --> 00:35:33,119

basically ended my my conversation with

991

00:35:37,430 --> 00:35:35,520

her if you're sitting alone and deep in

992

00:35:38,710 --> 00:35:37,440

your thoughts you feel he's innocent and

993

00:35:40,550 --> 00:35:38,720

maybe you're right

994

00:35:43,430 --> 00:35:40,560

you know so

995

00:35:47,750 --> 00:35:43,440

what else yeah that's that's a

996

00:35:49,910 --> 00:35:47,760

was looking at that for years now um

997

00:35:53,349 --> 00:35:49,920

you know i was always interested um and

998

00:35:54,870 --> 00:35:53,359

and what he was filming and all but

999

00:35:55,910 --> 00:35:54,880

there's two sides of that you know

1000

00:35:58,150 --> 00:35:55,920

either

1001
00:36:00,870 --> 00:35:58,160
he he loaded that on his computer or was

1002
00:36:02,630 --> 00:36:00,880
put on his computer um if one of the

1003
00:36:04,870 --> 00:36:02,640
other is true then you have two

1004
00:36:06,470 --> 00:36:04,880
different conversations you know if he

1005
00:36:09,589 --> 00:36:06,480
was onto something which i don't know if

1006
00:36:12,230 --> 00:36:09,599
he was and they planned it on there well

1007
00:36:13,510 --> 00:36:12,240
wow what a way to ruin somebody's life

1008
00:36:15,670 --> 00:36:13,520
um

1009
00:36:17,990 --> 00:36:15,680
if he had it on there that he put it on

1010
00:36:20,150 --> 00:36:18,000
there himself i mean why would you if

1011
00:36:21,349 --> 00:36:20,160
you're having this kind of scrutiny

1012
00:36:22,950 --> 00:36:21,359
going on

1013
00:36:24,150 --> 00:36:22,960

because you're investigating things that

1014

00:36:25,670 --> 00:36:24,160

maybe somebody doesn't want you to

1015

00:36:26,870 --> 00:36:25,680

investigate why in the world would you

1016

00:36:28,470 --> 00:36:26,880

have something like that on your

1017

00:36:29,990 --> 00:36:28,480

computer and i think it was found in the

1018

00:36:31,589 --> 00:36:30,000

closet of this house

1019

00:36:32,550 --> 00:36:31,599

the whole thing just sounds really

1020

00:36:34,390 --> 00:36:32,560

strange

1021

00:36:36,870 --> 00:36:34,400

not knowing or being able to get to the

1022

00:36:39,270 --> 00:36:36,880

truth of the matter i don't know stan so

1023

00:36:41,190 --> 00:36:39,280

i can't say that he's this person he's

1024

00:36:43,030 --> 00:36:41,200

being portrayed in the media it just

1025

00:36:44,790 --> 00:36:43,040

seems very convenient

1026

00:36:47,270 --> 00:36:44,800

that they found all this material and

1027

00:36:48,950 --> 00:36:47,280

that uh somebody that seems as smart as

1028

00:36:51,109 --> 00:36:48,960

he is would you know would have that

1029

00:36:53,270 --> 00:36:51,119

sitting on a computer because

1030

00:36:54,870 --> 00:36:53,280

you know it's i mean it's crazy it's

1031

00:36:57,109 --> 00:36:54,880

just i don't understand the whole thing

1032

00:36:58,870 --> 00:36:57,119

about that but

1033

00:37:00,230 --> 00:36:58,880

it's something that i couldn't really

1034

00:37:02,710 --> 00:37:00,240

say one way or another because i don't

1035

00:37:04,550 --> 00:37:02,720

know if they plan on us computer then

1036

00:37:06,630 --> 00:37:04,560

we're all wrong you know and if they

1037

00:37:09,349 --> 00:37:06,640

didn't then what a shame you know what

1038

00:37:10,550 --> 00:37:09,359

what a terrible thing either way it is a

1039

00:37:12,630 --> 00:37:10,560

tragedy

1040

00:37:14,870 --> 00:37:12,640

yeah either scenario is terrible it's

1041

00:37:16,870 --> 00:37:14,880

terrible yeah so uh but i don't know the

1042

00:37:19,990 --> 00:37:16,880

guy so i can't tell you that oh yeah he

1043

00:37:22,150 --> 00:37:20,000

did that that wouldn't be fair um

1044

00:37:24,550 --> 00:37:22,160

well he's just three years ahead of that

1045

00:37:25,670 --> 00:37:24,560

uh of them you know arresting him

1046

00:37:28,550 --> 00:37:25,680

initially

1047

00:37:30,630 --> 00:37:28,560

they had seen the activity going on but

1048

00:37:32,630 --> 00:37:30,640

they didn't have anything in place

1049

00:37:34,550 --> 00:37:32,640

to uh to move forward with it they

1050

00:37:37,270 --> 00:37:34,560

didn't have an you know a

1051
00:37:38,710 --> 00:37:37,280
cyber porn you know investigation team

1052
00:37:40,390 --> 00:37:38,720
or anything like that but they knew the

1053
00:37:42,790 --> 00:37:40,400
activity was going on

1054
00:37:44,870 --> 00:37:42,800
you know several years ahead of time

1055
00:37:47,349 --> 00:37:44,880
um yeah that's a tough one i i just

1056
00:37:49,430 --> 00:37:47,359
wouldn't yeah i i i would hate to

1057
00:37:51,750 --> 00:37:49,440
conjecture something that's not true not

1058
00:37:53,750 --> 00:37:51,760
correct or you know or i'm totally wrong

1059
00:37:55,589 --> 00:37:53,760
about it it's it's not fair to that

1060
00:37:57,109 --> 00:37:55,599
person it's

1061
00:37:58,950 --> 00:37:57,119
a little hell right now i feel about

1062
00:38:01,349 --> 00:37:58,960
that you know i'm sure it is hell he's

1063
00:38:04,630 --> 00:38:01,359

not going to spend any jail time on it

1064

00:38:06,150 --> 00:38:04,640

but how i feel about that is um

1065

00:38:07,670 --> 00:38:06,160

you know he

1066

00:38:10,630 --> 00:38:07,680

he had choices

1067

00:38:11,910 --> 00:38:10,640

and you know uh also when he went to

1068

00:38:15,430 --> 00:38:11,920

court he had

1069

00:38:16,950 --> 00:38:15,440

12 peers um that you know were in the

1070

00:38:18,390 --> 00:38:16,960

jury box

1071

00:38:20,790 --> 00:38:18,400

that found him

1072

00:38:23,670 --> 00:38:20,800

guilty you know

1073

00:38:27,190 --> 00:38:23,680

so it's how our court systems work

1074

00:38:31,190 --> 00:38:27,200

um but i don't think there's any uh you

1075

00:38:33,030 --> 00:38:31,200

know big conspiracy about it myself

1076

00:38:36,870 --> 00:38:33,040

but i will say this

1077

00:38:39,750 --> 00:38:36,880

because of the following that stan has

1078

00:38:40,630 --> 00:38:39,760

he has so much support him and lisa as

1079

00:38:42,310 --> 00:38:40,640

well

1080

00:38:44,630 --> 00:38:42,320

they have all these people are just

1081

00:38:46,150 --> 00:38:44,640

pouring out their support to them and

1082

00:38:47,349 --> 00:38:46,160

you know all believing that he was

1083

00:38:48,950 --> 00:38:47,359

framed

1084

00:38:51,349 --> 00:38:48,960

um yeah i mean

1085

00:38:53,670 --> 00:38:51,359

the 12 jury you know we have the oj

1086

00:38:56,150 --> 00:38:53,680

trial so i'm not sure if that that means

1087

00:38:58,310 --> 00:38:56,160

they were accurate so yeah i just you

1088

00:39:00,470 --> 00:38:58,320

know it's just without knowing that you

1089

00:39:02,150 --> 00:39:00,480

know he could be a really good guy

1090

00:39:03,670 --> 00:39:02,160

that's been screwed somehow or somebody

1091

00:39:05,670 --> 00:39:03,680

else could have done that i don't know

1092

00:39:07,910 --> 00:39:05,680

but i you know

1093

00:39:10,150 --> 00:39:07,920

i just there's nothing i can really say

1094

00:39:11,510 --> 00:39:10,160

about that because unless you're him or

1095

00:39:13,030 --> 00:39:11,520

your close friend you don't know what

1096

00:39:14,630 --> 00:39:13,040

the whole scenario was and that's kind

1097

00:39:16,710 --> 00:39:14,640

of scary you know

1098

00:39:19,190 --> 00:39:16,720

because other

1099

00:39:21,510 --> 00:39:19,200

there have been a high incidence of ufo

1100

00:39:23,270 --> 00:39:21,520

researchers passing away hopefully

1101

00:39:25,750 --> 00:39:23,280

that's just a coincidence and not

1102

00:39:27,670 --> 00:39:25,760

something but you just never know i i

1103

00:39:30,069 --> 00:39:27,680

don't think that any of us can get close

1104

00:39:31,829 --> 00:39:30,079

enough to any material that would

1105

00:39:34,150 --> 00:39:31,839

make them want to do something

1106

00:39:36,550 --> 00:39:34,160

drastic like that i mean

1107

00:39:38,069 --> 00:39:36,560

sure you might film a black project

1108

00:39:39,349 --> 00:39:38,079

that's not where it's supposed to be

1109

00:39:40,870 --> 00:39:39,359

which i think has happened with

1110

00:39:42,470 --> 00:39:40,880

somebody's triangular craft and then you

1111

00:39:44,870 --> 00:39:42,480

get a little grief about that

1112

00:39:46,390 --> 00:39:44,880

but um other than that i don't see

1113

00:39:47,910 --> 00:39:46,400

unless something lands in your yard

1114

00:39:48,950 --> 00:39:47,920

that's extraterrestrial i don't see how

1115

00:39:50,150 --> 00:39:48,960

you're gonna get a hold of any

1116

00:39:52,150 --> 00:39:50,160

information

1117

00:39:54,150 --> 00:39:52,160

without hacking something just in

1118

00:39:55,109 --> 00:39:54,160

regular investigations that's gonna

1119

00:39:57,109 --> 00:39:55,119

cause

1120

00:39:58,950 --> 00:39:57,119

a three-letter agency to come down on

1121

00:40:00,550 --> 00:39:58,960

you i've always said that you know as a

1122

00:40:02,150 --> 00:40:00,560

member of mufon as investigator we're

1123

00:40:04,710 --> 00:40:02,160

all on the list somewhere

1124

00:40:06,630 --> 00:40:04,720

they know who we are um i'm sure

1125

00:40:08,950 --> 00:40:06,640

um but i don't think we're a threat to

1126
00:40:10,470 --> 00:40:08,960
uncover a free energy device or anything

1127
00:40:11,589 --> 00:40:10,480
like that

1128
00:40:15,589 --> 00:40:11,599
well you know

1129
00:40:17,430 --> 00:40:15,599
dr stephen greer does have bodyguards so

1130
00:40:18,060 --> 00:40:17,440
and he's got he's developed a flux

1131
00:40:21,109 --> 00:40:18,070
capacitor

1132
00:40:22,829 --> 00:40:21,119
[Laughter]

1133
00:40:25,430 --> 00:40:22,839
that's what it

1134
00:40:27,510 --> 00:40:25,440
is just put a little you know trash in

1135
00:40:27,920 --> 00:40:27,520
there and it'll fire up and power your

1136
00:40:31,109 --> 00:40:27,930
house

1137
00:40:33,030 --> 00:40:31,119
[Laughter]

1138
00:40:34,470 --> 00:40:33,040

yeah in the in the uh

1139

00:40:38,230 --> 00:40:34,480

in his uh

1140

00:40:40,870 --> 00:40:38,240

movie unacknowledged he has this um

1141

00:40:43,510 --> 00:40:40,880

this i remember when this came out the

1142

00:40:45,030 --> 00:40:43,520

guy was powering his car with water

1143

00:40:46,470 --> 00:40:45,040

do you remember that

1144

00:40:47,910 --> 00:40:46,480

and what are you doing i remember i

1145

00:40:50,230 --> 00:40:47,920

remember

1146

00:40:52,710 --> 00:40:50,240

but whatever happened to that 75 mile an

1147

00:40:54,950 --> 00:40:52,720

hour car 75 miles per gallon carburetor

1148

00:40:56,550 --> 00:40:54,960

guy that disappeared i mean there have

1149

00:40:59,750 --> 00:40:56,560

been people that have developed

1150

00:41:01,589 --> 00:40:59,760

supposedly engines that run uh very

1151
00:41:03,670 --> 00:41:01,599
efficiently and then you don't hear from

1152
00:41:07,030 --> 00:41:03,680
them again

1153
00:41:09,589 --> 00:41:07,040
the one on water i know that when

1154
00:41:10,950 --> 00:41:09,599
right before the um

1155
00:41:12,790 --> 00:41:10,960
the uh

1156
00:41:14,870 --> 00:41:12,800
segway came out that people were

1157
00:41:16,950 --> 00:41:14,880
wondering if that was a flying device

1158
00:41:18,230 --> 00:41:16,960
when that patent got finally came out it

1159
00:41:19,670 --> 00:41:18,240
was actually just something you rode

1160
00:41:21,990 --> 00:41:19,680
around on but

1161
00:41:24,470 --> 00:41:22,000
you know it's conspiracy theories i

1162
00:41:26,150 --> 00:41:24,480
don't know if i think if something would

1163
00:41:27,589 --> 00:41:26,160

run on water it'd have to convert it

1164

00:41:29,510 --> 00:41:27,599

somehow to something else and then back

1165

00:41:31,270 --> 00:41:29,520

again but you know there's so many good

1166

00:41:33,109 --> 00:41:31,280

scientists out there i think somebody

1167

00:41:35,030 --> 00:41:33,119

would have stumbled on that again if

1168

00:41:37,430 --> 00:41:35,040

somebody had perfected it once but i

1169

00:41:39,589 --> 00:41:37,440

haven't seen any evidence of that

1170

00:41:41,109 --> 00:41:39,599

right right another question in the

1171

00:41:42,630 --> 00:41:41,119

forum is

1172

00:41:45,190 --> 00:41:42,640

from carriers as part of your

1173

00:41:48,069 --> 00:41:45,200

investigative role in mufon have you

1174

00:41:50,309 --> 00:41:48,079

ever seen evidence from a witness or via

1175

00:41:52,230 --> 00:41:50,319

a scientific source

1176

00:41:54,550 --> 00:41:52,240

that for one reason or another has not

1177

00:41:57,910 --> 00:41:54,560

been disclosed to the public but has

1178

00:42:02,550 --> 00:41:57,920

convinced you of something otherworldly

1179

00:42:06,630 --> 00:42:04,550

i would say that our buddy uh mr

1180

00:42:08,950 --> 00:42:06,640

stanford has uh

1181

00:42:10,230 --> 00:42:08,960

evidence of that yeah um you know some

1182

00:42:14,230 --> 00:42:10,240

of the

1183

00:42:17,109 --> 00:42:14,240

and he shared with others definitely

1184

00:42:19,430 --> 00:42:17,119

show technology in our atmosphere that i

1185

00:42:21,430 --> 00:42:19,440

don't think came from this world um i'm

1186

00:42:23,030 --> 00:42:21,440

not one to jump on the bandwagon and

1187

00:42:24,870 --> 00:42:23,040

immediately say if it's not from here

1188

00:42:26,470 --> 00:42:24,880

it's e.t it could be a lot of other

1189

00:42:28,069 --> 00:42:26,480

possibilities but that that would make

1190

00:42:30,390 --> 00:42:28,079

sense

1191

00:42:32,309 --> 00:42:30,400

you know it's just like if we find

1192

00:42:33,829 --> 00:42:32,319

there was life on mars or europa or

1193

00:42:36,069 --> 00:42:33,839

anywhere else in our solar system then

1194

00:42:37,670 --> 00:42:36,079

mathematically life is everywhere then

1195

00:42:39,670 --> 00:42:37,680

the possibility that something might be

1196

00:42:41,829 --> 00:42:39,680

monitoring us because we're about to

1197

00:42:43,990 --> 00:42:41,839

travel space and we're war-like

1198

00:42:46,950 --> 00:42:44,000

could you know it could be possible we

1199

00:42:48,550 --> 00:42:46,960

could have uh people or civilizations

1200

00:42:50,390 --> 00:42:48,560

visiting us because they want to keep an

1201

00:42:51,990 --> 00:42:50,400

eye on us because we're starting to

1202

00:42:53,270 --> 00:42:52,000

travel space and we have atomic bombs we

1203

00:42:56,309 --> 00:42:53,280

kill each other

1204

00:42:58,870 --> 00:42:56,319

but um a lot of what ray stanford has

1205

00:43:00,150 --> 00:42:58,880

shown me and tony and you you know we've

1206

00:43:02,870 --> 00:43:00,160

seen

1207

00:43:04,470 --> 00:43:02,880

very fascinating things there's other uh

1208

00:43:06,069 --> 00:43:04,480

evidence i've seen

1209

00:43:08,870 --> 00:43:06,079

we're doing our talk at mysteries of

1210

00:43:10,710 --> 00:43:08,880

space and sky about propulsion and

1211

00:43:12,630 --> 00:43:10,720

you know when you do a talk about ufo

1212

00:43:14,710 --> 00:43:12,640

propulsion it's all speculation and what

1213

00:43:18,150 --> 00:43:14,720

you can gather from the available data

1214

00:43:20,390 --> 00:43:18,160

but um even with the eclipse in 91

1215

00:43:22,550 --> 00:43:20,400

mexico with that uh

1216

00:43:24,390 --> 00:43:22,560

that silver disc that was filmed by i

1217

00:43:27,430 --> 00:43:24,400

think eight or nine different people uh

1218

00:43:30,069 --> 00:43:27,440

wasn't planned venus but it did show a

1219

00:43:32,550 --> 00:43:30,079

purple plasma flowing behind it as it

1220

00:43:34,870 --> 00:43:32,560

moved through space and that i've seen

1221

00:43:37,510 --> 00:43:34,880

that in many other videos that i think

1222

00:43:41,109 --> 00:43:37,520

are real anomalous objects so

1223

00:43:43,030 --> 00:43:41,119

personally i've seen several videos and

1224

00:43:44,349 --> 00:43:43,040

and even photographs that i think are

1225

00:43:46,790 --> 00:43:44,359

showing a

1226

00:43:48,470 --> 00:43:46,800

non-terrestrial technology and our

1227

00:43:49,990 --> 00:43:48,480

conclusion on the socorro case that

1228

00:43:51,750 --> 00:43:50,000

we're still working on

1229

00:43:53,190 --> 00:43:51,760

is that thing wasn't built on by anyone

1230

00:43:54,870 --> 00:43:53,200

on this planet because nobody has come

1231

00:43:57,349 --> 00:43:54,880

forward and after the white house the

1232

00:44:00,309 --> 00:43:57,359

pentagon cia and blue book

1233

00:44:01,990 --> 00:44:00,319

um to say yeah we built that we flew it

1234

00:44:03,750 --> 00:44:02,000

that never happened so

1235

00:44:05,190 --> 00:44:03,760

when you eliminate all the possibilities

1236

00:44:08,470 --> 00:44:05,200

you get to that point where you have to

1237

00:44:10,470 --> 00:44:08,480

accept the only remaining answer and and

1238

00:44:12,069 --> 00:44:10,480

for socorro it was that

1239

00:44:13,670 --> 00:44:12,079

we can't find any evidence that anybody

1240

00:44:16,069 --> 00:44:13,680

built that thing or that that technology

1241

00:44:17,910 --> 00:44:16,079

even exists today so it was probably a

1242

00:44:19,670 --> 00:44:17,920

non-terrestrial craft that landed that

1243

00:44:21,670 --> 00:44:19,680

lonnies and mars saw

1244

00:44:24,470 --> 00:44:21,680

yes

1245

00:44:25,510 --> 00:44:24,480

i know uh you're in touch with ray a lot

1246

00:44:27,910 --> 00:44:25,520

and i

1247

00:44:29,910 --> 00:44:27,920

i uh hear from him oh i don't know a

1248

00:44:33,829 --> 00:44:29,920

couple two or three times a month

1249

00:44:36,069 --> 00:44:33,839

um so i'm hoping that he's digging and

1250

00:44:37,510 --> 00:44:36,079

keeps digging till he finds the original

1251

00:44:39,270 --> 00:44:37,520

negative of that

1252

00:44:41,510 --> 00:44:39,280

image of the uh

1253

00:44:43,990 --> 00:44:41,520

the craft when he took a shot you know

1254

00:44:46,309 --> 00:44:44,000

over at the dynamic dynamite shop yeah

1255

00:44:48,150 --> 00:44:46,319

yeah it's a fascinating picture

1256

00:44:50,230 --> 00:44:48,160

i think he uh

1257

00:44:52,470 --> 00:44:50,240

he's looking hard and and just like i

1258

00:44:54,870 --> 00:44:52,480

told ray you know i don't think anybody

1259

00:44:56,950 --> 00:44:54,880

grabbed it i think that only ray

1260

00:44:59,190 --> 00:44:56,960

knows where things are in ray's house

1261

00:45:00,470 --> 00:44:59,200

and you know it's just he's probably put

1262

00:45:01,190 --> 00:45:00,480

it somewhere where he hadn't found it

1263

00:45:02,230 --> 00:45:01,200

yet

1264

00:45:04,630 --> 00:45:02,240

um but

1265

00:45:06,870 --> 00:45:04,640

yeah that's something that um

1266

00:45:09,510 --> 00:45:06,880

that's interesting because um

1267

00:45:11,670 --> 00:45:09,520

when james fox told me he had visited uh

1268

00:45:14,069 --> 00:45:11,680

in socorro and they were apparently

1269

00:45:16,230 --> 00:45:14,079

lonnie zamora had been sent pictures

1270

00:45:19,270 --> 00:45:16,240

of that craft that other people had

1271

00:45:20,470 --> 00:45:19,280

taken but all the pictures were missing

1272

00:45:22,470 --> 00:45:20,480

so

1273

00:45:24,390 --> 00:45:22,480

that's another part of the aspect of the

1274

00:45:26,390 --> 00:45:24,400

investigation is we're still trying to

1275

00:45:28,470 --> 00:45:26,400

find somebody else that might have taken

1276

00:45:31,109 --> 00:45:28,480

a photograph of us craft like that

1277

00:45:32,550 --> 00:45:31,119

because we did find about eight or nine

1278

00:45:34,630 --> 00:45:32,560

points from

1279

00:45:36,710 --> 00:45:34,640

that highway 60 west which we traveled

1280

00:45:38,950 --> 00:45:36,720

from scottsdale to or from socorro to

1281

00:45:39,750 --> 00:45:38,960

scottsdale when we saw you last at the

1282

00:45:41,990 --> 00:45:39,760

um

1283

00:45:44,390 --> 00:45:42,000

ufo congress in arizona

1284

00:45:46,870 --> 00:45:44,400

that were there were about eight or nine

1285

00:45:48,069 --> 00:45:46,880

places where that craft was sighted it

1286

00:45:49,829 --> 00:45:48,079

apparently there was a landing at

1287

00:45:53,349 --> 00:45:49,839

hollerman there was another landing in

1288

00:45:55,270 --> 00:45:53,359

socorro so out of those eight touches

1289

00:45:56,950 --> 00:45:55,280

where that thing was seen and possibly

1290

00:45:58,710 --> 00:45:56,960

photographed hopefully there's another

1291

00:46:01,430 --> 00:45:58,720

photograph out there somewhere so we can

1292

00:46:03,589 --> 00:46:01,440

do some cross-referencing on that

1293

00:46:06,790 --> 00:46:03,599

right right speaking of the phoenix

1294

00:46:08,309 --> 00:46:06,800

conference we were both at um i believe

1295

00:46:10,150 --> 00:46:08,319

that was the year

1296

00:46:12,870 --> 00:46:10,160

where they had the

1297

00:46:14,870 --> 00:46:12,880

uh the hybrids right

1298

00:46:16,550 --> 00:46:14,880

uh yeah it wasn't that was jacques filet

1299

00:46:18,150 --> 00:46:16,560

was there right or was that the year

1300

00:46:21,349 --> 00:46:18,160

after i

1301

00:46:23,270 --> 00:46:21,359

think so uh anyway 2013 i think

1302

00:46:26,230 --> 00:46:23,280

yeah yeah when we're talking about the

1303

00:46:27,589 --> 00:46:26,240

the hybrids i i do have to say that

1304

00:46:29,430 --> 00:46:27,599

um

1305

00:46:31,190 --> 00:46:29,440

you talked about earlier if it was all

1306

00:46:33,109 --> 00:46:31,200

science you know nobody would be there

1307

00:46:35,109 --> 00:46:33,119

15 people would be there

1308

00:46:37,030 --> 00:46:35,119

well these people that were claiming to

1309

00:46:39,910 --> 00:46:37,040

be hybrids you know they

1310

00:46:42,230 --> 00:46:39,920

they showed up and they showed drawings

1311

00:46:43,510 --> 00:46:42,240

of their alien selves not pictures but

1312

00:46:45,589 --> 00:46:43,520

drawings

1313

00:46:48,230 --> 00:46:45,599

and it was uh it was it was kind of you

1314

00:46:49,910 --> 00:46:48,240

know sort of comical in a way to

1315

00:46:52,230 --> 00:46:49,920

to watch this and you know there was

1316

00:46:54,950 --> 00:46:52,240

some tear shed and but i'll tell you

1317

00:46:57,829 --> 00:46:54,960

they got a standing ovation um it was

1318

00:46:59,910 --> 00:46:57,839

the most fringe topic of the conference

1319

00:47:03,109 --> 00:46:59,920

and they had a standing ovation

1320

00:47:06,790 --> 00:47:03,119

so it kind of goes to show what

1321

00:47:08,950 --> 00:47:06,800

what people are people want

1322

00:47:11,990 --> 00:47:08,960

some people want to believe so badly i

1323

00:47:13,829 --> 00:47:12,000

remember that i had a person i won't

1324

00:47:15,349 --> 00:47:13,839

give more detail on that but came up to

1325

00:47:17,430 --> 00:47:15,359

me in arizona grabbed me by the

1326

00:47:19,430 --> 00:47:17,440

shoulders and shook me

1327

00:47:21,750 --> 00:47:19,440

and was going you have to believe that

1328

00:47:24,630 --> 00:47:21,760

i've been abducted you ha and was

1329

00:47:26,309 --> 00:47:24,640

totally you know crying and about an

1330

00:47:28,309 --> 00:47:26,319

inch from my face and i was like i you

1331

00:47:31,670 --> 00:47:28,319

know i had to finally say and tony you

1332

00:47:33,750 --> 00:47:31,680

know passed this person off to me as if

1333

00:47:35,190 --> 00:47:33,760

they went to him for us so thanks danny

1334

00:47:37,190 --> 00:47:35,200

but anyway uh

1335

00:47:39,670 --> 00:47:37,200

i said you know i i believe that you

1336

00:47:42,069 --> 00:47:39,680

believe that happened you know so

1337

00:47:43,750 --> 00:47:42,079

you know give you a little bit of uh

1338

00:47:46,069 --> 00:47:43,760

relax a little bit i believe that you

1339

00:47:50,069 --> 00:47:46,079

believe that happened but you know the

1340

00:47:52,309 --> 00:47:50,079

the the almost fanaticism of some people

1341

00:47:55,270 --> 00:47:52,319

it's like the theory that they're gonna

1342

00:47:57,190 --> 00:47:55,280

be here to save us you know that's just

1343

00:47:58,790 --> 00:47:57,200

i mean you just can't buy into that it's

1344

00:48:00,790 --> 00:47:58,800

a phenomenal that's happening we're

1345

00:48:03,430 --> 00:48:00,800

investigating it but you know when it

1346

00:48:04,710 --> 00:48:03,440

comes to hybrids and

1347

00:48:07,510 --> 00:48:04,720

um

1348

00:48:09,430 --> 00:48:07,520

you know abduction i have a hard time

1349

00:48:11,349 --> 00:48:09,440

wrapping my mind around but it could be

1350

00:48:12,870 --> 00:48:11,359

happening it's just very hard to prove

1351

00:48:14,470 --> 00:48:12,880

it's like a lot of things you have some

1352

00:48:16,630 --> 00:48:14,480

really good stories some very

1353

00:48:17,910 --> 00:48:16,640

interesting stories but they're still

1354

00:48:19,349 --> 00:48:17,920

stories usually you don't have any

1355

00:48:21,670 --> 00:48:19,359

physical evidence you don't have a

1356

00:48:23,109 --> 00:48:21,680

neighbor that saw it sometimes you do

1357

00:48:24,470 --> 00:48:23,119

but it's just

1358

00:48:26,150 --> 00:48:24,480

it's tough to get my

1359

00:48:28,950 --> 00:48:26,160

you know just trying to figure out what

1360

00:48:30,309 --> 00:48:28,960

ufos are i try not to branch off into

1361

00:48:32,230 --> 00:48:30,319

all the other things that are going on

1362

00:48:33,750 --> 00:48:32,240

because it's too distracting and it's

1363

00:48:35,270 --> 00:48:33,760

less and less evidence the further you

1364

00:48:37,349 --> 00:48:35,280

get away from just trying to figure out

1365

00:48:39,990 --> 00:48:37,359

what's flying around the sky

1366

00:48:41,589 --> 00:48:40,000

so i try to focus on that but um when it

1367

00:48:44,630 --> 00:48:41,599

comes to a lot of the you know the

1368

00:48:46,630 --> 00:48:44,640

spiritual side of it the uh

1369

00:48:48,470 --> 00:48:46,640

the palladians and the reptilians and

1370

00:48:52,309 --> 00:48:48,480

all of that i just i don't buy into that

1371

00:48:54,630 --> 00:48:52,319

i really don't well i i was on the fence

1372

00:48:56,950 --> 00:48:54,640

uh there are some cases that i think are

1373

00:48:59,270 --> 00:48:56,960

very convincing but i was on the fence

1374

00:49:01,190 --> 00:48:59,280

about you know abductions in general at

1375

00:49:02,870 --> 00:49:01,200

first you know then

1376

00:49:05,030 --> 00:49:02,880

um at first i didn't think it was

1377

00:49:08,390 --> 00:49:05,040

happening at all and then i thought well

1378

00:49:10,950 --> 00:49:08,400

you know if ufos are here and you know

1379

00:49:13,030 --> 00:49:10,960

and if it's a possibility that at least

1380

00:49:14,710 --> 00:49:13,040

some of them are extraterrestrial

1381

00:49:16,870 --> 00:49:14,720

i could see that something could be

1382

00:49:18,309 --> 00:49:16,880

happening or at least they'd be you know

1383

00:49:20,470 --> 00:49:18,319

doing some research while they're here

1384

00:49:21,829 --> 00:49:20,480

they wouldn't just fly over and fly back

1385

00:49:23,589 --> 00:49:21,839

you know i don't think

1386

00:49:24,710 --> 00:49:23,599

unless unless that's the way they want

1387

00:49:26,630 --> 00:49:24,720

to observe

1388

00:49:28,710 --> 00:49:26,640

but uh so yeah i think that it's

1389

00:49:31,190 --> 00:49:28,720

possible that something's happening but

1390

00:49:32,390 --> 00:49:31,200

um and that some things have happened to

1391

00:49:34,790 --> 00:49:32,400

some people

1392

00:49:37,190 --> 00:49:34,800

yeah that being said i mean i

1393

00:49:38,870 --> 00:49:37,200

i know travis walton i've talked to him

1394

00:49:40,870 --> 00:49:38,880

several times

1395

00:49:44,790 --> 00:49:40,880

i've talked to him personally

1396

00:49:46,870 --> 00:49:44,800

and i i believe his story i mean i think

1397

00:49:49,030 --> 00:49:46,880

that something extraordinary happened

1398

00:49:49,990 --> 00:49:49,040

there um all the people even the guys

1399

00:49:51,349 --> 00:49:50,000

that were with him that didn't want to

1400

00:49:52,790 --> 00:49:51,359

talk have all come forward they've all

1401
00:49:53,910 --> 00:49:52,800
collaborate collaborated everybody's

1402
00:49:56,069 --> 00:49:53,920
story

1403
00:49:57,750 --> 00:49:56,079
um and it's very interesting because you

1404
00:49:59,109 --> 00:49:57,760
know these guys were all up for murder

1405
00:50:00,790 --> 00:49:59,119
for about four or five days because they

1406
00:50:01,510 --> 00:50:00,800
thought they'd killed travis yeah that

1407
00:50:03,990 --> 00:50:01,520
whole

1408
00:50:06,150 --> 00:50:04,000
everything about that story is backed up

1409
00:50:08,870 --> 00:50:06,160
by evidence and even in the great movie

1410
00:50:11,430 --> 00:50:08,880
that uh jennifer stein did called travis

1411
00:50:14,470 --> 00:50:11,440
you know the fact that the rings of the

1412
00:50:15,270 --> 00:50:14,480
tree rings facing the the event where

1413
00:50:16,630 --> 00:50:15,280

that

1414

00:50:18,230 --> 00:50:16,640

i guess it was some type of radio

1415

00:50:19,430 --> 00:50:18,240

activity where the ship came down it's

1416

00:50:29,750 --> 00:50:19,440

that

1417

00:50:32,069 --> 00:50:29,760

showed the same thing was in turbinal

1418

00:50:33,270 --> 00:50:32,079

it the tree rings accelerated towards

1419

00:50:35,109 --> 00:50:33,280

radiation

1420

00:50:36,390 --> 00:50:35,119

so there are cases like that betty and

1421

00:50:37,349 --> 00:50:36,400

barney hill

1422

00:50:39,270 --> 00:50:37,359

you know

1423

00:50:41,270 --> 00:50:39,280

not sure about that that seems pretty

1424

00:50:42,710 --> 00:50:41,280

fascinating too so there are like you

1425

00:50:44,470 --> 00:50:42,720

said there are some cases that make you

1426

00:50:46,549 --> 00:50:44,480

go wow it's just like this whole

1427

00:50:48,470 --> 00:50:46,559

phenomena you know you get some of these

1428

00:50:50,390 --> 00:50:48,480

cases if they're true they're so strange

1429

00:50:53,030 --> 00:50:50,400

that it kind of makes sense that there

1430

00:50:54,870 --> 00:50:53,040

is an advanced civilization visiting us

1431

00:50:56,230 --> 00:50:54,880

like i think carl sagan or maybe

1432

00:50:58,309 --> 00:50:56,240

authority clark said it would look like

1433

00:51:00,870 --> 00:50:58,319

magic and that's exactly what some of

1434

00:51:03,030 --> 00:51:00,880

these cases like what the heck that just

1435

00:51:05,030 --> 00:51:03,040

sounds so strange but it kind of makes

1436

00:51:07,589 --> 00:51:05,040

sense if it's down strange because it's

1437

00:51:08,549 --> 00:51:07,599

alien or at least it's non-terrestrial

1438

00:51:10,230 --> 00:51:08,559

so

1439

00:51:12,549 --> 00:51:10,240

that's a conundrum now you're bringing

1440

00:51:14,630 --> 00:51:12,559

me back to the uh unacknowledged movie

1441

00:51:16,790 --> 00:51:14,640

that stephen greer

1442

00:51:19,670 --> 00:51:16,800

had and that is uh he mentions carl

1443

00:51:21,030 --> 00:51:19,680

sagan now carl sagan did have some

1444

00:51:24,230 --> 00:51:21,040

interest in

1445

00:51:25,670 --> 00:51:24,240

possible visitation early on you know

1446

00:51:27,670 --> 00:51:25,680

there's an article

1447

00:51:28,710 --> 00:51:27,680

i have on my website somewhere that he

1448

00:51:30,710 --> 00:51:28,720

wrote

1449

00:51:33,109 --> 00:51:30,720

in his younger years but according to

1450

00:51:36,230 --> 00:51:33,119

stephen greer in that movie he says that

1451
00:51:39,430 --> 00:51:36,240
he was blackmailed and threatened to

1452
00:51:41,190 --> 00:51:39,440
never talk about ufos and i want to know

1453
00:51:43,750 --> 00:51:41,200
where's the proof of that i want to know

1454
00:51:46,390 --> 00:51:43,760
where stephen greer got that

1455
00:51:48,230 --> 00:51:46,400
yeah the the only thing that i

1456
00:51:51,750 --> 00:51:48,240
that i know from

1457
00:51:54,950 --> 00:51:51,760
following the whole sagan saga um is

1458
00:51:57,349 --> 00:51:54,960
that he was very pro-ufo and then he

1459
00:51:58,790 --> 00:51:57,359
totally discounted it so something

1460
00:52:01,510 --> 00:51:58,800
changed his mind he kind of did the

1461
00:52:03,349 --> 00:52:01,520
opposite of heineken but he did have a

1462
00:52:05,109 --> 00:52:03,359
boy he was very open he talked about it

1463
00:52:08,150 --> 00:52:05,119

and then towards the end he was really

1464

00:52:09,109 --> 00:52:08,160

negative he was very dismissive

1465

00:52:11,430 --> 00:52:09,119

so

1466

00:52:12,950 --> 00:52:11,440

i don't know if what dr greer said is

1467

00:52:14,470 --> 00:52:12,960

true but maybe

1468

00:52:16,630 --> 00:52:14,480

somebody said look you're a high profile

1469

00:52:18,630 --> 00:52:16,640

guy you got to tone this down or at

1470

00:52:20,470 --> 00:52:18,640

least give a you know start to

1471

00:52:22,549 --> 00:52:20,480

you know just like uh

1472

00:52:24,870 --> 00:52:22,559

some of the guys that supposedly were in

1473

00:52:26,470 --> 00:52:24,880

magic majestic 12 that were big

1474

00:52:28,549 --> 00:52:26,480

debunkers you know and it turns out they

1475

00:52:30,230 --> 00:52:28,559

have maybe had the secret life uh or

1476
00:52:32,390 --> 00:52:30,240
some of these guys did have an interest

1477
00:52:34,870 --> 00:52:32,400
in the subject but in public would just

1478
00:52:37,750 --> 00:52:34,880
trash it tremendously and carl sagan did

1479
00:52:40,470 --> 00:52:37,760
a flip so who knows what that was um i

1480
00:52:43,510 --> 00:52:40,480
was a high-profile guy it's like uh

1481
00:52:44,790 --> 00:52:43,520
you know neil tyson uh if if

1482
00:52:47,030 --> 00:52:44,800
he came out and started talking about

1483
00:52:48,950 --> 00:52:47,040
ufos being real you know what would be

1484
00:52:50,870 --> 00:52:48,960
the ramifications so

1485
00:52:52,630 --> 00:52:50,880
maybe this maybe somebody just nudged

1486
00:52:55,270 --> 00:52:52,640
them a little bit said hey tone it down

1487
00:52:56,790 --> 00:52:55,280
or stop talking about it um but i think

1488
00:52:58,309 --> 00:52:56,800

once again it's a story yeah i think

1489

00:53:00,630 --> 00:52:58,319

that's highly likely

1490

00:53:02,950 --> 00:53:00,640

yeah what you're saying is uh seems like

1491

00:53:04,470 --> 00:53:02,960

it makes the most sense of it all yeah

1492

00:53:06,790 --> 00:53:04,480

because he did change his tune you just

1493

00:53:09,190 --> 00:53:06,800

have to wonder why it's not like he got

1494

00:53:10,870 --> 00:53:09,200

definitive proof that it wasn't true um

1495

00:53:12,950 --> 00:53:10,880

because the more you dig just like what

1496

00:53:15,270 --> 00:53:12,960

happened to heineck after socorro and i

1497

00:53:17,190 --> 00:53:15,280

think the swamp gas case he started

1498

00:53:19,109 --> 00:53:17,200

going well this is just it's very

1499

00:53:21,349 --> 00:53:19,119

fascinating there's something to this

1500

00:53:23,030 --> 00:53:21,359

and so uh

1501

00:53:25,030 --> 00:53:23,040

in the really good cases there's

1502

00:53:27,430 --> 00:53:25,040

something that's very elusive but it

1503

00:53:29,589 --> 00:53:27,440

keeps you going because it it's very

1504

00:53:31,750 --> 00:53:29,599

strange and maybe there's circumstantial

1505

00:53:33,589 --> 00:53:31,760

evidence or radioactivity or whatever

1506

00:53:35,510 --> 00:53:33,599

the case may be that makes you go

1507

00:53:37,430 --> 00:53:35,520

that's a very unusual event and the fact

1508

00:53:39,589 --> 00:53:37,440

that x number of people saw it and

1509

00:53:41,270 --> 00:53:39,599

there's this evidence left behind

1510

00:53:43,190 --> 00:53:41,280

then you have these things that kind of

1511

00:53:45,750 --> 00:53:43,200

you know like i said they're very

1512

00:53:47,510 --> 00:53:45,760

strange very peculiar but trying to get

1513

00:53:49,910 --> 00:53:47,520

a grasp on what's going on has been the

1514

00:53:51,349 --> 00:53:49,920

crux of ufology ever since we first

1515

00:53:53,270 --> 00:53:51,359

started doing this

1516

00:53:55,829 --> 00:53:53,280

i know you're familiar with the site the

1517

00:53:57,670 --> 00:53:55,839

angry ufologist

1518

00:53:59,510 --> 00:53:57,680

yep and uh because you and i are both

1519

00:54:00,790 --> 00:53:59,520

members on their facebook page that's

1520

00:54:02,950 --> 00:54:00,800

the reason i know

1521

00:54:05,109 --> 00:54:02,960

um but anyway someone in the chat room

1522

00:54:07,270 --> 00:54:05,119

brought this up and i know he has a uh

1523

00:54:09,349 --> 00:54:07,280

he has an article about it and that is

1524

00:54:12,069 --> 00:54:09,359

uh someone wanted us to talk about the

1525

00:54:14,309 --> 00:54:12,079

black knight satellite do you follow

1526

00:54:15,829 --> 00:54:14,319

have you followed any of that

1527

00:54:18,230 --> 00:54:15,839

as far as i can tell the black knight

1528

00:54:20,230 --> 00:54:18,240

satellite is actually a heat shield that

1529

00:54:22,309 --> 00:54:20,240

came off that's been

1530

00:54:24,069 --> 00:54:22,319

definitely uh

1531

00:54:26,150 --> 00:54:24,079

you know there is a timeline that shows

1532

00:54:28,549 --> 00:54:26,160

that this heat shield this thermal type

1533

00:54:29,430 --> 00:54:28,559

blanket came off and is in space and it

1534

00:54:31,910 --> 00:54:29,440

has

1535

00:54:33,349 --> 00:54:31,920

it looks really strange but it's a

1536

00:54:35,750 --> 00:54:33,359

it's because of the material and the way

1537

00:54:37,670 --> 00:54:35,760

it's photographed i think that there is

1538

00:54:39,349 --> 00:54:37,680

no black knight satellite i think it is

1539

00:54:41,829 --> 00:54:39,359

some type of debris

1540

00:54:43,670 --> 00:54:41,839

um like a thermal heat shield from one

1541

00:54:45,670 --> 00:54:43,680

of the launches

1542

00:54:49,990 --> 00:54:45,680

because if

1543

00:54:53,430 --> 00:54:51,349

earth-based telescopes would be able to

1544

00:54:55,510 --> 00:54:53,440

zoom in on that thing and the fact that

1545

00:54:57,030 --> 00:54:55,520

they keep showing up in nasa images

1546

00:54:58,309 --> 00:54:57,040

they're not trying to hide it i mean the

1547

00:55:00,549 --> 00:54:58,319

thing has been floating around for a

1548

00:55:02,150 --> 00:55:00,559

while i think it's a

1549

00:55:03,670 --> 00:55:02,160

it's what they said it was a thermal

1550

00:55:06,790 --> 00:55:03,680

heat shield

1551
00:55:07,990 --> 00:55:06,800
well um there's a crazy amount

1552
00:55:10,549 --> 00:55:08,000
of uh

1553
00:55:12,630 --> 00:55:10,559
there's about a half a million

1554
00:55:16,150 --> 00:55:12,640
species uh pieces of space junk out

1555
00:55:17,750 --> 00:55:16,160
there you know just orbiting our earth

1556
00:55:20,630 --> 00:55:17,760
which uh which is pretty dangerous for

1557
00:55:22,309 --> 00:55:20,640
ufos to come in you know

1558
00:55:25,990 --> 00:55:22,319
yeah they i think they

1559
00:55:29,990 --> 00:55:28,150
if you you know if you follow the us's

1560
00:55:31,990 --> 00:55:30,000
underwater submerged objects the water

1561
00:55:32,870 --> 00:55:32,000
doesn't seem to affect them at all so if

1562
00:55:34,950 --> 00:55:32,880
they're

1563
00:55:36,309 --> 00:55:34,960

in and that's part of the propulsion you

1564

00:55:38,390 --> 00:55:36,319

know i think they surround themselves

1565

00:55:40,470 --> 00:55:38,400

with some type of static shell or shield

1566

00:55:43,430 --> 00:55:40,480

that enables them to pass through

1567

00:55:45,270 --> 00:55:43,440

anything without any resistance you know

1568

00:55:46,710 --> 00:55:45,280

one of the things that always baffles me

1569

00:55:49,190 --> 00:55:46,720

about

1570

00:55:50,950 --> 00:55:49,200

these people that witness a ufo just all

1571

00:55:53,750 --> 00:55:50,960

of a sudden shooting off like really

1572

00:55:56,630 --> 00:55:53,760

fast is there's no breaking of the sound

1573

00:55:58,470 --> 00:55:56,640

barrier would that also cover that with

1574

00:56:01,750 --> 00:55:58,480

what you're talking about

1575

00:56:03,670 --> 00:56:01,760

well yeah i mean from you know from the

1576

00:56:06,309 --> 00:56:03,680

paper that the gentleman wrote after

1577

00:56:08,549 --> 00:56:06,319

witnessing rey's film um with the bema

1578

00:56:11,349 --> 00:56:08,559

head it's been shown in the lab that if

1579

00:56:13,030 --> 00:56:11,359

you shoot energy it could be plasma or

1580

00:56:14,789 --> 00:56:13,040

other type of energy out in front of a

1581

00:56:16,549 --> 00:56:14,799

craft it does push the air out of the

1582

00:56:18,230 --> 00:56:16,559

way so then you're traveling through

1583

00:56:19,510 --> 00:56:18,240

that vacuum you're not breaking the

1584

00:56:20,710 --> 00:56:19,520

sound barrier because the air has been

1585

00:56:23,109 --> 00:56:20,720

pushed away

1586

00:56:24,950 --> 00:56:23,119

i could you know that's very feasible um

1587

00:56:26,710 --> 00:56:24,960

and all our craft now our shuttle and

1588

00:56:28,069 --> 00:56:26,720

everything has those long nose cones on

1589

00:56:30,630 --> 00:56:28,079

it that's shooting energy out in front

1590

00:56:32,950 --> 00:56:30,640

of it to place displace the air so that

1591

00:56:34,630 --> 00:56:32,960

you have much more efficient travel when

1592

00:56:36,549 --> 00:56:34,640

you don't have to churn through the

1593

00:56:38,069 --> 00:56:36,559

atmosphere but

1594

00:56:40,150 --> 00:56:38,079

anything that's gotten here from

1595

00:56:42,390 --> 00:56:40,160

somewhere else would have the ability to

1596

00:56:44,950 --> 00:56:42,400

have figured all that out i mean the one

1597

00:56:47,349 --> 00:56:44,960

thing that i think several of us agree

1598

00:56:49,430 --> 00:56:47,359

on that ray has pointed out is

1599

00:56:50,870 --> 00:56:49,440

if they're manipulating gravity which i

1600

00:56:53,109 --> 00:56:50,880

think that's what they're doing then

1601
00:56:54,470 --> 00:56:53,119
they can manipulate time and space and

1602
00:56:56,630 --> 00:56:54,480
that would explain a lot of the bizarre

1603
00:56:58,950 --> 00:56:56,640
behavior you know being able to to shoot

1604
00:57:00,470 --> 00:56:58,960
across the sky in less than a second

1605
00:57:02,309 --> 00:57:00,480
well if they have some type of mini

1606
00:57:04,150 --> 00:57:02,319
wormhole or something that's enabling

1607
00:57:05,750 --> 00:57:04,160
them to manipulate gravity then all

1608
00:57:09,030 --> 00:57:05,760
these things are possible it would just

1609
00:57:11,910 --> 00:57:09,040
be amazing to watch the energy required

1610
00:57:13,109 --> 00:57:11,920
to do this stuff they do is there and

1611
00:57:15,030 --> 00:57:13,119
we're finding out a lot more about

1612
00:57:16,710 --> 00:57:15,040
gravitational waves and you know the

1613
00:57:19,109 --> 00:57:16,720

fact that there's no such thing as empty

1614

00:57:22,230 --> 00:57:19,119

space you have this uh

1615

00:57:24,309 --> 00:57:22,240

quantum fluctuation where particles

1616

00:57:25,829 --> 00:57:24,319

blink in and out of existence which we

1617

00:57:27,270 --> 00:57:25,839

never thought happened before but

1618

00:57:29,190 --> 00:57:27,280

there's no such thing as empty states

1619

00:57:31,190 --> 00:57:29,200

it's filled with quirks and things that

1620

00:57:33,190 --> 00:57:31,200

come in in existence and go out of

1621

00:57:34,630 --> 00:57:33,200

existence now they're saying that maybe

1622

00:57:36,710 --> 00:57:34,640

that's how the universe started there

1623

00:57:38,870 --> 00:57:36,720

was nothing but out of nothing always

1624

00:57:41,109 --> 00:57:38,880

comes something and so from absolutely

1625

00:57:43,190 --> 00:57:41,119

nothing the universe was born which is

1626
00:57:44,470 --> 00:57:43,200
hard for humans to get their head around

1627
00:57:45,589 --> 00:57:44,480
but

1628
00:57:47,589 --> 00:57:45,599
it's pretty interesting the more we

1629
00:57:49,190 --> 00:57:47,599
learn about quantum physics and physics

1630
00:57:50,549 --> 00:57:49,200
in general

1631
00:57:52,950 --> 00:57:50,559
all these things are possible we just

1632
00:57:55,030 --> 00:57:52,960
haven't figured them out yet but if if a

1633
00:57:56,950 --> 00:57:55,040
civilization is 500 years ahead of us

1634
00:57:58,390 --> 00:57:56,960
it's gonna look one way but if it's five

1635
00:57:59,589 --> 00:57:58,400
thousand five hundred thousand years

1636
00:58:01,030 --> 00:57:59,599
ahead of us

1637
00:58:01,910 --> 00:58:01,040
it's going to look like magic it's going

1638
00:58:03,990 --> 00:58:01,920

to be

1639

00:58:07,270 --> 00:58:04,000

something that even if one crashed in

1640

00:58:09,670 --> 00:58:07,280

the desert in 1947

1641

00:58:11,270 --> 00:58:09,680

and we broke it apart we still probably

1642

00:58:12,870 --> 00:58:11,280

wouldn't know what the heck it was or

1643

00:58:14,549 --> 00:58:12,880

how it worked

1644

00:58:16,150 --> 00:58:14,559

all right you know where i i've been

1645

00:58:17,510 --> 00:58:16,160

getting in the chat room people are a

1646

00:58:20,829 --> 00:58:17,520

little disappointed that we're not going

1647

00:58:26,230 --> 00:58:24,230

okay they came here for it

1648

00:58:28,870 --> 00:58:26,240

well you know they're the angry

1649

00:58:30,630 --> 00:58:28,880

ufologists and people they've had

1650

00:58:32,549 --> 00:58:30,640

there's some good points made about you

1651
00:58:35,349 --> 00:58:32,559
know where's the science and the science

1652
00:58:37,670 --> 00:58:35,359
is not being done in a lot of cases

1653
00:58:40,549 --> 00:58:37,680
a lot of the sensational stuff that's up

1654
00:58:41,910 --> 00:58:40,559
on social media now is sensational it

1655
00:58:43,430 --> 00:58:41,920
doesn't have any proof it doesn't have

1656
00:58:45,430 --> 00:58:43,440
any evidence but it sounds great hey we

1657
00:58:47,430 --> 00:58:45,440
had a three-fingered

1658
00:58:49,349 --> 00:58:47,440
alien from peru

1659
00:58:51,829 --> 00:58:49,359
sure you do you know it's it's the kind

1660
00:58:54,230 --> 00:58:51,839
of thing that people want to have to be

1661
00:58:56,230 --> 00:58:54,240
real want to have that tangible evidence

1662
00:58:58,789 --> 00:58:56,240
but when you dig into stories like that

1663
00:59:00,069 --> 00:58:58,799

man it all falls apart it's just

1664

00:59:01,990 --> 00:59:00,079

what is the status there's a lot of

1665

00:59:03,910 --> 00:59:02,000

grief about that yeah what is the status

1666

00:59:05,430 --> 00:59:03,920

of that um i haven't heard anything

1667

00:59:07,589 --> 00:59:05,440

about it lately

1668

00:59:09,589 --> 00:59:07,599

the um

1669

00:59:12,789 --> 00:59:09,599

from what i've seen is in the first

1670

00:59:14,470 --> 00:59:12,799

thing i asked asked ray about it and he

1671

00:59:16,230 --> 00:59:14,480

said well that culture didn't use

1672

00:59:18,309 --> 00:59:16,240

plaster in that time frame you know he

1673

00:59:20,069 --> 00:59:18,319

knew that right away and that's come up

1674

00:59:21,510 --> 00:59:20,079

and the fact that the hand is missing

1675

00:59:23,589 --> 00:59:21,520

certain bones it wouldn't even function

1676

00:59:26,230 --> 00:59:23,599

the way the x-rays show

1677

00:59:29,270 --> 00:59:26,240

another guy pointed out that in 97 one

1678

00:59:31,750 --> 00:59:29,280

of these same mummies was presented

1679

00:59:33,829 --> 00:59:31,760

with its head up and the new mummy is

1680

00:59:35,670 --> 00:59:33,839

the same one but it's head is down he

1681

00:59:38,549 --> 00:59:35,680

said probably in shame

1682

00:59:40,309 --> 00:59:38,559

for being presented as an alien but it's

1683

00:59:42,470 --> 00:59:40,319

even the science the real scientist

1684

00:59:44,630 --> 00:59:42,480

there said it's it's it's theft there's

1685

00:59:46,630 --> 00:59:44,640

graveyard theft you've taken bones that

1686

00:59:49,030 --> 00:59:46,640

are going to carbonate to that bright

1687

00:59:51,349 --> 00:59:49,040

time frame but you've taken graves and

1688

00:59:53,430 --> 00:59:51,359

you've reconstructed bones in such a way

1689

00:59:55,349 --> 00:59:53,440

to make it look anomalous and and then

1690

00:59:57,910 --> 00:59:55,359

you covered it in plaster to muddy

1691

00:59:59,510 --> 00:59:57,920

everything up else up

1692

01:00:00,470 --> 00:59:59,520

everything i've seen from that case

1693

01:00:02,870 --> 01:00:00,480

because i

1694

01:00:04,390 --> 01:00:02,880

the scientists and doctors that those

1695

01:00:06,630 --> 01:00:04,400

guys were promoting

1696

01:00:07,829 --> 01:00:06,640

i looked into the colleges and the

1697

01:00:09,589 --> 01:00:07,839

scientific

1698

01:00:11,109 --> 01:00:09,599

institutions and none of them existed i

1699

01:00:12,870 --> 01:00:11,119

couldn't find anything on google for

1700

01:00:15,030 --> 01:00:12,880

half these scientists i couldn't find

1701

01:00:16,950 --> 01:00:15,040

them but the

1702

01:00:19,109 --> 01:00:16,960

you know the real people that are the

1703

01:00:21,270 --> 01:00:19,119

real scientists in nazca that are the

1704

01:00:23,670 --> 01:00:21,280

archaeologists and all they are saying

1705

01:00:25,670 --> 01:00:23,680

that it's it's it's grave robbery

1706

01:00:28,470 --> 01:00:25,680

there's nothing true about it so i

1707

01:00:29,990 --> 01:00:28,480

haven't seen one shred of evidence out

1708

01:00:32,309 --> 01:00:30,000

of this whole thing

1709

01:00:34,549 --> 01:00:32,319

that shows me that it's nothing but you

1710

01:00:37,109 --> 01:00:34,559

know cobbled together bones from the

1711

01:00:39,589 --> 01:00:37,119

poor people whose graves have been taken

1712

01:00:41,190 --> 01:00:39,599

out it's just from day one i didn't

1713

01:00:42,549 --> 01:00:41,200

believe it and i still don't believe it

1714

01:00:44,069 --> 01:00:42,559

and there's nothing that's come out that

1715

01:00:46,309 --> 01:00:44,079

shows me there's anything anomalous

1716

01:00:48,390 --> 01:00:46,319

about it but hey for you know

1717

01:00:49,589 --> 01:00:48,400

50 bucks maybe you can watch all the

1718

01:00:51,430 --> 01:00:49,599

videos

1719

01:00:53,990 --> 01:00:51,440

it's just another it's just another

1720

01:00:55,430 --> 01:00:54,000

hopefully not a roswell slide fiasco

1721

01:00:57,829 --> 01:00:55,440

again

1722

01:01:00,150 --> 01:00:57,839

yeah yeah um well

1723

01:01:02,309 --> 01:01:00,160

there's uh something i read about it

1724

01:01:03,990 --> 01:01:02,319

they're saying that's not plaster it's

1725

01:01:06,390 --> 01:01:04,000

some type of uh

1726

01:01:08,630 --> 01:01:06,400

um oxidation that happens naturally in

1727

01:01:11,190 --> 01:01:08,640

the you know the dry area where they're

1728

01:01:12,789 --> 01:01:11,200

from and all that yeah i don't buy that

1729

01:01:14,789 --> 01:01:12,799

yeah yeah

1730

01:01:17,030 --> 01:01:14,799

uniform i had mentioned in the beginning

1731

01:01:19,750 --> 01:01:17,040

if it was indeed plaster you know being

1732

01:01:22,150 --> 01:01:19,760

in the field that i'm in you know if

1733

01:01:25,270 --> 01:01:22,160

plaster is like 90 100 years old it

1734

01:01:27,829 --> 01:01:25,280

yellowes it uh darkens and there's a

1735

01:01:29,750 --> 01:01:27,839

patina that you know becomes like a

1736

01:01:31,190 --> 01:01:29,760

smooth patina and yellowes that's what

1737

01:01:32,870 --> 01:01:31,200

happens to plaster

1738

01:01:33,990 --> 01:01:32,880

right so this could have been plastered

1739

01:01:36,549 --> 01:01:34,000

recently

1740

01:01:38,150 --> 01:01:36,559

it sure looked like it if it was plaster

1741

01:01:39,510 --> 01:01:38,160

or not this other substance they were

1742

01:01:42,710 --> 01:01:39,520

talking about

1743

01:01:45,349 --> 01:01:42,720

but um so that that seemed like it might

1744

01:01:47,990 --> 01:01:45,359

be another money scheme also

1745

01:01:48,950 --> 01:01:48,000

um i've read somewhere where

1746

01:01:53,030 --> 01:01:48,960

they

1747

01:01:54,950 --> 01:01:53,040

bodies way back

1748

01:01:56,549 --> 01:01:54,960

you know like um

1749

01:01:57,990 --> 01:01:56,559

several hundred years ago or a hundred

1750

01:01:58,710 --> 01:01:58,000

years ago or something like that they

1751
01:02:00,789 --> 01:01:58,720
would

1752
01:02:02,309 --> 01:02:00,799
exhume and do something with them and

1753
01:02:03,829 --> 01:02:02,319
you know put them back which i think is

1754
01:02:05,190 --> 01:02:03,839
really bizarre i don't know if that's

1755
01:02:06,950 --> 01:02:05,200
true or not

1756
01:02:08,710 --> 01:02:06,960
yeah there's uh you know if you go back

1757
01:02:11,270 --> 01:02:08,720
in time people used to think they would

1758
01:02:13,190 --> 01:02:11,280
find thigh bones from giants and you

1759
01:02:15,109 --> 01:02:13,200
know it was dinosaur bones

1760
01:02:17,430 --> 01:02:15,119
so people have all kinds of then you had

1761
01:02:19,829 --> 01:02:17,440
the i can't remember the the something

1762
01:02:21,670 --> 01:02:19,839
man but supposedly an unearthed giant

1763
01:02:23,910 --> 01:02:21,680

that turned out to be a statue

1764

01:02:25,190 --> 01:02:23,920

um so you know

1765

01:02:26,390 --> 01:02:25,200

and

1766

01:02:29,030 --> 01:02:26,400

it's just

1767

01:02:31,270 --> 01:02:29,040

the whole thing just

1768

01:02:32,870 --> 01:02:31,280

it smells you know it just smells bad

1769

01:02:35,670 --> 01:02:32,880

that's the best way i can put it without

1770

01:02:37,910 --> 01:02:35,680

getting it just it it messes everything

1771

01:02:40,309 --> 01:02:37,920

else up it once they'll find out that

1772

01:02:43,030 --> 01:02:40,319

it's all not real and it's fake it's

1773

01:02:45,430 --> 01:02:43,040

just another blow to ufology so you know

1774

01:02:46,950 --> 01:02:45,440

it seems like

1775

01:02:49,270 --> 01:02:46,960

really good researchers have to separate

1776

01:02:51,349 --> 01:02:49,280

themselves do the science

1777

01:02:52,710 --> 01:02:51,359

you just can't get on board with any of

1778

01:02:54,230 --> 01:02:52,720

these things especially if they're

1779

01:02:56,870 --> 01:02:54,240

remote events

1780

01:02:58,950 --> 01:02:56,880

there's no way to tell if they're real

1781

01:03:00,470 --> 01:02:58,960

the roswell slide when that came out i

1782

01:03:02,549 --> 01:03:00,480

asked thump kerry if i could look at the

1783

01:03:04,150 --> 01:03:02,559

slide i would help them release it

1784

01:03:05,990 --> 01:03:04,160

and if i'd gotten a look at it i

1785

01:03:07,750 --> 01:03:06,000

probably could have at least satisfied

1786

01:03:09,349 --> 01:03:07,760

myself because the cursory look at that

1787

01:03:11,270 --> 01:03:09,359

picture shows you that it's nothing

1788

01:03:12,870 --> 01:03:11,280

nothing special but

1789

01:03:14,870 --> 01:03:12,880

yeah this is the way it is people jump

1790

01:03:16,390 --> 01:03:14,880

on the bandwagon promote something uh

1791

01:03:18,710 --> 01:03:16,400

want to be the first person to get out

1792

01:03:21,910 --> 01:03:18,720

the true alien or a piece of metal from

1793

01:03:23,510 --> 01:03:21,920

a craft or whatever but you know um

1794

01:03:25,589 --> 01:03:23,520

it's just

1795

01:03:27,510 --> 01:03:25,599

most of it is a hoax most of it is for

1796

01:03:30,230 --> 01:03:27,520

the money most of it is for you know the

1797

01:03:32,309 --> 01:03:30,240

bells and whistles that come with being

1798

01:03:34,470 --> 01:03:32,319

out in the public maybe famous for a

1799

01:03:36,150 --> 01:03:34,480

while you're 15 minutes of fame

1800

01:03:37,910 --> 01:03:36,160

it's just not you know as i've said

1801

01:03:39,190 --> 01:03:37,920

before if you get into ufology be rich

1802

01:03:41,510 --> 01:03:39,200

and famous you're going to be poor and

1803

01:03:43,029 --> 01:03:41,520

unknown because it doesn't pay you

1804

01:03:44,710 --> 01:03:43,039

it's a passion that we have trying to

1805

01:03:46,549 --> 01:03:44,720

find the truth because it's all out of

1806

01:03:49,190 --> 01:03:46,559

pocket i mean

1807

01:03:50,789 --> 01:03:49,200

you know the shows we do are great but

1808

01:03:52,789 --> 01:03:50,799

you know it's a free trip basically for

1809

01:03:54,470 --> 01:03:52,799

us and it gives us exposure it lets us

1810

01:03:56,230 --> 01:03:54,480

talk um

1811

01:03:58,309 --> 01:03:56,240

we're on nasa's unexplained files too

1812

01:03:59,430 --> 01:03:58,319

but that show just vanished i don't know

1813

01:04:01,109 --> 01:03:59,440

what happened to that show it showed

1814

01:04:02,950 --> 01:04:01,119

about three episodes and then

1815

01:04:05,589 --> 01:04:02,960

disappeared from tv because we had some

1816

01:04:07,510 --> 01:04:05,599

really good discussions on that one uh

1817

01:04:09,029 --> 01:04:07,520

but you know it's

1818

01:04:11,270 --> 01:04:09,039

it's good that we have podcasts like

1819

01:04:12,710 --> 01:04:11,280

this to kind of dig down and talk about

1820

01:04:16,069 --> 01:04:12,720

stuff because uh

1821

01:04:18,950 --> 01:04:16,079

i can feel the hate mail coming now man

1822

01:04:21,670 --> 01:04:18,960

yeah i see at least one down a thumbs

1823

01:04:23,510 --> 01:04:21,680

down to the show so far okay which isn't

1824

01:04:25,349 --> 01:04:23,520

too bad um

1825

01:04:27,109 --> 01:04:25,359

so yeah you know

1826

01:04:30,069 --> 01:04:27,119

here's here's a good point right here

1827

01:04:31,990 --> 01:04:30,079

you just said that for these shows you

1828

01:04:34,789 --> 01:04:32,000

actually don't get paid you just get

1829

01:04:36,870 --> 01:04:34,799

like free expenses and travel is that

1830

01:04:39,109 --> 01:04:36,880

really what it boils down to um there's

1831

01:04:40,390 --> 01:04:39,119

a little bit of a

1832

01:04:42,470 --> 01:04:40,400

kind of a base

1833

01:04:45,589 --> 01:04:42,480

some that's very nominal you end up

1834

01:04:46,870 --> 01:04:45,599

spending it for food and usually alcohol

1835

01:04:49,029 --> 01:04:46,880

but

1836

01:04:50,549 --> 01:04:49,039

it's you know it's a it's a it's usually

1837

01:04:51,990 --> 01:04:50,559

a trip um

1838

01:04:53,829 --> 01:04:52,000

you know we were going to speak at an

1839

01:04:55,270 --> 01:04:53,839

event later this year but it turns out

1840

01:04:57,270 --> 01:04:55,280

they didn't have good funds and i just

1841

01:04:58,870 --> 01:04:57,280

couldn't afford to fly out to do it and

1842

01:05:00,710 --> 01:04:58,880

so we kind of had to back out of that

1843

01:05:03,430 --> 01:05:00,720

one which is unfortunate i think it's

1844

01:05:04,870 --> 01:05:03,440

going to be a good event out in wyoming

1845

01:05:07,670 --> 01:05:04,880

but um

1846

01:05:09,510 --> 01:05:07,680

yeah you know we're

1847

01:05:11,910 --> 01:05:09,520

we're going to be on the mufon cruise in

1848

01:05:13,510 --> 01:05:11,920

january with stanton and kathleen martin

1849

01:05:15,029 --> 01:05:13,520

which is going to be good it's good to

1850

01:05:17,109 --> 01:05:15,039

get like-minded people away from

1851
01:05:18,390 --> 01:05:17,119
everything you know on the boat the good

1852
01:05:19,750 --> 01:05:18,400
thing is you're on a boat away from

1853
01:05:21,750 --> 01:05:19,760
everybody the bad thing is you're on a

1854
01:05:23,029 --> 01:05:21,760
boat and you're stuck with everybody in

1855
01:05:24,309 --> 01:05:23,039
case you don't like

1856
01:05:28,309 --> 01:05:24,319
your crewmates

1857
01:05:32,309 --> 01:05:28,319
but um yeah it's just um

1858
01:05:34,549 --> 01:05:32,319
it's everybody has their own opinion and

1859
01:05:36,150 --> 01:05:34,559
i guess the best thing i can say is uh

1860
01:05:37,270 --> 01:05:36,160
you know

1861
01:05:38,390 --> 01:05:37,280
have a good idea of what you're

1862
01:05:40,309 --> 01:05:38,400
presenting and you're talking about

1863
01:05:41,109 --> 01:05:40,319

before you throw it out there because if

1864

01:05:42,950 --> 01:05:41,119

you're

1865

01:05:44,950 --> 01:05:42,960

if you throw something out there and it

1866

01:05:47,109 --> 01:05:44,960

turns out to be 100 wrong then your

1867

01:05:48,710 --> 01:05:47,119

credibility is probably shot at that

1868

01:05:50,710 --> 01:05:48,720

point and there's certain people that we

1869

01:05:51,829 --> 01:05:50,720

don't even have to mention that

1870

01:05:56,150 --> 01:05:51,839

you know when you hear something from

1871

01:05:59,750 --> 01:05:57,589

you know

1872

01:06:01,670 --> 01:05:59,760

someone is asking

1873

01:06:04,549 --> 01:06:01,680

what your thoughts are

1874

01:06:07,990 --> 01:06:04,559

on tom delong and i guess we could cover

1875

01:06:10,230 --> 01:06:08,000

that uh lightly if you'd like to

1876

01:06:14,549 --> 01:06:10,240

i don't know tom i think he's trying to

1877

01:06:16,950 --> 01:06:14,559

do the right thing um but i've seen

1878

01:06:19,029 --> 01:06:16,960

promises of of

1879

01:06:21,109 --> 01:06:19,039

of of

1880

01:06:22,390 --> 01:06:21,119

revelations that haven't come out uh

1881

01:06:24,630 --> 01:06:22,400

there's been a couple of books of

1882

01:06:27,670 --> 01:06:24,640

fiction i i really don't know the guy so

1883

01:06:30,950 --> 01:06:27,680

i can't really say i i think he's trying

1884

01:06:33,990 --> 01:06:30,960

to do and use the the money that he has

1885

01:06:36,069 --> 01:06:34,000

to uh to find out things but once again

1886

01:06:37,510 --> 01:06:36,079

he could be you know he's he's gotten

1887

01:06:38,230 --> 01:06:37,520

these interviews he's talked to people

1888

01:06:39,990 --> 01:06:38,240

but

1889

01:06:41,270 --> 01:06:40,000

they could be feeding him disinformation

1890

01:06:44,710 --> 01:06:41,280

they could be doing the same thing that

1891

01:06:46,549 --> 01:06:44,720

dottie did with uh linda melton howe and

1892

01:06:48,230 --> 01:06:46,559

you know it could be going down the same

1893

01:06:49,190 --> 01:06:48,240

path again because he's kind of new to

1894

01:06:51,589 --> 01:06:49,200

the field

1895

01:06:52,950 --> 01:06:51,599

he might be a little trusting and

1896

01:06:54,230 --> 01:06:52,960

somebody can jump on that go i'm going

1897

01:06:56,470 --> 01:06:54,240

to take this guy down the rabbit hole

1898

01:06:57,510 --> 01:06:56,480

again just like we did with the mj12

1899

01:06:59,190 --> 01:06:57,520

papers

1900

01:07:01,109 --> 01:06:59,200

so i think his heart's in the right

1901

01:07:03,270 --> 01:07:01,119

place i just

1902

01:07:05,270 --> 01:07:03,280

i think you know money helps to get

1903

01:07:08,390 --> 01:07:05,280

things done but i don't know how much

1904

01:07:09,990 --> 01:07:08,400

he's actually researching and digging in

1905

01:07:12,870 --> 01:07:10,000

right so seems like a nice guy seems

1906

01:07:13,990 --> 01:07:12,880

like a good guy yeah yeah uh corey good

1907

01:07:15,910 --> 01:07:14,000

someone wanted to know what your

1908

01:07:18,710 --> 01:07:15,920

thoughts were on corey goode now wasn't

1909

01:07:20,870 --> 01:07:18,720

he at the uh was he yeah

1910

01:07:22,789 --> 01:07:20,880

yeah i just um

1911

01:07:25,190 --> 01:07:22,799

you know he seemed like a nice guy he

1912

01:07:26,789 --> 01:07:25,200

seemed well spoken i talked to a lot of

1913

01:07:28,870 --> 01:07:26,799

the guys there that were

1914

01:07:30,630 --> 01:07:28,880

talking about the secret space program

1915

01:07:32,390 --> 01:07:30,640

well-spoken guys some of them have

1916

01:07:33,910 --> 01:07:32,400

multiple phds

1917

01:07:36,470 --> 01:07:33,920

it's just that the things they're

1918

01:07:39,029 --> 01:07:36,480

talking about cannot be verified in any

1919

01:07:40,710 --> 01:07:39,039

way shape or form the only verification

1920

01:07:42,390 --> 01:07:40,720

is from the other people that say they

1921

01:07:43,349 --> 01:07:42,400

were part of the secret space program

1922

01:07:44,950 --> 01:07:43,359

also

1923

01:07:46,710 --> 01:07:44,960

i haven't really seen

1924

01:07:49,589 --> 01:07:46,720

documentation you know if we were going

1925

01:07:51,270 --> 01:07:49,599

to mars multiple times there's so many

1926

01:07:52,710 --> 01:07:51,280

astronomers that you know watched the

1927

01:07:54,710 --> 01:07:52,720

moon landing i think they'd be able to

1928

01:07:57,029 --> 01:07:54,720

track a craft that was heading out

1929

01:07:58,470 --> 01:07:57,039

towards mars or at least see it on the

1930

01:08:00,069 --> 01:07:58,480

way um

1931

01:08:01,829 --> 01:08:00,079

i just don't think the technology is

1932

01:08:04,150 --> 01:08:01,839

there i think it's

1933

01:08:05,589 --> 01:08:04,160

those are good stories but i i don't see

1934

01:08:07,990 --> 01:08:05,599

any way to back them up i don't see any

1935

01:08:10,390 --> 01:08:08,000

way to prove that that actually happened

1936

01:08:12,710 --> 01:08:10,400

a lot of the content is just

1937

01:08:15,190 --> 01:08:12,720

with age regression and

1938

01:08:17,430 --> 01:08:15,200

dinosaurs on mars and

1939

01:08:19,430 --> 01:08:17,440

ross perot was part of the jump team

1940

01:08:21,349 --> 01:08:19,440

barack obama under a different name was

1941

01:08:23,189 --> 01:08:21,359

part of the jump team and they were

1942

01:08:25,349 --> 01:08:23,199

talking to um

1943

01:08:27,189 --> 01:08:25,359

howard hughes who's

1944

01:08:28,309 --> 01:08:27,199

well for all i know has been dead for 20

1945

01:08:29,910 --> 01:08:28,319

or 30 years

1946

01:08:32,149 --> 01:08:29,920

so um

1947

01:08:33,110 --> 01:08:32,159

when these events happen but uh

1948

01:08:35,269 --> 01:08:33,120

you know

1949

01:08:37,669 --> 01:08:35,279

i don't attack the people because i

1950

01:08:39,110 --> 01:08:37,679

think they're you know some a lot of

1951

01:08:40,870 --> 01:08:39,120

them are good people but the message or

1952

01:08:42,390 --> 01:08:40,880

the story they're telling there's no way

1953

01:08:44,149 --> 01:08:42,400

to back it up there's no way to verify

1954

01:08:46,229 --> 01:08:44,159

it so it's it's just a tale that's all

1955

01:08:47,910 --> 01:08:46,239

it is it's like uh sitting around the

1956

01:08:49,349 --> 01:08:47,920

campfire and telling ghost stories and

1957

01:08:51,030 --> 01:08:49,359

horror stories

1958

01:08:52,550 --> 01:08:51,040

right right

1959

01:08:54,070 --> 01:08:52,560

um

1960

01:08:55,590 --> 01:08:54,080

someone says if

1961

01:08:58,950 --> 01:08:55,600

we're taking calls if someone wants to

1962

01:09:00,630 --> 01:08:58,960

call in and uh ask a question

1963

01:09:03,590 --> 01:09:00,640

or just say

1964

01:09:04,630 --> 01:09:03,600

uh you know a topic that you want us to

1965

01:09:06,149 --> 01:09:04,640

discuss

1966

01:09:09,030 --> 01:09:06,159

as far uh if you think it's

1967

01:09:10,669 --> 01:09:09,040

controversial that number 603

1968

01:09:12,630 --> 01:09:10,679

967

1969

01:09:14,650 --> 01:09:12,640

403 oh we already have someone

1970

01:09:17,669 --> 01:09:14,660

threatening to call in and crush you

1971

01:09:18,870 --> 01:09:17,679

[Laughter]

1972

01:09:23,590 --> 01:09:18,880

bring it

1973

01:09:25,990 --> 01:09:23,600

okay uh i

1974

01:09:27,669 --> 01:09:26,000

there's a someone wanted to

1975

01:09:29,269 --> 01:09:27,679

bring up a topic about art belinda

1976

01:09:31,349 --> 01:09:29,279

molten howell richard hoagland remote

1977

01:09:32,550 --> 01:09:31,359

viewing um i don't know if that's really

1978

01:09:35,669 --> 01:09:32,560

a topic

1979

01:09:37,910 --> 01:09:35,679

you know would really uh you know i know

1980

01:09:40,789 --> 01:09:37,920

uh art is retired now

1981

01:09:42,789 --> 01:09:40,799

yeah and linda is um

1982

01:09:45,269 --> 01:09:42,799

still out there talking uh richard

1983

01:09:47,590 --> 01:09:45,279

hoagland still got his um enterprise

1984

01:09:49,269 --> 01:09:47,600

mission site remote viewing i talked to

1985

01:09:51,990 --> 01:09:49,279

joe mcconnell the number one remote

1986

01:09:53,189 --> 01:09:52,000

viewer i've actually had it successfully

1987

01:09:55,750 --> 01:09:53,199

worked for me

1988

01:09:58,310 --> 01:09:55,760

um i load the techniques i've done the

1989

01:09:59,750 --> 01:09:58,320

monroe uh hemisync tapes which give you

1990

01:10:01,990 --> 01:09:59,760

that

1991

01:10:03,350 --> 01:10:02,000

two tones in each ear combined into one

1992

01:10:05,910 --> 01:10:03,360

tone it makes you have out-of-body

1993

01:10:08,149 --> 01:10:05,920

experiences and a little bit of um lucid

1994

01:10:09,510 --> 01:10:08,159

dreaming but uh i believe remote viewing

1995

01:10:13,430 --> 01:10:09,520

is a real thing that worked and

1996

01:10:19,110 --> 01:10:16,149

hang on just a minute if you would uh we

1997

01:10:21,270 --> 01:10:19,120

have a caller um caller thanks so much

1998

01:10:22,470 --> 01:10:21,280

for uh calling in and please uh give

1999

01:10:24,950 --> 01:10:22,480

your

2000

01:10:26,550 --> 01:10:24,960

up uh the computer's not taking them

2001

01:10:28,310 --> 01:10:26,560

something's happening here

2002

01:10:32,390 --> 01:10:28,320

all right and sorry to interrupt uh

2003

01:10:37,030 --> 01:10:35,110

caller can you hear me

2004

01:10:39,270 --> 01:10:37,040

okay we may be having an issue with this

2005

01:10:41,669 --> 01:10:39,280

uh it's a join call but

2006

01:10:43,990 --> 01:10:41,679

how about you ben can you hear me

2007

01:10:45,510 --> 01:10:44,000

i can hear you okay

2008

01:10:47,350 --> 01:10:45,520

because the screen's kind of gone blank

2009

01:10:48,229 --> 01:10:47,360

here all right yeah i'm getting the

2010

01:10:50,310 --> 01:10:48,239

spool

2011

01:10:53,910 --> 01:10:50,320

yeah that's what i'm getting yeah

2012

01:10:56,390 --> 01:10:53,920

all right um so we'll continue on um i

2013

01:10:58,709 --> 01:10:56,400

guess i'll try to hang that up or you

2014

01:11:01,030 --> 01:10:58,719

know i better not try anything because

2015

01:11:02,070 --> 01:11:01,040

anything can happen at this point

2016

01:11:04,149 --> 01:11:02,080

um

2017

01:11:05,990 --> 01:11:04,159

so you can go ahead and continue on if

2018

01:11:07,910 --> 01:11:06,000

you know what you were uh talking about

2019

01:11:10,470 --> 01:11:07,920

yeah i was just gonna say

2020

01:11:12,149 --> 01:11:10,480

if you ever get the the

2021

01:11:14,390 --> 01:11:12,159

special version of the men who stare at

2022

01:11:15,910 --> 01:11:14,400

goats with george clooney uh stubblebine

2023

01:11:17,510 --> 01:11:15,920

and a lot of the remote viewing guys

2024

01:11:19,669 --> 01:11:17,520

have some really interesting clips at

2025

01:11:21,990 --> 01:11:19,679

the end of that um where she basically

2026

01:11:23,110 --> 01:11:22,000

says you know 90 of that movie is

2027

01:11:24,709 --> 01:11:23,120

actually true

2028

01:11:27,030 --> 01:11:24,719

but i've read all the books i've seen

2029

01:11:28,790 --> 01:11:27,040

all the studies um i think remote

2030

01:11:30,310 --> 01:11:28,800

viewing is just a way that your

2031

01:11:31,590 --> 01:11:30,320

perception is going to leave your body

2032

01:11:34,390 --> 01:11:31,600

and witness things

2033

01:11:36,870 --> 01:11:34,400

in time and space you know if

2034

01:11:38,550 --> 01:11:36,880

if we're all from a big bang or from one

2035

01:11:40,310 --> 01:11:38,560

single source then maybe we're all still

2036

01:11:43,590 --> 01:11:40,320

connected in a way that you know

2037

01:11:45,350 --> 01:11:43,600

supersedes uh speed of light and and

2038

01:11:46,870 --> 01:11:45,360

you know it's like the quantum

2039

01:11:48,390 --> 01:11:46,880

entanglement you know you can have an

2040

01:11:50,310 --> 01:11:48,400

event on the other side of the universe

2041

01:11:51,270 --> 01:11:50,320

it happens and there's a reaction on

2042

01:11:53,430 --> 01:11:51,280

this side of the universe

2043

01:11:55,750 --> 01:11:53,440

instantaneously and that's been proven

2044

01:11:58,149 --> 01:11:55,760

there's been studies about that so

2045

01:11:59,750 --> 01:11:58,159

it's uh i wouldn't discount it you know

2046

01:12:01,350 --> 01:11:59,760

esp and things like that are probably

2047

01:12:02,870 --> 01:12:01,360

just a function of the mind and the

2048

01:12:03,830 --> 01:12:02,880

psyche that we just haven't discovered

2049

01:12:05,270 --> 01:12:03,840

yet that i don't think they're

2050

01:12:07,030 --> 01:12:05,280

paranormal they're just something that

2051
01:12:09,189 --> 01:12:07,040
we can do that we haven't really tapped

2052
01:12:10,630 --> 01:12:09,199
into yet because we're too busy living

2053
01:12:12,390 --> 01:12:10,640
in the material world

2054
01:12:14,070 --> 01:12:12,400
yeah i had uh

2055
01:12:17,350 --> 01:12:14,080
the other show i do the everything else

2056
01:12:18,470 --> 01:12:17,360
show i had edward edwin c may on who was

2057
01:12:21,510 --> 01:12:18,480
involved

2058
01:12:23,430 --> 01:12:21,520
in uh in the stargate project

2059
01:12:25,270 --> 01:12:23,440
and remote viewing and all that very

2060
01:12:28,229 --> 01:12:25,280
very it is fascinating

2061
01:12:31,350 --> 01:12:28,239
yeah grill flame uh yeah it's uh

2062
01:12:33,910 --> 01:12:31,360
mcconnell still he uh i think he married

2063
01:12:35,830 --> 01:12:33,920

robert murrow's wife robert rowe passed

2064

01:12:37,590 --> 01:12:35,840

away at the monroe institute in favor of

2065

01:12:39,430 --> 01:12:37,600

virginia but that's where they sent you

2066

01:12:40,630 --> 01:12:39,440

know these guys to train using that

2067

01:12:42,709 --> 01:12:40,640

hemisink

2068

01:12:44,390 --> 01:12:42,719

technique to uh kind of get in the you

2069

01:12:47,030 --> 01:12:44,400

know um

2070

01:12:51,270 --> 01:12:49,430

deprivation mode where you're not

2071

01:12:53,189 --> 01:12:51,280

feeling yeah i can't remember that but

2072

01:12:54,870 --> 01:12:53,199

you're you know your eyes are covered

2073

01:12:56,870 --> 01:12:54,880

your ears are covered you don't feel

2074

01:12:59,510 --> 01:12:56,880

anything and then i think they used to

2075

01:13:01,430 --> 01:12:59,520

do tanks with water back in the day

2076

01:13:03,270 --> 01:13:01,440

but uh saline

2077

01:13:05,030 --> 01:13:03,280

yeah you get you get into that mode

2078

01:13:06,470 --> 01:13:05,040

without you know you'll have some

2079

01:13:09,030 --> 01:13:06,480

strange experiences when you don't have

2080

01:13:11,669 --> 01:13:09,040

any input your brain will start

2081

01:13:13,830 --> 01:13:11,679

creating input or or something else

2082

01:13:14,790 --> 01:13:13,840

happens altogether um it's something

2083

01:13:16,310 --> 01:13:14,800

it's one of those things that if you

2084

01:13:17,430 --> 01:13:16,320

haven't tried it you know give it a try

2085

01:13:18,870 --> 01:13:17,440

it's very interesting i mean you can

2086

01:13:21,110 --> 01:13:18,880

calm your mind

2087

01:13:21,830 --> 01:13:21,120

and experience uh this kind of flow

2088

01:13:23,750 --> 01:13:21,840

where

2089

01:13:25,189 --> 01:13:23,760

in sports we call it being in the zone

2090

01:13:27,510 --> 01:13:25,199

where you're not thinking about anything

2091

01:13:29,350 --> 01:13:27,520

if you like i play tennis and if i'm

2092

01:13:30,550 --> 01:13:29,360

hitting really really well

2093

01:13:32,470 --> 01:13:30,560

and i'm not thinking about it it

2094

01:13:34,390 --> 01:13:32,480

continues but as soon as i think man i'm

2095

01:13:38,950 --> 01:13:34,400

hitting the ball great i'm out of the

2096

01:13:44,870 --> 01:13:41,350

i did remote viewing successfully on a

2097

01:13:47,030 --> 01:13:44,880

live uh a live radio show

2098

01:13:48,870 --> 01:13:47,040

which was kind of fun i was just i just

2099

01:13:52,149 --> 01:13:48,880

kind of gave the first thing that i

2100

01:13:53,270 --> 01:13:52,159

thought of and uh ended up being close

2101

01:13:56,229 --> 01:13:53,280

yeah

2102

01:13:58,790 --> 01:13:56,239

so it was uh what the uh the host of the

2103

01:14:01,110 --> 01:13:58,800

radio show he had something on his desk

2104

01:14:04,229 --> 01:14:01,120

and he asked he said

2105

01:14:06,229 --> 01:14:04,239

you know describe it and i said it looks

2106

01:14:08,630 --> 01:14:06,239

something like a turtle and he said yes

2107

01:14:11,510 --> 01:14:08,640

it's a hard hat so hey

2108

01:14:14,229 --> 01:14:11,520

i'm able to do that now close yeah

2109

01:14:18,470 --> 01:14:14,239

close enough yeah

2110

01:14:20,149 --> 01:14:18,480

so as far as the future of ufology where

2111

01:14:22,630 --> 01:14:20,159

do you think it's headed you know we

2112

01:14:24,870 --> 01:14:22,640

have technology coming in

2113

01:14:27,910 --> 01:14:24,880

and it's a double-edged sword because

2114

01:14:28,790 --> 01:14:27,920

you have uh you know cgi but you also

2115

01:14:32,229 --> 01:14:28,800

have

2116

01:14:34,630 --> 01:14:32,239

different ways to detect ufos and

2117

01:14:36,630 --> 01:14:34,640

film ufos and all that so what do you

2118

01:14:37,910 --> 01:14:36,640

think the future is going to be of you

2119

01:14:39,270 --> 01:14:37,920

following it's

2120

01:14:41,669 --> 01:14:39,280

it's going to be

2121

01:14:44,470 --> 01:14:41,679

what ray did in the 70s that's coming

2122

01:14:46,870 --> 01:14:44,480

around again but it's not new it's the

2123

01:14:49,270 --> 01:14:46,880

instrumented study of ufos you need a

2124

01:14:51,750 --> 01:14:49,280

magnetometer or gravity and gravity grab

2125

01:14:54,830 --> 01:14:51,760

a meter you need the devices that record

2126

01:14:57,830 --> 01:14:54,840

magnetic waves electromagnetic

2127

01:14:59,590 --> 01:14:57,840

frequencies um you know emp

2128

01:15:02,709 --> 01:14:59,600

you need all the things that will give

2129

01:15:04,790 --> 01:15:02,719

you more data than just footage and

2130

01:15:07,030 --> 01:15:04,800

you know filming more in the daytime

2131

01:15:09,590 --> 01:15:07,040

catching these things

2132

01:15:11,189 --> 01:15:09,600

with other devices so you can you know

2133

01:15:12,950 --> 01:15:11,199

if they change directions you have a

2134

01:15:14,790 --> 01:15:12,960

reading on the magnetometer that that

2135

01:15:15,990 --> 01:15:14,800

spikes showing you know that something

2136

01:15:18,229 --> 01:15:16,000

happened there's something going on with

2137

01:15:20,870 --> 01:15:18,239

propulsion it's somehow manipulating the

2138

01:15:21,910 --> 01:15:20,880

magnetic waves or or you know space

2139

01:15:24,310 --> 01:15:21,920

itself

2140

01:15:25,990 --> 01:15:24,320

um that's where any kind of answers are

2141

01:15:28,390 --> 01:15:26,000

going to come from not from just you

2142

01:15:29,910 --> 01:15:28,400

know footage of something or lights in

2143

01:15:31,750 --> 01:15:29,920

the sky you need

2144

01:15:34,310 --> 01:15:31,760

instrument studies you need high-end

2145

01:15:36,149 --> 01:15:34,320

cameras high-speed cameras um and we

2146

01:15:37,910 --> 01:15:36,159

need to uh

2147

01:15:39,350 --> 01:15:37,920

you know do this in the daytime don't go

2148

01:15:42,070 --> 01:15:39,360

out at night that's where you don't get

2149

01:15:43,750 --> 01:15:42,080

that much data um anything at night is

2150

01:15:45,750 --> 01:15:43,760

going to look strange if that's what

2151
01:15:48,070 --> 01:15:45,760
you're looking for it's it's the daytime

2152
01:15:49,669 --> 01:15:48,080
footage and um

2153
01:15:51,510 --> 01:15:49,679
you know our cell phones have a lot of

2154
01:15:53,189 --> 01:15:51,520
this on it it just doesn't have a great

2155
01:15:55,669 --> 01:15:53,199
range but most of them have

2156
01:15:56,950 --> 01:15:55,679
electromagnetic sensors there's about

2157
01:15:58,470 --> 01:15:56,960
seven or eight sensors in your phone

2158
01:16:00,229 --> 01:15:58,480
they'll do a lot of cool things give you

2159
01:16:01,590 --> 01:16:00,239
azimuth give you the flight trader

2160
01:16:03,030 --> 01:16:01,600
program which tells you what's flying in

2161
01:16:05,030 --> 01:16:03,040
the sky whether it's an airplane or

2162
01:16:06,790 --> 01:16:05,040
satellite those are all tools that we

2163
01:16:10,550 --> 01:16:06,800

keep on our phones so i think that the

2164

01:16:12,149 --> 01:16:10,560

future of ufology is scientifically

2165

01:16:14,470 --> 01:16:12,159

using instruments to study this

2166

01:16:16,070 --> 01:16:14,480

phenomena with um you know a better

2167

01:16:19,189 --> 01:16:16,080

equipment better tech

2168

01:16:20,470 --> 01:16:19,199

let's use it and uh you know go out and

2169

01:16:21,750 --> 01:16:20,480

and see what we can catch that's what

2170

01:16:23,910 --> 01:16:21,760

we're trying to do we're trying to catch

2171

01:16:25,990 --> 01:16:23,920

our own data so that we can present

2172

01:16:27,590 --> 01:16:26,000

evidence that we call it ourselves we'll

2173

01:16:29,350 --> 01:16:27,600

have to start out with the fact that we

2174

01:16:31,430 --> 01:16:29,360

have to first of all prove it's not a

2175

01:16:32,229 --> 01:16:31,440

hoax or a cgi or whatever when somebody

2176

01:16:34,950 --> 01:16:32,239

else

2177

01:16:36,630 --> 01:16:34,960

submits something like that so

2178

01:16:39,030 --> 01:16:36,640

i think the future is you know doing

2179

01:16:41,990 --> 01:16:39,040

this more scientifically and getting to

2180

01:16:44,550 --> 01:16:42,000

the truth that way instead of

2181

01:16:47,030 --> 01:16:44,560

this kind of sensationalistic

2182

01:16:49,990 --> 01:16:47,040

way that ufology has gone in the last 10

2183

01:16:52,149 --> 01:16:50,000

years right right yeah it's it's really

2184

01:16:54,149 --> 01:16:52,159

anyone's guess as far as

2185

01:16:55,910 --> 01:16:54,159

you know the people that'll be

2186

01:16:57,669 --> 01:16:55,920

you know taking our places over the

2187

01:16:59,270 --> 01:16:57,679

years you know what

2188

01:17:00,630 --> 01:16:59,280

you know not necessarily someone doing a

2189

01:17:01,830 --> 01:17:00,640

show but someone doing the work you're

2190

01:17:03,669 --> 01:17:01,840

doing

2191

01:17:05,590 --> 01:17:03,679

you know it's hard to say

2192

01:17:07,510 --> 01:17:05,600

where that's going to go

2193

01:17:09,910 --> 01:17:07,520

yeah we need younger people

2194

01:17:12,070 --> 01:17:09,920

definitely and i think that the way to

2195

01:17:14,070 --> 01:17:12,080

attract them is to have more

2196

01:17:16,229 --> 01:17:14,080

you know like

2197

01:17:17,750 --> 01:17:16,239

when tom carey and mr schmidt were at

2198

01:17:19,510 --> 01:17:17,760

the uh

2199

01:17:21,750 --> 01:17:19,520

american university where he had first

2200

01:17:24,950 --> 01:17:21,760

announced the roswell picture but you

2201

01:17:27,510 --> 01:17:24,960

know that was a free event um that

2202

01:17:29,590 --> 01:17:27,520

tony and i were at and the place was

2203

01:17:31,430 --> 01:17:29,600

packed i think it held about 150 people

2204

01:17:33,510 --> 01:17:31,440

but it was all students

2205

01:17:35,750 --> 01:17:33,520

and they were fascinated and that's the

2206

01:17:37,669 --> 01:17:35,760

kind of things we need to do

2207

01:17:40,470 --> 01:17:37,679

i know that you know paying for some of

2208

01:17:42,870 --> 01:17:40,480

these events you have to charge to

2209

01:17:44,950 --> 01:17:42,880

to pay for your expenses but

2210

01:17:46,470 --> 01:17:44,960

you know i've been trying to dig into

2211

01:17:48,149 --> 01:17:46,480

having a presentation at american

2212

01:17:49,990 --> 01:17:48,159

university and places like that maybe

2213

01:17:52,229 --> 01:17:50,000

some courses in school

2214

01:17:54,390 --> 01:17:52,239

something to get the younger generations

2215

01:17:56,229 --> 01:17:54,400

involved in it because you know

2216

01:17:57,590 --> 01:17:56,239

a lot of the

2217

01:18:00,310 --> 01:17:57,600

guys that have been in this field a long

2218

01:18:02,390 --> 01:18:00,320

time or are fading away and um it's a

2219

01:18:03,270 --> 01:18:02,400

shame because there's not a whole lot of

2220

01:18:06,070 --> 01:18:03,280

youth

2221

01:18:08,470 --> 01:18:06,080

in this and we definitely need you know

2222

01:18:10,470 --> 01:18:08,480

younger smarter people looking into this

2223

01:18:12,149 --> 01:18:10,480

uh in a way that they don't have a bias

2224

01:18:13,510 --> 01:18:12,159

you just can't start out believing one

2225

01:18:14,550 --> 01:18:13,520

way or the other you got to have an open

2226

01:18:15,910 --> 01:18:14,560

mind and

2227

01:18:17,030 --> 01:18:15,920

let the science take you where it's

2228

01:18:19,189 --> 01:18:17,040

going to take you

2229

01:18:21,110 --> 01:18:19,199

you know the only thing that

2230

01:18:23,910 --> 01:18:21,120

young people are getting more involved

2231

01:18:25,990 --> 01:18:23,920

in as far as conferences and things like

2232

01:18:26,790 --> 01:18:26,000

that is like comic cons and things like

2233

01:18:29,110 --> 01:18:26,800

that

2234

01:18:31,350 --> 01:18:29,120

but i i talk to people across the board

2235

01:18:33,990 --> 01:18:31,360

in all different types of

2236

01:18:35,669 --> 01:18:34,000

conferences and and things that people

2237

01:18:37,350 --> 01:18:35,679

are involved in and they say the same

2238

01:18:38,470 --> 01:18:37,360

thing there's not enough young people

2239

01:18:40,470 --> 01:18:38,480

involved

2240

01:18:42,310 --> 01:18:40,480

you know yeah and i don't know what i

2241

01:18:43,750 --> 01:18:42,320

don't know what

2242

01:18:45,189 --> 01:18:43,760

you know because when i was young i was

2243

01:18:46,870 --> 01:18:45,199

fascinated with things like this but

2244

01:18:48,310 --> 01:18:46,880

there was no avenue there was no you

2245

01:18:49,990 --> 01:18:48,320

couldn't become an investigator there

2246

01:18:52,390 --> 01:18:50,000

was nothing to do i didn't i wasn't even

2247

01:18:55,030 --> 01:18:52,400

aware of nightcap or any of the kufos or

2248

01:18:57,030 --> 01:18:55,040

anything back in the day but i think it

2249

01:18:59,430 --> 01:18:57,040

all starts with uh you know when you're

2250

01:19:00,470 --> 01:18:59,440

in school if there's one class that just

2251
01:19:03,510 --> 01:19:00,480
maybe

2252
01:19:05,350 --> 01:19:03,520
talks about phenomena or anomalous you

2253
01:19:06,470 --> 01:19:05,360
know something that gets your interest

2254
01:19:08,229 --> 01:19:06,480
because that's where you're gonna catch

2255
01:19:10,870 --> 01:19:08,239
people look how many people became

2256
01:19:12,709 --> 01:19:10,880
scientists because of star trek right i

2257
01:19:14,390 --> 01:19:12,719
mean i see guys on tv you know well i

2258
01:19:16,070 --> 01:19:14,400
saw star trek i thought man i want to

2259
01:19:17,510 --> 01:19:16,080
study the planets and i want to do that

2260
01:19:19,030 --> 01:19:17,520
you know and then they became scientists

2261
01:19:20,630 --> 01:19:19,040
and i'm sure people did that because of

2262
01:19:22,709 --> 01:19:20,640
star wars and

2263
01:19:25,590 --> 01:19:22,719

whatever you know i'm older so i'm

2264

01:19:29,270 --> 01:19:25,600

referencing really old stuff but

2265

01:19:31,110 --> 01:19:29,280

you know sometimes uh media tv and now

2266

01:19:33,270 --> 01:19:31,120

the the vast amount of media we have

2267

01:19:35,350 --> 01:19:33,280

bombarded at us sometimes that's how you

2268

01:19:37,030 --> 01:19:35,360

know you get caught but uh

2269

01:19:39,030 --> 01:19:37,040

and get wrapped up into where you want

2270

01:19:40,470 --> 01:19:39,040

to actually spend some time doing it and

2271

01:19:42,310 --> 01:19:40,480

studying it but

2272

01:19:44,229 --> 01:19:42,320

it's tough you know you have to have

2273

01:19:46,310 --> 01:19:44,239

that kind of interest in the unusual to

2274

01:19:47,990 --> 01:19:46,320

begin with um same with you know

2275

01:19:49,830 --> 01:19:48,000

paranormal ghost hunters you gotta you

2276

01:19:51,510 --> 01:19:49,840

know be interested in it think there

2277

01:19:53,510 --> 01:19:51,520

might be something to it not be scared

2278

01:19:56,470 --> 01:19:53,520

to walk into a dark building

2279

01:19:58,229 --> 01:19:56,480

you know it's just it takes time and it

2280

01:20:00,390 --> 01:19:58,239

certainly takes money to do these

2281

01:20:02,709 --> 01:20:00,400

investigations so you got to really want

2282

01:20:05,270 --> 01:20:02,719

to do it it's not going to pay you for

2283

01:20:06,709 --> 01:20:05,280

sure right i think part of the problem

2284

01:20:08,390 --> 01:20:06,719

with the young people not getting

2285

01:20:10,709 --> 01:20:08,400

involved is that there's so much

2286

01:20:13,270 --> 01:20:10,719

information coming in so many different

2287

01:20:15,910 --> 01:20:13,280

avenues to choose from

2288

01:20:18,470 --> 01:20:15,920

and uh you know a lot of it's uh you

2289

01:20:21,750 --> 01:20:18,480

know from your computer you know it's

2290

01:20:25,910 --> 01:20:21,760

not yeah yeah yeah it's i kind of i'm so

2291

01:20:27,910 --> 01:20:25,920

glad i didn't grow up in this type of um

2292

01:20:29,910 --> 01:20:27,920

environment because there

2293

01:20:32,790 --> 01:20:29,920

when i was growing up the computer would

2294

01:20:34,709 --> 01:20:32,800

fill a room and you had a punch card

2295

01:20:37,669 --> 01:20:34,719

but i was always out you know playing

2296

01:20:39,350 --> 01:20:37,679

sports hiking right now i went to school

2297

01:20:40,870 --> 01:20:39,360

up near up in the mountains of virginia

2298

01:20:43,270 --> 01:20:40,880

before i went to university of richmond

2299

01:20:46,550 --> 01:20:43,280

but uh i was always out man i couldn't

2300

01:20:47,990 --> 01:20:46,560

sit in i didn't watch tv in my 20s 30s i

2301

01:20:49,990 --> 01:20:48,000

watched way too much now but i didn't

2302

01:20:52,229 --> 01:20:50,000

watch tv i always wanted to be out you

2303

01:20:55,430 --> 01:20:52,239

know when when i was in college it was

2304

01:20:57,110 --> 01:20:55,440

usually at a bar but uh you know i i

2305

01:20:59,350 --> 01:20:57,120

always was out playing basketball or

2306

01:21:00,390 --> 01:20:59,360

playing tennis or hiking i just i

2307

01:21:03,590 --> 01:21:00,400

couldn't

2308

01:21:05,590 --> 01:21:03,600

computer and play games all day

2309

01:21:07,990 --> 01:21:05,600

it's just not you know it baffles me

2310

01:21:10,709 --> 01:21:08,000

that people do that yeah well to each

2311

01:21:12,310 --> 01:21:10,719

his own i guess um now

2312

01:21:15,430 --> 01:21:12,320

someone asked in the chat room what is

2313

01:21:16,870 --> 01:21:15,440

your best guess as to the cause of the

2314

01:21:19,350 --> 01:21:16,880

phenomena

2315

01:21:22,390 --> 01:21:19,360

of ufos

2316

01:21:25,270 --> 01:21:22,400

uh i would say that there's some type of

2317

01:21:27,270 --> 01:21:25,280

technology that's interacting with our

2318

01:21:29,910 --> 01:21:27,280

planet

2319

01:21:31,350 --> 01:21:29,920

i i just i don't know what they are

2320

01:21:33,189 --> 01:21:31,360

where they're from you know i've always

2321

01:21:35,990 --> 01:21:33,199

said before it could be e.t

2322

01:21:38,070 --> 01:21:36,000

interdimensional time travelers

2323

01:21:39,590 --> 01:21:38,080

interdimensional time traveling aliens

2324

01:21:41,830 --> 01:21:39,600

it could be

2325

01:21:45,910 --> 01:21:41,840

some type of

2326

01:21:48,070 --> 01:21:45,920

that's creating if enough people will it

2327

01:21:50,070 --> 01:21:48,080

hard enough it'll appear but you know it

2328

01:21:53,189 --> 01:21:50,080

seems like there is evidence that there

2329

01:21:54,870 --> 01:21:53,199

is a advanced technology that does fly

2330

01:21:57,669 --> 01:21:54,880

in our atmosphere

2331

01:21:59,669 --> 01:21:57,679

and i've seen evidence of that on

2332

01:22:01,830 --> 01:21:59,679

really good footage um some good

2333

01:22:04,390 --> 01:22:01,840

pictures some good evidential stories

2334

01:22:06,229 --> 01:22:04,400

along with some evidence but

2335

01:22:09,189 --> 01:22:06,239

it's and it's been happening a long time

2336

01:22:11,510 --> 01:22:09,199

i mean you know and even peter the great

2337

01:22:13,590 --> 01:22:11,520

and his journals talked about burning

2338

01:22:15,270 --> 01:22:13,600

shields traversing the sky and those

2339

01:22:16,870 --> 01:22:15,280

guys were pretty good at describing

2340

01:22:18,629 --> 01:22:16,880

things you know and the burning shield

2341

01:22:21,350 --> 01:22:18,639

crossing the sky sure sounds like a ufo

2342

01:22:22,470 --> 01:22:21,360

to me maybe a disc shaped ufo but these

2343

01:22:25,750 --> 01:22:22,480

things have been happening for a long

2344

01:22:27,350 --> 01:22:25,760

time um and i think that it's it's

2345

01:22:30,229 --> 01:22:27,360

it's part of our culture it's part of

2346

01:22:33,110 --> 01:22:30,239

our history and i think that it has an

2347

01:22:35,669 --> 01:22:33,120

element that is not um

2348

01:22:37,750 --> 01:22:35,679

earthbound it's the best way to say it

2349

01:22:39,030 --> 01:22:37,760

right right um

2350

01:22:39,830 --> 01:22:39,040

you know one of the

2351

01:22:42,310 --> 01:22:39,840

uh

2352

01:22:44,870 --> 01:22:42,320

controversial subjects that comes up

2353

01:22:46,790 --> 01:22:44,880

once in a while and i wondered how

2354

01:22:49,830 --> 01:22:46,800

what you thought of the whole story is

2355

01:22:55,750 --> 01:22:52,470

yeah bob i i saw his when he finally

2356

01:22:56,790 --> 01:22:55,760

gave his interview to uh george knapp in

2357

01:22:58,790 --> 01:22:56,800

um

2358

01:23:01,990 --> 01:22:58,800

i can't remember in california where we

2359

01:23:04,830 --> 01:23:02,000

were i think it was california but um

2360

01:23:08,070 --> 01:23:04,840

there's two sides of that you know his

2361

01:23:11,270 --> 01:23:08,080

his um

2362

01:23:13,350 --> 01:23:11,280

the orange material element 115 didn't

2363

01:23:15,750 --> 01:23:13,360

pan out the way that he said we've only

2364

01:23:17,189 --> 01:23:15,760

been able to produce like a you know a

2365

01:23:19,030 --> 01:23:17,199

trillionth of a

2366

01:23:22,310 --> 01:23:19,040

dot of that stuff

2367

01:23:24,470 --> 01:23:22,320

um the one thing that i remember is that

2368

01:23:25,910 --> 01:23:24,480

george knapp did you know and this has

2369

01:23:27,590 --> 01:23:25,920

happened with uh

2370

01:23:29,669 --> 01:23:27,600

other people like the gentleman that

2371

01:23:31,270 --> 01:23:29,679

filmed the ufo shooting that missile

2372

01:23:32,390 --> 01:23:31,280

down when he was uh you know tracking

2373

01:23:34,229 --> 01:23:32,400

the missile

2374

01:23:35,590 --> 01:23:34,239

is that the military will go back and

2375

01:23:37,270 --> 01:23:35,600

try to erase you from their records and

2376

01:23:41,430 --> 01:23:37,280

say look you were never in the army of

2377

01:23:43,430 --> 01:23:41,440

the navy with geor with uh lazar uh um

2378

01:23:44,390 --> 01:23:43,440

mr knapp did find that he was in the

2379

01:23:45,350 --> 01:23:44,400

book

2380

01:23:48,709 --> 01:23:45,360

um

2381

01:23:52,149 --> 01:23:48,719

the directory of that you know area s1

2382

01:23:53,590 --> 01:23:52,159

and s2 where he worked area 51 so he was

2383

01:23:55,189 --> 01:23:53,600

there even though the government said he

2384

01:23:56,709 --> 01:23:55,199

wasn't there so that's kind of a red

2385

01:23:57,990 --> 01:23:56,719

flag that

2386

01:23:59,990 --> 01:23:58,000

they're lying

2387

01:24:01,189 --> 01:24:00,000

he was there it's just i don't know what

2388

01:24:02,550 --> 01:24:01,199

he did

2389

01:24:03,669 --> 01:24:02,560

to say that he and another guy were

2390

01:24:05,110 --> 01:24:03,679

sitting there trying to figure out how

2391

01:24:06,870 --> 01:24:05,120

this machine worked and they would just

2392

01:24:08,390 --> 01:24:06,880

check in and go if you made any progress

2393

01:24:10,070 --> 01:24:08,400

and then the speech he said they would

2394

01:24:11,430 --> 01:24:10,080

just say stuff

2395

01:24:12,550 --> 01:24:11,440

but they hadn't made any progress

2396

01:24:13,910 --> 01:24:12,560

because they couldn't figure out how the

2397

01:24:15,590 --> 01:24:13,920

thing worked

2398

01:24:18,070 --> 01:24:15,600

it just seems a little ludicrous it

2399

01:24:19,830 --> 01:24:18,080

seems like you know if you had a

2400

01:24:22,390 --> 01:24:19,840

crash saucer you were trying to reverse

2401

01:24:24,390 --> 01:24:22,400

engineer you'd have about 40 scientists

2402

01:24:26,229 --> 01:24:24,400

maybe 100 scientists each working on a

2403

01:24:27,110 --> 01:24:26,239

separate part of it so that they're not

2404

01:24:29,110 --> 01:24:27,120

talking to each other they

2405

01:24:31,189 --> 01:24:29,120

compartmentalize everything and then you

2406

01:24:32,470 --> 01:24:31,199

try to put the story together afterwards

2407

01:24:34,070 --> 01:24:32,480

i don't think you'd have a couple of

2408

01:24:37,189 --> 01:24:34,080

guys working on trying to figure out

2409

01:24:39,990 --> 01:24:37,199

propulsion especially a guy that

2410

01:24:41,590 --> 01:24:40,000

really doesn't have the uh the degrees

2411

01:24:43,830 --> 01:24:41,600

in the background although you know he

2412

01:24:46,470 --> 01:24:43,840

seems like a smart guy as physicist he

2413

01:24:48,390 --> 01:24:46,480

built rocket engine cars but still

2414

01:24:51,189 --> 01:24:48,400

i don't know if that qualifies you to be

2415

01:24:54,629 --> 01:24:51,199

called into area 51 to work on reverse

2416

01:24:56,390 --> 01:24:54,639

engineering an alien spacecraft so

2417

01:24:59,110 --> 01:24:56,400

it's one of those things where the guy

2418

01:25:01,510 --> 01:24:59,120

seems like an honest guy nice guy but i

2419

01:25:03,510 --> 01:25:01,520

i can't i can't tell if he's if it's

2420

01:25:04,629 --> 01:25:03,520

truthful or not that the one thing that

2421

01:25:20,149 --> 01:25:04,639

i

2422

01:25:22,629 --> 01:25:20,159

and he actually produced a w-2 stub that

2423

01:25:24,390 --> 01:25:22,639

showed he was getting paid by um

2424

01:25:26,310 --> 01:25:24,400

i can't remember the name of the company

2425

01:25:28,229 --> 01:25:26,320

that that hires the people it's a top

2426

01:25:31,030 --> 01:25:28,239

secret company that flies them out on

2427

01:25:32,950 --> 01:25:31,040

those jan up blacked out window jets

2428

01:25:35,750 --> 01:25:32,960

um i can't remember the name of it but

2429

01:25:38,149 --> 01:25:35,760

they filmed the building it was on tv

2430

01:25:41,270 --> 01:25:38,159

wow so he was getting paychecks yeah he

2431

01:25:43,350 --> 01:25:41,280

was getting paychecks um from

2432

01:25:45,189 --> 01:25:43,360

that organization that did hire the

2433

01:25:46,709 --> 01:25:45,199

people that go out to that base and plan

2434

01:25:48,550 --> 01:25:46,719

his airplane so

2435

01:25:52,229 --> 01:25:48,560

and then he did bring i think was john

2436

01:25:53,750 --> 01:25:52,239

lear out there that time that um

2437

01:25:55,669 --> 01:25:53,760

yeah they found those flights and i

2438

01:25:56,870 --> 01:25:55,679

remember one guy said it was a

2439

01:25:59,189 --> 01:25:56,880

a kite

2440

01:26:01,030 --> 01:25:59,199

but you know where they were filming was

2441

01:26:02,629 --> 01:26:01,040

top secret area i don't think anybody be

2442

01:26:04,550 --> 01:26:02,639

out there flying a kite i don't think so

2443

01:26:06,229 --> 01:26:04,560

um yeah and there are some weird things

2444

01:26:08,390 --> 01:26:06,239

that are filmed out there but you know

2445

01:26:10,870 --> 01:26:08,400

could be just advanced technology that

2446

01:26:11,910 --> 01:26:10,880

we have that just looks weird but

2447

01:26:14,629 --> 01:26:11,920

you know

2448

01:26:16,390 --> 01:26:14,639

it's again it's a it's a great story but

2449

01:26:18,070 --> 01:26:16,400

there's not much to back it up he did

2450

01:26:20,870 --> 01:26:18,080

work out there he did get paid from

2451
01:26:24,229 --> 01:26:20,880
there but what he saw and did is still a

2452
01:26:26,550 --> 01:26:24,239
story right right uh scott in the chat

2453
01:26:29,669 --> 01:26:26,560
wants to know what exactly do you

2454
01:26:32,149 --> 01:26:29,679
consider lore versus you fact and

2455
01:26:35,270 --> 01:26:32,159
ufology let me say that again

2456
01:26:37,270 --> 01:26:35,280
what do you consider law versus fact in

2457
01:26:38,629 --> 01:26:37,280
ufology

2458
01:26:40,149 --> 01:26:38,639
well

2459
01:26:41,990 --> 01:26:40,159
you know it depends on where you think

2460
01:26:43,750 --> 01:26:42,000
upology started i kind of go with the

2461
01:26:44,629 --> 01:26:43,760
kendall kenneth arnold sighting even

2462
01:26:45,830 --> 01:26:44,639
though

2463
01:26:47,270 --> 01:26:45,840

there was a lot of things going on

2464

01:26:49,830 --> 01:26:47,280

before that

2465

01:26:52,310 --> 01:26:49,840

but um you know kenneth arnold either

2466

01:26:54,870 --> 01:26:52,320

did or didn't spot these things skipping

2467

01:26:57,590 --> 01:26:54,880

through the air what i found interesting

2468

01:26:59,910 --> 01:26:57,600

and it's part of the lore of the legend

2469

01:27:01,189 --> 01:26:59,920

is that they were wedge-shaped um which

2470

01:27:02,950 --> 01:27:01,199

is very interesting because it's not

2471

01:27:04,229 --> 01:27:02,960

like he said the saucer shape which

2472

01:27:06,310 --> 01:27:04,239

everybody was calling them sausage at

2473

01:27:08,790 --> 01:27:06,320

the time this first early sighting was a

2474

01:27:11,189 --> 01:27:08,800

wedge-shaped craft

2475

01:27:12,629 --> 01:27:11,199

flying out there near mount rainier

2476

01:27:15,030 --> 01:27:12,639

i think that

2477

01:27:17,270 --> 01:27:15,040

some of these early cases

2478

01:27:18,790 --> 01:27:17,280

roswell who knows what happened there

2479

01:27:19,669 --> 01:27:18,800

but they certainly have lied about it a

2480

01:27:25,189 --> 01:27:19,679

lot

2481

01:27:27,910 --> 01:27:25,199

things that are part of ufology and the

2482

01:27:30,149 --> 01:27:27,920

the lore and the legend and there's all

2483

01:27:32,390 --> 01:27:30,159

these things around the edges that

2484

01:27:35,910 --> 01:27:32,400

you're kind of like hmm you know was

2485

01:27:37,750 --> 01:27:35,920

colonel corso really saying this or did

2486

01:27:39,430 --> 01:27:37,760

she think this happened or did this

2487

01:27:40,470 --> 01:27:39,440

really happen and

2488

01:27:41,910 --> 01:27:40,480

and so

2489

01:27:45,430 --> 01:27:41,920

i think that

2490

01:27:47,510 --> 01:27:45,440

the ufology the the fact is everything

2491

01:27:49,030 --> 01:27:47,520

you can verify you know the really good

2492

01:27:51,030 --> 01:27:49,040

footage there's some great footage from

2493

01:27:52,550 --> 01:27:51,040

the 40s and 50s that show some very

2494

01:27:54,950 --> 01:27:52,560

strange things

2495

01:27:56,229 --> 01:27:54,960

way before cgi and the ability there

2496

01:27:57,910 --> 01:27:56,239

still was ability to hoax but when

2497

01:27:59,750 --> 01:27:57,920

you're talking about eight millimeter 16

2498

01:28:01,350 --> 01:27:59,760

millimeter film that's pretty hard to

2499

01:28:03,669 --> 01:28:01,360

fake it's pretty easy to see if you've

2500

01:28:05,910 --> 01:28:03,679

tampered with that emulsion type film

2501
01:28:07,990 --> 01:28:05,920
so um one thing that we've always liked

2502
01:28:09,910 --> 01:28:08,000
to do is apply new technology to old

2503
01:28:12,550 --> 01:28:09,920
film old pictures sometimes you can

2504
01:28:13,830 --> 01:28:12,560
polite data that a hoaxer wouldn't have

2505
01:28:15,110 --> 01:28:13,840
thought at

2506
01:28:16,149 --> 01:28:15,120
at the time

2507
01:28:18,070 --> 01:28:16,159
and

2508
01:28:20,790 --> 01:28:18,080
so i think that

2509
01:28:24,229 --> 01:28:20,800
separating lore from in fact and from

2510
01:28:26,070 --> 01:28:24,239
fiction is a matter of you know reading

2511
01:28:28,709 --> 01:28:26,080
doing the research looking at some of

2512
01:28:31,430 --> 01:28:28,719
the video understanding

2513
01:28:33,430 --> 01:28:31,440

how uh you know why something might be

2514

01:28:35,430 --> 01:28:33,440

real why something's just a story you

2515

01:28:37,270 --> 01:28:35,440

know you have to have

2516

01:28:39,030 --> 01:28:37,280

a scientific method you have to be able

2517

01:28:40,310 --> 01:28:39,040

to repeat something and it's really hard

2518

01:28:41,990 --> 01:28:40,320

to do in this so you have to go for the

2519

01:28:43,750 --> 01:28:42,000

next best thing what kind of evidence

2520

01:28:46,149 --> 01:28:43,760

was left over how many witnesses were

2521

01:28:47,750 --> 01:28:46,159

there um is it a single witness is it

2522

01:28:49,350 --> 01:28:47,760

reported anonymously there's a lot of

2523

01:28:51,830 --> 01:28:49,360

red flags that come up with certain

2524

01:28:53,910 --> 01:28:51,840

types of cases and then there's one some

2525

01:28:55,910 --> 01:28:53,920

that you know like whatever happened to

2526

01:28:57,189 --> 01:28:55,920

fatima well if a hundred thousand people

2527

01:28:59,350 --> 01:28:57,199

witnessed that i'm pretty sure they

2528

01:29:01,350 --> 01:28:59,360

didn't make it up something happened i

2529

01:29:03,030 --> 01:29:01,360

couldn't say what but that was a

2530

01:29:04,149 --> 01:29:03,040

phenomenon and

2531

01:29:05,669 --> 01:29:04,159

um

2532

01:29:07,750 --> 01:29:05,679

whether it was a miracle or whatever i

2533

01:29:09,430 --> 01:29:07,760

have no idea but you know there was

2534

01:29:10,870 --> 01:29:09,440

something that happened there i would

2535

01:29:12,470 --> 01:29:10,880

love to have been there

2536

01:29:13,750 --> 01:29:12,480

um so

2537

01:29:15,910 --> 01:29:13,760

it's tough you know it's one of those

2538

01:29:17,910 --> 01:29:15,920

things where a lot of people that never

2539

01:29:19,350 --> 01:29:17,920

believe in ufos and then they have a

2540

01:29:21,110 --> 01:29:19,360

sighting they're like

2541

01:29:23,430 --> 01:29:21,120

you know i saw something i couldn't

2542

01:29:25,669 --> 01:29:23,440

explain and it was totally outside of

2543

01:29:27,189 --> 01:29:25,679

any thing i've ever thought could

2544

01:29:28,709 --> 01:29:27,199

actually fly in the sky

2545

01:29:30,629 --> 01:29:28,719

and they go from being a die-hard

2546

01:29:32,229 --> 01:29:30,639

skeptic to believing something because

2547

01:29:33,030 --> 01:29:32,239

they had a personal experience with it

2548

01:29:35,830 --> 01:29:33,040

so

2549

01:29:38,950 --> 01:29:35,840

experience with

2550

01:29:40,790 --> 01:29:38,960

most of us have had at least once

2551

01:29:43,110 --> 01:29:40,800

it's it's hard to go off of other

2552

01:29:44,629 --> 01:29:43,120

people's stories or or even their

2553

01:29:46,950 --> 01:29:44,639

evidence if you weren't there yourself

2554

01:29:48,229 --> 01:29:46,960

you have to make a leap of faith there

2555

01:29:50,550 --> 01:29:48,239

yeah yeah

2556

01:29:52,709 --> 01:29:50,560

i'm sorry our skype screen is still

2557

01:29:55,189 --> 01:29:52,719

frozen you know and i hope that caller's

2558

01:29:57,990 --> 01:29:55,199

still not just sitting there on online

2559

01:29:59,270 --> 01:29:58,000

um so uh we're not able to take any

2560

01:30:01,110 --> 01:29:59,280

calls

2561

01:30:03,030 --> 01:30:01,120

unless i want to start skype over again

2562

01:30:05,910 --> 01:30:03,040

i'm not sure how that happened but we

2563

01:30:06,950 --> 01:30:05,920

have a question up on the uh on the chat

2564

01:30:09,270 --> 01:30:06,960

room by

2565

01:30:11,830 --> 01:30:09,280

rd 1066

2566

01:30:14,229 --> 01:30:11,840

and uh which brings me to our guest next

2567

01:30:15,669 --> 01:30:14,239

week uh we have david halpern he's going

2568

01:30:17,590 --> 01:30:15,679

to be talking about the connection of

2569

01:30:19,910 --> 01:30:17,600

religions and ufos

2570

01:30:21,830 --> 01:30:19,920

um so the question in the chat room is

2571

01:30:23,830 --> 01:30:21,840

he wants to know if you think the

2572

01:30:26,870 --> 01:30:23,840

world's religions are based on et

2573

01:30:30,550 --> 01:30:28,870

you know the bible could be

2574

01:30:33,510 --> 01:30:30,560

and i'm sure i'll get some grief for

2575

01:30:35,030 --> 01:30:33,520

this it could be a volume of people

2576

01:30:37,030 --> 01:30:35,040

trying to explain contact with an

2577

01:30:38,950 --> 01:30:37,040

advanced civilization it sure seems like

2578

01:30:41,110 --> 01:30:38,960

parts of it are

2579

01:30:43,270 --> 01:30:41,120

the bible does talk about non-humans and

2580

01:30:46,790 --> 01:30:43,280

the nephilim and things like that

2581

01:30:48,870 --> 01:30:46,800

i don't know you know if if our

2582

01:30:49,590 --> 01:30:48,880

what we believe were gods turned out to

2583

01:30:52,229 --> 01:30:49,600

be

2584

01:30:54,790 --> 01:30:52,239

et's or something i can see that if

2585

01:30:55,910 --> 01:30:54,800

advanced technology came to a very back

2586

01:30:57,669 --> 01:30:55,920

uh you know

2587

01:30:59,990 --> 01:30:57,679

old culture

2588

01:31:02,149 --> 01:31:00,000

and you know came down and flying ships

2589

01:31:04,550 --> 01:31:02,159

with the gear on and things like that

2590

01:31:06,790 --> 01:31:04,560

and flashlights and lasers and

2591

01:31:08,470 --> 01:31:06,800

communications and speakers

2592

01:31:09,189 --> 01:31:08,480

then you might consider them a god i

2593

01:31:11,990 --> 01:31:09,199

just

2594

01:31:13,590 --> 01:31:12,000

you know it's one of those things where

2595

01:31:15,189 --> 01:31:13,600

i think there's a

2596

01:31:18,229 --> 01:31:15,199

religion

2597

01:31:21,110 --> 01:31:18,239

should be based on the fellowship of man

2598

01:31:23,990 --> 01:31:21,120

you know and there's a lot in religion

2599

01:31:26,950 --> 01:31:24,000

that isn't almost all of our wars have

2600

01:31:29,270 --> 01:31:26,960

been fought regarding religion

2601

01:31:32,870 --> 01:31:29,280

so i think that the purpose of religion

2602

01:31:35,990 --> 01:31:32,880

is to kind of make us humble and work

2603

01:31:37,750 --> 01:31:36,000

together and that um

2604

01:31:39,430 --> 01:31:37,760

you'll never be able to figure out i

2605

01:31:41,990 --> 01:31:39,440

don't think if

2606

01:31:43,189 --> 01:31:42,000

a lot of what the bible says has come

2607

01:31:45,510 --> 01:31:43,199

from

2608

01:31:46,390 --> 01:31:45,520

you know witnessing

2609

01:31:49,430 --> 01:31:46,400

like

2610

01:31:50,950 --> 01:31:49,440

uh uh something else coming here and you

2611

01:31:53,030 --> 01:31:50,960

think it's a god

2612

01:31:54,950 --> 01:31:53,040

you know it's just hard to differentiate

2613

01:31:56,790 --> 01:31:54,960

and the the bible you know when you

2614

01:31:58,709 --> 01:31:56,800

really dig into the chapters that were

2615

01:32:00,390 --> 01:31:58,719

left out the chapters that were put in

2616

01:32:03,030 --> 01:32:00,400

the chapters that were removed that gave

2617

01:32:04,950 --> 01:32:03,040

power to women and you know all the

2618

01:32:06,149 --> 01:32:04,960

the books that were taken out of the

2619

01:32:07,590 --> 01:32:06,159

bible

2620

01:32:09,189 --> 01:32:07,600

it just seems like it was manipulated

2621

01:32:10,870 --> 01:32:09,199

through time and you know history is

2622

01:32:13,110 --> 01:32:10,880

written by the winners so

2623

01:32:15,110 --> 01:32:13,120

who knows how many stories are missing

2624

01:32:16,470 --> 01:32:15,120

how much you know

2625

01:32:18,470 --> 01:32:16,480

is not there

2626

01:32:20,629 --> 01:32:18,480

it's just hard to say i i think that's a

2627

01:32:22,470 --> 01:32:20,639

possibility but i couldn't say for sure

2628

01:32:24,229 --> 01:32:22,480

you know i'm i'm not

2629

01:32:26,629 --> 01:32:24,239

i wouldn't consider myself religious i

2630

01:32:28,550 --> 01:32:26,639

have my certain beliefs but um

2631

01:32:30,310 --> 01:32:28,560

i don't know about that one it's it's

2632

01:32:33,350 --> 01:32:30,320

it's tough it could

2633

01:32:34,790 --> 01:32:33,360

it could be it might not be so

2634

01:32:36,310 --> 01:32:34,800

right right

2635

01:32:38,390 --> 01:32:36,320

um let's see

2636

01:32:40,550 --> 01:32:38,400

in the forum we sort of went over this

2637

01:32:42,550 --> 01:32:40,560

before but there was a question up there

2638

01:32:44,790 --> 01:32:42,560

and do you think that

2639

01:32:46,470 --> 01:32:44,800

the interest in ufology will

2640

01:32:49,590 --> 01:32:46,480

dwindle in the future unless there is

2641

01:32:52,629 --> 01:32:49,600

another big event for example another

2642

01:32:54,229 --> 01:32:52,639

roswell or phoenix lights case

2643

01:32:56,870 --> 01:32:54,239

i think there's always a big event you

2644

01:32:58,470 --> 01:32:56,880

know if if there if there is none it'll

2645

01:33:00,390 --> 01:32:58,480

be manufactured

2646

01:33:02,310 --> 01:33:00,400

i think that uh

2647

01:33:04,550 --> 01:33:02,320

i think that as we get better and better

2648

01:33:07,350 --> 01:33:04,560

with our telescopes and our probes to

2649

01:33:09,990 --> 01:33:07,360

other planets that um

2650

01:33:12,629 --> 01:33:10,000

you know once nasa admits that there was

2651
01:33:15,910 --> 01:33:12,639
probably life on mars and it seems like

2652
01:33:17,110 --> 01:33:15,920
there was life on mars then you have a

2653
01:33:18,950 --> 01:33:17,120
whole shift that you're gonna have a

2654
01:33:20,149 --> 01:33:18,960
paradigm shift because

2655
01:33:22,470 --> 01:33:20,159
all the people don't believe there's

2656
01:33:23,910 --> 01:33:22,480
life anywhere else it's up here if there

2657
01:33:25,990 --> 01:33:23,920
was life on mars then again

2658
01:33:27,830 --> 01:33:26,000
mathematically you've got probably 100

2659
01:33:29,110 --> 01:33:27,840
million civilizations at least in our

2660
01:33:30,790 --> 01:33:29,120
galaxy

2661
01:33:32,229 --> 01:33:30,800
and there's what two trillion galaxies

2662
01:33:34,149 --> 01:33:32,239
out there so

2663
01:33:37,189 --> 01:33:34,159

i think that

2664

01:33:39,030 --> 01:33:37,199

as more technology more media you know

2665

01:33:40,790 --> 01:33:39,040

these a lot of the movies a lot of the

2666

01:33:42,709 --> 01:33:40,800

tv shows i think the interest will

2667

01:33:44,550 --> 01:33:42,719

always be there it's just a matter of

2668

01:33:45,830 --> 01:33:44,560

whether we move in the right direction

2669

01:33:47,590 --> 01:33:45,840

and we start you know doing the

2670

01:33:48,870 --> 01:33:47,600

scientific study of ufos with

2671

01:33:50,790 --> 01:33:48,880

instruments

2672

01:33:52,870 --> 01:33:50,800

and uh and stop you know with the

2673

01:33:55,669 --> 01:33:52,880

conjectures and

2674

01:33:57,189 --> 01:33:55,679

promoting hoaxes and uh you know just

2675

01:33:59,270 --> 01:33:57,199

going down these paths that lead us

2676

01:34:01,110 --> 01:33:59,280

nowhere if you just go out try to

2677

01:34:03,750 --> 01:34:01,120

capture some of this data with good

2678

01:34:05,750 --> 01:34:03,760

instrumentation and present it in a way

2679

01:34:07,669 --> 01:34:05,760

that people can understand and can be

2680

01:34:09,430 --> 01:34:07,679

scientifically verified

2681

01:34:12,629 --> 01:34:09,440

then there should be a lot of interest

2682

01:34:14,390 --> 01:34:12,639

in it if it's for sensationalism and and

2683

01:34:15,830 --> 01:34:14,400

all this other stuff that could keep it

2684

01:34:18,390 --> 01:34:15,840

alive also

2685

01:34:21,030 --> 01:34:18,400

i just think that um

2686

01:34:23,750 --> 01:34:21,040

probably an announcement of life on mars

2687

01:34:26,310 --> 01:34:23,760

would be the next really big event and

2688

01:34:27,350 --> 01:34:26,320

uh or europa or wherever we may find it

2689

01:34:28,790 --> 01:34:27,360

um

2690

01:34:30,390 --> 01:34:28,800

it seems like there's evidence you know

2691

01:34:32,310 --> 01:34:30,400

there's there's organic material that

2692

01:34:34,870 --> 01:34:32,320

seems to have come from comets and that

2693

01:34:36,310 --> 01:34:34,880

whole pansperia type of theory that you

2694

01:34:37,350 --> 01:34:36,320

know life is spread through comets

2695

01:34:38,950 --> 01:34:37,360

bacteria

2696

01:34:40,790 --> 01:34:38,960

you know hitting the atmosphere raining

2697

01:34:42,390 --> 01:34:40,800

down and you've got life

2698

01:34:44,390 --> 01:34:42,400

there was that interesting case in india

2699

01:34:45,669 --> 01:34:44,400

with the red rain and you know that's

2700

01:34:47,590 --> 01:34:45,679

never really been explained they had

2701
01:34:51,270 --> 01:34:47,600
this red brain come down that had no

2702
01:34:53,030 --> 01:34:51,280
nucleus but it was cells that multiplied

2703
01:34:54,870 --> 01:34:53,040
and i looked at this recently because

2704
01:34:56,229 --> 01:34:54,880
there was a show on tv about it and they

2705
01:34:57,669 --> 01:34:56,239
still haven't figured out what it is all

2706
01:34:59,590 --> 01:34:57,679
these biologists don't know what the

2707
01:35:01,110 --> 01:34:59,600
heck the cells are

2708
01:35:03,030 --> 01:35:01,120
and they made me think you know what if

2709
01:35:05,189 --> 01:35:03,040
the bubonic plague and these great

2710
01:35:06,950 --> 01:35:05,199
diseases that have wiped out a good

2711
01:35:09,030 --> 01:35:06,960
portion of humanity were just you know

2712
01:35:11,110 --> 01:35:09,040
some comet hit the atmosphere right over

2713
01:35:13,270 --> 01:35:11,120

london at that time

2714

01:35:14,870 --> 01:35:13,280

it releases bacteria from another plant

2715

01:35:17,750 --> 01:35:14,880

that became the bubonic plague and it

2716

01:35:19,830 --> 01:35:17,760

took the human race a while to build an

2717

01:35:21,110 --> 01:35:19,840

immunity to it so that it didn't wipe us

2718

01:35:22,470 --> 01:35:21,120

out completely

2719

01:35:23,669 --> 01:35:22,480

we're pretty good with things like that

2720

01:35:25,990 --> 01:35:23,679

but you know there's a lot of weird

2721

01:35:27,430 --> 01:35:26,000

viruses that pop up out of nowhere who

2722

01:35:29,510 --> 01:35:27,440

knows where they actually come from and

2723

01:35:31,590 --> 01:35:29,520

they can be very devastating until we

2724

01:35:33,830 --> 01:35:31,600

kind of build the antibodies to combat

2725

01:35:35,990 --> 01:35:33,840

it yeah i always wonder where things you

2726

01:35:37,430 --> 01:35:36,000

know all of a sudden what is the origin

2727

01:35:39,830 --> 01:35:37,440

of some of the

2728

01:35:43,350 --> 01:35:39,840

things that happen you know even even a

2729

01:35:45,110 --> 01:35:43,360

cold you know or a certain type of flu

2730

01:35:46,470 --> 01:35:45,120

you know the origins are kind of a

2731

01:35:49,590 --> 01:35:46,480

mystery

2732

01:35:51,110 --> 01:35:49,600

uh next next controversial topic is uh

2733

01:35:58,629 --> 01:35:51,120

disclosure

2734

01:36:00,709 --> 01:35:58,639

and uh you know stephen greer has a new

2735

01:36:02,950 --> 01:36:00,719

uh not i don't know how new it is but

2736

01:36:04,629 --> 01:36:02,960

it's a gofundme campaign right which is

2737

01:36:07,030 --> 01:36:04,639

looking to raise fifty thousand dollars

2738

01:36:08,310 --> 01:36:07,040

toward ufo disclosure

2739

01:36:10,470 --> 01:36:08,320

uh

2740

01:36:12,870 --> 01:36:10,480

yeah what do you think about all that

2741

01:36:14,149 --> 01:36:12,880

i there will never be disclosure i

2742

01:36:15,830 --> 01:36:14,159

really

2743

01:36:18,709 --> 01:36:15,840

you know for

2744

01:36:20,870 --> 01:36:18,719

there's two sides of this if there's

2745

01:36:22,070 --> 01:36:20,880

really they don't know much of anything

2746

01:36:22,950 --> 01:36:22,080

they're not going to come out and say

2747

01:36:25,189 --> 01:36:22,960

that

2748

01:36:28,550 --> 01:36:25,199

if on the other hand there's been you

2749

01:36:30,310 --> 01:36:28,560

know abductions crashes uh pilots

2750

01:36:32,229 --> 01:36:30,320

perishing chasing these things or

2751

01:36:33,270 --> 01:36:32,239

getting zapped by these things

2752

01:36:34,790 --> 01:36:33,280

they're not going to come out and say

2753

01:36:36,790 --> 01:36:34,800

look you know we've been lying to you

2754

01:36:38,470 --> 01:36:36,800

for about 60 years we did get a lot of

2755

01:36:39,990 --> 01:36:38,480

really good tech out of this that we

2756

01:36:41,669 --> 01:36:40,000

seeded to certain companies that made

2757

01:36:43,910 --> 01:36:41,679

billions of dollars we did have some

2758

01:36:45,350 --> 01:36:43,920

deaths or some people being abducted but

2759

01:36:48,149 --> 01:36:45,360

hey you know don't worry about it

2760

01:36:49,590 --> 01:36:48,159

everything's under control they're here

2761

01:36:51,270 --> 01:36:49,600

life goes on

2762

01:36:53,669 --> 01:36:51,280

there's no scenario

2763

01:36:56,070 --> 01:36:53,679

i can see where the government is going

2764

01:36:57,750 --> 01:36:56,080

to have a reason for disclosure

2765

01:37:00,310 --> 01:36:57,760

i just don't see it unless we have some

2766

01:37:02,310 --> 01:37:00,320

type of invasion which

2767

01:37:03,910 --> 01:37:02,320

is a whole other scenario but i just i

2768

01:37:07,270 --> 01:37:03,920

don't think there's any reason for

2769

01:37:10,310 --> 01:37:07,280

disclosure i think that also if

2770

01:37:12,870 --> 01:37:10,320

disclosure would reveal some tech or

2771

01:37:13,990 --> 01:37:12,880

some advances that we have over some of

2772

01:37:15,910 --> 01:37:14,000

our

2773

01:37:17,910 --> 01:37:15,920

enemies that that wouldn't be a good

2774

01:37:19,430 --> 01:37:17,920

thing either i wouldn't want to release

2775

01:37:20,870 --> 01:37:19,440

top secret

2776

01:37:22,390 --> 01:37:20,880

information that could compromise the

2777

01:37:25,030 --> 01:37:22,400

united states

2778

01:37:27,270 --> 01:37:25,040

so i don't see any reason for disclosure

2779

01:37:29,030 --> 01:37:27,280

i don't see it happening i think that

2780

01:37:30,310 --> 01:37:29,040

you know people are trying to have that

2781

01:37:31,750 --> 01:37:30,320

happen but

2782

01:37:34,229 --> 01:37:31,760

there's no compelling reason there's no

2783

01:37:35,669 --> 01:37:34,239

way to force the government to do that

2784

01:37:37,510 --> 01:37:35,679

they're certainly not going to come back

2785

01:37:38,950 --> 01:37:37,520

and go oh we've been telling you a bunch

2786

01:37:41,109 --> 01:37:38,960

of crap for a long time we're going to

2787

01:37:43,830 --> 01:37:41,119

open up to it now i just there's no

2788

01:37:45,590 --> 01:37:43,840

scenario no situation where i see

2789

01:37:47,109 --> 01:37:45,600

disclosure happening

2790

01:37:48,470 --> 01:37:47,119

right unless it's forced unless it's

2791

01:37:50,870 --> 01:37:48,480

completely forced

2792

01:37:52,229 --> 01:37:50,880

someone made a funny point in the uh

2793

01:37:54,070 --> 01:37:52,239

message board

2794

01:37:55,350 --> 01:37:54,080

saying uh oh fifty thousand dollars

2795

01:37:58,310 --> 01:37:55,360

that's all it's going to cost for a

2796

01:38:03,350 --> 01:38:00,470

or you know another

2797

01:38:06,470 --> 01:38:03,360

addition to the house

2798

01:38:08,149 --> 01:38:06,480

right right right well actually uh steve

2799

01:38:08,950 --> 01:38:08,159

well steve bassett

2800

01:38:11,270 --> 01:38:08,960

um

2801

01:38:12,870 --> 01:38:11,280

he was my very first guest you know i

2802

01:38:15,109 --> 01:38:12,880

contacted

2803

01:38:18,229 --> 01:38:15,119

all these different people in the

2804

01:38:20,870 --> 01:38:18,239

ufology uh and steve bassett

2805

01:38:22,709 --> 01:38:20,880

right away said yeah sure yeah yeah so

2806

01:38:25,510 --> 01:38:22,719

um but anyway

2807

01:38:28,070 --> 01:38:25,520

uh so for that i i do appreciate that

2808

01:38:29,030 --> 01:38:28,080

but uh i i agree with you i don't think

2809

01:38:30,950 --> 01:38:29,040

i think

2810

01:38:32,149 --> 01:38:30,960

even if there was some type of an

2811

01:38:34,550 --> 01:38:32,159

invasion

2812

01:38:36,709 --> 01:38:34,560

there still wouldn't be any reason for

2813

01:38:38,790 --> 01:38:36,719

the government to say that something was

2814

01:38:40,470 --> 01:38:38,800

going on ahead of time

2815

01:38:41,990 --> 01:38:40,480

right you know you know what happened if

2816

01:38:43,669 --> 01:38:42,000

the government came out said yeah we are

2817

01:38:45,350 --> 01:38:43,679

being visited by e.t then the first

2818

01:38:47,590 --> 01:38:45,360

thing would happen people get on social

2819

01:38:49,189 --> 01:38:47,600

media and go yep they made that up

2820

01:38:50,870 --> 01:38:49,199

that's a lie

2821

01:38:52,390 --> 01:38:50,880

so you could probably tell the truth and

2822

01:38:54,070 --> 01:38:52,400

nobody believe it

2823

01:38:55,510 --> 01:38:54,080

right right

2824

01:38:57,270 --> 01:38:55,520

yeah i think uh

2825

01:38:59,350 --> 01:38:57,280

you know i don't think disclosure will

2826

01:39:00,229 --> 01:38:59,360

come through the government i think you

2827

01:39:05,350 --> 01:39:00,239

know

2828

01:39:07,750 --> 01:39:05,360

or

2829

01:39:09,990 --> 01:39:07,760

some type of massive sighting where that

2830

01:39:11,270 --> 01:39:10,000

just can't be discounted you know and it

2831

01:39:13,350 --> 01:39:11,280

seems like

2832

01:39:16,470 --> 01:39:13,360

things like the phoenix lights and you

2833

01:39:18,709 --> 01:39:16,480

know other you know witnessed accounts

2834

01:39:20,790 --> 01:39:18,719

would have changed things but they don't

2835

01:39:23,030 --> 01:39:20,800

so you just wonder how much of a major

2836

01:39:24,870 --> 01:39:23,040

sighting it has to be

2837

01:39:27,590 --> 01:39:24,880

yeah unless you have a ufo crash the

2838

01:39:30,870 --> 01:39:27,600

mufon symposium we all get a piece of it

2839

01:39:33,350 --> 01:39:30,880

you know i just i just don't see uh any

2840

01:39:34,629 --> 01:39:33,360

scenario where that's feasible

2841

01:39:36,950 --> 01:39:34,639

logical

2842

01:39:38,149 --> 01:39:36,960

or is something that somebody would be

2843

01:39:41,910 --> 01:39:38,159

willing to do

2844

01:39:44,629 --> 01:39:41,920

right i asked seth shawstack from seti i

2845

01:39:45,750 --> 01:39:44,639

said what type of evidence do you need

2846

01:39:48,390 --> 01:39:45,760

um

2847

01:39:50,870 --> 01:39:48,400

about a ufo you know ufos visiting us

2848

01:39:53,350 --> 01:39:50,880

and he said he wanted a wing of the

2849

01:39:55,430 --> 01:39:53,360

smithsonian full of debris

2850

01:39:57,830 --> 01:39:55,440

yeah yeah i've seen him talk about that

2851
01:39:58,870 --> 01:39:57,840
yeah and he's got a point you know i

2852
01:40:00,870 --> 01:39:58,880
mean

2853
01:40:03,030 --> 01:40:00,880
there's a lot of grandiose claims out

2854
01:40:06,070 --> 01:40:03,040
there but man if

2855
01:40:08,709 --> 01:40:06,080
if we could only have a piece you know i

2856
01:40:11,350 --> 01:40:08,719
just i finished reading the ufo crash at

2857
01:40:13,350 --> 01:40:11,360
aztec and all this debris that was found

2858
01:40:14,470 --> 01:40:13,360
out there and i i'm just wondering you

2859
01:40:16,629 --> 01:40:14,480
know

2860
01:40:19,350 --> 01:40:16,639
if all this debris is found and it's got

2861
01:40:21,189 --> 01:40:19,360
these unusual properties why isn't this

2862
01:40:22,950 --> 01:40:21,199
being analyzed i remember linda

2863
01:40:24,470 --> 01:40:22,960

muldenhall taking those pieces that were

2864

01:40:26,550 --> 01:40:24,480

mailed to her

2865

01:40:28,070 --> 01:40:26,560

to mit and all these labs and they

2866

01:40:30,709 --> 01:40:28,080

couldn't figure out what this you know

2867

01:40:33,109 --> 01:40:30,719

is this magnesium with the bismuth

2868

01:40:34,950 --> 01:40:33,119

layers manufactured but

2869

01:40:37,189 --> 01:40:34,960

had all these weird properties you know

2870

01:40:39,669 --> 01:40:37,199

it seems like in what i've seen there

2871

01:40:42,229 --> 01:40:39,679

has been evidence of exotic materials

2872

01:40:44,149 --> 01:40:42,239

but nothing ever comes of it

2873

01:40:45,830 --> 01:40:44,159

so i guess it's very hard it's very hard

2874

01:40:48,390 --> 01:40:45,840

to prove something extraterrestrial

2875

01:40:50,390 --> 01:40:48,400

because if it's manufactured as using

2876

01:40:52,149 --> 01:40:50,400

isotopes from earth

2877

01:40:54,709 --> 01:40:52,159

there's nothing unusual about the the

2878

01:40:57,270 --> 01:40:54,719

metals or the way they're combined

2879

01:40:59,830 --> 01:40:57,280

then the onus is on the person producing

2880

01:41:01,430 --> 01:40:59,840

that material to show that et and that's

2881

01:41:02,870 --> 01:41:01,440

that's almost impossible to do unless

2882

01:41:05,669 --> 01:41:02,880

the thing is made of some metal we've

2883

01:41:07,830 --> 01:41:05,679

never heard of or like what happened to

2884

01:41:09,830 --> 01:41:07,840

coral with a metal in the rock was

2885

01:41:12,470 --> 01:41:09,840

combined in a way that didn't conform to

2886

01:41:14,229 --> 01:41:12,480

any periodic chart on earth

2887

01:41:16,790 --> 01:41:14,239

then you have something but you know

2888

01:41:18,790 --> 01:41:16,800

until that day happens i

2889

01:41:20,709 --> 01:41:18,800

i don't know even if you had a piece of

2890

01:41:22,629 --> 01:41:20,719

a spaceship where would you take it who

2891

01:41:24,470 --> 01:41:22,639

would you trust with it yeah

2892

01:41:27,030 --> 01:41:24,480

yeah i mean what what could you find out

2893

01:41:29,109 --> 01:41:27,040

and then if you release that info people

2894

01:41:31,669 --> 01:41:29,119

probably not going to believe you anyway

2895

01:41:34,790 --> 01:41:31,679

yeah as far as we know there's just so

2896

01:41:36,629 --> 01:41:34,800

many elements and so that could be like

2897

01:41:38,390 --> 01:41:36,639

you say compound and

2898

01:41:40,229 --> 01:41:38,400

in certain ways but yeah it would be

2899

01:41:42,149 --> 01:41:40,239

really tough to

2900

01:41:44,229 --> 01:41:42,159

actually prove that

2901
01:41:45,350 --> 01:41:44,239
physical evidence was physical evidence

2902
01:41:47,030 --> 01:41:45,360
i think

2903
01:41:49,189 --> 01:41:47,040
yeah because you know all our heavy

2904
01:41:50,629 --> 01:41:49,199
metals are produced by supernovas so

2905
01:41:52,550 --> 01:41:50,639
that's where you get your platinum your

2906
01:41:54,149 --> 01:41:52,560
gold and everything and the fact that

2907
01:41:55,750 --> 01:41:54,159
it's abundant in the universe or maybe

2908
01:41:57,669 --> 01:41:55,760
not as abundant you have to have you

2909
01:41:59,510 --> 01:41:57,679
know supernova to produce some of these

2910
01:42:01,510 --> 01:41:59,520
heavy elements but

2911
01:42:03,590 --> 01:42:01,520
it just seems like uh it would have to

2912
01:42:05,910 --> 01:42:03,600
be combined in a way or structured in a

2913
01:42:08,229 --> 01:42:05,920

way that's way beyond anything that we

2914

01:42:09,990 --> 01:42:08,239

know about and

2915

01:42:12,229 --> 01:42:10,000

there's still a lot of data points you'd

2916

01:42:14,629 --> 01:42:12,239

have to come up with to prove that it

2917

01:42:16,790 --> 01:42:14,639

was not manufactured on earth that was

2918

01:42:18,550 --> 01:42:16,800

part of a flying craft that it has

2919

01:42:21,669 --> 01:42:18,560

unusual properties

2920

01:42:23,350 --> 01:42:21,679

um it's just tough i mean what would

2921

01:42:25,109 --> 01:42:23,360

what would disclosure look like yeah i

2922

01:42:27,590 --> 01:42:25,119

don't i can't even foresee it i have no

2923

01:42:29,590 --> 01:42:27,600

idea how that would actually work

2924

01:42:31,990 --> 01:42:29,600

so you know it's it's you know and you

2925

01:42:34,870 --> 01:42:32,000

have the conundrum of of any scientist

2926

01:42:36,229 --> 01:42:34,880

metallurgist or whatever that

2927

01:42:37,750 --> 01:42:36,239

would examine something like this

2928

01:42:40,229 --> 01:42:37,760

they're not going to come out and go wow

2929

01:42:41,669 --> 01:42:40,239

this is this is off-world ufo material

2930

01:42:43,510 --> 01:42:41,679

because it'll jeopardize their their

2931

01:42:44,950 --> 01:42:43,520

position and their college or their job

2932

01:42:47,590 --> 01:42:44,960

or whatever so

2933

01:42:49,830 --> 01:42:47,600

you know when we get material you you

2934

01:42:51,910 --> 01:42:49,840

have to do the smart thing and let labs

2935

01:42:53,750 --> 01:42:51,920

analyze it without mentioning anything

2936

01:42:55,990 --> 01:42:53,760

about where it came from what it's

2937

01:42:58,229 --> 01:42:56,000

attached to just try to get some data

2938

01:43:00,550 --> 01:42:58,239

don't ever mention it's from a ufo or a

2939

01:43:02,310 --> 01:43:00,560

landing site or whatever just try to

2940

01:43:04,709 --> 01:43:02,320

have them analyze it with absolutely no

2941

01:43:06,629 --> 01:43:04,719

prejudice at all because if you

2942

01:43:07,910 --> 01:43:06,639

first of all if you say it's from a ufo

2943

01:43:09,990 --> 01:43:07,920

and it turns out to have unusual

2944

01:43:11,510 --> 01:43:10,000

properties then they'll take it and

2945

01:43:12,629 --> 01:43:11,520

they'll classify it and you'll never see

2946

01:43:15,189 --> 01:43:12,639

it again and that's what happened to the

2947

01:43:16,550 --> 01:43:15,199

metal socorro from the rock it was yeah

2948

01:43:22,149 --> 01:43:16,560

tell that story

2949

01:43:24,870 --> 01:43:22,159

ray and uh lonnie and dr heineck were

2950

01:43:27,990 --> 01:43:24,880

standing at the landing site and socorro

2951
01:43:29,590 --> 01:43:28,000
over the 1964 incident and lonnie looks

2952
01:43:31,590 --> 01:43:29,600
down and says

2953
01:43:33,510 --> 01:43:31,600
there's a rock in this um

2954
01:43:35,030 --> 01:43:33,520
one of the landing pads the four landing

2955
01:43:36,629 --> 01:43:35,040
gear hit and

2956
01:43:38,470 --> 01:43:36,639
line said something like that looks like

2957
01:43:40,310 --> 01:43:38,480
that rock was broken in half by one of

2958
01:43:41,350 --> 01:43:40,320
the landing pads and dr heineck looked

2959
01:43:43,030 --> 01:43:41,360
down and said

2960
01:43:44,629 --> 01:43:43,040
sure does doesn't it and then they

2961
01:43:45,750 --> 01:43:44,639
didn't do anything and ray realized that

2962
01:43:47,510 --> 01:43:45,760
they were going to

2963
01:43:49,510 --> 01:43:47,520

not do anything and so he reminded them

2964

01:43:51,189 --> 01:43:49,520

that they had to go back and do

2965

01:43:53,669 --> 01:43:51,199

the press conference

2966

01:43:55,510 --> 01:43:53,679

back in socorro and then he went back

2967

01:43:56,709 --> 01:43:55,520

got in his car drove back out grabbed

2968

01:43:58,950 --> 01:43:56,719

this rock

2969

01:44:00,470 --> 01:43:58,960

the rock had uh the landing gear scraped

2970

01:44:02,950 --> 01:44:00,480

down the rock and rolled up some metal

2971

01:44:04,950 --> 01:44:02,960

in it ray eventually got it to dr

2972

01:44:07,990 --> 01:44:04,960

frankel at goddard um

2973

01:44:09,910 --> 01:44:08,000

at goddard in maryland i believe

2974

01:44:13,030 --> 01:44:09,920

and he came back and said that the it

2975

01:44:14,870 --> 01:44:13,040

was aluminum and i think uh

2976

01:44:17,270 --> 01:44:14,880

some common elements but the way it was

2977

01:44:19,270 --> 01:44:17,280

combined didn't conform to anything on

2978

01:44:21,510 --> 01:44:19,280

the periodic chart for russia united

2979

01:44:22,310 --> 01:44:21,520

states or any other country and this is

2980

01:44:23,910 --> 01:44:22,320

like

2981

01:44:24,950 --> 01:44:23,920

probably in the 70s

2982

01:44:26,629 --> 01:44:24,960

and that

2983

01:44:28,390 --> 01:44:26,639

he would you know write a paper about it

2984

01:44:30,149 --> 01:44:28,400

and of course that's when he kind of

2985

01:44:31,510 --> 01:44:30,159

vanished from the scene the rock was

2986

01:44:32,950 --> 01:44:31,520

given back to ray with all the metal

2987

01:44:35,270 --> 01:44:32,960

taking out of it

2988

01:44:38,070 --> 01:44:35,280

and no more was heard about that but the

2989

01:44:40,550 --> 01:44:38,080

initial report was that the combination

2990

01:44:43,189 --> 01:44:40,560

of these metals was not anything

2991

01:44:45,109 --> 01:44:43,199

conformed to earth-based manufacturing

2992

01:44:47,109 --> 01:44:45,119

or smelting or anything like that

2993

01:44:49,510 --> 01:44:47,119

and that's when it obviously became

2994

01:44:51,030 --> 01:44:49,520

classified the material was taken they

2995

01:44:53,030 --> 01:44:51,040

were told never to talk about it again

2996

01:44:55,510 --> 01:44:53,040

and that's exactly what happened

2997

01:44:59,510 --> 01:44:55,520

right right someone mentioned uh daryl

2998

01:45:04,070 --> 01:45:01,990

i know daryl yeah daryl's a nice guy and

2999

01:45:06,149 --> 01:45:04,080

uh he's actually in trouble he's in the

3000

01:45:08,550 --> 01:45:06,159

houston area right now yeah yeah he's

3001

01:45:10,870 --> 01:45:08,560

underwater and daryl is a really nice

3002

01:45:12,550 --> 01:45:10,880

guy he's one of the good guys he's

3003

01:45:14,390 --> 01:45:12,560

unfortunately going through a tough time

3004

01:45:17,350 --> 01:45:14,400

right now he's in houston

3005

01:45:19,669 --> 01:45:17,360

um the recent post that i saw was there

3006

01:45:21,990 --> 01:45:19,679

they're okay but it was very dicey for a

3007

01:45:23,910 --> 01:45:22,000

while there i feel so bad for all those

3008

01:45:26,790 --> 01:45:23,920

people because

3009

01:45:27,830 --> 01:45:26,800

the water is like uh wind man when it's

3010

01:45:32,070 --> 01:45:27,840

really

3011

01:45:34,310 --> 01:45:32,080

can do there's no way to combat it water

3012

01:45:36,149 --> 01:45:34,320

will get everywhere it devastates lives

3013

01:45:38,149 --> 01:45:36,159

it's just uh

3014

01:45:40,709 --> 01:45:38,159

it's bad it's bad i've lived through

3015

01:45:42,229 --> 01:45:40,719

several hurricanes and you know there's

3016

01:45:43,910 --> 01:45:42,239

no preparing for something like that i'm

3017

01:45:45,270 --> 01:45:43,920

surprised they didn't evacuate the whole

3018

01:45:47,669 --> 01:45:45,280

area but i don't think they knew it was

3019

01:45:50,629 --> 01:45:47,679

going to be as bad as it was but um yeah

3020

01:45:52,470 --> 01:45:50,639

daryl i like daryl he's a good guy um

3021

01:45:54,149 --> 01:45:52,480

it's like richard dolan i saw richard

3022

01:45:55,830 --> 01:45:54,159

you know at nevada

3023

01:45:56,510 --> 01:45:55,840

at las vegas at the conference and he

3024

01:45:58,629 --> 01:45:56,520

was

3025

01:45:59,990 --> 01:45:58,639

distancing himself from some of the

3026

01:46:01,830 --> 01:46:00,000

speakers but

3027

01:46:04,950 --> 01:46:01,840

you know he's very cordial he's a smart

3028

01:46:07,910 --> 01:46:04,960

guy he he has good points um

3029

01:46:09,109 --> 01:46:07,920

and he seems sincere you know um

3030

01:46:10,870 --> 01:46:09,119

and there's

3031

01:46:13,270 --> 01:46:10,880

few and far between in this business

3032

01:46:15,030 --> 01:46:13,280

where you know people are sincere and

3033

01:46:16,709 --> 01:46:15,040

don't try to take things from other

3034

01:46:18,870 --> 01:46:16,719

people and present it as their own or

3035

01:46:20,950 --> 01:46:18,880

stab people in the back but you know

3036

01:46:22,950 --> 01:46:20,960

everybody that's in this field knows the

3037

01:46:26,390 --> 01:46:22,960

good guys and some of the bad guys i

3038

01:46:28,390 --> 01:46:26,400

guess yeah what uh some people you know

3039

01:46:30,790 --> 01:46:28,400

along the controversial side some people

3040

01:46:34,310 --> 01:46:30,800

say there's a lot of infighting in the

3041

01:46:37,270 --> 01:46:34,320

ufo field um what do you make of

3042

01:46:40,629 --> 01:46:37,280

why that happens

3043

01:46:42,470 --> 01:46:40,639

um i think in some cases it's ego

3044

01:46:44,310 --> 01:46:42,480

somebody wants to be on top somebody

3045

01:46:47,189 --> 01:46:44,320

wants to be the presenter of all the new

3046

01:46:48,709 --> 01:46:47,199

material um somebody might find out that

3047

01:46:50,870 --> 01:46:48,719

somebody else has got something then

3048

01:46:53,030 --> 01:46:50,880

they make it their own and

3049

01:46:54,870 --> 01:46:53,040

uh you you might be friends with

3050

01:46:57,109 --> 01:46:54,880

somebody and then you present something

3051

01:46:58,709 --> 01:46:57,119

and they call bs on you and then you're

3052

01:47:00,070 --> 01:46:58,719

not friends anymore then you're trashing

3053

01:47:01,750 --> 01:47:00,080

each other

3054

01:47:03,350 --> 01:47:01,760

um the one thing i noticed at the

3055

01:47:05,189 --> 01:47:03,360

conference was a lot of people came up

3056

01:47:07,350 --> 01:47:05,199

and talked to me about other people and

3057

01:47:09,910 --> 01:47:07,360

i you know i try to stay out of

3058

01:47:11,270 --> 01:47:09,920

any type of personal attacks or anything

3059

01:47:12,629 --> 01:47:11,280

like that especially if i don't know

3060

01:47:16,229 --> 01:47:12,639

someone but

3061

01:47:18,149 --> 01:47:16,239

there's a lot of uh animosity um i mean

3062

01:47:20,470 --> 01:47:18,159

people were

3063

01:47:22,790 --> 01:47:20,480

adam you know had animosity towards tony

3064

01:47:26,229 --> 01:47:22,800

and i when we got on hanger one and you

3065

01:47:28,870 --> 01:47:26,239

know um that's nothing i can control but

3066

01:47:31,030 --> 01:47:28,880

it seems like a lot of the infighting is

3067

01:47:33,430 --> 01:47:31,040

because somebody wants to be

3068

01:47:35,030 --> 01:47:33,440

the leader somebody wants to be the guy

3069

01:47:36,550 --> 01:47:35,040

that brings this to you know brings out

3070

01:47:38,390 --> 01:47:36,560

the good material somebody wants to

3071

01:47:39,830 --> 01:47:38,400

generate the the money and be in control

3072

01:47:41,510 --> 01:47:39,840

of that somebody wants to control the

3073

01:47:44,070 --> 01:47:41,520

information

3074

01:47:46,149 --> 01:47:44,080

i just don't think that if we're all

3075

01:47:48,149 --> 01:47:46,159

trying to work together there's not a

3076

01:47:50,310 --> 01:47:48,159

way that we can't kind of

3077

01:47:51,830 --> 01:47:50,320

get along but um you know people have

3078

01:47:53,350 --> 01:47:51,840

different views if somebody's really

3079

01:47:55,270 --> 01:47:53,360

into abductions they're going to

3080

01:47:57,350 --> 01:47:55,280

investigate that way if somebody

3081

01:47:58,629 --> 01:47:57,360

believes there are demons or angels

3082

01:48:00,149 --> 01:47:58,639

they're going to believe that and not

3083

01:48:02,550 --> 01:48:00,159

believe anybody else and then if you

3084

01:48:03,750 --> 01:48:02,560

have a strong belief and people disagree

3085

01:48:05,750 --> 01:48:03,760

with you then you're going to trash them

3086

01:48:07,510 --> 01:48:05,760

on social media and then you're going to

3087

01:48:09,910 --> 01:48:07,520

you know get all this infighting going

3088

01:48:12,229 --> 01:48:09,920

we're wasting time you know it's it's

3089

01:48:13,669 --> 01:48:12,239

it's it's kind of like

3090

01:48:14,950 --> 01:48:13,679

game of thrones you've been watching

3091

01:48:16,229 --> 01:48:14,960

that you know we shouldn't be fighting

3092

01:48:19,189 --> 01:48:16,239

each other because there's a much bigger

3093

01:48:20,629 --> 01:48:19,199

battle coming down the road yeah um do

3094

01:48:22,470 --> 01:48:20,639

you think that

3095

01:48:24,470 --> 01:48:22,480

um you're saying people should work

3096

01:48:27,510 --> 01:48:24,480

together but when you're

3097

01:48:29,750 --> 01:48:27,520

like investigating cases how involved

3098

01:48:32,629 --> 01:48:29,760

i'm talking about through move on how

3099

01:48:35,990 --> 01:48:32,639

involved does that get with

3100

01:48:37,990 --> 01:48:36,000

other people like networking

3101

01:48:39,910 --> 01:48:38,000

well if you have

3102

01:48:41,910 --> 01:48:39,920

a case that's similar to other cases you

3103

01:48:44,070 --> 01:48:41,920

reach out to other investigators the

3104

01:48:45,430 --> 01:48:44,080

investigators are good and mufon at

3105

01:48:46,870 --> 01:48:45,440

sharing data

3106

01:48:47,910 --> 01:48:46,880

um

3107

01:48:49,590 --> 01:48:47,920

people

3108

01:48:51,510 --> 01:48:49,600

there's sometimes their power plays in

3109

01:48:54,310 --> 01:48:51,520

each state you know being the state

3110

01:48:55,910 --> 01:48:54,320

director or whatever but for the most

3111

01:49:01,109 --> 01:48:55,920

part i think that people are willing to

3112

01:49:03,510 --> 01:49:01,119

share data and try to help with cases um

3113

01:49:04,950 --> 01:49:03,520

it's you know whenever i go to i go to a

3114

01:49:06,310 --> 01:49:04,960

lot of these events not to listen to the

3115

01:49:08,229 --> 01:49:06,320

speakers but the network for the people

3116

01:49:10,790 --> 01:49:08,239

that i meet there like the people from

3117

01:49:12,790 --> 01:49:10,800

phoenix mufon great group of people do

3118

01:49:14,950 --> 01:49:12,800

very good work i like meeting them every

3119

01:49:17,830 --> 01:49:14,960

year i like seeing my friends from

3120

01:49:19,350 --> 01:49:17,840

colorado my friends from florida

3121

01:49:22,310 --> 01:49:19,360

we usually get along we usually try to

3122

01:49:24,229 --> 01:49:22,320

help each other we'll share data

3123

01:49:26,790 --> 01:49:24,239

it's just that

3124

01:49:29,350 --> 01:49:26,800

you know as with all of this we all have

3125

01:49:30,629 --> 01:49:29,360

jobs we all have obligations and it's

3126

01:49:33,510 --> 01:49:30,639

really hard unless you're doing this

3127

01:49:35,189 --> 01:49:33,520

full time to to do all of the uh

3128

01:49:36,310 --> 01:49:35,199

collaborative work that we should be

3129

01:49:39,669 --> 01:49:36,320

doing

3130

01:49:40,950 --> 01:49:39,679

right right uh someone just asked in the

3131

01:49:43,350 --> 01:49:40,960

message board

3132

01:49:44,870 --> 01:49:43,360

you know when stan friedman is no longer

3133

01:49:46,070 --> 01:49:44,880

with us who will be the next stan

3134

01:49:48,310 --> 01:49:46,080

freeman i

3135

01:49:49,990 --> 01:49:48,320

i actually asked dan that question when

3136

01:49:51,669 --> 01:49:50,000

he was on my show

3137

01:49:52,470 --> 01:49:51,679

uh surprisingly

3138

01:49:54,629 --> 01:49:52,480

uh

3139

01:49:57,990 --> 01:49:54,639

well not necessarily surprisingly he

3140

01:50:00,470 --> 01:49:58,000

said john green greenfield is it green

3141

01:50:02,470 --> 01:50:00,480

is that his last female green one yeah

3142

01:50:04,070 --> 01:50:02,480

yeah no get his name wrong

3143

01:50:06,310 --> 01:50:04,080

he thinks john greenwald would and i

3144

01:50:08,229 --> 01:50:06,320

told john that and he almost he almost

3145

01:50:10,070 --> 01:50:08,239

you know went to tears

3146

01:50:12,790 --> 01:50:10,080

well there's no replacing stanton you

3147

01:50:14,870 --> 01:50:12,800

know he's he's one of the originals um

3148

01:50:17,189 --> 01:50:14,880

john greenbald has done a great job with

3149

01:50:18,950 --> 01:50:17,199

the black vault uh you know kudos to the

3150

01:50:20,550 --> 01:50:18,960

guy for doing all his

3151
01:50:22,550 --> 01:50:20,560
freedom of information requests and

3152
01:50:25,590 --> 01:50:22,560
getting a lot of great documents out

3153
01:50:27,189 --> 01:50:25,600
there i remember seeing the guy on um

3154
01:50:29,590 --> 01:50:27,199
it was unsolved mysteries or something

3155
01:50:31,510 --> 01:50:29,600
when he was 14 or 15 and he's just been

3156
01:50:33,270 --> 01:50:31,520
going at it ever since i've met him

3157
01:50:34,709 --> 01:50:33,280
several times he's a very nice guy

3158
01:50:37,350 --> 01:50:34,719
family guy

3159
01:50:38,790 --> 01:50:37,360
i like john i think he does good work he

3160
01:50:40,390 --> 01:50:38,800
doesn't really

3161
01:50:42,470 --> 01:50:40,400
when he presents the material he pretty

3162
01:50:44,070 --> 01:50:42,480
much shows the documents he got he

3163
01:50:46,629 --> 01:50:44,080

doesn't really slant it one way or

3164

01:50:48,870 --> 01:50:46,639

another you kind of read into it but

3165

01:50:50,470 --> 01:50:48,880

he's doing a good job of pulling down

3166

01:50:52,149 --> 01:50:50,480

information because freedom of

3167

01:50:54,149 --> 01:50:52,159

information actually you got to be very

3168

01:50:55,750 --> 01:50:54,159

specific if you put the wrong word in

3169

01:50:57,350 --> 01:50:55,760

there if they're saying you're looking

3170

01:50:58,950 --> 01:50:57,360

for documents on ufos but they don't

3171

01:51:01,030 --> 01:50:58,960

call them ufos they may call them

3172

01:51:03,590 --> 01:51:01,040

anomalous aerial objects you got to put

3173

01:51:06,870 --> 01:51:03,600

that wording in there to pull that

3174

01:51:09,109 --> 01:51:06,880

report you know and so he's learned how

3175

01:51:10,950 --> 01:51:09,119

to do this almost perfection so

3176

01:51:12,950 --> 01:51:10,960

you know i would say john would be if

3177

01:51:14,470 --> 01:51:12,960

somebody could take up the mantle but

3178

01:51:15,189 --> 01:51:14,480

like a lot of these guys there's you

3179

01:51:17,350 --> 01:51:15,199

know

3180

01:51:18,709 --> 01:51:17,360

the mold was broke when they were when

3181

01:51:20,709 --> 01:51:18,719

they were made they'll never be another

3182

01:51:22,629 --> 01:51:20,719

guy like stanton but there's nobody else

3183

01:51:24,229 --> 01:51:22,639

like john either i think that's a good

3184

01:51:25,510 --> 01:51:24,239

analogy though that

3185

01:51:27,270 --> 01:51:25,520

john will do a lot of the work because

3186

01:51:28,790 --> 01:51:27,280

stanton does a lot of archival work he

3187

01:51:30,790 --> 01:51:28,800

looks a lot of documents he does

3188

01:51:33,270 --> 01:51:30,800

cross-referencing and tries to find the

3189

01:51:35,270 --> 01:51:33,280

validity of these things

3190

01:51:37,350 --> 01:51:35,280

but hopefully he's got you know 10 20

3191

01:51:40,310 --> 01:51:37,360

years left with us

3192

01:51:42,390 --> 01:51:40,320

right right yeah he's uh he's actually

3193

01:51:44,470 --> 01:51:42,400

looking good these days he's lost he

3194

01:51:47,669 --> 01:51:44,480

lost a lot of weight yeah yeah

3195

01:51:49,750 --> 01:51:47,679

yeah um and jacques valet you know i

3196

01:51:52,310 --> 01:51:49,760

mean i don't know if anyone would ever

3197

01:51:54,149 --> 01:51:52,320

be able to replace him as well

3198

01:51:56,229 --> 01:51:54,159

yeah jacques um

3199

01:51:59,589 --> 01:51:56,239

i never realized how tall he was because

3200

01:52:02,550 --> 01:51:59,599

uh when we met him in arizona

3201
01:52:04,950 --> 01:52:02,560
i'm six too but he towered over me um

3202
01:52:06,310 --> 01:52:04,960
but he uh yeah he's done a lot of the

3203
01:52:08,310 --> 01:52:06,320
you know he was one of the critical

3204
01:52:09,910 --> 01:52:08,320
thinkers from early on he was talking

3205
01:52:11,030 --> 01:52:09,920
about the science of thing i've read all

3206
01:52:12,709 --> 01:52:11,040
his books

3207
01:52:15,189 --> 01:52:12,719
very interesting things that go on in

3208
01:52:17,189 --> 01:52:15,199
his country too some fascinating cases a

3209
01:52:18,950 --> 01:52:17,199
lot of people probably never heard of

3210
01:52:20,709 --> 01:52:18,960
but he was a good thinker he kind of

3211
01:52:22,709 --> 01:52:20,719
trying to break it down looking at the

3212
01:52:24,709 --> 01:52:22,719
you know the the physical aspects the

3213
01:52:25,990 --> 01:52:24,719

mental aspects the

3214

01:52:28,870 --> 01:52:26,000

the uh

3215

01:52:31,109 --> 01:52:28,880

ramifications through history of uh you

3216

01:52:33,030 --> 01:52:31,119

know what some of these things are and

3217

01:52:33,910 --> 01:52:33,040

and kind of how they've evolved over

3218

01:52:35,589 --> 01:52:33,920

time

3219

01:52:37,589 --> 01:52:35,599

um but he's one of those types of

3220

01:52:39,750 --> 01:52:37,599

researchers that you know there's only

3221

01:52:41,669 --> 01:52:39,760

one of a kind and uh

3222

01:52:44,149 --> 01:52:41,679

he still looks good for his age i i

3223

01:52:46,629 --> 01:52:44,159

think he's in his 70s now but nice nice

3224

01:52:49,189 --> 01:52:46,639

guy i really like enjoyed talking to him

3225

01:52:50,790 --> 01:52:49,199

and uh you know we need more people to

3226

01:52:53,030 --> 01:52:50,800

fill the shoes of some of these people

3227

01:52:55,189 --> 01:52:53,040

that are along with the tooth now

3228

01:52:57,189 --> 01:52:55,199

yeah that's right that's right

3229

01:52:58,709 --> 01:52:57,199

now you you don't personally have a

3230

01:53:01,430 --> 01:52:58,719

website do you

3231

01:53:05,189 --> 01:53:01,440

yeah we're move on va.com oh through the

3232

01:53:08,229 --> 01:53:05,199

mufon site okay yeah and um have you

3233

01:53:10,950 --> 01:53:08,239

ever considered writing a book yourself

3234

01:53:14,709 --> 01:53:10,960

yeah yeah we've been talking about it um

3235

01:53:17,030 --> 01:53:14,719

you and tony yeah there's uh i know that

3236

01:53:19,669 --> 01:53:17,040

kevin randle i don't think this is

3237

01:53:22,149 --> 01:53:19,679

anything well actually it's it's listed

3238

01:53:23,830 --> 01:53:22,159

kevin randle wrote a book on socorro um

3239

01:53:27,030 --> 01:53:23,840

and you know

3240

01:53:28,550 --> 01:53:27,040

tony me and ray all signed you know some

3241

01:53:30,950 --> 01:53:28,560

documents saying that he could use some

3242

01:53:32,229 --> 01:53:30,960

material that we uncovered because ray

3243

01:53:34,149 --> 01:53:32,239

was the original investigator and you

3244

01:53:35,510 --> 01:53:34,159

can't do a book on socorro without

3245

01:53:37,830 --> 01:53:35,520

talking to ray

3246

01:53:39,669 --> 01:53:37,840

but uh he's he's written a book i'll be

3247

01:53:43,189 --> 01:53:39,679

interested to see that but i think

3248

01:53:45,350 --> 01:53:43,199

there's a kind of a bigger story there

3249

01:53:46,790 --> 01:53:45,360

that would include all the work that

3250

01:53:48,790 --> 01:53:46,800

ray's done that still needs to be

3251

01:53:50,070 --> 01:53:48,800

written so

3252

01:53:53,510 --> 01:53:50,080

you know we've talked about that and

3253

01:53:54,870 --> 01:53:53,520

maybe writing one about investigations

3254

01:53:56,149 --> 01:53:54,880

that's something we definitely want to

3255

01:53:57,669 --> 01:53:56,159

do we definitely want to get some things

3256

01:53:59,189 --> 01:53:57,679

down on paper we've written a lot of

3257

01:54:00,310 --> 01:53:59,199

articles we're always writing a monthly

3258

01:54:03,669 --> 01:54:00,320

article that's on you know

3259

01:54:07,910 --> 01:54:05,430

so we write articles every month we've

3260

01:54:09,910 --> 01:54:07,920

talked about all the topics you know the

3261

01:54:12,310 --> 01:54:09,920

social media attacks i think problems

3262

01:54:14,310 --> 01:54:12,320

with ufology at that site

3263

01:54:16,390 --> 01:54:14,320

so um yeah that's something that you

3264

01:54:19,669 --> 01:54:16,400

know it's time trying to find time and

3265

01:54:21,990 --> 01:54:19,679

my job i drive 80 miles a day

3266

01:54:23,589 --> 01:54:22,000

round trip for my job so by the time i

3267

01:54:26,390 --> 01:54:23,599

get home i'm pretty frightened if i'm

3268

01:54:28,070 --> 01:54:26,400

gonna hit the gym or play tennis so most

3269

01:54:30,070 --> 01:54:28,080

of my work for ufology is done on the

3270

01:54:32,709 --> 01:54:30,080

weekends although i'm always assigning

3271

01:54:34,790 --> 01:54:32,719

cases and always doing research

3272

01:54:36,390 --> 01:54:34,800

so it's it's

3273

01:54:38,709 --> 01:54:36,400

it's tough you know you just got to

3274

01:54:41,189 --> 01:54:38,719

grind it out and you know if you didn't

3275

01:54:43,270 --> 01:54:41,199

love doing this it certainly would be a

3276

01:54:45,510 --> 01:54:43,280

grind but i'm always fascinated by the

3277

01:54:47,750 --> 01:54:45,520

stuff we find and the information and

3278

01:54:49,270 --> 01:54:47,760

even working on a case from 1964 we're

3279

01:54:52,070 --> 01:54:49,280

still pulling new evidence and that's

3280

01:54:55,270 --> 01:54:52,080

just amazing to me that that can happen

3281

01:54:57,109 --> 01:54:55,280

wow yeah now just one last question it's

3282

01:54:59,830 --> 01:54:57,119

we're at the end of the show here just a

3283

01:55:01,750 --> 01:54:59,840

couple minutes um what are you

3284

01:55:04,709 --> 01:55:01,760

what do you consider

3285

01:55:09,830 --> 01:55:04,719

the best case that you've worked on

3286

01:55:15,669 --> 01:55:12,070

i had a case in

3287

01:55:20,950 --> 01:55:17,270

a woman

3288

01:55:23,510 --> 01:55:20,960

a family was being traumatized by

3289

01:55:25,270 --> 01:55:23,520

objects flying really low at night they

3290

01:55:28,390 --> 01:55:25,280

had a

3291

01:55:30,390 --> 01:55:28,400

some cattle mutilated on their property

3292

01:55:31,350 --> 01:55:30,400

and the son told me that he was even

3293

01:55:32,870 --> 01:55:31,360

scared

3294

01:55:34,870 --> 01:55:32,880

his mom wouldn't even go out at night

3295

01:55:37,430 --> 01:55:34,880

anymore because he he's the way he said

3296

01:55:40,870 --> 01:55:37,440

it was things would swoop down on her

3297

01:55:43,189 --> 01:55:40,880

and um and in the same area there was a

3298

01:55:45,350 --> 01:55:43,199

baby that was strapped into a carriage

3299

01:55:47,030 --> 01:55:45,360

and you're this is a less than year old

3300

01:55:48,550 --> 01:55:47,040

baby that disappeared from a locked

3301
01:55:49,669 --> 01:55:48,560
alarm home

3302
01:55:51,189 --> 01:55:49,679
turned up

3303
01:55:52,870 --> 01:55:51,199
police were called

3304
01:55:54,790 --> 01:55:52,880
couldn't find it anywhere turned up two

3305
01:55:57,189 --> 01:55:54,800
hours later on the neighbor's porch

3306
01:55:59,430 --> 01:55:57,199
still strapped into its um

3307
01:56:00,870 --> 01:55:59,440
protective seat or whatever i don't have

3308
01:56:02,950 --> 01:56:00,880
to go

3309
01:56:04,629 --> 01:56:02,960
and this was all in the same area there

3310
01:56:06,950 --> 01:56:04,639
were three or four reports so there's

3311
01:56:08,550 --> 01:56:06,960
something very unusual going on there

3312
01:56:10,870 --> 01:56:08,560
and we've always wanted to stake out

3313
01:56:13,030 --> 01:56:10,880

that area and do a search because it's

3314

01:56:15,589 --> 01:56:13,040

very mountainous as a big valley

3315

01:56:17,589 --> 01:56:15,599

and i know from cases that these things

3316

01:56:18,709 --> 01:56:17,599

seem to like to travel in between down

3317

01:56:20,149 --> 01:56:18,719

in the valleys where they're not on

3318

01:56:21,109 --> 01:56:20,159

radar and they can kind of go back and

3319

01:56:23,109 --> 01:56:21,119

forth

3320

01:56:24,550 --> 01:56:23,119

you know in in stealth

3321

01:56:27,750 --> 01:56:24,560

so that was one of the most interesting

3322

01:56:30,390 --> 01:56:27,760

ones that we had it was a it

3323

01:56:33,030 --> 01:56:30,400

supposed abduction things flying down a

3324

01:56:35,270 --> 01:56:33,040

cattle mutilation um and

3325

01:56:36,550 --> 01:56:35,280

multiple multiple sightings wow whole

3326

01:56:38,310 --> 01:56:36,560

nine yards

3327

01:56:40,629 --> 01:56:38,320

yeah yeah just i would need to spend a

3328

01:56:41,990 --> 01:56:40,639

week there to try to even begin to

3329

01:56:44,790 --> 01:56:42,000

figure all that out and get all the

3330

01:56:46,870 --> 01:56:44,800

witnesses together huh well hey ben

3331

01:56:49,270 --> 01:56:46,880

thanks so much we didn't appreciate it

3332

01:56:51,669 --> 01:56:49,280

we didn't get really bad i don't think

3333

01:56:53,830 --> 01:56:51,679

no you know i try to be you know i give

3334

01:56:55,910 --> 01:56:53,840

everybody the benefit of doubt it's just

3335

01:56:57,510 --> 01:56:55,920

that some things and you know i i got to

3336

01:56:59,270 --> 01:56:57,520

ease up on the facebook stuff but

3337

01:57:01,589 --> 01:56:59,280

sometimes i just can't take it i got to

3338

01:57:03,430 --> 01:57:01,599

say something and it might

3339

01:57:05,589 --> 01:57:03,440

tee off a few people but you know at

3340

01:57:07,990 --> 01:57:05,599

least i'm being honest being real right

3341

01:57:09,510 --> 01:57:08,000

right all right ben you take care thank

3342

01:57:10,709 --> 01:57:09,520

you martin i appreciate it all right

3343

01:57:14,470 --> 01:57:10,719

i'll talk soon

3344

01:57:16,070 --> 01:57:14,480

all right sir all right bye bye-bye

3345

01:57:17,830 --> 01:57:16,080

all right everyone so that's it for the

3346

01:57:20,950 --> 01:57:17,840

show thanks so much for either joining

3347

01:57:23,830 --> 01:57:20,960

in live or uh or

3348

01:57:26,550 --> 01:57:23,840

are listening as a podcast and i forgot

3349

01:57:27,430 --> 01:57:26,560

to announce that we're also on a radio

3350

01:57:28,390 --> 01:57:27,440

show

3351

01:57:30,709 --> 01:57:28,400

um

3352

01:57:32,470 --> 01:57:30,719

every week and i don't have it up in

3353

01:57:34,709 --> 01:57:32,480

front of me it's a new radio show i'll

3354

01:57:37,750 --> 01:57:34,719

be talking about that next week

3355

01:57:39,510 --> 01:57:37,760

and uh don't forget uh

3356

01:57:42,149 --> 01:57:39,520

or i haven't announced this yet but next

3357

01:57:44,149 --> 01:57:42,159

week we are starting an hour earlier the

3358

01:57:45,750 --> 01:57:44,159

gentleman david halpern

3359

01:57:48,229 --> 01:57:45,760

is going to be talking about ufos and

3360

01:57:50,709 --> 01:57:48,239

religion and he is a

3361

01:57:53,189 --> 01:57:50,719

a man early to rise in early to bed so

3362

01:57:54,790 --> 01:57:53,199

the best i could get out of them is

3363

01:57:56,390 --> 01:57:54,800

coming in an hour earlier it's still

3364

01:57:59,109 --> 01:57:56,400

going to be a two-hour show

3365

01:58:00,310 --> 01:57:59,119

so next week show up at seven o'clock um

3366

01:58:01,750 --> 01:58:00,320

here

3367

01:58:03,109 --> 01:58:01,760

and uh

3368

01:58:05,510 --> 01:58:03,119

thanks again if you're supporting the

3369

01:58:08,709 --> 01:58:05,520

show and thanks for uh listening and

3370

01:58:10,790 --> 01:58:08,719

watching online live

3371

01:58:12,310 --> 01:58:10,800

and remember to keep your eyes to the

3372

01:58:30,870 --> 01:58:12,320

sky
