

Live at Shag Harbour

PODCAST UFO LIVE STREAM

podcastufo.com

1
00:00:11,990 --> 00:00:09,509
hello and welcome to the show

2
00:00:15,430 --> 00:00:12,000
we are live here

3
00:00:18,230 --> 00:00:15,440
at uh shag harbor up in nova scotia and

4
00:00:19,750 --> 00:00:18,240
it's the 50th anniversary i can't see

5
00:00:20,870 --> 00:00:19,760
myself and that's okay i don't need to

6
00:00:22,710 --> 00:00:20,880
see myself

7
00:00:24,550 --> 00:00:22,720
anyway 50th anniversary i'm here with

8
00:00:26,630 --> 00:00:24,560
jordan bonaparte how you doing jordan

9
00:00:28,230 --> 00:00:26,640
doing fantastic martin great to to be

10
00:00:29,750 --> 00:00:28,240
live with you on youtube i've watched

11
00:00:31,990 --> 00:00:29,760
your show for so long and i've got to

12
00:00:34,310 --> 00:00:32,000
take part uh through phone a couple

13
00:00:35,350 --> 00:00:34,320

times it's great to to be here and see

14

00:00:36,790 --> 00:00:35,360

you um

15

00:00:39,270 --> 00:00:36,800

suffer through the computer problems in

16

00:00:41,430 --> 00:00:39,280

person i know i think you actually saved

17

00:00:43,510 --> 00:00:41,440

me one night right yeah did my show

18

00:00:45,030 --> 00:00:43,520

crash your show crash and i called on my

19

00:00:46,869 --> 00:00:45,040

cell phone and you held it up i think

20

00:00:49,830 --> 00:00:46,879

that's a microphone that was uh and

21

00:00:51,750 --> 00:00:49,840

someone titled that uh train wreck ufo

22

00:00:53,590 --> 00:00:51,760

yeah as opposed to podcast

23

00:00:57,189 --> 00:00:53,600

yeah but anyway we're here in shag

24

00:00:58,790 --> 00:00:57,199

harbor and uh i left from maine on

25

00:01:01,910 --> 00:00:58,800

thursday morning

26

00:01:04,149 --> 00:01:01,920

and it was 18 hour drive i didn't see

27

00:01:05,429 --> 00:01:04,159

one single moose i was actually pretty

28

00:01:06,710 --> 00:01:05,439

upset about that

29

00:01:08,070 --> 00:01:06,720

but uh

30

00:01:09,350 --> 00:01:08,080

it was a long

31

00:01:13,990 --> 00:01:09,360

long

32

00:01:16,950 --> 00:01:14,000

while ago and uh first thing we noticed

33

00:01:19,190 --> 00:01:16,960

is we had no internet um but uh we made

34

00:01:22,149 --> 00:01:19,200

it happen yeah right yeah hopefully when

35

00:01:23,990 --> 00:01:22,159

my phone bill comes in it was worth it

36

00:01:25,830 --> 00:01:24,000

we'll see just don't pass the bill you

37

00:01:27,109 --> 00:01:25,840

know that's right and you talk you just

38

00:01:28,390 --> 00:01:27,119

mentioned moose there when we were

39

00:01:30,149 --> 00:01:28,400

texting back and forth you were worried

40

00:01:31,590 --> 00:01:30,159

about moose is this something like do

41

00:01:33,270 --> 00:01:31,600

you know people who hit moose before

42

00:01:35,510 --> 00:01:33,280

well no i just see all those signs you

43

00:01:36,789 --> 00:01:35,520

know alert moose moose you know every

44

00:01:37,990 --> 00:01:36,799

few feet

45

00:01:39,190 --> 00:01:38,000

because when i saw you text that i was

46

00:01:40,950 --> 00:01:39,200

just assuming there's a lot of moose in

47

00:01:43,190 --> 00:01:40,960

the states but you mean here

48

00:01:44,789 --> 00:01:43,200

yeah yeah well you know i mean upper

49

00:01:47,109 --> 00:01:44,799

main okay i mean i used to see them

50

00:01:50,069 --> 00:01:47,119

around a lot guess that's the thing yeah

51
00:01:52,310 --> 00:01:50,079
unidentified moose so to speak yeah so

52
00:01:55,270 --> 00:01:52,320
anyway we're here in shag harbor we just

53
00:01:56,630 --> 00:01:55,280
came from the panel and that was really

54
00:01:57,990 --> 00:01:56,640
really great and we're having a few

55
00:01:59,910 --> 00:01:58,000
people from the panel actually coming

56
00:02:02,389 --> 00:01:59,920
here and they're going to talk today and

57
00:02:04,630 --> 00:02:02,399
chris stiles is coming right up and uh

58
00:02:05,910 --> 00:02:04,640
he's kind of the face of shag harbor

59
00:02:08,869 --> 00:02:05,920
when you've seen

60
00:02:10,790 --> 00:02:08,879
watched you know documentaries on tv uh

61
00:02:12,949 --> 00:02:10,800
chris has really looked deeply into this

62
00:02:15,510 --> 00:02:12,959
i'm excited to have him on today if not

63
00:02:18,309 --> 00:02:15,520

the face maybe the like the accountant

64

00:02:19,830 --> 00:02:18,319

of it like as you know as like a trade

65

00:02:21,830 --> 00:02:19,840

accountant like he's gathered everything

66

00:02:24,070 --> 00:02:21,840

put it all together so it makes sense

67

00:02:25,589 --> 00:02:24,080

and he really like the shag harbor story

68

00:02:28,550 --> 00:02:25,599

that we tell now

69

00:02:30,390 --> 00:02:28,560

is is what chris put together yeah now

70

00:02:31,670 --> 00:02:30,400

one of the the questions i asked the

71

00:02:33,670 --> 00:02:31,680

panel i thought there were some pretty

72

00:02:36,070 --> 00:02:33,680

good questions today but one of them was

73

00:02:39,350 --> 00:02:36,080

i thought there were some myths about

74

00:02:41,190 --> 00:02:39,360

shag harbor or some exaggerations and

75

00:02:41,990 --> 00:02:41,200

apparently not most of what you hear out

76

00:02:43,589 --> 00:02:42,000

there

77

00:02:45,110 --> 00:02:43,599

is that is that right well i think we'll

78

00:02:47,350 --> 00:02:45,120

get to that with with chris and the

79

00:02:49,110 --> 00:02:47,360

eyewitnesses when they join us but i've

80

00:02:50,790 --> 00:02:49,120

heard so many

81

00:02:52,949 --> 00:02:50,800

like with these sightings so much stuff

82

00:02:55,030 --> 00:02:52,959

gets exaggerated or there's just a

83

00:02:56,390 --> 00:02:55,040

little like fantastic fragment that

84

00:02:58,869 --> 00:02:56,400

people like to carry on one thing i

85

00:03:00,309 --> 00:02:58,879

didn't hear them discuss was the the

86

00:03:01,830 --> 00:03:00,319

idea of um

87

00:03:03,670 --> 00:03:01,840

i guess a few days after the incident

88

00:03:05,270 --> 00:03:03,680

people or somebody allegedly saw

89

00:03:06,790 --> 00:03:05,280

something leave the water and it messed

90

00:03:08,630 --> 00:03:06,800

up their tv i don't know if you've ever

91

00:03:10,390 --> 00:03:08,640

heard this side of it but

92

00:03:12,229 --> 00:03:10,400

for me that's fascinating like for there

93

00:03:14,630 --> 00:03:12,239

to be some strange electrical activity

94

00:03:17,030 --> 00:03:14,640

days later but we'll ask we'll ask them

95

00:03:18,550 --> 00:03:17,040

that yeah and there was a someone that's

96

00:03:20,390 --> 00:03:18,560

not going to be on our show i don't

97

00:03:23,350 --> 00:03:20,400

think he's going to come here but it was

98

00:03:25,350 --> 00:03:23,360

talking about um formations circular

99

00:03:27,750 --> 00:03:25,360

formations i have not heard anything

100

00:03:29,750 --> 00:03:27,760

about that but found in 2009 there's

101

00:03:31,509 --> 00:03:29,760

like four of them on the ocean

102

00:03:33,670 --> 00:03:31,519

floor in the area

103

00:03:34,949 --> 00:03:33,680

whether they're natural or not uh he's

104

00:03:36,149 --> 00:03:34,959

trying to figure that out which i

105

00:03:37,350 --> 00:03:36,159

thought was pretty interesting yeah that

106

00:03:38,789 --> 00:03:37,360

was one of the things that came up at

107

00:03:40,630 --> 00:03:38,799

the witness panel there were the

108

00:03:42,229 --> 00:03:40,640

witnesses but then there was also

109

00:03:44,070 --> 00:03:42,239

someone who's researching you know the

110

00:03:45,910 --> 00:03:44,080

underwater activity and this was kind of

111

00:03:47,910 --> 00:03:45,920

what he put forward is with the

112

00:03:49,350 --> 00:03:47,920

anomalies he found underwater but of

113

00:03:51,430 --> 00:03:49,360

course how would you ever prove they're

114

00:03:52,630 --> 00:03:51,440

anything but anomalies you know i mean

115

00:03:53,670 --> 00:03:52,640

there's no

116

00:03:55,430 --> 00:03:53,680

i wouldn't think there would be any

117

00:03:57,910 --> 00:03:55,440

trace evidence of any kind after you

118

00:03:59,990 --> 00:03:57,920

know 50 years 40 years and if there is

119

00:04:01,509 --> 00:04:00,000

then it's some really cool metals yeah

120

00:04:02,710 --> 00:04:01,519

yeah right i'd like to introduce our

121

00:04:04,789 --> 00:04:02,720

first guest

122

00:04:06,550 --> 00:04:04,799

uh chris welcome to the show

123

00:04:09,509 --> 00:04:06,560

pleasure to be here yeah for your

124

00:04:11,509 --> 00:04:09,519

interest yeah it's great and uh so for

125

00:04:13,429 --> 00:04:11,519

the per um most people

126

00:04:15,589 --> 00:04:13,439

know about shag harbor courts probably

127

00:04:18,629 --> 00:04:15,599

everyone that's watching this

128

00:04:21,349 --> 00:04:18,639

knows the story but in say a five or ten

129

00:04:23,749 --> 00:04:21,359

minute nutshell can you let us know what

130

00:04:24,629 --> 00:04:23,759

you know about what happened here back

131

00:04:27,350 --> 00:04:24,639

in

132

00:04:29,909 --> 00:04:27,360

august 4th 1967 if i have the date

133

00:04:32,070 --> 00:04:29,919

writer it's pretty close october the 4th

134

00:04:35,990 --> 00:04:32,080

did i say august august

135

00:04:37,749 --> 00:04:36,000

october yes october the 4th 1967

136

00:04:39,990 --> 00:04:37,759

well i mean if there's anybody there

137

00:04:41,590 --> 00:04:40,000

that doesn't know already it was that's

138

00:04:43,590 --> 00:04:41,600

when it all began

139

00:04:46,070 --> 00:04:43,600

and what would happen that night is

140

00:04:47,670 --> 00:04:46,080

sometime around 11 20 p.m very near

141

00:04:50,150 --> 00:04:47,680

where we're sitting

142

00:04:51,909 --> 00:04:50,160

people who were driving the moon had set

143

00:04:54,469 --> 00:04:51,919

it was a very clear night with what you

144

00:04:56,469 --> 00:04:54,479

call a transparent sky

145

00:04:58,390 --> 00:04:56,479

people seen an unusual

146

00:05:00,390 --> 00:04:58,400

pattern that wasn't commercial air

147

00:05:02,230 --> 00:05:00,400

traffic and what they saw was a set of

148

00:05:04,230 --> 00:05:02,240

flashing lights that went one two three

149

00:05:07,270 --> 00:05:04,240

four and then they'd flash all together

150

00:05:10,469 --> 00:05:07,280

this pattern repeated over and over

151
00:05:12,230 --> 00:05:10,479
the craft produced no noise it hovered

152
00:05:14,150 --> 00:05:12,240
for some time for several minutes over

153
00:05:15,990 --> 00:05:14,160
the sound which is just a back of the

154
00:05:18,230 --> 00:05:16,000
building we're in

155
00:05:20,710 --> 00:05:18,240
it tilted then to a 45 degree angle

156
00:05:22,710 --> 00:05:20,720
descended rapidly to the water surface

157
00:05:25,110 --> 00:05:22,720
and struck it producing a bright flash

158
00:05:26,710 --> 00:05:25,120
of the sound of an explosion

159
00:05:28,390 --> 00:05:26,720
people

160
00:05:30,230 --> 00:05:28,400
temporarily lost sight of it from their

161
00:05:31,670 --> 00:05:30,240
vehicles over the tree line there was

162
00:05:33,830 --> 00:05:31,680
very little street lighting here in

163
00:05:36,150 --> 00:05:33,840

those days and remember not everybody

164

00:05:37,110 --> 00:05:36,160

had a phone the moon had set for the

165

00:05:38,950 --> 00:05:37,120

night

166

00:05:41,110 --> 00:05:38,960

and

167

00:05:41,909 --> 00:05:41,120

when they get there their concerns were

168

00:05:43,990 --> 00:05:41,919

for

169

00:05:45,510 --> 00:05:44,000

the possibility of survivors because one

170

00:05:47,270 --> 00:05:45,520

of the unique things about this case is

171

00:05:49,670 --> 00:05:47,280

when they contacted the royal canadian

172

00:05:52,550 --> 00:05:49,680

mounted police at the nearby barrington

173

00:05:55,110 --> 00:05:52,560

detachment was the fact that no one

174

00:05:56,870 --> 00:05:55,120

no one reported a ufo one of the unique

175

00:05:58,629 --> 00:05:56,880

things about the case it would be the

176

00:06:01,350 --> 00:05:58,639

authorities days later that would hang

177

00:06:03,110 --> 00:06:01,360

that label on it anyway those who called

178

00:06:04,390 --> 00:06:03,120

eventually seven people called you're

179

00:06:07,670 --> 00:06:04,400

going to have one of them here on the

180

00:06:09,990 --> 00:06:07,680

show later on the first one to call in

181

00:06:11,749 --> 00:06:10,000

they called and simply reported what

182

00:06:14,150 --> 00:06:11,759

they thought was a plane crash or lights

183

00:06:16,150 --> 00:06:14,160

going to the harbor the rcmp responded

184

00:06:17,510 --> 00:06:16,160

the call came to the area

185

00:06:19,029 --> 00:06:17,520

interestingly

186

00:06:20,469 --> 00:06:19,039

three mounties arrived from two

187

00:06:22,230 --> 00:06:20,479

different directions two from the

188

00:06:24,150 --> 00:06:22,240

detachment one that was out on highway

189

00:06:26,309 --> 00:06:24,160

patrol came from the other direction an

190

00:06:28,390 --> 00:06:26,319

old highway three and when they got here

191

00:06:30,230 --> 00:06:28,400

they saw the ufo still on the water the

192

00:06:32,469 --> 00:06:30,240

officer that came promoting the highway

193

00:06:34,150 --> 00:06:32,479

saw it in the air even

194

00:06:35,510 --> 00:06:34,160

when they got there the ufo was still

195

00:06:37,510 --> 00:06:35,520

there moving around on the water but it

196

00:06:39,909 --> 00:06:37,520

no longer appeared like fort flashing

197

00:06:41,909 --> 00:06:39,919

light 60 feet across but a single pale

198

00:06:43,830 --> 00:06:41,919

dome of light

199

00:06:45,749 --> 00:06:43,840

they commandeered two local boats and

200

00:06:47,590 --> 00:06:45,759

started approaching the ufo and it

201
00:06:49,510 --> 00:06:47,600
either submerged or disappeared before

202
00:06:51,830 --> 00:06:49,520
they could reach it

203
00:06:54,550 --> 00:06:51,840
another uh they called the nearby coast

204
00:06:57,189 --> 00:06:54,560
guard detachment 101 from nearby clarks

205
00:06:58,629 --> 00:06:57,199
harbor 12 miles away so quiet that night

206
00:07:01,029 --> 00:06:58,639
they could hear the engine start up here

207
00:07:02,870 --> 00:07:01,039
promote back of the moss plant

208
00:07:05,350 --> 00:07:02,880
it came to the scene they searched until

209
00:07:07,350 --> 00:07:05,360
3 am they discovered a large streak of

210
00:07:09,909 --> 00:07:07,360
mysterious yellow home that was 80 feet

211
00:07:10,790 --> 00:07:09,919
wide and half a mile in length

212
00:07:12,710 --> 00:07:10,800
and

213
00:07:14,790 --> 00:07:12,720

it was very odd they weren't used to it

214

00:07:17,589 --> 00:07:14,800

they all agreed it was not normal tidal

215

00:07:21,189 --> 00:07:17,599

foam it was bubbling to the surface

216

00:07:22,950 --> 00:07:21,199

and smelt of sulfur and sparkled

217

00:07:25,670 --> 00:07:22,960

the men just kept flying the lights to

218

00:07:28,230 --> 00:07:25,680

the water eventually the foam dispersed

219

00:07:29,830 --> 00:07:28,240

other ships showed up

220

00:07:31,430 --> 00:07:29,840

they stayed for some hours on the scene

221

00:07:33,589 --> 00:07:31,440

waiting to see what might float to the

222

00:07:35,749 --> 00:07:33,599

surface and eventually

223

00:07:37,909 --> 00:07:35,759

stop at three a.m and resume the search

224

00:07:39,670 --> 00:07:37,919

at first light eventually this got

225

00:07:41,589 --> 00:07:39,680

reported to defense headquarters in

226

00:07:44,390 --> 00:07:41,599

halifax when they once they find no

227

00:07:47,189 --> 00:07:44,400

missing or late aircraft an underwater

228

00:07:49,510 --> 00:07:47,199

search is ordered navy divers come down

229

00:07:51,749 --> 00:07:49,520

this continuous for the next three days

230

00:07:54,309 --> 00:07:51,759

until the termination of termination of

231

00:07:56,469 --> 00:07:54,319

search a press release came out claiming

232

00:07:57,909 --> 00:07:56,479

nil results i guess it was one of those

233

00:07:59,990 --> 00:07:57,919

things i suppose you could say

234

00:08:01,749 --> 00:08:00,000

ufologically speaking it has a happy

235

00:08:03,029 --> 00:08:01,759

ending in that this

236

00:08:04,390 --> 00:08:03,039

by all accounts from those who were

237

00:08:07,350 --> 00:08:04,400

there on the scene is the one that got

238

00:08:10,230 --> 00:08:09,189

right okay

239

00:08:11,670 --> 00:08:10,240

yeah

240

00:08:13,589 --> 00:08:11,680

to that point with it being the one that

241

00:08:15,830 --> 00:08:13,599

got away i understand after this

242

00:08:18,550 --> 00:08:15,840

happened you know there wasn't much buzz

243

00:08:21,029 --> 00:08:18,560

around like the shea harbor event

244

00:08:22,550 --> 00:08:21,039

for years later when a case was opened

245

00:08:24,230 --> 00:08:22,560

and i know you were behind that can you

246

00:08:26,230 --> 00:08:24,240

just talk about

247

00:08:27,990 --> 00:08:26,240

how you found out about this and what

248

00:08:30,629 --> 00:08:28,000

work you did initially to turn it into

249

00:08:32,949 --> 00:08:30,639

what it is now or to help it turn itself

250

00:08:35,029 --> 00:08:32,959

into what it is now sure

251
00:08:36,469 --> 00:08:35,039
um well at the time i mean there was a

252
00:08:38,389 --> 00:08:36,479
great deal of interest it became a

253
00:08:40,630 --> 00:08:38,399
headline story in the halifax chronicle

254
00:08:42,790 --> 00:08:40,640
herald a conservative broadsheet went

255
00:08:43,670 --> 00:08:42,800
over the lines line story around the

256
00:08:45,829 --> 00:08:43,680
world

257
00:08:48,949 --> 00:08:45,839
uh there was cbc coverage of divers

258
00:08:51,190 --> 00:08:48,959
going in the water i found 46 seconds of

259
00:08:53,509 --> 00:08:51,200
silent film shot in the toronto archive

260
00:08:55,110 --> 00:08:53,519
which has been rented many times out at

261
00:08:57,269 --> 00:08:55,120
exorbitant rates to the canadian

262
00:08:59,430 --> 00:08:57,279
broadcasting corporation

263
00:09:02,230 --> 00:08:59,440

uh they they should send cut me in on

264

00:09:03,190 --> 00:09:02,240

that stuff anyway um eventually what

265

00:09:04,710 --> 00:09:03,200

happened though there was the

266

00:09:06,790 --> 00:09:04,720

termination of search there was

267

00:09:09,509 --> 00:09:06,800

speculative follow-up articles in the

268

00:09:11,509 --> 00:09:09,519

local weekly papers and abroad

269

00:09:13,829 --> 00:09:11,519

fake magazine this sort of thing a lot

270

00:09:15,430 --> 00:09:13,839

of speculative work but over time it

271

00:09:17,509 --> 00:09:15,440

slipped into the dustbin of history in

272

00:09:18,710 --> 00:09:17,519

my presentation today i showed that

273

00:09:21,350 --> 00:09:18,720

although there was an official

274

00:09:23,750 --> 00:09:21,360

cancellation of search

275

00:09:25,190 --> 00:09:23,760

as much as a month later november 2nd

276

00:09:27,750 --> 00:09:25,200

there was an appeal put up by the

277

00:09:29,670 --> 00:09:27,760

military every newspaper nova scotia

278

00:09:32,630 --> 00:09:29,680

except one that i know of on the front

279

00:09:35,990 --> 00:09:32,640

page had military once ufos reported and

280

00:09:38,630 --> 00:09:36,000

the instructions on how to contact

281

00:09:40,389 --> 00:09:38,640

the xo at the back row radar base which

282

00:09:42,389 --> 00:09:40,399

was a norway facility this ended the

283

00:09:43,110 --> 00:09:42,399

pine tree line

284

00:09:44,790 --> 00:09:43,120

so

285

00:09:46,310 --> 00:09:44,800

even though officially been called up

286

00:09:48,230 --> 00:09:46,320

they were still knocking on doors and

287

00:09:50,710 --> 00:09:48,240

checking the shoreline and appealing for

288

00:09:52,710 --> 00:09:50,720

information they wanted answers

289

00:09:55,430 --> 00:09:52,720

now what about the story where they say

290

00:09:57,190 --> 00:09:55,440

that people saw two craft you know one

291

00:09:58,870 --> 00:09:57,200

repairing the other and you know all

292

00:10:00,230 --> 00:09:58,880

that stuff and the craft taking off out

293

00:10:01,990 --> 00:10:00,240

of the water and now you're talking

294

00:10:03,430 --> 00:10:02,000

about the associated

295

00:10:04,790 --> 00:10:03,440

shelburne story

296

00:10:06,470 --> 00:10:04,800

i'm going to answer something that you

297

00:10:07,990 --> 00:10:06,480

you and as we were beginning you

298

00:10:10,710 --> 00:10:08,000

mentioned the sighting about a week

299

00:10:12,630 --> 00:10:10,720

later things going all jiggly on the tv

300

00:10:14,389 --> 00:10:12,640

screen that's actually become known as

301
00:10:16,470 --> 00:10:14,399
the cameron sighting that was one week

302
00:10:17,910 --> 00:10:16,480
later to the hours and it's kind of

303
00:10:20,550 --> 00:10:17,920
reverse instead of seeing something

304
00:10:22,470 --> 00:10:20,560
empty the water what witnesses saw were

305
00:10:25,509 --> 00:10:22,480
two sets of lights one yellow one a

306
00:10:26,949 --> 00:10:25,519
little more orangish rise up out of shag

307
00:10:29,110 --> 00:10:26,959
harbor a little farther the road

308
00:10:30,949 --> 00:10:29,120
offshore and fly out into the gulf of

309
00:10:32,550 --> 00:10:30,959
maine

310
00:10:34,550 --> 00:10:32,560
but the shelburne race you're referring

311
00:10:37,190 --> 00:10:34,560
to was the story that eventually came

312
00:10:38,630 --> 00:10:37,200
forward from the naval divers of hmcs

313
00:10:39,430 --> 00:10:38,640

granby

314

00:10:41,910 --> 00:10:39,440

and

315

00:10:43,350 --> 00:10:41,920

what they reported to me when i tracked

316

00:10:45,509 --> 00:10:43,360

these people down through the former

317

00:10:47,110 --> 00:10:45,519

head of the fleet diving unit was that

318

00:10:49,030 --> 00:10:47,120

they said while they were searching in

319

00:10:51,110 --> 00:10:49,040

shag harbor they already knew the ufo

320

00:10:53,110 --> 00:10:51,120

had evaded them under the water

321

00:10:55,509 --> 00:10:53,120

and there was a second simultaneous

322

00:10:57,670 --> 00:10:55,519

search effort going on up off canadian

323

00:10:59,350 --> 00:10:57,680

forces station shelburne

324

00:11:02,310 --> 00:10:59,360

at that time that was canada's most

325

00:11:04,150 --> 00:11:02,320

secret base a u.s base on canadian soil

326

00:11:06,150 --> 00:11:04,160

it was the coordination center for

327

00:11:08,069 --> 00:11:06,160

submarine detection at the height of the

328

00:11:09,750 --> 00:11:08,079

cold war for the whole atlantic ocean

329

00:11:12,150 --> 00:11:09,760

hard linked with their ginsenopa land in

330

00:11:13,829 --> 00:11:12,160

key west florida and what was happening

331

00:11:16,790 --> 00:11:13,839

off the base was that they claim the

332

00:11:18,389 --> 00:11:16,800

divers went down and saw two ufos

333

00:11:20,550 --> 00:11:18,399

resting on the bottom one lending

334

00:11:22,069 --> 00:11:20,560

assistance to the others they actually

335

00:11:23,350 --> 00:11:22,079

claimed to have seen some graze down

336

00:11:25,269 --> 00:11:23,360

there

337

00:11:27,430 --> 00:11:25,279

they shot 400 feet of film which we'll

338

00:11:29,190 --> 00:11:27,440

never find that they claim was sent back

339

00:11:31,030 --> 00:11:29,200

to dartmouth and left at the defense

340

00:11:34,310 --> 00:11:31,040

research board

341

00:11:37,590 --> 00:11:34,320

wow and loved to see it yeah yeah

342

00:11:40,150 --> 00:11:37,600

another uh question i'd like to ask this

343

00:11:41,110 --> 00:11:40,160

it's a speculation question and that is

344

00:11:43,350 --> 00:11:41,120

um

345

00:11:44,870 --> 00:11:43,360

there was a detection of like a sulfur

346

00:11:47,030 --> 00:11:44,880

smell um

347

00:11:48,949 --> 00:11:47,040

and then the yellow foam you know sulfur

348

00:11:51,430 --> 00:11:48,959

being yellow was there ever any

349

00:11:53,509 --> 00:11:51,440

connection i i heard someone say tonight

350

00:11:54,870 --> 00:11:53,519

that they scooped it up and they

351

00:11:56,630 --> 00:11:54,880

couldn't smell any odor and it

352

00:11:59,350 --> 00:11:56,640

disappeared

353

00:12:01,350 --> 00:11:59,360

some people reported its melt of sulfur

354

00:12:03,670 --> 00:12:01,360

and some said it was odorless

355

00:12:05,829 --> 00:12:03,680

all agree it was yellow and was thick

356

00:12:08,949 --> 00:12:05,839

and kind of sparkled and eventually

357

00:12:11,030 --> 00:12:08,959

dissipated in the ebbing tide

358

00:12:12,949 --> 00:12:11,040

i've actually watched a clip of one of

359

00:12:14,710 --> 00:12:12,959

the witnesses on two different episodes

360

00:12:17,030 --> 00:12:14,720

and i'm one he remembers the sulfur

361

00:12:18,389 --> 00:12:17,040

smell on the other he says it's odorless

362

00:12:19,829 --> 00:12:18,399

you got to remember that when i started

363

00:12:21,509 --> 00:12:19,839

looking into this and you asked me i

364

00:12:24,230 --> 00:12:21,519

should have referred to the dates yes

365

00:12:28,150 --> 00:12:24,240

this happened in 1967 i began my

366

00:12:30,069 --> 00:12:28,160

reinvestigation in 1993 so there's a 26

367

00:12:31,350 --> 00:12:30,079

year of interim it's kind of like that

368

00:12:32,550 --> 00:12:31,360

chapter in the book if you read

369

00:12:33,829 --> 00:12:32,560

something wicked this comes you know

370

00:12:35,430 --> 00:12:33,839

when you turn the page and says that

371

00:12:37,269 --> 00:12:35,440

nothing much else happened the rest of

372

00:12:39,750 --> 00:12:37,279

that night well nothing much else

373

00:12:41,190 --> 00:12:39,760

happened with shag harbor for 26 years

374

00:12:43,590 --> 00:12:41,200

until i

375

00:12:45,590 --> 00:12:43,600

well guilty as charged i stirred things

376

00:12:46,870 --> 00:12:45,600

back up yeah

377

00:12:48,389 --> 00:12:46,880

well it's kind of in a way it's kind of

378

00:12:49,750 --> 00:12:48,399

like the roswell case i mean that was

379

00:12:52,150 --> 00:12:49,760

dormant for

380

00:12:53,509 --> 00:12:52,160

you know 30 some odd years almost 40

381

00:12:56,069 --> 00:12:53,519

years until it's one of the few

382

00:12:58,230 --> 00:12:56,079

similarities there's not a lot

383

00:13:01,670 --> 00:12:58,240

yeah but i mean it was quiet and then

384

00:13:03,590 --> 00:13:01,680

that's true that's true now since um all

385

00:13:06,389 --> 00:13:03,600

this work that you've been doing uh we

386

00:13:08,150 --> 00:13:06,399

had don ledger on recently and and

387

00:13:11,030 --> 00:13:08,160

you and i have talked about shaq harbor

388

00:13:13,509 --> 00:13:11,040

before too when you were on the show um

389

00:13:15,269 --> 00:13:13,519

is there any like people coming has

390

00:13:17,670 --> 00:13:15,279

there been any people coming forward and

391

00:13:19,990 --> 00:13:17,680

say hey look you know i remember seeing

392

00:13:21,829 --> 00:13:20,000

something too i mean a lot of people saw

393

00:13:24,150 --> 00:13:21,839

lights and stuff i've had several

394

00:13:26,389 --> 00:13:24,160

approached me today with today new tech

395

00:13:28,870 --> 00:13:26,399

yes today all right

396

00:13:30,550 --> 00:13:28,880

and anything you can talk about

397

00:13:32,310 --> 00:13:30,560

yes yes

398

00:13:34,470 --> 00:13:32,320

um i've actually had other people that

399

00:13:37,590 --> 00:13:34,480

claim to have witnessed entities in the

400

00:13:39,590 --> 00:13:37,600

area not on the exact day but in that

401
00:13:40,389 --> 00:13:39,600
sort of flat period of that summer and

402
00:13:42,710 --> 00:13:40,399
fall

403
00:13:45,110 --> 00:13:42,720
here in the shag harbor area and some

404
00:13:47,110 --> 00:13:45,120
locations 50 miles from here

405
00:13:49,110 --> 00:13:47,120
and it was interesting it's hard to say

406
00:13:51,190 --> 00:13:49,120
yet in complete assessment how credible

407
00:13:53,829 --> 00:13:51,200
or not credible they were but they had

408
00:13:57,110 --> 00:13:53,839
some unusual details that were common to

409
00:13:59,269 --> 00:13:57,120
some of the other reports i had earlier

410
00:14:01,110 --> 00:13:59,279
things you don't normally associate with

411
00:14:03,509 --> 00:14:01,120
a close encounter such as the beans were

412
00:14:04,550 --> 00:14:03,519
hard to see and sort of come out of

413
00:14:06,310 --> 00:14:04,560

steam

414

00:14:07,910 --> 00:14:06,320

you know and on a clear day you looked

415

00:14:09,430 --> 00:14:07,920

and things that were too distant look

416

00:14:11,509 --> 00:14:09,440

closer to you and

417

00:14:13,670 --> 00:14:11,519

some very kind of almost a reality

418

00:14:15,110 --> 00:14:13,680

distortion technique here it sounds very

419

00:14:16,870 --> 00:14:15,120

interesting they're not the sort of

420

00:14:19,269 --> 00:14:16,880

things typically reported on close

421

00:14:21,110 --> 00:14:19,279

encounters and the witnesses at the time

422

00:14:22,470 --> 00:14:21,120

were children and younger and you know

423

00:14:24,069 --> 00:14:22,480

it's not something i published or

424

00:14:25,430 --> 00:14:24,079

they're included in either book so you

425

00:14:27,110 --> 00:14:25,440

know your ears kind of perk up when you

426

00:14:29,509 --> 00:14:27,120

hear these details

427

00:14:31,430 --> 00:14:29,519

yeah it doesn't mean

428

00:14:33,829 --> 00:14:31,440

that it i wouldn't say that that

429

00:14:37,670 --> 00:14:33,839

constitutes proof but it is evidence you

430

00:14:40,550 --> 00:14:39,189

your guard kind of goes up when you hear

431

00:14:41,509 --> 00:14:40,560

things that are common in the literature

432

00:14:43,829 --> 00:14:41,519

and when there's something that's

433

00:14:46,069 --> 00:14:43,839

unusual but unique or unique to a case

434

00:14:47,750 --> 00:14:46,079

or a certain period you know you become

435

00:14:49,990 --> 00:14:47,760

a little more interested you ask a few

436

00:14:52,470 --> 00:14:50,000

more questions yeah

437

00:14:54,949 --> 00:14:52,480

do you have a question

438

00:14:57,030 --> 00:14:54,959

now you're known for shag harbor mainly

439

00:14:59,110 --> 00:14:57,040

due to how much work you've done here

440

00:15:00,550 --> 00:14:59,120

are there other cases in nova scotia at

441

00:15:02,310 --> 00:15:00,560

the time that you would have looked into

442

00:15:04,150 --> 00:15:02,320

that just you know that

443

00:15:06,389 --> 00:15:04,160

nothing came of them like what just talk

444

00:15:08,150 --> 00:15:06,399

about when when you first found shag

445

00:15:10,150 --> 00:15:08,160

harbor and you started to you know peel

446

00:15:12,470 --> 00:15:10,160

back the onion and peel back the layers

447

00:15:13,829 --> 00:15:12,480

like i'm just wondering how at that time

448

00:15:15,590 --> 00:15:13,839

in your life how many cases were you

449

00:15:17,030 --> 00:15:15,600

looking into that went nowhere and what

450

00:15:23,110 --> 00:15:17,040

was different about this and when did

451
00:15:26,470 --> 00:15:24,790
i could answer that but i'm not sure how

452
00:15:28,710 --> 00:15:26,480
fair the answer is because i i've been a

453
00:15:31,110 --> 00:15:28,720
pretty lucky fellow

454
00:15:33,030 --> 00:15:31,120
i i i've been busy

455
00:15:34,550 --> 00:15:33,040
i've been i i believe that persistence

456
00:15:37,269 --> 00:15:34,560
pays off

457
00:15:40,629 --> 00:15:37,279
and i think unless something is totally

458
00:15:42,389 --> 00:15:40,639
discredited or not worthy from the start

459
00:15:43,750 --> 00:15:42,399
that if you put the effort into it and

460
00:15:45,189 --> 00:15:43,760
you pursue it something's going to flow

461
00:15:47,590 --> 00:15:45,199
to the surface

462
00:15:49,990 --> 00:15:47,600
you know you you don't create details or

463
00:15:51,590 --> 00:15:50,000

whatever but i mean you can tell pretty

464

00:15:53,990 --> 00:15:51,600

quickly when something isn't worth the

465

00:15:54,790 --> 00:15:54,000

effort it just doesn't hold together

466

00:15:56,150 --> 00:15:54,800

right

467

00:15:57,749 --> 00:15:56,160

and um

468

00:15:59,430 --> 00:15:57,759

you know shag harbor was good but you

469

00:16:00,790 --> 00:15:59,440

know shag harbor's the gift that keeps

470

00:16:02,629 --> 00:16:00,800

on giving

471

00:16:03,910 --> 00:16:02,639

and i'm not talking monetarily because i

472

00:16:04,870 --> 00:16:03,920

wish it would

473

00:16:06,550 --> 00:16:04,880

but

474

00:16:09,030 --> 00:16:06,560

i'll tell you this

475

00:16:10,310 --> 00:16:09,040

for example i i mean and again we don't

476

00:16:12,389 --> 00:16:10,320

have to look any farther than these

477

00:16:14,550 --> 00:16:12,399

shores but there are cases right here in

478

00:16:17,110 --> 00:16:14,560

shag harbor that were unknown unreported

479

00:16:18,790 --> 00:16:17,120

in the press three years later that are

480

00:16:21,829 --> 00:16:18,800

staggering

481

00:16:23,189 --> 00:16:21,839

and yes i'll tell you one very briefly

482

00:16:25,189 --> 00:16:23,199

unfortunately

483

00:16:27,110 --> 00:16:25,199

the witnesses are no longer alive here

484

00:16:29,430 --> 00:16:27,120

directly but there was a great case i

485

00:16:31,110 --> 00:16:29,440

found because of my work on shag harbor

486

00:16:34,470 --> 00:16:31,120

of a second one in shag harbor in

487

00:16:36,150 --> 00:16:34,480

november 1970 three years later and what

488

00:16:37,749 --> 00:16:36,160

it was is there were two brothers here

489

00:16:39,030 --> 00:16:37,759

who were well known to police and most

490

00:16:41,189 --> 00:16:39,040

of the community

491

00:16:43,110 --> 00:16:41,199

i i really would say that one of the

492

00:16:44,949 --> 00:16:43,120

lawrence smith and smith brothers became

493

00:16:47,350 --> 00:16:44,959

a good personal friend of mine and

494

00:16:48,069 --> 00:16:47,360

anyway here's what their case was about

495

00:16:49,590 --> 00:16:48,079

is

496

00:16:51,030 --> 00:16:49,600

they had actually gone the last thing on

497

00:16:53,110 --> 00:16:51,040

their mind again

498

00:16:55,269 --> 00:16:53,120

was ufos because they had gone to the

499

00:16:57,509 --> 00:16:55,279

nearby rcmp detachment at barrington

500

00:16:58,870 --> 00:16:57,519

passage to report a missing daughter and

501
00:17:01,189 --> 00:16:58,880
they were quite concerned they thought a

502
00:17:03,030 --> 00:17:01,199
young teenage girl when she was only 13

503
00:17:05,350 --> 00:17:03,040
or 14 had run off and was out of the

504
00:17:07,270 --> 00:17:05,360
area and they were concerned when they

505
00:17:08,949 --> 00:17:07,280
left the detachment after filling out

506
00:17:11,029 --> 00:17:08,959
their report with constable ralph

507
00:17:13,029 --> 00:17:11,039
keeping they were headed back to shag

508
00:17:14,390 --> 00:17:13,039
harbor and you know ralph had was a

509
00:17:15,590 --> 00:17:14,400
personal friend to lawrence used to go

510
00:17:17,510 --> 00:17:15,600
duck hunting with him and it kind of

511
00:17:19,029 --> 00:17:17,520
calmed him down and he knew what the men

512
00:17:20,470 --> 00:17:19,039
were like they often use their boat and

513
00:17:21,990 --> 00:17:20,480

rescue so they couldn't get the coast

514

00:17:24,710 --> 00:17:22,000

guard to come they had well-equipped

515

00:17:26,630 --> 00:17:24,720

boats with radar anyway they were

516

00:17:28,390 --> 00:17:26,640

driving back home to the shag harbor

517

00:17:29,669 --> 00:17:28,400

area and they were on old highway 3

518

00:17:31,830 --> 00:17:29,679

which is just outside the store and

519

00:17:34,150 --> 00:17:31,840

they're at that area between the two

520

00:17:35,909 --> 00:17:34,160

bare point roads and as they're driving

521

00:17:38,549 --> 00:17:35,919

back they'd finally sort of calm down

522

00:17:41,029 --> 00:17:38,559

and said we'll just wait you know when

523

00:17:42,950 --> 00:17:41,039

gene had told you know i think they'll

524

00:17:44,870 --> 00:17:42,960

be fine you know ralph's right she's

525

00:17:45,990 --> 00:17:44,880

done it before and come home and as

526

00:17:47,990 --> 00:17:46,000

they're going around the spin where

527

00:17:50,470 --> 00:17:48,000

there's no homes at the time it was

528

00:17:52,070 --> 00:17:50,480

foggy out they think they see an orange

529

00:17:54,390 --> 00:17:52,080

light in the middle of the road and gene

530

00:17:55,590 --> 00:17:54,400

starts saying lawrence what's that

531

00:17:57,830 --> 00:17:55,600

and

532

00:17:59,590 --> 00:17:57,840

before he can respond seven lights light

533

00:18:01,669 --> 00:17:59,600

up in a pattern of something like the

534

00:18:03,990 --> 00:18:01,679

big dipper and they were about 18 inches

535

00:18:05,590 --> 00:18:04,000

across and orange these orbs and their

536

00:18:07,270 --> 00:18:05,600

first reaction of thought in the heavy

537

00:18:09,029 --> 00:18:07,280

fog was that a tractor trailer had

538

00:18:11,190 --> 00:18:09,039

flipped on the highway and they were

539

00:18:13,190 --> 00:18:11,200

seeing the running lights in the fog

540

00:18:15,510 --> 00:18:13,200

so he stomps on the brakes the vehicle

541

00:18:17,430 --> 00:18:15,520

stalls the tape player quits

542

00:18:18,950 --> 00:18:17,440

and they realize that there is no object

543

00:18:21,029 --> 00:18:18,960

there there's just these lights hovering

544

00:18:23,029 --> 00:18:21,039

in front of them this persists for what

545

00:18:24,230 --> 00:18:23,039

they estimate to be 30 seconds and they

546

00:18:26,150 --> 00:18:24,240

disappear

547

00:18:28,070 --> 00:18:26,160

the men are quite perturbed and scared

548

00:18:30,310 --> 00:18:28,080

they turn right around drive back to the

549

00:18:32,310 --> 00:18:30,320

barrington passage detachment catch

550

00:18:33,909 --> 00:18:32,320

ralph keeping while he's still there and

551

00:18:35,510 --> 00:18:33,919

they bring him back to the site

552

00:18:37,830 --> 00:18:35,520

keeping's concerned because he knows the

553

00:18:40,150 --> 00:18:37,840

man well and he's surprised how upset

554

00:18:42,070 --> 00:18:40,160

they are and hyper he comes back looks

555

00:18:43,669 --> 00:18:42,080

around his flashlight talks to the mask

556

00:18:45,029 --> 00:18:43,679

of a bunch of questions

557

00:18:47,029 --> 00:18:45,039

tells them i'm sure it's nothing

558

00:18:48,789 --> 00:18:47,039

forgetting to go home they're acting

559

00:18:50,549 --> 00:18:48,799

actually like they're going to be ill

560

00:18:52,710 --> 00:18:50,559

and nauseous to their stomach and he

561

00:18:54,470 --> 00:18:52,720

doesn't quite get it and tells him to go

562

00:18:55,909 --> 00:18:54,480

home if he hears anything he'll let them

563

00:18:57,590 --> 00:18:55,919

know

564

00:18:59,909 --> 00:18:57,600

by the way eventually the girl turns up

565

00:19:01,669 --> 00:18:59,919

and she was falling

566

00:19:03,909 --> 00:19:01,679

they go home and that could have been

567

00:19:06,230 --> 00:19:03,919

the end of the story although as the two

568

00:19:07,830 --> 00:19:06,240

brothers depart they swear and tell

569

00:19:09,430 --> 00:19:07,840

ralph keeping they will never drive in

570

00:19:11,590 --> 00:19:09,440

the section of highway again they'll go

571

00:19:13,590 --> 00:19:11,600

around the bare point road to avoid it

572

00:19:15,510 --> 00:19:13,600

they don't want this anymore and again

573

00:19:17,750 --> 00:19:15,520

that further puzzles them the next

574

00:19:19,669 --> 00:19:17,760

morning at 9 15 is having this morning

575

00:19:21,750 --> 00:19:19,679

coffee and the detachment and he's

576

00:19:23,590 --> 00:19:21,760

writing this up this eight-page mountie

577

00:19:25,590 --> 00:19:23,600

report it probably would have been one

578

00:19:28,230 --> 00:19:25,600

but something happens while he's writing

579

00:19:30,549 --> 00:19:28,240

it he gets a phone call from the back

580

00:19:32,310 --> 00:19:30,559

row base and colonel calvin rushton

581

00:19:34,630 --> 00:19:32,320

calls him and says

582

00:19:36,710 --> 00:19:34,640

have you had any ufo reports last night

583

00:19:39,270 --> 00:19:36,720

it's not every day a norad colonel calls

584

00:19:40,789 --> 00:19:39,280

the rcmp in shaggart he said well i'm

585

00:19:42,470 --> 00:19:40,799

not sure i'd call it that but we had a

586

00:19:44,070 --> 00:19:42,480

strange incident of two brothers i know

587

00:19:45,350 --> 00:19:44,080

well seeing some lights he goes when

588

00:19:46,870 --> 00:19:45,360

you're finished your civilian

589

00:19:49,029 --> 00:19:46,880

investigation please bring it to the

590

00:19:51,590 --> 00:19:49,039

base which the amount he did he never

591

00:19:53,750 --> 00:19:51,600

heard back from colonel rustin

592

00:19:55,590 --> 00:19:53,760

well

593

00:19:57,029 --> 00:19:55,600

he goes back and sees the brothers and

594

00:19:58,230 --> 00:19:57,039

they write up this is all very

595

00:19:59,510 --> 00:19:58,240

interesting but ralph keeping did

596

00:20:01,430 --> 00:19:59,520

something that was quite brilliant and

597

00:20:03,110 --> 00:20:01,440

intuitive for the mountie and it didn't

598

00:20:04,549 --> 00:20:03,120

make the report

599

00:20:05,990 --> 00:20:04,559

he went back since he was personal

600

00:20:07,430 --> 00:20:06,000

friend and he got lawrence and he put

601
00:20:09,830 --> 00:20:07,440
him in the back of the cruiser and

602
00:20:11,430 --> 00:20:09,840
covered him with a blanket and drove all

603
00:20:13,669 --> 00:20:11,440
up and down the roads and did his best

604
00:20:16,070 --> 00:20:13,679
effort to confuse him and whenever he

605
00:20:18,070 --> 00:20:16,080
was near the proximity of the site of

606
00:20:19,430 --> 00:20:18,080
the experience

607
00:20:22,070 --> 00:20:19,440
he freaked out

608
00:20:23,990 --> 00:20:22,080
really he knew he was there wow i don't

609
00:20:25,830 --> 00:20:24,000
know what that means but i know it means

610
00:20:27,510 --> 00:20:25,840
something the other thing is when he

611
00:20:30,149 --> 00:20:27,520
looks at the reports and every detail in

612
00:20:33,590 --> 00:20:30,159
their watches the mountie believe that

613
00:20:35,350 --> 00:20:33,600

they had 10 minutes of missing time

614

00:20:37,669 --> 00:20:35,360

10 minutes usually it's a lot you know

615

00:20:38,630 --> 00:20:37,679

you hear about long stretches of but 10

616

00:20:40,149 --> 00:20:38,640

minutes

617

00:20:42,070 --> 00:20:40,159

how did he know that there were two

618

00:20:44,149 --> 00:20:42,080

minutes of missing time i mean

619

00:20:45,350 --> 00:20:44,159

between the story their watches the

620

00:20:46,710 --> 00:20:45,360

whole thing

621

00:20:48,549 --> 00:20:46,720

anyway

622

00:20:50,230 --> 00:20:48,559

for a long time they never went near

623

00:20:52,710 --> 00:20:50,240

that spot on the road they never seek

624

00:20:53,909 --> 00:20:52,720

publicity and when i first found him

625

00:20:55,909 --> 00:20:53,919

years later because of this

626

00:20:57,990 --> 00:20:55,919

investigation i went and when i first

627

00:20:59,590 --> 00:20:58,000

met lauren smith he sat there it was

628

00:21:01,830 --> 00:20:59,600

like pulling teeth to get him to make

629

00:21:03,669 --> 00:21:01,840

any comment on this and i showed him the

630

00:21:05,270 --> 00:21:03,679

money reports and i violated all the

631

00:21:07,510 --> 00:21:05,280

move on rules because he just wasn't

632

00:21:09,110 --> 00:21:07,520

talking a career for coffee was brought

633

00:21:11,430 --> 00:21:09,120

in the room i had another investigator

634

00:21:13,669 --> 00:21:11,440

with me nothing no response i was about

635

00:21:15,510 --> 00:21:13,679

to lose him my throat was going dry and

636

00:21:16,870 --> 00:21:15,520

i realized there's nothing and i looked

637

00:21:19,110 --> 00:21:16,880

at him i was about to go and he says are

638

00:21:20,470 --> 00:21:19,120

you from the government really i said

639

00:21:21,830 --> 00:21:20,480

god no

640

00:21:23,830 --> 00:21:21,840

and i looked and i never realized it was

641

00:21:25,909 --> 00:21:23,840

so funny both me and eileen were dressed

642

00:21:28,549 --> 00:21:25,919

entirely in black

643

00:21:30,230 --> 00:21:28,559

i said oh i said no certainly not i said

644

00:21:31,750 --> 00:21:30,240

secrecy is not my business and that and

645

00:21:34,310 --> 00:21:31,760

he says

646

00:21:36,789 --> 00:21:34,320

it happened to you

647

00:21:37,830 --> 00:21:36,799

i i what i said he says it happened to

648

00:21:40,149 --> 00:21:37,840

you

649

00:21:41,909 --> 00:21:40,159

i said not that i'm aware of he says i

650

00:21:44,950 --> 00:21:41,919

can tell it did and he finally opened up

651
00:21:46,710 --> 00:21:44,960
and started talking to me and

652
00:21:48,789 --> 00:21:46,720
we got to know one another carl and it's

653
00:21:50,149 --> 00:21:48,799
a very mysterious interesting case

654
00:21:53,190 --> 00:21:50,159
especially when you find out there were

655
00:21:54,870 --> 00:21:53,200
other such cases here um in the province

656
00:21:57,110 --> 00:21:54,880
but that's because of my work on shag

657
00:21:59,190 --> 00:21:57,120
harbor but you know what there were lots

658
00:22:01,510 --> 00:21:59,200
of these cases that you know they're not

659
00:22:03,990 --> 00:22:01,520
an abduction cereal they're not a crash

660
00:22:06,070 --> 00:22:04,000
they fall between the cracks arguably

661
00:22:07,830 --> 00:22:06,080
some of them are rt cases and they're in

662
00:22:09,909 --> 00:22:07,840
the province and it's just rich and

663
00:22:12,950 --> 00:22:09,919

again you find these great coal cases in

664

00:22:14,950 --> 00:22:12,960

rcmp files and i only started doing that

665

00:22:16,710 --> 00:22:14,960

because of shag harbor

666

00:22:18,870 --> 00:22:16,720

excellent well thanks so much chris we

667

00:22:20,630 --> 00:22:18,880

really thanks for your interest yes and

668

00:22:22,470 --> 00:22:20,640

thanks for uh joining us i've wanted to

669

00:22:23,909 --> 00:22:22,480

talk to you for a long time so now i

670

00:22:25,750 --> 00:22:23,919

finally did that

671

00:22:27,750 --> 00:22:25,760

check it off the bucket list

672

00:22:29,350 --> 00:22:27,760

all right thanks

673

00:22:30,310 --> 00:22:29,360

thank you guys all right so our next

674

00:22:33,350 --> 00:22:30,320

guest

675

00:22:35,270 --> 00:22:33,360

is named ralph with an interesting story

676

00:22:40,149 --> 00:22:35,280

now ralph

677

00:22:42,789 --> 00:22:40,159

um he was a pilot for pan am he was

678

00:22:44,789 --> 00:22:42,799

sitting in the right seat and he saw

679

00:22:46,470 --> 00:22:44,799

this incident from the sky and we're

680

00:22:49,270 --> 00:22:46,480

going to talk to him

681

00:22:50,789 --> 00:22:49,280

uh about what he saw how he saw it and

682

00:22:52,549 --> 00:22:50,799

all that

683

00:22:53,909 --> 00:22:52,559

also i'm going to ask him about his

684

00:22:56,630 --> 00:22:53,919

thoughts on witnesses because one of the

685

00:22:59,110 --> 00:22:56,640

things in the eyewitness panel that he

686

00:23:00,789 --> 00:22:59,120

that he discussed was just how um

687

00:23:03,270 --> 00:23:00,799

eyewitness testimony is not you know the

688

00:23:05,510 --> 00:23:03,280

be-all end-all so we'll here's ralph

689

00:23:06,950 --> 00:23:05,520

with us now

690

00:23:10,230 --> 00:23:06,960

hey ralph welcome to the show right up

691

00:23:12,230 --> 00:23:10,240

to the mic okay well i'm very really

692

00:23:14,310 --> 00:23:12,240

glad to be here i'm so glad we journeyed

693

00:23:18,230 --> 00:23:14,320

up from florida

694

00:23:19,110 --> 00:23:18,240

to join you guys wow yeah hey um so you

695

00:23:21,190 --> 00:23:19,120

saw

696

00:23:23,110 --> 00:23:21,200

something from the sky and this thing

697

00:23:25,350 --> 00:23:23,120

all fell together

698

00:23:28,310 --> 00:23:25,360

at one time you sent out a letter nobody

699

00:23:30,390 --> 00:23:28,320

responded to it but you saw something on

700

00:23:31,830 --> 00:23:30,400

tv that kind of you know

701
00:23:34,070 --> 00:23:31,840
jarred this out of your memory what

702
00:23:36,870 --> 00:23:34,080
happened well not exactly there was a

703
00:23:39,830 --> 00:23:36,880
there wasn't an investigator an amateur

704
00:23:40,950 --> 00:23:39,840
investigator who knew the shag harbor

705
00:23:43,590 --> 00:23:40,960
story

706
00:23:45,909 --> 00:23:43,600
and he happened to be at my house and we

707
00:23:48,070 --> 00:23:45,919
we began talking and he said

708
00:23:49,669 --> 00:23:48,080
you told me earlier you were retired

709
00:23:51,669 --> 00:23:49,679
airline pilot and

710
00:23:54,470 --> 00:23:51,679
i said yeah and he said did you ever see

711
00:23:56,950 --> 00:23:54,480
anything strange in the sky

712
00:23:59,669 --> 00:23:56,960
and i said only once and he said where

713
00:24:03,669 --> 00:23:59,679

was it and i said nova scotia near

714

00:24:06,390 --> 00:24:03,679

yarmouth and he said you mean shag arbor

715

00:24:09,830 --> 00:24:06,400

and i said yeah how did you know

716

00:24:11,190 --> 00:24:09,840

he said i know all about that story

717

00:24:13,029 --> 00:24:11,200

and he said

718

00:24:14,789 --> 00:24:13,039

nobody knows

719

00:24:17,669 --> 00:24:14,799

none of the people up there know that

720

00:24:19,190 --> 00:24:17,679

anybody from an airplane

721

00:24:21,190 --> 00:24:19,200

saw

722

00:24:22,950 --> 00:24:21,200

you know anything associated with that

723

00:24:25,750 --> 00:24:22,960

incident

724

00:24:28,230 --> 00:24:25,760

may i give your phone number to the

725

00:24:29,669 --> 00:24:28,240

investigators and i said sure

726

00:24:32,230 --> 00:24:29,679

the next day

727

00:24:33,510 --> 00:24:32,240

chris styles and don ledger both called

728

00:24:38,789 --> 00:24:33,520

me

729

00:24:41,110 --> 00:24:38,799

took about an hour

730

00:24:42,230 --> 00:24:41,120

and then i was invited to come up and

731

00:24:44,149 --> 00:24:42,240

join

732

00:24:46,390 --> 00:24:44,159

a reunion in about

733

00:24:48,950 --> 00:24:46,400

2011 i guess

734

00:24:50,950 --> 00:24:48,960

uh and that was when i first met

735

00:24:52,950 --> 00:24:50,960

a lot of the people here

736

00:24:55,110 --> 00:24:52,960

it's been a great association and for

737

00:24:56,149 --> 00:24:55,120

the 50th i decided that i had to come

738

00:24:58,310 --> 00:24:56,159

back

739

00:25:00,630 --> 00:24:58,320

great and could you tell what did you

740

00:25:02,390 --> 00:25:00,640

see from the sky and

741

00:25:04,310 --> 00:25:02,400

what happened and what did you know

742

00:25:05,909 --> 00:25:04,320

what transpired through the whole thing

743

00:25:08,390 --> 00:25:05,919

we were on a

744

00:25:10,950 --> 00:25:08,400

pan am cargo airplane which

745

00:25:14,310 --> 00:25:10,960

just had the crew of three plus i think

746

00:25:17,350 --> 00:25:14,320

it had three deadheading crew members

747

00:25:18,470 --> 00:25:17,360

just in back of the cockpit

748

00:25:20,230 --> 00:25:18,480

and

749

00:25:23,190 --> 00:25:20,240

we saw

750

00:25:24,549 --> 00:25:23,200

five i believe five lights

751

00:25:27,350 --> 00:25:24,559

in a

752

00:25:30,070 --> 00:25:27,360

slanting formation

753

00:25:32,390 --> 00:25:30,080

and they were blue bluish white i would

754

00:25:33,269 --> 00:25:32,400

i would describe them

755

00:25:35,510 --> 00:25:33,279

and

756

00:25:38,310 --> 00:25:35,520

we initially thought that we had to take

757

00:25:41,350 --> 00:25:38,320

some evasion evasive action

758

00:25:43,269 --> 00:25:41,360

but it turned out they mostly just hung

759

00:25:45,430 --> 00:25:43,279

there in space

760

00:25:47,669 --> 00:25:45,440

we queried

761

00:25:48,950 --> 00:25:47,679

radar and they said that they had us in

762

00:25:51,269 --> 00:25:48,960

sight

763

00:25:53,269 --> 00:25:51,279

and i said do you have this traffic up

764

00:25:55,669 --> 00:25:53,279

here at 11 o'clock in sight and he said

765

00:25:57,029 --> 00:25:55,679

no we don't have anything

766

00:25:58,310 --> 00:25:57,039

and i said well we're looking at

767

00:26:00,390 --> 00:25:58,320

something

768

00:26:02,310 --> 00:26:00,400

and he said well do you

769

00:26:04,789 --> 00:26:02,320

i don't have anything do you want to

770

00:26:06,789 --> 00:26:04,799

file a ufo report

771

00:26:09,909 --> 00:26:06,799

i looked at the captain the captain said

772

00:26:12,710 --> 00:26:09,919

please no more paperwork so i said no

773

00:26:14,870 --> 00:26:12,720

thank you and he said well

774

00:26:17,350 --> 00:26:14,880

in five minutes time contact the moncton

775

00:26:18,870 --> 00:26:17,360

center and have a nice trip see you on

776
00:26:21,029 --> 00:26:18,880
the way back

777
00:26:23,029 --> 00:26:21,039
and for the next five minutes before i

778
00:26:25,750 --> 00:26:23,039
spoke to anybody else

779
00:26:29,110 --> 00:26:25,760
we watch these lights

780
00:26:33,590 --> 00:26:31,830
more clearly than i do

781
00:26:36,390 --> 00:26:33,600
it seems

782
00:26:38,630 --> 00:26:36,400
that we were approaching these lights

783
00:26:41,669 --> 00:26:38,640
we are traveling across the ground at

784
00:26:44,549 --> 00:26:41,679
about um well mark a2 is eight miles a

785
00:26:47,269 --> 00:26:44,559
minute nautical miles a minute

786
00:26:48,710 --> 00:26:47,279
we should have been closing on this

787
00:26:51,110 --> 00:26:48,720
target

788
00:26:52,710 --> 00:26:51,120

but they apparently were moving in the

789

00:26:54,149 --> 00:26:52,720

same direction

790

00:26:56,230 --> 00:26:54,159

and

791

00:26:58,630 --> 00:26:56,240

we really didn't close very much on them

792

00:27:00,630 --> 00:26:58,640

and after five minutes time

793

00:27:02,789 --> 00:27:00,640

they took off

794

00:27:05,669 --> 00:27:02,799

towards the eastern horizon at a

795

00:27:09,110 --> 00:27:05,679

phenomenal rate of speed

796

00:27:11,590 --> 00:27:09,120

and all five or six crewmen all

797

00:27:14,870 --> 00:27:11,600

experienced pilots

798

00:27:15,909 --> 00:27:14,880

with plenty of time in the air they all

799

00:27:18,710 --> 00:27:15,919

saw

800

00:27:21,590 --> 00:27:18,720

this target they all looked out

801
00:27:24,070 --> 00:27:21,600
multiple windows different windows

802
00:27:27,029 --> 00:27:24,080
they all saw the same thing and in the

803
00:27:30,149 --> 00:27:27,039
end none of us knew what we had seen or

804
00:27:32,070 --> 00:27:30,159
had ever seen anything like it

805
00:27:34,230 --> 00:27:32,080
and then it was gone

806
00:27:35,750 --> 00:27:34,240
and none of us as far as i know has ever

807
00:27:37,590 --> 00:27:35,760
seen anything like it in the rest of

808
00:27:40,070 --> 00:27:37,600
their career i was a young guy at the

809
00:27:43,909 --> 00:27:42,149
now um when this

810
00:27:46,470 --> 00:27:43,919
happened afterward

811
00:27:48,310 --> 00:27:46,480
um did you keep in touch

812
00:27:50,310 --> 00:27:48,320
or did you did this come up in

813
00:27:53,110 --> 00:27:50,320

conversation when you actually were

814

00:27:55,830 --> 00:27:53,120

crewed with the same members again

815

00:27:57,830 --> 00:27:55,840

i have remained um close friends with

816

00:28:00,070 --> 00:27:57,840

mike the flight engineer

817

00:28:02,230 --> 00:28:00,080

and he gave me his testimony after all

818

00:28:03,909 --> 00:28:02,240

these years he gave it to me i had been

819

00:28:05,909 --> 00:28:03,919

pestering him

820

00:28:08,549 --> 00:28:05,919

for it and he just gave it to me about a

821

00:28:11,750 --> 00:28:08,559

week ago and i've given a copy to laurie

822

00:28:13,750 --> 00:28:11,760

wickens for for the museum

823

00:28:16,710 --> 00:28:13,760

and he and i have been remained friends

824

00:28:19,830 --> 00:28:16,720

over the years we've talked often and

825

00:28:22,070 --> 00:28:19,840

and said what is it that we saw

826

00:28:23,990 --> 00:28:22,080

and we don't know to this day

827

00:28:25,750 --> 00:28:24,000

what it was but

828

00:28:27,590 --> 00:28:25,760

there was no doubt about us seeing it

829

00:28:29,590 --> 00:28:27,600

and i and i believe it was the night

830

00:28:32,470 --> 00:28:29,600

before

831

00:28:35,350 --> 00:28:32,480

the the sighting of the lights that went

832

00:28:37,510 --> 00:28:35,360

into the harbor this was not the same

833

00:28:40,230 --> 00:28:37,520

light formation this was a

834

00:28:42,230 --> 00:28:40,240

completely different light formation

835

00:28:44,230 --> 00:28:42,240

but in the same location

836

00:28:46,630 --> 00:28:44,240

that's interesting a lot of people have

837

00:28:48,950 --> 00:28:46,640

reported seeing something

838

00:28:51,830 --> 00:28:48,960

within the that you know that day that

839

00:28:52,950 --> 00:28:51,840

evening as well um

840

00:28:55,750 --> 00:28:52,960

when

841

00:28:57,669 --> 00:28:55,760

this thing uh took off you estimate i

842

00:29:00,389 --> 00:28:57,679

heard you estimated that it could have

843

00:29:02,070 --> 00:29:00,399

been up to a thousand it could not

844

00:29:03,190 --> 00:29:02,080

it could have been a lot faster than a

845

00:29:08,070 --> 00:29:03,200

thousand

846

00:29:09,110 --> 00:29:08,080

mean i have never in my life seen

847

00:29:10,870 --> 00:29:09,120

anything

848

00:29:13,909 --> 00:29:10,880

accelerate

849

00:29:15,990 --> 00:29:13,919

that quickly into that terminal velocity

850

00:29:18,870 --> 00:29:16,000

never never saw anything move so fast in

851

00:29:20,870 --> 00:29:18,880

my life nor did the other guys wow and

852

00:29:22,230 --> 00:29:20,880

the last question i know jordan has a

853

00:29:24,950 --> 00:29:22,240

question for you but the last question i

854

00:29:27,510 --> 00:29:24,960

have for you your flight engineer um in

855

00:29:30,149 --> 00:29:27,520

his testimony he wrote that the lights

856

00:29:32,710 --> 00:29:30,159

appeared to be opaque like windows was

857

00:29:35,110 --> 00:29:32,720

that your experience too or did you not

858

00:29:37,350 --> 00:29:35,120

think that no and i that's why i

859

00:29:40,470 --> 00:29:37,360

emphasized how two people can see the

860

00:29:43,510 --> 00:29:40,480

same thing and remember different and

861

00:29:47,029 --> 00:29:43,520

remember it differently yeah i did not

862

00:29:49,510 --> 00:29:47,039

i did not have that sensation

863

00:29:51,430 --> 00:29:49,520

but this is all 50 years ago it's it's a

864

00:29:52,710 --> 00:29:51,440

it's hard to remember

865

00:29:54,310 --> 00:29:52,720

yeah

866

00:29:55,830 --> 00:29:54,320

the question i wanted to ask ralph is

867

00:29:57,510 --> 00:29:55,840

with the amount of time you've spent in

868

00:29:59,029 --> 00:29:57,520

the air you would have seen a lot of

869

00:30:01,350 --> 00:29:59,039

strange things you know whether it's

870

00:30:03,590 --> 00:30:01,360

just odd reflections of stuff in the sky

871

00:30:05,830 --> 00:30:03,600

but i'm just wondering how rare

872

00:30:08,789 --> 00:30:05,840

it is how rare what you saw that night

873

00:30:10,070 --> 00:30:08,799

was like could you talk about um like

874

00:30:11,750 --> 00:30:10,080

some things that you would have been you

875

00:30:14,789 --> 00:30:11,760

would have encountered just in your

876

00:30:16,710 --> 00:30:14,799

career in in the sky

877

00:30:18,310 --> 00:30:16,720

just to give an idea of what um because

878

00:30:19,830 --> 00:30:18,320

i don't fly a lot but i imagine if i

879

00:30:23,110 --> 00:30:19,840

spent you know hours and hours i would

880

00:30:25,830 --> 00:30:23,120

see strange stuff but how rare is it

881

00:30:27,110 --> 00:30:25,840

well over the years i have seen strange

882

00:30:29,909 --> 00:30:27,120

things

883

00:30:32,870 --> 00:30:29,919

when they first appeared but then

884

00:30:34,789 --> 00:30:32,880

we recognized them for what they really

885

00:30:38,230 --> 00:30:34,799

were in other words the true identity

886

00:30:39,350 --> 00:30:38,240

was revealed as the moon rose or the sun

887

00:30:41,750 --> 00:30:39,360

rose

888

00:30:43,430 --> 00:30:41,760

or one of the planets

889

00:30:45,669 --> 00:30:43,440

that looked like an approaching airplane

890

00:30:47,510 --> 00:30:45,679

was suddenly revealed to be

891

00:30:50,710 --> 00:30:47,520

just a planet

892

00:30:52,789 --> 00:30:50,720

i i had flown i was based in

893

00:30:54,310 --> 00:30:52,799

newfoundland and i had flown this area

894

00:30:55,830 --> 00:30:54,320

many times

895

00:30:58,630 --> 00:30:55,840

in the military

896

00:30:59,909 --> 00:30:58,640

and then with pan am

897

00:31:01,190 --> 00:30:59,919

and

898

00:31:04,230 --> 00:31:01,200

none of us

899

00:31:06,870 --> 00:31:04,240

ever saw anything like that i would have

900

00:31:08,470 --> 00:31:06,880

to say that uh that uh

901
00:31:09,830 --> 00:31:08,480
it was different from anything that i

902
00:31:13,190 --> 00:31:09,840
had ever seen

903
00:31:14,549 --> 00:31:13,200
and and uh to answer your question

904
00:31:18,549 --> 00:31:14,559
it's very

905
00:31:22,310 --> 00:31:18,559
none of my

906
00:31:24,470 --> 00:31:22,320
anything like that

907
00:31:26,630 --> 00:31:24,480
now um

908
00:31:29,430 --> 00:31:26,640
how taboo is it

909
00:31:30,230 --> 00:31:29,440
for a pilot a commercial pilot

910
00:31:32,950 --> 00:31:30,240
to

911
00:31:36,230 --> 00:31:32,960
report a ufo or were you ever aware that

912
00:31:39,590 --> 00:31:37,029
well

913
00:31:42,549 --> 00:31:39,600

i think that the only taboo is that

914

00:31:44,389 --> 00:31:42,559

nobody wants to to relate a story that

915

00:31:45,669 --> 00:31:44,399

people will giggle about and say that's

916

00:31:48,710 --> 00:31:45,679

ridiculous

917

00:31:50,389 --> 00:31:48,720

and probably the great restraint

918

00:31:51,909 --> 00:31:50,399

on anybody

919

00:31:54,630 --> 00:31:51,919

reporting

920

00:31:56,870 --> 00:31:54,640

a strange observation in the sky

921

00:31:58,470 --> 00:31:56,880

is the thought that people aren't going

922

00:32:00,950 --> 00:31:58,480

to believe this people are going to

923

00:32:03,350 --> 00:32:00,960

ridicule me so that's why

924

00:32:04,789 --> 00:32:03,360

in my estimation why so many people just

925

00:32:06,710 --> 00:32:04,799

don't say anything

926
00:32:08,389 --> 00:32:06,720
because they they think well who's going

927
00:32:10,070 --> 00:32:08,399
to believe this this is silly this is

928
00:32:12,710 --> 00:32:10,080
strange

929
00:32:14,710 --> 00:32:12,720
there's no explanation

930
00:32:16,789 --> 00:32:14,720
is that is that how you feel

931
00:32:18,470 --> 00:32:16,799
and until you actually

932
00:32:21,110 --> 00:32:18,480
have this validated that something

933
00:32:24,310 --> 00:32:21,120
happened did you feel that way well my

934
00:32:27,269 --> 00:32:24,320
experience initially for the first 42

935
00:32:29,909 --> 00:32:28,870
after this incident

936
00:32:32,630 --> 00:32:29,919
my

937
00:32:34,149 --> 00:32:32,640
an initial feeling was that maybe i

938
00:32:37,430 --> 00:32:34,159

shouldn't say so much because people

939

00:32:39,830 --> 00:32:37,440

will think i'm a coop but once i

940

00:32:41,350 --> 00:32:39,840

was united with all of the good people

941

00:32:44,149 --> 00:32:41,360

of shag harbor

942

00:32:46,710 --> 00:32:44,159

and the others who had seen it i had the

943

00:32:48,310 --> 00:32:46,720

corroboration that i felt i needed i

944

00:32:51,029 --> 00:32:48,320

could tell my story and because if

945

00:32:53,750 --> 00:32:51,039

people said oh that's crazy i'd say well

946

00:32:55,029 --> 00:32:53,760

there's about 70 other people that saw

947

00:32:57,509 --> 00:32:55,039

similar things

948

00:32:59,669 --> 00:32:57,519

in the sky that night

949

00:33:03,430 --> 00:32:59,679

wow uh someone's actually texting from

950

00:33:07,190 --> 00:33:05,029

yeah we have a an audience here i'm

951
00:33:09,029 --> 00:33:07,200
sorry i can't turn the camera around a

952
00:33:10,470 --> 00:33:09,039
few people are in here how you doing

953
00:33:11,350 --> 00:33:10,480
everyone

954
00:33:12,549 --> 00:33:11,360
um

955
00:33:14,470 --> 00:33:12,559
and

956
00:33:19,190 --> 00:33:14,480
uh why doesn't everyone say hi to

957
00:33:22,630 --> 00:33:21,110
there okay just so they know i'm not

958
00:33:24,710 --> 00:33:22,640
lying

959
00:33:27,590 --> 00:33:24,720
we made this up

960
00:33:30,870 --> 00:33:27,600
that was the soundtrack yeah

961
00:33:33,350 --> 00:33:30,880
so i i appreciate that you uh came

962
00:33:34,789 --> 00:33:33,360
forward and uh someone asked a really

963
00:33:37,430 --> 00:33:34,799

good question

964

00:33:38,950 --> 00:33:37,440

at uh the event and do you remember what

965

00:33:40,310 --> 00:33:38,960

that was we were talking about that was

966

00:33:41,509 --> 00:33:40,320

a really good question about other

967

00:33:43,669 --> 00:33:41,519

pilots

968

00:33:44,950 --> 00:33:43,679

yeah that was just the question of

969

00:33:46,710 --> 00:33:44,960

when

970

00:33:48,630 --> 00:33:46,720

the question was one of the guests that

971

00:33:50,630 --> 00:33:48,640

the witness panel had asked is when when

972

00:33:51,990 --> 00:33:50,640

a group of pilots are together and you

973

00:33:53,750 --> 00:33:52,000

know and you're feeling casual maybe

974

00:33:55,430 --> 00:33:53,760

having drinks what not

975

00:33:57,909 --> 00:33:55,440

is it is it common that you get into a

976

00:34:00,230 --> 00:33:57,919

discussion surrounding you know ufos and

977

00:34:01,269 --> 00:34:00,240

the the uh the presence of them in the

978

00:34:03,830 --> 00:34:01,279

sky

979

00:34:06,549 --> 00:34:03,840

that's right well i would say it is very

980

00:34:08,950 --> 00:34:06,559

uncommon because not many of the

981

00:34:12,149 --> 00:34:08,960

thousands of pilots that i have that i

982

00:34:14,629 --> 00:34:12,159

know today and have known over my career

983

00:34:15,829 --> 00:34:14,639

almost none of them ever saw anything

984

00:34:17,990 --> 00:34:15,839

like that

985

00:34:20,869 --> 00:34:18,000

they may have seen other

986

00:34:23,669 --> 00:34:20,879

less spectacular things they were not

987

00:34:26,710 --> 00:34:23,679

inclined to speak about them and um

988

00:34:28,950 --> 00:34:26,720

and nor was i as i say until i got until

989

00:34:32,310 --> 00:34:28,960

i felt brave because i had all of these

990

00:34:33,909 --> 00:34:32,320

corroborating witnesses right right well

991

00:34:36,069 --> 00:34:33,919

i'm glad you made it up here it was a

992

00:34:37,909 --> 00:34:36,079

real pleasure meeting you and it's been

993

00:34:39,669 --> 00:34:37,919

a great afternoon and i'm looking

994

00:34:42,230 --> 00:34:39,679

forward to tomorrow thank you very much

995

00:34:43,389 --> 00:34:42,240

excellent thank you thank you ralph

996

00:34:45,190 --> 00:34:43,399

all

997

00:34:46,829 --> 00:34:45,200

right

998

00:34:51,270 --> 00:34:46,839

extension

999

00:34:52,069 --> 00:34:51,280

so all right uh so next we have um i

1000

00:34:53,669 --> 00:34:52,079

think

1001
00:34:55,349 --> 00:34:53,679
probably one of the most wouldn't you

1002
00:34:57,109 --> 00:34:55,359
call them the most familiar face

1003
00:34:58,950 --> 00:34:57,119
absolutely yeah absolutely like if you

1004
00:35:01,190 --> 00:34:58,960
read any shag harbor

1005
00:35:02,630 --> 00:35:01,200
article it's an interview with him any

1006
00:35:05,109 --> 00:35:02,640
shag harbor documentary that's worth

1007
00:35:07,750 --> 00:35:05,119
watching includes him yeah

1008
00:35:09,430 --> 00:35:07,760
and he's the character of the shag the

1009
00:35:10,950 --> 00:35:09,440
rodney dangerfield of the shag harbor

1010
00:35:13,190 --> 00:35:10,960
incident

1011
00:35:16,950 --> 00:35:13,200
hillary so true good to see you

1012
00:35:20,310 --> 00:35:16,960
all right scoot scoot him right in yeah

1013
00:35:21,829 --> 00:35:20,320

uh lawyer wickens how are you i i saw i

1014

00:35:24,550 --> 00:35:21,839

think i've seen you

1015

00:35:26,630 --> 00:35:24,560

forever on this story you know i mean

1016

00:35:30,230 --> 00:35:26,640

you were you were the you were in the

1017

00:35:31,750 --> 00:35:30,240

car right right yeah so um welcome to

1018

00:35:32,390 --> 00:35:31,760

the show thank you it's an honor having

1019

00:35:33,109 --> 00:35:32,400

you

1020

00:35:35,430 --> 00:35:33,119

yeah

1021

00:35:37,109 --> 00:35:35,440

and you are a native you are uh i was

1022

00:35:39,030 --> 00:35:37,119

born here yes yes

1023

00:35:41,109 --> 00:35:39,040

what did they say

1024

00:35:45,430 --> 00:35:41,119

no i ain't from shag arbor oh you're not

1025

00:35:49,190 --> 00:35:47,750

oh bear point yes yeah i saw that sign

1026

00:35:51,190 --> 00:35:49,200

yeah that's not that far away you live

1027

00:35:53,990 --> 00:35:51,200

in jail but i am from bearboy yeah i

1028

00:35:55,589 --> 00:35:54,000

lived in banford at the time yeah so uh

1029

00:35:57,510 --> 00:35:55,599

why don't you give can you give your

1030

00:35:58,950 --> 00:35:57,520

account of what you saw that night and

1031

00:36:00,470 --> 00:35:58,960

and what you did and what you thought

1032

00:36:02,550 --> 00:36:00,480

that you thought you were seeing a plane

1033

00:36:03,990 --> 00:36:02,560

crash right well there was five of us in

1034

00:36:05,750 --> 00:36:04,000

the car and we were driving from

1035

00:36:07,190 --> 00:36:05,760

barrington and was going from east to

1036

00:36:09,190 --> 00:36:07,200

west

1037

00:36:10,950 --> 00:36:09,200

and then we got out there in jag armor

1038

00:36:13,349 --> 00:36:10,960

backline where we are right now a little

1039

00:36:17,109 --> 00:36:13,359

ways on top of the hill by the museum

1040

00:36:20,630 --> 00:36:18,790

in this guy like they looked like they

1041

00:36:22,390 --> 00:36:20,640

was on a plane and it was in over land

1042

00:36:23,990 --> 00:36:22,400

not over the water

1043

00:36:26,550 --> 00:36:24,000

and as we were driving along it seemed

1044

00:36:28,150 --> 00:36:26,560

to be going along with us

1045

00:36:29,510 --> 00:36:28,160

and when we got up by where the school

1046

00:36:33,589 --> 00:36:29,520

is and we

1047

00:36:38,710 --> 00:36:36,310

the light started from flying flat to a

1048

00:36:40,150 --> 00:36:38,720

45 degree angle and went down

1049

00:36:41,670 --> 00:36:40,160

and we made the top of the hill we could

1050

00:36:42,950 --> 00:36:41,680

see the light in the water

1051
00:36:44,870 --> 00:36:42,960
we went to the phone booth called the

1052
00:36:46,390 --> 00:36:44,880
rcmp

1053
00:36:48,310 --> 00:36:46,400
from there we come back to what they

1054
00:36:49,910 --> 00:36:48,320
call the moss plant we see the light in

1055
00:36:51,430 --> 00:36:49,920
the water there we washed it dressed

1056
00:36:52,870 --> 00:36:51,440
down by

1057
00:36:55,270 --> 00:36:52,880
and finally the light went out there's

1058
00:36:57,109 --> 00:36:55,280
about 20 people there down three rcmp

1059
00:36:58,630 --> 00:36:57,119
officers

1060
00:37:00,470 --> 00:36:58,640
and the light must have been in the

1061
00:37:02,310 --> 00:37:00,480
water roughly an hour from the farm we

1062
00:37:03,109 --> 00:37:02,320
first see it in the water until it went

1063
00:37:05,349 --> 00:37:03,119

out

1064

00:37:06,950 --> 00:37:05,359

and shortly after that two fishing boats

1065

00:37:08,470 --> 00:37:06,960

from air went out

1066

00:37:11,109 --> 00:37:08,480

because everybody's out of the plane to

1067

00:37:12,630 --> 00:37:11,119

look for a wreckage or whatever and

1068

00:37:14,550 --> 00:37:12,640

i went out on the coast guard being one

1069

00:37:15,990 --> 00:37:14,560

of the rcmp officers ron o'brien but

1070

00:37:17,829 --> 00:37:16,000

that had to come out ahead of the wharf

1071

00:37:19,589 --> 00:37:17,839

to prospect point pick us up then we was

1072

00:37:21,670 --> 00:37:19,599

an hour behind them

1073

00:37:22,950 --> 00:37:21,680

and the time as we got there they talked

1074

00:37:24,950 --> 00:37:22,960

about the phone but there was very

1075

00:37:27,190 --> 00:37:24,960

little outlet

1076

00:37:29,349 --> 00:37:27,200

so well how long of a night was that for

1077

00:37:31,430 --> 00:37:29,359

you was you up all night trying probably

1078

00:37:34,150 --> 00:37:31,440

four o'clock so before we come back in

1079

00:37:35,990 --> 00:37:34,160

on the coast guard wow

1080

00:37:37,589 --> 00:37:36,000

and you were you were how you were 17

1081

00:37:39,270 --> 00:37:37,599

then yes i'd have been 18 the end of the

1082

00:37:40,710 --> 00:37:39,280

month so when you got home at four in

1083

00:37:42,470 --> 00:37:40,720

the morning did you explain to your

1084

00:37:45,430 --> 00:37:42,480

parents sorry i'm late with the car i

1085

00:37:47,109 --> 00:37:45,440

saw a ufo no we didn't see a ufo i don't

1086

00:37:51,030 --> 00:37:47,119

know why everybody gets that bomb we see

1087

00:37:53,750 --> 00:37:51,040

a ufo we see reported the plane grass

1088

00:37:56,790 --> 00:37:53,760

now um usually in a plane crash you hear

1089

00:37:59,670 --> 00:37:56,800

about you know debris uh oil slick or

1090

00:38:00,950 --> 00:37:59,680

something like that um

1091

00:38:02,390 --> 00:38:00,960

i know there was nothing found so you

1092

00:38:03,670 --> 00:38:02,400

were on the coast guard what did what

1093

00:38:05,109 --> 00:38:03,680

were they saying what were they saying

1094

00:38:06,630 --> 00:38:05,119

well they weren't saying much we just

1095

00:38:08,870 --> 00:38:06,640

looking for stuff and we didn't see

1096

00:38:11,190 --> 00:38:08,880

nothing they called rescue coordination

1097

00:38:11,910 --> 00:38:11,200

alabama halifax told them to go back in

1098

00:38:14,069 --> 00:38:11,920

and

1099

00:38:17,829 --> 00:38:14,079

they went back here the next day yeah

1100

00:38:19,670 --> 00:38:17,839

yeah okay now that was found

1101

00:38:21,829 --> 00:38:19,680

just to let you know in the audience if

1102

00:38:24,069 --> 00:38:21,839

there's anyone that has a question and

1103

00:38:26,790 --> 00:38:24,079

you want him to answer live on the show

1104

00:38:28,390 --> 00:38:26,800

just raise your hand

1105

00:38:30,550 --> 00:38:28,400

but you won't we'd be glad to ask a

1106

00:38:33,030 --> 00:38:30,560

question for you and uh we also have a

1107

00:38:34,630 --> 00:38:33,040

chat room as well

1108

00:38:36,470 --> 00:38:34,640

uh

1109

00:38:39,190 --> 00:38:36,480

i got a question for you lori you're

1110

00:38:41,750 --> 00:38:39,200

such a down-to-earth guy fisherman a

1111

00:38:43,910 --> 00:38:41,760

regular kind of guy this is such an

1112

00:38:45,430 --> 00:38:43,920

unusual sighting you're in documentaries

1113

00:38:46,950 --> 00:38:45,440

all the time you're in the newspaper all

1114

00:38:48,790 --> 00:38:46,960

the time when you go to the grocery

1115

00:38:50,150 --> 00:38:48,800

store and you know people recognize you

1116

00:38:51,349 --> 00:38:50,160

is do they bring this up and what kind

1117

00:38:52,470 --> 00:38:51,359

of things do people say to you about

1118

00:38:54,069 --> 00:38:52,480

this

1119

00:38:55,750 --> 00:38:54,079

nothing much you said around there what

1120

00:38:57,750 --> 00:38:55,760

i noticed about it

1121

00:38:59,589 --> 00:38:57,760

when sightings and mr yonder first

1122

00:39:01,349 --> 00:38:59,599

played it i've got a hunting camp up in

1123

00:39:02,710 --> 00:39:01,359

the other side of toronto

1124

00:39:04,870 --> 00:39:02,720

and i went into some stores and

1125

00:39:06,470 --> 00:39:04,880

different places and somebody say

1126

00:39:08,390 --> 00:39:06,480

i know you i've seen you before and i

1127

00:39:09,589 --> 00:39:08,400

say yeah you see me but i've never seen

1128

00:39:11,349 --> 00:39:09,599

you

1129

00:39:12,550 --> 00:39:11,359

and i'd leave it at that and i don't

1130

00:39:14,950 --> 00:39:12,560

think they had to play what i was

1131

00:39:16,630 --> 00:39:14,960

talking about

1132

00:39:19,030 --> 00:39:16,640

i'd say yes you've definitely seen me

1133

00:39:20,550 --> 00:39:19,040

but i've never seen you uh lori what do

1134

00:39:22,950 --> 00:39:20,560

you think about um

1135

00:39:25,270 --> 00:39:22,960

what do you think about when people are

1136

00:39:27,109 --> 00:39:25,280

like the debunkers i don't want to say

1137

00:39:29,670 --> 00:39:27,119

everyone has a right to be skeptical but

1138

00:39:31,430 --> 00:39:29,680

when someone is just outright saying you

1139

00:39:32,390 --> 00:39:31,440

know these are flares or whatever it is

1140

00:39:33,910 --> 00:39:32,400

you're saying

1141

00:39:35,109 --> 00:39:33,920

does that get your goat does that get

1142

00:39:37,109 --> 00:39:35,119

you angry

1143

00:39:38,470 --> 00:39:37,119

well i'd rather waste time with them i

1144

00:39:40,470 --> 00:39:38,480

know different

1145

00:39:41,910 --> 00:39:40,480

flares were out of the water that was

1146

00:39:43,510 --> 00:39:41,920

seen in there so how could it be

1147

00:39:45,190 --> 00:39:43,520

claire's yeah

1148

00:39:46,470 --> 00:39:45,200

well they say yeah one fellow steamed

1149

00:39:47,829 --> 00:39:46,480

the boat down they went under that

1150

00:39:49,750 --> 00:39:47,839

bridge i don't know how they got it they

1151

00:39:51,670 --> 00:39:49,760

only got four foot in the boat was ten

1152

00:39:53,349 --> 00:39:51,680

foot high then they had to steam it up

1153

00:39:55,349 --> 00:39:53,359

to a dam so they got out of that forty

1154

00:39:56,470 --> 00:39:55,359

five buck boat hold it up over the day

1155

00:39:58,310 --> 00:39:56,480

and then got the water and set the

1156

00:40:00,630 --> 00:39:58,320

flares off

1157

00:40:02,470 --> 00:40:00,640

yeah that's my opinion although if you

1158

00:40:04,390 --> 00:40:02,480

believe that then you believe it flares

1159

00:40:06,870 --> 00:40:04,400

yeah yeah did you have a question

1160

00:40:08,870 --> 00:40:06,880

okay no that was what i wanted to ask

1161

00:40:10,550 --> 00:40:08,880

because i see you online often people

1162

00:40:12,550 --> 00:40:10,560

will talk about shag harbor you get

1163

00:40:14,390 --> 00:40:12,560

tagged in the posts whenever anyone

1164

00:40:17,510 --> 00:40:14,400

brings up flares that's like a real hot

1165

00:40:19,190 --> 00:40:17,520

spot you seem to not react well to that

1166

00:40:20,870 --> 00:40:19,200

have you been hearing about flares and

1167

00:40:22,310 --> 00:40:20,880

you know and no they're just too they're

1168

00:40:26,230 --> 00:40:22,320

just two or three people say it and it

1169

00:40:28,390 --> 00:40:26,240

was players hey yes the bomb portage is

1170

00:40:30,630 --> 00:40:28,400

a rockweed tow boat from the rocky

1171

00:40:31,829 --> 00:40:30,640

planet up there did that flares off that

1172

00:40:33,270 --> 00:40:31,839

evening

1173

00:40:36,069 --> 00:40:33,280

nine o'clock

1174

00:40:37,589 --> 00:40:36,079

that's 15 10 30 so hey don't worry if

1175

00:40:39,349 --> 00:40:37,599

the government could set it was players

1176

00:40:41,349 --> 00:40:39,359

that got in all of this

1177

00:40:42,710 --> 00:40:41,359

where we are today they have gladly said

1178

00:40:44,150 --> 00:40:42,720

it was players

1179

00:40:45,589 --> 00:40:44,160

shut it down the government definitely

1180

00:40:47,190 --> 00:40:45,599

said it wasn't players the government

1181

00:40:49,750 --> 00:40:47,200

calls it a ufo

1182

00:40:51,750 --> 00:40:49,760

not me none of us everybody reported 12

1183

00:40:54,310 --> 00:40:51,760

calls to the rcmp that night everybody

1184

00:40:57,589 --> 00:40:54,320

reported the plane crash

1185

00:40:59,349 --> 00:40:57,599

see what i mean when i bring up flares

1186

00:41:01,589 --> 00:40:59,359

that the next thing is that's all right

1187

00:41:03,990 --> 00:41:01,599

i made my point

1188

00:41:06,069 --> 00:41:04,000

so uh so this had happened an amount of

1189

00:41:07,109 --> 00:41:06,079

time went by like chris said 26 years

1190

00:41:08,550 --> 00:41:07,119

and nothing

1191

00:41:10,550 --> 00:41:08,560

how did you feel when you first heard

1192

00:41:12,390 --> 00:41:10,560

from chris and don ledger and all this

1193

00:41:13,670 --> 00:41:12,400

interest happened you know what you must

1194

00:41:15,270 --> 00:41:13,680

have felt you know like you were swept

1195

00:41:17,589 --> 00:41:15,280

away just talk about that

1196

00:41:19,270 --> 00:41:17,599

well i remember first coming just want

1197

00:41:22,069 --> 00:41:19,280

to do interview about what we've seen no

1198

00:41:24,790 --> 00:41:22,079

never be no more did you do it really

1199

00:41:26,470 --> 00:41:24,800

and it wasn't the last few years after

1200

00:41:28,309 --> 00:41:26,480

i stopped working got involved with quit

1201

00:41:29,990 --> 00:41:28,319

doing some research on it

1202

00:41:31,349 --> 00:41:30,000

you starting to think back to then they

1203

00:41:33,030 --> 00:41:31,359

would never had nothing they could fly

1204

00:41:34,950 --> 00:41:33,040

that slower than a helicopter and that

1205

00:41:36,550 --> 00:41:34,960

would have been pieces there

1206

00:41:38,069 --> 00:41:36,560

another thing when you think about it we

1207

00:41:40,470 --> 00:41:38,079

said plane grass well we didn't know

1208

00:41:42,470 --> 00:41:40,480

nothing about ufos until you took your

1209

00:41:44,230 --> 00:41:42,480

grand am some plane

1210

00:41:45,910 --> 00:41:44,240

but if you stop and think no flashing it

1211

00:41:47,750 --> 00:41:45,920

was going that night

1212

00:41:49,109 --> 00:41:47,760

it wasn't going over 40 mile an hour and

1213

00:41:51,030 --> 00:41:49,119

it was only going like that when it went

1214

00:41:51,990 --> 00:41:51,040

down so did he crash or did he land on

1215

00:41:54,550 --> 00:41:52,000

his own

1216

00:41:57,190 --> 00:41:54,560

right question i can't answer that yeah

1217

00:41:58,710 --> 00:41:57,200

we reported a plane crash no we didn't

1218

00:42:01,030 --> 00:41:58,720

see it go in the water

1219

00:42:03,270 --> 00:42:01,040

now what were things like in your life

1220

00:42:05,030 --> 00:42:03,280

the days following this event when

1221

00:42:06,870 --> 00:42:05,040

they're on the coast guard they didn't

1222

00:42:09,190 --> 00:42:06,880

go where we told them they were flashy

1223

00:42:12,790 --> 00:42:09,200

and that's been the last i remember

1224

00:42:14,630 --> 00:42:12,800

but i mean like days after this

1225

00:42:16,870 --> 00:42:14,640

when you first heard that them calling

1226

00:42:19,270 --> 00:42:16,880

it a ufo it was on a sunday afternoon

1227

00:42:21,510 --> 00:42:19,280

when i see an rcmp officer or

1228

00:42:23,109 --> 00:42:21,520

saturday afternoon in the bowling alley

1229

00:42:26,309 --> 00:42:23,119

he said you know what you see

1230

00:42:32,790 --> 00:42:26,319

he said they see you they said you see a

1231

00:42:38,309 --> 00:42:36,390

we are no longer safe for work

1232

00:42:40,309 --> 00:42:38,319

okay yeah one thing is this is such a

1233

00:42:41,589 --> 00:42:40,319

canadian sighting even like you say

1234

00:42:43,510 --> 00:42:41,599

you're at the bowling alley when this

1235

00:42:45,510 --> 00:42:43,520

stuff happens it's all these fishermen

1236

00:42:47,430 --> 00:42:45,520

in rural nova scotia even at the witness

1237

00:42:49,190 --> 00:42:47,440

panel everyone had a tim hortons cop you

1238

00:42:50,790 --> 00:42:49,200

know it's it's that's what they call it

1239

00:42:52,630 --> 00:42:50,800

canada's roswell i think that's just

1240

00:42:54,150 --> 00:42:52,640

because it's such a canadian story not

1241

00:42:57,589 --> 00:42:54,160

so much because it's you know the most

1242

00:42:59,990 --> 00:42:57,599

well-known canadian sighting right right

1243

00:43:02,069 --> 00:43:00,000

well uh this has been awesome it and

1244

00:43:03,589 --> 00:43:02,079

it's been a real pleasure to meet you

1245

00:43:05,030 --> 00:43:03,599

really has thank you great to see you

1246

00:43:06,230 --> 00:43:05,040

again laurie

1247

00:43:16,150 --> 00:43:06,240

all right

1248

00:43:19,510 --> 00:43:16,160

is our uh uh justin why don't you come

1249

00:43:22,309 --> 00:43:19,520

say hi now uh justin

1250

00:43:25,349 --> 00:43:22,319

is uh lives here in nova scotia

1251

00:43:27,430 --> 00:43:25,359

um he's a listener to the

1252

00:43:28,550 --> 00:43:27,440

uh show has been following the show all

1253

00:43:31,190 --> 00:43:28,560

along

1254

00:43:33,589 --> 00:43:31,200

um so i just thought i'd say

1255

00:43:36,870 --> 00:43:33,599

that uh he could introduce himself and

1256

00:43:39,190 --> 00:43:36,880

say hello to everyone and

1257

00:43:40,630 --> 00:43:39,200

welcome to the show hello oh yeah you're

1258

00:43:42,550 --> 00:43:40,640

gonna have to scoot over a little bit

1259

00:43:46,790 --> 00:43:42,560

martin

1260

00:43:48,630 --> 00:43:46,800

harbor ufo chasing willis

1261

00:43:50,150 --> 00:43:48,640

how you doing i'm trying to fill in for

1262

00:43:51,910 --> 00:43:50,160

alejandro because i know he couldn't be

1263

00:43:53,430 --> 00:43:51,920

here oh yeah that was on the show that

1264

00:43:56,390 --> 00:43:53,440

was a pretty good alejandro that wasn't

1265

00:43:58,870 --> 00:43:56,400

bad it wasn't bad yeah yeah so you you

1266

00:44:01,109 --> 00:43:58,880

live right here or you live in nova

1267

00:44:04,150 --> 00:44:01,119

scotia i do i live in uh the capital of

1268

00:44:06,470 --> 00:44:04,160

halifax nova scotia about uh two hours

1269

00:44:08,390 --> 00:44:06,480

and 45 minutes if you keep your foot on

1270

00:44:10,230 --> 00:44:08,400

the pedal yeah yeah

1271

00:44:12,950 --> 00:44:10,240

and what have you thought um you went to

1272

00:44:14,470 --> 00:44:12,960

this event you said it was great earlier

1273

00:44:16,550 --> 00:44:14,480

today

1274

00:44:18,870 --> 00:44:16,560

this actually was the best shag harbor

1275

00:44:21,030 --> 00:44:18,880

festival i've seen yet

1276

00:44:22,710 --> 00:44:21,040

the amount of support of the people that

1277

00:44:24,870 --> 00:44:22,720

have come out um

1278

00:44:26,150 --> 00:44:24,880

the original eyewitnesses that have been

1279

00:44:27,030 --> 00:44:26,160

here

1280

00:44:28,710 --> 00:44:27,040

um

1281

00:44:30,870 --> 00:44:28,720

have been extraordinary i've never ever

1282

00:44:33,829 --> 00:44:30,880

seen that happen and to have them all

1283

00:44:36,150 --> 00:44:33,839

on stage at the same time and recount uh

1284

00:44:38,630 --> 00:44:36,160

their memory of the event was was quite

1285

00:44:41,190 --> 00:44:38,640

amazing um the first year i came here

1286

00:44:43,430 --> 00:44:41,200

was about i guess it was 2012 because

1287

00:44:45,510 --> 00:44:43,440

like you guys i i had a show back in the

1288

00:44:47,829 --> 00:44:45,520

day for a couple years

1289

00:44:49,990 --> 00:44:47,839

um and i came down to the festival to

1290

00:44:51,430 --> 00:44:50,000

sort of cover it and you know stan the

1291

00:44:53,109 --> 00:44:51,440

man was down here of course because he

1292

00:44:55,190 --> 00:44:53,119

was he's our ambassador on the east

1293

00:44:57,510 --> 00:44:55,200

coast of canada that's uh stanton

1294

00:44:59,510 --> 00:44:57,520

friedman and uh did a little interview

1295

00:45:01,109 --> 00:44:59,520

with him and i was kind of disappointed

1296

00:45:04,309 --> 00:45:01,119

because i was expecting a lot more out

1297

00:45:07,430 --> 00:45:04,319

of an event that was so huge in canadian

1298

00:45:08,630 --> 00:45:07,440

ufological history and when i got here

1299

00:45:11,030 --> 00:45:08,640

um

1300

00:45:13,190 --> 00:45:11,040

there was about a dozen people in in the

1301

00:45:15,910 --> 00:45:13,200

community hall here at shag harbor

1302

00:45:18,470 --> 00:45:15,920

this year now that it's down the road

1303

00:45:20,470 --> 00:45:18,480

in a bigger venue it was astonishing to

1304

00:45:23,190 --> 00:45:20,480

see it was packed there must have been i

1305

00:45:26,230 --> 00:45:23,200

felt like a 150 or 200 people had showed

1306

00:45:28,069 --> 00:45:26,240

up at one point yeah and 150 or 200

1307

00:45:29,670 --> 00:45:28,079

people definitely but it

1308

00:45:31,430 --> 00:45:29,680

i was surprised at how engaged everyone

1309

00:45:33,190 --> 00:45:31,440

was when in the witness panel when it

1310

00:45:34,710 --> 00:45:33,200

went to the q and a's i think everybody

1311

00:45:36,710 --> 00:45:34,720

in there was ready to ask a question or

1312

00:45:38,230 --> 00:45:36,720

two so it's always it's not so

1313

00:45:39,990 --> 00:45:38,240

not always so much the size of the crowd

1314

00:45:42,150 --> 00:45:40,000

but just how invested in it they are so

1315

00:45:44,150 --> 00:45:42,160

it's incredible and it's at the witness

1316

00:45:46,390 --> 00:45:44,160

panel the the huge crowd there it was

1317

00:45:47,990 --> 00:45:46,400

all walks of life all ages it's

1318

00:45:48,710 --> 00:45:48,000

incredible how the community's embraced

1319

00:45:54,630 --> 00:45:48,720

it

1320

00:45:56,550 --> 00:45:54,640

people work hard i always tell people

1321

00:45:58,069 --> 00:45:56,560

that life in nova scotia is a certain

1322

00:45:59,750 --> 00:45:58,079

particular way and if you don't grind

1323

00:46:00,470 --> 00:45:59,760

like a viking you just don't survive out

1324

00:46:03,030 --> 00:46:00,480

here

1325

00:46:05,430 --> 00:46:03,040

so hard work like it is in maine

1326

00:46:07,670 --> 00:46:05,440

uh we we really really value hard work

1327

00:46:09,030 --> 00:46:07,680

and um blood and sweat and tears and

1328

00:46:10,550 --> 00:46:09,040

that sort of showed in the people that

1329

00:46:12,069 --> 00:46:10,560

were in the audience today they had a

1330

00:46:13,990 --> 00:46:12,079

really good level head

1331

00:46:16,069 --> 00:46:14,000

and asked important questions to

1332

00:46:18,950 --> 00:46:16,079

validate their own memory and their own

1333

00:46:21,589 --> 00:46:18,960

place within the community now uh

1334

00:46:24,069 --> 00:46:21,599

so you grew up here your nova scotian

1335

00:46:25,990 --> 00:46:24,079

kind of yeah yeah i sort of lived in

1336

00:46:28,470 --> 00:46:26,000

california for a few years as a kid and

1337

00:46:30,470 --> 00:46:28,480

then i ended up back here yeah yeah um

1338

00:46:33,510 --> 00:46:30,480

when did you first hear about the shag

1339

00:46:35,030 --> 00:46:33,520

harper incident oh i'm sure it was like

1340

00:46:36,790 --> 00:46:35,040

it must have been sightings because i

1341

00:46:41,030 --> 00:46:36,800

watched that show in the 90s and chris

1342

00:46:44,470 --> 00:46:42,190

a few pounds lighter

1343

00:46:46,710 --> 00:46:44,480

[Laughter]

1344

00:46:48,630 --> 00:46:46,720

i hope he doesn't watch this yeah we're

1345

00:46:50,069 --> 00:46:48,640

all a little bit heavier

1346

00:46:51,589 --> 00:46:50,079

just saying yeah

1347

00:46:53,030 --> 00:46:51,599

that's fair

1348

00:46:54,230 --> 00:46:53,040

pretty funny okay

1349

00:46:55,829 --> 00:46:54,240

well

1350

00:46:57,750 --> 00:46:55,839

yeah no i was just going to say to that

1351

00:46:59,910 --> 00:46:57,760

point i've watched all the shag harbor

1352

00:47:02,710 --> 00:46:59,920

documentaries and so through them i've

1353

00:47:04,550 --> 00:47:02,720

seen chris don ledger and laurie h you

1354

00:47:07,030 --> 00:47:04,560

know i've seen there's a few from of

1355

00:47:09,349 --> 00:47:07,040

laurie where i think a cbc one that was

1356

00:47:10,870 --> 00:47:09,359

done years ago he must be like 30 years

1357

00:47:12,069 --> 00:47:10,880

old or something this is very cool

1358

00:47:13,910 --> 00:47:12,079

because you can go on youtube and just

1359

00:47:16,230 --> 00:47:13,920

jump from one documentary to another and

1360

00:47:17,829 --> 00:47:16,240

see the effects of 15 years it's true

1361

00:47:19,270 --> 00:47:17,839

and lori is an amazing character because

1362

00:47:20,950 --> 00:47:19,280

he has a huge part in this story and

1363

00:47:22,069 --> 00:47:20,960

he's been really a big ambassador in the

1364

00:47:23,829 --> 00:47:22,079

scene here

1365

00:47:26,390 --> 00:47:23,839

keeping the memory of what happened

1366

00:47:28,950 --> 00:47:26,400

alive and bringing it to people um i

1367

00:47:31,750 --> 00:47:28,960

actually did a documentary in 2012 about

1368

00:47:33,349 --> 00:47:31,760

the situation that never really

1369

00:47:34,710 --> 00:47:33,359

made it there was a kind of a battle

1370

00:47:36,870 --> 00:47:34,720

between the producers and we're still

1371

00:47:39,349 --> 00:47:36,880

trying to squeeze that out but just as a

1372

00:47:40,790 --> 00:47:39,359

funny note lori obviously has a really

1373

00:47:42,309 --> 00:47:40,800

strong

1374

00:47:44,470 --> 00:47:42,319

you know nova scotian southern nova

1375

00:47:45,910 --> 00:47:44,480

scotian accent and so in our particular

1376
00:47:48,550 --> 00:47:45,920
documentary we had the rumble of the

1377
00:47:50,150 --> 00:47:48,560
truck and laurie driving the truck with

1378
00:47:52,150 --> 00:47:50,160
his arm out with the timmy's and one

1379
00:47:53,670 --> 00:47:52,160
hand on the wheel and he's yelling in

1380
00:47:55,670 --> 00:47:53,680
his raspy voice and we actually had to

1381
00:47:57,270 --> 00:47:55,680
put subtitles throughout the entire

1382
00:47:59,430 --> 00:47:57,280
section just so that people could

1383
00:48:01,990 --> 00:47:59,440
understand what he was saying right

1384
00:48:04,390 --> 00:48:02,000
he's just a an amazing charismatic guy

1385
00:48:06,390 --> 00:48:04,400
who never sees this to amaze me yeah

1386
00:48:07,750 --> 00:48:06,400
well great hey thanks so much for

1387
00:48:10,230 --> 00:48:07,760
first of all saying you were listening

1388
00:48:12,470 --> 00:48:10,240

to the show and introducing yourself and

1389

00:48:14,950 --> 00:48:12,480

uh great to have you on so happy you

1390

00:48:17,109 --> 00:48:14,960

made the trip martin i'm a big fan boy

1391

00:48:18,950 --> 00:48:17,119

yeah well thank you and nice to meet you

1392

00:48:20,550 --> 00:48:18,960

nice to meet you as well

1393

00:48:23,589 --> 00:48:20,560

all i want to do is see a moose on the

1394

00:48:27,670 --> 00:48:25,510

um while we wait for the next guest i

1395

00:48:29,510 --> 00:48:27,680

want to present a gift to you martin a

1396

00:48:31,349 --> 00:48:29,520

gift yeah well i had plans to mail it to

1397

00:48:32,790 --> 00:48:31,359

you for christmas but since you're here

1398

00:48:35,349 --> 00:48:32,800

i figured what the hell how many years

1399

00:48:36,549 --> 00:48:35,359

ago um no this was for this year it was

1400

00:48:38,069 --> 00:48:36,559

going to be a christmas present but

1401
00:48:40,950 --> 00:48:38,079
since you're here and it was a christmas

1402
00:48:43,829 --> 00:48:40,960
present what it is it's a pair of socks

1403
00:48:45,670 --> 00:48:43,839
and it has a ufo abducting santa in the

1404
00:48:47,349 --> 00:48:45,680
reindeer

1405
00:48:49,109 --> 00:48:47,359
thanks for coming from maine for that

1406
00:48:51,030 --> 00:48:49,119
well thank you

1407
00:48:52,950 --> 00:48:51,040
i really really love them but i'll never

1408
00:48:55,270 --> 00:48:52,960
wear them no that's fine you hang them

1409
00:48:57,990 --> 00:48:55,280
on your wall just kidding yeah all right

1410
00:49:00,069 --> 00:48:58,000
all right so our next guest is coming up

1411
00:49:02,870 --> 00:49:00,079
uh oh we we're have a little bit of time

1412
00:49:05,670 --> 00:49:02,880
here don't we in about uh eight minutes

1413
00:49:08,390 --> 00:49:05,680

yeah we got peter at at 5 30. i'll tell

1414

00:49:11,750 --> 00:49:08,400

a little story while we wait and this is

1415

00:49:14,390 --> 00:49:11,760

um to talk to the investigative prowess

1416

00:49:16,470 --> 00:49:14,400

of chris styles so i i had on my show

1417

00:49:18,950 --> 00:49:16,480

the nighttime podcast i had covered the

1418

00:49:20,470 --> 00:49:18,960

shag harbor incident and i had laurie

1419

00:49:22,630 --> 00:49:20,480

and chris on the show and that was the

1420

00:49:25,670 --> 00:49:22,640

first time i had met chris uh and i was

1421

00:49:28,390 --> 00:49:25,680

so impressed with just his ability to

1422

00:49:30,470 --> 00:49:28,400

recall dates and names and ufo sightings

1423

00:49:32,309 --> 00:49:30,480

and whatnot he's just incredible

1424

00:49:34,470 --> 00:49:32,319

but then anyway i started covering an

1425

00:49:36,790 --> 00:49:34,480

unrelated story i was helping

1426

00:49:39,510 --> 00:49:36,800

a guy from a province next door in new

1427

00:49:42,230 --> 00:49:39,520

brunswick i was helping him investigate

1428

00:49:44,950 --> 00:49:42,240

the at the time unexplained death of his

1429

00:49:46,549 --> 00:49:44,960

of his grandfather uh in in the course

1430

00:49:49,109 --> 00:49:46,559

of going through basically that long

1431

00:49:51,829 --> 00:49:49,119

story short his grandfather died under

1432

00:49:53,510 --> 00:49:51,839

unusual circumstances at a military base

1433

00:49:55,430 --> 00:49:53,520

in the years that followed his family

1434

00:49:56,870 --> 00:49:55,440

have never got an answer as to what had

1435

00:49:59,829 --> 00:49:56,880

happened

1436

00:50:01,829 --> 00:49:59,839

but uh in covering that story we went

1437

00:50:03,349 --> 00:50:01,839

through a lot of documents that because

1438

00:50:05,349 --> 00:50:03,359

his grandmother had tried to sue the

1439

00:50:06,950 --> 00:50:05,359

federal government related to

1440

00:50:08,950 --> 00:50:06,960

an ambulance carrying the grandfather

1441

00:50:11,190 --> 00:50:08,960

that got hit by a train so just it got

1442

00:50:12,710 --> 00:50:11,200

really weird but in all of these reports

1443

00:50:14,309 --> 00:50:12,720

and these these documents from when the

1444

00:50:15,910 --> 00:50:14,319

grandmother was suing the government or

1445

00:50:18,470 --> 00:50:15,920

trying to sue the government it was

1446

00:50:20,069 --> 00:50:18,480

referencing her lawyer chris styles and

1447

00:50:21,510 --> 00:50:20,079

it was even saying chris styles of

1448

00:50:23,030 --> 00:50:21,520

dartmouth because whenever there was

1449

00:50:24,630 --> 00:50:23,040

these meetings that would say who was in

1450

00:50:26,710 --> 00:50:24,640

the meetings it was always she's

1451
00:50:28,630 --> 00:50:26,720
represented by chris styles of dartmouth

1452
00:50:30,069 --> 00:50:28,640
and chris styles is a unique name so i

1453
00:50:31,990 --> 00:50:30,079
mentioned to the guy that i was that's

1454
00:50:33,430 --> 00:50:32,000
investigating his granddad's siding i

1455
00:50:35,510 --> 00:50:33,440
was saying it's odd because you know two

1456
00:50:37,190 --> 00:50:35,520
months ago i had a chris styles from

1457
00:50:38,870 --> 00:50:37,200
dartmouth on my show he's a ufo

1458
00:50:40,710 --> 00:50:38,880
investigator and the guy's like you know

1459
00:50:43,109 --> 00:50:40,720
what's weird is i kind of remember my

1460
00:50:45,190 --> 00:50:43,119
uncle talking or my granddad talking

1461
00:50:48,549 --> 00:50:45,200
about a guy that they knew who was a ufo

1462
00:50:50,069 --> 00:50:48,559
investigator so i called chris stiles

1463
00:50:51,670 --> 00:50:50,079

he knew right away what i was talking

1464

00:50:53,589 --> 00:50:51,680
about and i'd asked if he had any

1465

00:50:54,710 --> 00:50:53,599
information on it and basically in the

1466

00:50:57,109 --> 00:50:54,720
course of

1467

00:50:58,870 --> 00:50:57,119
no amount of time chris styles had had

1468

00:51:01,270 --> 00:50:58,880
solved the whole things

1469

00:51:03,670 --> 00:51:01,280
uh he had chris styles had worked with

1470

00:51:05,270 --> 00:51:03,680
the uncle uh and knew where basically

1471

00:51:07,030 --> 00:51:05,280
all the documents that we needed were

1472

00:51:08,630 --> 00:51:07,040
and it was just bizarre to you know to

1473

00:51:10,790 --> 00:51:08,640
have him involved so chris styles isn't

1474

00:51:13,750 --> 00:51:10,800
only a ufo investigator he's also like

1475

00:51:16,470 --> 00:51:13,760
an amateur lawyer amateur sleuth bit of

1476

00:51:18,790 --> 00:51:16,480

everything right right

1477

00:51:21,430 --> 00:51:18,800

someone just said we have some questions

1478

00:51:22,950 --> 00:51:21,440

in the chat and i do i i may not be able

1479

00:51:25,829 --> 00:51:22,960

to pay a lot of attention to the

1480

00:51:28,390 --> 00:51:25,839

questions but i will try to answer any

1481

00:51:30,230 --> 00:51:28,400

that you have and it's probably best

1482

00:51:33,190 --> 00:51:30,240

when we have a guest up here

1483

00:51:34,470 --> 00:51:33,200

to uh actually ask a question then of

1484

00:51:36,390 --> 00:51:34,480

the guest

1485

00:51:39,030 --> 00:51:36,400

themselves if you could

1486

00:51:40,630 --> 00:51:39,040

and um so now we have our next guest

1487

00:51:42,790 --> 00:51:40,640

coming in

1488

00:51:45,030 --> 00:51:42,800

and uh

1489

00:51:46,870 --> 00:51:45,040

last night

1490

00:51:49,109 --> 00:51:46,880

why don't you introduce yeah so our next

1491

00:51:50,630 --> 00:51:49,119

guest was it was another one another one

1492

00:51:52,470 --> 00:51:50,640

of the eyewitnesses he was involved in

1493

00:51:53,990 --> 00:51:52,480

the witness panel we just came from and

1494

00:51:56,150 --> 00:51:54,000

i apologize if i get your last name

1495

00:51:57,750 --> 00:51:56,160

wrong because i only read it from all

1496

00:52:00,069 --> 00:51:57,760

the articles that you're interviewed in

1497

00:52:01,349 --> 00:52:00,079

is peter gorham is the pronunciation so

1498

00:52:03,190 --> 00:52:01,359

peter gorham was involved in the

1499

00:52:05,430 --> 00:52:03,200

eyewitness panel one of the eyewitnesses

1500

00:52:06,870 --> 00:52:05,440

that night so maybe to start peter if

1501
00:52:09,270 --> 00:52:06,880
you want to just tell us about your

1502
00:52:11,030 --> 00:52:09,280
involvement in the shag harbor incident

1503
00:52:13,349 --> 00:52:11,040
and just let us know maybe what you saw

1504
00:52:15,030 --> 00:52:13,359
that night and you know and how

1505
00:52:16,790 --> 00:52:15,040
what you saw fit in fits into the

1506
00:52:17,750 --> 00:52:16,800
broader story

1507
00:52:20,390 --> 00:52:17,760
okay

1508
00:52:22,069 --> 00:52:20,400
i was 13 years old i was 13 years old in

1509
00:52:24,230 --> 00:52:22,079
1967

1510
00:52:25,270 --> 00:52:24,240
i lived in a small community called bear

1511
00:52:27,030 --> 00:52:25,280
point

1512
00:52:28,630 --> 00:52:27,040
the population center at the time was

1513
00:52:30,790 --> 00:52:28,640

only about a third of what it is at

1514

00:52:32,710 --> 00:52:30,800

present day

1515

00:52:33,990 --> 00:52:32,720

back in 67 we didn't have paved roads or

1516

00:52:36,870 --> 00:52:34,000

street lights

1517

00:52:37,829 --> 00:52:36,880

uh or very many cars traveling back and

1518

00:52:39,589 --> 00:52:37,839

forth

1519

00:52:41,109 --> 00:52:39,599

uh i was laying in bed

1520

00:52:43,750 --> 00:52:41,119

on the very

1521

00:52:45,910 --> 00:52:43,760

early morning of the fifth of october

1522

00:52:47,670 --> 00:52:45,920

about 40 minutes after laurie wicken's

1523

00:52:49,829 --> 00:52:47,680

experience

1524

00:52:52,549 --> 00:52:49,839

and uh as i was laying awake i noticed

1525

00:52:54,470 --> 00:52:52,559

the uh the house lit up on the bedroom

1526

00:52:56,309 --> 00:52:54,480

side where i was sleeping

1527

00:52:57,589 --> 00:52:56,319

quite extensively

1528

00:53:00,549 --> 00:52:57,599

like a full moon coming out of the

1529

00:53:02,470 --> 00:53:00,559

clouds it just lit right up and uh

1530

00:53:04,710 --> 00:53:02,480

probably a little brighter than that and

1531

00:53:06,549 --> 00:53:04,720

it became stationary over the house for

1532

00:53:08,390 --> 00:53:06,559

roughly a half a minute

1533

00:53:10,069 --> 00:53:08,400

and uh

1534

00:53:11,589 --> 00:53:10,079

i was i slept with the bedroom window

1535

00:53:13,349 --> 00:53:11,599

open so i could hear everything and

1536

00:53:16,390 --> 00:53:13,359

there was no sound whatsoever not a not

1537

00:53:17,750 --> 00:53:16,400

a small one out of anytime

1538

00:53:19,270 --> 00:53:17,760

so i uh

1539

00:53:20,309 --> 00:53:19,280

i was kind of perplexed about this

1540

00:53:21,829 --> 00:53:20,319

because i figured it would be a

1541

00:53:24,069 --> 00:53:21,839

helicopter would be something to attach

1542

00:53:26,549 --> 00:53:24,079

to the light but there wasn't anything

1543

00:53:28,390 --> 00:53:26,559

no street lights no cars no nothing

1544

00:53:29,430 --> 00:53:28,400

and no full moon

1545

00:53:31,270 --> 00:53:29,440

so

1546

00:53:32,950 --> 00:53:31,280

i started to get up and as i did the

1547

00:53:34,790 --> 00:53:32,960

light started to move off

1548

00:53:36,069 --> 00:53:34,800

in the opposite direction that it came

1549

00:53:38,069 --> 00:53:36,079

from

1550

00:53:40,710 --> 00:53:38,079

more down range it was twice as long

1551

00:53:42,549 --> 00:53:40,720

leaving is what it was coming in

1552

00:53:44,549 --> 00:53:42,559

and uh so i figured i would catch the

1553

00:53:47,190 --> 00:53:44,559

lake before it disappeared but at the

1554

00:53:49,190 --> 00:53:47,200

time i was to exit the bedroom to go out

1555

00:53:50,069 --> 00:53:49,200

to the outside to look at the

1556

00:53:51,430 --> 00:53:50,079

light

1557

00:53:53,270 --> 00:53:51,440

as it was leaving

1558

00:53:55,670 --> 00:53:53,280

i noticed i could hear something in the

1559

00:53:57,589 --> 00:53:55,680

in the background coming from the same

1560

00:53:58,549 --> 00:53:57,599

trajectory as the light came from in the

1561

00:54:00,470 --> 00:53:58,559

beginning

1562

00:54:01,910 --> 00:54:00,480

from the northeast and i could hear this

1563

00:54:04,069 --> 00:54:01,920

whistling and tumbling like something

1564

00:54:05,670 --> 00:54:04,079

free falling from the sky all right

1565

00:54:07,750 --> 00:54:05,680

it was

1566

00:54:09,589 --> 00:54:07,760

it only took about 10 seconds 15 seconds

1567

00:54:11,270 --> 00:54:09,599

it was right on top of the house

1568

00:54:12,790 --> 00:54:11,280

so i froze there and the light was

1569

00:54:15,430 --> 00:54:12,800

fading at the same time so it was kind

1570

00:54:16,630 --> 00:54:15,440

of a betwixt in between on whether to go

1571

00:54:18,309 --> 00:54:16,640

outside or

1572

00:54:20,710 --> 00:54:18,319

dive underneath the bed because of the

1573

00:54:23,109 --> 00:54:20,720

fact that the sound was getting so loud

1574

00:54:24,549 --> 00:54:23,119

it was it was all erratic there was no

1575

00:54:26,470 --> 00:54:24,559

system to it it was just tumbling and

1576

00:54:27,910 --> 00:54:26,480

whistling and tumbling and listening

1577

00:54:29,430 --> 00:54:27,920

and i could tell that it was not

1578

00:54:31,030 --> 00:54:29,440

motorized or anything like that it was

1579

00:54:32,549 --> 00:54:31,040

just free falling

1580

00:54:34,069 --> 00:54:32,559

and it did sound like it was going to

1581

00:54:35,910 --> 00:54:34,079

hit the house so

1582

00:54:38,710 --> 00:54:35,920

but it went over the house

1583

00:54:40,630 --> 00:54:38,720

very quickly and i ran outside and when

1584

00:54:42,309 --> 00:54:40,640

i by time i got inside the light it just

1585

00:54:44,309 --> 00:54:42,319

faded off i couldn't tell anymore about

1586

00:54:47,190 --> 00:54:44,319

the light there was no sound it was just

1587

00:54:49,990 --> 00:54:47,200

same as nothing happened

1588

00:54:53,109 --> 00:54:50,000

uh apparently

1589

00:54:54,790 --> 00:54:53,119

apparently the next morning

1590

00:54:56,549 --> 00:54:54,800

a lighthouse keeper picked up an object

1591

00:54:58,950 --> 00:54:56,559

on the beach about a mile

1592

00:55:01,670 --> 00:54:58,960

or so off the shore in the same

1593

00:55:04,069 --> 00:55:01,680

trajectory as the noise was coming from

1594

00:55:06,870 --> 00:55:04,079

and the light had gone

1595

00:55:09,510 --> 00:55:06,880

but that wasn't became knowledge until

1596

00:55:11,990 --> 00:55:09,520

almost 30 years after

1597

00:55:13,670 --> 00:55:12,000

so we really didn't know anything uh to

1598

00:55:15,990 --> 00:55:13,680

almost 30 years after that there was an

1599

00:55:19,030 --> 00:55:16,000

object that landed on the beach wow so

1600

00:55:21,910 --> 00:55:19,040

30 years after yeah the guy denied that

1601
00:55:23,430 --> 00:55:21,920
the uh anything had happened and uh

1602
00:55:25,990 --> 00:55:23,440
he was protecting his own interests and

1603
00:55:27,349 --> 00:55:26,000
families interest uh his job so that's

1604
00:55:29,990 --> 00:55:27,359
understandable

1605
00:55:31,910 --> 00:55:30,000
uh but never nevertheless it was almost

1606
00:55:33,670 --> 00:55:31,920
30 years before we could find it that

1607
00:55:35,990 --> 00:55:33,680
was anything

1608
00:55:38,870 --> 00:55:36,000
that connection so you know and i came

1609
00:55:41,349 --> 00:55:38,880
forward in 2013 after 40 odd years

1610
00:55:43,670 --> 00:55:41,359
uh with my story in order to

1611
00:55:45,910 --> 00:55:43,680
mainly find out whether what the light

1612
00:55:47,510 --> 00:55:45,920
was and what the object was that the

1613
00:55:50,230 --> 00:55:47,520

landed on the island if i could find

1614

00:55:51,670 --> 00:55:50,240

that that's uh a big chunk of my bucket

1615

00:55:53,910 --> 00:55:51,680

list so

1616

00:55:57,030 --> 00:55:53,920

now did you hear about this incident

1617

00:55:58,950 --> 00:55:57,040

here you know prior to this 30 years uh

1618

00:56:00,950 --> 00:55:58,960

about the object on the on the beach

1619

00:56:02,549 --> 00:56:00,960

yeah i mean not at all

1620

00:56:06,870 --> 00:56:02,559

i didn't hear anything until i started

1621

00:56:08,630 --> 00:56:06,880

uh in the early 2002 or 2003 symposiums

1622

00:56:09,430 --> 00:56:08,640

uh when chris skyles and some of the

1623

00:56:11,990 --> 00:56:09,440

other

1624

00:56:14,150 --> 00:56:12,000

ufologists were coming in and uh

1625

00:56:16,069 --> 00:56:14,160

and having their symposiums and

1626

00:56:18,150 --> 00:56:16,079

everything here and talking about it i

1627

00:56:19,990 --> 00:56:18,160

figured i would come forward and i first

1628

00:56:21,589 --> 00:56:20,000

came there and wanted to gain

1629

00:56:23,109 --> 00:56:21,599

information to see you know

1630

00:56:25,829 --> 00:56:23,119

what they were all about

1631

00:56:27,109 --> 00:56:25,839

and i waited to 2013 to come forward

1632

00:56:30,230 --> 00:56:27,119

because i figured it was that point in

1633

00:56:32,390 --> 00:56:30,240

time that i would be able to

1634

00:56:34,789 --> 00:56:32,400

mainly get my some of my answers that i

1635

00:56:36,150 --> 00:56:34,799

wanted because they're a ufologist and

1636

00:56:37,910 --> 00:56:36,160

he had been

1637

00:56:40,390 --> 00:56:37,920

studying and

1638

00:56:41,990 --> 00:56:40,400

investigating this for almost 30 years

1639

00:56:43,430 --> 00:56:42,000

so i figured it would be the time to

1640

00:56:45,109 --> 00:56:43,440

come forward and

1641

00:56:46,630 --> 00:56:45,119

express my concerns and what i had

1642

00:56:47,990 --> 00:56:46,640

experienced and everything and see if i

1643

00:56:50,630 --> 00:56:48,000

could get to my answers that's all i

1644

00:56:51,910 --> 00:56:50,640

came forward for was to get the answers

1645

00:56:54,150 --> 00:56:51,920

because i mean when you set on something

1646

00:56:55,990 --> 00:56:54,160

for 40 odd years it kind of gets to you

1647

00:56:58,870 --> 00:56:56,000

and you you can't get the answers that

1648

00:57:00,870 --> 00:56:58,880

you want so you know

1649

00:57:02,950 --> 00:57:00,880

yeah uh you still really don't have an

1650

00:57:04,309 --> 00:57:02,960

answer though to you

1651
00:57:05,829 --> 00:57:04,319
not really but

1652
00:57:07,589 --> 00:57:05,839
every year we have a little bit more

1653
00:57:09,510 --> 00:57:07,599
information come in there's more pieces

1654
00:57:10,829 --> 00:57:09,520
to the puzzle whether they be small or

1655
00:57:13,030 --> 00:57:10,839
big that comes

1656
00:57:14,470 --> 00:57:13,040
in and uh

1657
00:57:17,030 --> 00:57:14,480
so i'm hoping that there will be a major

1658
00:57:20,710 --> 00:57:18,789
uh chris probably will be the one that

1659
00:57:21,990 --> 00:57:20,720
will break the story if anybody breaks

1660
00:57:24,549 --> 00:57:22,000
it because he has all the inside

1661
00:57:27,589 --> 00:57:24,559
information and documentation and also

1662
00:57:29,349 --> 00:57:27,599
his contacts um with these symposiums

1663
00:57:30,789 --> 00:57:29,359

that we have uh i would like to make

1664

00:57:33,270 --> 00:57:30,799

clear and i've always made this clear

1665

00:57:35,190 --> 00:57:33,280

that uh i have an open-minded person on

1666

00:57:37,829 --> 00:57:35,200

this and i encourage people to come

1667

00:57:39,670 --> 00:57:37,839

forward with information concerning uh

1668

00:57:41,430 --> 00:57:39,680

that event that

1669

00:57:42,870 --> 00:57:41,440

if they have any knowledge some have

1670

00:57:44,950 --> 00:57:42,880

already

1671

00:57:47,270 --> 00:57:44,960

none that had that would break the story

1672

00:57:49,190 --> 00:57:47,280

wide open or anything like that or

1673

00:57:49,910 --> 00:57:49,200

give me my answers that i don't want to

1674

00:57:52,950 --> 00:57:49,920

get

1675

00:57:55,109 --> 00:57:52,960

but i feel that it will come in time

1676

00:57:57,430 --> 00:57:55,119

now do you feel like this

1677

00:57:59,670 --> 00:57:57,440

the event that happened to you did that

1678

00:58:01,910 --> 00:57:59,680

change your life in any type of way

1679

00:58:03,670 --> 00:58:01,920

your outlook about

1680

00:58:06,150 --> 00:58:03,680

possibilities

1681

00:58:07,510 --> 00:58:06,160

i've always figured over the years that

1682

00:58:09,750 --> 00:58:07,520

this might have been possibilities out

1683

00:58:12,470 --> 00:58:09,760

there but most recently in this last 10

1684

00:58:15,190 --> 00:58:12,480

12 years with the uh

1685

00:58:18,150 --> 00:58:15,200

space exploration and all the drones and

1686

00:58:22,069 --> 00:58:20,390

trips to uh to the other inner planet

1687

00:58:23,349 --> 00:58:22,079

system and everything with with the

1688

00:58:25,109 --> 00:58:23,359

different satellites and everything

1689

00:58:27,430 --> 00:58:25,119

there's more information coming back in

1690

00:58:29,109 --> 00:58:27,440

worldwide

1691

00:58:30,870 --> 00:58:29,119

there's more people involved in this

1692

00:58:32,150 --> 00:58:30,880

phenomenon now

1693

00:58:34,789 --> 00:58:32,160

it's not a

1694

00:58:36,710 --> 00:58:34,799

open and closed in situation people have

1695

00:58:37,670 --> 00:58:36,720

been increasingly interested in the

1696

00:58:40,309 --> 00:58:37,680

space

1697

00:58:42,309 --> 00:58:40,319

and and the planets and and uh you know

1698

00:58:46,150 --> 00:58:42,319

uh maybe extraterrestrial life and so on

1699

00:58:47,589 --> 00:58:46,160

so forth i don't know for sure but uh

1700

00:58:49,829 --> 00:58:47,599

there's more information coming in all

1701
00:58:52,309 --> 00:58:49,839
the time so uh more people i think

1702
00:58:53,620 --> 00:58:52,319
believe i have open mind on this and

1703
00:58:54,710 --> 00:58:53,630
that's why

1704
00:58:56,870 --> 00:58:54,720
[Music]

1705
00:58:58,870 --> 00:58:56,880
wow

1706
00:59:01,430 --> 00:58:58,880
doing live show

1707
00:59:04,230 --> 00:59:01,440
no editing here well yeah

1708
00:59:07,190 --> 00:59:04,240
yeah but that's my perspective on it um

1709
00:59:08,710 --> 00:59:07,200
i'm working with this bunch and uh we we

1710
00:59:10,789 --> 00:59:08,720
seem to be gaining ground quite a bit

1711
00:59:12,630 --> 00:59:10,799
especially this year here uh trying to

1712
00:59:14,150 --> 00:59:12,640
get the information out and uh like i

1713
00:59:16,150 --> 00:59:14,160

say we would like to

1714

00:59:18,309 --> 00:59:16,160

encourage people to come forward uh to

1715

00:59:19,430 --> 00:59:18,319

chris especially because he and graham

1716

00:59:21,030 --> 00:59:19,440

uh to

1717

00:59:23,270 --> 00:59:21,040

express their uh

1718

00:59:26,710 --> 00:59:23,280

knowledge and that they had experiences

1719

00:59:30,870 --> 00:59:29,670

is uh is graham here

1720

00:59:34,789 --> 00:59:30,880

he's gone

1721

00:59:37,190 --> 00:59:34,799

oh okay all right um if he comes back um

1722

00:59:39,829 --> 00:59:37,200

we'd like to talk to him a little bit

1723

00:59:41,910 --> 00:59:39,839

uh did you have a question

1724

00:59:43,190 --> 00:59:41,920

could you just talk about how how this

1725

00:59:46,069 --> 00:59:43,200

because you've been involved in the

1726
00:59:47,589 --> 00:59:46,079
last six or seven you know ufo festivals

1727
00:59:49,510 --> 00:59:47,599
here how does this year with it being

1728
00:59:50,870 --> 00:59:49,520
the 50th compared to the prior years

1729
00:59:52,870 --> 00:59:50,880
that you've been involved in

1730
00:59:54,950 --> 00:59:52,880
well this is a major jump this year uh

1731
00:59:57,270 --> 00:59:54,960
we planned this a little bit more and we

1732
00:59:58,630 --> 00:59:57,280
got more people involved uh my work put

1733
01:00:00,390 --> 00:59:58,640
a neck out on the line on this because

1734
01:00:02,150 --> 01:00:00,400
we're limited on the budget that we have

1735
01:00:03,829 --> 01:00:02,160
and we're basically it looks like it's

1736
01:00:06,230 --> 01:00:03,839
going to be very successful

1737
01:00:08,870 --> 01:00:06,240
we've had a lot of turnout and we're

1738
01:00:10,789 --> 01:00:08,880

only halfway through right now

1739

01:00:13,589 --> 01:00:10,799

we have another we have more activity

1740

01:00:14,549 --> 01:00:13,599

coming on sunday more

1741

01:00:16,309 --> 01:00:14,559

events

1742

01:00:17,670 --> 01:00:16,319

so we'll assess it at the end of the

1743

01:00:19,589 --> 01:00:17,680

season and

1744

01:00:21,510 --> 01:00:19,599

plan for next year earlier than we did

1745

01:00:23,109 --> 01:00:21,520

this year

1746

01:00:25,270 --> 01:00:23,119

we got more members now a few more

1747

01:00:26,789 --> 01:00:25,280

members that's

1748

01:00:28,710 --> 01:00:26,799

and people that's helping us right now

1749

01:00:31,910 --> 01:00:28,720

but we could use more help volunteer

1750

01:00:33,430 --> 01:00:31,920

work we're in a limited uh

1751

01:00:36,069 --> 01:00:33,440

amount of people here in this area

1752

01:00:37,510 --> 01:00:36,079

limited amount of the population so

1753

01:00:38,789 --> 01:00:37,520

halifax or something where we could

1754

01:00:40,789 --> 01:00:38,799

probably get two or three hundred people

1755

01:00:43,349 --> 01:00:40,799

if we wanted to we just can't get that

1756

01:00:45,030 --> 01:00:43,359

many hair but that's

1757

01:00:46,230 --> 01:00:45,040

i think we've we've made some big games

1758

01:00:47,589 --> 01:00:46,240

this year

1759

01:00:48,630 --> 01:00:47,599

we'll we'll assess it at the end of the

1760

01:00:51,190 --> 01:00:48,640

season

1761

01:00:52,950 --> 01:00:51,200

i know our uh count on on the books is

1762

01:00:54,950 --> 01:00:52,960

almost doubled

1763

01:00:57,040 --> 01:00:54,960

well that's good 100

1764

01:00:58,309 --> 01:00:57,050

but lori will probably say that it's now

1765

01:00:59,829 --> 01:00:58,319

[Music]

1766

01:01:00,789 --> 01:00:59,839

it's probably a little bit the same

1767

01:01:02,549 --> 01:01:00,799

power but

1768

01:01:04,549 --> 01:01:02,559

i think it's quite a bit

1769

01:01:06,230 --> 01:01:04,559

now what about um the other sightings

1770

01:01:08,950 --> 01:01:06,240

that people have here have you been

1771

01:01:11,030 --> 01:01:08,960

paying attention to that um

1772

01:01:13,750 --> 01:01:11,040

other than the event that happened in 67

1773

01:01:15,670 --> 01:01:13,760

um no not really because uh

1774

01:01:17,430 --> 01:01:15,680

it centers around the 67 event but i

1775

01:01:19,589 --> 01:01:17,440

know this i've heard rumors that there's

1776

01:01:21,750 --> 01:01:19,599

been things other things just a few

1777

01:01:23,190 --> 01:01:21,760

years later or earlier than that or

1778

01:01:25,270 --> 01:01:23,200

around that time

1779

01:01:28,150 --> 01:01:25,280

but there's been no substantial

1780

01:01:30,470 --> 01:01:28,160

evidence or follow-up on that so i can't

1781

01:01:33,270 --> 01:01:30,480

really express my concern on that

1782

01:01:37,190 --> 01:01:33,280

has this has this experience had you

1783

01:01:39,910 --> 01:01:37,200

look into ufos in general

1784

01:01:40,789 --> 01:01:39,920

no there's enough media stuff around and

1785

01:01:45,349 --> 01:01:40,799

uh

1786

01:01:46,870 --> 01:01:45,359

that i don't really have to go looking

1787

01:01:48,630 --> 01:01:46,880

for it i mean

1788

01:01:50,309 --> 01:01:48,640

you can pick up a paper or any day and

1789

01:01:52,630 --> 01:01:50,319

see that they found a new planet system

1790

01:01:54,789 --> 01:01:52,640

or something going on and then we got a

1791

01:01:56,950 --> 01:01:54,799

ellen musk down south of the border

1792

01:01:59,190 --> 01:01:56,960

there he's trying to develop space

1793

01:02:02,309 --> 01:01:59,200

travel too and

1794

01:02:06,230 --> 01:02:05,109

on people's minds even back in 67 some

1795

01:02:08,069 --> 01:02:06,240

to some degree but it's been

1796

01:02:09,910 --> 01:02:08,079

increasingly so as the years progressed

1797

01:02:11,109 --> 01:02:09,920

and the technology progresses

1798

01:02:12,390 --> 01:02:11,119

um

1799

01:02:15,190 --> 01:02:12,400

and this uh

1800

01:02:16,710 --> 01:02:15,200

it spans like i say 50 years and is

1801
01:02:19,670 --> 01:02:16,720
we have people from all the world come

1802
01:02:21,990 --> 01:02:19,680
in this museum in all ages really yeah

1803
01:02:24,470 --> 01:02:22,000
we've had even kids come in uh doing

1804
01:02:25,750 --> 01:02:24,480
science projects and uh so you know it's

1805
01:02:27,910 --> 01:02:25,760
and then we have people coming in here

1806
01:02:30,069 --> 01:02:27,920
just

1807
01:02:32,710 --> 01:02:30,079
been in the military probably 80 90

1808
01:02:36,069 --> 01:02:32,720
years old that had experiences so it

1809
01:02:38,230 --> 01:02:36,079
covers the whole gamut of

1810
01:02:39,589 --> 01:02:38,240
age groups generations and stuff it

1811
01:02:40,870 --> 01:02:39,599
spans the whole way there's no one

1812
01:02:42,630 --> 01:02:40,880
generation

1813
01:02:44,069 --> 01:02:42,640

story it spans the whole thing it's

1814

01:02:45,910 --> 01:02:44,079

still ongoing

1815

01:02:47,270 --> 01:02:45,920

now do you have any people coming here

1816

01:02:49,589 --> 01:02:47,280

specifically

1817

01:02:51,589 --> 01:02:49,599

to do any research on shag harbors as

1818

01:02:53,030 --> 01:02:51,599

far as you know uh not that i know chris

1819

01:02:54,950 --> 01:02:53,040

would have more insight on that because

1820

01:02:57,510 --> 01:02:54,960

he's a contact person following up on

1821

01:02:59,589 --> 01:02:57,520

this story any any major uh contact safe

1822

01:03:01,990 --> 01:02:59,599

to move on or

1823

01:03:03,270 --> 01:03:02,000

i expect after this this uh symposium

1824

01:03:04,230 --> 01:03:03,280

there may be

1825

01:03:08,950 --> 01:03:04,240

yeah

1826
01:03:10,789 --> 01:03:08,960
handling that we get some uh calls and

1827
01:03:12,630 --> 01:03:10,799
stuff uh because of the events and stuff

1828
01:03:14,390 --> 01:03:12,640
that's going on here uh

1829
01:03:16,470 --> 01:03:14,400
but like again i say this this is more

1830
01:03:18,470 --> 01:03:16,480
exposure with the multimedia and the

1831
01:03:20,069 --> 01:03:18,480
social media and everything that is

1832
01:03:22,870 --> 01:03:20,079
probably gonna we're gonna see about an

1833
01:03:24,789 --> 01:03:22,880
increase i'm sure that yeah

1834
01:03:26,309 --> 01:03:24,799
excellent well thank you so much it's

1835
01:03:27,910 --> 01:03:26,319
been a real pleasure

1836
01:03:37,029 --> 01:03:27,920
all right thanks

1837
01:03:41,670 --> 01:03:39,829
all right so our next guest will be

1838
01:03:44,390 --> 01:03:41,680

along hopefully he'll be alone it'll be

1839

01:03:46,870 --> 01:03:44,400

another 10 minutes time yeah

1840

01:03:50,710 --> 01:03:46,880

paul he's right there yeah thank you

1841

01:03:52,309 --> 01:03:50,720

uh paul kimball now paul was on my show

1842

01:03:54,470 --> 01:03:52,319

before

1843

01:03:57,190 --> 01:03:54,480

yeah this is a long time ago yeah but i

1844

01:03:59,029 --> 01:03:57,200

mean it was so memorable he doesn't even

1845

01:04:01,029 --> 01:03:59,039

remember i don't think

1846

01:04:01,910 --> 01:04:01,039

i remember listening to that one there

1847

01:04:04,390 --> 01:04:01,920

you go

1848

01:04:06,789 --> 01:04:04,400

it happened oh you remember huh

1849

01:04:09,510 --> 01:04:06,799

all right

1850

01:04:11,349 --> 01:04:09,520

um so paul be coming right along yep

1851
01:04:13,430 --> 01:04:11,359
joining us

1852
01:04:15,589 --> 01:04:13,440
i'm just looking up to see

1853
01:04:16,710 --> 01:04:15,599
when i had him on

1854
01:04:18,470 --> 01:04:16,720
have a seat

1855
01:04:22,309 --> 01:04:18,480
right here paul

1856
01:04:27,430 --> 01:04:23,510
oh my

1857
01:04:29,430 --> 01:04:27,440
all my preparation um didn't uh didn't

1858
01:04:32,789 --> 01:04:29,440
help me forget my microphone but luckily

1859
01:04:35,270 --> 01:04:32,799
we're coming oh i remember you now paul

1860
01:04:36,230 --> 01:04:35,280
he's googling when you're on the show

1861
01:04:38,950 --> 01:04:36,240
yeah

1862
01:04:40,309 --> 01:04:38,960
uh yours i feel special

1863
01:04:41,670 --> 01:04:40,319

i know i felt special when you didn't

1864

01:04:43,910 --> 01:04:41,680

remember me either

1865

01:04:46,470 --> 01:04:43,920

that's good when was i on tit for tat as

1866

01:04:49,270 --> 01:04:46,480

they say um that was uh

1867

01:04:50,630 --> 01:04:49,280

you were episode 188 so almost 100

1868

01:04:52,390 --> 01:04:50,640

episodes ago

1869

01:04:55,589 --> 01:04:52,400

and let me just uh

1870

01:04:58,630 --> 01:04:55,599

pull you up for a date february 4th

1871

01:05:00,230 --> 01:04:58,640

uh 2016. it wasn't that long ago you

1872

01:05:01,589 --> 01:05:00,240

used a really good photo i like that

1873

01:05:04,150 --> 01:05:01,599

that's nice yeah i look good there

1874

01:05:07,029 --> 01:05:04,160

that's right it's a hero pose all right

1875

01:05:09,750 --> 01:05:07,039

so hey uh welcome to the show and uh

1876

01:05:10,710 --> 01:05:09,760

okay yeah we can see you that's good um

1877

01:05:12,789 --> 01:05:10,720

so

1878

01:05:15,589 --> 01:05:12,799

you're you have if i remember right you

1879

01:05:16,710 --> 01:05:15,599

have more of a skeptical mind on a lot

1880

01:05:17,910 --> 01:05:16,720

of things

1881

01:05:19,829 --> 01:05:17,920

what do you think about this whole

1882

01:05:21,510 --> 01:05:19,839

incident in particular love the shag

1883

01:05:25,109 --> 01:05:21,520

harbor incident um

1884

01:05:26,390 --> 01:05:25,119

somebody asked me about a week ago

1885

01:05:28,549 --> 01:05:26,400

because i had written something

1886

01:05:29,589 --> 01:05:28,559

revisiting the top 10 ufo cases film

1887

01:05:32,470 --> 01:05:29,599

that i'd done

1888

01:05:33,910 --> 01:05:32,480

10 years ago actually and said well

1889

01:05:35,670 --> 01:05:33,920

which of these cases do you think are

1890

01:05:37,670 --> 01:05:35,680

still valid which of these cases do you

1891

01:05:39,829 --> 01:05:37,680

have less confidence in now

1892

01:05:41,109 --> 01:05:39,839

and i said well look this one i think i

1893

01:05:42,470 --> 01:05:41,119

always thought was a hoax but it was

1894

01:05:44,230 --> 01:05:42,480

voted in this one i think has been

1895

01:05:45,190 --> 01:05:44,240

explained somebody took a crack at this

1896

01:05:48,630 --> 01:05:45,200

one

1897

01:05:50,870 --> 01:05:48,640

stick that i think still remains

1898

01:05:53,190 --> 01:05:50,880

unexplained it has

1899

01:05:54,630 --> 01:05:53,200

everything that a good investigator and

1900

01:05:56,390 --> 01:05:54,640

i don't necessarily mean a ufo

1901

01:05:58,390 --> 01:05:56,400

investigator i mean a good police

1902

01:05:59,750 --> 01:05:58,400

officer a good lawyer or a good

1903

01:06:01,109 --> 01:05:59,760

historian who

1904

01:06:03,190 --> 01:06:01,119

would be examining what they would be

1905

01:06:05,750 --> 01:06:03,200

examining would love to have this kind

1906

01:06:06,710 --> 01:06:05,760

of stuff multiple witnesses seeing

1907

01:06:07,670 --> 01:06:06,720

things

1908

01:06:09,510 --> 01:06:07,680

uh

1909

01:06:11,109 --> 01:06:09,520

in different places independently of

1910

01:06:14,549 --> 01:06:11,119

each other and then sort of their

1911

01:06:16,230 --> 01:06:14,559

stories don't completely match 100

1912

01:06:18,390 --> 01:06:16,240

because you never want that that seems

1913

01:06:19,910 --> 01:06:18,400

that that's always a sign of a cook-up

1914

01:06:21,670 --> 01:06:19,920

but their stories match in all the

1915

01:06:24,470 --> 01:06:21,680

important respects

1916

01:06:26,230 --> 01:06:24,480

and then you have official undocumented

1917

01:06:27,829 --> 01:06:26,240

government involvement now maybe it's a

1918

01:06:29,270 --> 01:06:27,839

lot more than

1919

01:06:30,950 --> 01:06:29,280

we think it is in the whole shelburne

1920

01:06:32,150 --> 01:06:30,960

thing that chris talks about but if you

1921

01:06:33,750 --> 01:06:32,160

just look at the shag harbor story

1922

01:06:36,150 --> 01:06:33,760

there's no question there were rcmp

1923

01:06:39,750 --> 01:06:36,160

officers there the military took a look

1924

01:06:41,670 --> 01:06:39,760

at it this is a it's a really good ufo

1925

01:06:43,430 --> 01:06:41,680

case and i was on

1926

01:06:45,589 --> 01:06:43,440

a local radio show in halifax the other

1927

01:06:47,589 --> 01:06:45,599

day and they said well case you talk

1928

01:06:49,910 --> 01:06:47,599

about it like it's the law and it's

1929

01:06:52,150 --> 01:06:49,920

evidence i said this is evidence

1930

01:06:53,589 --> 01:06:52,160

witnesses are evidence them telling

1931

01:06:56,150 --> 01:06:53,599

their stories do i think it's space

1932

01:06:58,710 --> 01:06:56,160

aliens from zeta reticuli no do i think

1933

01:07:00,789 --> 01:06:58,720

it's possible yes it's unexplained it's

1934

01:07:03,510 --> 01:07:00,799

unknown but it's still a really good

1935

01:07:05,750 --> 01:07:03,520

case and i wish i was on an american

1936

01:07:07,190 --> 01:07:05,760

show and i said i wish you guys i wish

1937

01:07:08,230 --> 01:07:07,200

folks would just stop talking about

1938

01:07:14,630 --> 01:07:08,240

roswell

1939

01:07:16,870 --> 01:07:14,640

have a case from 1967 and actually you

1940

01:07:18,549 --> 01:07:16,880

know what it's it's not national pride

1941

01:07:20,710 --> 01:07:18,559

or rah-rah canada or anything i just

1942

01:07:22,150 --> 01:07:20,720

think it's a better evidential case and

1943

01:07:24,309 --> 01:07:22,160

unlike roswell where a lot of the

1944

01:07:27,270 --> 01:07:24,319

witnesses have either recanted or been

1945

01:07:30,390 --> 01:07:27,280

shown to be hoaxers or you know the case

1946

01:07:32,789 --> 01:07:30,400

is slowly collapsed i think shag harbor

1947

01:07:34,470 --> 01:07:32,799

just just keeps getting stronger

1948

01:07:37,029 --> 01:07:34,480

and the more you look into it the

1949

01:07:38,069 --> 01:07:37,039

stronger it gets so i i think it's one

1950

01:07:40,630 --> 01:07:38,079

of the

1951

01:07:42,870 --> 01:07:40,640

you know best ufo cases on record not

1952

01:07:44,870 --> 01:07:42,880

just in canada but around the world and

1953

01:07:46,870 --> 01:07:44,880

it's nice to see a really good group of

1954

01:07:48,309 --> 01:07:46,880

people come out and celebrate the 50th

1955

01:07:51,190 --> 01:07:48,319

anniversary of the case

1956

01:07:54,630 --> 01:07:52,710

i'm just going to ask we'll get into

1957

01:07:57,109 --> 01:07:54,640

your personal background a bit i

1958

01:07:58,549 --> 01:07:57,119

understand you involved in politics as

1959

01:08:00,710 --> 01:07:58,559

well and i just wonder how your

1960

01:08:02,230 --> 01:08:00,720

association with the ufo phenomenon in

1961

01:08:03,670 --> 01:08:02,240

shag harbor how that affects your

1962

01:08:06,309 --> 01:08:03,680

professional career as a you know a

1963

01:08:10,150 --> 01:08:08,390

i was a politician for 15 minutes and a

1964

01:08:11,750 --> 01:08:10,160

cup of coffee i'm unlike the guy who

1965

01:08:13,990 --> 01:08:11,760

gets called up in september in major

1966

01:08:15,910 --> 01:08:14,000

league baseball and you know plays eight

1967

01:08:18,390 --> 01:08:15,920

games and hits 170 and you never hear

1968

01:08:21,269 --> 01:08:18,400

from again i ran in the last provincial

1969

01:08:23,030 --> 01:08:21,279

election i finished second uh in writing

1970

01:08:25,829 --> 01:08:23,040

where my party hadn't finished

1971

01:08:29,430 --> 01:08:25,839

second in 15 years they've been in third

1972

01:08:30,870 --> 01:08:29,440

place for years so you know i did better

1973

01:08:32,229 --> 01:08:30,880

somebody a guy named rich reynolds in

1974

01:08:34,550 --> 01:08:32,239

the united states wrote a column paul

1975

01:08:36,229 --> 01:08:34,560

kimball lost his election

1976

01:08:37,189 --> 01:08:36,239

because of his ufo

1977

01:08:39,430 --> 01:08:37,199

interests

1978

01:08:42,149 --> 01:08:39,440

no paul kimball lost the election

1979

01:08:43,749 --> 01:08:42,159

because my party lost the election and i

1980

01:08:46,550 --> 01:08:43,759

was running in a riding that's been a

1981

01:08:48,149 --> 01:08:46,560

liberal party riding for uh 15 years i

1982

01:08:49,749 --> 01:08:48,159

did better than any candidate for my

1983

01:08:51,749 --> 01:08:49,759

party has done in 15 years i did pretty

1984

01:08:53,269 --> 01:08:51,759

good the party's happy with me and my

1985

01:08:56,070 --> 01:08:53,279

showing but i didn't lose because of

1986

01:08:57,829 --> 01:08:56,080

ufos nobody wanted to talk to me about

1987

01:08:59,510 --> 01:08:57,839

ufos when i'd knock on the door it'd be

1988

01:09:01,829 --> 01:08:59,520

like healthcare or whatever

1989

01:09:03,590 --> 01:09:01,839

anybody who was aware of my interest in

1990

01:09:05,349 --> 01:09:03,600

ufos or my

1991

01:09:07,189 --> 01:09:05,359

ghost hunting tv shows or any of that

1992

01:09:08,390 --> 01:09:07,199

sort of stuff i thought it was really

1993

01:09:09,189 --> 01:09:08,400

really cool

1994

01:09:11,510 --> 01:09:09,199

so

1995

01:09:14,309 --> 01:09:11,520

i when the party asked me to run

1996

01:09:16,309 --> 01:09:14,319

i said look you you understand like i

1997

01:09:18,229 --> 01:09:16,319

just think like a politician this could

1998

01:09:19,990 --> 01:09:18,239

be maybe a problem michael stan

1999

01:09:21,749 --> 01:09:20,000

friedman's my uncle he's off to talk to

2000

01:09:24,070 --> 01:09:21,759

about the laughter curtain yeah and i

2001
01:09:26,390 --> 01:09:24,080
said look laughter curtain are you sure

2002
01:09:28,470 --> 01:09:26,400
you're okay with this and they said

2003
01:09:30,070 --> 01:09:28,480
yeah not only were okay like this is

2004
01:09:31,269 --> 01:09:30,080
really cool can we go out and you know

2005
01:09:32,870 --> 01:09:31,279
have a beer with you sometime we just

2006
01:09:34,550 --> 01:09:32,880
want to talk to you about ufos and

2007
01:09:36,470 --> 01:09:34,560
ghosts and stuff like that i mean chris

2008
01:09:39,030 --> 01:09:36,480
dontrems who's the local member of the

2009
01:09:41,189 --> 01:09:39,040
legislative assembly here in this riding

2010
01:09:43,430 --> 01:09:41,199
was at the shag harbor

2011
01:09:45,749 --> 01:09:43,440
lectures this morning so a member of my

2012
01:09:47,349 --> 01:09:45,759
party popeye said hello did the

2013
01:09:48,870 --> 01:09:47,359

constituency thing but stuck around and

2014

01:09:51,749 --> 01:09:48,880

listened to some of the lectures there

2015

01:09:54,070 --> 01:09:51,759

there is no laughter curtain uh it's not

2016

01:09:56,310 --> 01:09:54,080

a detriment to your political career

2017

01:09:58,070 --> 01:09:56,320

people don't base their voting choices

2018

01:10:00,790 --> 01:09:58,080

on whether or not you have an interest

2019

01:10:02,709 --> 01:10:00,800

in the paranormal or something like that

2020

01:10:05,110 --> 01:10:02,719

from from an academic point of view like

2021

01:10:07,430 --> 01:10:05,120

i do from a a cultural point of view a

2022

01:10:09,590 --> 01:10:07,440

folklore point of view now if i was

2023

01:10:11,510 --> 01:10:09,600

dressing up as a space alien every time

2024

01:10:13,030 --> 01:10:11,520

i went someplace like there's a space

2025

01:10:14,550 --> 01:10:13,040

alien yeah we have one somewhere back

2026

01:10:17,030 --> 01:10:14,560

here and you know if i said something

2027

01:10:18,950 --> 01:10:17,040

like i can prove that there's 84 species

2028

01:10:20,470 --> 01:10:18,960

of of space aliens different species

2029

01:10:22,790 --> 01:10:20,480

visiting earth and abducting humans and

2030

01:10:24,950 --> 01:10:22,800

cows and all that stuff that that might

2031

01:10:26,630 --> 01:10:24,960

have been a different story but if you

2032

01:10:29,030 --> 01:10:26,640

if you take a sensible interest in the

2033

01:10:31,590 --> 01:10:29,040

subject and you find it interesting uh

2034

01:10:33,189 --> 01:10:31,600

particularly in nova scotia where so

2035

01:10:34,790 --> 01:10:33,199

much and it's like maine in the united

2036

01:10:36,470 --> 01:10:34,800

states and some of those areas where so

2037

01:10:38,470 --> 01:10:36,480

much of our history is based on things

2038

01:10:41,189 --> 01:10:38,480

like ghosts and forerunners and will of

2039

01:10:43,750 --> 01:10:41,199

the wisps and it's built into who we are

2040

01:10:45,510 --> 01:10:43,760

our storytelling dna so there's a very

2041

01:10:47,510 --> 01:10:45,520

famous folklorist helen creighton who

2042

01:10:49,590 --> 01:10:47,520

wrote a book called blue knows ghosts

2043

01:10:51,990 --> 01:10:49,600

and i never get any guff for being you

2044

01:10:53,990 --> 01:10:52,000

know run doing a ghost investigating tv

2045

01:10:55,270 --> 01:10:54,000

show doesn't cause me a problem in fact

2046

01:10:57,270 --> 01:10:55,280

people say will you come look at our

2047

01:10:59,030 --> 01:10:57,280

house we come look at our museum we come

2048

01:11:01,350 --> 01:10:59,040

here we come here because it's part of

2049

01:11:03,590 --> 01:11:01,360

who we are so no not not a problem at

2050

01:11:05,270 --> 01:11:03,600

all in my brief call up to the political

2051
01:11:07,590 --> 01:11:05,280
world and now i'm happily back to being

2052
01:11:09,510 --> 01:11:07,600
a film producer and director so

2053
01:11:11,510 --> 01:11:09,520
and do you have anything in the what

2054
01:11:13,030 --> 01:11:11,520
type of films

2055
01:11:15,510 --> 01:11:13,040
do you do

2056
01:11:17,430 --> 01:11:15,520
i i began my career doing documentary

2057
01:11:18,950 --> 01:11:17,440
television uh

2058
01:11:20,709 --> 01:11:18,960
documentaries for television and tv

2059
01:11:22,870 --> 01:11:20,719
series on a wide range of subjects so i

2060
01:11:25,270 --> 01:11:22,880
did a lot of ufo related films

2061
01:11:26,709 --> 01:11:25,280
no question about that but i did two

2062
01:11:28,630 --> 01:11:26,719
seasons of a series about classical

2063
01:11:30,950 --> 01:11:28,640

music in canada i did documentaries

2064

01:11:33,430 --> 01:11:30,960

about pro wrestling and blues music and

2065

01:11:35,750 --> 01:11:33,440

a wide panoply of stuff and then i moved

2066

01:11:37,910 --> 01:11:35,760

into making feature films so i made four

2067

01:11:40,870 --> 01:11:37,920

feature films uh three that i'll admit

2068

01:11:42,229 --> 01:11:40,880

to one that no one will ever see and

2069

01:11:43,669 --> 01:11:42,239

now i sort of i haven't given up on

2070

01:11:46,229 --> 01:11:43,679

feature films but i've moved back to

2071

01:11:47,669 --> 01:11:46,239

television um so we're doing a show we

2072

01:11:49,750 --> 01:11:47,679

have three television series that we're

2073

01:11:51,270 --> 01:11:49,760

filming over the next six months so for

2074

01:11:53,270 --> 01:11:51,280

anyone who thinks i just do ufos or

2075

01:11:55,270 --> 01:11:53,280

whatever one is on ghost investigating

2076

01:11:57,669 --> 01:11:55,280

and i'm one of the hosts one is on

2077

01:11:59,350 --> 01:11:57,679

stand-up comedy and the other one is on

2078

01:12:01,110 --> 01:11:59,360

craft breweries and cideries and

2079

01:12:02,790 --> 01:12:01,120

distilleries in nova scotia so you know

2080

01:12:04,709 --> 01:12:02,800

it's a wide range of that's what any

2081

01:12:06,630 --> 01:12:04,719

producer director does the great thing

2082

01:12:08,470 --> 01:12:06,640

for me is i get i'm interested in all

2083

01:12:10,950 --> 01:12:08,480

three of those things i get a chance to

2084

01:12:12,550 --> 01:12:10,960

do things i'm interested in so somebody

2085

01:12:14,709 --> 01:12:12,560

once said oh you do the ufo thing or the

2086

01:12:16,229 --> 01:12:14,719

ghost thing for money right no i'm i'm

2087

01:12:18,149 --> 01:12:16,239

glad i get paid

2088

01:12:19,830 --> 01:12:18,159

and paid well to do it but there's a lot

2089

01:12:21,430 --> 01:12:19,840

of things i won't do for money the only

2090

01:12:23,189 --> 01:12:21,440

way i'll work on a project is if i'm

2091

01:12:25,590 --> 01:12:23,199

actually interested in the subject

2092

01:12:27,910 --> 01:12:25,600

matter and i find ufos and ghosts and

2093

01:12:30,630 --> 01:12:27,920

all this paranormal stuff interesting

2094

01:12:31,990 --> 01:12:30,640

because the possibilities of what it

2095

01:12:33,910 --> 01:12:32,000

might be

2096

01:12:35,350 --> 01:12:33,920

represents a really fascinating

2097

01:12:37,430 --> 01:12:35,360

conversation that human beings can have

2098

01:12:39,350 --> 01:12:37,440

with each other about our own sort of

2099

01:12:40,790 --> 01:12:39,360

existence our place in the universe or

2100

01:12:42,550 --> 01:12:40,800

with ghosts you know our ext what

2101

01:12:44,390 --> 01:12:42,560

happens to us after we die that kind of

2102

01:12:46,070 --> 01:12:44,400

existential question these are big

2103

01:12:48,310 --> 01:12:46,080

ticket items that we think about and

2104

01:12:50,470 --> 01:12:48,320

talk about all the time i just frame it

2105

01:12:51,910 --> 01:12:50,480

within the context of what we call the

2106

01:12:52,709 --> 01:12:51,920

paranormal

2107

01:12:56,070 --> 01:12:52,719

right

2108

01:12:58,870 --> 01:12:56,080

now um can anyone find any of your ufo

2109

01:13:01,590 --> 01:12:58,880

shows anywhere online yeah they're all

2110

01:13:03,350 --> 01:13:01,600

um i think freely available now we have

2111

01:13:05,510 --> 01:13:03,360

us distributors and i think if you just

2112

01:13:07,830 --> 01:13:05,520

go to youtube and type in best evidence

2113

01:13:10,470 --> 01:13:07,840

top ufo sightings oh i know that one uh

2114

01:13:12,950 --> 01:13:10,480

that was yours yep stan friedman is real

2115

01:13:15,750 --> 01:13:12,960

is available online i know that that one

2116

01:13:16,950 --> 01:13:15,760

hit the mic there aztec 1948 they're all

2117

01:13:18,709 --> 01:13:16,960

they're all there so you can find them

2118

01:13:20,229 --> 01:13:18,719

all up online

2119

01:13:22,390 --> 01:13:20,239

okay great

2120

01:13:24,950 --> 01:13:22,400

uh

2121

01:13:25,910 --> 01:13:24,960

yeah sounds great and um i know i had

2122

01:13:28,310 --> 01:13:25,920

another question you have another

2123

01:13:30,550 --> 01:13:28,320

question for him i did have

2124

01:13:32,229 --> 01:13:30,560

anything in the works for you related to

2125

01:13:33,510 --> 01:13:32,239

the ufo phenomenon your documentaries

2126
01:13:36,870 --> 01:13:33,520
are great

2127
01:13:39,350 --> 01:13:36,880
uh thanks the um i'm mostly focused when

2128
01:13:42,149 --> 01:13:39,360
it comes to the paranormal stuff on our

2129
01:13:43,750 --> 01:13:42,159
ghost investigating tv series personally

2130
01:13:45,830 --> 01:13:43,760
i find the ghost investigating stuff

2131
01:13:47,430 --> 01:13:45,840
more interesting for one thing i can go

2132
01:13:50,149 --> 01:13:47,440
to a haunted house or a haunted museum

2133
01:13:51,590 --> 01:13:50,159
or whatever and see if we can have the

2134
01:13:53,270 --> 01:13:51,600
same sort of experience that other

2135
01:13:55,430 --> 01:13:53,280
people have described

2136
01:13:58,070 --> 01:13:55,440
i can go to roswell or i can come to

2137
01:13:59,669 --> 01:13:58,080
shag harbor but as some of the panelists

2138
01:14:01,669 --> 01:13:59,679

were saying today we saw this 50 years

2139

01:14:02,630 --> 01:14:01,679

ago and we wanted we're waiting to see

2140

01:14:03,510 --> 01:14:02,640

it again

2141

01:14:05,750 --> 01:14:03,520

so

2142

01:14:07,830 --> 01:14:05,760

the replication factor is a lot harder

2143

01:14:09,430 --> 01:14:07,840

in the ufo world whereas with ghosts

2144

01:14:11,350 --> 01:14:09,440

there's a you know i can go in there and

2145

01:14:13,750 --> 01:14:11,360

do the scooby-doo thing myself and we've

2146

01:14:16,229 --> 01:14:13,760

had tons of great stuff happen to us

2147

01:14:17,830 --> 01:14:16,239

that have really blown my mind and

2148

01:14:19,669 --> 01:14:17,840

opened my mind in a way that ufo

2149

01:14:21,990 --> 01:14:19,679

phenomenon never did because i've never

2150

01:14:23,669 --> 01:14:22,000

had a ufo experience myself but i've had

2151
01:14:26,149 --> 01:14:23,679
plenty of ghostly encounters and

2152
01:14:27,350 --> 01:14:26,159
experiences whatever that might be and

2153
01:14:29,990 --> 01:14:27,360
i've actually come to believe that the

2154
01:14:31,830 --> 01:14:30,000
ufo phenomenon and the ghost phenomenon

2155
01:14:34,070 --> 01:14:31,840
they're all interrelated i was going to

2156
01:14:35,830 --> 01:14:34,080
ask you that question thing yeah i've

2157
01:14:37,669 --> 01:14:35,840
had a number of people kind of agreeing

2158
01:14:39,270 --> 01:14:37,679
with you um

2159
01:14:40,470 --> 01:14:39,280
over the last few years that i've talked

2160
01:14:41,830 --> 01:14:40,480
to

2161
01:14:44,070 --> 01:14:41,840
there's some type of connection there

2162
01:14:44,950 --> 01:14:44,080
and it can't like the whole paranormal

2163
01:14:46,709 --> 01:14:44,960

thing

2164

01:14:49,110 --> 01:14:46,719

is all there's some type of connection

2165

01:14:50,870 --> 01:14:49,120

the grand unifying theory right a

2166

01:14:52,229 --> 01:14:50,880

unified field theory for the paranormal

2167

01:14:53,270 --> 01:14:52,239

and if they were agreeing with me it's a

2168

01:14:54,550 --> 01:14:53,280

shame they couldn't vote in the last

2169

01:14:56,229 --> 01:14:54,560

election i could have used their votes

2170

01:14:58,310 --> 01:14:56,239

here too

2171

01:15:00,550 --> 01:14:58,320

but uh you know greg bishop has talked

2172

01:15:02,950 --> 01:15:00,560

about this for years nick redfearn mac

2173

01:15:04,630 --> 01:15:02,960

tony's when he was alive so there were a

2174

01:15:06,470 --> 01:15:04,640

lot of young guys who are now not so

2175

01:15:08,470 --> 01:15:06,480

young greg and nick and i are all in our

2176

01:15:10,390 --> 01:15:08,480

50s who have been talking about this

2177

01:15:11,750 --> 01:15:10,400

kind of idea for about 15 years

2178

01:15:14,070 --> 01:15:11,760

and you know it goes back to jacques

2179

01:15:14,950 --> 01:15:14,080

valet and john keel and others trying to

2180

01:15:17,030 --> 01:15:14,960

find

2181

01:15:18,950 --> 01:15:17,040

sort of similarities between what might

2182

01:15:20,870 --> 01:15:18,960

be a paranormal thing and then it

2183

01:15:23,350 --> 01:15:20,880

doesn't mean that it's not space aliens

2184

01:15:25,110 --> 01:15:23,360

interacting with us or it could be what

2185

01:15:27,189 --> 01:15:25,120

we might call god or some advanced

2186

01:15:29,189 --> 01:15:27,199

non-human intelligence interacting with

2187

01:15:31,830 --> 01:15:29,199

us in different ways at different times

2188

01:15:34,070 --> 01:15:31,840

for different people so in that sense

2189

01:15:36,709 --> 01:15:34,080

greg bishop calls it he has this what he

2190

01:15:38,550 --> 01:15:36,719

calls the co-creation theory which is

2191

01:15:41,510 --> 01:15:38,560

something along the lines of it has as

2192

01:15:43,510 --> 01:15:41,520

much to do with us as it does to do with

2193

01:15:46,229 --> 01:15:43,520

them so they feed things they take

2194

01:15:48,390 --> 01:15:46,239

things from us our expectations and they

2195

01:15:51,189 --> 01:15:48,400

feed them back to us in a way that is

2196

01:15:53,030 --> 01:15:51,199

almost like mac used to say he used the

2197

01:15:54,870 --> 01:15:53,040

example he had two cats he had a laser

2198

01:15:56,870 --> 01:15:54,880

pointer and he would point the laser at

2199

01:15:58,470 --> 01:15:56,880

the wall and the cats would go crazy and

2200

01:16:00,550 --> 01:15:58,480

they loved it like wow they chased the

2201
01:16:02,470 --> 01:16:00,560
laser around and everything that was his

2202
01:16:04,870 --> 01:16:02,480
way of interacting with cats they don't

2203
01:16:06,709 --> 01:16:04,880
speak human languages but he could still

2204
01:16:09,590 --> 01:16:06,719
interact with them he could enjoy

2205
01:16:12,229 --> 01:16:09,600
watching them have sort of a stimulus

2206
01:16:14,070 --> 01:16:12,239
and they could enjoy themselves and i

2207
01:16:16,709 --> 01:16:14,080
mishi okaku i had a chance to see him

2208
01:16:19,270 --> 01:16:16,719
speak in london several years ago and he

2209
01:16:21,110 --> 01:16:19,280
talked about the same kind of thing that

2210
01:16:23,189 --> 01:16:21,120
if we were dealing with an alien in

2211
01:16:25,430 --> 01:16:23,199
quotation marks intelligence wherever it

2212
01:16:26,950 --> 01:16:25,440
was from it would be so far in advance

2213
01:16:28,709 --> 01:16:26,960

of us that would have trouble

2214

01:16:30,070 --> 01:16:28,719

communicating with us in the way that

2215

01:16:32,310 --> 01:16:30,080

i'm communicating with you now in

2216

01:16:36,070 --> 01:16:32,320

language so he said it might choose

2217

01:16:37,669 --> 01:16:36,080

other methods shapes objects visions

2218

01:16:39,110 --> 01:16:37,679

that kind of stuff as a form of

2219

01:16:41,189 --> 01:16:39,120

communication

2220

01:16:43,430 --> 01:16:41,199

or even if it's not a conscious form of

2221

01:16:45,270 --> 01:16:43,440

communication it might be how we

2222

01:16:47,270 --> 01:16:45,280

perceive them and then he you know at

2223

01:16:49,830 --> 01:16:47,280

the end of his lecture at the rsa in

2224

01:16:51,110 --> 01:16:49,840

london he said the universe is weird and

2225

01:16:53,189 --> 01:16:51,120

there's a whole bunch of stuff we don't

2226

01:16:54,870 --> 01:16:53,199

know so i'm not telling you it's this

2227

01:16:56,630 --> 01:16:54,880

but i'm saying don't rule any of this

2228

01:16:59,110 --> 01:16:56,640

out i thought cool the world's foremost

2229

01:17:01,110 --> 01:16:59,120

theoretical physicist just said don't

2230

01:17:02,950 --> 01:17:01,120

rule any of this stuff out all right i

2231

01:17:04,390 --> 01:17:02,960

won't and nobody else should either

2232

01:17:05,910 --> 01:17:04,400

excellent thank you very much paul

2233

01:17:07,830 --> 01:17:05,920

thanks very much guys for all right

2234

01:17:09,590 --> 01:17:07,840

thank you very much being here yeah that

2235

01:17:11,830 --> 01:17:09,600

was really good

2236

01:17:14,630 --> 01:17:11,840

okay

2237

01:17:16,790 --> 01:17:14,640

our next guest uh aaron i'll let you say

2238

01:17:17,830 --> 01:17:16,800

his last name

2239

01:17:20,550 --> 01:17:17,840

um

2240

01:17:23,590 --> 01:17:20,560

let's let him do it

2241

01:17:30,709 --> 01:17:27,669

aaron golias uh ufo uh crashes

2242

01:17:32,390 --> 01:17:30,719

professor an american professor yes

2243

01:17:34,950 --> 01:17:32,400

yes um

2244

01:17:37,189 --> 01:17:34,960

yeah i uh i teach history at uh mock

2245

01:17:38,070 --> 01:17:37,199

community college in flint michigan and

2246

01:17:39,590 --> 01:17:38,080

um

2247

01:17:40,470 --> 01:17:39,600

i've been

2248

01:17:42,229 --> 01:17:40,480

sort of

2249

01:17:43,750 --> 01:17:42,239

writing and uh

2250

01:17:46,390 --> 01:17:43,760

and speaking about

2251

01:17:49,669 --> 01:17:46,400

ufo type things for uh

2252

01:17:52,709 --> 01:17:49,679

my first book came out in

2253

01:17:55,750 --> 01:17:52,719

2012 i'm trying to remember uh 2012 and

2254

01:17:57,750 --> 01:17:55,760

it focused on um the history of uh of

2255

01:17:59,510 --> 01:17:57,760

flying saucer contactees from the 50s

2256

01:18:02,229 --> 01:17:59,520

you know george adamski and and those

2257

01:18:05,750 --> 01:18:02,239

guys and his his misbegotten children in

2258

01:18:07,910 --> 01:18:05,760

the exo politics movement um and there's

2259

01:18:09,189 --> 01:18:07,920

there's this um

2260

01:18:11,990 --> 01:18:09,199

there's there's some other topics that

2261

01:18:13,830 --> 01:18:12,000

i've covered uh a book that that paul

2262

01:18:15,910 --> 01:18:13,840

kimball edited uh the chaos conundrum

2263

01:18:18,550 --> 01:18:15,920

his collection of essays on a wide

2264

01:18:21,030 --> 01:18:18,560

variety of of paranormal topics

2265

01:18:22,470 --> 01:18:21,040

wrote a book about conspiracy theory uh

2266

01:18:24,870 --> 01:18:22,480

conspiracy culture the development of

2267

01:18:27,110 --> 01:18:24,880

conspiracy culture through um

2268

01:18:29,510 --> 01:18:27,120

through american history and the only

2269

01:18:32,229 --> 01:18:29,520

other paranormal one i've done is a sort

2270

01:18:34,709 --> 01:18:32,239

of media studies book about the

2271

01:18:36,709 --> 01:18:34,719

interplay between

2272

01:18:39,189 --> 01:18:36,719

conspiracy and paranormal culture and

2273

01:18:41,189 --> 01:18:39,199

belief and

2274

01:18:43,910 --> 01:18:41,199

paranormal and conspiracy theory themed

2275

01:18:46,950 --> 01:18:43,920

uh sci-fi television so it's for a part

2276

01:18:49,350 --> 01:18:46,960

of a series on sci-fi studies so yeah

2277

01:18:51,750 --> 01:18:49,360

mostly mostly focusing on the uh the

2278

01:18:53,270 --> 01:18:51,760

development of um of these stories and

2279

01:18:55,510 --> 01:18:53,280

narratives and how they've changed over

2280

01:18:58,709 --> 01:18:55,520

the years and how they might influence

2281

01:18:59,990 --> 01:18:58,719

uh influence culture and be influenced

2282

01:19:01,830 --> 01:19:00,000

by culture

2283

01:19:03,750 --> 01:19:01,840

that interpret why don't you give some

2284

01:19:05,750 --> 01:19:03,760

examples if you would

2285

01:19:06,950 --> 01:19:05,760

of uh

2286

01:19:08,790 --> 01:19:06,960

like

2287

01:19:10,229 --> 01:19:08,800

roswell are you going to talk about that

2288

01:19:12,470 --> 01:19:10,239

yeah well i talked about it i talked

2289

01:19:14,550 --> 01:19:12,480

this morning so um my talk was this

2290

01:19:17,910 --> 01:19:14,560

morning and i i basically started off

2291

01:19:21,590 --> 01:19:17,920

with uh all the way back in 1897 the uh

2292

01:19:24,149 --> 01:19:21,600

april 19 april 1897 texas uh i talked

2293

01:19:26,709 --> 01:19:24,159

about aurora aurora texas and uh a much

2294

01:19:28,630 --> 01:19:26,719

lesser known case in lanark illinois

2295

01:19:30,470 --> 01:19:28,640

where there was supposedly an airship

2296

01:19:33,030 --> 01:19:30,480

that that crashed had propellers and

2297

01:19:34,790 --> 01:19:33,040

everything and uh the there were two

2298

01:19:37,430 --> 01:19:34,800

there were two news reports and these

2299

01:19:39,910 --> 01:19:37,440

news reports were were hilariously

2300

01:19:42,229 --> 01:19:39,920

fake sounding but it it

2301

01:19:44,149 --> 01:19:42,239

it played on the idea that these ships

2302

01:19:47,189 --> 01:19:44,159

had been sighted all over the united

2303

01:19:49,189 --> 01:19:47,199

states and hey one's here in town and

2304

01:19:51,189 --> 01:19:49,199

and farmer johan is charging a dollar

2305

01:19:53,110 --> 01:19:51,199

ahead to come see it and there's a guy

2306

01:19:55,270 --> 01:19:53,120

in it two of the guys are dead the third

2307

01:19:58,149 --> 01:19:55,280

one's alive he's wearing sandals with

2308

01:20:00,070 --> 01:19:58,159

tinfoil along them and a robe and uh and

2309

01:20:02,070 --> 01:20:00,080

as soon as i told him that uh that he

2310

01:20:04,470 --> 01:20:02,080

was in illinois he got up and ran away

2311

01:20:06,390 --> 01:20:04,480

and left um and it and then the reporter

2312

01:20:08,950 --> 01:20:06,400

says i went back to my hotel room to

2313

01:20:10,630 --> 01:20:08,960

smoke opium to cope with what i had seen

2314

01:20:12,390 --> 01:20:10,640

and it's it's clearly fake and there was

2315

01:20:13,669 --> 01:20:12,400

a follow-up story where where they

2316

01:20:15,189 --> 01:20:13,679

talked a little bit more about it and

2317

01:20:16,950 --> 01:20:15,199

then the third day there was a note from

2318

01:20:18,709 --> 01:20:16,960

the editor that oh we made that all up

2319

01:20:20,870 --> 01:20:18,719

that was fine but isn't it neat that

2320

01:20:23,350 --> 01:20:20,880

there's all these airships around and uh

2321

01:20:25,030 --> 01:20:23,360

the aurora texas story was a little

2322

01:20:27,910 --> 01:20:25,040

a little less fanciful it took place

2323

01:20:30,310 --> 01:20:27,920

about four days after the illinois story

2324

01:20:32,790 --> 01:20:30,320

and um this is a much more well-known

2325

01:20:34,390 --> 01:20:32,800

case and there was a newspaper report

2326

01:20:36,790 --> 01:20:34,400

that there had been a crash of an

2327

01:20:39,189 --> 01:20:36,800

airship there had been a pilot who was

2328

01:20:40,709 --> 01:20:39,199

uh basically pretty decimated by the

2329

01:20:43,669 --> 01:20:40,719

time they found him there had been a

2330

01:20:45,830 --> 01:20:43,679

burial of the of the pilot off and on

2331

01:20:49,350 --> 01:20:45,840

there has been a tombstone in the

2332

01:20:50,950 --> 01:20:49,360

cemetery um but it goes up it comes down

2333

01:20:53,110 --> 01:20:50,960

there's some question about who put it

2334

01:20:56,550 --> 01:20:53,120

there it's got some weird symbols carved

2335

01:20:58,229 --> 01:20:56,560

on it and that case from 1897 until

2336

01:21:00,550 --> 01:20:58,239

about the 1960s was pretty much left

2337

01:21:02,630 --> 01:21:00,560

alone and then in the 60s you had some

2338

01:21:04,630 --> 01:21:02,640

investigators wanting to look into it

2339

01:21:06,229 --> 01:21:04,640

there was one group of people who said

2340

01:21:07,750 --> 01:21:06,239

there's nothing to it there's another

2341

01:21:09,830 --> 01:21:07,760

group of people who comes in and says

2342

01:21:12,630 --> 01:21:09,840

well we've got some witnesses and we've

2343

01:21:14,550 --> 01:21:12,640

got some metal that we've found near the

2344

01:21:16,229 --> 01:21:14,560

scene and we want to look into it more

2345

01:21:17,910 --> 01:21:16,239

and another group comes up and says your

2346

01:21:19,830 --> 01:21:17,920

witnesses aren't credible and the metal

2347

01:21:21,430 --> 01:21:19,840

is just normal and the first group says

2348

01:21:22,630 --> 01:21:21,440

well if they'd let us dig up the body we

2349

01:21:24,550 --> 01:21:22,640

could settle it but they won't let us

2350

01:21:25,350 --> 01:21:24,560

dig up the body and there it sort of

2351

01:21:27,910 --> 01:21:25,360

sits

2352

01:21:28,790 --> 01:21:27,920

so um and then i sort of took it through

2353

01:21:31,189 --> 01:21:28,800

um

2354

01:21:33,590 --> 01:21:31,199

maury island with the sort of emergence

2355

01:21:36,709 --> 01:21:33,600

of the first men in black kind of

2356

01:21:38,870 --> 01:21:36,719

encounter and uh roswell a little bit um

2357

01:21:41,110 --> 01:21:38,880

although roswell is really its own

2358

01:21:43,750 --> 01:21:41,120

thing that you could spend hours on but

2359

01:21:45,110 --> 01:21:43,760

i did talk about some of the uh some of

2360

01:21:48,229 --> 01:21:45,120

the stranger theories that sort of

2361

01:21:49,750 --> 01:21:48,239

demonstrate how roswell has evolved over

2362

01:21:51,270 --> 01:21:49,760

time

2363

01:21:53,590 --> 01:21:51,280

that's what interests me and i've said a

2364

01:21:55,510 --> 01:21:53,600

number of times in the show that what's

2365

01:21:58,229 --> 01:21:55,520

it gonna be like in a hundred years yeah

2366

01:21:59,430 --> 01:21:58,239

you know yeah i'm i'm waiting and i i

2367

01:22:01,669 --> 01:21:59,440

don't think this will happen but what

2368

01:22:03,750 --> 01:22:01,679

would be really interesting is if after

2369

01:22:06,629 --> 01:22:03,760

a certain point the

2370

01:22:08,629 --> 01:22:06,639

alien spacecraft crash becomes well yeah

2371

01:22:10,950 --> 01:22:08,639

that's what they used to think but you

2372

01:22:12,629 --> 01:22:10,960

know then nick redfern came along with

2373

01:22:14,070 --> 01:22:12,639

his body snatchers in the desert book

2374

01:22:15,750 --> 01:22:14,080

and now we're all pretty much convinced

2375

01:22:18,310 --> 01:22:15,760

that he was right or one of the other

2376

01:22:21,830 --> 01:22:18,320

theories um that it was people from the

2377

01:22:23,830 --> 01:22:21,840

inner earth or something um so uh if

2378

01:22:25,750 --> 01:22:23,840

anybody's interested in like various

2379

01:22:28,550 --> 01:22:25,760

roswell theories the best way to sort of

2380

01:22:30,070 --> 01:22:28,560

get a good overview is um i think you

2381

01:22:31,669 --> 01:22:30,080

can get it up here it's uh it's called

2382

01:22:34,070 --> 01:22:31,679

the best of roswell it's a collection of

2383

01:22:35,590 --> 01:22:34,080

articles from fate magazine from

2384

01:22:37,590 --> 01:22:35,600

throughout fate magazine's history it's

2385

01:22:38,790 --> 01:22:37,600

got a lot of the the john keel stuff

2386

01:22:40,470 --> 01:22:38,800

where he's talking about the fugo

2387

01:22:43,350 --> 01:22:40,480

balloons and you can sort of see the

2388

01:22:45,270 --> 01:22:43,360

development of the story from the late

2389

01:22:47,590 --> 01:22:45,280

70s up through the uh up through the

2390

01:22:49,189 --> 01:22:47,600

early 21st century so that's a good a

2391

01:22:51,030 --> 01:22:49,199

good a good book

2392

01:22:52,709 --> 01:22:51,040

i got a question for aaron is

2393

01:22:54,310 --> 01:22:52,719

you being from you know the united

2394

01:22:56,229 --> 01:22:54,320

states can you tell me about how you've

2395

01:22:57,669 --> 01:22:56,239

you first heard about shag harbor and

2396

01:22:59,430 --> 01:22:57,679

just what you what you think about the

2397

01:23:00,550 --> 01:22:59,440

incident obviously it means a lot to you

2398

01:23:03,430 --> 01:23:00,560

because you've come such a long way to

2399

01:23:05,110 --> 01:23:03,440

be here yeah um shag i've read about it

2400

01:23:07,270 --> 01:23:05,120

i'd um i'd read about in like

2401
01:23:08,870 --> 01:23:07,280
collections of books although as chris

2402
01:23:10,629 --> 01:23:08,880
styles pointed out last evening kevin

2403
01:23:12,550 --> 01:23:10,639
randle's i don't know if it's called the

2404
01:23:14,550 --> 01:23:12,560
big book of flying saucer crashes but

2405
01:23:17,350 --> 01:23:14,560
that's basically what it is doesn't

2406
01:23:20,870 --> 01:23:17,360
mention it which is

2407
01:23:22,950 --> 01:23:20,880
just dumb but um yeah it i saw it in a

2408
01:23:25,590 --> 01:23:22,960
couple of books uh i hadn't really read

2409
01:23:26,870 --> 01:23:25,600
dark object until relatively recently

2410
01:23:29,189 --> 01:23:26,880
but um

2411
01:23:31,430 --> 01:23:29,199
i just sort of knew it was a

2412
01:23:34,149 --> 01:23:31,440
it was the canadian roswell which it

2413
01:23:36,390 --> 01:23:34,159

isn't it absolutely isn't uh as paul was

2414

01:23:38,790 --> 01:23:36,400
saying a bit earlier um don't paint it

2415

01:23:42,149 --> 01:23:38,800
with that brush but then last year i

2416

01:23:43,830 --> 01:23:42,159
spoke at the east coast paracon and um

2417

01:23:45,910 --> 01:23:43,840
and lori was there and chris was there

2418

01:23:47,590 --> 01:23:45,920
and so i heard the story from some

2419

01:23:50,550 --> 01:23:47,600
witnesses and from the experts and i was

2420

01:23:52,790 --> 01:23:50,560
like this is this is a lot more

2421

01:23:55,110 --> 01:23:52,800
substantive than i expected a flying

2422

01:23:56,790 --> 01:23:55,120
saucer crash story to be and so i've

2423

01:23:57,990 --> 01:23:56,800
read some more about it and since then

2424

01:23:59,590 --> 01:23:58,000
and it's

2425

01:24:02,070 --> 01:23:59,600
as i said this morning you know you look

2426

01:24:04,550 --> 01:24:02,080

at roswell you look at aztec you look at

2427

01:24:07,189 --> 01:24:04,560

aurora you look at keksburg

2428

01:24:09,669 --> 01:24:07,199

and when you look at the other much less

2429

01:24:12,550 --> 01:24:09,679

well documented and witnessed cases it

2430

01:24:14,629 --> 01:24:12,560

really highlights how much

2431

01:24:17,350 --> 01:24:14,639

how much substance there is in the crowd

2432

01:24:19,510 --> 01:24:17,360

in the shag harbor case um it's really

2433

01:24:21,990 --> 01:24:19,520

amazing um it's it's a great story the

2434

01:24:23,510 --> 01:24:22,000

witnesses are alive the witnesses

2435

01:24:25,030 --> 01:24:23,520

may not agree with with each other

2436

01:24:27,750 --> 01:24:25,040

personally but they're on the same

2437

01:24:30,629 --> 01:24:27,760

planet um and there's a

2438

01:24:31,910 --> 01:24:30,639

at least from what i've seen a minimum

2439

01:24:34,550 --> 01:24:31,920

of

2440

01:24:36,709 --> 01:24:34,560

just outrageous speculation there's some

2441

01:24:38,550 --> 01:24:36,719

speculation about what it might be but

2442

01:24:40,709 --> 01:24:38,560

the speculation is all like well yeah

2443

01:24:43,510 --> 01:24:40,719

that that could be it it could be a

2444

01:24:46,070 --> 01:24:43,520

could be an alien spacecraft it could be

2445

01:24:47,030 --> 01:24:46,080

some sort of top-secret project it could

2446

01:24:49,270 --> 01:24:47,040

be

2447

01:24:52,310 --> 01:24:49,280

some sort of natural phenomenon but you

2448

01:24:55,510 --> 01:24:52,320

know it doesn't it doesn't have the uh

2449

01:24:57,030 --> 01:24:55,520

the sort of outrageousness of a roswell

2450

01:24:58,950 --> 01:24:57,040

or a or a kexburg i haven't heard

2451

01:25:02,390 --> 01:24:58,960

anybody declare that the shag harbor

2452

01:25:04,229 --> 01:25:02,400

case is a time traveling nazi like moon

2453

01:25:05,910 --> 01:25:04,239

rocket or something like you might see

2454

01:25:09,590 --> 01:25:05,920

with something like keksburg and the

2455

01:25:11,030 --> 01:25:09,600

bell or whatever but um i

2456

01:25:12,629 --> 01:25:11,040

as much as i want

2457

01:25:15,270 --> 01:25:12,639

more attention to be placed on shag

2458

01:25:16,950 --> 01:25:15,280

harbor i also kind of don't want it to

2459

01:25:18,870 --> 01:25:16,960

fall victim to that kind of

2460

01:25:19,750 --> 01:25:18,880

outrageousness because i i want it to

2461

01:25:24,790 --> 01:25:19,760

stay

2462

01:25:26,310 --> 01:25:24,800

with it we're at the festival now what

2463

01:25:28,310 --> 01:25:26,320

do you think of the the community

2464

01:25:29,990 --> 01:25:28,320

banding together you know to promote

2465

01:25:33,030 --> 01:25:30,000

this event and you know and share it

2466

01:25:35,669 --> 01:25:33,040

with everybody i think it's great um i i

2467

01:25:38,390 --> 01:25:35,679

think it's great i uh i'm you know i'm

2468

01:25:40,070 --> 01:25:38,400

from i'm from the midwest and

2469

01:25:41,750 --> 01:25:40,080

small towns like this i mean replace

2470

01:25:43,350 --> 01:25:41,760

fishing with farming and and this is

2471

01:25:46,790 --> 01:25:43,360

pretty much like

2472

01:25:49,510 --> 01:25:46,800

the type of town i grew up in um and

2473

01:25:51,430 --> 01:25:49,520

it's it's really great and it's i think

2474

01:25:53,270 --> 01:25:51,440

this is the sort of uh this is the sort

2475

01:25:56,070 --> 01:25:53,280

of festival that uh i don't know if it

2476
01:25:58,629 --> 01:25:56,080
will but it certainly should become a uh

2477
01:26:00,870 --> 01:25:58,639
and a growing annual thing not just an

2478
01:26:02,550 --> 01:26:00,880
annual thing but the 50th anniversary

2479
01:26:03,990 --> 01:26:02,560
shouldn't be shouldn't be the high

2480
01:26:06,950 --> 01:26:04,000
watermark it would be great if it just

2481
01:26:09,110 --> 01:26:06,960
kept building and building and became

2482
01:26:11,830 --> 01:26:09,120
not just a ufo thing but a celebration

2483
01:26:14,629 --> 01:26:11,840
of the community and its history uh and

2484
01:26:17,110 --> 01:26:14,639
and other other whatever what of it i

2485
01:26:19,669 --> 01:26:17,120
can't talk what other whatever other

2486
01:26:21,189 --> 01:26:19,679
aspects of folklore might be uh might be

2487
01:26:23,910 --> 01:26:21,199
significant in this area i think it's

2488
01:26:26,709 --> 01:26:23,920

it's just a wonderful event um very well

2489

01:26:28,709 --> 01:26:26,719

put together and uh a lot of fun like i

2490

01:26:30,390 --> 01:26:28,719

said in my talk this morning any ufo

2491

01:26:32,629 --> 01:26:30,400

festival that that's just like serving

2492

01:26:33,750 --> 01:26:32,639

apple pie in the evening it's just

2493

01:26:37,189 --> 01:26:33,760

that's just

2494

01:26:39,110 --> 01:26:37,199

fantastic hey fan of twin peaks

2495

01:26:41,350 --> 01:26:39,120

you know

2496

01:26:43,510 --> 01:26:41,360

i've tried really hard to beat i've

2497

01:26:44,950 --> 01:26:43,520

tried really hard i only asked because i

2498

01:26:47,110 --> 01:26:44,960

only asked in washington now and i

2499

01:26:48,870 --> 01:26:47,120

really feel like i'm in twin peaks and

2500

01:26:50,950 --> 01:26:48,880

there's the ufo festival you know

2501

01:26:53,270 --> 01:26:50,960

there's there's um

2502

01:26:55,189 --> 01:26:53,280

sort of the sort of coastal sort of

2503

01:26:56,790 --> 01:26:55,199

small town vibe it does it does have

2504

01:26:59,189 --> 01:26:56,800

that vibe um

2505

01:27:00,870 --> 01:26:59,199

it does but uh but but everything i've

2506

01:27:02,709 --> 01:27:00,880

seen today makes much more sense than

2507

01:27:07,510 --> 01:27:02,719

any time i've tried to walk

2508

01:27:09,590 --> 01:27:07,520

so i i don't feel uneasy and confused

2509

01:27:11,350 --> 01:27:09,600

excellent well nice to meet you thanks

2510

01:27:13,110 --> 01:27:11,360

so much no problem thanks for having me

2511

01:27:14,390 --> 01:27:13,120

it was great to hear great to hear from

2512

01:27:16,709 --> 01:27:14,400

you thank you

2513

01:27:19,830 --> 01:27:16,719

um you know before i was thinking there

2514

01:27:21,590 --> 01:27:19,840

was no real timetable to this at all but

2515

01:27:23,669 --> 01:27:21,600

um i was thinking about wrapping the

2516

01:27:25,270 --> 01:27:23,679

show but i wondered if anyone in our

2517

01:27:28,070 --> 01:27:25,280

audience might have a question they'd

2518

01:27:30,310 --> 01:27:28,080

like to ask either one of us or or if

2519

01:27:35,510 --> 01:27:30,320

anyone wanted to talk about anything in

2520

01:27:40,229 --> 01:27:38,229

okay he asked uh what was our take on

2521

01:27:42,790 --> 01:27:40,239

the shag harbor

2522

01:27:44,629 --> 01:27:42,800

uh incident in general i'll go with mine

2523

01:27:46,070 --> 01:27:44,639

first uh when i

2524

01:27:47,910 --> 01:27:46,080

first looked into it like i had known

2525

01:27:49,910 --> 01:27:47,920

about it my whole life and i had you

2526

01:27:50,950 --> 01:27:49,920

know read the book don's books and

2527

01:27:52,550 --> 01:27:50,960

whatnot

2528

01:27:54,149 --> 01:27:52,560

i had no idea

2529

01:27:57,030 --> 01:27:54,159

and i had never really

2530

01:27:59,430 --> 01:27:57,040

pursued the ex the corona satellite

2531

01:28:01,350 --> 01:27:59,440

explanation uh until when i started

2532

01:28:03,750 --> 01:28:01,360

covering the shag harbor incident on my

2533

01:28:04,950 --> 01:28:03,760

show i had spoke with chris rutkowski

2534

01:28:07,510 --> 01:28:04,960

who you're probably familiar with from

2535

01:28:09,510 --> 01:28:07,520

western canada and he had he's of the

2536

01:28:11,430 --> 01:28:09,520

belief that the corona satellite could

2537

01:28:14,149 --> 01:28:11,440

be responsible and when he explained it

2538

01:28:16,229 --> 01:28:14,159

to me that to me sounded more credible

2539

01:28:18,070 --> 01:28:16,239

than any other theory that i've heard

2540

01:28:19,110 --> 01:28:18,080

and when i went online and researched

2541

01:28:21,110 --> 01:28:19,120

that as much as you could through

2542

01:28:22,550 --> 01:28:21,120

wikipedia and whatnot without diving as

2543

01:28:24,229 --> 01:28:22,560

deep as a lot of the people here would

2544

01:28:25,669 --> 01:28:24,239

have ended the story to me that just

2545

01:28:28,310 --> 01:28:25,679

seemed to be a fit

2546

01:28:29,750 --> 01:28:28,320

but at the same time you know if lori's

2547

01:28:31,510 --> 01:28:29,760

not here i'll say it

2548

01:28:35,350 --> 01:28:31,520

it seems like a flare could explain it

2549

01:28:35,360 --> 01:28:37,750

yeah

2550

01:28:41,990 --> 01:28:39,910

but not to say that's my theory i guess

2551
01:28:43,910 --> 01:28:42,000
just like everybody else here there's a

2552
01:28:45,590 --> 01:28:43,920
but there's a bunch of theories that all

2553
01:28:47,110 --> 01:28:45,600
seem to fit there's a bunch of

2554
01:28:49,430 --> 01:28:47,120
interesting people involved there's a

2555
01:28:51,510 --> 01:28:49,440
bunch of evidence that we can look at

2556
01:28:53,910 --> 01:28:51,520
and talk about i'd love to think it's an

2557
01:28:55,910 --> 01:28:53,920
alien ship that landed but

2558
01:28:57,590 --> 01:28:55,920
that's just as likely in my mind as any

2559
01:28:59,910 --> 01:28:57,600
other explanation so i guess i have none

2560
01:29:02,149 --> 01:28:59,920
i really my interest in it is it's a

2561
01:29:04,310 --> 01:29:02,159
great story with interesting witnesses

2562
01:29:06,149 --> 01:29:04,320
that do a great job of telling the story

2563
01:29:08,470 --> 01:29:06,159

and sharing the story you have a great

2564

01:29:10,149 --> 01:29:08,480

community who's rallying around it and

2565

01:29:12,470 --> 01:29:10,159

you know putting on this great event we

2566

01:29:14,070 --> 01:29:12,480

could be in line up at walmart right now

2567

01:29:15,990 --> 01:29:14,080

in our hometowns instead of in a you

2568

01:29:18,229 --> 01:29:16,000

know a ufo festival in the middle of

2569

01:29:20,070 --> 01:29:18,239

nowhere so i think this is awesome yeah

2570

01:29:21,669 --> 01:29:20,080

um i think it's a really

2571

01:29:23,430 --> 01:29:21,679

you know i looked into it

2572

01:29:25,669 --> 01:29:23,440

when i started this show

2573

01:29:28,310 --> 01:29:25,679

back in 2011 before that i had never

2574

01:29:29,990 --> 01:29:28,320

heard of it and i think it is uh a

2575

01:29:32,390 --> 01:29:30,000

fascinating case

2576

01:29:34,790 --> 01:29:32,400

and you know like has it's been said

2577

01:29:36,390 --> 01:29:34,800

before me you know the witnesses it's

2578

01:29:38,870 --> 01:29:36,400

all about the witnesses and they're

2579

01:29:40,629 --> 01:29:38,880

they're credible witnesses uh they've

2580

01:29:43,030 --> 01:29:40,639

never gone

2581

01:29:45,110 --> 01:29:43,040

off the edge you know like you hear uh

2582

01:29:47,669 --> 01:29:45,120

some of these stories that sound good in

2583

01:29:50,149 --> 01:29:47,679

the beginning and then change over time

2584

01:29:52,790 --> 01:29:50,159

they've kind of stayed with it and uh i

2585

01:29:54,550 --> 01:29:52,800

think it's interesting uh i think it's a

2586

01:29:55,510 --> 01:29:54,560

great case i think it's one of the one

2587

01:29:57,669 --> 01:29:55,520

of the uh

2588

01:29:58,950 --> 01:29:57,679

i would consider it one of the top 10

2589

01:30:02,629 --> 01:29:58,960

cases

2590

01:30:05,110 --> 01:30:02,639

i think easily canada's top one yeah but

2591

01:30:06,950 --> 01:30:05,120

i think it's the world's top one it

2592

01:30:08,550 --> 01:30:06,960

seems to me like it there's nothing

2593

01:30:10,629 --> 01:30:08,560

crazy about it

2594

01:30:12,070 --> 01:30:10,639

with with shag harbor there's there's no

2595

01:30:14,709 --> 01:30:12,080

question something happened you can't

2596

01:30:16,310 --> 01:30:14,719

debate that in my mind some of the other

2597

01:30:17,590 --> 01:30:16,320

events

2598

01:30:20,149 --> 01:30:17,600

that are that are

2599

01:30:21,669 --> 01:30:20,159

often discussed there's there's just too

2600

01:30:23,990 --> 01:30:21,679

much debate with shag harbor too many

2601
01:30:25,830 --> 01:30:24,000
people saw it telling the same story

2602
01:30:27,110 --> 01:30:25,840
with nothing to gain

2603
01:30:30,310 --> 01:30:27,120
absolutely

2604
01:30:32,950 --> 01:30:30,320
any other questions out there

2605
01:30:36,709 --> 01:30:32,960
all right well next year what's that

2606
01:30:38,790 --> 01:30:36,719
next year come on martin 51 51 no it has

2607
01:30:39,990 --> 01:30:38,800
to be on a round number or something

2608
01:30:41,590 --> 01:30:40,000
we'll see all right

2609
01:30:43,910 --> 01:30:41,600
all right everyone so thanks so much

2610
01:30:46,149 --> 01:30:43,920
it's been uh it's been a lot of fun up

2611
01:30:48,950 --> 01:30:46,159
here uh beautiful scenery beautiful

2612
01:30:51,189 --> 01:30:48,960
coastline and uh it was a pleasure to be

2613
01:30:53,030 --> 01:30:51,199

invited up and to do this show from here

2614

01:30:54,870 --> 01:30:53,040

jordan thanks so much and

2615

01:30:57,110 --> 01:30:54,880

talk about your podcast if you would

2616

01:30:59,590 --> 01:30:57,120

yeah my podcast is called the nighttime

2617

01:31:02,470 --> 01:30:59,600

podcast it's available wherever podcasts

2618

01:31:03,669 --> 01:31:02,480

are websites nighttimepodcast.com and i

2619

01:31:07,030 --> 01:31:03,679

cover

2620

01:31:09,590 --> 01:31:07,040

canadian mysteries true crime paranormal

2621

01:31:11,510 --> 01:31:09,600

stories i cover a lot of ufo sightings

2622

01:31:13,750 --> 01:31:11,520

because i've been interested in it my

2623

01:31:15,510 --> 01:31:13,760

whole life but yeah so if you're

2624

01:31:17,030 --> 01:31:15,520

interested in hearing more about strange

2625

01:31:18,709 --> 01:31:17,040

stuff that happens in canada whether

2626

01:31:20,709 --> 01:31:18,719

it's in our skies or

2627

01:31:22,149 --> 01:31:20,719

you know underground or anywhere else

2628

01:31:24,310 --> 01:31:22,159

that's the kind of stuff i talk about on

2629

01:31:25,189 --> 01:31:24,320

my show and rather than a discussion

2630

01:31:27,030 --> 01:31:25,199

type

2631

01:31:29,430 --> 01:31:27,040

presentation like we're doing right now

2632

01:31:30,709 --> 01:31:29,440

i do more documentary style with

2633

01:31:32,870 --> 01:31:30,719

interviews and stuff that have been

2634

01:31:35,990 --> 01:31:32,880

edited beforehand yeah great a great

2635

01:31:38,229 --> 01:31:36,000

show indeed all right thanks so much and
