PODCAST UFO LIVE STREAM

podcastufo.com

1
00:00:03,860 --> 00:00:02,750
hits me oh my gosh this is that triangle

2
00:00:04,970 --> 00:00:03,870
you know there's explanation for

3
00:00:06,289 --> 00:00:04,980
everything that appeared in the

4
00:00:08,750 --> 00:00:06,299
Rendlesham forest incident

5
00:00:11,629 --> 00:00:08,760
it wasn't involved aliens at all it was

6
00:00:14,959 --> 00:00:11,639
completely silent it comes right over

7
00:00:16,790 --> 00:00:14,969
our head it's so classic flying-saucer

8
00:00:18,410 --> 00:00:16,800
really standing in the clearing he

9
00:00:20,090 --> 00:00:18,420
turned over to my father and held his

10
00:00:26,540 --> 00:00:20,100
hand and he looked in his eyes and said

11
00:00:29,179 --> 00:00:26,550
we're not alone welcome to podcast UFO

12
00:00:31,009 --> 00:00:29,189
for our live show we're live every

13
00:00:35,150 --> 00:00:31,019

Wednesday at 8 p.m. Eastern Standard

14
00:00:37,069 --> 00:00:35,160
Time on podcast UFO calm during the show

15
00:00:39,770 --> 00:00:37,079
feel free to participate live in our

16
00:00:43,040 --> 00:00:39,780
chat room and don't forget to Like us on

17
00:00:45,650 --> 00:00:43,050
our very active Facebook page hello and

18
00:00:48,940 --> 00:00:45,660
welcome to the show I'm Martyn Willis

19
00:00:52,250 --> 00:00:48,950
your host and we have a very interesting

20
00:00:55,459 --> 00:00:52,260
different not the typical UFO show

21
00:00:57,740 --> 00:00:55,469
tonight with Caroline Corey she's great

22
00:00:59,750 --> 00:00:57,750
looking forward to talking with her

23
00:01:04,009 --> 00:00:59,760
before that we have Alejandro Rojas

24
00:01:05,870 --> 00:01:04,019
coming up with the UFO updates and as

25
00:01:08,330 --> 00:01:05,880
some of you know especially the members

26
00:01:10,969 --> 00:01:08,340
know because it's on the podcast feed I

27
00:01:14,539 --> 00:01:10,979
went to shag Harbor for the 50th

28
00:01:17,719 --> 00:01:14,549
anniversary and it was a long long long

29
00:01:20,420 --> 00:01:17,729
drive so that show is available for

30
00:01:22,370 --> 00:01:20,430
members it's up in the podcast feed

31
00:01:25,070 --> 00:01:22,380
members only on this one

32
00:01:27,410 --> 00:01:25,080
so if you'd like to subscribe to the

33
00:01:30,170 --> 00:01:27,420
show for two dollars over more a month

34
00:01:33,560 --> 00:01:30,180
all that informations on podcast UFO if

35
00:01:35,420 --> 00:01:33,570
you can't and you really want to listen

36
00:01:38,210 --> 00:01:35,430
to that you can watch it as a youtube

37
00:01:41,679 --> 00:01:38,220
video and that really goes for all of

38
00:01:44,480 --> 00:01:41,689

the shows the unique part of the podcast

39

00:01:47,990 --> 00:01:44,490

that goes in for subscribers only is

40

00:01:49,700 --> 00:01:48,000

that it goes into media players and you

41

00:01:53,660 --> 00:01:49,710

can listen to it on about anything out

42

00:01:56,630 --> 00:01:53,670

there so anyway again our show is with

43

00:01:58,609 --> 00:01:56,640

Caroline Corey coming right up and right

44

00:02:03,469 --> 00:01:58,619

now we have Alejandro Rojas

45

00:02:07,429 --> 00:02:03,479

how are you hello I come in peace yes

46

00:02:10,999 --> 00:02:07,439

I'm glad you do yeah so how you should

47

00:02:12,440 --> 00:02:11,009

be glad because if I didn't who I know

48

00:02:13,680 --> 00:02:12,450

eyes would be this planet would be

49

00:02:15,990 --> 00:02:13,690

leveled that's right

50

00:02:18,390 --> 00:02:16,000

leveled I saw your killer dog there a

51
00:02:19,680 --> 00:02:18,400
few minutes ago oh yeah I was looking

52
00:02:22,230 --> 00:02:19,690
for that cute little guy who's gonna

53
00:02:24,150 --> 00:02:22,240
give you guys a shot at our cute little

54
00:02:26,010 --> 00:02:24,160
dog but he walked away it looked like so

55
00:02:30,620 --> 00:02:26,020
he realized I didn't have food and and

56
00:02:34,430 --> 00:02:30,630
wandered to scavenge elsewhere I guess

57
00:02:38,460 --> 00:02:34,440
hmm so what's going on in the UFO world

58
00:02:40,350 --> 00:02:38,470
so what's going on in UFOs so um we you

59
00:02:44,850 --> 00:02:40,360
and I covered the story not too long ago

60
00:02:46,860 --> 00:02:44,860
of this this deputy sheriff from Texas

61
00:02:51,470 --> 00:02:46,870
who said he was driving from Texas to

62
00:02:55,070 --> 00:02:51,480
Roswell in 1947 and he saw the crashed

63
00:02:57,480 --> 00:02:55,080

Roswell saucer so what he claims and

64

00:03:00,630 --> 00:02:57,490

however some people looked into his

65

00:03:04,320 --> 00:03:00,640

background and you know they found that

66

00:03:07,110 --> 00:03:04,330

he wasn't even a sheriff deputy at that

67

00:03:10,320 --> 00:03:07,120

time not and he was I guess before then

68

00:03:12,030 --> 00:03:10,330

and then after 1953 so they were

69

00:03:15,060 --> 00:03:12,040

thinking well it was probably not until

70

00:03:17,580 --> 00:03:15,070

1953 he actually saw this this whatever

71

00:03:20,070 --> 00:03:17,590

this crash was but we do have some more

72

00:03:22,710 --> 00:03:20,080

details on this so this was a witness

73

00:03:24,930 --> 00:03:22,720

discovered by Irena Scott who I believe

74

00:03:28,320 --> 00:03:24,940

you've had on the show yes mm-hmm so if

75

00:03:30,390 --> 00:03:28,330

I well it was part of her book UFOs

76

00:03:32,280 --> 00:03:30,400

today which was published by Philip

77

00:03:35,010 --> 00:03:32,290

mantel so she's been working with him on

78

00:03:37,590 --> 00:03:35,020

this well they did get a hold of his

79

00:03:39,300 --> 00:03:37,600

nephew who said that this guy is a

80

00:03:41,070 --> 00:03:39,310

straight shooter he's not a liar at all

81

00:03:44,820 --> 00:03:41,080

he's not a kid or he doesn't really have

82

00:03:47,910 --> 00:03:44,830

much of a sense of humor so if he said

83

00:03:50,310 --> 00:03:47,920

whatever he said it it was probably true

84

00:03:52,340 --> 00:03:50,320

then they were able through him to get

85

00:03:55,229 --> 00:03:52,350

ahold of the son and the son said they

86

00:03:57,240 --> 00:03:55,239

didn't f you I should add said he never

87

00:03:59,210 --> 00:03:57,250

shared that story with him so he was not

88

00:04:01,530 --> 00:03:59,220

aware of this story of seeing this crap

89

00:04:03,420 --> 00:04:01,540

then they got a hold of the son the son

90

00:04:05,040 --> 00:04:03,430

says the same thing my dad was an honest

91

00:04:06,870 --> 00:04:05,050

person to if he said this happened to

92

00:04:08,850 --> 00:04:06,880

happen when they asked him or what about

93

00:04:10,710 --> 00:04:08,860

the discrepancies there and he said well

94

00:04:12,660 --> 00:04:10,720

you know maybe he didn't remember

95

00:04:14,040 --> 00:04:12,670

everything correctly dates and times and

96

00:04:16,650 --> 00:04:14,050

stuff but I think it was you know

97

00:04:19,380 --> 00:04:16,660

Roswell that he saw the Roswell crash

98

00:04:22,170 --> 00:04:19,390

although he did admit that he didn't

99

00:04:26,460 --> 00:04:22,180

know what he saw at first so his father

100

00:04:27,600 --> 00:04:26,470

did didn't leave the scene necessarily

101
00:04:29,820 --> 00:04:27,610
thinking that these were

102
00:04:31,559 --> 00:04:29,830
extraterrestrials and a crash flying

103
00:04:34,950 --> 00:04:31,569
saucer

104
00:04:36,089 --> 00:04:34,960
which kind of says a lot he was until

105
00:04:37,890 --> 00:04:36,099
later when he was seeing these

106
00:04:41,399 --> 00:04:37,900
television shows that he said oh that's

107
00:04:44,279 --> 00:04:41,409
what I saw so I don't know I don't think

108
00:04:46,320 --> 00:04:44,289
this is that strong of a case but there

109
00:04:48,719 --> 00:04:46,330
is some more information that Phillip

110
00:04:52,649 --> 00:04:48,729
posted today that people can take a look

111
00:04:55,830 --> 00:04:52,659
at do you remember this oh yeah I do I

112
00:04:58,909 --> 00:04:55,840
do remember it but also you know is it a

113
00:05:02,760 --> 00:04:58,919

possibility there was another crash like

114

00:05:04,589 --> 00:05:02,770

do I dare say a UFO crash I think

115

00:05:06,929 --> 00:05:04,599

there's a very real possibility that

116

00:05:12,119 --> 00:05:06,939

there was another crash dare I say a

117

00:05:16,350 --> 00:05:12,129

human aircraft that crashed so I think

118

00:05:18,119 --> 00:05:16,360

that is very very possible unfortunately

119

00:05:19,740 --> 00:05:18,129

so yeah we I just don't feel we out of

120

00:05:21,510 --> 00:05:19,750

anything strong enough to put them there

121

00:05:25,050 --> 00:05:21,520

and then we also don't have anything

122

00:05:26,640 --> 00:05:25,060

strong enough to say for sure it was

123

00:05:29,999 --> 00:05:26,650

anything even out of the ordinary

124

00:05:32,249 --> 00:05:30,009

because if you leave a scene you know of

125

00:05:33,779 --> 00:05:32,259

a spacecraft

126

00:05:36,390 --> 00:05:33,789

crash I don't think you're gonna be like

127

00:05:37,860 --> 00:05:36,400

hmm I wonder if that was an airplane you

128

00:05:41,730 --> 00:05:37,870

know you would you would probably be

129

00:05:43,890 --> 00:05:41,740

pretty freaked out yeah not about being

130

00:05:46,129 --> 00:05:43,900

on the side of the road them allowing

131

00:05:49,469 --> 00:05:46,139

him to watch for a period of time and

132

00:05:51,420 --> 00:05:49,479

you know this disk rash if it did happen

133

00:05:53,100 --> 00:05:51,430

and it was unusual well we know

134

00:05:55,529 --> 00:05:53,110

something crashed but it didn't crash on

135

00:05:59,369 --> 00:05:55,539

the side of the highway it's deep in the

136

00:06:02,040 --> 00:05:59,379

desert I have been and not close to any

137

00:06:03,959 --> 00:06:02,050

highways I think that was the flag that

138

00:06:06,240 --> 00:06:03,969

I mentioned that popped up when you

139

00:06:07,890 --> 00:06:06,250

first told the story was that he was

140

00:06:10,619 --> 00:06:07,900

saying was right near the highway and

141

00:06:12,809 --> 00:06:10,629

yeah there's no case at all you know

142

00:06:15,540 --> 00:06:12,819

when it comes to Roswell that you know

143

00:06:18,089 --> 00:06:15,550

the two supposed crash sites had nothing

144

00:06:19,559 --> 00:06:18,099

to do with the highway yeah well and

145

00:06:20,969 --> 00:06:19,569

Irina's talked to this guy I'm not sure

146

00:06:23,490 --> 00:06:20,979

if Phillip has but they've got a video

147

00:06:26,610 --> 00:06:23,500

of him before he passed he's passed away

148

00:06:28,469 --> 00:06:26,620

and you know sounds like by all accounts

149

00:06:31,670 --> 00:06:28,479

he's an honest person

150

00:06:33,689 --> 00:06:31,680

I think but an honest person especially

151

00:06:34,110 --> 00:06:33,699

once they've gotten older can make a

152

00:06:36,600 --> 00:06:34,120

mistake

153

00:06:39,389 --> 00:06:36,610

yeah I make them all the time right

154

00:06:41,530 --> 00:06:39,399

right and you know there's a lot of fun

155

00:06:44,870 --> 00:06:41,540

with me that I make a lot of mistakes

156

00:06:47,780 --> 00:06:44,880

Thanks no but there is a lot of talk

157

00:06:51,830 --> 00:06:47,790

about memory of how memory can change

158

00:06:54,590 --> 00:06:51,840

and like you your jamberry can change

159

00:06:56,360 --> 00:06:54,600

about what you remember that's why it's

160

00:06:58,659 --> 00:06:56,370

so important if you see something really

161

00:07:01,939 --> 00:06:58,669

unusual to document it right away

162

00:07:04,909 --> 00:07:01,949

exactly memory is very fallible and

163

00:07:06,620 --> 00:07:04,919

malleable so there's plenty especially

164

00:07:09,920 --> 00:07:06,630

lately of studies that have gone on

165

00:07:12,560 --> 00:07:09,930

where it shows that people's memories

166

00:07:14,719 --> 00:07:12,570

are completely manipulated it's very

167

00:07:16,909 --> 00:07:14,729

easy to ask something someone about

168

00:07:18,800 --> 00:07:16,919

something that happened and their

169

00:07:21,230 --> 00:07:18,810

memories and we know this from talking

170

00:07:23,779 --> 00:07:21,240

with family you know your parents story

171

00:07:27,740 --> 00:07:23,789

about how you tripped you know and in

172

00:07:29,060 --> 00:07:27,750

front of the your kindergarten class and

173

00:07:31,790 --> 00:07:29,070

cried and ran out of the room or

174

00:07:33,890 --> 00:07:31,800

whatever you know gets exaggerated and

175

00:07:36,200 --> 00:07:33,900

exaggerated more and more all of these

176

00:07:38,360 --> 00:07:36,210

stories get exaggerated and people are

177

00:07:39,469 --> 00:07:38,370

prone to do that and then these memories

178

00:07:42,260 --> 00:07:39,479

are created

179

00:07:45,680 --> 00:07:42,270

so yeah memory is a very fallible thing

180

00:07:47,480 --> 00:07:45,690

they find that out more and more so well

181

00:07:49,219 --> 00:07:47,490

someone just said they don't believe you

182

00:07:51,110 --> 00:07:49,229

make any mistakes in the chat room you

183

00:07:53,180 --> 00:07:51,120

know and I'm surprising him that no one

184

00:07:56,719 --> 00:07:53,190

in the chat room talked about your

185

00:07:58,159 --> 00:07:56,729

Denver Broncos shirt yet me making

186

00:08:01,969 --> 00:07:58,169

mistakes is rare despite what my

187

00:08:03,800 --> 00:08:01,979

girlfriend says are you know why and she

188

00:08:05,420 --> 00:08:03,810

pointed this out earlier because if I

189

00:08:08,089 --> 00:08:05,430

make a mistake I blame it on her so it

190

00:08:09,770 --> 00:08:08,099

was actually her fault not mine so

191

00:08:12,830 --> 00:08:09,780

that's why I don't make mistakes all

192

00:08:15,620 --> 00:08:12,840

right but yeah Denver Broncos yeah

193

00:08:17,089 --> 00:08:15,630

they're pretty cool my hometown but okay

194

00:08:21,110 --> 00:08:17,099

this is the old school when I grew up

195

00:08:23,779 --> 00:08:21,120

this was their logo anyway other news

196

00:08:25,730 --> 00:08:23,789

so more Roswell news and this has to do

197

00:08:27,230 --> 00:08:25,740

with the alien autopsy so I think we

198

00:08:31,370 --> 00:08:27,240

might have talked about this a bit last

199

00:08:33,199 --> 00:08:31,380

week but to summarize you know there was

200

00:08:36,829 --> 00:08:33,209

an interview with in the guy named mile

201
00:08:38,360 --> 00:08:36,839
Spyros malarious and that this was kind

202
00:08:40,880 --> 00:08:38,370
of the first time he came forward and it

203
00:08:42,769 --> 00:08:40,890
was in the UK paper about a week ago

204
00:08:46,340 --> 00:08:42,779
where he said I'm the guy who made the

205
00:08:48,890 --> 00:08:46,350
famous alien autopsy film I'm the one

206
00:08:51,020 --> 00:08:48,900
who got all the 40 style stuff and he

207
00:08:54,470 --> 00:08:51,030
told the story about how he did all this

208
00:08:54,720 --> 00:08:54,480
it was a fairly short story well not to

209
00:08:56,879 --> 00:08:54,730
be

210
00:08:58,949 --> 00:08:56,889
out done a couple days later Ray

211
00:09:01,560 --> 00:08:58,959
Santilli who is the most well known

212
00:09:03,269 --> 00:09:01,570
person attached to this film he's the

213
00:09:05,280 --> 00:09:03,279

guy who paid for it to get made in

214

00:09:08,370 --> 00:09:05,290

everything he came forward and said no

215

00:09:10,680 --> 00:09:08,380

malarious is wrong sure it is a hoax

216

00:09:12,750 --> 00:09:10,690

video I've admitted that we hoax it but

217

00:09:13,579 --> 00:09:12,760

it was based off of this film that was

218

00:09:16,860 --> 00:09:13,589

real

219

00:09:19,560 --> 00:09:16,870

meantime philip mantle who we talked

220

00:09:21,300 --> 00:09:19,570

about just a second ago he's probably

221

00:09:23,100 --> 00:09:21,310

the one who's investigated this the most

222

00:09:25,740 --> 00:09:23,110

he's broken a lot of these stories he's

223

00:09:27,840 --> 00:09:25,750

talking to malarious before and John

224

00:09:30,689 --> 00:09:27,850

Humphrys the special effects guy who

225

00:09:33,509 --> 00:09:30,699

actually designed the alien and he

226

00:09:37,350 --> 00:09:33,519

posted at open mind to that TV his full

227

00:09:39,870 --> 00:09:37,360

a summary of his full investigation and

228

00:09:43,230 --> 00:09:39,880

malarious is very clear so his Humphries

229

00:09:45,800 --> 00:09:43,240

we did not see any allegedly real film

230

00:09:49,560 --> 00:09:45,810

we made this alien up from our own

231

00:09:54,750 --> 00:09:49,570

imaginations in fact Ray Santilli had

232

00:09:56,819 --> 00:09:54,760

shown them what he said was film of the

233

00:09:59,009 --> 00:09:56,829

the original film he was provided and

234

00:10:02,040 --> 00:09:59,019

malarious quickly said that was shot

235

00:10:04,980 --> 00:10:02,050

with video and Santilli got embarrassed

236

00:10:07,559 --> 00:10:04,990

and they kind of broke up broke apart

237

00:10:09,629 --> 00:10:07,569

and then molera said hey that wasn't

238

00:10:11,309 --> 00:10:09,639

real but it would be fun to make a real

239

00:10:13,350 --> 00:10:11,319

one and then see what happens

240

00:10:15,240 --> 00:10:13,360

we'll make a documentary about how you

241

00:10:16,980 --> 00:10:15,250

know we have this real footage and then

242

00:10:19,309 --> 00:10:16,990

we'll make a follow-up documentary about

243

00:10:22,379 --> 00:10:19,319

how we faked it on we tricked everybody

244

00:10:23,939 --> 00:10:22,389

well they did that they created the

245

00:10:25,740 --> 00:10:23,949

alien and everything then they brought

246

00:10:28,860 --> 00:10:25,750

Santilli in and said hey look we've

247

00:10:31,889 --> 00:10:28,870

created this film that looks real why

248

00:10:33,150 --> 00:10:31,899

don't we go out and chop this around so

249

00:10:36,269 --> 00:10:33,160

they eventually got a hold of this

250

00:10:38,160 --> 00:10:36,279

filmmaker Bob kiveat and the film was

251
00:10:41,819 --> 00:10:38,170
shot they made millions of dollars huge

252
00:10:44,519 --> 00:10:41,829
success but of course at that time Ray

253
00:10:48,000 --> 00:10:44,529
Santilli wanted to continue to push the

254
00:10:49,889 --> 00:10:48,010
story that it was not fake

255
00:10:51,840 --> 00:10:49,899
you know people did discover that the

256
00:10:53,250 --> 00:10:51,850
original video was fake or a film was

257
00:10:55,530 --> 00:10:53,260
vacant then they tried to pretend that

258
00:10:59,309 --> 00:10:55,540
you know he had a piece that was real

259
00:11:02,009 --> 00:10:59,319
and then a movie was made by starring a

260
00:11:03,780 --> 00:11:02,019
couple comedians in the UK they showed a

261
00:11:06,480 --> 00:11:03,790
little part of this film that was

262
00:11:08,040 --> 00:11:06,490
allegedly real Santilli again tried to

263
00:11:10,559 --> 00:11:08,050

pretend it was real

264

00:11:12,600 --> 00:11:10,569

as Humphries and others n Millar's have

265

00:11:14,970 --> 00:11:12,610

said no that was all made up we made

266

00:11:16,619 --> 00:11:14,980

that up for the film as well the movie

267

00:11:20,669 --> 00:11:16,629

with the comedian's about all of this

268

00:11:23,939 --> 00:11:20,679

well Ray Santilli decides to talk to the

269

00:11:25,379 --> 00:11:23,949

Sun and do an interview and he says you

270

00:11:28,019 --> 00:11:25,389

know I think I mentioned this before

271

00:11:30,119 --> 00:11:28,029

malarious is completely wrong well he

272

00:11:35,100 --> 00:11:30,129

included he said here's a little piece

273

00:11:38,400 --> 00:11:35,110

of the real film here's a image of the

274

00:11:40,919 --> 00:11:38,410

real film that he provided the Sun no

275

00:11:43,919 --> 00:11:40,929

I'm sorry the Daily Express the Daily

276

00:11:46,410 --> 00:11:43,929

Express posted this image and very

277

00:11:49,289 --> 00:11:46,420

quickly his name is scott brando he runs

278

00:11:51,419 --> 00:11:49,299

a site UFO of interest he tweeted me and

279

00:11:54,090 --> 00:11:51,429

he said look that isn't part of any

280

00:11:58,999 --> 00:11:54,100

original film all he did was take a clip

281

00:12:01,889 --> 00:11:59,009

from the fake the the hoax video and he

282

00:12:04,019 --> 00:12:01,899

made it a negative and then he

283

00:12:06,210 --> 00:12:04,029

manipulated it with photoshop to make it

284

00:12:07,650 --> 00:12:06,220

look old and sure enough he shows him

285

00:12:10,350 --> 00:12:07,660

right next to each other and that's

286

00:12:13,859 --> 00:12:10,360

exactly what he did The Daily Express

287

00:12:16,109 --> 00:12:13,869

read our story on this and so they got

288

00:12:19,230 --> 00:12:16,119

their own expert who confirmed yeah this

289

00:12:21,600 --> 00:12:19,240

is just a Photoshop of a clip from the

290

00:12:25,590 --> 00:12:21,610

footage that he has already admitted to

291

00:12:27,720 --> 00:12:25,600

have hoaxing sews until he's got some

292

00:12:29,579 --> 00:12:27,730

more funny business going on here so

293

00:12:32,129 --> 00:12:29,589

Daily Express tried to confront him and

294

00:12:35,549 --> 00:12:32,139

he just won't answer them he said at one

295

00:12:38,549 --> 00:12:35,559

point he said he was too busy one time

296

00:12:40,650 --> 00:12:38,559

he said he was driving he they emailed

297

00:12:43,400 --> 00:12:40,660

him and said you know hey that you tried

298

00:12:47,309 --> 00:12:43,410

to trick us on this and NS reply was

299

00:12:49,109 --> 00:12:47,319

1947 they assume it means it wasn't real

300

00:12:52,019 --> 00:12:49,119

response but he's written about this on

301
00:12:54,929 --> 00:12:52,029
the Daily Express and we have this up at

302
00:12:57,239 --> 00:12:54,939
open minds TV but essentially it all

303
00:13:00,509 --> 00:12:57,249
comes around again at the silly Santilli

304
00:13:04,079 --> 00:13:00,519
guy Freudian slip there when I call him

305
00:13:08,309 --> 00:13:04,089
silly guy but is not to be trusted that

306
00:13:11,489 --> 00:13:08,319
he's a tricky guy and yeah just not to

307
00:13:15,449 --> 00:13:11,499
be trusted so I'll go on the record as

308
00:13:16,980 --> 00:13:15,459
calling him a slime ball he is a slime

309
00:13:20,189 --> 00:13:16,990
ball I agree with that

310
00:13:21,660 --> 00:13:20,199
so yeah I mean malaria sand this is

311
00:13:24,330 --> 00:13:21,670
really cool in our store

312
00:13:26,580 --> 00:13:24,340
mantle even included some pictures and

313
00:13:29,040 --> 00:13:26,590

drawings that malarious made when they

314

00:13:30,690 --> 00:13:29,050

were conceiving of the alien so you can

315

00:13:32,280 --> 00:13:30,700

see these drawings where he's pointing

316

00:13:34,980 --> 00:13:32,290

out we need to make this look like this

317

00:13:36,960 --> 00:13:34,990

we need to make this look like that just

318

00:13:39,240 --> 00:13:36,970

so he could prove that you know this

319

00:13:42,090 --> 00:13:39,250

came from our own imagination this did

320

00:13:45,270 --> 00:13:42,100

not come from any alleged to real photos

321

00:13:47,820 --> 00:13:45,280

from 1947 and I think he makes a great

322

00:13:49,740 --> 00:13:47,830

case I think that for me you know the

323

00:13:52,910 --> 00:13:49,750

autopsy thing was already put to bed but

324

00:13:55,950 --> 00:13:52,920

I think the case for the autopsy being

325

00:13:57,540 --> 00:13:55,960

complete hoax is very strong especially

326

00:14:00,840 --> 00:13:57,550

when the people involved are claiming

327

00:14:02,400 --> 00:14:00,850

that also and he even talks about how he

328

00:14:03,780 --> 00:14:02,410

could have gone on with Santilli and

329

00:14:05,820 --> 00:14:03,790

they could have made more money together

330

00:14:09,000 --> 00:14:05,830

if they would have continued to call it

331

00:14:11,700 --> 00:14:09,010

real but they didn't I think that that's

332

00:14:12,090 --> 00:14:11,710

that's telling yes a couple other short

333

00:14:14,250 --> 00:14:12,100

things

334

00:14:17,550 --> 00:14:14,260

wait a minute before we go there I just

335

00:14:19,680 --> 00:14:17,560

want to say we got Jordan Bonaparte who

336

00:14:23,040 --> 00:14:19,690

I did this show at shag harbour with

337

00:14:25,520 --> 00:14:23,050

he's in that room and he says hi and he

338

00:14:28,740 --> 00:14:25,530

says you have some damn nice hair oh

339

00:14:31,230 --> 00:14:28,750

thank you yeah nice to care I I'm pretty

340

00:14:33,180 --> 00:14:31,240

jealous not too much really look how

341

00:14:37,190 --> 00:14:33,190

great it is it gets more and more white

342

00:14:39,600 --> 00:14:37,200

all the time and I I'm not I just like

343

00:14:42,540 --> 00:14:39,610

well that's very nice to hear because my

344

00:14:44,640 --> 00:14:42,550

hair does whatever it wants and luckily

345

00:14:47,550 --> 00:14:44,650

I'm lucky right now that it's wanting to

346

00:14:51,120 --> 00:14:47,560

look nice yeah but a couple other things

347

00:14:54,300 --> 00:14:51,130

stories that I add that are pretty cool

348

00:14:56,970 --> 00:14:54,310

I think that have been in the news well

349

00:14:59,220 --> 00:14:56,980

I don't know with this first one

350

00:15:00,840 --> 00:14:59,230

it is the Roswell slides the infamous

351

00:15:03,090 --> 00:15:00,850

Roswell slides which you and I have

352

00:15:06,090 --> 00:15:03,100

talked at length about which were of

353

00:15:08,610 --> 00:15:06,100

course a couple years ago and these

354

00:15:10,890 --> 00:15:08,620

slides of a mummy that Haim a moose on

355

00:15:14,730 --> 00:15:10,900

Believe It or Not tried to purport were

356

00:15:16,860 --> 00:15:14,740

alien but he wasn't alone you know he

357

00:15:18,150 --> 00:15:16,870

put on this event Richard Dolan was

358

00:15:20,670 --> 00:15:18,160

there and was kind of giving him the

359

00:15:22,350 --> 00:15:20,680

benefit of the doubt but the main

360

00:15:24,570 --> 00:15:22,360

researchers were Don Schmidt and Tom

361

00:15:27,510 --> 00:15:24,580

Kerry and they didn't do very good

362

00:15:29,910 --> 00:15:27,520

research because the day after they

363

00:15:32,640 --> 00:15:29,920

released a full-on photo full resolution

364

00:15:34,410 --> 00:15:32,650

photo people found out that there's a

365

00:15:35,440 --> 00:15:34,420

placard in there that said this is a

366

00:15:38,110 --> 00:15:35,450

just a mummy

367

00:15:39,970 --> 00:15:38,120

so Jaime of course it's denying that

368

00:15:41,530 --> 00:15:39,980

it's a mummy he still says it's an alien

369

00:15:43,120 --> 00:15:41,540

which is absolutely ridiculous because

370

00:15:44,440 --> 00:15:43,130

we know all about this mummy where it

371

00:15:47,590 --> 00:15:44,450

comes from the whole history and

372

00:15:49,120 --> 00:15:47,600

everything at this point but in this

373

00:15:51,040 --> 00:15:49,130

story it was written by the Guardian

374

00:15:53,770 --> 00:15:51,050

which is another UK paper but this is

375

00:15:55,390 --> 00:15:53,780

not a tabloid this is a you know

376

00:15:58,330 --> 00:15:55,400

probably the most respected paper they

377

00:16:00,450 --> 00:15:58,340

have over there but for some reason they

378

00:16:03,070 --> 00:16:00,460

decided to write on this whole escapade

379

00:16:05,410 --> 00:16:03,080

they took it from the perspective mostly

380

00:16:07,840 --> 00:16:05,420

of the people who were involved like

381

00:16:09,610 --> 00:16:07,850

Adam do someone I had talked to who was

382

00:16:13,960 --> 00:16:09,620

representing the owner of the film and

383

00:16:15,700 --> 00:16:13,970

then Tom and Dawn and Tom and Don admit

384

00:16:17,440 --> 00:16:15,710

we wanted to believe too badly and we

385

00:16:20,200 --> 00:16:17,450

overlooked some information we shouldn't

386

00:16:22,300 --> 00:16:20,210

have but Tom and Don are saying Adam do

387

00:16:23,890 --> 00:16:22,310

in the film owners however did trick us

388

00:16:27,040 --> 00:16:23,900

they didn't give us all the information

389

00:16:28,780 --> 00:16:27,050

Adam do is saying well no we did give

390

00:16:31,240 --> 00:16:28,790

him the information we did feel they

391

00:16:32,890 --> 00:16:31,250

were kind of taking it a little far but

392

00:16:35,220 --> 00:16:32,900

we didn't know we're just going with the

393

00:16:38,500 --> 00:16:35,230

flow to see what would happen and and

394

00:16:41,920 --> 00:16:38,510

and you know I got that sentiment when I

395

00:16:43,300 --> 00:16:41,930

had talked to him I think he was not he

396

00:16:44,530 --> 00:16:43,310

was pretty committed to it being

397

00:16:46,570 --> 00:16:44,540

something strange because they thought

398

00:16:49,330 --> 00:16:46,580

it was when they looked at it that's why

399

00:16:52,990 --> 00:16:49,340

they sought help from from experts

400

00:16:54,940 --> 00:16:53,000

quote-unquote but you know it just went

401
00:16:57,730 --> 00:16:54,950
bad so this story is really interesting

402
00:16:59,470 --> 00:16:57,740
it tells a it tells the whole story a

403
00:17:02,230 --> 00:16:59,480
couple different things that are added

404
00:17:04,510 --> 00:17:02,240
to it but one good thing even Don

405
00:17:08,080 --> 00:17:04,520
Schmidt said was that the media had not

406
00:17:10,720 --> 00:17:08,090
caught on on this whole this whole thing

407
00:17:12,400 --> 00:17:10,730
and so they were happy that it didn't

408
00:17:14,530 --> 00:17:12,410
become a big media thing and then of

409
00:17:16,300 --> 00:17:14,540
course eventually two years later now

410
00:17:18,190 --> 00:17:16,310
the Guardian has written about it that

411
00:17:20,500 --> 00:17:18,200
doesn't seem to have really caught on

412
00:17:22,600 --> 00:17:20,510
much though it's good yeah which is

413
00:17:25,210 --> 00:17:22,610

because it just needs to go away right

414

00:17:27,580 --> 00:17:25,220

and then finally the Atlantic this is a

415

00:17:29,980 --> 00:17:27,590

cool story - speaking of hi mate taking

416

00:17:32,470 --> 00:17:29,990

mummies and calling them aliens while

417

00:17:34,660 --> 00:17:32,480

Gaia which unfortunately is not very

418

00:17:36,400 --> 00:17:34,670

careful with their research in fact I

419

00:17:39,190 --> 00:17:36,410

think their research is awful it's

420

00:17:42,910 --> 00:17:39,200

almost like they like to get hoaxes and

421

00:17:46,180 --> 00:17:42,920

call them real which is unfortunate but

422

00:17:47,830 --> 00:17:46,190

and Jaime does that as well so I guess

423

00:17:49,240 --> 00:17:47,840

they make a good team but they're trying

424

00:17:51,550 --> 00:17:49,250

to purport that these mummy

425

00:17:55,240 --> 00:17:51,560

found in the desert out in like Chile

426
00:17:56,860 --> 00:17:55,250
are aliens well no they're not and as we

427
00:18:00,460 --> 00:17:56,870
know this keeps happening people keep

428
00:18:01,930 --> 00:18:00,470
bringing forth these these bodies and

429
00:18:04,480 --> 00:18:01,940
then purporting them to be alien and

430
00:18:06,760 --> 00:18:04,490
they turn out not to be because the that

431
00:18:10,120 --> 00:18:06,770
desert just the bodies are mummified and

432
00:18:13,990 --> 00:18:10,130
they stay in a in a you know more intact

433
00:18:16,150 --> 00:18:14,000
state longer than other places well the

434
00:18:19,510 --> 00:18:16,160
Atlantic wrote a big long story about

435
00:18:23,950 --> 00:18:19,520
this titled the racism behind alien

436
00:18:26,080 --> 00:18:23,960
mummy hoaxes of which it is a genre I

437
00:18:28,150 --> 00:18:26,090
mean now that's a thing I think after

438
00:18:30,040 --> 00:18:28,160

we've had so many of them and we'll

439

00:18:33,430 --> 00:18:30,050

continue to have more of these alien

440

00:18:34,930 --> 00:18:33,440

mummy hoaxes going on the Atlanta wrote

441

00:18:37,210 --> 00:18:34,940

a story about it and just about how the

442

00:18:38,890 --> 00:18:37,220

locals are upset that you know people

443

00:18:41,590 --> 00:18:38,900

keep digging up their ancestors and

444

00:18:43,480 --> 00:18:41,600

calling them aliens which I could see

445

00:18:44,890 --> 00:18:43,490

how that would be offensive yeah yeah

446

00:18:47,770 --> 00:18:44,900

I'm really glad they wrote that story

447

00:18:52,180 --> 00:18:47,780

and hopefully that I will stop it's not

448

00:18:54,400 --> 00:18:52,190

right it's not right man yeah yeah well

449

00:18:57,040 --> 00:18:54,410

is that all you got this week which all

450

00:18:59,410 --> 00:18:57,050

got a bit actually yeah it was I know

451

00:19:02,590 --> 00:18:59,420

your link is that all that's quite a bit

452

00:19:03,390 --> 00:19:02,600

man all right hey thanks so much I

453

00:19:06,160 --> 00:19:03,400

appreciate it

454

00:19:07,960 --> 00:19:06,170

alright thank you have fun with your

455

00:19:10,180 --> 00:19:07,970

interview Caroline's a lot of fun I had

456

00:19:12,190 --> 00:19:10,190

fun talking with her before and of

457

00:19:14,710 --> 00:19:12,200

course all these stories can be found at

458

00:19:17,200 --> 00:19:14,720

open mindset TV excellent all right

459

00:19:26,280 --> 00:19:17,210

thank you very much see you next with

460

00:19:34,330 --> 00:19:30,850

alright alright so our guest coming up

461

00:19:36,250 --> 00:19:34,340

and I may have just I think I just hung

462

00:19:38,850 --> 00:19:36,260

up on her yeah I did

463

00:19:40,090 --> 00:19:38,860

alright so our guests coming up is

464

00:19:43,360 --> 00:19:40,100

Caroline

465

00:19:45,640 --> 00:19:43,370

Corey and she is a filmmaker futurist

466

00:19:48,850 --> 00:19:45,650

international speaker and a visionary

467

00:19:52,060 --> 00:19:48,860

author of best-selling books on

468

00:19:54,640 --> 00:19:52,070

consciousness and quantum healing and a

469

00:19:58,180 --> 00:19:54,650

very interesting woman and really happy

470

00:20:01,330 --> 00:19:58,190

to have her on board hi Caroline welcome

471

00:20:02,890 --> 00:20:01,340

to the show hi Martin thanks for having

472

00:20:04,330 --> 00:20:02,900

me yes

473

00:20:07,980 --> 00:20:04,340

make sure you turn your camera on if you

474

00:20:13,270 --> 00:20:07,990

would alright so there you are

475

00:20:17,500 --> 00:20:13,280

Hey hi everyone and so anyway thank you

476
00:20:20,440 --> 00:20:17,510
for joining us and so can you give the

477
00:20:23,650 --> 00:20:20,450
audience the listening audience your

478
00:20:26,650 --> 00:20:23,660
background if you would please yeah it's

479
00:20:29,830 --> 00:20:26,660
funny you know I was listening to you

480
00:20:33,640 --> 00:20:29,840
chatting with Alejandro and my

481
00:20:37,690 --> 00:20:33,650
background is so different it's like I

482
00:20:43,390 --> 00:20:37,700
have I I had nothing to do almost with

483
00:20:48,310 --> 00:20:43,400
the whole UFO ufology if you will so my

484
00:20:52,090 --> 00:20:48,320
background is with interaction with the

485
00:20:55,600 --> 00:20:52,100
beings so that's how it started out for

486
00:20:58,000 --> 00:20:55,610
me I was five years old and that's the

487
00:21:00,550 --> 00:20:58,010
first time that I came in contact with

488
00:21:04,960 --> 00:21:00,560

beings they just showed up and we

489

00:21:07,690 --> 00:21:04,970

started talking and and so so that's

490

00:21:11,770 --> 00:21:07,700

that with my background in the sense

491

00:21:12,910 --> 00:21:11,780

that it was a it was a direct and real

492

00:21:15,220 --> 00:21:12,920

experience

493

00:21:18,460 --> 00:21:15,230

it wasn't did I see something in the sky

494

00:21:22,840 --> 00:21:18,470

or not you know and so this experience

495

00:21:25,300 --> 00:21:22,850

was so real I remember everything about

496

00:21:29,260 --> 00:21:25,310

it we were communicating telepathically

497

00:21:33,700 --> 00:21:29,270

I remember how that happened who the

498

00:21:37,470 --> 00:21:33,710

beings were and but what happened was

499

00:21:40,270 --> 00:21:37,480

since that time I started questioning

500

00:21:44,890 --> 00:21:40,280

how did it happen how did they get here

501
00:21:47,320 --> 00:21:44,900
and so because of that I started to get

502
00:21:49,630 --> 00:21:47,330
into consciousness and the mechanics of

503
00:21:52,600 --> 00:21:49,640
the universe and that sort of thing so

504
00:21:54,520 --> 00:21:52,610
that's the reason why I ended up you

505
00:21:57,010 --> 00:21:54,530
know developing methodology for

506
00:21:58,810 --> 00:21:57,020
consciousness and healing and that sort

507
00:22:01,060 --> 00:21:58,820
of stuff so that's kind of my background

508
00:22:03,190 --> 00:22:01,070
in a nutshell yeah so would you say

509
00:22:07,000 --> 00:22:03,200
basically that you would consider

510
00:22:09,990 --> 00:22:07,010
yourself an experiencer or had you had

511
00:22:13,270 --> 00:22:10,000
what people are calling up an abduction

512
00:22:16,390 --> 00:22:13,280
no it wasn't an abduction because I was

513
00:22:19,650 --> 00:22:16,400

551
00:24:07,720 --> 00:24:05,510
kept me going into wanting to understand

552
00:24:10,660 --> 00:24:07,730
how it all worked

553
00:24:14,110 --> 00:24:10,670
who the beings were how many different

554
00:24:15,880 --> 00:24:14,120
types of beings were there is everybody

555
00:24:18,550 --> 00:24:15,890
seeing what I was seeing that sort of

556
00:24:22,540 --> 00:24:18,560
stuff so it kind of shaped my life in a

557
00:24:25,510 --> 00:24:22,550
certain way and I guess I'm gonna ask

558
00:24:27,580 --> 00:24:25,520
you how long did it take before you

559
00:24:29,450 --> 00:24:27,590
actually talked to someone that had a

560
00:24:32,850 --> 00:24:29,460
similar experience

561
00:24:36,300 --> 00:24:32,860
so that was much much much later when I

562
00:24:39,780 --> 00:24:36,310
I mean like when I was an adult and I

563
00:24:41,310 --> 00:24:39,790

601
00:26:36,480 --> 00:26:33,580
to people all over the world as far as

602
00:26:37,920 --> 00:26:36,490
this show goes and it seems like there's

603
00:26:39,720 --> 00:26:37,930
a lot more going on here

604
00:26:42,540 --> 00:26:39,730
not saying that things don't happen

605
00:26:42,960 --> 00:26:42,550
elsewhere but at least people talk about

606
00:26:46,380 --> 00:26:42,970
it

607
00:26:48,570 --> 00:26:46,390
yeah I said yeah that's what that's what

608
00:26:50,940 --> 00:26:48,580
I was gonna say is that I don't know if

609
00:26:53,430 --> 00:26:50,950
it only happens here but I think more

610
00:26:56,580 --> 00:26:53,440
people talk about it here you know

611
00:26:59,880 --> 00:26:56,590
because I guess it's more open and it's

612
00:27:01,680 --> 00:26:59,890
okay and there's more a lot more

613
00:27:04,020 --> 00:27:01,690

651
00:28:50,310 --> 00:28:47,920
my brain and vice versa so so that's

652
00:28:52,170 --> 00:28:50,320
kind of how it started and then they

653
00:28:55,020 --> 00:28:52,180
said we are now communicating

654
00:28:58,140 --> 00:28:55,030
telepathically and

655
00:29:02,280 --> 00:28:58,150
they said the way you do this is you're

656
00:29:04,440 --> 00:29:02,290
actually condense an entire concept like

657
00:29:07,470 --> 00:29:04,450
you crunch it together and then they

658
00:29:09,240 --> 00:29:07,480
showed me like some sort of symbols so

659
00:29:11,670 --> 00:29:09,250
instead of speaking

660
00:29:15,930 --> 00:29:11,680
you know like for hours and hours you

661
00:29:19,080 --> 00:29:15,940
just kind of get as transfer a symbol

662
00:29:21,630 --> 00:29:19,090
and that symbol equals a whole

663
00:29:24,810 --> 00:29:21,640

701
00:31:03,420 --> 00:31:01,210
the form of codes it's literally like a

702
00:31:07,170 --> 00:31:03,430
code and then when you download this

703
00:31:08,910 --> 00:31:07,180
code it opens into your own computer

704
00:31:11,070 --> 00:31:08,920
system if you will in

705
00:31:12,660 --> 00:31:11,080
the language that you understand so it's

706
00:31:14,160 --> 00:31:12,670
not like they're speaking English or

707
00:31:16,800 --> 00:31:14,170
they're speaking French doesn't work

708
00:31:18,980 --> 00:31:16,810
this way you know what I mean right

709
00:31:24,840 --> 00:31:18,990
I actually it's this common denominator

710
00:31:27,420 --> 00:31:24,850
is a coded language and and your brain

711
00:31:30,630 --> 00:31:27,430
is the one that's translating it into

712
00:31:33,540 --> 00:31:30,640
what you understand I think it's in two

713
00:31:35,850 --> 00:31:33,550

to do but you're not you're you don't

1189

00:54:33,470 --> 00:54:31,049

know who's talking to you it's so on and

1190

00:54:36,859 --> 00:54:33,480

so forth so you see how it becomes kind

1191

00:54:41,390 --> 00:54:36,869

of confusing so we are influenced by all

1192

00:54:44,049 --> 00:54:41,400

sorts of stuff and being then in

1193

00:54:45,890 --> 00:54:44,059

consciousness all connecting together

1194

00:54:48,349 --> 00:54:45,900

all right well let me ask you this

1195

00:54:51,109 --> 00:54:48,359

earlier when we were first talking

1196

00:54:53,029 --> 00:54:51,119

before the show you talked about your

1197

00:54:55,309 --> 00:54:53,039

little Lhasa Apso and I talked about my

1198

00:54:58,039 --> 00:54:55,319

chihuahua I loved yeah the dog lover so

1199

00:54:59,480 --> 00:54:58,049

are you so how do animals that they're

1200

00:55:02,059 --> 00:54:59,490

not they don't have the intelligence

1201

00:55:04,849 --> 00:55:02,069

that we have how do they fit into this

1202

00:55:09,079 --> 00:55:04,859

whole thought of what you're talking

1203

00:55:11,539 --> 00:55:09,089

about so for me animals were are created

1204

00:55:15,140 --> 00:55:11,549

usually to support the consciousness of

1205

00:55:19,910 --> 00:55:15,150

a planet so their chemistry and their

1206

00:55:22,519 --> 00:55:19,920

electrical system are made to kind of

1207

00:55:24,260 --> 00:55:22,529

recycle a lot of the information that

1208

00:55:28,099 --> 00:55:24,270

the earth needs that's why they're

1209

00:55:29,390 --> 00:55:28,109

usually on four legs because they you

1210

00:55:31,819 --> 00:55:29,400

know bring in the information from the

1211

00:55:34,260 --> 00:55:31,829

earth and out to the earth or if they're

1212

00:55:37,290 --> 00:55:34,270

flying like birds and their work work

1213

00:55:41,040 --> 00:55:37,300

with the magnetic field of the planet so

1214

00:55:44,240 --> 00:55:41,050

the the the animals are part of the

1215

00:55:46,980 --> 00:55:44,250

planetary consciousness part of its

1216

00:55:49,380 --> 00:55:46,990

mechanics if you will that's how they

1217

00:55:52,260 --> 00:55:49,390

fit in but of course they can pick up

1218

00:55:55,140 --> 00:55:52,270

human stuff too energetic stuff just

1219

00:55:58,020 --> 00:55:55,150

like you saw in the film what we did

1220

00:56:00,300 --> 00:55:58,030

with the human DNA someone want to know

1221

00:56:03,300 --> 00:56:00,310

in the chat room if there is any

1222

00:56:05,940 --> 00:56:03,310

evidence that all of what we're seeing

1223

00:56:08,910 --> 00:56:05,950

is assimilation I've heard of that

1224

00:56:12,780 --> 00:56:08,920

theory yeah yeah you know I thought

1225

00:56:15,080 --> 00:56:12,790

about that many many times but there's

1226

00:56:19,470 --> 00:56:15,090

too much evidence that it is not

1227

00:56:23,910 --> 00:56:19,480

assimilation because you can change

1228

00:56:25,500 --> 00:56:23,920

certain things if it's a simulation you

1229

00:56:29,370 --> 00:56:25,510

would think that certain things could

1230

00:56:32,070 --> 00:56:29,380

not be changed at will you know so I've

1231

00:56:35,630 --> 00:56:32,080

had very strong and very real

1232

00:56:39,120 --> 00:56:35,640

experiences where I could change

1233

00:56:43,710 --> 00:56:39,130

literally some things within you know

1234

00:56:47,130 --> 00:56:43,720

the physical reality if you will so if I

1235

00:56:49,350 --> 00:56:47,140

have that much control then how could it

1236

00:56:53,660 --> 00:56:49,360

be assumed you know what I mean so I'm

1237

00:56:57,540 --> 00:56:53,670

kind of overriding the the the program

1238

00:57:00,570 --> 00:56:57,550

you see yeah yeah I get that

1239

00:57:03,330 --> 00:57:00,580

so bill wanted to know he sent this

1240

00:57:05,220 --> 00:57:03,340

question in you have had experiments

1241

00:57:07,500 --> 00:57:05,230

performed to demonstrate relationship

1242

00:57:10,560 --> 00:57:07,510

between intent or consciousness and

1243

00:57:12,780 --> 00:57:10,570

remotely affecting DNA I do want to talk

1244

00:57:15,300 --> 00:57:12,790

about that to investigate the healing

1245

00:57:18,120 --> 00:57:15,310

properties of consciousness what

1246

00:57:18,870 --> 00:57:18,130

experiments have you done and what were

1247

00:57:21,600 --> 00:57:18,880

the results

1248

00:57:24,750 --> 00:57:21,610

did you also do experiments to rule out

1249

00:57:28,770 --> 00:57:24,760

the observed effects when coming from

1250

00:57:30,690 --> 00:57:28,780

something other than intent so that was

1251
00:57:33,270 --> 00:57:30,700
part of your film so go ahead and talk

1252
00:57:36,390 --> 00:57:33,280
about that if you would yeah exactly so

1253
00:57:39,720 --> 00:57:36,400
so what I wanted to do is demonstrate

1254
00:57:43,920 --> 00:57:39,730
that it is possible to come in contact

1255
00:57:45,450 --> 00:57:43,930
with a non visible entity and so because

1256
00:57:47,880 --> 00:57:45,460
like I said that's what happened to me

1257
00:57:52,499 --> 00:57:47,890
many many times

1258
00:57:54,809 --> 00:57:52,509
so I spoke with the doctor Rhine and I

1259
00:57:57,509 --> 00:57:54,819
said why don't we design an experiment

1260
00:58:00,239 --> 00:57:57,519
where we because there have been many

1261
00:58:04,049 --> 00:58:00,249
experiments and research and articles

1262
00:58:06,450 --> 00:58:04,059
written on people measuring the the

1263
00:58:09,180 --> 00:58:06,460

intent on water I mean so this there's

1264

00:58:12,120 --> 00:58:09,190

nothing new there but what we wanted to

1265

00:58:14,279 --> 00:58:12,130

do is because we were talking about et's

1266

00:58:14,700 --> 00:58:14,289

and entities and spirits and stuff like

1267

00:58:16,470 --> 00:58:14,710

that

1268

00:58:18,539 --> 00:58:16,480

I said well instead of just

1269

00:58:21,180 --> 00:58:18,549

demonstrating healing ability and

1270

00:58:24,390 --> 00:58:21,190

changing the water structure can we

1271

00:58:26,549 --> 00:58:24,400

bring an actual consciousness of spirit

1272

00:58:28,170 --> 00:58:26,559

entity and I said there's never been

1273

00:58:31,680 --> 00:58:28,180

done before I said well that's the point

1274

00:58:33,539 --> 00:58:31,690

let's see what happens and so so we

1275

00:58:35,579 --> 00:58:33,549

designed the experiment you know he's

1276

00:58:39,299 --> 00:58:35,589

working with DNA which was kind of also

1277

00:58:42,960 --> 00:58:39,309

very interesting and he has DNA's from

1278

00:58:45,989 --> 00:58:42,970

placenta from female placenta which is

1279

00:58:48,059 --> 00:58:45,999

perfect and so what he would do is he

1280

00:58:50,099 --> 00:58:48,069

would measure it as a contrast science

1281

00:58:52,829 --> 00:58:50,109

experiment you have to measure it over

1282

00:58:55,979 --> 00:58:52,839

and over and over and as a control and

1283

00:58:59,640 --> 00:58:55,989

then do the experiment again ten times

1284

00:59:01,640 --> 00:58:59,650

to make sure it wasn't a fluke so what

1285

00:59:05,099 --> 00:59:01,650

he did is first he measured the

1286

00:59:07,680 --> 00:59:05,109

conductivity of the placenta the DNA and

1287

00:59:11,789 --> 00:59:07,690

he also measured the frequencies and

1288

00:59:13,739 --> 00:59:11,799

what I did was I first I we kind of

1289

00:59:16,349 --> 00:59:13,749

looked at it and did nothing you know

1290

00:59:21,660 --> 00:59:16,359

that was a control and then I brought in

1291

00:59:24,479 --> 00:59:21,670

a I invoked a at the time it was an

1292

00:59:28,440 --> 00:59:24,489

archangel like a mara Archangel Michael

1293

00:59:33,539 --> 00:59:28,450

and so we we brought in this energy and

1294

00:59:39,120 --> 00:59:33,549

exactly at that time the the DNA started

1295

00:59:42,809 --> 00:59:39,130

to register crazy like I mean effect and

1296

00:59:44,339 --> 00:59:42,819

so long story short we did that over and

1297

00:59:46,529 --> 00:59:44,349

over and you know as a scientific

1298

00:59:48,509 --> 00:59:46,539

experiment you do on and off and on and

1299

00:59:52,289 --> 00:59:48,519

off so to make sure it's correlated

1300

00:59:54,479 --> 00:59:52,299

properly and eventually we saw very a

1301
00:59:58,380 --> 00:59:54,489
correlation very strong correlation with

1302
01:00:01,300 --> 00:59:58,390
the times that you know we I was

1303
01:00:05,760 --> 01:00:01,310
bringing this consciousness

1304
01:00:09,610 --> 01:00:05,770
the DNA and it basically shot up 400%

1305
01:00:11,920 --> 01:00:09,620
its conductivity shot up 400% which was

1306
01:00:13,930 --> 01:00:11,930
very it was very very significant that's

1307
01:00:18,340 --> 01:00:13,940
one of the results and we did other ones

1308
01:00:19,960 --> 01:00:18,350
yeah I know the the scientists there was

1309
01:00:22,360 --> 01:00:19,970
seemed like it was a little bit shocked

1310
01:00:24,880 --> 01:00:22,370
about that he was very shocked he was

1311
01:00:27,490 --> 01:00:24,890
like wow and because it was also very

1312
01:00:31,960 --> 01:00:27,500
fast I mean I invoked the energy in like

1313
01:00:34,090 --> 01:00:31,970

few seconds it was like yeah so so he

1314

01:00:36,100 --> 01:00:34,100

was very very shocked but we also had

1315

01:00:39,520 --> 01:00:36,110

another result that was even more

1316

01:00:40,990 --> 01:00:39,530

shocking and I mean I don't want to give

1317

01:00:42,610 --> 01:00:41,000

away the whole film because it's kind of

1318

01:00:45,790 --> 01:00:42,620

fun to discover it as you're watching

1319

01:00:48,850 --> 01:00:45,800

the film but basically we also he also

1320

01:00:51,280 --> 01:00:48,860

did another measuring which had to do

1321

01:00:55,030 --> 01:00:51,290

with frequency which was interesting as

1322

01:00:57,160 --> 01:00:55,040

well and after the contact when we

1323

01:01:00,220 --> 01:00:57,170

brought in this consciousness the

1324

01:01:02,010 --> 01:01:00,230

frequencies also changed but I'm not

1325

01:01:07,900 --> 01:01:02,020

gonna say how where it was very

1326

01:01:10,360 --> 01:01:07,910

significant and it was people I mean I

1327

01:01:12,490 --> 01:01:10,370

mean he was like this could not have

1328

01:01:13,450 --> 01:01:12,500

happened this does not even make logical

1329

01:01:16,060 --> 01:01:13,460

sense

1330

01:01:19,180 --> 01:01:16,070

so and again we did it scientifically we

1331

01:01:20,770 --> 01:01:19,190

did over and over and over so these are

1332

01:01:24,040 --> 01:01:20,780

these are the types of things that I did

1333

01:01:25,060 --> 01:01:24,050

with the DNA and and it's pretty I mean

1334

01:01:27,910 --> 01:01:25,070

think about it

1335

01:01:32,400 --> 01:01:27,920

what we were able to demonstrate was

1336

01:01:36,160 --> 01:01:32,410

that in non-physical entity was

1337

01:01:39,880 --> 01:01:36,170

literally changing the DNA so I mean

1338

01:01:41,710 --> 01:01:39,890

that's that's pretty huge you know so so

1339

01:01:44,200 --> 01:01:41,720

the other experiments that were done

1340

01:01:46,780 --> 01:01:44,210

with the intent and the healing were

1341

01:01:50,590 --> 01:01:46,790

doing one thing but here we're measuring

1342

01:01:53,080 --> 01:01:50,600

human DNA literally change just through

1343

01:01:56,530 --> 01:01:53,090

you know the present well okay so then

1344

01:01:58,450 --> 01:01:56,540

in the film people may say well is it my

1345

01:02:00,850 --> 01:01:58,460

intent or is it the presence of the

1346

01:02:02,680 --> 01:02:00,860

being and we did other experiments and

1347

01:02:07,030 --> 01:02:02,690

we continued by the way after the film

1348

01:02:11,020 --> 01:02:07,040

to do more experiments but even if and

1349

01:02:15,010 --> 01:02:11,030

just people who watch just the film see

1350

01:02:16,660 --> 01:02:15,020

whether it's me or the the end

1351

01:02:18,730 --> 01:02:16,670

see the fact that I wasn't even touching

1352

01:02:21,150 --> 01:02:18,740

the DNA you know what I mean

1353

01:02:24,610 --> 01:02:21,160

so how did that transfer happen you know

1354

01:02:27,370 --> 01:02:24,620

exactly at that time so but we are doing

1355

01:02:29,770 --> 01:02:27,380

additional experiments now we're

1356

01:02:34,750 --> 01:02:29,780

designing a whole set of experiments you

1357

01:02:36,820 --> 01:02:34,760

know on the same basis to show you know

1358

01:02:39,310 --> 01:02:36,830

what the difference between me and my

1359

01:02:42,370 --> 01:02:39,320

intent effect of the DNA versus an

1360

01:02:44,110 --> 01:02:42,380

actual entity and which entity and then

1361

01:02:47,020 --> 01:02:44,120

other entities so it's really really

1362

01:02:50,710 --> 01:02:47,030

exciting ok well we're at the top of the

1363

01:02:53,290 --> 01:02:50,720

era can you let the listener know where

1364

01:02:55,270 --> 01:02:53,300

they can actually see this film I mean I

1365

01:02:57,490 --> 01:02:55,280

looked at the screen version the

1366

01:03:00,130 --> 01:02:57,500

screening version can someone actually

1367

01:03:02,410 --> 01:03:00,140

rent it at this point yeah it's gonna be

1368

01:03:05,140 --> 01:03:02,420

out in just a few days like October 10th

1369

01:03:10,090 --> 01:03:05,150

so just in a couple of days and people

1370

01:03:13,780 --> 01:03:10,100

can go to the website et - contact comm

1371

01:03:15,220 --> 01:03:13,790

et - contact comm and then go to watch

1372

01:03:17,080 --> 01:03:15,230

the film and they'll see all the

1373

01:03:19,120 --> 01:03:17,090

information there okay is it gonna be on

1374

01:03:21,250 --> 01:03:19,130

like Amazon or anything like that yeah

1375

01:03:24,340 --> 01:03:21,260

it's gonna be on all the platforms so

1376

01:03:26,710 --> 01:03:24,350

people can just choose and decide what

1377

01:03:30,790 --> 01:03:26,720

they like okay so while we're on the

1378

01:03:34,000 --> 01:03:30,800

topic of the DNA how controlled was the

1379

01:03:36,430 --> 01:03:34,010

environment that the DNA was stored

1380

01:03:39,240 --> 01:03:36,440

between experiments and all that was

1381

01:03:42,370 --> 01:03:39,250

that regular you know really regulated

1382

01:03:44,320 --> 01:03:42,380

yeah I mean again so we did the control

1383

01:03:46,540 --> 01:03:44,330

like I said you do it over and over and

1384

01:03:49,090 --> 01:03:46,550

over in the same environment the same

1385

01:03:52,150 --> 01:03:49,100

kind of conditions that's the point and

1386

01:03:56,230 --> 01:03:52,160

this is what these were the results so

1387

01:04:00,280 --> 01:03:56,240

you know that's that's what happened and

1388

01:04:02,380 --> 01:04:00,290

we did another experiment also whoo that

1389

01:04:05,860 --> 01:04:02,390

it's not in the film but like I said

1390

01:04:09,070 --> 01:04:05,870

after we did all these experiments with

1391

01:04:12,610 --> 01:04:09,080

these scientists it was so exciting that

1392

01:04:14,530 --> 01:04:12,620

after the filming we were like oh we

1393

01:04:17,080 --> 01:04:14,540

need to do more this is really really

1394

01:04:23,170 --> 01:04:17,090

interesting so I did another experiment

1395

01:04:26,890 --> 01:04:23,180

with dr. Rubik Beverly Rubik and and

1396

01:04:28,700 --> 01:04:26,900

Harry jabs they work together and what

1397

01:04:33,190 --> 01:04:28,710

they did was

1398

01:04:36,170 --> 01:04:33,200

measure the bio photon emission of

1399

01:04:38,240 --> 01:04:36,180

healers for example as they were coming

1400

01:04:40,640 --> 01:04:38,250

in contact with their spirit guides or

1401

01:04:43,309 --> 01:04:40,650

what have you and seeing the difference

1402

01:04:45,589 --> 01:04:43,319

so I did another experiment with them

1403

01:04:49,370 --> 01:04:45,599

where it was a long distance it was a

1404

01:04:52,240 --> 01:04:49,380

remote contact they were in in San

1405

01:04:55,010 --> 01:04:52,250

Francisco and I was in Los Angeles and

1406

01:04:57,020 --> 01:04:55,020

and we did the same thing it we did the

1407

01:04:59,990 --> 01:04:57,030

control for I don't know three hours or

1408

01:05:03,440 --> 01:05:00,000

something so we measured the the space

1409

01:05:06,290 --> 01:05:03,450

for a long period of time and then I

1410

01:05:10,700 --> 01:05:06,300

came in and I specifically kind of

1411

01:05:12,620 --> 01:05:10,710

invoked an energy for I think it was ten

1412

01:05:14,480 --> 01:05:12,630

minutes or twenty minutes I'm not sure

1413

01:05:18,490 --> 01:05:14,490

but for twenty minutes

1414

01:05:20,870 --> 01:05:18,500

or that time and then they they

1415

01:05:23,480 --> 01:05:20,880

registered like the machines were all

1416

01:05:26,809 --> 01:05:23,490

like registering crazy stuff and then it

1417

01:05:29,420 --> 01:05:26,819

was like nothing the next twenty minutes

1418

01:05:30,349 --> 01:05:29,430

and then when I would do it again the

1419

01:05:32,170 --> 01:05:30,359

next twenty minutes

1420

01:05:34,760 --> 01:05:32,180

the machines were so that's how

1421

01:05:37,730 --> 01:05:34,770

scientifically they do it it means they

1422

01:05:40,549 --> 01:05:37,740

try to find a correlation on and off on

1423

01:05:43,130 --> 01:05:40,559

and off when you're on they try to find

1424

01:05:45,319 --> 01:05:43,140

the correlation with their machine if

1425

01:05:49,819 --> 01:05:45,329

their machines are reacting or not does

1426
01:05:52,510 --> 01:05:49,829
that make sense yeah okay sure let's see

1427
01:05:56,780 --> 01:05:52,520
I wanted to ask a question that came up

1428
01:05:58,880 --> 01:05:56,790
as far as the ETS where do you think

1429
01:06:02,180 --> 01:05:58,890
they come from that's on the chat in the

1430
01:06:04,970 --> 01:06:02,190
chat room well there's different ones

1431
01:06:06,950 --> 01:06:04,980
that come I mean there's hundreds of ETS

1432
01:06:09,740 --> 01:06:06,960
I mean they're and they're coming from

1433
01:06:13,460 --> 01:06:09,750
everywhere for different reasons some of

1434
01:06:17,390 --> 01:06:13,470
them come in to incarnate in human form

1435
01:06:20,680 --> 01:06:17,400
some of them are here to simply interact

1436
01:06:25,400 --> 01:06:20,690
from again through the black holes

1437
01:06:28,579 --> 01:06:25,410
through what I call introductions so

1438
01:06:31,849 --> 01:06:28,589

they're speaking to us telepathically or

1439

01:06:34,640 --> 01:06:31,859

downloading information or that sort of

1440

01:06:37,069 --> 01:06:34,650

interaction and so they they come in

1441

01:06:39,470 --> 01:06:37,079

within our earth space but they're not

1442

01:06:42,229 --> 01:06:39,480

physically here so there are though

1443

01:06:43,819 --> 01:06:42,239

there's tons of those tons

1444

01:06:48,259 --> 01:06:43,829

and they're coming from everywhere

1445

01:06:52,009 --> 01:06:48,269

within this planetary system and doing

1446

01:06:54,529 --> 01:06:52,019

all sorts of downloads and healing and

1447

01:06:58,779 --> 01:06:54,539

teaching and things like that but there

1448

01:07:02,959 --> 01:06:58,789

are also this at this particular time

1449

01:07:06,289 --> 01:07:02,969

there are very specific types of beings

1450

01:07:08,749 --> 01:07:06,299

that are coming from very far away in

concluded so is it's pretty

1764

01:22:06,520 --> 01:22:03,350

mind-boggling what was what's happening

1765

01:22:11,380 --> 01:22:06,530

out there I think yeah you know you

1766

01:22:13,770 --> 01:22:11,390

start to wonder like this is real so do

1767

01:22:16,979 --> 01:22:13,780

you think there's one theory

1768

01:22:19,680 --> 01:22:16,989

of what I'm trying to remember what what

1769

01:22:22,560 --> 01:22:19,690

Einstein was looking for the theory of

1770

01:22:26,279 --> 01:22:22,570

everything right do you think that there

1771

01:22:28,919 --> 01:22:26,289

is such a thing yeah actually I do and

1772

01:22:32,540 --> 01:22:28,929

that's what we were talking about in the

1773

01:22:36,510 --> 01:22:32,550

film as well because by the time we

1774

01:22:39,330 --> 01:22:36,520

explained how black holes and the

1775

01:22:43,080 --> 01:22:39,340

magnetism and the fabric of space itself

1776
01:22:45,569 --> 01:22:43,090
and quantum the quantum waves and how

1777
01:22:47,609 --> 01:22:45,579
they behave by the time we kind of put

1778
01:22:50,609 --> 01:22:47,619
it all together and connected the dots

1779
01:22:53,729 --> 01:22:50,619
we realize that wait a minute

1780
01:22:56,459 --> 01:22:53,739
this explains physical space the it

1781
01:22:59,459 --> 01:22:56,469
explains quantum space meaning the space

1782
01:23:03,209 --> 01:22:59,469
we don't see this explains the mechanics

1783
01:23:06,779 --> 01:23:03,219
within both spaces meaning telepathic

1784
01:23:09,240 --> 01:23:06,789
communication teleportation nonlocality

1785
01:23:11,330 --> 01:23:09,250
it kind of like all of a sudden like

1786
01:23:14,100 --> 01:23:11,340
wait a minute we're now talking about

1787
01:23:17,189 --> 01:23:14,110
consciousness is this the theory of

1788
01:23:19,560 --> 01:23:17,199

consciousness are we isn't that more

1789

01:23:21,740 --> 01:23:19,570

what we should be looking at as the

1790

01:23:26,540 --> 01:23:21,750

theory of everything so I definitely

1791

01:23:30,240 --> 01:23:26,550

think there is such a thing but it's not

1792

01:23:32,760 --> 01:23:30,250

just the physical universe where we need

1793

01:23:36,479 --> 01:23:32,770

to be talking about the quantum space

1794

01:23:40,529 --> 01:23:36,489

the quantum signature and quantum

1795

01:23:42,990 --> 01:23:40,539

reality as well so it's it seems to me

1796

01:23:48,479 --> 01:23:43,000

this would lead into and you probably

1797

01:23:50,160 --> 01:23:48,489

talked about it in your film but so how

1798

01:23:55,859 --> 01:23:50,170

does reincarnation fit into this whole

1799

01:23:58,890 --> 01:23:55,869

thing yeah so so again going back to

1800

01:24:01,109 --> 01:23:58,900

where you start let's say to go back to

1801

01:24:04,200 --> 01:24:01,119

this exam example you start out let's

1802

01:24:06,629 --> 01:24:04,210

say at the platies and you say you look

1803

01:24:08,339 --> 01:24:06,639

down at the planet and planet Earth and

1804

01:24:10,350 --> 01:24:08,349

you say you know I think I'm gonna go

1805

01:24:13,410 --> 01:24:10,360

down and help those little Earthlings

1806

01:24:16,799 --> 01:24:13,420

down there I'm gonna be an a human

1807

01:24:19,260 --> 01:24:16,809

myself and I think I'm going to like I

1808

01:24:21,299 --> 01:24:19,270

said you write a you have a story you

1809

01:24:25,649 --> 01:24:21,309

have a program you have a plan and that

1810

01:24:27,870 --> 01:24:25,659

plan is to let's say raise human

1811

01:24:31,170 --> 01:24:27,880

consciousness maybe bring some

1812

01:24:36,510 --> 01:24:31,180

cosmic spiritual teaching to that

1813

01:24:40,500 --> 01:24:36,520

particular planet so before you come in

1814

01:24:43,080 --> 01:24:40,510

it's it's like you its calculations it's

1815

01:24:45,960 --> 01:24:43,090

it's literally mathematics but to

1816

01:24:49,290 --> 01:24:45,970

simplify it so so you kind of think of

1817

01:24:54,090 --> 01:24:49,300

the the amount of consciousness you're

1818

01:24:56,190 --> 01:24:54,100

going to need in a human body to create

1819

01:25:00,030 --> 01:24:56,200

that whole story to accomplish your goal

1820

01:25:01,920 --> 01:25:00,040

so from that original point of view from

1821

01:25:03,630 --> 01:25:01,930

that starting point which is at the

1822

01:25:06,540 --> 01:25:03,640

plate is looking down at the earth you

1823

01:25:12,000 --> 01:25:06,550

say okay I'm probably gonna need about

1824

01:25:15,920 --> 01:25:12,010

10 to 15 at least life times 10 to 15

1825

01:25:19,020 --> 01:25:15,930

lifetimes to accomplish this one goal so

1826

01:25:20,790 --> 01:25:19,030

from the beginning you know that your

1827

01:25:23,610 --> 01:25:20,800

consciousness is gonna have to split up

1828

01:25:27,210 --> 01:25:23,620

ten to fifteen times so one a part of

1829

01:25:29,850 --> 01:25:27,220

you is gonna come in at 3000 BC another

1830

01:25:31,200 --> 01:25:29,860

one is gonna come in at a thousand BC

1831

01:25:33,900 --> 01:25:31,210

and other one's going to come in I don't

1832

01:25:37,710 --> 01:25:33,910

know in the year ten ad or whatever so

1833

01:25:42,270 --> 01:25:37,720

you kind of already space it out so that

1834

01:25:44,760 --> 01:25:42,280

you cover that amount of time to to

1835

01:25:47,460 --> 01:25:44,770

finish your to accomplish your goal and

1836

01:25:50,100 --> 01:25:47,470

so so that's the reason why from the

1837

01:25:51,720 --> 01:25:50,110

beginning all of these lives are more

1838

01:25:56,130 --> 01:25:51,730

like parallel lives because they

1839

01:25:58,640 --> 01:25:56,140

actually co-exist but as you go in and

1840

01:26:03,300 --> 01:25:58,650

you take on the first body meaning you

1841

01:26:06,630 --> 01:26:03,310

you come in in the first human form 3000

1842

01:26:09,120 --> 01:26:06,640

years ago and you act out your human

1843

01:26:11,280 --> 01:26:09,130

thing of course not everything goes

1844

01:26:14,610 --> 01:26:11,290

according to plan you forget certain

1845

01:26:17,610 --> 01:26:14,620

things you kind of you know get involved

1846

01:26:20,880 --> 01:26:17,620

with the wrong things for a while so you

1847

01:26:24,330 --> 01:26:20,890

are actually kind of messing up a little

1848

01:26:27,390 --> 01:26:24,340

bit your reincarnation program so but

1849

01:26:31,320 --> 01:26:27,400

you do have already a reincarnation plan

1850

01:26:33,960 --> 01:26:31,330

in place before even coming here you see

1851

01:26:35,990 --> 01:26:33,970

what I mean and so when you by the time

1852

01:26:38,940 --> 01:26:36,000

you get to the third or the fourth

1853

01:26:41,160 --> 01:26:38,950

lifetime from the human perspective

1854

01:26:43,560 --> 01:26:41,170

looking back it looks like

1855

01:26:45,660 --> 01:26:43,570

to past life but actually from the

1856

01:26:49,410 --> 01:26:45,670

beginning from your original self it's

1857

01:26:53,600 --> 01:26:49,420

all parallel and an instantaneous at the

1858

01:26:56,910 --> 01:26:53,610

same time is that confusing enough yeah

1859

01:26:58,800 --> 01:26:56,920

yeah I'm not sure if I I've never really

1860

01:27:01,709 --> 01:26:58,810

bought the reincarnation thing and I

1861

01:27:03,360 --> 01:27:01,719

know every time I say that not every

1862

01:27:05,820 --> 01:27:03,370

time but I've said that a few times I I

1863

01:27:08,700 --> 01:27:05,830

do get email there's a lot of people

1864

01:27:10,680 --> 01:27:08,710

that really strongly believe in in it

1865

01:27:13,260 --> 01:27:10,690

but you know this is it's a UFO show

1866

01:27:18,120 --> 01:27:13,270

it's quite a bit off-topic but that's my

1867

01:27:21,180 --> 01:27:18,130

fault for asking that question so has

1868

01:27:22,530 --> 01:27:21,190

there been any study from the

1869

01:27:25,919 --> 01:27:22,540

information claimed to have been

1870

01:27:28,260 --> 01:27:25,929

received by unique individuals and has

1871

01:27:30,720 --> 01:27:28,270

there been any parallels drawn from this

1872

01:27:35,189 --> 01:27:30,730

data I'm not sure exactly what that

1873

01:27:38,250 --> 01:27:35,199

questions framed around exactly has any

1874

01:27:42,570 --> 01:27:38,260

information come from specific so that

1875

01:27:45,630 --> 01:27:42,580

again yeah has any information has there

1876

01:27:47,850 --> 01:27:45,640

been any study from from the information

1877

01:27:50,479 --> 01:27:47,860

claimed to have been received by unique

1878

01:27:52,640 --> 01:27:50,489

individuals and there has there been any

1879

01:27:57,120 --> 01:27:52,650

parallels I think he's talking about

1880

01:28:00,540 --> 01:27:57,130

communication right so I mean you mean

1881

01:28:06,510 --> 01:28:00,550

in the film or no no that you've

1882

01:28:08,669 --> 01:28:06,520

experienced I guess for me you mean so I

1883

01:28:12,720 --> 01:28:08,679

it's a well I can speak for myself

1884

01:28:14,729 --> 01:28:12,730

actually and I've come in contact with

1885

01:28:17,100 --> 01:28:14,739

different types of beings that you know

1886

01:28:19,050 --> 01:28:17,110

is not so common most people talk about

1887

01:28:21,600 --> 01:28:19,060

the greys or the reptilians or the

1888

01:28:23,840 --> 01:28:21,610

Pelagians or Arcturians and things like

1889

01:28:26,340 --> 01:28:23,850

that but the types of beings that I

1890

01:28:28,919 --> 01:28:26,350

speak with and I've encountered other

1891

01:28:32,820 --> 01:28:28,929

than these guys because I've also seen

1892

01:28:36,150 --> 01:28:32,830

in physical form some of the white tall

1893

01:28:38,390 --> 01:28:36,160

whites and some of the Nordics like

1894

01:28:40,680 --> 01:28:38,400

physically but you know

1895

01:28:42,450 --> 01:28:40,690

inter-dimensionally if you will I've

1896

01:28:44,970 --> 01:28:42,460

also come in contact with different

1897

01:28:47,459 --> 01:28:44,980

types of beings that most people don't

1898

01:28:52,110 --> 01:28:47,469

talk about they're more like from

1899

01:28:54,549 --> 01:28:52,120

another universe and as they they're

1900

01:28:56,049 --> 01:28:54,559

more they more have they

1901

01:28:59,250 --> 01:28:56,059

have to do their work or their

1902

01:29:03,040 --> 01:28:59,260

consciousness is more about the

1903

01:29:05,020 --> 01:29:03,050

management or the organization of an

1904

01:29:07,809 --> 01:29:05,030

entire universe oh it's it's kind of on

1905

01:29:09,750 --> 01:29:07,819

a much bigger scale I want to say so

1906

01:29:14,859 --> 01:29:09,760

these are the types of beings that I've

1907

01:29:16,599 --> 01:29:14,869

very much been in contact with on earth

1908

01:29:18,099 --> 01:29:16,609

throughout my life actually there's

1909

01:29:20,020 --> 01:29:18,109

different types of being some of them

1910

01:29:22,779 --> 01:29:20,030

are called life architects some of them

1911

01:29:26,099 --> 01:29:22,789

are called some may have heard of the

1912

01:29:29,790 --> 01:29:26,109

Melchizedek's because of its out there

1913

01:29:34,419 --> 01:29:29,800

but some of them are called Universal

1914

01:29:37,599 --> 01:29:34,429

teachers and the life architects I want

1915

01:29:41,529 --> 01:29:37,609

to say are very unique type beings that

1916

01:29:44,290 --> 01:29:41,539

I don't think people have heard about so

1917

01:29:47,379 --> 01:29:44,300

so these are the type of beings that I

1918

01:29:49,869 --> 01:29:47,389

that I have come in contact with and

1919

01:29:53,469 --> 01:29:49,879

it's very specific and that's how I

1920

01:29:56,319 --> 01:29:53,479

understand the make the connection of

1921

01:29:57,909 --> 01:29:56,329

the earth with the universe because of

1922

01:30:04,029 --> 01:29:57,919

those types of communication

1923

01:30:08,469 --> 01:30:04,039

I see Leslie wants to know if if your

1924

01:30:10,779 --> 01:30:08,479

entities ever had physical forms yeah

1925

01:30:13,989 --> 01:30:10,789

that's what I said so so usually when

1926

01:30:18,569 --> 01:30:13,999

they are yeah when they come from very

1927

01:30:22,389 --> 01:30:18,579

far away the consciousness mass is so

1928

01:30:24,669 --> 01:30:22,399

huge that they cannot take a physical

1929

01:30:28,209 --> 01:30:24,679

form it's kind of like they don't fit in

1930

01:30:30,099 --> 01:30:28,219

a physical form and they cannot survive

1931

01:30:32,679 --> 01:30:30,109

in a physical form like they can't just

1932

01:30:34,809 --> 01:30:32,689

manifest physically and then disappear

1933

01:30:37,479 --> 01:30:34,819

but those types of beings now there are

1934

01:30:41,739 --> 01:30:37,489

others that I've seen in physical form

1935

01:30:44,649 --> 01:30:41,749

like I said just a minute ago I bumped

1936

01:30:49,540 --> 01:30:44,659

into a tall white in Vegas of all places

1937

01:30:54,759 --> 01:30:49,550

actually physically another one was a

1938

01:30:57,129 --> 01:30:54,769

Nordic very much physical so so I did

1939

01:31:00,219 --> 01:30:57,139

have those types of interactions that as

1940

01:31:01,839 --> 01:31:00,229

well okay have you there's another

1941

01:31:04,290 --> 01:31:01,849

question in the chat room have you ever

1942

01:31:06,639 --> 01:31:04,300

experienced or know of an orb

1943

01:31:08,140 --> 01:31:06,649

communicating with a human through

1944

01:31:09,760 --> 01:31:08,150

toffee

1945

01:31:13,020 --> 01:31:09,770

I've heard of this before - yes

1946

01:31:16,540 --> 01:31:13,030

absolutely so again the some of these

1947

01:31:20,230 --> 01:31:16,550

orbs are actual beings you know and some

1948

01:31:22,480 --> 01:31:20,240

of them are not so it depends like I

1949

01:31:25,090 --> 01:31:22,490

said earlier some of the beings that

1950

01:31:28,000 --> 01:31:25,100

come from very far away it's very

1951

01:31:30,070 --> 01:31:28,010

difficult for them to take on a physical

1952

01:31:32,980 --> 01:31:30,080

form so they're gonna appear they're

1953

01:31:35,260 --> 01:31:32,990

gonna look like an orb like just like an

1954

01:31:39,430 --> 01:31:35,270

energy form like an orb but they're an

1955

01:31:42,690 --> 01:31:39,440

actual being so so so of course they

1956

01:31:47,290 --> 01:31:42,700

communicate with you other orbs are not

1957

01:31:51,000 --> 01:31:47,300

beings themselves but they're are kind

1958

01:31:55,180 --> 01:31:51,010

of like a it's like a consciousness

1959

01:31:58,180 --> 01:31:55,190

space it's kind of like a hub of

1960

01:32:00,730 --> 01:31:58,190

information so so it depends the type of

1961

01:32:04,240 --> 01:32:00,740

orbs that you are connecting with either

1962

01:32:08,440 --> 01:32:04,250

way you can receive communication I had

1963

01:32:11,680 --> 01:32:08,450

someone that was on this show that took

1964

01:32:14,830 --> 01:32:11,690

a report from an elderly woman who said

1965

01:32:17,200 --> 01:32:14,840

that she saw an orange this hold on to

1966

01:32:20,770 --> 01:32:17,210

your seat on this one she saw an orange

1967

01:32:25,720 --> 01:32:20,780

orb land in a field and out of it came a

1968

01:32:30,010 --> 01:32:25,730

Bigfoot okay so that was that one was

1969

01:32:31,600 --> 01:32:30,020

way out there but so let's see another

1970

01:32:34,450 --> 01:32:31,610

person in the chat room do any of these

1971

01:32:39,010 --> 01:32:34,460

entities embody negative energy of

1972

01:32:41,590 --> 01:32:39,020

course I mean I mean there's all kinds

1973

01:32:43,360 --> 01:32:41,600

of beings out there sometimes

1974

01:32:46,000 --> 01:32:43,370

unfortunately because I do a lot of

1975

01:32:48,760 --> 01:32:46,010

healing work as well I mean part of the

1976

01:32:52,060 --> 01:32:48,770

consciousness work that I've done for

1977

01:32:54,670 --> 01:32:52,070

many many years is also helping with

1978

01:32:56,620 --> 01:32:54,680

clearing the energy so you can expand

1979

01:32:59,230 --> 01:32:56,630

your consciousness and reconnect and

1980

01:33:00,700 --> 01:32:59,240

stuff like that so during this work

1981

01:33:03,070 --> 01:33:00,710

because like I said because I could

1982

01:33:05,080 --> 01:33:03,080

perceive the subtle energy I would see

1983

01:33:09,700 --> 01:33:05,090

all sorts of being floating around the

1984

01:33:11,320 --> 01:33:09,710

person and so that entity was definitely

1985

01:33:13,990 --> 01:33:11,330

very negative a lot of them were just

1986

01:33:17,530 --> 01:33:14,000

floating in their energy field some of

1987

01:33:20,050 --> 01:33:17,540

them were literally attached to the B in

1988

01:33:21,729 --> 01:33:20,060

other words inside the body of the

1989

01:33:24,640 --> 01:33:21,739

person and I had to

1990

01:33:27,940 --> 01:33:24,650

detach them and so sometimes it's

1991

01:33:32,590 --> 01:33:27,950

specifically negative like the they are

1992

01:33:37,450 --> 01:33:32,600

on purpose you know kind of leading you

1993

01:33:41,320 --> 01:33:37,460

in a negative way but others are kind of

1994

01:33:43,420 --> 01:33:41,330

coming into your energy to have an

1995

01:33:45,700 --> 01:33:43,430

experience a human experience or

1996

01:33:48,010 --> 01:33:45,710

something like that it doesn't mean that

1997

01:33:51,459 --> 01:33:48,020

it's good or it's better you're not

1998

01:33:52,990 --> 01:33:51,469

supposed to be doing that but I'm just

1999

01:33:56,220 --> 01:33:53,000

saying like there's a difference and

2000

01:33:59,170 --> 01:33:56,230

others are literally dark dark energies

2001

01:34:02,650 --> 01:33:59,180

these dark energies you're gonna see

2002

01:34:05,350 --> 01:34:02,660

them mostly with folks who drink a lot

2003

01:34:08,709 --> 01:34:05,360

who do a lot of drugs and the reason

2004

01:34:11,709 --> 01:34:08,719

being you lose control like your own

2005

01:34:13,840 --> 01:34:11,719

energy space is open it's kind of

2006

01:34:17,830 --> 01:34:13,850

collapsed and you have no control

2007

01:34:21,130 --> 01:34:17,840

because as a when you take drugs or your

2008

01:34:23,440 --> 01:34:21,140

drink you think and your your

2009

01:34:25,600 --> 01:34:23,450

consciousness is not in control of your

2010

01:34:28,930 --> 01:34:25,610

being so this is when you're gonna have

2011

01:34:31,270 --> 01:34:28,940

a negative entity come in well yeah I've

2012

01:34:33,370 --> 01:34:31,280

known a few people that they seem to

2013

01:34:36,040 --> 01:34:33,380

have like a negative cloud around them

2014

01:34:38,190 --> 01:34:36,050

you know yeah what do they call them

2015

01:34:40,390 --> 01:34:38,200

energy vampires or something oh

2016

01:34:42,100 --> 01:34:40,400

definitely I call them attachment

2017

01:34:44,410 --> 01:34:42,110

they're attachments and usually they

2018

01:34:46,350 --> 01:34:44,420

attach to the spine of the person and

2019

01:34:50,500 --> 01:34:46,360

they can cause all sorts of problems

2020

01:34:53,680 --> 01:34:50,510

also of course illnesses and mental

2021

01:34:55,180 --> 01:34:53,690

illness because speaking of thoughts you

2022

01:34:56,979 --> 01:34:55,190

mentioned earlier there's all these

2023

01:34:59,470 --> 01:34:56,989

thoughts that are jumping in your head

2024

01:35:01,870 --> 01:34:59,480

well you're drinking and all of a sudden

2025

01:35:05,170 --> 01:35:01,880

you're kind of you know hearing voices

2026

01:35:07,270 --> 01:35:05,180

and youth and then you're saying my

2027

01:35:09,790 --> 01:35:07,280

hearing is that me am i making this up

2028

01:35:11,979 --> 01:35:09,800

that so now you're like you know you're

2029

01:35:14,200 --> 01:35:11,989

adding to your confusion we're actually

2030

01:35:16,570 --> 01:35:14,210

you are hearing voices because it's

2031

01:35:19,090 --> 01:35:16,580

another entity that's they're speaking

2032

01:35:20,860 --> 01:35:19,100

to you and if you continue having these

2033

01:35:24,700 --> 01:35:20,870

experiences and confusing yourself

2034

01:35:28,030 --> 01:35:24,710

that's how schizophrenia happens because

2035

01:35:29,920 --> 01:35:28,040

you are hearing things

2036

01:35:33,400 --> 01:35:29,930

and others are telling you there's

2037

01:35:35,109 --> 01:35:33,410

nobody there and actually you there

2038

01:35:37,929 --> 01:35:35,119

are other entities just attack

2039

01:35:41,639 --> 01:35:37,939

to you speaking to you so it's very much

2040

01:35:44,229 --> 01:35:41,649

real and that's how you become

2041

01:35:46,409 --> 01:35:44,239

schizophrenic unfortunately a lot of

2042

01:35:51,009 --> 01:35:46,419

mental illness has to do with entities

2043

01:35:52,419 --> 01:35:51,019

well so Jade in the chat room has an

2044

01:35:55,839 --> 01:35:52,429

interesting question for you

2045

01:35:58,869 --> 01:35:55,849

has there been one scientific fact about

2046

01:36:01,929 --> 01:35:58,879

our galaxy or universe that we've yet to

2047

01:36:04,359 --> 01:36:01,939

discover that your aliens have told you

2048

01:36:07,719 --> 01:36:04,369

which is now testable through

2049

01:36:11,469 --> 01:36:07,729

observation well that's what I'm so

2050

01:36:13,959 --> 01:36:11,479

after this film I kind of bonded with

2051
01:36:18,189 --> 01:36:13,969
all these scientists and so we continued

2052
01:36:21,699 --> 01:36:18,199
to work together and you know on other

2053
01:36:24,250 --> 01:36:21,709
topics so I mean actually communicating

2054
01:36:26,350 --> 01:36:24,260
and talk working with dr. Sheila Howard

2055
01:36:30,069 --> 01:36:26,360
the astrophysicist that I mentioned

2056
01:36:34,239 --> 01:36:30,079
earlier and that's exactly what we are

2057
01:36:37,540 --> 01:36:34,249
working on we are so we kind of like

2058
01:36:40,419 --> 01:36:37,550
bring this information of how the black

2059
01:36:42,939 --> 01:36:40,429
holes are actually formed meaning even

2060
01:36:46,080 --> 01:36:42,949
before you know is there a Big Bang is

2061
01:36:49,359 --> 01:36:46,090
there's no Big Bang so we're actually

2062
01:36:53,500 --> 01:36:49,369
finding out a lot of the things that we

2063
01:36:58,419 --> 01:36:53,510

are told in a direct manner that later

2064

01:37:01,209 --> 01:36:58,429

dr. shield is able to say well we were

2065

01:37:05,589 --> 01:37:01,219

able to measure this or we came to that

2066

01:37:08,040 --> 01:37:05,599

conclusion one of the thing well hold on

2067

01:37:12,520 --> 01:37:08,050

no this has not been demonstrated yet

2068

01:37:14,739 --> 01:37:12,530

let me try to think of the one that has

2069

01:37:18,279 --> 01:37:14,749

been demonstrated well I mean you know

2070

01:37:20,799 --> 01:37:18,289

I've we've only I have been sharing this

2071

01:37:22,270 --> 01:37:20,809

with dr. shield only since the film so

2072

01:37:24,399 --> 01:37:22,280

it's only been six months so I don't

2073

01:37:27,189 --> 01:37:24,409

know about what revelation but I can

2074

01:37:31,290 --> 01:37:27,199

tell you of other examples for example

2075

01:37:34,119 --> 01:37:31,300

one that's probably the most known is

2076

01:37:38,819 --> 01:37:34,129

way way back probably about 15 years ago

2077

01:37:42,790 --> 01:37:38,829

in fact I wrote about it in my books I

2078

01:37:45,099 --> 01:37:42,800

saw that these cosmic webs those those

2079

01:37:48,760 --> 01:37:45,109

grids that are around each planet have

2080

01:37:52,240 --> 01:37:48,770

like I said earlier a particular do

2081

01:37:53,650 --> 01:37:52,250

mitrik shape and I'm on the north pole

2082

01:37:56,140 --> 01:37:53,660

if you looked at it from the North Pole

2083

01:37:59,140 --> 01:37:56,150

you would see like a hexagon and so

2084

01:38:03,910 --> 01:37:59,150

that's because of the way the this

2085

01:38:06,340 --> 01:38:03,920

planet the grid is kind of the way the

2086

01:38:07,690 --> 01:38:06,350

way it sits it's aligned it's a grid

2087

01:38:11,020 --> 01:38:07,700

with an ax greater than the grid but

2088

01:38:13,840 --> 01:38:11,030

from that perspective and so I saw that

2089

01:38:16,300 --> 01:38:13,850

every I mean or you know brought the

2090

01:38:19,630 --> 01:38:16,310

information that every planet has that

2091

01:38:21,400 --> 01:38:19,640

hexagon and so I wrote that in my books

2092

01:38:23,710 --> 01:38:21,410

now I was telling people in the class

2093

01:38:25,480 --> 01:38:23,720

and things like that and then later I

2094

01:38:27,910 --> 01:38:25,490

think more recently and I want to say

2095

01:38:29,950 --> 01:38:27,920

about seven years ago I'm not sure you

2096

01:38:35,640 --> 01:38:29,960

can look it up but the Cassini the

2097

01:38:38,370 --> 01:38:35,650

NASA's Cassini mission photographed the

2098

01:38:42,280 --> 01:38:38,380

hexagon at the North Pole of Saturn

2099

01:38:45,040 --> 01:38:42,290

which I had already kind of knew known

2100

01:38:47,590 --> 01:38:45,050

about and talked about so these are the

2101

01:38:49,990 --> 01:38:47,600

types of thing and also the number of

2102

01:38:51,580 --> 01:38:50,000

planets within the planetary system so

2103

01:38:54,880 --> 01:38:51,590

these are the types of things that I

2104

01:38:58,480 --> 01:38:54,890

that I bring from those types of beings

2105

01:39:01,450 --> 01:38:58,490

Universal beings information that later

2106

01:39:04,600 --> 01:39:01,460

gets verified by NASA or some other

2107

01:39:06,850 --> 01:39:04,610

scientists but we're going to be doing

2108

01:39:09,760 --> 01:39:06,860

more of this science and actually

2109

01:39:14,500 --> 01:39:09,770

putting it out there on the website and

2110

01:39:18,430 --> 01:39:14,510

on my I have a foundation as well also

2111

01:39:20,110 --> 01:39:18,440

that's very much for of that purpose so

2112

01:39:22,990 --> 01:39:20,120

we're going to be putting a lot of this

2113

01:39:27,310 --> 01:39:23,000

information out as well great okay well

2114

01:39:29,440 --> 01:39:27,320

I did promise a listener that I tell the

2115

01:39:33,040 --> 01:39:29,450

story about my sighting so real quickly

2116

01:39:34,510 --> 01:39:33,050

I'll do the quick version of it this is

2117

01:39:36,160 --> 01:39:34,520

someone that recently started listening

2118

01:39:40,060 --> 01:39:36,170

to the show and started supporting the

2119

01:39:42,130 --> 01:39:40,070

show so thank you for that so anyway and

2120

01:39:44,560 --> 01:39:42,140

this really has nothing to do with with

2121

01:39:47,680 --> 01:39:44,570

talking to you so I'll try to make it

2122

01:39:52,150 --> 01:39:47,690

quick that's okay so it was I think it

2123

01:39:54,430 --> 01:39:52,160

was 2006 it was around 8 o'clock I was

2124

01:39:57,240 --> 01:39:54,440

in a hot tub I had just had surgery a

2125

01:39:59,740 --> 01:39:57,250

few weeks ahead a few weeks before

2126

01:40:03,250 --> 01:39:59,750

sitting in a hot tub in Carmel Valley

2127

01:40:05,050 --> 01:40:03,260

and a friend's ranch they had

2128

01:40:07,990 --> 01:40:05,060

so they said I could use a ranch for a

2129

01:40:10,690 --> 01:40:08,000

few days so I went down there I was not

2130

01:40:13,500 --> 01:40:10,700

drinking I was not on medication I had

2131

01:40:16,330 --> 01:40:13,510

weaned myself off of pain medication and

2132

01:40:18,670 --> 01:40:16,340

I was just relaxing the hot topic I love

2133

01:40:21,729 --> 01:40:18,680

to look up at the stars and all of a

2134

01:40:24,270 --> 01:40:21,739

sudden it was it was no stars actually

2135

01:40:26,800 --> 01:40:24,280

at that time but it was sort of like

2136

01:40:29,350 --> 01:40:26,810

dusk a little later than that somewhere

2137

01:40:32,979 --> 01:40:29,360

around 8 o'clock or something and all

2138

01:40:37,240 --> 01:40:32,989

of a sudden a perfectly shaped disc just

2139

01:40:39,100 --> 01:40:37,250

like flew right over my head and the

2140

01:40:41,680 --> 01:40:39,110

thing that impressed me the most about

2141

01:40:43,870 --> 01:40:41,690

any of it was there was absolutely no

2142

01:40:45,790 --> 01:40:43,880

sound at all I mean that's the thing

2143

01:40:48,960 --> 01:40:45,800

that stuck in my memory the most it has

2144

01:40:51,700 --> 01:40:48,970

sort of had like a bluish gray glow

2145

01:40:53,830 --> 01:40:51,710

again it was just like the old-fashioned

2146

01:40:57,130 --> 01:40:53,840

flying saucer and it moved in a straight

2147

01:41:02,200 --> 01:40:57,140

line and it stopped and then it moved in

2148

01:41:05,020 --> 01:41:02,210

an angle toward Monterey so I got out of

2149

01:41:06,729 --> 01:41:05,030

the hot tub I went in and I didn't know

2150

01:41:08,590 --> 01:41:06,739

what to do I had no idea there was any

2151
01:41:13,140 --> 01:41:08,600
online reporting or anything like that

2152
01:41:17,440 --> 01:41:13,150
so I I called the police department of

2153
01:41:18,670 --> 01:41:17,450
Monterey and I said has anyone else I

2154
01:41:21,729 --> 01:41:18,680
just want to know has anyone else

2155
01:41:24,760 --> 01:41:21,739
reported seeing a UFO and the woman

2156
01:41:26,530 --> 01:41:24,770
treated me very sarcastically she put me

2157
01:41:28,090 --> 01:41:26,540
on hold for about 20 minutes I finally

2158
01:41:31,479 --> 01:41:28,100
hung up I

2159
01:41:33,220 --> 01:41:31,489
I brought it up to someone I worked with

2160
01:41:36,010 --> 01:41:33,230
I was working at an auction gallery with

2161
01:41:37,270 --> 01:41:36,020
about 25 or 30 people and no I had a

2162
01:41:38,920 --> 01:41:37,280
friend there and I said please don't

2163
01:41:41,170 --> 01:41:38,930

tell anyone but I have to tell you this

2164

01:41:44,229 --> 01:41:41,180

story well next thing you know everyone

2165

01:41:47,140 --> 01:41:44,239

there was ridiculing me talking yes you

2166

01:41:48,040 --> 01:41:47,150

know space aliens and all that so so

2167

01:41:52,630 --> 01:41:48,050

that's my story

2168

01:41:55,330 --> 01:41:52,640

so I fulfilled my promise well you know

2169

01:41:59,530 --> 01:41:55,340

one thing that you brought up is the way

2170

01:42:02,470 --> 01:41:59,540

the UFO was behaving was it came it came

2171

01:42:05,800 --> 01:42:02,480

out from somewhere it moved in one

2172

01:42:07,479 --> 01:42:05,810

straight line and then it stopped and

2173

01:42:11,170 --> 01:42:07,489

then it moved in a different direction

2174

01:42:15,459 --> 01:42:11,180

so we talked about that in the film

2175

01:42:16,390 --> 01:42:15,469

again how those intersection points

2176

01:42:19,149 --> 01:42:16,400

those

2177

01:42:23,709 --> 01:42:19,159

black holes within the fàbregas face is

2178

01:42:25,810 --> 01:42:23,719

what allows the UFO to do that so this

2179

01:42:28,000 --> 01:42:25,820

one of the theories that's in the film

2180

01:42:29,740 --> 01:42:28,010

as well so that makes a lot of sense

2181

01:42:32,620 --> 01:42:29,750

what you're saying Wow

2182

01:42:35,200 --> 01:42:32,630

yeah it was it really did you know it

2183

01:42:37,360 --> 01:42:35,210

changed my way of thinking about things

2184

01:42:39,550 --> 01:42:37,370

I had you know a brief interest in the

2185

01:42:41,680 --> 01:42:39,560

topic when I was at you know young but

2186

01:42:46,030 --> 01:42:41,690

it really just changed like everything

2187

01:42:47,740 --> 01:42:46,040

it was like I never thought of taking a

2188

01:42:50,110 --> 01:42:47,750

picture I don't think I had my phone on

2189

01:42:52,450 --> 01:42:50,120

me anyway but you know there was never

2190

01:42:56,800 --> 01:42:52,460

any thoughts but it was like oh my god

2191

01:42:58,959 --> 01:42:56,810

it is it really happens so another

2192

01:43:01,959 --> 01:42:58,969

question have you come across cases

2193

01:43:03,700 --> 01:43:01,969

where a group encounter abduction took

2194

01:43:05,979 --> 01:43:03,710

place between people that did not

2195

01:43:08,410 --> 01:43:05,989

previously know each other and then

2196

01:43:13,270 --> 01:43:08,420

later those people meet in some random

2197

01:43:15,700 --> 01:43:13,280

way that was by actually actually in the

2198

01:43:18,610 --> 01:43:15,710

film I didn't come across that I mean

2199

01:43:20,800 --> 01:43:18,620

like in the film we interviewed two

2200

01:43:26,350 --> 01:43:20,810

different people actually who said the

2201
01:43:29,740 --> 01:43:26,360
same thing that they said that they were

2202
01:43:32,740 --> 01:43:29,750
on a ship somewhere and then later on

2203
01:43:34,870 --> 01:43:32,750
they met someone on like an a grocery

2204
01:43:37,990 --> 01:43:34,880
store or something like that and then

2205
01:43:41,200 --> 01:43:38,000
that person told them I know you you

2206
01:43:44,229 --> 01:43:41,210
were on that ship so so I was told that

2207
01:43:46,419 --> 01:43:44,239
story I didn't see it myself in that way

2208
01:43:48,250 --> 01:43:46,429
and so that was one person we

2209
01:43:50,050 --> 01:43:48,260
interviewed and then another person we

2210
01:43:52,030 --> 01:43:50,060
interviewed like in a completely

2211
01:43:55,450 --> 01:43:52,040
different location told me the same

2212
01:43:57,610 --> 01:43:55,460
thing happened to her so it's it's

2213
01:44:01,060 --> 01:43:57,620

pretty amazing how would you possibly

2214

01:44:05,470 --> 01:44:01,070

break the ice with someone and say yeah

2215

01:44:07,479 --> 01:44:05,480

I think I saw you on her ship exactly at

2216

01:44:11,439 --> 01:44:07,489

a grocery store yeah yeah that would be

2217

01:44:16,060 --> 01:44:11,449

hard to do yeah yeah so are you planning

2218

01:44:18,370 --> 01:44:16,070

on making more films or you know similar

2219

01:44:20,530 --> 01:44:18,380

her yeah yeah

2220

01:44:22,750 --> 01:44:20,540

so because of what happened and because

2221

01:44:24,280 --> 01:44:22,760

the scientists got so excited so you

2222

01:44:28,000 --> 01:44:24,290

know that really encouraged me to

2223

01:44:29,300 --> 01:44:28,010

continue and also the film I mean we've

2224

01:44:32,330 --> 01:44:29,310

already won like

2225

01:44:34,640 --> 01:44:32,340

six Festival Awards and you know are

2226
01:44:37,970 --> 01:44:34,650
nominated for four different awards it's

2227
01:44:40,880 --> 01:44:37,980
such so and that that was also very

2228
01:44:43,400 --> 01:44:40,890
exciting for me because those festivals

2229
01:44:46,430 --> 01:44:43,410
you know are run by film people they're

2230
01:44:47,810 --> 01:44:46,440
not UFO people so they don't really like

2231
01:44:51,260 --> 01:44:47,820
they have no prejudice I'm in they are

2232
01:44:55,520 --> 01:44:51,270
not into that topic you know and so

2233
01:44:59,270 --> 01:44:55,530
they're judging the film as a good film

2234
01:45:01,370 --> 01:44:59,280
well done or not is it credible is it

2235
01:45:04,970 --> 01:45:01,380
does it hold you know is it well

2236
01:45:07,220 --> 01:45:04,980
presented so on so forth and so so

2237
01:45:12,050 --> 01:45:07,230
because there is so much recognition

2238
01:45:14,630 --> 01:45:12,060

that tells me that even mainstream film

2239

01:45:17,810 --> 01:45:14,640

folks who are creating films for the

2240

01:45:20,420 --> 01:45:17,820

mainstream are getting it I mean I was

2241

01:45:21,950 --> 01:45:20,430

kind of shocked in a way and so because

2242

01:45:24,650 --> 01:45:21,960

of that and because of what happened

2243

01:45:27,380 --> 01:45:24,660

with the scientist I definitely feel we

2244

01:45:29,920 --> 01:45:27,390

are onto something really good and and I

2245

01:45:33,020 --> 01:45:29,930

did this film as a pilot actually

2246

01:45:35,570 --> 01:45:33,030

thinking that it would be a series so

2247

01:45:37,670 --> 01:45:35,580

now I'm actually yeah so now I so

2248

01:45:40,460 --> 01:45:37,680

because of the recognition and the quick

2249

01:45:43,100 --> 01:45:40,470

turnaround actually I'm planning the

2250

01:45:46,130 --> 01:45:43,110

next film and it's called the science of

2251

01:45:50,150 --> 01:45:46,140

superhuman and it's gonna be more

2252

01:45:55,220 --> 01:45:50,160

specific now about you know how the

2253

01:45:57,430 --> 01:45:55,230

brain works in terms of bringing

2254

01:46:00,620 --> 01:45:57,440

information tapping into information

2255

01:46:02,900 --> 01:46:00,630

this this first film that we've been

2256

01:46:05,180 --> 01:46:02,910

talking about is the bigger picture

2257

01:46:08,540 --> 01:46:05,190

it's the mechanics of everything all

2258

01:46:11,750 --> 01:46:08,550

together contact in general but this

2259

01:46:15,520 --> 01:46:11,760

next film is more specific what does the

2260

01:46:19,010 --> 01:46:15,530

brain have to do to tap into these other

2261

01:46:21,380 --> 01:46:19,020

dimensions what are dimensions where you

2262

01:46:23,690 --> 01:46:21,390

know where are the dimensions is this

2263

01:46:26,210 --> 01:46:23,700

dimension better than that dimension how

2264

01:46:28,220 --> 01:46:26,220

do I know you know what I mean like how

2265

01:46:30,620 --> 01:46:28,230

do I know that I'm tapping here and I'm

2266

01:46:33,560 --> 01:46:30,630

not going there so it's like very kind

2267

01:46:35,690 --> 01:46:33,570

of bringing science as well behind how

2268

01:46:38,270 --> 01:46:35,700

the human brain functions within this

2269

01:46:41,750 --> 01:46:38,280

bigger consciousness it's fascinating

2270

01:46:43,310 --> 01:46:41,760

we're also wanting to talk about the

2271

01:46:47,479 --> 01:46:43,320

different types of

2272

01:46:50,540 --> 01:46:47,489

why certain people are specifically

2273

01:46:53,990 --> 01:46:50,550

attracted to Arcturians why and why

2274

01:46:56,300 --> 01:46:54,000

others platings I mean why why is it

2275

01:47:00,260 --> 01:46:56,310

that specific so we're finding a lot of

2276

01:47:02,600 --> 01:47:00,270

that sort of specificity and then we're

2277

01:47:04,459 --> 01:47:02,610

trying to figure out what is it in your

2278

01:47:06,379 --> 01:47:04,469

is it because your brain is done

2279

01:47:09,200 --> 01:47:06,389

differently or because it's because it

2280

01:47:12,709 --> 01:47:09,210

has to do your lineage so so it's really

2281

01:47:15,890 --> 01:47:12,719

really fascinating and we are also

2282

01:47:22,030 --> 01:47:15,900

talking bringing a lot of the how the

2283

01:47:24,830 --> 01:47:22,040

physics of sound actually works in the

2284

01:47:28,790 --> 01:47:24,840

downloading and how the interpretation

2285

01:47:31,580 --> 01:47:28,800

of non-visible energy into a language

2286

01:47:35,000 --> 01:47:31,590

that you comprehend basically just the

2287

01:47:37,490 --> 01:47:35,010

specifics of how it works to receive

2288

01:47:40,250 --> 01:47:37,500

this information from somewhere into

2289

01:47:43,520 --> 01:47:40,260

this human brain so that's the next film

2290

01:47:47,089 --> 01:47:43,530

Wow interesting so what do you think

2291

01:47:49,100 --> 01:47:47,099

about for instance SETI looking for

2292

01:47:53,600 --> 01:47:49,110

signals from space do you think they're

2293

01:47:56,320 --> 01:47:53,610

looking in the wrong in the wrong way we

2294

01:48:00,229 --> 01:47:56,330

actually interviewed the director of

2295

01:48:03,800 --> 01:48:00,239

SETI but you know it's not there yeah

2296

01:48:06,109 --> 01:48:03,810

yeah we have him in the show I mean we

2297

01:48:09,140 --> 01:48:06,119

didn't use his interview a eventually

2298

01:48:10,970 --> 01:48:09,150

but because we wanted also to bring in

2299

01:48:13,580 --> 01:48:10,980

everything that's out there

2300

01:48:15,140 --> 01:48:13,590

and you know honestly I mean it just

2301

01:48:17,930 --> 01:48:15,150

kind of doesn't make sense when they

2302

01:48:21,740 --> 01:48:17,940

explain to me exactly how they operate I

2303

01:48:25,270 --> 01:48:21,750

mean they have a bunch of those radars

2304

01:48:29,660 --> 01:48:25,280

or whatever you know kind of trying to

2305

01:48:32,149 --> 01:48:29,670

find some sort of signal in space and

2306

01:48:34,280 --> 01:48:32,159

and measure any sort of consistency in

2307

01:48:38,379 --> 01:48:34,290

the signal and deciphering the signal

2308

01:48:41,060 --> 01:48:38,389

it's just so random and so kind of

2309

01:48:43,100 --> 01:48:41,070

open-ended with that I don't know it

2310

01:48:43,810 --> 01:48:43,110

just does doesn't make sense to me at

2311

01:48:49,879 --> 01:48:43,820

all

2312

01:48:52,700 --> 01:48:49,889

seriously like it doesn't even make

2313

01:48:55,189 --> 01:48:52,710

sense that extraterrestrial intelligence

2314

01:48:58,580 --> 01:48:55,199

is going to be sending a radio

2315

01:49:01,939 --> 01:48:58,590

signal you know I mean like of course

2316

01:49:04,129 --> 01:49:01,949

it's information itself is not the radio

2317

01:49:05,899 --> 01:49:04,139

it's using the radio frequency that's

2318

01:49:08,000 --> 01:49:05,909

why they're calling it radio signal but

2319

01:49:11,419 --> 01:49:08,010

actually it's photon of light it's light

2320

01:49:16,729 --> 01:49:11,429

that is the information within the radio

2321

01:49:20,479 --> 01:49:16,739

wave frequency so but really I mean is

2322

01:49:23,350 --> 01:49:20,489

this the kind of it just seems so narrow

2323

01:49:26,359 --> 01:49:23,360

and small compared with what's possible

2324

01:49:30,469 --> 01:49:26,369

in terms of communication I've had a

2325

01:49:34,609 --> 01:49:30,479

conversation with seth shostack and he

2326

01:49:37,910 --> 01:49:34,619

basically says well we're doing what we

2327

01:49:40,549 --> 01:49:37,920

think it might be do you have a better

2328

01:49:43,189 --> 01:49:40,559

idea or something like that he said yeah

2329

01:49:46,580 --> 01:49:43,199

and he's adorable I really like him

2330

01:49:49,219 --> 01:49:46,590

funny he's great I really enjoyed

2331

01:49:50,750 --> 01:49:49,229

speaking with him it's just the whole

2332

01:49:54,580 --> 01:49:50,760

concept doesn't make sense to me

2333

01:49:58,069 --> 01:49:54,590

especially that like I said for me as a

2334

01:50:00,169 --> 01:49:58,079

direct experience as I mean I understand

2335

01:50:03,189 --> 01:50:00,179

the mechanics of receiving information

2336

01:50:06,560 --> 01:50:03,199

from any point in the universe

2337

01:50:09,169 --> 01:50:06,570

instantaneously you know so the radio

2338

01:50:12,500 --> 01:50:09,179

signal things like really you know so

2339

01:50:16,430 --> 01:50:12,510

anyway you know that's what you say they

2340

01:50:19,219 --> 01:50:16,440

are going to be searching I think in

2341

01:50:22,879 --> 01:50:19,229

different I forget what he told me but

2342

01:50:26,000 --> 01:50:22,889

they are as technology improves are

2343

01:50:29,330 --> 01:50:26,010

going to be looking in different ways as

2344

01:50:33,290 --> 01:50:29,340

well you know serve in different

2345

01:50:35,930 --> 01:50:33,300

spectrums or something okay right now if

2346

01:50:38,509 --> 01:50:35,940

there's there's quite a few frequencies

2347

01:50:44,839 --> 01:50:38,519

are looking for but I do understand and

2348

01:50:48,739 --> 01:50:44,849

I I semi agree with you that it's it's I

2349

01:50:50,540 --> 01:50:48,749

don't want to say useless but you know

2350

01:50:53,509 --> 01:50:50,550

if they happen to stumble on something

2351

01:50:55,100 --> 01:50:53,519

great because right now you know

2352

01:50:57,890 --> 01:50:55,110

everyone I don't want to say it's

2353

01:50:59,330 --> 01:50:57,900

totally closed minded but there's a you

2354

01:51:00,979 --> 01:50:59,340

know a lot of people that just think

2355

01:51:05,029 --> 01:51:00,989

it's impossible that world they just

2356

01:51:07,250 --> 01:51:05,039

think we're alone yeah and I I don't

2357

01:51:08,779 --> 01:51:07,260

personally think we're alone but that's

2358

01:51:11,750 --> 01:51:08,789

you know that's my own personal

2359

01:51:13,339 --> 01:51:11,760

thoughts yeah but now even scientists

2360

01:51:15,709 --> 01:51:13,349

say we're not alone I mean like it's not

2361

01:51:19,159 --> 01:51:15,719

even mathematically possible to be alone

2362

01:51:21,319 --> 01:51:19,169

I mean so I think we're past that

2363

01:51:25,849 --> 01:51:21,329

but now the proof or whatever I think

2364

01:51:28,520 --> 01:51:25,859

that's what they're trying to do yeah I

2365

01:51:30,319 --> 01:51:28,530

don't think we can I don't think we're

2366

01:51:32,270 --> 01:51:30,329

going to ever get any type of government

2367

01:51:33,949 --> 01:51:32,280

disclosure I just don't think that I

2368

01:51:35,989 --> 01:51:33,959

don't think that's going to happen

2369

01:51:41,089 --> 01:51:35,999

I think it'll happen in another way if

2370

01:51:45,169 --> 01:51:41,099

it happens I think so too so why do you

2371

01:51:47,779 --> 01:51:45,179

think if we are being visited by beings

2372

01:51:50,419 --> 01:51:47,789

or we are being visited by UFOs

2373

01:51:54,679 --> 01:51:50,429

why do you think they're elusive and

2374

01:51:57,829 --> 01:51:54,689

that we can't actually you know nail one

2375

01:52:00,379 --> 01:51:57,839

down for evidence let's say yeah for

2376

01:52:02,209 --> 01:52:00,389

several reasons first of all some

2377

01:52:04,669 --> 01:52:02,219

individuals say well why can't I meet

2378

01:52:06,349 --> 01:52:04,679

one so I want to respond to that

2379

01:52:09,859 --> 01:52:06,359

question because a lot of people think

2380

01:52:12,379 --> 01:52:09,869

that way too and and this I know because

2381

01:52:14,719 --> 01:52:12,389

just from teaching and you know

2382

01:52:17,059 --> 01:52:14,729

facilitating for so many years I know

2383

01:52:20,419 --> 01:52:17,069

that I have a lot of students who say

2384

01:52:23,329 --> 01:52:20,429

well why can't I see this or whatever so

2385

01:52:26,209 --> 01:52:23,339

when I try to help them to see where the

2386

01:52:30,379 --> 01:52:26,219

block is I realize that they're saying

2387

01:52:32,539 --> 01:52:30,389

they want to see this entity or have

2388

01:52:36,169 --> 01:52:32,549

this experience and as they're saying it

2389

01:52:40,119 --> 01:52:36,179

then there's this huge block of fear and

2390

01:52:42,609 --> 01:52:40,129

so and so people don't realize that

2391

01:52:46,819 --> 01:52:42,619

consciously they want the experience but

2392

01:52:49,250 --> 01:52:46,829

unconsciously they're terrified so so so

2393

01:52:51,709 --> 01:52:49,260

so that's not how it works the law of

2394

01:52:55,219 --> 01:52:51,719

attraction is not just by you saying it

2395

01:52:57,139 --> 01:52:55,229

it's by you really being it meaning

2396

01:52:59,359 --> 01:52:57,149

meaning it and your intent has to

2397

01:53:01,579 --> 01:52:59,369

correlate be aligned with what you're

2398

01:53:04,369 --> 01:53:01,589

saying so that's one of the reason why

2399

01:53:07,250 --> 01:53:04,379

most people have the experience

2400

01:53:09,979 --> 01:53:07,260

especially as children but they block it

2401
01:53:13,250 --> 01:53:09,989
off they push it to the side they forget

2402
01:53:14,779 --> 01:53:13,260
about it out of fear in addition to that

2403
01:53:16,789 --> 01:53:14,789
then you have the parents and everybody

2404
01:53:19,609 --> 01:53:16,799
else who tells you you're crazy so that

2405
01:53:21,869 --> 01:53:19,619
doesn't help so so that's what happens

2406
01:53:24,089 --> 01:53:21,879
on an individual level but

2407
01:53:25,979 --> 01:53:24,099
on a bigger level like for example so

2408
01:53:28,469 --> 01:53:25,989
why don't they just show up and you know

2409
01:53:29,879 --> 01:53:28,479
somewhere in front of everyone I think

2410
01:53:34,219 --> 01:53:29,889
there's there's several things that are

2411
01:53:37,469 --> 01:53:34,229
going on here one has to do with

2412
01:53:40,080 --> 01:53:37,479
agreement I mean it's kind of like what

2413
01:53:42,029 --> 01:53:40,090

happens is like you don't show up at

2414

01:53:44,639 --> 01:53:42,039

your neighbors house without being

2415

01:53:47,549 --> 01:53:44,649

announced or without it's like there are

2416

01:53:51,060 --> 01:53:47,559

universal laws that they're you know

2417

01:53:52,529 --> 01:53:51,070

bigger agreements that are at place and

2418

01:53:55,520 --> 01:53:52,539

so what happens is that the

2419

01:54:00,089 --> 01:53:55,530

configuration of the earth is is very

2420

01:54:02,609 --> 01:54:00,099

narrow it's very small and so so the

2421

01:54:04,799 --> 01:54:02,619

agreement is that the the species that

2422

01:54:07,889 --> 01:54:04,809

occupy meaning humans the species that

2423

01:54:11,040 --> 01:54:07,899

occupies this planet need to kind of

2424

01:54:15,469 --> 01:54:11,050

have to have a certain level of

2425

01:54:18,359 --> 01:54:15,479

understanding of that law so that this

2426

01:54:21,330 --> 01:54:18,369

communication starts to happen openly

2427

01:54:24,299 --> 01:54:21,340

and it's not there yet so how do I

2428

01:54:27,089 --> 01:54:24,309

explain this it's like it's kind of like

2429

01:54:30,449 --> 01:54:27,099

it's a breach of contract it's a breach

2430

01:54:33,119 --> 01:54:30,459

of agreement that you don't you don't

2431

01:54:37,349 --> 01:54:33,129

fly over an on fly zone you know what I

2432

01:54:40,739 --> 01:54:37,359

mean and so so because humans are not

2433

01:54:43,159 --> 01:54:40,749

capable of communicating are not they're

2434

01:54:47,069 --> 01:54:43,169

not there yet as a global consciousness

2435

01:54:48,659 --> 01:54:47,079

that's the reason why globally a UFO is

2436

01:54:50,310 --> 01:54:48,669

not gonna show up and a bunch of people

2437

01:54:53,330 --> 01:54:50,320

are gonna step out it's not gonna be

2438

01:54:56,069 --> 01:54:53,340

that sort of revelation not now anyway

2439

01:54:58,439 --> 01:54:56,079

well so there are several things going

2440

01:55:00,000 --> 01:54:58,449

on plus there's all the secrecy stuff

2441

01:55:03,000 --> 01:55:00,010

going on with the government so there's

2442

01:55:06,149 --> 01:55:03,010

like at different levels the individual

2443

01:55:08,609 --> 01:55:06,159

being fearful the bigger picture you

2444

01:55:10,830 --> 01:55:08,619

know there's all sorts of things at play

2445

01:55:11,580 --> 01:55:10,840

here we only have about three minutes

2446

01:55:15,330 --> 01:55:11,590

left

2447

01:55:16,830 --> 01:55:15,340

oh I know so and someone brought up a

2448

01:55:19,379 --> 01:55:16,840

really good point in the chatroom

2449

01:55:22,109 --> 01:55:19,389

and that is we're a violent you know

2450

01:55:24,389 --> 01:55:22,119

we're very violent so why would they

2451

01:55:25,889 --> 01:55:24,399

want to show us exactly well that that's

2452

01:55:28,770 --> 01:55:25,899

what I'm saying the consciousness the

2453

01:55:32,040 --> 01:55:28,780

global consciousness is not very they're

2454

01:55:35,620 --> 01:55:32,050

not at a place of understanding of being

2455

01:55:38,260 --> 01:55:35,630

a cosmic citizenship so what you

2456

01:55:39,970 --> 01:55:38,270

know globally the collective is if you

2457

01:55:43,629 --> 01:55:39,980

see something you don't know you should

2458

01:55:46,090 --> 01:55:43,639

at it so that's the reason why like it's

2459

01:55:47,740 --> 01:55:46,100

it's the level of the collective is not

2460

01:55:50,080 --> 01:55:47,750

there as the best reason why it would be

2461

01:55:52,750 --> 01:55:50,090

a breach it's kind of like having a

2462

01:55:55,270 --> 01:55:52,760

child and a closed-off to room you know

2463

01:55:58,240 --> 01:55:55,280

if you open the door suddenly you show

2464

01:56:00,729 --> 01:55:58,250

up it's possible that he's gonna freak

2465

01:56:04,120 --> 01:56:00,739

out and you know jump at you or whatever

2466

01:56:05,590 --> 01:56:04,130

or you know so I think that's what

2467

01:56:09,729 --> 01:56:05,600

happened so you have to kind of prepare

2468

01:56:12,600 --> 01:56:09,739

the child to this interaction but it's

2469

01:56:16,570 --> 01:56:12,610

bigger than that it's more about a

2470

01:56:19,450 --> 01:56:16,580

global understanding and agreement

2471

01:56:22,419 --> 01:56:19,460

actually that that have to do were on a

2472

01:56:26,140 --> 01:56:22,429

galactic level and that's the reason why

2473

01:56:30,149 --> 01:56:26,150

I had and this is kind of a closing

2474

01:56:34,780 --> 01:56:30,159

statement I had a astrophysicist on this

2475

01:56:37,959 --> 01:56:34,790

show a while back and he said that he

2476
01:56:41,910 --> 01:56:37,969
and his fellows at NASA quietly agreed

2477
01:56:46,240 --> 01:56:41,920
that if any intelligence advances

2478
01:56:47,590 --> 01:56:46,250
technologically they get to a bottleneck

2479
01:56:49,360 --> 01:56:47,600
and if they can get through that

2480
01:56:53,169 --> 01:56:49,370
bottleneck without destroying themselves

2481
01:56:55,330 --> 01:56:53,179
they'll travel the Stars and I thought

2482
01:56:57,100 --> 01:56:55,340
that was pretty good but thank you so

2483
01:57:00,100 --> 01:56:57,110
much can you once again give your

2484
01:57:06,189 --> 01:57:00,110
website out if you would yes please so

2485
01:57:08,620 --> 01:57:06,199
it is et - contact comm so that's the

2486
01:57:10,479 --> 01:57:08,630
website for the film and it's coming out

2487
01:57:13,000 --> 01:57:10,489
in just a few days so people want to go

2488
01:57:14,800 --> 01:57:13,010

October 10th if they want to go click on

2489

01:57:16,959 --> 01:57:14,810

watch the film and they'll see where

2490

01:57:19,020 --> 01:57:16,969

it's gonna be available and if people

2491

01:57:22,050 --> 01:57:19,030

are interested in the consciousness work

2492

01:57:26,110 --> 01:57:22,060

they can go to my other website which is

2493

01:57:27,129 --> 01:57:26,120

omnium universe comm excellent well

2494

01:57:28,870 --> 01:57:27,139

thank you so much

2495

01:57:32,470 --> 01:57:28,880

Spencer thanks so much for having me

2496

01:57:35,379 --> 01:57:32,480

you're awesome you take care thanks so

2497

01:57:37,030 --> 01:57:35,389

much bye bye bye alright everyone so

2498

01:57:39,879 --> 01:57:37,040

that's it for the show thank you for

2499

01:57:45,040 --> 01:57:39,889

either being a supporter or hanging in

2500

01:57:46,959 --> 01:57:45,050

on YouTube tonight and and we are also

2501
01:57:49,600 --> 01:57:46,969
playing on a couple of different radio

2502
01:57:52,540 --> 01:57:49,610
shows and I'll talk about that

2503
01:57:54,430 --> 01:57:52,550
next week there may be a change not in

2504
01:57:57,280 --> 01:57:54,440
this show but my other show that I do

2505
01:57:59,890 --> 01:57:57,290
so anyway next week we have my good

2506
01:58:02,860 --> 01:57:59,900
friend Lee Spiegel on I know is only on

2507
01:58:04,750 --> 01:58:02,870
back in April but he's coming on back

2508
01:58:07,180 --> 01:58:04,760
again he's always a pleasure to have on

2509
01:58:10,230 --> 01:58:07,190
a lot of fun so thanks so much everyone

2510
01:58:13,770 --> 01:58:10,240
and we'll be back next week as always
