1
00:00:04,280 --> 00:00:03,530
and it hits me oh my gosh this is that

2
00:00:05,390 --> 00:00:04,290
triangle

3
00:00:06,530 --> 00:00:05,400
you know there's explanation for

4
00:00:07,849 --> 00:00:06,540
everything that occurred in the

5
00:00:10,310 --> 00:00:07,859
Rendlesham forest incident

6
00:00:13,190 --> 00:00:10,320
it doesn't involve aliens at all it was

7
00:00:16,760 --> 00:00:13,200
completely silent it comes right over

8
00:00:18,620 --> 00:00:16,770
our head it's so toxic science also

9
00:00:20,540 --> 00:00:18,630
really standing in the Clery he turned

10
00:00:21,830 --> 00:00:20,550
over to my father held his hand and he

11
00:00:28,519 --> 00:00:21,840
looked in his eyes they said we're not

12
00:00:31,429 --> 00:00:28,529
alone welcome to podcast UFO for our

13
00:00:34,190 --> 00:00:31,439

live show we're live every Wednesday at

14

00:00:37,340 --> 00:00:34,200

8 p.m. Eastern Standard Time on podcast

15

00:00:39,350 --> 00:00:37,350

UFO calm during the show feel free to

16

00:00:41,869 --> 00:00:39,360

participate live in our chat room and

17

00:00:45,200 --> 00:00:41,879

don't forget to Like us on our very

18

00:00:47,090 --> 00:00:45,210

active Facebook page hello and welcome

19

00:00:49,100 --> 00:00:47,100

to the show on Martin Willis your host

20

00:00:51,260 --> 00:00:49,110

and we have a great show tonight

21

00:00:56,029 --> 00:00:51,270

one of my earliest guests that I ever

22

00:00:57,500 --> 00:00:56,039

had on my show here Mac Maloney and he

23

00:01:00,529 --> 00:00:57,510

does a great show called military

24

00:01:02,470 --> 00:01:00,539

x-files he's an author very interesting

25

00:01:05,179 --> 00:01:02,480

guy should be a great great show

26

00:01:07,490 --> 00:01:05,189

Alejandro Rojas is coming up in just a

27

00:01:08,630 --> 00:01:07,500

minute with the news and I probably some

28

00:01:10,310 --> 00:01:08,640

of you was scratching your head wasn't

29

00:01:12,590 --> 00:01:10,320

least spiegel's supposed to be on I did

30

00:01:14,840 --> 00:01:12,600

announce that last week and you know

31

00:01:17,780 --> 00:01:14,850

sometimes things come up and people have

32

00:01:21,350 --> 00:01:17,790

to reschedule so nothing's ever set in

33

00:01:24,590 --> 00:01:21,360

stone so Mac was I was going to ask Mac

34

00:01:26,120 --> 00:01:24,600

to be on the show coming up and so I

35

00:01:28,609 --> 00:01:26,130

just asked him if he could be on early

36

00:01:32,120 --> 00:01:28,619

and he said yes so it worked out just

37

00:01:34,010 --> 00:01:32,130

fine so thank you all the people who

38

00:01:36,980 --> 00:01:34,020

support the show I appreciate that very

39

00:01:39,170 --> 00:01:36,990

much for those of you who cannot support

40

00:01:41,149 --> 00:01:39,180

the show and like to listen to the whole

41

00:01:44,840 --> 00:01:41,159

show of course you can always go to

42

00:01:48,230 --> 00:01:44,850

podcast UFO com every Wednesday at 8 to

43

00:01:50,410 --> 00:01:48,240

10 p.m. Eastern Standard Time or on our

44

00:01:53,600 --> 00:01:50,420

YouTube channel you can watch us live

45

00:01:55,940 --> 00:01:53,610

actually livestream and you can

46

00:01:58,760 --> 00:01:55,950

subscribe to that Channel and you can

47

00:02:03,350 --> 00:01:58,770

also subscribe to our email list on

48

00:02:06,950 --> 00:02:03,360

podcast UFO and if you also can't watch

49

00:02:09,830 --> 00:02:06,960

or listen on Wednesdays you get an

50

00:02:12,120 --> 00:02:09,840

opportunity for Thursday's on the Dark

51
00:02:15,240 --> 00:02:12,130
Matter digital network and that's at 10

52
00:02:17,190 --> 00:02:15,250
to midnight and I'm also on I've

53
00:02:19,950 --> 00:02:17,200
mentioned it can't remember the name of

54
00:02:23,180 --> 00:02:19,960
it on Friday nights on out cast radio I

55
00:02:26,640 --> 00:02:23,190
think it's called on Friday nights at 6

56
00:02:29,730 --> 00:02:26,650
6 p.m. and that's a full show on that as

57
00:02:32,370 --> 00:02:29,740
well so that's it for me we have some

58
00:02:34,920 --> 00:02:32,380
things to talk about and I have my good

59
00:02:38,990 --> 00:02:34,930
friend here Alejandro Rojas how are you

60
00:02:42,690 --> 00:02:39,000
I am doing well how are you great great

61
00:02:46,020 --> 00:02:42,700
so yeah I guess we both watched that

62
00:02:47,820 --> 00:02:46,030
that thing going on today I watched it

63
00:02:49,230 --> 00:02:47,830

for awhile without audio and I saw you

64

00:02:51,030 --> 00:02:49,240

had a yeah

65

00:02:53,670 --> 00:02:51,040

I'm sure you're gonna be talking about

66

00:02:56,100 --> 00:02:53,680

that a little bit Tom DeLonge yeah it

67

00:02:57,360 --> 00:02:56,110

has been Tom DeLonge day the first thing

68

00:03:00,600 --> 00:02:57,370

though I want to talk about before I

69

00:03:02,580 --> 00:03:00,610

forget cuz this is good news - is that

70

00:03:04,980 --> 00:03:02,590

documentary Jeremy corbels latest

71

00:03:07,740 --> 00:03:04,990

documentary patient 17

72

00:03:09,750 --> 00:03:07,750

it's about alien abduction and the

73

00:03:12,690 --> 00:03:09,760

removal doctor Roger Leir removing an

74

00:03:16,020 --> 00:03:12,700

implant and this is important just

75

00:03:17,910 --> 00:03:16,030

because it's getting so much place so

76

00:03:20,250 --> 00:03:17,920

it's the distributions great it's on

77

00:03:22,800 --> 00:03:20,260

iTunes right now I guess it's gonna be

78

00:03:25,800 --> 00:03:22,810

on Netflix and then some other places so

79

00:03:27,930 --> 00:03:25,810

a lot of distributors are ramping up and

80

00:03:31,740 --> 00:03:27,940

showing it and so it's gonna get a lot

81

00:03:34,020 --> 00:03:31,750

of exposure to the whole alien implant

82

00:03:36,540 --> 00:03:34,030

phenomena which is a strange one I mean

83

00:03:38,760 --> 00:03:36,550

to be honest I'm still kind of out on

84

00:03:40,949 --> 00:03:38,770

the fence on this one but if there's

85

00:03:43,530 --> 00:03:40,959

anything you know this documentary

86

00:03:46,020 --> 00:03:43,540

definitely has the most compelling

87

00:03:48,570 --> 00:03:46,030

information when it comes to this

88

00:03:50,040 --> 00:03:48,580

phenomena so much so that it convinced

89

00:03:52,080 --> 00:03:50,050

your Emmy Korbelt that there's something

90

00:03:53,790 --> 00:03:52,090

here so yeah that's the first piece of

91

00:03:57,390 --> 00:03:53,800

news I wanted to get out there before we

92

00:03:59,280 --> 00:03:57,400

get into Tom DeLonge now didn't I see

93

00:04:02,100 --> 00:03:59,290

that Jeremy

94

00:04:04,680 --> 00:04:02,110

Jeremy's movie at your the UFO Congress

95

00:04:06,630 --> 00:04:04,690

didn't we see the whole thing there no

96

00:04:08,699 --> 00:04:06,640

actually it's good you brought that up

97

00:04:11,699 --> 00:04:08,709

that was 20 minutes show a 20 minute

98

00:04:13,640 --> 00:04:11,709

clip and essentially it was a short that

99

00:04:16,949 --> 00:04:13,650

he did and and this new thing is

100

00:04:18,990 --> 00:04:16,959

expanding on that by an hour or so so

101

00:04:20,729 --> 00:04:19,000

it's a full length thing I think so

102

00:04:22,680 --> 00:04:20,739

there's a lot more in this new piece

103

00:04:24,480 --> 00:04:22,690

which is great because with that 20

104

00:04:26,030 --> 00:04:24,490

minute piece some people did feel like

105

00:04:27,980 --> 00:04:26,040

they were left wanting you know

106

00:04:30,140 --> 00:04:27,990

a lot more information and so they're

107

00:04:32,120 --> 00:04:30,150

getting it in this full piece yeah yeah

108

00:04:35,240 --> 00:04:32,130

yeah I do remember that was that was

109

00:04:37,460 --> 00:04:35,250

quite compelling about mm-hmm that that

110

00:04:41,120 --> 00:04:37,470

guy that he was like a skeptical person

111

00:04:42,440 --> 00:04:41,130

to begin with exactly that's that yeah

112

00:04:44,000 --> 00:04:42,450

yeah you're right and that's what's

113

00:04:46,310 --> 00:04:44,010

really interesting about this I guess

114

00:04:48,980 --> 00:04:46,320

the guys even still skeptical that you

115

00:04:51,290 --> 00:04:48,990

know what Roger Lee removed from his his

116

00:04:54,230 --> 00:04:51,300

leg even had anything to do with what is

117

00:04:58,370 --> 00:04:54,240

a abduction experience but this is not a

118

00:05:01,280 --> 00:04:58,380

typical kind of alleged abductee he's a

119

00:05:03,260 --> 00:05:01,290

very grounded person he's not the type

120

00:05:05,840 --> 00:05:03,270

of person yeah if you looked at this guy

121

00:05:07,550 --> 00:05:05,850

you know and if you knew him I would

122

00:05:08,960 --> 00:05:07,560

feel right off the bat that this is

123

00:05:12,140 --> 00:05:08,970

probably someone who thinks all of this

124

00:05:14,270 --> 00:05:12,150

is total BS yeah but and that's what

125

00:05:17,900 --> 00:05:14,280

makes him a really credible person and

126
00:05:19,760 --> 00:05:17,910
makes us even more compelling right

127
00:05:21,500 --> 00:05:19,770
right leg even had anything to do with

128
00:05:23,480 --> 00:05:21,510
so Tom DeLonge let's get into the

129
00:05:26,330 --> 00:05:23,490
average because that's been a crazy

130
00:05:28,190 --> 00:05:26,340
couple of days even for me I've been on

131
00:05:30,220 --> 00:05:28,200
the phone with the lung and his people

132
00:05:32,450 --> 00:05:30,230
quite a bit the last couple of days

133
00:05:35,480 --> 00:05:32,460
leading up to this and then in the

134
00:05:39,080 --> 00:05:35,490
aftermath and I think it's really

135
00:05:42,140 --> 00:05:39,090
interesting there's a ton of negativity

136
00:05:45,020 --> 00:05:42,150
out there and in a way that's a bit

137
00:05:46,760 --> 00:05:45,030
depressing leslie gain and I were just

138
00:05:50,120 --> 00:05:46,770

messaging back and forth with each other

139

00:05:51,530 --> 00:05:50,130

about that and it really you know it's

140

00:05:53,330 --> 00:05:51,540

one of those moments where it's like you

141

00:05:56,210 --> 00:05:53,340

know what I don't want to even deal with

142

00:05:58,700 --> 00:05:56,220

you UFO field you're just never happy

143

00:06:00,830 --> 00:05:58,710

just complain complain and whine and

144

00:06:04,070 --> 00:06:00,840

whine and that's all we hear and it and

145

00:06:06,320 --> 00:06:04,080

that's a bit frustrating although on one

146

00:06:08,360 --> 00:06:06,330

hand I can see it a little bit

147

00:06:12,410 --> 00:06:08,370

it's about expectations that's what it's

148

00:06:14,000 --> 00:06:12,420

all about I think well and I agree and I

149

00:06:16,490 --> 00:06:14,010

guess that's one of the reasons why I

150

00:06:18,620 --> 00:06:16,500

have a harder time sympathizing with

151
00:06:20,890 --> 00:06:18,630
those people because I come from a more

152
00:06:23,510 --> 00:06:20,900
sceptic skeptical and kind of cynical

153
00:06:26,120 --> 00:06:23,520
perspective and when we gave him the

154
00:06:28,610 --> 00:06:26,130
researcher of the Year award at the UFO

155
00:06:30,890 --> 00:06:28,620
Congress it was not for what he claims

156
00:06:34,220 --> 00:06:30,900
he's going to do in the future it was

157
00:06:36,110 --> 00:06:34,230
for what he had done that year which was

158
00:06:37,760 --> 00:06:36,120
to meet with these very high-level

159
00:06:39,800 --> 00:06:37,770
officials and to talk with them about

160
00:06:41,870 --> 00:06:39,810
the UFO topic

161
00:06:44,750 --> 00:06:41,880
which opens things up I think that sort

162
00:06:47,030 --> 00:06:44,760
of thing is really important I'm always

163
00:06:48,440 --> 00:06:47,040

skeptical about what may or may not be

164

00:06:50,870 --> 00:06:48,450

coming in the future because you never

165

00:06:53,180 --> 00:06:50,880

know what's gonna come and often when we

166

00:06:55,340 --> 00:06:53,190

get promises we're let down so I guess

167

00:06:58,130 --> 00:06:55,350

that's partially why I didn't feel so

168

00:07:01,010 --> 00:06:58,140

let down cuz I wasn't expecting anything

169

00:07:02,930 --> 00:07:01,020

big and I maybe I shouldn't it may be

170

00:07:05,270 --> 00:07:02,940

you know I just feel like if you were

171

00:07:08,570 --> 00:07:05,280

expecting some sort of big government

172

00:07:11,540 --> 00:07:08,580

disclosure that's just not how the real

173

00:07:13,460 --> 00:07:11,550

world works so but what's cool about

174

00:07:16,159 --> 00:07:13,470

this and I guess what's got me excited

175

00:07:17,900 --> 00:07:16,169

is that even though Tom DeLonge of

176

00:07:20,690 --> 00:07:17,910

course he's really into a lot of this

177

00:07:22,430 --> 00:07:20,700

stuff very enthusiastic he has personal

178

00:07:24,740 --> 00:07:22,440

believes that a lot of things are going

179

00:07:26,870 --> 00:07:24,750

on the people that he has gathered

180

00:07:29,840 --> 00:07:26,880

together in this new company called to

181

00:07:33,470 --> 00:07:29,850

the stars Academy are very very

182

00:07:35,390 --> 00:07:33,480

impressive I wrote a story about a lot

183

00:07:37,340 --> 00:07:35,400

of them leslie kane wrote a very great

184

00:07:39,860 --> 00:07:37,350

story on the huffington post and i

185

00:07:42,950 --> 00:07:39,870

summarized her story and then added some

186

00:07:46,909 --> 00:07:42,960

background and my personal interview

187

00:07:48,230 --> 00:07:46,919

with one of these guys and the and a

188

00:07:50,150 --> 00:07:48,240

little bit of information that I've

189

00:07:52,550 --> 00:07:50,160

gotten from Tom but one of the most

190

00:07:55,310 --> 00:07:52,560

exciting people among this group is this

191

00:07:58,159 --> 00:07:55,320

guy Louis Elizondo and he worked for the

192

00:08:01,940 --> 00:07:58,169

Department of Defense on a program to

193

00:08:05,060 --> 00:08:01,950

study anomalous aerial threat or he also

194

00:08:07,460 --> 00:08:05,070

calls it unidentified aerial threat and

195

00:08:07,969 --> 00:08:07,470

he he essentially says that's what you

196

00:08:11,740 --> 00:08:07,979

think it is

197

00:08:14,420 --> 00:08:11,750

that's UFOs and that he felt that

198

00:08:17,540 --> 00:08:14,430

there's something really important

199

00:08:19,909 --> 00:08:17,550

there's something unexplained he didn't

200

00:08:23,870 --> 00:08:19,919

feel he says if we feel something as

201
00:08:27,140 --> 00:08:23,880
unidentified we call it a threat until

202
00:08:29,290 --> 00:08:27,150
we can I prove otherwise but what he

203
00:08:33,399 --> 00:08:29,300
discovered is that these things

204
00:08:36,140 --> 00:08:33,409
exhibited technology that we don't have

205
00:08:37,700 --> 00:08:36,150
while he's working for the DoD looking

206
00:08:39,230 --> 00:08:37,710
at this stuff so this is important

207
00:08:40,850 --> 00:08:39,240
because of course the government has

208
00:08:43,700 --> 00:08:40,860
said that they've been out of the UFO

209
00:08:46,220 --> 00:08:43,710
business obviously we know that the

210
00:08:47,600 --> 00:08:46,230
evidence is shown otherwise but this

211
00:08:49,100 --> 00:08:47,610
proves it here's a guy coming out and

212
00:08:51,829 --> 00:08:49,110
saying look I looked at these things

213
00:08:53,720 --> 00:08:51,839

they are unidentified they're mysterious

214

00:08:56,329 --> 00:08:53,730

and essentially he said

215

00:08:59,360 --> 00:08:56,339

that I don't want to do this behind

216

00:09:00,889 --> 00:08:59,370

closed doors anymore with the government

217

00:09:03,230 --> 00:09:00,899

because of the bureaucracy it really

218

00:09:06,439 --> 00:09:03,240

doesn't go anywhere instead I want to do

219

00:09:08,449 --> 00:09:06,449

this in out in the open with a bunch of

220

00:09:11,750 --> 00:09:08,459

individuals where we can hopefully

221

00:09:13,189 --> 00:09:11,760

develop technologies based off of the

222

00:09:16,550 --> 00:09:13,199

technology that we're seeing

223

00:09:18,500 --> 00:09:16,560

demonstrated here so that's a big deal

224

00:09:20,420 --> 00:09:18,510

the other people that are part of this

225

00:09:24,319 --> 00:09:20,430

group Chris Mellon is one of them who

226

00:09:27,319 --> 00:09:24,329

worked for the CIA he worked for defense

227

00:09:29,180 --> 00:09:27,329

intelligence he's had a very a lot of

228

00:09:33,110 --> 00:09:29,190

very high-level jobs he's retired now

229

00:09:34,970 --> 00:09:33,120

he's actually been in an article he kind

230

00:09:36,740 --> 00:09:34,980

of had a coming out article that Leslie

231

00:09:39,319 --> 00:09:36,750

Kane had written about where he talked

232

00:09:41,810 --> 00:09:39,329

about how UFOs are a real thing and he's

233

00:09:44,540 --> 00:09:41,820

very interested in them in the press

234

00:09:46,939 --> 00:09:44,550

conference this morning he covered a

235

00:09:50,150 --> 00:09:46,949

really great case from the Navy

236

00:09:52,569 --> 00:09:50,160

essentially where it's yeah the USS

237

00:09:55,240 --> 00:09:52,579

Nimitz case where they had seen this

238

00:09:58,460 --> 00:09:55,250

George Knapp is calling it a tic tac

239

00:10:00,860 --> 00:09:58,470

shaped object you know a no longer take

240

00:10:02,930 --> 00:10:00,870

kind of white object and that these jets

241

00:10:05,990 --> 00:10:02,940

had chased it and everything a great

242

00:10:07,939 --> 00:10:06,000

case and I did post a transcript to the

243

00:10:11,090 --> 00:10:07,949

entire event so people can see that at

244

00:10:14,030 --> 00:10:11,100

open mind sat TV but the guy I talked to

245

00:10:17,480 --> 00:10:14,040

who is also very interesting is Jim Jim

246

00:10:20,900 --> 00:10:17,490

semi van and he has spent 25 years a

247

00:10:24,100 --> 00:10:20,910

whole career in the CIA also he's worked

248

00:10:27,139 --> 00:10:24,110

for the Department the National

249

00:10:31,250 --> 00:10:27,149

clandestine Department I mean he's done

250

00:10:34,370 --> 00:10:31,260

some very tops top-secret stuff and what

251

00:10:36,650 --> 00:10:34,380

I wanted to know is why you know if

252

00:10:39,290 --> 00:10:36,660

you're 25 years in the CIA what do you

253

00:10:40,730 --> 00:10:39,300

do and why are you doing this and his

254

00:10:42,769 --> 00:10:40,740

answers were great I talked to him

255

00:10:43,430 --> 00:10:42,779

actually at length and he's a really

256

00:10:46,160 --> 00:10:43,440

cool guy

257

00:10:47,629 --> 00:10:46,170

essentially he's saying that the

258

00:10:49,639 --> 00:10:47,639

government people in the government are

259

00:10:51,590 --> 00:10:49,649

much like us in fact he's saying a lot

260

00:10:54,920 --> 00:10:51,600

of very similar things to what John

261

00:10:58,370 --> 00:10:54,930

Alexander says and people have had

262

00:11:00,079 --> 00:10:58,380

experiences people have talked to their

263

00:11:02,449 --> 00:11:00,089

friends there's a lot of people in

264

00:11:04,910 --> 00:11:02,459

government who believe in UFOs and other

265

00:11:06,190 --> 00:11:04,920

mysteries and he's like I'm one of these

266

00:11:08,530 --> 00:11:06,200

people

267

00:11:10,660 --> 00:11:08,540

and we haven't had any ability to really

268

00:11:12,700 --> 00:11:10,670

look into any of this stuff in any

269

00:11:16,420 --> 00:11:12,710

official capacity we haven't gone

270

00:11:18,600 --> 00:11:16,430

anywhere with it and he want that's what

271

00:11:21,880 --> 00:11:18,610

he wants to do he said once he met Tom

272

00:11:23,350 --> 00:11:21,890

and Tom had these similar interests he

273

00:11:25,240 --> 00:11:23,360

said this is what we need to do we need

274

00:11:28,180 --> 00:11:25,250

to start an organization where we can

275

00:11:31,690 --> 00:11:28,190

essentially do like space X that was

276
00:11:33,880 --> 00:11:31,700
their model SpaceX has gone on to do all

277
00:11:35,980 --> 00:11:33,890
of these cool things outside of NASA and

278
00:11:38,920 --> 00:11:35,990
they're already becoming more and more

279
00:11:40,360 --> 00:11:38,930
miles ahead of NASA I mean if it wasn't

280
00:11:43,480 --> 00:11:40,370
for SpaceX we wouldn't be able to

281
00:11:46,390 --> 00:11:43,490
deliver anything to the ISS I have to

282
00:11:48,040 --> 00:11:46,400
rely on SpaceX so they want to do that

283
00:11:49,990 --> 00:11:48,050
they figured the same thing if we're

284
00:11:53,620 --> 00:11:50,000
gonna develop technologies or even

285
00:11:55,600 --> 00:11:53,630
understand the this phenomena primarily

286
00:11:57,880 --> 00:11:55,610
UFOs but they also have interests in

287
00:12:01,660 --> 00:11:57,890
telepathy and ESP and all of these other

288
00:12:03,820 --> 00:12:01,670

things free energy type devices if we're

289

00:12:05,200 --> 00:12:03,830

gonna actually do something along these

290

00:12:07,900 --> 00:12:05,210

lines we're gonna have to take this and

291

00:12:10,630 --> 00:12:07,910

out into the private sector and do this

292

00:12:13,090 --> 00:12:10,640

on our own and and that's been his

293

00:12:15,820 --> 00:12:13,100

motivation he says I'm 65 and retired

294

00:12:17,650 --> 00:12:15,830

I've only got 15 years maybe he left and

295

00:12:19,980 --> 00:12:17,660

this is what I want to spend the rest of

296

00:12:24,280 --> 00:12:19,990

my life doing and he does make the point

297

00:12:24,820 --> 00:12:24,290

that this is not for money for any of

298

00:12:28,090 --> 00:12:24,830

them

299

00:12:30,760 --> 00:12:28,100

this is a public benefit company they've

300

00:12:32,860 --> 00:12:30,770

created so you can buy stocks and shares

301
00:12:35,830 --> 00:12:32,870
and you can get involved as an investor

302
00:12:37,540 --> 00:12:35,840
and the public benefit thing is it's a

303
00:12:39,340 --> 00:12:37,550
different type of company where you have

304
00:12:41,890 --> 00:12:39,350
to spend more of your profits on the

305
00:12:44,950 --> 00:12:41,900
company itself and as part of that on

306
00:12:47,590 --> 00:12:44,960
our story also you have a link to what's

307
00:12:50,140 --> 00:12:47,600
called the offering circular which tells

308
00:12:51,910 --> 00:12:50,150
you all about the company the entire all

309
00:12:54,400 --> 00:12:51,920
the information about the makeup of the

310
00:12:56,260 --> 00:12:54,410
company and in that you see that these

311
00:12:57,550 --> 00:12:56,270
guys aren't really taking salaries that

312
00:13:00,490 --> 00:12:57,560
there's there's very little when it

313
00:13:03,010 --> 00:13:00,500

comes to salaries it's more about you

314

00:13:04,930 --> 00:13:03,020

know just getting money to fund these

315

00:13:06,730 --> 00:13:04,940

projects and what they want to do and

316

00:13:08,830 --> 00:13:06,740

what they want to rely on people like me

317

00:13:10,780 --> 00:13:08,840

and you and others in this community is

318

00:13:14,080 --> 00:13:10,790

to find people who are working on

319

00:13:17,500 --> 00:13:14,090

research projects then to fund those

320

00:13:19,930 --> 00:13:17,510

projects to try to discover more about

321

00:13:22,630 --> 00:13:19,940

all of what's going on here it's kind of

322

00:13:25,150 --> 00:13:22,640

Bigelow - oh but even bigger and better

323

00:13:28,990 --> 00:13:25,160

in that these are more high-level

324

00:13:30,850 --> 00:13:29,000

credible people not that Bigelow didn't

325

00:13:35,380 --> 00:13:30,860

have that but these are people with real

326

00:13:39,070 --> 00:13:35,390

insight they're insiders and they have a

327

00:13:41,680 --> 00:13:39,080

lot of access and it's more public it's

328

00:13:45,280 --> 00:13:41,690

more partially because of the internet

329

00:13:48,220 --> 00:13:45,290

but it's more public interfacing than

330

00:13:50,320 --> 00:13:48,230

than ever before so I personally am

331

00:13:52,750 --> 00:13:50,330

really excited about this I think people

332

00:13:54,970 --> 00:13:52,760

need to read that transcript read who

333

00:13:59,890 --> 00:13:54,980

these people are and what they're saying

334

00:14:01,510 --> 00:13:59,900

because this the group of people coming

335

00:14:04,000 --> 00:14:01,520

out and talking about what they're

336

00:14:06,610 --> 00:14:04,010

talking about has not happened in this

337

00:14:09,340 --> 00:14:06,620

field before like this so if that's a

338

00:14:11,470 --> 00:14:09,350

big deal I'm sorry that you know Tom

339

00:14:13,300 --> 00:14:11,480

DeLonge didn't have Trump come onstage

340

00:14:15,370 --> 00:14:13,310

and say we're being invaded by aliens

341

00:14:18,280 --> 00:14:15,380

and we're being abducted and all this

342

00:14:20,680 --> 00:14:18,290

crazy other stuff but what they did say

343

00:14:22,600 --> 00:14:20,690

is better because it's not as

344

00:14:24,370 --> 00:14:22,610

frightening as all of that and it gives

345

00:14:27,820 --> 00:14:24,380

us hope for this field I think yeah

346

00:14:30,730 --> 00:14:27,830

besides he tweeted anyway so you know

347

00:14:32,500 --> 00:14:30,740

yeah let's let's address some of the the

348

00:14:34,900 --> 00:14:32,510

negativity a little bit okay here you

349

00:14:37,360 --> 00:14:34,910

know for instance in the chat room you

350

00:14:39,640 --> 00:14:37,370

know someone wrote having a hard time

351

00:14:41,560 --> 00:14:39,650

figuring out why people think DeLong is

352

00:14:44,050 --> 00:14:41,570

doing anything other than making money

353

00:14:46,630 --> 00:14:44,060

I'm sure that's that's par for some of

354

00:14:49,930 --> 00:14:46,640

the typical comments that youyou are

355

00:14:51,880 --> 00:14:49,940

talking about I know but you know and

356

00:14:54,040 --> 00:14:51,890

and with all due respect it's an

357

00:14:57,190 --> 00:14:54,050

ignorant statement and I know that's

358

00:14:59,290 --> 00:14:57,200

strong wording but it's true I mean that

359

00:15:02,070 --> 00:14:59,300

means that you have not gone through and

360

00:15:05,830 --> 00:15:02,080

read what they're doing or trying to do

361

00:15:09,850 --> 00:15:05,840

because if you if you read what they're

362

00:15:12,100 --> 00:15:09,860

doing that you can I like I said read

363

00:15:14,980 --> 00:15:12,110

all about the corporation and where that

364

00:15:19,090 --> 00:15:17,710

you can also mean there's just you

365

00:15:21,010 --> 00:15:19,100

haven't done your research if that's how

366

00:15:23,350 --> 00:15:21,020

you feel and I think that you need to do

367

00:15:25,480 --> 00:15:23,360

that research and Leslie's provided

368

00:15:28,540 --> 00:15:25,490

information two stories one yesterday

369

00:15:30,190 --> 00:15:28,550

one today I provided information and the

370

00:15:32,380 --> 00:15:30,200

group themselves to the stars if you go

371

00:15:33,850 --> 00:15:32,390

to their website there's an abundance of

372

00:15:36,100 --> 00:15:33,860

information to show that

373

00:15:38,199 --> 00:15:36,110

these guys don't need money Tom Donna

374

00:15:39,460 --> 00:15:38,209

long does not need your money the way

375

00:15:41,380 --> 00:15:39,470

they're gonna make money is through

376

00:15:43,180 --> 00:15:41,390

other ventures such as the entertainment

377

00:15:45,670 --> 00:15:43,190

industry and the entertainment things

378

00:15:49,120 --> 00:15:45,680

that he does he's going to be channeling

379

00:15:50,350 --> 00:15:49,130

that money to this organization so what

380

00:15:53,769 --> 00:15:50,360

about some of the other things you've

381

00:15:58,000 --> 00:15:53,779

heard that you think are wrong wrongly

382

00:16:02,190 --> 00:15:58,010

quoted well I think that you know that

383

00:16:06,400 --> 00:16:02,200

this has all been done before or that

384

00:16:08,819 --> 00:16:06,410

that's definitely one that these guys

385

00:16:11,170 --> 00:16:08,829

are still employed by the government

386

00:16:13,660 --> 00:16:11,180

that's that's about the misinformation

387

00:16:16,180 --> 00:16:13,670

thing I've heard that one that Tom's out

388

00:16:18,430 --> 00:16:16,190

there has given misinformation to spread

389

00:16:21,610 --> 00:16:18,440

it you know he's been given

390

00:16:23,949 --> 00:16:21,620

misinformation to you know to muddy up

391

00:16:26,680 --> 00:16:23,959

the waters I'm sure no word that money I

392

00:16:31,180 --> 00:16:26,690

have heard that one and you know to be

393

00:16:34,780 --> 00:16:31,190

honest that one there are a lot of

394

00:16:37,690 --> 00:16:34,790

things that tom is saying that are not

395

00:16:41,519 --> 00:16:37,700

what these other guys are saying they're

396

00:16:45,850 --> 00:16:41,529

not certainly all on the same page and

397

00:16:49,120 --> 00:16:45,860

Tom seems to even have or feels he has

398

00:16:52,030 --> 00:16:49,130

insider information that goes beyond and

399

00:16:55,870 --> 00:16:52,040

above these people that he's created his

400

00:16:58,930 --> 00:16:55,880

company with and I it's entirely

401
00:17:01,620 --> 00:16:58,940
possible I think though that he could be

402
00:17:05,020 --> 00:17:01,630
getting wrong information read either

403
00:17:07,409 --> 00:17:05,030
purposely or not he could be getting

404
00:17:10,360 --> 00:17:07,419
information from people he trusts who

405
00:17:13,419 --> 00:17:10,370
genuinely believe these things and

406
00:17:15,250 --> 00:17:13,429
they're just not accurate or he could

407
00:17:18,490 --> 00:17:15,260
have an inside track on all of us I

408
00:17:20,110 --> 00:17:18,500
don't know that's a that that argument I

409
00:17:22,470 --> 00:17:20,120
could still see why people would be

410
00:17:25,360 --> 00:17:22,480
disappointed or frustrated about that

411
00:17:27,549 --> 00:17:25,370
and not maybe qualifying all of those

412
00:17:29,919 --> 00:17:27,559
statements that have been made I

413
00:17:32,440 --> 00:17:29,929

certainly could see that so I guess if

414

00:17:33,789 --> 00:17:32,450

you're looking and I should give those

415

00:17:36,730 --> 00:17:33,799

people if you're looking at the glass

416

00:17:38,500 --> 00:17:36,740

half-empty type of angle there there's a

417

00:17:41,409 --> 00:17:38,510

lot of emptiness there that you can

418

00:17:44,409 --> 00:17:41,419

complain about but on the other side it

419

00:17:47,450 --> 00:17:44,419

is if you take a step back and look at

420

00:17:51,440 --> 00:17:47,460

the net gain here it is more than we

421

00:17:52,070 --> 00:17:51,450

had before mm-hmm now I I tuned into it

422

00:17:54,380 --> 00:17:52,080

this morning

423

00:17:56,899 --> 00:17:54,390

and I couldn't get the sound to work for

424

00:17:58,760 --> 00:17:56,909

the life of me well you know there was a

425

00:18:01,010 --> 00:17:58,770

problem with the website the embed they

426

00:18:03,560 --> 00:18:01,020

had their first of all it wasn't showing

427

00:18:04,970 --> 00:18:03,570

completely right and then someone had

428

00:18:06,500 --> 00:18:04,980

found out you had to right-click and

429

00:18:08,930 --> 00:18:06,510

unmute cuz some reason it was

430

00:18:11,180 --> 00:18:08,940

automatically muted but luckily the live

431

00:18:13,340 --> 00:18:11,190

stream on Facebook was really good and

432

00:18:15,620 --> 00:18:13,350

then we posted that on our site too and

433

00:18:17,750 --> 00:18:15,630

and those were working fine but the site

434

00:18:20,210 --> 00:18:17,760

yeah yeah that's where I finally got to

435

00:18:21,740 --> 00:18:20,220

the after communicating with a bunch of

436

00:18:24,889 --> 00:18:21,750

people I finally got to the Facebook

437

00:18:30,649 --> 00:18:24,899

site and then then I watched it over

438

00:18:34,789 --> 00:18:30,659

afterwards but yeah you know be what it

439

00:18:36,980 --> 00:18:34,799

may be to some people I think it's it's

440

00:18:39,560 --> 00:18:36,990

possibly a move in the right direction

441

00:18:40,760 --> 00:18:39,570

I liked listening to what some of the

442

00:18:43,940 --> 00:18:40,770

people said some of the people you

443

00:18:46,000 --> 00:18:43,950

mentioned how put off was interesting

444

00:18:48,889 --> 00:18:46,010

he's always an interesting character and

445

00:18:50,930 --> 00:18:48,899

yeah then also if you read the website

446

00:18:53,240 --> 00:18:50,940

there are a number of people that are

447

00:18:56,240 --> 00:18:53,250

getting involved in this that have great

448

00:18:58,700 --> 00:18:56,250

backgrounds so you know it's more along

449

00:19:01,730 --> 00:18:58,710

the lines of at least some people in

450

00:19:04,909 --> 00:19:01,740

science are taking this more seriously

451
00:19:06,710 --> 00:19:04,919
it's gearing toward that well I think a

452
00:19:09,529 --> 00:19:06,720
lot of us like Leslie and I for instance

453
00:19:11,060 --> 00:19:09,539
and some of these others who know some

454
00:19:12,919 --> 00:19:11,070
of these people who are involved for

455
00:19:16,250 --> 00:19:12,929
instance Chris Mullins part of the UFO

456
00:19:18,080 --> 00:19:16,260
data group how put off has been or you

457
00:19:20,330 --> 00:19:18,090
know working on this stuff for quite a

458
00:19:21,649 --> 00:19:20,340
while it's exciting for us because we

459
00:19:23,210 --> 00:19:21,659
know these people that we know that

460
00:19:24,950 --> 00:19:23,220
they're credible in their hearts in the

461
00:19:27,500 --> 00:19:24,960
right place and that they're the type of

462
00:19:30,620 --> 00:19:27,510
people to get stuff done so I think for

463
00:19:32,990 --> 00:19:30,630

as those who roll up their sleeves and

464

00:19:35,899 --> 00:19:33,000

they're in the muck trying to do stuff

465

00:19:38,889 --> 00:19:35,909

on a daily basis and doing research and

466

00:19:41,210 --> 00:19:38,899

investigation and those who are

467

00:19:43,549 --> 00:19:41,220

professional and I think that's a really

468

00:19:45,710 --> 00:19:43,559

important aspect of professionals that

469

00:19:48,110 --> 00:19:45,720

this is a good thing because this is

470

00:19:49,580 --> 00:19:48,120

another highly professional organization

471

00:19:51,830 --> 00:19:49,590

and I've said for years we've talked

472

00:19:54,289 --> 00:19:51,840

about this there could be a study there

473

00:19:56,149 --> 00:19:54,299

needs to be a study of UFOs you know a a

474

00:19:59,269 --> 00:19:56,159

credible scientific group and I think

475

00:20:01,460 --> 00:19:59,279

this could be it and I think just like

476

00:20:04,970 --> 00:20:01,470

for the search for alien

477

00:20:06,860 --> 00:20:04,980

life layered the SETI's been I mean

478

00:20:09,680 --> 00:20:06,870

steady has brought that topic to the

479

00:20:11,570 --> 00:20:09,690

forefront and now it's a very credible

480

00:20:13,549 --> 00:20:11,580

serious thing I think if you have the

481

00:20:16,010 --> 00:20:13,559

right organization in the right group of

482

00:20:17,899 --> 00:20:16,020

people like we have here that that could

483

00:20:20,210 --> 00:20:17,909

be done with with the topic that we all

484

00:20:22,250 --> 00:20:20,220

care so much about as well yeah good

485

00:20:23,990 --> 00:20:22,260

point good point well we ran a little

486

00:20:25,640 --> 00:20:24,000

long you may have some other things to

487

00:20:28,549 --> 00:20:25,650

talk about but we'll probably have to

488

00:20:30,529 --> 00:20:28,559

catch up next week okay sounds good all

489

00:20:32,630 --> 00:20:30,539

right all right hey thanks so much and

490

00:20:33,380 --> 00:20:32,640

I'll talk to you next week all right

491

00:20:36,740 --> 00:20:33,390

talk to you later

492

00:20:41,360 --> 00:20:36,750

all right bye bye all right so our

493

00:20:45,049 --> 00:20:41,370

guest our guest is Mack Maloney and I

494

00:20:47,180 --> 00:20:45,059

met him you know I think it was five

495

00:20:50,270 --> 00:20:47,190

have I been doing this show five years I

496

00:20:53,810 --> 00:20:50,280

think going on six something like that

497

00:20:59,180 --> 00:20:53,820

anyway I met him he's uh he's got that

498

00:21:02,120 --> 00:20:59,190

great Boston accent and and I met him in

499

00:21:04,820 --> 00:21:02,130

Newburyport and I did an on-site show

500

00:21:07,700 --> 00:21:04,830

with him and yeah we're sort of

501
00:21:09,440 --> 00:21:07,710
neighbors in a way Mac how are you good

502
00:21:13,669 --> 00:21:09,450
how are you doing good good to see you

503
00:21:16,399 --> 00:21:13,679
good yes and so you have been doing your

504
00:21:19,970 --> 00:21:16,409
military's x-files now for how long has

505
00:21:22,850 --> 00:21:19,980
that been Wow it's been about the three

506
00:21:24,680 --> 00:21:22,860
or four years I guess uh-huh doesn't

507
00:21:27,020 --> 00:21:24,690
seem that long but yeah we've been doing

508
00:21:28,669 --> 00:21:27,030
it for quite a while now yeah yeah and

509
00:21:30,890 --> 00:21:28,679
I've actually listened to some of those

510
00:21:32,659 --> 00:21:30,900
shows and I'll never forget I have to

511
00:21:34,730 --> 00:21:32,669
talk about this the guy that started

512
00:21:36,620 --> 00:21:34,740
screaming and yelling at you do you

513
00:21:38,299 --> 00:21:36,630

remember who that was which one would

514

00:21:40,820 --> 00:21:38,309

that be I mean there was a number of

515

00:21:44,539 --> 00:21:40,830

them it was a guy that was pronounce his

516

00:21:47,029 --> 00:21:44,549

name wrong I think like that yeah but

517

00:21:48,529 --> 00:21:47,039

but he was kind of a lunatic but I'm

518

00:21:51,529 --> 00:21:48,539

telling you you hung in there with him

519

00:21:53,060 --> 00:21:51,539

and I is that ringing bells now do you

520

00:21:55,610 --> 00:21:53,070

know who was it the one that there was

521

00:21:59,180 --> 00:21:55,620

one guy who accused me of even a Mossad

522

00:22:02,149 --> 00:21:59,190

agent an agent for Israel because we

523

00:22:05,720 --> 00:22:02,159

were challenging him on 9/11 we've had

524

00:22:09,770 --> 00:22:05,730

people who claim to you know have proof

525

00:22:12,289 --> 00:22:09,780

of that you know the government is

526

00:22:13,549 --> 00:22:12,299

dropping stuff on us that they look at

527

00:22:15,120 --> 00:22:13,559

contrails and they think they're

528

00:22:17,370 --> 00:22:15,130

chemtrails we had a big guy

529

00:22:19,290 --> 00:22:17,380

when over that one night yeah so there's

530

00:22:22,080 --> 00:22:19,300

many to pick from there no this is a

531

00:22:26,010 --> 00:22:22,090

very elderly man very very elderly oh

532

00:22:28,350 --> 00:22:26,020

that was um Oh friend from NASA there uh

533

00:22:29,970 --> 00:22:28,360

yeah he's the guy who oh yeah we

534

00:22:32,460 --> 00:22:29,980

probably shouldn't mentioned his name on

535

00:22:34,770 --> 00:22:32,470

the air buddy he's a guy who works at

536

00:22:38,070 --> 00:22:34,780

NASA he claimed that he saw a 11-foot

537

00:22:40,620 --> 00:22:38,080

alien in the cargo bay of a shuttle yeah

538

00:22:42,690 --> 00:22:40,630

and Wow he kind of went on from there

539

00:22:45,720 --> 00:22:42,700

yeah he was an interesting character

540

00:22:48,210 --> 00:22:45,730

yeah yeah excellent all right so you've

541

00:22:51,110 --> 00:22:48,220

written books and I think when we first

542

00:22:54,750 --> 00:22:51,120

met you had just written your first

543

00:22:59,760 --> 00:22:54,760

nonfiction UFO book right and well right

544

00:23:03,150 --> 00:22:59,770

that UFOs in one time it's just accounts

545

00:23:06,420 --> 00:23:03,160

of people seeing lots of UFOs well in

546

00:23:08,580 --> 00:23:06,430

one time just had this idea you know for

547

00:23:11,040 --> 00:23:08,590

a long time it just seemed like any I

548

00:23:13,950 --> 00:23:11,050

have read all kinds of UFO votes even as

549

00:23:16,950 --> 00:23:13,960

a kid and it just seemed like people

550

00:23:19,020 --> 00:23:16,960

were seeing UFOs a lot when there was

551
00:23:20,250 --> 00:23:19,030
some kind of a wall going on and so we

552
00:23:21,840 --> 00:23:20,260
looked into it a little bit and it went

553
00:23:23,640 --> 00:23:21,850
all the way back to Alexander the Great

554
00:23:26,160 --> 00:23:23,650
and you go right through all of history

555
00:23:27,480 --> 00:23:26,170
and sure enough it just seems I think we

556
00:23:29,880 --> 00:23:27,490
make a pretty good case for earth for

557
00:23:33,210 --> 00:23:29,890
whatever reason that people see more

558
00:23:36,990 --> 00:23:33,220
UFOs in times of war than during

559
00:23:39,510 --> 00:23:37,000
peacetime yeah and you know there's some

560
00:23:42,210 --> 00:23:39,520
theories that I have heard about that

561
00:23:43,800 --> 00:23:42,220
and one of them being you know time

562
00:23:48,780 --> 00:23:43,810
travel that someone's you know going

563
00:23:50,610 --> 00:23:48,790

back trying to find trying to find you

564

00:23:53,070 --> 00:23:50,620

know a certain situation so they can

565

00:23:54,540 --> 00:23:53,080

capture it and be an eyewitness to it it

566

00:23:57,180 --> 00:23:54,550

was that part of your book too

567

00:23:59,250 --> 00:23:57,190

well we talked about it you know as if

568

00:24:01,320 --> 00:23:59,260

these people might be you know people

569

00:24:03,570 --> 00:24:01,330

whatever it might be simply something as

570

00:24:05,580 --> 00:24:03,580

time tourists from our future time

571

00:24:06,900 --> 00:24:05,590

tourists yeah yep come back to see

572

00:24:09,210 --> 00:24:06,910

history being made

573

00:24:10,920 --> 00:24:09,220

there's a few interesting things that

574

00:24:15,750 --> 00:24:10,930

kind of go along with that in that you

575

00:24:17,070 --> 00:24:15,760

know we have stories and of you know

576

00:24:21,090 --> 00:24:17,080

British mom is in the middle of the

577

00:24:23,550 --> 00:24:21,100

night bombing some German city in the in

578

00:24:25,080 --> 00:24:23,560

World War two and and all of a sudden

579

00:24:27,000 --> 00:24:25,090

you know they would see these crafts

580

00:24:28,270 --> 00:24:27,010

riding right off of their wing you know

581

00:24:34,090 --> 00:24:28,280

just

582

00:24:35,800 --> 00:24:34,100

if they were observing them and lots of

583

00:24:38,770 --> 00:24:35,810

people saw them they'll call Foo

584

00:24:40,390 --> 00:24:38,780

Fighters back then but um there's no

585

00:24:44,140 --> 00:24:40,400

evidence at all that any of them ever

586

00:24:45,520 --> 00:24:44,150

shot at our planes shot at anybody then

587

00:24:48,610 --> 00:24:45,530

you know the Germans at the end of the

588

00:24:50,320 --> 00:24:48,620

law the dream has told us us being the

589

00:24:51,910 --> 00:24:50,330

allies you know we thought these they

590

00:24:53,320 --> 00:24:51,920

saw them too and they said we thought

591

00:24:54,520 --> 00:24:53,330

they were your secret weapons and we

592

00:24:58,270 --> 00:24:54,530

said to the Germans we thought they

593

00:25:01,960 --> 00:24:58,280

would see good weapons so but there was

594

00:25:03,790 --> 00:25:01,970

no case of them shooting at anybody I

595

00:25:05,830 --> 00:25:03,800

know there isn't there isn't

596

00:25:07,770 --> 00:25:05,840

lots of people out there you don't want

597

00:25:10,570 --> 00:25:07,780

to believe that the Nazis had help from

598

00:25:13,390 --> 00:25:10,580

aliens and so on and that you know UFO

599

00:25:16,240 --> 00:25:13,400

shot down b-17s and stuff like that and

600

00:25:18,310 --> 00:25:16,250

then that none of that is true but I

601
00:25:21,760 --> 00:25:18,320
think just the fact that these things

602
00:25:23,260 --> 00:25:21,770
are kind of benevolent you know they

603
00:25:25,540 --> 00:25:23,270
just they're observing just kind of

604
00:25:27,580 --> 00:25:25,550
gives you that idea of you know that

605
00:25:30,130 --> 00:25:27,590
maybe they just want to see history

606
00:25:32,980 --> 00:25:30,140
being made did you ever have you ever

607
00:25:34,660 --> 00:25:32,990
had the opportunity to actually talk to

608
00:25:36,490 --> 00:25:34,670
anyone that's actually seen one of the

609
00:25:40,510 --> 00:25:36,500
Foo Fighters when you were doing your

610
00:25:44,160 --> 00:25:40,520
research we know let me think then good

611
00:25:47,170 --> 00:25:44,170
question no we talked to people in

612
00:25:50,740 --> 00:25:47,180
Sweden about two interesting cases the

613
00:25:54,550 --> 00:25:50,750

ghost fliers of the early 1930s and then

614

00:25:57,010 --> 00:25:54,560

the ghost rockets of 1946 and those guys

615

00:25:59,380 --> 00:25:57,020

had talked to people who had seen the

616

00:26:03,670 --> 00:25:59,390

ghost rockets in 1946 that's the closest

617

00:26:06,670 --> 00:26:03,680

I can get to that but you know they very

618

00:26:09,100 --> 00:26:06,680

detailed accounts of these ghost rockets

619

00:26:12,430 --> 00:26:09,110

over Sweden over all of Scandinavia in

620

00:26:13,720 --> 00:26:12,440

1946 right after World War two ended and

621

00:26:15,460 --> 00:26:13,730

a lot of people thought that they might

622

00:26:17,140 --> 00:26:15,470

be German buzz bombs at the Russians

623

00:26:20,590 --> 00:26:17,150

somehow got ahold of them we're shooting

624

00:26:22,210 --> 00:26:20,600

at Sweden for some reason but they shut

625

00:26:23,470 --> 00:26:22,220

down that theory pretty quickly the

626

00:26:25,600 --> 00:26:23,480

United States got involved because

627

00:26:29,170 --> 00:26:25,610

Sweden was a neutral country they asked

628

00:26:32,560 --> 00:26:29,180

the British for radar and two gentlemen

629

00:26:36,310 --> 00:26:32,570

duh Jimmy Doolittle who ran the 30

630

00:26:39,280 --> 00:26:36,320

seconds over Tokyo raid and a gentleman

631

00:26:41,800 --> 00:26:39,290

gentleman named Sarnoff went to on to

632

00:26:44,020 --> 00:26:41,810

create NBC they would called over there

633

00:26:45,520 --> 00:26:44,030

commissioned by Truman to see what was

634

00:26:47,680 --> 00:26:45,530

going on and all the evidence they saw

635

00:26:50,830 --> 00:26:47,690

was that these things were not anything

636

00:26:52,330 --> 00:26:50,840

that they had ever encountered they look

637

00:26:55,240 --> 00:26:52,340

more like cruise missiles than anything

638

00:26:57,160 --> 00:26:55,250

else so that's the closest we came to

639

00:26:58,750 --> 00:26:57,170

talking to people who had direct contact

640

00:27:01,480 --> 00:26:58,760

we were once removed but still

641

00:27:03,970 --> 00:27:01,490

fascinating case right right yeah the

642

00:27:06,730 --> 00:27:03,980

ghost rockets are it's another thing

643

00:27:10,870 --> 00:27:06,740

that is very intriguing me I've talked

644

00:27:12,910 --> 00:27:10,880

to class class Vaughn from Sweden really

645

00:27:14,950 --> 00:27:12,920

interesting guy and they're like to him

646

00:27:16,030 --> 00:27:14,960

- yeah yeah he's great that guy oh he's

647

00:27:19,660 --> 00:27:16,040

wonderful yeah

648

00:27:22,470 --> 00:27:19,670

and so but that there's still you know

649

00:27:25,150 --> 00:27:22,480

ongoing you know which is really amazing

650

00:27:27,850 --> 00:27:25,160

you know they're still ongoing sightings

651
00:27:30,580 --> 00:27:27,860
I think in the though they saw one crash

652
00:27:33,730 --> 00:27:30,590
in a lake like 20 years ago or something

653
00:27:35,140 --> 00:27:33,740
right yeah they had these it was the

654
00:27:37,330 --> 00:27:35,150
whole thing is really strange because

655
00:27:39,280 --> 00:27:37,340
people would see them flying over as

656
00:27:41,470 --> 00:27:39,290
they say Sweden in other countries than

657
00:27:43,210 --> 00:27:41,480
Scandinavia and they would see them

658
00:27:46,390 --> 00:27:43,220
flying in formation two or three of them

659
00:27:48,760 --> 00:27:46,400
flying inflammation and and they were

660
00:27:50,290 --> 00:27:48,770
picked up on radar and they were you

661
00:27:52,000 --> 00:27:50,300
know picked up visually so it was like

662
00:27:54,940 --> 00:27:52,010
one of the first times that you had kind

663
00:27:57,220 --> 00:27:54,950

of evidence you know electronic evidence

664

00:27:59,440 --> 00:27:57,230

that something was up there but and then

665

00:28:02,470 --> 00:27:59,450

and then there was a Swedish it was

666

00:28:04,240 --> 00:28:02,480

pilot who rode alongside one for quite a

667

00:28:05,830 --> 00:28:04,250

well and and his little drawing

668

00:28:10,090 --> 00:28:05,840

description matches the Tomahawk cruise

669

00:28:12,040 --> 00:28:10,100

missile you know of these these days so

670

00:28:13,990 --> 00:28:12,050

it was like when these things were

671

00:28:16,840 --> 00:28:14,000

something seemed I don't know you know

672

00:28:19,270 --> 00:28:16,850

kind of the run time error or whatever

673

00:28:20,500 --> 00:28:19,280

but as you say was very strange even

674

00:28:23,110 --> 00:28:20,510

strange about these things is that they

675

00:28:25,060 --> 00:28:23,120

used to fall into lakes and then the

676

00:28:27,130 --> 00:28:25,070

Swedish Navy would go into the lakes and

677

00:28:28,750 --> 00:28:27,140

they would find no no wreckage they'd

678

00:28:29,830 --> 00:28:28,760

have lots of witnesses saying we saw

679

00:28:30,820 --> 00:28:29,840

this thing go in the lake and by the

680

00:28:34,030 --> 00:28:30,830

time they get down there there was

681

00:28:36,220 --> 00:28:34,040

nothing there so very strange yeah the

682

00:28:38,080 --> 00:28:36,230

ghost flies of 46 very they're not quite

683

00:28:41,350 --> 00:28:38,090

ufos but there's something strange in

684

00:28:44,530 --> 00:28:41,360

the sky right right now from what I

685

00:28:47,080 --> 00:28:44,540

understand going back to war time and

686

00:28:49,120 --> 00:28:47,090

UFOs from what I understand doctor

687

00:28:54,460 --> 00:28:49,130

Richard Haines was doing some research

688

00:28:55,390 --> 00:28:54,470

for Vietnam and in Korea yeah and he was

689

00:28:58,510 --> 00:28:55,400

doing the work

690

00:29:00,540 --> 00:28:58,520

on Vietnam and he gave us a lot of

691

00:29:03,400 --> 00:29:00,550

information on Korea Korea's very

692

00:29:04,840 --> 00:29:03,410

interesting history in the very

693

00:29:05,620 --> 00:29:04,850

interesting chapter in the history of

694

00:29:08,260 --> 00:29:05,630

UFOs

695

00:29:10,600 --> 00:29:08,270

what about Vietnam because uh I've said

696

00:29:14,020 --> 00:29:10,610

a number of times on this show that

697

00:29:16,240 --> 00:29:14,030

someone had taught an insurance agent

698

00:29:18,970 --> 00:29:16,250

that I had talked about investigating

699

00:29:21,010 --> 00:29:18,980

UFOs in Vietnam what does he have to say

700

00:29:24,040 --> 00:29:21,020

about that was there a lot of activity

701
00:29:25,600 --> 00:29:24,050
there as well yes it was you know and

702
00:29:27,250 --> 00:29:25,610
there's a very strange wall because

703
00:29:29,950 --> 00:29:27,260
there was just like a lot of different

704
00:29:33,190 --> 00:29:29,960
stuff going on there you know a lot of

705
00:29:36,340 --> 00:29:33,200
drug use you know a lot of a lot of

706
00:29:39,940 --> 00:29:36,350
airplanes in aircrafts squeezed into a

707
00:29:42,910 --> 00:29:39,950
very small kind of area as Korea was but

708
00:29:46,270 --> 00:29:42,920
the most interesting story from Vietnam

709
00:29:48,990 --> 00:29:46,280
I can think of is the U is the HMS

710
00:29:51,730 --> 00:29:49,000
cobots story and basically real quick

711
00:29:53,919 --> 00:29:51,740
people started seeing picked up in a

712
00:29:56,680 --> 00:29:53,929
raid on American radar these objects

713
00:29:58,150 --> 00:29:56,690

over the DMZ in Vietnam and people don't

714

00:30:00,190 --> 00:29:58,160

know that North Vietnam in South Vietnam

715

00:30:04,860 --> 00:30:00,200

at the time was separated by this thirty

716

00:30:08,140 --> 00:30:04,870

mile wide demilitarized on the DMZ and

717

00:30:09,549 --> 00:30:08,150

even though the climbing US had a lot of

718

00:30:11,590 --> 00:30:09,559

troops and stuff in there we were always

719

00:30:12,960 --> 00:30:11,600

fighting them in this place that you

720

00:30:14,950 --> 00:30:12,970

were supposed to be fighting but anyway

721

00:30:17,140 --> 00:30:14,960

they started picking up all these

722

00:30:19,240 --> 00:30:17,150

objects flying objects over there and

723

00:30:21,700 --> 00:30:19,250

the Communists never really had like

724

00:30:24,580 --> 00:30:21,710

helicopters a helicopter gunships and

725

00:30:28,299 --> 00:30:24,590

stuff and that got the u.s. concerned so

726

00:30:31,799 --> 00:30:28,309

they sent a squadron of f-15 thumbs-up

727

00:30:34,150 --> 00:30:31,809

to the DMZ and one night they saw these

728

00:30:36,790 --> 00:30:34,160

objects and they started chasing them

729

00:30:38,919 --> 00:30:36,800

now in the meantime the US military

730

00:30:42,100 --> 00:30:38,929

commander over there had asked that any

731

00:30:45,000 --> 00:30:42,110

allied ships in the area could you

732

00:30:47,950 --> 00:30:45,010

please patrol off of the DMZ because

733

00:30:50,049 --> 00:30:47,960

these Jets might be chasing out enemy

734

00:30:52,990 --> 00:30:50,059

helicopters is what they called them out

735

00:30:54,250 --> 00:30:53,000

over out over the Gulf of Tonkin and you

736

00:30:57,640 --> 00:30:54,260

might pick them up as well

737

00:31:00,100 --> 00:30:57,650

so this chase did take place but the

738

00:31:02,440 --> 00:31:00,110

pilots the American pilots they weren't

739

00:31:04,570 --> 00:31:02,450

chasing helicopters they were chasing

740

00:31:06,960 --> 00:31:04,580

something that looked like a flying

741

00:31:09,070 --> 00:31:06,970

saucer and a number of them and so the

742

00:31:11,140 --> 00:31:09,080

f4 is fired on the fly

743

00:31:13,630 --> 00:31:11,150

saucers they missed them but they hit

744

00:31:17,260 --> 00:31:13,640

this Australian destroy the hobo and

745

00:31:19,780 --> 00:31:17,270

killed three sailors wounded about 30

746

00:31:22,840 --> 00:31:19,790

more a lot of them had to be airlifted

747

00:31:24,910 --> 00:31:22,850

off of the destroyer brought onto land

748

00:31:27,360 --> 00:31:24,920

to be traded treated by a US Navy burn

749

00:31:31,840 --> 00:31:27,370

specialists a lot of people don't burnt

750

00:31:33,790 --> 00:31:31,850

they and the the US you admitted the

751

00:31:36,280 --> 00:31:33,800

mistake and you know apologize for it

752

00:31:37,450 --> 00:31:36,290

but in the US papers they didn't mention

753

00:31:39,790 --> 00:31:37,460

that these things you know might have

754

00:31:42,850 --> 00:31:39,800

been chasing UFOs but in in Australia it

755

00:31:44,200 --> 00:31:42,860

was a big big story this in 1968 Wow big

756

00:31:46,570 --> 00:31:44,210

story and then the whole but then they

757

00:31:48,340 --> 00:31:46,580

it never served again went back to

758

00:31:50,680 --> 00:31:48,350

Austria and they sank and on purpose to

759

00:31:53,950 --> 00:31:50,690

be a like an unnatural reef you know

760

00:31:55,630 --> 00:31:53,960

yeah so um yeah that was a very strange

761

00:31:56,890 --> 00:31:55,640

story because just so many people were

762

00:32:00,760 --> 00:31:56,900

involved in it and there were a lot of

763

00:32:02,760 --> 00:32:00,770

witnesses and again the nakamise did not

764

00:32:04,900 --> 00:32:02,770

have like any kind of helicopters or

765

00:32:08,380 --> 00:32:04,910

helicopter gunships or any of that stuff

766

00:32:10,420 --> 00:32:08,390

in 1968 so yeah they were chasing the

767

00:32:13,330 --> 00:32:10,430

classic UFOs and it just led to this

768

00:32:16,000 --> 00:32:13,340

tragedy on this Australian destroyer now

769

00:32:18,880 --> 00:32:16,010

were you able to pull any like microfilm

770

00:32:21,880 --> 00:32:18,890

or anything out of Australia are are is

771

00:32:23,530 --> 00:32:21,890

that on websites information it might be

772

00:32:25,510 --> 00:32:23,540

on websites now the only thing I saw was

773

00:32:27,790 --> 00:32:25,520

the headline we we didn't put in the

774

00:32:29,650 --> 00:32:27,800

book but as the headline saying it was

775

00:32:31,810 --> 00:32:29,660

the it was the return of the ho baat to

776

00:32:35,590 --> 00:32:31,820

Australia people had been waiting for it

777

00:32:38,620 --> 00:32:35,600

to come home and they you know they

778

00:32:41,190 --> 00:32:38,630

mentioned the UFO aspect and and then

779

00:32:43,690 --> 00:32:41,200

Mike anything else that died away but

780

00:32:46,990 --> 00:32:43,700

nothing that we could find in American

781

00:32:49,060 --> 00:32:47,000

papers had the flying saucer angle yeah

782

00:32:53,140 --> 00:32:49,070

wow that's interesting now I know you

783

00:32:57,280 --> 00:32:53,150

also did a book on area 51 mm-hmm and

784

00:33:00,520 --> 00:32:57,290

area 51 yep and what beyond area 51 so

785

00:33:05,790 --> 00:33:00,530

what is the title and sin insinuate

786

00:33:09,700 --> 00:33:05,800

actually we we collected a bunch of

787

00:33:11,500 --> 00:33:09,710

stories about places like area 51 around

788

00:33:15,450 --> 00:33:11,510

the world and we didn't talk about area

789

00:33:19,840 --> 00:33:15,460

51 at all but we talked about s4 and

790

00:33:21,680 --> 00:33:19,850

that st. Louis Valley and attack is it s

791

00:33:26,870 --> 00:33:21,690

for arrest oh I can never remember

792

00:33:30,260 --> 00:33:26,880

and I attack down in down in the

793

00:33:31,670 --> 00:33:30,270

Caribbean and then Nick Redfern help me

794

00:33:34,940 --> 00:33:31,680

with a chapter where we try to figure

795

00:33:37,960 --> 00:33:34,950

out where the British area 51 is we talk

796

00:33:40,180 --> 00:33:37,970

about area 51 s in Russia and in China

797

00:33:43,940 --> 00:33:40,190

so it's really going around the world

798

00:33:47,030 --> 00:33:43,950

talking about places like area 51 how

799

00:33:52,010 --> 00:33:47,040

about that and I'm sure they're all

800

00:33:54,550 --> 00:33:52,020

mostly top secret as as area 51 is and

801
00:33:58,430 --> 00:33:54,560
protected they're all protected bases

802
00:34:01,760 --> 00:33:58,440
yeah if the the point that really came

803
00:34:06,440 --> 00:34:01,770
across in this book was for me was that

804
00:34:09,409 --> 00:34:06,450
a lot of these a lot of secret bases

805
00:34:12,500 --> 00:34:09,419
around the world have UFO histories to

806
00:34:14,590 --> 00:34:12,510
them and you have to think wow what came

807
00:34:18,680 --> 00:34:14,600
first the chicken or the egg you know

808
00:34:21,080 --> 00:34:18,690
but it is just you know we can't come up

809
00:34:24,050 --> 00:34:21,090
for any reason for it but it just seems

810
00:34:27,860 --> 00:34:24,060
like you picked some secret base like

811
00:34:30,020 --> 00:34:27,870
area 51 or rum different places in

812
00:34:31,040 --> 00:34:30,030
Russia Kapusta gnyana is a place in

813
00:34:34,490 --> 00:34:31,050

Russia which is kind of like a

814

00:34:36,740 --> 00:34:34,500

combination area 51 and kicking in Cape

815

00:34:38,389 --> 00:34:36,750

Canaveral and they've had all kinds of

816

00:34:42,200 --> 00:34:38,399

UFO sightings over there through the

817

00:34:44,780 --> 00:34:42,210

years and you know again do you you know

818

00:34:46,990 --> 00:34:44,790

add the UFOs are they attracted to

819

00:34:50,360 --> 00:34:47,000

secret bases it just seems like they are

820

00:34:52,940 --> 00:34:50,370

so that for me made the book interesting

821

00:34:55,760 --> 00:34:52,950

also a friend of mine who I've known

822

00:34:58,640 --> 00:34:55,770

since grade school works for a company

823

00:35:02,750 --> 00:34:58,650

that works for the three-letter agencies

824

00:35:04,250 --> 00:35:02,760

and he's on the show a lot and he well I

825

00:35:06,500 --> 00:35:04,260

was writing this book every time I

826

00:35:09,950 --> 00:35:06,510

finished a couple chapters I would send

827

00:35:14,210 --> 00:35:09,960

it to him just to see if I was getting

828

00:35:15,710 --> 00:35:14,220

anything absolutely wrong and so he kind

829

00:35:17,450 --> 00:35:15,720

of vetted it for me and there was a few

830

00:35:19,640 --> 00:35:17,460

cases and we put him right in the book

831

00:35:21,080 --> 00:35:19,650

where you know he says nope you're going

832

00:35:23,510 --> 00:35:21,090

in the wrong direction here but foremost

833

00:35:26,000 --> 00:35:23,520

pod we were going in the right direction

834

00:35:27,890 --> 00:35:26,010

so I mean really bottom line is a lot of

835

00:35:29,690 --> 00:35:27,900

secret bases around the world a lot of

836

00:35:33,320 --> 00:35:29,700

them have UFO histories attached to them

837

00:35:35,210 --> 00:35:33,330

right right and you know area 51 is a

838

00:35:39,980 --> 00:35:35,220

mystery you know there's

839

00:35:43,070 --> 00:35:39,990

of course the more the rumors flow with

840

00:35:45,560 --> 00:35:43,080

area 51 the probably the more the people

841

00:35:48,200 --> 00:35:45,570

that are involved in the security there

842

00:35:50,390 --> 00:35:48,210

like it you know I mean they probably

843

00:35:51,740 --> 00:35:50,400

think you know it's they're probably

844

00:35:54,260 --> 00:35:51,750

laughing at some of the stories that

845

00:35:56,300 --> 00:35:54,270

come out of about area 51

846

00:35:58,190 --> 00:35:56,310

you know people seeing alien bodies and

847

00:36:02,510 --> 00:35:58,200

I mean that's true the number one thing

848

00:36:04,700 --> 00:36:02,520

you know right it probably actually aids

849

00:36:07,940 --> 00:36:04,710

them in a way as far as keeping things

850

00:36:11,089 --> 00:36:07,950

secret they're the real things there's a

851
00:36:14,630 --> 00:36:11,099
base about 70 miles north of area 51

852
00:36:17,990 --> 00:36:14,640
which is much more secret than area 51

853
00:36:20,780 --> 00:36:18,000
it's called Tonopah if F was base and

854
00:36:22,730 --> 00:36:20,790
it's mere a the small town of Tonopah

855
00:36:25,970 --> 00:36:22,740
Nevada which is almost exactly halfway

856
00:36:28,310 --> 00:36:25,980
between Reno and Las Vegas so if you're

857
00:36:29,960 --> 00:36:28,320
a gambling person if you you know you

858
00:36:32,150 --> 00:36:29,970
travel Lots people who travel between

859
00:36:34,880 --> 00:36:32,160
those two cities spend the night in

860
00:36:38,930 --> 00:36:34,890
Tonopah Nevada but that's about all they

861
00:36:42,890 --> 00:36:38,940
do but about 15 miles outside Tonopah is

862
00:36:45,890 --> 00:36:42,900
the space where for instance when the

863
00:36:47,510 --> 00:36:45,900

stealth fighter first came out the USAF

864

00:36:50,390 --> 00:36:47,520

was had the stealth fighter for almost

865

00:36:53,870 --> 00:36:50,400

ten years before it was made public well

866

00:36:55,970 --> 00:36:53,880

they flew it out of Tonopah that what

867

00:36:59,960 --> 00:36:55,980

they did was they would put and not fake

868

00:37:01,430 --> 00:36:59,970

but used jet fighters a seven jet

869

00:37:04,150 --> 00:37:01,440

fighters that used in the vietnam war

870

00:37:06,589 --> 00:37:04,160

they would put them out on the runway so

871

00:37:09,589 --> 00:37:06,599

russian spy satellites would see these

872

00:37:12,890 --> 00:37:09,599

kind of ordinary a7s they put the black

873

00:37:14,300 --> 00:37:12,900

boxes from the a7s into the stealth

874

00:37:16,550 --> 00:37:14,310

fighters and they would fly the stealth

875

00:37:19,339 --> 00:37:16,560

fighters around at night but if you were

876

00:37:21,230 --> 00:37:19,349

someone in a control tower

877

00:37:24,020 --> 00:37:21,240

you would think that they were 1/7 they

878

00:37:26,540 --> 00:37:24,030

went to this length okay to keep the

879

00:37:28,280 --> 00:37:26,550

stealth fighter secret and lots of

880

00:37:30,020 --> 00:37:28,290

people from the time worked on this base

881

00:37:32,630 --> 00:37:30,030

you had to have high security not one

882

00:37:34,970 --> 00:37:32,640

person talked that was a secret that was

883

00:37:37,099 --> 00:37:34,980

kept for 10 years in this country you

884

00:37:40,099 --> 00:37:37,109

couldn't do that these days but it just

885

00:37:42,140 --> 00:37:40,109

shows you how kind of little-known this

886

00:37:45,079 --> 00:37:42,150

place is so the the stealth fight has

887

00:37:47,810 --> 00:37:45,089

moved out of there probably 12 years ago

888

00:37:49,100 --> 00:37:47,820

now and so what are they doing there now

889

00:37:51,230 --> 00:37:49,110

you know who knows

890

00:37:53,420 --> 00:37:51,240

who knows yeah but that's where really

891

00:37:55,790 --> 00:37:53,430

really secret stuff is here we have 51

892

00:37:57,830 --> 00:37:55,800

to me it's kind of like the most famous

893

00:37:59,510 --> 00:37:57,840

secret base in the world everyone knows

894

00:38:02,540 --> 00:37:59,520

about it you know now there are other

895

00:38:05,570 --> 00:38:02,550

places on that Nevada desert that much

896

00:38:07,970 --> 00:38:05,580

more secret and you know there's a lot

897

00:38:12,440 --> 00:38:07,980

of speculation comes up about the

898

00:38:14,480 --> 00:38:12,450

possibility of technology being worth 20

899

00:38:17,750 --> 00:38:14,490

years always 20 years behind on knowing

900

00:38:19,070 --> 00:38:17,760

what what is out there and what do you

901
00:38:21,500 --> 00:38:19,080
think about that statement do you think

902
00:38:23,270 --> 00:38:21,510
that might be accurate I don't you don't

903
00:38:25,130 --> 00:38:23,280
you mean that we might have captured

904
00:38:27,380 --> 00:38:25,140
technology and we're working on it all

905
00:38:29,990 --> 00:38:27,390
the time no no oh no I'm sorry

906
00:38:32,270 --> 00:38:30,000
that we only know about things like 20

907
00:38:34,400 --> 00:38:32,280
years after they're developed that 20

908
00:38:36,680 --> 00:38:34,410
years might be you know that might be

909
00:38:38,960 --> 00:38:36,690
long I'm gonna say 10 years easily 10

910
00:38:41,720 --> 00:38:38,970
years and and some of them once reminded

911
00:38:43,460 --> 00:38:41,730
I mean when I was researching these

912
00:38:46,400 --> 00:38:43,470
books they he says you got to remember

913
00:38:48,860 --> 00:38:46,410

that 9 out of 10 secret projects

914

00:38:51,440 --> 00:38:48,870

especially airplanes don't go anywhere

915

00:38:54,260 --> 00:38:51,450

you know they they might do one

916

00:38:57,380 --> 00:38:54,270

prototype and that's it you know my

917

00:38:58,580 --> 00:38:57,390

crash or whatever happens and right but

918

00:38:59,900 --> 00:38:58,590

they learn a little bit from that and

919

00:39:01,100 --> 00:38:59,910

they put it into the next one they learn

920

00:39:02,210 --> 00:39:01,110

a little bit from that they put in the

921

00:39:03,770 --> 00:39:02,220

next thing you know you know you have

922

00:39:06,890 --> 00:39:03,780

like something like the b-2 stealth

923

00:39:09,710 --> 00:39:06,900

bomber right people out there out in

924

00:39:12,230 --> 00:39:09,720

that area they see strange stuff and

925

00:39:14,900 --> 00:39:12,240

listen guys all the time up there a lot

926
00:39:16,850 --> 00:39:14,910
of them are these you know prototypes

927
00:39:18,770 --> 00:39:16,860
that you know as you say they might fly

928
00:39:21,410 --> 00:39:18,780
once and crash who knows but people see

929
00:39:24,650 --> 00:39:21,420
them they look strange to them and I

930
00:39:26,930 --> 00:39:24,660
think that leads to a lot of UFO

931
00:39:28,610 --> 00:39:26,940
sightings you're really looking at stuff

932
00:39:29,270 --> 00:39:28,620
that looks very strange you'll never see

933
00:39:33,530 --> 00:39:29,280
it again

934
00:39:35,210 --> 00:39:33,540
they the the form runner to the stealth

935
00:39:38,570 --> 00:39:35,220
fighter was this thing called pave blue

936
00:39:39,950 --> 00:39:38,580
and all you could just the best way you

937
00:39:42,800 --> 00:39:39,960
could describe this thing was it looks

938
00:39:44,750 --> 00:39:42,810

like a flying whale with wings on it you

939

00:39:47,000 --> 00:39:44,760

know it's just very very strange-looking

940

00:39:48,500 --> 00:39:47,010

thing and they would just it was it was

941

00:39:50,750 --> 00:39:48,510

a shape that they were testing to see

942

00:39:52,640 --> 00:39:50,760

how what the best state South shape

943

00:39:54,890 --> 00:39:52,650

would be but if you ever saw this thing

944

00:39:56,750 --> 00:39:54,900

in the air it looks like a flight it

945

00:40:00,740 --> 00:39:56,760

looks like a spaceship from the 1950s

946

00:40:02,240 --> 00:40:00,750

movie you know people saw that what else

947

00:40:04,280 --> 00:40:02,250

would they think it was

948

00:40:06,080 --> 00:40:04,290

so a lot of strange stuff flies around

949

00:40:10,760 --> 00:40:06,090

out there but a lot of it isn't

950

00:40:13,880 --> 00:40:10,770

necessarily UFOs in 10 years I think 10

951
00:40:16,880 --> 00:40:13,890
to 12 years is probably a good you know

952
00:40:18,800 --> 00:40:16,890
a time frame they just came up the 72

953
00:40:21,800 --> 00:40:18,810
which is going to take the SS 71 black

954
00:40:23,510 --> 00:40:21,810
boots black for its place by plane and

955
00:40:25,430 --> 00:40:23,520
you know everyone knows they've been

956
00:40:27,560 --> 00:40:25,440
working on that for at least a dozen

957
00:40:30,530 --> 00:40:27,570
years yeah right right

958
00:40:33,130 --> 00:40:30,540
Mike in the chat says thank you for

959
00:40:36,620 --> 00:40:33,140
writing your books now how many other

960
00:40:39,920 --> 00:40:36,630
books you have just a couple books on

961
00:40:41,960 --> 00:40:39,930
UFOs right mm-hmm right yep - yeah yeah

962
00:40:44,589 --> 00:40:41,970
uh-huh and anything in the works

963
00:40:48,200 --> 00:40:44,599

possibly have you been thinking about it

964

00:40:49,970 --> 00:40:48,210

and UFO books no you know I've gone back

965

00:40:52,490 --> 00:40:49,980

to writing fiction books because they're

966

00:40:54,020 --> 00:40:52,500

a lot easier to do you know you don't

967

00:40:56,810 --> 00:40:54,030

have to do all the research and stuff

968

00:40:58,190 --> 00:40:56,820

you know I mean so true yeah yeah I

969

00:41:00,080 --> 00:40:58,200

probably said this before on the

970

00:41:02,000 --> 00:41:00,090

previous show but I mean halfway through

971

00:41:04,400 --> 00:41:02,010

UFOs at one time I just looked on my

972

00:41:06,080 --> 00:41:04,410

office's just like piles of research and

973

00:41:07,970 --> 00:41:06,090

stuff has to be fact checked and stuff

974

00:41:08,599 --> 00:41:07,980

yeah I said well what did I get myself

975

00:41:11,450 --> 00:41:08,609

into

976

00:41:12,980 --> 00:41:11,460

yeah you know this is a lot of work but

977

00:41:15,410 --> 00:41:12,990

I'm glad I did it you know when people

978

00:41:17,630 --> 00:41:15,420

liked it but whether I do another one

979

00:41:19,849 --> 00:41:17,640

way it would it would take me a while to

980

00:41:22,670 --> 00:41:19,859

kind of think about that I think I just

981

00:41:25,700 --> 00:41:22,680

thought of something early on and me

982

00:41:27,440 --> 00:41:25,710

doing this show you told me you said hey

983

00:41:31,760 --> 00:41:27,450

look if you're thinking about making

984

00:41:34,880 --> 00:41:31,770

money forget it UFO publishing business

985

00:41:37,190 --> 00:41:34,890

yeah no no as far as UFOs go Oh as I

986

00:41:39,589 --> 00:41:37,200

said well yeah no I'm not I'm doing this

987

00:41:41,570 --> 00:41:39,599

because I find it really interesting but

988

00:41:43,730 --> 00:41:41,580

I do remember you're saying that you

989

00:41:45,680 --> 00:41:43,740

know plus the people that have to put

990

00:41:48,560 --> 00:41:45,690

the research like I think of someone

991

00:41:53,210 --> 00:41:48,570

like John Alexander for instance he like

992

00:41:54,920 --> 00:41:53,220

um really really you can fact check all

993

00:41:58,370 --> 00:41:54,930

his footnotes I mean they just like

994

00:42:00,260 --> 00:41:58,380

they're really solid and yeah yeah yeah

995

00:42:01,460 --> 00:42:00,270

so I mean and there's other books like

996

00:42:03,470 --> 00:42:01,470

that too

997

00:42:05,180 --> 00:42:03,480

I have used to come on a show but he

998

00:42:08,270 --> 00:42:05,190

doesn't he doesn't like me for some

999

00:42:09,800 --> 00:42:08,280

reason I don't know why I mean I really

1000

00:42:11,510 --> 00:42:09,810

don't know why we have a lot of you know

1001
00:42:14,210 --> 00:42:11,520
he used to come on the show I was on

1002
00:42:15,440 --> 00:42:14,220
kind of regularly and we used to talk to

1003
00:42:18,170 --> 00:42:15,450
him all the time a novice

1004
00:42:22,490 --> 00:42:18,180
sudden I was persona non grata for some

1005
00:42:24,410 --> 00:42:22,500
reason about that now how how you have

1006
00:42:26,690 --> 00:42:24,420
you show one one time a week right is it

1007
00:42:28,970 --> 00:42:26,700
one day like yeah yep and you've been

1008
00:42:30,860 --> 00:42:28,980
going for at least three years and you

1009
00:42:35,030 --> 00:42:30,870
you have actually gone out into other

1010
00:42:37,790 --> 00:42:35,040
topics as well all types of topics yeah

1011
00:42:41,390 --> 00:42:37,800
right it's like you know we get together

1012
00:42:43,670 --> 00:42:41,400
myself and have two co-hosts a guy named

1013
00:42:48,080 --> 00:42:43,680

Juan one and a guy named commander Cobra

1014

00:42:51,470 --> 00:42:48,090

and we are both veterans Cobras works

1015

00:42:53,900 --> 00:42:51,480

for he he's was in the military for 20

1016

00:42:55,970 --> 00:42:53,910

years pilot helicopter pilot and

1017

00:43:00,500 --> 00:42:55,980

fixed-wing aircraft pilot and now he

1018

00:43:02,330 --> 00:43:00,510

works for a military contractor and this

1019

00:43:04,460 --> 00:43:02,340

some nights he isn't in the studio with

1020

00:43:07,070 --> 00:43:04,470

us because he's doing jobs that he can't

1021

00:43:08,810 --> 00:43:07,080

tell us where he is and I know you hear

1022

00:43:10,880 --> 00:43:08,820

that kind of stuff can thrown around a

1023

00:43:12,530 --> 00:43:10,890

lot but I mean it legitimately he cannot

1024

00:43:15,830 --> 00:43:12,540

tell us where he is because he's on some

1025

00:43:19,190 --> 00:43:15,840

kind of mission that's been contracted

1026

00:43:22,160 --> 00:43:19,200

out to his company by the government so

1027

00:43:26,120 --> 00:43:22,170

but when we get together we do we do a

1028

00:43:29,390 --> 00:43:26,130

lot of things you know we do we talk

1029

00:43:31,730 --> 00:43:29,400

about the relate you know the

1030

00:43:33,590 --> 00:43:31,740

relationships of some of our

1031

00:43:34,910 --> 00:43:33,600

correspondents you know one guy just

1032

00:43:37,460 --> 00:43:34,920

broke up with his girlfriend so we're

1033

00:43:41,300 --> 00:43:37,470

trying to help them you know hook up

1034

00:43:44,630 --> 00:43:41,310

again and we talked to Travis Walton

1035

00:43:45,980 --> 00:43:44,640

yesterday we went to we went to a UFO

1036

00:43:49,280 --> 00:43:45,990

conference in Leominster

1037

00:43:51,020 --> 00:43:49,290

oh yes weekend and we happened to call

1038

00:43:54,950 --> 00:43:51,030

we wanted to get one of the organizers

1039

00:43:56,660 --> 00:43:54,960

on and she was driving Travis Walton to

1040

00:43:59,600 --> 00:43:56,670

Logan Airport and we got him to tell us

1041

00:44:01,790 --> 00:43:59,610

that he's been around the circuit enough

1042

00:44:03,350 --> 00:44:01,800

that you know because of his celebrity

1043

00:44:06,500 --> 00:44:03,360

status he gets to meet a lot of girls

1044

00:44:07,850 --> 00:44:06,510

you know there you go you know so you

1045

00:44:09,950 --> 00:44:07,860

know getting it captured you know

1046

00:44:13,790 --> 00:44:09,960

getting abducted by aliens does have its

1047

00:44:15,590 --> 00:44:13,800

good points and he told us that you know

1048

00:44:16,790 --> 00:44:15,600

yeah we're gonna have him one and talked

1049

00:44:20,150 --> 00:44:16,800

a lot about it for about an hour

1050

00:44:21,980 --> 00:44:20,160

sometimes so yeah it's someone said once

1051

00:44:24,500 --> 00:44:21,990

it's and I hate to users but they said

1052

00:44:26,270 --> 00:44:24,510

if Howard Stern had a UFO show it'd be

1053

00:44:28,520 --> 00:44:26,280

like this and it's not quite as crazy

1054

00:44:29,210 --> 00:44:28,530

but we do some pretty nutty stuff yeah

1055

00:44:31,250 --> 00:44:29,220

yeah you have

1056

00:44:33,589 --> 00:44:31,260

fun which is which is really important

1057

00:44:34,520 --> 00:44:33,599

mm-hmm yeah yeah that's great that's

1058

00:44:37,180 --> 00:44:34,530

great

1059

00:44:40,190 --> 00:44:37,190

so let's talk a little bit about I

1060

00:44:43,130 --> 00:44:40,200

mentioned to you ahead of the show we

1061

00:44:44,870 --> 00:44:43,140

should cover a little bit about UFO

1062

00:44:48,200 --> 00:44:44,880

stories in New England since we're both

1063

00:44:51,859 --> 00:44:48,210

sitting in New England right here now

1064

00:44:54,020 --> 00:44:51,869

and so Massachusetts the state where

1065

00:44:57,500 --> 00:44:54,030

you're in you're out in Plum Island so

1066

00:44:59,630 --> 00:44:57,510

Massachusetts there have been a lot of

1067

00:45:02,540 --> 00:44:59,640

very interesting sightings there there's

1068

00:45:03,890 --> 00:45:02,550

any in particular that you really paid

1069

00:45:08,120 --> 00:45:03,900

attention to you know when it was

1070

00:45:11,720 --> 00:45:08,130

happening years ago when I worked for

1071

00:45:14,720 --> 00:45:11,730

the local newspaper up here they had

1072

00:45:16,010 --> 00:45:14,730

like a flap up here in this Salisbury

1073

00:45:18,170 --> 00:45:16,020

Beach where people were seeing these

1074

00:45:23,420 --> 00:45:18,180

UFOs very detailed UFOs I'm talking

1075

00:45:25,520 --> 00:45:23,430

about maybe early eighties and they came

1076

00:45:27,440 --> 00:45:25,530

down over the marshes this is the the

1077

00:45:29,150 --> 00:45:27,450

next town over from the report and and

1078

00:45:31,190 --> 00:45:29,160

what really struck me about them was

1079

00:45:34,030 --> 00:45:31,200

that they would describe these things in

1080

00:45:37,849 --> 00:45:34,040

such detail and then they just went away

1081

00:45:40,900 --> 00:45:37,859

lots of people saw them you know where

1082

00:45:44,960 --> 00:45:40,910

they picked up on radar things like that

1083

00:45:46,700 --> 00:45:44,970

you know I don't think so the accident

1084

00:45:48,859 --> 00:45:46,710

new hampshire one is one of my favorite

1085

00:45:50,300 --> 00:45:48,869

ones that's yeah that's a really crazy

1086

00:45:51,859 --> 00:45:50,310

one we would just talk about that the

1087

00:45:54,470 --> 00:45:51,869

other night boy the stuff that went on

1088

00:45:57,829 --> 00:45:54,480

and the exeter incident they call it

1089

00:46:00,109 --> 00:45:57,839

it's just really something else yeah is

1090

00:46:04,040 --> 00:46:00,119

that the Bridgewater triangle is very

1091

00:46:05,660 --> 00:46:04,050

interesting people I know live down

1092

00:46:07,099 --> 00:46:05,670

there they go to school down there and

1093

00:46:09,380 --> 00:46:07,109

they go into that place and a lot of

1094

00:46:11,210 --> 00:46:09,390

really odd stuff happens down there too

1095

00:46:13,130 --> 00:46:11,220

so yeah that's there's been a number of

1096

00:46:16,280 --> 00:46:13,140

UFO sightings and lemons to masses the

1097

00:46:17,750 --> 00:46:16,290

trans over we just were New Hampshire it

1098

00:46:20,650 --> 00:46:17,760

has a lot of New Hampshire Massachusetts

1099

00:46:24,109 --> 00:46:20,660

have a lot of sightings I think Michigan

1100

00:46:26,630 --> 00:46:24,119

next to California Michigan is the

1101

00:46:28,579 --> 00:46:26,640

second largest it is the second state

1102

00:46:30,440 --> 00:46:28,589

with the largest UFO cases report about

1103

00:46:33,530 --> 00:46:30,450

New Hampshire and New England has to be

1104

00:46:35,570 --> 00:46:33,540

right right up there yeah some listener

1105

00:46:37,040 --> 00:46:35,580

contacted me a while ago and said hey

1106

00:46:38,329 --> 00:46:37,050

the state of Maine

1107

00:46:40,490 --> 00:46:38,339

you know actually has quite a few

1108

00:46:42,740 --> 00:46:40,500

sightings but I know there are some

1109

00:46:43,130 --> 00:46:42,750

charts that show you know sightings per

1110

00:46:48,460 --> 00:46:43,140

state

1111

00:46:51,710 --> 00:46:48,470

but as as I'm sure you know there's

1112

00:46:54,470 --> 00:46:51,720

probably many more sightings that are

1113

00:46:55,910 --> 00:46:54,480

are not reported that are seen you know

1114

00:46:58,720 --> 00:46:55,920

oh yeah there's a very small percentage

1115

00:47:02,750 --> 00:46:58,730

of sightings that were actually reported

1116

00:47:05,020 --> 00:47:02,760

right oh yeah for sure I mean I think it

1117

00:47:07,640 --> 00:47:05,030

takes a lot for a person these days to

1118

00:47:10,640 --> 00:47:07,650

report a UFO I think that that whole

1119

00:47:12,770 --> 00:47:10,650

kind of crazy factor that the CIA

1120

00:47:15,320 --> 00:47:12,780

introduced in the early 50s where they

1121

00:47:17,390 --> 00:47:15,330

you know they actually you know bought

1122

00:47:19,070 --> 00:47:17,400

new stories to spread around the country

1123

00:47:20,870 --> 00:47:19,080

you know making fun of people who saw

1124

00:47:24,020 --> 00:47:20,880

flying saucers went at the same time

1125

00:47:27,110 --> 00:47:24,030

they were testing their own spy planes

1126

00:47:28,760 --> 00:47:27,120

flying them over major cities and then

1127

00:47:30,830 --> 00:47:28,770

checking the next day to see how many

1128

00:47:33,590 --> 00:47:30,840

people reported seeing UFOs because it

1129

00:47:35,360 --> 00:47:33,600

gave them data on how high you can fly

1130

00:47:37,220 --> 00:47:35,370

these things before you're not seen and

1131

00:47:39,770 --> 00:47:37,230

how fast you can go and stuff like that

1132

00:47:44,300 --> 00:47:39,780

so that whole ridicule factor that they

1133

00:47:46,340 --> 00:47:44,310

entered into kind of like into our DNA

1134

00:47:49,550 --> 00:47:46,350

back in the 50s it still holds today you

1135

00:47:52,220 --> 00:47:49,560

know I mean I've never seen a UFO if I

1136

00:47:54,620 --> 00:47:52,230

saw one I think I would report it there

1137

00:47:57,020 --> 00:47:54,630

are um you know one two websites where

1138

00:47:59,840 --> 00:47:57,030

even in Massachusetts alone someone sent

1139

00:48:01,790 --> 00:47:59,850

this to me and they were like probably a

1140

00:48:05,390 --> 00:48:01,800

half a dozen really good sightings in

1141

00:48:07,670 --> 00:48:05,400

Massachusetts every week um but I just

1142

00:48:09,730 --> 00:48:07,680

think it takes a lot for people to say

1143

00:48:12,380 --> 00:48:09,740

okay I'm definitely gonna report this

1144

00:48:14,060 --> 00:48:12,390

especially if you're an airline pilot or

1145

00:48:16,490 --> 00:48:14,070

a military pilot then you're never going

1146

00:48:18,110 --> 00:48:16,500

to report it right um so I'm sure

1147

00:48:21,200 --> 00:48:18,120

thousands and thousands go unrecorded

1148

00:48:24,710 --> 00:48:21,210

yeah I know my sighting that I had I

1149

00:48:27,260 --> 00:48:24,720

didn't report it I didn't know really

1150

00:48:28,790 --> 00:48:27,270

how to report it you know I mean you

1151

00:48:30,530 --> 00:48:28,800

know I called the police department I

1152

00:48:32,660 --> 00:48:30,540

didn't know who to call Yeah right you

1153

00:48:34,670 --> 00:48:32,670

never once occurred to me for a second

1154

00:48:37,550 --> 00:48:34,680

that I could do something online I never

1155

00:48:39,950 --> 00:48:37,560

even tried that way and now that may be

1156

00:48:42,680 --> 00:48:39,960

the same way now you know I'll tell you

1157

00:48:45,350 --> 00:48:42,690

a quick story I've never seen a UFO but

1158

00:48:47,750 --> 00:48:45,360

a few years ago we were here on Plum

1159

00:48:49,970 --> 00:48:47,760

Island down the the southern end of it

1160

00:48:51,620 --> 00:48:49,980

is a federal reservation and we were

1161

00:48:53,600 --> 00:48:51,630

down there at dusk my wife and I and we

1162

00:48:55,040 --> 00:48:53,610

run this boardwalk we were looking at

1163

00:48:56,300 --> 00:48:55,050

these huge waves that were coming in

1164

00:49:00,500 --> 00:48:56,310

for a hurricane and we've looked over

1165

00:49:02,360 --> 00:49:00,510

these marshes that stretched if switches

1166

00:49:05,750 --> 00:49:02,370

you would you'd know the area right and

1167

00:49:07,010 --> 00:49:05,760

we see these two clusters of blinking

1168

00:49:10,070 --> 00:49:07,020

lights coming right at us

1169

00:49:12,800 --> 00:49:10,080

different colors blinking crazy chaotic

1170

00:49:14,540 --> 00:49:12,810

but coming right at us and I just said

1171

00:49:16,490 --> 00:49:14,550

Thor I says wow this is it you know

1172

00:49:18,410 --> 00:49:16,500

we're gonna see UFO there was nothing

1173

00:49:21,140 --> 00:49:18,420

this could have been a flying slow I

1174

00:49:22,610 --> 00:49:21,150

mean flying well and very fast and they

1175

00:49:25,790 --> 00:49:22,620

went over us and there were two medevac

1176

00:49:28,070 --> 00:49:25,800

helicopters following each other ha and

1177

00:49:30,590 --> 00:49:28,080

and they were like flying ambulances you

1178

00:49:32,060 --> 00:49:30,600

know and yeah I could have sworn I would

1179

00:49:33,770 --> 00:49:32,070

have bet a thousand dollars if these

1180

00:49:35,990 --> 00:49:33,780

were gonna be UFOs and they weren't so

1181

00:49:38,120 --> 00:49:36,000

it just proves you see you know people

1182

00:49:41,420 --> 00:49:38,130

see a lot of things every day and

1183

00:49:43,160 --> 00:49:41,430

they're not UFOs drones we have a woman

1184

00:49:45,920 --> 00:49:43,170

hi on Sydney Bailey doe so it does a

1185

00:49:48,470 --> 00:49:45,930

drone report every few weeks and she's

1186

00:49:50,150 --> 00:49:48,480

just proven to us by just by the nirn

1187

00:49:51,920 --> 00:49:50,160

time she's been on that you know the

1188

00:49:54,920 --> 00:49:51,930

u.s. command has been flying drones

1189

00:49:57,110 --> 00:49:54,930

since the late 40s all during the 50s

1190

00:49:58,490 --> 00:49:57,120

yeah you just didn't hear about it but

1191

00:50:02,750 --> 00:49:58,500

you know I hate to say it but a lot of

1192

00:50:04,490 --> 00:50:02,760

UFO sightings from the 50s on a lot of

1193

00:50:06,980 --> 00:50:04,500

them had to be drones you know I'm

1194

00:50:09,290 --> 00:50:06,990

they're not younger they're not from out

1195

00:50:11,980 --> 00:50:09,300

of space so there's a lot of stuff

1196

00:50:14,780 --> 00:50:11,990

flying around up there he's just gonna

1197

00:50:16,400 --> 00:50:14,790

you know make sure that when you see

1198

00:50:17,120 --> 00:50:16,410

something that is really something out

1199

00:50:19,460 --> 00:50:17,130

of the ordinary

1200

00:50:22,490 --> 00:50:19,470

I mean if then then you report it right

1201
00:50:24,410 --> 00:50:22,500
right and you know one of the things you

1202
00:50:26,330 --> 00:50:24,420
know talkin talking about reporting one

1203
00:50:28,370 --> 00:50:26,340
of the things that's very important that

1204
00:50:32,000 --> 00:50:28,380
have brought up a couple of times is for

1205
00:50:33,860 --> 00:50:32,010
you to immediately stop whatever you

1206
00:50:36,290 --> 00:50:33,870
know you were going to be doing and

1207
00:50:40,040 --> 00:50:36,300
write everything down because you know

1208
00:50:41,840 --> 00:50:40,050
memory is fallible and right also if you

1209
00:50:44,090 --> 00:50:41,850
have other witnesses you want them to

1210
00:50:48,830 --> 00:50:44,100
write something down to you compare

1211
00:50:51,350 --> 00:50:48,840
notes after that yeah you know I think

1212
00:50:53,780 --> 00:50:51,360
only the people that would be like

1213
00:50:55,850 --> 00:50:53,790

listening to a show like this would know

1214

00:50:57,800 --> 00:50:55,860

to do something like that other than

1215

00:51:00,050 --> 00:50:57,810

that you know they wouldn't know you

1216

00:51:03,110 --> 00:51:00,060

know normally no one would know exactly

1217

00:51:05,170 --> 00:51:03,120

what to do after so I'm sure a lot of

1218

00:51:07,580 --> 00:51:05,180

people call the police you know yeah but

1219

00:51:08,600 --> 00:51:07,590

you know what are they going to do but a

1220

00:51:10,160 --> 00:51:08,610

lot of times that you know

1221

00:51:12,080 --> 00:51:10,170

call if you're especially if you're in a

1222

00:51:13,970 --> 00:51:12,090

small town you know in if there's a

1223

00:51:16,250 --> 00:51:13,980

there's a cop who can actually look into

1224

00:51:20,060 --> 00:51:16,260

it those many times they see the same

1225

00:51:21,680 --> 00:51:20,070

thing you know they see the UFO yeah

1226

00:51:23,210 --> 00:51:21,690

it's strange and I think a lot of it too

1227

00:51:25,430 --> 00:51:23,220

has to do with whether you live near a

1228

00:51:28,070 --> 00:51:25,440

military base or not because there's a

1229

00:51:29,330 --> 00:51:28,080

lot of activity up here in the southern

1230

00:51:31,370 --> 00:51:29,340

part of New Hampshire and Pease Air

1231

00:51:34,010 --> 00:51:31,380

Force Base I got up there for years you

1232

00:51:37,130 --> 00:51:34,020

know and in these things these sightings

1233

00:51:39,200 --> 00:51:37,140

just seem to cluster around Air Force

1234

00:51:40,850 --> 00:51:39,210

bases then so people say well know what

1235

00:51:43,160 --> 00:51:40,860

you see in other airplanes and say no no

1236

00:51:45,140 --> 00:51:43,170

no no because if you live near an Air

1237

00:51:48,080 --> 00:51:45,150

Force Base you know it an airplane looks

1238

00:51:50,780 --> 00:51:48,090

like coming in you know what a f-16

1239

00:51:51,980 --> 00:51:50,790

looks like or a kc-135 tank you know

1240

00:51:54,140 --> 00:51:51,990

what they look at you you're almost an

1241

00:51:55,640 --> 00:51:54,150

expert in it and when you see something

1242

00:51:57,170 --> 00:51:55,650

that doesn't look like one of those

1243

00:52:00,200 --> 00:51:57,180

things and you are a really good witness

1244

00:52:02,660 --> 00:52:00,210

and a lot of people see strange things

1245

00:52:04,970 --> 00:52:02,670

around you you know I grew up with a

1246

00:52:07,910 --> 00:52:04,980

bird's-eye view a perfect view of Pease

1247

00:52:10,760 --> 00:52:07,920

Air Force Base I lived in Elliott Maine

1248

00:52:13,880 --> 00:52:10,770

I was on top of the hill called Winter

1249

00:52:15,830 --> 00:52:13,890

Hill we had to grew up at a really nice

1250

00:52:17,960 --> 00:52:15,840

house on top of a hill overlooking the

1251

00:52:21,050 --> 00:52:17,970

river across the river was Pease Air

1252

00:52:22,580 --> 00:52:21,060

Force Base and my sisters and I used to

1253

00:52:25,040 --> 00:52:22,590

sit on the front lawn and just watch

1254

00:52:26,870 --> 00:52:25,050

what was going on over there yeah you

1255

00:52:29,540 --> 00:52:26,880

know and we saw weather balloons we saw

1256

00:52:30,890 --> 00:52:29,550

all kinds of odd really odd things

1257

00:52:32,990 --> 00:52:30,900

matter of fact we thought we were seeing

1258

00:52:34,610 --> 00:52:33,000

a UFO when I was a little kid but it was

1259

00:52:36,050 --> 00:52:34,620

just a weather balloon but it was really

1260

00:52:37,760 --> 00:52:36,060

weird because it was going up and down

1261

00:52:40,040 --> 00:52:37,770

and I remember had an orange stripe on

1262

00:52:41,660 --> 00:52:40,050

it and you know just this white ball

1263

00:52:43,850 --> 00:52:41,670

with an orange stripe going right down

1264

00:52:45,710 --> 00:52:43,860

you know that was there was a stack base

1265

00:52:47,840 --> 00:52:45,720

for a while yo Strategic Air Command

1266

00:52:49,610 --> 00:52:47,850

base and um we were talking to someone

1267

00:52:51,890 --> 00:52:49,620

the other day who told the sister they

1268

00:52:55,190 --> 00:52:51,900

were they were up there on a tour for

1269

00:52:57,110 --> 00:52:55,200

some contractor and they got a call

1270

00:53:00,080 --> 00:52:57,120

Pease Air Force Base got a call saying

1271

00:53:01,610 --> 00:53:00,090

you have to clear you know your largest

1272

00:53:04,010 --> 00:53:01,620

runway fried and they had that the place

1273

00:53:06,170 --> 00:53:04,020

is enormous and they do have one square

1274

00:53:07,790 --> 00:53:06,180

I mean ten thousand foot runway right

1275

00:53:09,740 --> 00:53:07,800

and I think the shuttle it was like an

1276
00:53:11,330 --> 00:53:09,750
emergency piece for the shuttle command

1277
00:53:13,970 --> 00:53:11,340
that someone was runways so they said

1278
00:53:15,800 --> 00:53:13,980
you have to clear this runway for us

1279
00:53:18,260 --> 00:53:15,810
where aircraft and we're having

1280
00:53:20,780 --> 00:53:18,270
mechanical issues and they said well

1281
00:53:22,220 --> 00:53:20,790
where are you and they said we just left

1282
00:53:25,250 --> 00:53:22,230
UK airspace

1283
00:53:28,070 --> 00:53:25,260
but we'll be there in about 35 minutes

1284
00:53:30,590 --> 00:53:28,080
and we have to land and it was the SS 71

1285
00:53:32,630 --> 00:53:30,600
oh yeah the Blackbird and one of them

1286
00:53:34,070 --> 00:53:32,640
landed and one of its engines was there

1287
00:53:36,920 --> 00:53:34,080
was some rod that they just willed it

1288
00:53:38,720 --> 00:53:36,930

into a hangar they worked on it for five

1289

00:53:41,720 --> 00:53:38,730

days got it working then in the dead of

1290

00:53:43,820 --> 00:53:41,730

night had to take off again now if you

1291

00:53:45,440 --> 00:53:43,830

didn't know what an SS 71 Blackbird

1292

00:53:47,090 --> 00:53:45,450

looked like someone these things in the

1293

00:53:49,430 --> 00:53:47,100

sky you would swear it was you know

1294

00:53:51,710 --> 00:53:49,440

something from Star Trek or something

1295

00:53:54,740 --> 00:53:51,720

you know hmm so again you know people

1296

00:53:56,690 --> 00:53:54,750

see a lot of strange things who knows

1297

00:53:57,710 --> 00:53:56,700

what you know half of them ah right

1298

00:54:00,859 --> 00:53:57,720

right

1299

00:54:03,890 --> 00:54:00,869

I was I was actually at an actually at

1300

00:54:06,430 --> 00:54:03,900

an auction gallery in Amesbury

1301
00:54:09,830 --> 00:54:06,440
Massachusetts friend of mine loans and

1302
00:54:12,530 --> 00:54:09,840
they were the woman that worked in the

1303
00:54:14,900 --> 00:54:12,540
gallery was looking up something about

1304
00:54:17,300 --> 00:54:14,910
me on the internet and it saw goes you

1305
00:54:21,410 --> 00:54:17,310
do a show on UFOs and then she said I

1306
00:54:24,260 --> 00:54:21,420
had a sighting in local you know in the

1307
00:54:25,760 --> 00:54:24,270
mess in Massachusetts of a triangle she

1308
00:54:27,920 --> 00:54:25,770
said she was really young she got out of

1309
00:54:31,700 --> 00:54:27,930
the car it like hovered over the car her

1310
00:54:34,580 --> 00:54:31,710
aunt was driving and they saw it and so

1311
00:54:36,200 --> 00:54:34,590
this was and she said it was reported in

1312
00:54:37,849 --> 00:54:36,210
the paper the next day now

1313
00:54:39,290 --> 00:54:37,859

that was back I don't know if you

1314

00:54:41,480 --> 00:54:39,300

remember that there was a bit there was

1315

00:54:43,670 --> 00:54:41,490

triangle sightings in Massachusetts way

1316

00:54:45,280 --> 00:54:43,680

back when I think in the early 80s or

1317

00:54:47,480 --> 00:54:45,290

late 70s mm-hm

1318

00:54:49,130 --> 00:54:47,490

and there's a lot of activity like that

1319

00:54:51,920 --> 00:54:49,140

out in the western part of the state as

1320

00:54:54,650 --> 00:54:51,930

well at this conference we were at this

1321

00:54:56,300 --> 00:54:54,660

weekend the Greater New England UFO

1322

00:54:58,700 --> 00:54:56,310

conference which was really really good

1323

00:55:00,410 --> 00:54:58,710

Lemmons to mass yeah one of the speakers

1324

00:55:03,740 --> 00:55:00,420

told the story about how when he was a

1325

00:55:06,200 --> 00:55:03,750

kid he was driving around in the area up

1326

00:55:08,420 --> 00:55:06,210

there and they came to this intersection

1327

00:55:11,000 --> 00:55:08,430

it was it was mother father and three

1328

00:55:12,320 --> 00:55:11,010

kids in the back and the father stopped

1329

00:55:15,109 --> 00:55:12,330

at a red light and then he pulled the

1330

00:55:16,730 --> 00:55:15,119

car over and he got out of the kind snow

1331

00:55:18,200 --> 00:55:16,740

looking some looking at something up in

1332

00:55:20,330 --> 00:55:18,210

the sky and the kids tried to get out

1333

00:55:21,859 --> 00:55:20,340

and this guy he was like he's a he's an

1334

00:55:23,359 --> 00:55:21,869

adult now but he was like about six

1335

00:55:24,740 --> 00:55:23,369

years old and he said all he can

1336

00:55:26,780 --> 00:55:24,750

remember is my father pushed me back

1337

00:55:29,000 --> 00:55:26,790

into the car pushed me back into the car

1338

00:55:30,710 --> 00:55:29,010

but of course that made him want to see

1339

00:55:32,560 --> 00:55:30,720

what it was even one they looked out and

1340

00:55:34,730 --> 00:55:32,570

there was a there's a triangle-shaped

1341

00:55:36,020 --> 00:55:34,740

object hovering right above this

1342

00:55:38,000 --> 00:55:36,030

intersection really late

1343

00:55:40,250 --> 00:55:38,010

night scared the kids kid the whole

1344

00:55:42,380 --> 00:55:40,260

family but he said it really left

1345

00:55:44,300 --> 00:55:42,390

impression on me because because my

1346

00:55:48,020 --> 00:55:44,310

father didn't want me to see it you know

1347

00:55:50,510 --> 00:55:48,030

so he just thinks that it was just Leon

1348

00:55:52,340 --> 00:55:50,520

something he shouldn't have seen or

1349

00:55:54,290 --> 00:55:52,350

whatever but yeah but he sorry there's a

1350

00:55:55,760 --> 00:55:54,300

triangle-shaped object just hovering

1351

00:55:58,610 --> 00:55:55,770

there you hear about him a lot in this

1352

00:56:01,130 --> 00:55:58,620

area yeah yeah I have a friend in I

1353

00:56:04,610 --> 00:56:01,140

don't know where he was then but in

1354

00:56:07,490 --> 00:56:04,620

Massachusetts but you know he had a

1355

00:56:10,220 --> 00:56:07,500

sighting with his friends and this is a

1356

00:56:12,770 --> 00:56:10,230

weird sighting because it was a negative

1357

00:56:14,690 --> 00:56:12,780

sighting like they've all felt really

1358

00:56:15,740 --> 00:56:14,700

upset you know kind of like what you

1359

00:56:17,690 --> 00:56:15,750

were talking about a little bit the

1360

00:56:19,430 --> 00:56:17,700

father didn't want the Sun to see it but

1361

00:56:21,710 --> 00:56:19,440

they write they never talked about it

1362

00:56:25,100 --> 00:56:21,720

which i think is yeah you know they they

1363

00:56:26,690 --> 00:56:25,110

kept their heads down after they saw you

1364

00:56:29,180 --> 00:56:26,700

know just once walked home it didn't

1365

00:56:31,160 --> 00:56:29,190

talk about it you know I told the

1366

00:56:35,390 --> 00:56:31,170

brother who was in the if was 22 years

1367

00:56:38,980 --> 00:56:35,400

and he actually went to area 51 a couple

1368

00:56:42,920 --> 00:56:38,990

times to work on jet airplanes that had

1369

00:56:44,990 --> 00:56:42,930

needed engine repair there but he was he

1370

00:56:47,540 --> 00:56:45,000

was serving at Nellis Air Force Base

1371

00:56:49,370 --> 00:56:47,550

which is right outside of Las Vegas and

1372

00:56:51,830 --> 00:56:49,380

he told me when he first went in the

1373

00:56:56,360 --> 00:56:51,840

service he was down in Charleston South

1374

00:56:57,770 --> 00:56:56,370

Carolina working on f4 phantoms and they

1375

00:57:00,200 --> 00:56:57,780

used to do it at night because it was

1376
00:57:03,290 --> 00:57:00,210
cooler than doing it during the summer

1377
00:57:05,330 --> 00:57:03,300
down there and he said one night this

1378
00:57:06,740 --> 00:57:05,340
object just came down right down on top

1379
00:57:08,420 --> 00:57:06,750
of him there was like 10 feet off the

1380
00:57:10,490 --> 00:57:08,430
top of this jet that they're working on

1381
00:57:12,710 --> 00:57:10,500
me he said it's titled us so we all

1382
00:57:14,420 --> 00:57:12,720
jumped underneath the jet and we just

1383
00:57:16,430 --> 00:57:14,430
lay in there and he says I can just see

1384
00:57:17,960 --> 00:57:16,440
the light still on the timac and it was

1385
00:57:20,360 --> 00:57:17,970
really crazy and then the thing took off

1386
00:57:23,750 --> 00:57:20,370
and he said the biggest mistake I made

1387
00:57:25,660 --> 00:57:23,760
was I actually actually reported this to

1388
00:57:27,590 --> 00:57:25,670

the higher-ups and they were immediately

1389

00:57:30,440 --> 00:57:27,600

there were four of them they immediately

1390

00:57:32,270 --> 00:57:30,450

put into four separate rooms and you

1391

00:57:33,950 --> 00:57:32,280

know someone and civilian clothes would

1392

00:57:36,050 --> 00:57:33,960

just come in and they would just ask

1393

00:57:37,580 --> 00:57:36,060

them over and over again okay let's go

1394

00:57:39,170 --> 00:57:37,590

over the story again let's go over the

1395

00:57:41,540 --> 00:57:39,180

story again you saw this you saw that

1396

00:57:43,070 --> 00:57:41,550

this happened so on and then they say

1397

00:57:46,490 --> 00:57:43,080

well your friend said it was this and

1398

00:57:48,200 --> 00:57:46,500

you and just almost like a interrogation

1399

00:57:49,200 --> 00:57:48,210

in some kind of a murder trial or

1400

00:57:50,970 --> 00:57:49,210

something

1401

00:57:52,950 --> 00:57:50,980

and finally my brother finally he says

1402

00:57:54,210 --> 00:57:52,960

after four days I just realized you know

1403

00:57:56,730 --> 00:57:54,220

what they were trying to get us to do

1404

00:57:58,349 --> 00:57:56,740

and basically what they wound up doing

1405

00:58:00,780 --> 00:57:58,359

was signing a statement saying that they

1406

00:58:03,569 --> 00:58:00,790

saw a reentry vehicle from Cape

1407

00:58:04,920 --> 00:58:03,579

Canaveral which makes no sense at all

1408

00:58:07,410 --> 00:58:04,930

but he just wanted to get out of it they

1409

00:58:09,180 --> 00:58:07,420

just wore them down they just wore them

1410

00:58:11,190 --> 00:58:09,190

down until it made it clear to them that

1411

00:58:13,650 --> 00:58:11,200

you're not gonna get out of here until

1412

00:58:16,799 --> 00:58:13,660

you know you basically you know see our

1413

00:58:18,240 --> 00:58:16,809

line of thinking now it would be a

1414

00:58:20,819 --> 00:58:18,250

better story if you knew my brother he's

1415

00:58:23,549 --> 00:58:20,829

completely different from what I am you

1416

00:58:26,160 --> 00:58:23,559

know he's just very conservative you

1417

00:58:27,630 --> 00:58:26,170

know doesn't believe in conspiracies or

1418

00:58:29,790 --> 00:58:27,640

anything that he's just you know one of

1419

00:58:31,470 --> 00:58:29,800

these people whose feet uh solid on the

1420

00:58:33,770 --> 00:58:31,480

ground he told me that story once would

1421

00:58:35,760 --> 00:58:33,780

never tell me the story again and

1422

00:58:37,349 --> 00:58:35,770

something happened to him you know

1423

00:58:39,510 --> 00:58:37,359

something happens to him and I think

1424

00:58:40,829 --> 00:58:39,520

it's happened to a lot of vets a lot of

1425

00:58:42,809 --> 00:58:40,839

I think a lot of veterans have seen

1426
00:58:45,059 --> 00:58:42,819
stuff and they've been gone through a

1427
00:58:46,440 --> 00:58:45,069
situation like that or you know people

1428
00:58:50,609 --> 00:58:46,450
say to them don't talk about this so you

1429
00:58:52,349 --> 00:58:50,619
lose your pension or whatever you know

1430
00:58:54,630 --> 00:58:52,359
we have a real quick we have a thing

1431
00:58:57,450 --> 00:58:54,640
called we called for amnesty for any

1432
00:58:59,370 --> 00:58:57,460
veteran who was who was told during his

1433
00:59:01,380 --> 00:58:59,380
service career don't talk about UFO

1434
00:59:03,180 --> 00:59:01,390
you'll lose your pension Hoss you know

1435
00:59:05,280 --> 00:59:03,190
whatever we think there should be a

1436
00:59:07,079 --> 00:59:05,290
blanket amnesty for all those people

1437
00:59:08,640 --> 00:59:07,089
just think of how many stories would

1438
00:59:11,220 --> 00:59:08,650

come out how much more research we would

1439

00:59:13,289 --> 00:59:11,230

be able to do if these guys could come

1440

00:59:16,020 --> 00:59:13,299

out and talk about it without fear of

1441

00:59:18,780 --> 00:59:16,030

being you know some kind of retaliation

1442

00:59:21,720 --> 00:59:18,790

by the military and if we could ever get

1443

00:59:22,829 --> 00:59:21,730

as far as the Pentagon to ask them to do

1444

00:59:24,539 --> 00:59:22,839

something like this it would be

1445

00:59:25,680 --> 00:59:24,549

interesting because if they did it it

1446

00:59:27,720 --> 00:59:25,690

would be great because they think you'd

1447

00:59:30,240 --> 00:59:27,730

be a tidal wave of new story stuff we

1448

00:59:32,819 --> 00:59:30,250

have never heard of before and if they

1449

00:59:35,460 --> 00:59:32,829

said no then well known as the mud more

1450

00:59:37,109 --> 00:59:35,470

proof that they're hiding something so I

1451
00:59:39,780 --> 00:59:37,119
think that would be really good I do too

1452
00:59:41,250 --> 00:59:39,790
and that's that's very similar to what

1453
00:59:44,819 --> 00:59:41,260
I've heard someone say about airline

1454
00:59:47,280 --> 00:59:44,829
pilots you know if airline pilots could

1455
00:59:50,069 --> 00:59:47,290
speak freely about you know sightings

1456
00:59:54,030 --> 00:59:50,079
how many more would you hear up right

1457
00:59:55,200 --> 00:59:54,040
quite a few but alright and in fact of

1458
00:59:59,039 --> 00:59:55,210
Richard Haines who we talked about

1459
01:00:00,270 --> 00:59:59,049
earlier he worked for NASA and he was

1460
01:00:02,609 --> 01:00:00,280
one of the guys who put the Gemini

1461
01:00:03,930 --> 01:00:02,619
capsule together so this guy you know

1462
01:00:06,900 --> 01:00:03,940
knows what he's talking about he told me

1463
01:00:09,150 --> 01:00:06,910

that after 9/11 the number of sightings

1464

01:00:11,249 --> 01:00:09,160

by military pilots went through the roof

1465

01:00:13,680 --> 01:00:11,259

not that UFOs had anything to do with

1466

01:00:15,870 --> 01:00:13,690

9/11 but what we had more jets up there

1467

01:00:18,809 --> 01:00:15,880

flying around we had more opportunities

1468

01:00:20,519 --> 01:00:18,819

for these pilots to make sightings which

1469

01:00:23,309 --> 01:00:20,529

kind of goes back to the UFOs in one

1470

01:00:24,660 --> 01:00:23,319

time thing is more UFOs spotted because

1471

01:00:26,670 --> 01:00:24,670

we have more airplanes in the air

1472

01:00:28,769 --> 01:00:26,680

because it's war you know I mean we

1473

01:00:30,239 --> 01:00:28,779

never really we give you the stories

1474

01:00:31,890 --> 01:00:30,249

where we can never really come to figure

1475

01:00:33,569 --> 01:00:31,900

out what the conclusion is but this is

1476

01:00:35,789 --> 01:00:33,579

kind of the same thing what military

1477

01:00:39,569 --> 01:00:35,799

planes in the air more UFO sightings

1478

01:00:41,069 --> 01:00:39,579

just interesting right you were talking

1479

01:00:44,309 --> 01:00:41,079

just a minute ago about the

1480

01:00:46,829 --> 01:00:44,319

interrogations and that kind of reminds

1481

01:00:49,200 --> 01:00:46,839

me of the Rendlesham forest case because

1482

01:00:51,599 --> 01:00:49,210

they were heavily interrogated for I say

1483

01:00:54,210 --> 01:00:51,609

three days if I could I might have that

1484

01:00:57,329 --> 01:00:54,220

wrong but something like three days you

1485

01:01:00,329 --> 01:00:57,339

know and then supposedly drugged which

1486

01:01:02,220 --> 01:01:00,339

is really bizarre no this that story you

1487

01:01:04,109 --> 01:01:02,230

know kind of goes off the rails a little

1488

01:01:06,720 --> 01:01:04,119

bit you know the DB get into it we

1489

01:01:08,370 --> 01:01:06,730

talked it we saw Peter Robbins this

1490

01:01:09,539 --> 01:01:08,380

weekend then he is someone who's been

1491

01:01:13,440 --> 01:01:09,549

talking about the Rendlesham forest

1492

01:01:15,059 --> 01:01:13,450

incident for years I mean obviously

1493

01:01:17,160 --> 01:01:15,069

something happened they have a tape

1494

01:01:19,829 --> 01:01:17,170

recording of the people in the in the

1495

01:01:21,769 --> 01:01:19,839

forest looking at this thing and and you

1496

01:01:24,420 --> 01:01:21,779

know it was made by a major of

1497

01:01:26,670 --> 01:01:24,430

lieutenant-colonel someone who is you

1498

01:01:29,489 --> 01:01:26,680

know it is not in the game to host these

1499

01:01:32,370 --> 01:01:29,499

things he in fact his quote was his name

1500

01:01:35,190 --> 01:01:32,380

is major halt yeah Charlie said Charles

1501
01:01:37,019 --> 01:01:35,200
halt he said I'm the guy who debunked

1502
01:01:38,910 --> 01:01:37,029
this kind of stuff you know and he

1503
01:01:42,210 --> 01:01:38,920
actually made a recording of people

1504
01:01:43,950 --> 01:01:42,220
seeing when these things you know one

1505
01:01:45,569 --> 01:01:43,960
the little-known festa maybe it was

1506
01:01:47,279 --> 01:01:45,579
little-known to be told well I found

1507
01:01:49,109 --> 01:01:47,289
that it was there was an NSA listening

1508
01:01:52,049 --> 01:01:49,119
station only about two or three miles

1509
01:01:54,150 --> 01:01:52,059
from from those bases and also there's

1510
01:01:56,130 --> 01:01:54,160
in that part of England the East Anglia

1511
01:01:59,069 --> 01:01:56,140
part of England there's lots of UFO

1512
01:02:01,710 --> 01:01:59,079
there's a long long UFO history in that

1513
01:02:02,940 --> 01:02:01,720

part of England so what went on there I

1514

01:02:04,739 --> 01:02:02,950

don't know but you're right they were

1515

01:02:06,660 --> 01:02:04,749

same thing as my brothers experience

1516

01:02:08,279 --> 01:02:06,670

they kind of separated them and took

1517

01:02:10,319 --> 01:02:08,289

their stories and tried to trip them up

1518

01:02:13,739 --> 01:02:10,329

and finally just wore them down to you

1519

01:02:16,470 --> 01:02:13,749

know who knows what yeah during the news

1520

01:02:18,450 --> 01:02:16,480

alejandro rojas was brought up

1521

01:02:22,140 --> 01:02:18,460

Christopher Mel and Chris melon a few

1522

01:02:25,859 --> 01:02:22,150

different times and he he was on this

1523

01:02:27,300 --> 01:02:25,869

show I I was the first person to

1524

01:02:29,069 --> 01:02:27,310

interview him and George Knapp

1525

01:02:32,130 --> 01:02:29,079

interviewed him I actually set that up

1526
01:02:34,770 --> 01:02:32,140
for George not to interview him but so

1527
01:02:39,390 --> 01:02:34,780
he doesn't do a lot of interviews but if

1528
01:02:41,970 --> 01:02:39,400
you do catch the video of him with Tom

1529
01:02:46,140 --> 01:02:41,980
DeLonge today he talks about the USS

1530
01:02:47,760 --> 01:02:46,150
Nimitz and that sighting and I had never

1531
01:02:50,370 --> 01:02:47,770
heard that story before and what an

1532
01:02:51,900 --> 01:02:50,380
incredible story that is I don't know if

1533
01:02:55,880 --> 01:02:51,910
you've ever heard anything about it but

1534
01:02:58,470 --> 01:02:55,890
it is really an amazing sighting um I

1535
01:03:00,450 --> 01:02:58,480
think I'm afraid about it in passing we

1536
01:03:03,480 --> 01:03:00,460
in one of the books we talked about the

1537
01:03:07,410 --> 01:03:03,490
haunting of another aircraft carrier the

1538
01:03:11,010 --> 01:03:07,420

JFK for years had you know numbers and

1539

01:03:15,660 --> 01:03:11,020

probably six or seven really outstanding

1540

01:03:18,060 --> 01:03:15,670

UFO encounters with that ship so there

1541

01:03:23,160 --> 01:03:18,070

is a there is kind of a theory out there

1542

01:03:26,640 --> 01:03:23,170

that you know UFOs you know set their

1543

01:03:29,010 --> 01:03:26,650

sights on a specific warship or whatever

1544

01:03:32,069 --> 01:03:29,020

and follow it around for its entire

1545

01:03:35,250 --> 01:03:32,079

career which would be interesting but

1546

01:03:38,880 --> 01:03:35,260

you know they were JFK was down in Gitmo

1547

01:03:41,700 --> 01:03:38,890

and had a UFO sighting they were they

1548

01:03:43,620 --> 01:03:41,710

were at a Brazilian port two or three

1549

01:03:47,069 --> 01:03:43,630

years later had a big UFO sighting they

1550

01:03:49,589 --> 01:03:47,079

were in a early NATO exercise called the

1551

01:03:52,020 --> 01:03:49,599

Mainbrace operation Mainbrace

1552

01:03:56,010 --> 01:03:52,030

in the North Atlantic in the early 50s

1553

01:03:58,410 --> 01:03:56,020

and had a film of UFOs going over the

1554

01:04:00,480 --> 01:03:58,420

aircraft carriers and so on and then

1555

01:04:01,440 --> 01:04:00,490

before is retired from services in the

1556

01:04:02,700 --> 01:04:01,450

Mediterranean

1557

01:04:05,010 --> 01:04:02,710

you know launched a bunch of Jets

1558

01:04:07,230 --> 01:04:05,020

because they saw your folk coming at it

1559

01:04:08,880 --> 01:04:07,240

at high speed from 50,000 feet directly

1560

01:04:12,720 --> 01:04:08,890

over the aircraft carrier that kind of

1561

01:04:14,550 --> 01:04:12,730

stuff just interesting that you know

1562

01:04:17,880 --> 01:04:14,560

would that be interesting if you oppose

1563

01:04:20,210 --> 01:04:17,890

you know actually yeah selected some

1564

01:04:22,950 --> 01:04:20,220

wash-up just to follow it through its

1565

01:04:24,630 --> 01:04:22,960

career once again it could be time

1566

01:04:26,609 --> 01:04:24,640

tourists wrong we know someone you know

1567

01:04:29,040 --> 01:04:26,619

when a million years from now doing the

1568

01:04:30,140 --> 01:04:29,050

dissertation on the USS JFK or something

1569

01:04:32,630 --> 01:04:30,150

but

1570

01:04:34,710 --> 01:04:32,640

just really kind of fascinating stuff

1571

01:04:38,970 --> 01:04:34,720

right right

1572

01:04:40,849 --> 01:04:38,980

so as far as I think that is really

1573

01:04:44,670 --> 01:04:40,859

fascinating when when you say that

1574

01:04:48,630 --> 01:04:44,680

possibly being followed as far as you

1575

01:04:50,039 --> 01:04:48,640

know other other like destroyers or

1576

01:04:54,870 --> 01:04:50,049

aircraft carriers anything like that

1577

01:04:59,970 --> 01:04:54,880

that are have similar tales you know no

1578

01:05:01,920 --> 01:04:59,980

because actually the the I think I

1579

01:05:05,249 --> 01:05:01,930

sculpted the JFK it's actually the FDR

1580

01:05:06,749 --> 01:05:05,259

the u.s. USS Franklin Delano Roosevelt

1581

01:05:09,829 --> 01:05:06,759

was the one that the UFOs are chasing

1582

01:05:13,109 --> 01:05:09,839

but the the reason that they think that

1583

01:05:14,309 --> 01:05:13,119

the UFOs wanted to hang around that

1584

01:05:17,400 --> 01:05:14,319

particularly aircraft carrier is the

1585

01:05:18,720 --> 01:05:17,410

first one to carry nuclear weapons it

1586

01:05:23,009 --> 01:05:18,730

was the first ship to have nuclear

1587

01:05:25,170 --> 01:05:23,019

weapons on board and it wasn't nuclear

1588

01:05:27,170 --> 01:05:25,180

powered but they had nuclear weapons on

1589

01:05:29,640 --> 01:05:27,180

board and they used to fly them off of

1590

01:05:33,210 --> 01:05:29,650

the deck and so on and he's kind of

1591

01:05:36,539 --> 01:05:33,220

small Navy attack craft so there was

1592

01:05:38,549 --> 01:05:36,549

definitely a history of UFOs having a

1593

01:05:41,789 --> 01:05:38,559

lot of interest in places where nuclear

1594

01:05:43,980 --> 01:05:41,799

weapons are made the Hannifin research

1595

01:05:47,220 --> 01:05:43,990

labs up in Washington State I mean they

1596

01:05:49,380 --> 01:05:47,230

made the nuclear the the fissionable

1597

01:05:52,349 --> 01:05:49,390

materials for the first nuclear bomb and

1598

01:05:54,990 --> 01:05:52,359

like the day after that was tested down

1599

01:05:57,029 --> 01:05:55,000

and New Mexico your phone's not showing

1600

01:05:58,349 --> 01:05:57,039

up over this place in Washington in the

1601

01:06:00,450 --> 01:05:58,359

state of Washington then there's all

1602

01:06:02,849 --> 01:06:00,460

kinds of stories about how they you know

1603

01:06:05,640 --> 01:06:02,859

we're like haunting our ICBM bases for

1604

01:06:07,650 --> 01:06:05,650

years all during the 60s and 70s where

1605

01:06:11,430 --> 01:06:07,660

they were UFOs would would would fly

1606

01:06:12,930 --> 01:06:11,440

over these you know scattered ICM bases

1607

01:06:15,299 --> 01:06:12,940

out in the prairies of the middle of

1608

01:06:17,039 --> 01:06:15,309

America and they would shut off their

1609

01:06:18,539 --> 01:06:17,049

power they would they would retarget

1610

01:06:22,710 --> 01:06:18,549

some of these things they would do all

1611

01:06:25,499 --> 01:06:22,720

kinds of stuff Parade magazine and had a

1612

01:06:27,480 --> 01:06:25,509

huge story on a back in the 70s one of

1613

01:06:31,170 --> 01:06:27,490

the best stories and the general press

1614

01:06:34,200 --> 01:06:31,180

that I've ever seen about UFOs and and

1615

01:06:36,870 --> 01:06:34,210

also Peter Jennings shortly before he he

1616

01:06:40,140 --> 01:06:36,880

died he did a three-hour special on UFOs

1617

01:06:43,529 --> 01:06:40,150

really really good and mentions a lot

1618

01:06:44,110 --> 01:06:43,539

about the ICBM basis so once again there

1619

01:06:46,210 --> 01:06:44,120

is a definite

1620

01:06:48,280 --> 01:06:46,220

history of UFOs being interested where

1621

01:06:52,560 --> 01:06:48,290

we have our nuclear weapons and we're on

1622

01:06:56,470 --> 01:06:52,570

nuclear weapons manufactured right right

1623

01:06:59,740 --> 01:06:56,480

yeah yeah I've had Robert Hastings on a

1624

01:07:01,900 --> 01:06:59,750

number of times over the years and yeah

1625

01:07:04,570 --> 01:07:01,910

that's you know I remember asking him

1626

01:07:07,930 --> 01:07:04,580

the question what if what's your best

1627

01:07:11,080 --> 01:07:07,940

guess on why these things are you know

1628

01:07:15,340 --> 01:07:11,090

found tampering with you know the

1629

01:07:18,730 --> 01:07:15,350

missiles and and he says it's like stop

1630

01:07:23,200 --> 01:07:18,740

what you're doing you know right it

1631

01:07:27,010 --> 01:07:23,210

seems like that it seems like we know we

1632

01:07:30,250 --> 01:07:27,020

want you to know we are here it's like

1633

01:07:33,670 --> 01:07:30,260

what I got out of that there were places

1634

01:07:37,240 --> 01:07:33,680

out there's a base out in Colorado that

1635

01:07:40,270 --> 01:07:37,250

has something like 150 silos and one

1636

01:07:42,430 --> 01:07:40,280

night you know they UFOs like literally

1637

01:07:44,830 --> 01:07:42,440

turned off almost half of them now

1638

01:07:49,030 --> 01:07:44,840

that's that's a significant amount of

1639

01:07:51,250 --> 01:07:49,040

our nuclear rotala touring let's say you

1640

01:07:53,140 --> 01:07:51,260

know if there was a Russian first launch

1641

01:07:56,080 --> 01:07:53,150

these are the missiles that we would

1642

01:07:58,060 --> 01:07:56,090

have the launch to you know destroy them

1643

01:08:00,460 --> 01:07:58,070

as they were destroying us and for half

1644

01:08:03,610 --> 01:08:00,470

of them to be offline on any particular

1645

01:08:05,920 --> 01:08:03,620

night is a huge security issue but

1646

01:08:07,750 --> 01:08:05,930

because UFOs were involved you didn't

1647

01:08:09,490 --> 01:08:07,760

hear about it the military you know

1648

01:08:13,930 --> 01:08:09,500

insisted on calling them on identify the

1649

01:08:16,330 --> 01:08:13,940

aircraft and so on but just really

1650

01:08:17,890 --> 01:08:16,340

strange and that whole idea of you know

1651
01:08:19,450 --> 01:08:17,900
stop what you're doing or it's more like

1652
01:08:20,860 --> 01:08:19,460
we know what you're doing but we want

1653
01:08:24,700 --> 01:08:20,870
you to know that we're here to knit and

1654
01:08:27,310 --> 01:08:24,710
it would happen to Russian ICBM bases as

1655
01:08:28,350 --> 01:08:27,320
well so but it's something that the

1656
01:08:31,030 --> 01:08:28,360
military the government our government

1657
01:08:33,820 --> 01:08:31,040
obviously wants to kind of keep under

1658
01:08:35,410 --> 01:08:33,830
wraps because I don't believe that they

1659
01:08:37,570 --> 01:08:35,420
know anything more about the UFOs than

1660
01:08:39,670 --> 01:08:37,580
we do I think that they have more

1661
01:08:42,100 --> 01:08:39,680
evidence I think they have film and so

1662
01:08:44,440 --> 01:08:42,110
on I think they know they exist but I

1663
01:08:46,630 --> 01:08:44,450

don't I don't think that they know where

1664

01:08:48,550 --> 01:08:46,640

they come from and that's why this whole

1665

01:08:50,800 --> 01:08:48,560

idea of not letting us know because it

1666

01:08:53,320 --> 01:08:50,810

would have civilization and then stuff I

1667

01:08:53,650 --> 01:08:53,330

just think it's that someone say will we

1668

01:08:55,270 --> 01:08:53,660

pay you

1669

01:08:57,280 --> 01:08:55,280

you know billions and billions of

1670

01:09:00,070 --> 01:08:57,290

dollars every year to you

1671

01:09:01,660 --> 01:09:00,080

but the defense of this country and you

1672

01:09:03,370 --> 01:09:01,670

don't know what these things out flying

1673

01:09:06,250 --> 01:09:03,380

around and that you're not doing your

1674

01:09:09,610 --> 01:09:06,260

job so that's my opinion why they keep

1675

01:09:11,829 --> 01:09:09,620

this thing under wraps I agree a hundred

1676

01:09:14,170 --> 01:09:11,839

percent with you and and I've said that

1677

01:09:16,840 --> 01:09:14,180

a number of times that you know I have

1678

01:09:19,140 --> 01:09:16,850

the feeling that the government if any

1679

01:09:21,849 --> 01:09:19,150

one any part of the government is

1680

01:09:24,130 --> 01:09:21,859

interested in following you know UFOs

1681

01:09:27,340 --> 01:09:24,140

what's going on they probably know as

1682

01:09:29,380 --> 01:09:27,350

much as we do about their origin you

1683

01:09:30,789 --> 01:09:29,390

know I just have that feeling like they

1684

01:09:34,390 --> 01:09:30,799

probably don't know any more than we do

1685

01:09:36,130 --> 01:09:34,400

right a great story is good and Cooper

1686

01:09:38,650 --> 01:09:36,140

who was you know one of the original

1687

01:09:40,690 --> 01:09:38,660

mercury astronauts he was an Air Force

1688

01:09:43,300 --> 01:09:40,700

pilot in the early 50s and he was at a

1689

01:09:45,490 --> 01:09:43,310

base that was very close to the Russian

1690

01:09:49,090 --> 01:09:45,500

border the communist border in the East

1691

01:09:49,980 --> 01:09:49,100

Germany and he reported seeing in his

1692

01:09:53,500 --> 01:09:49,990

whole bit

1693

01:09:56,620 --> 01:09:53,510

babies dead dozens and dozens of this

1694

01:09:58,690 --> 01:09:56,630

shaped objects going over this space you

1695

01:10:00,310 --> 01:09:58,700

know like every day coming from the West

1696

01:10:01,750 --> 01:10:00,320

I think coming from the east and going

1697

01:10:03,700 --> 01:10:01,760

west and you know they would scramble

1698

01:10:04,900 --> 01:10:03,710

and these things were too high to fly up

1699

01:10:05,730 --> 01:10:04,910

to and so on so finally they just

1700

01:10:07,720 --> 01:10:05,740

stopped

1701

01:10:11,590 --> 01:10:07,730

scrambling for them so then you fast

1702

01:10:14,800 --> 01:10:11,600

forward eight years and he's out in

1703

01:10:18,280 --> 01:10:14,810

California and test testing new

1704

01:10:21,850 --> 01:10:18,290

airplanes and he's he said it's a place

1705

01:10:23,950 --> 01:10:21,860

called rock back then and he was in

1706

01:10:25,990 --> 01:10:23,960

charge of these two Air Force agents who

1707

01:10:28,930 --> 01:10:26,000

had set up a camera at the end of a

1708

01:10:32,620 --> 01:10:28,940

runway to test a landing new landing

1709

01:10:33,700 --> 01:10:32,630

velocity just by these test airplanes so

1710

01:10:36,820 --> 01:10:33,710

these two guys were out there with a

1711

01:10:39,430 --> 01:10:36,830

camera and they caught on camera a disc

1712

01:10:42,220 --> 01:10:39,440

coming out of you know out of this guy

1713

01:10:44,860 --> 01:10:42,230

landing and then taking off again a

1714

01:10:46,450 --> 01:10:44,870

flying saucer shaped disc they ran back

1715

01:10:48,940 --> 01:10:46,460

to Glenn Koopa because he was their

1716

01:10:50,440 --> 01:10:48,950

commanding officer he knew all about it

1717

01:10:53,350 --> 01:10:50,450

he called the special number in the

1718

01:10:55,540 --> 01:10:53,360

Pentagon the person they said get the

1719

01:10:58,450 --> 01:10:55,550

generals plane at your base and fly the

1720

01:10:59,800 --> 01:10:58,460

film footage to us right away and Glen

1721

01:11:01,600 --> 01:10:59,810

Cooper was sure he was going to be

1722

01:11:04,600 --> 01:11:01,610

called before some kind of hearing or

1723

01:11:06,700 --> 01:11:04,610

whatever so talk about this because he

1724

01:11:09,010 --> 01:11:06,710

saw this and no one ever called him he

1725

01:11:10,840 --> 01:11:09,020

never said he never heard anything more

1726

01:11:13,150 --> 01:11:10,850

about the film ever again

1727

01:11:14,230 --> 01:11:13,160

until he wrote about it and now the

1728

01:11:15,520 --> 01:11:14,240

interesting thing is true years later

1729

01:11:17,050 --> 01:11:15,530

he's picked to be one of the mercury

1730

01:11:18,850 --> 01:11:17,060

astronauts they must have had to go

1731

01:11:20,890 --> 01:11:18,860

through unbelievable security check some

1732

01:11:23,680 --> 01:11:20,900

of that and the fact is is that this guy

1733

01:11:25,240 --> 01:11:23,690

knew about UFOs had seen film of it and

1734

01:11:27,790 --> 01:11:25,250

was still selected as one of the mercury

1735

01:11:29,320 --> 01:11:27,800

astronauts to me as fascinated Wow you

1736

01:11:31,450 --> 01:11:29,330

know I never knew that was the sequence

1737

01:11:32,710 --> 01:11:31,460

and how that went

1738

01:11:34,740 --> 01:11:32,720

I thought this was something that

1739

01:11:37,990 --> 01:11:34,750
happened later

1740

01:11:39,760 --> 01:11:38,000
ya know he had to those two huge city

1741

01:11:43,540 --> 01:11:39,770
you know back in the early 50s and then

1742

01:11:45,550 --> 01:11:43,550
later these and and that made him a

1743

01:11:47,290 --> 01:11:45,560
believer from right to the very end you

1744

01:11:48,910 --> 01:11:47,300
know he was really out there saying

1745

01:11:51,580 --> 01:11:48,920
there's something to this because I've

1746

01:11:54,280 --> 01:11:51,590
seen it and just the fact that people

1747

01:11:56,560 --> 01:11:54,290
kind of ignored him I think is also

1748

01:11:57,970 --> 01:11:56,570
interesting but even more interesting is

1749

01:11:59,410 --> 01:11:57,980
that this guy with this history of

1750

01:12:00,850 --> 01:11:59,420
seeing these things was still made of

1751

01:12:02,740 --> 01:12:00,860

mercury astronaut and you know those

1752

01:12:04,420 --> 01:12:02,750

guys they were really schooled in public

1753

01:12:06,430 --> 01:12:04,430

relations they won they were the new

1754

01:12:08,440 --> 01:12:06,440

heroes you know life they were on the

1755

01:12:11,350 --> 01:12:08,450

cover of Life magazine and these these

1756

01:12:12,790 --> 01:12:11,360

will be real life superheroes to him to

1757

01:12:14,770 --> 01:12:12,800

be one of them and to know what he knew

1758

01:12:19,150 --> 01:12:14,780

about UFOs again I think it is really

1759

01:12:22,390 --> 01:12:19,160

interesting I do too yeah yeah he was he

1760

01:12:24,850 --> 01:12:22,400

was really I think one of the people out

1761

01:12:27,070 --> 01:12:24,860

there that could have made a difference

1762

01:12:28,810 --> 01:12:27,080

he did try you know there were many

1763

01:12:31,270 --> 01:12:28,820

times that he did try to talk about it

1764

01:12:33,490 --> 01:12:31,280

you know really never really went

1765

01:12:36,580 --> 01:12:33,500

anywhere we're in the second hour if

1766

01:12:40,630 --> 01:12:36,590

anyone would like to call in the phone

1767

01:12:43,180 --> 01:12:40,640

number is 603 967 403 Oh if you have a

1768

01:12:45,610 --> 01:12:43,190

question for our guests or you can

1769

01:12:49,540 --> 01:12:45,620

always Skype in at Marty Willis that's

1770

01:12:54,090 --> 01:12:49,550

enemy arty why WI II is do you take

1771

01:12:58,840 --> 01:12:54,100

Collins in your show no yeah we don't we

1772

01:13:01,300 --> 01:12:58,850

taped the show oh but we learned to work

1773

01:13:04,210 --> 01:13:01,310

without a seven-second away oh yeah

1774

01:13:06,310 --> 01:13:04,220

which was for us is actually a pretty

1775

01:13:08,200 --> 01:13:06,320

good is a good thing yep

1776

01:13:10,120 --> 01:13:08,210

can bleep out is that what you're trying

1777

01:13:12,820 --> 01:13:10,130

to say well you know if we can't catch

1778

01:13:14,770 --> 01:13:12,830

it yeah we're we're not built for live

1779

01:13:17,910 --> 01:13:14,780

crawlers though yeah I think that's a

1780

01:13:22,900 --> 01:13:17,920

way to put it yeah right right right so

1781

01:13:24,670 --> 01:13:22,910

as far as the the I think we kind of

1782

01:13:29,490 --> 01:13:24,680

covered the military and to

1783

01:13:34,930 --> 01:13:29,500

back to the sightings in in New England

1784

01:13:38,610 --> 01:13:34,940

what do you think you mentioned the I'm

1785

01:13:40,480 --> 01:13:38,620

sorry the Exeter incident Exeter uh-huh

1786

01:13:42,100 --> 01:13:40,490

what are your thoughts

1787

01:13:43,450 --> 01:13:42,110

there's a reason I'm asking this but

1788

01:13:48,160 --> 01:13:43,460

what are your thoughts on the Betty and

1789

01:13:51,340 --> 01:13:48,170

Barney Hill abduction case right

1790

01:13:52,990 --> 01:13:51,350

interesting case I've tied to well not

1791

01:13:56,350 --> 01:13:53,000

so much with the Kathie mazdan once who

1792

01:13:58,720 --> 01:13:56,360

was um Betty's niece and she's really

1793

01:14:02,970 --> 01:13:58,730

good knows a lot about the case and told

1794

01:14:05,860 --> 01:14:05,500

well obviously something happened to

1795

01:14:08,740 --> 01:14:05,870

them

1796

01:14:10,570 --> 01:14:08,750

and it's in and at the time no one was

1797

01:14:12,370 --> 01:14:10,580

really thinking I suppose they were

1798

01:14:15,190 --> 01:14:12,380

thinking UFOs I mean they when they

1799

01:14:16,990 --> 01:14:15,200

recovered their hidden memories that's

1800

01:14:19,960 --> 01:14:17,000

when this whole idea of abductions and

1801

01:14:22,210 --> 01:14:19,970

so on you know really kind of took off I

1802

01:14:25,090 --> 01:14:22,220

don't know they hid and then they they

1803

01:14:28,420 --> 01:14:25,100

had you know especially yeah bonnie has

1804

01:14:29,680 --> 01:14:28,430

such an odd ending and and then

1805

01:14:31,300 --> 01:14:29,690

different things that they found on

1806

01:14:35,560 --> 01:14:31,310

their bodies and stuff you know really

1807

01:14:37,240 --> 01:14:35,570

kind of creepy all you can say is you

1808

01:14:38,350 --> 01:14:37,250

know obviously something happened and

1809

01:14:40,060 --> 01:14:38,360

they were the first people to really

1810

01:14:42,340 --> 01:14:40,070

kind of come forward and talk about

1811

01:14:44,950 --> 01:14:42,350

stuff like this and they were ridiculed

1812

01:14:46,630 --> 01:14:44,960

I mean you know Kathy told me that you

1813

01:14:50,500 --> 01:14:46,640

know their lives were never the same

1814

01:14:52,930 --> 01:14:50,510
again so they you know kind of

1815

01:14:55,750 --> 01:14:52,940
sacrificed their privacy at the very

1816

01:14:58,860 --> 01:14:55,760
least to come out and talk about this

1817

01:15:02,590 --> 01:14:58,870
but what happened you know who knows

1818

01:15:05,980 --> 01:15:02,600
yeah yeah we'd actually have we have a

1819

01:15:07,750 --> 01:15:05,990
skeptic that is going to be reviewing

1820

01:15:09,730 --> 01:15:07,760
their case is going to be on the show

1821

01:15:12,790 --> 01:15:09,740
that's one of the things I like to do is

1822

01:15:15,280 --> 01:15:12,800
to have all different types of people on

1823

01:15:17,620 --> 01:15:15,290
the show and one of them's a skeptic is

1824

01:15:20,490 --> 01:15:17,630
coming up on November 1st and while I'm

1825

01:15:24,340 --> 01:15:20,500
talking about upcoming shows I'm pretty

1826

01:15:26,770 --> 01:15:24,350

pretty excited to talk about next week's

1827

01:15:32,080 --> 01:15:26,780

show we have Randy Nickerson and we also

1828

01:15:36,160 --> 01:15:32,090

have Salaam siddik and salon is she was

1829

01:15:38,100 --> 01:15:36,170

a witness of the Ariel school incident

1830

01:15:39,740 --> 01:15:38,110

so that will be on

1831

01:15:42,479 --> 01:15:39,750

next week I'm really excited about that

1832

01:15:47,520 --> 01:15:42,489

so we'll have two people and also I'm

1833

01:15:50,459 --> 01:15:47,530

gonna have an in in in studio guest so

1834

01:15:53,010 --> 01:15:50,469

last Christmas I did a drawing of people

1835

01:15:56,340 --> 01:15:53,020

that could use our guest house up here

1836

01:15:58,040 --> 01:15:56,350

and being in studio guests and so that

1837

01:16:02,370 --> 01:15:58,050

person will be here next week

1838

01:16:05,430 --> 01:16:02,380

excellent yeah yeah so on your shows

1839

01:16:07,700 --> 01:16:05,440

what I saw that you did black-eyed

1840

01:16:10,590 --> 01:16:07,710

children-- so you cover everything right

1841

01:16:13,439 --> 01:16:10,600

right yeah but the way that we cover

1842

01:16:15,240 --> 01:16:13,449

black-eyed children-- was we talked

1843

01:16:17,070 --> 01:16:15,250

about some real cases but there's a

1844

01:16:20,790 --> 01:16:17,080

gentleman who's on the show a lot his

1845

01:16:22,830 --> 01:16:20,800

name is Phil Yabba and he's a stand-up

1846

01:16:27,030 --> 01:16:22,840

comedian but he's also someone who does

1847

01:16:28,950 --> 01:16:27,040

voices really well and so he does like a

1848

01:16:32,340 --> 01:16:28,960

little kids voice and so he's the

1849

01:16:34,169 --> 01:16:32,350

black-eyed kid and we have him in and it

1850

01:16:36,830 --> 01:16:34,179

basically all he does is like threaten

1851

01:16:40,439 --> 01:16:36,840

people in the air and everything and

1852

01:16:42,660 --> 01:16:40,449

he's just a funny guy you know so that's

1853

01:16:44,550 --> 01:16:42,670

how we cover the black-eyed kids with

1854

01:16:46,080 --> 01:16:44,560

with with the with the Camellia with

1855

01:16:49,050 --> 01:16:46,090

comedy right right

1856

01:16:51,240 --> 01:16:49,060

you mentioned Nick Redfern he's has he

1857

01:16:51,840 --> 01:16:51,250

actually been on your show as well yep

1858

01:16:53,910 --> 01:16:51,850

mm-hmm

1859

01:16:56,729 --> 01:16:53,920

yeah a few times and I met him in person

1860

01:16:58,979 --> 01:16:56,739

for the first time just this weekend at

1861

01:17:01,260 --> 01:16:58,989

the know he was the OPO yeah yeah he was

1862

01:17:03,540 --> 01:17:01,270

there yep and it's it's kind of funny

1863

01:17:06,300 --> 01:17:03,550

because in this in this kind of world

1864

01:17:07,709 --> 01:17:06,310

wherein you talk to these people on the

1865

01:17:10,439 --> 01:17:07,719

top all the time you either run their

1866

01:17:12,120 --> 01:17:10,449

show or they're on your show or you have

1867

01:17:15,510 --> 01:17:12,130

some kind of connection with some book

1868

01:17:17,490 --> 01:17:15,520

you writing it as I said Nick help me

1869

01:17:20,129 --> 01:17:17,500

write a chapter and Beyond area51 he

1870

01:17:24,379 --> 01:17:20,139

helped me with the fact-checking of the

1871

01:17:27,300 --> 01:17:24,389

two UFO books he's just like a walking

1872

01:17:28,919 --> 01:17:27,310

wealth of knowledge about this stuff and

1873

01:17:30,689 --> 01:17:28,929

he and I had talked on the phone many

1874

01:17:32,640 --> 01:17:30,699

times yet we had we had never met you

1875

01:17:38,879 --> 01:17:32,650

know and and that was like a good

1876

01:17:40,800 --> 01:17:38,889

experience and yeah he's he was the

1877

01:17:41,580 --> 01:17:40,810

first guy I went to when someone said

1878

01:17:43,740 --> 01:17:41,590

well you should have an independent

1879

01:17:46,169 --> 01:17:43,750

person in fact check these things you

1880

01:17:47,550 --> 01:17:46,179

know in the UFO books he's I just

1881

01:17:51,250 --> 01:17:47,560

thought wow he's written so many books

1882

01:17:52,570 --> 01:17:51,260

he has knowledge about everything yeah

1883

01:17:55,870 --> 01:17:52,580

he would be the again he's written books

1884

01:17:58,360 --> 01:17:55,880

on his own he knows the misery it you go

1885

01:18:02,020 --> 01:17:58,370

through writing a book so he was the

1886

01:18:04,180 --> 01:18:02,030

first guy I asked and lucky for me he he

1887

01:18:06,490 --> 01:18:04,190

helped me out yeah yeah he's a good guy

1888

01:18:08,500 --> 01:18:06,500

I met him in Phoenix and he's been on

1889

01:18:11,110 --> 01:18:08,510

the show a number of times you know I

1890

01:18:14,260 --> 01:18:11,120

got to tell you about the UFO conference

1891

01:18:19,210 --> 01:18:14,270

this weekend and Leominster is I found

1892

01:18:23,080 --> 01:18:19,220

out about it Friday night well too man

1893

01:18:25,750 --> 01:18:23,090

usually usually I get notices because

1894

01:18:26,650 --> 01:18:25,760

I've you know I signed up for something

1895

01:18:31,450 --> 01:18:26,660

there at one point

1896

01:18:34,390 --> 01:18:31,460

uh-huh been there three times I think in

1897

01:18:37,060 --> 01:18:34,400

three three years but I was surprised I

1898

01:18:41,070 --> 01:18:37,070

didn't see it advertised you know I

1899

01:18:44,230 --> 01:18:41,080

don't I just bring it around well you

1900

01:18:46,780 --> 01:18:44,240

know we know they get in touch with us

1901

01:18:49,630 --> 01:18:46,790

willie miranda is one of the co

1902

01:18:52,300 --> 01:18:49,640

organizes he can touch with us a about

1903

01:18:55,690 --> 01:18:52,310

two months ahead of time we had them on

1904

01:18:58,090 --> 01:18:55,700

the show and then we had a we did a show

1905

01:18:59,980 --> 01:18:58,100

before a live audience about three weeks

1906

01:19:02,920 --> 01:18:59,990

ago which was interest and we had about

1907

01:19:07,480 --> 01:19:02,930

25 people in the audience and he was one

1908

01:19:10,930 --> 01:19:07,490

of them and susan his she was also

1909

01:19:13,090 --> 01:19:10,940

personal help put it to god although i

1910

01:19:14,590 --> 01:19:13,100

know that they were you know running in

1911

01:19:15,940 --> 01:19:14,600

circles for months getting this thing

1912

01:19:18,610 --> 01:19:15,950

together and it really came off really

1913

01:19:20,200 --> 01:19:18,620

well everything really just kind of ran

1914

01:19:22,360 --> 01:19:20,210

smoothly you know how those things that

1915

01:19:23,800 --> 01:19:22,370

they just write you can't wait for them

1916

01:19:25,780 --> 01:19:23,810

to actually happen you know and so

1917

01:19:28,600 --> 01:19:25,790

they're over especially if you're part

1918

01:19:30,340 --> 01:19:28,610

of the organization of one but yeah I

1919

01:19:33,370 --> 01:19:30,350

mean they should they should really get

1920

01:19:34,600 --> 01:19:33,380

the word out everywhere because it is I

1921

01:19:37,120 --> 01:19:34,610

don't know it just seemed like a very

1922

01:19:38,470 --> 01:19:37,130

focused you know conference people with

1923

01:19:41,320 --> 01:19:38,480

great people are friendly very

1924

01:19:43,930 --> 01:19:41,330

informative and there wasn't a lot of

1925

01:19:46,600 --> 01:19:43,940

noise that you kind of you know run into

1926

01:19:47,770 --> 01:19:46,610

at other places right so but I will pass

1927

01:19:49,930 --> 01:19:47,780

that on to them that they should

1928

01:19:51,730 --> 01:19:49,940

advertise more well yeah I mean I just I

1929

01:19:53,530 --> 01:19:51,740

just didn't even know about it's too bad

1930

01:19:55,060 --> 01:19:53,540

because I'm always willing to put a

1931

01:19:56,620 --> 01:19:55,070

banner on my website you know and get

1932

01:19:59,830 --> 01:19:56,630

the word out there myself and talk about

1933

01:20:02,790 --> 01:19:59,840

it right and I understand my good friend

1934

01:20:05,320 --> 01:20:02,800

Mark Dantonio was there it was yeah yeah

1935

01:20:08,020 --> 01:20:05,330

yes we got to talk to him just for

1936

01:20:09,070 --> 01:20:08,030

I'm sorry just we talked him for a

1937

01:20:11,980 --> 01:20:09,080

little while but he put on this

1938

01:20:14,590 --> 01:20:11,990

presentation of toilet you know how well

1939

01:20:17,980 --> 01:20:14,600

yeah right he's lovely yeah yeah yeah

1940

01:20:19,930 --> 01:20:17,990

how old the earth really is yeah it was

1941

01:20:21,520 --> 01:20:19,940

fascinating it really was he stretched

1942

01:20:24,100 --> 01:20:21,530

that this reinforced roll of toilet

1943

01:20:26,710 --> 01:20:24,110

paper around and around the room yeah

1944

01:20:28,300 --> 01:20:26,720

and you know basically sectioned off and

1945

01:20:30,370 --> 01:20:28,310

saying you know this is what we will

1946

01:20:31,780 --> 01:20:30,380

like his seven billion years ago and

1947

01:20:34,510 --> 01:20:31,790

this is what the earth was like two

1948

01:20:36,640 --> 01:20:34,520

billion years ago now for right and and

1949

01:20:39,490 --> 01:20:36,650

and by the time he gets to explain and

1950

01:20:41,800 --> 01:20:39,500

he has gone around the room and he said

1951

01:20:44,140 --> 01:20:41,810

in this little piece here is how long

1952

01:20:47,410 --> 01:20:44,150

human beings have been on earth and it's

1953

01:20:52,480 --> 01:20:47,420

a Slaney tiny liver hang on we have a

1954

01:20:54,610 --> 01:20:52,490

caller calling in right now hello caller

1955

01:20:56,770 --> 01:20:54,620

you're on the air

1956

01:20:58,410 --> 01:20:56,780

can you please say your first name and

1957

01:21:00,820 --> 01:20:58,420

where you calling from

1958

01:21:03,370 --> 01:21:00,830

that's Bobby foreign seat how you doing

1959

01:21:05,670 --> 01:21:03,380

Martin hey Bobby my good friend Bobby I

1960

01:21:09,160 --> 01:21:05,680

met him actually down in North Carolina

1961

01:21:16,720 --> 01:21:09,170

years ago and who do we have who did we

1962

01:21:19,180 --> 01:21:16,730

have dinner with Bobby the good Timothy

1963

01:21:20,770 --> 01:21:19,190

good yeah Timothy good yeah yeah which

1964

01:21:22,870 --> 01:21:20,780

you know it's got a couple of his books

1965

01:21:24,370 --> 01:21:22,880

and when I saw him I recognized him of

1966

01:21:25,630 --> 01:21:24,380

course he was older than the picture on

1967

01:21:26,830 --> 01:21:25,640

his books but I recognized and I was

1968

01:21:28,990 --> 01:21:26,840

just like man I wish I'd brought the

1969

01:21:30,610 --> 01:21:29,000

books up there but Mack Maloney's book

1970

01:21:32,230 --> 01:21:30,620

UFOs in wartime actually bought that I

1971

01:21:34,030 --> 01:21:32,240

want you to know it's a great book I

1972

01:21:35,770 --> 01:21:34,040

enjoyed the hell out of it I had no idea

1973

01:21:37,470 --> 01:21:35,780

that you're a fiction writer and I'd

1974

01:21:41,800 --> 01:21:37,480

like to pick up some of those sometime

1975

01:21:42,760 --> 01:21:41,810

did he hear me oh yeah yeah yeah thank

1976

01:21:46,210 --> 01:21:42,770

you I appreciate that

1977

01:21:47,620 --> 01:21:46,220

yeah it's a great book I loved it I love

1978

01:21:49,690 --> 01:21:47,630

that stuff because you know these guys

1979

01:21:51,580 --> 01:21:49,700

weren't making that stuff up those

1980

01:21:53,650 --> 01:21:51,590

things really crazy things really did

1981

01:21:58,330 --> 01:21:53,660

happen the two guys talked about the CD

1982

01:21:59,500 --> 01:21:58,340

that he made baloney CD oh I don't think

1983

01:22:01,540 --> 01:21:59,510

I don't think so

1984

01:22:04,900 --> 01:22:01,550

now we have a band called Sky Club and

1985

01:22:06,960 --> 01:22:04,910

we yeah we put a CD out a few years ago

1986

01:22:09,130 --> 01:22:06,970

yeah I'm Lenny here you say that that's

1987

01:22:10,720 --> 01:22:09,140

well you know that one song about that

1988

01:22:12,610 --> 01:22:10,730

guy I forgot the name of the band those

1989

01:22:14,500 --> 01:22:12,620

back in the 60s where he was like sick

1990

01:22:15,820 --> 01:22:14,510

he wrote a song about you know he

1991

01:22:19,059 --> 01:22:15,830

thought it was gonna die not see his mom

1992

01:22:21,459 --> 01:22:19,069

again and I had not heard that I'm 50

1993

01:22:22,779 --> 01:22:21,469

- I have not heard that in years right

1994

01:22:25,389 --> 01:22:22,789

when I heard that it just blew my mind

1995

01:22:28,629 --> 01:22:25,399

there's a mechanical world by the being

1996

01:22:31,449 --> 01:22:28,639

spirit coming yeah and the guy wrote it

1997

01:22:32,889 --> 01:22:31,459

when he had a hundred and eight degree

1998

01:22:34,689 --> 01:22:32,899

temperature and he thought he was dying

1999

01:22:36,099 --> 01:22:34,699

when you listen to the lyrics it say wow

2000

01:22:39,219 --> 01:22:36,109

that really does sound like someone

2001

01:22:41,559 --> 01:22:39,229

who's about to die great kind of heavy

2002

01:22:44,139 --> 01:22:41,569

metal song from the 60s great being

2003

01:22:46,119 --> 01:22:44,149

spirit was a great band they were there

2004

01:22:48,579 --> 01:22:46,129

like more a jazz band in a rock band but

2005

01:22:51,429 --> 01:22:48,589

boy they put out some really good music

2006

01:22:52,959 --> 01:22:51,439

and when you enjoyed the CD yeah and

2007

01:22:56,500 --> 01:22:52,969

that other there's another song you were

2008

01:22:58,419 --> 01:22:56,510

talking about how pilots coming over the

2009

01:22:59,859 --> 01:22:58,429

Atlantic towards America always played

2010

01:23:02,109 --> 01:22:59,869

that one song all the time that's now oh

2011

01:23:07,089 --> 01:23:02,119

you ever yeah this a friend of a house

2012

01:23:09,429 --> 01:23:07,099

is someone who flies for the modern

2013

01:23:13,359 --> 01:23:09,439

version of Air America which was the CIA

2014

01:23:14,949 --> 01:23:13,369

is a line for a long time and what his

2015

01:23:18,750 --> 01:23:14,959

company would do is they would fly

2016

01:23:21,099 --> 01:23:18,760

troops back and forth to Afghanistan

2017

01:23:22,299 --> 01:23:21,109

Iraq and all you know some of these

2018

01:23:25,509 --> 01:23:22,309

other countries up there that he can

2019

01:23:27,039 --> 01:23:25,519

barely pronounce their names and he

2020

01:23:29,469 --> 01:23:27,049

really liked a couple of songs on the on

2021

01:23:30,759 --> 01:23:29,479

the CD and so he's home he says when

2022

01:23:33,009 --> 01:23:30,769

we're flying over the Atlantic we would

2023

01:23:34,599 --> 01:23:33,019

put your CD in and listen to it there's

2024

01:23:39,369 --> 01:23:34,609

something really kind of romantic about

2025

01:23:41,679 --> 01:23:39,379

that the neat part about it is it's

2026

01:23:43,659 --> 01:23:41,689

float it really you guys did a really

2027

01:23:46,419 --> 01:23:43,669

good job making it flow I mean it just

2028

01:23:48,429 --> 01:23:46,429

did it's like a story right yeah we try

2029

01:23:51,849 --> 01:23:48,439

to make a way it's really a story about

2030

01:23:53,770 --> 01:23:51,859

a spaceman who was lost on a deserted

2031

01:23:55,329 --> 01:23:53,780

planet and Neil and the only thing he

2032

01:23:58,479 --> 01:23:55,339

has to connect them back to earth this

2033

01:24:01,029 --> 01:23:58,489

is is his iPod so he listened to my same

2034

01:24:02,859 --> 01:24:01,039

12 songs to his iPod over and over again

2035

01:24:04,989 --> 01:24:02,869

and he dies and then a million years

2036

01:24:07,809 --> 01:24:04,999

later an alien finds and it reduces

2037

01:24:09,779 --> 01:24:07,819

music to the alien culture so there's a

2038

01:24:12,009 --> 01:24:09,789

little comic book involved in it and

2039

01:24:13,659 --> 01:24:12,019

made a lot of really good musicians the

2040

01:24:15,729 --> 01:24:13,669

guy who plays the sax on that is this

2041

01:24:17,229 --> 01:24:15,739

guy a MIDI Caston L used to play a Paul

2042

01:24:20,409 --> 01:24:17,239

McCartney he was in Paul McCartney's

2043

01:24:22,239 --> 01:24:20,419

touring band and we don't play that yeah

2044

01:24:24,939 --> 01:24:22,249

my cool and great guitar player Richie

2045

01:24:29,979 --> 01:24:24,949

Kennedy also really good guitar player

2046

01:24:31,539 --> 01:24:29,989

and it was it was a real project to to

2047

01:24:32,630 --> 01:24:31,549

put it together Chris bilious is a

2048

01:24:34,760 --> 01:24:32,640

producer it

2049

01:24:35,960 --> 01:24:34,770

we recorded at Bristol Studios of Boston

2050

01:24:39,260 --> 01:24:35,970

right across the street from Berklee

2051
01:24:40,820 --> 01:24:39,270
School of Music and there's a lot of fun

2052
01:24:43,880 --> 01:24:40,830
to put it together it took a long time

2053
01:24:46,160 --> 01:24:43,890
to do it but there's one song on there

2054
01:24:48,230 --> 01:24:46,170
now it's been out for a few years in

2055
01:24:49,610 --> 01:24:48,240
this song silent running which was

2056
01:24:52,090 --> 01:24:49,620
originally recorded by Mike and the

2057
01:24:54,230 --> 01:24:52,100
mechanics that's up to like 10,000

2058
01:24:57,620 --> 01:24:54,240
streaming town loads I just saw the

2059
01:25:01,400 --> 01:24:57,630
other day 10,000 Street yeah and I make

2060
01:25:04,400 --> 01:25:01,410
for streaming about 10,000 downloads I

2061
01:25:06,110 --> 01:25:04,410
made \$7.98 and I have to split it with

2062
01:25:08,270 --> 01:25:06,120
the record company that's how business

2063
01:25:09,800 --> 01:25:08,280

just don't want money in music anymore

2064

01:25:12,980 --> 01:25:09,810

strange Wow

2065

01:25:14,900 --> 01:25:12,990

well I remember that is just coming in

2066

01:25:18,170 --> 01:25:14,910

here for a second I remember that you

2067

01:25:20,000 --> 01:25:18,180

gave me that that CT Mac last time I saw

2068

01:25:22,480 --> 01:25:20,010

you and I played it in my car it was

2069

01:25:25,100 --> 01:25:22,490

really really good and speaking of that

2070

01:25:27,800 --> 01:25:25,110

Bobby we're talking about Timothy good

2071

01:25:30,380 --> 01:25:27,810

earlier he a lot of people may not know

2072

01:25:33,650 --> 01:25:30,390

this but he is a professional concert

2073

01:25:35,300 --> 01:25:33,660

violinist yeah yeah nice yeah he used to

2074

01:25:40,430 --> 01:25:35,310

play with the London Symphony Orchestra

2075

01:25:43,970 --> 01:25:40,440

and weekly gene and Igor Stravinsky all

2076

01:25:46,460 --> 01:25:43,980

kinds of people nice nice play with

2077

01:25:47,900 --> 01:25:46,470

McCartney Julius Ellis and I'm proud to

2078

01:25:50,690 --> 01:25:47,910

know that I turned him on to his first

2079

01:25:53,240 --> 01:25:50,700

Coronas with lime all right

2080

01:25:55,040 --> 01:25:53,250

you Americanized him Yeah right yeah

2081

01:25:56,480 --> 01:25:55,050

well humanize them I guess you'd say but

2082

01:25:57,710 --> 01:25:56,490

yeah we had to wait like 30 minutes they

2083

01:25:59,120 --> 01:25:57,720

didn't have a lime I think they actually

2084

01:26:01,040 --> 01:25:59,130

sent somebody out to the store to pick

2085

01:26:02,330 --> 01:26:01,050

some limes up all right you can't have

2086

01:26:05,120 --> 01:26:02,340

the corona without the lines of it

2087

01:26:07,220 --> 01:26:05,130

anyways it's a great show of Mack I hope

2088

01:26:08,720 --> 01:26:07,230

you write another book and stuff you did

2089

01:26:10,730 --> 01:26:08,730

a great job on an UFO book so I'd like

2090

01:26:13,600 --> 01:26:10,740

to see another one well you two are

2091

01:26:16,490 --> 01:26:13,610

United that you're not going to okay

2092

01:26:18,740 --> 01:26:16,500

I'll tell you why earlier you just came

2093

01:26:21,560 --> 01:26:18,750

in but earlier Mack was talking about

2094

01:26:23,150 --> 01:26:21,570

how much work it is that people just

2095

01:26:25,100 --> 01:26:23,160

don't realize how much work it is

2096

01:26:28,820 --> 01:26:25,110

putting together a book on UFO right

2097

01:26:30,800 --> 01:26:28,830

does you have to how much easier it was

2098

01:26:35,810 --> 01:26:30,810

to write fiction it's actually do some

2099

01:26:38,120 --> 01:26:35,820

research so you did that right yeah hey

2100

01:26:38,630 --> 01:26:38,130

thanks for calling Bobby thank you right

2101

01:26:41,120 --> 01:26:38,640

no problem

2102

01:26:45,680 --> 01:26:41,130

all right so anyone else is also welcome

2103

01:26:46,549 --> 01:26:45,690

to call in that number is 603 967 403 o

2104

01:26:49,040 --> 01:26:46,559

you can also

2105

01:26:51,649 --> 01:26:49,050

type in at marty willis if you have a

2106

01:26:55,250 --> 01:26:51,659

question for our guests you can also put

2107

01:26:57,169 --> 01:26:55,260

that in the chat room your own chat and

2108

01:27:00,709 --> 01:26:57,179

I'd love to have some questions for our

2109

01:27:03,799 --> 01:27:00,719

guests tonight and there may be some up

2110

01:27:06,349 --> 01:27:03,809

there Mac that I may have missed they go

2111

01:27:08,179 --> 01:27:06,359

pretty fast sometimes and someone was

2112

01:27:10,309 --> 01:27:08,189

talking about a sighting in Manchester

2113

01:27:12,889 --> 01:27:10,319

and you know it does seem like there is

2114

01:27:14,869 --> 01:27:12,899

a lot of site and in New Hampshire there

2115

01:27:18,500 --> 01:27:14,879

is a lot of sightings in New Hampshire a

2116

01:27:20,629 --> 01:27:18,510

lot right yeah in what's unusual about

2117

01:27:22,399 --> 01:27:20,639

that is that young Pease Air Force Base

2118

01:27:24,770 --> 01:27:22,409

now is not what it used to be it's now

2119

01:27:27,079 --> 01:27:24,780

great it's a slightly commercial base

2120

01:27:28,429 --> 01:27:27,089

now and I think they just still why the

2121

01:27:31,189 --> 01:27:28,439

refuel is out of there

2122

01:27:32,509 --> 01:27:31,199

that's right um yeah so and in and

2123

01:27:34,219 --> 01:27:32,519

that's about it really in New Hampshire

2124

01:27:36,709 --> 01:27:34,229

and once again going to this idea that

2125

01:27:39,020 --> 01:27:36,719

you see lots of things near military

2126
01:27:43,069 --> 01:27:39,030
bases the it's not really any military

2127
01:27:45,829 --> 01:27:43,079
bases that I can think of large ones in

2128
01:27:48,339 --> 01:27:45,839
in New Hampshire or Maine unless you're

2129
01:27:50,000 --> 01:27:48,349
really way up there on the border

2130
01:27:51,829 --> 01:27:50,010
Massachusetts the same thing you have

2131
01:27:54,589 --> 01:27:51,839
Otis Air Force based on the Cape and

2132
01:27:56,659 --> 01:27:54,599
West idea for space I think it is in the

2133
01:27:57,049 --> 01:27:56,669
middle of the state mm-hmm that's about

2134
01:27:59,629 --> 01:27:57,059
it

2135
01:28:01,939 --> 01:27:59,639
right right I know there's one in Maine

2136
01:28:04,329 --> 01:28:01,949
northern Maine way up near the border

2137
01:28:06,949 --> 01:28:04,339
where there's been some major UFO

2138
01:28:11,719 --> 01:28:06,959

dominance is that luring Lordships

2139

01:28:14,869 --> 01:28:11,729

actually yes yes yep and we have we've

2140

01:28:15,889 --> 01:28:14,879

had a guest on the on the show UFOs over

2141

01:28:18,169 --> 01:28:15,899

Maine

2142

01:28:22,309 --> 01:28:18,179

he just is publishing his second book

2143

01:28:26,540 --> 01:28:22,319

that should be out and so there are you

2144

01:28:28,339 --> 01:28:26,550

know the quite a few known cases also in

2145

01:28:30,529 --> 01:28:28,349

that state right

2146

01:28:32,750 --> 01:28:30,539

of course the allagash always comes up

2147

01:28:37,399 --> 01:28:32,760

and uh-huh that's one of the the big

2148

01:28:39,739 --> 01:28:37,409

main ones right right yes yeah so all

2149

01:28:41,359 --> 01:28:39,749

right where should we go next

2150

01:28:46,040 --> 01:28:41,369

you talked about the Bridgewater

2151
01:28:47,359 --> 01:28:46,050
triangle now that I did have I had a

2152
01:28:50,540 --> 01:28:47,369
guest on that actually had that

2153
01:28:52,009 --> 01:28:50,550
documentary on that back basically

2154
01:28:56,020 --> 01:28:52,019
called the Bridgewater triangle I think

2155
01:28:58,339 --> 01:28:56,030
that's what the name of it was and so

2156
01:29:01,149 --> 01:28:58,349
what are some of the stories that you're

2157
01:29:03,919 --> 01:29:01,159
aware of from that area

2158
01:29:05,899 --> 01:29:03,929
well like some of the really strange

2159
01:29:07,939 --> 01:29:05,909
ones I should say that we at one point

2160
01:29:10,040 --> 01:29:07,949
we were gonna do a live show from down

2161
01:29:11,929 --> 01:29:10,050
there we're gonna take the radio show

2162
01:29:14,179 --> 01:29:11,939
down there and do a live broadcast I'm

2163
01:29:17,299 --> 01:29:14,189

out in the middle of the middle of the

2164

01:29:21,049 --> 01:29:17,309

triangle it sounded good at the time but

2165

01:29:24,339 --> 01:29:21,059

I guess that the bridge why the police

2166

01:29:26,719 --> 01:29:24,349

you know for whatever reason they don't

2167

01:29:28,969 --> 01:29:26,729

encourage people going in there

2168

01:29:31,609 --> 01:29:28,979

especially at night I think there's been

2169

01:29:33,739 --> 01:29:31,619

like news crews who have wanted to go in

2170

01:29:35,270 --> 01:29:33,749

there and you know they can't tell them

2171

01:29:37,219 --> 01:29:35,280

not to but I think they discourage them

2172

01:29:39,859 --> 01:29:37,229

so we would discourage pretty quickly

2173

01:29:41,239 --> 01:29:39,869

but you know we talked to someone early

2174

01:29:43,489 --> 01:29:41,249

on in the show

2175

01:29:46,879 --> 01:29:43,499

so it'd be a few years ago who they've

2176

01:29:48,589 --> 01:29:46,889

seen things like even like flying you

2177

01:29:50,870 --> 01:29:48,599

know things that were described as

2178

01:29:55,100 --> 01:29:50,880

pterodactyls you like flying back so is

2179

01:29:59,509 --> 01:29:55,110

there you know swamp creatures Bigfoot

2180

01:30:00,830 --> 01:29:59,519

lots of UFO sightings and then yeah

2181

01:30:03,529 --> 01:30:00,840

there are stories there where people

2182

01:30:06,169 --> 01:30:03,539

would see a little kid like I'm a like

2183

01:30:08,029 --> 01:30:06,179

you know in a bunch of trees looking out

2184

01:30:09,169 --> 01:30:08,039

at them and they would try to go after

2185

01:30:11,389 --> 01:30:09,179

yeah I'm like I'm talking about like a

2186

01:30:13,250 --> 01:30:11,399

kid maybe six or seven years old calling

2187

01:30:15,290 --> 01:30:13,260

to them and you know they would try to

2188

01:30:16,850 --> 01:30:15,300

find the kid and couldn't find them and

2189

01:30:21,020 --> 01:30:16,860

could still hear their voice and stuff

2190

01:30:22,279 --> 01:30:21,030

really creepy stuff like that and so I

2191

01:30:24,379 --> 01:30:22,289

want to get down there you know I think

2192

01:30:27,620 --> 01:30:24,389

that we should you bring the show down

2193

01:30:30,979 --> 01:30:27,630

there at some point exactly how we would

2194

01:30:33,589 --> 01:30:30,989

do the format I'm not sure but hey it's

2195

01:30:35,839 --> 01:30:33,599

right next door so why not you know yeah

2196

01:30:37,819 --> 01:30:35,849

that's right yeah that's a real

2197

01:30:40,909 --> 01:30:37,829

interesting idea yes I know there was up

2198

01:30:44,540 --> 01:30:40,919

there was some I think there was some

2199

01:30:47,560 --> 01:30:44,550

Satanists there there was um you know

2200

01:30:50,689 --> 01:30:47,570

actually human abductions you know

2201

01:30:52,969 --> 01:30:50,699

kidnappings is what I mean and they

2202

01:30:54,589 --> 01:30:52,979

found I remember they found this house

2203

01:30:56,659 --> 01:30:54,599

with some weird things and it not a

2204

01:30:59,629 --> 01:30:56,669

house like the hot in the middle of the

2205

01:31:01,609 --> 01:30:59,639

woods yeah yes Gary the cuff in it and

2206

01:31:03,439 --> 01:31:01,619

they had some clown sightings down there

2207

01:31:06,229 --> 01:31:03,449

about a year ago to just to make it you

2208

01:31:08,120 --> 01:31:06,239

know very on top yeah the the clown

2209

01:31:10,909 --> 01:31:08,130

thing is really bizarre isn't it right

2210

01:31:12,810 --> 01:31:10,919

yeah we covered that yeah we did about

2211

01:31:14,550 --> 01:31:12,820

we would report on that

2212

01:31:16,590 --> 01:31:14,560

last last year right around this time

2213

01:31:20,460 --> 01:31:16,600

where people were seeing clowns

2214

01:31:22,650 --> 01:31:20,470

everywhere and it really kind of talked

2215

01:31:24,420 --> 01:31:22,660

to in fact we had a real clown on and we

2216

01:31:25,800 --> 01:31:24,430

would dribbles the clown and we were

2217

01:31:28,140 --> 01:31:25,810

talking to him about what he thought

2218

01:31:31,230 --> 01:31:28,150

about it but it's kind of funny how

2219

01:31:33,420 --> 01:31:31,240

stuff like that multiplies so quickly

2220

01:31:35,280 --> 01:31:33,430

you know because I think the first

2221

01:31:37,470 --> 01:31:35,290

reports where people suck clowns in a

2222

01:31:40,710 --> 01:31:37,480

forest in Ohio and then all of a sudden

2223

01:31:43,020 --> 01:31:40,720

people seeing clowns in Georgia and

2224

01:31:44,370 --> 01:31:43,030

Florida and studying and and then

2225

01:31:46,410 --> 01:31:44,380

there's a story that when we were doing

2226

01:31:50,040 --> 01:31:46,420

that someone one of our research is

2227

01:31:51,840 --> 01:31:50,050

Steve wood went back into some archives

2228

01:31:53,970 --> 01:31:51,850

and he found out that in in Newton

2229

01:31:56,520 --> 01:31:53,980

Massachusetts which you know you know

2230

01:32:01,440 --> 01:31:56,530

about right it's it's let's say an

2231

01:32:04,110 --> 01:32:01,450

affluent part of the Boston area that

2232

01:32:06,630 --> 01:32:04,120

police pulled over a white van there in

2233

01:32:09,350 --> 01:32:06,640

the mid-80s and they were like six or

2234

01:32:11,550 --> 01:32:09,360

seven guys dressed like clowns in it and

2235

01:32:13,230 --> 01:32:11,560

I don't know whether they had I don't

2236

01:32:15,120 --> 01:32:13,240

know what they had they had they were up

2237

01:32:17,330 --> 01:32:15,130

to something you know they had different

2238

01:32:20,430 --> 01:32:17,340

kind of paraphernalia and everything and

2239

01:32:23,490 --> 01:32:20,440

I forget that I think they held them for

2240

01:32:26,280 --> 01:32:23,500

a while and you know and I guess

2241

01:32:27,810 --> 01:32:26,290

eventually let them go but it was like

2242

01:32:30,930 --> 01:32:27,820

the middle of the day in the middle of

2243

01:32:35,100 --> 01:32:30,940

the summer and no one ever really got to

2244

01:32:37,590 --> 01:32:35,110

the question why are abandoned in a van

2245

01:32:39,360 --> 01:32:37,600

and in Newton Massachusetts of all

2246

01:32:41,070 --> 01:32:39,370

places they should have been in a mini

2247

01:32:43,080 --> 01:32:41,080

coopers and that was or something yeah

2248

01:32:45,240 --> 01:32:43,090

acting right a Mini Cooper right yeah

2249

01:32:47,670 --> 01:32:45,250

but yeah I would love to know the story

2250

01:32:51,150 --> 01:32:47,680

behind that story yeah hey we have a

2251
01:32:53,310 --> 01:32:51,160
caller coming in and I'm gonna join him

2252
01:32:55,910 --> 01:32:53,320
to the call and I don't know why but I

2253
01:32:59,250 --> 01:32:55,920
can't here we go

2254
01:33:00,690 --> 01:32:59,260
hello caller this is Martin please

2255
01:33:04,590 --> 01:33:00,700
identify your first name and where are

2256
01:33:07,890 --> 01:33:04,600
you calling from this is Ryan from South

2257
01:33:12,030 --> 01:33:07,900
Carolina Oh Ryan you're the the caller

2258
01:33:14,970 --> 01:33:12,040
from before yes how are you yeah welcome

2259
01:33:16,020 --> 01:33:14,980
to the show a bit all right I hope I

2260
01:33:18,870 --> 01:33:16,030
didn't interrupt that we were in the

2261
01:33:20,940 --> 01:33:18,880
middle of the the clown story I don't

2262
01:33:24,390 --> 01:33:20,950
know I think just to know that's it we

2263
01:33:32,399 --> 01:33:28,950

I wanted to ask your guests since the

2264

01:33:34,979 --> 01:33:32,409

subject is a military and UFOs what

2265

01:33:37,830 --> 01:33:34,989

aren't his faults on the cash Landrum

2266

01:33:41,270 --> 01:33:37,840

incident because I've always felt that

2267

01:33:46,050 --> 01:33:41,280

if there ever was a UFO sighting that

2268

01:33:49,169 --> 01:33:46,060

probably was a secret military deal it

2269

01:33:50,580 --> 01:33:49,179

was that water is false on that what is

2270

01:33:54,120 --> 01:33:50,590

the incident again I didn't hear them

2271

01:33:56,459 --> 01:33:54,130

cap the cash Landrum that was on Texas

2272

01:33:59,310 --> 01:33:56,469

are you familiar with that particular

2273

01:34:00,240 --> 01:33:59,320

idea no okay well I'll talk about it a

2274

01:34:04,740 --> 01:34:00,250

little bit okay

2275

01:34:08,340 --> 01:34:04,750

I had Colby Lant Landrum on who was I

2276

01:34:09,360 --> 01:34:08,350

can't remember maybe four or seven years

2277

01:34:16,020 --> 01:34:09,370

old at the time

2278

01:34:17,550 --> 01:34:16,030

okay and well no it's a yeah I can't

2279

01:34:21,540 --> 01:34:17,560

remember his age exactly but anyway I

2280

01:34:23,370 --> 01:34:21,550

had him on my show and I had someone

2281

01:34:26,360 --> 01:34:23,380

that did some deep research and they

2282

01:34:28,770 --> 01:34:26,370

were co-hosting with me to ask him

2283

01:34:30,270 --> 01:34:28,780

questions he remembers the whole thing

2284

01:34:33,360 --> 01:34:30,280

you know he remembers crawling

2285

01:34:35,959 --> 01:34:33,370

underneath the dashboard you know in the

2286

01:34:39,870 --> 01:34:35,969

heat that was coming in and all that

2287

01:34:42,060 --> 01:34:39,880

also of course he remembers his aunt and

2288

01:34:43,169 --> 01:34:42,070

his mother getting sick and all now I

2289

01:34:44,820 --> 01:34:43,179

remember yes

2290

01:34:47,160 --> 01:34:44,830

knowing I'm familiar with the case this

2291

01:34:50,220 --> 01:34:47,170

is with it this really incredibly

2292

01:34:52,800 --> 01:34:50,230

elaborate UFO chased these people down

2293

01:34:54,390 --> 01:34:52,810

the street and they were driving in a

2294

01:34:56,939 --> 01:34:54,400

car and the kind of auto and then the

2295

01:34:59,640 --> 01:34:56,949

the mother and the aunt got very sick

2296

01:35:01,020 --> 01:34:59,650

and yeah some kind of odd cancer or

2297

01:35:04,140 --> 01:35:01,030

something right right it was like a

2298

01:35:07,229 --> 01:35:04,150

diamond shape important yeah well yeah

2299

01:35:11,100 --> 01:35:07,239

diamond diamond shaped craft and then

2300

01:35:13,380 --> 01:35:11,110

there were these choppers right

2301

01:35:15,870 --> 01:35:13,390

so by the way while we're on this topic

2302

01:35:18,419 --> 01:35:15,880

I had someone that listened to that show

2303

01:35:20,580 --> 01:35:18,429

oh I don't know maybe a year ago and

2304

01:35:22,860 --> 01:35:20,590

contacted me and said that he actually

2305

01:35:25,560 --> 01:35:22,870

witnessed the whole thing in Texas and

2306

01:35:28,350 --> 01:35:25,570

gave some great details and so I

2307

01:35:29,820 --> 01:35:28,360

connected him to the researcher Kurt

2308

01:35:32,040 --> 01:35:29,830

Collins who's looking into that right

2309

01:35:34,020 --> 01:35:32,050

now connecting them two together and I

2310

01:35:35,879 --> 01:35:34,030

haven't heard about what happened so

2311

01:35:38,040 --> 01:35:35,889

it's sort of like a collaboration but

2312

01:35:42,450 --> 01:35:38,050

also

2313

01:35:44,450 --> 01:35:42,460

michael shap strats who like rat yeah

2314

01:35:47,880 --> 01:35:44,460

yeah he does up you know military

2315

01:35:50,160 --> 01:35:47,890

research he listened to the show he

2316

01:35:52,770 --> 01:35:50,170

contacted me right away and he said he's

2317

01:35:55,710 --> 01:35:52,780

a hundred percent certain that that was

2318

01:35:57,780 --> 01:35:55,720

a military craft hundred percent all

2319

01:36:00,150 --> 01:35:57,790

right he he's been on a show talking

2320

01:36:02,160 --> 01:36:00,160

about the Hudson Valley sightings and he

2321

01:36:04,530 --> 01:36:02,170

is really good at explaining that whole

2322

01:36:06,480 --> 01:36:04,540

situation with the Hudson Valley huge

2323

01:36:09,630 --> 01:36:06,490

triangles flying over the Taconic

2324

01:36:12,420 --> 01:36:09,640

Parkway hundreds of witnesses every

2325

01:36:13,710 --> 01:36:12,430

night for like a week or so I just

2326

01:36:16,290 --> 01:36:13,720

remember back to the case that you're

2327

01:36:18,890 --> 01:36:16,300

referring to how the two women you know

2328

01:36:21,120 --> 01:36:18,900

got radiation poison and and that really

2329

01:36:24,660 --> 01:36:21,130

affected their lives and effect of this

2330

01:36:27,360 --> 01:36:24,670

kid's life yet you had this really

2331

01:36:30,240 --> 01:36:27,370

incredible description of this

2332

01:36:32,250 --> 01:36:30,250

fascinating UFO very detailed in these

2333

01:36:34,440 --> 01:36:32,260

helicopters that seemed to be either

2334

01:36:35,280 --> 01:36:34,450

chasing it or escorting it or whatever

2335

01:36:39,060 --> 01:36:35,290

that's right

2336

01:36:43,160 --> 01:36:39,070

crazy man yeah yeah so do you have any

2337

01:36:47,480 --> 01:36:43,170

other questions for our guest

2338

01:36:50,820 --> 01:36:47,490

just his opinion on it I mean it that

2339

01:36:53,910 --> 01:36:50,830

anyway you know any anything like with

2340

01:36:56,490 --> 01:36:53,920

the Stevensville incident down at George

2341

01:37:01,110 --> 01:36:56,500

Bush's ranch yeah think it's called

2342

01:37:02,910 --> 01:37:01,120

Stephenville yep and where people have

2343

01:37:05,100 --> 01:37:02,920

seen and in in the we've had Chris

2344

01:37:07,350 --> 01:37:05,110

O'Brien on a show a number of times and

2345

01:37:10,500 --> 01:37:07,360

he has report about the st. Louis Valley

2346

01:37:14,490 --> 01:37:10,510

and Colorado with people see on a

2347

01:37:20,250 --> 01:37:14,500

frequent basis UFOs being chased by our

2348

01:37:23,010 --> 01:37:20,260

military still an equal number of

2349

01:37:25,170 --> 01:37:23,020

stories that people see our aircraft

2350

01:37:27,840 --> 01:37:25,180

like escorting a UFO they'll be flying

2351

01:37:29,820 --> 01:37:27,850

along excited not chasing it and you

2352

01:37:32,460 --> 01:37:29,830

know and you say well wow what's what's

2353

01:37:34,410 --> 01:37:32,470

the difference what's you know why are

2354

01:37:37,460 --> 01:37:34,420

you chasing some and escorting others

2355

01:37:39,300 --> 01:37:37,470

and that case that you have written

2356

01:37:41,250 --> 01:37:39,310

that's what happened in the cache

2357

01:37:42,930 --> 01:37:41,260

Lanterman of these helicopters suppose

2358

01:37:44,460 --> 01:37:42,940

we were taking in escorting in or

2359

01:37:46,050 --> 01:37:44,470

whatever yeah or whatever you know when

2360

01:37:47,580 --> 01:37:46,060

you you you see this happening in the

2361

01:37:50,730 --> 01:37:47,590

sky and you say what is what's really

2362

01:37:50,939 --> 01:37:50,740

going on here and this there's a number

2363

01:37:52,469 --> 01:37:50,949

of

2364

01:37:54,180 --> 01:37:52,479

it's like that that that you just can't put

2365

01:37:55,680 --> 01:37:54,190

your thing around what could possibly be

2366

01:37:58,410 --> 01:37:55,690

happening here yeah

2367

01:38:00,439 --> 01:37:58,420

alright hey well thanks for the call hey

2368

01:38:05,430 --> 01:38:00,449

thanks for taking it all right take care

2369

01:38:07,649 --> 01:38:05,440

okay yeah cases like that are really

2370

01:38:11,640 --> 01:38:07,659

interesting now I have a friend up in

2371

01:38:14,370 --> 01:38:11,650

Canada that is a fellow appraiser we

2372

01:38:16,560 --> 01:38:14,380

worked on an appraisal together and down

2373

01:38:21,390 --> 01:38:16,570

in Georgia big big huge appraisal

2374

01:38:23,669 --> 01:38:21,400

appraisal and I somehow had a

2375

01:38:26,279 --> 01:38:23,679

conversation and brought up the fact

2376

01:38:28,290 --> 01:38:26,289

that you know I'm interested in UFOs and

2377

01:38:29,009 --> 01:38:28,300

do a show on UFOs and I never know how

2378

01:38:32,759 --> 01:38:29,019

that's gonna go

2379

01:38:34,500 --> 01:38:32,769

he absolutely have no idea and he said

2380

01:38:36,810 --> 01:38:34,510

yeah well he says I'll tell you about my

2381

01:38:38,489 --> 01:38:36,820

sighting I love when that happens

2382

01:38:40,439 --> 01:38:38,499

because if someone's not really into the

2383

01:38:43,049 --> 01:38:40,449

topic that's actually gonna talk about

2384

01:38:46,529 --> 01:38:43,059

it and right yeah yeah yeah that's cool

2385

01:38:49,350 --> 01:38:46,539

yeah so he's up in Ontario Canada and he

2386

01:38:51,299 --> 01:38:49,360

had a party a house party and everyone

2387

01:38:53,129 --> 01:38:51,309

was out on the deck outside and out on

2388

01:38:55,229 --> 01:38:53,139

the patio and you know barbecue and all

2389

01:38:58,350 --> 01:38:55,239

that and all of a sudden they saw this

2390

01:39:02,699 --> 01:38:58,360

disc they heard an afterburner of a

2391

01:39:04,770 --> 01:39:02,709

military jet Canadian jet and so

2392

01:39:06,689 --> 01:39:04,780

everyone you know was drawn to the look

2393

01:39:09,120 --> 01:39:06,699

up in the sky and they said it was a

2394

01:39:11,459 --> 01:39:09,130

perfect shaped disc just like a big huge

2395

01:39:15,870 --> 01:39:11,469

round thing just moving through the sky

2396

01:39:17,370 --> 01:39:15,880

and this jet chasing it and he said

2397

01:39:19,259 --> 01:39:17,380

everyone looked up and he says and this

2398

01:39:21,629 --> 01:39:19,269

was another thing he said nobody wanted

2399

01:39:23,580 --> 01:39:21,639

to really talk about it afterwards right

2400

01:39:25,319 --> 01:39:23,590

yeah bunny but he said he kept his eye

2401
01:39:27,120 --> 01:39:25,329
on the newspaper day after day and you

2402
01:39:29,009 --> 01:39:27,130
never saw one single thing about it he

2403
01:39:31,859 --> 01:39:29,019
said right he said that was the most

2404
01:39:34,080 --> 01:39:31,869
bizarre thing is that he said no no one

2405
01:39:36,120 --> 01:39:34,090
reporter wasn't in the newspaper right

2406
01:39:38,489 --> 01:39:36,130
yeah yeah I mean that's crazy I mean

2407
01:39:41,160 --> 01:39:38,499
down it in the Bahamas down there are

2408
01:39:42,629 --> 01:39:41,170
tech which is the Navy's area 51 you

2409
01:39:44,009 --> 01:39:42,639
have a lot of people who are out there

2410
01:39:46,799 --> 01:39:44,019
round boat so you have a lot of

2411
01:39:48,600 --> 01:39:46,809
vacationers and so on and so forth stuff

2412
01:39:50,640 --> 01:39:48,610
goes on down there all the time people

2413
01:39:53,339 --> 01:39:50,650

see UFOs coming out of the water and

2414

01:39:54,810 --> 01:39:53,349

things never anything in the paper never

2415

01:39:57,870 --> 01:39:54,820

anything we forward it in the general

2416

01:39:59,160 --> 01:39:57,880

press you know who knows why you know

2417

01:40:01,739 --> 01:39:59,170

maybe some people just aren't that

2418

01:40:04,740 --> 01:40:01,749

interested but in my opinion you know

2419

01:40:06,540 --> 01:40:04,750

you look at look at the top rated movie

2420

01:40:09,240 --> 01:40:06,550

so let's say the past 20 years a lot of

2421

01:40:11,460 --> 01:40:09,250

them are related to well like ET and an

2422

01:40:14,100 --> 01:40:11,470

Independence Day and why are the worlds

2423

01:40:16,770 --> 01:40:14,110

and people love this as entertainment

2424

01:40:19,500 --> 01:40:16,780

you think that the news media that

2425

01:40:22,320 --> 01:40:19,510

because the the media in this country is

2426

01:40:24,240 --> 01:40:22,330

just a 5 beyond any kind of saving in my

2427

01:40:26,670 --> 01:40:24,250

opinion but you would think that someone

2428

01:40:30,390 --> 01:40:26,680

like on CNN or someone would put on like

2429

01:40:31,530 --> 01:40:30,400

a UFO special every week you know this

2430

01:40:33,480 --> 01:40:31,540

is what's happened because people

2431

01:40:35,130 --> 01:40:33,490

obviously want to learn about these

2432

01:40:37,200 --> 01:40:35,140

things it's fascinating to a lot of

2433

01:40:39,570 --> 01:40:37,210

people what I ufo's offended fascinate

2434

01:40:41,010 --> 01:40:39,580

to everybody what could they be and

2435

01:40:42,930 --> 01:40:41,020

they've been around for so long yet we

2436

01:40:45,210 --> 01:40:42,940

don't have any real explanation for them

2437

01:40:46,980 --> 01:40:45,220

we watch movies about them we watch TV

2438

01:40:50,370 --> 01:40:46,990

shows the bottom we read books about

2439

01:40:52,770 --> 01:40:50,380

them yet the media seems to ignore them

2440

01:40:55,440 --> 01:40:52,780

which is I think find that fascinating

2441

01:40:58,890 --> 01:40:55,450

could be the other way around yeah well

2442

01:41:00,180 --> 01:40:58,900

when they do when a UFO you know story

2443

01:41:02,640 --> 01:41:00,190

comes up in the news a lot of times

2444

01:41:05,250 --> 01:41:02,650

you'll hear the x-file music and yeah

2445

01:41:08,400 --> 01:41:05,260

sure yes sort of being made fun of you

2446

01:41:10,050 --> 01:41:08,410

know not always though I do have to hand

2447

01:41:14,100 --> 01:41:10,060

it to some people that take it pretty

2448

01:41:17,250 --> 01:41:14,110

serious and I know the news station that

2449

01:41:19,500 --> 01:41:17,260

George Knapp works for in Las Vegas

2450

01:41:22,110 --> 01:41:19,510

whenever UFO just runs up there they

2451

01:41:26,580 --> 01:41:22,120

there take it solid they're not you know

2452

01:41:29,100 --> 01:41:26,590

nowhere to kill there and right yeah so

2453

01:41:30,810 --> 01:41:29,110

I hate to do this to you on the air but

2454

01:41:33,930 --> 01:41:30,820

I have to take another call for about

2455

01:41:36,450 --> 01:41:33,940

two minutes is that possible right back

2456

01:41:37,980 --> 01:41:36,460

on well you know what let's up do you

2457

01:41:40,890 --> 01:41:37,990

have to grab the call right now so go

2458

01:41:42,570 --> 01:41:40,900

ahead and grab it and and I but but

2459

01:41:44,790 --> 01:41:42,580

basically what I'm gonna do is we'll

2460

01:41:46,380 --> 01:41:44,800

just send the show okay you're sure I

2461

01:41:47,970 --> 01:41:46,390

don't want to give a few up here but no

2462

01:41:49,890 --> 01:41:47,980

I understand these things have the end

2463

01:41:51,990 --> 01:41:49,900

of this so go ahead all right thanks a

2464

01:41:55,440 --> 01:41:52,000

lot Mac you take care thank you I really

2465

01:41:57,450 --> 01:41:55,450

appreciate it and you know yeah I really

2466

01:41:59,520 --> 01:41:57,460

appreciate you come on our show sometime

2467

01:42:01,320 --> 01:41:59,530

all right thanks you and the let me know

2468

01:42:02,010 --> 01:42:01,330

you could dress up as like a clown oh

2469

01:42:04,020 --> 01:42:02,020

really

2470

01:42:07,080 --> 01:42:04,030

I would love to thanks what all right I

2471

01:42:09,900 --> 01:42:07,090

think air yeah bye bye alright so I will

2472

01:42:11,850 --> 01:42:09,910

I will open the lines up if anyone up

2473

01:42:17,610 --> 01:42:11,860

the lines are wide open if anyone wants

2474

01:42:19,229 --> 01:42:17,620

to call in you're welcome to at 6:03 for

2475

01:42:23,520 --> 01:42:19,239

I'm sorry 603

2476

01:42:33,120 --> 01:42:23,530

967 403 Oh anyone wants to call in

2477

01:42:35,910 --> 01:42:33,130

that's 603 967 403 Oh otherwise we're

2478

01:42:37,589 --> 01:42:35,920

going to have to call the show we're

2479

01:42:38,459 --> 01:42:37,599

gonna have to wrap it up here I'll give

2480

01:42:43,080 --> 01:42:38,469

just a second

2481

01:42:47,489 --> 01:42:43,090

so again next week our guests our two

2482

01:42:51,319 --> 01:42:47,499

guests that is we have Randy Nickerson

2483

01:42:54,209 --> 01:42:51,329

who is making the film the Ariel school

2484

01:42:57,450 --> 01:42:54,219

incident and really looking forward to

2485

01:43:00,870 --> 01:42:57,460

that and so he'll be coming on and he

2486

01:43:02,879 --> 01:43:00,880

also has he has a width witness of the

2487

01:43:07,950 --> 01:43:02,889

whole event now I've actually talked to

2488

01:43:09,989 --> 01:43:07,960

one of the witnesses already Emily Tripp

2489

01:43:15,060 --> 01:43:09,999

I want to say her name is I'm pretty

2490

01:43:16,649 --> 01:43:15,070

sure that's it she was very interesting

2491

01:43:22,709 --> 01:43:16,659

and as a matter of fact she was at the

2492

01:43:25,410 --> 01:43:22,719

UFO Congress and I saw her there met her

2493

01:43:28,439 --> 01:43:25,420

there in Phoenix and when she did her

2494

01:43:32,370 --> 01:43:28,449

story I will tell you she got pretty

2495

01:43:37,919 --> 01:43:32,380

emotional telling about what happened

2496

01:43:39,870 --> 01:43:37,929

and it was it was contagious everyone

2497

01:43:41,910 --> 01:43:39,880

not everyone but a lot of people in the

2498

01:43:44,520 --> 01:43:41,920

crowd got pretty choked up it's an

2499

01:43:46,680 --> 01:43:44,530

amazing story the 65 I think it was

2500

01:43:50,069 --> 01:43:46,690

schoolchildren had that amazing

2501
01:43:52,919 --> 01:43:50,079
encounter and so she'll be coming up and

2502
01:43:56,640 --> 01:43:52,929
it that's I'm not sure exactly how to

2503
01:44:01,620 --> 01:43:56,650
pronounce her name and I hope it's her

2504
01:44:04,439 --> 01:44:01,630
it's sound its si el ma siddik looks

2505
01:44:07,080 --> 01:44:04,449
like we have a call coming in hello

2506
01:44:10,379 --> 01:44:07,090
caller thanks for the call your first

2507
01:44:13,379 --> 01:44:10,389
name and where are you calling from I'm

2508
01:44:15,270 --> 01:44:13,389
Mike from Indianapolis theatre Oh Mike

2509
01:44:16,859 --> 01:44:15,280
in the chat room the Mike in the chat

2510
01:44:20,810 --> 01:44:16,869
room yep

2511
01:44:23,459 --> 01:44:20,820
hi Mike welcome to the show as you doing

2512
01:44:25,189 --> 01:44:23,469
great great great to have you on make

2513
01:44:27,600 --> 01:44:25,199

sure you have the herb mute on your

2514

01:44:29,609 --> 01:44:27,610

computer or you know the show we just

2515

01:44:31,830 --> 01:44:29,619

don't want feedback I think I just heard

2516

01:44:33,040 --> 01:44:31,840

a little bit but it sounds good now so

2517

01:44:34,180 --> 01:44:33,050

do you have a do you have a

2518

01:44:37,840 --> 01:44:34,190

questioner you want to talk about a

2519

01:44:39,310 --> 01:44:37,850

sighting or anything sure I'll I'll tell

2520

01:44:44,110 --> 01:44:39,320

you about a sighting after what yeah

2521

01:44:45,880 --> 01:44:44,120

absolutely go ahead okay um I eat in

2522

01:44:48,210 --> 01:44:45,890

abject ease so I've had a lot of

2523

01:44:51,310 --> 01:44:48,220

sightings but there's one in particular

2524

01:44:57,700 --> 01:44:51,320

sighting that blew away all the others

2525

01:45:01,690 --> 01:44:57,710

and it happened on March 10th 2009 I was

2526

01:45:04,390 --> 01:45:01,700

sitting in my bedroom I was getting

2527

01:45:07,870 --> 01:45:04,400

ready to go to bed it was about 10:15 at

2528

01:45:12,030 --> 01:45:07,880

night and the gray alien walked through

2529

01:45:15,910 --> 01:45:12,040

the law and they never done that before

2530

01:45:19,030 --> 01:45:15,920

so it kind of shocked me and it turned

2531

01:45:21,000 --> 01:45:19,040

and it looked at me and the whole

2532

01:45:25,030 --> 01:45:21,010

communication was telepathy but it

2533

01:45:27,480 --> 01:45:25,040

basically said to me come with us I want

2534

01:45:29,770 --> 01:45:27,490

to show you something and I was like

2535

01:45:31,690 --> 01:45:29,780

that's really strange so my first

2536

01:45:33,850 --> 01:45:31,700

reaction was like in the first minute I

2537

01:45:38,920 --> 01:45:33,860

was like ain't no way I'm going with

2538

01:45:41,320 --> 01:45:38,930

this thing because I didn't know what it

2539

01:45:43,930 --> 01:45:41,330

wanted and I didn't know what it wanted

2540

01:45:46,120 --> 01:45:43,940

to show me but I thought about it for a

2541

01:45:48,400 --> 01:45:46,130

while and I was like they have never

2542

01:45:52,120 --> 01:45:48,410

done this before this is like really odd

2543

01:45:54,040 --> 01:45:52,130

behavior for them so I was like I wonder

2544

01:45:58,840 --> 01:45:54,050

if I could miss out on something really

2545

01:46:01,540 --> 01:45:58,850

big so I finally decided I'm gonna go

2546

01:46:07,330 --> 01:46:01,550

with this thing so for the next eight

2547

01:46:12,670 --> 01:46:07,340

hours I was abducted fully awake the

2548

01:46:15,670 --> 01:46:12,680

entire time and my story - yeah pardon

2549

01:46:18,490 --> 01:46:15,680

me of what time of day was this because

2550

01:46:21,700 --> 01:46:18,500

this was the abduction started at 10:15

2551

01:46:22,350 --> 01:46:21,710

at night and it ended about 5:45 to 6:00

2552

01:46:27,360 --> 01:46:22,360

in the morning

2553

01:46:30,310 --> 01:46:27,370

uh-huh and how many years ago was this

2554

01:46:31,590 --> 01:46:30,320

this was the exact date was March 10th

2555

01:46:34,630 --> 01:46:31,600

2009

2556

01:46:37,480 --> 01:46:34,640

okay and all right

2557

01:46:38,800 --> 01:46:37,490

so are you go ahead and continue with

2558

01:46:39,720 --> 01:46:38,810

your story and I've got a couple of

2559

01:46:46,540 --> 01:46:39,730

questions for you

2560

01:46:49,629 --> 01:46:46,550

sure so I went up with this thing

2561

01:46:54,339 --> 01:46:49,639

to a exude craft and then we went up to

2562

01:46:58,060 --> 01:46:54,349

a cigar-shaped craft and we flew out to

2563

01:47:00,479 --> 01:46:58,070

their homeworld and I'm standing on the

2564

01:47:02,830 --> 01:47:00,489

craft and I'm having a conversation

2565

01:47:04,720 --> 01:47:02,840

there was two beings on the cross one I

2566

01:47:13,270 --> 01:47:04,730

called the commander and one was like

2567

01:47:18,839 --> 01:47:13,280

the subordinate and the commander in it

2568

01:47:22,780 --> 01:47:18,849

well sorry I was distracted fair sight

2569

01:47:25,720 --> 01:47:22,790

we came out near their home world and

2570

01:47:29,020 --> 01:47:25,730

the home world had a docking ring around

2571

01:47:32,560 --> 01:47:29,030

it like where all the cigar-shaped craft

2572

01:47:35,589 --> 01:47:32,570

landed it was a ring around their planet

2573

01:47:37,720 --> 01:47:35,599

and I must have been there before

2574

01:47:40,060 --> 01:47:37,730

because all I did is I looked up I go oh

2575

01:47:42,069 --> 01:47:40,070

their homeworld and then I went back to

2576

01:47:48,160 --> 01:47:42,079

the conversation I was having with this

2577

01:47:54,359 --> 01:47:48,170

war tonight but what ended up happening

2578

01:47:59,020 --> 01:47:54,369

is we exited the cigar-shaped craft we

2579

01:48:04,359 --> 01:47:59,030

went to a point in space and we got to

2580

01:48:07,030 --> 01:48:04,369

this point in space we they initiated an

2581

01:48:10,870 --> 01:48:07,040

out-of-body experience at me and me and

2582

01:48:12,520 --> 01:48:10,880

it's matter and the the reason they told

2583

01:48:14,950 --> 01:48:12,530

me that they took me is they wanted to

2584

01:48:18,040 --> 01:48:14,960

show me something and what they wanted

2585

01:48:21,520 --> 01:48:18,050

was they wanted my opinion on everything

2586

01:48:24,310 --> 01:48:21,530

I could tell him about some species on

2587

01:48:26,799 --> 01:48:24,320

it on a ship and it was a ship

2588

01:48:33,629 --> 01:48:26,809

approaching their homeworld and I was

2589

01:48:36,850 --> 01:48:33,639

like it kind of reminded me of Stargate

2590

01:48:41,500 --> 01:48:36,860

the episode but I was like I'm nowhere

2591

01:48:44,589 --> 01:48:41,510

near as smart as Carter um but there was

2592

01:48:46,600 --> 01:48:44,599

another reason why they wanted me and

2593

01:48:49,629 --> 01:48:46,610

that was I already knew one of the two

2594

01:48:51,669 --> 01:48:49,639

species there was another abduction I

2595

01:48:55,450 --> 01:48:51,679

had a few years earlier where I had

2596

01:48:59,229 --> 01:48:55,460

encountered one of the two species I saw

2597

01:49:00,100 --> 01:48:59,239

I knew everything about them and what

2598

01:49:01,930 --> 01:49:00,110

ended up happening

2599

01:49:08,169 --> 01:49:01,940

they initiated an out-of-body experience

2600

01:49:10,330 --> 01:49:08,179

in me I remember fully conscious I like

2601
01:49:12,939 --> 01:49:10,340
even though I was a floating like sold

2602
01:49:16,689 --> 01:49:12,949
or whatever I have full memory of

2603
01:49:18,280 --> 01:49:16,699
everything that happened me and we went

2604
01:49:22,600 --> 01:49:18,290
onto this ship and I was like two

2605
01:49:23,979 --> 01:49:22,610
species on the ship so one species is

2606
01:49:27,820 --> 01:49:23,989
kind of like I would describe them as

2607
01:49:30,490 --> 01:49:27,830
the board they were thousands of species

2608
01:49:33,189 --> 01:49:30,500
and then there was a master species that

2609
01:49:35,590 --> 01:49:33,199
was a black species that was ten feet

2610
01:49:38,800 --> 01:49:35,600
tall its head was about three foot

2611
01:49:40,899 --> 01:49:38,810
around it had three fingers two two

2612
01:49:45,910 --> 01:49:40,909
fingers and then like a thumb but it was

2613
01:49:55,030 --> 01:49:45,920

a claw like they can they the master

2614

01:49:58,120 --> 01:49:55,040

species was very much saw by sound they

2615

01:50:01,030 --> 01:49:58,130

could hear you breathing if you had to

2616

01:50:03,550 --> 01:50:01,040

hold your breath for them not to hear

2617

01:50:06,370 --> 01:50:03,560

you I my opinion is they're probably

2618

01:50:09,010 --> 01:50:06,380

born in space but I was very familiar

2619

01:50:10,800 --> 01:50:09,020

with the master species so I spent the

2620

01:50:15,910 --> 01:50:10,810

entire time on the ship

2621

01:50:21,220 --> 01:50:15,920

studying the the species that the

2622

01:50:26,439 --> 01:50:21,230

multiple species that that were the

2623

01:50:29,200 --> 01:50:26,449

board and what ended up happening is I

2624

01:50:30,459 --> 01:50:29,210

went into one of these bodies and I got

2625

01:50:33,310 --> 01:50:30,469

the impression of kind of like a hive

2626
01:50:36,189 --> 01:50:33,320
minds but they knew I was there and

2627
01:50:39,340 --> 01:50:36,199
ended up shooting about 15 or 20 bodies

2628
01:50:42,160 --> 01:50:39,350
out in the space and the grey alien got

2629
01:50:46,870 --> 01:50:42,170
mad at me and we only had an hour to

2630
01:50:48,669 --> 01:50:46,880
study this thing and then I spent fifty

2631
01:50:51,910 --> 01:50:48,679
five minutes studying the board species

2632
01:50:54,399 --> 01:50:51,920
and then we went and for five minutes I

2633
01:50:54,879 --> 01:50:54,409
studied the master species up on the

2634
01:51:00,399 --> 01:50:54,889
bridge

2635
01:51:00,939 --> 01:51:00,409
screen that had a billion and I'm not

2636
01:51:04,930 --> 01:51:00,949
even joking

2637
01:51:09,100 --> 01:51:04,940
a billion ships there's and when this

2638
01:51:11,859 --> 01:51:09,110

ship well after we got done studying

2639

01:51:13,330 --> 01:51:11,869

them they took me back to the egg shaped

2640

01:51:14,120 --> 01:51:13,340

craft and then we flew back to the greys

2641

01:51:16,939 --> 01:51:14,130

homeworld

2642

01:51:18,649 --> 01:51:16,949

and we beat the other crap there this

2643

01:51:21,109 --> 01:51:18,659

craft when it approached this planet was

2644

01:51:24,530 --> 01:51:21,119

bigger than the planet it was massive

2645

01:51:29,180 --> 01:51:24,540

and what I saw with my own eyes was an

2646

01:51:32,629 --> 01:51:29,190

aerial battle between the greys and

2647

01:51:36,649 --> 01:51:32,639

whatever this species that came to their

2648

01:51:40,129 --> 01:51:36,659

planet was I saw the destruction in the

2649

01:51:44,839 --> 01:51:40,139

grades homeworld they literally got

2650

01:51:46,910 --> 01:51:44,849

blown to pieces these the thing that was

2651
01:51:50,060 --> 01:51:46,920
going around they're playing it got

2652
01:51:53,089 --> 01:51:50,070
blown up every single time they would

2653
01:51:56,569 --> 01:51:53,099
fire the grades would it was like it was

2654
01:52:00,490 --> 01:51:56,579
bouncing off of a shield and every

2655
01:52:02,810 --> 01:52:00,500
single time the big ship would fire it

2656
01:52:05,479 --> 01:52:02,820
was like one of their cigar-shaped craft

2657
01:52:07,339 --> 01:52:05,489
was blowing up every time we were on a

2658
01:52:09,919 --> 01:52:07,349
ship that was designated not to engage

2659
01:52:16,100 --> 01:52:09,929
there was a few ships that were like

2660
01:52:22,839 --> 01:52:16,110
back and so they basically ordered a

2661
01:52:26,000 --> 01:52:22,849
retreat like everybody run and they

2662
01:52:31,280 --> 01:52:26,010
brought me back to earth when we were

2663
01:52:33,439 --> 01:52:31,290

coming back the to graze on the ship

2664

01:52:36,979 --> 01:52:33,449

with me actually got into an argument

2665

01:52:41,720 --> 01:52:36,989

about whether or not to you throw me out

2666

01:52:43,550 --> 01:52:41,730

into space because they didn't want to

2667

01:52:46,879 --> 01:52:43,560

the commander didn't once you bring me

2668

01:52:49,640 --> 01:52:46,889

back but the subordinate talked to him

2669

01:52:50,959 --> 01:52:49,650

and said you know he's going to die when

2670

01:52:55,010 --> 01:52:50,969

they get to his world so just let him

2671

01:52:57,080 --> 01:52:55,020

die there so they they probably back but

2672

01:52:59,450 --> 01:52:57,090

yeah on March 10th 2009

2673

01:53:03,020 --> 01:52:59,460

I witnessed the destruction of the great

2674

01:53:06,140 --> 01:53:03,030

homeworld well uh well hey we're right

2675

01:53:09,740 --> 01:53:06,150

near the end of the show Mike thanks for

2676

01:53:11,479 --> 01:53:09,750

the callin and I thought the grace

2677

01:53:13,250 --> 01:53:11,489

weren't supposed to be emotional that's

2678

01:53:16,129 --> 01:53:13,260

one of the things everyone know he says

2679

01:53:19,580 --> 01:53:16,139

that is quite the story you have there

2680

01:53:22,459 --> 01:53:19,590

and let me just ask you this if you've

2681

01:53:24,890 --> 01:53:22,469

told the story before what is the type

2682

01:53:26,800 --> 01:53:24,900

of reactions you get when you tell that

2683

01:53:36,700 --> 01:53:26,810

story

2684

01:53:39,100 --> 01:53:36,710

and I didn't tell her at the time now

2685

01:53:40,630 --> 01:53:39,110

what the two species look like I was

2686

01:53:46,590 --> 01:53:40,640

still kind of holding back their data

2687

01:53:50,350 --> 01:53:46,600

and she just she couldn't believe it

2688

01:53:53,650 --> 01:53:50,360

like that I was fully awake the whole

2689

01:53:56,350 --> 01:53:53,660

time yeah I mean firm for you actually

2690

01:53:58,290 --> 01:53:56,360

being there and the timing of when there

2691

01:54:01,180 --> 01:53:58,300

was actually destruction that's all

2692

01:54:04,870 --> 01:54:01,190

quite remarkable to say the least but I

2693

01:54:06,910 --> 01:54:04,880

thank you for the call oh no problem

2694

01:54:11,560 --> 01:54:06,920

all right thanks Martin all right take a

2695

01:54:13,780 --> 01:54:11,570

guy fight alright everyone so thank you

2696

01:54:15,910 --> 01:54:13,790

so much for listening to the show and if

2697

01:54:18,130 --> 01:54:15,920

you got this far you're either listening

2698

01:54:21,040 --> 01:54:18,140

live on the Dark Matter digital network

2699

01:54:23,350 --> 01:54:21,050

or you are a supporter of the show and

2700

01:54:24,850 --> 01:54:23,360

if you are a supporter thanks so much it

2701

01:54:29,250 --> 01:54:24,860

really helps us I actually had to get

2702

01:54:32,620 --> 01:54:29,260

another server for for the podcast

2703

01:54:34,410 --> 01:54:32,630

actually it's getting busier it's funny

2704

01:54:37,300 --> 01:54:34,420

it's getting busier almost by the week

2705

01:54:41,470 --> 01:54:37,310

which is a good thing so it's what they

2706

01:54:44,770 --> 01:54:41,480

call a gold-plated problem so everyone I

2707

01:54:46,740 --> 01:54:44,780

want once again we'll be back with Randy

2708

01:54:51,490 --> 01:54:46,750

Nickerson about the Ariel school

2709

01:54:53,620 --> 01:54:51,500

incident next week and and I think

2710

01:54:57,370 --> 01:54:53,630

that's about it we do have some great

2711

01:54:58,720 --> 01:54:57,380

shows lined up and I look forward to

2712

01:55:02,880 --> 01:54:58,730

doing each and every one of them and
