

Google

1  
00:00:03,350 --> 00:00:02,149  
in one minute so we'll be seeing her

2  
00:00:06,309 --> 00:00:03,360  
come up so

3  
00:00:08,310 --> 00:00:06,319  
um you know if randy can't join the show

4  
00:00:09,190 --> 00:00:08,320  
that would be that wouldn't be too good

5  
00:00:11,669 --> 00:00:09,200  
but

6  
00:00:13,669 --> 00:00:11,679  
still we will have her on coming up real

7  
00:00:16,070 --> 00:00:13,679  
soon

8  
00:00:18,950 --> 00:00:16,080  
so uh in theory alejandro she'll be

9  
00:00:20,070 --> 00:00:18,960  
contacting me like in a minute so i

10  
00:00:22,150 --> 00:00:20,080  
don't know if you get to see it on the

11  
00:00:24,470 --> 00:00:22,160  
screen or not but uh i'll let you know

12  
00:00:26,230 --> 00:00:24,480  
yeah great just let me know so you want

13  
00:00:29,830 --> 00:00:26,240

me to keep going or something yeah sure

14

00:00:31,669 --> 00:00:29,840

yeah okay cool cool

15

00:00:33,510 --> 00:00:31,679

um a couple other people we're gonna

16

00:00:36,630 --> 00:00:33,520

have we're gonna have cheryl costa she

17

00:00:39,910 --> 00:00:36,640

writes for uh syracuse new time she's a

18

00:00:43,830 --> 00:00:39,920

uh columnist weekly columnist there but

19

00:00:45,110 --> 00:00:43,840

what things she did um and have did do

20

00:00:46,310 --> 00:00:45,120

you have her on

21

00:00:48,549 --> 00:00:46,320

yes i have

22

00:00:50,310 --> 00:00:48,559

yeah so your listeners will know she

23

00:00:52,549 --> 00:00:50,320

wrote this book

24

00:00:55,350 --> 00:00:52,559

um called uh

25

00:00:57,590 --> 00:00:55,360

something about ufos uh i can't remember

26

00:00:59,670 --> 00:00:57,600

the name of the book right now do you

27

00:01:02,069 --> 00:00:59,680

remember the name of the book

28

00:01:05,109 --> 00:01:02,079

it's like ufo national statistics and

29

00:01:07,910 --> 00:01:05,119

trends i think it's called

30

00:01:11,670 --> 00:01:07,920

okay hey we got our guest

31

00:01:13,270 --> 00:01:11,680

all right um i'll wrap it up then

32

00:01:15,429 --> 00:01:13,280

anyway i don't have the book right here

33

00:01:17,429 --> 00:01:15,439

in front of me but no problem it's just

34

00:01:19,990 --> 00:01:17,439

what's great about what she did is she

35

00:01:22,149 --> 00:01:20,000

wrote about all of these areas uh ufo

36

00:01:24,630 --> 00:01:22,159

sightings throughout the country and she

37

00:01:28,230 --> 00:01:24,640

also pushed it like she went out to the

38

00:01:30,789 --> 00:01:28,240

media to let people know so her book got

39

00:01:33,190 --> 00:01:30,799

tons and tons of publicity all over the

40

00:01:35,230 --> 00:01:33,200

country which is really exciting but you

41

00:01:37,190 --> 00:01:35,240

can read more about them at

42

00:01:38,870 --> 00:01:37,200

ufocongress.com

43

00:01:41,429 --> 00:01:38,880

great thanks so much alendron thanks for

44

00:01:44,149 --> 00:01:41,439

filling in no problem thank you all

45

00:01:48,550 --> 00:01:44,159

right take care you too

46

00:01:52,830 --> 00:01:50,950

can you hear me selma

47

00:01:54,630 --> 00:01:52,840

selma can you hear me

48

00:01:57,350 --> 00:01:54,640

hello

49

00:02:02,389 --> 00:01:58,870

so much for the soundcheck that worked

50

00:02:05,590 --> 00:02:02,399

before oh she's gone okay um hopefully

51

00:02:07,510 --> 00:02:05,600

she will call back in

52

00:02:09,029 --> 00:02:07,520

and

53

00:02:10,630 --> 00:02:09,039

you know i had a thought when i was

54

00:02:12,710 --> 00:02:10,640

doing this google hangout the reason i

55

00:02:15,270 --> 00:02:12,720

did it is because i know uh i know

56

00:02:16,309 --> 00:02:15,280

randy's well versed in it

57

00:02:18,710 --> 00:02:16,319

um

58

00:02:21,110 --> 00:02:18,720

for some reason it's not working

59

00:02:22,949 --> 00:02:21,120

for him but also

60

00:02:24,790 --> 00:02:22,959

um

61

00:02:26,710 --> 00:02:24,800

i just thought it would it would work

62

00:02:28,869 --> 00:02:26,720

for people that wanted to join in as we

63

00:02:31,990 --> 00:02:28,879

go along here and

64

00:02:35,190 --> 00:02:32,000

hopefully we'll hear back from selma

65

00:02:41,990 --> 00:02:35,200

she should be back any minute

66

00:02:47,190 --> 00:02:45,750

oh oh i see okay yeah

67

00:02:48,390 --> 00:02:47,200

no

68

00:02:50,150 --> 00:02:48,400

there it is

69

00:02:52,150 --> 00:02:50,160

okay

70

00:02:53,910 --> 00:02:52,160

um so while we're waiting

71

00:02:55,270 --> 00:02:53,920

um

72

00:02:56,710 --> 00:02:55,280

i might as well talk to you since you're

73

00:02:58,470 --> 00:02:56,720

right here are you kidding me okay what

74

00:03:01,589 --> 00:02:58,480

do you want to talk about

75

00:03:02,949 --> 00:03:01,599

uh so what do you think as uh you've

76

00:03:05,910 --> 00:03:02,959

listened to the show for how long now

77

00:03:09,190 --> 00:03:07,670

i would say at least three or four years

78

00:03:11,190 --> 00:03:09,200

oh that long yeah

79

00:03:13,350 --> 00:03:11,200

um and what do you think is like the

80

00:03:15,270 --> 00:03:13,360

most interesting

81

00:03:15,990 --> 00:03:15,280

case that i've talked about

82

00:03:19,509 --> 00:03:16,000

oh

83

00:03:21,589 --> 00:03:19,519

some of them anyway i don't

84

00:03:24,309 --> 00:03:21,599

i think the um

85

00:03:26,309 --> 00:03:24,319

the canadian case um

86

00:03:28,149 --> 00:03:26,319

where the ufo underwater oh that's where

87

00:03:30,149 --> 00:03:28,159

i went up in shag harbor shag harbor

88

00:03:32,789 --> 00:03:30,159

that's a very interesting case

89

00:03:35,110 --> 00:03:32,799

uh for me uh the one tonight's

90

00:03:36,229 --> 00:03:35,120

interesting because there were so many

91

00:03:37,589 --> 00:03:36,239

of course you haven't done a show on it

92

00:03:39,910 --> 00:03:37,599

where you hope you're about you're about

93

00:03:42,229 --> 00:03:39,920

to but there's so many witnesses at that

94

00:03:44,149 --> 00:03:42,239

one time that makes it

95

00:03:45,430 --> 00:03:44,159

uh very interesting

96

00:03:47,670 --> 00:03:45,440

um

97

00:03:50,710 --> 00:03:47,680

but i like the shows that talk about

98

00:03:53,830 --> 00:03:50,720

specific cases a lot more than

99

00:03:55,110 --> 00:03:53,840

other kind of shows that

100

00:03:58,630 --> 00:03:55,120

yeah about

101  
00:04:00,309 --> 00:03:58,640  
talking about ufo and you're the ufo

102  
00:04:02,630 --> 00:04:00,319  
um

103  
00:04:04,710 --> 00:04:02,640  
subject in general

104  
00:04:07,509 --> 00:04:04,720  
all right i think we have you we have

105  
00:04:09,910 --> 00:04:07,519  
you sorry how are you i couldn't um i

106  
00:04:10,949 --> 00:04:09,920  
couldn't connect earlier i'm well thanks

107  
00:04:13,110 --> 00:04:10,959  
how are you

108  
00:04:15,110 --> 00:04:13,120  
great thanks so much we thought this was

109  
00:04:16,870 --> 00:04:15,120  
going to be uh for a minute there we

110  
00:04:17,749 --> 00:04:16,880  
thought this was going to be a disaster

111  
00:04:21,430 --> 00:04:17,759  
because

112  
00:04:25,590 --> 00:04:21,440  
unfortunately uh randy is not able he's

113  
00:04:29,590 --> 00:04:27,909

he did yeah he did fine in the test and

114

00:04:31,270 --> 00:04:29,600

i could get him through a phone line but

115

00:04:33,189 --> 00:04:31,280

the phone is not going through my

116

00:04:35,990 --> 00:04:33,199

computer and into so no i can hear him

117

00:04:37,270 --> 00:04:36,000

basically but welcome to the show

118

00:04:41,830 --> 00:04:37,280

thank you

119

00:04:44,629 --> 00:04:41,840

it's it's a real honor actually to have

120

00:04:46,070 --> 00:04:44,639

you on um you know this case i consider

121

00:04:48,550 --> 00:04:46,080

one of the very

122

00:04:51,110 --> 00:04:48,560

uh the very best cases

123

00:04:53,670 --> 00:04:51,120

out there with all the witnesses and so

124

00:04:55,830 --> 00:04:53,680

i have a number of questions for you but

125

00:04:58,150 --> 00:04:55,840

in your own words i'd love to hear

126  
00:04:59,590 --> 00:04:58,160  
directly from a witness like you are you

127  
00:05:01,590 --> 00:04:59,600  
having trouble with your

128  
00:05:03,350 --> 00:05:01,600  
phone i am i'm sorry

129  
00:05:05,590 --> 00:05:03,360  
i'm gonna try and hold it as uh as

130  
00:05:07,590 --> 00:05:05,600  
steady as i can it was it was great

131  
00:05:10,710 --> 00:05:07,600  
earlier but now i'm kind of moving it so

132  
00:05:13,189 --> 00:05:10,720  
i apologize okay no problem so can you

133  
00:05:14,870 --> 00:05:13,199  
tell um you know you probably had

134  
00:05:16,629 --> 00:05:14,880  
everyone had different vantage points

135  
00:05:19,590 --> 00:05:16,639  
when when things were happening in the

136  
00:05:21,590 --> 00:05:19,600  
beginning um i i heard uh somewhere

137  
00:05:23,510 --> 00:05:21,600  
there was flashes of light first did you

138  
00:05:25,029 --> 00:05:23,520

see that

139

00:05:26,790 --> 00:05:25,039

yes um

140

00:05:27,909 --> 00:05:26,800

my first

141

00:05:29,590 --> 00:05:27,919

sort of

142

00:05:32,390 --> 00:05:29,600

experience with

143

00:05:34,390 --> 00:05:32,400

in the experience itself was was seeing

144

00:05:37,510 --> 00:05:34,400

flashing lights um

145

00:05:42,230 --> 00:05:39,590

i don't know if you are very familiar

146

00:05:45,110 --> 00:05:42,240

but the school that i attended was is

147

00:05:47,350 --> 00:05:45,120

very rural so um used to be a farm so

148

00:05:50,830 --> 00:05:47,360

there's a lot of open space

149

00:05:54,950 --> 00:05:50,840

um and so our playground was essentially

150

00:05:56,390 --> 00:05:54,960

just not dirt but kind of dirt um i

151

00:06:00,230 --> 00:05:56,400

don't know if that's how it is now but

152

00:06:02,070 --> 00:06:00,240

that it was a very very big space of um

153

00:06:05,110 --> 00:06:02,080

of land and then

154

00:06:07,189 --> 00:06:05,120

the boundary of that playground were um

155

00:06:10,790 --> 00:06:07,199

essentially the trunks of trees and

156

00:06:13,830 --> 00:06:10,800

beyond that was bush very uh tall grass

157

00:06:16,230 --> 00:06:13,840

um savannah region lots of trees lots of

158

00:06:17,909 --> 00:06:16,240

copies um it wasn't mountainous per se

159

00:06:19,830 --> 00:06:17,919

but they were you know

160

00:06:20,870 --> 00:06:19,840

little copies sort of smaller hills and

161

00:06:23,350 --> 00:06:20,880

that's where

162

00:06:26,070 --> 00:06:23,360

uh the flashes

163

00:06:28,550 --> 00:06:26,080

that i saw um were

164

00:06:30,710 --> 00:06:28,560

now did everyone around you like say hey

165

00:06:32,309 --> 00:06:30,720

what's that what's going on and

166

00:06:34,550 --> 00:06:32,319

um did you all start talking to each

167

00:06:36,710 --> 00:06:34,560

other like what's happening

168

00:06:37,749 --> 00:06:36,720

um yeah i mean initially

169

00:06:40,550 --> 00:06:37,759

what

170

00:06:42,629 --> 00:06:40,560

you start to question yourself it's like

171

00:06:44,950 --> 00:06:42,639

okay did i see that and then there were

172

00:06:46,390 --> 00:06:44,960

a few of the people who were pointing in

173

00:06:47,189 --> 00:06:46,400

the same direction

174

00:06:48,870 --> 00:06:47,199

where

175

00:06:51,270 --> 00:06:48,880

the flashing lights

176

00:06:53,110 --> 00:06:51,280

or the flashes were coming from and so

177

00:06:55,430 --> 00:06:53,120

we all sort of gathered and looked at

178

00:06:56,870 --> 00:06:55,440

each other and said did you see that and

179

00:06:58,309 --> 00:06:56,880

kind of corroborated each other's

180

00:06:59,510 --> 00:06:58,319

stories like yeah i saw that what does

181

00:07:02,870 --> 00:06:59,520

it look like it looks like flashing

182

00:07:05,749 --> 00:07:02,880

lights um but it it started off

183

00:07:07,830 --> 00:07:05,759

uh very slowly in that most of us you

184

00:07:09,749 --> 00:07:07,840

know weren't sure exactly what we had

185

00:07:12,070 --> 00:07:09,759

seen and so you're kind of just like

186

00:07:13,510 --> 00:07:12,080

okay did i see that didn't i see that um

187

00:07:15,430 --> 00:07:13,520

but then when a few of us kind of

188

00:07:15,990 --> 00:07:15,440

clustered together

189

00:07:17,110 --> 00:07:16,000

we

190

00:07:19,589 --> 00:07:17,120

[Music]

191

00:07:21,189 --> 00:07:19,599

we we realized that we were all seeing

192

00:07:23,589 --> 00:07:21,199

the same thing

193

00:07:25,909 --> 00:07:23,599

now there was one a little girl that was

194

00:07:28,309 --> 00:07:25,919

interviewed by dr mack

195

00:07:30,230 --> 00:07:28,319

that said she heard a sound and when he

196

00:07:31,749 --> 00:07:30,240

asked her what the sound was she said it

197

00:07:35,189 --> 00:07:31,759

was like someone was blowing into a

198

00:07:38,870 --> 00:07:35,199

flute did you happen to hear any sound

199

00:07:41,189 --> 00:07:38,880

i did not hear any sound um

200

00:07:42,469 --> 00:07:41,199

i would say the

201  
00:07:45,029 --> 00:07:42,479  
the most

202  
00:07:47,670 --> 00:07:45,039  
i mean other than the entire thing being

203  
00:07:51,589 --> 00:07:47,680  
almost like an out-of-body experience

204  
00:07:53,749 --> 00:07:51,599  
time was time seemed to be the really

205  
00:07:56,830 --> 00:07:53,759  
um kind of odd thing that stuck out in

206  
00:08:00,230 --> 00:07:56,840  
that it seemed like it had slowed down

207  
00:08:03,110 --> 00:08:00,240  
immensely um i had no concept of timing

208  
00:08:06,469 --> 00:08:03,120  
yeah yeah i had no

209  
00:08:08,390 --> 00:08:06,479  
concept of time from the time that

210  
00:08:11,189 --> 00:08:08,400  
i had seen the flashing lights to the

211  
00:08:13,510 --> 00:08:11,199  
time that i saw the being to

212  
00:08:15,350 --> 00:08:13,520  
when i let go of my friend emma's hand i

213  
00:08:16,790 --> 00:08:15,360

do not know how much time went by it

214

00:08:18,950 --> 00:08:16,800

seemed like it was

215

00:08:20,790 --> 00:08:18,960

everything was moving really slowly

216

00:08:22,950 --> 00:08:20,800

isn't that interesting you know that's

217

00:08:24,629 --> 00:08:22,960

what a lot of people say during a car

218

00:08:26,550 --> 00:08:24,639

accident everything like moves really

219

00:08:28,070 --> 00:08:26,560

slowly it seems to

220

00:08:30,710 --> 00:08:28,080

um now

221

00:08:32,949 --> 00:08:30,720

when uh there was only i i know there

222

00:08:35,670 --> 00:08:32,959

was only one adult there was a parent

223

00:08:36,469 --> 00:08:35,680

that was in a tuck shop i guess it was

224

00:08:38,230 --> 00:08:36,479

called

225

00:08:39,909 --> 00:08:38,240

um yes

226

00:08:43,589 --> 00:08:39,919

and but no and i don't even know what

227

00:08:45,750 --> 00:08:43,599

that is but a tech shop is like um it's

228

00:08:48,070 --> 00:08:45,760

what we have on a on our school premises

229

00:08:51,670 --> 00:08:48,080

where you sell uh candy

230

00:08:55,030 --> 00:08:51,680

and fruit and soda um so we don't have

231

00:08:56,550 --> 00:08:55,040

cafeterias we have we have unless you go

232

00:08:58,710 --> 00:08:56,560

to boarding school which i did in high

233

00:09:00,230 --> 00:08:58,720

school so you'd have a cafeteria but the

234

00:09:02,550 --> 00:09:00,240

tuck shop is really where you can buy

235

00:09:04,070 --> 00:09:02,560

all your treats so lots of chocolates

236

00:09:05,829 --> 00:09:04,080

and all of that that's where that's

237

00:09:08,630 --> 00:09:05,839

where the only adult was on the

238

00:09:09,670 --> 00:09:08,640

playground yes yeah and was that unusual

239

00:09:11,750 --> 00:09:09,680

you know i always wonder why there

240

00:09:14,550 --> 00:09:11,760

weren't teachers out among the children

241

00:09:16,630 --> 00:09:14,560

usually you in most schools when they go

242

00:09:20,150 --> 00:09:16,640

out to recess or something like that the

243

00:09:21,750 --> 00:09:20,160

children go out um with a teacher or two

244

00:09:23,509 --> 00:09:21,760

so was it unusual that there wasn't a

245

00:09:25,990 --> 00:09:23,519

teacher

246

00:09:28,230 --> 00:09:26,000

incredibly um and it was only because

247

00:09:29,990 --> 00:09:28,240

the teachers were having a staff meeting

248

00:09:30,710 --> 00:09:30,000

that particular day

249

00:09:31,750 --> 00:09:30,720

um

250

00:09:33,910 --> 00:09:31,760

so

251  
00:09:36,790 --> 00:09:33,920  
yeah

252  
00:09:39,430 --> 00:09:36,800  
so um they they were all in their staff

253  
00:09:41,590 --> 00:09:39,440  
meeting and and break was a little bit

254  
00:09:44,150 --> 00:09:41,600  
longer than usual which we loved and you

255  
00:09:48,790 --> 00:09:44,160  
know it was a friday so that was even

256  
00:09:50,070 --> 00:09:48,800  
better um and us as grade sixes were the

257  
00:09:51,590 --> 00:09:50,080  
we were the oldest ones on the

258  
00:09:53,350 --> 00:09:51,600  
playground because the grade sevens were

259  
00:09:55,750 --> 00:09:53,360  
taking an exam because we have grade

260  
00:09:57,910 --> 00:09:55,760  
seven exams end of year exams and so we

261  
00:09:59,190 --> 00:09:57,920  
were kind of manning the playground and

262  
00:10:00,949 --> 00:09:59,200  
feeling i remember certainly feeling

263  
00:10:02,790 --> 00:10:00,959

like yeah you know we're gonna we're the

264

00:10:04,949 --> 00:10:02,800

oldest ones on the playground as you do

265

00:10:06,710 --> 00:10:04,959

you know yeah at recess

266

00:10:08,070 --> 00:10:06,720

um but yes there was one teacher in the

267

00:10:09,110 --> 00:10:08,080

tuck shop i actually completely forgot

268

00:10:11,750 --> 00:10:09,120

about that

269

00:10:13,670 --> 00:10:11,760

but the tech shop was located in an area

270

00:10:16,710 --> 00:10:13,680

where the younger children played so the

271

00:10:18,710 --> 00:10:16,720

playground was essentially one big

272

00:10:20,630 --> 00:10:18,720

one big play area if you can think of it

273

00:10:23,269 --> 00:10:20,640

but the younger kids from grade one to

274

00:10:25,269 --> 00:10:23,279

about grade four had their own section

275

00:10:27,509 --> 00:10:25,279

it wasn't separated but they just had

276

00:10:29,350 --> 00:10:27,519

their own section that had swings and

277

00:10:31,030 --> 00:10:29,360

you know it was kind of just their area

278

00:10:35,350 --> 00:10:31,040

that they played in

279

00:10:37,590 --> 00:10:35,360

wow um okay so uh let's continue on to

280

00:10:39,350 --> 00:10:37,600

you saw the flashes and it was over to

281

00:10:41,670 --> 00:10:39,360

this area where you were not allowed to

282

00:10:43,269 --> 00:10:41,680

go in i know there were like

283

00:10:44,870 --> 00:10:43,279

a lot of trees it was hard to get

284

00:10:47,350 --> 00:10:44,880

through and so was there actually a

285

00:10:49,269 --> 00:10:47,360

fence there in front of this area you

286

00:10:51,430 --> 00:10:49,279

weren't supposed to go

287

00:10:54,630 --> 00:10:51,440

no there was no fence um

288

00:10:57,030 --> 00:10:54,640

what it was was literal tree trunks as

289

00:10:59,350 --> 00:10:57,040

the boundary of the playground

290

00:11:01,430 --> 00:10:59,360

so if you can think of big eucalyptus

291

00:11:02,870 --> 00:11:01,440

trees the trunks of those trees were

292

00:11:05,509 --> 00:11:02,880

what

293

00:11:07,509 --> 00:11:05,519

separated our playground from you know

294

00:11:09,670 --> 00:11:07,519

where we were

295

00:11:11,670 --> 00:11:09,680

not supposed to go beyond but there was

296

00:11:15,670 --> 00:11:11,680

no fence the rest of that was just open

297

00:11:17,269 --> 00:11:15,680

area open bush um you could see

298

00:11:19,910 --> 00:11:17,279

as far as the eye

299

00:11:21,750 --> 00:11:19,920

would allow you beyond that

300

00:11:23,509 --> 00:11:21,760

so there was no obstruction really other

301  
00:11:24,710 --> 00:11:23,519  
than those tree trunks

302  
00:11:27,350 --> 00:11:24,720  
yeah yeah

303  
00:11:30,470 --> 00:11:27,360  
wow um and so let's let's hear the rest

304  
00:11:32,069 --> 00:11:30,480  
uh so did now i know one of the children

305  
00:11:33,269 --> 00:11:32,079  
described

306  
00:11:34,069 --> 00:11:33,279  
that uh

307  
00:11:36,069 --> 00:11:34,079  
the

308  
00:11:37,829 --> 00:11:36,079  
craft went what appeared to go along

309  
00:11:39,670 --> 00:11:37,839  
like a power line or did you see

310  
00:11:41,350 --> 00:11:39,680  
anything like that

311  
00:11:44,310 --> 00:11:41,360  
i'm sorry can you repeat that mountain

312  
00:11:46,230 --> 00:11:44,320  
yeah one of the witnesses said that it

313  
00:11:48,710 --> 00:11:46,240

appeared to go like a long i don't want

314

00:11:50,470 --> 00:11:48,720

to say a power line or some type of

315

00:11:52,069 --> 00:11:50,480

uh

316

00:11:54,310 --> 00:11:52,079

oh i see

317

00:11:57,670 --> 00:11:54,320

yeah i i didn't see that but there was a

318

00:11:58,949 --> 00:11:57,680

very there was a a weird like buzz or

319

00:12:03,030 --> 00:11:58,959

hum

320

00:12:04,230 --> 00:12:03,040

um that again i couldn't really make too

321

00:12:05,430 --> 00:12:04,240

i couldn't make too much sense of

322

00:12:08,710 --> 00:12:05,440

because i just didn't know you know

323

00:12:10,790 --> 00:12:08,720

sometimes electric lines buzz so but it

324

00:12:13,430 --> 00:12:10,800

was a very very loud buzz and then also

325

00:12:15,110 --> 00:12:13,440

given this whole time thing i just

326

00:12:17,430 --> 00:12:15,120

wasn't sure

327

00:12:18,949 --> 00:12:17,440

if i was imagining it or what was going

328

00:12:21,190 --> 00:12:18,959

on like i didn't really know what to

329

00:12:24,310 --> 00:12:21,200

make of it but i did not see anything

330

00:12:26,230 --> 00:12:24,320

particularly near the power line i don't

331

00:12:27,350 --> 00:12:26,240

know that i i definitely felt the buzz a

332

00:12:29,110 --> 00:12:27,360

lot of buzz

333

00:12:31,190 --> 00:12:29,120

yeah now were you

334

00:12:33,430 --> 00:12:31,200

and your fellow schoolmates were you

335

00:12:35,750 --> 00:12:33,440

drawn towards this area i mean did you

336

00:12:38,310 --> 00:12:35,760

all start like flowing down

337

00:12:39,750 --> 00:12:38,320

um toward it to see what was going on we

338

00:12:41,829 --> 00:12:39,760

did um

339

00:12:43,190 --> 00:12:41,839

we did eventually

340

00:12:45,509 --> 00:12:43,200

and it was

341

00:12:47,670 --> 00:12:45,519

right by you know the

342

00:12:49,829 --> 00:12:47,680

right by the logs as we would call them

343

00:12:51,910 --> 00:12:49,839

and we you know we could sit on these

344

00:12:53,910 --> 00:12:51,920

logs sometimes and eat our lunch which

345

00:12:55,190 --> 00:12:53,920

is what we would do but we stood there

346

00:12:57,110 --> 00:12:55,200

and kind of just

347

00:12:59,670 --> 00:12:57,120

congregated a few of us

348

00:13:01,430 --> 00:12:59,680

and looked in the area where both the

349

00:13:02,710 --> 00:13:01,440

flashing lights were and

350

00:13:05,110 --> 00:13:02,720

wherever this

351  
00:13:08,790 --> 00:13:05,120  
buzzing sound was coming from

352  
00:13:12,069 --> 00:13:08,800  
from the electric poles um

353  
00:13:15,269 --> 00:13:12,079  
and you know if i saw

354  
00:13:17,670 --> 00:13:15,279  
what i called the being or a being

355  
00:13:19,030 --> 00:13:17,680  
that was maybe

356  
00:13:22,389 --> 00:13:19,040  
maybe about

357  
00:13:24,790 --> 00:13:22,399  
three to four feet away from me but it

358  
00:13:26,550 --> 00:13:24,800  
didn't cross it didn't cross over the

359  
00:13:28,470 --> 00:13:26,560  
boundary of

360  
00:13:29,990 --> 00:13:28,480  
of the tree trunks

361  
00:13:31,030 --> 00:13:30,000  
never

362  
00:13:33,750 --> 00:13:31,040  
really

363  
00:13:34,389 --> 00:13:33,760

and now what about the floating did you

364

00:13:38,550 --> 00:13:34,399

see

365

00:13:44,949 --> 00:13:40,389

it did not appear to be floating from

366

00:13:48,069 --> 00:13:44,959

for me i saw it as being grounded on

367

00:13:50,470 --> 00:13:48,079

on this like copy like area like i keep

368

00:13:53,269 --> 00:13:50,480

saying i was able to draw a craft

369

00:13:56,470 --> 00:13:53,279

to the best of my um memory but i did

370

00:14:00,550 --> 00:13:59,030

what about on top of the craft and

371

00:14:02,230 --> 00:14:00,560

did you think there were actually two

372

00:14:05,350 --> 00:14:02,240

beings or was it

373

00:14:07,269 --> 00:14:05,360

or one that showed up twice

374

00:14:08,790 --> 00:14:07,279

that i don't know i think that that's a

375

00:14:11,110 --> 00:14:08,800

question that

376

00:14:12,949 --> 00:14:11,120

i may never know but it's but it's

377

00:14:16,069 --> 00:14:12,959

definitely a question i've asked myself

378

00:14:19,030 --> 00:14:16,079

since the experience because i honestly

379

00:14:21,350 --> 00:14:19,040

couldn't tell you if they were to

380

00:14:24,150 --> 00:14:21,360

they looked i they were identical

381

00:14:25,990 --> 00:14:24,160

there was no there was no

382

00:14:29,509 --> 00:14:26,000

difference between the two

383

00:14:31,670 --> 00:14:29,519

if they were in fact two i have no idea

384

00:14:34,310 --> 00:14:31,680

now what about i saw some of the

385

00:14:37,030 --> 00:14:34,320

pictures that were drawn and

386

00:14:39,030 --> 00:14:37,040

some of them it showed with or one at

387

00:14:41,430 --> 00:14:39,040

least showed with long hair and all

388

00:14:44,389 --> 00:14:41,440

those others showed no hair at all

389

00:14:46,150 --> 00:14:44,399

what did you what do you remember seeing

390

00:14:47,189 --> 00:14:46,160

i remember seeing one that did not have

391

00:14:48,389 --> 00:14:47,199

hair

392

00:14:51,189 --> 00:14:48,399

um

393

00:14:52,710 --> 00:14:51,199

mine did not have any no facial hair no

394

00:14:54,550 --> 00:14:52,720

i mean i couldn't tell if there was body

395

00:14:56,150 --> 00:14:54,560

hair because it was in

396

00:15:23,189 --> 00:14:56,160

a

397

00:15:25,750 --> 00:15:23,199

white color

398

00:15:27,269 --> 00:15:25,760

yes well like a porcelain white yeah

399

00:15:30,230 --> 00:15:27,279

like like like

400

00:15:31,110 --> 00:15:30,240

yes almost like a like a nude

401  
00:15:32,230 --> 00:15:31,120  
kind of

402  
00:15:33,990 --> 00:15:32,240  
poison

403  
00:15:35,670 --> 00:15:34,000  
kind of

404  
00:15:37,030 --> 00:15:35,680  
color is what i could is what i could

405  
00:15:38,710 --> 00:15:37,040  
best describe it

406  
00:15:40,629 --> 00:15:38,720  
i think i said porcelain that it just

407  
00:15:43,990 --> 00:15:40,639  
looked completely perfect

408  
00:15:46,150 --> 00:15:44,000  
there was no blemish there was no

409  
00:15:47,829 --> 00:15:46,160  
nothing it just was so smooth and it

410  
00:15:49,269 --> 00:15:47,839  
almost looked um

411  
00:15:50,790 --> 00:15:49,279  
you know i think porcelain is just it's

412  
00:15:53,590 --> 00:15:50,800  
very it's very firm it's stiff it's kind

413  
00:15:56,310 --> 00:15:53,600

of stoic like so if you were to think of

414

00:15:58,710 --> 00:15:56,320

a statue you know i'd be like okay it's

415

00:16:01,430 --> 00:15:58,720

kind of like a porcelain statue um

416

00:16:02,470 --> 00:16:01,440

except that this this being was moving

417

00:16:03,749 --> 00:16:02,480

um

418

00:16:06,389 --> 00:16:03,759

but it was

419

00:16:08,550 --> 00:16:06,399

there was no you know the expression on

420

00:16:09,749 --> 00:16:08,560

on its face was not one that i really

421

00:16:12,470 --> 00:16:09,759

understood

422

00:16:14,710 --> 00:16:12,480

there was no smile there was no frown

423

00:16:16,550 --> 00:16:14,720

you know they were not um

424

00:16:19,670 --> 00:16:16,560

facial there was no facial recognition

425

00:16:21,590 --> 00:16:19,680

for me to comprehend at that time did it

426  
00:16:23,749 --> 00:16:21,600  
change at all or did it stay exactly the

427  
00:16:26,470 --> 00:16:23,759  
same

428  
00:16:27,430 --> 00:16:26,480  
in terms of looks or location no as far

429  
00:16:29,509 --> 00:16:27,440  
as

430  
00:16:31,990 --> 00:16:29,519  
any expressions like you said the

431  
00:16:34,230 --> 00:16:32,000  
expressions were nothing you recognized

432  
00:16:38,389 --> 00:16:34,240  
i'm just wondering if any it did it show

433  
00:16:44,470 --> 00:16:40,150  
and looks like

434  
00:16:47,829 --> 00:16:46,150  
i don't know if you can hear me but

435  
00:16:49,509 --> 00:16:47,839  
looks like it froze on your end you may

436  
00:16:53,749 --> 00:16:49,519  
want to

437  
00:16:53,759 --> 00:16:56,310  
and

438  
00:17:01,590 --> 00:16:59,749

it might start working again on its own

439

00:17:03,269 --> 00:17:01,600

okay she'll be back i'm sure she'll be

440

00:17:04,949 --> 00:17:03,279

signing back in

441

00:17:06,549 --> 00:17:04,959

i think it's really really interesting

442

00:17:08,710 --> 00:17:06,559

so far and

443

00:17:11,829 --> 00:17:08,720

i will uh

444

00:17:14,470 --> 00:17:11,839

if the time comes in the next hour and

445

00:17:16,630 --> 00:17:14,480

people in the chat and listening live

446

00:17:18,230 --> 00:17:16,640

would like to uh

447

00:17:19,909 --> 00:17:18,240

would like to join us on google hangouts

448

00:17:20,789 --> 00:17:19,919

and ask her a question

449

00:17:23,350 --> 00:17:20,799

that is

450

00:17:24,789 --> 00:17:23,360

here she's coming back um hi sorry i

451

00:17:26,549 --> 00:17:24,799

don't i don't know

452

00:17:28,710 --> 00:17:26,559

i've got full signal on my end can you

453

00:17:31,029 --> 00:17:28,720

guys hear me okay oh yeah yeah you're

454

00:17:33,990 --> 00:17:31,039

fine yeah it's good to have you back

455

00:17:35,110 --> 00:17:34,000

yeah um so

456

00:17:37,430 --> 00:17:35,120

and

457

00:17:39,750 --> 00:17:37,440

so basically what i was asking is if it

458

00:17:43,430 --> 00:17:39,760

changed any expression at all or did it

459

00:17:45,350 --> 00:17:43,440

stay exactly the same like a statue

460

00:17:46,950 --> 00:17:45,360

for me what what

461

00:17:49,590 --> 00:17:46,960

what i remember is that it stayed

462

00:17:50,630 --> 00:17:49,600

exactly the same it moved from place to

463

00:17:52,630 --> 00:17:50,640

place

464

00:17:54,950 --> 00:17:52,640

in terms of its location but it's it's

465

00:17:58,150 --> 00:17:54,960

um physical appearance did not

466

00:18:00,150 --> 00:17:58,160

did not change yeah uh we have randy on

467

00:18:02,630 --> 00:18:00,160

finally i don't know what happened but i

468

00:18:04,310 --> 00:18:02,640

think i see him and uh

469

00:18:05,830 --> 00:18:04,320

join him in

470

00:18:09,590 --> 00:18:05,840

hey randy how are you

471

00:18:12,230 --> 00:18:09,600

hi sama hi martin how are you i'm back

472

00:18:15,350 --> 00:18:12,240

great i'm glad you're glad you made it

473

00:18:17,590 --> 00:18:15,360

um so yeah we've had having a couple of

474

00:18:21,510 --> 00:18:17,600

troubles i i don't know if i'm going to

475

00:18:24,630 --> 00:18:21,520

be doing google hangout anymore um

476

00:18:26,310 --> 00:18:24,640

so uh selma has been uh right into the

477

00:18:27,909 --> 00:18:26,320

story do you mind if i continue with her

478

00:18:31,190 --> 00:18:27,919

and then randy will talk about her film

479

00:18:32,630 --> 00:18:31,200

after okay so back to you selma um

480

00:18:34,870 --> 00:18:32,640

so

481

00:18:36,789 --> 00:18:34,880

can you repeat how close you were how

482

00:18:38,950 --> 00:18:36,799

close this thing got to you or you got

483

00:18:40,789 --> 00:18:38,960

to it

484

00:18:43,350 --> 00:18:40,799

sure um i can

485

00:18:45,350 --> 00:18:43,360

i think it was between like three

486

00:18:47,110 --> 00:18:45,360

to five feet

487

00:18:49,110 --> 00:18:47,120

now how did you feel i mean were you

488

00:18:51,110 --> 00:18:49,120

scared

489

00:18:59,990 --> 00:18:51,120

i was

490

00:19:01,110 --> 00:19:00,000

remember feeling fear no

491

00:19:02,549 --> 00:19:01,120

not fear

492

00:19:05,190 --> 00:19:02,559

that i wasn't

493

00:19:07,350 --> 00:19:05,200

no i just think i i think i i didn't

494

00:19:08,870 --> 00:19:07,360

know what i was looking at

495

00:19:11,669 --> 00:19:08,880

i didn't understand what i was looking

496

00:19:13,990 --> 00:19:11,679

at so if i felt

497

00:19:16,070 --> 00:19:14,000

confused or fearful to that degree yes

498

00:19:18,870 --> 00:19:16,080

but not to the degree that i thought

499

00:19:21,590 --> 00:19:18,880

that this thing was going to harm me

500

00:19:25,029 --> 00:19:21,600

and when it moved did it move unlike a

501  
00:19:29,750 --> 00:19:26,950  
well when it moved i

502  
00:19:32,070 --> 00:19:29,760  
what i remember is that i would see it

503  
00:19:34,470 --> 00:19:32,080  
over like over here and then i would

504  
00:19:36,070 --> 00:19:34,480  
blink maybe i mean again i don't know

505  
00:19:38,230 --> 00:19:36,080  
about it seemed like i would blink and

506  
00:19:39,750 --> 00:19:38,240  
it would be over on another side so i

507  
00:19:42,070 --> 00:19:39,760  
can't really say if it moved like a

508  
00:19:44,230 --> 00:19:42,080  
human because that's

509  
00:19:46,150 --> 00:19:44,240  
very unhuman-like like no human can move

510  
00:19:49,110 --> 00:19:46,160  
that way so the answer to that would be

511  
00:19:50,870 --> 00:19:49,120  
no but i do remember seeing the being in

512  
00:19:52,630 --> 00:19:50,880  
more than one place

513  
00:19:54,150 --> 00:19:52,640

in a given period of time but i don't

514

00:19:56,230 --> 00:19:54,160

know what that time frame was like i

515

00:19:58,789 --> 00:19:56,240

said i i have no idea

516

00:20:01,110 --> 00:19:58,799

uh summer we have an in-house uh uh in

517

00:20:03,590 --> 00:20:01,120

studio guest named alan and he has a

518

00:20:05,990 --> 00:20:03,600

question for you go ahead hey selma uh

519

00:20:07,590 --> 00:20:06,000

hi how are you i love your accent accent

520

00:20:10,390 --> 00:20:07,600

and your personality

521

00:20:15,510 --> 00:20:12,789

did any of the children

522

00:20:18,630 --> 00:20:15,520

consider it a religious experience or

523

00:20:20,710 --> 00:20:18,640

was it just automatically ufo

524

00:20:23,190 --> 00:20:20,720

i don't know what religion the people at

525

00:20:26,150 --> 00:20:23,200

the school were but did that did that

526

00:20:27,510 --> 00:20:26,160

does that ever come up at all

527

00:20:29,430 --> 00:20:27,520

um

528

00:20:32,070 --> 00:20:29,440

definitely not i

529

00:20:33,669 --> 00:20:32,080

i mean i

530

00:20:34,870 --> 00:20:33,679

the school was predominantly i think

531

00:20:36,070 --> 00:20:34,880

most of the people at the school were

532

00:20:37,669 --> 00:20:36,080

christian

533

00:20:40,070 --> 00:20:37,679

um and i

534

00:20:41,669 --> 00:20:40,080

am muslim so there was no there's no

535

00:20:43,750 --> 00:20:41,679

there's no um

536

00:20:45,350 --> 00:20:43,760

conversation about that in

537

00:20:47,029 --> 00:20:45,360

in the religion certainly that i was

538

00:20:50,710 --> 00:20:47,039

brought up with uh

539

00:20:51,430 --> 00:20:50,720

no the people that i know at school uh

540

00:20:54,230 --> 00:20:51,440

but

541

00:20:57,110 --> 00:20:54,240

there was also no outside influences to

542

00:20:58,390 --> 00:20:57,120

what a ufo was per se

543

00:20:59,350 --> 00:20:58,400

um

544

00:21:01,830 --> 00:20:59,360

so

545

00:21:03,750 --> 00:21:01,840

i don't know if we knew at that time

546

00:21:05,270 --> 00:21:03,760

what we had seen i don't think we

547

00:21:08,470 --> 00:21:05,280

understood

548

00:21:10,950 --> 00:21:08,480

fully at 11 what it was we were looking

549

00:21:12,870 --> 00:21:10,960

at we just knew that a few of us had

550

00:21:15,190 --> 00:21:12,880

seen something that was

551  
00:21:17,270 --> 00:21:15,200  
very very unusual

552  
00:21:19,750 --> 00:21:17,280  
um in that we hadn't seen it before and

553  
00:21:20,710 --> 00:21:19,760  
that not everybody saw it in that we all

554  
00:21:22,390 --> 00:21:20,720  
had

555  
00:21:24,149 --> 00:21:22,400  
different experiences from it we've we

556  
00:21:25,430 --> 00:21:24,159  
felt different things from it we saw

557  
00:21:27,350 --> 00:21:25,440  
different things people got different

558  
00:21:30,470 --> 00:21:27,360  
messages that's

559  
00:21:33,270 --> 00:21:30,480  
that much we knew was unique and unusual

560  
00:21:35,190 --> 00:21:33,280  
to us but i don't know if we

561  
00:21:37,830 --> 00:21:35,200  
i certainly didn't i can only speak for

562  
00:21:40,630 --> 00:21:37,840  
myself i don't i don't believe that any

563  
00:21:42,789 --> 00:21:40,640

of us classified it as a ufo we just

564

00:21:45,430 --> 00:21:42,799

said it was you know something that we'd

565

00:21:47,270 --> 00:21:45,440

never seen before and one more question

566

00:21:49,110 --> 00:21:47,280

when it was over is that all you could

567

00:21:50,789 --> 00:21:49,120

talk about i mean was it just the buzz

568

00:21:52,870 --> 00:21:50,799

that's that's you you couldn't go back

569

00:21:55,270 --> 00:21:52,880

to class i mean

570

00:21:57,190 --> 00:21:55,280

yes it took

571

00:22:00,230 --> 00:21:57,200

it took a long time

572

00:22:02,310 --> 00:22:00,240

um i mean yes i it was for a little bit

573

00:22:04,710 --> 00:22:02,320

of time but we also come from a very

574

00:22:07,029 --> 00:22:04,720

strict educational system where you

575

00:22:09,669 --> 00:22:07,039

don't have time to be messing around so

576

00:22:12,149 --> 00:22:09,679

after all the interviews and i honestly

577

00:22:14,149 --> 00:22:12,159

don't know randall would know more about

578

00:22:16,149 --> 00:22:14,159

how many we had because there were so

579

00:22:18,470 --> 00:22:16,159

many it was fun at first to be called

580

00:22:20,549 --> 00:22:18,480

out of class to you know go talk about

581

00:22:22,230 --> 00:22:20,559

what i had seen and even though i didn't

582

00:22:23,909 --> 00:22:22,240

fully comprehend what it was but to have

583

00:22:25,750 --> 00:22:23,919

somebody be like oh okay you know i

584

00:22:27,750 --> 00:22:25,760

thought well it's good okay at least

585

00:22:29,750 --> 00:22:27,760

this person believes me or at least they

586

00:22:31,350 --> 00:22:29,760

asking me what i saw so that's good um

587

00:22:34,789 --> 00:22:31,360

because you know

588

00:22:37,590 --> 00:22:34,799

it was very hard to convince adults

589

00:22:40,070 --> 00:22:37,600

about what it is we had seen um but then

590

00:22:41,990 --> 00:22:40,080

it got it got a bit tiresome you know it

591

00:22:42,950 --> 00:22:42,000

got it got really

592

00:22:45,590 --> 00:22:42,960

it got

593

00:22:47,270 --> 00:22:45,600

kind of tiring at the end and

594

00:22:49,830 --> 00:22:47,280

i was happy to not talk about it for a

595

00:22:52,549 --> 00:22:49,840

while and i didn't until randall randall

596

00:22:56,149 --> 00:22:52,559

popped into my life in 2010.

597

00:22:59,750 --> 00:22:56,159

wow um now what about your your mother

598

00:23:00,950 --> 00:22:59,760

did she believe you right off the bat

599

00:23:03,110 --> 00:23:00,960

yes she did

600

00:23:04,630 --> 00:23:03,120

my mom did um i

601  
00:23:06,710 --> 00:23:04,640

i was very

602  
00:23:08,950 --> 00:23:06,720

i was surprised but but happy like i

603  
00:23:10,630 --> 00:23:08,960

wasn't

604  
00:23:11,510 --> 00:23:10,640

i was happy that she was open-minded

605  
00:23:12,710 --> 00:23:11,520

enough

606  
00:23:14,630 --> 00:23:12,720

to

607  
00:23:17,029 --> 00:23:14,640

believe in me like she believed in me

608  
00:23:17,830 --> 00:23:17,039

and that was what was the most important

609  
00:23:19,270 --> 00:23:17,840

and

610  
00:23:23,110 --> 00:23:19,280  
because i took a while to tell my

611  
00:23:24,149 --> 00:23:23,120  
parents but then i thought well

612  
00:23:25,270 --> 00:23:24,159  
well

613  
00:23:26,710 --> 00:23:25,280

oh

614

00:23:29,590 --> 00:23:26,720

there it goes again

615

00:23:31,510 --> 00:23:29,600

uh okay uh randy she

616

00:23:33,669 --> 00:23:31,520

there she's back are you back

617

00:23:36,470 --> 00:23:33,679

i'm back you're back okay yeah so just

618

00:23:39,669 --> 00:23:36,480

froze a little bit there um well well

619

00:23:41,430 --> 00:23:39,679

that's great now um going back to the

620

00:23:42,310 --> 00:23:41,440

encounter itself

621

00:23:45,830 --> 00:23:42,320

did you

622

00:23:47,590 --> 00:23:45,840

actually make eye contact with this

623

00:23:50,710 --> 00:23:47,600

being whatever it was

624

00:23:54,230 --> 00:23:50,720

yes i did i i know i did um

625

00:23:57,430 --> 00:23:54,240

the the drawing that i was able

626  
00:24:01,669 --> 00:23:57,440  
to sketch was the exact thing that i saw

627  
00:24:04,470 --> 00:24:01,679  
and and i it was this like

628  
00:24:05,750 --> 00:24:04,480  
we we locked eyes i again don't know for

629  
00:24:06,630 --> 00:24:05,760  
how long but

630  
00:24:08,630 --> 00:24:06,640  
um

631  
00:24:11,430 --> 00:24:08,640  
i definitely looked at

632  
00:24:13,029 --> 00:24:11,440  
this being dead in the eye

633  
00:24:14,070 --> 00:24:13,039  
well and

634  
00:24:16,390 --> 00:24:14,080  
um

635  
00:24:19,190 --> 00:24:16,400  
what did you feel when you did that i

636  
00:24:21,190 --> 00:24:19,200  
mean you said you weren't afraid but

637  
00:24:24,070 --> 00:24:21,200  
was it still just a curiosity at that

638  
00:24:25,510 --> 00:24:24,080

time or did you feel i know some people

639

00:24:26,549 --> 00:24:25,520

feel as though they got a message of

640

00:24:28,070 --> 00:24:26,559

some type

641

00:24:31,029 --> 00:24:28,080

did you have any

642

00:24:32,789 --> 00:24:31,039

i did not have a message i

643

00:24:36,470 --> 00:24:32,799

if i do i don't know what that message

644

00:24:39,909 --> 00:24:36,480

is it hasn't fully computed maybe um

645

00:24:42,789 --> 00:24:41,830

it was very

646

00:24:44,470 --> 00:24:42,799

it was

647

00:24:46,470 --> 00:24:44,480

not calming i don't quite know how to

648

00:24:48,870 --> 00:24:46,480

describe it but it was like nothing i've

649

00:24:52,070 --> 00:24:48,880

ever done i've ever felt before

650

00:24:54,230 --> 00:24:52,080

there was no fear it was just

651  
00:24:56,870 --> 00:24:54,240  
almost as though this being was looking

652  
00:24:59,830 --> 00:24:56,880  
into my soul like it knew me like it

653  
00:25:01,190 --> 00:24:59,840  
knew who i was that is the best that i

654  
00:25:03,990 --> 00:25:01,200  
can describe

655  
00:25:06,710 --> 00:25:04,000  
um this sort of like interlocking of of

656  
00:25:09,430 --> 00:25:06,720  
eyes for however long it was

657  
00:25:10,390 --> 00:25:09,440  
but i was with my friend emma at the

658  
00:25:13,110 --> 00:25:10,400  
time

659  
00:25:14,630 --> 00:25:13,120  
and the moment i walked away from her

660  
00:25:16,789 --> 00:25:14,640  
because i had

661  
00:25:18,149 --> 00:25:16,799  
a younger brother and sister also on the

662  
00:25:20,549 --> 00:25:18,159  
playground because i was worried about

663  
00:25:22,870 --> 00:25:20,559

them the moment i walked away from her i

664

00:25:24,710 --> 00:25:22,880

didn't see the being again and

665

00:25:26,870 --> 00:25:24,720

you know i

666

00:25:28,630 --> 00:25:26,880

i stopped dropped the gaze and and

667

00:25:30,789 --> 00:25:28,640

walked away and checked on my siblings

668

00:25:33,110 --> 00:25:30,799

and that was my experience that was sort

669

00:25:35,029 --> 00:25:33,120

of the extent of my experience

670

00:25:36,950 --> 00:25:35,039

now when you were when you made eye

671

00:25:39,830 --> 00:25:36,960

contact did you feel there was an

672

00:25:46,470 --> 00:25:42,870

i don't know if i knew i would even have

673

00:25:50,070 --> 00:25:46,480

known what that was at that time um

674

00:25:51,990 --> 00:25:50,080

to be honest i i don't i don't know um

675

00:25:55,350 --> 00:25:52,000

i felt

676

00:25:58,470 --> 00:25:55,360

this thing

677

00:26:00,230 --> 00:25:58,480

knew me knew some things

678

00:26:01,830 --> 00:26:00,240

about me knew some things about a lot of

679

00:26:03,510 --> 00:26:01,840

things if that makes sense and i think i

680

00:26:05,909 --> 00:26:03,520

told that to my mom one time when she

681

00:26:07,430 --> 00:26:05,919

asked me like what do you you know what

682

00:26:09,590 --> 00:26:07,440

do you think

683

00:26:11,029 --> 00:26:09,600

the point of this was and i said i don't

684

00:26:12,710 --> 00:26:11,039

know i think

685

00:26:15,590 --> 00:26:12,720

i think i'm supposed to know some i

686

00:26:17,110 --> 00:26:15,600

think that these things came

687

00:26:18,470 --> 00:26:17,120

because they know a lot of things about

688

00:26:20,310 --> 00:26:18,480

the earth and they're trying to tell us

689

00:26:21,990 --> 00:26:20,320

some things they know some things but i

690

00:26:25,029 --> 00:26:22,000

don't know what those things are and at

691

00:26:26,470 --> 00:26:25,039

11 you know i remember her looking at me

692

00:26:28,390 --> 00:26:26,480

like okay that's

693

00:26:31,029 --> 00:26:28,400

it's quite existential but i mean i

694

00:26:32,149 --> 00:26:31,039

didn't know what that was i had no idea

695

00:26:33,669 --> 00:26:32,159

and i think that that's something i'm

696

00:26:36,230 --> 00:26:33,679

still discovering

697

00:26:39,029 --> 00:26:36,240

i don't believe i have any one answer

698

00:26:41,269 --> 00:26:39,039

um it's something that unravels

699

00:26:43,510 --> 00:26:41,279

with each day with each year the more

700

00:26:46,149 --> 00:26:43,520

that i talk about it the more

701  
00:26:47,669 --> 00:26:46,159  
clarity i get so i have randall to thank

702  
00:26:48,950 --> 00:26:47,679  
for that because i didn't for a very

703  
00:26:51,990 --> 00:26:48,960  
very long time

704  
00:26:54,230 --> 00:26:52,000  
yes yeah i i totally get that um i've

705  
00:26:56,390 --> 00:26:54,240  
talked to people like travis walton i'm

706  
00:26:58,310 --> 00:26:56,400  
sure you've heard his name yes before

707  
00:26:59,909 --> 00:26:58,320  
and it was a long time

708  
00:27:01,750 --> 00:26:59,919  
oh it was a long time he just didn't

709  
00:27:03,430 --> 00:27:01,760  
even want to deal with it or talk about

710  
00:27:05,830 --> 00:27:03,440  
her to think about it

711  
00:27:08,230 --> 00:27:05,840  
you know one of the girls that

712  
00:27:10,710 --> 00:27:08,240  
dr mack interviewed

713  
00:27:14,149 --> 00:27:10,720

um every time i see that clip i get

714

00:27:17,029 --> 00:27:14,159

goosebumps and that is um

715

00:27:19,190 --> 00:27:17,039

she says they he asked what do you think

716

00:27:20,789 --> 00:27:19,200

they wanted or i'm not sure exactly what

717

00:27:22,710 --> 00:27:20,799

his question was

718

00:27:24,950 --> 00:27:22,720

but she looks back at him and

719

00:27:27,029 --> 00:27:24,960

like they were interested she said that

720

00:27:29,350 --> 00:27:27,039

like they were interested and for some

721

00:27:31,830 --> 00:27:29,360

reason that just gives me goosebumps

722

00:27:35,430 --> 00:27:31,840

like again it's almost like

723

00:27:36,870 --> 00:27:35,440

she's describing them looking into her

724

00:27:39,590 --> 00:27:36,880

yes yes

725

00:27:40,789 --> 00:27:39,600

absolutely it was

726

00:27:44,310 --> 00:27:40,799

it was very

727

00:27:45,590 --> 00:27:44,320

mentioned the um

728

00:27:47,510 --> 00:27:45,600

the you

729

00:27:49,750 --> 00:27:47,520

posed the analogy of like the when you

730

00:27:51,350 --> 00:27:49,760

have a car accident time slows down well

731

00:27:53,269 --> 00:27:51,360

i didn't have a car accident but i was

732

00:27:55,269 --> 00:27:53,279

hit by a by a truck

733

00:27:56,950 --> 00:27:55,279

um a number of years like four years

734

00:27:58,230 --> 00:27:56,960

prior to this experience and that's how

735

00:28:00,149 --> 00:27:58,240

it felt for me

736

00:28:02,470 --> 00:28:00,159

so um that's kind of just crazy that you

737

00:28:03,830 --> 00:28:02,480

mentioned that and that's not really

738

00:28:05,830 --> 00:28:03,840

something a lot of people know about me

739

00:28:09,590 --> 00:28:05,840

i don't know if the two are interrelated

740

00:28:11,990 --> 00:28:09,600

i have no idea they maybe are not but um

741

00:28:13,110 --> 00:28:12,000

it's i've always felt that it's it's

742

00:28:14,950 --> 00:28:13,120

something

743

00:28:17,430 --> 00:28:14,960

that i can add to the experience of who

744

00:28:19,750 --> 00:28:17,440

i am and there's a reason why

745

00:28:22,070 --> 00:28:19,760

i experienced both those things

746

00:28:24,070 --> 00:28:22,080

yeah whether they're related or not

747

00:28:27,110 --> 00:28:24,080

i do want to talk to you how your life

748

00:28:28,470 --> 00:28:27,120

has been going and all that but a couple

749

00:28:29,350 --> 00:28:28,480

of things first

750

00:28:30,870 --> 00:28:29,360

um

751  
00:28:32,389 --> 00:28:30,880  
and that is uh

752  
00:28:33,110 --> 00:28:32,399  
how do you feel when people are trying

753  
00:28:35,510 --> 00:28:33,120  
to

754  
00:28:37,750 --> 00:28:35,520  
like debunk the whole thing or first of

755  
00:28:39,830 --> 00:28:37,760  
all i want to ask you in the beginning

756  
00:28:42,070 --> 00:28:39,840  
right after this happened did anyone try

757  
00:28:45,430 --> 00:28:42,080  
to talk you out of what you saw

758  
00:28:47,909 --> 00:28:45,440  
absolutely oh my gosh almost everybody

759  
00:28:49,430 --> 00:28:47,919  
my parents didn't uh yeah my parents

760  
00:28:52,389 --> 00:28:49,440  
didn't and of course

761  
00:28:53,909 --> 00:28:52,399  
people who interviewed us

762  
00:28:56,149 --> 00:28:53,919  
there were very few people that i

763  
00:28:57,830 --> 00:28:56,159

actually felt comfortably enough

764

00:29:00,630 --> 00:28:57,840

with who there were few people that i

765

00:29:02,870 --> 00:29:00,640

felt actually were genuinely interested

766

00:29:04,710 --> 00:29:02,880

in what and what we had experienced

767

00:29:07,190 --> 00:29:04,720

rather than just having a news story if

768

00:29:10,070 --> 00:29:07,200

that makes sense and even at 11 you can

769

00:29:11,430 --> 00:29:10,080

tell like people who are just like there

770

00:29:15,029 --> 00:29:11,440

to

771

00:29:16,549 --> 00:29:15,039

see sort of going through the general

772

00:29:18,549 --> 00:29:16,559

questions what did you see what did you

773

00:29:20,870 --> 00:29:18,559

hear you know there were there were some

774

00:29:22,549 --> 00:29:20,880

people who were a lot more in depth like

775

00:29:24,149 --> 00:29:22,559

dr mack um

776  
00:29:25,510 --> 00:29:24,159  
and a few other people i think there was

777  
00:29:27,830 --> 00:29:25,520  
an interview

778  
00:29:29,750 --> 00:29:27,840  
a journalist from bbc who who was who

779  
00:29:30,710 --> 00:29:29,760  
was different too just in his in the

780  
00:29:32,789 --> 00:29:30,720  
approach

781  
00:29:34,549 --> 00:29:32,799  
um

782  
00:29:37,110 --> 00:29:34,559  
and i so i didn't always feel that

783  
00:29:39,350 --> 00:29:37,120  
people really even journalists and

784  
00:29:41,110 --> 00:29:39,360  
professionals or quote experts at the

785  
00:29:44,549 --> 00:29:41,120  
time um

786  
00:29:46,230 --> 00:29:44,559  
really believed in what we had seen

787  
00:29:49,110 --> 00:29:46,240  
and there were a lot of people who who

788  
00:29:51,510 --> 00:29:49,120

tried to debunk that um

789

00:29:54,230 --> 00:29:51,520

a lot so that that had a lot to do with

790

00:29:56,789 --> 00:29:54,240

why i just didn't talk about it does it

791

00:29:57,669 --> 00:29:56,799

upset you now because i know there's if

792

00:29:59,350 --> 00:29:57,679

you

793

00:30:01,190 --> 00:29:59,360

i've done a little research ahead of

794

00:30:03,269 --> 00:30:01,200

this show and there are people out there

795

00:30:05,110 --> 00:30:03,279

of course calling it a hoax and like you

796

00:30:07,669 --> 00:30:05,120

know and i laugh at that because you

797

00:30:09,669 --> 00:30:07,679

know i can't imagine school children

798

00:30:10,950 --> 00:30:09,679

putting together such an elaborate folks

799

00:30:12,870 --> 00:30:10,960

that's ridiculous

800

00:30:15,350 --> 00:30:12,880

school children martin in a southern

801  
00:30:18,389 --> 00:30:15,360  
african country with no internet very

802  
00:30:20,950 --> 00:30:18,399  
few people having cable have no outside

803  
00:30:23,350 --> 00:30:20,960  
or very little not no but very limited

804  
00:30:25,669 --> 00:30:23,360  
access to outside influence about what

805  
00:30:27,269 --> 00:30:25,679  
ufos are or could be or

806  
00:30:29,510 --> 00:30:27,279  
whatever like

807  
00:30:32,389 --> 00:30:29,520  
yeah we we had nothing else to do but

808  
00:30:33,909 --> 00:30:32,399  
come up with this hoax these you know 11

809  
00:30:35,990 --> 00:30:33,919  
year old children

810  
00:30:39,190 --> 00:30:36,000  
um zimbabwe coming up with this i'm like

811  
00:30:41,430 --> 00:30:39,200  
no i it doesn't upset me it used to

812  
00:30:43,590 --> 00:30:41,440  
but i think that as i've gotten older i

813  
00:30:46,870 --> 00:30:43,600

have realized that there's obviously a

814

00:30:50,230 --> 00:30:46,880

reason why randall found me so so so

815

00:30:52,789 --> 00:30:50,240

many years later he literally did like

816

00:30:56,070 --> 00:30:52,799

track me down in chicago took some time

817

00:30:57,750 --> 00:30:56,080

for me to actually believe him and and

818

00:31:00,149 --> 00:30:57,760

and and like

819

00:31:02,230 --> 00:31:00,159

respond to him because i thought it was

820

00:31:03,269 --> 00:31:02,240

a joke but

821

00:31:07,110 --> 00:31:03,279

connecting

822

00:31:09,430 --> 00:31:07,120

means that i've been able to reconnect

823

00:31:11,029 --> 00:31:09,440

with my experience and so with that

824

00:31:13,430 --> 00:31:11,039

comes a whole bunch of

825

00:31:15,830 --> 00:31:13,440

of other things of understanding of what

826

00:31:18,149 --> 00:31:15,840

that experience could mean um and i

827

00:31:20,149 --> 00:31:18,159

don't pretend to have an answer now nor

828

00:31:22,789 --> 00:31:20,159

will i tomorrow but i think over the

829

00:31:25,750 --> 00:31:22,799

course of my life i absolutely will um

830

00:31:28,310 --> 00:31:25,760

it also has encouraged me to speak out

831

00:31:29,510 --> 00:31:28,320

about what i have seen because i believe

832

00:31:32,070 --> 00:31:29,520

in what i saw and i thought well

833

00:31:34,950 --> 00:31:32,080

suppressing it indicates that i don't

834

00:31:37,509 --> 00:31:34,960

believe in what i saw regardless of what

835

00:31:39,509 --> 00:31:37,519

everybody else thinks or may think

836

00:31:40,950 --> 00:31:39,519

wow that's really interesting

837

00:31:42,470 --> 00:31:40,960

and you know i gotta say something if i

838

00:31:44,789 --> 00:31:42,480

can jump in real quick cause yeah go

839

00:31:47,029 --> 00:31:44,799

ahead randy yeah i mean this is not just

840

00:31:48,710 --> 00:31:47,039

a few people and

841

00:31:51,269 --> 00:31:48,720

uh you know there were there were many

842

00:31:52,789 --> 00:31:51,279

witnesses outside this the school that

843

00:31:54,070 --> 00:31:52,799

were adults that had their own

844

00:31:56,149 --> 00:31:54,080

experience

845

00:31:58,549 --> 00:31:56,159

with uh either this crime mostly with

846

00:32:01,110 --> 00:31:58,559

this craft but there was a person after

847

00:32:03,110 --> 00:32:01,120

the day after ariel i mean there's a lot

848

00:32:06,149 --> 00:32:03,120

more than uh

849

00:32:08,070 --> 00:32:06,159

there's a lot of other facts that have

850

00:32:09,909 --> 00:32:08,080

come forward over the long time that

851  
00:32:12,630 --> 00:32:09,919  
i've been making this film

852  
00:32:14,710 --> 00:32:12,640  
that give a lot of validity to

853  
00:32:16,950 --> 00:32:14,720  
all the children's testimony

854  
00:32:19,269 --> 00:32:16,960  
randy wasn't there a lot of sightings in

855  
00:32:21,669 --> 00:32:19,279  
the area after that i don't know about

856  
00:32:24,710 --> 00:32:21,679  
before that but after that there

857  
00:32:27,590 --> 00:32:24,720  
there were on uh on the day before the

858  
00:32:30,789 --> 00:32:27,600  
night before the morning of the aerial

859  
00:32:33,909 --> 00:32:30,799  
event on a farm near the aerial school

860  
00:32:35,430 --> 00:32:33,919  
uh and the day after on that saturday it

861  
00:32:37,029 --> 00:32:35,440  
was in the evening

862  
00:32:38,149 --> 00:32:37,039  
uh so there's yeah there's just a lot

863  
00:32:40,549 --> 00:32:38,159

there was a

864

00:32:42,470 --> 00:32:40,559

a pilot that was flying at three pilots

865

00:32:44,630 --> 00:32:42,480

actually that were flying at twenty five

866

00:32:47,029 --> 00:32:44,640

thousand feet the night before

867

00:32:49,110 --> 00:32:47,039

uh they actually

868

00:32:50,630 --> 00:32:49,120

had all seen this thing fly by and they

869

00:32:51,990 --> 00:32:50,640

couldn't explain it

870

00:32:54,470 --> 00:32:52,000

it um

871

00:32:56,470 --> 00:32:54,480

it disturbed them enough to uh get back

872

00:32:58,870 --> 00:32:56,480

to johannesburg airport where they're

873

00:33:00,789 --> 00:32:58,880

flying from botswana so they're passing

874

00:33:03,669 --> 00:33:00,799

the zimbabwean border

875

00:33:05,350 --> 00:33:03,679

uh when they saw this and uh

876

00:33:07,110 --> 00:33:05,360

enough to ask the radar controller did

877

00:33:08,630 --> 00:33:07,120

you see anything on radar because this

878

00:33:11,029 --> 00:33:08,640

thing had apparently appeared on their

879

00:33:12,870 --> 00:33:11,039

left-hand wing flew across that they're

880

00:33:14,870 --> 00:33:12,880

right directly in front of them

881

00:33:17,029 --> 00:33:14,880

and cross the entire horizon in four

882

00:33:19,190 --> 00:33:17,039

seconds which is unheard of

883

00:33:22,070 --> 00:33:19,200

um and you know these guys see

884

00:33:23,430 --> 00:33:22,080

meteorites and that you know uh

885

00:33:26,149 --> 00:33:23,440

satellite re-entries in that all the

886

00:33:29,110 --> 00:33:26,159

time and they actually had it on radar

887

00:33:31,669 --> 00:33:29,120

for a few seconds at in johannesburg

888

00:33:33,509 --> 00:33:31,679

airport anyway this is just one of many

889

00:33:37,430 --> 00:33:33,519

many other uh things that give a

890

00:33:39,430 --> 00:33:37,440

validity to uh salma and many others

891

00:33:40,950 --> 00:33:39,440

that were there that day

892

00:33:43,430 --> 00:33:40,960

thank you randy i'm going to be talking

893

00:33:45,269 --> 00:33:43,440

to you in a little bit um about how you

894

00:33:46,870 --> 00:33:45,279

put this film together and all that but

895

00:33:48,870 --> 00:33:46,880

thanks for and anytime you want to jump

896

00:33:50,230 --> 00:33:48,880

in that's great anytime you want to jump

897

00:33:52,149 --> 00:33:50,240

into the comment

898

00:33:54,549 --> 00:33:52,159

i was wondering if the pilots described

899

00:33:57,190 --> 00:33:54,559

the the

900

00:33:59,750 --> 00:33:57,200

go ahead if the if the pilots described

901  
00:34:02,389 --> 00:33:59,760  
the object the same as the children did

902  
00:34:04,070 --> 00:34:02,399  
they described it as a ball of light

903  
00:34:06,470 --> 00:34:04,080  
that's exact that's all he could say it

904  
00:34:08,710 --> 00:34:06,480  
was a ball of light that it he actually

905  
00:34:10,069 --> 00:34:08,720  
they all thought it was another plane

906  
00:34:11,510 --> 00:34:10,079  
there were two planes in the air at the

907  
00:34:13,270 --> 00:34:11,520  
time and they thought it was the plane

908  
00:34:15,750 --> 00:34:13,280  
that was coming to formate these were

909  
00:34:17,430 --> 00:34:15,760  
two commercial airlines and they were

910  
00:34:18,869 --> 00:34:17,440  
you know in africa you can actually fly

911  
00:34:21,270 --> 00:34:18,879  
in formation and you can get away with

912  
00:34:23,589 --> 00:34:21,280  
it um but

913  
00:34:26,230 --> 00:34:23,599

they had mistaken you can

914

00:34:28,230 --> 00:34:26,240

a lot of things happen in ivory so

915

00:34:30,629 --> 00:34:28,240

uh he had thought it was on his right

916

00:34:32,310 --> 00:34:30,639

hand side the pilot said no i'm on your

917

00:34:35,190 --> 00:34:32,320

left hand side he said well what's that

918

00:34:37,270 --> 00:34:35,200

on my right hand side and and they both

919

00:34:38,790 --> 00:34:37,280

all three of them the two pilots in one

920

00:34:40,069 --> 00:34:38,800

plane and the one in the other all saw

921

00:34:41,589 --> 00:34:40,079

this ball and that's how they described

922

00:34:43,030 --> 00:34:41,599

it was a ball of light

923

00:34:44,790 --> 00:34:43,040

and they were looking at it for a while

924

00:34:46,069 --> 00:34:44,800

and they and then it crossed their right

925

00:34:47,349 --> 00:34:46,079

in front of them

926  
00:34:49,190 --> 00:34:47,359  
and uh

927  
00:34:51,030 --> 00:34:49,200  
the speed just was incredible at that

928  
00:34:53,349 --> 00:34:51,040  
when you have 25 000 feet you have a

929  
00:34:55,270 --> 00:34:53,359  
much bigger horizon it's a much larger

930  
00:34:56,550 --> 00:34:55,280  
distance across the planet

931  
00:34:58,390 --> 00:34:56,560  
um

932  
00:35:00,790 --> 00:34:58,400  
so to disappear like that within four

933  
00:35:02,470 --> 00:35:00,800  
seconds was highly unusual for them i

934  
00:35:05,510 --> 00:35:02,480  
guess anything going that fast turns

935  
00:35:07,910 --> 00:35:05,520  
into a ball of light right probably

936  
00:35:10,390 --> 00:35:07,920  
well randy um didn't didn't some of the

937  
00:35:12,310 --> 00:35:10,400  
kids say that they saw a ball of light

938  
00:35:13,670 --> 00:35:12,320

and it turned into the disc or am i

939

00:35:15,670 --> 00:35:13,680

getting that wrong

940

00:35:18,310 --> 00:35:15,680

uh several of the kids said that they

941

00:35:20,710 --> 00:35:18,320

saw a flash of light in the sky

942

00:35:22,310 --> 00:35:20,720

yeah okay before all this stuff happened

943

00:35:24,630 --> 00:35:22,320

there was a lot that happened you know

944

00:35:25,750 --> 00:35:24,640

there was a lot that happened beforehand

945

00:35:27,349 --> 00:35:25,760

um

946

00:35:29,270 --> 00:35:27,359

that peop that

947

00:35:32,069 --> 00:35:29,280

several of the children had seen in the

948

00:35:34,390 --> 00:35:32,079

sky um

949

00:35:37,190 --> 00:35:34,400

some say there was a flash of light some

950

00:35:39,430 --> 00:35:37,200

have had actually seen this silver thing

951  
00:35:41,670 --> 00:35:39,440  
and then but there was a flash of light

952  
00:35:44,550 --> 00:35:41,680  
involved that i do know everybody a lot

953  
00:35:46,310 --> 00:35:44,560  
of people at least had reported that um

954  
00:35:48,310 --> 00:35:46,320  
and then it was uh the next thing that

955  
00:35:49,990 --> 00:35:48,320  
happened was it was on the ground

956  
00:35:51,750 --> 00:35:50,000  
or hovering above the ground

957  
00:35:53,270 --> 00:35:51,760  
great thank you yeah

958  
00:35:55,349 --> 00:35:53,280  
uh selma so

959  
00:35:57,910 --> 00:35:55,359  
in the chat room we had a question

960  
00:35:59,910 --> 00:35:57,920  
someone now you have described the being

961  
00:36:01,829 --> 00:35:59,920  
or beings whichever they were but what

962  
00:36:03,510 --> 00:36:01,839  
about the craft itself can you describe

963  
00:36:04,470 --> 00:36:03,520

that

964

00:36:07,270 --> 00:36:04,480

um

965

00:36:09,430 --> 00:36:07,280

or did you even pay attention to that uh

966

00:36:12,550 --> 00:36:09,440

with the being being there

967

00:36:15,750 --> 00:36:12,560

the being was what i remember most if

968

00:36:18,390 --> 00:36:15,760

i'm being honest um the craft i i do

969

00:36:20,150 --> 00:36:18,400

remember drawing a craft so i i i

970

00:36:22,470 --> 00:36:20,160

remember seeing

971

00:36:24,230 --> 00:36:22,480

some part of it i don't even know the

972

00:36:26,550 --> 00:36:24,240

extent of what i saw

973

00:36:28,630 --> 00:36:26,560

in terms of size um but i would say

974

00:36:30,630 --> 00:36:28,640

maybe like a

975

00:36:32,950 --> 00:36:30,640

like a it was

976  
00:36:35,750 --> 00:36:32,960  
silver-esque

977  
00:36:38,550 --> 00:36:35,760  
in color um maybe

978  
00:36:39,670 --> 00:36:38,560  
sort of like disc shaped ish

979  
00:36:40,870 --> 00:36:39,680  
um

980  
00:36:44,470 --> 00:36:40,880  
but

981  
00:36:44,850 --> 00:36:44,480  
it was it was a a type of

982  
00:36:45,990 --> 00:36:44,860  
um

983  
00:36:47,910 --> 00:36:46,000  
[Music]

984  
00:36:50,550 --> 00:36:47,920  
metal or

985  
00:36:52,630 --> 00:36:50,560  
fabrication that i i'd never seen before

986  
00:36:54,790 --> 00:36:52,640  
and my dad is a steel fabricator so i

987  
00:36:56,710 --> 00:36:54,800  
could say that steel that's you know

988  
00:36:58,470 --> 00:36:56,720

that's aluminium or whatever but i had

989

00:37:01,109 --> 00:36:58,480

never seen anything like that before so

990

00:37:03,190 --> 00:37:01,119

i have no idea what it was it was it was

991

00:37:04,710 --> 00:37:03,200

completely unusual and i say

992

00:37:06,470 --> 00:37:04,720

silver-esque because it wasn't quite

993

00:37:09,190 --> 00:37:06,480

silver but it was look it's the closest

994

00:37:10,310 --> 00:37:09,200

thing i could i could

995

00:37:12,710 --> 00:37:10,320

link it to

996

00:37:14,630 --> 00:37:12,720

do you remember any type of seams or

997

00:37:16,069 --> 00:37:14,640

anything like that or was it did it look

998

00:37:17,990 --> 00:37:16,079

smooth i mean

999

00:37:19,990 --> 00:37:18,000

do is there any other detail about it

1000

00:37:21,589 --> 00:37:20,000

that you remember and also

1001  
00:37:23,190 --> 00:37:21,599  
some of the kids thought it was floating

1002  
00:37:25,190 --> 00:37:23,200  
a little bit off the ground did you

1003  
00:37:27,990 --> 00:37:25,200  
happen to notice that as well

1004  
00:37:30,710 --> 00:37:28,000  
i didn't notice it floating um i did

1005  
00:37:31,990 --> 00:37:30,720  
notice it and i noticed flashing lights

1006  
00:37:34,470 --> 00:37:32,000  
at first

1007  
00:37:36,390 --> 00:37:34,480  
i think there were some

1008  
00:37:38,150 --> 00:37:36,400  
there were some very interesting

1009  
00:37:41,190 --> 00:37:38,160  
maybe patterns i don't know if they were

1010  
00:37:42,790 --> 00:37:41,200  
seams per se but they were patterns um

1011  
00:37:45,270 --> 00:37:42,800  
and i don't really know how to describe

1012  
00:37:49,190 --> 00:37:45,280  
them but they were a lot darker than the

1013  
00:37:50,950 --> 00:37:49,200

color of the of the craft itself um

1014

00:37:53,030 --> 00:37:50,960

but they were like some form of patterns

1015

00:37:55,430 --> 00:37:53,040

on on

1016

00:37:56,550 --> 00:37:55,440

like the top half of the craft if that

1017

00:37:57,990 --> 00:37:56,560

makes sense

1018

00:38:01,109 --> 00:37:58,000

wow that's really

1019

00:38:03,349 --> 00:38:01,119

really fascinating now how were your

1020

00:38:05,430 --> 00:38:03,359

fellow schoolmates did anyone like

1021

00:38:06,630 --> 00:38:05,440

absolutely lose it or was everyone

1022

00:38:08,069 --> 00:38:06,640

maintaining

1023

00:38:11,109 --> 00:38:08,079

calmness through this whole thing the

1024

00:38:11,990 --> 00:38:11,119

quorum no people people started crying

1025

00:38:14,550 --> 00:38:12,000

um

1026

00:38:17,510 --> 00:38:14,560

after a while because panic

1027

00:38:19,990 --> 00:38:17,520

you know if you think of like

1028

00:38:22,230 --> 00:38:20,000

you see so few people gather in a in an

1029

00:38:23,670 --> 00:38:22,240

area it's not so much of a big deal then

1030

00:38:25,910 --> 00:38:23,680

more people come then more people come

1031

00:38:27,190 --> 00:38:25,920

and then everybody's confused by what

1032

00:38:29,109 --> 00:38:27,200

they're looking at because we don't

1033

00:38:31,589 --> 00:38:29,119

understand what we're looking at and

1034

00:38:34,390 --> 00:38:31,599

then one person started crying and then

1035

00:38:37,109 --> 00:38:34,400

it just took off from there and i think

1036

00:38:38,470 --> 00:38:37,119

that's when i let go of emma's hand

1037

00:38:40,310 --> 00:38:38,480

and went to check on my brother and

1038

00:38:42,630 --> 00:38:40,320

sister because i was like oh no i'm not

1039

00:38:45,109 --> 00:38:42,640

having them in a panic but incidentally

1040

00:38:48,310 --> 00:38:45,119

that entire half of the playground where

1041

00:38:50,150 --> 00:38:48,320

the grade one through grade fours were

1042

00:38:51,910 --> 00:38:50,160

nobody had any experience on that half

1043

00:38:53,589 --> 00:38:51,920

of the playground they were playing like

1044

00:38:56,870 --> 00:38:53,599

nothing had happened it was almost as

1045

00:38:58,550 --> 00:38:56,880

though we were in two separate worlds

1046

00:39:02,790 --> 00:38:58,560

like we were looking at each other

1047

00:39:05,349 --> 00:39:02,800

like just ex same day same time just

1048

00:39:07,109 --> 00:39:05,359

experiencing completely different things

1049

00:39:09,190 --> 00:39:07,119

and the experience was happening all on

1050

00:39:11,670 --> 00:39:09,200

this end and nothing was happening on

1051

00:39:12,950 --> 00:39:11,680

this end um because my brother and

1052

00:39:14,710 --> 00:39:12,960

sister were looking at me like what are

1053

00:39:17,750 --> 00:39:14,720

you talking about we're fine there was

1054

00:39:20,150 --> 00:39:17,760

nobody crying on that end and and yet in

1055

00:39:22,710 --> 00:39:20,160

the big kids playground

1056

00:39:24,550 --> 00:39:22,720

panic had ensued and that's when

1057

00:39:26,230 --> 00:39:24,560

somebody went to call

1058

00:39:27,670 --> 00:39:26,240

the teachers from the from the staff

1059

00:39:29,589 --> 00:39:27,680

meeting

1060

00:39:31,589 --> 00:39:29,599

i know you said that time moved very

1061

00:39:34,390 --> 00:39:31,599

very slowly for you

1062

00:39:36,230 --> 00:39:34,400

but would you be able to guess about how

1063

00:39:37,829 --> 00:39:36,240

long this whole thing

1064

00:39:39,270 --> 00:39:37,839

may have taken place after you talk to

1065

00:39:41,750 --> 00:39:39,280

other people

1066

00:39:44,310 --> 00:39:41,760

no not a clue could have been a blink of

1067

00:39:47,190 --> 00:39:44,320

an eye honestly because we've we've

1068

00:39:49,589 --> 00:39:47,200

spoken about it um a few of us

1069

00:39:51,589 --> 00:39:49,599

over the course of the you know the last

1070

00:39:52,950 --> 00:39:51,599

couple of years to try and

1071

00:39:54,950 --> 00:39:52,960

figure out this

1072

00:39:56,550 --> 00:39:54,960

time thing and a lot of us didn't even

1073

00:39:58,069 --> 00:39:56,560

really realize there was this time thing

1074

00:39:59,670 --> 00:39:58,079

that had happened to all of us until we

1075

00:40:01,829 --> 00:39:59,680

started talking about it and you're like

1076

00:40:03,190 --> 00:40:01,839

oh my gosh yes i remember that and do

1077

00:40:05,030 --> 00:40:03,200

you remember like did you get this

1078

00:40:07,750 --> 00:40:05,040

feeling and it's like yes so how much

1079

00:40:09,910 --> 00:40:07,760

time do you think it was i have no clue

1080

00:40:11,990 --> 00:40:09,920

honestly i could not tell you it could

1081

00:40:13,910 --> 00:40:12,000

have been a blink it could have been

1082

00:40:15,270 --> 00:40:13,920

20 minutes it could have been 30 minutes

1083

00:40:17,750 --> 00:40:15,280

i don't know

1084

00:40:20,310 --> 00:40:17,760

break was still going on so

1085

00:40:22,550 --> 00:40:20,320

yeah it was still during the break

1086

00:40:24,710 --> 00:40:22,560

now as far as you know were any of the

1087

00:40:26,310 --> 00:40:24,720

children at all in denial of the whole

1088

00:40:28,870 --> 00:40:26,320

thing

1089

00:40:30,950 --> 00:40:28,880

um i mean not that i know of i think

1090

00:40:32,550 --> 00:40:30,960

there may be some people who chose not

1091

00:40:36,470 --> 00:40:32,560

to talk about it

1092

00:40:38,470 --> 00:40:36,480

um of course who maybe did see

1093

00:40:40,950 --> 00:40:38,480

something similar something more i have

1094

00:40:42,550 --> 00:40:40,960

no idea um

1095

00:40:43,829 --> 00:40:42,560

most of the people

1096

00:40:46,950 --> 00:40:43,839

there are also a lot of people on the

1097

00:40:48,870 --> 00:40:46,960

playground who did not see anything

1098

00:40:51,349 --> 00:40:48,880

you know who who were who were in our

1099

00:40:53,270 --> 00:40:51,359

year and who were in the exact same part

1100

00:40:54,310 --> 00:40:53,280

of the playground who did not see

1101  
00:40:56,390 --> 00:40:54,320  
anything

1102  
00:40:58,710 --> 00:40:56,400  
isn't that amazing yeah i think you know

1103  
00:41:01,510 --> 00:40:58,720  
there's also uh

1104  
00:41:03,030 --> 00:41:01,520  
that's true um and also there's a the

1105  
00:41:05,510 --> 00:41:03,040  
great ones and twos were never

1106  
00:41:07,670 --> 00:41:05,520  
interviewed uh and they were never taken

1107  
00:41:08,870 --> 00:41:07,680  
into account as far as what they had

1108  
00:41:11,030 --> 00:41:08,880  
seen

1109  
00:41:12,230 --> 00:41:11,040  
um i just wanted to throw that in there

1110  
00:41:14,309 --> 00:41:12,240  
that they're

1111  
00:41:16,870 --> 00:41:14,319  
the great there were several

1112  
00:41:18,470 --> 00:41:16,880  
uh grade ones and twos who were never

1113  
00:41:20,710 --> 00:41:18,480

interviewed that i have interviewed that

1114

00:41:22,309 --> 00:41:20,720

that witnessed that that day

1115

00:41:23,910 --> 00:41:22,319

that um

1116

00:41:26,230 --> 00:41:23,920

so you know they all they talk about

1117

00:41:28,309 --> 00:41:26,240

this number of being 60 children

1118

00:41:30,870 --> 00:41:28,319

i personally think it was a lot more

1119

00:41:33,190 --> 00:41:30,880

than that um

1120

00:41:34,550 --> 00:41:33,200

because of the grade ones and twos that

1121

00:41:38,950 --> 00:41:34,560

were not uh

1122

00:41:40,230 --> 00:41:38,960

didn't do uh personal interviews at that

1123

00:41:41,750 --> 00:41:40,240

time with them because the school wanted

1124

00:41:44,470 --> 00:41:41,760

to protect them

1125

00:41:46,390 --> 00:41:44,480

uh that came from the headmaster himself

1126

00:41:49,829 --> 00:41:46,400

um but yeah it is odd that there were

1127

00:41:51,510 --> 00:41:49,839

some people uh that did not see anything

1128

00:41:54,550 --> 00:41:51,520

at all uh

1129

00:41:55,990 --> 00:41:54,560

that were there um and it did it did

1130

00:41:56,950 --> 00:41:56,000

also

1131

00:41:59,270 --> 00:41:56,960

uh

1132

00:42:00,829 --> 00:41:59,280

seem to rely on where they were you know

1133

00:42:03,349 --> 00:42:00,839

their position on the

1134

00:42:05,430 --> 00:42:03,359

field uh i think everybody at the edge

1135

00:42:07,109 --> 00:42:05,440

of the playground i think everybody most

1136

00:42:08,309 --> 00:42:07,119

everybody saw that

1137

00:42:10,309 --> 00:42:08,319

um

1138

00:42:12,150 --> 00:42:10,319

but uh

1139

00:42:14,390 --> 00:42:12,160

and they you know everybody saw it from

1140

00:42:15,910 --> 00:42:14,400

their own perspective you know

1141

00:42:17,030 --> 00:42:15,920

certain things certain people saw it

1142

00:42:18,550 --> 00:42:17,040

from

1143

00:42:19,910 --> 00:42:18,560

uh

1144

00:42:21,349 --> 00:42:19,920

saw different things because of the

1145

00:42:23,510 --> 00:42:21,359

position they were in

1146

00:42:24,550 --> 00:42:23,520

anyway i just wanted to say that

1147

00:42:26,230 --> 00:42:24,560

yeah thank you

1148

00:42:28,710 --> 00:42:26,240

yeah

1149

00:42:30,150 --> 00:42:28,720

so uh selma

1150

00:42:31,589 --> 00:42:30,160

there was a question that came in the

1151  
00:42:34,309 --> 00:42:31,599  
chat room

1152  
00:42:36,470 --> 00:42:34,319  
um do you talk with any students as

1153  
00:42:37,670 --> 00:42:36,480  
adults about the incident now you kind

1154  
00:42:39,829 --> 00:42:37,680  
of mentioned that you kind of put this

1155  
00:42:41,510 --> 00:42:39,839  
away for a while but now that it's come

1156  
00:42:43,510 --> 00:42:41,520  
back into your life

1157  
00:42:46,150 --> 00:42:43,520  
have you been able to engage with fellow

1158  
00:42:50,069 --> 00:42:46,160  
students now about this

1159  
00:42:51,990 --> 00:42:50,079  
yes um three in particular um

1160  
00:42:53,990 --> 00:42:52,000  
we spoke we first

1161  
00:42:55,270 --> 00:42:54,000  
spoke and saw each other for the first

1162  
00:42:56,870 --> 00:42:55,280  
time since

1163  
00:42:58,470 --> 00:42:56,880

since the incident

1164

00:42:59,230 --> 00:42:58,480

uh

1165

00:43:04,630 --> 00:42:59,240

in

1166

00:43:08,950 --> 00:43:04,640

we've been able to

1167

00:43:11,589 --> 00:43:08,960

more about

1168

00:43:14,230 --> 00:43:11,599

our own experiences and and how our

1169

00:43:16,150 --> 00:43:14,240

experiences have shaped us

1170

00:43:18,069 --> 00:43:16,160

but it took a long time and and i

1171

00:43:19,910 --> 00:43:18,079

wouldn't say i talked to everyone who

1172

00:43:21,430 --> 00:43:19,920

has had this experience because i'm not

1173

00:43:23,670 --> 00:43:21,440

really i mean everybody has their own

1174

00:43:27,589 --> 00:43:23,680

lives but there are there are three at

1175

00:43:29,910 --> 00:43:27,599

least three whom i do i do connect with

1176

00:43:31,910 --> 00:43:29,920

that's great um now

1177

00:43:34,470 --> 00:43:31,920

uh randy and you have both just talked

1178

00:43:36,069 --> 00:43:34,480

about different perspectives and some

1179

00:43:38,069 --> 00:43:36,079

people not seeing it

1180

00:43:40,309 --> 00:43:38,079

how about the recounting of this you

1181

00:43:42,069 --> 00:43:40,319

know a lot of times i talk about memory

1182

00:43:43,829 --> 00:43:42,079

is infallible and

1183

00:43:45,589 --> 00:43:43,839

you know sometimes people remember

1184

00:43:47,990 --> 00:43:45,599

things totally different than it really

1185

00:43:49,829 --> 00:43:48,000

happened do you see uh mostly

1186

00:43:51,910 --> 00:43:49,839

consistencies

1187

00:43:53,510 --> 00:43:51,920

uh well let's say let's go all the way

1188

00:43:55,750 --> 00:43:53,520

back to when it happened

1189

00:43:58,309 --> 00:43:55,760

did people see basically the same thing

1190

00:44:00,150 --> 00:43:58,319

i mentioned earlier that you know one

1191

00:44:01,349 --> 00:44:00,160

kid said it had long hair and you didn't

1192

00:44:03,510 --> 00:44:01,359

see any hair

1193

00:44:06,630 --> 00:44:03,520

so were there were there inconsistencies

1194

00:44:08,390 --> 00:44:06,640

and did did the deniers or the the

1195

00:44:10,550 --> 00:44:08,400

people that were trying to debunk it did

1196

00:44:11,589 --> 00:44:10,560

they focus on that and say hey look you

1197

00:44:12,790 --> 00:44:11,599

know this is

1198

00:44:15,109 --> 00:44:12,800

this is uh

1199

00:44:16,550 --> 00:44:15,119

uh did you have to deal with any of that

1200

00:44:17,910 --> 00:44:16,560

not really i mean

1201  
00:44:19,190 --> 00:44:17,920  
you know they're

1202  
00:44:22,950 --> 00:44:19,200  
the

1203  
00:44:25,990 --> 00:44:22,960  
was that

1204  
00:44:27,670 --> 00:44:26,000  
uh over time um

1205  
00:44:29,589 --> 00:44:27,680  
these children were interviewed over and

1206  
00:44:31,990 --> 00:44:29,599  
over and over and over again

1207  
00:44:34,390 --> 00:44:32,000  
um and the

1208  
00:44:36,630 --> 00:44:34,400  
what struck me was that the story was

1209  
00:44:38,150 --> 00:44:36,640  
the same the basic outline of the story

1210  
00:44:40,790 --> 00:44:38,160  
was the same

1211  
00:44:42,710 --> 00:44:40,800  
um the description of the craft this

1212  
00:44:45,670 --> 00:44:42,720  
description of the being

1213  
00:44:51,750 --> 00:44:49,030

it uh i you know i don't i've not really

1214

00:44:53,589 --> 00:44:51,760

met or talked with any debunkers that

1215

00:44:55,190 --> 00:44:53,599

know enough about the story to even have

1216

00:44:56,710 --> 00:44:55,200

a conversation with

1217

00:44:59,030 --> 00:44:56,720

to be honest

1218

00:44:59,910 --> 00:44:59,040

um

1219

00:45:03,109 --> 00:44:59,920

you know

1220

00:45:05,670 --> 00:45:03,119

memory is infallible um and cynthia hind

1221

00:45:08,630 --> 00:45:05,680

who covered this story

1222

00:45:10,630 --> 00:45:08,640

uh in uh

1223

00:45:12,230 --> 00:45:10,640

or fallible is that the right word

1224

00:45:13,510 --> 00:45:12,240

uh maybe that's what maybe i said it

1225

00:45:15,990 --> 00:45:13,520

wrong yeah yeah

1226

00:45:18,230 --> 00:45:16,000

it is it is fallible and because when

1227

00:45:20,230 --> 00:45:18,240

somebody's in a car accident you have

1228

00:45:22,230 --> 00:45:20,240

everybody saw the same thing but people

1229

00:45:24,150 --> 00:45:22,240

see different things about what happened

1230

00:45:25,270 --> 00:45:24,160

and their accounts are different

1231

00:45:27,510 --> 00:45:25,280

um and

1232

00:45:29,670 --> 00:45:27,520

cynthia hein who originally investigated

1233

00:45:31,109 --> 00:45:29,680

this uh for mufon

1234

00:45:33,270 --> 00:45:31,119

she said that's what really convinced

1235

00:45:37,430 --> 00:45:33,280

her the most about the witness testimony

1236

00:45:39,910 --> 00:45:37,440

was their testimony was not all the same

1237

00:45:40,710 --> 00:45:39,920

she said if this was a fabricated story

1238

00:45:45,190 --> 00:45:40,720

or

1239

00:45:46,390 --> 00:45:45,200

be the same but every every child that

1240

00:45:48,950 --> 00:45:46,400

was interviewed

1241

00:45:49,910 --> 00:45:48,960

morning

1242

00:45:51,990 --> 00:45:49,920

they

1243

00:45:53,109 --> 00:45:52,000

all had their own experience of the

1244

00:45:55,750 --> 00:45:53,119

story

1245

00:45:58,470 --> 00:45:55,760

you know that uh

1246

00:46:00,950 --> 00:45:58,480

it was unique to them

1247

00:46:02,710 --> 00:46:00,960

you know and i think that's yeah

1248

00:46:05,829 --> 00:46:02,720

also you know kind of what i'm

1249

00:46:08,390 --> 00:46:05,839

concentrating on this film is to um

1250

00:46:11,030 --> 00:46:08,400

this is a people story you know these

1251  
00:46:12,230 --> 00:46:11,040  
people that real people credible solid

1252  
00:46:14,790 --> 00:46:12,240  
people who

1253  
00:46:16,790 --> 00:46:14,800  
witnessed something extraordinary

1254  
00:46:18,069 --> 00:46:16,800  
and uh

1255  
00:46:19,829 --> 00:46:18,079  
you know why can't we have these

1256  
00:46:22,069 --> 00:46:19,839  
conversations

1257  
00:46:24,230 --> 00:46:22,079  
about this these incidents these types

1258  
00:46:28,069 --> 00:46:24,240  
of incidents because they do happen

1259  
00:46:30,950 --> 00:46:28,079  
and uh i think we need we need to learn

1260  
00:46:32,309 --> 00:46:30,960  
try to learn something from them

1261  
00:46:34,230 --> 00:46:32,319  
yeah agree

1262  
00:46:36,309 --> 00:46:34,240  
great um so

1263  
00:46:37,829 --> 00:46:36,319

i want to ask selma

1264

00:46:39,990 --> 00:46:37,839

what has

1265

00:46:43,109 --> 00:46:40,000

you talked earlier about how you think

1266

00:46:46,069 --> 00:46:43,119

the accident you were in prior to this

1267

00:46:48,390 --> 00:46:46,079

and also this has shaped your life can

1268

00:46:49,510 --> 00:46:48,400

you talk about how this incident in

1269

00:46:51,670 --> 00:46:49,520

particular

1270

00:46:53,109 --> 00:46:51,680

how it has shaped your life differently

1271

00:46:54,710 --> 00:46:53,119

than it may have been if it didn't

1272

00:46:57,910 --> 00:46:54,720

happen

1273

00:47:00,069 --> 00:46:57,920

sure um i mean i think i'm continuing to

1274

00:47:01,910 --> 00:47:00,079

learn how it's shaping my life that's

1275

00:47:02,710 --> 00:47:01,920

that's a a constant

1276

00:47:05,990 --> 00:47:02,720

um

1277

00:47:11,430 --> 00:47:06,000

learning curve and will be but i i think

1278

00:47:15,670 --> 00:47:13,829

the fact that there was more than just

1279

00:47:18,069 --> 00:47:15,680

us out there

1280

00:47:21,190 --> 00:47:18,079

because whatever i had seen was not of

1281

00:47:22,790 --> 00:47:21,200

this place it was nothing that i could

1282

00:47:25,670 --> 00:47:22,800

connect my

1283

00:47:27,349 --> 00:47:25,680

11 year old mind too

1284

00:47:29,589 --> 00:47:27,359

so it definitely opened up my mind in

1285

00:47:32,790 --> 00:47:29,599

that sense that i i just became

1286

00:47:34,870 --> 00:47:32,800

i feel um i think i became

1287

00:47:36,790 --> 00:47:34,880

very open-minded

1288

00:47:38,950 --> 00:47:36,800

because i never doubted what i saw i

1289

00:47:40,870 --> 00:47:38,960

didn't i may not have understood it

1290

00:47:42,309 --> 00:47:40,880

but i never doubted it and i knew that

1291

00:47:45,589 --> 00:47:42,319

there was a reason that i had seen what

1292

00:47:47,910 --> 00:47:45,599

i had seen and so i definitely

1293

00:47:51,190 --> 00:47:47,920

i mean how close-minded can you be at 11

1294

00:47:52,710 --> 00:47:51,200

but it it forced me i think it's

1295

00:47:54,230 --> 00:47:52,720

definitely shaped

1296

00:47:56,710 --> 00:47:54,240

a lot of things that have happened that

1297

00:47:58,630 --> 00:47:56,720

happen i always try and keep an open an

1298

00:48:01,430 --> 00:47:58,640

open mind about it and and i know that

1299

00:48:03,109 --> 00:48:01,440

anything is possible and

1300

00:48:04,150 --> 00:48:03,119

there's definitely more than just us out

1301  
00:48:07,030 --> 00:48:04,160  
there

1302  
00:48:09,109 --> 00:48:07,040  
wow yeah so it's giving you

1303  
00:48:10,790 --> 00:48:09,119  
you know there's a lot of people that

1304  
00:48:12,710 --> 00:48:10,800  
um think there's going to be panic in

1305  
00:48:14,630 --> 00:48:12,720  
the world if the story gets out there

1306  
00:48:17,670 --> 00:48:14,640  
that there's someone and i don't think

1307  
00:48:21,589 --> 00:48:17,680  
so i think a lot of people may kind of

1308  
00:48:22,549 --> 00:48:21,599  
handle it the way you have and basically

1309  
00:48:24,069 --> 00:48:22,559  
that is

1310  
00:48:25,910 --> 00:48:24,079  
you know we're not alone i mean there's

1311  
00:48:29,030 --> 00:48:25,920  
a quote out there saying

1312  
00:48:30,790 --> 00:48:29,040  
um either we're totally alone or there's

1313  
00:48:32,470 --> 00:48:30,800

life out there either way it's very

1314

00:48:35,190 --> 00:48:32,480

scary

1315

00:48:36,950 --> 00:48:35,200

yeah right well and i mean in in terms

1316

00:48:39,829 --> 00:48:36,960

of like chaos we

1317

00:48:43,510 --> 00:48:39,839

we live in that already really yeah so

1318

00:48:46,069 --> 00:48:43,520

it's all about perspective and how

1319

00:48:47,430 --> 00:48:46,079

and how we can use

1320

00:48:49,829 --> 00:48:47,440

this incident

1321

00:48:51,910 --> 00:48:49,839

to connect to other people's incidences

1322

00:48:53,829 --> 00:48:51,920

of of these experiences or similar

1323

00:48:56,069 --> 00:48:53,839

experiences or incidences that are

1324

00:48:57,990 --> 00:48:56,079

happening more recently or have happened

1325

00:48:59,990 --> 00:48:58,000

more recently and understand that

1326

00:49:01,270 --> 00:49:00,000

there's obviously a pattern here for

1327

00:49:04,549 --> 00:49:01,280

something that we need to pay attention

1328

00:49:07,510 --> 00:49:04,559

to not in a

1329

00:49:09,109 --> 00:49:07,520

scary way but in a way that we in a way

1330

00:49:11,349 --> 00:49:09,119

of understanding

1331

00:49:13,270 --> 00:49:11,359

and i think that that's for us to create

1332

00:49:15,190 --> 00:49:13,280

this this film is something that helps

1333

00:49:16,549 --> 00:49:15,200

create the discourse on what that might

1334

00:49:19,270 --> 00:49:16,559

look like

1335

00:49:21,510 --> 00:49:19,280

yeah i i really think that's important

1336

00:49:22,710 --> 00:49:21,520

because uh thank you for saying that uh

1337

00:49:24,870 --> 00:49:22,720

salma

1338

00:49:27,430 --> 00:49:24,880

yeah i think that's uh we need to have a

1339

00:49:28,630 --> 00:49:27,440

conversation about this and and not in

1340

00:49:30,790 --> 00:49:28,640

the

1341

00:49:32,710 --> 00:49:30,800

our families open media and

1342

00:49:34,870 --> 00:49:32,720

i i kind of think i know what you're

1343

00:49:36,470 --> 00:49:34,880

saying martin about the uh panic people

1344

00:49:38,470 --> 00:49:36,480

talk about that

1345

00:49:40,870 --> 00:49:38,480

um i just i really have a feeling that

1346

00:49:42,870 --> 00:49:40,880

something like this um

1347

00:49:44,790 --> 00:49:42,880

will bring us together in a way that

1348

00:49:47,990 --> 00:49:44,800

we've never seen before

1349

00:49:49,270 --> 00:49:48,000

um because we're you know we get in our

1350

00:49:50,950 --> 00:49:49,280

spats about

1351  
00:49:52,390 --> 00:49:50,960  
our different races and our different

1352  
00:49:54,309 --> 00:49:52,400  
religions but we're talking about

1353  
00:49:55,990 --> 00:49:54,319  
something else from somewhere else

1354  
00:49:57,030 --> 00:49:56,000  
that may have evolved somewhere else i

1355  
00:49:58,630 --> 00:49:57,040  
don't know

1356  
00:50:01,670 --> 00:49:58,640  
uh but

1357  
00:50:04,150 --> 00:50:01,680  
i i think the potential for a complete

1358  
00:50:07,030 --> 00:50:04,160  
uh change in a really

1359  
00:50:09,750 --> 00:50:07,040  
um a good way for humanity

1360  
00:50:11,510 --> 00:50:09,760  
is possible through disclosure of this

1361  
00:50:13,430 --> 00:50:11,520  
um you know and i gotta say

1362  
00:50:15,910 --> 00:50:13,440  
like i think anybody that starts

1363  
00:50:16,870 --> 00:50:15,920

researching this and this was a film

1364

00:50:18,790 --> 00:50:16,880

uh

1365

00:50:20,630 --> 00:50:18,800

you do your research making a film and

1366

00:50:21,910 --> 00:50:20,640

you start to learn about what this

1367

00:50:24,069 --> 00:50:21,920

phenomenon

1368

00:50:25,510 --> 00:50:24,079

is about and you learn about all these

1369

00:50:28,950 --> 00:50:25,520

other cases

1370

00:50:31,829 --> 00:50:28,960

around the world and it really

1371

00:50:33,910 --> 00:50:31,839

i i just want to just say that like you

1372

00:50:35,430 --> 00:50:33,920

know you don't really understand how

1373

00:50:37,430 --> 00:50:35,440

rampant or

1374

00:50:39,109 --> 00:50:37,440

widespread this phenomenon is until you

1375

00:50:41,589 --> 00:50:39,119

really look into it

1376

00:50:43,430 --> 00:50:41,599

and it's not at the ufo conferences or

1377

00:50:44,870 --> 00:50:43,440

things like that it's it's it's from

1378

00:50:48,549 --> 00:50:44,880

real people

1379

00:50:50,950 --> 00:50:48,559

um and you hear their stories and um

1380

00:50:52,309 --> 00:50:50,960

and how much it's affected them

1381

00:50:54,470 --> 00:50:52,319

and uh

1382

00:50:56,950 --> 00:50:54,480

changed their lives and

1383

00:50:58,790 --> 00:50:56,960

i just feel we need to um

1384

00:51:01,030 --> 00:50:58,800

and that's what this film is aimed to do

1385

00:51:03,750 --> 00:51:01,040

it's like let's talk about it you know

1386

00:51:05,270 --> 00:51:03,760

yeah yeah uh i think that's good uh

1387

00:51:07,270 --> 00:51:05,280

salma there is someone in the message

1388

00:51:10,630 --> 00:51:07,280

room that want to know do you think it

1389

00:51:13,510 --> 00:51:10,640

had any type of impact on your dreams or

1390

00:51:14,390 --> 00:51:13,520

intuitive abilities

1391

00:51:16,950 --> 00:51:14,400

yes

1392

00:51:19,109 --> 00:51:16,960

i do actually um

1393

00:51:21,430 --> 00:51:19,119

i mean i understand that it did now i

1394

00:51:24,710 --> 00:51:21,440

don't think that i did for a number of

1395

00:51:27,270 --> 00:51:24,720

years it took it took me a while um

1396

00:51:34,230 --> 00:51:30,230

i i am somebody who

1397

00:51:36,309 --> 00:51:34,240

i i like to help people i like to to be

1398

00:51:37,510 --> 00:51:36,319

there for anyone other than myself

1399

00:51:41,190 --> 00:51:37,520

really which is not always the

1400

00:51:43,430 --> 00:51:41,200

healthiest but anybody that is not fully

1401

00:51:45,030 --> 00:51:43,440

represented which is what i feel

1402

00:51:47,510 --> 00:51:45,040

that experience was it was like i don't

1403

00:51:48,829 --> 00:51:47,520

know what you are so i don't understand

1404

00:51:51,510 --> 00:51:48,839

who you are

1405

00:51:54,470 --> 00:51:51,520

um so i'm going to work toward

1406

00:51:55,750 --> 00:51:54,480

understanding more and that's what

1407

00:51:58,309 --> 00:51:55,760

that's what i've

1408

00:52:01,190 --> 00:51:58,319

str i strive to do that on a daily basis

1409

00:52:03,750 --> 00:52:01,200

my education has been in um you know

1410

00:52:05,109 --> 00:52:03,760

human rights in

1411

00:52:07,030 --> 00:52:05,119

international

1412

00:52:09,190 --> 00:52:07,040

uh relations and how we can work

1413

00:52:10,950 --> 00:52:09,200

together in figuring out how

1414

00:52:12,309 --> 00:52:10,960

working together helps people so i

1415

00:52:14,630 --> 00:52:12,319

definitely think that it's helped with

1416

00:52:16,870 --> 00:52:14,640

that in terms of my intuition

1417

00:52:20,630 --> 00:52:16,880

yes i think so as well in in varying

1418

00:52:22,069 --> 00:52:20,640

degrees for many things yeah oh that's

1419

00:52:23,910 --> 00:52:22,079

great now

1420

00:52:24,790 --> 00:52:23,920

when this happened

1421

00:52:27,190 --> 00:52:24,800

how

1422

00:52:29,910 --> 00:52:27,200

long would you say it was before people

1423

00:52:32,150 --> 00:52:29,920

started talking about the possibility of

1424

00:52:35,589 --> 00:52:32,160

being visited by an extraterrestrial as

1425

00:52:36,470 --> 00:52:35,599

the answer to what you had no idea of

1426

00:52:40,150 --> 00:52:36,480

i think

1427

00:52:41,829 --> 00:52:40,160

gosh i don't know it may have even been

1428

00:52:43,349 --> 00:52:41,839

the first interview

1429

00:52:45,589 --> 00:52:43,359

which i don't remember who it was i

1430

00:52:49,990 --> 00:52:45,599

think the first interview was either

1431

00:52:51,109 --> 00:52:50,000

sabc it wasn't zbc zbc was not the first

1432

00:52:53,510 --> 00:52:51,119

that's true

1433

00:52:56,230 --> 00:52:53,520

crew that came i remember that i think

1434

00:52:58,549 --> 00:52:56,240

the first crew may have been sabc or bbc

1435

00:53:01,109 --> 00:52:58,559

to be honest yeah it was bbc

1436

00:53:02,950 --> 00:53:01,119

it was because i have it was bbc right

1437

00:53:04,950 --> 00:53:02,960

because i i remember i have i had an

1438

00:53:06,549 --> 00:53:04,960

aunt that lived there and she saw me on

1439

00:53:08,790 --> 00:53:06,559

the on the news or wherever it was

1440

00:53:09,829 --> 00:53:08,800

broadcast and she called my mom and said

1441

00:53:11,190 --> 00:53:09,839

um

1442

00:53:13,270 --> 00:53:11,200

what's going on

1443

00:53:14,870 --> 00:53:13,280

and so i was like oh gosh yeah i guess i

1444

00:53:16,950 --> 00:53:14,880

should probably tell my parents about

1445

00:53:19,589 --> 00:53:16,960

this and that's when i told them that's

1446

00:53:21,589 --> 00:53:19,599

when i told them um

1447

00:53:24,150 --> 00:53:21,599

but

1448

00:53:26,390 --> 00:53:24,160

yeah it was

1449

00:53:28,069 --> 00:53:26,400

it was it was interesting that

1450

00:53:29,430 --> 00:53:28,079

our own local crew was not the first

1451

00:53:31,430 --> 00:53:29,440

ones on

1452

00:53:33,270 --> 00:53:31,440

on site yeah i could i can speak to a

1453

00:53:35,589 --> 00:53:33,280

little bit about that it was brought up

1454

00:53:38,790 --> 00:53:35,599

initially as uh by some of the kids that

1455

00:53:40,870 --> 00:53:38,800

it was you know uh some kind of alien or

1456

00:53:43,750 --> 00:53:40,880

something that wasn't of this world

1457

00:53:45,670 --> 00:53:43,760

but uh the bbc when they got there uh

1458

00:53:46,870 --> 00:53:45,680

they were very skeptical

1459

00:53:48,309 --> 00:53:46,880

and saying are you sure you didn't see a

1460

00:53:50,630 --> 00:53:48,319

helicopter

1461

00:53:52,710 --> 00:53:50,640

air force jet i mean he went through the

1462

00:53:54,790 --> 00:53:52,720

the reporter just kept asking over and

1463

00:53:57,109 --> 00:53:54,800

over you sure it wasn't a

1464

00:54:00,950 --> 00:53:57,119

black zimbabwean that you saw

1465

00:54:03,109 --> 00:54:00,960

i mean it was very yeah so

1466

00:54:05,430 --> 00:54:03,119

so they had a rough they they really

1467

00:54:08,630 --> 00:54:05,440

they had to fight for this they had to

1468

00:54:10,630 --> 00:54:08,640

fight in a way that all the all the kids

1469

00:54:11,990 --> 00:54:10,640

uh in a way that i don't think people

1470

00:54:14,710 --> 00:54:12,000

understand yet

1471

00:54:17,030 --> 00:54:14,720

but uh to be believed

1472

00:54:18,710 --> 00:54:17,040

because there was a lot of people around

1473

00:54:19,829 --> 00:54:18,720

him including the teachers and the staff

1474

00:54:21,589 --> 00:54:19,839

initially

1475

00:54:24,150 --> 00:54:21,599

that uh

1476

00:54:26,549 --> 00:54:24,160

just didn't believe them you know but

1477

00:54:27,589 --> 00:54:26,559

except for a few that really knew the

1478

00:54:29,910 --> 00:54:27,599

kids

1479

00:54:32,710 --> 00:54:29,920

uh and knew that they would not come

1480

00:54:34,390 --> 00:54:32,720

running into a staff meeting in a panic

1481

00:54:36,630 --> 00:54:34,400

uh telling them about this thing they

1482

00:54:38,470 --> 00:54:36,640

saw they just knew that they had they

1483

00:54:39,430 --> 00:54:38,480

had seen something that really disturbed

1484

00:54:40,309 --> 00:54:39,440

them

1485

00:54:41,910 --> 00:54:40,319

um

1486

00:54:44,950 --> 00:54:41,920

but it yeah i mean i gotta hand it to

1487

00:54:46,069 --> 00:54:44,960

them they have really as a group

1488

00:54:48,549 --> 00:54:46,079

um

1489

00:54:50,790 --> 00:54:48,559

stuck together and uh

1490

00:54:52,630 --> 00:54:50,800

demanded to be believed

1491

00:54:54,230 --> 00:54:52,640

yeah and you don't do that for a made-up

1492

00:54:57,109 --> 00:54:54,240

story you don't do that for hopes you

1493

00:54:58,390 --> 00:54:57,119

don't do that for a minute story

1494

00:54:59,990 --> 00:54:58,400

you certainly don't do that for a live

1495

00:55:01,910 --> 00:55:00,000

for something you don't believe in and

1496

00:55:03,750 --> 00:55:01,920

and though thank you for reminding me of

1497

00:55:05,510 --> 00:55:03,760

that randall because you know it's been

1498

00:55:07,109 --> 00:55:05,520

so long we were interviewed by so many

1499

00:55:08,870 --> 00:55:07,119

people i don't remember

1500

00:55:10,870 --> 00:55:08,880

who all of them were but that was

1501  
00:55:12,470 --> 00:55:10,880  
definitely one of the crew where that i

1502  
00:55:13,750 --> 00:55:12,480  
was referring to earlier martin in the

1503  
00:55:15,670 --> 00:55:13,760  
sense that you know some of the

1504  
00:55:18,390 --> 00:55:15,680  
naysayers that i felt like they were

1505  
00:55:21,109 --> 00:55:18,400  
just there to do a job they were not

1506  
00:55:23,349 --> 00:55:21,119  
interested um in really what we had to

1507  
00:55:25,030 --> 00:55:23,359  
say nor really believed us

1508  
00:55:26,069 --> 00:55:25,040  
because i think if you're grilling an 11

1509  
00:55:31,430 --> 00:55:26,079  
year old

1510  
00:55:33,990 --> 00:55:31,440  
degree i mean goodness

1511  
00:55:35,430 --> 00:55:34,000  
right how how long would you say uh i

1512  
00:55:36,390 --> 00:55:35,440  
know the time thing you were talking

1513  
00:55:37,750 --> 00:55:36,400

about

1514

00:55:39,750 --> 00:55:37,760

but did the

1515

00:55:41,670 --> 00:55:39,760

uh teachers actually go outside and try

1516

00:55:44,150 --> 00:55:41,680

to see what everyone was seeing was

1517

00:55:45,270 --> 00:55:44,160

there ever that point or was or had it

1518

00:55:47,589 --> 00:55:45,280

vanished

1519

00:55:49,190 --> 00:55:47,599

let me see if i if i remember this it

1520

00:55:51,589 --> 00:55:49,200

took a while for the teachers to come

1521

00:55:52,870 --> 00:55:51,599

out by the way they did not come out

1522

00:55:54,710 --> 00:55:52,880

immediately

1523

00:55:57,990 --> 00:55:54,720

is my recollection

1524

00:55:59,829 --> 00:55:58,000

they took they took some time um to come

1525

00:56:00,950 --> 00:55:59,839

to come out whether they were finishing

1526  
00:56:03,750 --> 00:56:00,960  
up what they were doing or they just

1527  
00:56:06,390 --> 00:56:03,760  
thought oh you know these kids are

1528  
00:56:07,910 --> 00:56:06,400  
overreacting i don't know but i think it

1529  
00:56:09,750 --> 00:56:07,920  
took one

1530  
00:56:11,510 --> 00:56:09,760  
teacher or some teachers maybe like

1531  
00:56:12,710 --> 00:56:11,520  
stepping out to see what was going on on

1532  
00:56:14,230 --> 00:56:12,720  
the playground

1533  
00:56:15,910 --> 00:56:14,240  
um

1534  
00:56:18,150 --> 00:56:15,920  
and then they saw that you know panic

1535  
00:56:21,349 --> 00:56:18,160  
that people were crying it was just

1536  
00:56:23,109 --> 00:56:21,359  
not a normal day on the playground um

1537  
00:56:24,549 --> 00:56:23,119  
i don't know exactly how long it took

1538  
00:56:26,870 --> 00:56:24,559

maybe 10 minutes

1539

00:56:28,390 --> 00:56:26,880

for them to come maybe 15

1540

00:56:30,069 --> 00:56:28,400

i honestly don't know i know they did

1541

00:56:32,069 --> 00:56:30,079

not come out immediately because the

1542

00:56:33,910 --> 00:56:32,079

people that went to call them went

1543

00:56:35,349 --> 00:56:33,920

called them told them came back to the

1544

00:56:37,589 --> 00:56:35,359

playground and said we told them but

1545

00:56:40,069 --> 00:56:37,599

they don't believe us

1546

00:56:42,470 --> 00:56:40,079

yeah that's true i could verify that and

1547

00:56:44,390 --> 00:56:42,480

uh two teachers uh

1548

00:56:46,630 --> 00:56:44,400

a grade three teacher

1549

00:56:48,549 --> 00:56:46,640

uh and the shona teacher with the two

1550

00:56:51,190 --> 00:56:48,559

teachers that came out for the first to

1551  
00:56:53,109 --> 00:56:51,200  
come out and then mr vernon came out

1552  
00:56:54,150 --> 00:56:53,119  
uh a little later

1553  
00:56:56,069 --> 00:56:54,160  
so

1554  
00:56:59,270 --> 00:56:56,079  
that's the the benefit of having all the

1555  
00:57:00,950 --> 00:56:59,280  
archival and having a lot of people to

1556  
00:57:02,710 --> 00:57:00,960  
find out all the little details which i

1557  
00:57:03,990 --> 00:57:02,720  
can't wait to share i've told some of

1558  
00:57:05,910 --> 00:57:04,000  
this before

1559  
00:57:07,910 --> 00:57:05,920  
you know to share

1560  
00:57:10,069 --> 00:57:07,920  
with the kids with the people that were

1561  
00:57:12,390 --> 00:57:10,079  
there like all the details you know like

1562  
00:57:14,630 --> 00:57:12,400  
how it went down yeah and uh because i

1563  
00:57:16,710 --> 00:57:14,640

think it'll be valuable for their own

1564

00:57:18,710 --> 00:57:16,720

understanding and healing or how you

1565

00:57:20,470 --> 00:57:18,720

know it's i would if something like that

1566

00:57:22,789 --> 00:57:20,480

happened to me in that way

1567

00:57:25,430 --> 00:57:22,799

i would want to know as much as possible

1568

00:57:28,789 --> 00:57:25,440

and i can't wait to uh really

1569

00:57:31,030 --> 00:57:28,799

you know give give them that information

1570

00:57:33,349 --> 00:57:31,040

um in the chat room uh michael wanted to

1571

00:57:35,109 --> 00:57:33,359

know what would you say if someone

1572

00:57:36,470 --> 00:57:35,119

said that these beings were from another

1573

00:57:39,190 --> 00:57:36,480

dimension

1574

00:57:41,030 --> 00:57:39,200

has anybody ever brought that up to you

1575

00:57:43,910 --> 00:57:41,040

what would what would i say yeah what

1576

00:57:44,950 --> 00:57:43,920

would you say to that yeah

1577

00:57:47,349 --> 00:57:44,960

i would say

1578

00:57:49,430 --> 00:57:47,359

maybe i know they're not from here so

1579

00:57:51,910 --> 00:57:49,440

they're definitely from somewhere else

1580

00:57:53,829 --> 00:57:51,920

you know where that is i i don't know

1581

00:57:55,510 --> 00:57:53,839

um but i think that that's a good way to

1582

00:57:57,990 --> 00:57:55,520

start a conversation

1583

00:57:59,670 --> 00:57:58,000

yeah and you know start a dialogue about

1584

00:58:01,190 --> 00:57:59,680

about that so

1585

00:58:03,349 --> 00:58:01,200

and and that was uh

1586

00:58:05,510 --> 00:58:03,359

in my opinion that was a perfect answer

1587

00:58:06,630 --> 00:58:05,520

um and also in the chat room someone

1588

00:58:08,230 --> 00:58:06,640

wanted to know

1589

00:58:11,910 --> 00:58:08,240

uh you talked earlier about it was a

1590

00:58:15,030 --> 00:58:11,920

christian school mostly right uh yes did

1591

00:58:16,630 --> 00:58:15,040

that apparently affect your religion or

1592

00:58:19,670 --> 00:58:16,640

anyone that you know like to all of a

1593

00:58:21,270 --> 00:58:19,680

sudden think that was extraterrestrial

1594

00:58:24,150 --> 00:58:21,280

not that i know of i can only speak for

1595

00:58:26,150 --> 00:58:24,160

myself and um i mean when we left when

1596

00:58:28,230 --> 00:58:26,160

we leave primary school you're 12. so i

1597

00:58:29,510 --> 00:58:28,240

don't know if you've fully formed what

1598

00:58:32,789 --> 00:58:29,520

you

1599

00:58:37,270 --> 00:58:32,799

think yet at all i highly doubt it um

1600

00:58:39,430 --> 00:58:37,280

but for me it did not i think i mean it

1601  
00:58:40,870 --> 00:58:39,440  
didn't really correlate with anything

1602  
00:58:42,710 --> 00:58:40,880  
i'd been taught

1603  
00:58:44,630 --> 00:58:42,720  
but i wouldn't say it necessarily went

1604  
00:58:46,789 --> 00:58:44,640  
against it entirely

1605  
00:58:48,230 --> 00:58:46,799  
um but i also

1606  
00:58:50,390 --> 00:58:48,240  
have my own

1607  
00:58:52,870 --> 00:58:50,400  
sense and my own mind to

1608  
00:58:55,109 --> 00:58:52,880  
deconstruct what that means

1609  
00:58:57,349 --> 00:58:55,119  
to me and what

1610  
00:58:59,670 --> 00:58:57,359  
my upbringing means to me

1611  
00:59:00,950 --> 00:58:59,680  
and find a median in between i don't

1612  
00:59:03,670 --> 00:59:00,960  
think

1613  
00:59:05,910 --> 00:59:03,680

that you know one determines the other

1614

00:59:08,309 --> 00:59:05,920

i think they're completely separate

1615

00:59:11,670 --> 00:59:08,319

okay so in the in the

1616

00:59:12,870 --> 00:59:11,680

years of let's say suppression or

1617

00:59:13,829 --> 00:59:12,880

the years that you didn't want to think

1618

00:59:16,150 --> 00:59:13,839

about it

1619

00:59:18,470 --> 00:59:16,160

did you have like certain triggers like

1620

00:59:19,430 --> 00:59:18,480

something like all of a sudden you'd see

1621

00:59:21,270 --> 00:59:19,440

um

1622

00:59:22,789 --> 00:59:21,280

you know a movie coming out about

1623

00:59:24,789 --> 00:59:22,799

extraterrestrials or something like that

1624

00:59:27,109 --> 00:59:24,799

did you have some things that would like

1625

00:59:28,309 --> 00:59:27,119

bring you back to the reality of of what

1626  
00:59:30,230 --> 00:59:28,319  
happened

1627  
00:59:32,789 --> 00:59:30,240  
yes there were always people asking me

1628  
00:59:35,030 --> 00:59:32,799  
at school um when i went to height yes

1629  
00:59:37,190 --> 00:59:35,040  
when i went to high school there were

1630  
00:59:39,030 --> 00:59:37,200  
there were maybe

1631  
00:59:40,390 --> 00:59:39,040  
three people from my primary school

1632  
00:59:42,230 --> 00:59:40,400  
three or four people from my primary

1633  
00:59:44,390 --> 00:59:42,240  
school who who were in the same grade as

1634  
00:59:45,670 --> 00:59:44,400  
me when we moved to high school and we

1635  
00:59:48,150 --> 00:59:45,680  
went to the same high school together so

1636  
00:59:50,150 --> 00:59:48,160  
that story definitely spread also

1637  
00:59:51,510 --> 00:59:50,160  
you know um

1638  
00:59:52,710 --> 00:59:51,520

you you don't all go to the same high

1639

00:59:54,150 --> 00:59:52,720

school so people kind of ask what

1640

00:59:56,309 --> 00:59:54,160

primary school you went to and people be

1641

00:59:57,990 --> 00:59:56,319

like oh ariel that's where you know

1642

00:59:59,430 --> 00:59:58,000

that's where you saw the ufos and then

1643

01:00:01,109 --> 00:59:59,440

then it would be like wait weren't you

1644

01:00:03,349 --> 01:00:01,119

on tv um

1645

01:00:05,750 --> 01:00:03,359

or they'd ask did you see did you see

1646

01:00:07,510 --> 01:00:05,760

the ufos or was you know what did you

1647

01:00:09,349 --> 01:00:07,520

see uh so

1648

01:00:12,069 --> 01:00:09,359

they were they were reminders over the

1649

01:00:13,510 --> 01:00:12,079

courses of the years yeah you do quite a

1650

01:00:16,230 --> 01:00:13,520

few

1651  
01:00:17,589 --> 01:00:16,240  
a lot of times uh did you always answer

1652  
01:00:19,430 --> 01:00:17,599  
honestly or did you say you didn't want

1653  
01:00:20,870 --> 01:00:19,440  
to talk about it

1654  
01:00:22,870 --> 01:00:20,880  
i always answered honestly if somebody

1655  
01:00:24,230 --> 01:00:22,880  
asked me what i saw i would tell them

1656  
01:00:26,470 --> 01:00:24,240  
if they asked me

1657  
01:00:29,109 --> 01:00:26,480  
if i saw ufos i would say well i saw

1658  
01:00:30,950 --> 01:00:29,119  
something not from here if they wanted

1659  
01:00:32,309 --> 01:00:30,960  
to have a conversation about how i

1660  
01:00:34,710 --> 01:00:32,319  
hadn't seen

1661  
01:00:36,309 --> 01:00:34,720  
what i what i had seen i would just end

1662  
01:00:38,549 --> 01:00:36,319  
the conversation and walk away because i

1663  
01:00:41,109 --> 01:00:38,559

had no capacity for that like i was not

1664

01:00:43,430 --> 01:00:41,119

going to have my own experience

1665

01:00:46,390 --> 01:00:43,440

diminished by someone else's inability

1666

01:00:47,910 --> 01:00:46,400

to even have an open mind to try to

1667

01:00:50,950 --> 01:00:47,920

understand

1668

01:00:52,470 --> 01:00:50,960

what i what my experience was while well

1669

01:00:54,470 --> 01:00:52,480

while like wrapping it under some

1670

01:00:56,870 --> 01:00:54,480

falsification of the fact that they kid

1671

01:00:58,630 --> 01:00:56,880

because they really didn't

1672

01:01:00,069 --> 01:00:58,640

i i have to tell you this because i'm

1673

01:01:02,150 --> 01:01:00,079

kind of getting a little chuckle out of

1674

01:01:03,670 --> 01:01:02,160

it and that is i have someone in the

1675

01:01:06,390 --> 01:01:03,680

chat room who's

1676

01:01:08,870 --> 01:01:06,400

uh he's very well let's just say he's

1677

01:01:11,910 --> 01:01:08,880

not really generous with my guests

1678

01:01:13,270 --> 01:01:11,920

um okay he usually finds fault with them

1679

01:01:16,150 --> 01:01:13,280

he's gonna laugh when he hears me say

1680

01:01:18,069 --> 01:01:16,160

that but here is his phrase this lady is

1681

01:01:20,230 --> 01:01:18,079

one of the most intelligent incredible

1682

01:01:22,230 --> 01:01:20,240

witnesses i've heard

1683

01:01:25,349 --> 01:01:22,240

oh my thank you

1684

01:01:28,150 --> 01:01:25,359

so i had to i had to say that because

1685

01:01:30,309 --> 01:01:28,160

this is probably one of the only nice

1686

01:01:32,950 --> 01:01:30,319

things he said he said i'm gonna give

1687

01:01:35,589 --> 01:01:32,960

him a hug i am very honored for for me

1688

01:01:37,829 --> 01:01:35,599

to have uh been a recipient of a nice of

1689

01:01:39,190 --> 01:01:37,839

a nice thing that he said thank you i i

1690

01:01:40,470 --> 01:01:39,200

genuinely

1691

01:01:41,910 --> 01:01:40,480

appreciate

1692

01:01:43,510 --> 01:01:41,920

anybody who

1693

01:01:45,430 --> 01:01:43,520

who is interested

1694

01:01:46,549 --> 01:01:45,440

um you know i've never asked anybody to

1695

01:01:47,829 --> 01:01:46,559

believe

1696

01:01:51,270 --> 01:01:47,839

in what

1697

01:01:53,829 --> 01:01:51,280

i believe i saw i just ask for

1698

01:01:55,109 --> 01:01:53,839

a conversation about it and to not

1699

01:01:56,870 --> 01:01:55,119

discredit it and shut it down

1700

01:01:58,549 --> 01:01:56,880

immediately and so

1701

01:02:00,150 --> 01:01:58,559

you know i think that there's a lot more

1702

01:02:02,150 --> 01:02:00,160

space to do that now than they than

1703

01:02:03,990 --> 01:02:02,160

there was in 1994

1704

01:02:05,349 --> 01:02:04,000

um we also live and i live in a

1705

01:02:06,549 --> 01:02:05,359

different country

1706

01:02:09,109 --> 01:02:06,559

um

1707

01:02:10,789 --> 01:02:09,119

to where i did before that was very

1708

01:02:12,470 --> 01:02:10,799

very suppressed at that time i don't

1709

01:02:14,549 --> 01:02:12,480

know what it's like now randall has been

1710

01:02:16,789 --> 01:02:14,559

back to my homeland

1711

01:02:18,230 --> 01:02:16,799

more recently than i have so he can he

1712

01:02:19,030 --> 01:02:18,240

can speak to that

1713

01:02:22,230 --> 01:02:19,040

but

1714

01:02:24,710 --> 01:02:22,240

i think that we are in um we've kind of

1715

01:02:26,230 --> 01:02:24,720

taken a turn i think it's safe to say

1716

01:02:29,109 --> 01:02:26,240

where we have

1717

01:02:32,309 --> 01:02:29,119

the the room to have these conversations

1718

01:02:36,390 --> 01:02:32,319

yeah i'm very very appreciative of that

1719

01:02:38,230 --> 01:02:36,400

yeah and i i think that uh you know the

1720

01:02:39,670 --> 01:02:38,240

the science is opening this these

1721

01:02:41,109 --> 01:02:39,680

conversations up

1722

01:02:42,470 --> 01:02:41,119

because they're

1723

01:02:45,510 --> 01:02:42,480

i i believe

1724

01:02:47,510 --> 01:02:45,520

uh you're right on there samo just

1725

01:02:49,910 --> 01:02:47,520

you know that we weren't talking about

1726

01:02:51,430 --> 01:02:49,920

other planets 10 years ago

1727

01:02:53,910 --> 01:02:51,440

knowing that other planets that could

1728

01:02:56,630 --> 01:02:53,920

possibly support life out there

1729

01:02:58,309 --> 01:02:56,640

are out there and we know that now so

1730

01:03:00,950 --> 01:02:58,319

i mean i think science is i mean we

1731

01:03:02,950 --> 01:03:00,960

might want to start looking at well yeah

1732

01:03:04,230 --> 01:03:02,960

maybe microbial life and all that but

1733

01:03:08,950 --> 01:03:04,240

what if

1734

01:03:11,270 --> 01:03:08,960

uh real

1735

01:03:13,750 --> 01:03:11,280

how is it going to manifest in our world

1736

01:03:15,750 --> 01:03:13,760

and has it done that already

1737

01:03:17,589 --> 01:03:15,760

and we just have we missed it so it has

1738

01:03:19,029 --> 01:03:17,599

science missed it that's that's a

1739

01:03:20,309 --> 01:03:19,039

possibility i think that's why the

1740

01:03:22,069 --> 01:03:20,319

conversation

1741

01:03:24,470 --> 01:03:22,079

is going to keep opening

1742

01:03:25,750 --> 01:03:24,480

and events like this uh are important

1743

01:03:27,270 --> 01:03:25,760

and uh

1744

01:03:30,230 --> 01:03:27,280

you know there's

1745

01:03:32,309 --> 01:03:30,240

this event in particular has an enormous

1746

01:03:33,750 --> 01:03:32,319

amount of credible people

1747

01:03:36,630 --> 01:03:33,760

um who

1748

01:03:37,750 --> 01:03:36,640

uh witnessed a single event

1749

01:03:40,150 --> 01:03:37,760

um

1750

01:03:41,750 --> 01:03:40,160

yes so it's important yeah

1751

01:03:43,829 --> 01:03:41,760

like i said in the beginning i i do

1752

01:03:46,309 --> 01:03:43,839

think this is one of the most important

1753

01:03:50,710 --> 01:03:46,319

cases and i was really excited

1754

01:03:54,309 --> 01:03:52,309

this sounds like it i'm wrapping it up

1755

01:03:55,670 --> 01:03:54,319

and it's not but it's a question that i

1756

01:03:56,870 --> 01:03:55,680

just don't want to forget to ask where

1757

01:04:01,510 --> 01:03:56,880

do you

1758

01:04:03,349 --> 01:04:01,520

hope that this film the aerial phenomena

1759

01:04:04,710 --> 01:04:03,359

will bring this

1760

01:04:05,829 --> 01:04:04,720

what do you hope

1761

01:04:07,750 --> 01:04:05,839

that will

1762

01:04:11,589 --> 01:04:07,760

change or help

1763

01:04:16,789 --> 01:04:14,470

is that a question for me or yes

1764

01:04:20,069 --> 01:04:16,799

well i'll i'll i'll ask him as well but

1765

01:04:21,029 --> 01:04:20,079

no for you okay yeah yeah oh i so i

1766

01:04:22,470 --> 01:04:21,039

think

1767

01:04:25,430 --> 01:04:22,480

sorry um

1768

01:04:26,950 --> 01:04:25,440

martin it's been a long day i think that

1769

01:04:29,270 --> 01:04:26,960

my hope

1770

01:04:30,470 --> 01:04:29,280

is that this

1771

01:04:32,470 --> 01:04:30,480

this film

1772

01:04:33,750 --> 01:04:32,480

will open people's minds

1773

01:04:35,829 --> 01:04:33,760

to

1774

01:04:38,150 --> 01:04:35,839

at least having the conversation

1775

01:04:39,829 --> 01:04:38,160

about the fact that

1776

01:04:42,069 --> 01:04:39,839

these things could exist there's other

1777

01:04:43,910 --> 01:04:42,079

life out there i think that

1778

01:04:46,069 --> 01:04:43,920

showcasing children

1779

01:04:49,109 --> 01:04:46,079

um who

1780

01:04:49,990 --> 01:04:49,119

had very limited

1781

01:04:52,829 --> 01:04:50,000

very

1782

01:04:54,390 --> 01:04:52,839

like no outside influence at all on

1783

01:04:56,069 --> 01:04:54,400

what

1784

01:04:58,309 --> 01:04:56,079

this experience could have been but

1785

01:04:59,589 --> 01:04:58,319

we're still brave enough to speak up

1786

01:05:01,510 --> 01:04:59,599

about it

1787

01:05:03,829 --> 01:05:01,520

should attest to the fact that

1788

01:05:05,750 --> 01:05:03,839

we're telling the truth and what we saw

1789

01:05:06,950 --> 01:05:05,760

was real and genuine and that there are

1790

01:05:08,390 --> 01:05:06,960

other people out there who have

1791

01:05:10,630 --> 01:05:08,400

experienced and will continue to

1792

01:05:12,230 --> 01:05:10,640

experience um

1793

01:05:13,829 --> 01:05:12,240

things like this and that we should be

1794

01:05:16,069 --> 01:05:13,839

talking about it and understanding what

1795

01:05:17,670 --> 01:05:16,079

it means as opposed to just not talking

1796

01:05:19,510 --> 01:05:17,680

about it and worrying about who will

1797

01:05:20,870 --> 01:05:19,520

believe us and who won't

1798

01:05:22,789 --> 01:05:20,880

that's my hope of what this film would

1799

01:05:24,470 --> 01:05:22,799

bring i don't know i've seen very small

1800

01:05:25,270 --> 01:05:24,480

snippets of it so i don't know what it

1801

01:05:27,750 --> 01:05:25,280

all

1802

01:05:29,670 --> 01:05:27,760

entails like i i know

1803

01:05:32,230 --> 01:05:29,680

randall is a magic worker so it's going

1804

01:05:34,950 --> 01:05:32,240

to be a lot more than that but for me my

1805

01:05:37,190 --> 01:05:34,960

takeaway in what i think and my hope was

1806

01:05:40,870 --> 01:05:37,200

that i brought to the film um was that

1807

01:05:43,029 --> 01:05:40,880

that i could simply tell my story

1808

01:05:45,910 --> 01:05:43,039

tell my truth and we could have a

1809

01:05:49,270 --> 01:05:45,920

conversation about it

1810

01:05:51,109 --> 01:05:49,280

yeah i love it that's really good oh so

1811

01:05:53,109 --> 01:05:51,119

well i might as well ask you that

1812

01:05:55,109 --> 01:05:53,119

question too randy again i'm not

1813

01:05:58,230 --> 01:05:55,119

wrapping it up we still have

1814

01:06:01,190 --> 01:05:58,240

uh 20 some odd minutes left here no i i

1815

01:06:03,349 --> 01:06:01,200

i it's an important question because uh

1816

01:06:05,589 --> 01:06:03,359

i'm trying in this film i'm trying to

1817

01:06:08,069 --> 01:06:05,599

address it not as a

1818

01:06:10,230 --> 01:06:08,079

uh woo-woo factor you know special

1819

01:06:13,670 --> 01:06:10,240

effects kind of thing about

1820

01:06:15,029 --> 01:06:13,680

you know ufos and aliens i'm trying to

1821

01:06:20,470 --> 01:06:15,039

uh

1822

01:06:23,829 --> 01:06:20,480

you know there's a lot of different

1823

01:06:26,150 --> 01:06:23,839

events that people go through uh that

1824

01:06:28,230 --> 01:06:26,160

they don't they don't get to be heard

1825

01:06:30,230 --> 01:06:28,240

uh and this is one of them and it's it's

1826

01:06:32,549 --> 01:06:30,240

very similar to other events that happen

1827

01:06:33,430 --> 01:06:32,559

to people in the world where they they

1828

01:06:36,630 --> 01:06:33,440

um

1829

01:06:37,750 --> 01:06:36,640

either are ridiculed and not accepted

1830

01:06:40,710 --> 01:06:37,760

um

1831

01:06:43,109 --> 01:06:40,720

and this particular one is very i think

1832

01:06:47,190 --> 01:06:43,119

very important um

1833

01:06:49,750 --> 01:06:47,200

and also that um

1834

01:06:52,230 --> 01:06:49,760

uh you know the tagline to our our uh

1835

01:06:53,670 --> 01:06:52,240

the film is what what uh

1836

01:06:55,670 --> 01:06:53,680

what do you do when you experience

1837

01:06:57,029 --> 01:06:55,680

something so extraordinary and no one

1838

01:06:58,549 --> 01:06:57,039

believes you

1839

01:07:00,870 --> 01:06:58,559

i mean what do you do and most people

1840

01:07:02,750 --> 01:07:00,880

and john mack talked about this and many

1841

01:07:05,670 --> 01:07:02,760

other people have but

1842

01:07:08,150 --> 01:07:05,680

a lot of these people go inside and they

1843

01:07:09,670 --> 01:07:08,160

don't talk about it they stay silent

1844

01:07:12,390 --> 01:07:09,680

and i can't tell you how many people

1845

01:07:15,270 --> 01:07:12,400

i've met that even outside of this

1846

01:07:16,470 --> 01:07:15,280

particular incident uh you know who just

1847

01:07:19,109 --> 01:07:16,480

don't talk about it they've had an

1848

01:07:21,510 --> 01:07:19,119

extraordinary experience and uh

1849

01:07:22,789 --> 01:07:21,520

they don't tell their own family

1850

01:07:29,670 --> 01:07:22,799

they

1851

01:07:31,029 --> 01:07:29,680

talk about it because of fear of not

1852

01:07:34,230 --> 01:07:31,039

being accepted

1853

01:07:37,109 --> 01:07:34,240

uh so i hope my biggest hope is that

1854

01:07:38,150 --> 01:07:37,119

that that this film helps to change that

1855

01:07:40,630 --> 01:07:38,160

um

1856

01:07:45,270 --> 01:07:40,640

so it can just be like adults and just

1857

01:07:49,670 --> 01:07:47,270

that's my biggest hope

1858

01:07:50,950 --> 01:07:49,680

well that's great so randy along those

1859

01:07:52,630 --> 01:07:50,960

lines

1860

01:07:55,270 --> 01:07:52,640

have you reached out to some of the

1861

01:07:56,470 --> 01:07:55,280

witnesses and they just don't want to

1862

01:07:57,910 --> 01:07:56,480

talk about it

1863

01:08:00,069 --> 01:07:57,920

yes

1864

01:08:02,549 --> 01:08:00,079

and uh what would you say a percentage i

1865

01:08:07,190 --> 01:08:02,559

mean is there a percentage of people

1866

01:08:10,549 --> 01:08:08,710

i you know

1867

01:08:13,190 --> 01:08:10,559

i would say i'm trying to

1868

01:08:15,750 --> 01:08:13,200

add that and do the math here

1869

01:08:16,870 --> 01:08:15,760

i would say a good 40 percent

1870

01:08:19,110 --> 01:08:16,880

wow

1871

01:08:21,269 --> 01:08:19,120

yeah and then and and there's a lot of

1872

01:08:22,149 --> 01:08:21,279

people also that i just couldn't get to

1873

01:08:23,749 --> 01:08:22,159

that i

1874

01:08:26,229 --> 01:08:23,759

that were willing to be interviewed but

1875

01:08:28,070 --> 01:08:26,239

they were all over the world in germany

1876

01:08:29,349 --> 01:08:28,080

and new zealand and

1877

01:08:30,950 --> 01:08:29,359

um

1878

01:08:32,550 --> 01:08:30,960

but i spoke to quite a few of them but

1879

01:08:35,030 --> 01:08:32,560

there's also a lot of people that

1880

01:08:37,510 --> 01:08:35,040

witnessed this that uh

1881

01:08:39,430 --> 01:08:37,520

that i spoke with but were not willing

1882

01:08:42,149 --> 01:08:39,440

to be on camera

1883

01:08:43,910 --> 01:08:42,159

they were afraid um

1884

01:08:46,630 --> 01:08:43,920

and there were just there's a lot of

1885

01:08:47,669 --> 01:08:46,640

witnesses that i know exist that i never

1886

01:08:49,430 --> 01:08:47,679

found

1887

01:08:51,590 --> 01:08:49,440

that i mean i was just i was impressed

1888

01:08:53,349 --> 01:08:51,600

by the amount of witnesses that weren't

1889

01:08:54,630 --> 01:08:53,359

even at the aerial school

1890

01:08:55,510 --> 01:08:54,640

that witnessed

1891

01:08:58,149 --> 01:08:55,520

this

1892

01:08:59,269 --> 01:08:58,159

uh event happening in in the surrounding

1893

01:09:00,789 --> 01:08:59,279

time

1894

01:09:02,229 --> 01:09:00,799

uh that i

1895

01:09:05,030 --> 01:09:02,239

i knew there was some talk of a

1896

01:09:06,550 --> 01:09:05,040

meteorite entry or satellite and i

1897

01:09:08,070 --> 01:09:06,560

really went into that that was several

1898

01:09:11,430 --> 01:09:08,080

days before

1899

01:09:13,590 --> 01:09:11,440

but these these other witnesses uh were

1900

01:09:15,829 --> 01:09:13,600

around that you know the day before the

1901

01:09:17,110 --> 01:09:15,839

morning the day after

1902

01:09:18,149 --> 01:09:17,120

um

1903

01:09:19,749 --> 01:09:18,159

so

1904

01:09:21,829 --> 01:09:19,759

yeah there's i know there's more

1905

01:09:24,390 --> 01:09:21,839

witnesses out there that i was not able

1906

01:09:26,950 --> 01:09:24,400

to find

1907

01:09:29,269 --> 01:09:26,960

wow um

1908

01:09:31,510 --> 01:09:29,279

i think it's uh i think it's interesting

1909

01:09:33,030 --> 01:09:31,520

that some peop some people don't want to

1910

01:09:34,950 --> 01:09:33,040

talk about it i mean i understand when

1911

01:09:37,910 --> 01:09:34,960

someone doesn't want to be on camera but

1912

01:09:39,749 --> 01:09:37,920

that leads me to wonder if perhaps

1913

01:09:42,709 --> 01:09:39,759

they had a negative experience through

1914

01:09:43,749 --> 01:09:42,719

this whole thing well we talked about uh

1915

01:09:45,990 --> 01:09:43,759

when you guys were talking about

1916

01:09:47,030 --> 01:09:46,000

religion so yeah ariel was a christian

1917

01:09:50,630 --> 01:09:47,040

school

1918

01:09:53,430 --> 01:09:50,640

but there were quite a few shona um

1919

01:09:56,550 --> 01:09:53,440

who have their own religion and uh

1920

01:09:57,510 --> 01:09:56,560

um like animism um

1921

01:09:59,669 --> 01:09:57,520

and

1922

01:10:01,510 --> 01:09:59,679

their interpretation

1923

01:10:03,669 --> 01:10:01,520

uh you know they believe that it was

1924

01:10:04,709 --> 01:10:03,679

their ancestors or

1925

01:10:06,630 --> 01:10:04,719

you know there were different

1926

01:10:07,510 --> 01:10:06,640

interpretations at the school

1927

01:10:10,229 --> 01:10:07,520

but

1928

01:10:12,950 --> 01:10:10,239

one of the one of the uh witnesses that

1929

01:10:14,950 --> 01:10:12,960

i we agreed to have an interview

1930

01:10:17,430 --> 01:10:14,960

and uh

1931

01:10:19,910 --> 01:10:17,440

we spoke on the phone and i went to

1932

01:10:22,229 --> 01:10:19,920

interview him this was in south africa

1933

01:10:23,990 --> 01:10:22,239

and i got to the interview site and he's

1934

01:10:26,550 --> 01:10:24,000

he said you know look i don't i don't

1935

01:10:28,630 --> 01:10:26,560

want to do it and i said well we talked

1936

01:10:31,189 --> 01:10:28,640

about it and i and i said

1937

01:10:32,390 --> 01:10:31,199

i asked him i said well what what what's

1938

01:10:37,189 --> 01:10:32,400

why

1939

01:10:38,950 --> 01:10:37,199

up this time and what's what's the

1940

01:10:40,709 --> 01:10:38,960

reason you don't want to go into it i

1941

01:10:43,270 --> 01:10:40,719

mean i was open to accepting it and he

1942

01:10:46,550 --> 01:10:43,280

said well i feel like that it had

1943

01:10:49,669 --> 01:10:47,830

and i was like

1944

01:10:51,110 --> 01:10:49,679

and well it was interesting and i said

1945

01:10:53,270 --> 01:10:51,120

okay um

1946

01:10:54,709 --> 01:10:53,280

i don't think that's you know i told him

1947

01:10:55,750 --> 01:10:54,719

my personal opinion

1948

01:10:58,709 --> 01:10:55,760

but i

1949

01:11:00,709 --> 01:10:58,719

i i walked away from that thinking

1950

01:11:01,830 --> 01:11:00,719

you know what something pretty big deal

1951

01:11:04,149 --> 01:11:01,840

happened there

1952

01:11:06,390 --> 01:11:04,159

if even if it you know to even bring up

1953

01:11:08,630 --> 01:11:06,400

the fact that

1954

01:11:10,149 --> 01:11:08,640

it was something religious

1955

01:11:11,669 --> 01:11:10,159

that impactful

1956

01:11:13,110 --> 01:11:11,679

said a lot too

1957

01:11:15,350 --> 01:11:13,120

i really wish i could have interviewed

1958

01:11:18,950 --> 01:11:15,360

him i wish he wasn't uh

1959

01:11:21,350 --> 01:11:18,960

so religious about it and in in

1960

01:11:23,030 --> 01:11:21,360

in deciding you know he was afraid he

1961

01:11:24,070 --> 01:11:23,040

was obviously afraid of what happened

1962

01:11:25,110 --> 01:11:24,080

there

1963

01:11:28,550 --> 01:11:25,120

um

1964

01:11:30,470 --> 01:11:28,560

so religion did have an impact and

1965

01:11:32,630 --> 01:11:30,480

it had an impact on these kids as a

1966

01:11:34,070 --> 01:11:32,640

whole because the

1967

01:11:35,990 --> 01:11:34,080

a lot of the the

1968

01:11:38,630 --> 01:11:36,000

moms and dads were very christian and it

1969

01:11:41,350 --> 01:11:38,640

was very hard to uh

1970

01:11:44,149 --> 01:11:41,360

in in at that time to be open to the

1971

01:11:45,990 --> 01:11:44,159

possibility of this fitting into their

1972

01:11:46,870 --> 01:11:46,000

worldview

1973

01:11:49,669 --> 01:11:46,880

right

1974

01:11:51,750 --> 01:11:49,679

i get that uh randy while i have you on

1975

01:11:53,430 --> 01:11:51,760

right now and you probably can guess one

1976

01:11:55,750 --> 01:11:53,440

of the number one questions that i'm

1977

01:11:58,950 --> 01:11:55,760

being asked in the chat room and that is

1978

01:12:00,790 --> 01:11:58,960

when will the film be out

1979

01:12:03,270 --> 01:12:00,800

yeah it has been uh

1980

01:12:06,070 --> 01:12:03,280

it has been a really difficult uh

1981

01:12:08,149 --> 01:12:06,080

process to uh to uh make a film like

1982

01:12:09,990 --> 01:12:08,159

this and make it

1983

01:12:12,229 --> 01:12:10,000

as good as this and get the right people

1984

01:12:14,390 --> 01:12:12,239

to work on it and that's been the goal

1985

01:12:16,070 --> 01:12:14,400

so we're we're at a

1986

01:12:18,790 --> 01:12:16,080

a really good place we're probably going

1987

01:12:20,470 --> 01:12:18,800

to be close to a final in december

1988

01:12:22,310 --> 01:12:20,480

but again i don't a lot of people i

1989

01:12:25,270 --> 01:12:22,320

don't think understand how difficult it

1990

01:12:26,390 --> 01:12:25,280

is to make a film of this size

1991

01:12:28,390 --> 01:12:26,400

um

1992

01:12:31,910 --> 01:12:28,400

it's you know i'm dealing with 600 hours

1993

01:12:33,910 --> 01:12:31,920

of footage tons of archival footage

1994

01:12:36,630 --> 01:12:33,920

and uh

1995

01:12:38,070 --> 01:12:36,640

um you know the next step is i'm working

1996

01:12:39,590 --> 01:12:38,080

it's going to be starting working with a

1997

01:12:42,550 --> 01:12:39,600

composer and then we have to go color

1998

01:12:45,030 --> 01:12:42,560

correction i mean we're looking at uh

1999

01:12:47,430 --> 01:12:45,040

february march at a release but that

2000

01:12:48,550 --> 01:12:47,440

again depends on distributor you know we

2001

01:12:50,950 --> 01:12:48,560

have a lot of

2002

01:12:52,310 --> 01:12:50,960

but it's definitely going to happen uh

2003

01:12:55,030 --> 01:12:52,320

um

2004

01:12:55,910 --> 01:12:55,040

before the end of spring in 2018. that i

2005

01:12:57,910 --> 01:12:55,920

do know

2006

01:13:00,070 --> 01:12:57,920

and you know uh this is sort of the

2007

01:13:01,910 --> 01:13:00,080

final sprint to the finish line

2008

01:13:04,070 --> 01:13:01,920

after all this time and all this

2009

01:13:05,830 --> 01:13:04,080

research and all this uh retrieving and

2010

01:13:09,030 --> 01:13:05,840

footage and interviews

2011

01:13:10,709 --> 01:13:09,040

so uh yeah i'm very excited to yeah be

2012

01:13:12,310 --> 01:13:10,719

able to ice to see the light at the end

2013

01:13:14,709 --> 01:13:12,320

of the tunnel and get this out to the

2014

01:13:17,270 --> 01:13:14,719

world for sure well i know you have a

2015

01:13:20,229 --> 01:13:17,280

very high standard and

2016

01:13:22,390 --> 01:13:20,239

um you do a really an amazing job and

2017

01:13:25,910 --> 01:13:22,400

your photography by the way

2018

01:13:27,590 --> 01:13:25,920

is just incredible ah thank you sir yeah

2019

01:13:29,030 --> 01:13:27,600

so i understand

2020

01:13:31,110 --> 01:13:29,040

that you're not just trying to get

2021

01:13:33,270 --> 01:13:31,120

something out you're trying to make it

2022

01:13:35,110 --> 01:13:33,280

a piece that's going to be timeless i

2023

01:13:37,030 --> 01:13:35,120

could have got i could have done this i

2024

01:13:39,110 --> 01:13:37,040

could have got this movie out in two

2025

01:13:40,709 --> 01:13:39,120

years and then

2026

01:13:42,709 --> 01:13:40,719

though then i started getting more

2027

01:13:44,310 --> 01:13:42,719

information finding more people i'm like

2028

01:13:46,229 --> 01:13:44,320

you know this story

2029

01:13:47,830 --> 01:13:46,239

i'm only going to get one chance to tell

2030

01:13:51,110 --> 01:13:47,840

this story

2031

01:13:52,790 --> 01:13:51,120

and uh and i want to do it right because

2032

01:13:54,310 --> 01:13:52,800

the story deserves it there's so many

2033

01:13:55,990 --> 01:13:54,320

people in this story

2034

01:13:58,229 --> 01:13:56,000

the reporters

2035

01:13:59,830 --> 01:13:58,239

the uh the witnesses involved the you

2036

01:14:01,430 --> 01:13:59,840

know salma

2037

01:14:02,950 --> 01:14:01,440

so many others

2038

01:14:04,950 --> 01:14:02,960

um

2039

01:14:07,350 --> 01:14:04,960

uh the other you know there's just a lot

2040

01:14:10,070 --> 01:14:07,360

of people that and i i like to do

2041

01:14:12,149 --> 01:14:10,080

anybody that knows me like knows that i

2042

01:14:13,669 --> 01:14:12,159

i i like to do things right even if it

2043

01:14:14,709 --> 01:14:13,679

takes forever

2044

01:14:17,189 --> 01:14:14,719

and um

2045

01:14:19,189 --> 01:14:17,199

i i want to be proud of what what i've

2046

01:14:21,669 --> 01:14:19,199

done as far as a piece of work when i'm

2047

01:14:23,910 --> 01:14:21,679

done and i want it to uh

2048

01:14:26,470 --> 01:14:23,920

uh be something for the witnesses so

2049

01:14:28,390 --> 01:14:26,480

they can have for themselves and to

2050

01:14:29,830 --> 01:14:28,400

yeah to be timeless in the fact that

2051

01:14:32,470 --> 01:14:29,840

okay

2052

01:14:34,790 --> 01:14:32,480

uh this is the definitive

2053

01:14:36,790 --> 01:14:34,800

uh coverage of this event you know for

2054

01:14:38,229 --> 01:14:36,800

for historical purposes too

2055

01:14:40,630 --> 01:14:38,239

like you said

2056

01:14:41,910 --> 01:14:40,640

and i was glad to see that dan aykroyd

2057

01:14:44,870 --> 01:14:41,920

stepped up and helped you out with a

2058

01:14:47,750 --> 01:14:44,880

little promotional yeah dan fantastic

2059

01:14:48,550 --> 01:14:47,760

yeah dan aykroyd was uh just a really

2060

01:14:50,950 --> 01:14:48,560

good

2061

01:14:51,990 --> 01:14:50,960

he's a really big-hearted man

2062

01:14:53,350 --> 01:14:52,000

um

2063

01:14:55,990 --> 01:14:53,360

and uh

2064

01:14:57,910 --> 01:14:56,000

i had interviewed him because he was one

2065

01:14:58,709 --> 01:14:57,920

of the last peoples to interview dr john

2066

01:14:59,990 --> 01:14:58,719

mack

2067

01:15:03,030 --> 01:15:00,000

from harvard

2068

01:15:05,750 --> 01:15:03,040

really um yeah so because dan was

2069

01:15:07,830 --> 01:15:05,760

planning on doing it like a

2070

01:15:09,510 --> 01:15:07,840

a paranormal uh

2071

01:15:10,630 --> 01:15:09,520

talk show and it never

2072

01:15:12,470 --> 01:15:10,640

launched

2073

01:15:15,830 --> 01:15:12,480

so but i found out he had the interview

2074

01:15:18,229 --> 01:15:15,840

and i got the interview from him and um

2075

01:15:20,390 --> 01:15:18,239

and he agreed to i asked him would you

2076

01:15:22,630 --> 01:15:20,400

be okay with me interviewing and he you

2077

01:15:24,149 --> 01:15:22,640

know donated his time and

2078

01:15:26,470 --> 01:15:24,159

um

2079

01:15:29,910 --> 01:15:26,480

yeah i've been getting a lot of uh great

2080

01:15:32,229 --> 01:15:29,920

help from a lot of people like that um

2081

01:15:34,390 --> 01:15:32,239

but we're still doing an indiegogo

2082

01:15:37,030 --> 01:15:34,400

we're still we're still raising funds

2083

01:15:39,510 --> 01:15:37,040

it's it's been uh it's expensive boy i

2084

01:15:41,910 --> 01:15:39,520

tell you you get in post production

2085

01:15:43,510 --> 01:15:41,920

yeah we had a private conversation a

2086

01:15:44,709 --> 01:15:43,520

while back and you were telling me about

2087

01:15:47,590 --> 01:15:44,719

editing

2088

01:15:50,149 --> 01:15:47,600

and uh how costly that is very oh my god

2089

01:15:53,110 --> 01:15:50,159

and so consuming um

2090

01:15:56,310 --> 01:15:53,120

all right salma back to you uh

2091

01:15:58,070 --> 01:15:56,320

a question i have is um

2092

01:15:59,910 --> 01:15:58,080

you said at the time you had you didn't

2093

01:16:02,390 --> 01:15:59,920

have any fear

2094

01:16:03,750 --> 01:16:02,400

um now do you think like if you saw

2095

01:16:05,750 --> 01:16:03,760

something again someone asked in the

2096

01:16:07,430 --> 01:16:05,760

chat room if you ever had another any

2097

01:16:09,830 --> 01:16:07,440

type of encounter

2098

01:16:11,830 --> 01:16:09,840

i don't know if you have or have not but

2099

01:16:13,590 --> 01:16:11,840

um do you think you'd have fear this

2100

01:16:16,229 --> 01:16:13,600

time or do you think you'd it'd be the

2101

01:16:17,990 --> 01:16:16,239

same way if you had to guess

2102

01:16:19,430 --> 01:16:18,000

i think

2103

01:16:21,030 --> 01:16:19,440

if i had to guess if i had the

2104

01:16:24,790 --> 01:16:21,040

experience again

2105

01:16:27,350 --> 01:16:24,800

or another experience um i would

2106

01:16:30,070 --> 01:16:27,360

i would definitely be more intrigued

2107

01:16:31,990 --> 01:16:30,080

than i was at 11.

2108

01:16:33,030 --> 01:16:32,000

um

2109

01:16:43,110 --> 01:16:33,040

i

2110

01:16:45,910 --> 01:16:43,120

um

2111

01:16:48,390 --> 01:16:45,920

at 11 so i think this time around if it

2112

01:16:52,229 --> 01:16:48,400

were to happen again i would i would

2113

01:16:55,430 --> 01:16:53,910

really wow

2114

01:16:57,750 --> 01:16:55,440

because i think i have

2115

01:17:00,070 --> 01:16:57,760

more of an understanding of

2116

01:17:02,790 --> 01:17:00,080

what my experience was i don't know if

2117

01:17:05,189 --> 01:17:02,800

if people have multiple experiences like

2118

01:17:07,110 --> 01:17:05,199

that i have no idea i've often wondered

2119

01:17:08,870 --> 01:17:07,120

about it sometimes

2120

01:17:10,950 --> 01:17:08,880

i'd be like well can't you just come

2121

01:17:12,870 --> 01:17:10,960

back again so we can we can have that

2122

01:17:15,189 --> 01:17:12,880

chat you know like let's finish that

2123

01:17:19,510 --> 01:17:15,199

chat um to be honest i i have thought

2124

01:17:22,790 --> 01:17:20,950

i also know that

2125

01:17:24,070 --> 01:17:22,800

if if it will if it's meant to be at

2126

01:17:26,550 --> 01:17:24,080

will

2127

01:17:28,149 --> 01:17:26,560

now you said you were so incredibly

2128

01:17:30,470 --> 01:17:28,159

close to this thing

2129

01:17:33,270 --> 01:17:30,480

um and what was it about three feet tall

2130

01:17:36,310 --> 01:17:33,280

that's what a lot of people mentioned

2131

01:17:39,510 --> 01:17:36,320

yes three to four

2132

01:17:41,990 --> 01:17:39,520

feet tall i guess i was taller than it

2133

01:17:45,030 --> 01:17:42,000

was uh-huh and i was i was i was i'm i

2134

01:17:47,510 --> 01:17:45,040

mean i'm i'm tall but i was also a very

2135

01:17:49,590 --> 01:17:47,520

tall sixth grader so

2136

01:17:51,669 --> 01:17:49,600

that was very

2137

01:17:52,870 --> 01:17:51,679

just a little alarming

2138

01:17:55,110 --> 01:17:52,880

you know because i was like what am i

2139

01:17:57,189 --> 01:17:55,120

looking at here

2140

01:17:58,390 --> 01:17:57,199

yeah you know what what am i looking at

2141

01:17:59,189 --> 01:17:58,400

here um

2142

01:18:00,550 --> 01:17:59,199

so

2143

01:18:02,229 --> 01:18:00,560

well i know how it was about it was

2144

01:18:03,910 --> 01:18:02,239

about that height

2145

01:18:05,910 --> 01:18:03,920

i know how kids are and how they like to

2146

01:18:07,830 --> 01:18:05,920

touch anything i'm surprised no one

2147

01:18:09,669 --> 01:18:07,840

tried to touch the being or the craft

2148

01:18:12,149 --> 01:18:09,679

you you know there's something about

2149

01:18:14,390 --> 01:18:12,159

those tree trunks as a boundary mat and

2150

01:18:17,510 --> 01:18:14,400

i'm telling you it you people people we

2151  
01:18:19,030 --> 01:18:17,520  
took that very seriously nobody nobody

2152  
01:18:21,270 --> 01:18:19,040  
crossed that boundary

2153  
01:18:23,990 --> 01:18:21,280  
um at all whether it was your arm or

2154  
01:18:27,669 --> 01:18:24,000  
your foot or your toe i also think

2155  
01:18:29,510 --> 01:18:27,679  
that because a lot of us were

2156  
01:18:30,950 --> 01:18:29,520  
unsure of what we were looking at we

2157  
01:18:32,870 --> 01:18:30,960  
just knew that we were looking at

2158  
01:18:34,950 --> 01:18:32,880  
something unique and different you're

2159  
01:18:36,630 --> 01:18:34,960  
also less likely to

2160  
01:18:39,110 --> 01:18:36,640  
you know

2161  
01:18:40,870 --> 01:18:39,120  
reach out i certainly was curiosity was

2162  
01:18:42,630 --> 01:18:40,880  
not gonna try and kill my cat that day i

2163  
01:18:45,030 --> 01:18:42,640

was not reaching out and trying to be

2164

01:18:47,270 --> 01:18:45,040

like you know what is this um but i can

2165

01:18:48,550 --> 01:18:47,280

only speak for myself i think just the

2166

01:18:50,709 --> 01:18:48,560

the general

2167

01:18:52,630 --> 01:18:50,719

feeling and sense on the playground

2168

01:18:54,310 --> 01:18:52,640

that probably makes sense is that okay

2169

01:18:56,149 --> 01:18:54,320

we know we're looking at something we

2170

01:18:57,990 --> 01:18:56,159

don't know what it is

2171

01:18:59,510 --> 01:18:58,000

so we're just gonna

2172

01:19:01,750 --> 01:18:59,520

observe from a file which i think

2173

01:19:04,070 --> 01:19:01,760

incidentally is what

2174

01:19:06,229 --> 01:19:04,080

they did as well because none of them

2175

01:19:07,110 --> 01:19:06,239

came into the playground not a single

2176

01:19:13,830 --> 01:19:07,120

one

2177

01:19:17,030 --> 01:19:13,840

contact with when we talk about it

2178

01:19:19,189 --> 01:19:17,040

remember the beings being in the actual

2179

01:19:20,310 --> 01:19:19,199

boundary of the playground

2180

01:19:25,910 --> 01:19:20,320

wow

2181

01:19:27,510 --> 01:19:25,920

i'm opening this up if someone wants to

2182

01:19:29,669 --> 01:19:27,520

uh join us

2183

01:19:31,350 --> 01:19:29,679

in google hangouts all you have to do is

2184

01:19:33,990 --> 01:19:31,360

uh if you're listening live all you have

2185

01:19:36,390 --> 01:19:34,000

to do is just type in your gmail address

2186

01:19:37,350 --> 01:19:36,400

into the chat room and i can i can join

2187

01:19:43,270 --> 01:19:37,360

you

2188

01:19:44,870 --> 01:19:43,280

about the um

2189

01:19:49,270 --> 01:19:44,880

uh

2190

01:19:53,990 --> 01:19:49,280

this film

2191

01:19:56,550 --> 01:19:54,000

uh did anyone try to find trace evidence

2192

01:19:57,830 --> 01:19:56,560

yes at the site yes

2193

01:20:03,910 --> 01:19:57,840

um

2194

01:20:05,510 --> 01:20:03,920

that was through mufon cynthia hind and

2195

01:20:08,310 --> 01:20:05,520

a technician

2196

01:20:10,630 --> 01:20:08,320

uh who had a geiger counter and uh they

2197

01:20:11,990 --> 01:20:10,640

actually did soil samples

2198

01:20:14,550 --> 01:20:12,000

uh it was pretty

2199

01:20:16,790 --> 01:20:14,560

you know considering the technology

2200

01:20:18,790 --> 01:20:16,800

you know in zimbabwe at the time it was

2201

01:20:20,630 --> 01:20:18,800

they used what they could

2202

01:20:21,750 --> 01:20:20,640

um

2203

01:20:23,270 --> 01:20:21,760

uh

2204

01:20:25,110 --> 01:20:23,280

a couple other instruments that they

2205

01:20:28,950 --> 01:20:25,120

used but they didn't detect anything

2206

01:20:31,430 --> 01:20:28,960

abnormal in that area um

2207

01:20:33,110 --> 01:20:31,440

so i mean that that was

2208

01:20:34,950 --> 01:20:33,120

interesting you know something you

2209

01:20:37,030 --> 01:20:34,960

brought up earlier i know you know the

2210

01:20:38,709 --> 01:20:37,040

kids had said uh

2211

01:20:40,870 --> 01:20:38,719

that the whole hair without hair

2212

01:20:41,910 --> 01:20:40,880

incident uh yeah you know description of

2213

01:20:43,270 --> 01:20:41,920

this being

2214

01:20:44,870 --> 01:20:43,280

well

2215

01:20:46,709 --> 01:20:44,880

i was wondering that was a big one for

2216

01:20:48,790 --> 01:20:46,719

me it was like in the beginning was like

2217

01:20:50,630 --> 01:20:48,800

all right wait a second and you know

2218

01:20:53,270 --> 01:20:50,640

what that's unusual for one in the

2219

01:20:55,189 --> 01:20:53,280

research that i did and then i came upon

2220

01:20:57,430 --> 01:20:55,199

an interview with a

2221

01:20:58,709 --> 01:20:57,440

a couple of the kids from an archival

2222

01:21:00,390 --> 01:20:58,719

section that i

2223

01:21:02,870 --> 01:21:00,400

uh retrieved

2224

01:21:05,350 --> 01:21:02,880

out of africa and um

2225

01:21:07,510 --> 01:21:05,360

where the where one girl particular she

2226

01:21:09,990 --> 01:21:07,520

says yeah one had hair

2227

01:21:13,030 --> 01:21:10,000

one had what looked like hair that was

2228

01:21:14,630 --> 01:21:13,040

standing near the the object

2229

01:21:16,470 --> 01:21:14,640

and the other one which came and

2230

01:21:18,229 --> 01:21:16,480

approached the playground

2231

01:21:19,110 --> 01:21:18,239

didn't have any hair

2232

01:21:21,430 --> 01:21:19,120

um

2233

01:21:23,669 --> 01:21:21,440

and i was like oh okay so there that it

2234

01:21:26,310 --> 01:21:23,679

kind of that that that one in particular

2235

01:21:27,910 --> 01:21:26,320

said okay i get it so it wasn't just

2236

01:21:30,229 --> 01:21:27,920

they weren't identical you know there

2237

01:21:32,229 --> 01:21:30,239

was definitely more than one

2238

01:21:34,390 --> 01:21:32,239

um

2239

01:21:35,270 --> 01:21:34,400

so anyway i just wanted to raise that

2240

01:21:38,149 --> 01:21:35,280

because

2241

01:21:40,550 --> 01:21:38,159

it was a big question for me um

2242

01:21:42,550 --> 01:21:40,560

because there was a discrepancy in

2243

01:21:44,310 --> 01:21:42,560

different reports like some said that

2244

01:21:47,110 --> 01:21:44,320

had a hair like thing

2245

01:21:48,790 --> 01:21:47,120

uh john mack that had asked the children

2246

01:21:50,709 --> 01:21:48,800

a lot about that like well was it

2247

01:21:52,070 --> 01:21:50,719

actually hair or was it some kind of

2248

01:21:53,189 --> 01:21:52,080

hood or whatever

2249

01:21:54,709 --> 01:21:53,199

um but

2250

01:21:56,470 --> 01:21:54,719

there were

2251

01:21:58,790 --> 01:21:56,480

from what i've been able to discover

2252

01:22:00,790 --> 01:21:58,800

that there were two very distinct

2253

01:22:03,189 --> 01:22:00,800

creatures

2254

01:22:06,149 --> 01:22:03,199

wow that's interesting glad you i'm glad

2255

01:22:07,189 --> 01:22:06,159

you uh did that yeah i'm glad you um

2256

01:22:09,669 --> 01:22:07,199

said that

2257

01:22:13,270 --> 01:22:11,750

um yes going all the way back to the

2258

01:22:14,709 --> 01:22:13,280

description of the being you know

2259

01:22:16,070 --> 01:22:14,719

because i

2260

01:22:18,629 --> 01:22:16,080

um you're probably going to be the only

2261

01:22:22,550 --> 01:22:18,639

one i've ever talked to that actually

2262

01:22:25,030 --> 01:22:22,560

saw a being like that so close um

2263

01:22:26,310 --> 01:22:25,040

and uh you know i you know and i i

2264

01:22:27,510 --> 01:22:26,320

shouldn't say that because a lot of

2265

01:22:30,310 --> 01:22:27,520

people are saying they're you know

2266

01:22:32,470 --> 01:22:30,320

experiencers and see things but um say

2267

01:22:33,750 --> 01:22:32,480

you're surrounded by witnesses

2268

01:22:36,070 --> 01:22:33,760

um

2269

01:22:37,910 --> 01:22:36,080

when i talked to travis walton

2270

01:22:38,790 --> 01:22:37,920

you know he told me the eyes were the

2271

01:22:40,629 --> 01:22:38,800

most

2272

01:22:42,310 --> 01:22:40,639

you know incredible thing the eyes were

2273

01:22:43,669 --> 01:22:42,320

the scariest thing of them all do you

2274

01:22:46,870 --> 01:22:43,679

feel the same way

2275

01:22:47,750 --> 01:22:46,880

with the eyes like big and black like

2276

01:22:51,430 --> 01:22:47,760

yes

2277

01:22:52,470 --> 01:22:51,440

and i can see my the picture that i drew

2278

01:22:53,430 --> 01:22:52,480

vividly

2279

01:22:56,070 --> 01:22:53,440

um

2280

01:22:57,350 --> 01:22:56,080

in my mind the eyes were very very

2281

01:23:00,550 --> 01:22:57,360

captivating

2282

01:23:03,990 --> 01:23:00,560

um nothing like i'd ever seen before and

2283

01:23:06,709 --> 01:23:04,000

um incredibly magnetic which is

2284

01:23:07,590 --> 01:23:06,719

it almost felt like it took effort for

2285

01:23:09,830 --> 01:23:07,600

me

2286

01:23:11,990 --> 01:23:09,840

to break that gaze which again you kind

2287

01:23:15,430 --> 01:23:12,000

of feel if time is slowing down if that

2288

01:23:17,430 --> 01:23:15,440

is in fact what happened i don't know um

2289

01:23:19,030 --> 01:23:17,440

but

2290

01:23:21,590 --> 01:23:19,040

they were very big

2291

01:23:24,470 --> 01:23:21,600

and uh very dark

2292

01:23:25,590 --> 01:23:24,480

and very very

2293

01:23:27,189 --> 01:23:25,600

just

2294

01:23:28,629 --> 01:23:27,199

they were captivating you know it was

2295

01:23:30,709 --> 01:23:28,639

one of those where you you couldn't look

2296

01:23:32,070 --> 01:23:30,719

away

2297

01:23:34,390 --> 01:23:32,080

now whatever you did but you didn't

2298

01:23:35,430 --> 01:23:34,400

really know what you were looking at so

2299

01:23:38,229 --> 01:23:35,440

yeah

2300

01:23:42,629 --> 01:23:40,870

one of the children drew a picture where

2301

01:23:44,310 --> 01:23:42,639

they had pupils

2302

01:23:46,870 --> 01:23:44,320

uh are you familiar

2303

01:23:49,270 --> 01:23:46,880

with that picture did you see like white

2304

01:23:50,470 --> 01:23:49,280

pupils in the middle i i'm i'm familiar

2305

01:23:52,870 --> 01:23:50,480

with that picture

2306

01:23:55,110 --> 01:23:52,880

that's uh so he drew

2307

01:23:56,709 --> 01:23:55,120

he was asked what that was and he said

2308

01:23:59,510 --> 01:23:56,719

that there it was the reflection of

2309

01:24:00,550 --> 01:23:59,520

light that he was trying to draw

2310

01:24:02,790 --> 01:24:00,560

yeah

2311

01:24:03,910 --> 01:24:02,800

i got it okay that's interesting all

2312

01:24:06,470 --> 01:24:03,920

right

2313

01:24:07,910 --> 01:24:06,480

so we only we have about uh five or six

2314

01:24:09,669 --> 01:24:07,920

minutes left

2315

01:24:11,110 --> 01:24:09,679

and um

2316

01:24:13,030 --> 01:24:11,120

i want to make sure

2317

01:24:15,350 --> 01:24:13,040

uh this is such a great opportunity that

2318

01:24:17,510 --> 01:24:15,360

i get to ask you all the questions but i

2319

01:24:20,310 --> 01:24:17,520

i i think i'm going to ask you

2320

01:24:23,510 --> 01:24:21,110

what

2321

01:24:25,750 --> 01:24:23,520

you could tell someone out there who's

2322

01:24:28,870 --> 01:24:25,760

maybe experienced this that doesn't want

2323

01:24:31,270 --> 01:24:28,880

to talk about it or suppressing it or

2324

01:24:33,669 --> 01:24:31,280

or would never want to report it do you

2325

01:24:36,310 --> 01:24:33,679

feel as though you could help them

2326

01:24:39,110 --> 01:24:36,320

through something like that

2327

01:24:41,270 --> 01:24:39,120

i mean i i think that

2328

01:24:43,910 --> 01:24:41,280

i would definitely

2329

01:24:46,709 --> 01:24:43,920

encourage the person to talk about it if

2330

01:24:48,310 --> 01:24:46,719

they wanted to i think it also takes the

2331

01:24:50,709 --> 01:24:48,320

right person

2332

01:24:52,629 --> 01:24:50,719

to break that in you have to feel i

2333

01:24:54,390 --> 01:24:52,639

think i almost feel that if if it hadn't

2334

01:24:56,070 --> 01:24:54,400

been randall i may not be having this

2335

01:24:58,629 --> 01:24:56,080

conversation with you

2336

01:24:59,830 --> 01:24:58,639

so the approach that the person that

2337

01:25:01,669 --> 01:24:59,840

you're trying to

2338

01:25:04,550 --> 01:25:01,679

have this breakthrough conversation with

2339

01:25:05,430 --> 01:25:04,560

is really really important um i also

2340

01:25:07,430 --> 01:25:05,440

think

2341

01:25:09,510 --> 01:25:07,440

that it's important to recognize that

2342

01:25:10,390 --> 01:25:09,520

your experience is

2343

01:25:14,709 --> 01:25:10,400

as

2344

01:25:16,629 --> 01:25:14,719

and if you want

2345

01:25:19,189 --> 01:25:16,639

something to be spoken about if you if

2346

01:25:21,110 --> 01:25:19,199

you want to have better understanding

2347

01:25:22,709 --> 01:25:21,120

perhaps talking about it in some way

2348

01:25:25,350 --> 01:25:22,719

shape or form

2349

01:25:26,950 --> 01:25:25,360

is a good idea i would never begin to

2350

01:25:29,590 --> 01:25:26,960

suggest what that is because everybody

2351  
01:25:31,669 --> 01:25:29,600  
deals with things differently um and i'm

2352  
01:25:33,110 --> 01:25:31,679  
not a psychologist at all so i don't

2353  
01:25:35,270 --> 01:25:33,120  
pretend to have this fantastic

2354  
01:25:37,350 --> 01:25:35,280  
understanding of the human brain but i

2355  
01:25:39,350 --> 01:25:37,360  
do know that

2356  
01:25:42,229 --> 01:25:39,360  
with experiences come processes right we

2357  
01:25:43,270 --> 01:25:42,239  
we all process things very differently

2358  
01:25:46,229 --> 01:25:43,280  
my

2359  
01:25:49,030 --> 01:25:46,239  
goal would be to

2360  
01:25:51,430 --> 01:25:49,040  
not discredit this person's experience

2361  
01:25:55,350 --> 01:25:51,440  
but to also have them think whether it's

2362  
01:25:56,790 --> 01:25:55,360  
first in journaling or in um making

2363  
01:25:59,350 --> 01:25:56,800

little sound bites about what their

2364

01:26:01,189 --> 01:25:59,360

experience is to help

2365

01:26:03,590 --> 01:26:01,199

them understand what that could mean and

2366

01:26:05,270 --> 01:26:03,600

that may eventually help them talk about

2367

01:26:07,030 --> 01:26:05,280

it because i don't think that it's just

2368

01:26:09,110 --> 01:26:07,040

a i don't think it's a fluid thing it

2369

01:26:11,350 --> 01:26:09,120

most certainly was not for me i i can

2370

01:26:13,430 --> 01:26:11,360

only speak for myself but like i said

2371

01:26:15,590 --> 01:26:13,440

sometimes those those years of

2372

01:26:17,189 --> 01:26:15,600

suppression or the time of suppression

2373

01:26:18,629 --> 01:26:17,199

is actually

2374

01:26:20,629 --> 01:26:18,639

beneficial to you

2375

01:26:22,310 --> 01:26:20,639

to realize that you're still thinking

2376

01:26:23,669 --> 01:26:22,320

about this this thing really did still

2377

01:26:25,750 --> 01:26:23,679

happen you're still you still have

2378

01:26:27,910 --> 01:26:25,760

dreams about it you have other dreams

2379

01:26:29,830 --> 01:26:27,920

about it you have all these other things

2380

01:26:31,910 --> 01:26:29,840

that have happened in your life that

2381

01:26:33,270 --> 01:26:31,920

okay this is not going away what can i

2382

01:26:34,790 --> 01:26:33,280

do about it what am i supposed to do

2383

01:26:36,390 --> 01:26:34,800

about it and i really do think that it's

2384

01:26:39,270 --> 01:26:36,400

a transitional thing

2385

01:26:41,350 --> 01:26:39,280

yeah yeah it sounds like all processing

2386

01:26:43,590 --> 01:26:41,360

what you're talking about um did you

2387

01:26:44,870 --> 01:26:43,600

happen to keep the drawing or drawings

2388

01:26:45,830 --> 01:26:44,880

that you did

2389

01:26:47,030 --> 01:26:45,840

um

2390

01:26:49,189 --> 01:26:47,040

i did not

2391

01:26:50,070 --> 01:26:49,199

randall do you have it i know we have a

2392

01:26:52,470 --> 01:26:50,080

paper

2393

01:26:55,270 --> 01:26:52,480

yes somewhere um

2394

01:26:58,070 --> 01:26:55,280

i do not have it and we we we

2395

01:26:58,790 --> 01:26:58,080

let go of everything

2396

01:27:00,070 --> 01:26:58,800

yeah

2397

01:27:03,430 --> 01:27:00,080

i just wanna think i think retta

2398

01:27:04,470 --> 01:27:03,440

probably has it i i do um i've i've got

2399

01:27:06,550 --> 01:27:04,480

them all so

2400

01:27:09,750 --> 01:27:06,560

i just wanted to say that kind of add to

2401

01:27:11,030 --> 01:27:09,760

what sam was saying is that yeah i mean

2402

01:27:13,430 --> 01:27:11,040

we do

2403

01:27:15,510 --> 01:27:13,440

people do uh keep uh

2404

01:27:17,910 --> 01:27:15,520

keep things quiet and

2405

01:27:18,870 --> 01:27:17,920

uh when when they really do need to talk

2406

01:27:21,189 --> 01:27:18,880

about it

2407

01:27:24,149 --> 01:27:21,199

and they when you keep something quiet

2408

01:27:25,669 --> 01:27:24,159

and inside for too long it it manifests

2409

01:27:28,629 --> 01:27:25,679

in other ways

2410

01:27:31,030 --> 01:27:28,639

that are not so good uh in addictions

2411

01:27:32,870 --> 01:27:31,040

other kind of things so i think it is

2412

01:27:34,790 --> 01:27:32,880

really good to if if there is somebody

2413

01:27:36,149 --> 01:27:34,800

out there that that needs to speak about

2414

01:27:37,590 --> 01:27:36,159

it that they speak about it with the

2415

01:27:40,149 --> 01:27:37,600

right person

2416

01:27:43,189 --> 01:27:40,159

um and know who to trust

2417

01:27:45,350 --> 01:27:43,199

and uh take it slow because some of

2418

01:27:47,510 --> 01:27:45,360

these time i've i've run into this with

2419

01:27:49,270 --> 01:27:47,520

several of the other kids it's really

2420

01:27:50,470 --> 01:27:49,280

that we're really traumatized by this

2421

01:27:52,310 --> 01:27:50,480

and uh

2422

01:27:55,430 --> 01:27:52,320

it's it's something that you have to

2423

01:27:57,189 --> 01:27:55,440

really take slow but it's you know

2424

01:27:59,189 --> 01:27:57,199

uh it's part of the culture that we're

2425

01:28:01,270 --> 01:27:59,199

not being able to speak about it and

2426

01:28:04,070 --> 01:28:01,280

that's what needs to change

2427

01:28:05,590 --> 01:28:04,080

well excellent all right so uh you know

2428

01:28:07,510 --> 01:28:05,600

we're at the i wouldn't what if i could

2429

01:28:09,350 --> 01:28:07,520

do a split screen here with both of you

2430

01:28:12,390 --> 01:28:09,360

on we are at

2431

01:28:15,350 --> 01:28:12,400

the uh the end of our show

2432

01:28:17,110 --> 01:28:15,360

and uh so i guess um

2433

01:28:19,430 --> 01:28:17,120

i've really really enjoyed it tonight

2434

01:28:20,790 --> 01:28:19,440

and i want to ask you uh

2435

01:28:22,870 --> 01:28:20,800

in the show notes i want to say in the

2436

01:28:24,629 --> 01:28:22,880

show notes there are some drawings

2437

01:28:28,070 --> 01:28:24,639

there's some pictures

2438

01:28:31,110 --> 01:28:28,080

and you can find that on podcastufo.com

2439

01:28:32,950 --> 01:28:31,120

um so all that's there and also

2440

01:28:36,669 --> 01:28:32,960

there's uh i think there's a link to the

2441

01:28:38,229 --> 01:28:36,679

fund me page you have as well as

2442

01:28:40,629 --> 01:28:38,239

aerialphenomenon.com and then we're

2443

01:28:42,950 --> 01:28:40,639

doing an indiegogo i got to tell you we

2444

01:28:44,629 --> 01:28:42,960

did in this indiegogo we started it to

2445

01:28:47,110 --> 01:28:44,639

raise funding funds for the finishing

2446

01:28:49,350 --> 01:28:47,120

funds and then we got hit by hurricane

2447

01:28:51,110 --> 01:28:49,360

hurricane hurricane shooting

2448

01:28:53,669 --> 01:28:51,120

i mean we couldn't have picked a worse

2449

01:28:55,830 --> 01:28:53,679

time to do an indiegogo campaign but

2450

01:28:57,990 --> 01:28:55,840

yeah if people are are really want to

2451  
01:28:59,110 --> 01:28:58,000  
help uh

2452  
01:29:00,790 --> 01:28:59,120  
we need it

2453  
01:29:03,030 --> 01:29:00,800  
yeah um so

2454  
01:29:04,310 --> 01:29:03,040  
thanks excellent all right excellent

2455  
01:29:05,750 --> 01:29:04,320  
well thanks so much randy don't say

2456  
01:29:07,510 --> 01:29:05,760  
goodbye yet so i'm going to say goodbye

2457  
01:29:09,110 --> 01:29:07,520  
to you thanks so much

2458  
01:29:11,590 --> 01:29:09,120  
i really appreciate it i'm glad you made

2459  
01:29:14,310 --> 01:29:11,600  
it to the show geez it was thank you

2460  
01:29:16,229 --> 01:29:14,320  
yeah for a while there um yeah thanks so

2461  
01:29:17,830 --> 01:29:16,239  
much and i gotta tell you

2462  
01:29:19,350 --> 01:29:17,840  
you're one of my favorite guests this

2463  
01:29:21,110 --> 01:29:19,360

was really great

2464

01:29:22,470 --> 01:29:21,120

oh thank you very much for having me it

2465

01:29:24,310 --> 01:29:22,480

was a pleasure

2466

01:29:25,990 --> 01:29:24,320

yes and i hope your future is as bright

2467

01:29:28,310 --> 01:29:26,000

as i think it's going to be

2468

01:29:30,470 --> 01:29:28,320

thank you i hope so too i think i think

2469

01:29:32,709 --> 01:29:30,480

um i think it will be

2470

01:29:35,430 --> 01:29:32,719

yes all right you take care thank you

2471

01:29:37,030 --> 01:29:35,440

have a good night bye-bye bye-bye and

2472

01:29:39,430 --> 01:29:37,040

thanks for joining me in the studio

2473

01:29:41,430 --> 01:29:39,440

thank you ottawa i'll select the next

2474

01:29:43,990 --> 01:29:41,440

settlement for guest of the year okay
