forward to our guest tonight Brad

6  
00:00:36,020 --> 00:00:33,390

Steiger iconic author and we were just

7  
00:00:38,450 --> 00:00:36,030

talking ahead of the show how it's taken

8  
00:00:40,100 --> 00:00:38,460

two years to get to this point so I'm

9  
00:00:42,020 --> 00:00:40,110

real excited that he's on and in the

10  
00:00:44,360 --> 00:00:42,030

spirit of Halloween we're gonna be

11  
00:00:47,920 --> 00:00:44,370

talking about his he has some recently

12  
00:00:50,240 --> 00:00:47,930

released ebooks real nightmares I

13  
00:00:52,040 --> 00:00:50,250

downloaded one for I think the first one

14

00:00:56,810 --> 00:00:52,050

all the way back from I think was 2011

15

00:01:00,279 --> 00:00:56,820

and really enjoy reading his work he has

16

00:01:03,290 --> 00:01:00,289

over 2000 articles more than 180 titles

17

00:01:07,700 --> 00:01:03,300

with inspirational and paranormal themes

18

00:01:11,150 --> 00:01:07,710

he also did some auto-buy he did some

19

00:01:13,400 --> 00:01:11,160

biographies of Greta Garbo Judy Garland

20

00:01:16,190 --> 00:01:13,410

and one he was really noted for in the

21

00:01:20,389 --> 00:01:16,200

beginning Rudolph Valentino which later

22

00:01:23,320 --> 00:01:20,399

became a film in 1977 I am so glad to

23

00:01:27,530 --> 00:01:23,330

have you on welcome to the show Brad oh

24

00:01:30,740 --> 00:01:27,540

my pleasure my pleasure Martin and as I

25

00:01:34,580 --> 00:01:30,750

said and we you just mentioned now two

26  
00:01:37,670 --> 00:01:34,590  
years but people with determination like

27  
00:01:38,840 --> 00:01:37,680  
us we eventually get it done right

28  
00:01:42,590 --> 00:01:38,850  
that's right yeah

29  
00:01:44,749 --> 00:01:42,600  
and thank you for staying in touch that

30  
00:01:45,920 --> 00:01:44,759  
was really that was very nice to you now

31  
00:01:48,830 --> 00:01:45,930  
I know you went through a move you've

32  
00:01:51,530 --> 00:01:48,840  
gone through a lot of things so it's I

33  
00:01:54,170 --> 00:01:51,540  
really am glad that you reached out

34  
00:01:57,649 --> 00:01:54,180  
again and here we are so in the spirit

35  
00:01:59,330 --> 00:01:57,659  
of Halloween let's talk about your your

36  
00:02:02,480 --> 00:01:59,340  
books real nightmares I think that's

37  
00:02:04,069 --> 00:02:02,490  
great that you're doing these ebooks you

38  
00:02:05,630 --> 00:02:04,079

know a lot of people maybe in your

39

00:02:07,459 --> 00:02:05,640

generation would never even think to do

40

00:02:10,340 --> 00:02:07,469

that was that something that was

41

00:02:15,910 --> 00:02:10,350

suggested to you by your publisher or

42

00:02:19,729 --> 00:02:15,920

how did that come about yeah that was my

43

00:02:23,690 --> 00:02:19,739

publisher Rogers gen Anki who is a

44

00:02:27,560 --> 00:02:23,700

terrific guy to work with the editor

45

00:02:31,900 --> 00:02:27,570

Kevin Hyannis terrific and and this is

46

00:02:37,090 --> 00:02:31,910

kind of a surprise to me to be

47

00:02:39,520 --> 00:02:37,100

all of a sudden they said we're having a

48

00:02:44,830 --> 00:02:39,530

Christmas treat we've just put together

49

00:02:48,280 --> 00:02:44,840

for her book selections from other of

50

00:02:52,180 --> 00:02:48,290

your books and we think this is a great

51  
00:02:56,350 --> 00:02:52,190  
idea and I had done a few for them Oh

52  
00:02:58,540 --> 00:02:56,360  
must be almost four years ago and they

53  
00:03:00,790 --> 00:02:58,550  
and the two of them are I don't know

54  
00:03:02,890 --> 00:03:00,800  
maybe there was three or four him but

55  
00:03:05,800 --> 00:03:02,900  
they sat down and put this together so

56  
00:03:07,840 --> 00:03:05,810  
this is kind of a surprise I had looked

57  
00:03:10,180 --> 00:03:07,850  
through and see no what did they choose

58  
00:03:14,560 --> 00:03:10,190  
what today and you know I think they did

59  
00:03:18,550 --> 00:03:14,570  
a good job it is a good which was a

60  
00:03:21,520 --> 00:03:18,560  
sampler sampler too to see you know what

61  
00:03:23,260 --> 00:03:21,530  
what I'm all about in the range of the

62  
00:03:25,990 --> 00:03:23,270  
things and and they wanted to make it

63  
00:03:28,210 --> 00:03:26,000

you know this basically the spooky stuff

64

00:03:31,090 --> 00:03:28,220

for Halloween and I think they did a

65

00:03:35,860 --> 00:03:31,100

great job on it so I kind of look it as

66

00:03:38,230 --> 00:03:35,870

a very nice tribute to put to do that

67

00:03:38,890 --> 00:03:38,240

kind of work without my even knowing

68

00:03:42,400 --> 00:03:38,900

about it

69

00:03:43,690 --> 00:03:42,410

Wow yeah there it is just a quick

70

00:03:46,630 --> 00:03:43,700

announcement I have to make M it to

71

00:03:49,960 --> 00:03:46,640

start start out with this pardon pardon

72

00:03:51,190 --> 00:03:49,970

me and that is in in the chat room in

73

00:03:53,410 --> 00:03:51,200

the chat room I'm not going to be

74

00:03:56,199 --> 00:03:53,420

involved in the chat room I want to

75

00:03:57,699 --> 00:03:56,209

concentrate talking to the guests toward

76

00:04:00,580 --> 00:03:57,709

the end of the show though I will

77

00:04:03,400 --> 00:04:00,590

announce to the chat room if they have

78

00:04:05,710 --> 00:04:03,410

any questions for me too for the guests

79

00:04:08,410 --> 00:04:05,720

to please go ahead and post them all so

80

00:04:12,160 --> 00:04:08,420

we can take calls later on if you'd like

81

00:04:14,350 --> 00:04:12,170

to call in a question and I will post

82

00:04:18,490 --> 00:04:14,360

that number in the chat room and also

83

00:04:21,039 --> 00:04:18,500

announce it as we go along so Brad let's

84

00:04:22,900 --> 00:04:21,049

talk about I know you started all the

85

00:04:26,170 --> 00:04:22,910

way back you your first article you

86

00:04:31,050 --> 00:04:26,180

wrote you told me you were a senior in

87

00:04:34,900 --> 00:04:31,060

college 1956 going way way back what

88

00:04:36,790 --> 00:04:34,910

sparked your interest in the interesting

89

00:04:40,659 --> 00:04:36,800

things you write about the paranormal

90

00:04:44,620 --> 00:04:40,669

and I see UFOs and aliens and you name

91

00:04:50,590 --> 00:04:44,630

it what inspired you to begin well I had

92

00:04:54,480 --> 00:04:50,600

yeah I had no choice I I grew up in a in

93

00:04:58,510 --> 00:04:54,490

a house that had been the former

94

00:05:00,310 --> 00:04:58,520

stagecoach stop and when I was very

95

00:05:02,860 --> 00:05:00,320

little I remembered you know the creek

96

00:05:05,650 --> 00:05:02,870

still running by and so forth which they

97

00:05:07,690 --> 00:05:05,660

have eventually tiled it but it was

98

00:05:10,090 --> 00:05:07,700

really you know a very picturesque place

99

00:05:13,450 --> 00:05:10,100

and you could just imagine and in the

100

00:05:16,150 --> 00:05:13,460

old-timers in town would tell me that's

101  
00:05:18,850 --> 00:05:16,160  
where the James boys stopped before they

102  
00:05:20,800 --> 00:05:18,860  
went up to Northfield told the

103  
00:05:25,020 --> 00:05:20,810  
Northfield raid and they had all kinds

104  
00:05:30,040 --> 00:05:25,030  
of stories but my sister and I who are

105  
00:05:32,470 --> 00:05:30,050  
both insomniac statistic experience we

106  
00:05:34,950 --> 00:05:32,480  
decided that there are a lot of

107  
00:05:37,630 --> 00:05:34,960  
passengers that must've missed the stage

108  
00:05:42,390 --> 00:05:37,640  
because they're still hanging around in

109  
00:05:48,150 --> 00:05:42,400  
the house and it was kind of a nightly

110  
00:05:56,170 --> 00:05:52,660  
cotillion so to speak where we'd be

111  
00:05:58,450 --> 00:05:56,180  
lying in bed and I was in one room and

112  
00:06:04,570 --> 00:05:58,460  
she was in a corner of my parents room

113  
00:06:08,260 --> 00:06:04,580

and we would see a man and a woman or

114

00:06:11,980 --> 00:06:08,270

several men there pass through and it

115

00:06:16,570 --> 00:06:11,990

was fine it was fine Martin until they

116

00:06:19,600 --> 00:06:16,580

stopped and looked at that that was that

117

00:06:21,160 --> 00:06:19,610

was the scary part because you get used

118

00:06:23,770 --> 00:06:21,170

to it it's like watching a movie you

119

00:06:25,840 --> 00:06:23,780

know the go but when they stop turn

120

00:06:29,380 --> 00:06:25,850

around and stare at you then you say

121

00:06:32,920 --> 00:06:29,390

what's going on but I grew up then then

122

00:06:36,970 --> 00:06:32,930

this was without with the occasional

123

00:06:39,430 --> 00:06:36,980

fearful situation once I was alone home

124

00:06:42,370 --> 00:06:39,440

and whatever decided they were really

125

00:06:45,850 --> 00:06:42,380

going to give it to me and I was sitting

126  
00:06:48,400 --> 00:06:45,860  
up in my room reading the latest Western

127  
00:06:51,820 --> 00:06:48,410  
I was a big Western fanatic when I was a

128  
00:06:55,730 --> 00:06:51,830  
teenager and all of a sudden the door

129  
00:06:58,510 --> 00:06:55,740  
opened slam footsteps came upstairs

130  
00:07:04,040 --> 00:06:58,520  
furniture went flying across the room

131  
00:07:07,730 --> 00:07:04,050  
had my dog with me and and Queenie was

132  
00:07:11,180 --> 00:07:07,740  
just going crazy and she had she was a

133  
00:07:13,460 --> 00:07:11,190  
wild dog this is the year work dogs that

134  
00:07:16,490 --> 00:07:13,470  
terrible dogs is he that comes around

135  
00:07:18,920 --> 00:07:16,500  
like every 20 years I had wiped out and

136  
00:07:21,650 --> 00:07:18,930  
when you're a farmer you have to have a

137  
00:07:25,250 --> 00:07:21,660  
dog I mean it's more important than a

138  
00:07:28,100 --> 00:07:25,260

hired man so we actually a trapper told

139

00:07:32,630 --> 00:07:28,110

us that he'd seen a wild dog with a

140

00:07:37,310 --> 00:07:32,640

puppy and we actually traced ran that

141

00:07:40,820 --> 00:07:37,320

bond foot and got the puppy and she of

142

00:07:44,060 --> 00:07:40,830

course at first was just fierce but then

143

00:07:46,670 --> 00:07:44,070

she became serious member of the family

144

00:07:50,120 --> 00:07:46,680

and she was going crazy you know she

145

00:07:52,960 --> 00:07:50,130

could see and I couldn't and in

146

00:07:56,750 --> 00:07:52,970

desperation you know I reached my by my

147

00:07:58,820 --> 00:07:56,760

22 Winchester and I said you know I will

148

00:08:03,440 --> 00:07:58,830

shoot if you don't stop and then I

149

00:08:06,550 --> 00:08:03,450

thought what am I going to shoot I can't

150

00:08:09,620 --> 00:08:06,560

see all I can see is the effect and

151

00:08:11,480 --> 00:08:09,630

eventually kind of like they had done

152

00:08:14,300 --> 00:08:11,490

enough and they were laughing and then

153

00:08:17,120 --> 00:08:14,310

they just left and those kind of

154

00:08:20,840 --> 00:08:17,130

situations were repeated to a lesser

155

00:08:24,950 --> 00:08:20,850

degree so I got used to that so when I

156

00:08:27,830 --> 00:08:24,960

grew up and began fascinated with these

157

00:08:30,890 --> 00:08:27,840

were trying to explain what did happen

158

00:08:33,700 --> 00:08:30,900

not everyone would accept it everyone

159

00:08:37,460 --> 00:08:33,710

you know they might think I was just a

160

00:08:40,460 --> 00:08:37,470

imaginative teenager so I resolved and

161

00:08:44,060 --> 00:08:40,470

began writing in the field and studying

162

00:08:46,340 --> 00:08:44,070

in the field and when I first went out

163

00:08:50,150 --> 00:08:46,350

when word got around that here is this

164

00:08:52,190 --> 00:08:50,160

guy writing about ghosts and and word

165

00:08:56,930 --> 00:08:52,200

spread well we have a ghost have him

166

00:09:01,040 --> 00:08:56,940

come check it out i I had no reluctance

167

00:09:03,590 --> 00:09:01,050

to do that because I was secure in the

168

00:09:05,930 --> 00:09:03,600

feeling that ghosts don't hurt you

169

00:09:09,769 --> 00:09:05,940

ghosts don't really respond they just

170

00:09:13,639 --> 00:09:09,779

scare scared the hell out of you but in

171

00:09:17,660 --> 00:09:13,649

this situation once then I smart-mouth

172

00:09:22,069 --> 00:09:17,670

to an entity that was trying to lock me

173

00:09:25,220 --> 00:09:22,079

in a closet and my my friends who were

174

00:09:29,480 --> 00:09:25,230

there my buddy who was with me always

175

00:09:31,309 --> 00:09:29,490

was a former Green Beret and so I said

176

00:09:34,610 --> 00:09:31,319

to him all right the blankety-blank

177

00:09:38,210 --> 00:09:34,620

thing wants that door closed close it

178

00:09:40,730 --> 00:09:38,220

and lock it then we went upstairs this

179

00:09:43,009 --> 00:09:40,740

is from a basement a basement with blood

180

00:09:46,989 --> 00:09:43,019

would flow from the walls from time to

181

00:09:49,910 --> 00:09:46,999

time and the occupants would see

182

00:09:51,920 --> 00:09:49,920

grotesque figures running around this

183

00:09:55,069 --> 00:09:51,930

was really a doozy

184

00:09:58,460 --> 00:09:55,079

but again I'm doing this confidently

185

00:10:00,889 --> 00:09:58,470

they can't hurt you well I guess I had

186

00:10:06,170 --> 00:10:00,899

really kicked it off because we were no

187

00:10:09,799 --> 00:10:06,180

sooner upstairs and bam the door ripped

188

00:10:12,470 --> 00:10:09,809

off the hinges didn't matter to it if it

189

00:10:15,230 --> 00:10:12,480

was locked in or not ripped off the

190

00:10:17,840 --> 00:10:15,240

hinges and then boom boom boom coming up

191

00:10:21,650 --> 00:10:17,850

the stairs like King Kong's coming up

192

00:10:24,559 --> 00:10:21,660

and then all five of us and there maybe

193

00:10:27,470 --> 00:10:24,569

six there were some reporters some

194

00:10:29,749 --> 00:10:27,480

newspapers who were long watching us

195

00:10:33,530 --> 00:10:29,759

investigate this particular house and

196

00:10:36,049 --> 00:10:33,540

had a bit of a reputation all of us were

197

00:10:40,939 --> 00:10:36,059

lifted in the air and then dropped oh my

198

00:10:43,639 --> 00:10:40,949

goodness then I realized I've got to do

199

00:10:46,819 --> 00:10:43,649

a little revision of my theory because

200

00:10:52,519 --> 00:10:46,829

my theory before Martin was that

201  
00:10:55,490 --> 00:10:52,529  
hauntings or residual images somehow

202  
00:10:59,960 --> 00:10:55,500  
impressed in their environment just as

203  
00:11:02,780 --> 00:10:59,970  
somehow light gets impressed on a camera

204  
00:11:04,400 --> 00:11:02,790  
film and you can see them like

205  
00:11:07,489 --> 00:11:04,410  
especially if they're of a certain

206  
00:11:10,249 --> 00:11:07,499  
sensitivity I suppose you can see them

207  
00:11:12,439 --> 00:11:10,259  
but you can't interact with them any

208  
00:11:14,480 --> 00:11:12,449  
more than you can interact with them

209  
00:11:16,100 --> 00:11:14,490  
that and then the objects on a

210  
00:11:18,970 --> 00:11:16,110  
television set you're sitting there

211  
00:11:21,379 --> 00:11:18,980  
watching and you can't say hey hey I

212  
00:11:23,240 --> 00:11:21,389  
disagree or you can't reach out and

213  
00:11:26,660 --> 00:11:23,250

shake hands or whatever you

214

00:11:29,030 --> 00:11:26,670

they watch and to me in the vast

215

00:11:32,750 --> 00:11:29,040

majority of cases that we had

216

00:11:34,880 --> 00:11:32,760

investigated until that time they were

217

00:11:38,500 --> 00:11:34,890

residual hauntings there were somehow

218

00:11:42,260 --> 00:11:38,510

impressed an environment by someone's

219

00:11:44,990 --> 00:11:42,270

death by someone's terrible illness and

220

00:11:50,860 --> 00:11:45,000

eventual death or something that left

221

00:11:53,660 --> 00:11:50,870

these vibrations these on the entire

222

00:11:57,200 --> 00:11:53,670

environment of the house or particularly

223

00:12:00,440 --> 00:11:57,210

perhaps a room where the death took place

224

00:12:01,750 --> 00:12:00,450

or maybe it was a murder sometimes it

225

00:12:06,590 --> 00:12:01,760

was a murder

226

00:12:09,680 --> 00:12:06,600

but this then was different obviously

227

00:12:11,960 --> 00:12:09,690

there was an intelligence there was an

228

00:12:15,680 --> 00:12:11,970

intelligence that could be offended that

229

00:12:20,120 --> 00:12:15,690

could be angered and that could come

230

00:12:22,690 --> 00:12:20,130

after if he didn't watch out Wow that's

231

00:12:26,600 --> 00:12:22,700

an amazing story where did you grow up I

232

00:12:29,930 --> 00:12:26,610

grew up and not far from where we're

233

00:12:31,730 --> 00:12:29,940

living now in Iowa and North

234

00:12:37,090 --> 00:12:31,740

northwestern Iowa

235

00:12:40,430 --> 00:12:37,100

and it was the I I wouldn't trade

236

00:12:43,130 --> 00:12:40,440

growing up on a farm for any I've

237

00:12:45,980 --> 00:12:43,140

traveled the world now as they say and

238

00:12:49,730 --> 00:12:45,990

met people from all walks of life and

239

00:12:52,730 --> 00:12:49,740

and I I cherish the kind of especially

240

00:12:56,360 --> 00:12:52,740

the interaction with the animals both

241

00:12:58,660 --> 00:12:56,370

wild and domesticated and and and again

242

00:13:04,010 --> 00:12:58,670

growing up in this particular

243

00:13:08,540 --> 00:13:04,020

environment now it was also fed of

244

00:13:11,990 --> 00:13:08,550

course and in a new book that I hope we

245

00:13:14,329 --> 00:13:12,000

were talking about next Halloween Martin

246

00:13:18,440 --> 00:13:14,339

that we don't have to wait two years to

247

00:13:21,500 --> 00:13:18,450

get together but on ghosts and in the

248

00:13:24,290 --> 00:13:21,510

theme of this book on ghost

249

00:13:28,040 --> 00:13:24,300

there will be out in July but gets the

250

00:13:29,260 --> 00:13:28,050

big push in Halloween you know is what

251

00:13:33,620 --> 00:13:29,270

our ghosts

252

00:13:37,250 --> 00:13:33,630

really when are they really the survival

253

00:13:39,140 --> 00:13:37,260

question has to enter in or maybe not

254

00:13:41,990 --> 00:13:39,150

some people even it survived are they

255

00:13:42,880 --> 00:13:42,000

here at you meaner yeah yeah round right

256

00:13:45,710 --> 00:13:42,890

I'm sorry

257

00:13:50,390 --> 00:13:45,720

you get to use shorthand you know in

258

00:13:53,270 --> 00:13:50,400

here yeah in a particular field so the

259

00:13:56,120 --> 00:13:53,280

survival of the spirit seems to be the

260

00:13:59,920 --> 00:13:56,130

basic but maybe that's because most of

261

00:14:02,750 --> 00:13:59,930

us come from an Abrahamic religion and

262

00:14:06,890 --> 00:14:02,760

we have been taught about the spirits

263

00:14:09,860 --> 00:14:06,900

and the ghost it within us for years but

264

00:14:11,480 --> 00:14:09,870

I think that is part of it I've had a

265

00:14:14,060 --> 00:14:11,490

near-death experience

266

00:14:21,460 --> 00:14:14,070

so I've seen life from both sides now

267

00:14:24,940 --> 00:14:21,470

and I recognize that this are are these

268

00:14:29,390 --> 00:14:24,950

ghosts as we want to believe our

269

00:14:32,780 --> 00:14:29,400

surviving relatives and dear ones or do

270

00:14:34,850 --> 00:14:32,790

they assume the guise of our relatives

271

00:14:38,600 --> 00:14:34,860

in dear ones hmm

272

00:14:41,600 --> 00:14:38,610

are they multi-dimensional beings that

273

00:14:44,090 --> 00:14:41,610

are studying us are examining us there's

274

00:14:46,640 --> 00:14:44,100

just the endless number when you really

275

00:14:49,510 --> 00:14:46,650

stop to think about it it's not a simple

276

00:14:53,060 --> 00:14:49,520

and then when you have a vast variety of

277

00:14:56,030 --> 00:14:53,070

experiences which I hope the book will

278

00:14:59,690 --> 00:14:56,040

satisfy people in that regard you see

279

00:15:01,490 --> 00:14:59,700

that maybe there isn't a standard that

280

00:15:05,990 --> 00:15:01,500

would fit every one of those encounters

281

00:15:08,210 --> 00:15:06,000

with a ghost so that's where I am now

282

00:15:10,520 --> 00:15:08,220

and it's kind of where I am with with

283

00:15:14,000 --> 00:15:10,530

UFOs now I know you're particularly

284

00:15:17,060 --> 00:15:14,010

interested in UFOs and you said you

285

00:15:19,520 --> 00:15:17,070

thought I had touched on it from time to

286

00:15:26,510 --> 00:15:19,530

time but I think at last count I've

287

00:15:29,600 --> 00:15:26,520

written 26 books so Kevin Randall I

288

00:15:32,780 --> 00:15:29,610

always say now who say well Brad wrote

289

00:15:35,300 --> 00:15:32,790

more than I did and then no I think

290

00:15:37,670 --> 00:15:35,310

Kevin wrote more than I did and now

291

00:15:39,650 --> 00:15:37,680

we've got Nick Redfern you know coming

292

00:15:42,350 --> 00:15:39,660

up and we think he's trying to catch up

293

00:15:44,480 --> 00:15:42,360

to us yes Nick says no no no I'm not

294

00:15:49,120 --> 00:15:44,490

trying to do that yeah Nick Nick is

295

00:15:51,030 --> 00:15:49,130

prolific he really is he writes a lot

296

00:15:54,120 --> 00:15:51,040

Wow interest

297

00:15:56,550 --> 00:15:54,130

yeah one thing about the ghosts and I

298

00:15:58,319 --> 00:15:56,560

know I've never told this story before

299

00:16:03,329 --> 00:15:58,329

because this happened to a friend of

300

00:16:05,670 --> 00:16:03,339

mine and this this makes me think of a

301  
00:16:07,290 --> 00:16:05,680  
possible residual now I do have a guest

302  
00:16:08,790 --> 00:16:07,300  
coming up this Wednesday who thinks

303  
00:16:12,199 --> 00:16:08,800  
there's a theory of everything and like

304  
00:16:15,920 --> 00:16:12,209  
you said possibly like interdimensional

305  
00:16:18,600 --> 00:16:15,930  
slipping or something but the residual

306  
00:16:21,269 --> 00:16:18,610  
story is what I want to talk about right

307  
00:16:24,350 --> 00:16:21,279  
now and that is a friend of mine was

308  
00:16:28,139 --> 00:16:24,360  
growing up in upper state New York and

309  
00:16:30,150 --> 00:16:28,149  
they moved into this old house and his

310  
00:16:33,030 --> 00:16:30,160  
brother has two brothers and himself

311  
00:16:37,170 --> 00:16:33,040  
were sharing a bedroom well it was it

312  
00:16:38,550 --> 00:16:37,180  
was late fall getting cold and they woke

313  
00:16:41,790 --> 00:16:38,560

up in the middle of the night to the

314

00:16:43,290 --> 00:16:41,800

window being wide open and one one

315

00:16:45,449 --> 00:16:43,300

brother blaming the other and all that

316

00:16:49,650 --> 00:16:45,459

so put the window down and kept

317

00:16:53,100 --> 00:16:49,660

happening over and over so finally my

318

00:16:55,530 --> 00:16:53,110

friend took a hammer and a nail and just

319

00:16:57,780 --> 00:16:55,540

nailed the window every which way shot

320

00:16:59,879 --> 00:16:57,790

he said there okay you guys go ahead and

321

00:17:01,860 --> 00:16:59,889

lift it now well it got up in the

322

00:17:05,819 --> 00:17:01,870

morning and all the nails were backed

323

00:17:07,409 --> 00:17:05,829

out in the window was up so uh they

324

00:17:09,149 --> 00:17:07,419

talked to some neighbors and a little

325

00:17:12,720 --> 00:17:09,159

boy died in that room of smoke

326

00:17:15,270 --> 00:17:12,730

inhalation when the in the house oh so

327

00:17:18,000 --> 00:17:15,280

that you know that's one situation that

328

00:17:24,120 --> 00:17:18,010

is pretty spooky and really makes you

329

00:17:29,419 --> 00:17:24,130

wonder now those cases that when you

330

00:17:32,340 --> 00:17:29,429

receive them from quote-unquote ordinary

331

00:17:36,030 --> 00:17:32,350

unpretentious people yes who may not

332

00:17:39,780 --> 00:17:36,040

have told anyone except maybe a few

333

00:17:42,149 --> 00:17:39,790

family members until they realize you

334

00:17:44,820 --> 00:17:42,159

are interested in the subject and you

335

00:17:48,630 --> 00:17:44,830

won't laugh at them and then you hear

336

00:17:51,620 --> 00:17:48,640

some astonishing stories and some you

337

00:17:54,690 --> 00:17:51,630

know I might sit back and say well I

338

00:17:57,169 --> 00:17:54,700

don't say it out loud to them but I'm

339

00:18:00,870 --> 00:17:57,179

saying I think it was probably a mistake

340

00:18:03,510 --> 00:18:00,880

of some natural phenomena or whatever

341

00:18:04,470 --> 00:18:03,520

but then others like the story you're

342

00:18:06,990 --> 00:18:04,480

telling

343

00:18:11,400 --> 00:18:07,000

I mean there just isn't anything that

344

00:18:13,710 --> 00:18:11,410

comes around and flips windows that have

345

00:18:16,590 --> 00:18:13,720

been nailed down that would take a

346

00:18:18,810 --> 00:18:16,600

tremendous for you absolutely yeah

347

00:18:21,840 --> 00:18:18,820

yeah and this is a no-nonsense friend

348

00:18:24,510 --> 00:18:21,850

he's an engineer you know I'm he's just

349

00:18:26,250 --> 00:18:24,520

I mean he it does have a sense of humor

350

00:18:28,620 --> 00:18:26,260

but he wasn't he was very serious about

351

00:18:32,580 --> 00:18:28,630

this and it scared the heck out of him I

352

00:18:34,289 --> 00:18:32,590

have an email that came in when someone

353

00:18:37,200 --> 00:18:34,299

saw that you were going to be I sent out

354

00:18:38,580 --> 00:18:37,210

a mailing a newsletter saying that you

355

00:18:41,909 --> 00:18:38,590

were gonna be on tonight night can I

356

00:18:45,180 --> 00:18:41,919

read you this email it's certainly it's

357

00:18:47,700 --> 00:18:45,190

again in the spirit of Halloween it's a

358

00:18:50,190 --> 00:18:47,710

pretty scary one I definitely want to

359

00:18:52,830 --> 00:18:50,200

hear Brad's Tigers description of real

360

00:18:56,340 --> 00:18:52,840

nightmares because many years ago a

361

00:18:58,260 --> 00:18:56,350

group of six to eight of us he forgets

362

00:18:59,789 --> 00:18:58,270

the exact number encountered a huge very

363

00:19:03,360 --> 00:18:59,799

frightening certainly paranormal

364

00:19:05,760 --> 00:19:03,370

something that approached us and when we

365

00:19:09,750 --> 00:19:05,770

were in a very real um remote location

366

00:19:13,620 --> 00:19:09,760

the thing we all saw was not human

367

00:19:15,630 --> 00:19:13,630

underlined it wasn't the shape it wasn't

368

00:19:18,180 --> 00:19:15,640

shaped like us at all it had no legs

369

00:19:20,520 --> 00:19:18,190

that they could see but a torso

370

00:19:22,770 --> 00:19:20,530

shoulders and a terrifying very

371

00:19:26,580 --> 00:19:22,780

unfriendly looking head overall it was

372

00:19:29,610 --> 00:19:26,590

maybe 30 feet tall or taller oh goodness

373

00:19:32,940 --> 00:19:29,620

it approached us human walking pace

374

00:19:36,630 --> 00:19:32,950

maybe somewhat faster it seemed

375

00:19:39,120 --> 00:19:36,640

partially self-luminous of course we

376

00:19:41,490 --> 00:19:39,130

fled from the thing but never dare to

377

00:19:44,520 --> 00:19:41,500

turn our backs on it we just fled

378

00:19:47,100 --> 00:19:44,530

walking walk running backward as fast as

379

00:19:48,600 --> 00:19:47,110

possible stumbling occasionally until we

380

00:19:49,740 --> 00:19:48,610

reached our cars and get the hell out of

381

00:19:53,010 --> 00:19:49,750

there

382

00:19:56,460 --> 00:19:53,020

mass hallucination he says in a question

383

00:19:58,470 --> 00:19:56,470

mark I hope that's what it was but we

384

00:20:00,870 --> 00:19:58,480

knew nothing that we could have induced

385

00:20:02,850 --> 00:20:00,880

such a totally unexpected unknown

386

00:20:05,549 --> 00:20:02,860

perception in the whole group

387

00:20:08,340 --> 00:20:05,559

simultaneously none of us had been

388

00:20:10,830 --> 00:20:08,350

drinking as a matter of fact we were all

389

00:20:14,730 --> 00:20:10,840

non drinkers and not one of us would

390

00:20:15,720 --> 00:20:14,740

touch marijuana or LSD and again he

391

00:20:18,220 --> 00:20:15,730

writes I hope it was a mass

392

00:20:20,320 --> 00:20:18,230

hallucination it's hard to conceive

393

00:20:22,930 --> 00:20:20,330

anything that could have caused us all

394

00:20:24,940 --> 00:20:22,940

to hallucinate simultaneously we have

395

00:20:27,280 --> 00:20:24,950

not been thinking about monsters I don't

396

00:20:28,570 --> 00:20:27,290

wanna call any sound from the thing but

397

00:20:30,549 --> 00:20:28,580

maybe we were just too freaked out to

398

00:20:33,640 --> 00:20:30,559

notice what do you think of that story

399

00:20:37,480 --> 00:20:33,650

isn't it great that's a great story

400

00:20:41,890 --> 00:20:37,490

now I've I have heard similar

401  
00:20:42,490 --> 00:20:41,900  
descriptions but 32 Paul not none that

402  
00:20:46,390 --> 00:20:42,500  
large

403  
00:20:52,180 --> 00:20:46,400  
I've heard some that were either human

404  
00:20:56,260 --> 00:20:52,190  
size or I'll call them like walking jelly

405  
00:20:59,760 --> 00:20:56,270  
bag they seemed almost to be gelatinous

406  
00:21:03,909 --> 00:20:59,770  
in makeup the way people describe them

407  
00:21:06,640 --> 00:21:03,919  
now I again he answered questions I was

408  
00:21:09,310 --> 00:21:06,650  
going to ask you know how or you have to

409  
00:21:12,250 --> 00:21:09,320  
ask them you know were you drinking what

410  
00:21:14,500 --> 00:21:12,260  
are you using wieder or whatever and

411  
00:21:18,430 --> 00:21:14,510  
here it sounds like you know a bunch of

412  
00:21:21,610 --> 00:21:18,440  
clean livers and I would be interested

413  
00:21:26,680 --> 00:21:21,620

in what they had been talking about hmm

414

00:21:30,850 --> 00:21:26,690

good point yeah yeah what had and what

415

00:21:33,820 --> 00:21:30,860

had brought that to manifest but these

416

00:21:36,370 --> 00:21:33,830

kind of stories you know they're when

417

00:21:39,430 --> 00:21:36,380

you hear them from someone left is this

418

00:21:42,940 --> 00:21:39,440

it sounds like a very down-to-earth a

419

00:21:48,010 --> 00:21:42,950

sensible person you have to wonder you

420

00:21:52,140 --> 00:21:48,020

know is this what summoned this what now

421

00:21:58,090 --> 00:21:52,150

it didn't seem I he didn't mention that

422

00:22:01,750 --> 00:21:58,100

it made any direct move to harm them and

423

00:22:04,030 --> 00:22:01,760

it seems not even is this right Martin

424

00:22:06,430 --> 00:22:04,040

that it didn't even have appendages like

425

00:22:08,470 --> 00:22:06,440

arms and legs yeah I didn't he didn't

426

00:22:12,870 --> 00:22:08,480

notice them I think that's what he says

427

00:22:15,880 --> 00:22:12,880

yeah so yeah so again it's the jelly bag

428

00:22:23,140 --> 00:22:15,890

story that I get every once in a while

429

00:22:28,510 --> 00:22:23,150

and I remember a very interesting story

430

00:22:30,790 --> 00:22:28,520

of again I kind of Scandinavia

431

00:22:34,090 --> 00:22:30,800

background Scandinavia in America

432

00:22:39,430 --> 00:22:34,100

and that came to me from from the old

433

00:22:42,970 --> 00:22:39,440

country about two young men I think it's

434

00:22:48,310 --> 00:22:42,980

I think it was who were attacked by

435

00:22:52,060 --> 00:22:48,320

these flying no again they weren't

436

00:22:57,400 --> 00:22:52,070

flying they were really walking they

437

00:23:01,240 --> 00:22:57,410

were just moving and they were jelly

438

00:23:02,890 --> 00:23:01,250

bags and that's their only description

439

00:23:07,960 --> 00:23:02,900

they could say because it looked like

440

00:23:09,250 --> 00:23:07,970

just some gelatinous things that began

441

00:23:14,130 --> 00:23:09,260

to surround them

442

00:23:18,430 --> 00:23:14,140

now they had absolute fear because you

443

00:23:22,420 --> 00:23:18,440

know I've always felt in terms of horror

444

00:23:27,790 --> 00:23:22,430

movies now I'm much I get much spookier

445

00:23:28,390 --> 00:23:27,800

and rivers from Dracula than I do King

446

00:23:35,710 --> 00:23:28,400

Kong

447

00:23:40,180 --> 00:23:35,720

take him on I couldn't wrestle him down

448

00:23:42,400 --> 00:23:40,190

but Dracula you know if I was prepared

449

00:23:46,780 --> 00:23:42,410

and I had my crucifix

450

00:23:50,710 --> 00:23:46,790

I mean if it's more our size the fear

451  
00:23:52,330 --> 00:23:50,720  
potion seems to be more intense that

452  
00:23:56,770 --> 00:23:52,340  
just really could hurt us when you look

453  
00:23:59,670 --> 00:23:56,780  
at that just say oh boy now I feel how a

454  
00:24:03,480 --> 00:23:59,680  
mouse feels when a big cat just saw him

455  
00:24:07,780 --> 00:24:03,490  
so this is a most remarkable story

456  
00:24:11,530 --> 00:24:07,790  
because of the size I've never heard of

457  
00:24:14,440 --> 00:24:11,540  
one there say usually they are let's say

458  
00:24:19,140 --> 00:24:14,450  
adult male size you know no more than

459  
00:24:22,960 --> 00:24:19,150  
maybe six or little over six feet and

460  
00:24:26,350 --> 00:24:22,970  
approaching people but my goodness if

461  
00:24:28,810 --> 00:24:26,360  
they jelly bags have grown that big I

462  
00:24:32,110 --> 00:24:28,820  
can see why people would turn and run

463  
00:24:34,200 --> 00:24:32,120

and there yeah he actually says when it

464

00:24:37,540 --> 00:24:34,210

happened it was quite a few decades ago

465

00:24:41,290 --> 00:24:37,550

so years ago really yeah really

466

00:24:44,680 --> 00:24:41,300

mm-hmm yeah yeah really really

467

00:24:46,390 --> 00:24:44,690

interesting you know I I keep reflecting

468

00:24:50,710 --> 00:24:46,400

you said about your house growing up

469

00:24:52,330 --> 00:24:50,720

that is did you know today someone would

470

00:24:56,140 --> 00:24:52,340

have one of those you know Ghost Hunters

471

00:24:58,420 --> 00:24:56,150

there in five minutes do you yeah do you

472

00:25:00,310 --> 00:24:58,430

ever keep in touch with the current

473

00:25:08,370 --> 00:25:00,320

owners to see if things are still going

474

00:25:11,500 --> 00:25:08,380

on there that's interesting I well okay

475

00:25:15,250 --> 00:25:11,510

sometimes it's best if you tell the

476  
00:25:19,330 --> 00:25:15,260  
complete story after some bright person

477  
00:25:23,200 --> 00:25:19,340  
like you asks the proper question the

478  
00:25:25,200 --> 00:25:23,210  
house was torn down when I was a senior

479  
00:25:29,740 --> 00:25:25,210  
in high school

480  
00:25:33,820 --> 00:25:29,750  
so I got to live in it for only a few

481  
00:25:40,620 --> 00:25:33,830  
months before I went to college but much

482  
00:25:44,700 --> 00:25:40,630  
of the lumber was used I mean you know

483  
00:25:49,900 --> 00:25:44,710  
Scandinavians are very frugal people

484  
00:25:55,120 --> 00:25:49,910  
much much faster the lumber was used in

485  
00:26:01,120 --> 00:25:55,130  
building the new house hmm so it seems

486  
00:26:05,470 --> 00:26:01,130  
whatever spiritual vibration existed in

487  
00:26:12,420 --> 00:26:05,480  
the timber that was made to build the

488  
00:26:16,120 --> 00:26:12,430

first place was not blunted at all

489

00:26:18,280 --> 00:26:16,130

because it wasn't long and then our

490

00:26:23,590 --> 00:26:18,290

experience and my sister experience them

491

00:26:28,420 --> 00:26:23,600

too we'd be home and we would hear the

492

00:26:32,470 --> 00:26:28,430

door open and close and our parents

493

00:26:35,080 --> 00:26:32,480

would come home and then we would you

494

00:26:36,760 --> 00:26:35,090

know go about if we're watching TV or if

495

00:26:41,560 --> 00:26:36,770

we were up in our rooms reading or

496

00:26:43,140 --> 00:26:41,570

whatever and we'd hear footsteps we

497

00:26:46,000 --> 00:26:43,150

would hear doors opening closing

498

00:26:47,920 --> 00:26:46,010

coverages perhaps they're getting a

499

00:26:50,650 --> 00:26:47,930

little you know glass of milk before

500

00:26:53,380 --> 00:26:50,660

they went to bed and then and then we

501  
00:26:56,080 --> 00:26:53,390  
had a parakeet that would you know shout

502  
00:26:57,570 --> 00:26:56,090  
out whenever he came home hello hello no

503  
00:27:00,419 --> 00:26:57,580  
the pair too

504  
00:27:03,690 --> 00:27:00,429  
grow and everything so you know mom and

505  
00:27:06,600 --> 00:27:03,700  
dad at home then we would look out we

506  
00:27:08,909 --> 00:27:06,610  
have very long lane as I said it what

507  
00:27:11,039 --> 00:27:08,919  
had been the state's good stuff very

508  
00:27:15,090 --> 00:27:11,049  
long lane and we would see headlights

509  
00:27:20,609 --> 00:27:15,100  
coming down the lane and then within a

510  
00:27:22,039 --> 00:27:20,619  
few moments our real parents came into

511  
00:27:25,889 --> 00:27:22,049  
the house

512  
00:27:31,080 --> 00:27:25,899  
hey Everest a pardon me go ahead yeah no

513  
00:27:34,519 --> 00:27:31,090

no so again if this means anything I get

514

00:27:38,149 --> 00:27:34,529

some research and there is the

515

00:27:44,159 --> 00:27:38,159

Scandinavian tradition of the bardo ger

516

00:27:47,549 --> 00:27:44,169

which is the sense of they already seen

517

00:27:50,779 --> 00:27:47,559

or other they already heard so in other

518

00:27:55,909 --> 00:27:50,789

words this is familiar to with people

519

00:28:00,389 --> 00:27:55,919

who hear the member of their family

520

00:28:04,200 --> 00:28:00,399

coming home before or entering in the

521

00:28:08,669 --> 00:28:04,210

house long before the person actually

522

00:28:11,970 --> 00:28:08,679

arrives Wow or that brings up all kinds

523

00:28:16,979 --> 00:28:11,980

of questions doesn't it it does like

524

00:28:20,700 --> 00:28:16,989

time and everything else yeah well well

525

00:28:25,919 --> 00:28:20,710

it does because obviously on one level

526

00:28:29,789 --> 00:28:25,929

of consciousness even if it were an

527

00:28:33,440 --> 00:28:29,799

unexpected visit from a dear one that

528

00:28:38,220 --> 00:28:33,450

dear one still has a place in your

529

00:28:42,299 --> 00:28:38,230

unconscious you are still on one level

530

00:28:46,830 --> 00:28:42,309

of consciousness always aware of that

531

00:28:51,509 --> 00:28:46,840

being and that person traveling to your

532

00:28:55,220 --> 00:28:51,519

house is cannot help the think of when

533

00:29:00,810 --> 00:28:55,230

he or she will arise what he or she was

534

00:29:04,369 --> 00:29:00,820

talking about with you etc etc so if our

535

00:29:09,509 --> 00:29:04,379

dog er I found out as

536

00:29:13,680 --> 00:29:09,519

there's quite a place in the in the

537

00:29:16,379 --> 00:29:13,690

folklore or in the legends of you know

538

00:29:20,690 --> 00:29:16,389

the Scandinavian people that there was

539

00:29:25,649 --> 00:29:20,700

one story I can't think of his name but

540

00:29:30,779 --> 00:29:25,659

he was Scandinavian American living in

541

00:29:33,269 --> 00:29:30,789

America and he wanted to visit the old

542

00:29:35,820 --> 00:29:33,279

country and as many people do you know

543

00:29:39,269 --> 00:29:35,830

you go back and see your roots and so

544

00:29:44,519 --> 00:29:39,279

forth so he walked into this hotel and

545

00:29:47,430 --> 00:29:44,529

right away everyone greets him by name

546

00:29:50,789 --> 00:29:47,440

now he's never been in there before

547

00:29:53,580 --> 00:29:50,799

and he says you know what you know and

548

00:29:56,190 --> 00:29:53,590

they say and they say things like ah

549

00:29:58,799 --> 00:29:56,200

you're back for your summer the early

550

00:30:01,979 --> 00:29:58,809

summer visit how nice to see you again

551  
00:30:05,099 --> 00:30:01,989  
and people all over the hotel and in the

552  
00:30:07,259 --> 00:30:05,109  
village would come up and say oh how

553  
00:30:10,440 --> 00:30:07,269  
nice to see you again so glad you could

554  
00:30:14,099 --> 00:30:10,450  
make it again summer and he found out

555  
00:30:18,239 --> 00:30:14,109  
that on one level of being he had been

556  
00:30:20,729 --> 00:30:18,249  
visiting for our guests according to the

557  
00:30:23,669 --> 00:30:20,739  
the people of the village for at least

558  
00:30:28,080 --> 00:30:23,679  
five or six years he had appeared in the

559  
00:30:32,539 --> 00:30:28,090  
hotel rented a room been walking around

560  
00:30:36,299 --> 00:30:32,549  
now again this stretches us to think

561  
00:30:38,489 --> 00:30:36,309  
what are the limits of our unconscious

562  
00:30:41,609 --> 00:30:38,499  
what are the limits of what we can

563  
00:30:45,389 --> 00:30:41,619

project and again what are our limits

564

00:30:47,639 --> 00:30:45,399

period now what did he try to look up to

565

00:30:49,349 --> 00:30:47,649

see if he could see like an old register

566

00:30:54,739 --> 00:30:49,359

or anything like that do you happen to

567

00:30:58,049 --> 00:30:54,749

know that yeah that was that's probably

568

00:31:04,769 --> 00:30:58,059

yeah he had register different every

569

00:31:10,109 --> 00:31:04,779

year no no I'm not in here again

570

00:31:13,190 --> 00:31:10,119

I'm in you have to go by just as the

571

00:31:15,030 --> 00:31:13,200

letter to do read you have to go by the

572

00:31:20,130 --> 00:31:15,040

individual

573

00:31:22,260 --> 00:31:20,140

with whom unique who in that case you

574

00:31:25,670 --> 00:31:22,270

know we both agreed that person who sent

575

00:31:30,630 --> 00:31:25,680

in a letter sounded like a very

576

00:31:33,030 --> 00:31:30,640

well-balanced and a very moderate

577

00:31:35,580 --> 00:31:33,040

individual who wouldn't over indulge in

578

00:31:38,000 --> 00:31:35,590

anything and so forth so it was the same

579

00:31:41,670 --> 00:31:38,010

thing with with this gentleman mm-hmm

580

00:31:44,160 --> 00:31:41,680

his reputation you know again but it

581

00:31:45,900 --> 00:31:44,170

makes it's one of those things that you

582

00:31:51,420 --> 00:31:45,910

know would make a good Twilight Zone

583

00:31:56,000 --> 00:31:51,430

story oh I love that yeah yeah yeah that

584

00:32:00,110 --> 00:31:56,010

was a big disappointment of mine because

585

00:32:04,350 --> 00:32:00,120

Rod Serling and I were were going on a

586

00:32:07,080 --> 00:32:04,360

dual lecture tour I would he would talk

587

00:32:09,630 --> 00:32:07,090

about because he didn't he didn't

588

00:32:11,970 --> 00:32:09,640

believe in any of this really he just

589

00:32:15,360 --> 00:32:11,980

no he just thought if they'd good

590

00:32:18,150 --> 00:32:15,370

stories but he was a total skeptic how

591

00:32:20,660 --> 00:32:18,160

about that so he he would present the

592

00:32:23,940 --> 00:32:20,670

story and then I present the

593

00:32:27,090 --> 00:32:23,950

quote-unquote you know the the realness

594

00:32:29,910 --> 00:32:27,100

of what goes on with a haunting or some

595

00:32:34,170 --> 00:32:29,920

of his stories and you know that was

596

00:32:41,070 --> 00:32:34,180

being arranged and then he passed away

597

00:32:44,220 --> 00:32:41,080

so I know so yeah yeah Wow Wow that's

598

00:32:46,800 --> 00:32:44,230

something else so your books that you

599

00:32:50,670 --> 00:32:46,810

have you have for recently released

600

00:32:53,880 --> 00:32:50,680

right and Jake right yeah right but

601  
00:32:55,890 --> 00:32:53,890  
they're they're on Kindle only you can't

602  
00:32:58,440 --> 00:32:55,900  
buy them in the bookstore yeah I

603  
00:33:00,480 --> 00:32:58,450  
actually like that and it's instant

604  
00:33:04,680 --> 00:33:00,490  
quick and you know you can get right to

605  
00:33:06,330 --> 00:33:04,690  
it's easy to use the Kindle so I

606  
00:33:08,370 --> 00:33:06,340  
started out again when of you're like I

607  
00:33:11,250 --> 00:33:08,380  
said your first book today but what are

608  
00:33:14,040 --> 00:33:11,260  
the the the subtitles I know they're all

609  
00:33:17,430 --> 00:33:14,050  
called real nightmares what are or real

610  
00:33:22,950 --> 00:33:17,440  
nightmares or nightmare nightmares what

611  
00:33:25,520 --> 00:33:22,960  
are the now it's at just volume 1 volume

612  
00:33:28,799 --> 00:33:25,530  
2 etc is that how that goes

613  
00:33:31,710 --> 00:33:28,809

well actually valium on goes all the way

614

00:33:34,830 --> 00:33:31,720

back you know we're up to 14 so I don't

615

00:33:37,200 --> 00:33:34,840

know how long this will continue sherry

616

00:33:39,480 --> 00:33:37,210

and I had a role in selecting the first

617

00:33:45,720 --> 00:33:39,490

ones but this was you know happy

618

00:33:48,090 --> 00:33:45,730

Halloween Brad surprise surprise yeah so

619

00:33:51,049 --> 00:33:48,100

one of the stories you wrote you wrote

620

00:33:56,220 --> 00:33:51,059

about harp which i think is interesting

621

00:33:57,509 --> 00:33:56,230

you know and that what attractive yeah

622

00:33:59,369 --> 00:33:57,519

what did you get I didn't get a chance

623

00:34:06,779 --> 00:33:59,379

to read through that but what did you

624

00:34:09,000 --> 00:34:06,789

get out of of researching that well it

625

00:34:14,490 --> 00:34:09,010

was very interesting because some of it

626

00:34:16,619 --> 00:34:14,500

it was is obtainable that they make no

627

00:34:18,149 --> 00:34:16,629

secret of what pardon me and then

628

00:34:21,500 --> 00:34:18,159

probably tell we should probably tell

629

00:34:23,790 --> 00:34:21,510

the listeners what that is to begin with

630

00:34:30,680 --> 00:34:23,800

yeah well hidden away in the north

631

00:34:33,990 --> 00:34:30,690

country is this what should we say arm

632

00:34:38,010 --> 00:34:34,000

of our I don't want to say it that way

633

00:34:41,399 --> 00:34:38,020

but an experimental group that's doing

634

00:34:51,079 --> 00:34:41,409

things with the weather that frightened

635

00:34:56,540 --> 00:34:51,089

a lot of us because the the obvious jump

636

00:35:01,620 --> 00:34:56,550

is to be able to create tornados

637

00:35:05,460 --> 00:35:01,630

blizzards hurricanes as will now they

638

00:35:07,380 --> 00:35:05,470

claim that they're not doing that and

639

00:35:11,720 --> 00:35:07,390

they wouldn't do that

640

00:35:17,490 --> 00:35:11,730

but they are learning to control weather

641

00:35:21,450 --> 00:35:17,500

well didn't you say if you can make it

642

00:35:26,000 --> 00:35:21,460

do good things you could also make it do

643

00:35:30,089 --> 00:35:26,010

bad things and that's what is the rub so

644

00:35:36,690 --> 00:35:30,099

we with our conspiracy book where that

645

00:35:39,359 --> 00:35:36,700

is taken we're very proud of that

646

00:35:42,810 --> 00:35:39,369

because even after a second edition so

647

00:35:47,930 --> 00:35:42,820

far the dis keeps selling in selling

648

00:35:53,340 --> 00:35:47,940

we had an editor who would not allow us

649

00:35:57,480 --> 00:35:53,350

the tiniest bit of speculation hmm just

650

00:35:59,940 --> 00:35:57,490

the facts just what can you know excuse

651  
00:36:04,500 --> 00:35:59,950  
me what do you know and what can you

652  
00:36:06,750 --> 00:36:04,510  
prove that someone said and it was very

653  
00:36:11,520 --> 00:36:06,760  
difficult working on that because you

654  
00:36:15,300 --> 00:36:11,530  
know look at how often ways

655  
00:36:17,760 --> 00:36:15,310  
philosophized or it's theorized tonight

656  
00:36:19,830 --> 00:36:17,770  
right we think of you know what this

657  
00:36:22,980 --> 00:36:19,840  
could be and what that could be but was

658  
00:36:26,220 --> 00:36:22,990  
this historically it was just the facts

659  
00:36:29,790 --> 00:36:26,230  
man and and we're very proud of that now

660  
00:36:32,640 --> 00:36:29,800  
because you know there is nothing wild

661  
00:36:34,650 --> 00:36:32,650  
eyed and bushy tail about the book you

662  
00:36:37,680 --> 00:36:34,660  
know this is just and I think that's why

663  
00:36:41,490 --> 00:36:37,690

people enjoy it so much and and use it

664

00:36:44,690 --> 00:36:41,500

as a reference but with HAARP that's one

665

00:36:47,940 --> 00:36:44,700

of those situations you know that I see

666

00:36:51,030 --> 00:36:47,950

well you can imagine the email I get

667

00:36:54,630 --> 00:36:51,040

every day from literally all over the

668

00:36:57,780 --> 00:36:54,640

world and of course their ever everyone

669

00:37:01,530 --> 00:36:57,790

has theories which is great I love that

670

00:37:04,470 --> 00:37:01,540

I would be extremely disappointed in my

671

00:37:08,160 --> 00:37:04,480

fellow species if everyone's that around

672

00:37:13,470 --> 00:37:08,170

and just listened but the something like

673

00:37:17,760 --> 00:37:13,480

HAARP I think should have a more

674

00:37:20,900 --> 00:37:17,770

positive if you will public relations

675

00:37:24,870 --> 00:37:20,910

arm because this is something that

676

00:37:27,570 --> 00:37:24,880

really does strike fear into the hearts

677

00:37:30,240 --> 00:37:27,580

of men and women you know that because

678

00:37:36,210 --> 00:37:30,250

look look at this year I mean could we

679

00:37:39,450 --> 00:37:36,220

could we imagine could we imagine a more

680

00:37:42,660 --> 00:37:39,460

destructive year and then we still have

681

00:37:46,980 --> 00:37:42,670

people who don't believe in climate

682

00:37:49,410 --> 00:37:46,990

change right and say these things are

683

00:37:52,650 --> 00:37:49,420

just happening because no the world

684

00:37:55,269 --> 00:37:52,660

isn't getting warmer because I went out

685

00:37:59,259 --> 00:37:55,279

today and it was pretty chilly well

686

00:38:02,069 --> 00:37:59,269

you have to look at the at the charts in

687

00:38:08,409 --> 00:38:02,079

the graphs for a lot of different places

688

00:38:13,120 --> 00:38:08,419

so many of what's going on now are just

689

00:38:17,469 --> 00:38:13,130

game for the type of conspiracies that

690

00:38:21,699 --> 00:38:17,479

cause serious minded people to scoff and

691

00:38:23,380 --> 00:38:21,709

laugh that's at conspiracies because it

692

00:38:29,349 --> 00:38:23,390

is all that sphere and that's

693

00:38:31,479 --> 00:38:29,359

fear-mongering and so far so what can I

694

00:38:33,519 --> 00:38:31,489

say beyond that because there's there's

695

00:38:38,109 --> 00:38:33,529

not a great we put what you know we

696

00:38:41,859 --> 00:38:38,119

could and in their various declarations

697

00:38:46,120 --> 00:38:41,869

and acclamation of what they intended to

698

00:38:49,239 --> 00:38:46,130

do and what they planned to do with

699

00:38:52,329 --> 00:38:49,249

their work and of course from their

700

00:38:54,819 --> 00:38:52,339

perspective it's all very benevolent and

701  
00:38:57,759 --> 00:38:54,829  
and we should relax because they're

702  
00:39:01,719 --> 00:38:57,769  
watching the skies for us now on the

703  
00:39:04,569 --> 00:39:01,729  
other hand I and in how would I know

704  
00:39:08,469 --> 00:39:04,579  
this I mean I'm not all saying but I

705  
00:39:12,189 --> 00:39:08,479  
really felt I say no evidence of any

706  
00:39:14,559 --> 00:39:12,199  
intervention and the horror of the

707  
00:39:17,859 --> 00:39:14,569  
weather that we've had in the last few

708  
00:39:21,069 --> 00:39:17,869  
weeks where was an inch

709  
00:39:24,219 --> 00:39:21,079  
yeah where was interaction there where

710  
00:39:28,749 --> 00:39:24,229  
was the screeching halt if they had this

711  
00:39:31,989 --> 00:39:28,759  
power they surely could not stand by and

712  
00:39:34,749 --> 00:39:31,999  
let various sections of the United

713  
00:39:39,429 --> 00:39:34,759

States being destroyed and people being

714

00:39:41,649 --> 00:39:39,439

killed so it's like then so many of

715

00:39:48,699 --> 00:39:41,659

these things are overstatement and then

716

00:39:51,789 --> 00:39:48,709

they become some paranoid boogeyman and

717

00:39:54,370 --> 00:39:51,799

rightfully so because we need to know we

718

00:39:56,259 --> 00:39:54,380

need to have as much information about

719

00:40:01,899 --> 00:39:56,269

what's going on with these experiments

720

00:40:06,489 --> 00:40:01,909

as possible I mean if we I think we're

721

00:40:08,859 --> 00:40:06,499

all tired of learning about experiments

722

00:40:13,650 --> 00:40:08,869

and we have several of them there they

723

00:40:17,709 --> 00:40:13,660

the various raids that were done on

724

00:40:20,979 --> 00:40:17,719

major American cities you know just to

725

00:40:25,420 --> 00:40:20,989

test things and to to see how people

726

00:40:28,599 --> 00:40:25,430

would react well it isn't fair I mean we

727

00:40:31,239 --> 00:40:28,609

need to know or be least warned we're

728

00:40:35,849 --> 00:40:31,249

going to do such-and-such and stay

729

00:40:38,559 --> 00:40:35,859

inside or look you know whatever so

730

00:40:42,370 --> 00:40:38,569

conspiracies and secret societies where

731

00:40:46,269 --> 00:40:42,380

we don't deal with the spooky ones that

732

00:40:49,870 --> 00:40:46,279

you read about and that even though I

733

00:40:52,809 --> 00:40:49,880

have the one chapter of course you you

734

00:41:01,749 --> 00:40:52,819

like the UFO research but you will

735

00:41:07,709 --> 00:41:01,759

remember I am certain that when the or

736

00:41:12,400 --> 00:41:07,719

what shall we say there the evolution of

737

00:41:15,969 --> 00:41:12,410

the alien I'm sure Martin you've noticed

738

00:41:19,809 --> 00:41:15,979

how how it the evolution if we want to

739

00:41:23,349 --> 00:41:19,819

choose to call it that first the little

740

00:41:25,630 --> 00:41:23,359

green man now not necessarily green but

741

00:41:28,420 --> 00:41:25,640

that became the expression to kind of

742

00:41:31,269 --> 00:41:28,430

summarize or deal with us in in kind of

743

00:41:36,329 --> 00:41:31,279

a semi humorous way because we were

744

00:41:42,190 --> 00:41:36,339

frightened now I was 11 years old when

745

00:41:49,120 --> 00:41:42,200

the big sighting when we say the UFO age

746

00:41:53,670 --> 00:41:49,130

began for us 47 and yeah in 47 and my

747

00:41:55,589 --> 00:41:53,680

reaction then was wow they're here

748

00:41:59,440 --> 00:41:55,599

they're here

749

00:42:02,200 --> 00:41:59,450

and that was I think the way so many

750

00:42:04,390 --> 00:42:02,210

young people I mean we had read Buckwald

751  
00:42:07,599 --> 00:42:04,400  
Rogers and we'd seen all the science

752  
00:42:11,319 --> 00:42:07,609  
fiction stories those of us who do

753  
00:42:14,049 --> 00:42:11,329  
reader did read and and we were excited

754  
00:42:15,969 --> 00:42:14,059  
and then of course we stretched on and

755  
00:42:17,140 --> 00:42:15,979  
then the landing we got to see what do

756  
00:42:22,810 --> 00:42:17,150  
they look like what does it look like

757  
00:42:27,660 --> 00:42:22,820  
and it was decided by the great universe

758  
00:42:31,150 --> 00:42:27,670  
so mine or by some very clever

759  
00:42:35,470 --> 00:42:31,160  
manipulators that they would be smaller

760  
00:42:40,060 --> 00:42:35,480  
than we are and so they were portrayed

761  
00:42:44,020 --> 00:42:40,070  
as little people but not quite people

762  
00:42:47,940 --> 00:42:44,030  
big eyes and round skulls big skulls

763  
00:42:52,420 --> 00:42:47,950

because they had more brains than we did

764

00:42:57,510 --> 00:42:52,430

to fly all that way and then it has

765

00:43:04,150 --> 00:42:57,520

evolved from that to a wide range of

766

00:43:08,170 --> 00:43:04,160

monsters of godlike beings and if you've

767

00:43:10,480 --> 00:43:08,180

noticed the first ones had oxygen or

768

00:43:12,220 --> 00:43:10,490

whatever they would have I guess they

769

00:43:14,890 --> 00:43:12,230

wouldn't have oxygen to mass they would

770

00:43:18,580 --> 00:43:14,900

have whatever they're breathing on yeah

771

00:43:22,570 --> 00:43:18,590

right right but they're breathing our

772

00:43:26,200 --> 00:43:22,580

atmosphere now and more and more we're

773

00:43:30,700 --> 00:43:26,210

being told and I just got a very serious

774

00:43:34,150 --> 00:43:30,710

a document the other day how I don't

775

00:43:35,710 --> 00:43:34,160

need to worry because the the Pleiades

776

00:43:38,770 --> 00:43:35,720

they're our turns

777

00:43:42,240 --> 00:43:38,780

they are among us they've been slowly

778

00:43:45,190 --> 00:43:42,250

infiltrating we they look like we new

779

00:43:48,220 --> 00:43:45,200

and they're here to help us

780

00:43:54,580 --> 00:43:48,230

they're here to our big brother or big

781

00:43:59,500 --> 00:43:54,590

sister and I I immediately repel at that

782

00:44:02,260 --> 00:43:59,510

because I think as a species throughout

783

00:44:05,620 --> 00:44:02,270

our history we've had enough Big

784

00:44:08,740 --> 00:44:05,630

Brothers Big Sisters making decisions

785

00:44:11,190 --> 00:44:08,750

for us and telling us what to do I like

786

00:44:14,550 --> 00:44:11,200

to see the species as it evolves

787

00:44:17,530 --> 00:44:14,560

becoming more self-confident more

788

00:44:20,280 --> 00:44:17,540

self-reliant and I think we're on the

789

00:44:25,060 --> 00:44:20,290

road to that but then we have our

790

00:44:27,100 --> 00:44:25,070

marvelous marvelous technology that came

791

00:44:30,450 --> 00:44:27,110

upon the scene making all kinds of

792

00:44:34,240 --> 00:44:30,460

promises and basically what's achieved

793

00:44:35,860 --> 00:44:34,250

is that our population doesn't read

794

00:44:42,490 --> 00:44:35,870

anymore

795

00:44:48,370 --> 00:44:42,500

have a sense of entitlement and social

796

00:44:52,450 --> 00:44:48,380

media is is doing a marvelous job at

797

00:44:57,270 --> 00:44:52,460

spreading rumors and division and hatred

798

00:45:01,710 --> 00:44:57,280

among us so I I question now this

799

00:45:06,060 --> 00:45:01,720

technology that came from you know back

800

00:45:08,950 --> 00:45:06,070

back technology was some of the great

801  
00:45:12,700 --> 00:45:08,960  
discoveries that were allegedly made

802  
00:45:16,000 --> 00:45:12,710  
with crashes and so forth I think it's

803  
00:45:17,770 --> 00:45:16,010  
time both in our and I don't mean to get

804  
00:45:20,830 --> 00:45:17,780  
political now excuse me but I'm just

805  
00:45:24,400 --> 00:45:20,840  
going to say I think it's time both in

806  
00:45:29,440 --> 00:45:24,410  
our society and in our concept of the

807  
00:45:33,360 --> 00:45:29,450  
universe of recognizing that we're

808  
00:45:38,980 --> 00:45:33,370  
pretty wonderful we're pretty marvelous

809  
00:45:42,220 --> 00:45:38,990  
what have we evolved to become and we're

810  
00:45:45,570 --> 00:45:42,230  
still evolving and in fact one of the

811  
00:45:50,230 --> 00:45:45,580  
things that scientists has discovered

812  
00:45:54,910 --> 00:45:50,240  
you we take great credit for all the

813  
00:45:57,970 --> 00:45:54,920

campaigns that smoking is falling off

814

00:46:01,930 --> 00:45:57,980

among many people and not nearly as many

815

00:46:04,570 --> 00:46:01,940

people smoke and now they have found and

816

00:46:08,800 --> 00:46:04,580

I will remember the name of the gene but

817

00:46:12,940 --> 00:46:08,810

there is a gene that is evolving in the

818

00:46:16,660 --> 00:46:12,950

people being born today that will not

819

00:46:19,990 --> 00:46:16,670

desire tobacco and not desire smoking

820

00:46:22,660 --> 00:46:20,000

and this could now they project this

821

00:46:25,960 --> 00:46:22,670

could involve this could involve in the

822

00:46:29,520 --> 00:46:25,970

species rejecting fatty foods and you

823

00:46:32,320 --> 00:46:29,530

know all the things that that make us

824

00:46:35,170 --> 00:46:32,330

not in the shape that we should be and

825

00:46:38,500 --> 00:46:35,180

could be so we are still evolving

826

00:46:41,650 --> 00:46:38,510

if we give us a chance to not become

827

00:46:44,500 --> 00:46:41,660

annihilated you know it's it's true you

828

00:46:47,740 --> 00:46:44,510

know evolution takes such a long time

829

00:46:49,359 --> 00:46:47,750

but you know smokey has been around for

830

00:46:51,219 --> 00:46:49,369

for a good while

831

00:46:53,079 --> 00:46:51,229

I wonder if we'll evolve where we can

832

00:46:58,359 --> 00:46:53,089

hold a cell phone a smartphone better

833

00:47:00,819 --> 00:46:58,369

you know maybe some type of thing yeah

834

00:47:03,759 --> 00:47:00,829

right we're evolving where we won't need

835

00:47:06,789 --> 00:47:03,769

one you know our psychic powers will be

836

00:47:10,089 --> 00:47:06,799

so strong well of course that's a nice

837

00:47:14,410 --> 00:47:10,099

dream but we know that we have that

838

00:47:18,219 --> 00:47:14,420

power now it's just so few people if

839

00:47:21,609 --> 00:47:18,229

really anyone if anyone can control it

840

00:47:25,809 --> 00:47:21,619

100% of the time but we all have flashes

841

00:47:29,170 --> 00:47:25,819

we all have things that happen to us

842

00:47:31,359 --> 00:47:29,180

daily for many of us where we say you

843

00:47:34,390 --> 00:47:31,369

know we we've reached out some on some

844

00:47:38,430 --> 00:47:34,400

level that we can't really explain and

845

00:47:41,849 --> 00:47:38,440

made communication with a dear one or

846

00:47:45,999 --> 00:47:41,859

you know an event that's going to happen

847

00:47:49,569 --> 00:47:46,009

happened that we foresaw so this but

848

00:47:52,089 --> 00:47:49,579

anyone then who claims at this moment in

849

00:47:55,089 --> 00:47:52,099

space and time that they can do this

850

00:47:58,089 --> 00:47:55,099

100% you know that's that's where we

851  
00:48:01,299 --> 00:47:58,099  
have the skeptics coming in and saying

852  
00:48:03,420 --> 00:48:01,309  
all parapsychology psychical research

853  
00:48:07,479 --> 00:48:03,430  
that's all baloney

854  
00:48:10,920 --> 00:48:07,489  
and of course it's what makes us truly

855  
00:48:15,339 --> 00:48:10,930  
human is that level of spirituality that

856  
00:48:18,130 --> 00:48:15,349  
metaphysical level that we all attain we

857  
00:48:21,880 --> 00:48:18,140  
can all attain and we do all the time

858  
00:48:25,390 --> 00:48:21,890  
from time to time and flashes hmm that's

859  
00:48:27,099 --> 00:48:25,400  
that's really great well back to the the

860  
00:48:31,150 --> 00:48:27,109  
spirit of Halloween I want to ask you

861  
00:48:33,690 --> 00:48:31,160  
this question and that is what in all

862  
00:48:36,880 --> 00:48:33,700  
your research and all the stories what's

863  
00:48:38,650 --> 00:48:36,890

everyone has you know the painter has

864

00:48:44,940 --> 00:48:38,660

his favorite painting do you have a

865

00:48:48,400 --> 00:48:44,950

favorite story mm-hmm

866

00:48:51,969 --> 00:48:48,410

you mean a by experience that you have

867

00:48:55,989 --> 00:48:51,979

written all over it could have been more

868

00:48:58,690 --> 00:48:55,999

specific yes one that you research that

869

00:49:01,080 --> 00:48:58,700

just like blew you away that you could

870

00:49:03,610 --> 00:49:01,090

tell us about

871

00:49:07,720 --> 00:49:03,620

well I told you about the one where I

872

00:49:16,720 --> 00:49:07,730

had to revise my philosophy yeah of

873

00:49:19,240 --> 00:49:16,730

course not that was very okay well what

874

00:49:22,690 --> 00:49:19,250

about there there are so many Martin I

875

00:49:26,050 --> 00:49:22,700

know they warned about that question

876

00:49:29,830 --> 00:49:26,060

ahead of time well I I don't know you

877

00:49:32,380 --> 00:49:29,840

know it's kind of like people ask me my

878

00:49:34,530 --> 00:49:32,390

favorite color and I don't think I have

879

00:49:39,190 --> 00:49:34,540

a favorite color I just like the whole

880

00:49:43,870 --> 00:49:39,200

kaleidoscope of color but I think of a

881

00:49:47,620 --> 00:49:43,880

home and it just kind of I've seen this

882

00:49:52,110 --> 00:49:47,630

now a number of times so with the

883

00:49:55,740 --> 00:49:52,120

poltergeist mm-hmm now this was a

884

00:49:58,390 --> 00:49:55,750

mansion I haven't gone to many mansions

885

00:50:01,380 --> 00:49:58,400

but this was an old timber barons

886

00:50:04,930 --> 00:50:01,390

mansion right on the Mississippi and

887

00:50:07,750 --> 00:50:04,940

obviously some foul play had occurred

888

00:50:12,340 --> 00:50:07,760

there at one time and and the current

889

00:50:18,360 --> 00:50:12,350

residents were seeing what appeared to

890

00:50:21,540 --> 00:50:18,370

be a murder that would psychically

891

00:50:26,770 --> 00:50:21,550

mystically whatever word you want to use

892

00:50:29,290 --> 00:50:26,780

appear on the word took place in the in

893

00:50:31,890 --> 00:50:29,300

the living room and they would see it

894

00:50:35,890 --> 00:50:31,900

from time to time and of course

895

00:50:38,260 --> 00:50:35,900

obviously this would terrify them so we

896

00:50:41,620 --> 00:50:38,270

went to investigate and I told them you

897

00:50:45,280 --> 00:50:41,630

know we've one thing you must do if you

898

00:50:46,690 --> 00:50:45,290

have small children is please bring them

899

00:50:50,770 --> 00:50:46,700

to a friend bring them to a neighbor

900

00:50:55,150 --> 00:50:50,780

relative or whatever so hadn't been in

901  
00:50:58,900 --> 00:50:55,160  
the house long and I felt the necessity

902  
00:51:01,540 --> 00:50:58,910  
to visit the facilities and is directed

903  
00:51:04,120 --> 00:51:01,550  
to them and as I was in there I hear

904  
00:51:06,880 --> 00:51:04,130  
this little girl chanting and playing

905  
00:51:10,120 --> 00:51:06,890  
and running up and down the hall and

906  
00:51:14,200 --> 00:51:10,130  
laughing and I thought come on you know

907  
00:51:14,840 --> 00:51:14,210  
I said we don't want any children in the

908  
00:51:19,370 --> 00:51:14,850  
house

909  
00:51:21,560 --> 00:51:19,380  
were investigating so I confronted the

910  
00:51:24,460 --> 00:51:21,570  
mother and I said you know I did make

911  
00:51:28,400 --> 00:51:24,470  
this request and she just turned pale

912  
00:51:31,460 --> 00:51:28,410  
and she says that's that's one of the

913  
00:51:35,570 --> 00:51:31,470

ghosts that runs up and down the hall at

914

00:51:39,370 --> 00:51:35,580

night and then comes to my bedside tugs

915

00:51:47,390 --> 00:51:39,380

on my pillow and says mommy mommy Wow

916

00:51:49,970 --> 00:51:47,400

Wow and then of course there was with

917

00:51:52,160 --> 00:51:49,980

the mother going up to the attic

918

00:51:56,840 --> 00:51:52,170

where we could hear thrashing and

919

00:51:59,750 --> 00:51:56,850

bumping and and all kinds of noises that

920

00:52:04,550 --> 00:51:59,760

indicated someone or something was up in

921

00:52:08,390 --> 00:52:04,560

the attic and she says I will go up

922

00:52:09,850 --> 00:52:08,400

there if you go with me and I said well

923

00:52:13,640 --> 00:52:09,860

of course

924

00:52:17,390 --> 00:52:13,650

so we pause down the stairs because I

925

00:52:20,510 --> 00:52:17,400

can see she's getting cold feet and she

926  
00:52:24,470 --> 00:52:20,520  
says you know I think I know who's up

927  
00:52:27,710 --> 00:52:24,480  
there and I says you do and she says yes

928  
00:52:31,690 --> 00:52:27,720  
I think it's my father Wow your father

929  
00:52:37,840 --> 00:52:31,700  
and in this house she says yes because

930  
00:52:43,550 --> 00:52:37,850  
in his coffin I could not give him I

931  
00:52:46,850 --> 00:52:43,560  
could not summon thee the courage or

932  
00:52:49,580 --> 00:52:46,860  
they I just couldn't kiss him and I've

933  
00:52:54,440 --> 00:52:49,590  
been I said and you felt guilty ever

934  
00:52:57,980 --> 00:52:54,450  
since and she said yes yes that's why I

935  
00:53:02,320 --> 00:52:57,990  
think it's my father I said well let's

936  
00:53:07,340 --> 00:53:02,330  
go see so we went up and it was just a

937  
00:53:09,940 --> 00:53:07,350  
cacophony of sounds in that attic the

938  
00:53:15,380 --> 00:53:09,950

minute we opened the door everything

939

00:53:19,760 --> 00:53:15,390

stops everything is quiet and I walk

940

00:53:22,910 --> 00:53:19,770

back and forth and I feel you know like

941

00:53:26,390 --> 00:53:22,920

but that can be you know I'm not immune

942

00:53:28,859 --> 00:53:26,400

to a little imagination or feeling

943

00:53:32,489 --> 00:53:28,869

myself but it it felt like there

944

00:53:35,880 --> 00:53:32,499

just eyes all around watching us well

945

00:53:38,849 --> 00:53:35,890

then the teenage daughter comes home and

946

00:53:43,499 --> 00:53:38,859

she says all no are you going to get rid

947

00:53:46,410 --> 00:53:43,509

of that messy and then she had some

948

00:53:49,710 --> 00:53:46,420

expletive and I said what do you mean

949

00:53:53,489 --> 00:53:49,720

she says well I'd finally found a way to

950

00:53:56,759 --> 00:53:53,499

out with it says before I go to bed at

951  
00:53:59,849 --> 00:53:56,769  
night it is my custom to lay all the

952  
00:54:02,700 --> 00:53:59,859  
clothes and everything put all my books

953  
00:54:05,160 --> 00:54:02,710  
in order so that when I get up I know

954  
00:54:06,569 --> 00:54:05,170  
exactly what I'm going to wear I've got

955  
00:54:10,289 --> 00:54:06,579  
my homework ready

956  
00:54:13,470 --> 00:54:10,299  
so she says what's been happening is I

957  
00:54:16,920 --> 00:54:13,480  
get up in the morning my clothes have

958  
00:54:19,559 --> 00:54:16,930  
been scattered all over to the room my

959  
00:54:22,049 --> 00:54:19,569  
homework has been scattered all over the

960  
00:54:25,380 --> 00:54:22,059  
room and I have to pick everything up

961  
00:54:27,749 --> 00:54:25,390  
before I go to school and I said oh

962  
00:54:31,230 --> 00:54:27,759  
that's that would really get older I

963  
00:54:35,099 --> 00:54:31,240

said what have you done to combat it

964

00:54:38,640 --> 00:54:35,109

then and she laughed she says before I

965

00:54:43,200 --> 00:54:38,650

go to bed at night I scatter my clothes

966

00:54:46,069 --> 00:54:43,210

on the Rope I scat I scatter my homework

967

00:54:49,680 --> 00:54:46,079

around the room and when I wake up

968

00:54:54,630 --> 00:54:49,690

everything is a nice order for me to get

969

00:54:58,109 --> 00:54:54,640

dressed and go wow I've never forgotten

970

00:55:01,349 --> 00:54:58,119

that then that was the house to where we

971

00:55:03,630 --> 00:55:01,359

saw definitely objects you know flying

972

00:55:06,180 --> 00:55:03,640

toward us but they didn't where they hit

973

00:55:08,069 --> 00:55:06,190

us but it doesn't hurt or at least it

974

00:55:10,440 --> 00:55:08,079

didn't hurt us I wouldn't push it with

975

00:55:13,470 --> 00:55:10,450

other poltergeists but that was really a

976

00:55:18,269 --> 00:55:13,480

lively lively house Wow

977

00:55:21,210 --> 00:55:18,279

and but his new years ago because I had

978

00:55:26,630 --> 00:55:21,220

written about this in a book I got a

979

00:55:29,849 --> 00:55:26,640

letter from a woman who said wow

980

00:55:32,279 --> 00:55:29,859

incredible reading she says I was the

981

00:55:40,289 --> 00:55:32,289

little girl that you wouldn't let in the

982

00:55:43,260 --> 00:55:40,299

house I was a little girl that had to go

983

00:55:47,680 --> 00:55:43,270

to the neighbors why you were in vest

984

00:55:51,670 --> 00:55:47,690

no I know it went on oh isn't that funny

985

00:55:55,990 --> 00:55:51,680

Wow Wow yeah so what do you think of the

986

00:55:59,950 --> 00:55:56,000

all the shows on you know investigating

987

00:56:01,390 --> 00:55:59,960

ghosts do you think that any of them any

988

00:56:06,400 --> 00:56:01,400

of the people that are doing that or

989

00:56:08,140 --> 00:56:06,410

like legitimately looking and really

990

00:56:12,010 --> 00:56:08,150

sincere or do you think it's mostly

991

00:56:17,560 --> 00:56:12,020

theater oh boy

992

00:56:24,880 --> 00:56:17,570

well I don't know if I'd even call that

993

00:56:26,470 --> 00:56:24,890

theater so someone meant many people

994

00:56:30,010 --> 00:56:26,480

that said to me boy you know that's

995

00:56:34,090 --> 00:56:30,020

that's really when you started writing

996

00:56:37,870 --> 00:56:34,100

there was Hans Holzer rose Montgomery

997

00:56:40,060 --> 00:56:37,880

and you and maybe a couple others and

998

00:56:42,940 --> 00:56:40,070

now of course look how popular the field

999

00:56:47,200 --> 00:56:42,950

there's and I said it is remarkable

1000

00:56:49,470 --> 00:56:47,210

because going on a radio show when I

1001  
00:56:53,290 --> 00:56:49,480  
started Martin there wasn't a nice

1002  
00:56:56,380 --> 00:56:53,300  
wasn't always a nice Martin on the other

1003  
00:56:59,470 --> 00:56:56,390  
end it was someone who just before we

1004  
00:57:02,770 --> 00:56:59,480  
went on air said I'm just going to rip

1005  
00:57:05,800 --> 00:57:02,780  
you to shreds that kind of that kind of

1006  
00:57:06,760 --> 00:57:05,810  
you know friendly greeting so it was

1007  
00:57:09,700 --> 00:57:06,770  
very different

1008  
00:57:12,520 --> 00:57:09,710  
but they say now you know look at this

1009  
00:57:15,520 --> 00:57:12,530  
and I said well hello but again how

1010  
00:57:18,460 --> 00:57:15,530  
accurate are these I mean yeah but one

1011  
00:57:21,970 --> 00:57:18,470  
of the things I laugh at and I just read

1012  
00:57:24,780 --> 00:57:21,980  
an article by Alexander Holzer saying

1013  
00:57:28,900 --> 00:57:24,790

you know the various machines and they

1014

00:57:30,100 --> 00:57:28,910

again the voice recording the electronic

1015

00:57:32,260 --> 00:57:30,110

voice phenomena

1016

00:57:36,370 --> 00:57:32,270

some of those that are sent to me you

1017

00:57:40,540 --> 00:57:36,380

know all I hear is babble or little too

1018

00:57:44,020 --> 00:57:40,550

clear a little too and I was laughing

1019

00:57:47,320 --> 00:57:44,030

with an investigator just the other day

1020

00:57:51,120 --> 00:57:47,330

and he was asking me what what do you

1021

00:57:56,910 --> 00:57:51,130

think of those programs and I said I

1022

00:58:03,039 --> 00:58:00,519

because that said you're bound to hear

1023

00:58:05,950 --> 00:58:03,049

in everyone so I think I just know

1024

00:58:08,319 --> 00:58:05,960

something scratched me know this and I

1025

00:58:12,789 --> 00:58:08,329

see something I know something touched

1026  
00:58:16,150 --> 00:58:12,799  
my shoulder and it appears like like he

1027  
00:58:18,430 --> 00:58:16,160  
said they he and his friends they just

1028  
00:58:21,160 --> 00:58:18,440  
sit and laugh at it now I don't mean to

1029  
00:58:24,099 --> 00:58:21,170  
be cruel and these people I don't know

1030  
00:58:29,200 --> 00:58:24,109  
how many are sincere I don't know I need

1031  
00:58:35,620 --> 00:58:29,210  
them I get letters emails from people

1032  
00:58:37,900 --> 00:58:35,630  
one was a woman last year who said you

1033  
00:58:39,519 --> 00:58:37,910  
know she says what can you do to get me

1034  
00:58:43,170 --> 00:58:39,529  
a TV show

1035  
00:58:47,319 --> 00:58:43,180  
she says I've been investigating for

1036  
00:58:51,160 --> 00:58:47,329  
five years now and I feel I know enough

1037  
00:58:55,079 --> 00:58:51,170  
to really do a good show on television

1038  
00:58:58,900 --> 00:58:55,089

about ghosts and I said five years

1039

00:59:01,120 --> 00:58:58,910

mm-hmm no that that is a drop in the

1040

00:59:03,219 --> 00:59:01,130

bucket and I said what have you read

1041

00:59:06,069 --> 00:59:03,229

what have you studied you know have you

1042

00:59:08,589 --> 00:59:06,079

read the volumes of some of the masters

1043

00:59:11,739 --> 00:59:08,599

from the British society of psychical

1044

00:59:15,039 --> 00:59:11,749

research in the 1800s as you read you

1045

00:59:17,529 --> 00:59:15,049

know the Lions of our of our entire

1046

00:59:19,299 --> 00:59:17,539

fields who wrote and of course she

1047

00:59:21,880 --> 00:59:19,309

didn't know any of that mercy didn't

1048

00:59:24,459 --> 00:59:21,890

know but she thought she knew enough to

1049

00:59:28,690 --> 00:59:24,469

have her own television show

1050

00:59:31,870 --> 00:59:28,700

Wow well now it's it's very similar to

1051  
00:59:34,809 --> 00:59:31,880  
UFOs it's fleeting and you know when you

1052  
00:59:36,969 --> 00:59:34,819  
watch any of these shows they go in

1053  
00:59:39,789 --> 00:59:36,979  
there you know one night and you know

1054  
00:59:42,819 --> 00:59:39,799  
expect something to happen right you

1055  
00:59:44,739 --> 00:59:42,829  
know and I think you know it's I really

1056  
00:59:48,039 --> 00:59:44,749  
I can't even remember the last time I

1057  
00:59:51,640 --> 00:59:48,049  
watched one of them but no an organized

1058  
00:59:56,979 --> 00:59:51,650  
yeah what do you think that what do you

1059  
01:00:01,089 --> 00:59:56,989  
think the most haunted country is boy

1060  
01:00:04,690 --> 01:00:01,099  
that's a good question off the top of

1061  
01:00:07,270 --> 01:00:04,700  
one's head what would you say you say

1062  
01:00:13,220 --> 01:00:07,280  
England yeah that's what I would think

1063  
01:00:15,260 --> 01:00:13,230

I think it's because with the British

1064

01:00:21,200 --> 01:00:15,270

society elected to research they began

1065

01:00:24,079 --> 01:00:21,210

taking the field seriously but people

1066

01:00:27,319 --> 01:00:24,089

have always on their level the folk

1067

01:00:30,290 --> 01:00:27,329

level at any rate taken ghosts spirits

1068

01:00:35,079 --> 01:00:30,300

so forth seriously but they actually

1069

01:00:40,970 --> 01:00:35,089

studied and made it if not respectable

1070

01:00:43,790 --> 01:00:40,980

at least not laughable if you expressed

1071

01:00:46,700 --> 01:00:43,800

an interest in studying it now you can't

1072

01:00:51,650 --> 01:00:46,710

prevent everyone from being skeptical or

1073

01:00:59,660 --> 01:00:51,660

laughing at you by any means but I don't

1074

01:01:03,880 --> 01:00:59,670

know I just just wrote a blurb sherry

1075

01:01:08,510 --> 01:01:03,890

and I for our dear friend Brian Allen

1076

01:01:11,780 --> 01:01:08,520

who is a British psychical researcher

1077

01:01:14,839 --> 01:01:11,790

he's the editor of phenomena magazine oh

1078

01:01:15,500 --> 01:01:14,849

I hope I hope you've seen that it's

1079

01:01:19,910 --> 01:01:15,510

excellent

1080

01:01:25,690 --> 01:01:19,920

yes and he's written a book that he

1081

01:01:30,290 --> 01:01:25,700

feels will prove survival after death

1082

01:01:35,809 --> 01:01:30,300

he's conducted an exhaustive series of

1083

01:01:39,550 --> 01:01:35,819

experiments with someone he kind of

1084

01:01:41,720 --> 01:01:39,560

mutually discovered who seemed to have

1085

01:01:45,140 --> 01:01:41,730

extraordinary ability mediumistic

1086

01:01:49,190 --> 01:01:45,150

abilities now whatever you think you

1087

01:01:53,050 --> 01:01:49,200

know of mediums they you have to say

1088

01:01:58,010 --> 01:01:53,060

that there is varying degrees of ability

1089

01:02:03,079 --> 01:01:58,020

some are astonishing some are obviously

1090

01:02:04,970 --> 01:02:03,089

cold readers and cold reading is kind of

1091

01:02:08,839 --> 01:02:04,980

you know if you have a flair for the

1092

01:02:10,730 --> 01:02:08,849

dramatic and so forth because a couple

1093

01:02:13,640 --> 01:02:10,740

of times you know when someone has said

1094

01:02:16,690 --> 01:02:13,650

all that was such a brilliant oh I know

1095

01:02:19,790 --> 01:02:16,700

that will help me solve my love life and

1096

01:02:20,960 --> 01:02:19,800

and I said well why aren't you can I

1097

01:02:24,470 --> 01:02:20,970

give you a reading

1098

01:02:26,720 --> 01:02:24,480

and just a cold reading you know and

1099

01:02:30,410 --> 01:02:26,730

that's even more amazing than the

1100

01:02:33,290 --> 01:02:30,420

psychic who charged me \$50 because once

1101

01:02:35,480 --> 01:02:33,300

you learn you know the patter that is

1102

01:02:37,880 --> 01:02:35,490

used by some professionals but I'm

1103

01:02:40,819 --> 01:02:37,890

talking about those who have been who

1104

01:02:45,710 --> 01:02:40,829

are really sincere who are you know like

1105

01:02:48,859 --> 01:02:45,720

I did so much work with Irene Hughes and

1106

01:02:52,609 --> 01:02:48,869

see what was brilliant I mean it was

1107

01:02:54,980 --> 01:02:52,619

just phenomenal the things that that she

1108

01:02:58,010 --> 01:02:54,990

would pick up and that she would be able

1109

01:03:00,140 --> 01:02:58,020

to converse and so forth and there are a

1110

01:03:04,760 --> 01:03:00,150

number then that I had the pleasure with

1111

01:03:10,130 --> 01:03:04,770

of working before they went to the big

1112

01:03:16,339 --> 01:03:10,140

seance room in the sky but when you work

1113

01:03:20,990 --> 01:03:16,349

with that kind of intelligence the whole

1114

01:03:26,450 --> 01:03:21,000

idea of of respecting as Brian Allen has

1115

01:03:28,849 --> 01:03:26,460

done now he and another well scientists

1116

01:03:33,430 --> 01:03:28,859

and then Brian who is certainly

1117

01:03:37,819 --> 01:03:33,440

experienced years and years of research

1118

01:03:39,859 --> 01:03:37,829

and and I just saw you know a sampling

1119

01:03:42,140 --> 01:03:39,869

of his book various chapters and so

1120

01:03:43,640 --> 01:03:42,150

forth because it was going to press and

1121

01:03:46,910 --> 01:03:43,650

they needed something from us soon

1122

01:03:51,380 --> 01:03:46,920

enough to get the idea of the book and

1123

01:03:55,550 --> 01:03:51,390

it looks really astonishing so again

1124

01:03:57,740 --> 01:03:55,560

that's that's England and Nick Nick

1125

01:03:59,930 --> 01:03:57,750

tells me Nick Redfern tells me all these

1126

01:04:02,510 --> 01:03:59,940

stories about England and all the girls

1127

01:04:06,470 --> 01:04:02,520

and and in our movies the movies that

1128

01:04:11,030 --> 01:04:06,480

we've seen and and the you know both

1129

01:04:13,910 --> 01:04:11,040

both the ghost films and the the monster

1130

01:04:18,740 --> 01:04:13,920

films from England they're superbly done

1131

01:04:21,800 --> 01:04:18,750

I mean they when the actor there says my

1132

01:04:24,479 --> 01:04:21,810

god I think this vampire you you really

1133

01:04:27,420 --> 01:04:24,489

think maybe it is

1134

01:04:32,130 --> 01:04:27,430

that is their whole training they go

1135

01:04:36,269 --> 01:04:32,140

through and the whole attitude I know

1136

01:04:38,779 --> 01:04:36,279

the acceptance in ghosts acceptance of

1137

01:04:43,289 --> 01:04:38,789

the belief in reality of ghosts

1138

01:04:46,769 --> 01:04:43,299

this is equally high I the figures I see

1139

01:04:50,339 --> 01:04:46,779

or nearly as high than the United States

1140

01:04:55,489 --> 01:04:50,349

and getting higher all the time so I

1141

01:05:03,449 --> 01:05:00,269

yeah there's a greater acceptance I see

1142

01:05:07,199 --> 01:05:03,459

what you're saying yeah I I quoted a

1143

01:05:09,839 --> 01:05:07,209

couple academic studies where I found

1144

01:05:14,699 --> 01:05:09,849

this very interesting and I hope Tommy

1145

01:05:18,569 --> 01:05:14,709

remember it correctly is that when you

1146

01:05:20,809 --> 01:05:18,579

come to college the skepticism and so

1147

01:05:23,749 --> 01:05:20,819

forth of the I do believe it goes

1148

01:05:27,599 --> 01:05:23,759

interesting by the time they graduate

1149

01:05:33,150 --> 01:05:27,609

there's a greater acceptance in ghosts

1150

01:05:35,429 --> 01:05:33,160

UFOs now again some of our skeptics who

1151  
01:05:38,160 --> 01:05:35,439  
say that makes no sense that should be

1152  
01:05:41,009 --> 01:05:38,170  
in the reverse become us college kids

1153  
01:05:42,719 --> 01:05:41,019  
and their freshman and their that's when

1154  
01:05:46,349 --> 01:05:42,729  
they should be saying oh yeah I believe

1155  
01:05:50,189 --> 01:05:46,359  
in that but it's it's the reverse Barton

1156  
01:05:52,289 --> 01:05:50,199  
Wow and you stop and think and I'm sure

1157  
01:05:56,249 --> 01:05:52,299  
you can think of some reasons why as I

1158  
01:05:59,160 --> 01:05:56,259  
can if you're getting a good art college

1159  
01:06:02,549 --> 01:05:59,170  
education which is just as much up to

1160  
01:06:05,429 --> 01:06:02,559  
you as the college you've learned to

1161  
01:06:08,609 --> 01:06:05,439  
have more of an open mind you've learned

1162  
01:06:12,179 --> 01:06:08,619  
to not reject things out of hand

1163  
01:06:14,669 --> 01:06:12,189

so I found that very interesting at an

1164

01:06:18,209 --> 01:06:14,679

academic couple academics that they said

1165

01:06:19,620 --> 01:06:18,219

demonstrated that wow that is so I don't

1166

01:06:22,199 --> 01:06:19,630

know but then you think of do you think

1167

01:06:27,719 --> 01:06:22,209

of Germany you think of Holland you

1168

01:06:32,609 --> 01:06:27,729

think of Scandinavia in fact among the

1169

01:06:36,900 --> 01:06:32,619

royal family in Norway now the big thing

1170

01:06:40,980 --> 01:06:36,910

is ghost hunting I quoted that was

1171

01:06:43,590 --> 01:06:40,990

the New York Times and I quoted it in in

1172

01:06:47,880 --> 01:06:43,600

the the new book of becoming us in the

1173

01:06:51,090 --> 01:06:47,890

summer that's that's their hobby now

1174

01:06:53,430 --> 01:06:51,100

once again just as is happening in

1175

01:06:58,110 --> 01:06:53,440

Scandinavia is happening in the United

1176

01:07:07,020 --> 01:06:58,120

States belief in traditional church

1177

01:07:12,240 --> 01:07:07,030

dogma is falling but belief in a greater

1178

01:07:16,040 --> 01:07:12,250

power in the universe a power that we

1179

01:07:22,080 --> 01:07:16,050

can reach out to and touch and receive

1180

01:07:27,200 --> 01:07:22,090

inspiration direction healing is growing

1181

01:07:32,220 --> 01:07:27,210

is growing so it's kind of a true

1182

01:07:36,330 --> 01:07:32,230

expression of spirituality but the dogma

1183

01:07:39,600 --> 01:07:36,340

and sitting in the pews and hearing

1184

01:07:42,270 --> 01:07:39,610

someone tell you what to believe I know

1185

01:07:46,260 --> 01:07:42,280

you've seen the figures - I assume you

1186

01:07:51,060 --> 01:07:46,270

have organized religion is is the going

1187

01:07:57,000 --> 01:07:51,070

way down the numbers but spirituality is

1188

01:08:00,420 --> 01:07:57,010

going higher and higher mm-hmm yeah well

1189

01:08:03,600 --> 01:08:00,430

this has been fantastic and I am really

1190

01:08:06,720 --> 01:08:03,610

really interested in reading your book

1191

01:08:09,570 --> 01:08:06,730

once you get it published on what you

1192

01:08:11,940 --> 01:08:09,580

think ghosts really are that's to meet I

1193

01:08:15,210 --> 01:08:11,950

find that fascinating and you say that

1194

01:08:16,320 --> 01:08:15,220

would be in July perhaps right and it's

1195

01:08:21,450 --> 01:08:16,330

not just me

1196

01:08:24,840 --> 01:08:21,460

I've asked just a whole academy-award

1197

01:08:27,750 --> 01:08:24,850

list of researchers of researchers my

1198

01:08:29,700 --> 01:08:27,760

friends and colleagues you know that

1199

01:08:33,060 --> 01:08:29,710

we've been in the trenches for so long

1200

01:08:35,580 --> 01:08:33,070

I'm asking a great group of them to have

1201

01:08:38,790 --> 01:08:35,590

their opinions as well so I think it's

1202

01:08:41,880 --> 01:08:38,800

it's for someone who's really serious

1203

01:08:44,460 --> 01:08:41,890

about exploring the unknown and the

1204

01:08:46,650 --> 01:08:44,470

particularly survival and ghosts I think

1205

01:08:49,650 --> 01:08:46,660

it's going to really be a treasure for

1206

01:08:50,459 --> 01:08:49,660

them excellent well I may connect you to

1207

01:08:52,950 --> 01:08:50,469

my

1208

01:08:56,399 --> 01:08:52,960

and Paul II know that has thoughts on

1209

01:08:59,309 --> 01:08:56,409

that as well if that's a Paul is in the

1210

01:09:02,269 --> 01:08:59,319

book Paul in the book about that I

1211

01:09:10,890 --> 01:09:06,299

how about that it's the small world

1212

01:09:12,809 --> 01:09:10,900

after all all right well thanks so much

1213

01:09:14,399 --> 01:09:12,819

Brad it's been a real pleasure I really

1214

01:09:17,579 --> 01:09:14,409

really enjoyed it and I hope to have you

1215

01:09:20,640 --> 01:09:17,589

back on someday well let's do it

1216

01:09:23,459 --> 01:09:20,650

and and both of us take about now that

1217

01:09:26,309 --> 01:09:23,469

it won't take two years that's right all

1218

01:09:28,499 --> 01:09:26,319

right and my best I'll Cherie thank you

1219

01:09:31,589 --> 01:09:28,509

all right I'll relay that all right you

1220

01:09:33,059 --> 01:09:31,599

take care you take care as well all

1221

01:09:35,189 --> 01:09:33,069

right good night good night

1222

01:09:38,669 --> 01:09:35,199

all right everyone so that's it for the

1223

01:09:42,120 --> 01:09:38,679

show thanks so much for for stopping in

1224

01:09:43,589 --> 01:09:42,130

and yes as I said earlier I'm not really

1225

01:09:46,919 --> 01:09:43,599

paying attention to chat

1226

01:09:50,069 --> 01:09:46,929

it's just I've noticed that I just do a

1227

01:09:51,809 --> 01:09:50,079

little better interaction and so if you

1228

01:09:53,519 --> 01:09:51,819

do have questions I'll be taking

1229

01:09:56,370 --> 01:09:53,529

questions toward the end of every show

1230

01:09:59,489 --> 01:09:56,380

and that includes the podcast UFO show

1231

01:10:00,689 --> 01:09:59,499

that I'll be back here in studio four on

1232

01:10:03,600 --> 01:10:00,699

Wednesday

1233

01:10:06,479 --> 01:10:03,610

all right thanks so much and we'll be

1234

01:10:08,700 --> 01:10:06,489

back for the everything else show in two

1235

01:10:12,540 --> 01:10:08,710

weeks with JW ocker
