DARK MATTER DIGITAL

Host

by

1
00:00:07,010 --> 00:00:06,230
and it hits me oh my gosh this is that

2
00:00:08,120 --> 00:00:07,020
triangle

3
00:00:09,230 --> 00:00:08,130
you know there's explanation for

4
00:00:11,180 --> 00:00:09,240
everything that occurred in the

5
00:00:13,549 --> 00:00:11,190
Rendlesham forest incident it doesn't

6
00:00:17,060 --> 00:00:13,559
involve aliens at all it was completely

7
00:00:20,300 --> 00:00:17,070
silent it comes right over our head it's

8
00:00:21,890 --> 00:00:20,310
so classic flying-saucer really standing

9
00:00:23,300 --> 00:00:21,900
in the clearing he turned over to my

10
00:00:24,970 --> 00:00:23,310
father and held his hand and he looked

11
00:00:28,540 --> 00:00:24,980
in his eyes and said we're not alone

12
00:00:34,670 --> 00:00:31,970
welcome to podcast UFO for our live show

13
00:00:37,580 --> 00:00:34,680

we're live every Wednesday at 8 p.m.

14

00:00:40,040 --> 00:00:37,590

Eastern Standard Time on podcast UFO

15

00:00:42,110 --> 00:00:40,050

calm during the show feel free to

16

00:00:44,569 --> 00:00:42,120

participate live in our chat room and

17

00:00:47,840 --> 00:00:44,579

don't forget to Like us on our very

18

00:00:50,779 --> 00:00:47,850

active Facebook page hello and welcome

19

00:00:54,139 --> 00:00:50,789

to the show I'm gonna have fun tonight I

20

00:00:57,770 --> 00:00:54,149

have all the way from Woonsocket however

21

00:01:00,200 --> 00:00:57,780

that is pronounced Rhode Island I have a

22

00:01:02,990 --> 00:01:00,210

guest Paul you know in studio drove up

23

00:01:06,530 --> 00:01:03,000

here and but before we start with Paul

24

00:01:09,859 --> 00:01:06,540

we have Alejandro Rojas coming up with

25

00:01:13,280 --> 00:01:09,869

you fo updates I want to thank everyone

26
00:01:14,960 --> 00:01:13,290
that supports the show very much and if

27
00:01:17,570 --> 00:01:14,970
you can't support the show but you'd

28
00:01:20,590 --> 00:01:17,580
love to listen to the full show you can

29
00:01:22,280 --> 00:01:20,600
come to the podcast UFO com every

30
00:01:24,050 --> 00:01:22,290
Wednesday evening

31
00:01:27,560 --> 00:01:24,060
also you can go to YouTube every

32
00:01:28,580 --> 00:01:27,570
Wednesday evening and watch us and do

33
00:01:31,730 --> 00:01:28,590
the show live

34
00:01:33,679 --> 00:01:31,740
that's a two-hour show or you can listen

35
00:01:36,410 --> 00:01:33,689
on the Dark Matter digital network on

36
00:01:40,940 --> 00:01:36,420
Thursday evenings from 10:00 to midnight

37
00:01:43,789 --> 00:01:40,950
and that's it for me and I'm gonna bring

38
00:01:47,149 --> 00:01:43,799

in my good buddy in Arizona Alejandro

39

00:01:52,429 --> 00:01:47,159

Rojas oh you look a little different on

40

00:01:54,520 --> 00:01:52,439

dro this is a desert whale hey hey

41

00:01:57,950 --> 00:01:54,530

actually at my house we can do

42

00:02:00,740 --> 00:01:57,960

lifestyles of the UFO nerd all right oh

43

00:02:03,920 --> 00:02:00,750

yeah there's my living room how about

44

00:02:04,969 --> 00:02:03,930

that yeah yeah so people just don't know

45

00:02:07,850 --> 00:02:04,979

what they're missing when they don't

46

00:02:10,940 --> 00:02:07,860

watch our YouTube livestream house that

47

00:02:12,650 --> 00:02:10,950

has this shot it's janitor sort of yeah

48

00:02:13,590 --> 00:02:12,660

you're a little off screen but I can fix

49

00:02:15,510 --> 00:02:13,600

that

50

00:02:17,310 --> 00:02:15,520

there you go perfect right there do not

51

00:02:19,500 --> 00:02:17,320

move all right

52

00:02:22,560 --> 00:02:19,510

welcome to the show alejandro how are

53

00:02:26,070 --> 00:02:22,570

you good good I can move a little bit

54

00:02:27,870 --> 00:02:26,080

right yeah yeah you can talk if you want

55

00:02:30,270 --> 00:02:27,880

to so cool good

56

00:02:33,300 --> 00:02:30,280

well it's I'm doing well always good to

57

00:02:35,310 --> 00:02:33,310

see you and your guests and Paul which

58

00:02:37,470 --> 00:02:35,320

is a cool guest I have yeah been on

59

00:02:39,810 --> 00:02:37,480

Paul's show I think a couple times and

60

00:02:41,280 --> 00:02:39,820

he's a lot of fun so and I remember you

61

00:02:42,840 --> 00:02:41,290

saying that he lives nearby and you

62

00:02:45,180 --> 00:02:42,850

could have run into him occasionally at

63

00:02:48,030 --> 00:02:45,190

different events and so that sounds like

64

00:02:49,920 --> 00:02:48,040

a lot of fun so and you've had him on

65

00:02:52,170 --> 00:02:49,930

before as well right oh yeah number of

66

00:02:54,090 --> 00:02:52,180

times yeah he's about yeah he's a three

67

00:02:54,840 --> 00:02:54,100

hours drive for me that's what it took

68

00:02:57,120 --> 00:02:54,850

him to get here

69

00:02:59,900 --> 00:02:57,130

it's not that bad yeah that's not that

70

00:03:03,330 --> 00:02:59,910

bad yeah especially when people win

71

00:03:06,000 --> 00:03:03,340

contests to be able to join you in

72

00:03:08,130 --> 00:03:06,010

studio oh oh yes that was right week

73

00:03:10,560 --> 00:03:08,140

that was last week get it yeah that was

74

00:03:13,740 --> 00:03:10,570

pretty funny and little did he know he

75

00:03:17,010 --> 00:03:13,750

became an impromptu guest for here yeah

76
00:03:19,770 --> 00:03:17,020
three minutes yeah yep so that worked

77
00:03:20,970 --> 00:03:19,780
out okay though and it was a great by

78
00:03:23,130 --> 00:03:20,980
the way last week if you haven't

79
00:03:25,020 --> 00:03:23,140
listened to it in you're watching or

80
00:03:28,440 --> 00:03:25,030
listening to the show tonight was an

81
00:03:32,850 --> 00:03:28,450
awesome show with Psalm acidic one of

82
00:03:34,350 --> 00:03:32,860
the Ariel's School witnesses and it's

83
00:03:37,050 --> 00:03:34,360
getting a lot of downloads a lot of

84
00:03:38,730 --> 00:03:37,060
feedback it was a great show one of one

85
00:03:40,950 --> 00:03:38,740
to be proud of actually I was very happy

86
00:03:42,540 --> 00:03:40,960
to have her on I'm not saying I'm proud

87
00:03:43,920 --> 00:03:42,550
of the show but I'm just saying I was

88
00:03:45,960 --> 00:03:43,930

honored to have her on the show that's

89

00:03:47,790 --> 00:03:45,970

the best better way to put it it was

90

00:03:50,400 --> 00:03:47,800

great

91

00:03:54,030 --> 00:03:50,410

she totally expressed herself perfectly

92

00:03:56,640 --> 00:03:54,040

I thought exactly what happened yeah

93

00:03:59,700 --> 00:03:56,650

that was great yeah so what's going on

94

00:04:03,110 --> 00:03:59,710

with UFO news this week well what's

95

00:04:05,700 --> 00:04:03,120

going on with UFO news we talked about

96

00:04:08,040 --> 00:04:05,710

the Newsweek thing last week on your

97

00:04:10,470 --> 00:04:08,050

show right no I believe we only talked

98

00:04:14,280 --> 00:04:10,480

about it on your show okay see how

99

00:04:15,630 --> 00:04:14,290

prepared we are so yeah this is really

100

00:04:18,150 --> 00:04:15,640

cool everybody can go to their local

101
00:04:19,710 --> 00:04:18,160
grocery store or Barnes & Noble and

102
00:04:22,110 --> 00:04:19,720
you're gonna be able to get off of the

103
00:04:25,230 --> 00:04:22,120
newsstand special edition Newsweek

104
00:04:27,120 --> 00:04:25,240
called life beyond Earth question mark

105
00:04:28,680 --> 00:04:27,130
and you think okay cool that

106
00:04:31,040 --> 00:04:28,690
to be the kind of stuff Martin in all

107
00:04:33,960 --> 00:04:31,050
100 or into cathode science and it's

108
00:04:36,810 --> 00:04:33,970
astrobiology and SETI and stuff like

109
00:04:38,490 --> 00:04:36,820
that but no it's UFOs and alien

110
00:04:40,430 --> 00:04:38,500
abductions and all of this sort of thing

111
00:04:44,100 --> 00:04:40,440
in fact there's only a couple

112
00:04:45,750 --> 00:04:44,110
science-based well really you know that

113
00:04:47,520 --> 00:04:45,760

the mainstream kind of stuff you would

114

00:04:50,340 --> 00:04:47,530

think you would see like Rovers and

115

00:04:53,070 --> 00:04:50,350

stuff like that looking for microbes on

116

00:04:56,570 --> 00:04:53,080

Mars or what-have-you but the majority

117

00:04:59,100 --> 00:04:56,580

of the thing is about UFOs UFO history

118

00:05:01,140 --> 00:04:59,110

alien abduction all the different types

119

00:05:03,900 --> 00:05:01,150

of things when it related to alien

120

00:05:05,940 --> 00:05:03,910

abduction and I almost forgot that I had

121

00:05:08,640 --> 00:05:05,950

worked with Newsweek on this and giving

122

00:05:10,800 --> 00:05:08,650

them some photos and some quotes so they

123

00:05:12,990 --> 00:05:10,810

have be in there they have some of our

124

00:05:14,310 --> 00:05:13,000

photos from the UFO Congress and they

125

00:05:17,330 --> 00:05:14,320

have some of our buddies they've got

126

00:05:20,010 --> 00:05:17,340

like a von Smith and John Greenwald

127

00:05:22,380 --> 00:05:20,020

Kevin Randle has quite a few quotes in

128

00:05:26,100 --> 00:05:22,390

there so all kinds of really interesting

129

00:05:28,020 --> 00:05:26,110

great stuff some photos that I would die

130

00:05:30,570 --> 00:05:28,030

to have because for instance there's a

131

00:05:35,160 --> 00:05:30,580

photo of the Blue Book guys like general

132

00:05:37,170 --> 00:05:35,170

Ramey and Roop helps and general Samford

133

00:05:39,030 --> 00:05:37,180

a classic photo that I'm always looking

134

00:05:41,280 --> 00:05:39,040

for a better and better version of they

135

00:05:43,470 --> 00:05:41,290

have this crisp clean photo the day of

136

00:05:45,120 --> 00:05:43,480

these photos of Kenneth Arnold and all

137

00:05:47,220 --> 00:05:45,130

of these other amazing photos they got a

138

00:05:49,470 --> 00:05:47,230

whole two in this news week but they

139

00:05:51,270 --> 00:05:49,480

treat the topic just like any of their

140

00:05:53,880 --> 00:05:51,280

other stories so they're very serious

141

00:05:56,580 --> 00:05:53,890

about it you know they're not kind of

142

00:05:59,340 --> 00:05:56,590

debunking people as UFO weirdos or

143

00:06:01,380 --> 00:05:59,350

something out so it's a great art did

144

00:06:04,110 --> 00:06:01,390

have you gotten a copy I have not I

145

00:06:06,090 --> 00:06:04,120

looked I read your article and I thought

146

00:06:07,890 --> 00:06:06,100

it was great also they put your logo

147

00:06:10,800 --> 00:06:07,900

everything of your podcast in there

148

00:06:13,920 --> 00:06:10,810

that's wonderful they recommended my

149

00:06:16,620 --> 00:06:13,930

podcast unfortunately not yours but

150

00:06:20,160 --> 00:06:16,630

lucky for you people find out about your

151
00:06:23,520 --> 00:06:20,170
podcast because I'm on your podcast too

152
00:06:25,320 --> 00:06:23,530
yep yeah you're my last last in fact

153
00:06:27,300 --> 00:06:25,330
this week you were Martin goofy Willis

154
00:06:30,930 --> 00:06:27,310
that's right I was telling Paul that

155
00:06:32,340 --> 00:06:30,940
yeah yeah yeah so yeah and yeah you know

156
00:06:35,010 --> 00:06:32,350
I don't know if I've ever said that is

157
00:06:36,240 --> 00:06:35,020
on my show that I'm actually I actually

158
00:06:37,890 --> 00:06:36,250
helped you out with the news on your

159
00:06:40,260 --> 00:06:37,900
show so we kind of switch back in the

160
00:06:41,500 --> 00:06:40,270
end which is a lot of fun we probably

161
00:06:44,540 --> 00:06:41,510
haven't done

162
00:06:47,180 --> 00:06:44,550
yeah yeah yeah so I think that was kind

163
00:06:51,650 --> 00:06:47,190

of a big deal another kind of big deal

164

00:06:53,450 --> 00:06:51,660

is well there's been a lot about so at

165

00:06:56,720 --> 00:06:53,460

the Tom DeLonge meeting and see this

166

00:06:58,220 --> 00:06:56,730

this kind of you know a lot of people oh

167

00:07:01,010 --> 00:06:58,230

this is such a waste of time and stuff

168

00:07:02,360 --> 00:07:01,020

but here's an example of how there was

169

00:07:04,460 --> 00:07:02,370

some important stuff that came out of

170

00:07:07,340 --> 00:07:04,470

his press conference and everybody's

171

00:07:11,600 --> 00:07:07,350

talking about this great case regarding

172

00:07:14,420 --> 00:07:11,610

the USS Nimitz yes and I had Robert

173

00:07:16,220 --> 00:07:14,430

Powell on and Robert Powell has been

174

00:07:20,930 --> 00:07:16,230

posting some of his research and he did

175

00:07:23,360 --> 00:07:20,940

some great stuff on the SDU Facebook the

176

00:07:26,030 --> 00:07:23,370

scientific Coalition for ufology

177

00:07:28,220 --> 00:07:26,040

Facebook and he did some interesting

178

00:07:31,040 --> 00:07:28,230

stuff with foa's but other people are as

179

00:07:32,720 --> 00:07:31,050

well Jeremy Korbelt was able to speak

180

00:07:35,180 --> 00:07:32,730

with one of the witnesses and they

181

00:07:38,480 --> 00:07:35,190

confirmed that a video that was leaked

182

00:07:39,770 --> 00:07:38,490

was from this famous incident and I

183

00:07:43,760 --> 00:07:39,780

guess I should tell people about it

184

00:07:46,010 --> 00:07:43,770

essentially in 2004 the whole naval

185

00:07:47,570 --> 00:07:46,020

strike force around the Nimitz because

186

00:07:48,950 --> 00:07:47,580

the these things don't float by

187

00:07:52,400 --> 00:07:48,960

themselves I've got a bunch of boats

188

00:07:54,470 --> 00:07:52,410

with them and they all saw this object

189

00:07:56,810 --> 00:07:54,480

it's white object they called it a tic

190

00:07:58,780 --> 00:07:56,820

tac toe they felt it look like that they

191

00:08:01,070 --> 00:07:58,790

scrambled jets to chase this thing

192

00:08:03,890 --> 00:08:01,080

typical stories you know like we've

193

00:08:05,510 --> 00:08:03,900

heard for four decades they try to chase

194

00:08:07,390 --> 00:08:05,520

the thing the thing disappears as soon

195

00:08:12,020 --> 00:08:07,400

as they're gone the things we appear

196

00:08:13,670 --> 00:08:12,030

that sort of thing happened so at the

197

00:08:16,040 --> 00:08:13,680

time the long thing one of the ex CIA

198

00:08:18,830 --> 00:08:16,050

guys who is like a deputy assistant to

199

00:08:22,550 --> 00:08:18,840

the director of DoD and all this stuff

200

00:08:24,890 --> 00:08:22,560

he also spoke about this Nimitz case

201
00:08:28,310 --> 00:08:24,900
essentially saying this is why someone

202
00:08:30,410 --> 00:08:28,320
of my stature which is you know in the

203
00:08:33,200 --> 00:08:30,420
upper echelons of the intelligence world

204
00:08:36,740 --> 00:08:33,210
I believe that the UFO mystery is a real

205
00:08:39,430 --> 00:08:36,750
thing so yet Jeremy corbels been working

206
00:08:42,050 --> 00:08:39,440
on this he was on coast to coast he had

207
00:08:44,720 --> 00:08:42,060
he's posted on his site at that video

208
00:08:48,620 --> 00:08:44,730
that he confirmed was taken by one of

209
00:08:51,200 --> 00:08:48,630
the jets in that case and and we should

210
00:08:54,410 --> 00:08:51,210
be seeing more video and some more about

211
00:08:58,640 --> 00:08:54,420
this case but a lot of stuff going on up

212
00:09:00,530 --> 00:08:58,650
this remarkable case know-how 2004 so

213
00:09:03,250 --> 00:09:00,540

this happened in 2004 is this kind of

214

00:09:04,970 --> 00:09:03,260

the first yep this has been talked about

215

00:09:07,460 --> 00:09:04,980

well

216

00:09:10,340 --> 00:09:07,470

Robert and some others ran across it

217

00:09:12,950 --> 00:09:10,350

because it was one of the pilots that

218

00:09:15,230 --> 00:09:12,960

was involved with this posted his

219

00:09:17,540 --> 00:09:15,240

x-files experience and essentially it

220

00:09:19,700 --> 00:09:17,550

was you know we were out there and we

221

00:09:21,470 --> 00:09:19,710

chased this UFO we don't know what the

222

00:09:24,560 --> 00:09:21,480

heck it was and that was the gist of his

223

00:09:27,680 --> 00:09:24,570

story but he posted this yeah the high

224

00:09:32,090 --> 00:09:27,690

tech UFO that he posted this story on a

225

00:09:34,040 --> 00:09:32,100

Navy pilot website kind of vlog so it

226

00:09:36,950 --> 00:09:34,050

wasn't in a UFO thing or anything it was

227

00:09:39,470 --> 00:09:36,960

for pilots and it had created somewhat

228

00:09:41,600 --> 00:09:39,480

of a buzz when he posted that and

229

00:09:41,990 --> 00:09:41,610

there's been some talk of it here and

230

00:09:44,750 --> 00:09:42,000

there

231

00:09:47,570 --> 00:09:44,760

Roberts been looking into it for a while

232

00:09:49,400 --> 00:09:47,580

I believe Jeremy has as well I think he

233

00:09:52,730 --> 00:09:49,410

got ahold of it through

234

00:09:54,560 --> 00:09:52,740

Bigelow's group actually really so they

235

00:09:56,000 --> 00:09:54,570

had looked into it as well George Knapp

236

00:09:57,920 --> 00:09:56,010

I think it's the one who caught wind of

237

00:10:02,360 --> 00:09:57,930

it so yeah there's been some people

238

00:10:04,730 --> 00:10:02,370

looking into it but now since his name

239

00:10:07,370 --> 00:10:04,740

is Chris Mellon I who you've had on this

240

00:10:09,710 --> 00:10:07,380

your show spoke about this at the press

241

00:10:13,760 --> 00:10:09,720

conference now it's become a really big

242

00:10:15,890 --> 00:10:13,770

deal yeah I had an email today and I

243

00:10:18,740 --> 00:10:15,900

haven't really looked into this someone

244

00:10:22,040 --> 00:10:18,750

said how come Chris Mellon has taken a

245

00:10:24,890 --> 00:10:22,050

one 90-degree turn from your podcast and

246

00:10:26,900 --> 00:10:24,900

I have I haven't I didn't understand

247

00:10:29,210 --> 00:10:26,910

that comment and I want to look into

248

00:10:32,230 --> 00:10:29,220

exactly what he's saying I think I know

249

00:10:35,140 --> 00:10:32,240

what people are saying and I think that

250

00:10:39,110 --> 00:10:35,150

you know this bill does a lot more

251
00:10:42,260 --> 00:10:39,120
nuanced then then just are you a

252
00:10:43,850 --> 00:10:42,270
believer or a non-believer and a lot of

253
00:10:46,010 --> 00:10:43,860
people struggle with that I get that a

254
00:10:49,040 --> 00:10:46,020
lot people saying well you don't really

255
00:10:51,830 --> 00:10:49,050
believe in UFOs what makes you think

256
00:10:53,780 --> 00:10:51,840
that you know Ill you know I'm not a

257
00:10:55,850 --> 00:10:53,790
skeptic just like debunking everything

258
00:10:58,790 --> 00:10:55,860
I'm certainly believed there's a genuine

259
00:11:00,200 --> 00:10:58,800
mystery and so a lot of people feel that

260
00:11:01,970 --> 00:11:00,210
if you if you're not if you don't

261
00:11:04,040 --> 00:11:01,980
believe in everything there's chemtrails

262
00:11:06,770 --> 00:11:04,050
and alien abductions and everything then

263
00:11:08,210 --> 00:11:06,780

you're not into this stuff so like what

264

00:11:10,880 --> 00:11:08,220

Chris expressed to you he

265

00:11:12,830 --> 00:11:10,890

certainly on the skeptical side but he

266

00:11:14,720 --> 00:11:12,840

believes there's a genuine mystery when

267

00:11:17,240 --> 00:11:14,730

it comes to UFOs he said that on your

268

00:11:18,890 --> 00:11:17,250

show he said that all along and I don't

269

00:11:20,270 --> 00:11:18,900

think he's ever really changed that

270

00:11:22,340 --> 00:11:20,280

position

271

00:11:24,590 --> 00:11:22,350

he's just demonstrating in this this

272

00:11:28,040 --> 00:11:24,600

incidence a case that supports that

273

00:11:31,310 --> 00:11:28,050

belief but he certainly still on the

274

00:11:33,830 --> 00:11:31,320

skeptical end of things where you know

275

00:11:35,390 --> 00:11:33,840

he needs a lot more proof in evidence to

276

00:11:37,490 --> 00:11:35,400

figure out what these are especially

277

00:11:39,920 --> 00:11:37,500

before he jumps to a conclusion such as

278

00:11:43,660 --> 00:11:39,930

that their extraterrestrial spacecraft

279

00:11:47,300 --> 00:11:43,670

yeah yeah I get that I get all that yeah

280

00:11:49,310 --> 00:11:47,310

so and you get it and I think the person

281

00:11:52,250 --> 00:11:49,320

that was asking you the question did not

282

00:11:55,220 --> 00:11:52,260

get it I love the finger by the way is

283

00:11:58,070 --> 00:11:55,230

that I think I see a UFO up by your head

284

00:12:03,680 --> 00:11:58,080

over I'm gonna feel oh my gosh yeah see

285

00:12:05,810 --> 00:12:03,690

they go up oh right oh yeah whoa oh he's

286

00:12:09,230 --> 00:12:05,820

on actually he's back no this is another

287

00:12:11,990 --> 00:12:09,240

that's a speaker surround oh wow that'd

288

00:12:15,380 --> 00:12:12,000

be good yeah like if we wash please yeah

289

00:12:18,140 --> 00:12:15,390

well I like the the digs you have

290

00:12:21,320 --> 00:12:18,150

they're very nice oh I am so Eddie

291

00:12:25,100 --> 00:12:21,330

there's my kitchen so this is why you

292

00:12:27,290 --> 00:12:25,110

have to watch video yeah there's to see

293

00:12:29,590 --> 00:12:27,300

there's different surrounds and then

294

00:12:33,140 --> 00:12:29,600

there were surround fish porcelain fish

295

00:12:36,170 --> 00:12:33,150

yeah fish they're actually wood oh well

296

00:12:38,840 --> 00:12:36,180

I've got kind of a beachy feel going

297

00:12:41,210 --> 00:12:38,850

here yeah well hey thanks for the tour

298

00:12:43,790 --> 00:12:41,220

so anything else happening in the UFO

299

00:12:45,650 --> 00:12:43,800

world you know what those aren't the big

300

00:12:47,900 --> 00:12:45,660

stories that are out there there's a few

301

00:12:50,390 --> 00:12:47,910

other things going on there are some

302

00:12:54,740 --> 00:12:50,400

stories around again what's kind of cool

303

00:12:57,370 --> 00:12:54,750

is a Cheryl Kosta who has written a book

304

00:13:01,220 --> 00:12:57,380

on UFO sightings there's been some more

305

00:13:04,460 --> 00:13:01,230

stories about her and her book in fact

306

00:13:06,500 --> 00:13:04,470

Fox News did a story but they went with

307

00:13:08,540 --> 00:13:06,510

new forks information and it's similar

308

00:13:12,200 --> 00:13:08,550

to what's been done before but the top

309

00:13:13,760 --> 00:13:12,210

25 cities for UFO sightings another

310

00:13:15,380 --> 00:13:13,770

thing that's kind of exciting at that's

311

00:13:19,100 --> 00:13:15,390

out there that's getting a lot more buzz

312

00:13:22,190 --> 00:13:19,110

is that Josh gates has been doing on

313

00:13:26,060 --> 00:13:22,200

Expedition unknown a series on UFO

314

00:13:27,470 --> 00:13:26,070

and aliens and hunting UFOs and the the

315

00:13:30,110 --> 00:13:27,480

newest ones are a little exciting

316

00:13:33,019 --> 00:13:30,120

because Ben Hansen is gonna be in it

317

00:13:35,240 --> 00:13:33,029

Oh God and also you know of fact or

318

00:13:37,879 --> 00:13:35,250

faked he's a he's a cool guy a friend

319

00:13:40,009 --> 00:13:37,889

and then also they're gonna be doing the

320

00:13:42,620 --> 00:13:40,019

Roswell special which I'm interested in

321

00:13:46,100 --> 00:13:42,630

because I know that they did some

322

00:13:47,600 --> 00:13:46,110

research that is new and everybody's

323

00:13:49,310 --> 00:13:47,610

been looking for but I don't know what

324

00:13:51,769 --> 00:13:49,320

they found yet so I'm excited to find

325

00:13:54,139 --> 00:13:51,779

that out and I got to ride on the float

326

00:13:56,120 --> 00:13:54,149

with Josh gates at the parade in Roswell

327

00:14:00,590 --> 00:13:56,130

so I'm hoping maybe I get a little bit

328

00:14:03,740 --> 00:14:00,600

of screen time right right and I think

329

00:14:05,509 --> 00:14:03,750

well might be tonight yeah tonight if

330

00:14:08,000 --> 00:14:05,519

not tonight I know it's on very soon

331

00:14:10,189 --> 00:14:08,010

excellent all right man well thanks so

332

00:14:12,920 --> 00:14:10,199

much and I'll talk to you next week on

333

00:14:14,689 --> 00:14:12,930

your show and all right my pleasure and

334

00:14:16,579 --> 00:14:14,699

have you back next week on this one too

335

00:14:19,280 --> 00:14:16,589

all right you take care thanks for the

336

00:14:21,530 --> 00:14:19,290

little tortilla house my pleasure thanks

337

00:14:24,470 --> 00:14:21,540

for coming on by and and kicking your

338

00:14:26,600 --> 00:14:24,480

feet up and visiting in my my home here

339

00:14:31,460 --> 00:14:26,610

all right all right talk to you later

340

00:14:35,630 --> 00:14:31,470

cm bye bye all right so our guest our

341

00:14:37,759 --> 00:14:35,640

guest tonight friend good friend again

342

00:14:39,019 --> 00:14:37,769

came all the way up from wound sake he's

343

00:14:41,960 --> 00:14:39,029

gonna tell me the right way to say that

344

00:14:44,090 --> 00:14:41,970

one socket one socket all right welcome

345

00:14:45,680 --> 00:14:44,100

to show Paul oh try to see if I'm

346

00:14:47,900 --> 00:14:45,690

scooping a little scoot in a little more

347

00:14:52,040 --> 00:14:47,910

here we are look at this green screen

348

00:14:55,250 --> 00:14:52,050

going all right so thank you for making

349

00:14:58,370 --> 00:14:55,260

the trip up Oh a very head yeah I guess

350

00:15:01,939 --> 00:14:58,380

we have to see her head so anyway for

351

00:15:04,790 --> 00:15:01,949

the person that is unfamiliar with who

352

00:15:05,900 --> 00:15:04,800

you are which isn't a lot of people that

353

00:15:08,240 --> 00:15:05,910

are regular listeners because you've

354

00:15:11,090 --> 00:15:08,250

been on what L by the way people who are

355

00:15:13,639 --> 00:15:11,100

watching this show this is a real where

356

00:15:17,949 --> 00:15:13,649

rare occasion I a lot of times I wear a

357

00:15:21,170 --> 00:15:17,959

tie for work but this is the bow tie how

358

00:15:23,449 --> 00:15:21,180

Paul came so you know I I couldn't be

359

00:15:25,069 --> 00:15:23,459

outdone and I don't have a bow tie I've

360

00:15:27,199 --> 00:15:25,079

never been able to figure out how to tie

361

00:15:29,329 --> 00:15:27,209

a bow tie you want to take a few minutes

362

00:15:32,810 --> 00:15:29,339

and tie the bow ties no I'm just kidding

363

00:15:34,910 --> 00:15:32,820

I'm kidding okay I need a mirror

364

00:15:38,360 --> 00:15:34,920

yeah all right so welcome to the show

365

00:15:39,740 --> 00:15:38,370

and please tell the listening audience a

366

00:15:42,590 --> 00:15:39,750

little bit about yourself your

367

00:15:46,940 --> 00:15:42,600

background well our right if you insist

368

00:15:49,610 --> 00:15:46,950

I started out in 1970 while I was

369

00:15:53,120 --> 00:15:49,620

studying for the priesthood and I was

370

00:15:55,400 --> 00:15:53,130

very curious about the ghost phenomena

371

00:15:58,100 --> 00:15:55,410

that is present and every culture

372

00:16:00,050 --> 00:15:58,110

throughout history and I proceeded to

373

00:16:02,360 --> 00:16:00,060

attempt to study that from the viewpoint

374

00:16:06,410 --> 00:16:02,370

of theology which was bizarre because I

375

00:16:10,760 --> 00:16:06,420

was really young and that my first case

376

00:16:12,080 --> 00:16:10,770

took me to places that gave me the

377

00:16:13,850 --> 00:16:12,090

indication that these people were not

378

00:16:15,680 --> 00:16:13,860

dead at all never mind being in

379

00:16:19,460 --> 00:16:15,690

purgatory which is what I thought was

380

00:16:22,880 --> 00:16:19,470

going on so that led to a number of very

381

00:16:25,610 --> 00:16:22,890

very strange cases some of which as time

382

00:16:29,900 --> 00:16:25,620

went on as I began to look beyond a

383

00:16:33,230 --> 00:16:29,910

certain house or family led to UFOs in

384

00:16:34,490 --> 00:16:33,240

some cases and led even to to cryptids

385

00:16:36,290 --> 00:16:34,500

you know Bigfoot and all that sort of

386

00:16:39,410 --> 00:16:36,300

things sometimes it just got bigger and

387

00:16:42,380 --> 00:16:39,420

bigger so that now and my son joined me

388

00:16:46,760 --> 00:16:42,390

in 2005 my son Ben

389

00:16:49,700 --> 00:16:46,770

and so we specialized now in flap areas

390

00:16:52,250 --> 00:16:49,710

areas of seemingly unrelated but

391

00:16:54,320 --> 00:16:52,260

unrelenting paranormal phenomena of many

392

00:16:56,360 --> 00:16:54,330

different kinds so that's essentially

393

00:16:58,850 --> 00:16:56,370

where we're coming from and we have a

394

00:17:02,150 --> 00:16:58,860

lot of weird ideas that go beyond I

395

00:17:03,710 --> 00:17:02,160

think the 19th century ideas and what is

396

00:17:07,460 --> 00:17:03,720

happening in the ghost world and perhaps

397

00:17:11,470 --> 00:17:07,470

in the UFO world too yes I on the

398

00:17:14,120 --> 00:17:11,480

everything else show I had David Hall on

399

00:17:17,330 --> 00:17:14,130

and he talked about the house where you

400

00:17:19,700 --> 00:17:17,340

were actually at where the thing you saw

401
00:17:22,280 --> 00:17:19,710
these things the 400 pound refrigerator

402
00:17:24,020 --> 00:17:22,290
or will 200 pound whatever was lift off

403
00:17:26,060 --> 00:17:24,030
the ground and and all that you actually

404
00:17:27,710 --> 00:17:26,070
saw this and the presence no this is a

405
00:17:30,080 --> 00:17:27,720
UFO show but I mean I just think that

406
00:17:31,430 --> 00:17:30,090
well I mean yeah it's very relevant you

407
00:17:33,650 --> 00:17:31,440
bring that up Martin because it was in

408
00:17:35,180 --> 00:17:33,660
the presence of three firefighters and

409
00:17:36,390 --> 00:17:35,190
on one side of me and three police

410
00:17:39,270 --> 00:17:36,400
officers on the other

411
00:17:40,920 --> 00:17:39,280
and I just had now of course I was in

412
00:17:42,150 --> 00:17:40,930
this I was a 21 year old seminary

413
00:17:44,310 --> 00:17:42,160

student I was working with Ed and

414

00:17:46,830 --> 00:17:44,320

Lorraine Warren of the conjuring Fame

415

00:17:49,049 --> 00:17:46,840

and I just was getting the impression

416

00:17:50,940 --> 00:17:49,059

that what we thought was going on which

417

00:17:52,410 --> 00:17:50,950

was demons we were sitting around this

418

00:17:54,660 --> 00:17:52,420

house for three days with a priest

419

00:17:56,010 --> 00:17:54,670

waiting for the bishop of Bridgeport

420

00:17:58,290 --> 00:17:56,020

Connecticut to give us permission into

421

00:18:01,590 --> 00:17:58,300

an exorcism and I just felt there were

422

00:18:03,810 --> 00:18:01,600

four alien entities in this house I

423

00:18:07,020 --> 00:18:03,820

cannot think of a better word to

424

00:18:10,980 --> 00:18:07,030

describe what I got for me and and I had

425

00:18:12,630 --> 00:18:10,990

a physical struggle with one of them

426
00:18:14,010 --> 00:18:12,640
which sounds very strange because it

427
00:18:17,250 --> 00:18:14,020
threw me for a loop because this is

428
00:18:19,530 --> 00:18:17,260
supposed to be a spirit you know and I

429
00:18:21,750 --> 00:18:19,540
just knew described that exactly what do

430
00:18:25,260 --> 00:18:21,760
you mean sure well that we came in this

431
00:18:28,020 --> 00:18:25,270
is November 25th 1974 then the previous

432
00:18:29,430 --> 00:18:28,030
day was a Sunday I was on my way down to

433
00:18:31,860 --> 00:18:29,440
the Warren's house and Lorraine a

434
00:18:33,150 --> 00:18:31,870
tremendous cook and you know I was home

435
00:18:35,220 --> 00:18:33,160
from the seminary for Thanksgiving

436
00:18:36,810 --> 00:18:35,230
vacation and I never got my dinner

437
00:18:38,910 --> 00:18:36,820
because she came leaping out of the

438
00:18:40,590 --> 00:18:38,920

house as soon as I drove up and said are

439

00:18:44,940 --> 00:18:40,600

you in a high spiritual state right now

440

00:18:46,950 --> 00:18:44,950

and I was not by any means I was

441

00:18:48,180 --> 00:18:46,960

considering leaving the Roman Catholic

442

00:18:51,120 --> 00:18:48,190

Church as a matter of fact so I said

443

00:18:53,130 --> 00:18:51,130

sure I'm fine you know so naturally down

444

00:18:54,660 --> 00:18:53,140

we went and I ended up with the better

445

00:18:57,660 --> 00:18:54,670

part of three days in this house

446

00:18:59,640 --> 00:18:57,670

with them and but but there was one on

447

00:19:01,919 --> 00:18:59,650

Monday night the next night the 25th

448

00:19:03,480 --> 00:19:01,929

they had left to be on some television

449

00:19:07,049 --> 00:19:03,490

show and I was alone in the house with

450

00:19:08,580 --> 00:19:07,059

the family which was a couple in their

451

00:19:11,700 --> 00:19:08,590

40s and they were adopted little girl

452

00:19:13,530 --> 00:19:11,710

Marcy ten years old a neighbor and a

453

00:19:16,380 --> 00:19:13,540

reporter John Sopko from the Bridgeport

454

00:19:19,380 --> 00:19:16,390

Post all of a sudden the kitchen filled

455

00:19:21,810 --> 00:19:19,390

with some sort of energy and you could

456

00:19:24,450 --> 00:19:21,820

almost see sort of a gauzy cloud in the

457

00:19:26,730 --> 00:19:24,460

kitchen several other weird things

458

00:19:28,500 --> 00:19:26,740

happen including mr. Gooden who was a

459

00:19:30,960 --> 00:19:28,510

blue-collar worker at the Harvey Hubbell

460

00:19:33,480 --> 00:19:30,970

company which makes electrical fixtures

461

00:19:35,960 --> 00:19:33,490

in Bridgeport went into the kitchen and

462

00:19:38,669 --> 00:19:35,970

started chanting in a low bass voice

463

00:19:43,890 --> 00:19:38,679

what sounded to me something from a

464

00:19:45,240 --> 00:19:43,900

funeral Mass okay and I was later told

465

00:19:46,890 --> 00:19:45,250

to me that this was the funeral mass for

466

00:19:48,100 --> 00:19:46,900

children I heard it and there whoever

467

00:19:50,919 --> 00:19:48,110

told me that didn't hear

468

00:19:52,600 --> 00:19:50,929

so anyway he have four entities can only

469

00:19:53,980 --> 00:19:52,610

describe them as entities came out of

470

00:19:56,620 --> 00:19:53,990

the little girl's room next to the

471

00:19:58,360 --> 00:19:56,630

kitchen up the hallway one of them and

472

00:20:01,149 --> 00:19:58,370

you could almost see this gauzy

473

00:20:02,560 --> 00:20:01,159

structure coming out and and one of them

474

00:20:05,710 --> 00:20:02,570

stood in front of me I put the little

475

00:20:08,350 --> 00:20:05,720

girl behind me Marcy and because I knew

476

00:20:09,940 --> 00:20:08,360

it was after her and this is where I

477

00:20:13,240 --> 00:20:09,950

learned the hard way that you know you

478

00:20:14,950 --> 00:20:13,250

do not get fearful annoyed or angry with

479

00:20:15,880 --> 00:20:14,960

these things because they will feed off

480

00:20:18,430 --> 00:20:15,890

of this

481

00:20:20,830 --> 00:20:18,440

they aren't servants of Satan we believe

482

00:20:23,590 --> 00:20:20,840

that that the multiversal parasites a

483

00:20:27,430 --> 00:20:23,600

part of nature perhaps undiscovered

484

00:20:29,529 --> 00:20:27,440

science so I naturally I pushed against

485

00:20:34,060 --> 00:20:29,539

it just instinctively as you would do it

486

00:20:36,370 --> 00:20:34,070

pushed back it had a bone structure

487

00:20:38,799 --> 00:20:36,380

a physical I just I was absolutely

488

00:20:42,190 --> 00:20:38,809

thrown for a loop because it smashed all

489

00:20:43,750 --> 00:20:42,200

my preconceived notions including what I

490

00:20:45,340 --> 00:20:43,760

learned in the seminar which was a much

491

00:20:47,500 --> 00:20:45,350

about this subject because they did they

492

00:20:49,690 --> 00:20:47,510

don't really teach you this stuff and so

493

00:20:50,860 --> 00:20:49,700

as I was confused to get around me and

494

00:20:54,220 --> 00:20:50,870

through the little girl across the room

495

00:20:55,330 --> 00:20:54,230

but but these were alien beings as I say

496

00:20:58,899 --> 00:20:55,340

I cannot think of a better word to

497

00:21:01,509 --> 00:20:58,909

describe them and today we consult with

498

00:21:03,730 --> 00:21:01,519

several of the names including a good

499

00:21:06,639 --> 00:21:03,740

friend Kathy Martin a crossover

500

00:21:08,139 --> 00:21:06,649

phenomena when people are experiencing

501
00:21:10,210 --> 00:21:08,149
abductions things are this kind of all

502
00:21:11,289 --> 00:21:10,220
of a sudden poltergeist activity starts

503
00:21:13,480 --> 00:21:11,299
taking place in their house so they

504
00:21:15,490 --> 00:21:13,490
start seeing strange things that would

505
00:21:17,620 --> 00:21:15,500
not ordinarily be associated with the

506
00:21:20,500 --> 00:21:17,630
UFO phenomenon so I think we're dealing

507
00:21:23,230 --> 00:21:20,510
with the tip of the iceberg in the case

508
00:21:25,930 --> 00:21:23,240
of even an abduction experience or a

509
00:21:27,310 --> 00:21:25,940
ghost or even Bigfoot I think that

510
00:21:29,289 --> 00:21:27,320
there's far more to it and if you look

511
00:21:32,560 --> 00:21:29,299
at Rendlesham forest places of that kind

512
00:21:35,019 --> 00:21:32,570
which is a true flap area and you talk

513
00:21:38,379 --> 00:21:35,029

to the local people which most

514

00:21:39,909 --> 00:21:38,389

investigators don't do you find it is

515

00:21:41,769 --> 00:21:39,919

the tip of the iceberg indeed and the

516

00:21:43,779 --> 00:21:41,779

things have been going on there since

517

00:21:46,299 --> 00:21:43,789

Saxon times and they still are including

518

00:21:48,789 --> 00:21:46,309

binary codes Bigfoot or Yeti as they

519

00:21:50,350 --> 00:21:48,799

call it and we ourselves had to some

520

00:21:52,930 --> 00:21:50,360

strange experiences there are we being

521

00:21:54,879 --> 00:21:52,940

Ben and myself so I think it's in a way

522

00:21:57,370 --> 00:21:54,889

the first day of school here but that in

523

00:22:00,010 --> 00:21:57,380

that house in Bridgeport was was my my

524

00:22:01,600 --> 00:22:00,020

opening day as far as a new ideas were

525

00:22:01,910 --> 00:22:01,610

concerned I want to talk a little bit

526

00:22:07,640 --> 00:22:01,920

about

527

00:22:11,630 --> 00:22:07,650

before that this entity that kind of

528

00:22:12,920 --> 00:22:11,640

smacked into you basically so and you

529

00:22:15,890 --> 00:22:12,930

said you felt like I had a bone

530

00:22:18,740 --> 00:22:15,900

structure a couple of questions did it

531

00:22:21,710 --> 00:22:18,750

feel like it had any type of temperature

532

00:22:23,690 --> 00:22:21,720

at all cold or warm did you smell any

533

00:22:25,970 --> 00:22:23,700

odors did you like did it feel like

534

00:22:27,590 --> 00:22:25,980

there was a present like a being right

535

00:22:29,450 --> 00:22:27,600

there in front of you that's a good

536

00:22:32,930 --> 00:22:29,460

question definitely a being in front of

537

00:22:35,810 --> 00:22:32,940

me the air smelled like ozone which is

538

00:22:37,220 --> 00:22:35,820

interesting yeah and as far as the

539

00:22:38,840 --> 00:22:37,230

temperature obviously it was fully

540

00:22:41,180 --> 00:22:38,850

dressed so I mean I didn't feel anything

541

00:22:43,220 --> 00:22:41,190

through the thing but it wasn't didn't

542

00:22:45,680 --> 00:22:43,230

suck all the cold the warm air out of

543

00:22:48,380 --> 00:22:45,690

the room as a matter of fact in 47 years

544

00:22:51,500 --> 00:22:48,390

of tangling with with the ghost

545

00:22:53,560 --> 00:22:51,510

quote-unquote only once have I

546

00:22:56,180 --> 00:22:53,570

experienced that field which is very odd

547

00:22:58,100 --> 00:22:56,190

everyone points to that as a fundamental

548

00:22:59,600 --> 00:22:58,110

experience as far as dealing with the

549

00:23:03,230 --> 00:22:59,610

ghosts as you know that air get

550

00:23:04,730 --> 00:23:03,240

everything gets cold and and only once

551

00:23:06,320 --> 00:23:04,740

can I say that really in a very

552

00:23:08,150 --> 00:23:06,330

pronounced manner that that occur and

553

00:23:10,100 --> 00:23:08,160

that was in Manchester Connecticut in

554

00:23:12,470 --> 00:23:10,110

the 1970s and that Bridgeport very

555

00:23:14,540 --> 00:23:12,480

strange that way Wow explain it Wow

556

00:23:16,370 --> 00:23:14,550

back to the binary code why I want to

557

00:23:19,100 --> 00:23:16,380

talk about that I've always been kind of

558

00:23:21,830 --> 00:23:19,110

I've invited Jim Penniston on this show

559

00:23:24,050 --> 00:23:21,840

a couple of times he's said he's going

560

00:23:26,990 --> 00:23:24,060

to come eventually but he just hasn't

561

00:23:28,970 --> 00:23:27,000

made the jump but uh one of the things I

562

00:23:30,830 --> 00:23:28,980

want to talk to him about is that binary

563

00:23:33,950 --> 00:23:30,840

code because I am on the fence about

564

00:23:37,280 --> 00:23:33,960

that so I want to find out what you have

565

00:23:39,170 --> 00:23:37,290

to say about that well we know Jim I

566

00:23:41,210 --> 00:23:39,180

suppose as well as anyone who hasn't met

567

00:23:44,480 --> 00:23:41,220

him he's been on our show a number of

568

00:23:46,160 --> 00:23:44,490

times we although my bubble was burst I

569

00:23:49,580 --> 00:23:46,170

thought we had done on behind the

570

00:23:52,400 --> 00:23:49,590

paranormal 16 hours at least of

571

00:23:54,650 --> 00:23:52,410

interviews and podcasts with all the

572

00:23:56,210 --> 00:23:54,660

major witnesses and apparently someone

573

00:23:58,190 --> 00:23:56,220

else has done what I think it's a pair

574

00:24:00,290 --> 00:23:58,200

of castor I think it's done more than we

575

00:24:01,940 --> 00:24:00,300

have but however we've done a lot and

576

00:24:04,850 --> 00:24:01,950

that Jim came out and talked about this

577

00:24:09,100 --> 00:24:04,860

and we like Jim but I had a few

578

00:24:12,650 --> 00:24:09,110

questions as to if this occurred in 1980

579

00:24:13,550 --> 00:24:12,660

how come he waited so long to talk about

580

00:24:16,640 --> 00:24:13,560

it and wrote

581

00:24:18,200 --> 00:24:16,650

the thing and I suppose I don't think I

582

00:24:19,820 --> 00:24:18,210

would have done the same thing I mean if

583

00:24:21,940 --> 00:24:19,830

this came into my mind I was writing

584

00:24:24,140 --> 00:24:21,950

down that there's these codes that

585

00:24:26,840 --> 00:24:24,150

according to the researchers have turned

586

00:24:29,990 --> 00:24:26,850

out to be coordinates geographical

587

00:24:32,510 --> 00:24:30,000

coordinates among other things why would

588

00:24:34,970 --> 00:24:32,520

you wait so I don't know I'm on the

589

00:24:35,870 --> 00:24:34,980

fence about it - I guess Martin again I

590

00:24:39,500 --> 00:24:35,880

wasn't there

591

00:24:42,200 --> 00:24:39,510

however when we we were there in 2012

592

00:24:44,150 --> 00:24:42,210

Ben and myself and we sort of did some

593

00:24:46,400 --> 00:24:44,160

exploring where we had a lot of local

594

00:24:47,930 --> 00:24:46,410

listeners who took us around were also

595

00:24:51,650 --> 00:24:47,940

people who had experienced things in

596

00:24:53,300 --> 00:24:51,660

Rendlesham forest and the very first

597

00:24:55,130 --> 00:24:53,310

night we were there Ben

598

00:24:57,050 --> 00:24:55,140

he operates under about a different

599

00:24:59,240 --> 00:24:57,060

level than I do I tend to be more maybe

600

00:25:01,790 --> 00:24:59,250

academic as much as you can be in this

601
00:25:05,090 --> 00:25:01,800
field but then is more experiential and

602
00:25:07,970 --> 00:25:05,100
he collapsed in the parking lot because

603
00:25:11,360 --> 00:25:07,980
this is at night and dogs began howling

604
00:25:14,150 --> 00:25:11,370
up and down the road including dog the

605
00:25:15,950 --> 00:25:14,160
dog that was with us who belonged to

606
00:25:20,210 --> 00:25:15,960
Gordy good you're the promoter who had

607
00:25:21,740 --> 00:25:20,220
us there and he will go through that

608
00:25:23,390 --> 00:25:21,750
it's almost a shamanic experience and

609
00:25:25,550 --> 00:25:23,400
he'll go through this and he won't

610
00:25:28,490 --> 00:25:25,560
entirely remember what happens or how

611
00:25:30,890 --> 00:25:28,500
long it's been but I've some other

612
00:25:33,260 --> 00:25:30,900
strange things that have happened but so

613
00:25:34,700 --> 00:25:33,270

that happened and then the people told

614

00:25:37,880 --> 00:25:34,710

us I'm thinking particularly Brenda

615

00:25:41,420 --> 00:25:37,890

Butler and the Beverly plum bridge

616

00:25:42,620 --> 00:25:41,430

people of that area have said that they

617

00:25:44,960 --> 00:25:42,630

have been in the forest and felt they

618

00:25:47,960 --> 00:25:44,970

have had binary downloads even long

619

00:25:52,610 --> 00:25:47,970

before a Jim released his story about

620

00:25:55,160 --> 00:25:52,620

this so it's again it's a tip of the

621

00:25:57,560 --> 00:25:55,170

iceberg you can trace it back to Saxon

622

00:25:59,030 --> 00:25:57,570

times there are some very strange

623

00:26:02,810 --> 00:25:59,040

photographs taken and there including

624

00:26:05,270 --> 00:26:02,820

the night we were there and so it's it's

625

00:26:08,240 --> 00:26:05,280

again one of those things that it wasn't

626

00:26:11,930 --> 00:26:08,250

just December 1980 and other people have

627

00:26:14,570 --> 00:26:11,940

reported strange lights everything that

628

00:26:18,200 --> 00:26:14,580

was reported pretty much on this in

629

00:26:20,000 --> 00:26:18,210

december of twenty nineteen eighty has

630

00:26:21,440 --> 00:26:20,010

been reported with the possible

631

00:26:24,080 --> 00:26:21,450

exception of people you know touching

632

00:26:29,030 --> 00:26:24,090

crafts like Penniston said he did so

633

00:26:31,910 --> 00:26:29,040

yeah yes up there there was someone out

634

00:26:37,430 --> 00:26:31,920

there that was saying that a girlfriend

635

00:26:39,050 --> 00:26:37,440

had that book for a while and prior to a

636

00:26:41,060 --> 00:26:39,060

certain time there was never any binary

637

00:26:43,850 --> 00:26:41,070

code in that book I don't know how true

638

00:26:45,800 --> 00:26:43,860

that is you know you know in other words

639

00:26:50,000 --> 00:26:45,810

it was written in at a later time

640

00:26:52,580 --> 00:26:50,010

you know but again that's all hearsay so

641

00:26:54,800 --> 00:26:52,590

I have no idea you know if I had them on

642

00:26:56,620 --> 00:26:54,810

the show I'd ask them that question but

643

00:26:59,180 --> 00:26:56,630

also just to let the listener know

644

00:27:01,250 --> 00:26:59,190

anytime during the show we are going to

645

00:27:03,080 --> 00:27:01,260

welcome Collins that's something I

646

00:27:05,180 --> 00:27:03,090

normally don't do since we're in studio

647

00:27:08,090 --> 00:27:05,190

anyone that wants to call in ask a

648

00:27:10,610 --> 00:27:08,100

question talk a little bit about maybe

649

00:27:11,840 --> 00:27:10,620

an experience or UFO sighting or

650

00:27:14,060 --> 00:27:11,850

anything like that you're welcome to do

651

00:27:19,070 --> 00:27:14,070

that that number yeah I'll put it in the

652

00:27:21,620 --> 00:27:19,080

chat room too 603 nine six seven 403 oh

653

00:27:25,820 --> 00:27:21,630

if you're calling from another country

654

00:27:30,130 --> 00:27:25,830

it's one six zero three nine six seven

655

00:27:32,900 --> 00:27:30,140

four oh three oh why don't you talk a

656

00:27:35,150 --> 00:27:32,910

quickly about your show that you've had

657

00:27:37,930 --> 00:27:35,160

I think you have seven hundred some-odd

658

00:27:40,580 --> 00:27:37,940

shows they're free podcasts out there

659

00:27:42,890 --> 00:27:40,590

yeah we were in our tenth year it's

660

00:27:45,980 --> 00:27:42,900

behind the paranormal with Paul and Ben

661

00:27:48,080 --> 00:27:45,990

he no and we were on CBS radio for four

662

00:27:49,370 --> 00:27:48,090

and a half years and then they closed

663

00:27:53,090 --> 00:27:49,380

down that part of the network so our

664

00:27:56,330 --> 00:27:53,100

home right now is wo and 12:40 in the

665

00:27:59,600 --> 00:27:56,340

Boston Providence market and the website

666

00:28:01,190 --> 00:27:59,610

is behind the paranormal comm there are

667

00:28:04,220 --> 00:28:01,200

over seven hundred and twenty hours if

668

00:28:06,230 --> 00:28:04,230

you have the time of show since 2008 if

669

00:28:08,270 --> 00:28:06,240

you're an over the road trucker you have

670

00:28:10,190 --> 00:28:08,280

it made because you can listen forever

671

00:28:11,420 --> 00:28:10,200

and people tell us they actually do that

672

00:28:13,780 --> 00:28:11,430

they must have headaches by the time

673

00:28:16,400 --> 00:28:13,790

they get to LA I would think so well

674

00:28:17,870 --> 00:28:16,410

also there is our instructions about how

675

00:28:19,400 --> 00:28:17,880

to listen live if you're not in the

676

00:28:20,810 --> 00:28:19,410

Boston Providence area and they're a

677

00:28:23,930 --> 00:28:20,820

couple of apps and this sort of thing

678

00:28:26,480 --> 00:28:23,940

and the show has a stream and now they

679

00:28:28,820 --> 00:28:26,490

have the jarring experience of seeing

680

00:28:30,530 --> 00:28:28,830

the video as well of us in the stool

681

00:28:33,350 --> 00:28:30,540

which is very boring I think if we don't

682

00:28:34,440 --> 00:28:33,360

have an in-studio guest however much

683

00:28:37,350 --> 00:28:34,450

like the the

684

00:28:39,150 --> 00:28:37,360

pounding experience we're having here if

685

00:28:41,460 --> 00:28:39,160

we have someone in the studio that then

686

00:28:44,550 --> 00:28:41,470

it's far more interesting but yeah our

687

00:28:46,620 --> 00:28:44,560

first one was with a Shan seer way very

688

00:28:48,480 --> 00:28:46,630

dear colleague of ours and co-host of

689

00:28:50,910 --> 00:28:48,490

their open line show so we had that from

690

00:28:52,350 --> 00:28:50,920

Sunday so behind the paranormal calm and

691

00:28:55,680 --> 00:28:52,360

check the archives page it's all free

692

00:28:58,140 --> 00:28:55,690

and also it's kind of funny here you

693

00:29:01,290 --> 00:28:58,150

can't tell this but the studio is very

694

00:29:03,690 --> 00:29:01,300

very small here very tight yeah

695

00:29:06,120 --> 00:29:03,700

and in time what a broad neat

696

00:29:08,040 --> 00:29:06,130

Dangerfield used to say that his bedroom

697

00:29:09,840 --> 00:29:08,050

was so small he he had to go outside of

698

00:29:11,790 --> 00:29:09,850

it to change his mind that's kind of how

699

00:29:14,030 --> 00:29:11,800

small well there's not much room in

700

00:29:15,270 --> 00:29:14,040

these spacecraft so you know yeah yeah

701
00:29:19,320 --> 00:29:15,280
yeah

702
00:29:20,490 --> 00:29:19,330
so anyway I like it that way I like it

703
00:29:24,390 --> 00:29:20,500
that so it's good

704
00:29:27,110 --> 00:29:24,400
but anyway can you also talk about have

705
00:29:31,440 --> 00:29:27,120
you yourself had any UFO experiences

706
00:29:34,770 --> 00:29:31,450
well people always ask me they ask me

707
00:29:36,600 --> 00:29:34,780
are you an experiencer and I say well no

708
00:29:39,960 --> 00:29:36,610
and I said well sure you are you've been

709
00:29:43,590 --> 00:29:39,970
you run into alien poltergeists in

710
00:29:46,470 --> 00:29:43,600
Bridgeport and and bear-like visitors

711
00:29:49,050 --> 00:29:46,480
and in attics near Buffalo New York this

712
00:29:51,840 --> 00:29:49,060
sort of thing and so yeah I suppose and

713
00:29:54,930 --> 00:29:51,850

a lot of with our view of the of the

714

00:29:56,550 --> 00:29:54,940

multiverse as it's been called they're

715

00:29:58,320 --> 00:29:56,560

running we're running into alien

716

00:30:01,350 --> 00:29:58,330

creatures all the time in the sense of

717

00:30:04,740 --> 00:30:01,360

very other sorts of creatures but I've

718

00:30:07,530 --> 00:30:04,750

never really we've seen odd things in

719

00:30:09,720 --> 00:30:07,540

the sky particularly in the Litchfield

720

00:30:12,750 --> 00:30:09,730

Triangle in Connecticut as we call it

721

00:30:14,400 --> 00:30:12,760

that was a period in 2009 2010 when the

722

00:30:16,050 --> 00:30:14,410

people in Goshen Connecticut we get out

723

00:30:18,570 --> 00:30:16,060

of their cars at night just watch these

724

00:30:21,570 --> 00:30:18,580

weird lights in the sky which Ben and I

725

00:30:24,090 --> 00:30:21,580

our selves have seen I also saw the

726

00:30:25,560 --> 00:30:24,100

Phoenix lights from an airplane you did

727

00:30:28,170 --> 00:30:25,570

apparently yes

728

00:30:30,290 --> 00:30:28,180

that was in Libra so six or seven Ben

729

00:30:33,690 --> 00:30:30,300

and I were on the way to San Diego to do

730

00:30:35,340 --> 00:30:33,700

a presentation there and we were flying

731

00:30:38,280 --> 00:30:35,350

over Phoenix and of course now I'm

732

00:30:39,630 --> 00:30:38,290

thinking is your zip bang you know you

733

00:30:42,660 --> 00:30:39,640

know I don't know how many hundreds of

734

00:30:45,150 --> 00:30:42,670

miles an hour and you're 33,000 feet but

735

00:30:47,040 --> 00:30:45,160

I happen to be one of the few people

736

00:30:48,029 --> 00:30:47,050

awake and I looked out of the window and

737

00:30:50,190 --> 00:30:48,039

they're down

738

00:30:52,529 --> 00:30:50,200

oh and it's very special eating like

739

00:30:54,769 --> 00:30:52,539

very difficult to estimate altitude but

740

00:30:57,659 --> 00:30:54,779

I would say maybe about 10,000 feet

741

00:31:01,320 --> 00:30:57,669

there were was a line of lights four

742

00:31:02,700 --> 00:31:01,330

lights two of them split off what one

743

00:31:05,070 --> 00:31:02,710

looked as though was going toward the

744

00:31:06,599 --> 00:31:05,080

ground and then of course we got to San

745

00:31:07,919 --> 00:31:06,609

Diego and it said in the paper at the

746

00:31:10,499 --> 00:31:07,929

next day they'd seen the Phoenix lights

747

00:31:11,969 --> 00:31:10,509

of the night before so presumably that's

748

00:31:14,690 --> 00:31:11,979

what it was between the city of the

749

00:31:17,369 --> 00:31:14,700

mountains and you know I spent 12 years

750

00:31:18,659 --> 00:31:17,379

reserve albeit but a lot of active duty

751

00:31:21,570 --> 00:31:18,669

in the military I know what a flare

752

00:31:23,639 --> 00:31:21,580

looks like this was not it yeah so well

753

00:31:25,950 --> 00:31:23,649

they the curious thing about the Phoenix

754

00:31:28,080 --> 00:31:25,960

lights is they actually did set off

755

00:31:30,479 --> 00:31:28,090

flares and I've always wondered

756

00:31:32,909 --> 00:31:30,489

I've never heard a definitive of this

757

00:31:36,450 --> 00:31:32,919

but I always wondered if they did that

758

00:31:37,759 --> 00:31:36,460

purposely to throw people off away from

759

00:31:40,169 --> 00:31:37,769

you know the event that was happening

760

00:31:41,820 --> 00:31:40,179

well that's what you do I mean in the

761

00:31:44,249 --> 00:31:41,830

military I had a clearance not very high

762

00:31:47,460 --> 00:31:44,259

but you know enough to realize you can

763

00:31:50,580 --> 00:31:47,470

pick up some tips what you often do is

764

00:31:52,859 --> 00:31:50,590

is to create diversionary phenomena or

765

00:31:54,960 --> 00:31:52,869

whatever or rumors or things of this

766

00:31:56,969 --> 00:31:54,970

kind and get people looking the other

767

00:31:59,039 --> 00:31:56,979

way I think they realized a long time

768

00:32:02,339 --> 00:31:59,049

ago at least in the 60s that you really

769

00:32:03,749 --> 00:32:02,349

can't keep secrets you know anymore you

770

00:32:05,639 --> 00:32:03,759

can really can't keep the lid on things

771

00:32:07,200 --> 00:32:05,649

especially now in the age of the

772

00:32:09,029 --> 00:32:07,210

integrand I could just imagine that they

773

00:32:10,460 --> 00:32:09,039

know it's a three-ring circus as far as

774

00:32:12,869 --> 00:32:10,470

trying to do that so you release

775

00:32:15,859 --> 00:32:12,879

accurate information from less than

776

00:32:18,269 --> 00:32:15,869

accurate sources and vice versa and

777

00:32:21,450 --> 00:32:18,279

everybody loves a mystery and people are

778

00:32:23,310 --> 00:32:21,460

looking the other way so you know I I

779

00:32:27,269 --> 00:32:23,320

don't know I it's just I always thought

780

00:32:30,869 --> 00:32:27,279

that in some ways the UFO story was in

781

00:32:33,029 --> 00:32:30,879

some cases a ruse for covering up

782

00:32:36,200 --> 00:32:33,039

something else and I really until I was

783

00:32:40,080 --> 00:32:36,210

chased across the desert outside area 51

784

00:32:41,729 --> 00:32:40,090

in 2007 when I was supposed to be

785

00:32:44,369 --> 00:32:41,739

speaking in Vega and that's kind of a

786

00:32:47,879 --> 00:32:44,379

long story but I mean it just that was a

787

00:32:49,229 --> 00:32:47,889

bit much some time about that did you

788

00:32:51,659 --> 00:32:49,239

actually put you're trying to put your

789

00:32:52,859 --> 00:32:51,669

feet on I know you can actually walk on

790

00:32:55,560 --> 00:32:52,869

that they have sensors and everything

791

00:32:57,869 --> 00:32:55,570

yeah no I did not what happened was that

792

00:32:59,680 --> 00:32:57,879

it was I was supposed to speak

793

00:33:02,110 --> 00:32:59,690

everything went wrong this week I was

794

00:33:04,299 --> 00:33:02,120

to be speaking at the MGM Grand and they

795

00:33:05,710 --> 00:33:04,309

had 300 people signed up to hear me

796

00:33:07,869 --> 00:33:05,720

speak and then there was a blizzard in

797

00:33:09,999 --> 00:33:07,879

New England here and I couldn't get I

798

00:33:11,769 --> 00:33:10,009

was a day late so they had like 20

799

00:33:13,659 --> 00:33:11,779

people show up they rescheduled it was

800

00:33:16,240 --> 00:33:13,669

really really bad

801
00:33:18,549 --> 00:33:16,250
then I got poisoned I guess by the

802
00:33:20,320 --> 00:33:18,559
shrimp or something and I'm in the room

803
00:33:22,240 --> 00:33:20,330
and no matter how nice the hotel you

804
00:33:24,909 --> 00:33:22,250
know drives you buggy after a while so

805
00:33:26,950 --> 00:33:24,919
yeah I think it's my last day I'm gonna

806
00:33:30,220 --> 00:33:26,960
go I had a rental car I don't go up to

807
00:33:32,740 --> 00:33:30,230
Rachel Nevada is about 175 miles of

808
00:33:35,529 --> 00:33:32,750
which for them is not much yeah right

809
00:33:37,810 --> 00:33:35,539
and do it yeah so and you'll get a few

810
00:33:39,490 --> 00:33:37,820
cheesy souvenirs at the little alien

811
00:33:41,680 --> 00:33:39,500
from up from my sons you know who are

812
00:33:42,999 --> 00:33:41,690
all into this so I'll profile when

813
00:33:45,070 --> 00:33:43,009

because immediately get off the highway

814

00:33:48,430 --> 00:33:45,080

there's no cell service at least at the

815

00:33:50,320 --> 00:33:48,440

time so I got to the the park that the

816

00:33:51,999 --> 00:33:50,330

road kind of splits off and there's a

817

00:33:53,320 --> 00:33:52,009

sign I get that they put it there for

818

00:33:56,289 --> 00:33:53,330

the tourists in the Extra Terrestrial

819

00:33:58,600 --> 00:33:56,299

highway and there were some trees and a

820

00:33:59,799 --> 00:33:58,610

couple of cars parked there so I didn't

821

00:34:01,269 --> 00:33:59,809

pay attention that I get I'll take

822

00:34:03,129 --> 00:34:01,279

picture of the sign the girls you know

823

00:34:05,860 --> 00:34:03,139

the stickers all over at people who put

824

00:34:08,079 --> 00:34:05,870

and you know thousands of people must

825

00:34:09,790 --> 00:34:08,089

take take pictures of that sign so all

826

00:34:11,200 --> 00:34:09,800

of a sudden I look to my right the where

827

00:34:13,210 --> 00:34:11,210

the road Forks off and there was a

828

00:34:16,389 --> 00:34:13,220

vehicle with the US government plates a

829

00:34:17,710 --> 00:34:16,399

white SUV and I mean I when I got thrown

830

00:34:19,690 --> 00:34:17,720

out of the seminary I ended up a

831

00:34:21,399 --> 00:34:19,700

journalism I became a reporter so yeah I

832

00:34:23,319 --> 00:34:21,409

couldn't help it so I put the camera on

833

00:34:27,119 --> 00:34:23,329

the guy the finger comes up you know

834

00:34:31,059 --> 00:34:27,129

like a look that would curdle coca-cola

835

00:34:32,889 --> 00:34:31,069

and so I put the camera away and started

836

00:34:35,079 --> 00:34:32,899

off down down the road where the speed

837

00:34:38,829 --> 00:34:35,089

limit is 70 miles an hour much much to

838

00:34:42,700 --> 00:34:38,839

my amazement and they started to follow

839

00:34:45,250 --> 00:34:42,710

me Wow and there they were it was at

840

00:34:46,569 --> 00:34:45,260

least 10 miles they were like inches

841

00:34:48,280 --> 00:34:46,579

behind my bumper this is what they

842

00:34:50,339 --> 00:34:48,290

looked like and again you know I'm a

843

00:34:54,010 --> 00:34:50,349

veteran I've been in some weird

844

00:34:56,200 --> 00:34:54,020

situations and this really shook me up

845

00:34:58,870 --> 00:34:56,210

as much as anything ever did in the

846

00:35:00,130 --> 00:34:58,880

service finally they got off the road

847

00:35:03,069 --> 00:35:00,140

and went down some dirt road into the

848

00:35:04,329 --> 00:35:03,079

wilderness presumably toward the base so

849

00:35:06,550 --> 00:35:04,339

I got the little alien and it was a

850

00:35:08,320 --> 00:35:06,560

Wednesday morning nobody was around and

851
00:35:13,060 --> 00:35:08,330
the lady in there said what happened to

852
00:35:15,730 --> 00:35:13,070
you and she said I told her and and then

853
00:35:17,650 --> 00:35:15,740
she was she knew who I was and she said

854
00:35:21,130 --> 00:35:17,660
oh you were taking pictures of the

855
00:35:21,520 --> 00:35:21,140
park-and-ride for area 51 I said excuse

856
00:35:24,460 --> 00:35:21,530
me

857
00:35:25,810 --> 00:35:24,470
they said they I said thousands of

858
00:35:27,430 --> 00:35:25,820
people must take pictures of that site

859
00:35:30,070 --> 00:35:27,440
oh no don't know but they ran your plate

860
00:35:31,810 --> 00:35:30,080
and they realized that you write about

861
00:35:33,100 --> 00:35:31,820
this stuff and they put two and two

862
00:35:34,420 --> 00:35:33,110
together they thought that you were

863
00:35:35,950 --> 00:35:34,430

trying to take pictures of the license

864

00:35:38,110 --> 00:35:35,960

plates and then bother people who worked

865

00:35:39,550 --> 00:35:38,120

at the base I said I had no such and

866

00:35:40,000 --> 00:35:39,560

plus I have a rental cars to make any

867

00:35:42,190 --> 00:35:40,010

difference

868

00:35:44,050 --> 00:35:42,200

you know they know who rents it so that

869

00:35:45,850 --> 00:35:44,060

was supposedly what it was all about it

870

00:35:47,800 --> 00:35:45,860

happens rather frequently she said

871

00:35:49,660 --> 00:35:47,810

really they said had you been off the

872

00:35:51,580 --> 00:35:49,670

road toward the base they would have

873

00:35:53,830 --> 00:35:51,590

pulled you out of the vehicle 45

874

00:35:56,890 --> 00:35:53,840

automatic to the head somewhere out of

875

00:35:59,110 --> 00:35:56,900

back to the head impound the vehicle 24

876

00:36:01,240 --> 00:35:59,120

hours maybe in jail and scared you to

877

00:36:04,810 --> 00:36:01,250

death and that would had you been in the

878

00:36:06,850 --> 00:36:04,820

security zone so I mean now I wonder I

879

00:36:09,010 --> 00:36:06,860

mean what the hey is really going on

880

00:36:11,920 --> 00:36:09,020

there that is really something going

881

00:36:14,560 --> 00:36:11,930

back to the Phoenix lights Carl and the

882

00:36:17,380 --> 00:36:14,570

chat rightz weird why there was not a

883

00:36:19,180 --> 00:36:17,390

great deal of convincing footage photos

884

00:36:21,220 --> 00:36:19,190

and video after the Phoenix lights I

885

00:36:24,520 --> 00:36:21,230

agree I agree too you know what I saw -

886

00:36:26,650 --> 00:36:24,530

and one of the the principles and this

887

00:36:29,440 --> 00:36:26,660

thing sent me this and that was actually

888

00:36:30,760 --> 00:36:29,450

footage of an airplane like a cessa I

889

00:36:34,270 --> 00:36:30,770

couldn't tell in the dark a Cessna or

890

00:36:37,570 --> 00:36:34,280

Piper with a triangle of lights under it

891

00:36:38,770 --> 00:36:37,580

flying which isn't even legal yeah yeah

892

00:36:42,300 --> 00:36:38,780

did you see that

893

00:36:46,300 --> 00:36:42,310

no no yeah yeah yeah I don't know I

894

00:36:48,220 --> 00:36:46,310

think she sent it to me by mistake

895

00:36:49,840 --> 00:36:48,230

you know I mean that kind of really

896

00:36:51,880 --> 00:36:49,850

really made me wonder on the other hand

897

00:36:55,180 --> 00:36:51,890

I mean people did see these this line of

898

00:36:58,060 --> 00:36:55,190

lights and what I saw was no you know

899

00:37:00,340 --> 00:36:58,070

small plane and of course because I was

900

00:37:03,640 --> 00:37:00,350

seeing it from above so that's that's

901
00:37:07,570 --> 00:37:03,650
kind of odd because normally you would

902
00:37:09,820 --> 00:37:07,580
think a craft like they described it

903
00:37:13,630 --> 00:37:09,830
sounded like it had like these sort of

904
00:37:14,980 --> 00:37:13,640
amber orange lights on the underside but

905
00:37:17,110 --> 00:37:14,990
you're saying you actually saw them from

906
00:37:19,150 --> 00:37:17,120
above if that's what it was they were

907
00:37:20,320 --> 00:37:19,160
white they were white yeah and the

908
00:37:23,020 --> 00:37:20,330
station again

909
00:37:24,550 --> 00:37:23,030
now this is going flying buying a

910
00:37:27,730 --> 00:37:24,560
commercial aircraft but this was

911
00:37:29,440 --> 00:37:27,740
memorable enough for you to think yeah

912
00:37:31,840 --> 00:37:29,450
because I'm a real skeptic about this

913
00:37:33,640 --> 00:37:31,850

stuff and I just thought you know I and

914

00:37:35,440 --> 00:37:33,650

sure enough if I hadn't gotten to San

915

00:37:36,880 --> 00:37:35,450

Diego the next day and found that they'd

916

00:37:39,850 --> 00:37:36,890

see the report that they'd seen the

917

00:37:41,710 --> 00:37:39,860

lights the night before I might have

918

00:37:44,770 --> 00:37:41,720

been more skeptical but this was very

919

00:37:46,060 --> 00:37:44,780

odd for any kind of aircraft or any kind

920

00:37:49,630 --> 00:37:46,070

of operator and as far as I know there

921

00:37:51,100 --> 00:37:49,640

was nothing you know under that area in

922

00:37:54,220 --> 00:37:51,110

the desert and you would have been able

923

00:37:56,260 --> 00:37:54,230

to see them from the city so I mean as a

924

00:38:00,040 --> 00:37:56,270

person who was I don't consider myself a

925

00:38:02,500 --> 00:38:00,050

UFO expert as such I this really struck

926

00:38:06,670 --> 00:38:02,510

me is something something remarkable Wow

927

00:38:08,800 --> 00:38:06,680

yeah that that is really great let's see

928

00:38:11,580 --> 00:38:08,810

so we're taking questions in the chat

929

00:38:14,050 --> 00:38:11,590

room if anyone wants to post them there

930

00:38:16,660 --> 00:38:14,060

one of the topics I wanted to talk about

931

00:38:19,630 --> 00:38:16,670

you know you were in the seminary I

932

00:38:22,360 --> 00:38:19,640

wanted to talk about and not make the

933

00:38:27,220 --> 00:38:22,370

whole show a theme about it but just

934

00:38:29,380 --> 00:38:27,230

talk about religion versus UFOs well I

935

00:38:30,730 --> 00:38:29,390

get that a lot and I didn't realize

936

00:38:31,960 --> 00:38:30,740

people were so interested in that

937

00:38:33,490 --> 00:38:31,970

subject but I guess there aren't too

938

00:38:34,780 --> 00:38:33,500

many people in the paranormal field who

939

00:38:37,420 --> 00:38:34,790

actually have a form of theological

940

00:38:39,310 --> 00:38:37,430

education one of one of the the

941

00:38:41,800 --> 00:38:39,320

drawbacks of that on our show is that

942

00:38:45,010 --> 00:38:41,810

everybody blames me for not espousing

943

00:38:49,090 --> 00:38:45,020

their religious beliefs you know because

944

00:38:51,670 --> 00:38:49,100

I come a long way from what I guess I

945

00:38:55,780 --> 00:38:51,680

learned in the seminary however there is

946

00:38:58,270 --> 00:38:55,790

a core of ancient tradition that is

947

00:39:01,600 --> 00:38:58,280

rather telling I think if you for

948

00:39:04,060 --> 00:39:01,610

example read Genesis in the original

949

00:39:08,140 --> 00:39:04,070

Hebrew and which is difficult because

950

00:39:09,940 --> 00:39:08,150

ancient Hebrew had no vowels and it also

951
00:39:13,480 --> 00:39:09,950
had no spaces between the words I mean

952
00:39:15,640 --> 00:39:13,490
modern Hebrew as ball marks but but it

953
00:39:18,880 --> 00:39:15,650
says al awful lot of awfully strange

954
00:39:20,800 --> 00:39:18,890
things and if you read the otra ha cease

955
00:39:21,970 --> 00:39:20,810
of the Akkadian Empire which most people

956
00:39:24,820 --> 00:39:21,980
have never heard of it was the first

957
00:39:27,820 --> 00:39:24,830
known Empire and also the car saw epics

958
00:39:31,690 --> 00:39:27,830
of the Sumerians they parallel the

959
00:39:34,099 --> 00:39:31,700
Genesis account of creation and looking

960
00:39:36,470 --> 00:39:34,109
at it from the Mon Illi don't read

961
00:39:38,900 --> 00:39:36,480
Syriac arranged at Babylonian but but I

962
00:39:40,370 --> 00:39:38,910
get by in Hebrew but I wouldn't studied

963
00:39:44,479 --> 00:39:40,380

Hebrew specifically so I could read

964

00:39:46,940 --> 00:39:44,489

Genesis it it says things that it

965

00:39:51,190 --> 00:39:46,950

doesn't say in English and one wonders

966

00:39:53,749 --> 00:39:51,200

certainly for a for example the first

967

00:39:55,339 --> 00:39:53,759

verse of the Bible essentially of the

968

00:39:57,039 --> 00:39:55,349

book of Genesis is in the beginning God

969

00:39:59,779 --> 00:39:57,049

created the heavens and the earth

970

00:40:02,450 --> 00:39:59,789

some say heaven and heaven in the earth

971

00:40:05,509 --> 00:40:02,460

but if you read it a certain way in

972

00:40:08,509 --> 00:40:05,519

Hebrew it can say when it began The

973

00:40:09,950 --> 00:40:08,519

Shining ones stood upon the heights and

974

00:40:13,039 --> 00:40:09,960

looked down upon the highlands of the

975

00:40:16,009 --> 00:40:13,049

lowlands The Shining ones the word

976

00:40:19,180 --> 00:40:16,019

Elohim is the oldest word in the Bible

977

00:40:21,979 --> 00:40:19,190

used for God it's also used by other

978

00:40:24,769 --> 00:40:21,989

Semitic peoples in that area it's the

979

00:40:27,979 --> 00:40:24,779

weirdest word in any Semitic language it

980

00:40:30,200 --> 00:40:27,989

is it is the it has a feminine root with

981

00:40:32,440 --> 00:40:30,210

a masculine plural ending there's no

982

00:40:35,839 --> 00:40:32,450

other word like it what is that about

983

00:40:39,289 --> 00:40:35,849

it's certainly plural so who were the

984

00:40:41,900 --> 00:40:39,299

shining ones you know and we could do 10

985

00:40:46,190 --> 00:40:41,910

shows just just on that subject so you

986

00:40:48,970 --> 00:40:46,200

wonder if religion maybe at least the

987

00:40:52,789 --> 00:40:48,980

religion of our mowed ancestors was not

988

00:40:54,529 --> 00:40:52,799

essentially a sparked by experiences of

989

00:40:58,849 --> 00:40:54,539

beings they thought were supernatural

990

00:41:02,509 --> 00:40:58,859

beings this is not a new idea however it

991

00:41:05,569 --> 00:41:02,519

may be this may give it a more more of a

992

00:41:06,319 --> 00:41:05,579

basis because people obviously thought

993

00:41:09,440 --> 00:41:06,329

they were dealing with something

994

00:41:12,589 --> 00:41:09,450

supernatural in a way Martin I think the

995

00:41:15,710 --> 00:41:12,599

the paranormal is the mother of religion

996

00:41:17,239 --> 00:41:15,720

and science because had there been no

997

00:41:19,549 --> 00:41:17,249

one answered questions had there been no

998

00:41:21,859 --> 00:41:19,559

mysteries to be solved we would probably

999

00:41:23,989 --> 00:41:21,869

have neither religion nor science and

1000

00:41:27,380 --> 00:41:23,999

which of course brings us to the point

1001

00:41:30,739 --> 00:41:27,390

that in fact this war between science

1002

00:41:33,680 --> 00:41:30,749

and religion is largely a myth it never

1003

00:41:36,079 --> 00:41:33,690

happened until really the 19th century

1004

00:41:39,589 --> 00:41:36,089

and the and the the advent in the west

1005

00:41:42,289 --> 00:41:39,599

of the literalist fundamentalist

1006

00:41:45,319 --> 00:41:42,299

Christian point of view which took the

1007

00:41:46,050 --> 00:41:45,329

Bible you know as more literally that

1008

00:41:48,540 --> 00:41:46,060

than anybody

1009

00:41:51,120 --> 00:41:48,550

had ever done before as far as

1010

00:41:52,860 --> 00:41:51,130

scientific points were concerned so I

1011

00:41:56,130 --> 00:41:52,870

mean this is another issue but I think

1012

00:41:58,440 --> 00:41:56,140

that ancient I have got ancient

1013

00:42:02,190 --> 00:41:58,450

astronauts if they were that ancient

1014

00:42:05,640 --> 00:42:02,200

travelers from other dimensions or

1015

00:42:07,200 --> 00:42:05,650

worlds and maybe partially responsible

1016

00:42:10,080 --> 00:42:07,210

for this so the funny one of the funny

1017

00:42:12,540 --> 00:42:10,090

things is that in the human genome when

1018

00:42:16,770 --> 00:42:12,550

that was finally mapped in 2004 there

1019

00:42:19,620 --> 00:42:16,780

were 224 223 genes that shouldn't be

1020

00:42:20,790 --> 00:42:19,630

there if evolution as we understand that

1021

00:42:23,370 --> 00:42:20,800

is correct

1022

00:42:25,020 --> 00:42:23,380

where did they come from biologists

1023

00:42:28,650 --> 00:42:25,030

always want to have an answer so they

1024

00:42:32,160 --> 00:42:28,660

they they postulate a quote horizontal

1025

00:42:34,230 --> 00:42:32,170

transfer from bacteria unquote I don't

1026
00:42:37,380 --> 00:42:34,240
understand that if you do I mean please

1027
00:42:39,570 --> 00:42:37,390
say so much so there are all these very

1028
00:42:41,700 --> 00:42:39,580
very odd things that happen one of the

1029
00:42:45,420 --> 00:42:41,710
things that may be telling is that were

1030
00:42:50,610 --> 00:42:45,430
these actually alien beings and if they

1031
00:42:53,550 --> 00:42:50,620
did mess with our general they must have

1032
00:42:55,470 --> 00:42:53,560
had well I tell ya in in the car saga

1033
00:42:59,850 --> 00:42:55,480
epochs and an in-car suck the mother

1034
00:43:03,810 --> 00:42:59,860
goddess takes blood and saliva which are

1035
00:43:06,770 --> 00:43:03,820
what primary DNA sources and they use

1036
00:43:09,270 --> 00:43:06,780
them to breed or to affect the native

1037
00:43:11,640 --> 00:43:09,280
beings peoples that presumably our

1038
00:43:13,950 --> 00:43:11,650

remote ancestors we're very very

1039

00:43:17,280 --> 00:43:13,960

primitive in order to make them I

1040

00:43:18,690 --> 00:43:17,290

suppose you could argue a slave race so

1041

00:43:21,300 --> 00:43:18,700

this this I'm not saying this what it

1042

00:43:23,100 --> 00:43:21,310

was but it sure looks like it so if

1043

00:43:25,260 --> 00:43:23,110

we're dealing with with and these are

1044

00:43:26,460 --> 00:43:25,270

documents that have roots five to six

1045

00:43:28,470 --> 00:43:26,470

thousand years ago and they're talking

1046

00:43:32,250 --> 00:43:28,480

about what essentially is a DNA

1047

00:43:34,620 --> 00:43:32,260

experiment of some kind so if their DNA

1048

00:43:36,060 --> 00:43:34,630

they took DNA from the themselves from

1049

00:43:39,120 --> 00:43:36,070

the blood and saliva of their own people

1050

00:43:41,280 --> 00:43:39,130

if that was the case then they their

1051
00:43:44,160 --> 00:43:41,290
people must not have been different from

1052
00:43:46,710 --> 00:43:44,170
us really at all unless they had

1053
00:43:49,020 --> 00:43:46,720
fantastic technology for gene splitting

1054
00:43:51,690 --> 00:43:49,030
they would have had to be essentially

1055
00:43:54,330 --> 00:43:51,700
human so are we dealing with aliens from

1056
00:43:56,700 --> 00:43:54,340
another planet aliens from another time

1057
00:43:58,140 --> 00:43:56,710
whatever that may mean and and any

1058
00:43:58,510 --> 00:43:58,150
scientist it works with that will tell

1059
00:44:05,470 --> 00:43:58,520
you

1060
00:44:07,690 --> 00:44:05,480
sideways does any of that have any kind

1061
00:44:11,590 --> 00:44:07,700
of meaning for our very very narrow

1062
00:44:13,480 --> 00:44:11,600
paradigm so have you told me well so

1063
00:44:15,400 --> 00:44:13,490

these genomes is that what you said

1064

00:44:18,570 --> 00:44:15,410

there was the human genome it was

1065

00:44:21,850 --> 00:44:18,580

finally mapped in 2004 that within there

1066

00:44:25,180 --> 00:44:21,860

242 123 genes that shouldn't be there

1067

00:44:27,460 --> 00:44:25,190

and and their explanation is a bacterial

1068

00:44:29,020 --> 00:44:27,470

transfer it sounds that's one

1069

00:44:30,970 --> 00:44:29,030

explanation from bio that's one

1070

00:44:33,370 --> 00:44:30,980

explanation so are they still trying to

1071

00:44:35,800 --> 00:44:33,380

find out any other explanation as far as

1072

00:44:37,060 --> 00:44:35,810

well they're that well they are but a

1073

00:44:39,850 --> 00:44:37,070

lot of the the work is not being

1074

00:44:41,920 --> 00:44:39,860

publicized much like the work at CERN

1075

00:44:46,230 --> 00:44:41,930

the Large Hadron Collider it's not being

1076

00:44:49,030 --> 00:44:46,240

publicized the essentially the the

1077

00:44:51,570 --> 00:44:49,040

missing genes I should say the extra

1078

00:44:55,230 --> 00:44:51,580

genes have to do mostly with the brain

1079

00:44:58,840 --> 00:44:55,240

which is interesting and so that's

1080

00:45:01,030 --> 00:44:58,850

there's really no solid information that

1081

00:45:03,550 --> 00:45:01,040

I've seen and I keep looking for this

1082

00:45:05,230 --> 00:45:03,560

because that's it's extremely important

1083

00:45:08,530 --> 00:45:05,240

I think it's kind of like the dark

1084

00:45:10,120 --> 00:45:08,540

matter of genes in a way well in effect

1085

00:45:12,550 --> 00:45:10,130

well they and that's it I mean

1086

00:45:16,090 --> 00:45:12,560

essentially as theories like dark matter

1087

00:45:18,280 --> 00:45:16,100

are postulated by physicists or

1088

00:45:19,900 --> 00:45:18,290

geneticists in this case and used to

1089

00:45:21,970 --> 00:45:19,910

plug holes in the knowledge and they

1090

00:45:23,460 --> 00:45:21,980

hope eventually to prove it which is

1091

00:45:26,980 --> 00:45:23,470

which is what that's a scientific

1092

00:45:29,230 --> 00:45:26,990

legitimate scientific method to to use

1093

00:45:31,360 --> 00:45:29,240

yeah like a place card in a way in a

1094

00:45:32,830 --> 00:45:31,370

sense yeah and sometimes usually it'll

1095

00:45:34,780 --> 00:45:32,840

come about sometimes not and they have

1096

00:45:37,510 --> 00:45:34,790

to think of some other stuff yeah right

1097

00:45:44,470 --> 00:45:37,520

right a couple questions says in the

1098

00:45:48,220 --> 00:45:44,480

chatroom Whelan wants to know are let's

1099

00:45:51,600 --> 00:45:48,230

see do you think that UFOs are more

1100

00:45:54,000 --> 00:45:51,610

paranormal as opposed to alien beings

1101

00:45:55,930 --> 00:45:54,010

well it depends what you mean by

1102

00:45:58,240 --> 00:45:55,940

paranormal and it depends what you mean

1103

00:45:59,980 --> 00:45:58,250

by hilly and beings as I said in this in

1104

00:46:02,640 --> 00:45:59,990

this house these these poltergeists that

1105

00:46:05,290 --> 00:46:02,650

were supposed to be demons I just wear a

1106

00:46:07,060 --> 00:46:05,300

lethally other alien beings and they

1107

00:46:10,480 --> 00:46:07,070

seem to be physical

1108

00:46:12,609 --> 00:46:10,490

as far as yeah paranormal I think what

1109

00:46:15,219 --> 00:46:12,619

would embrace

1110

00:46:18,429 --> 00:46:15,229

the UFO realm I think the term

1111

00:46:20,319 --> 00:46:18,439

paranormal is misnomer I mean paranormal

1112

00:46:22,179 --> 00:46:20,329

is it's entirely normal it may be

1113

00:46:24,999 --> 00:46:22,189

perhaps what our good friend Mark

1114

00:46:26,109 --> 00:46:25,009

Dantonio calls undiscovered science on

1115

00:46:28,929 --> 00:46:26,119

the other hand that may be outside

1116

00:46:30,429 --> 00:46:28,939

science our science remember is based

1117

00:46:33,609 --> 00:46:30,439

essentially on the scientific method

1118

00:46:37,420 --> 00:46:33,619

which assumes and this is a word I hate

1119

00:46:39,699 --> 00:46:37,430

assume in ghost research all the way to

1120

00:46:41,679 --> 00:46:39,709

UFO research all the way to science we

1121

00:46:43,929 --> 00:46:41,689

assume certain things are true and we

1122

00:46:46,120 --> 00:46:43,939

really don't know that for example the

1123

00:46:48,699 --> 00:46:46,130

Assumption in mainstream science is that

1124

00:46:50,140 --> 00:46:48,709

everything is material it's it's a

1125

00:46:52,420 --> 00:46:50,150

philosophy known as scientific

1126

00:46:54,160 --> 00:46:52,430

materialism everything is matter and

1127

00:46:55,509 --> 00:46:54,170

based on the interactions with other

1128

00:46:58,209 --> 00:46:55,519

matter and that's where our energy comes

1129

00:47:00,339 --> 00:46:58,219

in however quantum mechanics has pretty

1130

00:47:01,959 --> 00:47:00,349

much blown that out of the water but the

1131

00:47:04,539 --> 00:47:01,969

trouble with scientists are there - two

1132

00:47:06,249 --> 00:47:04,549

problems in general mainstream science

1133

00:47:09,819 --> 00:47:06,259

they don't talk to each other different

1134

00:47:11,739 --> 00:47:09,829

fields usually and there many of them

1135

00:47:13,509 --> 00:47:11,749

are far more concerned with grants and

1136

00:47:16,539 --> 00:47:13,519

tenure than they are with pushing the

1137

00:47:18,189 --> 00:47:16,549

envelope and maybe it's not fair of me

1138

00:47:19,449 --> 00:47:18,199

to say that my degree is in philosophy

1139

00:47:21,249 --> 00:47:19,459

and of course with the background of

1140

00:47:23,499 --> 00:47:21,259

theology would but it just seems that

1141

00:47:26,410 --> 00:47:23,509

this is a this is really holding all of

1142

00:47:27,400 --> 00:47:26,420

us back so but yeah I think it's

1143

00:47:32,439 --> 00:47:27,410

certainly within the realm of the

1144

00:47:33,819 --> 00:47:32,449

paranormal and alien beings are - so I

1145

00:47:35,469 --> 00:47:33,829

think we have to broaden perhaps our

1146

00:47:37,120 --> 00:47:35,479

understandings and be very careful of

1147

00:47:39,789 --> 00:47:37,130

the labels we put on things you know

1148

00:47:42,209 --> 00:47:39,799

Martin I've always thought very often in

1149

00:47:45,609 --> 00:47:42,219

in the field of whether it be ghosts or

1150

00:47:47,589 --> 00:47:45,619

UFOs or whatever the the nature of the

1151
00:47:48,969 --> 00:47:47,599
experience depends on what labeled we

1152
00:47:52,120 --> 00:47:48,979
put on it and that depends on the

1153
00:47:53,620 --> 00:47:52,130
context of the experience for example if

1154
00:47:57,160 --> 00:47:53,630
you're sitting in your living room and a

1155
00:47:58,359 --> 00:47:57,170
wispy figure floats by aha a ghost but

1156
00:48:00,459 --> 00:47:58,369
if you're out in the field there's a

1157
00:48:03,939 --> 00:48:00,469
wispy figure with a ball of light over a

1158
00:48:06,189 --> 00:48:03,949
ha an alien or at least a UFO and I

1159
00:48:08,199 --> 00:48:06,199
think the narrowness of our own point of

1160
00:48:10,569 --> 00:48:08,209
view may be our own shooting ourselves

1161
00:48:12,609 --> 00:48:10,579
in the foot when it comes to a broader

1162
00:48:14,169 --> 00:48:12,619
understanding of what these are but so I

1163
00:48:16,689 --> 00:48:14,179

guess it's a big yes to all everything

1164

00:48:19,179 --> 00:48:16,699

that waitwhat brings up yeah well I

1165

00:48:22,959 --> 00:48:19,189

understand what you're saying there do

1166

00:48:25,690 --> 00:48:22,969

you give credence to a to the UFO crypto

1167

00:48:27,760 --> 00:48:25,700

connection that's from just banter and

1168

00:48:30,550 --> 00:48:27,770

chat that's funny I just just gave a

1169

00:48:31,990 --> 00:48:30,560

lecture on that but then and I did at

1170

00:48:35,020 --> 00:48:32,000

the New England the Greater New England

1171

00:48:37,720 --> 00:48:35,030

UFO conference and Leominster mass that

1172

00:48:41,920 --> 00:48:37,730

the title lecture was the fur flies

1173

00:48:45,460 --> 00:48:41,930

question mark Bigfoot and UFOs there are

1174

00:48:47,620 --> 00:48:45,470

a couple of zany cases that have been

1175

00:48:51,070 --> 00:48:47,630

reported I think particularly one in

1176

00:48:53,620 --> 00:48:51,080

France at 1973 and there's a northern in

1177

00:48:56,410 --> 00:48:53,630

the norm of the area as winter and a

1178

00:48:58,120 --> 00:48:56,420

couple was well parking as we used to

1179

00:49:00,580 --> 00:48:58,130

say in my day out at the edge of the

1180

00:49:02,920 --> 00:49:00,590

village there and a craft the shaped

1181

00:49:05,770 --> 00:49:02,930

like an egg kind of came down landed in

1182

00:49:08,560 --> 00:49:05,780

this field and out gets to you you know

1183

00:49:11,080 --> 00:49:08,570

your garden-variety grey aliens that you

1184

00:49:13,060 --> 00:49:11,090

would expect then I'll get two of the

1185

00:49:14,140 --> 00:49:13,070

old used to be called the Nordics maybe

1186

00:49:16,450 --> 00:49:14,150

they still are I don't know though that

1187

00:49:17,800 --> 00:49:16,460

taller sort of blonde here and then out

1188

00:49:20,770 --> 00:49:17,810

get something that looks an awful lot

1189

00:49:23,110 --> 00:49:20,780

like dear old Bigfoot and who stands

1190

00:49:24,070 --> 00:49:23,120

next to the craft the whole time while

1191

00:49:27,640 --> 00:49:24,080

the others are doing what they were

1192

00:49:29,350 --> 00:49:27,650

doing the the trying some of the

1193

00:49:31,570 --> 00:49:29,360

triangle or flat buried cases we

1194

00:49:33,820 --> 00:49:31,580

investigate almost all of them have

1195

00:49:36,400 --> 00:49:33,830

involved Bigfoot and particularly the

1196

00:49:38,080 --> 00:49:36,410

one in Pennsylvania we have neighborhood

1197

00:49:40,180 --> 00:49:38,090

meetings I have my own Bigfoot

1198

00:49:41,620 --> 00:49:40,190

experience there while I was looking for

1199

00:49:43,900 --> 00:49:41,630

strange lights in the sky which is what

1200

00:49:45,610 --> 00:49:43,910

I was expecting after 47 years you'd

1201

00:49:47,860 --> 00:49:45,620

think I'd know yeah things never

1202

00:49:49,540 --> 00:49:47,870

happened the way you expect them to but

1203

00:49:52,750 --> 00:49:49,550

these neighborhood meetings we bring in

1204

00:49:54,280 --> 00:49:52,760

up to 20 families every single person in

1205

00:49:56,230 --> 00:49:54,290

the area has had a Bigfoot experience

1206

00:49:58,390 --> 00:49:56,240

and has seen strange lights in the sky

1207

00:50:01,450 --> 00:49:58,400

and the question are these alien craft

1208

00:50:03,850 --> 00:50:01,460

are they living creatures of some kind

1209

00:50:04,900 --> 00:50:03,860

we suspect that many of the orbs as

1210

00:50:07,480 --> 00:50:04,910

they're called that appear in

1211

00:50:10,720 --> 00:50:07,490

photographs particularly from digital

1212

00:50:12,640 --> 00:50:10,730

media may be living plasma-based life

1213

00:50:15,700 --> 00:50:12,650

form something about which Carl Sagan

1214

00:50:17,620 --> 00:50:15,710

speculated things not based on carbon as

1215

00:50:20,230 --> 00:50:17,630

we are but but plasma and this sort of

1216

00:50:23,520 --> 00:50:20,240

thing simply appearing in these areas

1217

00:50:27,310 --> 00:50:23,530

perhaps feeding around the boundaries of

1218

00:50:30,280 --> 00:50:27,320

parallel worlds physicists do believe it

1219

00:50:32,860 --> 00:50:30,290

this way we'll call them brains be ra na

1220

00:50:36,010 --> 00:50:32,870

yes these these like memories like

1221

00:50:38,420 --> 00:50:36,020

member exactly and we think that the lot

1222

00:50:39,770 --> 00:50:38,430

life is everywhere it's everyone

1223

00:50:41,210 --> 00:50:39,780

and we think that these balls of light

1224

00:50:42,740 --> 00:50:41,220

may be feeding around these areas uh

1225

00:50:44,809 --> 00:50:42,750

like that

1226

00:50:46,460 --> 00:50:44,819

our good friend Ted Phillips from

1227

00:50:48,530 --> 00:50:46,470

Missouri who investigated the great

1228

00:50:51,829 --> 00:50:48,540

Marley Woods case very interesting

1229

00:50:54,799 --> 00:50:51,839

situation there believes that the the

1230

00:50:57,650 --> 00:50:54,809

there's a far fewer nuts-and-bolts craft

1231

00:51:00,680 --> 00:50:57,660

as people would report in the 40s and

1232

00:51:03,200 --> 00:51:00,690

way back and there are far more light

1233

00:51:06,349 --> 00:51:03,210

balls as he calls them and he believes

1234

00:51:09,260 --> 00:51:06,359

they may be probes and/or living things

1235

00:51:11,599 --> 00:51:09,270

so the nature seems to be certainly

1236

00:51:13,190 --> 00:51:11,609

changing but as far as Association

1237

00:51:15,530 --> 00:51:13,200

association with Bigfoot

1238

00:51:18,980 --> 00:51:15,540

where you find strange lights you very

1239

00:51:21,470 --> 00:51:18,990

often find Bigfoot another area in

1240

00:51:25,010 --> 00:51:21,480

northern Massachusetts in the Leominster

1241

00:51:26,450 --> 00:51:25,020

area is monster land okay and people

1242

00:51:28,370 --> 00:51:26,460

have actually actually called it that

1243

00:51:29,960 --> 00:51:28,380

for some time and a good friend Ronnie

1244

00:51:32,059 --> 00:51:29,970

LeBlanc has written a very good book on

1245

00:51:35,420 --> 00:51:32,069

that called monster land even as

1246

00:51:37,130 --> 00:51:35,430

t-shirts of monster Atlanta and the kids

1247

00:51:39,500 --> 00:51:37,140

would actually go out there to see

1248

00:51:41,359 --> 00:51:39,510

things somebody something would throw

1249

00:51:43,970 --> 00:51:41,369

things at them from the woods if they

1250

00:51:45,980 --> 00:51:43,980

were too noisy and they would see all

1251
00:51:48,710 --> 00:51:45,990
kinds of strange lights particularly

1252
00:51:51,349 --> 00:51:48,720
orange balls of light and Ronny has made

1253
00:51:53,809 --> 00:51:51,359
it his life's work to really record

1254
00:51:55,280 --> 00:51:53,819
instances of this and where you see the

1255
00:51:58,309 --> 00:51:55,290
orange balls of light sometimes flying

1256
00:52:00,680 --> 00:51:58,319
high in the sky and and sometimes close

1257
00:52:02,960 --> 00:52:00,690
to the ground they will be Bigfoot

1258
00:52:04,339 --> 00:52:02,970
usually in his opinion so it's yeah they

1259
00:52:07,370 --> 00:52:04,349
certainly does seem to be a connection

1260
00:52:09,680 --> 00:52:07,380
regardless of how you interpret what the

1261
00:52:12,589 --> 00:52:09,690
lights may be now what are the things

1262
00:52:17,530 --> 00:52:12,599
you going back to the brains that you

1263
00:52:20,270 --> 00:52:17,540

know the multiple universes the theories

1264

00:52:23,089 --> 00:52:20,280

the one thing that I don't get in that

1265

00:52:24,920 --> 00:52:23,099

they say that okay like in this world

1266

00:52:27,440 --> 00:52:24,930

you picked up a cup of coffee in that

1267

00:52:32,240 --> 00:52:27,450

world you didn't and you know all these

1268

00:52:34,309 --> 00:52:32,250

different things happen but so you have

1269

00:52:37,760 --> 00:52:34,319

to just follow me for just a second so

1270

00:52:40,940 --> 00:52:37,770

what I don't get is why would that be

1271

00:52:44,210 --> 00:52:40,950

like that I don't understand and if so

1272

00:52:48,049 --> 00:52:44,220

then does that mean when you were

1273

00:52:50,000 --> 00:52:48,059

conceived that you know another universe

1274

00:52:51,820 --> 00:52:50,010

you weren't conceived and if so you know

1275

00:52:53,440 --> 00:52:51,830

I mean why all the variable

1276

00:52:55,510 --> 00:52:53,450

it's one of the hardest things to get

1277

00:52:56,920 --> 00:52:55,520

your head around I think certainly but

1278

00:52:59,590 --> 00:52:56,930

this in a way brings us right back to

1279

00:53:02,170 --> 00:52:59,600

theology in a strange now everybody

1280

00:53:04,540 --> 00:53:02,180

blames go okay well up my cat died so I

1281

00:53:07,630 --> 00:53:04,550

hate God you know that everybody you

1282

00:53:09,640 --> 00:53:07,640

know they have a very narrow view of God

1283

00:53:12,250 --> 00:53:09,650

just like they do everything else but

1284

00:53:14,290 --> 00:53:12,260

just just for the fun of it I mean you

1285

00:53:17,590 --> 00:53:14,300

could look at this whole multiverse idea

1286

00:53:19,420 --> 00:53:17,600

and what is of one of the principles

1287

00:53:22,180 --> 00:53:19,430

that is believed by many physicists when

1288

00:53:24,160 --> 00:53:22,190

it comes to the multiverse that it's not

1289

00:53:27,450 --> 00:53:24,170

just a bunch of parallel worlds but that

1290

00:53:29,680 --> 00:53:27,460

every possible possibility does exist

1291

00:53:32,530 --> 00:53:29,690

somewhere or somewhere in the multiverse

1292

00:53:35,290 --> 00:53:32,540

in concrete reality and as Einstein

1293

00:53:37,210 --> 00:53:35,300

proved in 1952 with relativity it's all

1294

00:53:40,720 --> 00:53:37,220

simultaneous there is no past there is

1295

00:53:43,900 --> 00:53:40,730

no future and the universe in which you

1296

00:53:47,050 --> 00:53:43,910

may be me and there is such a place as

1297

00:53:48,670 --> 00:53:47,060

jarring is that realization maybe if

1298

00:53:51,310 --> 00:53:48,680

this is correct

1299

00:53:53,350 --> 00:53:51,320

you're just as much you and I'm just as

1300

00:53:57,460 --> 00:53:53,360

much you know it's it's really rather

1301

00:54:01,060 --> 00:53:57,470

all-embracing and really quite a pan

1302

00:54:03,940 --> 00:54:01,070

human experience so if all possibilities

1303

00:54:05,710 --> 00:54:03,950

exist why aren't we aware of them well

1304

00:54:07,390 --> 00:54:05,720

if we become aware of them in our

1305

00:54:09,100 --> 00:54:07,400

society where that possibility is not

1306

00:54:10,870 --> 00:54:09,110

existent you run into the people I ran

1307

00:54:14,140 --> 00:54:10,880

into in psychiatric hospitals when I was

1308

00:54:16,720 --> 00:54:14,150

a student there were people who are

1309

00:54:18,550 --> 00:54:16,730

judged to be schizophrenic diagnosed as

1310

00:54:20,950 --> 00:54:18,560

such today they fill your pockets full

1311

00:54:22,900 --> 00:54:20,960

of antipsychotic drugs but in those days

1312

00:54:25,300 --> 00:54:22,910

I would encounter people who had the

1313

00:54:27,310 --> 00:54:25,310

most knowing look in their eyes would

1314

00:54:28,780 --> 00:54:27,320

sometimes have the the dissociative

1315

00:54:30,460 --> 00:54:28,790

identity syndrome or multiple

1316

00:54:33,520 --> 00:54:30,470

personalities with different voices

1317

00:54:34,690 --> 00:54:33,530

coming out of this is not physically

1318

00:54:36,790 --> 00:54:34,700

possible really

1319

00:54:38,260 --> 00:54:36,800

and the doctors one of the reasons I was

1320

00:54:40,360 --> 00:54:38,270

there was I had a very sympathetic

1321

00:54:42,160 --> 00:54:40,370

faculty at the seminary before the one

1322

00:54:45,730 --> 00:54:42,170

that threw me out and I was working with

1323

00:54:48,280 --> 00:54:45,740

a diocesan Exorcist and I believe we

1324

00:54:49,930 --> 00:54:48,290

were dealing with alien creatures I mean

1325

00:54:53,260 --> 00:54:49,940

the whole demon thing just wasn't good

1326

00:54:55,210 --> 00:54:53,270

enough as far as I was concerned so but

1327

00:54:57,820 --> 00:54:55,220

I all had to do with the multiverse and

1328

00:55:00,520 --> 00:54:57,830

and various experiences and and things

1329

00:55:02,770 --> 00:55:00,530

that involved a bigger us than just just

1330

00:55:04,340 --> 00:55:02,780

right here but it is hard to get your

1331

00:55:07,230 --> 00:55:04,350

mind

1332

00:55:10,350 --> 00:55:07,240

I think you have to feel it rather than

1333

00:55:13,230 --> 00:55:10,360

grab it intellectually mark you know for

1334

00:55:15,720 --> 00:55:13,240

example I love to speak in colleges

1335

00:55:17,370 --> 00:55:15,730

because they at the end of course the

1336

00:55:19,080 --> 00:55:17,380

students have very intelligent questions

1337

00:55:20,820 --> 00:55:19,090

usually and at the end they put me in a

1338

00:55:22,350 --> 00:55:20,830

big armchair you know Santa Claus or

1339

00:55:23,670 --> 00:55:22,360

something and all that the young people

1340

00:55:26,220 --> 00:55:23,680

come up and they tell me their stories

1341

00:55:29,130 --> 00:55:26,230

well I was at Mount Ida College outside

1342

00:55:30,630 --> 00:55:29,140

Boston many years ago and I got a kick

1343

00:55:32,670 --> 00:55:30,640

out of that because half the students

1344

00:55:33,000 --> 00:55:32,680

were studying to be Undertaker's all

1345

00:55:37,260 --> 00:55:33,010

right

1346

00:55:39,540 --> 00:55:37,270

and so the two girls came up freshman

1347

00:55:41,130 --> 00:55:39,550

girls and I'd been talking about human

1348

00:55:43,850 --> 00:55:41,140

relationships in the multiverse and they

1349

00:55:45,930 --> 00:55:43,860

said why is it that on day one

1350

00:55:47,460 --> 00:55:45,940

registration day we saw each other

1351

00:55:50,130 --> 00:55:47,470

across the crowded room and we were

1352

00:55:51,570 --> 00:55:50,140

sisters from the start they felt like

1353

00:55:53,460 --> 00:55:51,580

they'd always known each other and they

1354

00:55:55,470 --> 00:55:53,470

were great friends I said because if

1355

00:55:58,590 --> 00:55:55,480

this is correct then at some point in

1356

00:56:00,090 --> 00:55:58,600

the multiverse you are one another the

1357

00:56:02,640 --> 00:56:00,100

laws of physics may be different or

1358

00:56:04,680 --> 00:56:02,650

whatever but you are they knew precisely

1359

00:56:06,330 --> 00:56:04,690

what I was talking about and they went

1360

00:56:08,250 --> 00:56:06,340

scurrying off all happy because I

1361

00:56:10,740 --> 00:56:08,260

thought that that's the explanation so

1362

00:56:13,470 --> 00:56:10,750

yeah I hope they I believe that that's

1363

00:56:15,840 --> 00:56:13,480

correct and again one of the things is

1364

00:56:18,030 --> 00:56:15,850

that these universes have very different

1365

00:56:20,280 --> 00:56:18,040

laws of physics very different forms of

1366

00:56:21,780 --> 00:56:20,290

life and so the idea are aliens from

1367

00:56:24,990 --> 00:56:21,790

another planet

1368

00:56:27,930 --> 00:56:25,000

may not necessarily have be meaningful

1369

00:56:29,340 --> 00:56:27,940

question they may be from another planet

1370

00:56:31,080 --> 00:56:29,350

but maybe they got here through the

1371

00:56:33,180 --> 00:56:31,090

multiverse or it's a planet in a

1372

00:56:35,310 --> 00:56:33,190

different reality with different laws of

1373

00:56:37,530 --> 00:56:35,320

physics I mean anything is possible

1374

00:56:39,840 --> 00:56:37,540

that's the whole point of the multiverse

1375

00:56:41,550 --> 00:56:39,850

but it is tough to get your mind around

1376

00:56:44,100 --> 00:56:41,560

but as far as you know dropping the

1377

00:56:46,920 --> 00:56:44,110

coffee cup if all possibilities exist

1378

00:56:49,530 --> 00:56:46,930

then you would be born in one not in the

1379

00:56:51,150 --> 00:56:49,540

other or or you died in the UFO crash

1380

00:56:52,950 --> 00:56:51,160

thirty thousand years ago and this sort

1381

00:56:57,210 --> 00:56:52,960

of thing so what does this do with God

1382

00:56:59,370 --> 00:56:57,220

well maybe what did what do they teach

1383

00:57:00,990 --> 00:56:59,380

us in catechism class and in the

1384

00:57:03,720 --> 00:57:01,000

seminary or church school sunday-school

1385

00:57:07,020 --> 00:57:03,730

whatever the creation was as a result of

1386

00:57:08,940 --> 00:57:07,030

God's love that could not be contained

1387

00:57:10,470 --> 00:57:08,950

an infinite love that that had to

1388

00:57:12,660 --> 00:57:10,480

express itself and that was the creation

1389

00:57:14,550 --> 00:57:12,670

well if it's an infinite love why

1390

00:57:16,180 --> 00:57:14,560

wouldn't it be an infinite creation why

1391

00:57:18,190 --> 00:57:16,190

would that just be one universe one

1392

00:57:23,319 --> 00:57:18,200

what that doesn't make sense so perhaps

1393

00:57:25,089 --> 00:57:23,329

it really is a perfect creation and with

1394

00:57:27,579 --> 00:57:25,099

with all possibilities they're in

1395

00:57:28,990 --> 00:57:27,589

perfect balance and maybe it's just

1396

00:57:31,510 --> 00:57:29,000

because it's not for our personal

1397

00:57:34,300 --> 00:57:31,520

convenience that doesn't mean that God

1398

00:57:36,700 --> 00:57:34,310

is dumb or it doesn't care or this sort

1399

00:57:38,410 --> 00:57:36,710

of it may be I don't know but but it's

1400

00:57:40,089 --> 00:57:38,420

just I think that there's a possibility

1401

00:57:41,500 --> 00:57:40,099

that we don't consider that it really is

1402

00:57:45,670 --> 00:57:41,510

a perfect creation and we just have to

1403

00:57:48,400 --> 00:57:45,680

discover it yeah or it could ever be any

1404

00:57:50,319 --> 00:57:48,410

way to really know myself but I want to

1405

00:57:52,240 --> 00:57:50,329

be in the universe where I know how to

1406

00:57:53,859 --> 00:57:52,250

do the bowtie and you're wearing the

1407

00:57:55,599 --> 00:57:53,869

regular well so do i one of our

1408

00:57:59,079 --> 00:57:55,609

producers is a critic of my bow tie

1409

00:58:01,510 --> 00:57:59,089

tying so I tried so this by one may be

1410

00:58:05,559 --> 00:58:01,520

perfect it's yeah yeah it's you have to

1411

00:58:07,930 --> 00:58:05,569

be like a rocket scientist to do it so

1412

00:58:11,319 --> 00:58:07,940

we have a we have some questions in the

1413

00:58:14,050 --> 00:58:11,329

forum and here's this one let see Carrie

1414

00:58:17,260 --> 00:58:14,060

posted these if humans are still around

1415

00:58:19,809 --> 00:58:17,270

and say 1000 plus years do have an

1416

00:58:22,960 --> 00:58:19,819

opinion on some of discoveries and

1417

00:58:25,540 --> 00:58:22,970

knowledge we would have about the

1418

00:58:28,480 --> 00:58:25,550

universe and life beyond Earth from

1419

00:58:31,349 --> 00:58:28,490

where we are at our present time well a

1420

00:58:35,079 --> 00:58:31,359

good basic meat-and-potatoes question

1421

00:58:37,059 --> 00:58:35,089

that depends you have to qualify this

1422

00:58:38,740 --> 00:58:37,069

because you know if we blow ourselves up

1423

00:58:41,290 --> 00:58:38,750

or are blowing up by you know the

1424

00:58:43,120 --> 00:58:41,300

asteroid strikers I mean which may have

1425

00:58:44,680 --> 00:58:43,130

happened as much as many as four times

1426

00:58:46,809 --> 00:58:44,690

in the past according to some of the

1427

00:58:50,859 --> 00:58:46,819

indigenous peoples we've rubbed elbows

1428

00:58:53,980 --> 00:58:50,869

with then probably we might be back with

1429

00:58:57,280 --> 00:58:53,990

axes and chase whatever you know with

1430

00:58:59,200 --> 00:58:57,290

primitive I think we've gone from stone

1431

00:59:01,780 --> 00:58:59,210

tools to power tools as it were as many

1432

00:59:05,290 --> 00:59:01,790

as four times as they say but barring

1433

00:59:06,579 --> 00:59:05,300

that I think that perhaps just looking

1434

00:59:10,470 --> 00:59:06,589

around at what's happening there seems

1435

00:59:12,520 --> 00:59:10,480

to be more awareness of these

1436

00:59:14,230 --> 00:59:12,530

interesting discoveries particularly

1437

00:59:16,329 --> 00:59:14,240

regarding physics and and this is this

1438

00:59:18,250 --> 00:59:16,339

multiverse are possible multiverse and

1439

00:59:20,440 --> 00:59:18,260

the word is being spread that term it

1440

00:59:23,170 --> 00:59:20,450

would like fire tremendously by the

1441

00:59:26,380 --> 00:59:23,180

internet one of the things I think that

1442

00:59:28,300 --> 00:59:26,390

is is happening is that the internet is

1443

00:59:29,029 --> 00:59:28,310

bringing people together as divisive as

1444

01:00:19,039 --> 00:59:29,039

a

1445

01:00:20,870 --> 01:00:19,049

the fly in the ointment is something we

1446

01:00:22,999 --> 01:00:20,880

haven't brought up yet and that's the

1447

01:00:25,130 --> 01:00:23,009

notion of the parasites which is what I

1448

01:00:26,659 --> 01:00:25,140

think those alien creatures were in that

1449

01:00:28,789 --> 01:00:26,669

house in bridgeport then that we rub

1450

01:00:30,650 --> 01:00:28,799

elbows with a number of times including

1451
01:00:32,779 --> 01:00:30,660
during exorcisms I don't think they're

1452
01:00:34,219 --> 01:00:32,789
servants of Satan or Allah that that's

1453
01:00:36,199 --> 01:00:34,229
our way of understanding them and

1454
01:00:38,299 --> 01:00:36,209
putting them in terms that we can grasp

1455
01:00:40,939 --> 01:00:38,309
I think essentially these are

1456
01:00:45,399 --> 01:00:40,949
multiversal creatures that feed that eat

1457
01:00:48,559 --> 01:00:45,409
by travel and I've actually seen them

1458
01:00:49,999 --> 01:00:48,569
reaching from different worlds negative

1459
01:00:51,589 --> 01:00:50,009
events and feeding on the weird as that

1460
01:00:54,019 --> 01:00:51,599
sounds

1461
01:00:55,729 --> 01:00:54,029
case in Pennsylvania there and the UFOs

1462
01:00:57,109 --> 01:00:55,739
were seen to that there was a spike in

1463
01:00:59,149 --> 01:00:57,119

sightings maybe it had nothing to do

1464

01:01:01,819 --> 01:00:59,159

with that but I think it might you had

1465

01:01:04,159 --> 01:01:01,829

an act of violence going on in one world

1466

01:01:06,679 --> 01:01:04,169

and there was almost like an octopus

1467

01:01:08,390 --> 01:01:06,689

reaching and it was bothering people two

1468

01:01:10,429 --> 01:01:08,400

girls who were living in an apartment in

1469

01:01:11,599 --> 01:01:10,439

King of Prussia Pennsylvania who or

1470

01:01:13,880 --> 01:01:11,609

believed they were being haunted by a

1471

01:01:17,059 --> 01:01:13,890

demonic negative force and was actually

1472

01:01:20,149 --> 01:01:17,069

this parasite and in a third wave you

1473

01:01:22,579 --> 01:01:20,159

had a family whom the girl thought were

1474

01:01:24,620 --> 01:01:22,589

ghosts haunting them the ghosts thought

1475

01:01:26,539 --> 01:01:24,630

the girls were ghosts haunting them and

1476

01:01:29,870 --> 01:01:26,549

they were both being fed upon by this

1477

01:01:32,299 --> 01:01:29,880

parasite and this is not uncommon so I

1478

01:01:34,759 --> 01:01:32,309

think that the greater understanding of

1479

01:01:37,759 --> 01:01:34,769

this may be forthcoming and in a

1480

01:01:38,779 --> 01:01:37,769

thousand years one would hope that we

1481

01:01:40,669 --> 01:01:38,789

would that go back where

1482

01:01:43,279 --> 01:01:40,679

we'd go forward intellectually and I

1483

01:01:45,370 --> 01:01:43,289

think that science will have to evolve

1484

01:01:49,370 --> 01:01:45,380

including the scientific method beyond

1485

01:01:51,289 --> 01:01:49,380

the notion of matter and everything

1486

01:01:53,150 --> 01:01:51,299

being material this is fraught with

1487

01:01:55,059 --> 01:01:53,160

danger as many scientists would say

1488

01:01:57,709 --> 01:01:55,069

because the discipline thinking of

1489

01:02:02,959 --> 01:01:57,719

science is very important in any pursuit

1490

01:02:05,390 --> 01:02:02,969

and certainly the peer review as often

1491

01:02:08,929 --> 01:02:05,400

occurs but I think this all has to

1492

01:02:11,150 --> 01:02:08,939

evolve so provided we survive in our

1493

01:02:13,309 --> 01:02:11,160

current form or more or less and we are

1494

01:02:15,979 --> 01:02:13,319

honest with ourselves I think that we

1495

01:02:18,939 --> 01:02:15,989

will understand more about and be able

1496

01:02:21,650 --> 01:02:18,949

to become aware more of the multiverse

1497

01:02:24,709 --> 01:02:21,660

where we are what we're doing without

1498

01:02:26,120 --> 01:02:24,719

being judged to be nuts I'm going back

1499

01:02:31,579 --> 01:02:26,130

to what we were talking about earlier

1500

01:02:35,839 --> 01:02:31,589

about the genome does any part of the

1501
01:02:40,189 --> 01:02:35,849
unexplained genes that were found could

1502
01:02:43,640 --> 01:02:40,199
any part of that be sort of in

1503
01:02:46,039 --> 01:02:43,650
speculation of like a hybrid type of

1504
01:02:48,289 --> 01:02:46,049
situation you hear people talk about the

1505
01:02:50,179 --> 01:02:48,299
possibility of us being some type of

1506
01:02:53,179 --> 01:02:50,189
hybrid you know from way back I know

1507
01:02:56,029 --> 01:02:53,189
that's one of those quote unquote fringe

1508
01:02:58,579 --> 01:02:56,039
topics but what are your thoughts about

1509
01:03:00,739 --> 01:02:58,589
that well if you look at us

1510
01:03:02,899 --> 01:03:00,749
I've often wondered are we indigenous to

1511
01:03:05,269 --> 01:03:02,909
this planet I mean you know where we're

1512
01:03:07,849 --> 01:03:05,279
standing upright our stomach and our

1513
01:03:11,329 --> 01:03:07,859

genitals genitals are exposed we should

1514

01:03:14,569 --> 01:03:11,339

be on all fours I mean it like something

1515

01:03:16,699 --> 01:03:14,579

took us out of the main stream of

1516

01:03:19,640 --> 01:03:16,709

evolution seemingly again I'm not a

1517

01:03:21,859 --> 01:03:19,650

evolutionary scientist and and made us

1518

01:03:23,979 --> 01:03:21,869

different why is it we have to wear

1519

01:03:27,049 --> 01:03:23,989

clothes and live in the houses and pays

1520

01:03:29,209 --> 01:03:27,059

\$400 a month to heat our homes when most

1521

01:03:30,919 --> 01:03:29,219

of our fellow creatures have fur and all

1522

01:03:33,469 --> 01:03:30,929

this stuff I mean what what got us

1523

01:03:34,640 --> 01:03:33,479

beyond that so that we don't seem

1524

01:03:37,299 --> 01:03:34,650

comfortable in the natural environment

1525

01:03:40,339 --> 01:03:37,309

unless we live in Tahiti or something

1526
01:03:43,189 --> 01:03:40,349
and so what most of us couldn't afford

1527
01:03:46,399 --> 01:03:43,199
to do so these are all questions that

1528
01:03:49,969 --> 01:03:46,409
perhaps will hint at perhaps some

1529
01:03:51,140 --> 01:03:49,979
interference in our history genetic

1530
01:03:54,650 --> 01:03:51,150
history particularly the missing

1531
01:03:57,530 --> 01:03:54,660
there are the extra extra genes and of

1532
01:04:00,740 --> 01:03:57,540
course again as not to rehash old

1533
01:04:03,260 --> 01:04:00,750
territory but did aliens land from Zeta

1534
01:04:06,530 --> 01:04:03,270
Reticuli or whatever they call it and do

1535
01:04:09,260 --> 01:04:06,540
this or did someone stumble in or

1536
01:04:11,450 --> 01:04:09,270
deliberately break through a brain from

1537
01:04:14,570 --> 01:04:11,460
a version of ourselves that's that's

1538
01:04:18,680 --> 01:04:14,580

very almost identical and yet has had

1539

01:04:20,840 --> 01:04:18,690

technology that would make us think they

1540

01:04:22,730 --> 01:04:20,850

were gods maybe even not from another

1541

01:04:25,430 --> 01:04:22,740

planet maybe another version of our own

1542

01:04:27,320 --> 01:04:25,440

planet of course that the wars of the

1543

01:04:29,210 --> 01:04:27,330

gods as has all been covered in this

1544

01:04:31,310 --> 01:04:29,220

very good shows like ancient aliens

1545

01:04:34,490 --> 01:04:31,320

which my wife has taken to watching much

1546

01:04:36,080 --> 01:04:34,500

to my amazement since she never liked

1547

01:04:39,110 --> 01:04:36,090

this stuff but I find it disconcerting

1548

01:04:41,870 --> 01:04:39,120

but she's expressing opinions on this

1549

01:04:42,710 --> 01:04:41,880

now oh yeah the world is getting invaded

1550

01:04:43,850 --> 01:04:42,720

I don't have to bring rid of the

1551

01:04:46,340 --> 01:04:43,860

lectures yeah yeah

1552

01:04:50,630 --> 01:04:46,350

you know you know Family Circus so in

1553

01:04:52,850 --> 01:04:50,640

any case yeah I think that Minh I call

1554

01:04:54,710 --> 01:04:52,860

it hybrid yeah but again I'll just

1555

01:04:56,810 --> 01:04:54,720

repeat that unless they had stunning

1556

01:04:58,340 --> 01:04:56,820

technology for gene splitting they would

1557

01:05:02,360 --> 01:04:58,350

have to be virtually identical identical

1558

01:05:05,930 --> 01:05:02,370

to us to use their DNA to manipulate our

1559

01:05:08,720 --> 01:05:05,940

of our DNA so yeah okay another question

1560

01:05:10,700 --> 01:05:08,730

in the forum do you think the government

1561

01:05:13,430 --> 01:05:10,710

will change their stance when questioned

1562

01:05:16,640 --> 01:05:13,440

over UFO sightings since the Tom DeLonge

1563

01:05:20,090 --> 01:05:16,650

announcement specifically with the ex

1564

01:05:24,620 --> 01:05:20,100

CIA official Chris melon talking about

1565

01:05:28,600 --> 01:05:24,630

the USS Nimitz case okay that is a

1566

01:05:33,980 --> 01:05:28,610

complex question as one who signed this

1567

01:05:36,350 --> 01:05:33,990

security oath and back in the day I have

1568

01:05:38,720 --> 01:05:36,360

I'm skeptical about some of this first

1569

01:05:39,950 --> 01:05:38,730

of all as far as disclosure in general

1570

01:05:41,420 --> 01:05:39,960

is concerned I tend to be a skeptic

1571

01:05:44,030 --> 01:05:41,430

visit when's the last time you believe

1572

01:05:45,590 --> 01:05:44,040

they need them the government said so as

1573

01:05:48,860 --> 01:05:45,600

far as if they're going to release any

1574

01:05:51,920 --> 01:05:48,870

information is it true is it the whole

1575

01:05:54,110 --> 01:05:51,930

truth I mean I just call me cynical call

1576

01:05:56,600 --> 01:05:54,120

me irresponsible but I just I can't

1577

01:05:58,880 --> 01:05:56,610

accept I don't think I'd really have to

1578

01:06:01,310 --> 01:05:58,890

see definite proof whatever constitutes

1579

01:06:02,810 --> 01:06:01,320

proof that what they're saying is true

1580

01:06:03,670 --> 01:06:02,820

so I think that the whole disclosure

1581

01:06:06,220 --> 01:06:03,680

movement is

1582

01:06:09,609 --> 01:06:06,230

some degree you know with respect is to

1583

01:06:11,319 --> 01:06:09,619

some degree naive you know and of course

1584

01:06:13,390 --> 01:06:11,329

the question arises does the government

1585

01:06:16,150 --> 01:06:13,400

really know I mean and and people don't

1586

01:06:18,250 --> 01:06:16,160

consider the corporate factor and this

1587

01:06:20,500 --> 01:06:18,260

is an awful lot of money to be made and

1588

01:06:21,700 --> 01:06:20,510

we've seen some evidence of that in some

1589

01:06:23,530 --> 01:06:21,710

of our flat barriers there's always

1590

01:06:24,970 --> 01:06:23,540

somebody in there who seems to be

1591

01:06:28,150 --> 01:06:24,980

studying and they have guns

1592

01:06:30,010 --> 01:06:28,160

not necessarily be the military so these

1593

01:06:33,970 --> 01:06:30,020

are all questions I think have yet to be

1594

01:06:37,150 --> 01:06:33,980

answered but as far as the Nimitz case

1595

01:06:40,000 --> 01:06:37,160

was concerned and people talking you're

1596

01:06:42,490 --> 01:06:40,010

still responsible for you know that

1597

01:06:44,440 --> 01:06:42,500

security oath never dies you know you're

1598

01:06:46,900 --> 01:06:44,450

still responsible for maintaining and

1599

01:06:49,299 --> 01:06:46,910

you're still liable to prosecution so I

1600

01:06:51,160 --> 01:06:49,309

can only think that that maybe there was

1601
01:06:52,870 --> 01:06:51,170
some permission here or someone behind

1602
01:06:53,980 --> 01:06:52,880
this it was a letting information out it

1603
01:06:55,960 --> 01:06:53,990
was the Nimitz case

1604
01:06:58,240 --> 01:06:55,970
Alejandro talked about that at the

1605
01:06:59,829 --> 01:06:58,250
beginning of the show of 2004

1606
01:07:02,799 --> 01:06:59,839
you know the Tic Tac II we're following

1607
01:07:04,750 --> 01:07:02,809
all this business the first of all

1608
01:07:05,920 --> 01:07:04,760
people one people have said to me well

1609
01:07:07,450 --> 01:07:05,930
how can you keep the you know you get

1610
01:07:09,460 --> 01:07:07,460
2,000 people on the crew or something

1611
01:07:11,319 --> 01:07:09,470
like that a ship the size of them it's

1612
01:07:14,680 --> 01:07:11,329
how can you keep all of them quite well

1613
01:07:16,299 --> 01:07:14,690

they didn't necessarily see it a ship's

1614

01:07:18,069 --> 01:07:16,309

crew was now standing on deck or

1615

01:07:19,420 --> 01:07:18,079

watching the scenery all the time I mean

1616

01:07:21,250 --> 01:07:19,430

there are people working in the engine

1617

01:07:23,349 --> 01:07:21,260

rooms yeah especially on a super carry

1618

01:07:25,329 --> 01:07:23,359

you've got aircraft technicians below

1619

01:07:28,510 --> 01:07:25,339

decks you've got all kinds of things

1620

01:07:30,849 --> 01:07:28,520

don't city it is mostly under deck and

1621

01:07:32,950 --> 01:07:30,859

very few people around deck at one time

1622

01:07:34,900 --> 01:07:32,960

it would have been the the personnel on

1623

01:07:36,579 --> 01:07:34,910

the bridge the officer of the deck maybe

1624

01:07:37,750 --> 01:07:36,589

the captain etcetera etcetera but it

1625

01:07:39,760 --> 01:07:37,760

wouldn't be that many people who would

1626
01:07:42,460 --> 01:07:39,770
have seen anything even four hours at a

1627
01:07:44,020 --> 01:07:42,470
time because there there are certain

1628
01:07:46,120 --> 01:07:44,030
pipes or commands that are given you

1629
01:07:47,859 --> 01:07:46,130
know you that stay off the weather decks

1630
01:07:49,870 --> 01:07:47,869
is that people don't always don't go out

1631
01:07:52,690 --> 01:07:49,880
usually because of weather but not

1632
01:07:53,680 --> 01:07:52,700
always is something else going on so I

1633
01:07:55,990 --> 01:07:53,690
don't think that would have been that

1634
01:07:57,910 --> 01:07:56,000
many people who would have seen it let

1635
01:07:59,380 --> 01:07:57,920
alone photographed at the CIC or the

1636
01:08:03,000 --> 01:07:59,390
combat Information Center which is a

1637
01:08:07,359 --> 01:08:03,010
very D of a significant classified area

1638
01:08:11,410 --> 01:08:07,369

would have recorded it in some way so I

1639

01:08:12,970 --> 01:08:11,420

think that I don't know I'm not really

1640

01:08:15,010 --> 01:08:12,980

the long thing I'm a little bit

1641

01:08:17,169 --> 01:08:15,020

suspicious about it but I'm suspicious

1642

01:08:19,539 --> 01:08:17,179

of everything I don't know tom

1643

01:08:20,620 --> 01:08:19,549

I know you know I'm not really connected

1644

01:08:24,489 --> 01:08:20,630

with what's happening but I just

1645

01:08:26,319 --> 01:08:24,499

I'm skeptical about what it's for who

1646

01:08:28,390 --> 01:08:26,329

has permission to do what and what they

1647

01:08:30,099 --> 01:08:28,400

what they actually know and course

1648

01:08:32,229 --> 01:08:30,109

they've been asking for money which is I

1649

01:08:34,419 --> 01:08:32,239

find interesting as well so there's a

1650

01:08:37,899 --> 01:08:34,429

lot of people talking about that in

1651

01:08:43,870 --> 01:08:37,909

particular and I think you know there

1652

01:08:45,309 --> 01:08:43,880

what it they're looking to do different

1653

01:08:49,419 --> 01:08:45,319

things I don't know if you followed the

1654

01:08:53,649 --> 01:08:49,429

whole thing they're looking to try to

1655

01:08:57,759 --> 01:08:53,659

work on some type of advanced craft only

1656

01:09:00,759 --> 01:08:57,769

from what has been observed which i

1657

01:09:03,189 --> 01:09:00,769

think is way out there personally so I

1658

01:09:06,489 --> 01:09:03,199

don't know if it's truly a non-profit I

1659

01:09:08,709 --> 01:09:06,499

know Tom DeLonge with as many millions

1660

01:09:11,049 --> 01:09:08,719

doesn't really need to raise money hmm

1661

01:09:12,849 --> 01:09:11,059

particularly for himself you know so I

1662

01:09:14,140 --> 01:09:12,859

don't know exactly what the funding is

1663

01:09:15,789 --> 01:09:14,150

for it would be nice if there are a

1664

01:09:17,769 --> 01:09:15,799

little more transparent about that far

1665

01:09:20,379 --> 01:09:17,779

well my prime concern to even be on that

1666

01:09:21,939 --> 01:09:20,389

is are they going to push the envelope

1667

01:09:24,370 --> 01:09:21,949

as far as our our terms

1668

01:09:26,109 --> 01:09:24,380

and and our narrow paradigm is concerned

1669

01:09:29,109 --> 01:09:26,119

as we've discussed at length on the show

1670

01:09:31,329 --> 01:09:29,119

here today tonight is it is it a matter

1671

01:09:34,059 --> 01:09:31,339

of yeah they're going to have the same

1672

01:09:35,439 --> 01:09:34,069

old tired approach which is going to get

1673

01:09:38,669 --> 01:09:35,449

us nowhere or are they going to think

1674

01:09:41,199 --> 01:09:38,679

new thoughts and get into some some

1675

01:09:42,910 --> 01:09:41,209

territory that's usually not not dealt

1676

01:09:43,539 --> 01:09:42,920

with as far as explanations and this

1677

01:09:45,999 --> 01:09:43,549

sort of thing

1678

01:09:47,439 --> 01:09:46,009

so I'm gonna post this question up if

1679

01:09:49,359 --> 01:09:47,449

you can go ahead and read that because I

1680

01:09:51,249 --> 01:09:49,369

have no idea what he's saying what does

1681

01:09:53,559 --> 01:09:51,259

Paul think of antediluvian or

1682

01:09:57,100 --> 01:09:53,569

pre-adamite theory what are your

1683

01:10:00,489 --> 01:09:57,110

thoughts on parts i well antediluvian

1684

01:10:05,259 --> 01:10:00,499

means before the flood so this may be a

1685

01:10:11,020 --> 01:10:05,269

biblical question okay pre-adamite

1686

01:10:13,929 --> 01:10:11,030

theory uh that well you know you said

1687

01:10:16,810 --> 01:10:13,939

that you what Martin watch the the show

1688

01:10:18,520 --> 01:10:16,820

we did we did a live show from the panel

1689

01:10:21,790 --> 01:10:18,530

at the Exeter UFO festival in New

1690

01:10:23,560 --> 01:10:21,800

Hampshire in September and one of the

1691

01:10:24,549 --> 01:10:23,570

audience members stood up and said

1692

01:10:27,129 --> 01:10:24,559

something

1693

01:10:29,470 --> 01:10:27,139

the world being 6,000 years old and this

1694

01:10:33,700 --> 01:10:29,480

sort of thing and flat and black mouse

1695

01:10:36,459 --> 01:10:33,710

at the same time and so it was Peter

1696

01:10:38,649 --> 01:10:36,469

Robbins and actually it was Richard

1697

01:10:43,569 --> 01:10:38,659

Dolman who kind of dealt with that which

1698

01:10:45,160 --> 01:10:43,579

was black is I mean there's and there's

1699

01:10:47,319 --> 01:10:45,170

I don't know I don't want to get into

1700

01:10:51,209 --> 01:10:47,329

the biblical interpretation here but

1701

01:10:56,049 --> 01:10:51,219

there's really nowhere that it says that

1702

01:10:58,000 --> 01:10:56,059

nobody in the ancient church interpreted

1703

01:11:00,220 --> 01:10:58,010

that really that well that they did to a

1704

01:11:02,649 --> 01:11:00,230

certain point but and here's where we

1705

01:11:04,990 --> 01:11:02,659

get into religion versus science the

1706

01:11:06,700 --> 01:11:05,000

church and of course when you say the

1707

01:11:07,839 --> 01:11:06,710

church it could be any one of twenty

1708

01:11:09,370 --> 01:11:07,849

thousand groups and that's no

1709

01:11:11,560 --> 01:11:09,380

exaggeration there are literally twenty

1710

01:11:14,319 --> 01:11:11,570

thousand Christian groups that say they

1711

01:11:16,209 --> 01:11:14,329

follow the Bible they all the different

1712

01:11:17,890 --> 01:11:16,219

interpretations you have the more

1713

01:11:19,899 --> 01:11:17,900

traditional people of the book you have

1714

01:11:22,270 --> 01:11:19,909

the the Roman Catholic and Eastern

1715

01:11:24,279 --> 01:11:22,280

Orthodox Christians and then the

1716

01:11:25,750 --> 01:11:24,289

Anglicans and the garden-variety

1717

01:11:28,120 --> 01:11:25,760

Protestants and that and then the

1718

01:11:31,240 --> 01:11:28,130

evangelical Protestants the oldest

1719

01:11:32,910 --> 01:11:31,250

really is the Eastern Orthodox Church

1720

01:11:36,220 --> 01:11:32,920

which very few people know much about

1721

01:11:38,229 --> 01:11:36,230

but people say oh that's always you know

1722

01:11:40,000 --> 01:11:38,239

it's a pagan istic and well these are

1723

01:11:41,950 --> 01:11:40,010

these are the Greeks who heard the

1724

01:11:45,370 --> 01:11:41,960

gospel right out of the mouth of st.

1725

01:11:47,229 --> 01:11:45,380

Paul so I mean I think I think that cuts

1726

01:11:48,640 --> 01:11:47,239

a little ice and has gives them quite a

1727

01:11:51,850 --> 01:11:48,650

pedigree

1728

01:11:53,589 --> 01:11:51,860

they were very open-minded to new ideas

1729

01:11:55,540 --> 01:11:53,599

about what happened before the flood

1730

01:11:58,930 --> 01:11:55,550

giveth a lot of Noah

1731

01:12:01,419 --> 01:11:58,940

they were very open-minded about the

1732

01:12:03,220 --> 01:12:01,429

idea of what happened in in paradise and

1733

01:12:04,689 --> 01:12:03,230

of course if you look at Genesis it

1734

01:12:06,790 --> 01:12:04,699

indicates there were more people around

1735

01:12:09,100 --> 01:12:06,800

at the time if you look at the second

1736

01:12:12,040 --> 01:12:09,110

chapter because you know obviously you

1737

01:12:13,240 --> 01:12:12,050

know who Abel married someone and it

1738

01:12:15,939 --> 01:12:13,250

says there were uh you know went to the

1739

01:12:18,939 --> 01:12:15,949

land of the so and so as an almost and I

1740

01:12:20,709 --> 01:12:18,949

think these are you really going to trip

1741

01:12:23,709 --> 01:12:20,719

yourself up if you worry about this kind

1742

01:12:25,479 --> 01:12:23,719

of thing the church traditionally from

1743

01:12:28,089 --> 01:12:25,489

all of its traditions has always been

1744

01:12:30,700 --> 01:12:28,099

open minded to science the Vatican that

1745

01:12:33,100 --> 01:12:30,710

did not burn Galileo at the stake he was

1746

01:12:35,109 --> 01:12:33,110

respected as a scientist most of the

1747

01:12:37,089 --> 01:12:35,119

trouble these people had was political

1748

01:12:38,229 --> 01:12:37,099

you did have the Spanish Inquisition

1749

01:12:42,310 --> 01:12:38,239

which was a very

1750

01:12:43,750 --> 01:12:42,320

what unit sort of blood well it wasn't

1751

01:12:45,250 --> 01:12:43,760

quite as blood-soaked as you have it but

1752

01:12:46,690 --> 01:12:45,260

it was very unfortunate there was an

1753

01:12:49,060 --> 01:12:46,700

awful lot of terrible things that went

1754

01:12:51,940 --> 01:12:49,070

on the Orthodox were never involved and

1755

01:12:54,310 --> 01:12:51,950

anything like that the Orthodox and the

1756

01:12:58,120 --> 01:12:54,320

Muslims are probably two of the most

1757

01:13:00,729 --> 01:12:58,130

open-minded scientific groups from any

1758

01:13:02,080 --> 01:13:00,739

period in history and so you know I'm

1759

01:13:03,340 --> 01:13:02,090

not going to make excuses for the Roman

1760

01:13:06,220 --> 01:13:03,350

Catholics or anybody else or the

1761

01:13:07,450 --> 01:13:06,230

Protestants too but I think that you

1762

01:13:10,450 --> 01:13:07,460

can't get the right answer if you ask

1763

01:13:12,070 --> 01:13:10,460

the wrong question and I think we need

1764

01:13:13,270 --> 01:13:12,080

to be open-minded just as if you're

1765

01:13:14,920 --> 01:13:13,280

going to be a Christian needed to be

1766

01:13:17,530 --> 01:13:14,930

open-minded just as the early church

1767

01:13:20,110 --> 01:13:17,540

fathers were so that's the best that guy

1768

01:13:23,500 --> 01:13:20,120

yeah there's a question that just popped

1769

01:13:25,330 --> 01:13:23,510

up here quote the Scriptures your

1770

01:13:27,340 --> 01:13:25,340

reference please as I see I'm not going

1771

01:13:28,690 --> 01:13:27,350

to do that because here we go we're

1772

01:13:30,040 --> 01:13:28,700

going to get bogged down and this says

1773

01:13:32,709 --> 01:13:30,050

somehow it doesn't happen on my show

1774

01:13:34,300 --> 01:13:32,719

Martin you know people blaming me for

1775

01:13:39,190 --> 01:13:34,310

not espousing their own religious

1776

01:13:42,310 --> 01:13:39,200

beliefs if you read for example one one

1777

01:13:44,640 --> 01:13:42,320

for you Gospel of Matthew and it says

1778

01:13:47,350 --> 01:13:44,650

it's probably the most misinterpreted

1779

01:13:49,209 --> 01:13:47,360

passage in the whole New Testament love

1780

01:13:51,520 --> 01:13:49,219

your neighbor as yourself you know what

1781

01:13:51,910 --> 01:13:51,530

it says in Greek the word sweatin is in

1782

01:13:54,060 --> 01:13:51,920

there

1783

01:13:58,240 --> 01:13:54,070

love your neighbor because he is

1784

01:14:00,880 --> 01:13:58,250

yourself now isn't that different so I

1785

01:14:02,920 --> 01:14:00,890

mean you know go learn Greek we didn't

1786

01:14:04,270 --> 01:14:02,930

Greek or read the Old Testament in

1787

01:14:06,700 --> 01:14:04,280

Hebrew I could of course mark the Gospel

1788

01:14:08,440 --> 01:14:06,710

of Mark is written in Aramaic so you

1789

01:14:10,600 --> 01:14:08,450

know well I'm not gonna get into a duel

1790

01:14:14,430 --> 01:14:10,610

over this yeah yeah no problem

1791

01:14:16,959 --> 01:14:14,440

so Celeste wrote this to me actually and

1792

01:14:18,880 --> 01:14:16,969

so this goes back to the Tom DeLonge

1793

01:14:22,690 --> 01:14:18,890

thing we were talking about Martin if

1794

01:14:25,959 --> 01:14:22,700

you read the 63 page Investor document

1795

01:14:29,110 --> 01:14:25,969

on to the Stars website there's a lot of

1796

01:14:31,750 --> 01:14:29,120

information so Thank You Celeste so

1797

01:14:35,290 --> 01:14:31,760

anyone that listens to that that heard

1798

01:14:37,120 --> 01:14:35,300

our earlier comment about Tom DeLonge it

1799

01:14:40,150 --> 01:14:37,130

seems to be Tom DeLonge seems to be in

1800

01:14:41,770 --> 01:14:40,160

the news a lot in the UFO field it seems

1801
01:14:44,770 --> 01:14:41,780
like everybody's talking about that

1802
01:14:47,080 --> 01:14:44,780
whole situation

1803
01:14:48,589 --> 01:14:47,090
I know you do other things but have you

1804
01:14:50,990 --> 01:14:48,599
followed any of that at all

1805
01:14:52,700 --> 01:14:51,000
yeah followed it's relatively recent as

1806
01:14:54,260 --> 01:14:52,710
I say I don't know a lot about I don't

1807
01:14:57,859 --> 01:14:54,270
know him I don't know a lot about it I

1808
01:15:00,589 --> 01:14:57,869
just you know from past experience with

1809
01:15:03,560 --> 01:15:00,599
with groups like this I just I wonder

1810
01:15:05,240 --> 01:15:03,570
what it's really about I am it's not up

1811
01:15:08,030 --> 01:15:05,250
to me to question his sincerity I have

1812
01:15:09,310 --> 01:15:08,040
no reason to do that I just you know

1813
01:15:12,410 --> 01:15:09,320

there are a lot of questions that

1814

01:15:17,720 --> 01:15:12,420

hopefully will be answered as as this as

1815

01:15:21,020 --> 01:15:17,730

this project matures the thing again

1816

01:15:22,669 --> 01:15:21,030

with the the security clearances if

1817

01:15:26,510 --> 01:15:22,679

there are a lot of people involved who

1818

01:15:28,520 --> 01:15:26,520

had clearances I I'm skeptical in a way

1819

01:15:33,260 --> 01:15:28,530

unless they have permission from someone

1820

01:15:35,660 --> 01:15:33,270

high up and that's not easy to get to to

1821

01:15:36,800 --> 01:15:35,670

declare to have to use Declassified

1822

01:15:39,560 --> 01:15:36,810

whether you don't any depression these

1823

01:15:41,479 --> 01:15:39,570

Declassified information but I just it

1824

01:15:43,129 --> 01:15:41,489

seems to be kind of a muddle maybe it's

1825

01:15:45,979 --> 01:15:43,139

just me I just don't understand it

1826

01:15:48,229 --> 01:15:45,989

properly but again that security oath

1827

01:15:50,300 --> 01:15:48,239

stays with you for your whole life and

1828

01:15:53,450 --> 01:15:50,310

if people are just sort of coming

1829

01:15:55,250 --> 01:15:53,460

forward they're taking a big risk of

1830

01:15:57,250 --> 01:15:55,260

course today maybe things have changed I

1831

01:16:00,410 --> 01:15:57,260

don't know yeah I would think so I was

1832

01:16:03,350 --> 01:16:00,420

there was one in particular that was

1833

01:16:05,660 --> 01:16:03,360

saying that he studied UFOs you know

1834

01:16:07,760 --> 01:16:05,670

which is pretty amazing

1835

01:16:09,950 --> 01:16:07,770

since the Air Force supposedly got out

1836

01:16:14,149 --> 01:16:09,960

of that you know back in the 70s

1837

01:16:16,160 --> 01:16:14,159

mm-hmm so yeah that I can understand you

1838

01:16:17,720 --> 01:16:16,170

know what type of trouble he'd be in for

1839

01:16:20,030 --> 01:16:17,730

talk about that well one of the things

1840

01:16:23,120 --> 01:16:20,040

that's confusing is that projects are

1841

01:16:24,740 --> 01:16:23,130

often renamed maybe a project Stargate

1842

01:16:27,229 --> 01:16:24,750

that started on the 60s you know to

1843

01:16:28,819 --> 01:16:27,239

mimic the Soviet program to work with

1844

01:16:30,200 --> 01:16:28,829

psychics and you know people say oh all

1845

01:16:31,370 --> 01:16:30,210

it ended of the nineties well we don't

1846

01:16:35,120 --> 01:16:31,380

know that I mean I've had a different

1847

01:16:36,500 --> 01:16:35,130

name as the project Bluebook a Stanton

1848

01:16:40,310 --> 01:16:36,510

Friedman will tell you there was a PR

1849

01:16:42,530 --> 01:16:40,320

exercise essentially so I mean it's just

1850

01:16:44,359 --> 01:16:42,540

keep them guessing keep them looking the

1851

01:16:47,540 --> 01:16:44,369

other way that's how it works yeah

1852

01:16:50,000 --> 01:16:47,550

all right here's this question here how

1853

01:16:52,250 --> 01:16:50,010

come the leakers never leaked anything

1854

01:16:54,560 --> 01:16:52,260

technical something that without

1855

01:16:57,560 --> 01:16:54,570

question proves the government has alien

1856

01:17:02,239 --> 01:16:57,570

technology that's been his complaint

1857

01:17:04,609 --> 01:17:02,249

with mj-12 well again that's a good

1858

01:17:07,489 --> 01:17:04,619

now the leakers may be part of the

1859

01:17:09,200 --> 01:17:07,499

agenda as I say leaking inaccurate

1860

01:17:11,000 --> 01:17:09,210

information from accurate sources and

1861

01:17:13,040 --> 01:17:11,010

vice-versa that that's actually a

1862

01:17:14,839 --> 01:17:13,050

technique that is considered rather

1863

01:17:16,939 --> 01:17:14,849

important at least in my day and it was

1864

01:17:20,870 --> 01:17:16,949

back in the 80s but I can't imagine that

1865

01:17:22,660 --> 01:17:20,880

would have changed technical I assume

1866

01:17:26,600 --> 01:17:22,670

technically you mean nuts-and-bolts

1867

01:17:29,180 --> 01:17:26,610

technology or technology that's beyond

1868

01:17:31,189 --> 01:17:29,190

that as we've said there there is some

1869

01:17:33,229 --> 01:17:31,199

opinion out there that I happen to

1870

01:17:36,410 --> 01:17:33,239

respect that may at least some of these

1871

01:17:38,739 --> 01:17:36,420

UFOs are not alien craft as such but

1872

01:17:41,899 --> 01:17:38,749

that they're living creatures baby

1873

01:17:44,870 --> 01:17:41,909

something that would be beyond as far as

1874

01:17:46,969 --> 01:17:44,880

we know our science so there may very

1875

01:17:48,469 --> 01:17:46,979

well be alien technology that is in the

1876

01:17:53,649 --> 01:17:48,479

possession of the government or the

1877

01:17:56,209 --> 01:17:53,659

corporate world or both and so again I I

1878

01:17:57,950 --> 01:17:56,219

don't really know since I'm not part of

1879

01:17:59,359 --> 01:17:57,960

the in-crowd in that but you know as I

1880

01:18:01,489 --> 01:17:59,369

say what would the security clearance I

1881

01:18:03,729 --> 01:18:01,499

think that they may be an agenda behind

1882

01:18:07,910 --> 01:18:03,739

what is being released and why and when

1883

01:18:09,890 --> 01:18:07,920

yeah you know a lot of people have

1884

01:18:13,279 --> 01:18:09,900

speculated about you know when it comes

1885

01:18:14,689 --> 01:18:13,289

to government knowing or getting it into

1886

01:18:15,979 --> 01:18:14,699

the private sector I've noticed you

1887

01:18:19,219 --> 01:18:15,989

mentioned that a few different times

1888

01:18:21,620 --> 01:18:19,229

yeah today which actually makes sense I

1889

01:18:24,410 --> 01:18:21,630

mean secrets could be kept a lot easier

1890

01:18:26,209 --> 01:18:24,420

if it was kept in the private sector and

1891

01:18:31,850 --> 01:18:26,219

the question has come up many times on

1892

01:18:33,080 --> 01:18:31,860

this show to guests posed in this way do

1893

01:18:35,410 --> 01:18:33,090

you think the government actually knows

1894

01:18:37,310 --> 01:18:35,420

what's going on when it comes to UFOs

1895

01:18:40,339 --> 01:18:37,320

what did what are your thoughts on that

1896

01:18:41,689 --> 01:18:40,349

well if you really want my thoughts on

1897

01:18:45,259 --> 01:18:41,699

this Bart I'll have to get into

1898

01:18:49,700 --> 01:18:45,269

something that is a little scary maybe a

1899

01:18:53,419 --> 01:18:49,710

lot scary wouldn't we love to weaponize

1900

01:18:55,160 --> 01:18:53,429

the paranormal to make it appear that we

1901

01:18:58,009 --> 01:18:55,170

can manipulate space and time in the

1902

01:19:01,669 --> 01:18:58,019

face of an enemy I think that if this

1903

01:19:03,830 --> 01:19:01,679

multiverse thing is correct that maybe

1904

01:19:05,930 --> 01:19:03,840

the big secret I think we'd be very

1905

01:19:09,229 --> 01:19:05,940

comfortable you know we all grew up with

1906

01:19:12,109 --> 01:19:09,239

Chewbacca and all these guys you know I

1907

01:19:14,000 --> 01:19:12,119

think we'd be very comfortable if we not

1908

01:19:14,250 --> 01:19:14,010

bury cover we'd be intrigued we wouldn't

1909

01:19:18,479 --> 01:19:14,260

be

1910

01:19:20,160 --> 01:19:18,489

that there are as life on some of these

1911

01:19:22,259 --> 01:19:20,170

exoplanets that have been discovered if

1912

01:19:24,419 --> 01:19:22,269

we have some way to know that even if

1913

01:19:25,919 --> 01:19:24,429

they were visiting here in their craft I

1914

01:19:28,410 --> 01:19:25,929

think we could deal with that

1915

01:19:30,359 --> 01:19:28,420

however the despite any problems with

1916

01:19:33,450 --> 01:19:30,369

alien microbes that were leaving that

1917

01:19:35,129 --> 01:19:33,460

aside however if this multi-verse thing

1918

01:19:37,770 --> 01:19:35,139

is correct and this stuff is right next

1919

01:19:39,870 --> 01:19:37,780

to us all the time and all possibilities

1920

01:19:42,000 --> 01:19:39,880

are out there including our fondest

1921

01:19:44,339 --> 01:19:42,010

dreams and our worst nightmares and if

1922

01:19:47,009 --> 01:19:44,349

these parasites and things are next to

1923

01:19:50,069 --> 01:19:47,019

us all the time and have access to our

1924

01:19:53,970 --> 01:19:50,079

conscious worlds I think that would

1925

01:19:57,089 --> 01:19:53,980

really be scary I just think it's it

1926

01:20:00,899 --> 01:19:57,099

would be terrifying and I think that may

1927

01:20:02,189 --> 01:20:00,909

be part of the secret because well we've

1928

01:20:03,839 --> 01:20:02,199

been threatened because I could say all

1929

01:20:05,339 --> 01:20:03,849

of us I think have been at one point

1930

01:20:06,660 --> 01:20:05,349

right now that you know and this sort of

1931

01:20:09,629 --> 01:20:06,670

thing you're too close to the truth or

1932

01:20:13,470 --> 01:20:09,639

whatever because when we in dealing with

1933

01:20:15,180 --> 01:20:13,480

the indigenous people such as the well

1934

01:20:18,930 --> 01:20:15,190

the Australian Aborigines I spent some

1935

01:20:20,069 --> 01:20:18,940

time 1979 with one of the elders and he

1936

01:20:22,020 --> 01:20:20,079

said that you know you're on the right

1937

01:20:23,609 --> 01:20:22,030

track that's what we do as shaman we go

1938

01:20:25,140 --> 01:20:23,619

into these parallel worlds get what we

1939

01:20:27,600 --> 01:20:25,150

need and bring it back and make it real

1940

01:20:29,100 --> 01:20:27,610

a physicist would call it collapsing the

1941

01:20:30,870 --> 01:20:29,110

wavefunction

1942

01:20:32,669 --> 01:20:30,880

so this is a thirty thousand year old

1943

01:20:34,560 --> 01:20:32,679

culture and they know all about this

1944

01:20:37,229 --> 01:20:34,570

stuff at least from what he said so I

1945

01:20:39,330 --> 01:20:37,239

think that I think if that's the scary

1946

01:20:41,189 --> 01:20:39,340

part I think that that might might be

1947

01:20:43,950 --> 01:20:41,199

the big secret are part of the big

1948

01:20:48,060 --> 01:20:43,960

secret you know militarizing the

1949

01:20:50,399 --> 01:20:48,070

multiverse Wow yeah yeah that is that is

1950

01:20:54,089 --> 01:20:50,409

scary and I've always you know I've

1951

01:21:00,450 --> 01:20:54,099

always had kind of the thought that if

1952

01:21:02,160 --> 01:21:00,460

UFOs were say and in ETS instead of you

1953

01:21:04,470 --> 01:21:02,170

know what you're talking about or the

1954

01:21:07,620 --> 01:21:04,480

possibility they're merely gonna be

1955

01:21:10,040 --> 01:21:07,630

maybe the government has the same amount

1956

01:21:13,140 --> 01:21:10,050

of information we have which is nothing

1957

01:21:14,759 --> 01:21:13,150

well I'm not saying that the idea of

1958

01:21:17,399 --> 01:21:14,769

manatsu both craft or that they aren't

1959

01:21:19,560 --> 01:21:17,409

being stored with alien bodies I'm not

1960

01:21:20,729 --> 01:21:19,570

saying that's not correct I did I think

1961

01:21:22,830 --> 01:21:20,739

that we have to consider other

1962

01:21:24,419 --> 01:21:22,840

possibilities and that there may all of

1963

01:21:26,580 --> 01:21:24,429

these possibilities may be true or none

1964

01:21:27,330 --> 01:21:26,590

of them may be true so that's well

1965

01:21:30,359 --> 01:21:27,340

that's

1966

01:21:32,250 --> 01:21:30,369

well-put so a little bit off-topic here

1967

01:21:34,470 --> 01:21:32,260

but I remember you talking about this

1968

01:21:36,270 --> 01:21:34,480

before someone wants to know if you have

1969

01:21:38,760 --> 01:21:36,280

any updates on the mysterious farm in

1970

01:21:40,859 --> 01:21:38,770

Litchfield County ok well let's let's

1971

01:21:41,939 --> 01:21:40,869

reel County Connecticut and it's the the

1972

01:21:43,169 --> 01:21:41,949

Litchfield trying to lure the

1973

01:21:46,439 --> 01:21:43,179

Connecticut triangle is we sometimes

1974

01:21:49,439 --> 01:21:46,449

talk about I don't know what the

1975

01:21:50,939 --> 01:21:49,449

listeners information is or how updated

1976

01:21:52,530 --> 01:21:50,949

it is if she's been to one of our recent

1977

01:21:55,310 --> 01:21:52,540

lectures we always update people when we

1978

01:21:58,560 --> 01:21:55,320

speak on this we call it the funny farm

1979

01:22:01,379 --> 01:21:58,570

essentially we it's it's an old farm now

1980

01:22:03,120 --> 01:22:01,389

we discovered it in 2010 there was all

1981

01:22:05,490 --> 01:22:03,130

sorts of military activity going on in

1982

01:22:09,990 --> 01:22:05,500

the area ground troops that they didn't

1983

01:22:11,250 --> 01:22:10,000

care who knew it excuse me and this of

1984

01:22:13,050 --> 01:22:11,260

course is the center of the Flat Barry

1985

01:22:14,970 --> 01:22:13,060

and again talking about militarizing the

1986

01:22:16,850 --> 01:22:14,980

paranormal how do you do that you study

1987

01:22:20,520 --> 01:22:16,860

it and you have to go to where the

1988

01:22:23,040 --> 01:22:20,530

intersect overwash and overlap points

1989

01:22:26,310 --> 01:22:23,050

are between would have like the portals

1990

01:22:27,959 --> 01:22:26,320

in a way well port could be portals we

1991

01:22:30,000 --> 01:22:27,969

think that it's bigger than that that

1992

01:22:33,149 --> 01:22:30,010

the whole areas are affected by these

1993

01:22:35,100 --> 01:22:33,159

overlaps of the brains of parallel

1994

01:22:36,750 --> 01:22:35,110

worlds where you might have different

1995

01:22:38,550 --> 01:22:36,760

laws of physics which is why I could

1996

01:22:41,010 --> 01:22:38,560

stand in that kitchen in Bridgeport and

1997

01:22:42,359 --> 01:22:41,020

74 were those police and police officers

1998

01:22:44,280 --> 01:22:42,369

and firefighters and watch the

1999

01:22:46,260 --> 01:22:44,290

refrigerator float there may have been

2000

01:22:48,899 --> 01:22:46,270

an over wash of a world where that the

2001
01:22:50,339 --> 01:22:48,909
thing was almost weightless because

2002
01:22:53,399 --> 01:22:50,349
of the laws of physics being very

2003
01:22:54,990 --> 01:22:53,409
different that's one thought rather than

2004
01:22:56,430 --> 01:22:55,000
a ghost lifting the thing up I don't

2005
01:22:57,720 --> 01:22:56,440
think that that's really what happened

2006
01:23:00,169 --> 01:22:57,730
is I didn't feel any presence at the

2007
01:23:04,140 --> 01:23:00,179
time so in Litchfield we had this farm

2008
01:23:06,810 --> 01:23:04,150
there was no farming it was all broken

2009
01:23:09,240 --> 01:23:06,820
down except for one building which

2010
01:23:11,390 --> 01:23:09,250
appeared to be a house the military

2011
01:23:14,580 --> 01:23:11,400
activity seemed to be present at this

2012
01:23:17,910 --> 01:23:14,590
location seemed to be the center and we

2013
01:23:19,890 --> 01:23:17,920

have found some of the most recent

2014

01:23:21,750 --> 01:23:19,900

information involves some of my old

2015

01:23:27,180 --> 01:23:21,760

contacts in the intelligence community

2016

01:23:30,959 --> 01:23:27,190

and we were told again after 2012 2013

2017

01:23:33,810 --> 01:23:30,969

2014 by 2015 the the center building the

2018

01:23:35,669 --> 01:23:33,820

old barn had been totally rebuilt the

2019

01:23:38,330 --> 01:23:35,679

two silos had remained standing for some

2020

01:23:41,400 --> 01:23:38,340

reason the place has the name of a farm

2021

01:23:43,200 --> 01:23:41,410

which is on a different

2022

01:23:44,790 --> 01:23:43,210

in Connecticut and there's Connecticut

2023

01:23:46,050 --> 01:23:44,800

state law that says to farms can't have

2024

01:23:47,370 --> 01:23:46,060

the same name believe it or not

2025

01:23:49,979 --> 01:23:47,380

everything's fishy about the place

2026

01:23:51,420 --> 01:23:49,989

seized and that the doors look like

2027

01:23:54,090 --> 01:23:51,430

they've never been open the building is

2028

01:23:56,040 --> 01:23:54,100

empty from everything we can see and yet

2029

01:23:58,170 --> 01:23:56,050

there is there's a lot of excavation

2030

01:24:00,060 --> 01:23:58,180

there's some evidence of ventilation

2031

01:24:01,290 --> 01:24:00,070

underground perhaps an underground

2032

01:24:02,760 --> 01:24:01,300

base's everybody thinks well you're

2033

01:24:05,160 --> 01:24:02,770

paranoid but the underground bases are

2034

01:24:06,479 --> 01:24:05,170

not unusual in the global military

2035

01:24:08,490 --> 01:24:06,489

community and there are a lot of

2036

01:24:10,890 --> 01:24:08,500

underground bases whether that's what

2037

01:24:14,130 --> 01:24:10,900

this is we don't know however we have

2038

01:24:17,430 --> 01:24:14,140

learned we learned year-and-a-half ago

2039

01:24:20,430 --> 01:24:17,440

or so that the strange building across

2040

01:24:23,070 --> 01:24:20,440

the road from this but the dirt road

2041

01:24:25,080 --> 01:24:23,080

from this actual farm where wires are

2042

01:24:27,780 --> 01:24:25,090

going down coming up out of the ground

2043

01:24:33,330 --> 01:24:27,790

going over to the farm is owned by the

2044

01:24:37,170 --> 01:24:33,340

US Army it's part of a of a the Gwen the

2045

01:24:40,380 --> 01:24:37,180

ground wave emergency network which is

2046

01:24:42,690 --> 01:24:40,390

supposed to be rather chillingly and

2047

01:24:45,300 --> 01:24:42,700

network for communication before during

2048

01:24:47,130 --> 01:24:45,310

and after a nuclear war however the

2049

01:24:49,590 --> 01:24:47,140

building is rather there's a windowless

2050

01:24:52,620 --> 01:24:49,600

building with cinder blocks and there's

2051

01:24:54,500 --> 01:24:52,630

an antenna painted as one would be in an

2052

01:24:57,630 --> 01:24:54,510

airport also alternating red and white

2053

01:24:59,550 --> 01:24:57,640

now Gwen there's another mysterious

2054

01:25:00,000 --> 01:24:59,560

installation on mohawk Mountain near

2055

01:25:04,560 --> 01:25:00,010

here

2056

01:25:06,810 --> 01:25:04,570

claim to know what is because my

2057

01:25:09,479 --> 01:25:06,820

technology is 40 years old from the

2058

01:25:11,520 --> 01:25:09,489

military however we have taken a lot of

2059

01:25:13,290 --> 01:25:11,530

pictures and they say it's it's

2060

01:25:16,290 --> 01:25:13,300

broadcasting something it's sending out

2061

01:25:18,150 --> 01:25:16,300

our indication is that it's VLF sound

2062

01:25:20,760 --> 01:25:18,160

waves of very low frequency sound waves

2063

01:25:24,030 --> 01:25:20,770

which have been known to influence human

2064

01:25:26,010 --> 01:25:24,040

behavior one of the areas that we've

2065

01:25:29,490 --> 01:25:26,020

looked at in this in this triangle or

2066

01:25:34,170 --> 01:25:29,500

flap area has been changes in public

2067

01:25:34,590 --> 01:25:34,180

behavior there was a period in in I'm

2068

01:25:38,100 --> 01:25:34,600

sorry

2069

01:25:40,800 --> 01:25:38,110

I said really oh yeah yes yes one of the

2070

01:25:42,660 --> 01:25:40,810

one of the situations was in 2009 and

2071

01:25:46,050 --> 01:25:42,670

2010 when this military activity was

2072

01:25:47,910 --> 01:25:46,060

going on and then later as well over the

2073

01:25:50,520 --> 01:25:47,920

next few years this behavior would

2074

01:25:52,770 --> 01:25:50,530

alternate it started with people driving

2075

01:25:54,190 --> 01:25:52,780

on the wrong side of the road in numbers

2076

01:25:55,720 --> 01:25:54,200

way beyond the statistical

2077

01:25:58,510 --> 01:25:55,730

probability for the population of this

2078

01:26:00,640 --> 01:25:58,520

area when that was noticed in the press

2079

01:26:02,410 --> 01:26:00,650

and in social media it changed and

2080

01:26:06,490 --> 01:26:02,420

people started driving off the road and

2081

01:26:07,900 --> 01:26:06,500

hitting trees in ridiculous numbers then

2082

01:26:10,840 --> 01:26:07,910

all of a sudden when that was noticed

2083

01:26:13,390 --> 01:26:10,850

there were suicides in ludicrous numbers

2084

01:26:15,850 --> 01:26:13,400

in this area very obviously very

2085

01:26:17,050 --> 01:26:15,860

chilling now whether I'm not saying it

2086

01:26:18,790 --> 01:26:17,060

was connect I don't know but it's very

2087

01:26:21,100 --> 01:26:18,800

suspicious with the presence of these

2088

01:26:25,090 --> 01:26:21,110

things and in many of the Gwenn sites

2089

01:26:27,490 --> 01:26:25,100

there do seem to be these things that

2090

01:26:29,440 --> 01:26:27,500

would that would broadcast these waves

2091

01:26:31,810 --> 01:26:29,450

rather than just receive radio signals

2092

01:26:34,870 --> 01:26:31,820

from you know any sort of military

2093

01:26:37,570 --> 01:26:34,880

activity of that regard so there were

2094

01:26:39,460 --> 01:26:37,580

people people in 2009-2010 would be

2095

01:26:41,200 --> 01:26:39,470

walking their dog mcdhh Antonio knows

2096

01:26:45,670 --> 01:26:41,210

about this because he lives in that area

2097

01:26:48,040 --> 01:26:45,680

and he cites the example of a friend who

2098

01:26:50,380 --> 01:26:48,050

would fish this one area of all his life

2099

01:26:54,160 --> 01:26:50,390

is it since he was a kid I'm son humbiy

2100

01:26:57,010 --> 01:26:54,170

pull Humvee pulls up guys with m16s get

2101

01:26:59,020 --> 01:26:57,020

out and tell him gently but firmly that

2102

01:27:01,660 --> 01:26:59,030

he could not fish there anymore yes

2103

01:27:03,070 --> 01:27:01,670

there were people who had walked their

2104

01:27:04,840 --> 01:27:03,080

dogs to the edge of their property be

2105

01:27:06,100 --> 01:27:04,850

stopped by people with m16s I said they

2106

01:27:08,920 --> 01:27:06,110

couldn't do this these people were

2107

01:27:10,900 --> 01:27:08,930

either in camo or in black so word that

2108

01:27:14,230 --> 01:27:10,910

was this the military or is it corporate

2109

01:27:16,150 --> 01:27:14,240

they thought the funny farm is owned by

2110

01:27:19,090 --> 01:27:16,160

an absentee landlord who happens to own

2111

01:27:21,100 --> 01:27:19,100

an aerospace company so Abby you line up

2112

01:27:22,450 --> 01:27:21,110

the ducks here yeah and the

2113

01:27:23,770 --> 01:27:22,460

circumstantial evidence is rather

2114

01:27:25,450 --> 01:27:23,780

overwhelming that something weird is

2115

01:27:29,260 --> 01:27:25,460

going on we believe they were searching

2116

01:27:32,170 --> 01:27:29,270

the multiversal factors involved in this

2117

01:27:35,050 --> 01:27:32,180

flap area and ban has had some weird

2118

01:27:37,720 --> 01:27:35,060

experiences there too we had one

2119

01:27:39,280 --> 01:27:37,730

occasion what we had there's one as you

2120

01:27:41,470 --> 01:27:39,290

can see this video if you go to our

2121

01:27:43,450 --> 01:27:41,480

Facebook page the show Facebook page

2122

01:27:47,440 --> 01:27:43,460

behind the paranormal Paul and then you

2123

01:27:49,840 --> 01:27:47,450

know in 2010 the little boy at point one

2124

01:27:52,120 --> 01:27:49,850

we call it point one of the triangle

2125

01:27:54,700 --> 01:27:52,130

which was a 1793 farm house where all

2126

01:27:56,380 --> 01:27:54,710

this our research began in 2005 we've

2127

01:27:58,420 --> 01:27:56,390

been researching this case for 12 years

2128

01:28:02,260 --> 01:27:58,430

the little four-year-old boy in the

2129

01:28:06,280 --> 01:28:02,270

house said his invisible friend a Schwar

2130

01:28:08,020 --> 01:28:06,290

was in the tree outside so we were there

2131

01:28:09,970 --> 01:28:08,030

with with a film crew from the

2132

01:28:11,920 --> 01:28:09,980

we're doing a pilot for one of our board

2133

01:28:14,050 --> 01:28:11,930

of TV shows that the network's always

2134

01:28:16,750 --> 01:28:14,060

come back and say in so many words we're

2135

01:28:18,370 --> 01:28:16,760

too intelligent which I hope will change

2136

01:28:19,720 --> 01:28:18,380

because I think people are sick of

2137

01:28:22,300 --> 01:28:19,730

people screaming and running out of

2138

01:28:23,800 --> 01:28:22,310

houses know this business and we pointed

2139

01:28:25,600 --> 01:28:23,810

the infrared camera up into the tree and

2140

01:28:27,100 --> 01:28:25,610

you can see this video it's the first

2141

01:28:28,270 --> 01:28:27,110

video on the behind the paranormal

2142

01:28:32,110 --> 01:28:28,280

Facebook page

2143

01:28:34,750 --> 01:28:32,120

almost tadpole-like creature white is

2144

01:28:38,440 --> 01:28:34,760

coming down out of this tree about six

2145

01:28:41,440 --> 01:28:38,450

seconds in and vanishing in the last

2146

01:28:44,950 --> 01:28:41,450

frame and I saw that yeah yeah yeah so

2147

01:28:48,450 --> 01:28:44,960

was that a shuara by I don't know and

2148

01:28:50,410 --> 01:28:48,460

our intrepid cohort shakeseare way

2149

01:28:52,420 --> 01:28:50,420

happened to be lowered doing some

2150

01:28:55,240 --> 01:28:52,430

research and looked in some of the

2151
01:28:57,820 --> 01:28:55,250
indigenous peoples of Latin America and

2152
01:28:59,770 --> 01:28:57,830
well yeah Central American South America

2153
01:29:02,230 --> 01:28:59,780
and found out that there in some

2154
01:29:05,380 --> 01:29:02,240
cultures there are there is the the word

2155
01:29:08,440 --> 01:29:05,390
a schwa race eh ua r which means the

2156
01:29:10,960 --> 01:29:08,450
tree people or tree spirits and this

2157
01:29:13,990 --> 01:29:10,970
little boy said a schwarz people live in

2158
01:29:15,970 --> 01:29:14,000
trees that is really bizarre so yeah

2159
01:29:17,410 --> 01:29:15,980
could that just be coincidence I mean

2160
01:29:18,760 --> 01:29:17,420
there's anything a vehicle well I don't

2161
01:29:21,250 --> 01:29:18,770
believe in coincidence I don't know what

2162
01:29:22,840 --> 01:29:21,260
you are when it comes to stuff like this

2163
01:29:24,670 --> 01:29:22,850

yeah it's possible

2164

01:29:26,890 --> 01:29:24,680

I mean but a little four-year-old boy in

2165

01:29:29,500 --> 01:29:26,900

Connecticut yeah knowing the word a

2166

01:29:31,240 --> 01:29:29,510

Schwar that that's kind of too much of a

2167

01:29:33,400 --> 01:29:31,250

coincidence for me I don't know

2168

01:29:35,020 --> 01:29:33,410

yeah that's bizarre yeah oh this is all

2169

01:29:37,510 --> 01:29:35,030

in this weird flat berry with a funny

2170

01:29:40,240 --> 01:29:37,520

farm is so that's now how close can you

2171

01:29:42,760 --> 01:29:40,250

get to that by car you have to know

2172

01:29:45,130 --> 01:29:42,770

where it is the the gate is that you

2173

01:29:48,010 --> 01:29:45,140

could get there well we haven't been we

2174

01:29:49,570 --> 01:29:48,020

haven't been well I shouldn't say how do

2175

01:29:54,250 --> 01:29:49,580

you how do you cover a case of this

2176

01:29:56,770 --> 01:29:54,260

scope our show has a series of reporters

2177

01:30:00,550 --> 01:29:56,780

and we have set up sort of a spy network

2178

01:30:02,080 --> 01:30:00,560

in areas like this we and we have six of

2179

01:30:05,020 --> 01:30:02,090

these things kind of going around the

2180

01:30:06,580 --> 01:30:05,030

world and essentially we make sure they

2181

01:30:08,500 --> 01:30:06,590

don't know if possible make sure they

2182

01:30:10,360 --> 01:30:08,510

don't know each other so there's no

2183

01:30:13,840 --> 01:30:10,370

suggestibility involved and they simply

2184

01:30:16,060 --> 01:30:13,850

feed us information one of our spies is

2185

01:30:18,610 --> 01:30:16,070

one actually one of our show producers

2186

01:30:19,399 --> 01:30:18,620

who is totally crazy as far as I'm

2187

01:30:22,669 --> 01:30:19,409

concerned when it comes to the

2188

01:30:24,350 --> 01:30:22,679

farm and she will actually pull up and

2189

01:30:26,120 --> 01:30:24,360

she's actually walked in through the

2190

01:30:27,620 --> 01:30:26,130

gate which is almost never open she's

2191

01:30:29,390 --> 01:30:27,630

found it open on several occasions and

2192

01:30:30,770 --> 01:30:29,400

all she's really found and there was a

2193

01:30:32,689 --> 01:30:30,780

dog and there were two government

2194

01:30:35,750 --> 01:30:32,699

looking kind of vehicles that she sent

2195

01:30:38,209 --> 01:30:35,760

photographs of but it's it's very and

2196

01:30:39,770 --> 01:30:38,219

she's also with with someone else kind

2197

01:30:42,379 --> 01:30:39,780

of hiked around the edge of the property

2198

01:30:44,270 --> 01:30:42,389

and we have some plans to be working

2199

01:30:45,319 --> 01:30:44,280

there with Mark Dantonio but with doing

2200

01:30:45,949 --> 01:30:45,329

some other things right I really don't

2201

01:30:48,560 --> 01:30:45,959

want to say

2202

01:30:50,319 --> 01:30:48,570

for obvious reasons but we've got a lot

2203

01:30:53,569 --> 01:30:50,329

more plans to do some observing and

2204

01:30:57,350 --> 01:30:53,579

there are some when I was in the

2205

01:30:58,819 --> 01:30:57,360

military actually they were sensors and

2206

01:31:01,939 --> 01:30:58,829

listening devices that actually looked

2207

01:31:03,830 --> 01:31:01,949

like the knots of trees that could be

2208

01:31:05,929 --> 01:31:03,840

put on trees strange as it sounds and

2209

01:31:08,509 --> 01:31:05,939

that was in the 80s and there and I'll

2210

01:31:09,919 --> 01:31:08,519

be darned if it's not some of the stuff

2211

01:31:12,140 --> 01:31:09,929

that I've seen around around that

2212

01:31:14,569 --> 01:31:12,150

property so we're going to be doing some

2213

01:31:16,879 --> 01:31:14,579

some some work and some kinds of stuff

2214

01:31:18,109 --> 01:31:16,889

going on but one of our contacts in the

2215

01:31:19,729 --> 01:31:18,119

intelligence community checked the

2216

01:31:23,689 --> 01:31:19,739

address and said back off

2217

01:31:25,189 --> 01:31:23,699

really yes so in other words yes another

2218

01:31:26,449 --> 01:31:25,199

one in Pennsylvania he said well that

2219

01:31:28,370 --> 01:31:26,459

you got the wrong place because you know

2220

01:31:29,540 --> 01:31:28,380

there's always an equip equivalent place

2221

01:31:30,919 --> 01:31:29,550

weren't working the Pennsylvania

2222

01:31:32,239 --> 01:31:30,929

triangle as well but that's only two

2223

01:31:34,129 --> 01:31:32,249

years old may take us another ten years

2224

01:31:36,140 --> 01:31:34,139

to get to where that the activity is

2225

01:31:38,600 --> 01:31:36,150

centered so anyway but that's the latest

2226

01:31:41,899 --> 01:31:38,610

on the funny farm yeah farmer I love

2227

01:31:44,359 --> 01:31:41,909

that so Bob I just let the listener know

2228

01:31:46,429 --> 01:31:44,369

that listens to the everything else show

2229

01:31:50,270 --> 01:31:46,439

which is on Monday night not every

2230

01:31:52,669 --> 01:31:50,280

Monday night but mostly every week or

2231

01:31:54,439 --> 01:31:52,679

every other week or so I have Sam

2232

01:31:57,140 --> 01:31:54,449

moranto who's actually been on this show

2233

01:31:59,270 --> 01:31:57,150

a number of times he's a UFO researcher

2234

01:32:01,939 --> 01:31:59,280

in Chicago but he's going to be doing a

2235

01:32:05,270 --> 01:32:01,949

show on the everything else show about

2236

01:32:07,729 --> 01:32:05,280

the Mothman case that's recently popped

2237

01:32:10,339 --> 01:32:07,739

up in Chicago and Bobby wrote me today

2238

01:32:11,390 --> 01:32:10,349

and asked me to ask you if you knew

2239

01:32:15,439 --> 01:32:11,400

anything about that

2240

01:32:16,759 --> 01:32:15,449

Oh actually uh well the Mothman we made

2241

01:32:19,219 --> 01:32:16,769

a study of that because that that's one

2242

01:32:20,959 --> 01:32:19,229

of the flap areas the Ohio Valley

2243

01:32:24,469 --> 01:32:20,969

certainly in the Point Pleasant

2244

01:32:26,719 --> 01:32:24,479

Parkersburg area well yeah one of the

2245

01:32:29,179 --> 01:32:26,729

things about that is that we our new

2246

01:32:31,009 --> 01:32:29,189

book behind the paranormal - Bigfoot

2247

01:32:32,659 --> 01:32:31,019

Mothman and everything monsters you

2248

01:32:32,960 --> 01:32:32,669

never heard of which came out in July we

2249

01:32:35,270 --> 01:32:32,970

met

2250

01:32:37,400 --> 01:32:35,280

to squeeze a little bit about the

2251
01:32:39,470 --> 01:32:37,410
Mothman Chicago sightings which is just

2252
01:32:40,520 --> 01:32:39,480
taking starting in April and we squeeze

2253
01:32:42,740 --> 01:32:40,530
there a few of them out of the book

2254
01:32:44,150 --> 01:32:42,750
before it with the press so what we did

2255
01:32:45,860 --> 01:32:44,160
we have made bit of a study I haven't

2256
01:32:47,390 --> 01:32:45,870
been out there ourselves yet we hope to

2257
01:32:51,170 --> 01:32:47,400
where we have some contacts out there in

2258
01:32:53,420 --> 01:32:51,180
a few spies what really I get our

2259
01:32:56,560 --> 01:32:53,430
terminology you have to be careful the

2260
01:32:59,570 --> 01:32:56,570
Mothman was a term invented by the media

2261
01:33:01,040 --> 01:32:59,580
to describe this batwing really a bat

2262
01:33:02,930 --> 01:33:01,050
winged creature didn't really look like

2263
01:33:06,560 --> 01:33:02,940

a big moth at least not to most people

2264

01:33:10,400 --> 01:33:06,570

and one of the most accurate renditions

2265

01:33:12,620 --> 01:33:10,410

of Mothman sort of replicated figures of

2266

01:33:15,560 --> 01:33:12,630

Mothman is believe it about the one

2267

01:33:17,300 --> 01:33:15,570

that's in the town square in part in one

2268

01:33:19,670 --> 01:33:17,310

Pleasant West Virginian near the museum

2269

01:33:21,470 --> 01:33:19,680

that's what that really matches the

2270

01:33:23,030 --> 01:33:21,480

descriptions of what most people said it

2271

01:33:25,460 --> 01:33:23,040

looked like very very human except with

2272

01:33:27,380 --> 01:33:25,470

these wings and a funny head the

2273

01:33:29,450 --> 01:33:27,390

creature in Chicago has been described

2274

01:33:31,310 --> 01:33:29,460

as very that like and there have been

2275

01:33:34,340 --> 01:33:31,320

more than one scene at one time the case

2276

01:33:36,650 --> 01:33:34,350

we recount in the book several witnesses

2277

01:33:38,960 --> 01:33:36,660

were by a marina on Lake Michigan and

2278

01:33:41,750 --> 01:33:38,970

they happen to see two huge bat-like

2279

01:33:44,690 --> 01:33:41,760

creatures flying in the sky over the

2280

01:33:47,210 --> 01:33:44,700

water and so there's that that's odd to

2281

01:33:49,090 --> 01:33:47,220

it to creatures instead of one so

2282

01:33:51,650 --> 01:33:49,100

Mothman I guess is a convenient term

2283

01:33:53,420 --> 01:33:51,660

coined by the press because they were

2284

01:33:56,150 --> 01:33:53,430

going to call it Batman but what

2285

01:33:58,820 --> 01:33:56,160

happened was that the Batman TV show

2286

01:34:00,710 --> 01:33:58,830

with Adam West was your about my vintage

2287

01:34:02,750 --> 01:34:00,720

a member that I thought it was really

2288

01:34:04,550 --> 01:34:02,760

I'm an Adam West recently he's you did

2289

01:34:07,970 --> 01:34:04,560

yeah he's a cool guy oh I should have

2290

01:34:09,800 --> 01:34:07,980

called the show dumb any case they were

2291

01:34:12,110 --> 01:34:09,810

afraid of a giant lawsuit so they didn't

2292

01:34:13,730 --> 01:34:12,120

dare call it Mothman this is the Batman

2293

01:34:15,230 --> 01:34:13,740

so they called it Mothman instead so

2294

01:34:17,420 --> 01:34:15,240

that's what the term but again that's

2295

01:34:19,400 --> 01:34:17,430

our terms whether it's the same creature

2296

01:34:21,650 --> 01:34:19,410

the same kind of creature or whether

2297

01:34:24,410 --> 01:34:21,660

it's predicting a disaster which I have

2298

01:34:28,670 --> 01:34:24,420

trouble with that idea these are all

2299

01:34:30,080 --> 01:34:28,680

open questions so okay so now this we're

2300

01:34:31,850 --> 01:34:30,090

skipping around a little bit because I'm

2301

01:34:34,430 --> 01:34:31,860

asking questions that have come in on

2302

01:34:37,460 --> 01:34:34,440

the chat room so Andy wanted to know

2303

01:34:40,490 --> 01:34:37,470

what your thoughts on the afterlife as

2304

01:34:41,210 --> 01:34:40,500

it relates to the multiverse that's a

2305

01:34:46,700 --> 01:34:41,220

good question

2306

01:34:49,400 --> 01:34:46,710

multiverse really say

2307

01:34:50,900 --> 01:34:49,410

and is anything that's possible as we

2308

01:34:55,400 --> 01:34:50,910

said does exist and we're the multi

2309

01:34:57,320 --> 01:34:55,410

person but death may not be possible in

2310

01:35:01,940 --> 01:34:57,330

the multiverse by it by any stretch of

2311

01:35:03,350 --> 01:35:01,950

the imagination she when when you see

2312

01:35:05,600 --> 01:35:03,360

uncle George

2313

01:35:08,060 --> 01:35:05,610

you know skipping down the street three

2314

01:35:10,370 --> 01:35:08,070

years after his funeral you may be

2315

01:35:12,290 --> 01:35:10,380

simply at an intersect point to a world

2316

01:35:13,880 --> 01:35:12,300

where uncle George never died okay

2317

01:35:14,990 --> 01:35:13,890

especially if he's skipping and he was

2318

01:35:17,600 --> 01:35:15,000

old I mean there might be different laws

2319

01:35:20,870 --> 01:35:17,610

of physics Martin I can can testify to

2320

01:35:25,390 --> 01:35:20,880

that so it's I think it's uh there is

2321

01:35:29,450 --> 01:35:25,400

death has no meaning we refer to it as

2322

01:35:31,670 --> 01:35:29,460

translation someone translated we if

2323

01:35:33,650 --> 01:35:31,680

this multi verse thing is correct you

2324

01:35:36,080 --> 01:35:33,660

you look at a tree outside your window

2325

01:35:36,950 --> 01:35:36,090

you know thousands maybe more than that

2326

01:35:40,400 --> 01:35:36,960

of leaves

2327

01:35:43,729 --> 01:35:40,410

well one leaf falls off so what you're

2328

01:35:46,040 --> 01:35:43,739

the whole tree okay there is constant

2329

01:35:49,820 --> 01:35:46,050

seems to be constant recycling it's all

2330

01:35:51,320 --> 01:35:49,830

simultaneous if Einstein was correct so

2331

01:35:53,180 --> 01:35:51,330

you can't really have reincarnation

2332

01:35:56,000 --> 01:35:53,190

because there's no pass so I can have

2333

01:35:59,209 --> 01:35:56,010

past lives however you can have parallel

2334

01:36:02,150 --> 01:35:59,219

lives from what we see one of the things

2335

01:36:04,250 --> 01:36:02,160

that we always do if we run into a

2336

01:36:06,410 --> 01:36:04,260

regression therapist someone who will

2337

01:36:10,400 --> 01:36:06,420

hypnotize you and take you back to past

2338

01:36:13,280 --> 01:36:10,410

lives is is will ask do you ever run it

2339

01:36:14,660 --> 01:36:13,290

when you hypnotize someone attempted ISM

2340

01:36:17,420 --> 01:36:14,670

it's another question I miss being

2341

01:36:20,000 --> 01:36:17,430

rehabilitated now do you ever run into

2342

01:36:22,280 --> 01:36:20,010

someone who names a date in the future

2343

01:36:25,010 --> 01:36:22,290

or describes a world that you don't

2344

01:36:26,060 --> 01:36:25,020

recognize and almost always they'll say

2345

01:36:28,640 --> 01:36:26,070

funny you should ask

2346

01:36:30,950 --> 01:36:28,650

yes at first they didn't know how to

2347

01:36:34,010 --> 01:36:30,960

interpret that is it some say it's not

2348

01:36:35,540 --> 01:36:34,020

common but it does happen so there is an

2349

01:36:36,800 --> 01:36:35,550

increasing under sometimes they'll say

2350

01:36:38,330 --> 01:36:36,810

though they'll give dates that are

2351
01:36:40,190 --> 01:36:38,340
combinations of letters and numbers that

2352
01:36:42,080 --> 01:36:40,200
they don't even understand or they'll

2353
01:36:44,300 --> 01:36:42,090
describe very very strange worlds that

2354
01:36:48,470 --> 01:36:44,310
they know are not from our past at least

2355
01:36:51,290 --> 01:36:48,480
so they believe so again the whole idea

2356
01:36:55,280 --> 01:36:51,300
of parallel lives is now being accepted

2357
01:36:56,660 --> 01:36:55,290
in the realm of regression therapy to

2358
01:36:59,270 --> 01:36:56,670
some degree although they don't really

2359
01:37:00,530 --> 01:36:59,280
understand how to explain it so I think

2360
01:37:02,180 --> 01:37:00,540
that the afterlife is

2361
01:37:05,690 --> 01:37:02,190
totally transformed by the notion of the

2362
01:37:07,930 --> 01:37:05,700
multiverse to make it even weirder

2363
01:37:10,280 --> 01:37:07,940

there are a time I think we all have

2364

01:37:13,540 --> 01:37:10,290

examples I have several examples of

2365

01:37:16,640 --> 01:37:13,550

having been saved literally when I was a

2366

01:37:18,050 --> 01:37:16,650

military operation and was saved by

2367

01:37:20,450 --> 01:37:18,060

bleed by something that pulled me out

2368

01:37:23,510 --> 01:37:20,460

from under 8 feet of snow

2369

01:37:26,270 --> 01:37:23,520

I couldn't breathe it was it was a warm

2370

01:37:28,160 --> 01:37:26,280

hand that literally pulled me out and

2371

01:37:30,260 --> 01:37:28,170

and things like I think we all have

2372

01:37:32,480 --> 01:37:30,270

stories similar to that where we've been

2373

01:37:34,430 --> 01:37:32,490

helped by something that wasn't us but

2374

01:37:38,710 --> 01:37:34,440

maybe it was our people talk about that

2375

01:37:41,810 --> 01:37:38,720

yeah maybe it was us maybe it is us

2376

01:37:43,820 --> 01:37:41,820

maybe we are our own guardian each other

2377

01:37:46,370 --> 01:37:43,830

versions of ourselves in worlds where

2378

01:37:49,900 --> 01:37:46,380

the laws of physics are different and

2379

01:37:52,370 --> 01:37:49,910

that we were we could be aware of our

2380

01:37:54,380 --> 01:37:52,380

sending in Hue fo is that people say

2381

01:37:56,870 --> 01:37:54,390

maybe other versions of ourselves I mean

2382

01:37:58,760 --> 01:37:56,880

these are all possibilities and I think

2383

01:38:00,860 --> 01:37:58,770

we need to consider why is it that

2384

01:38:03,770 --> 01:38:00,870

Mozart was able to sit down at the age

2385

01:38:05,060 --> 01:38:03,780

of 4 and compose brilliant piano

2386

01:38:07,250 --> 01:38:05,070

concerto

2387

01:38:09,350 --> 01:38:07,260

sure his father made him study like mad

2388

01:38:12,170 --> 01:38:09,360

but that doesn't necessarily explain it

2389

01:38:15,560 --> 01:38:12,180

does it he may have been aware of where

2390

01:38:17,630 --> 01:38:15,570

he already is was has no meaning already

2391

01:38:19,580 --> 01:38:17,640

is a brilliant composer and what was in

2392

01:38:21,350 --> 01:38:19,590

touch with that there are many examples

2393

01:38:24,380 --> 01:38:21,360

of the prodigies and things are very

2394

01:38:27,710 --> 01:38:24,390

good yeah that the prodigies that are

2395

01:38:29,600 --> 01:38:27,720

just unexplainable yeah and also second

2396

01:38:31,700 --> 01:38:29,610

languages you know I mean there's sure

2397

01:38:33,290 --> 01:38:31,710

yeah there's yet a lot of things that

2398

01:38:35,930 --> 01:38:33,300

just really make you wonder what the

2399

01:38:38,240 --> 01:38:35,940

heck is going on so actually we are

2400

01:38:43,940 --> 01:38:38,250

taking calls if anyone wants to call in

2401

01:38:47,500 --> 01:38:43,950

it's 6:03 967 403 Oh would love to hear

2402

01:38:50,480 --> 01:38:47,510

from you ask our guest guest a question

2403

01:38:52,820 --> 01:38:50,490

and we speaking that we have a question

2404

01:38:54,710 --> 01:38:52,830

from Karl in the chat room do you think

2405

01:38:57,920 --> 01:38:54,720

any of the atomic bomb testings and

2406

01:39:01,640 --> 01:38:57,930

Herreshoff Hiroshima Nagasaki in the

2407

01:39:05,060 --> 01:39:01,650

late nineteen or the extra mid 1940s led

2408

01:39:08,300 --> 01:39:05,070

to the modern UFO phenomena well that

2409

01:39:09,800 --> 01:39:08,310

that's a good question Stan Friedman

2410

01:39:12,170 --> 01:39:09,810

tends to think that that is something to

2411

01:39:14,150 --> 01:39:12,180

do with it yeah I love the way he puts

2412

01:39:14,810 --> 01:39:14,160

it every said oh how come they don't

2413

01:39:18,410 --> 01:39:14,820

talk to us

2414

01:39:21,110 --> 01:39:18,420

we're primitive species trimeric

2415

01:39:22,460 --> 01:39:21,120

tivities tribal water effects you know I

2416

01:39:24,860 --> 01:39:22,470

mean good old stand his feet on the

2417

01:39:27,260 --> 01:39:24,870

ground I think you know he's got a point

2418

01:39:29,630 --> 01:39:27,270

there is some belief and particularly

2419

01:39:33,290 --> 01:39:29,640

around the first UFO researchers of the

2420

01:39:35,630 --> 01:39:33,300

40s and 50s that because we were able to

2421

01:39:39,020 --> 01:39:35,640

destroy ourselves quite dramatically in

2422

01:39:41,590 --> 01:39:39,030

this way that they were here to produce

2423

01:39:44,660 --> 01:39:41,600

a vast sort or to monitor us at least

2424

01:39:47,150 --> 01:39:44,670

there are many examples of Italy if you

2425

01:39:51,050 --> 01:39:47,160

talk to high-ranking military personnel

2426

01:39:52,820 --> 01:39:51,060

who will say this including Colonel halt

2427

01:39:55,310 --> 01:39:52,830

from Rendlesham that there's some

2428

01:39:58,480 --> 01:39:55,320

evidence that there was some incursion

2429

01:40:01,580 --> 01:39:58,490

into the weapons storage areas by

2430

01:40:05,030 --> 01:40:01,590

strange craft shining beams of light

2431

01:40:07,390 --> 01:40:05,040

down we've heard from several people who

2432

01:40:10,970 --> 01:40:07,400

don't want their names mentioned that

2433

01:40:15,500 --> 01:40:10,980

missiles were deactivated or in one case

2434

01:40:16,790 --> 01:40:15,510

the case we targeted by these crimes I'd

2435

01:40:19,640 --> 01:40:16,800

like to know we targeted two where we

2436

01:40:20,210 --> 01:40:19,650

have a call yeah we that call hello

2437

01:40:22,070 --> 01:40:20,220

caller

2438

01:40:24,550 --> 01:40:22,080

welcome to the show please say your

2439

01:40:28,010 --> 01:40:24,560

first name and where you calling from

2440

01:40:30,620 --> 01:40:28,020

this is Andrew Kenny I'm calling from uh

2441

01:40:33,650 --> 01:40:30,630

Stratford Connecticut uh-huh one of my

2442

01:40:34,940 --> 01:40:33,660

homies all right I get made in fact how

2443

01:40:36,500 --> 01:40:34,950

are ya thanks Paul

2444

01:40:40,310 --> 01:40:36,510

thanks for calling you have a question

2445

01:40:41,990 --> 01:40:40,320

for us uh yeah I just I had written it

2446

01:40:43,460 --> 01:40:42,000

in the into the chat line but then I

2447

01:40:47,090 --> 01:40:43,470

thought I'd call I've never called

2448

01:40:49,720 --> 01:40:47,100

before sure I just want a little more

2449

01:40:53,540 --> 01:40:49,730

detail from Paul on what he thinks about

2450

01:40:55,670 --> 01:40:53,550

how the multiverse ties into the fact

2451
01:40:58,280 --> 01:40:55,680
that no matter where you are in the in

2452
01:41:01,790 --> 01:40:58,290
the world or for outer space at this

2453
01:41:04,070 --> 01:41:01,800
point for that matter when you die you

2454
01:41:06,980 --> 01:41:04,080
seem to or everyone who's ever had a

2455
01:41:10,010 --> 01:41:06,990
near-death experience they seem to all

2456
01:41:11,630 --> 01:41:10,020
instantly go to the next step and then

2457
01:41:16,400 --> 01:41:11,640
come back it doesn't matter if you're

2458
01:41:19,160 --> 01:41:16,410
Muslim Christian agnostic what are his

2459
01:41:22,460 --> 01:41:19,170
thoughts on that the fact that everybody

2460
01:41:26,240 --> 01:41:22,470
just seems to share that experience is

2461
01:41:27,930 --> 01:41:26,250
that part of your soul journey or is it

2462
01:41:31,979 --> 01:41:27,940
related more close

2463
01:41:33,930 --> 01:41:31,989

to the way that the universe is

2464

01:41:36,600 --> 01:41:33,940
structured and then I'll take your

2465

01:41:39,150 --> 01:41:36,610
answer off there all right thank you

2466

01:41:40,770 --> 01:41:39,160
yeah thank you for the question it's

2467

01:41:43,290 --> 01:41:40,780
something that I think it all of us

2468

01:41:45,689 --> 01:41:43,300
wonder what will happen when we die

2469

01:41:47,400 --> 01:41:45,699
you're we're going to be okay

2470

01:41:50,910 --> 01:41:47,410
well the near-death experience is very

2471

01:41:52,590 --> 01:41:50,920
interesting everyone actually does most

2472

01:41:53,610 --> 01:41:52,600
people have the experience you described

2473

01:41:57,500 --> 01:41:53,620
but not everyone

2474

01:42:00,540 --> 01:41:57,510
some people have terrible experiences I

2475

01:42:02,850 --> 01:42:00,550
had a very weird thing that might have

2476

01:42:06,240 --> 01:42:02,860

been considered a near-death experience

2477

01:42:08,820 --> 01:42:06,250

I was my heart was fibrillating I had a

2478

01:42:10,380 --> 01:42:08,830

very serious case of pneumonia I was on

2479

01:42:13,620 --> 01:42:10,390

the way to the hospital all of a sudden

2480

01:42:15,390 --> 01:42:13,630

I saw a like a giant lizard now that

2481

01:42:17,310 --> 01:42:15,400

sounds pretty horrible but it was

2482

01:42:19,350 --> 01:42:17,320

beautifully colored and I felt very

2483

01:42:21,570 --> 01:42:19,360

peaceful I'm not maybe that's how weird

2484

01:42:23,100 --> 01:42:21,580

I am I don't know but then I felt very

2485

01:42:24,450 --> 01:42:23,110

very much at peace it was a beautiful

2486

01:42:27,540 --> 01:42:24,460

experience the last thing I would have

2487

01:42:30,689 --> 01:42:27,550

expected but as far as you know

2488

01:42:32,910 --> 01:42:30,699

transitioning near-death experience III

2489

01:42:36,630 --> 01:42:32,920

see I mean I don't see any reason I

2490

01:42:40,920 --> 01:42:36,640

think it's it's legitimate because well

2491

01:42:43,350 --> 01:42:40,930

if you believe evolution things develop

2492

01:42:45,780 --> 01:42:43,360

in our psyches and in our bodies for

2493

01:42:47,970 --> 01:42:45,790

survival purposes I mean what's the

2494

01:42:50,340 --> 01:42:47,980

survival for what what's the survival

2495

01:42:51,720 --> 01:42:50,350

value of a near-death experience I mean

2496

01:42:56,189 --> 01:42:51,730

your body's dying but what would be the

2497

01:42:57,810 --> 01:42:56,199

point so perhaps a transition yes the

2498

01:42:59,220 --> 01:42:57,820

thing yeah I think that that if this

2499

01:43:00,510 --> 01:42:59,230

multiverse thing at least the way we

2500

01:43:05,459 --> 01:43:00,520

approach it is true is that you are

2501

01:43:07,920 --> 01:43:05,469

already living parallel lives if there

2502

01:43:10,740 --> 01:43:07,930

is a transition period from one part of

2503

01:43:13,170 --> 01:43:10,750

our consciousness to the next sure there

2504

01:43:17,280 --> 01:43:13,180

was a thing called we call it the

2505

01:43:19,320 --> 01:43:17,290

flashing Nexus and I've started running

2506

01:43:21,450 --> 01:43:19,330

into this in the late 1970s when people

2507

01:43:23,790 --> 01:43:21,460

would describe it and it doesn't seem to

2508

01:43:26,540 --> 01:43:23,800

be common but and it doesn't always take

2509

01:43:28,860 --> 01:43:26,550

place in cases of medical trauma

2510

01:43:30,930 --> 01:43:28,870

occasionally someone is just an awaking

2511

01:43:33,150 --> 01:43:30,940

life and this just happens but

2512

01:43:34,620 --> 01:43:33,160

frequently it is on the operating table

2513

01:43:36,180 --> 01:43:34,630

or whatever but you really can't call

2514

01:43:39,000 --> 01:43:36,190

that in here that dude death experience

2515

01:43:41,070 --> 01:43:39,010

as one man described he was on the table

2516

01:43:43,430 --> 01:43:41,080

he wasn't even under yet and

2517

01:43:46,380 --> 01:43:43,440

setec all of a sudden he was the doctor

2518

01:43:48,450 --> 01:43:46,390

and he said he had all his memories all

2519

01:43:49,920 --> 01:43:48,460

his imagination he said he joked is it's

2520

01:43:51,660 --> 01:43:49,930

a good time good thing is he's looking

2521

01:43:53,640 --> 01:43:51,670

down at himself about to do something

2522

01:43:55,800 --> 01:43:53,650

and then all of a sudden he was then he

2523

01:43:57,330 --> 01:43:55,810

was a nurse and then he was someone out

2524

01:43:59,430 --> 01:43:57,340

in the hallway and he was someone

2525

01:44:02,190 --> 01:43:59,440

driving by in a car outside the hospital

2526

01:44:05,220 --> 01:44:02,200

what the hey is this and we've run into

2527

01:44:06,960 --> 01:44:05,230

that so it's like we have parallel lines

2528

01:44:10,260 --> 01:44:06,970

if that's what this is we have these

2529

01:44:12,600 --> 01:44:10,270

parallel lives but there is this seems

2530

01:44:15,330 --> 01:44:12,610

to be a central core that which is the

2531

01:44:17,460 --> 01:44:15,340

nexus the term that we use flashing

2532

01:44:19,860 --> 01:44:17,470

Nexus the Nexus is our central core of

2533

01:44:21,570 --> 01:44:19,870

consciousness which might not just be

2534

01:44:23,490 --> 01:44:21,580

your core of consciousness of the unit

2535

01:44:26,190 --> 01:44:23,500

we pass through from one conscious state

2536

01:44:27,600 --> 01:44:26,200

to another just becoming your prime

2537

01:44:28,530 --> 01:44:27,610

content or whatever you want to call in

2538

01:44:29,940 --> 01:44:28,540

that it may be different for different

2539

01:44:31,590 --> 01:44:29,950

people depending on their their

2540

01:44:34,290 --> 01:44:31,600

awareness and their even their spiritual

2541

01:44:36,270 --> 01:44:34,300

advancement but this court may be what

2542

01:44:39,930 --> 01:44:36,280

you're experiencing during a near-death

2543

01:44:43,380 --> 01:44:39,940

experience that's really about all we

2544

01:44:44,550 --> 01:44:43,390

know but people when people write to our

2545

01:44:46,800 --> 01:44:44,560

show and say that they've encountered

2546

01:44:47,910 --> 01:44:46,810

other versions of themselves in the 70s

2547

01:44:50,700 --> 01:44:47,920

I was encountering this and that's what

2548

01:44:53,130 --> 01:44:50,710

really made me question the old idea of

2549

01:44:54,630 --> 01:44:53,140

ghosts spirits of the Dead because it

2550

01:44:56,490 --> 01:44:54,640

didn't seem to be good enough why why

2551
01:44:58,380 --> 01:44:56,500
are they wearing clothes driving cars or

2552
01:45:01,080 --> 01:44:58,390
not in our case

2553
01:45:03,780 --> 01:45:01,090
in one case driving by an ox carts

2554
01:45:07,830 --> 01:45:03,790
yelling and cracking a whip and what we

2555
01:45:09,870 --> 01:45:07,840
couldn't see it why are these so

2556
01:45:11,760 --> 01:45:09,880
physical you know I think because they

2557
01:45:14,130 --> 01:45:11,770
are parallel versions of other people

2558
01:45:15,390 --> 01:45:14,140
even of ourselves what we've talked to

2559
01:45:17,040 --> 01:45:15,400
people who've walked into the kitchen

2560
01:45:19,440 --> 01:45:17,050
and see themselves sitting at the table

2561
01:45:20,970 --> 01:45:19,450
over the island in the kitchen these are

2562
01:45:22,200 --> 01:45:20,980
all things that indicate possibly the

2563
01:45:24,030 --> 01:45:22,210

multi-verse and other versions of

2564

01:45:27,150 --> 01:45:24,040

ourselves so you're already at the other

2565

01:45:29,190 --> 01:45:27,160

end of that tunnel I think and you're

2566

01:45:31,500 --> 01:45:29,200

simply translating we use the word

2567

01:45:34,530 --> 01:45:31,510

translation not death it's a very

2568

01:45:36,660 --> 01:45:34,540

ancient theological term and I think

2569

01:45:39,330 --> 01:45:36,670

that's that's essentially it but but

2570

01:45:42,840 --> 01:45:39,340

death is really not possible in any

2571

01:45:45,030 --> 01:45:42,850

sense not even for the body if you take

2572

01:45:47,130 --> 01:45:45,040

this - it's I'm not gonna say logical

2573

01:45:48,450 --> 01:45:47,140

because it's not conclusion so that

2574

01:45:51,690 --> 01:45:48,460

those are our thoughts on that

2575

01:45:55,379 --> 01:45:51,700

so the Mandela effect is that very

2576

01:45:59,189 --> 01:45:55,389

similar to like alternate realities

2577

01:46:00,840 --> 01:45:59,199

well yes possibly someone had that

2578

01:46:03,479 --> 01:46:00,850

question up on that check yeah well the

2579

01:46:07,020 --> 01:46:03,489

Mandela effect which I have done some

2580

01:46:09,629 --> 01:46:07,030

shows on is essentially the name comes

2581

01:46:11,850 --> 01:46:09,639

from Nelson Mandela hundred about that

2582

01:46:13,200 --> 01:46:11,860

yeah and people I thought Mandela you

2583

01:46:15,090 --> 01:46:13,210

know the kind of art thing that's very

2584

01:46:18,780 --> 01:46:15,100

multiversal in Tibetan stupid no it's

2585

01:46:20,760 --> 01:46:18,790

met its Nelson men Mandela and he

2586

01:46:23,100 --> 01:46:20,770

essentially was if anybody doesn't know

2587

01:46:24,899 --> 01:46:23,110

who he is you should he was a very

2588

01:46:27,090 --> 01:46:24,909

gallant civil rights advocate in South

2589

01:46:30,419 --> 01:46:27,100

Africa which had the terrible system of

2590

01:46:32,310 --> 01:46:30,429

racial apartheid as they call and went

2591

01:46:34,530 --> 01:46:32,320

from he spent twenty years in prison

2592

01:46:37,169 --> 01:46:34,540

yeah and ended up a resident out yeah he

2593

01:46:40,530 --> 01:46:37,179

ended up president of South Africa and a

2594

01:46:42,209 --> 01:46:40,540

rather good one and he lived until his

2595

01:46:42,660 --> 01:46:42,219

90s however and people thought he was

2596

01:46:43,890 --> 01:46:42,670

dead

2597

01:46:46,320 --> 01:46:43,900

yeah people thought about the people

2598

01:46:49,229 --> 01:46:46,330

remembered him dying in prison right and

2599

01:46:50,580 --> 01:46:49,239

this resulted in a conversation a bunch

2600

01:46:52,500 --> 01:46:50,590

of people had they said was really we're

2601
01:46:54,479 --> 01:46:52,510
how can we have different memories now

2602
01:46:56,930 --> 01:46:54,489
as Martin will testify you get to be our

2603
01:46:59,550 --> 01:46:56,940
age maybe sometimes you have

2604
01:47:01,979 --> 01:46:59,560
confabulation or other things but is it

2605
01:47:03,180 --> 01:47:01,989
really confabulation is it parallel

2606
01:47:05,700 --> 01:47:03,190
memories of things that are actually

2607
01:47:07,530 --> 01:47:05,710
going on and your mind is more in touch

2608
01:47:08,939 --> 01:47:07,540
as you get older I like to think that's

2609
01:47:10,350 --> 01:47:08,949
the case rather than your you just

2610
01:47:12,780 --> 01:47:10,360
losing it

2611
01:47:14,640 --> 01:47:12,790
so what that's what the Mandela effect

2612
01:47:17,310 --> 01:47:14,650
is it's it's different people have many

2613
01:47:19,740 --> 01:47:17,320

different memories now raising two boys

2614

01:47:23,580 --> 01:47:19,750

including my co-author and co-host Ben

2615

01:47:26,100 --> 01:47:23,590

was now 25 and married we would love the

2616

01:47:27,870 --> 01:47:26,110

berenstain bears now one of the classic

2617

01:47:29,910 --> 01:47:27,880

Mandela things that people will say oh

2618

01:47:32,689 --> 01:47:29,920

well people remember it's spelled Baron

2619

01:47:35,459 --> 01:47:32,699

Stein or Berenson I remember Berenstain

2620

01:47:38,250 --> 01:47:35,469

and supposedly and I'd like to prove

2621

01:47:41,220 --> 01:47:38,260

this the books I have we still have the

2622

01:47:43,919 --> 01:47:41,230

open essay Berenstain now if it's a

2623

01:47:45,120 --> 01:47:43,929

different if you think one of the things

2624

01:47:47,459 --> 01:47:45,130

with this is that when it comes to the

2625

01:47:49,680 --> 01:47:47,469

multiverse you're but it's not we're in

2626
01:47:51,780 --> 01:47:49,690
one world and that's where you stay and

2627
01:47:53,939 --> 01:47:51,790
you know a world will jostle and you'll

2628
01:47:56,189 --> 01:47:53,949
see what we think is a ghost at almost

2629
01:47:59,399 --> 01:47:56,199
we're passing through perhaps even

2630
01:48:01,919 --> 01:47:59,409
millions of parallel worlds in a day say

2631
01:48:04,140 --> 01:48:01,929
like when you get up this morning and

2632
01:48:05,040 --> 01:48:04,150
you maybe tripped over something on your

2633
01:48:07,740 --> 01:48:05,050
way to the bathroom

2634
01:48:10,680 --> 01:48:07,750
how'd you know yeah really

2635
01:48:11,760 --> 01:48:10,690
okay yeah yeah well whatever let's see

2636
01:48:14,070 --> 01:48:11,770
what there wasn't world where you did

2637
01:48:15,980 --> 01:48:14,080
that I know okay and one of the it

2638
01:48:18,090 --> 01:48:15,990

didn't okay that that's fine too so

2639

01:48:19,800 --> 01:48:18,100

these are all things that that happen

2640

01:48:21,540 --> 01:48:19,810

and when you make choices supposedly you

2641

01:48:23,550 --> 01:48:21,550

literally would create another another

2642

01:48:26,700 --> 01:48:23,560

universe so this tree as it were

2643

01:48:28,560 --> 01:48:26,710

splitting off millions and millions of

2644

01:48:32,190 --> 01:48:28,570

branches really every second as people

2645

01:48:35,100 --> 01:48:32,200

make choices and this is what shamans in

2646

01:48:37,850 --> 01:48:35,110

Australia and Quebec in 1979 essentially

2647

01:48:40,590 --> 01:48:37,860

describe to me is the the tree of

2648

01:48:42,570 --> 01:48:40,600

creation that they have recognized for

2649

01:48:46,170 --> 01:48:42,580

tens of thousands of years so eyes again

2650

01:48:48,360 --> 01:48:46,180

I think that has a pedigree so we would

2651

01:48:50,040 --> 01:48:48,370

for example there was a case and

2652

01:48:53,190 --> 01:48:50,050

Willimantic Connecticut some years ago

2653

01:48:54,750 --> 01:48:53,200

and back in the 90s and they said well

2654

01:48:56,460 --> 01:48:54,760

we're hearing footsteps on our steps in

2655

01:48:57,150 --> 01:48:56,470

describing a Stutz and we're seeing he

2656

01:48:59,040 --> 01:48:57,160

webOS

2657

01:49:00,690 --> 01:48:59,050

strange lights in the sky outside the

2658

01:49:03,510 --> 01:49:00,700

house so again another evidence that

2659

01:49:07,170 --> 01:49:03,520

maybe there's a connection well I went

2660

01:49:09,900 --> 01:49:07,180

to the house and I heard these footsteps

2661

01:49:12,540 --> 01:49:09,910

and they sometimes they don't record but

2662

01:49:14,460 --> 01:49:12,550

in this case they did and on a hunch I

2663

01:49:16,260 --> 01:49:14,470

said I told the guy go on up to the top

2664

01:49:17,700 --> 01:49:16,270

of the stairs because I slept in the

2665

01:49:19,110 --> 01:49:17,710

living room and I heard the stairs of

2666

01:49:21,870 --> 01:49:19,120

the in the morning and had that there

2667

01:49:23,910 --> 01:49:21,880

tape going he came down the stairs and

2668

01:49:27,810 --> 01:49:23,920

said whatever it was exactly the same

2669

01:49:30,690 --> 01:49:27,820

sound I think that it was a recording of

2670

01:49:32,580 --> 01:49:30,700

him in a close parallel world because he

2671

01:49:35,190 --> 01:49:32,590

came down every morning the more times

2672

01:49:36,810 --> 01:49:35,200

you do something a habit really is

2673

01:49:38,070 --> 01:49:36,820

you're doing it in many many different

2674

01:49:40,140 --> 01:49:38,080

worlds and I think that was a small

2675

01:49:41,820 --> 01:49:40,150

example that perhaps we're dealing with

2676

01:49:44,960 --> 01:49:41,830

with the right idea in this multiple

2677

01:49:46,920 --> 01:49:44,970

worlds thing so I just think that that's

2678

01:49:49,020 --> 01:49:46,930

that's what that's what we're dealing

2679

01:49:52,170 --> 01:49:49,030

with and the medela affected it may very

2680

01:49:54,920 --> 01:49:52,180

well be part of that yeah there was I've

2681

01:49:59,100 --> 01:49:54,930

seen something similar to the Mandela

2682

01:50:00,690 --> 01:49:59,110

effect before and it had to do with the

2683

01:50:03,570 --> 01:50:00,700

death of another actor and I'm trying to

2684

01:50:06,240 --> 01:50:03,580

remember who it was where everyone just

2685

01:50:09,030 --> 01:50:06,250

assumed he was gone but he was actually

2686

01:50:11,970 --> 01:50:09,040

still alive I don't know if you so it

2687

01:50:13,950 --> 01:50:11,980

isn't just Nelson Mandela maybe part of

2688

01:50:15,930 --> 01:50:13,960

it has to do with rumors on the internet

2689

01:50:17,699 --> 01:50:15,940

or something like that to the

2690

01:50:21,209 --> 01:50:17,709

information overload that we

2691

01:50:23,009 --> 01:50:21,219

yeah however I remember as a kid before

2692

01:50:26,850 --> 01:50:23,019

there was an Internet long before that

2693

01:50:28,770 --> 01:50:26,860

as you know Omar we've people gather at

2694

01:50:30,569 --> 01:50:28,780

our house and old friends and they tap

2695

01:50:31,979 --> 01:50:30,579

occasionally I remember different

2696

01:50:34,830 --> 01:50:31,989

memories of certain things although not

2697

01:50:36,689 --> 01:50:34,840

a lot so if the only information

2698

01:50:38,850 --> 01:50:36,699

overload me I've heard a statistic that

2699

01:50:41,489 --> 01:50:38,860

people say is true that we receive more

2700

01:50:44,640 --> 01:50:41,499

information in a day than our ancestors

2701
01:50:46,379 --> 01:50:44,650
received in a lifetime we definitely

2702
01:50:49,410 --> 01:50:46,389
could take yeah but take it if you can

2703
01:50:50,879 --> 01:50:49,420
argue that take it in yeah you have to

2704
01:50:52,469 --> 01:50:50,889
consider that as well you always look at

2705
01:50:55,919 --> 01:50:52,479
a mundane explanation before you look at

2706
01:50:57,899 --> 01:50:55,929
a weird one plus some you know I you

2707
01:50:59,640 --> 01:50:57,909
know we think like something like forty

2708
01:51:02,100 --> 01:50:59,650
to forty thousand different thoughts a

2709
01:51:03,929 --> 01:51:02,110
day on top of the new information that

2710
01:51:07,529 --> 01:51:03,939
we can take in that's a lot that's why

2711
01:51:09,359 --> 01:51:07,539
you meditate there you go someone want

2712
01:51:10,979 --> 01:51:09,369
to know this is a little bit off-topic

2713
01:51:13,199 --> 01:51:10,989

an I don't know if this has anything to

2714

01:51:15,689 --> 01:51:13,209

do with you or not have you ever crossed

2715

01:51:18,929 --> 01:51:15,699

paths with Richard Doty back in the

2716

01:51:22,250 --> 01:51:18,939

1980s you even know who he is yeah I I

2717

01:51:25,199 --> 01:51:22,260

never did I don't know much about him I

2718

01:51:29,189 --> 01:51:25,209

was involved into its case and yeah yeah

2719

01:51:31,609 --> 01:51:29,199

I did know ted serios that I know that

2720

01:51:34,410 --> 01:51:31,619

name yes but thoughtography he called it

2721

01:51:36,479 --> 01:51:34,420

he was quite the character it was even

2722

01:51:38,250 --> 01:51:36,489

known to the police however he he was

2723

01:51:39,660 --> 01:51:38,260

able to look in and I just never saw any

2724

01:51:42,359 --> 01:51:39,670

reason to disbelieve that he could do

2725

01:51:44,669 --> 01:51:42,369

this look into the lens of a camera and

2726

01:51:45,270 --> 01:51:44,679

what he was thinking would come out on

2727

01:51:46,949 --> 01:51:45,280

the film

2728

01:51:48,479 --> 01:51:46,959

there were times he didn't even have to

2729

01:51:49,859 --> 01:51:48,489

use a camera just look at a packet of

2730

01:51:51,870 --> 01:51:49,869

film back when you had that can even

2731

01:51:53,459 --> 01:51:51,880

pull the right film and it would come

2732

01:51:55,379 --> 01:51:53,469

out at some some scene it was thinking

2733

01:51:57,029 --> 01:51:55,389

it would come out on the film okay so

2734

01:51:59,219 --> 01:51:57,039

whatever was was pretty weird I saw him

2735

01:52:02,879 --> 01:51:59,229

doing yeah there's supposed to be a guy

2736

01:52:05,370 --> 01:52:02,889

now and I'm trying to Denmark I think it

2737

01:52:08,549 --> 01:52:05,380

is that's doing this over and over again

2738

01:52:10,949 --> 01:52:08,559

and yeah there was actually a woman I

2739

01:52:14,330 --> 01:52:10,959

had on my show one time and I'm just

2740

01:52:18,449 --> 01:52:14,340

trying to remember who she was that

2741

01:52:22,080 --> 01:52:18,459

specializes in crop circles funded by

2742

01:52:24,179 --> 01:52:22,090

the Rockefeller eventually foundation do

2743

01:52:25,799 --> 01:52:24,189

you know who I mean in Boston oh I I

2744

01:52:27,120 --> 01:52:25,809

think I know but I can't think of her

2745

01:52:31,260 --> 01:52:27,130

name I don't like to speculate on the

2746

01:52:33,510 --> 01:52:31,270

yes oh yeah yeah but so she's she's uh

2747

01:52:34,650 --> 01:52:33,520

a lot of work with this guy and it's

2748

01:52:36,720 --> 01:52:34,660

really weird you can go on the website

2749

01:52:38,640 --> 01:52:36,730

and see all types of images yeah he's

2750

01:52:41,700 --> 01:52:38,650

conjured up you know different people's

2751
01:52:43,920 --> 01:52:41,710
faces and things like that this was the

2752
01:52:44,700 --> 01:52:43,930
essence of Project Star Gate believe it

2753
01:52:46,370 --> 01:52:44,710
or not that's what it was actually

2754
01:52:48,960 --> 01:52:46,380
called and then there was its

2755
01:52:50,700 --> 01:52:48,970
transmogrified several times but the

2756
01:52:54,270 --> 01:52:50,710
Soviets were experimenting with psychics

2757
01:52:56,280 --> 01:52:54,280
to see if remote viewing they could view

2758
01:52:57,990 --> 01:52:56,290
enemy targets they detonate ordnance

2759
01:52:59,460 --> 01:52:58,000
things of this kind at a distance and so

2760
01:53:02,130 --> 01:52:59,470
the US was doing the same thing and

2761
01:53:06,720 --> 01:53:02,140
there was some success as I understand

2762
01:53:07,980 --> 01:53:06,730
it but obviously it's classified and I

2763
01:53:09,750 --> 01:53:07,990

think is there I had a clearance but

2764

01:53:11,580 --> 01:53:09,760

that doesn't mean you know anything it's

2765

01:53:14,010 --> 01:53:11,590

it's mission specific and it's a

2766

01:53:15,180 --> 01:53:14,020

need-to-know only so it's not like you

2767

01:53:17,430 --> 01:53:15,190

have a clear route you know all this

2768

01:53:20,730 --> 01:53:17,440

stuff so yeah yeah

2769

01:53:22,590 --> 01:53:20,740

so speaking of crop circles is that

2770

01:53:25,080 --> 01:53:22,600

something you've ever have kind of on

2771

01:53:26,520 --> 01:53:25,090

the fence about those but I don't really

2772

01:53:28,980 --> 01:53:26,530

know is that something you've ever done

2773

01:53:30,840 --> 01:53:28,990

a show on oh yeah we all sure we have

2774

01:53:32,760 --> 01:53:30,850

we've done shown it 700 shows you must

2775

01:53:33,990 --> 01:53:32,770

have covered it oh yeah absolutely leave

2776

01:53:36,060 --> 01:53:34,000

it out there's still things we haven't

2777

01:53:37,710 --> 01:53:36,070

really covered really we're just about

2778

01:53:39,510 --> 01:53:37,720

to do a show in Kecksburg with the next

2779

01:53:42,450 --> 01:53:39,520

few months and we had never done one on

2780

01:53:43,890 --> 01:53:42,460

that specifically anyway so our fear is

2781

01:53:46,020 --> 01:53:43,900

10 years ago that we'd run out of

2782

01:53:47,460 --> 01:53:46,030

subjects just the opposite has occurred

2783

01:53:53,610 --> 01:53:47,470

I'm sure you could say the same thing

2784

01:53:56,220 --> 01:53:53,620

yeah so yeah it's it's uh yeah crop

2785

01:53:59,910 --> 01:53:56,230

circles I was very frustrated I was in

2786

01:54:02,880 --> 01:53:59,920

England in 1989 chasing down the the

2787

01:54:06,000 --> 01:54:02,890

beasts of Exmoor as they called it with

2788

01:54:07,890 --> 01:54:06,010

a bit of flair which was actually a big

2789

01:54:10,470 --> 01:54:07,900

sort of mountain lion type creature

2790

01:54:12,300 --> 01:54:10,480

there's another story behind that and I

2791

01:54:14,580 --> 01:54:12,310

went right by a field in Wiltshire on

2792

01:54:16,350 --> 01:54:14,590

the way to Devon where there was a crop

2793

01:54:17,790 --> 01:54:16,360

circle and I didn't even know it like a

2794

01:54:19,770 --> 01:54:17,800

dope I could have stopped and you know I

2795

01:54:22,170 --> 01:54:19,780

could have seen it but we've talked a

2796

01:54:24,930 --> 01:54:22,180

lot with Jennifer Stein and oh yes and

2797

01:54:26,730 --> 01:54:24,940

of course Linda Moulton Howe and a lot

2798

01:54:30,360 --> 01:54:26,740

number of other folks who specialize in

2799

01:54:32,460 --> 01:54:30,370

crop circles I've only seen one once and

2800

01:54:35,250 --> 01:54:32,470

that was in Canada in Ontario where they

2801
01:54:37,440 --> 01:54:35,260
seemed to have a lot of them and it's

2802
01:54:40,560 --> 01:54:37,450
it's fascinating but I think it's

2803
01:54:42,540 --> 01:54:40,570
muddled it's it's like a photography in

2804
01:54:44,040 --> 01:54:42,550
the paranormal today with Photoshop you

2805
01:54:44,779 --> 01:54:44,050
can do anything you could put Godzilla

2806
01:54:47,719 --> 01:54:44,789
in a photo

2807
01:54:50,000 --> 01:54:47,729
and somebody's going to believe it the

2808
01:54:53,259 --> 01:54:50,010
the honesty level is something you have

2809
01:54:54,739 --> 01:54:53,269
to be very careful of there are other

2810
01:54:56,329 --> 01:54:54,749
vortices there are sort of

2811
01:54:58,909 --> 01:54:56,339
meteorological phenomena that might

2812
01:55:00,529 --> 01:54:58,919
account for some of them and there are

2813
01:55:02,779 --> 01:55:00,539

whole organizations of people who are

2814

01:55:05,179 --> 01:55:02,789

consider themselves artists who will

2815

01:55:07,339 --> 01:55:05,189

create crop circles on the other hand

2816

01:55:09,379 --> 01:55:07,349

there are some that supposedly have been

2817

01:55:12,109 --> 01:55:09,389

seen in the presence of strange lights I

2818

01:55:13,639 --> 01:55:12,119

don't know about that but but there are

2819

01:55:15,349 --> 01:55:13,649

some that are of great beauty and

2820

01:55:17,119 --> 01:55:15,359

intricacy that you can't imagine anybody

2821

01:55:19,609 --> 01:55:17,129

could do in one night without being seen

2822

01:55:20,989 --> 01:55:19,619

so I don't know what's up as with

2823

01:55:23,149 --> 01:55:20,999

everything else the paranormal it's

2824

01:55:24,679 --> 01:55:23,159

maybe the first day of school and there

2825

01:55:26,659 --> 01:55:24,689

may be something more to it than we

2826

01:55:29,599 --> 01:55:26,669

realize or maybe not so why don't you

2827

01:55:31,849 --> 01:55:29,609

why don't you talk about you have a book

2828

01:55:34,729 --> 01:55:31,859

coming out real soon right well actually

2829

01:55:36,109 --> 01:55:34,739

it just came out in July if there's one

2830

01:55:37,849 --> 01:55:36,119

coming out real soon and may have an

2831

01:55:41,750 --> 01:55:37,859

example of the Mandela effect because I

2832

01:55:43,039 --> 01:55:41,760

don't know okay well we're trying to

2833

01:55:46,849 --> 01:55:43,049

establish the behind the paranormal

2834

01:55:48,859 --> 01:55:46,859

series last year November from shiver

2835

01:55:50,299 --> 01:55:48,869

books came behind the paranormal

2836

01:55:52,579 --> 01:55:50,309

everything you know was wrong that's in

2837

01:55:57,079 --> 01:55:52,589

most stores even Barnes & Noble you can

2838

01:55:58,639 --> 01:55:57,089

get it then in July shiver let us out of

2839

01:56:00,469 --> 01:55:58,649

our contract a little because we we had

2840

01:56:02,359 --> 01:56:00,479

to speak at an event and we wanted this

2841

01:56:03,500 --> 01:56:02,369

book because all the children were

2842

01:56:05,479 --> 01:56:03,510

asking for it although it's not a

2843

01:56:06,919 --> 01:56:05,489

children's book than what I just

2844

01:56:08,569 --> 01:56:06,929

mentioned behind the paranormal to

2845

01:56:11,059 --> 01:56:08,579

Bigfoot and Mothman and monsters you

2846

01:56:13,969 --> 01:56:11,069

never heard of and we get into some of

2847

01:56:16,309 --> 01:56:13,979

the UFO Bigfoot connections in there and

2848

01:56:18,319 --> 01:56:16,319

that came out in July from barking cat

2849

01:56:20,329 --> 01:56:18,329

books which is our own one part of our

2850

01:56:22,489 --> 01:56:20,339

own family media company and we

2851

01:56:25,219 --> 01:56:22,499

resurrected it in order to get the book

2852

01:56:27,469 --> 01:56:25,229

out in time so that's a Amazon Kindle

2853

01:56:28,819 --> 01:56:27,479

and Amazon it's not in stores yet so so

2854

01:56:32,689 --> 01:56:28,829

that might be the one they're referring

2855

01:56:34,159 --> 01:56:32,699

to the next one I think we're going to

2856

01:56:35,389 --> 01:56:34,169

and Ben and I are still talking about

2857

01:56:37,609 --> 01:56:35,399

this because we write them together by

2858

01:56:41,899 --> 01:56:37,619

son and I we may be behind the

2859

01:56:44,750 --> 01:56:41,909

paranormal three the UFOs the paranormal

2860

01:56:46,849 --> 01:56:44,760

and God why is this such an interest in

2861

01:56:48,739 --> 01:56:46,859

that yeah and we're going to bypass flat

2862

01:56:50,000 --> 01:56:48,749

barriers of it and maybe maybe get into

2863

01:56:50,479 --> 01:56:50,010

that so some of the stalking talked

2864

01:56:52,609 --> 01:56:50,489

about tonight

2865

01:56:54,159 --> 01:56:52,619

hey well it's been a pleasure and thanks

2866

01:56:56,830 --> 01:56:54,169

for driving all the way up here from

2867

01:56:58,390 --> 01:56:56,840

Woonsocket while I love Maine so it's

2868

01:56:59,740 --> 01:56:58,400

you gave me a great excuse yeah and

2869

01:57:01,330 --> 01:56:59,750

you're gonna you're gonna hermit

2870

01:57:03,160 --> 01:57:01,340

yourself out here and do a lot of work I

2871

01:57:05,170 --> 01:57:03,170

hurts I brought a whole pile of work and

2872

01:57:06,520 --> 01:57:05,180

speaking in Portsmouth New Hampshire on

2873

01:57:07,930 --> 01:57:06,530

Saturday but Ben's gonna meet me there

2874

01:57:10,030 --> 01:57:07,940

at the public library and there quite a

2875

01:57:11,950 --> 01:57:10,040

few people signed up as I understand so

2876

01:57:14,290 --> 01:57:11,960

I just you know thanks to your

2877

01:57:15,400 --> 01:57:14,300

hospitality be here a couple of days get

2878

01:57:16,750 --> 01:57:15,410

some work done and then head it right

2879

01:57:19,420 --> 01:57:16,760

down to Portsmouth on the way back to

2880

01:57:21,700 --> 01:57:19,430

the my lair yeah and then northern Rhode

2881

01:57:23,740 --> 01:57:21,710

Island excellent well thanks so much I

2882

01:57:27,490 --> 01:57:23,750

really appreciate it thank you all right

2883

01:57:29,350 --> 01:57:27,500

so next week we have our guest every

2884

01:57:32,500 --> 01:57:29,360

once in a while I will bring a skeptic

2885

01:57:33,910 --> 01:57:32,510

or even a debunker on and this guy has

2886

01:57:37,780 --> 01:57:33,920

his own thoughts on what happened to

2887

01:57:40,210 --> 01:57:37,790

Betty and Barney Hill Jim Jim McDonald

2888

01:57:42,790 --> 01:57:40,220

will be on next week some people will

2889

01:57:44,680 --> 01:57:42,800

like it some people will hate it it

2890

01:57:46,750 --> 01:57:44,690

should be an interesting show overall

2891

01:57:48,430 --> 01:57:46,760

all right everyone so thanks a lot and

2892

01:57:57,500 --> 01:57:48,440

thanks for supporting the show and
