1
00:00:03,050 --> 00:00:01,819
triangle you know there's explanation

2
00:00:04,370 --> 00:00:03,060
for everything that occurred in the

3
00:00:06,829 --> 00:00:04,380
Rendlesham forest incident

4
00:00:09,709 --> 00:00:06,839
it doesn't involve aliens at all it was

5
00:00:13,070 --> 00:00:09,719
completely silent it comes right over

6
00:00:14,870 --> 00:00:13,080
our head it's so classic flying-saucer

7
00:00:16,490 --> 00:00:14,880
really standing in the clearing he

8
00:00:18,140 --> 00:00:16,500
turned over to my father and held his

9
00:00:24,650 --> 00:00:18,150
hand and he looked in his eyes and said

10
00:00:26,089 --> 00:00:24,660
we're not alone welcome to podcast UFO

11
00:00:28,519 --> 00:00:26,099
for our live show

12
00:00:30,800 --> 00:00:28,529
we're live every Wednesday at 8 p.m.

13
00:00:34,430 --> 00:00:30,810

Eastern Standard Time please remember to

14

00:00:37,760 --> 00:00:34,440

visit the website podcast UFO comm for

15

00:00:39,650 --> 00:00:37,770

past episodes blogs and forums during

16

00:00:42,200 --> 00:00:39,660

the show feel free to participate live

17

00:00:44,510 --> 00:00:42,210

in our chat room and don't forget to

18

00:00:48,049 --> 00:00:44,520

Like us on our very active Facebook page

19

00:00:50,750 --> 00:00:48,059

hello and welcome to the show I'm Martin

20

00:00:53,660 --> 00:00:50,760

will assure hosts and if you're watching

21

00:00:56,450 --> 00:00:53,670

live on youtube or on YouTube at all you

22

00:00:58,970 --> 00:00:56,460

can see that I'm in studio with a guest

23

00:01:01,549 --> 00:00:58,980

host Donny Gosselin how you doing Donny

24

00:01:03,290 --> 00:01:01,559

doing fine thanks Martin now Donny has

25

00:01:06,140 --> 00:01:03,300

been on a number times he's a retired

26

00:01:09,890 --> 00:01:06,150

police officer in Boston and you know

27

00:01:12,200 --> 00:01:09,900

what Alejandro Rojas that is on with the

28

00:01:14,000 --> 00:01:12,210

UFO updates I have not been able to

29

00:01:17,330 --> 00:01:14,010

raise him today and I hope he's feeling

30

00:01:20,749 --> 00:01:17,340

ok so I'm not sure I just left him a

31

00:01:23,210 --> 00:01:20,759

message to call into the show with UFO

32

00:01:25,550 --> 00:01:23,220

news so hopefully he will be calling in

33

00:01:27,710 --> 00:01:25,560

I don't know about that

34

00:01:30,200 --> 00:01:27,720

so last week if you missed last week's

35

00:01:33,740 --> 00:01:30,210

show I announced that I'm not gonna be

36

00:01:36,380 --> 00:01:33,750

doing the live YouTube shows shows are

37

00:01:38,539 --> 00:01:36,390

still going to be on YouTube but they

38

00:01:39,499 --> 00:01:38,549

are not going to be live on YouTube as

39

00:01:41,030 --> 00:01:39,509

far as I know

40

00:01:43,760 --> 00:01:41,040

then that's coming up in two weeks on

41

00:01:46,520 --> 00:01:43,770

December 13th so it could be a live show

42

00:01:48,830 --> 00:01:46,530

we're going to be over at K G RA radio

43

00:01:50,060 --> 00:01:48,840

that's an internet radio station it's

44

00:01:52,310 --> 00:01:50,070

supposed to be a really good fit for

45

00:01:54,590 --> 00:01:52,320

this show with a built-in audience it

46

00:01:58,160 --> 00:01:54,600

should do really well I hope there's

47

00:02:00,980 --> 00:01:58,170

chat rooms over there and so I hope that

48

00:02:03,289 --> 00:02:00,990

the people listening live and YouTube

49

00:02:06,560 --> 00:02:03,299

will kind of wander over there I'll have

50

00:02:08,510 --> 00:02:06,570

all that information on podcast UFO calm

51
00:02:09,889 --> 00:02:08,520
so you just go to the website and you'll

52
00:02:12,440 --> 00:02:09,899
see all the information there that

53
00:02:13,640 --> 00:02:12,450
starts again on the 13th the regular

54
00:02:15,800 --> 00:02:13,650
timeslot

55
00:02:18,800 --> 00:02:15,810
eight to 10 p.m. Eastern Standard Time

56
00:02:20,270 --> 00:02:18,810
if you can't listen to the show live and

57
00:02:22,819 --> 00:02:20,280
you can't support the show and by the

58
00:02:25,819 --> 00:02:22,829
way thank you supporters if you can't

59
00:02:27,679 --> 00:02:25,829
support the show then and you want to

60
00:02:31,039 --> 00:02:27,689
listen to the full show of course you

61
00:02:34,369 --> 00:02:31,049
can come to podcast UFO calm 8 to 10

62
00:02:37,099 --> 00:02:34,379
p.m. Eastern Standard Time or kgr radio

63
00:02:39,800 --> 00:02:37,109

that website that link will be right on

64

00:02:41,720 --> 00:02:39,810

my website you can also listen to it on

65

00:02:44,470 --> 00:02:41,730

the Dark Matter digital network on

66

00:02:48,170 --> 00:02:44,480

Thursday evenings from 10:00 to midnight

67

00:02:51,160 --> 00:02:48,180

so that's every Thursday on that that's

68

00:02:54,259 --> 00:02:51,170

about it I'm still waiting for Alejandro

69

00:02:58,250 --> 00:02:54,269

fortunately I don't think he's going to

70

00:02:59,449 --> 00:02:58,260

be calling in so and I again I hope he's

71

00:03:04,940 --> 00:02:59,459

okay

72

00:03:06,589 --> 00:03:04,950

so we were talking before the show will

73

00:03:09,259 --> 00:03:06,599

be bringing - I forgot to talk about our

74

00:03:12,979 --> 00:03:09,269

guests did not can you believe that our

75

00:03:16,429 --> 00:03:12,989

guest our guest tonight is Jim McDonald

76

00:03:19,990 --> 00:03:16,439

and he is not to be confused with the

77

00:03:23,030 --> 00:03:20,000

James McDonald in Arizona the UFO

78

00:03:26,780 --> 00:03:23,040

researcher that had quite the fame years

79

00:03:29,449 --> 00:03:26,790

ago so Jim McDonald has been looking at

80

00:03:31,640 --> 00:03:29,459

the Betty and Barney case for quite a

81

00:03:33,439 --> 00:03:31,650

while Barney Betty and Barney Hill that

82

00:03:36,080 --> 00:03:33,449

is we're gonna be talking about that he

83

00:03:38,839 --> 00:03:36,090

has a different view on that now I do

84

00:03:42,140 --> 00:03:38,849

want to say a couple things about that I

85

00:03:45,409 --> 00:03:42,150

am going to remain neutral on that let

86

00:03:48,619 --> 00:03:45,419

him say what he has to say and ask him

87

00:03:51,920 --> 00:03:48,629

questions along typically we take calls

88

00:03:54,860 --> 00:03:51,930

in the second hour or about 45 minutes

89

00:03:57,140 --> 00:03:54,870

into the show because I don't have the

90

00:04:00,289 --> 00:03:57,150

gleeful updates tonight we're going to

91

00:04:01,849 --> 00:04:00,299

take calls earlier so if you want to

92

00:04:04,879 --> 00:04:01,859

write this down if you have a question

93

00:04:08,809 --> 00:04:04,889

for our guest as he goes along that

94

00:04:11,180 --> 00:04:08,819

number is six oh three nine six seven

95

00:04:13,909 --> 00:04:11,190

four OH three oh and if you're calling

96

00:04:17,149 --> 00:04:13,919

from another country just add a 1 to

97

00:04:19,520 --> 00:04:17,159

that six oh three nine six seven four OH

98

00:04:21,949 --> 00:04:19,530

three oh and also if you want to use

99

00:04:25,430 --> 00:04:21,959

Skype that's fine as well and the Skype

100

00:04:26,030 --> 00:04:25,440

username is marty willis i don't like to

101
00:04:28,940 --> 00:04:26,040
be called

102
00:04:34,850 --> 00:04:28,950
but anyway that was available Marty will

103
00:04:36,950 --> 00:04:34,860
Smar T y WI ll is so I think that's it

104
00:04:39,440 --> 00:04:36,960
and just to remember we have two more

105
00:04:42,350 --> 00:04:39,450
shows on YouTube I will be posting on

106
00:04:44,330 --> 00:04:42,360
YouTube and I think I can only do video

107
00:04:45,830 --> 00:04:44,340
on my end I don't think I can do a video

108
00:04:49,190 --> 00:04:45,840
on the guests end so it might be a

109
00:04:51,500 --> 00:04:49,200
little bit boring but anyway you can

110
00:04:54,830 --> 00:04:51,510
check that out see if we can progress

111
00:04:58,220 --> 00:04:54,840
and figure all that stuff out so our

112
00:05:03,110 --> 00:04:58,230
guest Jim McDonald again he has his own

113
00:05:06,320 --> 00:05:03,120

thoughts on what happened back in 1961

114

00:05:08,750 --> 00:05:06,330

he's a former naval officer and he is

115

00:05:12,530 --> 00:05:08,760

also known as a science fiction author

116

00:05:16,520 --> 00:05:12,540

the mage world's series for four books

117

00:05:19,370 --> 00:05:16,530

and he co-wrote them with his wife

118

00:05:22,730 --> 00:05:19,380

Deborah Doyle he's also a professional

119

00:05:24,830 --> 00:05:22,740

magician and you know it's funny I know

120

00:05:26,270 --> 00:05:24,840

a number of magicians that are kind of

121

00:05:29,420 --> 00:05:26,280

skeptics because they think that

122

00:05:30,890 --> 00:05:29,430

everything can be faked or is an

123

00:05:33,620 --> 00:05:30,900

illusion so we can talk a little bit

124

00:05:37,610 --> 00:05:33,630

about that and he's also been an EMT for

125

00:05:43,040 --> 00:05:37,620

the last 20 years so Jim welcome to the

126

00:05:46,880 --> 00:05:43,050

show you have well yeah hello Marc yeah

127

00:05:49,700 --> 00:05:46,890

hi how are you okay I'm not I'm not

128

00:05:54,650 --> 00:05:49,710

getting your audio hello hello there you

129

00:05:57,290 --> 00:05:54,660

are okay yeah okay well here I am

130

00:05:59,390 --> 00:05:57,300

here you are let us hear a little bit

131

00:06:01,640 --> 00:05:59,400

about yourself and then what got you

132

00:06:05,960 --> 00:06:01,650

interested in the the Betty and Barney

133

00:06:09,410 --> 00:06:05,970

Hill incident and well in the beginning

134

00:06:13,250 --> 00:06:09,420

well I read about it when it was first

135

00:06:16,910 --> 00:06:13,260

being published I am that old and I

136

00:06:18,440 --> 00:06:16,920

remember yeah I remember the 60s which

137

00:06:25,250 --> 00:06:18,450

means I wasn't really there

138

00:06:28,280 --> 00:06:25,260

people tell me so anyway eventually I

139

00:06:35,000 --> 00:06:28,290

moved to upper New Hampshire where I

140

00:06:37,870 --> 00:06:35,010

live in Colebrook and one day back in

141

00:06:39,950 --> 00:06:37,880

the mid 90s I was standing in my kitchen

142

00:06:43,340 --> 00:06:39,960

reading the Union

143

00:06:46,670 --> 00:06:43,350

leader like you do and there was a brief

144

00:06:49,040 --> 00:06:46,680

story maybe two column inches about a

145

00:06:52,820 --> 00:06:49,050

fellow who had just seen a unidentified

146

00:06:55,719 --> 00:06:52,830

flying object in Franconia Notch just

147

00:06:58,189 --> 00:06:55,729

the previous week and I said to myself

148

00:07:02,300 --> 00:06:58,199

Franconia Notch I remember something

149

00:07:04,700 --> 00:07:02,310

about that and so I looked up of the

150

00:07:09,409 --> 00:07:04,710

Betty and Barney Hill story the I got a

151
00:07:13,790 --> 00:07:09,419
copy of John Fuller's book and I said to

152
00:07:16,310 --> 00:07:13,800
myself wait a minute why are two

153
00:07:18,230 --> 00:07:16,320
different people seen the same thing at

154
00:07:20,870 --> 00:07:18,240
the same place what's up with that

155
00:07:23,120 --> 00:07:20,880
and I recalled also I've driven up and

156
00:07:26,360 --> 00:07:23,130
down Route three many many many times

157
00:07:28,700 --> 00:07:26,370
all hours of the day and night and all

158
00:07:32,060 --> 00:07:28,710
kinds of weather conditions I said there

159
00:07:34,430 --> 00:07:32,070
is a light that you see and I followed

160
00:07:38,210 --> 00:07:34,440
the the story of Betty and Barney in

161
00:07:40,700 --> 00:07:38,220
John Fuller's book and the light on the

162
00:07:42,710 --> 00:07:40,710
top of Cannon Mountain matches exactly

163
00:07:45,350 --> 00:07:42,720

what they respond what they what they

164

00:07:48,740 --> 00:07:45,360
reported it matches exactly the

165

00:07:50,990 --> 00:07:48,750
movements of their UFO and which side of

166

00:07:55,700 --> 00:07:51,000
the car it passes down and all the rest

167

00:07:57,770 --> 00:07:55,710
I said you know maybe just maybe this

168

00:07:59,060 --> 00:07:57,780
guy in the mid-90s and Betty and Barney

169

00:08:01,370 --> 00:07:59,070
back in 61

170

00:08:04,490 --> 00:08:01,380
they were just seeing a light at night

171

00:08:06,560 --> 00:08:04,500
and misidentified it and that's my thing

172

00:08:11,270 --> 00:08:06,570
and now I don't know what to do with the

173

00:08:14,450 --> 00:08:11,280
other half hour and 50 minutes five

174

00:08:18,680 --> 00:08:14,460
minutes yeah yeah well I'm sure it goes

175

00:08:24,560 --> 00:08:18,690
a bit deeper than that you know because

176

00:08:27,260 --> 00:08:24,570

if that was all you had then you have a

177

00:08:28,820 --> 00:08:27,270

lot of different theories on this and

178

00:08:30,230 --> 00:08:28,830

about about the light I understand what

179

00:08:32,360 --> 00:08:30,240

you're saying about the light because I

180

00:08:34,250 --> 00:08:32,370

used to live in Colorado and there was a

181

00:08:36,079 --> 00:08:34,260

lot of lights in the mountains there and

182

00:08:38,420 --> 00:08:36,089

it did seem like as you were going along

183

00:08:40,010 --> 00:08:38,430

like the light kept going on but it was

184

00:08:42,469 --> 00:08:40,020

just that it was out of a long distance

185

00:08:44,990 --> 00:08:42,479

away so I understand a little bit about

186

00:08:46,910 --> 00:08:45,000

that but why are you convinced that

187

00:08:48,680 --> 00:08:46,920

something else happened instead of their

188

00:08:51,290 --> 00:08:48,690

entire story let's go through the whole

189

00:08:53,460 --> 00:08:51,300

thing first of all let's let's talk a

190

00:08:56,010 --> 00:08:53,470

little bit about what happened

191

00:08:57,140 --> 00:08:56,020

what their recount was of what happened

192

00:09:00,540 --> 00:08:57,150

that night

193

00:09:03,720 --> 00:09:00,550

okay the first important thing to notice

194

00:09:08,820 --> 00:09:03,730

is they started that day off in Niagara

195

00:09:12,690 --> 00:09:08,830

Falls and they drove all day then they

196

00:09:14,910 --> 00:09:12,700

drove all night and according to fuller

197

00:09:17,640 --> 00:09:14,920

the reason is because they had no money

198

00:09:20,670 --> 00:09:17,650

for a motel if they stopped in a motel

199

00:09:26,670 --> 00:09:20,680

they would have never been abducted by

200

00:09:29,760 --> 00:09:26,680

aliens I'm pretty sure because I'm sure

201
00:09:32,940 --> 00:09:29,770
you know about drowsy driving right it's

202
00:09:35,310 --> 00:09:32,950
the thing and some of the symptoms of

203
00:09:37,770 --> 00:09:35,320
drowsy driving and of sleep deprivation

204
00:09:39,990 --> 00:09:37,780
and remember by the time Betty and

205
00:09:43,830 --> 00:09:40,000
Barney got home they've been driving for

206
00:09:48,210 --> 00:09:43,840
about 21 straight hours one of the signs

207
00:09:52,080 --> 00:09:48,220
is a feeling of lost time one of the

208
00:09:54,350 --> 00:09:52,090
sign symptoms is that you can't remember

209
00:09:56,880 --> 00:09:54,360
the last several miles you drove and

210
00:09:59,190 --> 00:09:56,890
another one of the symptoms of sleep

211
00:10:00,690 --> 00:09:59,200
deprivation is paranoia the feeling that

212
00:10:03,600 --> 00:10:00,700
you're being watched or being followed

213
00:10:10,200 --> 00:10:03,610

and Betty and Barney had all of those

214

00:10:12,120 --> 00:10:10,210

things so combined and nearly I have no

215

00:10:13,550 --> 00:10:12,130

idea how long truckers are allowed to

216

00:10:15,780 --> 00:10:13,560

drive straight through

217

00:10:18,210 --> 00:10:15,790

perhaps your other guests the police

218

00:10:23,280 --> 00:10:18,220

officer knows that it's nowhere near 21

219

00:10:25,260 --> 00:10:23,290

hours it's very well supervised at least

220

00:10:27,750 --> 00:10:25,270

at this point night history logged in

221

00:10:29,430 --> 00:10:27,760

books you know yep that's the login

222

00:10:31,170 --> 00:10:29,440

where they where they sleep how long

223

00:10:34,230 --> 00:10:31,180

they're down how long they're driving

224

00:10:36,320 --> 00:10:34,240

and I'm pretty sure that 20 21 hours is

225

00:10:41,460 --> 00:10:36,330

not inside that ballpark

226

00:10:43,080 --> 00:10:41,470

so we've so we we've got the missing

227

00:10:45,930 --> 00:10:43,090

time which is one of the big things

228

00:10:46,950 --> 00:10:45,940

we've got one of the we've got the

229

00:10:48,390 --> 00:10:46,960

feeling that they're being followed

230

00:10:50,510 --> 00:10:48,400

feeling they're being watched

231

00:10:53,820 --> 00:10:50,520

that's another sign of sleep deprivation

232

00:10:56,150 --> 00:10:53,830

and we've got the unable to remember the

233

00:10:59,840 --> 00:10:56,160

last several miles driven another

234

00:11:02,630 --> 00:10:59,850

well-publicized well-known sign of

235

00:11:06,030 --> 00:11:02,640

drowsy driving now is this

236

00:11:07,340 --> 00:11:06,040

scientifically of these tests or where

237

00:11:10,079 --> 00:11:07,350

do you were you getting this information

238

00:11:12,689 --> 00:11:10,089

well the National drowsy driving

239

00:11:14,910 --> 00:11:12,699

organization grouse birth I picked up

240

00:11:18,090 --> 00:11:14,920

the Town Hall about don't drive drowsy

241

00:11:21,090 --> 00:11:18,100

things like that drowsy driving yeah I'm

242

00:11:23,879 --> 00:11:21,100

sure they exist I don't claim to be any

243

00:11:26,549 --> 00:11:23,889

kind of expert on drowsy driving but I

244

00:11:30,030 --> 00:11:26,559

am able to to read a brochure from the

245

00:11:31,889 --> 00:11:30,040

highway department yeah at I think what

246

00:11:33,989 --> 00:11:31,899

Jim is saying as the ring of truth too

247

00:11:37,019 --> 00:11:33,999

because I notice a little bit something

248

00:11:38,999 --> 00:11:37,029

about sleep deprivation and there there

249

00:11:40,650 --> 00:11:39,009

are scenarios that are documented what

250

00:11:42,179 --> 00:11:40,660

people begin to hallucinate the people

251
00:11:45,900 --> 00:11:42,189
again that they believe that they see

252
00:11:47,400 --> 00:11:45,910
things for example Navy SEALs and Green

253
00:11:49,319 --> 00:11:47,410
Berets when they undergo their training

254
00:11:54,660 --> 00:11:49,329
they're intentionally deprived of sleep

255
00:11:56,730 --> 00:11:54,670
and there have been tales of Special

256
00:11:59,579 --> 00:11:56,740
Forces guys on one of these out lost in

257
00:12:01,230 --> 00:11:59,589
the woods well they see fairies and God

258
00:12:03,150 --> 00:12:01,240
only know what else they see out there

259
00:12:04,350 --> 00:12:03,160
but there's a ring of truth that leads

260
00:12:07,040 --> 00:12:04,360
to the sleep doctor sleep deprivation

261
00:12:09,660 --> 00:12:07,050
part I think we can agree on that

262
00:12:12,509 --> 00:12:09,670
yep but there's there's quite a bit more

263
00:12:15,960 --> 00:12:12,519

to the story so how do you piece the

264

00:12:19,650 --> 00:12:15,970

other pieces together okay go ahead

265

00:12:21,179 --> 00:12:19,660

okay well let's let's go through this we

266

00:12:23,160 --> 00:12:21,189

have a time kick when they stopped in

267

00:12:25,019 --> 00:12:23,170

Colebrook which is my current hometown I

268

00:12:27,859 --> 00:12:25,029

have where they're leaving the

269

00:12:32,609 --> 00:12:27,869

restaurant at about 10:00 p.m. and

270

00:12:36,539 --> 00:12:32,619

heading down Route 3 later on fuller

271

00:12:39,900 --> 00:12:36,549

says they're approaching Frank Franconia

272

00:12:43,980 --> 00:12:39,910

Notch at around 11:00 this is impossible

273

00:12:47,239 --> 00:12:43,990

this cannot be done so if they were

274

00:12:49,949 --> 00:12:47,249

getting that approaching the mountains

275

00:12:51,539 --> 00:12:49,959

purchasing the notch around 11:00 that

276

00:12:56,639 --> 00:12:51,549

tells me that their watches have already

277

00:12:58,199 --> 00:12:56,649

stopped by that point so the the fact

278

00:13:01,049 --> 00:12:58,209

that they're the next day their watches

279

00:13:05,119 --> 00:13:01,059

didn't work that had already happened

280

00:13:08,210 --> 00:13:05,129

long before the UFO even showed up so

281

00:13:11,389 --> 00:13:08,220

what how long does it normally take from

282

00:13:16,519 --> 00:13:11,399

the two stops you're talking about

283

00:13:19,530 --> 00:13:16,529

between Colebrook and Franconia Notch

284

00:13:20,970 --> 00:13:19,540

around an hour and a half and that's

285

00:13:23,490 --> 00:13:20,980

with the modern road

286

00:13:25,980 --> 00:13:23,500

straightened and leveled right and with

287

00:13:28,980 --> 00:13:25,990

a modern vehicle as well with a modern

288

00:13:32,939 --> 00:13:28,990

vehicle with modern headlights as

289

00:13:35,310 --> 00:13:32,949

opposed to a 1961 vehicle I don't know

290

00:13:37,110 --> 00:13:35,320

if there is anything you could walk up

291

00:13:39,210 --> 00:13:37,120

but if I recall correctly headlights

292

00:13:41,220 --> 00:13:39,220

were a lot dimmer in those days it's a

293

00:13:45,030 --> 00:13:41,230

57 Chevy Bel Air or I think they were

294

00:13:48,569 --> 00:13:45,040

driving so let's get into other parts of

295

00:13:52,290 --> 00:13:48,579

this story and you know the well first

296

00:13:54,120 --> 00:13:52,300

of all it was something that they didn't

297

00:13:56,460 --> 00:13:54,130

come out with they didn't go public with

298

00:13:58,560 --> 00:13:56,470

this am I right about that that's that's

299

00:14:01,019 --> 00:13:58,570

true I have no idea how it eventually

300

00:14:04,699 --> 00:14:01,029

came out it was after they talked with a

301
00:14:07,019 --> 00:14:04,709
psychiatrist if I recall correctly I

302
00:14:09,030 --> 00:14:07,029
believe that Betty and Barney were

303
00:14:12,360 --> 00:14:09,040
completely honest absolutely truthful

304
00:14:15,389 --> 00:14:12,370
good people I don't believe they were

305
00:14:17,189 --> 00:14:15,399
fibbing or making things up I believe

306
00:14:21,150 --> 00:14:17,199
they're telling us exactly what they

307
00:14:23,370 --> 00:14:21,160
remembered what I don't believe though

308
00:14:28,110 --> 00:14:23,380
is that what they remembered is what

309
00:14:31,490 --> 00:14:28,120
actually happened so yeah I think that

310
00:14:34,699 --> 00:14:31,500
we've got a case of drowsy driving plus

311
00:14:40,319 --> 00:14:34,709
misidentification of a common object

312
00:14:45,170 --> 00:14:40,329
which over time and with the hypnotic

313
00:14:48,809 --> 00:14:45,180

regression led them to a fantastic story

314

00:14:50,220 --> 00:14:48,819

when a psychiatrist does treatment on

315

00:14:52,590 --> 00:14:50,230

the person they aren't looking for

316

00:14:56,360 --> 00:14:52,600

absolute truth they're looking for the

317

00:15:01,699 --> 00:14:56,370

psychological reality rather than the

318

00:15:05,759 --> 00:15:01,709

the the yardstick and stopwatch reality

319

00:15:08,509 --> 00:15:05,769

so now I remember I remember talking

320

00:15:11,160 --> 00:15:08,519

with Cathy Mardon

321

00:15:14,040 --> 00:15:11,170

Betty's niece and she said that there

322

00:15:15,960 --> 00:15:14,050

were concentric marks on the back of the

323

00:15:22,650 --> 00:15:15,970

vehicle there was a lot of things but in

324

00:15:24,900 --> 00:15:22,660

details you know they had some type of

325

00:15:27,689 --> 00:15:24,910

encounter according to them and we're

326

00:15:29,639 --> 00:15:27,699

and you'd think this is all even though

327

00:15:31,949 --> 00:15:29,649

they both had great detail about it you

328

00:15:33,640 --> 00:15:31,959

think it's all driven by sleep

329

00:15:36,490 --> 00:15:33,650

deprivation is that what I'm getting

330

00:15:39,110 --> 00:15:36,500

yep sleep deprivation and

331

00:15:40,640 --> 00:15:39,120

misidentification of a common object we

332

00:15:42,410 --> 00:15:40,650

don't know how long those marks have

333

00:15:44,930 --> 00:15:42,420

been on the back of the of the trunk do

334

00:15:46,730 --> 00:15:44,940

we we don't know if that they were there

335

00:15:48,440 --> 00:15:46,740

a week before and only now that

336

00:15:50,170 --> 00:15:48,450

something weird has happened are we

337

00:15:53,480 --> 00:15:50,180

looking at the car and oh my goodness

338

00:15:56,840 --> 00:15:53,490

here's something weird if I recall

339

00:15:58,880 --> 00:15:56,850

correctly they checked these these marks

340

00:16:01,400 --> 00:15:58,890

on the trunk of the car by running a

341

00:16:04,190 --> 00:16:01,410

magnet running the accomplice by animus

342

00:16:06,290 --> 00:16:04,200

and the top acetate deviated proving

343

00:16:08,150 --> 00:16:06,300

that you were radioactive I don't know

344

00:16:10,370 --> 00:16:08,160

how to tell you this but that doesn't

345

00:16:12,650 --> 00:16:10,380

measure radioactivity right

346

00:16:16,490 --> 00:16:12,660

it measures whether or not the compass

347

00:16:18,410 --> 00:16:16,500

was near an iron object and a 57 Bel Air

348

00:16:22,820 --> 00:16:18,420

is pretty darned iron if I remember

349

00:16:24,860 --> 00:16:22,830

correctly right yeah also relate to the

350

00:16:28,910 --> 00:16:24,870

magnetic properties of an object as well

351

00:16:32,770 --> 00:16:28,920

all right now what about I I think you

352

00:16:39,160 --> 00:16:32,780

know there's there's a project Bluebook

353

00:16:44,960 --> 00:16:43,220

way back in the 50s and 60s and again

354

00:16:46,070 --> 00:16:44,970

I'm not speaking as any kind of expert

355

00:16:47,950 --> 00:16:46,080

I'm not claiming to be any kind of

356

00:16:50,480 --> 00:16:47,960

expert

357

00:16:52,790 --> 00:16:50,490

there was a big question about what

358

00:16:55,760 --> 00:16:52,800

exactly the Soviet Union was up to

359

00:16:58,630 --> 00:16:55,770

they were supermen who were ten feet

360

00:17:01,520 --> 00:16:58,640

tall and had all kinds of super science

361

00:17:03,080 --> 00:17:01,530

remember that there was a question

362

00:17:05,030 --> 00:17:03,090

whether or not the Russians were using

363

00:17:08,480 --> 00:17:05,040

remote viewing to be able to read secret

364

00:17:11,120 --> 00:17:08,490

documents so the CIA got some telepaths

365

00:17:13,600 --> 00:17:11,130

to see if they could do it too because

366

00:17:17,510 --> 00:17:13,610

nobody knew whether it was real or not

367

00:17:18,560 --> 00:17:17,520

so there's strange objects flying around

368

00:17:22,040 --> 00:17:18,570

the in the sky

369

00:17:26,750 --> 00:17:22,050

are they Russian super science crafts

370

00:17:28,760 --> 00:17:26,760

we've got to check it out so blue book

371

00:17:31,330 --> 00:17:28,770

from the fact that it's got a two-word

372

00:17:34,490 --> 00:17:31,340

name we know it's a classified project

373

00:17:35,630 --> 00:17:34,500

and for the fact that it the name has

374

00:17:38,540 --> 00:17:35,640

nothing to do with what it's all about

375

00:17:42,620 --> 00:17:38,550

classified project so I'm sure it's been

376

00:17:45,230 --> 00:17:42,630

Declassified by now what did blue book

377

00:17:47,480 --> 00:17:45,240

have to say about of course there the US

378

00:17:51,020 --> 00:17:47,490

is going to investigate and

379

00:17:54,380 --> 00:17:51,030

report of a of a flying object because

380

00:17:56,930 --> 00:17:54,390

it could be a Russian this in the close

381

00:17:59,780 --> 00:17:56,940

encounter Betty and Barney took places

382

00:18:02,360 --> 00:17:59,790

back in 61 that was between the Bay of

383

00:18:05,000 --> 00:18:02,370

Pigs and the Cuban Missile Crisis the

384

00:18:09,320 --> 00:18:05,010

Cold War was about as frosty as it is

385

00:18:11,870 --> 00:18:09,330

was going to get so I would think that

386

00:18:15,880 --> 00:18:11,880

the Air Force would be remiss if they

387

00:18:20,270 --> 00:18:15,890

were not investigating hmm well I

388

00:18:24,250 --> 00:18:20,280

understand that now so if we're walking

389

00:18:28,210 --> 00:18:24,260

all the way through all of this there's

390

00:18:31,760 --> 00:18:28,220

it goes all the way to later on that

391

00:18:33,440 --> 00:18:31,770

Betty recalls a star chart and okay

392

00:18:37,820 --> 00:18:33,450

let's hear what you have to say about

393

00:18:40,100 --> 00:18:37,830

that I mean that's another okay you have

394

00:18:43,390 --> 00:18:40,110

a bunch of random points and you've got

395

00:18:45,680 --> 00:18:43,400

a huge universe they can match them with

396

00:18:48,169 --> 00:18:45,690

people who are better qualified than I

397

00:18:50,390 --> 00:18:48,179

have said that it only matches if you

398

00:18:52,430 --> 00:18:50,400

leave out certain really major features

399

00:18:55,070 --> 00:18:52,440

and that you're making as

400

00:18:58,130 --> 00:18:55,080

two-dimensional object map onto some

401
00:18:59,960 --> 00:18:58,140
kind of three-dimensional space I think

402
00:19:02,780 --> 00:18:59,970
that the psychiatrist said that we'll

403
00:19:05,450 --> 00:19:02,790
know it's true if we get to set a

404
00:19:07,940 --> 00:19:05,460
particular eye or wherever and there is

405
00:19:11,270 --> 00:19:07,950
a civilization there then we'll know for

406
00:19:13,850 --> 00:19:11,280
sure until then unproven I bet you a

407
00:19:16,669 --> 00:19:13,860
nickel but I could throw a handful of

408
00:19:19,100 --> 00:19:16,679
seeds onto a piece of paper mark down

409
00:19:21,080 --> 00:19:19,110
where they fell and map it to somewhere

410
00:19:23,600 --> 00:19:21,090
in the universe well there's there's no

411
00:19:25,400 --> 00:19:23,610
doubt that that's possible given the the

412
00:19:27,040 --> 00:19:25,410
the state of the universe as we know it

413
00:19:30,380 --> 00:19:27,050

today

414

00:19:32,990 --> 00:19:30,390

that's a given it's it's you could put

415

00:19:35,210 --> 00:19:33,000

any type of configuration who represent

416

00:19:37,640 --> 00:19:35,220

whatever type of star system a galaxy

417

00:19:39,799 --> 00:19:37,650

that that exists that we know of and in

418

00:19:43,090 --> 00:19:39,809

the present time but the the pot that

419

00:19:45,830 --> 00:19:43,100

gives me the trouble about this Jim and

420

00:19:48,200 --> 00:19:45,840

I'm coming at this from from a police

421

00:19:49,930 --> 00:19:48,210

perspective and I've dealt with hundreds

422

00:19:53,210 --> 00:19:49,940

of hundreds of witnesses in my career

423

00:19:55,130 --> 00:19:53,220

and sometimes all you have really is

424

00:19:56,600 --> 00:19:55,140

witness testimony you don't have

425

00:19:58,519 --> 00:19:56,610

physical evidence you don't really have

426

00:20:01,669 --> 00:19:58,529

a lot to corroborate what the witness

427

00:20:04,279 --> 00:20:01,679

I put people into prison based on

428

00:20:08,269 --> 00:20:04,289

witness testimony but yeah level of

429

00:20:11,239 --> 00:20:08,279

detail that these people provided it

430

00:20:13,009 --> 00:20:11,249

impresses me and and the point I'm

431

00:20:15,109 --> 00:20:13,019

trying to get us you know something what

432

00:20:18,529 --> 00:20:15,119

people put together a type of story like

433

00:20:20,989 --> 00:20:18,539

that at that level of detail even

434

00:20:23,389 --> 00:20:20,999

they're just wildly exaggerating what

435

00:20:25,190 --> 00:20:23,399

happened and I tip my hat for them if

436

00:20:28,070 --> 00:20:25,200

that's the case because that's an

437

00:20:30,649 --> 00:20:28,080

extraordinary level of detail but the

438

00:20:32,649 --> 00:20:30,659

other part is is if they are making this

439

00:20:38,599 --> 00:20:32,659

up out of whole cloth or if they are

440

00:20:43,729 --> 00:20:41,960

the psychiatrist was of the opinion that

441

00:20:45,649 --> 00:20:43,739

they were confabulated he's a

442

00:20:48,560 --> 00:20:45,659

board-certified psychiatrist who

443

00:20:52,820 --> 00:20:48,570

examined them in person Who am I to say

444

00:20:55,519 --> 00:20:52,830

that that he was wrong well what's the

445

00:20:57,109 --> 00:20:55,529

motive why why would why would somebody

446

00:20:58,729 --> 00:20:57,119

first of all explores himself to public

447

00:21:00,849 --> 00:20:58,739

ridicule because sooner or later that

448

00:21:03,769 --> 00:21:00,859

their identities are gonna become known

449

00:21:07,669 --> 00:21:03,779

and I had the same impression when I

450

00:21:09,560 --> 00:21:07,679

read dr. max book which was I believe me

451
00:21:11,720 --> 00:21:09,570
I'm I'm with you on the skeptic side of

452
00:21:14,119 --> 00:21:11,730
this i this gives me problems and I

453
00:21:15,950 --> 00:21:14,129
think if I'm not mistaken I don't want

454
00:21:18,889 --> 00:21:15,960
to speak for Martin but he's also

455
00:21:23,389 --> 00:21:18,899
skeptic on this as far as far as I'm

456
00:21:27,019 --> 00:21:23,399
aware on the whole issue of abduction oh

457
00:21:30,139 --> 00:21:27,029
the abduction part of I don't say that

458
00:21:31,849 --> 00:21:30,149
I'm all right no skeptic I was yeah I'm

459
00:21:34,759 --> 00:21:31,859
more of a I'm you know I've been on the

460
00:21:37,729 --> 00:21:34,769
fence about it you know but I think that

461
00:21:40,399 --> 00:21:37,739
there's something to it like I I do

462
00:21:42,169 --> 00:21:40,409
think that there are UFOs I don't know I

463
00:21:44,570 --> 00:21:42,179

don't pretend to say that I know what

464

00:21:46,909 --> 00:21:44,580

they are and you know from firsthand

465

00:21:53,389 --> 00:21:46,919

experience and I didn't have sleep

466

00:21:55,639 --> 00:21:53,399

deprivation but you know I I think it it

467

00:21:57,680 --> 00:21:55,649

only makes sense that if we are being

468

00:22:00,430 --> 00:21:57,690

explored even if it's not interstellar

469

00:22:03,470 --> 00:22:00,440

somehow being explored by something else

470

00:22:06,919 --> 00:22:03,480

you know a logical thing is to take

471

00:22:10,220 --> 00:22:06,929

samples in to test things so I think

472

00:22:11,450 --> 00:22:10,230

it's you know that part of the abduction

473

00:22:12,830 --> 00:22:11,460

and there are some abductions

474

00:22:15,289 --> 00:22:12,840

stories I've always thought this was a

475

00:22:16,880 --> 00:22:15,299

pretty solid case there are some other

476

00:22:19,970 --> 00:22:16,890

abduction stories that I think are very

477

00:22:22,370 --> 00:22:19,980

solid and very interesting that have no

478

00:22:23,840 --> 00:22:22,380

explanation and you know later on in the

479

00:22:25,820 --> 00:22:23,850

show we can talk a little bit about that

480

00:22:28,340 --> 00:22:25,830

what you think about other things Jim

481

00:22:30,080 --> 00:22:28,350

but for right now I want to say that if

482

00:22:33,409 --> 00:22:30,090

anyone is out there and they want to

483

00:22:36,039 --> 00:22:33,419

call in I'm taking calls early so you

484

00:22:40,010 --> 00:22:36,049

can call that number is one six oh three

485

00:22:43,310 --> 00:22:40,020

nine six seven 403 Oh callers are

486

00:22:46,250 --> 00:22:43,320

welcome to call in just make sure that

487

00:22:48,889 --> 00:22:46,260

if you're calling and you have your your

488

00:22:56,330 --> 00:22:48,899

volume down on on what you're listening

489

00:22:59,649 --> 00:22:56,340

to the show life so what about you know

490

00:23:02,659 --> 00:22:59,659

the the things that happen to them

491

00:23:05,450 --> 00:23:02,669

during this suppose that abduction Jim

492

00:23:07,070 --> 00:23:05,460

other people have said you know that the

493

00:23:08,840 --> 00:23:07,080

same similar things have happened you

494

00:23:11,419 --> 00:23:08,850

don't think they're just copycats do you

495

00:23:13,700 --> 00:23:11,429

I mean people and say other other

496

00:23:15,380 --> 00:23:13,710

countries I'll hold on Jim actually we

497

00:23:16,760 --> 00:23:15,390

have we have someone calling in right

498

00:23:21,529 --> 00:23:16,770

now okay okay

499

00:23:24,769 --> 00:23:21,539

and caller can you hear me welcome to

500

00:23:28,130 --> 00:23:24,779

the show yes I can hear you all right oh

501
00:23:31,100 --> 00:23:28,140
this is Kathy yes it is hi Kathy how are

502
00:23:33,889 --> 00:23:31,110
you I'm doing well who is it this is

503
00:23:36,470 --> 00:23:33,899
Martin and welcome to the show thanks

504
00:23:38,630 --> 00:23:36,480
for calling in so we have Kathy Martin

505
00:23:43,639 --> 00:23:38,640
on the line Jim have you ever spoken

506
00:23:47,260 --> 00:23:43,649
with her I've exchanged some some posts

507
00:23:51,590 --> 00:23:47,270
on some comments in the blog post yeah

508
00:23:53,090 --> 00:23:51,600
alright so I hate Kathy go ahead would

509
00:23:55,730 --> 00:23:53,100
I'd actually like to hear what you have

510
00:23:57,980 --> 00:23:55,740
to say to the show have you been

511
00:24:00,080 --> 00:23:57,990
listening so far so what do you have to

512
00:24:02,600 --> 00:24:00,090
say with what's what Jim has talked

513
00:24:05,899 --> 00:24:02,610

about so far well I would like to

514

00:24:07,870 --> 00:24:05,909

correct some misinformation with regard

515

00:24:10,370 --> 00:24:07,880

to some of the things that Jim said

516

00:24:13,190 --> 00:24:10,380

first of all he stated that the hills

517

00:24:17,120 --> 00:24:13,200

had started that day and I have all and

518

00:24:19,700 --> 00:24:17,130

that is false they had left Niagara

519

00:24:23,539 --> 00:24:19,710

Falls the day before that and they spent

520

00:24:25,270 --> 00:24:23,549

the night in a motel 112 miles west of

521

00:24:28,700 --> 00:24:25,280

Montreal

522

00:24:31,490 --> 00:24:28,710

they did have a very good night's sleep

523

00:24:37,550 --> 00:24:31,500

they did the tourist thing in Montreal

524

00:24:39,170 --> 00:24:37,560

and then they started to drive home they

525

00:24:42,140 --> 00:24:39,180

decided that they would stop along the

526

00:24:43,700 --> 00:24:42,150

way if they grew tired but they had a

527

00:24:46,640 --> 00:24:43,710

really good night's sleep the night

528

00:24:50,360 --> 00:24:46,650

before so they decided not to stop and

529

00:24:53,960 --> 00:24:50,370

then they had this sighting of the craft

530

00:24:56,930 --> 00:24:53,970

that came in closer and closer now a

531

00:24:59,720 --> 00:24:56,940

point that I really do want to make is

532

00:25:02,450 --> 00:24:59,730

that they described this is appearing to

533

00:25:04,820 --> 00:25:02,460

be spinning it appeared to be lighted on

534

00:25:07,610 --> 00:25:04,830

only one side which gave it a twinkling

535

00:25:09,830 --> 00:25:07,620

effect they said is it glided closer

536

00:25:12,200 --> 00:25:09,840

Barney was able to see inside this

537

00:25:14,990 --> 00:25:12,210

object but not too closely he did see

538

00:25:16,850 --> 00:25:15,000

many figures scurrying about as though

539

00:25:19,820 --> 00:25:16,860

they were making some hurried type of

540

00:25:22,490 --> 00:25:19,830

preparation one figure was observing us

541

00:25:24,140 --> 00:25:22,500

betty wrote from the window from the

542

00:25:26,350 --> 00:25:24,150

distance this was seen the figures

543

00:25:28,550 --> 00:25:26,360

appeared to be of the size of a pencil

544

00:25:30,890 --> 00:25:28,560

thinking of a pencil held at arm's

545

00:25:34,810 --> 00:25:30,900

length and seemed to be dressed in some

546

00:25:38,150 --> 00:25:34,820

type of shiny black uniform this was

547

00:25:42,070 --> 00:25:38,160

quoted from the letter that betty wrote

548

00:25:48,290 --> 00:25:42,080

to Donald Kehoe the head of NICAP on

549

00:25:51,200 --> 00:25:48,300

September 26 1961 they also made an Air

550

00:25:53,900 --> 00:25:51,210

Force Blue Book report and you were

551
00:25:58,310 --> 00:25:53,910
showing that as well and in the Blue

552
00:26:01,460 --> 00:25:58,320
Book report it stated that this craft

553
00:26:05,810 --> 00:26:01,470
had swooped down and when it swooped

554
00:26:09,560 --> 00:26:05,820
down at first it appeared to be the size

555
00:26:13,040 --> 00:26:09,570
of a dinner plate held at arm's length

556
00:26:15,410 --> 00:26:13,050
imagine this the full moon can be

557
00:26:17,930 --> 00:26:15,420
covered by an aspirin held at arm's

558
00:26:21,740 --> 00:26:17,940
length so this was the size of a dinner

559
00:26:25,450 --> 00:26:21,750
plate this was enormous and this was

560
00:26:29,090 --> 00:26:25,460
seen by Betty and Barney when they were

561
00:26:31,610 --> 00:26:29,100
south of Franconia Notch in Lincoln New

562
00:26:35,150 --> 00:26:31,620
Hampshire they were across the street

563
00:26:38,780 --> 00:26:35,160

from the knotch Express which is south

564

00:26:42,470 --> 00:26:38,790

of Indian Head the Indian had resort

565

00:26:46,820 --> 00:26:42,480

so this was a very large object reported

566

00:26:49,040 --> 00:26:46,830

to NICAP reported to the Air Force and I

567

00:26:52,400 --> 00:26:49,050

think that those are two very important

568

00:26:54,800 --> 00:26:52,410

points because that light up on top of

569

00:26:58,120 --> 00:26:54,810

Cannon Mountain which Betty did speak of

570

00:27:00,710 --> 00:26:58,130

and was aware that it was there and

571

00:27:05,690 --> 00:27:00,720

described the craft of being very

572

00:27:07,700 --> 00:27:05,700

different from that I think that it is

573

00:27:11,300 --> 00:27:07,710

very very important to consider those

574

00:27:14,240 --> 00:27:11,310

things because you cannot see that light

575

00:27:17,090 --> 00:27:14,250

from the position if you're looking

576
00:27:19,670 --> 00:27:17,100
north from where Betty and Barney's car

577
00:27:23,150 --> 00:27:19,680
was stopped after this object swooped

578
00:27:27,230 --> 00:27:23,160
down and at first with about two hundred

579
00:27:28,940 --> 00:27:27,240
feet above Barney Jim can look in the

580
00:27:31,420 --> 00:27:28,950
interrupted journey or he could also

581
00:27:33,980 --> 00:27:31,430
look in my book with Stanton Friedman

582
00:27:36,680 --> 00:27:33,990
captured the Betty and Barney Hill UFO

583
00:27:39,800 --> 00:27:36,690
experience and there he will see

584
00:27:42,710 --> 00:27:39,810
Barney's sketches that he drew when he

585
00:27:44,810 --> 00:27:42,720
arrived home and on those sketches he

586
00:27:47,210 --> 00:27:44,820
wrote first this is how it looked when

587
00:27:49,700 --> 00:27:47,220
it was about 200 feet in the air and

588
00:27:51,800 --> 00:27:49,710

then on the bottom this is how it looked

589

00:27:54,670 --> 00:27:51,810

when it was about a hundred feet in the

590

00:27:58,070 --> 00:27:54,680

air and you can see that he has drawn

591

00:28:00,740 --> 00:27:58,080

stick figures behind the windows in

592

00:28:03,560 --> 00:28:00,750

those sketches so I think that these are

593

00:28:06,190 --> 00:28:03,570

some very important points that have to

594

00:28:11,390 --> 00:28:06,200

be made now the close encounter field

595

00:28:14,360 --> 00:28:11,400

was where the object was seen they

596

00:28:17,540 --> 00:28:14,370

arrived at that at about midnight so

597

00:28:22,370 --> 00:28:17,550

that was about two hours from Kohlberg

598

00:28:24,710 --> 00:28:22,380

and so those are some of the points that

599

00:28:26,870 --> 00:28:24,720

that I think that really need to be

600

00:28:29,450 --> 00:28:26,880

addressed yeah I just had a quick

601
00:28:31,490 --> 00:28:29,460
question for you mentioned that that

602
00:28:33,560 --> 00:28:31,500
they had driven from Montreal about a

603
00:28:36,740 --> 00:28:33,570
hundred and I think your words are 112

604
00:28:40,580 --> 00:28:36,750
miles west of Montreal what is that

605
00:28:43,580 --> 00:28:40,590
right yeah if they'd stayed in Montreal

606
00:28:50,240 --> 00:28:43,590
the night previously then why did they

607
00:28:52,910 --> 00:28:50,250
decide to stop in and sleep two miles

608
00:28:55,100 --> 00:28:52,920
outside of Montreal and you

609
00:28:56,900 --> 00:28:55,110
if that mileage is crap that's just over

610
00:29:00,430 --> 00:28:56,910
the border from New Hampshire

611
00:29:04,130 --> 00:29:00,440
no they I think you got that wrong

612
00:29:11,830 --> 00:29:04,140
correct okay from it they slept they

613
00:29:14,810 --> 00:29:11,840

spent the night of the 18th in Ontario a

614

00:29:17,210 --> 00:29:14,820

hundred and twelve miles west of

615

00:29:20,720 --> 00:29:17,220

Montreal okay right they drove east

616

00:29:23,000 --> 00:29:20,730

toward Montreal they visited Old

617

00:29:26,960 --> 00:29:23,010

Montreal they drove around they did the

618

00:29:29,960 --> 00:29:26,970

sightseeing thing in Montreal and then

619

00:29:31,039 --> 00:29:29,970

from Montreal to Colebrook is a hundred

620

00:29:34,070 --> 00:29:31,049

and thirty miles

621

00:29:37,130 --> 00:29:34,080

they left Colebrook at ten o'clock at

622

00:29:43,130 --> 00:29:37,140

night and from Colebrook to Lancaster is

623

00:29:45,140 --> 00:29:43,140

thirty five miles so from Lancaster to

624

00:29:47,720 --> 00:29:45,150

Portsmouth New Hampshire is a hundred

625

00:29:51,230 --> 00:29:47,730

and forty three miles my husband and I

626

00:29:53,780 --> 00:29:51,240

drove this entire route from Niagara

627

00:29:56,780 --> 00:29:53,790

Falls all the way to Portsmouth New

628

00:29:59,960 --> 00:29:56,790

Hampshire in two days

629

00:30:02,539 --> 00:29:59,970

just like Betty and Barney did following

630

00:30:05,630 --> 00:30:02,549

the same route that they took in the

631

00:30:10,340 --> 00:30:05,640

same time frame in the same month of the

632

00:30:12,740 --> 00:30:10,350

year and we were 20 years older than

633

00:30:16,370 --> 00:30:12,750

Betty and Barney when they took that

634

00:30:20,360 --> 00:30:16,380

drive and we were not extremely tired

635

00:30:23,060 --> 00:30:20,370

and we were not hallucinating so I don't

636

00:30:25,850 --> 00:30:23,070

think that Betty and Barney who were 20

637

00:30:28,909 --> 00:30:25,860

years younger than us when we took that

638

00:30:31,310 --> 00:30:28,919

drive were hallucinating or tired and

639

00:30:34,520 --> 00:30:31,320

certainly they were credible individuals

640

00:30:36,560 --> 00:30:34,530

who wanted to do the right thing they

641

00:30:39,380 --> 00:30:36,570

were asked to make a report to Pease Air

642

00:30:41,930 --> 00:30:39,390

Force Base the Project Blue Book they

643

00:30:44,930 --> 00:30:41,940

did that they followed the instructions

644

00:30:47,960 --> 00:30:44,940

that were given to them and they had a

645

00:30:50,210 --> 00:30:47,970

considerable amount of circumstantial

646

00:30:54,470 --> 00:30:50,220

and physical evidence when they arrived

647

00:30:56,750 --> 00:30:54,480

home Jim you have some questions yeah

648

00:30:58,610 --> 00:30:56,760

okay first of all let's remove

649

00:31:01,970 --> 00:30:58,620

everything that's a recovered memory

650

00:31:04,250 --> 00:31:01,980

okay so I have no what I'm telling you

651
00:31:05,900 --> 00:31:04,260
these aren't recovered memories they're

652
00:31:06,720 --> 00:31:05,910
everything I've told you is not a

653
00:31:09,230 --> 00:31:06,730
recovered

654
00:31:10,800 --> 00:31:09,240
it was all conscious continuous recall

655
00:31:12,870 --> 00:31:10,810
okay

656
00:31:15,720 --> 00:31:12,880
within the lat a few days after the

657
00:31:17,040 --> 00:31:15,730
event cool now at the point where

658
00:31:21,330 --> 00:31:17,050
they're standing at the foot of Cannon

659
00:31:24,180 --> 00:31:21,340
Mountain there and they see the light at

660
00:31:26,460 --> 00:31:24,190
the top of the tramway and they see

661
00:31:30,750 --> 00:31:26,470
above and to the left of that light they

662
00:31:33,870 --> 00:31:30,760
see their UFO remember that point yes

663
00:31:37,800 --> 00:31:33,880

they were on the old section of Route

664

00:31:40,050 --> 00:31:37,810

three uh there's a there's a bridge if

665

00:31:44,400 --> 00:31:40,060

you go on to the old Hugh gallon bridge

666

00:31:47,520 --> 00:31:44,410

where the old route three was they they

667

00:31:50,970 --> 00:31:47,530

stopped at the base of the old man of

668

00:31:54,090 --> 00:31:50,980

the mountains they looked up and they

669

00:31:57,930 --> 00:31:54,100

saw an object next to the old man's

670

00:32:01,380 --> 00:31:57,940

profile and that object appeared to be

671

00:32:03,660 --> 00:32:01,390

at least one and a half times to two

672

00:32:08,340 --> 00:32:03,670

times the length of the old man's

673

00:32:10,350 --> 00:32:08,350

profile it appeared to be spinning okay

674

00:32:12,630 --> 00:32:10,360

but let's move back to the foot of

675

00:32:15,390 --> 00:32:12,640

profile Lake okay what Afghan and

676

00:32:17,670 --> 00:32:15,400

mountain profile like they're looking up

677

00:32:20,130 --> 00:32:17,680

at the tramway they see the lights of

678

00:32:23,160 --> 00:32:20,140

the at the station the top of the

679

00:32:27,930 --> 00:32:23,170

tramway right above and to the left they

680

00:32:31,140 --> 00:32:27,940

see the UFO is this correct so far to

681

00:32:34,290 --> 00:32:31,150

the left by the old man's profile you

682

00:32:36,030 --> 00:32:34,300

cannot see the old man there well they

683

00:32:39,180 --> 00:32:36,040

were they were looking up at the old

684

00:32:41,640 --> 00:32:39,190

man's profile okay from the old man

685

00:32:44,430 --> 00:32:41,650

location they could see the old man's

686

00:32:46,710 --> 00:32:44,440

profile from where they stopped that

687

00:32:51,060 --> 00:32:46,720

night where was the point where they

688

00:32:53,190 --> 00:32:51,070

could see the lights on the tramway well

689

00:32:56,850 --> 00:32:53,200

they would have seen the light when they

690

00:32:59,370 --> 00:32:56,860

came in along the Hugh gallon bridge and

691

00:33:01,890 --> 00:32:59,380

look straight ahead I've driven that

692

00:33:06,420 --> 00:33:01,900

many times and you can you can see that

693

00:33:09,540 --> 00:33:06,430

light absolutely can and okay you see

694

00:33:12,360 --> 00:33:09,550

the life of tramway and and they saw

695

00:33:16,110 --> 00:33:12,370

their UFO above a to the left of the

696

00:33:18,630 --> 00:33:16,120

tramways is correct Dave well as they

697

00:33:20,670 --> 00:33:18,640

were driving in they saw the object pass

698

00:33:24,780 --> 00:33:20,680

over the top of the bill

699

00:33:27,930 --> 00:33:24,790

at the top of the mountain and then they

700

00:33:30,630 --> 00:33:27,940

stopped the car by the old man of the

701
00:33:33,390 --> 00:33:30,640
mountain and looked up at the craft ever

702
00:33:36,330 --> 00:33:33,400
as it hovered next to the old man's

703
00:33:38,910 --> 00:33:36,340
profile and then it moved in a stair

704
00:33:42,890 --> 00:33:38,920
step pattern and the pattern was very

705
00:33:46,800 --> 00:33:42,900
erratic they told the airforce okay

706
00:33:49,080 --> 00:33:46,810
the point I'm trying to get to is that

707
00:33:51,450 --> 00:33:49,090
at the point where you can see the

708
00:33:53,880 --> 00:33:51,460
tramway lights top of the tramway and

709
00:33:56,460 --> 00:33:53,890
they saw a UFO above and to the left

710
00:33:58,500 --> 00:33:56,470
what you would have seen what I would

711
00:34:01,020 --> 00:33:58,510
have seen what anybody else would have

712
00:34:03,570 --> 00:34:01,030
seen that same night would have been the

713
00:34:05,730 --> 00:34:03,580

lights at the top of the tramway and the

714

00:34:08,970 --> 00:34:05,740

aircraft safety light on the top of the

715

00:34:10,980 --> 00:34:08,980

watch tower on Cannon Mountain yes of

716

00:34:13,320 --> 00:34:10,990

course the aircraft safety light was

717

00:34:15,360 --> 00:34:13,330

there and Betty said that it was had

718

00:34:18,030 --> 00:34:15,370

been changed over the years so the light

719

00:34:20,550 --> 00:34:18,040

that's there now is different from the

720

00:34:23,850 --> 00:34:20,560

one that was there in 1961 she was

721

00:34:26,070 --> 00:34:23,860

always aware of that light but that's

722

00:34:30,120 --> 00:34:26,080

really inconsequential because they

723

00:34:35,300 --> 00:34:30,130

drove another eight miles looking at

724

00:34:37,980 --> 00:34:35,310

that craft as it moved itself and then

725

00:34:40,320 --> 00:34:37,990

betty was becoming excited because it

726
00:34:42,540 --> 00:34:40,330
was moving in closer and closer this is

727
00:34:47,159 --> 00:34:42,550
all part of the conscious continuous

728
00:34:50,220 --> 00:34:47,169
recall where it swooped down over the

729
00:34:52,980 --> 00:34:50,230
top of the road and Barney had to stop

730
00:34:55,620 --> 00:34:52,990
the car in the middle of the road in

731
00:35:01,800 --> 00:34:55,630
order not to be directly underneath that

732
00:35:06,440 --> 00:35:01,810
craft okay do you know where the notch

733
00:35:09,780 --> 00:35:06,450
express gas station and stories I do

734
00:35:12,330 --> 00:35:09,790
okay well the close encounter field is

735
00:35:13,820 --> 00:35:12,340
right across the street from the notch

736
00:35:18,120 --> 00:35:13,830
Express

737
00:35:21,000 --> 00:35:18,130
okay route route 93 was not there in

738
00:35:22,650 --> 00:35:21,010

1961 I know but there's not a lot of

739

00:35:25,440 --> 00:35:22,660

room between the sides of mountains to

740

00:35:28,170 --> 00:35:25,450

put another Road 93 at that location is

741

00:35:32,460 --> 00:35:28,180

the only interstate in the United States

742

00:35:34,260 --> 00:35:32,470

is two lanes right so root three and

743

00:35:36,210 --> 00:35:34,270

route 93 are

744

00:35:39,540 --> 00:35:36,220

pretty much in the same locations where

745

00:35:41,850 --> 00:35:39,550

they were back in 61 chemical wasit

746

00:35:47,400 --> 00:35:41,860

River River has not changed its location

747

00:35:53,610 --> 00:35:47,410

and 93 had not been constructed that far

748

00:35:57,630 --> 00:35:53,620

north in 1951 nine had been it got worse

749

00:36:01,230 --> 00:35:57,640

93 got to Tilton and in 61 yeah direct I

750

00:36:03,900 --> 00:36:01,240

have the map in 1961 map right but

751
00:36:07,350 --> 00:36:03,910
question for you this relates back to to

752
00:36:09,120 --> 00:36:07,360
Jim's theory or hypothesis that sleep

753
00:36:12,720 --> 00:36:09,130
deprivation was involved do you know

754
00:36:17,190 --> 00:36:12,730
what time they left the their lodging on

755
00:36:21,210 --> 00:36:17,200
the 18th in Ontario there they left

756
00:36:22,980 --> 00:36:21,220
their lodging right around 10 o'clock in

757
00:36:25,140 --> 00:36:22,990
the morning or a little later they had

758
00:36:28,680 --> 00:36:25,150
slept late that morning they had a very

759
00:36:29,490 --> 00:36:28,690
good night's sleep they had a big

760
00:36:32,820 --> 00:36:29,500
breakfast

761
00:36:35,160 --> 00:36:32,830
and then they drove on to Montreal so

762
00:36:38,850 --> 00:36:35,170
that's about let's say that the state of

763
00:36:42,240 --> 00:36:38,860

the highways wasn't it was pretty close

764

00:36:43,800 --> 00:36:42,250

to ours yeah about a two-hour drive so

765

00:36:48,020 --> 00:36:43,810

that puts him in a Montreal around noon

766

00:36:51,540 --> 00:36:48,030

time and they were in Montreal probably

767

00:36:55,980 --> 00:36:51,550

until at what time what did you say

768

00:36:56,610 --> 00:36:55,990

oh probably until 4:00 or 5:00 in the

769

00:37:00,090 --> 00:36:56,620

afternoon

770

00:37:02,580 --> 00:37:00,100

they were leaving the city when the

771

00:37:04,740 --> 00:37:02,590

traffic was picking up so people were

772

00:37:09,960 --> 00:37:04,750

getting out of work right and then they

773

00:37:13,790 --> 00:37:09,970

drove toward 112 miles I mean the no 130

774

00:37:19,500 --> 00:37:13,800

miles right from Montreal to Colebrook

775

00:37:23,220 --> 00:37:19,510

yeah so then to get to Colebrook ten

776

00:37:25,590 --> 00:37:23,230

o'clock we said so they they took what

777

00:37:27,060 --> 00:37:25,600

seven to eight eight to nine nine to ten

778

00:37:33,150 --> 00:37:27,070

three hours yet there is that about

779

00:37:34,890 --> 00:37:33,160

right from Montreal to Colebrook yeah

780

00:37:36,210 --> 00:37:34,900

well they stopped you have to consider

781

00:37:38,490 --> 00:37:36,220

the fact that they stopped at a

782

00:37:40,740 --> 00:37:38,500

restaurant they were sightseeing along

783

00:37:42,960 --> 00:37:40,750

the way they stopped at a really pretty

784

00:37:45,570 --> 00:37:42,970

little town along the way so they were

785

00:37:48,190 --> 00:37:45,580

doing the sightseeing thing which put

786

00:37:49,599 --> 00:37:48,200

them in Colebrook at ten o'clock so

787

00:37:51,490 --> 00:37:49,609

it took him about three hours to get

788

00:37:53,980 --> 00:37:51,500

from Montreal Colebrook that's not

789

00:37:55,750 --> 00:37:53,990

unreasonable because even with route 10

790

00:37:57,550 --> 00:37:55,760

which is now a superhighway up there in

791

00:37:59,530 --> 00:37:57,560

Canada it still takes you about two

792

00:38:01,329 --> 00:37:59,540

hours if you're just chugging through to

793

00:38:03,430 --> 00:38:01,339

get from Montreal to Colebrook right

794

00:38:05,260 --> 00:38:03,440

so it's not unreasonable yes and they

795

00:38:07,390 --> 00:38:05,270

were on the old road of course of course

796

00:38:10,210 --> 00:38:07,400

my husband and I drove on the old road

797

00:38:11,859 --> 00:38:10,220

yeah when we retraced their route

798

00:38:13,690 --> 00:38:11,869

yeah they deliberately took two-lane

799

00:38:17,020 --> 00:38:13,700

blacktop they didn't take the New York

800

00:38:18,910 --> 00:38:17,030

Thruway and anything like this it goes

801
00:38:21,790 --> 00:38:18,920
through these small towns of you used to

802
00:38:23,530 --> 00:38:21,800
have to slow down so it can take a quite

803
00:38:23,890 --> 00:38:23,540
a period of time it's not like it is

804
00:38:27,190 --> 00:38:23,900
today

805
00:38:29,410 --> 00:38:27,200
I tend as a surprise is that's correct

806
00:38:31,210 --> 00:38:29,420
it took a while oh yeah

807
00:38:34,660 --> 00:38:31,220
it would have taken a while and it's

808
00:38:36,130 --> 00:38:34,670
tiring to do it really is so uh well

809
00:38:39,069 --> 00:38:36,140
they were getting out of the car and

810
00:38:43,170 --> 00:38:39,079
walking and sightseeing and stopping to

811
00:38:46,810 --> 00:38:43,180
eat doing that sort of thing - okay so

812
00:38:49,569 --> 00:38:46,820
took them about five hours probably all

813
00:38:52,660 --> 00:38:49,579

right so you know up sightseeing - to

814

00:38:53,920 --> 00:38:52,670

get to Colebrook and then eat and you

815

00:38:57,069 --> 00:38:53,930

know have their snack and their coffee

816

00:38:59,500 --> 00:38:57,079

and leave at 10:00 all right well I

817

00:39:02,500 --> 00:38:59,510

think this is a good opportunity Kathy

818

00:39:05,829 --> 00:39:02,510

that Geron because I'd I'd like to

819

00:39:07,900 --> 00:39:05,839

basically ask you Jim what you think the

820

00:39:11,230 --> 00:39:07,910

weakest part of their story is and then

821

00:39:12,760 --> 00:39:11,240

I want to hear what Cathy's answer is to

822

00:39:16,780 --> 00:39:12,770

what you think the weakest part of their

823

00:39:21,280 --> 00:39:16,790

story is the weakest part of the story

824

00:39:22,780 --> 00:39:21,290

is if they saw a UFO what what happened

825

00:39:24,790 --> 00:39:22,790

where was the can of mountain light that

826

00:39:28,390 --> 00:39:24,800

whole time that's the weakest part

827

00:39:32,410 --> 00:39:28,400

there's another part which is that that

828

00:39:35,800 --> 00:39:32,420

round blowing orange orb that sounds an

829

00:39:37,630 --> 00:39:35,810

awful lot like the round glowing orange

830

00:39:43,599 --> 00:39:37,640

pumpkin on the top of the Jack O'Lantern

831

00:39:46,660 --> 00:39:43,609

Resort in Lincoln and what do you have

832

00:39:51,400 --> 00:39:46,670

to say about that Kathy okay with regard

833

00:39:55,150 --> 00:39:51,410

to it wasn't just a glowing orb that was

834

00:39:57,550 --> 00:39:55,160

a fiery red orange orbit he's talking

835

00:39:59,500 --> 00:39:57,560

about the orb that they saw that

836

00:40:01,720 --> 00:39:59,510

appeared to be sitting on the ground and

837

00:40:04,660 --> 00:40:01,730

they later

838

00:40:08,830 --> 00:40:04,670

realized that it was moving but they

839

00:40:12,030 --> 00:40:08,840

were not moving at that point so they

840

00:40:17,560 --> 00:40:12,040

probably did pass the Jack O'Lantern

841

00:40:21,210 --> 00:40:17,570

Resort had to they had to yes and I did

842

00:40:24,820 --> 00:40:21,220

put that in captured and I did question

843

00:40:27,640 --> 00:40:24,830

why Betty had said something about a

844

00:40:30,370 --> 00:40:27,650

Jack O'Lantern head and I thought well

845

00:40:33,520 --> 00:40:30,380

maybe she was just remembering the Jack

846

00:40:35,590 --> 00:40:33,530

O'Lantern head at the top of the Jack

847

00:40:38,080 --> 00:40:35,600

O'Lantern resort and I asked her about

848

00:40:40,750 --> 00:40:38,090

that and she said yes well that might be

849

00:40:42,760 --> 00:40:40,760

that might be what it was and then they

850

00:40:45,700 --> 00:40:42,770

turned off the road after the Jack

851
00:40:50,800 --> 00:40:45,710
O'Lantern Resort they went over a bridge

852
00:40:55,570 --> 00:40:50,810
they turned right and then and Barney's

853
00:40:57,970 --> 00:40:55,580
really it seems was not under his own

854
00:41:01,150 --> 00:40:57,980
control at that point he has seemed to

855
00:41:04,300 --> 00:41:01,160
be controlled by something he made a

856
00:41:07,150 --> 00:41:04,310
very sharp left-hand turn onto Mill

857
00:41:11,650 --> 00:41:07,160
Brook Road which was a logging room in

858
00:41:14,470 --> 00:41:11,660
that time frame and on that logging road

859
00:41:17,320 --> 00:41:14,480
it's now a housing development but it

860
00:41:20,140 --> 00:41:17,330
was a small dirt road and there were

861
00:41:23,680 --> 00:41:20,150
those nonhumans that he had previously

862
00:41:26,620 --> 00:41:23,690
seen through with binoculars as he was

863
00:41:31,750 --> 00:41:26,630

standing in the field shortly before

864

00:41:34,060 --> 00:41:31,760

that and they stopped the car and then

865

00:41:36,849 --> 00:41:34,070

they approached the car they did not

866

00:41:41,080 --> 00:41:36,859

remember that part of it that came out

867

00:41:44,980 --> 00:41:41,090

under hypnosis they did remember turning

868

00:41:47,560 --> 00:41:44,990

off Route three they did remember the

869

00:41:50,950 --> 00:41:47,570

close encounter with the craft they did

870

00:41:53,770 --> 00:41:50,960

remember observing the nonhumans or what

871

00:41:57,580 --> 00:41:53,780

Barney described as being somehow not

872

00:42:02,080 --> 00:41:57,590

human that is a quote okay that was made

873

00:42:05,080 --> 00:42:02,090

to Walter Webb who was from nycap he was

874

00:42:07,780 --> 00:42:05,090

an astronomer from Massachusetts he

875

00:42:09,849 --> 00:42:07,790

worked at the Hayden Planetarium and he

876

00:42:13,780 --> 00:42:09,859

was the original investigator on the

877

00:42:15,160 --> 00:42:13,790

case he did take a picture during his

878

00:42:17,080 --> 00:42:15,170

investigation

879

00:42:19,960 --> 00:42:17,090

barney standing in the close encounter

880

00:42:23,770 --> 00:42:19,970

field holding binoculars up to his eyes

881

00:42:25,750 --> 00:42:23,780

looking up at that craft well you have

882

00:42:29,260 --> 00:42:25,760

to imagine the craft being there and

883

00:42:31,360 --> 00:42:29,270

based upon what barney described but

884

00:42:34,030 --> 00:42:31,370

Barney was standing in the field with

885

00:42:36,060 --> 00:42:34,040

the binoculars posing in the position

886

00:42:39,130 --> 00:42:36,070

where he was standing for Walter Webb

887

00:42:41,890 --> 00:42:39,140

okay the part where they went down Mill

888

00:42:43,720 --> 00:42:41,900

Brook Road you said something about that

889

00:42:46,870 --> 00:42:43,730

being a recovered memory after that

890

00:42:51,820 --> 00:42:46,880

point where they stopped after that

891

00:42:53,500 --> 00:42:51,830

point they they did not consciously they

892

00:42:56,770 --> 00:42:53,510

knew that they'd gone onto a dirt road

893

00:43:00,070 --> 00:42:56,780

they looked for that dirt road they

894

00:43:02,770 --> 00:43:00,080

started looking in the fall after the

895

00:43:05,040 --> 00:43:02,780

encounter they looked they looked they

896

00:43:08,050 --> 00:43:05,050

looked they underwent hypnosis and

897

00:43:10,120 --> 00:43:08,060

finally they ended up finding the

898

00:43:15,000 --> 00:43:10,130

location but it took quite a long time

899

00:43:17,290 --> 00:43:15,010

for them to to find that location and

900

00:43:25,930 --> 00:43:17,300

what was it that they remembered under

901
00:43:29,140 --> 00:43:25,940
hypnosis well yeah under hypnosis they

902
00:43:32,740 --> 00:43:29,150
recalled that they were seated in the

903
00:43:35,950 --> 00:43:32,750
car the motor had died there were

904
00:43:38,980 --> 00:43:35,960
figures ahead they were talking to each

905
00:43:42,210 --> 00:43:38,990
other they which is different from what

906
00:43:45,160 --> 00:43:42,220
was in Betty's dreams I might say and

907
00:43:47,170 --> 00:43:45,170
Betty said what do you think it is is

908
00:43:50,050 --> 00:43:47,180
there an accident ahead are we being

909
00:43:54,220 --> 00:43:50,060
robbed what's going on here and Barney

910
00:43:57,790 --> 00:43:54,230
said as they started to approach it's

911
00:43:59,590 --> 00:43:57,800
them it's the ones I saw when I was

912
00:44:02,410 --> 00:43:59,600
looking standing in the field looking

913
00:44:04,330 --> 00:44:02,420

through binoculars at that craft and

914

00:44:08,380 --> 00:44:04,340

that part is recovered memory is that

915

00:44:09,970 --> 00:44:08,390

right that yes that part is recovered

916

00:44:12,150 --> 00:44:09,980

memory where they were sitting in the

917

00:44:15,940 --> 00:44:12,160

car talking to each other they did not

918

00:44:17,830 --> 00:44:15,950

remember that part of it okay I'd like

919

00:44:20,320 --> 00:44:17,840

to suggest that the reason they didn't

920

00:44:25,270 --> 00:44:20,330

remember it was because it didn't really

921

00:44:27,340 --> 00:44:25,280

in actual fact happen okay I'm going to

922

00:44:28,539 --> 00:44:27,350

suggest that they have confused memories

923

00:44:35,109 --> 00:44:28,549

of the

924

00:44:36,759 --> 00:44:35,119

O'Lantern the point where their

925

00:44:39,640 --> 00:44:36,769

headlights swung across the Jack

926

00:44:40,209 --> 00:44:39,650

O'Lanterns billboard just visible for a

927

00:44:46,479 --> 00:44:40,219

second

928

00:44:49,029 --> 00:44:46,489

was a memory that the next day they had

929

00:44:50,259 --> 00:44:49,039

you can you can bring back memories in a

930

00:44:53,469 --> 00:44:50,269

lot of different ways you can change

931

00:44:57,160 --> 00:44:53,479

memories change my memory is easy and

932

00:44:58,870 --> 00:44:57,170

we're very well-versed on hypnosis all

933

00:45:02,559 --> 00:44:58,880

of the academic studies that have been

934

00:45:06,120 --> 00:45:02,569

done and I've even become certified so

935

00:45:10,380 --> 00:45:06,130

that I would be completely rounded in

936

00:45:14,650 --> 00:45:10,390

the use of and misuse of hypnosis and

937

00:45:18,160 --> 00:45:14,660

the weaknesses of the hypnosis that is

938

00:45:20,049 --> 00:45:18,170

why I ended up doing a comparative

939

00:45:22,989 --> 00:45:20,059

analysis of betty's and Barney's

940

00:45:26,319 --> 00:45:22,999

statements under hypnosis in order to

941

00:45:29,160 --> 00:45:26,329

determine whether or not these memories

942

00:45:33,400 --> 00:45:29,170

that came out under separate hypnosis

943

00:45:38,079 --> 00:45:33,410

separate sessions with dr. Simon where

944

00:45:41,169 --> 00:45:38,089

he instilled amnesia and at the end of

945

00:45:43,779 --> 00:45:41,179

each session for two reasons one so that

946

00:45:47,079 --> 00:45:43,789

they could not compare notes the other

947

00:45:50,469 --> 00:45:47,089

because some of what came out was so

948

00:45:52,809 --> 00:45:50,479

traumatic that today could become

949

00:45:55,390 --> 00:45:52,819

psychologically damaged by remembering

950

00:45:59,199 --> 00:45:55,400

it all at once so those were the two

951
00:46:00,609 --> 00:45:59,209
reasons okay with all respect ma'am I

952
00:46:04,239 --> 00:46:00,619
don't believe that you're exactly an

953
00:46:06,479 --> 00:46:04,249
unbiased expert in this case I think

954
00:46:09,039 --> 00:46:06,489
that the fact that you are Betty's niece

955
00:46:13,390 --> 00:46:09,049
gives you a certain predisposition to

956
00:46:18,339 --> 00:46:13,400
believe the literal fact of this

957
00:46:20,529 --> 00:46:18,349
abduction may I refer to a paper I've

958
00:46:23,999 --> 00:46:20,539
got here called hypnosis in the criminal

959
00:46:28,509 --> 00:46:24,009
case facts and fallacies Phil asiimov

960
00:46:32,469 --> 00:46:28,519
ajd MD in Thomas H jobim MD I I'm sure

961
00:46:35,529 --> 00:46:32,479
you can find it it's easy enough where

962
00:46:37,299 --> 00:46:35,539
we read an essential distinction exists

963
00:46:39,279 --> 00:46:37,309

between the psychological therapies and

964

00:46:40,449 --> 00:46:39,289

criminal prosecutions the distinction

965

00:46:42,190 --> 00:46:40,459

which must be understood before

966

00:46:45,370 --> 00:46:42,200

meaningful guidelines permissibility

967

00:46:47,170 --> 00:46:45,380

to establish the historical accuracy of

968

00:46:49,510 --> 00:46:47,180

a person's recollection isn't crucial as

969

00:46:51,120 --> 00:46:49,520

evidence in a criminal case but accuracy

970

00:46:52,960 --> 00:46:51,130

is not crucial to the course of therapy

971

00:46:56,950 --> 00:46:52,970

remember that Betty and Bernie were

972

00:46:58,930 --> 00:46:56,960

there for therapy not to create any kind

973

00:47:01,359 --> 00:46:58,940

of legal case moving back to the paper

974

00:47:03,130 --> 00:47:01,369

the psychodynamic nificant of the

975

00:47:05,620 --> 00:47:03,140

material is more important than therapy

976

00:47:07,329 --> 00:47:05,630

and as correspondence to reality this

977

00:47:09,280 --> 00:47:07,339

distinction raises an important concern

978

00:47:12,490 --> 00:47:09,290

is information obtained through the

979

00:47:14,620 --> 00:47:12,500

anodic process reliable both

980

00:47:16,480 --> 00:47:14,630

experimental and clinical findings point

981

00:47:18,520 --> 00:47:16,490

Tiffa conclusion that hypnotic recall

982

00:47:20,800 --> 00:47:18,530

cannot be considered like considered

983

00:47:23,740 --> 00:47:20,810

factually accurate I'll give you that

984

00:47:26,700 --> 00:47:23,750

Jim and I'm speaking as a retired

985

00:47:30,280 --> 00:47:26,710

policeman but also as a reformed lawyer

986

00:47:37,930 --> 00:47:30,290

yeah hypnosis has not reached the extent

987

00:47:41,230 --> 00:47:37,940

acceptable stage of proof and I agree

988

00:47:43,810 --> 00:47:41,240

with that I agree that with that as well

989

00:47:47,380 --> 00:47:43,820

and I have studied forensic hypnosis

990

00:47:49,630 --> 00:47:47,390

which at one point in our history was

991

00:47:51,910 --> 00:47:49,640

admissible as evidence in a court of law

992

00:47:55,540 --> 00:47:51,920

but then that ended up being thrown out

993

00:47:58,150 --> 00:47:55,550

as well so I am aware of that and that

994

00:48:00,130 --> 00:47:58,160

was the reason for my comparative

995

00:48:03,910 --> 00:48:00,140

analysis of Betty's and Barney's

996

00:48:08,700 --> 00:48:03,920

separate statements you mentioned that I

997

00:48:12,880 --> 00:48:08,710

am biased well when I began this study I

998

00:48:17,640 --> 00:48:12,890

did it in an unbiased very careful

999

00:48:21,520 --> 00:48:17,650

manner and I asked Stanton Friedman to

1000

00:48:25,690 --> 00:48:21,530

review everything that I had written all

1001

00:48:28,809 --> 00:48:25,700

of the opinions that I had formed in

1002

00:48:31,809 --> 00:48:28,819

order to determine whether or not what I

1003

00:48:36,309 --> 00:48:31,819

was saying was accurate and unbiased and

1004

00:48:41,370 --> 00:48:36,319

he was impressed by the fact that I was

1005

00:48:47,500 --> 00:48:43,930

Stanton Friedman can you describe what

1006

00:48:50,950 --> 00:48:47,510

his background is yes his background is

1007

00:48:52,980 --> 00:48:50,960

as a nuclear physicist he has master's

1008

00:48:55,840 --> 00:48:52,990

degree from the University of Chicago

1009

00:48:59,800 --> 00:48:55,850

okay but what is his background as

1010

00:49:05,250 --> 00:48:59,810

for as UFOs mall he is the original

1011

00:49:10,540 --> 00:49:05,260

civilian Roswell researcher he was also

1012

00:49:14,070 --> 00:49:10,550

an investigator in the hill case does he

1013

00:49:18,750 --> 00:49:14,080

fall more on the true believers side no

1014

00:49:22,390 --> 00:49:18,760

now he falls more on the scientists side

1015

00:49:27,130 --> 00:49:22,400

not a true believer a true believer will

1016

00:49:31,810 --> 00:49:27,140

believe anything he is very very

1017

00:49:34,680 --> 00:49:31,820

carefully studies the evidence he

1018

00:49:38,080 --> 00:49:34,690

specializes in government documents

1019

00:49:41,640 --> 00:49:38,090

we've been to archival collections

1020

00:49:47,470 --> 00:49:44,920

pardon me is your co-author right yes

1021

00:49:51,580 --> 00:49:47,480

he's my co-author you wrote two chapters

1022

00:49:53,380 --> 00:49:51,590

in captured you mentioned it the you

1023

00:49:55,030 --> 00:49:53,390

mentioned physical evidence and that's

1024

00:49:58,270 --> 00:49:55,040

something I think that that I think

1025

00:50:00,310 --> 00:49:58,280

might be helpful to to you and a Jim can

1026

00:50:04,120 --> 00:50:00,320

you tell us will you tell the listeners

1027

00:50:07,360 --> 00:50:04,130

what physical evidence if any had been

1028

00:50:10,630 --> 00:50:07,370

recovered as a result of this incident

1029

00:50:12,820 --> 00:50:10,640

and what analysis have been performed on

1030

00:50:15,310 --> 00:50:12,830

it and perhaps share that with Jim and

1031

00:50:18,070 --> 00:50:15,320

perhaps if Jim has a the opportunity to

1032

00:50:21,670 --> 00:50:18,080

make some comments on that as to whether

1033

00:50:26,080 --> 00:50:21,680

or not the evidence goes to prove any

1034

00:50:28,600 --> 00:50:26,090

any point of the the experience yes

1035

00:50:31,720 --> 00:50:28,610

there was evidence on Betty's dress when

1036

00:50:33,550 --> 00:50:31,730

she arrived home it had been in fine

1037

00:50:36,730 --> 00:50:33,560

condition when she put it on that

1038

00:50:40,590 --> 00:50:36,740

morning when she arrived home there was

1039

00:50:44,230 --> 00:50:40,600

a 2-inch tear in the stitching at the

1040

00:50:45,070 --> 00:50:44,240

top of her zipper which went down the

1041

00:50:47,890 --> 00:50:45,080

back of her dress

1042

00:50:51,340 --> 00:50:47,900

there was a one-inch tear in the thick

1043

00:50:54,220 --> 00:50:51,350

zipper fabric the lining of her dress

1044

00:50:57,880 --> 00:50:54,230

was torn from waist to hemline and the

1045

00:51:00,670 --> 00:50:57,890

hem was torn down on one side she could

1046

00:51:03,460 --> 00:51:00,680

think of no prosaic explanation for how

1047

00:51:06,040 --> 00:51:03,470

that had occurred she placed the dress

1048

00:51:08,590 --> 00:51:06,050

in her closet and the next time she

1049

00:51:10,780 --> 00:51:08,600

removed it it was covered with a pink

1050

00:51:13,660 --> 00:51:10,790

powdery sub

1051
00:51:19,110 --> 00:51:13,670
that dress has undergone scientific

1052
00:51:24,490 --> 00:51:22,750
those analyses one well at the

1053
00:51:27,160 --> 00:51:24,500
University of Cincinnati

1054
00:51:29,310 --> 00:51:27,170
they said that the pink powder was

1055
00:51:32,470 --> 00:51:29,320
strained in relation to the inorganic

1056
00:51:36,130 --> 00:51:32,480
elemental compound and that it was high

1057
00:51:39,070 --> 00:51:36,140
in organic hydrocarbons the Pine land

1058
00:51:43,450 --> 00:51:39,080
Abhisek biophysics laboratory did a

1059
00:51:47,920 --> 00:51:43,460
bioassay test and that was seedling

1060
00:51:50,680 --> 00:51:47,930
growth rate and they found that the

1061
00:51:52,750 --> 00:51:50,690
seedlings that were watered with part of

1062
00:51:55,000 --> 00:51:52,760
the dress that was coated with this pink

1063
00:51:57,760 --> 00:51:55,010

powdery substance grew at an

1064

00:51:59,500 --> 00:51:57,770

extraordinarily fast rate and they wrote

1065

00:52:03,370 --> 00:51:59,510

in the report that this was highly

1066

00:52:07,000 --> 00:52:03,380

unusual on the frontier analysis

1067

00:52:12,300 --> 00:52:07,010

laboratory stated that the chemical

1068

00:52:17,070 --> 00:52:14,800

what happened to the dress the stained

1069

00:52:19,810 --> 00:52:17,080

areas were coated with a biological

1070

00:52:22,420 --> 00:52:19,820

material of mostly protein and a small

1071

00:52:24,820 --> 00:52:22,430

amount of natural oil the protein

1072

00:52:26,950 --> 00:52:24,830

attacked the fiber and died and the

1073

00:52:29,740 --> 00:52:26,960

stained areas and broke down the fiber

1074

00:52:33,370 --> 00:52:29,750

structure and it came from an external

1075

00:52:35,020 --> 00:52:33,380

source not from Betty this okay she

1076

00:52:37,630 --> 00:52:35,030

didn't throw this dress in the trash at

1077

00:52:43,360 --> 00:52:37,640

any point did she because I believe at

1078

00:52:47,620 --> 00:52:43,370

least she put it in and then she took it

1079

00:52:50,650 --> 00:52:47,630

out immediately thinking that she should

1080

00:52:54,400 --> 00:52:50,660

save it in case it held a clue to what

1081

00:52:55,980 --> 00:52:54,410

had happened okay I have read I have no

1082

00:52:58,870 --> 00:52:55,990

idea if this is true you can correct me

1083

00:53:00,520 --> 00:52:58,880

that the pink powdery substance showed

1084

00:53:03,360 --> 00:53:00,530

up after the dress had been in her

1085

00:53:07,330 --> 00:53:03,370

closet for forty years is that correct

1086

00:53:11,290 --> 00:53:07,340

no that's not true okay how long had it

1087

00:53:16,090 --> 00:53:11,300

been in her closet she wasn't she wasn't

1088

00:53:18,970 --> 00:53:16,100

sure when she actually took it out some

1089

00:53:23,470 --> 00:53:18,980

reports said that it was within a very

1090

00:53:27,060 --> 00:53:23,480

brief period of time I wrote in the book

1091

00:53:30,700 --> 00:53:27,070

best that I could determine she found it

1092

00:53:33,760 --> 00:53:30,710

on there when she was seeing dr. Simon a

1093

00:53:36,130 --> 00:53:33,770

couple of years later okay

1094

00:53:38,830 --> 00:53:36,140

because I've got a leather man you know

1095

00:53:42,220 --> 00:53:38,840

the little pocket tools and I've left it

1096

00:53:45,130 --> 00:53:42,230

in its in its case in a shoebox in the

1097

00:53:47,310 --> 00:53:45,140

garage and a year later it had a fine

1098

00:53:52,560 --> 00:53:47,320

white powder all over it

1099

00:53:55,680 --> 00:53:52,570

just saying well we tell you that the

1100

00:53:58,750 --> 00:53:55,690

scientist one of the scientists who

1101

00:54:01,720 --> 00:53:58,760

evaluated Betty's dress had her own

1102

00:54:05,800 --> 00:54:01,730

dress that was made of the same fabric

1103

00:54:08,170 --> 00:54:05,810

and it was had been in her closet for as

1104

00:54:13,630 --> 00:54:08,180

many years as Betty's dress had been in

1105

00:54:16,450 --> 00:54:13,640

the closet and it did not have any of

1106

00:54:20,099 --> 00:54:16,460

the characteristics that Betty's dress

1107

00:54:22,750 --> 00:54:20,109

yet yeah but it wasn't in Betty's closet

1108

00:54:25,000 --> 00:54:22,760

so that's really not a good committee it

1109

00:54:30,490 --> 00:54:25,010

was it was in a different closet but it

1110

00:54:32,859 --> 00:54:30,500

was the same climate okay and I chose

1111

00:54:35,620 --> 00:54:32,869

that the most important thing to me here

1112

00:54:37,810 --> 00:54:35,630

is the forensic evidence of the tears in

1113

00:54:40,810 --> 00:54:37,820

the dress I don't care about what that

1114

00:54:44,430 --> 00:54:40,820

pink powder was as far as I know it was

1115

00:54:48,640 --> 00:54:44,440

mung fungus it was it could have been

1116

00:54:50,650 --> 00:54:48,650

awful lot like mold to me yes well it

1117

00:54:53,710 --> 00:54:50,660

could have been fungus that could have

1118

00:54:58,840 --> 00:54:53,720

been oh I'm trying to think of what it's

1119

00:55:01,660 --> 00:54:58,850

called yeast it could have been it

1120

00:55:04,300 --> 00:55:01,670

blowed under it glowed its florists

1121

00:55:09,940 --> 00:55:04,310

under a blacklight for under a UV light

1122

00:55:12,880 --> 00:55:09,950

yeah so does Alice yeah so but those the

1123

00:55:15,160 --> 00:55:12,890

five chemical analyses that were done on

1124

00:55:20,140 --> 00:55:15,170

that dress said that it was highly

1125

00:55:24,370 --> 00:55:20,150

unusual okay get on to another another

1126

00:55:26,950 --> 00:55:24,380

piece of evidence the alien symbols that

1127

00:55:30,630 --> 00:55:26,960

Betty claimed that she saw when she was

1128

00:55:36,880 --> 00:55:33,670

yes that was recovered memory okay and

1129

00:55:37,750 --> 00:55:36,890

in the year 2000 she sketched those

1130

00:55:41,230 --> 00:55:37,760

symbol

1131

00:55:44,560 --> 00:55:41,240

for me from memory and I published them

1132

00:55:47,890 --> 00:55:44,570

in captured and doctored on seed on

1133

00:55:52,390 --> 00:55:47,900

dairy who was a psychology professor at

1134

00:55:56,530 --> 00:55:52,400

McGill University in 2004 did a simple

1135

00:55:59,730 --> 00:55:56,540

study and what he did is he had symbols

1136

00:56:02,620 --> 00:55:59,740

that were sketched by several

1137

00:56:05,800 --> 00:56:02,630

experiencers who had gone to see the

1138

00:56:07,990 --> 00:56:05,810

late researcher but Hopkins and they had

1139

00:56:10,740 --> 00:56:08,000

sketched these symbols that they had

1140

00:56:16,720 --> 00:56:10,750

observed on craft under hypnosis and

1141

00:56:18,820 --> 00:56:16,730

then they photocopied those all under

1142

00:56:21,670 --> 00:56:18,830

the same papers they had two groups of

1143

00:56:23,740 --> 00:56:21,680

graduate students one was told to

1144

00:56:26,349 --> 00:56:23,750

imagine what alien symbols would look

1145

00:56:28,420 --> 00:56:26,359

like and to sketch them the other group

1146

00:56:30,190 --> 00:56:28,430

of graduate students was hypnotized and

1147

00:56:33,130 --> 00:56:30,200

the suggestion was given that they were

1148

00:56:38,339 --> 00:56:33,140

on an alien craft and saw symbols well

1149

00:56:43,210 --> 00:56:38,349

in the end they found that these symbols

1150

00:56:47,859 --> 00:56:43,220

from Budd Hopkins experiencers were very

1151

00:56:51,550 --> 00:56:47,869

very much alike and dr. Don Derry

1152

00:56:54,609 --> 00:56:51,560

then took the symbols that Betty had

1153

00:56:56,890 --> 00:56:54,619

sketched and he stated the symbols Betty

1154

00:57:00,130 --> 00:56:56,900

remembered and that were published for

1155

00:57:02,800 --> 00:57:00,140

the first time in 2007 looked remarkably

1156

00:57:10,349 --> 00:57:02,810

like many of the symbols that Hopkins

1157

00:57:13,120 --> 00:57:10,359

had been collecting since 1975 how weird

1158

00:57:15,640 --> 00:57:13,130

yes okay I'm going to say that anything

1159

00:57:20,410 --> 00:57:15,650

recovered under hypnosis can be safely

1160

00:57:22,359 --> 00:57:20,420

ignored well you know hypnosis and I

1161

00:57:25,180 --> 00:57:22,369

wrote about this in my book has been

1162

00:57:29,440 --> 00:57:25,190

used very very effectively for a number

1163

00:57:32,260 --> 00:57:29,450

of things so you of course it is

1164

00:57:35,260 --> 00:57:32,270

possible for people to confabulate we

1165

00:57:39,700 --> 00:57:35,270

all know that but it has been used very

1166

00:57:45,099 --> 00:57:39,710

successfully as well and and not just

1167

00:57:47,560 --> 00:57:45,109

for therapy but for memory retrieval yes

1168

00:57:50,470 --> 00:57:47,570

and in those cases correct me if I'm

1169

00:57:51,310 --> 00:57:50,480

wrong but the testimony of those

1170

00:57:53,860 --> 00:57:51,320

individuals

1171

00:57:56,680 --> 00:57:53,870

is no longer admissible now the police

1172

00:57:58,810 --> 00:57:56,690

may use recover a license-plate number

1173

00:58:02,200 --> 00:57:58,820

but then they must use other

1174

00:58:05,290 --> 00:58:02,210

investigative techniques to bring that

1175

00:58:08,110 --> 00:58:05,300

into court yes you are correct and

1176
00:58:10,270 --> 00:58:08,120
that's why I have always stated that I

1177
00:58:13,350 --> 00:58:10,280
think that the emphasis on this case

1178
00:58:16,570 --> 00:58:13,360
should be placed upon their conscious

1179
00:58:19,450 --> 00:58:16,580
continuous recall of what occurred and

1180
00:58:24,100 --> 00:58:19,460
less emphasis placed upon what they said

1181
00:58:26,920 --> 00:58:24,110
under hypnosis except for those that I

1182
00:58:29,500 --> 00:58:26,930
have where I have done comparative

1183
00:58:33,300 --> 00:58:29,510
analysis of their statements and they

1184
00:58:37,480 --> 00:58:33,310
were the same but they were different

1185
00:58:40,090 --> 00:58:37,490
from what Betty had written in about the

1186
00:58:42,730 --> 00:58:40,100
dreams that she had which were another

1187
00:58:45,910 --> 00:58:42,740
thing that that came in and and you know

1188
00:58:50,110 --> 00:58:45,920

was Betty simply reliving a series of

1189

00:58:52,930 --> 00:58:50,120

dreams she had under hypnosis and so it

1190

00:58:55,420 --> 00:58:52,940

becomes very very complicated as we get

1191

00:58:57,910 --> 00:58:55,430

into the study of all of this and that's

1192

00:59:01,030 --> 00:58:57,920

why it's so important to very very

1193

00:59:03,700 --> 00:59:01,040

carefully look at every little piece of

1194

00:59:06,730 --> 00:59:03,710

evidence and does it hold it up and

1195

00:59:10,780 --> 00:59:06,740

scrutiny or do you have to throw that

1196

00:59:12,610 --> 00:59:10,790

out as not holding up and and I wrote

1197

00:59:15,250 --> 00:59:12,620

about that and captured and I wrote

1198

00:59:19,110 --> 00:59:15,260

about the information that really did

1199

00:59:22,420 --> 00:59:19,120

not hold up under scrutiny as well Kathy

1200

00:59:24,460 --> 00:59:22,430

I'm gonna have to say good night because

1201
00:59:27,490 --> 00:59:24,470
I'm gonna let other callers call them

1202
00:59:30,190 --> 00:59:27,500
okay but I really think she ate it and

1203
00:59:35,080 --> 00:59:30,200
do you have any parting words either one

1204
00:59:37,420 --> 00:59:35,090
of you well I would be very happy to

1205
00:59:39,310 --> 00:59:37,430
send some of this information to Jim if

1206
00:59:41,310 --> 00:59:39,320
he would like to have it if he'd like to

1207
00:59:46,150 --> 00:59:41,320
have copies of those documents and

1208
00:59:51,400 --> 00:59:46,160
perhaps that would help to help him to

1209
00:59:54,370 --> 00:59:51,410
determine what happened and when well I

1210
00:59:56,890 --> 00:59:54,380
am NOT a UFO researcher I'm not a Betty

1211
01:00:01,290 --> 00:59:56,900
and Barney Hill expert I have no opinion

1212
01:00:04,120 --> 01:00:01,300
about any other event any other

1213
01:00:05,140 --> 01:00:04,130

abductions what may have you all I know

1214

01:00:07,480 --> 01:00:05,150

is that what I

1215

01:00:10,299 --> 01:00:07,490

personally can observe driving down

1216

01:00:13,450 --> 01:00:10,309

route 3 the light on Cannon Mountain

1217

01:00:15,480 --> 01:00:13,460

exactly matches the movement of the UFO

1218

01:00:17,349 --> 01:00:15,490

as described in interrupted journey

1219

01:00:20,410 --> 01:00:17,359

that's what I'm saying

1220

01:00:22,500 --> 01:00:20,420

and when you say that the craft was

1221

01:00:26,019 --> 01:00:22,510

lighted on top and dark on the bottom

1222

01:00:28,000 --> 01:00:26,029

the light back in 61 on the observation

1223

01:00:30,309 --> 01:00:28,010

tower at fire Watchtower on Cannon

1224

01:00:31,960 --> 01:00:30,319

Mountain was above the roof and it

1225

01:00:39,809 --> 01:00:31,970

illuminated the top of the roof and the

1226

01:00:42,220 --> 01:00:39,819

bottom was in shadow fact you know I

1227

01:00:44,440 --> 01:00:42,230

didn't say it was light on the top and

1228

01:00:48,130 --> 01:00:44,450

dark on the bottom I did say that it was

1229

01:00:52,029 --> 01:00:48,140

rotating and it was hovering beside the

1230

01:00:58,059 --> 01:00:52,039

old man's profile before it travelled

1231

01:01:01,000 --> 01:00:58,069

itself into Lincoln south of a mile

1232

01:01:06,730 --> 01:01:01,010

south of Indian Head I do believe those

1233

01:01:08,829 --> 01:01:06,740

memories are false memories well they

1234

01:01:11,200 --> 01:01:08,839

knew them the next day they do the

1235

01:01:14,140 --> 01:01:11,210

minute I thought about they knew them

1236

01:01:18,099 --> 01:01:14,150

the next day they they never forgot

1237

01:01:20,740 --> 01:01:18,109

about them and I have faith in human

1238

01:01:24,640 --> 01:01:20,750

beings that they can remember from one

1239

01:01:28,559 --> 01:01:24,650

evening to the next morning what had

1240

01:01:31,990 --> 01:01:28,569

happened to them when they had not slept

1241

01:01:34,240 --> 01:01:32,000

though those memories are continuous

1242

01:01:36,760 --> 01:01:34,250

their conscious memories and I think

1243

01:01:38,559 --> 01:01:36,770

it's really important so I'm going to

1244

01:01:40,359 --> 01:01:38,569

hang up and I will listen to the next

1245

01:01:42,269 --> 01:01:40,369

caller thank you all right thanks a lot

1246

01:01:45,460 --> 01:01:42,279

coffee take care of it

1247

01:01:49,829 --> 01:01:45,470

all right so the line is open if anyone

1248

01:01:56,380 --> 01:01:49,839

else would like to call in that's 603

1249

01:02:00,029 --> 01:01:56,390

967 403 Oh have Jim have you ulis

1250

01:02:04,299 --> 01:02:00,039

actually listened to the recordings of

1251

01:02:06,160 --> 01:02:04,309

dr. Simon's hypnosis

1252

01:02:08,470 --> 01:02:06,170

have you listened to no I am NOT yeah I

1253

01:02:11,559 --> 01:02:08,480

have not listened to the recordings all

1254

01:02:16,029 --> 01:02:11,569

I know is what's in Fuller's book okay

1255

01:02:18,350 --> 01:02:16,039

yeah and let me talk about memories

1256

01:02:20,360 --> 01:02:18,360

continuous memories and like that

1257

01:02:21,830 --> 01:02:20,370

as has been mentioned I'm in addition to

1258

01:02:24,560 --> 01:02:21,840

everything else I'm a professional

1259

01:02:26,990 --> 01:02:24,570

magician and sometimes I'll show a trick

1260

01:02:29,690 --> 01:02:27,000

to somebody and then I will listen as

1261

01:02:32,570 --> 01:02:29,700

they describe that that trick to a third

1262

01:02:34,910 --> 01:02:32,580

person and I said to myself darn I wish

1263

01:02:38,690 --> 01:02:34,920

I'd done that one instead it's a cool

1264

01:02:40,760 --> 01:02:38,700

one um every common phenomena and human

1265

01:02:42,530 --> 01:02:40,770

nature very common phenomena comes up in

1266

01:02:44,360 --> 01:02:42,540

investigations you could have one

1267

01:02:46,730 --> 01:02:44,370

incident we have four witnesses and you

1268

01:02:49,250 --> 01:02:46,740

will get four different versions of the

1269

01:02:53,050 --> 01:02:49,260

truth all right yeah we have someone

1270

01:02:57,950 --> 01:02:53,060

calling in hang on just a minute okay

1271

01:02:59,660 --> 01:02:57,960

hello caller can you hear me yes hi

1272

01:03:04,270 --> 01:02:59,670

caller and your first name where you

1273

01:03:10,250 --> 01:03:04,280

calling from my name is Elliott hey hi

1274

01:03:13,490 --> 01:03:10,260

I'm calling from Jupiter I think you're

1275

01:03:17,750 --> 01:03:13,500

our first call tonight from Jupiter well

1276

01:03:20,300 --> 01:03:17,760

and probably your last yeah so do you

1277

01:03:26,030 --> 01:03:20,310

have you have a question for our guest

1278

01:03:29,900 --> 01:03:26,040

I do actually yes yeah go ahead far away

1279

01:03:33,800 --> 01:03:29,910

Oh Jim hi how you doing tonight oh good

1280

01:03:36,230 --> 01:03:33,810

great I I'm very happy to hear that you

1281

01:03:38,120 --> 01:03:36,240

that you actually admitted that you're

1282

01:03:40,640 --> 01:03:38,130

not a UFO researcher you you haven't

1283

01:03:42,710 --> 01:03:40,650

really investigated the Betty and Barney

1284

01:03:44,540 --> 01:03:42,720

Hill case and that you that there are

1285

01:03:46,940 --> 01:03:44,550

specific things about it that just don't

1286

01:03:51,320 --> 01:03:46,950

seem right to you in terms of

1287

01:03:52,460 --> 01:03:51,330

credibility and I would ask you I've

1288

01:03:57,200 --> 01:03:52,470

been listening to this conversation

1289

01:03:59,150 --> 01:03:57,210

tonight and it just seems like there's

1290

01:04:02,330 --> 01:03:59,160

been almost too much nitpicking about

1291

01:04:05,690 --> 01:04:02,340

things that aren't important and I don't

1292

01:04:08,240 --> 01:04:05,700

think the listening audience is being

1293

01:04:11,480 --> 01:04:08,250

well served because they want to get

1294

01:04:13,430 --> 01:04:11,490

more factual information I just you know

1295

01:04:15,860 --> 01:04:13,440

I've been fascinated with the Barney and

1296

01:04:18,140 --> 01:04:15,870

Betty hill case for over 50 years when

1297

01:04:21,620 --> 01:04:18,150

the public first became aware of their

1298

01:04:24,050 --> 01:04:21,630

story in the mid 1960s I was living in

1299

01:04:28,370 --> 01:04:24,060

New Hampshire that's where I grew up and

1300

01:04:31,070 --> 01:04:28,380

in 1967 I began my studies at Plymouth

1301

01:04:32,270 --> 01:04:31,080

State College just a few miles south of

1302

01:04:39,500 --> 01:04:32,280

where the hills had their

1303

01:04:41,750 --> 01:04:39,510

experience in 1961 yes well so yeah

1304

01:04:46,160 --> 01:04:41,760

Plymouth State that's right and and so

1305

01:04:49,730 --> 01:04:46,170

my my question to you Jim is have you

1306

01:04:54,740 --> 01:04:49,740

actually spent a lot of time doing some

1307

01:04:57,190 --> 01:04:54,750

really solid legwork into this case

1308

01:04:59,930 --> 01:04:57,200

especially the project Bluebook

1309

01:05:01,520 --> 01:04:59,940

information and investigation of this

1310

01:05:04,070 --> 01:05:01,530

case I'm really curious about whether

1311

01:05:11,030 --> 01:05:04,080

you've done that or not well

1312

01:05:13,460 --> 01:05:11,040

no I'm not interested in proving or

1313

01:05:16,250 --> 01:05:13,470

debunking anything I'm saying that I've

1314

01:05:18,890 --> 01:05:16,260

got an alternative hypothesis which

1315

01:05:23,920 --> 01:05:18,900

matches which matches all the known facts

1316

01:05:27,500 --> 01:05:23,930

and which does not involve space aliens

1317

01:05:29,990 --> 01:05:27,510

okay well I'm not one to even say that

1318

01:05:32,240 --> 01:05:30,000

it's space aliens I frankly as

1319

01:05:34,010 --> 01:05:32,250

interested as I am in UFOs

1320

01:05:35,090 --> 01:05:34,020

I don't care where they come from if

1321

01:05:37,790 --> 01:05:35,100

we're talking about the truly

1322

01:05:39,650 --> 01:05:37,800

unexplained ones I don't care whether

1323

01:05:42,710 --> 01:05:39,660

they come from Alpha Centauri or another

1324

01:05:46,160 --> 01:05:42,720

dimension or underground I don't care

1325

01:05:47,600 --> 01:05:46,170

I'm just convinced after many years of

1326

01:05:49,340 --> 01:05:47,610

looking into this myself

1327

01:05:52,250 --> 01:05:49,350

that there's something really odd

1328

01:05:55,430 --> 01:05:52,260

unusual going on in the skies around our

1329

01:05:58,100 --> 01:05:55,440

planet and that there's enough credible

1330

01:06:00,920 --> 01:05:58,110

evidence to point to that and science is

1331

01:06:03,020 --> 01:06:00,930

starting to be aware of that but the

1332

01:06:07,700 --> 01:06:03,030

thing I really want to focus in on Jim

1333

01:06:10,070 --> 01:06:07,710

is the radar tracking of the UFO that

1334

01:06:11,750 --> 01:06:10,080

night in the White Mountains forget

1335

01:06:12,860 --> 01:06:11,760

about the Cannon Mountain stuff in this

1336

01:06:16,190 --> 01:06:12,870

thing and the old man in the mountain

1337

01:06:20,810 --> 01:06:16,200

I'm talking about something that that's

1338

01:06:23,360 --> 01:06:20,820

tangible evidence okay and and there was

1339

01:06:26,900 --> 01:06:23,370

more than one radar tracking from two

1340

01:06:29,630 --> 01:06:26,910

different military installations one in

1341

01:06:35,330 --> 01:06:29,640

Vermont and one in New Hampshire this is

1342

01:06:37,160 --> 01:06:35,340

this is factual okay okay good okay

1343

01:06:39,320 --> 01:06:37,170

stop me if I'm wrong about this because

1344

01:06:41,270 --> 01:06:39,330

you're sure you've looked into it far

1345

01:06:43,970 --> 01:06:41,280

more than I have but the first one was

1346

01:06:45,680 --> 01:06:43,980

at 5:30 p.m. when Betty and Barney were

1347

01:06:46,160 --> 01:06:45,690

still sightseeing in Montreal is that

1348

01:06:49,160 --> 01:06:46,170

correct

1349

01:06:52,490 --> 01:06:49,170

well I all sorted that the timing I do

1350

01:06:54,589 --> 01:06:52,500

know that according to to one report and

1351

01:06:59,210 --> 01:06:54,599

this was a research paper that was made

1352

01:07:00,980 --> 01:06:59,220

by the Air Force in fact that there was

1353

01:07:03,410 --> 01:07:00,990

they were officially they were two

1354

01:07:07,190 --> 01:07:03,420

separate sightings and that they were on

1355

01:07:10,789 --> 01:07:07,200

radar one of them was seen a track in

1356

01:07:15,620 --> 01:07:10,799

the radar installation in Vermont it was

1357

01:07:18,380 --> 01:07:15,630

like seven hours prior to the hills

1358

01:07:20,569 --> 01:07:18,390

response or the experience and then the

1359

01:07:23,480 --> 01:07:20,579

second radar tracking was two hours

1360

01:07:26,480 --> 01:07:23,490

after their experience from Pease Air

1361

01:07:28,220 --> 01:07:26,490

Force Base in New Hampshire so so that

1362

01:07:33,079 --> 01:07:28,230

but and and there's weird things that

1363

01:07:37,670 --> 01:07:33,089

happen about where those radar reports

1364

01:07:41,210 --> 01:07:37,680

went through and the like the the hill

1365

01:07:42,950 --> 01:07:41,220

story that you probably know was it was

1366

01:07:45,980 --> 01:07:42,960

included in the Air Force's Project Blue

1367

01:07:49,609 --> 01:07:45,990

Book UFO FILES sure and and it included

1368

01:07:51,529 --> 01:07:49,619

a reference to a radar tracking and I'm

1369

01:07:53,120 --> 01:07:51,539

not sure if you know this or if the

1370

01:07:54,740 --> 01:07:53,130

listeners don't know this but I can also

1371

01:07:56,539 --> 01:07:54,750

kind of put all of you on the right path

1372

01:07:58,099 --> 01:07:56,549

do you want to kind of look into this

1373

01:08:03,109 --> 01:07:58,109

yourself but this is really amazing

1374

01:08:05,660 --> 01:08:03,119

reading in 1974 a research paper was

1375

01:08:08,109 --> 01:08:05,670

written by Air Force officers and they

1376

01:08:11,450 --> 01:08:08,119
submitted it to a thing called air

1377

01:08:14,839 --> 01:08:11,460
university at Maxwell Air Force Base in

1378

01:08:17,030 --> 01:08:14,849
Alabama and the paper was titled should

1379

01:08:20,059 --> 01:08:17,040
the United States Air Force reopen

1380

01:08:22,340 --> 01:08:20,069
Project Blue Book and that paper was

1381

01:08:25,399 --> 01:08:22,350
written just five years after they

1382

01:08:28,070 --> 01:08:25,409
closed Project Blue Book in 1969 and

1383

01:08:30,379 --> 01:08:28,080
there were two Air Force writers that

1384

01:08:33,860 --> 01:08:30,389
were involved with this research one of

1385

01:08:36,229 --> 01:08:33,870
them evaluated evidence that justified

1386

01:08:38,539 --> 01:08:36,239
closing Project Blue Book and the other

1387

01:08:41,300 --> 01:08:38,549
officer looked at evidence that would

1388

01:08:45,340 --> 01:08:41,310

support reopening a new investigation

1389

01:08:48,289 --> 01:08:45,350

and their extensive story or their study

1390

01:08:50,629 --> 01:08:48,299

concluded that a new UFO investigation

1391

01:08:55,329 --> 01:08:50,639

was necessary and it should be handled

1392

01:08:58,700 --> 01:08:55,339

by science and not military well and so

1393

01:08:59,720 --> 01:08:58,710

with and within the pages of the report

1394

01:09:01,370 --> 01:08:59,730

and I know

1395

01:09:03,350 --> 01:09:01,380

only because I went out and I found the

1396

01:09:05,360 --> 01:09:03,360

report that's and and I will let people

1397

01:09:08,390 --> 01:09:05,370

know where anybody can go and see this

1398

01:09:11,870 --> 01:09:08,400

within the pages of this was a detailed

1399

01:09:15,980 --> 01:09:11,880

account of the hill encounter in 61 and

1400

01:09:17,780 --> 01:09:15,990

and I would like to if I can Martin I'd

1401

01:09:20,660 --> 01:09:17,790

like to just read that one little quote

1402

01:09:24,640 --> 01:09:20,670

from from this report okay

1403

01:09:27,050 --> 01:09:24,650

and it's pretty telling and the quote is

1404

01:09:28,960 --> 01:09:27,060

there's no indication that the hills

1405

01:09:31,280 --> 01:09:28,970

were ever contacted by the air force

1406

01:09:33,530 --> 01:09:31,290

after this report was filed

1407

01:09:36,650 --> 01:09:33,540

this is particularly strange since

1408

01:09:39,290 --> 01:09:36,660

Project Blue Book files show that a UFO

1409

01:09:42,110 --> 01:09:39,300

was spotted and tracked by Air Force

1410

01:09:44,930 --> 01:09:42,120

radar operators at the nearby Concord

1411

01:09:47,600 --> 01:09:44,940

Air Force Station in Vermont less than

1412

01:09:50,690 --> 01:09:47,610

seven hours prior to the hill sighting

1413

01:09:53,810 --> 01:09:50,700

another UFO was sighted by Pease Air

1414

01:09:56,900 --> 01:09:53,820

Force Base precision approach radar just

1415

01:10:01,520 --> 01:09:56,910

two hours following the hills visual

1416

01:10:03,080 --> 01:10:01,530

sighting and so the end quote the caller

1417

01:10:04,850 --> 01:10:03,090

the ball was up in the air for a minute

1418

01:10:06,950 --> 01:10:04,860

as I think we're kind of a little bit

1419

01:10:09,110 --> 01:10:06,960

confused I don't think carpet and

1420

01:10:11,450 --> 01:10:09,120

they're in air installation there I

1421

01:10:12,710 --> 01:10:11,460

believe if I'm not mistaken whatever in

1422

01:10:15,140 --> 01:10:12,720

Burlington where the Air National Guard

1423

01:10:17,870 --> 01:10:15,150

is located and the other would obviously

1424

01:10:19,460 --> 01:10:17,880

been piece piece Air Force Base and now

1425

01:10:22,610 --> 01:10:19,470

considering that that is a very highly

1426

01:10:25,250 --> 01:10:22,620

trafficked air route where you get

1427

01:10:28,100 --> 01:10:25,260

interoceanic flights that fly right over

1428

01:10:30,530 --> 01:10:28,110

gander Newfoundland western Maine as a

1429

01:10:32,450 --> 01:10:30,540

matter of fact and therefore right over

1430

01:10:35,090 --> 01:10:32,460

the area where this is alleged to have

1431

01:10:37,250 --> 01:10:35,100

occurred what specifically was the radar

1432

01:10:41,270 --> 01:10:37,260

anomaly that was tracked and what time

1433

01:10:43,820 --> 01:10:41,280

did these Tracking's made well I don't

1434

01:10:45,920 --> 01:10:43,830

have the exact that's in the report all

1435

01:10:48,410 --> 01:10:45,930

I know is what I just read to you was

1436

01:10:49,970 --> 01:10:48,420

from the report seven hours before two

1437

01:10:51,560 --> 01:10:49,980

hours after the hills and the fact that

1438

01:10:53,870 --> 01:10:51,570

they that the officers themselves

1439

01:10:56,630 --> 01:10:53,880

included in the report that the first

1440

01:10:58,970 --> 01:10:56,640

tracking was from the Concord Air Force

1441

01:11:00,920 --> 01:10:58,980

Station in Vermont that's not a lie and

1442

01:11:01,550 --> 01:11:00,930

if it is then they made the mistake not

1443

01:11:02,930 --> 01:11:01,560

me

1444

01:11:05,780 --> 01:11:02,940

you know and you would think that they

1445

01:11:07,730 --> 01:11:05,790

would know where this radar installation

1446

01:11:11,930 --> 01:11:07,740

was from allows about two years of the

1447

01:11:13,490 --> 01:11:11,940

old at the time so maybe almost no III

1448

01:11:19,040 --> 01:11:13,500

like to

1449

01:11:22,150 --> 01:11:19,050

should know as as fact but but the

1450

01:11:24,140 --> 01:11:22,160

follow-up part of the radar sightings

1451

01:11:27,590 --> 01:11:24,150

indicated and I at this is really

1452

01:11:30,590 --> 01:11:27,600

telling I think it indicated that the

1453

01:11:32,420 --> 01:11:30,600

Air Force took its sweet time in sending

1454

01:11:34,930 --> 01:11:32,430

those radar reports the project Bluebook

1455

01:11:37,820 --> 01:11:34,940

headquarters and according to the report

1456

01:11:40,460 --> 01:11:37,830

things like that would have normally

1457

01:11:43,880 --> 01:11:40,470

been wired to headquarters really fast

1458

01:11:47,060 --> 01:11:43,890

but in this instance it was mailed snail

1459

01:11:50,690 --> 01:11:47,070

mailed to Blue Book eight days after the

1460

01:11:54,260 --> 01:11:50,700

original Hill report was filed again

1461

01:11:57,140 --> 01:11:54,270

this is just a very small portion of the

1462

01:11:59,720 --> 01:11:57,150

larger research paper of the the Barney

1463

01:12:01,940 --> 01:11:59,730

and Betty Hill story was a small portion

1464

01:12:04,520 --> 01:12:01,950

but an important portion of this this

1465

01:12:07,370 --> 01:12:04,530

big research paper the paper concluded

1466

01:12:09,560 --> 01:12:07,380

that a UFO investigation should have

1467

01:12:11,030 --> 01:12:09,570

continued or been reopened by the

1468

01:12:13,190 --> 01:12:11,040

military because there were just too

1469

01:12:15,470 --> 01:12:13,200

many unanswered and unacceptable

1470

01:12:18,020 --> 01:12:15,480

questions about the whole subject now

1471

01:12:21,170 --> 01:12:18,030

and this is all part of it are you

1472

01:12:25,250 --> 01:12:21,180

familiar with the name colonel robert

1473

01:12:28,070 --> 01:12:25,260

friend from the Air Force no okay

1474

01:12:30,710 --> 01:12:28,080

Colonel Robert friend now retired at the

1475

01:12:33,110 --> 01:12:30,720

time he was the director of project

1476

01:12:36,790 --> 01:12:33,120

Bluebook at the time of the Barney and

1477

01:12:39,680 --> 01:12:36,800

Betty Hill encounter he has since stated

1478

01:12:42,590 --> 01:12:39,690

many times that the Bluebook

1479

01:12:45,110 --> 01:12:42,600

organization was useless that it never

1480

01:12:48,260 --> 01:12:45,120

should have been terminated in 1969 and

1481

01:12:51,140 --> 01:12:48,270

he maintains to this day that there

1482

01:12:54,230 --> 01:12:51,150

should be a strong new scientific

1483

01:12:57,650 --> 01:12:54,240

investigation into UFOs well I'm in

1484

01:13:00,800 --> 01:12:57,660

favor yeah during the question I'm glad

1485

01:13:03,260 --> 01:13:00,810

you say that during the course of my

1486

01:13:05,600 --> 01:13:03,270

military career I did in fact file a UFO

1487

01:13:07,370 --> 01:13:05,610

report we're all pretty sure it was a

1488

01:13:09,680 --> 01:13:07,380

parachute flare but we never were able

1489

01:13:13,970 --> 01:13:09,690

to locate the flare so okay you know

1490

01:13:15,770 --> 01:13:13,980

it's a UFO misidentified it does

1491

01:13:16,940 --> 01:13:15,780

not say positively identified as an

1492

01:13:20,180 --> 01:13:16,950

alien spacecraft

1493

01:13:22,400 --> 01:13:20,190

now check me if I'm wrong but those two

1494

01:13:24,440 --> 01:13:22,410

radar reports also concluded that the

1495

01:13:26,660 --> 01:13:24,450

movement of these unidentified objects

1496

01:13:30,410 --> 01:13:26,670

was consistent with weather balloons

1497

01:13:32,330 --> 01:13:30,420

yes no that what it said was the report

1498

01:13:34,370 --> 01:13:32,340

actually said it could have been a

1499

01:13:36,500 --> 01:13:34,380

weather balloon or some kind of balloon

1500

01:13:39,170 --> 01:13:36,510

but but when you read things like that

1501

01:13:42,110 --> 01:13:39,180

Jim as I've come to recognize when I

1502

01:13:46,130 --> 01:13:42,120

read these things that's just one

1503

01:13:48,800 --> 01:13:46,140

possibility and it's not hardcore it's

1504

01:13:51,830 --> 01:13:48,810

not hard and fast and you know cutting

1505

01:13:55,790 --> 01:13:51,840

stone that this is what it was and and

1506

01:13:59,450 --> 01:13:55,800

the problem that I have with hard-nosed

1507

01:14:01,640 --> 01:13:59,460

skeptics or debunkers who haven't really

1508

01:14:04,760 --> 01:14:01,650

looked into certain cases like this I

1509

01:14:07,070 --> 01:14:04,770

have a problem because it's too easy to

1510

01:14:09,170 --> 01:14:07,080

say no didn't happen no it wasn't a

1511

01:14:12,530 --> 01:14:09,180

proper memory no they didn't recall it

1512

01:14:13,610 --> 01:14:12,540

no hypnosis is lousy no no no that you

1513

01:14:19,370 --> 01:14:13,620

know this just couldn't have happened

1514

01:14:22,490 --> 01:14:19,380

and that borders on ridicule of a sense

1515

01:14:26,840 --> 01:14:22,500

and I think that the whole ridicule in

1516

01:14:31,400 --> 01:14:26,850

this subject has got to stop and even

1517

01:14:33,880 --> 01:14:31,410

years after the story happened we don't

1518

01:14:36,530 --> 01:14:33,890

know exactly what Betty and Barney Hill

1519

01:14:38,530 --> 01:14:36,540

experienced but there were there was

1520

01:14:41,720 --> 01:14:38,540

enough information and enough

1521

01:14:45,050 --> 01:14:41,730

information after the sighting years

1522

01:14:47,960 --> 01:14:45,060

after from the Air Force itself who were

1523

01:14:50,320 --> 01:14:47,970

responsible for looking into this and

1524

01:14:52,640 --> 01:14:50,330

they did such a terrible job of

1525

01:14:55,490 --> 01:14:52,650

investigating it they didn't even really

1526

01:14:58,280 --> 01:14:55,500

investigate it they just swiped it away

1527

01:15:00,310 --> 01:14:58,290

you know under the carpet and and then

1528

01:15:04,270 --> 01:15:00,320

it was it was just gone and done with

1529

01:15:06,950 --> 01:15:04,280

and and that has happened too many times

1530

01:15:08,750 --> 01:15:06,960

too many times at all I mean I I know

1531

01:15:12,590 --> 01:15:08,760

about there's a man named William

1532

01:15:14,270 --> 01:15:12,600

Colonel William Coleman who was also

1533

01:15:17,030 --> 01:15:14,280

part of Project Blue Book he was a high

1534

01:15:19,670 --> 01:15:17,040

official directly under robert friend

1535

01:15:23,030 --> 01:15:19,680

that ran Project Blue Book but before

1536

01:15:23,360 --> 01:15:23,040

Colonel Coleman began working on project

1537

01:15:25,970 --> 01:15:23,370

Bluebook

1538

01:15:28,940 --> 01:15:25,980

he was a he was a jet fighter pilot and

1539

01:15:32,600 --> 01:15:28,950

he was a he was the pilot of a b-25

1540

01:15:35,380 --> 01:15:32,610

bomber and in nineteen to 1955 and this

1541

01:15:38,000 --> 01:15:35,390

is a true story because I've talked with

1542

01:15:40,609 --> 01:15:38,010

bill Coleman about this before he passed

1543

01:15:43,669 --> 01:15:40,619

on and in 1955

1544

01:15:45,379 --> 01:15:43,679

five he was the pilot of a b-25 bomber

1545

01:15:48,290 --> 01:15:45,389

they were flying over Alabama he had a

1546

01:15:51,049 --> 01:15:48,300

crew of five and they all saw this shiny

1547

01:15:54,049 --> 01:15:51,059

thing coming down from the sky slowly

1548

01:15:56,239 --> 01:15:54,059

and and then it turned direction and

1549

01:15:59,719 --> 01:15:56,249

they decided to get a closer look at it

1550

01:16:01,969 --> 01:15:59,729

and they maneuvered the b25 this is a

1551
01:16:05,359 --> 01:16:01,979
pretty big claim they maneuvered that

1552
01:16:07,459 --> 01:16:05,369
the plane to at treetop level and then

1553
01:16:09,439 --> 01:16:07,469
they lost the objects the object they

1554
01:16:12,500 --> 01:16:09,449
flew around the trees almost sat the

1555
01:16:14,479 --> 01:16:12,510
ground and then they saw it again it was

1556
01:16:17,330 --> 01:16:14,489
flying across they were skimming across

1557
01:16:20,359 --> 01:16:17,340
a field like a farmer's field and it was

1558
01:16:22,549 --> 01:16:20,369
leaving some like dirt tracks behind it

1559
01:16:24,830 --> 01:16:22,559
as it was moving across the ground and

1560
01:16:26,750 --> 01:16:24,840
it was at that point that all all the

1561
01:16:28,399 --> 01:16:26,760
crew members noticed that this thing was

1562
01:16:30,469 --> 01:16:28,409
about 70 feet in diameter

1563
01:16:33,919 --> 01:16:30,479

it was completely circular it had a dome

1564

01:16:35,239 --> 01:16:33,929

on top and it was shiny there were no

1565

01:16:37,879 --> 01:16:35,249

rivets that they could see they were

1566

01:16:39,290 --> 01:16:37,889

that close to it and and then as they

1567

01:16:40,909 --> 01:16:39,300

tried to get really close to it the

1568

01:16:45,469 --> 01:16:40,919

thing just shot up in the air and was

1569

01:16:47,629 --> 01:16:45,479

gone this was 1955 when there's no one

1570

01:16:50,949 --> 01:16:47,639

of the base operations officer say about

1571

01:16:55,040 --> 01:16:50,959

them flying a b25 at treetop level that

1572

01:16:56,389 --> 01:16:55,050

I know well you know when when you're

1573

01:16:58,549 --> 01:16:56,399

when you're when you're a jet fighter

1574

01:17:00,589 --> 01:16:58,559

pilot and you're involved with an

1575

01:17:02,600 --> 01:17:00,599

encounter like that you know you don't

1576

01:17:04,219 --> 01:17:02,610

always think about what should i do why

1577

01:17:05,989 --> 01:17:04,229

shouldn't I do I want to get close

1578

01:17:08,959 --> 01:17:05,999

enough to this thing I may break a few

1579

01:17:13,250 --> 01:17:08,969

rules in the process okay you know we

1580

01:17:15,859 --> 01:17:13,260

nasi story and in a fairy tale a fairy

1581

01:17:20,330 --> 01:17:15,869

tale once upon a time and the C story

1582

01:17:21,799 --> 01:17:20,340

starts no guys there I was well so

1583

01:17:24,739 --> 01:17:21,809

well known that fire

1584

01:17:27,109 --> 01:17:24,749

Air Force pilots brains don't work below

1585

01:17:29,899 --> 01:17:27,119

fifty thousand feet just yeah but Jim

1586

01:17:32,839 --> 01:17:29,909

you're so you're saying that as a way of

1587

01:17:34,819 --> 01:17:32,849

writing this story off see you got that

1588

01:17:36,799 --> 01:17:34,829

with Kathy Martin I mean you probably do

1589

01:17:38,750 --> 01:17:36,809

that with other UFO stories you can't

1590

01:17:41,629 --> 01:17:38,760

continue to do that and come across

1591

01:17:42,919 --> 01:17:41,639

credibly I'm telling you you do

1592

01:17:46,639 --> 01:17:42,929

don't come you're trying to say that

1593

01:17:49,669 --> 01:17:46,649

when you cross the top of the controller

1594

01:17:51,799 --> 01:17:49,679

of Mount Prospect in Lancaster that you

1595

01:17:53,359 --> 01:17:51,809

don't see the cannon mountain light is

1596

01:17:54,439 --> 01:17:53,369

that what you're trying to say I'm not

1597

01:17:57,620 --> 01:17:54,449

saying that at all

1598

01:17:58,879 --> 01:17:57,630

I'm talking about you do know I see now

1599

01:18:00,680 --> 01:17:58,889

you're bringing it back what you're

1600

01:18:03,140 --> 01:18:00,690

doing what you're doing right now Jim

1601
01:18:06,020 --> 01:18:03,150
and I hope other listeners are realizing

1602
01:18:07,640 --> 01:18:06,030
this you're employing a thing that

1603
01:18:09,529 --> 01:18:07,650
magicians use and I know you're a

1604
01:18:11,449 --> 01:18:09,539
magician you know what I'm talking about

1605
01:18:15,169 --> 01:18:11,459
you're employing something that's called

1606
01:18:17,479 --> 01:18:15,179
misdirection you are miss directing the

1607
01:18:19,520 --> 01:18:17,489
attention span of myself and other

1608
01:18:21,049 --> 01:18:19,530
people listening so that you can kind of

1609
01:18:23,739 --> 01:18:21,059
forget what I just talked about and

1610
01:18:26,209 --> 01:18:23,749
bring me to another area Jim well I

1611
01:18:27,890 --> 01:18:26,219
can't get away with that I'm just

1612
01:18:30,859 --> 01:18:27,900
talking about Betty and Barney I don't

1613
01:18:33,979 --> 01:18:30,869

know what the sky saw in 55 I don't care

1614

01:18:36,020 --> 01:18:33,989

what he saw in 55 well I do and so does

1615

01:18:37,969 --> 01:18:36,030

the Air Force and apparently they were

1616

01:18:40,520 --> 01:18:37,979

they were so concerned about what he and

1617

01:18:43,160 --> 01:18:40,530

the crew saw that when the crew landed

1618

01:18:45,080 --> 01:18:43,170

all five of them independently wrote

1619

01:18:47,989 --> 01:18:45,090

reports of exactly what they had just

1620

01:18:51,379 --> 01:18:47,999

encountered what they saw those reports

1621

01:18:55,489 --> 01:18:51,389

were then sent to Project Blue Book

1622

01:18:57,790 --> 01:18:55,499

headquarters she can okay okay but but

1623

01:19:00,859 --> 01:18:57,800

the rest of that story is years later

1624

01:19:02,600 --> 01:19:00,869

when current when when major Coleman

1625

01:19:04,339 --> 01:19:02,610

became colonel Coleman and was one of

1626

01:19:07,430 --> 01:19:04,349

the people in charge of blue work he

1627

01:19:09,229 --> 01:19:07,440

decided to go look for those reports he

1628

01:19:10,969 --> 01:19:09,239

wanted to look them over again and they

1629

01:19:14,029 --> 01:19:10,979

were gone they were nowhere to be found

1630

01:19:15,830 --> 01:19:14,039

in the Project Blue Book files so my

1631

01:19:17,959 --> 01:19:15,840

question is what the hell happened to

1632

01:19:20,239 --> 01:19:17,969

this stuff and why who's making these

1633

01:19:23,180 --> 01:19:20,249

decisions and what are these decisions

1634

01:19:25,040 --> 01:19:23,190

based on if it was if it was nothing

1635

01:19:26,870 --> 01:19:25,050

that they traced if it was the planet

1636

01:19:30,830 --> 01:19:26,880

Jupiter or the moon there should be no

1637

01:19:33,319 --> 01:19:30,840

problem but the reports were gone and

1638

01:19:36,410 --> 01:19:33,329

this is not the only time Jim that this

1639

01:19:39,290 --> 01:19:36,420

has happened in military information and

1640

01:19:41,060 --> 01:19:39,300

investigation of UFOs and I know this

1641

01:19:43,640 --> 01:19:41,070

because I've really looked into this and

1642

01:19:47,209 --> 01:19:43,650

I've talked with pilots and they have no

1643

01:19:49,729 --> 01:19:47,219

reason to lie because something it could

1644

01:19:51,229 --> 01:19:49,739

be a career killer if this kind of stuff

1645

01:19:52,069 --> 01:19:51,239

went out that they were lying about

1646

01:19:53,989 --> 01:19:52,079

these things

1647

01:19:56,390 --> 01:19:53,999

same thing with regular airline pilots

1648

01:19:59,689 --> 01:19:56,400

who won't talk about things that they

1649

01:20:01,939 --> 01:19:59,699

see pacing their airliners because it

1650

01:20:03,620 --> 01:20:01,949

could kill their careers and it could

1651

01:20:06,589 --> 01:20:03,630

not look really good for the airline

1652

01:20:08,330 --> 01:20:06,599

industry so they don't make the reports

1653

01:20:10,850 --> 01:20:08,340

but it's all mean they're not seeing the

1654

01:20:11,450 --> 01:20:10,860

things nobody says we're not seeing

1655

01:20:14,450 --> 01:20:11,460

anything

1656

01:20:17,270 --> 01:20:14,460

all right well surely we have to get

1657

01:20:19,430 --> 01:20:17,280

some other callers thanks so much for

1658

01:20:21,080 --> 01:20:19,440

calling ticket thank you for having me

1659

01:20:23,180 --> 01:20:21,090

on Martin I appreciate it all right

1660

01:20:25,100 --> 01:20:23,190

okay all right you take care all right

1661

01:20:27,320 --> 01:20:25,110

bye-bye bye-bye huh

1662

01:20:29,750 --> 01:20:27,330

Martin Clara I need a point of

1663

01:20:31,160 --> 01:20:29,760

clarification on the last caller he

1664

01:20:33,320 --> 01:20:31,170

mentioned the radar installations

1665

01:20:35,060 --> 01:20:33,330

actually there was not a Air Force Base

1666

01:20:36,560 --> 01:20:35,070

located within Concord New Hampshire but

1667

01:20:39,080 --> 01:20:36,570

there was an Air Force Base in the

1668

01:20:41,030 --> 01:20:39,090

Northeast Kingdom that was operational

1669

01:20:43,189 --> 01:20:41,040

at the time that this incident is

1670

01:20:45,950 --> 01:20:43,199

alleged to occurred and we talked about

1671

01:20:47,359 --> 01:20:45,960

New Concord Air Force Base and that

1672

01:20:50,540 --> 01:20:47,369

happens to be located in the Northeast

1673

01:20:52,729 --> 01:20:50,550

hing Northeast Kingdom right up against

1674

01:20:55,640 --> 01:20:52,739

the New Hampshire border so most like I

1675

01:20:57,229 --> 01:20:55,650

would have been between this New Concord

1676

01:21:01,399 --> 01:20:57,239

Air Force Base which was a surveillance

1677

01:21:05,510 --> 01:21:01,409

base and peace yeah that's on Route two

1678

01:21:08,410 --> 01:21:05,520

in Concord Vermont it's uh it's just a

1679

01:21:10,850 --> 01:21:08,420

little bit east of st. Johnsbury exactly

1680

01:21:13,850 --> 01:21:10,860

exactly right but it's been closed since

1681

01:21:15,919 --> 01:21:13,860

1963 okay you have a we have another

1682

01:21:19,040 --> 01:21:15,929

caller on the line caller your first

1683

01:21:21,080 --> 01:21:19,050

name where you're calling from um my

1684

01:21:24,379 --> 01:21:21,090

name is Donna I'm calling from Cape Cod

1685

01:21:26,419 --> 01:21:24,389

oh hey hey Donna how are you hey good

1686

01:21:29,570 --> 01:21:26,429

how are you doing good good so you've

1687

01:21:31,970 --> 01:21:29,580

been listening to show you you have go

1688

01:21:34,609 --> 01:21:31,980

ahead yes um

1689

01:21:37,820 --> 01:21:34,619

Jim I am really enjoying your

1690

01:21:41,510 --> 01:21:37,830

perspective it's very interesting to

1691

01:21:43,510 --> 01:21:41,520

hear the other possibilities for what

1692

01:21:46,250 --> 01:21:43,520

might of the hills might have

1693

01:21:49,970 --> 01:21:46,260

encountered that night and I would like

1694

01:21:52,970 --> 01:21:49,980

to just let you know that everything you

1695

01:21:56,660 --> 01:21:52,980

said about hypnotherapy and recovery and

1696

01:21:58,310 --> 01:21:56,670

so forth it's very true you um have to

1697

01:22:03,500 --> 01:21:58,320

really take all of that with a grain of

1698

01:22:06,140 --> 01:22:03,510

salt and I wonder if now it seems in the

1699

01:22:09,320 --> 01:22:06,150

past talking about the hill case it was

1700

01:22:14,000 --> 01:22:09,330

a very big feature to talk about

1701

01:22:16,399 --> 01:22:14,010

recovered memory and mm and now now it

1702

01:22:19,490 --> 01:22:16,409

sounds like it's more the continuous

1703

01:22:21,169 --> 01:22:19,500

conscious memories that they had so I'm

1704

01:22:22,070 --> 01:22:21,179

wondering if they had all of those

1705

01:22:27,370 --> 01:22:22,080

memories why

1706

01:22:29,660 --> 01:22:27,380

they sought out an additional kind of

1707

01:22:32,030 --> 01:22:29,670

therapy maybe to get a little more

1708

01:22:35,630 --> 01:22:32,040

information and that type of thing but

1709

01:22:38,720 --> 01:22:35,640

what is really interesting to me is that

1710

01:22:41,980 --> 01:22:38,730

that whole hypnotherapy doctor Benjamin

1711

01:22:44,690 --> 01:22:41,990

Simon the psychiatrist very prestigious

1712

01:22:49,810 --> 01:22:44,700

psychiatrist in Boston has always been

1713

01:22:54,020 --> 01:22:49,820

used to support the story in that he

1714

01:22:58,430 --> 01:22:54,030

said that he did not believe the hills

1715

01:23:02,360 --> 01:22:58,440

were lying or hoaxing but he also did

1716

01:23:05,470 --> 01:23:02,370

not believe in any way whatsoever that

1717

01:23:10,220 --> 01:23:05,480

the hills had been actually abducted

1718

01:23:15,220 --> 01:23:10,230

that he felt that they had as you were

1719

01:23:20,380 --> 01:23:15,230

saying just misinterpreted things and

1720

01:23:25,330 --> 01:23:20,390

that writing in particular had some

1721

01:23:28,580 --> 01:23:25,340

psychological issues and proposed that

1722

01:23:31,990 --> 01:23:28,590

what had happened is they had

1723

01:23:36,470 --> 01:23:32,000

misinterpreted maybe some of these

1724

01:23:41,510 --> 01:23:36,480

things and it had turned into this story

1725

01:23:44,030 --> 01:23:41,520

years later under hypnosis but he did

1726

01:23:47,570 --> 01:23:44,040

not believe that he didn't believe and

1727

01:23:51,800 --> 01:23:47,580

aliens or flying saucers or anything

1728

01:23:56,330 --> 01:23:51,810

like that and and so that's really kind

1729

01:23:59,200 --> 01:23:56,340

of an important feature and also during

1730

01:24:02,530 --> 01:23:59,210

those abduction tapes which are easily

1731

01:24:06,590 --> 01:24:02,540

accessible you can hear Bonnie

1732

01:24:09,530 --> 01:24:06,600

describing the alien or whatever was on

1733

01:24:13,360 --> 01:24:09,540

the craft whatever we want to call that

1734

01:24:16,490 --> 01:24:13,370

as looking like red-headed Irishmen

1735

01:24:20,620 --> 01:24:16,500

morphing into Nazi morphing into other

1736

01:24:25,130 --> 01:24:20,630

kind of entities before getting to the

1737

01:24:28,700 --> 01:24:25,140

stereotypical gray so that that's rather

1738

01:24:34,460 --> 01:24:28,710

an interesting feature as well and I was

1739

01:24:35,450 --> 01:24:34,470

hoping that Kathy could talk about why

1740

01:24:38,840 --> 01:24:35,460

Benjie

1741

01:24:42,229 --> 01:24:38,850

and Simon you know clearly did not

1742

01:24:45,979 --> 01:24:42,239

believe that this was an actual

1743

01:24:49,880 --> 01:24:45,989

abduction what her take would be on that

1744

01:24:53,360 --> 01:24:49,890

and and again thanks very much Jim and

1745

01:24:56,990 --> 01:24:53,370

Martin interesting show I don't know so

1746

01:24:59,630 --> 01:24:57,000

Donna just one thing I don't know really

1747

01:25:03,040 --> 01:24:59,640

if you think about it

1748

01:25:05,180 --> 01:25:03,050

there had been no precedent for this

1749

01:25:07,190 --> 01:25:05,190

that was known you know there is one

1750

01:25:09,770 --> 01:25:07,200

abduction case someone claims back in

1751

01:25:12,560 --> 01:25:09,780

the 1920s or something like that but

1752

01:25:15,350 --> 01:25:12,570

there's really nothing you know that

1753

01:25:17,690 --> 01:25:15,360

came before this so I can't old right

1754

01:25:19,130 --> 01:25:17,700

you know looking at it you know devil's

1755

01:25:22,160 --> 01:25:19,140

advocate in that way

1756

01:25:24,500 --> 01:25:22,170

right how I say that right there would

1757

01:25:27,140 --> 01:25:24,510

be nothing to compare it to to say oh

1758

01:25:29,780 --> 01:25:27,150

this is like the other abduction case

1759

01:25:32,450 --> 01:25:29,790

because this was like the first well it

1760

01:25:34,070 --> 01:25:32,460

really wasn't the first one because you

1761

01:25:36,050 --> 01:25:34,080

know there were there are a bunch of

1762

01:25:39,350 --> 01:25:36,060

people in the 50s that we don't talk

1763

01:25:41,240 --> 01:25:39,360

about anymore that were abducted and

1764

01:25:43,670 --> 01:25:41,250

going here there and everyone you know

1765

01:25:45,680 --> 01:25:43,680

to other planets so was it real

1766

01:25:48,170 --> 01:25:45,690

yeah the contactees i mean whatever we

1767

01:25:51,130 --> 01:25:48,180

want to you know call experience or so

1768

01:25:56,870 --> 01:25:51,140

whatever they're people that are taken

1769

01:25:59,570 --> 01:25:56,880

elsewhere you know by way of you know so

1770

01:26:02,860 --> 01:25:59,580

whatever we want to call them so so

1771

01:26:06,260 --> 01:26:02,870

there there clearly was some kind of

1772

01:26:09,670 --> 01:26:06,270

maybe not through use of hypnosis but it

1773

01:26:13,760 --> 01:26:09,680

wasn't unheard of of people getting

1774

01:26:15,170 --> 01:26:13,770

rides to other places for movement in

1775

01:26:17,990 --> 01:26:15,180

the 50s

1776

01:26:21,920 --> 01:26:18,000

well correct me if i'm wrong on this one

1777

01:26:24,709 --> 01:26:21,930

weren't they supposedly in their own

1778

01:26:27,260 --> 01:26:24,719

words engaging and wanting to go for

1779

01:26:30,680 --> 01:26:27,270

these rides and in this case they were

1780

01:26:32,750 --> 01:26:30,690

actually supposedly taken right right oh

1781

01:26:35,600 --> 01:26:32,760

they were they were only similar and and

1782

01:26:39,920 --> 01:26:35,610

that it wasn't it wasn't totally outside

1783

01:26:44,180 --> 01:26:39,930

of cult you know the popular culture to

1784

01:26:47,740 --> 01:26:44,190

have people being you know taken or

1785

01:26:49,100 --> 01:26:47,750

going you know voluntarily or not being

1786

01:26:51,459 --> 01:26:49,110

transported

1787

01:26:56,689 --> 01:26:51,469

so that wasn't you know the first time

1788

01:26:58,760 --> 01:26:56,699

it was the first time I think I might be

1789

01:27:02,270 --> 01:26:58,770

wrong but I think it's the first time

1790

01:27:06,350 --> 01:27:02,280

that hypnotherapy was used there may

1791

01:27:09,590 --> 01:27:06,360

have been some military cases but anyway

1792

01:27:11,540 --> 01:27:09,600

but not only not only was dr. Simon so

1793

01:27:13,280 --> 01:27:11,550

even if you say well no one had heard of

1794

01:27:15,979 --> 01:27:13,290

this this was ridiculous so he would

1795

01:27:19,250 --> 01:27:15,989

have no nothing to base it on he was

1796

01:27:23,540 --> 01:27:19,260

also using his clinical skills too

1797

01:27:26,209 --> 01:27:23,550

having heard the entire again very

1798

01:27:30,560 --> 01:27:26,219

accessible if you hear some of these

1799

01:27:33,200 --> 01:27:30,570

tapes he was he was basing this on his

1800

01:27:34,820 --> 01:27:33,210

clinical skills of other issues that may

1801
01:27:37,609 --> 01:27:34,830
have been involved on a psychological

1802
01:27:40,310 --> 01:27:37,619
level and that's what you would expect I

1803
01:27:45,379 --> 01:27:40,320
mean that's what he was not there as the

1804
01:27:48,890 --> 01:27:45,389
test this as is this a test for truth he

1805
01:27:55,070 --> 01:27:48,900
his role in this actually I believe was

1806
01:27:57,640 --> 01:27:55,080
his his role in it like I'm sorry I lost

1807
01:28:01,370 --> 01:27:57,650
my train of thought there for a second

1808
01:28:04,280 --> 01:28:01,380
his role was really I think to help them

1809
01:28:08,359 --> 01:28:04,290
deal with some of the anxiety it was

1810
01:28:12,379 --> 01:28:08,369
more of a treatment kind of thing was my

1811
01:28:17,000 --> 01:28:12,389
understanding from talking to him in the

1812
01:28:19,970 --> 01:28:17,010
70s that he he was you know helping them

1813
01:28:22,729 --> 01:28:19,980

cope with from the dreams and the

1814

01:28:25,879 --> 01:28:22,739

discomfort that they were having and so

1815

01:28:28,340 --> 01:28:25,889

that's what his role was but but his the

1816

01:28:32,060 --> 01:28:28,350

therapeutic you know his opinion was

1817

01:28:34,430 --> 01:28:32,070

that there were some stressors and

1818

01:28:37,939 --> 01:28:34,440

things in the marriage and not so much

1819

01:28:43,160 --> 01:28:37,949

between them it was more of the you know

1820

01:28:45,890 --> 01:28:43,170

the time period and what was going on

1821

01:28:48,260 --> 01:28:45,900

they were very very involved in civil

1822

01:28:50,870 --> 01:28:48,270

rights and so forth and so he thought it

1823

01:28:53,810 --> 01:28:50,880

had to do more with that so it wasn't

1824

01:28:56,180 --> 01:28:53,820

just I don't believe in UFOs it was like

1825

01:29:00,470 --> 01:28:56,190

I can see where these symptoms are

1826
01:29:02,200 --> 01:29:00,480
coming from so it's just another piece a

1827
01:29:04,330 --> 01:29:02,210
therapist role

1828
01:29:07,390 --> 01:29:04,340
is not to prove or disprove what

1829
01:29:09,430 --> 01:29:07,400
somebody is thinking because I can't you

1830
01:29:11,050 --> 01:29:09,440
know you say you're happy you're happy i

1831
01:29:13,510 --> 01:29:11,060
how am I going to disprove that you're

1832
01:29:17,020 --> 01:29:13,520
happy you say aye aye

1833
01:29:20,800 --> 01:29:17,030
whatever his role is to facilitate and

1834
01:29:23,910 --> 01:29:20,810
his role is not to believe the physical

1835
01:29:27,280 --> 01:29:23,920
fact but to believe that they believe it

1836
01:29:28,990 --> 01:29:27,290
mm-hmm so Frank that's what your

1837
01:29:31,720 --> 01:29:29,000
therapist is doing and there have been

1838
01:29:34,479 --> 01:29:31,730

other high-profile things with hypnosis

1839

01:29:35,979 --> 01:29:34,489

and regression we have the case of

1840

01:29:38,860 --> 01:29:35,989

Michelle remembers where we have a

1841

01:29:42,100 --> 01:29:38,870

little girl in later life who remembers

1842

01:29:45,880 --> 01:29:42,110

under hypnosis being horribly abused by

1843

01:29:47,320 --> 01:29:45,890

satanic cult even though other

1844

01:29:48,970 --> 01:29:47,330

researchers who have looked at it

1845

01:29:50,560 --> 01:29:48,980

discovered that during the time when she

1846

01:29:53,560 --> 01:29:50,570

was supposed to be in a cage and beaten

1847

01:29:55,570 --> 01:29:53,570

every day and watching a doctor cut a

1848

01:29:56,950 --> 01:29:55,580

body departs put it together attached

1849

01:30:00,070 --> 01:29:56,960

electrical cables and bring it back to

1850

01:30:02,310 --> 01:30:00,080

life all this stuff that mm-hmm that she

1851
01:30:05,890 --> 01:30:02,320
had not missed a single day of school

1852
01:30:09,459 --> 01:30:05,900
right there is the potential for false

1853
01:30:13,150 --> 01:30:09,469
memory and dark this type of thing and

1854
01:30:15,430 --> 01:30:13,160
that is why it doesn't hold up in court

1855
01:30:18,760 --> 01:30:15,440
and because you need other corroborating

1856
01:30:21,070 --> 01:30:18,770
evidence in addition to whatever and it

1857
01:30:24,570 --> 01:30:21,080
did seem at least to me for a long time

1858
01:30:28,020 --> 01:30:24,580
that this whole you know part of

1859
01:30:31,950 --> 01:30:28,030
hypnotic regression was a big part of

1860
01:30:35,680 --> 01:30:31,960
the case and to find out that the

1861
01:30:39,459 --> 01:30:35,690
therapists you know didn't at all think

1862
01:30:42,640 --> 01:30:39,469
that was the actual experience um you

1863
01:30:45,450 --> 01:30:42,650

know interesting John let me ask you

1864

01:30:47,590 --> 01:30:45,460

this you've listened to the show

1865

01:30:50,470 --> 01:30:47,600

obviously all the way through you heard

1866

01:30:53,620 --> 01:30:50,480

the two callers Cathy Martin and the

1867

01:30:57,580 --> 01:30:53,630

other caller and their what they

1868

01:31:01,770 --> 01:30:57,590

presented on this case if you removed

1869

01:31:04,930 --> 01:31:01,780

the hypnotherapy what do you think about

1870

01:31:07,810 --> 01:31:04,940

Jim's idea of you know Cannon Mountain

1871

01:31:10,030 --> 01:31:07,820

and sleep deprivation and all that now

1872

01:31:11,890 --> 01:31:10,040

do you think that falls apart after

1873

01:31:12,500 --> 01:31:11,900

listening or do you think he's making a

1874

01:31:20,130 --> 01:31:12,510

point

1875

01:31:24,980 --> 01:31:20,140

of the reasons is because I lived in

1876

01:31:27,330 --> 01:31:24,990

Bethlehem New Hampshire for 17 years and

1877

01:31:30,060 --> 01:31:27,340

went through the knotch

1878

01:31:33,210 --> 01:31:30,070

very regularly and was tricked every

1879

01:31:35,340 --> 01:31:33,220

single time at night by that light and I

1880

01:31:38,720 --> 01:31:35,350

never put it together even though I was

1881

01:31:41,250 --> 01:31:38,730

a big follower of the Hilkieh I am a big

1882

01:31:45,180 --> 01:31:41,260

follower of the hill case and have been

1883

01:31:50,220 --> 01:31:45,190

since it was first brought to public

1884

01:31:52,560 --> 01:31:50,230

attention in the 60s mmm a couple of

1885

01:31:56,640 --> 01:31:52,570

years I guess after the actual event had

1886

01:32:03,570 --> 01:31:56,650

happened but I was tricked every time

1887

01:32:09,020 --> 01:32:03,580

and and after I had so basically that

1888

01:32:16,110 --> 01:32:09,030

the radar information is interesting but

1889

01:32:22,050 --> 01:32:16,120

also is that light and the glowing

1890

01:32:24,300 --> 01:32:22,060

orange ball there not only was a is the

1891

01:32:27,000 --> 01:32:24,310

jack-o'-lantern resort that hard a

1892

01:32:32,460 --> 01:32:27,010

jack-o'-lantern head on it salty was

1893

01:32:36,440 --> 01:32:32,470

also a billboard along the highway and

1894

01:32:40,010 --> 01:32:36,450

I'm imagining at night without any

1895

01:32:42,870 --> 01:32:40,020

lights and so forth at that time

1896

01:32:46,770 --> 01:32:42,880

headlights picking up that in the

1897

01:32:50,940 --> 01:32:46,780

distance would look like it was what big

1898

01:32:53,460 --> 01:32:50,950

giant glowing oil orange ball with

1899

01:32:55,440 --> 01:32:53,470

window with windows well you know

1900

01:32:58,020 --> 01:32:55,450

there's another thing about the windows

1901

01:32:59,940 --> 01:32:58,030

I don't know and I've read I've read so

1902

01:33:05,370 --> 01:32:59,950

much about it night I can't cite

1903

01:33:09,020 --> 01:33:05,380

specific sources but but it made a good

1904

01:33:12,420 --> 01:33:09,030

point the Cannon Mountain has a

1905

01:33:17,490 --> 01:33:12,430

cafeteria type of uh you know some kind

1906

01:33:21,770 --> 01:33:17,500

of refreshment stand and it has windows

1907

01:33:25,830 --> 01:33:21,780

and imagine that against a black

1908

01:33:28,439 --> 01:33:25,840

mountain with no whites except me

1909

01:33:31,859 --> 01:33:28,449

be some interior lights that if you were

1910

01:33:35,070 --> 01:33:31,869

looking through binoculars that might

1911

01:33:37,530 --> 01:33:35,080

look a lot like one of those pictures

1912

01:33:40,040 --> 01:33:37,540

Martin that you're flashing up of what

1913

01:33:45,600 --> 01:33:40,050

Barney was being she was a Bernard

1914

01:33:48,030 --> 01:33:45,610

installation being open in September it

1915

01:33:51,209 --> 01:33:48,040

was no no but I have research that I

1916

01:33:53,820 --> 01:33:51,219

have research that what it was

1917

01:34:00,089 --> 01:33:53,830

well the trams did go up I mean that was

1918

01:34:03,330 --> 01:34:00,099

fall and so they have not but they had

1919

01:34:06,419 --> 01:34:03,340

what they had were some like night light

1920

01:34:08,160 --> 01:34:06,429

type of things that would come on yeah

1921

01:34:09,689 --> 01:34:08,170

at night yes

1922

01:34:12,720 --> 01:34:09,699

Oh what if they weren't full-blown

1923

01:34:15,209 --> 01:34:12,730

lights they were just so imagine if

1924

01:34:19,560 --> 01:34:15,219

there's a kind of a rectangular like

1925

01:34:24,240 --> 01:34:19,570

structure with windows and some writing

1926

01:34:27,979 --> 01:34:24,250

against the black okay so that's just

1927

01:34:30,419 --> 01:34:27,989

some possibilities it's interesting yeah

1928

01:34:33,000 --> 01:34:30,429

the problem with that of course is that

1929

01:34:36,180 --> 01:34:33,010

they saw the lights of the top of the

1930

01:34:38,010 --> 01:34:36,190

tramway and you've got the exit signs

1931

01:34:39,330 --> 01:34:38,020

you've got night lighting in there

1932

01:34:43,500 --> 01:34:39,340

you've got the Coke machine which should

1933

01:34:45,570 --> 01:34:43,510

be illuminated and I can tell you my own

1934

01:34:47,550 --> 01:34:45,580

direct knowledge that on a dark night

1935

01:34:50,669 --> 01:34:47,560

you could see a cigarette at over two

1936

01:34:52,919 --> 01:34:50,679

miles okay so it doesn't have to be

1937

01:34:56,250 --> 01:34:52,929

really bright to be visible at the song

1938

01:34:58,589 --> 01:34:56,260

so that they they also saw their UFO

1939

01:35:03,000 --> 01:34:58,599

where you or I would have seen the

1940

01:35:05,310 --> 01:35:03,010

aircraft warning light mm-hmm now I like

1941

01:35:07,830 --> 01:35:05,320

the idea that the flat they had lights

1942

01:35:11,669 --> 01:35:07,840

flashed across the sign down by the road

1943

01:35:13,950 --> 01:35:11,679

just a split second and that remained as

1944

01:35:17,459 --> 01:35:13,960

a memory in there

1945

01:35:18,060 --> 01:35:17,469

I'm very sorry Kathy but they were sleep

1946

01:35:21,209 --> 01:35:18,070

deprived

1947

01:35:23,070 --> 01:35:21,219

Barney worked nights and now he's and he

1948

01:35:25,200 --> 01:35:23,080

switched around 12 or 12

1949

01:35:27,750 --> 01:35:25,210

he's driving days and sleeping nights

1950

01:35:31,589 --> 01:35:27,760

that is going to make an effect it

1951

01:35:33,120 --> 01:35:31,599

really will anyway and the next day when

1952

01:35:35,399 --> 01:35:33,130

they're trying to reconstruct what

1953

01:35:38,310 --> 01:35:35,409

happened they had us they were scared

1954

01:35:39,419 --> 01:35:38,320

I believe they totally were we know that

1955

01:35:43,049 --> 01:35:39,429

sleep tup

1956

01:35:45,660 --> 01:35:43,059

raishin gives us paranoia and there

1957

01:35:48,350 --> 01:35:45,670

they've got flashing little bits of

1958

01:35:50,939 --> 01:35:48,360

memory and they put it all together and

1959

01:35:51,390 --> 01:35:50,949

it doesn't take long to conflate like

1960

01:35:57,179 --> 01:35:51,400

that

1961

01:35:59,009 --> 01:35:57,189

now um so I I'm also gonna go out way on

1962

01:36:01,350 --> 01:35:59,019

the limb here and say that the aliens

1963

01:36:04,290 --> 01:36:01,360

for the triangular eyes are also the

1964

01:36:06,060 --> 01:36:04,300

jack-o'-lantern with triangular eyes the

1965

01:36:08,370 --> 01:36:06,070

aliens with no ears this exact liner

1966

01:36:09,719 --> 01:36:08,380

which has no ears well I would like to

1967

01:36:14,699 --> 01:36:09,729

throw this out there

1968

01:36:15,330 --> 01:36:14,709

hmm there is an episode of the Outer

1969

01:36:18,750 --> 01:36:15,340

Limits

1970

01:36:22,830 --> 01:36:18,760

I believe it was 9:00 broadcast nine

1971

01:36:26,669 --> 01:36:22,840

days prior to the date of the sighting

1972

01:36:37,819 --> 01:36:26,679

it's entitled the Bolero shield yeah

1973

01:36:43,830 --> 01:36:37,829

I've seen it has the sort of wrap around

1974

01:36:46,859 --> 01:36:43,840

you know slanted eyes not totally like

1975

01:36:51,270 --> 01:36:46,869

what we think of as a gray but some

1976

01:36:53,459 --> 01:36:51,280

features for sure but uh okay I don't

1977

01:36:56,189 --> 01:36:53,469

like that for a couple of reasons one

1978

01:36:59,669 --> 01:36:56,199

was that it was so recent compared to

1979

01:37:02,759 --> 01:36:59,679

the date when Barney talked with the

1980

01:37:04,919 --> 01:37:02,769

doctor that he would obviously remember

1981

01:37:08,069 --> 01:37:04,929

if he'd just seen this on TV two weeks

1982

01:37:10,259 --> 01:37:08,079

before and he strikes me as an honest

1983

01:37:15,000 --> 01:37:10,269

man who was trying to honestly recount

1984

01:37:16,799 --> 01:37:15,010

what he had experienced so in order to I

1985

01:37:19,620 --> 01:37:16,809

don't think I don't think anything that

1986

01:37:23,160 --> 01:37:19,630

he did they did was anything but honest

1987

01:37:25,140 --> 01:37:23,170

I'm just wondering no I I think they

1988

01:37:28,169 --> 01:37:25,150

were totally honest and they weren't

1989

01:37:30,810 --> 01:37:28,179

trying to deceive I'm just wondering for

1990

01:37:33,239 --> 01:37:30,820

example because it had been you know

1991

01:37:36,810 --> 01:37:33,249

maybe it was in the TV Guide maybe it

1992

01:37:39,779 --> 01:37:36,820

was you know maybe he just it was also a

1993

01:37:42,299 --> 01:37:39,789

door window I don't know okay but I've

1994

01:37:44,310 --> 01:37:42,309

got one that's better and that is earth

1995

01:37:47,370 --> 01:37:44,320

versus of flying saucers a Ray Harry

1996

01:37:50,250 --> 01:37:47,380

Allison movie from 1956 if you take a

1997

01:37:53,160 --> 01:37:50,260

look at the space alien in that it is

1998

01:37:57,600 --> 01:37:53,170

your classic gray and not only

1999

01:37:59,160 --> 01:37:57,610

yeah and it's great because earth vs.

2000

01:38:03,480 --> 01:37:59,170

the flying saucers was in black and

2001

01:38:05,940 --> 01:38:03,490

white you know whatever the flying

2002

01:38:08,220 --> 01:38:05,950

saucers also begins with a man and his

2003

01:38:10,470 --> 01:38:08,230

wife driving in their car when they're

2004

01:38:12,930 --> 01:38:10,480

buzzed by a flying saucer it also

2005

01:38:17,580 --> 01:38:12,940

includes an abduction and includes

2006

01:38:19,530 --> 01:38:17,590

telepathy it I mean if I'm gonna if I'm

2007

01:38:21,870 --> 01:38:19,540

gonna try you know match the popular

2008

01:38:22,230 --> 01:38:21,880

culture I do that but I'm not gonna do

2009

01:38:24,600 --> 01:38:22,240

that

2010

01:38:26,850 --> 01:38:24,610

all I'm saying is I'm matching the light

2011

01:38:30,660 --> 01:38:26,860

that they saw on the sky to a light on

2012

01:38:33,540 --> 01:38:30,670

Canada so the caller that we had Colin

2013

01:38:36,780 --> 01:38:33,550

that talked about the radar the radar

2014

01:38:39,810 --> 01:38:36,790

reports and all that are both of you

2015

01:38:42,930 --> 01:38:39,820

just totally discounting that as not

2016

01:38:46,980 --> 01:38:42,940

holding any water one five hours before

2017

01:38:49,590 --> 01:38:46,990

one two hours later Betty and Barney's

2018

01:38:52,290 --> 01:38:49,600

UFO is down at ground level while the

2019

01:38:57,350 --> 01:38:52,300

radar report is up five thousand feet

2020

01:38:59,610 --> 01:38:57,360

I'm not saying that that they aren't all

2021

01:39:02,490 --> 01:38:59,620

part of this it wasn't at ground level

2022

01:39:03,720 --> 01:39:02,500

the whole time but no it was but but it

2023

01:39:06,300 --> 01:39:03,730

was not at ground level the whole time

2024

01:39:09,060 --> 01:39:06,310

but it was certainly very very close

2025

01:39:11,460 --> 01:39:09,070

within 200 feet of the ground then on

2026

01:39:13,740 --> 01:39:11,470

the ground now

2027

01:39:16,110 --> 01:39:13,750

let's look briefly at some of that other

2028

01:39:17,850 --> 01:39:16,120

physical evidence I could imagine

2029

01:39:20,430 --> 01:39:17,860

lots of ways a pair of shoes could get

2030

01:39:22,740 --> 01:39:20,440

scuffed jumping in and out of a car at

2031

01:39:25,710 --> 01:39:22,750

night and running around an open field

2032

01:39:28,200 --> 01:39:25,720

and I can imagine a lot of ways that a

2033

01:39:30,320 --> 01:39:28,210

zipper can get torn jumping in and out

2034

01:39:33,960 --> 01:39:30,330

of a car of running around an open field

2035

01:39:35,850 --> 01:39:33,970

if I were to tell you that I saw Bill

2036

01:39:38,790 --> 01:39:35,860

Brown cross the road you'd believe me

2037

01:39:40,890 --> 01:39:38,800

right I got no reason to lie if I told

2038

01:39:43,290 --> 01:39:40,900

you that I saw Bill Brown levitate

2039

01:39:47,010 --> 01:39:43,300

across the road you'd say pics or it

2040

01:39:49,080 --> 01:39:47,020

didn't happen possibly yeah

2041

01:39:52,140 --> 01:39:49,090

all right caller thanks so much Donna

2042

01:39:52,530 --> 01:39:52,150

thank you for calling in all right

2043

01:39:55,440 --> 01:39:52,540

bye-bye

2044

01:39:59,580 --> 01:39:55,450

all right so we have an open line if

2045

01:40:06,370 --> 01:39:59,590

anyone wants to call in and that number

2046

01:40:09,100 --> 01:40:06,380

is 603 967 403 oh okay

2047

01:40:12,070 --> 01:40:09,110

mark can I can I use your good nature

2048

01:40:16,060 --> 01:40:12,080

for for a minute here and just totally

2049

01:40:18,910 --> 01:40:16,070

destroy the magician's code oh no no no

2050

01:40:23,680 --> 01:40:18,920

oh yeah okay just give me a mask you

2051

01:40:25,930 --> 01:40:23,690

know so we put on her hands and uh and

2052

01:40:27,520 --> 01:40:25,940

you know and a voiceover bye what's this

2053

01:40:28,590 --> 01:40:27,530

guy who played the director in in

2054

01:40:31,990 --> 01:40:28,600

x-files

2055

01:40:33,939 --> 01:40:32,000

whatever name one yeah okay anyway this

2056

01:40:39,300 --> 01:40:33,949

is from the massive Tarbell course of

2057

01:40:42,610 --> 01:40:39,310

magic 1920s and this is from volume 2

2058

01:40:47,200 --> 01:40:42,620

it's called spirit lights under test

2059

01:40:49,000 --> 01:40:47,210

conditions what an experienced showman

2060

01:40:51,669 --> 01:40:49,010

could devise and the flights of

2061

01:40:54,070 --> 01:40:51,679

imagination if he can induce through his

2062

01:40:56,439 --> 01:40:54,080

remarkable power of suggestion well well

2063

01:40:58,149 --> 01:40:56,449

it is well illustrated in this effect

2064

01:41:00,820 --> 01:40:58,159

that employs a very simple little

2065

01:41:03,160 --> 01:41:00,830

article Edward Saint the Houdini

2066

01:41:04,840 --> 01:41:03,170

archivist and a veteran mystic who is

2067

01:41:07,120 --> 01:41:04,850

known for seeing things through the

2068

01:41:09,070 --> 01:41:07,130

monocle was once challenged by a group

2069

01:41:11,800 --> 01:41:09,080

to produce some spirit manifestations

2070

01:41:16,090 --> 01:41:11,810

under rigid test conditions that they

2071

01:41:18,280 --> 01:41:16,100

would impose effect for men comprise the

2072

01:41:20,709 --> 01:41:18,290

challengers an audience at the circle

2073

01:41:22,899 --> 01:41:20,719

about the room mr. st. was seated in her

2074

01:41:24,939 --> 01:41:22,909

chair at one end of the circle of the

2075

01:41:27,520 --> 01:41:24,949

challengers a Southern Saints right knee

2076

01:41:30,550 --> 01:41:27,530

facing the audience and with one foot on

2077

01:41:33,160 --> 01:41:30,560

Saints right foot be sat in a similar

2078

01:41:34,780 --> 01:41:33,170

position on Saints left knee she stood

2079

01:41:36,910 --> 01:41:34,790

to the right of st. and slightly back of

2080

01:41:38,410 --> 01:41:36,920

him see with both hands holding Saints

2081

01:41:41,080 --> 01:41:38,420

extended right arm and hand

2082

01:41:44,020 --> 01:41:41,090

Dean likewise stood and held Saints left

2083

01:41:44,950 --> 01:41:44,030

arm and and this seemingly under

2084

01:41:47,080 --> 01:41:44,960

complete control

2085

01:41:49,780 --> 01:41:47,090

what could the medium produce in the way

2086

01:41:51,340 --> 01:41:49,790

of spirit manifestations the audience

2087

01:41:53,709 --> 01:41:51,350

had not been informed what might occur

2088

01:41:55,600 --> 01:41:53,719

but they as well as the challengers were

2089

01:41:58,060 --> 01:41:55,610

in an expectant mood when all the lights

2090

01:42:01,600 --> 01:41:58,070

were turned off by agreement a rug

2091

01:42:03,430 --> 01:42:01,610

covered the floor faint flashes of light

2092

01:42:05,189 --> 01:42:03,440

appeared a distant corner the distant

2093

01:42:07,060 --> 01:42:05,199

corner of the room then vanished

2094

01:42:08,950 --> 01:42:07,070

successive flashes occurred in other

2095

01:42:11,410 --> 01:42:08,960

parts of the room some high in the air

2096

01:42:15,399 --> 01:42:11,420

some low down the lights flitted about

2097

01:42:17,520 --> 01:42:15,409

gradually growing green a bit longer

2098

01:42:19,689 --> 01:42:17,530

sometimes a series of momentary flashes

2099

01:42:20,050 --> 01:42:19,699

spectators felt definite spirit touches

2100

01:42:22,990 --> 01:42:20,060

from the

2101
01:42:25,420 --> 01:42:23,000
fingers unseen hands ejaculation so the

2102
01:42:27,130 --> 01:42:25,430
spectators were ample proof that what

2103
01:42:28,960 --> 01:42:27,140
had been they'd been seeing things a

2104
01:42:30,040 --> 01:42:28,970
fact which was freely acknowledged and

2105
01:42:33,190 --> 01:42:30,050
reaffirmed when the lights were turned

2106
01:42:33,670 --> 01:42:33,200
on and they're set mr. Saint calm and on

2107
01:42:35,260 --> 01:42:33,680
chalant

2108
01:42:37,720 --> 01:42:35,270
under the weight of a and B with his

2109
01:42:39,880 --> 01:42:37,730
arms and hands still firmly held by C

2110
01:42:41,650 --> 01:42:39,890
and D he could not move under such

2111
01:42:43,720 --> 01:42:41,660
restraint it is the fact that he the

2112
01:42:45,730 --> 01:42:43,730
four challengers did not once release

2113
01:42:47,340 --> 01:42:45,740

their control for even a moment from

2114

01:42:51,460 --> 01:42:47,350

start to finish

2115

01:42:53,470 --> 01:42:51,470

paraphernalia one one luminous locator

2116

01:42:56,800 --> 01:42:53,480

button such as sole for attachment to

2117

01:43:01,110 --> 01:42:56,810

electric light pole cords etc to five or

2118

01:43:03,490 --> 01:43:01,120

six lead pellets or BB shot to perform

2119

01:43:05,440 --> 01:43:03,500

the mechanical part of the secret is

2120

01:43:07,510 --> 01:43:05,450

apparent from a paraphernalia mentioned

2121

01:43:09,760 --> 01:43:07,520

but the showmanship and patter are

2122

01:43:11,950 --> 01:43:09,770

responsible for the seemingly room wide

2123

01:43:13,600 --> 01:43:11,960

travel civil lights at a certain

2124

01:43:15,430 --> 01:43:13,610

amazement on the part of the challengers

2125

01:43:17,560 --> 01:43:15,440

who never saw any of the lights at any

2126

01:43:20,500 --> 01:43:17,570

time despite the fact that everybody

2127

01:43:21,190 --> 01:43:20,510

else saw them just before the time set

2128

01:43:24,340 --> 01:43:21,200

for the seance

2129

01:43:25,750 --> 01:43:24,350

mr. st. exposed his luminous button to

2130

01:43:27,880 --> 01:43:25,760

brilliant light and placed it in his

2131

01:43:30,190 --> 01:43:27,890

mouth concealed from view when he talked

2132

01:43:32,890 --> 01:43:30,200

the BB shot Rossler concealed in the

2133

01:43:34,750 --> 01:43:32,900

mouth he sought her that aim B face the

2134

01:43:36,610 --> 01:43:34,760

audience as they sat upon his knees and

2135

01:43:40,060 --> 01:43:36,620

that C and D were a little back of him

2136

01:43:41,620 --> 01:43:40,070

as they held his arms so as to not what

2137

01:43:43,240 --> 01:43:41,630

not to obstruct the view of the audience

2138

01:43:47,050 --> 01:43:43,250

anyway any more than absolutely

2139

01:43:49,450 --> 01:43:47,060

necessary thus a B C and D at no time

2140

01:43:51,070 --> 01:43:49,460

proceeded the Saints mouth since the

2141

01:43:53,200 --> 01:43:51,080

luminous button remained in Saints mouth

2142

01:43:54,910 --> 01:43:53,210

of all the time it explains the

2143

01:43:56,890 --> 01:43:54,920

inability of the challengers to see the

2144

01:43:58,300 --> 01:43:56,900

manifestations they would have

2145

01:43:59,860 --> 01:43:58,310

discovered the secret if they had been

2146

01:44:02,230 --> 01:43:59,870

able to get a glimpse when the light was

2147

01:44:05,020 --> 01:44:02,240

made to appear by the mere opening of

2148

01:44:06,520 --> 01:44:05,030

the mouth mr saye spatter during the

2149

01:44:08,380 --> 01:44:06,530

seance was designed to create the

2150

01:44:10,060 --> 01:44:08,390

impression the lights were in all parts

2151

01:44:11,950 --> 01:44:10,070
of the room especially points far

2152

01:44:13,870 --> 01:44:11,960
distant from him such was his

2153

01:44:17,140 --> 01:44:13,880
showmanship but the spectators

2154

01:44:19,000 --> 01:44:17,150
afterwards swore that they saw lights

2155

01:44:21,220 --> 01:44:19,010
all over the room where is the only

2156

01:44:23,530 --> 01:44:21,230
light ever visible was the tiny luminous

2157

01:44:26,440 --> 01:44:23,540
ball but Mr Spang Saints mouth and it of

2158

01:44:29,200 --> 01:44:26,450
course appeared only that one spot his

2159

01:44:31,240 --> 01:44:29,210
cover man something yo I'm losing my

2160

01:44:33,070 --> 01:44:31,250
good-natured miss I'm sorry okay that's

2161

01:44:33,940 --> 01:44:33,080
a point well taken though that either I

2162

01:44:36,670 --> 01:44:33,950
get which

2163

01:44:38,160 --> 01:44:36,680

get what you're going up but I guess and

2164

01:44:42,730 --> 01:44:38,170

we also have a caller

2165

01:44:44,200 --> 01:44:42,740

I love callers but we I understand where

2166

01:44:47,230 --> 01:44:44,210

you're going with it it's just that it

2167

01:44:47,770 --> 01:44:47,240

was taking what I consider a little bit

2168

01:44:49,570 --> 01:44:47,780

too long

2169

01:44:52,300 --> 01:44:49,580

but now yeah and that's even the

2170

01:44:54,820 --> 01:44:52,310

shortest short description anyway yeah

2171

01:44:57,970 --> 01:44:54,830

all right hey caller your first name

2172

01:44:58,780 --> 01:44:57,980

where you calling from this is Ryan from

2173

01:45:01,390 --> 01:44:58,790

South Carolina

2174

01:45:05,200 --> 01:45:01,400

oh yeah Ryan's a serial caller Ryan from

2175

01:45:05,470 --> 01:45:05,210

SC yeah - right hey pretty good pretty

2176

01:45:10,840 --> 01:45:05,480

good

2177

01:45:15,790 --> 01:45:10,850

a a skeptic reinforcement has arise

2178

01:45:18,490 --> 01:45:15,800

there okay and how much have you looked

2179

01:45:22,030 --> 01:45:18,500

into this case Ryan to become an

2180

01:45:24,580 --> 01:45:22,040

official skeptic on it I have to admit

2181

01:45:26,980 --> 01:45:24,590

I've probably read maybe one or two

2182

01:45:29,250 --> 01:45:26,990

books I believe I met Fred Friedman's

2183

01:45:32,320 --> 01:45:29,260

book on it

2184

01:45:37,270 --> 01:45:32,330

Cathy Martin n Stan Freeman co-wrote

2185

01:45:42,190 --> 01:45:37,280

that oh yeah yes and also seeing some

2186

01:45:43,960 --> 01:45:42,200

shows on it and this and that by the way

2187

01:45:47,410 --> 01:45:43,970

before I asked my question I would like

2188

01:45:49,120 --> 01:45:47,420

to I would like to follow up on a caller

2189

01:45:51,790 --> 01:45:49,130

before I believe it was Spiegel who

2190

01:45:54,790 --> 01:45:51,800

called back in he he said Robert friend

2191

01:45:56,830 --> 01:45:54,800

had said this in that but I was about

2192

01:45:58,420 --> 01:45:56,840

Blue Book you know Blue Book not being

2193

01:46:01,210 --> 01:45:58,430

adequate but I'd also like to point out

2194

01:46:03,880 --> 01:46:01,220

that Robertson also said that there was

2195

01:46:05,230 --> 01:46:03,890

no cover-up anywhere that he saw he said

2196

01:46:07,330 --> 01:46:05,240

if there was one they were very

2197

01:46:13,510 --> 01:46:07,340

successful in keeping it from him I'd

2198

01:46:16,090 --> 01:46:13,520

like to say that my question that's out

2199

01:46:18,700 --> 01:46:16,100

there yeah Jim will like the question I

2200

01:46:21,220 --> 01:46:18,710

just throw out there for debate is you

2201

01:46:23,290 --> 01:46:21,230

know these abductions

2202

01:46:26,320 --> 01:46:23,300

I mean they've gone on for years and

2203

01:46:28,210 --> 01:46:26,330

years and years and I'm not putting down

2204

01:46:31,720 --> 01:46:28,220

on anyone saying anyone's lying but

2205

01:46:34,330 --> 01:46:31,730

there's never any hard physical evidence

2206

01:46:37,630 --> 01:46:34,340

of it I mean to give you an example I

2207

01:46:41,860 --> 01:46:37,640

cannot you cannot walk into a room and

2208

01:46:46,120 --> 01:46:41,870

not leave some sort of sample of skin

2209

01:46:47,650 --> 01:46:46,130

hair in my case dandruff you know and it

2210

01:46:49,510 --> 01:46:47,660

not leaves something behind

2211

01:46:51,490 --> 01:46:49,520

these these things they've been

2212

01:46:53,650 --> 01:46:51,500

kidnapping people for years they never

2213

01:46:57,280 --> 01:46:53,660

come back with anything doesn't that

2214

01:46:59,470 --> 01:46:57,290

strike anyone is just a little I don't

2215

01:47:01,000 --> 01:46:59,480

want say impossible but very unlikely

2216

01:47:03,520 --> 01:47:01,010

well that's that's the theory of

2217

01:47:06,010 --> 01:47:03,530

transfer and it's a very well-known in

2218

01:47:07,540 --> 01:47:06,020

criminal investigations that you enter a

2219

01:47:10,840 --> 01:47:07,550

room whether you're breaking into a

2220

01:47:11,380 --> 01:47:10,850

house whether you're gonna commit a

2221

01:47:13,180 --> 01:47:11,390

homicide

2222

01:47:14,740 --> 01:47:13,190

whatever type of crime you're gonna do

2223

01:47:16,480 --> 01:47:14,750

you're gonna leave a trace whether

2224

01:47:18,580 --> 01:47:16,490

that's DNA whether it's blood whether

2225

01:47:20,310 --> 01:47:18,590

it's as you mentioned hair fiber all of

2226

01:47:22,840 --> 01:47:20,320

these different things and that was my

2227

01:47:24,100 --> 01:47:22,850

focus back on the dress and I was quite

2228

01:47:26,740 --> 01:47:24,110

interested in the dress and I don't

2229

01:47:29,170 --> 01:47:26,750

think the dress was was quite conclusive

2230

01:47:32,770 --> 01:47:29,180

in any in any form I'm not I'm certainly

2231

01:47:34,720 --> 01:47:32,780

not convinced but getting back to the

2232

01:47:37,320 --> 01:47:34,730

transferor theory are you saying that

2233

01:47:40,390 --> 01:47:37,330

these people leaving something behind in

2234

01:47:42,130 --> 01:47:40,400

what is supposed to be the craft or they

2235

01:47:45,340 --> 01:47:42,140

are taking something from the craft

2236

01:47:47,440 --> 01:47:45,350

along with them maybe on on on the soles

2237

01:47:49,720 --> 01:47:47,450

of their shoes maybe under their

2238

01:47:51,940 --> 01:47:49,730

fingernails something of that nature is

2239

01:47:53,260 --> 01:47:51,950

that is that what you're getting at yeah

2240

01:47:54,760 --> 01:47:53,270

I mean these these people they never

2241

01:47:56,350 --> 01:47:54,770

come back with anything you know like I

2242

01:47:58,540 --> 01:47:56,360

mean I know the aliens are supposedly

2243

01:48:01,060 --> 01:47:58,550

hairless I know that but conveniently

2244

01:48:03,400 --> 01:48:01,070

enough I mean those skin no blood no

2245

01:48:05,830 --> 01:48:03,410

nothing I mean just then every I mean I

2246

01:48:08,350 --> 01:48:05,840

wish they'd Lien's would would kidnap a

2247

01:48:10,750 --> 01:48:08,360

kleptomaniac so the guy would pickpocket

2248

01:48:12,550 --> 01:48:10,760

something off a dashboard or something

2249

01:48:15,490 --> 01:48:12,560

then come back with something but just I

2250

01:48:17,170 --> 01:48:15,500

mean this many kidnappings I you would

2251

01:48:18,820 --> 01:48:17,180

think there would be something at this

2252

01:48:21,880 --> 01:48:18,830

point I think the problem that you run

2253

01:48:25,870 --> 01:48:21,890

up against and having served a pier at a

2254

01:48:29,050 --> 01:48:25,880

time in it's probably very unpleasant to

2255

01:48:30,490 --> 01:48:29,060

discuss but sexual crimes is that a lot

2256

01:48:33,460 --> 01:48:30,500

of times the victims will wait before

2257

01:48:35,110 --> 01:48:33,470

they they make a report and many times I

2258

01:48:37,450 --> 01:48:35,120

couldn't tell you how many times the

2259

01:48:39,280 --> 01:48:37,460

victim will take a shower because they

2260

01:48:41,440 --> 01:48:39,290

feel dirty the victim will clean up the

2261

01:48:43,480 --> 01:48:41,450

victim will wash their clothes all these

2262

01:48:44,860 --> 01:48:43,490

different things tend to happen these

2263

01:48:47,050 --> 01:48:44,870

sort of things and I would imagine that

2264

01:48:49,570 --> 01:48:47,060

really would happen in these situations

2265

01:48:51,460 --> 01:48:49,580

as well because they are similar nature

2266

01:48:54,370 --> 01:48:51,470

well I would like to I'd like to pose

2267

01:48:58,140 --> 01:48:54,380

this question has and if anyone out

2268

01:49:00,870 --> 01:48:58,150

there knows has anyone ever forensic ly

2269

01:49:02,160 --> 01:49:00,880

investigated a scene

2270

01:49:04,470 --> 01:49:02,170

where someone said that they were

2271

01:49:07,350 --> 01:49:04,480

abducted I don't I don't think that's

2272

01:49:09,810 --> 01:49:07,360

taken place that I know of I'm not aware

2273

01:49:12,810 --> 01:49:09,820

of any case like that yeah so that's a

2274

01:49:15,090 --> 01:49:12,820

question for a move on yeah well you

2275

01:49:17,729 --> 01:49:15,100

know they these people have come back

2276

01:49:19,709 --> 01:49:17,739

with they claim they're track with

2277

01:49:21,320 --> 01:49:19,719

before they claim they're tracked by sub

2278

01:49:23,370 --> 01:49:21,330

contain iasts

2279

01:49:25,740 --> 01:49:23,380

locators I don't know what you call them

2280

01:49:28,620 --> 01:49:25,750

humming beacons or whatever they they've

2281

01:49:29,939 --> 01:49:28,630

extracted them they haven't ya found

2282

01:49:32,040 --> 01:49:29,949

anything that proves our

2283

01:49:33,750 --> 01:49:32,050

extraterrestrial nature before through

2284

01:49:37,470 --> 01:49:33,760

chemical analysis and a spectrograph

2285

01:49:39,200 --> 01:49:37,480

analysis so you know again it comes up

2286

01:49:42,390 --> 01:49:39,210

it comes up with a dead end

2287

01:49:45,149 --> 01:49:42,400

actually I think that there are have

2288

01:49:46,830 --> 01:49:45,159

been several these foreign objects

2289

01:49:49,290 --> 01:49:46,840

recovered from within under people's

2290

01:49:50,910 --> 01:49:49,300

skin within their bodies and some of

2291

01:49:54,890 --> 01:49:50,920

them are rather unusual but that's not

2292

01:49:57,270 --> 01:49:54,900

to say that they're yeah call of a foul

2293

01:49:58,470 --> 01:49:57,280

call we have someone else calling in

2294

01:49:59,939 --> 01:49:58,480

it's getting near the end of the show I

2295

01:50:03,060 --> 01:49:59,949

hope you don't mind but I'd like to take

2296

01:50:05,129 --> 01:50:03,070

them if I could okay all right thanks

2297

01:50:09,620 --> 01:50:05,139

for calling in all right thank you

2298

01:50:14,390 --> 01:50:09,630

all right now my mouse is not letting me

2299

01:50:16,110 --> 01:50:14,400

yeah all right so caller can you hear me

2300

01:50:18,030 --> 01:50:16,120

yes thank you

2301

01:50:20,669 --> 01:50:18,040

yeah welcome to the show and your first

2302

01:50:24,689 --> 01:50:20,679

name where you calling from my name is

2303

01:50:27,149 --> 01:50:24,699

Thomas Berg from Pittsburgh yeah how you

2304

01:50:31,050 --> 01:50:27,159

guys all right welcome Tom you have a

2305

01:50:32,970 --> 01:50:31,060

question for our guest yeah um I wish

2306

01:50:36,390 --> 01:50:32,980

Kathy would actually brought this up in

2307

01:50:39,300 --> 01:50:36,400

the case the next morning when Betty

2308

01:50:40,919 --> 01:50:39,310

Hill was home she talked about the

2309

01:50:44,040 --> 01:50:40,929

incident to a neighbor who was a

2310

01:50:47,129 --> 01:50:44,050

physicist and he actually went to the

2311

01:50:50,250 --> 01:50:47,139

car and was looking at the strange

2312

01:50:52,530 --> 01:50:50,260

markings around are the half-dollar

2313

01:50:54,540 --> 01:50:52,540

markings are on the car and he actually

2314

01:50:56,340 --> 01:50:54,550

could I get neither and was tech

2315

01:50:58,470 --> 01:50:56,350

radiation levels and the levels were

2316

01:51:01,680 --> 01:50:58,480

higher than normal and the car was also

2317

01:51:04,649 --> 01:51:01,690

magnetized so I kind of like to see how

2318

01:51:08,280 --> 01:51:04,659

Jim can say how would something like

2319

01:51:11,040 --> 01:51:08,290

that happens and and also for your last

2320

01:51:13,800 --> 01:51:11,050

caller talking about abductions and how

2321

01:51:14,340 --> 01:51:13,810

there's really no kind of research

2322

01:51:15,800 --> 01:51:14,350

there's a

2323

01:51:19,350 --> 01:51:15,810

gentlemen you had our name Derrel Sims

2324

01:51:21,270 --> 01:51:19,360

who's done actually a lot of work people

2325

01:51:23,520 --> 01:51:21,280

who have been abducted a lot of their

2326

01:51:27,260 --> 01:51:23,530

cases and he's actually has found

2327

01:51:29,520 --> 01:51:27,270

fingerprints would mark person's body

2328

01:51:31,290 --> 01:51:29,530

objects that were in the body as well

2329

01:51:33,510 --> 01:51:31,300

and also the people describing how when

2330

01:51:35,220 --> 01:51:33,520

they walk in this morning how their

2331

01:51:36,660 --> 01:51:35,230

clothes were on or the clothes weren't

2332

01:51:39,090 --> 01:51:36,670

on right or they were wearing somebody

2333

01:51:41,310 --> 01:51:39,100

else's clothes so I'll kind of leave it

2334

01:51:42,810 --> 01:51:41,320

at right it's all kinda leave it at that

2335

01:51:44,130 --> 01:51:42,820

have you guys discussed it but hey thank

2336

01:51:47,550 --> 01:51:44,140

you guys very much you guys have a great

2337

01:51:48,630 --> 01:51:47,560

night thank you thank you Tom this is

2338

01:51:50,430 --> 01:51:48,640

the first I've heard about a Geiger

2339

01:51:53,490 --> 01:51:50,440

counter being used on Betty in Bernie's

2340

01:51:55,920 --> 01:51:53,500

car though story I had heard or had read

2341

01:51:57,870 --> 01:51:55,930

was that they used a magnetic compass to

2342

01:51:58,980 --> 01:51:57,880

find radiation which just isn't gonna

2343

01:52:00,600 --> 01:51:58,990

work

2344

01:52:04,500 --> 01:52:00,610

magnetic compass will detect that there

2345

01:52:06,420 --> 01:52:04,510

is in fact a big iron car there okay we

2346

01:52:08,460 --> 01:52:06,430

don't know how long these markings had

2347

01:52:10,710 --> 01:52:08,470

been on the car gonna destroy their

2348

01:52:12,120 --> 01:52:10,720

magician's code again here we go you

2349

01:52:14,970 --> 01:52:12,130

know how to do the card through window

2350

01:52:17,130 --> 01:52:14,980

you go out and you paste the card on the

2351
01:52:20,160 --> 01:52:17,140
outside of a window sometime before the

2352
01:52:23,010 --> 01:52:20,170
show then during the course of the show

2353
01:52:24,480 --> 01:52:23,020
you force a duplicate of that same card

2354
01:52:26,310 --> 01:52:24,490
you throw the deck of cards to the

2355
01:52:27,420 --> 01:52:26,320
window and by golly there's a card

2356
01:52:29,100 --> 01:52:27,430
outside the window it's on the other

2357
01:52:32,730 --> 01:52:29,110
side of the glass how could he possibly

2358
01:52:34,680 --> 01:52:32,740
have done that well you're giving away

2359
01:52:36,300 --> 01:52:34,690
all the secrets yeah yeah give it a

2360
01:52:37,950 --> 01:52:36,310
little way away the shop here I'm gonna

2361
01:52:39,750 --> 01:52:37,960
take over your job tomorrow we have

2362
01:52:45,000 --> 01:52:39,760
someone else calling in hang on just a

2363
01:52:46,740 --> 01:52:45,010

second hello caller welcome to the show

2364

01:52:51,210 --> 01:52:46,750

your name and where you call it from

2365

01:52:55,200 --> 01:52:51,220

first name ray from Maryland oh hey ray

2366

01:52:56,970 --> 01:52:55,210

how are you great we only have about 6

2367

01:52:59,880 --> 01:52:56,980

minutes left so just keep that in mind

2368

01:53:00,890 --> 01:52:59,890

okay let me put it in about three okay

2369

01:53:05,280 --> 01:53:00,900

sir

2370

01:53:08,100 --> 01:53:05,290

okay here's what I like to say I have

2371

01:53:10,920 --> 01:53:08,110

been somewhat skeptical of the Betty

2372

01:53:12,390 --> 01:53:10,930

Botta Hill case for some time and I've

2373

01:53:14,310 --> 01:53:12,400

never made up my mind whether it's real

2374

01:53:16,710 --> 01:53:14,320

or not and neither one of the neither

2375

01:53:19,140 --> 01:53:16,720

the opponent of proponent tinnitus has

2376

01:53:22,140 --> 01:53:19,150

convinced me one way or another I would

2377

01:53:24,090 --> 01:53:22,150

mention first that that it seems there's

2378

01:53:27,840 --> 01:53:24,100

been a presentation an idea tonight that

2379

01:53:30,470 --> 01:53:27,850

the Budd Hopkins Grey's so-called

2380

01:53:33,240 --> 01:53:30,480

were the things that were described in

2381

01:53:35,430 --> 01:53:33,250

in the Betty and Barney Hill case under

2382

01:53:37,710 --> 01:53:35,440

hypnosis and that is not correct the

2383

01:53:38,820 --> 01:53:37,720

eyes the the head size and relationship

2384

01:53:40,620 --> 01:53:38,830

with the body a lot of other things are

2385

01:53:42,480 --> 01:53:40,630

quite different if you go back to the

2386

01:53:44,550 --> 01:53:42,490

original transcriptions they're not what

2387

01:53:46,800 --> 01:53:44,560

was described and exaggerated and

2388

01:53:49,170 --> 01:53:46,810

distorted across time in Budd Hopkins

2389

01:53:51,330 --> 01:53:49,180

hypnotic cases and in others so that

2390

01:53:54,840 --> 01:53:51,340

makes me skeptical at least about

2391

01:53:59,660 --> 01:53:54,850

Hopkins type of cases I'm skeptical a

2392

01:54:02,310 --> 01:53:59,670

lot of but I want to say this in 1956 I

2393

01:54:04,050 --> 01:54:02,320

had had a UFO experience which was

2394

01:54:06,360 --> 01:54:04,060

published because there was a three

2395

01:54:09,060 --> 01:54:06,370

police officers involved in it and a

2396

01:54:14,310 --> 01:54:09,070

gentleman contacted me from San Antonio

2397

01:54:14,910 --> 01:54:14,320

Texas he was he was in his mid to late

2398

01:54:17,610 --> 01:54:14,920

20s

2399

01:54:21,390 --> 01:54:17,620

his father was a medical I'm sorry was a

2400

01:54:22,620 --> 01:54:21,400

retired Air Force general and we had

2401

01:54:24,270 --> 01:54:22,630

talked about this and he asked my

2402

01:54:26,250 --> 01:54:24,280

opinion well I was naive then and I

2403

01:54:27,660 --> 01:54:26,260

believe the hoaxes of George Adamski not

2404

01:54:29,700 --> 01:54:27,670

say well they're probably friendly space

2405

01:54:32,070 --> 01:54:29,710

brothers from other planets well of

2406

01:54:34,200 --> 01:54:32,080

course they weren't but he called me up

2407

01:54:37,290 --> 01:54:34,210

one day and he said listen ray he said

2408

01:54:39,090 --> 01:54:37,300

this this stuff is ridiculous he's I'm

2409

01:54:42,840 --> 01:54:39,100

concerned with something happened he was

2410

01:54:45,030 --> 01:54:42,850

out in New Mexico on a family reunion

2411

01:54:46,320 --> 01:54:45,040

thing and driving out on a highway he

2412

01:54:48,270 --> 01:54:46,330

wasn't totally familiar with the area

2413

01:54:50,970 --> 01:54:48,280

all of a sudden in broad daylight

2414

01:54:53,010 --> 01:54:50,980

there was a dome disc in front of his

2415

01:54:55,680 --> 01:54:53,020

car as he was moving he said I don't

2416

01:54:58,950 --> 01:54:55,690

know I don't know how it got there but

2417

01:55:02,760 --> 01:54:58,960

all of a sudden he said it was about two

2418

01:55:04,800 --> 01:55:02,770

hours later and he was on the side of a

2419

01:55:06,810 --> 01:55:04,810

road at an unknown place it took him a

2420

01:55:08,700 --> 01:55:06,820

long time of driving to find somebody to

2421

01:55:10,770 --> 01:55:08,710

tell him where he was how he could get

2422

01:55:12,330 --> 01:55:10,780

back to where he had intended to go but

2423

01:55:14,310 --> 01:55:12,340

the interesting point is he was driving

2424

01:55:16,280 --> 01:55:14,320

one of those Beaver little mg sports

2425

01:55:19,380 --> 01:55:16,290

cars with a beautifully curved back

2426
01:55:21,060 --> 01:55:19,390
downward fender he said ray if you think

2427
01:55:23,160 --> 01:55:21,070
this is something in my imagination he

2428
01:55:25,200 --> 01:55:23,170
didn't talk about abduction or aliens he

2429
01:55:26,970 --> 01:55:25,210
said I want you to come to San Antonio

2430
01:55:30,210 --> 01:55:26,980
and look at what happened to my car I

2431
01:55:32,550 --> 01:55:30,220
went there and the fender was had been

2432
01:55:34,230 --> 01:55:32,560
he said it had been dropped down that

2433
01:55:35,820 --> 01:55:34,240
there was a sensation of dropping he

2434
01:55:38,010 --> 01:55:35,830
woke up and it was dropped on the road

2435
01:55:39,630 --> 01:55:38,020
and he was jarred and I looked under the

2436
01:55:41,520 --> 01:55:39,640
fender there was a big bump in this

2437
01:55:43,650 --> 01:55:41,530
beautiful fender sticking up straight

2438
01:55:45,000 --> 01:55:43,660

as I stood beside the car and I crawled

2439

01:55:47,190 --> 01:55:45,010

under the car and looked and you could

2440

01:55:49,980 --> 01:55:47,200

see we're obviously a rock the shape of

2441

01:55:51,630 --> 01:55:49,990

a rocket had just smashed in the middle

2442

01:55:52,980 --> 01:55:51,640

there and cut the actual metal

2443

01:55:55,950 --> 01:55:52,990

underneath the bottom through the rust

2444

01:55:58,320 --> 01:55:55,960

and everything so this suggests to me

2445

01:56:00,810 --> 01:55:58,330

that something happened that we might

2446

01:56:03,690 --> 01:56:00,820

think was an alien abduction way back in

2447

01:56:08,250 --> 01:56:03,700

the summer of 1956 and I'll close off

2448

01:56:14,670 --> 01:56:08,260

with that account oh okay great thank

2449

01:56:16,410 --> 01:56:14,680

you okay get to back to Betty and Bernie

2450

01:56:19,590 --> 01:56:16,420

they're driving south on Route three

2451
01:56:22,290 --> 01:56:19,600
it's late at night they see the moon and

2452
01:56:24,570 --> 01:56:22,300
they see Saturn they see Jupiter they go

2453
01:56:27,360 --> 01:56:24,580
up the side of corrigan Hill up to Mount

2454
01:56:28,890 --> 01:56:27,370
Prospect they lose sight of the moon

2455
01:56:30,600 --> 01:56:28,900
they lose sight of Jupiter they lose

2456
01:56:33,000 --> 01:56:30,610
sight of Saturn because it's a pretty

2457
01:56:35,340 --> 01:56:33,010
darn steep hill they cross over the

2458
01:56:39,030 --> 01:56:35,350
crest now they see the moon Jupiter and

2459
01:56:43,170 --> 01:56:39,040
Saturn again down to the south-southwest

2460
01:56:45,270 --> 01:56:43,180
and there's a third light by weird

2461
01:56:47,160 --> 01:56:45,280
coincidence that's the exact same point

2462
01:56:49,980 --> 01:56:47,170
where you can see the Cannon Mountain

2463
01:56:52,860 --> 01:56:49,990

light immediately after crossing over

2464

01:56:58,350 --> 01:56:52,870

that crest the road goes down for half a

2465

01:56:59,730 --> 01:56:58,360

mile and 9% downward grade one or the

2466

01:57:02,670 --> 01:56:59,740

other of the hills described that their

2467

01:57:05,700 --> 01:57:02,680

object as like a shooting star that went

2468

01:57:08,610 --> 01:57:05,710

up I can tell you that when you go down

2469

01:57:11,970 --> 01:57:08,620

that grade the Latin cannon appears to

2470

01:57:14,250 --> 01:57:11,980

go up as they approached Franconia Notch

2471

01:57:15,630 --> 01:57:14,260

the light appears to grow bigger and

2472

01:57:18,030 --> 01:57:15,640

closer and brighter

2473

01:57:21,960 --> 01:57:18,040

Chanin mountain light grows bigger and

2474

01:57:24,360 --> 01:57:21,970

closer and brighter we get down to the

2475

01:57:25,770 --> 01:57:24,370

tramway they look at the top there's a

2476

01:57:28,680 --> 01:57:25,780

snack bar at the top of the crime way

2477

01:57:33,570 --> 01:57:28,690

their UFO is above and to the left of

2478

01:57:35,730 --> 01:57:33,580

the of the snack shop and Betty says oh

2479

01:57:39,150 --> 01:57:35,740

if anybody's up there they must be

2480

01:57:40,560 --> 01:57:39,160

getting a spectacular view anybody else

2481

01:57:43,650 --> 01:57:40,570

would have seen that life on top of the

2482

01:57:46,050 --> 01:57:43,660

tramway and the lookout tower light they

2483

01:57:48,930 --> 01:57:46,060

continued south down three the light

2484

01:57:50,670 --> 01:57:48,940

goes up the right side of their car just

2485

01:57:53,700 --> 01:57:50,680

like the Cannon Mountain light they

2486

01:57:55,200 --> 01:57:53,710

continue south they pass by the

2487

01:57:59,450 --> 01:57:55,210

jack-o'-lantern Reese

2488

01:58:02,610 --> 01:57:59,460

with a big glowing orange orb on it

2489

01:58:04,410 --> 01:58:02,620

already we already was was a true

2490

01:58:07,500 --> 01:58:04,420

believer already her sister saw a UFO

2491

01:58:11,550 --> 01:58:07,510

back in 57 she wanted to see a UFO and

2492

01:58:14,510 --> 01:58:11,560

she did hey thank you so much Jim we are

2493

01:58:16,560 --> 01:58:14,520

out of time okay all right you take care

2494

01:58:19,170 --> 01:58:16,570

yeah you too see you around

2495

01:58:21,180 --> 01:58:19,180

all right yeah bye tikka Jim all right

2496

01:58:23,600 --> 01:58:21,190

everyone so that is it for the show

2497

01:58:27,990 --> 01:58:23,610

thank you so much for hanging in and

2498

01:58:30,560 --> 01:58:28,000

we'll be back next week with let's see

2499

01:58:34,350 --> 01:58:30,570

who we have we have need Nadine Lalit

2500

01:58:36,450 --> 01:58:34,360

she's going to be on interesting I've

2501

01:58:38,160 --> 01:58:36,460

had a couple requests from guests that

2502

01:58:40,830 --> 01:58:38,170

wanted me to have her on so she'll be on

2503

01:58:46,530 --> 01:58:40,840

so we'll be back I think next week is

2504

01:58:48,660 --> 01:58:46,540

our last live stream show on YouTube we

2505

01:58:51,000 --> 01:58:48,670

are actually going to look into see if

2506

01:58:53,010 --> 01:58:51,010

we can do both at the same time I don't

2507

01:58:54,690 --> 01:58:53,020

think I can with the guest on I mean I

2508

01:58:57,780 --> 01:58:54,700

could with me but who wants to see me

2509

01:58:59,760 --> 01:58:57,790

anyway but anyway thanks for joining me

2510

01:59:02,340 --> 01:58:59,770

Donny I appreciate it always a pleasure

2511

01:59:04,890 --> 01:59:02,350

all right and so that's it for the show

2512
