

A photograph of Peter Davenport, a man with glasses and a dark suit, speaking into a microphone at a conference table. He is the central figure, looking slightly to his right. To his left, another man in a dark suit is seated, looking down. To his right, a man in a dark polo shirt with a yellow collar and a name tag is seated with his arms crossed. The table in front of them has several water glasses and a silver pitcher. A circular seal is visible on the back of the chair to the right. The background shows other people seated at tables in a dimly lit room.

1
00:00:05,180 --> 00:00:03,980
hey that leads me to something really

2
00:00:06,980 --> 00:00:05,190
good that I'm going to talk about

3
00:00:11,810 --> 00:00:06,990
hello everyone first of all and that is

4
00:00:14,810 --> 00:00:11,820
I am hiring a producer I produced the

5
00:00:16,880 --> 00:00:14,820
show during the live show so none of the

6
00:00:19,700 --> 00:00:16,890
shenanigans happens well if it does

7
00:00:21,890 --> 00:00:19,710
happen at least I'll be able to point

8
00:00:25,609 --> 00:00:21,900
the finger at someone else

9
00:00:27,439 --> 00:00:25,619
so that is coming up I he's kind of

10
00:00:30,470 --> 00:00:27,449
training and going over software and

11
00:00:34,940 --> 00:00:30,480
equipment he will be starting I think in

12
00:00:37,130 --> 00:00:34,950
a week or two so and I did not do that

13
00:00:39,950 --> 00:00:37,140

glitch on purpose just to let everyone

14

00:00:42,380 --> 00:00:39,960

know but you know I try to do a good

15

00:00:43,369 --> 00:00:42,390

show and it's really really important to

16

00:00:44,900 --> 00:00:43,379

me

17

00:00:46,700 --> 00:00:44,910

it's gonna cost a little extra money to

18

00:00:48,860 --> 00:00:46,710

do this but I think it's gonna just make

19

00:00:50,690 --> 00:00:48,870

the shows better so starting real soon

20

00:00:53,060 --> 00:00:50,700

we have a show producer I want to wish

21

00:00:55,580 --> 00:00:53,070

everyone that celebrates Christmas a

22

00:00:58,000 --> 00:00:55,590

Merry Christmas coming up in just a few

23

00:01:03,799 --> 00:00:58,010

days I hope you have a wonderful and

24

00:01:05,240 --> 00:01:03,809

safe Christmas and you know I want to I

25

00:01:08,000 --> 00:01:05,250

want to thank the supporters that

26

00:01:09,410 --> 00:01:08,010

support the show and if you'd like to

27

00:01:12,140 --> 00:01:09,420

help us out for two dollars or more a

28

00:01:14,179 --> 00:01:12,150

month that information is on podcast UFO

29

00:01:15,560 --> 00:01:14,189

comm we have a real exciting show

30

00:01:19,120 --> 00:01:15,570

tonight it's gonna start out with

31

00:01:20,780 --> 00:01:19,130

Alejandro and I talking about the

32

00:01:22,850 --> 00:01:20,790

breaking news

33

00:01:24,740 --> 00:01:22,860

I have never I was saying to Alejandro

34

00:01:27,050 --> 00:01:24,750

earlier my email was ringing off the

35

00:01:30,410 --> 00:01:27,060

hook I know it's kind of corny but I've

36

00:01:33,740 --> 00:01:30,420

never gotten so many emails this last

37

00:01:36,740 --> 00:01:33,750

week since last Sunday and Alejandro was

38

00:01:39,069 --> 00:01:36,750

on coast to coast talking about it a lot

39

00:01:41,770 --> 00:01:39,079

of people that we know on TV

40

00:01:47,030 --> 00:01:41,780

unbelievable so it's been real exciting

41

00:01:49,460 --> 00:01:47,040

the most exciting week in ufology since

42

00:01:51,800 --> 00:01:49,470

I've been at this absolutely hands down

43

00:01:53,240 --> 00:01:51,810

and so we're gonna be talking all about

44

00:01:55,850 --> 00:01:53,250

that

45

00:01:58,999 --> 00:01:55,860

and Kevin Randall's gonna he's gonna

46

00:01:59,899 --> 00:01:59,009

pipe in about 805 or something like that

47

00:02:01,639 --> 00:01:59,909

tonight

48

00:02:05,240 --> 00:02:01,649

that's est and he's going to be talking

49

00:02:07,789 --> 00:02:05,250

about the military angle of you know

50

00:02:10,639 --> 00:02:07,799

reporting UFOs and and he's following

51
00:02:12,440 --> 00:02:10,649
this very closely as well and then our

52
00:02:13,960 --> 00:02:12,450
guests for the evenings coming on

53
00:02:16,210 --> 00:02:13,970
probably between 8:00

54
00:02:19,810 --> 00:02:16,220
tene and 8:30 we'll see how it goes with

55
00:02:23,040 --> 00:02:19,820
Kevin Randle and he will be Peter

56
00:02:26,050 --> 00:02:23,050
Davenport from new Fork the director of

57
00:02:28,570 --> 00:02:26,060
new Fork always a great pleasure to

58
00:02:30,250 --> 00:02:28,580
speak with Peter he'll be on then so I

59
00:02:32,050 --> 00:02:30,260
think it's going to be a great show it's

60
00:02:35,110 --> 00:02:32,060
an extended show hour and a half long

61
00:02:39,850 --> 00:02:35,120
and I hope you enjoy it

62
00:02:42,160 --> 00:02:39,860
the regular listeners will get the three

63
00:02:45,070 --> 00:02:42,170

hour and then subscribers will get the

64

00:02:47,290 --> 00:02:45,080

hour and a half and also it's on YouTube

65

00:02:49,240 --> 00:02:47,300

and if you can't help us out you can

66

00:02:51,550 --> 00:02:49,250

always listen to the full show at the

67

00:02:53,770 --> 00:02:51,560

Dark Matter digital network and that is

68

00:02:56,650 --> 00:02:53,780

10:00 to midnight Eastern Standard Time

69

00:02:58,420 --> 00:02:56,660

tomorrow Thursday evenings and I want to

70

00:03:00,730 --> 00:02:58,430

say hello to all the great people over

71

00:03:02,710 --> 00:03:00,740

there there's a lot of listeners and I I

72

00:03:04,120 --> 00:03:02,720

just occurred to me that a lot of these

73

00:03:05,620 --> 00:03:04,130

listeners that are over there are

74

00:03:08,500 --> 00:03:05,630

carried over from when I used to do the

75

00:03:09,940 --> 00:03:08,510

show live there for two plus years so

76
00:03:10,860 --> 00:03:09,950
that's why there's so many people still

77
00:03:12,940 --> 00:03:10,870
listening over there

78
00:03:17,230 --> 00:03:12,950
alejandro welcome to the show how are

79
00:03:19,270 --> 00:03:17,240
you thank you I am tired I'm beat right

80
00:03:22,090 --> 00:03:19,280
now especially today it's been wild and

81
00:03:26,290 --> 00:03:22,100
crazy this this whole week of course

82
00:03:29,470 --> 00:03:26,300
it's been pretty crazy but it has now if

83
00:03:32,590 --> 00:03:29,480
I know that my emails going crazy yours

84
00:03:35,170 --> 00:03:32,600
you just must have been swamped totally

85
00:03:37,810 --> 00:03:35,180
swamped with email well it's not so much

86
00:03:41,590 --> 00:03:37,820
email it's a lot of other stuff just

87
00:03:43,539 --> 00:03:41,600
it's it's our conference but yeah but it

88
00:03:45,400 --> 00:03:43,549

is related to communications yes

89
00:03:49,600 --> 00:03:45,410
communicating with many other most many

90
00:03:54,520 --> 00:03:49,610
people and and everybody's just kind of

91
00:03:56,710 --> 00:03:54,530
like in this frenzied mode and and as

92
00:03:58,090 --> 00:03:56,720
time has gone on and there's been more

93
00:03:59,770 --> 00:03:58,100
and more media it almost seems like

94
00:04:03,100 --> 00:03:59,780
emotions are running higher and higher

95
00:04:05,830 --> 00:04:03,110
and I almost feel like like especially

96
00:04:07,210 --> 00:04:05,840
this afternoon last night I had to get

97
00:04:10,449 --> 00:04:07,220
in the hot tub

98
00:04:12,039 --> 00:04:10,459
do some meditation and relax yeah and

99
00:04:13,810 --> 00:04:12,049
I'm gonna need some of that today too

100
00:04:15,640 --> 00:04:13,820
oh you're gonna need a producer and

101
00:04:20,650 --> 00:04:15,650
you're into I just heard the noise hey

102
00:04:22,870 --> 00:04:20,660
hey so so exciting all these people are

103
00:04:24,730 --> 00:04:22,880
we're seeing people on the TV you know I

104
00:04:27,430 --> 00:04:24,740
don't know about you but people that I

105
00:04:30,430 --> 00:04:27,440
know that don't follow UFOs

106
00:04:32,230 --> 00:04:30,440
about this like I had yeah conversation

107
00:04:34,540 --> 00:04:32,240
today with a friend who absolutely

108
00:04:37,090 --> 00:04:34,550
doesn't didn't even know I did a show on

109
00:04:38,620 --> 00:04:37,100
UFOs and I asked him if he heard

110
00:04:40,330 --> 00:04:38,630
anything about it and he said oh yeah

111
00:04:41,530 --> 00:04:40,340
and the only I thought it was kind of

112
00:04:43,060 --> 00:04:41,540
funny the only thing he knew about it

113
00:04:47,500 --> 00:04:43,070

was the government had spent money on it

114

00:04:51,340 --> 00:04:47,510

so hey you know the there's a mixed take

115

00:04:57,190 --> 00:04:51,350

on that yeah that's really funny and and

116

00:05:02,320 --> 00:04:57,200

that's where I think we have to be

117

00:05:05,800 --> 00:05:02,330

careful and and I know that the to the

118

00:05:09,460 --> 00:05:05,810

stars Academy people and Elizondo and

119

00:05:11,710 --> 00:05:09,470

all of the the people involved are

120

00:05:14,110 --> 00:05:11,720

trying to be really really careful about

121

00:05:17,260 --> 00:05:14,120

how they're presenting the information

122

00:05:20,590 --> 00:05:17,270

and what's getting presented and you

123

00:05:25,300 --> 00:05:20,600

can't always control what's going to get

124

00:05:27,880 --> 00:05:25,310

out there and and I think that that's

125

00:05:29,740 --> 00:05:27,890

that's part of the struggle of kind of

126

00:05:31,630 --> 00:05:29,750

what's going on and the angles that'll

127

00:05:33,909 --> 00:05:31,640

be taken and people trying to take over

128

00:05:36,670 --> 00:05:33,919

the conversation and one of the strains

129

00:05:39,970 --> 00:05:36,680

of the conversation that was introduced

130

00:05:42,610 --> 00:05:39,980

by Politico and then others have ran

131

00:05:46,420 --> 00:05:42,620

with it is this idea that you know of

132

00:05:48,340 --> 00:05:46,430

cronyism that that Harry Reid Democratic

133

00:05:51,580 --> 00:05:48,350

senator who was the majority leader

134

00:05:53,470 --> 00:05:51,590

during the Obama years you know and

135

00:05:56,050 --> 00:05:53,480

unfortunately just that statement I

136

00:05:57,730 --> 00:05:56,060

write I said right there is even though

137

00:06:00,850 --> 00:05:57,740

it's a statement of facts it's so

138

00:06:03,460 --> 00:06:00,860

politically charged and and you know

139

00:06:05,260 --> 00:06:03,470

people get really emotional about it but

140

00:06:08,830 --> 00:06:05,270

people trying to say that there are some

141

00:06:10,330 --> 00:06:08,840

cronyism between Bigelow and him and

142

00:06:12,970 --> 00:06:10,340

that he was funneling all this money

143

00:06:18,670 --> 00:06:12,980

Bigelow but we don't have the numbers

144

00:06:23,500 --> 00:06:18,680

and not only that I think that to me the

145

00:06:27,550 --> 00:06:23,510

message should be that these pilots

146

00:06:30,670 --> 00:06:27,560

these these guys who pilot the top

147

00:06:33,640 --> 00:06:30,680

technology that the United States has

148

00:06:36,790 --> 00:06:33,650

been able to produce they are trained to

149

00:06:39,880 --> 00:06:36,800

identify and fly with other aircraft

150

00:06:41,730 --> 00:06:39,890

that that are also advanced technology

151
00:06:44,560 --> 00:06:41,740
they're seeing

152
00:06:46,720 --> 00:06:44,570
they're into these cases that we've

153
00:06:49,600 --> 00:06:46,730
gotten capturing them on under infrared

154
00:06:53,470 --> 00:06:49,610
cameras and they're telling us that

155
00:06:56,500 --> 00:06:53,480
these things outclass our technology

156
00:07:00,670 --> 00:06:56,510
these things are unidentified we don't

157
00:07:02,800 --> 00:07:00,680
know whose they are and and and Elizondo

158
00:07:04,960 --> 00:07:02,810
even made a statement that we couldn't

159
00:07:10,770 --> 00:07:04,970
defend ourselves against these things

160
00:07:14,680 --> 00:07:10,780
and that no doubt deserves attention and

161
00:07:16,570 --> 00:07:14,690
twenty-two million dollars is probably

162
00:07:18,760 --> 00:07:16,580
just the tip of the iceberg as far as

163
00:07:21,280 --> 00:07:18,770

what probably needs to be spent on

164

00:07:24,160 --> 00:07:21,290

investigating something like this and

165

00:07:26,050 --> 00:07:24,170

there's also you know argument a Chris

166

00:07:29,080 --> 00:07:26,060

Mullin on on coast to coast kind of made

167

00:07:33,250 --> 00:07:29,090

the comment that that well not all that

168

00:07:36,730 --> 00:07:33,260

money was spent likely on the program or

169

00:07:39,010 --> 00:07:36,740

all went Bigelow so and and we haven't

170

00:07:43,660 --> 00:07:39,020

seen the paperwork or anything on that

171

00:07:45,850 --> 00:07:43,670

so that angle I think needs to be

172

00:07:48,250 --> 00:07:45,860

squashed I don't think anybody speaking

173

00:07:51,490 --> 00:07:48,260

about it instead people kind of run from

174

00:07:54,190 --> 00:07:51,500

it and hide from it but it hasn't been

175

00:07:58,270 --> 00:07:54,200

let go and I think with all of these

176
00:08:01,510 --> 00:07:58,280
things all you can do is boldly you know

177
00:08:03,940 --> 00:08:01,520
go after it say here is our angle on

178
00:08:06,010 --> 00:08:03,950
that that and it's certainly mind that

179
00:08:09,910 --> 00:08:06,020
this isn't a matter of extreme

180
00:08:11,350 --> 00:08:09,920
importance it's shocking even that the

181
00:08:14,680 --> 00:08:11,360
government would say that they're doing

182
00:08:16,870 --> 00:08:14,690
this and you know people try to ask us

183
00:08:20,050 --> 00:08:16,880
like UFO people are is the densest

184
00:08:23,170 --> 00:08:20,060
validate what you do or are is this

185
00:08:26,170 --> 00:08:23,180
aliens and you know what those are not

186
00:08:28,270 --> 00:08:26,180
the facts that we need to or the points

187
00:08:30,240 --> 00:08:28,280
that we need to tackle right now the

188
00:08:33,520 --> 00:08:30,250

point that we need to tackle is that

189

00:08:35,860 --> 00:08:33,530

it's been revealed that this situation

190

00:08:38,080 --> 00:08:35,870

is taken very seriously by the

191

00:08:40,240 --> 00:08:38,090

Department of Defense and especially by

192

00:08:42,070 --> 00:08:40,250

the pilots who have seen these things

193

00:08:44,950 --> 00:08:42,080

and they've come out on the news and

194

00:08:47,680 --> 00:08:44,960

said I witnessed this and I can get

195

00:08:49,330 --> 00:08:47,690

from elsewhere that's what we have to

196

00:08:53,050 --> 00:08:49,340

keep coming back to and remind people

197

00:08:55,260 --> 00:08:53,060

that that's what is important whether or

198

00:08:58,290 --> 00:08:55,270

not they're aliens or

199

00:08:59,940 --> 00:08:58,300

what is behind the phenomena that's why

200

00:09:01,890 --> 00:08:59,950

we need to study it that's why we need

201
00:09:05,280 --> 00:09:01,900
to spend the money to figure out what is

202
00:09:07,080 --> 00:09:05,290
behind it whether or not it validates us

203
00:09:09,540 --> 00:09:07,090
UFO people that's kind of a cute side

204
00:09:11,100 --> 00:09:09,550
story but that's not the important big

205
00:09:13,530 --> 00:09:11,110
story that's not the point that

206
00:09:16,530 --> 00:09:13,540
everybody has to get right now the point

207
00:09:18,750 --> 00:09:16,540
is that this phenomena that these things

208
00:09:20,250 --> 00:09:18,760
happen and we need to take it seriously

209
00:09:22,590 --> 00:09:20,260
and we need to pay attention to it

210
00:09:24,840 --> 00:09:22,600
that's what we really need to drive home

211
00:09:26,760 --> 00:09:24,850
and we've got this opportunity to do

212
00:09:27,330 --> 00:09:26,770
that you know hopefully that's what

213
00:09:30,030 --> 00:09:27,340

happens

214

00:09:34,110 --> 00:09:30,040

like I take this as a total opportunity

215

00:09:38,810 --> 00:09:34,120

for sure because and this is what I see

216

00:09:43,680 --> 00:09:38,820

these these days in in our social

217

00:09:47,970 --> 00:09:43,690

context as like a news story will come

218

00:09:49,710 --> 00:09:47,980

out it's really amazing it's it's gone

219

00:09:51,840 --> 00:09:49,720

viral so to speak and all of a sudden

220

00:09:53,580 --> 00:09:51,850

it's yesterday's news and nobody's

221

00:09:55,710 --> 00:09:53,590

paying attention yeah so we have to

222

00:09:58,350 --> 00:09:55,720

there has to be like a striking while

223

00:10:02,130 --> 00:09:58,360

the iron's hot quitar keeping it alive

224

00:10:03,420 --> 00:10:02,140

somehow and I think that's the only way

225

00:10:06,810 --> 00:10:03,430

we're going to you know any type of

226

00:10:08,850 --> 00:10:06,820

action is going to be done now I'm

227

00:10:10,350 --> 00:10:08,860

wondering where this is going to go you

228

00:10:12,240 --> 00:10:10,360

mentioned the political part of this

229

00:10:15,420 --> 00:10:12,250

which is really important and I'm

230

00:10:18,630 --> 00:10:15,430

wondering what angles this are you know

231

00:10:21,060 --> 00:10:18,640

what paths this is going to go down as

232

00:10:23,100 --> 00:10:21,070

far as you know are people gonna be

233

00:10:25,080 --> 00:10:23,110

talking about the money spent or are

234

00:10:27,000 --> 00:10:25,090

they going to say wow you know that's in

235

00:10:29,940 --> 00:10:27,010

the scope of things that's not much

236

00:10:32,640 --> 00:10:29,950

money and this is important because of

237

00:10:34,890 --> 00:10:32,650

what you said earlier security risk we

238

00:10:37,110 --> 00:10:34,900

can we can't outmaneuver we can't this

239

00:10:38,730 --> 00:10:37,120

is something that could be dangerous or

240

00:10:39,800 --> 00:10:38,740

if it wanted to be dangerous we'd have

241

00:10:43,050 --> 00:10:39,810

no control over it

242

00:10:44,640 --> 00:10:43,060

mm-hmm and what's interesting is if we

243

00:10:48,030 --> 00:10:44,650

look at the case files even if you look

244

00:10:50,760 --> 00:10:48,040

at the Air Force files the situation of

245

00:10:54,840 --> 00:10:50,770

which is what these guys explain it's

246

00:10:59,460 --> 00:10:54,850

you know we see a craft it is it's an

247

00:11:01,740 --> 00:10:59,470

observable unknown we scramble jets to

248

00:11:04,200 --> 00:11:01,750

go check it out the Jets get there it

249

00:11:06,150 --> 00:11:04,210

zips off in an instant

250

00:11:08,430 --> 00:11:06,160

or it demonstrates you know

251
00:11:09,770 --> 00:11:08,440
characteristics that that are beyond our

252
00:11:13,440 --> 00:11:09,780
own techno

253
00:11:15,510 --> 00:11:13,450
that is the age-old story that we've

254
00:11:18,660 --> 00:11:15,520
heard since the days of Bluebook

255
00:11:22,800 --> 00:11:18,670
Bloomsburg is chuck full of situations

256
00:11:25,370 --> 00:11:22,810
like this the famous 1952 Washington DC

257
00:11:28,710 --> 00:11:25,380
situation was the same exact thing

258
00:11:31,080 --> 00:11:28,720
that's a story that that you know that

259
00:11:33,030 --> 00:11:31,090
we have a record of this sort of

260
00:11:35,970 --> 00:11:33,040
phenomenon occurring these these same

261
00:11:38,580 --> 00:11:35,980
situations occurring for such a long

262
00:11:40,590 --> 00:11:38,590
long long period of time that's a sort

263
00:11:41,970 --> 00:11:40,600

of you know that's the sort of thing

264

00:11:45,770 --> 00:11:41,980

those of us who have been looking at the

265

00:11:48,000 --> 00:11:45,780

record can share that that's what and

266

00:11:50,250 --> 00:11:48,010

you know this is reaching out to the

267

00:11:51,570 --> 00:11:50,260

public it's you know a lot of people try

268

00:11:54,990 --> 00:11:51,580

to look at what are the motivations

269

00:11:57,240 --> 00:11:55,000

behind the people who release its

270

00:12:00,270 --> 00:11:57,250

information and that's interesting but

271

00:12:03,450 --> 00:12:00,280

then to begin to speculate on that at

272

00:12:05,910 --> 00:12:03,460

this point in time especially people who

273

00:12:07,470 --> 00:12:05,920

might who haven't even interacted with

274

00:12:09,480 --> 00:12:07,480

these men we don't even know much about

275

00:12:12,320 --> 00:12:09,490

these t TSA guys because we haven't

276

00:12:15,690 --> 00:12:12,330

heard much except for what's on the news

277

00:12:19,140 --> 00:12:15,700

and I unfortunately have spoken with a

278

00:12:22,080 --> 00:12:19,150

few more of them so I do know some of

279

00:12:24,660 --> 00:12:22,090

them a little better than some but I

280

00:12:26,220 --> 00:12:24,670

mean my take of course that these people

281

00:12:30,240 --> 00:12:26,230

are very interested in this field just

282

00:12:34,620 --> 00:12:30,250

like the rest of us are but I guess the

283

00:12:37,800 --> 00:12:34,630

point is yet that we need to be careful

284

00:12:40,380 --> 00:12:37,810

about even you know I think what happens

285

00:12:42,210 --> 00:12:40,390

when stuff and I think in the UFO field

286

00:12:44,310 --> 00:12:42,220

and it makes me really frustrated almost

287

00:12:47,580 --> 00:12:44,320

makes me think like I I don't want to

288

00:12:49,710 --> 00:12:47,590

associate with UFO field as much and try

289

00:12:51,830 --> 00:12:49,720

to focus on you know the media side of

290

00:12:55,080 --> 00:12:51,840

things and and the media people

291

00:12:57,660 --> 00:12:55,090

community more because these emotions

292

00:13:00,120 --> 00:12:57,670

are in high these opinions run high and

293

00:13:03,800 --> 00:13:00,130

people begin to eat each other I mean

294

00:13:06,030 --> 00:13:03,810

I've gotten a lot of comments on on

295

00:13:08,250 --> 00:13:06,040

social media lately but a ton of

296

00:13:10,140 --> 00:13:08,260

negative stuff too and I I don't even

297

00:13:14,000 --> 00:13:10,150

know why I've you know I'm just trying

298

00:13:17,040 --> 00:13:14,010

to give out information and and a lot of

299

00:13:19,500 --> 00:13:17,050

luckily you know colleagues treat me

300

00:13:22,600 --> 00:13:19,510

well but then they're kind of eating

301
00:13:28,540 --> 00:13:25,060
kind of that's another thing that you

302
00:13:30,940 --> 00:13:28,550
know another danger we have to look out

303
00:13:33,370 --> 00:13:30,950
for is us eating each other alive and

304
00:13:36,220 --> 00:13:33,380
coming apart at the seams this is kind

305
00:13:40,240 --> 00:13:36,230
of our stand art do you think this is

306
00:13:44,590 --> 00:13:40,250
done in a point of skepticism or what

307
00:13:48,160 --> 00:13:44,600
what do you think Spurs this now or do

308
00:13:50,860 --> 00:13:48,170
you think there's some of the comments

309
00:13:53,230 --> 00:13:50,870
that I got you know had to do with oh

310
00:13:55,090 --> 00:13:53,240
you know this is Tom DeLonge is doing

311
00:13:58,240 --> 00:13:55,100
about habla and you know what does he

312
00:13:59,650 --> 00:13:58,250
know and you know is it is it I don't

313
00:14:02,050 --> 00:13:59,660

know if I want to use the word jealousy

314

00:14:04,060 --> 00:14:02,060

but is it what what would you call it I

315

00:14:06,310 --> 00:14:04,070

mean is that what you see it's hard to

316

00:14:08,350 --> 00:14:06,320

speculate I'm sure there's some jealousy

317

00:14:09,840 --> 00:14:08,360

I'm sure there's of resentment you know

318

00:14:12,160 --> 00:14:09,850

people are like look I've been

319

00:14:14,829 --> 00:14:12,170

investigating this stuff for decades and

320

00:14:16,420 --> 00:14:14,839

and here you know these guys Tom DeLonge

321

00:14:17,769 --> 00:14:16,430

and these other guys come on the scene

322

00:14:19,540 --> 00:14:17,779

and they've only been around for a few

323

00:14:21,639 --> 00:14:19,550

years and they're getting all the

324

00:14:24,579 --> 00:14:21,649

attention but you know what they deserve

325

00:14:25,900 --> 00:14:24,589

the attention they're the they're doing

326

00:14:27,160 --> 00:14:25,910

something and they're doing something

327

00:14:29,110 --> 00:14:27,170

important and they're getting in front

328

00:14:32,019 --> 00:14:29,120

of people they have resources we don't

329

00:14:33,970 --> 00:14:32,029

have they have and that's a big key date

330

00:14:38,139 --> 00:14:33,980

they have these resources we just don't

331

00:14:39,910 --> 00:14:38,149

have at our disposal and we really

332

00:14:42,189 --> 00:14:39,920

should be encouraging the use of those

333

00:14:46,030 --> 00:14:42,199

resources Tom DeLonge you know I wrote

334

00:14:47,620 --> 00:14:46,040

an article kind of an analysis of my

335

00:14:50,170 --> 00:14:47,630

interactions with Tom's along through

336

00:14:54,579 --> 00:14:50,180

this whole thing on the Huffington Post

337

00:14:56,710 --> 00:14:54,589

and also at open mind stat TV and you

338

00:14:59,920 --> 00:14:56,720

know this would not have come about

339

00:15:03,550 --> 00:14:59,930

without Tom DeLonge he's the one who

340

00:15:06,610 --> 00:15:03,560

created to the stars which then created

341

00:15:09,100 --> 00:15:06,620

this to the Stars Academy he's the one

342

00:15:11,590 --> 00:15:09,110

who behind the scenes has gathered these

343

00:15:13,329 --> 00:15:11,600

officials sure maybe we don't agree with

344

00:15:15,579 --> 00:15:13,339

all of his opinions I don't agree with

345

00:15:19,449 --> 00:15:15,589

all of his opinions but he says he can

346

00:15:23,290 --> 00:15:19,459

prove some of what he's saying and you

347

00:15:26,920 --> 00:15:23,300

know what he has been at least

348

00:15:28,720 --> 00:15:26,930

especially in this instance he has been

349

00:15:30,850 --> 00:15:28,730

proving a lot of us wrong or at least

350

00:15:32,439 --> 00:15:30,860

proving that he can prove some of what

351
00:15:34,210 --> 00:15:32,449
he says that these officials are talking

352
00:15:35,680 --> 00:15:34,220
to them that they're giving him

353
00:15:39,760 --> 00:15:35,690
information

354
00:15:41,230 --> 00:15:39,770
have this real quick that is kind of

355
00:15:44,110 --> 00:15:41,240
French that is further than I thought

356
00:15:48,400 --> 00:15:44,120
would happen is this statement in the

357
00:15:51,400 --> 00:15:48,410
New York Times that they recovered some

358
00:15:56,140 --> 00:15:51,410
unknown material that they had to modify

359
00:16:00,010 --> 00:15:56,150
Bigelow's you know um facilities in

360
00:16:03,610 --> 00:16:00,020
order to house this material what the

361
00:16:05,890 --> 00:16:03,620
heck I mean that is really wild stuff

362
00:16:10,600 --> 00:16:05,900
Wow that it really is now let's talk

363
00:16:13,210 --> 00:16:10,610

quickly about the footage that we see

364

00:16:15,070 --> 00:16:13,220

now you know I saw it the first time I

365

00:16:16,810 --> 00:16:15,080

saw this I saw you know of course then

366

00:16:18,790 --> 00:16:16,820

what's called the nimitz footage whether

367

00:16:20,620 --> 00:16:18,800

it is or not but this footage in

368

00:16:24,610 --> 00:16:20,630

particular is the first time I saw it

369

00:16:27,310 --> 00:16:24,620

was in the New York Times article and so

370

00:16:28,900 --> 00:16:27,320

you know my son actually my son wrote me

371

00:16:30,850 --> 00:16:28,910

he doesn't he doesn't pay attention UFOs

372

00:16:34,480 --> 00:16:30,860

and he wrote me like oh this is quite a

373

00:16:36,580 --> 00:16:34,490

day for the UFO people isn't it and you

374

00:16:40,450 --> 00:16:36,590

know so you know it was everyone was

375

00:16:45,670 --> 00:16:40,460

seeing this so what does something like

376

00:16:49,180 --> 00:16:45,680

that his question was how does something

377

00:16:50,680 --> 00:16:49,190

like that get out yeah that's a great

378

00:16:54,040 --> 00:16:50,690

question and there's some debate about

379

00:16:56,380 --> 00:16:54,050

this and then the Washington Post wrote

380

00:16:57,910 --> 00:16:56,390

about that and I know one of the writers

381

00:17:00,340 --> 00:16:57,920

for the New York Times wrote a piece

382

00:17:01,960 --> 00:17:00,350

about his work on this and I haven't

383

00:17:04,090 --> 00:17:01,970

read that one yet because there's so

384

00:17:05,650 --> 00:17:04,100

many stories coming out but I of course

385

00:17:09,760 --> 00:17:05,660

read the Washington Post their first

386

00:17:12,160 --> 00:17:09,770

went out and they said that Lou had told

387

00:17:14,920 --> 00:17:12,170

them that he wanted to get some of this

388

00:17:17,020 --> 00:17:14,930

video released to the public for

389

00:17:22,060 --> 00:17:17,030

training and for safety training of

390

00:17:27,880 --> 00:17:22,070

pilots but that he secretly wanted to

391

00:17:29,350 --> 00:17:27,890

have this information used to show that

392

00:17:32,530 --> 00:17:29,360

this department existed and they were

393

00:17:34,480 --> 00:17:32,540

looking at the credible UFO cases that

394

00:17:36,910 --> 00:17:34,490

would indicate that you know they it was

395

00:17:40,660 --> 00:17:36,920

released under intentions they were not

396

00:17:42,460 --> 00:17:40,670

expecting I'm kind of hearing that that

397

00:17:45,100 --> 00:17:42,470

might not be accurate but we haven't I

398

00:17:47,440 --> 00:17:45,110

don't know that anybody's asked him

399

00:17:49,010 --> 00:17:47,450

directly an interview and he's spoken to

400

00:17:51,230 --> 00:17:49,020

that yet but

401
00:17:54,350 --> 00:17:51,240
how they say it was released so there

402
00:17:57,070 --> 00:17:54,360
are two pieces in New York Times posted

403
00:17:59,030 --> 00:17:57,080
them in their article and I should say

404
00:18:00,290 --> 00:17:59,040
I'm gonna give a little bit of

405
00:18:02,960 --> 00:18:00,300
background if you don't mind here real

406
00:18:05,900 --> 00:18:02,970
quick sure is that in October

407
00:18:07,610 --> 00:18:05,910
you know they announced the TTS a the to

408
00:18:09,680 --> 00:18:07,620
the Stars Academy with all of these very

409
00:18:11,840 --> 00:18:09,690
credible people one of those people I'm

410
00:18:14,270 --> 00:18:11,850
probably the most shocking claims from

411
00:18:16,810 --> 00:18:14,280
one of those people was Louis Elizondo

412
00:18:20,390 --> 00:18:16,820
who said that he worked for the DoD

413
00:18:22,520 --> 00:18:20,400

investigating UFOs now we know even

414

00:18:23,930 --> 00:18:22,530

though that the story kind of died like

415

00:18:27,140 --> 00:18:23,940

he said you know these stories kind of

416

00:18:28,730 --> 00:18:27,150

go away and nobody pays attention but we

417

00:18:30,860 --> 00:18:28,740

know behind the scenes the New York

418

00:18:32,900 --> 00:18:30,870

Times Politico and Washington Post took

419

00:18:35,450 --> 00:18:32,910

that very seriously and had been

420

00:18:36,290 --> 00:18:35,460

researching whether or not he was

421

00:18:38,660 --> 00:18:36,300

telling the truth

422

00:18:40,670 --> 00:18:38,670

the New York Times posted their story

423

00:18:42,770 --> 00:18:40,680

two months later just last weekend

424

00:18:44,630 --> 00:18:42,780

political followed up with their story

425

00:18:46,700 --> 00:18:44,640

like within an hour I think very soon

426
00:18:49,490 --> 00:18:46,710
after and then Washington Post within

427
00:18:51,470 --> 00:18:49,500
the same day posted their their story so

428
00:18:53,900 --> 00:18:51,480
they took that seriously and they had

429
00:18:57,350 --> 00:18:53,910
been investigating that and found that

430
00:19:01,160 --> 00:18:57,360
to be true when the New York Times

431
00:19:05,480 --> 00:19:01,170
posted their story they also at the same

432
00:19:08,390 --> 00:19:05,490
time to the Stars Academy released those

433
00:19:11,420 --> 00:19:08,400
videos and the New York Times included

434
00:19:16,220 --> 00:19:11,430
them in the story they said Louise had

435
00:19:17,750 --> 00:19:16,230
three videos they released - one of you

436
00:19:20,060 --> 00:19:17,760
can get a lot more information actually

437
00:19:22,010 --> 00:19:20,070
at - the stars Academy they've got more

438
00:19:23,840 --> 00:19:22,020

of a write-up on those videos so anybody

439

00:19:27,590 --> 00:19:23,850

interested really should go look at them

440

00:19:29,810 --> 00:19:27,600

they're they're the source but the first

441

00:19:31,400 --> 00:19:29,820

one is from the Nimitz incident I think

442

00:19:33,560 --> 00:19:31,410

you've had Robert Palin well I know you

443

00:19:35,810 --> 00:19:33,570

have an ad just last week and then I've

444

00:19:37,520 --> 00:19:35,820

had him on also to talk about this so

445

00:19:40,730 --> 00:19:37,530

Robert Palace told us about this case

446

00:19:42,890 --> 00:19:40,740

and that video is from that case and now

447

00:19:45,200 --> 00:19:42,900

we know finally we have really solid

448

00:19:47,210 --> 00:19:45,210

confirmation at that video that we've

449

00:19:48,800 --> 00:19:47,220

seen that was somehow leaked earlier and

450

00:19:52,790 --> 00:19:48,810

we don't know how it was leaked earlier

451
00:19:54,980 --> 00:19:52,800
is real video from that case the second

452
00:19:56,510 --> 00:19:54,990
video is called the gimbal video and

453
00:19:59,150 --> 00:19:56,520
we're not even sure it looks like it's

454
00:20:02,370 --> 00:19:59,160
an act acronym why they call it that but

455
00:20:04,230 --> 00:20:02,380
it's another infrared video but we don't

456
00:20:05,820 --> 00:20:04,240
know where it came from when they

457
00:20:08,250 --> 00:20:05,830
released it they did not include

458
00:20:10,140 --> 00:20:08,260
location date or time and Louise

459
00:20:12,330 --> 00:20:10,150
probably knows the location date and

460
00:20:14,430 --> 00:20:12,340
time but he didn't get permission to

461
00:20:16,200 --> 00:20:14,440
release that and he's not gonna release

462
00:20:20,100 --> 00:20:16,210
anything he doesn't have permission to

463
00:20:22,170 --> 00:20:20,110

release so so we don't even know the

464

00:20:24,840 --> 00:20:22,180

background of that story but that story

465

00:20:26,460 --> 00:20:24,850

you know similarly throws an object that

466

00:20:28,080 --> 00:20:26,470

they're following that that takes off

467

00:20:29,640 --> 00:20:28,090

what's interesting about this object

468

00:20:31,710 --> 00:20:29,650

though is that it seems to have some

469

00:20:35,100 --> 00:20:31,720

sort of halo almost like it has I don't

470

00:20:37,710 --> 00:20:35,110

know something around it and on the to

471

00:20:39,240 --> 00:20:37,720

the to the Stars Academy site they talk

472

00:20:42,990 --> 00:20:39,250

about it how it has some sort of

473

00:20:45,180 --> 00:20:43,000

unexplained halo around it now the

474

00:20:47,490 --> 00:20:45,190

information at to the Stars Academy

475

00:20:50,250 --> 00:20:47,500

everybody kind of attaches Tom DeLonge

476

00:20:52,410 --> 00:20:50,260

to this but remember these it's actually

477

00:20:54,750 --> 00:20:52,420

ran by these very credible people one of

478

00:20:57,330 --> 00:20:54,760

those being Steve justice who works for

479

00:21:01,800 --> 00:20:57,340

skunk he'd lock works you know the same

480

00:21:06,300 --> 00:21:01,810

group that created the sr-71 stealth and

481

00:21:08,160 --> 00:21:06,310

and manages area 51 they eluded to he's

482

00:21:09,900 --> 00:21:08,170

the one who did the analysis and

483

00:21:12,300 --> 00:21:09,910

probably with some input from the other

484

00:21:16,590 --> 00:21:12,310

guys so the analysis that you're reading

485

00:21:17,820 --> 00:21:16,600

at T TSA is is done by people very

486

00:21:18,480 --> 00:21:17,830

credible people who know what they're

487

00:21:21,930 --> 00:21:18,490

talking about

488

00:21:25,650 --> 00:21:21,940

you know aerospace engineers so it's a

489

00:21:27,720 --> 00:21:25,660

it's analysis that you can rely on so

490

00:21:30,560 --> 00:21:27,730

that's that's kind of the story behind

491

00:21:34,560 --> 00:21:30,570

the videos now someone wrote me an email

492

00:21:37,470 --> 00:21:34,570

and they said in the I think the nimitz

493

00:21:42,140 --> 00:21:37,480

video no it's nothing in this video it's

494

00:21:44,820 --> 00:21:42,150

what you call the gimbal video that a

495

00:21:48,060 --> 00:21:44,830

copilot or another pilot says something

496

00:21:52,950 --> 00:21:48,070

about the winds are at i think he says

497

00:21:54,570 --> 00:21:52,960

like 123 miles an hour right and and he

498

00:21:56,820 --> 00:21:54,580

so the person that wrote me the email

499

00:21:58,560 --> 00:21:56,830

said hey look that's like a hundred and

500

00:22:00,840 --> 00:21:58,570

fifty eight knots and that's hurricane

501
00:22:04,740 --> 00:22:00,850
winds they would never be up there so

502
00:22:07,020 --> 00:22:04,750
the video is false so i you know i l

503
00:22:09,890 --> 00:22:07,030
don't have any idea how that goes but

504
00:22:13,430 --> 00:22:09,900
that does seem like a really high wind

505
00:22:16,259 --> 00:22:13,440
120 miles per hour yeah he says that up

506
00:22:19,619 --> 00:22:16,269
but they're at like 25,000 feet

507
00:22:22,739 --> 00:22:19,629
I think that is yeah so I don't know if

508
00:22:25,229 --> 00:22:22,749
that's high for as high as they are l

509
00:22:28,139 --> 00:22:25,239
don't know if that's like a wind speed

510
00:22:30,989 --> 00:22:28,149
in other words like the resistance in

511
00:22:32,879 --> 00:22:30,999
relation to the movement I'm not sure

512
00:22:35,039 --> 00:22:32,889
they just said it was they were going

513
00:22:36,779 --> 00:22:35,049

against the wind that's a really good

514

00:22:38,430 --> 00:22:36,789

point that that's very high winds I mean

515

00:22:41,849 --> 00:22:38,440

that's someone we'd have to question

516

00:22:44,519 --> 00:22:41,859

someone in aeronautics or aviation about

517

00:22:48,810 --> 00:22:44,529

that but no one else that I've heard of

518

00:22:52,349 --> 00:22:48,820

has raised the concern about that

519

00:22:57,299 --> 00:22:52,359

statement and even the New York Times

520

00:22:58,799 --> 00:22:57,309

nobody also questioned the veracity of

521

00:23:02,789 --> 00:22:58,809

the videos that they didn't come from

522

00:23:05,969 --> 00:23:02,799

where they were said to have come from

523

00:23:09,659 --> 00:23:05,979

we even have witness testimony we have

524

00:23:12,239 --> 00:23:09,669

the f-18 pilots now have talked to CNN

525

00:23:15,509 --> 00:23:12,249

and others which is terribly fascinating

526

00:23:20,369 --> 00:23:15,519

because you have this f-18 pilot now

527

00:23:22,680 --> 00:23:20,379

retired saying you know that that not

528

00:23:25,560 --> 00:23:22,690

only did he witness this he was involved

529

00:23:28,589 --> 00:23:25,570

with the situation that he can confirm

530

00:23:31,619 --> 00:23:28,599

the the videos real and also saying that

531

00:23:33,979 --> 00:23:31,629

he feels that these objects are

532

00:23:35,849 --> 00:23:33,989

otherworldly that that we just could not

533

00:23:37,739 --> 00:23:35,859

do something like this the

534

00:23:41,389 --> 00:23:37,749

characteristics are something that are

535

00:23:43,529 --> 00:23:41,399

not capable of any human technology

536

00:23:44,789 --> 00:23:43,539

whether or not that's true I don't know

537

00:23:46,409 --> 00:23:44,799

because of course there's the

538

00:23:48,479 --> 00:23:46,419

possibility of the Russians or maybe

539

00:23:52,019 --> 00:23:48,489

even the Chinese have some sort of edge

540

00:23:54,329 --> 00:23:52,029

up on us when it comes to anti-gravity

541

00:23:56,129 --> 00:23:54,339

technology or maybe they do have some

542

00:23:57,449 --> 00:23:56,139

tech that we are not unaware of then

543

00:23:59,279 --> 00:23:57,459

they're making these probes although

544

00:24:02,129 --> 00:23:59,289

they've also said that these things were

545

00:24:05,999 --> 00:24:02,139

as big as airliners so at their very

546

00:24:07,349 --> 00:24:06,009

large objects so yeah but going back to

547

00:24:09,749 --> 00:24:07,359

what you said earlier you know people

548

00:24:13,499 --> 00:24:09,759

have been seeing exactly the same thing

549

00:24:15,629 --> 00:24:13,509

for many decades exactly exactly

550

00:24:17,789 --> 00:24:15,639

and I think that needs to be that hasn't

551
00:24:20,249 --> 00:24:17,799
even been rolled into this story and it

552
00:24:22,619 --> 00:24:20,259
really should I think that the major

553
00:24:25,709 --> 00:24:22,629
players the elizondo's and people

554
00:24:28,139 --> 00:24:25,719
speaking out there are trying to stick

555
00:24:30,060 --> 00:24:28,149
to the facts of this situation but I

556
00:24:32,570 --> 00:24:30,070
think they really need to roll

557
00:24:35,550 --> 00:24:32,580
in at least some of the verified

558
00:24:39,270 --> 00:24:35,560
information we have about other cases

559
00:24:41,910 --> 00:24:39,280
and we do as far as airforce records I

560
00:24:43,770 --> 00:24:41,920
mean we can refer to US Air Force

561
00:24:46,740 --> 00:24:43,780
Investigations unfortunately we don't

562
00:24:48,510 --> 00:24:46,750
have any we know we have some paperwork

563
00:24:51,660 --> 00:24:48,520

to show they have investigated UFOs

564

00:24:54,690 --> 00:24:51,670

since 1969 even though they say they

565

00:24:56,610 --> 00:24:54,700

have not we do have some but they're

566

00:24:58,710 --> 00:24:56,620

very short they're just very summaries

567

00:25:00,750 --> 00:24:58,720

of situations they're not full-on

568

00:25:02,850 --> 00:25:00,760

investigations we have to go all the way

569

00:25:05,550 --> 00:25:02,860

back to Blue Book to find full-on

570

00:25:08,550 --> 00:25:05,560

investigations but they do exist

571

00:25:10,530 --> 00:25:08,560

especially Washington DC 1952 you can

572

00:25:13,410 --> 00:25:10,540

look at Edward rappels book the guy who

573

00:25:16,320 --> 00:25:13,420

ran Blue Book I he went over all of that

574

00:25:18,270 --> 00:25:16,330

very thoroughly so I think we do have to

575

00:25:20,910 --> 00:25:18,280

bring up this history just to show that

576
00:25:23,640 --> 00:25:20,920
when the Air Force did investigate these

577
00:25:26,310 --> 00:25:23,650
things they found the same situations

578
00:25:29,760 --> 00:25:26,320
back then that were explaining to people

579
00:25:33,630 --> 00:25:29,770
now and of course some of the audience

580
00:25:35,580 --> 00:25:33,640
may know but the very first Air Force

581
00:25:39,810 --> 00:25:35,590
investigation which was project sign

582
00:25:41,520 --> 00:25:39,820
that started in 1947 that group of Air

583
00:25:44,550 --> 00:25:41,530
Force people that worked at

584
00:25:46,770 --> 00:25:44,560
wright-patterson for you know kind of

585
00:25:48,750 --> 00:25:46,780
the foreign technology division it was

586
00:25:50,880 --> 00:25:48,760
called something else back then but I

587
00:25:54,810 --> 00:25:50,890
think it was air Materiel Command but

588
00:25:57,390 --> 00:25:54,820

they concluded that that these things

589

00:26:01,200 --> 00:25:57,400

could possibly be from extraterrestrial

590

00:26:03,630 --> 00:26:01,210

civilizations that the people higher up

591

00:26:05,640 --> 00:26:03,640

didn't like that they included that

592

00:26:08,010 --> 00:26:05,650

didn't feel they had enough evidence to

593

00:26:10,410 --> 00:26:08,020

say that but the people who did come to

594

00:26:11,940 --> 00:26:10,420

those conclusions were largely engineers

595

00:26:14,580 --> 00:26:11,950

and they were capable people these

596

00:26:16,770 --> 00:26:14,590

weren't just a bunch of a few goofballs

597

00:26:19,230 --> 00:26:16,780

I mean especially the first time we

598

00:26:21,330 --> 00:26:19,240

investigated it was taken very seriously

599

00:26:24,510 --> 00:26:21,340

and there were some of the top guys on

600

00:26:27,590 --> 00:26:24,520

this so I would highly recommend people

601
00:26:29,580 --> 00:26:27,600
read group belts book if you haven't

602
00:26:32,160 --> 00:26:29,590
especially given the news from this

603
00:26:34,920 --> 00:26:32,170
weekend it's a must it's a must read for

604
00:26:36,480 --> 00:26:34,930
people know and Kevin Randle will tell

605
00:26:38,550 --> 00:26:36,490
you the same thing that's for sure yeah

606
00:26:41,580 --> 00:26:38,560
now I'm gonna ask I'll probably ask

607
00:26:43,139 --> 00:26:41,590
Kevin this question too but why do you

608
00:26:47,190 --> 00:26:43,149
suppose

609
00:26:50,219 --> 00:26:47,200
now this is coming out now why now you

610
00:26:53,489 --> 00:26:50,229
know um I think some people would have

611
00:26:56,310 --> 00:26:53,499
conspiracy theories behind why now but

612
00:26:58,799 --> 00:26:56,320
all indications at least from what

613
00:27:02,369 --> 00:26:58,809

information I haven't from what were

614

00:27:03,239 --> 00:27:02,379

being given if it's all Lou Elizondo

615

00:27:07,049 --> 00:27:03,249

that Lou

616

00:27:09,869 --> 00:27:07,059

Elizondo and Tom DeLonge that Tom

617

00:27:11,909 --> 00:27:09,879

DeLonge and that's why I keep going to

618

00:27:14,399 --> 00:27:11,919

Tom DeLonge and his the significant role

619

00:27:16,649 --> 00:27:14,409

that he played Tom DeLonge created this

620

00:27:19,859 --> 00:27:16,659

to the Stars Academy he gathered these

621

00:27:22,680 --> 00:27:19,869

groups of very credible officials that

622

00:27:25,499 --> 00:27:22,690

seemed to make Lou Elizondo feel

623

00:27:28,529 --> 00:27:25,509

comfortable that here was a group of

624

00:27:30,930 --> 00:27:28,539

people that I can join to continue to

625

00:27:33,329 --> 00:27:30,940

look into this topic outside of the

626
00:27:34,919 --> 00:27:33,339
department of defense Lou said he was

627
00:27:36,959 --> 00:27:34,929
disappointed with the Department of

628
00:27:39,749 --> 00:27:36,969
Defense reaction at they weren't taking

629
00:27:43,279 --> 00:27:39,759
this seriously enough so he retired and

630
00:27:47,070 --> 00:27:43,289
then he joined to the Stars Academy and

631
00:27:50,849 --> 00:27:47,080
that because of that situation that

632
00:27:53,129 --> 00:27:50,859
seems to be the why now there really

633
00:27:56,359 --> 00:27:53,139
doesn't seem to be any indication at

634
00:27:58,739 --> 00:27:56,369
least that we've seen of any other

635
00:28:02,039 --> 00:27:58,749
reason as to why now

636
00:28:04,859 --> 00:28:02,049
and I'll probably ask or or Kevin may

637
00:28:07,169 --> 00:28:04,869
touch on this too but what about you

638
00:28:11,249 --> 00:28:07,179

know classified I mean it would seem

639

00:28:14,190 --> 00:28:11,259

like what Lou is talking about should be

640

00:28:17,369 --> 00:28:14,200

classified or at least some of it some

641

00:28:19,919 --> 00:28:17,379

of it is I mean most of it well not what

642

00:28:22,049 --> 00:28:19,929

she's talking about but he's not talking

643

00:28:24,989 --> 00:28:22,059

about much that's the thing this is a

644

00:28:29,399 --> 00:28:24,999

program that's gone on since 2007 and

645

00:28:31,649 --> 00:28:29,409

the only thing he's released are that

646

00:28:34,320 --> 00:28:31,659

these videos one of which they have

647

00:28:35,909 --> 00:28:34,330

given no information about the other one

648

00:28:38,579 --> 00:28:35,919

which we've been talking about before

649

00:28:40,469 --> 00:28:38,589

this news came out we've Robert paths

650

00:28:43,619 --> 00:28:40,479

been on talking about it Chris Mellon

651
00:28:46,349 --> 00:28:43,629
one of the TTS a members who work for

652
00:28:48,359 --> 00:28:46,359
defense intelligence he's been talking

653
00:28:51,690 --> 00:28:48,369
about it he talked about it at the TT s

654
00:28:53,819 --> 00:28:51,700
a press conference in October one of the

655
00:28:55,619 --> 00:28:53,829
pilots wrote a blog about it that's how

656
00:28:56,820 --> 00:28:55,629
we found out about the case in the first

657
00:28:58,889 --> 00:28:56,830
place one of the pilot

658
00:29:02,940 --> 00:28:58,899
wrote a blog about hey I'm no x-files

659
00:29:05,340 --> 00:29:02,950
guy but I chased a UFO mm-hmm

660
00:29:07,250 --> 00:29:05,350
so that story's already been out there

661
00:29:09,240 --> 00:29:07,260
and that's the only case that we

662
00:29:11,100 --> 00:29:09,250
Elizondo has really given us any

663
00:29:12,840 --> 00:29:11,110

information about otherwise she's

664

00:29:14,730 --> 00:29:12,850

released the video that we don't have

665

00:29:16,740 --> 00:29:14,740

information about and he's talked about

666

00:29:19,620 --> 00:29:16,750

this metal which we also don't have him

667

00:29:22,080 --> 00:29:19,630

information about so Elizondo really

668

00:29:24,180 --> 00:29:22,090

hasn't given us much he said that he

669

00:29:26,669 --> 00:29:24,190

can't reveal any more because he doesn't

670

00:29:29,580 --> 00:29:26,679

have permission one thing we can look

671

00:29:31,620 --> 00:29:29,590

forward to is this third video that he

672

00:29:33,570 --> 00:29:31,630

supposedly was able to get permission to

673

00:29:35,909 --> 00:29:33,580

release and they haven't yet and I'm

674

00:29:39,690 --> 00:29:35,919

suspecting that as soon as the media

675

00:29:41,879 --> 00:29:39,700

cycle you know which is a very media

676

00:29:44,340 --> 00:29:41,889

savvy thing to do I mean if you want to

677

00:29:47,159 --> 00:29:44,350

stay relevant you know it's like you're

678

00:29:49,680 --> 00:29:47,169

Kardashians yeah it's only release yeah

679

00:29:51,240 --> 00:29:49,690

yeah yeah release information as soon as

680

00:29:53,519 --> 00:29:51,250

people stop paying attention to you

681

00:29:55,049 --> 00:29:53,529

release some big information and they

682

00:29:56,940 --> 00:29:55,059

make you paying attention to you yeah

683

00:29:59,220 --> 00:29:56,950

it's something the president does I mean

684

00:30:00,779 --> 00:29:59,230

this is now you do it so that's probably

685

00:30:05,669 --> 00:30:00,789

when the information will be released

686

00:30:07,649 --> 00:30:05,679

maybe early next week or once the things

687

00:30:09,870 --> 00:30:07,659

start to die down which is good because

688

00:30:12,779 --> 00:30:09,880

at then it at least allows them to

689

00:30:14,669 --> 00:30:12,789

interject some credible information to

690

00:30:16,860 --> 00:30:14,679

bring the conversation back and add a

691

00:30:18,720 --> 00:30:16,870

credible level so you know that's why

692

00:30:20,730 --> 00:30:18,730

I'm guessing when we'll see that but

693

00:30:22,529 --> 00:30:20,740

yeah he hasn't released much all this

694

00:30:24,419 --> 00:30:22,539

other stuff we know about Harry Reid and

695

00:30:25,919 --> 00:30:24,429

Bigelow was really stuff that the New

696

00:30:27,990 --> 00:30:25,929

York Times discovered in their own

697

00:30:30,539 --> 00:30:28,000

investigation okay we got to bring up

698

00:30:32,100 --> 00:30:30,549

Kevin on here in just a minute but

699

00:30:36,180 --> 00:30:32,110

quickly I don't know if you happen to

700

00:30:40,470 --> 00:30:36,190

catch Leslie Cain on the CNN last night

701
00:30:42,269 --> 00:30:40,480
did you happen to of course I did and

702
00:30:45,090 --> 00:30:42,279
the reason I make the funny face is

703
00:30:47,070 --> 00:30:45,100
because I was actually invited to be on

704
00:30:50,100 --> 00:30:47,080
see I know on the show wasn't gonna

705
00:30:52,110 --> 00:30:50,110
bring that up but yeah okay yeah and I

706
00:30:53,519 --> 00:30:52,120
was it was well people can see it on my

707
00:30:55,710 --> 00:30:53,529
social media probably some of the

708
00:31:00,659 --> 00:30:55,720
listeners you know and and I'm a you

709
00:31:03,990 --> 00:31:00,669
know open book type of guy and and so it

710
00:31:06,450 --> 00:31:04,000
was a really bummer and the girl that

711
00:31:10,740 --> 00:31:06,460
was getting me on there she's she's

712
00:31:12,950 --> 00:31:10,750
really cool and she any

713
00:31:15,750 --> 00:31:12,960

I guess the point is that unfortunately

714

00:31:17,730 --> 00:31:15,760

at the last minute or about now we're

715

00:31:20,040 --> 00:31:17,740

actually before the program aired they

716

00:31:21,840 --> 00:31:20,050

said well actually we're not gonna need

717

00:31:23,550 --> 00:31:21,850

you and then it was interesting because

718

00:31:27,150 --> 00:31:23,560

then we saw in social media that Robert

719

00:31:30,390 --> 00:31:27,160

Salas who was part of Malstrom air force

720

00:31:31,920 --> 00:31:30,400

base were you know apparently a UFO

721

00:31:34,320 --> 00:31:31,930

scene and then these nukes were turned

722

00:31:37,650 --> 00:31:34,330

off he said he was gonna be on the show

723

00:31:41,400 --> 00:31:37,660

but when the show aired it was only Don

724

00:31:43,140 --> 00:31:41,410

and Leslie and which is fine because you

725

00:31:44,820 --> 00:31:43,150

know what Leslie is one of the co

726

00:31:48,360 --> 00:31:44,830

writers of the New York Times story

727

00:31:50,400 --> 00:31:48,370

she's in the middle of this she's great

728

00:31:53,280 --> 00:31:50,410

he always does a great job in these

729

00:31:55,230 --> 00:31:53,290

interviews so she did a great job that

730

00:31:56,820 --> 00:31:55,240

she did you know and that that's what I

731

00:31:59,460 --> 00:31:56,830

want to say and we had to bring Kevin on

732

00:32:02,280 --> 00:31:59,470

but I thought she did a wonderful job

733

00:32:03,690 --> 00:32:02,290

because he the he kept trying to lead

734

00:32:05,910 --> 00:32:03,700

her down the path of the little green

735

00:32:08,370 --> 00:32:05,920

men and she refrained she did she really

736

00:32:08,880 --> 00:32:08,380

held a ground and did a really good job

737

00:32:11,550 --> 00:32:08,890

at it

738

00:32:14,220 --> 00:32:11,560

I think yeah she finally kind of said

739

00:32:15,390 --> 00:32:14,230

it's possible I know I was right she

740

00:32:17,460 --> 00:32:15,400

actually said that but she was kind of

741

00:32:18,930 --> 00:32:17,470

forced to say that really I mean he

742

00:32:20,460 --> 00:32:18,940

really pushed her yeah right to the

743

00:32:23,910 --> 00:32:20,470

right to the point

744

00:32:26,130 --> 00:32:23,920

right but anyway she did a heck of a job

745

00:32:27,600 --> 00:32:26,140

I think yeah yeah because the point

746

00:32:29,730 --> 00:32:27,610

isn't like I said earlier the little

747

00:32:32,460 --> 00:32:29,740

green men the point is that that's why

748

00:32:34,740 --> 00:32:32,470

we need programs like this to be able to

749

00:32:37,350 --> 00:32:34,750

say whether or not it's little green men

750

00:32:39,690 --> 00:32:37,360

or little green men Greymon or human

751
00:32:41,160 --> 00:32:39,700
looking beings from elsewhere or people

752
00:32:41,850 --> 00:32:41,170
from the future people from another

753
00:32:45,810 --> 00:32:41,860
dimension

754
00:32:48,030 --> 00:32:45,820
or who knows space critters or something

755
00:32:51,810 --> 00:32:48,040
like that who knows what what the answer

756
00:32:53,010 --> 00:32:51,820
may be ultimately but that's why we need

757
00:32:55,410 --> 00:32:53,020
a program to figure that out

758
00:32:58,380 --> 00:32:55,420
Yeah right okay so I'm gonna try to

759
00:32:58,940 --> 00:32:58,390
bring Kevin in and we'll see what

760
00:33:02,160 --> 00:32:58,950
happens

761
00:33:05,580 --> 00:33:02,170
I can't wait to get my show producer

762
00:33:07,290 --> 00:33:05,590
working now I'm gonna stick around and

763
00:33:09,420 --> 00:33:07,300

say hi if that's cool oh no no I want

764

00:33:13,530 --> 00:33:09,430

you to stay as long as you want so okay

765

00:33:17,790 --> 00:33:13,540

yeah Kevin I see some action going on

766

00:33:21,270 --> 00:33:17,800

there Kevin how are you you're alive

767

00:33:23,540 --> 00:33:21,280

yeah I'm fine I just wonder I just

768

00:33:27,980 --> 00:33:23,550

wanted to warn you that your life

769

00:33:30,350 --> 00:33:27,990

and welcome to the show Kevin thank you

770

00:33:32,780 --> 00:33:30,360

so Kevin you're on with myself and

771

00:33:35,060 --> 00:33:32,790

Alejandro and I'm not sure if you did

772

00:33:37,760 --> 00:33:35,070

you happen to get a chance to listen to

773

00:33:39,200 --> 00:33:37,770

our show as we were going along no I was

774

00:33:42,320 --> 00:33:39,210

busy eating dinner and things like that

775

00:33:45,800 --> 00:33:42,330

oh okay that's no problem so we were

776

00:33:47,210 --> 00:33:45,810

talking about you know everything a lot

777

00:33:48,350 --> 00:33:47,220

of bad things about you yeah absolutely

778

00:33:50,420 --> 00:33:48,360

that's what it was

779

00:33:52,190 --> 00:33:50,430

well people people were emailing me

780

00:33:55,910 --> 00:33:52,200

about I read all the nasty emails before

781

00:34:00,110 --> 00:33:55,920

you guys called so beautiful it worked

782

00:34:03,110 --> 00:34:00,120

okay so hey Kevin so one of the

783

00:34:05,420 --> 00:34:03,120

questions I I had and you know Alejandro

784

00:34:07,880 --> 00:34:05,430

may have a question or two is and we can

785

00:34:11,690 --> 00:34:07,890

go up to the half hour if you have the

786

00:34:13,820 --> 00:34:11,700

time and that is a military person such

787

00:34:17,030 --> 00:34:13,830

as yourself your perspective on what's

788

00:34:19,010 --> 00:34:17,040

been going on this last week I think the

789

00:34:20,930 --> 00:34:19,020

first thing we need to talk about is how

790

00:34:23,720 --> 00:34:20,940

an awful lot of the information is not

791

00:34:25,639 --> 00:34:23,730

accurate and by that I mean the history

792

00:34:27,169 --> 00:34:25,649

of the UFO investigations because they

793

00:34:30,260 --> 00:34:27,179

keep talking about how project Bluebook

794

00:34:32,060 --> 00:34:30,270

began in 1947 and that sort of thing and

795

00:34:33,980 --> 00:34:32,070

those of us who studied the phenomenon

796

00:34:36,169 --> 00:34:33,990

for a long time realized that the first

797

00:34:38,540 --> 00:34:36,179

investigation was an unofficial

798

00:34:41,930 --> 00:34:38,550

investigation began in 1946 at the end

799

00:34:46,040 --> 00:34:41,940

of 1946 when Arnold made his sighting in

800

00:34:47,800 --> 00:34:46,050

June of 1947 it morphed into an official

801
00:34:52,010 --> 00:34:47,810
investigation but it wasn't until

802
00:34:54,409 --> 00:34:52,020
general twining wrote his letter in

803
00:34:56,210 --> 00:34:54,419
September of 1947 suggesting they create

804
00:34:59,140 --> 00:34:56,220
a project then we get an official

805
00:35:01,760 --> 00:34:59,150
investigation which began officially in

806
00:35:04,700 --> 00:35:01,770
January of 1948 and that was project

807
00:35:07,220 --> 00:35:04,710
sign at the time the name of the name of

808
00:35:08,720 --> 00:35:07,230
the project sign was classified and the

809
00:35:10,490 --> 00:35:08,730
military is saying well this was a

810
00:35:12,650 --> 00:35:10,500
project saucer that was the name they

811
00:35:14,360 --> 00:35:12,660
gave it in Savanna world sign eventually

812
00:35:17,000 --> 00:35:14,370
morphed into grudge which morphed into

813
00:35:19,040 --> 00:35:17,010

blue book and in 1969 they ended blue

814

00:35:21,620 --> 00:35:19,050

book but those of us who were paying

815

00:35:23,240 --> 00:35:21,630

attention realized the UFO investigation

816

00:35:25,730 --> 00:35:23,250

hadn't ended there was something called

817

00:35:27,650 --> 00:35:25,740

Project moon dust and as I was going

818

00:35:29,870 --> 00:35:27,660

through some of the old Project Blue

819

00:35:32,560 --> 00:35:29,880

Book files I found four cases in there

820

00:35:35,390 --> 00:35:32,570

labelled moon dust which shows the the

821

00:35:37,160 --> 00:35:35,400

UFO component to it and that the fact

822

00:35:39,829 --> 00:35:37,170

that the Air Force was aware of it

823

00:35:42,170 --> 00:35:39,839

that lasted until 1985 when the name was

824

00:35:46,789 --> 00:35:42,180

compromised by a State Department

825

00:35:49,069 --> 00:35:46,799

release of under FOIA and from that

826
00:35:50,960 --> 00:35:49,079
point on I think was Robert Todd voyage

827
00:35:53,630 --> 00:35:50,970
to get the name of the project as it was

828
00:35:55,339 --> 00:35:53,640
after 1985 they said no the project name

829
00:35:57,109 --> 00:35:55,349
is properly classified we can't tell you

830
00:35:59,089 --> 00:35:57,119
what it was so those of us who've been

831
00:36:00,920 --> 00:35:59,099
around for a long time realized that a

832
00:36:04,240 --> 00:36:00,930
there's been investigations going on

833
00:36:07,520 --> 00:36:04,250
since 1946 and B there's been classified

834
00:36:09,380 --> 00:36:07,530
investigations going on that lasted

835
00:36:12,349 --> 00:36:09,390
beyond the end of Project Blue Book and

836
00:36:14,599 --> 00:36:12,359
continued far beyond that point we now

837
00:36:16,579 --> 00:36:14,609
have another specific project that was

838
00:36:18,260 --> 00:36:16,589

dealing with UFOs all the while being

839

00:36:22,609 --> 00:36:18,270

told that there's no interest in the

840

00:36:25,460 --> 00:36:22,619

government so this latest information

841

00:36:27,049 --> 00:36:25,470

this latest dump of information tells us

842

00:36:29,030 --> 00:36:27,059

an awful lot about what's been going on

843

00:36:32,359 --> 00:36:29,040

and that the government and the military

844

00:36:33,859 --> 00:36:32,369

have had a real interest in UFOs all the

845

00:36:35,299 --> 00:36:33,869

while telling us there's nothing to us

846

00:36:36,680 --> 00:36:35,309

nothing to be concerned about and we

847

00:36:40,010 --> 00:36:36,690

don't even bother with investigating

848

00:36:43,099 --> 00:36:40,020

them anymore well I think you make a lot

849

00:36:45,740 --> 00:36:43,109

of good points in that I mean I was

850

00:36:47,720 --> 00:36:45,750

gonna say the the media often doesn't

851
00:36:49,430 --> 00:36:47,730
feel like they have to do their due

852
00:36:52,309 --> 00:36:49,440
diligence when it comes to the UFO

853
00:36:54,200 --> 00:36:52,319
phenomena they throw out a few bullet

854
00:36:56,960 --> 00:36:54,210
points maybe they get from Wikipedia or

855
00:36:59,359 --> 00:36:56,970
something like that but accuracy doesn't

856
00:37:02,839 --> 00:36:59,369
seem to be as important as other stories

857
00:37:05,390 --> 00:37:02,849
where they they really are held to the

858
00:37:06,589 --> 00:37:05,400
fire on these things and and I was gonna

859
00:37:08,809 --> 00:37:06,599
say it's coming back to bite them in the

860
00:37:11,030 --> 00:37:08,819
butt but even today with this big story

861
00:37:13,549 --> 00:37:11,040
I don't think they care it doesn't seem

862
00:37:15,559 --> 00:37:13,559
to be that they're consulting with

863
00:37:17,930 --> 00:37:15,569

experts or making sure they're getting

864

00:37:19,940 --> 00:37:17,940

their story straight on these items like

865

00:37:21,859 --> 00:37:19,950

like you're talking about heaven now

866

00:37:23,210 --> 00:37:21,869

there is getting into the weeds and

867

00:37:24,890 --> 00:37:23,220

there is you know it's okay to

868

00:37:27,920 --> 00:37:24,900

generalize at some point but you should

869

00:37:30,620 --> 00:37:27,930

be accurate and we don't have really

870

00:37:32,359 --> 00:37:30,630

that sort of accurate information as far

871

00:37:36,079 --> 00:37:32,369

as what they're reporting historically

872

00:37:38,780 --> 00:37:36,089

they should be talking to the very few

873

00:37:44,770 --> 00:37:38,790

historians or the people who have

874

00:37:48,500 --> 00:37:44,780

authored credible books such as that uh

875

00:37:50,960 --> 00:37:48,510

kevin has a media contacted you know I

876

00:37:53,270 --> 00:37:50,970

haven't heard a word and I

877

00:37:56,210 --> 00:37:53,280

give media requests all the time I mean

878

00:37:58,309 --> 00:37:56,220

I was on expedition unknown with the

879

00:38:02,089 --> 00:37:58,319

Josh gates justice last summer talking

880

00:38:03,740 --> 00:38:02,099

about UFOs and so I get these sorts of

881

00:38:04,910 --> 00:38:03,750

things periodically I've heard nothing

882

00:38:06,950 --> 00:38:04,920

about this and I was a little bit

883

00:38:09,319 --> 00:38:06,960

surprised on on one aspect of it that

884

00:38:11,630 --> 00:38:09,329

they haven't reached out given that if

885

00:38:12,920 --> 00:38:11,640

you go and look up UFO books on Amazon

886

00:38:15,319 --> 00:38:12,930

you'll find a number of my books

887

00:38:17,120 --> 00:38:15,329

including encounter in the desert which

888

00:38:19,960 --> 00:38:17,130

just came out which shows that I'm still

889

00:38:22,760 --> 00:38:19,970

alive and still active in UFO research

890

00:38:24,410 --> 00:38:22,770

but but I I think you're right but I

891

00:38:27,410 --> 00:38:24,420

think it transcends things and I

892

00:38:29,030 --> 00:38:27,420

remember back when James Brady was

893

00:38:32,270 --> 00:38:29,040

wounded in the assassination attempt of

894

00:38:34,670 --> 00:38:32,280

a President Reagan and ABC announced

895

00:38:35,839 --> 00:38:34,680

that he had died and then an hour later

896

00:38:38,120 --> 00:38:35,849

they had to retract that statement

897

00:38:40,400 --> 00:38:38,130

simply because he was still alive but I

898

00:38:42,050 --> 00:38:40,410

remember the alibi which was well we got

899

00:38:43,819 --> 00:38:42,060

it from four sources that he had died

900

00:38:45,829 --> 00:38:43,829

and were not reporting rumors and I'm

901
00:38:47,839 --> 00:38:45,839
thinking if he's still alive you're

902
00:38:50,329 --> 00:38:47,849
reporting rumors I don't care how many

903
00:38:52,609 --> 00:38:50,339
sources you have your reporting rumors

904
00:38:54,980 --> 00:38:52,619
and we see even more of that today it's

905
00:38:58,000 --> 00:38:54,990
even worse today because I think that

906
00:39:00,440 --> 00:38:58,010
the people who are in journalism today

907
00:39:02,839 --> 00:39:00,450
haven't been classically trained I'm

908
00:39:06,079 --> 00:39:02,849
thinking of the newspapers where you

909
00:39:07,730 --> 00:39:06,089
might have the time to research a story

910
00:39:10,640 --> 00:39:07,740
and get some idea of the way you used to

911
00:39:12,620 --> 00:39:10,650
do it in in the 50s and the 60s you had

912
00:39:14,690 --> 00:39:12,630
to be accurate and what you're reporting

913
00:39:16,400 --> 00:39:14,700

today they'll just they'll have the

914

00:39:17,809 --> 00:39:16,410

talking heads on talking about a point

915

00:39:20,960 --> 00:39:17,819

it turns out it's untrue and they say

916

00:39:22,280 --> 00:39:20,970

well you know oh well we we must on that

917

00:39:24,200 --> 00:39:22,290

one we'll go on to the next one and

918

00:39:27,710 --> 00:39:24,210

continue on and when you get to UFOs

919

00:39:32,530 --> 00:39:27,720

which I don't think any journalist wants

920

00:39:34,880 --> 00:39:32,540

to cover because it tends to I guess

921

00:39:36,440 --> 00:39:34,890

relate to their own credibility you

922

00:39:37,940 --> 00:39:36,450

can't tell me you believe about little

923

00:39:40,000 --> 00:39:37,950

green men from Mars visiting earth for

924

00:39:42,200 --> 00:39:40,010

crying out loud so they take a very

925

00:39:43,550 --> 00:39:42,210

lackadaisical attitude and I think

926

00:39:45,380 --> 00:39:43,560

you're actually right alejandro when

927

00:39:49,040 --> 00:39:45,390

they look at something up on wikipedia

928

00:39:53,690 --> 00:39:49,050

or one of the many many other UFO sites

929

00:39:55,069 --> 00:39:53,700

that have no real credibility but they

930

00:39:56,359 --> 00:39:55,079

don't they don't look for the

931

00:39:59,720 --> 00:39:56,369

credibility they look for the most

932

00:40:01,670 --> 00:39:59,730

sensational aspect of the story but this

933

00:40:03,740 --> 00:40:01,680

is getting some very good play in some

934

00:40:04,800 --> 00:40:03,750

very good places and I think that helps

935

00:40:07,230 --> 00:40:04,810

the whole thing

936

00:40:08,760 --> 00:40:07,240

and I'd probably need to to apologize to

937

00:40:11,370 --> 00:40:08,770

talking too long for saying that you

938

00:40:12,390 --> 00:40:11,380

know the closure the disclosure isn't

939

00:40:17,150 --> 00:40:12,400

coming and it's not going to help

940

00:40:21,780 --> 00:40:17,160

because this disclosure of this project

941

00:40:26,640 --> 00:40:21,790

is is a marvelous thing for us to learn

942

00:40:27,840 --> 00:40:26,650

in 2017 and it does show that even

943

00:40:29,940 --> 00:40:27,850

though we've been saying this and the

944

00:40:31,950 --> 00:40:29,950

media hasn't been paying attention that

945

00:40:34,230 --> 00:40:31,960

the Air Force and the government does

946

00:40:36,300 --> 00:40:34,240

take this topic seriously we've even got

947

00:40:39,000 --> 00:40:36,310

double government documents to show them

948

00:40:43,080 --> 00:40:39,010

look they are investigating past 1969

949

00:40:46,260 --> 00:40:43,090

even though they claim otherwise finally

950

00:40:48,960 --> 00:40:46,270

we have at least validation that see we

951
00:40:51,180 --> 00:40:48,970
were right this shows you that that they

952
00:40:52,980 --> 00:40:51,190
have been looking into it if you look at

953
00:40:54,570 --> 00:40:52,990
the mission of the Air Force one of

954
00:40:57,840 --> 00:40:54,580
their missions is to protect the skies

955
00:41:01,320 --> 00:40:57,850
over the United States right and and

956
00:41:04,470 --> 00:41:01,330
anything that intrudes on our defensive

957
00:41:07,320 --> 00:41:04,480
coast to coastal defense zones has to be

958
00:41:09,240 --> 00:41:07,330
intercepted it has to be reported on so

959
00:41:12,120 --> 00:41:09,250
even if you're not talking about alien

960
00:41:15,480 --> 00:41:12,130
spacecraft or you're talking about

961
00:41:18,330 --> 00:41:15,490
Russian bombers possibly or other semi

962
00:41:21,630 --> 00:41:18,340
hostile nations and I use the word semi

963
00:41:24,480 --> 00:41:21,640

hostile penetrating our defensive Coast

964

00:41:26,400 --> 00:41:24,490

our coastal defense zones they have to

965

00:41:28,110 --> 00:41:26,410

be intercepted and if it's a UFO some

966

00:41:29,850 --> 00:41:28,120

kind of an alien spacecraft they are

967

00:41:31,320 --> 00:41:29,860

required to intercept it to find out

968

00:41:33,420 --> 00:41:31,330

what it is and does it present a threat

969

00:41:35,010 --> 00:41:33,430

to the security of the United States so

970

00:41:37,920 --> 00:41:35,020

when they say we don't investigate UFOs

971

00:41:40,200 --> 00:41:37,930

we know that's not true even when we

972

00:41:43,170 --> 00:41:40,210

didn't have this this latest admission

973

00:41:47,160 --> 00:41:43,180

we knew it wasn't true because that is

974

00:41:49,980 --> 00:41:47,170

an Air Force mission to do that Kevin so

975

00:41:52,470 --> 00:41:49,990

I'm sure you saw the you most likely saw

976
00:41:54,170 --> 00:41:52,480
the interview with the retired Navy

977
00:41:56,880 --> 00:41:54,180
pilot David forever

978
00:42:00,780 --> 00:41:56,890
in a situation like that you know a

979
00:42:03,930 --> 00:42:00,790
military person retired or not and

980
00:42:05,460 --> 00:42:03,940
coming forward and talking about the you

981
00:42:08,850 --> 00:42:05,470
know the sightings which were actually

982
00:42:10,800 --> 00:42:08,860
he was very a very good interview what

983
00:42:15,980 --> 00:42:10,810
do you think about that you know as far

984
00:42:18,660 --> 00:42:15,990
as him being so free to talk about it I

985
00:42:20,520 --> 00:42:18,670
wonder about that simply because I

986
00:42:23,040 --> 00:42:20,530
oh that there are security regulations

987
00:42:24,990 --> 00:42:23,050
still in effect I called a general name

988
00:42:28,470 --> 00:42:25,000

Cruikshank who was a head of a tech back

989

00:42:30,570 --> 00:42:28,480

in the 1960s and I Kaito I called him in

990

00:42:32,640 --> 00:42:30,580

the 1990s and I remember that well the

991

00:42:34,230 --> 00:42:32,650

conversation was very short and he said

992

00:42:35,880 --> 00:42:34,240

to me I don't know who you are I don't

993

00:42:37,470 --> 00:42:35,890

know what is still classified what isn't

994

00:42:41,580 --> 00:42:37,480

classified and I'm not going to talk to

995

00:42:43,590 --> 00:42:41,590

you this suggests to me that he had some

996

00:42:46,260 --> 00:42:43,600

sort of inkling that he could talk about

997

00:42:52,140 --> 00:42:46,270

this with with impunity if there was

998

00:42:53,910 --> 00:42:52,150

classified intercept tactics used and

999

00:42:58,050 --> 00:42:53,920

then he shouldn't have burned those and

1000

00:43:00,150 --> 00:42:58,060

I don't think he really did but he he

1001
00:43:01,830 --> 00:43:00,160
must have had some sort of permission to

1002
00:43:03,810 --> 00:43:01,840
talk about it especially after this

1003
00:43:07,500 --> 00:43:03,820
thing came out anybody's talking about

1004
00:43:09,150 --> 00:43:07,510
this case I know that Robert Powell had

1005
00:43:10,770 --> 00:43:09,160
looked into it a number of years ago and

1006
00:43:12,360 --> 00:43:10,780
talked to the talk to people about it so

1007
00:43:14,430 --> 00:43:12,370
the case has been out in the public

1008
00:43:16,050 --> 00:43:14,440
arena it's the first time one of the

1009
00:43:20,250 --> 00:43:16,060
pilots has really talked about it in a

1010
00:43:23,040 --> 00:43:20,260
public arena so there I would think that

1011
00:43:25,500 --> 00:43:23,050
if I was him I would have called someone

1012
00:43:29,160 --> 00:43:25,510
to find out what I could talk about

1013
00:43:32,730 --> 00:43:29,170

without jeopardizing my retirement or

1014

00:43:35,100 --> 00:43:32,740

jeopardizing my status in the military

1015

00:43:36,780 --> 00:43:35,110

so he must have had some kind of

1016

00:43:38,250 --> 00:43:36,790

permission to talk about it but I don't

1017

00:43:40,370 --> 00:43:38,260

know what how much permission he might

1018

00:43:42,960 --> 00:43:40,380

have had and who he would have gone to

1019

00:43:44,280 --> 00:43:42,970

about that or they may have contacted

1020

00:43:46,680 --> 00:43:44,290

him says listen reporters gonna be

1021

00:43:49,200 --> 00:43:46,690

calling you you can say this this and

1022

00:43:51,510 --> 00:43:49,210

this because we already we already knew

1023

00:43:54,780 --> 00:43:51,520

who it was it wasn't wasn't that big of

1024

00:43:56,280 --> 00:43:54,790

a secret so yeah he he probably knew

1025

00:43:58,110 --> 00:43:56,290

exactly what he could say and probably

1026
00:44:01,380 --> 00:43:58,120
didn't say anything more than he then he

1027
00:44:03,630 --> 00:44:01,390
had to do you think it was scripted no I

1028
00:44:06,090 --> 00:44:03,640
don't think so I think they might have

1029
00:44:07,650 --> 00:44:06,100
said to him you know you can you can

1030
00:44:09,510 --> 00:44:07,660
talk about the intercept if there were

1031
00:44:12,510 --> 00:44:09,520
classified tactics being used or some

1032
00:44:15,060 --> 00:44:12,520
kind of classified gear being used don't

1033
00:44:16,950 --> 00:44:15,070
mention that but you're free to talk

1034
00:44:18,690 --> 00:44:16,960
about what you saw on how you reacted

1035
00:44:20,520 --> 00:44:18,700
and what you felt what was going on

1036
00:44:23,700 --> 00:44:20,530
there so I don't think it was scripted I

1037
00:44:25,710 --> 00:44:23,710
think it was basically that I'm asking

1038
00:44:27,300 --> 00:44:25,720

questions and him knowing exactly what

1039

00:44:28,770 --> 00:44:27,310

he could say and what he couldn't say if

1040

00:44:30,120 --> 00:44:28,780

in fact there were any restrictions on

1041

00:44:31,830 --> 00:44:30,130

what he did say and I'm just speculating

1042

00:44:32,310 --> 00:44:31,840

but I would think that there might have

1043

00:44:34,860 --> 00:44:32,320

been some

1044

00:44:37,440 --> 00:44:34,870

restrictions but I don't know I know in

1045

00:44:42,030 --> 00:44:37,450

my case my top secret clearance probably

1046

00:44:43,950 --> 00:44:42,040

expired in 2014 just because every five

1047

00:44:45,900 --> 00:44:43,960

years you've got to update your top

1048

00:44:47,730 --> 00:44:45,910

secret clearance it automatically

1049

00:44:51,110 --> 00:44:47,740

downgrades to a secret clearance after

1050

00:44:54,210 --> 00:44:51,120

five years unless it's your

1051
00:44:57,600 --> 00:44:54,220
reinvestigated or it's it's you it's

1052
00:44:59,040 --> 00:44:57,610
looked at again so I'm sure that he

1053
00:45:00,180 --> 00:44:59,050
knows all of that sort of stuff and he

1054
00:45:02,400 --> 00:45:00,190
knew exactly what he could talk about

1055
00:45:05,160 --> 00:45:02,410
and maybe they just said yeah the people

1056
00:45:06,750 --> 00:45:05,170
be calling you have fun do you mind if I

1057
00:45:09,540 --> 00:45:06,760
ask one more question oh yeah go ahead

1058
00:45:10,980 --> 00:45:09,550
sure yeah so you mentioned a tech

1059
00:45:12,780 --> 00:45:10,990
earlier and they were the guys in

1060
00:45:16,620 --> 00:45:12,790
partner in charge of project sign right

1061
00:45:19,590 --> 00:45:16,630
and could you I guess just to show the

1062
00:45:23,850 --> 00:45:19,600
difference at least since the budget was

1063
00:45:25,650 --> 00:45:23,860

cut in 2012 and even before that it

1064

00:45:27,210 --> 00:45:25,660

seems like Bigelow was the lead so

1065

00:45:29,310 --> 00:45:27,220

whatever group of people that he had

1066

00:45:32,550 --> 00:45:29,320

were not at a tech I mean they were not

1067

00:45:34,650 --> 00:45:32,560

at the level of these guys and since

1068

00:45:36,240 --> 00:45:34,660

2012 it seems like it was just blue and

1069

00:45:37,470 --> 00:45:36,250

maybe a couple other people at their

1070

00:45:39,690 --> 00:45:37,480

desk kind of like the Nick Pope

1071

00:45:41,670 --> 00:45:39,700

situation one guy at a desk trying to

1072

00:45:43,140 --> 00:45:41,680

shuffle around some papers and figure

1073

00:45:45,210 --> 00:45:43,150

something out so it's not like there

1074

00:45:46,620 --> 00:45:45,220

were much resources put towards it but

1075

00:45:48,870 --> 00:45:46,630

this is why a project sign is so

1076

00:45:51,720 --> 00:45:48,880

important because that was really a

1077

00:45:54,180 --> 00:45:51,730

large effort that that had a lot of very

1078

00:45:56,880 --> 00:45:54,190

capable people looking into these cases

1079

00:46:00,150 --> 00:45:56,890

could you explain what a tech is the

1080

00:46:00,710 --> 00:46:00,160

acronym and and you know who these guys

1081

00:46:02,790 --> 00:46:00,720

are

1082

00:46:05,370 --> 00:46:02,800

well it was a our technical intelligence

1083

00:46:06,750 --> 00:46:05,380

Center and they had a lot of different

1084

00:46:08,520 --> 00:46:06,760

functions they were at wright-patterson

1085

00:46:10,320 --> 00:46:08,530

Air Force Base and it was part of a

1086

00:46:13,340 --> 00:46:10,330

research and development one of the

1087

00:46:15,210 --> 00:46:13,350

things they would do is reverse-engineer

1088

00:46:16,650 --> 00:46:15,220

aircraft from other countries for

1089

00:46:18,900 --> 00:46:16,660

example if we happen to capture a

1090

00:46:20,520 --> 00:46:18,910

Russian fighter in some fashion they

1091

00:46:22,230 --> 00:46:20,530

would look at the Russian fighter and

1092

00:46:23,550 --> 00:46:22,240

see how it compared to our fighters any

1093

00:46:27,330 --> 00:46:23,560

improvements they might have had and

1094

00:46:30,060 --> 00:46:27,340

when Belenko defected from the Soviet

1095

00:46:35,160 --> 00:46:30,070

Union into Japan with a MIG 25 the one

1096

00:46:39,300 --> 00:46:35,170

thing I remember they said their vacuum

1097

00:46:41,910 --> 00:46:39,310

tube technology was just wonderful it

1098

00:46:44,490 --> 00:46:41,920

was vastly superior to our vacuum

1099

00:46:46,110 --> 00:46:44,500

technology vacuum tube technology but we

1100

00:46:49,200 --> 00:46:46,120

didn't care because we had circuit for

1101
00:46:51,780 --> 00:46:49,210
in solid-state circuitry so that was far

1102
00:46:53,700 --> 00:46:51,790
superior to the best of the vacuum tube

1103
00:46:55,710 --> 00:46:53,710
technology but that was what the Soviets

1104
00:46:57,030 --> 00:46:55,720
had done and so that was one of their

1105
00:46:59,370 --> 00:46:57,040
missions to look at those sorts of

1106
00:47:01,620 --> 00:46:59,380
things and see see where it went but

1107
00:47:03,840 --> 00:47:01,630
they also had Intelligence functions

1108
00:47:05,610 --> 00:47:03,850
looking at the capabilities of other

1109
00:47:07,950 --> 00:47:05,620
nations and what their militaries were

1110
00:47:09,720 --> 00:47:07,960
doing and how well I clicked they quick

1111
00:47:12,480 --> 00:47:09,730
they were how well-trained they were and

1112
00:47:14,940 --> 00:47:12,490
that sort of thing but it was not just

1113
00:47:19,080 --> 00:47:14,950

UFOs and the UFO project was a small

1114

00:47:21,480 --> 00:47:19,090

part of that and when it began it had it

1115

00:47:23,340 --> 00:47:21,490

didn't have all that many people

1116

00:47:25,440 --> 00:47:23,350

involved in it but it did have a high

1117

00:47:27,000 --> 00:47:25,450

priority it was a classified project the

1118

00:47:30,390 --> 00:47:27,010

name was classified and they were

1119

00:47:32,220 --> 00:47:30,400

gathering the information from all kinds

1120

00:47:33,960 --> 00:47:32,230

of sources that they could they could

1121

00:47:35,580 --> 00:47:33,970

find including military people this

1122

00:47:38,940 --> 00:47:35,590

latest project apparently just dealt

1123

00:47:40,350 --> 00:47:38,950

with military sightings which I think

1124

00:47:43,170 --> 00:47:40,360

they looked at it from the point of view

1125

00:47:44,550 --> 00:47:43,180

that if it was a military person making

1126
00:47:46,140 --> 00:47:44,560
the sighting they may have been a little

1127
00:47:48,570 --> 00:47:46,150
bit better trained than your average

1128
00:47:49,680 --> 00:47:48,580
civilian in what's going on around them

1129
00:47:51,570 --> 00:47:49,690
and might have have been a little bit

1130
00:47:53,580 --> 00:47:51,580
better in observing what exactly they

1131
00:47:56,580 --> 00:47:53,590
had seen especially when you move into

1132
00:47:59,280 --> 00:47:56,590
the arena of aircrew and by aircrew I

1133
00:48:02,810 --> 00:47:59,290
mean not only the pilots but the crew

1134
00:48:04,950 --> 00:48:02,820
chiefs and the flight engineers and the

1135
00:48:05,940 --> 00:48:04,960
loadmasters and the people who are on

1136
00:48:07,680 --> 00:48:05,950
the aircraft who have been around

1137
00:48:09,360 --> 00:48:07,690
aircraft all the time they're their

1138
00:48:10,980 --> 00:48:09,370

observations would be very very

1139

00:48:12,540 --> 00:48:10,990

important especially if you had multiple

1140

00:48:15,660 --> 00:48:12,550

people involved in that sort of thing

1141

00:48:17,280 --> 00:48:15,670

but a-tech evolved into something else

1142

00:48:19,070 --> 00:48:17,290

and I forget the acronym at the moment

1143

00:48:20,940 --> 00:48:19,080

in a moment but it's still a

1144

00:48:22,710 --> 00:48:20,950

intelligence function you know air

1145

00:48:24,660 --> 00:48:22,720

technical intelligence Center it was an

1146

00:48:27,150 --> 00:48:24,670

intelligence function and part of what

1147

00:48:32,340 --> 00:48:27,160

they did was gather information about

1148

00:48:34,020 --> 00:48:32,350

UFOs sign eventually sort of collapsed

1149

00:48:36,420 --> 00:48:34,030

when General Vandenberg who was the Air

1150

00:48:37,800 --> 00:48:36,430

Force chief of staff at the time looked

1151

00:48:39,690 --> 00:48:37,810

at what was called the estimate of the

1152

00:48:42,660 --> 00:48:39,700

situation put together by that by the

1153

00:48:46,050 --> 00:48:42,670

people out attack which concluded that

1154

00:48:49,230 --> 00:48:46,060

the observations were of interplanetary

1155

00:48:50,670 --> 00:48:49,240

craft in 1919 40s they were thinking in

1156

00:48:54,960 --> 00:48:50,680

a planetary as opposed to interstellar

1157

00:48:59,010 --> 00:48:54,970

in Vandenberg didn't buy it and said no

1158

00:48:59,520 --> 00:48:59,020

I don't redo this thing and I think that

1159

00:49:01,770 --> 00:48:59,530

they

1160

00:49:04,140 --> 00:49:01,780

we're looking for something with

1161

00:49:06,180 --> 00:49:04,150

physical evidence and I'm not sure that

1162

00:49:07,650 --> 00:49:06,190

the guys at a tech would have had the

1163

00:49:08,730 --> 00:49:07,660

stuff from Roswell and that sort of

1164

00:49:12,860 --> 00:49:08,740

thing so they're putting it together

1165

00:49:16,170 --> 00:49:12,870

based on what they had at their disposal

1166

00:49:18,800 --> 00:49:16,180

and a lot of it was was sighting reports

1167

00:49:23,570 --> 00:49:18,810

by military personnel and airliner

1168

00:49:27,300 --> 00:49:23,580

personnel airline crews so I think I

1169

00:49:28,620 --> 00:49:27,310

think that Vandenberg rejected it simply

1170

00:49:31,440 --> 00:49:28,630

because he didn't think they proved

1171

00:49:33,450 --> 00:49:31,450

their case but what happened was it

1172

00:49:35,160 --> 00:49:33,460

pretty well cleaned out project sign the

1173

00:49:36,570 --> 00:49:35,170

people who were involved in creating

1174

00:49:38,220 --> 00:49:36,580

this estimate and situation will

1175

00:49:41,190 --> 00:49:38,230

basically all fire they're only two or

1176
00:49:44,160 --> 00:49:41,200
three people who survived in sign went

1177
00:49:45,690 --> 00:49:44,170
into decline the military said well

1178
00:49:47,070 --> 00:49:45,700
we're gonna close project sign we're not

1179
00:49:48,180 --> 00:49:47,080
gonna do that anymore they just changed

1180
00:49:51,870 --> 00:49:48,190
the name to grudge and kept right on

1181
00:49:54,270 --> 00:49:51,880
going began to our East a Faton in 1951

1182
00:49:55,350 --> 00:49:54,280
I think it was one of the general says

1183
00:49:57,600 --> 00:49:55,360
what's going on with the Flying Saucer

1184
00:49:59,430 --> 00:49:57,610
stuff and he was told well not much and

1185
00:50:00,690 --> 00:49:59,440
he said fix it and that was when they

1186
00:50:01,950 --> 00:50:00,700
brought in Roop Holt and they changed

1187
00:50:03,390 --> 00:50:01,960
the name to Project Blue Book or

1188
00:50:06,720 --> 00:50:03,400

involved in the project Bluebook and for

1189

00:50:08,850 --> 00:50:06,730

a while there was a an attempt to gather

1190

00:50:11,220 --> 00:50:08,860

proper information but it quickly became

1191

00:50:12,450 --> 00:50:11,230

a public relations outfit and a

1192

00:50:14,610 --> 00:50:12,460

debunking outfit you know there's

1193

00:50:16,170 --> 00:50:14,620

nothing to the flying saucers the

1194

00:50:18,270 --> 00:50:16,180

interesting thing and they they don't

1195

00:50:20,670 --> 00:50:18,280

mention this is that the Condon report

1196

00:50:22,530 --> 00:50:20,680

and Condon was the University of

1197

00:50:24,630 --> 00:50:22,540

Colorado scientist who was charged with

1198

00:50:28,050 --> 00:50:24,640

investigating UFOs for the Air Force at

1199

00:50:29,940 --> 00:50:28,060

the end of the 1960s and his mission

1200

00:50:31,260 --> 00:50:29,950

wasn't to investigate UFOs so much as to

1201
00:50:33,900 --> 00:50:31,270
convince the public there's nothing to

1202
00:50:35,430 --> 00:50:33,910
it and that they should close Project

1203
00:50:39,330 --> 00:50:35,440
Blue Book and save themselves

1204
00:50:42,390 --> 00:50:39,340
the money that it costs to investing

1205
00:50:43,800 --> 00:50:42,400
they had UFO officers at all bases and

1206
00:50:45,210 --> 00:50:43,810
it was an additional duty they didn't

1207
00:50:46,860 --> 00:50:45,220
have somebody specifically assigned and

1208
00:50:49,110 --> 00:50:46,870
that was an additional duty but they

1209
00:50:51,480 --> 00:50:49,120
were getting reports from all around the

1210
00:50:53,970 --> 00:50:51,490
country and they they they allegedly

1211
00:50:56,220 --> 00:50:53,980
quit that and now we find out of course

1212
00:50:59,130 --> 00:50:56,230
that's not true but I've kind of got off

1213
00:51:01,530 --> 00:50:59,140

topic here with you tonight necessarily

1214

00:51:02,880 --> 00:51:01,540

no that was a great point all right so

1215

00:51:05,880 --> 00:51:02,890

you have to it have to interrupt you

1216

00:51:07,260 --> 00:51:05,890

both I'm sorry because we only have we

1217

00:51:10,020 --> 00:51:07,270

only have like five minutes and I have

1218

00:51:10,500 --> 00:51:10,030

to call Peter Davenport right at the the

1219

00:51:12,900 --> 00:51:10,510

half hour

1220

00:51:14,430 --> 00:51:12,910

but quickly in these last five minutes

1221

00:51:16,980 --> 00:51:14,440

shifting gears

1222

00:51:19,350 --> 00:51:16,990

can I get opinion I'd like to get an

1223

00:51:22,740 --> 00:51:19,360

opinion from actually both of you on how

1224

00:51:25,830 --> 00:51:22,750

Bob Bigelow kind of plays into this

1225

00:51:27,230 --> 00:51:25,840

whole thing and Kevin do you understand

1226

00:51:30,930 --> 00:51:27,240

what I'm getting were and coming from

1227

00:51:33,420 --> 00:51:30,940

yes I do and if the MUFON conference in

1228

00:51:34,650 --> 00:51:33,430

2010 I think it was Bigelow came up to

1229

00:51:37,590 --> 00:51:34,660

me and asked me if I still had my top

1230

00:51:39,540 --> 00:51:37,600

secret clearance and I think that he was

1231

00:51:41,340 --> 00:51:39,550

looking at some of this stuff but

1232

00:51:43,340 --> 00:51:41,350

Bigelow also was the one that went to

1233

00:51:46,470 --> 00:51:43,350

Harry Reid who was the senator from

1234

00:51:48,870 --> 00:51:46,480

Nevada who kind of engineered this whole

1235

00:51:52,170 --> 00:51:48,880

study getting getting going and I'm

1236

00:51:54,720 --> 00:51:52,180

wondering if there wasn't some sort of

1237

00:51:57,500 --> 00:51:54,730

political payback going there that the

1238

00:51:59,550 --> 00:51:57,510

Bigelow had contributed to Harry Reid's

1239

00:52:00,660 --> 00:51:59,560

successful Senate campaigns and that

1240

00:52:03,930 --> 00:52:00,670

sort of thing and this is one of the

1241

00:52:05,880 --> 00:52:03,940

things that that Bigelow wanted done to

1242

00:52:07,470 --> 00:52:05,890

gather this information and a classified

1243

00:52:10,020 --> 00:52:07,480

nature and I think that may be why he

1244

00:52:12,590 --> 00:52:10,030

approached me to ask about my top secret

1245

00:52:15,120 --> 00:52:12,600

clearance but Bigelow of course is a

1246

00:52:16,590 --> 00:52:15,130

civilian contractor working out of Las

1247

00:52:19,590 --> 00:52:16,600

Vegas and I guess he's really really

1248

00:52:25,440 --> 00:52:19,600

rich which I'm very envious of because

1249

00:52:26,730 --> 00:52:25,450

I'd like to be really really rich yes

1250

00:52:29,400 --> 00:52:26,740

but you never know one of those books

1251
00:52:32,280 --> 00:52:29,410
just may take off especially you know I

1252
00:52:34,860 --> 00:52:32,290
did look my name up on sibling celebrity

1253
00:52:35,970 --> 00:52:34,870
Net Worth and I found one site to claim

1254
00:52:40,050 --> 00:52:35,980
to I had a hundred and thirty four

1255
00:52:42,680 --> 00:52:40,060
million dollars so I don't know I don't

1256
00:52:47,720 --> 00:52:42,690
even know why I'm talking to you guys

1257
00:52:54,150 --> 00:52:50,790
but but the point simply is Bigelow I

1258
00:52:56,250 --> 00:52:54,160
think engineered part of this because he

1259
00:52:59,940 --> 00:52:56,260
was looking for gathering of

1260
00:53:01,320 --> 00:52:59,950
intelligence of what the spacecraft

1261
00:53:03,330 --> 00:53:01,330
could do getting getting better

1262
00:53:05,220 --> 00:53:03,340
information that he might get through

1263
00:53:07,350 --> 00:53:05,230

some of the civilian sources that were

1264

00:53:10,200 --> 00:53:07,360

available to him and now 100 do you have

1265

00:53:11,880 --> 00:53:10,210

anything to add to that yeah just really

1266

00:53:14,580 --> 00:53:11,890

quickly I mean I don't worry about so

1267

00:53:17,070 --> 00:53:14,590

much about the the cronyism sort of

1268

00:53:19,140 --> 00:53:17,080

thing as I think that Reid was convinced

1269

00:53:20,940 --> 00:53:19,150

he even said John Glenn that was really

1270

00:53:23,310 --> 00:53:20,950

interesting that John Glenn had told him

1271

00:53:23,940 --> 00:53:23,320

you need to look into UFOs we had never

1272

00:53:26,310 --> 00:53:23,950

heard that

1273

00:53:28,410 --> 00:53:26,320

four so that was fascinating so he was

1274

00:53:30,329 --> 00:53:28,420

convinced by big Lo and John Glenn who

1275

00:53:31,680 --> 00:53:30,339

knows at what else that this was

1276

00:53:34,589 --> 00:53:31,690

something that we really needed to look

1277

00:53:37,079 --> 00:53:34,599

into so he started the project Bigelow

1278

00:53:39,750 --> 00:53:37,089

of course having the resources having

1279

00:53:41,640 --> 00:53:39,760

the interest was it was one of the few

1280

00:53:43,560 --> 00:53:41,650

people out there who believe in UFOs are

1281

00:53:45,420 --> 00:53:43,570

gonna put their neck out there to run

1282

00:53:46,109 --> 00:53:45,430

something like it had and had the money

1283

00:53:50,550 --> 00:53:46,119

to do it

1284

00:53:53,339 --> 00:53:50,560

interesting for Kevin in 2010 and myself

1285

00:53:55,380 --> 00:53:53,349

with MUFON in 2009 little did we know

1286

00:53:57,690 --> 00:53:55,390

when when Bigelow was starting to work

1287

00:53:59,880 --> 00:53:57,700

with MUFON and researchers that this is

1288

00:54:01,680 --> 00:53:59,890

where part of the project or at least

1289

00:54:03,660 --> 00:54:01,690

this project was going on at the same

1290

00:54:07,140 --> 00:54:03,670

time perhaps that's even where the

1291

00:54:08,790 --> 00:54:07,150

funding came from so I think that's what

1292

00:54:10,910 --> 00:54:08,800

it's all about big was really interested

1293

00:54:13,020 --> 00:54:10,920

on and you know a little bit more of a

1294

00:54:15,900 --> 00:54:13,030

something that would have worked for him

1295

00:54:18,210 --> 00:54:15,910

he was looking for technologies that he

1296

00:54:20,730 --> 00:54:18,220

could then develop into Bigelow

1297

00:54:22,680 --> 00:54:20,740

Aerospace he he didn't apparently find

1298

00:54:26,790 --> 00:54:22,690

any because he eventually bought a

1299

00:54:28,710 --> 00:54:26,800

program that NASA kind of shelved and so

1300

00:54:30,390 --> 00:54:28,720

it's very human technology that now he's

1301
00:54:32,940 --> 00:54:30,400
developing and working with NASA with

1302
00:54:35,460 --> 00:54:32,950
but that's what he was trying to do and

1303
00:54:38,190 --> 00:54:35,470
one other point just real quick on the

1304
00:54:41,400 --> 00:54:38,200
closing of blue book I think another

1305
00:54:43,620 --> 00:54:41,410
thing that they really need to highlight

1306
00:54:45,780 --> 00:54:43,630
and is a very important part of that

1307
00:54:49,109 --> 00:54:45,790
history is I think it was the bollinger

1308
00:54:51,450 --> 00:54:49,119
memo but essentially a memo where one of

1309
00:54:53,730 --> 00:54:51,460
the guys essentially had said hey he was

1310
00:54:55,650 --> 00:54:53,740
it we don't care if they close blue book

1311
00:54:58,200 --> 00:54:55,660
because the important cases we send

1312
00:54:59,700 --> 00:54:58,210
elsewhere anyway and we shot very

1313
00:55:01,260 --> 00:54:59,710

important we should point out the

1314

00:55:02,490 --> 00:55:01,270

bollinger was a brigadier general in the

1315

00:55:03,960 --> 00:55:02,500

Air Force at the time he made that

1316

00:55:05,220 --> 00:55:03,970

announcement that's a very important

1317

00:55:07,020 --> 00:55:05,230

thing to know it wasn't some second

1318

00:55:08,280 --> 00:55:07,030

lieutenant or some master sergeants

1319

00:55:09,690 --> 00:55:08,290

saying and it was a brigadier general

1320

00:55:11,579 --> 00:55:09,700

who was making that comment at the

1321

00:55:14,790 --> 00:55:11,589

important cases we're not part of the

1322

00:55:17,339 --> 00:55:14,800

Blue Book system well gentlemen I wish

1323

00:55:20,130 --> 00:55:17,349

we had more time because this is a real

1324

00:55:22,160 --> 00:55:20,140

fascinating topic and we're just gonna

1325

00:55:25,170 --> 00:55:22,170

see what happens in the next you know

1326
00:55:27,450 --> 00:55:25,180
like I had said to Alejandro before you

1327
00:55:29,339 --> 00:55:27,460
came on Kevin uh you know it's almost

1328
00:55:31,680 --> 00:55:29,349
like we need to strike or keep this

1329
00:55:35,280 --> 00:55:31,690
thing alive because news fades so

1330
00:55:37,390 --> 00:55:35,290
quickly these days you know so I think

1331
00:55:40,030 --> 00:55:37,400
this is an opportunity for

1332
00:55:42,760 --> 00:55:40,040
you know for this subject to be looked

1333
00:55:44,350 --> 00:55:42,770
at real seriously I'm gonna try to get

1334
00:55:46,120 --> 00:55:44,360
something up on my blog here in the next

1335
00:55:48,580 --> 00:55:46,130
few days talking about this specifically

1336
00:55:51,490 --> 00:55:48,590
it is another way of kind of spreading

1337
00:55:53,350 --> 00:55:51,500
the word out yeah excellent thanks so

1338
00:55:57,070 --> 00:55:53,360

much Kevin and Alejandro thank you as

1339

00:55:59,170 --> 00:55:57,080

well my pleasure and I'll talk to you

1340

00:56:04,090 --> 00:55:59,180

real soon everyone why Alejandro later

1341

00:56:08,380 --> 00:56:04,100

see ya alright so now it's time to get

1342

00:56:12,550 --> 00:56:08,390

our guest Peter Davenport and we're

1343

00:56:14,680 --> 00:56:12,560

gonna be ringing him right now and again

1344

00:56:17,530 --> 00:56:14,690

you know I'm gonna have a show producer

1345

00:56:21,490 --> 00:56:17,540

doing all this stuff so hopefully it'll

1346

00:56:25,090 --> 00:56:21,500

be seamless coming up good Martin hello

1347

00:56:29,440 --> 00:56:25,100

Peter how are you I'm doing well thanks

1348

00:56:34,000 --> 00:56:29,450

so much we have just talked for Oh about

1349

00:56:35,920 --> 00:56:34,010

an hour about this you know this amazing

1350

00:56:37,870 --> 00:56:35,930

story that just broke in the New York

1351

00:56:40,420 --> 00:56:37,880

Times have you been following that

1352

00:56:44,230 --> 00:56:40,430

actually I have indeed I think I've

1353

00:56:46,720 --> 00:56:44,240

received probably 250 copies I'm in the

1354

00:56:49,030 --> 00:56:46,730

article over the last week or five days

1355

00:56:51,220 --> 00:56:49,040

yeah Ill too

1356

00:56:52,780 --> 00:56:51,230

you know people have been really kind in

1357

00:56:53,980 --> 00:56:52,790

that way sending all the different

1358

00:56:57,460 --> 00:56:53,990

things that have come out in all the

1359

00:56:59,380 --> 00:56:57,470

different media to me and you know I

1360

00:57:02,560 --> 00:56:59,390

don't think I've ever gotten more email

1361

00:57:04,030 --> 00:57:02,570

about the UFO subject in my life yeah

1362

00:57:07,150 --> 00:57:04,040

it's really stirred the hornet's nest

1363

00:57:10,690 --> 00:57:07,160

and it seems to be a significant change

1364

00:57:14,320 --> 00:57:10,700

in how people are taking the UFO

1365

00:57:16,870 --> 00:57:14,330

phenomenon of course we devotees or feel

1366

00:57:19,540 --> 00:57:16,880

we know what's going on to a degree but

1367

00:57:21,520 --> 00:57:19,550

the rest of the world is sort of it has

1368

00:57:23,170 --> 00:57:21,530

been sort of blase on the subject I

1369

00:57:25,060 --> 00:57:23,180

think it's going to be much more

1370

00:57:27,790 --> 00:57:25,070

difficult for them to ignore it from

1371

00:57:30,870 --> 00:57:27,800

this point forward I totally agree

1372

00:57:35,620 --> 00:57:30,880

so Peter real quickly for the first time

1373

00:57:37,450 --> 00:57:35,630

listener that is you know wants to know

1374

00:57:40,150 --> 00:57:37,460

a little bit about you can you just give

1375

00:57:42,420 --> 00:57:40,160

a real quick your background real

1376

00:57:47,980 --> 00:57:42,430

quickly yep

1377

00:57:50,170 --> 00:57:47,990

I'm I guess I should start with my high

1378

00:57:50,890 --> 00:57:50,180

school education I was born and raised

1379

00:57:53,500 --> 00:57:50,900

in st. Louis

1380

00:57:59,260 --> 00:57:53,510

Missouri where I saw my first UFO as a

1381

00:58:03,039 --> 00:57:59,270

very young boy in 1954 was then attended

1382

00:58:04,630 --> 00:58:03,049

High School in Ethiopia and then finally

1383

00:58:08,019 --> 00:58:04,640

graduated from high school in New

1384

00:58:10,900 --> 00:58:08,029

Hampshire went off to college in

1385

00:58:13,890 --> 00:58:10,910

California at Stanford spent four years

1386

00:58:16,690 --> 00:58:13,900

in the Army as a Russian translator

1387

00:58:23,559 --> 00:58:16,700

language I've used a great benefit over

1388

00:58:28,120 --> 00:58:23,569

the last 50 years or so and used to be

1389

00:58:31,000 --> 00:58:28,130

the field a field investigator and

1390

00:58:32,650 --> 00:58:31,010

director of Investigations for the

1391

00:58:36,460 --> 00:58:32,660

Washington chapter of the mutual UFO

1392

00:58:39,849 --> 00:58:36,470

network back in the 90s and have been

1393

00:58:44,740 --> 00:58:39,859

the director of the national UFO

1394

00:58:47,289 --> 00:58:44,750

Reporting Center since July of 1994

1395

00:58:49,960 --> 00:58:47,299

so I mean spent a lot of time both in

1396

00:58:53,650 --> 00:58:49,970

public and private sector I've worked as

1397

00:58:57,309 --> 00:58:53,660

a university instructor flight

1398

00:59:00,190 --> 00:58:57,319

instructor done a great many things but

1399

00:59:02,109 --> 00:59:00,200

none as exciting as my current job as

1400

00:59:06,220 --> 00:59:02,119

director of the national UFO Reporting

1401
00:59:09,400 --> 00:59:06,230
Center now Peter I didn't you say that

1402
00:59:10,539 --> 00:59:09,410
your office is in a missile silo do I

1403
00:59:14,170 --> 00:59:10,549
remember that correctly

1404
00:59:17,559 --> 00:59:14,180
well people try to put me there I own I

1405
00:59:20,799 --> 00:59:17,569
own an ICBM missile site south of

1406
00:59:23,769 --> 00:59:20,809
Davenport Washington but although my

1407
00:59:29,849 --> 00:59:23,779
intentions were to live there I don't

1408
00:59:32,559 --> 00:59:29,859
and because it's a large drafty damp and

1409
00:59:34,720 --> 00:59:32,569
it's sort of lonely out there and I

1410
00:59:37,299 --> 00:59:34,730
after I bought it I discovered that I'm

1411
00:59:40,000 --> 00:59:37,309
much more socially inclined than I

1412
00:59:44,410 --> 00:59:40,010
thought up to the point I purchased the

1413
00:59:46,809 --> 00:59:44,420

site but I do own it and it's quite a

1414

00:59:49,029 --> 00:59:46,819

remarkable place it's about 18,000

1415

00:59:51,400 --> 00:59:49,039

square feet underground Wow

1416

00:59:56,769 --> 00:59:51,410

consists of about two to three million

1417

00:59:57,809 --> 00:59:56,779

tons of concrete and every inch of it

1418

01:00:04,790 --> 00:59:57,819

needs cleaning

1419

01:00:08,210 --> 01:00:04,800

oh my god well so we will tackle you

1420

01:00:09,860 --> 01:00:08,220

course about the sightings the very

1421

01:00:11,570 --> 01:00:09,870

interesting sightings that happened on

1422

01:00:14,090 --> 01:00:11,580

December 9th

1423

01:00:17,240 --> 01:00:14,100

want to talk about that but also before

1424

01:00:20,650 --> 01:00:17,250

we go on the your Russian language

1425

01:00:23,840 --> 01:00:20,660

background I actually tried to learn

1426

01:00:25,610 --> 01:00:23,850

Russian I know just some words and I can

1427

01:00:28,700 --> 01:00:25,620

understand just a little bit of it here

1428

01:00:31,910 --> 01:00:28,710

and they're very difficult language how

1429

01:00:33,650 --> 01:00:31,920

has that served you as far as the UFO

1430

01:00:37,100 --> 01:00:33,660

field have you been able to do any

1431

01:00:40,370 --> 01:00:37,110

investigations that interest you in

1432

01:00:40,940 --> 01:00:40,380

Russia or anything I thought not I have

1433

01:00:43,640 --> 01:00:40,950

not

1434

01:00:47,860 --> 01:00:43,650

although my ability was Russian they

1435

01:00:51,140 --> 01:00:47,870

introduced me to the well known UFO

1436

01:00:54,800 --> 01:00:51,150

personality his name is ah ja ja that's

1437

01:00:56,570 --> 01:00:54,810

his last name I met him in Seattle he

1438

01:01:00,370 --> 01:00:56,580

wanted to meet me when he learned that I

1439

01:01:03,800 --> 01:01:00,380

was director of the UFO center here and

1440

01:01:07,820 --> 01:01:03,810

we had a wonderful day together talking

1441

01:01:12,560 --> 01:01:07,830

about UFOs and Russia and politics and

1442

01:01:17,510 --> 01:01:12,570

so on when I worked in the Soviet Union

1443

01:01:21,950 --> 01:01:17,520

I was a guide and a translator on a US

1444

01:01:26,990 --> 01:01:21,960

exhibit sent to the Soviet Union in 1978

1445

01:01:31,100 --> 01:01:27,000

and 79 and we had up to 25,000 Soviet

1446

01:01:35,390 --> 01:01:31,110

citizens flood through the the exhibit

1447

01:01:38,110 --> 01:01:35,400

every day the the title of the exhibit

1448

01:01:41,450 --> 01:01:38,120

was agriculture in the United States

1449

01:01:45,830 --> 01:01:41,460

CSKA has the I used to fish in Russian

1450

01:01:48,430 --> 01:01:45,840

and when many of the guests that came

1451

01:01:50,900 --> 01:01:48,440

through the Soviet guests or Russians

1452

01:01:54,350 --> 01:01:50,910

discovered that I was interested in UFOs

1453

01:01:58,150 --> 01:01:54,360

I was a very popular guide they had

1454

01:02:02,330 --> 01:01:58,160

stories to tell that wouldn't stop and

1455

01:02:05,330 --> 01:02:02,340

so it reinforced what I think we all

1456

01:02:07,190 --> 01:02:05,340

know namely this phenomenon the UFO

1457

01:02:11,120 --> 01:02:07,200

phenomenon occurs everywhere in the

1458

01:02:14,000 --> 01:02:11,130

world I suspect that these UFOs appear

1459

01:02:17,390 --> 01:02:14,010

in every country on the planet so in

1460

01:02:18,380 --> 01:02:17,400

that respect it has been a boon to my

1461

01:02:21,529 --> 01:02:18,390

UFO

1462

01:02:22,970 --> 01:02:21,539

search Wow yeah when I was there I was

1463

01:02:25,789 --> 01:02:22,980

there for a couple of months this year

1464

01:02:29,029 --> 01:02:25,799

and had been there the last couple of

1465

01:02:31,849 --> 01:02:29,039

years as well I tried to do as much as I

1466

01:02:33,829 --> 01:02:31,859

could as far as trying to connect to

1467

01:02:37,490 --> 01:02:33,839

people in the UFO field it was very

1468

01:02:39,620 --> 01:02:37,500

difficult I finally did but I try to get

1469

01:02:42,289 --> 01:02:39,630

people on the show but they just weren't

1470

01:02:45,769 --> 01:02:42,299

comfortable with their English but the

1471

01:02:48,319 --> 01:02:45,779

bottom line is I did find that there is

1472

01:02:50,539 --> 01:02:48,329

a lot of sightings in Russia and Russia

1473

01:02:52,309 --> 01:02:50,549

of course the landmass is the second

1474

01:02:54,710 --> 01:02:52,319

largest country you know in the world

1475

01:02:57,680 --> 01:02:54,720

but I mean in general you know there's a

1476

01:02:59,509 --> 01:02:57,690

lot going on in Siberia there is

1477

01:03:03,319 --> 01:02:59,519

actually a lot going on on the Black Sea

1478

01:03:05,240 --> 01:03:03,329

where I was at so like you said

1479

01:03:06,309 --> 01:03:05,250

everywhere in the world it is it is

1480

01:03:10,339 --> 01:03:06,319

fascinating

1481

01:03:17,210 --> 01:03:10,349

well I receive reports from Russia or

1482

01:03:20,210 --> 01:03:17,220

the former Russian Russian areas of the

1483

01:03:21,950 --> 01:03:20,220

country of the Soviet Union on a regular

1484

01:03:24,200 --> 01:03:21,960

basis people submit them sometimes

1485

01:03:26,240 --> 01:03:24,210

they're submitted in Russian and I have

1486

01:03:29,930 --> 01:03:26,250

an opportunity to use my Russian and

1487

01:03:33,650 --> 01:03:29,940

translate them so it reinforces the

1488

01:03:35,870 --> 01:03:33,660

notion that or the suspicion that these

1489

01:03:38,200 --> 01:03:35,880

objects are being seen everywhere I

1490

01:03:41,509 --> 01:03:38,210

often wonder what it must be like to be

1491

01:03:43,370 --> 01:03:41,519

live in a remote area of Africa and have

1492

01:03:47,170 --> 01:03:43,380

one of these things come down over your

1493

01:03:52,039 --> 01:03:47,180

head or be visible to you let's say and

1494

01:03:57,259 --> 01:03:52,049

not know what did or how to report it

1495

01:04:00,499 --> 01:03:57,269

Sarang right they're seen everywhere as

1496

01:04:02,690 --> 01:04:00,509

far as I can tell one of the guests I

1497

01:04:05,450 --> 01:04:02,700

had recently which was a really really

1498

01:04:08,569 --> 01:04:05,460

interesting show a while back was one of

1499

01:04:12,109 --> 01:04:08,579

the Ariel school incident firsthand

1500

01:04:14,630 --> 01:04:12,119

witnesses and you know she was in this I

1501

01:04:20,390 --> 01:04:14,640

think she was in the sixth grade and she

1502

01:04:23,539 --> 01:04:20,400

said you know she had no idea that a UFO

1503

01:04:26,329 --> 01:04:23,549

you know what a UFO was or the topic had

1504

01:04:27,650 --> 01:04:26,339

never come up and so that's just the

1505

01:04:29,809 --> 01:04:27,660

same thing of basically what you're

1506

01:04:32,120 --> 01:04:29,819

saying you know in the remote area where

1507

01:04:35,180 --> 01:04:32,130

someone has no access to say

1508

01:04:38,930 --> 01:04:35,190

Media and sees anything about UFOs or

1509

01:04:41,780 --> 01:04:38,940

any you know movies per se that depict

1510

01:04:44,330 --> 01:04:41,790

you know aliens so to speak or I'm not

1511

01:04:48,650 --> 01:04:44,340

saying that all UFOs or aliens or any of

1512

01:04:50,930 --> 01:04:48,660

them are we don't know but anyway it was

1513

01:04:53,090 --> 01:04:50,940

fascinating to hear her first take on it

1514

01:04:55,940 --> 01:04:53,100

oh yeah that was a very interesting

1515

01:04:58,340 --> 01:04:55,950

incident I commend John Mack for

1516

01:05:00,260 --> 01:04:58,350

publicizing that so extensively right

1517

01:05:02,630 --> 01:05:00,270

but a little-known fact among our

1518

01:05:06,340 --> 01:05:02,640

listeners and everybody else probably is

1519

01:05:09,800 --> 01:05:06,350

that something very similar happened in

1520

01:05:14,050 --> 01:05:09,810

California exactly one week before the

1521

01:05:17,650 --> 01:05:14,060

aerial the aerial sightings occurred on

1522

01:05:21,740 --> 01:05:17,660

September 16th it was a Friday I believe

1523

01:05:24,170 --> 01:05:21,750

1994 right but I had taken a series of

1524

01:05:27,020 --> 01:05:24,180

reports from I believe it's Cameron

1525

01:05:32,030 --> 01:05:27,030

California I'm going on memory this is

1526
01:05:32,930 --> 01:05:32,040
all 23 years ago now or more camera in

1527
01:05:37,240 --> 01:05:32,940
California

1528
01:05:39,710 --> 01:05:37,250
I took a report from a an FAA

1529
01:05:42,290 --> 01:05:39,720
air-traffic supervisor who called me up

1530
01:05:45,130 --> 01:05:42,300
and said that they were seeing all sorts

1531
01:05:48,800 --> 01:05:45,140
of unidentified targets on their radar

1532
01:05:52,420 --> 01:05:48,810
shortly after that I took a report from

1533
01:05:56,900 --> 01:05:52,430
a couple of women who were cleaning a

1534
01:05:59,870 --> 01:05:56,910
large building in Santa Barbara they had

1535
01:06:01,910 --> 01:05:59,880
seen a disc go right by their window but

1536
01:06:05,720 --> 01:06:01,920
the reason I tell this story is later

1537
01:06:09,050 --> 01:06:05,730
that morning I got a call this is now

1538
01:06:11,810 --> 01:06:09,060

some Friday afternoon after I had taken

1539

01:06:15,380 --> 01:06:11,820

the call earlier that morning from a

1540

01:06:17,810 --> 01:06:15,390

young or it was a story they the woman

1541

01:06:20,660 --> 01:06:17,820

who called was a nurse at a school and

1542

01:06:23,300 --> 01:06:20,670

she was calling to relate how earlier

1543

01:06:26,030 --> 01:06:23,310

that morning one of the students at her

1544

01:06:29,690 --> 01:06:26,040

school in Northern California had come

1545

01:06:32,020 --> 01:06:29,700

into her office crime recounting how she

1546

01:06:35,450 --> 01:06:32,030

had been standing at the bus stop at

1547

01:06:37,700 --> 01:06:35,460

5:30 or 6 o'clock in the morning and a

1548

01:06:40,730 --> 01:06:37,710

little gray creature had come up to her

1549

01:06:44,059 --> 01:06:40,740

and said essentially do you want to take

1550

01:06:48,380 --> 01:06:44,069

a ride in my spaceship

1551
01:06:50,959 --> 01:06:48,390
and you some of the well the report is

1552
01:06:58,189 --> 01:06:50,969
posted to our website I think it would

1553
01:07:01,459 --> 01:06:58,199
be for the 9th of September 1994 and it

1554
01:07:04,009 --> 01:07:01,469
was a very convincing set of reports

1555
01:07:06,859 --> 01:07:04,019
that I took in rapid sequence and it's

1556
01:07:09,799 --> 01:07:06,869
very similar to the aerial incident that

1557
01:07:12,009 --> 01:07:09,809
occurred exactly one week later that

1558
01:07:16,039 --> 01:07:12,019
amazing Wow I'd never heard of that one

1559
01:07:18,019 --> 01:07:16,049
yeah yeah I mean you know you're so you

1560
01:07:22,160 --> 01:07:18,029
know boots on the ground as far as the

1561
01:07:24,289 --> 01:07:22,170
reporting's go you know I'm sure after

1562
01:07:26,900 --> 01:07:24,299
all these years you've heard just some

1563
01:07:29,569 --> 01:07:26,910

amazing things and you know right off

1564

01:07:31,370 --> 01:07:29,579

the bat what what would you say some of

1565

01:07:33,319 --> 01:07:31,380

the besides December 9th which we'll

1566

01:07:37,579 --> 01:07:33,329

talk about what has been some of the

1567

01:07:40,670 --> 01:07:37,589

really amazing incidences that we were

1568

01:07:43,099 --> 01:07:40,680

reported to you yeah well the one that

1569

01:07:47,479 --> 01:07:43,109

always comes to mind immediately when

1570

01:07:49,640 --> 01:07:47,489

people often ask what's the most

1571

01:07:52,099 --> 01:07:49,650

dramatic event you've ever covered and I

1572

01:07:53,630 --> 01:07:52,109

think without a doubt it was the Phoenix

1573

01:07:57,859 --> 01:07:53,640

lights event I thought you're going to

1574

01:08:00,229 --> 01:07:57,869

say that March 13 1997 yeah a lot of

1575

01:08:06,069 --> 01:08:00,239

people are aware of the Phoenix lights

1576

01:08:14,809 --> 01:08:08,870

but they're probably not aware of how

1577

01:08:17,390 --> 01:08:14,819

large those objects were and I can share

1578

01:08:20,089 --> 01:08:17,400

that will allow anybody with even a

1579

01:08:23,180 --> 01:08:20,099

primitive grasp of trigonometry to do

1580

01:08:25,459 --> 01:08:23,190

their own calculation the object that

1581

01:08:28,849 --> 01:08:25,469

was hovering seen hovering by a

1582

01:08:32,079 --> 01:08:28,859

multitude of people over Camelback

1583

01:08:35,959 --> 01:08:32,089

Mountain which is a prominent feature of

1584

01:08:38,899 --> 01:08:35,969

Phoenix just probably about four or five

1585

01:08:41,030 --> 01:08:38,909

miles north of Sky Harbor Airport the

1586

01:08:43,669 --> 01:08:41,040

object at that point we know from

1587

01:08:46,550 --> 01:08:43,679

testimony by a fighter pilot was at

1588

01:08:48,410 --> 01:08:46,560

9,000 feet above ground level so just

1589

01:08:52,010 --> 01:08:48,420

almost two miles above ground level

1590

01:08:56,019 --> 01:08:52,020

mm-hmm but to the people on the ground

1591

01:08:57,590 --> 01:08:56,029

it's subtended an arc it filled the sky

1592

01:08:59,599 --> 01:08:57,600

subtended an arc of

1593

01:09:01,970 --> 01:08:59,609

about a hundred and thirty five degrees

1594

01:09:06,140 --> 01:09:01,980

in other words more than a third of the

1595

01:09:08,720 --> 01:09:06,150

circle and if you do the trigonometry

1596

01:09:12,680 --> 01:09:08,730

you quickly realize that that object was

1597

01:09:15,530 --> 01:09:12,690

more than eight miles in width if this

1598

01:09:18,170 --> 01:09:15,540

information is correct oh my god I've

1599

01:09:22,640 --> 01:09:18,180

heard I've heard people suggested being

1600

01:09:25,820 --> 01:09:22,650

a mile wide that's it Wow was vastly

1601
01:09:28,550 --> 01:09:25,830
larger than a mile wide and again I

1602
01:09:31,700 --> 01:09:28,560
would invite any of our listeners to

1603
01:09:34,730 --> 01:09:31,710
draw a diagram an object 9,000 feet

1604
01:09:36,500 --> 01:09:34,740
above your head it intersects about a

1605
01:09:40,099 --> 01:09:36,510
hundred and thirty five degrees of arc

1606
01:09:43,400 --> 01:09:40,109
of the sky it completely blotted out the

1607
01:09:46,340 --> 01:09:43,410
Stars overhead and it hovered there

1608
01:09:48,410 --> 01:09:46,350
motionless for five minutes and then

1609
01:09:51,980 --> 01:09:48,420
suddenly fired what appeared to be a

1610
01:09:55,100 --> 01:09:51,990
laser-like beam of white light at the

1611
01:09:57,770 --> 01:09:55,110
ground and then suddenly jump down and

1612
01:10:01,160 --> 01:09:57,780
hovered over Sky Harbor Airport in fact

1613
01:10:03,800 --> 01:10:01,170

at least one airliner the crew the

1614

01:10:06,290 --> 01:10:03,810

captain and first officer refused to

1615

01:10:09,950 --> 01:10:06,300

leave their gate as long as that object

1616

01:10:11,780 --> 01:10:09,960

was above their aircraft at the airport

1617

01:10:15,710 --> 01:10:11,790

there Wow Wow

1618

01:10:18,260 --> 01:10:15,720

so while this was happening were you

1619

01:10:21,650 --> 01:10:18,270

getting reports actively during the

1620

01:10:23,210 --> 01:10:21,660

sighting dozens one right after the

1621

01:10:25,940 --> 01:10:23,220

other the phone was ringing off the hook

1622

01:10:28,100 --> 01:10:25,950

with callers from Phoenix and

1623

01:10:32,480 --> 01:10:28,110

surrounding communities and even

1624

01:10:35,510 --> 01:10:32,490

neighboring states reported it New

1625

01:10:38,360 --> 01:10:35,520

Mexico reported it Nevada

1626

01:10:40,580 --> 01:10:38,370

reported the starting point from my

1627

01:10:44,390 --> 01:10:40,590

vantage point of the Phoenix lights is

1628

01:10:46,430 --> 01:10:44,400

Henderson Nevada for which I have a very

1629

01:10:49,100 --> 01:10:46,440

nice written report from a gentleman who

1630

01:10:53,210 --> 01:10:49,110

saw these objects heading to the

1631

01:10:57,170 --> 01:10:53,220

southeast towards Arizona towards

1632

01:11:00,920 --> 01:10:57,180

Phoenix so I I can't tell you how many

1633

01:11:04,330 --> 01:11:00,930

calls I got with any great accuracy but

1634

01:11:06,650 --> 01:11:04,340

I can say that the phone was ringing

1635

01:11:09,410 --> 01:11:06,660

faster than I could answer it at many

1636

01:11:11,510 --> 01:11:09,420

times during that night and probably the

1637

01:11:13,790 --> 01:11:11,520

most interesting call of all

1638

01:11:16,190 --> 01:11:13,800

that I received was about eight hours

1639

01:11:20,210 --> 01:11:16,200

after the Phoenix lights event occurred

1640

01:11:23,120 --> 01:11:20,220

I got a telephone call from a gentleman

1641

01:11:26,060 --> 01:11:23,130

who identified himself as a airman in

1642

01:11:30,650 --> 01:11:26,070

the US Air Force and he had been

1643

01:11:33,500 --> 01:11:30,660

involved in the scramble of two f-15c

1644

01:11:36,560 --> 01:11:33,510

model fighter jets that had gone

1645

01:11:40,400 --> 01:11:36,570

screaming out of Luke Air Force Base

1646

01:11:44,720 --> 01:11:40,410

located just west of Phoenix and when

1647

01:11:47,900 --> 01:11:44,730

those jets returned to base he had he

1648

01:11:49,880 --> 01:11:47,910

was involved in helping the pilot get

1649

01:11:52,460 --> 01:11:49,890

out of his cockpit the pilot for some

1650

01:11:54,710 --> 01:11:52,470

reason had difficulty getting out of the

1651

01:11:59,600 --> 01:11:54,720

pilot under out of the cockpit under his

1652

01:12:01,850 --> 01:11:59,610

own steam so there were a lot of things

1653

01:12:04,370 --> 01:12:01,860

that took place that night and most

1654

01:12:08,720 --> 01:12:04,380

Americans tragically are still not aware

1655

01:12:11,960 --> 01:12:08,730

of how dramatic that event was now what

1656

01:12:16,040 --> 01:12:11,970

can you give any details about what he

1657

01:12:19,820 --> 01:12:16,050

said about the pilot yes the pilot could

1658

01:12:22,520 --> 01:12:19,830

not undo his own lap straps and chest

1659

01:12:26,420 --> 01:12:22,530

straps and chin straps so his crew

1660

01:12:28,550 --> 01:12:26,430

raised the canopy for him they undid his

1661

01:12:32,630 --> 01:12:28,560

straps and they physically lifted him

1662

01:12:35,330 --> 01:12:32,640

out as the pilot was being lifted out he

1663

01:12:37,280 --> 01:12:35,340

was telling his crew what he had just

1664

01:12:40,190 --> 01:12:37,290

experienced what he'd just been through

1665

01:12:42,470 --> 01:12:40,200

and what he had seen he told them

1666

01:12:46,460 --> 01:12:42,480

according to this tape recorded

1667

01:12:50,090 --> 01:12:46,470

conversation that as he was approaching

1668

01:12:53,750 --> 01:12:50,100

the object from the north the left-hand

1669

01:12:56,150 --> 01:12:53,760

wingtip was at his nine o'clock position

1670

01:12:59,000 --> 01:12:56,160

as he viewed viewed the object through

1671

01:13:01,340 --> 01:12:59,010

his canopy the right-hand wingtip of it

1672

01:13:03,920 --> 01:13:01,350

was at his three o'clock position in

1673

01:13:07,610 --> 01:13:03,930

other words the object was so large that

1674

01:13:12,020 --> 01:13:07,620

it completely filled his the sides of

1675

01:13:18,260 --> 01:13:12,030

his canopy and his windscreen and they

1676

01:13:23,090 --> 01:13:18,270

intercepted it and at one point the all

1677

01:13:25,459 --> 01:13:23,100

the instrumentation on his instrument

1678

01:13:28,819 --> 01:13:25,469

panel went to white noise the

1679

01:13:31,909 --> 01:13:28,829

scream on the instrument panel went to

1680

01:13:36,709 --> 01:13:31,919

white noise and at that point I'm I

1681

01:13:39,830 --> 01:13:36,719

suspect that the fighter pilot just

1682

01:13:43,509 --> 01:13:39,840

broke off the intercept he said not only

1683

01:13:47,509 --> 01:13:43,519

did his radar screen go to white noise

1684

01:13:50,810 --> 01:13:47,519

but all the lights on the craft dimmed

1685

01:13:54,770 --> 01:13:50,820

so now he's streaking at an object that

1686

01:13:57,020 --> 01:13:54,780

is immense by his measure and he cannot

1687

01:13:59,870 --> 01:13:57,030

see it visually and he cannot see it on

1688

01:14:01,939 --> 01:13:59,880

his radar at that point I strongly

1689

01:14:04,159 --> 01:14:01,949

suspect he broke off the intercept

1690

01:14:06,739 --> 01:14:04,169

returned to base and that's when he

1691

01:14:09,279 --> 01:14:06,749

started telling the stories about what

1692

01:14:13,250 --> 01:14:09,289

had happened to the to his ground crew

1693

01:14:15,439 --> 01:14:13,260

amazing so it sounds like it sounds like

1694

01:14:17,779 --> 01:14:15,449

he was a basket case basically and just

1695

01:14:19,879 --> 01:14:17,789

couldn't you know couldn't deal with it

1696

01:14:23,089 --> 01:14:19,889

and had trouble you know getting out of

1697

01:14:26,919 --> 01:14:23,099

the cockpit as you say well it was lucid

1698

01:14:30,469 --> 01:14:26,929

enough to be able to talk coherently and

1699

01:14:32,989 --> 01:14:30,479

to recount what he had been through I

1700

01:14:35,870 --> 01:14:32,999

suspect if his commander had known what

1701

01:14:38,299 --> 01:14:35,880

he was doing there he would have spoken

1702

01:14:40,549 --> 01:14:38,309

to that pilot pretty firmly yeah but

1703

01:14:43,310 --> 01:14:40,559

after they got the pilot out of the

1704

01:14:46,549 --> 01:14:43,320

cockpit and standing up on the platform

1705

01:14:49,489 --> 01:14:46,559

next to the aircraft the airmen who

1706

01:14:51,739 --> 01:14:49,499

called me race went down off the

1707

01:14:55,189 --> 01:14:51,749

platform raced around to the right side

1708

01:14:59,390 --> 01:14:55,199

of the aircraft and pulled the video

1709

01:15:03,830 --> 01:14:59,400

tape out of a canister it was a lantern

1710

01:15:07,129 --> 01:15:03,840

to canister or Lantern to pod and I

1711

01:15:11,029 --> 01:15:07,139

pulled the video tape out of it and

1712

01:15:13,689 --> 01:15:11,039

raced it to awaiting t39 executive jet

1713

01:15:17,359 --> 01:15:13,699

that had its engines running already

1714

01:15:21,489 --> 01:15:17,369

they threw the video tapes in there in

1715

01:15:24,379 --> 01:15:21,499

the t 39 which closed its door and

1716

01:15:27,290 --> 01:15:24,389

revved up its engines and taxing out to

1717

01:15:29,959 --> 01:15:27,300

the main runway and flew off into the

1718

01:15:33,259 --> 01:15:29,969

night for what destination we have no

1719

01:15:35,870 --> 01:15:33,269

idea but I presume they flew those tapes

1720

01:15:39,059 --> 01:15:35,880

to Washington DC yeah you know it's

1721

01:15:42,839 --> 01:15:39,069

amazing to think that somewhere those

1722

01:15:45,779 --> 01:15:42,849

tapes exist and what amazing footage

1723

01:15:48,329 --> 01:15:45,789

that must be yeah and that's the same

1724

01:15:52,259 --> 01:15:48,339

government that's denying at least up

1725

01:15:55,199 --> 01:15:52,269

until last weekend is denying the mere

1726

01:15:57,839 --> 01:15:55,209

American citizen access to all this

1727

01:16:01,049 --> 01:15:57,849

information which the American taxpayer

1728

01:16:04,919 --> 01:16:01,059

has paid for and paid for dearly to be

1729

01:16:05,669 --> 01:16:04,929

collected right right and together and

1730

01:16:07,979 --> 01:16:05,679

appropriate

1731

01:16:10,109 --> 01:16:07,989

yeah and along those lines you know I

1732

01:16:12,929 --> 01:16:10,119

had Kevin Randall was on for a little

1733

01:16:15,509 --> 01:16:12,939

bit just a little while ago and you know

1734

01:16:20,219 --> 01:16:15,519

basically said the air force's job is to

1735

01:16:24,329 --> 01:16:20,229

protect the skies and you know when they

1736

01:16:26,250 --> 01:16:24,339

can not at least have window-dressing

1737

01:16:29,909 --> 01:16:26,260

enough to show that they're protecting

1738

01:16:31,770 --> 01:16:29,919

the skies I'm sure that is you know 99%

1739

01:16:34,219 --> 01:16:31,780

of the reason why we don't have that

1740

01:16:39,089 --> 01:16:34,229

information is because they're helpless

1741

01:16:42,389 --> 01:16:39,099

yeah that could well be clearly we don't

1742

01:16:44,819 --> 01:16:42,399

have the technology that we've designed

1743

01:16:47,250 --> 01:16:44,829

and built on this planet that would

1744

01:16:50,669 --> 01:16:47,260

allow us to defend our planet from the

1745

01:16:53,339 --> 01:16:50,679

type of technology we think we see in

1746

01:16:54,059 --> 01:16:53,349

discussing the UFO phenomenon right

1747

01:16:57,839 --> 01:16:54,069

right

1748

01:17:01,439 --> 01:16:57,849

so back in 1997 you know the internet

1749

01:17:04,379 --> 01:17:01,449

was you know fairly active is that how

1750

01:17:08,489 --> 01:17:04,389

people found your phone number as far as

1751

01:17:10,679 --> 01:17:08,499

calling to report this no I think there

1752

01:17:12,869 --> 01:17:10,689

are other means for them to discover our

1753

01:17:15,059 --> 01:17:12,879

number as well the national UFO

1754

01:17:18,059 --> 01:17:15,069

Reporting Center was set up by my

1755

01:17:22,529 --> 01:17:18,069

predecessor as director his name was

1756

01:17:28,309 --> 01:17:22,539

Robert J Gribble and he was a Seattle

1757

01:17:30,719 --> 01:17:28,319

fireman from his career as an adult and

1758

01:17:33,109 --> 01:17:30,729

he was very interested in the UFO

1759

01:17:35,579 --> 01:17:33,119

phenomenon from the late 40s perhaps

1760

01:17:38,339 --> 01:17:35,589

starting with the Kenneth Arnold case

1761

01:17:43,649 --> 01:17:38,349

that began in the state of Washington as

1762

01:17:48,899 --> 01:17:43,659

you may know mm-hmm and Bob invited for

1763

01:17:51,809 --> 01:17:48,909

example he invited many of the prominent

1764

01:17:53,120 --> 01:17:51,819

figures in ufology to the state of

1765

01:17:55,530 --> 01:17:53,130

Washington to speak

1766

01:17:56,640 --> 01:17:55,540

well when he retired from the Seattle

1767

01:18:00,540 --> 01:17:56,650

Fire Department

1768

01:18:03,630 --> 01:18:00,550

I believe in 1994 he argued that what we

1769

01:18:05,790 --> 01:18:03,640

needed was one telephone number of

1770

01:18:12,600 --> 01:18:05,800

course 1974

1771

01:18:15,630 --> 01:18:12,610

did I say 94 1974 they long before the

1772

01:18:17,520 --> 01:18:15,640

advent of the internet so telephonic

1773

01:18:21,180 --> 01:18:17,530

communication was about the best means

1774

01:18:23,820 --> 01:18:21,190

of communicating there was so he set up

1775

01:18:27,030 --> 01:18:23,830

the national UFO Reporting Center and

1776

01:18:29,760 --> 01:18:27,040

its associated hotline and we've had

1777

01:18:33,030 --> 01:18:29,770

that same number telephone number ever

1778

01:18:35,220 --> 01:18:33,040

since area code two oh six seven two to

1779

01:18:40,020 --> 01:18:35,230

three thousand and that is what I

1780

01:18:41,850 --> 01:18:40,030

inherited in 1994 when I took over the

1781

01:18:44,070 --> 01:18:41,860

reins for Bob he'd done it for twenty

1782

01:18:47,280 --> 01:18:44,080

years and I think he had grown very

1783

01:18:52,020 --> 01:18:47,290

tired he was meticulous and thorough in

1784

01:18:54,959 --> 01:18:52,030

his job and I suspect after 20 years he

1785

01:18:56,820 --> 01:18:54,969

had probably had enough speaking now I

1786

01:19:01,650 --> 01:18:56,830

don't want to stay on this too long but

1787

01:19:06,030 --> 01:19:01,660

I'd like to talk about a negative thing

1788

01:19:08,510 --> 01:19:06,040

and that is you're getting prank call

1789

01:19:12,959 --> 01:19:08,520

after prank call after prank call

1790

01:19:16,950 --> 01:19:12,969

hundreds a day hundreds a day and I

1791

01:19:20,400 --> 01:19:16,960

would like to invite the listener to to

1792

01:19:25,830 --> 01:19:20,410

email me that's Martin at podcast UFO

1793

01:19:27,720 --> 01:19:25,840

calm for any ideas on how to stop how to

1794

01:19:29,580 --> 01:19:27,730

stop these prank calls from coming in

1795

01:19:33,420 --> 01:19:29,590

because you're talking about 10,000 of

1796

01:19:36,450 --> 01:19:33,430

them since it started and so please do

1797

01:19:39,360 --> 01:19:36,460

email me and what have you done so far

1798

01:19:41,640 --> 01:19:39,370

to try to curtail that well I've talked

1799

01:19:44,270 --> 01:19:41,650

to an attorney initially she said she

1800

01:19:46,920 --> 01:19:44,280

thought we had a very good case for

1801
01:19:48,840 --> 01:19:46,930
internet harassment which is a federal

1802
01:19:51,990 --> 01:19:48,850
crime I'm led to believe from what she

1803
01:19:53,790 --> 01:19:52,000
said then I was directed to our US

1804
01:19:56,250 --> 01:19:53,800
senator I haven't followed through on

1805
01:19:59,190 --> 01:19:56,260
that because it's just not clear to me

1806
01:20:03,810 --> 01:19:59,200
what a u.s. senator could do just last

1807
01:20:05,680 --> 01:20:03,820
week I went to the FBI website and there

1808
01:20:10,090 --> 01:20:05,690
is a page

1809
01:20:14,170 --> 01:20:10,100
it's called ic3 i the letter i letter

1810
01:20:18,670 --> 01:20:14,180
see number three dot-com that allows

1811
01:20:22,990 --> 01:20:18,680
people to submit complaints to the FBI

1812
01:20:26,290 --> 01:20:23,000
which they and i have not followed

1813
01:20:28,030 --> 01:20:26,300

through on that i'm taking so many prank

1814

01:20:31,630 --> 01:20:28,040

calls i haven't had the time to craft

1815

01:20:34,510 --> 01:20:31,640

the careful letter where i'd like to

1816

01:20:38,140 --> 01:20:34,520

submit to explain to the FBI what's

1817

01:20:41,940 --> 01:20:38,150

going on once I get that done it may it

1818

01:20:44,080 --> 01:20:41,950

may curtail some of these calls but now

1819

01:20:48,010 --> 01:20:44,090

we know who did it

1820

01:20:51,010 --> 01:20:48,020

some time on or about the 26th of August

1821

01:20:56,290 --> 01:20:51,020

a Saturday a young woman from Portland

1822

01:21:00,130 --> 01:20:56,300

age 24 placed a video on YouTube with

1823

01:21:04,180 --> 01:21:00,140

nine what she calls scary numbers scary

1824

01:21:06,040 --> 01:21:04,190

telephone numbers and the ninth one it

1825

01:21:09,730 --> 01:21:06,050

looks like it was tagged on at the end

1826

01:21:12,430 --> 01:21:09,740

is the hotline number for the national

1827

01:21:14,470 --> 01:21:12,440

UFO Reporting Center well all of that

1828

01:21:18,580 --> 01:21:14,480

was ten or eleven thousand prank calls

1829

01:21:24,490 --> 01:21:18,590

ago I have it's roundly disappointing

1830

01:21:26,860 --> 01:21:24,500

how many young ill-tempered foul-mouthed

1831

01:21:29,140 --> 01:21:26,870

youth there are in our nation who are

1832

01:21:34,030 --> 01:21:29,150

willing to call a perfect stranger and

1833

01:21:36,160 --> 01:21:34,040

just spew the most god-awful quadruple

1834

01:21:36,550 --> 01:21:36,170

x-rated profanity you've ever heard in

1835

01:21:39,070 --> 01:21:36,560

your life

1836

01:21:41,230 --> 01:21:39,080

that's what America has declined to

1837

01:21:45,010 --> 01:21:41,240

Peter I'm really sorry to hear that

1838

01:21:48,040 --> 01:21:45,020

because you are trying to do a good

1839

01:21:52,150 --> 01:21:48,050

honest job and collect data and it's

1840

01:21:54,160 --> 01:21:52,160

just not right and I've heard you talk

1841

01:21:57,220 --> 01:21:54,170

about this on coast-to-coast a couple of

1842

01:21:58,840 --> 01:21:57,230

times and it really really bothers me I

1843

01:22:01,780 --> 01:21:58,850

wish there was something that I could do

1844

01:22:03,340 --> 01:22:01,790

to help you and perhaps one of the

1845

01:22:05,980 --> 01:22:03,350

listeners out there will have a

1846

01:22:07,540 --> 01:22:05,990

suggestion they'll email me that might

1847

01:22:10,900 --> 01:22:07,550

help you in some way other than what

1848

01:22:13,690 --> 01:22:10,910

you've already tried to do yeah so well

1849

01:22:17,260 --> 01:22:13,700

I appreciate your kind words and your

1850

01:22:19,029 --> 01:22:17,270

effort to help and appreciate in advance

1851

01:22:22,509 --> 01:22:19,039

my thanks in advance ting

1852

01:22:25,209 --> 01:22:22,519

your listeners you might submit ideas

1853

01:22:27,369 --> 01:22:25,219

that end up working I've had many many

1854

01:22:29,799 --> 01:22:27,379

people submit recommendations like

1855

01:22:32,199 --> 01:22:29,809

blowing a police whistle in the phone

1856

01:22:36,729 --> 01:22:32,209

and so on as you know

1857

01:22:39,009 --> 01:22:36,739

and yeah but you have to be careful

1858

01:22:41,409 --> 01:22:39,019

because you can annoy somebody to the

1859

01:22:43,539 --> 01:22:41,419

extent that it worsens the situation and

1860

01:22:45,939 --> 01:22:43,549

I do exactly yeah exactly

1861

01:22:50,079 --> 01:22:45,949

yeah it's it's a it's just helplessness

1862

01:22:51,639 --> 01:22:50,089

and and you know to try to figure out

1863

01:22:54,279 --> 01:22:51,649

how to screen the calls coming in is

1864

01:22:57,039 --> 01:22:54,289

another you know difficult thing to do

1865

01:23:00,069 --> 01:22:57,049

because unless they're coming from the

1866

01:23:03,369 --> 01:23:00,079

same number or you know you may have

1867

01:23:06,579 --> 01:23:03,379

legitimate numbers coming from a caller

1868

01:23:10,419 --> 01:23:06,589

ID you know that's unknown so I mean I'm

1869

01:23:12,609 --> 01:23:10,429

sure that happens as well yeah right

1870

01:23:15,189 --> 01:23:12,619

it's changed the way in which I use the

1871

01:23:15,399 --> 01:23:15,199

hotline because I now turn the ringer

1872

01:23:20,770 --> 01:23:15,409

off

1873

01:23:23,919 --> 01:23:20,780

and screen calls according to the caller

1874

01:23:27,789 --> 01:23:23,929

ID if it's somebody who is a private

1875

01:23:29,770 --> 01:23:27,799

caller or unknown name I just don't

1876

01:23:32,709 --> 01:23:29,780

answer the call because almost

1877

01:23:36,069 --> 01:23:32,719

invariably those are prank calls and

1878

01:23:39,279 --> 01:23:36,079

I've just grown very tired of it now we

1879

01:23:42,039 --> 01:23:39,289

have a police officer in the that I'd

1880

01:23:45,579 --> 01:23:42,049

actually know who actually comes here

1881

01:23:48,039 --> 01:23:45,589

sometimes and joins in Donnie and he's

1882

01:23:50,979 --> 01:23:48,049

saying that you should consider a two

1883

01:23:52,989 --> 01:23:50,989

step reporting process where the report

1884

01:23:55,449 --> 01:23:52,999

of fills out a basic form and supplies a

1885

01:23:57,239 --> 01:23:55,459

callback number I'm sure you've already

1886

01:24:00,219 --> 01:23:57,249

thought of that or something similar

1887

01:24:02,199 --> 01:24:00,229

that's pretty much what we do I should

1888

01:24:04,299 --> 01:24:02,209

describe for a moment the way I run the

1889

01:24:07,989 --> 01:24:04,309

hotline and the national UFO Reporting

1890

01:24:11,109 --> 01:24:07,999

Center I take the position Martin that

1891

01:24:14,859 --> 01:24:11,119

the only kind of report that counts for

1892

01:24:16,770 --> 01:24:14,869

anything is a written report one of the

1893

01:24:19,659 --> 01:24:16,780

hardest things I've ever done in my life

1894

01:24:22,629 --> 01:24:19,669

has been trying to get Americans to

1895

01:24:24,849 --> 01:24:22,639

write things down invariably

1896

01:24:27,969 --> 01:24:24,859

when they call the hotline they want Oh

1897

01:24:30,099 --> 01:24:27,979

half an hour maybe an hour tops two

1898

01:24:32,259 --> 01:24:30,109

hours to tell me all about their

1899

01:24:32,620 --> 01:24:32,269

sighting obviously I don't have enough

1900

01:24:36,250 --> 01:24:32,630

time

1901

01:24:39,430 --> 01:24:36,260

my day to accommodate everybody's desire

1902

01:24:42,220 --> 01:24:39,440

and wish to tell me the whole story so

1903

01:24:44,110 --> 01:24:42,230

what I do is listen to maybe a fifteen

1904

01:24:47,050 --> 01:24:44,120

or thirty second description of what

1905

01:24:49,840 --> 01:24:47,060

they saw to get a rough idea and filter

1906

01:24:53,919 --> 01:24:49,850

out things like sightings of Venus or

1907

01:24:56,110 --> 01:24:53,929

Jupiter or missile launches there are a

1908

01:24:58,780 --> 01:24:56,120

lot of there's a lot of chaff that comes

1909

01:25:01,990 --> 01:24:58,790

in here that has absolutely nothing to

1910

01:25:03,640 --> 01:25:02,000

do with UFOs so I try to filter that out

1911

01:25:06,760 --> 01:25:03,650

as quickly as I can

1912

01:25:09,850 --> 01:25:06,770

but then I invite the people to sit down

1913

01:25:12,729 --> 01:25:09,860

at a computer and type up a detailed

1914

01:25:15,910 --> 01:25:12,739

written description of what they

1915

01:25:17,770 --> 01:25:15,920

allegedly had seen we like to know where

1916

01:25:21,660 --> 01:25:17,780

they were what direction they were

1917

01:25:24,720 --> 01:25:21,670

looking the time the date the the

1918

01:25:27,580 --> 01:25:24,730

relative size of the object they saw

1919

01:25:30,189 --> 01:25:27,590

compared to a star or a planet or a full

1920

01:25:31,240 --> 01:25:30,199

moon the color whether it was moving how

1921

01:25:33,910 --> 01:25:31,250

many of them there were

1922

01:25:37,720 --> 01:25:33,920

there are many parameters that can be

1923

01:25:40,590 --> 01:25:37,730

recorded of course and I invite them to

1924

01:25:42,939 --> 01:25:40,600

type up a statement like typing a letter

1925

01:25:45,280 --> 01:25:42,949

spellcheck it correct any errors they

1926

01:25:47,229 --> 01:25:45,290

might encounter and then copy and paste

1927

01:25:49,870 --> 01:25:47,239

it into the description box of our

1928

01:25:53,050 --> 01:25:49,880

report form fill in the other boxes and

1929

01:25:56,640 --> 01:25:53,060

send us a report almost invariably I

1930

01:26:00,120 --> 01:25:56,650

will post those reports to our website

1931

01:26:03,580 --> 01:26:00,130

irrespective of whether I think they're

1932

01:26:06,390 --> 01:26:03,590

addressing a genuine authentic UFO

1933

01:26:08,649 --> 01:26:06,400

sighting oftentimes with a comment

1934

01:26:11,050 --> 01:26:08,659

sometimes I'll make a comment that I

1935

01:26:14,530 --> 01:26:11,060

suspect they were looking at the star

1936

01:26:19,000 --> 01:26:14,540

Sirius or the star capella or our Taurus

1937

01:26:21,580 --> 01:26:19,010

or some celestial body there are many

1938

01:26:26,110 --> 01:26:21,590

many reports of those items in the night

1939

01:26:28,390 --> 01:26:26,120

sky and then post the report and I'm

1940

01:26:30,240 --> 01:26:28,400

very liberal with what I allow to be

1941

01:26:37,510 --> 01:26:30,250

posted so long as it does not contain

1942

01:26:40,899 --> 01:26:37,520

profanity I am inclined to post it just

1943

01:26:43,120 --> 01:26:40,909

to let the world know that we've

1944

01:26:45,950 --> 01:26:43,130

received the report and that we suspect

1945

01:26:48,620 --> 01:26:45,960

it's some kind of description of acid

1946

01:26:49,729 --> 01:26:48,630

your body or an aircraft or something

1947

01:26:52,580 --> 01:26:49,739

along those lines

1948

01:26:54,500 --> 01:26:52,590

yeah some a lot of UFO videos I'm sure

1949

01:26:57,080 --> 01:26:54,510

you know people are so shocked that

1950

01:26:59,600 --> 01:26:57,090

there is a lot of profanity and that in

1951

01:27:02,690 --> 01:26:59,610

them you know they don't understand what

1952

01:27:05,060 --> 01:27:02,700

they're seeing basically so now a

1953

01:27:08,840 --> 01:27:05,070

question I have about getting back to

1954

01:27:11,090 --> 01:27:08,850

your phone number do you think that you

1955

01:27:12,590 --> 01:27:11,100

could do without I hate to say this but

1956

01:27:14,240 --> 01:27:12,600

do you think you could do without having

1957

01:27:17,150 --> 01:27:14,250

a number and just have people fill out

1958

01:27:19,340 --> 01:27:17,160

or contact you online or do you think

1959

01:27:22,280 --> 01:27:19,350

it's it's real important to keep this

1960

01:27:24,229 --> 01:27:22,290

number yeah you have no idea how many

1961

01:27:28,130 --> 01:27:24,239

times I've almost ripped the cord out of

1962

01:27:31,220 --> 01:27:28,140

the wall Martin yeah and how many times

1963

01:27:33,770 --> 01:27:31,230

I've fought and yearns for that kind of

1964

01:27:36,650 --> 01:27:33,780

situation but again it goes back to the

1965

01:27:38,300 --> 01:27:36,660

problem of getting people to write write

1966

01:27:40,729 --> 01:27:38,310

things down there

1967

01:27:43,430 --> 01:27:40,739

I've decided there has to be a telephone

1968

01:27:46,340 --> 01:27:43,440

if somebody has seen a UFO within the

1969

01:27:50,990 --> 01:27:46,350

last several minutes or say even seconds

1970

01:27:51,770 --> 01:27:51,000

they have an insatiable yearning to tell

1971

01:27:53,900 --> 01:27:51,780

somebody about it

1972

01:27:56,050 --> 01:27:53,910

right now yes and you have to

1973

01:28:00,080 --> 01:27:56,060

accommodate them at least to a degree

1974

01:28:02,720 --> 01:28:00,090

but the one thing I try not to do is

1975

01:28:05,720 --> 01:28:02,730

talk at great length for several reasons

1976

01:28:07,820 --> 01:28:05,730

and I'll share this with our listeners I

1977

01:28:09,740 --> 01:28:07,830

think they will understand I have

1978

01:28:12,020 --> 01:28:09,750

observed over the last twenty four years

1979

01:28:17,690 --> 01:28:12,030

and I think during those twenty four

1980

01:28:21,250 --> 01:28:17,700

years I've probably taken probably 300

1981

01:28:24,560 --> 01:28:21,260

to 400 thousand telephone calls Wow and

1982

01:28:28,459 --> 01:28:24,570

if the one thing I've observed is the

1983

01:28:31,850 --> 01:28:28,469

more I talk with a party who calls about

1984

01:28:35,360 --> 01:28:31,860

a recent sighting or sighting even from

1985

01:28:37,340 --> 01:28:35,370

the distant past the less likely are we

1986

01:28:40,430 --> 01:28:37,350

to get a written report it's almost as

1987

01:28:42,920 --> 01:28:40,440

if they've expiated their sin and they

1988

01:28:45,650 --> 01:28:42,930

go on and don't want to get me involved

1989

01:28:48,650 --> 01:28:45,660

anymore so I try not to talk at any

1990

01:28:51,229 --> 01:28:48,660

great length also the second reason I

1991

01:28:54,410 --> 01:28:51,239

try not to talk at length is because the

1992

01:28:58,220 --> 01:28:54,420

more you talk to a witness particularly

1993

01:29:01,670 --> 01:28:58,230

shortly after their sighting the more

1994

01:29:04,760 --> 01:29:01,680

you risk changing their story and that's

1995

01:29:07,640 --> 01:29:04,770

what I don't want to do the in the ideal

1996

01:29:10,820 --> 01:29:07,650

situation a person would sit down at his

1997

01:29:13,310 --> 01:29:10,830

computer or her computer right after the

1998

01:29:16,880 --> 01:29:13,320

sighting and record every scrap of

1999

01:29:20,990 --> 01:29:16,890

information they possibly can turn it

2000

01:29:23,479 --> 01:29:21,000

into a well-organized written

2001

01:29:26,030 --> 01:29:23,489

description of the event and then submit

2002

01:29:29,990 --> 01:29:26,040

it using our online report form on our

2003

01:29:33,500 --> 01:29:30,000

website at UFO center.com that's the

2004

01:29:35,390 --> 01:29:33,510

ideal way to do it I agree a come up a

2005

01:29:38,720 --> 01:29:35,400

number of times on the show how

2006

01:29:42,080 --> 01:29:38,730

important it is to do something

2007

01:29:44,300 --> 01:29:42,090

immediately because your memory you know

2008

01:29:46,310 --> 01:29:44,310

even if you just start talking about it

2009

01:29:51,200 --> 01:29:46,320

and people ask you questions your memory

2010

01:29:52,760 --> 01:29:51,210

can change and you know you know as soon

2011

01:29:54,260 --> 01:29:52,770

as you can get if you can't get to a

2012

01:29:55,550 --> 01:29:54,270

computer get to a piece of paper and

2013

01:29:58,240 --> 01:29:55,560

write down everything you just saw

2014

01:30:02,060 --> 01:29:58,250

that's a suggestion that I have now

2015

01:30:06,140 --> 01:30:02,070

MUFON does not have a callin number do

2016

01:30:07,430 --> 01:30:06,150

they I think most states do and they

2017

01:30:09,950 --> 01:30:07,440

have a call-in number to their

2018

01:30:13,459 --> 01:30:09,960

headquarters it's not a hotline the way

2019

01:30:16,220 --> 01:30:13,469

mine is I see but Isis I haven't called

2020

01:30:19,270 --> 01:30:16,230

it but I suspect anybody you reach in a

2021

01:30:22,550 --> 01:30:19,280

MUFON number is prepared to take a

2022

01:30:27,410 --> 01:30:22,560

report over the telephone and a written

2023

01:30:30,320 --> 01:30:27,420

report so they do essentially the same

2024

01:30:33,560 --> 01:30:30,330

thing I do as far as I know although

2025

01:30:36,020 --> 01:30:33,570

they they're an investigative body and a

2026

01:30:38,930 --> 01:30:36,030

membership body which the national UFO

2027

01:30:41,630 --> 01:30:38,940

Reporting Center is not many people call

2028

01:30:44,300 --> 01:30:41,640

or send us an email wanting to become a

2029

01:30:47,150 --> 01:30:44,310

member of the national UFO Reporting

2030

01:30:50,140 --> 01:30:47,160

Center but we don't have members it's

2031

01:30:53,600 --> 01:30:50,150

really only one end of fatigue herbal

2032

01:30:55,729 --> 01:30:53,610

dedicated worker at the hotline combined

2033

01:30:58,910 --> 01:30:55,739

and supported by combined with and

2034

01:31:03,800 --> 01:30:58,920

supported by a very dedicated webmasters

2035

01:31:08,540 --> 01:31:03,810

worked pro bono gratis for 23 years now

2036

01:31:09,410 --> 01:31:08,550

oh by the way did he escape the fires he

2037

01:31:12,800 --> 01:31:09,420

did

2038

01:31:16,130 --> 01:31:12,810

yes that's great

2039

01:31:18,680 --> 01:31:16,140

the next day I got an email from him he

2040

01:31:20,990 --> 01:31:18,690

he was delighted by all of the emails

2041

01:31:25,820 --> 01:31:21,000

that people had sent him with words of

2042

01:31:28,520 --> 01:31:25,830

support for him and his wife and he was

2043

01:31:30,140 --> 01:31:28,530

very touched by that and who knows it

2044

01:31:34,070 --> 01:31:30,150

might have had an effect because the

2045

01:31:36,950 --> 01:31:34,080

fire died down just a mile one mile I

2046

01:31:39,320 --> 01:31:36,960

presume to the east of his house Wow

2047

01:31:43,510 --> 01:31:39,330

boy yeah that's real tough time so those

2048

01:31:47,810 --> 01:31:43,520

people out there totally something so

2049

01:31:52,760 --> 01:31:47,820

all right I want to talk about what what

2050

01:31:56,419 --> 01:31:52,770

happened on December 9th it was quite a

2051
01:31:59,270 --> 01:31:56,429
night for you yeah was I'm still on the

2052
01:32:02,360 --> 01:31:59,280
on the fence over what happened because

2053
01:32:05,120 --> 01:32:02,370
just this evening I received a very

2054
01:32:07,459 --> 01:32:05,130
convincing article that the US Air Force

2055
01:32:14,270 --> 01:32:07,469
had had a joint operation with the US

2056
01:32:17,180 --> 01:32:14,280
Army on that night so I'm I'm unclear on

2057
01:32:19,880 --> 01:32:17,190
what happened and as you can well

2058
01:32:23,330 --> 01:32:19,890
imagine when somebody calls and says a

2059
01:32:25,880 --> 01:32:23,340
flotilla of objects passed over my head

2060
01:32:27,830 --> 01:32:25,890
a few minutes ago the first question

2061
01:32:32,240 --> 01:32:27,840
that enters my mind is could it have

2062
01:32:34,130 --> 01:32:32,250
been aircraft or satellites probably

2063
01:32:37,130 --> 01:32:34,140

more like aircraft you wouldn't expect a

2064

01:32:40,189 --> 01:32:37,140

flotilla of satellites of course and I

2065

01:32:42,140 --> 01:32:40,199

grilled people when they called over the

2066

01:32:47,120 --> 01:32:42,150

hotline could they have been aircraft

2067

01:32:50,750 --> 01:32:47,130

and they they were emphatic in saving

2068

01:32:52,550 --> 01:32:50,760

that they were not aircraft at all let

2069

01:32:54,320 --> 01:32:52,560

me go back to the beginning and lay a

2070

01:32:55,790 --> 01:32:54,330

little groundwork for our listeners so

2071

01:32:59,750 --> 01:32:55,800

they understand what I'm talking about

2072

01:33:02,990 --> 01:32:59,760

yeah Saturday night the 9th of December

2073

01:33:05,450 --> 01:33:03,000

2017 I got a telephone call from a

2074

01:33:08,770 --> 01:33:05,460

gentleman in South Carolina who

2075

01:33:13,459 --> 01:33:08,780

recounted that he just had witnessed a

2076

01:33:16,490 --> 01:33:13,469

flight of very strange-looking objects

2077

01:33:19,370 --> 01:33:16,500

moving and this is significant from his

2078

01:33:21,410 --> 01:33:19,380

left to his right in the southern sky

2079

01:33:25,520 --> 01:33:21,420

from his location

2080

01:33:29,990 --> 01:33:25,530

and what he saw he reported were

2081

01:33:32,630 --> 01:33:30,000

flashing red and white lights and that's

2082

01:33:35,570 --> 01:33:32,640

significant because of course all

2083

01:33:38,180 --> 01:33:35,580

aircraft flying at night any pilot even

2084

01:33:41,480 --> 01:33:38,190

a student pilot would know this any

2085

01:33:43,480 --> 01:33:41,490

aircraft flying at night is required

2086

01:33:48,050 --> 01:33:43,490

under the Federal Aviation Regulations

2087

01:33:51,260 --> 01:33:48,060

and international aviation regulations

2088

01:33:54,950 --> 01:33:51,270

as well to have a red light on the Left

2089

01:33:57,920 --> 01:33:54,960

wingtip a white light on the right wing

2090

01:34:01,220 --> 01:33:57,930

tip anybody who operates a boat at night

2091

01:34:04,610 --> 01:34:01,230

knows that same is true of ships at sea

2092

01:34:07,700 --> 01:34:04,620

you mean green red red light on the left

2093

01:34:12,160 --> 01:34:07,710

or portside a green light on the right

2094

01:34:15,140 --> 01:34:12,170

or starboard side yeah well everybody

2095

01:34:17,480 --> 01:34:15,150

reported subsequent to this first

2096

01:34:21,260 --> 01:34:17,490

sighting reported from South Carolina

2097

01:34:23,120 --> 01:34:21,270

everybody was adamant that there were no

2098

01:34:24,710 --> 01:34:23,130

green lights on the left or the right

2099

01:34:28,490 --> 01:34:24,720

hand wingtip of what they were looking

2100

01:34:32,240 --> 01:34:28,500

at it was just a very bizarre looking

2101
01:34:34,130 --> 01:34:32,250
cluster of objects and I would direct

2102
01:34:36,710 --> 01:34:34,140
our listeners anybody who's looking at

2103
01:34:40,040 --> 01:34:36,720
our website or will in the future to

2104
01:34:45,080 --> 01:34:40,050
look at the report from Carbondale

2105
01:34:47,060 --> 01:34:45,090
Illinois reports from Montana all of

2106
01:34:50,720 --> 01:34:47,070
these people are very quite familiar

2107
01:34:54,800 --> 01:34:50,730
with aircraft at night and every one of

2108
01:34:58,790 --> 01:34:54,810
them was adamant in insisting that they

2109
01:35:00,830 --> 01:34:58,800
were not looking at aircraft so just a

2110
01:35:04,460 --> 01:35:00,840
brief overview of what happened

2111
01:35:09,700 --> 01:35:04,470
according to the data I have in my

2112
01:35:13,810 --> 01:35:09,710
database to date the objects were later

2113
01:35:16,400 --> 01:35:13,820

very shortly after they were reported in

2114

01:35:20,090 --> 01:35:16,410

South Carolina they were reported from

2115

01:35:22,430 --> 01:35:20,100

Carbondale Illinois following that they

2116

01:35:24,920 --> 01:35:22,440

were more in from Central Missouri the

2117

01:35:28,880 --> 01:35:24,930

area for all of this area as well as

2118

01:35:31,460 --> 01:35:28,890

Lake of the Ozarks in which report

2119

01:35:33,530 --> 01:35:31,470

people were describing that the objects

2120

01:35:35,260 --> 01:35:33,540

were flying to the east they were

2121

01:35:37,420 --> 01:35:35,270

looking to the north and they were

2122

01:35:39,580 --> 01:35:37,430

from their left to their right so

2123

01:35:42,250 --> 01:35:39,590

they're going to the east in many

2124

01:35:45,940 --> 01:35:42,260

instances out in the Midwest from

2125

01:35:50,100 --> 01:35:45,950

Missouri they were reported from Hays

2126

01:35:53,680 --> 01:35:50,110

Kansas where a gentleman saw this

2127

01:35:56,710 --> 01:35:53,690

flotilla of objects over his head moving

2128

01:35:59,290 --> 01:35:56,720

to the east he jumped in his car and was

2129

01:36:02,940 --> 01:35:59,300

following them for twenty or thirty

2130

01:36:06,670 --> 01:36:02,950

minutes he estimated driving to the east

2131

01:36:09,760 --> 01:36:06,680

if they had been transport jet powered

2132

01:36:12,310 --> 01:36:09,770

transport aircraft they would have been

2133

01:36:14,230 --> 01:36:12,320

long gone in the 20 or 30 minutes that

2134

01:36:16,750 --> 01:36:14,240

he was driving to catch up with them or

2135

01:36:19,930 --> 01:36:16,760

try to catch up with them they were then

2136

01:36:25,120 --> 01:36:19,940

reported from Colorado Wyoming Montana

2137

01:36:28,750 --> 01:36:25,130

Idaho Utah Washington state Nevada and

2138

01:36:33,310 --> 01:36:28,760

California and this is the event that

2139

01:36:36,490 --> 01:36:33,320

the Air Force has said was caused by a

2140

01:36:38,680 --> 01:36:36,500

flotilla of aircraft initially they said

2141

01:36:42,250 --> 01:36:38,690

a hundred then they dropped it to 17

2142

01:36:44,140 --> 01:36:42,260

then the number dropped to 12 and in the

2143

01:36:47,590 --> 01:36:44,150

article I just saw tonight on the

2144

01:36:50,250 --> 01:36:47,600

internet about the joint operation they

2145

01:36:54,760 --> 01:36:50,260

are back up to a hundred aircraft

2146

01:36:58,740 --> 01:36:54,770

including by the way f-16s and f-15s and

2147

01:37:02,920 --> 01:36:58,750

I mention that fact Martin because

2148

01:37:05,950 --> 01:37:02,930

nobody reported any sound emanating from

2149

01:37:10,540 --> 01:37:05,960

the sky that seemed related to this

2150

01:37:12,790 --> 01:37:10,550

event do you think you said you said

2151
01:37:19,120 --> 01:37:12,800
that I'm sorry you said that this seemed

2152
01:37:24,850 --> 01:37:19,130
like very credible as far as this you

2153
01:37:28,000 --> 01:37:24,860
know the military doing this do you

2154
01:37:33,550 --> 01:37:28,010
think that this is actually something

2155
01:37:36,040 --> 01:37:33,560
that has come up do you think it's

2156
01:37:38,230 --> 01:37:36,050
possible that this is a story or do you

2157
01:37:41,800 --> 01:37:38,240
think this really did happen that they

2158
01:37:45,250 --> 01:37:41,810
were running these planes well that's

2159
01:37:47,950 --> 01:37:45,260
hard to say the story the article from

2160
01:37:49,390 --> 01:37:47,960
the military is very convincing I'm

2161
01:37:51,880 --> 01:37:49,400
quick to admit that

2162
01:37:56,800 --> 01:37:51,890
they cite the units that were involved

2163
01:37:59,320 --> 01:37:56,810

they cite some of the Air Force bases

2164

01:38:03,100 --> 01:37:59,330

where the aircraft had been drawn from

2165

01:38:05,740 --> 01:38:03,110

where they were headed and but the

2166

01:38:08,590 --> 01:38:05,750

peculiar thing is they cite that well

2167

01:38:14,910 --> 01:38:08,600

over a hundred aircraft were involved in

2168

01:38:19,300 --> 01:38:14,920

the deployment including at least 17

2169

01:38:22,270 --> 01:38:19,310

c-17 aircraft and they go on to say that

2170

01:38:24,990 --> 01:38:22,280

it was to deploy a hundred and twenty

2171

01:38:29,320 --> 01:38:25,000

paratroopers well you don't need

2172

01:38:32,620 --> 01:38:29,330

seventeen c-17 transport four-engine

2173

01:38:35,890 --> 01:38:32,630

aircraft to deliver 120 paratroopers you

2174

01:38:38,890 --> 01:38:35,900

can probably do that with one c-17

2175

01:38:41,800 --> 01:38:38,900

transport right so why they required all

2176

01:38:45,630 --> 01:38:41,810

those all those aircraft god only knows

2177

01:38:48,850 --> 01:38:45,640

and let it be sent as well that this

2178

01:38:51,660 --> 01:38:48,860

alleged exercise I have to call it

2179

01:38:54,399 --> 01:38:51,670

alleged occurred on a Saturday night

2180

01:38:59,080 --> 01:38:54,409

anybody who's been in the military knows

2181

01:39:02,620 --> 01:38:59,090

that what soldiers and airmen like to do

2182

01:39:07,030 --> 01:39:02,630

on Saturday night is visit the the NCO

2183

01:39:09,669 --> 01:39:07,040

club or officers the officer club and it

2184

01:39:13,240 --> 01:39:09,679

would have been a very unpopular thing

2185

01:39:16,720 --> 01:39:13,250

to stage an operation of this magnitude

2186

01:39:19,990 --> 01:39:16,730

on a Saturday night and December 9th

2187

01:39:23,590 --> 01:39:20,000

when it was on a Saturday now what about

2188

01:39:25,570 --> 01:39:23,600

the the height that most people thought

2189

01:39:26,680 --> 01:39:25,580

because you know the sound of course

2190

01:39:29,500 --> 01:39:26,690

they wouldn't hear if it was at a

2191

01:39:33,550 --> 01:39:29,510

certain altitude do you did people

2192

01:39:36,370 --> 01:39:33,560

speculate how how high these objects

2193

01:39:38,020 --> 01:39:36,380

were well people always speculate as to

2194

01:39:40,390 --> 01:39:38,030

the altitude of an object they're

2195

01:39:42,790 --> 01:39:40,400

looking at and all that speculation is

2196

01:39:45,910 --> 01:39:42,800

probably a waste of time but people

2197

01:39:50,140 --> 01:39:45,920

described how the objects moved across

2198

01:39:53,439 --> 01:39:50,150

the sky fairly rapidly in some cases

2199

01:39:56,950 --> 01:39:53,449

other cases not at all two reports from

2200

01:39:59,900 --> 01:39:56,960

Montana Dillon and Laurel Montana Laurel

2201

01:40:02,370 --> 01:39:59,910

is just west of Billings

2202

01:40:06,390 --> 01:40:02,380

reported that the objects were seen

2203

01:40:09,690 --> 01:40:06,400

allegedly to be hovering motionless in

2204

01:40:12,360 --> 01:40:09,700

the night sky for up to an estimated

2205

01:40:16,320 --> 01:40:12,370

eight to ten minutes well if that report

2206

01:40:19,980 --> 01:40:16,330

is accurate that fact by itself rules

2207

01:40:22,440 --> 01:40:19,990

out the possibility that these objects

2208

01:40:25,080 --> 01:40:22,450

were aircraft there are a few aircraft

2209

01:40:29,370 --> 01:40:25,090

in the world that can hover motionless

2210

01:40:31,440 --> 01:40:29,380

but they're usually relatively small you

2211

01:40:34,190 --> 01:40:31,450

don't get transport aircraft that can

2212

01:40:37,710 --> 01:40:34,200

hover motionless in the night sky and

2213

01:40:44,130 --> 01:40:37,720

the ones that can are very loud like the

2214

01:40:45,960 --> 01:40:44,140

ea-6b are in the know the trying to

2215

01:40:48,090 --> 01:40:45,970

think of the aircraft that lands

2216

01:40:50,850 --> 01:40:48,100

vertically the vertical takeoff and

2217

01:40:54,060 --> 01:40:50,860

light aircraft yeah I think they rotate

2218

01:40:55,560 --> 01:40:54,070

the engines rotate yeah they're very if

2219

01:40:58,200 --> 01:40:55,570

they're in hover they're very loud

2220

01:41:00,270 --> 01:40:58,210

mm-hmm and you you have to do it at low

2221

01:41:04,500 --> 01:41:00,280

altitude it's very difficult for them to

2222

01:41:07,940 --> 01:41:04,510

remain in hovering condition at altitude

2223

01:41:12,680 --> 01:41:07,950

that's right that's right now what

2224

01:41:16,320 --> 01:41:12,690

abilities flight path you know match up

2225

01:41:20,160 --> 01:41:16,330

well I don't know there are military

2226

01:41:24,000 --> 01:41:20,170

flight paths are called oil-burning

2227

01:41:27,450 --> 01:41:24,010

routes that they have designated for

2228

01:41:30,390 --> 01:41:27,460

their activities usually for refueling

2229

01:41:34,650 --> 01:41:30,400

operations and other operations that we

2230

01:41:37,710 --> 01:41:34,660

probably know nothing about but these

2231

01:41:41,160 --> 01:41:37,720

aircraft appeared not to have been in

2232

01:41:45,480 --> 01:41:41,170

any oil burner routes because they were

2233

01:41:49,620 --> 01:41:45,490

at relatively low altitude and that's

2234

01:41:52,770 --> 01:41:49,630

again a very difficult aspect of an

2235

01:41:56,580 --> 01:41:52,780

object to estimate because if you don't

2236

01:41:58,620 --> 01:41:56,590

know how far away an object is you can't

2237

01:42:00,330 --> 01:41:58,630

estimate its altitude and you can't know

2238

01:42:06,290 --> 01:42:00,340

how far away it is unless you know how

2239

01:42:09,270 --> 01:42:06,300

big it is and so on and so forth but I

2240

01:42:11,460 --> 01:42:09,280

I'm on the as I mentioned earlier in

2241

01:42:13,950 --> 01:42:11,470

this broadcast I'm on the fence with

2242

01:42:17,160 --> 01:42:13,960

regard to this incident

2243

01:42:22,890 --> 01:42:17,170

and I would also like to add the fact

2244

01:42:25,860 --> 01:42:22,900

that I am not blind to the the fact that

2245

01:42:29,940 --> 01:42:25,870

this incident occurred just a week

2246

01:42:32,730 --> 01:42:29,950

before to the day the week before all

2247

01:42:34,500 --> 01:42:32,740

this revelation took place in the New

2248

01:42:38,490 --> 01:42:34,510

York on the pages of the New York Times

2249

01:42:40,860 --> 01:42:38,500

about this office in the Pentagon that

2250

01:42:43,950 --> 01:42:40,870

was charged with collecting data about

2251
01:42:46,260 --> 01:42:43,960
UFO sightings so it makes me wonder

2252
01:42:51,120 --> 01:42:46,270
whether they could be linked in some way

2253
01:42:54,390 --> 01:42:51,130
that I cannot see and whether the

2254
01:42:58,140 --> 01:42:54,400
government is having its hand forced by

2255
01:43:00,900 --> 01:42:58,150
an alien presence which is showing what

2256
01:43:03,060 --> 01:43:00,910
them what is capable of doing with

2257
01:43:08,220 --> 01:43:03,070
regard to showing the American people a

2258
01:43:11,490 --> 01:43:08,230
display of UFO technology hey anything's

2259
01:43:14,190 --> 01:43:11,500
possible now what about MUFON did the

2260
01:43:17,790 --> 01:43:14,200
sightings they you know the same

2261
01:43:20,610 --> 01:43:17,800
sightings or some come in that kind of

2262
01:43:23,630 --> 01:43:20,620
corresponds with yours when I last

2263
01:43:25,980 --> 01:43:23,640

talked to MUFON I called Jim Harz an on

2264

01:43:28,140 --> 01:43:25,990

Saturday night he's the international

2265

01:43:31,380 --> 01:43:28,150

director of the mutual UFO network he's

2266

01:43:33,120 --> 01:43:31,390

down in Los Angeles and it the reports

2267

01:43:37,320 --> 01:43:33,130

that were coming to me were so dramatic

2268

01:43:40,650 --> 01:43:37,330

and so convincing that I thought I'd

2269

01:43:43,680 --> 01:43:40,660

like to bring MUFON into the fray at the

2270

01:43:45,720 --> 01:43:43,690

early stage and he quickly discovered

2271

01:43:47,970 --> 01:43:45,730

that they were getting similar reports

2272

01:43:52,110 --> 01:43:47,980

being reported to their state directors

2273

01:43:54,690 --> 01:43:52,120

or state organizations and we're going

2274

01:43:57,300 --> 01:43:54,700

to share data so they can build a

2275

01:44:00,060 --> 01:43:57,310

timeline and a ground track of these

2276

01:44:04,530 --> 01:44:00,070

objects and once that's done it will

2277

01:44:07,500 --> 01:44:04,540

tell us a great deal about what could or

2278

01:44:09,360 --> 01:44:07,510

could not have taken place and that in

2279

01:44:12,420 --> 01:44:09,370

turn will tell us a lot about the nature

2280

01:44:15,210 --> 01:44:12,430

of the objects involved that's a great

2281

01:44:17,970 --> 01:44:15,220

that's great and so do often work

2282

01:44:21,360 --> 01:44:17,980

together with MUFON on or as I

2283

01:44:23,670 --> 01:44:21,370

frequently yeah yeah again I'm not an

2284

01:44:26,640 --> 01:44:23,680

investigative organization I would love

2285

01:44:27,750 --> 01:44:26,650

to be I'm much more the investigator by

2286

01:44:31,320 --> 01:44:27,760

nature than I am

2287

01:44:33,510 --> 01:44:31,330

an amanuensis or secretary to take

2288

01:44:36,240 --> 01:44:33,520

telephone calls and that's particularly

2289

01:44:39,030 --> 01:44:36,250

the case as a result of these prank

2290

01:44:42,000 --> 01:44:39,040

calls that are coming in but I don't

2291

01:44:44,490 --> 01:44:42,010

have the resource to send a team of at

2292

01:44:47,729 --> 01:44:44,500

least two and preferably four or six

2293

01:44:50,820 --> 01:44:47,739

people out to investigate a major

2294

01:44:53,910 --> 01:44:50,830

incident like this it's very very

2295

01:44:58,500 --> 01:44:53,920

expensive in terms of time and Treasury

2296

01:45:01,380 --> 01:44:58,510

to do an investigation so I'm going to

2297

01:45:03,960 --> 01:45:01,390

have to leave that up to MUFON and I

2298

01:45:07,020 --> 01:45:03,970

presume they're doing it and I will turn

2299

01:45:10,320 --> 01:45:07,030

my I'm going to send a link to this

2300

01:45:14,010 --> 01:45:10,330

military article to Jan and chase klutz

2301

01:45:18,060 --> 01:45:14,020

key who's involved in the investigation

2302

01:45:21,060 --> 01:45:18,070

- they may already know about those

2303

01:45:23,700 --> 01:45:21,070

reports but we've got to decide we've

2304

01:45:26,310 --> 01:45:23,710

got to uncover and unravel whether this

2305

01:45:28,290 --> 01:45:26,320

was in fact a military exercise or

2306

01:45:32,850 --> 01:45:28,300

whether it might have been something

2307

01:45:36,620 --> 01:45:32,860

else right right so new fork has been

2308

01:45:40,070 --> 01:45:36,630

basically collecting information since

2309

01:45:43,880 --> 01:45:40,080

1974 are their files actually of

2310

01:45:47,610 --> 01:45:43,890

sightings before the internet came along

2311

01:45:50,580 --> 01:45:47,620

yes but my predecessor Bob Gribble gave

2312

01:45:53,610 --> 01:45:50,590

them to another party for reasons known

2313

01:45:57,780 --> 01:45:53,620

only to him he did that shortly after I

2314

01:45:59,790 --> 01:45:57,790

took over the reins so and had you when

2315

01:46:06,050 --> 01:45:59,800

you took over were you at that time

2316

01:46:14,010 --> 01:46:10,050

only for MUFON I was I think at the time

2317

01:46:19,200 --> 01:46:14,020

I had just resigned a state director for

2318

01:46:23,430 --> 01:46:19,210

MUFON for the state of Washington and I

2319

01:46:25,650 --> 01:46:23,440

had files and records but really didn't

2320

01:46:28,320 --> 01:46:25,660

start a serious collection of records

2321

01:46:31,800 --> 01:46:28,330

until I took over the hotline and now I

2322

01:46:34,250 --> 01:46:31,810

have file cabinet after file cabinet but

2323

01:46:39,510 --> 01:46:34,260

all those records are of little use

2324

01:46:41,550 --> 01:46:39,520

really the the end product of what I do

2325

01:46:44,490 --> 01:46:41,560

is a written

2326

01:46:47,130 --> 01:46:44,500

report which we post to our website I

2327

01:46:49,260 --> 01:46:47,140

frequently get email from people saying

2328

01:46:51,330 --> 01:46:49,270

I'm interested in this case could you

2329

01:46:54,210 --> 01:46:51,340

open your files and send me everything

2330

01:46:56,910 --> 01:46:54,220

you know about it and I invariably write

2331

01:46:59,130 --> 01:46:56,920

back and say you know just about

2332

01:47:01,350 --> 01:46:59,140

everything I know about that case if

2333

01:47:04,590 --> 01:47:01,360

you've read the written report on our

2334

01:47:09,150 --> 01:47:04,600

website we don't keep secret files if

2335

01:47:14,270 --> 01:47:09,160

you will we put everything that we

2336

01:47:17,930 --> 01:47:14,280

collect on the Internet yeah and so

2337

01:47:20,850 --> 01:47:17,940

people have asked me about you know how

2338

01:47:25,650 --> 01:47:20,860

protected are your backups I mean do you

2339

01:47:27,360 --> 01:47:25,660

have any backups as far as you know all

2340

01:47:31,530 --> 01:47:27,370

the reports that have been done over the

2341

01:47:34,650 --> 01:47:31,540

years on there yes we keep again the

2342

01:47:36,270 --> 01:47:34,660

database of reports and there are about

2343

01:47:40,260 --> 01:47:36,280

a hundred and twenty seven thousand

2344

01:47:42,180 --> 01:47:40,270

reports in the database Wow and we have

2345

01:47:43,950 --> 01:47:42,190

a roughly a hundred and thirteen

2346

01:47:47,820 --> 01:47:43,960

thousand of one hundred and twenty seven

2347

01:47:50,960 --> 01:47:47,830

thousand are posted to the Internet the

2348

01:47:55,350 --> 01:47:50,970

other reports are reports that are just

2349

01:47:59,120 --> 01:47:55,360

foolishness frankly they're profane have

2350

01:48:01,650 --> 01:47:59,130

profanity in them or they're just

2351
01:48:06,450 --> 01:48:01,660
reports that are submitted by people who

2352
01:48:08,520 --> 01:48:06,460
are not terribly balanced and so we

2353
01:48:10,890 --> 01:48:08,530
don't post those reports but we leave

2354
01:48:13,650 --> 01:48:10,900
them in the database because every once

2355
01:48:17,040 --> 01:48:13,660
in a while I will make a decision not to

2356
01:48:20,490 --> 01:48:17,050
post a report but it turns out that I am

2357
01:48:25,920 --> 01:48:20,500
wrong and the case that comes to mind is

2358
01:48:29,310 --> 01:48:25,930
the case of mr. Todd C's it's a

2359
01:48:33,060 --> 01:48:29,320
celebrated case that occurred in 2002

2360
01:48:38,580 --> 01:48:33,070
August of 2000 and was seen being taken

2361
01:48:43,590 --> 01:48:38,590
up into a saucer that hovered over the

2362
01:48:45,900 --> 01:48:43,600
mountain Montour in south-central and

2363
01:48:48,990 --> 01:48:45,910

that was the last anybody saw of him

2364

01:48:51,810 --> 01:48:49,000

alive when it was discovered that he was

2365

01:48:55,240 --> 01:48:51,820

missing and all of his things were found

2366

01:48:59,530 --> 01:48:55,250

by his all-terrain vehicle on this

2367

01:49:03,190 --> 01:48:59,540

mountaintop search party including about

2368

01:49:06,730 --> 01:49:03,200

250 people I seem to recall was

2369

01:49:10,210 --> 01:49:06,740

dispatched to try to find him and they

2370

01:49:13,660 --> 01:49:10,220

didn't find him until the next day 7:00

2371

01:49:16,750 --> 01:49:13,670

p.m. he was taken up at about 5:30 a.m.

2372

01:49:21,460 --> 01:49:16,760

on a Sunday I believe it was the fourth

2373

01:49:25,000 --> 01:49:21,470

of August 2002 and people can see the

2374

01:49:27,700 --> 01:49:25,010

reports on our website they searched all

2375

01:49:31,600 --> 01:49:27,710

that Sunday without finding him they

2376

01:49:34,870 --> 01:49:31,610

searched all Monday until the evening

2377

01:49:38,260 --> 01:49:34,880

when his son and tragically it was his

2378

01:49:42,040 --> 01:49:38,270

son found his father's remains suspended

2379

01:49:48,100 --> 01:49:42,050

in underbrush or in a tree in any event

2380

01:49:52,390 --> 01:49:48,110

above ground level and it is reported by

2381

01:49:57,070 --> 01:49:52,400

seemingly authoritative sources that his

2382

01:49:59,050 --> 01:49:57,080

remains were so grossly mutilated that

2383

01:50:02,260 --> 01:49:59,060

not even his son could positively

2384

01:50:05,440 --> 01:50:02,270

identify his father the remains of his

2385

01:50:10,590 --> 01:50:05,450

that he had discovered as those of his

2386

01:50:14,320 --> 01:50:10,600

father Wow that is that's not a typical

2387

01:50:18,900 --> 01:50:14,330

situation and that's that's absolutely

2388

01:50:22,990 --> 01:50:18,910

terrible yeah I mean you don't hear of

2389

01:50:25,750 --> 01:50:23,000

you know accounts of abductions well

2390

01:50:26,860 --> 01:50:25,760

someone said to me one time how do we

2391

01:50:28,990 --> 01:50:26,870

know that people aren't being abducted

2392

01:50:31,360 --> 01:50:29,000

and never brought back with all the

2393

01:50:34,210 --> 01:50:31,370

missing people you know some I mean

2394

01:50:37,060 --> 01:50:34,220

which is kind of a which is kind of a

2395

01:50:39,040 --> 01:50:37,070

point I do want to invite the live

2396

01:50:42,480 --> 01:50:39,050

listener if you'd like to call in at

2397

01:50:47,910 --> 01:50:42,490

this point and ask our guest a question

2398

01:50:51,580 --> 01:50:47,920

you can call in at 6:03 nine six seven

2399

01:50:56,680 --> 01:50:51,590

403 Oh or you can Skype in at marty

2400

01:50:58,360 --> 01:50:56,690

willis that's ma RT y wi ll is I don't

2401
01:51:00,130 --> 01:50:58,370
know why I did Marty Willis it was

2402
01:51:02,410 --> 01:51:00,140
available I don't like being called

2403
01:51:04,390 --> 01:51:02,420
Marty but that's okay you can call me

2404
01:51:07,510 --> 01:51:04,400
Marty if you wanted

2405
01:51:11,200 --> 01:51:07,520
so I know how nice it is to hear the

2406
01:51:14,169 --> 01:51:11,210
area code 603 yeah my my days in New

2407
01:51:17,649 --> 01:51:14,179
Hampshire and I should mention just

2408
01:51:20,350 --> 01:51:17,659
briefly back in 1965 I graduated from

2409
01:51:22,750 --> 01:51:20,360
high school from Pinkerton Academy in

2410
01:51:25,720 --> 01:51:22,760
East Derry village or Derry village

2411
01:51:28,720 --> 01:51:25,730
rather oh yeah and that summer was the

2412
01:51:32,770 --> 01:51:28,730
summer that the incident at Exeter

2413
01:51:36,790 --> 01:51:32,780

occurred and that was the first case I

2414

01:51:39,370 --> 01:51:36,800

ever actively investigated I was working

2415

01:51:41,439 --> 01:51:39,380

for the Derry news at the time in Derry

2416

01:51:46,479 --> 01:51:41,449

New Hampshire I'm sure you know where it

2417

01:51:48,729 --> 01:51:46,489

yeah and my editor and I all that summer

2418

01:51:51,330 --> 01:51:48,739

ironically had had a running debate on

2419

01:51:56,020 --> 01:51:51,340

the subject of UFOs I being the advocate

2420

01:51:58,649 --> 01:51:56,030

he being the cast in concrete skeptic

2421

01:52:01,270 --> 01:51:58,659

well when the Manchester union leader

2422

01:52:06,069 --> 01:52:01,280

published the article I think it was on

2423

01:52:08,560 --> 01:52:06,079

the fourth or fifth of September 1965 my

2424

01:52:11,319 --> 01:52:08,570

editor saw that article and he said

2425

01:52:13,779 --> 01:52:11,329

Davenport you're now a cub reporter put

2426

01:52:17,529 --> 01:52:13,789

that broom down and get up to Exeter and

2427

01:52:20,950 --> 01:52:17,539

get us a story well so I published I

2428

01:52:24,609 --> 01:52:20,960

wrote an article that was published in

2429

01:52:28,209 --> 01:52:24,619

the Derry news the first installment was

2430

01:52:30,729 --> 01:52:28,219

on the 13th of September 1965 the next

2431

01:52:37,359 --> 01:52:30,739

one on the 16th of September same month

2432

01:52:40,180 --> 01:52:37,369

and I was convinced I talked to the two

2433

01:52:42,640 --> 01:52:40,190

police officers who had seen it I talked

2434

01:52:47,560 --> 01:52:42,650

to the hitchhiker Norman muscarello had

2435

01:52:49,839 --> 01:52:47,570

seen it yeah and it was a doozy of a

2436

01:52:52,870 --> 01:52:49,849

sighting and it's what gave rise to the

2437

01:52:58,240 --> 01:52:52,880

book entitled the incident at Exeter by

2438

01:52:59,799 --> 01:52:58,250

John G fuller right right and that's

2439

01:53:03,580 --> 01:52:59,809

great so you actually talked to

2440

01:53:06,930 --> 01:53:03,590

firsthand witnesses yeah amazing and I

2441

01:53:09,250 --> 01:53:06,940

know that they celebrate that every year

2442

01:53:10,510 --> 01:53:09,260

I'm surprised they don't ask you to come

2443

01:53:13,270 --> 01:53:10,520

out and talk about it because they

2444

01:53:15,220 --> 01:53:13,280

celebrate well if they've contacted me

2445

01:53:16,990 --> 01:53:15,230

but I think they run on a thin budget

2446

01:53:19,570 --> 01:53:17,000

they do don't even have money

2447

01:53:23,260 --> 01:53:19,580

for an airline ticket yeah I believe I

2448

01:53:25,060 --> 01:53:23,270

believe that's correct but yeah I have

2449

01:53:28,210 --> 01:53:25,070

gone to that a couple of times it's it's

2450

01:53:30,430 --> 01:53:28,220

always it's always fun it's free also so

2451

01:53:34,600 --> 01:53:30,440

they don't collect any fees that way oh

2452

01:53:39,310 --> 01:53:34,610

yeah yeah but so well I'd love to appear

2453

01:53:42,220 --> 01:53:39,320

there sometime yeah yeah I think that is

2454

01:53:47,110 --> 01:53:42,230

one of the you know one of the important

2455

01:53:50,200 --> 01:53:47,120

cases myself and so Norman passed away

2456

01:53:53,320 --> 01:53:50,210

kind of young didn't he I think he did

2457

01:53:56,200 --> 01:53:53,330

three or four years ago I believe when I

2458

01:54:00,760 --> 01:53:56,210

talked to him in 1965 he was 18 years of

2459

01:54:04,810 --> 01:54:00,770

age as I recall and he was on a delayed

2460

01:54:07,000 --> 01:54:04,820

enlistment program with the US Navy so

2461

01:54:10,120 --> 01:54:07,010

he was burning a hundred and eighty days

2462

01:54:13,420 --> 01:54:10,130

I think it was maybe 90 days before he

2463

01:54:16,510 --> 01:54:13,430

enlisted and he was in actually the

2464

01:54:19,840 --> 01:54:16,520

incident occurred not in Exeter so much

2465

01:54:22,660 --> 01:54:19,850

as in Kennington yeah just south of

2466

01:54:25,630 --> 01:54:22,670

Exeter a couple miles or so maybe maybe

2467

01:54:29,220 --> 01:54:25,640

less than that and I'm stood actually

2468

01:54:32,160 --> 01:54:29,230

stood on the road with officer Bertrand

2469

01:54:35,560 --> 01:54:32,170

he and I went out to the site together

2470

01:54:39,340 --> 01:54:35,570

where he had stood as he watched this

2471

01:54:43,600 --> 01:54:39,350

disc with flashing lights flit all over

2472

01:54:48,310 --> 01:54:43,610

a field and it's a very interesting

2473

01:54:53,020 --> 01:54:48,320

story he he was on patrol the night

2474

01:54:56,170 --> 01:54:53,030

before on the 2nd of September and he

2475

01:54:59,890 --> 01:54:56,180

ran across a woman who had stopped her

2476
01:55:03,040 --> 01:54:59,900
car along the roadside I think she was

2477
01:55:06,360 --> 01:55:03,050
in the center of a circle a traffic

2478
01:55:09,730 --> 01:55:06,370
circle and she was almost hysterical

2479
01:55:13,030 --> 01:55:09,740
even her dog which was pressed down

2480
01:55:15,220 --> 01:55:13,040
against the the floor of the car didn't

2481
01:55:18,370 --> 01:55:15,230
want to didn't want to get up on the

2482
01:55:23,380 --> 01:55:18,380
seat both of them seem to be very upset

2483
01:55:25,840 --> 01:55:23,390
by what they just experienced and he I

2484
01:55:28,080 --> 01:55:25,850
think he saw to it that the woman was

2485
01:55:31,990 --> 01:55:28,090
taken to the hospital she was so upset

2486
01:55:35,439 --> 01:55:32,000
later the next morning when he

2487
01:55:37,990 --> 01:55:35,449
officer Tollefson broadcast the fact

2488
01:55:41,830 --> 01:55:38,000

that a young teenager just broken into

2489

01:55:43,780 --> 01:55:41,840

the bursts into the Exeter police

2490

01:55:47,200 --> 01:55:43,790

station babbling about having been

2491

01:55:49,270 --> 01:55:47,210

chased by a saucer that officer Bertrand

2492

01:55:52,660 --> 01:55:49,280

drove in in his cruiser to the

2493

01:55:55,360 --> 01:55:52,670

headquarters picked up the hitchhiker

2494

01:55:58,900 --> 01:55:55,370

Norman muscarello and they drove out

2495

01:56:02,560 --> 01:55:58,910

together to Kensington where muscarello

2496

01:56:06,100 --> 01:56:02,570

allegedly had seen this object it

2497

01:56:10,630 --> 01:56:06,110

actually chased him as I recall and he

2498

01:56:13,209 --> 01:56:10,640

jumped off the roadway into a swamp now

2499

01:56:16,180 --> 01:56:13,219

and tried to conceal himself under some

2500

01:56:19,780 --> 01:56:16,190

bushes the object moved directly above

2501
01:56:22,350 --> 01:56:19,790
him and it tilted 90 degrees and turned

2502
01:56:24,310 --> 01:56:22,360
its headlights on so to speak and

2503
01:56:27,100 --> 01:56:24,320
illuminated the area where he was

2504
01:56:31,990 --> 01:56:27,110
hunkered down under this bush intensely

2505
01:56:34,860 --> 01:56:32,000
brightly so it was a very very

2506
01:56:38,620 --> 01:56:34,870
convincing case and I still enjoy

2507
01:56:42,280 --> 01:56:38,630
reading but the articles that I wrote

2508
01:56:44,439 --> 01:56:42,290
for the Derry news it was it was pretty

2509
01:56:46,150 --> 01:56:44,449
heady stuff for a seventeen year old kid

2510
01:56:51,010 --> 01:56:46,160
to be writing articles for a newspaper

2511
01:56:53,709 --> 01:56:51,020
Wow did that have uh did that affect you

2512
01:56:56,320 --> 01:56:53,719
in a way too you know I know you said

2513
01:57:00,100 --> 01:56:56,330

you had a sighting early on in your life

2514

01:57:03,189 --> 01:57:00,110

or I believe you did so did this really

2515

01:57:04,990 --> 01:57:03,199

like oh we have a call coming in so I'd

2516

01:57:05,530 --> 01:57:05,000

like to like it to take that if that's

2517

01:57:07,840 --> 01:57:05,540

all right

2518

01:57:09,910 --> 01:57:07,850

that sounds fine I look forward to it

2519

01:57:13,630 --> 01:57:09,920

okay

2520

01:57:14,800 --> 01:57:13,640

caller welcome to the show please give

2521

01:57:16,260 --> 01:57:14,810

your first name and where you're calling

2522

01:57:18,850 --> 01:57:16,270

from

2523

01:57:23,260 --> 01:57:18,860

hi mountain it's Donny how are you

2524

01:57:25,979 --> 01:57:23,270

Donny Donny the police officer Donny the

2525

01:57:29,229 --> 01:57:25,989

retired one the retired one hey honey

2526

01:57:31,300 --> 01:57:29,239

how are ya hey Peter how are you I'm

2527

01:57:34,180 --> 01:57:31,310

doing well how nice to have you on the

2528

01:57:36,939 --> 01:57:34,190

program with us oh hey thank you it's

2529

01:57:39,640 --> 01:57:36,949

good to hear you back on again I wanted

2530

01:57:41,400 --> 01:57:39,650

to pop in here real quick because Martin

2531

01:57:44,830 --> 01:57:41,410

and I were talking a couple weeks ago

2532

01:57:47,080 --> 01:57:44,840

and this is before the latest

2533

01:57:50,170 --> 01:57:47,090

revelation about about the Nimitz and

2534

01:57:51,640 --> 01:57:50,180

the tic-tac case with with the with the

2535

01:57:54,910 --> 01:57:51,650

gun camera footage which is just

2536

01:57:58,660 --> 01:57:54,920

astonishing but what I wanted to ask you

2537

01:58:04,360 --> 01:57:58,670

PETA and you know its new fork gotten

2538

01:58:05,950 --> 01:58:04,370

any fresh reports or data from military

2539

01:58:09,370 --> 01:58:05,960

sources given the current state of

2540

01:58:11,500 --> 01:58:09,380

affairs with the North Koreans and the

2541

01:58:13,000 --> 01:58:11,510

saber-rattling I would imagine there's

2542

01:58:14,980 --> 01:58:13,010

got to be a ton of activity in the Sea

2543

01:58:16,450 --> 01:58:14,990

of Japan and all kinds of weird things

2544

01:58:19,720 --> 01:58:16,460

happening and on the Korean Peninsula

2545

01:58:22,720 --> 01:58:19,730

once you take on that pier good question

2546

01:58:25,300 --> 01:58:22,730

military sources are in my opinion some

2547

01:58:28,600 --> 01:58:25,310

of the most reliable and useful sources

2548

01:58:32,110 --> 01:58:28,610

of information that we receive I have

2549

01:58:35,230 --> 01:58:32,120

received many many reports from military

2550

01:58:38,170 --> 01:58:35,240

officers and enlisted as well people

2551

01:58:42,370 --> 01:58:38,180

who've been aboard ship ships Navy

2552

01:58:44,830 --> 01:58:42,380

personnel from Coast Guard personnel

2553

01:58:48,400 --> 01:58:44,840

who've been aboard ships when they sight

2554

01:58:50,040 --> 01:58:48,410

had dramatic sightings taken reports

2555

01:58:52,210 --> 01:58:50,050

from people who are board a submarine

2556

01:58:54,490 --> 01:58:52,220

although they didn't follow up with a

2557

01:58:59,920 --> 01:58:54,500

written report tragically so it's a

2558

01:59:03,190 --> 01:58:59,930

wasted case pilots military pilots

2559

01:59:05,650 --> 01:59:03,200

civilian pilots and a lot of people in

2560

01:59:10,960 --> 01:59:05,660

desert who participated in the Desert

2561

01:59:12,730 --> 01:59:10,970

Storm hostilities they saw some very

2562

01:59:16,240 --> 01:59:12,740

strange things in fact one of those

2563

01:59:19,870 --> 01:59:16,250

cases goes back to August one of the

2564

01:59:24,820 --> 01:59:19,880

cases I received August of 2001 I

2565

01:59:29,020 --> 01:59:24,830

believe it was got a report from a

2566

01:59:29,530 --> 01:59:29,030

gentleman who seen aliens inside the

2567

01:59:33,280 --> 01:59:29,540

tent

2568

01:59:35,620 --> 01:59:33,290

that's where six or eight soldiers were

2569

01:59:37,960 --> 01:59:35,630

sleeping and it came up to him and

2570

01:59:40,780 --> 01:59:37,970

touched him in the forehead and he

2571

01:59:44,910 --> 01:59:40,790

remembers nothing beyond that point very

2572

01:59:48,700 --> 01:59:44,920

dramatic loss that is quite a story

2573

01:59:50,830 --> 01:59:48,710

Donny anything else for repeater well no

2574

01:59:53,380 --> 01:59:50,840

just really curious about that and you

2575

01:59:55,840 --> 01:59:53,390

know any any guess that that that come

2576

01:59:58,390 --> 01:59:55,850

on really collecting collect data I

2577

01:59:59,860 --> 01:59:58,400

think now at the time my own opinion

2578

02:00:03,490 --> 01:59:59,870

like now's the time where we're going to

2579

02:00:05,320 --> 02:00:03,500

see a lot of activity I'm looking what

2580

02:00:07,030 --> 02:00:05,330

happily I mean I keep going back to

2581

02:00:08,860 --> 02:00:07,040

Rendlesham problem my favorite case well

2582

02:00:10,810 --> 02:00:08,870

up until this recent one which is

2583

02:00:13,450 --> 02:00:10,820

probably my new favorite but in any

2584

02:00:16,120 --> 02:00:13,460

event it seems to me that when the

2585

02:00:17,740 --> 02:00:16,130

sabers rattle these things really start

2586

02:00:22,900 --> 02:00:17,750

to come out and these things really

2587

02:00:26,380 --> 02:00:22,910

start to to hover and and and fly around

2588

02:00:28,840 --> 02:00:26,390

our air bases in particular and probably

2589

02:00:31,480 --> 02:00:28,850

in our ships at sea so that's all I want

2590

02:00:33,220 --> 02:00:31,490

to ask good to hear Peter and always

2591

02:00:34,600 --> 02:00:33,230

oppose your money and I'll pass it over

2592

02:00:37,330 --> 02:00:34,610

to somebody else all right

2593

02:00:39,310 --> 02:00:37,340

hey Johnny merry Christmas to you yes

2594

02:00:41,310 --> 02:00:39,320

hey same to you guys to be well all

2595

02:00:47,530 --> 02:00:41,320

right take care

2596

02:00:50,230 --> 02:00:47,540

yeah so that that is interesting to me

2597

02:00:55,630 --> 02:00:50,240

when it comes to military and I agree

2598

02:01:00,250 --> 02:00:55,640

with you it just it seems like well more

2599

02:01:02,680 --> 02:01:00,260

credible I guess you'd call it yep yeah

2600

02:01:05,050 --> 02:01:02,690

they're people who are oftentimes

2601
02:01:08,560 --> 02:01:05,060
trained to one degree or another

2602
02:01:10,840 --> 02:01:08,570
oftentimes to a high degree and they're

2603
02:01:15,160 --> 02:01:10,850
not the type of people to fabricate

2604
02:01:17,860 --> 02:01:15,170
stories they once you've been on the in

2605
02:01:21,390 --> 02:01:17,870
combat or training for combat you

2606
02:01:24,010 --> 02:01:21,400
recognize the need for accurate reliable

2607
02:01:26,860 --> 02:01:24,020
communication and people who've been in

2608
02:01:29,980 --> 02:01:26,870
the military are in my opinion and it's

2609
02:01:32,940 --> 02:01:29,990
been my observation more reliable in

2610
02:01:35,530 --> 02:01:32,950
that respect than the average person

2611
02:01:37,960 --> 02:01:35,540
calling from his apartment who's never

2612
02:01:40,660 --> 02:01:37,970
been in the military yeah I agree we

2613
02:01:42,640 --> 02:01:40,670

have a we have another caller caller

2614

02:01:46,750 --> 02:01:42,650

your first name where you're calling

2615

02:01:48,280 --> 02:01:46,760

from Steven organ hi what are you doing

2616

02:01:50,800 --> 02:01:48,290

welcome to the show oh you're right out

2617

02:01:52,110 --> 02:01:50,810

we're right out by pieter not too far

2618

02:01:54,970 --> 02:01:52,120

away

2619

02:01:58,480 --> 02:01:54,980

Morrigan did you say Steven Yeah right

2620

02:01:59,980 --> 02:01:58,490

down at southern Washington yeah I'm

2621

02:02:03,430 --> 02:01:59,990

going to Portland

2622

02:02:06,790 --> 02:02:03,440

oh yeah okay near Vancouver projector

2623

02:02:09,930 --> 02:02:06,800

zoom yeah in Vancouver Oh which nobody

2624

02:02:12,680 --> 02:02:09,940

knows why we say Portland

2625

02:02:15,689 --> 02:02:12,690

so you have a question for our guest I

2626

02:02:18,540 --> 02:02:15,699

do um one of the cases i falled was

2627

02:02:20,899 --> 02:02:18,550

interest for years as the Phoenix lights

2628

02:02:25,200 --> 02:02:20,909

and it seems pretty clear that was

2629

02:02:29,930 --> 02:02:25,210

something legitimate happened at 8:30

2630

02:02:35,700 --> 02:02:29,940

that night and then and then at 10:00

2631

02:02:39,590 --> 02:02:35,710

10:15 it appears to me that that the

2632

02:02:44,580 --> 02:02:39,600

military deliberately did a flare drop

2633

02:02:46,830 --> 02:02:44,590

to kind of create a you know the kind of

2634

02:02:50,040 --> 02:02:46,840

throat dirt in the air and confuse

2635

02:02:52,169 --> 02:02:50,050

everybody conceal the evidence all right

2636

02:02:55,140 --> 02:02:52,179

be able to mix it up a little bit so

2637

02:02:56,970 --> 02:02:55,150

nobody would know anything once you bury

2638

02:03:00,000 --> 02:02:56,980

a signal with noise it's hard to

2639

02:03:01,590 --> 02:03:00,010

understand what's going on and I just I

2640

02:03:05,610 --> 02:03:01,600

just really wanted to have never heard

2641

02:03:07,939 --> 02:03:05,620

you speak specifically to the 10:00

2642

02:03:10,050 --> 02:03:07,949

o'clock thing that you know that um

2643

02:03:13,979 --> 02:03:10,060

what's-her-name put in her documentary

2644

02:03:16,890 --> 02:03:13,989

the UFO lights dr. Lynn cannon I yeah

2645

02:03:20,729 --> 02:03:16,900

Lincoln time I'm in doses oh those films

2646

02:03:23,070 --> 02:03:20,739

in your view were that was the ten

2647

02:03:26,550 --> 02:03:23,080

o'clock flare drop is that is that true

2648

02:03:29,070 --> 02:03:26,560

for you as it is I can't agree with you

2649

02:03:30,840 --> 02:03:29,080

I believe that the objects that were

2650

02:03:33,750 --> 02:03:30,850

seen from the Phoenix area in the

2651

02:03:38,070 --> 02:03:33,760

Southwest at about ten o'clock

2652

02:03:40,550 --> 02:03:38,080

almost certainly were flares but people

2653

02:03:43,680 --> 02:03:40,560

put me in the doghouse for that claim I

2654

02:03:47,879 --> 02:03:43,690

tend to agree with you that the military

2655

02:03:55,590 --> 02:03:47,889

had enough time to if they had a TENS on

2656

02:03:57,959 --> 02:03:55,600

the ground in in an airbase down near

2657

02:03:58,680 --> 02:03:57,969

Tucson I'm trying I'm groping for the

2658

02:04:00,810 --> 02:03:58,690

name of it

2659

02:04:05,220 --> 02:04:00,820

davis-monthan Air Force Base is when I

2660

02:04:06,840 --> 02:04:05,230

was searching for if they had a TENS

2661

02:04:08,970 --> 02:04:06,850

they could have gotten them to the Gila

2662

02:04:13,470 --> 02:04:08,980

Bend firing range and dumped out a bunch

2663

02:04:15,540 --> 02:04:13,480

of flares in time for people to be

2664

02:04:18,450 --> 02:04:15,550

confused by what they were looking at to

2665

02:04:21,720 --> 02:04:18,460

muddy the waters as you correctly put it

2666

02:04:22,939 --> 02:04:21,730

but one thing a lot of people don't know

2667

02:04:28,219 --> 02:04:22,949

is

2668

02:04:31,040 --> 02:04:28,229

book on the Phoenix lights the US

2669

02:04:33,830 --> 02:04:31,050

military forces were elevated from

2670

02:04:37,819 --> 02:04:33,840

defense condition 5 which is a normal

2671

02:04:39,169 --> 02:04:37,829

peacetime condition to DEFCON 3 in one

2672

02:04:42,589 --> 02:04:39,179

single step

2673

02:04:45,319 --> 02:04:42,599

I skipped or altogether another fact

2674

02:04:48,199 --> 02:04:45,329

that I find particularly intriguing is

2675

02:04:52,009 --> 02:04:48,209

that President Bill Clinton who earlier

2676
02:04:55,669 --> 02:04:52,019
that morning on the 13th of March 1997

2677
02:04:59,229 --> 02:04:55,679
had been flown from Washington DC down

2678
02:05:01,850 --> 02:04:59,239
to Florida where he spent the day

2679
02:05:05,629 --> 02:05:01,860
golfing with the professional golfer

2680
02:05:07,489 --> 02:05:05,639
from Australia Greg Norman and President

2681
02:05:09,379 --> 02:05:07,499
Clinton spent the night at Greg Norman's

2682
02:05:11,600 --> 02:05:09,389
house that night somewhere in Florida

2683
02:05:13,339 --> 02:05:11,610
Miami or Orlando

2684
02:05:16,640 --> 02:05:13,349
perhaps I'm forgotten where it was

2685
02:05:18,370 --> 02:05:16,650
that's right that's right and that was

2686
02:05:21,500 --> 02:05:18,380
the night that President Clinton

2687
02:05:24,560 --> 02:05:21,510
allegedly injured the ligaments of his

2688
02:05:28,100 --> 02:05:24,570

knee so badly that it required him to be

2689

02:05:31,669 --> 02:05:28,110

evacuated from Greg Norman's house in a

2690

02:05:34,239 --> 02:05:31,679

very hurried manner and flown to

2691

02:05:39,160 --> 02:05:34,249

Washington DC where he allegedly

2692

02:05:44,020 --> 02:05:39,170

underwent surgery on one of his knees

2693

02:05:47,479 --> 02:05:44,030

right well my suspicion is absent proof

2694

02:05:51,589 --> 02:05:47,489

suspicion is that all of that was a

2695

02:05:53,899 --> 02:05:51,599

cover story to get President Clinton to

2696

02:05:56,689 --> 02:05:53,909

a military safe area where his

2697

02:05:59,560 --> 02:05:56,699

whereabouts would not be known which I

2698

02:06:03,020 --> 02:05:59,570

presume is part of the defense condition

2699

02:06:06,319 --> 02:06:03,030

declaration I presume that's when DEFCON

2700

02:06:11,509 --> 02:06:06,329

3 is declared that's by the way one step

2701

02:06:13,430 --> 02:06:11,519

short of all-out global warfare that

2702

02:06:15,439 --> 02:06:13,440

somebody has the presence of mind to

2703

02:06:17,779 --> 02:06:15,449

pick up a telephone and contact the

2704

02:06:20,779 --> 02:06:17,789

president or his Secret Service

2705

02:06:24,319 --> 02:06:20,789

detachment and they would move him very

2706

02:06:26,569 --> 02:06:24,329

very quickly and either he did sustained

2707

02:06:28,879 --> 02:06:26,579

an injury presumably when they were

2708

02:06:32,060 --> 02:06:28,889

rushing him through a house where he'd

2709

02:06:36,620 --> 02:06:32,070

never been to a waiting vehicle or he

2710

02:06:39,260 --> 02:06:36,630

did not sustain the victim injury

2711

02:06:42,979 --> 02:06:39,270

they were using the injury as a cover

2712

02:06:45,770 --> 02:06:42,989

story to prevent the press from getting

2713

02:06:48,800 --> 02:06:45,780

wind of the UFO event that had just

2714

02:06:51,050 --> 02:06:48,810

taken place or was in fact still taking

2715

02:06:54,050 --> 02:06:51,060

place over Phoenix that night

2716

02:06:57,140 --> 02:06:54,060

either either scenario is equally

2717

02:06:58,640 --> 02:06:57,150

logical in my mind that's right yeah the

2718

02:07:01,220 --> 02:06:58,650

timing if you actually look at the

2719

02:07:04,010 --> 02:07:01,230

timing of when he supposedly went down

2720

02:07:06,379 --> 02:07:04,020

and the the Phoenix lights I mean the

2721

02:07:07,490 --> 02:07:06,389

timing lines up perfectly from where he

2722

02:07:10,580 --> 02:07:07,500

was funny

2723

02:07:13,850 --> 02:07:10,590

Echo's four minutes yes right and then

2724

02:07:17,930 --> 02:07:13,860

one other question I had on that just it

2725

02:07:21,560 --> 02:07:17,940

seems to me that the military response

2726

02:07:23,600 --> 02:07:21,570

came uh it was remarkable that if the

2727

02:07:26,419 --> 02:07:23,610

8:30 sighting like when I see Mike

2728

02:07:28,760 --> 02:07:26,429

Fortson or Tim bleh or some of the 8:30

2729

02:07:33,620 --> 02:07:28,770

witnesses I mean they're very compelling

2730

02:07:37,220 --> 02:07:33,630

for the Phoenix light that the fact that

2731

02:07:39,979 --> 02:07:37,230

the military could work out some sort of

2732

02:07:43,610 --> 02:07:39,989

way to muddy the waters in just under

2733

02:07:46,310 --> 02:07:43,620

two hours and that they're so willing

2734

02:07:49,580 --> 02:07:46,320

and so capable to do that so quickly

2735

02:07:52,600 --> 02:07:49,590

what do you make of that yeah I agree

2736

02:07:57,200 --> 02:07:52,610

with you and I commend the caller for

2737

02:07:59,629 --> 02:07:57,210

his insight into what the military or

2738

02:08:04,070 --> 02:07:59,639

the government seems to be able to do in

2739

02:08:07,970 --> 02:08:04,080

fact it calls to mind it brings to my

2740

02:08:12,700 --> 02:08:07,980

memory a UFO that appears to have blown

2741

02:08:15,229 --> 02:08:12,710

up over Warren County Tennessee

2742

02:08:17,930 --> 02:08:15,239

McMinnville Tennessee not Oregon

2743

02:08:23,090 --> 02:08:17,940

McMinnville Tennessee on the 6th of

2744

02:08:28,040 --> 02:08:23,100

January 1995 within approximately 90

2745

02:08:30,890 --> 02:08:28,050

minutes people who identified themselves

2746

02:08:33,410 --> 02:08:30,900

as working for the US government were

2747

02:08:38,270 --> 02:08:33,420

knocking on people's doors in

2748

02:08:40,010 --> 02:08:38,280

McMinnville Tennessee in permission to

2749

02:08:42,950 --> 02:08:40,020

go on their property to look for

2750

02:08:47,410 --> 02:08:42,960

fragments of aircraft and aircraft that

2751

02:08:49,669 --> 02:08:47,420

had blown up I include that in

2752

02:08:52,910 --> 02:08:49,679

PowerPoint lecture when I'm talking

2753

02:08:56,649 --> 02:08:52,920

the data I've collected over the last 23

2754

02:08:59,989 --> 02:08:56,659

years but I agree with you entirely the

2755

02:09:02,239 --> 02:08:59,999

the flares over Gila been firing range

2756

02:09:05,660 --> 02:09:02,249

during the Phoenix lights event I think

2757

02:09:08,179 --> 02:09:05,670

was disinformation and I that's why at

2758

02:09:10,910 --> 02:09:08,189

the outset of this program I was very

2759

02:09:13,549 --> 02:09:10,920

cautious not to accept the US

2760

02:09:15,350 --> 02:09:13,559

government's explanation for the events

2761

02:09:15,979 --> 02:09:15,360

that occurred just less than two weeks

2762

02:09:20,359 --> 02:09:15,989

ago

2763

02:09:23,540 --> 02:09:20,369

all across twelve or fourteen states the

2764

02:09:26,689 --> 02:09:23,550

facts in the reports that we posted to

2765

02:09:28,819 --> 02:09:26,699

our website are not compatible with the

2766

02:09:33,140 --> 02:09:28,829

scenario that the US Air Force is

2767

02:09:36,129 --> 02:09:33,150

presenting interesting yeah I know yeah

2768

02:09:40,250 --> 02:09:36,139

the one other point you know the FAA the

2769

02:09:42,589 --> 02:09:40,260

f-18 pilots who went on CNN and and

2770

02:09:45,589 --> 02:09:42,599

talked and showed the film that they

2771

02:09:49,640 --> 02:09:45,599

took of the UFO West the San Diego the

2772

02:09:53,270 --> 02:09:49,650

other day they show that film the pilot

2773

02:09:56,870 --> 02:09:53,280

got over 3500 hours and then they say

2774

02:10:00,589 --> 02:09:56,880

but we canceled the program because

2775

02:10:04,069 --> 02:10:00,599

there's nothing to it it's really it's

2776

02:10:09,169 --> 02:10:04,079

really I don't there's just such a

2777

02:10:11,120 --> 02:10:09,179

disconnect there so anyway it's what it

2778

02:10:14,179 --> 02:10:11,130

tells us is the government is lined to

2779

02:10:16,219 --> 02:10:14,189

the American people on the subject of

2780

02:10:19,390 --> 02:10:16,229

UFOs and that takes us into a whole

2781

02:10:23,719 --> 02:10:19,400

whole different discussion in arena and

2782

02:10:27,500 --> 02:10:23,729

the ultimate question I ask is could it

2783

02:10:30,459 --> 02:10:27,510

be possible that the US government is in

2784

02:10:33,709 --> 02:10:30,469

one way or another or many ways perhaps

2785

02:10:36,199 --> 02:10:33,719

being influenced by the presence of

2786

02:10:38,899 --> 02:10:36,209

aliens on our planet I look at what the

2787

02:10:42,439 --> 02:10:38,909

US government is doing to the American

2788

02:10:45,439 --> 02:10:42,449

people as opposed to in my opinion for

2789

02:10:48,350 --> 02:10:45,449

the American people and I become start

2790

02:10:51,199 --> 02:10:48,360

becoming very uncomfortable like a 20

2791

02:10:53,540 --> 02:10:51,209

trillion dollar debt these are not

2792

02:10:56,660 --> 02:10:53,550

unintelligent people in Congress by any

2793

02:10:59,719 --> 02:10:56,670

means they're crap they know what

2794

02:11:02,179 --> 02:10:59,729

they're doing and there may be some very

2795

02:11:06,560 --> 02:11:02,189

good reason that they have taken this

2796

02:11:09,830 --> 02:11:06,570

into 20 trillion dollars of debt to

2797

02:11:11,390 --> 02:11:09,840

benefit their agenda and not benefit the

2798

02:11:12,620 --> 02:11:11,400

American people that worries me

2799

02:11:15,739 --> 02:11:12,630

profoundly

2800

02:11:17,750 --> 02:11:15,749

hey well thank you for the call all

2801

02:11:19,939 --> 02:11:17,760

right thanks guys good comments like

2802

02:11:23,120 --> 02:11:19,949

typically hat in your direction in

2803

02:11:26,899 --> 02:11:23,130

Vancouver thanks have a good night good

2804

02:11:29,719 --> 02:11:26,909

good night so anyone else wants to call

2805

02:11:33,679 --> 02:11:29,729

in we still have 15 minutes left that

2806

02:11:38,629 --> 02:11:33,689

number again is 603 nine six seven four

2807

02:11:41,419 --> 02:11:38,639

oh three oh so yeah I think you know the

2808

02:11:43,219 --> 02:11:41,429

Phoenix lights it was really great to

2809

02:11:45,459 --> 02:11:43,229

talk to you you know especially earlier

2810

02:11:49,339 --> 02:11:45,469

on when you were giving some details

2811

02:11:50,959 --> 02:11:49,349

because I had heard about that the the

2812

02:11:52,759 --> 02:11:50,969

pilot that went up and I heard he was

2813

02:11:56,419 --> 02:11:52,769

really shaken but I've never heard of

2814

02:11:58,839 --> 02:11:56,429

the details that you you gave you know

2815

02:12:01,339 --> 02:11:58,849

that's a lot of times I will talk about

2816

02:12:03,350 --> 02:12:01,349

what I think is you know the top 10

2817

02:12:06,939 --> 02:12:03,360

sightings and Phoenix lights is in that

2818

02:12:10,939 --> 02:12:06,949

in there you know kind of near the top

2819

02:12:14,029 --> 02:12:10,949

yeah another thing that I'd like to

2820

02:12:16,219 --> 02:12:14,039

point out as that object over Camelback

2821

02:12:19,159 --> 02:12:16,229

Mountain that I alluded to that was

2822

02:12:21,229 --> 02:12:19,169

intercepted by the two f-15s I took a

2823

02:12:25,100 --> 02:12:21,239

great deal of heat from the public

2824

02:12:35,000 --> 02:12:25,110

affairs officer of Luke Air Force Base a

2825

02:12:40,040 --> 02:12:35,010

young woman who said Mr Davenport space

2826

02:12:44,029 --> 02:12:40,050

isn't exclusively an f-16 training base

2827

02:12:45,560 --> 02:12:44,039

and I said but lieutenant so-and-so I've

2828

02:12:50,839 --> 02:12:45,570

forgotten her name or she might have

2829

02:12:54,140 --> 02:12:50,849

been a captain you had f-15 fighters on

2830

02:12:58,339 --> 02:12:54,150

the ground on hot pads and that was the

2831

02:13:00,830 --> 02:12:58,349

reason those f-15s rather than 16s were

2832

02:13:03,890 --> 02:13:00,840

dispatched and I said moreover I have

2833

02:13:07,009 --> 02:13:03,900

reason to believe that those two f-16s

2834

02:13:10,189 --> 02:13:07,019

earlier in the day had been part of the

2835

02:13:12,620 --> 02:13:10,199

military flotilla that had accompanied

2836

02:13:14,419 --> 02:13:12,630

the president to Florida it's known as

2837

02:13:15,800 --> 02:13:14,429

the Air Force one an Air Force two

2838

02:13:20,270 --> 02:13:15,810

protection group

2839

02:13:22,850 --> 02:13:20,280

it's a very select group of aviators who

2840

02:13:24,920 --> 02:13:22,860

are dedicated to protecting the

2841

02:13:28,370 --> 02:13:24,930

president or vice president or any

2842

02:13:32,180 --> 02:13:28,380

dignitary when that person is in the air

2843

02:13:35,060 --> 02:13:32,190

and at that point as I recall the public

2844

02:13:38,510 --> 02:13:35,070

affairs officer stated that she had to

2845

02:13:40,520 --> 02:13:38,520

bow out of this program because the Air

2846

02:13:42,650 --> 02:13:40,530

Force won an Air Force two protection

2847

02:13:45,380 --> 02:13:42,660

group up to that point was a

2848

02:13:48,290 --> 02:13:45,390

little-known group and it's a group that

2849

02:13:51,410 --> 02:13:48,300

the Air Force did not talk about or

2850

02:13:55,160 --> 02:13:51,420

other military services oftentimes when

2851

02:13:57,920 --> 02:13:55,170

the president flies in an aircraft he is

2852

02:14:01,520 --> 02:13:57,930

accompanied by probably as many as six

2853

02:14:03,620 --> 02:14:01,530

aircraft oftentimes they're two from the

2854

02:14:07,880 --> 02:14:03,630

Air Force two from the Navy and two from

2855

02:14:11,000 --> 02:14:07,890

the Marine Corps in addition to probably

2856

02:14:13,700 --> 02:14:11,010

an AWACS which reaches out and can

2857

02:14:16,970 --> 02:14:13,710

detect for five hundred or a thousand

2858

02:14:19,130 --> 02:14:16,980

miles or even further any potential

2859

02:14:22,250 --> 02:14:19,140

threat to the president's aircraft and

2860

02:14:24,650 --> 02:14:22,260

when I mentioned this group the public

2861

02:14:27,680 --> 02:14:24,660

affairs officer suddenly didn't want to

2862

02:14:31,670 --> 02:14:27,690

talk about that incident anymore and I

2863

02:14:33,890 --> 02:14:31,680

think those f-15s were scrambled because

2864

02:14:36,440 --> 02:14:33,900

they were the only aircraft on the

2865

02:14:40,340 --> 02:14:36,450

ground at Luke Air Force Base that had

2866

02:14:44,810 --> 02:14:40,350

one the armament that they would want to

2867

02:14:47,770 --> 02:14:44,820

have intersecting intercepting a UFO

2868

02:14:52,730 --> 02:14:47,780

number two they had Lantern two pods

2869

02:14:55,670 --> 02:14:52,740

which is a low amplification navigation

2870

02:14:58,850 --> 02:14:55,680

pod it also has cameras in it which

2871

02:15:01,100 --> 02:14:58,860

allows the pilot to reach out and

2872

02:15:03,490 --> 02:15:01,110

photograph something I suspect they got

2873

02:15:06,770 --> 02:15:03,500

very good photographs of that UFO over

2874

02:15:10,000 --> 02:15:06,780

Camelback Mountain using that lantern to

2875

02:15:15,230 --> 02:15:10,010

pod one of these slides I use in my

2876

02:15:17,600 --> 02:15:15,240

public presentation on the Phoenix

2877

02:15:20,120 --> 02:15:17,610

lights is a photograph of what a lantern

2878

02:15:24,980 --> 02:15:20,130

- pod looks like slung under the

2879

02:15:28,969 --> 02:15:24,990

starboard wing of an f15 or an f-16 so I

2880

02:15:33,279 --> 02:15:28,979

suspect that those two f-15s on hot pads

2881

02:15:36,379 --> 02:15:33,289

ready to launch at Luke Air Force Base

2882

02:15:39,049 --> 02:15:36,389

we're on hot pads because whenever the

2883

02:15:42,830 --> 02:15:39,059

president gets a sudden urge to get a

2884

02:15:45,640 --> 02:15:42,840

hamburger they have to be those fighter

2885

02:15:51,199 --> 02:15:45,650

pilots have to be ready to go at the

2886

02:15:53,299 --> 02:15:51,209

immediately and well enough set on that

2887

02:15:56,060 --> 02:15:53,309

incident I suspect there's a great deal

2888

02:15:58,129 --> 02:15:56,070

more to the Phoenix lights then the

2889

02:16:01,069 --> 02:15:58,139

government has revealed sure

2890

02:16:05,060 --> 02:16:01,079

now what about let's say what about

2891

02:16:09,169 --> 02:16:05,070

during this Stephenville Texas UFO

2892

02:16:12,020 --> 02:16:09,179

incident were you contacted on that mass

2893

02:16:14,500 --> 02:16:12,030

sighting as well yeah I was contacted

2894

02:16:17,919 --> 02:16:14,510

immediately by some of the witnesses who

2895

02:16:20,540 --> 02:16:17,929

described it in great detail

2896

02:16:25,029 --> 02:16:20,550

unfortunately I was out of town for one

2897

02:16:31,279 --> 02:16:25,039

night on January 8th that was 19 the

2898

02:16:33,410 --> 02:16:31,289

2008 2008 right yeah and I didn't get a

2899

02:16:35,929 --> 02:16:33,420

chance to talk to the Stevensville

2900

02:16:37,820 --> 02:16:35,939

witnesses until later but I had them on

2901

02:16:41,360 --> 02:16:37,830

several radio programs and they were

2902

02:16:44,000 --> 02:16:41,370

very convincing and the fact that those

2903

02:16:44,780 --> 02:16:44,010

objects were very near President Bush's

2904

02:16:48,280 --> 02:16:44,790

ranch

2905

02:16:52,429 --> 02:16:48,290

mm-hmm explains why it was being chased

2906

02:16:56,330 --> 02:16:52,439

by f-16s it went over Stephenville going

2907

02:16:57,950 --> 02:16:56,340

to the generally the northwest seen by a

2908

02:16:59,929 --> 02:16:57,960

number of people who were about two or

2909

02:17:05,419 --> 02:16:59,939

three miles to the south of downtown

2910

02:17:08,269 --> 02:17:05,429

stevensville and a few minutes later as

2911

02:17:10,969 --> 02:17:08,279

they were as the witnesses were standing

2912

02:17:12,860 --> 02:17:10,979

they were tending a campfire at the time

2913

02:17:15,439 --> 02:17:12,870

they saw this object to the north of

2914

02:17:17,209 --> 02:17:15,449

them and it actually hovered over

2915

02:17:19,969 --> 02:17:17,219

Stephenville according to a number of

2916

02:17:22,450 --> 02:17:19,979

the witnesses but a few minutes after

2917

02:17:26,209 --> 02:17:22,460

they had seen it going to the north west

2918

02:17:30,610 --> 02:17:26,219

back it came even faster now being

2919

02:17:33,979 --> 02:17:30,620

pursued by two f-16s and when they saw

2920

02:17:36,110 --> 02:17:33,989

this group of aircraft in front of them

2921

02:17:38,809 --> 02:17:36,120

I think it was two f-16s I'm going on

2922

02:17:41,599 --> 02:17:38,819

memory while they were watching the

2923

02:17:42,270 --> 02:17:41,609

craft and the f-16s chasing it

2924

02:17:46,350 --> 02:17:42,280

the

2925

02:17:50,070 --> 02:17:46,360

suddenly accelerated and accelerated

2926

02:17:52,380 --> 02:17:50,080

away from the f-16 fighters so fast that

2927

02:17:55,050 --> 02:17:52,390

the visual impression that the witnesses

2928

02:17:57,270 --> 02:17:55,060

on the ground had was that it had left

2929

02:18:02,430 --> 02:17:57,280

the f-16s hovering motionless in the

2930

02:18:05,850 --> 02:18:02,440

night sky Wow but I'm I'm flabbergasted

2931

02:18:08,520 --> 02:18:05,860

that presidents are still saying they

2932

02:18:11,450 --> 02:18:08,530

want to know about UFOs they know about

2933

02:18:17,690 --> 02:18:11,460

them they've been been involved in

2934

02:18:21,000 --> 02:18:17,700

evacuations and scrambles of f-16s

2935

02:18:22,800 --> 02:18:21,010

presumably when the military detects

2936

02:18:24,870 --> 02:18:22,810

something in the president in the

2937

02:18:27,840 --> 02:18:24,880

vicinity of the president and they

2938

02:18:29,280 --> 02:18:27,850

scramble f-16s somebody bothers to pick

2939

02:18:31,650 --> 02:18:29,290

up the telephone and call the

2940

02:18:34,680 --> 02:18:31,660

president's entourage to let them know

2941

02:18:38,460 --> 02:18:34,690

what's going on they would have to said

2942

02:18:40,500 --> 02:18:38,470

because if they had fighter aircraft

2943

02:18:43,110 --> 02:18:40,510

passing overhead at high speed on

2944

02:18:44,970 --> 02:18:43,120

afterburner I think they would be a

2945

02:18:48,990 --> 02:18:44,980

little concerned if they didn't know the

2946

02:18:53,390 --> 02:18:49,000

reason for that scramble right right how

2947

02:18:55,830 --> 02:18:53,400

the you talk about the f-16s I've always

2948

02:18:58,650 --> 02:18:55,840

I've always thought those cases were

2949

02:19:02,880 --> 02:18:58,660

really fascinating where people will

2950

02:19:05,520 --> 02:19:02,890

report one being you know chased by one

2951

02:19:07,530 --> 02:19:05,530

or two you know military aircraft

2952

02:19:09,450 --> 02:19:07,540

there's a lot of them as a matter of

2953

02:19:11,190 --> 02:19:09,460

fact I have I've mentioned a couple

2954

02:19:12,600 --> 02:19:11,200

times on this show that I have a friend

2955

02:19:14,940 --> 02:19:12,610

that is actually on the Antiques

2956

02:19:16,650 --> 02:19:14,950

Roadshow that doesn't really want to

2957

02:19:19,410 --> 02:19:16,660

talk about he actually tried to call me

2958

02:19:24,900 --> 02:19:19,420

during his podcast just now about a half

2959

02:19:28,440 --> 02:19:24,910

hour ago but he had a sighting while he

2960

02:19:32,310 --> 02:19:28,450

was in college in amherst mass and the

2961

02:19:36,630 --> 02:19:32,320

thing was chased by you know fighter

2962

02:19:38,760 --> 02:19:36,640

jets and really it just shot off you

2963

02:19:40,560 --> 02:19:38,770

know it was an amazing sighting he told

2964

02:19:41,820 --> 02:19:40,570

me I was shocked that he told me the

2965

02:19:43,560 --> 02:19:41,830

story

2966

02:19:46,320 --> 02:19:43,570

he won't come on the air about it though

2967

02:19:50,220 --> 02:19:46,330

I've asked him well if he's listening

2968

02:19:53,551 --> 02:19:50,230

I'd point out to him that all those oral

2969

02:19:54,660 --> 02:19:53,561

accounts of UFO sightings are worth

2970

02:19:58,290 --> 02:19:54,670

nothing

2971

02:20:01,050 --> 02:19:58,300

you have to write down the details that

2972

02:20:04,590 --> 02:20:01,060

and preserve it in written form and

2973

02:20:06,600 --> 02:20:04,600

moreover convey it to an organization

2974

02:20:09,450 --> 02:20:06,610

like the national UFO Reporting Center

2975

02:20:12,450 --> 02:20:09,460

of which I am director or the mutual UFO

2976

02:20:15,179 --> 02:20:12,460

network get it in the hands of an

2977

02:20:17,940 --> 02:20:15,189

organization that can post it to a

2978

02:20:21,090 --> 02:20:17,950

website to let the world know about that

2979

02:20:24,660 --> 02:20:21,100

sighting and which can also compare this

2980

02:20:27,840 --> 02:20:24,670

new sighting with other sightings for

2981

02:20:30,240 --> 02:20:27,850

the same date or approximate date yeah

2982

02:20:33,120 --> 02:20:30,250

they have to be written down everybody

2983

02:20:35,640 --> 02:20:33,130

wants to chitchat about his UFO sighting

2984

02:20:39,060 --> 02:20:35,650

it's a waste of everybody's time in my

2985

02:20:41,010 --> 02:20:39,070

opinion and just a statistic I would

2986

02:20:43,920 --> 02:20:41,020

like to share with our audience if I may

2987

02:20:46,830 --> 02:20:43,930

Merton sure I estimate that out of

2988

02:20:49,770 --> 02:20:46,840

20,000 people in the United States adult

2989

02:20:52,440 --> 02:20:49,780

competent clear-thinking American people

2990

02:20:55,740 --> 02:20:52,450

with normal sensory perception who have

2991

02:20:59,310 --> 02:20:55,750

seen what they sincerely believe was or

2992

02:21:02,790 --> 02:20:59,320

could have been a UFO out of 20,000 such

2993

02:21:07,080 --> 02:21:02,800

cases only one of those people ever

2994

02:21:10,800 --> 02:21:07,090

comes forward one time to notice Wow so

2995

02:21:14,190 --> 02:21:10,810

we're getting one out of 20,000 reports

2996

02:21:16,530 --> 02:21:14,200

or witnesses to come forward and of

2997

02:21:19,679 --> 02:21:16,540

those people who contact the UFO Center

2998

02:21:22,260 --> 02:21:19,689

for example out of a hundred calls I get

2999

02:21:27,170 --> 02:21:22,270

of what I consider to be legitimate

3000

02:21:31,550 --> 02:21:27,180

reports of genuine UFOs only about 20 or

3001
02:21:35,340 --> 02:21:31,560
tragically only about 20 or 30 out of a

3002
02:21:39,270 --> 02:21:35,350
will follow up by submitting a written

3003
02:21:43,219 --> 02:21:39,280
report so we're getting out of a hundred

3004
02:21:47,460 --> 02:21:43,229
thousand of UFOs over the United States

3005
02:21:50,990 --> 02:21:47,470
we're getting only one written report

3006
02:21:53,610 --> 02:21:51,000
and it's just infuriating

3007
02:21:55,860 --> 02:21:53,620
to have people call this happened on the

3008
02:21:58,530 --> 02:21:55,870
night of December 9th the first guy to

3009
02:22:00,840 --> 02:21:58,540
call me has yet to submit a follow-up

3010
02:22:03,620 --> 02:22:00,850
report I've placed a dozen calls to his

3011
02:22:06,620 --> 02:22:03,630
number he never answers his number and

3012
02:22:08,460 --> 02:22:06,630
has not submitted a written report

3013
02:22:10,979 --> 02:22:08,470

drives me crazy

3014

02:22:15,179 --> 02:22:10,989

do you think that you know people start

3015

02:22:17,099 --> 02:22:15,189

thinking about a situation and say now I

3016

02:22:19,920 --> 02:22:17,109

don't want to get involved or you know

3017

02:22:20,279 --> 02:22:19,930

why do you think that happens I don't

3018

02:22:22,290 --> 02:22:20,289

know

3019

02:22:24,120 --> 02:22:22,300

I think prints of the principal reason

3020

02:22:28,710 --> 02:22:24,130

is Americans are lazy and they can't

3021

02:22:31,979 --> 02:22:28,720

write he makes me very angry we spend a

3022

02:22:34,349 --> 02:22:31,989

king's ransom on k-12 education and most

3023

02:22:37,649 --> 02:22:34,359

of them don't graduate and all of them

3024

02:22:42,269 --> 02:22:37,659

can't write a competent sentence and

3025

02:22:44,399 --> 02:22:42,279

they they have a repugnance to writing

3026

02:22:47,219 --> 02:22:44,409

they want to talk and chitchat and

3027

02:22:48,989 --> 02:22:47,229

gabble and babble about their citing

3028

02:22:51,149 --> 02:22:48,999

they'll say the same thing that they

3029

02:22:54,449 --> 02:22:51,159

want to emphasize six and eight times in

3030

02:22:57,000 --> 02:22:54,459

a conversation but they will not write

3031

02:22:58,889 --> 02:22:57,010

it down they'll talk for hours but they

3032

02:23:02,760 --> 02:22:58,899

don't have 15 minutes to write it all

3033

02:23:04,849 --> 02:23:02,770

down yeah yeah well yeah it's nothing

3034

02:23:09,620 --> 02:23:04,859

you can do to change that unfortunately

3035

02:23:14,300 --> 02:23:09,630

just the way things have have turned and

3036

02:23:17,010 --> 02:23:14,310

but you know I guess what has to happen

3037

02:23:19,590 --> 02:23:17,020

we see this with you know technologies

3038

02:23:22,469 --> 02:23:19,600

and stuff like that is everything kind

3039

02:23:25,739 --> 02:23:22,479

of has to adjust to how you know the

3040

02:23:28,800 --> 02:23:25,749

society is turning so the only there's

3041

02:23:31,130 --> 02:23:28,810

no real answer to writing down except

3042

02:23:34,559 --> 02:23:31,140

for someone leaving you know an audio

3043

02:23:37,469 --> 02:23:34,569

account you know of what they had but

3044

02:23:39,599 --> 02:23:37,479

then again you know you couldn't store

3045

02:23:43,590 --> 02:23:39,609

that type of thing yeah

3046

02:23:46,529 --> 02:23:43,600

well let it be said to that most people

3047

02:23:48,630 --> 02:23:46,539

read it 300 to 600 words a minute when

3048

02:23:51,479 --> 02:23:48,640

you talk you're talking about maybe 90

3049

02:23:54,599 --> 02:23:51,489

to 120 words a minute so the written

3050

02:23:57,179 --> 02:23:54,609

word is much much more efficient and it

3051
02:24:00,899 --> 02:23:57,189
records things and hopefully records

3052
02:24:04,559 --> 02:24:00,909
things in an organized fashion so it B

3053
02:24:09,090 --> 02:24:04,569
can be consumed by the reader in a

3054
02:24:11,550 --> 02:24:09,100
logical manner again talking to somebody

3055
02:24:13,319 --> 02:24:11,560
they they're emotionally involved

3056
02:24:17,790 --> 02:24:13,329
they haven't organized their thoughts

3057
02:24:19,349 --> 02:24:17,800
and they just spew a listener with

3058
02:24:21,900 --> 02:24:19,359
everything they want to say and

3059
02:24:23,969 --> 02:24:21,910
oftentimes do it several times

3060
02:24:28,050 --> 02:24:23,979
say the same thing over and over and

3061
02:24:31,110 --> 02:24:28,060
over again to emphasize it it's talking

3062
02:24:35,490 --> 02:24:31,120
is a very inefficient means of

3063
02:24:38,340 --> 02:24:35,500

communication and the written word is

3064

02:24:40,710 --> 02:24:38,350

much more reliable much more organized

3065

02:24:43,170 --> 02:24:40,720

and much more useful for a number of

3066

02:24:45,030 --> 02:24:43,180

purposes well speaking of that Peter

3067

02:24:47,760 --> 02:24:45,040

have you ever considered writing a book

3068

02:24:49,790 --> 02:24:47,770

on the UFO topic I'd love to write a

3069

02:24:52,950 --> 02:24:49,800

book there are several ideas I have

3070

02:24:55,620 --> 02:24:52,960

interestingly if I were to write a book

3071

02:24:58,050 --> 02:24:55,630

the first one would be about the

3072

02:25:01,170 --> 02:24:58,060

elements of human psychology that I have

3073

02:25:04,500 --> 02:25:01,180

been witness to as a UFO investigator

3074

02:25:07,800 --> 02:25:04,510

the things people say and do and believe

3075

02:25:12,480 --> 02:25:07,810

or don't say don't do and don't believe

3076

02:25:18,540 --> 02:25:12,490

would feel like encyclopedia I'm afraid

3077

02:25:21,630 --> 02:25:18,550

and seen some very peculiar facets to

3078

02:25:25,080 --> 02:25:21,640

human psychology as a human as a UFO

3079

02:25:27,420 --> 02:25:25,090

investigator there are a number of books

3080

02:25:30,060 --> 02:25:27,430

I would like to write my problem is this

3081

02:25:33,330 --> 02:25:30,070

Merton so our listeners understand my

3082

02:25:37,230 --> 02:25:33,340

situation a typical day I work two

3083

02:25:40,260 --> 02:25:37,240

shifts a day seven days a week every day

3084

02:25:45,179 --> 02:25:40,270

of the year to get the data that I have

3085

02:25:48,030 --> 02:25:45,189

on our website posted and it's one of

3086

02:25:50,880 --> 02:25:48,040

the reasons I'm so I get so annoyed at

3087

02:25:52,950 --> 02:25:50,890

people who can't take 15 minutes to

3088

02:25:56,730 --> 02:25:52,960

write down the details of their sighting

3089

02:25:59,639 --> 02:25:56,740

report I have very little sympathy for

3090

02:26:03,620 --> 02:25:59,649

them so okay Peter we're right at the

3091

02:26:06,450 --> 02:26:03,630

end of the show I so what happens when

3092

02:26:08,580 --> 02:26:06,460

say you're probably going to say you're

3093

02:26:10,170 --> 02:26:08,590

never going to retire but what happens

3094

02:26:12,360 --> 02:26:10,180

when you do retire

3095

02:26:16,860 --> 02:26:12,370

I think they'll carry me out on my

3096

02:26:19,320 --> 02:26:16,870

shields with my booth is there someone

3097

02:26:21,929 --> 02:26:19,330

else that can fill those big shoes of

3098

02:26:24,900 --> 02:26:21,939

yours how would you like to take over a

3099

02:26:27,450 --> 02:26:24,910

hot line it'll change your life I don't

3100

02:26:30,690 --> 02:26:27,460

know I struggle with that question every

3101
02:26:33,179 --> 02:26:30,700
day I would what I need is a staff and a

3102
02:26:36,031 --> 02:26:33,189
facility and a budget yeah and I've

3103
02:26:39,631 --> 02:26:36,041
tried for 23 years to fulfill that need

3104
02:26:43,261 --> 02:26:39,641
and I've been totally unsuccessful Wow

3105
02:26:45,720 --> 02:26:43,271
well Peter well I I and I know that a

3106
02:26:49,140 --> 02:26:45,730
lot of the listeners out there really

3107
02:26:52,711 --> 02:26:49,150
really appreciate what you do well thank

3108
02:26:55,770 --> 02:26:52,721
you and you know it's and also work yeah

3109
02:26:58,531 --> 02:26:55,780
some respects gratifying well I'm glad

3110
02:27:02,941 --> 02:26:58,541
I'm glad and also again the listener can

3111
02:27:04,981 --> 02:27:02,951
write at Martin at podcast UFO comm if

3112
02:27:07,321 --> 02:27:04,991
you have any ideas how to help Peter

3113
02:27:10,531 --> 02:27:07,331

stop all those prank calls and Peter I

3114

02:27:13,531 --> 02:27:10,541

hope that does I hope that stops and I

3115

02:27:15,361 --> 02:27:13,541

want to wish you happy holidays thank

3116

02:27:18,180 --> 02:27:15,371

you merry Christmas to you and do all

3117

02:27:20,011 --> 02:27:18,190

our listeners and we'll do this again

3118

02:27:22,081 --> 02:27:20,021

sometime Martin I sure hope so it's

3119

02:27:23,911 --> 02:27:22,091

always a great pleasure Peter take care

3120

02:27:25,291 --> 02:27:23,921

thank you very much for the air time

3121

02:27:30,301 --> 02:27:25,301

alright I've enjoyed it

3122

02:27:34,171 --> 02:27:30,311

great alright everyone so thank you very

3123

02:27:37,321 --> 02:27:34,181

much for listening and we'll be back

3124

02:27:39,571 --> 02:27:37,331

next week I want to thank everybody that

3125

02:27:40,531 --> 02:27:39,581

helped out with the show Kevin Randall

3126

02:27:44,581 --> 02:27:40,541

Alejandro Rojas

3127

02:27:47,551 --> 02:27:44,591

of course Peter Davenport and I have to

3128

02:27:51,751 --> 02:27:47,561

tell you next week is going to be the

3129

02:27:55,970 --> 02:27:51,761

weirdest show that I have done I don't

3130

02:27:58,501 --> 02:27:55,980

know how else to say it but I have a

3131

02:28:02,791 --> 02:27:58,511

movie producer he's going to be talking

3132

02:28:05,220 --> 02:28:02,801

about his his movie that has been

3133

02:28:07,350 --> 02:28:05,230

released it's called love and saucers

3134

02:28:09,081 --> 02:28:07,360

and it's going to be a weird one so

3135

02:28:13,731 --> 02:28:09,091

you're going to have to check it out and

3136

02:28:17,511 --> 02:28:13,741

again thanks so much and remember as

3137

02:28:19,861 --> 02:28:17,521

always have a wonderful holiday season

3138

02:28:22,461 --> 02:28:19,871

merry Christmas to those of you who

3139

02:28:24,841 --> 02:28:22,471

celebrate and keep your eyes to the sky

3140

02:28:31,340 --> 02:28:24,851

look for more than just Santa and the
