

Dr John B. Alexander

PODCAST UFO LIVE STREAM

1
00:00:05,269 --> 00:00:03,080
play and they were shown some of the

2
00:00:08,540 --> 00:00:05,279
videos there's some more stuff that has

3
00:00:11,600 --> 00:00:08,550
yet to come out and convince them that

4
00:00:16,640 --> 00:00:11,610
it was in fact real but a lot of it was

5
00:00:20,240 --> 00:00:16,650
on his personal recognizance I didn't

6
00:00:25,550 --> 00:00:20,250
realize that I had Chris on the show way

7
00:00:27,589 --> 00:00:25,560
back when and you know we didn't really

8
00:00:29,300 --> 00:00:27,599
it's funny we didn't talk he talked

9
00:00:30,710 --> 00:00:29,310
about some different UFO things but

10
00:00:32,569 --> 00:00:30,720
never mentioned things like the Nimitz

11
00:00:35,950 --> 00:00:32,579
or anything like that or any future

12
00:00:47,750 --> 00:00:35,960
plans he was on I believe in July of

13
00:00:51,110 --> 00:00:47,760

2016 there was a lot that they did keep

14

00:00:53,600 --> 00:00:51,120

pretty close to the vest they wanted to

15

00:00:55,939 --> 00:00:53,610

you know make the maximum years where it

16

00:01:01,930 --> 00:00:55,949

would get the attention of the story

17

00:01:06,080 --> 00:01:01,940

certainly deserve right right and so

18

00:01:08,570 --> 00:01:06,090

have you been contacted by what what

19

00:01:10,670 --> 00:01:08,580

happened in your life when Bob this went

20

00:01:12,260 --> 00:01:10,680

when this actually was published did you

21

00:01:30,890 --> 00:01:12,270

get contacted by a lot of different

22

00:01:33,140 --> 00:01:30,900

people about this was very much parallel

23

00:01:37,399 --> 00:01:33,150

to something I had done thirty years

24

00:01:39,649 --> 00:01:37,409

before he was more successful than I was

25

00:01:43,910 --> 00:01:39,659

to the point that he was actually able

26

00:01:47,230 --> 00:01:43,920

to get funding but I had doubt that the

27

00:01:49,749 --> 00:01:47,240

etheric levels within the you know

28

00:01:52,969 --> 00:01:49,759

Department of Defense and the

29

00:01:55,219 --> 00:01:52,979

intelligence community and a lot of our

30

00:01:58,100 --> 00:01:55,229

findings by the way are very much the

31

00:01:59,380 --> 00:01:58,110

particular critical issues are very much

32

00:02:05,109 --> 00:01:59,390

the same

33

00:02:08,180 --> 00:02:05,119

specifically nobody's in charge Wow Wow

34

00:02:12,140 --> 00:02:08,190

that runs counter to the whole UFO

35

00:02:13,700 --> 00:02:12,150

community thinking over orchestrating

36

00:02:16,790 --> 00:02:13,710

the release of information

37

00:02:20,360 --> 00:02:16,800

there's gonna be dribs and drabs reality

38

00:02:22,010 --> 00:02:20,370

is very personality dependence you've

39

00:02:25,730 --> 00:02:22,020

got to have somebody who's willing to

40

00:02:28,580 --> 00:02:25,740

pick up the guidon and you know carry it

41

00:02:32,990 --> 00:02:28,590

forward and be willing to risk your

42

00:02:34,820 --> 00:02:33,000

reputation and career often because some

43

00:02:37,370 --> 00:02:34,830

of the things you were discussing there

44

00:02:39,380 --> 00:02:37,380

why don't people come forward well

45

00:02:43,190 --> 00:02:39,390

particularly within the military as

46

00:02:45,590 --> 00:02:43,200

within the aviation community reporting

47

00:02:48,500 --> 00:02:45,600

ufos is not what we call career

48

00:02:51,590 --> 00:02:48,510

enhancing you can get your wrist slap

49

00:02:53,960 --> 00:02:51,600

for it not because you're seeing

50

00:02:57,290 --> 00:02:53,970

anything wrong it's just the risk of

51
00:03:02,930 --> 00:02:57,300
embarrassment right institutional

52
00:03:08,930 --> 00:03:02,940
embarrassment yeah I imagine so now um

53
00:03:13,940 --> 00:03:08,940
you actually looked into you tried to

54
00:03:17,990 --> 00:03:13,950
find some type of connection with the

55
00:03:19,940 --> 00:03:18,000
government researching UFOs several

56
00:03:21,350 --> 00:03:19,950
years ago and you just you came up

57
00:03:23,720 --> 00:03:21,360
empty-handed right you couldn't really

58
00:03:27,800 --> 00:03:23,730
see anything going on but this was prior

59
00:03:45,550 --> 00:03:27,810
to the 2005 or whenever that was

60
00:03:48,110 --> 00:03:45,560
initially it was not funded but we had

61
00:03:51,140 --> 00:03:48,120
representatives from all of the services

62
00:03:54,020 --> 00:03:51,150
many of the branches of the intelligence

63
00:03:55,150 --> 00:03:54,030

community as well as the aerospace

64

00:03:58,820 --> 00:03:55,160

industry

65

00:04:00,710 --> 00:03:58,830

everybody had top-secret STI level

66

00:04:04,190 --> 00:04:00,720

clearances and we were exchanging

67

00:04:05,960 --> 00:04:04,200

information but you know bottom line was

68

00:04:08,240 --> 00:04:05,970

everybody says well I thought you were

69

00:04:11,420 --> 00:04:08,250

doing it you know passing the buck to

70

00:04:15,220 --> 00:04:11,430

somebody else and when you got to the

71

00:04:19,340 --> 00:04:15,230

very highest levels I told the story of

72

00:04:21,979 --> 00:04:19,350

an individual who was the head of one of

73

00:04:24,800 --> 00:04:21,989

the little three-letter agencies who

74

00:04:26,790 --> 00:04:24,810

would have to be as an institution would

75

00:04:30,899 --> 00:04:26,800

have to be involved if you believe

76

00:04:33,360 --> 00:04:30,909

stories and his comment was we don't do

77

00:04:37,080 --> 00:04:33,370

that there are no requirements for us to

78

00:04:39,149 --> 00:04:37,090

do this but conversely I'll tell you

79

00:04:41,430 --> 00:04:39,159

about the ones I saw so here was an

80

00:04:44,790 --> 00:04:41,440

individual very high levels who had

81

00:04:48,689 --> 00:04:44,800

previously had an experience of seeing

82

00:04:51,290 --> 00:04:48,699

UFOs so they did not have any trouble

83

00:04:54,589 --> 00:04:51,300

with existence but we're saying

84

00:04:57,809 --> 00:04:54,599

institutionally not our responsibility

85

00:04:59,969 --> 00:04:57,819

generally I would agree with that what

86

00:05:03,230 --> 00:04:59,979

about you know the the thing that comes

87

00:05:06,839 --> 00:05:03,240

up a lot is what about the aspect of

88

00:05:10,350 --> 00:05:06,849

that something is flying around in our

89

00:05:13,409 --> 00:05:10,360

skies and you know protecting like say

90

00:05:15,719 --> 00:05:13,419

the United States itself you know

91

00:05:17,580 --> 00:05:15,729

there's something that's non

92

00:05:20,629 --> 00:05:17,590

controllable flying around in our skies

93

00:05:42,330 --> 00:05:20,639

and you know isn't that a security risk

94

00:05:46,290 --> 00:05:42,340

taken seriously there's two issues one

95

00:05:49,200 --> 00:05:46,300

was the one you're mentioning was the is

96

00:05:51,180 --> 00:05:49,210

this a potential threat and almost

97

00:05:53,100 --> 00:05:51,190

anything that you can't identify this

98

00:05:56,040 --> 00:05:53,110

interacting particularly with our

99

00:05:59,010 --> 00:05:56,050

nuclear systems could fall into that

100

00:06:02,100 --> 00:05:59,020

room and the other of course was

101
00:06:04,830 --> 00:06:02,110
particularly with civil aviation there

102
00:06:08,700 --> 00:06:04,840
have been a number of cases with near

103
00:06:12,149 --> 00:06:08,710
misses out there and certainly very

104
00:06:15,409 --> 00:06:12,159
credible pilot sightings so I thought

105
00:06:19,950 --> 00:06:15,419
those four the areas now part of that is

106
00:06:24,749 --> 00:06:19,960
to get funding and I do know that they

107
00:06:26,850 --> 00:06:24,759
have been criticized by many in the UFO

108
00:06:30,809 --> 00:06:26,860
community and particularly in the

109
00:06:35,310 --> 00:06:30,819
experimenter community for discussing a

110
00:06:37,469 --> 00:06:35,320
threat in my view one of the things

111
00:06:39,659 --> 00:06:37,479
you've got to do is understand and by

112
00:06:40,230 --> 00:06:39,669
the way most people tab up the foggiest

113
00:06:43,650 --> 00:06:40,240

idea

114

00:06:47,420 --> 00:06:43,660

how the government really works some of

115

00:06:49,379 --> 00:06:47,430

your best known people who have reported

116

00:06:52,050 --> 00:06:49,389

government interactions and say you

117

00:06:54,480 --> 00:06:52,060

ought to take a decade off find out how

118

00:06:57,450 --> 00:06:54,490

the system really works and then come

119

00:07:01,050 --> 00:06:57,460

back and start writing again but the

120

00:07:03,719 --> 00:07:01,060

point is the Department of Defense you

121

00:07:07,650 --> 00:07:03,729

know their mission is to defend the

122

00:07:10,520 --> 00:07:07,660

United States against threats so if

123

00:07:13,589 --> 00:07:10,530

you're going to try and get funding

124

00:07:19,129 --> 00:07:13,599

you're going to have to couch it in

125

00:07:21,689 --> 00:07:19,139

terms of a threat which they did the UFO

126

00:07:25,350 --> 00:07:21,699

experience or community if I can kind of

127

00:07:27,450 --> 00:07:25,360

broadly categorize that many of them

128

00:07:30,059 --> 00:07:27,460

feel that they have a friendly

129

00:07:33,600 --> 00:07:30,069

relationship or is very positive and

130

00:07:37,290 --> 00:07:33,610

it's not a threat if we might digress

131

00:07:41,550 --> 00:07:37,300

and I mean I can address Compton because

132

00:07:45,390 --> 00:07:41,560

that's you know a study that was not

133

00:07:48,089 --> 00:07:45,400

well understood if you see my briefing

134

00:07:51,180 --> 00:07:48,099

show I said Condon was right because the

135

00:07:55,830 --> 00:07:51,190

question to Condon was not are UFOs real

136

00:07:59,999 --> 00:07:55,840

it was our UFOs a threat dealing with

137

00:08:02,999 --> 00:08:00,009

the Defense Department so the issue of

138

00:08:04,499 --> 00:08:03,009

threat you know I say it's right because

139

00:08:07,709 --> 00:08:04,509

as far as I know we haven't had

140

00:08:10,080 --> 00:08:07,719

certainly a hostile invasion and we can

141

00:08:13,980 --> 00:08:10,090

discuss whether or not ETS here that's a

142

00:08:22,640 --> 00:08:13,990

I think a different issue right I don't

143

00:08:26,839 --> 00:08:22,650

have a bottle yeah yeah so in as far as

144

00:08:31,559 --> 00:08:26,849

the government goes do you think that

145

00:08:33,719 --> 00:08:31,569

they are going to talk more freely about

146

00:08:36,510 --> 00:08:33,729

this since this thing was published and

147

00:08:44,010 --> 00:08:36,520

they the Pentagon admitted that this was

148

00:08:46,260 --> 00:08:44,020

happening back when I was working in

149

00:08:48,540 --> 00:08:46,270

what we called the building I used to

150

00:08:51,510 --> 00:08:48,550

run around looking for this guy Pentagon

151
00:08:53,730 --> 00:08:51,520
because as the Pentagon says this and

152
00:08:55,829 --> 00:08:53,740
the Pentagon says that and

153
00:08:58,920 --> 00:08:55,839
pentagons doesn't say anything it's a

154
00:09:02,190 --> 00:08:58,930
big stone building that's occupied by a

155
00:09:04,440 --> 00:09:02,200
few tens of thousands of people all of

156
00:09:07,440 --> 00:09:04,450
whom come with their own personal

157
00:09:11,639 --> 00:09:07,450
beliefs on it so the short answer to

158
00:09:15,060 --> 00:09:11,649
your question is probably not yes there

159
00:09:18,420 --> 00:09:15,070
will be a few individuals who feel you

160
00:09:21,329 --> 00:09:18,430
know willingness to come forward and

161
00:09:26,639 --> 00:09:21,339
talk about events or explore the

162
00:09:28,430 --> 00:09:26,649
possibilities institutionally the

163
00:09:32,639 --> 00:09:28,440

Department of Defense is very

164

00:09:36,810 --> 00:09:32,649

conservative and I mean that in a

165

00:09:45,870 --> 00:09:36,820

variety of ways but risk aversion is

166

00:09:50,340 --> 00:09:45,880

high priority now I know go ahead yeah

167

00:09:54,810 --> 00:09:50,350

yeah you know I know I I think if there

168

00:09:57,630 --> 00:09:54,820

were probably like more threats or there

169

00:09:59,699 --> 00:09:57,640

was some type of threat I mean right now

170

00:10:01,170 --> 00:09:59,709

for the most part I mean there are a few

171

00:10:04,170 --> 00:10:01,180

stories I don't know if they're exactly

172

00:10:06,420 --> 00:10:04,180

true or not we're you know a plane

173

00:10:09,780 --> 00:10:06,430

crashed and you know a few different

174

00:10:11,490 --> 00:10:09,790

things happen but if they felt there was

175

00:10:14,040 --> 00:10:11,500

a threat do you think it would be like a

176

00:10:15,690 --> 00:10:14,050

total different story or do you think

177

00:10:23,600 --> 00:10:15,700

they'd still conceal it as much as

178

00:10:25,769 --> 00:10:23,610

possible Nimitz case for instance okay

179

00:10:30,060 --> 00:10:25,779

interaction over two weeks certainly

180

00:10:37,290 --> 00:10:30,070

exciting high-quality data that was 13

181

00:10:40,319 --> 00:10:37,300

years ago 14 yeah the point is that we

182

00:10:42,810 --> 00:10:40,329

tend to look at all of these instances

183

00:10:45,000 --> 00:10:42,820

and pile them up and say wow look at all

184

00:10:48,210 --> 00:10:45,010

of these things happening when you

185

00:10:51,750 --> 00:10:48,220

amortize that over an entire globe and

186

00:10:55,500 --> 00:10:51,760

for at least seventy years they get to

187

00:10:57,449 --> 00:10:55,510

be relatively rare events from an

188

00:11:01,800 --> 00:10:57,459

institutional perspective if you're a

189

00:11:05,190 --> 00:11:01,810

manager and you're allocated X amount of

190

00:11:08,250 --> 00:11:05,200

resources how much money

191

00:11:10,290 --> 00:11:08,260

are you willing to put in to discovering

192

00:11:14,990 --> 00:11:10,300

you know and the answer that you have a

193

00:11:16,770 --> 00:11:15,000

very low probability of resolving

194

00:11:18,930 --> 00:11:16,780

exactly yeah

195

00:11:21,120 --> 00:11:18,940

that's that's been something that a

196

00:11:24,300 --> 00:11:21,130

number of people have talked about over

197

00:11:28,080 --> 00:11:24,310

the years the resolving part of this is

198

00:11:30,360 --> 00:11:28,090

is just you know something that is

199

00:11:32,550 --> 00:11:30,370

eluding and you know who's gonna put

200

00:11:35,550 --> 00:11:32,560

money into that now as far as the money

201
00:11:37,970 --> 00:11:35,560
that was invested the 22 million you

202
00:11:41,370 --> 00:11:37,980
know some people have scoffed about that

203
00:11:44,880 --> 00:11:41,380
I think you know that's a very very

204
00:11:47,960 --> 00:11:44,890
small portion of money actually when it

205
00:12:00,000 --> 00:11:55,440
yeah exactly yeah that's right that's

206
00:12:01,710 --> 00:12:00,010
right now I know that you worked you

207
00:12:04,320 --> 00:12:01,720
know your book starts out you're talking

208
00:12:07,970 --> 00:12:04,330
about you worked for knids you were

209
00:12:10,920 --> 00:12:07,980
hired by Bob Bigelow interesting guy and

210
00:12:14,120 --> 00:12:10,930
hey by the way is it true that you spent

211
00:12:19,220 --> 00:12:14,130
the first night at the skinwalker ranch

212
00:12:45,690 --> 00:12:19,230
alone yeah when Bob potty

213
00:12:49,170 --> 00:12:45,700

what was that way no mystical events you

214

00:12:52,920 --> 00:12:49,180

know Eric Davis you seem to have much

215

00:13:00,300 --> 00:12:52,930

more of a personal attraction or

216

00:13:02,010 --> 00:13:00,310

affinity for yeah I'm interested in

217

00:13:03,900 --> 00:13:02,020

reading your book I want to talk a

218

00:13:07,680 --> 00:13:03,910

little bit later about how things seem

219

00:13:12,870 --> 00:13:07,690

to follow certain people that I find

220

00:13:17,490 --> 00:13:12,880

really fascinating as well so as far as

221

00:13:19,000 --> 00:13:17,500

Bob Bigelow goes there is a story about

222

00:13:21,430 --> 00:13:19,010

him having some metals

223

00:13:23,850 --> 00:13:21,440

some type of metals have you heard

224

00:13:28,180 --> 00:13:23,860

anything about that in particular

225

00:13:31,829 --> 00:13:28,190

well we actually when nibs was active

226

00:13:36,100 --> 00:13:31,839

had certain materials that were sent in

227

00:13:40,439 --> 00:13:36,110

research what you're reading on the

228

00:13:43,870 --> 00:13:40,449

paper is the same as what I see is that

229

00:13:48,579 --> 00:13:43,880

some very interesting material none of

230

00:13:53,079 --> 00:13:48,589

its unobtainium meaning something it can

231

00:13:55,240 --> 00:13:53,089

be you know disproven to be from you

232

00:13:56,800 --> 00:13:55,250

know the earth or the galaxy

233

00:14:00,699 --> 00:13:56,810

rather that's a very interesting

234

00:14:05,230 --> 00:14:00,709

engineering that may have taken place to

235

00:14:15,780 --> 00:14:05,240

create that so in other words it's all

236

00:14:28,389 --> 00:14:26,490

to study I know in the actual

237

00:14:30,880 --> 00:14:28,399

participants and then full-time

238

00:14:34,810 --> 00:14:30,890

employees did not do it this was farmed

239

00:14:37,630 --> 00:14:34,820

out to other universities and

240

00:14:41,139 --> 00:14:37,640

metallurgical laboratories for analysis

241

00:14:44,500 --> 00:14:41,149

my guess is that's the approach that you

242

00:14:48,069 --> 00:14:44,510

would use if you had but we have known I

243

00:14:51,360 --> 00:14:48,079

mean when you go back to again the study

244

00:14:57,389 --> 00:14:51,370

that I was running in the eighties

245

00:15:01,930 --> 00:15:00,069

really Wow I didn't I didn't I never

246

00:15:04,420 --> 00:15:01,940

realized that I thought this was

247

00:15:14,860 --> 00:15:04,430

actually something fairly new that they

248

00:15:18,460 --> 00:15:14,870

were talking about definitely not goes

249

00:15:21,879 --> 00:15:18,470

back many decades about that Wow

250

00:15:25,960 --> 00:15:21,889

never knew that so and provenance is one

251

00:15:30,100 --> 00:15:25,970

of the key issues in all of that what's

252

00:15:31,550 --> 00:15:30,110

the chain of custody reliability the you

253

00:15:36,230 --> 00:15:31,560

know site of origin

254

00:15:39,470 --> 00:15:36,240

being positively determined I see I see

255

00:15:45,170 --> 00:15:39,480

now going back to this the nimitz case

256

00:15:50,240 --> 00:15:45,180

and the footage that's out there as far

257

00:15:52,250 --> 00:15:50,250

as this being classified and then I'm

258

00:15:55,300 --> 00:15:52,260

obviously unclassified because they're

259

00:15:58,940 --> 00:15:55,310

talking about it do you find that

260

00:16:00,650 --> 00:15:58,950

interesting do you think that's kind of

261

00:16:03,380 --> 00:16:00,660

unusual that they're declassify

262

00:16:12,079 --> 00:16:03,390

something like the footage and let the

263

00:16:15,310 --> 00:16:12,089

naval officer the pilot talk about the

264

00:16:18,350 --> 00:16:15,320

classification the incident itself as

265

00:16:22,370 --> 00:16:18,360

opposed to the capabilities of the

266

00:16:24,620 --> 00:16:22,380

sensors the key issue from a DoD

267

00:16:29,060 --> 00:16:24,630

perspective is we call sources and

268

00:16:32,150 --> 00:16:29,070

methods and what you don't want an

269

00:16:34,040 --> 00:16:32,160

adversary to do too soon is to be able

270

00:16:37,640 --> 00:16:34,050

to figure out exactly what your

271

00:16:40,910 --> 00:16:37,650

capabilities are not so much for UFOs

272

00:16:46,880 --> 00:16:40,920

but for you know threat detection in

273

00:16:49,010 --> 00:16:46,890

other sectors really okay all right hang

274

00:16:56,840 --> 00:16:49,020

on just one second here just adjusting

275

00:17:00,620 --> 00:16:56,850

something here so okay so but the the

276

00:17:05,059 --> 00:17:00,630

Navy the naval pilot when he publicly

277

00:17:06,829 --> 00:17:05,069

comes out and discusses this do you

278

00:17:09,020 --> 00:17:06,839

think that it's scripted do you think he

279

00:17:12,050 --> 00:17:09,030

has to stay to certain guidelines or do

280

00:17:17,600 --> 00:17:12,060

you think he's free to talk about it

281

00:17:20,809 --> 00:17:17,610

sure well if there's anything that's

282

00:17:24,949 --> 00:17:20,819

sensitive and this would be similar to

283

00:17:27,079 --> 00:17:24,959

you know satellites to pick up UFOs well

284

00:17:30,190 --> 00:17:27,089

not widely talked about but has been

285

00:17:33,980 --> 00:17:30,200

acknowledged in some areas and the issue

286

00:17:37,250 --> 00:17:33,990

in general particularly from the DoD

287

00:17:40,120 --> 00:17:37,260

sensors or satellites is how good are

288

00:17:42,950 --> 00:17:40,130

they how good is that sensor system

289

00:17:44,990 --> 00:17:42,960

again if you don't want to tip your hand

290

00:17:48,620 --> 00:17:45,000

to North Korea's

291

00:17:51,200 --> 00:17:48,630

typically china-russia other agencies

292

00:17:54,050 --> 00:17:51,210

you'd prefer them not to know just how

293

00:17:56,150 --> 00:17:54,060

good your systems are and those were the

294

00:17:58,220 --> 00:17:56,160

issues that were more protected not that

295

00:18:01,850 --> 00:17:58,230

you picked up some weird object flying

296

00:18:07,610 --> 00:18:01,860

around I see I see

297

00:18:08,990 --> 00:18:07,620

so I saw some type of I don't know if

298

00:18:11,750 --> 00:18:09,000

was a tweet or something like that out

299

00:18:17,110 --> 00:18:11,760

there that there is they're saying that

300

00:18:22,700 --> 00:18:21,530

yeah and let me ask you I don't know if

301

00:18:25,610 --> 00:18:22,710

you're comfortable talking about this

302

00:18:28,010 --> 00:18:25,620

but what did you think at first when you

303

00:18:31,010 --> 00:18:28,020

know Tom DeLonge came along and said you

304

00:18:34,630 --> 00:18:31,020

know he had some really you know

305

00:18:40,190 --> 00:18:37,760

I'm not sure what the question Tom

306

00:18:42,440 --> 00:18:40,200

DeLonge did you were you following that

307

00:18:44,180 --> 00:18:42,450

when he was saying that he was working

308

00:18:47,510 --> 00:18:44,190

with the government and had an

309

00:18:50,660 --> 00:18:47,520

announcement well we have spoken

310

00:18:55,100 --> 00:18:50,670

once on the phone I have not met him but

311

00:18:58,190 --> 00:18:55,110

again the others admittedly several of

312

00:19:00,220 --> 00:18:58,200

them are close friends so there has been

313

00:19:07,610 --> 00:19:00,230

some discussion and watching through the

314

00:19:09,830 --> 00:19:07,620

evolution of the announcement I see okay

315

00:19:15,680 --> 00:19:09,840

well I have there's some questions that

316

00:19:18,170 --> 00:19:15,690

came in here and let's see Carrie wanted

317

00:19:21,860 --> 00:19:18,180

to know do you think that the Pentagon

318

00:19:23,450 --> 00:19:21,870

video shows black project technology

319

00:19:27,620 --> 00:19:23,460

that is being tested against its own

320

00:19:33,020 --> 00:19:27,630

military has an unknown craft yeah I

321

00:19:39,860 --> 00:19:33,030

keep getting I'll rephrase that

322

00:19:43,550 --> 00:19:39,870

no what are you getting and you just

323

00:19:45,170 --> 00:19:43,560

don't do that you know well we got a

324

00:19:48,530 --> 00:19:45,180

place if you want to know what happens

325

00:19:52,900 --> 00:19:48,540

at area 51 that's exactly the kind of

326

00:19:54,620 --> 00:19:52,910

capabilities they do test out there

327

00:19:57,410 --> 00:19:54,630

right of course

328

00:19:58,480 --> 00:19:57,420

yeah but I have heard a number of people

329

00:20:01,540 --> 00:19:58,490

say

330

00:20:03,490 --> 00:20:01,550

that they think that it's possible that

331

00:20:06,460 --> 00:20:03,500

it's you know Russian or some type of

332

00:20:07,900 --> 00:20:06,470

foreign technology but the one thing I

333

00:20:10,930 --> 00:20:07,910

thought of scare the crap out of

334

00:20:15,220 --> 00:20:10,940

everybody even proposed that because

335

00:20:21,760 --> 00:20:15,230

that infers that they have made a huge

336

00:20:23,820 --> 00:20:21,770

technological leap that I mean yeah that

337

00:20:26,530 --> 00:20:23,830

would definitely shake up the Pentagon

338

00:20:30,549 --> 00:20:26,540

not sure they'd be talking about it

339

00:20:32,680 --> 00:20:30,559

but it would be a major effort well not

340

00:20:35,760 --> 00:20:32,690

only that the thing that I've said at

341

00:20:37,660 --> 00:20:35,770

least a couple times is that you know

342

00:20:39,190 --> 00:20:37,670

then they're forgetting everything

343

00:20:41,590 --> 00:20:39,200

that's happened you know over the last

344

00:20:44,010 --> 00:20:41,600

several decades and that have been

345

00:20:46,810 --> 00:20:44,020

observed you know very you know similar

346

00:20:51,520 --> 00:20:46,820

craft seven similar technology has been

347

00:20:53,680 --> 00:20:51,530

observed well if you get back to the

348

00:20:57,400 --> 00:20:53,690

briefings that I gave thirty years ago

349

00:21:00,030 --> 00:20:57,410

the capabilities aerodynamic

350

00:21:03,520 --> 00:21:00,040

capabilities that are being described

351

00:21:07,210 --> 00:21:03,530

currently all have been present for

352

00:21:08,860 --> 00:21:07,220

seventy years and we know damn well you

353

00:21:11,470 --> 00:21:08,870

know we did not have that kind of

354

00:21:13,720 --> 00:21:11,480

capability at that time are they in

355

00:21:15,780 --> 00:21:13,730

general there are some people and I

356

00:21:20,470 --> 00:21:15,790

would take the tasks who have been

357

00:21:24,930 --> 00:21:20,480

making wild claims in flight on their

358

00:21:31,180 --> 00:21:28,810

travel capability we're just hiding it

359

00:21:34,810 --> 00:21:31,190

for some reason that I don't fully

360

00:21:37,780 --> 00:21:34,820

understand but I totally reject that

361

00:21:39,880 --> 00:21:37,790

that notion so there are a few people

362

00:21:43,480 --> 00:21:39,890

who make those kind of claims but it's

363

00:21:45,130 --> 00:21:43,490

absolutely not true yeah kind of like

364

00:21:48,370 --> 00:21:45,140

the basis on the backside of the Moon

365

00:21:51,610 --> 00:21:48,380

and all that type of stuff along those

366

00:21:53,980 --> 00:21:51,620

same lines that's really what well you

367

00:21:56,290 --> 00:21:53,990

know I've got again the slides that I

368

00:22:01,360 --> 00:21:56,300

use that there are no lower limits I

369

00:22:04,870 --> 00:22:01,370

don't care how crazy a scenario you can

370

00:22:07,330 --> 00:22:04,880

come up with even the monster ibly false

371

00:22:09,460 --> 00:22:07,340

and yet you'll find a subset of the

372

00:22:13,139 --> 00:22:09,470

people who believe it I think they all

373

00:22:19,899 --> 00:22:17,110

yeah well that's what you get you know I

374

00:22:24,519 --> 00:22:19,909

mean it's it's a changed world with the

375

00:22:26,379 --> 00:22:24,529

internet in you know I'll do get a lot of

376

00:22:30,909 --> 00:22:26,389

email too so I know I know what you're

377

00:22:34,450 --> 00:22:30,919

talking about and you have to you have

378

00:22:36,039 --> 00:22:34,460

to stop the engagement sometime with you

379

00:22:38,560 --> 00:22:36,049

know some people that kind of go out

380

00:22:40,480 --> 00:22:38,570

there a little bit well there's a

381

00:22:46,120 --> 00:22:40,490

critical issue I think is worth

382

00:22:47,440 --> 00:22:46,130

discussing and that is if we have some

383

00:22:50,500 --> 00:22:47,450

of the capabilities that they're

384

00:22:52,899 --> 00:22:50,510

describing that we have little widgets

385

00:22:56,440 --> 00:22:52,909

that fly around are totally

386

00:22:59,649 --> 00:22:56,450

insignificant compared to that means we

387

00:23:03,399 --> 00:22:59,659

have a unique understanding of some

388

00:23:07,029 --> 00:23:03,409

previously unknown energy system if you

389

00:23:09,370 --> 00:23:07,039

had that no matter what you're talking

390

00:23:15,490 --> 00:23:09,380

about zero-point energy and its gravity

391

00:23:19,539 --> 00:23:15,500

etc that changes the total geopolitical

392

00:23:22,750 --> 00:23:19,549

situation of the world you know we can

393

00:23:26,279 --> 00:23:22,760

make the Middle East irrelevant in fact

394

00:23:29,769 --> 00:23:26,289

one of my earlier books I actually

395

00:23:33,879 --> 00:23:29,779

addressed that as a way to get out of

396

00:23:36,970 --> 00:23:33,889

you know complex so the notion that you

397

00:23:40,600 --> 00:23:36,980

know we're hiding an energy source of

398

00:23:42,430 --> 00:23:40,610

that magnitude is just preposterous yeah

399

00:23:45,909 --> 00:23:42,440

along the line along those same lines

400

00:23:48,070 --> 00:23:45,919

I've heard many people say that they

401
00:23:51,549 --> 00:23:48,080
think the triangle said everyone is

402
00:23:54,909 --> 00:23:51,559
seeing these days you know that also

403
00:23:58,690 --> 00:23:54,919
have the capability of acting weightless

404
00:24:02,259 --> 00:23:58,700
and moving without obvious propulsion

405
00:24:03,879 --> 00:24:02,269
and all that a lot of them there's a lot

406
00:24:06,419 --> 00:24:03,889
of people that are steadfast saying that

407
00:24:09,909 --> 00:24:06,429
that's definitely you know some type of

408
00:24:14,409 --> 00:24:09,919
well government technology the essence

409
00:24:17,139 --> 00:24:14,419
of that is Marlowe's book on triangles

410
00:24:18,820 --> 00:24:17,149
meaning those crafts have been reported

411
00:24:25,240 --> 00:24:18,830
since the 1800s

412
00:24:28,750 --> 00:24:25,250
right exactly yeah before Kitty Hawk

413
00:24:30,820 --> 00:24:28,760

right right no and you know I had

414

00:24:34,450 --> 00:24:30,830

someone on the show that I just I just

415

00:24:37,510 --> 00:24:34,460

know through you know my what I do for

416

00:24:38,710 --> 00:24:37,520

work that actually came on the show just

417

00:24:42,940 --> 00:24:38,720

for a few minutes to talk about a

418

00:24:45,789 --> 00:24:42,950

triangle that was over over her car when

419

00:24:47,380 --> 00:24:45,799

she was young you know that was just

420

00:24:48,850 --> 00:24:47,390

hovering over and then took off and

421

00:24:53,080 --> 00:24:48,860

never made a sound you know this is back

422

00:24:54,970 --> 00:24:53,090

in 1970s I think she said 77 so yeah if

423

00:24:58,240 --> 00:24:54,980

that technology was around I don't think

424

00:25:01,630 --> 00:24:58,250

we'd be not using it and hiding it this

425

00:25:06,750 --> 00:25:01,640

long especially we have now been at war

426
00:25:09,760 --> 00:25:06,760
for entering the 17th year we have spent

427
00:25:14,070 --> 00:25:09,770
upwards well certainly over two trillion

428
00:25:17,380 --> 00:25:14,080
if not three trillion dollars and during

429
00:25:20,260 --> 00:25:17,390
conflicts you do see some advances in

430
00:25:23,380 --> 00:25:20,270
technology but probably the best things

431
00:25:26,320 --> 00:25:23,390
we've seen or the f-35 which is

432
00:25:30,279 --> 00:25:26,330
certainly not a gravitational or

433
00:25:32,890 --> 00:25:30,289
anti-gravity system are some better

434
00:25:36,370 --> 00:25:32,900
sensor systems and we've done a great

435
00:25:38,590 --> 00:25:36,380
deal of work in prosthetics which will

436
00:25:42,610 --> 00:25:38,600
bleed over in the civilian sector as

437
00:25:44,919 --> 00:25:42,620
well you do not see you know any of

438
00:25:47,260 --> 00:25:44,929

these big leaps and I know the

439

00:25:50,590 --> 00:25:47,270

conspiracy crowd says well they're

440

00:25:53,590 --> 00:25:50,600

saving it you know at two trillion

441

00:25:57,159 --> 00:25:53,600

dollars and 17 years or you're saving it

442

00:25:59,409 --> 00:25:57,169

for what right for someone to try to

443

00:26:02,260 --> 00:25:59,419

wrap their head around what a trillion

444

00:26:04,510 --> 00:26:02,270

just one trillion is if someone were to

445

00:26:11,049 --> 00:26:04,520

count to one trillion they'd have to

446

00:26:15,029 --> 00:26:11,059

live 30 thousand years yep yeah I mean

447

00:26:19,169 --> 00:26:15,039

it takes that long and yeah I

448

00:26:21,940 --> 00:26:19,179

as far as though like skunkworks

449

00:26:24,220 --> 00:26:21,950

do you think they do have some you know

450

00:26:25,600 --> 00:26:24,230

pretty unique things that you know they

451
00:26:27,220 --> 00:26:25,610
always say that or I've heard a number

452
00:26:33,310 --> 00:26:27,230
of people say that you know we're seeing

453
00:26:34,930 --> 00:26:33,320
what's 20 years you know behind only do

454
00:26:38,620 --> 00:26:34,940
you think that's a kind of an accurate

455
00:26:42,880 --> 00:26:38,630
statement perhaps 20 years

456
00:26:45,610 --> 00:26:42,890
probably not too bad I point out that

457
00:26:48,840 --> 00:26:45,620
Ben rich was a friend of mine who was

458
00:26:52,330 --> 00:26:48,850
the second president after Kelly Johnson

459
00:26:54,370 --> 00:26:52,340
and we discussed this and I know this

460
00:26:57,790 --> 00:26:54,380
runs contrary to some of the statements

461
00:27:01,000 --> 00:26:57,800
out there but he specifically had a

462
00:27:02,920 --> 00:27:01,010
shopping list you know if UFOs I want

463
00:27:06,790 --> 00:27:02,930

the propulsion so son I want the cloak

464

00:27:09,670 --> 00:27:06,800

in you know etc etc I had no indication

465

00:27:14,050 --> 00:27:09,680

that they had it they do I used to work

466

00:27:16,870 --> 00:27:14,060

my last job on active duty was director

467

00:27:18,790 --> 00:27:16,880

of advanced system concepts for what was

468

00:27:21,730 --> 00:27:18,800

then the Army's Laboratory command

469

00:27:24,340 --> 00:27:21,740

meaning very very high tech but very

470

00:27:27,340 --> 00:27:24,350

early stage in our estimate and it's

471

00:27:29,950 --> 00:27:27,350

remained fairly constant that from the

472

00:27:33,840 --> 00:27:29,960

time of discovery until implementation

473

00:27:39,850 --> 00:27:33,850

you know 15 years is kind of a minimum

474

00:27:42,640 --> 00:27:39,860

hmm Wow isn't that something yeah notion

475

00:27:45,270 --> 00:27:42,650

this gets into the energy issues because

476

00:27:47,650 --> 00:27:45,280

we have looked at that number of us who

477

00:27:50,950 --> 00:27:47,660

interested in these areas say if you

478

00:27:54,190 --> 00:27:50,960

have an energy breakthrough of the

479

00:27:58,090 --> 00:27:54,200

magnitude were discussing it will take

480

00:28:01,690 --> 00:27:58,100

you at least two to three decades to

481

00:28:05,200 --> 00:28:01,700

inculcate that it takes that long for

482

00:28:09,310 --> 00:28:05,210

you together if I have a pound of

483

00:28:12,520 --> 00:28:09,320

unobtainium that I hand to you and it

484

00:28:15,010 --> 00:28:12,530

can get through a thousand miles in your

485

00:28:18,130 --> 00:28:15,020

car does you no good because you do not

486

00:28:20,020 --> 00:28:18,140

have an engine system or a way to you

487

00:28:23,230 --> 00:28:20,030

know get that to drive the engine to

488

00:28:26,950 --> 00:28:23,240

drive the train to make the car move etc

489

00:28:29,980 --> 00:28:26,960

the infrastructure required to adapt the

490

00:28:33,250 --> 00:28:29,990

new energy system is tremendous and

491

00:28:34,780 --> 00:28:33,260

takes I mean look how long solar panels

492

00:28:38,800 --> 00:28:34,790

have been around if you want a good

493

00:28:41,080 --> 00:28:38,810

example or windmills for forever and yet

494

00:28:46,600 --> 00:28:41,090

we're just starting to see those as

495

00:28:49,480 --> 00:28:46,610

viable renewable energy sources right

496

00:28:52,570 --> 00:28:49,490

right Wow

497

00:28:58,150 --> 00:28:52,580

so let me just read off another question

498

00:29:03,730 --> 00:28:58,160

from Carrie can you give any information

499

00:29:06,040 --> 00:29:03,740

about the aviary aviary group and if you

500

00:29:06,700 --> 00:29:06,050

were a member that's something I'm not

501
00:29:16,060 --> 00:29:06,710
familiar with

502
00:29:21,120 --> 00:29:16,070
oh I'm blanking on the name but Jamieson

503
00:29:25,450 --> 00:29:21,130
dara and what not this goes back decades

504
00:29:29,340 --> 00:29:25,460
my take is the aviary as conceived of in

505
00:29:33,280 --> 00:29:29,350
conspiracy theory simply doesn't exist I

506
00:29:36,370 --> 00:29:33,290
was given a bird name but it was because

507
00:29:38,710 --> 00:29:36,380
they were yeah what they wanted to do

508
00:29:41,650 --> 00:29:38,720
was to be able to talk about people on

509
00:29:44,200 --> 00:29:41,660
the phone must like we're doing now and

510
00:29:47,230 --> 00:29:44,210
so they would assign individuals

511
00:29:52,510 --> 00:29:47,240
basically code names

512
00:29:55,720 --> 00:29:52,520
bad news is yeah I got one up there at

513
00:29:57,070 --> 00:29:55,730

their wright-patterson and several of us

514

00:30:00,040 --> 00:29:57,080

through there and they gave up name I

515

00:30:03,670 --> 00:30:00,050

can't remember which is mine versus you

516

00:30:06,060 --> 00:30:03,680

know which go to other people but there

517

00:30:12,610 --> 00:30:06,070

was never a group that got together to

518

00:30:16,150 --> 00:30:12,620

conspire to do anything I know okay all

519

00:30:18,130 --> 00:30:16,160

right now did that did that wasn't there

520

00:30:20,620 --> 00:30:18,140

something to do with Paul bennewitz and

521

00:30:23,560 --> 00:30:20,630

Richard Doty and all that when it came

522

00:30:26,230 --> 00:30:23,570

to like the aviary names am I getting

523

00:30:30,280 --> 00:30:26,240

that complete mess yeah well things all

524

00:30:33,070 --> 00:30:30,290

get mixed around my position has been

525

00:30:36,250 --> 00:30:33,080

the benefice cases true

526

00:30:38,770 --> 00:30:36,260

as has been purported there's some

527

00:30:43,080 --> 00:30:38,780

people who ought to be in jail yes I

528

00:30:47,620 --> 00:30:43,090

know just terrible just terrible and

529

00:30:50,860 --> 00:30:47,630

yeah and I've followed what Ritchie

530

00:30:52,180 --> 00:30:50,870

Richard Doty has said lately on a few

531

00:30:56,020 --> 00:30:52,190

different shows and I've been actually

532

00:30:58,300 --> 00:30:56,030

quite shocked with what he says about

533

00:31:02,790 --> 00:30:58,310

seeing aliens and things like that I

534

00:31:12,940 --> 00:31:07,049

yeah it's it's rather shocking

535

00:31:15,580 --> 00:31:12,950

so let's I'm just seeing if there's any

536

00:31:20,590 --> 00:31:15,590

questions in the chat room right now for

537

00:31:21,730 --> 00:31:20,600

you but as far as the Pentagon I just

538

00:31:24,010 --> 00:31:21,740

wanted to kind of close out that and

539

00:31:26,440 --> 00:31:24,020

then we can talk more about we'll talk

540

00:31:32,799 --> 00:31:26,450

about your book and things that you

541

00:31:34,659 --> 00:31:32,809

experienced but do you think if more

542

00:31:36,940 --> 00:31:34,669

videos come out well do you think the

543

00:31:39,220 --> 00:31:36,950

news will pay as much attention or do

544

00:31:40,600 --> 00:31:39,230

you think that the news media will just

545

00:31:46,269 --> 00:31:40,610

kind of died down even if more

546

00:31:49,450 --> 00:31:46,279

information comes out that will vary

547

00:31:52,659 --> 00:31:49,460

tremendously depending on you know what

548

00:31:55,510 --> 00:31:52,669

they are just more videos and from what

549

00:31:59,320 --> 00:31:55,520

I understand they're not as good a

550

00:32:01,180 --> 00:31:59,330

quality as has been released already but

551
00:32:02,919 --> 00:32:01,190
I think it's going to be seen as more of

552
00:32:06,610 --> 00:32:02,929
the same

553
00:32:08,380 --> 00:32:06,620
you know will some agencies pick up on

554
00:32:11,139 --> 00:32:08,390
and do something yes

555
00:32:15,789 --> 00:32:11,149
of course the UFO community alejandro

556
00:32:18,460 --> 00:32:15,799
will have a ball open minds and all of

557
00:32:20,440 --> 00:32:18,470
that but as far as new york times and

558
00:32:23,470 --> 00:32:20,450
they'll probably do a couple articles or

559
00:32:26,110 --> 00:32:23,480
something but unless it's there is some

560
00:32:32,649 --> 00:32:26,120
blockbuster and i have not heard of

561
00:32:36,190 --> 00:32:32,659
anything like that it's just you know

562
00:32:39,430 --> 00:32:36,200
it's just more evidence of what we

563
00:32:41,529 --> 00:32:39,440

already know right I did think I was

564

00:32:42,760 --> 00:32:41,539

glad that they did come out and I think

565

00:32:46,779 --> 00:32:42,770

it was important that they came out with

566

00:32:49,870 --> 00:32:46,789

a good quality video first you know when

567

00:32:53,740 --> 00:32:49,880

releasing this as part of the story the

568

00:32:56,529 --> 00:32:53,750

way they did and I know that there has

569

00:32:59,500 --> 00:32:56,539

been a few people trying to debunk the

570

00:33:01,659 --> 00:32:59,510

video itself have you heard of anything

571

00:33:02,620 --> 00:33:01,669

about that have you think that's

572

00:33:05,590 --> 00:33:02,630

nonsense

573

00:33:09,399 --> 00:33:05,600

yeah first of all the video in and of

574

00:33:11,950 --> 00:33:09,409

itself is interesting no doubt but as

575

00:33:14,680 --> 00:33:11,960

I'm sure you discussed with Chris you

576
00:33:17,379 --> 00:33:14,690
know remember there were three different

577
00:33:19,270 --> 00:33:17,389
radar systems that were involved as was

578
00:33:22,960 --> 00:33:19,280
the physical observation

579
00:33:27,010 --> 00:33:22,970
pilots over two weeks there were a lot

580
00:33:30,370 --> 00:33:27,020
more people than that involved so in my

581
00:33:33,640 --> 00:33:30,380
view it's the consensus that's being

582
00:33:35,380 --> 00:33:33,650
reached by multiple I also saw people

583
00:33:38,380 --> 00:33:35,390
come out and say well this is just a

584
00:33:38,890 --> 00:33:38,390
flare or both of you a mistake in the

585
00:33:41,680 --> 00:33:38,900
video

586
00:33:45,900 --> 00:33:41,690
you haven't got three radars you know

587
00:33:50,560 --> 00:33:45,910
plus the video plus eyewitness testimony

588
00:33:53,830 --> 00:33:50,570

that's not all being made up and my

589

00:33:58,030 --> 00:33:53,840

point is always been that you know the

590

00:34:00,510 --> 00:33:58,040

multi sensor convergence has button

591

00:34:05,020 --> 00:34:00,520

what's really key and understanding the

592

00:34:07,180 --> 00:34:05,030

reality of the phenomena and support to

593

00:34:09,970 --> 00:34:07,190

I witnessed eyewitness testimonies

594

00:34:13,419 --> 00:34:09,980

terrible understand all that but when

595

00:34:17,100 --> 00:34:13,429

it's corroborated as you have here with

596

00:34:20,320 --> 00:34:17,110

multiple systems and you can you know

597

00:34:22,120 --> 00:34:20,330

I've said we're doing a show with George

598

00:34:24,100 --> 00:34:22,130

Knapp the other day and the guy came on

599

00:34:27,940 --> 00:34:24,110

and said you know well I wouldn't

600

00:34:30,460 --> 00:34:27,950

believe unless like you know you go when

601
00:34:34,780 --> 00:34:30,470
you have all of the stuff lines up the

602
00:34:36,430 --> 00:34:34,790
answer is it is real right and well what

603
00:34:38,649 --> 00:34:36,440
was the guy saying in particular that he

604
00:34:40,000 --> 00:34:38,659
wouldn't believe it unless I was right

605
00:34:44,290 --> 00:34:40,010
there in front of him or something like

606
00:34:47,399 --> 00:34:44,300
that basically he was using the

607
00:34:49,060 --> 00:34:47,409
oft-quoted Carl Sagan you know

608
00:34:53,139 --> 00:34:49,070
extraordinary claims require

609
00:34:54,460 --> 00:34:53,149
extraordinary evidence well you know the

610
00:34:57,910 --> 00:34:54,470
extraordinary evidence

611
00:35:00,130 --> 00:34:57,920
already exists by the way there is one

612
00:35:02,530 --> 00:35:00,140
key factor I would like to bring out

613
00:35:05,710 --> 00:35:02,540

that might change the discussion a bit

614

00:35:08,770 --> 00:35:05,720

mm-hmm I think it's interesting that the

615

00:35:11,410 --> 00:35:08,780

Department of Defense is interested and

616

00:35:15,130 --> 00:35:11,420

did do studies and they do have access

617

00:35:18,910 --> 00:35:15,140

to sensor systems that are not generally

618

00:35:21,970 --> 00:35:18,920

available but this is not a defense

619

00:35:24,300 --> 00:35:21,980

issue nor should it be this is something

620

00:35:27,310 --> 00:35:24,310

that should be in the public domain

621

00:35:30,970 --> 00:35:27,320

because there's far more people have

622

00:35:32,250 --> 00:35:30,980

incredible experiences that have nothing

623

00:35:35,730 --> 00:35:32,260

to do with the

624

00:35:38,280 --> 00:35:35,740

apartment of defense excuse me it's a

625

00:35:42,300 --> 00:35:38,290

global phenomena that has been around

626

00:35:46,230 --> 00:35:42,310

for millennia so if you're going to try

627

00:35:51,750 --> 00:35:46,240

to get some resolution and you've got to

628

00:35:54,840 --> 00:35:51,760

get civilian scientists involved and and

629

00:35:58,890 --> 00:35:54,850

to the one thing you said earlier it's a

630

00:36:01,980 --> 00:35:58,900

non solvable issue and I think that's

631

00:36:05,520 --> 00:36:01,990

besides the possible ridicule factor of

632

00:36:11,040 --> 00:36:05,530

course that would be alleviated if you

633

00:36:15,200 --> 00:36:11,050

know not say okay what I said is you

634

00:36:17,670 --> 00:36:15,210

have low probability of solving it and

635

00:36:19,260 --> 00:36:17,680

particularly when you have the small

636

00:36:22,100 --> 00:36:19,270

amount of resource and one of my quotes

637

00:36:27,600 --> 00:36:22,110

is we are looking at a phenomenon or

638

00:36:32,460 --> 00:36:27,610

phenomena plural that is at least as

639

00:36:34,590 --> 00:36:32,470

complex as AIDS or cancer and if you

640

00:36:36,300 --> 00:36:34,600

treat it like that and then you tell you

641

00:36:39,390 --> 00:36:36,310

okay well what are the resources that

642

00:36:44,100 --> 00:36:39,400

are being applied towards that they're

643

00:36:46,880 --> 00:36:44,110

in their miniscule you know cancer we

644

00:36:50,970 --> 00:36:46,890

put in billions and billions of dollars

645

00:36:53,280 --> 00:36:50,980

and aid certain advances but it's taken

646

00:36:57,570 --> 00:36:53,290

you know phenomenal amount of time

647

00:37:02,130 --> 00:36:57,580

effort and resources in order to you

648

00:37:05,700 --> 00:37:02,140

know get to where we are I also have an

649

00:37:07,710 --> 00:37:05,710

agenda which I freely put forward every

650

00:37:12,270 --> 00:37:07,720

time I get a chance and that is I think

651
00:37:15,150 --> 00:37:12,280
we need to make it so that Sirius

652
00:37:17,130 --> 00:37:15,160
Sciences can get involved in the study

653
00:37:20,580 --> 00:37:17,140
of all of the phenomena we ought to

654
00:37:22,790 --> 00:37:20,590
broaden out into some of those but

655
00:37:26,850 --> 00:37:22,800
without risking their reputation

656
00:37:32,040 --> 00:37:26,860
livelihood or career I agree totally

657
00:37:36,630 --> 00:37:32,050
agree with that it and there is a you

658
00:37:38,220 --> 00:37:36,640
know there is you know as you know the

659
00:37:40,980 --> 00:37:38,230
different things that you experienced in

660
00:37:43,550 --> 00:37:40,990
your book you know there there seems

661
00:37:45,900 --> 00:37:43,560
like there's some type of underlying

662
00:37:47,430 --> 00:37:45,910
situation where

663
00:37:50,339 --> 00:37:47,440

there's some type of commonality or

664

00:37:53,279 --> 00:37:50,349

something going on with a lot of these

665

00:37:57,029 --> 00:37:53,289

different things well that is the thesis

666

00:37:59,460 --> 00:37:57,039

the book is reality denied first-hand

667

00:38:05,039 --> 00:37:59,470

experience with things that can't happen

668

00:38:06,870 --> 00:38:05,049

but did and as I've discussed most of

669

00:38:10,440 --> 00:38:06,880

the seminars and whatnot that we've

670

00:38:13,620 --> 00:38:10,450

talked to people is that there is in my

671

00:38:15,900 --> 00:38:13,630

view a common factor I have a early

672

00:38:16,589 --> 00:38:15,910

slide I use in most briefings and it

673

00:38:19,319 --> 00:38:16,599

shows

674

00:38:21,349 --> 00:38:19,329

now there's UFOs but we also talk about

675

00:38:27,289 --> 00:38:21,359

near-death experience

676

00:38:31,650 --> 00:38:27,299

psychokinesis post-mortem communication

677

00:38:33,660 --> 00:38:31,660

spontaneous healing events firewalking

678

00:38:39,180 --> 00:38:33,670

you know it been involved in all of

679

00:38:42,569 --> 00:38:39,190

those and even cryptozoology and then my

680

00:38:46,349 --> 00:38:42,579

personal view is that they are all

681

00:38:51,240 --> 00:38:46,359

connected and that consciousness is a

682

00:38:55,620 --> 00:38:51,250

piece of that wow that's really

683

00:38:58,799 --> 00:38:55,630

fascinating and there's a question that

684

00:39:01,470 --> 00:38:58,809

came in actually from Lee and it might

685

00:39:03,839 --> 00:39:01,480

be just because of the way the calls may

686

00:39:07,799 --> 00:39:03,849

not be able to come in tonight with a

687

00:39:11,099 --> 00:39:07,809

technical issue so Lee Spiegel wants to

688

00:39:13,650 --> 00:39:11,109

know why do people still hope for UFO

689

00:39:16,559 --> 00:39:13,660

disclosure when many failed disclosure

690

00:39:19,829 --> 00:39:16,569

has already happened do you think that

691

00:39:23,430 --> 00:39:19,839

there's already been disclosure yeah

692

00:39:26,039 --> 00:39:23,440

that's been one of the themes and the

693

00:39:28,680 --> 00:39:26,049

various view up old presentation I given

694

00:39:32,220 --> 00:39:28,690

and the point is there have been told

695

00:39:35,190 --> 00:39:32,230

over and over and over again UFOs are

696

00:39:39,630 --> 00:39:35,200

real so what do you mean by disclosure

697

00:39:42,690 --> 00:39:39,640

if it's the reality of the phenomena I

698

00:39:48,559 --> 00:39:42,700

mean it's been from presidents has been

699

00:39:52,019 --> 00:39:48,569

you know high ranking people Gorbachev

700

00:39:55,440 --> 00:39:52,029

some of the former Soviet Union cases

701
00:39:58,220 --> 00:39:55,450
are exciting again global phenomena

702
00:40:01,160 --> 00:39:58,230
high-level people all saying is real

703
00:40:04,960 --> 00:40:01,170
how many times you have to be told we

704
00:40:08,510 --> 00:40:04,970
think it's real before you know it takes

705
00:40:10,820 --> 00:40:08,520
these recent article I was quoted in and

706
00:40:13,280 --> 00:40:10,830
they told the author I said what I just

707
00:40:17,450 --> 00:40:13,290
agreed to it they say the government has

708
00:40:20,180 --> 00:40:17,460
been denying the reality of UFOs that's

709
00:40:22,970 --> 00:40:20,190
just not true if said we're not

710
00:40:25,340 --> 00:40:22,980
interested in general but as far as

711
00:40:30,650 --> 00:40:25,350
denying reality you can go back to the

712
00:40:33,320 --> 00:40:30,660
infamous twining memo from 1947 and it

713
00:40:37,540 --> 00:40:33,330

specifically states this is a real photo

714

00:40:41,840 --> 00:40:37,550

it is not an illusion take it seriously

715

00:40:46,220 --> 00:40:41,850

so if reality is the issue now there's

716

00:40:49,430 --> 00:40:46,230

others who say disclosure wants to mean

717

00:40:54,140 --> 00:40:49,440

ET is here and for many people walking

718

00:40:56,750 --> 00:40:54,150

among us that's another step but there

719

00:40:58,849 --> 00:40:56,760

are in fact there was a rope or bolt on

720

00:41:00,859 --> 00:40:58,859

number of years ago that said the

721

00:41:07,280 --> 00:41:00,869

estimate is 20 percent of the global

722

00:41:10,340 --> 00:41:07,290

population believed that that ET is

723

00:41:13,099 --> 00:41:10,350

physically present Wow

724

00:41:16,220 --> 00:41:13,109

I would have no idea that it was that

725

00:41:18,650 --> 00:41:16,230

does that mean as visiting in UFOs or do

726

00:41:20,210 --> 00:41:18,660

you mean actually feet all right I think

727

00:41:24,260 --> 00:41:20,220

most of them think that means walking

728

00:41:26,780 --> 00:41:24,270

around Wow I wasn't that so we have

729

00:41:33,710 --> 00:41:26,790

people probably that we both know who

730

00:41:36,560 --> 00:41:33,720

say I met ET right you know I have

731

00:41:38,960 --> 00:41:36,570

problems with at my response because I

732

00:41:44,150 --> 00:41:38,970

have addressed that in the presentations

733

00:41:46,700 --> 00:41:44,160

as well is that if that is true not for

734

00:41:50,980 --> 00:41:46,710

our benefit because he certainly has not

735

00:41:55,760 --> 00:41:50,990

helped with the health poverty wars

736

00:41:59,420 --> 00:41:55,770

climate I mean pick your macro issue

737

00:42:03,170 --> 00:41:59,430

going on in the world today and have not

738

00:42:05,510 --> 00:42:03,180

seen ET step into the sabres you know

739

00:42:08,000 --> 00:42:05,520

but there were there are cases like for

740

00:42:10,310 --> 00:42:08,010

instance of the aerial school is very

741

00:42:10,820 --> 00:42:10,320

convincing to me we've Alejandra and I

742

00:42:14,810 --> 00:42:10,830

were talking

743

00:42:16,850 --> 00:42:14,820

about that earlier and in that case and

744

00:42:19,130 --> 00:42:16,860

a few others you know I think people

745

00:42:20,810 --> 00:42:19,140

really have experienced I don't know I

746

00:42:23,810 --> 00:42:20,820

can't say a hundred percent that they're

747

00:42:29,000 --> 00:42:23,820

aliens but they're something that wasn't

748

00:42:33,350 --> 00:42:29,010

from here yeah and I think I do the

749

00:42:35,990 --> 00:42:33,360

second chapter of my book has to do with

750

00:42:40,220 --> 00:42:36,000

Chris blood-stained yeah this is kind of

751
00:42:42,650 --> 00:42:40,230
a dramatic case like a lot of people are

752
00:42:45,860 --> 00:42:42,660
familiar with him now but I was

753
00:42:52,340 --> 00:42:45,870
physically down there what convinced me

754
00:42:54,320 --> 00:42:52,350
of the reality was that my wife Victoria

755
00:42:56,650 --> 00:42:54,330
and I and Chris and his daughter Emily

756
00:43:02,240 --> 00:42:56,660
had gone down to the Cape Fear River

757
00:43:04,070 --> 00:43:02,250
where the incident first began and he

758
00:43:06,380 --> 00:43:04,080
was explaining how everything occurred

759
00:43:10,030 --> 00:43:06,390
and it was late afternoon by the time we

760
00:43:12,770 --> 00:43:10,040
got back up to the car it was dark

761
00:43:15,230 --> 00:43:12,780
Victoria and Emily got the car Chris and

762
00:43:17,840 --> 00:43:15,240
I were leaning against the left front

763
00:43:20,690 --> 00:43:17,850

fender and he's pointing out various

764

00:43:22,190 --> 00:43:20,700

locations were things that happened and

765

00:43:26,120 --> 00:43:22,200

all of a sudden eagles

766

00:43:28,670 --> 00:43:26,130

oh I think they're here you know about

767

00:43:32,930 --> 00:43:28,680

ten seconds this thing pops interview

768

00:43:34,850 --> 00:43:32,940

above us and with zipping off I don't

769

00:43:39,080 --> 00:43:34,860

know what it was but it certainly fits

770

00:43:41,360 --> 00:43:39,090

the reality of a UFO but the point was

771

00:43:44,600 --> 00:43:41,370

the temporal relationship between him

772

00:43:48,380 --> 00:43:44,610

saying I think they're here in the

773

00:43:50,690 --> 00:43:48,390

incident occurring and as you know that

774

00:43:53,210 --> 00:43:50,700

case goes on one of the major things was

775

00:43:56,510 --> 00:43:53,220

that the following day a lot of

776

00:44:00,350 --> 00:43:56,520

intervening material here if he can read

777

00:44:03,170 --> 00:44:00,360

the chapter or get the case but about

778

00:44:05,180 --> 00:44:03,180

noon the next day he realized he had not

779

00:44:08,300 --> 00:44:05,190

taken his medicine on the point was he

780

00:44:16,250 --> 00:44:08,310

had had Crohn's disease which is a very

781

00:44:18,680 --> 00:44:16,260

socially debilitating illness and since

782

00:44:21,410 --> 00:44:18,690

that time and what had happened it had

783

00:44:23,500 --> 00:44:21,420

an encounter with the et who had said oh

784

00:44:28,810 --> 00:44:23,510

we're here to help you

785

00:44:32,350 --> 00:44:28,820

and after 12 years never took another

786

00:44:34,630 --> 00:44:32,360

dose of medicine really amazing now I

787

00:44:36,790 --> 00:44:34,640

know you know you mentioned the fact

788

00:44:39,250 --> 00:44:36,800

that in your book you mentioned the fact

789

00:44:41,440 --> 00:44:39,260

that Chris has taken a lot of you know a

790

00:44:46,390 --> 00:44:41,450

lot of heat from the UFO community and

791

00:44:48,220 --> 00:44:46,400

along with other people and so I was

792

00:44:51,190 --> 00:44:48,230

kind of curious how you got involved

793

00:44:53,980 --> 00:44:51,200

with checking it out you know with that

794

00:45:00,130 --> 00:44:53,990

in mind you know checking out what was

795

00:45:02,740 --> 00:45:00,140

going on with Chris I had a sponsor in

796

00:45:05,490 --> 00:45:02,750

that case who was interested who knew

797

00:45:07,900 --> 00:45:05,500

Chris and was helping him and

798

00:45:11,440 --> 00:45:07,910

facilitated me going down there and

799

00:45:13,300 --> 00:45:11,450

spending the time with him an amazing

800

00:45:17,410 --> 00:45:13,310

family by the way

801
00:45:19,960 --> 00:45:17,420
and they have coalesced predominate

802
00:45:25,630 --> 00:45:19,970
because of the nastiness of the quote

803
00:45:29,590 --> 00:45:25,640
UFO community I've got to say in reality

804
00:45:34,380 --> 00:45:29,600
the incidents that he described are

805
00:45:37,050 --> 00:45:34,390
pretty hard to believe yes but like my

806
00:45:40,570 --> 00:45:37,060
response was having had a personal

807
00:45:43,240 --> 00:45:40,580
experience with it that's the piece that

808
00:45:45,640 --> 00:45:43,250
got my attention there's other aspects

809
00:45:49,120 --> 00:45:45,650
of the story including a tree he's got a

810
00:45:50,830 --> 00:45:49,130
pretty big backyard and the tree in

811
00:45:53,800 --> 00:45:50,840
there that had caught fire

812
00:45:58,690 --> 00:45:53,810
internally I watched certain things

813
00:46:02,790 --> 00:45:58,700

occur around that that for me personally

814

00:46:06,850 --> 00:46:02,800

hard to deny another aspect of it is he

815

00:46:10,360 --> 00:46:06,860

periodically gets both still and videos

816

00:46:13,210 --> 00:46:10,370

of orbs that appear sometimes in the

817

00:46:17,160 --> 00:46:13,220

visual spectrum sometimes not until

818

00:46:20,320 --> 00:46:17,170

actually filmed but this was not

819

00:46:24,220 --> 00:46:20,330

certainly not a one-time event it kind

820

00:46:27,370 --> 00:46:24,230

of so continues I know I've met Chris a

821

00:46:29,050 --> 00:46:27,380

few years ago he was up here in Maine at

822

00:46:31,570 --> 00:46:29,060

a conference and I got to set talked

823

00:46:35,350 --> 00:46:31,580

with him for a while real nice real nice

824

00:46:37,360 --> 00:46:35,360

gentleman really enjoy talking to him

825

00:46:40,450 --> 00:46:37,370

and he seemed

826

00:46:43,930 --> 00:46:40,460

very authentic to me but you write the

827

00:46:48,310 --> 00:46:43,940

story his story is really bizarre and

828

00:46:50,140 --> 00:46:48,320

and I remember when I first read about

829

00:46:54,130 --> 00:46:50,150

it was thinking wow you know this is

830

00:46:57,220 --> 00:46:54,140

like you know it seemed almost

831

00:47:00,040 --> 00:46:57,230

impossible but you know the more things

832

00:47:03,310 --> 00:47:00,050

like this of you know since you have

833

00:47:04,870 --> 00:47:03,320

seen actually this happened I just think

834

00:47:06,940 --> 00:47:04,880

it lends a little more credibility and

835

00:47:09,280 --> 00:47:06,950

maybe people should really take a look

836

00:47:13,630 --> 00:47:09,290

at it when you get this independent

837

00:47:15,910 --> 00:47:13,640

verification means a lot and the tree

838

00:47:17,800 --> 00:47:15,920

that did you say in your book that has

839

00:47:19,600 --> 00:47:17,810

people are claiming it has some type of

840

00:47:23,440 --> 00:47:19,610

healing powers or am I thinking of some

841

00:47:26,170 --> 00:47:23,450

friends yes yep well people do think it

842

00:47:29,350 --> 00:47:26,180

has a healing power and they would

843

00:47:31,360 --> 00:47:29,360

actually send articles of clothing to

844

00:47:33,280 --> 00:47:31,370

him when he would put it in there and

845

00:47:36,400 --> 00:47:33,290

then return them or people who come out

846

00:47:38,650 --> 00:47:36,410

and visit leave articles there for a

847

00:47:42,130 --> 00:47:38,660

while and have them returned to patients

848

00:47:45,460 --> 00:47:42,140

I don't know of any studies that you

849

00:47:48,220 --> 00:47:45,470

know validate specific healings but

850

00:47:52,060 --> 00:47:48,230

again I personally saw some things that

851

00:47:54,040 --> 00:47:52,070

took place there that certainly

852

00:47:56,440 --> 00:47:54,050

convinced me that something is going on

853

00:47:58,750 --> 00:47:56,450

I remember someone telling a story about

854

00:48:05,920 --> 00:47:58,760

a dog and something really strange

855

00:48:09,730 --> 00:48:05,930

happened there did you ever hear okay it

856

00:48:11,740 --> 00:48:09,740

said help oh when Ray was there no no

857

00:48:15,430 --> 00:48:11,750

this happened down at his house I saw

858

00:48:19,300 --> 00:48:15,440

ray just about a month ago that I was

859

00:48:21,490 --> 00:48:19,310

done with his house in Miami and he and

860

00:48:25,360 --> 00:48:21,500

his wife were describing hey this is one

861

00:48:28,180 --> 00:48:25,370

where they had a very old dog it was

862

00:48:32,830 --> 00:48:28,190

literally physically on his last legs

863

00:48:35,040 --> 00:48:32,840

and he came down he was able to show me

864

00:48:40,210 --> 00:48:35,050

all of the location he's written this up

865

00:48:43,960 --> 00:48:40,220

extensively but came downstairs and his

866

00:48:46,560 --> 00:48:43,970

wife and the dog disappear and we're

867

00:48:48,950 --> 00:48:46,570

truncating the story dramatically

868

00:48:51,710 --> 00:48:48,960

instead of being concerned

869

00:48:54,920 --> 00:48:51,720

and he does not explain why or how and

870

00:48:59,750 --> 00:48:54,930

cannot he goes back up and goes back to

871

00:49:01,970 --> 00:48:59,760

bed and you know comes down later wife

872

00:49:04,010 --> 00:49:01,980

and dog is there and the dog is acting

873

00:49:06,020 --> 00:49:04,020

like a puppy

874

00:49:10,819 --> 00:49:06,030

totally cared and they were just about

875

00:49:12,099 --> 00:49:10,829

to have the dog euthanized have lived

876

00:49:16,670 --> 00:49:12,109

for another year

877

00:49:23,390 --> 00:49:16,680

amazing amazing so with this book

878

00:49:25,400 --> 00:49:23,400

reality denied you this is like oh I

879

00:49:27,799 --> 00:49:25,410

mean you've had an amazing life how many

880

00:49:31,880 --> 00:49:27,809

continents have you gone to how many

881

00:49:34,730 --> 00:49:31,890

countries have you visited two different

882

00:49:38,780 --> 00:49:34,740

questions as I say we've been to all

883

00:49:40,579 --> 00:49:38,790

eight continents so just over a year ago

884

00:49:44,059 --> 00:49:40,589

they I know they thought there were only

885

00:49:48,410 --> 00:49:44,069

seven and New Zealand er has been added

886

00:49:49,640 --> 00:49:48,420

to that have been on all of them and I

887

00:49:53,059 --> 00:49:49,650

don't know I guess we're approaching a

888

00:49:55,760 --> 00:49:53,069

hundred countries like that wow that's

889

00:49:57,980 --> 00:49:55,770

amazing so I know there was another

890

00:50:02,120 --> 00:49:57,990

question Lea wanted me to ask you and

891

00:50:04,970 --> 00:50:02,130

that is and like I said I may not be

892

00:50:07,130 --> 00:50:04,980

able to take calls so the question was

893

00:50:10,220 --> 00:50:07,140

something along the lines where you have

894

00:50:12,490 --> 00:50:10,230

done all these amazing thing all these

895

00:50:17,420 --> 00:50:12,500

amazing things and has anything actually

896

00:50:22,220 --> 00:50:17,430

scared you I talked to Lee earlier today

897

00:50:24,859 --> 00:50:22,230

so he was expecting that one my response

898

00:50:27,589 --> 00:50:24,869

is anybody who says they have not been

899

00:50:32,710 --> 00:50:27,599

afraid is at some point is fooling

900

00:50:35,630 --> 00:50:32,720

themselves my response to him was not

901
00:50:38,150 --> 00:50:35,640
because of interactions with creepy

902
00:50:41,780 --> 00:50:38,160
crawlers or something like that I will

903
00:50:47,319 --> 00:50:41,790
say the incident that I think really got

904
00:50:52,190 --> 00:50:47,329
my concern off was we were in Israel and

905
00:51:01,329 --> 00:50:52,200
in the Jerusalem area just out the east

906
00:51:03,060 --> 00:51:01,339
side of the old old city and that day

907
00:51:06,250 --> 00:51:03,070
there

908
00:51:07,840 --> 00:51:06,260
yeah mid-morning now but early that

909
00:51:12,760 --> 00:51:07,850
morning there has been an attack near

910
00:51:17,010 --> 00:51:12,770
Gaza and IDF had killed a number of

911
00:51:21,850 --> 00:51:17,020
Palestinians and so the tensions were

912
00:51:23,200 --> 00:51:21,860
definitely up and we were Victoria and I

913
00:51:25,180 --> 00:51:23,210

were by ourselves

914

00:51:27,250 --> 00:51:25,190

meaning no guide or anything walking

915

00:51:30,940 --> 00:51:27,260

around trying to find some things and

916

00:51:35,350 --> 00:51:30,950

she is insisting on going to certain

917

00:51:38,590 --> 00:51:35,360

sites and we have Palestinian to control

918

00:51:41,970 --> 00:51:38,600

the thing you can't do that I was

919

00:51:45,300 --> 00:51:41,980

hearing talk in the background and

920

00:51:50,050 --> 00:51:45,310

frankly turned to her and said Victoria

921

00:51:53,470 --> 00:51:50,060

we shouldn't be here but that was a very

922

00:51:55,570 --> 00:51:53,480

physical potential I think you do need

923

00:51:57,720 --> 00:51:55,580

to have your own situational awareness

924

00:52:00,700 --> 00:51:57,730

in cases like that

925

00:52:04,350 --> 00:52:00,710

you can't go blundering along as The

926
00:52:06,400 --> 00:52:04,360
Ugly American and think that your

927
00:52:09,670 --> 00:52:06,410
Americanism is going to protect you

928
00:52:12,070 --> 00:52:09,680
there right right yeah I've been in I

929
00:52:15,370 --> 00:52:12,080
was in a situation in Russia that scared

930
00:52:18,280 --> 00:52:15,380
the heck out of me and it was you know

931
00:52:20,500 --> 00:52:18,290
but I survived and get out of it and you

932
00:52:24,010 --> 00:52:20,510
know and I don't speak Russian so I felt

933
00:52:27,370 --> 00:52:24,020
pretty lucky so I want to talk about

934
00:52:30,790 --> 00:52:27,380
some of the chapters in your book one of

935
00:52:32,980 --> 00:52:30,800
them being voodoo but before that I know

936
00:52:35,010 --> 00:52:32,990
that you looked into I didn't get a

937
00:52:37,540 --> 00:52:35,020
chance to read your entire book but I I

938
00:52:41,290 --> 00:52:37,550

got you know part way through it but I

939

00:52:45,310 --> 00:52:41,300

know that you were working or looking

940

00:52:51,730 --> 00:52:45,320

into the energy and I'm trying to figure

941

00:52:55,570 --> 00:52:51,740

out which that is that was that what's

942

00:53:00,730 --> 00:52:55,580

that that's what I'm talking about yes

943

00:53:08,140 --> 00:53:00,740

yeah yeah that was most interesting this

944

00:53:11,950 --> 00:53:08,150

was back in early 80s when I was in the

945

00:53:12,900 --> 00:53:11,960

intelligence community we were presented

946

00:53:18,600 --> 00:53:12,910

with

947

00:53:23,060 --> 00:53:18,610

a short film that was most remarkable in

948

00:53:26,910 --> 00:53:23,070

that it prepared or appeared to have

949

00:53:30,210 --> 00:53:26,920

items that would levitate some of them

950

00:53:33,690 --> 00:53:30,220

would accelerate the things that would

951
00:53:39,480 --> 00:53:33,700
happen just a wide range of issues for

952
00:53:43,710 --> 00:53:39,490
instance part of the film had a rat tail

953
00:53:48,870 --> 00:53:43,720
file that was held between two boards

954
00:53:51,660 --> 00:53:48,880
and exposed to this field and the file

955
00:53:55,020 --> 00:53:51,670
heated out if you're familiar with the

956
00:53:57,240 --> 00:53:55,030
old filament in lightbulbs it was like

957
00:54:00,600 --> 00:53:57,250
that but then think of you know you're

958
00:54:05,790 --> 00:54:00,610
talking a quarter-inch thick file and to

959
00:54:08,360 --> 00:54:05,800
the point where it burns burns brightly

960
00:54:11,970 --> 00:54:08,370
and then disintegrates and falls down

961
00:54:14,850 --> 00:54:11,980
two aspects to it the wood was holding

962
00:54:16,700 --> 00:54:14,860
it was not burned and the people who

963
00:54:19,260 --> 00:54:16,710

were present said they reached him

964

00:54:26,840 --> 00:54:19,270

immediately and picked up the items and

965

00:54:29,490 --> 00:54:26,850

they were cold what happened was John

966

00:54:32,010 --> 00:54:29,500

interesting friends still in contact but

967

00:54:36,660 --> 00:54:32,020

from a scientific perspective your worst

968

00:54:42,270 --> 00:54:36,670

nightmare was not educated in the

969

00:54:46,440 --> 00:54:42,280

classical sense have was not could not

970

00:54:50,460 --> 00:54:46,450

control of what was going on but anyway

971

00:54:52,110 --> 00:54:50,470

he had been kicked out of his home one

972

00:54:56,340 --> 00:54:52,120

of the problems was he was using his

973

00:54:58,710 --> 00:54:56,350

lots of high power electronics he had

974

00:55:00,660 --> 00:54:58,720

Tesla coils and one day one of the

975

00:55:05,220 --> 00:55:00,670

things he had done was to look at Nikola

976

00:55:08,520 --> 00:55:05,230

Tesla's workshop and look at the bench

977

00:55:11,220 --> 00:55:08,530

and try to figure out what items he had

978

00:55:13,830 --> 00:55:11,230

what he was doing and he would collect

979

00:55:16,680 --> 00:55:13,840

all this stuff and just had it going

980

00:55:19,080 --> 00:55:16,690

well the problem this is a the old days

981

00:55:23,940 --> 00:55:19,090

when television waves went through the

982

00:55:26,550 --> 00:55:23,950

air yeah so he was creating a kind of an

983

00:55:29,880 --> 00:55:26,560

electrical storm

984

00:55:32,310 --> 00:55:29,890

the apartment he was staying in bleeding

985

00:55:36,390 --> 00:55:32,320

over into the neighbors who were quite

986

00:55:41,480 --> 00:55:36,400

unhappy so he had to tear it down and we

987

00:55:43,620 --> 00:55:41,490

had them reconstructed at a site and

988

00:55:47,340 --> 00:55:43,630

there were some things that happened

989

00:55:51,360 --> 00:55:47,350

that I'm convinced were real the problem

990

00:55:54,540 --> 00:55:51,370

was that again the lack of control and

991

00:55:56,640 --> 00:55:54,550

we have previously agreed upon the

992

00:55:59,850 --> 00:55:56,650

specific Show and Tell and I brought in

993

00:56:03,650 --> 00:55:59,860

a cadre of people from both my

994

00:56:06,570 --> 00:56:03,660

organization and from Los Alamos and

995

00:56:10,350 --> 00:56:06,580

absolutely nothing happened while we

996

00:56:12,660 --> 00:56:10,360

watched it but five of the six people

997

00:56:18,240 --> 00:56:12,670

who were there were convinced that some

998

00:56:20,520 --> 00:56:18,250

of these things probably did occur John

999

00:56:24,380 --> 00:56:20,530

continues to do some very innovative

1000

00:56:30,440 --> 00:56:24,390

research to this day he's he's basically

1001
00:56:34,070 --> 00:56:30,450
his goal is as sort of like along the

1002
00:56:37,800 --> 00:56:34,080
free energy or something like that is

1003
00:56:40,290 --> 00:56:37,810
well known as the Hutchison effect and

1004
00:56:43,560 --> 00:56:40,300
people can go on YouTube and that and

1005
00:56:47,220 --> 00:56:43,570
see various demonstrations of things

1006
00:56:49,170 --> 00:56:47,230
that have occurred the saving grace in

1007
00:56:52,110 --> 00:56:49,180
our case was a guy my name is George

1008
00:56:56,180 --> 00:56:52,120
Hathaway was an electrical engineer and

1009
00:56:59,400 --> 00:56:56,190
lived in Toronto who had taken all

1010
00:57:04,500 --> 00:56:59,410
measurements of where everything's bet

1011
00:57:06,990 --> 00:57:04,510
and he also still has a tremendous

1012
00:57:10,380 --> 00:57:07,000
number of samples of the various

1013
00:57:13,500 --> 00:57:10,390

materials I do have in reality denied

1014

00:57:20,190 --> 00:57:13,510

I've got one or two pictures in there of

1015

00:57:22,830 --> 00:57:20,200

some of the shattering the for instance

1016

00:57:25,770 --> 00:57:22,840

I remember there was a crankshaft

1017

00:57:27,870 --> 00:57:25,780

remember this guy was totally unfunded

1018

00:57:31,290 --> 00:57:27,880

and he got his material literally by

1019

00:57:34,350 --> 00:57:31,300

going to you know junk stores or junk

1020

00:57:39,180 --> 00:57:34,360

shops and you know retrieving items but

1021

00:57:40,260 --> 00:57:39,190

he had a crankshaft from a vehicle that

1022

00:57:43,740 --> 00:57:40,270

had been exposed

1023

00:57:48,480 --> 00:57:43,750

to it and then they took it to BC Hydro

1024

00:57:52,800 --> 00:57:48,490

for analysis and 1m though this is a

1025

00:57:56,070 --> 00:57:52,810

single piece of metal right so one end

1026

00:58:02,300 --> 00:57:56,080

is case hardened steel and the other

1027

00:58:04,620 --> 00:58:02,310

exposed to this field is soft as lead

1028

00:58:09,450 --> 00:58:04,630

you know how you explain those things

1029

00:58:13,320 --> 00:58:09,460

happening we have partial deformation of

1030

00:58:15,570 --> 00:58:13,330

the materials hard to say we never could

1031

00:58:20,250 --> 00:58:15,580

get it under control and I turned over

1032

00:58:24,840 --> 00:58:20,260

Jack Hulk the TK party Fame who was that

1033

00:58:27,450 --> 00:58:24,850

McDonnell Douglas also tried to fund

1034

00:58:32,280 --> 00:58:27,460

some experiments again you just never

1035

00:58:34,230 --> 00:58:32,290

got it quite hardest well yeah I did way

1036

00:58:35,790 --> 00:58:34,240

back number of years ago well probably

1037

00:58:38,040 --> 00:58:35,800

two or three years ago I did watch a

1038

00:58:40,410 --> 00:58:38,050

couple videos that I thought was pretty

1039

00:58:42,720 --> 00:58:40,420

interesting on YouTube

1040

00:58:44,790 --> 00:58:42,730

and speaking of free energy I know you

1041

00:58:46,470 --> 00:58:44,800

mentioned before you know perhaps our

1042

00:58:47,610 --> 00:58:46,480

conflicts would be over in the Middle

1043

00:58:50,790 --> 00:58:47,620

East and things like that

1044

00:58:53,280 --> 00:58:50,800

if we could figure out some type of

1045

00:58:55,470 --> 00:58:53,290

energy source but wouldn't that it would

1046

00:58:59,130 --> 00:58:55,480

almost be a situation where it would be

1047

00:59:02,670 --> 00:58:59,140

a world disaster and then rebuild upon

1048

00:59:06,000 --> 00:59:02,680

that in a way all right let me hear what

1049

00:59:08,130 --> 00:59:06,010

your thoughts are well again if you go

1050

00:59:11,280 --> 00:59:08,140

back if you have a major energy

1051
00:59:14,310 --> 00:59:11,290
breakthrough it takes two to three

1052
00:59:16,980 --> 00:59:14,320
decades before you have inculcated us

1053
00:59:20,040 --> 00:59:16,990
across the world there would be some

1054
00:59:22,350 --> 00:59:20,050
changes frankly people say well it's

1055
00:59:24,570 --> 00:59:22,360
going to be suppressed by the energy

1056
00:59:28,500 --> 00:59:24,580
industry and all that I say not at all

1057
00:59:31,170 --> 00:59:28,510
because the people who own energy and we

1058
00:59:34,320 --> 00:59:31,180
know one of the major problems in the

1059
00:59:36,650 --> 00:59:34,330
u.s. today is disparity of wealth from

1060
00:59:38,940 --> 00:59:36,660
this but potentially making it worse

1061
00:59:40,740 --> 00:59:38,950
others would say well no you can get

1062
00:59:46,650 --> 00:59:40,750
free energy because you could reduce

1063
00:59:48,720 --> 00:59:46,660

Energy's cost but whoever owns the stock

1064

00:59:51,060 --> 00:59:48,730

and the companies now are the same ones

1065

00:59:52,849 --> 00:59:51,070

who are going to buy the stock and own

1066

00:59:55,430 --> 00:59:52,859

the infrastructure

1067

00:59:58,390 --> 00:59:55,440

whatever comes along so I don't think it

1068

01:00:03,829 --> 00:59:58,400

changes what does change is

1069

01:00:07,459 --> 01:00:03,839

geo-strategically again reliance oil

1070

01:00:10,120 --> 01:00:07,469

from Middle East or Venezuela there

1071

01:00:13,489 --> 01:00:10,130

would be winners of losers and countries

1072

01:00:16,880 --> 01:00:13,499

much as there are now for economies that

1073

01:00:20,890 --> 01:00:16,890

are dependent primarily on fossil fuels

1074

01:00:24,880 --> 01:00:20,900

oil in particular as the price

1075

01:00:27,499 --> 01:00:24,890

fluctuation I think the price would drop

1076

01:00:31,339 --> 01:00:27,509

dramatically there but the availability

1077

01:00:34,489 --> 01:00:31,349

of energy would change things but again

1078

01:00:38,569 --> 01:00:34,499

it would not be overnight like flipping

1079

01:00:40,729 --> 01:00:38,579

a switch it would the entrepreneurs who

1080

01:00:44,269 --> 01:00:40,739

got ahead of a power curve would create

1081

01:00:47,449 --> 01:00:44,279

the companies that again disperse the

1082

01:00:49,640 --> 01:00:47,459

energy generate and disperse the energy

1083

01:00:51,709 --> 01:00:49,650

of the future I know there's a lot of

1084

01:00:53,180 --> 01:00:51,719

people that I've have a fertile number

1085

01:00:56,150 --> 01:00:53,190

of people say that everything would be

1086

01:00:58,160 --> 01:00:56,160

suppressed like you just mentioned you

1087

01:01:01,299 --> 01:00:58,170

know that their thoughts of what would

1088

01:01:04,489 --> 01:01:01,309

happen and oppress suppressed you know

1089

01:01:08,449 --> 01:01:04,499

you know any invention would be

1090

01:01:12,469 --> 01:01:08,459

surprised oh yeah that you'd have to

1091

01:01:14,449 --> 01:01:12,479

know about it is that they again you

1092

01:01:16,670 --> 01:01:14,459

look at a purely economic so that's

1093

01:01:18,949 --> 01:01:16,680

their position is the oil industry

1094

01:01:21,979 --> 01:01:18,959

excetera no no those are owned by people

1095

01:01:26,150 --> 01:01:21,989

I imagine the Koch brothers would turn

1096

01:01:28,249 --> 01:01:26,160

on a dime yes just go into the you know

1097

01:01:31,430 --> 01:01:28,259

development of those energy sources

1098

01:01:33,519 --> 01:01:31,440

along with others again the the the

1099

01:01:35,870 --> 01:01:33,529

people who can capitalize the

1100

01:01:37,029 --> 01:01:35,880

restructuring of the infrastructure are

1101

01:01:40,059 --> 01:01:37,039

the ones who are the long-term

1102

01:01:44,019 --> 01:01:40,069

beneficiaries and they don't they're not

1103

01:01:46,459 --> 01:01:44,029

wedded to oil and recognize that

1104

01:01:48,739 --> 01:01:46,469

significant problems for the reliance on

1105

01:01:51,709 --> 01:01:48,749

fossil fuels and particularly this is an

1106

01:01:57,339 --> 01:01:51,719

extraction industry which means there is

1107

01:02:03,049 --> 01:01:57,349

a finite supply of oil it's yes big but

1108

01:02:04,579 --> 01:02:03,059

it is finite right absolutely and I

1109

01:02:06,279 --> 01:02:04,589

remember when I was in high school they

1110

01:02:08,439 --> 01:02:06,289

were saying that

1111

01:02:11,259 --> 01:02:08,449

there was enough oil for 30 years they

1112

01:02:13,809 --> 01:02:11,269

were wrong about that but still it is

1113

01:02:15,909 --> 01:02:13,819

still finite and you know when they get

1114

01:02:18,729 --> 01:02:15,919

into doing fracking and things like that

1115

01:02:20,319 --> 01:02:18,739

you know it's it's a it's a can be a

1116

01:02:23,259 --> 01:02:20,329

problem

1117

01:02:26,999 --> 01:02:23,269

so uri geller i want to talk about him

1118

01:02:30,269 --> 01:02:27,009

he did the foreword for your book i know

1119

01:02:34,390 --> 01:02:30,279

you know ray stanford knows him well

1120

01:02:38,259 --> 01:02:34,400

he's quite an amazing guy getting into

1121

01:02:40,959 --> 01:02:38,269

the metal bending that is fascinating

1122

01:02:46,539 --> 01:02:40,969

have you actually witnessed this

1123

01:02:47,409 --> 01:02:46,549

firsthand I didn't get to that chapter

1124

01:02:53,199 --> 01:02:47,419

no I'm sorry

1125

01:02:55,150 --> 01:02:53,209

yeah I used to keep that you'll find

1126

01:02:57,219 --> 01:02:55,160

videos will be describing some of the

1127

01:02:59,589 --> 01:02:57,229

incidents that happened oh this was one

1128

01:03:02,130 --> 01:02:59,599

of the things in the intelligence

1129

01:03:05,650 --> 01:03:02,140

community that we got interested in

1130

01:03:07,779 --> 01:03:05,660

while earlier is a personal friend and

1131

01:03:11,799 --> 01:03:07,789

I've seen some pretty remarkable things

1132

01:03:16,409 --> 01:03:11,809

occur around him the big impetus for the

1133

01:03:21,909 --> 01:03:19,689

McDonnell Douglas who created what

1134

01:03:27,370 --> 01:03:21,919

became known as spoon bending parties or

1135

01:03:30,130 --> 01:03:27,380

PKM B and the short answer to your

1136

01:03:32,589 --> 01:03:30,140

question we said yes we saw some really

1137

01:03:36,099 --> 01:03:32,599

amazing incidents and again the book

1138

01:03:41,409 --> 01:03:36,109

describes a variety of them and in fact

1139

01:03:47,249 --> 01:03:41,419

the appendix in the book is a how-to to

1140

01:03:51,789 --> 01:03:47,259

run your own PK party mmm-hmm about that

1141

01:03:55,839 --> 01:03:51,799

and how how do you is that explainable

1142

01:03:59,079 --> 01:03:55,849

in any type of way how's that done how

1143

01:04:01,419 --> 01:03:59,089

can that possibly be done I'm not sure

1144

01:04:03,609 --> 01:04:01,429

what the question is if you're talking

1145

01:04:05,620 --> 01:04:03,619

about the procedures you get there yeah

1146

01:04:08,620 --> 01:04:05,630

we understand that if you're talking

1147

01:04:12,669 --> 01:04:08,630

about the underlying mechanisms yeah

1148

01:04:19,240 --> 01:04:12,679

Ezrin know and some of the big issues

1149

01:04:24,910 --> 01:04:19,250

are you know whether or not energy is

1150

01:04:27,220 --> 01:04:24,920

toaster can be conserved what we did

1151

01:04:29,830 --> 01:04:27,230

discover and we actually had taken a

1152

01:04:34,270 --> 01:04:29,840

number of items that here appear to have

1153

01:04:38,080 --> 01:04:34,280

spontaneous a significant bending and

1154

01:04:39,220 --> 01:04:38,090

when you grind them up and look at under

1155

01:04:45,340 --> 01:04:39,230

the microscope

1156

01:04:47,470 --> 01:04:45,350

it looks like heat and a tremendous

1157

01:04:52,110 --> 01:04:47,480

amount of heat but we know that there

1158

01:04:55,870 --> 01:04:52,120

was no heat present we also know that

1159

01:05:00,190 --> 01:04:55,880

again using the cutlery example that

1160

01:05:03,850 --> 01:05:00,200

there were certain types of extruded and

1161

01:05:08,970 --> 01:05:03,860

stamped different ways of forming

1162

01:05:13,210 --> 01:05:08,980

cutlery and seems to make a difference

1163

01:05:18,190 --> 01:05:13,220

Bob John who you know had the Princeton

1164

01:05:20,710 --> 01:05:18,200

pear lab we were at actually our naval

1165

01:05:24,310 --> 01:05:20,720

research lab with a meeting discovering

1166

01:05:28,120 --> 01:05:24,320

these things and he his supposition was

1167

01:05:30,280 --> 01:05:28,130

that you're where you're functioning is

1168

01:05:32,860 --> 01:05:30,290

a more fundamental level than physical

1169

01:05:37,030 --> 01:05:32,870

and that's a level of information ie

1170

01:05:39,550 --> 01:05:37,040

what is it that tells the spoon to be a

1171

01:05:43,210 --> 01:05:39,560

spoon and holds it in that configuration

1172

01:05:46,330 --> 01:05:43,220

and that you basically are per debating

1173

01:05:52,150 --> 01:05:46,340

the information structure as opposed to

1174

01:05:56,340 --> 01:05:52,160

the energy structure Wow and if so if

1175

01:06:00,040 --> 01:05:56,350

you're like down to the atomic level

1176

01:06:04,120 --> 01:06:00,050

basically it just changes there's a

1177

01:06:06,160 --> 01:06:04,130

molecular Wow look at you know the

1178

01:06:12,090 --> 01:06:06,170

changes that have taken place you can

1179

01:06:18,070 --> 01:06:15,660

there was one more UFO question that was

1180

01:06:21,820 --> 01:06:18,080

someone wanted to ask you and that was

1181

01:06:23,620 --> 01:06:21,830

with your experience in the UFO field do

1182

01:06:25,930 --> 01:06:23,630

you think that we are being visited by

1183

01:06:32,960 --> 01:06:25,940

nuts-and-bolts craft or something that

1184

01:06:35,370 --> 01:06:32,970

we just don't understand yes

1185

01:06:37,470 --> 01:06:35,380

that's a good answer maybe we don't

1186

01:06:42,030 --> 01:06:37,480

understood we do not understand

1187

01:06:46,320 --> 01:06:42,040

nuts-and-bolts craft either I do believe

1188

01:06:48,870 --> 01:06:46,330

that certainly some of the observations

1189

01:06:52,530 --> 01:06:48,880

of the Great's are absolutely physical I

1190

01:06:56,730 --> 01:06:52,540

think they may be transitory from a

1191

01:06:59,760 --> 01:06:56,740

temporal perspective but when you know

1192

01:07:02,430 --> 01:06:59,770

again my UFO presentations I start out

1193

01:07:07,170 --> 01:07:02,440

with a simple question like what do you

1194

01:07:08,880 --> 01:07:07,180

mean by that I'm questioning well I've

1195

01:07:13,080 --> 01:07:08,890

got little balls of light but float

1196

01:07:15,210 --> 01:07:13,090

around I have hard crafts that are a

1197

01:07:18,440 --> 01:07:15,220

mile two miles across

1198

01:07:22,970 --> 01:07:18,450

you know just absolutely gigantic and

1199

01:07:26,100 --> 01:07:22,980

thousands of variations in between so

1200

01:07:29,970 --> 01:07:26,110

you know what tell me again what you

1201
01:07:33,270 --> 01:07:29,980
mean you know and again we know we're

1202
01:07:35,250 --> 01:07:33,280
injunctive quintessential book on this

1203
01:07:38,490 --> 01:07:35,260
was that you know they have been

1204
01:07:42,030 --> 01:07:38,500
reported for millennia I might

1205
01:07:45,170 --> 01:07:42,040
extrapolate a step further as question

1206
01:07:48,210 --> 01:07:45,180
usually follows and that has to do with

1207
01:07:51,810 --> 01:07:48,220
visitations and interactions I point out

1208
01:07:56,270 --> 01:07:51,820
we have had reports of interactions

1209
01:07:58,980 --> 01:07:56,280
between humans and sentient humans

1210
01:08:02,940 --> 01:07:58,990
throughout the entirety of human history

1211
01:08:05,670 --> 01:08:02,950
and all cultures and one of the things

1212
01:08:09,030 --> 01:08:05,680
that new is oh by the way they flew in

1213
01:08:11,790 --> 01:08:09,040

on a little craft of some kind but these

1214

01:08:14,970 --> 01:08:11,800

interactions have always been there yeah

1215

01:08:18,870 --> 01:08:14,980

yeah I when I was speaking with someone

1216

01:08:22,099 --> 01:08:18,880

about the topic not on the show but in

1217

01:08:24,840 --> 01:08:22,109

the house or I think it was they said

1218

01:08:26,970 --> 01:08:24,850

something along the lines were you know

1219

01:08:28,740 --> 01:08:26,980

there's always been something but they

1220

01:08:31,110 --> 01:08:28,750

were they were talking about it's always

1221

01:08:35,030 --> 01:08:31,120

been some type of fantasy like fairies

1222

01:08:37,980 --> 01:08:35,040

and leprechauns things like that bill

1223

01:08:42,150 --> 01:08:37,990

and again if you look into the culture

1224

01:08:46,710 --> 01:08:42,160

you know you go to Hawaii and spent

1225

01:08:49,800 --> 01:08:46,720

years out there the Menehune

1226

01:08:56,090 --> 01:08:49,810

so the we poker little folks appear

1227

01:09:01,470 --> 01:08:59,970

all right another part of your book that

1228

01:09:03,870 --> 01:09:01,480

I actually did get to read Because was

1229

01:09:05,430 --> 01:09:03,880

toward the beginning and I thought was

1230

01:09:07,680 --> 01:09:05,440

really interesting because I've had

1231

01:09:13,170 --> 01:09:07,690

first-hand experience actually and

1232

01:09:16,979 --> 01:09:13,180

that's healing and healers and that is

1233

01:09:20,370 --> 01:09:16,989

that is a reality of mine that like I

1234

01:09:22,829 --> 01:09:20,380

said I've had it happen firsthand that I

1235

01:09:25,559 --> 01:09:22,839

didn't believe it even until it actually

1236

01:09:29,760 --> 01:09:25,569

happened and I thought it was ridiculous

1237

01:09:35,430 --> 01:09:29,770

I saw you you talk about when you you

1238

01:09:38,970 --> 01:09:35,440

fell back and you found yourself I was a

1239

01:09:41,970 --> 01:09:38,980

recipient okay and I'll just tell them I

1240

01:09:44,070 --> 01:09:41,980

started real real quickly is I had

1241

01:09:46,890 --> 01:09:44,080

terrible chronic back pain for about

1242

01:09:48,570 --> 01:09:46,900

five years and it just it just every day

1243

01:09:49,170 --> 01:09:48,580

every morning every night I couldn't

1244

01:09:51,269 --> 01:09:49,180

sleep

1245

01:09:54,660 --> 01:09:51,279

it was terrible and I was on a plane I

1246

01:09:58,590 --> 01:09:54,670

was on a flight and heading up toward

1247

01:10:01,350 --> 01:09:58,600

the area where I was living and I was

1248

01:10:05,250 --> 01:10:01,360

talking about it and someone said well

1249

01:10:07,470 --> 01:10:05,260

you know there's this healer and and a

1250

01:10:10,770 --> 01:10:07,480

little chapel up in Maine and you should

1251

01:10:12,930 --> 01:10:10,780

go and I'm thinking oh so my girlfriend

1252

01:10:15,060 --> 01:10:12,940

was there and she said my girlfriend at

1253

01:10:19,590 --> 01:10:15,070

the time she said let's just go so

1254

01:10:22,050 --> 01:10:19,600

anyway I had an open mind enough to go

1255

01:10:24,060 --> 01:10:22,060

and then I'm in this little chapel in

1256

01:10:26,520 --> 01:10:24,070

this little tiny woman about 4 foot

1257

01:10:28,710 --> 01:10:26,530

something real small lady she was really

1258

01:10:30,240 --> 01:10:28,720

cute she was doing the rosary and I'm

1259

01:10:32,610 --> 01:10:30,250

thinking let's get out of here you know

1260

01:10:34,850 --> 01:10:32,620

this is ridiculous and and then she

1261

01:10:37,650 --> 01:10:34,860

asked if anyone needed to be healed and

1262

01:10:39,840 --> 01:10:37,660

people would get up and then she would

1263

01:10:41,280 --> 01:10:39,850

say a couple things and touch them and

1264

01:10:42,090 --> 01:10:41,290

they'd fall back and I said that's it

1265

01:10:45,030 --> 01:10:42,100

I'm leaving

1266

01:10:46,770 --> 01:10:45,040

so my girlfriend said no you're not

1267

01:10:48,660 --> 01:10:46,780

leaving you're going up there and I said

1268

01:10:51,510 --> 01:10:48,670

you know we came all the way up here we

1269

01:10:55,410 --> 01:10:51,520

spent the day getting here let's go so I

1270

01:10:58,410 --> 01:10:55,420

got up in the woman asked me what my

1271

01:11:01,110 --> 01:10:58,420

problem was I said my back pain and

1272

01:11:05,010 --> 01:11:01,120

so she put her hand on my back and if

1273

01:11:07,500 --> 01:11:05,020

you gave me \$10,000 I couldn't stand up

1274

01:11:11,250 --> 01:11:07,510

I fell back and she didn't even push me

1275

01:11:14,160 --> 01:11:11,260

I fell back and someone caught me and I

1276

01:11:17,810 --> 01:11:14,170

was I was on the floor and then my never

1277

01:11:21,450 --> 01:11:17,820

had back pain again it was gone so I

1278

01:11:25,920 --> 01:11:21,460

know as crazy as that sounds it happened

1279

01:11:28,800 --> 01:11:25,930

and it worked and I talked to the woman

1280

01:11:30,630 --> 01:11:28,810

I ran into her somehow like a year or

1281

01:11:33,030 --> 01:11:30,640

two later she's she's no longer with us

1282

01:11:34,860 --> 01:11:33,040

but I ran into her and I said how did

1283

01:11:37,050 --> 01:11:34,870

you do that and she said I don't know

1284

01:11:40,740 --> 01:11:37,060

she said I don't know I just had you

1285

01:11:43,500 --> 01:11:40,750

know she claims that she almost died one

1286

01:11:53,030 --> 01:11:43,510

time and she survived and ever since

1287

01:11:56,460 --> 01:11:53,040

that time she was able to do that a lot

1288

01:12:00,000 --> 01:11:56,470

like aggressive slightly but I'll come

1289

01:12:03,660 --> 01:12:00,010

back to it and that's the near-death

1290

01:12:06,450 --> 01:12:03,670

experience point that we can talk about

1291

01:12:07,970 --> 01:12:06,460

that you know I did my doctorate under

1292

01:12:17,100 --> 01:12:07,980

Elizabeth kubler-ross

1293

01:12:19,830 --> 01:12:17,110

and so the issue was we thought

1294

01:12:21,960 --> 01:12:19,840

initially the NDEs were a discrete event

1295

01:12:25,110 --> 01:12:21,970

that happened over a very brief period

1296

01:12:27,480 --> 01:12:25,120

of time well things that we learned and

1297

01:12:29,940 --> 01:12:27,490

studying it I became the president of

1298

01:12:34,470 --> 01:12:29,950

AIIMS the International Association of

1299

01:12:37,440 --> 01:12:34,480

near-death studies for a while and what

1300

01:12:41,480 --> 01:12:37,450

we found is that these events tend to

1301
01:12:46,160 --> 01:12:41,490
continue and people become precognitive

1302
01:12:48,870 --> 01:12:46,170
they become you know psychokinetic

1303
01:12:53,100 --> 01:12:48,880
capabilities and healing kinds of things

1304
01:12:55,470 --> 01:12:53,110
does seem to follow exactly why oh I

1305
01:12:59,240 --> 01:12:55,480
can't give a good reason as to why all

1306
01:13:03,630 --> 01:12:59,250
we can say is these events do curb

1307
01:13:06,300 --> 01:13:03,640
yeah it to me that was um you know I

1308
01:13:07,710 --> 01:13:06,310
just I I remember being on the ground in

1309
01:13:09,480 --> 01:13:07,720
the same what I'm you know kind of like

1310
01:13:11,070 --> 01:13:09,490
it happened to you you know you're

1311
01:13:12,330 --> 01:13:11,080
saying why were you on the couch or

1312
01:13:14,760 --> 01:13:12,340
whatever

1313
01:13:17,400 --> 01:13:14,770

how did that happen and that's kind of

1314

01:13:22,130 --> 01:13:17,410

how I felt no it was just really really

1315

01:13:26,040 --> 01:13:22,140

amazing so well I have another chapter

1316

01:13:29,880 --> 01:13:26,050

books is equally amazing and that is on

1317

01:13:33,260 --> 01:13:29,890

the Crystal Skull right yes we short got

1318

01:13:37,410 --> 01:13:33,270

to see the mitchell-hedges Crystal Skull

1319

01:13:39,840 --> 01:13:37,420

which is probably a fake I mean all the

1320

01:13:46,979 --> 01:13:39,850

indications are that yeah it probably is

1321

01:13:49,650 --> 01:13:46,989

a fake but even so we were there again

1322

01:13:51,720 --> 01:13:49,660

long story short had seen this and like

1323

01:13:54,330 --> 01:13:51,730

you I'm standing in front of it there's

1324

01:13:57,780 --> 01:13:54,340

a medium there waves her hand and in

1325

01:13:59,970 --> 01:13:57,790

front of me the next thing I know I have

1326

01:14:03,420 --> 01:13:59,980

fallen backwards on my case there was an

1327

01:14:05,220 --> 01:14:03,430

individual a male a little bigger than I

1328

01:14:08,250 --> 01:14:05,230

was who was saying they're prepared to

1329

01:14:12,180 --> 01:14:08,260

catch me and yet I knocked him over and

1330

01:14:16,410 --> 01:14:12,190

we both ended up you know on top of a

1331

01:14:20,209 --> 01:14:16,420

couch if you you know and cannot explain

1332

01:14:23,190 --> 01:14:20,219

how they happened why it happened but I

1333

01:14:27,479 --> 01:14:23,200

remember feeling a slight wave and I was

1334

01:14:32,100 --> 01:14:27,489

getting ready to catch myself and you

1335

01:14:35,190 --> 01:14:32,110

know I say next thing I know I am waking

1336

01:14:41,360 --> 01:14:35,200

up pops up of this guy was going

1337

01:14:48,540 --> 01:14:45,450

you know I went to the Expo 67 in

1338

01:14:50,370 --> 01:14:48,550

Montreal Canada you know years after it

1339

01:14:52,740 --> 01:14:50,380

was still open you could go visit I

1340

01:14:54,090 --> 01:14:52,750

think it was although in the 70s at some

1341

01:14:58,440 --> 01:14:54,100

point I was there and I remember there

1342

01:14:59,910 --> 01:14:58,450

was a Crystal Skull there I was staring

1343

01:15:03,360 --> 01:14:59,920

at it and they said they thought it was

1344

01:15:06,570 --> 01:15:03,370

ancient and there are a number of these

1345

01:15:09,450 --> 01:15:06,580

known around aren't there yes there are

1346

01:15:12,120 --> 01:15:09,460

several and in fact in the folklore they

1347

01:15:14,280 --> 01:15:12,130

were supposed to be you know when 13

1348

01:15:16,419 --> 01:15:14,290

were brought together we were going to

1349

01:15:19,479 --> 01:15:16,429

have transformation of the world

1350

01:15:25,299 --> 01:15:19,489

you know all kinds of things that happen

1351

01:15:28,660 --> 01:15:25,309

this one was reportedly found in what

1352

01:15:31,390 --> 01:15:28,670

was then British Honduras no Belize my

1353

01:15:34,419 --> 01:15:31,400

Anna herself think it was planted by her

1354

01:15:38,830 --> 01:15:34,429

father's but and supposedly very very

1355

01:15:42,339 --> 01:15:38,840

ancient but examination of it pretty

1356

01:15:45,459 --> 01:15:42,349

much indicated machine-tooled

1357

01:15:49,839 --> 01:15:45,469

may be in the 40s or and you could

1358

01:15:52,239 --> 01:15:49,849

follow him but my point was even though

1359

01:15:53,709 --> 01:15:52,249

I'm pretty sure was now that it was a

1360

01:15:58,810 --> 01:15:53,719

fake yeah

1361

01:16:05,890 --> 01:16:01,120

and one of the things I know one of the

1362

01:16:08,469 --> 01:16:05,900

chapters I was reading I think it maybe

1363

01:16:13,839 --> 01:16:08,479

it was back to healing again was that

1364

01:16:19,199 --> 01:16:13,849

they tried cotton and things on mice as

1365

01:16:23,379 --> 01:16:19,209

they weren't influenced by the powerful

1366

01:16:27,549 --> 01:16:23,389

people as well in my case my brother had

1367

01:16:34,390 --> 01:16:27,559

had an operation and we sent him some of

1368

01:16:37,959 --> 01:16:34,400

the church cotton and had immediate pain

1369

01:16:41,319 --> 01:16:37,969

relief and interestingly you treat and

1370

01:16:45,580 --> 01:16:41,329

just as if it were you know disposable

1371

01:16:47,739 --> 01:16:45,590

medical item you know just like you

1372

01:16:53,259 --> 01:16:47,749

throw away buddy cause it caused or

1373

01:16:55,899 --> 01:16:53,269

something like that so yeah this was

1374

01:16:58,629 --> 01:16:55,909

we'd worked with Bill Bengston of the

1375

01:17:01,209 --> 01:16:58,639

Bengston healing method and anybody who

1376

01:17:05,439 --> 01:17:01,219

goes to his website will get redirected

1377

01:17:10,029 --> 01:17:05,449

to the availability of the cotton which

1378

01:17:14,739 --> 01:17:10,039

is prayed over and see why I had another

1379

01:17:20,500 --> 01:17:14,749

friend who has since died who had throat

1380

01:17:23,919 --> 01:17:20,510

cancer and used it and said certainly

1381

01:17:27,339 --> 01:17:23,929

pain relief as I say eventually crossed

1382

01:17:28,879 --> 01:17:27,349

over but thought that he got tremendous

1383

01:17:33,139 --> 01:17:28,889

relief

1384

01:17:36,350 --> 01:17:33,149

from using it amazing just amazing you

1385

01:17:38,449 --> 01:17:36,360

know the the one thing I chapter I'm

1386

01:17:40,909 --> 01:17:38,459

going to get to sooner or later because

1387

01:17:45,409 --> 01:17:40,919

it kind of fascinates me is the Voodoo

1388

01:17:47,389 --> 01:17:45,419

and I know you know voodoo is kind of

1389

01:17:49,310 --> 01:17:47,399

misused a lot of times you know people

1390

01:17:51,709 --> 01:17:49,320

just think about the doll and you stick

1391

01:17:55,609 --> 01:17:51,719

pins into it but there's a lot more to

1392

01:17:57,290 --> 01:17:55,619

it can you talk a little bit my point to

1393

01:18:01,549 --> 01:17:57,300

Americans is everything you think you

1394

01:18:04,520 --> 01:18:01,559

know about voodoo is wrong you know and

1395

01:18:10,759 --> 01:18:04,530

ours comes from television and movies

1396

01:18:13,009 --> 01:18:10,769

and whatnot now we were in West Africa

1397

01:18:15,979 --> 01:18:13,019

at the time which was the cradle of

1398

01:18:21,100 --> 01:18:15,989

innocence we're back in the DOM and

1399

01:18:25,699 --> 01:18:21,110

Empire the Spiritist religions evolved

1400

01:18:27,799 --> 01:18:25,709

but it is not just a religion or

1401
01:18:33,770 --> 01:18:27,809
something you do it is an entire way of

1402
01:18:36,020 --> 01:18:33,780
life everything they do in boudu is you

1403
01:18:39,560 --> 01:18:36,030
know it totally integrated dealing with

1404
01:18:41,799 --> 01:18:39,570
the spirit world as well the step that I

1405
01:18:45,529 --> 01:18:41,809
thought was a bit far we had a guy who

1406
01:18:51,199 --> 01:18:45,539
remained in contact with and when the

1407
01:18:58,100 --> 01:18:51,209
Ebola crisis broke out indicated that he

1408
01:19:01,129 --> 01:18:58,110
thought that Togo would be spared and it

1409
01:19:04,310 --> 01:19:01,139
was but I'm not sure I finally go so far

1410
01:19:06,589 --> 01:19:04,320
as there but the most interesting and

1411
01:19:09,639 --> 01:19:06,599
you'll see the pictures of it in there

1412
01:19:13,759 --> 01:19:09,649
what we saw them dealing with fire

1413
01:19:16,639 --> 01:19:13,769

standing in it sitting in it holding it

1414

01:19:19,370 --> 01:19:16,649

in their mouth I've got video taken at

1415

01:19:23,689 --> 01:19:19,380

very close range it is holding it for

1416

01:19:26,089 --> 01:19:23,699

you know more than a minute and inhaling

1417

01:19:29,540 --> 01:19:26,099

and exhaling and seeing it brighten up

1418

01:19:30,500 --> 01:19:29,550

as the air passes over it I took that

1419

01:19:34,250 --> 01:19:30,510

too

1420

01:19:36,529 --> 01:19:34,260

I know key magicians here in Las Vegas

1421

01:19:40,729 --> 01:19:36,539

we have lots of them but this is Jeff

1422

01:19:41,870 --> 01:19:40,739

McBride whose magicians magician and he

1423

01:19:45,140 --> 01:19:41,880

trains

1424

01:19:48,200 --> 01:19:45,150

the best ones and had him look at that

1425

01:19:50,150 --> 01:19:48,210

and just said nope that's absolutely

1426

01:19:54,080 --> 01:19:50,160

real he showed me some of the tricks

1427

01:19:57,230 --> 01:19:54,090

that can be applied but what they're

1428

01:19:59,750 --> 01:19:57,240

doing is real I might mention people

1429

01:20:02,180 --> 01:19:59,760

have said well they have some magical

1430

01:20:05,240 --> 01:20:02,190

appointment that they put on to protect

1431

01:20:08,840 --> 01:20:05,250

themselves I said this is a poverty

1432

01:20:14,590 --> 01:20:08,850

level that looks up to Dirk oh no they

1433

01:20:17,360 --> 01:20:14,600

have not gotten magical you know proper

1434

01:20:20,410 --> 01:20:17,370

materials that they apply to themselves

1435

01:20:23,600 --> 01:20:20,420

that protects them from the flame you

1436

01:20:28,100 --> 01:20:23,610

know you in the title of your there

1437

01:20:31,370 --> 01:20:28,110

subtitle you know things that can't

1438

01:20:32,840 --> 01:20:31,380

happen but did so that's exactly you

1439

01:20:35,210 --> 01:20:32,850

know an incident right there that you're

1440

01:20:38,870 --> 01:20:35,220

talking about that's what it it defies

1441

01:20:41,270 --> 01:20:38,880

the laws of thermodynamics absolutely

1442

01:20:42,770 --> 01:20:41,280

and you know it's the same with well I

1443

01:20:44,600 --> 01:20:42,780

don't know if there's more to walking on

1444

01:20:49,370 --> 01:20:44,610

coals since then what you're talking

1445

01:20:52,130 --> 01:20:49,380

about right there but yeah how how how

1446

01:20:53,630 --> 01:20:52,140

did that I mean that's that's something

1447

01:20:56,030 --> 01:20:53,640

I would think that somewhat you know

1448

01:20:58,450 --> 01:20:56,040

going back to we're talking about UFOs

1449

01:21:01,430 --> 01:20:58,460

and science you know it seems seems like

1450

01:21:03,080 --> 01:21:01,440

the science community what community

1451

01:21:06,160 --> 01:21:03,090

would want to know how that's done if

1452

01:21:11,800 --> 01:21:06,170

it's indeed can't be any type of magic

1453

01:21:14,390 --> 01:21:11,810

well they tend to just ignore it the

1454

01:21:16,400 --> 01:21:14,400

premises it can't be therefore it isn't

1455

01:21:20,750 --> 01:21:16,410

and by the way I'm not going to be

1456

01:21:24,760 --> 01:21:20,760

bothered looking why waste my time was

1457

01:21:30,050 --> 01:21:24,770

something I know can't happen yeah yeah

1458

01:21:33,620 --> 01:21:30,060

amazing which is it is it's too bad and

1459

01:21:35,900 --> 01:21:33,630

I know I know you were kind of enamored

1460

01:21:39,020 --> 01:21:35,910

with Brazil I remember hearing you

1461

01:21:47,140 --> 01:21:39,030

talking about that another show and and

1462

01:21:51,650 --> 01:21:47,150

why is that well I've done a lot of work

1463

01:21:54,380 --> 01:21:51,660

I think you know like you I live in a

1464

01:21:56,200 --> 01:21:54,390

couple of different worlds I have what I

1465

01:21:58,910 --> 01:21:56,210

call the straight world

1466

01:22:01,780 --> 01:21:58,920

this case right there national and

1467

01:22:05,030 --> 01:22:01,790

international you know deal strategic

1468

01:22:08,270 --> 01:22:05,040

implications that created the non-leaf

1469

01:22:11,740 --> 01:22:08,280

only weapon is new and had was done a

1470

01:22:14,660 --> 01:22:11,750

lot of work with that down in Brazil

1471

01:22:19,310 --> 01:22:14,670

have been down many times it's just the

1472

01:22:21,860 --> 01:22:19,320

things that we have seen firsthand again

1473

01:22:26,890 --> 01:22:21,870

there's whole chapters on that one for

1474

01:22:30,020 --> 01:22:26,900

instance my wife being totally possessed

1475

01:22:31,880 --> 01:22:30,030

so it's one thing to watch other people

1476

01:22:34,370 --> 01:22:31,890

whom you don't know when you questioned

1477

01:22:37,850 --> 01:22:34,380

whether or not this possession is real

1478

01:22:41,600 --> 01:22:37,860

but this is a spirit you know taking

1479

01:22:44,510 --> 01:22:41,610

over her physical body and remains home

1480

01:22:48,740 --> 01:22:44,520

for about twenty minutes and uh it was

1481

01:22:52,310 --> 01:22:48,750

on bondo ceremony we did we do our work

1482

01:22:57,020 --> 01:22:52,320

with ayahuasca she's kind of a devotee

1483

01:23:02,240 --> 01:22:57,030

of that but on bond uh does not call for

1484

01:23:05,030 --> 01:23:02,250

you know any chemical substances it was

1485

01:23:09,940 --> 01:23:05,040

just kind of an amazing experience which

1486

01:23:13,840 --> 01:23:09,950

again as detailed in reality is mine

1487

01:23:18,890 --> 01:23:13,850

work was that a scary situation for you

1488

01:23:20,690 --> 01:23:18,900

in particular no I wouldn't put it that

1489

01:23:26,570 --> 01:23:20,700

it was interesting I was taking pictures

1490

01:23:30,830 --> 01:23:26,580

and guy came up to me and he said you're

1491

01:23:33,730 --> 01:23:30,840

a reporter I said no that's my wife and

1492

01:23:37,640 --> 01:23:33,740

he goes asked you'd be ok just you know

1493

01:23:40,580 --> 01:23:37,650

relax don't worry about it and pretty

1494

01:23:42,500 --> 01:23:40,590

much came to pass as they had described

1495

01:23:45,470 --> 01:23:42,510

she went over and sat on the side well

1496

01:23:47,660 --> 01:23:45,480

actually they took her aside and did

1497

01:23:50,390 --> 01:23:47,670

something for a while with a high priest

1498

01:23:54,380 --> 01:23:50,400

and then sat on the side she does not

1499

01:23:56,870 --> 01:23:54,390

remember consciously remember any of the

1500

01:23:59,930 --> 01:23:56,880

things that had taken place she's

1501

01:24:02,030 --> 01:23:59,940

generally relatively shy and again in

1502

01:24:07,190 --> 01:24:02,040

the book I have a photograph that I took

1503

01:24:09,360 --> 01:24:07,200

there were in a auditorium or a chapel I

1504

01:24:13,650 --> 01:24:09,370

guess about three hundred people

1505

01:24:16,110 --> 01:24:13,660

about 10 gringos and and they see

1506

01:24:18,420 --> 01:24:16,120

possession all the time so that's the

1507

01:24:21,770 --> 01:24:18,430

norm what is not a norm is when you see

1508

01:24:28,320 --> 01:24:21,780

a gringo out there spinning on the floor

1509

01:24:32,970 --> 01:24:28,330

not self-consciously literally is a

1510

01:24:37,440 --> 01:24:32,980

showstopper yeah Wow amazing so the one

1511

01:24:40,290 --> 01:24:37,450

thing I talked about briefly is when you

1512

01:24:43,820 --> 01:24:40,300

were talking about that something seems

1513

01:24:46,590 --> 01:24:43,830

to be attached to someone and I know in

1514

01:24:51,810 --> 01:24:46,600

the I'm talking about the travelling

1515

01:24:54,000 --> 01:24:51,820

poltergeist chapter you have a lot of

1516

01:24:58,320 --> 01:24:54,010

times well there's that situation with

1517

01:24:59,910 --> 01:24:58,330

the the house in Connecticut that it was

1518

01:25:02,010 --> 01:24:59,920

called the most haunted house and it

1519

01:25:03,660 --> 01:25:02,020

they think it had to do with a young

1520

01:25:07,470 --> 01:25:03,670

girl that was you know going through

1521

01:25:12,660 --> 01:25:07,480

some emotional times so can you talk a

1522

01:25:15,450 --> 01:25:12,670

little bit about that chapter well yes

1523

01:25:17,460 --> 01:25:15,460

here again I say first-hand experience

1524

01:25:19,530 --> 01:25:17,470

this happened to me it was married at

1525

01:25:23,520 --> 01:25:19,540

the time to a woman who had three

1526

01:25:28,680 --> 01:25:23,530

children two girls of a boy boy was a

1527

01:25:33,390 --> 01:25:28,690

youngest and we did have the oldest girl

1528

01:25:35,310 --> 01:25:33,400

was right in the 8th her body and what

1529

01:25:38,150 --> 01:25:35,320

we do know from people who studied

1530

01:25:42,960 --> 01:25:38,160

pulled a guy's phone on a lot of it does

1531

01:25:43,890 --> 01:25:42,970

occur around that age and of course you

1532

01:25:45,780 --> 01:25:43,900

know they're going through a lot of

1533

01:25:48,960 --> 01:25:45,790

emotional strife but what was

1534

01:25:54,630 --> 01:25:48,970

interesting is that we had incidents

1535

01:25:57,030 --> 01:25:54,640

that happened in Hawaii again I went to

1536

01:25:59,400 --> 01:25:57,040

the organizational effectiveness school

1537

01:26:02,910 --> 01:25:59,410

at for doors so I was there for a number

1538

01:26:07,200 --> 01:26:02,920

of months while there we had incidents

1539

01:26:10,170 --> 01:26:07,210

occur in the apartment following that I

1540

01:26:14,190 --> 01:26:10,180

was transferred to what was in Fort

1541

01:26:18,480 --> 01:26:14,200

McPherson in Atlanta Georgia and while

1542

01:26:21,810 --> 01:26:18,490

we were there we had major incident I

1543

01:26:23,790 --> 01:26:21,820

described for instance standing in the

1544

01:26:27,419 --> 01:26:23,800

kitchen and here

1545

01:26:29,669 --> 01:26:27,429

crashing sound in the next room a bag of

1546

01:26:34,229 --> 01:26:29,679

cookies that had been sitting on the

1547

01:26:37,169 --> 01:26:34,239

table had picked up and flown across the

1548

01:26:40,500 --> 01:26:37,179

room and you know smacked against the

1549

01:26:43,320 --> 01:26:40,510

wall and there was absolutely nobody in

1550

01:26:45,390 --> 01:26:43,330

that room we had access to us so we know

1551
01:26:48,140 --> 01:26:45,400
that nobody had slipped in there though

1552
01:26:51,120 --> 01:26:48,150
we had items flying around periodically

1553
01:26:53,820 --> 01:26:51,130
again the question from a scientific

1554
01:26:58,229 --> 01:26:53,830
perspective is where does the energy

1555
01:27:01,649 --> 01:26:58,239
come from that can levitate object and

1556
01:27:03,419 --> 01:27:01,659
propel it across the room and you know

1557
01:27:05,459 --> 01:27:03,429
we're not talking about moving feathers

1558
01:27:09,750 --> 01:27:05,469
and things talking about you know

1559
01:27:13,770 --> 01:27:09,760
substantial physical items being

1560
01:27:17,700 --> 01:27:13,780
levitated and propelled right it's the

1561
01:27:22,620 --> 01:27:17,710
same talk about levitated the part where

1562
01:27:25,050 --> 01:27:22,630
the bed goes up into the in the room I'm

1563
01:27:26,970 --> 01:27:25,060

sorry there was a some where I was

1564

01:27:28,770 --> 01:27:26,980

reading in your book when someone was

1565

01:27:33,810 --> 01:27:28,780

laying on a bed and the bed rises right

1566

01:27:35,040 --> 01:27:33,820

up to the ceiling oh that's my brother

1567

01:27:37,709 --> 01:27:35,050

that was your brother

1568

01:27:43,229 --> 01:27:37,719

okay whatever growing up we were in La

1569

01:27:46,589 --> 01:27:43,239

Crosse Wisconsin and yeah we had a an

1570

01:27:51,270 --> 01:27:46,599

old house then even older now actually a

1571

01:27:55,500 --> 01:27:51,280

dorm at the moment frat house and but

1572

01:27:57,950 --> 01:27:55,510

lived in the we had our bedrooms in the

1573

01:28:01,439 --> 01:27:57,960

Attic that was partially furnished and

1574

01:28:04,399 --> 01:28:01,449

he had the case where he had in there

1575

01:28:08,160 --> 01:28:04,409

the he's just in the bed and it

1576

01:28:11,399 --> 01:28:08,170

literally lifted all the way to the

1577

01:28:15,120 --> 01:28:11,409

ceiling enough so that he had to put his

1578

01:28:16,970 --> 01:28:15,130

hands up and left palm prints on the

1579

01:28:20,430 --> 01:28:16,980

ceiling pushing it back down

1580

01:28:22,560 --> 01:28:20,440

I'll said when it hit the ground he was

1581

01:28:26,450 --> 01:28:22,570

out of there and did not return to the

1582

01:28:29,669 --> 01:28:26,460

third floor for a couple of weeks yeah

1583

01:28:31,350 --> 01:28:29,679

I've always thought like if I was in a

1584

01:28:33,330 --> 01:28:31,360

house where weird things happen I would

1585

01:28:36,030 --> 01:28:33,340

just I wouldn't care if I just bought it

1586

01:28:36,810 --> 01:28:36,040

I would just leave I wouldn't want to be

1587

01:28:41,310 --> 01:28:36,820

around any of

1588

01:28:45,270 --> 01:28:41,320

that stuff so out of everything you know

1589

01:28:47,939 --> 01:28:45,280

things fly around too but but I mean

1590

01:28:51,149 --> 01:28:47,949

this is if you remember the Exorcist

1591

01:28:55,470 --> 01:28:51,159

yeah the original one this is right out

1592

01:28:57,810 --> 01:28:55,480

of that levitating bit and it was your

1593

01:29:02,100 --> 01:28:57,820

cousin that was stricken as a child

1594

01:29:08,640 --> 01:29:02,110

right that got into martial arts yeah

1595

01:29:12,720 --> 01:29:08,650

Gary attempt on mission row but he and

1596

01:29:15,300 --> 01:29:12,730

his brother had rheumatic fever and were

1597

01:29:18,780 --> 01:29:15,310

bedridden for a couple of years that's

1598

01:29:20,879 --> 01:29:18,790

why I was so amazing that I mean never

1599

01:29:24,000 --> 01:29:20,889

participated in sports couldn't even go

1600

01:29:26,879 --> 01:29:24,010

outside or anything and then once he'll

1601

01:29:30,120 --> 01:29:26,889

you know join the Marine Corps and as I

1602

01:29:33,479 --> 01:29:30,130

said became known for his athletic

1603

01:29:36,390 --> 01:29:33,489

proress right I mean a thousand contacts

1604

01:29:39,419 --> 01:29:36,400

full contact or a thousand matches full

1605

01:29:41,520 --> 01:29:39,429

contact and undefeated they don't have

1606

01:29:45,959 --> 01:29:41,530

full contact anymore either do they I

1607

01:29:49,260 --> 01:29:45,969

know he laments that dramatic we still

1608

01:29:52,290 --> 01:29:49,270

talk about that yeah all padded up as he

1609

01:29:55,260 --> 01:29:52,300

said in your book here on a set a record

1610

01:29:59,399 --> 01:29:55,270

Madison stair Garden knocking in day out

1611

01:30:02,700 --> 01:29:59,409

in five seconds Wow five seconds amazing

1612

01:30:05,459 --> 01:30:02,710

he hits I can't say we were in black

1613

01:30:08,370 --> 01:30:05,469

belt magazine together and you know I

1614

01:30:11,419 --> 01:30:08,380

never sparred with him but I've held he

1615

01:30:16,200 --> 01:30:11,429

kicks really really hard

1616

01:30:19,939 --> 01:30:16,210

obviously great so on this in this whole

1617

01:30:23,069 --> 01:30:19,949

book what would you say is the most

1618

01:30:27,120 --> 01:30:23,079

mind-bending so to speak or most

1619

01:30:29,189 --> 01:30:27,130

unbelievable and all the entire book

1620

01:30:37,620 --> 01:30:29,199

that you wrote that was the hardest to

1621

01:30:41,760 --> 01:30:37,630

swallow unbelievable obviously they are

1622

01:30:45,089 --> 01:30:41,770

believable because my definition the you

1623

01:30:48,780 --> 01:30:45,099

know these things happen which is the

1624

01:30:50,910 --> 01:30:48,790

ballpoint to the book that you know if

1625

01:30:53,560 --> 01:30:50,920

you address any of the issues

1626

01:30:57,160 --> 01:30:53,570

specifically you would say that can't

1627

01:30:59,890 --> 01:30:57,170

happen say no but it did one of the

1628

01:31:03,939 --> 01:30:59,900

sayings I uses anything that does happen

1629

01:31:06,250 --> 01:31:03,949

can happen do you think it has anything

1630

01:31:14,650 --> 01:31:06,260

to do with yourself have you ever

1631

01:31:17,320 --> 01:31:14,660

thought of that angle oh of course I the

1632

01:31:19,420 --> 01:31:17,330

way I usually address that is not so

1633

01:31:25,050 --> 01:31:19,430

much of what happens to me but things

1634

01:31:29,920 --> 01:31:25,060

around me like a catalyst for various

1635

01:31:33,820 --> 01:31:29,930

kinds of experiences mm-hmm

1636

01:31:36,610 --> 01:31:33,830

and has anyone has anyone else in your

1637

01:31:39,250 --> 01:31:36,620

family have an interest in the type of

1638

01:31:41,350 --> 01:31:39,260

things that you do are as open mind and

1639

01:31:47,860 --> 01:31:41,360

where did you you know where did you get

1640

01:31:50,350 --> 01:31:47,870

this open - don't know my brother the

1641

01:31:53,380 --> 01:31:50,360

one who Dom who was the one who was in

1642

01:31:55,570 --> 01:31:53,390

the bed that we mentioned says well you

1643

01:32:00,090 --> 01:31:55,580

know I studied the things that happened

1644

01:32:05,170 --> 01:32:00,100

for them but that did not transition to

1645

01:32:08,470 --> 01:32:05,180

you know the curiosity that that I have

1646

01:32:10,660 --> 01:32:08,480

so and I also get question how did it

1647

01:32:13,959 --> 01:32:10,670

change I said I don't know what's kind

1648

01:32:16,360 --> 01:32:13,969

of the interest has always been there

1649

01:32:18,729 --> 01:32:16,370

and then he changes have been more like

1650

01:32:24,189 --> 01:32:18,739

you know steering an aircraft carrier

1651
01:32:27,220 --> 01:32:24,199
than any epiphany or you know critical

1652
01:32:31,990 --> 01:32:27,230
incidents that caused interest in these

1653
01:32:34,410 --> 01:32:32,000
areas well well so do you have anything

1654
01:32:37,150 --> 01:32:34,420
in the future lined up are you gonna

1655
01:32:42,040 --> 01:32:37,160
have anything as far as writing any more

1656
01:32:44,680 --> 01:32:42,050
books coming up well I'm working on some

1657
01:32:49,209 --> 01:32:44,690
things right now but remember that most

1658
01:32:50,890 --> 01:32:49,219
of again like you most of my time is

1659
01:32:53,800 --> 01:32:50,900
spent in what I call the straight world

1660
01:32:57,120 --> 01:32:53,810
right and so if I write on you know

1661
01:32:59,339 --> 01:32:57,130
geopolitical incidents I do blog

1662
01:33:03,379 --> 01:32:59,349
periodically on

1663
01:33:06,870 --> 01:33:03,389

Huffington Post mostly on begin

1664

01:33:10,890 --> 01:33:06,880

geopolitical issues the one I'm writing

1665

01:33:14,729 --> 01:33:10,900

on at the moment is addressing the

1666

01:33:19,649 --> 01:33:14,739

common factors in football bnfl but

1667

01:33:26,939 --> 01:33:19,659

football in general climate change gun

1668

01:33:29,310 --> 01:33:26,949

control Wow issue like that the short

1669

01:33:33,990 --> 01:33:29,320

circuit the common factor is willful

1670

01:33:36,810 --> 01:33:34,000

ignorance our ability to know that

1671

01:33:41,160 --> 01:33:36,820

smoking was the other one that how the

1672

01:33:44,430 --> 01:33:41,170

public in general just refuses to accept

1673

01:33:46,680 --> 01:33:44,440

data and that's on a macro scale so

1674

01:33:50,040 --> 01:33:46,690

where that transitions into what we're

1675

01:33:52,950 --> 01:33:50,050

talking about is when common interest

1676
01:33:56,160 --> 01:33:52,960
says these things can't happen and goes

1677
01:33:58,919 --> 01:33:56,170
against our what we haven't discussed is

1678
01:34:06,089 --> 01:33:58,929
the materialist world versus a spirit

1679
01:34:08,790 --> 01:34:06,099
world but yeah our our society has the

1680
01:34:12,780 --> 01:34:08,800
ability to just ignore vast amount of

1681
01:34:17,010 --> 01:34:12,790
data and act in ways that are not in

1682
01:34:19,350 --> 01:34:17,020
their own personal best interest and why

1683
01:34:22,830 --> 01:34:19,360
do you suppose that is I agree with you

1684
01:34:28,350 --> 01:34:22,840
and how do you how do you suppose people

1685
01:34:30,149 --> 01:34:28,360
rationalize things I have no idea there

1686
01:34:32,010 --> 01:34:30,159
was an interesting book I read a few

1687
01:34:35,040 --> 01:34:32,020
years ago called the myth of the

1688
01:34:39,390 --> 01:34:35,050

rational voter and of course the issue

1689

01:34:41,550 --> 01:34:39,400

is that you know in a democracy and yes

1690

01:34:45,419 --> 01:34:41,560

I know we're public but in the democracy

1691

01:34:47,669 --> 01:34:45,429

where we vote the assumption is that

1692

01:34:53,330 --> 01:34:47,679

people will vote in their own best

1693

01:35:01,439 --> 01:34:57,500

emotion Trump's logic almost every time

1694

01:35:04,040 --> 01:35:01,449

really that is fascinating I never knew

1695

01:35:05,550 --> 01:35:04,050

that aspect I've never heard of that

1696

01:35:07,589 --> 01:35:05,560

amazing

1697

01:35:10,740 --> 01:35:07,599

well John are you familiar with our

1698

01:35:12,370 --> 01:35:10,750

present or current president you know I

1699

01:35:14,530 --> 01:35:12,380

mentioned our

1700

01:35:16,780 --> 01:35:14,540

our current president last week in John

1701

01:35:20,290 --> 01:35:16,790

I got to tell you I get so much hate

1702

01:35:24,310 --> 01:35:20,300

mail and it was just a very I thought

1703

01:35:29,200 --> 01:35:24,320

kind of a simple phrase I said emotion

1704

01:35:29,890 --> 01:35:29,210

Trump's logic every time so I pun

1705

01:35:34,990 --> 01:35:29,900

intended

1706

01:35:37,630 --> 01:35:35,000

yeah okay John has been a real pleasure

1707

01:35:39,630 --> 01:35:37,640

and hey are you gonna be out in I heard

1708

01:35:43,960 --> 01:35:39,640

a rumor that you might be out in Arizona

1709

01:35:48,370 --> 01:35:43,970

coming up at the UFO Congress is that

1710

01:35:53,520 --> 01:35:48,380

true or possibility well I don't intend

1711

01:35:57,550 --> 01:35:53,530

to go down and Alejandro has said no oh

1712

01:35:59,410 --> 01:35:57,560

okay well alright well thanks so much

1713

01:36:02,710 --> 01:35:59,420

and it's always been a real pleasure to

1714

01:36:07,090 --> 01:36:02,720

talk to you okay thank you all right you

1715

01:36:10,080 --> 01:36:07,100

take care all right all right all right

1716

01:36:13,960 --> 01:36:10,090

everyone that's it for the show and

1717

01:36:16,330 --> 01:36:13,970

thank you so much for for being here

1718

01:36:19,630 --> 01:36:16,340

today for supporting the show or

1719

01:36:21,610 --> 01:36:19,640

watching it live on youtube or on the

1720

01:36:24,730 --> 01:36:21,620

Dark Matter digital network thank you

1721

01:36:26,440 --> 01:36:24,740

thank you thank you and next week we'll

1722

01:36:30,250 --> 01:36:26,450

be back with charles lamoureux

1723

01:36:33,520 --> 01:36:30,260

it has to do with a film out on I

1724

01:36:37,540 --> 01:36:33,530

believe UFOs so that will be our show

1725

01:36:41,450 --> 01:36:37,550

next week so thanks again and remember
