00:00:28,109 --> 00:00:13,260

[Music]

2
00:00:32,650 --> 00:00:31,210

hello and welcome to the show I'm Martin

3
00:00:35,049 --> 00:00:32,660

Willis your host I should say good

4
00:00:38,049 --> 00:00:35,059

morning to because this show is running

5
00:00:40,630 --> 00:00:38,059

live I had to get Alejandro up early

6
00:00:42,729 --> 00:00:40,640

he's on the other end waiting he'll be

7
00:00:45,310 --> 00:00:42,739

joining us for the you of UFO updates

8
00:00:49,270 --> 00:00:45,320

I had to accommodate our guests today

9
00:00:51,250 --> 00:00:49,280

erich von daniken and he's in sweden so

10
00:00:53,439 --> 00:00:51,260

i had to accommodate his time that's why

11
00:00:57,069 --> 00:00:53,449

we're having this show at this time of

12
00:00:58,600 --> 00:00:57,079

the day and it's nice to have this live

13
00:01:01,540 --> 00:00:58,610

stream on YouTube where I can do this

14

00:01:03,340 --> 00:01:01,550

and I'm not stuck to any radio program

15

00:01:05,910 --> 00:01:03,350

schedule that's the one great thing

16

00:01:07,990 --> 00:01:05,920

about not being on a radio program a

17

00:01:10,840 --> 00:01:08,000

couple things up we're going to be

18

00:01:13,090 --> 00:01:10,850

talking about his book it's called the

19

00:01:17,350 --> 00:01:13,100

gods never left us great book I really

20

00:01:21,310 --> 00:01:17,360

enjoyed reading it and also I wanted to

21

00:01:24,249 --> 00:01:21,320

tell people that I now have a UFO

22

00:01:25,779 --> 00:01:24,259

sighting reporting form it's an

23

00:01:28,779 --> 00:01:25,789

anonymous form and the reason I did that

24

00:01:31,300 --> 00:01:28,789

that's on podcast UFO calm the reason I

25

00:01:33,490 --> 00:01:31,310

did that myself along with Alejandro I

26

00:01:36,070 --> 00:01:33,500

know it gets a lot of people that write

27

00:01:38,469 --> 00:01:36,080

us about their UFO reports they don't

28

00:01:41,199 --> 00:01:38,479

necessarily want to report them on the

29

00:01:44,080 --> 00:01:41,209

on the page where the UFO sightings are

30

00:01:46,570 --> 00:01:44,090

posted now I do have information where

31

00:01:48,880 --> 00:01:46,580

people can definitely report these

32

00:01:50,620 --> 00:01:48,890

things I have links to move on and to

33

00:01:53,139 --> 00:01:50,630

new Fork where people can report those

34

00:01:55,779 --> 00:01:53,149

to they said Center I do encourage that

35

00:01:58,059 --> 00:01:55,789

but if if you just feel like posting

36

00:02:00,850 --> 00:01:58,069

anonymously there's some great postings

37

00:02:04,419 --> 00:02:00,860

up already in just a few days one from

38

00:02:06,639 --> 00:02:04,429

Boston wanna a lot of orbs triangle

39

00:02:09,969 --> 00:02:06,649

things like that a diamond shape one so

40

00:02:11,949 --> 00:02:09,979

that's at podcast UFO calm under UFO

41

00:02:13,330 --> 00:02:11,959

sightings and all that informations

42

00:02:16,210 --> 00:02:13,340

right there thank you so much if you

43

00:02:18,369 --> 00:02:16,220

support the show anyone can support the

44

00:02:20,800 --> 00:02:18,379

show to listen to the full show for two

45

00:02:23,229 --> 00:02:20,810

dollars or more a month greatly

46

00:02:26,979 --> 00:02:23,239

appreciate it people can also see the

47

00:02:29,740 --> 00:02:26,989

full show on YouTube but the good thing

48

00:02:31,630 --> 00:02:29,750

about the supporters they can listen to

49

00:02:34,500 --> 00:02:31,640

it as a podcast and their media player

50

00:02:36,740 --> 00:02:34,510

whatever media player they choose also

51
00:02:38,420 --> 00:02:36,750
if you can't support

52
00:02:41,000 --> 00:02:38,430
show you can listen to the full show

53
00:02:42,710 --> 00:02:41,010
live always and on the dark matter

54
00:02:46,700 --> 00:02:42,720
digital network and that's every

55
00:02:48,680 --> 00:02:46,710
Thursday at 10 p.m. to midnight

56
00:02:51,250 --> 00:02:48,690
that's Eastern Standard Time just before

57
00:02:53,780 --> 00:02:51,260
midnight in the desert comes up

58
00:02:56,150 --> 00:02:53,790
Alejandro how are you doing thank you

59
00:02:59,300 --> 00:02:56,160
and good morning good morning how are

60
00:03:01,190 --> 00:02:59,310
you good thanks for getting up early for

61
00:03:03,710 --> 00:03:01,200
me I really appreciate it and look at

62
00:03:05,030 --> 00:03:03,720
that look at the backgrounds nice and

63
00:03:08,060 --> 00:03:05,040

bright and sunny I heard you said it's

64

00:03:10,280 --> 00:03:08,070

warm out there it is sunny as heck well

65

00:03:12,520 --> 00:03:10,290

I was trying to make a joke because you

66

00:03:15,440 --> 00:03:12,530

kept saying my Skype was freezing I

67

00:03:15,770 --> 00:03:15,450

think that strange because it's warm out

68

00:03:23,479 --> 00:03:15,780

here

69

00:03:26,750 --> 00:03:23,489

yeah speaking of that I'm going to push

70

00:03:30,560 --> 00:03:26,760

this up on my screen right here for the

71

00:03:33,620 --> 00:03:30,570

YouTube that is outside of my house

72

00:03:36,320 --> 00:03:33,630

we had a yeah I really afraid we had a

73

00:03:38,540 --> 00:03:36,330

major ice storm here and it was actually

74

00:03:40,550 --> 00:03:38,550

like 25 degrees you got raining so

75

00:03:43,039 --> 00:03:40,560

that's a dangerous I can't believe I

76

00:03:44,660 --> 00:03:43,049

still have internet and well shouldn't

77

00:03:46,870 --> 00:03:44,670

say that I might jinx it but I still

78

00:03:49,400 --> 00:03:46,880

have Internet and I still have

79

00:03:51,800 --> 00:03:49,410

electricity which is very unusual

80

00:03:54,650 --> 00:03:51,810

usually it loves to go down in an ice

81

00:03:57,199 --> 00:03:54,660

storm like that but anyway I'm here I'm

82

00:03:58,670 --> 00:03:57,209

excited about our guest today and before

83

00:04:00,020 --> 00:03:58,680

we get it going in the news I just

84

00:04:03,800 --> 00:04:00,030

wanted to tell you in this book that I

85

00:04:05,569 --> 00:04:03,810

just read of Erich von Daniken's he

86

00:04:08,810 --> 00:04:05,579

references

87

00:04:10,370 --> 00:04:08,820

he wrote this any other 2015 or 2016 I'm

88

00:04:12,560 --> 00:04:10,380

going to ask him but he actually

89

00:04:14,810 --> 00:04:12,570

references the Pentagon the secret

90

00:04:16,819 --> 00:04:14,820

Pentagon search in a roundabout way of

91

00:04:18,170 --> 00:04:16,829

things that he was looking into I

92

00:04:20,120 --> 00:04:18,180

thought that was really interesting I

93

00:04:23,390 --> 00:04:20,130

didn't was that news readily available

94

00:04:25,730 --> 00:04:23,400

out there people search for do you know

95

00:04:29,240 --> 00:04:25,740

hello hundra what do you mean he

96

00:04:32,030 --> 00:04:29,250

referred to you he talks about he talks

97

00:04:34,670 --> 00:04:32,040

about I can quote it right here and okay

98

00:04:40,280 --> 00:04:34,680

and ask him to I'm hang on just a second

99

00:04:42,200 --> 00:04:40,290

and it is the US Department of

100

00:04:45,290 --> 00:04:42,210

Transportation published a memo for

101
00:04:47,630 --> 00:04:45,300
pilots on February 9th 2012 titled

102
00:04:50,119 --> 00:04:47,640
section 8 unidentified flying objects

103
00:04:51,649 --> 00:04:50,129
UFO reports that tells pilots that

104
00:04:53,559 --> 00:04:51,659
they should report UFO sightings

105
00:04:56,659 --> 00:04:53,569
specifically to Bigelow Aerospace

106
00:04:59,089 --> 00:04:56,669
advanced Space Studies and provide its

107
00:05:03,589 --> 00:04:59,099
old that's old so that's all part of

108
00:05:07,549 --> 00:05:03,599
this the whole thing well so what

109
00:05:11,899 --> 00:05:07,559
happened is the FAA used to say it's

110
00:05:15,559 --> 00:05:11,909
kind of not complete so the FAA used to

111
00:05:20,299 --> 00:05:15,569
say if you called them to send reports

112
00:05:21,619 --> 00:05:20,309
to NAR cap or a new fork I'm sorry new

113
00:05:24,489 --> 00:05:21,629

Fork the guy you know Peter Davenport

114

00:05:27,469 --> 00:05:24,499

who you've had on your show and then

115

00:05:29,299 --> 00:05:27,479

Bigelow with the aid of John Alexander

116

00:05:31,969 --> 00:05:29,309

because John Alexander helped him on

117

00:05:33,829 --> 00:05:31,979

this they got the FAA to also include

118

00:05:35,929 --> 00:05:33,839

Bigelow however they were in the

119

00:05:41,079 --> 00:05:35,939

number-two spot since new fork was at

120

00:05:53,540 --> 00:05:51,049

and so what happened was they were

121

00:05:55,939 --> 00:05:53,550

listed but what's funny is and and I

122

00:05:58,399 --> 00:05:55,949

think that the FAA just chose someone

123

00:06:00,169 --> 00:05:58,409

randomly because new pork if you googled

124

00:06:02,719 --> 00:06:00,179

it back then they were the first ones

125

00:06:06,559 --> 00:06:02,729

online and to have all this information

126

00:06:09,739 --> 00:06:06,569

online so I think that's why they were

127

00:06:11,659 --> 00:06:09,749

first but so now Bigelow is listed and

128

00:06:13,969 --> 00:06:11,669

even the first time I called the FAA for

129

00:06:16,730 --> 00:06:13,979

a UFO case they said called new fork or

130

00:06:21,169 --> 00:06:16,740

I think an email I got from them said

131

00:06:23,119 --> 00:06:21,179

new fork or Bigelow so yeah so that's

132

00:06:24,949 --> 00:06:23,129

that's yeah they've been on there for a

133

00:06:28,459 --> 00:06:24,959

long time but you you make a good point

134

00:06:32,629 --> 00:06:28,469

that now that we know that Bigelow hat

135

00:06:35,230 --> 00:06:32,639

was working with the DoD and this a tip

136

00:06:38,629 --> 00:06:35,240

you know this program that they had it

137

00:06:41,209 --> 00:06:38,639

said you know it said a different light

138

00:06:43,999 --> 00:06:41,219

on things now we know that Bigelow was

139

00:06:46,249 --> 00:06:44,009

also getting some funds and some

140

00:06:48,290 --> 00:06:46,259

resources to investigate those cases

141

00:06:50,259 --> 00:06:48,300

it's just unfortunate what's weird about

142

00:06:53,600 --> 00:06:50,269

that still though is why didn't say a

143

00:06:56,839 --> 00:06:53,610

refer them to Bigelow first instead of

144

00:06:58,699 --> 00:06:56,849

new Fork first um yeah I don't know

145

00:07:00,709 --> 00:06:58,709

that's a really good point

146

00:07:03,500 --> 00:07:00,719

you know maybe because that study was

147

00:07:05,900 --> 00:07:03,510

more or less interested in just military

148

00:07:09,230 --> 00:07:05,910

you know what I believe that to be the

149

00:07:11,540 --> 00:07:09,240

case that's pretty much what Leslie Kane

150

00:07:14,050 --> 00:07:11,550

has said and that is one of the

151
00:07:15,290 --> 00:07:14,060
questions that we'll be asking Elizondo

152
00:07:16,940 --> 00:07:15,300
yes

153
00:07:20,120 --> 00:07:16,950
and you'll be interviewing them pretty

154
00:07:24,890 --> 00:07:20,130
soon yeah so things have changed a

155
00:07:29,000 --> 00:07:24,900
little bit so we won't be personally

156
00:07:30,620 --> 00:07:29,010
interviewing him actually Tom DeLonge

157
00:07:32,990 --> 00:07:30,630
and his people are going to be

158
00:07:37,520 --> 00:07:33,000
interviewing them the tts a group

159
00:07:39,020 --> 00:07:37,530
themselves so but yeah Elizondo has said

160
00:07:40,970 --> 00:07:39,030
I told him I've got a lot of questions

161
00:07:43,190 --> 00:07:40,980
here and he said I want to answer all of

162
00:07:45,350 --> 00:07:43,200
them so I don't know if he's gonna

163
00:07:48,860 --> 00:07:45,360

actually physically have time to do that

164

00:07:53,420 --> 00:07:48,870

that would be a very long video and he

165

00:07:54,920 --> 00:07:53,430

is a talker he loves to talk so but

166

00:07:57,860 --> 00:07:54,930

we're gonna get a lot of questions

167

00:08:01,160 --> 00:07:57,870

answered and that I'm sure will be one

168

00:08:02,210 --> 00:08:01,170

of them they'll be able to share just

169

00:08:05,810 --> 00:08:02,220

one thing I want to share with you

170

00:08:07,910 --> 00:08:05,820

quickly on your show a couple days ago I

171

00:08:10,460 --> 00:08:07,920

talked about the fireball that I had a

172

00:08:12,370 --> 00:08:10,470

sighting and it currently well you know

173

00:08:15,170 --> 00:08:12,380

I've got an email this morning from

174

00:08:17,510 --> 00:08:15,180

someone that was from a guy in Nova

175

00:08:19,640 --> 00:08:17,520

Scotia you know him Jordan

176

00:08:21,770 --> 00:08:19,650

we've been on his show he does a podcast

177

00:08:23,810 --> 00:08:21,780

nighttime podcast and he was all excited

178

00:08:25,940 --> 00:08:23,820

because his grandfather saw him more

179

00:08:28,700 --> 00:08:25,950

well basically the same exact thing I

180

00:08:32,270 --> 00:08:28,710

did Wow but it was like a year or two

181

00:08:34,130 --> 00:08:32,280

earlier I believe I'm not sure but it's

182

00:08:36,350 --> 00:08:34,140

possible we saw the same thing it's hard

183

00:08:38,420 --> 00:08:36,360

to say but he brought he brought our

184

00:08:40,010 --> 00:08:38,430

recording of that show to his

185

00:08:41,540 --> 00:08:40,020

grandfather in a nursing home

186

00:08:43,070 --> 00:08:41,550

his grandfather listened to it and his

187

00:08:45,980 --> 00:08:43,080

eyes get all big nose that's just what I

188

00:08:48,770 --> 00:08:45,990

saw that's what I'm Tristan huh that is

189

00:08:51,020 --> 00:08:48,780

really interesting yeah yeah that

190

00:08:54,200 --> 00:08:51,030

sighting that you had is extraordinary

191

00:08:55,940 --> 00:08:54,210

and like I said I encourage you to to

192

00:08:58,190 --> 00:08:55,950

get in that hot tub a little more often

193

00:09:00,230 --> 00:08:58,200

because that's when it seems like you

194

00:09:01,910 --> 00:09:00,240

have the the best sightings yeah that's

195

00:09:05,180 --> 00:09:01,920

well that's right yeah and like you said

196

00:09:07,340 --> 00:09:05,190

that does that is not uncommon yeah it's

197

00:09:09,950 --> 00:09:07,350

not especially it doesn't seem so much

198

00:09:11,150 --> 00:09:09,960

here in Arizona surprisingly at least I

199

00:09:13,430 --> 00:09:11,160

haven't heard it of course I haven't

200

00:09:15,170 --> 00:09:13,440

been MUFON field investigator for a

201
00:09:16,200 --> 00:09:15,180
while but in Colorado we got that a lot

202
00:09:18,389 --> 00:09:16,210
yeah

203
00:09:20,310 --> 00:09:18,399
well you have the wide open skies out

204
00:09:22,320 --> 00:09:20,320
there and you know and people outside

205
00:09:24,030 --> 00:09:22,330
all the time yeah that's why you're one

206
00:09:25,680 --> 00:09:24,040
of the top I think it's third most

207
00:09:28,170 --> 00:09:25,690
sightings in the country or close to

208
00:09:31,410 --> 00:09:28,180
yeah by population you know sometimes

209
00:09:34,949 --> 00:09:31,420
it's at the top so right right so what's

210
00:09:37,110 --> 00:09:34,959
going on for for news this week yeah

211
00:09:41,280 --> 00:09:37,120
foreign news it's funny and I don't know

212
00:09:43,800 --> 00:09:41,290
what it is it's it's the UK I keep

213
00:09:47,070 --> 00:09:43,810

bringing up the UK and the reason why is

214

00:09:49,860 --> 00:09:47,080

because you know the tabloids are

215

00:09:51,810 --> 00:09:49,870

writing UFO stories every day and it

216

00:09:55,769 --> 00:09:51,820

seems as though they've been in this

217

00:09:58,800 --> 00:09:55,779

mode for a while to make sure and have a

218

00:10:02,370 --> 00:09:58,810

story every day and and maybe that's

219

00:10:04,050 --> 00:10:02,380

been you know boosted by this local this

220

00:10:05,579 --> 00:10:04,060

recent news with the DoD and they

221

00:10:07,470 --> 00:10:05,589

probably feel a bit just a fight because

222

00:10:08,880 --> 00:10:07,480

they're like hey we've been covering UFO

223

00:10:11,699 --> 00:10:08,890

stories and now you can see that it

224

00:10:14,699 --> 00:10:11,709

there's all this big stuff but they of

225

00:10:17,880 --> 00:10:14,709

course cover it in a non credible way

226

00:10:20,010 --> 00:10:17,890

and so what's really frustrating is it's

227

00:10:21,870 --> 00:10:20,020

it's almost like they just have to they

228

00:10:24,300 --> 00:10:21,880

feel so much that they have a have to

229

00:10:26,670 --> 00:10:24,310

have a story that they pool some of the

230

00:10:29,820 --> 00:10:26,680

goofiest stuff so there's some really

231

00:10:33,810 --> 00:10:29,830

goofy stuff out there there's one where

232

00:10:37,590 --> 00:10:33,820

this alleged photo of onboard an alien

233

00:10:40,140 --> 00:10:37,600

spaceship that's really goofy but just

234

00:10:41,850 --> 00:10:40,150

be careful what's really frustrating

235

00:10:44,510 --> 00:10:41,860

about this is sometimes they do great

236

00:10:46,260 --> 00:10:44,520

stories though cuz Nick Pope often does

237

00:10:48,180 --> 00:10:46,270

unfortunately most of the time he's

238

00:10:49,949 --> 00:10:48,190

interviewed it's through one of these

239

00:10:52,800 --> 00:10:49,959

tabloids and usually they do a pretty

240

00:10:54,360 --> 00:10:52,810

decent job with his interviews and of

241

00:10:57,420 --> 00:10:54,370

course you know I've had a couple on

242

00:11:02,280 --> 00:10:57,430

there as well but yeah just something to

243

00:11:04,350 --> 00:11:02,290

watch out for besides that of course so

244

00:11:05,970 --> 00:11:04,360

we've talked about the fireballs on my

245

00:11:08,850 --> 00:11:05,980

show because there's been a lot of

246

00:11:10,680 --> 00:11:08,860

fireballs in the news so you know

247

00:11:13,470 --> 00:11:10,690

there's one been one in Canada there was

248

00:11:14,940 --> 00:11:13,480

one about although I think that might

249

00:11:17,910 --> 00:11:14,950

have been the one that was seen in your

250

00:11:20,370 --> 00:11:17,920

area as well because often when these

251
00:11:23,069 --> 00:11:20,380
fireballs happen the big ones they can

252
00:11:26,490 --> 00:11:23,079
be seen in multiple states and through a

253
00:11:29,610 --> 00:11:26,500
bigger area so lots of fireballs out

254
00:11:30,090 --> 00:11:29,620
there otherwise you know I think this is

255
00:11:34,320 --> 00:11:30,100
kind of a

256
00:11:36,600 --> 00:11:34,330
story Marie Cisneros she is the state

257
00:11:37,470 --> 00:11:36,610
director in Montana for the mutual UFO

258
00:11:40,410 --> 00:11:37,480
network

259
00:11:42,210 --> 00:11:40,420
she wrote a story for us about Montana

260
00:11:44,100 --> 00:11:42,220
sightings and she started it off with

261
00:11:46,140 --> 00:11:44,110
some pretty interesting sightings but

262
00:11:49,080 --> 00:11:46,150
she ended it and and well-known

263
00:11:51,690 --> 00:11:49,090

sightings for Montana but she ended it

264

00:11:53,990 --> 00:11:51,700

with the story of this guy one of the

265

00:11:58,650 --> 00:11:54,000

reports who while he was in Afghanistan

266

00:12:02,790 --> 00:11:58,660

serving in the Army had he and his

267

00:12:06,150 --> 00:12:02,800

buddies that were on a Humvee saw some

268

00:12:06,780 --> 00:12:06,160

giant craft that they said was floating

269

00:12:11,010 --> 00:12:06,790

around

270

00:12:15,630 --> 00:12:11,020

they said it went over these hills and

271

00:12:17,840 --> 00:12:15,640

it looked like it beamed down near this

272

00:12:20,700 --> 00:12:17,850

fire where these people were camped out

273

00:12:22,830 --> 00:12:20,710

and then it moved away and they kind of

274

00:12:25,530 --> 00:12:22,840

lost sight of it they called her their

275

00:12:27,060 --> 00:12:25,540

commander and he said okay quit screwing

276

00:12:28,770 --> 00:12:27,070

around you know pay attention to your

277

00:12:31,620 --> 00:12:28,780

job so they kind of ignored it although

278

00:12:34,050 --> 00:12:31,630

he said he indicated his commander had

279

00:12:36,210 --> 00:12:34,060

seen it also so really interesting

280

00:12:39,210 --> 00:12:36,220

exciting that she put on there that I

281

00:12:41,430 --> 00:12:39,220

would encourage people to look at isn't

282

00:12:44,370 --> 00:12:41,440

it amazing how there seems to be quite a

283

00:12:48,270 --> 00:12:44,380

few sightings during wartime or any you

284

00:12:51,230 --> 00:12:48,280

know conflict that just seems to happen

285

00:12:53,340 --> 00:12:51,240

a lot I don't know it's hard to say

286

00:12:55,230 --> 00:12:53,350

certainly we have a lot of stories of

287

00:12:58,950 --> 00:12:55,240

the Foo Fighters the both of lights

288

00:13:01,050 --> 00:12:58,960

following aircraft in world war ii and

289

00:13:03,090 --> 00:13:01,060

that seems to be a phenomena there's a

290

00:13:05,310 --> 00:13:03,100

gentleman who wrote a book on that of

291

00:13:08,550 --> 00:13:05,320

course it's included in many books but

292

00:13:10,620 --> 00:13:08,560

that seems to be a legitimate thing

293

00:13:13,950 --> 00:13:10,630

where and what's strange of course is

294

00:13:15,980 --> 00:13:13,960

that's early on in the late 40s and kind

295

00:13:17,160 --> 00:13:15,990

of the modern UFO

296

00:13:21,120 --> 00:13:17,170

[Music]

297

00:13:23,130 --> 00:13:21,130

I guess studies it's almost like some

298

00:13:24,810 --> 00:13:23,140

people think that you know that's when

299

00:13:26,430 --> 00:13:24,820

they came went that's when we started

300

00:13:29,660 --> 00:13:26,440

getting observed was during World War

301
00:13:33,300 --> 00:13:29,670
two and it would be understandable why

302
00:13:35,940 --> 00:13:33,310
however since then even though we get

303
00:13:37,740 --> 00:13:35,950
these stories occasionally I don't know

304
00:13:41,430 --> 00:13:37,750
that anybody's done the work to

305
00:13:44,000 --> 00:13:41,440
correlate whether or not there are more

306
00:13:47,449 --> 00:13:44,010
sightings in war zones or not

307
00:13:49,190 --> 00:13:47,459
certainly military people see them but

308
00:13:51,110 --> 00:13:49,200
related to that and I don't know we

309
00:13:54,440 --> 00:13:51,120
might have touched on this before but

310
00:13:56,600 --> 00:13:54,450
this Nimitz case that Robert Powell has

311
00:13:59,870 --> 00:13:56,610
been looking into that was part of the

312
00:14:03,110 --> 00:13:59,880
DoD release that was a situation where

313
00:14:05,329 --> 00:14:03,120

they saw these lights these military

314

00:14:08,780 --> 00:14:05,339

jets chased the lights the lights

315

00:14:10,850 --> 00:14:08,790

disappear and then and that's a very

316

00:14:13,220 --> 00:14:10,860

common story going all the way back to

317

00:14:15,050 --> 00:14:13,230

blue book you have tons and other

318

00:14:18,139 --> 00:14:15,060

governments have these same stories

319

00:14:21,710 --> 00:14:18,149

where they see an object they they

320

00:14:25,189 --> 00:14:21,720

scramble Jets the Jets get there in the

321

00:14:26,629 --> 00:14:25,199

other way at incredible speeds so they

322

00:14:29,600 --> 00:14:26,639

certainly have a lot of those sort of

323

00:14:31,550 --> 00:14:29,610

stories do these objects know that

324

00:14:35,509 --> 00:14:31,560

they're dealing with the military or are

325

00:14:37,129 --> 00:14:35,519

advanced aircraft and they're kind of

326

00:14:39,530 --> 00:14:37,139

toying with us or something I don't know

327

00:14:42,590 --> 00:14:39,540

it's I think that's what's great about

328

00:14:44,900 --> 00:14:42,600

this latest story is that I think that's

329

00:14:48,560 --> 00:14:44,910

what at least Lou Elizondo wants to know

330

00:14:52,130 --> 00:14:48,570

is you know this seems to be the case

331

00:14:53,750 --> 00:14:52,140

that they seem to be messing with us or

332

00:14:56,090 --> 00:14:53,760

something and they and that's what they

333

00:14:57,860 --> 00:14:56,100

want to find out and and at least he

334

00:15:01,910 --> 00:14:57,870

believes it demonstrates the technology

335

00:15:04,579 --> 00:15:01,920

beyond our own one which they feel we

336

00:15:06,829 --> 00:15:04,589

may be able to master ourselves that

337

00:15:08,870 --> 00:15:06,839

technology and I mean the TTS a group

338

00:15:13,250 --> 00:15:08,880

that the group that he now belongs to

339

00:15:15,710 --> 00:15:13,260

with how put off Steve justice this guy

340

00:15:20,810 --> 00:15:15,720

who worked with Lockheed skunkworks

341

00:15:23,180 --> 00:15:20,820

and Steven another guy who worked with

342

00:15:25,340 --> 00:15:23,190

the intelligence jimsim of an another

343

00:15:27,170 --> 00:15:25,350

guy who worked in intelligence but you

344

00:15:29,720 --> 00:15:27,180

know these are high-level officials and

345

00:15:31,880 --> 00:15:29,730

intelligence they all feel that you know

346

00:15:34,220 --> 00:15:31,890

it might be possible to back engineer

347

00:15:36,920 --> 00:15:34,230

just by observation this technology and

348

00:15:38,090 --> 00:15:36,930

we could use it possibly today so that's

349

00:15:40,460 --> 00:15:38,100

what's exciting about what they're doing

350

00:15:42,850 --> 00:15:40,470

that's what they want to do I have heard

351

00:15:45,500 --> 00:15:42,860

that claim in it I just puzzled at how

352

00:15:48,050 --> 00:15:45,510

just by observation someone could

353

00:15:50,090 --> 00:15:48,060

possibly you know reverse engineer

354

00:15:51,259 --> 00:15:50,100

something it seems like it would have to

355

00:15:54,620 --> 00:15:51,269

have a lot you'd have to have a lot more

356

00:15:57,259 --> 00:15:54,630

than that to be able well you know it's

357

00:15:57,860 --> 00:15:57,269

interesting that Star Star Trek in

358

00:16:00,769 --> 00:15:57,870

particular

359

00:16:03,980 --> 00:16:00,779

has inspired a lot of Technology and

360

00:16:05,960 --> 00:16:03,990

yeah there's a guy here at ASU professor

361

00:16:07,700 --> 00:16:05,970

and we've wanted to get him before at

362

00:16:11,180 --> 00:16:07,710

our conference to speak on this but he

363

00:16:13,100 --> 00:16:11,190

is like it's extremely expensive it's

364

00:16:16,130 --> 00:16:13,110

he's it's expensive to get as dan

365

00:16:19,220 --> 00:16:16,140

aykroyd if not more oren Michiyo kaku

366

00:16:21,019 --> 00:16:19,230

because he's in really high demand Kraus

367

00:16:25,579 --> 00:16:21,029

is his name I forget isn't but I think

368

00:16:28,010 --> 00:16:25,589

it's Richard Kraus but so just by

369

00:16:30,140 --> 00:16:28,020

observing this on television and kind of

370

00:16:33,560 --> 00:16:30,150

like using the imagination that hey

371

00:16:36,769 --> 00:16:33,570

maybe this is possible that had makes

372

00:16:39,500 --> 00:16:36,779

these engineers and these these people

373

00:16:41,780 --> 00:16:39,510

scientists and and just entrepreneurs

374

00:16:46,430 --> 00:16:41,790

and inventors to try to invent those

375

00:16:49,790 --> 00:16:46,440

things that they observe so yeah that

376

00:16:52,370 --> 00:16:49,800

wasn't even face done yeah so I guess

377

00:16:54,860 --> 00:16:52,380

it's possible it inspires us to move in

378

00:16:59,329 --> 00:16:54,870

a certain direction yeah getting back to

379

00:17:01,700 --> 00:16:59,339

the conflicts I thought I heard now it

380

00:17:03,410 --> 00:17:01,710

may be just a rumor and I may have the

381

00:17:05,750 --> 00:17:03,420

person totally wrong here but I thought

382

00:17:08,960 --> 00:17:05,760

dr. Richard Haines was doing some type

383

00:17:10,429 --> 00:17:08,970

of work on Vietnam do you ever hear

384

00:17:14,210 --> 00:17:10,439

anything about that or am I getting that

385

00:17:17,270 --> 00:17:14,220

wrong or that could be I'm not sure

386

00:17:19,189 --> 00:17:17,280

Vietnam sightings are interesting we've

387

00:17:22,790 --> 00:17:19,199

got a couple articles that Antonio who

388

00:17:25,460 --> 00:17:22,800

Naas wrote open mind TV and during that

389

00:17:27,770 --> 00:17:25,470

period of time there was he writes a

390

00:17:29,960 --> 00:17:27,780

story about a particular general opera

391

00:17:33,440 --> 00:17:29,970

who was collecting some of these stories

392

00:17:37,160 --> 00:17:33,450

and they marked him down as enemy

393

00:17:39,110 --> 00:17:37,170

helicopters and the reason why is the

394

00:17:42,710 --> 00:17:39,120

enemy in Vietnam did not have

395

00:17:45,980 --> 00:17:42,720

helicopters so it definitely wasn't

396

00:17:49,340 --> 00:17:45,990

theirs but it was an unknown object that

397

00:17:50,870 --> 00:17:49,350

they felt I think at first originally

398

00:17:52,610 --> 00:17:50,880

thought could be helicopters but they

399

00:17:54,890 --> 00:17:52,620

knew weren't and and he knew they

400

00:17:57,380 --> 00:17:54,900

weren't but he decided to use that name

401
00:17:58,970 --> 00:17:57,390
so it wouldn't you know arouse suspicion

402
00:18:01,400 --> 00:17:58,980
or people wouldn't get all excited and

403
00:18:04,790 --> 00:18:01,410
freaked out but so he could record the

404
00:18:06,830 --> 00:18:04,800
sightings apparently so yeah so it was a

405
00:18:09,470 --> 00:18:06,840
big thing in Vietnam to call him unknown

406
00:18:11,419 --> 00:18:09,480
how are enemy helicopters about that now

407
00:18:12,950 --> 00:18:11,429
again I know that I've mentioned this

408
00:18:15,049 --> 00:18:12,960
my show a number of times but I don't

409
00:18:17,389 --> 00:18:15,059
know if I've ever told you Alejandro so

410
00:18:19,279 --> 00:18:17,399
if the listeners a longtime listener

411
00:18:21,469 --> 00:18:19,289
just bear with me but I actually had an

412
00:18:23,869 --> 00:18:21,479
insurance agent that sold me a life

413
00:18:29,060 --> 00:18:23,879

insurance policy about 25 years or so

414

00:18:30,829 --> 00:18:29,070

ago who told me that the the UFO subject

415

00:18:33,229 --> 00:18:30,839

wasn't even brought up but he said he

416

00:18:35,060 --> 00:18:33,239

was in Vietnam and he was talking about

417

00:18:37,779 --> 00:18:35,070

it and then he all of a sudden he tells

418

00:18:38,930 --> 00:18:37,789

me well I was actually in like a special

419

00:18:43,279 --> 00:18:38,940

secret

420

00:18:45,440 --> 00:18:43,289

task force I think he said something

421

00:18:47,269 --> 00:18:45,450

like that and I said oh yeah what what

422

00:18:51,259 --> 00:18:47,279

type of secret task force in because we

423

00:18:53,629 --> 00:18:51,269

were actually investigating UFOs you're

424

00:18:56,959 --> 00:18:53,639

told that no this is back you know 2025

425

00:18:58,219 --> 00:18:56,969

years ago okay I've tried to figure out

426

00:19:01,579 --> 00:18:58,229

and then he told me there's a connection

427

00:19:04,159 --> 00:19:01,589

with nukes and UFOs you know the whole

428

00:19:05,509 --> 00:19:04,169

thing and so you know I had kind of

429

00:19:06,709 --> 00:19:05,519

forgotten about it over the years and

430

00:19:08,329 --> 00:19:06,719

then when I started doing the show I

431

00:19:10,219 --> 00:19:08,339

remember then I try to remember his name

432

00:19:12,799 --> 00:19:10,229

for the life of me I can't remember his

433

00:19:14,089 --> 00:19:12,809

name and haven't reach him that's what's

434

00:19:16,729 --> 00:19:14,099

interesting and I think that's what gets

435

00:19:18,919 --> 00:19:16,739

lost in a lot of when we're trying to

436

00:19:21,200 --> 00:19:18,929

create these grand conspiracy theories

437

00:19:23,450 --> 00:19:21,210

around UFOs and what the government

438

00:19:26,259 --> 00:19:23,460

knows is that you know a lot of these

439

00:19:29,180 --> 00:19:26,269

agencies and and that includes the

440

00:19:32,029 --> 00:19:29,190

branches of the service work a bit in

441

00:19:33,829 --> 00:19:32,039

silos and not even a bit very much in

442

00:19:35,299 --> 00:19:33,839

silos where they're doing their thing

443

00:19:37,820 --> 00:19:35,309

they're not sharing their information

444

00:19:40,279 --> 00:19:37,830

with others and then if that program

445

00:19:42,349 --> 00:19:40,289

gets cancelled all of that data and

446

00:19:44,119 --> 00:19:42,359

information just may just disappear go

447

00:19:46,549 --> 00:19:44,129

away and not even necessarily

448

00:19:48,229 --> 00:19:46,559

maliciously but just because nobody's

449

00:19:49,789 --> 00:19:48,239

working that program they figure and we

450

00:19:52,639 --> 00:19:49,799

don't need these files anymore and and

451
00:19:54,349 --> 00:19:52,649
they're gone so it could be the army had

452
00:19:57,049 --> 00:19:54,359
a program where they made some headway

453
00:19:59,899 --> 00:19:57,059
and figured out some of these things but

454
00:20:02,599 --> 00:19:59,909
little did the DoD know or little did at

455
00:20:05,239 --> 00:20:02,609
Air Force or Navy know they had this

456
00:20:06,919 --> 00:20:05,249
program and so there could be we could

457
00:20:09,259 --> 00:20:06,929
now that we know about this one program

458
00:20:11,779 --> 00:20:09,269
there could have been others that

459
00:20:15,459 --> 00:20:11,789
hopefully we'll discover over time or

460
00:20:17,539 --> 00:20:15,469
some that may just be lost to obscurity

461
00:20:19,549 --> 00:20:17,549
completely that the files and

462
00:20:21,349 --> 00:20:19,559
information are gone maybe even the

463
00:20:24,589 --> 00:20:21,359

people who ran them have passed away and

464

00:20:25,190 --> 00:20:24,599

we'll just never know yeah yeah I would

465

00:20:26,690 --> 00:20:25,200

imagine

466

00:20:29,000 --> 00:20:26,700

no you would think that if there's some

467

00:20:30,649 --> 00:20:29,010

footage that it's stored somewhere

468

00:20:32,450 --> 00:20:30,659

that's what you know it's got to be

469

00:20:33,110 --> 00:20:32,460

somewhere I would well think they would

470

00:20:35,299 --> 00:20:33,120

destroy it

471

00:20:37,909 --> 00:20:35,309

footage from Vietnam especially is very

472

00:20:41,120 --> 00:20:37,919

easy to destroy and in fact it can be

473

00:20:43,610 --> 00:20:41,130

difficult to to hold on to for a long

474

00:20:45,620 --> 00:20:43,620

period of time film deteriorates and

475

00:20:48,080 --> 00:20:45,630

film you know unless it was transferred

476
00:20:50,480 --> 00:20:48,090
and it could be someone just felt that

477
00:20:52,460 --> 00:20:50,490
you know hey this is just gonna be a

478
00:20:54,110 --> 00:20:52,470
black mark on the army I think we should

479
00:20:57,110 --> 00:20:54,120
just destroy this it could be at the

480
00:20:59,180 --> 00:20:57,120
whims of one person in charge who could

481
00:21:01,730 --> 00:20:59,190
be like I'm just gonna put all this in

482
00:21:04,759 --> 00:21:01,740
the incinerator and that's it and it's

483
00:21:07,460 --> 00:21:04,769
gone so well well we only have a couple

484
00:21:09,680 --> 00:21:07,470
minutes here so just real quickly the

485
00:21:12,200 --> 00:21:09,690
the International UFO Congress is coming

486
00:21:13,549 --> 00:21:12,210
up and that's what your show is about if

487
00:21:19,039 --> 00:21:13,559
anyone wants to listen to open minds

488
00:21:20,779 --> 00:21:19,049

last show with you and Karen and also

489

00:21:22,490 --> 00:21:20,789

that's just that's coming up I'm real

490

00:21:24,110 --> 00:21:22,500

excited about it I want to tell the

491

00:21:27,740 --> 00:21:24,120

listener that if you are planning on

492

00:21:30,860 --> 00:21:27,750

coming to the Phoenix event please

493

00:21:33,620 --> 00:21:30,870

please seek me please search me down

494

00:21:35,899 --> 00:21:33,630

find me be fun to hang out with you and

495

00:21:37,269 --> 00:21:35,909

also we're doing a the live show there

496

00:21:40,460 --> 00:21:37,279

at 4 o'clock

497

00:21:45,500 --> 00:21:40,470

that's a Phoenix time so it's going to

498

00:21:48,409 --> 00:21:45,510

be two hours earlier on EST so we don't

499

00:21:50,360 --> 00:21:48,419

if we get a lot of requests for people

500

00:21:51,919 --> 00:21:50,370

to see you since you know you'll be

501
00:21:54,529 --> 00:21:51,929
working with us maybe we'll start to

502
00:21:56,210 --> 00:21:54,539
charge people like 5 bucks and we'll get

503
00:21:59,960 --> 00:21:56,220
you and sorry you got to make money at

504
00:22:01,370 --> 00:21:59,970
this event yeah so I'm kidding don't say

505
00:22:03,259 --> 00:22:01,380
that you're gonna make people so upset

506
00:22:05,360 --> 00:22:03,269
they get up so where are you chose your

507
00:22:07,940 --> 00:22:05,370
newest and it's because these things

508
00:22:10,879 --> 00:22:07,950
literally cost hundreds of thousands of

509
00:22:13,279 --> 00:22:10,889
dollars so we've got to of course a lot

510
00:22:16,009 --> 00:22:13,289
of money on the line yeah I'm sure oh

511
00:22:17,960 --> 00:22:16,019
yes course your rent is unbelievable

512
00:22:20,990 --> 00:22:17,970
yeah it's absolutely gorgeous

513
00:22:23,360 --> 00:22:21,000

Giroud and all that I can't wait huge

514

00:22:27,379 --> 00:22:23,370

point is that people need to register

515

00:22:29,870 --> 00:22:27,389

before Saturday I said after Saturday

516

00:22:32,090 --> 00:22:29,880

prices go up so you get a major discount

517

00:22:34,190 --> 00:22:32,100

if you register before Saturday so if

518

00:22:35,960 --> 00:22:34,200

you're thinking of coming register in

519

00:22:38,269 --> 00:22:35,970

the next couple days this is very very

520

00:22:38,870 --> 00:22:38,279

important and you'll be able to see

521

00:22:40,580 --> 00:22:38,880

among

522

00:22:42,860 --> 00:22:40,590

other speakers I mean I think the most

523

00:22:45,980 --> 00:22:42,870

exciting to think these this particular

524

00:22:48,410 --> 00:22:45,990

audience would be wanting to see is it

525

00:22:50,810 --> 00:22:48,420

Martin you might see him behind the

526

00:22:53,540 --> 00:22:50,820

camera you might see him at the we have

527

00:22:55,070 --> 00:22:53,550

a stand where we have the audio guys you

528

00:22:58,070 --> 00:22:55,080

know out in the crowd you might see

529

00:23:00,950 --> 00:22:58,080

Martin there or he'll be backstage with

530

00:23:04,580 --> 00:23:00,960

me and so you'll see him around and for

531

00:23:07,550 --> 00:23:04,590

\$5.00 we can get you a handshake image

532

00:23:10,070 --> 00:23:07,560

for that hug oh yeah signature ya know

533

00:23:11,300 --> 00:23:10,080

I'm very approachable so I've loved to

534

00:23:13,880 --> 00:23:11,310

talk to anyone

535

00:23:15,890 --> 00:23:13,890

Alejandro thank you so much and I'll be

536

00:23:17,570 --> 00:23:15,900

talking you next week all right talk to

537

00:23:20,270 --> 00:23:17,580

you later all right take care

538

00:23:23,870 --> 00:23:20,280

you too all right everyone so now we are

539

00:23:27,590 --> 00:23:23,880

going to we're going to talk to Eric and

540

00:23:31,670 --> 00:23:27,600

I'll be dialing him via phone and that

541

00:23:33,770 --> 00:23:31,680

is coming right up pretty excited to

542

00:23:35,960 --> 00:23:33,780

talk to Erica I had talked to him a few

543

00:23:39,050 --> 00:23:35,970

years ago I think a three or four years

544

00:23:41,480 --> 00:23:39,060

ago for just a short time and and he's a

545

00:23:54,200 --> 00:23:41,490

real good spirit a real nice guy and

546

00:23:59,360 --> 00:23:54,210

here we are trying to connect and should

547

00:24:02,270 --> 00:23:59,370

be ringing through Eric oh hello Eric

548

00:24:04,340 --> 00:24:02,280

how are you I am perfect I'm ready for

549

00:24:07,670 --> 00:24:04,350

show you are on live thank you so much

551
00:24:11,230 --> 00:24:10,530
for joining us today it's a pleasure for

552
00:24:14,840 --> 00:24:11,240
me

553
00:24:17,990 --> 00:24:14,850
what station are you well I'm my own

554
00:24:20,990 --> 00:24:18,000
show it's a it's called podcast UFO it's

555
00:24:23,960 --> 00:24:21,000
about five and a half years old show I

556
00:24:27,290 --> 00:24:23,970
do but it's live now we're on YouTube so

557
00:24:28,520 --> 00:24:27,300
we have a YouTube audience and yeah

558
00:24:32,110 --> 00:24:28,530
we're live streaming right now in

559
00:24:34,990 --> 00:24:32,120
YouTube and Eric I get it go ahead yes

560
00:24:37,850 --> 00:24:35,000
yes why are you sitting in which city

561
00:24:40,970 --> 00:24:37,860
I'm not in a city I'm on top of a

562
00:24:42,470 --> 00:24:40,980
mountain in the state of Maine if you've

563
00:24:45,500 --> 00:24:42,480

ever heard of Maine and we have it we

564

00:24:48,470 --> 00:24:45,510

had a nice warm yes yeah it's very very

565

00:24:50,600 --> 00:24:48,480

cold this time of year so I'm sitting in

566

00:24:52,460 --> 00:24:50,610

Switzerland I'm sitting in Switzerland

567

00:24:56,060 --> 00:24:52,470

in a place called in

568

00:24:59,120 --> 00:24:56,070

which belongs to the Bernese Alps it's

569

00:25:00,920 --> 00:24:59,130

wonderful red of blue sky and snow all

570

00:25:03,950 --> 00:25:00,930

over great oh wow

571

00:25:06,110 --> 00:25:03,960

sounds absolutely beautiful Eric I got

572

00:25:10,280 --> 00:25:06,120

to tell you I read your book the gods

573

00:25:11,390 --> 00:25:10,290

never left us and it is I it was one of

574

00:25:13,570 --> 00:25:11,400

those books that I had a hard time

575

00:25:16,610 --> 00:25:13,580

putting down I really really enjoyed it

576

00:25:18,680 --> 00:25:16,620

thank you about accompaniment yeah and

577

00:25:20,930 --> 00:25:18,690

I'm not I'm not a huge be a real big

578

00:25:23,870 --> 00:25:20,940

book reader I'm not so much anymore but

579

00:25:26,840 --> 00:25:23,880

this was really a pleasure and I have to

580

00:25:30,680 --> 00:25:26,850

tell you the fictional short story you

581

00:25:33,800 --> 00:25:30,690

did at the start regarding CERN was

582

00:25:37,400 --> 00:25:33,810

fantastic I wanted to keep reading it it

583

00:25:40,250 --> 00:25:37,410

was really good yeah that's a science

584

00:25:42,860 --> 00:25:40,260

fiction story yes it was very very good

585

00:25:45,890 --> 00:25:42,870

yeah it's not only fantasy a little a

586

00:25:47,300 --> 00:25:45,900

little thing of it is true yeah I was

587

00:25:49,820 --> 00:25:47,310

wondering how you came up with that

588

00:25:53,150 --> 00:25:49,830

whole thing well you know I I dream

589

00:25:55,670 --> 00:25:53,160

sometimes I I'm a daydreamer and of

590

00:25:58,670 --> 00:25:55,680

course I was in Geneva I was visiting

591

00:26:01,850 --> 00:25:58,680

some and then the night after my witty

592

00:26:04,160 --> 00:26:01,860

bonus comes to my head so I made my

593

00:26:07,120 --> 00:26:04,170

fantasies out of it Wow isn't that

594

00:26:10,420 --> 00:26:07,130

that's that's amazing that's amazing so

595

00:26:14,270 --> 00:26:10,430

just a little brief story about that

596

00:26:18,050 --> 00:26:14,280

it's about an elderly couple not too far

597

00:26:20,570 --> 00:26:18,060

away from the CERN and the gentleman

598

00:26:23,720 --> 00:26:20,580

starts to see these green orbs which is

599

00:26:26,000 --> 00:26:23,730

really fantastic his son works at CERN

600

00:26:30,520 --> 00:26:26,010

and but it's a it's a great that's great

601
00:26:33,380 --> 00:26:30,530
fictional story so Erik I don't know if

602
00:26:34,910 --> 00:26:33,390
last time I spoke with you if we talked

603
00:26:39,470 --> 00:26:34,920
a little bit but I'd like to know what

604
00:26:41,450 --> 00:26:39,480
what shaped what shaped you into writing

605
00:26:45,980 --> 00:26:41,460
books I know you wrote a book just prior

606
00:26:48,650 --> 00:26:45,990
to Chariots of the God the gods but but

607
00:26:51,980 --> 00:26:48,660
what what led you down that path to

608
00:26:53,870 --> 00:26:51,990
start looking into these things you see

609
00:26:56,630 --> 00:26:53,880
I was educated in Switzerland as a

610
00:26:59,180 --> 00:26:56,640
strict Catholic and of course when I was

611
00:27:01,820 --> 00:26:59,190
a boy I was a deep deep believer in God

612
00:27:04,310 --> 00:27:01,830
by the way I am still a believer in God

613
00:27:05,900 --> 00:27:04,320

I am still one of these persons who pray

614

00:27:08,510 --> 00:27:05,910

every evening but

615

00:27:11,900 --> 00:27:08,520

I believe has changed now when I was a

616

00:27:14,330 --> 00:27:11,910

boy I was in a high school which was led

617

00:27:16,580 --> 00:27:14,340

by Jesuits Catholic high school for six

618

00:27:18,860 --> 00:27:16,590

years we have to make translations of

619

00:27:22,040 --> 00:27:18,870

part of the Bible from Greek to Latin

620

00:27:26,150 --> 00:27:22,050

and from Latin to German and in my boys

621

00:27:28,730 --> 00:27:26,160

brain God had to be something incredible

622

00:27:32,330 --> 00:27:28,740

fantastic but God had to have some

623

00:27:35,030 --> 00:27:32,340

minimum qualities for example God makes

624

00:27:38,030 --> 00:27:35,040

no mistake God does not need a vehicle

625

00:27:40,940 --> 00:27:38,040

in which to move from point A to point B

626

00:27:43,340 --> 00:27:40,950

because God is all over and so on all

627

00:27:45,440 --> 00:27:43,350

these I had in my head now why are we

628

00:27:48,710 --> 00:27:45,450

made translations from one language for

629

00:27:51,350 --> 00:27:48,720

the order I learned that the God of my

630

00:27:53,840 --> 00:27:51,360

Bible he uses he vehicle in which to

631

00:27:55,910 --> 00:27:53,850

move around from point A to point B for

632

00:27:59,150 --> 00:27:55,920

example his scribe by the prophet

633

00:28:02,270 --> 00:27:59,160

Ezekiel in the Bible or in the second

634

00:28:05,240 --> 00:28:02,280

book of Moses before the Lord descends

635

00:28:08,330 --> 00:28:05,250

on the holy mountain he gives all the to

636

00:28:10,730 --> 00:28:08,340

Moses to construct a gate around the

637

00:28:13,610 --> 00:28:10,740

mountain so that the Israelites would

638

00:28:15,950 --> 00:28:13,620

have be destroyed so Moses constructs a

639

00:28:18,380 --> 00:28:15,960

bit gate the Israelites are in safe

640

00:28:20,840 --> 00:28:18,390

distance and then the Lord descends on

641

00:28:24,050 --> 00:28:20,850

the Mount which smoke fire trampling

642

00:28:27,530 --> 00:28:24,060

loud noise etc so I simply as a young

643

00:28:31,070 --> 00:28:27,540

boy I had my doubts I said this is not

644

00:28:33,470 --> 00:28:31,080

God my God would not need for protection

645

00:28:35,390 --> 00:28:33,480

to first create the gate he does not

646

00:28:38,210 --> 00:28:35,400

need a vehicle to move around with smoke

647

00:28:41,000 --> 00:28:38,220

and fire so I had simply doubts in my

648

00:28:42,860 --> 00:28:41,010

own Catholic education and I wanted to

649

00:28:45,680 --> 00:28:42,870

find out if other communities in

650

00:28:47,770 --> 00:28:45,690

antiquity have similar stories and that

651
00:28:51,890 --> 00:28:47,780
was the beginning of chariots after gosh

652
00:28:55,190 --> 00:28:51,900
Wow and what now how did you do your

653
00:28:57,980 --> 00:28:55,200
research on on that book now I have to

654
00:28:59,960 --> 00:28:57,990
tell you I think I read that book but it

655
00:29:02,630 --> 00:28:59,970
would be going all the way back to high

656
00:29:04,790 --> 00:29:02,640
school not long I saw the book

657
00:29:06,890 --> 00:29:04,800
everywhere by the way at my high school

658
00:29:09,350 --> 00:29:06,900
it looked like everyone was reading it

659
00:29:11,300 --> 00:29:09,360
and I'm talking like in the 70s so

660
00:29:14,960 --> 00:29:11,310
people were still you know reading it

661
00:29:17,630 --> 00:29:14,970
for quite a while but how did you do the

662
00:29:19,230 --> 00:29:17,640
research and as far as you know the

663
00:29:22,470 --> 00:29:19,240

ancient

664

00:29:27,750 --> 00:29:22,480

you know the the temples and things like

665

00:29:30,840 --> 00:29:27,760

that when from my family I came from the

666

00:29:33,210 --> 00:29:30,850

hotel business so after my hike School

667

00:29:35,970 --> 00:29:33,220

where I graduated I first went to the

668

00:29:38,190 --> 00:29:35,980

hotel school in Switzerland after our

669

00:29:39,750 --> 00:29:38,200

death school I had to work in different

670

00:29:42,120 --> 00:29:39,760

hotels in Switzerland

671

00:29:44,910 --> 00:29:42,130

I was for a short time a waiter I was

672

00:29:47,310 --> 00:29:44,920

for short I'm a barkeeper I was for

673

00:29:49,890 --> 00:29:47,320

short I'm a cook I was of course at the

674

00:29:52,080 --> 00:29:49,900

reception maid making continuity and

675

00:29:54,780 --> 00:29:52,090

when I read Chariots of the Gods

676

00:29:58,380 --> 00:29:54,790

I was already the manager of a five-star

677

00:30:01,049 --> 00:29:58,390

hotel in Switzerland now this hotel was

678

00:30:03,960 --> 00:30:01,059

a seasonal hotel that means it was only

679

00:30:06,600 --> 00:30:03,970

open in winter and in summer the months

680

00:30:09,600 --> 00:30:06,610

between I was free and I was always

681

00:30:11,610 --> 00:30:09,610

traveling and breeding I I read

682

00:30:13,890 --> 00:30:11,620

archaeologically books and I said here

683

00:30:16,250 --> 00:30:13,900

is a mystery but before you write about

684

00:30:18,750 --> 00:30:16,260

it you have learned what two other

685

00:30:21,180 --> 00:30:18,760

archaeologists say about this

686

00:30:23,130 --> 00:30:21,190

archaeological site and then you have to

687

00:30:25,440 --> 00:30:23,140

go there you have to touch it you have

688

00:30:28,950 --> 00:30:25,450

to smell it you have to be locally a to

689

00:30:32,160 --> 00:30:28,960

to see it personally that's what I did I

690

00:30:34,770 --> 00:30:32,170

spent a lot of money and time to go to

691

00:30:36,960 --> 00:30:34,780

all these archeological places and to go

692

00:30:39,600 --> 00:30:36,970

to all the libraries and to study what

693

00:30:42,419 --> 00:30:39,610

archaeologists said but of course I

694

00:30:45,710 --> 00:30:42,429

still still had an opposite opinion and

695

00:30:49,770 --> 00:30:45,720

by the way in Chariots of the Gods I had

696

00:30:52,080 --> 00:30:49,780

238 question marks no one read the

697

00:30:53,580 --> 00:30:52,090

question mark they all see what Eric

698

00:30:55,799 --> 00:30:53,590

lyrical said but it was a lot of

699

00:30:57,780 --> 00:30:55,809

question marks in there anyhow I was

700

00:31:01,350 --> 00:30:57,790

happy because with Chariots of the Gods

701
00:31:04,620 --> 00:31:01,360
I made a lot of money so I could stop my

702
00:31:06,900 --> 00:31:04,630
hotel business I stepped out of my hotel

703
00:31:10,080 --> 00:31:06,910
business and singed aliens after God I

704
00:31:15,930 --> 00:31:10,090
was simply just researching looking

705
00:31:17,880 --> 00:31:15,940
travelling discussion well and how let's

706
00:31:21,120 --> 00:31:17,890
see how many copies of Chariots of the

707
00:31:23,820 --> 00:31:21,130
Gods have sold that you're aware of well

708
00:31:25,560 --> 00:31:23,830
I think about 12 million copies only in

709
00:31:27,650 --> 00:31:25,570
the United States there were about six

710
00:31:30,030 --> 00:31:27,660
million copies in the paperback version

711
00:31:32,280 --> 00:31:30,040
and maybe about the few hundred thousand

712
00:31:33,120 --> 00:31:32,290
in the hardcover but the book went all

713
00:31:36,960 --> 00:31:33,130

over the

714

00:31:40,499 --> 00:31:36,970

it's still published today in some you

715

00:31:42,810 --> 00:31:40,509

know eastern states before that there

716

00:31:46,440 --> 00:31:42,820

was an Eastern Bloc politically there

717

00:31:49,259 --> 00:31:46,450

was a so-called iron cruncher before

718

00:31:54,299 --> 00:31:49,269

that anaconda Anakin did not exist in

719

00:31:55,830 --> 00:31:54,309

countries like Hungaria Romania etc only

720

00:31:58,259 --> 00:31:55,840

when the role that the so-called

721

00:32:00,509 --> 00:31:58,269

Eisenwald broke Erich von Daniken has

722

00:32:03,840 --> 00:32:00,519

come to these countries too so still

723

00:32:05,580 --> 00:32:03,850

today we have some contracts with some

724

00:32:07,830 --> 00:32:05,590

countries about chariots of the garage

725

00:32:11,820 --> 00:32:07,840

or to the book is fifty years now old

726

00:32:15,259 --> 00:32:11,830

now it's really something

727

00:32:18,539 --> 00:32:15,269

so yeah someone sent me this question

728

00:32:19,980 --> 00:32:18,549

and it's been 50 years since you wrote

729

00:32:22,230 --> 00:32:19,990

Chariots of the Gods speaking of that

730

00:32:24,379 --> 00:32:22,240

I'm looking back from your current

731

00:32:27,720 --> 00:32:24,389

position is there anything you regret

732

00:32:31,019 --> 00:32:27,730

including or anything you wish you had

733

00:32:33,389 --> 00:32:31,029

included of course you know when you are

734

00:32:35,310 --> 00:32:33,399

young and as I told you I come from the

735

00:32:37,769 --> 00:32:35,320

hotel business when you are young you

736

00:32:40,019 --> 00:32:37,779

are not self-critical or not you believe

737

00:32:42,240 --> 00:32:40,029

in yourself and you believe in every

738

00:32:43,470 --> 00:32:42,250

source when somebody tells you of a

739

00:32:47,249 --> 00:32:43,480

treatment in another book you believe

740

00:32:48,960 --> 00:32:47,259

you take it for true and I made some

741

00:33:16,919 --> 00:32:48,970

mistakes of course in chariots of the

742

00:33:25,169 --> 00:33:22,919

Erick we have we have an audio issue and

743

00:33:28,169 --> 00:33:25,179

I'm really sorry about that I don't know

744

00:33:29,820 --> 00:33:28,179

what's going on you have I can can't

745

00:33:30,269 --> 00:33:29,830

hear you so I'm gonna call you right

746

00:33:32,970 --> 00:33:30,279

back

747

00:33:34,649 --> 00:33:32,980

I'm gonna call you right there you are

748

00:33:36,659 --> 00:33:34,659

there you are okay you're about it yeah

749

00:33:38,940 --> 00:33:36,669

yeah I'm not sure what happened but your

750

00:33:40,799 --> 00:33:38,950

audio your audio just went out so much

751
00:33:41,610 --> 00:33:40,809
for library retail the simple story

752
00:33:43,409 --> 00:33:41,620
again

753
00:33:46,600 --> 00:33:43,419
just the last part of it we couldn't

754
00:33:47,860 --> 00:33:46,610
hear yes if you if you had any where any

755
00:33:50,799 --> 00:33:47,870
where you want to jump in on it's good

756
00:33:53,169 --> 00:33:50,809
yeah okay so in Chariots of the Gods I

757
00:33:56,890 --> 00:33:53,179
made some mistakes and errors for

758
00:33:59,260 --> 00:33:56,900
example in a swan a swan is a city on

759
00:34:01,840 --> 00:33:59,270
the Upper Nile in Egypt there is a

760
00:34:05,440 --> 00:34:01,850
little island with the name elephant in

761
00:34:07,660 --> 00:34:05,450
and when I was there someone told me the

762
00:34:10,810 --> 00:34:07,670
name elephant in Kemps because the

763
00:34:13,869 --> 00:34:10,820

island seen from the air has the shape

764

00:34:14,980 --> 00:34:13,879

of an elephant later I learned this is

765

00:34:16,930 --> 00:34:14,990

all nonsense

766

00:34:19,230 --> 00:34:16,940

the island has the name elephant in

767

00:34:22,540 --> 00:34:19,240

because at some time in the past

768

00:34:24,849 --> 00:34:22,550

elephants were on the islands so it had

769

00:34:27,310 --> 00:34:24,859

nothing to do with the shape of the

770

00:34:29,680 --> 00:34:27,320

island or for example I was as a young

771

00:34:32,560 --> 00:34:29,690

man I was in India I was in Bailey I

772

00:34:35,859 --> 00:34:32,570

mean really I wish it the temple and in

773

00:34:39,340 --> 00:34:35,869

the courtyard of the temple is one Colin

774

00:34:41,950 --> 00:34:39,350

made out of metal and the Colin did not

775

00:34:43,720 --> 00:34:41,960

rusted the Colin was there for hundreds

776

00:34:46,030 --> 00:34:43,730

and hundreds of years the priest Tony I

777

00:34:48,550 --> 00:34:46,040

touched it touched the Colin and so I

778

00:34:51,730 --> 00:34:48,560

speculated in Chariots of the Gods this

779

00:34:55,180 --> 00:34:51,740

might be an extraterrestrial Colin you

780

00:34:57,280 --> 00:34:55,190

know some some material which we don't

781

00:34:59,650 --> 00:34:57,290

have on this planet in the mean time

782

00:35:03,090 --> 00:34:59,660

more than fifty years have passed and

783

00:35:07,570 --> 00:35:03,100

this stupid Colin is now resting so I

784

00:35:10,030 --> 00:35:07,580

was wrong so I see things happen things

785

00:35:14,950 --> 00:35:10,040

happened of course yeah absolutely

786

00:35:16,840 --> 00:35:14,960

absolutely and so in your book in your

787

00:35:20,410 --> 00:35:16,850

recent book that we're talking about

788

00:35:22,420 --> 00:35:20,420

today you start there's one place in

789

00:35:24,880 --> 00:35:22,430

there where you speak about you know

790

00:35:26,370 --> 00:35:24,890

what is the beginning of life and I

791

00:35:27,580 --> 00:35:26,380

thought that was a very interesting

792

00:35:30,370 --> 00:35:27,590

chapter

793

00:35:33,190 --> 00:35:30,380

you know panspermia possibly or the

794

00:35:36,670 --> 00:35:33,200

chemical evolution the genetic code and

795

00:35:39,220 --> 00:35:36,680

DNA and all that the odds are just so

796

00:35:41,680 --> 00:35:39,230

incredible I mean I don't know where you

797

00:35:43,170 --> 00:35:41,690

got your sources I mean your sources are

798

00:35:47,020 --> 00:35:43,180

definitely in the back of the book but

799

00:35:49,120 --> 00:35:47,030

really amazing you see I have good

800

00:35:51,130 --> 00:35:49,130

friends in Switzerland and one of my

801
00:35:54,880 --> 00:35:51,140
friends is a professor doctor in

802
00:35:57,310 --> 00:35:54,890
genetics and he has a lot of time to

803
00:36:00,080 --> 00:35:57,320
talk with me and and we have had

804
00:36:02,810 --> 00:36:00,090
discussions and he told me Eric you must

805
00:36:05,690 --> 00:36:02,820
roll this in such-and-such a book in

806
00:36:08,330 --> 00:36:05,700
that that literature you will find it so

807
00:36:12,260 --> 00:36:08,340
I had helps from other and in the

808
00:36:15,230 --> 00:36:12,270
meantime I'm nearly sure we are not only

809
00:36:18,560 --> 00:36:15,240
the product of evolution of course there

810
00:36:21,350 --> 00:36:18,570
is evolution but not only there was

811
00:36:23,930 --> 00:36:21,360
always during thousands of years some

812
00:36:26,990 --> 00:36:23,940
interferences from outside this is what

813
00:36:30,470 --> 00:36:27,000

mythology says the gods created humans

814

00:36:33,650 --> 00:36:30,480

according to their own image you see

815

00:36:36,650 --> 00:36:33,660

sometimes some critics attack me and say

816

00:36:39,680 --> 00:36:36,660

this is all nonsense we know we are the

817

00:36:42,560 --> 00:36:39,690

product of evolution of course we are

818

00:36:44,180 --> 00:36:42,570

the product of evolution for example we

819

00:36:47,060 --> 00:36:44,190

have on this planet we have an apple

820

00:36:49,580 --> 00:36:47,070

tree and the apple tree is a product of

821

00:36:52,480 --> 00:36:49,590

evolution there might have been some

822

00:36:56,030 --> 00:36:52,490

hundred thousands of years ago some

823

00:36:59,960 --> 00:36:56,040

beginning of apple tree whatever but in

824

00:37:03,740 --> 00:36:59,970

the course of time we have crafted we

825

00:37:07,250 --> 00:37:03,750

did grafting we changed the apple tree

826

00:37:09,320 --> 00:37:07,260

so we have we went into the genetics of

827

00:37:12,380 --> 00:37:09,330

the apple tree even without knowing

828

00:37:14,870 --> 00:37:12,390

something about of genetics simply by

829

00:37:19,400 --> 00:37:14,880

grafting so evolution of the apple tree

830

00:37:23,870 --> 00:37:19,410

yes but not only because by grafting we

831

00:37:26,570 --> 00:37:23,880

change the Apple exactly yeah I remember

832

00:37:28,610 --> 00:37:26,580

I mean they've been grafting for for

833

00:37:31,240 --> 00:37:28,620

decades and decades probably even

834

00:37:34,040 --> 00:37:31,250

hundreds of years I don't even know yes

835

00:37:36,230 --> 00:37:34,050

yes don't father with the with the monks

836

00:37:39,380 --> 00:37:36,240

name was Mendel in Germany but that's

837

00:37:43,010 --> 00:37:39,390

200 years ago that's 200 Wow amazing

838

00:37:46,370 --> 00:37:43,020

yeah Moorish yeah yeah yeah I've always

839

00:37:50,690 --> 00:37:46,380

you know I've contemplated a lot you

840

00:37:52,730 --> 00:37:50,700

know how how how could the first spark

841

00:37:54,830 --> 00:37:52,740

of life wherever it was in our whole

842

00:37:57,470 --> 00:37:54,840

entire universe how could that have

843

00:37:59,570 --> 00:37:57,480

started it's just it's such a it's such

844

00:38:02,620 --> 00:37:59,580

a mystery so it's really really

845

00:38:06,860 --> 00:38:02,630

interesting you see finally you still

846

00:38:11,300 --> 00:38:06,870

end with God you could say okay this

847

00:38:14,070 --> 00:38:11,310

human race was created by evolution and

848

00:38:15,750 --> 00:38:14,080

by by into 30 bikes

849

00:38:17,790 --> 00:38:15,760

but then you have to ask the question

850

00:38:20,100 --> 00:38:17,800

where did these extraterrestrials come

851

00:38:22,110 --> 00:38:20,110

from now you can say well they have been

852

00:38:24,180 --> 00:38:22,120

visited from another solar system and

853

00:38:26,850 --> 00:38:24,190

where did the others come from so you

854

00:38:28,980 --> 00:38:26,860

can play back this game for billions of

855

00:38:31,710 --> 00:38:28,990

years it doesn't matter finally you

856

00:38:34,650 --> 00:38:31,720

arrive to a stopping place and there in

857

00:38:38,160 --> 00:38:34,660

every respect with religion you will say

858

00:38:40,560 --> 00:38:38,170

here is God so you never lose God but

859

00:38:43,710 --> 00:38:40,570

when you deal with the subject I have

860

00:38:47,430 --> 00:38:43,720

done uh uh-huh

861

00:38:50,250 --> 00:38:47,440

now what about modern humans you know

862

00:38:52,380 --> 00:38:50,260

that's I think you know the science is

863

00:38:54,540 --> 00:38:52,390

out there that they consider and the

864

00:38:56,520 --> 00:38:54,550

modern human to be Homo Sapien to be

865

00:38:58,170 --> 00:38:56,530

like a few hundred thousand years old

866

00:39:00,360 --> 00:38:58,180

something like that

867

00:39:03,720 --> 00:39:00,370

I've always wondered if you know they're

868

00:39:06,630 --> 00:39:03,730

going to find out something else you

869

00:39:11,640 --> 00:39:06,640

know like perhaps I mean it just seems

870

00:39:13,800 --> 00:39:11,650

like such a an evolution to you know to

871

00:39:18,110 --> 00:39:13,810

bring it up to modern human standards

872

00:39:21,720 --> 00:39:18,120

the way we are yes but you know okay

873

00:39:24,390 --> 00:39:21,730

evolution is very controversial the

874

00:39:27,660 --> 00:39:24,400

evolution today has become a form of

875

00:39:29,400 --> 00:39:27,670

religion or an ideology there is a group

876

00:39:31,950 --> 00:39:29,410

of scientists who absolutely are

877

00:39:34,440 --> 00:39:31,960

convinced of evolution there is nothing

878

00:39:37,560 --> 00:39:34,450

but evolution there is another group of

879

00:39:39,630 --> 00:39:37,570

scientists who really are qualified in

880

00:39:43,200 --> 00:39:39,640

their field they say no it is not

881

00:39:45,750 --> 00:39:43,210

possible simply by evolution there must

882

00:39:47,940 --> 00:39:45,760

have been an interfering by someone from

883

00:39:50,070 --> 00:39:47,950

outer space or from outside whatever and

884

00:39:51,900 --> 00:39:50,080

this is what mythology and the old

885

00:39:54,870 --> 00:39:51,910

tradition tells us I am really

886

00:39:56,580 --> 00:39:54,880

especially in mythology I have studied I

887

00:39:58,740 --> 00:39:56,590

don't know hundreds of book with

888

00:40:00,960 --> 00:39:58,750

mythologies of tribes all over this

889

00:40:04,020 --> 00:40:00,970

planet some tribes somewhere in the

890

00:40:06,240 --> 00:40:04,030

South Sea or in Africa or somewhere in

891

00:40:07,470 --> 00:40:06,250

Asia are tribes we haven't which had no

892

00:40:09,870 --> 00:40:07,480

contact together

893

00:40:13,170 --> 00:40:09,880

no one ever heard from each other but

894

00:40:15,990 --> 00:40:13,180

all begin there their story of life with

895

00:40:19,740 --> 00:40:16,000

God and God created humans according

896

00:40:22,410 --> 00:40:19,750

God's image it was always someone from

897

00:40:23,310 --> 00:40:22,420

outer space who came and started the

898

00:40:26,630 --> 00:40:23,320

homo sapiens

899

00:40:30,710 --> 00:40:26,640

at least in mythology

900

00:40:32,270 --> 00:40:30,720

yep so what basically what are your

901
00:40:35,150 --> 00:40:32,280
thoughts on you know some people think

902
00:40:38,450 --> 00:40:35,160
that you know humans were seeded here

903
00:40:39,950 --> 00:40:38,460
from elsewhere as an experiment you know

904
00:40:43,550 --> 00:40:39,960
different races I mean there you hear

905
00:40:45,290 --> 00:40:43,560
you hear of you know speculation and

906
00:40:48,050 --> 00:40:45,300
along that line what are your thoughts

907
00:40:50,000 --> 00:40:48,060
on that I'm absolutely in favor of it

908
00:40:53,810 --> 00:40:50,010
have you ever heard about this so-called

909
00:40:56,330 --> 00:40:53,820
xufu hypothesis but it's do hypothech

910
00:40:58,520 --> 00:40:56,340
some yeah it's an American professor I

911
00:41:02,240 --> 00:40:58,530
guess his name was beer world I'm not so

912
00:41:04,340 --> 00:41:02,250
sure and he suggested just imagine this

913
00:41:07,040 --> 00:41:04,350

whole planet earth is something like

914

00:41:08,630 --> 00:41:07,050

like a geological God and on this

915

00:41:11,180 --> 00:41:08,640

geological garden you have different

916

00:41:13,280 --> 00:41:11,190

types of living forms you have some of

917

00:41:15,740 --> 00:41:13,290

the watches you have the animals in

918

00:41:18,230 --> 00:41:15,750

there and both the watches and the

919

00:41:20,840 --> 00:41:18,240

animals and the visitors they have to

920

00:41:23,540 --> 00:41:20,850

keep certain rules for example the

921

00:41:26,570 --> 00:41:23,550

really visitors are not allowed to feed

922

00:41:29,930 --> 00:41:26,580

a crocodile with a living dog or to

923

00:41:32,600 --> 00:41:29,940

still some wonderful birds and and that

924

00:41:35,060 --> 00:41:32,610

the watchers have to be careful that the

925

00:41:38,480 --> 00:41:35,070

Zoological Gardens functions that there

926

00:41:41,840 --> 00:41:38,490

is food and rather etc so there are

927

00:41:44,270 --> 00:41:41,850

certain rules now these watches they

928

00:41:46,850 --> 00:41:44,280

create that illogical garden with all

929

00:41:49,280 --> 00:41:46,860

forms of life and they observed us and

930

00:41:52,370 --> 00:41:49,290

they realized throughout the thousands

931

00:41:55,070 --> 00:41:52,380

of years that one of the species as Homo

932

00:41:58,790 --> 00:41:55,080

sapiens sapiens develops society

933

00:42:02,570 --> 00:41:58,800

develops culture develops our develops

934

00:42:06,080 --> 00:42:02,580

music develops science they observe that

935

00:42:09,710 --> 00:42:06,090

one day we go we leave our planet in a

936

00:42:11,870 --> 00:42:09,720

very teeny little machine what we call

937

00:42:14,690 --> 00:42:11,880

today you know these space capsules and

938

00:42:18,470 --> 00:42:14,700

now the watches the other their watches

939

00:42:22,160 --> 00:42:18,480

ask themselves should we permit the

940

00:42:24,560 --> 00:42:22,170

humans to leave their planet or not and

941

00:42:26,300 --> 00:42:24,570

they say yes because it's their own work

942

00:42:29,480 --> 00:42:26,310

they have done it they have worked on it

943

00:42:32,210 --> 00:42:29,490

they should leave it but only when they

944

00:42:35,510 --> 00:42:32,220

are right for it and when should we be

945

00:42:38,810 --> 00:42:35,520

right to leave our solar system soon as

946

00:42:40,160 --> 00:42:38,820

we have learned that we are not alone on

947

00:42:43,940 --> 00:42:40,170

this universe

948

00:42:47,390 --> 00:42:43,950

soon as we have become modest sober you

949

00:42:49,579 --> 00:42:47,400

know until today we have two kinds two

950

00:42:52,099 --> 00:42:49,589

possibilities to look at our form of

951
00:42:54,589 --> 00:42:52,109
life we have the religious way and you

952
00:42:56,870 --> 00:42:54,599
have the scientific way in the religious

953
00:43:00,079 --> 00:42:56,880
way we learn that God created us

954
00:43:03,289 --> 00:43:00,089
according the image but we are the crown

955
00:43:06,230 --> 00:43:03,299
of creation in a scientific way we learn

956
00:43:09,440 --> 00:43:06,240
it's all evolution but we are at top of

957
00:43:12,319 --> 00:43:09,450
evolution now in both cases if you look

958
00:43:14,079 --> 00:43:12,329
at it religiously or scientifically we

959
00:43:17,569 --> 00:43:14,089
look at ourselves as the greatest

960
00:43:20,210 --> 00:43:17,579
something like us does not exist in the

961
00:43:23,960 --> 00:43:20,220
universe did religion plan of creation

962
00:43:26,450 --> 00:43:23,970
beat science top of evolution in reality

963
00:43:29,510 --> 00:43:26,460

we have a psychological problem we don't

964

00:43:32,359 --> 00:43:29,520

want extraterrestrials soon as we accept

965

00:43:35,780 --> 00:43:32,369

them we are not the greatest anymore

966

00:43:37,880 --> 00:43:35,790

that's why we have to learn we are not

967

00:43:40,670 --> 00:43:37,890

alone in this universe soon as we

968

00:43:43,670 --> 00:43:40,680

understand this we can leave our solar

969

00:43:45,650 --> 00:43:43,680

system because they're outside we will

970

00:43:48,410 --> 00:43:45,660

see other spaceships and then we will

971

00:43:50,720 --> 00:43:48,420

realize hey weather shock so we have to

972

00:43:55,339 --> 00:43:50,730

avoid this shop we have to prepare

973

00:43:58,059 --> 00:43:55,349

mankind slowly come on you are not alone

974

00:44:02,390 --> 00:43:58,069

there are other forms of life out there

975

00:44:04,970 --> 00:44:02,400

well along those lines Eric what do you

976

00:44:06,349 --> 00:44:04,980

think about I'm sure you have heard a

977

00:44:09,559 --> 00:44:06,359

lot about this and are probably

978

00:44:11,900 --> 00:44:09,569

following it on December 16th there was

979

00:44:15,500 --> 00:44:11,910

a New York Times article that basically

980

00:44:19,940 --> 00:44:15,510

told the story of the Pentagon's secret

981

00:44:22,220 --> 00:44:19,950

UFO research have you been ya know in

982

00:44:24,490 --> 00:44:22,230

Dutch because in German newspapers not

983

00:44:25,819 --> 00:44:24,500

much about it but they hear about it yes

984

00:44:28,730 --> 00:44:25,829

uh-huh

985

00:44:31,089 --> 00:44:28,740

now on your your book I cited this prior

986

00:44:33,650 --> 00:44:31,099

to you coming on when I was doing the

987

00:44:36,170 --> 00:44:33,660

news with Alejandro Rojas who's with me

988

00:44:39,349 --> 00:44:36,180

before you before we called you and on

989

00:44:41,829 --> 00:44:39,359

page page 53 of your book you talk about

990

00:44:45,799 --> 00:44:41,839

the US Department of Transportation the

991

00:44:48,710 --> 00:44:45,809

memo that was published in 1912 and that

992

00:44:51,099 --> 00:44:48,720

has to do with Bigelow airspace and that

993

00:44:53,930 --> 00:44:51,109

is there is a connection there to the

994

00:44:55,370 --> 00:44:53,940

you know I didn't I know

995

00:44:56,800 --> 00:44:55,380

didn't realize that at the time but

996

00:44:59,480 --> 00:44:56,810

there was a connection there to that

997

00:45:02,210 --> 00:44:59,490

Pentagon search in that in that

998

00:45:05,569 --> 00:45:02,220

statement in your book well fascinating

999

00:45:09,410 --> 00:45:05,579

to hear to learn for Methodist yeah yeah

1000

00:45:12,050 --> 00:45:09,420

so I think that's actually it's still in

1001

00:45:15,380 --> 00:45:12,060

the news of course news of there's so

1002

00:45:17,870 --> 00:45:15,390

much news going off on all the time that

1003

00:45:20,150 --> 00:45:17,880

you know things fade really quick here

1004

00:45:22,880 --> 00:45:20,160

but there's still there's still there's

1005

00:45:25,430 --> 00:45:22,890

more interest now in the UFO field than

1006

00:45:29,780 --> 00:45:25,440

there has been prior to that article for

1007

00:45:32,150 --> 00:45:29,790

sure well you know us hoes throughout

1008

00:45:34,760 --> 00:45:32,160

the last decades have always been

1009

00:45:38,240 --> 00:45:34,770

ridiculed and also it might in my new

1010

00:45:42,710 --> 00:45:38,250

book the governor the gods never left

1011

00:45:46,069 --> 00:45:42,720

that I quote a CIA story which has they

1012

00:45:49,790 --> 00:45:46,079

have given up in 1953 to ridicule all

1013

00:45:53,210 --> 00:45:49,800

the UFO things to to to make it illegal

1014

00:45:56,660 --> 00:45:53,220

and and we you know a normal personality

1015

00:46:00,440 --> 00:45:56,670

a scientist or a journalist do not take

1016

00:46:03,140 --> 00:46:00,450

UFOs for serious he thinks this is all

1017

00:46:06,140 --> 00:46:03,150

in one sense so and we want to be

1018

00:46:08,210 --> 00:46:06,150

serious that's why we don't touch UFOs

1019

00:46:10,910 --> 00:46:08,220

in the past everybody wants to be

1020

00:46:12,230 --> 00:46:10,920

reasonable but UFO have been made

1021

00:46:15,020 --> 00:46:12,240

unreasonable

1022

00:46:17,510 --> 00:46:15,030

that's why reasonable people don't talk

1023

00:46:20,300 --> 00:46:17,520

and don't write about UFOs but as you

1024

00:46:23,630 --> 00:46:20,310

just mentioned the situation slowly

1025

00:46:27,170 --> 00:46:23,640

slowly changes because too much of

1026

00:46:29,240 --> 00:46:27,180

indications point to to observations

1027

00:46:32,420 --> 00:46:29,250

from outer space in our present time and

1028

00:46:34,190 --> 00:46:32,430

I know for sure we were observed that we

1029

00:46:36,319 --> 00:46:34,200

are created in the in the in the past

1030

00:46:38,210 --> 00:46:36,329

some thousands of years ago I have too

1031

00:46:42,020 --> 00:46:38,220

much information from this finally I'm

1032

00:46:43,250 --> 00:46:42,030

the author of 40 books on the subject I

1033

00:46:45,920 --> 00:46:43,260

didn't realize there was 40 that's

1034

00:46:48,470 --> 00:46:45,930

amazing so in your book you also

1035

00:46:50,780 --> 00:46:48,480

mentioned you know who would have to

1036

00:46:52,690 --> 00:46:50,790

come to grips as far as you know the

1037

00:46:54,920 --> 00:46:52,700

different religions I think you you

1038

00:46:56,059 --> 00:46:54,930

cited over like a hundred and twenty

1039

00:47:00,020 --> 00:46:56,069

different religions that would have a

1040

00:47:02,120 --> 00:47:00,030

problem with us do you really think it

1041

00:47:05,510 --> 00:47:02,130

seems to me the the case with at least

1042

00:47:07,380 --> 00:47:05,520

the Roman Catholic Church that a pope

1043

00:47:09,720 --> 00:47:07,390

Pope is more accepting

1044

00:47:15,240 --> 00:47:09,730

of extraterrestrials than perhaps other

1045

00:47:18,839 --> 00:47:15,250

religion religion courses but still the

1046

00:47:20,400 --> 00:47:18,849

top or a big high politician who are

1047

00:47:22,829 --> 00:47:20,410

wonderful personalities you know

1048

00:47:26,549 --> 00:47:22,839

integral myosin intelligent personality

1049

00:47:30,000 --> 00:47:26,559

even a Pope could not go on public and

1050

00:47:31,640 --> 00:47:30,010

say well I have to confess yesterday

1051

00:47:34,289 --> 00:47:31,650

night I had a discussion with two

1052

00:47:36,390 --> 00:47:34,299

extraterrestrials then his own people

1053

00:47:40,559 --> 00:47:36,400

would say what's wrong with the holy

1054

00:47:43,259 --> 00:47:40,569

Pope is he done gone insane or what even

1055

00:47:47,099 --> 00:47:43,269

if you are have a high position you

1056

00:47:49,200 --> 00:47:47,109

cannot say what you know until the

1057

00:47:51,779 --> 00:47:49,210

society is prepared and willing to

1058

00:47:53,819 --> 00:47:51,789

accept it that the moment the society is

1059

00:47:57,329 --> 00:47:53,829

not prepared and not really willing

1060

00:48:00,750 --> 00:47:57,339

that's why we have to work slowly to

1061

00:48:03,509 --> 00:48:00,760

change the spirit of time I think I feel

1062

00:48:05,279 --> 00:48:03,519

as though I feel as though we're heading

1063

00:48:07,470 --> 00:48:05,289

in that direction but you know it's

1064

00:48:10,650 --> 00:48:07,480

funny I say that but also I listened to

1065

00:48:14,960 --> 00:48:10,660

a interview from back in 1950 where

1066

00:48:23,999 --> 00:48:19,680

yeah so it is a very slow process and

1067

00:48:26,940 --> 00:48:24,009

you're right the back in 1953 when they

1068

00:48:29,279 --> 00:48:26,950

had that meeting you know about the

1069

00:48:32,430 --> 00:48:29,289

ridiculing the idea they just wanted to

1070

00:48:33,450 --> 00:48:32,440

get the topic you know done with they

1071

00:48:35,940 --> 00:48:33,460

didn't want to hear about it anymore

1072

00:48:39,240 --> 00:48:35,950

they they had no way to protect the

1073

00:48:41,700 --> 00:48:39,250

United States skies you know so that's

1074

00:48:45,299 --> 00:48:41,710

you know were that that all came from

1075

00:48:47,490 --> 00:48:45,309

they had no answer yes but in the

1076
00:48:49,650 --> 00:48:47,500
meantime happen in the meantime we have

1077
00:48:52,640 --> 00:48:49,660
too many indications we have very good

1078
00:48:55,220 --> 00:48:52,650
radar proofs for UFOs we have too many

1079
00:48:58,499 --> 00:48:55,230
sightings which cannot be denied because

1080
00:49:00,420 --> 00:48:58,509
some toilets and some whatever high

1081
00:49:03,420 --> 00:49:00,430
intelligence scientists speak about it

1082
00:49:06,180 --> 00:49:03,430
so the situation has really changed we

1083
00:49:08,700 --> 00:49:06,190
have clearly to differentiate among the

1084
00:49:11,490 --> 00:49:08,710
UFO community there is still a lot of

1085
00:49:13,799 --> 00:49:11,500
rubbish still a lot of nonsense because

1086
00:49:16,170 --> 00:49:13,809
the believers tells stories which they

1087
00:49:20,660 --> 00:49:16,180
hear at which you cannot control but

1088
00:49:23,780 --> 00:49:20,670

aside of that we have too many well well

1089

00:49:26,270 --> 00:49:23,790

of commentated UFO cases that we should

1090

00:49:28,130 --> 00:49:26,280

become reasonable now and simply have

1091

00:49:30,920 --> 00:49:28,140

the courage to discussion to discuss

1092

00:49:34,520 --> 00:49:30,930

about it but as I said the spirit of

1093

00:49:36,799 --> 00:49:34,530

time has to be ready for that yes yes I

1094

00:49:38,569 --> 00:49:36,809

agree and you know we have up we have a

1095

00:49:40,460 --> 00:49:38,579

lot of social issues to get through

1096

00:49:43,400 --> 00:49:40,470

before we actually travel the stars too

1097

00:49:48,319 --> 00:49:43,410

as well other issues I I believe anyway

1098

00:49:52,370 --> 00:49:48,329

and I would like to talk next about a

1099

00:49:55,190 --> 00:49:52,380

case that has always fascinated me long

1100

00:49:59,780 --> 00:49:55,200

before I really got into the UFO topic

1101
00:50:04,460 --> 00:49:59,790
and that's Fatima the 1917 Fatima case

1102
00:50:06,770 --> 00:50:04,470
and would you be able to tell I know I I

1103
00:50:09,230 --> 00:50:06,780
just had the subject on my show recently

1104
00:50:10,760 --> 00:50:09,240
but for the listener that's not familiar

1105
00:50:13,910 --> 00:50:10,770
at all with that can you just in a

1106
00:50:20,859 --> 00:50:13,920
nutshell tell us about that event or

1107
00:50:24,020 --> 00:50:20,869
events I should say seventeen mainland

1108
00:50:25,609 --> 00:50:24,030
is a little village in Port well and of

1109
00:50:27,650 --> 00:50:25,619
course Portugal is Catholic and the

1110
00:50:28,849 --> 00:50:27,660
village was Catholic their three

1111
00:50:31,789 --> 00:50:28,859
children

1112
00:50:35,720 --> 00:50:31,799
they certainly said they had a vision

1113
00:50:38,240 --> 00:50:35,730

they saw the Holy Virgin Mary it was an

1114

00:50:40,819 --> 00:50:38,250

apparition and the Holy Virgin Mary gave

1115

00:50:43,730 --> 00:50:40,829

them a message and this message should

1116

00:50:46,160 --> 00:50:43,740

be given to the highest responsible

1117

00:50:47,900 --> 00:50:46,170

personality on this planet for the

1118

00:50:50,510 --> 00:50:47,910

Catholic children this was the holy Pope

1119

00:50:56,059 --> 00:50:50,520

in Rome and he should publish this

1120

00:50:58,880 --> 00:50:56,069

message in in the Year 1960 so one of

1121

00:51:01,220 --> 00:50:58,890

the the children her name was Lucia she

1122

00:51:03,559 --> 00:51:01,230

become later a nun she went work in a

1123

00:51:05,930 --> 00:51:03,569

convent and while she was a nun she was

1124

00:51:09,260 --> 00:51:05,940

interviewed three times the journalist

1125

00:51:12,200 --> 00:51:09,270

asked her dear lady what is in this

1126

00:51:16,220 --> 00:51:12,210

message what is the secret in there that

1127

00:51:18,770 --> 00:51:16,230

the nun said very respectful I am NOT

1128

00:51:21,980 --> 00:51:18,780

allowed to say anything that the holy

1129

00:51:26,390 --> 00:51:21,990

Pope will make it public in the summer

1130

00:51:30,410 --> 00:51:26,400

of 1960 so the date of 1960 was known to

1131

00:51:33,710 --> 00:51:30,420

the journalist it was on may 17 the Pope

1132

00:51:34,550 --> 00:51:33,720

at that time invited I don't know 50 or

1133

00:51:37,550 --> 00:51:34,560

70

1134

00:51:39,890 --> 00:51:37,560

high priests and cárdenas and whatever

1135

00:51:42,470 --> 00:51:39,900

the journalists were waiting outside the

1136

00:51:44,270 --> 00:51:42,480

door of the room and after two hours

1137

00:51:46,790 --> 00:51:44,280

there are opens and the journalists

1138

00:51:49,370 --> 00:51:46,800

asked the priests and the callee not

1139

00:51:52,640 --> 00:51:49,380

what's in the message what's in a secret

1140

00:51:55,400 --> 00:51:52,650

and no one gave me an answer no one they

1141

00:51:58,580 --> 00:51:55,410

all keep quiet just the Pope at that

1142

00:52:01,160 --> 00:51:58,590

time said I am not in a position to

1143

00:52:04,640 --> 00:52:01,170

publish the secret it would create the

1144

00:52:07,610 --> 00:52:04,650

panic now I myself I am educated as a

1145

00:52:10,580 --> 00:52:07,620

Catholic and for us Catholics mother

1146

00:52:13,760 --> 00:52:10,590

Mary is the mother of Jesus she's the

1147

00:52:17,300 --> 00:52:13,770

highest female creeping entente a

1148

00:52:20,060 --> 00:52:17,310

repentant e in in heaven in sky she

1149

00:52:24,100 --> 00:52:20,070

gives an order that this message should

1150

00:52:27,350 --> 00:52:24,110

be published in 1960 but the Pope says I

1151

00:52:30,590 --> 00:52:27,360

cannot do it it would create a panic

1152

00:52:33,920 --> 00:52:30,600

what kind of panic the Holy Virgin Mary

1153

00:52:35,620 --> 00:52:33,930

would know what she does so after the

1154

00:52:38,270 --> 00:52:35,630

Pope said it would create a panic

1155

00:52:40,520 --> 00:52:38,280

journalists came again with speculations

1156

00:52:42,710 --> 00:52:40,530

they said well maybe the secret has to

1157

00:52:46,250 --> 00:52:42,720

do with the with the third world war

1158

00:52:48,800 --> 00:52:46,260

maybe there is a tremendous atomic war

1159

00:52:51,860 --> 00:52:48,810

between the East and the world that the

1160

00:52:55,550 --> 00:52:51,870

West you know in 1960 were still still

1161

00:52:59,900 --> 00:52:55,560

cold war so the journalist asked the

1162

00:53:03,410 --> 00:52:59,910

Pope in 1980 20 years later where the

1163

00:53:05,570 --> 00:53:03,420

Pope visited Germany they asked him has

1164

00:53:08,780 --> 00:53:05,580

to secret something to do with the third

1165

00:53:12,080 --> 00:53:08,790

world war and the Pope said no it has

1166

00:53:15,740 --> 00:53:12,090

nothing to do with atomic bombs nothing

1167

00:53:18,590 --> 00:53:15,750

with rocket it contains our fate he said

1168

00:53:21,620 --> 00:53:18,600

he it has to do with our faith now but

1169

00:53:24,350 --> 00:53:21,630

the Holy Virgin Mary the highest female

1170

00:53:27,380 --> 00:53:24,360

of the Roman Catholic Church had given

1171

00:53:31,430 --> 00:53:27,390

the order why can they not publish it I

1172

00:53:33,860 --> 00:53:31,440

am afraid that they learned that the

1173

00:53:35,990 --> 00:53:33,870

message was not coming from the Holy

1174

00:53:38,570 --> 00:53:36,000

Virgin Mary but from a group of

1175

00:53:41,390 --> 00:53:38,580

extraterrestrials now of course I only

1176
00:53:43,550 --> 00:53:41,400
can speculate I don't know the content

1177
00:53:46,190 --> 00:53:43,560
of the message I can speculate what

1178
00:53:48,140 --> 00:53:46,200
could be in there for example they could

1179
00:53:50,660 --> 00:53:48,150
say well we

1180
00:53:52,480 --> 00:53:50,670
say great things to you earthlings learn

1181
00:53:54,740 --> 00:53:52,490
that you are not alone there are

1182
00:53:56,809 --> 00:53:54,750
visitors from outer space we have been

1183
00:53:59,690 --> 00:53:56,819
here thousands of years ago we came

1184
00:54:00,380 --> 00:53:59,700
spontaneously from time to time don't be

1185
00:54:05,260 --> 00:54:00,390
afraid

1186
00:54:11,450 --> 00:54:05,270
we will help us etcetera but between

1187
00:54:14,569 --> 00:54:11,460
1917 and 1960 is a time span of 43 years

1188
00:54:17,779 --> 00:54:14,579

between that time the little village of

1189

00:54:20,510 --> 00:54:17,789

Fatima has come to a gigantic pilgrim

1190

00:54:22,970 --> 00:54:20,520

place for the Catholic Church there is a

1191

00:54:26,210 --> 00:54:22,980

wonderful Cathedral I was there three

1192

00:54:28,160 --> 00:54:26,220

times it's very very impressive hundred

1193

00:54:29,990 --> 00:54:28,170

thousands of people are kneeling there

1194

00:54:30,680 --> 00:54:30,000

and they're praying to the Holy Virgin

1195

00:54:35,180 --> 00:54:30,690

Mary

1196

00:54:39,559 --> 00:54:35,190

now 1960 the Pope preached the message

1197

00:54:43,160 --> 00:54:39,569

which dates back to 1970 he realizes it

1198

00:54:45,920 --> 00:54:43,170

was not the Holy Virgin Mary but in the

1199

00:54:48,140 --> 00:54:45,930

meantime Fatima is a pilgrim place he

1200

00:54:50,630 --> 00:54:48,150

can really not publish it because

1201

00:54:53,480 --> 00:54:50,640

otherwise he would discredit discredit

1202

00:54:56,000 --> 00:54:53,490

his own holy pilgrim place so I

1203

00:54:58,970 --> 00:54:56,010

understand the situation but it's all

1204

00:55:01,069 --> 00:54:58,980

crazy in the meantime the message should

1205

00:55:03,019 --> 00:55:01,079

be published he should have the courage

1206

00:55:06,589 --> 00:55:03,029

to say well we'd have been happy to do

1207

00:55:08,660 --> 00:55:06,599

with it with accelerometers that's

1208

00:55:11,539 --> 00:55:08,670

interesting do you think that might have

1209

00:55:14,059 --> 00:55:11,549

something to do with you know this the

1210

00:55:16,490 --> 00:55:14,069

Catholic stance on extraterrestrials has

1211

00:55:18,079 --> 00:55:16,500

softened you know saying that they

1212

00:55:20,960 --> 00:55:18,089

should be baptized there could be

1213

00:55:24,289 --> 00:55:20,970

baptized and and there were a few other

1214

00:55:27,109 --> 00:55:24,299

things and along those same lines

1215

00:55:29,920 --> 00:55:27,119

there's also I believe there's an

1216

00:55:35,180 --> 00:55:29,930

observatory Catholic Observatory

1217

00:55:38,390 --> 00:55:35,190

yes yesterday very powerful they are

1218

00:55:41,120 --> 00:55:38,400

very very with the Catholic high priests

1219

00:55:43,339 --> 00:55:41,130

you know they are all Jesuits they are

1220

00:55:45,740 --> 00:55:43,349

very very intelligent many of them have

1221

00:55:47,900 --> 00:55:45,750

doctor or double doctor degrees they are

1222

00:55:49,819 --> 00:55:47,910

brilliant astronomers and I am sure they

1223

00:55:53,240 --> 00:55:49,829

they know a little more than what they

1224

00:55:55,430 --> 00:55:53,250

tell to the public but you cannot tell

1225

00:55:59,299 --> 00:55:55,440

everything to the public an author like

1226

00:56:01,790 --> 00:55:59,309

me I can because I have no I'm not a

1227

00:56:04,550 --> 00:56:01,800

politician I'm not an official science

1228

00:56:07,310 --> 00:56:04,560

I do not represent any university so a

1229

00:56:09,710 --> 00:56:07,320

man like me I can say these things

1230

00:56:12,260 --> 00:56:09,720

because the critics will still say ok

1231

00:56:16,250 --> 00:56:12,270

that's his opinion that's an opposition

1232

00:56:19,430 --> 00:56:16,260

it's another point of view but I feel

1233

00:56:21,950 --> 00:56:19,440

I'm on the right track not on everything

1234

00:56:23,840 --> 00:56:21,960

I still may have mistakes or

1235

00:56:27,830 --> 00:56:23,850

speculations which turn out to be wrong

1236

00:56:30,380 --> 00:56:27,840

but in that case Fatima it makes no

1237

00:56:33,020 --> 00:56:30,390

sense that the holy Pope in Rome does

1238

00:56:35,930 --> 00:56:33,030

not publish that the secret because the

1239

00:56:39,620 --> 00:56:35,940

Holy Virgin Mary ordered him you should

1240

00:56:42,880 --> 00:56:39,630

publish it in 1960 but he didn't event

1241

00:56:46,880 --> 00:56:42,890

here today no Pope published a secret I

1242

00:56:49,900 --> 00:56:46,890

wonder if it if if that does exist if it

1243

00:56:53,660 --> 00:56:49,910

will ever be you know that's who knows

1244

00:56:55,550 --> 00:56:53,670

yeah one day yes you know there is

1245

00:56:57,650 --> 00:56:55,560

another speculation which I have in my

1246

00:56:59,660 --> 00:56:57,660

head but my English is not good enough

1247

00:57:02,870 --> 00:56:59,670

to explain explain all this

1248

00:57:05,630 --> 00:57:02,880

we know that the magnetic north at the

1249

00:57:08,330 --> 00:57:05,640

magnetic north pole of our planet is

1250

00:57:11,210 --> 00:57:08,340

always changing the magnetic north pole

1251
00:57:13,130 --> 00:57:11,220
changes is not at the same place where

1252
00:57:16,520 --> 00:57:13,140
he has been some two hundred years ago

1253
00:57:20,150 --> 00:57:16,530
now there are speculation that one day

1254
00:57:23,870 --> 00:57:20,160
the magnetic pole might shift so the

1255
00:57:27,230 --> 00:57:23,880
earth taxis by the term I have to come

1256
00:57:29,780 --> 00:57:27,240
back to Herodotus Herodotus was a Greek

1257
00:57:32,450 --> 00:57:29,790
historian some two and a half thousand

1258
00:57:34,850 --> 00:57:32,460
years ago Herodotus was in Egypt he

1259
00:57:38,030 --> 00:57:34,860
published two books about his visit in

1260
00:57:41,690 --> 00:57:38,040
Egypt he then talked to the old priests

1261
00:57:45,410 --> 00:57:41,700
in Egypt and he said it happened in the

1262
00:57:48,890 --> 00:57:45,420
past that of a sudden the Sun Stood

1263
00:57:52,540 --> 00:57:48,900

Still and then the next day the Sun went

1264

00:57:55,780 --> 00:57:52,550

up in the West and went down in the east

1265

00:57:58,550 --> 00:57:55,790

now how can a very well-educated

1266

00:58:01,400 --> 00:57:58,560

historian like Herodotus two and a half

1267

00:58:04,340 --> 00:58:01,410

thousand years ago say such a nonsense

1268

00:58:07,910 --> 00:58:04,350

he would know exactly the Sun will

1269

00:58:10,880 --> 00:58:07,920

always go up in the east crush the Nile

1270

00:58:14,060 --> 00:58:10,890

and go that down in the West on the

1271

00:58:15,820 --> 00:58:14,070

other side of the Nile now in Central

1272

00:58:19,180 --> 00:58:15,830

America we have Sokol

1273

00:58:21,460 --> 00:58:19,190

Mexican old Mexican writings and in one

1274

00:58:24,310 --> 00:58:21,470

of these writings called Chimel poeple

1275

00:58:26,590 --> 00:58:24,320

the same situation is told that of a

1276

00:58:29,770 --> 00:58:26,600

sudden the Sun has come to a standstill

1277

00:58:32,170 --> 00:58:29,780

and the next morning it turned out in

1278

00:58:35,200 --> 00:58:32,180

the in the West instead in the in the

1279

00:58:38,650 --> 00:58:35,210

east the same thing happened with Plato

1280

00:58:41,650 --> 00:58:38,660

Plato was the Greek philosopher he

1281

00:58:45,580 --> 00:58:41,660

writes this in his book criterion now I

1282

00:58:48,160 --> 00:58:45,590

asked myself concerning Fatima as the

1283

00:58:51,400 --> 00:58:48,170

message of these extraterrestrials may

1284

00:58:54,310 --> 00:58:51,410

be told to the children they should tell

1285

00:58:58,570 --> 00:58:54,320

to the Pope that sooner or later our

1286

00:59:01,660 --> 00:58:58,580

earth axis will change and from one

1287

00:59:04,450 --> 00:59:01,670

minute to the other millions of people

1288

00:59:07,090 --> 00:59:04,460

would be killed and destroyed because

1289

00:59:10,960 --> 00:59:07,100

the water is all floating what is

1290

00:59:14,020 --> 00:59:10,970

today's land and the Pope rigid he first

1291

00:59:15,609 --> 00:59:14,030

understands it's not the Halyburton Mary

1292

00:59:18,510 --> 00:59:15,619

it was the extraterrestrials who gave

1293

00:59:21,310 --> 00:59:18,520

this message and secondly he reached a

1294

00:59:23,260 --> 00:59:21,320

catastrophe will come ground our mankind

1295

00:59:24,670 --> 00:59:23,270

he doesn't know a date the

1296

00:59:27,940 --> 00:59:24,680

extraterrestrials don't know a date

1297

00:59:30,370 --> 00:59:27,950

exactly they know it will happen and now

1298

00:59:32,890 --> 00:59:30,380

really he can not go to public with him

1299

00:59:35,230 --> 00:59:32,900

it would create panic as what he said

1300

00:59:38,800 --> 00:59:35,240

but in the old historians Herodotus

1301

00:59:42,280 --> 00:59:38,810

Plateau Mexico they say exactly this

1302

00:59:45,730 --> 00:59:42,290

that the four sudden the Sun went up in

1303

00:59:47,950 --> 00:59:45,740

the West instead of the East Wow yeah

1304

00:59:49,390 --> 00:59:47,960

and I know the there has been some at

1305

00:59:51,820 --> 00:59:49,400

least I don't know about actually

1306

00:59:54,070 --> 00:59:51,830

turning on access but there's been I

1307

00:59:56,109 --> 00:59:54,080

know the pole has shifted you know in

1308

00:59:59,320 --> 00:59:56,119

the past historically you know a long a

1309

01:00:00,849 --> 00:59:59,330

long long time ago I believe and I may

1310

01:00:05,020 --> 01:00:00,859

be wrong on that someone will definitely

1311

01:00:08,349 --> 01:00:05,030

correct me if I'm wrong so getting back

1312

01:00:12,099 --> 01:00:08,359

to Fatima the the incident itself back

1313

01:00:14,050 --> 01:00:12,109

in 1917 how long was it after that that

1314

01:00:17,260 --> 01:00:14,060

all the thousands and thousands of

1315

01:00:19,120 --> 01:00:17,270

people made a pilgrimage there to see to

1316

01:00:23,040 --> 01:00:19,130

see and they actually witnessed

1317

01:00:29,440 --> 01:00:23,050

witnessed it but of course you know in

1318

01:00:33,030 --> 01:00:29,450

in 1970 they was in Fatima

1319

01:00:36,579 --> 01:00:33,040

so-called miracle of the Sun there were

1320

01:00:39,099 --> 01:00:36,589

80,000 people out in the field at that

1321

01:00:40,540 --> 01:00:39,109

time there were no color photography's

1322

01:00:42,910 --> 01:00:40,550

they were only black-and-white

1323

01:00:46,750 --> 01:00:42,920

photography I saw some of these

1324

01:00:52,260 --> 01:00:46,760

photography from newspapers from 1917 it

1325

01:00:56,140 --> 01:00:52,270

was in October 17th 1990 in 17 that

1326

01:00:59,260 --> 01:00:56,150

80,000 people so of a sudden a gigantic

1327

01:01:02,230 --> 01:00:59,270

light on the sky and he was not the Sun

1328

01:01:06,099 --> 01:01:02,240

the light changed into different colors

1329

01:01:11,020 --> 01:01:06,109

and 80,000 people were all floated in

1330

01:01:13,300 --> 01:01:11,030

different colors red blue yellow etc now

1331

01:01:17,650 --> 01:01:13,310

in the Catholic Church this is mentioned

1332

01:01:21,280 --> 01:01:17,660

as the wonder of the Sun in Fatima of

1333

01:01:23,680 --> 01:01:21,290

1970 I think it was not a wonder of the

1334

01:01:27,700 --> 01:01:23,690

Sun it was the extraterrestrials who

1335

01:01:31,510 --> 01:01:27,710

simply showed up to 80,000 people give

1336

01:01:35,200 --> 01:01:31,520

them a sign don't be afraid of us we

1337

01:01:37,140 --> 01:01:35,210

will return prepare mankind you are not

1338

01:01:40,180 --> 01:01:37,150

alone in this universe

1339

01:01:41,650 --> 01:01:40,190

yeah and where did these people come

1340

01:01:44,530 --> 01:01:41,660

from did they come from all over the

1341

01:01:47,290 --> 01:01:44,540

world there yep

1342

01:01:49,300 --> 01:01:47,300

mostly from Europe of course in 1917

1343

01:01:53,530 --> 01:01:49,310

some of them might have come from the

1344

01:01:59,620 --> 01:01:53,540

eigenstates at Emmaus mostly Europe you

1345

01:02:02,620 --> 01:01:59,630

say out of the field as I said people

1346

01:02:05,800 --> 01:02:02,630

there are black and white pictures in

1347

01:02:09,250 --> 01:02:05,810

the newspaper from published 18th 19th

1348

01:02:11,920 --> 01:02:09,260

1970 at that time you see the 80,000

1349

01:02:14,650 --> 01:02:11,930

people that day it was raining you see

1350

01:02:17,290 --> 01:02:14,660

many of them have umbrellas on but of a

1351
01:02:20,500 --> 01:02:17,300
sudden their umbrellas are away and they

1352
01:02:22,390 --> 01:02:20,510
all watch the sky you see their faces

1353
01:02:25,569 --> 01:02:22,400
enlightened in the black and white

1354
01:02:26,829 --> 01:02:25,579
colors it looks fantastic so they really

1355
01:02:30,430 --> 01:02:26,839
saw something

1356
01:02:31,720 --> 01:02:30,440
Extra Ordinary yeah we're putting we're

1357
01:02:35,650 --> 01:02:31,730
putting up some of those images on

1358
01:02:39,069 --> 01:02:35,660
YouTube now or the producer is and yeah

1359
01:02:41,470 --> 01:02:39,079
that that that whole thing I can't even

1360
01:02:43,270 --> 01:02:41,480
imagine how they house those people how

1361
01:02:45,820 --> 01:02:43,280
they fed those people I mean

1362
01:02:47,740 --> 01:02:45,830
further back then I'm just showing up I

1363
01:02:50,080 --> 01:02:47,750

mean we have no communication like we do

1364

01:02:52,330 --> 01:02:50,090

today well they wouldn't feel that I

1365

01:02:56,500 --> 01:02:52,340

would feel happy by sleeping outside

1366

01:03:00,310 --> 01:02:56,510

camping whatever and there's also there

1367

01:03:02,770 --> 01:03:00,320

is there has been controversy about this

1368

01:03:04,960 --> 01:03:02,780

all the way back for many years as far

1369

01:03:08,020 --> 01:03:04,970

as I know that it may have had nothing

1370

01:03:11,500 --> 01:03:08,030

to do with the you know religious aspect

1371

01:03:14,410 --> 01:03:11,510

as you say so that is a that is a part

1372

01:03:16,390 --> 01:03:14,420

to look into that's exactly what what I

1373

01:03:17,820 --> 01:03:16,400

see it has nothing to do with the

1374

01:03:20,410 --> 01:03:17,830

religious aspect it was

1375

01:03:23,410 --> 01:03:20,420

extraterrestrials who showed up at the

1376

01:03:26,740 --> 01:03:23,420

top had no change he could not go to

1377

01:03:29,320 --> 01:03:26,750

public with it because it he wouldn't he

1378

01:03:30,510 --> 01:03:29,330

would deny the the receipt of the holy

1379

01:03:33,940 --> 01:03:30,520

virgin madman Mary

1380

01:03:37,930 --> 01:03:33,950

yes that's right and yeah that would be

1381

01:03:38,590 --> 01:03:37,940

that'd be a real barrier to go through

1382

01:03:41,110 --> 01:03:38,600

right there

1383

01:03:43,540 --> 01:03:41,120

alone because of right now even right

1384

01:03:46,740 --> 01:03:43,550

now people are there as we speak I'm

1385

01:03:50,440 --> 01:03:46,750

sure you know worshiping period you know

1386

01:03:54,490 --> 01:03:50,450

so another question came in from Jordan

1387

01:03:56,200 --> 01:03:54,500

and the popular history show ancient

1388

01:03:58,300 --> 01:03:56,210

aliens borrows heavily from the themes

1389

01:04:01,210 --> 01:03:58,310

and concept of your work Chariots of the

1390

01:04:04,630 --> 01:04:01,220

Gods and so he wanted to know your

1391

01:04:07,480 --> 01:04:04,640

comments on that show or watch on the

1392

01:04:09,180 --> 01:04:07,490

movie channel uh ancient aliens the

1393

01:04:12,460 --> 01:04:09,190

ancient aliens I know you're a friend of

1394

01:04:14,230 --> 01:04:12,470

Georgio's as well yes I mean short row

1395

01:04:16,750 --> 01:04:14,240

to kalos II grew up in Switzerland I

1396

01:04:18,550 --> 01:04:16,760

knew him when he was a boy he's a

1397

01:04:21,160 --> 01:04:18,560

wonderful personality and he has the

1398

01:04:23,620 --> 01:04:21,170

possibility to speak to go to public I'm

1399

01:04:26,170 --> 01:04:23,630

very happy that I have a translator like

1400

01:04:29,200 --> 01:04:26,180

Chacho in United States he's brilliant

1401

01:04:31,660 --> 01:04:29,210

now concerning ancient aliens of course

1402

01:04:34,270 --> 01:04:31,670

I am happy that they have done this

1403

01:04:37,300 --> 01:04:34,280

serie because it brings all this in

1404

01:04:40,750 --> 01:04:37,310

discussion again I am thankful for them

1405

01:04:44,020 --> 01:04:40,760

all through I do not accept everything

1406

01:04:46,330 --> 01:04:44,030

which they say in there you know it's

1407

01:04:48,580 --> 01:04:46,340

it's a work of journalists brilliant

1408

01:04:51,220 --> 01:04:48,590

journals and sometimes they come up with

1409

01:04:53,470 --> 01:04:51,230

especially in the American version it

1410

01:04:56,740 --> 01:04:53,480

has to do something with the Nazis with

1411

01:04:59,800 --> 01:04:56,750

this third Second World War and

1412

01:05:02,440 --> 01:04:59,810

all these things as a Swiss leaving

1413

01:05:05,080 --> 01:05:02,450

chest to the broader of Germany I do not

1414

01:05:08,410 --> 01:05:05,090

underline these at that point of view

1415

01:05:11,110 --> 01:05:08,420

but generally ancient alien is a

1416

01:05:14,680 --> 01:05:11,120

brilliant show and I'm grateful and

1417

01:05:16,660 --> 01:05:14,690

thankful that it is on air it's amazing

1418

01:05:18,790 --> 01:05:16,670

how many viewers that show has and how

1419

01:05:20,680 --> 01:05:18,800

popular I think they started out they

1420

01:05:24,580 --> 01:05:20,690

were going only going to have like a

1421

01:05:26,740 --> 01:05:24,590

very short season and and just I think

1422

01:05:28,180 --> 01:05:26,750

they were just going to do a series of I

1423

01:05:30,520 --> 01:05:28,190

think something like ten and that was

1424

01:05:32,980 --> 01:05:30,530

gonna be it and boy it caught on like

1425

01:05:36,490 --> 01:05:32,990

wildfire and has been going strong ever

1426

01:05:38,710 --> 01:05:36,500

since yes they had a very very high

1427

01:05:40,120 --> 01:05:38,720

audience you know in the United States

1428

01:05:42,610 --> 01:05:40,130

when you have a high audience that means

1429

01:05:45,100 --> 01:05:42,620

more money because there's more and more

1430

01:05:47,530 --> 01:05:45,110

advertising so they continued and

1431

01:05:50,980 --> 01:05:47,540

continued in the meantime they have

1432

01:05:53,740 --> 01:05:50,990

product produced 150 episodes

1433

01:05:55,240 --> 01:05:53,750

just imagine first I wanted to start

1434

01:05:59,260 --> 01:05:55,250

with three maybe ten

1435

01:06:02,170 --> 01:05:59,270

in the meantime 150 episodes I'm very

1436

01:06:04,570 --> 01:06:02,180

happy about all this also I do not check

1437

01:06:07,360 --> 01:06:04,580

everything which is in there why don't

1438

01:06:08,950 --> 01:06:07,370

you why don't you elaborate on some of

1439

01:06:11,020 --> 01:06:08,960

the things that you don't think is

1440

01:06:13,420 --> 01:06:11,030

credible you just mentioned the Nazi

1441

01:06:16,710 --> 01:06:13,430

connection is there other things as well

1442

01:06:19,810 --> 01:06:16,720

you can comment on yeah you need

1443

01:06:23,620 --> 01:06:19,820

sometimes to bring story for example as

1444

01:06:25,780 --> 01:06:23,630

Leonardo da Vinci been a time traveler

1445

01:06:30,370 --> 01:06:25,790

or has he maybe had contact with

1446

01:06:32,920 --> 01:06:30,380

extraterrestrials I think this is not

1447

01:06:35,280 --> 01:06:32,930

what I feel but of course everyone has

1448

01:06:38,560 --> 01:06:35,290

the freedom to think in these directions

1449

01:06:40,660 --> 01:06:38,570

or some of the humans in our time some

1450

01:06:43,330 --> 01:06:40,670

of the brilliant scientists they asked

1451

01:06:45,880 --> 01:06:43,340

even where heaven Browne you know won't

1452

01:06:48,880 --> 01:06:45,890

happen Brown he was in the Second World

1453

01:06:51,730 --> 01:06:48,890

War he has he was the rocket pioneer in

1454

01:06:54,130 --> 01:06:51,740

Germany with the Nazis Reiter he came to

1455

01:06:55,990 --> 01:06:54,140

the United States for the hey Brooklyn

1456

01:06:57,820 --> 01:06:56,000

yeah yeah heard me

1457

01:06:59,980 --> 01:06:57,830

yeah in the United States he was finally

1458

01:07:03,130 --> 01:06:59,990

the one who made the shot to the moon

1459

01:07:05,770 --> 01:07:03,140

with Saturn five possible a brilliant

1460

01:07:08,590 --> 01:07:05,780

Drock and Rocket Man now in industry

1461

01:07:10,330 --> 01:07:08,600

they also asked if he maybe had contact

1462

01:07:13,060 --> 01:07:10,340

with extraterrestrials if

1463

01:07:15,220 --> 01:07:13,070

of his knowledge to construct Saturn 5

1464

01:07:18,010 --> 01:07:15,230

has to do with extraterrestrials

1465

01:07:21,070 --> 01:07:18,020

I personally think this is too far I

1466

01:07:24,280 --> 01:07:21,080

knew when Ephram Brown personally not

1467

01:07:26,770 --> 01:07:24,290

very well I met him only twice he was a

1468

01:07:31,060 --> 01:07:26,780

brilliant scientist but he had nothing

1469

01:07:31,660 --> 01:07:31,070

to do with extraterrestrials yep I'm

1470

01:07:33,400 --> 01:07:31,670

sure

1471

01:07:35,860 --> 01:07:33,410

yep so there's yeah there's a little

1472

01:07:38,530 --> 01:07:35,870

stretch here and there but some of the

1473

01:07:41,800 --> 01:07:38,540

things I have watched that I thought you

1474

01:07:44,890 --> 01:07:41,810

know I think there's maybe a little too

1475

01:07:46,570 --> 01:07:44,900

much assuming in that show but other

1476

01:07:49,780 --> 01:07:46,580

than that they bring up some really good

1477

01:07:52,360 --> 01:07:49,790

points of possibilities that's true and

1478

01:07:55,300 --> 01:07:52,370

finally we have to accept they ask a lot

1479

01:07:58,990 --> 01:07:55,310

of questions they ask always could it be

1480

01:08:00,910 --> 01:07:59,000

what if so they are asking questions

1481

01:08:05,320 --> 01:08:00,920

they are putting the question which is

1482

01:08:07,090 --> 01:08:05,330

okay with me right right now another

1483

01:08:09,610 --> 01:08:07,100

question that came in here your work has

1484

01:08:11,470 --> 01:08:09,620

been criticized as being dismissive

1485

01:08:13,840 --> 01:08:11,480

toward engineering capabilities of

1486

01:08:15,960 --> 01:08:13,850

ancient civilizations specified by those

1487

01:08:18,040 --> 01:08:15,970

who believe Egyptian tradesmen and women

1488

01:08:20,620 --> 01:08:18,050

construction constructed the Great

1489

01:08:22,450 --> 01:08:20,630

Pyramid can you discuss what makes you

1490

01:08:25,690 --> 01:08:22,460

think that the builders could be

1491

01:08:26,710 --> 01:08:25,700

assisted by extraterrestrial yes but you

1492

01:08:29,470 --> 01:08:26,720

know that there's a lot of

1493

01:08:31,390 --> 01:08:29,480

misunderstanding in none of my books I

1494

01:08:33,730 --> 01:08:31,400

suggest that extraterrestrials created

1495

01:08:36,130 --> 01:08:33,740

the pyramid what an extraterrestrials

1496

01:08:39,280 --> 01:08:36,140

created stone age or the gigantic temple

1497

01:08:41,980 --> 01:08:39,290

it was always the humans who made these

1498

01:08:45,880 --> 01:08:41,990

gigantic constructions my question was

1499

01:08:48,610 --> 01:08:45,890

why have the humans done this working

1500

01:08:51,579 --> 01:08:48,620

for I don't know 20 50 years took to

1501

01:08:53,590 --> 01:08:51,589

make a gigantic construction why what is

1502

01:08:55,990 --> 01:08:53,600

the purpose of it now the scientific

1503

01:08:58,420 --> 01:08:56,000

answer was always worried they did it

1504

01:09:01,240 --> 01:08:58,430

because of evolution they wanted to

1505

01:09:04,870 --> 01:09:01,250

worship some gods for example gods in

1506

01:09:07,840 --> 01:09:04,880

natural God in the storm gods who came

1507

01:09:10,270 --> 01:09:07,850

out with smoke and fire you can explain

1508

01:09:13,270 --> 01:09:10,280

this with the storm and so on so they

1509

01:09:15,550 --> 01:09:13,280

explain it in natural way I have nothing

1510

01:09:19,329 --> 01:09:15,560

against a natural explanation the

1511

01:09:21,820 --> 01:09:19,339

question is just in antiquity some of

1512

01:09:23,940 --> 01:09:21,830

our humans they have met in person

1513

01:09:25,890 --> 01:09:23,950

these extraterrestrials

1514

01:09:27,600 --> 01:09:25,900

they were discussions between the humans

1515

01:09:30,330 --> 01:09:27,610

and the extraterrestrials some of the

1516

01:09:34,110 --> 01:09:30,340

humans asked them where do you come from

1517

01:09:37,140 --> 01:09:34,120

they always point to the sky and they

1518

01:09:39,090 --> 01:09:37,150

even gave some names which solar system

1519

01:09:43,500 --> 01:09:39,100

they came from but the names mean

1520

01:09:46,440 --> 01:09:43,510

nothing to us or in ancient India we

1521

01:09:48,300 --> 01:09:46,450

have so-called flying machines many of

1522

01:09:50,430 --> 01:09:48,310

them different types of flying machines

1523

01:09:52,830 --> 01:09:50,440

they are called Vimanas

1524

01:09:55,290 --> 01:09:52,840

now this ramana's never in the old

1525

01:09:57,810 --> 01:09:55,300

indian literature were constructed on

1526

01:10:00,420 --> 01:09:57,820

our planet earth there is nothing now

1527

01:10:02,250 --> 01:10:00,430

industries on earth now evolution

1528

01:10:05,850 --> 01:10:02,260

technological evolution but these

1529

01:10:08,400 --> 01:10:05,860

Vimanas slowly evolved in technology in

1530

01:10:11,790 --> 01:10:08,410

our planet that the humans created them

1531

01:10:13,530 --> 01:10:11,800

these Vimanas always came directly from

1532

01:10:15,840 --> 01:10:13,540

the mother spaceship from the

1533

01:10:18,030 --> 01:10:15,850

extraterrestrials there is no you know

1534

01:10:21,030 --> 01:10:18,040

innovation on our planet

1535

01:10:24,300 --> 01:10:21,040

in other cases some of the humans have

1536

01:10:25,980 --> 01:10:24,310

been up there they described some of

1537

01:10:27,960 --> 01:10:25,990

them have learned the language of them

1538

01:10:31,350 --> 01:10:27,970

in the old indian literature for example

1539

01:10:34,560 --> 01:10:31,360

a tuna a tuna was up there for many

1540

01:10:37,170 --> 01:10:34,570

years he he knew them he spoke the

1541

01:10:40,350 --> 01:10:37,180

language or in by brick biblical terms

1542

01:10:42,960 --> 01:10:40,360

we have Enoch Enoch according to the

1543

01:10:45,180 --> 01:10:42,970

Bible was the seventh patriarch before

1544

01:10:47,550 --> 01:10:45,190

the Great Flood according to the Bible

1545

01:10:50,190 --> 01:10:47,560

Enoch West enforced human who left our

1546

01:10:52,080 --> 01:10:50,200

solar system in the fiery chariot now in

1547

01:10:54,780 --> 01:10:52,090

the Bible you read only about three

1548

01:10:58,440 --> 01:10:54,790

phrases about you know but Enoch is the

1549

01:11:01,500 --> 01:10:58,450

author of a book the book was found 170

1550

01:11:04,470 --> 01:11:01,510

years ago in an old library in Ethiopia

1551

01:11:07,020 --> 01:11:04,480

in a convent the Book of Enoch was

1552

01:11:09,570 --> 01:11:07,030

translated from all Ethiopian into

1553

01:11:12,810 --> 01:11:09,580

English and in later into Germany now

1554

01:11:16,260 --> 01:11:12,820

Enoch speaks in the first person as an

1555

01:11:18,630 --> 01:11:16,270

eyewitness he describes what happened he

1556

01:11:19,200 --> 01:11:18,640

learned the language with them he was up

1557

01:11:22,620 --> 01:11:19,210

there

1558

01:11:25,320 --> 01:11:22,630

Enoch even gives the name of his teacher

1559

01:11:27,630 --> 01:11:25,330

one of the teacher was an astronomer and

1560

01:11:30,540 --> 01:11:27,640

he said to the young boy Enoch after he

1561

01:11:32,670 --> 01:11:30,550

knew the language human look out of the

1562

01:11:36,420 --> 01:11:32,680

window do you see this little light out

1563

01:11:37,560 --> 01:11:36,430

there you humans call it moon but the

1564

01:11:40,020 --> 01:11:37,570

moon has no

1565

01:11:42,240 --> 01:11:40,030

light by itself the moon received his

1566

01:11:45,390 --> 01:11:42,250

light from the Sun and then he explains

1567

01:11:47,879 --> 01:11:45,400

to Enoch the moon phases so why is the

1568

01:11:48,959 --> 01:11:47,889

moon sometimes full howl while it is a

1569

01:11:52,770 --> 01:11:48,969

busy jet Allah

1570

01:11:56,580 --> 01:11:52,780

now this astronomical instructions and

1571

01:11:58,620 --> 01:11:56,590

this is not natural not the storm or

1572

01:12:00,839 --> 01:11:58,630

something which keep astronomical

1573

01:12:03,359 --> 01:12:00,849

information so that's the difference

1574

01:12:05,189 --> 01:12:03,369

between the natural explanation for

1575

01:12:07,439 --> 01:12:05,199

these old writings and the

1576

01:12:09,270 --> 01:12:07,449

extraterrestrials and you can really

1577

01:12:12,450 --> 01:12:09,280

differentiate we have too much

1578

01:12:18,540 --> 01:12:12,460

indications which are not explainable in

1579

01:12:20,339 --> 01:12:18,550

the old way yes no a lot of a lot of the

1580

01:12:22,649 --> 01:12:20,349

points there

1581

01:12:25,260 --> 01:12:22,659

I find all of this very interesting in

1582

01:12:27,899 --> 01:12:25,270

our country we have a lot of Native

1583

01:12:29,550 --> 01:12:27,909

American culture that claims you know

1584

01:12:32,280 --> 01:12:29,560

the Skype that they were involved with

1585

01:12:36,300 --> 01:12:32,290

the sky people you know through through

1586

01:12:38,669 --> 01:12:36,310

their history and all that which is also

1587

01:12:41,970 --> 01:12:38,679

quite fascinating and like you said I

1588

01:12:44,100 --> 01:12:41,980

think you said earlier that you know no

1589

01:12:46,430 --> 01:12:44,110

matter where it is on the planet people

1590

01:12:48,000 --> 01:12:46,440

seem to be talking about similar things

1591

01:12:50,310 --> 01:12:48,010

very anything

1592

01:12:52,260 --> 01:12:50,320

yeah and they had no contact together I

1593

01:12:55,260 --> 01:12:52,270

mean sometimes of years ago they had no

1594

01:12:57,510 --> 01:12:55,270

contact and a case like you know which

1595

01:13:00,600 --> 01:12:57,520

we found in heap a library I said I had

1596

01:13:03,750 --> 01:13:00,610

no contact with them with an Indian guy

1597

01:13:05,700 --> 01:13:03,760

like Arjuna but they both were right the

1598

01:13:08,069 --> 01:13:05,710

same thing they were up there they have

1599

01:13:10,229 --> 01:13:08,079

seen b---minus flying objects etc they

1600

01:13:12,510 --> 01:13:10,239

were in discussion they they were teach

1601

01:13:15,149 --> 01:13:12,520

you know in the Book of Enoch the

1602

01:13:18,569 --> 01:13:15,159

extraterrestrials even explained in anak

1603

01:13:21,450 --> 01:13:18,579

our solar system they say you see the

1604

01:13:23,040 --> 01:13:21,460

gigantic light up there it's like all

1605

01:13:26,250 --> 01:13:23,050

these little lights you see out there

1606

01:13:28,830 --> 01:13:26,260

each light is a Sun the different stars

1607

01:13:31,770 --> 01:13:28,840

and around these stars there are planets

1608

01:13:36,810 --> 01:13:31,780

surrounding the teacher says to you know

1609

01:13:40,500 --> 01:13:36,820

your planet surrounds the Sun in 365 day

1610

01:13:43,649 --> 01:13:40,510

point what point because we have all

1611

01:13:45,930 --> 01:13:43,659

four years we have a leap year but in

1612

01:13:47,729 --> 01:13:45,940

the Book of Enoch it was more precise

1613

01:13:50,040 --> 01:13:47,739

they don't speak about leak years they

1614

01:13:51,360 --> 01:13:50,050

speak about leak hours this is

1615

01:13:54,840 --> 01:13:51,370

astronomical

1616

01:13:56,610 --> 01:13:54,850

Meishan in Stone Age time don't forget

1617

01:13:59,670 --> 01:13:56,620

before the Great Flood

1618

01:14:02,160 --> 01:13:59,680

we had no science at that time they knew

1619

01:14:04,290 --> 01:14:02,170

nothing about how the moon has his light

1620

01:14:07,650 --> 01:14:04,300

from the Sun and how the planets are

1621

01:14:11,160 --> 01:14:07,660

surrounding our our Sun etc so this

1622

01:14:12,960 --> 01:14:11,170

informations you cannot put away Wow

1623

01:14:15,080 --> 01:14:12,970

really interesting and I think in your

1624

01:14:20,100 --> 01:14:15,090

book you reference the Dead Sea Scrolls

1625

01:14:23,430 --> 01:14:20,110

a little bit at one or in relation to

1626

01:14:25,470 --> 01:14:23,440

this am I getting that correct yes I

1627

01:14:27,720 --> 01:14:25,480

mean that sea scrolls are absolutely

1628

01:14:29,130 --> 01:14:27,730

fantastic you know in some of these Dead

1629

01:14:32,130 --> 01:14:29,140

Sea Scrolls we can't we find

1630

01:14:34,740 --> 01:14:32,140

confirmations for example one of these

1631

01:14:37,140 --> 01:14:34,750

Dead Sea Scrolls is called the Abraham

1632

01:14:39,630 --> 01:14:37,150

scroll there you learn that our

1633

01:14:42,510 --> 01:14:39,640

forefather Abraham went evening he was

1634

01:14:45,690 --> 01:14:42,520

sitting outside his tent then he hears a

1635

01:14:48,330 --> 01:14:45,700

noise about his head and he sees a light

1636

01:14:51,480 --> 01:14:48,340

coming down from the sky he is afraid

1637

01:14:54,900 --> 01:14:51,490

and stays up then he clearly says two

1638

01:14:57,780 --> 01:14:54,910

beings came out of an object and he says

1639

01:15:01,170 --> 01:14:57,790

they were not humans they did not

1640

01:15:03,030 --> 01:15:01,180

breathe like humans these two billing at

1641

01:15:06,240 --> 01:15:03,040

beings they speak already the language

1642

01:15:08,250 --> 01:15:06,250

of Abraham which is easy to explain by

1643

01:15:12,000 --> 01:15:08,260

the way these two being said to Abraham

1644

01:15:14,910 --> 01:15:12,010

if he wishes they would take him up and

1645

01:15:17,370 --> 01:15:14,920

show him the planet from a bow so

1646

01:15:20,640 --> 01:15:17,380

Abraham has courage enough he says yes I

1647

01:15:23,520 --> 01:15:20,650

can with them he describes they flew up

1648

01:15:25,680 --> 01:15:23,530

of course he has no technical word he

1649

01:15:28,260 --> 01:15:25,690

believes that he's going up to heaven he

1650

01:15:30,840 --> 01:15:28,270

comes to a place where doors opened

1651

01:15:34,260 --> 01:15:30,850

automatically he comes to into strange

1652

01:15:36,900 --> 01:15:34,270

gardens which strange a flowers and

1653

01:15:39,450 --> 01:15:36,910

vegetables and things then he comes to a

1654

01:15:41,970 --> 01:15:39,460

big room and in the center of the room

1655

01:15:44,310 --> 01:15:41,980

there was a chrome and on the chrome was

1656

01:15:46,950 --> 01:15:44,320

the highest shipping and when a dog

1657

01:15:49,320 --> 01:15:46,960

comes in there the highest stands up

1658

01:15:51,540 --> 01:15:49,330

from his drone works a few steps

1659

01:15:56,160 --> 01:15:51,550

throughout you know and shakes his hand

1660

01:15:59,220 --> 01:15:56,170

and called him welcome here now in

1661

01:16:02,220 --> 01:15:59,230

theology ology we believed us Enoch was

1662

01:16:05,279 --> 01:16:02,230

simply taken into heaven he was in

1663

01:16:07,620 --> 01:16:05,289

heaven he was near to Almighty God

1664

01:16:10,259 --> 01:16:07,630

it was the throne of the Almighty God

1665

01:16:12,720 --> 01:16:10,269

now again I'm a deep believer in God but

1666

01:16:15,359 --> 01:16:12,730

my God would never have stood up from

1667

01:16:18,060 --> 01:16:15,369

his throne worked a few step throughout

1668

01:16:21,899 --> 01:16:18,070

her mock shake his hand and asked

1669

01:16:24,870 --> 01:16:21,909

Sheamus welcome we miss understood his

1670

01:16:27,089 --> 01:16:24,880

takes its time we look at them from a

1671

01:16:29,790 --> 01:16:27,099

modern angle and that's what I try to do

1672

01:16:32,430 --> 01:16:29,800

so in the Dead Sea Scrolls we have many

1673

01:16:34,680 --> 01:16:32,440

of these incredible things then again by

1674

01:16:37,500 --> 01:16:34,690

the way we learn that we are the product

1675

01:16:41,000 --> 01:16:37,510

of a mutation one of the scrolls is

1676

01:16:43,919 --> 01:16:41,010

called the Lamech scroll who Islamic

1677

01:16:46,049 --> 01:16:43,929

according to the scroll Lamech was the

1678

01:16:49,109 --> 01:16:46,059

owner he was a rich man obviously the

1679

01:16:51,629 --> 01:16:49,119

order of hundreds of shapes and go cooks

1680

01:16:54,149 --> 01:16:51,639

and animals etc and he was away

1681

01:16:56,490 --> 01:16:54,159

sometimes for some months to feed their

1682

01:16:59,279 --> 01:16:56,500

animals where they find some green grass

1683

01:17:02,580 --> 01:16:59,289

after some months he returns to his home

1684

01:17:05,279 --> 01:17:02,590

tent and he found that his wife his wife

1685

01:17:08,250 --> 01:17:05,289

has had the name bathenosh just gave

1686

01:17:11,580 --> 01:17:08,260

birth to a child it was a wonderful boy

1687

01:17:14,609 --> 01:17:11,590

but Lamech said to his wife this can't

1688

01:17:17,040 --> 01:17:14,619

be my boy my child I was away too many

1689

01:17:18,689 --> 01:17:17,050

months and ultra-rich tried looks

1690

01:17:21,479 --> 01:17:18,699

completely different than the other

1691

01:17:24,689 --> 01:17:21,489

children I have already but his woman

1692

01:17:27,629 --> 01:17:24,699

bathenosh swears and says oh dear father

1693

01:17:30,089 --> 01:17:27,639

Lamech nobody touched me sexually she

1694

01:17:32,729 --> 01:17:30,099

even says not another guardian' not

1695

01:17:36,000 --> 01:17:32,739

another shepherd not the soldier nobody

1696

01:17:38,879 --> 01:17:36,010

touched me but here is the child Salaam

1697

01:17:41,160 --> 01:17:38,889

ik doesn't know what he should do he

1698

01:17:43,919 --> 01:17:41,170

goes to his own father that was the

1699

01:17:45,270 --> 01:17:43,929

biblical Methuselah he told me to tell a

1700

01:17:47,520 --> 01:17:45,280

story about the child

1701

01:17:50,839 --> 01:17:47,530

I met who's Allah even doesn't know what

1702

01:17:53,129 --> 01:17:50,849

to say so he himself goes to his father

1703

01:17:56,459 --> 01:17:53,139

which in the meantime is the grandfather

1704

01:17:59,520 --> 01:17:56,469

and this is no one else then Enoch

1705

01:18:02,189 --> 01:17:59,530

the same Enoch who was teach in the

1706

01:18:05,819 --> 01:18:02,199

mother spaceship Enoch says to his son

1707

01:18:09,149 --> 01:18:05,829

Methuselah go to your son Lamech tell

1708

01:18:13,350 --> 01:18:09,159

them that the guardians of the sky will

1709

01:18:16,740 --> 01:18:13,360

create a terrible flood all flesh on

1710

01:18:18,740 --> 01:18:16,750

this planet will be dead but we will

1711

01:18:21,410 --> 01:18:18,750

have a new generation

1712

01:18:23,960 --> 01:18:21,420

make suit up should accept this child as

1713

01:18:27,170 --> 01:18:23,970

his all one should kill him the ney

1714

01:18:30,230 --> 01:18:27,180

named Noah because Noah would be the

1715

01:18:33,170 --> 01:18:30,240

survivor at the janitor of the new human

1716

01:18:36,200 --> 01:18:33,180

race so in that case by the way they say

1717

01:18:39,890 --> 01:18:36,210

nobody touched button or button or

1718

01:18:42,110 --> 01:18:39,900

sexually they made the sexual contact

1719

01:18:44,300 --> 01:18:42,120

without touching her sexually

1720

01:18:46,640 --> 01:18:44,310

so in that case and this is one of the

1721

01:18:49,700 --> 01:18:46,650

dead cheese cold stars the beers ago we

1722

01:18:52,700 --> 01:18:49,710

learned that Noah was the product of an

1723

01:18:55,730 --> 01:18:52,710

artificial mutation and we all are the

1724

01:18:58,490 --> 01:18:55,740

descendants of Noah so we all have not

1725

01:19:01,780 --> 01:18:58,500

only human genes in us we have some

1726

01:19:05,870 --> 01:19:01,790

extraterrestrial genes in us too well

1727

01:19:08,570 --> 01:19:05,880

that that is interesting now how how do

1728

01:19:11,330 --> 01:19:08,580

you think you must hear of these people

1729

01:19:14,480 --> 01:19:11,340

thinking or speculating that there is

1730

01:19:16,760 --> 01:19:14,490

hybrid there's actually you know genetic

1731

01:19:19,010 --> 01:19:16,770

things going on currently

1732

01:19:22,490 --> 01:19:19,020

you know today what are your thoughts on

1733

01:19:25,220 --> 01:19:22,500

that is it I am sure that our genetics

1734

01:19:28,640 --> 01:19:25,230

they are so brilliant they could easily

1735

01:19:30,560 --> 01:19:28,650

prove this our genetics they have the

1736

01:19:33,980 --> 01:19:30,570

possibility with their technology to

1737

01:19:36,760 --> 01:19:33,990

find out if in our genome is something

1738

01:19:39,590 --> 01:19:36,770

which does not fit with to evolution but

1739

01:19:42,260 --> 01:19:39,600

even if some genetics know this and he

1740

01:19:43,670 --> 01:19:42,270

has found it by the way I told you I am

1741

01:19:46,310 --> 01:19:43,680

in touch with one or two of these

1742

01:19:48,410 --> 01:19:46,320

brilliant men and they say yes we could

1743

01:19:51,670 --> 01:19:48,420

prove this even if they knew it they

1744

01:19:55,010 --> 01:19:51,680

would not go to public because their own

1745

01:19:57,950 --> 01:19:55,020

scientific group would say it's too

1746

01:20:00,410 --> 01:19:57,960

early to confront the large public with

1747

01:20:00,860 --> 01:20:00,420

these stories we are not prepared for

1748

01:20:04,760 --> 01:20:00,870

this

1749

01:20:09,980 --> 01:20:04,770

it's like UFOs the society has to change

1750

01:20:13,070 --> 01:20:09,990

before yes yes I I do I do agree with

1751

01:20:14,750 --> 01:20:13,080

that now what about one of the things

1752

01:20:16,430 --> 01:20:14,760

that always fascinated me in this story

1753

01:20:19,940 --> 01:20:16,440

basically you were just speaking about

1754

01:20:23,630 --> 01:20:19,950

also is the Nazca lines I mean they just

1755

01:20:27,350 --> 01:20:23,640

they make no sense except to be seen you

1756

01:20:30,380 --> 01:20:27,360

know from the air you see not Scott is a

1757

01:20:31,530 --> 01:20:30,390

story on which I really nerve me every

1758

01:20:33,770 --> 01:20:31,540

time

1759

01:20:36,090 --> 01:20:33,780

practically every year on some TVs

1760

01:20:39,120 --> 01:20:36,100

television station you see a so-called

1761

01:20:41,940 --> 01:20:39,130

documentary and then you see that it is

1762

01:20:44,820 --> 01:20:41,950

very very easy to create these figures

1763

01:20:47,910 --> 01:20:44,830

of Nazca you simply have to scratch away

1764

01:20:50,520 --> 01:20:47,920

the surface of the desert because the

1765

01:20:52,860 --> 01:20:50,530

desert surface is brown soon is this

1766

01:20:56,580 --> 01:20:52,870

crash away with your shoes a bright

1767

01:20:59,190 --> 01:20:56,590

shining surface comes up so you just

1768

01:21:01,560 --> 01:20:59,200

have to scratch away the brown stones

1769

01:21:04,020 --> 01:21:01,570

and the sand away and then it's easy to

1770

01:21:06,720 --> 01:21:04,030

create these figures like the fishes the

1771

01:21:09,690 --> 01:21:06,730

monkeys the spigen spiders the

1772

01:21:12,900 --> 01:21:09,700

hummingbird and so on and this is true

1773

01:21:15,720 --> 01:21:12,910

it is really easy to make it this way

1774

01:21:18,090 --> 01:21:15,730

but the problem is they on television

1775

01:21:20,970 --> 01:21:18,100

documentary they only show these figures

1776
01:21:24,420 --> 01:21:20,980
they do not show these gigantic lines

1777
01:21:26,970 --> 01:21:24,430
the gigantic climb starting abruptly

1778
01:21:29,850 --> 01:21:26,980
ending about me the biggest one is three

1779
01:21:33,480 --> 01:21:29,860
point eight kilometers long some of

1780
01:21:36,600 --> 01:21:33,490
these lines are cut our mountains which

1781
01:21:38,700 --> 01:21:36,610
definitely are cut off artificially you

1782
01:21:41,760 --> 01:21:38,710
don't see these pictures on television

1783
01:21:44,040 --> 01:21:41,770
they simply show you the figures the

1784
01:21:47,370 --> 01:21:44,050
average people say oh there are no

1785
01:21:51,120 --> 01:21:47,380
mysteries they lie with the pictures I

1786
01:21:54,150 --> 01:21:51,130
have in my ramen my last book I have

1787
01:21:56,370 --> 01:21:54,160
shown 40 pictures about Nazca which have

1788
01:21:58,920 --> 01:21:56,380

never been published when you see this

1789

01:22:01,230 --> 01:21:58,930

you're simply shocked you think why are

1790

01:22:04,410 --> 01:22:01,240

they never showing us these pictures oh

1791

01:22:08,490 --> 01:22:04,420

it's the same question again the public

1792

01:22:10,470 --> 01:22:08,500

could be shocked well what would you

1793

01:22:14,730 --> 01:22:10,480

think that the significance of those

1794

01:22:17,100 --> 01:22:14,740

lines could possibly be well I mean what

1795

01:22:21,500 --> 01:22:17,110

have you speculated about that yeah

1796

01:22:25,050 --> 01:22:21,510

these are signs for the flying machines

1797

01:22:26,670 --> 01:22:25,060

I mean yeah in it in Ethiopia there is

1798

01:22:29,370 --> 01:22:26,680

an old book called the cave Venegas

1799

01:22:31,650 --> 01:22:29,380

where you learn the things Salomon had

1800

01:22:33,810 --> 01:22:31,660

some flying machines it was even said

1801
01:22:35,910 --> 01:22:33,820
that thing Salama had some maps of

1802
01:22:38,550 --> 01:22:35,920
different countries worldwide over the

1803
01:22:41,430 --> 01:22:38,560
ocean etc then I just mentioned before

1804
01:22:44,160 --> 01:22:41,440
Vimanas in old Indian they were flying

1805
01:22:45,030 --> 01:22:44,170
around the earth so some of these flying

1806
01:22:47,970 --> 01:22:45,040
machines

1807
01:22:50,520 --> 01:22:47,980
was flying over Nazca some of the humans

1808
01:22:53,010 --> 01:22:50,530
that Indians in Nazca they saw these

1809
01:22:55,230 --> 01:22:53,020
flying beings they could have understand

1810
01:22:57,960 --> 01:22:55,240
them maybe from time to time these

1811
01:23:00,180 --> 01:22:57,970
flying beings made some languages some

1812
01:23:03,090 --> 01:23:00,190
some landings give the natural but the

1813
01:23:05,820 --> 01:23:03,100

natives some some whatever some gifts

1814

01:23:08,280 --> 01:23:05,830

and the nut heaps wished that these

1815

01:23:10,530 --> 01:23:08,290

flying machines will should come back to

1816

01:23:13,320 --> 01:23:10,540

them so they're not Eve start to make

1817

01:23:15,690 --> 01:23:13,330

gigantic signs in the ground of such

1818

01:23:18,180 --> 01:23:15,700

over dimensional size that you can see

1819

01:23:19,920 --> 01:23:18,190

them only from the earth so it was the

1820

01:23:22,800 --> 01:23:19,930

natives who made the lines and the

1821

01:23:26,850 --> 01:23:22,810

figures not yet retractors that was my

1822

01:23:28,580 --> 01:23:26,860

speculation Wow okay I want to read a

1823

01:23:32,070 --> 01:23:28,590

quote you know this kind of goes back to

1824

01:23:37,410 --> 01:23:32,080

UFOs ETS etc here's a quote from your

1825

01:23:41,160 --> 01:23:37,420

book that I like quite a bit and it goes

1826
01:23:44,280 --> 01:23:41,170
quote who is playing with us why do we

1827
01:23:47,190 --> 01:23:44,290
have to put up with it are they a tease

1828
01:23:49,830 --> 01:23:47,200
and are they our et's really on earth

1829
01:23:52,440 --> 01:23:49,840
why could they do what they do with us

1830
01:23:55,140 --> 01:23:52,450
but clearly refrain from doing so

1831
01:23:55,830 --> 01:23:55,150
unquote I love that that phrase that's

1832
01:23:58,080 --> 01:23:55,840
not good

1833
01:24:01,050 --> 01:23:58,090
they refrain because they don't want to

1834
01:24:03,810 --> 01:24:01,060
shock us we are part of them they know

1835
01:24:06,180 --> 01:24:03,820
our reaction perfectly they know how we

1836
01:24:08,970 --> 01:24:06,190
react they know that this planet would

1837
01:24:11,550 --> 01:24:08,980
fell into a shock I just mentioned

1838
01:24:14,070 --> 01:24:11,560

before the different religions they are

1839

01:24:16,530 --> 01:24:14,080

not ready to accept such thing our

1840

01:24:18,840 --> 01:24:16,540

society is not ready to accept extra

1841

01:24:21,480 --> 01:24:18,850

precious again we have to change this

1842

01:24:23,690 --> 01:24:21,490

period of time that's what I try to do

1843

01:24:27,750 --> 01:24:23,700

with my books with my speeches in public

1844

01:24:31,500 --> 01:24:27,760

uh-huh now I know also you talked about

1845

01:24:33,630 --> 01:24:31,510

Stephen Hawking and Yuri Milner on their

1846

01:24:36,690 --> 01:24:33,640

space travel project spending all that

1847

01:24:39,630 --> 01:24:36,700

money and said you as well and the

1848

01:24:41,880 --> 01:24:39,640

thoughts that what are they doing with

1849

01:24:44,640 --> 01:24:41,890

all that when you know something is

1850

01:24:47,580 --> 01:24:44,650

coming here and I think that is that's a

1851
01:24:49,670 --> 01:24:47,590
valid point I mean there's so much

1852
01:24:52,910 --> 01:24:49,680
evidence that something is visiting us

1853
01:24:55,170 --> 01:24:52,920
why do people like Stephen Hawking and

1854
01:24:58,050 --> 01:24:55,180
someone with the resources of Yuri

1855
01:24:58,929 --> 01:24:58,060
Milner get involved in what's coming

1856
01:25:00,939 --> 01:24:58,939
here

1857
01:25:03,459 --> 01:25:00,949
Stephen Haskins is one of the most

1858
01:25:06,909 --> 01:25:03,469
brilliant astrophysicists on this planet

1859
01:25:09,580 --> 01:25:06,919
and he has a responsibility and I think

1860
01:25:12,489 --> 01:25:09,590
even if he knew definitely that

1861
01:25:15,179 --> 01:25:12,499
something like UFOs exist he would not

1862
01:25:18,459 --> 01:25:15,189
go to public he has a response

1863
01:25:20,830 --> 01:25:18,469

responsibility like like the Pope they

1864

01:25:23,529 --> 01:25:20,840

would not go to public before a society

1865

01:25:25,209 --> 01:25:23,539

is not prepare other ways they are even

1866

01:25:28,299 --> 01:25:25,219

if they are brilliant sandy they are

1867

01:25:30,399 --> 01:25:28,309

ridiculed they are not taken facilities

1868

01:25:33,729 --> 01:25:30,409

anymore so it has to go step by step

1869

01:25:37,049 --> 01:25:33,739

very slowly fools like Erich von Daniken

1870

01:25:40,330 --> 01:25:37,059

like me we can publish these things

1871

01:25:43,089 --> 01:25:40,340

scientists must be very very careful to

1872

01:25:45,459 --> 01:25:43,099

publish these things and along those

1873

01:25:48,819 --> 01:25:45,469

lines I know Carl Sagan you know

1874

01:25:51,099 --> 01:25:48,829

criticized you I'm sure you you get a

1875

01:25:53,229 --> 01:25:51,109

lot of that you've had a lot of that how

1876
01:25:57,790 --> 01:25:53,239
have you dealt with that you just ignore

1877
01:25:59,319 --> 01:25:57,800
it and no no I course I suffered in the

1878
01:26:00,790 --> 01:25:59,329
beginning I suffered in the beginning

1879
01:26:03,069 --> 01:26:00,800
when I was young after Chariots of the

1880
01:26:07,419 --> 01:26:03,079
Gods I was very serious in the meantime

1881
01:26:08,290 --> 01:26:07,429
I'm 83 years old and I really I love it

1882
01:26:11,469 --> 01:26:08,300
it doesn't matter

1883
01:26:13,479 --> 01:26:11,479
I love discussions I lost critics and I

1884
01:26:17,199 --> 01:26:13,489
love all these discussions with my

1885
01:26:19,719 --> 01:26:17,209
critics because in my field I know more

1886
01:26:22,449 --> 01:26:19,729
than they know they know much more than

1887
01:26:25,149 --> 01:26:22,459
I in their field but in my field I know

1888
01:26:28,179 --> 01:26:25,159

not more so it's always a question how

1889

01:26:30,909 --> 01:26:28,189

do we sit together are we listening when

1890

01:26:33,669 --> 01:26:30,919

to each other or are we interrupting are

1891

01:26:35,799 --> 01:26:33,679

we honest are we telling the truth and

1892

01:26:37,569 --> 01:26:35,809

in every discussions with critics and

1893

01:26:39,669 --> 01:26:37,579

scientists I am happy

1894

01:26:42,159 --> 01:26:39,679

but after two or three years the other

1895

01:26:44,349 --> 01:26:42,169

part says well we didn't know about that

1896

01:26:49,689 --> 01:26:44,359

we never hear or read about these texts

1897

01:26:52,479 --> 01:26:49,699

and so on by the way just that some 45

1898

01:26:54,459 --> 01:26:52,489

years ago I was in the United States I

1899

01:26:56,830 --> 01:26:54,469

don't know was it ABC or whatever in one

1900

01:26:59,949 --> 01:26:56,840

of these TV discussions together with

1901

01:27:01,959 --> 01:26:59,959

Carl Sagan and with Alan Hynek and I was

1902

01:27:04,779 --> 01:27:01,969

really among them yes

1903

01:27:07,299 --> 01:27:04,789

another Hynek I remember he was rather a

1904

01:27:09,279 --> 01:27:07,309

little in favor of UFOs at least a

1905

01:27:11,949 --> 01:27:09,289

little he was a supporter well carve

1906

01:27:12,759 --> 01:27:11,959

Sagan was against it he said no Carl

1907

01:27:15,459 --> 01:27:12,769

Sagan said listen

1908

01:27:17,680 --> 01:27:15,469

if somebody would be here and would

1909

01:27:19,870 --> 01:27:17,690

really observe our planet they would

1910

01:27:22,660 --> 01:27:19,880

definitely would have made diplomatic

1911

01:27:25,359 --> 01:27:22,670

contact with us and then Alan Hynek said

1912

01:27:28,739 --> 01:27:25,369

to his to his friends car segment but

1913

01:27:31,229 --> 01:27:28,749

yeah how we do not make diplomatic

1914

01:27:35,020 --> 01:27:31,239

contacts with chickens

1915

01:27:37,810 --> 01:27:35,030

that's true and now you bring you talk

1916

01:27:40,810 --> 01:27:37,820

about ants in your book you know the

1917

01:27:42,549 --> 01:27:40,820

13,000 species in the world and you know

1918

01:27:45,189 --> 01:27:42,559

what are our connections do ants know

1919

01:27:47,709 --> 01:27:45,199

who we are really

1920

01:27:50,729 --> 01:27:47,719

I like the way you put that yeah of

1921

01:27:53,529 --> 01:27:50,739

course I mean we have ant hills here and

1922

01:27:55,239 --> 01:27:53,539

hundreds and thousands of amperes and we

1923

01:27:57,580 --> 01:27:55,249

know some of the ant families they are

1924

01:28:00,669 --> 01:27:57,590

dangerous they destroy each other

1925

01:28:03,549 --> 01:28:00,679

product they make war they kill each

1926

01:28:06,580 --> 01:28:03,559

other among and as terrible societies

1927

01:28:08,589 --> 01:28:06,590

now we know this we learned it but we

1928

01:28:10,899 --> 01:28:08,599

will never interfere what do we care

1929

01:28:13,930 --> 01:28:10,909

about and this is their problem

1930

01:28:16,479 --> 01:28:13,940

we couldn't infer interfere maybe our

1931

01:28:18,729 --> 01:28:16,489

scientists would find a possibility to

1932

01:28:20,859 --> 01:28:18,739

learn the language of ants but we don't

1933

01:28:23,200 --> 01:28:20,869

do it it's not our business

1934

01:28:25,209 --> 01:28:23,210

it's just ants and maybe the

1935

01:28:27,850 --> 01:28:25,219

extraterrestrials look at us at the same

1936

01:28:30,160 --> 01:28:27,860

situation we have a politic some part

1937

01:28:33,220 --> 01:28:30,170

which goes crazy sometimes in our

1938

01:28:35,950 --> 01:28:33,230

politic we are afraid that that there is

1939

01:28:37,569 --> 01:28:35,960

a next war coming et cetera so he could

1940

01:28:40,239 --> 01:28:37,579

say but the extraterrestrials they

1941

01:28:43,359 --> 01:28:40,249

observers why don't they stop this well

1942

01:28:45,609 --> 01:28:43,369

they looked at us as we look at ants the

1943

01:28:48,879 --> 01:28:45,619

society has to be ready and then they

1944

01:28:51,310 --> 01:28:48,889

make a contact that's right there was

1945

01:28:53,140 --> 01:28:51,320

some article I was looking for it now I

1946

01:28:55,479 --> 01:28:53,150

can't seem to find it right now but

1947

01:28:58,180 --> 01:28:55,489

there was an early article that Carl

1948

01:29:01,229 --> 01:28:58,190

Sagan wrote I think he possibly could

1949

01:29:04,089 --> 01:29:01,239

have still been in school at the time

1950

01:29:06,520 --> 01:29:04,099

that kind of goes against what his

1951

01:29:09,790 --> 01:29:06,530

stance was later on I mean he he seems

1952

01:29:11,680 --> 01:29:09,800

much more accepting of the fact that you

1953

01:29:14,919 --> 01:29:11,690

know aliens could be traveling in space

1954

01:29:18,850 --> 01:29:14,929

and you know exploring and stuff like

1955

01:29:21,370 --> 01:29:18,860

that but I know that you know I've heard

1956

01:29:24,759 --> 01:29:21,380

rumors that with conversations between

1957

01:29:26,410 --> 01:29:24,769

him and Hynek that he would say that he

1958

01:29:26,560 --> 01:29:26,420

just can't you know he believes more

1959

01:29:28,000 --> 01:29:26,570

than

1960

01:29:30,459 --> 01:29:28,010

he talks about but he can't talk about

1961

01:29:34,300 --> 01:29:30,469

it for his career it's exactly yes

1962

01:29:35,140 --> 01:29:34,310

that's exactly true and III field always

1963

01:29:37,149 --> 01:29:35,150

like this

1964

01:29:39,970 --> 01:29:37,159

but how Sagan I mean he was a brilliant

1965

01:29:43,330 --> 01:29:39,980

astrophysics brilliant astronomer and he

1966

01:29:46,450 --> 01:29:43,340

didn't like it that a lay man a known

1967

01:29:49,359 --> 01:29:46,460

scientific men like Erich von Daniken

1968

01:29:51,220 --> 01:29:49,369

who was earlier a waiter at the cook

1969

01:29:55,209 --> 01:29:51,230

that Erich von däniken comes up with

1970

01:29:57,879 --> 01:29:55,219

these things so he was a way in front of

1971

01:29:59,709 --> 01:29:57,889

me if I would have been a scientist the

1972

01:30:02,740 --> 01:29:59,719

situation would be probably different

1973

01:30:06,189 --> 01:30:02,750

but at that time he had difficulty to

1974

01:30:09,310 --> 01:30:06,199

accept that a non-scientific man comes

1975

01:30:11,680 --> 01:30:09,320

up with these stories right right and

1976

01:30:15,520 --> 01:30:11,690

the last or I think it's toward the end

1977

01:30:17,649 --> 01:30:15,530

of your book you talk about again I know

1978

01:30:20,020 --> 01:30:17,659

Stephen Hawking has commented on this

1979

01:30:22,930 --> 01:30:20,030

but the future of artificial

1980

01:30:25,300 --> 01:30:22,940

intelligence and you know one of the

1981

01:30:27,240 --> 01:30:25,310

questions I have for you on in regard in

1982

01:30:30,700 --> 01:30:27,250

regarding that do you think that

1983

01:30:32,800 --> 01:30:30,710

artificial intelligence if there has

1984

01:30:35,290 --> 01:30:32,810

been discovered I'm sure if there are

1985

01:30:36,819 --> 01:30:35,300

advanced civilizations out there what

1986

01:30:39,430 --> 01:30:36,829

type of effects do you think that would

1987

01:30:43,120 --> 01:30:39,440

have would have on other civilizations

1988

01:30:46,300 --> 01:30:43,130

as well as ourselves well maybe we are

1989

01:30:48,700 --> 01:30:46,310

observed right now or some hundreds of

1990

01:30:50,680 --> 01:30:48,710

years since some of these with some

1991

01:30:53,050 --> 01:30:50,690

artificial intelligence maybe there are

1992

01:30:55,930 --> 01:30:53,060

space probes surrounding our solar

1993

01:30:58,569 --> 01:30:55,940

system or our planet with artificial

1994

01:31:00,310 --> 01:30:58,579

intelligence they would react they would

1995

01:31:02,680 --> 01:31:00,320

calculate they would they would they

1996

01:31:04,870 --> 01:31:02,690

would learn or whatever but even

1997

01:31:06,850 --> 01:31:04,880

artificial science in a visual

1998

01:31:08,530 --> 01:31:06,860

intelligence in the far future will

1999

01:31:11,620 --> 01:31:08,540

never be human and artificial

2000

01:31:15,040 --> 01:31:11,630

intelligence they may calculate in a way

2001
01:31:17,229 --> 01:31:15,050
so fast that we can never follow they

2002
01:31:19,419 --> 01:31:17,239
may see things so fast or learn

2003
01:31:21,540 --> 01:31:19,429
languages so fast that humans could

2004
01:31:24,729 --> 01:31:21,550
never follow but they have no feelings

2005
01:31:28,000 --> 01:31:24,739
you know where every human is every

2006
01:31:30,640 --> 01:31:28,010
human is unique every computer is not

2007
01:31:33,819 --> 01:31:30,650
unique every computer can copy the other

2008
01:31:35,850 --> 01:31:33,829
computer but the computer has no feeling

2009
01:31:39,600 --> 01:31:35,860
he has not something like love or

2010
01:31:43,229 --> 01:31:39,610
Chelsea or r2 being proud or too

2011
01:31:46,709 --> 01:31:43,239
feed or original organs or sex all these

2012
01:31:49,080 --> 01:31:46,719
even if artificial intelligence will

2013
01:31:53,250 --> 01:31:49,090

come and it will come in the future

2014

01:31:57,000 --> 01:31:53,260

it is never human intelligence um and

2015

01:31:58,919 --> 01:31:57,010

what what do you think about I think it

2016

01:32:04,590 --> 01:31:58,929

was there's been a few people that have

2017

01:32:06,770 --> 01:32:04,600

stated Elon Musk and also Stephen

2018

01:32:08,729 --> 01:32:06,780

Hawking have both speculated that

2019

01:32:10,709 --> 01:32:08,739

artificial intelligence could actually

2020

01:32:11,910 --> 01:32:10,719

be the end of the human race

2021

01:32:17,459 --> 01:32:11,920

what do you where do your thoughts on

2022

01:32:18,030 --> 01:32:17,469

that no now I think III Elisa's my

2023

01:32:21,810 --> 01:32:18,040

feeling

2024

01:32:24,090 --> 01:32:21,820

III think never humans are unique and

2025

01:32:26,520 --> 01:32:24,100

humans will multiply and humans will

2026

01:32:28,260 --> 01:32:26,530

learn humans will go out in the universe

2027

01:32:30,479 --> 01:32:28,270

you will humans will colonize other

2028

01:32:33,300 --> 01:32:30,489

planets humans will make contact with

2029

01:32:35,000 --> 01:32:33,310

other intelligent forms of life humans

2030

01:32:37,979 --> 01:32:35,010

will have other feelings and so

2031

01:32:39,750 --> 01:32:37,989

artificial intelligence no artificial

2032

01:32:42,359 --> 01:32:39,760

intelligence just that's the basis

2033

01:32:44,729 --> 01:32:42,369

mathematics and not feelings that's the

2034

01:32:46,560 --> 01:32:44,739

difference yeah you know it's funny a

2035

01:32:51,240 --> 01:32:46,570

lot of people that have claimed to have

2036

01:32:53,760 --> 01:32:51,250

had encounters with with grace say that

2037

01:32:55,740 --> 01:32:53,770

they're very robotic like you know no

2038

01:32:57,600 --> 01:32:55,750

feelings and all that you know these are

2039

01:32:58,979 --> 01:32:57,610

the these two accounts that people have

2040

01:33:00,330 --> 01:32:58,989

talked about for a number of years it's

2041

01:33:02,310 --> 01:33:00,340

not like you know one or two

2042

01:33:04,020 --> 01:33:02,320

yeah but of course then we have

2043

01:33:05,910 --> 01:33:04,030

different different extra treasures

2044

01:33:07,520 --> 01:33:05,920

maybe we have a group of artificial

2045

01:33:10,680 --> 01:33:07,530

intelligence we have no feeling for

2046

01:33:13,919 --> 01:33:10,690

absolutely nonhumans but the ones who

2047

01:33:16,500 --> 01:33:13,929

have feelings they must be different at

2048

01:33:20,910 --> 01:33:16,510

least I have to run away here okay to go

2049

01:33:23,189 --> 01:33:20,920

to a place sure I understand Erica it's

2050

01:33:26,129 --> 01:33:23,199

been a real pleasure I've really enjoyed

2051
01:33:27,720 --> 01:33:26,139
talking once again and good luck with

2052
01:33:29,910 --> 01:33:27,730
your book and I know you're coming to

2053
01:33:31,890 --> 01:33:29,920
the United States of this summer I

2054
01:33:34,109 --> 01:33:31,900
believe you're coming to in July or June

2055
01:33:36,689 --> 01:33:34,119
or something right yes I have different

2056
01:33:39,300 --> 01:33:36,699
public appearances including at the

2057
01:33:41,459 --> 01:33:39,310
ancient alien conference and including

2058
01:33:44,129 --> 01:33:41,469
at some some universities but I don't

2059
01:33:46,470 --> 01:33:44,139
have to date now in my head but I'm

2060
01:33:48,660 --> 01:33:46,480
always proud and happy to be in the

2061
01:33:51,470 --> 01:33:48,670
United States because the United States

2062
01:33:54,160 --> 01:33:51,480
are still the greatest and most

2063
01:33:58,960 --> 01:33:54,170

scientific nation in the world

2064

01:34:00,910 --> 01:33:58,970

great great and your website is is is is

2065

01:34:02,800 --> 01:34:00,920

posted in our show notes if anyone wants

2066

01:34:04,090 --> 01:34:02,810

to visit it's a wonderful website I

2067

01:34:06,520 --> 01:34:04,100

don't know who made that for you but

2068

01:34:11,770 --> 01:34:06,530

it's very nice really liked that a lot

2069

01:34:13,330 --> 01:34:11,780

I have never seen it I believe it are

2070

01:34:15,520 --> 01:34:13,340

you thanks so much

2071

01:34:17,440 --> 01:34:15,530

I really promote thank you it's a

2072

01:34:18,760 --> 01:34:17,450

pleasure to talk to you and we usually

2073

01:34:20,950 --> 01:34:18,770

will have another discussion again

2074

01:34:23,050 --> 01:34:20,960

somewhere in the future I hope so you

2075

01:34:25,960 --> 01:34:23,060

take care okay bye

2076

01:34:29,880 --> 01:34:25,970

thank you for Talia alright alright

2077

01:34:35,620 --> 01:34:29,890

everyone so that is it for well actually

2078

01:34:39,700 --> 01:34:35,630

that next week the guest is a brad he is

2079

01:34:43,740 --> 01:34:39,710

the director producer of love and

2080

01:34:50,020 --> 01:34:43,750

saucers a very I think some independent

2081

01:34:54,610 --> 01:34:50,030

movie conference of that he went to

2082

01:34:56,860 --> 01:34:54,620

called it the weirdest movie ever so but

2083

01:34:59,650 --> 01:34:56,870

it is it is interesting too it's it's

2084

01:35:02,710 --> 01:34:59,660

about a guy that claims that he has had

2085

01:35:05,140 --> 01:35:02,720

abductions from an early time so that is

2086

01:35:07,540 --> 01:35:05,150

next week and that's again is at the

2087

01:35:09,280 --> 01:35:07,550

regular time and thank you so much for

2088

01:35:11,410 --> 01:35:09,290

listening I remember anyone can support

2089

01:35:14,530 --> 01:35:11,420

the show and all you have to do is go to

2090

01:35:16,270 --> 01:35:14,540

port podcast UFO calm and you'll see the

2091

01:35:18,370 --> 01:35:16,280

subscribed and support the show and the

2092

01:35:20,170 --> 01:35:18,380

menu bar there and I'd like to thank a

2093

01:35:22,870 --> 01:35:20,180

few people first of all Alejandro Rojas

2094

01:35:26,530 --> 01:35:22,880

for helping out with the news and our

2095

01:35:28,690 --> 01:35:26,540

guests of course Erich von däniken Peggy

2096

01:35:31,240 --> 01:35:28,700

for helping us with a Facebook page you

2097

01:35:33,430 --> 01:35:31,250

can like us on Facebook page I think we

2098

01:35:36,280 --> 01:35:33,440

have 23 or 24 thousand people on that

2099

01:35:38,500 --> 01:35:36,290

always she's posting Peggy's posting

2100

01:35:42,130 --> 01:35:38,510

interesting stories every day on that

2101

01:35:44,740 --> 01:35:42,140

and back to Alejandro open minds dot TV

2102

01:35:45,940 --> 01:35:44,750

all the news we talked about a lot of

2103

01:35:48,880 --> 01:35:45,950

times you can find right there on that
