

2018 UFO CONGRESS

1
00:00:24,220 --> 00:00:10,180

[Music]

2
00:00:29,660 --> 00:00:27,200

hello and welcome to the show

3
00:00:34,220 --> 00:00:29,670

and it's been a long awaited show here

4
00:00:35,870 --> 00:00:34,230

in Phoenix out of the snow snow is left

5
00:00:37,940 --> 00:00:35,880

behind and I actually got out this year

6
00:00:41,299 --> 00:00:37,950

last year I don't know if you remember I

7
00:00:43,610 --> 00:00:41,309

plan to come out here and we had six

8
00:00:44,180 --> 00:00:43,620

snowstorms in ten days you remember that

9
00:00:47,260 --> 00:00:44,190

don't you

10
00:00:50,450 --> 00:00:47,270

and flight was canceled but I actually

11
00:00:51,860 --> 00:00:50,460

booked the flight almost a week early

12
00:00:55,700 --> 00:00:51,870

just to make sure that didn't happen

13
00:00:58,250 --> 00:00:55,710

I'm here and I am here with a full round

14

00:01:01,060 --> 00:00:58,260

table and you know I'm gonna confuse

15

00:01:05,350 --> 00:01:01,070

everyone's names so I'm just gonna have

16

00:01:11,840 --> 00:01:05,360

everyone just say their name and the mic

17

00:01:18,380 --> 00:01:11,850

I'm Dean Alioto dealmaker I'm dr. Bob

18

00:01:20,090 --> 00:01:18,390

hypnotherapist Travis Walton Jim Lowe

21

00:01:33,499 --> 00:01:30,740

00:01:35,199 --> 00:01:33,509

heidi GAD I'm just a girl that does a

23

00:01:37,550 --> 00:01:35,209

radio show too

24

00:01:39,380 --> 00:01:37,560

I'm Kevin Gausman I do that show with

25

00:01:41,779 --> 00:01:39,390

her wow do you hear those radio voices

26

00:01:45,130 --> 00:01:41,789

just then those were good I'm Jennifer

27

00:01:50,840 --> 00:01:48,230

I'm Stanton Friedman nuclear physicist

28

00:01:52,580 --> 00:01:50,850

ufologist all right well Stan go ahead

29

00:01:53,960 --> 00:01:52,590

and hold on to the mic thank you well

30

00:01:55,880 --> 00:01:53,970

first of all thank you all so much for

31

00:01:57,410 --> 00:01:55,890

coming I really appreciate it and you

32

00:01:59,540 --> 00:01:57,420

know when you do these types of shows I

33

00:02:01,790 --> 00:01:59,550

didn't know if there'd be like no one

34

00:02:03,410 --> 00:02:01,800

showing up or one I think the first year

35

00:02:05,089 --> 00:02:03,420

you've always showed up thank you very

36

00:02:08,749 --> 00:02:05,099

much for that you and you and Cathy and

37

00:02:11,029 --> 00:02:08,759

you I think we did that can main yeah

38

00:02:11,540 --> 00:02:11,039

yeah and Travis always shows up Thank

39

00:02:14,449 --> 00:02:11,550

You Travis

40

00:02:16,190 --> 00:02:14,459

so anyway I'm real excited to have this

41

00:02:19,610 --> 00:02:16,200

great Roundtable some people brought in

42

00:02:23,690 --> 00:02:19,620

some questions and Stan why not just ask

43

00:02:25,210 --> 00:02:23,700

you one of these questions in because it

44

00:02:28,250 --> 00:02:25,220

kind of has to do with the DoD

45

00:02:30,559 --> 00:02:28,260

announcement back the New York Times

46

00:02:32,539 --> 00:02:30,569

article I shouldn't say that came out so

47

00:02:33,400 --> 00:02:32,549

a question came in if a mass sighting

48

00:02:35,680 --> 00:02:33,410

event

49

00:02:37,480 --> 00:02:35,690

the Phoenix lights occurred in present

50

00:02:39,660 --> 00:02:37,490

time how different do you think the

51
00:02:44,020 --> 00:02:39,670
government and media response would be

52
00:02:45,430 --> 00:02:44,030
due to the post DoD announcement well I

53
00:02:47,590 --> 00:02:45,440
don't know because I don't know what's

54
00:02:49,720 --> 00:02:47,600
behind the DoD announcement I don't know

55
00:02:51,820 --> 00:02:49,730
whether somebody pushed a button and

56
00:02:53,860 --> 00:02:51,830
said it's time or whether they're

57
00:02:55,540 --> 00:02:53,870
anticipating something else happening in

58
00:02:59,730 --> 00:02:55,550
the very near future which will make it

59
00:03:02,620 --> 00:02:59,740
all clear I have no idea so I'm I'm

60
00:03:04,270 --> 00:03:02,630
really excited about the possibility if

61
00:03:07,780 --> 00:03:04,280
something is full happening it's about

62
00:03:10,660 --> 00:03:07,790
time 70 years plus yours is long enough

63
00:03:13,540 --> 00:03:10,670

on the other hand who can judge what's

64

00:03:15,610 --> 00:03:13,550

going on I was very impressed with the

65

00:03:19,360 --> 00:03:15,620

quality of the people who stood up

66

00:03:20,140 --> 00:03:19,370

publicly their titles were impressive to

67

00:03:24,700 --> 00:03:20,150

say the least

68

00:03:26,980 --> 00:03:24,710

right so I'm in a waiting mode yeah yeah

69

00:03:29,890 --> 00:03:26,990

does anyone else care to comment on that

70

00:03:32,980 --> 00:03:29,900

particular question or since we already

71

00:03:35,080 --> 00:03:32,990

started out on the DoD New York Times

72

00:03:36,310 --> 00:03:35,090

article does anyone have any thing they

73

00:03:41,920 --> 00:03:36,320

want to talk about in regards to that

74

00:03:43,570 --> 00:03:41,930

Jason well with regards to how would the

75

00:03:46,000 --> 00:03:43,580

response be to a Phoenix lights type

76

00:03:48,060 --> 00:03:46,010

incident today it's always an

77

00:03:51,310 --> 00:03:48,070

interesting thing to contemplate because

78

00:03:54,960 --> 00:03:51,320

we would think that you know more people

79

00:03:57,699 --> 00:03:54,970

are looking to the skies and and also

80

00:04:00,630 --> 00:03:57,709

considering the possibility of things

81

00:04:03,699 --> 00:04:00,640

like that happening but we look at the

82

00:04:05,680 --> 00:04:03,709

incredibly you know earth-shattering

83

00:04:08,050 --> 00:04:05,690

things that do happen every single day

84

00:04:10,330 --> 00:04:08,060

and how quickly they disappear from the

85

00:04:12,220 --> 00:04:10,340

news from the headlines because we have

86

00:04:15,160 --> 00:04:12,230

short attention spans yes you know

87

00:04:18,099 --> 00:04:15,170

things are hot news items this week and

88

00:04:20,710 --> 00:04:18,109

maybe last even monumental things happen

89

00:04:22,960 --> 00:04:20,720

and last for maybe a week and then we're

90

00:04:25,270 --> 00:04:22,970

on to the next story so even if there

91

00:04:28,450 --> 00:04:25,280

was a Phoenix lights type incident today

92

00:04:32,680 --> 00:04:28,460

I think it would be incredible it would

93

00:04:35,290 --> 00:04:32,690

be every headline around the world but

94

00:04:36,730 --> 00:04:35,300

then gone the next week yeah yeah before

95

00:04:38,740 --> 00:04:36,740

this you go ahead and take that but

96

00:04:40,210 --> 00:04:38,750

before you write you took before we I

97

00:04:42,580 --> 00:04:40,220

just want to just want to say something

98

00:04:45,010 --> 00:04:42,590

and and that is uh I was on the flight

99

00:04:47,020 --> 00:04:45,020

out here this is just a great story and

100

00:04:49,120 --> 00:04:47,030

I was sitting next to this guy and

101
00:04:51,400 --> 00:04:49,130
real nice guy we were chatting and and

102
00:04:53,050 --> 00:04:51,410
he said he's uh basically he was I don't

103
00:04:55,930 --> 00:04:53,060
know what you call it not jump seating

104
00:04:58,360 --> 00:04:55,940
but he's a you know airline pilot for

105
00:05:02,230 --> 00:04:58,370
American Airlines so and he said yeah I

106
00:05:03,850 --> 00:05:02,240
used to fly military the f-18 Hornet and

107
00:05:04,840 --> 00:05:03,860
I said oh you did I said hey yeah let me

108
00:05:06,850 --> 00:05:04,850
ask you something what do you think

109
00:05:08,440 --> 00:05:06,860
about the government coming out with you

110
00:05:10,060 --> 00:05:08,450
know saying that Pentagon had a program

111
00:05:12,070 --> 00:05:10,070
on UFOs what do you think about that and

112
00:05:13,210 --> 00:05:12,080
he goes oh I didn't hear about that he

113
00:05:16,030 --> 00:05:13,220

said I'll tell you one thing they're

114

00:05:17,920 --> 00:05:16,040

real and I said really I said well what

115

00:05:18,790 --> 00:05:17,930

do you mean he says I saw a guy I know

116

00:05:20,980 --> 00:05:18,800

what I saw

117

00:05:23,860 --> 00:05:20,990

and he said he was tracked for many

118

00:05:26,800 --> 00:05:23,870

miles by green orb and it lit up his

119

00:05:28,360 --> 00:05:26,810

cockpit the whole thing and so I go

120

00:05:31,000 --> 00:05:28,370

you're kidding and and he said he called

121

00:05:33,640 --> 00:05:31,010

there was no radar data on it at all but

122

00:05:36,550 --> 00:05:33,650

anyway and he goes you don't think I'm

123

00:05:38,350 --> 00:05:36,560

crazy do you and you know that's one of

124

00:05:40,060 --> 00:05:38,360

the topics I want to bring up you know

125

00:05:41,890 --> 00:05:40,070

that we're still fighting that even

126

00:05:43,300 --> 00:05:41,900

though it comes out you know in the news

127

00:05:46,060 --> 00:05:43,310

and everything we're still fighting are

128

00:05:48,850 --> 00:05:46,070

you crazy you know because he saw yeah I

129

00:05:53,800 --> 00:05:48,860

just wanted to follow up to Jason this

130

00:05:55,480 --> 00:05:53,810

is Dean where'd you get that beer hey I

131

00:05:57,790 --> 00:05:55,490

didn't know that was an option I have

132

00:06:01,080 --> 00:05:57,800

got water apparently not it's mine

133

00:06:03,310 --> 00:06:01,090

clearly the one thing that I wanted to

134

00:06:04,900 --> 00:06:03,320

talk about that I haven't really heard a

135

00:06:09,700 --> 00:06:04,910

lot about with regards to the the

136

00:06:13,360 --> 00:06:09,710

footage by the New York Times is the the

137

00:06:15,340 --> 00:06:13,370

cause and effect of it I think what is

138

00:06:17,350 --> 00:06:15,350

of utmost importance is that we take it

139

00:06:19,150 --> 00:06:17,360

from this being this kind of strange

140

00:06:21,790 --> 00:06:19,160

phenomenon into something that's more

141

00:06:24,159 --> 00:06:21,800

accepted and so when you have something

142

00:06:25,570 --> 00:06:24,169

like this that comes out you have a

143

00:06:28,450 --> 00:06:25,580

major newspaper coming out you're

144

00:06:31,409 --> 00:06:28,460

basically saying yeah this is happening

145

00:06:33,880 --> 00:06:31,419

it validates it does it change anything

146

00:06:35,800 --> 00:06:33,890

overnight no not really but what it does

147

00:06:37,659 --> 00:06:35,810

is it gets people to go okay this is

148

00:06:39,880 --> 00:06:37,669

becoming normal this is now becoming

149

00:06:41,920 --> 00:06:39,890

accepted which is the toughest part

150

00:06:44,740 --> 00:06:41,930

especially for everyone in this room to

151

00:06:48,310 --> 00:06:44,750

convince people of it normalizes it I

152

00:06:53,410 --> 00:06:50,950

I gave my first lecture about flying

153

00:06:57,640 --> 00:06:53,420

saucers and I prefer the title to UFO

154

00:07:01,990 --> 00:06:57,650

incidentally all flying saucers or UFOs

155

00:07:03,780 --> 00:07:02,000

not all UFOs or flying saucers and I

156

00:07:07,240 --> 00:07:03,790

worried about I get my first lecture in

157

00:07:10,000 --> 00:07:07,250

1967 a long time ago and I was waiting

158

00:07:12,850 --> 00:07:10,010

for the laughter the ridicule etc and I

159

00:07:16,090 --> 00:07:12,860

never got it I've had 11 hecklers two of

160

00:07:18,610 --> 00:07:16,100

whom were drunk in over 700 lectures so

161

00:07:21,670 --> 00:07:18,620

what I'm saying is what I have found is

162

00:07:23,980 --> 00:07:21,680

that people are ready to believe in

163

00:07:25,990 --> 00:07:23,990

flying saucers but they're worried about

164

00:07:28,560 --> 00:07:26,000

other people will think that they're

165

00:07:32,110 --> 00:07:28,570

nuts for doing so not that they think so

166

00:07:34,750 --> 00:07:32,120

so I've had people ask me at the end of

167

00:07:37,450 --> 00:07:34,760

a full house lecture how about polling

168

00:07:39,430 --> 00:07:37,460

this audience because I had given some

169

00:07:41,050 --> 00:07:39,440

Gallup poll data indicating the greater

170

00:07:43,270 --> 00:07:41,060

the education and more likely to believe

171

00:07:47,230 --> 00:07:43,280

in flying saucers and so forth and I

172

00:07:48,970 --> 00:07:47,240

said well usually it's not my job to get

173

00:07:52,360 --> 00:07:48,980

people to stick their necks out that I'm

174

00:07:53,890 --> 00:07:52,370

the next sticker out there and well I

175

00:07:55,930 --> 00:07:53,900

don't think anybody had mine everybody

176

00:07:59,730 --> 00:07:55,940

clapped so I asked I said I'll ask two

177

00:08:03,640 --> 00:07:59,740

questions how many people think that no

178

00:08:06,520 --> 00:08:03,650

UFOs are alien spacecraft and how many

179

00:08:08,730 --> 00:08:06,530

people think some UFOs are intelligently

180

00:08:11,830 --> 00:08:08,740

controlled extraterrestrial spacecraft

181

00:08:15,820 --> 00:08:11,840

and I asked both questions and fewer

182

00:08:18,840 --> 00:08:15,830

than 10 percent said none are more than

183

00:08:21,240 --> 00:08:18,850

90 percent said some are

184

00:08:23,500 --> 00:08:21,250

extraterrestrial spacecraft so that

185

00:08:25,600 --> 00:08:23,510

accounts for the fact that I haven't run

186

00:08:29,290 --> 00:08:25,610

into this laughter Curtin this very

187

00:08:31,000 --> 00:08:29,300

ridicule etc etc people given half a

188

00:08:32,350 --> 00:08:31,010

chance will say that they're interested

189

00:08:34,990 --> 00:08:32,360

in the subject they believe in the

190

00:08:37,209 --> 00:08:35,000

subject they've had a sighting but I've

191

00:08:39,339 --> 00:08:37,219

checked audiences at the end of lectures

192

00:08:40,990 --> 00:08:39,349

how many people here believe they've

193

00:08:42,909 --> 00:08:41,000

seen what I would consider to be a

194

00:08:46,210 --> 00:08:42,919

flying saucer having defined my terms

195

00:08:49,510 --> 00:08:46,220

earlier and just raise your hand and

196

00:08:51,880 --> 00:08:49,520

I'll just point and count no names and I

197

00:08:53,680 --> 00:08:51,890

do that and it's typically 10% of the

198

00:08:56,470 --> 00:08:53,690

audience which comes as a surprise to

199

00:08:59,560 --> 00:08:56,480

the people there but then I ask how many

200

00:09:02,810 --> 00:08:59,570

of you reported what you saw 90% of the

201
00:09:07,380 --> 00:09:02,820
hands go down so I've seen this

202
00:09:11,700 --> 00:09:07,390
everywhere and in a big classroom I once

203
00:09:13,500 --> 00:09:11,710
asked and it turned out that 80% thought

204
00:09:16,100 --> 00:09:13,510
most people didn't believe in UFOs and

205
00:09:19,740 --> 00:09:16,110
80% of the people in that audience did

206
00:09:21,930 --> 00:09:19,750
so the reality and is in other words

207
00:09:25,530 --> 00:09:21,940
it's fertile soil they're ready for us

208
00:09:27,510 --> 00:09:25,540
to put the facts on the table okay all

209
00:09:30,090 --> 00:09:27,520
right just just before we move on just

210
00:09:33,930 --> 00:09:30,100
real quick let's answer Stan's question

211
00:09:36,720 --> 00:09:33,940
how many people here think that some of

212
00:09:42,360 --> 00:09:36,730
what people are seeing are actually

213
00:09:43,200 --> 00:09:42,370

extraterrestrial raising hands I guess I

214

00:09:52,650 --> 00:09:43,210

don't have to ask the other question

215

00:09:55,470 --> 00:09:52,660

yeah okay oh yeah there's yeah there's

216

00:10:04,260 --> 00:09:55,480

all but I mean when he says what he's

217

00:10:06,450 --> 00:10:04,270

saying some so this is Jennifer Stein I

218

00:10:09,090 --> 00:10:06,460

just wanted to make a comment about your

219

00:10:11,670 --> 00:10:09,100

question that we've been pondering I've

220

00:10:14,550 --> 00:10:11,680

had a few minutes to think about it

221

00:10:16,230 --> 00:10:14,560

and the question was to repeat it if

222

00:10:18,900 --> 00:10:16,240

there was a major newspaper article

223

00:10:21,330 --> 00:10:18,910

today would the recent say New York

224

00:10:24,300 --> 00:10:21,340

Times article that came out with very

225

00:10:25,950 --> 00:10:24,310

credible people from the Defense

226
00:10:28,020 --> 00:10:25,960
Department and things speaking about a

227
00:10:32,130 --> 00:10:28,030
secret you know research program that

228
00:10:34,980 --> 00:10:32,140
went on what a new incident be taken

229
00:10:37,800 --> 00:10:34,990
more seriously I think we need to look

230
00:10:40,680 --> 00:10:37,810
at an historical context of this

231
00:10:43,110 --> 00:10:40,690
phenomenon and there's a what you might

232
00:10:47,340 --> 00:10:43,120
call relatively recent historical

233
00:10:50,090 --> 00:10:47,350
context over the last 60 years there

234
00:10:56,220 --> 00:10:50,100
were of course many reports prior to say

235
00:10:59,730 --> 00:10:56,230
1945 47 52 but between 47 and 52 there

236
00:11:01,590 --> 00:10:59,740
were numerous mainstream newspaper

237
00:11:03,990 --> 00:11:01,600
articles of course most people know

238
00:11:06,840 --> 00:11:04,000

about the Roswell article that made the

239

00:11:09,510 --> 00:11:06,850

mainstream of many covers of newspapers

240

00:11:12,500 --> 00:11:09,520

saying that the US was coming out or you

241

00:11:15,660 --> 00:11:12,510

know a Floss a saucer had been you know

242

00:11:17,550 --> 00:11:15,670

discovered in New Mexico and

243

00:11:19,860 --> 00:11:17,560

and of course it was covered up but I

244

00:11:22,080 --> 00:11:19,870

think if you look at the Robertson panel

245

00:11:24,300 --> 00:11:22,090

you go back and look at the Robertson

246

00:11:25,890 --> 00:11:24,310

panel the Robertson report the desire

247

00:11:27,960 --> 00:11:25,900

which is available on the web for

248

00:11:28,620 --> 00:11:27,970

listeners they can google this and go

249

00:11:30,960 --> 00:11:28,630

find it

250

00:11:34,770 --> 00:11:30,970

there was a deliberate attempt to debunk

251

00:11:36,600 --> 00:11:34,780

the topic both in Hollywood and in

252

00:11:39,540 --> 00:11:36,610

newspapers and in media and we are

253

00:11:42,450 --> 00:11:39,550

coming probably I hope to the tail end

254

00:11:45,420 --> 00:11:42,460

of that debunking process when we get

255

00:11:48,030 --> 00:11:45,430

more credible people coming forward to

256

00:11:50,430 --> 00:11:48,040

discuss these things I think that it may

257

00:11:52,320 --> 00:11:50,440

have an effect and most of the people

258

00:11:54,540 --> 00:11:52,330

that are here especially people like

259

00:11:56,310 --> 00:11:54,550

Stanton and the long term researchers

260

00:11:58,530 --> 00:11:56,320

who became writers and researchers in

261

00:12:00,470 --> 00:11:58,540

this field they were inspired because of

262

00:12:06,540 --> 00:12:00,480

what they did see in the newspaper in

263

00:12:10,410 --> 00:12:06,550

1947 and 1949 in 1952 and going forward

264

00:12:12,480 --> 00:12:10,420

and they became the researchers of today

265

00:12:15,210 --> 00:12:12,490

that we are still relying on and

266

00:12:18,240 --> 00:12:15,220

referring to and we now are probably

267

00:12:20,670 --> 00:12:18,250

that for the next generation so yes I

268

00:12:22,590 --> 00:12:20,680

think it's important I think not

269

00:12:25,080 --> 00:12:22,600

everyone will pay attention to it but

270

00:12:27,390 --> 00:12:25,090

some will and I think we need to keep

271

00:12:32,310 --> 00:12:27,400

that in mind going forward and I'm gonna

272

00:12:35,610 --> 00:12:32,320

pass the mic to dr. Bob gross thank you

273

00:12:38,870 --> 00:12:35,620

I I totally agree with what you're

274

00:12:42,690 --> 00:12:38,880

saying right now my area of research

275

00:12:44,040 --> 00:12:42,700

since like at least 2013 has been

276

00:12:47,790 --> 00:12:44,050

involved with something known as

277

00:12:50,550 --> 00:12:47,800

existential intelligence and I'm a firm

278

00:12:53,820 --> 00:12:50,560

believer of Howard Gardner's multiple

279

00:12:55,590 --> 00:12:53,830

intelligences theory and people with it

280

00:12:57,660 --> 00:12:55,600

and makes essential intelligence of

281

00:13:00,180 --> 00:12:57,670

strong existential intelligence which I

282

00:13:03,930 --> 00:13:00,190

believe I have and I'm sure we all do

283

00:13:06,360 --> 00:13:03,940

here we wouldn't be here right now we do

284

00:13:09,600 --> 00:13:06,370

look at the bigger picture I mean there

285

00:13:12,090 --> 00:13:09,610

are so many options as to what a UFO is

286

00:13:14,280 --> 00:13:12,100

and I don't think UFO is a very good

287

00:13:15,750 --> 00:13:14,290

term to describe what we're seeing out

288

00:13:19,320 --> 00:13:15,760

there like you were saying there's other

289

00:13:20,410 --> 00:13:19,330

dimensions there's things there's you

290

00:13:22,970 --> 00:13:20,420

know

291

00:13:24,320 --> 00:13:22,980

holographs or holograms and it could be

292

00:13:26,480 --> 00:13:24,330

a lot of different things that people

293

00:13:29,410 --> 00:13:26,490

are seeing but I can tell you through my

294

00:13:32,510 --> 00:13:29,420

research and interviewing people a

295

00:13:36,110 --> 00:13:32,520

hundred percent no ninety-nine percent

296

00:13:37,940 --> 00:13:36,120

of the people have seen something and

297

00:13:39,980 --> 00:13:37,950

either actually you know develop tools

298

00:13:43,400 --> 00:13:39,990

to see what they can actually what they

299

00:13:46,790 --> 00:13:43,410

are that they're for sure seeing some

300

00:13:50,060 --> 00:13:46,800

kind of anomalous phenomenon and to me

301

00:13:52,730 --> 00:13:50,070

it's extremely valuable for people to

302

00:13:56,540 --> 00:13:52,740

see this in today's society because it

303

00:13:59,240 --> 00:13:56,550

actually grows the brain by having these

304

00:14:01,880 --> 00:13:59,250

kind of anomalous experiences and being

305

00:14:04,640 --> 00:14:01,890

able to perceive them properly and have

306

00:14:07,340 --> 00:14:04,650

the knowledge to have the skills and the

307

00:14:09,290 --> 00:14:07,350

habits of mind the whole attitude about

308

00:14:11,930 --> 00:14:09,300

this thing it's extremely important to

309

00:14:15,710 --> 00:14:11,940

take it serious because it's a benefit

310

00:14:21,110 --> 00:14:15,720

to mankind it's just not a fluke thank

311

00:14:22,580 --> 00:14:21,120

you this is a Kevin gassmann so when I

312

00:14:24,260 --> 00:14:22,590

think about when the media when they put

313

00:14:25,640 --> 00:14:24,270

a story out like this you know they have

314

00:14:27,320 --> 00:14:25,650

to run with it they have to roll that

315

00:14:29,329 --> 00:14:27,330

they can't just put it out one day and

316

00:14:31,040 --> 00:14:29,339

disappear with it you know and that's

317

00:14:33,200 --> 00:14:31,050

where the conversations could lead to is

318

00:14:34,850 --> 00:14:33,210

where the nation leads us is where the

319

00:14:36,140 --> 00:14:34,860

news is going to lead us were we're

320

00:14:39,110 --> 00:14:36,150

going to get these articles from that

321

00:14:40,940 --> 00:14:39,120

they just come constantly from NBC CBS

322

00:14:44,390 --> 00:14:40,950

and then people might start turning a

323

00:14:45,860 --> 00:14:44,400

corner a little bit I got to see kind of

324

00:14:47,360 --> 00:14:45,870

like marijuana a little bit you know

325

00:14:48,920 --> 00:14:47,370

everyone's turning the page towards that

326

00:14:50,120 --> 00:14:48,930

but as far as aliens it almost has to be

327

00:14:51,470 --> 00:14:50,130

the same way you have to kind of

328

00:14:53,240 --> 00:14:51,480

convince them that no this is a real

329

00:14:55,010 --> 00:14:53,250

this is really what's going on you're

330

00:14:56,270 --> 00:14:55,020

just thinking out of it in a different

331

00:14:57,800 --> 00:14:56,280

way you have to look at it in different

332

00:15:00,050 --> 00:14:57,810

ways so the media has to control that

333

00:15:01,280 --> 00:15:00,060

narrative and continue it you just get

334

00:15:02,450 --> 00:15:01,290

throw it up there and people want more

335

00:15:03,590 --> 00:15:02,460

of it they have to find on the web and

336

00:15:05,780 --> 00:15:03,600

they got to figure out if it's real if

337

00:15:09,170 --> 00:15:05,790

it's not real and it's they go sell this

338

00:15:11,960 --> 00:15:09,180

rabbit hole of how far it goes yeah on

339

00:15:15,110 --> 00:15:11,970

that on that in particular I've been in

340

00:15:17,540 --> 00:15:15,120

communication with both Leslie Kane but

341

00:15:20,300 --> 00:15:17,550

Ralph Blumenthal who was part of that

342

00:15:22,250 --> 00:15:20,310

article and he said you know I asked him

343

00:15:24,200 --> 00:15:22,260

on the show he's been on my shows one of

344

00:15:25,400 --> 00:15:24,210

the only people to interview him he said

345

00:15:27,530 --> 00:15:25,410

he'd be on the show again but he says

346

00:15:29,960 --> 00:15:27,540

hold tight we have more coming out and

347

00:15:31,910 --> 00:15:29,970

it's all being directed most you know by

348

00:15:32,870 --> 00:15:31,920

the New York Times so they're kind of on

349

00:15:35,330 --> 00:15:32,880

top of it the way

350

00:15:37,190 --> 00:15:35,340

they want things too they don't want it

351

00:15:39,290 --> 00:15:37,200

to die either because it was a really

352

00:15:41,240 --> 00:15:39,300

big deal for them I mean you know they

353

00:15:43,610 --> 00:15:41,250

have a lot of big news all the time but

354

00:15:46,070 --> 00:15:43,620

like Jason said you know things go away

355

00:15:48,200 --> 00:15:46,080

so quickly you know it's a ephemeral

356

00:15:49,970 --> 00:15:48,210

Society we're just it's gone like in a

357

00:15:52,580 --> 00:15:49,980

day or two yeah well the other thing

358

00:15:58,190 --> 00:15:52,590

that we're I'm Dean Ellie Oregon I'd

359

00:16:01,400 --> 00:15:58,200

love your voice dude is is that I fell

360

00:16:02,960 --> 00:16:01,410

I'm I'm I'm in a different camp here

361

00:16:05,390 --> 00:16:02,970

than than all of you people who I have

362

00:16:07,760 --> 00:16:05,400

immense respect for because I started

363

00:16:10,130 --> 00:16:07,770

out doing something that was just basic

364

00:16:11,690 --> 00:16:10,140

it was my first feature and I had to

365

00:16:14,690 --> 00:16:11,700

make before I turn 25 like all of my

366

00:16:16,340 --> 00:16:14,700

idols filmmaking idols and so I thought

367

00:16:19,880 --> 00:16:16,350

well what can I do I've got 6,500 bucks

368

00:16:21,560 --> 00:16:19,890

to tell a story so I can do a home video

369

00:16:22,850 --> 00:16:21,570

that's all I can do with that amount of

370

00:16:24,530 --> 00:16:22,860

money so I thought all right I'll do a

371

00:16:26,600 --> 00:16:24,540

home video where something interesting

372

00:16:28,820 --> 00:16:26,610

happens so I came up with the idea of

373

00:16:30,530 --> 00:16:28,830

what if this family in the cabin up in

374

00:16:33,260 --> 00:16:30,540

the hills celebrating this girl's 500

375

00:16:35,240 --> 00:16:33,270

birthday party experiences an encounter

376

00:16:37,040 --> 00:16:35,250

and then one by one that get abducted

377

00:16:41,840 --> 00:16:37,050

Stanton's giving me the evil eye right

378

00:16:44,000 --> 00:16:41,850

now as I'm saying this it was just a it

379

00:16:45,950 --> 00:16:44,010

was just a device to kind of get me to

380

00:16:47,420 --> 00:16:45,960

be able to get to my first film but tell

381

00:16:48,860 --> 00:16:47,430

a story that that was based around

382

00:16:51,680 --> 00:16:48,870

family family is really important to me

383

00:16:55,750 --> 00:16:51,690

and so um anyway I made this thing and

384

00:16:58,970 --> 00:16:55,760

and I did consult communion I consulted

385

00:17:00,380 --> 00:16:58,980

Stanton's books as many books to Alan J

386

00:17:03,080 --> 00:17:00,390

Hynek that I can get my hands on and

387

00:17:04,760 --> 00:17:03,090

definitely dr. Jacques Vallee and so I

388

00:17:06,410 --> 00:17:04,770

wanted to have it be this thing that was

389

00:17:09,319 --> 00:17:06,420

kind of raw and a real experience of

390

00:17:11,329 --> 00:17:09,329

what it would feel like and so that was

391

00:17:13,220 --> 00:17:11,339

my intention and then when someone added

392

00:17:15,199 --> 00:17:13,230

off the credits someone much smarter

393

00:17:17,630 --> 00:17:15,209

than me and interjected into the UFO

394

00:17:19,780 --> 00:17:17,640

community it became this huge thing that

395

00:17:21,860 --> 00:17:19,790

this is the 25th anniversary at

396

00:17:25,189 --> 00:17:21,870

International UFO Congress convention

397

00:17:28,640 --> 00:17:25,199

which is why I'm here it became this

398

00:17:30,680 --> 00:17:28,650

thing that that people believed it was

399

00:17:32,240 --> 00:17:30,690

real and then I got you know all this

400

00:17:34,400 --> 00:17:32,250

feedback from people that I kind of

401

00:17:36,910 --> 00:17:34,410

stepped into it that's was my

402

00:17:39,920 --> 00:17:36,920

introduction into this whole world and

403

00:17:41,300 --> 00:17:39,930

and I you know font I said hey hey hey

404

00:17:44,030 --> 00:17:41,310

this was not meant for anything other

405

00:17:45,440 --> 00:17:44,040

than a cinema verite I mean it has to be

406

00:17:46,670 --> 00:17:45,450

able to express yourself and everything

407

00:17:48,110 --> 00:17:46,680

I didn't know that it was you know

408

00:17:49,910 --> 00:17:48,120

ten years before Blair Witch and it was

409

00:17:53,480 --> 00:17:49,920

gonna be the same so it was a device

410

00:17:56,600 --> 00:17:53,490

anyway long story short I see now that

411

00:17:58,850 --> 00:17:56,610

anyone can fake anything and it's

412

00:18:01,070 --> 00:17:58,860

terrifying for me because I really want

413

00:18:02,570 --> 00:18:01,080

to see a UFO I want to see what that

414

00:18:03,950 --> 00:18:02,580

looks like and I'm uh you know I'm up

415

00:18:06,470 --> 00:18:03,960

late at night like everyone else on

416

00:18:09,500 --> 00:18:06,480

YouTube and and I'm looking for it and

417

00:18:11,360 --> 00:18:09,510

I'm going fake fake fake and when I saw

418

00:18:13,850 --> 00:18:11,370

that the stuff in the New York Times I

419

00:18:15,260 --> 00:18:13,860

was like all right this isn't thank God

420

00:18:16,970 --> 00:18:15,270

there are certain you know tell tales

421

00:18:18,980 --> 00:18:16,980

but you have to become an expert in and

422

00:18:20,570 --> 00:18:18,990

of itself and we need people to to kind

423

00:18:23,750 --> 00:18:20,580

of filter out that and that's where

424

00:18:26,270 --> 00:18:23,760

everyone here you know comes in yeah

425

00:18:29,330 --> 00:18:26,280

I've got after after you I have a

426

00:18:31,190 --> 00:18:29,340

question for Travis but go ahead again

427

00:18:34,640 --> 00:18:31,200

this dr. Bob grows again but the tad

428

00:18:38,600 --> 00:18:34,650

with you what you were saying I have had

429

00:18:40,400 --> 00:18:38,610

the experience to have a at least one

430

00:18:42,770 --> 00:18:40,410

close encounter with UFO I've had

431

00:18:44,480 --> 00:18:42,780

actually five if you don't count the

432

00:18:46,430 --> 00:18:44,490

time I almost got now it got knocked

433

00:18:50,330 --> 00:18:46,440

over by ball lightning when I was a kid

434

00:18:52,940 --> 00:18:50,340

but so I've actually seen five and one

435

00:18:54,830 --> 00:18:52,950

up close and I must say that I have got

436

00:18:57,740 --> 00:18:54,840

to say that I can't say that any of

437

00:18:59,840 --> 00:18:57,750

those were from another planet but there

438

00:19:02,870 --> 00:18:59,850

were some that I am any experiences

439

00:19:04,730 --> 00:19:02,880

unreal it's the the greatest aesthetic

440

00:19:07,610 --> 00:19:04,740

experience that you've ever had in your

441

00:19:12,620 --> 00:19:07,620

life and you want to have another one

442

00:19:14,510 --> 00:19:12,630

you know and you know that once you had

443

00:19:16,960 --> 00:19:14,520

that experience you'll never forget it

444

00:19:19,040 --> 00:19:16,970

and you actually seek out another one

445

00:19:21,790 --> 00:19:19,050

come hell or high water

446

00:19:24,530 --> 00:19:21,800

yeah I'm sorry about question for Travis

447

00:19:27,470 --> 00:19:24,540

before that though I just want to say

448

00:19:30,770 --> 00:19:27,480

this show was just nominated as one of

449

00:19:34,270 --> 00:19:30,780

the top 60 YouTube channels and the u2

450

00:19:36,500 --> 00:19:34,280

in you know et and all that

451

00:19:41,060 --> 00:19:36,510

congratulations well no not it's got a

452

00:19:42,200 --> 00:19:41,070

bad story to it so so and it has to do

453

00:19:45,110 --> 00:19:42,210

kind of like what you were just talking

454

00:19:47,450 --> 00:19:45,120

about so I open it up to see who the

455

00:19:49,400 --> 00:19:47,460

people ahead of me were number one was

456

00:19:51,500 --> 00:19:49,410

third phase of the Moon number two was

457

00:19:54,170 --> 00:19:51,510

secure team ten so I said take me off

458

00:19:57,500 --> 00:19:54,180

the list these are people that hoax for

459

00:19:59,030 --> 00:19:57,510

money and you know it's unfortunate and

460

00:19:59,960 --> 00:19:59,040

what I'm getting I'm not getting at just

461

00:20:02,540 --> 00:19:59,970

that but what I'm getting

462

00:20:04,730 --> 00:20:02,550

is to your point the person who is

463

00:20:07,760 --> 00:20:04,740

actually curious is going to get online

464

00:20:09,530 --> 00:20:07,770

and gonna get on YouTube see fake videos

465

00:20:10,820 --> 00:20:09,540

and then they're gonna get burned

466

00:20:12,350 --> 00:20:10,830

they're gonna realize they're just

467

00:20:13,610 --> 00:20:12,360

wasting their time and then they're

468

00:20:15,740 --> 00:20:13,620

gonna go away and not care any more

469

00:20:19,070 --> 00:20:15,750

about it so there's nothing we can

470

00:20:20,810 --> 00:20:19,080

really do about that just keep you know

471

00:20:25,960 --> 00:20:20,820

keep letting people know that this is

472

00:20:30,890 --> 00:20:28,730

this is Jennifer Stein traditionally for

473

00:20:34,400 --> 00:20:30,900

a long time I'm gonna say since the

474

00:20:37,400 --> 00:20:34,410

internet began UFOs are one of the top

475

00:20:39,290 --> 00:20:37,410

researched topics and of course the

476
00:20:41,200 --> 00:20:39,300
topic that's bigger than that there's

477
00:20:48,980 --> 00:20:41,210
only one topic above it

478
00:20:52,700 --> 00:20:48,990
unfortunately it's porn it's right so

479
00:20:55,160 --> 00:20:52,710
this question came in for Travis so

480
00:20:57,760 --> 00:20:55,170
Travis using a hypothetical scenario

481
00:21:00,470 --> 00:20:57,770
with a presidential disclosure

482
00:21:05,090 --> 00:21:00,480
announcing that we've been engaged with

483
00:21:06,950 --> 00:21:05,100
ETS for over decades this person want to

484
00:21:09,350 --> 00:21:06,960
know if you would feel vindicated by all

485
00:21:12,050 --> 00:21:09,360
this well certainly but I think the

486
00:21:15,020 --> 00:21:12,060
media and you know the public perception

487
00:21:17,090 --> 00:21:15,030
is is playing catch-up here I was kind

488
00:21:19,100 --> 00:21:17,100

of surprised that a little bit of the

489

00:21:22,130 --> 00:21:19,110

reaction to the announcement in December

490

00:21:24,530 --> 00:21:22,140

was so what else is new you know I mean

491

00:21:26,870 --> 00:21:24,540

like this is not new right we knew this

492

00:21:30,920 --> 00:21:26,880

and they're they're finally admitting

493

00:21:32,840 --> 00:21:30,930

something that generally and in the

494

00:21:38,120 --> 00:21:32,850

general public was already held to be

495

00:21:39,800 --> 00:21:38,130

the the situation yeah okay no I agree I

496

00:21:44,090 --> 00:21:39,810

agree thank you

497

00:21:46,430 --> 00:21:44,100

it it is what I am concerned about the

498

00:21:49,550 --> 00:21:46,440

most as like I said and what Jason said

499

00:21:51,890 --> 00:21:49,560

too is that it's just going to fade away

500

00:21:54,620 --> 00:21:51,900

and just be another story and you know

501
00:21:56,450 --> 00:21:54,630
it's the only thing we can do is just

502
00:21:59,960 --> 00:21:56,460
hope for more information coming out and

503
00:22:01,540 --> 00:21:59,970
more films if they get released waiting

504
00:22:03,110 --> 00:22:01,550
waiting for the other shoe to drop

505
00:22:06,560 --> 00:22:03,120
what's next

506
00:22:10,240 --> 00:22:06,570
right right anyone else on what we were

507
00:22:18,050 --> 00:22:15,040
so I just want to make the point of what

508
00:22:20,780 --> 00:22:18,060
creates a credible witness like we have

509
00:22:26,180 --> 00:22:20,790
so many people even at this table who've

510
00:22:29,150 --> 00:22:26,190
had or seen been witness what not why is

511
00:22:31,850 --> 00:22:29,160
it do you guys think or any of you think

512
00:22:39,800 --> 00:22:31,860
that that's just so hard for the general

513
00:22:41,810 --> 00:22:39,810

population to believe I've given over

514

00:22:44,390 --> 00:22:41,820

seven hundred lectures fifty states

515

00:22:49,280 --> 00:22:44,400

ten provinces 19 other countries my last

516

00:22:51,470 --> 00:22:49,290

was Bulgaria I mean and I don't find

517

00:22:53,540 --> 00:22:51,480

that people have trouble believe in this

518

00:22:55,340 --> 00:22:53,550

I look at the reaction of my lecture the

519

00:22:56,000 --> 00:22:55,350

questions I ask at the end and stuff

520

00:22:59,450 --> 00:22:56,010

like that

521

00:23:02,000 --> 00:22:59,460

and they're with me I'm not a masochist

522

00:23:08,060 --> 00:23:02,010

I don't do this - he slings and arrows

523

00:23:11,120 --> 00:23:08,070

of outrageous we're past that stage but

524

00:23:13,010 --> 00:23:11,130

we have to learn that people are past

525

00:23:14,690 --> 00:23:13,020

that stage don't talk down to your

526

00:23:16,940 --> 00:23:14,700

audience don't think they're gonna jump

527

00:23:20,000 --> 00:23:16,950

on you they're not they want to know

528

00:23:22,520 --> 00:23:20,010

more that's why they come to my lectures

529

00:23:23,870 --> 00:23:22,530

but Stan let me just argue that point

530

00:23:25,610 --> 00:23:23,880

just a little bit don't you think it's

531

00:23:27,980 --> 00:23:25,620

possible that the people that attend

532

00:23:30,350 --> 00:23:27,990

your liquor lectures are already halfway

533

00:23:31,790 --> 00:23:30,360

there well probably but I think

534

00:23:33,740 --> 00:23:31,800

everybody's already halfway there

535

00:23:36,470 --> 00:23:33,750

they've been exposed all over the place

536

00:23:39,380 --> 00:23:36,480

there's another point - unlike can say

537

00:23:41,150 --> 00:23:39,390

the 40s we now all know that governments

538

00:23:44,030 --> 00:23:41,160

will lied to us I mean that's a

539

00:23:45,320 --> 00:23:44,040

tremendous discovery well some of you

540

00:23:48,200 --> 00:23:45,330

aren't old enough to realize it

541

00:23:50,330 --> 00:23:48,210

at the time of the second world war the

542

00:23:53,060 --> 00:23:50,340

government protected us against the

543

00:23:55,640 --> 00:23:53,070

great scourges of mankind we trust the

544

00:23:57,950 --> 00:23:55,650

government they will do right for us and

545

00:24:02,570 --> 00:23:57,960

by us you don't see much of that

546

00:24:04,910 --> 00:24:02,580

attitude anymore so UFOs are part of

547

00:24:06,740 --> 00:24:04,920

this overall picture the government

548

00:24:11,180 --> 00:24:06,750

lying of course they're lying that's the

549

00:24:12,710 --> 00:24:11,190

reaction I get from people so times have

550

00:24:16,100 --> 00:24:12,720

changed but in a different direction

551
00:24:18,050 --> 00:24:16,110
from what you might expect okay to

552
00:24:20,660 --> 00:24:18,060
further address that topic that you

553
00:24:23,120 --> 00:24:20,670
brought up this is Jennifer Stein it is

554
00:24:25,370 --> 00:24:23,130
the media that projects an image

555
00:24:28,670 --> 00:24:25,380
of disbelief more than the general

556
00:24:31,550 --> 00:24:28,680
public I believe and Staunton even in in

557
00:24:33,710 --> 00:24:31,560
the film I made about Travis's case he

558
00:24:35,810 --> 00:24:33,720
brought out that in the 1970s there was

559
00:24:37,220 --> 00:24:35,820
this big debacle with a lot of the major

560
00:24:39,680 --> 00:24:37,230
newspapers where they were playing

561
00:24:42,470 --> 00:24:39,690
footsie with the CIA and it actually

562
00:24:44,360 --> 00:24:42,480
came out and was quite a big story and

563
00:24:46,570 --> 00:24:44,370

then it was you know quickly covered up

564

00:24:49,970 --> 00:24:46,580

but there was a lot of attempts to

565

00:24:51,950 --> 00:24:49,980

debunk and report back from conferences

566

00:24:54,140 --> 00:24:51,960

what people were saying I mean stanton

567

00:24:56,390 --> 00:24:54,150

can discuss the historical data of that

568

00:24:58,970 --> 00:24:56,400

a little bit better if you'd like but I

569

00:25:01,310 --> 00:24:58,980

think the general public is open to it I

570

00:25:03,140 --> 00:25:01,320

think anyone can be a credible witness I

571

00:25:06,470 --> 00:25:03,150

think we've had tons of credible

572

00:25:09,680 --> 00:25:06,480

witnesses and it's really the way that

573

00:25:12,020 --> 00:25:09,690

those stories get reported is where the

574

00:25:14,330 --> 00:25:12,030

debunking comes in and we're all victims

575

00:25:17,390 --> 00:25:14,340

of that I mean society in general is

576

00:25:19,370 --> 00:25:17,400

victim of that we're unable to move

577

00:25:25,370 --> 00:25:19,380

forward as a society because of the

578

00:25:27,410 --> 00:25:25,380

general approach this is Jim I'm

579

00:25:29,000 --> 00:25:27,420

actually an election attorney and I

580

00:25:32,570 --> 00:25:29,010

represent politicians and I write

581

00:25:37,900 --> 00:25:32,580

initiatives to back up what mr. Friedman

582

00:25:41,660 --> 00:25:37,910

said when Hillary Clinton talked about

583

00:25:45,070 --> 00:25:41,670

UFO issues or she called it something

584

00:25:48,380 --> 00:25:45,080

else aerial phenomena I believe he's

585

00:25:51,970 --> 00:25:48,390

politicians when I would write in when I

586

00:25:55,010 --> 00:25:51,980

read an initiative they pull tests

587

00:25:57,500 --> 00:25:55,020

everything I'm putting in it every major

588

00:26:00,680 --> 00:25:57,510

theme to see what polls

589

00:26:04,070 --> 00:26:00,690

it would have been election malpractice

590

00:26:07,430 --> 00:26:04,080

for the Clinton campaign not to pull

591

00:26:09,170 --> 00:26:07,440

test that ahead of time and there were

592

00:26:12,290 --> 00:26:09,180

two people running against her in the

593

00:26:14,330 --> 00:26:12,300

Democratic side and 7/8 I think 17 on

594

00:26:17,840 --> 00:26:14,340

the Republican side not one of them

595

00:26:21,730 --> 00:26:17,850

attacked her for that and you have to

596

00:26:23,690 --> 00:26:21,740

think about this that y-you know

597

00:26:27,200 --> 00:26:23,700

something's turned a corner

598

00:26:31,820 --> 00:26:27,210

things happen in politics and in in

599

00:26:33,500 --> 00:26:31,830

society faster the LB G I can never say

600

00:26:35,960 --> 00:26:33,510

that too fast when I'm trying to talk

601
00:26:36,780 --> 00:26:35,970
about something but you know the gay

602
00:26:39,000 --> 00:26:36,790
movement

603
00:26:42,210 --> 00:26:39,010
forward quickly than me - you know

604
00:26:44,940 --> 00:26:42,220
things happen much quicker nowadays and

605
00:26:49,740 --> 00:26:44,950
so when there's a critical mass reached

606
00:26:51,660 --> 00:26:49,750
and you've got the two biggest media

607
00:26:53,520 --> 00:26:51,670
outlets in the country the most

608
00:26:55,950 --> 00:26:53,530
influential The Washington Post which is

609
00:26:58,410 --> 00:26:55,960
still debunking everything and they have

610
00:27:00,420 --> 00:26:58,420
been since the beginning in the New York

611
00:27:03,990 --> 00:27:00,430
Times the New York Times has split off

612
00:27:07,290 --> 00:27:04,000
from that talk about like as Leslie Kean

613
00:27:09,540 --> 00:27:07,300

wrote that article but her co-author one

614

00:27:11,880 --> 00:27:09,550

of her co-authors was the chief Pentagon

615

00:27:14,220 --> 00:27:11,890

correspondent for the New York Times I

616

00:27:16,290 --> 00:27:14,230

mean we're talking about it you know it

617

00:27:18,570 --> 00:27:16,300

wasn't just someone from the society

618

00:27:22,980 --> 00:27:18,580

page writing it I mean they brought in

619

00:27:25,140 --> 00:27:22,990

heavy hitters on that now the program

620

00:27:26,970 --> 00:27:25,150

they let you know that they talked about

621

00:27:28,830 --> 00:27:26,980

was only a twenty million dollar black

622

00:27:33,840 --> 00:27:28,840

program and that's like pocket change

623

00:27:36,330 --> 00:27:33,850

and notice the DIA and others came out

624

00:27:39,270 --> 00:27:36,340

with debunking articles right after that

625

00:27:41,610 --> 00:27:39,280

so obviously it's still a bone of

626

00:27:44,790 --> 00:27:41,620

contention than the government but

627

00:27:46,500 --> 00:27:44,800

things change quickly and people are

628

00:27:49,650 --> 00:27:46,510

more receptive to this than you think

629

00:27:50,820 --> 00:27:49,660

because for one thing the 2016 election

630

00:27:52,860 --> 00:27:50,830

it would have never been an issue

631

00:27:59,100 --> 00:27:52,870

because they anyone remember Dennis

632

00:28:00,390 --> 00:27:59,110

Kucinich yep I just want to make a quick

633

00:28:03,360 --> 00:28:00,400

comment and then I will pass the mic

634

00:28:05,520 --> 00:28:03,370

down this is Jason but this is why I

635

00:28:06,750 --> 00:28:05,530

find the ridicule factor so fascinating

636

00:28:10,350 --> 00:28:06,760

the giggle factor that's still

637

00:28:13,140 --> 00:28:10,360

associated with UFOs and I agree 100%

638

00:28:16,110 --> 00:28:13,150

with Stan you know we have this thing in

639

00:28:18,270 --> 00:28:16,120

society and pop culture where the

640

00:28:21,390 --> 00:28:18,280

initial reaction to anything ufo-related

641

00:28:23,880 --> 00:28:21,400

is to laugh and I'm sure most of us have

642

00:28:25,770 --> 00:28:23,890

experienced that at this table where if

643

00:28:28,650 --> 00:28:25,780

we're talking with someone about UFOs or

644

00:28:31,470 --> 00:28:28,660

anybody finds out that we have something

645

00:28:33,690 --> 00:28:31,480

to do with UFOs there's an initial you

646

00:28:35,340 --> 00:28:33,700

know kind of laugh about it but when

647

00:28:36,480 --> 00:28:35,350

they find out that you're serious or

648

00:28:39,030 --> 00:28:36,490

you're not going to make fun of them

649

00:28:41,520 --> 00:28:39,040

then they open up they've got a story

650

00:28:44,940 --> 00:28:41,530

they've got a connection and this is a

651
00:28:47,100 --> 00:28:44,950
universal topic everybody is somehow you

652
00:28:49,710 --> 00:28:47,110
know affected by this topic has an

653
00:28:53,580 --> 00:28:49,720
experience so just like Stan said I mean

654
00:28:55,230 --> 00:28:53,590
everybody is on board already for some

655
00:28:57,960 --> 00:28:55,240
reason there's still this layer of that

656
00:28:59,010 --> 00:28:57,970
that giggle factor at the beginning but

657
00:29:06,300 --> 00:28:59,020
you get beyond that

658
00:29:08,400 --> 00:29:06,310
and people are on board speaking of

659
00:29:12,360 --> 00:29:08,410
nervous giggles this is Bob Gross again

660
00:29:14,280 --> 00:29:12,370
but one thing that I wanted to throw out

661
00:29:17,310 --> 00:29:14,290
my recent research that I've been doing

662
00:29:19,230 --> 00:29:17,320
involved quite a bit of research on an

663
00:29:21,090 --> 00:29:19,240

organization known as the NRO the

664

00:29:24,330 --> 00:29:21,100

National Reconnaissance Office which is

665

00:29:26,460 --> 00:29:24,340

a government organization and in reading

666

00:29:29,160 --> 00:29:26,470

a lot of their reports I strongly

667

00:29:31,260 --> 00:29:29,170

believe and they actually claimed what

668

00:29:35,250 --> 00:29:31,270

their function is to help keep top

669

00:29:37,260 --> 00:29:35,260

secret satellite programs secret so when

670

00:29:38,760 --> 00:29:37,270

you throw that into the mix I think that

671

00:29:45,930 --> 00:29:38,770

puts everything in perspective what

672

00:29:47,400 --> 00:29:45,940

we're talking about okay again the

673

00:29:50,610 --> 00:29:47,410

challenge is every time you come out

674

00:29:54,390 --> 00:29:50,620

with this it's almost like the bots or

675

00:29:56,100 --> 00:29:54,400

you know not rush it well maybe come out

676

00:29:57,780 --> 00:29:56,110

and and they start flooding the market

677

00:30:01,560 --> 00:29:57,790

oh you want more of this and then they

678

00:30:03,750 --> 00:30:01,570

start doing that it's it's interesting

679

00:30:08,130 --> 00:30:03,760

how everything you know everyone gets

680

00:30:10,230 --> 00:30:08,140

hijacked Yvonne Smith got hijacked and

681

00:30:11,940 --> 00:30:10,240

Stan Friedman when I did the remake

682

00:30:16,920 --> 00:30:11,950

alien abduction incident in Lake County

683

00:30:19,710 --> 00:30:16,930

and after I was removed from the project

684

00:30:21,690 --> 00:30:19,720

they came in and shot real real UFO

685

00:30:25,110 --> 00:30:21,700

researchers and intercut them into the

686

00:30:27,090 --> 00:30:25,120

footage which I think was a cause for

687

00:30:29,250 --> 00:30:27,100

maybe a lawsuit at the very least but

688

00:30:30,540 --> 00:30:29,260

her also was I mean when I saw it was

689

00:30:31,920 --> 00:30:30,550

his first time everyone else at sea and

690

00:30:34,230 --> 00:30:31,930

the foreign version the two-hour version

691

00:30:36,060 --> 00:30:34,240

I made is intact still stays out there

692

00:30:38,070 --> 00:30:36,070

but the one hour version is the one that

693

00:30:39,990 --> 00:30:38,080

that you guys were co-opted into doing

694

00:30:41,490 --> 00:30:40,000

and I've always felt like crappy about

695

00:30:43,920 --> 00:30:41,500

that it was great to see Stanton and

696

00:30:45,690 --> 00:30:43,930

apologize to him he'd I don't think he

697

00:30:49,800 --> 00:30:45,700

remembers it but but at least I feel

698

00:30:52,860 --> 00:30:49,810

better yeah yeah exactly

699

00:30:54,960 --> 00:30:52,870

but it's funny because it really is this

700

00:30:57,720 --> 00:30:54,970

it's it's more than just interest

701
00:30:59,130 --> 00:30:57,730
it feels like it's primal I mean I can

702
00:31:01,800 --> 00:30:59,140
remember as a kid always being

703
00:31:03,210 --> 00:31:01,810
interested in this from you know in

704
00:31:06,660 --> 00:31:03,220
search of to

705
00:31:09,150 --> 00:31:06,670
show UFO project that was like a blue

706
00:31:12,060 --> 00:31:09,160
book project and in it always just felt

707
00:31:14,130 --> 00:31:12,070
like it's it's it's ingrained and feels

708
00:31:15,540 --> 00:31:14,140
like it just needs to be kind of part of

709
00:31:17,760 --> 00:31:15,550
like he got sci-fi and then here's

710
00:31:19,350 --> 00:31:17,770
something else that isn't sci-fi which

711
00:31:21,900 --> 00:31:19,360
is I'm starting this thing called alien

712
00:31:23,610 --> 00:31:21,910
content calm and it's all alien

713
00:31:25,380 --> 00:31:23,620

programming from features series

714

00:31:26,760 --> 00:31:25,390

documentaries and it's meant to be just

715

00:31:29,280 --> 00:31:26,770

that it's meant to be something that's

716

00:31:30,510 --> 00:31:29,290

is accepted as sci-fi channel it's

717

00:31:32,400 --> 00:31:30,520

something where you go when you say

718

00:31:34,410 --> 00:31:32,410

great let's explore and let's do this

719

00:31:39,420 --> 00:31:34,420

intelligently and most important

720

00:31:43,020 --> 00:31:39,430

responsibly alright so I'm going to

721

00:31:45,120 --> 00:31:43,030

suggest that maybe we is there a topic

722

00:31:49,860 --> 00:31:45,130

that anyone can think of that they want

723

00:31:52,830 --> 00:31:49,870

to speak of in general that further

724

00:31:55,050 --> 00:31:52,840

continues this train of thought you know

725

00:31:57,420 --> 00:31:55,060

we're talking about people wanting to

726

00:31:59,640 --> 00:31:57,430

research this topic and have the

727

00:32:03,150 --> 00:31:59,650

historical perspective on it what's

728

00:32:06,120 --> 00:32:03,160

different today about say nineteen fifty

729

00:32:09,000 --> 00:32:06,130

is the Internet and what's happening in

730

00:32:12,960 --> 00:32:09,010

the internet very very rapidly is that

731

00:32:15,480 --> 00:32:12,970

media is changing overnight we are now

732

00:32:18,930 --> 00:32:15,490

having streaming television programs

733

00:32:21,150 --> 00:32:18,940

available online and many independent

734

00:32:22,860 --> 00:32:21,160

streaming channels that are specifically

735

00:32:25,320 --> 00:32:22,870

targeted towards covering this topic

736

00:32:27,660 --> 00:32:25,330

even the former coordinators of this

737

00:32:30,360 --> 00:32:27,670

conference open minds had their own

738

00:32:33,390 --> 00:32:30,370

television station MUFON TV now has

739

00:32:35,640 --> 00:32:33,400

their own television station where you

740

00:32:37,470 --> 00:32:35,650

can go and watch lectures and things

741

00:32:41,430 --> 00:32:37,480

like that there's many of them coming up

742

00:32:44,190 --> 00:32:41,440

Zohar TV in in the UK has fascinating

743

00:32:47,070 --> 00:32:44,200

programs so what's unique about this

744

00:32:49,860 --> 00:32:47,080

period of time that we live in is that

745

00:32:50,790 --> 00:32:49,870

people who are really curious can put

746

00:32:53,610 --> 00:32:50,800

their fingertips

747

00:32:55,260 --> 00:32:53,620

on the data that they want quicker than

748

00:32:57,270 --> 00:32:55,270

you could stay Jiminy Cricket you

749

00:33:00,000 --> 00:32:57,280

googled a couple of words you find five

750

00:33:01,740 --> 00:33:00,010

or six links and boom before you know it

751

00:33:05,040 --> 00:33:01,750

you're right at what you're looking for

752

00:33:07,080 --> 00:33:05,050

and it could be data that's 30 40 50

753

00:33:09,030 --> 00:33:07,090

years old it could be interviews of

754

00:33:12,660 --> 00:33:09,040

people who aren't even alive anymore

755

00:33:16,520 --> 00:33:12,670

so as we move forward things do change

756

00:33:18,650 --> 00:33:16,530

and the culmination of body of Huw

757

00:33:22,550 --> 00:33:18,660

an experience that you can access and

758

00:33:25,520 --> 00:33:22,560

learn from is hugely important

759

00:33:27,290 --> 00:33:25,530

and it has been for me I feel very

760

00:33:29,810 --> 00:33:27,300

grateful to be alive at this day and

761

00:33:31,910 --> 00:33:29,820

time and I hope I can continue to

762

00:33:35,060 --> 00:33:31,920

contribute to that body of knowledge as

763

00:33:35,540 --> 00:33:35,070

a filmmaker and as a researcher so thank

764

00:33:41,930 --> 00:33:35,550

you

765

00:33:43,940 --> 00:33:41,940

just said in the niche is there and it's

766

00:33:45,200 --> 00:33:43,950

been you know just whittled down and

767

00:33:46,280 --> 00:33:45,210

where everyone knows where to get their

768

00:33:48,680 --> 00:33:46,290

UFO information so what I'm trying to

769

00:33:51,440 --> 00:33:48,690

say the fact that banner is is that it's

770

00:33:53,930 --> 00:33:51,450

it's a conversation that needs to be out

771

00:33:56,090 --> 00:33:53,940

there every single day I mean this is I

772

00:33:56,720 --> 00:33:56,100

think the biggest important question to

773

00:33:59,540 --> 00:33:56,730

mankind

774

00:34:01,700 --> 00:33:59,550

shouldn't we all know what the answer is

775

00:34:02,420 --> 00:34:01,710

should we all be discussing this in some

776

00:34:05,000 --> 00:34:02,430

way or another

777

00:34:07,760 --> 00:34:05,010

and it's not it is on certain smaller

778

00:34:10,159 --> 00:34:07,770

levels but until it's on a mankind level

779

00:34:11,659 --> 00:34:10,169

on a humanity level well things change

780

00:34:12,890 --> 00:34:11,669

until then it just could be something

781

00:34:14,540 --> 00:34:12,900

that's going to be on the black market

782

00:34:16,340 --> 00:34:14,550

if you will and you can find it over

783

00:34:19,149 --> 00:34:16,350

here but as a realist or not you know

784

00:34:23,389 --> 00:34:19,159

that's your own up depth your own

785

00:34:28,280 --> 00:34:23,399

scruples all right well I'll pose a

786

00:34:31,040 --> 00:34:28,290

question to everyone here has I'm a

787

00:34:33,530 --> 00:34:31,050

professional you know what what I do for

788

00:34:38,000 --> 00:34:33,540

work is and I know a number of people

789

00:34:40,520 --> 00:34:38,010

here are also how do you deal with the

790

00:34:43,040 --> 00:34:40,530

topic when it comes up the ridicule

791

00:34:45,940 --> 00:34:43,050

factor if there is some or perhaps a

792

00:34:47,960 --> 00:34:45,950

missed opportunity or something because

793

00:34:50,720 --> 00:34:47,970

I've had it happen to me someone

794

00:34:54,110 --> 00:34:50,730

searched and saw that I did a UFO show

795

00:34:56,540 --> 00:34:54,120

and I lost out on our opportunity so how

796

00:34:57,920 --> 00:34:56,550

to deal with that you know I don't know

797

00:35:00,080 --> 00:34:57,930

if anyone wants to tackle that at all

798

00:35:02,210 --> 00:35:00,090

it's just something up Travis you're a

799

00:35:06,140 --> 00:35:02,220

good example to hand the microphone to

800

00:35:07,940 --> 00:35:06,150

well back in the 70s of the debunkers

801
00:35:09,740 --> 00:35:07,950
the skeptics had the upper hand

802
00:35:15,710 --> 00:35:09,750
you know we had this thing called the

803
00:35:18,200 --> 00:35:15,720
Drake Equation and people didn't have a

804
00:35:20,390 --> 00:35:18,210
handle on what values you could plug

805
00:35:22,690 --> 00:35:20,400
into that equation astronomers at that

806
00:35:25,670 --> 00:35:22,700
time I mean there was a debate whether

807
00:35:28,160 --> 00:35:25,680
how many how many stars have planets you

808
00:35:29,630 --> 00:35:28,170
know one in a hundred maybe I don't know

809
00:35:32,029 --> 00:35:29,640
they they didn't know

810
00:35:34,009 --> 00:35:32,039
but you know here you know just very

811
00:35:36,319 --> 00:35:34,019
recently last year or two NASA comes out

812
00:35:40,400 --> 00:35:36,329
and says on the basis of direct

813
00:35:42,890 --> 00:35:40,410

observation that virtually every star

814

00:35:46,009 --> 00:35:42,900

has about a dozen planets and that

815

00:35:49,460 --> 00:35:46,019

raises the values that you plug into the

816

00:35:50,000 --> 00:35:49,470

Drake Equation astronomically no pun

817

00:35:54,829 --> 00:35:50,010

intended

818

00:35:58,630 --> 00:35:54,839

but but vastly greater values so the

819

00:36:01,759 --> 00:35:58,640

number of civilizations in the galaxy

820

00:36:06,849 --> 00:36:01,769

potential civilizations grew

821

00:36:10,519 --> 00:36:06,859

exponentially the calculations the

822

00:36:15,559 --> 00:36:10,529

likelihood back in the 70s

823

00:36:17,269 --> 00:36:15,569

the skeptics could say well a kook the

824

00:36:19,370 --> 00:36:17,279

definition of a kook being somebody who

825

00:36:20,720 --> 00:36:19,380

believes something that's totally at

826

00:36:24,019 --> 00:36:20,730

odds with the prevailing scientific

827

00:36:26,660 --> 00:36:24,029

belief well

828

00:36:30,650 --> 00:36:26,670

the prevailing scientific belief has

829

00:36:33,740 --> 00:36:30,660

changed now and so the definition of

830

00:36:38,120 --> 00:36:33,750

kook is not somebody who believes in

831

00:36:40,279 --> 00:36:38,130

UFOs but somebody who actually has the

832

00:36:44,210 --> 00:36:40,289

audacity to think that we're alone in

833

00:36:49,490 --> 00:36:44,220

the universe fun we haven't heard from

834

00:36:51,700 --> 00:36:49,500

you anything you'd like to say it's

835

00:36:54,440 --> 00:36:51,710

interesting Martin that you said that

836

00:36:57,620 --> 00:36:54,450

you had an opportunity come up and

837

00:36:59,930 --> 00:36:57,630

someone googled your name and found that

838

00:37:02,990 --> 00:36:59,940

you had this interest or that's really

839

00:37:05,839 --> 00:37:03,000

what happened yes yeah you know I I

840

00:37:09,410 --> 00:37:05,849

always when I was working still out

841

00:37:10,849 --> 00:37:09,420

there in the corporate world I worried

842

00:37:15,710 --> 00:37:10,859

about that too is you know I've been

843

00:37:17,809 --> 00:37:15,720

doing this now 26 years but after I I

844

00:37:21,400 --> 00:37:17,819

left the corporate world I decided this

845

00:37:23,870 --> 00:37:21,410

is what I'm going to do full-time I

846

00:37:27,620 --> 00:37:23,880

thought I found it interesting that the

847

00:37:31,670 --> 00:37:27,630

more I talk about what I do the more

848

00:37:34,640 --> 00:37:31,680

people will open up and say oh you know

849

00:37:37,190 --> 00:37:34,650

gosh I've never said anything to anybody

850

00:37:39,019 --> 00:37:37,200

because they know how to talk to doctors

851
00:37:41,539 --> 00:37:39,029
come up to me in fact I worked at one

852
00:37:43,190 --> 00:37:41,549
time for about eight years that the I

853
00:37:46,099 --> 00:37:43,200
don't know if anybody

854
00:37:49,069 --> 00:37:46,109
knows what the Magic Castle is in

855
00:37:51,289 --> 00:37:49,079
Hollywood California all the magicians

856
00:37:53,539 --> 00:37:51,299
all the famous ones started there I was

857
00:37:55,640 --> 00:37:53,549
the director of member services you know

858
00:37:58,910 --> 00:37:55,650
it's not a really responsible job but

859
00:38:00,740 --> 00:37:58,920
the members there I wasn't sure how they

860
00:38:04,250 --> 00:38:00,750
were going to react because it's a

861
00:38:07,250 --> 00:38:04,260
private club but the owner Milt Larson

862
00:38:09,859 --> 00:38:07,260
put it out in the the newspaper of the

863
00:38:11,569 --> 00:38:09,869

Magic Castle that oh she saw bonds on

864

00:38:14,690 --> 00:38:11,579

her way to Roswell so she's gonna be a

865

00:38:16,460 --> 00:38:14,700

lecturer and I had members come up to me

866

00:38:19,130 --> 00:38:16,470

some of them who are doctors and say oh

867

00:38:22,910 --> 00:38:19,140

my god I had a sighting in the 60s and I

868

00:38:26,809 --> 00:38:22,920

didn't tell anybody just most recently I

869

00:38:29,510 --> 00:38:26,819

have liked hypnotherapy practice and 99%

870

00:38:32,510 --> 00:38:29,520

of it is abductions but I do have on the

871

00:38:36,470 --> 00:38:32,520

other side I help people with stress and

872

00:38:39,020 --> 00:38:36,480

anxiety and you know recall and so forth

873

00:38:39,260 --> 00:38:39,030

have a very high profile client right

874

00:38:43,220 --> 00:38:39,270

now

875

00:38:44,569 --> 00:38:43,230

and he happened he didn't have my number

876

00:38:47,539 --> 00:38:44,579

or he couldn't find it he happened to

877

00:38:50,120 --> 00:38:47,549

google me and he saw that other Yvonne

878

00:38:51,620 --> 00:38:50,130

Smith and he thought he goes oh my gosh

879

00:38:53,270 --> 00:38:51,630

I didn't know you did this and you're

880

00:38:55,039 --> 00:38:53,280

you wrote your books you know sometime

881

00:38:59,150 --> 00:38:55,049

I'm gonna have to talk to you about this

882

00:39:02,390 --> 00:38:59,160

so what I'm striving for I think we all

883

00:39:06,049 --> 00:39:02,400

are is getting getting past this

884

00:39:08,720 --> 00:39:06,059

ridicule factor that's why you know when

885

00:39:10,609 --> 00:39:08,730

Jim came into my support group he had

886

00:39:14,210 --> 00:39:10,619

told me he was he wanted to write a book

887

00:39:16,520 --> 00:39:14,220

about it the abductees civil rights and

888

00:39:19,160 --> 00:39:16,530

I at the same time had thought about

889

00:39:21,260 --> 00:39:19,170

abductees civil rights and so I had

890

00:39:23,660 --> 00:39:21,270

goose bumps when he told me this and

891

00:39:26,059 --> 00:39:23,670

he's writing it from a lawyer's

892

00:39:28,880 --> 00:39:26,069

perspective but I had been talking about

893

00:39:33,530 --> 00:39:28,890

it in my lectures so I you know it's

894

00:39:35,990 --> 00:39:33,540

time that people like Jim other people

895

00:39:37,760 --> 00:39:36,000

that I have are you know outstanding

896

00:39:41,089 --> 00:39:37,770

citizens I mean medical doctors and

897

00:39:43,430 --> 00:39:41,099

lawyers and you know I have scientists

898

00:39:46,099 --> 00:39:43,440

from JPL who have come to me as

899

00:39:48,980 --> 00:39:46,109

abductees these people start coming

900

00:39:50,809 --> 00:39:48,990

forward even more and more the masses

901
00:39:53,089 --> 00:39:50,819
come forward I mean we want to try to

902
00:39:55,069 --> 00:39:53,099
make it easier for them of course that's

903
00:39:56,930 --> 00:39:55,079
why I keep putting my neck out on the

904
00:40:00,079 --> 00:39:56,940
chopping block just like Stan

905
00:40:01,640 --> 00:40:00,089
said he he's done and hopefully like

906
00:40:04,280 --> 00:40:01,650
we're all staying this is turning the

907
00:40:07,430 --> 00:40:04,290
tide with you know with the this news

908
00:40:10,849 --> 00:40:07,440
coming out at about the Pentagon my son

909
00:40:13,309 --> 00:40:10,859
helped Harry Reid get elected my oldest

910
00:40:15,589 --> 00:40:13,319
son and so when I sent him that article

911
00:40:17,540 --> 00:40:15,599
I said look at your guy look what your

912
00:40:20,960 --> 00:40:17,550
guy did look what he believes I look at

913
00:40:24,500 --> 00:40:20,970

he's you know and my oldest son is like

914

00:40:26,300 --> 00:40:24,510

my ex-husband he's very you know more

915

00:40:29,990 --> 00:40:26,310

formal and so far that he didn't know

916

00:40:33,109 --> 00:40:30,000

what to say so I'm hoping that we are

917

00:40:37,120 --> 00:40:33,119

turning the tide here that we are not

918

00:40:40,099 --> 00:40:37,130

going to worry about any more about the

919

00:40:44,630 --> 00:40:40,109

stigma of people losing jobs and so

920

00:40:47,180 --> 00:40:44,640

forth thank you so one thing I just

921

00:40:49,160 --> 00:40:47,190

thought of everyone is the majority of

922

00:40:50,599 --> 00:40:49,170

people that listen to this listen to it

923

00:40:52,630 --> 00:40:50,609

as audio so why don't we say our names

924

00:40:56,240 --> 00:40:52,640

each time this is Martin Wallace sure

925

00:41:01,420 --> 00:40:56,250

this is this is Denali oh no I'm fake

926
00:41:03,349 --> 00:41:01,430
UFO crater no no no just kidding kind of

927
00:41:04,910 --> 00:41:03,359
one thing that we haven't talked about

928
00:41:07,309 --> 00:41:04,920
and I believe it needs to be addressed

929
00:41:09,859 --> 00:41:07,319
and I hope I don't get a lot of grief

930
00:41:12,380 --> 00:41:09,869
but I got to throw it out there all of

931
00:41:15,740 --> 00:41:12,390
you guys got bloodied going through the

932
00:41:17,960 --> 00:41:15,750
door the first time it's kind of like

933
00:41:21,319 --> 00:41:17,970
Normandy you guys all stormed the

934
00:41:23,059 --> 00:41:21,329
beaches especially Staunton and that was

935
00:41:26,180 --> 00:41:23,069
a lot of hard work and there was

936
00:41:29,210 --> 00:41:26,190
collateral damage to it we're in a

937
00:41:31,220 --> 00:41:29,220
different world now I guess I'm kind of

938
00:41:34,099 --> 00:41:31,230

in-between the new generation and you

939

00:41:37,270 --> 00:41:34,109

guys and and I see a lot of

940

00:41:39,800 --> 00:41:37,280

up-and-coming ufo-ologists UFO experts

941

00:41:42,650 --> 00:41:39,810

researchers I think it's the best term

942

00:41:45,800 --> 00:41:42,660

and and I see it there is some animosity

943

00:41:48,470 --> 00:41:45,810

between them you know the older and the

944

00:41:51,800 --> 00:41:48,480

new and my feeling is people like Tom

945

00:41:53,630 --> 00:41:51,810

DeLonge and Jeremy Korb and his

946

00:41:56,870 --> 00:41:53,640

patient 17 which is a really good

947

00:41:59,180 --> 00:41:56,880

documentary on on alien implant implants

948

00:42:02,750 --> 00:41:59,190

these people are working on continuing

949

00:42:06,079 --> 00:42:02,760

the legacy so it seems to be kind of

950

00:42:08,300 --> 00:42:06,089

easier for them because it is and it is

951
00:42:10,769 --> 00:42:08,310
because of everyone here in this room

952
00:42:13,049 --> 00:42:10,779
you guys made it easy for the next gen

953
00:42:14,640 --> 00:42:13,059
raishin you guys you know there were

954
00:42:17,039 --> 00:42:14,650
casualties left and right on the beaches

955
00:42:19,890 --> 00:42:17,049
but you guys pave the way for them to

956
00:42:21,839 --> 00:42:19,900
come in and so I think all of us kind of

957
00:42:24,149 --> 00:42:21,849
need to pull together you know making

958
00:42:26,609 --> 00:42:24,159
sure that people's motivations are

959
00:42:28,559 --> 00:42:26,619
they're coming from the right place but

960
00:42:29,880 --> 00:42:28,569
barring that I think that we all need to

961
00:42:31,620 --> 00:42:29,890
you know we'll be stronger if the

962
00:42:33,329 --> 00:42:31,630
pyramid is you know the foundation that

963
00:42:34,620 --> 00:42:33,339

you guys have set and they continue it

964

00:42:36,719 --> 00:42:34,630

and hopefully we'll see more and more

965

00:42:38,459 --> 00:42:36,729

and then it'll become something that is

966

00:42:41,159 --> 00:42:38,469

just this generational thing that is now

967

00:42:43,620 --> 00:42:41,169

accepted and now we're dealing with okay

968

00:42:45,630 --> 00:42:43,630

so what is this not is this real or not

969

00:42:50,159 --> 00:42:45,640

that's already gone now we're you know

970

00:42:52,620 --> 00:42:50,169

next level here it's kevin Gasman we

971

00:42:54,989 --> 00:42:52,630

talked about I I did radio for about 15

972

00:42:57,419 --> 00:42:54,999

years before I jumped into talking about

973

00:43:00,299 --> 00:42:57,429

aliens I was a rock-and-roll DJ and well

974

00:43:02,159 --> 00:43:00,309

still AM you know but I didn't really

975

00:43:04,620 --> 00:43:02,169

snap to the fact that I was coming out

976
00:43:06,630 --> 00:43:04,630
of the alien closet you know to come out

977
00:43:08,489 --> 00:43:06,640
and say that I believe or I you know

978
00:43:10,319 --> 00:43:08,499
like I love talking about this this the

979
00:43:12,749 --> 00:43:10,329
subject it's fascinating so when I meet

980
00:43:15,059 --> 00:43:12,759
people maybe being from the radio a

981
00:43:16,169 --> 00:43:15,069
rocker my radio DJ side is I'm meeting

982
00:43:18,809 --> 00:43:16,179
more people who are more accepting to

983
00:43:20,069 --> 00:43:18,819
what I talk about you know nine times

984
00:43:22,259 --> 00:43:20,079
out of ten like everyone said when you

985
00:43:24,149 --> 00:43:22,269
meet someone after you tell them what

986
00:43:25,529 --> 00:43:24,159
you do or what you're into they're gonna

987
00:43:27,209 --> 00:43:25,539
come right back and say well I saw

988
00:43:28,439 --> 00:43:27,219

something this happened to me or someone

989

00:43:29,549 --> 00:43:28,449

that happened to my family or this and

990

00:43:30,449 --> 00:43:29,559

that you're always good to get something

991

00:43:32,279 --> 00:43:30,459

so I think people feel more comfortable

992

00:43:33,809 --> 00:43:32,289

when they hear someone that's in the

993

00:43:36,029 --> 00:43:33,819

field but to say that it's okay for them

994

00:43:37,589 --> 00:43:36,039

to come out and say what they feel the

995

00:43:39,179 --> 00:43:37,599

normalization of it all through ancient

996

00:43:40,529 --> 00:43:39,189

aliens on TV and all these different

997

00:43:42,719 --> 00:43:40,539

shows that are coming up and

998

00:43:44,429 --> 00:43:42,729

what-have-you is getting I think may

999

00:43:45,329 --> 00:43:44,439

connect you with people in a way that

1000

00:43:47,459 --> 00:43:45,339

they're gonna feel like they're not

1001
00:43:49,799 --> 00:43:47,469
alone and what they have a how they

1002
00:43:53,159 --> 00:43:49,809
think and what the overall scheme of

1003
00:43:55,799 --> 00:43:53,169
things is all about this is Bob Gross

1004
00:43:57,630 --> 00:43:55,809
again I think that's extremely important

1005
00:44:00,929 --> 00:43:57,640
what you were just saying I think as

1006
00:44:03,029 --> 00:44:00,939
more and more qualified researchers come

1007
00:44:06,209 --> 00:44:03,039
into the field and looking of what's out

1008
00:44:08,039 --> 00:44:06,219
there because I've got no doubt in my

1009
00:44:09,809 --> 00:44:08,049
mind that the people I've talked with

1010
00:44:12,299 --> 00:44:09,819
have experienced something there's no

1011
00:44:13,829 --> 00:44:12,309
doubt whatsoever and I've got people

1012
00:44:15,899 --> 00:44:13,839
that have come to me because I have a

1013
00:44:17,880 --> 00:44:15,909

doctorate and I've seen UFOs and I'm

1014

00:44:19,519 --> 00:44:17,890

admitting that I have I've got people

1015

00:44:22,429 --> 00:44:19,529

that come to me with stories about

1016

00:44:24,330 --> 00:44:22,439

abductions that I can't tell anyone and

1017

00:44:26,670 --> 00:44:24,340

they're very

1018

00:44:30,360 --> 00:44:26,680

well known well-to-do people it's not

1019

00:44:32,700 --> 00:44:30,370

just the average guy on the street that

1020

00:44:34,950 --> 00:44:32,710

gets abducted you would be surprised I

1021

00:44:36,720 --> 00:44:34,960

know I'm just amazed what I know and I

1022

00:44:39,990 --> 00:44:36,730

can't even really share that but there's

1023

00:44:42,930 --> 00:44:40,000

more people I think open up and admit to

1024

00:44:44,970 --> 00:44:42,940

either believing in and maybe UFOs isn't

1025

00:44:46,770 --> 00:44:44,980

the right term anymore but there's

1026

00:44:49,110 --> 00:44:46,780

something out there you know when you

1027

00:44:51,270 --> 00:44:49,120

take a look in fact some of the research

1028

00:44:54,150 --> 00:44:51,280

I did I was running crust I think it was

1029

00:44:55,890 --> 00:44:54,160

2001 that Nassau found a cold spot in

1030

00:44:58,740 --> 00:44:55,900

the universe that could have been an

1031

00:45:01,170 --> 00:44:58,750

opening for the multiverse you know so

1032

00:45:04,770 --> 00:45:01,180

there's other stuff out there that that

1033

00:45:06,060 --> 00:45:04,780

we have no clue about yet but I think

1034

00:45:09,060 --> 00:45:06,070

it's important to gain people's trust

1035

00:45:11,010 --> 00:45:09,070

and I think there's legitimate people

1036

00:45:12,960 --> 00:45:11,020

like us that people can trust and I

1037

00:45:17,700 --> 00:45:12,970

think as long as we're out there they'll

1038

00:45:21,030 --> 00:45:17,710

come forward before you pass it well we

1039

00:45:23,190 --> 00:45:21,040

can go back to Bob if you're up for it I

1040

00:45:27,180 --> 00:45:23,200

would love for you to talk in a nutshell

1041

00:45:37,740 --> 00:45:27,190

about the Kecksburg if you can possibly

1042

00:45:39,510 --> 00:45:37,750

do any type of nutshell or just I'd say

1043

00:45:49,110 --> 00:45:39,520

maybe he is speaking net shells I guess

1044

00:45:51,630 --> 00:45:49,120

Kecksburg case was a big a coin I

1045

00:45:52,890 --> 00:45:51,640

studied a semester at second city in

1046

00:45:59,300 --> 00:45:52,900

Chicago

1047

00:46:02,250 --> 00:45:59,310

can you tell and I don't even drink beer

1048

00:46:04,890 --> 00:46:02,260

okay with a Kecksburg case just very

1049

00:46:07,590 --> 00:46:04,900

quickly it happened back in 1965 and

1050

00:46:10,170 --> 00:46:07,600

there an object was seen in the skies of

1051
00:46:14,730 --> 00:46:10,180
Pennsylvania and it was doing things

1052
00:46:16,590 --> 00:46:14,740
that objects shouldn't do it wasn't

1053
00:46:19,530 --> 00:46:16,600
drinking rating like that but it was

1054
00:46:21,540 --> 00:46:19,540
coming in at an irregular angle and it

1055
00:46:24,690 --> 00:46:21,550
was had a trajectory that was very

1056
00:46:26,490 --> 00:46:24,700
strange and then actually I talked with

1057
00:46:28,950 --> 00:46:26,500
people that actually saw it flying it

1058
00:46:31,410 --> 00:46:28,960
was like his ball of fire and in it it

1059
00:46:33,090 --> 00:46:31,420
landed in Kecksburg but it would stop it

1060
00:46:36,930 --> 00:46:33,100
would turn and do things like that

1061
00:46:37,990 --> 00:46:36,940
well then eventually that way it was

1062
00:46:41,440 --> 00:46:38,000
thought to have been either

1063
00:46:43,840 --> 00:46:41,450

a UFO or a deep-space probe of some type

1064

00:46:48,130 --> 00:46:43,850

or it could have been like something

1065

00:46:51,160 --> 00:46:48,140

from another country and basically for

1066

00:46:53,290 --> 00:46:51,170

50 years the whole thing went unsolved

1067

00:46:55,960 --> 00:46:53,300

and there were a lot of clues that

1068

00:46:58,960 --> 00:46:55,970

people weren't looking into and I did

1069

00:47:01,180 --> 00:46:58,970

happen to look into that and I'm I

1070

00:47:02,800 --> 00:47:01,190

firmly believe that I have a

1071

00:47:04,870 --> 00:47:02,810

preponderance of both direct and

1072

00:47:08,320 --> 00:47:04,880

circumstantial evidence that what people

1073

00:47:10,960 --> 00:47:08,330

saw was a corona satellites

1074

00:47:12,250 --> 00:47:10,970

film bucket because film buckets are

1075

00:47:14,110 --> 00:47:12,260

gold in there

1076
00:47:15,700 --> 00:47:14,120
acorn shape and they're shiny and so

1077
00:47:18,940 --> 00:47:15,710
forth and it would have had the capacity

1078
00:47:20,320 --> 00:47:18,950
to with its recovery vehicle it would

1079
00:47:22,330 --> 00:47:20,330
have had the capacity to make those

1080
00:47:25,540 --> 00:47:22,340
maneuvers so the thing that put it in

1081
00:47:29,650 --> 00:47:25,550
the UFO category was it a its ability to

1082
00:47:31,420 --> 00:47:29,660
have a strange trajectory well now if

1083
00:47:33,760 --> 00:47:31,430
you would have known about the corona

1084
00:47:35,920 --> 00:47:33,770
program knowing that they they they had

1085
00:47:37,930 --> 00:47:35,930
those capacities you would think oh

1086
00:47:40,420 --> 00:47:37,940
there's another one of the host film

1087
00:47:43,390 --> 00:47:40,430
buckets again because they lost 40 of

1088
00:47:46,720 --> 00:47:43,400

more than 40 up and now and so that's

1089

00:47:48,460 --> 00:47:46,730

kind of it I you know it's it's and it's

1090

00:47:50,470 --> 00:47:48,470

a great experience I mean I think and

1091

00:47:54,430 --> 00:47:50,480

there was I believe a nuclear experiment

1092

00:47:57,040 --> 00:47:54,440

onboard that film bucket which makes

1093

00:47:59,470 --> 00:47:57,050

even more dangerous than UFO could have

1094

00:48:01,120 --> 00:47:59,480

been so you know what you think you know

1095

00:48:04,060 --> 00:48:01,130

you it still would have been an exciting

1096

00:48:06,220 --> 00:48:04,070

thing to see but but that's kind of I

1097

00:48:08,220 --> 00:48:06,230

hope that was in a nutshell that's

1098

00:48:10,540 --> 00:48:08,230

beautiful thank you all right thanks

1099

00:48:12,460 --> 00:48:10,550

Jason so continuing on the last thought

1100

00:48:14,740 --> 00:48:12,470

right yeah well now I feel bad

1101
00:48:18,220 --> 00:48:14,750
interrupting the Kecksburg conversation

1102
00:48:21,070 --> 00:48:18,230
but just just going back to two Dean's

1103
00:48:24,190 --> 00:48:21,080
comments and responding to those I love

1104
00:48:26,320 --> 00:48:24,200
that you mentioned Jeremy and Tom in the

1105
00:48:28,300 --> 00:48:26,330
same sentence they would both be happy

1106
00:48:30,430 --> 00:48:28,310
about that but they're they're both my

1107
00:48:32,230 --> 00:48:30,440
friends and I love them dearly I mean I

1108
00:48:35,320 --> 00:48:32,240
actually worked for Tom and to the stars

1109
00:48:36,790 --> 00:48:35,330
for for about a year or so I have

1110
00:48:39,220 --> 00:48:36,800
nothing but love for those guys and

1111
00:48:41,980 --> 00:48:39,230
Jeremy's doing incredible things but you

1112
00:48:44,560 --> 00:48:41,990
know in my experience you know and it's

1113
00:48:47,380 --> 00:48:44,570

probably a decade now that I've been

1114

00:48:51,240 --> 00:48:47,390

heavily involved in this strange and

1115

00:48:53,100 --> 00:48:51,250

wonderful field of UFOs I

1116

00:48:59,310 --> 00:48:53,110

you want to say that I've had nothing

1117

00:49:03,000 --> 00:48:59,320

but support encouragement and love from

1118

00:49:07,410 --> 00:49:03,010

veteran UFO researchers you know I one

1119

00:49:09,300 --> 00:49:07,420

of my early memories of you know having

1120

00:49:11,730 --> 00:49:09,310

interactions with people is you know

1121

00:49:14,970 --> 00:49:11,740

getting margaritas with Travis you know

1122

00:49:18,030 --> 00:49:14,980

I mean it's a very welcoming community

1123

00:49:21,000 --> 00:49:18,040

and something that I love every chance I

1124

00:49:23,580 --> 00:49:21,010

get to highlight to people wondering

1125

00:49:25,340 --> 00:49:23,590

about interactions with people within

1126

00:49:28,560 --> 00:49:25,350

this field who have differing viewpoints

1127

00:49:30,630 --> 00:49:28,570

even you know Facebook paints a picture

1128

00:49:32,790 --> 00:49:30,640

that we're all at war with each other if

1129

00:49:34,800 --> 00:49:32,800

we don't ascribe to the same beliefs and

1130

00:49:36,690 --> 00:49:34,810

that may be true for some but I

1131

00:49:38,340 --> 00:49:36,700

personally never experienced that you

1132

00:49:40,170 --> 00:49:38,350

know we do have our differences we have

1133

00:49:41,640 --> 00:49:40,180

our own individual beliefs about things

1134

00:49:44,190 --> 00:49:41,650

are different ideas and thoughts and

1135

00:49:46,730 --> 00:49:44,200

coming to events like this like the UFO

1136

00:49:49,560 --> 00:49:46,740

Congress are a fantastic way to

1137

00:49:51,180 --> 00:49:49,570

understand that we're all you know

1138

00:49:54,570 --> 00:49:51,190

playing the same game we're all

1139

00:49:57,050 --> 00:49:54,580

searching for answers we're all human it

1140

00:50:00,930 --> 00:49:57,060

comes down to it we're all human and

1141

00:50:03,390 --> 00:50:00,940

humans have our own experiences that we

1142

00:50:07,230 --> 00:50:03,400

reference to the different ideas we have

1143

00:50:08,520 --> 00:50:07,240

and the veterans I've encountered and

1144

00:50:10,260 --> 00:50:08,530

worked with over the years have been

1145

00:50:13,110 --> 00:50:10,270

nothing but welcoming and supportive and

1146

00:50:16,620 --> 00:50:13,120

everything I've done I'm gonna ask you

1147

00:50:17,880 --> 00:50:16,630

to continue on here I have to take care

1148

00:50:19,950 --> 00:50:17,890

of the camera or we're gonna lose him

1149

00:50:25,800 --> 00:50:19,960

pretty soon so I'd get a figure a way to

1150

00:50:29,040 --> 00:50:25,810

get it charging so okay this is Jennifer

1151

00:50:31,230 --> 00:50:29,050

Stein I will second what Jason just

1152

00:50:34,740 --> 00:50:31,240

shared I went to my first MUFON

1153

00:50:37,770 --> 00:50:34,750

conference in 2000 encouraged by a

1154

00:50:40,860 --> 00:50:37,780

friend Ruben Uriarte who I'd made a crop

1155

00:50:42,750 --> 00:50:40,870

circle trip with and he I said I want to

1156

00:50:44,400 --> 00:50:42,760

I want to join I want to learn about

1157

00:50:46,680 --> 00:50:44,410

MUFON do we have a chapter in

1158

00:50:48,480 --> 00:50:46,690

Pennsylvania I went to a conference and

1159

00:50:52,080 --> 00:50:48,490

found out at that point we didn't and

1160

00:50:54,660 --> 00:50:52,090

Ruben bugged me enough to start a MUFON

1161

00:50:56,190 --> 00:50:54,670

group in Philadelphia I and I said well

1162

00:50:59,640 --> 00:50:56,200

I don't want to start one I just want to

1163

00:51:02,580 --> 00:50:59,650

join one but to second you what you said

1164

00:51:03,900 --> 00:51:02,590

Jason I went to the bar and sat down and

1165

00:51:05,309 --> 00:51:03,910

talked to some people I didn't know

1166

00:51:08,569 --> 00:51:05,319

these were XML

1167

00:51:11,880 --> 00:51:08,579

pterrri people who were very friendly

1168

00:51:13,969 --> 00:51:11,890

they shared with me sometimes their own

1169

00:51:17,160 --> 00:51:13,979

stories but sometimes they were sharing

1170

00:51:18,599 --> 00:51:17,170

to me or with me stories that they were

1171

00:51:20,130 --> 00:51:18,609

allowed to tell but weren't their

1172

00:51:21,479 --> 00:51:20,140

stories they were somebody else's

1173

00:51:23,609 --> 00:51:21,489

stories because they were still under

1174

00:51:25,289 --> 00:51:23,619

oath or under some sort of security

1175

00:51:27,299 --> 00:51:25,299

clearance that they couldn't share their

1176

00:51:29,519 --> 00:51:27,309

own experience but they said I'll tell

1177

00:51:33,059 --> 00:51:29,529

you someone else's experience that is as

1178

00:51:37,400 --> 00:51:33,069

profound as mine and I was so impressed

1179

00:51:39,900 --> 00:51:37,410

with their humility their integrity the

1180

00:51:42,120 --> 00:51:39,910

difficulties that they lived with in

1181

00:51:44,099 --> 00:51:42,130

their lives knowing these things and

1182

00:51:45,930 --> 00:51:44,109

then not feeling that they really

1183

00:51:47,729 --> 00:51:45,940

couldn't publicly speak about them for a

1184

00:51:50,039 --> 00:51:47,739

variety of reasons which I understood

1185

00:51:52,709 --> 00:51:50,049

that that made me really want to join

1186

00:51:54,930 --> 00:51:52,719

MUFON because I thought wow these people

1187

00:51:56,400 --> 00:51:54,940

have huge integrity and I have huge

1188

00:52:00,180 --> 00:51:56,410

respect for them and if I could do

1189

00:52:01,799 --> 00:52:00,190

anything to help further this expansion

1190

00:52:04,410 --> 00:52:01,809

of awareness and consciousness

1191

00:52:06,719 --> 00:52:04,420

I would like to so I ended up starting a

1192

00:52:10,199 --> 00:52:06,729

little local chapter which stanton has

1193

00:52:13,319 --> 00:52:10,209

come and spoke at travis has it's now 18

1194

00:52:15,150 --> 00:52:13,329

years in the making and it was a big

1195

00:52:17,699 --> 00:52:15,160

decision to step forward

1196

00:52:19,799 --> 00:52:17,709

I remember thinking deeply about whether

1197

00:52:21,870 --> 00:52:19,809

or not I wanted to do that or not

1198

00:52:24,630 --> 00:52:21,880

I had a sighting myself that stayed in

1199

00:52:26,400 --> 00:52:24,640

my gray box for 25 years because I

1200

00:52:29,400 --> 00:52:26,410

thought I was alone at the time when I

1201

00:52:32,219 --> 00:52:29,410

had it and about 25 years after the

1202

00:52:36,509 --> 00:52:32,229

sighting someone who was at my house at

1203

00:52:38,160 --> 00:52:36,519

the same time said to me you know Jen we

1204

00:52:40,319 --> 00:52:38,170

had a reunion we hadn't seen each other

1205

00:52:41,999 --> 00:52:40,329

in a long time we'd spent a year on a

1206

00:52:44,099 --> 00:52:42,009

traveling Roadshow together called up

1207

00:52:46,469 --> 00:52:44,109

with people and he come to stay at my

1208

00:52:48,390 --> 00:52:46,479

house about a year after that because he

1209

00:52:50,759 --> 00:52:48,400

was out of money coming back from Europe

1210

00:52:53,099 --> 00:52:50,769

and he was staying with my family and my

1211

00:52:55,349 --> 00:52:53,109

parents and myself I was 19 at the time

1212

00:52:57,719 --> 00:52:55,359

so is he and he was asleep on a

1213

00:53:01,439 --> 00:52:57,729

different floor of the house and he and

1214

00:53:03,120 --> 00:53:01,449

I saw a very large object at about 4:30

1215

00:53:05,430 --> 00:53:03,130

in the morning

1216

00:53:06,779 --> 00:53:05,440

well now I'm sorry it was 5:30 in the

1217

00:53:09,229 --> 00:53:06,789

morning but it wasn't quite light out

1218

00:53:11,930 --> 00:53:09,239

yet and it was quite a profound

1219

00:53:16,650 --> 00:53:11,940

experience I would say it was a craft

1220

00:53:17,819 --> 00:53:16,660

about 90 feet long at about 6 to 7 feet

1221

00:53:20,969 --> 00:53:17,829

high and it appear

1222

00:53:23,400 --> 00:53:20,979

as a white rectangle of light that

1223

00:53:27,089 --> 00:53:23,410

undulated but didn't light anything up

1224

00:53:29,130 --> 00:53:27,099

and got our attentions for sure I knew

1225

00:53:31,380 --> 00:53:29,140

it was a bizarre experience but I didn't

1226
00:53:35,069 --> 00:53:31,390
know he had it we never discussed it at

1227
00:53:36,719 --> 00:53:35,079
the time so for some reason I was

1228
00:53:40,979 --> 00:53:36,729
journaling at that point and I wrote it

1229
00:53:43,079 --> 00:53:40,989
down as a dream but yet after this

1230
00:53:44,759 --> 00:53:43,089
experience I was so freaked out I ran

1231
00:53:47,719 --> 00:53:44,769
into my mother's room and discussed it

1232
00:53:52,709 --> 00:53:47,729
with her she asked me if I was on drugs

1233
00:53:54,509 --> 00:53:52,719
right I went back and laid down thinking

1234
00:53:56,309 --> 00:53:54,519
oh I got it I have to write this down I

1235
00:53:59,130 --> 00:53:56,319
have to write this down I can't go back

1236
00:54:00,809 --> 00:53:59,140
to sleep but I was so freaked out when I

1237
00:54:03,089 --> 00:54:00,819
realized I'd lost about an hour and a

1238
00:54:05,519 --> 00:54:03,099

half of time that I couldn't wrap my

1239

00:54:07,799 --> 00:54:05,529

brain around what had just happened but

1240

00:54:10,890 --> 00:54:07,809

sure enough I woke up at about 10:30 11

1241

00:54:12,359 --> 00:54:10,900

o'clock as most teenagers can do and I

1242

00:54:15,120 --> 00:54:12,369

wrote the whole thing down immediately

1243

00:54:17,849 --> 00:54:15,130

because it was fresh in my mind so I had

1244

00:54:20,699 --> 00:54:17,859

it journaled and 25 years and I always

1245

00:54:23,459 --> 00:54:20,709

went back to it and I said well you know

1246

00:54:25,380 --> 00:54:23,469

I talked to my mom my mom said yes I

1247

00:54:28,410 --> 00:54:25,390

came into a room and woke her up and

1248

00:54:29,999 --> 00:54:28,420

asked her if she saw this craft and she

1249

00:54:32,549 --> 00:54:30,009

asked me if I was on drugs so I knew

1250

00:54:34,979 --> 00:54:32,559

that part was real but I didn't know the

1251

00:54:37,019 --> 00:54:34,989

actual experience was real but if I

1252

00:54:38,999 --> 00:54:37,029

hadn't journaled it paid attention to it

1253

00:54:41,279 --> 00:54:39,009

written it down and pondered it for 25

1254

00:54:44,819 --> 00:54:41,289

years when my friend asked me what

1255

00:54:47,370 --> 00:54:44,829

happened when we had that experience you

1256

00:54:50,459 --> 00:54:47,380

know I dropped my wineglass I started to

1257

00:54:52,499 --> 00:54:50,469

cry I backed up I said what are you

1258

00:54:54,989 --> 00:54:52,509

talking about nice and in fact don't

1259

00:54:56,819 --> 00:54:54,999

even play with my memory you go write

1260

00:54:58,829 --> 00:54:56,829

your story down in the front yard and

1261

00:55:00,930 --> 00:54:58,839

you take your glass of wine and your

1262

00:55:03,120 --> 00:55:00,940

cigarettes right and I'll go write down

1263

00:55:04,859 --> 00:55:03,130

my story in the backyard and then we're

1264

00:55:06,329 --> 00:55:04,869

gonna read each other stories because I

1265

00:55:09,120 --> 00:55:06,339

don't want you messing with my memory

1266

00:55:13,170 --> 00:55:09,130

and when I realized that he had the same

1267

00:55:15,900 --> 00:55:13,180

experience I did that gave me the

1268

00:55:18,599 --> 00:55:15,910

confidence that I needed to say okay I

1269

00:55:21,689 --> 00:55:18,609

can step forward in this field I don't

1270

00:55:23,309 --> 00:55:21,699

know a thing about it except that my

1271

00:55:25,529 --> 00:55:23,319

consciousness has been changed by the

1272

00:55:28,499 --> 00:55:25,539

experience of it and I'm now going to

1273

00:55:30,630 --> 00:55:28,509

give myself permission to start to learn

1274

00:55:31,680 --> 00:55:30,640

and that's after I won that I went to my

1275

00:55:33,720 --> 00:55:31,690

first move a calm

1276

00:55:36,030 --> 00:55:33,730

Frandsen started going forward from

1277

00:55:38,910 --> 00:55:36,040

there so my point is you have to know

1278

00:55:40,890 --> 00:55:38,920

the firm ground under you we can all be

1279

00:55:42,720 --> 00:55:40,900

teachers in this field even people in

1280

00:55:44,790 --> 00:55:42,730

the listening audience who have had

1281

00:55:48,059 --> 00:55:44,800

experiences and they don't know what to

1282

00:55:50,309 --> 00:55:48,069

do with them not to be frightened by

1283

00:55:52,410 --> 00:55:50,319

them too you know like some people when

1284

00:55:55,829 --> 00:55:52,420

they finally get cancer right it's

1285

00:55:57,660 --> 00:55:55,839

usually a door opener for many changes

1286

00:56:00,390 --> 00:55:57,670

in their life and they can be profound

1287

00:56:02,670 --> 00:56:00,400

and beneficial changes it's all like

1288

00:56:05,190 --> 00:56:02,680

what dr. Michael Carter just said in his

1289

00:56:07,200 --> 00:56:05,200

speech today you know do you look at the

1290

00:56:09,540 --> 00:56:07,210

world as a positive experience or as a

1291

00:56:11,790 --> 00:56:09,550

negative experience you can look at the

1292

00:56:13,950 --> 00:56:11,800

same glass of water as half-full or

1293

00:56:15,540 --> 00:56:13,960

half-empty and I think we are the ones

1294

00:56:18,450 --> 00:56:15,550

that need to choose how we're going to

1295

00:56:20,640 --> 00:56:18,460

digest this phenomenon how we're going

1296

00:56:23,760 --> 00:56:20,650

to go forward with it how we are going

1297

00:56:27,059 --> 00:56:23,770

to be representatives of our experiences

1298

00:56:28,710 --> 00:56:27,069

and the agenda the phenomenon and how

1299

00:56:32,520 --> 00:56:28,720

we're going to bring the next generation

1300

00:56:36,059 --> 00:56:32,530

in to it Stanton Friedman has just

1301
00:56:41,460 --> 00:56:36,069
turned into Kathleen Mardin this is Dean

1302
00:56:44,069 --> 00:56:41,470
here so who is the niece of Betty of

1303
00:56:45,599 --> 00:56:44,079
Betty and Barney Hill Fame so I have a

1304
00:56:46,620 --> 00:56:45,609
question for you since your just show up

1305
00:56:48,930 --> 00:56:46,630
we're going to throw you right into it

1306
00:56:51,120 --> 00:56:48,940
how do I get the rights for the book

1307
00:56:53,700 --> 00:56:51,130
captured away from Bryce Isabel because

1308
00:56:57,480 --> 00:56:53,710
I need to make that movie that the it's

1309
00:56:59,609 --> 00:56:57,490
an amazing story yeah it's it's the

1310
00:57:01,440 --> 00:56:59,619
thing that's interesting is is the the

1311
00:57:03,780 --> 00:57:01,450
race to issues and everything which is

1312
00:57:05,220 --> 00:57:03,790
even more hot but how does that

1313
00:57:06,359 --> 00:57:05,230

reflecting on that I mean they had to

1314

00:57:07,950 --> 00:57:06,369

deal with it back then it feels like

1315

00:57:09,390 --> 00:57:07,960

we've gone two steps back so I just want

1316

00:57:13,640 --> 00:57:09,400

you're kind of take on looking back

1317

00:57:22,109 --> 00:57:17,490

looking back to when this first happened

1318

00:57:25,290 --> 00:57:22,119

I was 13 years old and Betty called my

1319

00:57:29,010 --> 00:57:25,300

mother and said you know last night on

1320

00:57:33,079 --> 00:57:29,020

the way home from our vacation we saw a

1321

00:57:36,569 --> 00:57:33,089

flying saucer and it came so low that

1322

00:57:39,240 --> 00:57:36,579

we're afraid that we might have gotten

1323

00:57:39,660 --> 00:57:39,250

radiation poisoning or something from

1324

00:57:43,099 --> 00:57:39,670

this

1325

00:57:45,450 --> 00:57:43,109

they took long showers I remember them

1326

00:57:47,970 --> 00:57:45,460

we were a close family they

1327

00:57:51,089 --> 00:57:47,980

about 20 miles away from my childhood

1328

00:57:52,950 --> 00:57:51,099

home but we were at that house within a

1329

00:57:59,070 --> 00:57:52,960

couple of days from the time that

1330

00:58:02,940 --> 00:57:59,080

happened and I remember Barney being so

1331

00:58:05,460 --> 00:58:02,950

sort of reflective and quiet usually he

1332

00:58:09,120 --> 00:58:05,470

was a really gregarious kind of guy the

1333

00:58:10,950 --> 00:58:09,130

kind of guy that every kid wants to see

1334

00:58:13,530 --> 00:58:10,960

first because he's going to make you

1335

00:58:18,390 --> 00:58:13,540

laugh and smile and and took a lot of

1336

00:58:20,910 --> 00:58:18,400

interest in us he was a little different

1337

00:58:24,359 --> 00:58:20,920

that day and he and my father sat

1338

00:58:26,250 --> 00:58:24,369

quietly in the living room Barney was

1339

00:58:31,050 --> 00:58:26,260

waiting for another phone call from

1340

00:58:35,280 --> 00:58:31,060

Pease Air Force Base and he told my

1341

00:58:39,720 --> 00:58:35,290

father about the beings that he saw on

1342

00:58:41,579 --> 00:58:39,730

the craft he always had memory of being

1343

00:58:46,680 --> 00:58:41,589

very frightened that they were going to

1344

00:58:49,410 --> 00:58:46,690

capture him if they were about the size

1345

00:58:52,109 --> 00:58:49,420

of a pencil I guess at arm's length the

1346

00:58:54,930 --> 00:58:52,119

way they looked to him as he stood

1347

00:58:58,079 --> 00:58:54,940

looking up at them and they were dressed

1348

00:59:03,030 --> 00:58:58,089

in black shiny uniforms and and he said

1349

00:59:05,190 --> 00:59:03,040

that they were somehow not human so

1350

00:59:08,160 --> 00:59:05,200

there was a lot of concern and I think

1351

00:59:10,800 --> 00:59:08,170

that the fear that Barney had was the

1352

00:59:14,609 --> 00:59:10,810

result of that conscious continuous

1353

00:59:16,470 --> 00:59:14,619

memory of actually seeing them on that

1354

00:59:18,660 --> 00:59:16,480

craft and feeling frightened Betty

1355

00:59:22,290 --> 00:59:18,670

didn't feel that because she didn't see

1356

00:59:25,710 --> 00:59:22,300

them she was in the car and she didn't

1357

00:59:30,230 --> 00:59:25,720

become frightened until she and Barney

1358

00:59:33,810 --> 00:59:30,240

ended up on a back road somewhere and

1359

00:59:36,570 --> 00:59:33,820

and and they had the missing time but

1360

00:59:40,530 --> 00:59:36,580

she didn't have conscious recall of that

1361

00:59:43,020 --> 00:59:40,540

and so you know I can see why he would

1362

00:59:46,700 --> 00:59:43,030

have been so frightened why he had so

1363

00:59:50,010 --> 00:59:46,710

many physiological problems and

1364

00:59:53,579 --> 00:59:50,020

psychological problems related to the

1365

00:59:55,980 --> 00:59:53,589

emotional response he had and why she

1366

00:59:58,020 --> 00:59:55,990

didn't because they had a different kind

1367

01:00:00,420 --> 00:59:58,030

of experience his he

1368

01:00:02,550 --> 01:00:00,430

felt threatened immediately and I think

1369

01:00:05,820 --> 01:00:02,560

that if Betty had the same kind of

1370

01:00:09,660 --> 01:00:05,830

experience she would have but she was

1371

01:00:13,170 --> 01:00:09,670

different she we talked with Betty that

1372

01:00:15,600 --> 01:00:13,180

day we went out and saw the shiny spots

1373

01:00:18,960 --> 01:00:15,610

on the trunk of the car where the craft

1374

01:00:22,380 --> 01:00:18,970

had made the buzzing sounds and that

1375

01:00:24,750 --> 01:00:22,390

those spots actually according to dr.

1376

01:00:27,330 --> 01:00:24,760

Bruce Maccabee he said there must have

1377

01:00:30,450 --> 01:00:27,340

been counter rotating magnetic fields

1378

01:00:34,170 --> 01:00:30,460

around those spots and we've seen that

1379

01:00:39,960 --> 01:00:34,180

in other MUFON cases as well so looking

1380

01:00:42,890 --> 01:00:39,970

back on all of that I think of how the

1381

01:00:46,620 --> 01:00:42,900

confusion the desire to learn more

1382

01:00:49,530 --> 01:00:46,630

particularly on Betty's part the desire

1383

01:00:53,670 --> 01:00:49,540

by Barney just to try to put it out of

1384

01:00:58,830 --> 01:00:53,680

his mind because it was so disturbing to

1385

01:01:04,100 --> 01:00:58,840

him and the what led them to go to dr.

1386

01:01:07,350 --> 01:01:04,110

Benjamin Simon and how happy they were

1387

01:01:09,960 --> 01:01:07,360

after that that they were very

1388

01:01:14,190 --> 01:01:09,970

interested in and involved in the civil

1389

01:01:17,910 --> 01:01:14,200

rights movement but after he saw dr.

1390

01:01:20,070 --> 01:01:17,920

Simon he was appointed by the governor

1391

01:01:22,080 --> 01:01:20,080

of the state of New Hampshire to the

1392

01:01:25,440 --> 01:01:22,090

u.s. Civil Rights Commission state

1393

01:01:28,710 --> 01:01:25,450

Advisory Committee he was able to to

1394

01:01:31,350 --> 01:01:28,720

step forward and be very active in the

1395

01:01:33,270 --> 01:01:31,360

civil rights movement and in the poverty

1396

01:01:37,170 --> 01:01:33,280

program too in the state of New

1397

01:01:41,100 --> 01:01:37,180

Hampshire Sargent Shriver gave him an

1398

01:01:44,300 --> 01:01:41,110

award for the work that he did through

1399

01:01:48,630 --> 01:01:44,310

the Office of Economic Opportunity and

1400

01:01:50,400 --> 01:01:48,640

they were just shining and we the three

1401
01:01:52,770 --> 01:01:50,410
of us went were invited to Lyndon

1402
01:01:55,470 --> 01:01:52,780
Johnson's inauguration because they were

1403
01:01:59,940 --> 01:01:55,480
good mentors for me as I was growing up

1404
01:02:03,240 --> 01:01:59,950
I was a teenager and to think back to

1405
01:02:08,010 --> 01:02:03,250
those days was just wonderful it was a

1406
01:02:11,670 --> 01:02:08,020
great experience until their story was

1407
01:02:15,059 --> 01:02:11,680
published against their will for five

1408
01:02:18,180 --> 01:02:15,069
nights in a Boston newspaper and their

1409
01:02:20,280 --> 01:02:18,190
lives were shattered I could I mean I

1410
01:02:24,829 --> 01:02:20,290
feel like I'm gonna cry now when I think

1411
01:02:28,530 --> 01:02:24,839
back at it that they they came they fled

1412
01:02:31,010 --> 01:02:28,540
they came to my grandparents house I I

1413
01:02:35,720 --> 01:02:31,020

was brought across the street from them

1414

01:02:40,220 --> 01:02:35,730

and how we sat down as a family and

1415

01:02:46,829 --> 01:02:40,230

talked what are we going to do next and

1416

01:02:50,640 --> 01:02:46,839

this decision we made was that they

1417

01:02:53,970 --> 01:02:50,650

should go forward and they should tell

1418

01:02:56,160 --> 01:02:53,980

the public what happened and and the

1419

01:02:59,730 --> 01:02:56,170

reason for that was that the cat was

1420

01:03:02,099 --> 01:02:59,740

already out of the bag and that it had

1421

01:03:05,010 --> 01:03:02,109

already been published and it wasn't

1422

01:03:07,680 --> 01:03:05,020

completely accurate and so they decided

1423

01:03:11,970 --> 01:03:07,690

that they would step forward but I think

1424

01:03:15,839 --> 01:03:11,980

that it had a really strong impact on

1425

01:03:18,630 --> 01:03:15,849

Barney and and I saw his health decline

1426

01:03:23,910 --> 01:03:18,640

again particularly when people didn't

1427

01:03:27,329 --> 01:03:23,920

believe it and he one thing that was so

1428

01:03:31,289 --> 01:03:27,339

difficult for him was to be a strong

1429

01:03:35,579 --> 01:03:31,299

proud man telling the truth and having

1430

01:03:39,299 --> 01:03:35,589

people attack him and and belittled him

1431

01:03:41,579 --> 01:03:39,309

and that became so difficult for him and

1432

01:03:43,530 --> 01:03:41,589

I think that might be part of the reason

1433

01:03:47,940 --> 01:03:43,540

that he died at age 46

1434

01:03:48,470 --> 01:03:47,950

from a massive cerebral hemorrhage thank

1435

01:03:51,599 --> 01:03:48,480

you

1436

01:03:54,930 --> 01:03:51,609

Thank You Kathy Travis I'd like to ask

1437

01:03:55,819 --> 01:03:54,940

you I know I had a conversation with you

1438

01:03:59,660 --> 01:03:55,829

at one time

1439

01:04:04,260 --> 01:03:59,670

what did Betty mean to you

1440

01:04:06,329 --> 01:04:04,270

she really figured prominently in my

1441

01:04:09,809 --> 01:04:06,339

adjustment to what had happened because

1442

01:04:12,270 --> 01:04:09,819

dr. harder had worked with her and he

1443

01:04:15,630 --> 01:04:12,280

was doing the regressive hypnosis on me

1444

01:04:18,180 --> 01:04:15,640

and he put me on the phone with her and

1445

01:04:21,359 --> 01:04:18,190

and she had some words of advice that

1446

01:04:22,310 --> 01:04:21,369

were really helpful to me in in the

1447

01:04:25,460 --> 01:04:22,320

whole

1448

01:04:28,250 --> 01:04:25,470

process of adjusting to the experience

1449

01:04:31,570 --> 01:04:28,260

and to people's reaction to hearing

1450

01:04:33,800 --> 01:04:31,580

about it yeah yeah and speaking of that

1451

01:04:35,900 --> 01:04:33,810

you know when I mentioned earlier I was

1452

01:04:37,850 --> 01:04:35,910

talking about the ridicule factor and

1453

01:04:42,350 --> 01:04:37,860

stuff like that how has that been in

1454

01:04:43,850 --> 01:04:42,360

your life well that you know was just so

1455

01:04:47,990 --> 01:04:43,860

thick you could cut it with a knife at

1456

01:04:50,180 --> 01:04:48,000

the time it was it was all there was you

1457

01:04:52,040 --> 01:04:50,190

know go out in public and you'd see

1458

01:04:54,080 --> 01:04:52,050

people you know looking sidelong

1459

01:04:58,990 --> 01:04:54,090

pointing whispering that kind of thing

1460

01:05:01,790 --> 01:04:59,000

and nowadays it's completely you know

1461

01:05:05,150 --> 01:05:01,800

done a 180 from that you know every time

1462

01:05:08,000 --> 01:05:05,160

I go out I I get positive responses from

1463

01:05:12,200 --> 01:05:08,010

local people yeah now I know Jennifer

1464

01:05:14,390 --> 01:05:12,210

worked with with you in a movie but fire

1465

01:05:16,100 --> 01:05:14,400

in the sky you know that's something it

1466

01:05:19,940 --> 01:05:16,110

seems like everybody knows that that

1467

01:05:21,790 --> 01:05:19,950

movie I know that there weren't there

1468

01:05:25,820 --> 01:05:21,800

was a lot of things that were inaccurate

1469

01:05:27,290 --> 01:05:25,830

how much has that if you had to do it

1470

01:05:29,660 --> 01:05:27,300

all over again what if you have put your

1471

01:05:33,730 --> 01:05:29,670

foot down or I think I would have been

1472

01:05:36,140 --> 01:05:33,740

more insistent on on accuracy they

1473

01:05:37,970 --> 01:05:36,150

disguised that sort of stuff the the

1474

01:05:41,890 --> 01:05:37,980

copy of the script that I got didn't

1475

01:05:44,660 --> 01:05:41,900

contain those those alterations and I

1476

01:05:46,670 --> 01:05:44,670

think that it was a major Mis appoint a

1477

01:05:48,800 --> 01:05:46,680

disappointment for a lot of people but

1478

01:05:51,080 --> 01:05:48,810

it was a landmark you know for

1479

01:05:54,080 --> 01:05:51,090

first-time Hollywood ever you know took

1480

01:05:56,750 --> 01:05:54,090

a real-life case and dramatized it in a

1481

01:05:58,970 --> 01:05:56,760

way where people could sort of identify

1482

01:05:59,720 --> 01:05:58,980

with the people who'd experienced it

1483

01:06:03,380 --> 01:05:59,730

yeah

1484

01:06:06,110 --> 01:06:03,390

and back to Jennifer what was your when

1485

01:06:08,630 --> 01:06:06,120

you decided to do that did you want to

1486

01:06:09,920 --> 01:06:08,640

like set the record straight on some

1487

01:06:12,910 --> 01:06:09,930

things when you worked with Travis on

1488

01:06:16,970 --> 01:06:12,920

that documentary well I have to confess

1489

01:06:21,080 --> 01:06:16,980

making that film was a bit of a process

1490

01:06:22,310 --> 01:06:21,090

of self-discovery I didn't start out

1491

01:06:26,330 --> 01:06:22,320

making a film

1492

01:06:28,970 --> 01:06:26,340

I met Travis at the Roswell conference

1493

01:06:31,550 --> 01:06:28,980

in 2010 my dear friend Peter Robbins

1494

01:06:33,410 --> 01:06:31,560

introduced us we had dinner together had

1495

01:06:36,170 --> 01:06:33,420

a bottle of wine and a couple of beers

1496

01:06:38,450 --> 01:06:36,180

and I had done some conference or

1497

01:06:40,400 --> 01:06:38,460

organization I till that point in my

1498

01:06:43,670 --> 01:06:40,410

life I'd been in MUFON about ten years

1499

01:06:46,190 --> 01:06:43,680

and Peter and I looked at each other and

1500

01:06:48,049 --> 01:06:46,200

said Travis your story is just as

1501

01:06:50,720 --> 01:06:48,059

important as the Roswell story and

1502

01:06:53,540 --> 01:06:50,730

Roswell has over 10,000 people that show

1503

01:06:55,579 --> 01:06:53,550

up on an annual basis to this small

1504

01:06:58,010 --> 01:06:55,589

little town it's a huge economic boom

1505

01:07:00,440 --> 01:06:58,020

for that for the town you live in a

1506

01:07:03,470 --> 01:07:00,450

small town snowflake Arizona in northern

1507

01:07:05,420 --> 01:07:03,480

Arizona why don't you work at putting a

1508

01:07:08,390 --> 01:07:05,430

conference together around your story

1509

01:07:10,940 --> 01:07:08,400

people should know your story and so we

1510

01:07:12,770 --> 01:07:10,950

started coaching and you know Travis was

1511

01:07:14,690 --> 01:07:12,780

all for it he was like sure you know if

1512

01:07:17,569 --> 01:07:14,700

I could get some people to help and and

1513

01:07:19,819 --> 01:07:17,579

basically Peter and I said okay we'll

1514

01:07:21,740 --> 01:07:19,829

help and I said to Travis what do you

1515

01:07:23,690 --> 01:07:21,750

want to do what's the main thing that

1516

01:07:25,880 --> 01:07:23,700

you see how do you envision your

1517

01:07:28,460 --> 01:07:25,890

conference so how how can we best help

1518

01:07:30,079 --> 01:07:28,470

you meet your goals in your dream and he

1519

01:07:35,420 --> 01:07:30,089

said well I want to take everybody up

1520

01:07:37,700 --> 01:07:35,430

into the forest at you know at night to

1521

01:07:40,000 --> 01:07:37,710

the place where I was abducted and I'm

1522

01:07:43,480 --> 01:07:40,010

starting to think okay this is November

1523

01:07:46,460 --> 01:07:43,490

its northern Arizona I'm not belittling

1524

01:07:48,530 --> 01:07:46,470

Travis's desire in any way but as the

1525

01:07:51,049 --> 01:07:48,540

conference organized organizer and

1526

01:07:53,270 --> 01:07:51,059

someone who has insurance you know for

1527

01:07:56,150 --> 01:07:53,280

events I'm thinking oh this could be

1528

01:07:58,280 --> 01:07:56,160

strategically a difficult nightmare and

1529

01:08:00,410 --> 01:07:58,290

what if it snows and we can't get people

1530

01:08:02,270 --> 01:08:00,420

there what if somebody goes off trying

1531

01:08:04,309 --> 01:08:02,280

to find a bathroom and it's dark and

1532

01:08:07,970 --> 01:08:04,319

they they get lost and they get attacked

1533

01:08:11,329 --> 01:08:07,980

by a wild boar or coyote you know so I

1534

01:08:13,940 --> 01:08:11,339

said hey how about we have a plan B just

1535

01:08:16,280 --> 01:08:13,950

in case we can't get there so Travis

1536

01:08:17,689 --> 01:08:16,290

thought that was a good idea and we

1537

01:08:19,579 --> 01:08:17,699

didn't know how we would use it but I

1538

01:08:21,019 --> 01:08:19,589

flew out there with another film

1539

01:08:23,419 --> 01:08:21,029

producer from the philadelphia area

1540

01:08:26,090 --> 01:08:23,429

named Bob Theriot who ended up being a

1541

01:08:28,280 --> 01:08:26,100

co-producer on this project and we first

1542

01:08:31,189 --> 01:08:28,290

produced something called tracking sky

1543

01:08:33,260 --> 01:08:31,199

fire and what that was was the different

1544

01:08:34,820 --> 01:08:33,270

boys from the crew who were living who

1545

01:08:37,490 --> 01:08:34,830

agreed to come down on their summer

1546

01:08:40,130 --> 01:08:37,500

vacations in August meet Travis meet us

1547

01:08:42,320 --> 01:08:40,140

and we would do walkthroughs and you

1548

01:08:45,559 --> 01:08:42,330

know encountered their experiences their

1549

01:08:48,499 --> 01:08:45,569

memories with Travis in the forest so we

1550

01:08:49,740 --> 01:08:48,509

shot that in 2013 and edited this piece

1551

01:08:51,870 --> 01:08:49,750

together that we could use

1552

01:08:54,960 --> 01:08:51,880

as a plan-b in the event we couldn't

1553

01:08:57,480 --> 01:08:54,970

actually take people to the forest

1554

01:09:02,150 --> 01:08:57,490

because of logistics or weather issues

1555

01:09:04,800 --> 01:09:02,160

and after we got that done in 2013 I

1556

01:09:07,019 --> 01:09:04,810

thought gee I'm running the national

1557

01:09:09,480 --> 01:09:07,029

MUFON conference and the Cherry Hill

1558

01:09:12,320 --> 01:09:09,490

area in 2014 and I have wonderful

1559

01:09:17,010 --> 01:09:12,330

speakers coming in like Kathy Martin and

1560

01:09:19,620 --> 01:09:17,020

likely Spiegel and Ben Hansen and Jan

1561

01:09:22,530 --> 01:09:19,630

Harrison and you know I had many many

1562

01:09:24,420 --> 01:09:22,540

people there and I just decided to sit

1563

01:09:27,749 --> 01:09:24,430

them down and interview them about

1564

01:09:30,030 --> 01:09:27,759

Travis's case then I had real talking

1565

01:09:32,099 --> 01:09:30,040

head experts and then I started hunting

1566

01:09:34,740 --> 01:09:32,109

for archived footage and it's then that

1567

01:09:36,809 --> 01:09:34,750

I saw the light to the end of the tunnel

1568

01:09:38,280 --> 01:09:36,819

and I figured out how to put this

1569

01:09:40,800 --> 01:09:38,290

together because I'm a self-taught

1570

01:09:43,410 --> 01:09:40,810

filmmaker and I hadn't really ever

1571

01:09:46,620 --> 01:09:43,420

tackled a project of this magnitude and

1572

01:09:49,019 --> 01:09:46,630

that's then I really pushed to get the

1573

01:09:53,160 --> 01:09:49,029

film into the open minds film festival

1574

01:09:56,070 --> 01:09:53,170

in February of 2015 which would be

1575

01:09:58,920 --> 01:09:56,080

almost one full year nine months before

1576

01:10:02,100 --> 01:09:58,930

the 40th anniversary conference we were

1577

01:10:03,690 --> 01:10:02,110

planning and I I was kind of like the

1578

01:10:06,300 --> 01:10:03,700

filmmaker and the coach for the

1579

01:10:08,340 --> 01:10:06,310

conference and then ended up being a key

1580

01:10:11,460 --> 01:10:08,350

person in helping to run the logistics

1581

01:10:13,260 --> 01:10:11,470

of the event as well before Karen Bard

1582

01:10:15,810 --> 01:10:13,270

stepped up and took it over for the

1583

01:10:19,680 --> 01:10:15,820

following year yeah so uh and Karen is

1584

01:10:21,750 --> 01:10:19,690

up now has this conference and she's

1585

01:10:23,490 --> 01:10:21,760

doing a fantastic job and you know I got

1586

01:10:27,390 --> 01:10:23,500

a shot I got to say I showed up the

1587

01:10:29,340 --> 01:10:27,400

other day to help here I had no idea how

1588

01:10:30,960 --> 01:10:29,350

much work these things are you can't

1589

01:10:32,640 --> 01:10:30,970

believe the amount equipment and the

1590

01:10:34,140 --> 01:10:32,650

taping down and the wiring and

1591

01:10:37,140 --> 01:10:34,150

everything it's a lot I can't imagine

1592

01:10:39,210 --> 01:10:37,150

how rockstars you know travel and it's

1593

01:10:40,640 --> 01:10:39,220

something else you had an interesting

1594

01:10:43,510 --> 01:10:40,650

thing you wanted to talk about

1595

01:10:46,190 --> 01:10:43,520

[Music]

1596

01:10:48,440 --> 01:10:46,200

someone's phone is going off in her

1597

01:10:50,380 --> 01:10:48,450

honor sir let it go that was brought to

1598

01:10:52,460 --> 01:10:50,390

you by Disney

1599

01:10:55,930 --> 01:10:52,470

you have commercials on this I didn't

1600

01:11:03,490 --> 01:11:00,860

okay so I've never seen a UFO and I'm

1601
01:11:06,980 --> 01:11:03,500
getting the idea that everyone here has

1602
01:11:10,010 --> 01:11:06,990
so when I got invited by Alejandro and

1603
01:11:11,240 --> 01:11:10,020
Karen to come here I thought that will

1604
01:11:13,520 --> 01:11:11,250
be interesting because I'm still that

1605
01:11:16,430 --> 01:11:13,530
skeptic and that person that hasn't so

1606
01:11:18,080 --> 01:11:16,440
my girlfriend Allie and I we live in

1607
01:11:20,240 --> 01:11:18,090
Silver Lake and walking around the

1608
01:11:21,530 --> 01:11:20,250
reservoir and I'm talking about you I'm

1609
01:11:22,970 --> 01:11:21,540
gonna go to this festival it's gonna be

1610
01:11:24,650 --> 01:11:22,980
this and it's I don't know and I'm

1611
01:11:27,710 --> 01:11:24,660
terrified and scared and I've never been

1612
01:11:30,050 --> 01:11:27,720
before and and I hope I don't get you

1613
01:11:33,380 --> 01:11:30,060

know um you know hung up on me

1614

01:11:35,780 --> 01:11:33,390

yeah abducted and so we're talking about

1615

01:11:37,130 --> 01:11:35,790

it and and then when we talks about

1616

01:11:43,220 --> 01:11:37,140

something else and come around a corner

1617

01:11:44,270 --> 01:11:43,230

and look up and I saw something I don't

1618

01:11:45,650 --> 01:11:44,280

know what the hell it is and I'm

1619

01:11:46,850 --> 01:11:45,660

thinking oh it's a drone something

1620

01:11:47,990 --> 01:11:46,860

because there's so many drones people

1621

01:11:49,520 --> 01:11:48,000

have filmmakers are out there shooting

1622

01:11:51,770 --> 01:11:49,530

all over and I just I want to get a BB

1623

01:11:54,410 --> 01:11:51,780

gun and shoot them down and so I see

1624

01:11:57,710 --> 01:11:54,420

this thing and it's shiny and it's like

1625

01:11:59,690 --> 01:11:57,720

a little ball and it keeps going down up

1626

01:12:03,190 --> 01:11:59,700

and down then it disappears and pops up

1627

01:12:08,060 --> 01:12:03,200

at another section and because of

1628

01:12:11,030 --> 01:12:08,070

because of what's his name Steve Jobs I

1629

01:12:14,270 --> 01:12:11,040

have my iPhone and I pull up my iPhone

1630

01:12:16,010 --> 01:12:14,280

and I film this and I'm dying to get

1631

01:12:19,370 --> 01:12:16,020

someone's apena I'm gonna debut this

1632

01:12:21,470 --> 01:12:19,380

tomorrow night at the screen of UFO

1633

01:12:30,430 --> 01:12:21,480

abduction can you first but I'm going to

1634

01:12:34,790 --> 01:12:32,330

yeah Jason's right you're not going to

1635

01:12:38,720 --> 01:12:34,800

see that we'll have to do something like

1636

01:12:41,450 --> 01:12:38,730

post something later yeah right so the

1637

01:12:44,000 --> 01:12:41,460

listener we will put that in the show

1638

01:12:46,100 --> 01:12:44,010

notes eventually yeah they may say oh

1639

01:12:49,280 --> 01:12:46,110

it's it's not anything so you may not

1640

01:12:51,710 --> 01:12:49,290

even want to have this on there so all

1641

01:12:55,130 --> 01:12:51,720

right hit this was in Silver Lake

1642

01:12:56,450 --> 01:12:55,140

California and and literally it was like

1643

01:12:58,130 --> 01:12:56,460

two days after

1644

01:12:59,690 --> 01:12:58,140

mohandro said yeah come on down to the

1645

01:13:06,470 --> 01:12:59,700

convention so I blame him

1646

01:13:12,020 --> 01:13:06,480

all right here we go okay so helicopter

1647

01:13:15,860 --> 01:13:12,030

goes by interesting okay so okay while

1648

01:13:18,500 --> 01:13:15,870

he's doing that yeah it's just it's not

1649

01:13:20,270 --> 01:13:18,510

really sad okay I know okay so a little

1650

01:13:22,150 --> 01:13:20,280

shiny thing just came down I'm gonna

1651

01:13:24,140 --> 01:13:22,160

describe it there it goes down again

1652

01:13:26,390 --> 01:13:24,150

yeah pretend you're at a baseball game

1653

01:13:32,900 --> 01:13:26,400

you're announce yeah yeah okay and then

1654

01:13:38,560 --> 01:13:32,910

hold on it'll come up again yes okay I

1655

01:13:41,450 --> 01:13:38,570

heard a whoa so that yeah yeah okay I

1656

01:13:44,380 --> 01:13:41,460

didn't get to see this everyone so okay

1657

01:13:47,200 --> 01:13:44,390

on a scale of one to ten would you yeah

1658

01:13:51,229 --> 01:13:47,210

really sec good yeah you couldn't see it

1659

01:13:53,090 --> 01:13:51,239

here oh you did well then you should

1660

01:13:55,640 --> 01:13:53,100

know these guys you should have been

1661

01:14:00,050 --> 01:13:55,650

going to year they went to they went to

1662

01:14:01,490 --> 01:14:00,060

the wrong place yeah so I'm just curious

1663

01:14:05,180 --> 01:14:01,500

because you guys have much more

1664

01:14:07,880 --> 01:14:05,190

experience than me am i no longer a UFO

1665

01:14:10,220 --> 01:14:07,890

virgin or what all right no this is

1666

01:14:12,050 --> 01:14:10,230

Kevin Gausman and Heidi Gattu both of us

1667

01:14:13,520 --> 01:14:12,060

when we did a show on day and afterwards

1668

01:14:15,470 --> 01:14:13,530

we went and looked in the sky for some

1669

01:14:17,360 --> 01:14:15,480

reason she saw it and it was almost like

1670

01:14:19,459 --> 01:14:17,370

exactly what you explained it was a ball

1671

01:14:21,170 --> 01:14:19,469

of the sky and then I was going up and

1672

01:14:23,540 --> 01:14:21,180

back up and down and then another one

1673

01:14:25,820 --> 01:14:23,550

came out of nowhere and then somehow a

1674

01:14:28,280 --> 01:14:25,830

plane came from that area like maybe

1675

01:14:29,930 --> 01:14:28,290

I've heard of morphing I don't that you

1676
01:14:32,000 --> 01:14:29,940
guys even think or what you think about

1677
01:14:34,070 --> 01:14:32,010
that as far as an actual orb changing

1678
01:14:38,120 --> 01:14:34,080
into a plane in the sky oh well there's

1679
01:14:40,610 --> 01:14:38,130
there's a lot of cases okay there's a

1680
01:14:42,920 --> 01:14:40,620
lot of cases where people have talked

1681
01:14:45,080 --> 01:14:42,930
about objects changing shapes for

1682
01:14:47,620 --> 01:14:45,090
instance Rendlesham force the thing that

1683
01:14:50,660 --> 01:14:47,630
turns into bursts into five lights

1684
01:14:52,760 --> 01:14:50,670
someone else I know that actually is not

1685
01:14:55,310 --> 01:14:52,770
in the UFO field saw something look like

1686
01:14:58,040 --> 01:14:55,320
a box flew up and then burst into five

1687
01:14:59,390 --> 01:14:58,050
lights there are things there are a lot

1688
01:15:01,250 --> 01:14:59,400

of cases where it's morphed into

1689

01:15:02,630 --> 01:15:01,260

something this was midday this is

1690

01:15:04,700 --> 01:15:02,640

brightening four o'clock in the

1691

01:15:06,200 --> 01:15:04,710

afternoon and we saw this thing and it

1692

01:15:07,279 --> 01:15:06,210

was right after we did it our radio show

1693

01:15:08,899 --> 01:15:07,289

actually

1694

01:15:12,560 --> 01:15:08,909

yeah it was really weird maybe they

1695

01:15:14,870 --> 01:15:12,570

listening who knows I was gonna say from

1696

01:15:17,390 --> 01:15:14,880

what I've seen like similar videos a lot

1697

01:15:19,160 --> 01:15:17,400

of those to me that looks and I just saw

1698

01:15:21,350 --> 01:15:19,170

a little bit of it it looks more organic

1699

01:15:23,899 --> 01:15:21,360

than it does mechanical practically you

1700

01:15:25,879 --> 01:15:23,909

know it's it and there's you know

1701

01:15:27,439 --> 01:15:25,889

there's those type of phenomena out

1702

01:15:29,990 --> 01:15:27,449

there they're a natural phenomenon that

1703

01:15:33,979 --> 01:15:30,000

glow like that but that looks a little

1704

01:15:36,709 --> 01:15:33,989

more organic than mechanical to me all

1705

01:15:39,259 --> 01:15:36,719

right we just go ahead Jason input just

1706

01:15:41,540 --> 01:15:39,269

one second so Nick Pope is joining us

1707

01:15:42,830 --> 01:15:41,550

right now for just a minute and he

1708

01:15:44,330 --> 01:15:42,840

doesn't have too long so we're gonna get

1709

01:15:47,689 --> 01:15:44,340

the microphone quick and I'll give it to

1710

01:15:51,140 --> 01:15:47,699

Nick but yeah I mean I've looked at and

1711

01:15:53,540 --> 01:15:51,150

analyzed thousands of UFO videos over

1712

01:15:57,379 --> 01:15:53,550

the years and I will say that is

1713

01:16:00,109 --> 01:15:57,389

genuinely of interest to me I agree it

1714

01:16:01,759 --> 01:16:00,119

does look look sort of organic it's cool

1715

01:16:04,549 --> 01:16:01,769

because you do see a helicopter in the

1716

01:16:06,109 --> 01:16:04,559

same video you also see a bird and this

1717

01:16:08,930 --> 01:16:06,119

clearly is not a bird it's interesting

1718

01:16:11,839 --> 01:16:08,940

to see how it moves it does not move as

1719

01:16:14,060 --> 01:16:11,849

a typical drone would move so it is

1720

01:16:16,040 --> 01:16:14,070

certainly something of interest but I do

1721

01:16:18,439 --> 01:16:16,050

want to point out to you quickly don't

1722

01:16:21,979 --> 01:16:18,449

assume that you're in company of people

1723

01:16:23,359 --> 01:16:21,989

who have all seen UFOs because correct

1724

01:16:28,339 --> 01:16:23,369

me if I'm wrong withstand has not seen

1725

01:16:29,689 --> 01:16:28,349

the UFO has II right so so many many of

1726

01:16:31,750 --> 01:16:29,699

the leading UFO researchers have not

1727

01:16:36,759 --> 01:16:31,760

seen UFOs themselves but he has has

1728

01:16:42,500 --> 01:16:39,950

welcome to the show Nick thank you yes

1729

01:16:44,209 --> 01:16:42,510

so a pleasure to have you here and we

1730

01:16:46,910 --> 01:16:44,219

were discussing and perhaps we can get

1731

01:16:49,220 --> 01:16:46,920

your insight on this you know what has

1732

01:16:52,370 --> 01:16:49,230

changed basically since the December

1733

01:16:55,850 --> 01:16:52,380

16th article as far as people relaxing

1734

01:16:58,009 --> 01:16:55,860

more taking the topic seriously any

1735

01:17:00,169 --> 01:16:58,019

changes that you want to talk about that

1736

01:17:03,729 --> 01:17:00,179

you've seen yes I think this is a

1737

01:17:06,410 --> 01:17:03,739

massive story it has arguably taken

1738

01:17:09,439 --> 01:17:06,420

ufology if I can use that term out of

1739

01:17:12,620 --> 01:17:09,449

the fringe and much more into the

1740

01:17:15,620 --> 01:17:12,630

mainstream with the media it's one of

1741

01:17:18,470 --> 01:17:15,630

those rare examples of a case where I

1742

01:17:21,260 --> 01:17:18,480

think the UFO community can say not in a

1743

01:17:24,110 --> 01:17:21,270

sort of slightly mean I told you so

1744

01:17:26,660 --> 01:17:24,120

way but can say look for all the the

1745

01:17:29,420 --> 01:17:26,670

people that were ridiculing us and and

1746

01:17:31,070 --> 01:17:29,430

you know we said the government was

1747

01:17:33,560 --> 01:17:31,080

going to be doing this the government

1748

01:17:37,120 --> 01:17:33,570

said we did not investigate

1749

01:17:41,240 --> 01:17:37,130

since Project Blue Book if you ask any

1750

01:17:41,570 --> 01:17:41,250

agency right up until September 6th

1751

01:17:44,090 --> 01:17:41,580

Eddie

1752

01:17:46,010 --> 01:17:44,100

December 16th they would say no no we're

1753

01:17:48,530 --> 01:17:46,020

no longer interested in this we don't

1754

01:17:51,650 --> 01:17:48,540

investigate there isn't a program turns

1755

01:17:53,600 --> 01:17:51,660

out they did there was so this is a huge

1756

01:17:58,070 --> 01:17:53,610

deal I mean it's it's an absolutely huge

1757

01:18:00,530 --> 01:17:58,080

deal having said that I think when I

1758

01:18:02,570 --> 01:18:00,540

came in I I heard you discussing some of

1759

01:18:07,250 --> 01:18:02,580

the videos I'm going to be a little

1760

01:18:09,470 --> 01:18:07,260

controversial on this I find in one

1761

01:18:11,330 --> 01:18:09,480

sense the videos almost the least

1762

01:18:14,090 --> 01:18:11,340

interesting aspect of the whole story

1763

01:18:17,230 --> 01:18:14,100

the much more interesting question is is

1764

01:18:21,050 --> 01:18:17,240

that they had a program I mean in fact

1765

01:18:23,720 --> 01:18:21,060

anyone who's studied UFOs and

1766

01:18:25,430 --> 01:18:23,730

particularly even I go back to Project

1767

01:18:26,900 --> 01:18:25,440

Blue Book but the work that I did in the

1768

01:18:30,050 --> 01:18:26,910

British government for the Ministry of

1769

01:18:32,270 --> 01:18:30,060

Defense I mean yes pilots see UFOs all

1770

01:18:34,490 --> 01:18:32,280

the time and from time to time they're

1771

01:18:37,700 --> 01:18:34,500

tracked on radar and occasionally we get

1772

01:18:41,480 --> 01:18:37,710

gun camera footage so in fact that the

1773

01:18:43,790 --> 01:18:41,490

video aspect of the New York Times story

1774

01:18:45,530 --> 01:18:43,800

didn't surprise me at all and I don't

1775

01:18:49,820 --> 01:18:45,540

think it surprised any of you you've

1776

01:18:52,460 --> 01:18:49,830

we've seen this we knew this the real

1777

01:18:55,970 --> 01:18:52,470

challenge I think is is where we go from

1778

01:18:59,470 --> 01:18:55,980

here how the UFO community responds to

1779

01:19:03,650 --> 01:18:59,480

what I think is a tremendous opportunity

1780

01:19:07,100 --> 01:19:03,660

now the UFO community is pushing on much

1781

01:19:09,560 --> 01:19:07,110

more of an open door with the mainstream

1782

01:19:12,050 --> 01:19:09,570

media it's no longer these crazy people

1783

01:19:13,820 --> 01:19:12,060

who believe in flying saucers it's these

1784

01:19:15,830 --> 01:19:13,830

people who said that there was a secret

1785

01:19:16,580 --> 01:19:15,840

government program and turned out to be

1786

01:19:20,090 --> 01:19:16,590

correct

1787

01:19:25,790 --> 01:19:20,100

let's use that somehow let's let's use

1788

01:19:29,540 --> 01:19:25,800

that to reframe the debate about UFOs to

1789

01:19:32,510 --> 01:19:29,550

re-engage with the media and get get a

1790

01:19:34,399 --> 01:19:32,520

story about this or not just a story but

1791

01:19:38,180 --> 01:19:34,409

a series of stories

1792

01:19:41,270 --> 01:19:38,190

more general treatment of this not just

1793

01:19:44,570 --> 01:19:41,280

as the little jokey item at the end of

1794

01:19:47,720 --> 01:19:44,580

the news program where they kind of play

1795

01:19:49,910 --> 01:19:47,730

the x-files music and and have a little

1796

01:19:52,610 --> 01:19:49,920

laugh and there was of course some of

1797

01:19:54,740 --> 01:19:52,620

that with with the Pentagon story you

1798

01:19:56,689 --> 01:19:54,750

can't entirely get away from that but

1799

01:20:00,950 --> 01:19:56,699

let's let's kind of try and move away

1800

01:20:02,660 --> 01:20:00,960

from that and have a conversation about

1801

01:20:04,610 --> 01:20:02,670

this

1802

01:20:06,229 --> 01:20:04,620

one of the next interesting things

1803

01:20:10,430 --> 01:20:06,239

that's going to happen with this story

1804

01:20:13,399 --> 01:20:10,440

is that the first tranche of Freedom of

1805

01:20:15,530 --> 01:20:13,409

Information Act requests are going to

1806

01:20:16,970 --> 01:20:15,540

get they've already gotten holding

1807

01:20:20,360 --> 01:20:16,980

replies but they're going to get

1808

01:20:22,370 --> 01:20:20,370

substantive replies will they get some

1809

01:20:24,260 --> 01:20:22,380

of the information and documentation

1810

01:20:26,180 --> 01:20:24,270

will they get for example some of the

1811

01:20:30,169 --> 01:20:26,190

very specific things that have been

1812

01:20:33,470 --> 01:20:30,179

mentioned like the government contracts

1813

01:20:37,550 --> 01:20:33,480

under which Bigelow Aerospace got this

1814

01:20:41,720 --> 01:20:37,560

this particular work will they get for

1815

01:20:45,350 --> 01:20:41,730

example the 490 page report that the

1816

01:20:47,990 --> 01:20:45,360

Post reported that that a tip had as a

1817

01:20:50,840 --> 01:20:48,000

sort of crown jewels this is this is the

1818

01:20:53,060 --> 01:20:50,850

best of the best in terms of cases not

1819

01:20:58,729 --> 01:20:53,070

just from the US but from all around the

1820

01:21:00,080 --> 01:20:58,739

world or will we find that dia and some

1821

01:21:02,840 --> 01:21:00,090

of the others who've been on the

1822

01:21:03,669 --> 01:21:02,850

receiving end of these FOI requests turn

1823

01:21:07,550 --> 01:21:03,679

them down

1824

01:21:09,709 --> 01:21:07,560

citing objections may be firstly of

1825

01:21:13,990 --> 01:21:09,719

national security but secondly perhaps

1826

01:21:17,689 --> 01:21:14,000

with some of the Bigelow information

1827

01:21:20,959 --> 01:21:17,699

citing the foi exemption that covers

1828

01:21:25,459 --> 01:21:20,969

commercially confidential information so

1829

01:21:27,530 --> 01:21:25,469

the next stage of this story I think the

1830

01:21:30,290 --> 01:21:27,540

next really interesting stage of the

1831

01:21:32,689 --> 01:21:30,300

story is is going to be the response to

1832

01:21:35,060 --> 01:21:32,699

those FOI requests some of which have

1833

01:21:37,459 --> 01:21:35,070

gone in from people in the UFO research

1834

01:21:40,640 --> 01:21:37,469

community others of which have gone in

1835

01:21:42,080 --> 01:21:40,650

from serious mainstream journalists and

1836

01:21:44,000 --> 01:21:42,090

I've spoken to some of them and I know

1837

01:21:46,430 --> 01:21:44,010

about some of the requests that have

1838

01:21:48,379 --> 01:21:46,440

have gone in so that's going to be

1839

01:21:50,299 --> 01:21:48,389

interesting more videos

1840

01:21:53,029 --> 01:21:50,309

going to be coming out that's another

1841

01:21:57,139 --> 01:21:53,039

aspect the question about the so called

1842

01:22:00,560 --> 01:21:57,149

metamaterials is is another aspect so

1843

01:22:03,229 --> 01:22:00,570

exciting times for this subject and a

1844

01:22:06,520 --> 01:22:03,239

real opportunity I think for the UFO

1845

01:22:11,560 --> 01:22:06,530

community to to seize this opportunity

1846

01:22:15,709 --> 01:22:11,570

to to continue the process of

1847

01:22:17,589 --> 01:22:15,719

mainstreaming this subject and and see

1848

01:22:21,589 --> 01:22:17,599

what what can be achieved through that

1849

01:22:23,719 --> 01:22:21,599

yeah what do you think about like the mo

1850

01:22:25,429 --> 01:22:23,729

D in other countries do you think it's a

1851

01:22:28,069 --> 01:22:25,439

possibility that they'll start loosening

1852

01:22:30,979 --> 01:22:28,079

up and saying yeah the me2 movement so

1853

01:22:33,259 --> 01:22:30,989

to speak in UFOs like saying we have

1854

01:22:35,299 --> 01:22:33,269

then also do you think that information

1855

01:22:38,330 --> 01:22:35,309

may loosen up a little bit around the

1856

01:22:41,080 --> 01:22:38,340

world it may have an effect but in my

1857

01:22:44,270 --> 01:22:41,090

experience countries are notoriously

1858

01:22:46,870 --> 01:22:44,280

insular about this subject and and

1859

01:22:50,299 --> 01:22:46,880

there's actually surprisingly little

1860

01:22:52,279 --> 01:22:50,309

collaboration liaison and and the

1861

01:22:55,399 --> 01:22:52,289

certainly none of what you would hope

1862

01:22:57,739 --> 01:22:55,409

and expect for example bodies such as

1863

01:23:00,259 --> 01:22:57,749

the European Union or the United Nations

1864

01:23:01,699 --> 01:23:00,269

taking a coordinating role there have

1865

01:23:03,459 --> 01:23:01,709

been a couple of initiatives of course

1866

01:23:05,540 --> 01:23:03,469

but they haven't come to much and

1867

01:23:08,929 --> 01:23:05,550

frankly when I last talked to anyone

1868

01:23:11,709 --> 01:23:08,939

about the UN at the UN about this they

1869

01:23:15,439 --> 01:23:11,719

didn't want to touch any of this

1870

01:23:17,870 --> 01:23:15,449

understandably I guess so yeah

1871

01:23:20,719 --> 01:23:17,880

that's that's one aspect yeah thank you

1872

01:23:23,509 --> 01:23:20,729

go ahead I just wanted to make a comment

1873

01:23:26,859 --> 01:23:23,519

that I couldn't agree with Nick more of

1874

01:23:30,229 --> 01:23:26,869

course this is a huge huge story and

1875

01:23:32,479 --> 01:23:30,239

MUFON actually jumped the gun a little

1876

01:23:34,839 --> 01:23:32,489

bit on this story with their conference

1877

01:23:37,580 --> 01:23:34,849

last year in Las Vegas which was titled

1878

01:23:41,419 --> 01:23:37,590

UFOs in the secret space program and we

1879

01:23:44,959 --> 01:23:41,429

had Bill Tompkins just before he passed

1880

01:23:47,659 --> 01:23:44,969

away discussing his experiences we had

1881

01:23:50,389 --> 01:23:47,669

Michael Saleh there speaking we had Jim

1882

01:23:52,549 --> 01:23:50,399

Keller there speaking and people who are

1883

01:23:56,330 --> 01:23:52,559

really interested in the in-depth story

1884

01:24:00,229 --> 01:23:56,340

can go and googled those lectures on

1885

01:24:01,649 --> 01:24:00,239

MUFON TV and see them next year we hope

1886

01:24:05,429 --> 01:24:01,659

to continue that of course

1887

01:24:08,159 --> 01:24:05,439

this this July in Cherry Hill New Jersey

1888

01:24:11,069 --> 01:24:08,169

so it's just a little you know cheap

1889

01:24:12,839 --> 01:24:11,079

plug therefore for MUFON but I think it

1890

01:24:14,969 --> 01:24:12,849

is a very important story and I think it

1891

01:24:16,229 --> 01:24:14,979

is coming out and I think people do want

1892

01:24:18,120 --> 01:24:16,239

to share it

1893

01:24:21,330 --> 01:24:18,130

I know Corey Goode and David Wilcock

1894

01:24:24,089 --> 01:24:21,340

kind of have kind of blown the lid off

1895

01:24:26,669 --> 01:24:24,099

this a little bit with their YouTube

1896

01:24:29,040 --> 01:24:26,679

videos people have thought well they

1897

01:24:31,919 --> 01:24:29,050

can't possibly be true but now there's

1898

01:24:34,679 --> 01:24:31,929

other collaborators coming up and saying

1899

01:24:37,049 --> 01:24:34,689

yes I worked in this project and I can

1900

01:24:40,799 --> 01:24:37,059

confirm different pieces of their

1901

01:24:43,819 --> 01:24:40,809

stories so I I think it's we're gonna

1902

01:24:46,229 --> 01:24:43,829

we're going to see more in the coming

1903

01:24:49,049 --> 01:24:46,239

future we're getting some questions

1904

01:24:50,429 --> 01:24:49,059

coming in everything for the panel but

1905

01:24:52,199 --> 01:24:50,439

Nick I want to thank you I know you have

1906

01:24:53,489 --> 01:24:52,209

to go but I just want to thank you so

1907

01:24:55,020 --> 01:24:53,499

much I've wanted you on the show a

1908

01:24:58,529 --> 01:24:55,030

number of times I really thank you for

1909

01:25:01,259 --> 01:24:58,539

for stopping in thank you and just in

1910

01:25:02,759 --> 01:25:01,269

one final comment I'll just say going

1911

01:25:05,009 --> 01:25:02,769

back to the question about other

1912

01:25:07,620 --> 01:25:05,019

countries of course the British

1913

01:25:10,799 --> 01:25:07,630

government has been for the last ten

1914

01:25:13,379 --> 01:25:10,809

years now undertaking a process of

1915

01:25:15,929 --> 01:25:13,389

declassifying and releasing its UFO

1916

01:25:18,299 --> 01:25:15,939

files and the final three I know we've

1917

01:25:21,659 --> 01:25:18,309

had a couple of false alarms the final

1918

01:25:24,600 --> 01:25:21,669

three should be out certainly no later

1919

01:25:26,819 --> 01:25:24,610

than three months from now but maybe

1920

01:25:30,060 --> 01:25:26,829

before then so the British government

1921

01:25:32,429 --> 01:25:30,070

has already taken some steps in this

1922

01:25:34,049 --> 01:25:32,439

particular area as have other

1923

01:25:37,199 --> 01:25:34,059

governments that the French government

1924

01:25:40,620 --> 01:25:37,209

have released files so the pentagon

1925

01:25:41,939 --> 01:25:40,630

story may have an effect but of course a

1926

01:25:47,219 --> 01:25:41,949

lot of governments would say we've we've

1927

01:25:49,949 --> 01:25:47,229

already done this I think the the

1928

01:25:52,350 --> 01:25:49,959

British Ministry of Defence their

1929

01:25:55,169 --> 01:25:52,360

current position on on the Pentagon a

1930

01:25:57,689 --> 01:25:55,179

tip program is that they didn't have any

1931

01:26:00,419 --> 01:25:57,699

visibility of it I certainly didn't when

1932

01:26:03,359 --> 01:26:00,429

I was was there I mean of course the I

1933

01:26:06,810 --> 01:26:03,369

was doing that job long before a tip

1934

01:26:08,879 --> 01:26:06,820

came into existence so whether there is

1935

01:26:11,459 --> 01:26:08,889

much of an effect on other nations I

1936

01:26:14,670 --> 01:26:11,469

don't know but if if there is any effect

1937

01:26:16,950 --> 01:26:14,680

if this encourages any nation that has

1938

01:26:19,740 --> 01:26:16,960

released its files to do so or any

1939

01:26:22,080 --> 01:26:19,750

nation that's released some files to

1940

01:26:23,820 --> 01:26:22,090

release a few more well one more

1941

01:26:26,100 --> 01:26:23,830

document is is always going to be a good

1942

01:26:28,560 --> 01:26:26,110

thing so let's let's wait and let's hope

1943

01:26:31,230 --> 01:26:28,570

so yeah before you leave this one quick

1944

01:26:33,840 --> 01:26:31,240

question I had a conversation with

1945

01:26:35,820 --> 01:26:33,850

Alejandro a while back didn't you have

1946

01:26:37,890 --> 01:26:35,830

like a picture really interesting

1947

01:26:40,320 --> 01:26:37,900

picture of UFO in your office at the mo

1948

01:26:42,390 --> 01:26:40,330

D and they took it down and or something

1949

01:26:45,450 --> 01:26:42,400

well you know I think we could do a

1950

01:26:48,090 --> 01:26:45,460

whole show on that but to cut a long

1951

01:26:51,530 --> 01:26:48,100

story short for many years when I was

1952

01:26:55,320 --> 01:26:51,540

working on the UFO project there was a

1953

01:26:57,810 --> 01:26:55,330

poster sized enlargement of a photograph

1954

01:27:01,050 --> 01:26:57,820

that we had on our office wall and it

1955

01:27:04,770 --> 01:27:01,060

showed a diamond-shaped craft being

1956

01:27:09,330 --> 01:27:04,780

either buzzed or escorted depending on

1957

01:27:12,120 --> 01:27:09,340

your perception by a military jet and I

1958

01:27:14,490 --> 01:27:12,130

won't go into all the details of the

1959

01:27:18,230 --> 01:27:14,500

story itself but the the picture was

1960

01:27:22,140 --> 01:27:18,240

taken in Scotland in August of 1990

1961

01:27:24,390 --> 01:27:22,150

Ministry of Defence imagery analysts

1962

01:27:28,260 --> 01:27:24,400

both in the Defense Intelligence staff

1963

01:27:31,370 --> 01:27:28,270

and in the joint air reconnaissance and

1964

01:27:34,710 --> 01:27:31,380

intelligence centre looked at this

1965

01:27:37,940 --> 01:27:34,720

confirmed that these pictures of the

1966

01:27:41,220 --> 01:27:37,950

worth I think six in all were genuine

1967

01:27:43,920 --> 01:27:41,230

showed you know for want of a better

1968

01:27:47,250 --> 01:27:43,930

word a structured craft of unknown

1969

01:27:49,980 --> 01:27:47,260

origin with no apparent form of you know

1970

01:27:52,020 --> 01:27:49,990

well as Lou Elizondo would say no no

1971

01:27:56,340 --> 01:27:52,030

obvious wing or tail or propulsion

1972

01:27:58,770 --> 01:27:56,350

system so the witnesses had seen it just

1973

01:28:02,490 --> 01:27:58,780

just hanging there and then it it

1974

01:28:07,260 --> 01:28:02,500

accelerated away at vast speed my head

1975

01:28:10,470 --> 01:28:07,270

of division one day removed that picture

1976

01:28:14,010 --> 01:28:10,480

having convinced himself that it showed

1977

01:28:17,460 --> 01:28:14,020

some secret prototype hypersonic US

1978

01:28:20,310 --> 01:28:17,470

aircraft being tested in British

1979

01:28:22,980 --> 01:28:20,320

airspace those of us who've done the

1980

01:28:25,050 --> 01:28:22,990

analysis we did not conclude that but he

1981

01:28:27,240 --> 01:28:25,060

had convinced himself and he was he was

1982

01:28:28,140 --> 01:28:27,250

the head of the division so he took it

1983

01:28:32,270 --> 01:28:28,150

down

1984

01:28:34,610 --> 01:28:32,280

he locked it in his combination cabinet

1985

01:28:38,250 --> 01:28:34,620

when the Ministry of Defense

1986

01:28:40,560 --> 01:28:38,260

Declassified and released the batch of

1987

01:28:41,939 --> 01:28:40,570

files that mentioned this particular

1988

01:28:43,680 --> 01:28:41,949

incident a lot of people were very

1989

01:28:46,500 --> 01:28:43,690

excited and said great we're going to

1990

01:28:51,360 --> 01:28:46,510

see this picture what they actually

1991

01:28:56,160 --> 01:28:51,370

ended up seeing was a poor photocopy of

1992

01:29:01,610 --> 01:28:56,170

a line-drawing Donna of one of the

1993

01:29:05,189 --> 01:29:01,620

photos the original poster sized color

1994

01:29:07,800 --> 01:29:05,199

thing that had been on my wall for years

1995

01:29:11,419 --> 01:29:07,810

had been I think the quote the Ministry

1996

01:29:13,740 --> 01:29:11,429

of Defense gave was misplaced

1997

01:29:15,930 --> 01:29:13,750

something like that but the interesting

1998

01:29:18,000 --> 01:29:15,940

thing it was my opposite number in the

1999

01:29:19,229 --> 01:29:18,010

Defence Intelligence staff had a copy so

2000

01:29:20,970 --> 01:29:19,239

it's not like this was the only one

2001
01:29:22,020 --> 01:29:20,980
kicking around but they say they haven't

2002
01:29:26,189 --> 01:29:22,030
got it

2003
01:29:29,459 --> 01:29:26,199
a few years ago I was asked for a

2004
01:29:34,140 --> 01:29:29,469
British TV show to team up with a

2005
01:29:35,669 --> 01:29:34,150
graphic artist based in LA and we kind

2006
01:29:38,550 --> 01:29:35,679
of went into a huddle like one of these

2007
01:29:41,430 --> 01:29:38,560
you know I guess like a crime victim and

2008
01:29:43,560 --> 01:29:41,440
a police sketch artist we went through

2009
01:29:46,020 --> 01:29:43,570
the files we looked at the line drawing

2010
01:29:47,610 --> 01:29:46,030
and we recreated the image and so

2011
01:29:50,100 --> 01:29:47,620
there's a recreation of the image out

2012
01:29:52,770 --> 01:29:50,110
there but the the photos the negative

2013
01:29:55,800 --> 01:29:52,780

and some of the documentation seem to

2014

01:29:57,479 --> 01:29:55,810

have been mislaid so yeah great story

2015

01:30:00,240 --> 01:29:57,489

thank you very much for that thank you

2016

01:30:02,340 --> 01:30:00,250

and I know their cash Landrum case you

2017

01:30:04,979 --> 01:30:02,350

know as a diamond shaped you know that

2018

01:30:07,590 --> 01:30:04,989

they think may have been cash Landrum

2019

01:30:10,500 --> 01:30:07,600

was a diamond-shaped craft and and of

2020

01:30:12,689 --> 01:30:10,510

course though the object scene wasn't

2021

01:30:15,800 --> 01:30:12,699

it's it's an interesting coincidence

2022

01:30:18,570 --> 01:30:15,810

that the cash Landrum incident occurred

2023

01:30:20,939 --> 01:30:18,580

literally within hours of the Rendlesham

2024

01:30:25,729 --> 01:30:20,949

forest incident halfway across the world

2025

01:30:28,800 --> 01:30:25,739

in the UK so two great iconic cases

2026

01:30:30,149 --> 01:30:28,810

happening so so close together timewise

2027

01:30:31,560 --> 01:30:30,159

alright well I won't keep you anymore

2028

01:30:36,000 --> 01:30:31,570

thank you so much thank you

2029

01:30:38,820 --> 01:30:36,010

yeah really appreciate it all right so

2030

01:30:41,580 --> 01:30:38,830

here's a we have a question up here and

2031

01:30:47,149 --> 01:30:41,590

that is this one here for you

2032

01:30:49,320 --> 01:30:47,159

specifically Travis it says our use

2033

01:30:51,750 --> 01:30:49,330

specifically disappointed in the

2034

01:30:54,479 --> 01:30:51,760

portrayal of how the aliens treated you

2035

01:30:56,430 --> 01:30:54,489

and fire in the sky or was that

2036

01:31:00,600 --> 01:30:56,440

something that actually happened

2037

01:31:03,629 --> 01:31:00,610

well my perception at the time was that

2038

01:31:05,160 --> 01:31:03,639

it was negative I associated the the

2039

01:31:10,290 --> 01:31:05,170

injured feeling the pain I was feeling

2040

01:31:12,510 --> 01:31:10,300

with them but you know having many years

2041

01:31:15,359 --> 01:31:12,520

to ponder it you know I I don't look it

2042

01:31:16,950 --> 01:31:15,369

that way at all now but it was an

2043

01:31:21,629 --> 01:31:16,960

accurate depiction of how I felt at the

2044

01:31:23,310 --> 01:31:21,639

time I see okay very good so this is a

2045

01:31:25,770 --> 01:31:23,320

something I'm not familiar with but

2046

01:31:28,859 --> 01:31:25,780

maybe someone else is and it's for the

2047

01:31:32,370 --> 01:31:28,869

panel and what is that your is what is

2048

01:31:37,200 --> 01:31:32,380

your opinion on the bad encounters in SR

2049

01:31:42,419 --> 01:31:37,210

Carla Turner does anyone know that that

2050

01:31:44,550 --> 01:31:42,429

encounter Carl or Turner you know a bad

2051

01:31:51,930 --> 01:31:44,560

a bad encounters like negative

2052

01:31:55,410 --> 01:31:51,940

encounters what's your opinion on the

2053

01:31:57,450 --> 01:31:55,420

bad encounters but let we'll move on to

2054

01:31:59,189 --> 01:31:57,460

another question that one's just a

2055

01:32:00,720 --> 01:31:59,199

little too I don't think enough people

2056

01:32:03,689 --> 01:32:00,730

are familiar with that

2057

01:32:08,689 --> 01:32:03,699

so someone wanted to know where do you

2058

01:32:11,760 --> 01:32:08,699

think the phenomenon originates and well

2059

01:32:13,649 --> 01:32:11,770

you know to say that there's nothing new

2060

01:32:16,200 --> 01:32:13,659

about the apology is quite an

2061

01:32:18,959 --> 01:32:16,210

understatement you know there is a we're

2062

01:32:21,300 --> 01:32:18,969

looking into a researching petroglyphs

2063

01:32:24,089 --> 01:32:21,310

in our area these are rock carvings

2064

01:32:27,209 --> 01:32:24,099

dating back hundreds of years and these

2065

01:32:30,450 --> 01:32:27,219

can be authenticated because of the the

2066

01:32:32,310 --> 01:32:30,460

chemical changes that occur in the

2067

01:32:35,550 --> 01:32:32,320

surface of this and exposed to weather

2068

01:32:42,379 --> 01:32:35,560

for that length of time and it's amazing

2069

01:32:44,340 --> 01:32:42,389

the that it was how much these people

2070

01:32:48,010 --> 01:32:44,350

regarded there

2071

01:32:50,890 --> 01:32:48,020

their interaction with with the sky

2072

01:32:52,510 --> 01:32:50,900

people as you know permanent stuff yeah

2073

01:32:55,890 --> 01:32:52,520

this is something you wanted to record

2074

01:32:57,940 --> 01:32:55,900

and in stone for for posterity

2075

01:33:00,100 --> 01:32:57,950

very good does anyone else have a

2076

01:33:01,990 --> 01:33:00,110

comment on that real quickly and we have

2077

01:33:03,760 --> 01:33:02,000

someone new just popped in won't talk to

2078

01:33:07,330 --> 01:33:03,770

sure yeah I'll definitely pass it to you

2079

01:33:08,920 --> 01:33:07,340

Steve you have it next but so this is an

2080

01:33:11,800 --> 01:33:08,930

interesting question that you know gets

2081

01:33:15,130 --> 01:33:11,810

posed a lot and it's fun to contemplate

2082

01:33:17,020 --> 01:33:15,140

because you know I always give people

2083

01:33:20,310 --> 01:33:17,030

when I talk about this the answer is

2084

01:33:23,440 --> 01:33:20,320

always yes you know if people say our

2085

01:33:26,320 --> 01:33:23,450

extraterrestrials or if they are here

2086

01:33:28,450 --> 01:33:26,330

are they going are they here to harm us

2087

01:33:30,400 --> 01:33:28,460

yes are they here to help us yes are

2088

01:33:33,510 --> 01:33:30,410

they here to steal our resources yes I

2089

01:33:36,310 --> 01:33:33,520

mean the phenomena isn't all the same

2090

01:33:38,920 --> 01:33:36,320

you know what we have to look at is

2091

01:33:41,230 --> 01:33:38,930

humanity our planet here and looking at

2092

01:33:43,720 --> 01:33:41,240

that as an example as as a point of

2093

01:33:45,460 --> 01:33:43,730

reference if you have three people go

2094

01:33:47,400 --> 01:33:45,470

into a 7-eleven they're all not

2095

01:33:50,410 --> 01:33:47,410

necessarily going in for the same reason

2096

01:33:52,210 --> 01:33:50,420

one might be going in to buy a soda one

2097

01:33:54,100 --> 01:33:52,220

might be going in to try to talk their

2098

01:33:56,070 --> 01:33:54,110

way into using the restroom one might be

2099

01:33:58,480 --> 01:33:56,080

going in to rob the place

2100

01:34:00,790 --> 01:33:58,490

Minoo we all have different motives and

2101
01:34:03,310 --> 01:34:00,800
reasons for doing what we do and that's

2102
01:34:05,830 --> 01:34:03,320
just humanity that's just us here on our

2103
01:34:08,400 --> 01:34:05,840
planet so if we're thinking about the

2104
01:34:10,960 --> 01:34:08,410
infinite life that is in our universe

2105
01:34:15,130 --> 01:34:10,970
there's going to be a lot of everything

2106
01:34:16,930 --> 01:34:15,140
there is a lot of everything so all of

2107
01:34:20,290 --> 01:34:16,940
the above is always the answer yeah

2108
01:34:22,240 --> 01:34:20,300
thank you this is Bob Gross again I'd

2109
01:34:24,850 --> 01:34:22,250
like to say in addition to what you were

2110
01:34:27,880 --> 01:34:24,860
saying in my research I'm finding it's

2111
01:34:31,300 --> 01:34:27,890
it's got to be almost a dialogue there

2112
01:34:33,040 --> 01:34:31,310
can be a stimulus out there

2113
01:34:35,230 --> 01:34:33,050

but you have got to be ready to receive

2114

01:34:37,930 --> 01:34:35,240

it and I think that's extremely

2115

01:34:43,150 --> 01:34:37,940

important in the whole the UFO

2116

01:34:44,920 --> 01:34:43,160

phenomenon yeah good point I this is

2117

01:34:46,420 --> 01:34:44,930

totally gonna set up Steve from what

2118

01:34:51,750 --> 01:34:46,430

Jason was saying yes I'm setting you up

2119

01:34:53,980 --> 01:34:51,760

I've been sitting up everyone here so

2120

01:34:55,480 --> 01:34:53,990

that was actually the best description

2121

01:34:57,130 --> 01:34:55,490

that I've ever heard of it because it is

2122

01:34:57,909 --> 01:34:57,140

all of the above it's all the boxes are

2123

01:35:00,279 --> 01:34:57,919

checked it's like

2124

01:35:02,709 --> 01:35:00,289

if you look at a tribe that hasn't seen

2125

01:35:05,319 --> 01:35:02,719

mankind at all you wouldn't say oh the

2126
01:35:09,759 --> 01:35:05,329
Americans represent all of the world god

2127
01:35:12,969 --> 01:35:09,769
no so so my question is with all that

2128
01:35:15,069 --> 01:35:12,979
that being the case where do we go from

2129
01:35:17,739 --> 01:35:15,079
here I mean is is the ultimate goal

2130
01:35:20,139 --> 01:35:17,749
complete acceptance of this and then

2131
01:35:22,270 --> 01:35:20,149
what do we do with that because the

2132
01:35:26,109 --> 01:35:22,280
extraterrestrials are interdimensional

2133
01:35:28,299 --> 01:35:26,119
beings they they don't maybe they don't

2134
01:35:30,009 --> 01:35:28,309
care that we would all agree on that how

2135
01:35:32,500 --> 01:35:30,019
do we where do we what's the next level

2136
01:35:35,560 --> 01:35:32,510
and and I'm sure Steve has thoughts on

2137
01:35:40,929 --> 01:35:35,570
that so Steven Bassets here this is

2138
01:35:43,479 --> 01:35:40,939

called setting up Steve Bassett so I

2139

01:35:45,429 --> 01:35:43,489

just want to say real quickly Steve was

2140

01:35:47,739 --> 01:35:45,439

the very first person that had the guts

2141

01:35:51,850 --> 01:35:47,749

to be on one of my shows I mean he was

2142

01:35:55,179 --> 01:35:51,860

the very first person on my show yeah

2143

01:35:59,350 --> 01:35:55,189

well he went in the wrong room so you're

2144

01:36:01,389 --> 01:35:59,360

always welcome Steve and that let's we

2145

01:36:02,949 --> 01:36:01,399

have talked to before you came here we

2146

01:36:05,199 --> 01:36:02,959

talked about you know what has changed

2147

01:36:07,959 --> 01:36:05,209

since the December 16th New York Times

2148

01:36:09,639 --> 01:36:07,969

articles come out and especially to

2149

01:36:12,040 --> 01:36:09,649

someone like you you know because

2150

01:36:14,560 --> 01:36:12,050

disclosure is your thing do you think

2151
01:36:15,750 --> 01:36:14,570
it's we pointed in that direction now

2152
01:36:18,100 --> 01:36:15,760
more than ever

2153
01:36:22,029 --> 01:36:18,110
well this is my whole presentation on

2154
01:36:24,069 --> 01:36:22,039
Saturday you do know that right yeah I'm

2155
01:36:29,979 --> 01:36:24,079
not gonna give away boiler alert well

2156
01:36:31,810 --> 01:36:29,989
well well the principle change since the

2157
01:36:34,899 --> 01:36:31,820
New York Times article is people are

2158
01:36:38,159 --> 01:36:34,909
getting excited you can tell that you're

2159
01:36:42,239 --> 01:36:38,169
getting excited you're gonna blow and

2160
01:36:44,139 --> 01:36:42,249
I'm sure some witnesses or they're

2161
01:36:45,580 --> 01:36:44,149
what's going on here and you've got

2162
01:36:47,370 --> 01:36:45,590
journalists and so forth that that's

2163
01:36:49,959 --> 01:36:47,380

really there hasn't been any

2164

01:36:53,229 --> 01:36:49,969

announcements from any other agencies

2165

01:36:56,139 --> 01:36:53,239

but what what's more important is not

2166

01:36:58,359 --> 01:36:56,149

just that there is in fact a two-year

2167

01:37:00,370 --> 01:36:58,369

process underway that's what I'll be

2168

01:37:02,229 --> 01:37:00,380

talking about on Saturday and I've kind

2169

01:37:04,569 --> 01:37:02,239

of identified the bigger picture and the

2170

01:37:06,370 --> 01:37:04,579

players and all that and when you look

2171

01:37:09,909 --> 01:37:06,380

at the bigger picture you you see a

2172

01:37:11,560 --> 01:37:09,919

strategic maneuver that is more than

2173

01:37:14,859 --> 01:37:11,570

capable of forcing disclosure

2174

01:37:17,020 --> 01:37:14,869

this year which is very interesting

2175

01:37:19,060 --> 01:37:17,030

because the political situation America

2176
01:37:21,939 --> 01:37:19,070
as has never been worse in my lifetime

2177
01:37:23,020 --> 01:37:21,949
so why would they want to do that now

2178
01:37:28,510 --> 01:37:23,030
very interesting I'll be talking about

2179
01:37:30,220 --> 01:37:28,520
that but nevertheless we're in an

2180
01:37:32,500 --> 01:37:30,230
unprecedented time there's never been

2181
01:37:38,319 --> 01:37:32,510
anything like this there has never been

2182
01:37:41,979 --> 01:37:38,329
a - article New York Times uh coverage

2183
01:37:43,600 --> 01:37:41,989
of this on the same day ever by the same

2184
01:37:44,800 --> 01:37:43,610
writers that I'm aware of

2185
01:37:46,089 --> 01:37:44,810
there's never been the release of gun

2186
01:37:48,040 --> 01:37:46,099
camera footage that's the first ever

2187
01:37:49,089 --> 01:37:48,050
somebody said no and they showed me

2188
01:37:52,390 --> 01:37:49,099

something I'm going that that's a

2189

01:37:54,609 --> 01:37:52,400

contrail but he talked about and never

2190

01:37:55,899 --> 01:37:54,619

has a team of former insiders ever come

2191

01:37:58,240 --> 01:37:55,909

together like this so you put it

2192

01:38:00,010 --> 01:37:58,250

together you go okay if this pace

2193

01:38:01,899 --> 01:38:00,020

continues and we don't have a war with

2194

01:38:03,640 --> 01:38:01,909

North Korea or pick another country you

2195

01:38:05,109 --> 01:38:03,650

know whoever we're planning on having

2196

01:38:06,790 --> 01:38:05,119

world with X if they can hold off on the

2197

01:38:08,740 --> 01:38:06,800

next war because they have them all

2198

01:38:09,910 --> 01:38:08,750

queued up you know yeah you know they

2199

01:38:11,319 --> 01:38:09,920

actually have many don't even choose

2200

01:38:13,419 --> 01:38:11,329

from any given time they kind of get to

2201

01:38:15,250 --> 01:38:13,429

a menu want and menu a should cover menu

2202

01:38:17,620 --> 01:38:15,260

be a boost do one from each whatever the

2203

01:38:21,100 --> 01:38:17,630

hell these fine people that we've

2204

01:38:22,930 --> 01:38:21,110

elected and ask the leaders if there

2205

01:38:24,100 --> 01:38:22,940

isn't something like that I don't see

2206

01:38:26,830 --> 01:38:24,110

that I don't see how the truth embargo

2207

01:38:28,540 --> 01:38:26,840

can sustain this all right

2208

01:38:30,490 --> 01:38:28,550

then you let me tell you by the New York

2209

01:38:32,589 --> 01:38:30,500

Times what's which some people may not

2210

01:38:35,200 --> 01:38:32,599

have thought about I'll give away a

2211

01:38:36,850 --> 01:38:35,210

little besides your people are not gonna

2212

01:38:41,439 --> 01:38:36,860

fly here to come to my things right

2213

01:38:43,330 --> 01:38:41,449

they're late for that yeah they did not

2214

01:38:44,859 --> 01:38:43,340

run that story down a lot of people

2215

01:38:46,000 --> 01:38:44,869

think oh wow the New York Times got some

2216

01:38:50,379 --> 01:38:46,010

people out there and they ran this story

2217

01:38:52,959 --> 01:38:50,389

down Oh time to Long's people handed it

2218

01:38:54,339 --> 01:38:52,969

to them walked in the door and said you

2219

01:38:56,080 --> 01:38:54,349

know we're doing this and here's some

2220

01:38:58,240 --> 01:38:56,090

news now people say well that's

2221

01:38:59,680 --> 01:38:58,250

collusion you know and the fake news and

2222

01:39:02,319 --> 01:38:59,690

they they they're they're being used on

2223

01:39:04,270 --> 01:39:02,329

this crap the New York Times and every

2224

01:39:06,160 --> 01:39:04,280

paper have stuff in hi and stories

2225

01:39:08,530 --> 01:39:06,170

walked in the door every single day and

2226

01:39:10,629 --> 01:39:08,540

they make a decision is this news or not

2227

01:39:14,290 --> 01:39:10,639

news and if it's not news later what I

2228

01:39:16,959 --> 01:39:14,300

mean if yeah it's that simple so this

2229

01:39:20,950 --> 01:39:16,969

story was walked in and not only did

2230

01:39:22,540 --> 01:39:20,960

they run it they they got they they knew

2231

01:39:23,830 --> 01:39:22,550

Leslie Kane was I mean they knew that

2232

01:39:25,479 --> 01:39:23,840

she had written stuff high-level

2233

01:39:27,970 --> 01:39:25,489

connection to Podesta they go get her

2234

01:39:30,670 --> 01:39:27,980

all right and they say okay you're gonna

2235

01:39:32,470 --> 01:39:30,680

write it with Helen Cooper but we need

2236

01:39:34,930 --> 01:39:32,480

more gravitas we want to make sure that

2237

01:39:39,700 --> 01:39:34,940

nobody just sort of takes us too lightly

2238

01:39:41,740 --> 01:39:39,710

and they knew like I knew because I

2239

01:39:43,120 --> 01:39:41,750

talked to him he's one of the reporters

2240

01:39:44,410 --> 01:39:43,130

I was working with during that political

2241

01:39:48,100 --> 01:39:44,420

initiative against him with the Clinton

2242

01:39:51,070 --> 01:39:48,110

campaign that a former longtime New York

2243

01:39:53,620 --> 01:39:51,080

Times person Ralph Blumenthal Pulitzer

2244

01:39:59,050 --> 01:39:53,630

Prize winner and nominee both to two

2245

01:40:01,000 --> 01:39:59,060

nominees one win is how would you say

2246

01:40:04,180 --> 01:40:01,010

involved in the issue with something

2247

01:40:06,400 --> 01:40:04,190

coming and so they got him too so you've

2248

01:40:08,979 --> 01:40:06,410

got two articles cooked to try written

2249

01:40:10,959 --> 01:40:08,989

by these three people in one is an ear

2250

01:40:13,630 --> 01:40:10,969

that that is that's the New York Times

2251

01:40:16,840 --> 01:40:13,640

going way beyond just okay will write an

2252

01:40:18,940 --> 01:40:16,850

article so in a sense the New York Times

2253

01:40:22,209 --> 01:40:18,950

basically said and we've known about

2254

01:40:24,400 --> 01:40:22,219

this issue always we're not stupid here

2255

01:40:25,180 --> 01:40:24,410

we can read Stan Friedman's and books as

2256

01:40:26,800 --> 01:40:25,190

well as anybody else

2257

01:40:28,240 --> 01:40:26,810

we've always honest true but we could

2258

01:40:30,850 --> 01:40:28,250

have we couldn't really go beyond a

2259

01:40:32,050 --> 01:40:30,860

certain point yeah and we decided we're

2260

01:40:33,490 --> 01:40:32,060

gonna go beyond a certain point and then

2261

01:40:35,860 --> 01:40:33,500

of course you've got the insiders the

2262

01:40:37,720 --> 01:40:35,870

Pentagon doing the same thing working

2263

01:40:40,600 --> 01:40:37,730

this only go but to force the hand of

2264

01:40:43,060 --> 01:40:40,610

somebody the question is whose hand is

2265

01:40:44,770 --> 01:40:43,070

it going to force who which head of

2266

01:40:47,320 --> 01:40:44,780

state is going to react to this and

2267

01:40:49,030 --> 01:40:47,330

decide it's time to win the marathon I'm

2268

01:40:51,070 --> 01:40:49,040

just gonna jump in across the finish

2269

01:40:54,100 --> 01:40:51,080

line that's that's what I see is going

2270

01:40:56,860 --> 01:40:54,110

on yeah there's some speculation or

2271

01:40:58,600 --> 01:40:56,870

people are saying who initiated who

2272

01:41:03,850 --> 01:40:58,610

really initiated it you know like

2273

01:41:15,790 --> 01:41:03,860

there's and and so you think so totally

2274

01:41:17,440 --> 01:41:15,800

yeah is a mic holder all right I'm gonna

2275

01:41:19,570 --> 01:41:17,450

ask is there anyone sitting in our

2276

01:41:21,910 --> 01:41:19,580

studio audience that's still awake I

2277

01:41:23,290 --> 01:41:21,920

mean has a question does anyone have a

2278

01:41:29,020 --> 01:41:23,300

question for any of the panel up here

2279

01:41:31,810 --> 01:41:29,030

that you can think of and no questions

2280

01:41:36,700 --> 01:41:31,820

okay you have a comment go ahead

2281

01:41:38,069 --> 01:41:36,710

yes Jim again think of this disclosure

2282

01:41:40,819 --> 01:41:38,079

as a stool

2283

01:41:44,939 --> 01:41:40,829

and you have to have more than one leg

2284

01:41:49,080 --> 01:41:44,949

this table right here is part of a big

2285

01:41:51,240 --> 01:41:49,090

part of that one leg that has put us at

2286

01:41:54,689 --> 01:41:51,250

this point you know it's sort of

2287

01:41:59,280 --> 01:41:54,699

interesting we have MS Martin down there

2288

01:42:01,109 --> 01:41:59,290

who was probably part of a witness of

2289

01:42:03,990 --> 01:42:01,119

history of one of the greatest events

2290

01:42:07,770 --> 01:42:04,000

that move this forward we have mr.

2291

01:42:12,060 --> 01:42:07,780

Walton here moved us forward without mr.

2292

01:42:13,530 --> 01:42:12,070

Friedman there wouldn't be Roswell and

2293

01:42:17,069 --> 01:42:13,540

the only one missing is Whitley Strieber

2294

01:42:19,470 --> 01:42:17,079

in the book and so disclosure isn't just

2295

01:42:23,160 --> 01:42:19,480

from the government it's been from

2296

01:42:25,200 --> 01:42:23,170

people in this community because where

2297

01:42:30,959 --> 01:42:25,210

would we be without those four stories

2298

01:42:35,160 --> 01:42:30,969

right there and going forward I the one

2299

01:42:38,580 --> 01:42:35,170

hope I have is this community is able to

2300

01:42:40,950 --> 01:42:38,590

new people in old you know have sort of

2301
01:42:42,870 --> 01:42:40,960
a common unified story now you're not

2302
01:42:45,510 --> 01:42:42,880
going to have common unified reasons for

2303
01:42:47,520 --> 01:42:45,520
them being here or where they're from

2304
01:42:50,700 --> 01:42:47,530
you know are they from

2305
01:42:52,470 --> 01:42:50,710
you know Nibiru or or from another

2306
01:42:55,950 --> 01:42:52,480
dimension I mean everyone has their own

2307
01:42:58,280 --> 01:42:55,960
opinions but you know it this this the

2308
01:43:02,970 --> 01:42:58,290
spotlight is going to be turned on

2309
01:43:06,330 --> 01:43:02,980
people at this table and that'll be a

2310
01:43:08,490 --> 01:43:06,340
big question and mr. Bassett that can do

2311
01:43:10,260 --> 01:43:08,500
a great job with the lobbying efforts

2312
01:43:12,689 --> 01:43:10,270
and all that but they're gonna have to

2313
01:43:14,160 --> 01:43:12,699

turn to the next level and so keeping

2314

01:43:18,780 --> 01:43:14,170

this going is going to take more than

2315

01:43:20,490 --> 01:43:18,790

the government to do and this program

2316

01:43:24,200 --> 01:43:20,500

right here you put together three of the

2317

01:43:28,200 --> 01:43:24,210

four legs in my opinion of the modern

2318

01:43:30,720 --> 01:43:28,210

lurches in disclosure from our side at

2319

01:43:33,810 --> 01:43:30,730

least yeah you know I've heard I've

2320

01:43:35,490 --> 01:43:33,820

heard not used Steve but I heard many

2321

01:43:36,959 --> 01:43:35,500

people say that they don't think the

2322

01:43:40,610 --> 01:43:36,969

government will ever disclose does

2323

01:43:40,610 --> 01:43:40,620

anyone want to address that

2324

01:43:45,360 --> 01:43:42,630

because they have too many things to

2325

01:43:48,210 --> 01:43:45,370

answer for that you know that they've

2326

01:43:51,000 --> 01:43:48,220

been hiding for since 1940s or something

2327

01:43:54,210 --> 01:43:51,010

it's kind of like going up to someone a

2328

01:43:58,740 --> 01:43:54,220

kid Dean sorry this is Dean a legato got

2329

01:44:02,070 --> 01:43:58,750

a UFO abduction movie calm no shameless

2330

01:44:03,810 --> 01:44:02,080

shameless yeah yeah yeah

2331

01:44:07,320 --> 01:44:03,820

it's either UFO or porno one of the

2332

01:44:10,170 --> 01:44:07,330

others we talked about she mentioned or

2333

01:44:12,930 --> 01:44:10,180

both know it's kind of like going up to

2334

01:44:15,660 --> 01:44:12,940

a kid and they say they show you kind of

2335

01:44:18,300 --> 01:44:15,670

what they have behind their back and you

2336

01:44:21,750 --> 01:44:18,310

go oh really what else do you have back

2337

01:44:22,830 --> 01:44:21,760

there I think that it's it's so deep I

2338

01:44:24,960 --> 01:44:22,840

mean if they were to come out and say

2339

01:44:26,520 --> 01:44:24,970

yes we have been doing that then it

2340

01:44:29,280 --> 01:44:26,530

becomes okay and what about this and

2341

01:44:30,390 --> 01:44:29,290

what about that and then each separate

2342

01:44:32,580 --> 01:44:30,400

incident is going to have its own

2343

01:44:34,650 --> 01:44:32,590

blockhead if it becomes hey that was

2344

01:44:36,690 --> 01:44:34,660

that generation we're not part of that

2345

01:44:39,630 --> 01:44:36,700

so we can tell you that here's what's

2346

01:44:41,490 --> 01:44:39,640

been going on I don't know how it

2347

01:44:44,700 --> 01:44:41,500

benefits them since the big thing is you

2348

01:44:46,200 --> 01:44:44,710

know information is power and to hold on

2349

01:44:48,120 --> 01:44:46,210

to it and then if we do have all this

2350

01:44:50,820 --> 01:44:48,130

stuff is Russia's another nation going

2351

01:44:52,950 --> 01:44:50,830

to say hey let's share the love here

2352

01:44:54,030 --> 01:44:52,960

we'd like some of that as well and so if

2353

01:44:57,870 --> 01:44:54,040

there was wreckage or something like

2354

01:45:00,000 --> 01:44:57,880

that so um I mean Steve can speak much

2355

01:45:01,710 --> 01:45:00,010

to it more than I can but I just feel as

2356

01:45:05,070 --> 01:45:01,720

someone who's been tracking this for 25

2357

01:45:07,100 --> 01:45:05,080

years I everyone will say well what

2358

01:45:09,720 --> 01:45:07,110

happens if they do that and I go well

2359

01:45:11,400 --> 01:45:09,730

you know it comes down to accountability

2360

01:45:13,170 --> 01:45:11,410

something's been have to be accountable

2361

01:45:14,880 --> 01:45:13,180

so who's who's gonna be willing to do

2362

01:45:16,530 --> 01:45:14,890

that I don't know how far we have to get

2363

01:45:18,570 --> 01:45:16,540

before we can talk about like the

2364

01:45:21,120 --> 01:45:18,580

forefathers and what they did and the

2365

01:45:23,310 --> 01:45:21,130

crappy things that they did so anyway

2366

01:45:25,680 --> 01:45:23,320

that's my take on it here's a question

2367

01:45:28,230 --> 01:45:25,690

that it's kind of interesting does

2368

01:45:32,310 --> 01:45:28,240

anyone here think that there's possibly

2369

01:45:34,190 --> 01:45:32,320

any manipulation of us by outside like

2370

01:45:39,710 --> 01:45:34,200

extraterrestrial in any type of way

2371

01:45:42,840 --> 01:45:39,720

question from chat are you saying that

2372

01:45:44,940 --> 01:45:42,850

humans have been manipulated by aliens

2373

01:45:46,590 --> 01:45:44,950

to create what we right now like

2374

01:45:48,750 --> 01:45:46,600

anything that's happening like right now

2375

01:45:50,559 --> 01:45:48,760

like our technology today is not from us

2376

01:45:54,939 --> 01:45:50,569

from someone else

2377

01:45:56,439 --> 01:45:54,949

the question is well yeah in general do

2378

01:45:58,599 --> 01:45:56,449

you think there's any manipulation by

2379

01:46:01,149 --> 01:45:58,609

extraterrestrial of our planet of our

2380

01:46:03,069 --> 01:46:01,159

peoples I business Kevin gassmann by the

2381

01:46:05,799 --> 01:46:03,079

way that mean of course everything is

2382

01:46:07,359 --> 01:46:05,809

possible isn't it you know do you you

2383

01:46:08,829 --> 01:46:07,369

know is it mind control are aliens

2384

01:46:10,359 --> 01:46:08,839

controlling a certain sector of our

2385

01:46:12,669 --> 01:46:10,369

population you know is that what's going

2386

01:46:15,099 --> 01:46:12,679

on or are half of our population control

2387

01:46:16,959 --> 01:46:15,109

by one raised another half I mean it's

2388

01:46:19,389 --> 01:46:16,969

all speculation you know we we don't

2389

01:46:22,869 --> 01:46:19,399

know I don't think anybody else has a

2390

01:46:24,909 --> 01:46:22,879

comment on it but well I know I could

2391

01:46:26,799 --> 01:46:24,919

probably speak for Steve and a couple

2392

01:46:29,020 --> 01:46:26,809

other people at this table but I'm sure

2393

01:46:31,479 --> 01:46:29,030

you know plenty of us have been accused

2394

01:46:33,699 --> 01:46:31,489

of being part of the agenda being

2395

01:46:36,009 --> 01:46:33,709

reptilian aliens controlling the

2396

01:46:37,719 --> 01:46:36,019

information coming out so I know I'm a

2397

01:46:40,359 --> 01:46:37,729

reptilian you know I've been told that

2398

01:46:42,669 --> 01:46:40,369

many times so and people have gone so

2399

01:46:47,500 --> 01:46:42,679

far as to prove the slits in my eyes so

2400

01:46:52,089 --> 01:46:47,510

yeah I mean it's obviously happening I'm

2401

01:46:54,569 --> 01:46:52,099

a Gemini so I don't know I've been

2402

01:46:57,129 --> 01:46:54,579

accused my my I'll be speaking to this

2403

01:46:58,929 --> 01:46:57,139

tomorrow morning 9:00 a.m. I've been

2404

01:47:01,479 --> 01:46:58,939

accused of being part of a government

2405

01:47:03,009 --> 01:47:01,489

disinformation because of my movies and

2406

01:47:06,009 --> 01:47:03,019

on Wikipedia you'll see it there and

2407

01:47:09,129 --> 01:47:06,019

which is why actually I avoided going to

2408

01:47:11,589 --> 01:47:09,139

UFO conferences and conventions all this

2409

01:47:14,829 --> 01:47:11,599

time because I thought I might be taken

2410

01:47:16,689 --> 01:47:14,839

out and flogged and so but I anyway

2411

01:47:19,029 --> 01:47:16,699

enough time has passed but but I've been

2412

01:47:20,199 --> 01:47:19,039

accused of that and and at first it was

2413

01:47:21,939 --> 01:47:20,209

kind of like oh that's hysterical

2414

01:47:23,589 --> 01:47:21,949

here was a thing that was just this you

2415

01:47:25,899 --> 01:47:23,599

know a little weird movie and it's

2416

01:47:28,989 --> 01:47:25,909

become this and then I kind of got

2417

01:47:29,559 --> 01:47:28,999

pissed off and I was like hey this isn't

2418

01:47:31,689 --> 01:47:29,569

about that

2419

01:47:33,429 --> 01:47:31,699

this is about you know us trying to get

2420

01:47:37,020 --> 01:47:33,439

answers first and foremost everything

2421

01:47:39,129 --> 01:47:37,030

else is is biessing that won't swear but

2422

01:47:40,659 --> 01:47:39,139

they're gonna get pissed off what people

2423

01:47:42,849 --> 01:47:40,669

say on the net about you you need to get

2424

01:47:47,439 --> 01:47:42,859

a lifetime supply of xanax is amazing

2425

01:47:50,109 --> 01:47:47,449

you can't just just ignore it depends on

2426

01:47:55,239 --> 01:47:50,119

what you mean by manipulation the answer

2427

01:47:56,199 --> 01:47:55,249

is yes but in terms of what we know that

2428

01:47:59,619 --> 01:47:56,209

would come under the heading

2429

01:48:01,399 --> 01:47:59,629

manipulation I think for sure is fairly

2430

01:48:03,620 --> 01:48:01,409

straightforward

2431

01:48:05,930 --> 01:48:03,630

if they're if they're flying around in

2432

01:48:08,090 --> 01:48:05,940

the skies and being seen or allowing

2433

01:48:11,090 --> 01:48:08,100

themselves to be seen they are affecting

2434

01:48:13,479 --> 01:48:11,100

our world our perceptions they're

2435

01:48:16,879 --> 01:48:13,489

generating stories are generating

2436

01:48:18,879 --> 01:48:16,889

articles and papers and so forth when

2437

01:48:21,410 --> 01:48:18,889

the memory when that when when the when

2438

01:48:23,930 --> 01:48:21,420

Whitley's book came out and and and

2439

01:48:25,280 --> 01:48:23,940

memory leakage started I was wondering

2440

01:48:27,830 --> 01:48:25,290

is that something they could have

2441

01:48:29,090 --> 01:48:27,840

prevented could they have tightened

2442

01:48:30,800 --> 01:48:29,100

people up more are they deliberately

2443

01:48:33,129 --> 01:48:30,810

allowing some leakage to take place

2444

01:48:35,689 --> 01:48:33,139

because obviously the emergence of

2445

01:48:37,850 --> 01:48:35,699

contactees and their stories put a lot

2446

01:48:40,550 --> 01:48:37,860

of pressure on the truth embargo that

2447

01:48:42,649 --> 01:48:40,560

manipulation they keep showing up in

2448

01:48:45,770 --> 01:48:42,659

England every year with more crop

2449

01:48:47,600 --> 01:48:45,780

circles and they make sure to go back to

2450

01:48:49,340 --> 01:48:47,610

the same places so we definitely will

2451
01:48:51,770 --> 01:48:49,350
see it happen as opposed to maybe put

2452
01:48:54,350 --> 01:48:51,780
one up in Kazakhstan all right and be

2453
01:48:57,439 --> 01:48:54,360
found eight months later and then every

2454
01:49:00,530 --> 01:48:57,449
year people get more ultra lights and

2455
01:49:01,820 --> 01:49:00,540
and special cameras to try to catch them

2456
01:49:05,270 --> 01:49:01,830
doing it no problem they keep coming

2457
01:49:07,220 --> 01:49:05,280
back that's affecting us they take they

2458
01:49:10,760 --> 01:49:07,230
take material from animals particularly

2459
01:49:12,830 --> 01:49:10,770
cattle they could drop the cow in the

2460
01:49:16,360 --> 01:49:12,840
middle of Pacific well they leave it

2461
01:49:19,850 --> 01:49:16,370
there to be found and generate more

2462
01:49:23,510 --> 01:49:19,860
awareness so they are manipulating us

2463
01:49:25,780 --> 01:49:23,520

certainly in that sense to what purpose

2464

01:49:28,160 --> 01:49:25,790

well everybody has a theory about that

2465

01:49:30,350 --> 01:49:28,170

that I could speak to in terms of

2466

01:49:32,990 --> 01:49:30,360

controlling people putting messages in

2467

01:49:35,300 --> 01:49:33,000

their head guiding us directing us well

2468

01:49:37,459 --> 01:49:35,310

you know that's just the paranoia of the

2469

01:49:39,110 --> 01:49:37,469

net being driven by dysfunctional

2470

01:49:41,180 --> 01:49:39,120

government which has lost the trust of

2471

01:49:43,250 --> 01:49:41,190

American people so the net takes

2472

01:49:46,580 --> 01:49:43,260

everything and runs with it as far as

2473

01:49:48,500 --> 01:49:46,590

you can go but they are they are they

2474

01:49:50,570 --> 01:49:48,510

are altering our view it is clearly

2475

01:49:53,640 --> 01:49:50,580

intentional by then the question is why

2476

01:49:58,050 --> 01:49:53,650

and hopefully we'll know soon yeah

2477

01:50:01,760 --> 01:49:58,060

I think that we have to look at this

2478

01:50:07,380 --> 01:50:01,770

historically and dating back to the

2479

01:50:10,830 --> 01:50:07,390

1940s UFOs were showing up when around

2480

01:50:12,450 --> 01:50:10,840

nuclear installations tests and the

2481

01:50:14,220 --> 01:50:12,460

scientists at that time were even

2482

01:50:20,190 --> 01:50:14,230

speculating that perhaps this was a

2483

01:50:24,750 --> 01:50:20,200

byproduct of nuclear detonation and in

2484

01:50:28,800 --> 01:50:24,760

starting in the 1950s we had warnings

2485

01:50:31,670 --> 01:50:28,810

from extraterrestrials that they were

2486

01:50:34,440 --> 01:50:31,680

very concerned about our nuclear weapons

2487

01:50:37,460 --> 01:50:34,450

I've been working on two studies

2488

01:50:39,840 --> 01:50:37,470

recently one is freeze study of

2489

01:50:42,660 --> 01:50:39,850

experiencers with it was my

2490

01:50:46,700 --> 01:50:42,670

understanding we have about 4,000

2491

01:50:50,280 --> 01:50:46,710

participants now also on muffins

2492

01:50:54,090 --> 01:50:50,290

experiencer research project with dr.

2493

01:50:57,650 --> 01:50:54,100

Don seed on dairy and I have been

2494

01:51:01,110 --> 01:50:57,660

comparing the statements that

2495

01:51:04,440 --> 01:51:01,120

experiencers are receiving hundreds of

2496

01:51:07,590 --> 01:51:04,450

experiences are receiving and over and

2497

01:51:10,800 --> 01:51:07,600

over again I'm reading about concern

2498

01:51:14,370 --> 01:51:10,810

about our nuclear weapons people are

2499

01:51:19,740 --> 01:51:14,380

saying they are writing that at one time

2500

01:51:22,250 --> 01:51:19,750

in our distant past we have reached this

2501
01:51:25,830 --> 01:51:22,260
level of technological development and

2502
01:51:29,130 --> 01:51:25,840
when we reach that level we destroyed

2503
01:51:32,550 --> 01:51:29,140
this planet and now we have come that

2504
01:51:35,130 --> 01:51:32,560
far and we are very close to the point

2505
01:51:38,220 --> 01:51:35,140
where we destroyed this planet in the

2506
01:51:40,170 --> 01:51:38,230
past and they don't want that to happen

2507
01:51:42,180 --> 01:51:40,180
again and they're trying to stop that

2508
01:51:46,170 --> 01:51:42,190
I'm not saying that they're all

2509
01:51:48,480 --> 01:51:46,180
benevolent and they're not but over and

2510
01:51:52,020 --> 01:51:48,490
over again I'm receiving this message

2511
01:51:53,390 --> 01:51:52,030
from experiencers those Cathy Martin

2512
01:51:55,830 --> 01:51:53,400
thank you

2513
01:51:57,480 --> 01:51:55,840

when I hear it again sorry it's Dean

2514

01:51:59,790 --> 01:51:57,490

Alioto again when I hear that there that

2515

01:52:01,200 --> 01:51:59,800

we're destroying the planet I always

2516

01:52:03,180 --> 01:52:01,210

look at it like kind of an inside joke

2517

01:52:05,250 --> 01:52:03,190

that the planet has because we're not

2518

01:52:07,410 --> 01:52:05,260

destroying the planet we can't destroy

2519

01:52:09,959 --> 01:52:07,420

the planet we can make it inhabitable

2520

01:52:12,180 --> 01:52:09,969

for humans and for species but this

2521

01:52:15,630 --> 01:52:12,190

planet will recycle our you know petty

2522

01:52:20,000 --> 01:52:15,640

yes yeah yeah yeah and so yeah exactly

2523

01:52:22,439 --> 01:52:20,010

so when we did Nagasaki Hiroshima the

2524

01:52:25,380 --> 01:52:22,449

aliens didn't show up then to prevent it

2525

01:52:29,660 --> 01:52:25,390

so why would they show up now as my

2526

01:52:37,169 --> 01:52:29,670

question and and and I hope they do but

2527

01:52:40,020 --> 01:52:37,179

yeah we have about 40 years of

2528

01:52:42,390 --> 01:52:40,030

experience or research we have about 40

2529

01:52:45,689 --> 01:52:42,400

years this Jim again we have about 40

2530

01:52:48,990 --> 01:52:45,699

years of experience or research they

2531

01:52:52,380 --> 01:52:49,000

don't ask about our government they

2532

01:52:54,630 --> 01:52:52,390

don't ask about who's on TV they don't

2533

01:52:56,790 --> 01:52:54,640

ask about our culture they don't ask

2534

01:53:01,380 --> 01:52:56,800

they refuse to answer questions about

2535

01:53:04,650 --> 01:53:01,390

religion but they are very concerned

2536

01:53:09,110 --> 01:53:04,660

about how we treat each other and how we

2537

01:53:11,400 --> 01:53:09,120

treat our planet and I see it as a

2538

01:53:12,959 --> 01:53:11,410

looking at it from the outside but

2539

01:53:15,450 --> 01:53:12,969

they're not going to do anything we have

2540

01:53:18,870 --> 01:53:15,460

to do it for ourselves and so I don't

2541

01:53:23,250 --> 01:53:18,880

see anything that would they're

2542

01:53:25,140 --> 01:53:23,260

manipulating I see a hands-off pour what

2543

01:53:27,510 --> 01:53:25,150

they're doing and we don't know as far

2544

01:53:31,169 --> 01:53:27,520

as you know as experiencers and what's

2545

01:53:38,250 --> 01:53:31,179

happened to us but as far as them trying

2546

01:53:41,130 --> 01:53:38,260

to intervene I don't see that some of

2547

01:53:42,810 --> 01:53:41,140

its analog sorry some of its analog and

2548

01:53:45,000 --> 01:53:42,820

digital they shut it off so that is a

2549

01:53:47,000 --> 01:53:45,010

little bit of interception there right

2550

01:53:50,300 --> 01:53:47,010

well but think about it this way I

2551

01:53:54,630 --> 01:53:50,310

talked to Captain Robert Salas he was

2552

01:53:58,260 --> 01:53:54,640

m'as in charge of a flight of ICBMs that

2553

01:54:01,200 --> 01:53:58,270

was shut down and it was more of an

2554

01:54:03,840 --> 01:54:01,210

overt attempt to show our government

2555

01:54:06,959 --> 01:54:03,850

that you know we can do whatever we want

2556

01:54:09,150 --> 01:54:06,969

but they don't they don't stop wars they

2557

01:54:11,130 --> 01:54:09,160

do they let us they'll let us destroy

2558

01:54:14,369 --> 01:54:11,140

ourselves and that seems to be where

2559

01:54:21,270 --> 01:54:17,489

because here we are as Kathleen said

2560

01:54:24,599 --> 01:54:21,280

through all the studies that you're

2561

01:54:28,799 --> 01:54:24,609

doing with free and move on and for with

2562

01:54:30,869 --> 01:54:28,809

my 26 years of speaking intimately in

2563

01:54:35,489 --> 01:54:30,879

working intimately with experiencers

2564

01:54:37,859 --> 01:54:35,499

their concern has always been that we're

2565

01:54:41,009 --> 01:54:37,869

going to we're destroying our planet and

2566

01:54:43,979 --> 01:54:41,019

we need to pay attention and within the

2567

01:54:47,040 --> 01:54:43,989

last five years and this is what I wrote

2568

01:54:50,520 --> 01:54:47,050

my new book chosen and the second part

2569

01:54:53,489 --> 01:54:50,530

of that book I put I'd heard it over and

2570

01:54:55,919 --> 01:54:53,499

over and over again that and I called it

2571

01:54:59,459 --> 01:54:55,929

the urgency because I've been hearing

2572

01:55:00,750 --> 01:54:59,469

from experiencers new people one after

2573

01:55:02,129 --> 01:55:00,760

another coming into my office they don't

2574

01:55:05,069 --> 01:55:02,139

know each other and they're saying the

2575

01:55:07,080 --> 01:55:05,079

same thing I feel like something is

2576

01:55:09,770 --> 01:55:07,090

coming down the pike pretty soon this

2577

01:55:12,540 --> 01:55:09,780

was before the 2016 elections by the way

2578

01:55:14,310 --> 01:55:12,550

they were they didn't know they know

2579

01:55:16,290 --> 01:55:14,320

that they were supposed to do something

2580

01:55:20,339 --> 01:55:16,300

but they didn't know what many of them

2581

01:55:22,799 --> 01:55:20,349

said that I think I'm supposed to find

2582

01:55:25,379 --> 01:55:22,809

more out about my experience I think I'm

2583

01:55:29,040 --> 01:55:25,389

supposed to talk about them I think I'm

2584

01:55:31,049 --> 01:55:29,050

supposed to talk to the public about my

2585

01:55:34,080 --> 01:55:31,059

abductions and other people have said

2586

01:55:37,830 --> 01:55:34,090

the same thing and these are people who

2587

01:55:41,879 --> 01:55:37,840

had these careers making six figures

2588

01:55:44,580 --> 01:55:41,889

telling me you know I went to school I

2589

01:55:46,589 --> 01:55:44,590

got my degree I've had very successful

2590

01:55:51,989 --> 01:55:46,599

but that doesn't mean anything anymore

2591

01:55:53,729 --> 01:55:51,999

and I've heard this over and over so I

2592

01:55:55,589 --> 01:55:53,739

thought it was important enough to put

2593

01:55:57,750 --> 01:55:55,599

in my new book I wanted to hear from

2594

01:56:00,810 --> 01:55:57,760

other experiences from around the

2595

01:56:02,969 --> 01:56:00,820

country and my book is being translated

2596

01:56:07,529 --> 01:56:02,979

into Portuguese and I'm hoping I get

2597

01:56:10,679 --> 01:56:07,539

emails you know from these people from

2598

01:56:13,919 --> 01:56:10,689

Brazil because I think I think

2599

01:56:17,969 --> 01:56:13,929

experiences are trying to tell us or

2600

01:56:20,790 --> 01:56:17,979

tell the the masses that they're feeling

2601
01:56:24,869 --> 01:56:20,800
that something is coming now whether we

2602
01:56:27,270 --> 01:56:24,879
know whether it's because of the 2016

2603
01:56:28,229 --> 01:56:27,280
elections that we all went through but

2604
01:56:30,930 --> 01:56:28,239
they said this was how

2605
01:56:33,029 --> 01:56:30,940
I mean before there and they mentioned

2606
01:56:38,759 --> 01:56:33,039
nuclear weapons they were afraid of

2607
01:56:41,399 --> 01:56:38,769
nuclear war many of my clients support

2608
01:56:46,109 --> 01:56:41,409
group members felt compelled to go out

2609
01:56:47,939 --> 01:56:46,119
and stock up on water and food and so

2610
01:56:51,660 --> 01:56:47,949
whatever this all means I mean I don't

2611
01:56:53,729 --> 01:56:51,670
have the answers yet but I I wanted to

2612
01:56:55,620 --> 01:56:53,739
pay enough attention to the experiencers

2613
01:57:00,029 --> 01:56:55,630

that I've been working with and hearing

2614

01:57:01,890 --> 01:57:00,039

from that I think with what they're

2615

01:57:05,189 --> 01:57:01,900

saying the masses coming forward I think

2616

01:57:08,250 --> 01:57:05,199

that's what's gonna push us forward and

2617

01:57:11,819 --> 01:57:08,260

then with you know with what Steve's

2618

01:57:17,430 --> 01:57:11,829

doing I think altogether something is

2619

01:57:19,859 --> 01:57:17,440

going to happen I mean just just just we

2620

01:57:21,779 --> 01:57:19,869

only have a few minutes left but see if

2621

01:57:23,729 --> 01:57:21,789

you don't mind if I just continue in the

2622

01:57:25,500 --> 01:57:23,739

question I said that a lot of people say

2623

01:57:27,870 --> 01:57:25,510

to me that there's no way the government

2624

01:57:29,370 --> 01:57:27,880

would ever disclose anything because of

2625

01:57:31,049 --> 01:57:29,380

all the lies that they have told all all

2626

01:57:33,540 --> 01:57:31,059

the cover-ups I've done that just that

2627

01:57:36,149 --> 01:57:33,550

just reflects the the level of distrust

2628

01:57:39,839 --> 01:57:36,159

in government now how people feel it's

2629

01:57:41,069 --> 01:57:39,849

an emotional thing I sure the British

2630

01:57:43,109 --> 01:57:41,079

didn't want to leave India but they did

2631

01:57:46,379 --> 01:57:43,119

the South didn't want to say Greece

2632

01:57:47,609 --> 01:57:46,389

everybody did right a lot of men didn't

2633

01:57:51,629 --> 01:57:47,619

want the women to have a vote but they

2634

01:57:53,879 --> 01:57:51,639

got it believe me the certain thing and

2635

01:57:57,060 --> 01:57:53,889

fund fundamental things like that are

2636

01:58:00,600 --> 01:57:57,070

inevitable but get back what was we said

2637

01:58:02,009 --> 01:58:00,610

earlier they you know I forgot about the

2638

01:58:03,629 --> 01:58:02,019

nuclear weapons thing you look at the

2639

01:58:05,669 --> 01:58:03,639

nuclear weapons thing I don't see that

2640

01:58:07,890 --> 01:58:05,679

as manipulation I see it as messaging

2641

01:58:10,919 --> 01:58:07,900

they have been messaging us all right

2642

01:58:13,319 --> 01:58:10,929

and so we're getting messages fine and

2643

01:58:17,279 --> 01:58:13,329

these messages is sort of seem to add up

2644

01:58:17,700 --> 01:58:17,289

into a picture and little things like

2645

01:58:19,859 --> 01:58:17,710

this

2646

01:58:21,270 --> 01:58:19,869

I mean I've talked with you know scores

2647

01:58:23,370 --> 01:58:21,280

of experience does that talk with plenty

2648

01:58:25,169 --> 01:58:23,380

of researchers who talk to experienced

2649

01:58:26,879 --> 01:58:25,179

yours and I've read stuff I have never

2650

01:58:29,700 --> 01:58:26,889

read a single or heard a single count of

2651
01:58:31,649 --> 01:58:29,710
an experience saying I just I got taken

2652
01:58:33,209 --> 01:58:31,659
off the ship last night and then they do

2653
01:58:36,330 --> 01:58:33,219
that exam and then they they they sat me

2654
01:58:37,640 --> 01:58:36,340
down and they told me you need to have

2655
01:58:40,610 --> 01:58:37,650
more Wars

2656
01:58:43,040 --> 01:58:40,620
you're not having enough force we we

2657
01:58:46,160 --> 01:58:43,050
advanced civilizations we reward afar

2658
01:58:50,540 --> 01:58:46,170
rapid pace to ninja me that that sounds

2659
01:58:52,400 --> 01:58:50,550
silly but it's not silly right so we're

2660
01:58:53,810 --> 01:58:52,410
getting messages and the other thing

2661
01:58:57,290 --> 01:58:53,820
I'll add is this and I talked about this

2662
01:58:59,990 --> 01:58:57,300
so much when we look at is it the ETS

2663
01:59:01,940 --> 01:59:00,000

show up in 47 very likely connected to

2664

01:59:03,530 --> 01:59:01,950

the h-bomb are the bombs rather they

2665

01:59:05,780 --> 01:59:03,540

were dropped are you fine but it's not

2666

01:59:08,990 --> 01:59:05,790

just that they this is not their first

2667

01:59:11,870 --> 01:59:09,000

rodeo they they could come down or

2668

01:59:13,460 --> 01:59:11,880

they're watching us but as a 47 they I'm

2669

01:59:15,280 --> 01:59:13,470

sure they're capable of looking at that

2670

01:59:19,360 --> 01:59:15,290

particular moment and projecting out

2671

01:59:25,400 --> 01:59:19,370

within a relatively narrow frame our

2672

01:59:27,590 --> 01:59:25,410

thresholds on AI robotics genetic major

2673

01:59:30,350 --> 01:59:27,600

capabilities all right

2674

01:59:31,760 --> 01:59:30,360

and so forth and so forth all of these

2675

01:59:34,160 --> 01:59:31,770

technological things which are now

2676
01:59:35,870 --> 01:59:34,170
coming at us of which we have no ethical

2677
01:59:37,580 --> 01:59:35,880
basis to deal with yet we're not making

2678
01:59:39,020 --> 01:59:37,590
any effort to deal with it right it's

2679
01:59:41,390 --> 01:59:39,030
like well we're gonna you do it you do

2680
01:59:42,890 --> 01:59:41,400
it and they see that coming in fact they

2681
01:59:45,470 --> 01:59:42,900
are coming in bunches it's all

2682
01:59:48,560 --> 01:59:45,480
compressed and so what they know is that

2683
01:59:53,300 --> 01:59:48,570
from from 1900 on but certainly for 1947

2684
01:59:55,070 --> 01:59:53,310
on the technological curve of stuff that

2685
01:59:57,650 --> 01:59:55,080
we're gonna potentially get involved in

2686
02:00:00,080 --> 01:59:57,660
is going straight up whereas our how

2687
02:00:01,160 --> 02:00:00,090
would you say consciousness wisdom base

2688
02:00:03,440 --> 02:00:01,170

is just right here

2689

02:00:04,880 --> 02:00:03,450

and this gap is going to destroy us and

2690

02:00:06,380 --> 02:00:04,890

so guess what all of a sudden they

2691

02:00:08,960 --> 02:00:06,390

escalate their presence and we've got

2692

02:00:11,390 --> 02:00:08,970

ETS coming and going and it's only 70

2693

02:00:13,880 --> 02:00:11,400

years but that gap is still growing

2694

02:00:15,050 --> 02:00:13,890

right you've got people talking about

2695

02:00:17,480 --> 02:00:15,060

the robots could take all the way the

2696

02:00:19,390 --> 02:00:17,490

jobs sex robots gonna take away sex I

2697

02:00:22,190 --> 02:00:19,400

mean have that anymore except robots

2698

02:00:23,540 --> 02:00:22,200

nobody and all this stuff and we're

2699

02:00:26,120 --> 02:00:23,550

gonna download our conscience I'm going

2700

02:00:28,670 --> 02:00:26,130

you know what's crazy about that is it's

2701
02:00:30,770 --> 02:00:28,680
probably true and so they're going okay

2702
02:00:33,170 --> 02:00:30,780
before you go there you it's time for

2703
02:00:35,180 --> 02:00:33,180
you to know about us it's time for us to

2704
02:00:36,500 --> 02:00:35,190
have a little chat it's time for you to

2705
02:00:38,150 --> 02:00:36,510
get a little wisdom from us and maybe

2706
02:00:39,860 --> 02:00:38,160
interact and so that you guys can get

2707
02:00:41,810 --> 02:00:39,870
through this and actually have a viable

2708
02:00:43,550 --> 02:00:41,820
civilization I really think that's

2709
02:00:46,340 --> 02:00:43,560
what's going on and I'm feel good about

2710
02:00:49,250 --> 02:00:46,350
it all right well hey we're out of time

2711
02:00:51,020 --> 02:00:49,260
everyone Hey look at the camera and wave

2712
02:00:56,959 --> 02:00:51,030
and thanks everyone

2713
02:00:57,580 --> 02:00:56,969

much wave goodbye yes all right thank

2714

02:00:59,990 --> 02:00:57,590

2715

02:01:02,899 --> 02:01:00,000
