1
00:00:14,540 --> 00:00:07,330

[Music]

2
00:00:20,430 --> 00:00:17,580

hello and welcome to the show I'm Martin

3
00:00:22,650 --> 00:00:20,440

Willis your host and unfortunately I

4
00:00:24,870 --> 00:00:22,660

just got a no from Alejandro just to

5
00:00:28,640 --> 00:00:24,880

just I don't know maybe 20 minutes ago

6
00:00:31,500 --> 00:00:28,650

he says dude I have nothing to say and

7
00:00:34,590 --> 00:00:31,510

so I said he was on a cruise last week

8
00:00:36,479 --> 00:00:34,600

he says he has absolutely no idea if a

9
00:00:37,320 --> 00:00:36,489

UFO even landed on the White House lawn

10
00:00:39,600 --> 00:00:37,330

nothing

11
00:00:40,920 --> 00:00:39,610

he has no idea so he said I don't really

12
00:00:43,920 --> 00:00:40,930

have anything to talk about

13
00:00:45,390 --> 00:00:43,930

and so I said well why don't you skip it

14

00:00:48,119 --> 00:00:45,400

I said I think I'm gonna be able to get

15

00:00:49,619 --> 00:00:48,129

this guy that I have on the show I think

16

00:00:53,430 --> 00:00:49,629

I'm gonna be able to get him to talk a

17

00:00:55,170 --> 00:00:53,440

little bit and so our guest is Derek

18

00:00:56,759 --> 00:00:55,180

Gilbert and he's written a very

19

00:00:58,799 --> 00:00:56,769

interesting book it's actually a really

20

00:01:01,530 --> 00:00:58,809

good read and a lot of really good

21

00:01:03,479 --> 00:01:01,540

points I may have some objections to

22

00:01:06,120 --> 00:01:03,489

some of the points but that's what

23

00:01:10,140 --> 00:01:06,130

should make it a decent interview I also

24

00:01:11,760 --> 00:01:10,150

want to say on April we have a lot of

25

00:01:15,529 --> 00:01:11,770

great guests coming up next week it's

26

00:01:18,170 --> 00:01:15,539

going to be Greg Bishop a great guy so

27

00:01:20,940 --> 00:01:18,180

but on April 4th

28

00:01:24,420 --> 00:01:20,950

we have Robert Schroeder now he was on a

29

00:01:29,279 --> 00:01:24,430

long long time ago and he this weekend

30

00:01:30,990 --> 00:01:29,289

on March 17th Saturday at 2 o'clock he's

31

00:01:34,319 --> 00:01:31,000

going to be at the Moores library in

32

00:01:37,800 --> 00:01:34,329

Natick Massachusetts if anyone lives in

33

00:01:39,929 --> 00:01:37,810

that area he's great and you will see

34

00:01:44,039 --> 00:01:39,939

that on April 4th when he's here on the

35

00:01:45,620 --> 00:01:44,049

show so that is again that's at the

36

00:01:50,639 --> 00:01:45,630

Moores library in Natick Massachusetts

37

00:01:53,370 --> 00:01:50,649

this Saturday at 2 o'clock and so

38

00:01:55,770 --> 00:01:53,380

without further ado I would like to

39

00:01:56,969 --> 00:01:55,780

bring our guest on and I have a whole

40

00:01:59,520 --> 00:01:56,979

bunch of questions for him we're gonna

41

00:02:02,279 --> 00:01:59,530

be talking about his book which is the

42

00:02:04,980 --> 00:02:02,289

day the earth stands still a little play

43

00:02:07,620 --> 00:02:04,990

on words they're unmasking the the old

44

00:02:09,710 --> 00:02:07,630

gods behind ETS UFOs and the official

45

00:02:11,970 --> 00:02:09,720

disclosure movement welcome to the show

46

00:02:14,700 --> 00:02:11,980

it's my honor thanks for having me on

47

00:02:16,650 --> 00:02:14,710

yes now you know we've had up I'm in up

48

00:02:18,330 --> 00:02:16,660

I'm in a hotel room but first I have to

49

00:02:20,820 --> 00:02:18,340

explain this we're having a little bit

50

00:02:22,380 --> 00:02:20,830

of Internet issues but not as bad as

51
00:02:23,370 --> 00:02:22,390
Josh go ahead and tell what happened to

52
00:02:25,170 --> 00:02:23,380
your

53
00:02:28,500 --> 00:02:25,180
was compete a co guest this evening

54
00:02:30,930 --> 00:02:28,510
right well Josh and I are coworkers at

55
00:02:34,290 --> 00:02:30,940
Sky Watch TV which is a Christian

56
00:02:37,410 --> 00:02:34,300
television production company we produce

57
00:02:40,110 --> 00:02:37,420
a number of programs there the flagship

58
00:02:43,530 --> 00:02:40,120
program is syndicated the rest are sent

59
00:02:46,740 --> 00:02:43,540
or sent out through YouTube video

60
00:02:48,030 --> 00:02:46,750
oh boo Apple TV so forth but we noticed

61
00:02:50,730 --> 00:02:48,040
this afternoon as we were getting ready

62
00:02:51,840 --> 00:02:50,740
to upload the last of the programs we

63
00:02:54,300 --> 00:02:51,850

need to descend back to our networks

64

00:02:55,680 --> 00:02:54,310

today that our internet died and we've

65

00:02:57,540 --> 00:02:55,690

had some issues we're located in a small

66

00:03:00,090 --> 00:02:57,550

town in the Missouri Ozarks you know our

67

00:03:03,020 --> 00:03:00,100

town in which we're based is about 1,400

68

00:03:05,340 --> 00:03:03,030

people the county in which we live has

69

00:03:07,320 --> 00:03:05,350

twenty twenty thousand five thousand

70

00:03:09,540 --> 00:03:07,330

people who may be county seats four

71

00:03:11,670 --> 00:03:09,550

hundred and forty people so we don't

72

00:03:13,350 --> 00:03:11,680

expect great internet but we do pay a

73

00:03:16,020 --> 00:03:13,360

premium to try to get decent enough

74

00:03:18,450 --> 00:03:16,030

internet that we can send full HD video

75

00:03:19,380 --> 00:03:18,460

files back and forth nothing happened

76
00:03:21,390 --> 00:03:19,390
after about 2:00 o'clock this afternoon

77
00:03:23,220 --> 00:03:21,400
but it turns out we're not alone the

78
00:03:24,060 --> 00:03:23,230
entire state of Missouri practically

79
00:03:27,750 --> 00:03:24,070
Mediacom

80
00:03:29,610 --> 00:03:27,760
and somebody sliced through - well it's

81
00:03:32,610 --> 00:03:29,620
not somebody somebody's two separate

82
00:03:35,070 --> 00:03:32,620
fiber optic cables were cut today in

83
00:03:36,360 --> 00:03:35,080
different parts of the state the main

84
00:03:38,040 --> 00:03:36,370
cable up in the northwest part of the

85
00:03:39,840 --> 00:03:38,050
state miss is according to local news

86
00:03:41,250 --> 00:03:39,850
here the other in the central part of

87
00:03:44,610 --> 00:03:41,260
the state near the town of Cuba which

88
00:03:47,220 --> 00:03:44,620

was the backup line so all the Mediacom

89

00:03:48,630 --> 00:03:47,230

Cable and Internet and phone customers

90

00:03:50,190 --> 00:03:48,640

in Missouri from st. Louis to Kansas

91

00:03:51,990 --> 00:03:50,200

City are waiting for them to get to one

92

00:03:53,760 --> 00:03:52,000

or both of those lines stitched back

93

00:03:55,680 --> 00:03:53,770

together and of course Josh is one of

94

00:03:58,949 --> 00:03:55,690

those customers Wow

95

00:04:01,440 --> 00:03:58,959

so is it the Russians yeah probably yeah

96

00:04:03,000 --> 00:04:01,450

yeah I think so yeah there is a lot

97

00:04:09,090 --> 00:04:03,010

going on well Lisa it's not you know

98

00:04:11,699 --> 00:04:09,100

some nerve agent yeah so the book as I

99

00:04:13,440 --> 00:04:11,709

said it was an interesting read and so

100

00:04:16,830 --> 00:04:13,450

we got a we got a long time to kill here

101
00:04:19,110 --> 00:04:16,840
but I want to ask you first of all what

102
00:04:22,170 --> 00:04:19,120
was the what was the source of you

103
00:04:24,030 --> 00:04:22,180
coming up with this a book what what

104
00:04:27,900 --> 00:04:24,040
what started your path on it

105
00:04:30,600 --> 00:04:27,910
well Josh and I both are you know geeks

106
00:04:33,450 --> 00:04:30,610
from from way back I was a big big in

107
00:04:35,159 --> 00:04:33,460
still an big science-fiction fan loved

108
00:04:36,780 --> 00:04:35,169
hard sided science fiction growing up

109
00:04:38,880 --> 00:04:36,790
read everything I could get my hands on

110
00:04:40,560 --> 00:04:38,890
by Larry Niven especially Jerry

111
00:04:43,830 --> 00:04:40,570
Pournelle who just recently passed away

112
00:04:47,250 --> 00:04:43,840
sadly isaac asimov Robert Heinlein's so

113
00:04:52,380 --> 00:04:47,260

authors like that were my bread and

114

00:04:53,940 --> 00:04:52,390

butter through high school Josh supper

115

00:04:55,410 --> 00:04:53,950

paths you know always fascinated with

116

00:04:58,710 --> 00:04:55,420

the idea that there might be life out

117

00:05:00,270 --> 00:04:58,720

there in outer space now fast forward a

118

00:05:02,880 --> 00:05:00,280

few years we find ourselves here in this

119

00:05:04,800 --> 00:05:02,890

place both of us coming at this from an

120

00:05:06,090 --> 00:05:04,810

unashamedly and ultimately Christian

121

00:05:07,440 --> 00:05:06,100

point of view but I think with a

122

00:05:10,880 --> 00:05:07,450

different perspective than a lot of

123

00:05:14,910 --> 00:05:10,890

Christians have on the UFO phenomenon a

124

00:05:19,380 --> 00:05:14,920

lot of the the books that have been

125

00:05:21,650 --> 00:05:19,390

written about UFOs by Christians tend to

126

00:05:25,920 --> 00:05:21,660

just dismiss the whole thing as either

127

00:05:27,680 --> 00:05:25,930

non-existent or as the return of the

128

00:05:30,420 --> 00:05:27,690

Nephilim it's all demonic in other words

129

00:05:33,390 --> 00:05:30,430

and we kind of fall somewhere in the

130

00:05:35,220 --> 00:05:33,400

middle we don't deny that something is

131

00:05:36,930 --> 00:05:35,230

going on but we think the evidence

132

00:05:40,440 --> 00:05:36,940

suggests that it's something different

133

00:05:44,010 --> 00:05:40,450

than what most people think it is we

134

00:05:46,800 --> 00:05:44,020

also wanted to address a question that I

135

00:05:48,870 --> 00:05:46,810

think a lot of Christians make make

136

00:05:52,290 --> 00:05:48,880

Christians nervous about the phenomenon

137

00:05:55,760 --> 00:05:52,300

if a UFO over to land on the White House

138

00:05:58,770 --> 00:05:55,770

lawn a an actual actual extraterrestrial

139

00:06:01,680 --> 00:05:58,780

spacecraft a lot of Christians I think

140

00:06:05,130 --> 00:06:01,690

would find their faith really shaken and

141

00:06:06,630 --> 00:06:05,140

we address that in the book because we

142

00:06:09,480 --> 00:06:06,640

believe that a proper understanding of

143

00:06:12,330 --> 00:06:09,490

Christian theology means we don't need

144

00:06:13,700 --> 00:06:12,340

to worry about zeta-reticulans landing

145

00:06:19,290 --> 00:06:13,710

on the White House lawn somehow

146

00:06:21,450 --> 00:06:19,300

debunking the Bible okay so I was

147

00:06:26,250 --> 00:06:21,460

thinking about asking you some questions

148

00:06:30,120 --> 00:06:26,260

along the line of you know I understand

149

00:06:34,320 --> 00:06:30,130

that there is a really good point to be

150

00:06:39,060 --> 00:06:34,330

make made about that it's sort of like a

151
00:06:41,040 --> 00:06:39,070
religion you know UFOs can be and I I

152
00:06:43,740 --> 00:06:41,050
have actually seen and I do agree with a

153
00:06:47,760 --> 00:06:43,750
number of things in your book especially

154
00:06:50,290 --> 00:06:47,770
in every time I drop this name name I

155
00:06:52,510 --> 00:06:50,300
get I get some hate mail

156
00:06:56,590 --> 00:06:52,520
but you know I agree with what you said

157
00:06:59,560 --> 00:06:56,600
about Steven Greer and you know a lot of

158
00:07:01,060 --> 00:06:59,570
people think the world of him not anyone

159
00:07:02,830 --> 00:07:01,070
that's anyone that's gonna charge

160
00:07:06,400 --> 00:07:02,840
someone fifty dollars to take a picture

161
00:07:11,439 --> 00:07:06,410
of him inside of you invisible UFO I

162
00:07:13,779 --> 00:07:11,449
don't I don't you know I don't buy any I

163
00:07:15,939 --> 00:07:13,789

don't buy the stuff that he does you

164

00:07:17,980 --> 00:07:15,949

know he does he did in the very

165

00:07:20,409 --> 00:07:17,990

beginning he did something absolutely

166

00:07:21,850 --> 00:07:20,419

wonderful and then I just think of like

167

00:07:24,159 --> 00:07:21,860

in your book you said he gave up a half

168

00:07:29,320 --> 00:07:24,169

a million dollar a year job you know to

169

00:07:31,270 --> 00:07:29,330

do this so it's a there's not a lot of

170

00:07:32,950 --> 00:07:31,280

people though and I will will tell you

171

00:07:34,719 --> 00:07:32,960

this and you may not even understand

172

00:07:37,240 --> 00:07:34,729

this because most people don't but

173

00:07:39,159 --> 00:07:37,250

there's very very few people in the UFO

174

00:07:42,460 --> 00:07:39,169

field ufologist whatever you want to

175

00:07:44,650 --> 00:07:42,470

call them that really make any money you

176

00:07:46,180 --> 00:07:44,660

know for instance Travis Walton you know

177

00:07:47,920 --> 00:07:46,190

I had a conversation with him one yeah

178

00:07:49,150 --> 00:07:47,930

he says a lot of times you know he's

179

00:07:51,610 --> 00:07:49,160

retired now a lot of times he'll just

180

00:07:53,020 --> 00:07:51,620

pay his own expenses usually sure you

181

00:07:54,580 --> 00:07:53,030

know they'll get him the hotel room and

182

00:07:57,490 --> 00:07:54,590

that's it well the interesting thing

183

00:07:58,930 --> 00:07:57,500

about that is it seemed to us as we went

184

00:08:00,909 --> 00:07:58,940

down to the Roswell festival last year

185

00:08:03,790 --> 00:08:00,919

the 70th anniversary of the famous

186

00:08:05,379 --> 00:08:03,800

Roswell crash yeah and we saw you know

187

00:08:08,860 --> 00:08:05,389

Linda Moulton Howe and Stanton Friedman

188

00:08:11,409 --> 00:08:08,870

and you know Nick Nick Redford Greg

189

00:08:14,080 --> 00:08:11,419

Bishop got a chance to meet him would

190

00:08:15,279 --> 00:08:14,090

like to interview him didn't have the

191

00:08:16,629 --> 00:08:15,289

opportunity while I was there we were

192

00:08:20,320 --> 00:08:16,639

busy working in the project that

193

00:08:22,570 --> 00:08:20,330

accompany the book but um Jack Brewer

194

00:08:25,240 --> 00:08:22,580

too by the way who whose work I cite in

195

00:08:27,999 --> 00:08:25,250

the book really really found his book

196

00:08:30,460 --> 00:08:28,009

the grace had been framed to be very

197

00:08:32,709 --> 00:08:30,470

very helpful but it seemed to me that a

198

00:08:36,040 --> 00:08:32,719

lot of the speakers who go to UFO

199

00:08:38,290 --> 00:08:36,050

conferences are very much like well guys

200

00:08:40,959 --> 00:08:38,300

like me who go around speak at you know

201
00:08:42,760 --> 00:08:40,969
Bible prophecy conferences and theology

202
00:08:44,949 --> 00:08:42,770
conferences you do it because you love

203
00:08:47,139 --> 00:08:44,959
it and because you think you've got

204
00:08:49,540 --> 00:08:47,149
something that you hope is important to

205
00:08:51,040 --> 00:08:49,550
say and that was the sense I got from

206
00:08:53,620 --> 00:08:51,050
those guys I didn't see any those guys

207
00:08:55,269 --> 00:08:53,630
get rich even the so-called stars in the

208
00:08:56,710 --> 00:08:55,279
field like Stanton treatment and Linda

209
00:08:58,269 --> 00:08:56,720
Moulton Howe they were they were flying

210
00:09:00,340 --> 00:08:58,279
the same flights we were so you know

211
00:09:04,210 --> 00:09:00,350
they did not look like they were there

212
00:09:04,730 --> 00:09:04,220
getting high off the hog by it by

213
00:09:07,310 --> 00:09:04,740

pursuing

214

00:09:09,110 --> 00:09:07,320

his career so I certainly don't to cast

215

00:09:11,269 --> 00:09:09,120

any aspersions on the character of

216

00:09:15,320 --> 00:09:11,279

Steven Greer coming back to the question

217

00:09:17,930 --> 00:09:15,330

of the UFO phenomenon as a as an

218

00:09:19,850 --> 00:09:17,940

alternate religion that was really what

219

00:09:21,440 --> 00:09:19,860

what triggered the idea for the book

220

00:09:25,699 --> 00:09:21,450

when we were looking at research that

221

00:09:27,650 --> 00:09:25,709

came out last year that and comparing it

222

00:09:29,780 --> 00:09:27,660

with research that came out last year on

223

00:09:31,610 --> 00:09:29,790

what American Christians believe and

224

00:09:32,990 --> 00:09:31,620

then compared that with some surveys

225

00:09:36,139 --> 00:09:33,000

that have been done in recent years by

226
00:09:38,600 --> 00:09:36,149
National Geographic Channel on what

227
00:09:40,940 --> 00:09:38,610
people believe about the existence of

228
00:09:42,710 --> 00:09:40,950
extraterrestrial life and we found that

229
00:09:44,090 --> 00:09:42,720
in America and this is according to the

230
00:09:46,310 --> 00:09:44,100
2012 survey by National Geographic

231
00:09:49,460 --> 00:09:46,320
Channel when they were launching their

232
00:09:52,460 --> 00:09:49,470
UFO program that 36 percent of American

233
00:09:55,250 --> 00:09:52,470
adults believe that we're being visited

234
00:09:58,100 --> 00:09:55,260
by extraterrestrials about 70 percent

235
00:10:00,050 --> 00:09:58,110
believe that there's evidence that one

236
00:10:01,370 --> 00:10:00,060
might be being visited but 36 percent

237
00:10:02,510 --> 00:10:01,380
are convinced that we're being visited

238
00:10:04,550 --> 00:10:02,520

by extraterrestrials

239

00:10:07,550 --> 00:10:04,560

but now the Barna Group which is a

240

00:10:10,310 --> 00:10:07,560

survey group that specializes in taking

241

00:10:13,069 --> 00:10:10,320

the theological temperature if you will

242

00:10:14,600 --> 00:10:13,079

of American Christians found that in

243

00:10:16,550 --> 00:10:14,610

America today only 10 percent of

244

00:10:20,510 --> 00:10:16,560

American adults have a biblical

245

00:10:21,889 --> 00:10:20,520

worldview now about 70 percent of

246

00:10:24,769 --> 00:10:21,899

American adults or three-quarters

247

00:10:27,050 --> 00:10:24,779

roughly identify as Christians but most

248

00:10:28,370 --> 00:10:27,060

are cultural Christians when Barnett

249

00:10:30,340 --> 00:10:28,380

starts asking questions well do you

250

00:10:34,430 --> 00:10:30,350

agree or disagree with this statement

251
00:10:36,680 --> 00:10:34,440
and then put forth the number of tenants

252
00:10:38,690 --> 00:10:36,690
of the Christian faith for example to

253
00:10:40,699 --> 00:10:38,700
Jesus live a sinless life was he born of

254
00:10:42,949 --> 00:10:40,709
Virgin Satan a literal entity and not

255
00:10:46,910 --> 00:10:42,959
just a concept or force things that

256
00:10:50,060 --> 00:10:46,920
according to the Bible are Christianity

257
00:10:53,630 --> 00:10:50,070
101 and they defined anyone who accepted

258
00:10:56,960 --> 00:10:53,640
six core beliefs as having a biblical

259
00:10:58,670 --> 00:10:56,970
worldview so out of the seventy-five

260
00:11:00,290 --> 00:10:58,680
percent of Americans who say they're

261
00:11:01,940 --> 00:11:00,300
Christian only ten percent have a

262
00:11:04,699 --> 00:11:01,950
biblical worldview ten percent of all

263
00:11:06,410 --> 00:11:04,709

American adults but of those who claim

264

00:11:08,900 --> 00:11:06,420
to be evangelical or born-again

265

00:11:11,150 --> 00:11:08,910
Christians only 17 percent have a

266

00:11:12,920 --> 00:11:11,160
biblical worldview so we concluded from

267

00:11:13,960 --> 00:11:12,930
this that there are more people who

268

00:11:17,420 --> 00:11:13,970
believe we're being visited by

269

00:11:18,639 --> 00:11:17,430
extraterrestrials and who believe in God

270

00:11:21,429 --> 00:11:18,649
as he's defined

271

00:11:22,720 --> 00:11:21,439
himself in the Bible and so when

272

00:11:24,160 --> 00:11:22,730
Christians asked us and this is

273

00:11:26,139 --> 00:11:24,170
something we get some pushback within

274

00:11:27,280 --> 00:11:26,149
the Christian community who say well

275

00:11:29,650 --> 00:11:27,290
you're really wasting your time this is

276

00:11:31,600 --> 00:11:29,660

a fringe topic UFOs extraterrestrials

277

00:11:34,869 --> 00:11:31,610

you should be preaching the gospel well

278

00:11:36,309 --> 00:11:34,879

okay we agree as Christians our Michigan

279

00:11:39,519 --> 00:11:36,319

according to Jesus our prime directive

280

00:11:42,009 --> 00:11:39,529

if you will is to make disciples of all

281

00:11:44,439 --> 00:11:42,019

nations but the fact is there are more

282

00:11:47,109 --> 00:11:44,449

people out there who believe in ET then

283

00:11:49,059 --> 00:11:47,119

believe in the words of this this book

284

00:11:52,210 --> 00:11:49,069

this Bible here that you carry around so

285

00:11:55,299 --> 00:11:52,220

you know yeah we and I think when you

286

00:11:57,879 --> 00:11:55,309

start down the path of what the evidence

287

00:12:00,780 --> 00:11:57,889

shows that there's a lot of overlap at

288

00:12:05,519 --> 00:12:00,790

least in terms of the language between

289

00:12:09,009 --> 00:12:05,529

UFO researchers and biblical theology

290

00:12:13,960 --> 00:12:09,019

well you know I also will say to you

291

00:12:16,960 --> 00:12:13,970

first of all what makes you believe in

292

00:12:17,949 --> 00:12:16,970

the Bible you know I mean it's a good

293

00:12:20,049 --> 00:12:17,959

question

294

00:12:22,030 --> 00:12:20,059

here's another you know another thing I

295

00:12:24,819 --> 00:12:22,040

do remember back in somewhere in the

296

00:12:27,460 --> 00:12:24,829

1990s I happened to be in a dentist

297

00:12:29,799 --> 00:12:27,470

office and I saw a Newsweek and on the

298

00:12:33,699 --> 00:12:29,809

Newsweek it said something along the

299

00:12:37,059 --> 00:12:33,709

lines is that our brains are wired to

300

00:12:38,350 --> 00:12:37,069

our brains are wired to create a God so

301
00:12:41,049 --> 00:12:38,360
if you don't have a god you better

302
00:12:43,629 --> 00:12:41,059
create one and I think you know you look

303
00:12:47,530 --> 00:12:43,639
back you know we say we have a

304
00:12:50,699 --> 00:12:47,540
monotheistic Society when it comes to

305
00:12:54,040 --> 00:12:50,709
Christians but you know there how many

306
00:12:58,660 --> 00:12:54,050
of those have there been you know with a

307
00:13:00,040 --> 00:12:58,670
single deity worshipped who knows over

308
00:13:02,860 --> 00:13:00,050
the you know since the beginning of a

309
00:13:06,519 --> 00:13:02,870
time so there's a lot of there's a lot

310
00:13:09,100 --> 00:13:06,529
of similarities but also as far as the

311
00:13:12,369 --> 00:13:09,110
beliefs go I think this is kind of an

312
00:13:13,960 --> 00:13:12,379
interesting topic to compare the two you

313
00:13:17,619 --> 00:13:13,970

know why does someone believe in God why

314

00:13:19,480 --> 00:13:17,629

does someone believe in in aliens now I

315

00:13:21,819 --> 00:13:19,490

will tell you this you know maybe there

316

00:13:24,100 --> 00:13:21,829

have been things and we can talk about

317

00:13:24,970 --> 00:13:24,110

Fatima because that's an interesting I

318

00:13:27,879 --> 00:13:24,980

don't know if you know anything about

319

00:13:29,710 --> 00:13:27,889

Fatima but friend Eleanor Zhu Li has

320

00:13:32,160 --> 00:13:29,720

done a lot of research on Fatima

321

00:13:35,730 --> 00:13:32,170

yeah but then you also hear here

322

00:13:38,310 --> 00:13:35,740

thing I I know what I saw I saw

323

00:13:41,190 --> 00:13:38,320

something over me I had a UFO experience

324

00:13:43,980 --> 00:13:41,200

right and it wasn't something that was

325

00:13:45,690 --> 00:13:43,990

made up in my mind or it was a real

326

00:13:47,879 --> 00:13:45,700

experience and there are so many people

327

00:13:52,079 --> 00:13:47,889

that have had these real experiences now

328

00:13:54,150 --> 00:13:52,089

I'm not saying it was Josh shows my wife

329

00:13:57,000 --> 00:13:54,160

yeah yeah so I don't I want to be very

330

00:14:00,420 --> 00:13:57,010

clear that we we we do not deny not not

331

00:14:02,730 --> 00:14:00,430

only to UFO phenomena we are not we

332

00:14:05,550 --> 00:14:02,740

don't deny that there are people who are

333

00:14:07,710 --> 00:14:05,560

being severely traumatized by something

334

00:14:10,019 --> 00:14:07,720

that has been labeled at the alien

335

00:14:11,639 --> 00:14:10,029

abduction phenomenon it's a real

336

00:14:13,439 --> 00:14:11,649

phenomenon okay

337

00:14:15,389 --> 00:14:13,449

both the UFO phenomena and alien

338

00:14:17,040 --> 00:14:15,399

abduction put alien in air quotes

339

00:14:19,949 --> 00:14:17,050

because I reserve judgment as to what

340

00:14:23,189 --> 00:14:19,959

those those entities truly are but I've

341

00:14:25,319 --> 00:14:23,199

got ideas based on the evidence but the

342

00:14:29,939 --> 00:14:25,329

point is we do not absolutely do not

343

00:14:31,620 --> 00:14:29,949

deny that something is going on I guess

344

00:14:35,189 --> 00:14:31,630

I didn't get that far enough and far

345

00:14:38,189 --> 00:14:35,199

enough into your book to to hit to read

346

00:14:40,829 --> 00:14:38,199

that part of it no but you know I do

347

00:14:43,189 --> 00:14:40,839

also understand that you know we have a

348

00:14:46,410 --> 00:14:43,199

belief system you know when someone

349

00:14:49,769 --> 00:14:46,420

there's a friend of mine Sam moranto and

350

00:14:51,300 --> 00:14:49,779

he gets really his his feathers get

351

00:14:54,060 --> 00:14:51,310

ruffled when someone says do you believe

352

00:14:55,530 --> 00:14:54,070

in UFOs he says it's not a belief it's

353

00:14:58,319 --> 00:14:55,540

either there you know either they're

354

00:15:00,509 --> 00:14:58,329

here or they're not right so I do

355

00:15:02,880 --> 00:15:00,519

understand and and when someone asked me

356

00:15:05,130 --> 00:15:02,890

if I believe in UFOs because of Sam I

357

00:15:07,710 --> 00:15:05,140

always kind of hesitate and it's what it

358

00:15:12,300 --> 00:15:07,720

would what do I you know is it a belief

359

00:15:15,120 --> 00:15:12,310

system but so let's talk about some of

360

00:15:17,519 --> 00:15:15,130

the research you did and and do you

361

00:15:20,040 --> 00:15:17,529

think do you think there it's like a

362

00:15:22,710 --> 00:15:20,050

cult or what what do you what do you

363

00:15:25,290 --> 00:15:22,720

know no not at all

364

00:15:29,160 --> 00:15:25,300

I think what's happening is and this is

365

00:15:31,620 --> 00:15:29,170

really the more an indictment of um well

366

00:15:32,699 --> 00:15:31,630

the church the Christian Church I don't

367

00:15:36,150 --> 00:15:32,709

think the Christian Church has done a

368

00:15:38,759 --> 00:15:36,160

very good job in teaching the reasons

369

00:15:41,189 --> 00:15:38,769

why we should believe that the Bible is

370

00:15:42,960 --> 00:15:41,199

true I had to do that on my own I was

371

00:15:44,699 --> 00:15:42,970

brought to church in a week when I was a

372

00:15:45,310 --> 00:15:44,709

kid went through Sunday school with all

373

00:15:47,259 --> 00:15:45,320

the flammable

374

00:15:48,540 --> 00:15:47,269

little pictures of Noah and his animals

375

00:15:50,769 --> 00:15:48,550

going into the ark and all that stuff

376

00:15:53,800 --> 00:15:50,779

but as soon as I got into college I quit

377

00:15:55,720 --> 00:15:53,810

going and Josh very much the same way

378

00:15:58,389 --> 00:15:55,730

Joshua's he'll tell you he was you know

379

00:16:01,180 --> 00:15:58,399

full-blown New Ager he was practicing

380

00:16:04,210 --> 00:16:01,190

astral projection and doing a lot of

381

00:16:05,559 --> 00:16:04,220

other things that wow yeah will make for

382

00:16:06,579 --> 00:16:05,569

a really good story yeah you're missing

383

00:16:09,249 --> 00:16:06,589

out in some of the really good stuff

384

00:16:16,059 --> 00:16:09,259

because he's been silenced by Russia

385

00:16:18,519 --> 00:16:16,069

tonight who did but so we have different

386

00:16:21,509 --> 00:16:18,529

paths through which we came I I kind of

387

00:16:23,650 --> 00:16:21,519

went back to my I guess my sci-fi

388

00:16:25,449 --> 00:16:23,660

upbringing believing that our Star

389

00:16:29,259 --> 00:16:25,459

troops future was Star Trek you know

390

00:16:32,769 --> 00:16:29,269

that we would overcome the superstition

391

00:16:34,269 --> 00:16:32,779

of religion and that science and

392

00:16:35,050 --> 00:16:34,279

technology can solve all of our problems

393

00:16:37,329 --> 00:16:35,060

in the future

394

00:16:38,829 --> 00:16:37,339

Josh was just again he was just

395

00:16:41,290 --> 00:16:38,839

fascinated with the concept of life in

396

00:16:42,790 --> 00:16:41,300

outer space I love me a good space opera

397

00:16:49,050 --> 00:16:42,800

again especially told from a hard

398

00:16:52,120 --> 00:16:49,060

science fiction perspective but when we

399

00:16:54,309 --> 00:16:52,130

start looking at the evidence now as

400

00:16:55,840 --> 00:16:54,319

adults and at some point during this

401
00:16:57,639 --> 00:16:55,850
conversation yeah I'd be happy to talk

402
00:16:59,439 --> 00:16:57,649
about Christian apologetics because

403
00:17:01,960 --> 00:16:59,449
that's kind of what led me to all of

404
00:17:04,390 --> 00:17:01,970
this you know the reasons that I can say

405
00:17:06,429 --> 00:17:04,400
that I'm convinced that Jesus of

406
00:17:09,299 --> 00:17:06,439
Nazareth actually lived died and

407
00:17:11,799 --> 00:17:09,309
literally rose from the dead

408
00:17:13,539 --> 00:17:11,809
but again just being open and honest

409
00:17:17,020 --> 00:17:13,549
that's where I'm coming from from my

410
00:17:19,630 --> 00:17:17,030
starting point in looking at the UFO

411
00:17:22,840 --> 00:17:19,640
phenomena and I will grant Martin that

412
00:17:25,919 --> 00:17:22,850
you and and probably every person who is

413
00:17:29,289 --> 00:17:25,929

a real student of the UFO phenomenon is

414

00:17:32,530 --> 00:17:29,299

at least as well-informed on the

415

00:17:34,120 --> 00:17:32,540

research if not better than I am I've

416

00:17:35,830 --> 00:17:34,130

had a passing interest in it kind of

417

00:17:37,720 --> 00:17:35,840

kept my eyes on it but when it came down

418

00:17:39,940 --> 00:17:37,730

to research for the book I had to again

419

00:17:43,390 --> 00:17:39,950

really start looking at Maury island and

420

00:17:45,789 --> 00:17:43,400

Kenneth Arnold the the influence of the

421

00:17:48,610 --> 00:17:45,799

intelligence community and joint

422

00:17:55,270 --> 00:17:48,620

security command you know the the the

423

00:18:01,410 --> 00:17:55,280

presence of government agents in every

424

00:18:06,760 --> 00:18:03,880

and there there are researchers like

425

00:18:08,260 --> 00:18:06,770

Nick Redfern to whom I will gladly defer

426

00:18:11,200 --> 00:18:08,270

who's done a lot more research and heavy

427

00:18:13,270 --> 00:18:11,210

lifting on this again not saying that

428

00:18:16,420 --> 00:18:13,280

those things didn't happen just saying

429

00:18:18,370 --> 00:18:16,430

as somebody who had to look at the Bible

430

00:18:20,200 --> 00:18:18,380

with a critical eye say okay let's weigh

431

00:18:21,940 --> 00:18:20,210

the evidence from the eyewitness

432

00:18:23,770 --> 00:18:21,950

testimony to the archeology to the

433

00:18:25,990 --> 00:18:23,780

ancient texts to the history of the

434

00:18:27,610 --> 00:18:26,000

nations around ancient Israel which is

435

00:18:30,070 --> 00:18:27,620

kind of an area I'm specializing in

436

00:18:31,810 --> 00:18:30,080

right now let's apply that same sort of

437

00:18:34,450 --> 00:18:31,820

critical thinking to the modern UFO

438

00:18:37,330 --> 00:18:34,460

phenomena are there other explanations

439

00:18:41,530 --> 00:18:37,340

that may fit the evidence better than

440

00:18:44,190 --> 00:18:41,540

the extra-terrestrial hypothesis again

441

00:18:46,960 --> 00:18:44,200

something is going on some of those

442

00:18:50,560 --> 00:18:46,970

strange things in the sky may well be

443

00:18:53,680 --> 00:18:50,570

government projects that that we just

444

00:18:55,690 --> 00:18:53,690

don't know about yet I would suggest

445

00:18:56,880 --> 00:18:55,700

that that's a plausible explanation for

446

00:18:59,800 --> 00:18:56,890

the videos that have been released

447

00:19:01,390 --> 00:18:59,810

through the to the stars Academy of Arts

448

00:19:04,320 --> 00:19:01,400

and Sciences here in December and then

449

00:19:06,850 --> 00:19:04,330

again just just this past week the

450

00:19:10,600 --> 00:19:06,860

objects caught on the infrared radar

451
00:19:12,720 --> 00:19:10,610
cameras of the f-18 pilots there are

452
00:19:16,390 --> 00:19:12,730
some things that are misidentified

453
00:19:19,000 --> 00:19:16,400
commercial aircraft or natural phenomena

454
00:19:21,550 --> 00:19:19,010
of the planet Venus to use an old you

455
00:19:25,120 --> 00:19:21,560
know cliché but there are some that are

456
00:19:29,380 --> 00:19:25,130
legitimately not explainable by natural

457
00:19:34,060 --> 00:19:29,390
phenomena or misidentified or secret

458
00:19:36,570 --> 00:19:34,070
aircraft those we're really interested

459
00:19:40,540 --> 00:19:36,580
in because there are some that appear to

460
00:19:43,000 --> 00:19:40,550
defy the laws of physics but there are

461
00:19:44,980 --> 00:19:43,010
researchers such as Jacques Vallee who

462
00:19:47,590 --> 00:19:44,990
was not approaching this with a

463
00:19:51,820 --> 00:19:47,600

Christian worldview we're and others

464

00:19:54,310 --> 00:19:51,830

such as John keel who concluded that the

465

00:19:56,770 --> 00:19:54,320

extra-dimensional hypothesis or

466

00:19:59,620 --> 00:19:56,780

interdimensional hypothesis is a better

467

00:20:01,990 --> 00:19:59,630

fit for the evidence especially when you

468

00:20:04,090 --> 00:20:02,000

look at the difficulty the technological

469

00:20:07,930 --> 00:20:04,100

scientific challenges in trying to cross

470

00:20:11,710 --> 00:20:07,940

the vast distances between star systems

471

00:20:14,500 --> 00:20:11,720

that it actually seems to make

472

00:20:17,049 --> 00:20:14,510

sense that whatever these things are

473

00:20:20,200 --> 00:20:17,059

that are visiting earth they're coming

474

00:20:22,360 --> 00:20:20,210

from outside our three perceivable

475

00:20:24,310 --> 00:20:22,370

dimensions rather than from outside the

476

00:20:27,340 --> 00:20:24,320

solar system and that's kind of the

477

00:20:29,980 --> 00:20:27,350

approach we take on the the UFO

478

00:20:34,539 --> 00:20:29,990

phenomena we also touch on the abduction

479

00:20:36,310 --> 00:20:34,549

phenomenon and again you are looking at

480

00:20:38,649 --> 00:20:36,320

a phenomenon that researchers such as

481

00:20:42,430 --> 00:20:38,659

dr. John Mack the lake psychologist from

482

00:20:45,659 --> 00:20:42,440

Harvard University suggested bore so

483

00:20:48,399 --> 00:20:45,669

many similarities to the accounts of

484

00:20:52,180 --> 00:20:48,409

people who had been subjected to satanic

485

00:20:55,360 --> 00:20:52,190

ritual abuse that it was not

486

00:20:58,720 --> 00:20:55,370

statistically likely that these things

487

00:21:01,200 --> 00:20:58,730

were not somehow interconnected so again

488

00:21:05,470 --> 00:21:01,210

we start looking at the evidence in that

489

00:21:09,100 --> 00:21:05,480

in that way we're seeing that if we're

490

00:21:10,620 --> 00:21:09,110

drawing a Venn diagram of say you know

491

00:21:12,460 --> 00:21:10,630

spiritual encounters and

492

00:21:15,250 --> 00:21:12,470

extraterrestrial encounters is a great

493

00:21:17,680 --> 00:21:15,260

deal of overlap there and thus so I

494

00:21:19,779 --> 00:21:17,690

think we as Christians and the UFO

495

00:21:23,649 --> 00:21:19,789

community can have a conversation here

496

00:21:26,140 --> 00:21:23,659

and just kind of compare notes I'm going

497

00:21:29,620 --> 00:21:26,150

back to the video you just mentioned

498

00:21:32,049 --> 00:21:29,630

that just came out a few days ago it was

499

00:21:34,750 --> 00:21:32,059

released through to the Stars

500

00:21:37,539 --> 00:21:34,760

I actually got I'm wonder if I can read

501
00:21:42,720 --> 00:21:37,549
that I actually got a note from a

502
00:21:47,020 --> 00:21:42,730
military pilot on that particular video

503
00:21:49,720 --> 00:21:47,030
which is kind of surprising he says or

504
00:21:52,810 --> 00:21:49,730
he was saying that this was not a

505
00:21:55,899 --> 00:21:52,820
classified video to begin with and that

506
00:21:58,690 --> 00:21:55,909
it was shown at a briefing that he was

507
00:22:00,669 --> 00:21:58,700
at you know several many years ago I

508
00:22:03,010 --> 00:22:00,679
don't know maybe 10 or something years

509
00:22:05,409 --> 00:22:03,020
ago so he said it was a it was a great

510
00:22:06,850 --> 00:22:05,419
example of a slide and catch or

511
00:22:10,690 --> 00:22:06,860
something like that I can't really pull

512
00:22:12,130 --> 00:22:10,700
it up right now of what he said but he

513
00:22:14,470 --> 00:22:12,140

said the reason he was shown in the

514

00:22:16,720 --> 00:22:14,480

briefing was more about capturing it on

515

00:22:20,529 --> 00:22:16,730

a camera than it was about you know what

516

00:22:21,970 --> 00:22:20,539

the object was but they thought you know

517

00:22:23,560 --> 00:22:21,980

one time they thought it was some type

518

00:22:25,510 --> 00:22:23,570

of missile but then they just don't know

519

00:22:25,960 --> 00:22:25,520

what it is but it's a very clear I'm

520

00:22:28,360 --> 00:22:25,970

sure you

521

00:22:30,220 --> 00:22:28,370

that is a very clear image of some type

522

00:22:33,970 --> 00:22:30,230

of object it's moving very fast above

523

00:22:36,280 --> 00:22:33,980

the same speed as the the f-18 itself

524

00:22:38,380 --> 00:22:36,290

but you know I wrote an article about

525

00:22:40,660 --> 00:22:38,390

the the previous release the article

526

00:22:41,650 --> 00:22:40,670

that was released there the video that

527

00:22:44,190 --> 00:22:41,660

was released along with the New York

528

00:22:45,820 --> 00:22:44,200

Times article back in mid-december which

529

00:22:47,350 --> 00:22:45,830

we couldn't have asked for better

530

00:22:49,290 --> 00:22:47,360

marketing because that video came out

531

00:22:51,550 --> 00:22:49,300

like a week after her book came out so

532

00:22:54,280 --> 00:22:51,560

perfect timing

533

00:22:57,580 --> 00:22:54,290

but the story about that what's being

534

00:23:01,420 --> 00:22:57,590

called the the USS nimitz UFO incident

535

00:23:02,710 --> 00:23:01,430

from back in 2004 you you know again

536

00:23:04,390 --> 00:23:02,720

that's a classic example of something

537

00:23:06,340 --> 00:23:04,400

that you cannot deny i mean there's

538

00:23:08,080 --> 00:23:06,350

something that was seen and you're

539

00:23:09,820 --> 00:23:08,090

talking about military pilots guys who

540

00:23:13,810 --> 00:23:09,830

don't stand to gain anything by making

541

00:23:15,700 --> 00:23:13,820

stuff up one Marine Corps pilot a number

542

00:23:17,890 --> 00:23:15,710

of native Navy pilots plus the radar

543

00:23:23,710 --> 00:23:17,900

operators in the USS Lexington I believe

544

00:23:25,840 --> 00:23:23,720

was so a a number of trained observers

545

00:23:26,950 --> 00:23:25,850

spotted this thing the thing I thought

546

00:23:29,500 --> 00:23:26,960

was really bizarre was that the first

547

00:23:32,350 --> 00:23:29,510

pilot on the scene saw this whatever it

548

00:23:34,780 --> 00:23:32,360

was hovering over the the ocean and

549

00:23:37,870 --> 00:23:34,790

found that there was a an area about a

550

00:23:39,400 --> 00:23:37,880

hundred meters across that water was

551
00:23:40,870 --> 00:23:39,410
apparently breaking over the top of it

552
00:23:42,520 --> 00:23:40,880
like something really big was just

553
00:23:43,750 --> 00:23:42,530
submerged in fact the first pilot on the

554
00:23:46,210 --> 00:23:43,760
scene

555
00:23:50,080 --> 00:23:46,220
commander frayberg I believe was a

556
00:23:52,870 --> 00:23:50,090
freighter was his name yeah thought that

557
00:23:55,990 --> 00:23:52,880
he had arrived at the site of a the

558
00:23:57,700 --> 00:23:56,000
crash of a commercial jetliner so you

559
00:23:59,620 --> 00:23:57,710
know something was under though and you

560
00:24:01,630 --> 00:23:59,630
don't hear it much talk about that I'm

561
00:24:02,770 --> 00:24:01,640
really curious of what exactly was under

562
00:24:05,230 --> 00:24:02,780
the water that this thing was hovering

563
00:24:07,720 --> 00:24:05,240

over but anyway as he began to descend

564

00:24:10,180 --> 00:24:07,730

and began to pursue the thing it took

565

00:24:13,240 --> 00:24:10,190

off in at a speed that his f-18 couldn't

566

00:24:15,970 --> 00:24:13,250

match and then the the radar guys back

567

00:24:20,710 --> 00:24:15,980

at the the USS Lexington that Lexington

568

00:24:21,310 --> 00:24:20,720

Princeton the Princeton said it's at the

569

00:24:24,310 --> 00:24:21,320

rally point

570

00:24:27,220 --> 00:24:24,320

that when you do the math and how

571

00:24:28,570 --> 00:24:27,230

quickly it got there the thing was

572

00:24:31,060 --> 00:24:28,580

traveling in excess of thirty six

573

00:24:32,800 --> 00:24:31,070

hundred miles an hour which is like

574

00:24:34,750 --> 00:24:32,810

twice the speed of the f-18 half again

575

00:24:37,270 --> 00:24:34,760

as fast as the sr-71 Blackbird which is

576

00:24:39,710 --> 00:24:37,280

the fastest at that we know of

577

00:24:42,950 --> 00:24:39,720

fastest man-made aircraft on the planet

578

00:24:45,110 --> 00:24:42,960

um but the thing it and I was really

579

00:24:46,250 --> 00:24:45,120

curious that the second flight of f-18s

580

00:24:48,710 --> 00:24:46,260

that came out there they're the ones who

581

00:24:51,440 --> 00:24:48,720

caught it on their infrared radar

582

00:24:55,549 --> 00:24:51,450

it wasn't outgassing anything hot so it

583

00:24:58,580 --> 00:24:55,559

was not burning a fuel for propulsion of

584

00:25:03,590 --> 00:24:58,590

any sort so what was it we don't know

585

00:25:05,090 --> 00:25:03,600

but that doesn't necessarily mean which

586

00:25:08,029 --> 00:25:05,100

is the idea that's been put forward by

587

00:25:09,289 --> 00:25:08,039

mr. Elizondo from to Stars Academy and

588

00:25:10,940 --> 00:25:09,299

obviously Christopher melanin out there

589

00:25:13,700 --> 00:25:10,950

who's talking about the most recent

590

00:25:16,580 --> 00:25:13,710

video it doesn't necessarily mean that

591

00:25:21,409 --> 00:25:16,590

these objects came from outside the

592

00:25:23,360 --> 00:25:21,419

solar system it may well be that it was

593

00:25:25,480 --> 00:25:23,370

a government project whether United

594

00:25:28,210 --> 00:25:25,490

States government russian-chinese

595

00:25:31,549 --> 00:25:28,220

something that moves at in excess of

596

00:25:32,659 --> 00:25:31,559

3,600 miles per hour maybe a something

597

00:25:35,299 --> 00:25:32,669

we might want China and Russia don't

598

00:25:38,930 --> 00:25:35,309

know about yet well I don't I still have

599

00:25:41,510 --> 00:25:38,940

an argument cases okay go ahead well my

600

00:25:43,940 --> 00:25:41,520

argument is very simple as this is not

601
00:25:47,240 --> 00:25:43,950
the first time that they've seen

602
00:25:49,700 --> 00:25:47,250
something race away a speed and there

603
00:25:52,490 --> 00:25:49,710
has been speeds clocked up to 20,000

604
00:25:55,060 --> 00:25:52,500
miles an hour right that and we were

605
00:25:58,880 --> 00:25:55,070
talking to you know 30 40 years ago so

606
00:26:00,110 --> 00:25:58,890
another thing is and right Kenneth

607
00:26:01,700 --> 00:26:00,120
Arnold's yeah there's the sighting that

608
00:26:03,830 --> 00:26:01,710
Kenneth Arnold had back in the nineteen

609
00:26:07,220 --> 00:26:03,840
forty-seven was it's some ludicrous

610
00:26:08,870 --> 00:26:07,230
speed so yeah my point is that that

611
00:26:10,310 --> 00:26:08,880
there's there's a tendency though on the

612
00:26:11,360 --> 00:26:10,320
part of some observers to look at

613
00:26:14,149 --> 00:26:11,370

something like this and say we don't

614

00:26:16,630 --> 00:26:14,159

know what it what it is there for aliens

615

00:26:21,669 --> 00:26:16,640

and that's not necessarily the case

616

00:26:27,710 --> 00:26:25,220

no you know the other thing I will tell

617

00:26:29,870 --> 00:26:27,720

you is there's never there's never been

618

00:26:32,299 --> 00:26:29,880

a report that I'm familiar with at this

619

00:26:34,279 --> 00:26:32,309

point where there's been the sound

620

00:26:36,440 --> 00:26:34,289

barrier broken no matter what speed the

621

00:26:38,870 --> 00:26:36,450

thing took off and it's another mural

622

00:26:41,360 --> 00:26:38,880

real mystery it doesn't make any sense

623

00:26:43,520 --> 00:26:41,370

there's and a lot of times you know the

624

00:26:45,320 --> 00:26:43,530

thing that I saw had absolutely no sound

625

00:26:47,120 --> 00:26:45,330

and that was the most that was almost

626

00:26:49,389 --> 00:26:47,130

the most terrifying if there was

627

00:26:53,629 --> 00:26:49,399

anything terrifying at all that was more

628

00:26:55,459 --> 00:26:53,639

that bothered me or sad in my mind more

629

00:26:59,269 --> 00:26:55,469

anything else so when these things are

630

00:27:00,560 --> 00:26:59,279

moving without making any noise you know

631

00:27:03,529 --> 00:27:00,570

it really is bizarre

632

00:27:05,810 --> 00:27:03,539

now again you mentioned the possibility

633

00:27:08,149 --> 00:27:05,820

of another dimension or something like

634

00:27:08,869 --> 00:27:08,159

that and I never ruled that out along

635

00:27:12,680 --> 00:27:08,879

with them

636

00:27:14,889 --> 00:27:12,690

I never rule out aliens either but I do

637

00:27:18,289 --> 00:27:14,899

want to say that you know perhaps

638

00:27:21,310 --> 00:27:18,299

there's just something in physics that

639

00:27:25,399 --> 00:27:21,320

they've figured out how to travel time

640

00:27:29,529 --> 00:27:25,409

that you know doesn't involve anything

641

00:27:31,569 --> 00:27:29,539

that we know of today for is necessarily

642

00:27:36,019 --> 00:27:31,579

right and you know I do want to mention

643

00:27:40,099 --> 00:27:36,029

poor Stephen Hawking passed away I just

644

00:27:42,319 --> 00:27:40,109

wanted to mention that and just you know

645

00:27:45,739 --> 00:27:42,329

he will be missed very deeply in the

646

00:27:47,359 --> 00:27:45,749

scientific community he did not have too

647

00:27:52,609 --> 00:27:47,369

many nice things to say about people

648

00:27:55,909 --> 00:27:52,619

that saw UFOs but oh yeah other than

649

00:27:57,709 --> 00:27:55,919

that he was a good man and I think he

650

00:28:00,739 --> 00:27:57,719

did he did a lot of really spectacular

651

00:28:03,079 --> 00:28:00,749

things so a lot of a lot of

652

00:28:07,609 --> 00:28:03,089

controversial and interesting thoughts

653

00:28:09,529 --> 00:28:07,619

that man had yeah yeah so well again the

654

00:28:10,940 --> 00:28:09,539

the existence of extraterrestrials is

655

00:28:15,649 --> 00:28:10,950

not something we rule out now for the

656

00:28:18,560 --> 00:28:15,659

record we don't believe that that there

657

00:28:20,180 --> 00:28:18,570

is concrete evidence that earth has been

658

00:28:23,119 --> 00:28:20,190

visited by an extraterrestrial

659

00:28:24,560 --> 00:28:23,129

intelligence but like I said one of the

660

00:28:29,269 --> 00:28:24,570

things we wanted to address in the book

661

00:28:33,440 --> 00:28:29,279

is that if that proves to be incorrect

662

00:28:37,819 --> 00:28:33,450

and you know Klaatu stands out on the

663

00:28:40,399 --> 00:28:37,829

White House lawn with Gort hopefully we

664

00:28:43,759 --> 00:28:40,409

can all get along and it comes down to

665

00:28:45,499 --> 00:28:43,769

this because it comes down to the the

666

00:28:49,789 --> 00:28:45,509

definition of what it means to be

667

00:28:52,099 --> 00:28:49,799

created in God's image it's a problem

668

00:28:54,139 --> 00:28:52,109

with translating Hebrew into English

669

00:28:57,229 --> 00:28:54,149

English is not as new monster language

670

00:28:59,690 --> 00:28:57,239

is Hebrew when it says God said let us

671

00:29:02,779 --> 00:28:59,700

create man in our image

672

00:29:04,579 --> 00:29:02,789

it doesn't mean mankind looks like God

673

00:29:06,199 --> 00:29:04,589

that God is a biped that stands between

674

00:29:07,220 --> 00:29:06,209

five and a half and six feet tall or

675

00:29:11,029 --> 00:29:07,230

whatever

676

00:29:13,279 --> 00:29:11,039

what it means in the Hebrew the sense we

677

00:29:17,479 --> 00:29:13,289

get is that we are God's image bearers

678

00:29:19,999 --> 00:29:17,489

we are his moral agents on earth that's

679

00:29:23,359 --> 00:29:20,009

the role that humans have been created

680

00:29:24,919 --> 00:29:23,369

to fill and that applies to all of us

681

00:29:28,669 --> 00:29:24,929

regardless of how old we are

682

00:29:33,609 --> 00:29:28,679

how well-developed we are our lack or

683

00:29:36,470 --> 00:29:33,619

gift of cognitive abilities any

684

00:29:39,019 --> 00:29:36,480

disabilities or special abilities that

685

00:29:41,989 --> 00:29:39,029

we might have it applies to us merely

686

00:29:44,539 --> 00:29:41,999

because we are human all of us are

687

00:29:47,269 --> 00:29:44,549

created as God's image bearers now some

688

00:29:50,389 --> 00:29:47,279

of us you know that out better than

689

00:29:54,259 --> 00:29:50,399

others but it doesn't change depending

690

00:29:56,570 --> 00:29:54,269

on again you know how well educated we

691

00:29:58,940 --> 00:29:56,580

are how rich we are whatever all of us

692

00:30:00,710 --> 00:29:58,950

on earth are created in God's image in

693

00:30:02,389 --> 00:30:00,720

that respect and the landing on the

694

00:30:04,999 --> 00:30:02,399

White House lawn the sudden appearance

695

00:30:06,830 --> 00:30:05,009

of an actual extraterrestrial you know

696

00:30:09,859 --> 00:30:06,840

in front of the United Nations would not

697

00:30:11,779 --> 00:30:09,869

change that status so as a Christian if

698

00:30:14,090 --> 00:30:11,789

an actual et were to land on the White

699

00:30:16,129 --> 00:30:14,100

House lawn I would not throw out my

700

00:30:18,320 --> 00:30:16,139

Bible and say okay well I guess this was

701

00:30:21,529 --> 00:30:18,330

just a bunch of lies no say hey cool

702

00:30:24,710 --> 00:30:21,539

God's creation is even more amazing and

703

00:30:25,759 --> 00:30:24,720

convoluted than I thought it was you

704

00:30:28,999 --> 00:30:25,769

know one of the things I was gonna ask

705

00:30:31,930 --> 00:30:29,009

you is you know how does the Christian

706

00:30:34,639 --> 00:30:31,940

faith line up with the possibility of

707

00:30:38,810 --> 00:30:34,649

being visited you you kind of answered

708

00:30:41,440 --> 00:30:38,820

that but another thing is some you know

709

00:30:45,139 --> 00:30:41,450

I think it's if you went back in time

710

00:30:47,029 --> 00:30:45,149

say a hundred years or 200 years or

711

00:30:48,859 --> 00:30:47,039

something like that I don't think there

712

00:30:50,629 --> 00:30:48,869

would be any openness at all just

713

00:30:53,090 --> 00:30:50,639

something about I don't think they would

714

00:30:57,529 --> 00:30:53,100

be comprehend a bowl and there I don't

715

00:30:57,739 --> 00:30:57,539

think well I don't think did you go

716

00:30:59,779 --> 00:30:57,749

ahead

717

00:31:03,109 --> 00:30:59,789

that's is one of the things we went into

718

00:31:06,409 --> 00:31:03,119

in the book because in contrary to what

719

00:31:08,090 --> 00:31:06,419

most people think the possibility of

720

00:31:09,710 --> 00:31:08,100

life in outer space the life on other

721

00:31:11,269 --> 00:31:09,720

planets is actually something that

722

00:31:13,159 --> 00:31:11,279

Christian theologians have done a lot of

723

00:31:16,749 --> 00:31:13,169

thinking about over the centuries it's

724

00:31:18,769 --> 00:31:16,759

only been the last hundred years or so

725

00:31:20,150 --> 00:31:18,779

that Christians have kind of shut down

726

00:31:22,280 --> 00:31:20,160

that the

727

00:31:24,770 --> 00:31:22,290

in part because I think a lot of Roman

728

00:31:27,530 --> 00:31:24,780

Catholic theologians over the centuries

729

00:31:30,230 --> 00:31:27,540

and said well you know we can't rule out

730

00:31:32,300 --> 00:31:30,240

that God might have created other worlds

731

00:31:34,370 --> 00:31:32,310

I mean because to say that he didn't do

732

00:31:36,170 --> 00:31:34,380

it or couldn't do it he's putting a

733

00:31:37,790 --> 00:31:36,180

limit on God and that's that's not

734

00:31:41,440 --> 00:31:37,800

allowable

735

00:31:42,650 --> 00:31:41,450

so no actually history you find that

736

00:31:44,360 --> 00:31:42,660

yeah

737

00:31:45,980 --> 00:31:44,370

Christian's going back centuries

738

00:31:47,750 --> 00:31:45,990

hundreds and hundreds of years were

739

00:31:52,340 --> 00:31:47,760

actually considering the possibility of

740

00:31:54,970 --> 00:31:52,350

other planets and other occupied planets

741

00:31:58,040 --> 00:31:54,980

now when you just said a minute ago that

742

00:32:01,640 --> 00:31:58,050

you know man was created in God's image

743

00:32:04,760 --> 00:32:01,650

or however that is termed is this your

744

00:32:07,760 --> 00:32:04,770

own interpretation of you saying this to

745

00:32:10,340 --> 00:32:07,770

make it fit or Murray or where are you

746

00:32:12,380 --> 00:32:10,350

getting that information from Hebrew

747

00:32:14,240 --> 00:32:12,390

scholar by the name dr. Michael Heizer

748

00:32:16,340 --> 00:32:14,250

he's the scholar and residence for Logos

749

00:32:19,310 --> 00:32:16,350

Bible Software and he's also a respected

750

00:32:23,690 --> 00:32:19,320

ufologist he has looked at that and that

751
00:32:27,460 --> 00:32:23,700
is not a let's say it's not a fringe

752
00:32:29,630 --> 00:32:27,470
interpretation of that verse in Genesis

753
00:32:32,240 --> 00:32:29,640
again when you dig into the Hebrew and

754
00:32:35,350 --> 00:32:32,250
understand what that means it is a it's

755
00:32:38,330 --> 00:32:35,360
a little more nuanced than created in

756
00:32:41,180 --> 00:32:38,340
God's image it's again this is why I say

757
00:32:43,430 --> 00:32:41,190
that we the Christian church have not

758
00:32:46,070 --> 00:32:43,440
done really an adequate job of educating

759
00:32:49,700 --> 00:32:46,080
people who call themselves Christians as

760
00:32:55,520 --> 00:32:49,710
to what the Bible says and why we should

761
00:32:58,580 --> 00:32:55,530
leave it's true so what do you think in

762
00:33:02,710 --> 00:32:58,590
your mind like the extraterrestrial

763
00:33:05,270 --> 00:33:02,720

intelligences as you call them out there

764

00:33:08,810 --> 00:33:05,280

we we are not having a very good track

765

00:33:12,860 --> 00:33:08,820

record as far as the way we treat each

766

00:33:18,620 --> 00:33:12,870

other the way we kill each other the way

767

00:33:20,840 --> 00:33:18,630

there's Wars and all that now so far as

768

00:33:23,750 --> 00:33:20,850

we know whatever it is that's visiting

769

00:33:25,130 --> 00:33:23,760

us hasn't really interfered or you know

770

00:33:26,900 --> 00:33:25,140

there's a couple of cases where there

771

00:33:29,270 --> 00:33:26,910

was a possibility that there was some

772

00:33:32,030 --> 00:33:29,280

type of you know a shoot down or

773

00:33:33,570 --> 00:33:32,040

something of an aircraft or whatever one

774

00:33:37,950 --> 00:33:33,580

in Australia and there's one

775

00:33:42,660 --> 00:33:37,960

somewhere in the mid States but as far

776

00:33:45,150 --> 00:33:42,670

as we know we may be you know it may not

777

00:33:47,580 --> 00:33:45,160

be other creations that are violent like

778

00:33:49,440 --> 00:33:47,590

we are I mean do you ever think about

779

00:33:52,260 --> 00:33:49,450

that I mean we're not we don't have a

780

00:33:53,820 --> 00:33:52,270

very good track record no that's true we

781

00:33:55,260 --> 00:33:53,830

don't and in fact that's entirely

782

00:33:56,640 --> 00:33:55,270

consistent I'll just point out that's

783

00:33:58,890 --> 00:33:56,650

entirely consistent with a Christian

784

00:34:00,450 --> 00:33:58,900

worldview that says you know we say we

785

00:34:02,730 --> 00:34:00,460

have no sin we deceive ourselves and the

786

00:34:06,030 --> 00:34:02,740

truth is not in us the heart is you know

787

00:34:07,350 --> 00:34:06,040

inherently wicked but I think Stephen

788

00:34:10,560 --> 00:34:07,360

Hawking might have been onto something

789

00:34:12,210 --> 00:34:10,570

here where he said you know the just

790

00:34:13,890 --> 00:34:12,220

looking at the history of the world when

791

00:34:16,080 --> 00:34:13,900

a more advanced civilization comes

792

00:34:17,910 --> 00:34:16,090

across a less advanced civilization

793

00:34:19,710 --> 00:34:17,920

usually doesn't work out well for the

794

00:34:23,490 --> 00:34:19,720

less advanced civilizations so he was

795

00:34:25,590 --> 00:34:23,500

not really looking forward the

796

00:34:27,930 --> 00:34:25,600

possibility of encountering a more

797

00:34:33,540 --> 00:34:27,940

advanced civilization from outside the

798

00:34:35,550 --> 00:34:33,550

the solar system I argue it with that

799

00:34:37,710 --> 00:34:35,560

because that's human nature we don't

800

00:34:40,530 --> 00:34:37,720

know the nature of one another

801
00:34:43,140 --> 00:34:40,540
intelligence is and it all boils down to

802
00:34:46,470 --> 00:34:43,150
how it's how it evolved you know really

803
00:34:48,860 --> 00:34:46,480
how it survived whatever - you know

804
00:34:52,380 --> 00:34:48,870
evolved into what it has evolved into

805
00:34:56,340 --> 00:34:52,390
the natural instincts to become tribal

806
00:34:58,230 --> 00:34:56,350
or hunt and whatever you know have

807
00:35:01,110 --> 00:34:58,240
turned now into you know violence

808
00:35:02,520 --> 00:35:01,120
against each other you know who knows if

809
00:35:05,040 --> 00:35:02,530
they even think in those terms

810
00:35:09,380 --> 00:35:05,050
now we don't because they may be so

811
00:35:11,550 --> 00:35:09,390
alien to us that we can't even imagine

812
00:35:13,440 --> 00:35:11,560
what their thought processes are I mean

813
00:35:16,080 --> 00:35:13,450

they may take no more notice of us than

814

00:35:17,760 --> 00:35:16,090

we take of the ants on the sidewalk on

815

00:35:21,090 --> 00:35:17,770

the other hand they might be entirely

816

00:35:24,810 --> 00:35:21,100

benevolent I don't know personally

817

00:35:27,630 --> 00:35:24,820

speaking I don't think I don't think

818

00:35:29,730 --> 00:35:27,640

there is other life out there at least

819

00:35:32,190 --> 00:35:29,740

not that is contacting us directly I

820

00:35:34,710 --> 00:35:32,200

think and again this is not a

821

00:35:36,150 --> 00:35:34,720

theological Hill that I'm gonna die on

822

00:35:38,730 --> 00:35:36,160

which is why we address the issue of

823

00:35:39,810 --> 00:35:38,740

what it means to be created in God's

824

00:35:44,330 --> 00:35:39,820

image because we think that's an

825

00:35:46,350 --> 00:35:44,340

important point one that is a a

826

00:35:47,520 --> 00:35:46,360

stumbling block

827

00:35:49,590 --> 00:35:47,530

to Christians when they start looking

828

00:35:50,730 --> 00:35:49,600

into the UFO phenomena what happens if

829

00:35:52,110 --> 00:35:50,740

there is other does that mean that

830

00:35:53,660 --> 00:35:52,120

they're creating God's image too and

831

00:36:01,190 --> 00:35:53,670

what Jesus have to die for them as well

832

00:36:04,620 --> 00:36:01,200

no but it is a I I don't think that

833

00:36:07,920 --> 00:36:04,630

something that big would have been left

834

00:36:09,710 --> 00:36:07,930

out of God's Word in other words if

835

00:36:13,250 --> 00:36:09,720

there was a possibility that

836

00:36:15,390 --> 00:36:13,260

zeta-reticulans were going to land and

837

00:36:16,950 --> 00:36:15,400

begin communications with us that's

838

00:36:17,340 --> 00:36:16,960

probably something God would have told

839

00:36:19,560 --> 00:36:17,350

us

840

00:36:24,920 --> 00:36:19,570

but again that's speculation on my part

841

00:36:26,940 --> 00:36:24,930

I don't have a enough information

842

00:36:29,610 --> 00:36:26,950

biblical or otherwise to make that a

843

00:36:32,850 --> 00:36:29,620

theological hill on which I'm going to

844

00:36:35,070 --> 00:36:32,860

you know defend to the death a friend of

845

00:36:38,100 --> 00:36:35,080

ours has a belief that he calls the

846

00:36:39,660 --> 00:36:38,110

doctrine of stated intent in which he

847

00:36:42,690 --> 00:36:39,670

points to the fact that in the Bible God

848

00:36:44,940 --> 00:36:42,700

said he created the stars in the sky to

849

00:36:47,400 --> 00:36:44,950

mark the the times and the seasons and

850

00:36:50,370 --> 00:36:47,410

so that's their stated intent he did not

851
00:36:52,320 --> 00:36:50,380
say that I put these stars in the sky to

852
00:36:53,850 --> 00:36:52,330
host inhabited planets with

853
00:36:57,240 --> 00:36:53,860
civilizations that might someday visit

854
00:36:58,890 --> 00:36:57,250
you okay I can I can see where he's

855
00:37:02,820 --> 00:36:58,900
getting at he's supporting it with with

856
00:37:06,000 --> 00:37:02,830
the evidence but again one way or the

857
00:37:09,600 --> 00:37:06,010
other whether we are alone in the

858
00:37:11,940 --> 00:37:09,610
universe or whether some day an advanced

859
00:37:13,860 --> 00:37:11,950
civilization makes contact with us it

860
00:37:17,940 --> 00:37:13,870
does not change our status as God's

861
00:37:19,170 --> 00:37:17,950
image bearers on planet Earth and so one

862
00:37:24,120 --> 00:37:19,180
way or the other I'm secure in my

863
00:37:26,880 --> 00:37:24,130

Christian faith well alright someone

864

00:37:29,670 --> 00:37:26,890

just asked in the chat room they said

865

00:37:32,610 --> 00:37:29,680

I'm confused does he believe in ETS or

866

00:37:34,890 --> 00:37:32,620

not so I'm thinking that okay let me

867

00:37:37,950 --> 00:37:34,900

give you a one-word answer no hey you

868

00:37:39,360 --> 00:37:37,960

don't and don't you don't you think

869

00:37:41,400 --> 00:37:39,370

that's a little bit and I'm not saying

870

00:37:43,590 --> 00:37:41,410

that you are arrogant but don't you

871

00:37:45,540 --> 00:37:43,600

think that's a little bit arrogant well

872

00:37:47,160 --> 00:37:45,550

no I mean we have to bring it reach it a

873

00:37:49,650 --> 00:37:47,170

conclusion one way or the other I mean I

874

00:37:51,810 --> 00:37:49,660

could say I don't know for sure but I

875

00:37:55,170 --> 00:37:51,820

don't believe that there are now like I

876

00:37:58,230 --> 00:37:55,180

said I'm not if I'm proven wrong it's

877

00:37:59,520 --> 00:37:58,240

not gonna crush my worldview okay I've

878

00:38:00,370 --> 00:37:59,530

been hoping wrong about lots of things

879

00:38:03,890 --> 00:38:00,380

in my life

880

00:38:05,660 --> 00:38:03,900

all right now Chicago Cubs fan since I

881

00:38:10,760 --> 00:38:05,670

was 6 years old i only got write to one

882

00:38:14,120 --> 00:38:10,770

time back in 2016 so let me ask you

883

00:38:17,060 --> 00:38:14,130

something do you about the view your

884

00:38:22,070 --> 00:38:17,070

views of God I guess do you think first

885

00:38:23,870 --> 00:38:22,080

of all God always was yes and so there

886

00:38:27,800 --> 00:38:23,880

was never a beginning he just always was

887

00:38:30,860 --> 00:38:27,810

now now I'm gonna say something my son a

888

00:38:34,220 --> 00:38:30,870

little silly but okay if that's the case

889

00:38:37,240 --> 00:38:34,230

then why did he wait for till only 14

890

00:38:39,890 --> 00:38:37,250

billion years ago to start the universe

891

00:38:42,260 --> 00:38:39,900

he always was what was he doing all that

892

00:38:45,830 --> 00:38:42,270

time well that's what I'm gonna take the

893

00:38:47,420 --> 00:38:45,840

I don't know if I could know the mind of

894

00:38:49,430 --> 00:38:47,430

God if I could understand the mind of

895

00:38:50,780 --> 00:38:49,440

God God would be this small where he

896

00:38:53,090 --> 00:38:50,790

could fit inside this head here maybe a

897

00:38:58,700 --> 00:38:53,100

pretty small God you know that's that's

898

00:39:00,200 --> 00:38:58,710

that's a cop-out I guess sure yeah and

899

00:39:01,940 --> 00:39:00,210

I'm not here so I can't answer that

900

00:39:06,320 --> 00:39:01,950

question I've seen I've seen a few

901
00:39:09,770 --> 00:39:06,330
different debates with hitch Hitchens

902
00:39:14,570 --> 00:39:09,780
and and and I've seen kind of you know

903
00:39:16,850 --> 00:39:14,580
that that you know I'm I've seen that

904
00:39:19,040 --> 00:39:16,860
that cop-out I don't know you know I

905
00:39:23,060 --> 00:39:19,050
mean that's that's better than making

906
00:39:25,090 --> 00:39:23,070
something up yes that there's plenty of

907
00:39:28,720 --> 00:39:25,100
things we can certainly say that about

908
00:39:31,760 --> 00:39:28,730
and that that's exactly what I say about

909
00:39:34,400 --> 00:39:31,770
whether I think there you at UFOs have

910
00:39:36,520 --> 00:39:34,410
ETS in them or not I don't know you know

911
00:39:39,380 --> 00:39:36,530
so I guess I'm kind of along the same

912
00:39:40,700 --> 00:39:39,390
I'll take the fifth as well well you

913
00:39:42,560 --> 00:39:40,710

know some might think it's a cop but I

914

00:39:44,780 --> 00:39:42,570

just think it's being honest I I have no

915

00:39:47,540 --> 00:39:44,790

idea I don't know I don't know that the

916

00:39:50,510 --> 00:39:47,550

universe is 14 billion years old yeah

917

00:39:52,880 --> 00:39:50,520

you know I I'm not really sure about the

918

00:39:55,340 --> 00:39:52,890

Big Bang if that's you know I think it's

919

00:39:58,370 --> 00:39:55,350

very possible that someday you know and

920

00:40:01,010 --> 00:39:58,380

there's so many things that do point to

921

00:40:02,990 --> 00:40:01,020

it but someday they may uncover

922

00:40:04,400 --> 00:40:03,000

something oh so this is what happened I

923

00:40:06,800 --> 00:40:04,410

mean how many times does that happened

924

00:40:10,220 --> 00:40:06,810

in science as we went along you know you

925

00:40:13,280 --> 00:40:10,230

think about the church going back to the

926
00:40:13,680 --> 00:40:13,290
church having Galileo you know an under

927
00:40:16,310 --> 00:40:13,690
house

928
00:40:19,290 --> 00:40:16,320
arrests for taking Kapernick

929
00:40:21,990 --> 00:40:19,300
Copernicus's view that the the earth

930
00:40:24,030 --> 00:40:22,000
went around the Sun you know there's

931
00:40:26,040 --> 00:40:24,040
there's a lot of things in religion that

932
00:40:28,140 --> 00:40:26,050
have stifled science you know real

933
00:40:29,610 --> 00:40:28,150
science well I think there was more

934
00:40:31,770 --> 00:40:29,620
going on there with Galileo than just

935
00:40:32,880 --> 00:40:31,780
his view of astrophysics I think there

936
00:40:35,070 --> 00:40:32,890
were some things that he had been saying

937
00:40:37,610 --> 00:40:35,080
that the church took issue with in terms

938
00:40:41,570 --> 00:40:37,620

of theology it wasn't just the science

939

00:40:43,920 --> 00:40:41,580

and with those things be acceptable in

940

00:40:46,160 --> 00:40:43,930

today's world the things that he were

941

00:40:48,720 --> 00:40:46,170

saying I mean can we give an example

942

00:40:50,880 --> 00:40:48,730

this is not an area of my study but I

943

00:40:52,380 --> 00:40:50,890

will say this the Roman Catholic Church

944

00:40:54,960 --> 00:40:52,390

sure shows a lot of interest in what

945

00:40:56,400 --> 00:40:54,970

might be coming from out there in fact

946

00:40:58,230 --> 00:40:56,410

they've been talking openly about their

947

00:41:01,440 --> 00:40:58,240

willingness to baptize their space

948

00:41:03,060 --> 00:41:01,450

brothers and even go so far as to talk

949

00:41:04,830 --> 00:41:03,070

theology with them because as if an

950

00:41:07,020 --> 00:41:04,840

advanced civilization comes to earth

951
00:41:09,240 --> 00:41:07,030
from somewhere out there they may have a

952
00:41:11,610 --> 00:41:09,250
more developed theology that might

953
00:41:14,460 --> 00:41:11,620
require some recalibration on their part

954
00:41:19,850 --> 00:41:14,470
as far as Christian doctrine like mmm

955
00:41:23,580 --> 00:41:19,860
okay I can't go there again I think that

956
00:41:25,320 --> 00:41:23,590
the eyewitness testimony of the ministry

957
00:41:27,090 --> 00:41:25,330
life death resurrection of Jesus of

958
00:41:29,760 --> 00:41:27,100
Nazareth that that to me is the anchor

959
00:41:31,640 --> 00:41:29,770
point for you know all of the stuff in

960
00:41:35,940 --> 00:41:31,650
the Old Testament that he validated as

961
00:41:37,950 --> 00:41:35,950
history and again just my own research

962
00:41:39,630 --> 00:41:37,960
into what the neighbors of the ancient

963
00:41:42,180 --> 00:41:39,640

Israelites believe the pagan nations

964

00:41:43,560 --> 00:41:42,190

around there supports some things in the

965

00:41:47,460 --> 00:41:43,570

Bible that otherwise doesn't make any

966

00:41:49,080 --> 00:41:47,470

sense but that's that I could do two

967

00:41:52,380 --> 00:41:49,090

hours just on that topic alone so rather

968

00:41:54,060 --> 00:41:52,390

than go down the rabbit trail the Roman

969

00:41:57,390 --> 00:41:54,070

Catholic Church is a lot more open to

970

00:42:00,000 --> 00:41:57,400

things today then they probably were in

971

00:42:01,770 --> 00:42:00,010

Galileo's day theologically speaking

972

00:42:03,120 --> 00:42:01,780

they're open more open now than they

973

00:42:07,410 --> 00:42:03,130

were probably fifty years ago when the

974

00:42:10,410 --> 00:42:07,420

teachings of say the Jesuit priests PRT

975

00:42:12,120 --> 00:42:10,420

are de Chardin who was the character he

976

00:42:13,740 --> 00:42:12,130

was the guy on which they based the

977

00:42:15,540 --> 00:42:13,750

character father Lancaster Merrin and

978

00:42:18,210 --> 00:42:15,550

the Exorcist you know the guy who

979

00:42:20,940 --> 00:42:18,220

discovers that you know little statue of

980

00:42:23,400 --> 00:42:20,950

the demon Pazuzu in Iraq and then it

981

00:42:25,290 --> 00:42:23,410

winds up traveling to Washington DC

982

00:42:27,569 --> 00:42:25,300

which explains a lot about our political

983

00:42:31,150 --> 00:42:27,579

system I think but

984

00:42:34,029 --> 00:42:31,160

he believed that the universe and that

985

00:42:38,109 --> 00:42:34,039

all of creation was getting more and

986

00:42:40,089 --> 00:42:38,119

more sentient he was credited with

987

00:42:42,849 --> 00:42:40,099

coining the term the social network and

988

00:42:44,920 --> 00:42:42,859

that there was the the geosphere the

989

00:42:48,549 --> 00:42:44,930

biosphere and then the noosphere which

990

00:42:52,900 --> 00:42:48,559

is a network of human interaction human

991

00:42:55,839 --> 00:42:52,910

knowledge that was ever growing and that

992

00:42:57,429 --> 00:42:55,849

someday as we developed and grew in love

993

00:42:59,650 --> 00:42:57,439

and knowledge we would all come together

994

00:43:02,589 --> 00:42:59,660

in what he called the omega point and

995

00:43:03,239 --> 00:43:02,599

become one with the cosmos and one with

996

00:43:06,579 --> 00:43:03,249

the Creator

997

00:43:09,819 --> 00:43:06,589

that's very Eastern that's not Orthodox

998

00:43:13,269 --> 00:43:09,829

Christianity and a lot of his writings

999

00:43:15,099 --> 00:43:13,279

were restricted the distribution of his

1000

00:43:18,189 --> 00:43:15,109

writings work was restricted by the bat

1001

00:43:21,819 --> 00:43:18,199

I can back in the early 60s but just

1002

00:43:23,559 --> 00:43:21,829

recently a group of Vatican's are rather

1003

00:43:27,120 --> 00:43:23,569

Jesuit scientists because all the

1004

00:43:31,749 --> 00:43:27,130

Jesuits are well scientists by training

1005

00:43:34,269 --> 00:43:31,759

sent a letter to Pope Francis asking him

1006

00:43:37,959 --> 00:43:34,279

to essentially remove the warning labels

1007

00:43:41,189 --> 00:43:37,969

from payard's writings and essentially

1008

00:43:45,910 --> 00:43:41,199

when you take what T are taught from a

1009

00:43:47,709 --> 00:43:45,920

Jesuit perspective and move it in the

1010

00:43:51,279 --> 00:43:47,719

Silicon Valley you essentially have the

1011

00:43:53,140 --> 00:43:51,289

singularitarians movement and you've got

1012

00:43:56,319 --> 00:43:53,150

the instead of the Omega Point you've

1013

00:43:59,469 --> 00:43:56,329

got the singularity of dr. Raymond

1014

00:44:01,949 --> 00:43:59,479

Kurzweil so you know that there there's

1015

00:44:05,079 --> 00:44:01,959

there's a lot more overlap between

1016

00:44:08,199 --> 00:44:05,089

theology and science and then most

1017

00:44:10,120 --> 00:44:08,209

people would like to think and again

1018

00:44:12,099 --> 00:44:10,130

coming back to the UFO phenomena and a

1019

00:44:13,479 --> 00:44:12,109

lot of people and again I certainly

1020

00:44:17,109 --> 00:44:13,489

don't want to accuse anyone who's

1021

00:44:20,049 --> 00:44:17,119

interested in the subject of being in a

1022

00:44:23,140 --> 00:44:20,059

cult and certainly not all researchers

1023

00:44:26,199 --> 00:44:23,150

are looking at the phenomenon for the

1024

00:44:28,449 --> 00:44:26,209

big answers of life our answers to the

1025

00:44:31,959 --> 00:44:28,459

big questions of life which are where do

1026

00:44:35,199 --> 00:44:31,969

we come from why are we here and what

1027

00:44:37,689 --> 00:44:35,209

happens to us when we die but there are

1028

00:44:39,219 --> 00:44:37,699

a lot of people who do and you know God

1029

00:44:40,839 --> 00:44:39,229

loved him I believe he's sincere but

1030

00:44:41,829 --> 00:44:40,849

Steven Greer dr. Steven Greer is one of

1031

00:44:48,200 --> 00:44:41,839

those fellows

1032

00:44:50,539 --> 00:44:48,210

dr. Edgar Mitchell was another right now

1033

00:44:53,029 --> 00:44:50,549

we may we may take some calls is that

1034

00:44:55,940 --> 00:44:53,039

okay if we take the phone caller - okay

1035

00:44:58,190 --> 00:44:55,950

so any so the number is up on the screen

1036

00:45:00,890 --> 00:44:58,200

if you're listening live hey well I have

1037

00:45:03,079 --> 00:45:00,900

you people live right now and for

1038

00:45:05,749 --> 00:45:03,089

listeners that check this out as a

1039

00:45:07,759 --> 00:45:05,759

podcast at some point and you would like

1040

00:45:10,219 --> 00:45:07,769

to listen life I'm actually thinking

1041

00:45:14,479 --> 00:45:10,229

about moving the date the day that I do

1042

00:45:19,809 --> 00:45:14,489

this show possibly - Saturday Sunday or

1043

00:45:22,339 --> 00:45:19,819

Monday so and that's that's only because

1044

00:45:26,239 --> 00:45:22,349

sometimes I get busy and Wednesdays are

1045

00:45:30,049 --> 00:45:26,249

really tough for me to do so if you

1046

00:45:33,109 --> 00:45:30,059

would like to put your note in the chat

1047

00:45:35,690 --> 00:45:33,119

room now so either Saturday Sunday or

1048

00:45:38,479 --> 00:45:35,700

Monday I may switch the day - I may keep

1049

00:45:40,339 --> 00:45:38,489

it the way it is but if someone would

1050

00:45:44,359 --> 00:45:40,349

just reply to that or if you're

1051
00:45:47,630 --> 00:45:44,369
listening as a podcast and you would

1052
00:45:50,420 --> 00:45:47,640
like to contact me because you do listen

1053
00:45:54,380 --> 00:45:50,430
occasionally live its Martin at podcast

1054
00:46:00,519 --> 00:45:54,390
UFO calm Martin at podcast UFO calm is

1055
00:46:03,109 --> 00:46:00,529
the email address so about the Bible

1056
00:46:05,930 --> 00:46:03,119
there is there's a lot of people have

1057
00:46:09,620 --> 00:46:05,940
talked like you there's some connections

1058
00:46:13,130 --> 00:46:09,630
with UFOs or ETS and the Bible but but

1059
00:46:15,200 --> 00:46:13,140
my first question about that is what

1060
00:46:19,519 --> 00:46:15,210
makes you I said this earlier what makes

1061
00:46:21,650 --> 00:46:19,529
you believe the Bible is or what do you

1062
00:46:25,549 --> 00:46:21,660
think it is and why do you think it is

1063
00:46:27,709 --> 00:46:25,559

what you think it is okay that's a good

1064

00:46:30,950 --> 00:46:27,719

question that's something that I began

1065

00:46:34,700 --> 00:46:30,960

to really look at seriously about twenty

1066

00:46:37,549 --> 00:46:34,710

years ago I was found myself as a

1067

00:46:39,019 --> 00:46:37,559

mystery mom of a young daughter and I

1068

00:46:41,390 --> 00:46:39,029

realized one that I couldn't explain to

1069

00:46:42,589 --> 00:46:41,400

her why I thought Wright was right and

1070

00:46:45,739 --> 00:46:42,599

wrong was wrong I didn't know why I

1071

00:46:47,329 --> 00:46:45,749

believed what I believed as I said

1072

00:46:49,849 --> 00:46:47,339

before we was raised in the church but

1073

00:46:52,910 --> 00:46:49,859

could not give an answer for why I

1074

00:46:54,709 --> 00:46:52,920

thought the Bible would be true okay

1075

00:46:55,160 --> 00:46:54,719

yeah this is this is all nice stuff in

1076

00:46:58,370 --> 00:46:55,170

here

1077

00:47:00,319 --> 00:46:58,380

is all made up so again looking at the

1078

00:47:03,680 --> 00:47:00,329

the textual evidence the archeological

1079

00:47:04,400 --> 00:47:03,690

evidence and so forth books like the

1080

00:47:06,440 --> 00:47:04,410

case for Christ

1081

00:47:10,970 --> 00:47:06,450

at least drawable other resources like

1082

00:47:13,670 --> 00:47:10,980

that when you come right down to it the

1083

00:47:16,549 --> 00:47:13,680

the texts that have been collated into

1084

00:47:19,339 --> 00:47:16,559

the the New Testament have been

1085

00:47:21,530 --> 00:47:19,349

preserved more accurately more carefully

1086

00:47:23,180 --> 00:47:21,540

over the last 2,000 years than any other

1087

00:47:26,630 --> 00:47:23,190

text that exists from the class of the

1088

00:47:30,079 --> 00:47:26,640

world I mean if one were to say we can't

1089

00:47:31,970 --> 00:47:30,089

trust these documents because then to

1090

00:47:36,020 --> 00:47:31,980

apply the same standard to the writings

1091

00:47:38,539 --> 00:47:36,030

of Caesar the Roman historians

1092

00:47:39,890 --> 00:47:38,549

the Greeks like you know Homer or

1093

00:47:41,180 --> 00:47:39,900

Aristotle plate we'd have to throw all

1094

00:47:42,559 --> 00:47:41,190

of that out because all of their dot

1095

00:47:45,289 --> 00:47:42,569

there are fewer copies and they're much

1096

00:47:48,980 --> 00:47:45,299

newer than the texts that make up the

1097

00:47:49,849 --> 00:47:48,990

Bible you look at the and I could I

1098

00:47:52,220 --> 00:47:49,859

could go through a number of other

1099

00:47:57,530 --> 00:47:52,230

reasons but what what Cinch did for me

1100

00:47:58,730 --> 00:47:57,540

was the 15th chapter of Paul's first

1101

00:48:01,069 --> 00:47:58,740

letter to the Corinthians first

1102

00:48:05,120 --> 00:48:01,079

Corinthians 15 where he says to the

1103

00:48:07,730 --> 00:48:05,130

church at Corinth look this is what was

1104

00:48:08,809 --> 00:48:07,740

passed on to me and he goes through you

1105

00:48:10,970 --> 00:48:08,819

know this is what we believe as

1106

00:48:12,470 --> 00:48:10,980

Christians and that on the third day he

1107

00:48:16,220 --> 00:48:12,480

rose again and appeared first to Peter

1108

00:48:21,500 --> 00:48:16,230

and then to James James his half-brother

1109

00:48:23,210 --> 00:48:21,510

and into the 12th and then to 500

1110

00:48:25,690 --> 00:48:23,220

brothers at once some of whom have

1111

00:48:27,260 --> 00:48:25,700

fallen asleep but most are still alive

1112

00:48:29,000 --> 00:48:27,270

essentially what he was telling the

1113

00:48:32,059 --> 00:48:29,010

church at Corinth which is in Turkey

1114

00:48:33,920 --> 00:48:32,069

today was that there were a lot of

1115

00:48:36,859 --> 00:48:33,930

witnesses who saw this guy who had been

1116

00:48:38,539 --> 00:48:36,869

crucified and yet was alive again and

1117

00:48:40,760 --> 00:48:38,549

even though he was writing the letter 20

1118

00:48:42,380 --> 00:48:40,770

years later most of them were still

1119

00:48:44,780 --> 00:48:42,390

alive so if you don't believe me go to

1120

00:48:47,210 --> 00:48:44,790

Jerusalem and ask around because there

1121

00:48:49,940 --> 00:48:47,220

are witnesses still walking around who

1122

00:48:51,170 --> 00:48:49,950

saw this and can verifying what I what

1123

00:48:55,970 --> 00:48:51,180

I'm saying to you what I'm writing to

1124

00:48:57,440 --> 00:48:55,980

you that the and his half-brother James

1125

00:49:01,789 --> 00:48:57,450

his story the fact that he was martyred

1126
00:49:04,819 --> 00:49:01,799
in the year 67 ad you know Gospel of

1127
00:49:06,950 --> 00:49:04,829
John chapter 7 says genius and his

1128
00:49:08,290 --> 00:49:06,960
brother's good part pardon me for just

1129
00:49:09,940 --> 00:49:08,300
one second we're

1130
00:49:12,760 --> 00:49:09,950
are having an issue with our phone line

1131
00:49:14,500 --> 00:49:12,770
I'm using a different computer I do need

1132
00:49:16,120 --> 00:49:14,510
to answer this real quickly and you'll

1133
00:50:55,749 --> 00:49:16,130
be put on hold for just a second I'll be

1134
00:51:02,769 --> 00:50:59,949
all right Derek here you are okay um so

1135
00:51:04,689 --> 00:51:02,779
what happens I mean a um actually I

1136
00:51:08,099 --> 00:51:04,699
guess it didn't come through the Skype

1137
00:51:10,629 --> 00:51:08,109
is the phone call I'm in a hotel room so

1138
00:51:12,989 --> 00:51:10,639

I'm using a different computer and this

1139

00:51:14,979 --> 00:51:12,999

Skype is not allowing me to add calls

1140

00:51:18,999 --> 00:51:14,989

really apologize for that

1141

00:51:20,709 --> 00:51:19,009

so our caller did ask so I don't know

1142

00:51:22,829 --> 00:51:20,719

maybe there was a bunch of silence just

1143

00:51:25,929 --> 00:51:22,839

now on there the caller wanted to know

1144

00:51:29,019 --> 00:51:25,939

what your thoughts were on father AI do

1145

00:51:30,579 --> 00:51:29,029

Chi and his thoughts of extraterrestrial

1146

00:51:32,379 --> 00:51:30,589

life

1147

00:51:37,029 --> 00:51:32,389

I'm not familiar with father L do she

1148

00:51:40,059 --> 00:51:37,039

said Lea or father you talking about

1149

00:51:41,529 --> 00:51:40,069

Balducci the baby that's up I couldn't

1150

00:51:42,159 --> 00:51:41,539

quite understand what he said that's

1151

00:51:46,120 --> 00:51:42,169

probably it

1152

00:51:49,449 --> 00:51:46,130

yes okay yeah he's one of the

1153

00:51:51,699 --> 00:51:49,459

researchers with the the Vatican's the

1154

00:51:53,229 --> 00:51:51,709

Vatican Observatory well again I think

1155

00:51:55,389 --> 00:51:53,239

that the Vatican is trying to hedge its

1156

00:51:58,029 --> 00:51:55,399

bets yeah

1157

00:52:00,039 --> 00:51:58,039

and again the they've been open to the

1158

00:52:03,969 --> 00:52:00,049

possibility of extraterrestrial life for

1159

00:52:06,569 --> 00:52:03,979

a long time now I can't say that I agree

1160

00:52:10,179 --> 00:52:06,579

with their proposal that they would

1161

00:52:13,149 --> 00:52:10,189

baptize extraterrestrials should they

1162

00:52:15,359 --> 00:52:13,159

exist but again in that respect we're

1163

00:52:19,779 --> 00:52:15,369

getting into an area of theology that's

1164

00:52:23,229 --> 00:52:19,789

highly speculative and until we have

1165

00:52:25,239 --> 00:52:23,239

hard evidence that ET is actually exists

1166

00:52:28,629 --> 00:52:25,249

and are visiting on us and have some

1167

00:52:31,749 --> 00:52:28,639

interest in pursuing faith in Jesus

1168

00:52:36,189 --> 00:52:31,759

Christ well it's an interesting exercise

1169

00:52:38,019 --> 00:52:36,199

I would rather deal with what we know

1170

00:52:44,199 --> 00:52:38,029

and the evidence that we have in front

1171

00:52:46,299 --> 00:52:44,209

of us now it's it's a topic that my

1172

00:52:50,049 --> 00:52:46,309

colleague in fact my boss Tom Horn the

1173

00:52:51,370 --> 00:52:50,059

CEO of sky watch TV he has done some

1174

00:52:55,179 --> 00:52:51,380

research on he's the author of XO

1175

00:52:56,529 --> 00:52:55,189

katakana and has actually been down to

1176

00:52:58,569 --> 00:52:56,539

the Vatican Observatory and talked to

1177

00:53:01,329 --> 00:52:58,579

some of the folks connected with the

1178

00:53:03,669 --> 00:53:01,339

research so we took it in a different

1179

00:53:05,409 --> 00:53:03,679

direction because we felt Tom and the

1180

00:53:07,540 --> 00:53:05,419

late Chris Putnam is co-author really

1181

00:53:11,380 --> 00:53:07,550

covered that subject really well

1182

00:53:17,260 --> 00:53:11,390

now you've been mentioning Jesus Christ

1183

00:53:20,050 --> 00:53:17,270

a lot and so you're going back to a

1184

00:53:24,190 --> 00:53:20,060

couple thousand years you know mankind's

1185

00:53:29,530 --> 00:53:24,200

been around forever why do why do we

1186

00:53:33,450 --> 00:53:29,540

think that Jesus Christ existed or is

1187

00:53:38,650 --> 00:53:33,460

the end all to the way things should be

1188

00:53:39,400 --> 00:53:38,660

in the one God that you believe in well

1189

00:53:41,560 --> 00:53:39,410

it's a fair question

1190

00:53:42,910 --> 00:53:41,570

and again I come back to the eyewitness

1191

00:53:45,520 --> 00:53:42,920

testimony we've got the eyewitness

1192

00:53:46,990 --> 00:53:45,530

testimony of people who saw him lived

1193

00:53:53,140 --> 00:53:47,000

with them worked with him learned from

1194

00:53:55,840 --> 00:53:53,150

him the Gospels Matthew John were

1195

00:53:59,500 --> 00:53:55,850

disciples of his mark was a disciple of

1196

00:54:01,480 --> 00:53:59,510

Peter Luke was a historian who in the

1197

00:54:03,610 --> 00:54:01,490

beginning at the Gospel of Luke says

1198

00:54:04,810 --> 00:54:03,620

that he basically talked to people who'd

1199

00:54:06,250 --> 00:54:04,820

been involved with the movement since

1200

00:54:09,100 --> 00:54:06,260

the beginning and was very careful to

1201
00:54:10,150 --> 00:54:09,110
compile a an account and what had

1202
00:54:13,840 --> 00:54:10,160
happened so that others might believe

1203
00:54:16,480 --> 00:54:13,850
Luke also wrote the book of Acts and a

1204
00:54:19,630 --> 00:54:16,490
company did Paul on some of his travels

1205
00:54:21,640 --> 00:54:19,640
and again as Paul mentioned in his

1206
00:54:24,670 --> 00:54:21,650
letter to the church at Corinth you had

1207
00:54:26,460 --> 00:54:24,680
the the 500 witnesses some of whom he

1208
00:54:29,980 --> 00:54:26,470
said it died but most were still around

1209
00:54:31,150 --> 00:54:29,990
in in as I said in a sense telling the

1210
00:54:34,000 --> 00:54:31,160
church at Corinth if you don't believe

1211
00:54:35,620 --> 00:54:34,010
the story that I'm telling you there are

1212
00:54:40,720 --> 00:54:35,630
still witnesses walking around who saw

1213
00:54:42,280 --> 00:54:40,730

this guy rise from the dead so it's the

1214

00:54:43,600 --> 00:54:42,290

eyewitness testimony and again the fact

1215

00:54:45,220 --> 00:54:43,610

that those texts have been preserved

1216

00:54:47,320 --> 00:54:45,230

better than any other document from the

1217

00:54:49,090 --> 00:54:47,330

the classical world is the anchor point

1218

00:54:52,330 --> 00:54:49,100

for me I would find it really difficult

1219

00:54:54,280 --> 00:54:52,340

to accept that yes this guy walked on

1220

00:54:56,800 --> 00:54:54,290

water yes this guy performed these

1221

00:54:58,720 --> 00:54:56,810

miracles and cast out these demons and

1222

00:54:59,980 --> 00:54:58,730

did this that and the other thing if it

1223

00:55:01,210 --> 00:54:59,990

had not been for the eyewitness

1224

00:55:02,650 --> 00:55:01,220

testimony and the fact that the

1225

00:55:06,550 --> 00:55:02,660

eyewitnesses were then willing to die

1226
00:55:08,290 --> 00:55:06,560
for that testimony yes people will die

1227
00:55:12,520 --> 00:55:08,300
for their beliefs even if those beliefs

1228
00:55:13,240 --> 00:55:12,530
are wrong but people who are saying

1229
00:55:15,370 --> 00:55:13,250
anyway

1230
00:55:19,810 --> 00:55:15,380
aren't likely to die for something that

1231
00:55:20,859 --> 00:55:19,820
they know is a lie so unless all of the

1232
00:55:23,759 --> 00:55:20,869
Apostles

1233
00:55:27,579 --> 00:55:23,769
were really wrong about what they saw

1234
00:55:30,819 --> 00:55:27,589
and because the the record shows that -

1235
00:55:32,859 --> 00:55:30,829
all except John were martyred what big

1236
00:55:35,170 --> 00:55:32,869
lead and again as I started to say the

1237
00:55:37,630 --> 00:55:35,180
thing that sensitive for me was James

1238
00:55:40,359 --> 00:55:37,640

the half-brother of Jesus who in John

1239

00:55:42,279 --> 00:55:40,369

chapter 7 is one of the Brothers of

1240

00:55:44,799 --> 00:55:42,289

Jesus who confronted him and say hey

1241

00:55:46,269 --> 00:55:44,809

aren't you gonna go down to the festival

1242

00:55:47,559 --> 00:55:46,279

in Jerusalem because if you want to be

1243

00:55:49,269 --> 00:55:47,569

known you can't just keep preaching up

1244

00:55:52,569 --> 00:55:49,279

here and you know out in the sticks and

1245

00:55:55,900 --> 00:55:52,579

in Galilee for even his brothers did not

1246

00:55:57,609 --> 00:55:55,910

believe in him and yet about thirty-five

1247

00:55:59,920 --> 00:55:57,619

years later James was willing to be

1248

00:56:03,880 --> 00:55:59,930

martyred rather than recant his

1249

00:56:05,440 --> 00:56:03,890

testimony that Jesus was Messiah now why

1250

00:56:06,640 --> 00:56:05,450

would he do that I mean if my sister had

1251
00:56:09,569 --> 00:56:06,650
come to me one day and said hey before

1252
00:56:11,680 --> 00:56:09,579
Abraham was I am

1253
00:56:14,259 --> 00:56:11,690
Yeah right we'd be calling for medical

1254
00:56:17,019 --> 00:56:14,269
help and that's kind of the position

1255
00:56:20,279 --> 00:56:17,029
James and his brothers Jude and others

1256
00:56:23,289 --> 00:56:20,289
Simeon were in and yet something changed

1257
00:56:24,430 --> 00:56:23,299
between the time of the crucifixion and

1258
00:56:26,380 --> 00:56:24,440
the time when James was actually

1259
00:56:28,180 --> 00:56:26,390
martyred and it's known from Paul's

1260
00:56:30,729 --> 00:56:28,190
testimony and others that James was a

1261
00:56:34,269 --> 00:56:30,739
leader in the early church what changed

1262
00:56:37,079 --> 00:56:34,279
first Corinthians 15 the risen Jesus

1263
00:56:39,370 --> 00:56:37,089

appeared first to Peter then to James

1264

00:56:42,069 --> 00:56:39,380

that might change your worldview saying

1265

00:56:46,029 --> 00:56:42,079

your brother rise from the dead that's

1266

00:56:48,160 --> 00:56:46,039

what changed my own worldview hmm yeah I

1267

00:56:51,549 --> 00:56:48,170

don't know what to I'm just gonna stay

1268

00:56:54,460 --> 00:56:51,559

at agnostic when it comes to things like

1269

00:56:58,210 --> 00:56:54,470

that and this kind of the same way I

1270

00:57:03,460 --> 00:56:58,220

approach the UFO topic I try to be

1271

00:57:04,960 --> 00:57:03,470

anyway you know there's Christianity

1272

00:57:06,819 --> 00:57:04,970

he's been around for a couple thousand

1273

00:57:09,519 --> 00:57:06,829

years I already mentioned that humans

1274

00:57:12,220 --> 00:57:09,529

have been around for maybe two hundred

1275

00:57:15,370 --> 00:57:12,230

thousand there's it's questionable how

1276

00:57:18,999 --> 00:57:15,380

long maybe 300 maybe longer there's been

1277

00:57:21,309 --> 00:57:19,009

so many religions where they said this

1278

00:57:23,739 --> 00:57:21,319

is it this is it there's still religions

1279

00:57:26,309 --> 00:57:23,749

now around the world that this is the

1280

00:57:30,039 --> 00:57:26,319

right religion why do you think

1281

00:57:32,319 --> 00:57:30,049

Christianity is the only religion I mean

1282

00:57:34,480 --> 00:57:32,329

do you agree that other people have the

1283

00:57:37,000 --> 00:57:34,490

rights to practice their own religion

1284

00:57:39,730 --> 00:57:37,010

oh sure so that's the thing when God

1285

00:57:42,550 --> 00:57:39,740

created us all with freewill and that

1286

00:57:45,490 --> 00:57:42,560

includes the free well to do bad things

1287

00:57:47,650 --> 00:57:45,500

in fact that's the answer I think or an

1288

00:57:49,480 --> 00:57:47,660

answer anyway for why bad things happen

1289

00:57:54,190 --> 00:57:49,490

to good people God did not create us to

1290

00:57:56,140 --> 00:57:54,200

be automatons to only do according to

1291

00:57:59,410 --> 00:57:56,150

his will or only operate within a

1292

00:58:01,600 --> 00:57:59,420

certain range of actions you know I'll

1293

00:58:03,070 --> 00:58:01,610

let you swing your arm this far but I'm

1294

00:58:05,770 --> 00:58:03,080

gonna step in and stop you before you

1295

00:58:09,100 --> 00:58:05,780

hit someone else in the nose no he gave

1296

00:58:13,960 --> 00:58:09,110

us free will to choose and sadly a lot

1297

00:58:17,170 --> 00:58:13,970

of us choose to do bad things so and now

1298

00:58:21,580 --> 00:58:17,180

I'm not equating doing bad things with

1299

00:58:23,230 --> 00:58:21,590

choosing to believe in another god again

1300

00:58:25,260 --> 00:58:23,240

that's that's part of our creation God

1301

00:58:29,950 --> 00:58:25,270

created us all with freewill and then

1302

00:58:32,560 --> 00:58:29,960

since his death on in order to draw men

1303

00:58:35,560 --> 00:58:32,570

to him but again the choice is up to us

1304

00:58:38,650 --> 00:58:35,570

so when I talk about this with other

1305

00:58:40,800 --> 00:58:38,660

people I try not to be I get passionate

1306

00:58:43,120 --> 00:58:40,810

about it but try not to be too

1307

00:58:46,690 --> 00:58:43,130

overbearing about it because ultimately

1308

00:58:48,370 --> 00:58:46,700

I can't twist you anyone's arm I can't

1309

00:58:51,310 --> 00:58:48,380

you know take out a gun or use the point

1310

00:58:53,170 --> 00:58:51,320

of a sword which sadly has been done by

1311

00:58:55,900 --> 00:58:53,180

people in the name of Christ in the past

1312

00:58:58,690 --> 00:58:55,910

and there's no biblical support for that

1313

00:59:02,020 --> 00:58:58,700

let me point out I'm happy to share the

1314

00:59:03,340 --> 00:59:02,030

reasons I have faith in Jesus Christ and

1315

00:59:04,690 --> 00:59:03,350

the reasons for the hope that I have in

1316

00:59:06,460 --> 00:59:04,700

Christ which is part of our calling as

1317

00:59:08,770 --> 00:59:06,470

Christians but it is not up to me to

1318

00:59:11,680 --> 00:59:08,780

compel you and certainly not to try to

1319

00:59:15,490 --> 00:59:11,690

force you to choose that is up to you

1320

00:59:16,750 --> 00:59:15,500

that is your choice your decision so to

1321

00:59:18,670 --> 00:59:16,760

our Jewish brothers sisters Muslim

1322

00:59:23,260 --> 00:59:18,680

brothers and sisters Hindus Buddhists

1323

00:59:26,230 --> 00:59:23,270

Jains Shinto whatever you have the right

1324

00:59:27,520 --> 00:59:26,240

to choose but I'll be happy to share you

1325

00:59:29,620 --> 00:59:27,530

know if you want I'll be happy to share

1326

00:59:33,910 --> 00:59:29,630

the evidence now why do I believe Jesus

1327

00:59:35,740 --> 00:59:33,920

is the way because he said so I am the

1328

00:59:37,620 --> 00:59:35,750

way the truth and the life and no one

1329

00:59:42,609 --> 00:59:37,630

comes to the Father except through me

1330

00:59:44,920 --> 00:59:42,619

that's pretty clear it would be a lot

1331

00:59:45,820 --> 00:59:44,930

easier to be a Christian if we could do

1332

00:59:47,380 --> 00:59:45,830

like

1333

00:59:49,240 --> 00:59:47,390

in fact I just talked about this today

1334

00:59:52,120 --> 00:59:49,250

on Skywatch TV I do a daily news update

1335

00:59:55,210 --> 00:59:52,130

about 10-15 minutes in length American

1336

00:59:56,500 --> 00:59:55,220

church pastor in Chicago who and I'm

1337

00:59:58,090 --> 00:59:56,510

sure you heard the story and all the you

1338

01:00:00,850 --> 00:59:58,100

know the Fuhrer are from Christians when

1339

01:00:03,160 --> 01:00:00,860

Joy Behar on the view said that vice

1340

01:00:06,010 --> 01:00:03,170

president pence saying that he gets

1341

01:00:08,350 --> 01:00:06,020

messages or hears from Jesus is a sign

1342

01:00:10,690 --> 01:00:08,360

of insanity well a megachurch pastor at

1343

01:00:12,520 --> 01:00:10,700

a Christian Church in Chicago said that

1344

01:00:15,400 --> 01:00:12,530

the idea that Jesus is the only way to

1345

01:00:17,260 --> 01:00:15,410

heaven is insanity and this isn't a

1346

01:00:18,790 --> 01:00:17,270

fringe guy this is a guy who is an

1347

01:00:21,000 --> 01:00:18,800

adjunct professor at the Chicago

1348

01:00:25,900 --> 01:00:21,010

Theological Seminary he's also on the

1349

01:00:28,000 --> 01:00:25,910

he's a Dean and at the Duke University

1350

01:00:29,530 --> 01:00:28,010

Divinity School so this is not a fringe

1351

01:00:32,110 --> 01:00:29,540

guy this is a guy who pastors a church

1352

01:00:34,630 --> 01:00:32,120

of more than 10,000 members saying Jesus

1353

01:00:36,640 --> 01:00:34,640

isn't the only way well ok then what I

1354

01:00:39,400 --> 01:00:36,650

say is that you're not in any real sense

1355

01:00:41,290 --> 01:00:39,410

a Christian I'm sorry not you cannot

1356

01:00:44,740 --> 01:00:41,300

square that with Jesus own words I am

1357

01:00:46,150 --> 01:00:44,750

the way the truth and the life no like I

1358

01:00:48,910 --> 01:00:46,160

said it'd be a lot easier if we could

1359

01:00:53,380 --> 01:00:48,920

say he is a way but that's not what he

1360

01:00:56,140 --> 01:00:53,390

said do you explain that things

1361

01:00:58,180 --> 01:00:56,150

happening like the Crusades were you

1362

01:01:01,180 --> 01:00:58,190

know so many people were killed in the

1363

01:01:04,810 --> 01:01:01,190

name of Christianity and other you know

1364

01:01:09,760 --> 01:01:04,820

conflicts do you push that off as free

1365

01:01:11,020 --> 01:01:09,770

will of man as well free will but I mean

1366

01:01:12,490 --> 01:01:11,030

it you know free will is a very broad

1367

01:01:14,950 --> 01:01:12,500

topic it doesn't mean a good thing and

1368

01:01:16,720 --> 01:01:14,960

it's not excusing it certainly you know

1369

01:01:19,570 --> 01:01:16,730

the fact that somebody chooses to shoot

1370

01:01:21,100 --> 01:01:19,580

17 people in a school in Florida yeah

1371

01:01:23,200 --> 01:01:21,110

that's an example of free will it

1372

01:01:25,270 --> 01:01:23,210

doesn't excuse what he did

1373

01:01:28,210 --> 01:01:25,280

now the Crusades are a little more

1374

01:01:30,220 --> 01:01:28,220

nuanced than people like to like to

1375

01:01:31,960 --> 01:01:30,230

think there were a lot of bad things

1376

01:01:33,370 --> 01:01:31,970

that happen as the Crusaders got into

1377

01:01:35,410 --> 01:01:33,380

the Holy Land and started slaughtering

1378

01:01:37,150 --> 01:01:35,420

people you know innocents for no reason

1379

01:01:38,620 --> 01:01:37,160

and that is inexcusable and again

1380

01:01:43,390 --> 01:01:38,630

there's no biblical support for doing

1381

01:01:46,960 --> 01:01:43,400

that but the Crusades were in large

1382

01:01:49,180 --> 01:01:46,970

measure a response to the violent

1383

01:01:52,600 --> 01:01:49,190

expansion of Islam from the seventh

1384

01:01:53,890 --> 01:01:52,610

century on so you know there's some

1385

01:01:56,290 --> 01:01:53,900

political there's some geopolitical

1386

01:01:58,750 --> 01:01:56,300

stuff in there as well killing in the

1387

01:01:59,690 --> 01:01:58,760

name of Jesus though know that that's

1388

01:02:02,750 --> 01:01:59,700

never that's not

1389

01:02:06,859 --> 01:02:02,760

the vinyl has never it's not supported

1390

01:02:09,440 --> 01:02:06,869

anywhere yeah unfortunately in the name

1391

01:02:11,690 --> 01:02:09,450

of many religions there has been a lot

1392

01:02:15,620 --> 01:02:11,700

I think Christianity certainly has its

1393

01:02:17,839 --> 01:02:15,630

major share yeah so one of the things I

1394

01:02:20,720 --> 01:02:17,849

noticed that you had some talking points

1395

01:02:22,220 --> 01:02:20,730

that you send my way but before that

1396

01:02:23,960 --> 01:02:22,230

there is a question in chat someone

1397

01:02:26,599 --> 01:02:23,970

wanted me to get to actually was the

1398

01:02:29,120 --> 01:02:26,609

caller I set a second question by him

1399

01:02:32,510 --> 01:02:29,130

and he wanted to know what your thoughts

1400

01:02:34,520 --> 01:02:32,520

on ETS holding religion or Dogma so high

1401

01:02:36,260 --> 01:02:34,530

as humans - do you think that's a

1402

01:02:38,089 --> 01:02:36,270

possibility first of all you already

1403

01:02:40,010 --> 01:02:38,099

said you don't believe there is ETS

1404

01:02:42,730 --> 01:02:40,020

right but if there were or let's

1405

01:02:45,410 --> 01:02:42,740

hypothetically if there were ETS well

1406

01:02:46,819 --> 01:02:45,420

you know like like politicians I don't

1407

01:02:50,030 --> 01:02:46,829

like to answer hypotheticals cuz they

1408

01:02:52,220 --> 01:02:50,040

always come back to bite you and but but

1409

01:02:56,329 --> 01:02:52,230

but let me say this one of the things

1410

01:02:58,609 --> 01:02:56,339

that we hear from from contactees

1411

01:03:01,640 --> 01:02:58,619

we often hear messages from contactees

1412

01:03:02,870 --> 01:03:01,650

that have religious themes and that's

1413

01:03:05,480 --> 01:03:02,880

one of the things that we explored in

1414

01:03:10,220 --> 01:03:05,490

the book in fact i make the case of the

1415

01:03:12,319 --> 01:03:10,230

book and Josh as well you know Josh did

1416

01:03:15,650 --> 01:03:12,329

more of the the more recent stuff

1417

01:03:18,740 --> 01:03:15,660

looking at the the WikiLeaks release of

1418

01:03:21,880 --> 01:03:18,750

John Podesta see males between the

1419

01:03:23,780 --> 01:03:21,890

Apollo astronaut dr. Edgar Mitchell and

1420

01:03:25,819 --> 01:03:23,790

Podesta who was Hillary Clinton's

1421

01:03:29,210 --> 01:03:25,829

campaign chair trying to make contact

1422

01:03:31,280 --> 01:03:29,220

with Barack Obama and the reason

1423

01:03:35,390 --> 01:03:31,290

Mitchell wanted to contact the president

1424

01:03:38,030 --> 01:03:35,400

was to pass along offers from what he

1425

01:03:40,370 --> 01:03:38,040

called extraterrestrials from the

1426

01:03:41,900 --> 01:03:40,380

contiguous universe you know a

1427

01:03:44,000 --> 01:03:41,910

neighboring universe again the

1428

01:03:48,740 --> 01:03:44,010

extra-dimensional hypothesis apparently

1429

01:03:49,960 --> 01:03:48,750

in view there and dr. Mitchell as the

1430

01:03:54,260 --> 01:03:49,970

co-founder the Institute of noetic

1431

01:03:56,990 --> 01:03:54,270

Sciences has a long history in looking

1432

01:04:00,170 --> 01:03:57,000

for scientific tools to try to

1433

01:04:04,250 --> 01:04:00,180

understand the supernatural realm so for

1434

01:04:07,700 --> 01:04:04,260

him this was a spiritual quest as well

1435

01:04:10,660 --> 01:04:07,710

as a scientific quest and the messages

1436

01:04:14,599 --> 01:04:10,670

that he was receiving from these

1437

01:04:15,769 --> 01:04:14,609

entity piece and I'm not and I believe

1438

01:04:17,029 --> 01:04:15,779

he was hearing from something I just

1439

01:04:20,930 --> 01:04:17,039

don't think they were what he thinks

1440

01:04:22,640 --> 01:04:20,940

they were had some spiritual and

1441

01:04:24,859 --> 01:04:22,650

religious overtones one group that he in

1442

01:04:26,989 --> 01:04:24,869

fact called Celestials while Celestials

1443

01:04:32,959 --> 01:04:26,999

is a word that shows up in the New

1444

01:04:36,680 --> 01:04:32,969

Testament where some Gnostic believers

1445

01:04:41,089 --> 01:04:36,690

were criticized by both Peter and Jude

1446

01:04:43,759 --> 01:04:41,099

in their letters for blaspheming the

1447

01:04:45,229 --> 01:04:43,769

celestial ones so what are we talking

1448

01:04:49,910 --> 01:04:45,239

about here are we talking about angelic

1449

01:04:51,229 --> 01:04:49,920

beings possibly could it be that dr.

1450

01:04:53,509 --> 01:04:51,239

Mitchell was talking about angelic

1451

01:04:59,420 --> 01:04:53,519

beings certainly his colleague Terry

1452

01:05:04,489 --> 01:04:59,430

main thought so but are they loyal to

1453

01:05:06,440 --> 01:05:04,499

God and if so which God my previous book

1454

01:05:08,719 --> 01:05:06,450

the great inception I make the case that

1455

01:05:11,660 --> 01:05:08,729

the gods small G gods of the Old

1456

01:05:14,950 --> 01:05:11,670

Testament such as Moloch tomash Dagon

1457

01:05:17,150 --> 01:05:14,960

Asherah Bale etc were real entities

1458

01:05:18,829 --> 01:05:17,160

fallen angels if you will but gods

1459

01:05:21,849 --> 01:05:18,839

nonetheless God in the Bible calls them

1460

01:05:23,779 --> 01:05:21,859

gods so we're dealing with a

1461

01:05:25,099 --> 01:05:23,789

supernatural realm of spiritual realm

1462

01:05:26,559 --> 01:05:25,109

that's more heavily populated than most

1463

01:05:30,829 --> 01:05:26,569

of us Christians have been taught to

1464

01:05:31,999 --> 01:05:30,839

which kind of doesn't help us when it

1465

01:05:34,430 --> 01:05:32,009

comes to trying when it comes to trying

1466

01:05:35,900 --> 01:05:34,440

to understand what dr. Mitchell is

1467

01:05:38,749 --> 01:05:35,910

talking about what other contact ISA

1468

01:05:40,309 --> 01:05:38,759

have been talking about but we hear from

1469

01:05:42,799 --> 01:05:40,319

other contactees who hear from groups

1470

01:05:45,680 --> 01:05:42,809

that identify themselves as things like

1471

01:05:47,809 --> 01:05:45,690

the ashtar command or you know going

1472

01:05:49,519 --> 01:05:47,819

back to Helena Blavatsky the great white

1473

01:05:52,809 --> 01:05:49,529

Brotherhood the Masters of ascended

1474

01:05:55,729 --> 01:05:52,819

wisdom entities intelligences that live

1475

01:05:57,640 --> 01:05:55,739

outside the solar system or at least off

1476

01:06:00,380 --> 01:05:57,650

planet that had come from other worlds

1477

01:06:05,359 --> 01:06:00,390

and they very often are bringing

1478

01:06:07,549 --> 01:06:05,369

messages about how mankind is to evolve

1479

01:06:09,680 --> 01:06:07,559

and that they're there to offer us their

1480

01:06:11,209 --> 01:06:09,690

help in so doing certainly that's what

1481

01:06:13,249 --> 01:06:11,219

dr. dr. Mitchell believed that there

1482

01:06:14,420 --> 01:06:13,259

were tools and technologies that they

1483

01:06:16,370 --> 01:06:14,430

were willing to offer us such as

1484

01:06:18,829 --> 01:06:16,380

zero-point energy if we could show that

1485

01:06:21,049 --> 01:06:18,839

we would not be violent and take our

1486

01:06:23,990 --> 01:06:21,059

violent ways out into the into the

1487

01:06:26,660 --> 01:06:24,000

universe so

1488

01:06:29,990 --> 01:06:26,670

there are often messages from these

1489

01:06:33,260 --> 01:06:30,000

entities that deal with matters that I

1490

01:06:36,470 --> 01:06:33,270

we can call spiritual and yet they're

1491

01:06:38,120 --> 01:06:36,480

often contradictory even their points of

1492

01:06:40,520 --> 01:06:38,130

origin or are contradictory they they

1493

01:06:42,230 --> 01:06:40,530

seem to or originated from from

1494

01:06:45,290 --> 01:06:42,240

different places from contact eating

1495

01:06:49,190 --> 01:06:45,300

contact II and one of the things I've

1496

01:06:53,860 --> 01:06:49,200

mentioned in the book is that when you

1497

01:06:58,360 --> 01:06:53,870

look at the the the theory itself of

1498

01:07:01,340 --> 01:06:58,370

ancient astronauts in ancient aliens

1499

01:07:04,970 --> 01:07:01,350

you can draw you you can see that the

1500

01:07:07,310 --> 01:07:04,980

inspiration for the hypothesis that the

1501

01:07:10,730 --> 01:07:07,320

the gods of the ancient world or the the

1502

01:07:13,520 --> 01:07:10,740

angels of the ancient world were nothing

1503

01:07:16,400 --> 01:07:13,530

more than visitors from other worlds

1504

01:07:17,990 --> 01:07:16,410

with far superior technology comes right

1505

01:07:20,540 --> 01:07:18,000

out of the occult teachings of the 19th

1506

01:07:27,500 --> 01:07:20,550

century : Hellena Pulaski and Aleister

1507

01:07:29,420 --> 01:07:27,510

Crowley right yeah I I did see a little

1508

01:07:31,310 --> 01:07:29,430

bit of that in your book I was reading

1509

01:07:36,760 --> 01:07:31,320

that here's a here's a interesting

1510

01:07:40,430 --> 01:07:36,770

question in the chat say ETS were proven

1511

01:07:41,960 --> 01:07:40,440

that they did exist and you mentioned

1512

01:07:45,140 --> 01:07:41,970

earlier that you could still keep your

1513

01:07:47,420 --> 01:07:45,150

faith sure the second part of the

1514

01:07:50,030 --> 01:07:47,430

question how then would you reconcile

1515

01:07:52,730 --> 01:07:50,040

the crucifixion and resurrection with

1516

01:07:57,310 --> 01:07:52,740

that in other words do you think that

1517

01:08:01,340 --> 01:07:57,320

they would happen on other worlds also

1518

01:08:02,810 --> 01:08:01,350

in other words why would we if if ETS

1519

01:08:04,420 --> 01:08:02,820

are out there and there's like billions

1520

01:08:08,600 --> 01:08:04,430

of planets with ETS

1521

01:08:10,700 --> 01:08:08,610

ET ice as you call them does each world

1522

01:08:13,070 --> 01:08:10,710

have its own Jesus and crucifixion and

1523

01:08:14,330 --> 01:08:13,080

resurrection well you know obviously we

1524

01:08:16,749 --> 01:08:14,340

have no way to know that answer I mean

1525

01:08:18,800 --> 01:08:16,759

the Bible doesn't tell us and there's no

1526

01:08:22,249 --> 01:08:18,810

solid evidence that's one way or the

1527

01:08:23,420 --> 01:08:22,259

other that that exists anywhere else I

1528

01:08:26,900 --> 01:08:23,430

mean that is an interesting thought

1529

01:08:28,400 --> 01:08:26,910

problem and it's one that theologians

1530

01:08:31,190 --> 01:08:28,410

have wrestled with Believe It or Not for

1531

01:08:32,749 --> 01:08:31,200

well centuries I mean if there were ETS

1532

01:08:34,220 --> 01:08:32,759

on another planet would they have to

1533

01:08:35,780 --> 01:08:34,230

have their own Savior which Jesus had to

1534

01:08:36,579 --> 01:08:35,790

die again and again and again for all of

1535

01:08:38,320 --> 01:08:36,589

it

1536

01:08:39,880 --> 01:08:38,330

don't know oh that's why I tend to

1537

01:08:41,650 --> 01:08:39,890

believe that if that were the case God

1538

01:08:44,800 --> 01:08:41,660

probably would have told us in his word

1539

01:08:47,950 --> 01:08:44,810

that's why I don't personally believe we

1540

01:08:50,320 --> 01:08:47,960

are ever going to see a true disclosure

1541

01:08:52,450 --> 01:08:50,330

movement and I should point out that the

1542

01:08:54,099 --> 01:08:52,460

the website for the book by the way

1543

01:08:56,380 --> 01:08:54,109

where we've got an offer on the book and

1544

01:08:58,210 --> 01:08:56,390

a variety of other products over three

1545

01:09:00,490 --> 01:08:58,220

hundred dollars worth of video and book

1546

01:09:02,140 --> 01:09:00,500

product for just \$39 is official

1547

01:09:04,270 --> 01:09:02,150

disclosure com

1548

01:09:08,320 --> 01:09:04,280

so if you go there it's cheaper than

1549

01:09:09,910 --> 01:09:08,330

Amazon official disclosure com I don't

1550

01:09:12,250 --> 01:09:09,920

think we're going to see official

1551

01:09:15,610 --> 01:09:12,260

disclosure because I don't think there's

1552

01:09:17,470 --> 01:09:15,620

anything officially to disclose and I

1553

01:09:19,720 --> 01:09:17,480

approach this a couple of ways first of

1554

01:09:25,890 --> 01:09:19,730

all I don't think we've got hard

1555

01:09:28,380 --> 01:09:25,900

evidence of actual confirmable

1556

01:09:33,610 --> 01:09:28,390

extraterrestrial presence on the planet

1557

01:09:35,890 --> 01:09:33,620

secondly I think that if and again I

1558

01:09:38,020 --> 01:09:35,900

will say that Josh and I do conclude

1559

01:09:40,480 --> 01:09:38,030

that we have been visited by inhuman

1560

01:09:43,240 --> 01:09:40,490

entities for literally thousands of

1561

01:09:44,470 --> 01:09:43,250

years but again if we look at it from

1562

01:09:47,650 --> 01:09:44,480

the standpoint of the extra-dimensional

1563

01:09:49,990 --> 01:09:47,660

hypothesis well then we're talking about

1564

01:09:52,059 --> 01:09:50,000

the possibility that these entities are

1565

01:10:00,010 --> 01:09:52,069

the Fallen Angels that the Bible tells

1566

01:10:01,660 --> 01:10:00,020

us about if the the promise of official

1567

01:10:05,020 --> 01:10:01,670

disclosure right around the corner is of

1568

01:10:05,760 --> 01:10:05,030

any use to these rebels against the

1569

01:10:08,410 --> 01:10:05,770

Creator

1570

01:10:11,800 --> 01:10:08,420

then I think they're gonna get more use

1571

01:10:13,270 --> 01:10:11,810

out of that promise by keeping that

1572

01:10:15,600 --> 01:10:13,280

carrot out in front of the horse and

1573

01:10:18,490 --> 01:10:15,610

never letting the horse catch up to it

1574

01:10:20,200 --> 01:10:18,500

it's like when you go see a monster film

1575

01:10:22,410 --> 01:10:20,210

they they reveal the monster too soon it

1576

01:10:25,150 --> 01:10:22,420

loses its impact

1577

01:10:29,200 --> 01:10:25,160

you know if the monsters always just

1578

01:10:33,250 --> 01:10:29,210

off-screen just you know the shadow just

1579

01:10:36,730 --> 01:10:33,260

the you know the anticipation is is kept

1580

01:10:38,800 --> 01:10:36,740

up far longer into the thermal I think

1581

01:10:42,130 --> 01:10:38,810

the the promise of official disclosure

1582

01:10:44,460 --> 01:10:42,140

is more useful and again this is my

1583

01:10:46,840 --> 01:10:44,470

hypothesis as a as a Christian but I

1584

01:10:48,350 --> 01:10:46,850

think it's more useful to these entities

1585

01:10:50,899 --> 01:10:48,360

that have been visiting earth

1586

01:10:54,439 --> 01:10:50,909

then actually revealing what they've got

1587

01:10:56,990 --> 01:10:54,449

because once we saw the actual evidence

1588

01:11:01,430 --> 01:10:57,000

we'd be I don't think we'd be as

1589

01:11:05,570 --> 01:11:01,440

impressed as some folks think we would

1590

01:11:09,740 --> 01:11:05,580

be well you know there may be it may be

1591

01:11:12,530 --> 01:11:09,750

a letdown to some but it would really

1592

01:11:14,540 --> 01:11:12,540

depend on in my opinion this is my

1593

01:11:16,939 --> 01:11:14,550

opinion I guess it really depends on

1594

01:11:19,160 --> 01:11:16,949

what type of communication we had with

1595

01:11:21,560 --> 01:11:19,170

whatever they are you know in other

1596

01:11:24,410 --> 01:11:21,570

words do they know something that we

1597

01:11:26,689 --> 01:11:24,420

don't know about the three questions you

1598

01:11:28,459 --> 01:11:26,699

mentioned earlier you know where do we

1599

01:11:30,800 --> 01:11:28,469

come from where we go when we die and

1600

01:11:34,850 --> 01:11:30,810

why we here whatever I can't remember

1601
01:11:37,939 --> 01:11:34,860
but those missions yeah those questions

1602
01:11:41,450 --> 01:11:37,949
you know if they actually knew or had an

1603
01:11:44,060 --> 01:11:41,460
idea what those what those answers were

1604
01:11:45,859 --> 01:11:44,070
we had a lot of contact is sure and a

1605
01:11:48,229 --> 01:11:45,869
lot of contact these have said that they

1606
01:11:50,270 --> 01:11:48,239
they had been getting answers like that

1607
01:11:52,850 --> 01:11:50,280
from these entities and of course they

1608
01:11:54,200 --> 01:11:52,860
never seem to track with the Bible or

1609
01:11:59,780 --> 01:11:54,210
I've not at least heard of any that

1610
01:12:01,760 --> 01:11:59,790
track with the Bible in terms of you

1611
01:12:03,080 --> 01:12:01,770
know the the path to salvation and again

1612
01:12:04,550 --> 01:12:03,090
it comes down to that one you know

1613
01:12:06,800 --> 01:12:04,560

sticking point there where Jesus says

1614

01:12:12,140 --> 01:12:06,810

you know he's the only way you don't get

1615

01:12:14,660 --> 01:12:12,150

that message from contactees so that's

1616

01:12:17,959 --> 01:12:14,670

that's why I think it's it's more useful

1617

01:12:19,540 --> 01:12:17,969

to them to keep dangling the the promise

1618

01:12:23,000 --> 01:12:19,550

of evidence out there without actually

1619

01:12:25,580 --> 01:12:23,010

disclosing it there are people again who

1620

01:12:27,530 --> 01:12:25,590

I am sure are hearing from entities

1621

01:12:29,450 --> 01:12:27,540

there are people I'm sure who are seeing

1622

01:12:30,770 --> 01:12:29,460

that insight again John I should I make

1623

01:12:34,669 --> 01:12:30,780

it clear in the book that we don't deny

1624

01:12:38,060 --> 01:12:34,679

that things are going on just based on

1625

01:12:40,879 --> 01:12:38,070

the evidence it may not be what people

1626

01:12:42,859 --> 01:12:40,889

think it is and I think it comes down to

1627

01:12:46,209 --> 01:12:42,869

the ability to corroborate some of these

1628

01:12:51,260 --> 01:12:46,219

things you know dr. Greer for all of his

1629

01:12:57,560 --> 01:12:51,270

sincerity has not produced anything yet

1630

01:12:58,970 --> 01:12:57,570

that is on the order of say a dead man

1631

01:13:02,119 --> 01:12:58,980

coming back and appearing do you know

1632

01:13:05,149 --> 01:13:02,129

hundreds of people in a single time

1633

01:13:08,329 --> 01:13:05,159

you know somebody that that people saw

1634

01:13:10,219 --> 01:13:08,339

in a very public way expire give up the

1635

01:13:11,949 --> 01:13:10,229

ghost and spend you know three days in a

1636

01:13:15,250 --> 01:13:11,959

tomb

1637

01:13:18,849 --> 01:13:15,260

so until something like that happens

1638

01:13:21,589 --> 01:13:18,859

we're depending on the testimony of

1639

01:13:23,359 --> 01:13:21,599

generally speaking I mean there are some

1640

01:13:25,699 --> 01:13:23,369

examples some some exceptions to this

1641

01:13:27,469 --> 01:13:25,709

for example Fatima is one magic or yes

1642

01:13:29,449 --> 01:13:27,479

another where you know multitudes of

1643

01:13:31,099 --> 01:13:29,459

people will see the you know similar

1644

01:13:33,949 --> 01:13:31,109

things at the same time but it comes to

1645

01:13:36,589 --> 01:13:33,959

specific messages about who these

1646

01:13:41,089 --> 01:13:36,599

visitors are and what they want to offer

1647

01:13:43,699 --> 01:13:41,099

to us or what they want from us we never

1648

01:13:45,559 --> 01:13:43,709

hear from more than one or two at a time

1649

01:13:49,309 --> 01:13:45,569

and again often the stories are

1650

01:13:52,239 --> 01:13:49,319

contradictory the question I have is if

1651

01:13:54,589 --> 01:13:52,249

these entities are truly that advanced

1652

01:13:55,579 --> 01:13:54,599

why can't they reach out to more than

1653

01:13:58,750 --> 01:13:55,589

one person at a time

1654

01:14:01,790 --> 01:13:58,760

why is the contact almost always

1655

01:14:04,339 --> 01:14:01,800

telepathic spiritual in other words you

1656

01:14:05,719 --> 01:14:04,349

know I mean I'm using a webcam I'm not

1657

01:14:07,819 --> 01:14:05,729

certainly a technical genius

1658

01:14:12,619 --> 01:14:07,829

well I can't they use a webcam and send

1659

01:14:16,069 --> 01:14:12,629

up a flare you know use this boom there

1660

01:14:18,919 --> 01:14:16,079

was a case several years ago at the

1661

01:14:21,739 --> 01:14:18,929

Coronado hotel out in California where

1662

01:14:24,079 --> 01:14:21,749

there's supposedly was several people

1663

01:14:27,770 --> 01:14:24,089

that claimed that they were all abducted

1664

01:14:31,339 --> 01:14:27,780

at the same time you know and you know I

1665

01:14:35,359 --> 01:14:31,349

I have been a lot of times on the fence

1666

01:14:39,349 --> 01:14:35,369

about you know abductions I just don't

1667

01:14:42,589 --> 01:14:39,359

know but I also am open-minded to the

1668

01:14:45,259 --> 01:14:42,599

fact that it possibly is happening it

1669

01:14:47,689 --> 01:14:45,269

just seems to me that it's kind of

1670

01:14:50,389 --> 01:14:47,699

bizarre that there'd be so many you know

1671

01:14:52,129 --> 01:14:50,399

possibly millions of people coming

1672

01:14:53,599 --> 01:14:52,139

through and I think in your book

1673

01:14:56,540 --> 01:14:53,609

somewhere are you mentioned why would

1674

01:15:00,290 --> 01:14:56,550

they keep coming back maybe that was

1675

01:15:02,329 --> 01:15:00,300

about something else that was actually

1676

01:15:05,270 --> 01:15:02,339

why are the UFOs keep coming back is

1677

01:15:07,520 --> 01:15:05,280

that right is that right well the I

1678

01:15:09,559 --> 01:15:07,530

think the question is you know why if

1679

01:15:13,459 --> 01:15:09,569

these are advanced entities and they're

1680

01:15:14,370 --> 01:15:13,469

doing something to these contactees many

1681

01:15:16,310 --> 01:15:14,380

of whom are

1682

01:15:19,070 --> 01:15:16,320

clearly traumatized by what they

1683

01:15:20,939 --> 01:15:19,080

experienced if these are truly advanced

1684

01:15:22,320 --> 01:15:20,949

entities you would think that they would

1685

01:15:25,560 --> 01:15:22,330

be able to detect the fact that they are

1686

01:15:28,379 --> 01:15:25,570

inflicting trauma upon these these

1687

01:15:33,620 --> 01:15:28,389

contact these and abductors certainly

1688

01:15:36,990 --> 01:15:33,630

when we abduct a lower life-form for

1689

01:15:39,570 --> 01:15:37,000

experimentation in a laboratory okay we

1690

01:15:43,590 --> 01:15:39,580

can tell when we're inflicting trauma on

1691

01:15:45,840 --> 01:15:43,600

a guinea pig or on a monkey we can take

1692

01:15:47,250 --> 01:15:45,850

up that's why there are animal rights

1693

01:15:50,550 --> 01:15:47,260

detectives to get very upset about

1694

01:15:53,820 --> 01:15:50,560

experimenting on the animals if these

1695

01:15:55,680 --> 01:15:53,830

entities are as advanced as we would

1696

01:15:57,990 --> 01:15:55,690

like to think they are and clearly must

1697

01:16:00,419 --> 01:15:58,000

be in order to you know if they did in

1698

01:16:04,020 --> 01:16:00,429

fact cross the vast gulf of space to get

1699

01:16:05,910 --> 01:16:04,030

here why they keep hurting people why do

1700

01:16:09,870 --> 01:16:05,920

the people who've been through this

1701

01:16:14,910 --> 01:16:09,880

experience find themselves well as dr.

1702

01:16:16,410 --> 01:16:14,920

John Mack pointed out you do study with

1703

01:16:17,939 --> 01:16:16,420

so many points of correlation something

1704

01:16:21,629 --> 01:16:17,949

like more than two dozen I think three

1705

01:16:22,979 --> 01:16:21,639

dozen points of correlation between the

1706

01:16:28,350 --> 01:16:22,989

accounts of abductees and the accounts

1707

01:16:29,910 --> 01:16:28,360

of people who had been rigidly abused at

1708

01:16:33,020 --> 01:16:29,920

some point you would think that they was

1709

01:16:35,010 --> 01:16:33,030

a okay we're hurting these these things

1710

01:16:36,479 --> 01:16:35,020

and maybe they don't consider it

1711

01:16:38,479 --> 01:16:36,489

attention maybe they don't care I don't

1712

01:16:42,840 --> 01:16:38,489

know but that again that speaks to their

1713

01:16:44,340 --> 01:16:42,850

nature and perhaps to their intent and

1714

01:16:46,800 --> 01:16:44,350

again one of the things I really

1715

01:16:48,689 --> 01:16:46,810

influential reading check didn't talk to

1716

01:16:50,669 --> 01:16:48,699

him very long at the Roswell conference

1717

01:16:52,140 --> 01:16:50,679

but I did read his book and listened to

1718

01:16:54,540 --> 01:16:52,150

a number of introduce it he's that he's

1719

01:16:58,800 --> 01:16:54,550

given the Jack Brewer book the greys

1720

01:17:01,890 --> 01:16:58,810

have been framed is a really serious and

1721

01:17:04,379 --> 01:17:01,900

hard look at the way abductees are

1722

01:17:07,320 --> 01:17:04,389

treated in the UFO community and it

1723

01:17:09,959 --> 01:17:07,330

really changed my view shifted my view

1724

01:17:11,729 --> 01:17:09,969

on the abduction phenomena I believe

1725

01:17:15,919 --> 01:17:11,739

it's real again I just don't think it is

1726

01:17:21,899 --> 01:17:15,929

what most in the community think it is

1727

01:17:25,110 --> 01:17:21,909

so if so you actually think that the

1728

01:17:26,760 --> 01:17:25,120

disclosure going back to that you

1729

01:17:28,050 --> 01:17:26,770

actually think that is being controlled

1730

01:17:31,200 --> 01:17:28,060

by

1731

01:17:34,230 --> 01:17:31,210

whatever the entities are that are

1732

01:17:36,840 --> 01:17:34,240

showing up here is that did I catch that

1733

01:17:38,010 --> 01:17:36,850

right well it to a degree I mean again

1734

01:17:41,370 --> 01:17:38,020

that's I'm just trying to figure out a

1735

01:17:42,870 --> 01:17:41,380

hey I have a hypothesis here I think the

1736

01:17:45,090 --> 01:17:42,880

belief that the government controls all

1737

01:17:47,430 --> 01:17:45,100

this information and is just not wanting

1738

01:17:48,480 --> 01:17:47,440

to let it out I think that maybe getting

1739

01:17:51,600 --> 01:17:48,490

the government a little too much credit

1740

01:17:55,290 --> 01:17:51,610

for what it actually knows or what it

1741

01:17:58,820 --> 01:17:55,300

thinks it knows I think that this

1742

01:18:02,580 --> 01:17:58,830

deception and I'll use that word

1743

01:18:04,260 --> 01:18:02,590

purposely this deception that we're

1744

01:18:05,580 --> 01:18:04,270

being visited by extraterrestrial

1745

01:18:07,590 --> 01:18:05,590

entities because again I don't think

1746

01:18:14,190 --> 01:18:07,600

their extraterrestrial extra-dimensional

1747

01:18:16,980 --> 01:18:14,200

yeah I can I can buy that is useful if

1748

01:18:19,740 --> 01:18:16,990

we hypothesize extra dimensional

1749

01:18:21,780 --> 01:18:19,750

entities that have a specific agenda in

1750

01:18:23,910 --> 01:18:21,790

mind and if these extra dimensional

1751

01:18:25,500 --> 01:18:23,920

entities are or what we as Christians

1752

01:18:27,540 --> 01:18:25,510

would call fallen angels

1753

01:18:30,570 --> 01:18:27,550

well what would their agenda be it's to

1754

01:18:32,250 --> 01:18:30,580

get people to believe anything but that

1755

01:18:34,080 --> 01:18:32,260

one thing that I talked about earlier

1756

01:18:36,390 --> 01:18:34,090

which is you know faith in Jesus Christ

1757

01:18:41,250 --> 01:18:36,400

so they don't really care if you believe

1758

01:18:45,330 --> 01:18:41,260

in Allah or in zeta-reticulans

1759

01:18:47,870 --> 01:18:45,340

or or whatever or you know as long as

1760

01:18:50,130 --> 01:18:47,880

it's not the one thing they're good and

1761

01:18:54,240 --> 01:18:50,140

I think as you look at the history of

1762

01:18:56,010 --> 01:18:54,250

the UFO phenomenon and how the craft the

1763

01:19:01,260 --> 01:18:56,020

types of craft that witnesses have seen

1764

01:19:04,230 --> 01:19:01,270

had changed over years to where it seems

1765

01:19:07,440 --> 01:19:04,240

to match the the culture so that people

1766

01:19:08,580 --> 01:19:07,450

seeing an unidentified flying ship would

1767

01:19:10,830 --> 01:19:08,590

relate it to something that they were

1768

01:19:12,600 --> 01:19:10,840

familiar with the the Texas you have

1769

01:19:15,230 --> 01:19:12,610

both laugh from the 1890s they were

1770

01:19:17,040 --> 01:19:15,240

seeing airships flying airships

1771

01:19:20,640 --> 01:19:17,050

Alexander the Great in the fourth

1772

01:19:23,340 --> 01:19:20,650

century BC saw flying shield the modern

1773

01:19:24,720 --> 01:19:23,350

flying saucer phenomenon when you look

1774

01:19:26,220 --> 01:19:24,730

at the sketch that Kenneth Arnold true

1775

01:19:28,260 --> 01:19:26,230

and Kenneth Arnold sighting was really

1776

01:19:31,350 --> 01:19:28,270

the first major sighting of the post-war

1777

01:19:32,970 --> 01:19:31,360

era he didn't actually describe him as

1778

01:19:37,500 --> 01:19:32,980

looking like saucers they looked a

1779

01:19:39,480 --> 01:19:37,510

little more like flying wings which was

1780

01:19:41,430 --> 01:19:39,490

a type of aircraft that the United

1781

01:19:45,540 --> 01:19:41,440

States and Germany were experi

1782

01:19:47,130 --> 01:19:45,550

menteng with in the 40s in fact it's the

1783

01:19:49,380 --> 01:19:47,140

shape of some of our more modern

1784

01:19:51,840 --> 01:19:49,390

aircraft that are flying today and

1785

01:19:55,080 --> 01:19:51,850

stealth aircraft and stealth bomber but

1786

01:19:56,670 --> 01:19:55,090

he said that they moved like and I'm

1787

01:19:58,020 --> 01:19:56,680

sure you know this son Martin and moved

1788

01:20:00,209 --> 01:19:58,030

like saucers being skipped across the

1789

01:20:01,740 --> 01:20:00,219

water and hence we get flying saucers

1790

01:20:06,090 --> 01:20:01,750

and suddenly everybody seen these round

1791

01:20:07,890 --> 01:20:06,100

saucer shaped things so I think the

1792

01:20:10,500 --> 01:20:07,900

enemy and I'll use that word is no

1793

01:20:13,920 --> 01:20:10,510

capital e enemy these fallen angels and

1794

01:20:15,510 --> 01:20:13,930

again this is my hypothesis with the

1795

01:20:17,420 --> 01:20:15,520

evidence that we have available to us if

1796

01:20:20,370 --> 01:20:17,430

they are in fact responsible for these

1797

01:20:25,410 --> 01:20:20,380

extra dimensional incursions into our

1798

01:20:29,640 --> 01:20:25,420

realm choose whatever shape or form

1799

01:20:32,760 --> 01:20:29,650

would prove most useful to their to

1800

01:20:35,160 --> 01:20:32,770

their storyline perpetuity promoting

1801

01:20:37,459 --> 01:20:35,170

their narrative which is that we're

1802

01:20:40,340 --> 01:20:37,469

being just extra-terrestrial

1803

01:20:43,860 --> 01:20:40,350

intelligences who were in fact our

1804

01:20:45,750 --> 01:20:43,870

creators and now they're back to help us

1805

01:20:49,760 --> 01:20:45,760

evolve to the next level of our

1806

01:20:52,229 --> 01:20:49,770

development just to let you know the

1807

01:20:56,070 --> 01:20:52,239

Alexander the Great you know flying

1808

01:20:59,520 --> 01:20:56,080

shield thing is can only be traced back

1809

01:21:01,640 --> 01:20:59,530

to 1959 when some other wrote it in a

1810

01:21:04,830 --> 01:21:01,650

book so that has been kind of

1811

01:21:09,060 --> 01:21:04,840

deconstructing yep okay but and those

1812

01:21:11,189 --> 01:21:09,070

there's also mari island the last time i

1813

01:21:13,560 --> 01:21:11,199

was talking that i had all these people

1814

01:21:14,070 --> 01:21:13,570

tell me that that has been totally

1815

01:21:16,410 --> 01:21:14,080

debunked

1816

01:21:18,630 --> 01:21:16,420

I don't really know I've never seen the

1817

01:21:21,600 --> 01:21:18,640

debunking of mari island but I would be

1818

01:21:23,130 --> 01:21:21,610

interested if someone could email me

1819

01:21:24,900 --> 01:21:23,140

that information where that information

1820

01:21:26,580 --> 01:21:24,910

lies I just don't know I think it's

1821

01:21:28,620 --> 01:21:26,590

really curious that fredchristman who

1822

01:21:31,260 --> 01:21:28,630

was one of the principal witnesses to

1823

01:21:34,080 --> 01:21:31,270

the Mori Island incident is a guy who

1824

01:21:38,970 --> 01:21:34,090

shows up in connection with a number of

1825

01:21:40,979 --> 01:21:38,980

other famous conspiracies over of the in

1826

01:21:44,430 --> 01:21:40,989

the u.s. year over the last 70 years he

1827

01:21:46,140 --> 01:21:44,440

was a friend of the father Michael

1828

01:21:48,110 --> 01:21:46,150

ricotta Sciuto who was connected the

1829

01:21:51,000 --> 01:21:48,120

promise software theft and the whole

1830

01:21:52,160 --> 01:21:51,010

octopus investigation another if you're

1831

01:21:56,209 --> 01:21:52,170

familiar with that

1832

01:21:57,439 --> 01:21:56,219

oh okay Michael Ratana shooters did an

1833

01:21:59,570 --> 01:21:57,449

interesting fellow I think he's been in

1834

01:22:00,860 --> 01:21:59,580

prison mate may just have been released

1835

01:22:04,700 --> 01:22:00,870

within the last six months or so but

1836

01:22:06,560 --> 01:22:04,710

yeah that's a whole story 1984-85 a

1837

01:22:08,810 --> 01:22:06,570

company called inslaw develop program

1838

01:22:11,750 --> 01:22:08,820

called promise B ro Mis which was case

1839

01:22:13,850 --> 01:22:11,760

management software for anyway kind of

1840

01:22:15,110 --> 01:22:13,860

shoot I figured out how to swipe it on

1841

01:22:17,360 --> 01:22:15,120

behalf of some other folks

1842

01:22:21,530 --> 01:22:17,370

anyway fredchristman shows up there Jim

1843

01:22:23,419 --> 01:22:21,540

Garrison in the the JFK investigation in

1844

01:22:26,330 --> 01:22:23,429

New Orleans thought that crisp linen was

1845

01:22:31,490 --> 01:22:26,340

blowing the one of the tramps to the

1846

01:22:35,930 --> 01:22:31,500

rail yard I think there's another bit of

1847

01:22:37,400 --> 01:22:35,940

another quote from a book book that I

1848

01:22:39,650 --> 01:22:37,410

included in the day they would stand

1849

01:22:42,110 --> 01:22:39,660

still about Chrisman who was apparently

1850

01:22:47,260 --> 01:22:42,120

the source for information it was turned

1851

01:22:49,400 --> 01:22:47,270

into a UFO television series in 1960s

1852

01:22:51,200 --> 01:22:49,410

Chrisman is one of those intelligence

1853

01:22:53,900 --> 01:22:51,210

community guys who keeps showing up and

1854

01:22:55,100 --> 01:22:53,910

a number of these stories and he was

1855

01:22:59,180 --> 01:22:55,110

right there

1856

01:23:02,390 --> 01:22:59,190

isn't that something Wow hey one thing I

1857

01:23:05,060 --> 01:23:02,400

wanted to tell you is we have the images

1858

01:23:07,939 --> 01:23:05,070

that you sent us over that we can load

1859

01:23:09,790 --> 01:23:07,949

up as we're talking so if you think the

1860

01:23:11,810 --> 01:23:09,800

topic that you are speaking of

1861

01:23:14,240 --> 01:23:11,820

represents that image could you please

1862

01:23:16,790 --> 01:23:14,250

tell tell us so the show producer can

1863

01:23:18,320 --> 01:23:16,800

pop that up unfortunately I never got a

1864

01:23:19,580 --> 01:23:18,330

chance to look at the images so I don't

1865

01:23:21,650 --> 01:23:19,590

know what's there

1866

01:23:24,919 --> 01:23:21,660

fallen angels you mentioned that a

1867

01:23:29,709 --> 01:23:24,929

couple of times in the Bible so other

1868

01:23:33,070 --> 01:23:29,719

other possible things that people can

1869

01:23:36,260 --> 01:23:33,080

connect to the Bible when it comes to

1870

01:23:39,410 --> 01:23:36,270

well we want to say extraterrestrial or

1871

01:23:41,870 --> 01:23:39,420

you know being visited is there any

1872

01:23:44,090 --> 01:23:41,880

other parallels that you can think of

1873

01:23:45,650 --> 01:23:44,100

when it comes to the Bible well one of

1874

01:23:47,030 --> 01:23:45,660

one of the things we thought was really

1875

01:23:49,310 --> 01:23:47,040

strange we started digging into the

1876

01:23:50,689 --> 01:23:49,320

research here several years ago I had

1877

01:23:53,150 --> 01:23:50,699

the opportunity to interview Peter

1878

01:23:54,860 --> 01:23:53,160

lavinda who has researched the occult

1879

01:23:57,020 --> 01:23:54,870

quite a bit but he's also done a lot of

1880

01:23:58,700 --> 01:23:57,030

research into the space program and the

1881

01:24:01,400 --> 01:23:58,710

odd connections between you know Nazis

1882

01:24:05,810 --> 01:24:01,410

UFOs and

1883

01:24:08,530 --> 01:24:05,820

he wrote a book called the Dark Lord in

1884

01:24:11,570 --> 01:24:08,540

which he traced those strange

1885

01:24:14,000 --> 01:24:11,580

connections between the fiction of HP

1886

01:24:16,820 --> 01:24:14,010

Lovecraft who was the creator of the

1887

01:24:19,760 --> 01:24:16,830

Cthulhu Mythos back in the 20s and 30s

1888

01:24:22,580 --> 01:24:19,770

and Aleister Crowley who was the

1889

01:24:24,020 --> 01:24:22,590

occultist who founded Tolima probably

1890

01:24:30,200 --> 01:24:24,030

the best-known occultist in the 20th

1891

01:24:32,540 --> 01:24:30,210

century lavinda showed that when he

1892

01:24:34,459 --> 01:24:32,550

wrote the Cthulhu Mythos in 1926 and he

1893

01:24:36,979 --> 01:24:34,469

said there's no evidence that Lovecraft

1894

01:24:38,600 --> 01:24:36,989

knew of Crowley's work he might have

1895

01:24:40,070 --> 01:24:38,610

known or heard Crowley's name but he

1896

01:24:43,670 --> 01:24:40,080

didn't know of Crowley's working and

1897

01:24:47,300 --> 01:24:43,680

Lovecraft was an atheist professing

1898

01:24:50,570 --> 01:24:47,310

atheist but he was tapi as a horror

1899

01:24:53,959 --> 01:24:50,580

author to draw on the teachings of a

1900

01:24:56,000 --> 01:24:53,969

cultists like livanski and he meant

1901

01:24:58,520 --> 01:24:56,010

since theosophy a number of times in his

1902

01:25:02,630 --> 01:24:58,530

stories and used that as grist for his

1903

01:25:04,130 --> 01:25:02,640

mill well in 1926 when he wrote the Call

1904

01:25:06,550 --> 01:25:04,140

of Cthulhu which is the story that he's

1905

01:25:10,250 --> 01:25:06,560

best known for and his best-known

1906

01:25:15,110 --> 01:25:10,260

monster if you will Cthulhu was the the

1907

01:25:16,970 --> 01:25:15,120

the dead dead but dead dead but sleeping

1908

01:25:18,950 --> 01:25:16,980

dead but dreaming God who lies in this

1909

01:25:21,680 --> 01:25:18,960

ruined city at the at the bottom of the

1910

01:25:23,750 --> 01:25:21,690

ocean sea and already got a number of

1911

01:25:25,580 --> 01:25:23,760

things there that come out of theosophy

1912

01:25:27,170 --> 01:25:25,590

you know the lost continents a

1913

01:25:29,840 --> 01:25:27,180

megalithic architecture and stuff like

1914

01:25:32,390 --> 01:25:29,850

that created by a superior ancient race

1915

01:25:36,020 --> 01:25:32,400

that might return someday when the stars

1916

01:25:37,760 --> 01:25:36,030

align correctly Lebedev pointed out that

1917

01:25:40,130 --> 01:25:37,770

in the story

1918

01:25:42,320 --> 01:25:40,140

Lovecraft set the action back in 1907

1919

01:25:46,370 --> 01:25:42,330

and on Halloween night of 1907 in

1920

01:25:47,810 --> 01:25:46,380

particular when in the story the police

1921

01:25:49,340 --> 01:25:47,820

in New Orleans find the statue this

1922

01:25:51,979 --> 01:25:49,350

little you know this little statue of

1923

01:25:54,950 --> 01:25:51,989

Cthulhu who was the you know the star of

1924

01:25:59,180 --> 01:25:54,960

the story well it just so happens that

1925

01:26:01,070 --> 01:25:59,190

on Halloween night in 1907 Aleister

1926

01:26:02,630 --> 01:26:01,080

Crowley was channeling something

1927

01:26:05,540 --> 01:26:02,640

channeling an entity that was feeding

1928

01:26:06,890 --> 01:26:05,550

him the teachings that became some of

1929

01:26:08,450 --> 01:26:06,900

the books of his the books of the law

1930

01:26:10,850 --> 01:26:08,460

for his religion tolima

1931

01:26:13,030 --> 01:26:10,860

and in the course of writing on

1932

01:26:15,820 --> 01:26:13,040

Halloween night one of the

1933

01:26:20,080 --> 01:26:15,830

he broke down in this channeling session

1934

01:26:22,870 --> 01:26:20,090

was the name to to Lu sounds kind of

1935

01:26:25,680 --> 01:26:22,880

like Cthulhu not exactly but kind of

1936

01:26:29,670 --> 01:26:25,690

like it but Levin de pointed out that

1937

01:26:32,350 --> 01:26:29,680

Crowley's personal secretary and

1938

01:26:33,910 --> 01:26:32,360

successor Kenneth grant who took

1939

01:26:36,340 --> 01:26:33,920

Crowley's teachings and developed it

1940

01:26:40,570 --> 01:26:36,350

into what he called the the Typhon lan

1941

01:26:44,550 --> 01:26:40,580

order or the Typhon lan OTO believed

1942

01:26:46,600 --> 01:26:44,560

that Crowley just misheard the word and

1943

01:26:50,470 --> 01:26:46,610

that what he should have heard was

1944

01:26:53,410 --> 01:26:50,480

cuckoo Lou or Cthulhu

1945

01:26:56,080 --> 01:26:53,420

in other words grant and thus lavinda in

1946

01:26:58,630 --> 01:26:56,090

his research concluded that Crowley and

1947

01:27:00,070 --> 01:26:58,640

Lovecraft were channeling the same

1948

01:27:03,940 --> 01:27:00,080

source even though Lovecraft believed he

1949

01:27:07,570 --> 01:27:03,950

was an atheist they believed that he was

1950

01:27:08,920 --> 01:27:07,580

hearing from the same spirit entity that

1951

01:27:10,810 --> 01:27:08,930

was feeding information to Aleister

1952

01:27:13,450 --> 01:27:10,820

Crowley well Kenneth grant took

1953

01:27:15,880 --> 01:27:13,460

Crowley's teachings as I said Crowley

1954

01:27:18,280 --> 01:27:15,890

believed he was welcoming in what he

1955

01:27:21,370 --> 01:27:18,290

called Aeon of Horus Horus was one of

1956

01:27:23,470 --> 01:27:21,380

the Egyptian gods grant developed his

1957

01:27:28,180 --> 01:27:23,480

teachings and believed that what he was

1958

01:27:33,270 --> 01:27:28,190

bringing in or inaugurating was the Aeon

1959

01:27:36,340 --> 01:27:33,280

of set well set is the Kaos God of Egypt

1960

01:27:40,450 --> 01:27:36,350

the God the Greeks called typhoon hence

1961

01:27:44,500 --> 01:27:40,460

the typhoon haiyan order so and it

1962

01:27:46,150 --> 01:27:44,510

believed that what he was hearing or

1963

01:27:47,560 --> 01:27:46,160

what he was what he had learned from the

1964

01:27:52,090 --> 01:27:47,570

teachings of Crumley was what he called

1965

01:27:53,350 --> 01:27:52,100

the Sirius set current or the set Sirius

1966

01:27:56,230 --> 01:27:53,360

current in other words something coming

1967

01:28:00,670 --> 01:27:56,240

from the star system serious from this

1968

01:28:02,740 --> 01:28:00,680

entity is chaos God who was coming back

1969

01:28:04,450 --> 01:28:02,750

to earth some day just as Lovecraft

1970

01:28:06,420 --> 01:28:04,460

wrote that these old gods would someday

1971

01:28:09,150 --> 01:28:06,430

return when the stars were right and

1972

01:28:11,020 --> 01:28:09,160

reclaim dominion over the earth and

1973

01:28:13,060 --> 01:28:11,030

apparently Grant was very disturbed

1974

01:28:14,740 --> 01:28:13,070

about that and why he spent so much time

1975

01:28:17,560 --> 01:28:14,750

researching and trying to develop this

1976

01:28:19,570 --> 01:28:17,570

form of chaos magic well I don't know if

1977

01:28:20,950 --> 01:28:19,580

your viewers listeners are familiar with

1978

01:28:22,870 --> 01:28:20,960

chaos magic it's certainly not something

1979

01:28:25,300 --> 01:28:22,880

I'm very well-educated on but apparently

1980

01:28:26,439 --> 01:28:25,310

this is a bigger deal than I realized

1981

01:28:28,509 --> 01:28:26,449

when we got into

1982

01:28:29,919 --> 01:28:28,519

researching the book here it wasn't

1983

01:28:34,319 --> 01:28:29,929

quite the direction we expected things

1984

01:28:36,850 --> 01:28:34,329

to go but looking at this belief that

1985

01:28:37,959 --> 01:28:36,860

and let me let me finish a point here

1986

01:28:40,299 --> 01:28:37,969

and come back to then why this is

1987

01:28:41,709 --> 01:28:40,309

important the reason this is important

1988

01:28:43,359 --> 01:28:41,719

was when you tie this together with the

1989

01:28:46,239 --> 01:28:43,369

research of a gentleman in Jason

1990

01:28:47,439 --> 01:28:46,249

Colavito who was generally speaking a

1991

01:28:48,449 --> 01:28:47,449

skeptic when it comes to the

1992

01:28:52,390 --> 01:28:48,459

supernatural

1993

01:28:53,049 --> 01:28:52,400

Keisha knows that the fiction of HP

1994

01:28:55,000 --> 01:28:53,059

Lovecraft

1995

01:28:58,169 --> 01:28:55,010

was very influential on the modern

1996

01:29:01,060 --> 01:28:58,179

ancient aliens movement because after

1997

01:29:02,859 --> 01:29:01,070

Lovecraft's death in 1936 a number of

1998

01:29:04,899 --> 01:29:02,869

friends of Lovecraft kept writing in the

1999

01:29:07,529 --> 01:29:04,909

same genre using some of the creations

2000

01:29:10,120 --> 01:29:07,539

and creatures that Lovecraft invented

2001
01:29:12,100 --> 01:29:10,130
and Lovecraft's work was republished it

2002
01:29:13,390 --> 01:29:12,110
was sent out to soldiers during World

2003
01:29:16,330 --> 01:29:13,400
War two to entertain them while they

2004
01:29:18,609 --> 01:29:16,340
were out in the trenches the French it

2005
01:29:21,759 --> 01:29:18,619
turns out in the 1950s discovered HP

2006
01:29:22,930 --> 01:29:21,769
Lovecraft and loved Lovecraft his stuff

2007
01:29:24,040 --> 01:29:22,940
was translated into French and

2008
01:29:25,660 --> 01:29:24,050
republished in a number of magazines

2009
01:29:27,790 --> 01:29:25,670
there and a couple of science fiction

2010
01:29:32,560 --> 01:29:27,800
magazine publishers named Powell's and

2011
01:29:34,449 --> 01:29:32,570
Burgi a drawing a work of Lovecraft and

2012
01:29:38,020 --> 01:29:34,459
the themes that he incorporated it was

2013
01:29:39,609 --> 01:29:38,030

cyclopean architecture you know

2014

01:29:42,219 --> 01:29:39,619

megalithic structures that nobody can

2015

01:29:44,799 --> 01:29:42,229

explain how they they came to be old

2016

01:29:47,500 --> 01:29:44,809

gods and the return of you know the

2017

01:29:49,469 --> 01:29:47,510

return of these old guy wrote a book

2018

01:29:53,020 --> 01:29:49,479

called mourning of the magicians

2019

01:29:54,699 --> 01:29:53,030

published in about 1960 which again

2020

01:29:59,439 --> 01:29:54,709

explored a lot of these themes that we

2021

01:30:01,660 --> 01:29:59,449

see in ancient aliens today well it was

2022

01:30:04,319 --> 01:30:01,670

translated into English about 63 sold

2023

01:30:08,680 --> 01:30:04,329

pretty well and like anything when you

2024

01:30:12,459 --> 01:30:08,690

create something new in literature or

2025

01:30:15,129 --> 01:30:12,469

movies or music that sells well people

2026

01:30:17,500 --> 01:30:15,139

picked up on it and try to replicate it

2027

01:30:19,359 --> 01:30:17,510

copy it and and sell the room well one

2028

01:30:21,540 --> 01:30:19,369

author who picked up on Powell's and

2029

01:30:24,850 --> 01:30:21,550

burr Shea's work inspired by Lovecraft

2030

01:30:29,020 --> 01:30:24,860

witch Crowley's successor believed was

2031

01:30:32,379 --> 01:30:29,030

just channeled Aleister Crowley was the

2032

01:30:34,839 --> 01:30:32,389

hotel operator in Switzerland by the

2033

01:30:36,250 --> 01:30:34,849

name of Erich von däniken and von

2034

01:30:38,830 --> 01:30:36,260

Daniken published Chariots of the Gods

2035

01:30:40,140 --> 01:30:38,840

in 1970 Powell's and bercier were not

2036

01:30:42,209 --> 01:30:40,150

pleased because they felt

2037

01:30:45,300 --> 01:30:42,219

his work was a little too close to

2038

01:30:45,540 --> 01:30:45,310

theirs for coincidence but be that as it

2039

01:30:48,260 --> 01:30:45,550

may

2040

01:30:52,020 --> 01:30:48,270

chariots of the gods the best-selling

2041

01:30:53,399 --> 01:30:52,030

archeology book in history and von

2042

01:30:55,919 --> 01:30:53,409

Daniken has gone and says something like

2043

01:30:58,770 --> 01:30:55,929

60 million copies of you know books

2044

01:31:00,090 --> 01:30:58,780

around the world a couple of years after

2045

01:31:01,560 --> 01:31:00,100

Chariots of the Gods

2046

01:31:03,870 --> 01:31:01,570

zecharia sitchin came along and

2047

01:31:06,750 --> 01:31:03,880

published the 12th planet which made the

2048

01:31:10,080 --> 01:31:06,760

case that the sumerian gods the Anunnaki

2049

01:31:11,640 --> 01:31:10,090

were actually aliens who came to earth

2050

01:31:14,700 --> 01:31:11,650

and created humanity as a slave race

2051
01:31:16,200 --> 01:31:14,710
again this tracks with some of the

2052
01:31:20,370 --> 01:31:16,210
themes of Helena Blavatsky

2053
01:31:22,200 --> 01:31:20,380
in theosophy from the 1880s so again

2054
01:31:25,290 --> 01:31:22,210
you've got a Blavatsky crowley filtered

2055
01:31:28,140 --> 01:31:25,300
through Lovecraft repackaged by von

2056
01:31:30,030 --> 01:31:28,150
Daniken incision and now ancient alien

2057
01:31:32,340 --> 01:31:30,040
dances in its 12th season on the History

2058
01:31:33,899 --> 01:31:32,350
Channel it is essentially warmed-over

2059
01:31:36,030 --> 01:31:33,909
occult teachings in fact that's why

2060
01:31:38,250 --> 01:31:36,040
there are some critics like Colavito who

2061
01:31:44,100 --> 01:31:38,260
say ancient aliens is nothing more than

2062
01:31:46,680 --> 01:31:44,110
televangelism for theosophy so it's got

2063
01:31:50,580 --> 01:31:46,690

religious overtones but I don't think

2064

01:31:54,680 --> 01:31:50,590

people who are intrigued by the idea are

2065

01:31:56,700 --> 01:31:54,690

even aware I know

2066

01:31:59,160 --> 01:31:56,710

zechariah stitch and i heard it was a

2067

01:32:01,790 --> 01:31:59,170

very very nice man but he had he had

2068

01:32:07,530 --> 01:32:01,800

some really far-out things to say and

2069

01:32:10,290 --> 01:32:07,540

we've had erich von daniken on a couple

2070

01:32:15,600 --> 01:32:10,300

of times interesting man

2071

01:32:17,220 --> 01:32:15,610

i know he's he's had kind of a little

2072

01:32:19,340 --> 01:32:17,230

bit of a checkered past a number of

2073

01:32:23,010 --> 01:32:19,350

people have sent me links and things

2074

01:32:25,200 --> 01:32:23,020

still a nice man you know seems to be a

2075

01:32:26,820 --> 01:32:25,210

very fun person to talk to I was enjoy

2076

01:32:28,530 --> 01:32:26,830

talking to him well I didn't really have

2077

01:32:30,000 --> 01:32:28,540

a good conversation with him I doubt

2078

01:32:31,520 --> 01:32:30,010

that I would agree with him very much

2079

01:32:34,830 --> 01:32:31,530

but I'd certainly don't want to be

2080

01:32:36,810 --> 01:32:34,840

unkind to either him or to the late mr.

2081

01:32:39,689 --> 01:32:36,820

Sitchin who yes by all accounts was very

2082

01:32:41,459 --> 01:32:39,699

nice but I've been reading a lot of

2083

01:32:43,200 --> 01:32:41,469

Sumerian cosmology over the last couple

2084

01:32:45,780 --> 01:32:43,210

years I'm not a scholar and I'm

2085

01:32:49,950 --> 01:32:45,790

certainly not an expert in it but I have

2086

01:32:51,649 --> 01:32:49,960

yet to see anything in any credentialed

2087

01:32:53,670 --> 01:32:51,659

academic paper about what the Sumerians

2088

01:32:56,190 --> 01:32:53,680

believed about their gods that

2089

01:32:58,560 --> 01:32:56,200

leads me to conclude that there was any

2090

01:33:00,380 --> 01:32:58,570

hint that those things were anything or

2091

01:33:04,650 --> 01:33:00,390

thought to be anything other than

2092

01:33:06,090 --> 01:33:04,660

supernatural beings and our friend dr.

2093

01:33:09,090 --> 01:33:06,100

Michael Heizer whose name I mentioned

2094

01:33:13,110 --> 01:33:09,100

earlier who can read the Sumerian as

2095

01:33:16,740 --> 01:33:13,120

said that mr. Sitchin just either didn't

2096

01:33:18,870 --> 01:33:16,750

know what he was translating or because

2097

01:33:22,860 --> 01:33:18,880

the words just don't say what he claimed

2098

01:33:26,850 --> 01:33:22,870

that they said right now in your book

2099

01:33:32,850 --> 01:33:26,860

you talk about MUFON and this is where

2100

01:33:38,730 --> 01:33:32,860

you and I agree and that is the fact

2101

01:33:42,090 --> 01:33:38,740

that the 2017 you know a vanity

2102

01:33:44,790 --> 01:33:42,100

symposium yeah yeah had some way way out

2103

01:33:47,460 --> 01:33:44,800

fringy topics and I I think that was a

2104

01:33:50,460 --> 01:33:47,470

big mistake myself I understand there's

2105

01:33:52,740 --> 01:33:50,470

an entertainment value but they you know

2106

01:33:57,860 --> 01:33:52,750

it just muddies the water of people that

2107

01:34:00,780 --> 01:33:57,870

are trying to figure this thing out so

2108

01:34:06,630 --> 01:34:00,790

not only that let's talk about there's

2109

01:34:08,940 --> 01:34:06,640

the MUFON inner circle yeah and let's

2110

01:34:10,320 --> 01:34:08,950

talk a little bit about that and

2111

01:34:11,640 --> 01:34:10,330

actually I think that's changed cuz I

2112

01:34:14,160 --> 01:34:11,650

went to try to find the website here

2113

01:34:16,200 --> 01:34:14,170

today and could not find a listing of

2114

01:34:17,790 --> 01:34:16,210

the inner circle so maybe I you know the

2115

01:34:18,960 --> 01:34:17,800

websites been updated maybe the circle

2116

01:34:20,310 --> 01:34:18,970

has been changed but I know this this

2117

01:34:23,990 --> 01:34:20,320

came out just about the time I went to

2118

01:34:27,090 --> 01:34:24,000

Roswell last year where there was a

2119

01:34:28,530 --> 01:34:27,100

controversy about a couple of things and

2120

01:34:29,640 --> 01:34:28,540

and one of them I don't want to even get

2121

01:34:31,470 --> 01:34:29,650

into because I don't know enough of the

2122

01:34:32,790 --> 01:34:31,480

backstory it's about some personal

2123

01:34:35,240 --> 01:34:32,800

beliefs of one of the other members so

2124

01:34:39,090 --> 01:34:35,250

the inner circle that had to do with

2125

01:34:41,400 --> 01:34:39,100

just you know an issue I don't want a

2126

01:34:44,220 --> 01:34:41,410

can of worms that I want to open but you

2127

01:34:45,330 --> 01:34:44,230

talk about the racist remarks yes yeah

2128

01:34:48,540 --> 01:34:45,340

and I don't know enough about that to

2129

01:34:52,080 --> 01:34:48,550

say to make any comments on that but in

2130

01:34:54,510 --> 01:34:52,090

the case of JZ Knight and you know the

2131

01:34:56,430 --> 01:34:54,520

inner circle and move on at least and

2132

01:34:58,710 --> 01:34:56,440

that and a fact I put it that's one of

2133

01:35:00,510 --> 01:34:58,720

the images I put in that yeah yeah we're

2134

01:35:04,890 --> 01:35:00,520

there right it's up now right now okay

2135

01:35:07,140 --> 01:35:04,900

and I circle JZ Knight because she is or

2136

01:35:10,169 --> 01:35:07,150

was at least at the time I took that

2137

01:35:11,669 --> 01:35:10,179

which was last July or August a member

2138

01:35:14,550 --> 01:35:11,679

of the inner circle which is sort of an

2139

01:35:16,850 --> 01:35:14,560

advisory council for MUFON which bills

2140

01:35:18,510 --> 01:35:16,860

itself as the world's leading

2141

01:35:20,250 --> 01:35:18,520

Organization for the scientific

2142

01:35:23,160 --> 01:35:20,260

investigation of unidentified flying

2143

01:35:25,200 --> 01:35:23,170

objects well there's no nice way to put

2144

01:35:29,700 --> 01:35:25,210

this but JZ Knight is a cult leader and

2145

01:35:32,490 --> 01:35:29,710

she claims to channel a thirty six

2146

01:35:34,140 --> 01:35:32,500

thousand year old warrior from the lost

2147

01:35:36,180 --> 01:35:34,150

continent of Lemuria

2148

01:35:38,760 --> 01:35:36,190

now again Lemuria goes right back to

2149

01:35:41,100 --> 01:35:38,770

Helena Blavatsky that was part of her

2150

01:35:42,750 --> 01:35:41,110

teachings the origin of humanity the

2151
01:35:45,060 --> 01:35:42,760
root races came from this continent of

2152
01:35:46,979 --> 01:35:45,070
Lemuria where the noble warriors of

2153
01:35:50,160 --> 01:35:46,989
Lemuria had to do battle with the evil

2154
01:35:52,439 --> 01:35:50,170
wizards and sorcerers of Atlantis again

2155
01:35:54,209 --> 01:35:52,449
there's been no hard evidence that

2156
01:35:57,140 --> 01:35:54,219
either of those continents exists in

2157
01:36:04,290 --> 01:35:57,150
fact leemarie it was only hypothesized

2158
01:36:06,720 --> 01:36:04,300
1866 a was it a paleontologist or who

2159
01:36:10,530 --> 01:36:06,730
noticed that there were similar monkey

2160
01:36:12,149 --> 01:36:10,540
fossils in India and a Madagascar now if

2161
01:36:13,979 --> 01:36:12,159
you look at a globe you see that there's

2162
01:36:15,479 --> 01:36:13,989
an awful lot of ocean between India and

2163
01:36:18,750 --> 01:36:15,489

Madagascar so he was trying to figure

2164

01:36:21,180 --> 01:36:18,760

out how you could get lemur fossils

2165

01:36:23,550 --> 01:36:21,190

small monkeys that are almost identical

2166

01:36:25,290 --> 01:36:23,560

in those two places so hence there must

2167

01:36:26,100 --> 01:36:25,300

have been a lost continent somewhere in

2168

01:36:30,270 --> 01:36:26,110

the Indian Ocean

2169

01:36:32,930 --> 01:36:30,280

thus Lemuria that became part of LaVon

2170

01:36:36,689 --> 01:36:32,940

skeeze religion that's who Jay Z night

2171

01:36:38,580 --> 01:36:36,699

channels as her source of spiritual

2172

01:36:40,800 --> 01:36:38,590

wisdom ramped up the enlightened one and

2173

01:36:42,870 --> 01:36:40,810

somehow she was able to pay the fee to

2174

01:36:47,010 --> 01:36:42,880

become a member of the inner circle of

2175

01:36:48,209 --> 01:36:47,020

MUFON I'm serious thousand dollar a five

2176

01:36:50,910 --> 01:36:48,219

thousand dollar donation

2177

01:36:54,570 --> 01:36:50,920

yeah and I can I can see how serious

2178

01:36:57,390 --> 01:36:54,580

researchers into UFOs would be a little

2179

01:36:59,160 --> 01:36:57,400

little upset at that I I think it's a I

2180

01:37:02,490 --> 01:36:59,170

don't think it's a good idea at all

2181

01:37:04,560 --> 01:37:02,500

anytime anything like that happens then

2182

01:37:06,750 --> 01:37:04,570

you're putting some type of control in

2183

01:37:12,590 --> 01:37:06,760

the hands of someone that doesn't

2184

01:37:15,870 --> 01:37:12,600

necessarily deserve it and I listen to

2185

01:37:17,189 --> 01:37:15,880

Kevin Randle was doing a show for a

2186

01:37:18,959 --> 01:37:17,199

short time

2187

01:37:21,300 --> 01:37:18,969

and here's one of the articles I've read

2188

01:37:24,000 --> 01:37:21,310

about that ya interviewed sources

2189

01:37:29,729 --> 01:37:24,010

mission yes he interviewed Jan Harrison

2190

01:37:31,650 --> 01:37:29,739

and he he is he basically asked him

2191

01:37:33,510 --> 01:37:31,660

flat-out why are you doing that you know

2192

01:37:36,380 --> 01:37:33,520

I mean it's it's really you know he

2193

01:37:41,220 --> 01:37:36,390

called him on it and I think it's um I

2194

01:37:43,860 --> 01:37:41,230

think I'm not a MUFON member right now I

2195

01:37:46,380 --> 01:37:43,870

don't have all you know things against

2196

01:37:49,500 --> 01:37:46,390

them but I do think that they have taken

2197

01:37:51,209 --> 01:37:49,510

a few wrong turns Jan Harsens trying to

2198

01:37:52,500 --> 01:37:51,219

do a really good job he's got a lot of

2199

01:37:54,840 --> 01:37:52,510

pressure on his plate to bring

2200

01:37:57,630 --> 01:37:54,850

membership up membership is not it's

2201

01:38:00,060 --> 01:37:57,640

only like 3,500 or something like that

2202

01:38:01,500 --> 01:38:00,070

it's not a really big membership so but

2203

01:38:03,090 --> 01:38:01,510

when these people are donating five

2204

01:38:05,850 --> 01:38:03,100

thousand dollars to get into the inner

2205

01:38:07,709 --> 01:38:05,860

circle I just think that's a I think

2206

01:38:09,570 --> 01:38:07,719

that's taboo for any organization right

2207

01:38:10,470 --> 01:38:09,580

itself well yeah I think that's dead

2208

01:38:13,709 --> 01:38:10,480

opens a can of worms

2209

01:38:15,900 --> 01:38:13,719

it's a dangerous practice and as you

2210

01:38:17,970 --> 01:38:15,910

mentioned there's some other controversy

2211

01:38:19,080 --> 01:38:17,980

about that as well but especially when

2212

01:38:22,080 --> 01:38:19,090

you've got somebody who's approaching

2213

01:38:24,450 --> 01:38:22,090

topic this way from from her perspective

2214

01:38:26,760 --> 01:38:24,460

that that really is a clown you know as

2215

01:38:27,990 --> 01:38:26,770

in the organization I belong to we

2216

01:38:30,260 --> 01:38:28,000

certainly wouldn't want somebody on the

2217

01:38:37,020 --> 01:38:30,270

the board of directors who brings a a

2218

01:38:38,640 --> 01:38:37,030

worldview that would call or work that

2219

01:38:40,890 --> 01:38:38,650

would be contrary to what we believe but

2220

01:38:43,470 --> 01:38:40,900

we call our organization into into

2221

01:38:46,020 --> 01:38:43,480

question in any way so again you know

2222

01:38:49,800 --> 01:38:46,030

one of our friends good friend Joe

2223

01:38:51,209 --> 01:38:49,810

Jordan was a is still a director with

2224

01:38:53,010 --> 01:38:51,219

MUFON he came out of the state of

2225

01:38:57,720 --> 01:38:53,020

Florida he's now the National Director

2226

01:39:00,180 --> 01:38:57,730

for South Korea but like me like Josh he

2227

01:39:02,340 --> 01:39:00,190

is a a professing Christian openly

2228

01:39:04,620 --> 01:39:02,350

Christian and what led him to his

2229

01:39:06,390 --> 01:39:04,630

Christian faith was his research his

2230

01:39:10,680 --> 01:39:06,400

investigations into the abduction

2231

01:39:14,840 --> 01:39:10,690

phenomena and found that to his surprise

2232

01:39:19,709 --> 01:39:14,850

there were a number of cases that other

2233

01:39:21,450 --> 01:39:19,719

researchers had basically not publicized

2234

01:39:22,229 --> 01:39:21,460

or not told anyone about because they

2235

01:39:23,700 --> 01:39:22,239

didn't know what to make of the

2236

01:39:27,180 --> 01:39:23,710

information which was that the

2237

01:39:30,930 --> 01:39:27,190

abductions could be stopped by people

2238

01:39:33,470 --> 01:39:30,940

calling on the name of Jesus you know if

2239

01:39:35,760 --> 01:39:33,480

these were entities from another world

2240

01:39:39,570 --> 01:39:35,770

one wonders why that would have any

2241

01:39:42,780 --> 01:39:39,580

effect whatsoever but it was a spiritual

2242

01:39:44,760 --> 01:39:42,790

phenomenon and in the Bible we see that

2243

01:39:50,070 --> 01:39:44,770

the demons that Jesus encountered were

2244

01:39:54,959 --> 01:39:50,080

always subject to people giving them the

2245

01:39:57,209 --> 01:39:54,969

commands in his name that well that is

2246

01:39:59,010 --> 01:39:57,219

an interesting bit of evidence and as he

2247

01:40:01,650 --> 01:39:59,020

began to research he found more and more

2248

01:40:02,910 --> 01:40:01,660

of these cases and Jo like Josh admits

2249

01:40:05,189 --> 01:40:02,920

that at the time he became his

2250

01:40:06,570 --> 01:40:05,199

investigations he was say he was a New

2251
01:40:09,150 --> 01:40:06,580
Ager he said you know carry into

2252
01:40:12,240 --> 01:40:09,160
crystals and you know doing all you know

2253
01:40:13,800 --> 01:40:12,250
the the meditating and stuff as a yeah

2254
01:40:15,540 --> 01:40:13,810
like a good New Ager

2255
01:40:17,010 --> 01:40:15,550
and those are basically how Joe

2256
01:40:20,340 --> 01:40:17,020
describes it not how I would describe it

2257
01:40:23,550 --> 01:40:20,350
but but he says the evidence just led

2258
01:40:24,780 --> 01:40:23,560
him in a different direction and so you

2259
01:40:25,919 --> 01:40:24,790
know that's really what Josh and I are

2260
01:40:29,189 --> 01:40:25,929
saying let's just follow the evidence

2261
01:40:31,380 --> 01:40:29,199
where it leads and again it may be that

2262
01:40:33,270 --> 01:40:31,390
I'm wrong maybe extraterrestrials do

2263
01:40:35,700 --> 01:40:33,280

exist and that God decided it wasn't

2264

01:40:37,380 --> 01:40:35,710

important for us to know and put it in

2265

01:40:39,600 --> 01:40:37,390

the Bible I don't think that's the case

2266

01:40:41,820 --> 01:40:39,610

but yeah hey I could be wrong about that

2267

01:40:44,790 --> 01:40:41,830

but what I do know is that what the

2268

01:40:47,300 --> 01:40:44,800

Bible tells me is that me you everyone

2269

01:40:50,669 --> 01:40:47,310

watching this assuming you're human

2270

01:40:52,110 --> 01:40:50,679

created in God's image created in God's

2271

01:40:55,050 --> 01:40:52,120

image and that status will not change

2272

01:40:58,830 --> 01:40:55,060

regardless regardless of what happens in

2273

01:41:02,010 --> 01:40:58,840

the future hmm interesting

2274

01:41:05,160 --> 01:41:02,020

I like talking to people like you

2275

01:41:07,760 --> 01:41:05,170

because you know just because one of the

2276

01:41:10,650 --> 01:41:07,770

reasons I do this show is that I just

2277

01:41:12,090 --> 01:41:10,660

like to hear people's opinions of what

2278

01:41:14,729 --> 01:41:12,100

they think is going on and this is

2279

01:41:18,209 --> 01:41:14,739

certainly one that I have not heard

2280

01:41:24,030 --> 01:41:18,219

before we're hoping that that would be

2281

01:41:24,540 --> 01:41:24,040

the case there was a talking point you

2282

01:41:27,750 --> 01:41:24,550

had here

2283

01:41:29,700 --> 01:41:27,760

about what WikiLeaks revealed about the

2284

01:41:32,189 --> 01:41:29,710

role of the Pope in the previous US

2285

01:41:34,380 --> 01:41:32,199

presidents I I didn't know there was

2286

01:41:38,660 --> 01:41:34,390

something in those leaked emails that

2287

01:41:41,010 --> 01:41:38,670

had directly to do with that there was a

2288

01:41:42,989 --> 01:41:41,020

well this is actually that's a section

2289

01:41:46,169 --> 01:41:42,999

of the book that Josh really dug into

2290

01:41:47,879 --> 01:41:46,179

I would prefer it if Josh you know

2291

01:41:49,290 --> 01:41:47,889

Mediacom hadn't shut their if rushed

2292

01:41:50,569 --> 01:41:49,300

ahead and shut up Josh tonight that's

2293

01:41:53,459 --> 01:41:50,579

probably what they were trying to stop

2294

01:41:56,459 --> 01:41:53,469

because he's better educated on that

2295

01:41:57,870 --> 01:41:56,469

there was another point that it just

2296

01:41:59,879 --> 01:41:57,880

occurred to me I never got back to do

2297

01:42:04,379 --> 01:41:59,889

when I was talking about the whole crew

2298

01:42:06,419 --> 01:42:04,389

lou von daniken thing and this gets back

2299

01:42:07,919 --> 01:42:06,429

to the Chaos magic aspect of it if you

2300

01:42:12,870 --> 01:42:07,929

don't mind if I just a loo scenario just

2301

01:42:17,640 --> 01:42:12,880

because this comes back to the Bible in

2302

01:42:19,310 --> 01:42:17,650

Genesis 1 verse 2 there is a verse there

2303

01:42:21,509 --> 01:42:19,320

and let me bring it up here

2304

01:42:24,379 --> 01:42:21,519

electronically because it deals with an

2305

01:42:25,739 --> 01:42:24,389

entity that this Kenneth Brandt who was

2306

01:42:30,060 --> 01:42:25,749

aleister crowley's

2307

01:42:31,560 --> 01:42:30,070

successor named the God that he believed

2308

01:42:38,600 --> 01:42:31,570

was reaching out to try to contact him

2309

01:42:40,799 --> 01:42:38,610

this this - or set this god of chaos who

2310

01:42:42,469 --> 01:42:40,809

he believed we needed to get right with

2311

01:42:44,549 --> 01:42:42,479

because he was coming back someday and

2312

01:42:46,830 --> 01:42:44,559

actually this is an entity that's

2313

01:42:50,100 --> 01:42:46,840

mentioned in the Bible but it's just

2314

01:42:53,069 --> 01:42:50,110

another one that we never hear about it

2315

01:42:54,540 --> 01:42:53,079

Church because it's you start digging

2316

01:42:56,189 --> 01:42:54,550

into theology you start digging the

2317

01:42:59,250 --> 01:42:56,199

original Hebrew text and it gets a

2318

01:43:00,479 --> 01:42:59,260

little complex but you know I would

2319

01:43:02,759 --> 01:43:00,489

suggest when you're dealing with matters

2320

01:43:04,979 --> 01:43:02,769

of eternal consequence you know like

2321

01:43:07,200 --> 01:43:04,989

heaven and hell maybe it's worth our

2322

01:43:10,049 --> 01:43:07,210

time to study it anyway in the beginning

2323

01:43:11,250 --> 01:43:10,059

God created heaven sin the earth the

2324

01:43:13,919 --> 01:43:11,260

earth was without form and void and

2325

01:43:16,890 --> 01:43:13,929

darkness was over the face of the deep

2326

01:43:20,459 --> 01:43:16,900

the word translated deep there is a

2327

01:43:22,890 --> 01:43:20,469

Hebrew word - home that word - home is a

2328

01:43:25,819 --> 01:43:22,900

cognate that means same word different

2329

01:43:30,020 --> 01:43:25,829

language with an Akkadian word tend to

2330

01:43:34,560 --> 01:43:30,030

that word temptin was the name of the

2331

01:43:38,160 --> 01:43:34,570

chaos dragon of Sumerian mythology

2332

01:43:40,890 --> 01:43:38,170

called Tiamat and this chaos dragon was

2333

01:43:43,200 --> 01:43:40,900

chaos serpent shows up in a number of

2334

01:43:44,750 --> 01:43:43,210

ancient Near Eastern religions in the

2335

01:43:46,680 --> 01:43:44,760

Bible it's called Leviathan the

2336

01:43:50,669 --> 01:43:46,690

Canaanites had the name for it they

2337

01:43:52,290 --> 01:43:50,679

called it Lotan you had set and taifa -

2338

01:43:54,820 --> 01:43:52,300

was the Greek version of this chaos

2339

01:43:57,400 --> 01:43:54,830

monster but

2340

01:44:00,100 --> 01:43:57,410

the theme was the same in all of these

2341

01:44:03,040 --> 01:44:00,110

ancient religions that a warrior God in

2342

01:44:06,610 --> 01:44:03,050

the Bible its Yahweh Sumerians it was

2343

01:44:10,240 --> 01:44:06,620

first Enlil and then later it was Marduk

2344

01:44:13,090 --> 01:44:10,250

when the Babylonians took over in the

2345

01:44:15,520 --> 01:44:13,100

Canaanite mythology it was bail and then

2346

01:44:19,320 --> 01:44:15,530

Zeus in the Greek myth had to defeat the

2347

01:44:22,690 --> 01:44:19,330

caste monster - in order to establish

2348

01:44:25,990 --> 01:44:22,700

order out of chaos if you will but this

2349

01:44:28,750 --> 01:44:26,000

theme was that chaos was represented by

2350

01:44:30,010 --> 01:44:28,760

the ocean and especially sea monster you

2351

01:44:31,600 --> 01:44:30,020

see it mentioned a few times in the

2352

01:44:35,050 --> 01:44:31,610

Bible there are times when the ocean is

2353

01:44:39,300 --> 01:44:35,060

clearly used as a symbol for chaos or

2354

01:44:43,120 --> 01:44:39,310

disorder but we see that even though

2355

01:44:46,450 --> 01:44:43,130

this chaos entity is defeated by the

2356

01:44:48,820 --> 01:44:46,460

second verse of the Bible it's not dead

2357

01:44:51,130 --> 01:44:48,830

I mean it's supernatural it's not dead

2358

01:44:52,570 --> 01:44:51,140

yet but there's an interesting reference

2359

01:44:54,490 --> 01:44:52,580

right at the end of the Bible in the

2360

01:44:58,120 --> 01:44:54,500

second-to-last chapter Revelation

2361

01:45:00,880 --> 01:44:58,130

chapter 21 and of course now our

2362

01:45:03,190 --> 01:45:00,890

internet is getting slow the Apostle

2363

01:45:05,260 --> 01:45:03,200

John in Revelation 21 writes then I saw

2364

01:45:07,030 --> 01:45:05,270

a new heaven and a new earth for the

2365

01:45:08,680 --> 01:45:07,040

first heaven and the first earth had

2366

01:45:10,540 --> 01:45:08,690

passed away this is a prophecy of

2367

01:45:12,250 --> 01:45:10,550

something in the future a new heaven and

2368

01:45:15,940 --> 01:45:12,260

a new earth because the first one passed

2369

01:45:19,930 --> 01:45:15,950

away but then he adds and the sea was no

2370

01:45:21,220 --> 01:45:19,940

more the sea was no well obviously the

2371

01:45:23,110 --> 01:45:21,230

first heaven first earth passed away

2372

01:45:25,750 --> 01:45:23,120

that sea would have passed away with the

2373

01:45:28,150 --> 01:45:25,760

first earth right the John mentions it

2374

01:45:30,700 --> 01:45:28,160

separately because again in the Bible

2375

01:45:33,580 --> 01:45:30,710

and in the ancient Near East for

2376

01:45:36,160 --> 01:45:33,590

thousands of years the sea represented

2377

01:45:38,680 --> 01:45:36,170

casas with this chaos entity in fact in

2378

01:45:41,230 --> 01:45:38,690

the Canaanite myth their chief God

2379

01:45:44,080 --> 01:45:41,240

bailed who was the storm God had to

2380

01:45:47,050 --> 01:45:44,090

fight against the god of the sea called

2381

01:45:51,010 --> 01:45:47,060

yam and defeated in order to claim his

2382

01:45:54,850 --> 01:45:51,020

kingship over the guns the Bible

2383

01:45:56,320 --> 01:45:54,860

reflects this Genesis 1 verse to Spirit

2384

01:45:58,030 --> 01:45:56,330

of God hovering over the face of the

2385

01:46:01,540 --> 01:45:58,040

deep almost as thought was containing it

2386

01:46:03,340 --> 01:46:01,550

keeping it restrained but it isn't until

2387

01:46:06,899 --> 01:46:03,350

revelation 21 new heaven new earth and

2388

01:46:09,930 --> 01:46:06,909

the sea chaos was no more

2389

01:46:13,110 --> 01:46:09,940

kenneth grant believes that this chaos

2390

01:46:14,700 --> 01:46:13,120

monster set or typhoon is what's coming

2391

01:46:17,360 --> 01:46:14,710

back and he developed his whole magical

2392

01:46:20,250 --> 01:46:17,370

system about it do a search on the web

2393

01:46:22,680 --> 01:46:20,260

if you're feeling brave for chaos magic

2394

01:46:25,290 --> 01:46:22,690

you'll see a lot of information out

2395

01:46:27,510 --> 01:46:25,300

there about how to practice it and what

2396

01:46:29,520 --> 01:46:27,520

it's good for today I don't recommend

2397

01:46:31,110 --> 01:46:29,530

dabbling in it obviously as a Christian

2398

01:46:35,220 --> 01:46:31,120

I'm just telling you that it's out there

2399

01:46:37,229 --> 01:46:35,230

it's a thing but the thing that I find

2400

01:46:38,810 --> 01:46:37,239

really curious about this is that the

2401

01:46:41,040 --> 01:46:38,820

search for extraterrestrial intelligence

2402

01:46:41,820 --> 01:46:41,050

which is the search for signals coming

2403

01:46:45,240 --> 01:46:41,830

from outer space

2404

01:46:48,419 --> 01:46:45,250

the acronym SETI is the Egyptian word

2405

01:46:52,740 --> 01:46:48,429

that means man upset man of the chaos

2406

01:46:53,970 --> 01:46:52,750

God and Richard Greer's organization the

2407

01:47:00,169 --> 01:46:53,980

Center for the Study of extraterrestrial

2408

01:47:04,080 --> 01:47:00,179

intelligence C SETI like wise man said

2409

01:47:06,870 --> 01:47:04,090

probably a coincidence probably oh I

2410

01:47:08,669 --> 01:47:06,880

don't know so the Bible you know you

2411

01:47:10,860 --> 01:47:08,679

were talking about translation you know

2412

01:47:13,740 --> 01:47:10,870

it was I guess from Hebrew to Greek

2413

01:47:17,490 --> 01:47:13,750

sometime around the 3rd century BC and

2414

01:47:21,090 --> 01:47:17,500

then the Dead Sea scrolls were found but

2415

01:47:24,330 --> 01:47:21,100

the translation of the Bible then

2416

01:47:27,000 --> 01:47:24,340

there's King James Bible and then

2417

01:47:30,450 --> 01:47:27,010

there's the I don't know what you would

2418

01:47:34,110 --> 01:47:30,460

call it the when they changed everything

2419

01:47:36,270 --> 01:47:34,120

everything to yea thou shalt and all

2420

01:47:38,820 --> 01:47:36,280

that stuff you know there's been many

2421

01:47:42,689 --> 01:47:38,830

translations is what I'm getting at how

2422

01:47:44,640 --> 01:47:42,699

do we know how first of all you know

2423

01:47:47,070 --> 01:47:44,650

this is of course their show about UFOs

2424

01:47:49,260 --> 01:47:47,080

but it's still interesting to me to ask

2425

01:47:51,660 --> 01:47:49,270

you know this question how do we know

2426

01:47:54,120 --> 01:47:51,670

what you're reading today in the Bible

2427

01:47:56,939 --> 01:47:54,130

is anything like it's kind of like the

2428

01:47:58,979 --> 01:47:56,949

game telephone what started out as an

2429

01:48:01,110 --> 01:47:58,989

illicit that's a really excellent

2430

01:48:04,050 --> 01:48:01,120

question and it gets back to what I said

2431

01:48:06,300 --> 01:48:04,060

earlier that there were more old copies

2432

01:48:08,750 --> 01:48:06,310

of texts for the Bible than there is for

2433

01:48:11,610 --> 01:48:08,760

anything else out of the ancient world

2434

01:48:13,979 --> 01:48:11,620

the oldest complete copy of the book

2435

01:48:15,540 --> 01:48:13,989

probably goes back about 326 and you

2436

01:48:17,760 --> 01:48:15,550

think okay well that's 300 years after

2437

01:48:21,180 --> 01:48:17,770

Jesus died that's not very new well yeah

2438

01:48:23,700 --> 01:48:21,190

okay but the oldest copy that we have

2439

01:48:25,380 --> 01:48:23,710

rather yeah the oldest copy of anything

2440

01:48:28,590 --> 01:48:25,390

that we've got from say Julius Caesar

2441

01:48:32,100 --> 01:48:28,600

who lived about fifty years before Jesus

2442

01:48:34,350 --> 01:48:32,110

of Nazareth they just about a thousand

2443

01:48:35,940 --> 01:48:34,360

BC or a thousand AD rather so you've got

2444

01:48:38,040 --> 01:48:35,950

a thousand years but nobody questions

2445

01:48:39,930 --> 01:48:38,050

that Julius Caesar actually wrote his

2446

01:48:42,780 --> 01:48:39,940

history of how he defeated the you know

2447

01:48:45,330 --> 01:48:42,790

the Celtic tribes in Gaul there are

2448

01:48:47,730 --> 01:48:45,340

other examples like that but the thing

2449

01:48:50,340 --> 01:48:47,740

that really got it for me is this when

2450

01:48:52,560 --> 01:48:50,350

you look at the letters of the early

2451
01:48:55,050 --> 01:48:52,570
church fathers and we're talking about

2452
01:48:56,070 --> 01:48:55,060
before the Council of Nicaea because I

2453
01:48:58,860 --> 01:48:56,080
know there are a lot of people who think

2454
01:49:00,720 --> 01:48:58,870
oh yeah Constantine the Great basically

2455
01:49:02,190 --> 01:49:00,730
took the books that he wanted threw

2456
01:49:04,650 --> 01:49:02,200
everything else out it the Council of

2457
01:49:07,890 --> 01:49:04,660
Nicaea well that's actually not true but

2458
01:49:09,540 --> 01:49:07,900
setting that aside when you take the

2459
01:49:12,510 --> 01:49:09,550
letters of the early church fathers from

2460
01:49:14,760 --> 01:49:12,520
the second early second through early

2461
01:49:17,160 --> 01:49:14,770
third century saw a lot from 100 AD to

2462
01:49:18,960 --> 01:49:17,170
the early 200s the letters that they

2463
01:49:22,110 --> 01:49:18,970

wrote back and forth they quoted so much

2464

01:49:23,670 --> 01:49:22,120

scripture New Testament scripture New

2465

01:49:24,960 --> 01:49:23,680

Testament scripture that you could

2466

01:49:28,560 --> 01:49:24,970

reconstruct the entire New Testament

2467

01:49:30,060 --> 01:49:28,570

from their writings except for about 15

2468

01:49:31,530 --> 01:49:30,070

verses and none of those fifteen verses

2469

01:49:34,740 --> 01:49:31,540

and anything to do with doctrine in

2470

01:49:36,720 --> 01:49:34,750

other words Jesus died in the ground

2471

01:49:39,000 --> 01:49:36,730

three days rose again from the dead died

2472

01:49:41,490 --> 01:49:39,010

first since none of that was in those 15

2473

01:49:45,330 --> 01:49:41,500

missing verses so you can use their

2474

01:49:48,150 --> 01:49:45,340

letters as a cross-check on what we got

2475

01:49:49,590 --> 01:49:48,160

later to see if stuff has changed and

2476

01:49:51,810 --> 01:49:49,600

scholars who've done this it found that

2477

01:49:54,840 --> 01:49:51,820

the Bible is over 98% at the New

2478

01:49:56,490 --> 01:49:54,850

Testament over 98% unchanged and none of

2479

01:49:59,190 --> 01:49:56,500

those two and most of those 2% changes

2480

01:50:02,070 --> 01:49:59,200

are like you know grammatical things or

2481

01:50:03,840 --> 01:50:02,080

you know missing diacritical marks or

2482

01:50:07,050 --> 01:50:03,850

pop you know apostrophes and commas and

2483

01:50:10,920 --> 01:50:07,060

things so again they can really we

2484

01:50:13,590 --> 01:50:10,930

really can know the text texts that we

2485

01:50:16,160 --> 01:50:13,600

have accurately preserved for the last

2486

01:50:22,650 --> 01:50:16,170

2,000 years

2487

01:50:24,600 --> 01:50:22,660

interesting yep but how you know getting

2488

01:50:26,910 --> 01:50:24,610

back to the languages you know I know

2489

01:50:29,070 --> 01:50:26,920

that that's always tough to translate

2490

01:50:31,320 --> 01:50:29,080

one language to another you know I mean

2491

01:50:34,440 --> 01:50:31,330

there but but we get at the gist of it

2492

01:50:34,710 --> 01:50:34,450

is the stories of the stories which I

2493

01:50:36,870 --> 01:50:34,720

think

2494

01:50:41,720 --> 01:50:36,880

are kind of some of them are pretty far

2495

01:50:46,170 --> 01:50:41,730

out there and then you know for God

2496

01:50:48,420 --> 01:50:46,180

asking Abraham to sacrifice his son that

2497

01:50:49,620 --> 01:50:48,430

is one thing I just I don't get I don't

2498

01:50:51,570 --> 01:50:49,630

think there would be a god like that I

2499

01:50:53,010 --> 01:50:51,580

don't get that well that that's

2500

01:50:54,390 --> 01:50:53,020

interesting you mentioned it because

2501
01:50:55,770 --> 01:50:54,400
that's actually an area of study now

2502
01:50:57,990 --> 01:50:55,780
that mentioned I'm gonna have to include

2503
01:51:01,590 --> 01:50:58,000
that in the forthcoming book in the

2504
01:51:04,770 --> 01:51:01,600
culture from which Abraham emerged that

2505
01:51:08,400 --> 01:51:04,780
was actually not uncommon that was not

2506
01:51:10,500 --> 01:51:08,410
uncommon now again we have to assume

2507
01:51:13,080 --> 01:51:10,510
that there were other small G God's

2508
01:51:15,990 --> 01:51:13,090
fallen angels if you prefer who were

2509
01:51:17,310 --> 01:51:16,000
whispering things in other ears but when

2510
01:51:19,140 --> 01:51:17,320
you look at the religion of the ancient

2511
01:51:23,550 --> 01:51:19,150
world the Amma writes in particular who

2512
01:51:25,410 --> 01:51:23,560
were a people known the scholars for you

2513
01:51:26,910 --> 01:51:25,420

know last couple hundred years but in

2514

01:51:28,530 --> 01:51:26,920

the days of Abraham they controlled the

2515

01:51:30,360 --> 01:51:28,540

entire ancient Near East everything on a

2516

01:51:32,970 --> 01:51:30,370

map today that's Iraq Syria Jordan

2517

01:51:34,920 --> 01:51:32,980

Israel Lebanon even northern Egypt I

2518

01:51:36,660 --> 01:51:34,930

mean when the Israelites were in Egypt

2519

01:51:38,220 --> 01:51:36,670

they weren't Egyptians ruling northern

2520

01:51:40,530 --> 01:51:38,230

Egypt they were Amma rights they were

2521

01:51:44,970 --> 01:51:40,540

Semitic speaking people like the Hebrews

2522

01:51:48,510 --> 01:51:44,980

and they were really into venerating

2523

01:51:51,570 --> 01:51:48,520

dead ancestors and sacrificing children

2524

01:51:55,860 --> 01:51:51,580

if need be in order to ensure the favor

2525

01:51:57,150 --> 01:51:55,870

other gods in fact in may my wife and I

2526
01:52:00,450 --> 01:51:57,160
had a group of about a hundred people

2527
01:52:01,950 --> 01:52:00,460
are touring Israel Jordan and then going

2528
01:52:03,570 --> 01:52:01,960
to Rome and Sardinia with a smaller

2529
01:52:04,950 --> 01:52:03,580
group and one of the things we'll be

2530
01:52:06,810 --> 01:52:04,960
looking at are the tuffets

2531
01:52:08,310 --> 01:52:06,820
of the Phoenicians who were the

2532
01:52:10,200 --> 01:52:08,320
descendants of the amorite where they

2533
01:52:12,300 --> 01:52:10,210
sacrificed their children to their gods

2534
01:52:15,240 --> 01:52:12,310
so this was not an unknown thing but

2535
01:52:16,380 --> 01:52:15,250
when God said okay do this okay

2536
01:52:19,350 --> 01:52:16,390
testing Abraham's faith but then he

2537
01:52:21,120 --> 01:52:19,360
stopped him so uh this is not who I am

2538
01:52:23,780 --> 01:52:21,130

look over here there's a ram caught in

2539

01:52:29,250 --> 01:52:23,790

the thicket sacrifice that instead but

2540

01:52:31,850 --> 01:52:29,260

yeah shad sacrifice adult sacrifice not

2541

01:52:37,320 --> 01:52:31,860

an uncommon thing in the ancient world

2542

01:52:40,410 --> 01:52:37,330

yeah not good either so your next book

2543

01:52:42,680 --> 01:52:40,420

is I we talked a little bit just before

2544

01:52:45,150 --> 01:52:42,690

the star of the show is kind of going

2545

01:52:48,149 --> 01:52:45,160

this trip that you're going to be making

2546

01:52:50,430 --> 01:52:48,159

sounds absolutely fantastic and

2547

01:52:52,050 --> 01:52:50,440

is that in part of research for this

2548

01:52:54,300 --> 01:52:52,060

book you have and go ahead and announce

2549

01:52:56,640 --> 01:52:54,310

what that's going to be well we'll be in

2550

01:52:59,729 --> 01:52:56,650

Israel from May 6 through the 16th and

2551
01:53:01,020 --> 01:52:59,739
then heading from there to Jordan for a

2552
01:53:03,209 --> 01:53:01,030
few days we'll get to see Mount Nebo

2553
01:53:06,990 --> 01:53:03,219
where Moses looked across the Jordan

2554
01:53:08,610 --> 01:53:07,000
River to see the the promised land we'll

2555
01:53:10,800 --> 01:53:08,620
also get to see some of those dolmens

2556
01:53:14,040 --> 01:53:10,810
which are like miniature stone hinges

2557
01:53:15,540 --> 01:53:14,050
yeah I saw them in Russia they're really

2558
01:53:17,399 --> 01:53:15,550
interesting they don't even know how old

2559
01:53:18,780 --> 01:53:17,409
they are because they're made of stone

2560
01:53:20,970 --> 01:53:18,790
they could be twenty five thousand years

2561
01:53:22,350 --> 01:53:20,980
old they have no idea exactly most

2562
01:53:23,760 --> 01:53:22,360
scholars in the ancient Near East along

2563
01:53:25,080 --> 01:53:23,770

the Jordan River Bend they put into it

2564

01:53:27,060 --> 01:53:25,090

at three thousand years or so which is

2565

01:53:29,970 --> 01:53:27,070

just before Abraham came along three

2566

01:53:31,379 --> 01:53:29,980

four thousand years or so but still

2567

01:53:33,330 --> 01:53:31,389

we'll get a chance to see those and it

2568

01:53:36,330 --> 01:53:33,340

is significant I don't want to take too

2569

01:53:38,129 --> 01:53:36,340

much time here but it ties in with the

2570

01:53:40,500 --> 01:53:38,139

prophecy of Gog and Magog there's a

2571

01:53:43,830 --> 01:53:40,510

curious reference to something called

2572

01:53:46,290 --> 01:53:43,840

the valley at the travelers in the

2573

01:53:48,479 --> 01:53:46,300

prophecy of that war that relates to the

2574

01:53:51,120 --> 01:53:48,489

dolmens but then will be going on the

2575

01:53:52,140 --> 01:53:51,130

19th of may to Rome and then to start

2576

01:53:55,110 --> 01:53:52,150

Denia so we'll get to through the

2577

01:53:56,939 --> 01:53:55,120

Vatican we'll also see the historical

2578

01:53:58,290 --> 01:53:56,949

sites of Rome and then in Sardinia where

2579

01:54:00,510 --> 01:53:58,300

there are number of toughest which are

2580

01:54:03,330 --> 01:54:00,520

ritual sites where children were

2581

01:54:05,790 --> 01:54:03,340

sacrificed in Bury to their God bale

2582

01:54:10,439 --> 01:54:05,800

Haman who scholars equate with the Greek

2583

01:54:13,500 --> 01:54:10,449

god Kronos or Saturn of the Romans L of

2584

01:54:15,840 --> 01:54:13,510

the Canaanites Chronos of course was the

2585

01:54:17,280 --> 01:54:15,850

God who Zeus in the Olympians leader of

2586

01:54:18,860 --> 01:54:17,290

the Titans who Zeus and the Olympians

2587

01:54:21,180 --> 01:54:18,870

overthrew in the sent down to Tartarus

2588

01:54:24,240 --> 01:54:21,190

there's actually a mention in the Bible

2589

01:54:27,780 --> 01:54:24,250

of angels who sinned and were punished

2590

01:54:30,689 --> 01:54:27,790

by being sent to Tartarus Wow

2591

01:54:32,490 --> 01:54:30,699

I don't know how we could have ever had

2592

01:54:35,640 --> 01:54:32,500

the mindset that it's okay to sacrifice

2593

01:54:38,040 --> 01:54:35,650

our children that's just horrible but

2594

01:54:40,740 --> 01:54:38,050

but well God says it never entered his

2595

01:54:42,899 --> 01:54:40,750

mind so that's that's part of the point

2596

01:54:44,640 --> 01:54:42,909

these these are rebel gods who convinced

2597

01:54:47,669 --> 01:54:44,650

the people around ancient Israel to do

2598

01:54:50,250 --> 01:54:47,679

it and I mean if we look to hear it in

2599

01:54:52,070 --> 01:54:50,260

our continent it was a sacrifice that

2600

01:54:54,479 --> 01:54:52,080

was taking place here in the Americas

2601

01:54:58,439 --> 01:54:54,489

yeah there's a lot of things that have

2602

01:55:00,450 --> 01:54:58,449

taken place yeah I know even slavery

2603

01:55:01,939 --> 01:55:00,460

among Native Americans even you know

2604

01:55:03,229 --> 01:55:01,949

among themselves

2605

01:55:04,970 --> 01:55:03,239

so a lot of things that we don't know

2606

01:55:07,700 --> 01:55:04,980

about or ever talked about in history

2607

01:55:10,370 --> 01:55:07,710

learned in school anyway thanks so much

2608

01:55:11,689 --> 01:55:10,380

it's been a real pleasure and again hold

2609

01:55:16,600 --> 01:55:11,699

your book up for the people on YouTube

2610

01:55:20,540 --> 01:55:16,610

one more time can you hear me okay

2611

01:55:23,810 --> 01:55:20,550

well I think we just lost him did we

2612

01:55:26,120 --> 01:55:23,820

just lose you all right no he's gone oh

2613

01:55:29,540 --> 01:55:26,130

there you are okay yeah hold on okay

2614

01:55:31,130 --> 01:55:29,550

more time Oh website is official

2615

01:55:34,790 --> 01:55:31,140

disclosure com that's official

2616

01:55:38,860 --> 01:55:34,800

disclosure com official disclosure com

2617

01:55:46,430 --> 01:55:44,810

all right let's see all right you can if

2618

01:55:48,229 --> 01:55:46,440

you could I'm having trouble with this

2619

01:55:51,470 --> 01:55:48,239

Skype I'm gonna have to ask you to hang

2620

01:55:53,810 --> 01:55:51,480

up if you would thank you very much all

2621

01:55:56,290 --> 01:55:53,820

right all right everyone appreciate it I

2622

01:55:59,090 --> 01:55:56,300

really enjoyed it yes I did - thank you

2623

01:56:02,209 --> 01:55:59,100

all right everyone so that's it for the

2624

01:56:04,340 --> 01:56:02,219

show thanks so much for checking us out

2625

01:56:06,040 --> 01:56:04,350

and listening if you support the show

2626

01:56:08,689 --> 01:56:06,050

thanks so much if you'd like to do that

2627

01:56:11,709 --> 01:56:08,699

and you haven't all you have to do is go

2628

01:56:14,390 --> 01:56:11,719

to podcast UFO comm and it's right there

2629

01:56:16,189 --> 01:56:14,400

so we'll be back next week with Greg

2630

01:56:19,189 --> 01:56:16,199

Bishop I'm really excited about that

2631

01:56:23,150 --> 01:56:19,199

he's got a wonderful podcast called

2632

01:56:25,700 --> 01:56:23,160

radio mysterioso and so he'll be on next

2633

01:56:28,340 --> 01:56:25,710

week he'll be live-streaming with us

2634

01:56:29,510 --> 01:56:28,350

here as usual and I want to thank some

2635

01:56:31,880 --> 01:56:29,520

people that helped out with the show

2636

01:56:34,459 --> 01:56:31,890

first of all Evan the show producer

2637

01:56:37,640 --> 01:56:34,469

thank you we had a challenge tonight and

2638

01:56:41,209 --> 01:56:37,650

you pull through I also want to thank

2639

01:56:43,189 --> 01:56:41,219

Peggy for managing the Facebook page you

2640

01:56:44,780 --> 01:56:43,199

can like us on Facebook I think we have

2641

01:56:48,200 --> 01:56:44,790

a lot of people there and there's

2642

01:56:50,360 --> 01:56:48,210

postings every day on that site we also

2643

01:56:53,240 --> 01:56:50,370

have a guest blog you can check that out

2644

01:56:57,050 --> 01:56:53,250

at podcast UFO comm and that's about to

2645

01:56:59,330 --> 01:56:57,060

the stars an opinion about that so

2646

01:57:01,700 --> 01:56:59,340

that's it and I hope I didn't leave

2647

01:57:05,479 --> 01:57:01,710

anyone out for ya of course I want to

2648

01:57:06,650 --> 01:57:05,489

thank our guest Derek Gilbert that was

2649

01:57:10,130 --> 01:57:06,660

on the show tonight I don't want to

2650

01:57:12,650 --> 01:57:10,140

forget that and so that's it and thank

2651

01:57:14,960 --> 01:57:12,660

you all and remember to keep your eyes

2652

01:57:33,560 --> 01:57:14,970

to the sky
