[Music]

2  
00:00:32,330 --> 00:00:29,960

hello and welcome to the show ah Martin

3  
00:00:32,780 --> 00:00:32,340

will assure host and we have an exciting

4  
00:00:34,819 --> 00:00:32,790

show

5  
00:00:37,299 --> 00:00:34,829

we have Alejandro Rojas coming up with

6  
00:00:39,740 --> 00:00:37,309

the UFO updates in just a minute and

7  
00:00:41,719 --> 00:00:39,750

after that we have Jordan

8  
00:00:43,729 --> 00:00:41,729

Bonaparte from Canada he's gonna be

9  
00:00:45,170 --> 00:00:43,739

talking about something that he's

10  
00:00:48,319 --> 00:00:45,180

working on pretty interesting it's

11  
00:00:50,709 --> 00:00:48,329

called UFOs above Canada um he does a

12  
00:00:56,090 --> 00:00:50,719

great show called the nighttime podcast

13  
00:00:57,490 --> 00:00:56,100

and after that about 45 minutes into the

14

00:01:02,090 --> 00:00:57,500

show we're gonna be talking to Ellie

15

00:01:03,079 --> 00:01:02,100

Maloney now she is a former lawyer she's

16

00:01:06,230 --> 00:01:03,089

actually gonna be talking to us from

17

00:01:07,399 --> 00:01:06,240

Europe so she's staying up late and she

18

00:01:10,039 --> 00:01:07,409

has written a book that's really

19

00:01:13,340 --> 00:01:10,049

interesting it's a science fiction but

20

00:01:14,690 --> 00:01:13,350

it's it's really good and a lot of

21

00:01:16,370 --> 00:01:14,700

really good reviews and we'll be talking

22

00:01:18,109 --> 00:01:16,380

about that and she knows a little bit

23

00:01:20,030 --> 00:01:18,119

about some UFO cases which kind of

24

00:01:22,160 --> 00:01:20,040

inspired part of her book we're gonna be

25

00:01:24,980 --> 00:01:22,170

talking about that as well so I want to

26  
00:01:26,690 --> 00:01:24,990  
thank you for supporting the show and if

27  
00:01:28,670 --> 00:01:26,700  
you can't support the show and want to

28  
00:01:31,010 --> 00:01:28,680  
listen to the full shows all you have to

29  
00:01:32,690 --> 00:01:31,020  
do is go to podcast UFO comm every

30  
00:01:36,440 --> 00:01:32,700

Thursday nights from 10:00 until

35  
00:01:51,080 --> 00:01:46,979  
midnight and speaking of the dark matter

36  
00:01:53,300 --> 00:01:51,090  
of digital network art Bell we lost art

37  
00:01:54,289 --> 00:01:53,310  
Bell last week and Alejandro is going to

38  
00:01:56,120 --> 00:01:54,299

be on we're going to talk a little bit

39

00:01:59,539 --> 00:01:56,130  
about that Alejandro welcome to the show

40

00:01:59,990 --> 00:01:59,549  
hello thank you sir always lovely to be

41

00:02:04,039 --> 00:02:00,000  
here

42

00:02:07,880 --> 00:02:04,049  
yes good to have you on as always mm-hmm

43

00:02:10,550 --> 00:02:07,890  
I'm I'm off planet yes you see that just

44

00:02:13,610 --> 00:02:10,560  
a second here the Yuto okay Eric there

45

00:02:16,449 --> 00:02:13,620  
you are our planet yeah we had a we had

46

00:02:19,339 --> 00:02:16,459  
a meltdown last week on YouTube we had a

47

00:02:22,070 --> 00:02:19,349  
downloaded software I mean up whatever

48

00:02:24,830 --> 00:02:22,080  
you call it we updated software on our

49

00:02:27,020 --> 00:02:24,840  
Mac and and that was history for this

50

00:02:28,699 --> 00:02:27,030  
program had to wipe the Mac completely

51  
00:02:32,300 --> 00:02:28,709  
clean and start all over from scratch

52  
00:02:34,069 --> 00:02:32,310  
and have an old razor on so we just got

53  
00:02:35,990 --> 00:02:34,079  
I mean it was hours and hours two days

54  
00:02:39,860 --> 00:02:36,000  
worth of work but we're on

55  
00:02:42,290 --> 00:02:39,870  
no glitches right now so far so far just

56  
00:02:44,180 --> 00:02:42,300  
like having a new computer but anyway

57  
00:02:46,820 --> 00:02:44,190  
it's all fixed and I love the background

58  
00:02:48,950 --> 00:02:46,830  
now what is that a great big like poster

59  
00:02:51,920 --> 00:02:48,960  
or something behind you

60  
00:02:54,650 --> 00:02:51,930  
no it's it's it's a is a planet and will

61  
00:02:57,560 --> 00:02:54,660  
it's the hallway you see kind of a l

62  
00:02:59,570 --> 00:02:57,570  
think this is kind of like an air or

63  
00:03:03,590 --> 00:02:59,580

like just kind of a hallway in a

64

00:03:06,530 --> 00:03:03,600

spacecraft oh you're on that yeah you do

65

00:03:09,949 --> 00:03:06,540

see some planets and I'm not even sure

66

00:03:12,890 --> 00:03:09,959

where we're at but somewhere out in the

67

00:03:15,350 --> 00:03:12,900

vast wild beyond Wow and you have

68

00:03:18,199 --> 00:03:15,360

internet which is really amazing mm-hmm

69

00:03:20,510 --> 00:03:18,209

oh yeah the Internet's great got really

70

00:03:21,770 --> 00:03:20,520

good signal out there yeah all right

71

00:03:23,390 --> 00:03:21,780

we're going to expand your so they can

72

00:03:26,960 --> 00:03:23,400

see the whole picture of the YouTube or

73

00:03:28,580 --> 00:03:26,970

helps in just a second okay so I just

74

00:03:30,890 --> 00:03:28,590

mentioned art bell you want to lead off

75

00:03:33,580 --> 00:03:30,900

talking about all right yeah

76

00:03:37,430 --> 00:03:33,590

so unfortunately art bell passed away

77

00:03:39,949 --> 00:03:37,440

fairly recently funny enough this guy

78

00:03:43,460 --> 00:03:39,959

came up keV Chung Kevin Johnson him in

79

00:03:45,350 --> 00:03:43,470

my podcast on a different issue but I

80

00:03:47,930 --> 00:03:45,360

actually found out from him first very

81

00:03:52,039 --> 00:03:47,940

quickly I guess most people found out

82

00:03:55,880 --> 00:03:52,049

because the local police had posted that

83

00:03:59,590 --> 00:03:55,890

this had happened and so one of the

84

00:04:03,650 --> 00:03:59,600

viewers listeners posted that on our

85

00:04:07,640 --> 00:04:03,660

open minds UFO group and within an hour

86

00:04:09,770 --> 00:04:07,650

of that happening so we found out fairly

87

00:04:13,039 --> 00:04:09,780

quickly I guess there's not a lot of

88

00:04:16,729 --> 00:04:13,049

information about how or exactly what he

89

00:04:21,770 --> 00:04:16,739

passed from I guess he was a 72 years

90

00:04:25,070 --> 00:04:21,780

old so yeah very sad of course he's a

91

00:04:26,270 --> 00:04:25,080

legend you know a lot of people don't

92

00:04:29,360 --> 00:04:26,280

know we talked about this in the last

93

00:04:31,159 --> 00:04:29,370

show yeah a couple neat points that when

94

00:04:33,680 --> 00:04:31,169

I found this out from George Knapp that

95

00:04:35,600 --> 00:04:33,690

actually Robert Bigelow is how who

96

00:04:36,800 --> 00:04:35,610

helped him get his beginning Robert and

97

00:04:38,810 --> 00:04:36,810

George Knapp and some others were

98

00:04:42,020 --> 00:04:38,820

involved with talking him into doing

99

00:04:43,640 --> 00:04:42,030

this and they they helped fund it and I

100

00:04:46,279 --> 00:04:43,650

guess it was a small thing in local

101  
00:04:49,219 --> 00:04:46,289  
there but of course it it grew and got

102  
00:04:49,850 --> 00:04:49,229  
huge and essentially you know if you

103  
00:04:52,520 --> 00:04:49,860  
were list

104  
00:04:54,770 --> 00:04:52,530  
to the radio overnight you were

105  
00:04:56,659 --> 00:04:54,780  
listening to our bell pretty much for

106  
00:04:59,990 --> 00:04:56,669  
many many years including when I was

107  
00:05:05,749 --> 00:05:00,000  
growing up and and probably when you

108  
00:05:08,270 --> 00:05:05,759  
were a little younger too so but it's I

109  
00:05:12,439 --> 00:05:08,280  
I guess if people aren't don't seem to

110  
00:05:14,119 --> 00:05:12,449  
be too shocked he was older but sad it

111  
00:05:16,459 --> 00:05:14,129  
is a little early you know your

112  
00:05:19,159 --> 00:05:16,469  
seventies these days people live past

113  
00:05:20,779 --> 00:05:19,169

that but yeah another really cool thing

114

00:05:24,290 --> 00:05:20,789

that was posted this week was from

115

00:05:27,649 --> 00:05:24,300

Bryce's able so Bryce is awesome

116

00:05:32,600 --> 00:05:27,659

Hollywood guy he spoke at our conference

117

00:05:34,790 --> 00:05:32,610

this last year and and he actually was a

118

00:05:37,189 --> 00:05:34,800

producer and writer of a TV series

119

00:05:42,800 --> 00:05:37,199

called dark skies which was essentially

120

00:05:44,719 --> 00:05:42,810

NBC's answered to x-files however it was

121

00:05:48,140 --> 00:05:44,729

based off of you know actual kind of

122

00:05:50,119 --> 00:05:48,150

research what people suspect to be the

123

00:05:52,459 --> 00:05:50,129

truth of what's going on and there was

124

00:05:55,219 --> 00:05:52,469

all this majestic 12 and everything well

125

00:05:57,769 --> 00:05:55,229

when he had a scene where all the

126

00:06:00,559 --> 00:05:57,779

majestic 12 people were together art

127

00:06:03,439 --> 00:06:00,569

Bell was cast as one of the majestic 12

128

00:06:07,730 --> 00:06:03,449

and he actually has a few speaking lines

129

00:06:10,040 --> 00:06:07,740

and it's a really great clip Wow yeah I

130

00:06:12,019 --> 00:06:10,050

saw something about that now on on

131

00:06:15,769 --> 00:06:12,029

midnight in the desert they have a

132

00:06:18,649 --> 00:06:15,779

little bit about arts final ride rest in

133

00:06:21,670 --> 00:06:18,659

peace and they say that it's probably

134

00:06:24,890 --> 00:06:21,680

due likely to complications from his

135

00:06:28,790 --> 00:06:24,900

diagnose to COPD I don't know exactly

136

00:06:33,290 --> 00:06:31,309

it's I think obstructive at the heart

137

00:06:38,390 --> 00:06:33,300

yeah chronic obstructive pulmonary

138

00:06:41,059 --> 00:06:38,400

disease so anyway yeah he's a he was an

139

00:06:43,519 --> 00:06:41,069

icon I think he opened the door for well

140

00:06:45,740 --> 00:06:43,529

for this show for so many shows actually

141

00:06:49,100 --> 00:06:45,750

I am you know a lot of people were

142

00:06:52,010 --> 00:06:49,110

inspired by him and one of the things I

143

00:06:53,929 --> 00:06:52,020

heard him say often was if you're gonna

144

00:06:55,309 --> 00:06:53,939

do it just be yourself you know that's

145

00:06:57,260 --> 00:06:55,319

all you have to do is just be yourself

146

00:07:00,529 --> 00:06:57,270

on air and he was very very good at that

147

00:07:03,190 --> 00:07:00,539

very natural mm-hmm I and yeah I think

148

00:07:04,810 --> 00:07:03,200

that's a key and that's what people

149

00:07:06,340 --> 00:07:04,820

I don't think you have to do a lot of

150

00:07:09,550 --> 00:07:06,350

showmanship and everything you don't

151

00:07:12,880 --> 00:07:09,560

have to you know go off planet and try

152

00:07:15,190 --> 00:07:12,890

like you to impress people you know that

153

00:07:19,030 --> 00:07:15,200

way you just have to be yourself and and

154

00:07:23,230 --> 00:07:19,040

he was I mean you can tell he had a

155

00:07:28,000 --> 00:07:23,240

genuine curiosity it's very nice to

156

00:07:29,560 --> 00:07:28,010

guess and and and he was a thinker you

157

00:07:31,360 --> 00:07:29,570

know he was always contemplating and

158

00:07:35,320 --> 00:07:31,370

thinking and that was fun about his show

159

00:07:37,390 --> 00:07:35,330

which he was always kind of putting out

160

00:07:39,790 --> 00:07:37,400

scenarios of what if this or what if

161

00:07:43,900 --> 00:07:39,800

that you can tell he was very very

162

00:07:45,610 --> 00:07:43,910

curious and and so he felt like you know

163

00:07:48,150 --> 00:07:45,620

he felt like one of you someone that was

164

00:07:51,880 --> 00:07:48,160

just really into the topic and really

165

00:07:54,960 --> 00:07:51,890

curious about what's going on like many

166

00:07:57,940 --> 00:07:54,970

of us who who are compelled to do this

167

00:08:00,490 --> 00:07:57,950

that's right and so yeah so he was he

168

00:08:04,990 --> 00:08:00,500

was a he was a mentor for many of us and

169

00:08:07,180 --> 00:08:05,000

and it's sad that he's gone and I I'm

170

00:08:09,190 --> 00:08:07,190

sort of bummed too that I never got to

171

00:08:11,350 --> 00:08:09,200

meet him or talk to him personally did

172

00:08:13,210 --> 00:08:11,360

you I never actually talked to him only

173

00:08:14,890 --> 00:08:13,220

communicated through email I came really

174

00:08:18,010 --> 00:08:14,900

really close it's kind of a funny story

175

00:08:19,720 --> 00:08:18,020

but anyway I was out of range when he

176

00:08:24,280 --> 00:08:19,730

was going to call I was at a lake

177

00:08:25,600 --> 00:08:24,290

unfortunately and missed a call and Wow

178

00:08:28,660 --> 00:08:25,610

but anyway it was just one of those

179

00:08:31,090 --> 00:08:28,670

situations yeah cuz you were on his

180

00:08:33,520 --> 00:08:31,100

network I mean I was alluring yeah I'm

181

00:08:35,560 --> 00:08:33,530

on his network yeah on just now a

182

00:08:38,620 --> 00:08:35,570

recorded show on his network but I

183

00:08:41,890 --> 00:08:38,630

started out live on his network and was

184

00:08:43,840 --> 00:08:41,900

actually helped Heather Wade who took

185

00:08:46,120 --> 00:08:43,850

over his place actually I was her

186

00:08:47,620 --> 00:08:46,130

producer for a little while so I got to

187

00:08:51,670 --> 00:08:47,630

know the and Keith role and great people

188

00:08:55,140 --> 00:08:51,680

over there so it was a an interesting

189

00:08:58,210 --> 00:08:55,150

experience it was fun yeah yeah so

190

00:09:01,390 --> 00:08:58,220

anyway yeah that's a it's a big loss and

191

00:09:04,660 --> 00:09:01,400

and he will certainly be missed he's an

192

00:09:06,910 --> 00:09:04,670

icon almost hard to believe he's gone

193

00:09:09,010 --> 00:09:06,920

and actually you do hear a lot of his

194

00:09:10,450 --> 00:09:09,020

shows playing and if you go on youtube

195

00:09:12,670 --> 00:09:10,460

for anything right now you'll see art

196

00:09:16,570 --> 00:09:12,680

bells come up right away you know his

197

00:09:19,960 --> 00:09:16,580

old shows so long he lived that way

198

00:09:21,220 --> 00:09:19,970

yeah so what else is happening in sports

199

00:09:23,019 --> 00:09:21,230

you know I just you know what's

200

00:09:24,790 --> 00:09:23,029

interesting on the spacecraft and now

201  
00:09:27,670 --> 00:09:24,800  
you can buy them online as these these

202  
00:09:29,620 --> 00:09:27,680  
UFO Congress mugs look how cool that is

203  
00:09:31,480 --> 00:09:29,630  
oh wow you can find that at the UFO

204  
00:09:34,240 --> 00:09:31,490  
Congress store we were that's what I'm

205  
00:09:35,980 --> 00:09:34,250  
out here doing it's bartering with some

206  
00:09:38,199 --> 00:09:35,990  
of the locals of the planet that you can

207  
00:09:40,000 --> 00:09:38,209  
see over my shoulder here and they

208  
00:09:43,990 --> 00:09:40,010  
create these the dissin credible

209  
00:09:47,590 --> 00:09:44,000  
technology well that's perfect for mugs

210  
00:09:49,150 --> 00:09:47,600  
it looks like ceramic but Wow yeah.he

211  
00:09:51,430 --> 00:09:49,160  
technology so you could get that at the

212  
00:09:52,569 --> 00:09:51,440  
Congress website but anyways other news

213  
00:09:57,250 --> 00:09:52,579

Tom Reed

214

00:10:00,190 --> 00:09:57,260

have you had him on your show oh yes I

215

00:10:02,769 --> 00:10:00,200

did yes nice we had him on the show yeah

216

00:10:05,170 --> 00:10:02,779

he and I both had trouble getting out to

217

00:10:07,060 --> 00:10:05,180

your the Congress out there during

218

00:10:09,699 --> 00:10:07,070

snowstorms that year remember when

219

00:10:12,430 --> 00:10:09,709

hopefully yes yeah yeah he was late

220

00:10:16,030 --> 00:10:12,440

luckily he got out there I think it was

221

00:10:21,880 --> 00:10:16,040

last year he was a speaker but he's had

222

00:10:26,019 --> 00:10:21,890

this experience and yeah and I can't

223

00:10:27,699 --> 00:10:26,029

remember where it is Michigan ones that

224

00:10:28,780 --> 00:10:27,709

are getting Massachusetts wasn't oh

225

00:10:32,650 --> 00:10:28,790

you're right you're right it's

226

00:10:35,260 --> 00:10:32,660

Massachusetts but when he was a kid this

227

00:10:38,680 --> 00:10:35,270

happened there was a sighting it was in

228

00:10:40,660 --> 00:10:38,690

1969 it was actually in Blue Book Alan J

229

00:10:42,970 --> 00:10:40,670

Heinicke felt it was a very important

230

00:10:45,100 --> 00:10:42,980

sighting but what a lot of people don't

231

00:10:46,900 --> 00:10:45,110

know does that during the sighting you

232

00:10:48,760 --> 00:10:46,910

know Tom Reid and his family he says

233

00:10:51,040 --> 00:10:48,770

they had an abduction experience and he

234

00:10:53,350 --> 00:10:51,050

goes into detail he and his brother have

235

00:10:55,060 --> 00:10:53,360

been on several television shows he's in

236

00:10:59,680 --> 00:10:55,070

Roswell every year maybe he'll be there

237

00:11:04,060 --> 00:10:59,690

this year I'll be there and at the UFO

238

00:11:07,750 --> 00:11:04,070

Museum they're doing talks but he got a

239

00:11:09,970 --> 00:11:07,760

monument put up where his event occurred

240

00:11:12,850 --> 00:11:09,980

and it's near a bridge and one of these

241

00:11:15,370 --> 00:11:12,860

old bridges like it reminds me of

242

00:11:18,009 --> 00:11:15,380

Bridges of Madison County you know those

243

00:11:20,290 --> 00:11:18,019

sort of nice quaint little bridges like

244

00:11:25,120 --> 00:11:20,300

a covered bridge or something right yeah

245

00:11:27,280 --> 00:11:25,130

bridge mm-hmm near this bridge and what

246

00:11:29,139 --> 00:11:27,290

happened is I guess the monument on city

247

00:11:30,249 --> 00:11:29,149

land and they didn't like that so soon

248

00:11:32,469 --> 00:11:30,259

after that got put

249

00:11:34,449 --> 00:11:32,479

okay just a couple years ago they made a

250

00:11:36,759 --> 00:11:34,459

movement well now they're making him

251

00:11:39,509 --> 00:11:36,769

move it again they put it on private

252

00:11:42,280 --> 00:11:39,519

property but I guess it's on an easement

253

00:11:43,989 --> 00:11:42,290

so he's got to move it from there and

254

00:11:45,819 --> 00:11:43,999

he's upset he's saying the person who's

255

00:11:48,969 --> 00:11:45,829

making a move it is the one who chose

256

00:11:50,529 --> 00:11:48,979

the current location so geez I guess

257

00:11:50,979 --> 00:11:50,539

maybe they're getting some negative

258

00:11:53,349 --> 00:11:50,989

feedback

259

00:11:55,269 --> 00:11:53,359

I know originally some of the local said

260

00:11:57,189 --> 00:11:55,279

I don't want to go visit the bridge and

261

00:12:01,090 --> 00:11:57,199

have to you know deal with this alien

262

00:12:02,769 --> 00:12:01,100

UFO stuff but what's interesting a

263

00:12:05,919 --> 00:12:02,779

couple things of course we covered this

264

00:12:08,829 --> 00:12:05,929

before I think is that his monument and

265

00:12:11,049 --> 00:12:08,839

his event got recognized by the Historic

266

00:12:15,159 --> 00:12:11,059

Society out there so it is documented

267

00:12:17,979 --> 00:12:15,169

which is really cool but this story of

268

00:12:20,319 --> 00:12:17,989

him having to move this monument for

269

00:12:23,139 --> 00:12:20,329

some reason or other has made headlines

270

00:12:25,269 --> 00:12:23,149

all over the nation I mean it's on all

271

00:12:28,509 --> 00:12:25,279

of these big newspapers I think I saw it

272

00:12:30,939 --> 00:12:28,519

on new US News and World Report but I'm

273

00:12:31,989 --> 00:12:30,949

still seeing these links to it so it's

274

00:12:36,220 --> 00:12:31,999

made big news

275

00:12:38,409 --> 00:12:36,230

so it's interesting that it should at

276

00:12:40,840 --> 00:12:38,419

least it brings awareness to hit the

277

00:12:43,689 --> 00:12:40,850

event that occurred so it's a good thing

278

00:12:45,999 --> 00:12:43,699

for him but yeah a lot of press it's not

279

00:12:48,669 --> 00:12:46,009

him having to move this monument is it

280

00:12:51,729 --> 00:12:48,679

and it's 5,000 pounds by the way of

281

00:12:54,579 --> 00:12:51,739

concrete it is huge yes it's it's really

282

00:12:55,869 --> 00:12:54,589

big another story that I think it's

283

00:12:58,539 --> 00:12:55,879

really interesting and I know we've

284

00:13:01,359 --> 00:12:58,549

touched on this before but it's just not

285

00:13:04,720 --> 00:13:01,369

going away and it's escalated a bit and

286

00:13:08,349 --> 00:13:04,730

that's the Atacama humanoid story so

287

00:13:11,739 --> 00:13:08,359

that it it worked back in it's huge in

288

00:13:14,379 --> 00:13:11,749

that what you a couple it was only a few

289

00:13:17,289 --> 00:13:14,389

weeks ago maybe a month ago that dr.

290

00:13:19,329 --> 00:13:17,299

Noland the guy who did the DNA work who

291

00:13:21,129 --> 00:13:19,339

was actually I guess he volunteered to

292

00:13:25,419 --> 00:13:21,139

help Greer out girls like great here's

293

00:13:27,939 --> 00:13:25,429

my DNA guy and this is dr. Greer that

294

00:13:33,069 --> 00:13:27,949

you know he's famous for doing all of

295

00:13:35,319 --> 00:13:33,079

the UFO stuff but Greer claims two sinks

296

00:13:38,439 --> 00:13:35,329

an alien and dr. Noland said you know

297

00:13:40,149 --> 00:13:38,449

actually we found out it's human so

298

00:13:42,909 --> 00:13:40,159

there's been some back-and-forth there

299

00:13:44,080 --> 00:13:42,919

but what's most interesting is this

300

00:13:46,360 --> 00:13:44,090

ethical question

301  
00:13:48,910 --> 00:13:46,370  
it's now arisen and it's kind of the

302  
00:13:51,130 --> 00:13:48,920  
ethics of anthropology and taking the

303  
00:13:52,810 --> 00:13:51,140  
bodies now they're they're kind of

304  
00:13:54,820 --> 00:13:52,820  
getting in trouble him and the

305  
00:13:56,950 --> 00:13:54,830  
colleagues he got to kind of do this

306  
00:13:59,140 --> 00:13:56,960  
research to figure out what was going on

307  
00:14:02,800 --> 00:13:59,150  
with it's weird fetus that was found in

308  
00:14:04,840 --> 00:14:02,810  
and chilly in the Anna comedy and now

309  
00:14:07,870 --> 00:14:04,850  
people are questioning should they have

310  
00:14:11,320 --> 00:14:07,880  
done this research should they should

311  
00:14:13,540 --> 00:14:11,330  
scientists if are they responsible for

312  
00:14:16,270 --> 00:14:13,550  
figuring out the origins of the fetus

313  
00:14:18,640 --> 00:14:16,280

and then doing what's right influencing

314

00:14:22,480 --> 00:14:18,650

the owner then to you know do whatever

315

00:14:24,640 --> 00:14:22,490

the correct thing is and now the Chilean

316

00:14:28,030 --> 00:14:24,650

government is involved and they're upset

317

00:14:29,650 --> 00:14:28,040

and they want that fetus back I don't

318

00:14:32,830 --> 00:14:29,660

know if that's gonna happen I guess the

319

00:14:36,570 --> 00:14:32,840

owner that career first got this room

320

00:14:38,830 --> 00:14:36,580

he's a guy in Spain he now has it back

321

00:14:40,540 --> 00:14:38,840

but they've gotten in a little bit of

322

00:14:43,390 --> 00:14:40,550

hot water and it's this big kind of

323

00:14:48,010 --> 00:14:43,400

academic debate and thing that's going

324

00:14:50,170 --> 00:14:48,020

on about the ethics of of you know what

325

00:14:52,840 --> 00:14:50,180

you do with carcasses that you know come

326

00:14:54,400 --> 00:14:52,850

from third-world countries or or you

327

00:14:56,680 --> 00:14:54,410

know before you do your scientific

328

00:14:58,990 --> 00:14:56,690

research Nolan has argued that they have

329

00:15:00,730 --> 00:14:59,000

made some scientific headway on this and

330

00:15:03,580 --> 00:15:00,740

that they've been able to understand a

331

00:15:06,100 --> 00:15:03,590

little better the anomalies that

332

00:15:07,870 --> 00:15:06,110

diseases essentially that this thing had

333

00:15:12,580 --> 00:15:07,880

it was like this thing really never

334

00:15:15,040 --> 00:15:12,590

survived it was a on board fetus but so

335

00:15:16,930 --> 00:15:15,050

it's become this big thing that's so

336

00:15:19,720 --> 00:15:16,940

it's really interesting I mean this

337

00:15:23,200 --> 00:15:19,730

whole UFO alien investigation has now

338

00:15:26,380 --> 00:15:23,210

become this mainstream scientific issue

339

00:15:30,700 --> 00:15:26,390

about the ethics of working on on these

340

00:15:33,730 --> 00:15:30,710

carcasses Wow interesting huh yeah so

341

00:15:38,500 --> 00:15:33,740

this latest story by the way was in

342

00:15:41,260 --> 00:15:38,510

cosmos about this and that's kind of the

343

00:15:42,850 --> 00:15:41,270

nature it did it was kind of this silly

344

00:15:44,740 --> 00:15:42,860

little thing that people were like oh

345

00:15:46,660 --> 00:15:44,750

you know these people believe this is

346

00:15:48,400 --> 00:15:46,670

alien and they have Greer saying no it's

347

00:15:50,740 --> 00:15:48,410

still an alien this is a conspiracy

348

00:15:52,330 --> 00:15:50,750

and dr. Noland and his colleagues saying

349

00:15:54,580 --> 00:15:52,340

well we found out that it's human and

350

00:15:57,730 --> 00:15:54,590

but it has all of these weird issues

351

00:15:59,530 --> 00:15:57,740

it's evolved from this cute little story

352

00:16:01,510 --> 00:15:59,540

kind of the zenyk got these kind of

353

00:16:04,150 --> 00:16:01,520

ethical undertones and now it's become

354

00:16:04,960 --> 00:16:04,160

this big ethics issue Wow interesting

355

00:16:08,110 --> 00:16:04,970

huh

356

00:16:10,950 --> 00:16:08,120

yeah that's really weird and there's so

357

00:16:13,630 --> 00:16:10,960

many you know I'm glad they're stopping

358

00:16:19,360 --> 00:16:13,640

it's almost like they're braiding these

359

00:16:21,160 --> 00:16:19,370

you know caverns were these tombs are so

360

00:16:23,950 --> 00:16:21,170

well a lot of them are just out in the

361

00:16:26,050 --> 00:16:23,960

desert it's a very dry desert it there's

362

00:16:29,140 --> 00:16:26,060

one of the things and that's why we get

363

00:16:31,780 --> 00:16:29,150

you know this keeps happening this this

364

00:16:33,880 --> 00:16:31,790

show Gaia you know unfortunately they've

365

00:16:36,340 --> 00:16:33,890

gotten into this of course they're a

366

00:16:38,350 --> 00:16:36,350

huge like yoga company where they have

367

00:16:40,240 --> 00:16:38,360

yoga accessories and clothing and stuff

368

00:16:42,340 --> 00:16:40,250

and they've gotten into kind of the

369

00:16:44,170 --> 00:16:42,350

new-age stuff and and they've gotten

370

00:16:46,510 --> 00:16:44,180

some really hokey terrible stuff from

371

00:16:48,400 --> 00:16:46,520

the UFO world yet again these bodies

372

00:16:50,620 --> 00:16:48,410

from the desert out there and this

373

00:16:52,300 --> 00:16:50,630

happens periodically because the bodies

374

00:16:55,660 --> 00:16:52,310

are well preserved because it's a very

375

00:16:58,180 --> 00:16:55,670

dry desert right and and they look weird

376

00:17:00,070 --> 00:16:58,190

so sometimes they'll get uncovered from

377

00:17:01,960 --> 00:17:00,080

wind or whatever and people will say oh

378

00:17:04,120 --> 00:17:01,970

that looks like an alien and then they

379

00:17:06,790 --> 00:17:04,130

try to purport it's an alien I'm a moose

380

00:17:09,490 --> 00:17:06,800

ons been through this yeah and this this

381

00:17:11,770 --> 00:17:09,500

whole thing happened so that's why that

382

00:17:13,090 --> 00:17:11,780

this region is kind of ripe for this

383

00:17:15,880 --> 00:17:13,100

sort of thing and now they're kind of

384

00:17:18,100 --> 00:17:15,890

done they're like look we are done with

385

00:17:20,590 --> 00:17:18,110

people claiming that our our you know

386

00:17:23,260 --> 00:17:20,600

these these our ancestors are aliens

387

00:17:24,820 --> 00:17:23,270

they're just and and nobody should be

388

00:17:26,890 --> 00:17:24,830

messing with the bodies in the first

389

00:17:29,260 --> 00:17:26,900

place and you know I'd they have a good

390

00:17:31,480 --> 00:17:29,270

argument right right well uh

391

00:17:32,650 --> 00:17:31,490

Alejandro thank you I think that's gonna

392

00:17:36,220 --> 00:17:32,660

do it unless you have something else

393

00:17:37,990 --> 00:17:36,230

pressing I think that is all for now all

394

00:17:40,120 --> 00:17:38,000

right excellent talk to you next week

395

00:17:43,630 --> 00:17:40,130

all right talk to you next week buddy

396

00:17:46,360 --> 00:17:43,640

all right so our guest now is going to

397

00:17:50,800 --> 00:17:46,370

be Jordan Bonaparte and we've had him on

398

00:17:52,900 --> 00:17:50,810

the show previously great guy and does

399

00:17:56,230 --> 00:17:52,910

an excellent podcast called the

400

00:17:58,780 --> 00:17:56,240

nighttime podcast and so he is on with

401  
00:18:00,070 --> 00:17:58,790  
us now welcome to the show Jordan it's

402  
00:18:00,490 --> 00:18:00,080  
great to be back Martin thanks for

403  
00:18:03,880 --> 00:18:00,500  
having me

404  
00:18:07,030 --> 00:18:03,890  
yeah yeah so hey you're doing something

405  
00:18:09,310 --> 00:18:07,040  
coming up called UFOs over Canada you

406  
00:18:12,250 --> 00:18:09,320  
want to talk about that yeah sure I'll

407  
00:18:14,049 --> 00:18:12,260  
tell you about it it's really the

408  
00:18:16,450 --> 00:18:14,059  
as you mentioned I have a show now

409  
00:18:19,330 --> 00:18:16,460  
called called night time and on night

410  
00:18:22,510 --> 00:18:19,340  
time Mike I examined and explored

411  
00:18:25,150 --> 00:18:22,520  
Canadian mysteries and true-crime and I

412  
00:18:26,980 --> 00:18:25,160  
do a lot of UFO stories like I've kind

413  
00:18:28,990 --> 00:18:26,990

of over the last few years I've done

414

00:18:32,860 --> 00:18:29,000

episodes kind of covering kind of the

415

00:18:35,500 --> 00:18:32,870

main Canadian UFO events but I was

416

00:18:36,880 --> 00:18:35,510

looking for a way to really expand on

417

00:18:38,440 --> 00:18:36,890

that where again I've covered the big

418

00:18:40,930 --> 00:18:38,450

things like you know like shag harbour

419

00:18:45,159 --> 00:18:40,940

and whatnot but I kind of wanted to dive

420

00:18:47,289 --> 00:18:45,169

into the the type of UFO experiences

421

00:18:48,970 --> 00:18:47,299

that the people you work with have and

422

00:18:52,360 --> 00:18:48,980

just kind of like the everyday UFO

423

00:18:54,400 --> 00:18:52,370

experiences like I find having covered

424

00:18:56,560 --> 00:18:54,410

the UFO phenomenon a lot I'll chat with

425

00:18:58,510 --> 00:18:56,570

people and there everybody has a story

426

00:19:00,580 --> 00:18:58,520

like you know my uncle saw a UFO or my

427

00:19:03,010 --> 00:19:00,590

brother saw a UFO or sometimes it's I

428

00:19:05,350 --> 00:19:03,020

saw a UFO you know back in high school

429

00:19:08,530 --> 00:19:05,360

or something like that so I kind of

430

00:19:12,400 --> 00:19:08,540

wanted to share those types of stories

431

00:19:15,480 --> 00:19:12,410

so what I did was rather than put these

432

00:19:18,640 --> 00:19:15,490

stories on my main show nighttime I

433

00:19:21,430 --> 00:19:18,650

worked with a local radio station and

434

00:19:23,860 --> 00:19:21,440

I'm going to have a radio series that'll

435

00:19:27,220 --> 00:19:23,870

also be a web series and it's going to

436

00:19:29,380 --> 00:19:27,230

be again called UFOs above Canada and

437

00:19:31,900 --> 00:19:29,390

it's going to look at the history of the

438

00:19:34,659 --> 00:19:31,910

UFO phenomenon in Canada both from the

439

00:19:37,030 --> 00:19:34,669

point of view of the role our government

440

00:19:39,940 --> 00:19:37,040

played in it it's going to cover the the

441

00:19:41,770 --> 00:19:39,950

main Canadian UFO events but a

442

00:19:44,530 --> 00:19:41,780

significant portion of it is going to be

443

00:19:46,480 --> 00:19:44,540

talking to everyday Canadians who've

444

00:19:48,730 --> 00:19:46,490

experienced something or seen something

445

00:19:51,070 --> 00:19:48,740

unusual in the sky they they can't

446

00:19:53,530 --> 00:19:51,080

explain so I'm gonna be doing the things

447

00:19:55,180 --> 00:19:53,540

like going to the mall and sitting with

448

00:19:57,549 --> 00:19:55,190

a little sign in front of me that says

449

00:19:59,200 --> 00:19:57,559

have you seen a UFO if so tell me about

450

00:20:00,730 --> 00:19:59,210

it you know that's the kind of stuff

451  
00:20:04,360 --> 00:20:00,740  
that I'm planning to do on the show well

452  
00:20:05,919 --> 00:20:04,370  
that ought to be interesting yeah and by

453  
00:20:07,419 --> 00:20:05,929  
the way give me a dollar - you know

454  
00:20:10,960 --> 00:20:07,429  
Mazal a store money at the same time you

455  
00:20:14,169 --> 00:20:10,970  
know yeah canada buy me a coffee yeah

456  
00:20:16,770 --> 00:20:14,179  
hey so you were telling me we talked

457  
00:20:20,580 --> 00:20:16,780  
earlier and you were saying that you

458  
00:20:22,510 --> 00:20:20,590  
posted some newspaper ads and also

459  
00:20:25,000 --> 00:20:22,520  
somewhere out there on the web and you

460  
00:20:26,980 --> 00:20:25,010  
got like 500 emails right away

461  
00:20:30,130 --> 00:20:26,990  
yeah pretty much like what I did was I

462  
00:20:32,169 --> 00:20:30,140  
am when as I mentioned like with UFOs

463  
00:20:34,630 --> 00:20:32,179

above Canada I really want to get kind

464

00:20:36,520 --> 00:20:34,640

of the not so much I'm not so much going

465

00:20:38,530 --> 00:20:36,530

for like the UFO researchers and

466

00:20:40,270 --> 00:20:38,540

ufologists and and these sorts of people

467

00:20:44,409 --> 00:20:40,280

to get involved in the show I wanted to

468

00:20:46,450 --> 00:20:44,419

get kind of the everyday Canadian type

469

00:20:49,600 --> 00:20:46,460

person who've seen something to share

470

00:20:52,180 --> 00:20:49,610

their story so rather than spending my

471

00:20:55,630 --> 00:20:52,190

time plugging the show and what I'm

472

00:20:57,490 --> 00:20:55,640

doing on you know the the main like UFO

473

00:21:00,490 --> 00:20:57,500

kind of networks and stuff that that I

474

00:21:04,600 --> 00:21:00,500

communicate with people on I put ads in

475

00:21:06,490 --> 00:21:04,610

like of course kijiji local newspapers I

476

00:21:09,549 --> 00:21:06,500

plugged it through my own podcast

477

00:21:12,310 --> 00:21:09,559

nighttime of course and basically just

478

00:21:14,380 --> 00:21:12,320

asking anybody who had experienced

479

00:21:15,850 --> 00:21:14,390

something or seen something to send me

480

00:21:18,640 --> 00:21:15,860

an email letting me know what you saw

481

00:21:20,770 --> 00:21:18,650

and basically I explained that you know

482

00:21:23,230 --> 00:21:20,780

I was hoping to include as many people

483

00:21:26,140 --> 00:21:23,240

as possible in this series and I

484

00:21:28,180 --> 00:21:26,150

expected to get some emails but the

485

00:21:31,600 --> 00:21:28,190

response I got was just completely

486

00:21:33,730 --> 00:21:31,610

overwhelming I've 500 maybe a bit of

487

00:21:35,590 --> 00:21:33,740

exaggeration but I think in in two weeks

488

00:21:38,980 --> 00:21:35,600

I probably got I definitely got over 300

489

00:21:41,200 --> 00:21:38,990

but I have a whole pile of of

490

00:21:43,960 --> 00:21:41,210

experiences to sort through and what's

491

00:21:46,630 --> 00:21:43,970

interesting about these it's it's again

492

00:21:49,000 --> 00:21:46,640

it's everyday people recounting

493

00:21:52,240 --> 00:21:49,010

something they experienced in the 70s or

494

00:21:55,600 --> 00:21:52,250

80s and it's some of it's strange some

495

00:21:58,840 --> 00:21:55,610

of it's very kind of cliché UFO stories

496

00:22:00,909 --> 00:21:58,850

but really like what I get out of seeing

497

00:22:02,560 --> 00:22:00,919

all these emails come through reading

498

00:22:05,380 --> 00:22:02,570

where the people are from and reading

499

00:22:09,730 --> 00:22:05,390

their experience is just how common it

500

00:22:12,940 --> 00:22:09,740

is to to experience a UFO event in your

501  
00:22:14,110 --> 00:22:12,950  
life of course you can think of the and

502  
00:22:16,510 --> 00:22:14,120  
I'm sure you've been down this road a

503  
00:22:19,320 --> 00:22:16,520  
million times you can think of a UFO as

504  
00:22:22,240 --> 00:22:19,330  
an alien spaceship but really if you

505  
00:22:24,130 --> 00:22:22,250  
step away from that explanation and just

506  
00:22:25,659 --> 00:22:24,140  
think of it as you know a bizarre thing

507  
00:22:27,190 --> 00:22:25,669  
you saw in the sky people are more

508  
00:22:29,770 --> 00:22:27,200  
willing to come out of the woodwork and

509  
00:22:32,350 --> 00:22:29,780  
you know tell you about it and yeah it's

510  
00:22:34,450 --> 00:22:32,360  
a anyway I was surprised at the response

511  
00:22:37,060 --> 00:22:34,460  
but at the same time I'm not surprised

512  
00:22:38,770 --> 00:22:37,070  
because you know everybody I know know

513  
00:22:40,600 --> 00:22:38,780

somebody who saw something

514

00:22:44,610 --> 00:22:40,610

if they hadn't seen it themselves that's

515

00:22:48,430 --> 00:22:44,620

right I love the stories myself that

516

00:22:51,070 --> 00:22:48,440

that are just by I don't want to say I

517

00:22:53,110 --> 00:22:51,080

want to say people outside of the normal

518

00:22:55,450 --> 00:22:53,120

realm of listening to shows or being

519

00:22:58,240 --> 00:22:55,460

involved in shows I love hearing those

520

00:23:01,120 --> 00:22:58,250

stories because they're so pure and

521

00:23:04,660 --> 00:23:01,130

oftentimes they repeat exactly what you

522

00:23:08,080 --> 00:23:04,670

hear all the time like society triangle

523

00:23:10,420 --> 00:23:08,090

or whatever it is you know it's it's

524

00:23:12,760 --> 00:23:10,430

great I love those stories yeah and it

525

00:23:15,100 --> 00:23:12,770

just shows you how how common it is like

526

00:23:17,650 --> 00:23:15,110

if like you yourself Martin you're

527

00:23:19,240 --> 00:23:17,660

you're very involved in the UFO

528

00:23:21,280 --> 00:23:19,250

phenomenon you're talking about it with

529

00:23:22,930 --> 00:23:21,290

people every week and you know and these

530

00:23:24,940 --> 00:23:22,940

are the things you follow on Facebook

531

00:23:27,040 --> 00:23:24,950

and this is the news you read so that's

532

00:23:29,260 --> 00:23:27,050

kind of your life but when you take

533

00:23:32,230 --> 00:23:29,270

somebody who doesn't even know what a

534

00:23:34,030 --> 00:23:32,240

podcast is or that there is UFO you know

535

00:23:35,830 --> 00:23:34,040

discussion happening on the Internet and

536

00:23:41,620 --> 00:23:35,840

you ask them about it you get a much

537

00:23:43,660 --> 00:23:41,630

more pure untainted to look at the UFO

538

00:23:45,730 --> 00:23:43,670

phenomenon from the regular you know for

539

00:23:48,040 --> 00:23:45,740

a regular person and that's kind of what

540

00:23:49,420 --> 00:23:48,050

on my show I'm kind of hoping that that

541

00:23:51,940 --> 00:23:49,430

will come out and I'll really be able to

542

00:23:55,420 --> 00:23:51,950

make a case for that whatever up in

543

00:23:57,760 --> 00:23:55,430

Canada and by the way that was a blast

544

00:23:59,770 --> 00:23:57,770

this last year going all the way up to

545

00:24:02,830 --> 00:23:59,780

shag harbour I'll never drive there

546

00:24:04,080 --> 00:24:02,840

again though but if you if you do take

547

00:24:06,760 --> 00:24:04,090

care of your wallet better this time

548

00:24:12,040 --> 00:24:06,770

yeah thanks

549

00:24:14,350 --> 00:24:12,050

I'll get you so one of the things I

550

00:24:17,530 --> 00:24:14,360

wanted to ask you is what does the the

551  
00:24:22,150 --> 00:24:17,540  
person into UFOs in Canada think of of

552  
00:24:24,760 --> 00:24:22,160  
Paul Hellyer well to be honest I think

553  
00:24:28,270 --> 00:24:24,770  
the average Canadian doesn't know about

554  
00:24:30,490 --> 00:24:28,280  
him or and or no that's you know no our

555  
00:24:32,950 --> 00:24:30,500  
government's connection to the UFO

556  
00:24:34,750 --> 00:24:32,960  
phenomenon though I think the people who

557  
00:24:37,120 --> 00:24:34,760  
do know about him and who are into UFOs

558  
00:24:41,200 --> 00:24:37,130  
like myself I'm kind of proud like I

559  
00:24:44,860 --> 00:24:41,210  
think it's cool to have that high

560  
00:24:47,770 --> 00:24:44,870  
ranking of a government official being

561  
00:24:49,930 --> 00:24:47,780  
that that open with their their interest

562  
00:24:52,570 --> 00:24:49,940  
in the UFO phenomenon and even beyond

563  
00:24:54,490 --> 00:24:52,580

that beyond having an interest he

564

00:24:56,680 --> 00:24:54,500

even spoke about how close he was to

565

00:25:00,160 --> 00:24:56,690

arranging you know contact between the

566

00:25:02,860 --> 00:25:00,170

Canadian government and you know blank

567

00:25:04,900 --> 00:25:02,870

extraterrestrial life forms there was

568

00:25:07,660 --> 00:25:04,910

some talk of a landing happening within

569

00:25:09,940 --> 00:25:07,670

Canada that he was involved in and he

570

00:25:11,290 --> 00:25:09,950

has even made some vague kind of you can

571

00:25:13,600 --> 00:25:11,300

call them threats or just make them

572

00:25:15,970 --> 00:25:13,610

predictions but he thinks that a major

573

00:25:18,700 --> 00:25:15,980

you offend UFO event is gonna happen I

574

00:25:21,190 --> 00:25:18,710

think before 2020 is what he said but I

575

00:25:24,400 --> 00:25:21,200

think the average person if if you walk

576

00:25:26,020 --> 00:25:24,410

through the mall today and asked at the

577

00:25:27,970 --> 00:25:26,030

average Canadian if they if they know

578

00:25:32,140 --> 00:25:27,980

about Paul Hellyer they would they would

579

00:25:33,850 --> 00:25:32,150

have no idea I'm sure of it okay so what

580

00:25:35,890 --> 00:25:33,860

are some of what are some of the

581

00:25:38,770 --> 00:25:35,900

interesting cases now last time you were

582

00:25:43,120 --> 00:25:38,780

on I believe prior to me running up to

583

00:25:45,190 --> 00:25:43,130

shag Harbor we talked about the guy that

584

00:25:48,550 --> 00:25:45,200

is the raccoon whisperer

585

00:25:50,400 --> 00:25:48,560

right yeah that's the that's the clarin

586

00:25:53,530 --> 00:25:50,410

Vil Newfoundland event that was the

587

00:25:56,590 --> 00:25:53,540

police officer who saw something bizarre

588

00:25:58,330 --> 00:25:56,600

and clarin Vil Newfoundland and he even

589

00:26:01,420 --> 00:25:58,340

looked at it through his police

590

00:26:02,830 --> 00:26:01,430

surveillance equipment and we did we did

591

00:26:05,710 --> 00:26:02,840

the episode about him together on my

592

00:26:08,500 --> 00:26:05,720

show with Alejandro as well and now he's

593

00:26:10,030 --> 00:26:08,510

no longer researching UFOs instead he

594

00:26:12,280 --> 00:26:10,040

lives in the middle of the woods and

595

00:26:14,800 --> 00:26:12,290

feeds raccoons out of his living room

596

00:26:16,690 --> 00:26:14,810

yeah there's some YouTube videos that

597

00:26:19,540 --> 00:26:16,700

may come in like a big swarm of them

598

00:26:21,490 --> 00:26:19,550

come here he feeds some hotdogs it's

599

00:26:23,890 --> 00:26:21,500

kind of terrifying but I guess that's

600

00:26:26,380 --> 00:26:23,900

what he likes I don't know what that

601  
00:26:27,820 --> 00:26:26,390  
does for his credibility yeah so I was I

602  
00:26:31,060 --> 00:26:27,830  
was trying when I was trying to explain

603  
00:26:33,610 --> 00:26:31,070  
to people how reputable it was that you

604  
00:26:35,560 --> 00:26:33,620  
know a police officer had experienced

605  
00:26:38,020 --> 00:26:35,570  
this and wrote the reports and there was

606  
00:26:39,160 --> 00:26:38,030  
all these witnesses yeah that sounds

607  
00:26:41,350 --> 00:26:39,170  
really great but then when you get to

608  
00:26:45,190 --> 00:26:41,360  
the point that he now lives among

609  
00:26:45,640 --> 00:26:45,200  
raccoons you're kind of I changed his

610  
00:26:48,340 --> 00:26:45,650  
life

611  
00:26:49,750 --> 00:26:48,350  
yeah yeah he's a very honest guy and

612  
00:26:52,990 --> 00:26:49,760  
that's it that's a great story but

613  
00:26:54,760 --> 00:26:53,000

that's all though you know that story we

614

00:26:58,390 --> 00:26:54,770

spoke about it that's not one of the

615

00:27:01,060 --> 00:26:58,400

major Canadian UFO events really in

616

00:27:03,790 --> 00:27:01,070

Canada there's there's two or three main

617

00:27:06,130 --> 00:27:03,800

events and when it comes to the UFO

618

00:27:09,220 --> 00:27:06,140

phenomenon two of them occurred in nine

619

00:27:11,860 --> 00:27:09,230

1867 within months of each other one was

620

00:27:14,890 --> 00:27:11,870

the the shag Harbor event or the shag

621

00:27:17,380 --> 00:27:14,900

harbour incident which was in Nova

622

00:27:19,900 --> 00:27:17,390

Scotia where I'm living and that was

623

00:27:22,030 --> 00:27:19,910

basically a UFO event seen by a whole

624

00:27:24,790 --> 00:27:22,040

community it was investigated by

625

00:27:27,070 --> 00:27:24,800

government that was dives team said sent

626  
00:27:30,550 --> 00:27:27,080  
out into the water and you know that was

627  
00:27:31,900 --> 00:27:30,560  
a people call a Canada's Roswell just

628  
00:27:34,060 --> 00:27:31,910  
because of the amount of attention it

629  
00:27:36,700 --> 00:27:34,070  
got from government investigators

630  
00:27:38,920 --> 00:27:36,710  
civilian investigators and just managed

631  
00:27:40,930 --> 00:27:38,930  
to capture the attention of everyday

632  
00:27:42,490 --> 00:27:40,940  
Canadians and you know the media and

633  
00:27:45,100 --> 00:27:42,500  
whatnot there's a whole bunch of cool

634  
00:27:47,200 --> 00:27:45,110  
newspaper articles from that time so

635  
00:27:50,260 --> 00:27:47,210  
that was in 67 and the other big one

636  
00:27:52,900 --> 00:27:50,270  
really in 67 the opposite side of the

637  
00:27:54,820 --> 00:27:52,910  
country is the Falcon Lake incident

638  
00:27:56,920 --> 00:27:54,830

which happened in in Manitoba I'm sure

639

00:28:00,580 --> 00:27:56,930

you've heard about that one oh yeah the

640

00:28:03,010 --> 00:28:00,590

the the grill marks yep that was that's

641

00:28:04,980 --> 00:28:03,020

that's a pretty that's a fairly solid

642

00:28:07,210 --> 00:28:04,990

case wouldn't you consider that

643

00:28:10,420 --> 00:28:07,220

definitely and it's left some trace

644

00:28:12,400 --> 00:28:10,430

evidence as well Kris rutkowski who we

645

00:28:14,230 --> 00:28:12,410

called the Canadian UFO guy I don't know

646

00:28:17,530 --> 00:28:14,240

if you've ever had him on a show yeah

647

00:28:21,670 --> 00:28:17,540

yeah Chris actually he's kind of the the

648

00:28:24,370 --> 00:28:21,680

face of that investigating that event

649

00:28:27,490 --> 00:28:24,380

but he had a piece of metal that was

650

00:28:29,920 --> 00:28:27,500

obtained from the scene that was that

651

00:28:32,260 --> 00:28:29,930

has been tested it's it's now I think

652

00:28:34,570 --> 00:28:32,270

sealed behind glass but it was tested

653

00:28:36,070 --> 00:28:34,580

and I don't know a lot about this stuff

654

00:28:39,010 --> 00:28:36,080

this is probably like a question for

655

00:28:41,560 --> 00:28:39,020

like Stan Freedman but the it the

656

00:28:44,440 --> 00:28:41,570

radioactive signature of the metal is on

657

00:28:46,690 --> 00:28:44,450

like any other radioactive signature

658

00:28:48,700 --> 00:28:46,700

that would be associated with metals I

659

00:28:51,840 --> 00:28:48,710

don't know what that means but I do know

660

00:28:54,310 --> 00:28:51,850

that it made it it made a very unique

661

00:28:56,800 --> 00:28:54,320

artifact left behind from the from the

662

00:28:58,030 --> 00:28:56,810

sighting but you know that's a falcon

663

00:29:00,990 --> 00:28:58,040

like it's just it's a very believable

664

00:29:04,120 --> 00:29:01,000

story much like shag harbour the witness

665

00:29:06,250 --> 00:29:04,130

doesn't seem to have any connection with

666

00:29:09,040 --> 00:29:06,260

the UFO phenomenon or any reason to make

667

00:29:11,110 --> 00:29:09,050

something up or lie he also received

668

00:29:14,290 --> 00:29:11,120

injuries you mentioned the grill marks

669

00:29:16,900 --> 00:29:14,300

the witness of the Falcon Lake event got

670

00:29:19,990 --> 00:29:16,910

close enough to a UFO or some type of

671

00:29:24,130 --> 00:29:20,000

object the exhaust that came out of a

672

00:29:25,930 --> 00:29:24,140

Grill left a really bizarre burn on his

673

00:29:27,550 --> 00:29:25,940

body and you know there's pictures all

674

00:29:29,200 --> 00:29:27,560

over the Internet if you search Falcon

675

00:29:31,750 --> 00:29:29,210

Lake you'll you'll see them laying in a

676

00:29:33,910 --> 00:29:31,760

hospital bed like that but what's cool

677

00:29:37,150 --> 00:29:33,920

about Falcon Lake you may have seen this

678

00:29:39,280 --> 00:29:37,160

going around the UFO news is just

679

00:29:41,560 --> 00:29:39,290

recently the Canadian Mint released a

680

00:29:43,510 --> 00:29:41,570

coin commemorating it yeah did you see

681

00:29:46,540 --> 00:29:43,520

this I did I saw that yeah yeah so the

682

00:29:49,330 --> 00:29:46,550

coin is the shape of an alien head and

683

00:29:51,550 --> 00:29:49,340

it has a picture of like the guy Stan

684

00:29:54,610 --> 00:29:51,560

Michalak laying on his back with the UFO

685

00:29:56,230 --> 00:29:54,620

kind of hovering above him but what's

686

00:29:56,980 --> 00:29:56,240

cool about the coin is it's it's

687

00:29:58,870 --> 00:29:56,990

glow-in-the-dark

688

00:30:00,970 --> 00:29:58,880

so if it's when it's in the dark it's a

689

00:30:02,950 --> 00:30:00,980

it's a different version of the picture

690

00:30:05,050 --> 00:30:02,960

that glows it's beautiful Wow it's also

691

00:30:06,940 --> 00:30:05,060

like a hundred and forty dollars or

692

00:30:09,130 --> 00:30:06,950

something like that right yeah I think

693

00:30:11,680 --> 00:30:09,140

it was 140 Canadian which is I think of

694

00:30:13,990 --> 00:30:11,690

a \$15.00 American the way they exchange

695

00:30:17,800 --> 00:30:14,000

works now but no that's exaggerating but

696

00:30:21,520 --> 00:30:17,810

yes it's I think it was only like 3,000

697

00:30:23,080 --> 00:30:21,530

of them made and they yeah there are

698

00:30:25,480 --> 00:30:23,090

about a hundred and thirty the face

699

00:30:27,040 --> 00:30:25,490

value of it's twenty dollars but they

700

00:30:28,570 --> 00:30:27,050

sold out immediately and I think they're

701  
00:30:31,990 --> 00:30:28,580  
already on eBay for a couple hundred

702  
00:30:35,260 --> 00:30:32,000  
dollars more than they sold for so it's

703  
00:30:36,610 --> 00:30:35,270  
a you know I don't know much of a coin

704  
00:30:38,410 --> 00:30:36,620  
collection I guess that's kind of up

705  
00:30:42,220 --> 00:30:38,420  
your alley a little bit but I know the

706  
00:30:43,930 --> 00:30:42,230  
not for the contemporary but okay so now

707  
00:30:46,420 --> 00:30:43,940  
what about this piece of metal you just

708  
00:30:48,490 --> 00:30:46,430  
spoke about had that besides

709  
00:30:51,370 --> 00:30:48,500  
radioactivity did they do like an

710  
00:30:53,920 --> 00:30:51,380  
analysis of the metals and alloy or

711  
00:30:56,680 --> 00:30:53,930  
whatever it is there's been a lot of

712  
00:30:58,870 --> 00:30:56,690  
testing done of it but the thing is and

713  
00:31:00,400 --> 00:30:58,880

it's I don't know if this is uncommon or

714

00:31:03,610 --> 00:31:00,410

if this is common for a lot of UFO

715

00:31:06,490 --> 00:31:03,620

events is basically every detail of the

716

00:31:09,520 --> 00:31:06,500

tests has been disputed by kind of

717

00:31:11,950 --> 00:31:09,530

competing factions the one community who

718

00:31:14,530 --> 00:31:11,960

believes every test or every you know

719

00:31:16,810 --> 00:31:14,540

scientist involved in it or you know

720

00:31:20,680 --> 00:31:16,820

crook it and doing things wrong so it's

721

00:31:23,760 --> 00:31:20,690

it's it's hard to kind of to to swim

722

00:31:26,920 --> 00:31:23,770

through the swamp that surrounds the

723

00:31:30,130 --> 00:31:26,930

investigation into that Chris Rutkowski

724

00:31:32,110 --> 00:31:30,140

be the guy to to explain it I don't know

725

00:31:33,860 --> 00:31:32,120

the size well enough but I do know that

726

00:31:37,070 --> 00:31:33,870

all all the

727

00:31:38,960 --> 00:31:37,080

of it what has been released basically

728

00:31:42,409 --> 00:31:38,970

shows that it's anomalous in every way

729

00:31:45,110 --> 00:31:42,419

but as a being a skeptic and being

730

00:31:46,850 --> 00:31:45,120

skeptical myself I feel like if it was

731

00:31:48,649 --> 00:31:46,860

that anomalous you know the government

732

00:31:50,450 --> 00:31:48,659

would have taken it and you know have

733

00:31:54,289 --> 00:31:50,460

figured it out so I kind of have a

734

00:31:56,390 --> 00:31:54,299

question mark around that so this piece

735

00:31:59,750 --> 00:31:56,400

of metal did it just fall off the craft

736

00:32:03,590 --> 00:31:59,760

or what I mean it was it was found this

737

00:32:06,350 --> 00:32:03,600

on in the site of where the the UFO

738

00:32:08,889 --> 00:32:06,360

event occurred basically the the witness

739

00:32:11,690 --> 00:32:08,899

to the Falcon Lake sighting he was

740

00:32:13,549 --> 00:32:11,700

interested in he was like into geology

741

00:32:16,610 --> 00:32:13,559

so he would go on these long walks and

742

00:32:19,100 --> 00:32:16,620

basically look for odd rocks and such

743

00:32:20,990 --> 00:32:19,110

and he was basically in the middle of

744

00:32:25,850 --> 00:32:21,000

nowhere in this area called Falcon Lake

745

00:32:28,060 --> 00:32:25,860

and witnessed a craft basically land he

746

00:32:30,110 --> 00:32:28,070

approached he thought it was an

747

00:32:32,389 --> 00:32:30,120

experimental like kind of like maybe

748

00:32:34,880 --> 00:32:32,399

like experimental aircraft or something

749

00:32:36,350 --> 00:32:34,890

so he approached it and was saying like

750

00:32:38,990 --> 00:32:36,360

is everybody okay in there like what's

751  
00:32:40,669 --> 00:32:39,000  
going on and he spoke several languages

752  
00:32:44,060 --> 00:32:40,679  
so he's he's going through different

753  
00:32:46,340 --> 00:32:44,070  
languages asking if people are okay he

754  
00:32:48,889 --> 00:32:46,350  
didn't see anybody but he did see like a

755  
00:32:50,750 --> 00:32:48,899  
grill of kind of a whole bunch of little

756  
00:32:54,110 --> 00:32:50,760  
holes on the side so when he kind of

757  
00:32:57,169 --> 00:32:54,120  
approached that grill that was when the

758  
00:32:59,480 --> 00:32:57,179  
object lifted up in an exhaust came out

759  
00:33:02,480 --> 00:32:59,490  
of that grill and left the the pattern

760  
00:33:05,299 --> 00:33:02,490  
burn mark he eventually made it back to

761  
00:33:07,279 --> 00:33:05,309  
safety and was in the hospital to be

762  
00:33:09,590 --> 00:33:07,289  
treated and whatnot and in the days

763  
00:33:11,480 --> 00:33:09,600

weeks months and now years after that

764

00:33:14,029 --> 00:33:11,490

people have gone in and around that area

765

00:33:15,950 --> 00:33:14,039

looking for evidence that may have been

766

00:33:18,850 --> 00:33:15,960

left behind in the days immediately

767

00:33:22,370 --> 00:33:18,860

after it there was a clearing found

768

00:33:23,630 --> 00:33:22,380

where the event had occurred and that's

769

00:33:26,470 --> 00:33:23,640

that's where the piece of metal was

770

00:33:29,990 --> 00:33:26,480

found oh I see now what about

771

00:33:32,090 --> 00:33:30,000

radioactive burns is that what he

772

00:33:35,419 --> 00:33:32,100

actually had did they ever figure out

773

00:33:37,820 --> 00:33:35,429

what he had yeah was some type of some

774

00:33:40,820 --> 00:33:37,830

type of burn from radiation they really

775

00:33:43,460 --> 00:33:40,830

want that well yeah and it's if you look

776

00:33:46,100 --> 00:33:43,470

at it it's like the the the the look on

777

00:33:47,690 --> 00:33:46,110

his chest from the photos from back then

778

00:33:49,670 --> 00:33:47,700

they're high-resolution

779

00:33:51,560 --> 00:33:49,680

so you get a really good look it's a

780

00:33:56,060 --> 00:33:51,570

very clear pattern it almost looks like

781

00:33:58,640 --> 00:33:56,070

he was branded by you know a hot a grid

782

00:34:01,880 --> 00:33:58,650

of circles basically a crosses across as

783

00:34:05,240 --> 00:34:01,890

a lower chest now I may be confusing

784

00:34:07,820 --> 00:34:05,250

this with upper United States but there

785

00:34:11,000 --> 00:34:07,830

was a really amazing sighting that was

786

00:34:13,460 --> 00:34:11,010

seen around a major lake or something by

787

00:34:15,280 --> 00:34:13,470

a lot of people very very large craft is

788

00:34:18,140 --> 00:34:15,290

that does that ring any bells to you

789

00:34:19,640 --> 00:34:18,150

no that wouldn't be Falcon likes Falcon

790

00:34:22,490 --> 00:34:19,650

line no no I'm not talking about Falcon

791

00:34:25,850 --> 00:34:22,500

I'm talking about another sighting no no

792

00:34:27,560 --> 00:34:25,860

that that doesn't it Sam no I'm not sure

793

00:34:29,330 --> 00:34:27,570

what you'd be thinking about that yeah

794

00:34:32,210 --> 00:34:29,340

that might have been that could have

795

00:34:34,630 --> 00:34:32,220

been like either Michigan or someplace

796

00:34:37,330 --> 00:34:34,640

like that possibly what about some other

797

00:34:42,980 --> 00:34:37,340

noted sightings that you can talk about

798

00:34:45,470 --> 00:34:42,990

well there's Canada has one that I

799

00:34:46,669 --> 00:34:45,480

really enjoyed I'm I think I may have

800

00:34:50,240 --> 00:34:46,679

told you about this when we met in

801  
00:34:52,730 --> 00:34:50,250  
person this is Kensington Pei so Pei is

802  
00:34:54,890 --> 00:34:52,740  
Prince Edward Island it's a island near

803  
00:34:59,210 --> 00:34:54,900  
Nova Scotia not too far from shag

804  
00:35:01,190 --> 00:34:59,220  
harbour right it was in 2014 and this is

805  
00:35:03,100 --> 00:35:01,200  
one that this event is one you and

806  
00:35:06,260 --> 00:35:03,110  
Alejandra would love because the news

807  
00:35:08,900 --> 00:35:06,270  
the media really grabbed onto this and

808  
00:35:11,720 --> 00:35:08,910  
there was a basically a battle fought in

809  
00:35:14,840 --> 00:35:11,730  
the media between MUFON investigators

810  
00:35:16,040 --> 00:35:14,850  
and a whole bunch of people from

811  
00:35:18,490 --> 00:35:16,050  
different disciplines who are

812  
00:35:22,070 --> 00:35:18,500  
criticizing the MUFON investigation

813  
00:35:24,350 --> 00:35:22,080

basically what it was was a guy he was

814

00:35:27,920 --> 00:35:24,360

on a campground in Kensington Pei and

815

00:35:29,870 --> 00:35:27,930

the campground overlooked the Bay of

816

00:35:34,060 --> 00:35:29,880

Fundy I believe it was like a large body

817

00:35:36,680 --> 00:35:34,070

of water this area there wouldn't be

818

00:35:39,020 --> 00:35:36,690

plane traffic helicopters there's no

819

00:35:41,180 --> 00:35:39,030

major city there so at night it's pitch

820

00:35:44,210 --> 00:35:41,190

black he was basically it was him and

821

00:35:46,250 --> 00:35:44,220

his wife had a bonfire she went to bed

822

00:35:48,950 --> 00:35:46,260

and he kind of sat up until you know the

823

00:35:51,080 --> 00:35:48,960

embers put themselves so basically and

824

00:35:52,430 --> 00:35:51,090

while he was sitting there he was the

825

00:35:53,960 --> 00:35:52,440

way he described it he was just kind of

826

00:35:57,560 --> 00:35:53,970

on his phone flipping through the news

827

00:35:59,120 --> 00:35:57,570

and whatnot and saw a weird light in the

828

00:36:00,920 --> 00:35:59,130

sky as he was doing this so he just kind

829

00:36:01,520 --> 00:36:00,930

of looked at it being like you know he

830

00:36:11,840 --> 00:36:01,530

he

831

00:36:14,000 --> 00:36:11,850

thought like that's weird I've never

832

00:36:15,530 --> 00:36:14,010

really seen a bright light floating in

833

00:36:18,560 --> 00:36:15,540

the skies around here and so he watched

834

00:36:20,980 --> 00:36:18,570

it eventually it was moving erratically

835

00:36:24,080 --> 00:36:20,990

so he started filming it on his on his

836

00:36:25,340 --> 00:36:24,090

iPhone or whatever and he filmed it and

837

00:36:26,960 --> 00:36:25,350

as he's filming it he's kind of

838

00:36:29,330 --> 00:36:26,970

narrating what he's seeing and he

839

00:36:31,160 --> 00:36:29,340

watched it for maybe a half hour as the

840

00:36:34,100 --> 00:36:31,170

thing just kind of danced around the sky

841

00:36:36,020 --> 00:36:34,110

getting brighter getting darker lower

842

00:36:39,260 --> 00:36:36,030

higher didn't really seem to have any

843

00:36:41,270 --> 00:36:39,270

specific pattern eventually the light

844

00:36:43,670 --> 00:36:41,280

just basically dissolved into nothing

845

00:36:46,700 --> 00:36:43,680

and you know and it just disappeared but

846

00:36:49,520 --> 00:36:46,710

he he was sure it was something unique

847

00:36:51,800 --> 00:36:49,530

the next morning he saw some what

848

00:36:54,350 --> 00:36:51,810

appeared to be military helicopters in

849

00:36:56,930 --> 00:36:54,360

the area which was also bizarre so he he

850

00:36:59,420 --> 00:36:56,940

thought and also at a place so he

851  
00:37:01,190 --> 00:36:59,430  
started googling how do you report a UFO

852  
00:37:03,530 --> 00:37:01,200  
sighting because that's what he believed

853  
00:37:06,140 --> 00:37:03,540  
it to be he stumbled upon boo fons

854  
00:37:07,850 --> 00:37:06,150  
website and filled out whatever you fill

855  
00:37:10,250 --> 00:37:07,860  
out to report it and he sent them their

856  
00:37:12,530 --> 00:37:10,260  
videos and his videos and didn't think

857  
00:37:13,760 --> 00:37:12,540  
anything of it until about think of the

858  
00:37:16,610 --> 00:37:13,770  
way he explained it to me it was about

859  
00:37:18,470 --> 00:37:16,620  
eight months later he heard from MUFON

860  
00:37:20,510 --> 00:37:18,480  
who explained that they had sent an

861  
00:37:22,160 --> 00:37:20,520  
investigator and they weren't able to

862  
00:37:25,960 --> 00:37:22,170  
come up with an explanation so they

863  
00:37:32,150 --> 00:37:25,970

ruled it a unexplained you know sighting

864

00:37:34,760 --> 00:37:32,160

then see CBC which is our national media

865

00:37:37,160 --> 00:37:34,770

they did a story basically saying you

866

00:37:39,080 --> 00:37:37,170

know this civilian or this UFO

867

00:37:41,930 --> 00:37:39,090

investigation group investigated his

868

00:37:44,450 --> 00:37:41,940

sighting and deemed it a certified UFO

869

00:37:47,300 --> 00:37:44,460

that couldn't be explained they posted

870

00:37:49,460 --> 00:37:47,310

his video and a brief explanation but

871

00:37:51,110 --> 00:37:49,470

then it was two days later maybe a

872

00:37:53,420 --> 00:37:51,120

follow-up article where they were

873

00:37:55,730 --> 00:37:53,430

quoting you know an astronomer says it's

874

00:37:57,920 --> 00:37:55,740

this and they you know some expert on

875

00:37:59,240 --> 00:37:57,930

drones said it was a drone and they had

876

00:38:01,460 --> 00:37:59,250

all these different people that were

877

00:38:04,100 --> 00:38:01,470

kind of debunking it and it led to this

878

00:38:06,740 --> 00:38:04,110

back and forth but it was it led for it

879

00:38:09,350 --> 00:38:06,750

led to a lot of really cool news

880

00:38:12,020 --> 00:38:09,360

articles my video with the video the

881

00:38:14,180 --> 00:38:12,030

video itself that he took is a little on

882

00:38:15,410 --> 00:38:14,190

remarkable because of course when you're

883

00:38:17,779 --> 00:38:15,420

if you're filming a

884

00:38:19,460 --> 00:38:17,789

bright light in the sky at night it's

885

00:38:22,730 --> 00:38:19,470

you know it's a black screen with a

886

00:38:26,440 --> 00:38:22,740

little dot but his narration serves as a

887

00:38:29,720 --> 00:38:26,450

very cool first-hand account especially

888

00:38:32,089 --> 00:38:29,730

given the fact that he's giving the

889

00:38:34,370 --> 00:38:32,099

narration as he's filming it but now

890

00:38:36,799 --> 00:38:34,380

let's hear some of the sightings that

891

00:38:38,809 --> 00:38:36,809

people have written to you do you have

892

00:38:42,190 --> 00:38:38,819

any of those available oh yeah I have a

893

00:38:44,839 --> 00:38:42,200

whole slew of them I have even before I

894

00:38:47,240 --> 00:38:44,849

began collecting stories for UFOs above

895

00:38:49,940 --> 00:38:47,250

Canada since I cover the UFO phenomenon

896

00:38:53,630 --> 00:38:49,950

so much on my podcast nighttime I'll get

897

00:38:55,490 --> 00:38:53,640

people writing to me just sharing their

898

00:38:59,930 --> 00:38:55,500

story and seeing if I'm interested but

899

00:39:03,019 --> 00:38:59,940

now in the last probably two weeks might

900

00:39:04,880 --> 00:39:03,029

when I open my email I just have a slew

901  
00:39:07,599 --> 00:39:04,890  
of these so I'll what I'll do is to make

902  
00:39:09,620 --> 00:39:07,609  
it interesting I'm not I'm not

903  
00:39:11,180 --> 00:39:09,630  
vetting these I'm just gonna go at

904  
00:39:12,710 --> 00:39:11,190  
random and kind of grab a few and read

905  
00:39:14,509 --> 00:39:12,720  
them to you okay we have about five

906  
00:39:15,890 --> 00:39:14,519  
minutes just to let you know yeah that's

907  
00:39:18,019 --> 00:39:15,900  
fine there's a lot I'll go with some

908  
00:39:21,710 --> 00:39:18,029  
shorter ones Mauritius for this first

909  
00:39:26,660 --> 00:39:21,720  
one is from a jeff dick a this sighting

910  
00:39:28,249 --> 00:39:26,670  
occurred in 1975 and Victoria BC nice

911  
00:39:31,069 --> 00:39:28,259  
and short he says on my way home from

912  
00:39:33,109 --> 00:39:31,079  
work at about 1:00 a.m. I spotted seven

913  
00:39:35,980 --> 00:39:33,119

orange glowing orbs that appeared to be

914

00:39:39,170 --> 00:39:35,990

dancing in the sky for about ten minutes

915

00:39:41,650 --> 00:39:39,180

for about ten minutes for that period of

916

00:39:45,170 --> 00:39:41,660

time I spotted them at about 20 degrees

917

00:39:47,599 --> 00:39:45,180

low on the horizon short and sweet so

918

00:39:50,120 --> 00:39:47,609

not much how much there is it was a bit

919

00:39:53,720 --> 00:39:50,130

longer of one I was actually the same

920

00:39:56,329 --> 00:39:53,730

same guy my wife and I were heading to

921

00:39:59,569 --> 00:39:56,339

Winnipeg went up in the clouds we saw a

922

00:40:02,509 --> 00:39:59,579

large red glow the object descended from

923

00:40:05,690 --> 00:40:02,519

the clouds and was visible as a long bar

924

00:40:08,779 --> 00:40:05,700

maybe 200 feet long it was completely

925

00:40:11,359 --> 00:40:08,789

lit in bright red light as we travel

926  
00:40:13,759 --> 00:40:11,369  
along the object cast a red glow around

927  
00:40:16,640 --> 00:40:13,769  
us like a floodlight and followed us for

928  
00:40:18,259 --> 00:40:16,650  
about 10 kilometers I kept driving as I

929  
00:40:20,990 --> 00:40:18,269  
didn't want to stop and risk the

930  
00:40:22,910 --> 00:40:21,000  
consequences suddenly the light

931  
00:40:25,670 --> 00:40:22,920  
surrounding has stopped in the craft

932  
00:40:27,269 --> 00:40:25,680  
ascended back above the clouds and out

933  
00:40:29,370 --> 00:40:27,279  
of sight

934  
00:40:31,890 --> 00:40:29,380  
mmm that's it that's a good one yeah

935  
00:40:34,739 --> 00:40:31,900  
yeah I like that story that reminds me

936  
00:40:36,509 --> 00:40:34,749  
of when I was on your show in the past I

937  
00:40:39,719 --> 00:40:36,519  
talked about this but my introduction to

938  
00:40:41,239 --> 00:40:39,729

the UFO phenomenon is my when I was a

939

00:40:44,149 --> 00:40:41,249

kid my grandmother and grandfather

940

00:40:47,459 --> 00:40:44,159

claimed to have had a very similar

941

00:40:49,979 --> 00:40:47,469

experience with basically a large light

942

00:40:52,739 --> 00:40:49,989

hovering above their car eventually to

943

00:40:54,749 --> 00:40:52,749

just dissolve and fly away it reminds me

944

00:40:57,059 --> 00:40:54,759

of this although this sighting is from

945

00:41:02,759 --> 00:40:57,069

the opposite side of Canada mm-hmm

946

00:41:04,620 --> 00:41:02,769

let's grab another one here yeah here's

947

00:41:08,609 --> 00:41:04,630

a bit longer so this one is from a

948

00:41:10,380 --> 00:41:08,619

Duncan Chisolm summer 2004 in western

949

00:41:12,870 --> 00:41:10,390

Newfoundland so not a great deal from

950

00:41:15,359 --> 00:41:12,880

from where you are it says that about

951  
00:41:17,279 --> 00:41:15,369  
11:00 p.m. I was finishing a campfire in

952  
00:41:19,499 --> 00:41:17,289  
my backyard and getting ready to go to

953  
00:41:22,799 --> 00:41:19,509  
bed and I saw the set of lights move

954  
00:41:25,199 --> 00:41:22,809  
halfway across the sky it was a triangle

955  
00:41:27,209 --> 00:41:25,209  
shaped with four lights each tip of the

956  
00:41:29,399 --> 00:41:27,219  
triangle in one dead center

957  
00:41:32,609 --> 00:41:29,409  
the lights changed color from red to

958  
00:41:34,019 --> 00:41:32,619  
yellow to bright white the white was so

959  
00:41:36,809 --> 00:41:34,029  
bright it almost looked blue

960  
00:41:40,620 --> 00:41:36,819  
it stopped dead center over my town and

961  
00:41:43,380 --> 00:41:40,630  
moved with very short precise zigzags

962  
00:41:46,199 --> 00:41:43,390  
across the sky I watched as the craft

963  
00:41:48,539 --> 00:41:46,209

lowered closer to Earth and within one

964

00:41:50,699 --> 00:41:48,549

final glint it shot through a cloud and

965

00:41:53,189 --> 00:41:50,709

caught a perfectly straight uniform

966

00:41:55,319 --> 00:41:53,199

light through it and then he says I

967

00:41:56,609 --> 00:41:55,329

never spoke much about it as these

968

00:41:58,799 --> 00:41:56,619

people who I brought it up to you

969

00:42:01,919 --> 00:41:58,809

thought I was crazy or after dipping

970

00:42:03,689 --> 00:42:01,929

into the moonshine I I only realize

971

00:42:05,939 --> 00:42:03,699

exactly what it was after seeing some

972

00:42:08,339 --> 00:42:05,949

very similar footage many years later as

973

00:42:11,189 --> 00:42:08,349

well as hearing similar testimony online

974

00:42:14,219 --> 00:42:11,199

oh that's kind of it yeah it's good one

975

00:42:16,169 --> 00:42:14,229

yeah yeah and it's a common thread as

976

00:42:18,390 --> 00:42:16,179

people will say I didn't think anything

977

00:42:21,989 --> 00:42:18,400

of it until years later when I you know

978

00:42:23,880 --> 00:42:21,999

read this or watch this so I think one

979

00:42:26,370 --> 00:42:23,890

thing about yeah like folks like you

980

00:42:29,219 --> 00:42:26,380

covering the UFO phenomenon is it kind

981

00:42:31,649 --> 00:42:29,229

of it's almost like therapeutic for the

982

00:42:33,329 --> 00:42:31,659

people who once upon a time had

983

00:42:35,339 --> 00:42:33,339

experienced something unusual because it

984

00:42:37,769 --> 00:42:35,349

just takes hearing other people talking

985

00:42:40,620 --> 00:42:37,779

about it and you know making it all a

986

00:42:41,190 --> 00:42:40,630

bit more grounded that that people will

987

00:42:44,099 --> 00:42:41,200

come

988

00:42:45,960 --> 00:42:44,109

so I think a part of the I think a part

989

00:42:48,510 --> 00:42:45,970

of the reason I got such a response to

990

00:42:50,970 --> 00:42:48,520

people emailing me as they're realizing

991

00:42:53,700 --> 00:42:50,980

in my blurb I I talked about how common

992

00:42:55,799 --> 00:42:53,710

a UFO event is and it's not something

993

00:42:58,770 --> 00:42:55,809

just for you know Star Trek fans to have

994

00:43:00,089 --> 00:42:58,780

experience so I think maybe that set

995

00:43:02,579 --> 00:43:00,099

people at ease and encourage them to

996

00:43:04,530 --> 00:43:02,589

come up with some stories I know I spoke

997

00:43:07,109 --> 00:43:04,540

with a great Bishop I think it was maybe

998

00:43:09,990 --> 00:43:07,119

three weeks ago and he was talking about

999

00:43:11,940 --> 00:43:10,000

you know being at our meeting people and

1000

00:43:13,980 --> 00:43:11,950

talking to them and and he says

1001  
00:43:16,020 --> 00:43:13,990  
sometimes people just unload a story on

1002  
00:43:18,720 --> 00:43:16,030  
him and they feel better and walk away

1003  
00:43:21,809 --> 00:43:18,730  
you know it's like it is like a therapy

1004  
00:43:23,549 --> 00:43:21,819  
almost - yeah you know a lot of people

1005  
00:43:25,559 --> 00:43:23,559  
don't want to talk about it when they

1006  
00:43:27,079 --> 00:43:25,569  
finally feel comfortable talking about

1007  
00:43:30,660 --> 00:43:27,089  
it it's it is like a type of therapy

1008  
00:43:33,150 --> 00:43:30,670  
yeah I was at a this is three weeks ago

1009  
00:43:35,579 --> 00:43:33,160  
maybe I was at a function related to my

1010  
00:43:36,240 --> 00:43:35,589  
to my profession my day job or my

1011  
00:43:39,720 --> 00:43:36,250  
profession

1012  
00:43:41,299 --> 00:43:39,730  
and it was kind of like a like a

1013  
00:43:43,650 --> 00:43:41,309

team-building type thing there was maybe

1014

00:43:45,660 --> 00:43:43,660

50 people there or something and the way

1015

00:43:47,490 --> 00:43:45,670

the activity worked is before we went to

1016

00:43:49,140 --> 00:43:47,500

the event we all had a write of fact

1017

00:43:50,670 --> 00:43:49,150

about ourselves and then when you show

1018

00:43:52,289 --> 00:43:50,680

up at the event you get a sheet and

1019

00:43:53,280 --> 00:43:52,299

there's a fact about every person like

1020

00:43:55,620 --> 00:43:53,290

an interesting fact

1021

00:43:57,599 --> 00:43:55,630

and the goal was you would spend the day

1022

00:43:59,940 --> 00:43:57,609

kind of meeting everybody and then by

1023

00:44:02,520 --> 00:43:59,950

the end of the day be able to fill in or

1024

00:44:04,620 --> 00:44:02,530

have figured out who's what interesting

1025

00:44:06,450 --> 00:44:04,630

fact goes with which person so for

1026

00:44:08,579 --> 00:44:06,460

example one of them was like you know I

1027

00:44:11,069 --> 00:44:08,589

was a extra on the Pirates of the

1028

00:44:12,599 --> 00:44:11,079

Caribbean the movie let's say so as

1029

00:44:13,950 --> 00:44:12,609

you're meeting people you could ask you

1030

00:44:14,910 --> 00:44:13,960

know was that you and it give you

1031

00:44:17,339 --> 00:44:14,920

something to talk about

1032

00:44:19,859 --> 00:44:17,349

just as a to make it interesting I put

1033

00:44:21,930 --> 00:44:19,869

my interesting fact was that I spend a

1034

00:44:24,240 --> 00:44:21,940

lot of time researching and reading

1035

00:44:25,799 --> 00:44:24,250

about and being involved in the UFO

1036

00:44:28,170 --> 00:44:25,809

phenomenon because I I knew it would

1037

00:44:30,270 --> 00:44:28,180

create some interesting conversation but

1038

00:44:31,890 --> 00:44:30,280

what I learned was I thought people

1039

00:44:33,690 --> 00:44:31,900

would I'm thinking you know people may

1040

00:44:36,870 --> 00:44:33,700

think I'm a little nuts because you know

1041

00:44:38,700 --> 00:44:36,880

I my professional life doesn't bring me

1042

00:44:40,319 --> 00:44:38,710

in touch with a lot of people that I

1043

00:44:44,549 --> 00:44:40,329

would think are into the paranormal but

1044

00:44:46,440 --> 00:44:44,559

anyway my surprise I think everybody I

1045

00:44:48,599 --> 00:44:46,450

talked to who asked like are you the guy

1046

00:44:50,579 --> 00:44:48,609

with the UFO and I was like yeah then

1047

00:44:54,350 --> 00:44:50,589

they would then recount their UFO story

1048

00:44:56,480 --> 00:44:54,360

yeah yeah yeah yeah it's not a

1049

00:45:00,710 --> 00:44:56,490

strange thing it's just people I think

1050

00:45:04,040 --> 00:45:00,720

what happened is movies and TV has has

1051  
00:45:05,690 --> 00:45:04,050  
made the the UFO that word or whatever

1052  
00:45:08,360 --> 00:45:05,700  
you want to call it has made that

1053  
00:45:10,850 --> 00:45:08,370  
associated with this fringe alien

1054  
00:45:13,850 --> 00:45:10,860  
spaceship thing but really that's that's

1055  
00:45:15,530 --> 00:45:13,860  
not what it is and it's you know it just

1056  
00:45:18,250 --> 00:45:15,540  
needs to be normalized and I think like

1057  
00:45:21,170 --> 00:45:18,260  
what's going on in the states with the

1058  
00:45:25,340 --> 00:45:21,180  
recently they come out with you know

1059  
00:45:27,170 --> 00:45:25,350  
that's the secret Pentagon threat yeah

1060  
00:45:30,290 --> 00:45:27,180  
that whole thing it's things like that

1061  
00:45:32,450 --> 00:45:30,300  
just serve to to make it a bit more more

1062  
00:45:34,430 --> 00:45:32,460  
reasonable for people to talk about so I

1063  
00:45:35,840 --> 00:45:34,440

think you know that's great yeah all

1064

00:45:38,600 --> 00:45:35,850

right Jordan well thank you so much why

excellent all right Jordan thanks a lot

1073

00:45:59,350 --> 00:45:55,590

thanks for having me all right talk to

1074

00:46:01,820 --> 00:45:59,360

you soon all right so our next guest is

1075

00:46:02,540 --> 00:46:01,830

she's in Europe so she's been staying up

1076

00:46:09,380 --> 00:46:02,550

really late

1077

00:46:15,550 --> 00:46:09,390

and so she I'm gonna be gonna be calling

1078

00:46:15,560 --> 00:46:19,280

here we go

1079

00:46:26,060 --> 00:46:23,150

so about her she she used to be a lawyer

1080

00:46:29,060 --> 00:46:26,070

and she was specializing in gender

1081

00:46:33,400 --> 00:46:29,070

equality Human Rights and now she writes

1082

00:46:42,710 --> 00:46:33,410

up fiction she collects typewriters and

1083

00:46:49,340 --> 00:46:42,720

she is sideways alright hang on we'll

1084

00:46:56,630 --> 00:46:49,350

get you adjusted there you are your

1085

00:46:59,510 --> 00:46:56,640

right side up all right welcome to the

1086

00:47:00,290 --> 00:46:59,520

show how are you thank you thank you I'm

1087

00:47:04,210 --> 00:47:00,300

doing great

1088

00:47:07,580 --> 00:47:04,220

good and what time is it where you are

1089

00:47:15,930 --> 00:47:11,870

my goodness Wow how's the coffee going a

1090

00:47:19,170 --> 00:47:15,940

little bit of coffee yeah yeah so you

1091

00:47:21,870 --> 00:47:19,180

have this book interesting book and it's

1092

00:47:27,090 --> 00:47:21,880

your first book and not only that it is

1093

00:47:28,830 --> 00:47:27,100

a very thick book Wow lots of pages I

1094

00:47:29,720 --> 00:47:28,840

saw a hundred thousand words or

1095

00:47:35,700 --> 00:47:29,730

something like that

1096

00:47:38,790 --> 00:47:35,710

amazing yeah and you four related

1097

00:47:42,150 --> 00:47:38,800

stories as well right

1098

00:47:44,970 --> 00:47:42,160

but the can you just go ahead give like

1099

00:47:48,120 --> 00:47:44,980

a submissive the book you know just

1100

00:47:49,950 --> 00:47:48,130

basically it's up it's in the future and

1101  
00:47:53,130 --> 00:47:49,960  
there's trouble which there always seems

1102  
00:47:55,590 --> 00:47:53,140  
to be in the future right yeah so

1103  
00:47:59,720 --> 00:47:55,600  
basically in the future of humanity has

1104  
00:48:02,250 --> 00:47:59,730  
this gift this potential to access

1105  
00:48:06,450 --> 00:48:02,260  
reality through consciousness and the

1106  
00:48:09,030 --> 00:48:06,460  
basis of this idea is in quantum

1107  
00:48:15,300 --> 00:48:09,040  
theories quantum consciousness theories

1108  
00:48:18,060 --> 00:48:15,310  
and humans are basically like a

1109  
00:48:20,640 --> 00:48:18,070  
planet-scale experiment of an alien race

1110  
00:48:24,270 --> 00:48:20,650  
who is trying to just crack the code how

1111  
00:48:28,260 --> 00:48:24,280  
the hell is this mediocre advanced race

1112  
00:48:33,360 --> 00:48:28,270  
of you know beings has this potential

1113  
00:48:37,020 --> 00:48:33,370

for this ability to access the fabric of

1114

00:48:39,720 --> 00:48:37,030

the universal consciousness and so they

1115

00:48:41,730 --> 00:48:39,730

undertaken this giant experiment they

1116

00:48:43,850 --> 00:48:41,740

reverses engineered our race on earth

1117

00:48:53,040 --> 00:48:43,860

created perfect lab books you know

1118

00:48:55,440 --> 00:48:53,050

conditions and basically to there is the

1119

00:48:58,140 --> 00:48:55,450

their government also is in turmoil and

1120

00:49:03,720 --> 00:48:58,150

there is the debate whether to destroy

1121

00:49:06,810 --> 00:49:03,730

us before we fully became capable to use

1122

00:49:09,600 --> 00:49:06,820

this oscillation ability and which would

1123

00:49:12,950 --> 00:49:09,610

mean that's like an ultimate weapon you

1124

00:49:16,590 --> 00:49:12,960

know they they they are not prepared to

1125

00:49:19,850 --> 00:49:16,600

fight consciousness you know for a

1126

00:49:25,300 --> 00:49:19,860

reality that is malleable and

1127

00:49:28,790 --> 00:49:25,310

so basically our human danger in lies in

1128

00:49:31,180 --> 00:49:28,800

what different government fractions of

1129

00:49:34,550 --> 00:49:31,190

the aliens decide on our behalf and

1130

00:49:37,280 --> 00:49:34,560

meanwhile here and there

1131

00:49:41,110 --> 00:49:37,290

individuals pop up who actually are very

1132

00:49:45,050 --> 00:49:41,120

close to oscillate so this is the the

1133

00:49:47,960 --> 00:49:45,060

broad promise the story so what what

1134

00:49:54,770 --> 00:49:47,970

inspired what inspired you to to write

1135

00:49:57,590 --> 00:49:54,780

this it was not one single event but

1136

00:50:01,940 --> 00:49:57,600

what became a push to actually write

1137

00:50:05,780 --> 00:50:01,950

down this story was me living in Liberia

1138

00:50:08,870 --> 00:50:05,790

and so basically this is where kind of

1139

00:50:13,520 --> 00:50:08,880

my story begins on in Africa and

1140

00:50:16,210 --> 00:50:13,530

Liberian coast in the future some 100

1141

00:50:22,730 --> 00:50:16,220

few hundred years in the future when

1142

00:50:25,610 --> 00:50:22,740

humanity lived through environmental

1143

00:50:27,560 --> 00:50:25,620

crisis related to global warming and we

1144

00:50:32,770 --> 00:50:27,570

tried to fix it we watched it entirely

1145

00:50:36,650 --> 00:50:32,780

and so long story short this tropical

1146

00:50:40,120 --> 00:50:36,660

belt of Earth became the some of the

1147

00:50:46,510 --> 00:50:40,130

only habitable areas in the world so

1148

00:50:51,980 --> 00:50:46,520

living in Liberia and experiencing

1149

00:50:53,960 --> 00:50:51,990

poverty that is not the fault of

1150

00:50:56,600 --> 00:50:53,970

Liberians this is an extremely rich

1151

00:51:00,470 --> 00:50:56,610

country who is being that is being

1152

00:51:02,300 --> 00:51:00,480

exploited since its conception and if

1153

00:51:05,120 --> 00:51:02,310

you know anything about Liberian history

1154

00:51:09,010 --> 00:51:05,130

it's the country where freed slaves of

1155

00:51:15,770 --> 00:51:09,020

the United States were repatriated and

1156

00:51:22,640 --> 00:51:15,780

so basically living there and just being

1157

00:51:26,840 --> 00:51:22,650

confronted with the desperate situation

1158

00:51:30,410 --> 00:51:26,850

of this country I kind of came up with

1159

00:51:33,260 --> 00:51:30,420

this premise to to fix these wrongs and

1160

00:51:36,350 --> 00:51:33,270

at least in my story so this the center

1161

00:51:39,830 --> 00:51:36,360

the civilization on earth became the

1162

00:51:44,270 --> 00:51:39,840

like the central Africa western Africa

1163

00:51:45,800 --> 00:51:44,280

oh yeah that according to that what I've

1164

00:51:48,320 --> 00:51:45,810

read a little bit bits and pieces of

1165

00:51:51,530 --> 00:51:48,330

your book that so basically what happens

1166

00:51:55,100 --> 00:51:51,540

in your book is that the reversing of

1167

00:51:57,470 --> 00:51:55,110

the global warming kind of went haywire

1168

00:51:59,780 --> 00:51:57,480

and everything phases but all of a

1169

00:52:02,120 --> 00:51:59,790

sudden the prime real estate is places

1170

00:52:04,220 --> 00:52:02,130

like Libya right is that kind of what

1171

00:52:09,740 --> 00:52:04,230

happened yeah exactly that's exactly

1172

00:52:14,210 --> 00:52:09,750

what happened and that's one of the sort

1173

00:52:15,080 --> 00:52:14,220

of ideas why I decided to how I started

1174

00:52:18,320 --> 00:52:15,090

to write the book

1175

00:52:21,470 --> 00:52:18,330

there is no single like event they

1176  
00:52:24,320 --> 00:52:21,480  
pushed me to write this book except I've

1177  
00:52:26,360 --> 00:52:24,330  
been writing fiction for some time this

1178  
00:52:32,150 --> 00:52:26,370  
is the one that ended up being published

1179  
00:52:37,790 --> 00:52:32,160  
first I wanted to write a story and this

1180  
00:52:40,370 --> 00:52:37,800  
one became like a combination like it's

1181  
00:52:42,620 --> 00:52:40,380  
it's my attempt to try to make sense of

1182  
00:52:47,270 --> 00:52:42,630  
so many mysteries in the world and so

1183  
00:52:50,000 --> 00:52:47,280  
many science themes that in history the

1184  
00:52:53,630 --> 00:52:50,010  
that I'm fascinated with so it's kind of

1185  
00:52:55,940 --> 00:52:53,640  
like a multi-faceted story uh-huh and

1186  
00:52:57,770 --> 00:52:55,950  
you've looked into things like the

1187  
00:52:59,930 --> 00:52:57,780  
Battle of LA and things like that you've

1188  
00:53:00,920 --> 00:52:59,940

looked into these things these yeah

1189

00:53:05,240 --> 00:53:00,930

absolutely

1190

00:53:11,150 --> 00:53:05,250

so the story is because of course in my

1191

00:53:12,950 --> 00:53:11,160

universe the alien presence is we have

1192

00:53:15,230 --> 00:53:12,960

valiant presence on earth and very

1193

00:53:18,520 --> 00:53:15,240

active Alvin president so basically from

1194

00:53:22,430 --> 00:53:18,530

that premise I started to untangling

1195

00:53:25,910 --> 00:53:22,440

this sort of bowl of ER and it became an

1196

00:53:27,980 --> 00:53:25,920

exercise in whatever so I would take a

1197

00:53:30,560 --> 00:53:27,990

piece of history like for example the

1198

00:53:34,040 --> 00:53:30,570

known UFO sightings or some historic

1199

00:53:36,860 --> 00:53:34,050

events and sort of put it into

1200

00:53:40,910 --> 00:53:36,870

perspective of this alien race doing the

1201  
00:53:44,950 --> 00:53:40,920  
experiment on earth and so it became the

1202  
00:53:46,420 --> 00:53:44,960  
what-if game like for example what if

1203  
00:53:49,750 --> 00:53:46,430  
aliens

1204  
00:53:54,880 --> 00:53:49,760  
are really watching us where would they

1205  
00:53:57,609 --> 00:53:54,890  
be and so a lot of color and mythology

1206  
00:54:01,569 --> 00:53:57,619  
but it's like moral exciting's there's a

1207  
00:54:04,660 --> 00:54:01,579  
lot of claim that aliens might be hiding

1208  
00:54:06,670 --> 00:54:04,670  
either submerged somewhere in the ocean

1209  
00:54:08,770 --> 00:54:06,680  
because we don't go there all that much

1210  
00:54:10,870 --> 00:54:08,780  
we you know we know about the ocean

1211  
00:54:15,280 --> 00:54:10,880  
floor even less than we know about the

1212  
00:54:17,650 --> 00:54:15,290  
surrounding space to be honest so there

1213  
00:54:21,130 --> 00:54:17,660

was like one piece of what-if puzzle

1214

00:54:25,240 --> 00:54:21,140

then I took a few you for sightings like

1215

00:54:30,010 --> 00:54:25,250

let's say the oldest one that I worked

1216

00:54:35,470 --> 00:54:30,020

with is in 1982 for example there was

1217

00:54:39,339 --> 00:54:35,480

this classic triangle UFO sighting over

1218

00:54:42,690 --> 00:54:39,349

the moon in Lebanon Connecticut and two

1219

00:54:48,160 --> 00:54:42,700

brothers autonomous they noticed this

1220

00:54:54,490 --> 00:54:48,170

triangle UFOs over the disks disk of the

1221

00:54:56,289 --> 00:54:54,500

moon and they made a record of it and in

1222

00:54:58,630 --> 00:54:56,299

what happened in Los Angeles was

1223

00:55:01,359 --> 00:54:58,640

particularly fascinating so basically

1224

00:55:05,049 --> 00:55:01,369

again this is was it was an exercise in

1225

00:55:07,270 --> 00:55:05,059

whatever what if aliens are here and we

1226

00:55:11,470 --> 00:55:07,280

have this and they got a glimpse of

1227

00:55:13,510 --> 00:55:11,480

these your previous speaker like really

1228

00:55:15,220 --> 00:55:13,520

there is this overwhelming consensus of

1229

00:55:19,170 --> 00:55:15,230

the sightings there are several

1230

00:55:22,539 --> 00:55:19,180

categories but there is a lot of

1231

00:55:25,120 --> 00:55:22,549

information that can be categorized very

1232

00:55:30,309 --> 00:55:25,130

nicely if the triangle shaped objects or

1233

00:55:34,240 --> 00:55:30,319

you know there's certain patterns why so

1234

00:55:37,589 --> 00:55:34,250

I was thinking whoa the aliens be doing

1235

00:55:40,960 --> 00:55:37,599

on earth if what are they doing while

1236

00:55:45,520 --> 00:55:40,970

you know we observe them sort of and in

1237

00:55:48,190 --> 00:55:45,530

my story I connected to the sightings

1238

00:55:52,569 --> 00:55:48,200

were like mass healings occur like for

1239

00:55:55,960 --> 00:55:52,579

example the one of the big miracles in

1240

00:55:58,180 --> 00:55:55,970

Portugal in 1917 that occurred and not

1241

00:56:00,010 --> 00:55:58,190

to offend anybody's religious beliefs I

1242

00:56:03,580 --> 00:56:00,020

don't know but this is a big

1243

00:56:07,510 --> 00:56:03,590

like like holy place our lady fed of

1244

00:56:11,110 --> 00:56:07,520

Fatima in 1917 a big apparition of Lady

1245

00:56:15,460 --> 00:56:11,120

Mary and mass healing and when I read

1246

00:56:17,560 --> 00:56:15,470

about that story even how the Mary

1247

00:56:22,030 --> 00:56:17,570

describes she described is more like a

1248

00:56:24,100 --> 00:56:22,040

well I saw it as a holographic image

1249

00:56:27,850 --> 00:56:24,110

like a holographic projection mouth

1250

00:56:32,200 --> 00:56:27,860

didn't move so I put that into context

1251  
00:56:34,390 --> 00:56:32,210  
of aliens performing healing mass

1252  
00:56:37,030 --> 00:56:34,400  
healing operations on their test

1253  
00:56:40,650 --> 00:56:37,040  
subjects because the ability to

1254  
00:56:44,680 --> 00:56:40,660  
oscillate comes with a whole bunch of

1255  
00:56:47,560 --> 00:56:44,690  
like diseases like cancers various or

1256  
00:56:49,770 --> 00:56:47,570  
immune deficiencies in so basically to

1257  
00:56:53,440 --> 00:56:49,780  
keep their experiment going they need to

1258  
00:56:55,450 --> 00:56:53,450  
keep those viable samples alive long

1259  
00:56:57,310 --> 00:56:55,460  
enough to procreate so that that

1260  
00:56:58,780 --> 00:56:57,320  
explains all the sightings that we

1261  
00:57:01,720 --> 00:56:58,790  
experience you can group them however

1262  
00:57:08,320 --> 00:57:01,730  
you want but this becomes the premise of

1263  
00:57:12,100 --> 00:57:08,330

my story and so I described the

1264

00:57:15,280 --> 00:57:12,110

sightings of 1942 in in Los Angeles

1265

00:57:19,660 --> 00:57:15,290

which Belen completely captivates my

1266

00:57:21,640 --> 00:57:19,670

imagination because every time a big

1267

00:57:23,530 --> 00:57:21,650

military response is involved I'm

1268

00:57:26,950 --> 00:57:23,540

thinking to myself there's a lot of

1269

00:57:29,800 --> 00:57:26,960

military generals smart people who see a

1270

00:57:33,220 --> 00:57:29,810

lot of stuff they they they know how to

1271

00:57:36,760 --> 00:57:33,230

identify an airplane or you know

1272

00:57:39,040 --> 00:57:36,770

anything you know and and in 1942 what

1273

00:57:40,960 --> 00:57:39,050

happened a lot of ammunition was

1274

00:57:44,430 --> 00:57:40,970

discharged in the sky and even there

1275

00:57:48,490 --> 00:57:44,440

were casualties from the debris so I

1276

00:57:52,030 --> 00:57:48,500

that that clearly says to me okay there

1277

00:57:58,300 --> 00:57:52,040

there is a big smoking gun there in that

1278

00:58:03,130 --> 00:57:58,310

story and the way the sight the the UFOs

1279

00:58:06,910 --> 00:58:03,140

skolem UFOs were described and I will by

1280

00:58:08,470 --> 00:58:06,920

eyewitnesses the the military people the

1281

00:58:12,220 --> 00:58:08,480

way they showed up on the radars that

1282

00:58:15,890 --> 00:58:12,230

did not fit into the pattern of any non

1283

00:58:19,430 --> 00:58:15,900

flying object or the American power or

1284

00:58:22,370 --> 00:58:19,440

any other powerful for that matter known

1285

00:58:24,290 --> 00:58:22,380

to humanity so the same same pattern

1286

00:58:26,750 --> 00:58:24,300

repeated about ten years later in

1287

00:58:29,810 --> 00:58:26,760

Washington DC a nose again mass fighting

1288

00:58:32,990 --> 00:58:29,820

over a course of several weeks actually

1289

00:58:34,100 --> 00:58:33,000

and I read somewhere on the air and that

1290

00:58:36,230 --> 00:58:34,110

cash

1291

00:58:38,300 --> 00:58:36,240

I don't know how verified that is but

1292

00:58:40,940 --> 00:58:38,310

even some say that John McCain was one

1293

00:58:43,610 --> 00:58:40,950

of the people who making the day

1294

00:58:45,950 --> 00:58:43,620

witnessed that that I don't know if that

1295

00:58:47,660 --> 00:58:45,960

is verified but like I just found that a

1296

00:58:49,580 --> 00:58:47,670

little bit of fascinating piece of

1297

00:58:53,020 --> 00:58:49,590

information which would be cool to ask

1298

00:58:59,590 --> 00:58:53,030

him someday that's true and I'll but

1299

00:59:03,050 --> 00:58:59,600

anyhow the same pattern dispatched

1300

00:59:04,150 --> 00:59:03,060

aircrafts air force involved several

1301  
00:59:07,220 --> 00:59:04,160

[Music]

1302  
00:59:10,460 --> 00:59:07,230

aircrafts are trying to intercept these

1303  
00:59:12,590 --> 00:59:10,470

flying objects and they just make fool

1304  
00:59:18,470 --> 00:59:12,600

fool out of everybody and yet they are

1305  
00:59:20,960 --> 00:59:18,480

clearly caught on the radars land on on

1306  
00:59:25,430 --> 00:59:20,970

the radars on the tarmac of the

1307  
00:59:27,440 --> 00:59:25,440

airplanes in in the sky on the radar so

1308  
00:59:30,890 --> 00:59:27,450

like when there is such a multiple level

1309  
00:59:34,070 --> 00:59:30,900

of verification of the event you can

1310  
00:59:35,870 --> 00:59:34,080

quite easily just put it out to the

1311  
00:59:38,810 --> 00:59:35,880

weather balloons or whatever would not

1312  
00:59:42,800 --> 00:59:38,820

yeah the one in LA didn't didn't that

1313  
00:59:44,450 --> 00:59:42,810

the craft aircrafts just like hover they

1314

00:59:47,720 --> 00:59:44,460

didn't they were just stationary weren't

1315

00:59:50,540 --> 00:59:47,730

they first yeah just really bizarre the

1316

00:59:53,780 --> 00:59:50,550

the the bizarre part about the case was

1317

00:59:57,520 --> 00:59:53,790

and you you need to remember the context

1318

01:00:02,600 --> 00:59:57,530

1942 that's the the world war two

1319

01:00:04,730 --> 01:00:02,610

intentions with with the with the

1320

01:00:07,580 --> 01:00:04,740

Japanese so there was like high military

1321

01:00:12,530 --> 01:00:07,590

alert and these objects were Harvard

1322

01:00:14,810 --> 01:00:12,540

hovering over the ammunition factory at

1323

01:00:17,920 --> 01:00:14,820

first and they moved downtown so there

1324

01:00:21,920 --> 01:00:17,930

was you know they were in strategic

1325

01:00:26,180 --> 01:00:21,930

locations and again when we read ufology

1326

01:00:30,740 --> 01:00:26,190

accounts we often kind of

1327

01:00:35,120 --> 01:00:30,750

sightings - like even nuclear sites

1328

01:00:38,210 --> 01:00:35,130

classified sites or whatever reason it

1329

01:00:41,420 --> 01:00:38,220

seems like the UFOs have particular

1330

01:00:43,760 --> 01:00:41,430

interest to the fact that we are capable

1331

01:00:45,530 --> 01:00:43,770

of destroying ourselves because

1332

01:00:49,310 --> 01:00:45,540

obviously we don't pose any threat to

1333

01:00:54,470 --> 01:00:49,320

any other race that made its way over

1334

01:01:00,740 --> 01:00:54,480

here yet but yeah we pose more of a

1335

01:01:04,790 --> 01:01:00,750

threat to ourselves yeah so that the one

1336

01:01:08,870 --> 01:01:04,800

in yeah the 1952 that's that's

1337

01:01:10,040 --> 01:01:08,880

fascinating that they were outrun and

1338

01:01:12,340 --> 01:01:10,050

you know they kept trying to go after

1339

01:01:14,690 --> 01:01:12,350

them and all that earlier you mentioned

1340

01:01:17,060 --> 01:01:14,700

I know it's partly a book but the

1341

01:01:19,010 --> 01:01:17,070

oscillating what is that is that

1342

01:01:20,859 --> 01:01:19,020

something you just thought up or is

1343

01:01:29,660 --> 01:01:20,869

there any type of science behind that

1344

01:01:35,590 --> 01:01:29,670

yeah theory there is amazing my science

1345

01:01:41,450 --> 01:01:35,600

premise is by the British phenomenal

1346

01:01:46,250 --> 01:01:41,460

scientists Roger Penrose and he's he's

1347

01:01:48,470 --> 01:01:46,260

just as a bit of a brilliant

1348

01:01:51,650 --> 01:01:48,480

mathematician and physicist and he is

1349

01:01:56,660 --> 01:01:51,660

like royally recognised by the highest

1350

01:01:58,609 --> 01:01:56,670

awards and but less when I bring up his

1351

01:02:00,800 --> 01:01:58,619

name people who just don't read a lot

1352

01:02:04,640 --> 01:02:00,810

deeper in science they they know Stephen

1353

01:02:07,370 --> 01:02:04,650

Hawking for example but they know less

1354

01:02:10,340 --> 01:02:07,380

of Roger Penrose but Roger Penrose is a

1355

01:02:15,140 --> 01:02:10,350

very interesting scientist because he

1356

01:02:18,320 --> 01:02:15,150

was forced in his research to confront

1357

01:02:22,730 --> 01:02:18,330

the connection of human consciousness as

1358

01:02:24,800 --> 01:02:22,740

a sort of a quantum computer to not

1359

01:02:30,349 --> 01:02:24,810

think of it as kind of a like a binary

1360

01:02:33,380 --> 01:02:30,359

type of machine but as a quantum

1361

01:02:36,849 --> 01:02:33,390

computer that our consciousness in his

1362

01:02:39,500 --> 01:02:36,859

calculations and observations and or not

1363

01:02:48,790 --> 01:02:39,510

seems to appear on quantum level

1364

01:02:51,500 --> 01:02:48,800

and he reluctantly multiple times

1365

01:02:55,880 --> 01:02:51,510

because you know scientists scientists

1366

01:02:58,130 --> 01:02:55,890

don't like to sound like cuz that

1367

01:03:00,680 --> 01:02:58,140

doesn't sound too scientific

1368

01:03:02,870 --> 01:03:00,690

you know when we talk about subatomic

1369

01:03:05,030 --> 01:03:02,880

particles and their weird behavior ok

1370

01:03:09,620 --> 01:03:05,040

that's been like 400 years around we

1371

01:03:12,200 --> 01:03:09,630

kind of grew to accept weird spooky

1372

01:03:15,680 --> 01:03:12,210

action at a distance were the subatomic

1373

01:03:18,230 --> 01:03:15,690

particles but what Roger Penrose is

1374

01:03:21,650 --> 01:03:18,240

saying that our consciousness is like

1375

01:03:24,109 --> 01:03:21,660

something entirely else it's not a it's

1376

01:03:27,260 --> 01:03:24,119

not a sum of our brain cells it's

1377

01:03:30,349 --> 01:03:27,270

something more than that and it the way

1378

01:03:34,010 --> 01:03:30,359

it operates it operates on that quantum

1379

01:03:36,849 --> 01:03:34,020

level so it's like if you think of like

1380

01:03:39,410 --> 01:03:36,859

a computer code or like a program a

1381

01:03:42,560 --> 01:03:39,420

program the environment which is kind of

1382

01:03:45,410 --> 01:03:42,570

our universes you know there's data

1383

01:03:46,940 --> 01:03:45,420

there's rules and laws of how it

1384

01:03:50,720 --> 01:03:46,950

operates so you can think of it as a

1385

01:03:54,260 --> 01:03:50,730

code so our consciousness seems to have

1386

01:03:57,500 --> 01:03:54,270

like back door you know like back doors

1387

01:04:01,090 --> 01:03:57,510

to crack the code what he seems to say

1388

01:04:07,160 --> 01:04:01,100

and basically he cites amazing research

1389

01:04:09,920 --> 01:04:07,170

done by biologists and for example he

1390

01:04:12,859 --> 01:04:09,930

also says he brought up the example of

1391

01:04:15,650 --> 01:04:12,869

baseball players so based on the speed

1392

01:04:18,470 --> 01:04:15,660

of the ball and the reaction and we know

1393

01:04:20,840 --> 01:04:18,480

how fast our eye reacts how fast our

1394

01:04:23,570 --> 01:04:20,850

muscle react so you know scientists and

1395

01:04:27,290 --> 01:04:23,580

notorious for that type of meticulous

1396

01:04:30,650 --> 01:04:27,300

calculation so you plug it on there into

1397

01:04:33,980 --> 01:04:30,660

equation and the reaction of a baseball

1398

01:04:37,700 --> 01:04:33,990

player who hits connects the bat with

1399

01:04:41,080 --> 01:04:37,710

the ball and that speed does not compute

1400

01:04:44,570 --> 01:04:41,090

with our physical ability to do that so

1401

01:04:48,200 --> 01:04:44,580

processes faster than our physical

1402

01:04:51,950 --> 01:04:48,210

ability to you know to process

1403

01:04:59,320 --> 01:04:54,470

so oscillation this is a term borrowed

1404

01:05:03,050 --> 01:04:59,330

from quantum physics in so I put it into

1405

01:05:07,070 --> 01:05:03,060

the science premise of my book giving

1406

01:05:12,770 --> 01:05:07,080

the humanity this potential to more

1407

01:05:16,550 --> 01:05:12,780

actively use consciousness as as as a

1408

01:05:19,250 --> 01:05:16,560

key to the reality is it is it something

1409

01:05:25,280 --> 01:05:19,260

like something separate than physical

1410

01:05:30,020 --> 01:05:25,290

like as far as like the the travel I've

1411

01:05:32,840 --> 01:05:30,030

heard other people say you know that you

1412

01:05:35,710 --> 01:05:32,850

know there's that the consciousness can

1413

01:05:38,570 --> 01:05:35,720

travel you know I mean just as a theory

1414

01:05:40,660 --> 01:05:38,580

so is this like separate are they

1415

01:05:45,590 --> 01:05:40,670

separate than the beings in your book

1416

01:05:51,820 --> 01:05:45,600

the consciousness oops we may have lost

1417

01:05:55,550 --> 01:05:51,830

her that's possible she's gone

1418

01:05:59,680 --> 01:05:55,560

we will try her again hang on live

1419

01:06:02,420 --> 01:05:59,690

listener hang on we will try her back

1420

01:06:10,510 --> 01:06:02,430

there you are you back hey I'm back

1421

01:06:14,300 --> 01:06:10,520

there we go not sure basically the way

1422

01:06:18,860 --> 01:06:14,310

do you think about reality reality on

1423

01:06:20,780 --> 01:06:18,870

subatomic level is probabilities so if

1424

01:06:24,520 --> 01:06:20,790

you heard that premise from quantum

1425

01:06:27,260 --> 01:06:24,530

physics so whatever is possible it is

1426

01:06:35,840 --> 01:06:27,270

probable it might happen in some other

1427

01:06:39,609 --> 01:06:35,850

parallel she is skipping out again let's

1428

01:06:48,069 --> 01:06:45,940

all right hang on I will try her again

1429

01:06:59,709 --> 01:06:48,079

hang on everyone thank you for hanging

1430

01:07:04,450 --> 01:06:59,719

in and all right so looks like she's

1431

01:07:09,190 --> 01:07:04,460

back oh there you are okay your camera's

1432

01:07:13,359 --> 01:07:09,200

off I think but I you're on your audios

1433

01:07:18,130 --> 01:07:13,369

on can you hear us over here there you

1434

01:07:22,209 --> 01:07:18,140

are hi you are back yeah is your your

1435

01:07:24,400 --> 01:07:22,219

internet going okay over there ah seems

1436

01:07:26,559 --> 01:07:24,410

to be fine okay

1437

01:07:28,499 --> 01:07:26,569

so I looked over at my laptop it seems

1438

01:07:32,440 --> 01:07:28,509

to be connected I'm sorry my apologies

1439

01:07:34,749 --> 01:07:32,450

so let me just try to bring that thought

1440

01:07:38,739 --> 01:07:34,759

to the conclusion in the least amount of

1441

01:07:41,259 --> 01:07:38,749

sentences on subatomic level everything

1442

01:07:43,299 --> 01:07:41,269

exists in probabilities and if our

1443

01:07:46,380 --> 01:07:43,309

consciousness has access to those

1444

01:07:49,890 --> 01:07:46,390

probabilities of the events occurring

1445

01:07:52,059 --> 01:07:49,900

basically there is a potential for

1446

01:07:57,009 --> 01:07:52,069

humans to sort of access those

1447

01:08:00,519 --> 01:07:57,019

probabilities and like you know it's

1448

01:08:03,729 --> 01:08:00,529

like the toss of the coin you know if we

1449

01:08:05,769 --> 01:08:03,739

could access a quantum state where both

1450

01:08:09,099 --> 01:08:05,779

coin is in both states simultaneously

1451

01:08:12,519 --> 01:08:09,109

and we could just flip a coin to the way

1452

01:08:15,009 --> 01:08:12,529

we wanted just move to apply that in

1453

01:08:17,349 --> 01:08:15,019

fact to like for example let's say I

1454

01:08:21,849 --> 01:08:17,359

don't want a sandwich to appear before

1455

01:08:24,939 --> 01:08:21,859

me it's convenient weird example yeah or

1456

01:08:27,160 --> 01:08:24,949

or if imagine if you go and I use that

1457

01:08:31,089 --> 01:08:27,170

example in my book where people are able

1458

01:08:35,470 --> 01:08:31,099

to like gamble and predict the dice the

1459

01:08:37,419 --> 01:08:35,480

roulette you know because you access I

1460

01:08:42,220 --> 01:08:37,429

mean it's it's probabilities there's a

1461

01:08:44,379 --> 01:08:42,230

probability of certain number or color

1462

01:08:48,010 --> 01:08:44,389

and the roulette to pop up or you know

1463

01:08:49,720 --> 01:08:48,020

and if you are access the quantum pool

1464

01:08:52,930 --> 01:08:49,730

of these probabilities and you can

1465

01:08:57,520 --> 01:08:52,940

interact with that you potentially can

1466

01:09:00,849 --> 01:08:57,530

serve gain information from those

1467

01:09:04,060 --> 01:09:00,859

quantum states which when event either

1468

01:09:07,170 --> 01:09:04,070

will occur or to even influence the

1469

01:09:13,240 --> 01:09:07,180

certain event to occur certain way like

1470

01:09:15,700 --> 01:09:13,250

to prevent to prevent disasters like a

1471

01:09:18,070 --> 01:09:15,710

car crash you know if you have access to

1472

01:09:20,620 --> 01:09:18,080

the probabilities so it's kind of a

1473

01:09:23,710 --> 01:09:20,630

binary situation either car crashes or

1474

01:09:29,440 --> 01:09:23,720

not crashes you know so when you react

1475

01:09:31,510 --> 01:09:29,450

in I can't explain you any further than

1476

01:09:33,550 --> 01:09:31,520

that because I am writing book two and

1477

01:09:37,720 --> 01:09:33,560

if I say one more word than that it's

1478

01:09:41,650 --> 01:09:37,730

just gonna you know give up its you give

1479

01:09:45,670 --> 01:09:41,660

away too much of the explanation of my

1480

01:09:48,280 --> 01:09:45,680

universe but basically in the science

1481

01:09:51,849 --> 01:09:48,290

premise of my book it's it's kind of a

1482

01:09:56,620 --> 01:09:51,859

very existential search what are we are

1483

01:09:58,600 --> 01:09:56,630

what you know who we are in a sense so

1484

01:10:01,420 --> 01:09:58,610

and to make sense of the fabric of the

1485

01:10:03,940 --> 01:10:01,430

universe a little bit yeah have you

1486

01:10:05,770 --> 01:10:03,950

always had this type of thinking going

1487

01:10:08,680 --> 01:10:05,780

through life I mean what kind of like

1488

01:10:14,440 --> 01:10:08,690

that you interested in this in this type

1489

01:10:17,110 --> 01:10:14,450

of thinking I kind of been wired a

1490

01:10:20,010 --> 01:10:17,120

little bit into science by my high

1491

01:10:24,220 --> 01:10:20,020

school experience because I was in

1492

01:10:29,740 --> 01:10:24,230

advanced physics mathematics class which

1493

01:10:32,290 --> 01:10:29,750

I was like like lower-third who the

1494

01:10:35,110 --> 01:10:32,300

students because everybody else was so

1495

01:10:38,730 --> 01:10:35,120

bloody good but you know just when

1496

01:10:43,540 --> 01:10:38,740

you're spending so much time trying to

1497

01:10:45,940 --> 01:10:43,550

you know understand science well at

1498

01:10:48,250 --> 01:10:45,950

school it was sort of a burden you know

1499

01:10:51,520 --> 01:10:48,260

and my artistic nature wanted to write

1500

01:10:53,260 --> 01:10:51,530

poems and stories and fiction and back

1501

01:10:56,830 --> 01:10:53,270

in the day when I was a little bit of a

1502

01:10:59,110 --> 01:10:56,840

science fiction tried when you leave

1503

01:11:00,670 --> 01:10:59,120

school and when you don't have to when

1504

01:11:04,180 --> 01:11:00,680

it's not an obligation anymore I

1505

01:11:06,280 --> 01:11:04,190

rediscovered Einstein's theories and

1506

01:11:08,260 --> 01:11:06,290

just I can

1507

01:11:10,690 --> 01:11:08,270

pinpoint us it happened about 10 years

1508

01:11:16,090 --> 01:11:10,700

ago when I rediscovered and fell in love

1509

01:11:18,910 --> 01:11:16,100

in physics all over again in a much more

1510

01:11:22,900 --> 01:11:18,920

enjoyable way because I started to see

1511

01:11:25,510 --> 01:11:22,910

the big picture it's not anymore about

1512

01:11:29,650 --> 01:11:25,520

the equations and trigonometry and any

1513

01:11:31,180 --> 01:11:29,660

of that it's it's now it's about me Who

1514

01:11:33,850 --> 01:11:31,190

am I and what am i doing in this

1515

01:11:37,780 --> 01:11:33,860

universe and the quantum physics totally

1516

01:11:40,660 --> 01:11:37,790

blows my mind and from then on yeah I've

1517

01:11:44,530 --> 01:11:40,670

been trying to keep up with with the

1518

01:11:48,540 --> 01:11:44,540

science side of you know the discovery

1519

01:11:52,420 --> 01:11:48,550

of the gravitational waves and you know

1520

01:11:57,490 --> 01:11:52,430

recent discoveries and just astronomy

1521

01:11:59,290 --> 01:11:57,500

and yeah water and Mars and whatnot you

1522

01:12:00,700 --> 01:11:59,300

know I'm just trying to keep up with

1523

01:12:05,040 --> 01:12:00,710

that because that's absolutely

1524

01:12:08,410 --> 01:12:05,050

fascinating to me so in your book is it

1525

01:12:11,050 --> 01:12:08,420

I'm always curious about the ending was

1526

01:12:13,930 --> 01:12:11,060

a good ending or is it is it a bad

1527

01:12:15,850 --> 01:12:13,940

ending can you give us a little or can

1528

01:12:23,620 --> 01:12:15,860

you give us a little overall details of

1529

01:12:28,630 --> 01:12:23,630

how it goes yeah so book has two parts

1530

01:12:30,700 --> 01:12:28,640

which are kind of separate they are

1531

01:12:37,870 --> 01:12:30,710

divided by 300 years

1532

01:12:45,040 --> 01:12:37,880

in in my timeline and if I begin part

1533

01:12:48,040 --> 01:12:45,050

one from heavy historic I submerge the

1534

01:12:52,990 --> 01:12:48,050

reader in our known history through this

1535

01:12:54,670 --> 01:12:53,000

fictional lens which my hope was that by

1536

01:12:57,280 --> 01:12:54,680

the time that the reader is done with

1537

01:13:00,040 --> 01:12:57,290

the part one of the book when I go about

1538

01:13:02,920 --> 01:13:00,050

like I talked about the Cold War the

1539

01:13:07,540 --> 01:13:02,930

japanese tokugawa shogunate period at

1540

01:13:09,009 --> 01:13:07,550

the isolation i talk about the the

1541

01:13:14,379 --> 01:13:09,019

Soviets and

1542

01:13:17,470 --> 01:13:14,389

and the Cubans and JFK and the Voynich

1543

01:13:19,870 --> 01:13:17,480

manuscript which you know my story has

1544

01:13:23,979 --> 01:13:19,880

to do with Leonardo da Vinci a little

1545

01:13:29,649 --> 01:13:23,989

bit so I I pull in so much history and

1546

01:13:32,709 --> 01:13:29,659

and UFO events so it's kind of like it's

1547

01:13:35,350 --> 01:13:32,719

chapter is a story of itself that it

1548

01:13:37,569 --> 01:13:35,360

connects so you can read it as like as a

1549

01:13:41,589 --> 01:13:37,579

TV series like let's call it a black

1550

01:13:43,899 --> 01:13:41,599

mirror type of thing you know but they

1551  
01:13:45,729 --> 01:13:43,909  
are connected they are connected and by

1552  
01:13:49,180 --> 01:13:45,739  
the time you're done with this part one

1553  
01:13:54,520 --> 01:13:49,190  
of the book my hope was that the reader

1554  
01:13:58,029 --> 01:13:54,530  
will get this feeling that hey this

1555  
01:14:03,250 --> 01:13:58,039  
actually might be somehow or to a degree

1556  
01:14:07,859 --> 01:14:03,260  
or somehow real because pieces of the

1557  
01:14:11,319 --> 01:14:07,869  
puzzle fit you know we start seeing the

1558  
01:14:13,870 --> 01:14:11,329  
motives why aliens are here why they

1559  
01:14:17,680 --> 01:14:13,880  
could be here what are the what is their

1560  
01:14:21,939 --> 01:14:17,690  
agenda okay what is their culture how

1561  
01:14:24,489 --> 01:14:21,949  
would they be operating on earth so they

1562  
01:14:26,620 --> 01:14:24,499  
are basically doing this research and

1563  
01:14:28,270 --> 01:14:26,630

and they have their own bureaucracy and

1564

01:14:32,470 --> 01:14:28,280

it's in any bureaucracy there is these

1565

01:14:34,930 --> 01:14:32,480

tensions between different sort of

1566

01:14:37,180 --> 01:14:34,940

bureaus let's call it that way so it's a

1567

01:14:39,729 --> 01:14:37,190

big research well it takes a lot of

1568

01:14:46,319 --> 01:14:39,739

resources from the aliens so some of

1569

01:14:54,759 --> 01:14:49,870

room it's it's a little bit an allegory

1570

01:14:56,259 --> 01:14:54,769

of our bipartisan culture what it seems

1571

01:14:59,830 --> 01:14:56,269

to be in the earth like whatever country

1572

01:15:04,509 --> 01:14:59,840

you take there is bipartisan tribal type

1573

01:15:08,739 --> 01:15:04,519

of thinking it's happening and so that's

1574

01:15:13,330 --> 01:15:08,749

a little bit an allegory a joke on us on

1575

01:15:16,779 --> 01:15:13,340

humans through this aliens and so the

1576

01:15:22,000 --> 01:15:16,789

part two of the book just takes off very

1577

01:15:24,100 --> 01:15:22,010

differently it's it's more of like

1578

01:15:28,770 --> 01:15:24,110

not a black mirror type of thing anymore

1579

01:15:32,980 --> 01:15:28,780

it's more like like think of a film that

1580

01:15:43,080 --> 01:15:32,990

starts from bang and finishes with even

1581

01:15:46,090 --> 01:15:43,090

bigger bang happens 300 in 2500 and the

1582

01:15:48,760 --> 01:15:46,100

humanity is already aware of the alien

1583

01:15:50,500 --> 01:15:48,770

presence there was big reveal and there

1584

01:15:52,420 --> 01:15:50,510

is basically a cold war situation

1585

01:15:54,310 --> 01:15:52,430

between aliens and humans because nobody

1586

01:15:56,350 --> 01:15:54,320

is telling the truth aliens reveal

1587

01:15:58,900 --> 01:15:56,360

themselves but they cannot exactly quite

1588

01:16:00,880 --> 01:15:58,910

say that well we've been messing with

1589

01:16:03,840 --> 01:16:00,890

you and we've been like engineering all

1590

01:16:07,690 --> 01:16:03,850

sorts of disasters and famines and and

1591

01:16:10,060 --> 01:16:07,700

you know biological you know we try to

1592

01:16:12,550 --> 01:16:10,070

exterminate and leave you however we see

1593

01:16:16,060 --> 01:16:12,560

fit because we just were doing this

1594

01:16:19,960 --> 01:16:16,070

genetic experiment which the only way we

1595

01:16:21,940 --> 01:16:19,970

found out to be feasible is to let you

1596

01:16:24,880 --> 01:16:21,950

people live your lives sort of think

1597

01:16:26,620 --> 01:16:24,890

that you're living your lives because

1598

01:16:29,890 --> 01:16:26,630

consciousness is a tricky thing it can

1599

01:16:33,070 --> 01:16:29,900

quite into consciousness experiments in

1600

01:16:37,950 --> 01:16:33,080

the lab so much you know so humans

1601

01:16:41,050 --> 01:16:37,960

needed to have that experience of

1602

01:16:44,020 --> 01:16:41,060

developing their consciousness in

1603

01:16:46,770 --> 01:16:44,030

generations and you know growing into

1604

01:16:49,830 --> 01:16:46,780

the ability to connect into the universe

1605

01:16:52,750 --> 01:16:49,840

through some safer meditation to prayer

1606

01:16:57,430 --> 01:16:52,760

some say it's you know so when basically

1607

01:16:59,260 --> 01:16:57,440

you become more aware of your being and

1608

01:17:02,650 --> 01:16:59,270

your existing in this universe and that

1609

01:17:05,020 --> 01:17:02,660

produces this oscillation effect and so

1610

01:17:07,420 --> 01:17:05,030

basically in the part 2 of the book it's

1611

01:17:09,820 --> 01:17:07,430

a full-on cold war with the aliens it

1612

01:17:12,160 --> 01:17:09,830

takes place on different planets because

1613

01:17:16,810 --> 01:17:12,170

humans are already more technologically

1614

01:17:19,480 --> 01:17:16,820

advanced and so there is a big tension

1615

01:17:21,580 --> 01:17:19,490

like one alien fraction wants to destroy

1616

01:17:24,460 --> 01:17:21,590

us it's like this experiment went too

1617

01:17:27,490 --> 01:17:24,470

far look look they got to our space now

1618

01:17:29,680 --> 01:17:27,500

you know and another one and I can't

1619

01:17:36,500 --> 01:17:29,690

quite reveal because this is going to be

1620

01:17:45,209 --> 01:17:42,180

but there is two soldiers the only two

1621

01:17:49,440 --> 01:17:45,219

survivors on in the alien alien space

1622

01:17:53,820 --> 01:17:49,450

the whole big mission was sent to find

1623

01:17:57,630 --> 01:17:53,830

information on the strategic positions

1624

01:17:59,250 --> 01:17:57,640

and weapons and some of the aliens and

1625

01:18:02,010 --> 01:17:59,260

there are plans about destroying us

1626

01:18:07,170 --> 01:18:02,020

actually closing up closing the research

1627

01:18:09,959 --> 01:18:07,180

and that mission was failed and the only

1628

01:18:14,700 --> 01:18:09,969

two soldiers are now being tortured and

1629

01:18:16,400 --> 01:18:14,710

interrogated by the aliens and by the

1630

01:18:20,040 --> 01:18:16,410

end of the book something happens that

1631

01:18:23,430 --> 01:18:20,050

brings aliens and these two soldiers to

1632

01:18:26,340 --> 01:18:23,440

realize that in a certain predicament

1633

01:18:30,890 --> 01:18:26,350

that this cold war of humans and aliens

1634

01:18:33,660 --> 01:18:30,900

created they need to be looking for a

1635

01:18:36,020 --> 01:18:33,670

common ground in the face of even bigger

1636

01:18:39,840 --> 01:18:36,030

threats let's put it that way

1637

01:18:41,750 --> 01:18:39,850

hmm well interesting you know we have a

1638

01:18:45,420 --> 01:18:41,760

couple of questions that came up in chat

1639

01:18:47,160 --> 01:18:45,430

and also if you'd be willing I can also

1640

01:18:48,930 --> 01:18:47,170

open the lines if someone would like to

1641

01:18:49,770 --> 01:18:48,940

call in and ask you a question sure

1642

01:18:51,900 --> 01:18:49,780

absolutely

1643

01:18:53,820 --> 01:18:51,910

okay first of all someone wanted to know

1644

01:18:59,459 --> 01:18:53,830

have you yourself ever had any type of

1645

01:19:10,290 --> 01:18:59,469

UFO sighting no personally not no have

1646

01:19:12,990 --> 01:19:10,300

you looked for one you know the Canadian

1647

01:19:17,070 --> 01:19:13,000

generals and whatnot you know they are

1648

01:19:20,760 --> 01:19:17,080

way closer to the truth and and like

1649

01:19:24,330 --> 01:19:20,770

with the previous guests on the show

1650

01:19:28,050 --> 01:19:24,340

you mentioned about this budget spending

1651

01:19:29,340 --> 01:19:28,060

on the alien threat identification type

1652

01:19:31,590 --> 01:19:29,350

of thing follow the money

1653

01:19:36,390 --> 01:19:31,600

yeah although the money you know so I do

1654

01:19:40,020 --> 01:19:36,400

trust those facts those types of data

1655

01:19:42,630 --> 01:19:40,030

you know they're you know and we

1656

01:19:46,830 --> 01:19:42,640

wouldn't have we wouldn't be having even

1657

01:19:48,779 --> 01:19:46,840

protocols for dealing with the UFOs in

1658

01:19:51,629 --> 01:19:48,789

the military if you

1659

01:19:55,139 --> 01:19:51,639

if we didn't need them military military

1660

01:19:58,500 --> 01:19:55,149

military people will unlock fans of the

1661

01:20:01,669 --> 01:19:58,510

x-files let's put it that way or I don't

1662

01:20:05,339 --> 01:20:01,679

know maybe they are but you know I just

1663

01:20:08,609 --> 01:20:05,349

trust that they have better things to do

1664

01:20:11,250 --> 01:20:08,619

than make up fiction right where the

1665

01:20:14,789 --> 01:20:11,260

country that you're in right now do you

1666

01:20:18,809 --> 01:20:14,799

happen to know how the UFO phenomena is

1667

01:20:22,679 --> 01:20:18,819

treated you know how that how is it

1668

01:20:25,469 --> 01:20:22,689

respected or is it is it fringe like no

1669

01:20:28,859 --> 01:20:25,479

you know I think anywhere you go in the

1670

01:20:32,069 --> 01:20:28,869

world right now it's thanks to Hollywood

1671

01:20:35,759 --> 01:20:32,079

in part but I think our psyche is

1672

01:20:39,509 --> 01:20:35,769

prepared in a sense like for example of

1673

01:20:42,239 --> 01:20:39,519

talking to some people who can relate to

1674

01:20:45,299 --> 01:20:42,249

me on the UFO level a lot faster than

1675

01:20:48,899 --> 01:20:45,309

the only religion or ethnicity or like

1676

01:20:52,589 --> 01:20:48,909

some kind of social level I think if we

1677

01:20:56,159 --> 01:20:52,599

did a decent poll which number of people

1678

01:20:58,619 --> 01:20:56,169

are believers yeah well I'm pretty I'm

1679

01:21:01,079 --> 01:20:58,629

personally like a firm believer that

1680

01:21:05,099 --> 01:21:01,089

there's like way too much smoking gun in

1681

01:21:09,829 --> 01:21:05,109

this story I I'm just not the holder of

1682

01:21:12,719 --> 01:21:09,839

the classified files - yeah - no I've

1683

01:21:15,119 --> 01:21:12,729

said a number of times on this show that

1684

01:21:16,709 --> 01:21:15,129

I think there is definitely something

1685

01:21:18,750 --> 01:21:16,719

going on I mean I saw something when my

1686

01:21:21,629 --> 01:21:18,760

own eyes and I trust a lot of people

1687

01:21:26,159 --> 01:21:21,639

have seen things with their own eyes but

1688

01:21:28,649 --> 01:21:26,169

what it is is the problem things in the

1689

01:21:32,699 --> 01:21:28,659

sky but I I'm not just jumping you know

1690

01:21:36,000 --> 01:21:32,709

I don't want to portray myself as a such

1691

01:21:38,789 --> 01:21:36,010

an avenue for seeker that I see like any

1692

01:21:41,339 --> 01:21:38,799

old thing in the sky and claim it to be

1693

01:21:43,619 --> 01:21:41,349

a UFO that's just you know I have too

1694

01:21:48,539 --> 01:21:43,629

much of a respect for science and

1695

01:21:50,759 --> 01:21:48,549

research to do that but yeah yeah go

1696

01:21:52,469 --> 01:21:50,769

ahead sorry oh no no just sometimes we

1697

01:21:54,659 --> 01:21:52,479

need you know I mean what I saw was

1698

01:21:57,689 --> 01:21:54,669

unexplainable and a lot of people I know

1699

01:22:00,179 --> 01:21:57,699

I've seen things are unexplainable and

1700

01:22:02,490 --> 01:22:00,189

I'm you know we've talked on the show

1701

01:22:04,650 --> 01:22:02,500

where some sightings

1702

01:22:07,440 --> 01:22:04,660

people brush off as something you know

1703

01:22:09,780 --> 01:22:07,450

military experiment aircraft but then

1704

01:22:12,510 --> 01:22:09,790

those same very same sightings were seen

1705

01:22:15,600 --> 01:22:12,520

you know fifty years ago the same type

1706

01:22:17,670 --> 01:22:15,610

of exactly the same type of situation so

1707

01:22:19,950 --> 01:22:17,680

I don't think that's actually possible

1708

01:22:21,360 --> 01:22:19,960

we will take calls if anyone would like

1709

01:22:23,430 --> 01:22:21,370

to call in that number is up on the

1710

01:22:26,250 --> 01:22:23,440

screen right now so you're welcome to

1711

01:22:28,110 --> 01:22:26,260

call in if you'd like and I would like

1712

01:22:30,630 --> 01:22:28,120

to say well while we were waiting for

1713

01:22:32,820 --> 01:22:30,640

the call even like let's take a look in

1714

01:22:36,180 --> 01:22:32,830

the broad human history this is what I

1715

01:22:38,790 --> 01:22:36,190

did in the book to a large degree if I

1716

01:22:41,430 --> 01:22:38,800

couldn't you know you already said it's

1717

01:22:43,380 --> 01:22:41,440

it's a pretty large book you know so I

1718

01:22:47,820 --> 01:22:43,390

had to pick and choose historic pieces

1719

01:22:49,680 --> 01:22:47,830

that would go into my puzzle sort of but

1720

01:22:51,510 --> 01:22:49,690

if you if you talk if you think about

1721

01:22:55,950 --> 01:22:51,520

the history of humanity like the

1722

01:23:01,790 --> 01:22:55,960

pyramids like that that one the

1723

01:23:14,540 --> 01:23:08,270

South America and just things like this

1724

01:23:18,540 --> 01:23:14,550

and apparitions like Our Lady Fatima

1725

01:23:20,640 --> 01:23:18,550

I'm not against religious beliefs but if

1726

01:23:23,790 --> 01:23:20,650

you read that one with a modern

1727

01:23:28,220 --> 01:23:23,800

framework if you read those accounts

1728

01:23:35,340 --> 01:23:33,270

that something is much less divinely

1729

01:23:37,260 --> 01:23:35,350

mysterious is happening because you know

1730

01:23:40,620 --> 01:23:37,270

people like I'm a huge fan of this

1731

01:23:44,370 --> 01:23:40,630

Stargate franchise so you know and and I

1732

01:23:48,720 --> 01:23:44,380

think their way of weaving mythology for

1733

01:23:53,130 --> 01:23:48,730

example into the narrative of the aliens

1734

01:23:56,250 --> 01:23:53,140

is quite brilliant which is relevant to

1735

01:23:59,010 --> 01:23:56,260

the discussion for example so what we

1736

01:24:02,390 --> 01:23:59,020

used to think of being gods of various

1737

01:24:06,810 --> 01:24:02,400

natures you know might very well be

1738

01:24:10,260 --> 01:24:06,820

visitors from who knows where or or some

1739

01:24:13,320 --> 01:24:10,270

ancestors may be humans of some type may

1740

01:24:16,299 --> 01:24:13,330

be aliens I don't know possibilities are

1741

01:24:19,270 --> 01:24:16,309

endless right a question that came up

1742

01:24:21,419 --> 01:24:19,280

what was the motive the motivation idea

1743

01:24:23,949 --> 01:24:21,429

behind the different alien factions

1744

01:24:27,189 --> 01:24:23,959

seems very realistic according to this

1745

01:24:30,819 --> 01:24:27,199

person and they so they just want to

1746

01:24:34,419 --> 01:24:30,829

know what your thoughts were on that I'm

1747

01:24:38,529 --> 01:24:34,429

kind of a little bit of politics as well

1748

01:24:42,040 --> 01:24:38,539

I am I think I watched too much politics

1749

01:24:43,989 --> 01:24:42,050

and political comedy has well so you

1750

01:24:48,549 --> 01:24:43,999

know when you when you get like so wired

1751

01:24:50,469 --> 01:24:48,559

to sort of like observe and as a person

1752

01:24:53,619 --> 01:24:50,479

who worked in government and just like

1753

01:24:56,469 --> 01:24:53,629

knows bureaucracy for what it is and how

1754

01:25:00,279 --> 01:24:56,479

sometimes you know like big things they

1755

01:25:03,009 --> 01:25:00,289

appear big and very thought-out and like

1756

01:25:09,879 --> 01:25:03,019

a policy on the surface sometimes could

1757

01:25:13,659 --> 01:25:09,889

be just like like a random thing in like

1758

01:25:16,569 --> 01:25:13,669

some random clerk nameless clerk may

1759

01:25:18,729 --> 01:25:16,579

have like just a like a signature type

1760

01:25:20,979 --> 01:25:18,739

of authority to well things to be like

1761

01:25:23,169 --> 01:25:20,989

the earmarking things to the budget for

1762

01:25:25,119 --> 01:25:23,179

example things like so just when you

1763

01:25:30,250 --> 01:25:25,129

start thinking about bureaucracies and

1764

01:25:32,770 --> 01:25:30,260

just sociology you know how beings exist

1765

01:25:35,739 --> 01:25:32,780

even you know even even in the animal

1766

01:25:38,290 --> 01:25:35,749

kingdom I mean there's tribes there is

1767

01:25:41,229 --> 01:25:38,300

always the adversarial principle in

1768

01:25:43,509 --> 01:25:41,239

everything so when you think about it in

1769

01:25:45,040 --> 01:25:43,519

you extrapolator cave there's our aliens

1770

01:25:48,009 --> 01:25:45,050

of course there's a train of father they

1771

01:25:51,699 --> 01:25:48,019

will be so evolved that they will have

1772

01:25:55,750 --> 01:25:51,709

no conflict and I personally don't buy

1773

01:25:57,520 --> 01:25:55,760

that well yeah I'm on I'm on the fence

1774

01:25:59,559 --> 01:25:57,530

myself about that now that you mention

1775

01:26:01,299 --> 01:25:59,569

it because it's like we but we would

1776

01:26:04,779 --> 01:26:01,309

really don't know you know we really

1777

01:26:07,540 --> 01:26:04,789

don't know the nature a lot of the

1778

01:26:10,689 --> 01:26:07,550

aggression and stuff that we have as a

1779

01:26:13,119 --> 01:26:10,699

species is all evolutionary to you know

1780

01:26:17,469 --> 01:26:13,129

survival instincts and all that that's

1781

01:26:19,599 --> 01:26:17,479

why we're tribal and but we don't know

1782

01:26:21,759 --> 01:26:19,609

how another species would evolve on

1783

01:26:24,639 --> 01:26:21,769

another planet you know we have no idea

1784

01:26:27,579 --> 01:26:24,649

yeah but if both we say that we our life

1785

01:26:29,750 --> 01:26:27,589

and their life just in general life and

1786

01:26:33,259 --> 01:26:29,760

life is like us

1787

01:26:36,049 --> 01:26:33,269

you know it's a self-perpetuating circle

1788

01:26:38,870 --> 01:26:36,059

of destruction something has to die for

1789

01:26:41,600 --> 01:26:38,880

something to be born that's you know

1790

01:26:43,430 --> 01:26:41,610

just a philosophical principle and like

1791

01:26:46,629 --> 01:26:43,440

I agree with you could be either way

1792

01:26:50,049 --> 01:26:46,639

like for we know aliens could be

1793

01:26:55,399 --> 01:26:50,059

noncorporeal energy type of species

1794

01:26:58,790 --> 01:26:55,409

multi-dimensional type of you know which

1795

01:27:02,000 --> 01:26:58,800

if the consciousness thing is really has

1796

01:27:04,399 --> 01:27:02,010

something to do with if it's a real

1797

01:27:06,439 --> 01:27:04,409

thing and if it's a type of energy maybe

1798

01:27:08,569 --> 01:27:06,449

we can be separated from the whole

1799

01:27:11,029 --> 01:27:08,579

bodies maybe aliens can as well maybe

1800

01:27:13,910 --> 01:27:11,039

they are I don't know like in my book I

1801  
01:27:17,899 --> 01:27:13,920  
just picked one of those that seem to be

1802  
01:27:21,049 --> 01:27:17,909  
the most the one the one possibility

1803  
01:27:22,700 --> 01:27:21,059  
that I probably understand the most from

1804  
01:27:26,870 --> 01:27:22,710  
that where I I stand

1805  
01:27:31,189 --> 01:27:26,880  
human perspective a question that came

1806  
01:27:32,390 --> 01:27:31,199  
up it says I don't know did I ask you I

1807  
01:27:34,279 --> 01:27:32,400  
mean you've asked you this question I'm

1808  
01:27:36,979 --> 01:27:34,289  
sorry if I did but it says you're

1809  
01:27:39,229 --> 01:27:36,989  
fascinated by science and physics but do

1810  
01:27:47,350 --> 01:27:39,239  
you believe in the metaphysical UFOs and

1811  
01:27:54,609 --> 01:27:47,360  
spiritual phenomena metaphysical

1812  
01:27:58,490 --> 01:27:54,619  
metaphysical UFOs as if like ghosts yeah

1813  
01:28:00,350 --> 01:27:58,500

yeah you know I do here's where I firmly

1814

01:28:05,930 --> 01:28:00,360

believe and it kind of shows in the book

1815

01:28:08,060 --> 01:28:05,940

I do believe that there's human

1816

01:28:10,939 --> 01:28:08,070

experiences are very vast and very

1817

01:28:12,879 --> 01:28:10,949

different and I sort of like come from

1818

01:28:15,680 --> 01:28:12,889

the point of view where I don't

1819

01:28:19,549 --> 01:28:15,690

necessarily want to disbelieve a person

1820

01:28:23,109 --> 01:28:19,559

you know I come from you know unless

1821

01:28:27,169 --> 01:28:23,119

there's some kind of like social media

1822

01:28:29,359 --> 01:28:27,179

Kardashian type of game you know to be

1823

01:28:31,759 --> 01:28:29,369

gained from public attention to

1824

01:28:34,790 --> 01:28:31,769

something generally people who speak up

1825

01:28:37,399 --> 01:28:34,800

about UFOs for example let's pick UFOs

1826

01:28:42,399 --> 01:28:37,409

or ghosts supernatural phenomena

1827

01:28:43,520 --> 01:28:42,409

phenomena they risk with being ridiculed

1828

01:28:47,750 --> 01:28:43,530

be

1829

01:28:50,540 --> 01:28:47,760

in you know lose some kind of social

1830

01:28:54,350 --> 01:28:50,550

standing in like you know what I mean

1831

01:28:58,130 --> 01:28:54,360

that's not generally where people want

1832

01:29:01,370 --> 01:28:58,140

to be necessarily ordinary people like

1833

01:29:03,410 --> 01:29:01,380

for example if an alien walked into the

1834

01:29:08,600 --> 01:29:03,420

room right now and nobody saw that

1835

01:29:11,360 --> 01:29:08,610

I would think hard you know should I

1836

01:29:13,760 --> 01:29:11,370

bring that up you know I'm a writer I

1837

01:29:18,580 --> 01:29:13,770

can be weird that's allowable but to

1838

01:29:23,060 --> 01:29:18,590

what degree you know so I do believe

1839

01:29:26,000 --> 01:29:23,070

people's experiences like the Fed of the

1840

01:29:27,920 --> 01:29:26,010

fact that I have not personally seen or

1841

01:29:31,460 --> 01:29:27,930

experienced something just doesn't mean

1842

01:29:31,910 --> 01:29:31,470

that somebody else did not that makes

1843

01:29:34,970 --> 01:29:31,920

sense

1844

01:29:37,460 --> 01:29:34,980

hmm have you followed up I know you

1845

01:29:41,830 --> 01:29:37,470

followed a lot of the UFO stories but

1846

01:29:43,850 --> 01:29:41,840

have you followed the abduction

1847

01:29:45,380 --> 01:29:43,860

experiencers or any of that have you

1848

01:29:48,830 --> 01:29:45,390

looked into any of that when you're

1849

01:29:53,330 --> 01:29:48,840

doing your research yes some of my

1850

01:29:56,570 --> 01:29:53,340

friends shout out to the Instagram folks

1851  
01:30:00,860 --> 01:29:56,580  
we spoke about that some of them claim

1852  
01:30:02,540 --> 01:30:00,870  
to have a deduction experiences and I am

1853  
01:30:05,600 --> 01:30:02,550  
NOT in the place of saying I don't

1854  
01:30:09,350 --> 01:30:05,610  
believe your experience you know I you

1855  
01:30:12,830 --> 01:30:09,360  
know why would I do that I know that

1856  
01:30:20,710 --> 01:30:12,840  
generally when people bring that up it's

1857  
01:30:23,170 --> 01:30:20,720  
very traumatic yeah it's rarely you get

1858  
01:30:26,480 --> 01:30:23,180  
what it seems to me from my

1859  
01:30:29,390 --> 01:30:26,490  
unquantifiable subjective perspective

1860  
01:30:31,490 --> 01:30:29,400  
when I read about that that there is a

1861  
01:30:35,390 --> 01:30:31,500  
lot more unpleasant traumatic

1862  
01:30:38,450 --> 01:30:35,400  
experiences in in in those accounts then

1863  
01:30:41,090 --> 01:30:38,460

I've been enlightened or I've been I've

1864

01:30:44,480 --> 01:30:41,100

received some information on knowledge I

1865

01:30:46,760 --> 01:30:44,490

tend to be more distrustful over those

1866

01:30:49,940 --> 01:30:46,770

types of claims like profit type of

1867

01:30:53,930 --> 01:30:49,950

things but I don't know why maybe that's

1868

01:30:57,020 --> 01:30:53,940

sea bias I do have biases I suppose like

1869

01:30:59,510 --> 01:30:57,030

everybody well it's a

1870

01:31:01,400 --> 01:30:59,520

yabba's on my personally I was on the

1871

01:31:05,390 --> 01:31:01,410

fence a lot about abductions then there

1872

01:31:07,910 --> 01:31:05,400

was a couple of ones that were just so

1873

01:31:10,250 --> 01:31:07,920

credible like I think Travis Walton I'm

1874

01:31:13,160 --> 01:31:10,260

not sure if you've followed the Travis

1875

01:31:15,680 --> 01:31:13,170

Walton case but there are a few

1876

01:31:20,240 --> 01:31:15,690

situations that are just you know with

1877

01:31:22,670 --> 01:31:20,250

witnesses and or just quite amazing so I

1878

01:31:24,440 --> 01:31:22,680

also you know there's a couple things

1879

01:31:25,880 --> 01:31:24,450

you mentioned way early on you mentioned

1880

01:31:28,070 --> 01:31:25,890

you know where are they hiding

1881

01:31:29,240 --> 01:31:28,080

are they under the ocean I do have

1882

01:31:34,880 --> 01:31:29,250

someone coming up that's going to be

1883

01:31:37,790 --> 01:31:34,890

talking about us oh so but but the

1884

01:31:40,430 --> 01:31:37,800

curious part that I've always thought

1885

01:31:44,180 --> 01:31:40,440

about on UFO sightings is the ones that

1886

01:31:47,060 --> 01:31:44,190

are repeated over and over again why why

1887

01:31:48,500 --> 01:31:47,070

would this particular thing show up in

1888

01:31:50,630 --> 01:31:48,510

the same area over and over again

1889

01:31:52,790 --> 01:31:50,640

instead of being exploring other parts

1890

01:31:56,030 --> 01:31:52,800

of the planet or whatever why is it like

1891

01:31:58,610 --> 01:31:56,040

right at this certain area and there are

1892

01:32:01,070 --> 01:31:58,620

many many cases where a UFO just keeps

1893

01:32:02,990 --> 01:32:01,080

showing up in the same same space it's

1894

01:32:05,240 --> 01:32:03,000

pretty puzzling the whole thing is

1895

01:32:07,160 --> 01:32:05,250

puzzling that that is the whole thing is

1896

01:32:09,650 --> 01:32:07,170

absolutely puzzling and I think this is

1897

01:32:11,240 --> 01:32:09,660

how my book came to be from there's like

1898

01:32:13,910 --> 01:32:11,250

a whole bunch of puzzles and you throw

1899

01:32:15,950 --> 01:32:13,920

them into this box right here you shake

1900

01:32:17,810 --> 01:32:15,960

it up and you come up with you try to

1901

01:32:20,200 --> 01:32:17,820

connect the dots you try to make sense

1902

01:32:23,300 --> 01:32:20,210

out of it and so in my book I kind of

1903

01:32:27,550 --> 01:32:23,310

there's a hypothesis if you if you will

1904

01:32:30,860 --> 01:32:27,560

you know it's a exercise in what-ifs so

1905

01:32:34,400 --> 01:32:30,870

if you think of them doing a certain

1906

01:32:37,160 --> 01:32:34,410

type of a research of a project showing

1907

01:32:40,100 --> 01:32:37,170

up to a certain population or a research

1908

01:32:45,680 --> 01:32:40,110

area that is monitored just makes hell

1909

01:32:51,560 --> 01:32:45,690

of a lot of sense mm-hmm yeah you know

1910

01:32:54,080 --> 01:32:51,570

so what about the the story goes to your

1911

01:32:56,870 --> 01:32:54,090

book I I believe you're saying that you

1912

01:33:00,770 --> 01:32:56,880

talk about like history I heard you say

1913

01:33:02,690 --> 01:33:00,780

JFK I saw that in your blurb so is this

1914

01:33:06,020 --> 01:33:02,700

kind of like you're creating a case

1915

01:33:09,320 --> 01:33:06,030

toward the future of what actually where

1916

01:33:10,640 --> 01:33:09,330

the direction it's going in and do these

1917

01:33:16,610 --> 01:33:10,650

things all kind of come to get

1918

01:33:19,220 --> 01:33:16,620

in the second part of the book yeah so

1919

01:33:25,690 --> 01:33:19,230

basically from what I get from the

1920

01:33:33,200 --> 01:33:29,630

like you know the Cloud Atlas or

1921

01:33:38,450 --> 01:33:33,210

something like this that has like a lot

1922

01:33:40,790 --> 01:33:38,460

of parts that seem to you're not sure

1923

01:33:42,470 --> 01:33:40,800

how they connect because I mean this is

1924

01:33:44,690 --> 01:33:42,480

the world that we live in like think

1925

01:33:48,080 --> 01:33:44,700

about like move on and hold a ufologist

1926

01:33:50,690 --> 01:33:48,090

like and the Blue Book people and like

1927

01:33:52,550 --> 01:33:50,700

all of these like sporadic researchers

1928

01:33:56,710 --> 01:33:52,560

of UFOs there's like a lot of

1929

01:33:59,930 --> 01:33:56,720

information here and there and like we

1930

01:34:02,870 --> 01:33:59,940

kind of have siloed information so I

1931

01:34:04,820 --> 01:34:02,880

think my book kind of mirrors that human

1932

01:34:07,010 --> 01:34:04,830

experience you read through this and you

1933

01:34:08,420 --> 01:34:07,020

have okay so this is this lens from the

1934

01:34:10,580 --> 01:34:08,430

perspective of this person from

1935

01:34:12,760 --> 01:34:10,590

perspective of JFK of perspective of

1936

01:34:15,470 --> 01:34:12,770

these

1937

01:34:18,140 --> 01:34:15,480

fictional and kind of real historic

1938

01:34:21,470 --> 01:34:18,150

characters you know I kind of walk in

1939

01:34:26,360 --> 01:34:21,480

their experiences and then sort of like

1940

01:34:31,940 --> 01:34:26,370

it comes together I think yeah the veil

1941

01:34:33,680 --> 01:34:31,950

is being lifted so I'll remind you no

1942

01:34:37,670 --> 01:34:33,690

one wants to call in that numbers up on

1943

01:34:41,510 --> 01:34:37,680

this screen and I did notice that you

1944

01:34:43,370 --> 01:34:41,520

this book has a lot of five-star ratings

1945

01:34:46,760 --> 01:34:43,380

you have a lot of really good ratings a

1946

01:34:49,510 --> 01:34:46,770

lot of people love to yeah that must be

1947

01:34:51,710 --> 01:34:49,520

a thrilling for your first book yeah yes

1948

01:34:54,620 --> 01:34:51,720

absolutely because you know you never

1949

01:34:58,330 --> 01:34:54,630

know it's a little bit of unconventional

1950

01:35:03,350 --> 01:34:58,340

type of a narrative like I said it has I

1951

01:35:06,350 --> 01:35:03,360

would say experimental style narrative

1952

01:35:08,930 --> 01:35:06,360

style you know you know so it I didn't

1953

01:35:11,480 --> 01:35:08,940

know if people would catch on to that if

1954

01:35:15,140 --> 01:35:11,490

that would be but when folks started

1955

01:35:18,620 --> 01:35:15,150

explaining like started to say that this

1956

01:35:21,050 --> 01:35:18,630

is it's an sci-fi epic and it's on the

1957

01:35:23,480 --> 01:35:21,060

hard sci-fi side and like I could not be

1958

01:35:24,080 --> 01:35:23,490

thrilled more because like to me to say

1959

01:35:26,120 --> 01:35:24,090

like the

1960

01:35:27,979 --> 01:35:26,130

is kind of like in the hard sci-fi camp

1961

01:35:30,680 --> 01:35:27,989

I was like oh my god that's like you

1962

01:35:34,910 --> 01:35:30,690

know being at the feet of the Giants of

1963

01:35:39,080 --> 01:35:34,920

fiction yeah that's just awesome

1964

01:35:41,959 --> 01:35:39,090

yes yeah and so you are you actually

1965

01:35:44,899 --> 01:35:41,969

writing sort of a like a follow-up book

1966

01:35:46,939 --> 01:35:44,909

on the book is that what you're doing

1967

01:35:54,200 --> 01:35:46,949

yeah there's there's gonna be a second

1968

01:35:57,290 --> 01:35:54,210

book 329 years of war looking forward to

1969

01:36:01,189 --> 01:35:57,300

have it out by the end of the year yeah

1970

01:36:03,919 --> 01:36:01,199

if all goes well so well it's not gonna

1971

01:36:06,890 --> 01:36:03,929

be a never-ending series because I want

1972

01:36:10,160 --> 01:36:06,900

to write and I have manuscripts of all

1973

01:36:14,839 --> 01:36:10,170

the stories but I think it warrants for

1974

01:36:20,709 --> 01:36:14,849

another book at least to serve really

1975

01:36:21,910 --> 01:36:20,719

give this University inclusion yeah so

1976

01:36:26,149 --> 01:36:21,920

do you

1977

01:36:29,450 --> 01:36:26,159

you know it seems like all books and all

1978

01:36:32,620 --> 01:36:29,460

movies that project the future it's

1979

01:36:36,290 --> 01:36:32,630

always dystopian everything is you know

1980

01:36:38,750 --> 01:36:36,300

falling apart where you know we're

1981

01:36:43,820 --> 01:36:38,760

conquered or whatever by something by AI

1982

01:36:45,439 --> 01:36:43,830

and then you hear someone like I think

1983

01:36:47,589 --> 01:36:45,449

there were two - I think Hawking

1984

01:36:50,510 --> 01:36:47,599

might've even said something about

1985

01:36:52,790 --> 01:36:50,520

artificial intelligence an Elon Musk

1986

01:36:55,540 --> 01:36:52,800

Elon Musk thinks it's you know could

1987

01:36:58,010 --> 01:36:55,550

possibly be the destruction of us all

1988

01:37:01,100 --> 01:36:58,020

what do you think about artificial

1989

01:37:04,459 --> 01:37:01,110

intelligence in the future this is more

1990

01:37:08,439 --> 01:37:04,469

in the camp of my those manuscripts that

1991

01:37:11,930 --> 01:37:08,449

I mentioned my different series which is

1992

01:37:16,580 --> 01:37:11,940

cyberpunk dystopian type of stuff that

1993

01:37:18,950 --> 01:37:16,590

deals with clones and AI and just you

1994

01:37:23,390 --> 01:37:18,960

know again it's a very existential probe

1995

01:37:29,479 --> 01:37:23,400

into what is a person what what is what

1996

01:37:32,000 --> 01:37:29,489

as a human is cloning human yeah when an

1997

01:37:36,740 --> 01:37:32,010

AI becomes a person when it becomes

1998

01:37:38,390 --> 01:37:36,750

self-aware generally I'm in the mosque

1999

01:37:41,750 --> 01:37:38,400

camp

2000

01:37:45,040 --> 01:37:41,760

I maybe there is just my personality I

2001

01:37:47,540 --> 01:37:45,050

have a healthy dose of paranoia in me

2002

01:37:49,280 --> 01:37:47,550

for some good reasons I mean look at the

2003

01:37:52,130 --> 01:37:49,290

world I mean you don't really you know

2004

01:37:56,390 --> 01:37:52,140

it's not like everything everywhere is

2005

01:38:01,060 --> 01:37:56,400

perfect you know yeah I think the

2006

01:38:04,820 --> 01:38:01,070

problem is that we have rogue nations

2007

01:38:08,180 --> 01:38:04,830

and an every nation is a rogue nation in

2008

01:38:10,640 --> 01:38:08,190

the fields of science and discovery to

2009

01:38:13,210 --> 01:38:10,650

be honest China is doing its own thing

2010

01:38:15,920 --> 01:38:13,220

the United States is doing its own thing

2011

01:38:18,410 --> 01:38:15,930

military of any country is doing its

2012

01:38:20,390 --> 01:38:18,420

entirely own thing and then there is a

2013

01:38:25,100 --> 01:38:20,400

Russia and the biological and nuclear

2014

01:38:29,540 --> 01:38:25,110

threats and all of that stuff and the

2015

01:38:32,330 --> 01:38:29,550

lack of forget even ethical standards

2016

01:38:34,610 --> 01:38:32,340

like even treaties on these subjects

2017

01:38:36,500 --> 01:38:34,620

that would be binding and common-sense

2018

01:38:41,030 --> 01:38:36,510

like look what was happening with the

2019

01:38:44,300 --> 01:38:41,040

global warming treaties seems like we

2020

01:38:48,400 --> 01:38:44,310

would kind of be concerned about the

2021

01:38:52,340 --> 01:38:48,410

planet you're living on but again I

2022

01:38:52,850 --> 01:38:52,350

understand big business is never easy to

2023

01:38:54,890 --> 01:38:52,860

deal with

2024

01:38:58,390 --> 01:38:54,900

so I basically I think what I'm trying

2025

01:39:02,470 --> 01:38:58,400

to say I think big business and

2026

01:39:05,120 --> 01:39:02,480

technology will definitely run our lives

2027

01:39:07,160 --> 01:39:05,130

don't look any further than Facebook

2028

01:39:09,800 --> 01:39:07,170

what was happening recently it's not

2029

01:39:11,870 --> 01:39:09,810

like we did not know that the data is

2030

01:39:18,350 --> 01:39:11,880

being gathered we did not know that the

2031

01:39:21,560 --> 01:39:18,360

AI a a I exist I exist what did that

2032

01:39:25,340 --> 01:39:21,570

wouldn't is not to our knowledge it's

2033

01:39:28,850 --> 01:39:25,350

not self-aware as of yet or so we think

2034

01:39:32,480 --> 01:39:28,860

that would be the scary day when I pick

2035

01:39:35,000 --> 01:39:32,490

myself because because I tell you you

2036

01:39:38,660 --> 01:39:35,010

know AI will have a I will not read

2037

01:39:41,450 --> 01:39:38,670

science fiction I will not you know a a

2038

01:39:44,210 --> 01:39:41,460

I will not have all those ridiculous

2039

01:39:48,070 --> 01:39:44,220

weaknesses that humans have you know

2040

01:39:50,820 --> 01:39:48,080

like what makes us human makes us flawed

2041

01:39:54,510 --> 01:39:50,830

makes us weak

2042

01:39:57,810 --> 01:39:54,520

and I don't think I just I just cannot

2043

01:39:59,840 --> 01:39:57,820

grasp you know that Sophie robot that

2044

01:40:07,830 --> 01:39:59,850

was granted the Saudi Arabian

2045

01:40:10,170 --> 01:40:07,840

citizenship the it's very faint AI at

2046

01:40:14,550 --> 01:40:10,180

this point it doesn't really do a whole

2047

01:40:17,280 --> 01:40:14,560

lot it's a talking doll but I'm just

2048

01:40:22,050 --> 01:40:17,290

having a hard time to see how a being

2049

01:40:27,120 --> 01:40:22,060

like that would have compassion I think

2050

01:40:31,500 --> 01:40:27,130

it would be a completely rational entity

2051

01:40:34,650 --> 01:40:31,510

and we would be like a pestilence on

2052

01:40:36,330 --> 01:40:34,660

this planet in the eyes of this type of

2053

01:40:41,390 --> 01:40:36,340

being yeah

2054

01:40:43,320 --> 01:40:41,400

when total destruction not this nuisance

2055

01:40:45,990 --> 01:40:43,330

could very well happen

2056

01:40:50,640 --> 01:40:46,000

yeah I've I've had conversations my son

2057

01:40:53,000 --> 01:40:50,650

about this type of thing and how you

2058

01:40:57,150 --> 01:40:53,010

know you're right when there's no

2059

01:41:00,390 --> 01:40:57,160

there's no emotions involved in in this

2060

01:41:02,130 --> 01:41:00,400

you know it could go just too rational

2061

01:41:04,980 --> 01:41:02,140

and rationals not always the right

2062

01:41:08,910 --> 01:41:04,990

answer like going all the way back to

2063

01:41:11,010 --> 01:41:08,920

I'm trying to remember that movie the

2064

01:41:13,770 --> 01:41:11,020

wars something wars or something like

2065

01:41:17,880 --> 01:41:13,780

that with Matthew Broderick the computer

2066

01:41:19,920 --> 01:41:17,890

goes wild and you know it just thinks to

2067

01:41:21,390 --> 01:41:19,930

stop the threat that's all think so if

2068

01:41:23,070 --> 01:41:21,400

it doesn't think about these are people

2069

01:41:25,680 --> 01:41:23,080

and it was going to destroy the world

2070

01:41:30,750 --> 01:41:25,690

and then he had to play the tic-tac-toe

2071

01:41:32,100 --> 01:41:30,760

game or realized it couldn't win and war

2072

01:41:34,200 --> 01:41:32,110

games I think that was the name of that

2073

01:41:37,350 --> 01:41:34,210

movie but I mean going all the way back

2074

01:41:39,810 --> 01:41:37,360

to that and several others you know

2075

01:41:41,280 --> 01:41:39,820

that's like artificial intelligence the

2076

01:41:45,060 --> 01:41:41,290

theory of the future of it we have a

2077

01:41:48,290 --> 01:41:45,070

call coming in but it's not some reason

2078

01:41:51,330 --> 01:41:48,300

this Skype is not allowing me to join it

2079

01:41:53,160 --> 01:41:51,340

because I had to read I had to redo all

2080

01:41:56,250 --> 01:41:53,170

my applications and one of them was

2081

01:41:59,670 --> 01:41:56,260

Skype and so I'm sorry caller I can't

2082

01:42:03,520 --> 01:41:59,680

take your call there's no sorry about

2083

01:42:06,819 --> 01:42:05,259

unfortunately we can't take calls on

2084

01:42:10,359 --> 01:42:06,829

this show try to figure that out by next

2085

01:42:14,620 --> 01:42:10,369

show but please do put your question in

2086

01:42:15,850 --> 01:42:14,630

the chat and I will relay it along along

2087

01:42:18,129 --> 01:42:15,860

against someone corrected me at what

2088

01:42:20,589 --> 01:42:18,139

yeah was wargames a terminator that's

2089

01:42:24,580 --> 01:42:20,599

another one I thought that was that's

2090

01:42:26,620 --> 01:42:24,590

kind of and that's I think we're sort of

2091

01:42:30,819 --> 01:42:26,630

heading in that direction if we're not

2092

01:42:33,669 --> 01:42:30,829

careful we're you know that something

2093

01:42:36,250 --> 01:42:33,679

could beyond just you know self

2094

01:42:37,959 --> 01:42:36,260

perpetuating and then do whatever I mean

2095

01:42:39,910 --> 01:42:37,969

these are possibilities it's scary

2096

01:42:49,450 --> 01:42:39,920

possibilities but definitely

2097

01:42:52,779 --> 01:42:49,460

possibilities yeah and I I am in Elon

2098

01:42:56,859 --> 01:42:52,789

Musk's team I suppose because there was

2099

01:42:58,930 --> 01:42:56,869

this mask versus Zuckerberg debate some

2100

01:43:02,350 --> 01:42:58,940

time ago it kind of went pretty public

2101  
01:43:04,779 --> 01:43:02,360  
and Zuckerberg was saying that no no AI

2102  
01:43:07,689 --> 01:43:04,789  
is our friend technology is our friend

2103  
01:43:10,600 --> 01:43:07,699  
olds chill look where Zuckerberg

2104  
01:43:13,569 --> 01:43:10,610  
testifying for the Congress because of

2105  
01:43:19,600 --> 01:43:13,579  
that type of thinking like big data big

2106  
01:43:23,140 --> 01:43:19,610  
data so if if you read about AI is the

2107  
01:43:26,140 --> 01:43:23,150  
type of AI you can just several things

2108  
01:43:31,629 --> 01:43:26,150  
how you can make any I you can either

2109  
01:43:35,979 --> 01:43:31,639  
reconstruct a neural pathway like to

2110  
01:43:40,600 --> 01:43:35,989  
imitate a brain in certain way or with

2111  
01:43:46,390 --> 01:43:40,610  
already pre-programmed certain knowledge

2112  
01:43:49,120 --> 01:43:46,400  
or like logical rules of operation or

2113  
01:43:51,250 --> 01:43:49,130

you make it a learning machine and the

2114

01:43:53,709 --> 01:43:51,260

learning machine needs data it learns on

2115

01:43:57,180 --> 01:43:53,719

Big Data and like what is happening with

2116

01:44:01,569 --> 01:43:57,190

accumulation of big data these days is

2117

01:44:03,790 --> 01:44:01,579

one ugly scariest things my opinion not

2118

01:44:08,830 --> 01:44:03,800

because of only privacy and identity

2119

01:44:13,509 --> 01:44:08,840

theft but just because I think we are

2120

01:44:17,130 --> 01:44:13,519

completely unaware of the scale of how

2121

01:44:20,760 --> 01:44:17,140

big data how much big data

2122

01:44:23,370 --> 01:44:20,770

how you know consumer choices are you

2123

01:44:25,550 --> 01:44:23,380

know like economy is driven on big data

2124

01:44:29,790 --> 01:44:25,560

and elections are driven on big data

2125

01:44:32,670 --> 01:44:29,800

like we don't that's it's it's a whole

2126  
01:44:35,460 --> 01:44:32,680  
brave new world and it's exploded in the

2127  
01:44:39,540 --> 01:44:35,470  
past ten years or so with the advent of

2128  
01:44:43,830 --> 01:44:39,550  
Facebook and platforms like that well

2129  
01:44:46,110 --> 01:44:43,840  
also another thing when it comes to say

2130  
01:44:49,230 --> 01:44:46,120  
just for instance Facebook okay we're

2131  
01:44:50,100 --> 01:44:49,240  
talking two billion people are on

2132  
01:44:54,960 --> 01:44:50,110  
Facebook

2133  
01:44:58,740 --> 01:44:54,970  
think about all the power that that they

2134  
01:45:00,300 --> 01:44:58,750  
could have possibly like not that they

2135  
01:45:02,220 --> 01:45:00,310  
would not that anyone would but just

2136  
01:45:04,710 --> 01:45:02,230  
think if like a madman took over

2137  
01:45:10,470 --> 01:45:04,720  
Facebook like all of a sudden it was

2138  
01:45:12,540 --> 01:45:10,480

under hostage and you and the messages

2139

01:45:15,870 --> 01:45:12,550

that could get out to two billion people

2140

01:45:18,330 --> 01:45:15,880

could cause absolute chaos I mean these

2141

01:45:20,160 --> 01:45:18,340

are I'm not that would ever happen but

2142

01:45:22,110 --> 01:45:20,170

it's just a you know the possibilities

2143

01:45:26,190 --> 01:45:22,120

are there when there's that that type of

2144

01:45:29,580 --> 01:45:26,200

control over that many people remember

2145

01:45:33,330 --> 01:45:29,590

when in Hawaii there was a full alert

2146

01:45:36,450 --> 01:45:33,340

alert about a nuclear strike

2147

01:45:39,060 --> 01:45:36,460

yeah yeah I know some of that well yeah

2148

01:45:41,430 --> 01:45:39,070

yeah that wouldn't be such a big of a

2149

01:45:44,010 --> 01:45:41,440

deal except these days everybody has a

2150

01:45:46,770 --> 01:45:44,020

smart phone in the pocket with

2151

01:45:49,920 --> 01:45:46,780

connection to the Internet and like

2152

01:45:52,770 --> 01:45:49,930

information like this goes viral and of

2153

01:45:55,410 --> 01:45:52,780

course like like now with the

2154

01:45:58,050 --> 01:45:55,420

information sharing like given that

2155

01:46:02,250 --> 01:45:58,060

aspect like leave alone propaganda and

2156

01:46:04,650 --> 01:46:02,260

manipulation of masses although that is

2157

01:46:08,100 --> 01:46:04,660

quite a scary thing because like we were

2158

01:46:10,590 --> 01:46:08,110

talking about bipartisan adversarial

2159

01:46:17,930 --> 01:46:10,600

kind of nature of politics in our

2160

01:46:22,200 --> 01:46:17,940

society like this the tribal split it's

2161

01:46:25,980 --> 01:46:22,210

we we like this think about how scary it

2162

01:46:27,960 --> 01:46:25,990

is that can you be so sure that what

2163

01:46:30,209 --> 01:46:27,970

you're thinking is actually what you are

2164

01:46:34,189 --> 01:46:30,219

thinking because your thoughts come

2165

01:46:36,839 --> 01:46:34,199

from the like environment around you and

2166

01:46:41,129 --> 01:46:36,849

the stuff you're getting is less and

2167

01:46:45,629 --> 01:46:41,139

less like journalism it's more opinion

2168

01:46:47,580 --> 01:46:45,639

pieces you know it's you're getting a

2169

01:46:49,830 --> 01:46:47,590

certain regurgitator you're not getting

2170

01:46:52,290 --> 01:46:49,840

nutrition you're getting a protein stick

2171

01:46:55,469 --> 01:46:52,300

you know you're not getting a you know a

2172

01:47:00,060 --> 01:46:55,479

new a wholesome meal where you can just

2173

01:47:02,129 --> 01:47:00,070

kind of pick a part right yeah that's

2174

01:47:04,560 --> 01:47:02,139

very philosophical I don't know I just

2175

01:47:07,109 --> 01:47:04,570

don't me thinking no no no I like I'd

2176

01:47:08,939 --> 01:47:07,119

like this conversation a question that

2177

01:47:12,989 --> 01:47:08,949

the caller was that was trying to call

2178

01:47:15,739 --> 01:47:12,999

in had was he says that you have

2179

01:47:19,410 --> 01:47:15,749

mentioned JFK are we talking the

2180

01:47:20,279 --> 01:47:19,420

President or the assassination he's just

2181

01:47:22,290 --> 01:47:20,289

trying to figure out what you're

2182

01:47:28,350 --> 01:47:22,300

referencing what you reference in that

2183

01:47:30,270 --> 01:47:28,360

book okay so it's well if you think of

2184

01:47:32,189 --> 01:47:30,280

Cloud Atlas and they mentioned it so

2185

01:47:34,109 --> 01:47:32,199

it's like a lot of pieces of puzzles

2186

01:47:38,520 --> 01:47:34,119

come together but from point of view of

2187

01:47:40,439 --> 01:47:38,530

JFK who was born in 1917 coincidentally

2188

01:47:44,089 --> 01:47:40,449

the same year where our Lady Fatima

2189

01:47:47,310 --> 01:47:44,099

sighting happened like across the world

2190

01:47:49,830 --> 01:47:47,320

so I picked certain pieces of history

2191

01:47:52,799 --> 01:47:49,840

like for example I picked 1942 where

2192

01:47:55,589 --> 01:47:52,809

they la sighting happened and I was like

2193

01:47:57,719 --> 01:47:55,599

okay where where JFK was back in the day

2194

01:48:01,709 --> 01:47:57,729

he was in the Office of Naval

2195

01:48:05,219 --> 01:48:01,719

Intelligence during his military and and

2196

01:48:11,989 --> 01:48:05,229

so I won't tell how but I incorporated

2197

01:48:18,569 --> 01:48:11,999

the because he he as a what's the word

2198

01:48:20,640 --> 01:48:18,579

military personnel because he would be

2199

01:48:23,339 --> 01:48:20,650

aware of things like that because that

2200

01:48:26,879 --> 01:48:23,349

was perceived as an external threat from

2201

01:48:29,219 --> 01:48:26,889

Japan or whatnot you know so he would be

2202

01:48:33,080 --> 01:48:29,229

aware of this incident then in 52 when

2203

01:48:36,229 --> 01:48:33,090

he was already a congressman a

2204

01:48:38,640 --> 01:48:36,239

congressman 52 I basically yeah I

2205

01:48:41,580 --> 01:48:38,650

basically yeah I think he was running

2206

01:48:43,229 --> 01:48:41,590

for Senate that year because Nixon was

2207

01:48:45,419 --> 01:48:43,239

running for president and I have

2208

01:48:47,370 --> 01:48:45,429

as well in there so I basically looked

2209

01:48:50,669 --> 01:48:47,380

at all of these actors and where they

2210

01:48:55,049 --> 01:48:50,679

were certain pieces of certain points in

2211

01:48:56,910 --> 01:48:55,059

time and this year for incidents so that

2212

01:49:00,169 --> 01:48:56,920

also was a mass sighting and like you

2213

01:49:03,509 --> 01:49:00,179

had enough classified or you know you

2214

01:49:05,759 --> 01:49:03,519

you know so he was so he would be

2215

01:49:11,069 --> 01:49:05,769

connecting the dots then he takes the

2216

01:49:13,830 --> 01:49:11,079

office in 61 from remembering 6200 you

2217

01:49:17,580 --> 01:49:13,840

mean presidents as a president yes

2218

01:49:19,770 --> 01:49:17,590

61 so he so he gets exposure to the full

2219

01:49:25,259 --> 01:49:19,780

classified information of everything

2220

01:49:27,540 --> 01:49:25,269

that is going on and why we shall go to

2221

01:49:29,189 --> 01:49:27,550

the moon not because it's hard but you

2222

01:49:32,430 --> 01:49:29,199

know no because it's easy but because

2223

01:49:36,000 --> 01:49:32,440

it's hard and all of that vision happens

2224

01:49:39,180 --> 01:49:36,010

you know so I was just kind of trying to

2225

01:49:42,120 --> 01:49:39,190

put myself into his shoes and then of

2226

01:49:44,910 --> 01:49:42,130

course assassination and and again it's

2227

01:49:48,660 --> 01:49:44,920

a it's an what-if exercise what if

2228

01:49:51,330 --> 01:49:48,670

aliens are here what if JFK we know was

2229

01:49:53,549 --> 01:49:51,340

pretty darn brilliant guy he likes be

2230

01:49:56,640 --> 01:49:53,559

dread and he's like comprehension level

2231

01:50:00,330 --> 01:49:56,650

was out of this world and he also was

2232

01:50:03,720 --> 01:50:00,340

plagued by a lot of other immune

2233

01:50:06,839 --> 01:50:03,730

deficiencies and actually his entire

2234

01:50:09,450 --> 01:50:06,849

family had like Ted Kennedy died from

2235

01:50:14,850 --> 01:50:09,460

brain tumor so and that's all the

2236

01:50:17,069 --> 01:50:14,860

byproducts of oscillation so the you get

2237

01:50:21,149 --> 01:50:17,079

my dream this is a family that has the

2238

01:50:24,239 --> 01:50:21,159

gene so it's just I like I don't know

2239

01:50:26,970 --> 01:50:24,249

like this kind of book ruled itself you

2240

01:50:30,140 --> 01:50:26,980

know I took history and I just kept on

2241

01:50:34,200 --> 01:50:30,150

tingling whatever therefore therefore if

2242

01:50:37,049 --> 01:50:34,210

and of course what if aliens are

2243

01:50:41,629 --> 01:50:37,059

involved in the human history and JFK

2244

01:50:48,629 --> 01:50:41,639

has a gene of oscillation and what if

2245

01:50:51,239 --> 01:50:48,639

what if the CIA finds out what if the

2246

01:50:56,290 --> 01:50:51,249

CIA finds out that basically aliens are

2247

01:50:59,229 --> 01:50:56,300

keeping the sitting president alive

2248

01:51:02,500 --> 01:50:59,239

because he's basically falling apart we

2249

01:51:05,200 --> 01:51:02,510

didn't write yet very very bad No

2250

01:51:08,080 --> 01:51:05,210

it became Declassified that was we

2251

01:51:11,129 --> 01:51:08,090

didn't you know so that he was a strong

2252

01:51:14,560 --> 01:51:11,139

man type of guy but he was very deeply

2253

01:51:20,220 --> 01:51:14,570

ill all the time on medication a lot of

2254

01:51:24,790 --> 01:51:20,230

medication yeah yeah so what if CA and

2255

01:51:28,149 --> 01:51:24,800

finds out that the president is

2256

01:51:31,330 --> 01:51:28,159

basically compromised by staying alive

2257

01:51:33,790 --> 01:51:31,340

with the help of the audience and what

2258

01:51:36,939 --> 01:51:33,800

if actually the government's know about

2259

01:51:39,220 --> 01:51:36,949

the aliens like wait

2260

01:51:41,439 --> 01:51:39,230

William I imagine like all the

2261

01:51:45,640 --> 01:51:41,449

governments know about the presence of

2262

01:51:48,280 --> 01:51:45,650

aliens like I only imagine you know the

2263

01:51:50,020 --> 01:51:48,290

highest level of officials presidents

2264

01:51:55,149 --> 01:51:50,030

and VP's and you know people who have

2265

01:51:58,689 --> 01:51:55,159

the highest classified access to

2266

01:52:00,209 --> 01:51:58,699

classified information what do what do

2267

01:52:04,149 --> 01:52:00,219

you do with that type of information

2268

01:52:06,129 --> 01:52:04,159

like I mean what would you do like okay

2269

01:52:07,689 --> 01:52:06,139

you're already lost the war you haven't

2270

01:52:10,299 --> 01:52:07,699

even started it now you what are you

2271

01:52:14,709 --> 01:52:10,309

gonna cross panic in the world you might

2272

01:52:17,620 --> 01:52:14,719

as well just like pick apart the the

2273

01:52:20,069 --> 01:52:17,630

wreckage and come up with it the

2274

01:52:25,540 --> 01:52:20,079

internet or something like that you know

2275

01:52:27,010 --> 01:52:25,550

I think our commercialism and our you

2276

01:52:30,250 --> 01:52:27,020

know it's kind of like you know you wake

2277

01:52:32,439 --> 01:52:30,260

up next to a snake like what do you do

2278

01:52:34,990 --> 01:52:32,449

like I mean you don't start like

2279

01:52:40,390 --> 01:52:35,000

screaming and kicking you let it sleep

2280

01:52:44,819 --> 01:52:40,400

hmm you know yeah so yeah someone wanted

2281

01:52:47,260 --> 01:52:44,829

to know do you have a favorite UFO case

2282

01:52:52,240 --> 01:52:47,270

incident is there one is the one that

2283

01:52:53,979 --> 01:52:52,250

you would call your favorite mmm well

2284

01:52:55,780 --> 01:52:53,989

these ones that are putting in they're

2285

01:52:57,580 --> 01:52:55,790

pretty darn favorite the one that the

2286

01:53:01,000 --> 01:52:57,590

one that I haven't mentioned though that

2287

01:53:03,370 --> 01:53:01,010

is in the book also is in 1986 there was

2288

01:53:06,910 --> 01:53:03,380

this incident with the commercial flight

2289

01:53:07,569 --> 01:53:06,920

that was flying over Alaska from Paris

2290

01:53:09,429 --> 01:53:07,579

to Tokyo

2291

01:53:11,919 --> 01:53:09,439

yeah Jas

2292

01:53:13,929 --> 01:53:11,929

sixteen yeah yeah whatever it is yes and

2293

01:53:17,439 --> 01:53:13,939

that is like one hell of an interesting

2294

01:53:21,399 --> 01:53:17,449

case as well because you know like

2295

01:53:23,589 --> 01:53:21,409

people on board so and basically the

2296

01:53:25,449 --> 01:53:23,599

there was a case of a mothership and

2297

01:53:27,580 --> 01:53:25,459

then little ships and they were all

2298

01:53:30,069 --> 01:53:27,590

hovering around this aircraft and there

2299

01:53:33,310 --> 01:53:30,079

was like intense light so there was like

2300

01:53:35,709 --> 01:53:33,320

some kind of radiation and that she's

2301

01:53:37,449 --> 01:53:35,719

open I read their case it's like holy

2302

01:53:39,879 --> 01:53:37,459

[h\_\_\h] that's just like fits into my

2303

01:53:41,229 --> 01:53:39,889

narrative because of what Elliott's are

2304

01:53:45,390 --> 01:53:41,239

doing your type of projects they are

2305

01:53:49,509 --> 01:53:45,400

doing they're like you know radiating

2306

01:53:54,009 --> 01:53:49,519

treating basically our cancers and

2307

01:53:56,679 --> 01:53:54,019

whatnot in high-profile carriers of the

2308

01:53:58,810 --> 01:53:56,689

oscillation gene so you know where do

2309

01:54:00,549 --> 01:53:58,820

you get a hold of them like on the

2310

01:54:01,989 --> 01:54:00,559

airplane you know you find out that

2311

01:54:08,020 --> 01:54:01,999

somebody's on the airplane it's very

2312

01:54:09,879 --> 01:54:08,030

easy you just go over there you know you

2313

01:54:13,689 --> 01:54:09,889

disperse some radiation or some kind of

2314

01:54:16,299 --> 01:54:13,699

treatment or well this is just how it

2315

01:54:18,370 --> 01:54:16,309

fit together how it came together in my

2316

01:54:21,279 --> 01:54:18,380

book yeah so that was a very interesting

2317

01:54:24,189 --> 01:54:21,289

case I agree that's one of my one of my

2318

01:54:29,469 --> 01:54:24,199

favorites just to think that it was a 30

2319

01:54:32,500 --> 01:54:29,479

a 30 year pilot with you know an a-plus

2320

01:54:34,989 --> 01:54:32,510

record and you know he's seeing what he

2321

01:54:37,140 --> 01:54:34,999

can't believe this big large walnut

2322

01:54:39,429 --> 01:54:37,150

shaped thing the size of like two

2323

01:54:41,109 --> 01:54:39,439

airplanes in front of him and then like

2324

01:54:43,870 --> 01:54:41,119

you said the smaller things coming out

2325

01:54:46,659 --> 01:54:43,880

it's tracked on radar for 300 miles the

2326

01:54:48,969 --> 01:54:46,669

thing goes around him you know circles

2327

01:54:50,589 --> 01:54:48,979

around him yeah and he's trying to

2328

01:54:54,100 --> 01:54:50,599

describe and he's trying to sound normal

2329

01:55:00,879 --> 01:54:54,110

and then he gets a desk job you know

2330

01:55:03,759 --> 01:55:00,889

he's no line at but eventually that he

2331

01:55:05,560 --> 01:55:03,769

was brought back to flying again but I

2332

01:55:07,870 --> 01:55:05,570

mean for I think two years he couldn't

2333

01:55:11,919 --> 01:55:07,880

fly after that incident which is pretty

2334

01:55:14,109 --> 01:55:11,929

sad and I'm so yeah you know so in my

2335

01:55:16,270 --> 01:55:14,119

book I reinterpret it is again like what

2336

01:55:18,729 --> 01:55:16,280

if so there is this case yeah whatever

2337

01:55:19,839 --> 01:55:18,739

government knows about these stunts and

2338

01:55:22,210 --> 01:55:19,849

just like Heaney

2339

01:55:26,470 --> 01:55:22,220

the government needs to this pilot

2340

01:55:28,120 --> 01:55:26,480

keep quiet about the experience and so

2341

01:55:31,000 --> 01:55:28,130

it kind of reimagined and there's the

2342

01:55:33,010 --> 01:55:31,010

whole incident the incident I

2343

01:55:38,290 --> 01:55:33,020

transcribed the whole conversation with

2344

01:55:41,430 --> 01:55:38,300

the encourage the ground air traffic

2345

01:55:45,100 --> 01:55:41,440

controllers and then the militant the

2346

01:55:48,990 --> 01:55:45,110

the Reagan administration people got

2347

01:55:52,360 --> 01:55:49,000

involved you know and all of that so

2348

01:55:54,580 --> 01:55:52,370

kind of like every time I got this piece

2349

01:55:58,060 --> 01:55:54,590

of history I was trying to like vividly

2350

01:56:00,490 --> 01:55:58,070

put myself and like see what was

2351  
01:56:03,310 --> 01:56:00,500  
happening what was actually happening in

2352  
01:56:05,230 --> 01:56:03,320  
the moment Wow

2353  
01:56:08,290 --> 01:56:05,240
