

TEXAS UFOs WITH JANE KYLE

1
00:00:25,240 --> 00:00:12,650

[Music]

2
00:00:30,590 --> 00:00:28,430

hello and welcome to the show I'm Martin

3
00:00:32,840 --> 00:00:30,600

Willis your host and we have another

4
00:00:34,910 --> 00:00:32,850

great show for you this for you this

5
00:00:38,630 --> 00:00:34,920

evening we have Jane Kyle she's gonna be

6
00:00:40,700 --> 00:00:38,640

discussing UFOs in Texas and she has a

7
00:00:42,350 --> 00:00:40,710

website we're gonna be talking to her

8
00:00:45,229 --> 00:00:42,360

about that

9
00:00:47,390 --> 00:00:45,239

so she's been she's documented over a

10
00:00:50,240 --> 00:00:47,400

thousand local and worldwide UFO

11
00:00:53,060 --> 00:00:50,250

sightings since the beginning of Texas

12
00:00:55,400 --> 00:00:53,070

UFOs calm in 2012

13
00:00:57,680 --> 00:00:55,410

banan in a while so we'll be talking to

14

00:01:01,729 --> 00:00:57,690

her Alejandro Rojas will be coming up

15

00:01:03,410 --> 00:01:01,739

with UFO updates in just a moment so

16

00:01:05,060 --> 00:01:03,420

just a little little tiny bit of

17

00:01:08,420 --> 00:01:05,070

housekeeping it's nothing to fret about

18

00:01:10,610 --> 00:01:08,430

but we were hacked for a long time that

19

00:01:13,310 --> 00:01:10,620

he had something sneaking around on our

20

00:01:16,550 --> 00:01:13,320

server no worries about that it only

21

00:01:19,340 --> 00:01:16,560

affected me actually for people that

22

00:01:23,420 --> 00:01:19,350

subscribed subscription money was going

23

00:01:25,310 --> 00:01:23,430

to China so that and that's even when I

24

00:01:26,660 --> 00:01:25,320

had a site lock a really good scanning

25

00:01:28,970 --> 00:01:26,670

service on there they couldn't even find

26

00:01:29,240 --> 00:01:28,980

it well they finally discovered it last

27

00:01:32,570 --> 00:01:29,250

night

28

00:01:36,320 --> 00:01:32,580

got rid of it and blocked unfortunately

29

00:01:38,030 --> 00:01:36,330

we had to block China totally so that

30

00:01:39,680 --> 00:01:38,040

won't be happening again it doesn't

31

00:01:43,280 --> 00:01:39,690

affect anyone signing up for the show

32

00:01:45,080 --> 00:01:43,290

it's just that the subscription money

33

00:01:47,840 --> 00:01:45,090

was going to China it's no longer going

34

00:01:49,850 --> 00:01:47,850

there so I can pay the bills but we do

35

00:01:52,310 --> 00:01:49,860

have a lot of them and I do appreciate

36

00:01:54,230 --> 00:01:52,320

your support very much anyone can help

37

00:01:57,340 --> 00:01:54,240

out for 2 dollars or more a month all

38

00:02:00,470 --> 00:01:57,350

that informations on podcasts UFO comm

39

00:02:02,450 --> 00:02:00,480

if you can't help out you still want to

40

00:02:05,090 --> 00:02:02,460

listen to the full shows it's live every

41

00:02:08,389 --> 00:02:05,100

Wednesday at 8 to 10 p.m. Eastern

42

00:02:10,969 --> 00:02:08,399

Standard Time on podcast UFO calm or on

43

00:02:13,309 --> 00:02:10,979

YouTube you can also listen on the Dark

44

00:02:16,970 --> 00:02:13,319

Matter digital network and that's every

45

00:02:18,860 --> 00:02:16,980

Thursday at 10 to midnight and that's

46

00:02:21,770 --> 00:02:18,870

also Eastern Standard Time and that's

47

00:02:22,330 --> 00:02:21,780

enough from me Alejandro welcome to the

48

00:02:26,089 --> 00:02:22,340

show

49

00:02:28,190 --> 00:02:26,099

Thank You Sara happy to be here yes hey

50

00:02:29,780 --> 00:02:28,200

you know what we had we had Arizona

51
00:02:32,330 --> 00:02:29,790
weather today I still have a snow bank

52
00:02:35,690 --> 00:02:32,340
in my really I have a snow bank but it

53
00:02:36,140 --> 00:02:35,700
hit 90 degrees here and wow I think it

54
00:02:40,160 --> 00:02:36,150
was

55
00:02:42,229 --> 00:02:40,170
that record ice is so compact over the

56
00:02:44,809 --> 00:02:42,239
winter it probably did it did it mostly

57
00:02:46,699 --> 00:02:44,819
melt or yeah not completely there's

58
00:02:49,970 --> 00:02:46,709
still like a foot left in one area I

59
00:02:52,460 --> 00:02:49,980
posted on Facebook today but yeah it's

60
00:02:56,059 --> 00:02:52,470
it's very persistent it does not want to

61
00:02:58,759 --> 00:02:56,069
go it's kind of amazing huh 90 degree a

62
00:03:02,149 --> 00:02:58,769
day of 90 degrees cannot melt that yeah

63
00:03:04,849 --> 00:03:02,159

yeah but it's all the we have these

64

00:03:07,640 --> 00:03:04,859

things called black flies here and they

65

00:03:10,119 --> 00:03:07,650

just like they just cover you with bites

66

00:03:12,379 --> 00:03:10,129

you know right away and they instantly

67

00:03:14,750 --> 00:03:12,389

came out like there was nothing

68

00:03:17,240 --> 00:03:14,760

yesterday or even this morning but this

69

00:03:19,610 --> 00:03:17,250

afternoon all of a sudden BAM it's like

70

00:03:22,099 --> 00:03:19,620

they just cover you and we have to deal

71

00:03:25,879 --> 00:03:22,109

with that for like three months so I

72

00:03:28,420 --> 00:03:25,889

really mean a story okay let's take away

73

00:03:31,759 --> 00:03:28,430

that into his space story let's hear it

74

00:03:34,640 --> 00:03:31,769

so have you read about the white hole so

75

00:03:36,800 --> 00:03:34,650

there's black holes oh and a little bit

76

00:03:40,129 --> 00:03:36,810

more research on white holes has been

77

00:03:41,990 --> 00:03:40,139

done and made the news this week so

78

00:03:43,670 --> 00:03:42,000

essentially a white hole is the opposite

79

00:03:46,039 --> 00:03:43,680

of a black hole black hole sucks

80

00:03:48,470 --> 00:03:46,049

everything in and of course it's huge I

81

00:03:50,330 --> 00:03:48,480

guess something you know very small like

82

00:03:53,390 --> 00:03:50,340

even the size of a baseball can weigh as

83

00:03:56,659 --> 00:03:53,400

much as the moon when a black hole kind

84

00:03:58,670 --> 00:03:56,669

of implodes but a white hole and I guess

85

00:04:00,949 --> 00:03:58,680

it's somehow they've detected it before

86

00:04:05,449 --> 00:04:00,959

this it was theoretical is the other

87

00:04:09,710 --> 00:04:05,459

side of the black hole Wow and however

88

00:04:11,990 --> 00:04:09,720

it's extremely tiny nothing can go into

89

00:04:15,370 --> 00:04:12,000

it anything that moves near it bounces

90

00:04:18,800 --> 00:04:15,380

off and and just really weird it's

91

00:04:20,779 --> 00:04:18,810

mind-bending ultra universe stuff

92

00:04:22,700 --> 00:04:20,789

because they talk about how they don't

93

00:04:24,830 --> 00:04:22,710

know if like what goes through a back

94

00:04:28,730 --> 00:04:24,840

hole even comes back in our own universe

95

00:04:31,460 --> 00:04:28,740

it somehow could go into an alternate

96

00:04:34,010 --> 00:04:31,470

universe which I don't understand but

97

00:04:36,409 --> 00:04:34,020

pretty weird stuff now is there any

98

00:04:39,290 --> 00:04:36,419

chance that this may be a real

99

00:04:43,070 --> 00:04:39,300

laypersons quandary here is there any

100

00:04:46,100 --> 00:04:43,080

chance it could be antimatter I know

101
00:04:48,980 --> 00:04:46,110
they are totally different but it could

102
00:04:49,970 --> 00:04:48,990
be dark matter so you're kind of it's a

103
00:04:54,470 --> 00:04:49,980
two type of matter

104
00:04:58,520 --> 00:04:54,480
it matters so yeah really weird stuff so

105
00:05:02,060 --> 00:04:58,530
it is yeah it might account for for dark

106
00:05:03,920 --> 00:05:02,070
matter I guess wow that is really said

107
00:05:06,440 --> 00:05:03,930
no I'd never even heard I've never even

108
00:05:08,180 --> 00:05:06,450
heard of anything like that before yeah

109
00:05:10,340 --> 00:05:08,190
neither had I up until this week and

110
00:05:14,360 --> 00:05:10,350
there's a couple stories out there one

111
00:05:17,510 --> 00:05:14,370
on Syfy which is a little less layman

112
00:05:19,460 --> 00:05:17,520
than my description slightly not much

113
00:05:21,470 --> 00:05:19,470

more and then there's some more

114

00:05:24,950 --> 00:05:21,480

scientific papers out there on that so

115

00:05:26,720 --> 00:05:24,960

yeah something to check out great oh by

116

00:05:29,000 --> 00:05:26,730

the way get your background I just love

117

00:05:30,410 --> 00:05:29,010

your background it's and YouTube only

118

00:05:32,930 --> 00:05:30,420

it's of course not for the podcast

119

00:05:35,660 --> 00:05:32,940

listener I know they're always jealous I

120

00:05:37,880 --> 00:05:35,670

am totally which is good I wanted you to

121

00:05:40,970 --> 00:05:37,890

like it you know and speaking of China

122

00:05:42,800 --> 00:05:40,980

this took a couple weeks to get here

123

00:05:45,260 --> 00:05:42,810

because the coolest background I could

124

00:05:47,120 --> 00:05:45,270

find was in China and that's where this

125

00:05:49,910 --> 00:05:47,130

came from because I guess nobody's

126
00:05:52,880 --> 00:05:49,920
printing on the material like China does

127
00:05:55,040 --> 00:05:52,890
and so it does it is pretty cool but you

128
00:05:56,990 --> 00:05:55,050
had to get it from China it was took me

129
00:05:58,790 --> 00:05:57,000
a lot of searching to get I didn't want

130
00:06:01,340 --> 00:05:58,800
just a universe I wanted something

131
00:06:04,220 --> 00:06:01,350
cooler so on board this cool-looking

132
00:06:05,080 --> 00:06:04,230
spacecraft is is pretty nice yeah it's

133
00:06:08,570 --> 00:06:05,090
pretty sweet

134
00:06:12,380 --> 00:06:08,580
mm-hmm so are you gonna talk about what

135
00:06:13,660 --> 00:06:12,390
your last week's situation yes yeah sure

136
00:06:17,120 --> 00:06:13,670
definitely

137
00:06:20,450 --> 00:06:17,130
so yeah last week was really cool I got

138
00:06:22,310 --> 00:06:20,460

invited by 3m the company that makes all

139

00:06:24,560 --> 00:06:22,320

the tape and we did a lot of discovering

140

00:06:26,840 --> 00:06:24,570

other things they make actually a very

141

00:06:28,460 --> 00:06:26,850

cool company and I'm not just like I'm

142

00:06:30,560 --> 00:06:28,470

not someone who's into kind of the

143

00:06:33,110 --> 00:06:30,570

corporate world but my background my

144

00:06:34,460 --> 00:06:33,120

degree was in industrial psychology and

145

00:06:37,490 --> 00:06:34,470

it's about management and they have a

146

00:06:39,080 --> 00:06:37,500

really cool kind of cultural corporate

147

00:06:41,660 --> 00:06:39,090

culture there where they allow a lot of

148

00:06:43,400 --> 00:06:41,670

freedom but one of the cool things that

149

00:06:44,870 --> 00:06:43,410

they do is they also have these

150

00:06:49,820 --> 00:06:44,880

different programs they have a

151
00:06:52,010 --> 00:06:49,830
partnership with the Nobel Society Nobel

152
00:06:54,440 --> 00:06:52,020
media which essentially promotes the

153
00:06:56,450 --> 00:06:54,450
Nobel Prize and so there was a whole

154
00:06:59,630 --> 00:06:56,460
panel with Nobel Prize winners it was

155
00:07:02,450 --> 00:06:59,640
absolutely incredible and the next day

156
00:07:03,740 --> 00:07:02,460
they had a different event which was the

157
00:07:06,860 --> 00:07:03,750
launching of the

158
00:07:09,620 --> 00:07:06,870
science study that they did kind of the

159
00:07:12,320 --> 00:07:09,630
public perception of science this big

160
00:07:15,230 --> 00:07:12,330
study and they launched this and they

161
00:07:18,010 --> 00:07:15,240
had Scott Kelly there of course at the

162
00:07:20,240 --> 00:07:18,020
astronaut and I did get some details

163
00:07:24,920 --> 00:07:20,250

because we were talking about this so

164

00:07:28,630 --> 00:07:24,930

Scott Kelly is the American with who's

165

00:07:31,730 --> 00:07:28,640

had the most cumulative days and space

166

00:07:34,130 --> 00:07:31,740

but or no I'm sorry I'm that's

167

00:07:37,520 --> 00:07:34,140

completely wrong he's had the longest

168

00:07:41,140 --> 00:07:37,530

mission one mission in space which was

169

00:07:43,970 --> 00:07:41,150

his year-long program which was 340 days

170

00:07:48,950 --> 00:07:43,980

Peggy and I think it's Watson or whitson

171

00:07:51,320 --> 00:07:48,960

she's had the most cumulative however

172

00:07:54,110 --> 00:07:51,330

the Americans don't come close to the

173

00:07:56,210 --> 00:07:54,120

Russians the Russians actually broke a

174

00:08:00,830 --> 00:07:56,220

bunch of records especially with their

175

00:08:03,560 --> 00:08:00,840

their Mir Space Lab back in the 90s they

176

00:08:05,960 --> 00:08:03,570

had these huge numbers which is kind of

177

00:08:07,310 --> 00:08:05,970

crazy because I wrote a story it's even

178

00:08:09,530 --> 00:08:07,320

they're going to be coming out in den of

179

00:08:13,190 --> 00:08:09,540

geek or I'll be posting it at modern

180

00:08:14,690 --> 00:08:13,200

American dot news but this is a story

181

00:08:18,350 --> 00:08:14,700

about the physical effects because I

182

00:08:20,090 --> 00:08:18,360

interviewed him and you know like the

183

00:08:23,060 --> 00:08:20,100

night he came back a couple days later

184

00:08:24,590 --> 00:08:23,070

he woke up he stood up to go to the

185

00:08:27,260 --> 00:08:24,600

restroom because he was feeling awful

186

00:08:30,440 --> 00:08:27,270

his skin was burning like it was on fire

187

00:08:32,000 --> 00:08:30,450

he was feverish and his legs he looked

188

00:08:33,620 --> 00:08:32,010

you know felt like all the blood was

189

00:08:35,810 --> 00:08:33,630

going hit to his legs he got into the

190

00:08:38,420 --> 00:08:35,820

bathroom and he said he had alien Lakes

191

00:08:40,070 --> 00:08:38,430

they look like like huge and his

192

00:08:41,630 --> 00:08:40,080

girlfriend was kind of you know she runs

193

00:08:43,370 --> 00:08:41,640

in and to try to help him out and she's

194

00:08:45,079 --> 00:08:43,380

squeezing his legs and he says it

195

00:08:48,200 --> 00:08:45,089

smelled it sounds like a water balloon

196

00:08:52,010 --> 00:08:48,210

when she's squeezing her legs and she

197

00:08:54,110 --> 00:08:52,020

couldn't even feel his ankles so I mean

198

00:08:56,240 --> 00:08:54,120

it was a very difficult time but what

199

00:08:59,930 --> 00:08:56,250

was funny is he's a tough guy you know

200

00:09:02,150 --> 00:08:59,940

he's an ex-navy jet fighter pilot and I

201

00:09:03,620 --> 00:09:02,160

asked him you know would this be a

202

00:09:05,780 --> 00:09:03,630

problem let's say to someone go into

203

00:09:08,120 --> 00:09:05,790

Mars I mean think of that happening to

204

00:09:10,430 --> 00:09:08,130

you while you're on Mars hmm and he said

205

00:09:14,030 --> 00:09:10,440

now no big deal I could still function

206

00:09:17,660 --> 00:09:14,040

if I had to and complete tasks I don't

207

00:09:19,730 --> 00:09:17,670

know how he would do that but

208

00:09:21,260 --> 00:09:19,740

what long-term effects they don't even

209

00:09:22,850 --> 00:09:21,270

know what long long-term effect yeah

210

00:09:25,370 --> 00:09:22,860

that's that's still being examined

211

00:09:28,880 --> 00:09:25,380

because it does you know your phone does

212

00:09:33,200 --> 00:09:28,890

deteriorate but his point was Mars is

213

00:09:35,690 --> 00:09:33,210

only 200 days so it's a much less much

214

00:09:38,150 --> 00:09:35,700

less time and he said you know one of

215

00:09:40,370 --> 00:09:38,160

his other missions was 159 days he had

216

00:09:43,640 --> 00:09:40,380

practically no effect said very mild

217

00:09:46,120 --> 00:09:43,650

effects compared to the 340 day trip

218

00:09:49,700 --> 00:09:46,130

where he had much much more severe

219

00:09:52,300 --> 00:09:49,710

effect so he felt it was you know ace

220

00:09:54,920 --> 00:09:52,310

entropic like they gave went up you know

221

00:09:59,150 --> 00:09:54,930

greatly so that was interesting but he I

222

00:10:03,350 --> 00:09:59,160

also did ask him about UFO you did I did

223

00:10:06,050 --> 00:10:03,360

yes I had to and he's not into it okay

224

00:10:07,760 --> 00:10:06,060

which is kind of a bummer but you know

225

00:10:09,890 --> 00:10:07,770

you never know you gotta ask cuz

226

00:10:11,360 --> 00:10:09,900

sometimes these guys are into UFOs yeah

227

00:10:13,910 --> 00:10:11,370

and he was like you know I've seen

228

00:10:17,960 --> 00:10:13,920

strange stuff as a jet fighter pilot and

229

00:10:19,880 --> 00:10:17,970

as an astronaut but it typically turns

230

00:10:22,430 --> 00:10:19,890

out to be optical illusions you know

231

00:10:24,710 --> 00:10:22,440

when things are in the atmosphere they

232

00:10:28,490 --> 00:10:24,720

look really weird or especially flying a

233

00:10:30,680 --> 00:10:28,500

jet at night over the ocean and just

234

00:10:33,440 --> 00:10:30,690

imagine these experiences this guy's had

235

00:10:36,290 --> 00:10:33,450

I mean flying jets over the ocean and

236

00:10:37,730 --> 00:10:36,300

and being in space but he says you do

237

00:10:39,700 --> 00:10:37,740

see weird things but I haven't seen

238

00:10:43,610 --> 00:10:39,710

anything that I haven't been able to

239

00:10:45,410 --> 00:10:43,620

figure out and on the next podcast you

240

00:10:47,690 --> 00:10:45,420

know I'll segment this audio and we'll

241

00:10:50,630 --> 00:10:47,700

play it because I did record it of him

242

00:10:54,680 --> 00:10:50,640

playing it and are saying this but he

243

00:10:56,300 --> 00:10:54,690

did say that also that he's sure cuz he

244

00:10:58,460 --> 00:10:56,310

went straight to aliens and he's like I

245

00:11:00,290 --> 00:10:58,470

just don't think aliens are here why are

246

00:11:02,030 --> 00:11:00,300

people getting pictures are not getting

247

00:11:04,250 --> 00:11:02,040

pictures anymore that their cell phones

248

00:11:06,020 --> 00:11:04,260

and I didn't go into the details I only

249

00:11:09,110 --> 00:11:06,030

had a limited amount of time work so I

250

00:11:11,450 --> 00:11:09,120

didn't really debate it much but he said

251

00:11:15,500 --> 00:11:11,460

I'm pretty sure he said I'm not a

252

00:11:18,440 --> 00:11:15,510

hundred percent sure but I'm 99.99% sure

253

00:11:20,600 --> 00:11:18,450

aliens are not visiting us currently

254

00:11:24,490 --> 00:11:20,610

what is it did you happen to ask him

255

00:11:27,020 --> 00:11:24,500

what he thought about the the Pentagon

256

00:11:30,080 --> 00:11:27,030

situation well that's how I started to

257

00:11:31,400 --> 00:11:30,090

question actually the question was given

258

00:11:33,110 --> 00:11:31,410

that the Department of

259

00:11:35,119 --> 00:11:33,120

fence has come out and said they didn't

260

00:11:37,819 --> 00:11:35,129

take UFO seriously and they had

261

00:11:40,280 --> 00:11:37,829

investigated them whether he thought

262

00:11:42,920 --> 00:11:40,290

that was a viable area of study and

263

00:11:45,769 --> 00:11:42,930

that's how I began the question he

264

00:11:47,990 --> 00:11:45,779

immediately went into aliens and and

265

00:11:52,340 --> 00:11:48,000

then backtracked wouldn't and when I got

266

00:11:54,379 --> 00:11:52,350

more you know into UFOs but yeah so he

267

00:11:59,769 --> 00:11:54,389

just that was his answer to that

268

00:12:02,210 --> 00:11:59,779

question otherwise who asks it anyway

269

00:12:05,360 --> 00:12:02,220

yeah yeah it was good that I asked that

270

00:12:06,949 --> 00:12:05,370

mean you never know so he does say you

271

00:12:08,179 --> 00:12:06,959

know he does believe there's life out

272

00:12:10,819 --> 00:12:08,189

there of course he thinks that that

273

00:12:12,889 --> 00:12:10,829

there's got to be he's just not so sure

274

00:12:16,369 --> 00:12:12,899

given the distances that they're

275

00:12:18,110 --> 00:12:16,379

necessarily here visiting us but I did

276

00:12:20,059 --> 00:12:18,120

say well you know I think one of the

277

00:12:22,429 --> 00:12:20,069

things they're looking into is you know

278

00:12:25,699 --> 00:12:22,439

the technology perhaps this is for in

279

00:12:29,150 --> 00:12:25,709

technology and then he said or ours and

280

00:12:31,009 --> 00:12:29,160

he gave me a funny look and that was

281

00:12:32,480 --> 00:12:31,019

kind of there was a pause here where it

282

00:12:34,519 --> 00:12:32,490

was a natural ending to that

283

00:12:37,699 --> 00:12:34,529

conversation because I I did have other

284

00:12:39,980 --> 00:12:37,709

questions that were no you know I had to

285

00:12:42,050 --> 00:12:39,990

ask one for a friend of mine who was

286

00:12:46,730 --> 00:12:42,060

there rights for universe today and she

287

00:12:49,189 --> 00:12:46,740

had to leave early so but that was

288

00:12:50,990 --> 00:12:49,199

really funny yeah he he gave a funny

289

00:12:53,660 --> 00:12:51,000

look almost like he knows something but

290

00:12:55,249 --> 00:12:53,670

I'm sure he has a Navy pilot he is aware

291

00:12:57,050 --> 00:12:55,259

that of course we've got advanced

292

00:13:01,009 --> 00:12:57,060

technologies that were working on that

293

00:13:02,569 --> 00:13:01,019

no doubt you know historically when we

294

00:13:04,220 --> 00:13:02,579

come out with something new you know

295

00:13:06,620 --> 00:13:04,230

it's a mistaken for a UFO because it

296

00:13:08,929 --> 00:13:06,630

looks weird so no doubt that that's part

297

00:13:10,790 --> 00:13:08,939

of the phenomena yeah that that could

298

00:13:12,230 --> 00:13:10,800

have been one of those looks like that's

299

00:13:14,299 --> 00:13:12,240

classified

300

00:13:16,610 --> 00:13:14,309

don't go there buddy type of look or

301
00:13:19,400 --> 00:13:16,620
something like I don't know if he's just

302
00:13:22,280 --> 00:13:19,410
being cool and kind of like you know I

303
00:13:23,990 --> 00:13:22,290
know something or just kind of like hey

304
00:13:26,960 --> 00:13:24,000
did you ever think of this type of look

305
00:13:28,730 --> 00:13:26,970
I wasn't sure but he is funny because

306
00:13:30,949 --> 00:13:28,740
the two brothers I like to characterize

307
00:13:33,379 --> 00:13:30,959
him in my research like you know that

308
00:13:36,379 --> 00:13:33,389
the Mark Kelly who's married to Gabby

309
00:13:39,499 --> 00:13:36,389
Giffords he's kind of the nerd you know

310
00:13:41,509 --> 00:13:39,509
he is more straight-laced and of course

311
00:13:44,070 --> 00:13:41,519
Gabby Giffords being a politician she's

312
00:13:46,350 --> 00:13:44,080
kind of that political nerd you know

313
00:13:49,020 --> 00:13:46,360

whereas scott kelly is kind of like the

314

00:13:51,210 --> 00:13:49,030

rock star the x-jet fighter pilot and

315

00:13:53,550 --> 00:13:51,220

when you see him he's dressed really

316

00:13:55,770 --> 00:13:53,560

cool you know he's a really cool guy and

317

00:13:57,720 --> 00:13:55,780

he gives that air now he's a very nice

318

00:14:00,270 --> 00:13:57,730

guy and there's something about

319

00:14:02,940 --> 00:14:00,280

astronauts and and almost all NASA

320

00:14:04,740 --> 00:14:02,950

employees they have this kind of wisdom

321

00:14:06,690 --> 00:14:04,750

about them I think it's just because

322

00:14:09,540 --> 00:14:06,700

they're working on something you know

323

00:14:11,160 --> 00:14:09,550

that it's cutting edge for for Humanity

324

00:14:12,920 --> 00:14:11,170

that they kind of they take it very

325

00:14:16,590 --> 00:14:12,930

seriously and they take their

326

00:14:19,470 --> 00:14:16,600

responsibilities to the public very

327

00:14:22,050 --> 00:14:19,480

seriously and so you always get some

328

00:14:24,120 --> 00:14:22,060

amazing things for a mama yes yeah I've

329

00:14:27,630 --> 00:14:24,130

only interviewed one astronaut my entire

330

00:14:30,870 --> 00:14:27,640

life and and that was Alan bean he was a

331

00:14:32,370 --> 00:14:30,880

fourth person on the moon great guy but

332

00:14:36,120 --> 00:14:32,380

I introduced interviewed him about

333

00:14:38,700 --> 00:14:36,130

artwork my oh my god oh that's racing

334

00:14:41,340 --> 00:14:38,710

yeah cool but anyway he he talked about

335

00:14:42,990 --> 00:14:41,350

he puts he does if anyone can look up

336

00:14:45,030 --> 00:14:43,000

his artwork is very very beautiful he

337

00:14:47,220 --> 00:14:45,040

does all moon scenes you know people on

338

00:14:49,320 --> 00:14:47,230

the moon or himself on the moon yeah

339

00:14:51,420 --> 00:14:49,330

it's very very skilled artists and he

340

00:14:54,720 --> 00:14:51,430

says he actually puts moon dust in his

341

00:14:56,640 --> 00:14:54,730

paintings so ad and then really cool and

342

00:14:58,200 --> 00:14:56,650

then on one painting he had actually his

343

00:15:00,810 --> 00:14:58,210

footprints from his boots and I said

344

00:15:05,390 --> 00:15:00,820

they actually let you keep your boots

345

00:15:09,200 --> 00:15:05,400

that you used and he goes uh not exactly

346

00:15:12,390 --> 00:15:09,210

yeah otherwise I stole them I love it

347

00:15:16,410 --> 00:15:12,400

well there's controversy that has gone

348

00:15:19,410 --> 00:15:16,420

on behind the mementos that they keep

349

00:15:22,080 --> 00:15:19,420

and it's been kind of this you know

350

00:15:24,210 --> 00:15:22,090

unspoken thing that you did you could

351

00:15:26,850 --> 00:15:24,220

keep a few things but it kind of comes

352

00:15:29,190 --> 00:15:26,860

back to haunt them especially if they

353

00:15:30,780 --> 00:15:29,200

try to put something on eBay which Edgar

354

00:15:33,570 --> 00:15:30,790

Mitchell I think has tried to do and

355

00:15:36,600 --> 00:15:33,580

maybe some others and then it becomes

356

00:15:38,250 --> 00:15:36,610

more of a problem so uh one thing he did

357

00:15:40,560 --> 00:15:38,260

clear up though when I talked about he

358

00:15:43,500 --> 00:15:40,570

said there's no one out there that has a

359

00:15:45,900 --> 00:15:43,510

moon rock he said that all the time

360

00:15:48,960 --> 00:15:45,910

he'll have people say oh you know my

361

00:15:50,400 --> 00:15:48,970

aunt has the moon rock her husband

362

00:15:52,140 --> 00:15:50,410

worked at NASA and blah blah blah

363

00:15:54,060 --> 00:15:52,150

and he says nope they're not gonna have

364

00:15:56,760 --> 00:15:54,070

a moon rock those are those were just so

365

00:15:57,929 --> 00:15:56,770

well-guarded and safe and stowed away

366

00:15:59,549 --> 00:15:57,939

nobody there not

367

00:16:01,829 --> 00:15:59,559

loading he said any time you ever see it

368

00:16:04,229 --> 00:16:01,839

a moon rock for sale anyway anywhere

369

00:16:08,669 --> 00:16:04,239

just ignore it because it's not it's not

370

00:16:10,019 --> 00:16:08,679

real so well I don't know i l've heard

371

00:16:12,629 --> 00:16:10,029

you have a moon roll

372

00:16:15,329 --> 00:16:12,639

astronauts I don't have one I wish I did

373

00:16:18,569 --> 00:16:15,339

but astronauts who have been on the moon

374

00:16:20,369 --> 00:16:18,579

have have they've and I think Buzz

375

00:16:23,249 --> 00:16:20,379

Aldrin even talked about this where they

376

00:16:27,289 --> 00:16:23,259

have their little stashes of them where

377

00:16:29,849 --> 00:16:27,299

they kind of stash yeah supposedly so

378

00:16:31,229 --> 00:16:29,859

but I think it's the same kind of thing

379

00:16:34,319 --> 00:16:31,239

where it's not something they want

380

00:16:37,469 --> 00:16:34,329

people to really know it's kind of a

381

00:16:40,139 --> 00:16:37,479

behind-the-scenes thing but yeah in fact

382

00:16:42,449 --> 00:16:40,149

my first den of geek story was a

383

00:16:44,429 --> 00:16:42,459

partially what was based off an

384

00:16:46,199 --> 00:16:44,439

interview with Harrison Schmitt one of

385

00:16:49,979 --> 00:16:46,209

the last people to walk on the moon and

386

00:16:51,479 --> 00:16:49,989

so if you go to den of geek or if you go

387

00:16:52,859 --> 00:16:51,489

to my Twitter you'll be able to or

388

00:16:54,779 --> 00:16:52,869

Facebook you'll be able to find that

389

00:16:56,579 --> 00:16:54,789

story and that's just kind of its

390

00:16:58,589 --> 00:16:56,589

thoughts on this new space race but

391

00:17:00,929 --> 00:16:58,599

there is one more story I think it's

392

00:17:03,809 --> 00:17:00,939

really important before we move we'll do

393

00:17:06,240 --> 00:17:03,819

that story but I have to I have to be

394

00:17:07,139 --> 00:17:06,250

honest with the listening audience if I

395

00:17:09,509 --> 00:17:07,149

was on the moon

396

00:17:11,909 --> 00:17:09,519

I'd probably slide one of those little

397

00:17:15,600 --> 00:17:11,919

tiny rocks in my pocket I think exactly

398

00:17:18,329 --> 00:17:15,610

if you didn't go to the moon you're

399

00:17:20,699 --> 00:17:18,339

gonna want a memento and and from what I

400

00:17:24,600 --> 00:17:20,709

understand good if not all of them

401
00:17:26,639 --> 00:17:24,610
stashed something so at they're just

402
00:17:27,840 --> 00:17:26,649
very quiet about it yeah all right I

403
00:17:28,470 --> 00:17:27,850
just wanted to clear the air with that

404
00:17:30,779 --> 00:17:28,480
yeah

405
00:17:33,299 --> 00:17:30,789
all right you would do it I would meet

406
00:17:36,060 --> 00:17:33,309
you what's your so what's your important

407
00:17:40,139 --> 00:17:36,070
story let's hear that so this is

408
00:17:45,499 --> 00:17:40,149
Newsweek and it's just weird and I think

409
00:17:55,769 --> 00:17:49,889
frustrating but Newsweek picked up the

410
00:17:58,049 --> 00:17:55,779
story on MU fonts issues Oh with their

411
00:18:01,980 --> 00:17:58,059
Pennsylvania ex Pennsylvania state

412
00:18:05,310 --> 00:18:01,990
director John venturi who was also on

413
00:18:08,570 --> 00:18:05,320

their television show hangar 18 or was

414

00:18:11,100 --> 00:18:08,580

it hangar 1 hangar 3 something like that

415

00:18:13,590 --> 00:18:11,110

hangar something rather

416

00:18:17,549 --> 00:18:13,600

and yeah there's been a lot of

417

00:18:21,620 --> 00:18:17,559

controversy with some very hanger

418

00:18:24,360 --> 00:18:21,630

wonderful things that he said and and

419

00:18:27,000 --> 00:18:24,370

recently their new director of research

420

00:18:30,180 --> 00:18:27,010

Chris Cogswell have you interviewed him

421

00:18:32,370 --> 00:18:30,190

no you've got to have him on he is a

422

00:18:34,110 --> 00:18:32,380

party's great Mike yes people he is

423

00:18:36,750 --> 00:18:34,120

great I love this guy

424

00:18:39,750 --> 00:18:36,760

he's a PhD in chemistry but he also has

425

00:18:42,539 --> 00:18:39,760

a degree in I think it's philosophy I'm

426

00:18:44,400 --> 00:18:42,549

pretty sure is what it is and so you

427

00:18:46,830 --> 00:18:44,410

know he's just a really really cool guy

428

00:18:50,250 --> 00:18:46,840

super active has his own podcast called

429

00:18:51,840 --> 00:18:50,260

something like the mad scientist but he

430

00:18:54,419 --> 00:18:51,850

left because he was under the impression

431

00:18:57,240 --> 00:18:54,429

like so like really people were given

432

00:18:59,850 --> 00:18:57,250

that John Ventre was no longer with the

433

00:19:02,820 --> 00:18:59,860

organization and he was contacted by

434

00:19:04,530 --> 00:19:02,830

venturi who was still working on things

435

00:19:08,070 --> 00:19:04,540

such as the symposium and he was like

436

00:19:11,430 --> 00:19:08,080

wow I can't do this and you can read the

437

00:19:13,890 --> 00:19:11,440

story on Newsweek the story of course it

438

00:19:16,919 --> 00:19:13,900

it's terrible it's bad unfortunately I

439

00:19:19,860 --> 00:19:16,929

think that it was a very mishandled

440

00:19:21,720 --> 00:19:19,870

situation and and that's what Newsweek

441

00:19:25,560 --> 00:19:21,730

is pointing out but the fact that

442

00:19:27,419 --> 00:19:25,570

Newsweek is actually covering the

443

00:19:30,870 --> 00:19:27,429

politics or the background the dirty

444

00:19:33,690 --> 00:19:30,880

laundry of a UFO organization is pretty

445

00:19:36,350 --> 00:19:33,700

crazy and and I think it's actually a

446

00:19:38,460 --> 00:19:36,360

very positive thing of course this is

447

00:19:41,490 --> 00:19:38,470

reflects very poorly kind of

448

00:19:46,110 --> 00:19:41,500

highlighting the sexism and racism that

449

00:19:49,919 --> 00:19:46,120

is at least tolerated and when it

450

00:19:52,200 --> 00:19:49,929

shouldn't be in some cases but I think

451
00:19:53,669 --> 00:19:52,210
that it just shows that this topic has

452
00:19:56,159 --> 00:19:53,679
reached a level where it's mainstream

453
00:19:58,470 --> 00:19:56,169
enough that this this sort of thing can

454
00:20:00,299 --> 00:19:58,480
happen that Newsweek isn't going to bill

455
00:20:02,760 --> 00:20:00,309
they treated it like any other

456
00:20:05,549 --> 00:20:02,770
organization having some sort of issue

457
00:20:08,310 --> 00:20:05,559
like this idiot make fun of the topic at

458
00:20:10,289 --> 00:20:08,320
all they really just we're talking about

459
00:20:12,409 --> 00:20:10,299
the organization and the organizational

460
00:20:14,370 --> 00:20:12,419
issues and I thought that was the

461
00:20:17,700 --> 00:20:14,380
fascinating because I don't think this

462
00:20:19,169 --> 00:20:17,710
sort of I don't think that this topic

463
00:20:22,440 --> 00:20:19,179

where these organizations have been

464

00:20:24,419 --> 00:20:22,450

regarded in this manner since maybe the

465

00:20:28,049 --> 00:20:24,429

50s or 60s when

466

00:20:29,940 --> 00:20:28,059

we had an actual air force investigation

467

00:20:30,869 --> 00:20:29,950

and then we had organizations such as

468

00:20:32,609 --> 00:20:30,879

nightcap

469

00:20:35,489 --> 00:20:32,619

which were made up of military people

470

00:20:39,119 --> 00:20:35,499

who were kind of critical of the Air

471

00:20:42,899 --> 00:20:39,129

Force's secrecy in this area but we're

472

00:20:45,659 --> 00:20:42,909

you know very serious people as well and

473

00:20:48,989 --> 00:20:45,669

so yeah it's it's fascinating that

474

00:20:51,480 --> 00:20:48,999

Newsweek did this and I think it's a

475

00:20:55,529 --> 00:20:51,490

it's a very important story for this

476
00:20:57,539 --> 00:20:55,539
build yes I think it's amazing I mean I

477
00:20:59,190 --> 00:20:57,549
can't even believe they would they would

478
00:21:01,009 --> 00:20:59,200
actually cover something like that and

479
00:21:05,850 --> 00:21:01,019
and and yeah I think it was actually

480
00:21:09,320 --> 00:21:05,860
newsworthy you know exactly that the

481
00:21:12,330 --> 00:21:09,330
title was what if aliens met racists

482
00:21:15,090 --> 00:21:12,340
MUFON resignations highlight internal

483
00:21:19,499 --> 00:21:15,100
division in UFO sightings organization

484
00:21:22,590 --> 00:21:19,509
Wow Wow amazing Wow so is that it for

485
00:21:24,330 --> 00:21:22,600
this week yeah I think that's the big

486
00:21:26,789 --> 00:21:24,340
stuff a few other sightings and things

487
00:21:29,789 --> 00:21:26,799
but actually you know today I found like

488
00:21:32,369 --> 00:21:29,799

this has been today was one of the worst

489

00:21:34,619 --> 00:21:32,379

UFO news days ever usually you can find

490

00:21:37,139 --> 00:21:34,629

a few UFO stories and I did find a

491

00:21:40,369 --> 00:21:37,149

couple but there were actually fewer

492

00:21:43,889 --> 00:21:40,379

than ever about UFOs and or

493

00:21:46,049 --> 00:21:43,899

extraterrestrial life so yeah you're on

494

00:21:48,029 --> 00:21:46,059

course except for the tabloids which are

495

00:21:48,450 --> 00:21:48,039

coming up with goofball stuff all the

496

00:21:50,879 --> 00:21:48,460

time

497

00:21:53,909 --> 00:21:50,889

that's right you're on a list like I

498

00:21:56,460 --> 00:21:53,919

probably a.m. to where Google Google

499

00:21:59,159 --> 00:21:56,470

searches and all that up I mean

500

00:22:00,299 --> 00:21:59,169

automatic whatever they call them that

501
00:22:03,930 --> 00:22:00,309
comes in your mailbox

502
00:22:05,730 --> 00:22:03,940
whenever there's a UFO any UFO related

503
00:22:07,379 --> 00:22:05,740
story and some of them are just so far

504
00:22:09,299 --> 00:22:07,389
out there you know not even worth yeah

505
00:22:12,419 --> 00:22:09,309
they just have the catch the catch

506
00:22:15,119 --> 00:22:12,429
phrase the clickbait in there yeah I

507
00:22:16,350 --> 00:22:15,129
think the UK do some of these tabloid to

508
00:22:18,359 --> 00:22:16,360
feel like they've got to come up with

509
00:22:19,769 --> 00:22:18,369
something every day right and of course

510
00:22:22,279 --> 00:22:19,779
when you're scraping the bottom of the

511
00:22:25,440 --> 00:22:22,289
barrel you're gonna find some pretty

512
00:22:26,909 --> 00:22:25,450
weird stuff right exactly

513
00:22:28,230 --> 00:22:26,919

all right I'll talk to you next week

514

00:22:30,299 --> 00:22:28,240

Alejandro have a good one thank you

515

00:22:35,299 --> 00:22:30,309

alright talk to you next week thank you

516

00:22:38,240 --> 00:22:35,309

all right okay so our guest coming up

517

00:22:40,610 --> 00:22:38,250

she has a website as I mentioned Texas

518

00:22:43,130 --> 00:22:40,620

fos and she started that all the way

519

00:22:49,310 --> 00:22:43,140

back in 2012 we started this podcast in

520

00:22:51,230 --> 00:22:49,320

2011 she has let's say she's well we'll

521

00:22:53,540 --> 00:22:51,240

talk about her background I'm trying to

522

00:22:55,940 --> 00:22:53,550

read her her bio but it's better just to

523

00:22:58,150 --> 00:22:55,950

talk to her and how are you Jane welcome

524

00:23:03,440 --> 00:22:58,160

to the show

525

00:23:06,020 --> 00:23:03,450

are you unmuted okay yes

526

00:23:08,300 --> 00:23:06,030

hi thanks so much for joining us and

527

00:23:11,000 --> 00:23:08,310

Ryan Sprague I don't even know if you

528

00:23:13,130 --> 00:23:11,010

know this he gave me your name I said

529

00:23:14,780 --> 00:23:13,140

you know basically it was looking it

530

00:23:17,630 --> 00:23:14,790

seems like kind of a male-dominated

531

00:23:18,950 --> 00:23:17,640

field and I said you know I'd like to

532

00:23:21,440 --> 00:23:18,960

get more women on the show

533

00:23:23,390 --> 00:23:21,450

and I talked to a few people about that

534

00:23:27,340 --> 00:23:23,400

and he gave me your name and here you

535

00:23:32,750 --> 00:23:27,350

are you're you're agreeable to do it so

536

00:23:34,910 --> 00:23:32,760

yeah so first of all the UFO field what

537

00:23:45,680 --> 00:23:34,920

good what got you interested in that I'm

538

00:23:48,530 --> 00:23:45,690

very curious goes right well so I mean

539

00:23:52,550 --> 00:23:48,540

I've always been interested in the idea

540

00:23:55,580 --> 00:23:52,560

of aliens enjoyed watching ET and and

541

00:23:59,450 --> 00:23:55,590

all of that but my husband's before I

542

00:24:03,320 --> 00:23:59,460

met him he growing up he was fascinated

543

00:24:06,110 --> 00:24:03,330

with UFOs and really ufology and he

544

00:24:09,410 --> 00:24:06,120

would explore those parts of a library

545

00:24:11,750 --> 00:24:09,420

that his peers weren't exploring and so

546

00:24:14,390 --> 00:24:11,760

when we started dating he's really the

547

00:24:17,000 --> 00:24:14,400

one that introduced me to all the

548

00:24:20,210 --> 00:24:17,010

incredible cases that you and I now know

549

00:24:24,800 --> 00:24:20,220

very well so he's definitely what

550

00:24:27,110 --> 00:24:24,810

sparked that interest in me and then

551
00:24:29,570 --> 00:24:27,120
when I started really just studying on

552
00:24:32,960 --> 00:24:29,580
my on my own and discovering cases

553
00:24:35,800 --> 00:24:32,970
really in 2011 when you guys got going

554
00:24:38,360 --> 00:24:35,810
before I started Texas UFOs calm

555
00:24:41,090 --> 00:24:38,370
exploring national cases like the

556
00:24:43,970 --> 00:24:41,100
Jerusalem UFO if any of you might recall

557
00:24:46,130 --> 00:24:43,980
that pretty infamous case if you will

558
00:24:48,500 --> 00:24:46,140
and then I started finding that there

559
00:24:49,750 --> 00:24:48,510
were UFO sightings happening in Texas

560
00:24:51,730 --> 00:24:49,760
and in

561
00:24:54,490 --> 00:24:51,740
my neighborhood and nearby and there

562
00:24:57,580 --> 00:24:54,500
wasn't mainstream news coverage for it

563
00:24:59,560 --> 00:24:57,590

so I had a journalism degree I knew how

564

00:25:03,070 --> 00:24:59,570

to do the reporting thing and I just

565

00:25:05,890 --> 00:25:03,080

felt like that that fit me suited me to

566

00:25:09,370 --> 00:25:05,900

report on UFOs so if you actually like

567

00:25:13,870 --> 00:25:09,380

done some reporting for say local news

568

00:25:18,160 --> 00:25:13,880

stations or anything like that or um so

569

00:25:21,160 --> 00:25:18,170

I a journalism degree from UT Austin and

570

00:25:23,490 --> 00:25:21,170

and I was gonna be a reporter and I was

571

00:25:30,220 --> 00:25:23,500

you know gonna be that beat reporter I

572

00:25:34,000 --> 00:25:30,230

ended up in an online marketing and yeah

573

00:25:36,280 --> 00:25:34,010

a bit disappointing and so ended up

574

00:25:38,380 --> 00:25:36,290

wanting to really go back to what I was

575

00:25:41,910 --> 00:25:38,390

good at which is searching for the truth

576

00:25:45,040 --> 00:25:41,920

and investigating it for people and

577

00:25:47,080 --> 00:25:45,050

because the UFOs were a beat that nobody

578

00:25:51,670 --> 00:25:47,090

was really covering like I said it just

579

00:25:55,150 --> 00:25:51,680

felt very natural and so you're you're

580

00:25:59,650 --> 00:25:55,160

not far from Austin right no I'm in

581

00:26:01,900 --> 00:25:59,660

Central Texas and and Texas I I drove

582

00:26:05,410 --> 00:26:01,910

through the state and a few different

583

00:26:06,970 --> 00:26:05,420

times takes forever to go through it's a

584

00:26:17,860 --> 00:26:06,980

huge state it's a biggest state in the

585

00:26:20,350 --> 00:26:17,870

country right I would be the fake news

586

00:26:23,710 --> 00:26:20,360

here right but it's a big estate yeah

587

00:26:25,210 --> 00:26:23,720

yes it's huge it's gigantic I have not

588

00:26:29,770 --> 00:26:25,220

been everywhere in this state

589

00:26:32,590 --> 00:26:29,780

not even close yeah yeah so I know of a

590

00:26:34,450 --> 00:26:32,600

lot of sightings over the years there's

591

00:26:36,760 --> 00:26:34,460

a lot of famous sightings and I'm sure

592

00:26:40,020 --> 00:26:36,770

we'll be touching on some of those

593

00:26:43,000 --> 00:26:40,030

Stephenville that's an interesting one

594

00:26:46,630 --> 00:26:43,010

luboc going back I just mentioned that

595

00:26:49,390 --> 00:26:46,640

last week actually but I never really

596

00:26:51,130 --> 00:26:49,400

explored that one do you have do you

597

00:26:54,010 --> 00:26:51,140

have information on that particular

598

00:26:58,870 --> 00:26:54,020

sighting the lover

599

00:27:00,760 --> 00:26:58,880

that's how you say yeah there are some

600

00:27:02,140 --> 00:27:00,770

German towns in Texas

601
00:27:03,460 --> 00:27:02,150
sounds like it maybe you're saying it

602
00:27:05,890 --> 00:27:03,470
the proper way

603
00:27:11,470 --> 00:27:05,900
but so Lubbock Texas is a is in North

604
00:27:13,720 --> 00:27:11,480
Texas and Italy was 1951 or 1952 it was

605
00:27:17,320 --> 00:27:13,730
called the Lubbock lights this v-shaped

606
00:27:19,659 --> 00:27:17,330
formation white glowing lights that was

607
00:27:22,779 --> 00:27:19,669
witnessed by many for pretty much a

608
00:27:26,590 --> 00:27:22,789
whole month over Lubbock ongoing

609
00:27:28,870 --> 00:27:26,600
sightings somewhat similar to the

610
00:27:30,730 --> 00:27:28,880
Stephenville lights which you just

611
00:27:33,159 --> 00:27:30,740
mentioned which was much more recent and

612
00:27:36,640 --> 00:27:33,169
even perhaps the Phoenix lights much

613
00:27:38,350 --> 00:27:36,650

more-- that so that that was quite a

614

00:27:43,120 --> 00:27:38,360

fascinating case and what is interesting

615

00:27:45,430 --> 00:27:43,130

is like I said that was 1951 or 1952 the

616

00:27:47,350 --> 00:27:45,440

other year the early 50s in Louisville

617

00:27:50,770 --> 00:27:47,360

in Texas there was another really

618

00:27:53,500 --> 00:27:50,780

amazing UFO case that also happened in

619

00:27:57,399 --> 00:27:53,510

North Texas so it seemed to be an active

620

00:28:01,210 --> 00:27:57,409

time Roswell was you know in around that

621

00:28:04,149 --> 00:28:01,220

time this is active time in the country

622

00:28:06,659 --> 00:28:04,159

and in Texas yeah we have up on the

623

00:28:12,149 --> 00:28:06,669

screen right now of the Lubbock lights

624

00:28:15,010 --> 00:28:12,159

image or images and a triangular form

625

00:28:19,539 --> 00:28:15,020

but double row of lights like a

626
00:28:22,539 --> 00:28:19,549
perfectly you know organized double row

627
00:28:24,370 --> 00:28:22,549
of small and large lights really amazing

628
00:28:26,919 --> 00:28:24,380
I mean there's I remember seeing

629
00:28:29,890 --> 00:28:26,929
pictures of this and this kind of goes

630
00:28:33,340 --> 00:28:29,900
up all the way back you know where it

631
00:28:36,340 --> 00:28:33,350
comes up the topic of triangles often

632
00:28:38,980 --> 00:28:36,350
meshes with what people say are their

633
00:28:40,210 --> 00:28:38,990
secret military craft and I would find

634
00:28:42,190 --> 00:28:40,220
it hard pressed that they would have

635
00:28:46,240 --> 00:28:42,200
something back and what year was this

636
00:28:50,980 --> 00:28:46,250
was it 57 1951 or two in the fifties

637
00:28:52,779 --> 00:28:50,990
yeah quite a while back I don't think

638
00:28:55,840 --> 00:28:52,789

that if they had something like this

639

00:28:59,770 --> 00:28:55,850

that it would be held secret that long I

640

00:29:03,399 --> 00:28:59,780

mean if it was military myself but the

641

00:29:05,350 --> 00:29:03,409

rumor tr-3b craft that many people maybe

642

00:29:09,760 --> 00:29:05,360

listening might be aware of believes

643

00:29:13,149 --> 00:29:09,770

that originated to the 80s so so yes so

644

00:29:16,460 --> 00:29:13,159

this would go much farther back I have

645

00:29:21,500 --> 00:29:16,470

heard a lot of controversy about that

646

00:29:24,080 --> 00:29:21,510

craft weather it it most likely has

647

00:29:27,409 --> 00:29:24,090

never been proven to exist and any type

648

00:29:29,930 --> 00:29:27,419

of secret military I think actually the

649

00:29:33,799 --> 00:29:29,940

government was questioned whether that

650

00:29:36,080 --> 00:29:33,809

craft existed secretly and they said no

651
00:29:37,549 --> 00:29:36,090
you know but and of course our

652
00:29:39,860 --> 00:29:37,559
government would not lie to us in any

653
00:29:43,880 --> 00:29:39,870
type of way right I wonder what Scott

654
00:29:49,279 --> 00:29:43,890
Kelly would say about that would make

655
00:29:52,460 --> 00:29:49,289
that face again mm-hmm so but there are

656
00:29:57,560 --> 00:29:52,470
a lot of triangle sightings in Texas for

657
00:29:59,659 --> 00:29:57,570
some reason yes right yes so this is I

658
00:30:03,260 --> 00:29:59,669
mean we were just discussing the tr-3b

659
00:30:05,350 --> 00:30:03,270
the triangle UFO phenomenon is I would

660
00:30:08,149 --> 00:30:05,360
say it's a worldwide phenomenon

661
00:30:12,890 --> 00:30:08,159
happening across the u.s. but I've

662
00:30:15,890 --> 00:30:12,900
documented some specific waves UFO waves

663
00:30:18,169 --> 00:30:15,900

if you will of these triangle crafts it

664

00:30:21,409 --> 00:30:18,179

really seems like in the summer of 2014

665

00:30:23,630 --> 00:30:21,419

they really got kicking here in Texas

666

00:30:28,299 --> 00:30:23,640

and that's when I really started to see

667

00:30:31,220 --> 00:30:28,309

some very specific clear videos of these

668

00:30:35,360 --> 00:30:31,230

triangle-shaped dark crafts essentially

669

00:30:38,120 --> 00:30:35,370

hovering in midair yeah witnesses would

670

00:30:40,460 --> 00:30:38,130

then describe them hovering still in

671

00:30:43,130 --> 00:30:40,470

midair and then taking off into the

672

00:30:46,669 --> 00:30:43,140

stratosphere at a speed that no known

673

00:30:50,810 --> 00:30:46,679

craft should should be able to take off

674

00:30:53,510 --> 00:30:50,820

at I've read reports of them the

675

00:30:58,070 --> 00:30:53,520

triangle crafts wobbling as if they're

676
00:31:00,289 --> 00:30:58,080
almost in distress or perhaps you know

677
00:31:02,360 --> 00:31:00,299
if they were foreign crafts make you

678
00:31:04,880 --> 00:31:02,370
wonder what are they doing what are they

679
00:31:08,090 --> 00:31:04,890
doing in our skies so it's been quite a

680
00:31:12,260 --> 00:31:08,100
persistent phenomena yes and like you

681
00:31:13,700 --> 00:31:12,270
said worldwide I've had chase klutz key

682
00:31:18,110 --> 00:31:13,710
on this show I don't know if you know

683
00:31:20,870 --> 00:31:18,120
who she is but she has she told me you

684
00:31:23,899 --> 00:31:20,880
know years ago as a MUFON investigator

685
00:31:27,230 --> 00:31:23,909
she was in Kentucky and this triangle

686
00:31:29,420 --> 00:31:27,240
came right over her and many other

687
00:31:32,900 --> 00:31:29,430
witnesses

688
00:31:34,970 --> 00:31:32,910

and it was just a really scary situation

689

00:31:37,310 --> 00:31:34,980

all these different things started

690

00:31:39,350 --> 00:31:37,320

happening at once she witnessed at all

691

00:31:42,110 --> 00:31:39,360

she went there totally to debunk

692

00:31:43,250 --> 00:31:42,120

everything she just said this is just

693

00:31:46,580 --> 00:31:43,260

you know I'm gonna put this thing to

694

00:31:50,890 --> 00:31:46,590

rest and on and on and on and she ended

695

00:31:56,480 --> 00:31:50,900

up witnessing this crazy crazy event so

696

00:31:59,690 --> 00:31:56,490

and again no sound and just like

697

00:32:02,690 --> 00:31:59,700

floating over now I had someone I spoke

698

00:32:05,000 --> 00:32:02,700

to the other day a former military pilot

699

00:32:10,340 --> 00:32:05,010

was saying that back in the 70s and

700

00:32:12,560 --> 00:32:10,350

early on they had like dirigibles that

701
00:32:13,550 --> 00:32:12,570
would just hover that could have been

702
00:32:17,090 --> 00:32:13,560
triangular-shaped

703
00:32:19,250 --> 00:32:17,100
that was for surveillance but I don't I

704
00:32:21,230 --> 00:32:19,260
I don't know if I totally buy that and

705
00:32:23,060 --> 00:32:21,240
especially something you mentioned just

706
00:32:24,620 --> 00:32:23,070
a few minutes ago how the thing would

707
00:32:26,270 --> 00:32:24,630
shoot off at a high rate of speed

708
00:32:28,940 --> 00:32:26,280
there's no way of dirigibles going to do

709
00:32:31,490 --> 00:32:28,950
that yeah and there's even been triangle

710
00:32:35,300 --> 00:32:31,500
crash described as being transparent

711
00:32:38,480 --> 00:32:35,310
right or and so I definitely have not

712
00:32:41,030 --> 00:32:38,490
heard even existing even in the Pentagon

713
00:32:43,760 --> 00:32:41,040

program you know that we're hearing from

714

00:32:45,410 --> 00:32:43,770

have not even heard of those craft yet

715

00:32:48,200 --> 00:32:45,420

so I would find it hard to believe that

716

00:32:52,340 --> 00:32:48,210

we had transparent surveillance drones

717

00:32:55,880 --> 00:32:52,350

way back when and if we did I just have

718

00:32:58,010 --> 00:32:55,890

even more questions Yeah right I know

719

00:33:02,150 --> 00:32:58,020

like the Phoenix lights for instance

720

00:33:04,850 --> 00:33:02,160

some of I saw a couple witnesses talk

721

00:33:07,400 --> 00:33:04,860

about that and seeing where they could

722

00:33:09,260 --> 00:33:07,410

see like they could see through it and

723

00:33:11,770 --> 00:33:09,270

it would be like ripples like waves like

724

00:33:14,690 --> 00:33:11,780

this kid described it it's like on a

725

00:33:16,400 --> 00:33:14,700

highway and a hot day the rippling of

726

00:33:18,350 --> 00:33:16,410

the air that comes up he said that's

727

00:33:20,480 --> 00:33:18,360

what it looked like you know in between

728

00:33:23,540 --> 00:33:20,490

the lights when he looked up which is

729

00:33:25,670 --> 00:33:23,550

well I'm gonna have to track down I

730

00:33:27,800 --> 00:33:25,680

don't think I'd heard that testimony yet

731

00:33:29,540 --> 00:33:27,810

that's fascinating that like reopens the

732

00:33:31,820 --> 00:33:29,550

whole case for me I would love to have

733

00:33:32,390 --> 00:33:31,830

an excuse to read about the Phoenix

734

00:33:34,190 --> 00:33:32,400

lights again

735

00:33:37,190 --> 00:33:34,200

yeah the Phoenix lights I think that's

736

00:33:39,020 --> 00:33:37,200

in James Fox movie out of the blue or I

737

00:33:42,159 --> 00:33:39,030

know what I saw one of the other one of

738

00:33:44,859 --> 00:33:42,169

those two films and you hear Kurt

739

00:33:47,200 --> 00:33:44,869

so talk about oh yes yeah he actually is

740

00:33:49,570 --> 00:33:47,210

a was a witness and he figured it out

741

00:33:50,680 --> 00:33:49,580

late you know just I think last year

742

00:33:53,739 --> 00:33:50,690

you've just figured it out

743

00:33:55,139 --> 00:33:53,749

that that's what it was all about he was

744

00:33:57,669 --> 00:33:55,149

on a TV show

745

00:34:00,369 --> 00:33:57,679

yeah well Goldie Hawn I guess was

746

00:34:03,849 --> 00:34:00,379

watching his wife was just watching TV

747

00:34:05,499 --> 00:34:03,859

and the Phoenix lights came on it was

748

00:34:09,760 --> 00:34:05,509

like in each and Aliens episode or

749

00:34:12,639 --> 00:34:09,770

something and then he remembered oh I

750

00:34:15,159 --> 00:34:12,649

saw that and I think he actually

751
00:34:17,889 --> 00:34:15,169
reported it at the time as a deal it

752
00:34:20,829 --> 00:34:17,899
yeah and so I thought it was interesting

753
00:34:23,349 --> 00:34:20,839
that he would forget about a sighting

754
00:34:25,030 --> 00:34:23,359
like that so shortly after seeing it and

755
00:34:27,669 --> 00:34:25,040
reporting it yeah and then it would just

756
00:34:30,490 --> 00:34:27,679
all come back to him later on I thought

757
00:34:32,200 --> 00:34:30,500
that was interesting just by itself I

758
00:34:33,970 --> 00:34:32,210
heard that he actually looked in his

759
00:34:37,539 --> 00:34:33,980
flight log just to double-check and it

760
00:34:41,139 --> 00:34:37,549
was there which you know and I don't

761
00:34:43,450 --> 00:34:41,149
want to say March 13th 1997 I think

762
00:34:48,099 --> 00:34:43,460
that's when it was but I I may have that

763
00:34:51,940 --> 00:34:48,109

a few days off on that date but so back

764

00:34:55,059 --> 00:34:51,950

to Texas cash Landrum I've told you

765

00:34:58,569 --> 00:34:55,069

before the show I had Colby Landrum on

766

00:35:01,960 --> 00:34:58,579

that that is a real fascinating case

767

00:35:04,390 --> 00:35:01,970

that still has still has me thinking and

768

00:35:06,609 --> 00:35:04,400

a lot of people speculating on what that

769

00:35:10,299 --> 00:35:06,619

was have you actually looked into that

770

00:35:12,220 --> 00:35:10,309

case personally yourself really just as

771

00:35:16,089 --> 00:35:12,230

a researcher like anybody I would love

772

00:35:18,280 --> 00:35:16,099

to speak to Kobe so for those listening

773

00:35:21,460 --> 00:35:18,290

Kobe was the grandson that was in the

774

00:35:23,440 --> 00:35:21,470

car at the time

775

00:35:25,839 --> 00:35:23,450

at the time of the sighting so he would

776
00:35:28,839 --> 00:35:25,849
have been very young when he witnessed

777
00:35:30,569 --> 00:35:28,849
this I would love love to know more

778
00:35:33,880 --> 00:35:30,579
about what you heard from him just

779
00:35:37,420 --> 00:35:33,890
curious as anyone but just just from my

780
00:35:39,220 --> 00:35:37,430
research of the case I think it's really

781
00:35:42,339 --> 00:35:39,230
important for us to look at it again

782
00:35:46,329 --> 00:35:42,349
right now in 2018 considering the

783
00:35:50,589 --> 00:35:46,339
pentagon story and late last year so for

784
00:35:52,930 --> 00:35:50,599
those who aren't aware Viki and Betty

785
00:35:55,600 --> 00:35:52,940
cash and Vickie Landrum driving a car

786
00:36:00,190 --> 00:35:55,610
along spooky East Texas

787
00:36:02,950 --> 00:36:00,200
and they see a craft hovering triangle

788
00:36:06,610 --> 00:36:02,960

like an upside-down triangle with the

789

00:36:09,610 --> 00:36:06,620

top cut off dark silent very ominous

790

00:36:11,020 --> 00:36:09,620

craft I really don't know what I would

791

00:36:13,540 --> 00:36:11,030

do in their shoes if I would have just

792

00:36:16,600 --> 00:36:13,550

kept on driving or done a little picture

793

00:36:18,250 --> 00:36:16,610

and made a post and driven away but they

794

00:36:21,610 --> 00:36:18,260

got out they got out of the car

795

00:36:24,490 --> 00:36:21,620

intense heat they were hit with heat

796

00:36:27,640 --> 00:36:24,500

they felt it think they knew to get back

797

00:36:30,820 --> 00:36:27,650

into the car at that point a helicopter

798

00:36:34,870 --> 00:36:30,830

swarmed the area correct me if I'm wrong

799

00:36:36,670 --> 00:36:34,880

in any in the of that retelling but the

800

00:36:39,790 --> 00:36:36,680

most interesting I mean that's of course

801
00:36:41,650 --> 00:36:39,800
fascinating all by itself but it was the

802
00:36:44,560 --> 00:36:41,660
aftermath of this sighting that was

803
00:36:46,630 --> 00:36:44,570
really the most fascinating to me and

804
00:36:49,480 --> 00:36:46,640
unfortunate for these witnesses as they

805
00:36:52,080 --> 00:36:49,490
experienced radiation poisoning or

806
00:36:56,050 --> 00:36:52,090
sickness symptoms of radiation sickness

807
00:36:58,450 --> 00:36:56,060
after this encounter hair loss nausea to

808
00:37:03,910 --> 00:36:58,460
different degrees and so it's actually -

809
00:37:06,040 --> 00:37:03,920
they're photographed so there was some

810
00:37:08,170 --> 00:37:06,050
actual evidence hard evidence of this

811
00:37:10,810 --> 00:37:08,180
encounter and I don't think really

812
00:37:14,890 --> 00:37:10,820
anybody denied that it happened however

813
00:37:17,140 --> 00:37:14,900

to pursue the the bills for these metal

814

00:37:20,260 --> 00:37:17,150

you know these health problems they

815

00:37:21,880 --> 00:37:20,270

actually sued the US government accusing

816

00:37:25,000 --> 00:37:21,890

the government of having knowledge about

817

00:37:27,070 --> 00:37:25,010

this craft and the government denied

818

00:37:29,440 --> 00:37:27,080

that knowledge and thus it was dropped

819

00:37:32,740 --> 00:37:29,450

so I think considering the Pentagon's

820

00:37:36,060 --> 00:37:32,750

story in 2017 where the government is

821

00:37:38,890 --> 00:37:36,070

now acknowledging knowledge

822

00:37:43,750 --> 00:37:38,900

acknowledging acknowledging that it

823

00:37:47,080 --> 00:37:43,760

knows about UFOs should we revisit cases

824

00:37:49,330 --> 00:37:47,090

like that word now that we really have

825

00:37:53,910 --> 00:37:49,340

evidence that they were denying it I

826

00:37:56,890 --> 00:37:53,920

could have yeah I had a number of people

827

00:38:00,460 --> 00:37:56,900

contact me since I did that show one of

828

00:38:03,220 --> 00:38:00,470

them was someone that Kurt Collins was

829

00:38:07,750 --> 00:38:03,230

following up with that actually saw

830

00:38:09,339 --> 00:38:07,760

claims he saw the exact same thing about

831

00:38:14,289 --> 00:38:09,349

20 miles away I believe

832

00:38:15,549 --> 00:38:14,299

he said I can ask her exactly and you

833

00:38:18,519 --> 00:38:15,559

know the same date and everything but I

834

00:38:21,539 --> 00:38:18,529

think what's really a couple things

835

00:38:24,789 --> 00:38:21,549

about that it possibly was some type of

836

00:38:28,539 --> 00:38:24,799

military you know

837

00:38:32,009 --> 00:38:28,549

unidentified or you know secret project

838

00:38:36,120 --> 00:38:32,019

that may have actually used nuclear

839

00:38:38,920 --> 00:38:36,130

nuclear drive of some kind pardon me

840

00:38:41,019 --> 00:38:38,930

that is definitely a possibility I had a

841

00:38:43,210 --> 00:38:41,029

number of people contact me after I did

842

00:38:47,229 --> 00:38:43,220

that show and you know that claim that's

843

00:38:50,380 --> 00:38:47,239

what it must have been but either way it

844

00:38:52,029 --> 00:38:50,390

was still a real curious case also the

845

00:38:54,219 --> 00:38:52,039

fact that they actually tore up the road

846

00:38:56,289 --> 00:38:54,229

in the next few days I don't know if he

847

00:38:58,120 --> 00:38:56,299

ever heard that part right where this

848

00:39:02,920 --> 00:38:58,130

thing was hovering over the road I did I

849

00:39:04,569 --> 00:39:02,930

did actually yeah yeah I mean that there

850

00:39:07,989 --> 00:39:04,579

was some type of cover-up going on and

851

00:39:10,630 --> 00:39:07,999

either I mean I believe some part of the

852

00:39:13,299 --> 00:39:10,640

government knew something whether it was

853

00:39:16,660 --> 00:39:13,309

experimental or whether it was an actual

854

00:39:18,640 --> 00:39:16,670

you know unexplained you know phenomena

855

00:39:19,959 --> 00:39:18,650

they knew something otherwise they

856

00:39:22,239 --> 00:39:19,969

wouldn't have gone through all the great

857

00:39:23,769 --> 00:39:22,249

lengths they went to well I don't know

858

00:39:25,930 --> 00:39:23,779

if you noticed the timing of that

859

00:39:29,140 --> 00:39:25,940

incident so this is December 1980 and

860

00:39:31,809 --> 00:39:29,150

the Rendlesham UFO case I believe

861

00:39:34,359 --> 00:39:31,819

happened the same month in the year yeah

862

00:39:36,549 --> 00:39:34,369

in the UK right so that that's some

863

00:39:39,729 --> 00:39:36,559

pretty I mean that's quite a coincidence

864

00:39:42,670 --> 00:39:39,739

of - I mean of there's many many amazing

865

00:39:44,650 --> 00:39:42,680

UFO cases are in record for sure there's

866

00:39:47,319 --> 00:39:44,660

an even smaller amount of cases that are

867

00:39:49,359 --> 00:39:47,329

very thoroughly well documented and even

868

00:39:51,880 --> 00:39:49,369

skeptics except this happening and

869

00:39:54,759 --> 00:39:51,890

Rendlesham and cash Landrum are way out

870

00:39:58,299 --> 00:39:54,769

there and I've been doing this a month

871

00:40:01,660 --> 00:39:58,309

than in year on totally different parts

872

00:40:06,009 --> 00:40:01,670

of the planet yeah I never put those two

873

00:40:08,440 --> 00:40:06,019

together how about that yeah so there

874

00:40:12,099 --> 00:40:08,450

there are a lot of major known cases in

875

00:40:14,589 --> 00:40:12,109

Texas but let's hear about some of the

876

00:40:16,809 --> 00:40:14,599

interesting ones I know I think I saw

877

00:40:21,339 --> 00:40:16,819

that you you've researched like a

878

00:40:22,090 --> 00:40:21,349

thousand of them in total it's yeah that

879

00:40:25,990 --> 00:40:22,100

would be over

880

00:40:28,420 --> 00:40:26,000

and now so I've had the site since 2012

881

00:40:30,010 --> 00:40:28,430

so part of that is just time you know

882

00:40:32,800 --> 00:40:30,020

you and I know UFO sightings are

883

00:40:35,260 --> 00:40:32,810

happening all the time really 24/7

884

00:40:37,480 --> 00:40:35,270

they're not typically aliens they're

885

00:40:39,910 --> 00:40:37,490

sometimes they're Chinese lanterns or

886

00:40:42,850 --> 00:40:39,920

military flares are things like that but

887

00:40:44,860 --> 00:40:42,860

yes have been documenting steadily ever

888

00:40:47,920 --> 00:40:44,870

since beginning the site and doing as

889

00:40:50,830 --> 00:40:47,930

much as much investigation or research

890

00:40:54,700 --> 00:40:50,840

that I can do to provide along the way

891

00:40:56,860 --> 00:40:54,710

so there's yes there's activity all the

892

00:40:58,840 --> 00:40:56,870

time just like there are in other parts

893

00:41:02,320 --> 00:40:58,850

of the country you mentioned how big

894

00:41:04,510 --> 00:41:02,330

Texas is that's a huge part of it it's a

895

00:41:07,390 --> 00:41:04,520

it's just a giant state there's a lot of

896

00:41:10,990 --> 00:41:07,400

cities for UFOs to show up over and a

897

00:41:13,840 --> 00:41:11,000

lot of people to take pictures and send

898

00:41:16,060 --> 00:41:13,850

in reports so I'm pretty busy pretty

899

00:41:17,890 --> 00:41:16,070

busy keeping up with it all so do people

900

00:41:21,570 --> 00:41:17,900

actually contact you when they have a

901

00:41:25,060 --> 00:41:21,580

sighting in Texas it's a mix so I'll get

902

00:41:27,460 --> 00:41:25,070

direct exclusive reports I have actually

903

00:41:29,170 --> 00:41:27,470

some two really good witness interviews

904

00:41:33,880 --> 00:41:29,180

right now that I have not posted yet and

905

00:41:36,790 --> 00:41:33,890

I'm very excited to so I that it's me

906

00:41:40,510 --> 00:41:36,800

busy then I love MUFON I mean move funds

907

00:41:42,520 --> 00:41:40,520

a wonderful database and right now when

908

00:41:44,260 --> 00:41:42,530

somebody does see a UFO that's if

909

00:41:48,040 --> 00:41:44,270

they're gonna go somewhere to report it

910

00:41:50,500 --> 00:41:48,050

that's the most likely place so a ton of

911

00:41:53,290 --> 00:41:50,510

Texas UFO reports and other amazing

912

00:41:56,020 --> 00:41:53,300

cases do end up there and what's nice is

913

00:41:58,540 --> 00:41:56,030

I can go and look into a MUFON report or

914

00:42:00,400 --> 00:41:58,550

even talk to a great MUFON contact you

915

00:42:02,500 --> 00:42:00,410

can bring it to the Texas community and

916

00:42:05,770 --> 00:42:02,510

I can see I can see where there are

917

00:42:09,750 --> 00:42:05,780

other reports and an ad and help to

918

00:42:12,040 --> 00:42:09,760

verify there's YouTube there's Twitter

919

00:42:14,500 --> 00:42:12,050

that's the wonderful thing about the

920

00:42:17,020 --> 00:42:14,510

internet right now is it their UFO

921

00:42:20,200 --> 00:42:17,030

sightings being documented and reporting

922

00:42:22,360 --> 00:42:20,210

and reported everywhere all the time so

923

00:42:24,490 --> 00:42:22,370

it's pretty endless you have to be

924

00:42:27,820 --> 00:42:24,500

really careful though I have to say you

925

00:42:30,520 --> 00:42:27,830

know on YouTube especially you know

926
00:42:33,720 --> 00:42:30,530
there's so many I have someone actually

927
00:42:35,150 --> 00:42:33,730
from Australia he listens to the show

928
00:42:38,420 --> 00:42:35,160
whose door

929
00:42:41,950 --> 00:42:38,430
commenting the people that are frauding

930
00:42:44,900 --> 00:42:41,960
UFO sightings and videos up on YouTube

931
00:42:52,190 --> 00:42:44,910
very he said he's what is his name can I

932
00:42:54,260 --> 00:42:52,200
follow him I tell you what his his

933
00:42:59,150 --> 00:42:54,270
website he told me website up the wrong

934
00:43:02,120 --> 00:42:59,160
computer here he told me that his he is

935
00:43:05,990 --> 00:43:02,130
the most hated person in the UFO field

936
00:43:11,990 --> 00:43:06,000
and it's he's has the out there channel

937
00:43:15,230 --> 00:43:12,000
I'll put oh you do know him yeah we Paul

938
00:43:19,610 --> 00:43:15,240

that's great yeah Newseum he's in New

939

00:43:22,220 --> 00:43:19,620

Zealand yet so I actually yes so I

940

00:43:25,310 --> 00:43:22,230

follow along with him and I find him to

941

00:43:27,710 --> 00:43:25,320

be extremely helpful so when I'm feeling

942

00:43:29,690 --> 00:43:27,720

overwhelmed by the evidence or you know

943

00:43:31,280 --> 00:43:29,700

trying to connect dots so yeah we touch

944

00:43:34,100 --> 00:43:31,290

base a lot so I know exactly you're

945

00:43:36,070 --> 00:43:34,110

talking about and I think that's a much

946

00:43:39,410 --> 00:43:36,080

needed it's strange

947

00:43:43,310 --> 00:43:39,420

UFOs are real they need to be covered I

948

00:43:46,400 --> 00:43:43,320

I strongly feel that summer some of them

949

00:43:50,300 --> 00:43:46,410

could be alien however we really have to

950

00:43:53,540 --> 00:43:50,310

cover the people covering the UFOs just

951
00:43:57,050 --> 00:43:53,550
with just as much passion and time and

952
00:43:59,270 --> 00:43:57,060
resources and energy because YouTube is

953
00:44:01,550 --> 00:43:59,280
I don't I don't think I totally

954
00:44:05,540 --> 00:44:01,560
understand how there's as many accounts

955
00:44:09,410 --> 00:44:05,550
as there are that are posting would I

956
00:44:14,120 --> 00:44:09,420
would gather CGI videos yeah that don't

957
00:44:16,880 --> 00:44:14,130
have any context or time or date or

958
00:44:18,920 --> 00:44:16,890
anything if it's it's bizarre well

959
00:44:23,480 --> 00:44:18,930
unfortunately unfortunately has become a

960
00:44:25,970 --> 00:44:23,490
business for a number of channels I hate

961
00:44:28,010 --> 00:44:25,980
to say it you know he he may actually

962
00:44:32,750 --> 00:44:28,020
come on my show for at least a short

963
00:44:35,270 --> 00:44:32,760

time but there's some people making a

964

00:44:37,690 --> 00:44:35,280

lot of according to actually according

965

00:44:41,270 --> 00:44:37,700

to Paul there's some people making

966

00:44:45,860 --> 00:44:41,280

thousands of dollars a day on our

967

00:44:48,329 --> 00:44:45,870

YouTube channel and it's it's the fakery

968

00:44:53,430 --> 00:44:50,700

unfortunately that's what gets the

969

00:44:56,249 --> 00:44:53,440

traffic that gets lots and lots of

970

00:44:58,799 --> 00:44:56,259

traffic and he'll go through and you

971

00:45:00,329 --> 00:44:58,809

know figure out these things and his his

972

00:45:03,239 --> 00:45:00,339

channel gets very low traffic

973

00:45:07,499 --> 00:45:03,249

unfortunately it's it's it's too bad you

974

00:45:09,539 --> 00:45:07,509

know when the truth is explained that

975

00:45:12,229 --> 00:45:09,549

not as many people are interested in as

976

00:45:16,019 --> 00:45:12,239

they are seeing all these bizarre

977

00:45:19,650 --> 00:45:16,029

sightings so anyway yeah that was a long

978

00:45:22,170 --> 00:45:19,660

wait as much UFO sighting debunked

979

00:45:24,569 --> 00:45:22,180

doesn't quite make you wanna just I'll

980

00:45:26,849 --> 00:45:24,579

just not read that article yeah it's

981

00:45:30,569 --> 00:45:26,859

definitely a challenge and a struggle

982

00:45:33,809 --> 00:45:30,579

and I do hope YouTube says it's cleaning

983

00:45:37,799 --> 00:45:33,819

up spam but I haven't seen that happen

984

00:45:41,150 --> 00:45:37,809

in the UFO world at all I have not seen

985

00:45:44,579 --> 00:45:41,160

any cleanup happening it's just a lot of

986

00:45:47,160 --> 00:45:44,589

fake videos I guess with no context

987

00:45:49,109 --> 00:45:47,170

whatsoever that just get pushed out with

988

00:45:51,719 --> 00:45:49,119

these really crazy headlines and

989

00:45:54,059 --> 00:45:51,729

sometimes even will get published and

990

00:45:58,039 --> 00:45:54,069

linked to and really somewhat credible

991

00:46:00,900 --> 00:45:58,049

news outlets so that's not very helpful

992

00:46:03,989 --> 00:46:00,910

for what we're trying to do or the

993

00:46:07,739 --> 00:46:03,999

actual pursuit for truth when Fox News

994

00:46:10,529 --> 00:46:07,749

let's say is reporting on a very highly

995

00:46:12,299 --> 00:46:10,539

fake video when there's actual UFO

996

00:46:14,459 --> 00:46:12,309

sightings happening alongside that

997

00:46:17,130 --> 00:46:14,469

they're not reporting on so it becomes

998

00:46:19,349 --> 00:46:17,140

quite a problem yep that's true I

999

00:46:23,880 --> 00:46:19,359

actually had I'm not gonna name names

1000

00:46:25,589 --> 00:46:23,890

but I had someone that was involved

1001
00:46:28,920 --> 00:46:25,599
excuse me involved with the government

1002
00:46:30,779 --> 00:46:28,930
at one time that that's a known person

1003
00:46:35,779 --> 00:46:30,789
that contacted me about a video that

1004
00:46:38,900 --> 00:46:35,789
ended up being a secure team ten cgi

1005
00:46:44,099 --> 00:46:38,910
video it can fool anyone I mean they are

1006
00:46:46,979 --> 00:46:44,109
they are really they really mmm they're

1007
00:46:50,579 --> 00:46:46,989
really hard to tell apart unless you

1008
00:46:52,440 --> 00:46:50,589
know what you're looking for and that's

1009
00:46:55,799 --> 00:46:52,450
the thing so that's one thing that's

1010
00:46:58,140 --> 00:46:55,809
helpful being the day-to-day a reporter

1011
00:47:00,760 --> 00:46:58,150
and fielding those reports here in Texas

1012
00:47:02,950 --> 00:47:00,770
is if there's some amazing

1013
00:47:04,600 --> 00:47:02,960

video just sweeping the web and

1014

00:47:07,630 --> 00:47:04,610

everybody's talking about it and it

1015

00:47:10,960 --> 00:47:07,640

looks fantastic and it was the giant

1016

00:47:14,620 --> 00:47:10,970

spaceship hovering over a city skyline

1017

00:47:17,320 --> 00:47:14,630

and I didn't get a single email then

1018

00:47:19,780 --> 00:47:17,330

that's a pretty good hint to me that

1019

00:47:23,020 --> 00:47:19,790

there's something fishy going on with

1020

00:47:25,300 --> 00:47:23,030

that so that that's you know just doing

1021

00:47:27,970 --> 00:47:25,310

the due diligence to report the day to

1022

00:47:31,540 --> 00:47:27,980

day I hope that I can help people make

1023

00:47:34,780 --> 00:47:31,550

sense of of all of these videos out

1024

00:47:37,300 --> 00:47:34,790

there yeah just I won't belabor this any

1025

00:47:41,920 --> 00:47:37,310

longer but just one one of the videos

1026
00:47:44,890 --> 00:47:41,930
was I think in Jesus I can remember it's

1027
00:47:48,220 --> 00:47:44,900
a tropical island but that was the most

1028
00:47:51,130 --> 00:47:48,230
viewed and with CGI most viewed UFO

1029
00:47:54,070 --> 00:47:51,140
video of them all in the millions

1030
00:47:59,160 --> 00:47:54,080
watch Star Wars like go see Avengers

1031
00:48:03,280 --> 00:47:59,170
like you don't like kind of low budget

1032
00:48:07,350 --> 00:48:03,290
you know CGI craft them you know a lot

1033
00:48:10,840 --> 00:48:07,360
of people believe that the Hollywood and

1034
00:48:13,390 --> 00:48:10,850
is showing us what's actually out there

1035
00:48:14,920 --> 00:48:13,400
so I would just recommend people go to

1036
00:48:18,970 --> 00:48:14,930
Avengers go to Star Wars and just

1037
00:48:21,010 --> 00:48:18,980
imagine those craft to be real and and

1038
00:48:23,440 --> 00:48:21,020

then that's fine and then just leave

1039

00:48:26,680 --> 00:48:23,450

those fake videos behind stop believing

1040

00:48:29,290 --> 00:48:26,690

them they still might be real that CGI

1041

00:48:32,800 --> 00:48:29,300

video doesn't have to be though so I've

1042

00:48:34,420 --> 00:48:32,810

had I've heard the argument from I want

1043

00:48:36,460 --> 00:48:34,430

to say people more in the skeptic side

1044

00:48:38,980 --> 00:48:36,470

that you know the reason people are

1045

00:48:41,710 --> 00:48:38,990

seeing UFOs is because of you know Star

1046

00:48:45,190 --> 00:48:41,720

Wars and you know Hollywood and all that

1047

00:48:46,780 --> 00:48:45,200

pop cult pop culture what are your

1048

00:48:50,800 --> 00:48:46,790

thoughts about that or what would you

1049

00:48:53,280 --> 00:48:50,810

say to someone that said that to you man

1050

00:48:56,710 --> 00:48:53,290

I don't I don't know that I would really

1051

00:48:58,630 --> 00:48:56,720

subscribe to that theory I definitely

1052

00:49:00,040 --> 00:48:58,640

think there's true truth to the

1053

00:49:03,430 --> 00:49:00,050

government knowing things we don't know

1054

00:49:07,210 --> 00:49:03,440

and working with Hollywood in different

1055

00:49:10,030 --> 00:49:07,220

ways to tell us things or not tell us

1056

00:49:13,390 --> 00:49:10,040

things but I don't know that they're

1057

00:49:15,280 --> 00:49:13,400

causing us to to hallucinate

1058

00:49:17,080 --> 00:49:15,290

I don't know that we see a Hollywood

1059

00:49:18,940 --> 00:49:17,090

movie we walk out and we think we see an

1060

00:49:20,260 --> 00:49:18,950

alien that we just watched on the screen

1061

00:49:22,780 --> 00:49:20,270

I don't think that happens

1062

00:49:24,910 --> 00:49:22,790

I just think UFOs are real just plain

1063

00:49:27,190 --> 00:49:24,920

and simple you don't even have to

1064

00:49:28,600 --> 00:49:27,200

believe in aliens or extraterrestrial to

1065

00:49:30,840 --> 00:49:28,610

know that there's they're real there's a

1066

00:49:35,070 --> 00:49:30,850

lot of mystery even without

1067

00:49:39,220 --> 00:49:35,080

extraterrestrials Nikola Tesla and his

1068

00:49:41,970 --> 00:49:39,230

research with ball lightning and light

1069

00:49:46,660 --> 00:49:41,980

phenomenon like phenomena if you will

1070

00:49:48,370 --> 00:49:46,670

there's a whole category of UFOs really

1071

00:49:52,060 --> 00:49:48,380

in that bucket that I wouldn't

1072

00:49:54,550 --> 00:49:52,070

necessarily put into the green alien in

1073

00:49:56,410 --> 00:49:54,560

a flying saucer bucket so I think this

1074

00:49:58,780 --> 00:49:56,420

the simplest shortest answer is just

1075

00:50:01,000 --> 00:49:58,790

that UFOs are real and they've probably

1076

00:50:04,330 --> 00:50:01,010

been different at different parts in our

1077

00:50:08,050 --> 00:50:04,340

history and we've been documenting it

1078

00:50:11,050 --> 00:50:08,060

right yeah so let's talk about some of

1079

00:50:13,990 --> 00:50:11,060

the other cases in Texas

1080

00:50:16,450 --> 00:50:14,000

Stephenville that one in particular that

1081

00:50:19,720 --> 00:50:16,460

was right by that went right near the

1082

00:50:22,270 --> 00:50:19,730

the bush ranch and everything right yeah

1083

00:50:26,110 --> 00:50:22,280

so I think that came out a little while

1084

00:50:29,830 --> 00:50:26,120

after the initial sighting in reports in

1085

00:50:32,110 --> 00:50:29,840

2008 so yes a symbol in the similar vein

1086

00:50:37,420 --> 00:50:32,120

of the Lubbock lights and the Phoenix

1087

00:50:39,310 --> 00:50:37,430

lights a large V triangle-shaped but

1088

00:50:42,670 --> 00:50:39,320

might have been almost too massive to

1089

00:50:47,320 --> 00:50:42,680

tell the the shape of string of lights

1090

00:50:50,620 --> 00:50:47,330

seen and apparently it was documented on

1091

00:50:53,860 --> 00:50:50,630

radar as well after the fact so this

1092

00:50:56,140 --> 00:50:53,870

wasn't this wasn't geese flying or

1093

00:50:57,880 --> 00:50:56,150

something like that

1094

00:51:02,770 --> 00:50:57,890

and it was apparently going toward

1095

00:51:04,600 --> 00:51:02,780

George Bush's ranch I tried to I've

1096

00:51:06,430 --> 00:51:04,610

always been interested in that story and

1097

00:51:08,530 --> 00:51:06,440

followed along with it and I haven't

1098

00:51:10,690 --> 00:51:08,540

looked into it terribly recently but

1099

00:51:13,300 --> 00:51:10,700

it's been increasingly difficult to find

1100

00:51:16,870 --> 00:51:13,310

information on the Stephenville lights

1101

00:51:19,060 --> 00:51:16,880

mmm so I'd be very curious but yes I

1102

00:51:21,910 --> 00:51:19,070

think that Pentagon's story in December

1103

00:51:23,980 --> 00:51:21,920

2017 really just changes everything and

1104

00:51:26,800 --> 00:51:23,990

makes me want to just open up every

1105

00:51:27,730 --> 00:51:26,810

single case you know that keeps getting

1106

00:51:29,260 --> 00:51:27,740

closed and

1107

00:51:31,600 --> 00:51:29,270

I think Stephenville lights is way up

1108

00:51:35,550 --> 00:51:31,610

there with yet with Phoenix lights and

1109

00:51:39,520 --> 00:51:35,560

maybe even Roswell as a case to remember

1110

00:51:44,500 --> 00:51:39,530

yeah yeah and was that did that go on

1111

00:51:47,350 --> 00:51:44,510

for for a while or I mean more than one

1112

00:51:52,420 --> 00:51:47,360

day I think well I think that there was

1113

00:51:54,609 --> 00:51:52,430

one particular incident in 2008 and some

1114

00:51:57,820 --> 00:51:54,619

of your listeners might be savvy on this

1115

00:51:59,320 --> 00:51:57,830

and me and can comment for you I think

1116

00:52:02,770 --> 00:51:59,330

there was a particular incident like the

1117

00:52:04,780 --> 00:52:02,780

gorge the ranch incident however there

1118

00:52:07,480 --> 00:52:04,790

were other sightings in the law around

1119

00:52:10,150 --> 00:52:07,490

the time and I actually have continued

1120

00:52:11,950 --> 00:52:10,160

to see and I have documented some

1121

00:52:18,900 --> 00:52:11,960

sightings after that that were quite

1122

00:52:22,359 --> 00:52:18,910

similar of line of light that's pretty

1123

00:52:24,100 --> 00:52:22,369

quite an archetype right you know we

1124

00:52:28,660 --> 00:52:24,110

almost can we can just imagine in our

1125

00:52:31,690 --> 00:52:28,670

heads so yes I think that area appears

1126
00:52:37,230 --> 00:52:31,700
to be potentially haunted with some

1127
00:52:41,440 --> 00:52:37,240
activity for sure mm-hmm and what about

1128
00:52:46,870 --> 00:52:41,450
in that particular case wasn't there

1129
00:52:49,330 --> 00:52:46,880
didn't military jets try to catch you no

1130
00:52:51,580 --> 00:52:49,340
that was an f-18 Hornet or whatever it

1131
00:52:55,480 --> 00:52:51,590
was didn't they go out trying to try to

1132
00:52:58,090 --> 00:52:55,490
see what it was and chase it yes I think

1133
00:53:00,940 --> 00:52:58,100
that's why believe it's where the radar

1134
00:53:03,070 --> 00:53:00,950
evidence came from because they were

1135
00:53:06,120 --> 00:53:03,080
actually trying to pursue it and they

1136
00:53:09,040 --> 00:53:06,130
were able to produce the radar

1137
00:53:11,650 --> 00:53:09,050
documentation of the craft and I think

1138
00:53:15,070 --> 00:53:11,660

that came out after a little while

1139

00:53:18,790 --> 00:53:15,080

afterward I say after the initial

1140

00:53:20,410 --> 00:53:18,800

debunking attempt my details might be

1141

00:53:23,530 --> 00:53:20,420

hazy on that one so I would definitely

1142

00:53:25,480 --> 00:53:23,540

invite your audience to it to research

1143

00:53:27,760 --> 00:53:25,490

that and actually anyways because like I

1144

00:53:29,440 --> 00:53:27,770

had said there was a really great site

1145

00:53:32,170 --> 00:53:29,450

that was dedicated to the Stephenville

1146

00:53:36,099 --> 00:53:32,180

lights and I hadn't wasn't able to track

1147

00:53:37,720 --> 00:53:36,109

it down in recent memory so I'd be

1148

00:53:40,090 --> 00:53:37,730

curious to see what people could find if

1149

00:53:41,030 --> 00:53:40,100

there's been updates to the story since

1150

00:53:44,630 --> 00:53:41,040

then

1151
00:53:47,120 --> 00:53:44,640
and what would you say is that in Texas

1152
00:53:51,320 --> 00:53:47,130
you mentioned earlier like a UFO wave

1153
00:53:58,099 --> 00:53:51,330
our flap or what would you consider like

1154
00:53:59,870 --> 00:53:58,109
the biggest flap or wave in Texas the

1155
00:54:02,480 --> 00:53:59,880
triangles you know just have been so

1156
00:54:06,560 --> 00:54:02,490
persistent so that's kind of a logical

1157
00:54:10,099 --> 00:54:06,570
boring answer I guess just quantity

1158
00:54:15,470 --> 00:54:10,109
right and and and had documented there

1159
00:54:17,540 --> 00:54:15,480
was a wet in 2014 in 2014 as also in

1160
00:54:22,810 --> 00:54:17,550
this triangle started I believe in

1161
00:54:26,859 --> 00:54:22,820
Houston there was a ring of lights a

1162
00:54:29,720 --> 00:54:26,869
circular ring of lights that was seen in

1163
00:54:33,170 --> 00:54:29,730

filmed and photographed and this

1164

00:54:36,140 --> 00:54:33,180

circular ring lights it seemed to

1165

00:54:39,109 --> 00:54:36,150

migrate and move about the state or

1166

00:54:41,570 --> 00:54:39,119

there were more than one sets of these

1167

00:54:43,970 --> 00:54:41,580

and that actually ended up making it

1168

00:54:46,550 --> 00:54:43,980

into some local media I feel that many

1169

00:54:49,670 --> 00:54:46,560

reports it was such a persistent

1170

00:54:54,380 --> 00:54:49,680

sighting that some people did report

1171

00:54:57,170 --> 00:54:54,390

seeing street lamps yes at all you just

1172

00:54:59,180 --> 00:54:57,180

towers it just you know it's just

1173

00:55:00,710 --> 00:54:59,190

inevitable it just got into the mix was

1174

00:55:03,590 --> 00:55:00,720

that really is what it looked like but

1175

00:55:06,230 --> 00:55:03,600

we were I was able to confirm that a

1176
00:55:08,030 --> 00:55:06,240
certain percentage of those photos were

1177
00:55:11,090 --> 00:55:08,040
not showing street lights since I know

1178
00:55:12,980 --> 00:55:11,100
Houston and I and I know the area here

1179
00:55:14,720 --> 00:55:12,990
so that was a really strange blip

1180
00:55:17,840 --> 00:55:14,730
because it just happened and then it

1181
00:55:19,550 --> 00:55:17,850
wasn't happening anymore and could never

1182
00:55:21,500 --> 00:55:19,560
you know we just had the witness reports

1183
00:55:26,270 --> 00:55:21,510
and and then that was it

1184
00:55:30,820 --> 00:55:26,280
it's just left so much to be desired do

1185
00:55:33,980 --> 00:55:30,830
get we I do get waves of of gray aliens

1186
00:55:36,920 --> 00:55:33,990
alien abduction reports and this

1187
00:55:39,650 --> 00:55:36,930
similarly seem to come and in sets

1188
00:55:42,650 --> 00:55:39,660

that's what brings some credibility to

1189

00:55:46,070 --> 00:55:42,660

it it's not like it's like a whole month

1190

00:55:49,990 --> 00:55:46,080

I'll just get just a few reports of

1191

00:55:53,480 --> 00:55:50,000

people in the dreamlike state usually

1192

00:55:54,080 --> 00:55:53,490

seeing or experiencing a gray alien

1193

00:55:58,730 --> 00:55:54,090

entity

1194

00:56:00,830 --> 00:55:58,740

very cliché specific alien so that

1195

00:56:03,920 --> 00:56:00,840

definitely does happen and that seems to

1196

00:56:06,110 --> 00:56:03,930

be like the triangle UFO wave there

1197

00:56:07,670 --> 00:56:06,120

seems to be a pattern to that and the

1198

00:56:10,280 --> 00:56:07,680

timing of that and when that is

1199

00:56:13,340 --> 00:56:10,290

happening so that's of course that's

1200

00:56:14,420 --> 00:56:13,350

super fascinating Wow that is

1201

00:56:16,940 --> 00:56:14,430

interesting

1202

00:56:19,430 --> 00:56:16,950

are you we didn't even talk about this

1203

00:56:20,840 --> 00:56:19,440

but occasionally people like to call in

1204

00:56:22,910 --> 00:56:20,850

and ask a question would you be willing

1205

00:56:25,640 --> 00:56:22,920

to do that of course

1206

00:56:27,590 --> 00:56:25,650

okay so we'll have the number up on the

1207

00:56:29,360 --> 00:56:27,600

screen anyone just look at the YouTube

1208

00:56:31,280 --> 00:56:29,370

and you'll see the phone number up there

1209

00:56:35,420 --> 00:56:31,290

in Colin you're welcome to call in and

1210

00:56:37,490 --> 00:56:35,430

ask our guests some some questions now I

1211

00:56:40,070 --> 00:56:37,500

think I heard you say earlier that

1212

00:56:44,600 --> 00:56:40,080

you've not only looked into Texas UFOs

1213

00:56:47,000 --> 00:56:44,610

you've looked into other UFOs so what do

1214

00:56:49,490 --> 00:56:47,010

you what do you think what would you say

1215

00:56:53,750 --> 00:56:49,500

is one of your favorite cases besides

1216

00:56:57,730 --> 00:56:53,760

the Texas cases how about that Pentagon

1217

00:57:05,420 --> 00:57:01,550

there's so many and really as time goes

1218

00:57:07,940 --> 00:57:05,430

on the I keep layering on with learning

1219

00:57:10,130 --> 00:57:07,950

more and more more but I think what

1220

00:57:13,310 --> 00:57:10,140

really continues to stand out to me

1221

00:57:14,900 --> 00:57:13,320

after all these years it may not be as

1222

00:57:17,920 --> 00:57:14,910

interesting to some people because I'm

1223

00:57:19,940 --> 00:57:17,930

not sure that origin of the alien is

1224

00:57:25,670 --> 00:57:19,950

have you ever heard of the earthquake

1225

00:57:28,340 --> 00:57:25,680

light phenomenon right yes so early on

1226
00:57:31,210 --> 00:57:28,350
before I really got Texas UFO sightings

1227
00:57:34,370 --> 00:57:31,220
calm or Texas UFOs calm either work

1228
00:57:38,960 --> 00:57:34,380
going I would watch these volcano

1229
00:57:42,170 --> 00:57:38,970
webcams and I would see these lights

1230
00:57:44,720 --> 00:57:42,180
these bright orbs of lights just

1231
00:57:46,520 --> 00:57:44,730
hovering still over the volcanoes and

1232
00:57:49,160 --> 00:57:46,530
then they would get sucked into the

1233
00:57:51,200 --> 00:57:49,170
volcano and then they would come and it

1234
00:57:54,620 --> 00:57:51,210
was just it was amazing it's just

1235
00:57:56,570 --> 00:57:54,630
real-time webcam videos and I had

1236
00:58:00,020 --> 00:57:56,580
learned to watch these because other

1237
00:58:00,890 --> 00:58:00,030
people had captured UFOs on these

1238
00:58:03,680 --> 00:58:00,900

webcams

1239

00:58:06,110 --> 00:58:03,690

I don't live near any volcanoes here in

1240

00:58:07,300 --> 00:58:06,120

Texas I hope there's volcano doesn't

1241

00:58:09,700 --> 00:58:07,310

make it my

1242

00:58:13,300 --> 00:58:09,710

that would be some really freaky climate

1243

00:58:15,910 --> 00:58:13,310

change so I have to Oh to watch through

1244

00:58:18,130 --> 00:58:15,920

a webcam but so that was sort of my

1245

00:58:20,460 --> 00:58:18,140

weird sighting of that and then I ended

1246

00:58:23,380 --> 00:58:20,470

up researching much more in-depth

1247

00:58:28,180 --> 00:58:23,390

sightings like that which are not

1248

00:58:32,380 --> 00:58:28,190

necessarily a triangle craft or a flying

1249

00:58:36,280 --> 00:58:32,390

saucer but more like an almost organic

1250

00:58:39,910 --> 00:58:36,290

orb that seems to be intelligent during

1251
00:58:43,210 --> 00:58:39,920
the March 2012 before maybe during and

1252
00:58:46,720 --> 00:58:43,220
after the March 2011 earthquake and

1253
00:58:50,950 --> 00:58:46,730
tsunami in Japan there were these

1254
00:58:52,900 --> 00:58:50,960
strange white or orbs of light that

1255
00:58:56,590 --> 00:58:52,910
seemed to dance or hover around the

1256
00:58:58,600 --> 00:58:56,600
disaster or even be a precursor to it so

1257
00:59:00,760 --> 00:58:58,610
I'm pretty fascinated with that I don't

1258
00:59:02,680 --> 00:59:00,770
know if it might be related to weird

1259
00:59:05,700 --> 00:59:02,690
just weird weather phenomenon

1260
00:59:09,160 --> 00:59:05,710
it seems related to the ball lightning

1261
00:59:11,890 --> 00:59:09,170
phenomenon I have a geologist friend who

1262
00:59:14,050 --> 00:59:11,900
was interested in it he's not you know

1263
00:59:16,110 --> 00:59:14,060

into aliens and she gave me a similar

1264

00:59:19,270 --> 00:59:16,120

look I think that Scott Kelly gave

1265

00:59:21,040 --> 00:59:19,280

Alejandra where she just didn't it

1266

00:59:23,280 --> 00:59:21,050

seemed like that was something you

1267

00:59:26,320 --> 00:59:23,290

couldn't really necessarily talk about

1268

00:59:29,320 --> 00:59:26,330

so that I guess that related to free

1269

00:59:32,410 --> 00:59:29,330

energy so that's that's that's pushed me

1270

00:59:34,480 --> 00:59:32,420

probably more than many things many

1271

00:59:37,060 --> 00:59:34,490

cases yeah

1272

00:59:40,090 --> 00:59:37,070

you have always I've always thought well

1273

00:59:46,990 --> 00:59:40,100

that's gonna kind of segue me to the

1274

00:59:50,410 --> 00:59:47,000

Marfa lights oh yes mm-hmm Sally so that

1275

00:59:52,690 --> 00:59:50,420

they people have suggested I've heard

1276

00:59:55,030 --> 00:59:52,700

two different suggestions one that it's

1277

00:59:56,950 --> 00:59:55,040

car lights off on a distance that's

1278

00:59:59,010 --> 00:59:56,960

reflecting or something like that and

1279

01:00:03,850 --> 00:59:59,020

two that it has something to do with a

1280

01:00:07,390 --> 01:00:03,860

natural phenomenon yeah so what are your

1281

01:00:09,670 --> 01:00:07,400

thoughts on that so I think the lady can

1282

01:00:11,320 --> 01:00:09,680

you two might just Hank we'll hang on to

1283

01:00:13,420 --> 01:00:11,330

that thought okay we'll go back to the

1284

01:00:15,160 --> 01:00:13,430

Marfa lights but I do have a call coming

1285

01:00:18,460 --> 01:00:15,170

in so

1286

01:00:21,130 --> 01:00:18,470

caller thanks for calling where you

1287

01:00:25,090 --> 01:00:21,140

calling from in your first name please

1288

01:00:30,010 --> 01:00:25,100

ah this is Jay Allen from San Diego hi

1289

01:00:32,950 --> 01:00:30,020

hi Jay how are you oh you have a good

1290

01:00:35,620 --> 01:00:32,960

good yeah please turn your your computer

1291

01:00:37,240 --> 01:00:35,630

down if you would got it yep I'll mute

1292

01:00:42,070 --> 01:00:37,250

it all right sounds good

1293

01:00:45,610 --> 01:00:42,080

and I don't want to hear myself and you

1294

01:00:47,110 --> 01:00:45,620

have a question for our guest oh yes I

1295

01:00:50,890 --> 01:00:47,120

want to say hi to everybody

1296

01:00:53,040 --> 01:00:50,900

Jane I I grew up in Dallas I've been

1297

01:00:57,610 --> 01:00:53,050

there since I joined the military but

1298

01:01:01,960 --> 01:00:57,620

I'm glad you joined I wanted to sort of

1299

01:01:05,110 --> 01:01:01,970

mention something the CFDA could stir

1300

01:01:08,910 --> 01:01:05,120

the conversation a little bit I've been

1301

01:01:13,090 --> 01:01:08,920

in military programs for last 22 years

1302

01:01:16,420 --> 01:01:13,100

secret programs and ever since I joined

1303

01:01:18,130 --> 01:01:16,430

the military Air Force I worked on the

1304

01:01:23,580 --> 01:01:18,140

stealth program was the first job that I

1305

01:01:27,610 --> 01:01:23,590

have and I want to say that we see these

1306

01:01:31,420 --> 01:01:27,620

triangles and these these types of

1307

01:01:33,130 --> 01:01:31,430

aircraft all over the world I think we

1308

01:01:35,920 --> 01:01:33,140

can all agree on that we see these odd

1309

01:01:38,530 --> 01:01:35,930

shaped craft and they're recorded in

1310

01:01:41,470 --> 01:01:38,540

nearly every state and you know in

1311

01:01:45,010 --> 01:01:41,480

different countries and one thing that I

1312

01:01:46,840 --> 01:01:45,020

thought was curious is that working on

1313

01:01:49,570 --> 01:01:46,850

the stealth program we only have a

1314

01:01:52,060 --> 01:01:49,580

couple of bases that we ever operated

1315

01:01:54,850 --> 01:01:52,070

out of we always operate it at nighttime

1316

01:01:57,040 --> 01:01:54,860

we didn't want anybody to know what the

1317

01:02:00,490 --> 01:01:57,050

aircraft look like or what the

1318

01:02:02,710 --> 01:02:00,500

capabilities were and I find it curious

1319

01:02:05,650 --> 01:02:02,720

that people claim that black triangles

1320

01:02:08,730 --> 01:02:05,660

might be military aircraft I'm not not

1321

01:02:12,010 --> 01:02:08,740

saying they're they aren't but

1322

01:02:14,050 --> 01:02:12,020

considering that they are if they were

1323

01:02:16,510 --> 01:02:14,060

military they're secret programs and why

1324

01:02:20,620 --> 01:02:16,520

would they be prevalent and you know

1325

01:02:23,230 --> 01:02:20,630

just everywhere if you if you contrast

1326

01:02:25,330 --> 01:02:23,240

that with the stealth program which I

1327

01:02:26,830 --> 01:02:25,340

have experienced and you know just a

1328

01:02:28,960 --> 01:02:26,840

couple of bases that we operated out of

1329

01:02:31,180 --> 01:02:28,970

because we wanted to keep it secret we

1330

01:02:33,340 --> 01:02:31,190

wanted to keep it compartmentalized and

1331

01:02:34,900 --> 01:02:33,350

you know you just didn't want it to get

1332

01:02:36,220 --> 01:02:34,910

out there where these you

1333

01:02:39,609 --> 01:02:36,230

these triangle aircraft are just

1334

01:02:44,740 --> 01:02:39,619

everywhere and so I thought it was just

1335

01:02:49,180 --> 01:02:44,750

make that simple point where I'm in the

1336

01:02:51,190 --> 01:02:49,190

industry and I you know you you want to

1337

01:02:53,309 --> 01:02:51,200

have a skeptical argument I agree but I

1338

01:02:55,599 --> 01:02:53,319

just don't buy that these things are

1339

01:02:58,630 --> 01:02:55,609

military because they're they're spread

1340

01:02:59,920 --> 01:02:58,640

out so much you know we would we would

1341

01:03:00,630 --> 01:02:59,930

know about it we would know a lot more

1342

01:03:04,059 --> 01:03:00,640

about it

1343

01:03:06,150 --> 01:03:04,069

so anyways I'm enjoying the conversation

1344

01:03:08,890 --> 01:03:06,160

and I just thought I'd I'd point it out

1345

01:03:11,799 --> 01:03:08,900

Thank You Jay I actually I really

1346

01:03:13,299 --> 01:03:11,809

appreciate that and we will we will

1347

01:03:14,799 --> 01:03:13,309

continue the conversation on that a

1348

01:03:17,799 --> 01:03:14,809

little bit because I have something to

1349

01:03:19,210 --> 01:03:17,809

say about it thanks for calling in all

1350

01:03:21,910 --> 01:03:19,220

right bye

1351

01:03:24,880 --> 01:03:21,920

yeah Jane he makes a he makes a very

1352

01:03:27,190 --> 01:03:24,890

very good point you know anything

1353

01:03:31,450 --> 01:03:27,200

secretive I'm sure wouldn't be all over

1354

01:03:36,039 --> 01:03:31,460

the world and and you know everywhere as

1355

01:03:37,599 --> 01:03:36,049

as these people are seeing yeah yes

1356

01:03:42,789 --> 01:03:37,609

thank you so much for calling in and

1357

01:03:44,440 --> 01:03:42,799

thanks for the Intel yes so I think that

1358

01:03:46,660 --> 01:03:44,450

we can't you kind of keep in this

1359

01:03:50,079 --> 01:03:46,670

circular argument or these this

1360

01:03:53,049 --> 01:03:50,089

questioning this deduction game where

1361

01:03:56,370 --> 01:03:53,059

it's like okay UFOs are real they're

1362

01:04:00,789 --> 01:03:56,380

faster than known craft okay well is it

1363

01:04:03,220 --> 01:04:00,799

military is it alien was it military is

1364

01:04:06,849 --> 01:04:03,230

that our military or somebody else's

1365

01:04:09,400 --> 01:04:06,859

military and I think any time we're

1366

01:04:12,250 --> 01:04:09,410

seeing apparently secret craft in

1367

01:04:15,190 --> 01:04:12,260

civilian airspace something fishy is

1368

01:04:18,549 --> 01:04:15,200

going on we either have a craft that's

1369

01:04:21,880 --> 01:04:18,559

not supposed to be there it's there is

1370

01:04:24,450 --> 01:04:21,890

there some warfare happening that we

1371

01:04:29,140 --> 01:04:24,460

don't we're not always in the loop about

1372

01:04:31,990 --> 01:04:29,150

our aliens showing themselves to us art

1373

01:04:33,940 --> 01:04:32,000

is government showing itself to us and

1374

01:04:36,579 --> 01:04:33,950

pretending to be aliens there there's

1375

01:04:39,250 --> 01:04:36,589

the theory start to really get quite

1376

01:04:42,940 --> 01:04:39,260

plentiful once you accept that they

1377

01:04:45,460 --> 01:04:42,950

actually are overhead and are real and

1378

01:04:47,079 --> 01:04:45,470

frankly I think all the theories should

1379

01:04:48,620 --> 01:04:47,089

be on the table and I would look to

1380

01:04:51,790 --> 01:04:48,630

people like your caller

1381

01:04:55,270 --> 01:04:51,800

to have information that they can share

1382

01:04:57,910 --> 01:04:55,280

because the government is already

1383

01:05:00,380 --> 01:04:57,920

telling a story about this right now

1384

01:05:02,420 --> 01:05:00,390

yeah and it looks like there's dissent

1385

01:05:05,690 --> 01:05:02,430

even within the government and within

1386

01:05:07,910 --> 01:05:05,700

the astronaut community of of what these

1387

01:05:11,000 --> 01:05:07,920

things are or at least what the public

1388

01:05:11,870 --> 01:05:11,010

should know about it yeah yeah good

1389

01:05:17,140 --> 01:05:11,880

point

1390

01:05:19,730 --> 01:05:17,150

yeah I I do think that there someone

1391

01:05:22,400 --> 01:05:19,740

probably knows what's going on I think

1392

01:05:24,740 --> 01:05:22,410

at least on some of that but you know

1393

01:05:27,790 --> 01:05:24,750

the very good point that there it's

1394

01:05:33,230 --> 01:05:27,800

worldwide and it's it's not going away

1395

01:05:35,960 --> 01:05:33,240

so anyway we were talking I believe I

1396

01:05:43,340 --> 01:05:35,970

said - hold that thought and I wanted to

1397

01:05:45,560 --> 01:05:43,350

say it was Marfa lights yes I don't have

1398

01:05:48,890 --> 01:05:45,570

a great memory I don't know how how I

1399

01:05:52,220 --> 01:05:48,900

remembered that I was lucky

1400

01:05:53,570 --> 01:05:52,230

I've memory for UFOs I guess just not

1401

01:05:54,800 --> 01:05:53,580

for other things it's not for where my

1402

01:05:58,670 --> 01:05:54,810

keys are I don't know where they are

1403

01:06:00,440 --> 01:05:58,680

so the Marfa lights so that's that's an

1404

01:06:02,630 --> 01:06:00,450

ongoing sighting you can go to Marfa

1405

01:06:05,540 --> 01:06:02,640

Texas today and if you play your cards

1406

01:06:07,280 --> 01:06:05,550

right and your you stake it out for a

1407

01:06:08,480 --> 01:06:07,290

little bit there's a good chance that

1408

01:06:10,040 --> 01:06:08,490

you'll see there and there might be a

1409

01:06:12,680 --> 01:06:10,050

time of year I'm not sure that's better

1410

01:06:15,110 --> 01:06:12,690

for it the leading theory right now or

1411

01:06:18,230 --> 01:06:15,120

the latest theory I should say is that

1412

01:06:22,310 --> 01:06:18,240

it is a mirage so I there's a specific

1413

01:06:24,920 --> 01:06:22,320

Mirage that is caused from the

1414

01:06:28,340 --> 01:06:24,930

atmosphere so lights in the atmosphere I

1415

01:06:30,620 --> 01:06:28,350

do not buy the car headlight theory

1416

01:06:32,960 --> 01:06:30,630

because reports and the Marfa lights go

1417

01:06:35,240 --> 01:06:32,970

back well before there were cars to the

1418

01:06:37,070 --> 01:06:35,250

1800s and Native American legends I

1419

01:06:39,710 --> 01:06:37,080

don't buy that theory now what would be

1420

01:06:43,010 --> 01:06:39,720

interesting though could the highway

1421

01:06:45,800 --> 01:06:43,020

traffic be affecting it hmm

1422

01:06:46,880 --> 01:06:45,810

there was a study I think universe it

1423

01:06:49,450 --> 01:06:46,890

might have been I don't want to say the

1424

01:06:52,460 --> 01:06:49,460

wrong University a university in Texas

1425

01:06:53,630 --> 01:06:52,470

studied its study the Marfa lights and

1426

01:06:56,090 --> 01:06:53,640

concluded that there was a correlation

1427

01:06:58,010 --> 01:06:56,100

at least between I mean I wasn't there

1428

01:07:00,380 --> 01:06:58,020

to watch it the study I couldn't

1429

01:07:01,700 --> 01:07:00,390

actually find any video or of them doing

1430

01:07:02,650 --> 01:07:01,710

the study so I'll just take their word

1431

01:07:05,719 --> 01:07:02,660

for

1432

01:07:09,259 --> 01:07:05,729

found some correlation between cars

1433

01:07:12,199 --> 01:07:09,269

driving and when the lights were seen I

1434

01:07:14,029 --> 01:07:12,209

don't like I said I don't know how much

1435

01:07:16,880 --> 01:07:14,039

substance there is to that but perhaps

1436

01:07:20,959 --> 01:07:16,890

the car headlights were affecting an

1437

01:07:24,019 --> 01:07:20,969

existing phenomenon so I think because

1438

01:07:26,660 --> 01:07:24,029

those happen so routinely or you can see

1439

01:07:28,609 --> 01:07:26,670

them so ongoing and in the same part of

1440

01:07:31,789 --> 01:07:28,619

the sky and there seems to be a way to

1441

01:07:33,829 --> 01:07:31,799

even make them happen I think that goes

1442

01:07:36,170 --> 01:07:33,839

in the category of really what those

1443

01:07:39,819 --> 01:07:36,180

other if there is some mystery to them

1444

01:07:43,099 --> 01:07:39,829

or looking into it's probably not alien

1445

01:07:47,359 --> 01:07:43,109

and it probably has something to do with

1446

01:07:52,130 --> 01:07:47,369

still may be some secret science Earth's

1447

01:07:53,689 --> 01:07:52,140

energy like lights and weird lights but

1448

01:07:55,999 --> 01:07:53,699

they never you said the University

1449

01:07:59,989 --> 01:07:56,009

studied it they never came up with any

1450

01:08:02,479 --> 01:07:59,999

type of solid Kalu conclusion I think I

1451

01:08:04,939 --> 01:08:02,489

think and there I think they were just

1452

01:08:07,400 --> 01:08:04,949

being good scientists in there you know

1453

01:08:09,679 --> 01:08:07,410

that it was a very scientific study and

1454

01:08:11,870 --> 01:08:09,689

it was trying to be very fair and leave

1455

01:08:14,599 --> 01:08:11,880

some room for doubt but I think to them

1456

01:08:17,539 --> 01:08:14,609

they were pretty certain basically when

1457

01:08:20,450 --> 01:08:17,549

there was heavy highway traffic they

1458

01:08:23,720 --> 01:08:20,460

could the UFO activity would increase

1459

01:08:25,430 --> 01:08:23,730

and it was a pretty one-to-one again I

1460

01:08:29,209 --> 01:08:25,440

have not seen a video of them doing the

1461

01:08:31,549 --> 01:08:29,219

study or so I want to get out to Martha

1462

01:08:34,760 --> 01:08:31,559

it's on my big list of places to go and

1463

01:08:37,280 --> 01:08:34,770

see and do this myself so I definitely

1464

01:08:40,189 --> 01:08:37,290

hope to post a video one day I need you

1465

01:08:42,769 --> 01:08:40,199

and help see if I could could that seems

1466

01:08:44,419 --> 01:08:42,779

like it experiment I could do yeah go on

1467

01:08:48,470 --> 01:08:44,429

a holiday weekend where to be a lot of

1468

01:08:49,700 --> 01:08:48,480

traffic yeah or yeah or at least I guess

1469

01:08:52,399 --> 01:08:49,710

you have to have some like in-between

1470

01:08:54,109 --> 01:08:52,409

moments of no traffic right so I'm sure

1471

01:08:57,919 --> 01:08:54,119

yeah I'm sure they were real nerdy about

1472

01:09:00,620 --> 01:08:57,929

it and were able to prove something but

1473

01:09:03,229 --> 01:09:00,630

I think ultimately though we know that

1474

01:09:05,149 --> 01:09:03,239

there weren't cars driving around when

1475

01:09:09,289 --> 01:09:05,159

these reports first started so there's

1476

01:09:11,899 --> 01:09:09,299

some serious flaw to the study even if

1477

01:09:15,019 --> 01:09:11,909

they were able to find a correlation no

1478

01:09:18,349 --> 01:09:15,029

I know it's my head

1479

01:09:20,420 --> 01:09:18,359

I know there is a I think there's a

1480

01:09:22,550 --> 01:09:20,430

viewing platform and everything a

1481

01:09:25,430 --> 01:09:22,560

building dedicated and everything right

1482

01:09:29,090 --> 01:09:25,440

yep yeah it's really a nice little

1483

01:09:32,120 --> 01:09:29,100

tourism industry there around it which

1484

01:09:34,820 --> 01:09:32,130

is fine like like Roswell but you you'll

1485

01:09:36,349 --> 01:09:34,830

actually see something so yeah I'm

1486

01:09:38,390 --> 01:09:36,359

surprised I haven't been out there yet

1487

01:09:40,640 --> 01:09:38,400

but it's kind of in the for those who

1488

01:09:42,950 --> 01:09:40,650

are not in Texas Martha's it's not

1489

01:09:45,380 --> 01:09:42,960

really by any major cities like Dallas

1490

01:09:46,820 --> 01:09:45,390

so it's quite a trek to get out there

1491

01:09:49,309 --> 01:09:46,830

but I think it's turned into quite a

1492

01:09:52,970 --> 01:09:49,319

little artists community too out there

1493

01:09:57,620 --> 01:09:52,980

so well if there is something to the

1494

01:10:00,230 --> 01:09:57,630

lights we think you know there there's

1495

01:10:03,020 --> 01:10:00,240

the spirit orb phenomenon that's talked

1496

01:10:05,690 --> 01:10:03,030

a lot about in Central and South America

1497

01:10:07,700 --> 01:10:05,700

that maybe there's some energy there

1498

01:10:11,360 --> 01:10:07,710

there's some good vibes happening there

1499

01:10:13,100 --> 01:10:11,370

and the lights are symptom of that have

1500

01:10:16,460 --> 01:10:13,110

you ever heard of the Brown Mountain

1501

01:10:19,010 --> 01:10:16,470

lights no I haven't I don't think so

1502

01:10:21,920 --> 01:10:19,020

yeah I don't want to mess that all up

1503

01:10:25,970 --> 01:10:21,930

but I did I did a show on them you know

1504

01:10:27,830 --> 01:10:25,980

a number of years ago exactly where it

1505

01:10:32,090 --> 01:10:27,840

is I'm gonna get it wrong I'm sure I

1506

01:10:34,820 --> 01:10:32,100

think it's Virginia but I don't really

1507

01:10:36,320 --> 01:10:34,830

remember exactly but it's something

1508

01:10:42,460 --> 01:10:36,330

people have been seeing for years as

1509

01:10:45,080 --> 01:10:42,470

well there is a high copper content in

1510

01:10:46,550 --> 01:10:45,090

some of the hills there that may have

1511

01:10:51,860 --> 01:10:46,560

something to do with a natural

1512

01:10:55,880 --> 01:10:51,870

phenomenon possibly going back to Martha

1513

01:11:00,130 --> 01:10:55,890

though how could something be triggered

1514

01:11:02,690 --> 01:11:00,140

by cars how do they how do they say that

1515

01:11:06,110 --> 01:11:02,700

happens did they go into details about

1516

01:11:10,250 --> 01:11:06,120

that how it actually happens well I

1517

01:11:13,160 --> 01:11:10,260

guess that's why I'm not a huge I don't

1518

01:11:14,810 --> 01:11:13,170

take the study completely you know I

1519

01:11:17,020 --> 01:11:14,820

take it with a grain of salt because I

1520

01:11:19,610 --> 01:11:17,030

did the similar mental of gymnastics

1521

01:11:23,120 --> 01:11:19,620

about it because I think they really

1522

01:11:25,520 --> 01:11:23,130

were only I may again definitely look to

1523

01:11:27,490 --> 01:11:25,530

your audience - I think it's on

1524

01:11:31,300 --> 01:11:27,500

Wikipedia actually

1525

01:11:33,400 --> 01:11:31,310

good old Wikipedia I think it was really

1526

01:11:35,950 --> 01:11:33,410

a correlation and so I think they had a

1527

01:11:38,140 --> 01:11:35,960

working theory I think that's that that

1528

01:11:39,850 --> 01:11:38,150

working theory that car headlights were

1529

01:11:42,940 --> 01:11:39,860

causing the phenomenon has been out

1530

01:11:45,040 --> 01:11:42,950

there for a while I think so no yeah

1531

01:11:47,230 --> 01:11:45,050

right so I think they were just taking

1532

01:11:49,090 --> 01:11:47,240

that and trying to prove a correlation

1533

01:11:53,590 --> 01:11:49,100

and that's what they were able to do I

1534

01:11:57,730 --> 01:11:53,600

think the actual science I that's why I

1535

01:12:00,070 --> 01:11:57,740

would go back to I don't know the princi

1536

01:12:04,120 --> 01:12:00,080

the hard to say it's Futter mirage or

1537

01:12:08,260 --> 01:12:04,130

something atmospheric effects i would

1538

01:12:12,160 --> 01:12:08,270

seem more likely to me that would be

1539

01:12:15,760 --> 01:12:12,170

then affected by other lights so that

1540

01:12:17,710 --> 01:12:15,770

that's my how i and that was another the

1541

01:12:20,560 --> 01:12:17,720

Mirage theory with something that had

1542

01:12:23,890 --> 01:12:20,570

widths another separate theory alongside

1543

01:12:26,680 --> 01:12:23,900

that you can find other cases around the

1544

01:12:30,490 --> 01:12:26,690

world that are similar attend Marfa

1545

01:12:33,550 --> 01:12:30,500

lights so to me that's a little that's

1546

01:12:36,180 --> 01:12:33,560

how I would that's my guess mm-hmm but

1547

01:12:38,740 --> 01:12:36,190

I've not been out there unfortunately I

1548

01:12:40,900 --> 01:12:38,750

have a regular listener to the shows

1549

01:12:43,930 --> 01:12:40,910

been listening for almost near the

1550

01:12:46,780 --> 01:12:43,940

beginning that sent me a video today to

1551

01:12:51,960 --> 01:12:46,790

talk to you about in it's UFOs at Little

1552

01:12:55,000 --> 01:12:51,970

Elm are you familiar with that yeah I

1553

01:12:58,150 --> 01:12:55,010

it's a video actually on YouTube it's

1554

01:13:00,780 --> 01:12:58,160

really interesting looking video I have

1555

01:13:03,910 --> 01:13:00,790

covered cases in Little Elm or a case

1556

01:13:05,980 --> 01:13:03,920

but I'm not sure I'm not sure if I know

1557

01:13:08,140 --> 01:13:05,990

this one off the top of the head off of

1558

01:13:12,520 --> 01:13:08,150

my head top of my head sorry these stink

1559

01:13:15,070 --> 01:13:12,530

yeah it's another it's another formation

1560

01:13:16,350 --> 01:13:15,080

of lights moving and it looks like some

1561

01:13:19,290 --> 01:13:16,360

blinking that looks pretty interesting

1562

01:13:27,250 --> 01:13:19,300

so you'll you'll have to check that out

1563

01:13:30,490 --> 01:13:27,260

I will yeah so well as far as the

1564

01:13:32,950 --> 01:13:30,500

natural phenomena that can cause you

1565

01:13:34,660 --> 01:13:32,960

know sightings that people see I think

1566

01:13:38,080 --> 01:13:34,670

there's definitely something to that

1567

01:13:40,959 --> 01:13:38,090

there's places in the world that have

1568

01:13:44,830 --> 01:13:40,969

you know have had sightings for

1569

01:13:46,300 --> 01:13:44,840

like you mentioned centuries and so I do

1570

01:13:47,860 --> 01:13:46,310

believe there's also a natural

1571

01:13:48,939 --> 01:13:47,870

phenomenon you go back to the earthquake

1572

01:13:52,720 --> 01:13:48,949

lights you're talking about in the

1573

01:13:56,020 --> 01:13:52,730

volcano with volcano lights so I do

1574

01:13:58,900 --> 01:13:56,030

think that these are you know it could

1575

01:14:00,400 --> 01:13:58,910

be plasma of some kind or like similar

1576

01:14:02,110 --> 01:14:00,410

to ball lightning just what you're

1577

01:14:06,420 --> 01:14:02,120

talking about I think there are a lot of

1578

01:14:11,050 --> 01:14:06,430

natural things that can happen just with

1579

01:14:17,800 --> 01:14:11,060

you know nature that people will nature

1580

01:14:20,860 --> 01:14:17,810

see weird right I know just when they

1581

01:14:22,450 --> 01:14:20,870

think they can't you know just when they

1582

01:14:24,729 --> 01:14:22,460

the science thinks they have everything

1583

01:14:25,959 --> 01:14:24,739

figured out in space so there's

1584

01:14:32,620 --> 01:14:25,969

something that come along and they'll

1585

01:14:35,890 --> 01:14:32,630

say we've never seen that before all the

1586

01:14:39,220 --> 01:14:35,900

species here yet so it's it you know how

1587

01:14:41,229 --> 01:14:39,230

anybody can say that there's not aliens

1588

01:14:43,510 --> 01:14:41,239

out there's is amazing to me we there's

1589

01:14:46,900 --> 01:14:43,520

still aliens on this planet that we've

1590

01:14:48,790 --> 01:14:46,910

yet to discover alien to us I know the

1591

01:14:51,160 --> 01:14:48,800

ocean one thing there's probably a lot

1592

01:14:52,780 --> 01:14:51,170

of things in the ocean so anyway we are

1593

01:14:57,130 --> 01:14:52,790

taking calls if anyone would like to

1594

01:14:59,229 --> 01:14:57,140

call in okay let me just see what's

1595

01:15:03,280 --> 01:14:59,239

going on here we have a little issue

1596

01:15:06,970 --> 01:15:03,290

with a has nothing to do with what's

1597

01:15:08,920 --> 01:15:06,980

going on with our audio we have a little

1598

01:15:11,740 --> 01:15:08,930

video issue going on but nothing to

1599

01:15:14,200 --> 01:15:11,750

worry about so anyone can call them if

1600

01:15:18,240 --> 01:15:14,210

they like and let's talk about some

1601
01:15:21,760 --> 01:15:18,250
other interesting UFO cases in in Texas

1602
01:15:24,130 --> 01:15:21,770
well so there's a great one on the site

1603
01:15:27,130 --> 01:15:24,140
right now it's a MUFON case that I am

1604
01:15:32,110 --> 01:15:27,140
currently trying to find other witnesses

1605
01:15:34,720 --> 01:15:32,120
for so if you're in Houston Texas hit me

1606
01:15:38,530 --> 01:15:34,730
up if you saw this this thing it's

1607
01:15:43,930 --> 01:15:38,540
pretty interesting it what it looks like

1608
01:15:46,150 --> 01:15:43,940
is a vertical Dark Tower just kind of

1609
01:15:49,870 --> 01:15:46,160
floating along and a steady line

1610
01:15:52,090 --> 01:15:49,880
apparently over Houston I don't get the

1611
01:15:54,770 --> 01:15:52,100
feeling of a hoax that stuff I don't get

1612
01:15:57,479 --> 01:15:54,780
the feeling of a CGI video but perhaps

1613
01:15:59,370 --> 01:15:57,489

misidentification so there are some

1614

01:16:04,590 --> 01:15:59,380

theories that it could be a helicopter

1615

01:16:07,530 --> 01:16:04,600

carrying a large object perhaps or oh my

1616

01:16:11,790 --> 01:16:07,540

goodness these headphones my ears must

1617

01:16:15,000 --> 01:16:11,800

be shaped funny so yeah so theories

1618

01:16:19,740 --> 01:16:15,010

range from that I also read a theory

1619

01:16:22,800 --> 01:16:19,750

that there's this wasp to military craft

1620

01:16:25,950 --> 01:16:22,810

from a while back from the 80s and it

1621

01:16:28,920 --> 01:16:25,960

was a vertical one-man takeoff and

1622

01:16:31,920 --> 01:16:28,930

landing craft that some civilians

1623

01:16:36,150 --> 01:16:31,930

apparently tried to build so it actually

1624

01:16:39,479 --> 01:16:36,160

looks very so that would be kind of

1625

01:16:42,660 --> 01:16:39,489

funny if a civilian would built this

1626

01:16:44,400 --> 01:16:42,670

weird like one-man vertical craft as a

1627

01:16:47,160 --> 01:16:44,410

hobby and was flying it around Houston

1628

01:16:48,870 --> 01:16:47,170

but I am definitely looking for witness

1629

01:16:51,150 --> 01:16:48,880

other witness reports because this is

1630

01:16:53,280 --> 01:16:51,160

this would be a really good one to

1631

01:16:55,410 --> 01:16:53,290

continue to investigate in that videos

1632

01:16:57,000 --> 01:16:55,420

on YouTube and on and on the homepage

1633

01:16:59,820 --> 01:16:57,010

for anybody and I think it's been picked

1634

01:17:01,890 --> 01:16:59,830

up by some other outlets so we'll see

1635

01:17:03,840 --> 01:17:01,900

but unfortunately I have not heard from

1636

01:17:06,870 --> 01:17:03,850

anybody yet and I really have put out

1637

01:17:09,780 --> 01:17:06,880

the the megaphone for people to let me

1638

01:17:11,220 --> 01:17:09,790

know if they saw this so how do you how

1639

01:17:13,979 --> 01:17:11,230

do you get the word out there have you

1640

01:17:17,580 --> 01:17:13,989

ever used like other like Facebook or

1641

01:17:19,320 --> 01:17:17,590

social media yeah so I'm everywhere yeah

1642

01:17:21,390 --> 01:17:19,330

so I try to be I mean that's just the

1643

01:17:23,010 --> 01:17:21,400

Nate nature of this right you're

1644

01:17:26,280 --> 01:17:23,020

spreading the truth just try to I try to

1645

01:17:30,090 --> 01:17:26,290

spread it everywhere can so there's

1646

01:17:32,820 --> 01:17:30,100

Facebook / Texas UFOs and all the links

1647

01:17:35,280 --> 01:17:32,830

are on the site and the contact there's

1648

01:17:37,560 --> 01:17:35,290

Twitter TX UFO sightings there's

1649

01:17:40,620 --> 01:17:37,570

Instagram kind of a little more fun but

1650

01:17:43,890 --> 01:17:40,630

I still be witness to send me witnesses

1651
01:17:46,620 --> 01:17:43,900
semi reports everywhere there is a forum

1652
01:17:49,650 --> 01:17:46,630
on the site and then of course the

1653
01:17:51,300 --> 01:17:49,660
website and YouTube so I try to to get

1654
01:17:53,190 --> 01:17:51,310
it out of know those channels and then

1655
01:17:57,650 --> 01:17:53,200
hope that you know folks like you and

1656
01:17:59,760 --> 01:17:57,660
others you know continue to share now

1657
01:18:03,360 --> 01:17:59,770
you say that you get a lot of your

1658
01:18:06,600 --> 01:18:03,370
information from MUFON ru8 I heard it

1659
01:18:08,640 --> 01:18:06,610
was hard to access maybe it's maybe it's

1660
01:18:11,360 --> 01:18:08,650
the the testimony or

1661
01:18:15,420 --> 01:18:11,370
thing are you actually able to access

1662
01:18:18,060 --> 01:18:15,430
information easily on move on there is

1663
01:18:21,540 --> 01:18:18,070

an existing very raw database that you

1664

01:18:24,630 --> 01:18:21,550

can look at but unfortunately you cannot

1665

01:18:27,690 --> 01:18:24,640

follow up with the witnesses and there's

1666

01:18:30,390 --> 01:18:27,700

your missing detail that really can arm

1667

01:18:33,000 --> 01:18:30,400

you and there's a great move on field

1668

01:18:34,380 --> 01:18:33,010

investigators team teams you know all

1669

01:18:38,000 --> 01:18:34,390

around the country that are actively

1670

01:18:41,130 --> 01:18:38,010

investigating cases but as far as

1671

01:18:43,110 --> 01:18:41,140

covering it for the community there's a

1672

01:18:45,600 --> 01:18:43,120

gap right there like so if move funds

1673

01:18:48,480 --> 01:18:45,610

investigating a case for months and it

1674

01:18:51,270 --> 01:18:48,490

never sees the light of day to anybody

1675

01:18:53,370 --> 01:18:51,280

living in the area then we missed that

1676

01:18:55,980 --> 01:18:53,380

chance to get those reports so that's

1677

01:18:57,600 --> 01:18:55,990

how I see my role in helping that's

1678

01:19:00,450 --> 01:18:57,610

helped me help move fun and with fun

1679

01:19:03,360 --> 01:19:00,460

help me think so there is a raw database

1680

01:19:05,040 --> 01:19:03,370

but I don't understand it to be you know

1681

01:19:06,930 --> 01:19:05,050

if I if you're a MUFON investigator you

1682

01:19:10,410 --> 01:19:06,940

really do have special access and

1683

01:19:14,810 --> 01:19:10,420

training and tool kit and all that as

1684

01:19:16,470 --> 01:19:14,820

for as far as I know I see ok what about

1685

01:19:18,060 --> 01:19:16,480

new Fork

1686

01:19:21,240 --> 01:19:18,070

have you ever worked with a Peter

1687

01:19:23,310 --> 01:19:21,250

Davenport in any type of way I it's just

1688

01:19:25,290 --> 01:19:23,320

another wonderful source I'm familiar

1689

01:19:27,540 --> 01:19:25,300

with Peter Davenport and have been

1690

01:19:30,200 --> 01:19:27,550

following along with yeah new Forks a

1691

01:19:34,110 --> 01:19:30,210

great one so I do I go to that regularly

1692

01:19:36,120 --> 01:19:34,120

and this is I feel the case is there and

1693

01:19:38,250 --> 01:19:36,130

are there are a lot of Texas cases

1694

01:19:41,370 --> 01:19:38,260

actually reported there

1695

01:19:43,140 --> 01:19:41,380

not a ton but there's a good amount

1696

01:19:45,660 --> 01:19:43,150

where it's worth you know it's worth

1697

01:19:47,610 --> 01:19:45,670

checking into typically don't see many

1698

01:19:50,220 --> 01:19:47,620

good photos or videos there and and

1699

01:19:52,290 --> 01:19:50,230

similarly it can be hard to get a hold

1700

01:19:55,980 --> 01:19:52,300

of the witness but they do a really

1701
01:19:58,710 --> 01:19:55,990
great job at annotating reports you know

1702
01:20:01,500 --> 01:19:58,720
if they followed up with the witness or

1703
01:20:04,560 --> 01:20:01,510
if they think it's a hoax output might be

1704
01:20:08,160 --> 01:20:04,570
a hoax so that can be really helpful you

1705
01:20:10,740 --> 01:20:08,170
know for an investigator like me yes and

1706
01:20:12,150 --> 01:20:10,750
new Fork is a really good one we have

1707
01:20:14,400 --> 01:20:12,160
someone in the chat room and by the way

1708
01:20:16,610 --> 01:20:14,410
you're welcome to post if you don't want

1709
01:20:18,720 --> 01:20:16,620
to call in you're welcome to post

1710
01:20:20,820 --> 01:20:18,730
questions in the chat room and they were

1711
01:20:23,590 --> 01:20:20,830
talking about some was talking about the

1712
01:20:27,280 --> 01:20:23,600
Aurora incident

1713
01:20:30,640 --> 01:20:27,290

and someone noted wasn't that ended up

1714

01:20:33,910 --> 01:20:30,650

being nothing and I believe I believe he

1715

01:20:36,850 --> 01:20:33,920

possibly oh you disagree you think it is

1716

01:20:40,380 --> 01:20:36,860

something I thought they found from what

1717

01:20:43,300 --> 01:20:40,390

I understand they found some type of

1718

01:20:45,520 --> 01:20:43,310

metals that ended up having to do with

1719

01:20:53,260 --> 01:20:45,530

some type of dirigible that was used

1720

01:20:56,980 --> 01:20:53,270

during that time actually I I actually

1721

01:21:00,310 --> 01:20:56,990

spoke with Bill burns directly about

1722

01:21:03,400 --> 01:21:00,320

that who did UFO Hunters on on that

1723

01:21:06,190 --> 01:21:03,410

particular show they did on that case

1724

01:21:10,510 --> 01:21:06,200

and he said it ends up being you know

1725

01:21:13,600 --> 01:21:10,520

was basically solved I don't know that's

1726

01:21:16,060 --> 01:21:13,610

interesting I hadn't heard that my my

1727

01:21:17,680 --> 01:21:16,070

feeling well this happened so long ago

1728

01:21:20,620 --> 01:21:17,690

that I don't think any of us could

1729

01:21:23,140 --> 01:21:20,630

confidently say what happened I mean

1730

01:21:29,170 --> 01:21:23,150

this is starter back then Roswell so

1731

01:21:30,580 --> 01:21:29,180

this is 18 1977 so none of us know what

1732

01:21:32,500 --> 01:21:30,590

happened that day let's just let's just

1733

01:21:34,360 --> 01:21:32,510

be honest let's just be real

1734

01:21:35,950 --> 01:21:34,370

we don't know what happened at Roswell I

1735

01:21:37,780 --> 01:21:35,960

don't know what happened in 2008 in

1736

01:21:41,770 --> 01:21:37,790

Stephenville Texas we don't know what

1737

01:21:44,080 --> 01:21:41,780

happened in 1887 in Aurora Texas but the

1738

01:21:46,540 --> 01:21:44,090

story goes there was an airship that

1739

01:21:48,700 --> 01:21:46,550

we've seen and this is before planes

1740

01:21:52,780 --> 01:21:48,710

this is before drones this is before

1741

01:21:55,630 --> 01:21:52,790

cars just a little bit before cars so

1742

01:21:57,340 --> 01:21:55,640

there's an airship it hits a windmill

1743

01:21:58,660 --> 01:21:57,350

that without what's disputed later it

1744

01:22:01,840 --> 01:21:58,670

might have been a different landmark

1745

01:22:05,700 --> 01:22:01,850

that it hit it crashes that townspeople

1746

01:22:10,090 --> 01:22:05,710

come they discover a dead alien body

1747

01:22:13,950 --> 01:22:10,100

they bury it there's military comes in

1748

01:22:17,920 --> 01:22:13,960

later and the rest is UFO Hunters right

1749

01:22:20,050 --> 01:22:17,930

and and I mean that sincerely people

1750

01:22:23,290 --> 01:22:20,060

like me trying to figure out the truth

1751

01:22:25,240 --> 01:22:23,300

there was multiple attempts in my

1752

01:22:26,950 --> 01:22:25,250

opinion to debunk this which is a red

1753

01:22:28,750 --> 01:22:26,960

flag to me that something really

1754

01:22:31,540 --> 01:22:28,760

happened there

1755

01:22:33,310 --> 01:22:31,550

there was a story so that's interesting

1756

01:22:36,040 --> 01:22:33,320

that burns would say that because the

1757

01:22:36,370 --> 01:22:36,050

original hoax story was that it was just

1758

01:24:31,420 --> 01:22:36,380

a

1759

01:24:33,160 --> 01:24:31,430

Google there's so much stuff up there

1760

01:24:36,310 --> 01:24:33,170

it's like come on they've they've been

1761

01:24:38,260 --> 01:24:36,320

putting stuff up there way back then and

1762

01:24:41,080 --> 01:24:38,270

if you've ever seen a picture of just

1763

01:24:43,900 --> 01:24:41,090

all the satellites and all that are all

1764

01:24:46,390 --> 01:24:43,910

just hovering around us you know over

1765

01:24:48,190 --> 01:24:46,400

our plate it's just like where I want to

1766

01:24:50,180 --> 01:24:48,200

see the stars again is that just so

1767

01:24:53,370 --> 01:24:50,190

really

1768

01:24:55,290 --> 01:24:53,380

started that's incredible yeah that

1769

01:24:57,780 --> 01:24:55,300

actually makes the case more interesting

1770

01:25:00,990 --> 01:24:57,790

to me that we actually now have a trace

1771

01:25:04,920 --> 01:25:01,000

evidence of an actual crash crash well

1772

01:25:07,460 --> 01:25:04,930

possibly yeah I don't really know bill

1773

01:25:11,010 --> 01:25:07,470

burns I you know you actually do a show

1774

01:25:13,680 --> 01:25:11,020

yeah you do a show basically right or is

1775

01:25:16,920 --> 01:25:13,690

it yeah and is that how does that how

1776

01:25:19,890 --> 01:25:16,930

does that work it's newer today really

1777

01:25:22,320 --> 01:25:19,900

focused on YouTube this year which I had

1778

01:25:24,990 --> 01:25:22,330

not in the past and I have a little help

1779

01:25:27,150 --> 01:25:25,000

with that so the next episode for will

1780

01:25:30,600 --> 01:25:27,160

actually come out this week sometime

1781

01:25:33,660 --> 01:25:30,610

this week and it's the weird UFO show

1782

01:25:36,600 --> 01:25:33,670

have interviews and then also try and

1783

01:25:39,720 --> 01:25:36,610

have fun with it so trying to do the the

1784

01:25:43,380 --> 01:25:39,730

good interviews and also honestly poke a

1785

01:25:44,790 --> 01:25:43,390

little fun at the topic and new at this

1786

01:25:46,620 --> 01:25:44,800

hope to keep getting better and better

1787

01:25:47,760 --> 01:25:46,630

and more more entertaining but I think

1788

01:25:54,690 --> 01:25:47,770

people like it so far

1789

01:25:57,420 --> 01:25:54,700

no it's a lot of fun yeah you too to

1790

01:26:00,210 --> 01:25:57,430

your YouTube channel is called is it

1791

01:26:02,100 --> 01:26:00,220

Texas UFO sightings I know there's so

1792

01:26:04,980 --> 01:26:02,110

many different channels they make you

1793

01:26:07,860 --> 01:26:04,990

create them at different times it's hard

1794

01:26:10,650 --> 01:26:07,870

to keep up with but really everything on

1795

01:26:14,520 --> 01:26:10,660

the sites all the links are on Texas UFO

1796

01:26:16,980 --> 01:26:14,530

sightings or Texas UFOs calm so if you

1797

01:26:19,080 --> 01:26:16,990

want to find me anywhere YouTube Twitter

1798

01:26:22,260 --> 01:26:19,090

Instagram Facebook it's there in that

1799

01:26:24,950 --> 01:26:22,270

navigation okay again anyone's welcome

1800

01:26:28,770 --> 01:26:24,960

to call in that numbers up on the screen

1801

01:26:30,210 --> 01:26:28,780

I'm also going to keep my eyes I'm going

1802

01:26:32,840 --> 01:26:30,220

to look at the chat room see if you'd

1803

01:26:35,700 --> 01:26:32,850

like to post any questions up on there

1804

01:26:37,680 --> 01:26:35,710

just looking you know there are a lot of

1805

01:26:41,550 --> 01:26:37,690

people that seem to have some

1806

01:26:46,620 --> 01:26:41,560

information about about that particular

1807

01:26:48,210 --> 01:26:46,630

Aurora case they would not let the they

1808

01:26:52,260 --> 01:26:48,220

would not let the body be exhumed I know

1809

01:26:54,080 --> 01:26:52,270

that much and there's no marker actually

1810

01:26:57,660 --> 01:26:54,090

I believe there's no marker there or

1811

01:27:00,090 --> 01:26:57,670

write BNE but it was me I think there's

1812

01:27:02,770 --> 01:27:00,100

like a kind more of a historic worker

1813

01:27:06,250 --> 01:27:02,780

like tourist friendly marker

1814

01:27:08,979 --> 01:27:06,260

don't think it's actually in place the

1815

01:27:11,919 --> 01:27:08,989

actual spot that it should be it's my

1816

01:27:13,810 --> 01:27:11,929

understanding and that's another like I

1817

01:27:15,609 --> 01:27:13,820

said Texas is huge and I've been to tons

1818

01:27:18,010 --> 01:27:15,619

of cities in this state inner roars

1819

01:27:20,379 --> 01:27:18,020

woman I actually almost went out there

1820

01:27:22,479 --> 01:27:20,389

they were almost gonna have a Halloween

1821

01:27:24,700 --> 01:27:22,489

of it and then it got canceled but I was

1822

01:27:28,270 --> 01:27:24,710

actually I was gonna I was really

1823

01:27:31,270 --> 01:27:28,280

excited to go check it out for myself I

1824

01:27:34,660 --> 01:27:31,280

know they have a plaque about it oh they

1825

01:27:37,149 --> 01:27:34,670

do yeah is there is that the would you

1826

01:27:41,100 --> 01:27:37,159

call that the earliest case known case

1827

01:27:42,339 --> 01:27:41,110

in Texas that you're aware of in Texas

1828

01:27:45,100 --> 01:27:42,349

probably

1829

01:27:46,450 --> 01:27:45,110

well maybe the Marfa lights Oh they've

1830

01:27:49,810 --> 01:27:46,460

been talking about that back before then

1831

01:27:52,660 --> 01:27:49,820

yeah I mean I know as far as I mean

1832

01:27:55,689 --> 01:27:52,670

worldwide you can go back to the the

1833

01:27:58,779 --> 01:27:55,699

Bible in ancient texts but in Texas as

1834

01:28:01,510 --> 01:27:58,789

far as like a documented case I would

1835

01:28:05,169 --> 01:28:01,520

say yeah that's a fair statement and

1836

01:28:08,080 --> 01:28:05,179

what does I think was it they're a full

1837

01:28:15,760 --> 01:28:08,090

fighter like a full fighter case in

1838

01:28:18,279 --> 01:28:15,770

Texas there was so there was yes it felt

1839

01:28:22,029 --> 01:28:18,289

it was an ear I think it I believe it

1840

01:28:24,549 --> 01:28:22,039

was following a plane so I think there

1841

01:28:26,859 --> 01:28:24,559

yes I think there was a glowing orb that

1842

01:28:31,479 --> 01:28:26,869

it was essentially pacing a plane you're

1843

01:28:33,129 --> 01:28:31,489

very typical Foo Fighter definition that

1844

01:28:36,250 --> 01:28:33,139

you heard of but obviously not during

1845

01:28:38,529 --> 01:28:36,260

wartime and I'm having trouble

1846

01:28:41,799 --> 01:28:38,539

remembering what year that was an

1847

01:28:47,379 --> 01:28:41,809

obviously seen in the sky so you know

1848

01:28:51,040 --> 01:28:47,389

city it would hard to say but over Texas

1849

01:28:53,080 --> 01:28:51,050

and so you can't really remember much as

1850

01:28:58,209 --> 01:28:53,090

far as the details go in that in that

1851

01:29:02,700 --> 01:28:58,219

particular one yeah do you happen to

1852

01:29:06,220 --> 01:29:02,710

know if it was a commercial airline or

1853

01:29:07,810 --> 01:29:06,230

that much about it I think it was I

1854

01:29:09,490 --> 01:29:07,820

think it was like just a normal

1855

01:29:11,919 --> 01:29:09,500

commercial plane there was nothing odd

1856

01:29:13,870 --> 01:29:11,929

about the plane I can see the picture I

1857

01:29:17,300 --> 01:29:13,880

can see it in my head

1858

01:29:20,330 --> 01:29:17,310

it's just the the glowing that ball of

1859

01:29:21,710 --> 01:29:20,340

light that white ball of light that you

1860

01:29:23,780 --> 01:29:21,720

know is oddly enough it's kind of

1861

01:29:25,430 --> 01:29:23,790

reminds me of the earthquake lights and

1862

01:29:26,900 --> 01:29:25,440

some of that more organic phenomenon

1863

01:29:29,690 --> 01:29:26,910

that we talked about but there's clearly

1864

01:29:32,600 --> 01:29:29,700

something intelligent yeah that's what's

1865

01:29:36,350 --> 01:29:32,610

hard too hard to perceive what these

1866

01:29:38,480 --> 01:29:36,360

things can be and there was as far as

1867

01:29:41,180 --> 01:29:38,490

the Foo Fighters reported you know

1868

01:29:44,360 --> 01:29:41,190

during World War two you know they had

1869

01:29:46,190 --> 01:29:44,370

there were some reports of them saying

1870

01:29:48,950 --> 01:29:46,200

something similar you know like it

1871

01:29:53,300 --> 01:29:48,960

seemed to be you know reacting to what

1872

01:29:56,570 --> 01:29:53,310

we were doing type of thing yeah so I

1873

01:29:58,520 --> 01:29:56,580

find that really fascinating and that's

1874

01:30:04,700 --> 01:29:58,530

you know just before what we call the

1875

01:30:07,610 --> 01:30:04,710

modern UFO era yeah we're yeah modern

1876

01:30:10,280 --> 01:30:07,620

UFO era is it's the best one to be in

1877

01:30:14,260 --> 01:30:10,290

yeah yeah

1878

01:30:17,600 --> 01:30:14,270

so after Roswell they started seeing

1879

01:30:20,510 --> 01:30:17,610

flaps all over the country in the fort

1880

01:30:22,960 --> 01:30:20,520

late 40s early 50s really strong what

1881

01:30:26,510 --> 01:30:22,970

was it like in Texas weather sightings

1882

01:30:28,730 --> 01:30:26,520

active at that point yeah so to appear

1883

01:30:30,620 --> 01:30:28,740

so so we really we talked about them

1884

01:30:32,660 --> 01:30:30,630

since the level end and Lubbock lights

1885

01:30:35,500 --> 01:30:32,670

were some of the ones that happened

1886

01:30:39,190 --> 01:30:35,510

shortly after Roswell and you're right

1887

01:30:42,710 --> 01:30:39,200

really around the country if you look at

1888

01:30:46,310 --> 01:30:42,720

you have the history of UFO crashes of

1889

01:30:48,830 --> 01:30:46,320

aliens crashing here there's quite a

1890

01:30:50,210 --> 01:30:48,840

long history and there's there's a right

1891

01:30:52,730 --> 01:30:50,220

there appears to be some rhyme or reason

1892

01:30:55,700 --> 01:30:52,740

it's not happening randomly you had that

1893

01:30:57,800 --> 01:30:55,710

wave in the 40s 50s that seemed to be

1894

01:31:00,800 --> 01:30:57,810

similar in Texas at different parts of

1895

01:31:02,780 --> 01:31:00,810

the world like the caller said these are

1896

01:31:05,780 --> 01:31:02,790

top-secret craft why are they all over

1897

01:31:08,890 --> 01:31:05,790

the world and looking similar there

1898

01:31:13,190 --> 01:31:08,900

seemed to be another wave in the 70s

1899

01:31:16,670 --> 01:31:13,200

not so much in Texas but again in the

1900

01:31:19,780 --> 01:31:16,680

80s we talked about the cash linndrum

1901

01:31:23,150 --> 01:31:19,790

and snap but I want to say there were

1902

01:31:24,620 --> 01:31:23,160

there was another prominent 80s case and

1903

01:31:26,359 --> 01:31:24,630

there were others in other parts of the

1904

01:31:28,879 --> 01:31:26,369

country

1905

01:31:31,520 --> 01:31:28,889

and you had that Phoenix lights wave in

1906

01:31:34,180 --> 01:31:31,530

the 90s said this like every decade kind

1907

01:31:36,439 --> 01:31:34,190

of had like a little five year span

1908

01:31:38,300 --> 01:31:36,449

where these things are coming down and

1909

01:31:42,580 --> 01:31:38,310

they seem to disappear for a while

1910

01:31:46,430 --> 01:31:42,590

right right so Bobby just put on the

1911

01:31:48,550 --> 01:31:46,440

chat room he usually calls in I was

1912

01:31:53,240 --> 01:31:48,560

trying to get him to call in but anyway

1913

01:31:55,879 --> 01:31:53,250

he writes at an air-source an Air Force

1914

01:31:59,240 --> 01:31:55,889

are b-47 surveillance airplane

1915

01:32:02,140 --> 01:31:59,250

encountered a luminous flying disc this

1916

01:32:04,790 --> 01:32:02,150

I guess this was 1957 over Fort Worth

1917

01:32:06,560 --> 01:32:04,800

have you okay do you know that one or

1918

01:32:09,550 --> 01:32:06,570

the fighter incident

1919

01:32:12,379 --> 01:32:09,560

oh maybe that's what he's talking about

1920

01:32:14,570 --> 01:32:12,389

that might be it actually the luminous

1921

01:32:16,250 --> 01:32:14,580

disc you said it was an orb that might

1922

01:32:20,720 --> 01:32:16,260

be what I was thinking of then I'm

1923

01:32:23,240 --> 01:32:20,730

wondering I see it might be yes of the

1924

01:32:26,000 --> 01:32:23,250

50s I don't know what was I mean not

1925

01:32:29,209 --> 01:32:26,010

just in Texas but in other in other

1926

01:32:31,580 --> 01:32:29,219

parts of the country as well okay so we

1927

01:32:33,740 --> 01:32:31,590

have after Roswell mm-hmm we have a

1928

01:32:36,010 --> 01:32:33,750

caller caller how you doing your first

1929

01:32:39,020 --> 01:32:36,020

name where you calling from

1930

01:32:52,760 --> 01:32:39,030

it is buck me Bobby I just asked your

1931

01:32:55,820 --> 01:32:52,770

question is that where you call it 50 70

1932

01:32:57,740 --> 01:32:55,830

47 so are b-47 surveillance airplanes I

1933

01:33:01,850 --> 01:32:57,750

had all kinds of surveillance equipment

1934

01:33:03,800 --> 01:33:01,860

on it for receiving radio signals and

1935

01:33:05,810 --> 01:33:03,810

radar detector and stuff and they follow

1936

01:33:09,919 --> 01:33:05,820

the illumina spline discs over Fort

1937

01:33:11,660 --> 01:33:09,929

Worth in 1957 for quite some time it was

1938

01:33:12,859 --> 01:33:11,670

like our over an hour I think they

1939

01:33:14,439 --> 01:33:12,869

followed this thing is pretty famous

1940

01:33:18,979 --> 01:33:14,449

case it easy to find

1941

01:33:22,339 --> 01:33:18,989

mm-hmm how about that that's that's a

1942

01:33:24,919 --> 01:33:22,349

1940 7th of the same year as Roswell I'm

1943

01:33:26,450 --> 01:33:24,929

sorry it was in the RB 47 which is the

1944

01:33:29,600 --> 01:33:26,460

type of flame that it was was a military

1945

01:33:31,189 --> 01:33:29,610

plane and it was in 1957 and if I

1946

01:33:34,220 --> 01:33:31,199

remember correctly they're coming in off

1947

01:33:35,689 --> 01:33:34,230

the Gulf and heading north and they

1948

01:33:37,280 --> 01:33:35,699

actually followed this disc that could

1949

01:33:40,640 --> 01:33:37,290

actually see it was a luminous disc and

1950

01:33:42,470 --> 01:33:40,650

the disc actually went down low

1951

01:33:43,880 --> 01:33:42,480

maybe a few hundred feet off the ground

1952

01:33:46,070 --> 01:33:43,890

and they actually followed it for quite

1953

01:33:47,560 --> 01:33:46,080

some time it didn't try to evade them or

1954

01:33:49,730 --> 01:33:47,570

do anything at state where they could

1955

01:33:51,620 --> 01:33:49,740

they couldn't actually catch up to it

1956

01:33:54,440 --> 01:33:51,630

but the state within distance where they

1957

01:34:00,230 --> 01:33:54,450

could actually watch it it was an Edward

1958

01:34:01,340 --> 01:34:00,240

Condon's book in 1969 yeah that's

1959

01:34:04,160 --> 01:34:01,350

actually a little different than this

1960

01:34:09,590 --> 01:34:04,170

infighter one that I had was recalling I

1961

01:34:11,210 --> 01:34:09,600

think doesn't it look I don't know did

1962

01:34:19,010 --> 01:34:11,220

they actually get photos or videos from

1963

01:34:21,650 --> 01:34:19,020

that yeah yeah that's one I don't recall

1964

01:34:23,210 --> 01:34:21,660

seeing any any photos or videos for

1965

01:34:25,550 --> 01:34:23,220

where is the other one

1966

01:34:30,860 --> 01:34:25,560

so yeah they must have kept a tight lid

1967

01:34:32,240 --> 01:34:30,870

but yeah yeah I found that yeah just so

1968

01:34:34,280 --> 01:34:32,250

you know I've been following you for a

1969

01:34:36,230 --> 01:34:34,290

while on Twitter you actually have a

1970

01:34:41,410 --> 01:34:36,240

really good knack at finding interesting

1971

01:34:46,180 --> 01:34:44,090

appreciate it thanks for coming good

1972

01:34:49,060 --> 01:34:46,190

night all right Bobby thanks to the call

1973

01:34:53,960 --> 01:34:49,070

you're welcome I've never actually

1974

01:34:57,230 --> 01:34:53,970

figured out how to use Twitter I mean I

1975

01:34:59,060 --> 01:34:57,240

you just type and I know I mean I I

1976

01:35:00,740 --> 01:34:59,070

actually use Twitter as far as it's

1977

01:35:03,680 --> 01:35:00,750

connected to my Facebook page and all

1978

01:35:05,690 --> 01:35:03,690

that but I don't know how to like how

1979

01:35:07,700 --> 01:35:05,700

I'd see someone's stuff on Twitter I

1980

01:35:13,640 --> 01:35:07,710

guess chef do you set up alerts or

1981

01:35:15,380 --> 01:35:13,650

something I'm sure yeah it's so fast and

1982

01:35:17,780 --> 01:35:15,390

people are just tweeting all the time

1983

01:35:19,850 --> 01:35:17,790

and if you lot see that you have to be

1984

01:35:22,640 --> 01:35:19,860

in there I find there's really good

1985

01:35:25,370 --> 01:35:22,650

conversations about UFO sightings

1986

01:35:28,600 --> 01:35:25,380

happening there and even UFOs being

1987

01:35:32,920 --> 01:35:28,610

reported there so I try to embed myself

1988

01:35:35,330 --> 01:35:32,930

wherever the conversation is now and

1989

01:35:37,700 --> 01:35:35,340

yeah if you don't mind me saying this

1990

01:35:41,450 --> 01:35:37,710

you're young ish I would say you're

1991

01:35:43,820 --> 01:35:41,460

young ish and there's doesn't seem to be

1992

01:35:46,220 --> 01:35:43,830

a lot of you know younger people you

1993

01:35:47,480 --> 01:35:46,230

know I hope I'm not offending too many

1994

01:35:49,190 --> 01:35:47,490

people out there that are young they're

1995

01:35:52,910 --> 01:35:49,200

actually listening doesn't just seem

1996

01:35:55,580 --> 01:35:52,920

like there's a whole lot of younger

1997

01:36:00,050 --> 01:35:55,590

interested in the topic am I wrong about

1998

01:36:04,760 --> 01:36:00,060

that so yes and no so let's say as far

1999

01:36:07,580 --> 01:36:04,770

as the UFO researchers and hosts it's

2000

01:36:10,640 --> 01:36:07,590

that's probably there's probably a gap

2001

01:36:16,520 --> 01:36:10,650

there but I would say that there is a

2002

01:36:19,310 --> 01:36:16,530

huge community youthful community that

2003

01:36:21,890 --> 01:36:19,320

is interested in UFOs and I would say

2004

01:36:25,280 --> 01:36:21,900

beyond interested like they take them as

2005

01:36:27,500 --> 01:36:25,290

real and are not even asking anymore if

2006

01:36:28,910 --> 01:36:27,510

they're real if aliens or UFOs are real

2007

01:36:32,300 --> 01:36:28,920

or if they're visiting so there's a

2008

01:36:35,570 --> 01:36:32,310

really growing big young population

2009

01:36:38,840 --> 01:36:35,580

right now that I think that we have to

2010

01:36:42,500 --> 01:36:38,850

pass the torch to so I'd say yes up

2011

01:36:43,910 --> 01:36:42,510

until now and and who's established yes

2012

01:36:47,030 --> 01:36:43,920

they're gonna be those authoritative

2013

01:36:49,880 --> 01:36:47,040

people that had military contacts back

2014

01:36:51,770 --> 01:36:49,890

in the day so you're talking about how

2015

01:36:55,790 --> 01:36:51,780

this topic is becoming more mainstream

2016

01:36:58,190 --> 01:36:55,800

and that that almost seems like a TMZ

2017

01:37:02,210 --> 01:36:58,200

article Alejandro Alejandro was sharing

2018

01:37:04,070 --> 01:37:02,220

earlier and so as it becomes more

2019

01:37:07,010 --> 01:37:04,080

popular in mainstream I think you're

2020

01:37:09,920 --> 01:37:07,020

gonna start seeing younger people take

2021

01:37:12,200 --> 01:37:09,930

up the torch and and and start to blog

2022

01:37:14,750 --> 01:37:12,210

about it more and that sort of thing

2023

01:37:17,240 --> 01:37:14,760

yeah I would say there's kind of a gap

2024

01:37:20,630 --> 01:37:17,250

between the older crowd and the super

2025

01:37:23,150 --> 01:37:20,640

young crowd right now well you know you

2026

01:37:27,290 --> 01:37:23,160

talk about like social media that's

2027

01:37:29,840 --> 01:37:27,300

really plays a big role in today and

2028

01:37:32,600 --> 01:37:29,850

what's happening locally you know I mean

2029

01:37:34,430 --> 01:37:32,610

there are Facebook sites for like you

2030

01:37:36,470 --> 01:37:34,440

have the one for Texas and there are

2031

01:37:39,320 --> 01:37:36,480

four regionally for a lot of different

2032

01:37:44,110 --> 01:37:39,330

ones but also you know it's a pretty

2033

01:37:46,520 --> 01:37:44,120

pretty hot topic on Facebook and that's

2034

01:37:50,510 --> 01:37:46,530

basically the only place I really go to

2035

01:37:52,880 --> 01:37:50,520

see anything I know there's I saw you do

2036

01:37:54,240 --> 01:37:52,890

Instagram and I don't understand any of

2037

01:37:56,730 --> 01:37:54,250

that stuff I just

2038

01:37:59,010 --> 01:37:56,740

I don't know how that actually works so

2039

01:38:02,310 --> 01:37:59,020

I just try to be wherever the people are

2040

01:38:04,830 --> 01:38:02,320

yeah yeah but I mean you think the role

2041

01:38:09,290 --> 01:38:04,840

is gonna just keep playing more and more

2042

01:38:13,110 --> 01:38:09,300

into the UFO field of social medias I

2043

01:38:16,530 --> 01:38:13,120

think with the government so active in

2044

01:38:19,950 --> 01:38:16,540

this now and pushing it it's gonna

2045

01:38:22,440 --> 01:38:19,960

create just endless turn of things to

2046

01:38:23,910 --> 01:38:22,450

talk about it it's just gonna keep the

2047

01:38:26,370 --> 01:38:23,920

conversations gonna keep getting bigger

2048

01:38:29,550 --> 01:38:26,380

and bigger and more complex and more

2049

01:38:30,600 --> 01:38:29,560

inclusive yes I mean yes so yes I think

2050

01:38:33,330 --> 01:38:30,610

more and more people are gonna

2051

01:38:35,460 --> 01:38:33,340

participate in it it's gonna evolve the

2052

01:38:38,850 --> 01:38:35,470

conversation I think maybe for the first

2053

01:38:41,640 --> 01:38:38,860

time will actually start to evolve in my

2054

01:38:43,200 --> 01:38:41,650

opinion we've been talking about the UFO

2055

01:38:46,830 --> 01:38:43,210

community he's been talking about old

2056

01:38:49,260 --> 01:38:46,840

cases for a long time and still trying

2057

01:38:54,090 --> 01:38:49,270

to make the case that they're real and I

2058

01:38:56,790 --> 01:38:54,100

think maybe the younger people who grew

2059

01:39:00,240 --> 01:38:56,800

up just believing they're real they're

2060

01:39:02,550 --> 01:39:00,250

beyond that so it's gonna be about what

2061

01:39:04,920 --> 01:39:02,560

are you seeing in the sky overhead right

2062

01:39:06,630 --> 01:39:04,930

now what are you seeing in your

2063

01:39:10,050 --> 01:39:06,640

neighborhood what do you just personally

2064

01:39:13,140 --> 01:39:10,060

believe what if you experienced versus

2065

01:39:15,000 --> 01:39:13,150

what happened in Roswell in 1947 what's

2066

01:39:16,590 --> 01:39:15,010

happening right now today because this

2067

01:39:19,740 --> 01:39:16,600

is a real thing that's happening in

2068

01:39:22,520 --> 01:39:19,750

front of us today now have you yourself

2069

01:39:24,900 --> 01:39:22,530

or your husband ever had a sighting

2070

01:39:27,950 --> 01:39:24,910

there's one time when I think I saw

2071

01:39:30,840 --> 01:39:27,960

triangle UFO and it was funny because I

2072

01:39:33,360 --> 01:39:30,850

almost like couldn't believe it you know

2073

01:39:35,670 --> 01:39:33,370

even though I was seeing it I was like

2074

01:39:38,100 --> 01:39:35,680

even debunking it as it was happening

2075

01:39:40,470 --> 01:39:38,110

and I didn't even get I didn't even film

2076

01:39:42,180 --> 01:39:40,480

it like here yeah yeah I understand I

2077

01:39:44,880 --> 01:39:42,190

didn't and I cuz I just wanted to

2078

01:39:49,440 --> 01:39:44,890

analyze it and I just but I do believe

2079

01:39:52,650 --> 01:39:49,450

that I saw a triangle drone of some kind

2080

01:39:55,110 --> 01:39:52,660

for whatever reason I don't seem to have

2081

01:39:56,580 --> 01:39:55,120

experiences or see things I do think

2082

01:39:58,920 --> 01:39:56,590

there are people that are prone to

2083

01:40:03,060 --> 01:39:58,930

having those they may be more open to

2084

01:40:06,420 --> 01:40:03,070

them than I am I think that I enjoy the

2085

01:40:07,290 --> 01:40:06,430

objective reporter role and by not

2086

01:40:11,670 --> 01:40:07,300

seeing things

2087

01:40:14,840 --> 01:40:11,680

it does help a bit I can remain a little

2088

01:40:18,420 --> 01:40:14,850

more skeptical when needed and learn

2089

01:40:24,300 --> 01:40:18,430

versus projecting too much of my own I

2090

01:40:26,070 --> 01:40:24,310

guess experiences onto things so I I

2091

01:40:29,700 --> 01:40:26,080

understand exactly what you're saying

2092

01:40:32,250 --> 01:40:29,710

about you know when I had the sighting

2093

01:40:33,450 --> 01:40:32,260

that I had I would have never if I had a

2094

01:40:35,790 --> 01:40:33,460

camera right next to me I would have

2095

01:40:38,730 --> 01:40:35,800

never even thought to pick it up I mean

2096

01:40:40,980 --> 01:40:38,740

you're just like in the moment in like

2097

01:40:43,230 --> 01:40:40,990

what the heck you know type of thing so

2098

01:40:46,110 --> 01:40:43,240

you think about all those type of things

2099

01:40:48,180 --> 01:40:46,120

afterwards I didn't have a camera nearby

2100

01:40:49,920 --> 01:40:48,190

yeah that's what a lot of skeptics will

2101

01:40:52,200 --> 01:40:49,930

say they're like well this was such a

2102

01:40:53,610 --> 01:40:52,210

huge UFO and it was in the middle of

2103

01:40:54,840 --> 01:40:53,620

city where's all the video

2104

01:40:58,250 --> 01:40:54,850

well where's all the videos of the

2105

01:41:02,070 --> 01:40:58,260

Phoenix lights there's not that many

2106

01:41:04,050 --> 01:41:02,080

cases there's not that many videos even

2107

01:41:05,820 --> 01:41:04,060

the ones we know happened you go try to

2108

01:41:09,540 --> 01:41:05,830

take a video of a plane at night a

2109

01:41:12,210 --> 01:41:09,550

commercial play a giant aircraft that we

2110

01:41:14,430 --> 01:41:12,220

know exists you can identify take a

2111

01:41:16,410 --> 01:41:14,440

nighttime video especially with an

2112

01:41:20,400 --> 01:41:16,420

Instagram vertical Instagram story

2113

01:41:22,500 --> 01:41:20,410

forget it it's gonna look crappy even if

2114

01:41:24,960 --> 01:41:22,510

you do get it so there's a big myth that

2115

01:41:26,700 --> 01:41:24,970

if there's some really obvious alien

2116

01:41:29,100 --> 01:41:26,710

spaceship up there that we're all gonna

2117

01:41:31,500 --> 01:41:29,110

be posting videos and and that's not

2118

01:41:35,730 --> 01:41:31,510

just not really the case far as the

2119

01:41:38,340 --> 01:41:35,740

Phoenix lights go there's only I think

2120

01:41:41,520 --> 01:41:38,350

there's only like one known video that

2121

01:41:43,740 --> 01:41:41,530

was actually that and then the rest of

2122

01:41:46,730 --> 01:41:43,750

the videos were taken of the the

2123

01:41:49,170 --> 01:41:46,740

military flares that went up later I

2124

01:41:51,810 --> 01:41:49,180

call those the cover-up flares

2125

01:41:55,590 --> 01:41:51,820

I don't know I'm sure that's what they

2126

01:41:57,600 --> 01:41:55,600

were that's a that's where mine was

2127

01:41:59,820 --> 01:41:57,610

going I kind of didn't almost want to

2128

01:42:03,510 --> 01:41:59,830

say it but yeah yeah that that's

2129

01:42:06,840 --> 01:42:03,520

ridiculous yeah everyone was seeing this

2130

01:42:09,330 --> 01:42:06,850

thing and so what a perfect idea to do

2131

01:42:13,170 --> 01:42:09,340

that go out and do the flares and now

2132

01:42:15,330 --> 01:42:13,180

you have a story and we just talked

2133

01:42:19,380 --> 01:42:15,340

about the roar a Texas incident and yeah

2134

01:42:26,910 --> 01:42:22,980

and you know there you go yeah yeah I

2135

01:42:29,700 --> 01:42:26,920

when I talked to Peter Davenport a month

2136

01:42:32,190 --> 01:42:29,710

or two ago he was talking I know where

2137

01:42:35,580 --> 01:42:32,200

we're supposed to be talking about Texas

2138

01:42:37,380 --> 01:42:35,590

but anyway I cover it all by the way I

2139

01:42:40,710 --> 01:42:37,390

cover all the national stuff all the

2140

01:42:43,530 --> 01:42:40,720

shows interviews with you know the Nick

2141

01:42:45,120 --> 01:42:43,540

Redfern and Michael horn and got a cool

2142

01:42:48,080 --> 01:42:45,130

one coming up so yeah it's all it's all

2143

01:42:52,170 --> 01:42:48,090

fair game oh you had Michael horn on Wow

2144

01:42:54,140 --> 01:42:52,180

you're a brave woman I've interviewed

2145

01:42:57,930 --> 01:42:54,150

him a few times it's a fun conversation

2146

01:42:59,400 --> 01:42:57,940

as you know yes a lot of people there's

2147

01:43:02,670 --> 01:42:59,410

a lot of controversy yeah absolutely

2148

01:43:10,110 --> 01:43:06,720

so anyway even Peter Davenport was very

2149

01:43:13,020 --> 01:43:10,120

active during the Phoenix lights taking

2150

01:43:16,710 --> 01:43:13,030

in reports as it was happening and he

2151

01:43:20,550 --> 01:43:16,720

one of his callers suggested that craft

2152

01:43:24,030 --> 01:43:20,560

that he saw was at least eight miles

2153

01:43:26,720 --> 01:43:24,040

wide you know isn't that crazy I mean I

2154

01:43:31,320 --> 01:43:26,730

that's the first time I had heard that

2155

01:43:33,870 --> 01:43:31,330

Wow been a UFO researcher in 97 I was

2156

01:43:35,270 --> 01:43:33,880

not eat oh yes I'm doing the site bike

2157

01:43:39,500 --> 01:43:35,280

then that would have been cool

2158

01:43:43,140 --> 01:43:39,510

especially Tiffin in Arizona at the time

2159

01:43:46,320 --> 01:43:43,150

yeah hopefully we will there be other

2160

01:43:47,820 --> 01:43:46,330

mass sightings you know where I think a

2161

01:43:51,390 --> 01:43:47,830

mass sighting today would be definitely

2162

01:43:55,050 --> 01:43:51,400

you've mentioned the pentagon story

2163

01:43:57,480 --> 01:43:55,060

coming out and last I think that since

2164

01:44:00,300 --> 01:43:57,490

that people going to take it a lot more

2165

01:44:03,420 --> 01:44:00,310

seriously you know if they have a mass

2166

01:44:06,930 --> 01:44:03,430

sighting well in it and we talked about

2167

01:44:09,990 --> 01:44:06,940

all the things that we're putting up

2168

01:44:12,720 --> 01:44:10,000

into the sky right now got you on musk

2169

01:44:15,870 --> 01:44:12,730

sending up all these rockets

2170

01:44:18,960 --> 01:44:15,880

he sent up a rocket shortly after the

2171

01:44:21,600 --> 01:44:18,970

Pentagon story with little warning if

2172

01:44:24,720 --> 01:44:21,610

people recall and it caused a mass UFO

2173

01:44:29,400 --> 01:44:24,730

panic right and I thought the timing of

2174

01:44:32,280 --> 01:44:29,410

that was we have Elon Musk's Indian

2175

01:44:32,939 --> 01:44:32,290

Rockets we have all all this stuff going

2176

01:44:37,259 --> 01:44:32,949

on in our

2177

01:44:44,790 --> 01:44:37,269

guys there's a lot of confusion right

2178

01:44:47,339 --> 01:44:44,800

now right it's a lot so there was a

2179

01:44:49,739 --> 01:44:47,349

Norwegian if anyone got looks online

2180

01:44:53,459 --> 01:44:49,749

there's an incredible UFO Norwegian

2181

01:44:56,669 --> 01:44:53,469

spiral UFO and that ended up being a

2182

01:44:59,430 --> 01:44:56,679

failed Russian missile launch and those

2183

01:45:02,879 --> 01:44:59,440

in the upper atmosphere and they

2184

01:45:07,080 --> 01:45:02,889

absolutely look incredible and

2185

01:45:09,239 --> 01:45:07,090

unexplainable so I totally get word yeah

2186

01:45:11,430 --> 01:45:09,249

so I understand when something like that

2187

01:45:13,379 --> 01:45:11,440

happens you know you're gonna get all

2188

01:45:16,290 --> 01:45:13,389

these people witnessing something crazy

2189

01:45:18,870 --> 01:45:16,300

that's actually has an answer to it and

2190

01:45:21,750 --> 01:45:18,880

that's that is the I don't want to say

2191

01:45:24,239 --> 01:45:21,760

the problem but that is you know

2192

01:45:27,299 --> 01:45:24,249

something to consider that whatever it

2193

01:45:30,270 --> 01:45:27,309

is 80 some odd percent of these UFOs

2194

01:45:32,699 --> 01:45:30,280

have an answer you know that these

2195

01:45:35,790 --> 01:45:32,709

people see and then the the issue a lot

2196

01:45:38,040 --> 01:45:35,800

of times people don't want to let go of

2197

01:45:40,439 --> 01:45:38,050

their their story

2198

01:45:43,020 --> 01:45:40,449

you know when they find out it's a real

2199

01:45:45,569 --> 01:45:43,030

phenomena are there any cases in Texas

2200

01:45:48,629 --> 01:45:45,579

that you can think of that or that

2201

01:45:49,739 --> 01:45:48,639

you've actually figured out while you

2202

01:45:52,020 --> 01:45:49,749

were doing research that it was

2203

01:45:54,449 --> 01:45:52,030

sometimes I would say that's more common

2204

01:45:55,799 --> 01:45:54,459

is this the debunking and what are the

2205

01:45:59,850 --> 01:45:55,809

kind of more interesting ones though

2206

01:46:04,620 --> 01:45:59,860

that maybe we solved is there is a case

2207

01:46:07,140 --> 01:46:04,630

I think it's 2017 in San Antonio what

2208

01:46:11,430 --> 01:46:07,150

looked like a craft crashing just

2209

01:46:13,890 --> 01:46:11,440

crashing multiple reports to me I mean

2210

01:46:16,890 --> 01:46:13,900

it was I was inundated I think the local

2211

01:46:18,290 --> 01:46:16,900

news was as well I reported on it people

2212

01:46:21,660 --> 01:46:18,300

are pretty adamant

2213

01:46:25,859 --> 01:46:21,670

there was a plane or something crashing

2214

01:46:28,830 --> 01:46:25,869

huge smoky cloud and I got some

2215

01:46:31,439 --> 01:46:28,840

meteorologists to help and they really

2216

01:46:37,830 --> 01:46:31,449

and some people who worked at the

2217

01:46:40,620 --> 01:46:37,840

airport and they debunked it as a jet

2218

01:46:43,620 --> 01:46:40,630

with a contrail that looked really funky

2219

01:46:46,379 --> 01:46:43,630

in the Sun now I'm still not completely

2220

01:46:50,250 --> 01:46:46,389

convinced about that but

2221

01:46:53,549 --> 01:46:50,260

their credit that can look crazy a jet

2222

01:46:56,279 --> 01:46:53,559

with a contrail with the sun shining on

2223

01:46:58,169 --> 01:46:56,289

it at just the oddest way can look

2224

01:47:00,239 --> 01:46:58,179

really crazy and I did see some other

2225

01:47:02,159 --> 01:47:00,249

videos where you would I could see

2226

01:47:06,290 --> 01:47:02,169

panicking and thinking something was

2227

01:47:10,709 --> 01:47:06,300

crashing so I mean everything from

2228

01:47:13,020 --> 01:47:10,719

Chinese lanterns to lens flares I if you

2229

01:47:17,939 --> 01:47:13,030

send me a lens flare I'm not gonna post

2230

01:47:20,399 --> 01:47:17,949

it I'm sorry but there are some photos

2231

01:47:22,290 --> 01:47:20,409

that look like lens flares though where

2232

01:47:26,790 --> 01:47:22,300

people say they see with their naked eye

2233

01:47:28,709 --> 01:47:26,800

so it's you know just a case-by-case but

2234

01:47:32,459 --> 01:47:28,719

I would say just like you're saying 80%

2235

01:47:34,250 --> 01:47:32,469

there's usually those don't make it to

2236

01:47:38,069 --> 01:47:34,260

the light of day on the site hopefully

2237

01:47:40,739 --> 01:47:38,079

but yeah I would say most mostly there's

2238

01:47:43,319 --> 01:47:40,749

usually I have an explanation going into

2239

01:47:46,199 --> 01:47:43,329

it and can kind of roughly determine or

2240

01:47:49,020 --> 01:47:46,209

conclude as time goes on

2241

01:47:51,359 --> 01:47:49,030

and I try to update it when I really

2242

01:47:53,370 --> 01:47:51,369

know for sure I will go back and I will

2243

01:47:55,469 --> 01:47:53,380

update that story for people so there's

2244

01:47:58,290 --> 01:47:55,479

that record doesn't just go away but we

2245

01:48:00,659 --> 01:47:58,300

can learn from it all right now so

2246

01:48:04,259 --> 01:48:00,669

explain how it happens when someone

2247

01:48:06,060 --> 01:48:04,269

actually directly reports UFO to you

2248

01:48:09,989 --> 01:48:06,070

instead of one of the sites huh how do

2249

01:48:14,399 --> 01:48:09,999

you handle that yes so it just really

2250

01:48:16,649 --> 01:48:14,409

depends on the case so I like to you

2251

01:48:19,350 --> 01:48:16,659

know get what information I can from the

2252

01:48:21,929 --> 01:48:19,360

witness whatever details I can I really

2253

01:48:24,389 --> 01:48:21,939

like to get it to the community so I

2254

01:48:25,889 --> 01:48:24,399

will report on old cases and I you know

2255

01:48:28,379 --> 01:48:25,899

I have articles up about the cash

2256

01:48:30,600 --> 01:48:28,389

Landrum incident and everything my

2257

01:48:33,330 --> 01:48:30,610

approach and I'm just gonna hold this

2258

01:48:35,069 --> 01:48:33,340

this earphone for this year I'm watching

2259

01:48:36,270 --> 01:48:35,079

a YouTube and get see how awkward I look

2260

01:48:41,219 --> 01:48:36,280

it's just been falling out of my ears

2261

01:48:43,350 --> 01:48:41,229

before I like to get things in front of

2262

01:48:46,350 --> 01:48:43,360

the community as soon as possible

2263

01:48:49,679 --> 01:48:46,360

because that's been the most beneficial

2264

01:48:52,199 --> 01:48:49,689

is when I can trigger other witnesses to

2265

01:48:55,259 --> 01:48:52,209

say they saw this or they have video too

2266

01:48:57,989 --> 01:48:55,269

or they have photos too because then we

2267

01:49:00,250 --> 01:48:57,999

can add to the case I think if you miss

2268

01:49:02,560 --> 01:49:00,260

that window when these incidences

2269

01:49:04,779 --> 01:49:02,570

really happening and so that's really

2270

01:49:07,660 --> 01:49:04,789

been my approaches I'm a quick writer

2271

01:49:10,209 --> 01:49:07,670

quick reporter investigator so I've

2272

01:49:13,120 --> 01:49:10,219

tried to do a good job at documenting

2273

01:49:15,009 --> 01:49:13,130

really as many of the quality cases I

2274

01:49:18,040 --> 01:49:15,019

can whether they come in to me directly

2275

01:49:19,299 --> 01:49:18,050

or elsewhere so that other investigators

2276

01:49:20,080 --> 01:49:19,309

sometimes like we talked about the out

2277

01:49:22,509 --> 01:49:20,090

there Channel

2278

01:49:24,970 --> 01:49:22,519

super helpful Paul's real helpful I

2279

01:49:28,060 --> 01:49:24,980

consider him it's almost like should I

2280

01:49:30,009 --> 01:49:28,070

pay you Paul because almost feel like

2281

01:49:32,950 --> 01:49:30,019

you're a team member here the community

2282

01:49:34,390 --> 01:49:32,960

I rely on the actual people in Texas to

2283

01:49:36,790 --> 01:49:34,400

tell me what's up I don't know what they

2284

01:49:39,700 --> 01:49:36,800

saw even if you send me a video of what

2285

01:49:41,740 --> 01:49:39,710

you saw how many how much zoom up I can

2286

01:49:44,560 --> 01:49:41,750

take a screen shot I can zoom in on that

2287

01:49:46,870 --> 01:49:44,570

blurry blob forever and come up with

2288

01:49:48,879 --> 01:49:46,880

whatever conclusions but ultimately the

2289

01:49:51,220 --> 01:49:48,889

people in Texas that are looking up at

2290

01:49:54,279 --> 01:49:51,230

the sky and seeing things are the ones

2291

01:49:57,879 --> 01:49:54,289

that know what's up and so I just I just

2292

01:50:00,100 --> 01:49:57,889

look to them now when you when you're

2293

01:50:04,419 --> 01:50:00,110

taking these reports in do people

2294

01:50:07,560 --> 01:50:04,429

generally want to stay anonymous yes so

2295

01:50:10,540 --> 01:50:07,570

that's that would be the most common

2296

01:50:12,580 --> 01:50:10,550

preference and that most people I don't

2297

01:50:14,649 --> 01:50:12,590

think actually enjoy talking about their

2298

01:50:17,649 --> 01:50:14,659

sighting they don't really want to they

2299

01:50:19,180 --> 01:50:17,659

often won't get back to me even if I

2300

01:50:21,310 --> 01:50:19,190

have questions or things and it's not

2301
01:50:23,919 --> 01:50:21,320
like they're sending me in a CGI video

2302
01:50:25,629 --> 01:50:23,929
with some elaborate crazy story

2303
01:50:28,509 --> 01:50:25,639
sometimes it's a very subtle thing

2304
01:50:30,669 --> 01:50:28,519
really at least yeah externally looking

2305
01:50:34,209 --> 01:50:30,679
at but they're prayed and embarrassed to

2306
01:50:36,430 --> 01:50:34,219
share it but they feel some duty yes of

2307
01:50:39,129 --> 01:50:36,440
scientific duty maybe to help document

2308
01:50:40,600 --> 01:50:39,139
especially if I find what will prompt

2309
01:50:43,029 --> 01:50:40,610
people a lot and this is why I go

2310
01:50:44,620 --> 01:50:43,039
getting things out there is that if I

2311
01:50:46,540 --> 01:50:44,630
can report on something that somebody

2312
01:50:49,180 --> 01:50:46,550
saw before maybe they didn't want to

2313
01:50:50,919 --> 01:50:49,190

share it now suddenly they're commenting

2314

01:50:53,350 --> 01:50:50,929

and they're sending in a report and

2315

01:50:56,649 --> 01:50:53,360

they're like I you know I saw something

2316

01:50:59,080 --> 01:50:56,659

like this another year maybe it'll come

2317

01:51:02,049 --> 01:50:59,090

in and tell me and I would find for the

2318

01:51:03,520 --> 01:51:02,059

most most part people don't want

2319

01:51:05,830 --> 01:51:03,530

attention at all

2320

01:51:08,109 --> 01:51:05,840

yeah from these things I kind of took

2321

01:51:11,819 --> 01:51:08,119

that in mind when I actually have up on

2322

01:51:13,669 --> 01:51:11,829

my website podcast UFO calm I have a

2323

01:51:16,699 --> 01:51:13,679

anonymous forum that

2324

01:51:19,489 --> 01:51:16,709

someone can fill out for a sighting that

2325

01:51:20,810 --> 01:51:19,499

they had because some people just they

2326

01:51:23,209 --> 01:51:20,820

don't want to really they want to talk

2327

01:51:25,459 --> 01:51:23,219

about it but not even go to a Reporting

2328

01:51:27,259 --> 01:51:25,469

Center so I have that available and

2329

01:51:30,290 --> 01:51:27,269

actually do have a number of cases up

2330

01:51:33,350 --> 01:51:30,300

there one's very interesting recently of

2331

01:51:38,149 --> 01:51:33,360

a video up there's kind of a really

2332

01:51:41,390 --> 01:51:38,159

crazy looking video so yeah I get that I

2333

01:51:43,910 --> 01:51:41,400

understand but I think you know I think

2334

01:51:45,979 --> 01:51:43,920

that may change I think it's sort of

2335

01:51:48,500 --> 01:51:45,989

changing where people don't feel so

2336

01:51:51,439 --> 01:51:48,510

worried about it I'm not so worried

2337

01:51:55,669 --> 01:51:51,449

anymore when I started the show six

2338

01:51:57,770 --> 01:51:55,679

years ago I was seven years ago I was

2339

01:51:59,719 --> 01:51:57,780

much more concerned about people finding

2340

01:52:01,729 --> 01:51:59,729

out that I did to show in UFOs than I am

2341

01:52:03,350 --> 01:52:01,739

now at right now I don't really care

2342

01:52:06,649 --> 01:52:03,360

that much I'm not really too worried

2343

01:52:09,560 --> 01:52:06,659

about it in my professional life if

2344

01:52:11,660 --> 01:52:09,570

someone finds out they find out actually

2345

01:52:14,209 --> 01:52:11,670

I'm going to do a little shout out to

2346

01:52:18,140 --> 01:52:14,219

Dean if you're listening

2347

01:52:21,049 --> 01:52:18,150

Dean is someone that I sold a bunch of

2348

01:52:23,029 --> 01:52:21,059

antiques for a number of years ago we

2349

01:52:25,339 --> 01:52:23,039

found my website and he's into the UFO

2350

01:52:30,469 --> 01:52:25,349

topic so how you doing Dean hope you're

2351
01:52:34,879 --> 01:52:30,479
listening so we have we have about six

2352
01:52:36,199 --> 01:52:34,889
more minutes so I guess I'll ask you if

2353
01:52:38,149 --> 01:52:36,209
there are any other cases that come to

2354
01:52:41,239 --> 01:52:38,159
mind that you can think of that you

2355
01:52:43,370 --> 01:52:41,249
found that we're pretty fascinating and

2356
01:52:45,379 --> 01:52:43,380
it could be a I don't care if it's what

2357
01:52:48,949 --> 01:52:45,389
people are claiming abduction experience

2358
01:52:50,330 --> 01:52:48,959
or whatever well we could talk about is

2359
01:52:54,049 --> 01:52:50,340
we didn't really touch on that much

2360
01:52:56,540 --> 01:52:54,059
people you know abduction experiences so

2361
01:52:58,669 --> 01:52:56,550
what I have seen just in my experience

2362
01:53:01,129 --> 01:52:58,679
in Texas and what I feel did from

2363
01:53:03,890 --> 01:53:01,139

witnesses is that when people do

2364

01:53:07,390 --> 01:53:03,900

experience let's say that the typical

2365

01:53:10,129 --> 01:53:07,400

gray alien which is a common common

2366

01:53:12,649 --> 01:53:10,139

apparition or visitation however you

2367

01:53:15,500 --> 01:53:12,659

want to see it it is often in a

2368

01:53:17,089 --> 01:53:15,510

dreamlike state or while sleeping and

2369

01:53:19,520 --> 01:53:17,099

the witness will often even acknowledge

2370

01:53:22,609 --> 01:53:19,530

that but there seems to be something

2371

01:53:25,969 --> 01:53:22,619

it's different than a dream though maybe

2372

01:53:26,709 --> 01:53:25,979

more like a lucid dream it's real to

2373

01:53:30,160 --> 01:53:26,719

them

2374

01:53:33,100 --> 01:53:30,170

and so that is the pattern with those

2375

01:53:35,470 --> 01:53:33,110

cases and like I said I'll it seems that

2376

01:53:37,900 --> 01:53:35,480

there I would like to go back them I'm

2377

01:53:39,760 --> 01:53:37,910

working on how to categories a lot of

2378

01:53:42,640 --> 01:53:39,770

the cases on the site to draw better

2379

01:53:45,310 --> 01:53:42,650

conclusions from but there seem to be

2380

01:53:46,959 --> 01:53:45,320

these waves of these if they're dreams

2381

01:53:49,660 --> 01:53:46,969

then people are dreaming them around the

2382

01:53:54,640 --> 01:53:49,670

same time without knowing hmm so that's

2383

01:53:58,180 --> 01:53:54,650

super fascinating to me if there are

2384

01:54:02,590 --> 01:53:58,190

aliens out there who's to say they can't

2385

01:54:06,640 --> 01:54:02,600

induce sleep paralysis or who's to say

2386

01:54:08,410 --> 01:54:06,650

they couldn't affect dreams so I've

2387

01:54:11,709 --> 01:54:08,420

definitely been following along with

2388

01:54:14,050 --> 01:54:11,719

that theory that these are somehow

2389

01:54:16,510 --> 01:54:14,060

induced these dreams or these

2390

01:54:21,939 --> 01:54:16,520

experiences there are theories from

2391

01:54:24,070 --> 01:54:21,949

skeptics that government has faked alien

2392

01:54:26,020 --> 01:54:24,080

abductions don't really know that I've

2393

01:54:27,700 --> 01:54:26,030

let Michael horn has hinted at that

2394

01:54:31,780 --> 01:54:27,710

before I don't I don't know that I

2395

01:54:33,400 --> 01:54:31,790

believe that to be true so so that's

2396

01:54:36,430 --> 01:54:33,410

really what I've seen are really these

2397

01:54:40,330 --> 01:54:36,440

dreamlike encounters of the typical gray

2398

01:54:43,780 --> 01:54:40,340

alien don't really see reports of people

2399

01:54:46,390 --> 01:54:43,790

seeing reptilians there was a report of

2400

01:54:50,380 --> 01:54:46,400

a praying mantis alien that hit MUFON

2401

01:54:52,209 --> 01:54:50,390

that I had some difficulty very verify

2402

01:54:54,729 --> 01:54:52,219

and I know people have talked about the

2403

01:54:57,310 --> 01:54:54,739

pray large praying mantis is so there's

2404

01:55:00,430 --> 01:54:57,320

quite a variety out there but I would

2405

01:55:02,350 --> 01:55:00,440

definitely see that grey alien just

2406

01:55:06,330 --> 01:55:02,360

exactly what everybody's picturing in

2407

01:55:08,140 --> 01:55:06,340

their mind it's around to stay

2408

01:55:11,110 --> 01:55:08,150

apparently I mean it's definitely

2409

01:55:11,620 --> 01:55:11,120

visiting us you know it's only in our

2410

01:55:14,500 --> 01:55:11,630

dreams

2411

01:55:19,270 --> 01:55:14,510

certainly a lot of people commenting

2412

01:55:21,430 --> 01:55:19,280

about it the one sets up the abduction

2413

01:55:23,800 --> 01:55:21,440

encounters in broad daylight are the

2414

01:55:25,450 --> 01:55:23,810

ones that are I find intriguing

2415

01:55:29,439 --> 01:55:25,460

you know when it's when it couldn't be

2416

01:55:32,770 --> 01:55:29,449

sleep paralysis and they're you know I

2417

01:55:34,900 --> 01:55:32,780

still I still am a little bit on the

2418

01:55:38,410 --> 01:55:34,910

fence about a lot of that stuff I don't

2419

01:55:40,180 --> 01:55:38,420

really I don't really get a lot of it

2420

01:55:42,670 --> 01:55:40,190

but like you said I mean

2421

01:55:44,590 --> 01:55:42,680

I have to have an open mind I mean if I

2422

01:55:47,140 --> 01:55:44,600

think something's visiting us wherever

2423

01:55:48,730 --> 01:55:47,150

it's coming from I have to have an open

2424

01:55:50,050 --> 01:55:48,740

mind that they wouldn't come just to

2425

01:55:52,660 --> 01:55:50,060

observe maybe they're doing other things

2426
01:55:54,550 --> 01:55:52,670
I don't know anything's possible I guess

2427
01:55:57,160 --> 01:55:54,560
there appears to be people who

2428
01:56:00,730 --> 01:55:57,170
experience these things regularly yeah

2429
01:56:02,560 --> 01:56:00,740
and I don't I believe them just cuz I

2430
01:56:06,130 --> 01:56:02,570
don't experience it doesn't mean that

2431
01:56:08,170 --> 01:56:06,140
they're not and so I think there's part

2432
01:56:10,390 --> 01:56:08,180
of that I wonder is there a genetic

2433
01:56:12,850 --> 01:56:10,400
aspect of me this isn't happening I know

2434
01:56:14,890 --> 01:56:12,860
people love to talk about that I don't

2435
01:56:18,190 --> 01:56:14,900
think I'm asking for these experiences

2436
01:56:20,680 --> 01:56:18,200
tell you that I want to know about them

2437
01:56:22,930 --> 01:56:20,690
but I'm not inviting or I don't get

2438
01:56:26,260 --> 01:56:22,940

excited about the idea of hopping onto a

2439

01:56:29,470 --> 01:56:26,270

UFO whenever I see a meme saying take me

2440

01:56:31,960 --> 01:56:29,480

take me abduct me I say stay here like

2441

01:56:34,660 --> 01:56:31,970

this is a good you know you know what's

2442

01:56:36,520 --> 01:56:34,670

up here you need you're used to being on

2443

01:56:38,290 --> 01:56:36,530

earth so that could be part of why I

2444

01:56:41,590 --> 01:56:38,300

don't have those experiences it's

2445

01:56:43,780 --> 01:56:41,600

something I think about but there are

2446

01:56:46,840 --> 01:56:43,790

people and people are have different

2447

01:56:50,410 --> 01:56:46,850

some people have scary experiences yeah

2448

01:56:54,310 --> 01:56:50,420

I don't like this some people have good

2449

01:56:56,320 --> 01:56:54,320

experiences I know I know I tend to

2450

01:56:58,600 --> 01:56:56,330

believe them for what they are

2451

01:57:01,750 --> 01:56:58,610

I've said it a number of times on this

2452

01:57:03,490 --> 01:57:01,760

show that if something like that was

2453

01:57:06,310 --> 01:57:03,500

happening to me I don't know how how

2454

01:57:08,650 --> 01:57:06,320

people can function normal in life yeah

2455

01:57:10,150 --> 01:57:08,660

with that in their background you know

2456

01:57:11,860 --> 01:57:10,160

it's crazy stuff think you would see

2457

01:57:14,080 --> 01:57:11,870

everything differently after that I

2458

01:57:15,940 --> 01:57:14,090

would think so well I think we're at the

2459

01:57:17,830 --> 01:57:15,950

end of our show you want to give out

2460

01:57:22,570 --> 01:57:17,840

your website one more time and all your

2461

01:57:24,910 --> 01:57:22,580

other stuff yeah taxes UFOs calm or

2462

01:57:27,160 --> 01:57:24,920

Texas UFO sightings can't go wrong and

2463

01:57:29,080 --> 01:57:27,170

then all the links are there to Facebook

2464

01:57:31,600 --> 01:57:29,090

Twitter and Instagram update the site

2465

01:57:33,880 --> 01:57:31,610

every single day weekly videos on

2466

01:57:35,710 --> 01:57:33,890

YouTube and then the weird UFO show

2467

01:57:38,380 --> 01:57:35,720

working on that next episode coming out

2468

01:57:39,100 --> 01:57:38,390

this week stay tuned and that was a

2469

01:57:42,580 --> 01:57:39,110

blast

2470

01:57:43,420 --> 01:57:42,590

so thank you all right thanks Robin yes

2471

01:57:47,380 --> 01:57:43,430

thanks so much

2472

01:57:50,020 --> 01:57:47,390

all right you take care mm-hmm

2473

01:57:51,490 --> 01:57:50,030

bye bye all right everyone so that is

2474

01:57:53,290 --> 01:57:51,500

that's it for the show

2475

01:57:54,020 --> 01:57:53,300

I want to thank you so much for watching

2476

01:57:56,240 --> 01:57:54,030

or listening

2477

01:57:58,820 --> 01:57:56,250

if you're supporting the show thanks

2478

01:58:01,040 --> 01:57:58,830

very much for that as well

2479

01:58:03,290 --> 01:58:01,050

our guest next week will be Preston

2480

01:58:08,090 --> 01:58:03,300

Tennant he's going to be talking about I

2481

01:58:11,810 --> 01:58:08,100

think it's us OS in the Catalina around

2482

01:58:14,090 --> 01:58:11,820

Catalina California so he's always a fun

2483

01:58:17,750 --> 01:58:14,100

guest to have on again I want to thank

2484

01:58:20,930 --> 01:58:17,760

everyone that supports the show and and

2485

01:58:23,480 --> 01:58:20,940

we'll be back as usual next week I am

2486

01:58:25,040 --> 01:58:23,490

considering moving the time to this show

2487

01:58:27,170 --> 01:58:25,050

I wanted to know people that are

2488

01:58:28,520 --> 01:58:27,180

listening live if that would make any

2489

01:58:32,180 --> 01:58:28,530

difference if I have the show a little

2490

01:58:33,530 --> 01:58:32,190

bit earlier and a very good point a

2491

01:58:36,380 --> 01:58:33,540

number of people in Europe said they

2492

01:58:38,390 --> 01:58:36,390

would love to watch live so if I made it

2493

01:58:40,040 --> 01:58:38,400

a little earlier they would anyway I

2494

01:58:41,830 --> 01:58:40,050

want to thank the people to help out

2495

01:58:44,750 --> 01:58:41,840

with the show our guests of course

2496

01:58:48,500 --> 01:58:44,760

Jane Kyle I also want to thank Alejandro

2497

01:58:50,270 --> 01:58:48,510

Rojas with the UFO updates and Evan for

2498

01:58:53,210 --> 01:58:50,280

doing the work in the background here on

2499

01:58:55,730 --> 01:58:53,220

YouTube and Peggy for managing the

2500

01:58:57,890 --> 01:58:55,740

Facebook page alright everyone so thanks

2501

01:59:02,110 --> 01:58:57,900

so much we'll see you next week and

2502

01:59:07,320 --> 01:59:02,120

remember to keep your eyes to the sky
