00:00:28,070 --> 00:00:19,600

[Music]

2
00:00:32,229 --> 00:00:30,790

hello and welcome to the show that

3
00:00:35,110 --> 00:00:32,239

almost wasn't

4
00:00:37,350 --> 00:00:35,120

we had uh we had some weird stuff going

5
00:00:40,389 --> 00:00:37,360

on here all my settings were all messed

6
00:00:45,110 --> 00:00:40,399

up but we could not get any audio um so

7
00:00:56,549 --> 00:00:47,350

you can't hear me

8
00:00:58,630 --> 00:00:56,559

alejandro huh

9
00:01:01,430 --> 00:00:58,640

uh nothing changed no

10
00:01:05,109 --> 00:01:01,440

wow can you hear me yeah yes

11
00:01:08,149 --> 00:01:06,390

the only thing that happened is we went

12
00:01:09,990 --> 00:01:08,159

live

13
00:01:11,830 --> 00:01:10,000

so uh

14

00:01:14,390 --> 00:01:11,840

alejandra you cannot hear me peter can

15

00:01:16,710 --> 00:01:14,400

you hear me wave peter if you hear me

16

00:01:18,870 --> 00:01:16,720

yes i can't hear you oh yeah

17

00:01:20,950 --> 00:01:18,880

all right wow this is uh starting out

18

00:01:24,070 --> 00:01:20,960

great

19

00:01:26,630 --> 00:01:24,080

um okay so anyway uh as you can see

20

00:01:29,350 --> 00:01:26,640

we've been having some difficulties and

21

00:01:31,590 --> 00:01:29,360

so um now people are saying the chat

22

00:01:34,390 --> 00:01:31,600

room they can hear us i think alejandro

23

00:01:36,469 --> 00:01:34,400

can hear me obviously and i can hear you

24

00:01:38,550 --> 00:01:36,479

can you hear me i can hear you too

25

00:01:39,830 --> 00:01:38,560

alejandra all right

26

00:01:42,149 --> 00:01:39,840

that's the way it's supposed to work i

27

00:01:44,550 --> 00:01:42,159

think all right you know uh for the sake

28

00:01:46,389 --> 00:01:44,560

of the podcast listener i'm gonna start

29

00:01:48,710 --> 00:01:46,399

the show all over again as if we never

30

00:01:51,190 --> 00:01:48,720

started hello and welcome to the show

31

00:01:53,590 --> 00:01:51,200

i'm martin willis your host and uh i

32

00:01:54,789 --> 00:01:53,600

think i hear someone typing i'm not sure

33

00:01:56,149 --> 00:01:54,799

but anyway

34

00:01:58,389 --> 00:01:56,159

we've had a couple of technical

35

00:02:00,709 --> 00:01:58,399

difficulties we've have figured them out

36

00:02:02,789 --> 00:02:00,719

and uh thanks for your patience for your

37

00:02:04,630 --> 00:02:02,799

live listeners out there also for your

38

00:02:07,270 --> 00:02:04,640

live listeners in two weeks we're going

39

00:02:10,309 --> 00:02:07,280

to be changing to tuesday night at uh

40

00:02:12,309 --> 00:02:10,319

six to eight p.m eastern standard time

41

00:02:15,910 --> 00:02:12,319

we're supposed to be

42

00:02:18,949 --> 00:02:15,920

friendlier to europeans but i don't know

43

00:02:23,030 --> 00:02:21,350

i appreciate anyone that listens to the

44

00:02:24,710 --> 00:02:23,040

show if you want to help us out

45

00:02:28,390 --> 00:02:24,720

for two dollars or more a month all that

46

00:02:31,510 --> 00:02:28,400

information is on podcastufo.com

47

00:02:33,270 --> 00:02:31,520

and um so

48

00:02:36,150 --> 00:02:33,280

now i'm hearing an airplane this is

49

00:02:38,550 --> 00:02:36,160

really a strange show i've got my good

50

00:02:40,869 --> 00:02:38,560

buddy peter robbins he's going to be on

51
00:02:42,790 --> 00:02:40,879
he's always a real pleasure to talk to i

52
00:02:44,309 --> 00:02:42,800
consider him a friend and he's a great

53
00:02:46,790 --> 00:02:44,319
guy we're going to have a great show

54
00:02:50,309 --> 00:02:46,800
tonight after all nothing is going to

55
00:02:52,790 --> 00:02:50,319
get us down right alejandro

56
00:02:55,430 --> 00:02:52,800
that's right oh thank god i hope thank

57
00:02:56,309 --> 00:02:55,440
god you answered

58
00:03:00,470 --> 00:02:56,319
so

59
00:03:04,630 --> 00:03:02,149
you can hear me right now i'm doing good

60
00:03:06,710 --> 00:03:04,640
sir you keep coming in and out kind of

61
00:03:09,509 --> 00:03:06,720
like you're uh on another planet or

62
00:03:12,710 --> 00:03:09,519
something but uh you probably are i am

63
00:03:16,710 --> 00:03:14,470

but anyway um

64

00:03:19,030 --> 00:03:16,720

yeah just wing it man just go ahead and

65

00:03:20,710 --> 00:03:19,040

uh tell us what's going on in the ufo

66

00:03:22,470 --> 00:03:20,720

world

67

00:03:24,390 --> 00:03:22,480

okay some cool things so a couple of

68

00:03:27,430 --> 00:03:24,400

things first of all just my own personal

69

00:03:30,630 --> 00:03:27,440

news uh the other day i got to interview

70

00:03:32,869 --> 00:03:30,640

peggy whitson now she is an astronaut

71

00:03:34,789 --> 00:03:32,879

who she is the one we had we're talking

72

00:03:37,830 --> 00:03:34,799

about who has uh

73

00:03:39,670 --> 00:03:37,840

logged the most time in space

74

00:03:46,390 --> 00:03:39,680

when it comes to

75

00:03:49,110 --> 00:03:46,400

so um 650

76

00:03:52,030 --> 00:03:49,120

days i think and then her longest stint

77

00:03:54,550 --> 00:03:52,040

out there was 300 days or

78

00:03:57,509 --> 00:03:54,560

289 actually

79

00:03:58,630 --> 00:03:57,519

so uh just short of scott kelly's uh who

80

00:04:00,630 --> 00:03:58,640

was there

81

00:04:01,910 --> 00:04:00,640

you know a little bit longer than that

82

00:04:04,789 --> 00:04:01,920

so

83

00:04:07,350 --> 00:04:04,799

asked her about a lot of stuff you'll be

84

00:04:09,350 --> 00:04:07,360

able to read about it at den of geek uh

85

00:04:10,710 --> 00:04:09,360

even this week but i did ask her about

86

00:04:13,270 --> 00:04:10,720

ufos

87

00:04:14,710 --> 00:04:13,280

and i tweeted about it in facebook so

88

00:04:16,629 --> 00:04:14,720

you guys could see it but essentially

89

00:04:19,030 --> 00:04:16,639

what she said is she doesn't know much

90

00:04:20,789 --> 00:04:19,040

about ufos but that the there's a lot

91

00:04:21,590 --> 00:04:20,799

out there and it's a big universe and

92

00:04:24,230 --> 00:04:21,600

she

93

00:04:25,030 --> 00:04:24,240

um doesn't think anything's not possible

94

00:04:27,030 --> 00:04:25,040

so

95

00:04:28,710 --> 00:04:27,040

she's open to the idea which was kind of

96

00:04:30,870 --> 00:04:28,720

interesting but

97

00:04:31,749 --> 00:04:30,880

that was about all she had to say about

98

00:04:34,070 --> 00:04:31,759

that

99

00:04:37,430 --> 00:04:34,080

now alejandro did she talk about any ill

100

00:04:40,710 --> 00:04:37,440

effects from being in space so long

101

00:04:42,390 --> 00:04:40,720

she did we did talk a little bit about

102

00:04:44,950 --> 00:04:42,400

that and and i can't remember the

103

00:04:47,110 --> 00:04:44,960

details right now but that will be in a

104

00:04:50,070 --> 00:04:47,120

story that i'll have coming out probably

105

00:04:51,749 --> 00:04:50,080

next week at den of geek so we talked

106

00:04:53,830 --> 00:04:51,759

about scott kelly a bit and some of the

107

00:04:55,270 --> 00:04:53,840

bad effects that he had but she

108

00:04:56,629 --> 00:04:55,280

essentially talked about one of the

109

00:04:58,310 --> 00:04:56,639

things that you talked about that that

110

00:05:02,710 --> 00:04:58,320

they're working on that they don't have

111

00:05:05,830 --> 00:05:02,720

a solution for yet is bone density so

112

00:05:09,189 --> 00:05:05,840

i guess your bone density can return but

113

00:05:11,430 --> 00:05:09,199

your bone quality

114

00:05:13,430 --> 00:05:11,440

cannot so you do have some sort of

115

00:05:15,270 --> 00:05:13,440

deterioration of your bone

116

00:05:17,590 --> 00:05:15,280

but she is hopeful

117

00:05:19,670 --> 00:05:17,600

that uh and they're working on perhaps

118

00:05:22,950 --> 00:05:19,680

different drugs or

119

00:05:26,230 --> 00:05:22,960

things that can be taken that will help

120

00:05:28,230 --> 00:05:26,240

um keep that from being an issue so that

121

00:05:29,909 --> 00:05:28,240

was one issue that yeah i was not aware

122

00:05:31,909 --> 00:05:29,919

of that she brought up with me as an

123

00:05:33,430 --> 00:05:31,919

example of

124

00:05:37,670 --> 00:05:33,440

what she feels is one of kind of their

125

00:05:39,110 --> 00:05:37,680

major um hurdles for a long time you

126
00:05:40,629 --> 00:05:39,120
know humans spending a long time in

127
00:05:42,070 --> 00:05:40,639
space but that

128
00:05:43,830 --> 00:05:42,080
it's something she's

129
00:05:44,950 --> 00:05:43,840
confident that will get

130
00:05:46,230 --> 00:05:44,960
resolved

131
00:05:47,990 --> 00:05:46,240
alejandro do you think they're ever

132
00:05:50,150 --> 00:05:48,000
going to come up with something like you

133
00:05:53,110 --> 00:05:50,160
see in these uh you know the

134
00:05:54,550 --> 00:05:53,120
sci-fi movies where they have

135
00:05:56,790 --> 00:05:54,560
um

136
00:05:58,950 --> 00:05:56,800
they have the craft orbit really quickly

137
00:06:00,230 --> 00:05:58,960
like centrifugal force do you think

138
00:06:01,189 --> 00:06:00,240

something's ever going to come up like

139

00:06:06,790 --> 00:06:01,199

that

140

00:06:12,309 --> 00:06:09,189

you're not hearing me

141

00:06:15,270 --> 00:06:12,319

ah all right um

142

00:06:17,670 --> 00:06:15,280

can you hear me alejandro

143

00:06:22,550 --> 00:06:17,680

uh peter where did you go peter can you

144

00:06:26,150 --> 00:06:23,590

okay

145

00:06:27,110 --> 00:06:26,160

uh wow this is starting out pretty cool

146

00:06:29,350 --> 00:06:27,120

uh

147

00:06:32,870 --> 00:06:29,360

not so good actually so we're having

148

00:06:37,670 --> 00:06:34,309

yeah alejandro i don't know what's going

149

00:06:39,830 --> 00:06:37,680

on um i have a great um

150

00:06:47,189 --> 00:06:39,840

i have a great signal

151
00:06:51,189 --> 00:06:49,189
alejandro i'm gonna hang up on you and

152
00:06:57,430 --> 00:06:51,199
try you back

153
00:06:57,440 --> 00:07:00,469
okay

154
00:07:05,670 --> 00:07:03,510
wow i don't know what's going on

155
00:07:08,710 --> 00:07:05,680
uh by the way i'm going out to uh

156
00:07:10,710 --> 00:07:08,720
chicago um tomorrow

157
00:07:13,589 --> 00:07:10,720
um for over the memorial day weekend

158
00:07:16,550 --> 00:07:13,599
hope to see uh my good friend uh sam

159
00:07:18,309 --> 00:07:16,560
moronto out there he's

160
00:07:24,469 --> 00:07:18,319
probably going to be stopping by we'll

161
00:07:24,479 --> 00:07:28,710
try alejandro again

162
00:07:28,720 --> 00:07:34,309
okay

163
00:07:39,670 --> 00:07:36,150

uh looks like we're having a skype

164

00:07:43,510 --> 00:07:39,680

problem with alejandro and i believe uh

165

00:07:49,189 --> 00:07:45,430

you're on mute you're still muted mike

166

00:07:54,950 --> 00:07:51,990

it's not muted anymore peter how are you

167

00:07:57,510 --> 00:07:54,960

um i'm fine uh thanks where i i think

168

00:07:58,869 --> 00:07:57,520

it's alejandro's end on skype because um

169

00:08:00,390 --> 00:07:58,879

he's not even answering you hear me

170

00:08:02,070 --> 00:08:00,400

clearly don't you

171

00:08:04,309 --> 00:08:02,080

just fine

172

00:08:07,830 --> 00:08:04,319

are we going to get through this peter

173

00:08:13,029 --> 00:08:10,230

even with the bumpy start yeah all right

174

00:08:14,070 --> 00:08:13,039

so uh i apologize to the to the listener

175

00:08:15,270 --> 00:08:14,080

we're not sure what happened to

176
00:08:17,830 --> 00:08:15,280
alejandro

177
00:08:20,150 --> 00:08:17,840
um we're back with peter

178
00:08:21,110 --> 00:08:20,160
and uh peter robbins

179
00:08:23,990 --> 00:08:21,120
um

180
00:08:26,469 --> 00:08:24,000
we met up in maine uh boy i'm telling

181
00:08:27,430 --> 00:08:26,479
you like five six years ago something

182
00:08:29,029 --> 00:08:27,440
like that

183
00:08:30,950 --> 00:08:29,039
that's right and we've kind of been

184
00:08:33,829 --> 00:08:30,960
staying in touch uh well we've been

185
00:08:35,589 --> 00:08:33,839
staying in touch um ever since

186
00:08:37,350 --> 00:08:35,599
through good and bad when you were yeah

187
00:08:39,509 --> 00:08:37,360
even when you were in russia that's

188
00:08:40,790 --> 00:08:39,519

right yeah and it's been a while since

189

00:08:42,230 --> 00:08:40,800

you've been on the show i'm really glad

190

00:08:44,790 --> 00:08:42,240

to have you back

191

00:08:47,110 --> 00:08:44,800

i'm glad to be back martin yeah

192

00:08:47,990 --> 00:08:47,120

and uh so peter for the person who has

193

00:08:50,470 --> 00:08:48,000

not

194

00:08:52,550 --> 00:08:50,480

uh heard you before can you give them

195

00:08:54,310 --> 00:08:52,560

the background story and i want you to

196

00:08:56,389 --> 00:08:54,320

tell uh you've told it before on the

197

00:08:58,310 --> 00:08:56,399

show um you had a sighting very young

198

00:09:00,389 --> 00:08:58,320

and if i remember correctly you forgot

199

00:09:03,350 --> 00:09:00,399

about it is that right

200

00:09:05,670 --> 00:09:03,360

i i worked very hard to uh forget about

201

00:09:07,670 --> 00:09:05,680

it at the age of 14 yes

202

00:09:13,269 --> 00:09:07,680

um

203

00:09:15,750 --> 00:09:13,279

it involved myself and my sister helen

204

00:09:17,190 --> 00:09:15,760

we were playing outside of the house

205

00:09:20,310 --> 00:09:17,200

that we grew up in

206

00:09:22,870 --> 00:09:20,320

in a very lovely village about 30 miles

207

00:09:24,389 --> 00:09:22,880

east of manhattan

208

00:09:26,230 --> 00:09:24,399

where

209

00:09:28,870 --> 00:09:26,240

i was born in new york city but my

210

00:09:31,110 --> 00:09:28,880

parents moved us out to the suburbs

211

00:09:34,310 --> 00:09:31,120

and it was just

212

00:09:36,389 --> 00:09:34,320

a beautiful late morning in june

213

00:09:39,030 --> 00:09:36,399

in the early 60s

214

00:09:40,870 --> 00:09:39,040

we were two kids goofing around

215

00:09:43,829 --> 00:09:40,880

clear blue sky

216

00:09:46,710 --> 00:09:43,839

and one of those times in a small town

217

00:09:52,389 --> 00:09:49,509

there's absolutely nothing going on no

218

00:09:54,870 --> 00:09:52,399

cars going by no ice cream truck

219

00:09:59,509 --> 00:09:54,880

no other kids playing

220

00:09:59,519 --> 00:10:04,550

six feet to the left of me and i caught

221

00:10:08,389 --> 00:10:05,670

vision

222

00:10:11,269 --> 00:10:08,399

immediately called her attention to it

223

00:10:14,790 --> 00:10:11,279

as five silvery white

224

00:10:17,350 --> 00:10:14,800

disc shaped objects um not round

225

00:10:19,829 --> 00:10:17,360

but um

226

00:10:21,750 --> 00:10:19,839

oval like if you take a dinner plate and

227

00:10:22,790 --> 00:10:21,760

you tip it and it becomes like an

228

00:10:25,269 --> 00:10:22,800

ellipse

229

00:10:26,230 --> 00:10:25,279

uh they were in a very precise

230

00:10:27,910 --> 00:10:26,240

v

231

00:10:30,069 --> 00:10:27,920

type formation

232

00:10:33,110 --> 00:10:30,079

um they were not

233

00:10:35,590 --> 00:10:33,120

shiny like

234

00:10:37,110 --> 00:10:35,600

stainless steel more like you know

235

00:10:39,190 --> 00:10:37,120

subdued

236

00:10:41,750 --> 00:10:39,200

we could clearly make out regular

237

00:10:44,630 --> 00:10:41,760

detailing around the

238

00:10:47,430 --> 00:10:44,640

perimeter of each one

239

00:10:50,069 --> 00:10:47,440

that was the way that

240

00:10:54,150 --> 00:10:50,079

at an appreciable different distance

241

00:10:55,430 --> 00:10:54,160

you might read windows on a conventional

242

00:10:57,670 --> 00:10:55,440

airliner

243

00:10:59,990 --> 00:10:57,680

and

244

00:11:01,750 --> 00:11:00,000

i was it was a particularly innocent

245

00:11:02,949 --> 00:11:01,760

time and i was a particularly innocent

246

00:11:04,550 --> 00:11:02,959

kid

247

00:11:06,230 --> 00:11:04,560

for those that

248

00:11:09,110 --> 00:11:06,240

are old enough to remember leave it to

249

00:11:12,310 --> 00:11:09,120

beaver that was about my speed i was a

250

00:11:16,069 --> 00:11:12,320

mega nerd i collected stamps

251

00:11:17,670 --> 00:11:16,079

bugs i read a lot i wasn't into sports

252

00:11:20,870 --> 00:11:17,680

um

253

00:11:23,030 --> 00:11:20,880

and obviously it was more innocent time

254

00:11:23,990 --> 00:11:23,040

my only thoughts up until that moment

255

00:11:26,150 --> 00:11:24,000

about

256

00:11:28,150 --> 00:11:26,160

flying saucers

257

00:11:30,150 --> 00:11:28,160

was that they were real in the movies

258

00:11:32,310 --> 00:11:30,160

that i would sometimes see on a saturday

259

00:11:33,269 --> 00:11:32,320

afternoon with some of my geeky little

260

00:11:35,590 --> 00:11:33,279

buddies

261

00:11:37,190 --> 00:11:35,600

and i saw some great black and white bee

262

00:11:38,389 --> 00:11:37,200

movies back then

263

00:11:40,710 --> 00:11:38,399

but i

264

00:11:42,870 --> 00:11:40,720

guess i intuited the

265

00:11:44,949 --> 00:11:42,880

adult message about them that they

266

00:11:47,190 --> 00:11:44,959

didn't really exist

267

00:11:49,670 --> 00:11:47,200

but there they were and there was no

268

00:11:50,870 --> 00:11:49,680

ambiguity they were

269

00:11:52,870 --> 00:11:50,880

round

270

00:11:55,990 --> 00:11:52,880

they had no appendages

271

00:11:59,350 --> 00:11:56,000

and i went through an immediate reaction

272

00:12:01,190 --> 00:11:59,360

that i've since uh chronicled with

273

00:12:03,110 --> 00:12:01,200

i'm sure several hundred people over the

274

00:12:05,190 --> 00:12:03,120

decades that i've come to call the

275

00:12:06,230 --> 00:12:05,200

checklist reaction you look up in the

276

00:12:08,310 --> 00:12:06,240

sky

277

00:12:10,310 --> 00:12:08,320

and you see a thing or things and you

278

00:12:11,750 --> 00:12:10,320

immediately rattle through in your brain

279

00:12:14,069 --> 00:12:11,760

everything they're not

280

00:12:16,230 --> 00:12:14,079

airplanes kites helicopters blimps

281

00:12:18,230 --> 00:12:16,240

balloons birds

282

00:12:19,590 --> 00:12:18,240

flotsam and jetsam uh

283

00:12:21,430 --> 00:12:19,600

reflections from the ground

284

00:12:24,550 --> 00:12:21,440

strange-shaped clouds

285

00:12:27,670 --> 00:12:24,560

and i kind of hit the wall

286

00:12:29,750 --> 00:12:27,680

i experienced a moment of

287

00:12:31,829 --> 00:12:29,760

loneliness

288

00:12:33,670 --> 00:12:31,839

that was incredibly deep and with it

289

00:12:35,030 --> 00:12:33,680

came the realization

290

00:12:37,110 --> 00:12:35,040

that

291

00:12:38,949 --> 00:12:37,120

if they were real

292

00:12:40,470 --> 00:12:38,959

and the adult world said they most

293

00:12:42,069 --> 00:12:40,480

certainly were not

294

00:12:43,750 --> 00:12:42,079

then everything i thought i knew might

295

00:12:46,790 --> 00:12:43,760

be open to question

296

00:12:48,790 --> 00:12:46,800

um i was in adolescence

297

00:12:49,990 --> 00:12:48,800

being run by my hormones

298

00:12:51,670 --> 00:12:50,000

uh

299

00:12:53,990 --> 00:12:51,680

wanting more than anything

300

00:12:55,990 --> 00:12:54,000

to be taller to have better hair

301
00:12:58,550 --> 00:12:56,000
to have cooler clothes to not be wearing

302
00:12:59,829 --> 00:12:58,560
glasses and most of all to have a

303
00:13:02,710 --> 00:12:59,839
girlfriend

304
00:13:04,389 --> 00:13:02,720
and i i thought very seriously if i ever

305
00:13:06,310 --> 00:13:04,399
talk about this

306
00:13:08,150 --> 00:13:06,320
word will get out people will make fun

307
00:13:11,509 --> 00:13:08,160
of me and

308
00:13:14,629 --> 00:13:11,519
that part of my life will never happen

309
00:13:16,230 --> 00:13:14,639
and i'm not really joking um

310
00:13:18,550 --> 00:13:16,240
i started to run

311
00:13:21,350 --> 00:13:18,560
into the house to tell my mother

312
00:13:23,190 --> 00:13:21,360
i was knocked out or passed out

313
00:13:25,430 --> 00:13:23,200

i got up

314

00:13:27,910 --> 00:13:25,440

uh went into the house

315

00:13:29,509 --> 00:13:27,920

walked up the stairs on an intuition

316

00:13:31,110 --> 00:13:29,519

that my sister

317

00:13:33,509 --> 00:13:31,120

would be there she was in her bedroom

318

00:13:35,430 --> 00:13:33,519

with her back to me looking out

319

00:13:37,269 --> 00:13:35,440

the back window

320

00:13:38,870 --> 00:13:37,279

i thought private moment

321

00:13:41,829 --> 00:13:38,880

i went into the kitchen where our mom

322

00:13:43,110 --> 00:13:41,839

was making us lunch and i told her

323

00:13:46,310 --> 00:13:43,120

and

324

00:13:50,150 --> 00:13:46,320

i didn't remember because i again put it

325

00:13:52,069 --> 00:13:50,160

out of my mind for more than 14 years

326

00:13:53,910 --> 00:13:52,079

i joke with people and say

327

00:13:56,389 --> 00:13:53,920

if i had other repressed memories in

328

00:13:57,750 --> 00:13:56,399

childhood i don't remember them but this

329

00:13:59,829 --> 00:13:57,760

was the one

330

00:14:01,750 --> 00:13:59,839

and

331

00:14:02,870 --> 00:14:01,760

once i should jump ahead for a moment

332

00:14:05,350 --> 00:14:02,880

and say

333

00:14:07,750 --> 00:14:05,360

once the memory did come back and i more

334

00:14:11,030 --> 00:14:07,760

than confirmed it with my sister

335

00:14:13,430 --> 00:14:11,040

over the next few years i uh

336

00:14:16,230 --> 00:14:13,440

voluntarily and with great curiosity

337

00:14:17,910 --> 00:14:16,240

underwent hypnotic regression with the

338

00:14:20,470 --> 00:14:17,920

hypnotist that i knew

339

00:14:22,870 --> 00:14:20,480

ultimately with bud hopkins one of my

340

00:14:24,710 --> 00:14:22,880

mentors and a dear friend

341

00:14:25,829 --> 00:14:24,720

who i worked for for many years as his

342

00:14:28,550 --> 00:14:25,839

assistant

343

00:14:30,629 --> 00:14:28,560

and another mentor a tough no-nonsense

344

00:14:32,310 --> 00:14:30,639

new york city police detective

345

00:14:34,949 --> 00:14:32,320

who had been trained in hypnotic

346

00:14:37,829 --> 00:14:34,959

regression for criminal investigation

347

00:14:40,230 --> 00:14:37,839

but was also a crack ufo researcher

348

00:14:41,189 --> 00:14:40,240

and the words that i said to my mother

349

00:14:43,189 --> 00:14:41,199

were

350

00:14:45,910 --> 00:14:43,199

mom helen and i just saw some things in

351
00:14:47,509 --> 00:14:45,920
the sky that looked like flying saucers

352
00:14:49,670 --> 00:14:47,519
from the movies

353
00:14:51,670 --> 00:14:49,680
i should say here that my mother

354
00:14:54,069 --> 00:14:51,680
although she did not remember this many

355
00:14:56,069 --> 00:14:54,079
years later when helen and i sat down

356
00:14:58,069 --> 00:14:56,079
with her and my dad to talk to them

357
00:15:00,150 --> 00:14:58,079
about this

358
00:15:02,629 --> 00:15:00,160
she made an extraordinarily wise

359
00:15:04,629 --> 00:15:02,639
decision she looked at me

360
00:15:07,030 --> 00:15:04,639
seriously

361
00:15:08,389 --> 00:15:07,040
and didn't say anything and i thought to

362
00:15:10,150 --> 00:15:08,399
myself

363
00:15:11,590 --> 00:15:10,160

this is the way grown-ups look at each

364

00:15:13,350 --> 00:15:11,600

other

365

00:15:14,629 --> 00:15:13,360

i have interviewed more people than i

366

00:15:16,069 --> 00:15:14,639

can remember

367

00:15:18,870 --> 00:15:16,079

who

368

00:15:20,389 --> 00:15:18,880

as adults reflect back on

369

00:15:22,710 --> 00:15:20,399

when my kid came to me and said

370

00:15:24,150 --> 00:15:22,720

something like that my reaction was oh

371

00:15:25,030 --> 00:15:24,160

honey you just thought it looked like

372

00:15:27,590 --> 00:15:25,040

that

373

00:15:28,470 --> 00:15:27,600

or a child who has grown up reflecting

374

00:15:30,629 --> 00:15:28,480

on

375

00:15:32,150 --> 00:15:30,639

my parents put me down you know either

376

00:15:35,110 --> 00:15:32,160

because they couldn't handle it or they

377

00:15:38,629 --> 00:15:36,870

but

378

00:15:41,350 --> 00:15:38,639

my sister later that afternoon said you

379

00:15:44,389 --> 00:15:41,360

want to talk about this and i said no

380

00:15:47,829 --> 00:15:44,399

and within a matter of weeks i had

381

00:15:49,829 --> 00:15:47,839

however we do these things martin

382

00:15:50,629 --> 00:15:49,839

not even convince myself that it didn't

383

00:15:53,829 --> 00:15:50,639

happen

384

00:15:56,069 --> 00:15:53,839

i forgot about it and absolutely nothing

385

00:15:58,389 --> 00:15:56,079

rattled it loose until 14 and a half

386

00:15:59,910 --> 00:15:58,399

years later when that memory came

387

00:16:03,189 --> 00:15:59,920

roaring back

388

00:16:04,230 --> 00:16:03,199

in undeniable uh fashion

389

00:16:06,870 --> 00:16:04,240

and

390

00:16:09,189 --> 00:16:06,880

um i was compelled to telephone my

391

00:16:11,110 --> 00:16:09,199

sister after thinking through what i

392

00:16:12,949 --> 00:16:11,120

would say

393

00:16:15,269 --> 00:16:12,959

and had at least the foresight to say

394

00:16:18,069 --> 00:16:15,279

i've remembered something from childhood

395

00:16:19,990 --> 00:16:18,079

and i need to know what you remember

396

00:16:22,150 --> 00:16:20,000

but i i feel if i tell you what i

397

00:16:23,030 --> 00:16:22,160

remember i'll never know you'll say yes

398

00:16:24,550 --> 00:16:23,040

or no

399

00:16:27,189 --> 00:16:24,560

and i'll never know in my heart if you

400

00:16:29,269 --> 00:16:27,199

really had the same memory and i

401
00:16:31,030 --> 00:16:29,279
decided to set the scene

402
00:16:32,949 --> 00:16:31,040
the weather where we were standing in

403
00:16:33,910 --> 00:16:32,959
relationship to each other on the front

404
00:16:35,749 --> 00:16:33,920
lawn

405
00:16:37,350 --> 00:16:35,759
uh the time of year was that she stopped

406
00:16:39,430 --> 00:16:37,360
me mid-sentence and said stop i know

407
00:16:42,069 --> 00:16:39,440
what you're talking about

408
00:16:43,990 --> 00:16:42,079
confirm the memory um

409
00:16:44,949 --> 00:16:44,000
except she wasn't sure whether it was

410
00:16:46,150 --> 00:16:44,959
five

411
00:16:48,069 --> 00:16:46,160
or six

412
00:16:49,749 --> 00:16:48,079
uh which we very quickly worked out the

413
00:16:50,710 --> 00:16:49,759

next day because that afternoon i did a

414

00:16:53,350 --> 00:16:50,720

painting

415

00:16:55,030 --> 00:16:53,360

of six of them so that i could hold my

416

00:16:57,030 --> 00:16:55,040

hand over one when i showed it to her

417

00:16:59,590 --> 00:16:57,040

the next day and she realized it was

418

00:17:01,910 --> 00:16:59,600

five because it was a very precise

419

00:17:03,350 --> 00:17:01,920

balanced v so it had to have been an odd

420

00:17:05,510 --> 00:17:03,360

number

421

00:17:07,270 --> 00:17:05,520

and then she said something to me that

422

00:17:10,069 --> 00:17:07,280

changed my life forever

423

00:17:11,909 --> 00:17:10,079

which was but there's more and i don't

424

00:17:16,230 --> 00:17:11,919

know if you're going to like it and went

425

00:17:17,270 --> 00:17:16,240

on to describe what now i would say

426

00:17:20,870 --> 00:17:17,280

i've heard

427

00:17:23,110 --> 00:17:20,880

variations on very close variations on

428

00:17:24,949 --> 00:17:23,120

not dozens but i'm sure several hundred

429

00:17:27,750 --> 00:17:24,959

times over the decades

430

00:17:30,390 --> 00:17:27,760

of memories of somebody

431

00:17:31,669 --> 00:17:30,400

being taken aboard a craft

432

00:17:33,510 --> 00:17:31,679

uh

433

00:17:35,110 --> 00:17:33,520

this was more than 40 years ago that we

434

00:17:37,909 --> 00:17:35,120

had this discussion

435

00:17:39,909 --> 00:17:37,919

and the term gray was not being used but

436

00:17:41,350 --> 00:17:39,919

she described archetypical grays

437

00:17:44,150 --> 00:17:41,360

accompanying her

438

00:17:45,430 --> 00:17:44,160

a tall one then being on a table being

439

00:17:47,190 --> 00:17:45,440

examined

440

00:17:48,789 --> 00:17:47,200

and my

441

00:17:50,549 --> 00:17:48,799

career

442

00:17:53,350 --> 00:17:50,559

that i had dreamt of since i was young

443

00:17:55,830 --> 00:17:53,360

of being an artist in new york city

444

00:17:58,310 --> 00:17:55,840

began to lose meaning to me immediately

445

00:18:01,190 --> 00:17:58,320

and i resented the hell out of it

446

00:18:02,710 --> 00:18:01,200

that was all i wanted to be and i was in

447

00:18:05,110 --> 00:18:02,720

the process of beginning to live that

448

00:18:07,270 --> 00:18:05,120

dream but something

449

00:18:10,310 --> 00:18:07,280

obsessed me from that point on was more

450

00:18:12,310 --> 00:18:10,320

important uh and it was this subject and

451

00:18:14,549 --> 00:18:12,320

this work and here we are

452

00:18:17,270 --> 00:18:14,559

talking about all these years later

453

00:18:18,310 --> 00:18:17,280

peter when you said it came rushing back

454

00:18:19,990 --> 00:18:18,320

to you

455

00:18:22,150 --> 00:18:20,000

what what triggered that what in

456

00:18:23,909 --> 00:18:22,160

particular made that happen

457

00:18:27,110 --> 00:18:23,919

yeah that's a very important question i

458

00:18:30,070 --> 00:18:27,120

think a combination of things um

459

00:18:31,750 --> 00:18:30,080

i as a painter was teaching painting at

460

00:18:33,029 --> 00:18:31,760

my alma mater at the time the school of

461

00:18:36,310 --> 00:18:33,039

visual arts

462

00:18:37,990 --> 00:18:36,320

uh figure drawing and painting um and

463

00:18:41,029 --> 00:18:38,000

and general painting

464

00:18:43,270 --> 00:18:41,039

and as is part of your job as an

465

00:18:45,190 --> 00:18:43,280

instructor you hire models

466

00:18:46,710 --> 00:18:45,200

often figure models

467

00:18:47,909 --> 00:18:46,720

and

468

00:18:53,110 --> 00:18:47,919

i had

469

00:18:55,430 --> 00:18:53,120

head over heels for

470

00:18:58,710 --> 00:18:55,440

and

471

00:19:00,710 --> 00:18:58,720

asked her out uh after we were done with

472

00:19:03,190 --> 00:19:00,720

our three weeks of work it would be very

473

00:19:06,070 --> 00:19:03,200

inappropriate to do so before

474

00:19:07,590 --> 00:19:06,080

she told me that she had a boyfriend but

475

00:19:09,430 --> 00:19:07,600

i think kind of feeling a little sorry

476

00:19:11,669 --> 00:19:09,440

for me said but i did something recently

477

00:19:13,270 --> 00:19:11,679

that i really got a lot out of it was

478

00:19:15,190 --> 00:19:13,280

called est

479

00:19:17,270 --> 00:19:15,200

i had never heard of this or human

480

00:19:20,549 --> 00:19:17,280

potential workshop but i thought

481

00:19:22,870 --> 00:19:20,559

whatever it is i'll do it and um

482

00:19:25,990 --> 00:19:22,880

who knows maybe she'll come around

483

00:19:27,990 --> 00:19:26,000

she did not but i had done it

484

00:19:29,990 --> 00:19:28,000

some weeks before and was kind of opened

485

00:19:33,029 --> 00:19:30,000

up in a way that i hadn't been

486

00:19:35,830 --> 00:19:33,039

also this would have been um in february

487

00:19:37,110 --> 00:19:35,840

of 1975 i lived down in new york's

488

00:19:40,870 --> 00:19:37,120

chinatown

489

00:19:43,190 --> 00:19:40,880

in uh off the beaten tourist strip area

490

00:19:44,950 --> 00:19:43,200

more working-class chinese

491

00:19:47,350 --> 00:19:44,960

and

492

00:19:50,630 --> 00:19:47,360

in the old days before mayor giuliani

493

00:19:52,310 --> 00:19:50,640

banned fireworks or officially

494

00:19:53,430 --> 00:19:52,320

cracked down on it and they looked the

495

00:19:55,270 --> 00:19:53,440

other way

496

00:19:56,870 --> 00:19:55,280

uh up until then

497

00:19:59,110 --> 00:19:56,880

um it's

498

00:20:00,870 --> 00:19:59,120

a 5 000 year plus part of the tradition

499

00:20:03,350 --> 00:20:00,880

of chinese new year

500

00:20:07,270 --> 00:20:03,360

you don't sleep much it was 48 hours of

501
00:20:08,549 --> 00:20:07,280
explosions and smelling cordite

502
00:20:10,230 --> 00:20:08,559
also

503
00:20:12,150 --> 00:20:10,240
a former girlfriend of mine who i

504
00:20:14,630 --> 00:20:12,160
remained friends with had done an

505
00:20:16,789 --> 00:20:14,640
extraordinary thing for me

506
00:20:18,549 --> 00:20:16,799
my grandmother had saved

507
00:20:21,830 --> 00:20:18,559
several dozen drawings i did from the

508
00:20:23,350 --> 00:20:21,840
age of about six up until about 14 the

509
00:20:24,789 --> 00:20:23,360
time that this had happened and gave

510
00:20:27,350 --> 00:20:24,799
them back to me

511
00:20:29,190 --> 00:20:27,360
and peggy

512
00:20:31,750 --> 00:20:29,200
who did layout and paste up work in the

513
00:20:33,990 --> 00:20:31,760

old days it was on acetate said i've got

514

00:20:36,630 --> 00:20:34,000

a lot of acetate from my last job let me

515

00:20:38,549 --> 00:20:36,640

take those drawings and encase them in

516

00:20:40,710 --> 00:20:38,559

acetate with electrical tape so they

517

00:20:43,029 --> 00:20:40,720

won't break up some of them are on

518

00:20:44,789 --> 00:20:43,039

middle paper and fairly fragile

519

00:20:46,710 --> 00:20:44,799

and i was going through those drawings

520

00:20:48,870 --> 00:20:46,720

that afternoon

521

00:20:51,270 --> 00:20:48,880

again nothing with the subject matter

522

00:20:53,029 --> 00:20:51,280

but the time frame i think most

523

00:20:55,510 --> 00:20:53,039

important of all

524

00:20:57,110 --> 00:20:55,520

my mind was just ready to deal with

525

00:20:59,110 --> 00:20:57,120

this memory

526

00:21:01,669 --> 00:20:59,120

so there's nothing really in particular

527

00:21:04,230 --> 00:21:01,679

that jarred it other than going through

528

00:21:05,590 --> 00:21:04,240

what you were seeing uh going through a

529

00:21:06,470 --> 00:21:05,600

period of

530

00:21:07,909 --> 00:21:06,480

time

531

00:21:09,190 --> 00:21:07,919

where you were doing drawings and then

532

00:21:11,190 --> 00:21:09,200

you looked at the drawings again and

533

00:21:13,110 --> 00:21:11,200

that brought you back to that

534

00:21:15,190 --> 00:21:13,120

time frame and that's what made you that

535

00:21:16,549 --> 00:21:15,200

triggered the memory

536

00:21:18,789 --> 00:21:16,559

am i getting that

537

00:21:21,590 --> 00:21:18,799

um i you didn't come through very

538

00:21:24,710 --> 00:21:21,600

clearly on that last part say it again

539

00:21:26,789 --> 00:21:24,720

uh so you're saying that that's kind of

540

00:21:28,310 --> 00:21:26,799

exploring your past is how that kind of

541

00:21:30,470 --> 00:21:28,320

triggered that

542

00:21:32,070 --> 00:21:30,480

well again i think i think i'm making

543

00:21:33,750 --> 00:21:32,080

just an educated guess here that it was

544

00:21:36,710 --> 00:21:33,760

a combination of things

545

00:21:38,390 --> 00:21:36,720

having done a a workshop that uh i

546

00:21:41,350 --> 00:21:38,400

didn't sleep much through

547

00:21:43,590 --> 00:21:41,360

a lot of ideas being presented to me uh

548

00:21:45,909 --> 00:21:43,600

a little sleep deprived over that

549

00:21:47,190 --> 00:21:45,919

previous days because of the chinese new

550

00:21:49,510 --> 00:21:47,200

year

551
00:21:52,950 --> 00:21:49,520
looking at drawings that i had done from

552
00:21:54,870 --> 00:21:52,960
that period and again most important

553
00:21:58,710 --> 00:21:54,880
i think my mind was just ready to deal

554
00:22:00,549 --> 00:21:58,720
with it and the memory came roaring back

555
00:22:01,669 --> 00:22:00,559
i see wow

556
00:22:02,870 --> 00:22:01,679
and uh

557
00:22:04,710 --> 00:22:02,880
so

558
00:22:06,070 --> 00:22:04,720
it's funny how you're not the first

559
00:22:07,909 --> 00:22:06,080
person that's told me that they've

560
00:22:09,909 --> 00:22:07,919
pushed the memory away there's so many

561
00:22:11,350 --> 00:22:09,919
people have said that i'm sure you've

562
00:22:13,190 --> 00:22:11,360
talked to a number of people that have

563
00:22:14,149 --> 00:22:13,200

done the same thing

564

00:22:15,990 --> 00:22:14,159

indeed

565

00:22:19,350 --> 00:22:16,000

and uh i think that's uh when there's

566

00:22:21,750 --> 00:22:19,360

any like major trauma in someone's life

567

00:22:23,110 --> 00:22:21,760

you can either do that or not and oh

568

00:22:26,630 --> 00:22:23,120

yeah um

569

00:22:28,149 --> 00:22:26,640

uh it happens regularly with much more

570

00:22:30,470 --> 00:22:28,159

and very

571

00:22:32,549 --> 00:22:30,480

tragic conventional traumas

572

00:22:35,909 --> 00:22:32,559

the death of beloved parent

573

00:22:37,909 --> 00:22:35,919

abuse psychological or sexual

574

00:22:39,430 --> 00:22:37,919

any number of things that one would

575

00:22:42,470 --> 00:22:39,440

naturally want to

576

00:22:44,070 --> 00:22:42,480

put out of your mind as a young person

577

00:22:49,270 --> 00:22:44,080

i've heard the saying if you push it

578

00:22:59,510 --> 00:22:51,029

so

579

00:23:01,270 --> 00:22:59,520

have a question come in from the chat

580

00:23:03,909 --> 00:23:01,280

i'm sorry not from the chat from uh

581

00:23:05,830 --> 00:23:03,919

email earlier who actually wanted you to

582

00:23:08,870 --> 00:23:05,840

talk a little bit about working with bud

583

00:23:10,870 --> 00:23:08,880

um and bob bud hopkins

584

00:23:13,669 --> 00:23:10,880

uh

585

00:23:15,669 --> 00:23:13,679

interesting man great man um and i still

586

00:23:17,990 --> 00:23:15,679

i i follow his artwork i really like his

587

00:23:19,909 --> 00:23:18,000

abstract work um i see it come up at

588

00:23:22,549 --> 00:23:19,919

auction all the time

589

00:23:24,310 --> 00:23:22,559

yeah and uh but anyway

590

00:23:26,549 --> 00:23:24,320

uh i know you're really really close

591

00:23:29,510 --> 00:23:26,559

friends with him and

592

00:23:31,590 --> 00:23:29,520

uh he was a real loss to the community

593

00:23:33,669 --> 00:23:31,600

when he when he passed away

594

00:23:35,909 --> 00:23:33,679

um but someone wanted to know what your

595

00:23:37,990 --> 00:23:35,919

more interesting moments were working

596

00:23:40,149 --> 00:23:38,000

with him

597

00:23:43,830 --> 00:23:40,159

well there were many

598

00:23:47,909 --> 00:23:43,840

the memory returned in 1975

599

00:23:50,390 --> 00:23:47,919

but and i met in 1976

600

00:23:51,430 --> 00:23:50,400

when he published his very first

601
00:23:53,990 --> 00:23:51,440
article

602
00:23:56,149 --> 00:23:54,000
on his very first ufo investigation

603
00:23:57,029 --> 00:23:56,159
which i read

604
00:23:59,029 --> 00:23:57,039
was

605
00:24:01,029 --> 00:23:59,039
extremely impressed

606
00:24:02,950 --> 00:24:01,039
with his uh

607
00:24:05,270 --> 00:24:02,960
methodical

608
00:24:06,950 --> 00:24:05,280
following through on this case

609
00:24:09,830 --> 00:24:06,960
with the fact that he was a wonderful

610
00:24:12,230 --> 00:24:09,840
writer uh the new york art world is is

611
00:24:13,190 --> 00:24:12,240
fairly small and i knew there was a late

612
00:24:16,230 --> 00:24:13,200
period

613
00:24:18,310 --> 00:24:16,240

abstract expressionist

614

00:24:19,990 --> 00:24:18,320

by that same name and same spelling

615

00:24:21,590 --> 00:24:20,000

whose work i'd seen in a group show a

616

00:24:23,029 --> 00:24:21,600

few years before

617

00:24:25,510 --> 00:24:23,039

and i found him in the phone book and i

618

00:24:27,190 --> 00:24:25,520

could called him introduced myself as a

619

00:24:28,230 --> 00:24:27,200

fellow artist with an interest in this

620

00:24:29,190 --> 00:24:28,240

subject

621

00:24:32,230 --> 00:24:29,200

um

622

00:24:34,070 --> 00:24:32,240

we met for coffee a few days later and

623

00:24:36,789 --> 00:24:34,080

sat at his kitchen table

624

00:24:40,230 --> 00:24:36,799

down in the chelsea district in new york

625

00:24:42,310 --> 00:24:40,240

talked about art life and ufos

626

00:24:45,190 --> 00:24:42,320

not without some irony the title of his

627

00:24:47,510 --> 00:24:45,200

wonderful memoir last book that he wrote

628

00:24:49,590 --> 00:24:47,520

and i had no idea be the first of

629

00:24:51,350 --> 00:24:49,600

hundreds and hundreds of such talks at

630

00:24:52,230 --> 00:24:51,360

that table

631

00:24:53,990 --> 00:24:52,240

over

632

00:24:55,590 --> 00:24:54,000

the next decades

633

00:24:58,789 --> 00:24:55,600

this was still five years before he

634

00:25:00,549 --> 00:24:58,799

published his very first ufo book

635

00:25:03,750 --> 00:25:00,559

missing time which really was a game

636

00:25:06,070 --> 00:25:03,760

changer uh exploring the abduction

637

00:25:08,390 --> 00:25:06,080

phenomena which overall

638

00:25:10,710 --> 00:25:08,400

was the last thing that most ufologists

639

00:25:11,669 --> 00:25:10,720

wanted to uh be associated with at the

640

00:25:13,830 --> 00:25:11,679

time

641

00:25:14,789 --> 00:25:13,840

the ridicule factor of just being an

642

00:25:15,590 --> 00:25:14,799

adult

643

00:25:18,950 --> 00:25:15,600

who

644

00:25:20,630 --> 00:25:18,960

studied ufos was rough enough without

645

00:25:22,630 --> 00:25:20,640

discussing or

646

00:25:23,990 --> 00:25:22,640

focusing on the occupants

647

00:25:26,549 --> 00:25:24,000

and

648

00:25:28,789 --> 00:25:26,559

after that book came out as a painter

649

00:25:30,549 --> 00:25:28,799

his life changed considerably and he

650

00:25:32,630 --> 00:25:30,559

became quite well known in the field of

651
00:25:34,630 --> 00:25:32,640
ufo studies

652
00:25:37,110 --> 00:25:34,640
but in nineteen and i began to work for

653
00:25:39,350 --> 00:25:37,120
him part-time as people began to write

654
00:25:41,350 --> 00:25:39,360
to him

655
00:25:43,909 --> 00:25:41,360
i also um

656
00:25:45,510 --> 00:25:43,919
it accelerated after 1987 with the

657
00:25:48,390 --> 00:25:45,520
publication of

658
00:25:51,590 --> 00:25:48,400
his true international bestseller

659
00:25:53,909 --> 00:25:51,600
intruders the story of a young woman who

660
00:25:56,390 --> 00:25:53,919
lived in kokomo indiana who had lifelong

661
00:25:58,710 --> 00:25:56,400
experiences and focusing in on a very

662
00:26:00,230 --> 00:25:58,720
particular aspect of it

663
00:26:02,549 --> 00:26:00,240

she is still a dear friend and i still

664

00:26:05,669 --> 00:26:02,559

stay in contact with her

665

00:26:08,149 --> 00:26:05,679

i responded over those decades to

666

00:26:09,990 --> 00:26:08,159

several thousand letters

667

00:26:11,110 --> 00:26:10,000

from people around the world around the

668

00:26:12,870 --> 00:26:11,120

country

669

00:26:14,470 --> 00:26:12,880

always with a handwritten note but

670

00:26:15,909 --> 00:26:14,480

insisted on that

671

00:26:17,510 --> 00:26:15,919

and um

672

00:26:19,590 --> 00:26:17,520

ultimately began to assist him in

673

00:26:21,909 --> 00:26:19,600

investigations besides

674

00:26:24,230 --> 00:26:21,919

filing and uh

675

00:26:26,310 --> 00:26:24,240

sitting in as a witness on regressive

676
00:26:27,510 --> 00:26:26,320
hypnotic sessions that he had been very

677
00:26:29,590 --> 00:26:27,520
well trained

678
00:26:32,390 --> 00:26:29,600
to conduct

679
00:26:33,830 --> 00:26:32,400
but as to your

680
00:26:36,870 --> 00:26:33,840
the question

681
00:26:38,789 --> 00:26:36,880
if there was one case that was the most

682
00:26:41,269 --> 00:26:38,799
compelling the most memorable

683
00:26:46,070 --> 00:26:41,279
the one that i was most involved in

684
00:26:48,070 --> 00:26:46,080
that began in 1989 with a letter from a

685
00:26:49,590 --> 00:26:48,080
a woman named linda who lived in lower

686
00:26:52,789 --> 00:26:49,600
manhattan

687
00:26:54,630 --> 00:26:52,799
and it was not actually until around

688
00:26:55,750 --> 00:26:54,640

thanksgiving that she came in to

689

00:26:56,789 --> 00:26:55,760

actually

690

00:26:58,390 --> 00:26:56,799

sit down

691

00:26:59,350 --> 00:26:58,400

and meet with bud

692

00:27:02,070 --> 00:26:59,360

um

693

00:27:03,190 --> 00:27:02,080

the case was the most extraordinary one

694

00:27:04,950 --> 00:27:03,200

um

695

00:27:06,950 --> 00:27:04,960

i've ever studied i've ever been

696

00:27:09,110 --> 00:27:06,960

involved in i've ever seen so much

697

00:27:09,909 --> 00:27:09,120

credible information around

698

00:27:12,230 --> 00:27:09,919

um

699

00:27:14,549 --> 00:27:12,240

and it became known as the brooklyn

700

00:27:16,390 --> 00:27:14,559

bridge ufo case

701
00:27:17,430 --> 00:27:16,400
wow and i know exactly when you're

702
00:27:20,070 --> 00:27:17,440
talking about

703
00:27:21,909 --> 00:27:20,080
for the listeners yeah i'd love to you

704
00:27:22,789 --> 00:27:21,919
to go into detail in that case if you

705
00:27:25,590 --> 00:27:22,799
would

706
00:27:27,909 --> 00:27:25,600
yeah um well um

707
00:27:29,909 --> 00:27:27,919
the most the um

708
00:27:32,630 --> 00:27:29,919
the event that

709
00:27:34,870 --> 00:27:32,640
sent us into a life-changing

710
00:27:37,190 --> 00:27:34,880
investigation and it lasted six years

711
00:27:39,510 --> 00:27:37,200
the book witness the true story of the

712
00:27:42,070 --> 00:27:39,520
brooklyn bridge ufo abductions was

713
00:27:43,590 --> 00:27:42,080

published in 1996

714

00:27:45,110 --> 00:27:43,600

and um

715

00:27:47,110 --> 00:27:45,120

linda

716

00:27:48,789 --> 00:27:47,120

as is the case with people who have

717

00:27:50,070 --> 00:27:48,799

these experiences

718

00:27:52,310 --> 00:27:50,080

uh

719

00:27:54,149 --> 00:27:52,320

became aware one night that she was

720

00:27:55,350 --> 00:27:54,159

levitating above her bed in her

721

00:27:56,950 --> 00:27:55,360

nightgown

722

00:27:59,990 --> 00:27:56,960

and was then

723

00:28:01,110 --> 00:28:00,000

floated through a solid glass

724

00:28:04,070 --> 00:28:01,120

window

725

00:28:07,510 --> 00:28:04,080

i believe 12 stories up uh with a number

726

00:28:09,190 --> 00:28:07,520

of small beings taken into a craft

727

00:28:11,190 --> 00:28:09,200

which then took off this is all

728

00:28:13,590 --> 00:28:11,200

happening within very close proximity to

729

00:28:17,830 --> 00:28:13,600

the brooklyn bridge on the east river

730

00:28:19,990 --> 00:28:17,840

and the craft dived into the river

731

00:28:21,590 --> 00:28:20,000

and then the story continued further out

732

00:28:25,430 --> 00:28:21,600

on a beach on long island and that was

733

00:28:29,669 --> 00:28:27,430

linda remains a very dear friend we're

734

00:28:30,950 --> 00:28:29,679

back and forth sometime several times a

735

00:28:34,389 --> 00:28:30,960

week

736

00:28:35,350 --> 00:28:34,399

she's a remarkable woman and

737

00:28:38,389 --> 00:28:35,360

the thing

738

00:28:43,430 --> 00:28:40,950

got to me as a very pragmatic

739

00:28:46,630 --> 00:28:43,440

investigator and bud was too

740

00:28:48,710 --> 00:28:46,640

was bud began to get letters

741

00:28:50,070 --> 00:28:48,720

from people in different parts of

742

00:28:51,990 --> 00:28:50,080

greater new york

743

00:28:53,510 --> 00:28:52,000

who had observed this now it happened

744

00:28:56,470 --> 00:28:53,520

about two in the morning

745

00:28:58,630 --> 00:28:56,480

but new york never sleeps and

746

00:28:59,750 --> 00:28:58,640

downtown there's a lot of businesses

747

00:29:01,590 --> 00:28:59,760

going on

748

00:29:03,029 --> 00:29:01,600

um

749

00:29:05,990 --> 00:29:03,039

the letters were all in different

750

00:29:08,389 --> 00:29:06,000

handwritings different postmarks

751
00:29:10,950 --> 00:29:08,399
most of them contain drawings and as two

752
00:29:13,669 --> 00:29:10,960
trained artists looking at

753
00:29:15,830 --> 00:29:13,679
drawings that were done

754
00:29:17,190 --> 00:29:15,840
with effort with seriousness with high

755
00:29:18,230 --> 00:29:17,200
intention

756
00:29:19,990 --> 00:29:18,240
by

757
00:29:22,389 --> 00:29:20,000
so many different people

758
00:29:25,110 --> 00:29:22,399
and seeing the same shapes the same

759
00:29:27,430 --> 00:29:25,120
color schemes the same descriptions

760
00:29:30,389 --> 00:29:27,440
the same shock of

761
00:29:34,870 --> 00:29:30,399
i thought they were making a movie

762
00:29:36,549 --> 00:29:34,880
what happened mr hopkins can you tell us

763
00:29:38,149 --> 00:29:36,559

i think it's one of the most important

764

00:29:39,510 --> 00:29:38,159

books and one of the most challenging

765

00:29:42,149 --> 00:29:39,520

books

766

00:29:44,710 --> 00:29:42,159

that will ever exist in the abduction

767

00:29:46,789 --> 00:29:44,720

literature and for anybody who's a

768

00:29:47,669 --> 00:29:46,799

serious student of the subject

769

00:29:50,389 --> 00:29:47,679

or

770

00:29:51,350 --> 00:29:50,399

just interested in jumping in

771

00:29:54,549 --> 00:29:51,360

to

772

00:29:56,389 --> 00:29:54,559

an extraordinarily well researched and

773

00:29:59,430 --> 00:29:56,399

investigated case

774

00:30:01,990 --> 00:29:59,440

uh this is a must for your library

775

00:30:03,269 --> 00:30:02,000

now wasn't there someone

776

00:30:05,669 --> 00:30:03,279

um

777

00:30:08,070 --> 00:30:05,679

i want to say like a government witness

778

00:30:10,630 --> 00:30:08,080

there was something there was somebody

779

00:30:13,110 --> 00:30:10,640

who i was sworn to secrecy for some time

780

00:30:14,789 --> 00:30:13,120

who but actually met with and linda

781

00:30:16,950 --> 00:30:14,799

certainly met with

782

00:30:18,389 --> 00:30:16,960

um who um

783

00:30:21,430 --> 00:30:18,399

was

784

00:30:24,149 --> 00:30:21,440

at the time the secretary general of the

785

00:30:25,990 --> 00:30:24,159

united states of the united nations a

786

00:30:28,389 --> 00:30:26,000

reason that uh

787

00:30:29,590 --> 00:30:28,399

many skeptics immediately dismissed the

788

00:30:31,990 --> 00:30:29,600

story

789

00:30:33,909 --> 00:30:32,000

it can't be therefore it isn't therefore

790

00:30:37,029 --> 00:30:33,919

it's delusional or a lie or what have

791

00:30:39,990 --> 00:30:37,039

you uh but indeed it was

792

00:30:42,710 --> 00:30:40,000

and um he was downtown

793

00:30:44,230 --> 00:30:42,720

possibly on a a liaison he had two

794

00:30:45,669 --> 00:30:44,240

security people

795

00:30:47,430 --> 00:30:45,679

um

796

00:30:49,110 --> 00:30:47,440

with an affair with a woman or what have

797

00:30:50,710 --> 00:30:49,120

you i don't know what he was doing there

798

00:30:53,909 --> 00:30:50,720

at two in the morning

799

00:30:56,549 --> 00:30:53,919

but the two security people became very

800

00:30:57,830 --> 00:30:56,559

involved in the story as well

801
00:30:59,350 --> 00:30:57,840
and one of them

802
00:31:01,190 --> 00:30:59,360
once again

803
00:31:01,990 --> 00:31:01,200
you can't well you can make this stuff

804
00:31:05,430 --> 00:31:02,000
up

805
00:31:07,350 --> 00:31:05,440
but nobody did here um

806
00:31:08,950 --> 00:31:07,360
had been brought together with linda

807
00:31:12,070 --> 00:31:08,960
when they were children

808
00:31:15,029 --> 00:31:12,080
and they remembered each other it's an

809
00:31:18,310 --> 00:31:15,039
incredibly emotional story and uh it's a

810
00:31:20,470 --> 00:31:18,320
good thing bud took a full six years to

811
00:31:22,870 --> 00:31:20,480
back it up with the kind of evidence

812
00:31:25,909 --> 00:31:22,880
that you would find in a capital case in

813
00:31:29,990 --> 00:31:27,669

again

814

00:31:32,630 --> 00:31:30,000

the whole abduction phenomena

815

00:31:34,310 --> 00:31:32,640

is so difficult to wrap our heads around

816

00:31:35,269 --> 00:31:34,320

i have been looking at it from different

817

00:31:36,950 --> 00:31:35,279

angles

818

00:31:39,509 --> 00:31:36,960

and with bud

819

00:31:41,269 --> 00:31:39,519

had the privilege of being

820

00:31:43,350 --> 00:31:41,279

a bug on the wall

821

00:31:45,350 --> 00:31:43,360

at his shoulder working directly with

822

00:31:47,190 --> 00:31:45,360

speaking directly with

823

00:31:50,230 --> 00:31:47,200

so many individuals that had had this

824

00:31:51,990 --> 00:31:50,240

happen speaking with family members uh

825

00:31:54,070 --> 00:31:52,000

medical and mental health professionals

826

00:31:56,789 --> 00:31:54,080

that had worked with these people who at

827

00:31:57,990 --> 00:31:56,799

a certain point threw their hands up

828

00:31:59,029 --> 00:31:58,000

about any

829

00:32:02,070 --> 00:31:59,039

possible

830

00:32:06,230 --> 00:32:02,080

um conventional remotely conventional

831

00:32:07,750 --> 00:32:06,240

explanations governing this phenomena

832

00:32:09,590 --> 00:32:07,760

but it is real

833

00:32:11,830 --> 00:32:09,600

it happens to more people than most of

834

00:32:13,509 --> 00:32:11,840

us are comfortable even thinking about

835

00:32:15,110 --> 00:32:13,519

and it continues to happen to them to

836

00:32:17,750 --> 00:32:15,120

this day

837

00:32:20,389 --> 00:32:17,760

strange so uh

838

00:32:21,590 --> 00:32:20,399

so after you know bud's gone

839

00:32:24,389 --> 00:32:21,600

um

840

00:32:27,190 --> 00:32:24,399

did you stay involved in any part of

841

00:32:29,029 --> 00:32:27,200

that aspect of this field or did you

842

00:32:31,509 --> 00:32:29,039

just move on on your own

843

00:32:33,669 --> 00:32:31,519

no absolutely

844

00:32:34,789 --> 00:32:33,679

i got involved because it happened to my

845

00:32:38,549 --> 00:32:34,799

sister

846

00:32:43,190 --> 00:32:40,789

i realized that

847

00:32:44,149 --> 00:32:43,200

it was very important work

848

00:32:48,630 --> 00:32:44,159

um

849

00:32:50,389 --> 00:32:48,640

having the right temperament for this

850

00:32:52,389 --> 00:32:50,399

having worked for eight years in new

851

00:32:55,190 --> 00:32:52,399

york city

852

00:32:57,590 --> 00:32:55,200

as a crisis intervention volunteer

853

00:33:00,710 --> 00:32:57,600

and shift supervisor on the busiest

854

00:33:03,350 --> 00:33:00,720

suicide hotline in the united states

855

00:33:05,590 --> 00:33:03,360

i am good working under stress

856

00:33:07,830 --> 00:33:05,600

with people um

857

00:33:10,789 --> 00:33:07,840

who are sometimes at their wits end

858

00:33:13,750 --> 00:33:10,799

um no and it just continued as a thread

859

00:33:15,990 --> 00:33:13,760

in my life and it does to this day not a

860

00:33:17,990 --> 00:33:16,000

week passes where i

861

00:33:20,310 --> 00:33:18,000

don't hear from somebody who knows that

862

00:33:22,710 --> 00:33:20,320

i will keep their confidence be a good

863

00:33:25,190 --> 00:33:22,720

listener respect what they're saying

864

00:33:26,470 --> 00:33:25,200

do my best if possible to refer them to

865

00:33:28,389 --> 00:33:26,480

an appropriate

866

00:33:29,669 --> 00:33:28,399

professional if there's one remotely in

867

00:33:34,070 --> 00:33:29,679

their area

868

00:33:37,669 --> 00:33:34,080

or reassure them that they are not crazy

869

00:33:40,710 --> 00:33:37,679

and we lost bud in august of 2011

870

00:33:42,870 --> 00:33:40,720

to cancer at the age of 80 and no day

871

00:33:44,870 --> 00:33:42,880

passes where i don't miss him

872

00:33:46,470 --> 00:33:44,880

right right

873

00:33:48,789 --> 00:33:46,480

one thing i want to make clear to the

874

00:33:50,149 --> 00:33:48,799

listener out there is when you say

875

00:33:53,029 --> 00:33:50,159

you're kindly

876

00:33:55,909 --> 00:33:53,039

helping people

877

00:33:57,590 --> 00:33:55,919

you're not doing this for money or

878

00:33:59,750 --> 00:33:57,600

that that's the thing that people get

879

00:34:00,789 --> 00:33:59,760

confused about a lot of people think

880

00:34:02,630 --> 00:34:00,799

that oh

881

00:34:03,909 --> 00:34:02,640

you know you guys do this for the money

882

00:34:06,070 --> 00:34:03,919

or something like that and it's kind of

883

00:34:08,550 --> 00:34:06,080

a joke isn't it

884

00:34:10,310 --> 00:34:08,560

is and it would be funny if it wasn't so

885

00:34:13,109 --> 00:34:10,320

insulting however

886

00:34:16,069 --> 00:34:13,119

um in 1989

887

00:34:18,069 --> 00:34:16,079

bud founded a non-profit foundation

888

00:34:21,190 --> 00:34:18,079

called the intruders foundation it had

889

00:34:23,669 --> 00:34:21,200

several mandates to work with and assist

890

00:34:26,310 --> 00:34:23,679

people who had had these experiences

891

00:34:29,030 --> 00:34:26,320

to support them in every way possible

892

00:34:30,550 --> 00:34:29,040

to have outreach programs

893

00:34:33,030 --> 00:34:30,560

bring speakers to new york on the

894

00:34:35,750 --> 00:34:33,040

subject

895

00:34:37,589 --> 00:34:35,760

and to do what we could to educate a

896

00:34:39,990 --> 00:34:37,599

broader part of the public

897

00:34:41,990 --> 00:34:40,000

uh this was all volunteer work for me i

898

00:34:44,550 --> 00:34:42,000

made my living as

899

00:34:45,909 --> 00:34:44,560

a painting instructor a painter and

900

00:34:47,030 --> 00:34:45,919

doing

901
00:34:49,430 --> 00:34:47,040
whatever

902
00:34:50,310 --> 00:34:49,440
however there came a time a year or so

903
00:34:51,349 --> 00:34:50,320
later

904
00:34:56,310 --> 00:34:51,359
when

905
00:35:00,390 --> 00:34:57,910
whose name i know but i don't know if

906
00:35:02,790 --> 00:35:00,400
it's it's fair to say

907
00:35:04,630 --> 00:35:02,800
gave bud some several thousand dollars

908
00:35:07,190 --> 00:35:04,640
to continue the work

909
00:35:08,470 --> 00:35:07,200
and bud said congratulations you are now

910
00:35:09,990 --> 00:35:08,480
professional i'm going to pay you eight

911
00:35:10,710 --> 00:35:10,000
dollars an hour

912
00:35:12,870 --> 00:35:10,720
so

913
00:35:16,069 --> 00:35:12,880

i did get paid eight dollars an hour for

914

00:35:18,150 --> 00:35:16,079

almost a year wow uh that salary was up

915

00:35:20,230 --> 00:35:18,160

to ten dollars an hour and i'm not

916

00:35:22,310 --> 00:35:20,240

hiding the fact and then we ran out of

917

00:35:25,349 --> 00:35:22,320

money and for the rest of his life i

918

00:35:28,069 --> 00:35:25,359

continued on as a volunteer

919

00:35:30,150 --> 00:35:28,079

oh that's really funny yeah

920

00:35:33,109 --> 00:35:30,160

yeah so i wasn't it for the money yeah

921

00:35:35,030 --> 00:35:33,119

that's right that's right and um uh what

922

00:35:37,430 --> 00:35:35,040

i don't i hope i'm not calling attention

923

00:35:39,190 --> 00:35:37,440

wrongly but the books behind you are

924

00:35:40,310 --> 00:35:39,200

those anything to do with ufos and

925

00:35:42,150 --> 00:35:40,320

research

926
00:35:45,270 --> 00:35:42,160
or is that just other types of art books

927
00:35:47,829 --> 00:35:45,280
or something um no most of the books in

928
00:35:50,069 --> 00:35:47,839
my study here and i am a bibliophile

929
00:35:51,510 --> 00:35:50,079
i've loved books since i was a kid i

930
00:35:53,510 --> 00:35:51,520
collect books

931
00:35:56,710 --> 00:35:53,520
but most of the books in this room that

932
00:36:00,630 --> 00:35:56,720
i i do my work in uh are related to the

933
00:36:02,710 --> 00:36:00,640
subject and let me just

934
00:36:04,150 --> 00:36:02,720
take a moment this is for youtube

935
00:36:07,750 --> 00:36:04,160
listeners of course

936
00:36:10,550 --> 00:36:08,710
wow

937
00:36:12,710 --> 00:36:10,560
it's actually just a painted backdrop to

938
00:36:13,990 --> 00:36:12,720

make me look small

939

00:36:19,829 --> 00:36:14,000

yeah

940

00:36:27,829 --> 00:36:23,270

thanks for showing us that that's great

941

00:36:29,750 --> 00:36:27,839

i i started collecting ufo books in uh

942

00:36:31,670 --> 00:36:29,760

only about five years ago so i don't

943

00:36:34,230 --> 00:36:31,680

have much of a collection i have

944

00:36:36,710 --> 00:36:34,240

my house has libraries all several

945

00:36:40,150 --> 00:36:36,720

libraries so one of the reasons i think

946

00:36:42,470 --> 00:36:40,160

we get along as famously as we do yeah

947

00:36:45,270 --> 00:36:42,480

right i wish more people regarded books

948

00:36:46,790 --> 00:36:45,280

as we did and i wish more people read i

949

00:36:48,790 --> 00:36:46,800

like frightening i like the look of

950

00:36:51,030 --> 00:36:48,800

books too i like the look of like a nice

951
00:36:55,589 --> 00:36:51,040
leather-bound book on a shelf absolutely

952
00:36:58,550 --> 00:36:55,599
yeah i think we're a little off topic so

953
00:37:00,790 --> 00:36:58,560
so now what um

954
00:37:02,470 --> 00:37:00,800
tell the listening audience if you would

955
00:37:04,069 --> 00:37:02,480
how you then

956
00:37:05,990 --> 00:37:04,079
uh carried over and i want to talk a

957
00:37:06,829 --> 00:37:06,000
little bit about um

958
00:37:10,470 --> 00:37:06,839
left at

959
00:37:13,589 --> 00:37:10,480
eastgate um so did i say that right

960
00:37:15,430 --> 00:37:13,599
yeah yeah so uh but how did you how did

961
00:37:16,390 --> 00:37:15,440
you progress

962
00:37:18,870 --> 00:37:16,400
um

963
00:37:20,790 --> 00:37:18,880

how did things progress to get to that

964

00:37:22,870 --> 00:37:20,800

point where you started you got involved

965

00:37:25,430 --> 00:37:22,880

with larry warren and started

966

00:37:27,430 --> 00:37:25,440

um on that venture

967

00:37:29,750 --> 00:37:27,440

in 1987

968

00:37:33,670 --> 00:37:29,760

it was the 40th anniversary of roswell

969

00:37:35,349 --> 00:37:33,680

the kenneth arnold sightings uh the

970

00:37:37,030 --> 00:37:35,359

40th anniversary of the modern age of

971

00:37:38,870 --> 00:37:37,040

ufo sightings

972

00:37:41,990 --> 00:37:38,880

and

973

00:37:44,710 --> 00:37:42,000

the mutual ufo network mufon the largest

974

00:37:47,430 --> 00:37:44,720

ufo organization in the world

975

00:37:50,630 --> 00:37:47,440

based in this country

976
00:37:52,630 --> 00:37:50,640
had a particularly memorable conference

977
00:37:54,550 --> 00:37:52,640
it was held at american university in

978
00:37:56,710 --> 00:37:54,560
washington d.c

979
00:37:58,310 --> 00:37:56,720
and i attended it with a friend and

980
00:38:01,030 --> 00:37:58,320
among the speakers

981
00:38:04,950 --> 00:38:01,040
was this young man who purported to be a

982
00:38:06,310 --> 00:38:04,960
witness to a case that um

983
00:38:11,030 --> 00:38:06,320
first broke

984
00:38:12,870 --> 00:38:11,040
in england where it happened uh and

985
00:38:15,109 --> 00:38:12,880
around the world simultaneously of

986
00:38:19,270 --> 00:38:15,119
course in uh

987
00:38:23,670 --> 00:38:21,510
and i had followed the case ever since

988
00:38:25,030 --> 00:38:23,680

it still stands as

989

00:38:27,589 --> 00:38:25,040

great britain's

990

00:38:29,430 --> 00:38:27,599

best known and i think most significant

991

00:38:32,790 --> 00:38:29,440

ufo incident

992

00:38:33,829 --> 00:38:32,800

and his talk was very compelling

993

00:38:36,069 --> 00:38:33,839

we met

994

00:38:38,310 --> 00:38:36,079

i i should say i wasn't a speaker there

995

00:38:41,510 --> 00:38:38,320

but i was on panel discussion

996

00:38:43,750 --> 00:38:41,520

about the abduction phenomena

997

00:38:44,790 --> 00:38:43,760

that was being chaired by dr david

998

00:38:47,430 --> 00:38:44,800

jacobs

999

00:38:50,069 --> 00:38:47,440

a historian from temple university and a

1000

00:38:54,069 --> 00:38:50,079

well-known abduction researcher

1001

00:38:56,710 --> 00:38:54,079

and i was there in in

1002

00:38:59,030 --> 00:38:56,720

a double spirit as the assistant about

1003

00:39:01,670 --> 00:38:59,040

hopkins and as somebody that grew up

1004

00:39:04,630 --> 00:39:01,680

with an abductee in the family

1005

00:39:06,310 --> 00:39:04,640

my future co-author heard me and decided

1006

00:39:09,829 --> 00:39:06,320

i was the person he wanted to write a

1007

00:39:11,829 --> 00:39:09,839

book with about his incident

1008

00:39:15,190 --> 00:39:11,839

and we met in the hallway rather

1009

00:39:16,950 --> 00:39:15,200

inadvertently on the sunday decided i

1010

00:39:19,190 --> 00:39:16,960

decided i wanted to do an interview with

1011

00:39:21,589 --> 00:39:19,200

him i didn't know he had any intention

1012

00:39:23,910 --> 00:39:21,599

of writing a book

1013

00:39:26,710 --> 00:39:23,920

but i was 12 years into the work at that

1014

00:39:28,710 --> 00:39:26,720

point and starting to think about

1015

00:39:30,710 --> 00:39:28,720

um

1016

00:39:32,790 --> 00:39:30,720

a more in-depth project i had had

1017

00:39:35,190 --> 00:39:32,800

articles published by that time i

1018

00:39:37,190 --> 00:39:35,200

certainly had spoken at conferences

1019

00:39:39,270 --> 00:39:37,200

and i probably would have ended up

1020

00:39:41,109 --> 00:39:39,280

writing a book not surprisingly on the

1021

00:39:42,870 --> 00:39:41,119

abduction phenomena

1022

00:39:43,910 --> 00:39:42,880

possibly about working with bud and the

1023

00:39:46,310 --> 00:39:43,920

like

1024

00:39:49,270 --> 00:39:46,320

and he came to my apartment the next

1025

00:39:51,910 --> 00:39:49,280

weekend made his proposal

1026

00:39:54,310 --> 00:39:51,920

i took it at face value accepted and we

1027

00:39:56,710 --> 00:39:54,320

began to work on a book

1028

00:39:58,829 --> 00:39:56,720

that took us nine years until completion

1029

00:40:01,910 --> 00:39:58,839

and was published in

1030

00:40:02,790 --> 00:40:01,920

1997 nine years wow

1031

00:40:04,870 --> 00:40:02,800

yeah

1032

00:40:07,190 --> 00:40:04,880

um

1033

00:40:10,310 --> 00:40:07,200

it did moderately well in this country

1034

00:40:11,109 --> 00:40:10,320

uh rarely do ufo books really take off

1035

00:40:12,790 --> 00:40:11,119

here

1036

00:40:14,630 --> 00:40:12,800

but it did very well in the united

1037

00:40:16,950 --> 00:40:14,640

kingdom and

1038

00:40:20,310 --> 00:40:16,960

over the next years

1039

00:40:21,430 --> 00:40:20,320

i lectured on the subject

1040

00:40:24,069 --> 00:40:21,440

certainly

1041

00:40:26,470 --> 00:40:24,079

with him on my own

1042

00:40:28,470 --> 00:40:26,480

continued to research it continued to

1043

00:40:30,470 --> 00:40:28,480

return to the area

1044

00:40:33,430 --> 00:40:30,480

i was fascinated by this particular

1045

00:40:34,790 --> 00:40:33,440

incident and all of its permutations

1046

00:40:37,589 --> 00:40:34,800

and

1047

00:40:38,790 --> 00:40:37,599

it was not until a little over two years

1048

00:40:42,550 --> 00:40:38,800

ago

1049

00:40:45,190 --> 00:40:42,560

that his account started to unravel

1050

00:40:46,470 --> 00:40:45,200

i went into some very serious denial

1051
00:40:48,230 --> 00:40:46,480
about it i

1052
00:40:49,670 --> 00:40:48,240
rejected the possibility that i could

1053
00:40:52,630 --> 00:40:49,680
have been taken in

1054
00:40:55,270 --> 00:40:52,640
by somebody who was telling me

1055
00:40:59,910 --> 00:40:55,280
half truths confabulations lies as well

1056
00:41:02,710 --> 00:41:01,030
but

1057
00:41:05,270 --> 00:41:02,720
people started to do their own

1058
00:41:07,829 --> 00:41:05,280
investigations and started to write to

1059
00:41:09,670 --> 00:41:07,839
me with increasing frustration

1060
00:41:12,309 --> 00:41:09,680
uh until i began to look at this

1061
00:41:13,670 --> 00:41:12,319
material and much to my

1062
00:41:14,870 --> 00:41:13,680
embarrassment

1063
00:41:17,030 --> 00:41:14,880

horror

1064

00:41:20,309 --> 00:41:17,040

sadness embarrassment

1065

00:41:21,910 --> 00:41:20,319

i realized that um

1066

00:41:23,990 --> 00:41:21,920

at the least a good deal of what he had

1067

00:41:26,069 --> 00:41:24,000

told me that i had believed

1068

00:41:28,150 --> 00:41:26,079

uh that i had not double checked on

1069

00:41:29,030 --> 00:41:28,160

certain things that i had taken his word

1070

00:41:32,309 --> 00:41:29,040

for

1071

00:41:34,550 --> 00:41:32,319

um

1072

00:41:36,390 --> 00:41:34,560

and that he was in no way the person

1073

00:41:37,270 --> 00:41:36,400

that i thought he was

1074

00:41:38,950 --> 00:41:37,280

uh

1075

00:41:41,910 --> 00:41:38,960

beginning a period of time which

1076
00:41:43,990 --> 00:41:41,920
certainly was the roughest i've ever had

1077
00:41:45,430 --> 00:41:44,000
in what i'll laughingly call my career

1078
00:41:48,230 --> 00:41:45,440
in ufology

1079
00:41:49,910 --> 00:41:48,240
um i have spent a good part of the last

1080
00:41:52,390 --> 00:41:49,920
year and a half

1081
00:41:54,870 --> 00:41:52,400
making amends with as many of the people

1082
00:41:57,910 --> 00:41:54,880
who i ultimately wronged

1083
00:42:00,829 --> 00:41:57,920
or cut off as friends or

1084
00:42:04,230 --> 00:42:00,839
mised our readers about

1085
00:42:06,470 --> 00:42:04,240
um and um

1086
00:42:08,550 --> 00:42:06,480
in some respects i will probably never

1087
00:42:10,870 --> 00:42:08,560
live it down and that's the way it is

1088
00:42:12,390 --> 00:42:10,880

i've been through worse in my life

1089

00:42:16,710 --> 00:42:12,400

but um

1090

00:42:18,630 --> 00:42:16,720

when it all finally blew up early last

1091

00:42:20,710 --> 00:42:18,640

year

1092

00:42:22,309 --> 00:42:20,720

i had to call it to the attention of our

1093

00:42:24,309 --> 00:42:22,319

publisher

1094

00:42:27,349 --> 00:42:24,319

who

1095

00:42:30,390 --> 00:42:27,359

republished this book in 2005

1096

00:42:32,790 --> 00:42:30,400

in an expanded edition

1097

00:42:34,630 --> 00:42:32,800

alex daki is his name he's a lovely man

1098

00:42:36,470 --> 00:42:34,640

he runs a company

1099

00:42:38,950 --> 00:42:36,480

called

1100

00:42:41,190 --> 00:42:38,960

cosimo books in new york city we had

1101
00:42:43,670 --> 00:42:41,200
become good friends over the years

1102
00:42:45,910 --> 00:42:43,680
and it was with a lot of sadness i had

1103
00:42:47,670 --> 00:42:45,920
to tell him that he needed to conduct

1104
00:42:49,430 --> 00:42:47,680
his own investigation

1105
00:42:51,829 --> 00:42:49,440
and if he had come if he came to the

1106
00:42:52,710 --> 00:42:51,839
same conclusions i had

1107
00:42:56,069 --> 00:42:52,720
that

1108
00:42:57,510 --> 00:42:56,079
this book needed to be removed from uh

1109
00:42:59,829 --> 00:42:57,520
publication

1110
00:43:02,309 --> 00:42:59,839
which said me more than i can say i will

1111
00:43:03,670 --> 00:43:02,319
always stand by the parts of the book

1112
00:43:05,109 --> 00:43:03,680
that are mine

1113
00:43:06,470 --> 00:43:05,119

that were not

1114

00:43:09,190 --> 00:43:06,480
influenced

1115

00:43:14,069 --> 00:43:09,200
or working on information that i

1116

00:43:15,670 --> 00:43:14,079
believed was real and was not and

1117

00:43:17,829 --> 00:43:15,680
in fact they began their own

1118

00:43:20,710 --> 00:43:17,839
investigation last october they

1119

00:43:22,550 --> 00:43:20,720
completed it in january at which point a

1120

00:43:24,630 --> 00:43:22,560
press release went out that the book was

1121

00:43:28,069 --> 00:43:24,640
going out of print it will never be in

1122

00:43:30,630 --> 00:43:28,079
print again before that i

1123

00:43:34,390 --> 00:43:30,640
on my own

1124

00:43:36,710 --> 00:43:34,400
removed two follow-up books that i wrote

1125

00:43:39,109 --> 00:43:36,720
once again supporting my former

1126

00:43:41,670 --> 00:43:39,119

co-authors account

1127

00:43:45,829 --> 00:43:41,680

one a digital book that was put online

1128

00:43:47,750 --> 00:43:45,839

uh 450 pages um most of which was just

1129

00:43:50,710 --> 00:43:47,760

raw documentation

1130

00:43:53,910 --> 00:43:50,720

and a follow-up book

1131

00:43:56,470 --> 00:43:53,920

that really was focused on

1132

00:43:58,710 --> 00:43:56,480

defaming

1133

00:44:00,309 --> 00:43:58,720

the deputy-based commander charles i

1134

00:44:02,069 --> 00:44:00,319

halt

1135

00:44:03,910 --> 00:44:02,079

whose life i helped to make rather

1136

00:44:06,550 --> 00:44:03,920

miserable for

1137

00:44:09,670 --> 00:44:06,560

more than 25 years

1138

00:44:12,230 --> 00:44:09,680

i am glad to say uh

1139

00:44:15,510 --> 00:44:12,240

he and i have uh he has accepted my

1140

00:44:17,750 --> 00:44:15,520

apologies we have been in contact i only

1141

00:44:19,349 --> 00:44:17,760

wish him the best he knows how i feel

1142

00:44:21,670 --> 00:44:19,359

about what has happened

1143

00:44:25,270 --> 00:44:21,680

and um

1144

00:44:28,470 --> 00:44:25,280

life goes on wow peter um first of all

1145

00:44:30,950 --> 00:44:28,480

um that is gracious of you to

1146

00:44:32,790 --> 00:44:30,960

apologize and um you know i've talked to

1147

00:44:35,270 --> 00:44:32,800

what's gracious it was the only thing to

1148

00:44:37,430 --> 00:44:35,280

do i'm sorry to say many people are not

1149

00:44:38,790 --> 00:44:37,440

in the habit of admitting publicly that

1150

00:44:41,510 --> 00:44:38,800

they have made

1151
00:44:44,950 --> 00:44:41,520
extremely embarrassing error and that's

1152
00:44:46,870 --> 00:44:44,960
a shame uh it's hardly a guy thing but

1153
00:44:49,670 --> 00:44:46,880
that's not the way i was brought up um

1154
00:44:52,069 --> 00:44:49,680
it was the only decision to follow well

1155
00:44:54,950 --> 00:44:52,079
you know you were you were betrayed

1156
00:44:55,990 --> 00:44:54,960
um you're only human uh you believed in

1157
00:44:59,109 --> 00:44:56,000
someone

1158
00:45:00,790 --> 00:44:59,119
and uh they betrayed you and um i'm

1159
00:45:01,829 --> 00:45:00,800
really sorry for that on all those

1160
00:45:04,470 --> 00:45:01,839
accounts

1161
00:45:06,150 --> 00:45:04,480
that i've heard charles halt say you

1162
00:45:07,030 --> 00:45:06,160
know he never remembers larry being

1163
00:45:10,069 --> 00:45:07,040

there

1164

00:45:12,309 --> 00:45:10,079

um so let me try to get this

1165

00:45:15,430 --> 00:45:12,319

straight to back up just a little bit

1166

00:45:17,589 --> 00:45:15,440

do you believe that larry just went by

1167

00:45:18,710 --> 00:45:17,599

all the hearsay when the people came you

1168

00:45:21,030 --> 00:45:18,720

know the

1169

00:45:23,109 --> 00:45:21,040

his fellow military people were talking

1170

00:45:24,630 --> 00:45:23,119

about the story behind the scenes

1171

00:45:26,550 --> 00:45:24,640

um do you think he just picked up

1172

00:45:27,190 --> 00:45:26,560

everything and then he went public with

1173

00:45:28,950 --> 00:45:27,200

it

1174

00:45:30,950 --> 00:45:28,960

how did all that come about how did he

1175

00:45:33,510 --> 00:45:30,960

come up with his side of the

1176

00:45:34,870 --> 00:45:33,520

the fault story so to speak

1177

00:45:36,390 --> 00:45:34,880

well that's

1178

00:45:38,390 --> 00:45:36,400

something we could do quite a number of

1179

00:45:40,790 --> 00:45:38,400

shows in a row on

1180

00:45:43,430 --> 00:45:40,800

at this point martin i don't even know

1181

00:45:44,829 --> 00:45:43,440

what to think about so much of what he

1182

00:45:48,309 --> 00:45:44,839

put on the record

1183

00:45:50,550 --> 00:45:48,319

uh by some accounts he was out there by

1184

00:45:52,710 --> 00:45:50,560

others he was not

1185

00:45:55,510 --> 00:45:52,720

the fact that he knew

1186

00:45:58,309 --> 00:45:55,520

certain things does not necessarily mean

1187

00:45:59,190 --> 00:45:58,319

that he was involved in them

1188

00:46:00,390 --> 00:45:59,200

but

1189

00:46:01,670 --> 00:46:00,400

i don't know

1190

00:46:04,069 --> 00:46:01,680

and

1191

00:46:06,230 --> 00:46:04,079

as i i wrote in a very long polemic

1192

00:46:07,109 --> 00:46:06,240

about this that anybody interested can

1193

00:46:10,630 --> 00:46:07,119

read

1194

00:46:13,670 --> 00:46:10,640

by going to uh my website peter robbins

1195

00:46:15,589 --> 00:46:13,680

ny that's in new york uh peter robbins

1196

00:46:18,069 --> 00:46:15,599

ny.com

1197

00:46:19,990 --> 00:46:18,079

front and center you will

1198

00:46:21,270 --> 00:46:20,000

have an opportunity to read

1199

00:46:23,109 --> 00:46:21,280

a very long

1200

00:46:25,829 --> 00:46:23,119

response piece that i wrote on this and

1201
00:46:27,349 --> 00:46:25,839
published last june

1202
00:46:35,270 --> 00:46:27,359
i

1203
00:46:37,990 --> 00:46:35,280
doubly say here that

1204
00:46:40,390 --> 00:46:38,000
this does not affect

1205
00:46:43,430 --> 00:46:40,400
the reality of the incident which most

1206
00:46:46,550 --> 00:46:43,440
certainly happened was extraordinarily

1207
00:46:48,550 --> 00:46:46,560
significant involved many credible

1208
00:46:50,230 --> 00:46:48,560
witnesses

1209
00:46:51,910 --> 00:46:50,240
first among them

1210
00:46:53,589 --> 00:46:51,920
one of the witnesses on the first night

1211
00:46:55,589 --> 00:46:53,599
john burroughs there were three nights

1212
00:46:58,950 --> 00:46:55,599
larry alleging he's involved on the last

1213
00:47:01,910 --> 00:46:58,960

night who continues i think to lead

1214

00:47:04,150 --> 00:47:01,920

this work and who spoke at a conference

1215

00:47:06,390 --> 00:47:04,160

in woodbridge england

1216

00:47:07,349 --> 00:47:06,400

the closest town to where these events

1217

00:47:09,430 --> 00:47:07,359

happened

1218

00:47:10,870 --> 00:47:09,440

just this past weekend

1219

00:47:12,710 --> 00:47:10,880

along with other

1220

00:47:15,430 --> 00:47:12,720

preeminent people involved in

1221

00:47:17,829 --> 00:47:15,440

investigating the case

1222

00:47:19,589 --> 00:47:17,839

i am burned out on it and i feel i've

1223

00:47:20,870 --> 00:47:19,599

lost

1224

00:47:23,430 --> 00:47:20,880

and rightly

1225

00:47:25,910 --> 00:47:23,440

the right to

1226

00:47:28,150 --> 00:47:25,920

participate in continuing research in

1227

00:47:29,990 --> 00:47:28,160

this particular event which at this

1228

00:47:33,190 --> 00:47:30,000

point is fine with me

1229

00:47:35,430 --> 00:47:33,200

i will always hope to return to that

1230

00:47:37,030 --> 00:47:35,440

area i'm hoping to next year

1231

00:47:38,950 --> 00:47:37,040

some of the dearest people in my life

1232

00:47:41,750 --> 00:47:38,960

live in the area it is a fascinating

1233

00:47:43,190 --> 00:47:41,760

part of england only about 70 miles from

1234

00:47:45,510 --> 00:47:43,200

london

1235

00:47:47,190 --> 00:47:45,520

anybody interested in the subject

1236

00:47:49,190 --> 00:47:47,200

planning a visit there

1237

00:47:50,230 --> 00:47:49,200

they are welcome to contact me through

1238

00:47:52,470 --> 00:47:50,240

you

1239

00:47:54,630 --> 00:47:52,480

i will help them if i can

1240

00:47:55,750 --> 00:47:54,640

uh to connect up with some friends there

1241

00:47:58,069 --> 00:47:55,760

who can take you to some of the

1242

00:48:00,630 --> 00:47:58,079

locations um

1243

00:48:02,550 --> 00:48:00,640

it's an extraordinarily important event

1244

00:48:04,790 --> 00:48:02,560

and um yes

1245

00:48:06,870 --> 00:48:04,800

i'm just not part of it anymore except

1246

00:48:09,430 --> 00:48:06,880

in the respect that we're talking about

1247

00:48:10,390 --> 00:48:09,440

yes um so peter when

1248

00:48:16,069 --> 00:48:10,400

this

1249

00:48:18,150 --> 00:48:16,079

before you confronted larry um

1250

00:48:20,309 --> 00:48:18,160

did you have like a gut feeling like

1251

00:48:22,549 --> 00:48:20,319

something was wrong for that you just

1252

00:48:25,430 --> 00:48:22,559

tried to push away for a while

1253

00:48:27,510 --> 00:48:25,440

or it and and what actually made you say

1254

00:48:30,790 --> 00:48:27,520

all of a sudden say okay

1255

00:48:31,990 --> 00:48:30,800

uh all right i have to confront this

1256

00:48:34,069 --> 00:48:32,000

um

1257

00:48:37,190 --> 00:48:34,079

if one reads the book and copies will

1258

00:48:39,109 --> 00:48:37,200

always be available um as used books or

1259

00:48:42,069 --> 00:48:39,119

some of your listeners may have copies i

1260

00:48:43,430 --> 00:48:42,079

have a copy yeah um when you get to the

1261

00:48:45,190 --> 00:48:43,440

part

1262

00:48:47,510 --> 00:48:45,200

in the second half of the book that is

1263

00:48:50,950 --> 00:48:47,520

my first person account

1264

00:48:53,190 --> 00:48:50,960

you will read early on that

1265

00:48:55,510 --> 00:48:53,200

i was unsure at times

1266

00:49:00,069 --> 00:48:55,520

but i didn't trust my intuition

1267

00:49:02,870 --> 00:49:00,079

i felt the story was that important and

1268

00:49:05,990 --> 00:49:02,880

the rationale that carried me through to

1269

00:49:09,030 --> 00:49:06,000

support him in so many ways for so long

1270

00:49:10,150 --> 00:49:09,040

in part revolved around uh my belief

1271

00:49:14,309 --> 00:49:10,160

that he

1272

00:49:16,790 --> 00:49:14,319

suffering post-traumatic stress that

1273

00:49:18,710 --> 00:49:16,800

there were people out to bring him down

1274

00:49:20,790 --> 00:49:18,720

and um

1275

00:49:22,710 --> 00:49:20,800

he is nothing if not

1276

00:49:25,430 --> 00:49:22,720

convincing um

1277

00:49:28,829 --> 00:49:25,440

passionate in fact very charismatic

1278

00:49:33,430 --> 00:49:28,839

uh very likable

1279

00:49:37,030 --> 00:49:33,440

um when he wants to put that out there

1280

00:49:38,870 --> 00:49:37,040

but it really um came to a head uh a

1281

00:49:40,470 --> 00:49:38,880

little less than for me a little less

1282

00:49:42,630 --> 00:49:40,480

than two years ago

1283

00:49:44,950 --> 00:49:42,640

at a conference we were both supposed to

1284

00:49:47,109 --> 00:49:44,960

schedule to speak out in glasgow

1285

00:49:48,069 --> 00:49:47,119

scotland

1286

00:49:49,270 --> 00:49:48,079

we're

1287

00:49:52,150 --> 00:49:49,280

literally

1288

00:49:53,430 --> 00:49:52,160

in the last few days leading to it

1289

00:49:56,150 --> 00:49:53,440

and it was going to be the first time we

1290

00:49:57,829 --> 00:49:56,160

had spoken together on the same stage in

1291

00:50:00,790 --> 00:49:57,839

a decade

1292

00:50:03,510 --> 00:50:00,800

which the organizer a great woman in

1293

00:50:05,589 --> 00:50:03,520

glasgow named allison dunlap

1294

00:50:07,990 --> 00:50:05,599

who worked long and hard to raise the

1295

00:50:10,230 --> 00:50:08,000

funds to bring us there

1296

00:50:11,990 --> 00:50:10,240

and did a lot of work to create an event

1297

00:50:13,190 --> 00:50:12,000

that was going to culminate with an hour

1298

00:50:14,470 --> 00:50:13,200

and a half talk by us

1299

00:50:15,750 --> 00:50:14,480

[Music]

1300

00:50:18,309 --> 00:50:15,760

that a

1301

00:50:20,790 --> 00:50:18,319

a woman posted a note to him

1302

00:50:22,630 --> 00:50:20,800

on an appropriate facebook thread that

1303

00:50:23,589 --> 00:50:22,640

she might be in the audience and if she

1304

00:50:25,190 --> 00:50:23,599

did

1305

00:50:27,670 --> 00:50:25,200

if she was that she was going to ask him

1306

00:50:28,950 --> 00:50:27,680

a question that he might not like

1307

00:50:30,790 --> 00:50:28,960

his

1308

00:50:33,589 --> 00:50:30,800

response not uncommon for him

1309

00:50:36,309 --> 00:50:33,599

unfortunately was to threaten her

1310

00:50:40,069 --> 00:50:37,510

really the

1311

00:50:41,910 --> 00:50:40,079

conference was held at the university of

1312

00:50:43,349 --> 00:50:41,920

glasgow and she i think very

1313

00:50:44,390 --> 00:50:43,359

appropriately brought it to their

1314

00:50:46,230 --> 00:50:44,400

attention

1315

00:50:47,910 --> 00:50:46,240

he was banned from speaking at the

1316

00:50:50,549 --> 00:50:47,920

conference

1317

00:50:53,349 --> 00:50:50,559

lied to my face about a number of things

1318

00:50:55,990 --> 00:50:53,359

and then in follow-up when i began to

1319

00:50:58,950 --> 00:50:56,000

question him about specifics he refused

1320

00:51:00,309 --> 00:50:58,960

to answer any of my questions uh started

1321

00:51:04,470 --> 00:51:00,319

to threaten me

1322

00:51:05,349 --> 00:51:04,480

and um that was it uh enough already

1323

00:51:15,829 --> 00:51:05,359

i

1324

00:51:17,589 --> 00:51:15,839

have the courage to

1325

00:51:20,230 --> 00:51:17,599

you know admit

1326

00:51:23,270 --> 00:51:20,240

that he had misled people

1327

00:51:26,069 --> 00:51:23,280

but he would have none of it and um

1328

00:51:27,430 --> 00:51:26,079

i haven't been in touch with him in

1329

00:51:29,349 --> 00:51:27,440

well certainly more than a year and a

1330

00:51:31,589 --> 00:51:29,359

half in any manner

1331

00:51:33,349 --> 00:51:31,599

is he do you think that he's just

1332

00:51:37,670 --> 00:51:33,359

denying

1333

00:51:39,510 --> 00:51:37,680

ground

1334

00:51:43,109 --> 00:51:39,520

i think that it's what he continues to

1335

00:51:46,470 --> 00:51:43,119

do and frankly i could care less

1336

00:51:47,750 --> 00:51:46,480

well um it's a what's really the shame

1337

00:51:49,750 --> 00:51:47,760

about this

1338

00:51:51,030 --> 00:51:49,760

for the most part is all the time and

1339

00:51:53,030 --> 00:51:51,040

all the effort

1340

00:51:54,870 --> 00:51:53,040

that you put into this because you

1341

00:51:57,190 --> 00:51:54,880

believed in someone you know and that's

1342

00:51:59,670 --> 00:51:57,200

really not your fault it's really uh

1343

00:52:01,829 --> 00:51:59,680

you know anyone can tend to do that and

1344

00:52:04,069 --> 00:52:01,839

uh you know i i've

1345

00:52:05,190 --> 00:52:04,079

i've had conversations with alejandro

1346

00:52:07,030 --> 00:52:05,200

about this and

1347

00:52:08,630 --> 00:52:07,040

you know it is a it's a shame that you

1348

00:52:11,990 --> 00:52:08,640

were taken in and

1349

00:52:13,990 --> 00:52:12,000

i'm glad that you um realized it and you

1350

00:52:17,510 --> 00:52:14,000

did something about it so

1351
00:52:21,270 --> 00:52:17,520
for you anybody that knows me um

1352
00:52:23,910 --> 00:52:21,280
uh knows my character um

1353
00:52:26,150 --> 00:52:23,920
the only reason i got involved in this

1354
00:52:27,670 --> 00:52:26,160
so many years ago was

1355
00:52:28,790 --> 00:52:27,680
to try to find out what had happened to

1356
00:52:31,910 --> 00:52:28,800
my sister

1357
00:52:33,990 --> 00:52:31,920
to try to understand the implications of

1358
00:52:35,270 --> 00:52:34,000
this truly anomalous phenomena for

1359
00:52:36,790 --> 00:52:35,280
humanity

1360
00:52:38,150 --> 00:52:36,800
um

1361
00:52:40,069 --> 00:52:38,160
and

1362
00:52:42,390 --> 00:52:40,079
i am the kind of person that can be

1363
00:52:44,390 --> 00:52:42,400

fooled what i would have never imagined

1364

00:52:46,390 --> 00:52:44,400

what i didn't imagine which one of the

1365

00:52:48,549 --> 00:52:46,400

things that shocked me so much

1366

00:52:51,190 --> 00:52:48,559

was that by the time he met me he

1367

00:52:52,870 --> 00:52:51,200

already intended to deceive

1368

00:52:55,589 --> 00:52:52,880

whomever it was he was going to be

1369

00:52:57,990 --> 00:52:55,599

working with and by extension are

1370

00:52:59,750 --> 00:52:58,000

thousands of readers

1371

00:53:02,150 --> 00:52:59,760

as a result

1372

00:53:04,309 --> 00:53:02,160

some of the documentation his official

1373

00:53:05,910 --> 00:53:04,319

documentation that he gave me

1374

00:53:08,390 --> 00:53:05,920

had been altered

1375

00:53:09,990 --> 00:53:08,400

which i simply didn't suspect even for a

1376
00:53:13,109 --> 00:53:10,000
moment

1377
00:53:16,630 --> 00:53:13,119
and there are other issues outside of

1378
00:53:20,790 --> 00:53:18,390
that

1379
00:53:23,829 --> 00:53:20,800
reflect

1380
00:53:25,030 --> 00:53:23,839
character problems that

1381
00:53:27,750 --> 00:53:25,040
for me

1382
00:53:28,470 --> 00:53:27,760
always enter into the matrix of who you

1383
00:53:31,589 --> 00:53:28,480
are

1384
00:53:33,750 --> 00:53:31,599
i i've had people say well you know the

1385
00:53:35,670 --> 00:53:33,760
fact that he has dealt in rock and roll

1386
00:53:38,549 --> 00:53:35,680
memorabilia that he has forged which is

1387
00:53:40,630 --> 00:53:38,559
an absolute fact going back many years

1388
00:53:42,790 --> 00:53:40,640

uh as well as yeah

1389

00:53:45,430 --> 00:53:42,800

as well as the provenance the forged

1390

00:53:47,910 --> 00:53:45,440

providence for it he's very good at it

1391

00:53:50,230 --> 00:53:47,920

um that shouldn't reflect on his account

1392

00:53:52,549 --> 00:53:50,240

well you know what i disagree

1393

00:53:54,470 --> 00:53:52,559

uh when you don't tell the truth

1394

00:53:57,109 --> 00:53:54,480

you don't tell the truth and it can

1395

00:54:00,309 --> 00:53:57,119

affect any area of your life

1396

00:54:01,990 --> 00:54:00,319

yes i totally agree with that um

1397

00:54:03,990 --> 00:54:02,000

well

1398

00:54:06,870 --> 00:54:04,000

anyway we don't want to stay stuck on

1399

00:54:09,430 --> 00:54:06,880

this subject i do believe that is a

1400

00:54:11,829 --> 00:54:09,440

fantastic case it's it's right up there

1401
00:54:12,710 --> 00:54:11,839
in the top five i've said that very much

1402
00:54:16,069 --> 00:54:12,720
so

1403
00:54:19,829 --> 00:54:16,079
very important very convoluted too

1404
00:54:22,230 --> 00:54:19,839
and part of the convolution was possibly

1405
00:54:24,390 --> 00:54:22,240
the larry warren you know larry warren

1406
00:54:25,430 --> 00:54:24,400
part of it

1407
00:54:26,309 --> 00:54:25,440
you know

1408
00:54:29,349 --> 00:54:26,319
but

1409
00:54:30,870 --> 00:54:29,359
anyway that's that's over now i'm glad

1410
00:54:32,950 --> 00:54:30,880
uh also

1411
00:54:35,829 --> 00:54:32,960
that uh you did what you did with your

1412
00:54:38,230 --> 00:54:35,839
publisher and uh removing the book

1413
00:54:39,990 --> 00:54:38,240

and um you know you did things right

1414

00:54:41,430 --> 00:54:40,000

peter so

1415

00:54:42,230 --> 00:54:41,440

that's all you can do you did things

1416

00:54:43,109 --> 00:54:42,240

right

1417

00:54:45,430 --> 00:54:43,119

so

1418

00:54:48,230 --> 00:54:45,440

anyway uh we'll move on from that we

1419

00:54:50,150 --> 00:54:48,240

have uh we had some questions come in

1420

00:54:51,990 --> 00:54:50,160

and let me just pull one up that came

1421

00:54:54,630 --> 00:54:52,000

into

1422

00:54:56,069 --> 00:54:54,640

my email and we will check chat later

1423

00:54:59,349 --> 00:54:56,079

also we're going to

1424

00:55:00,470 --> 00:54:59,359

take calls a little bit later

1425

00:55:03,670 --> 00:55:00,480

so

1426
00:55:04,549 --> 00:55:03,680
um carrie wrote this question into

1427
00:55:07,750 --> 00:55:04,559
me

1428
00:55:09,270 --> 00:55:07,760
for you with privately run groups being

1429
00:55:12,230 --> 00:55:09,280
established

1430
00:55:14,230 --> 00:55:12,240
such as youthful talk ufo data

1431
00:55:16,870 --> 00:55:14,240
if they are able to capture scientific

1432
00:55:19,030 --> 00:55:16,880
data that would prove anomalous

1433
00:55:20,630 --> 00:55:19,040
activity in our skies do you think it

1434
00:55:22,470 --> 00:55:20,640
would be

1435
00:55:24,309 --> 00:55:22,480
would gain interest from traditional

1436
00:55:26,390 --> 00:55:24,319
scientific groups and promote interest

1437
00:55:29,349 --> 00:55:26,400
in the study of the subject

1438
00:55:32,069 --> 00:55:29,359

that's an important question kerry

1439

00:55:34,069 --> 00:55:32,079

yes and no

1440

00:55:36,630 --> 00:55:34,079

one of the things i've delved in delved

1441

00:55:37,510 --> 00:55:36,640

into over the decades and keep returning

1442

00:55:40,309 --> 00:55:37,520

to

1443

00:55:42,790 --> 00:55:40,319

is the power of ridicule

1444

00:55:44,470 --> 00:55:42,800

relative to this subject which cuts

1445

00:55:46,309 --> 00:55:44,480

across every line

1446

00:55:48,870 --> 00:55:46,319

it can affect everyday folks and very

1447

00:55:51,670 --> 00:55:48,880

famous folks nobody likes to be made fun

1448

00:55:54,630 --> 00:55:51,680

of and in certain careers it can help to

1449

00:55:59,270 --> 00:55:54,640

destroy your career

1450

00:56:04,789 --> 00:56:02,950

most people who think of themselves as a

1451

00:56:06,870 --> 00:56:04,799

serious contributing member of our

1452

00:56:08,950 --> 00:56:06,880

greater scientific community

1453

00:56:10,710 --> 00:56:08,960

quote-unquote no

1454

00:56:12,870 --> 00:56:10,720

that there's nothing to the subject

1455

00:56:14,789 --> 00:56:12,880

because if there were they'd know

1456

00:56:17,430 --> 00:56:14,799

they're scientists

1457

00:56:18,950 --> 00:56:17,440

ask any of them if they've ever read um

1458

00:56:22,630 --> 00:56:18,960

a book by

1459

00:56:23,589 --> 00:56:22,640

donald kehoe or bud hopkins or jacques

1460

00:56:24,470 --> 00:56:23,599

valet

1461

00:56:28,470 --> 00:56:24,480

or

1462

00:56:30,950 --> 00:56:28,480

rupaul

1463

00:56:32,150 --> 00:56:30,960

exactly uh mk jessup and of course they

1464

00:56:33,589 --> 00:56:32,160

haven't they're busy people and they're

1465

00:56:36,630 --> 00:56:33,599

not going to waste their time on this

1466

00:56:37,829 --> 00:56:36,640

stuff um some of them have closet

1467

00:56:39,430 --> 00:56:37,839

interests

1468

00:56:42,230 --> 00:56:39,440

but um

1469

00:56:46,150 --> 00:56:42,240

to go public with them no matter what

1470

00:56:49,910 --> 00:56:46,160

the alleged evidence suggests

1471

00:56:51,990 --> 00:56:49,920

and groups like ufo update i think do us

1472

00:56:53,990 --> 00:56:52,000

a service overall

1473

00:56:55,430 --> 00:56:54,000

however the internet at large is a

1474

00:56:58,069 --> 00:56:55,440

double-edged sword

1475

00:56:59,829 --> 00:56:58,079

and it's one thing to show what looks

1476

00:57:01,589 --> 00:56:59,839

like brilliant footage of a truly

1477

00:57:03,589 --> 00:57:01,599

anomalous craft

1478

00:57:04,710 --> 00:57:03,599

and then when you start to dig down and

1479

00:57:07,430 --> 00:57:04,720

find out

1480

00:57:10,069 --> 00:57:07,440

that you really cannot pin down the

1481

00:57:12,470 --> 00:57:10,079

person who is alleged to have taken the

1482

00:57:13,750 --> 00:57:12,480

photos getting information on the

1483

00:57:16,390 --> 00:57:13,760

location

1484

00:57:19,030 --> 00:57:16,400

any other witness testimonies

1485

00:57:21,349 --> 00:57:19,040

photo analysis for it

1486

00:57:23,670 --> 00:57:21,359

these things begin to fall apart

1487

00:57:26,870 --> 00:57:23,680

so i i think we're still some ways off

1488

00:57:28,789 --> 00:57:26,880

on that it may take some extraordinary

1489

00:57:30,870 --> 00:57:28,799

science fiction level event

1490

00:57:33,430 --> 00:57:30,880

to wake people up

1491

00:57:37,430 --> 00:57:33,440

especially in the scientific community i

1492

00:57:40,789 --> 00:57:37,440

absolutely understand um why

1493

00:57:46,069 --> 00:57:43,670

done deep research into the origins of

1494

00:57:47,910 --> 00:57:46,079

the ridicule factor

1495

00:57:50,470 --> 00:57:47,920

and a paper i'll be happy to forward to

1496

00:57:55,750 --> 00:57:52,150

that delves into it

1497

00:57:58,150 --> 00:57:55,760

at length and goes into detail

1498

00:58:00,150 --> 00:57:58,160

uh about people who were presidents

1499

00:58:01,829 --> 00:58:00,160

presidential candidates leading

1500

00:58:03,829 --> 00:58:01,839

political figures

1501

00:58:06,230 --> 00:58:03,839

billionaires uh

1502

00:58:08,309 --> 00:58:06,240

uh important people in

1503

00:58:09,829 --> 00:58:08,319

society so to say well-known people if

1504

00:58:11,829 --> 00:58:09,839

not important

1505

00:58:14,150 --> 00:58:11,839

and how every one of them was compelled

1506

00:58:15,670 --> 00:58:14,160

to back down sooner or later

1507

00:58:18,470 --> 00:58:15,680

because

1508

00:58:19,270 --> 00:58:18,480

of personal possibility of humiliation

1509

00:58:21,910 --> 00:58:19,280

or

1510

00:58:23,750 --> 00:58:21,920

the possibility of their career going

1511

00:58:25,670 --> 00:58:23,760

down in flames

1512

00:58:28,470 --> 00:58:25,680

uh peter just stepping back a little bit

1513

00:58:31,430 --> 00:58:28,480

to um the former topic

1514

00:58:32,710 --> 00:58:31,440

um do you feel as though you are

1515

00:58:33,510 --> 00:58:32,720

uh

1516

00:58:36,710 --> 00:58:33,520

like

1517

00:58:38,710 --> 00:58:36,720

a little trigger shy into doing another

1518

00:58:40,390 --> 00:58:38,720

book or do you think you'll you'll write

1519

00:58:41,430 --> 00:58:40,400

more

1520

00:58:42,630 --> 00:58:41,440

right

1521

00:58:44,630 --> 00:58:42,640

yeah thank you

1522

00:58:47,510 --> 00:58:44,640

i'm working on a book right now and i'm

1523

00:58:49,829 --> 00:58:47,520

glad to say i've just accepted um

1524

00:58:51,990 --> 00:58:49,839

an invitation to begin writing regularly

1525

00:58:54,150 --> 00:58:52,000

for one of my two favorite

1526

00:58:56,870 --> 00:58:54,160

online uh

1527

00:58:59,910 --> 00:58:56,880

related publications called outer limits

1528

00:59:01,109 --> 00:58:59,920

magazine oh wow that comes to us from

1529

00:59:02,950 --> 00:59:01,119

the uk

1530

00:59:05,349 --> 00:59:02,960

it's right up there with one that's been

1531

00:59:07,910 --> 00:59:05,359

going on for longer called phenomena

1532

00:59:10,789 --> 00:59:07,920

magazine and i encourage all of your

1533

00:59:11,829 --> 00:59:10,799

listeners to subscribe the subscriptions

1534

00:59:13,670 --> 00:59:11,839

are free

1535

00:59:16,789 --> 00:59:13,680

there are no strings attached they don't

1536

00:59:21,190 --> 00:59:19,589

but i am working on a book now and um

1537

00:59:22,549 --> 00:59:21,200

yeah it has made me maybe a little

1538

00:59:24,630 --> 00:59:22,559

trigger shy

1539

00:59:26,150 --> 00:59:24,640

of accepting

1540

00:59:28,789 --> 00:59:26,160

uh

1541

00:59:30,870 --> 00:59:28,799

an extraordinary account at face value

1542

00:59:33,750 --> 00:59:30,880

uh without

1543

00:59:35,910 --> 00:59:33,760

doing uh well i i'm a different person

1544

00:59:38,789 --> 00:59:35,920

and more experienced than i was 30 years

1545

00:59:41,990 --> 00:59:38,799

ago uh when i got involved in this

1546

00:59:43,510 --> 00:59:42,000

project um most of my work though

1547

00:59:46,230 --> 00:59:43,520

outside of this

1548

00:59:48,230 --> 00:59:46,240

has not never really focused in on an

1549

00:59:50,950 --> 00:59:48,240

individual account

1550

00:59:54,390 --> 00:59:50,960

they have to do with moments in post-war

1551

00:59:59,510 --> 00:59:56,950

where i can research it in an archival

1552

01:00:01,990 --> 00:59:59,520

manner through libraries through out of

1553

01:00:04,549 --> 01:00:02,000

print books through interviews with

1554

01:00:07,349 --> 01:00:04,559

people who knew people

1555

01:00:10,230 --> 01:00:07,359

and that is more fail safe

1556

01:00:13,270 --> 01:00:10,240

it's longer it's not as sexy

1557

01:00:14,950 --> 01:00:13,280

it's definitely more time consuming

1558

01:00:18,069 --> 01:00:14,960

but i've produced a lot of good work in

1559

01:00:20,470 --> 01:00:18,079

that spirit and um a lot of it will be

1560

01:00:22,309 --> 01:00:20,480

in this anthology book that will be out

1561

01:00:23,190 --> 01:00:22,319

sometime later this year

1562

01:00:24,789 --> 01:00:23,200

right

1563

01:00:26,710 --> 01:00:24,799

we're going to put the number up on the

1564

01:00:28,230 --> 01:00:26,720

screen peter so

1565

01:00:30,470 --> 01:00:28,240

we're going to invite people to call and

1566

01:00:33,270 --> 01:00:30,480

if anyone wants to give a call i'm going

1567

01:00:35,829 --> 01:00:33,280

to ask ask peter a question

1568

01:00:37,430 --> 01:00:35,839

so we'll get that up um in just a second

1569

01:00:38,309 --> 01:00:37,440

here

1570

01:00:40,630 --> 01:00:38,319

so

1571

01:00:42,710 --> 01:00:40,640

um what do you think

1572

01:00:44,390 --> 01:00:42,720

since um this is something you and i

1573

01:00:45,349 --> 01:00:44,400

have not had a chance to really talk

1574

01:00:47,829 --> 01:00:45,359

about but

1575

01:00:48,789 --> 01:00:47,839

what do you think has changed over the

1576

01:00:51,109 --> 01:00:48,799

last

1577

01:00:53,670 --> 01:00:51,119

uh several months since the december

1578

01:00:55,990 --> 01:00:53,680

16th article came out you know about the

1579

01:00:59,270 --> 01:00:56,000

pentagon researching ufos what do you

1580

01:01:01,829 --> 01:00:59,280

think has changed do you think it's

1581

01:01:04,470 --> 01:01:01,839

a different world now

1582

01:01:07,670 --> 01:01:04,480

it's not a different world but

1583

01:01:09,190 --> 01:01:07,680

it definitely kind of hit an angle and

1584

01:01:11,430 --> 01:01:09,200

is moving off in a slightly different

1585

01:01:13,030 --> 01:01:11,440

direction what you're referring to for

1586

01:01:15,589 --> 01:01:13,040

those who are not aware

1587

01:01:17,109 --> 01:01:15,599

is last december the new york times

1588

01:01:21,030 --> 01:01:17,119

published an article

1589

01:01:24,150 --> 01:01:21,040

uh going into detail about a

1590

01:01:26,630 --> 01:01:24,160

classified project that was funded by

1591

01:01:29,430 --> 01:01:26,640

congress to the tune of 22 million

1592

01:01:32,309 --> 01:01:29,440

dollars with leading congressional

1593

01:01:36,549 --> 01:01:32,319

figures seriously involved in it

1594

01:01:39,510 --> 01:01:36,559

even though the story begins as a small

1595

01:01:41,270 --> 01:01:39,520

box story it begins on the front page

1596

01:01:43,510 --> 01:01:41,280

which is very rare for the new york

1597

01:01:45,510 --> 01:01:43,520

times i am probably the only person you

1598

01:01:46,630 --> 01:01:45,520

will ever meet who has read every single

1599

01:01:49,109 --> 01:01:46,640

article

1600

01:01:51,430 --> 01:01:49,119

editorial commentary

1601
01:01:54,549 --> 01:01:51,440
photo caption letter to the editor

1602
01:01:55,829 --> 01:01:54,559
political cartoon about the subject of

1603
01:01:58,309 --> 01:01:55,839
ufos

1604
01:02:00,230 --> 01:01:58,319
anomalous discs flying saucers that was

1605
01:02:02,390 --> 01:02:00,240
ever published in the new york times so

1606
01:02:03,829 --> 01:02:02,400
i am familiar with the way that they

1607
01:02:05,510 --> 01:02:03,839
work

1608
01:02:07,750 --> 01:02:05,520
it was followed

1609
01:02:08,789 --> 01:02:07,760
on the interior section making it a full

1610
01:02:12,069 --> 01:02:08,799
page

1611
01:02:13,910 --> 01:02:12,079
with the accounts of two respected

1612
01:02:16,150 --> 01:02:13,920
fighter pilots

1613
01:02:17,750 --> 01:02:16,160

and we have had credible accounts from

1614

01:02:20,470 --> 01:02:17,760

fighter pilots in this country and

1615

01:02:23,990 --> 01:02:20,480

around the world for decades

1616

01:02:26,150 --> 01:02:24,000

similar scenarios and a genuinely uh

1617

01:02:27,510 --> 01:02:26,160

unknown object is cited over your

1618

01:02:30,789 --> 01:02:27,520

territory

1619

01:02:33,349 --> 01:02:30,799

it fails to respond to a request to

1620

01:02:36,069 --> 01:02:33,359

identify it jets are scrambled they get

1621

01:02:38,150 --> 01:02:36,079

close enough to see often that it is not

1622

01:02:41,349 --> 01:02:38,160

anything conventional

1623

01:02:43,829 --> 01:02:41,359

and they are ordered to fire on it

1624

01:02:46,549 --> 01:02:43,839

in every case that i am aware of

1625

01:02:48,470 --> 01:02:46,559

where they have been

1626

01:02:50,789 --> 01:02:48,480

their electronics go out

1627

01:02:52,150 --> 01:02:50,799

uh they make a quick move to return to

1628

01:02:54,069 --> 01:02:52,160

base as soon as they turn around

1629

01:02:56,150 --> 01:02:54,079

everything comes back on

1630

01:02:59,990 --> 01:02:56,160

in many cases they're ordered to go back

1631

01:03:02,549 --> 01:03:00,000

uh at it again same thing happens um

1632

01:03:06,950 --> 01:03:02,559

i think there were people credible

1633

01:03:09,589 --> 01:03:06,960

people um people with a public profile

1634

01:03:11,030 --> 01:03:09,599

as well as a lot of regular folks who

1635

01:03:14,150 --> 01:03:11,040

are waiting for

1636

01:03:17,589 --> 01:03:14,160

something like this to appear in print

1637

01:03:19,190 --> 01:03:17,599

um in whether you know you're a liberal

1638

01:03:20,789 --> 01:03:19,200

or conservative whether you love the new

1639

01:03:24,870 --> 01:03:20,799

york times whether you hate the new york

1640

01:03:27,750 --> 01:03:24,880

times um it is a major world publication

1641

01:03:31,109 --> 01:03:27,760

it's um

1642

01:03:33,750 --> 01:03:31,119

it kind of gave more credence to how

1643

01:03:34,950 --> 01:03:33,760

seriously certain elected officials in

1644

01:03:37,430 --> 01:03:34,960

the know

1645

01:03:40,630 --> 01:03:37,440

are about the subject the fact that the

1646

01:03:42,710 --> 01:03:40,640

funding was made available as opposed to

1647

01:03:44,010 --> 01:03:42,720

some mysterious black project that we

1648

01:03:45,589 --> 01:03:44,020

can speculate on

1649

01:03:46,630 --> 01:03:45,599

[Music]

1650

01:03:49,510 --> 01:03:46,640

and

1651
01:03:51,670 --> 01:03:49,520
i think it has caused more people

1652
01:03:54,549 --> 01:03:51,680
to allow themselves

1653
01:03:56,230 --> 01:03:54,559
the luxury if you will of saying to

1654
01:03:58,710 --> 01:03:56,240
somebody else you know i think there is

1655
01:04:02,069 --> 01:03:58,720
something to this subject now i wasn't

1656
01:04:04,309 --> 01:04:02,079
sure before but now i'm more interested

1657
01:04:06,069 --> 01:04:04,319
one thing i can tell you speaking at

1658
01:04:08,630 --> 01:04:06,079
conferences and networking with people

1659
01:04:10,950 --> 01:04:08,640
regularly here and abroad

1660
01:04:12,470 --> 01:04:10,960
especially over the last six or eight

1661
01:04:15,190 --> 01:04:12,480
years

1662
01:04:17,589 --> 01:04:15,200
every year more and more people and

1663
01:04:20,309 --> 01:04:17,599

interestingly uh many of them

1664

01:04:22,950 --> 01:04:20,319

in the 50 to 70 demographic 20 and 30

1665

01:04:25,270 --> 01:04:22,960

something folks

1666

01:04:26,950 --> 01:04:25,280

overall do take the subject seriously

1667

01:04:28,549 --> 01:04:26,960

but they've got a lot of other things on

1668

01:04:30,390 --> 01:04:28,559

their plate

1669

01:04:33,270 --> 01:04:30,400

what i'm trying to say is more and more

1670

01:04:37,270 --> 01:04:35,029

care less and less what other people

1671

01:04:40,789 --> 01:04:37,280

think about what they think about the

1672

01:04:44,309 --> 01:04:40,799

subject and that is important that is a

1673

01:04:45,589 --> 01:04:44,319

sea change for me um and i'm seeing and

1674

01:04:50,069 --> 01:04:45,599

speaking to more and more of these

1675

01:04:52,230 --> 01:04:50,079

people again uh via social networking um

1676

01:04:55,349 --> 01:04:52,240

people who write me on email contact me

1677

01:04:57,910 --> 01:04:55,359

on my facebook page or who i meet uh and

1678

01:04:59,750 --> 01:04:57,920

get to know sometimes um at conferences

1679

01:05:02,789 --> 01:04:59,760

here and abroad

1680

01:05:04,470 --> 01:05:02,799

yes uh peter we had a caller uh call in

1681

01:05:07,029 --> 01:05:04,480

but i didn't want to interrupt you so

1682

01:05:09,029 --> 01:05:07,039

just to let the people out there know if

1683

01:05:11,190 --> 01:05:09,039

you call in what i'm going to do is you

1684

01:05:12,710 --> 01:05:11,200

you'll come in but i'll be putting you

1685

01:05:14,470 --> 01:05:12,720

on hold and you're just going to have to

1686

01:05:16,870 --> 01:05:14,480

wait until i introduce you

1687

01:05:18,150 --> 01:05:16,880

so um i encourage the caller to call

1688

01:05:20,789 --> 01:05:18,160

back

1689

01:05:23,670 --> 01:05:20,799

and uh so

1690

01:05:25,589 --> 01:05:23,680

so the change uh there was actually

1691

01:05:27,430 --> 01:05:25,599

something i wanted to talk to alejandro

1692

01:05:29,670 --> 01:05:27,440

about because george knapp did this uh

1693

01:05:32,069 --> 01:05:29,680

report with this i team report the other

1694

01:05:35,029 --> 01:05:32,079

day um where they

1695

01:05:36,789 --> 01:05:35,039

going back to the tic-tac back in 2004

1696

01:05:37,750 --> 01:05:36,799

on the nimitz

1697

01:05:40,710 --> 01:05:37,760

he

1698

01:05:42,950 --> 01:05:40,720

was able to get some documents

1699

01:05:45,910 --> 01:05:42,960

that were very very interesting they

1700

01:05:47,990 --> 01:05:45,920

were talking about the data

1701
01:05:49,190 --> 01:05:48,000
that was used the equipment that was

1702
01:05:50,470 --> 01:05:49,200
used

1703
01:05:53,670 --> 01:05:50,480
one in particular

1704
01:05:55,510 --> 01:05:53,680
it could track a golf ball at 100 miles

1705
01:05:56,470 --> 01:05:55,520
that they were all focusing on this

1706
01:05:58,789 --> 01:05:56,480
object

1707
01:06:01,990 --> 01:05:58,799
and it was reacting it was reacting to

1708
01:06:04,470 --> 01:06:02,000
dave fravor the pilot

1709
01:06:06,309 --> 01:06:04,480
the one thing that was very clear

1710
01:06:07,750 --> 01:06:06,319
in this which was really interesting

1711
01:06:08,950 --> 01:06:07,760
because there was some confusion i

1712
01:06:10,069 --> 01:06:08,960
thought there was

1713
01:06:11,750 --> 01:06:10,079

was uh

1714

01:06:17,750 --> 01:06:11,760

when the

1715

01:06:18,870 --> 01:06:17,760

hovered shot down to like 50 feet above

1716

01:06:21,589 --> 01:06:18,880

the water

1717

01:06:23,430 --> 01:06:21,599

it was actually hovering over an object

1718

01:06:26,470 --> 01:06:23,440

down in the water that looked about a

1719

01:06:27,910 --> 01:06:26,480

hundred yards across so this is all this

1720

01:06:30,069 --> 01:06:27,920

is all documents that came out

1721

01:06:31,510 --> 01:06:30,079

government documents yeah that george

1722

01:06:32,789 --> 01:06:31,520

knapp is working on

1723

01:06:34,230 --> 01:06:32,799

yes so

1724

01:06:35,430 --> 01:06:34,240

um and that's available you can just

1725

01:06:37,510 --> 01:06:35,440

search google and you can see it

1726

01:06:40,390 --> 01:06:37,520

actually actually on my website i posted

1727

01:06:41,630 --> 01:06:40,400

the the uh the video of the

1728

01:06:43,589 --> 01:06:41,640

report on

1729

01:06:44,710 --> 01:06:43,599

podcastufo.com if anyone wants to check

1730

01:06:47,910 --> 01:06:44,720

that out

1731

01:06:49,430 --> 01:06:47,920

in terms of serious investigators and i

1732

01:06:50,710 --> 01:06:49,440

don't mean

1733

01:06:53,029 --> 01:06:50,720

self-trained

1734

01:06:53,910 --> 01:06:53,039

investigative writers like me i mean

1735

01:06:54,950 --> 01:06:53,920

real

1736

01:06:57,589 --> 01:06:54,960

journalists

1737

01:06:58,870 --> 01:06:57,599

uh you can't get any better than george

1738

01:07:01,109 --> 01:06:58,880

now i agree

1739

01:07:03,430 --> 01:07:01,119

yeah i agree hats off to him

1740

01:07:04,549 --> 01:07:03,440

and um he he does not like compliments

1741

01:07:06,789 --> 01:07:04,559

by the way i don't know if you've ever

1742

01:07:07,910 --> 01:07:06,799

noticed that

1743

01:07:10,309 --> 01:07:07,920

sorry george

1744

01:07:12,069 --> 01:07:10,319

[Laughter]

1745

01:07:13,270 --> 01:07:12,079

okay i'm just typing in if anyone wants

1746

01:07:16,230 --> 01:07:13,280

to call in you're just going to have to

1747

01:07:19,430 --> 01:07:16,240

wait until i um until i bring you in

1748

01:07:22,950 --> 01:07:20,630

so

1749

01:07:25,349 --> 01:07:22,960

what do you think has changed as far as

1750

01:07:27,430 --> 01:07:25,359

the overall attitude i think

1751

01:07:29,750 --> 01:07:27,440

i've noticed a number of things

1752

01:07:30,789 --> 01:07:29,760

for instance the faa actually released

1753

01:07:33,029 --> 01:07:30,799

audio

1754

01:07:35,829 --> 01:07:33,039

um you know in revol

1755

01:07:37,190 --> 01:07:35,839

regard to that arizona ufo which is

1756

01:07:39,430 --> 01:07:37,200

unheard of

1757

01:07:41,510 --> 01:07:39,440

so i think um i think that there are

1758

01:07:42,950 --> 01:07:41,520

some things changing a little bit

1759

01:07:44,069 --> 01:07:42,960

yes

1760

01:07:46,710 --> 01:07:44,079

yeah

1761

01:07:49,750 --> 01:07:46,720

the thing is that frustrates some of my

1762

01:07:51,109 --> 01:07:49,760

colleagues especially

1763

01:07:52,870 --> 01:07:51,119

dear friends

1764

01:07:55,510 --> 01:07:52,880

who are very active

1765

01:07:58,870 --> 01:07:55,520

in what we call the disclosure movement

1766

01:08:00,630 --> 01:07:58,880

is that they're not changing fast enough

1767

01:08:03,270 --> 01:08:00,640

things are changing

1768

01:08:05,910 --> 01:08:03,280

arithmetically

1769

01:08:06,950 --> 01:08:05,920

they change when you see something

1770

01:08:09,270 --> 01:08:06,960

that

1771

01:08:11,109 --> 01:08:09,280

like me as a kid radically alters your

1772

01:08:14,230 --> 01:08:11,119

perception of the world and

1773

01:08:16,390 --> 01:08:14,240

uh the nature of truth um

1774

01:08:18,950 --> 01:08:16,400

or if somebody you know shares something

1775

01:08:21,269 --> 01:08:18,960

with you uh and again a person who you

1776

01:08:22,470 --> 01:08:21,279

absolutely implicitly trust

1777

01:08:25,030 --> 01:08:22,480

um

1778

01:08:27,349 --> 01:08:25,040

but they're changing you know five seven

1779

01:08:28,470 --> 01:08:27,359

nine two people at a time they're not

1780

01:08:31,829 --> 01:08:28,480

changing

1781

01:08:33,669 --> 01:08:31,839

geometrically i remember early on in his

1782

01:08:34,630 --> 01:08:33,679

pioneering work

1783

01:08:37,269 --> 01:08:34,640

as a

1784

01:08:38,550 --> 01:08:37,279

a true uh godfather of disclosure

1785

01:08:39,990 --> 01:08:38,560

movement uh

1786

01:08:41,990 --> 01:08:40,000

my good friend and colleague steve

1787

01:08:44,229 --> 01:08:42,000

bassett and i chatting

1788

01:08:45,269 --> 01:08:44,239

years ago and steve

1789

01:08:46,789 --> 01:08:45,279

um

1790

01:08:48,550 --> 01:08:46,799

said you know

1791

01:08:51,110 --> 01:08:48,560

you're old enough to remember

1792

01:08:52,789 --> 01:08:51,120

the anti-war movement in vietnam

1793

01:08:54,630 --> 01:08:52,799

war

1794

01:08:56,309 --> 01:08:54,640

i certainly do i was an art student in

1795

01:08:57,669 --> 01:08:56,319

new york at the time and very much

1796

01:09:01,189 --> 01:08:57,679

against the war

1797

01:09:02,789 --> 01:09:01,199

um and in the streets uh protesting it

1798

01:09:07,829 --> 01:09:02,799

at different times

1799

01:09:09,829 --> 01:09:07,839

and that movement began to really change

1800

01:09:12,070 --> 01:09:09,839

geometrically

1801
01:09:13,669 --> 01:09:12,080
after ramsey clark

1802
01:09:15,749 --> 01:09:13,679
left as

1803
01:09:18,309 --> 01:09:15,759
attorney general and i think a week

1804
01:09:21,030 --> 01:09:18,319
later emerged as one of the leaders of

1805
01:09:23,030 --> 01:09:21,040
the anti-war movement making lyndon

1806
01:09:24,390 --> 01:09:23,040
johnson i'm sure especially unhappy that

1807
01:09:25,430 --> 01:09:24,400
week

1808
01:09:27,829 --> 01:09:25,440
and

1809
01:09:30,709 --> 01:09:27,839
when the legendary walter cronkite went

1810
01:09:32,470 --> 01:09:30,719
on cbs that night and made it very clear

1811
01:09:35,430 --> 01:09:32,480
he also felt

1812
01:09:36,709 --> 01:09:35,440
that this was no longer viable and a

1813
01:09:40,229 --> 01:09:36,719

wrong war

1814

01:09:41,110 --> 01:09:40,239

our parents started to join us young men

1815

01:09:43,080 --> 01:09:41,120

uh

1816

01:09:44,229 --> 01:09:43,090

who were draft eligible and

1817

01:09:46,870 --> 01:09:44,239

[Music]

1818

01:09:49,110 --> 01:09:46,880

women in the field uh who cared about us

1819

01:09:50,709 --> 01:09:49,120

as well

1820

01:09:53,349 --> 01:09:50,719

i don't think

1821

01:09:57,750 --> 01:09:53,359

the disclosure movement will hit that

1822

01:10:01,910 --> 01:09:59,110

unpredictable

1823

01:10:03,830 --> 01:10:01,920

extremely dramatic that is undeniable in

1824

01:10:06,229 --> 01:10:03,840

an international sense

1825

01:10:09,590 --> 01:10:06,239

happens

1826
01:10:11,830 --> 01:10:09,600
you know i i agree with you on that i've

1827
01:10:15,590 --> 01:10:11,840
said that a number of times similar but

1828
01:10:17,030 --> 01:10:15,600
um i also think that if for some reason

1829
01:10:19,270 --> 01:10:17,040
that

1830
01:10:22,149 --> 01:10:19,280
uh dramatic event happened

1831
01:10:25,590 --> 01:10:22,159
and it was undeniable

1832
01:10:28,470 --> 01:10:25,600
i think now we've had so much softening

1833
01:10:31,030 --> 01:10:28,480
for instance just that one particular

1834
01:10:32,709 --> 01:10:31,040
article coming out and some more people

1835
01:10:33,350 --> 01:10:32,719
looking into it that never did before

1836
01:10:38,630 --> 01:10:33,360
and

1837
01:10:40,709 --> 01:10:38,640
i think our life will just go on i think

1838
01:10:43,030 --> 01:10:40,719

that people will accept it a lot more

1839

01:10:45,270 --> 01:10:43,040

freely now i don't think the world's

1840

01:10:46,790 --> 01:10:45,280

going to come crashing down and religion

1841

01:10:47,910 --> 01:10:46,800

failing and all that i think it's just

1842

01:10:49,350 --> 01:10:47,920

going to be

1843

01:10:51,990 --> 01:10:49,360

accepted and

1844

01:10:53,910 --> 01:10:52,000

it's going to be not forgotten but it's

1845

01:10:56,790 --> 01:10:53,920

we're going to live with it

1846

01:10:59,910 --> 01:10:56,800

yes and no i think people of faith

1847

01:11:01,990 --> 01:10:59,920

will remain people of faith however

1848

01:11:03,669 --> 01:11:02,000

when you and i and like-minded people

1849

01:11:07,910 --> 01:11:03,679

discuss this

1850

01:11:10,470 --> 01:11:07,920

one thing i often observe is that

1851

01:11:12,870 --> 01:11:10,480

we forget that we live in a bubble

1852

01:11:15,750 --> 01:11:12,880

that our views um

1853

01:11:21,669 --> 01:11:15,760

long entrenched in many cases surrounded

1854

01:11:26,630 --> 01:11:24,390

make us forget or not be aware the

1855

01:11:29,910 --> 01:11:26,640

degree to which we are still very much a

1856

01:11:31,590 --> 01:11:29,920

minority and that the great majority of

1857

01:11:34,310 --> 01:11:31,600

other people in this country and around

1858

01:11:36,470 --> 01:11:34,320

the world relative to this subject

1859

01:11:38,470 --> 01:11:36,480

are doing their best

1860

01:11:41,030 --> 01:11:38,480

hopefully to

1861

01:11:43,110 --> 01:11:41,040

pay their bills raise healthy kids um

1862

01:11:45,270 --> 01:11:43,120

hope that there's social security or

1863

01:11:47,430 --> 01:11:45,280

it's equivalent health services when

1864

01:11:49,669 --> 01:11:47,440

they need them um

1865

01:11:51,350 --> 01:11:49,679

live in a decent society that cares

1866

01:11:53,270 --> 01:11:51,360

about its people

1867

01:11:55,669 --> 01:11:53,280

and otherwise sleepwalking their way

1868

01:11:58,950 --> 01:11:55,679

through this subject i think there will

1869

01:12:00,870 --> 01:11:58,960

be a potential tremendous upheaval

1870

01:12:03,110 --> 01:12:00,880

and it's one of the reasons why i'm very

1871

01:12:04,950 --> 01:12:03,120

circumspect about you know power to the

1872

01:12:06,790 --> 01:12:04,960

people everything now

1873

01:12:08,550 --> 01:12:06,800

disclosure on everything

1874

01:12:12,310 --> 01:12:08,560

which was the way i felt

1875

01:12:15,750 --> 01:12:12,320

decades ago when i got into it but

1876
01:12:18,310 --> 01:12:15,760
if you really care about people and how

1877
01:12:20,070 --> 01:12:18,320
they are overall going to react

1878
01:12:22,229 --> 01:12:20,080
that's something you can't allow

1879
01:12:25,270 --> 01:12:22,239
yourself to forget i'm not sure what the

1880
01:12:27,430 --> 01:12:25,280
solution is but that's a fact

1881
01:12:30,310 --> 01:12:27,440
right right

1882
01:12:32,390 --> 01:12:30,320
yeah well i think um

1883
01:12:34,790 --> 01:12:32,400
i think a lot of things have

1884
01:12:37,270 --> 01:12:34,800
like headed toward

1885
01:12:38,790 --> 01:12:37,280
you know i heard i heard ufo researchers

1886
01:12:40,630 --> 01:12:38,800
said disclosure has already happened

1887
01:12:42,630 --> 01:12:40,640
basically you know and i think

1888
01:12:44,470 --> 01:12:42,640

maybe that's it's happened to the extent

1889

01:12:45,669 --> 01:12:44,480

it's going to happen i don't know

1890

01:12:49,189 --> 01:12:45,679

but um

1891

01:12:51,510 --> 01:12:49,199

i think all the way going back to kepler

1892

01:12:54,630 --> 01:12:51,520

um you know just discovering

1893

01:12:56,709 --> 01:12:54,640

um all these possible earth-like planets

1894

01:12:59,110 --> 01:12:56,719

um and just the fact that we have more

1895

01:13:01,350 --> 01:12:59,120

and more information coming at us all

1896

01:13:04,870 --> 01:13:01,360

the time that just seems it's so almost

1897

01:13:06,950 --> 01:13:04,880

impossible for us to be alone um i you

1898

01:13:09,910 --> 01:13:06,960

know and that's i think that's that's a

1899

01:13:12,470 --> 01:13:09,920

fair statement and an understatement um

1900

01:13:13,830 --> 01:13:12,480

over the past decade or so even the most

1901

01:13:15,270 --> 01:13:13,840

conservative

1902

01:13:16,950 --> 01:13:15,280

recalcitrant

1903

01:13:18,950 --> 01:13:16,960

uh

1904

01:13:21,350 --> 01:13:18,960

denying um

1905

01:13:24,229 --> 01:13:21,360

astronomers and members of the

1906

01:13:26,149 --> 01:13:24,239

space-looking scientific community

1907

01:13:28,229 --> 01:13:26,159

have conceded that there are not just

1908

01:13:31,510 --> 01:13:28,239

millions but millions and millions

1909

01:13:33,830 --> 01:13:31,520

potentially of earth-sized planets about

1910

01:13:36,630 --> 01:13:33,840

the same different distance

1911

01:13:37,750 --> 01:13:36,640

that we are from a similar size star to

1912

01:13:41,270 --> 01:13:37,760

the sun

1913

01:13:43,030 --> 01:13:41,280

if you are a religious person uh it sets

1914

01:13:44,550 --> 01:13:43,040

up the potential for the miracle of the

1915

01:13:46,790 --> 01:13:44,560

creation of life

1916

01:13:49,510 --> 01:13:46,800

by god if you are a secular thinking or

1917

01:13:51,110 --> 01:13:49,520

scientifically oriented person uh it

1918

01:13:53,030 --> 01:13:51,120

sets up the building blocks for the

1919

01:13:56,390 --> 01:13:53,040

primordial ooze that the first

1920

01:13:58,229 --> 01:13:56,400

one-celled animal was created in and

1921

01:14:01,750 --> 01:13:58,239

you know gave birth to a two-celled

1922

01:14:02,709 --> 01:14:01,760

animal uh a creature whatever

1923

01:14:06,550 --> 01:14:02,719

so yeah

1924

01:14:09,350 --> 01:14:07,510

i think

1925

01:14:11,030 --> 01:14:09,360

part of what is keeping

1926

01:14:12,310 --> 01:14:11,040

those folks stuck

1927

01:14:13,669 --> 01:14:12,320

besides

1928

01:14:15,189 --> 01:14:13,679

ridicule

1929

01:14:18,070 --> 01:14:15,199

is

1930

01:14:21,510 --> 01:14:18,080

for some people

1931

01:14:27,030 --> 01:14:24,709

hard to think about giving up

1932

01:14:29,669 --> 01:14:27,040

the role that we humans have come to

1933

01:14:32,310 --> 01:14:29,679

think of ourselves in even if we are

1934

01:14:34,790 --> 01:14:32,320

the poorest most powerless person we're

1935

01:14:37,430 --> 01:14:34,800

still a member of the most complex and

1936

01:14:38,470 --> 01:14:37,440

amazing species ever to evolve

1937

01:14:40,229 --> 01:14:38,480

and

1938

01:14:41,430 --> 01:14:40,239

maybe they're us a million years from

1939

01:14:43,750 --> 01:14:41,440

now

1940

01:14:47,350 --> 01:14:43,760

maybe they are entirely different

1941

01:14:49,270 --> 01:14:47,360

non-carbon based life forms um silicon

1942

01:14:51,189 --> 01:14:49,280

maybe you know they're from another

1943

01:14:53,350 --> 01:14:51,199

dimension right next to us

1944

01:14:55,270 --> 01:14:53,360

you and maine me in new york right now

1945

01:14:57,110 --> 01:14:55,280

enjoying the show very much and have

1946

01:14:58,310 --> 01:14:57,120

always been with us and a combination

1947

01:15:00,390 --> 01:14:58,320

thereof

1948

01:15:02,390 --> 01:15:00,400

yeah yeah we have a caller in the line

1949

01:15:04,790 --> 01:15:02,400

uh caller what's your first name and

1950

01:15:07,590 --> 01:15:04,800

where are you calling from

1951

01:15:10,870 --> 01:15:09,110

can you say that again we got a bad

1952

01:15:12,630 --> 01:15:10,880

connection

1953

01:15:14,630 --> 01:15:12,640

yes my name is mike and i'm calling for

1954

01:15:16,229 --> 01:15:14,640

winnipeg can you guys hear me mike from

1955

01:15:18,070 --> 01:15:16,239

winnipeg

1956

01:15:21,270 --> 01:15:18,080

yes sir hi there how you doing you could

1957

01:15:23,830 --> 01:15:21,280

speak up just a little that'd be great

1958

01:15:25,830 --> 01:15:23,840

sure i was one of them wanted to know

1959

01:15:27,669 --> 01:15:25,840

peter's thought or position is regarding

1960

01:15:29,669 --> 01:15:27,679

the ut phenomena

1961

01:15:33,990 --> 01:15:29,679

and whether or not there is a a

1962

01:15:35,590 --> 01:15:34,000

connection or association between it and

1963

01:15:37,830 --> 01:15:35,600

consciousness or you know mental

1964

01:15:42,070 --> 01:15:37,840

telepathy

1965

01:15:45,430 --> 01:15:42,080

great question mike um it's become

1966

01:15:49,189 --> 01:15:45,440

really uh very popular to

1967

01:15:50,470 --> 01:15:49,199

backpedal the et hypothesis although i

1968

01:15:52,790 --> 01:15:50,480

think uh

1969

01:15:54,390 --> 01:15:52,800

it's one of the most conservative ones

1970

01:15:55,830 --> 01:15:54,400

now in looking at these other

1971

01:15:58,310 --> 01:15:55,840

intelligences

1972

01:16:01,189 --> 01:15:58,320

i've come to feel and based on evidence

1973

01:16:02,950 --> 01:16:01,199

that i've seen uh over the decades that

1974

01:16:03,910 --> 01:16:02,960

certainly some

1975

01:16:06,630 --> 01:16:03,920

of

1976

01:16:09,350 --> 01:16:06,640

what we call ufo activity

1977

01:16:12,229 --> 01:16:09,360

is representative of advanced technology

1978

01:16:14,950 --> 01:16:12,239

under intelligent control

1979

01:16:16,709 --> 01:16:14,960

and that it's not much of a stretch to

1980

01:16:19,110 --> 01:16:16,719

consider that if they are as

1981

01:16:20,950 --> 01:16:19,120

technologically advanced compared to us

1982

01:16:22,630 --> 01:16:20,960

as they may well be

1983

01:16:24,470 --> 01:16:22,640

that they may

1984

01:16:27,110 --> 01:16:24,480

well also be

1985

01:16:29,750 --> 01:16:27,120

more advanced in terms of consciousness

1986

01:16:32,950 --> 01:16:29,760

within the abduction phenomena

1987

01:16:35,669 --> 01:16:32,960

we've observed hundreds of times in that

1988

01:16:37,830 --> 01:16:35,679

research area of research specialty

1989

01:16:39,270 --> 01:16:37,840

that they for lack of a better term i've

1990

01:16:42,310 --> 01:16:39,280

never been comfortable with the term

1991

01:16:45,350 --> 01:16:42,320

aliens these other intelligences

1992

01:16:48,229 --> 01:16:45,360

can certainly affect our perception so

1993

01:16:50,630 --> 01:16:48,239

um i i think that your question is very

1994

01:16:53,350 --> 01:16:50,640

well founded and i i think that there is

1995

01:16:54,950 --> 01:16:53,360

genuinely something uh to what you're

1996

01:16:56,709 --> 01:16:54,960

asking

1997

01:16:58,709 --> 01:16:56,719

hey mike thanks for the call do you have

1998

01:17:00,390 --> 01:16:58,719

any other question

1999

01:17:03,350 --> 01:17:00,400

no that's it thank you a great job thank

2000

01:17:05,910 --> 01:17:03,360

you mike thanks so the lines open if

2001

01:17:07,990 --> 01:17:05,920

anyone wants to call in um peter what do

2002

01:17:09,750 --> 01:17:08,000

you think is the uh

2003

01:17:12,149 --> 01:17:09,760

and i'll try to let you know if we have

2004

01:17:13,910 --> 01:17:12,159

a caller uh calling in so

2005

01:17:14,709 --> 01:17:13,920

uh what is your

2006

01:17:16,070 --> 01:17:14,719

uh

2007

01:17:18,550 --> 01:17:16,080

what do you think is the biggest

2008

01:17:21,990 --> 01:17:18,560

challenges that the ufo community has

2009

01:17:22,000 --> 01:17:26,390

i think part of it i think yeah is

2010

01:17:31,350 --> 01:17:29,030

working together more cohesively

2011

01:17:33,910 --> 01:17:31,360

um we human beings and we're no

2012

01:17:36,229 --> 01:17:33,920

different in this area of study

2013

01:17:38,390 --> 01:17:36,239

clashes of egos

2014

01:17:39,990 --> 01:17:38,400

people putting forward their own

2015

01:17:42,709 --> 01:17:40,000

passionate beliefs

2016

01:17:44,950 --> 01:17:42,719

as empirical fact is a big problem for

2017

01:17:46,790 --> 01:17:44,960

me no matter how

2018

01:17:48,229 --> 01:17:46,800

respected or well known or how many

2019

01:17:51,590 --> 01:17:48,239

books you sell

2020

01:17:52,550 --> 01:17:51,600

if you make a statement as one person

2021

01:17:56,229 --> 01:17:52,560

has

2022

01:17:57,750 --> 01:17:56,239

some time back that all aliens are good

2023

01:17:59,510 --> 01:17:57,760

or that

2024

01:18:03,430 --> 01:17:59,520

a specific number

2025

01:18:07,430 --> 01:18:03,440

are visiting our earth now for me

2026

01:18:09,910 --> 01:18:07,440

that's complete bull nonsense and

2027

01:18:11,990 --> 01:18:09,920

i don't care how many deep sources you

2028

01:18:14,149 --> 01:18:12,000

have uh

2029

01:18:15,910 --> 01:18:14,159

within um

2030

01:18:17,830 --> 01:18:15,920

the intelligence community the deep

2031

01:18:19,030 --> 01:18:17,840

government

2032

01:18:22,070 --> 01:18:19,040

whether you're the president of the

2033

01:18:24,790 --> 01:18:22,080

united states uh the head of russia

2034

01:18:27,430 --> 01:18:24,800

the um

2035

01:18:30,229 --> 01:18:27,440

supreme rulers of six alien races all

2036

01:18:33,030 --> 01:18:30,239

rolled into one being there are certain

2037

01:18:36,310 --> 01:18:33,040

things that you cannot know

2038

01:18:37,990 --> 01:18:36,320

in anything remotely provable um this

2039

01:18:38,870 --> 01:18:38,000

only hurts the work

2040

01:18:43,110 --> 01:18:38,880

um

2041

01:18:45,990 --> 01:18:43,120

the sideshows of claims of things that i

2042

01:18:47,510 --> 01:18:46,000

consider somewhat outrageous just based

2043

01:18:50,630 --> 01:18:47,520

on um

2044

01:18:53,350 --> 01:18:50,640

a document that has no provenance that

2045

01:18:56,390 --> 01:18:53,360

may have been you know secretly uh

2046

01:18:59,110 --> 01:18:56,400

spirited out of official circles uh with

2047

01:19:00,950 --> 01:18:59,120

a very sincere account from somebody

2048

01:19:03,189 --> 01:19:00,960

who will look you in the eye when they

2049

01:19:08,950 --> 01:19:03,199

tell you about you know their mission on

2050

01:19:13,110 --> 01:19:10,870

let me put it this way um

2051
01:19:14,950 --> 01:19:13,120
when i was about 12 years old through my

2052
01:19:17,030 --> 01:19:14,960
love of film and reading i was

2053
01:19:19,270 --> 01:19:17,040
introduced to a character named sherlock

2054
01:19:23,590 --> 01:19:19,280
holmes a wonderful creation of an

2055
01:19:26,310 --> 01:19:23,600
english writer named arthur conan doyle

2056
01:19:29,590 --> 01:19:26,320
hold it while i terminate that

2057
01:19:31,910 --> 01:19:29,600
hey um i think we have actually um

2058
01:19:33,189 --> 01:19:31,920
peter we may have a caller on the line

2059
01:19:34,790 --> 01:19:33,199
let's go for it

2060
01:19:35,830 --> 01:19:34,800
do we uh

2061
01:19:38,390 --> 01:19:35,840
caller

2062
01:19:39,990 --> 01:19:38,400
are you there

2063
01:19:41,590 --> 01:19:40,000

well i've been called worse things

2064

01:19:44,550 --> 01:19:41,600

before

2065

01:19:46,550 --> 01:19:44,560

hey lee it's so weird lee i never i

2066

01:19:49,110 --> 01:19:46,560

never accepted your call so i i never

2067

01:19:50,950 --> 01:19:49,120

saw you unless i did too at once so lee

2068

01:19:52,470 --> 01:19:50,960

spiegel how are you that's what that's

2069

01:19:56,950 --> 01:19:52,480

what that's one of the reasons why you

2070

01:20:03,990 --> 01:19:59,350

because you don't accept my calls hello

2071

01:20:06,070 --> 01:20:04,000

peter hello hi baby

2072

01:20:07,750 --> 01:20:06,080

well you know i i i just couldn't help

2073

01:20:11,189 --> 01:20:07,760

myself because when i heard you say the

2074

01:20:11,990 --> 01:20:11,199

words primordial ooze oh my gosh i

2075

01:20:14,070 --> 01:20:12,000

wasn't

2076

01:20:15,750 --> 01:20:14,080

about you i swear

2077

01:20:19,189 --> 01:20:15,760

it it was like it's like you were

2078

01:20:21,030 --> 01:20:19,199

talking about where i lived

2079

01:20:23,189 --> 01:20:21,040

yeah if you're in queens that's my

2080

01:20:25,510 --> 01:20:23,199

birthplace man

2081

01:20:27,750 --> 01:20:25,520

that's right yes i know i know i know

2082

01:20:28,870 --> 01:20:27,760

i'm i'm i'm watching the ship for you

2083

01:20:33,030 --> 01:20:28,880

here

2084

01:20:39,189 --> 01:20:35,189

it's nice to see both of you

2085

01:20:40,470 --> 01:20:39,199

and and i just wanted to say that i i

2086

01:20:43,910 --> 01:20:40,480

actually feel

2087

01:20:47,910 --> 01:20:43,920

uh and i'm very pretty sure about this

2088

01:20:48,950 --> 01:20:47,920

disclosure has happened and i get really

2089

01:20:50,950 --> 01:20:48,960

crazy

2090

01:20:53,030 --> 01:20:50,960

when i hear people say

2091

01:20:57,270 --> 01:20:53,040

not only that there's no evidence but

2092

01:20:59,750 --> 01:20:57,280

disclosure is imminent oh come on folks

2093

01:21:02,709 --> 01:20:59,760

you know i it's like

2094

01:21:03,590 --> 01:21:02,719

all that anybody really has to do

2095

01:21:05,910 --> 01:21:03,600

is

2096

01:21:08,630 --> 01:21:05,920

do some legwork and i'm not saying you

2097

01:21:11,830 --> 01:21:08,640

peter um or you martin or any of the

2098

01:21:14,550 --> 01:21:11,840

other researchers who i respect

2099

01:21:15,430 --> 01:21:14,560

uh it's like if people want to believe

2100

01:21:16,709 --> 01:21:15,440

in something that they're going to

2101

01:21:18,870 --> 01:21:16,719

believe in it whether they do any

2102

01:21:22,390 --> 01:21:18,880

research on it or not but when it comes

2103

01:21:24,790 --> 01:21:22,400

to ufos and if we're being visited by

2104

01:21:27,110 --> 01:21:24,800

anybody from somewhere else and i don't

2105

01:21:29,189 --> 01:21:27,120

care where they might be coming from i

2106

01:21:32,149 --> 01:21:29,199

don't think that's important but there's

2107

01:21:34,870 --> 01:21:32,159

there's tons of evidence out there

2108

01:21:37,830 --> 01:21:34,880

um the naysayers the the hard-nosed

2109

01:21:39,750 --> 01:21:37,840

skeptics the debunkers you know they're

2110

01:21:40,709 --> 01:21:39,760

in it for their own agenda

2111

01:21:44,310 --> 01:21:40,719

um

2112

01:21:47,110 --> 01:21:44,320

but in in but in terms of agendas

2113

01:21:48,630 --> 01:21:47,120

there is no real overall agenda i i

2114

01:21:50,470 --> 01:21:48,640

think that there's plenty of evidence

2115

01:21:51,590 --> 01:21:50,480

people just have to go out there do the

2116

01:21:54,229 --> 01:21:51,600

legwork

2117

01:21:56,950 --> 01:21:54,239

read the documents go into historical

2118

01:22:00,550 --> 01:21:56,960

records do some research folks and you

2119

01:22:02,870 --> 01:22:00,560

will find stuff that will open your eyes

2120

01:22:07,110 --> 01:22:05,430

yes um for those who are not familiar

2121

01:22:09,270 --> 01:22:07,120

with my dear friend and close colleague

2122

01:22:11,990 --> 01:22:09,280

lee spiegel once again

2123

01:22:16,070 --> 01:22:12,000

um i am a self-trained investigative

2124

01:22:19,350 --> 01:22:16,080

writer lee is a journalist yeah and one

2125

01:22:21,990 --> 01:22:19,360

of the best ever in this field

2126

01:22:24,950 --> 01:22:22,000

absolutely thank you thank you

2127

01:22:27,350 --> 01:22:24,960

it's a fact and we may it's possible

2128

01:22:29,830 --> 01:22:27,360

that lee might be coming up with another

2129

01:22:33,189 --> 01:22:29,840

person on my show but i don't know if

2130

01:22:34,629 --> 01:22:33,199

lee has that confirmed yet does lee

2131

01:22:36,310 --> 01:22:34,639

well we're we're working on it we're

2132

01:22:38,149 --> 01:22:36,320

working on it okay

2133

01:22:40,709 --> 01:22:38,159

we're working and i don't mind saying

2134

01:22:44,070 --> 01:22:40,719

you know we're talking about um my good

2135

01:22:45,510 --> 01:22:44,080

friend james fox right whom i am

2136

01:22:46,470 --> 01:22:45,520

co-producing

2137

01:22:52,709 --> 01:22:46,480

um

2138

01:22:56,149 --> 01:22:52,719

coming wonderful i'm jealous

2139

01:22:58,790 --> 01:22:56,159

oh well well don't be just just be

2140

01:23:00,709 --> 01:22:58,800

as as hopeful as i am

2141

01:23:02,790 --> 01:23:00,719

that this thing is going to be what we

2142

01:23:04,310 --> 01:23:02,800

hope it will that will open people's

2143

01:23:06,629 --> 01:23:04,320

minds

2144

01:23:09,669 --> 01:23:06,639

or change people's attitudes

2145

01:23:11,430 --> 01:23:09,679

just a little bit about ufos we're not

2146

01:23:13,189 --> 01:23:11,440

going to be we're not attacking the

2147

01:23:16,229 --> 01:23:13,199

government or the governments of the

2148

01:23:18,950 --> 01:23:16,239

world about why why there's been so much

2149

01:23:20,870 --> 01:23:18,960

secrecy and conspiracies and lying

2150

01:23:21,990 --> 01:23:20,880

against the public that's not where

2151
01:23:23,750 --> 01:23:22,000
we're headed

2152
01:23:24,629 --> 01:23:23,760
in this particular documentary and we've

2153
01:23:26,629 --> 01:23:24,639
got

2154
01:23:29,030 --> 01:23:26,639
some interviews that will blow everybody

2155
01:23:30,950 --> 01:23:29,040
away i will tell you that

2156
01:23:32,470 --> 01:23:30,960
uh that are already in the can and we

2157
01:23:35,350 --> 01:23:32,480
have more to get

2158
01:23:37,590 --> 01:23:35,360
and we're working very diligently i'm

2159
01:23:39,590 --> 01:23:37,600
going out to california in about a week

2160
01:23:41,430 --> 01:23:39,600
and i'm going to be there with james uh

2161
01:23:44,229 --> 01:23:41,440
for the whole month of june working on

2162
01:23:47,110 --> 01:23:44,239
the script of of this documentary please

2163
01:23:49,590 --> 01:23:47,120

send him my best wishes and uh i will

2164

01:23:52,070 --> 01:23:49,600

not now say let's get together when i'm

2165

01:23:54,390 --> 01:23:52,080

back in town next month uh i would

2166

01:23:56,629 --> 01:23:54,400

rather be in california i think but um

2167

01:23:58,950 --> 01:23:56,639

james fox is

2168

01:24:00,709 --> 01:23:58,960

among the finest documentary filmmakers

2169

01:24:03,910 --> 01:24:00,719

ever to tackle this subject i'm working

2170

01:24:05,590 --> 01:24:03,920

with you i am already very excited do

2171

01:24:07,669 --> 01:24:05,600

you guys have a working title that you

2172

01:24:09,990 --> 01:24:07,679

can share

2173

01:24:13,590 --> 01:24:10,000

i can i can give you that much tonight

2174

01:24:14,830 --> 01:24:13,600

sure um it's called ufos what we now

2175

01:24:18,070 --> 01:24:14,840

know

2176
01:24:20,390 --> 01:24:18,080
excellent it was uh 701 or that was the

2177
01:24:22,470 --> 01:24:20,400
title at first but things have changed a

2178
01:24:24,629 --> 01:24:22,480
lot of people still contact me wondering

2179
01:24:25,750 --> 01:24:24,639
what's going on with that but so that's

2180
01:24:26,550 --> 01:24:25,760
the yeah

2181
01:24:30,790 --> 01:24:26,560
yeah

2182
01:24:34,550 --> 01:24:30,800
audience who don't know even the

2183
01:24:36,310 --> 01:24:34,560
reference of 701 um when when project

2184
01:24:40,629 --> 01:24:36,320
blue book the air force's

2185
01:24:44,790 --> 01:24:40,639
22 23-year study of ufos when it ended

2186
01:24:47,430 --> 01:24:44,800
after after looking at 12 000 plus um

2187
01:24:48,430 --> 01:24:47,440
cases and reports about ufos they ended

2188
01:24:51,270 --> 01:24:48,440

up with

2189

01:24:55,430 --> 01:24:51,280

701 cases that were completely

2190

01:24:56,229 --> 01:24:55,440

unexplained and unknown and and and so

2191

01:24:59,750 --> 01:24:56,239

those

2192

01:25:02,149 --> 01:24:59,760

dealing with because frankly i don't

2193

01:25:04,070 --> 01:25:02,159

care about the other 12 000

2194

01:25:05,910 --> 01:25:04,080

because i you know it's like you know

2195

01:25:08,470 --> 01:25:05,920

you've got to take a stance you've got

2196

01:25:11,990 --> 01:25:08,480

to put your focus on what's really worth

2197

01:25:14,870 --> 01:25:12,000

looking into and i personally don't want

2198

01:25:16,870 --> 01:25:14,880

to spend any time looking at objects

2199

01:25:18,870 --> 01:25:16,880

that were obviously the planet venus

2200

01:25:21,750 --> 01:25:18,880

that was moving around in the sky

2201

01:25:22,870 --> 01:25:21,760

it just just doesn't make sense to me

2202

01:25:25,430 --> 01:25:22,880

um

2203

01:25:28,310 --> 01:25:25,440

and and i i also want to say that i i'm

2204

01:25:30,790 --> 01:25:28,320

a big admirer of peter robbins peter is

2205

01:25:32,790 --> 01:25:30,800

one of the more dogged and i use that

2206

01:25:35,110 --> 01:25:32,800

word likely

2207

01:25:37,430 --> 01:25:35,120

dogged investigators

2208

01:25:39,030 --> 01:25:37,440

of of a variety of subjects and i know

2209

01:25:41,830 --> 01:25:39,040

he's been all over

2210

01:25:42,790 --> 01:25:41,840

the the rendelstrom case uh in in

2211

01:25:44,229 --> 01:25:42,800

england

2212

01:25:45,990 --> 01:25:44,239

and uh

2213

01:25:47,990 --> 01:25:46,000

well you you your audience probably

2214

01:25:49,910 --> 01:25:48,000

knows who peter is he's out there he's

2215

01:25:52,629 --> 01:25:49,920

doing great work and and i appreciate

2216

01:25:54,790 --> 01:25:52,639

him always have yeah haley thanks so

2217

01:25:56,229 --> 01:25:54,800

much for the call and i hope to

2218

01:25:58,310 --> 01:25:56,239

be talking to you just in a couple of

2219

01:26:01,669 --> 01:25:58,320

weeks

2220

01:26:04,070 --> 01:26:01,679

yes sir me too we will and good night

2221

01:26:06,390 --> 01:26:04,080

wonderful hearing your voice lee

2222

01:26:08,229 --> 01:26:06,400

you too peter take it easy all right

2223

01:26:10,149 --> 01:26:08,239

good night later this year

2224

01:26:11,830 --> 01:26:10,159

okay bye-bye all right we have another

2225

01:26:14,310 --> 01:26:11,840

caller on the line your first name and

2226

01:26:17,030 --> 01:26:14,320

where are you calling from

2227

01:26:19,030 --> 01:26:17,040

uh this is abner calling florida hi

2228

01:26:21,110 --> 01:26:19,040

abner welcome to the show you you have a

2229

01:26:23,990 --> 01:26:21,120

question for peter

2230

01:26:26,550 --> 01:26:24,000

well um those two things i remember i

2231

01:26:28,470 --> 01:26:26,560

spoke to me about the whole disclosure

2232

01:26:30,470 --> 01:26:28,480

thing and i do also believe this

2233

01:26:32,070 --> 01:26:30,480

closure's already happened everybody

2234

01:26:33,110 --> 01:26:32,080

just needs to open your eyes a little

2235

01:26:35,669 --> 01:26:33,120

bit

2236

01:26:37,669 --> 01:26:35,679

the question i have for peter is um he

2237

01:26:39,590 --> 01:26:37,679

mentioned about his sister and i'm very

2238

01:26:42,310 --> 01:26:39,600

curious as to what brought him to the

2239

01:26:45,510 --> 01:26:42,320

conclusion that he feels her sister was

2240

01:26:47,030 --> 01:26:45,520

abducted or may have been abducted

2241

01:26:49,990 --> 01:26:47,040

well um

2242

01:26:53,830 --> 01:26:50,000

my sister and i um she passed away in

2243

01:26:58,149 --> 01:26:53,840

2000 were always very close in age in

2244

01:26:59,830 --> 01:26:58,159

interests uh as adults we were roommates

2245

01:27:01,590 --> 01:26:59,840

she was a brilliant artist a

2246

01:27:03,750 --> 01:27:01,600

singer-songwriter

2247

01:27:05,110 --> 01:27:03,760

a writer

2248

01:27:09,030 --> 01:27:05,120

she's one of the most honest and

2249

01:27:11,350 --> 01:27:09,040

straightforward people i ever knew she

2250

01:27:12,470 --> 01:27:11,360

told me this at a time more than 40

2251

01:27:15,270 --> 01:27:12,480

years ago

2252

01:27:21,350 --> 01:27:18,550

thought about this is a possibility uh

2253

01:27:23,350 --> 01:27:21,360

over time the things that she told me

2254

01:27:26,550 --> 01:27:23,360

sometimes word for word

2255

01:27:28,709 --> 01:27:26,560

came up in dozens and dozens and dozens

2256

01:27:29,510 --> 01:27:28,719

of cases that i worked with bud hopkins

2257

01:27:32,470 --> 01:27:29,520

on

2258

01:27:35,270 --> 01:27:32,480

she never unlike me never forgot that

2259

01:27:37,270 --> 01:27:35,280

day and never forgot the memories

2260

01:27:39,510 --> 01:27:37,280

but as she said to me fourteen and a

2261

01:27:41,669 --> 01:27:39,520

half years later when i asked her why we

2262

01:27:43,510 --> 01:27:41,679

had never talked about this she said do

2263

01:27:45,030 --> 01:27:43,520

you remember that afternoon when i asked

2264

01:27:46,390 --> 01:27:45,040

you if you wanted to talk about it and

2265

01:27:48,149 --> 01:27:46,400

you said no

2266

01:27:49,669 --> 01:27:48,159

and i said of course and she said you

2267

01:27:51,910 --> 01:27:49,679

know you're my brother i love you and i

2268

01:27:53,669 --> 01:27:51,920

respect you and one day led to the next

2269

01:27:56,950 --> 01:27:53,679

week led to the next month led to the

2270

01:27:58,149 --> 01:27:56,960

next year as time passed she worked

2271

01:28:01,110 --> 01:27:58,159

closely

2272

01:28:04,550 --> 01:28:01,120

with that extraordinary uh

2273

01:28:06,629 --> 01:28:04,560

police detective who was a pioneer in uh

2274

01:28:09,910 --> 01:28:06,639

using regressive hypnosis and criminal

2275

01:28:13,510 --> 01:28:09,920

investigation and with bud hopkins to

2276

01:28:14,390 --> 01:28:13,520

delve into her experiences uh with more

2277

01:28:15,669 --> 01:28:14,400

depth

2278

01:28:17,990 --> 01:28:15,679

um

2279

01:28:19,350 --> 01:28:18,000

in terms of abductee accounts and

2280

01:28:21,110 --> 01:28:19,360

obviously

2281

01:28:23,030 --> 01:28:21,120

you might think i'm lacking certain

2282

01:28:23,990 --> 01:28:23,040

objectivity here and that's that's fair

2283

01:28:24,950 --> 01:28:24,000

to say

2284

01:28:26,310 --> 01:28:24,960

uh

2285

01:28:29,189 --> 01:28:26,320

but it is

2286

01:28:30,310 --> 01:28:29,199

her account is as credible and as well

2287

01:28:32,149 --> 01:28:30,320

backed up

2288

01:28:34,709 --> 01:28:32,159

also included

2289

01:28:38,149 --> 01:28:34,719

an implant which we could spend a whole

2290

01:28:41,270 --> 01:28:38,159

show on an anomalous object in her case

2291

01:28:43,590 --> 01:28:41,280

way up in her nasal cavity that she

2292

01:28:45,270 --> 01:28:43,600

sneezed out as a

2293

01:28:47,110 --> 01:28:45,280

child

2294

01:28:49,350 --> 01:28:47,120

which became something i remembered

2295

01:28:50,870 --> 01:28:49,360

because it was the only time growing up

2296

01:28:54,390 --> 01:28:50,880

that i was awakened in the middle of the

2297

01:28:56,870 --> 01:28:54,400

night uh by my parents moving around and

2298

01:28:58,870 --> 01:28:56,880

helen in her bed with her pillowcase

2299

01:29:00,629 --> 01:28:58,880

quite red with uh

2300

01:29:02,950 --> 01:29:00,639

uh she had sneezed this thing out she

2301

01:29:06,149 --> 01:29:02,960

had asthma and was uh

2302

01:29:09,350 --> 01:29:06,159

got all kinds of allergies uh she saw it

2303

01:29:11,189 --> 01:29:09,360

uh had kind of a girl's reaction of ich

2304

01:29:12,310 --> 01:29:11,199

and kept it in the kleenex and threw it

2305

01:29:14,470 --> 01:29:12,320

away

2306

01:29:16,310 --> 01:29:14,480

the implant phenomena though is as real

2307

01:29:17,750 --> 01:29:16,320

as the chair that i'm sitting on and

2308

01:29:20,390 --> 01:29:17,760

there are quite a number of specialty

2309

01:29:22,390 --> 01:29:20,400

researchers in that part of the field

2310

01:29:25,350 --> 01:29:22,400

more i i don't think i can give you

2311

01:29:28,310 --> 01:29:25,360

abner but um

2312

01:29:29,430 --> 01:29:28,320

i did and do take her case as seriously

2313

01:29:33,030 --> 01:29:29,440

as

2314

01:29:35,510 --> 01:29:33,040

earlier in the show

2315

01:29:39,510 --> 01:29:35,520

about linda and the brooklyn bridge ufo

2316

01:29:41,830 --> 01:29:39,520

abductions and so many other people

2317

01:29:43,669 --> 01:29:41,840

thank you for that peter um abner thank

2318

01:29:45,270 --> 01:29:43,679

you very much for your call

2319

01:29:46,390 --> 01:29:45,280

yes thank you

2320

01:29:47,830 --> 01:29:46,400

all right

2321

01:29:49,669 --> 01:29:47,840

um so

2322

01:29:50,870 --> 01:29:49,679

um peter did you

2323

01:29:56,070 --> 01:29:50,880

um

2324

01:29:57,350 --> 01:29:56,080

away i remember we've talked about that

2325

01:29:59,830 --> 01:29:57,360

um

2326

01:30:02,629 --> 01:29:59,840

did you have uh

2327

01:30:04,950 --> 01:30:02,639

her go through any of the work

2328

01:30:06,629 --> 01:30:04,960

with bud actually

2329

01:30:09,750 --> 01:30:06,639

oh my god i didn't have her do it she

2330

01:30:10,870 --> 01:30:09,760

did it uh they became very dear friends

2331

01:30:13,669 --> 01:30:10,880

um

2332

01:30:17,350 --> 01:30:13,679

but she was one of more than 800 people

2333

01:30:20,310 --> 01:30:17,360

that he worked with in regression 800

2334

01:30:23,590 --> 01:30:20,320

oh yeah i'm i know because i logged in

2335

01:30:26,149 --> 01:30:23,600

all those audio cassettes and kept um is

2336

01:30:30,310 --> 01:30:26,159

all back in the day done in analog

2337

01:30:32,790 --> 01:30:30,320

format uh i i witnessed uh more hypnotic

2338

01:30:35,030 --> 01:30:32,800

regressions than i can even recall now

2339

01:30:39,030 --> 01:30:35,040

at the request of the individual

2340

01:30:40,709 --> 01:30:39,040

and bud um obviously

2341

01:30:43,350 --> 01:30:40,719

oh speaking of that we haven't we have a

2342

01:30:44,790 --> 01:30:43,360

call coming in at the same time

2343

01:30:46,550 --> 01:30:44,800

so that was perfect timing for that

2344

01:30:47,830 --> 01:30:46,560

person to call you

2345

01:30:49,990 --> 01:30:47,840

caller your first name where are you

2346

01:30:56,070 --> 01:30:50,000

calling from

2347

01:30:57,510 --> 01:30:56,080

tennessee hi there welcome to the show

2348

01:30:59,030 --> 01:30:57,520

hello

2349

01:31:00,550 --> 01:30:59,040

i can't believe i got through that's

2350

01:31:03,189 --> 01:31:00,560

cool that's the first time i've even

2351

01:31:05,590 --> 01:31:03,199

turned in i'm loving your show thank you

2352

01:31:07,430 --> 01:31:05,600

i wanted to point out something here i

2353

01:31:09,430 --> 01:31:07,440

am 59 so

2354

01:31:11,750 --> 01:31:09,440

i'm the one of the last of the baby

2355

01:31:14,390 --> 01:31:11,760

boomer bunch and we grew up

2356

01:31:17,430 --> 01:31:14,400

watching our people getting assassinated

2357

01:31:19,510 --> 01:31:17,440

and civil rights you know fight and uh

2358

01:31:21,270 --> 01:31:19,520

watergate and one bit of corruption

2359

01:31:22,870 --> 01:31:21,280

after the other and it just seems like

2360

01:31:25,910 --> 01:31:22,880

it's just gone from bad to worse over

2361

01:31:28,149 --> 01:31:25,920

the past 50 70 years

2362

01:31:31,030 --> 01:31:28,159

my concern i hear people saying yeah

2363

01:31:33,030 --> 01:31:31,040

there's been disclosure but i think

2364

01:31:35,750 --> 01:31:33,040

what people like me after seeing all

2365

01:31:39,430 --> 01:31:35,760

this crap that's taken place

2366

01:31:42,709 --> 01:31:39,440

i see that there has been a grave abuse

2367

01:31:44,709 --> 01:31:42,719

of americans and humanity in general

2368

01:31:46,709 --> 01:31:44,719

by this cover-up

2369

01:31:47,990 --> 01:31:46,719

and some shadow government and i'm not

2370

01:31:50,310 --> 01:31:48,000

into all the

2371

01:31:52,470 --> 01:31:50,320

deep dark conspiracies as far as that

2372

01:31:54,629 --> 01:31:52,480

goes political wise just the fact that

2373

01:31:56,070 --> 01:31:54,639

it looks to me from the outside looking

2374

01:31:59,910 --> 01:31:56,080

in

2375

01:32:03,189 --> 01:31:59,920

to

2376

01:32:05,590 --> 01:32:03,199

subvert our very system of laws that are

2377

01:32:07,270 --> 01:32:05,600

meant to protect me the people

2378

01:32:08,390 --> 01:32:07,280

if you if i understand where i'm going

2379

01:32:10,709 --> 01:32:08,400

with this

2380

01:32:13,830 --> 01:32:10,719

this is the full disclosure i'm looking

2381

01:32:15,669 --> 01:32:13,840

for because if we don't you know get the

2382

01:32:17,030 --> 01:32:15,679

cancer out of the system it's going to

2383

01:32:18,870 --> 01:32:17,040

kill

2384

01:32:20,950 --> 01:32:18,880

all of us it can be used to do anything

2385

01:32:23,510 --> 01:32:20,960

to justify this that or the other for

2386

01:32:24,950 --> 01:32:23,520

national security or whatever yeah and

2387

01:32:27,430 --> 01:32:24,960

i'm tired of being lied to it i feel

2388

01:32:29,189 --> 01:32:27,440

like we've been live too for decades and

2389

01:32:30,550 --> 01:32:29,199

i'm tired of it i'm really fed up i'm a

2390

01:32:32,950 --> 01:32:30,560

grown woman

2391

01:32:35,030 --> 01:32:32,960

i'm not a five-year-old child you tell

2392

01:32:37,110 --> 01:32:35,040

me that there's aliens visiting here

2393

01:32:38,310 --> 01:32:37,120

i'll say hey buddy my name's wendy let's

2394

01:32:40,310 --> 01:32:38,320

let's talk

2395

01:32:41,669 --> 01:32:40,320

i'm not gonna run and hide under my bed

2396

01:32:44,070 --> 01:32:41,679

and freak out

2397

01:32:46,070 --> 01:32:44,080

i'm a grown woman i can deal with it

2398

01:32:47,189 --> 01:32:46,080

yeah and i don't like being treated like

2399

01:32:48,390 --> 01:32:47,199

a child

2400

01:32:50,149 --> 01:32:48,400

thank you and i'm tired of the

2401
01:32:53,430 --> 01:32:50,159
government hiding it

2402
01:32:55,590 --> 01:32:53,440
i couldn't agree with you more and um

2403
01:32:57,189 --> 01:32:55,600
for me your view

2404
01:32:59,750 --> 01:32:57,199
goes to the core

2405
01:33:02,870 --> 01:32:59,760
of the real problem here on earth

2406
01:33:04,950 --> 01:33:02,880
regarding this subject uh in the summer

2407
01:33:08,470 --> 01:33:04,960
of 1947

2408
01:33:11,110 --> 01:33:08,480
through an extraordinary pounding away

2409
01:33:12,470 --> 01:33:11,120
by our media quietly uh

2410
01:33:14,550 --> 01:33:12,480
tacitly

2411
01:33:16,149 --> 01:33:14,560
not interfered with it to put it mildly

2412
01:33:18,070 --> 01:33:16,159
by our government

2413
01:33:19,510 --> 01:33:18,080

the american people and by extension the

2414

01:33:22,310 --> 01:33:19,520

western world

2415

01:33:25,669 --> 01:33:22,320

were simply made to understand and

2416

01:33:28,149 --> 01:33:25,679

accept really without much question that

2417

01:33:30,390 --> 01:33:28,159

all of this nonsense about visitations

2418

01:33:33,430 --> 01:33:30,400

from space were all explainable in

2419

01:33:36,149 --> 01:33:33,440

conventional ways for those of us who

2420

01:33:39,189 --> 01:33:36,159

are serious students of the subject the

2421

01:33:40,950 --> 01:33:39,199

thousands of pages of fully authentic

2422

01:33:43,830 --> 01:33:40,960

guilt-edged

2423

01:33:46,310 --> 01:33:43,840

formally classified documentation from

2424

01:33:47,990 --> 01:33:46,320

every imaginable agency military

2425

01:33:50,790 --> 01:33:48,000

intelligence

2426

01:33:53,750 --> 01:33:50,800

governmental offices that counter that

2427

01:33:56,629 --> 01:33:53,760

and show how concerned we were about

2428

01:33:57,990 --> 01:33:56,639

the potential for panic uh

2429

01:34:00,149 --> 01:33:58,000

i think what they're really talking

2430

01:34:02,070 --> 01:34:00,159

about talk about national security

2431

01:34:04,310 --> 01:34:02,080

national insecurity

2432

01:34:06,229 --> 01:34:04,320

starting at the get-go that summer in

2433

01:34:08,550 --> 01:34:06,239

the post-war years

2434

01:34:10,629 --> 01:34:08,560

america was such a different place we

2435

01:34:12,629 --> 01:34:10,639

had really we were the good guys we

2436

01:34:16,950 --> 01:34:12,639

really were the good guys we had helped

2437

01:34:18,790 --> 01:34:16,960

make this world free from fascism and uh

2438

01:34:22,070 --> 01:34:18,800

the marshall plan was doing something

2439

01:34:24,790 --> 01:34:22,080

extraordinary helping our former um

2440

01:34:27,270 --> 01:34:24,800

enemies rebuild their societies and

2441

01:34:29,669 --> 01:34:27,280

ideally go on to a better world together

2442

01:34:33,430 --> 01:34:29,679

well that hasn't worked out so well in

2443

01:34:35,350 --> 01:34:33,440

many respects but i think those people

2444

01:34:38,310 --> 01:34:35,360

that were involved in the initial wave

2445

01:34:39,350 --> 01:34:38,320

of secret keeping they were all

2446

01:34:40,870 --> 01:34:39,360

powerful

2447

01:34:44,950 --> 01:34:40,880

white guys

2448

01:34:47,750 --> 01:34:44,960

uh who had a vested interest in

2449

01:34:49,830 --> 01:34:47,760

being perceived as powerful this was at

2450

01:34:52,229 --> 01:34:49,840

a moment when the power balance in the

2451
01:34:55,270 --> 01:34:52,239
world was shifting the soviet union was

2452
01:34:58,310 --> 01:34:55,280
our next big enemy um the next war could

2453
01:35:01,510 --> 01:34:58,320
be nuclear paranoia of a different sort

2454
01:35:03,669 --> 01:35:01,520
was engendering itself and it was seen

2455
01:35:05,030 --> 01:35:03,679
as the right thing to do

2456
01:35:07,990 --> 01:35:05,040
to lie through your teeth to the

2457
01:35:10,149 --> 01:35:08,000
american people for me the birth of our

2458
01:35:12,149 --> 01:35:10,159
national security state

2459
01:35:14,229 --> 01:35:12,159
which ufologically i think is

2460
01:35:17,270 --> 01:35:14,239
brilliantly laid out in the first two of

2461
01:35:19,510 --> 01:35:17,280
three volumes by our uh

2462
01:35:20,790 --> 01:35:19,520
i think most respected ufo related

2463
01:35:23,750 --> 01:35:20,800

historian

2464

01:35:26,390 --> 01:35:23,760

richard m dolan in his books ufos in the

2465

01:35:27,350 --> 01:35:26,400

national security state one and two

2466

01:35:31,189 --> 01:35:27,360

is

2467

01:35:33,270 --> 01:35:31,199

that first irritant that first

2468

01:35:35,430 --> 01:35:33,280

irritant that had to be covered up did

2469

01:35:37,990 --> 01:35:35,440

not have to do with nuclear secrets it

2470

01:35:38,709 --> 01:35:38,000

had to do with keeping this secret and

2471

01:35:39,750 --> 01:35:38,719

like

2472

01:35:41,750 --> 01:35:39,760

a pearl

2473

01:35:42,790 --> 01:35:41,760

building layers and layers and layers

2474

01:35:45,430 --> 01:35:42,800

until

2475

01:35:48,149 --> 01:35:45,440

it was this huge thing

2476

01:35:49,430 --> 01:35:48,159

at the beginning in the middle of all of

2477

01:35:51,030 --> 01:35:49,440

it

2478

01:35:54,229 --> 01:35:51,040

i think your view

2479

01:35:56,390 --> 01:35:54,239

is absolutely right i admire your

2480

01:35:59,189 --> 01:35:56,400

attitude about it i think there are a

2481

01:36:01,270 --> 01:35:59,199

lot of people who will be able despite

2482

01:36:03,430 --> 01:36:01,280

what i said earlier about you know fear

2483

01:36:06,070 --> 01:36:03,440

of the unknown and possibility of panic

2484

01:36:08,950 --> 01:36:06,080

among some people who will be able to

2485

01:36:10,390 --> 01:36:08,960

stand up and say okay i always suspected

2486

01:36:12,870 --> 01:36:10,400

this or

2487

01:36:14,790 --> 01:36:12,880

if the worst was possible

2488

01:36:17,110 --> 01:36:14,800

you know we'd all be taken over or

2489

01:36:20,149 --> 01:36:17,120

melted down now like an adventure

2490

01:36:22,310 --> 01:36:20,159

already yeah i think we're a generation

2491

01:36:23,110 --> 01:36:22,320

that grew up with star trek

2492

01:36:25,830 --> 01:36:23,120

okay

2493

01:36:28,229 --> 01:36:25,840

that blasted my brain open wow what a

2494

01:36:30,149 --> 01:36:28,239

cool concept i want to get out there and

2495

01:36:32,149 --> 01:36:30,159

meet these other beings because for me

2496

01:36:33,590 --> 01:36:32,159

it made so much more sense than we're

2497

01:36:36,229 --> 01:36:33,600

the only one

2498

01:36:38,709 --> 01:36:36,239

and i think that people all around our

2499

01:36:40,709 --> 01:36:38,719

enemy feel the same way and what it

2500

01:36:43,830 --> 01:36:40,719

looks like to me this control this

2501
01:36:48,149 --> 01:36:43,840
cover-up is a bit more to maintain that

2502
01:36:51,910 --> 01:36:49,910
here's two reasons why they're doing it

2503
01:36:53,109 --> 01:36:51,920
number one because one of the central

2504
01:36:55,590 --> 01:36:53,119
secrets

2505
01:36:57,990 --> 01:36:55,600
after 70 plus years

2506
01:36:59,990 --> 01:36:58,000
is how little we really know and

2507
01:37:02,310 --> 01:37:00,000
understand about that and that is

2508
01:37:04,709 --> 01:37:02,320
something that fragile egos that want to

2509
01:37:06,390 --> 01:37:04,719
be seen as powerful cannot deal with the

2510
01:37:09,189 --> 01:37:06,400
other thing brilliantly pointed out

2511
01:37:11,990 --> 01:37:09,199
decades ago by our

2512
01:37:14,550 --> 01:37:12,000
senior uh most respected ufologist

2513
01:37:16,709 --> 01:37:14,560

stanton t friedman now retired uh

2514

01:37:18,550 --> 01:37:16,719

retiring from the field after more than

2515

01:37:22,550 --> 01:37:18,560

50 years of slugging away one of the

2516

01:37:23,830 --> 01:37:22,560

greatest people ever in the field is

2517

01:37:25,669 --> 01:37:23,840

if indeed

2518

01:37:27,350 --> 01:37:25,679

it was announced that we are not alone

2519

01:37:29,750 --> 01:37:27,360

in the universe we're being visited by

2520

01:37:32,709 --> 01:37:29,760

other beings that they some of them

2521

01:37:35,430 --> 01:37:32,719

maybe are you know want to work with us

2522

01:37:37,109 --> 01:37:35,440

and uh have been watching over us or

2523

01:37:39,189 --> 01:37:37,119

concerned about us other ones that may

2524

01:37:41,510 --> 01:37:39,199

be malevolent i think they have the

2525

01:37:44,070 --> 01:37:41,520

potential of being anything that we are

2526

01:37:46,550 --> 01:37:44,080

that we for the first time as human

2527

01:37:49,510 --> 01:37:46,560

beings on earth god forbid for people

2528

01:37:51,669 --> 01:37:49,520

who live by a code of nationalism and

2529

01:37:53,830 --> 01:37:51,679

controlling the rest of us by where the

2530

01:37:55,350 --> 01:37:53,840

line is drawn in the dirt and you're on

2531

01:37:57,030 --> 01:37:55,360

this side i'm on this side you're the

2532

01:37:58,229 --> 01:37:57,040

other you're evil i don't understand you

2533

01:38:00,310 --> 01:37:58,239

speak a different language you have a

2534

01:38:01,590 --> 01:38:00,320

different colored skin we might the

2535

01:38:03,030 --> 01:38:01,600

power of

2536

01:38:06,470 --> 01:38:03,040

start to think of ourselves from the

2537

01:38:07,669 --> 01:38:06,480

very first time together as human beings

2538

01:38:09,669 --> 01:38:07,679

rather than

2539

01:38:12,870 --> 01:38:09,679

americans russians indians canadians

2540

01:38:15,910 --> 01:38:12,880

venezuelans uh catholics muslims

2541

01:38:18,310 --> 01:38:15,920

buddhist jews men women and that would

2542

01:38:20,229 --> 01:38:18,320

be devastating to the forces that like

2543

01:38:21,830 --> 01:38:20,239

to move the chess pieces

2544

01:38:23,750 --> 01:38:21,840

that's right i agree that is very well

2545

01:38:25,590 --> 01:38:23,760

said very well said lyndon i have

2546

01:38:27,590 --> 01:38:25,600

enjoyed talking with you i'm glad to

2547

01:38:31,990 --> 01:38:27,600

meet you i think you and i can sit and

2548

01:38:35,510 --> 01:38:33,750

and thank you for your clear thinking

2549

01:38:36,950 --> 01:38:35,520

yeah thank you linda

2550

01:38:39,910 --> 01:38:36,960

bye-bye bye

2551

01:38:41,830 --> 01:38:39,920

um so yes um so the lines are open if

2552

01:38:42,790 --> 01:38:41,840

someone else would like to call in

2553

01:38:45,270 --> 01:38:42,800

um

2554

01:38:46,229 --> 01:38:45,280

and speaking of uh stanton friedman i

2555

01:38:48,629 --> 01:38:46,239

had

2556

01:38:50,790 --> 01:38:48,639

him and um

2557

01:38:53,590 --> 01:38:50,800

kathy martin on my show

2558

01:38:55,990 --> 01:38:53,600

back uh in december and it's the first

2559

01:38:58,550 --> 01:38:56,000

time yes yeah and it's the first youtube

2560

01:38:59,590 --> 01:38:58,560

video that i did a podcast on that

2561

01:39:01,510 --> 01:38:59,600

actually hit

2562

01:39:03,990 --> 01:39:01,520

a hundred thousand views it just hit it

2563

01:39:07,750 --> 01:39:04,000

um wow yesterday i think

2564

01:39:09,750 --> 01:39:07,760

so yeah um and i want i'm gonna get stan

2565

01:39:11,910 --> 01:39:09,760

on uh i've been communicating gonna get

2566

01:39:15,270 --> 01:39:11,920

stand on for just one more time before

2567

01:39:18,390 --> 01:39:15,280

he retires for a retirement show so

2568

01:39:19,669 --> 01:39:18,400

listener keep your uh eyes open for that

2569

01:39:20,629 --> 01:39:19,679

um it's going to be some time this

2570

01:39:23,350 --> 01:39:20,639

summer

2571

01:39:27,270 --> 01:39:24,950

we'll have some time to do that so we're

2572

01:39:29,669 --> 01:39:27,280

going to go about um to make up for

2573

01:39:32,390 --> 01:39:29,679

those the start time we're going to go

2574

01:39:34,310 --> 01:39:32,400

about another 15 minutes or so peter are

2575

01:39:35,510 --> 01:39:34,320

you all right with that

2576

01:39:39,270 --> 01:39:35,520

yeah okay

2577

01:39:41,830 --> 01:39:39,280

because our start time was delayed so um

2578

01:39:43,750 --> 01:39:41,840

so you mentioned the

2579

01:39:44,950 --> 01:39:43,760

the issues with the ufo field what do

2580

01:39:48,550 --> 01:39:44,960

you think is

2581

01:39:49,750 --> 01:39:48,560

good about the ufo field today

2582

01:39:51,430 --> 01:39:49,760

that

2583

01:39:54,950 --> 01:39:51,440

we have people

2584

01:39:56,390 --> 01:39:54,960

with the courage uh with the curiosity

2585

01:39:58,390 --> 01:39:56,400

to

2586

01:40:01,270 --> 01:39:58,400

say the hell with ridicule

2587

01:40:02,870 --> 01:40:01,280

i'm putting myself on the line here i'm

2588

01:40:05,590 --> 01:40:02,880

interested in it i'm not going to not

2589

01:40:07,430 --> 01:40:05,600

talk about it i'm reading about it i'm

2590

01:40:10,149 --> 01:40:07,440

networking with people

2591

01:40:11,990 --> 01:40:10,159

i'm trying to understand for myself

2592

01:40:13,990 --> 01:40:12,000

with the goal of wanting to make a

2593

01:40:16,550 --> 01:40:14,000

contribution in what i consider

2594

01:40:18,629 --> 01:40:16,560

extremely important work

2595

01:40:21,189 --> 01:40:18,639

i support anybody who is trying to

2596

01:40:23,510 --> 01:40:21,199

follow that path i would suggest that

2597

01:40:26,709 --> 01:40:23,520

you keep your day jobs and don't do what

2598

01:40:29,750 --> 01:40:26,719

i do and try to do it full-time and

2599

01:40:32,470 --> 01:40:29,760

pay your bills by doing it um it's it's

2600

01:40:33,350 --> 01:40:32,480

very rough going um

2601
01:40:35,830 --> 01:40:33,360
but

2602
01:40:37,590 --> 01:40:35,840
there's room

2603
01:40:39,590 --> 01:40:37,600
as many people

2604
01:40:40,629 --> 01:40:39,600
who are willing to put themselves on the

2605
01:40:42,470 --> 01:40:40,639
line

2606
01:40:45,590 --> 01:40:42,480
and do the work

2607
01:40:49,030 --> 01:40:45,600
uh for me that's inspiring especially

2608
01:40:51,189 --> 01:40:49,040
when it's younger generation yes

2609
01:40:53,430 --> 01:40:51,199
yeah we need uh it would be nice you

2610
01:40:55,189 --> 01:40:53,440
know going to conferences you don't see

2611
01:40:56,470 --> 01:40:55,199
well you're starting to see some but

2612
01:40:58,149 --> 01:40:56,480
it's

2613
01:40:59,750 --> 01:40:58,159

there's kind of an aging you know

2614

01:41:02,390 --> 01:40:59,760

conference going

2615

01:41:05,109 --> 01:41:02,400

yes crowd you know at this point

2616

01:41:07,189 --> 01:41:05,119

so it would be nice to see it um you

2617

01:41:09,830 --> 01:41:07,199

know get a little younger

2618

01:41:11,910 --> 01:41:09,840

and more people um i understand you know

2619

01:41:12,709 --> 01:41:11,920

there's so much information being thrown

2620

01:41:14,390 --> 01:41:12,719

at

2621

01:41:16,390 --> 01:41:14,400

young people today from all different

2622

01:41:18,629 --> 01:41:16,400

directions and everything

2623

01:41:20,550 --> 01:41:18,639

um you know everything is built for a

2624

01:41:23,669 --> 01:41:20,560

very short attention span you need a

2625

01:41:24,790 --> 01:41:23,679

long attention span for this field

2626

01:41:27,189 --> 01:41:24,800

um

2627

01:41:29,030 --> 01:41:27,199

you know about the ridicule part of it

2628

01:41:31,189 --> 01:41:29,040

you know it's

2629

01:41:33,990 --> 01:41:31,199

it's pretty amazing you know i i've

2630

01:41:36,390 --> 01:41:34,000

spoken to a number of people that

2631

01:41:38,229 --> 01:41:36,400

have no ridicule and some people have a

2632

01:41:40,629 --> 01:41:38,239

lot of ridicule and i'm talking about

2633

01:41:42,790 --> 01:41:40,639

like in the workplace for instance uh

2634

01:41:43,910 --> 01:41:42,800

preston dennett was on a couple weeks

2635

01:41:45,350 --> 01:41:43,920

ago

2636

01:41:47,270 --> 01:41:45,360

and he was saying you know everyone at

2637

01:41:48,470 --> 01:41:47,280

work knows him as a ufo guy and it's

2638

01:41:51,910 --> 01:41:48,480

great and

2639

01:41:53,430 --> 01:41:51,920

and i i worked with a a few years ago at

2640

01:41:56,550 --> 01:41:53,440

a startup company

2641

01:41:57,990 --> 01:41:56,560

and um it was uh for collectibles but

2642

01:41:59,350 --> 01:41:58,000

it's still going today it's an internet

2643

01:42:00,790 --> 01:41:59,360

startup company

2644

01:42:03,270 --> 01:42:00,800

and i uh

2645

01:42:04,550 --> 01:42:03,280

i had a position there was advising them

2646

01:42:07,109 --> 01:42:04,560

and stuff and

2647

01:42:09,109 --> 01:42:07,119

um it came out that i had the ufo show

2648

01:42:10,709 --> 01:42:09,119

and everyone it was like 30 some odd

2649

01:42:12,390 --> 01:42:10,719

people they all loved it and you know

2650

01:42:14,950 --> 01:42:12,400

we're talking about it all the time so

2651
01:42:16,149 --> 01:42:14,960
it really depends on what profession

2652
01:42:17,910 --> 01:42:16,159
someone's in

2653
01:42:20,149 --> 01:42:17,920
and what they're doing and if they get

2654
01:42:21,430 --> 01:42:20,159
ridiculed or not as you as an artist i

2655
01:42:23,030 --> 01:42:21,440
don't think you ever had to worry about

2656
01:42:24,870 --> 01:42:23,040
that part of it did you

2657
01:42:26,790 --> 01:42:24,880
not as much um

2658
01:42:29,510 --> 01:42:26,800
i give you an example though

2659
01:42:31,910 --> 01:42:29,520
about 30 years ago

2660
01:42:34,470 --> 01:42:31,920
i had a series of summer jobs teaching

2661
01:42:36,390 --> 01:42:34,480
in a wonderful program sponsored by the

2662
01:42:38,229 --> 01:42:36,400
oklahoma

2663
01:42:39,590 --> 01:42:38,239

council on the arts

2664

01:42:43,750 --> 01:42:39,600

working in

2665

01:42:46,790 --> 01:42:43,760

an area in northeastern oklahoma

2666

01:42:47,990 --> 01:42:46,800

where i work with kids

2667

01:42:49,430 --> 01:42:48,000

most of them

2668

01:42:51,430 --> 01:42:49,440

split between

2669

01:42:53,510 --> 01:42:51,440

the children or the grandchildren of

2670

01:42:55,990 --> 01:42:53,520

phillips petroleum executives and

2671

01:42:58,070 --> 01:42:56,000

engineers which had its headquarters in

2672

01:43:01,030 --> 01:42:58,080

bartlesville oklahoma at the time

2673

01:43:03,430 --> 01:43:01,040

and osage and cherokee kids

2674

01:43:05,189 --> 01:43:03,440

i was an artist and i was teaching art

2675

01:43:08,070 --> 01:43:05,199

and

2676

01:43:09,750 --> 01:43:08,080

one saturday afternoon i had

2677

01:43:11,750 --> 01:43:09,760

afternoon to myself

2678

01:43:14,149 --> 01:43:11,760

i had my loaner pickup truck i was

2679

01:43:16,470 --> 01:43:14,159

having a burger someplace in town

2680

01:43:19,189 --> 01:43:16,480

and the father of one of the kids that i

2681

01:43:21,350 --> 01:43:19,199

worked with that year in the year before

2682

01:43:23,109 --> 01:43:21,360

saw me through the window came in

2683

01:43:24,310 --> 01:43:23,119

you know very happy to see me and

2684

01:43:26,229 --> 01:43:24,320

immediately said pete you're not going

2685

01:43:28,229 --> 01:43:26,239

to believe this i got a call from such

2686

01:43:29,750 --> 01:43:28,239

and such last night he said you gotta

2687

01:43:31,990 --> 01:43:29,760

you're not gonna believe this but i was

2688

01:43:33,990 --> 01:43:32,000

tuning through the television channels

2689

01:43:36,390 --> 01:43:34,000

and i saw that art teacher pete robbins

2690

01:43:38,470 --> 01:43:36,400

on television and guess what the show

2691

01:43:40,550 --> 01:43:38,480

was about ufos

2692

01:43:41,910 --> 01:43:40,560

and he started to laugh as he said it

2693

01:43:42,629 --> 01:43:41,920

and he said that couldn't have been you

2694

01:43:43,910 --> 01:43:42,639

right

2695

01:43:46,790 --> 01:43:43,920

well

2696

01:43:49,189 --> 01:43:46,800

it actually could have been me because

2697

01:43:51,430 --> 01:43:49,199

it is a subject i

2698

01:43:53,669 --> 01:43:51,440

do besides being an artist

2699

01:43:55,590 --> 01:43:53,679

and he his face fell

2700

01:43:56,790 --> 01:43:55,600

right and he got very quiet and serious

2701
01:43:59,669 --> 01:43:56,800
and said

2702
01:44:02,149 --> 01:43:59,679
i can't believe it um and this guy was

2703
01:44:04,830 --> 01:44:02,159
an engineer an oil engineer well

2704
01:44:07,109 --> 01:44:04,840
educated well traveled um not

2705
01:44:09,590 --> 01:44:07,119
unsophisticated uh

2706
01:44:10,550 --> 01:44:09,600
his basic response was you work with our

2707
01:44:13,109 --> 01:44:10,560
kids

2708
01:44:14,870 --> 01:44:13,119
we trust you oh my god we think of you

2709
01:44:17,270 --> 01:44:14,880
as as smart

2710
01:44:20,709 --> 01:44:17,280
and i said um you know well let's talk

2711
01:44:23,669 --> 01:44:20,719
about this more it the upshot was he

2712
01:44:26,390 --> 01:44:23,679
invited me to speak for a club out of

2713
01:44:29,910 --> 01:44:26,400

uh um i think it was uh their local elks

2714

01:44:31,750 --> 01:44:29,920

club that he called the sobs um i said

2715

01:44:33,910 --> 01:44:31,760

get look on my face he said the skeptics

2716

01:44:34,950 --> 01:44:33,920

of bartlesville and about a week or so

2717

01:44:37,109 --> 01:44:34,960

later i

2718

01:44:38,390 --> 01:44:37,119

was their guest at a a lovely dinner

2719

01:44:40,470 --> 01:44:38,400

where we drank a lot and had a lot of

2720

01:44:42,390 --> 01:44:40,480

fun and then they put my feet to the

2721

01:44:43,510 --> 01:44:42,400

fire and started hitting me with

2722

01:44:46,870 --> 01:44:43,520

questions

2723

01:44:49,750 --> 01:44:46,880

and uh dismissing my answers and by the

2724

01:44:51,669 --> 01:44:49,760

time the thing that got around um to

2725

01:44:53,590 --> 01:44:51,679

absolutely

2726

01:44:55,189 --> 01:44:53,600

splitting the room wide open

2727

01:44:57,669 --> 01:44:55,199

was without giving the name of the

2728

01:44:59,990 --> 01:44:57,679

signer i read two letters copies of

2729

01:45:02,390 --> 01:45:00,000

letters that i had in my files on a

2730

01:45:04,629 --> 01:45:02,400

stationary of the united states senate

2731

01:45:06,790 --> 01:45:04,639

uh letters to a constituent to two

2732

01:45:08,870 --> 01:45:06,800

different constituents from the then

2733

01:45:12,470 --> 01:45:08,880

senior senator uh when the letters were

2734

01:45:15,189 --> 01:45:12,480

written not when i i did the talk uh

2735

01:45:17,990 --> 01:45:15,199

from uh the great state of arizona named

2736

01:45:20,149 --> 01:45:18,000

barry m goldwater who as many people in

2737

01:45:22,149 --> 01:45:20,159

the field know was a reserve general in

2738

01:45:23,189 --> 01:45:22,159

the united states air force and an

2739

01:45:24,709 --> 01:45:23,199

activist

2740

01:45:25,669 --> 01:45:24,719

ufo person

2741

01:45:27,030 --> 01:45:25,679

and

2742

01:45:28,629 --> 01:45:27,040

they didn't care about reagan they

2743

01:45:30,229 --> 01:45:28,639

didn't care about other people who i

2744

01:45:32,310 --> 01:45:30,239

brought up who took it seriously but

2745

01:45:34,229 --> 01:45:32,320

when i mentioned goldwater's name

2746

01:45:35,990 --> 01:45:34,239

and they got that these were authentic

2747

01:45:38,070 --> 01:45:36,000

documents they started arguing with each

2748

01:45:40,149 --> 01:45:38,080

other and after a while it wasn't so

2749

01:45:42,550 --> 01:45:40,159

much fun um

2750

01:45:44,470 --> 01:45:42,560

but yeah i i think again also we have to

2751

01:45:47,430 --> 01:45:44,480

remember that the climate is getting

2752

01:45:50,470 --> 01:45:47,440

better it's certainly not you know

2753

01:45:51,990 --> 01:45:50,480

cleared air space yet but it is as i

2754

01:45:54,070 --> 01:45:52,000

said more and more people care less and

2755

01:45:55,830 --> 01:45:54,080

less about what other people think about

2756

01:45:58,229 --> 01:45:55,840

what they think about this important

2757

01:46:00,070 --> 01:45:58,239

subject right right um you know there's

2758

01:46:02,709 --> 01:46:00,080

an interesting question that came on

2759

01:46:04,790 --> 01:46:02,719

came up that kind of uh skims around the

2760

01:46:07,270 --> 01:46:04,800

topic that we've talked about tonight

2761

01:46:09,109 --> 01:46:07,280

and this comes from kerry as well in the

2762

01:46:11,109 --> 01:46:09,119

ufo field we tend to think about

2763

01:46:14,070 --> 01:46:11,119

government agencies keeping secrets from

2764

01:46:16,629 --> 01:46:14,080

the public have you ever thought about

2765

01:46:18,709 --> 01:46:16,639

how much of a burden it would be

2766

01:46:19,990 --> 01:46:18,719

for the individuals involved in knowing

2767

01:46:22,550 --> 01:46:20,000

the truth

2768

01:46:24,709 --> 01:46:22,560

about alien interaction with our planet

2769

01:46:26,390 --> 01:46:24,719

and keeping the secret from the public

2770

01:46:28,870 --> 01:46:26,400

do you have an opinion on that

2771

01:46:31,830 --> 01:46:28,880

carrie i have thought about it regularly

2772

01:46:32,550 --> 01:46:31,840

for decades um i am one of those people

2773

01:46:34,149 --> 01:46:32,560

who

2774

01:46:35,990 --> 01:46:34,159

and it's not always a good thing i tend

2775

01:46:38,229 --> 01:46:36,000

to see both sides of an argument fairly

2776

01:46:41,830 --> 01:46:38,239

clearly even when i come down very

2777

01:46:44,390 --> 01:46:41,840

solidly on one side i can still have uh

2778

01:46:45,510 --> 01:46:44,400

some understanding and compassion

2779

01:46:47,830 --> 01:46:45,520

um

2780

01:46:50,870 --> 01:46:47,840

for people on the other side my best

2781

01:46:54,390 --> 01:46:50,880

sense and it's it's more intuitive than

2782

01:46:56,470 --> 01:46:54,400

documented is that people in a number of

2783

01:46:58,950 --> 01:46:56,480

uh

2784

01:47:00,709 --> 01:46:58,960

secret levels who are cleared to know

2785

01:47:01,590 --> 01:47:00,719

certain amounts of information about

2786

01:47:03,750 --> 01:47:01,600

this

2787

01:47:05,109 --> 01:47:03,760

but of course are not able to talk about

2788

01:47:07,590 --> 01:47:05,119

it publicly

2789

01:47:09,830 --> 01:47:07,600

struggle with it uh a good number of

2790

01:47:11,270 --> 01:47:09,840

them probably want to keep up the status

2791

01:47:13,030 --> 01:47:11,280

quo because it will be that so

2792

01:47:15,750 --> 01:47:13,040

embarrassing

2793

01:47:18,470 --> 01:47:15,760

if we have to go forward and admit that

2794

01:47:20,390 --> 01:47:18,480

we've been lying to the american public

2795

01:47:22,950 --> 01:47:20,400

and the world for so long

2796

01:47:25,270 --> 01:47:22,960

and other ones who really

2797

01:47:27,350 --> 01:47:25,280

want to see this come out and there may

2798

01:47:29,350 --> 01:47:27,360

be more infighting going on behind the

2799

01:47:31,590 --> 01:47:29,360

scenes than we imagined one thing to

2800

01:47:33,189 --> 01:47:31,600

remember if we still lived in a world

2801

01:47:34,790 --> 01:47:33,199

where say a president of the united

2802

01:47:36,709 --> 01:47:34,800

states could do this on their own and

2803

01:47:39,109 --> 01:47:36,719

that time has been gone for decades

2804

01:47:41,189 --> 01:47:39,119

harry truman could have done it probably

2805

01:47:43,189 --> 01:47:41,199

uh president eisenhower could have done

2806

01:47:47,910 --> 01:47:43,199

it by kennedy i don't think so there's

2807

01:47:52,629 --> 01:47:49,669

you'd have to network you'd have to

2808

01:47:54,950 --> 01:47:52,639

coordinate you'd have to counsel

2809

01:47:55,990 --> 01:47:54,960

but let's just say we lived in a world

2810

01:47:57,590 --> 01:47:56,000

where

2811

01:47:59,990 --> 01:47:57,600

whoever is president right now it's

2812

01:48:01,830 --> 01:48:00,000

donald trump i i think

2813

01:48:04,470 --> 01:48:01,840

who knows what if anything he's been

2814

01:48:06,470 --> 01:48:04,480

cleared to know about this subject

2815

01:48:08,070 --> 01:48:06,480

i think each president is

2816

01:48:10,870 --> 01:48:08,080

informed or

2817

01:48:13,990 --> 01:48:10,880

lacks information depending on

2818

01:48:15,590 --> 01:48:14,000

how the secret keepers and members key

2819

01:48:17,669 --> 01:48:15,600

members of the intelligence community

2820

01:48:20,870 --> 01:48:17,679

feel about them as individuals and as

2821

01:48:25,510 --> 01:48:23,030

no american president

2822

01:48:27,830 --> 01:48:25,520

would do it because the secret started

2823

01:48:29,830 --> 01:48:27,840

here in the moment they said my fellow

2824

01:48:32,390 --> 01:48:29,840

americans it's my solemn duty to inform

2825

01:48:34,629 --> 01:48:32,400

you that since 1947 at least

2826

01:48:37,189 --> 01:48:34,639

we have been aware blah blah blah

2827

01:48:38,070 --> 01:48:37,199

they would be admitting that they had

2828

01:48:40,550 --> 01:48:38,080

been

2829

01:48:42,709 --> 01:48:40,560

a co-conspirator along with their

2830

01:48:45,109 --> 01:48:42,719

democratic and republican liberal and

2831

01:48:46,390 --> 01:48:45,119

conservative counterparts going back to

2832

01:48:47,990 --> 01:48:46,400

harry truman

2833

01:48:49,030 --> 01:48:48,000

in the greatest cover-up in human

2834

01:48:52,070 --> 01:48:49,040

history

2835

01:48:54,390 --> 01:48:52,080

and i don't think any world leader wants

2836

01:48:56,550 --> 01:48:54,400

to take that on themselves

2837

01:49:01,030 --> 01:48:56,560

certainly not an american president

2838

01:49:04,950 --> 01:49:03,109

don't you think probably it'd be a tweet

2839

01:49:05,990 --> 01:49:04,960

one of those tweets yeah yeah we're not

2840

01:49:07,830 --> 01:49:06,000

alone

2841

01:49:10,390 --> 01:49:07,840

and it's huge yeah

2842

01:49:12,229 --> 01:49:10,400

um all right hey peter someone asked

2843

01:49:14,870 --> 01:49:12,239

earlier um if you're going to be

2844

01:49:17,109 --> 01:49:14,880

speaking like any tour around the

2845

01:49:18,790 --> 01:49:17,119

different uh areas this year do you have

2846

01:49:19,990 --> 01:49:18,800

any engagement speaking engagements

2847

01:49:21,270 --> 01:49:20,000

lined up

2848

01:49:25,430 --> 01:49:21,280

um

2849

01:49:27,910 --> 01:49:25,440

now

2850

01:49:29,830 --> 01:49:27,920

most of my time is spent with my dad who

2851

01:49:30,950 --> 01:49:29,840

is a very advanced age i am his

2852

01:49:34,070 --> 01:49:30,960

caregiver

2853

01:49:36,950 --> 01:49:34,080

uh he's a great guy i love him and um

2854

01:49:39,350 --> 01:49:36,960

that's what i'm doing most of the time

2855

01:49:41,030 --> 01:49:39,360

but it's not a hardship it's just

2856

01:49:43,189 --> 01:49:41,040

the way it should be

2857

01:49:46,070 --> 01:49:43,199

i have a talk coming up in new york

2858

01:49:48,070 --> 01:49:46,080

state on june 9th

2859

01:49:50,629 --> 01:49:48,080

which is a saturday in the beautiful

2860

01:49:52,470 --> 01:49:50,639

little town of orlean new york that

2861

01:49:55,109 --> 01:49:52,480

maybe three of your listeners might be

2862

01:49:57,590 --> 01:49:55,119

able to get to uh i'm right now

2863

01:50:00,550 --> 01:49:57,600

networking with friends and colleagues

2864

01:50:03,270 --> 01:50:00,560

in the midwest in california to bring me

2865

01:50:05,910 --> 01:50:03,280

to both locations for an extensive

2866

01:50:09,189 --> 01:50:05,920

series of talks in both places i've got

2867

01:50:15,030 --> 01:50:12,470

new england uh the end of this summer uh

2868

01:50:17,910 --> 01:50:15,040

starting with the exeter new hampshire

2869

01:50:19,510 --> 01:50:17,920

oh yeah uh ufo festival and conference

2870

01:50:20,310 --> 01:50:19,520

one of my favorites yeah i'll see you

2871

01:50:21,910 --> 01:50:20,320

there

2872

01:50:23,590 --> 01:50:21,920

yeah yeah

2873

01:50:25,350 --> 01:50:23,600

actually i'm gonna be doing i'm trying

2874

01:50:27,510 --> 01:50:25,360

to work it out to do a show there on

2875

01:50:29,430 --> 01:50:27,520

saturday a live show oh wonderful

2876

01:50:31,270 --> 01:50:29,440

yeah peter we have another caller uh

2877

01:50:33,430 --> 01:50:31,280

caller your first name and where are you

2878

01:50:35,189 --> 01:50:33,440

calling from

2879

01:50:37,350 --> 01:50:35,199

uh hi my name is adam and i'm calling

2880

01:50:38,390 --> 01:50:37,360

from new york hi adam welcome to the

2881

01:50:40,470 --> 01:50:38,400

show

2882

01:50:42,709 --> 01:50:40,480

my hometown

2883

01:50:44,790 --> 01:50:42,719

oh yeah i was uh i'm happy to a fellow

2884

01:50:47,430 --> 01:50:44,800

new yorker calling you here

2885

01:50:50,470 --> 01:50:47,440

right you have a question for peter

2886

01:50:52,390 --> 01:50:50,480

uh yes i do um actually uh first uh

2887

01:50:54,149 --> 01:50:52,400

quick thought um

2888

01:50:56,390 --> 01:50:54,159

i've i've heard that

2889

01:50:58,310 --> 01:50:56,400

uh if only one particle if we had one

2890

01:50:59,910 --> 01:50:58,320

more particle or one less particle

2891

01:51:01,030 --> 01:50:59,920

during the big bang

2892

01:51:03,430 --> 01:51:01,040

um that

2893

01:51:05,109 --> 01:51:03,440

life as we know it would not exist

2894

01:51:06,950 --> 01:51:05,119

wouldn't be able to exist you know

2895

01:51:09,109 --> 01:51:06,960

everything would be completely different

2896

01:51:10,950 --> 01:51:09,119

and with that in mind i was wondering uh

2897

01:51:12,709 --> 01:51:10,960

if you have heard of the simulation

2898

01:51:13,830 --> 01:51:12,719

theory and what are your thoughts on

2899

01:51:15,590 --> 01:51:13,840

that

2900

01:51:17,669 --> 01:51:15,600

i haven't heard of it so i have no

2901

01:51:18,830 --> 01:51:17,679

thoughts on it

2902

01:51:21,510 --> 01:51:18,840

okay

2903

01:51:24,070 --> 01:51:21,520

um oh well it's just a theory that

2904

01:51:25,350 --> 01:51:24,080

perhaps uh reality is we know it is just

2905

01:51:27,750 --> 01:51:25,360

a simulation

2906

01:51:30,870 --> 01:51:27,760

oh um that we are having a computer

2907

01:51:31,750 --> 01:51:30,880

program yeah well sort of yeah

2908

01:51:35,590 --> 01:51:31,760

um

2909

01:51:38,070 --> 01:51:35,600

yeah uh i guess uh for me we

2910

01:51:41,030 --> 01:51:38,080

when we begin to debate or uh

2911

01:51:42,870 --> 01:51:41,040

philosophize or look into such matters

2912

01:51:45,669 --> 01:51:42,880

we're really kind of stringing things

2913

01:51:46,790 --> 01:51:45,679

together by spider webs we're working on

2914

01:51:49,270 --> 01:51:46,800

intuition

2915

01:51:50,310 --> 01:51:49,280

uh myth belief longing

2916

01:51:51,669 --> 01:51:50,320

um

2917

01:51:54,550 --> 01:51:51,679

hypotheses

2918

01:51:56,310 --> 01:51:54,560

uh very interesting but

2919

01:52:05,669 --> 01:51:56,320

i

2920

01:52:08,790 --> 01:52:05,679

um

2921

01:52:10,229 --> 01:52:08,800

and i'm not a scientific person i've

2922

01:52:12,229 --> 01:52:10,239

trained myself and i've studied in

2923

01:52:14,229 --> 01:52:12,239

certain areas to understand basic

2924

01:52:16,550 --> 01:52:14,239

concepts or gone off on tangents and

2925

01:52:19,350 --> 01:52:16,560

read papers relative to research that

2926

01:52:21,669 --> 01:52:19,360

i'm doing but um i don't think i'm very

2927

01:52:22,870 --> 01:52:21,679

well qualified to answer that question

2928

01:52:24,709 --> 01:52:22,880

because i

2929

01:52:27,669 --> 01:52:24,719

i don't have enough information to have

2930

01:52:30,390 --> 01:52:27,679

enough an informed opinion about it and

2931

01:52:33,109 --> 01:52:30,400

a lot of times in life especially

2932

01:52:35,350 --> 01:52:33,119

in in this area where after 40 years i

2933

01:52:37,589 --> 01:52:35,360

know how little i know

2934

01:52:39,750 --> 01:52:37,599

i choose not to have an opinion if i

2935

01:52:41,910 --> 01:52:39,760

don't have enough information to have an

2936

01:52:43,589 --> 01:52:41,920

intelligent or basically informed

2937

01:52:45,430 --> 01:52:43,599

opinion with respect

2938

01:52:47,669 --> 01:52:45,440

well i thought

2939

01:52:50,870 --> 01:52:47,679

yeah just a little uh thought on that

2940

01:52:51,830 --> 01:52:50,880

myself is i just think there's so many

2941

01:52:53,750 --> 01:52:51,840

things

2942

01:52:56,550 --> 01:52:53,760

that needed to happen for there to be

2943

01:52:59,030 --> 01:52:56,560

life i mean just for life to happen uh

2944

01:53:01,669 --> 01:52:59,040

on earth for instance like just the fact

2945

01:53:02,470 --> 01:53:01,679

if ice didn't float there would be no

2946

01:53:03,990 --> 01:53:02,480

life

2947

01:53:05,669 --> 01:53:04,000

you know i mean it's one little tiny

2948

01:53:07,430 --> 01:53:05,679

little simple thing and there are so

2949

01:53:09,910 --> 01:53:07,440

many simple things

2950

01:53:11,669 --> 01:53:09,920

that made life possible so

2951

01:53:13,510 --> 01:53:11,679

um yeah it's all it's an interesting

2952

01:53:14,790 --> 01:53:13,520

subject i appreciate the call we're near

2953

01:53:16,709 --> 01:53:14,800

the end of the show

2954

01:53:19,189 --> 01:53:16,719

thank you adam give my regard for

2955

01:53:20,390 --> 01:53:19,199

broadway yeah

2956

01:53:22,149 --> 01:53:20,400

all right have a good night guys all

2957

01:53:25,589 --> 01:53:22,159

right you too

2958

01:53:27,669 --> 01:53:25,599

all right so peter um so um can you give

2959

01:53:31,189 --> 01:53:27,679

out your website one more time

2960

01:53:36,229 --> 01:53:31,199

yeah it's my name and the initials of my

2961

01:53:36,950 --> 01:53:36,239

home state peter robbins r o b b i n s n

2962

01:53:42,229 --> 01:53:36,960

y

2963

01:53:45,270 --> 01:53:42,239

updating but again relative to uh the

2964

01:53:48,310 --> 01:53:45,280

situation we discussed earlier uh front

2965

01:53:49,830 --> 01:53:48,320

and center is a long paper uh on my

2966

01:53:52,070 --> 01:53:49,840

feelings about that

2967

01:53:53,750 --> 01:53:52,080

yes all right peter thanks so much as

2968

01:53:56,229 --> 01:53:53,760

always it's a pleasure to talk to you

2969

01:53:57,510 --> 01:53:56,239

and uh we'll i'll be seeing you oh one

2970

01:53:59,030 --> 01:53:57,520

question came in in the chat room

2971

01:54:01,830 --> 01:53:59,040

somebody wanted to know if you were

2972

01:54:04,390 --> 01:54:01,840

going to go to the philadelphia mufon

2973

01:54:08,229 --> 01:54:04,400

um convention this year as things stand

2974

01:54:10,229 --> 01:54:08,239

right now um i i am scheduled to emcee

2975

01:54:11,910 --> 01:54:10,239

that conference oh excellent

2976

01:54:13,990 --> 01:54:11,920

all right peter thanks so much and we'll

2977

01:54:16,149 --> 01:54:14,000

be seeing you in exeter

2978
