

**MJ BANIAS**

1  
00:00:06,349 --> 00:00:04,370  
hello and welcome to the show I'm Martin

2  
00:00:08,750 --> 00:00:06,359  
Willis your host and we have a great one

3  
00:00:12,499 --> 00:00:08,760  
tonight we have a we have a Canada show

4  
00:00:14,690 --> 00:00:12,509  
a truce with Canada so we have Jordan

5  
00:00:17,779 --> 00:00:14,700  
Bonaparte is filling in for Alejandro

6  
00:00:19,429 --> 00:00:17,789  
Rojas who actually became ill today and

7  
00:00:22,220 --> 00:00:19,439  
he wrote me just a few minutes ago

8  
00:00:24,320 --> 00:00:22,230  
saying he can't make the show so I have

9  
00:00:29,509 --> 00:00:24,330  
Jordan Bonaparte from Canada our guest

10  
00:00:31,490 --> 00:00:29,519  
also MJ Baniyas is also from Canada so

11  
00:00:34,400 --> 00:00:31,500  
that will call this the Canadian truce

12  
00:00:37,479 --> 00:00:34,410  
show and I want to thank everyone that

13  
00:00:42,979 --> 00:00:37,489

supports the show we are over on kgr a

14

00:00:44,959 --> 00:00:42,989

radio and we are also on YouTube and we

15

00:00:47,900 --> 00:00:44,969

are live on our website which is podcast

16

00:00:49,639 --> 00:00:47,910

UFO calm and anyone wants to go check

17

00:00:51,799 --> 00:00:49,649

that out there are some blogs over there

18

00:00:54,799 --> 00:00:51,809

we're looking for a blog writer if

19

00:00:57,889 --> 00:00:54,809

anyone's interested in doing that and so

20

00:00:59,389 --> 00:00:57,899

check out podcast UFO comm also there's

21

00:01:01,760 --> 00:00:59,399

a mailing list there so you can see what

22

00:01:04,039 --> 00:01:01,770

our upcoming guest is we do not abuse

23

00:01:06,859 --> 00:01:04,049

the mailing list we only send out once a

24

00:01:08,929 --> 00:01:06,869

week with the upcoming guests and also

25

00:01:12,080 --> 00:01:08,939

the times that the show is live and

26

00:01:14,990 --> 00:01:12,090

speaking of that next week my guest

27

00:01:18,440 --> 00:01:15,000

should be if his car doesn't break down

28

00:01:19,730 --> 00:01:18,450

is Chris O'Brien he's going to be

29

00:01:22,160 --> 00:01:19,740

heading out it's gonna stay at my guest

30

00:01:25,460 --> 00:01:22,170

house we're gonna do a in studio show

31

00:01:28,280 --> 00:01:25,470

here next week so that should be fun

32

00:01:31,969 --> 00:01:28,290

Chris is a lot of fun and our guest

33

00:01:33,350 --> 00:01:31,979

tonight is MJ bonus and we're going to

34

00:01:35,539 --> 00:01:33,360

talk a little bit more about him when we

35

00:01:37,460 --> 00:01:35,549

get ready for now we're gonna bring in

36

00:01:38,840 --> 00:01:37,470

well first of all I do want to say I

37

00:01:41,090 --> 00:01:38,850

want to thank everyone that supports

38

00:01:44,469 --> 00:01:41,100

this show anyone can do that and that

39

00:01:47,060 --> 00:01:44,479

information is on podcast UFO calm and

40

00:01:50,300 --> 00:01:47,070

Jordan welcome to the show thanks so

41

00:01:51,920 --> 00:01:50,310

much for filling in when duty calls

42

00:01:53,450 --> 00:01:51,930

Martin I'm here for you but I know this

43

00:01:55,130 --> 00:01:53,460

like a Canadian minute you call it a

44

00:01:56,450 --> 00:01:55,140

Canadian truce but it's me and MJ

45

00:01:59,630 --> 00:01:56,460

against you so there's more like a take

46

00:02:01,490 --> 00:01:59,640

over oh no I couldn't turn that

47

00:02:05,420 --> 00:02:01,500

opportunity down yeah yeah well we'll

48

00:02:07,280 --> 00:02:05,430

talk about tariffs when MJ gets on but

49

00:02:09,559 --> 00:02:07,290

anyway thanks so much for filling in and

50

00:02:12,740 --> 00:02:09,569

I know this is last-minute did you get a

51  
00:02:13,610 --> 00:02:12,750  
chance to check out any UFO news to

52  
00:02:16,720 --> 00:02:13,620  
bring us

53  
00:02:19,729 --> 00:02:16,730  
yeah well really for what I see

54  
00:02:22,580 --> 00:02:19,739  
discussed online in terms of UFO news

55  
00:02:24,350 --> 00:02:22,590  
for the last few days maybe this isn't a

56  
00:02:26,930 --> 00:02:24,360  
UFO story and it's a little political

57  
00:02:28,280 --> 00:02:26,940  
but there's been a lot of talk among UFO

58  
00:02:31,030 --> 00:02:28,290  
circles about Trump's recent

59  
00:02:34,039 --> 00:02:31,040  
announcement to form the space force

60  
00:02:37,880 --> 00:02:34,049  
I've seen of course conspiracy theories

61  
00:02:40,839 --> 00:02:37,890  
that his attention to the to the space

62  
00:02:43,670 --> 00:02:40,849  
to the space force may have

63  
00:02:46,910 --> 00:02:43,680

undercurrents within the UFO culture but

64

00:02:49,069 --> 00:02:46,920

I don't know I would love to sit down

65

00:02:51,170 --> 00:02:49,079

and talk to him about about his thoughts

66

00:02:52,789 --> 00:02:51,180

on this but there's something going on

67

00:02:56,780 --> 00:02:52,799

up there that has him concerned it seems

68

00:02:59,150 --> 00:02:56,790

well yes I saw when he was doing this a

69

00:03:01,400 --> 00:02:59,160

little bit about it that it's a he wants

70

00:03:04,580 --> 00:03:01,410

it as a part of the armed forces

71

00:03:07,849 --> 00:03:04,590

actually which is pretty interesting and

72

00:03:11,569 --> 00:03:07,859

I know that nothing can be done without

73

00:03:14,059 --> 00:03:11,579

congressional approval but it still is

74

00:03:17,839 --> 00:03:14,069

interesting that he's he actually has

75

00:03:19,220 --> 00:03:17,849

interests in space so and you know a

76

00:03:20,839 --> 00:03:19,230

little while ago there was an

77

00:03:23,300 --> 00:03:20,849

announcement that we can go back to the

78

00:03:26,330 --> 00:03:23,310

moon which i think is awesome I think

79

00:03:28,729 --> 00:03:26,340

that would be great to get back there

80

00:03:31,490 --> 00:03:28,739

and see what's happened in the so many

81

00:03:35,000 --> 00:03:31,500

years ago I think it was 1972 or 73 is

82

00:03:36,710 --> 00:03:35,010

the last yeah ruin the moon so yeah his

83

00:03:38,780 --> 00:03:36,720

announcement was to make it the sixth

84

00:03:41,960 --> 00:03:38,790

division of the Department of National

85

00:03:44,449 --> 00:03:41,970

Defense I think I love the idea of money

86

00:03:46,460 --> 00:03:44,459

and attention and science being directed

87

00:03:49,220 --> 00:03:46,470

towards the sky but I think I would

88

00:03:51,740 --> 00:03:49,230

rather it be spent in a different way

89

00:03:53,659 --> 00:03:51,750

than you know defense and military I

90

00:03:56,809 --> 00:03:53,669

wish it was more just towards

91

00:03:59,000 --> 00:03:56,819

exploration but I don't know what his

92

00:04:02,449 --> 00:03:59,010

what his plans are or what his concerns

93

00:04:05,390 --> 00:04:02,459

are regarding our safety and in the sky

94

00:04:07,400 --> 00:04:05,400

but I guess any any money spent towards

95

00:04:09,409 --> 00:04:07,410

that well I shouldn't say that I would

96

00:04:11,839 --> 00:04:09,419

like to say any money spent towards that

97

00:04:14,270 --> 00:04:11,849

means is a is a good thing for those of

98

00:04:15,860 --> 00:04:14,280

us who are interested in this but that

99

00:04:19,039 --> 00:04:15,870

said there's probably some nasty things

100

00:04:21,620 --> 00:04:19,049

you could do by building a space force

101  
00:04:24,050 --> 00:04:21,630  
or arming a space force well another

102  
00:04:26,120 --> 00:04:24,060  
thing there's like the moon treaty or

103  
00:04:26,990 --> 00:04:26,130  
something like that ik I know I looked

104  
00:04:29,930 --> 00:04:27,000  
into a quite

105  
00:04:33,440 --> 00:04:29,940  
while ago so I'm not really up on it but

106  
00:04:35,900 --> 00:04:33,450  
I know that the moon is not supposed to

107  
00:04:39,110 --> 00:04:35,910  
be used in any way for any type of

108  
00:04:42,380 --> 00:04:39,120  
military or any other for anything other

109  
00:04:43,790 --> 00:04:42,390  
than exploration I think the tree

110  
00:04:47,210 --> 00:04:43,800  
there's some type of treaty that we

111  
00:04:49,550 --> 00:04:47,220  
signed and I know it's against the Stars

112  
00:04:52,610 --> 00:04:49,560  
the Star Wars thing that came up when

113  
00:04:54,410 --> 00:04:52,620

Reagan was in you know against against

114

00:04:57,580 --> 00:04:54,420

all that I mean if we start like arming

115

00:05:00,800 --> 00:04:57,590

ourselves in the in space I think that's

116

00:05:04,130 --> 00:05:00,810

who knows what that'll lead to so I

117

00:05:06,290 --> 00:05:04,140

think being prepared is good but arming

118

00:05:08,710 --> 00:05:06,300

in space I don't know exactly if that's

119

00:05:12,700 --> 00:05:08,720

such a good idea it's only gonna breed

120

00:05:15,710 --> 00:05:12,710

more a possible conflict in my opinion

121

00:05:17,960 --> 00:05:15,720

yeah I just felt like in our in our past

122

00:05:20,960 --> 00:05:17,970

there was a bit of of course was the

123

00:05:22,940 --> 00:05:20,970

whole space Wars program but a lot of

124

00:05:25,940 --> 00:05:22,950

there was a lot of competition among the

125

00:05:29,060 --> 00:05:25,950

different worlds powers to go into space

126  
00:05:30,230 --> 00:05:29,070  
more so as in an exploratory fashion you

127  
00:05:33,650 --> 00:05:30,240  
know the race to the moon and these

128  
00:05:36,740 --> 00:05:33,660  
sorts of things I love that idea but the

129  
00:05:40,340 --> 00:05:36,750  
rate the arms race in the sky is a bit a

130  
00:05:42,110 --> 00:05:40,350  
bit darker of something to to think

131  
00:05:43,730 --> 00:05:42,120  
about and it's maybe something like

132  
00:05:47,000 --> 00:05:43,740  
that's better off left in science

133  
00:05:49,610 --> 00:05:47,010  
fiction works but that said you know

134  
00:05:51,650 --> 00:05:49,620  
safety is important being prepared for

135  
00:05:53,540 --> 00:05:51,660  
something in the future you know there's

136  
00:05:55,969 --> 00:05:53,550  
a lot of different satellites and things

137  
00:06:00,320 --> 00:05:55,979  
going on up there that I'm sure there's

138  
00:06:03,650 --> 00:06:00,330

there's a national security concern you

139

00:06:07,520 --> 00:06:03,660

know behind all this but I carry us to

140

00:06:09,020 --> 00:06:07,530

here a more casual explanation of what

141

00:06:10,700 --> 00:06:09,030

the plans are and maybe that's something

142

00:06:13,159 --> 00:06:10,710

that'll come out in the future but I

143

00:06:17,270 --> 00:06:13,169

prefer to think that Donald Trump caught

144

00:06:20,060 --> 00:06:17,280

wind of an oncoming UFO invasion or

145

00:06:22,700 --> 00:06:20,070

maybe he saw some upcoming Tom DeLonge

146

00:06:25,630 --> 00:06:22,710

video that Tom hasn't released as yet

147

00:06:27,920 --> 00:06:25,640

and you know and this got Trump's

148

00:06:29,750 --> 00:06:27,930

Trump's back up against the wall so

149

00:06:32,750 --> 00:06:29,760

we'll see I mean maybe it'll be an

150

00:06:34,640 --> 00:06:32,760

exciting month yeah yeah well I know

151  
00:06:36,200 --> 00:06:34,650  
that's your sense of humor a lot of

152  
00:06:40,399 --> 00:06:36,210  
people going to take you serious on that

153  
00:06:43,339 --> 00:06:40,409  
but I think it's I think you know

154  
00:06:45,979 --> 00:06:43,349  
there probably should be protocols you

155  
00:06:47,570 --> 00:06:45,989  
know so far nothing has really as far as

156  
00:06:49,669 --> 00:06:47,580  
we know has attacked us in any type of

157  
00:06:53,419 --> 00:06:49,679  
way at least in the last you know

158  
00:06:55,309 --> 00:06:53,429  
million years but anyway you know I

159  
00:06:59,329 --> 00:06:55,319  
don't think it's a bad idea to have some

160  
00:07:03,290 --> 00:06:59,339  
preparation to address something in case

161  
00:07:04,939 --> 00:07:03,300  
you know we did have hostile incoming it

162  
00:07:07,519 --> 00:07:04,949  
would be not a bad idea to have

163  
00:07:09,320 --> 00:07:07,529

something lined up just I don't know

164

00:07:10,699 --> 00:07:09,330

what if we could possibly even protect

165

00:07:13,909 --> 00:07:10,709

ourselves you know if they could get

166

00:07:16,609 --> 00:07:13,919

here who knows what they could do you

167

00:07:20,769 --> 00:07:16,619

know yeah exactly it's it would be it's

168

00:07:24,709 --> 00:07:20,779

to to prepare for the threat as vague as

169

00:07:26,479 --> 00:07:24,719

you know extraterrestrial invasion it

170

00:07:28,100 --> 00:07:26,489

would be it would be a little tricky

171

00:07:30,469 --> 00:07:28,110

that I have a hard time believing that

172

00:07:32,209 --> 00:07:30,479

that's what his concern is or the

173

00:07:35,089 --> 00:07:32,219

government's concern is with you know

174

00:07:36,949 --> 00:07:35,099

but the space force but you know a lot

175

00:07:39,949 --> 00:07:36,959

of people if you if you run in some of

176

00:07:42,139 --> 00:07:39,959

the same circles online that I do and

177

00:07:44,839 --> 00:07:42,149

you read kind of some of the thoughts

178

00:07:47,779 --> 00:07:44,849

people have about extraterrestrial life

179

00:07:49,100 --> 00:07:47,789

and it's interaction with with our world

180

00:07:50,929 --> 00:07:49,110

you know there's probably a lot of

181

00:07:53,029 --> 00:07:50,939

people who think that we should be

182

00:07:55,339 --> 00:07:53,039

prepared and should be arming to defend

183

00:07:57,649 --> 00:07:55,349

ourselves when the ax time inevitably

184

00:08:00,199 --> 00:07:57,659

comes but I guess I just haven't seen

185

00:08:01,909 --> 00:08:00,209

evidence of that yet right do you have

186

00:08:03,709 --> 00:08:01,919

anything else that you were able to look

187

00:08:06,889 --> 00:08:03,719

at before the show you know there wasn't

188

00:08:08,809 --> 00:08:06,899

yeah as I the through the news and

189

00:08:11,149 --> 00:08:08,819

really I haven't seen a lot here and in

190

00:08:13,850 --> 00:08:11,159

Canada what I'm thinking about is the

191

00:08:16,699 --> 00:08:13,860

upcoming shag harbour UFO festival the

192

00:08:17,989 --> 00:08:16,709

51st anniversary is coming up we had a

193

00:08:20,029 --> 00:08:17,999

great time there together last year

194

00:08:21,649 --> 00:08:20,039

Martin I don't know whether you uh you

195

00:08:23,540 --> 00:08:21,659

plan to go through that again well I'll

196

00:08:26,779 --> 00:08:23,550

tell you one thing I would never ever do

197

00:08:30,319 --> 00:08:26,789

and that's I would never ever ever drive

198

00:08:32,839 --> 00:08:30,329

again from me you know you know I don't

199

00:08:34,429 --> 00:08:32,849

blame you that's that's a long drive had

200

00:08:37,219 --> 00:08:34,439

you had your little dog in the car so

201  
00:08:39,980 --> 00:08:37,229  
yeah yeah it's I can't remember it

202  
00:08:42,110 --> 00:08:39,990  
seemed like it was 1,600 miles or maybe

203  
00:08:44,299 --> 00:08:42,120  
maybe it wasn't that long but it sure

204  
00:08:46,069 --> 00:08:44,309  
felt like it no that's not going to no I

205  
00:08:47,360 --> 00:08:46,079  
better you're going to that I assume

206  
00:08:49,549 --> 00:08:47,370  
because it's not too far away from you

207  
00:08:51,049 --> 00:08:49,559  
right no no just a couple hours I'll

208  
00:08:54,230 --> 00:08:51,059  
definitely be there and they got a great

209  
00:08:56,480 --> 00:08:54,240  
lineup this year Chris rutkowski Oh

210  
00:08:58,250 --> 00:08:56,490  
a friend of your upcoming guests MJ's is

211  
00:09:00,230 --> 00:08:58,260  
gonna be speaking there and really

212  
00:09:03,769 --> 00:09:00,240  
looking forward to that because he's in

213  
00:09:05,960 --> 00:09:03,779

my opinion Canada's top researcher and

214

00:09:07,970 --> 00:09:05,970

of the UFO phenomenon he publishes the

215

00:09:09,980 --> 00:09:07,980

Canadian UFO survey each year where he

216

00:09:12,290 --> 00:09:09,990

compiles the statistics of the years

217

00:09:12,980 --> 00:09:12,300

reports so I'm really excited to see him

218

00:09:15,590 --> 00:09:12,990

speak

219

00:09:17,720 --> 00:09:15,600

Chris Stiles who is kind of the man

220

00:09:19,490 --> 00:09:17,730

behind the shag harbour UFO incident

221

00:09:21,560 --> 00:09:19,500

will be there again this year says it's

222

00:09:23,300 --> 00:09:21,570

going to be a great time but an idea

223

00:09:25,310 --> 00:09:23,310

that I had for you Martin you often talk

224

00:09:26,870 --> 00:09:25,320

about having people staying in your

225

00:09:28,370 --> 00:09:26,880

guest house and you know and you talk

226

00:09:29,960 --> 00:09:28,380

about it a lot I know you have a

227

00:09:32,389 --> 00:09:29,970

beautiful property there you should plan

228

00:09:33,949 --> 00:09:32,399

a little festival rate on your rate and

229

00:09:35,990 --> 00:09:33,959

your your property you have your guests

230

00:09:39,350 --> 00:09:36,000

oh she could probably have you know 30

231

00:09:42,889 --> 00:09:39,360

50 people up there stargazing well I do

232

00:09:44,420 --> 00:09:42,899

I actually do have like the place part

233

00:09:47,000 --> 00:09:44,430

of the place was used for conferences

234

00:09:49,460 --> 00:09:47,010

and there's a big ballroom the only

235

00:09:51,440 --> 00:09:49,470

problem is the ceiling fell in so that's

236

00:09:54,860 --> 00:09:51,450

a little bit of a problem yeah that

237

00:09:56,780 --> 00:09:54,870

anyway it is fixed but still it still

238

00:09:58,250 --> 00:09:56,790

needs a lot of work but yeah it's it's

239

00:10:00,260 --> 00:09:58,260

something I thought of a look briefly

240

00:10:02,329 --> 00:10:00,270

but I'm not sure if I'll never do

241

00:10:03,889 --> 00:10:02,339

something like that but good cots and

242

00:10:05,120 --> 00:10:03,899

you can happen you can even have a

243

00:10:07,160 --> 00:10:05,130

journalist version where you have

244

00:10:08,930 --> 00:10:07,170

different journalists live-streaming and

245

00:10:11,810 --> 00:10:08,940

you can have it almost like a web

246

00:10:14,150 --> 00:10:11,820

conference where people your listeners

247

00:10:16,819 --> 00:10:14,160

from around the world could attend via

248

00:10:19,699 --> 00:10:16,829

the internet and you can have podcasters

249

00:10:22,880 --> 00:10:19,709

journalists one can have Alejandro there

250

00:10:25,819 --> 00:10:22,890

yeah well you're the you're the thinker

251

00:10:27,319 --> 00:10:25,829

that's for sure so I really appreciate

252

00:10:29,569 --> 00:10:27,329

you coming on I know it was such short

253

00:10:32,900 --> 00:10:29,579

notice and I really do appreciate you

254

00:10:36,170 --> 00:10:32,910

coming on and when is that up in Canada

255

00:10:38,660 --> 00:10:36,180

is another two months right yeah I think

256

00:10:40,610 --> 00:10:38,670

it's the first week of August I believe

257

00:10:43,460 --> 00:10:40,620

I wish I did the data focus but it's

258

00:10:44,630 --> 00:10:43,470

yeah yeah it's I think they're having it

259

00:10:47,060 --> 00:10:44,640

at the beginning of August it's all

260

00:10:49,550 --> 00:10:47,070

online if you just google shag harbour

261

00:10:52,100 --> 00:10:49,560

UFO festival you'll find the the

262

00:10:54,319 --> 00:10:52,110

schedule and whatnot so it's it's all

263

00:10:56,150 --> 00:10:54,329

there all right excellent okay Jordan

264

00:10:58,490 --> 00:10:56,160

well thanks a lot I really appreciate it

265

00:10:59,810 --> 00:10:58,500

especially in a minute I mean just a

266

00:11:02,660 --> 00:10:59,820

couple minutes ago it seems like I

267

00:11:04,280 --> 00:11:02,670

called you so anyway yeah all right I'll

268

00:11:05,840 --> 00:11:04,290

talk to you sighing pleasure all right

269

00:11:08,210 --> 00:11:05,850

you take care have a great time with MJ

270

00:11:11,360 --> 00:11:08,220

he's awesome all right thank you

271

00:11:14,390 --> 00:11:11,370

all right so our guest MJ Phineas he is

272

00:11:17,270 --> 00:11:14,400

a writer a blogger and who critically

273

00:11:20,210 --> 00:11:17,280

fill us fill Asafa Kalia examines the

274

00:11:22,280 --> 00:11:20,220

weird the strange and the anomalous and

275

00:11:25,340 --> 00:11:22,290

he's got a book he's putting together

276

00:11:26,510 --> 00:11:25,350

we're gonna be talking about that coming

277

00:11:30,040 --> 00:11:26,520

right up

278

00:11:33,020 --> 00:11:30,050

so how you doing how are you doing - MJ

279

00:11:36,500 --> 00:11:33,030

I'm doing really well how are you thank

280

00:11:39,500 --> 00:11:36,510

you and thanks so much for thanks so

281

00:11:41,140 --> 00:11:39,510

much for joining us oh it's my pleasure

282

00:11:44,330 --> 00:11:41,150

I got me a this is one of my favorite

283

00:11:46,700 --> 00:11:44,340

UFO podcasts and I was really surprised

284

00:11:49,370 --> 00:11:46,710

when you took the leap and joined kgr a

285

00:11:51,440 --> 00:11:49,380

well done Mazel Tov well well thank you

286

00:11:53,510 --> 00:11:51,450

yes I one of the things I've always

287

00:11:55,370 --> 00:11:53,520

wanted to do it's been important is to

288

00:11:59,750 --> 00:11:55,380

try to you know get as much of an

289

00:12:01,190 --> 00:11:59,760

audience as I can out there and so I had

290

00:12:02,470 --> 00:12:01,200

thought about it for quite a while and I

291

00:12:04,850 --> 00:12:02,480

I can't believe I'm actually

292

00:12:07,730 --> 00:12:04,860

simulcasting I didn't know that could be

293

00:12:11,420 --> 00:12:07,740

done but on YouTube it's a great thing

294

00:12:14,150 --> 00:12:11,430

it's not really that much more work so

295

00:12:16,010 --> 00:12:14,160

it's all good so for the person let's

296

00:12:17,960 --> 00:12:16,020

see I think you were on about 10 or

297

00:12:20,690 --> 00:12:17,970

about 10 months ago last time you run

298

00:12:22,790 --> 00:12:20,700

and so this is your second visit but for

299

00:12:24,820 --> 00:12:22,800

the person that is not aware of who you

300

00:12:29,180 --> 00:12:24,830

are would you mind filling everyone in

301  
00:12:33,080 --> 00:12:29,190  
sure yeah I'm just a humble UFO writer

302  
00:12:34,790 --> 00:12:33,090  
blogger journalist I write for

303  
00:12:38,630 --> 00:12:34,800  
mysterious universe I have my own blog

304  
00:12:41,900 --> 00:12:38,640  
at ter obscura net and my interest in

305  
00:12:43,820 --> 00:12:41,910  
UFOs has been sort of it's very old and

306  
00:12:47,090 --> 00:12:43,830  
then I've loved it as a kid that was a

307  
00:12:49,490 --> 00:12:47,100  
kid rather perfect right now the the big

308  
00:12:51,350 --> 00:12:49,500  
project for me has been my first book so

309  
00:12:53,510 --> 00:12:51,360  
that's sort of been where I've been

310  
00:12:56,540 --> 00:12:53,520  
hiding for I think the last year or so

311  
00:12:58,640 --> 00:12:56,550  
oh and could you can you tell us some

312  
00:13:00,800 --> 00:12:58,650  
you did tell me a little bit about it

313  
00:13:02,510 --> 00:13:00,810

that go ahead and tell the listener if

314

00:13:06,350 --> 00:13:02,520

you would what that's about

315

00:13:08,540 --> 00:13:06,360

sure my book is really about the UFO

316

00:13:11,270 --> 00:13:08,550

subculture the UFO community and that's

317

00:13:13,310 --> 00:13:11,280

really what my interest is you know the

318

00:13:16,820 --> 00:13:13,320

UFOs are fascinating but for me I think

319

00:13:18,740 --> 00:13:16,830

the people who make up who make up the

320

00:13:20,870 --> 00:13:18,750

community that sort of engages with the

321

00:13:21,740 --> 00:13:20,880

UFO phenomenon that for me is really

322

00:13:23,960 --> 00:13:21,750

sort of the more

323

00:13:26,240 --> 00:13:23,970

fascinating thing so my book is

324

00:13:28,460 --> 00:13:26,250

basically you know exploring different

325

00:13:30,530 --> 00:13:28,470

aspects of the subculture I have sort of

326

00:13:31,670 --> 00:13:30,540

various interviews and individuals who

327

00:13:35,180 --> 00:13:31,680

have spoken to me and told me their

328

00:13:37,760 --> 00:13:35,190

stories and basically I'm sort of taking

329

00:13:39,620 --> 00:13:37,770

on the sort of trying to develop a bit

330

00:13:41,540 --> 00:13:39,630

of a framework for how the UFO

331

00:13:45,770 --> 00:13:41,550

subculture functions and and how it

332

00:13:47,330 --> 00:13:45,780

looks and what it is basically hopefully

333

00:13:51,020 --> 00:13:47,340

sort of original and the first of its

334

00:13:53,390 --> 00:13:51,030

kind well I I think you know there's

335

00:13:57,650 --> 00:13:53,400

been a lot of discussion about say for

336

00:13:59,860 --> 00:13:57,660

instance pop culture and UFOs and so I'm

337

00:14:03,110 --> 00:13:59,870

sure it kind of follows along that but

338

00:14:05,710 --> 00:14:03,120

and people have talked about you know

339

00:14:08,630 --> 00:14:05,720

kind of almost like a religious aspect

340

00:14:11,690 --> 00:14:08,640

to it and almost a cult following and I

341

00:14:14,330 --> 00:14:11,700

do think you do actually see that in

342

00:14:18,440 --> 00:14:14,340

certain circumstances that there's you

343

00:14:20,360 --> 00:14:18,450

know like a cult following and I'm not

344

00:14:22,690 --> 00:14:20,370

you know I'm not pointing any fingers or

345

00:14:25,630 --> 00:14:22,700

anything it's just uh it does seem like

346

00:14:28,220 --> 00:14:25,640

there is part of that going on out there

347

00:14:31,430 --> 00:14:28,230

no I agree I think that subcultures it's

348

00:14:35,540 --> 00:14:31,440

incredibly complex and there's a lot of

349

00:14:37,430 --> 00:14:35,550

nuance and I think really when we try to

350

00:14:38,900 --> 00:14:37,440

define you know who's a member of the

351

00:14:41,660 --> 00:14:38,910

subculture or who's a member of the

352

00:14:43,940 --> 00:14:41,670

community it's very difficult to draw

353

00:14:48,110 --> 00:14:43,950

those lines and distinctions especially

354

00:14:50,660 --> 00:14:48,120

since there's really no there's really

355

00:14:54,980 --> 00:14:50,670

no ivory tower or there's no sort of

356

00:14:57,140 --> 00:14:54,990

established you know university or

357

00:14:58,730 --> 00:14:57,150

there's no sort of established I guess

358

00:15:01,070 --> 00:14:58,740

paradigm that that sort of says this is

359

00:15:04,010 --> 00:15:01,080

what the UFO subculture is and it's sort

360

00:15:06,710 --> 00:15:04,020

of its encapsulated and that's it that

361

00:15:10,310 --> 00:15:06,720

doesn't exist a colleague of mine Ryan

362

00:15:12,950 --> 00:15:10,320

Sprague who's a UFO podcaster and author

363

00:15:14,000 --> 00:15:12,960

he sort of said if you ever you know if

364

00:15:16,310 --> 00:15:14,010

you want to become a youthful if you

365

00:15:17,630 --> 00:15:16,320

want to become a ufologist I would say

366

00:15:21,950 --> 00:15:17,640

spin around three times and touch your

367

00:15:23,630 --> 00:15:21,960

nose and you are one right so it's it's

368

00:15:24,980 --> 00:15:23,640

one of those it's one of those things

369

00:15:27,500 --> 00:15:24,990

where we're sort of trapped in this

370

00:15:29,270 --> 00:15:27,510

weird world where we can't really draw a

371

00:15:30,530 --> 00:15:29,280

distinction or a line as to who's a

372

00:15:33,230 --> 00:15:30,540

member who isn't and this is sort of

373

00:15:35,300 --> 00:15:33,240

what this book tries to address I seem

374

00:15:35,600 --> 00:15:35,310

to get a lot of people that contact me

375

00:15:43,550 --> 00:15:35,610

that

376

00:15:46,190 --> 00:15:43,560

really far out in the fringe and you

377

00:15:48,829 --> 00:15:46,200

know and I don't I've had a few people

378

00:15:50,269 --> 00:15:48,839

on that are kind of out there and I kind

379

00:15:53,000 --> 00:15:50,279

of let you know the listening audience

380

00:15:57,470 --> 00:15:53,010

take it up but I've noticed an upsurge

381

00:15:59,960 --> 00:15:57,480

in people contacting me trying to get on

382

00:16:02,329 --> 00:15:59,970

the show that you know claim that

383

00:16:05,269 --> 00:16:02,339

they've been you know living among

384

00:16:06,949 --> 00:16:05,279

aliens or on another planet or they are

385

00:16:08,960 --> 00:16:06,959

you know star children or you know

386

00:16:11,720 --> 00:16:08,970

things like that it just seems like it

387

00:16:15,319 --> 00:16:11,730

seems to be growing are you noticing any

388

00:16:19,009 --> 00:16:15,329

trends for what what's been happening or

389

00:16:20,840 --> 00:16:19,019

any upsurge or anything you know I think

390

00:16:23,569 --> 00:16:20,850

this is sort of always existed I think

391

00:16:25,550 --> 00:16:23,579

what's become obviously more prevalent

392

00:16:28,220 --> 00:16:25,560

is is you know just the rise of the

393

00:16:31,130 --> 00:16:28,230

Internet has allowed anyone sort of tell

394

00:16:32,329 --> 00:16:31,140

a story and really parsing through all

395

00:16:34,460 --> 00:16:32,339

of those individuals and trying to

396

00:16:37,280 --> 00:16:34,470

figure out you know where do we draw the

397

00:16:40,250 --> 00:16:37,290

line of truth and where do we draw the

398

00:16:43,220 --> 00:16:40,260

line of just total nonsense is again

399

00:16:44,329 --> 00:16:43,230

really difficult and a lot of it like

400

00:16:46,069 --> 00:16:44,339

you know like you mentioned before it

401  
00:16:47,960 --> 00:16:46,079  
comes down to to sort of a more

402  
00:16:49,910 --> 00:16:47,970  
religious or theological sense you know

403  
00:16:52,610 --> 00:16:49,920  
a lot of it boils down to belief do you

404  
00:16:54,710 --> 00:16:52,620  
you know as a podcaster and a host

405  
00:16:55,910 --> 00:16:54,720  
believe in their story because

406  
00:16:57,829 --> 00:16:55,920  
fundamentally they won't have any

407  
00:16:59,780 --> 00:16:57,839  
evidence really to present you that

408  
00:17:02,030 --> 00:16:59,790  
suggests they are star children or

409  
00:17:04,189 --> 00:17:02,040  
they've been living with aliens on Mars

410  
00:17:05,659 --> 00:17:04,199  
or you know with the reptilians or on

411  
00:17:07,039 --> 00:17:05,669  
the other side of the Moon ultimately

412  
00:17:10,059 --> 00:17:07,049  
you don't they're not gonna be able to

413  
00:17:11,960 --> 00:17:10,069

provide this apart from an anecdote and

414

00:17:13,549 --> 00:17:11,970

you know this is sort of good and bad

415

00:17:15,590 --> 00:17:13,559

right and this is maybe the beauty of

416

00:17:18,199 --> 00:17:15,600

the UFO subculture in that it's sort of

417

00:17:22,760 --> 00:17:18,209

total anarchy it's a total chaotic mess

418

00:17:26,990 --> 00:17:22,770

and a total chaotic system where you

419

00:17:30,020 --> 00:17:27,000

can't really delineate I guess sort of

420

00:17:32,030 --> 00:17:30,030

truth from fiction all the time I think

421

00:17:34,039 --> 00:17:32,040

at you know common sense often will

422

00:17:38,049 --> 00:17:34,049

apply and like judgment calls based upon

423

00:17:40,610 --> 00:17:38,059

common sense but then you know you can't

424

00:17:42,470 --> 00:17:40,620

they can't prove it and you can't

425

00:17:44,510 --> 00:17:42,480

disprove it and it's it's it's sort of

426

00:17:47,600 --> 00:17:44,520

strange and weird and beautiful all at

427

00:17:49,049 --> 00:17:47,610

the same time I think yeah I know you

428

00:17:51,389 --> 00:17:49,059

mentioned Ryan earlier

429

00:17:55,169 --> 00:17:51,399

and I know his book was kind of along

430

00:17:59,759 --> 00:17:55,179

those that the line of this you know

431

00:18:04,230 --> 00:17:59,769

basically exploring the the psychology

432

00:18:06,509 --> 00:18:04,240

of the whole phenomena and you know I

433

00:18:09,749 --> 00:18:06,519

always have to I have to keep myself in

434

00:18:13,649 --> 00:18:09,759

check you know when I think about this

435

00:18:16,649 --> 00:18:13,659

whole topic as well and you know I try

436

00:18:21,320 --> 00:18:16,659

not to go out too far on the limb but I

437

00:18:23,399 --> 00:18:21,330

also try to be open-minded but I I I

438

00:18:26,340 --> 00:18:23,409

have not

439

00:18:29,039 --> 00:18:26,350

like followed anyone and I that's the

440

00:18:32,070 --> 00:18:29,049

part where I think when people there's a

441

00:18:36,029 --> 00:18:32,080

difference between a fan and someone

442

00:18:39,210 --> 00:18:36,039

following someone I believe and I have

443

00:18:44,269 --> 00:18:39,220

seen there are people that kind of have

444

00:18:47,669 --> 00:18:44,279

risen to the top of this field in

445

00:18:49,080 --> 00:18:47,679

certain ways and some of it being a

446

00:18:50,730 --> 00:18:49,090

little bit some of them being a little

447

00:18:53,700 --> 00:18:50,740

bit fringe and they have people

448

00:18:56,310 --> 00:18:53,710

defending them which is yet very

449

00:18:59,999 --> 00:18:56,320

cult-like in a way indeed and I mean I

450

00:19:01,859 --> 00:19:00,009

have to be honest you you know as a

451

00:19:03,029 --> 00:19:01,869

podcaster and again I've had this

452

00:19:05,310 --> 00:19:03,039

conversation with Ryan his show but as a

453

00:19:07,289 --> 00:19:05,320

podcaster as someone who has to you know

454

00:19:09,450 --> 00:19:07,299

generate an audience you know often we

455

00:19:11,759 --> 00:19:09,460

have to be careful sort of what we say

456

00:19:15,779 --> 00:19:11,769

right because ultimately if you alienate

457

00:19:18,419 --> 00:19:15,789

huh alienate if you alienate someone who

458

00:19:21,330 --> 00:19:18,429

has a big following even though you know

459

00:19:24,389 --> 00:19:21,340

we can probably debate you know whether

460

00:19:26,249 --> 00:19:24,399

they're committing fraud or not you take

461

00:19:29,519 --> 00:19:26,259

a big risk and I have to be honest I

462

00:19:32,100 --> 00:19:29,529

mean you know you're gonna have a whole

463

00:19:33,629 --> 00:19:32,110

assortment of audience members today I'm

464

00:19:35,970 --> 00:19:33,639

sure that I will probably say something

465

00:19:39,539 --> 00:19:35,980

and I will make someone upset because I

466

00:19:44,970 --> 00:19:39,549

said that their favorite UFO expert or

467

00:19:47,190 --> 00:19:44,980

guru or Chandler or who knows is is full

468

00:19:51,810 --> 00:19:47,200

of it I don't want to but sometimes it

469

00:19:52,799 --> 00:19:51,820

comes out and yes you can't run that

470

00:19:55,109 --> 00:19:52,809

risk right because ultimately the

471

00:19:57,960 --> 00:19:55,119

subculture dictates whether the you know

472

00:19:59,279 --> 00:19:57,970

people listen to you or not and and like

473

00:20:01,230 --> 00:19:59,289

you said they have these cult-like

474

00:20:02,820 --> 00:20:01,240

following and they can muster a lot of

475

00:20:04,950 --> 00:20:02,830

people to come after you and

476

00:20:06,600 --> 00:20:04,960

and put you down and Crake fake facebook

477

00:20:10,730 --> 00:20:06,610

accounts and troll you and all that

478

00:20:14,610 --> 00:20:10,740

stuff yeah which is quite amazing yes

479

00:20:16,740 --> 00:20:14,620

anyone that follows my YouTube channel

480

00:20:20,340 --> 00:20:16,750

will see that there's you know I have a

481

00:20:23,580 --> 00:20:20,350

few trolls after me have been and I just

482

00:20:25,500 --> 00:20:23,590

I just don't don't let it bother me I

483

00:20:29,040 --> 00:20:25,510

just have them as long as they're not

484

00:20:31,800 --> 00:20:29,050

saying anything racial or like

485

00:20:33,990 --> 00:20:31,810

slandering any of my guests I usually

486

00:20:36,000 --> 00:20:34,000

don't even bother to look at too many of

487

00:20:38,040 --> 00:20:36,010

the comments unfortunately I just feel

488

00:20:42,120 --> 00:20:38,050

like it's not a place I really want to

489

00:20:49,040 --> 00:20:42,130

go no I do not engage right you don't

490

00:20:56,820 --> 00:20:52,110

everyone is welcome to their opinion but

491

00:20:58,350 --> 00:20:56,830

sometimes it makes me wonder why why why

492

00:21:01,710 --> 00:20:58,360

someone gets so upset over something

493

00:21:04,170 --> 00:21:01,720

minor when they do well I think that's

494

00:21:05,490 --> 00:21:04,180

that's kind of the the that's one thing

495

00:21:07,650 --> 00:21:05,500

the UFO subculture lends itself very

496

00:21:09,180 --> 00:21:07,660

well to is is opinion and speculation

497

00:21:11,010 --> 00:21:09,190

and that's fine I think speculation is

498

00:21:12,090 --> 00:21:11,020

great I think it's awesome that we can

499

00:21:13,530 --> 00:21:12,100

sit here and have literally

500

00:21:15,570 --> 00:21:13,540

philosophical conversations about the

501  
00:21:18,930 --> 00:21:15,580  
nature of the universe or the nature of

502  
00:21:20,460 --> 00:21:18,940  
an almost anomalous phenomena or sort of

503  
00:21:23,010 --> 00:21:20,470  
esoteric concepts I think that's that's

504  
00:21:24,270 --> 00:21:23,020  
great I think when we start making truth

505  
00:21:27,240 --> 00:21:24,280  
claims though and when we start saying

506  
00:21:30,840 --> 00:21:27,250  
you know the UFO phenomenon is X or or

507  
00:21:35,250 --> 00:21:30,850  
this event over here is why without any

508  
00:21:37,470 --> 00:21:35,260  
evidence or without any concrete data to

509  
00:21:38,970 --> 00:21:37,480  
back it up I think we run into problems

510  
00:21:41,010 --> 00:21:38,980  
and I think that this is where we sort

511  
00:21:42,240 --> 00:21:41,020  
of see this shift in the subculture like

512  
00:21:43,650 --> 00:21:42,250  
you mentioned earlier you know are we

513  
00:21:44,760 --> 00:21:43,660

noticing this uptick I think you're

514

00:21:46,500 --> 00:21:44,770

getting a lot of individuals who are

515

00:21:49,710 --> 00:21:46,510

saying a lot of things and making a lot

516

00:21:52,050 --> 00:21:49,720

of claims that they are suggesting are

517

00:21:53,310 --> 00:21:52,060

true and unfortunately people are buying

518

00:21:54,900 --> 00:21:53,320

into it right you know there's their

519

00:21:56,250 --> 00:21:54,910

snake oil sales salesman and there's a

520

00:21:59,060 --> 00:21:56,260

lot of stupid people who are willing to

521

00:22:01,650 --> 00:21:59,070

buy that snake oil as well and

522

00:22:03,840 --> 00:22:01,660

unfortunately you can have someone for

523

00:22:06,780 --> 00:22:03,850

example say I have no evidence to

524

00:22:11,010 --> 00:22:06,790

support my claim but I was a soldier on

525

00:22:14,850 --> 00:22:11,020

Mars and I time-traveled and you know

526

00:22:16,710 --> 00:22:14,860

all of this stuff and provide no data

527

00:22:19,710 --> 00:22:16,720

whatsoever or evidence to back it up

528

00:22:21,480 --> 00:22:19,720

people believe them and will buy their

529

00:22:23,610 --> 00:22:21,490

stuff and support them and donate to

530

00:22:25,950 --> 00:22:23,620

their cause and and you know give the

531

00:22:30,620 --> 00:22:25,960

money off your patreon or whatever and

532

00:22:33,390 --> 00:22:30,630

watch their show on gaya and ultimately

533

00:22:36,360 --> 00:22:33,400

produce a lot of noise

534

00:22:38,820 --> 00:22:36,370

whereupon the signal such as your show I

535

00:22:42,330 --> 00:22:38,830

think gets lost right um you have a lot

536

00:22:45,680 --> 00:22:42,340

of crap out there and what you then say

537

00:22:48,990 --> 00:22:45,690

was you that sent me the email last week

538

00:22:51,210 --> 00:22:49,000

which email saying all this stuff you

539

00:22:53,669 --> 00:22:51,220

just said as a joke I'm just joking with

540

00:22:58,590 --> 00:22:53,679

you so we're ready to go help

541

00:23:01,529 --> 00:22:58,600

what's that yeah I might call so we are

542

00:23:05,370 --> 00:23:01,539

ready to go into a break so we are on

543

00:23:07,770 --> 00:23:05,380

with MJ benaiah and we're gonna go on

544

00:23:12,750 --> 00:23:07,780

this break and we'll be back in about

545

00:23:16,590 --> 00:23:12,760

three minutes and so we are on podcast

546

00:23:17,190 --> 00:23:16,600

UFO and kgr radio and again my guest is

547

00:23:23,850 --> 00:23:17,200

MJ

548

00:23:25,919 --> 00:23:23,860

Anais we'll be right back all right

549

00:23:28,320 --> 00:23:25,929

gentleman word clears throught minutes

550

00:23:29,789 --> 00:23:28,330

and 40 seconds in this break mardan 3

551  
00:23:31,020 --> 00:23:29,799  
minutes and 40 seconds you were real

552  
00:23:33,960 --> 00:23:31,030  
close you betcha

553  
00:23:36,810 --> 00:23:33,970  
oh wow okay it was a great commentary

554  
00:23:39,840 --> 00:23:36,820  
man that was spot-on it's always

555  
00:23:41,580 --> 00:23:39,850  
refreshing to hear good common sense on

556  
00:23:43,950 --> 00:23:41,590  
the high waves here

557  
00:23:46,380 --> 00:23:43,960  
thanks very much I can't imagine it's

558  
00:23:50,789 --> 00:23:46,390  
easy with running kgr a you probably get

559  
00:23:54,360 --> 00:23:50,799  
a lot of interesting characters well

560  
00:23:56,159 --> 00:23:54,370  
he's gone well I'm here I got to be

561  
00:23:58,289 --> 00:23:56,169  
honest with you there's times where I'm

562  
00:24:04,230 --> 00:23:58,299  
ready to just start jamming pencils in

563  
00:24:06,149 --> 00:24:04,240

my ears but the you know the well I'll

564

00:24:09,600 --> 00:24:06,159

just say it you know the core goods the

565

00:24:12,870 --> 00:24:09,610

David Wilcock the you know the passaggio

566

00:24:15,450 --> 00:24:12,880

that none of them are ever gonna find a

567

00:24:17,610 --> 00:24:15,460

place here no but there are some of

568

00:24:20,250 --> 00:24:17,620

there like there are fans Mike right and

569

00:24:21,840 --> 00:24:20,260

that's the inherent rollick yeah yeah

570

00:24:23,070 --> 00:24:21,850

like you still have a business to run at

571

00:24:26,970 --> 00:24:23,080

the end of the day you still a business

572

00:24:28,710 --> 00:24:26,980

to run right you know it's hard it's

573

00:24:29,950 --> 00:24:28,720

hard to keep everybody happy it's just

574

00:24:35,340 --> 00:24:29,960

do it

575

00:24:38,470 --> 00:24:35,350

that's true yeah last week we had we had

576

00:24:42,879 --> 00:24:38,480

dr. Bob gross on who had his theory on

577

00:24:47,109 --> 00:24:42,889

on Kecksburg and he had a theory also on

578

00:24:49,649 --> 00:24:47,119

Roswell and boy have I got a lot of

579

00:24:52,539 --> 00:24:49,659

email about that so what was his theory

580

00:24:54,279 --> 00:24:52,549

his basically his theory is that he

581

00:24:57,509 --> 00:24:54,289

thought it was up now there was some

582

00:25:00,999 --> 00:24:57,519

type of balloon that was coated with

583

00:25:03,970 --> 00:25:01,009

aluminum and like a precursor to miler

584

00:25:07,299 --> 00:25:03,980

pet I can't not remember the long name

585

00:25:08,799 --> 00:25:07,309

of it so that he was basically thinking

586

00:25:11,159 --> 00:25:08,809

that it was that that actually crashed

587

00:25:13,299 --> 00:25:11,169

and actually was pretty convincing but

588

00:25:16,060 --> 00:25:13,309

since that time there's been a couple

589

00:25:18,549 --> 00:25:16,070

blogs have come out with a you know

590

00:25:22,180 --> 00:25:18,559

punching holes and saying that he used

591

00:25:26,580 --> 00:25:22,190

you know selective evidence for that

592

00:25:30,210 --> 00:25:26,590

well it's like this that the you

593

00:25:37,720 --> 00:25:30,220

mistakes Air Force I think it was at

594

00:25:40,389 --> 00:25:37,730

1996 was it this big explanation that

595

00:25:43,269 --> 00:25:40,399

had nothing to do with it right I mean

596

00:25:45,340 --> 00:25:43,279

you know developing mylar technology

597

00:25:48,810 --> 00:25:45,350

back then might have been a really big

598

00:25:51,999 --> 00:25:48,820

thing which I don't think it was so much

599

00:25:54,190 --> 00:25:52,009

but you know why wouldn't they just come

600

00:25:56,340 --> 00:25:54,200

clean with that today when the shit's

601  
00:25:59,350 --> 00:25:56,350  
everywhere it just didn't make any sense

602  
00:26:01,239 --> 00:25:59,360  
I'm back here chewing a hole through my

603  
00:26:04,749 --> 00:26:01,249  
seat you know what I mean I just want to

604  
00:26:06,519 --> 00:26:04,759  
open this mic up and say look man but I

605  
00:26:08,320 --> 00:26:06,529  
can't do it you know I gotta sit back

606  
00:26:10,239 --> 00:26:08,330  
and just let these guys do their thing

607  
00:26:12,129 --> 00:26:10,249  
but well everyone's hearing you on

608  
00:26:15,369 --> 00:26:12,139  
YouTube now just to let you know in my

609  
00:26:17,619 --> 00:26:15,379  
podcast well good because keep the

610  
00:26:23,799 --> 00:26:17,629  
conversation clean I'm safe for work

611  
00:26:27,249 --> 00:26:23,809  
yeah but you know I just it really it

612  
00:26:28,570 --> 00:26:27,259  
makes me wonder you know why the US Air

613  
00:26:29,830 --> 00:26:28,580

Force would go through so much trouble

614

00:26:32,409 --> 00:26:29,840

to still cover up something that's

615

00:26:34,419 --> 00:26:32,419

everywhere now it's not top-secret it's

616

00:26:36,639 --> 00:26:34,429

not something that needs to be held back

617

00:26:37,930 --> 00:26:36,649

or they just don't care like there's not

618

00:26:39,779 --> 00:26:37,940

gonna stop talking about it because like

619

00:26:43,210 --> 00:26:39,789

literally they just don't care about us

620

00:26:45,520 --> 00:26:43,220

you know like does the if

621

00:26:47,529 --> 00:26:45,530

was okay see I don't want to upset

622

00:26:50,529 --> 00:26:47,539

anyone but let's just for the sake of

623

00:26:53,680 --> 00:26:50,539

argument let's say Roswell is nothing

624

00:26:55,870 --> 00:26:53,690

more than mylar balloon technology

625

00:26:58,180 --> 00:26:55,880

that's beyond you know what it was in

626

00:27:00,279 --> 00:26:58,190

1947 I think we have only 20 seconds

627

00:27:01,600 --> 00:27:00,289

left right okay well they're not gonna

628

00:27:03,130 --> 00:27:01,610

come in and they're not gonna be like

629

00:27:04,149 --> 00:27:03,140

anyway you know this actually it was and

630

00:27:05,740 --> 00:27:04,159

they're gonna try and disappear because

631

00:27:06,970 --> 00:27:05,750

they know that none is gonna happen at

632

00:27:08,500 --> 00:27:06,980

the end of the day if they came out and

633

00:27:11,020 --> 00:27:08,510

said at Mile Arts this advanced

634

00:27:12,370 --> 00:27:11,030

technology we had in 47 do you think the

635

00:27:13,870 --> 00:27:12,380

UFO community would suddenly be like oh

636

00:27:15,820 --> 00:27:13,880

yeah no they're right you're right

637

00:27:18,669 --> 00:27:15,830

that's right we accept this answer as

638

00:27:20,440 --> 00:27:18,679

the truth agreed but that was an awful

639

00:27:23,980 --> 00:27:20,450

big report that came out to cover up

640

00:27:28,510 --> 00:27:23,990

plastic right right so we're going back

641

00:27:30,909 --> 00:27:28,520

we're 39 seconds away 39 seconds okay 39

642

00:27:32,710 --> 00:27:30,919

seconds okay yeah

643

00:27:34,750 --> 00:27:32,720

well it was an interesting theory and

644

00:27:36,430 --> 00:27:34,760

you know it's another theory and that's

645

00:27:39,580 --> 00:27:36,440

I think that's the name of one of the

646

00:27:41,409 --> 00:27:39,590

blogs another theory out there oh hey

647

00:27:46,330 --> 00:27:41,419

look Ryan's in the chat room hey Ryan

648

00:27:49,090 --> 00:27:46,340

Ryan Sprague I love him brother Ron yep

649

00:27:51,370 --> 00:27:49,100

that's right so he's won't have to say

650

00:27:53,740 --> 00:27:51,380

hi to him and we we can take calls

651  
00:27:56,860 --> 00:27:53,750  
hopefully the calls will be working we

652  
00:28:00,669 --> 00:27:56,870  
can take them at the top of the hour at

653  
00:28:03,880 --> 00:28:00,679  
the top of the hour so we are coming up

654  
00:28:07,149 --> 00:28:03,890  
20 seconds away around all right Martin

655  
00:28:14,230 --> 00:28:07,159  
sweeper is fired and bumper will be

656  
00:28:18,789 --> 00:28:14,240  
rolling in three seconds all right MJ

657  
00:28:22,390 --> 00:28:18,799  
ready barn you ready I'm ready everybody

658  
00:28:29,440 --> 00:28:22,400  
on YouTube ready all right here we go

659  
00:28:33,970 --> 00:28:29,450  
gentlemen in five four three two welcome

660  
00:28:38,080 --> 00:28:33,980  
back to podcast UFO on kgr radio kgr

661  
00:28:40,270 --> 00:28:38,090  
radio.com and my guess is an MJ bonus

662  
00:28:44,649 --> 00:28:40,280  
and we're having a lot of fun talking

663  
00:28:48,700 --> 00:28:44,659

about the UFO subculture and welcome

664

00:28:50,669 --> 00:28:48,710

back so before the break we were you

665

00:28:53,590 --> 00:28:50,679

were talking about different aspects of

666

00:28:56,950 --> 00:28:53,600

you know the we were talking about the

667

00:29:00,820 --> 00:28:56,960

different cult-like aspects of

668

00:29:05,110 --> 00:29:00,830

this not to really name any names up I

669

00:29:10,090 --> 00:29:05,120

have actually named a name on this show

670

00:29:14,500 --> 00:29:10,100

before a Steven Greer that that has

671

00:29:18,789 --> 00:29:14,510

caused me a lot of trouble so but you

672

00:29:20,320 --> 00:29:18,799

know there there are I think on any

673

00:29:21,940 --> 00:29:20,330

aspect like if you go into different

674

00:29:25,919 --> 00:29:21,950

parts of paranormal I'm sure it's the

675

00:29:29,200 --> 00:29:25,929

same thing you know what is your is your

676  
00:29:31,799 --> 00:29:29,210  
aspect of this book only focusing on the

677  
00:29:34,029 --> 00:29:31,809  
UFO topic or is it other aspects as well

678  
00:29:37,120 --> 00:29:34,039  
yeah you know it primarily focuses on

679  
00:29:40,600 --> 00:29:37,130  
the UFO community the problem is there's

680  
00:29:42,460 --> 00:29:40,610  
so much I guess sort of believed through

681  
00:29:43,690 --> 00:29:42,470  
in regards to the paranormal community

682  
00:29:46,029 --> 00:29:43,700  
in general or some sort of other

683  
00:29:49,450 --> 00:29:46,039  
esoteric concepts that will often blend

684  
00:29:51,240 --> 00:29:49,460  
into the the UFO community so I've been

685  
00:29:54,159 --> 00:29:51,250  
really struggling to try and sort of

686  
00:29:56,350 --> 00:29:54,169  
delineate it but at the end of the day I

687  
00:29:58,870 --> 00:29:56,360  
just don't know if you can all the time

688  
00:30:01,060 --> 00:29:58,880

and I think that that trying to is

689

00:30:03,940 --> 00:30:01,070

making a lot of work for yourself and or

690

00:30:07,120 --> 00:30:03,950

you have to leave certain ideologies and

691

00:30:08,919 --> 00:30:07,130

paradigms out of the UFO debate that you

692

00:30:10,380 --> 00:30:08,929

just want to do if you're doing sort of

693

00:30:14,100 --> 00:30:10,390

what I'm doing which is just sort of a

694

00:30:16,450 --> 00:30:14,110

framework for the subculture I can't say

695

00:30:18,730 --> 00:30:16,460

you know people who experience

696

00:30:23,139 --> 00:30:18,740

poltergeist activity alongside UFO

697

00:30:24,820 --> 00:30:23,149

sightings you know I can't keep I can't

698

00:30:26,740 --> 00:30:24,830

keep the UFO sighting but get rid of the

699

00:30:29,230 --> 00:30:26,750

poltergeist activity right because

700

00:30:31,419 --> 00:30:29,240

that's their that's their story so I

701  
00:30:33,519 --> 00:30:31,429  
have to be sort of kind of open to the

702  
00:30:37,690 --> 00:30:33,529  
possibility that the UFO phenomenon is

703  
00:30:41,740 --> 00:30:37,700  
more than just an extraterrestrial sort

704  
00:30:44,500 --> 00:30:41,750  
of physical nuts and bolts I guess idea

705  
00:30:46,269 --> 00:30:44,510  
but may involve aspects of the mystical

706  
00:30:49,299 --> 00:30:46,279  
or sort of interdimensional or

707  
00:30:51,940 --> 00:30:49,309  
psychosocial or whatever so I try to

708  
00:30:53,860 --> 00:30:51,950  
encapsulate sort of all of it but the

709  
00:30:55,930 --> 00:30:53,870  
book isn't just the book isn't really

710  
00:30:58,029 --> 00:30:55,940  
trying to map the subculture I think

711  
00:30:59,350 --> 00:30:58,039  
that's what's that's that's a task

712  
00:31:02,649 --> 00:30:59,360  
that's impossible I mean you can't

713  
00:31:04,090 --> 00:31:02,659

really can't really have any subculture

714

00:31:06,039 --> 00:31:04,100

you can't really sort of say this is it

715

00:31:09,340 --> 00:31:06,049

because ultimately those subcultures

716

00:31:10,510 --> 00:31:09,350

change quite quickly over time and in a

717

00:31:14,440 --> 00:31:10,520

short amount of time

718

00:31:16,000 --> 00:31:14,450

so the book is more about trying to

719

00:31:19,090 --> 00:31:16,010

figure out how the subculture functions

720

00:31:20,290 --> 00:31:19,100

and I think one way to look at it and

721

00:31:21,850 --> 00:31:20,300

the way I try to look at it in my book

722

00:31:23,980 --> 00:31:21,860

is that sort of people within the UFO

723

00:31:27,850 --> 00:31:23,990

subculture have sort of their feet in

724

00:31:29,590 --> 00:31:27,860

two worlds on the one hand we go about

725

00:31:31,900 --> 00:31:29,600

our daily lives we buy Starbucks we go

726

00:31:34,720 --> 00:31:31,910

to work we raise our kids we cut our

727

00:31:38,290 --> 00:31:34,730

grass and and we sort of function like

728

00:31:40,960 --> 00:31:38,300

that we shop at Walmart and then on the

729

00:31:42,610 --> 00:31:40,970

other side we have this strange not

730

00:31:44,169 --> 00:31:42,620

fascination but we have this this

731

00:31:46,060 --> 00:31:44,179

strange connection let's say to this

732

00:31:48,549 --> 00:31:46,070

other world this other world that that

733

00:31:51,310 --> 00:31:48,559

we're told does not exist right we're

734

00:31:54,730 --> 00:31:51,320

told that that UFOs are our delusion

735

00:31:57,640 --> 00:31:54,740

UFOs are are our lrl hoaxes that UFOs

736

00:31:58,870 --> 00:31:57,650

are our total nonsense but for some

737

00:32:01,780 --> 00:31:58,880

reason as a community we don't

738

00:32:04,299 --> 00:32:01,790

necessarily listen to those messages and

739

00:32:08,080 --> 00:32:04,309

we we tend to I don't use the term

740

00:32:09,760 --> 00:32:08,090

believe but we tend to try to engage

741

00:32:11,350 --> 00:32:09,770

with that phenomenon in some way we talk

742

00:32:14,110 --> 00:32:11,360

about it we debate over it we speculate

743

00:32:16,380 --> 00:32:14,120

and sometimes we you know lecture at UFO

744

00:32:19,390 --> 00:32:16,390

conferences and we develop cult-like

745

00:32:24,580 --> 00:32:19,400

environments like your friend dr. Greer

746

00:32:26,020 --> 00:32:24,590

so we sort of exist in these dual in

747

00:32:29,020 --> 00:32:26,030

this dualistic kind of world as a

748

00:32:30,880 --> 00:32:29,030

community and and the book tries to

749

00:32:33,299 --> 00:32:30,890

figure out how how is that possible how

750

00:32:35,799 --> 00:32:33,309

can we sort of go about our daily lives

751  
00:32:37,360 --> 00:32:35,809  
yet at the same time believe in aliens

752  
00:32:39,850 --> 00:32:37,370  
or believe in interdimensional beings

753  
00:32:44,350 --> 00:32:39,860  
and believe in flying saucers or black

754  
00:32:46,720 --> 00:32:44,360  
triangles or you know the Wolves that

755  
00:32:50,049 --> 00:32:46,730  
can be shot at point-blank range and not

756  
00:32:51,430 --> 00:32:50,059  
die from nap and Kelleher's book the

757  
00:32:53,110 --> 00:32:51,440  
skinwalker right like these sort of odd

758  
00:32:56,080 --> 00:32:53,120  
paranormal phenomena that if that show

759  
00:32:58,450 --> 00:32:56,090  
up that don't make sense yet we have no

760  
00:33:00,460 --> 00:32:58,460  
problem going to buy you know grass seed

761  
00:33:03,160 --> 00:33:00,470  
so we can keep our lawns looking nice

762  
00:33:07,480 --> 00:33:03,170  
and pretty right and I think that this

763  
00:33:09,280 --> 00:33:07,490

is really the weirdness of the

764

00:33:10,870 --> 00:33:09,290

subculture it's not the people who

765

00:33:12,400 --> 00:33:10,880

believe in extraterrestrials that are

766

00:33:13,960 --> 00:33:12,410

weird at all it's the fact that we

767

00:33:17,830 --> 00:33:13,970

somehow continue to function in our

768

00:33:21,220 --> 00:33:17,840

lives with this I guess awareness or

769

00:33:24,060 --> 00:33:21,230

this idea that we are maybe not alone at

770

00:33:26,020 --> 00:33:24,070

least in some way in the cosmos or or

771

00:33:29,080 --> 00:33:26,030

inter-dimensionally or mystically or

772

00:33:31,600 --> 00:33:29,090

spiritually or whatever so do you find

773

00:33:35,700 --> 00:33:31,610

that there is there a difference between

774

00:33:38,049 --> 00:33:35,710

a person that has interest in this

775

00:33:40,510 --> 00:33:38,059

phenomenon just out of plain interest

776

00:33:42,220 --> 00:33:40,520

perhaps it started by science fiction or

777

00:33:43,930 --> 00:33:42,230

someone they know may have had a

778

00:33:46,690 --> 00:33:43,940

sighting or something like that is there

779

00:33:48,760 --> 00:33:46,700

a difference between that person and the

780

00:33:51,970 --> 00:33:48,770

person like myself that actually had an

781

00:33:53,950 --> 00:33:51,980

unexplained sighting right and again

782

00:33:56,440 --> 00:33:53,960

this this is another sort of inherent

783

00:33:59,650 --> 00:33:56,450

problem right which I sort of outline of

784

00:34:03,610 --> 00:33:59,660

a book is what what is the youthful

785

00:34:06,669 --> 00:34:03,620

community can we say someone who just

786

00:34:07,210 --> 00:34:06,679

you know watches ancient aliens is not a

787

00:34:09,669 --> 00:34:07,220

member

788

00:34:12,369 --> 00:34:09,679

versus someone who's had an experience

789

00:34:13,540 --> 00:34:12,379

is a member because the problem is I

790

00:34:16,000 --> 00:34:13,550

would say there's a lot of experiencers

791

00:34:17,230 --> 00:34:16,010

out there who would say they're not

792

00:34:18,250 --> 00:34:17,240

members at all they've experienced

793

00:34:20,500 --> 00:34:18,260

something strange something anomalous

794

00:34:21,879 --> 00:34:20,510

they saw UFO maybe they had a contact or

795

00:34:23,649 --> 00:34:21,889

abduction experience but they have

796

00:34:25,419 --> 00:34:23,659

chosen to never engage with the

797

00:34:27,010 --> 00:34:25,429

discourse they've chosen never to engage

798

00:34:30,100 --> 00:34:27,020

in the UFO debate and they've just

799

00:34:33,520 --> 00:34:30,110

walked away from it yes are they members

800

00:34:35,710 --> 00:34:33,530

are they not members so what is really

801  
00:34:37,030 --> 00:34:35,720  
the important aspect here versus someone

802  
00:34:38,889 --> 00:34:37,040  
who just watches ancient aliens and

803  
00:34:41,169 --> 00:34:38,899  
posts on Facebook and and has forum

804  
00:34:42,760 --> 00:34:41,179  
discussions and engages with that

805  
00:34:46,290 --> 00:34:42,770  
discourse even though there are sort of

806  
00:34:48,940 --> 00:34:46,300  
source materials typically flawed what

807  
00:34:50,770 --> 00:34:48,950  
would they then maybe beep are that

808  
00:34:53,139 --> 00:34:50,780  
discourse more so you know like where we

809  
00:34:54,850 --> 00:34:53,149  
sort of dance around these issues and I

810  
00:34:58,480 --> 00:34:54,860  
think that it's difficult to delineate

811  
00:35:01,030 --> 00:34:58,490  
who is in and who is not in that is

812  
00:35:02,470 --> 00:35:01,040  
really the problem well we have a we

813  
00:35:04,180 --> 00:35:02,480

have some questions coming in from the

814

00:35:05,530 --> 00:35:04,190

chat and I'll get to one of them but

815

00:35:06,790 --> 00:35:05,540

first of all I just wanted to tell you

816

00:35:09,580 --> 00:35:06,800

quickly and I have told this story

817

00:35:12,730 --> 00:35:09,590

before on on this show but it still kind

818

00:35:15,160 --> 00:35:12,740

of blows my mind I'm friends with

819

00:35:17,860 --> 00:35:15,170

someone that's on the Antiques Roadshow

820

00:35:18,820 --> 00:35:17,870

so he doesn't want to talk about it he

821

00:35:21,160 --> 00:35:18,830

doesn't want to talk about his

822

00:35:24,040 --> 00:35:21,170

experience but when he was in college at

823

00:35:26,740 --> 00:35:24,050

Amherst he was in that there's some

824

00:35:28,990 --> 00:35:26,750

towers the dorms are and like these

825

00:35:30,730 --> 00:35:29,000

towers and he was like on the 23rd floor

826  
00:35:33,280 --> 00:35:30,740  
or something with a bunch of his buddies

827  
00:35:34,630 --> 00:35:33,290  
he said yes we were drinking but it

828  
00:35:36,040 --> 00:35:34,640  
wasn't a hallucination it wasn't that

829  
00:35:37,840 --> 00:35:36,050  
drunk he just had a little bit of a buzz

830  
00:35:39,700 --> 00:35:37,850  
on and he said this

831  
00:35:41,590 --> 00:35:39,710  
all of a sudden they notice out this

832  
00:35:43,690 --> 00:35:41,600  
window the sink comes swooping in and

833  
00:35:46,570 --> 00:35:43,700  
they looked at it and it was shaped like

834  
00:35:48,700 --> 00:35:46,580  
a box like a perfect box you know it

835  
00:35:50,680 --> 00:35:48,710  
wasn't it wasn't you know it was like a

836  
00:35:53,140 --> 00:35:50,690  
square almost like a cube but

837  
00:35:55,810 --> 00:35:53,150  
rectangular and it had lights flashing

838  
00:35:57,640 --> 00:35:55,820

all around it and then he said they were

839

00:36:01,570 --> 00:35:57,650

all just staring at it and then it shot

840

00:36:04,540 --> 00:36:01,580

up in the sky and he said just then a

841

00:36:05,830 --> 00:36:04,550

fighter jet went toward it but before it

842

00:36:08,080 --> 00:36:05,840

could get anywhere near is the thing

843

00:36:09,880 --> 00:36:08,090

bursts into five lights and he said the

844

00:36:13,180 --> 00:36:09,890

lights seem to be reacting back and

845

00:36:14,860 --> 00:36:13,190

forth to each other and then by the time

846

00:36:17,290 --> 00:36:14,870

the jet got close to it he said the

847

00:36:19,630 --> 00:36:17,300

lights just shut off he said so fast I

848

00:36:23,050 --> 00:36:19,640

couldn't hardly see it so I said my

849

00:36:25,060 --> 00:36:23,060

goodness I said how do you feel about

850

00:36:27,460 --> 00:36:25,070

that I mean that's amazing to change

851

00:36:29,980 --> 00:36:27,470

your life he said I could give a you

852

00:36:32,830 --> 00:36:29,990

know what he says I don't care I could

853

00:36:34,990 --> 00:36:32,840

care less and so there are those people

854

00:36:36,520 --> 00:36:35,000

are and so I think that's kind of

855

00:36:39,340 --> 00:36:36,530

interesting that you're kind of

856

00:36:41,380 --> 00:36:39,350

including those people as well our did

857

00:36:43,540 --> 00:36:41,390

this subculture of where do they fit and

858

00:36:45,580 --> 00:36:43,550

that's the problem right like we don't

859

00:36:48,400 --> 00:36:45,590

know where they fit I think

860

00:36:50,920 --> 00:36:48,410

fundamentally I would have to say that

861

00:36:52,180 --> 00:36:50,930

you know it's trite because you need to

862

00:36:53,710 --> 00:36:52,190

delineate somewhere right you need to

863

00:36:57,490 --> 00:36:53,720

have a line somewhere but it's tough to

864

00:36:59,380 --> 00:36:57,500

find all the time I think that if if

865

00:37:01,450 --> 00:36:59,390

people communicate about it right if

866

00:37:03,370 --> 00:37:01,460

there is some sort of discourse or

867

00:37:05,440 --> 00:37:03,380

debate and they're they're engaging with

868

00:37:07,720 --> 00:37:05,450

that then I think that they're part of

869

00:37:10,480 --> 00:37:07,730

the community at least in some way if

870

00:37:11,770 --> 00:37:10,490

they are not engaging at all if they've

871

00:37:13,060 --> 00:37:11,780

had in a strange experience like your

872

00:37:15,220 --> 00:37:13,070

friend and they've chosen to just say

873

00:37:16,950 --> 00:37:15,230

forget it I don't care and they never

874

00:37:20,620 --> 00:37:16,960

talk about it again they never even

875

00:37:22,810 --> 00:37:20,630

think about it you know can we say that

876

00:37:24,460 --> 00:37:22,820

they're part of the community can we say

877

00:37:25,720 --> 00:37:24,470

that they're part of the the subculture

878

00:37:26,800 --> 00:37:25,730

I think they're part of a community for

879

00:37:28,450 --> 00:37:26,810

sure a committee that's had an

880

00:37:29,980 --> 00:37:28,460

experience or a community that or a

881

00:37:31,900 --> 00:37:29,990

subculture that has had an almost

882

00:37:35,020 --> 00:37:31,910

experience but I wouldn't say they're

883

00:37:36,670 --> 00:37:35,030

really part of the conversation and I

884

00:37:39,580 --> 00:37:36,680

think the conversation is really what

885

00:37:42,400 --> 00:37:39,590

the UFO subculture is it's it's the back

886

00:37:45,400 --> 00:37:42,410

and forth it's the communication over

887

00:37:49,000 --> 00:37:45,410

the UFO phenomenon that is really what

888

00:37:51,579 --> 00:37:49,010

shapes the phenomenon in a way right we

889

00:37:53,140 --> 00:37:51,589

create our theories and our hypotheses

890

00:37:54,519 --> 00:37:53,150

and that is really what kind of brings

891

00:37:59,229 --> 00:37:54,529

life into it because we can talk about

892

00:38:01,660 --> 00:37:59,239

it if we didn't do any of that we would

893

00:38:04,690 --> 00:38:01,670

have a UFO subculture at all right it's

894

00:38:09,430 --> 00:38:04,700

all about the communication interesting

895

00:38:11,759 --> 00:38:09,440

and how does this fit into like to say

896

00:38:15,039 --> 00:38:11,769

when people the people that go to

897

00:38:17,709 --> 00:38:15,049

conferences or they you know I mean is

898

00:38:19,900 --> 00:38:17,719

is that does that is that all part of

899

00:38:22,529 --> 00:38:19,910

this to like someone puts out some money

900

00:38:25,569 --> 00:38:22,539

to actually travel and go and be there

901  
00:38:26,920 --> 00:38:25,579  
at these for sure I think I think I

902  
00:38:28,509 --> 00:38:26,930  
think that's a whole separate I think

903  
00:38:30,370 --> 00:38:28,519  
that's sort of another there's a sub

904  
00:38:32,920 --> 00:38:30,380  
that's a sub subculture I think the the

905  
00:38:35,680 --> 00:38:32,930  
UFO conference culture is a sort of a

906  
00:38:36,940 --> 00:38:35,690  
separate beast it is part of the same

907  
00:38:39,400 --> 00:38:36,950  
thing like don't get me wrong like it is

908  
00:38:41,650 --> 00:38:39,410  
part of the do some culture but it's

909  
00:38:44,499 --> 00:38:41,660  
definitely its own kind of little

910  
00:38:45,940 --> 00:38:44,509  
version of it I think because there's a

911  
00:38:50,559 --> 00:38:45,950  
lot of things that happen at conferences

912  
00:38:53,289 --> 00:38:50,569  
and there's a lot of the I would say the

913  
00:38:55,390 --> 00:38:53,299

communication of the UFO topic at a

914

00:38:57,749 --> 00:38:55,400

conference is is like in hyperdrive

915

00:39:00,309 --> 00:38:57,759

there right like it's it's it's not just

916

00:39:01,630 --> 00:39:00,319

you know over the computer it's not just

917

00:39:03,700 --> 00:39:01,640

over texting or it's not just over

918

00:39:05,289 --> 00:39:03,710

messenger it's not so over the phone but

919

00:39:07,029 --> 00:39:05,299

you're actually interacting with

920

00:39:08,499 --> 00:39:07,039

individuals who have had an almost

921

00:39:09,819 --> 00:39:08,509

experience so you're interacting with

922

00:39:12,849 --> 00:39:09,829

individuals who are engaged in

923

00:39:15,339 --> 00:39:12,859

investigation or or constant discourse

924

00:39:16,900 --> 00:39:15,349

so yeah it's a total separate thing I

925

00:39:19,509 --> 00:39:16,910

got - if I was gonna write a second book

926

00:39:21,670 --> 00:39:19,519

I would go to every UFO conference I

927

00:39:23,769 --> 00:39:21,680

could and just write about that like I

928

00:39:25,029 --> 00:39:23,779

think that would be like my next project

929

00:39:27,039 --> 00:39:25,039

would be to take the UFO subculture and

930

00:39:28,809 --> 00:39:27,049

like let's compartmentalize even more

931

00:39:29,969 --> 00:39:28,819

and I want to do a book on conference

932

00:39:33,309 --> 00:39:29,979

culture because I think it would be

933

00:39:34,450 --> 00:39:33,319

unbelievable and it being crazy and wild

934

00:39:35,680 --> 00:39:34,460

I mean there's the people at those

935

00:39:38,319 --> 00:39:35,690

conferences some of them like they dress

936

00:39:41,829 --> 00:39:38,329

up and they sell crystals and they yeah

937

00:39:42,999 --> 00:39:41,839

I love it yeah and that's a that's one

938

00:39:46,089 --> 00:39:43,009

of the things I mentioned last week

939

00:39:47,890 --> 00:39:46,099

about how Roswell has become you know

940

00:39:51,190 --> 00:39:47,900

commercialized in a way you know I mean

941

00:39:54,160 --> 00:39:51,200

it's it's such a you know and not only

942

00:39:57,099 --> 00:39:54,170

the the once a year parade coming up in

943

00:39:59,979 --> 00:39:57,109

what a couple weeks but not only that

944

00:40:02,380 --> 00:39:59,989

but you know the town itself you know

945

00:40:05,060 --> 00:40:02,390

restaurants being named after you know

946

00:40:07,820 --> 00:40:05,070

certain things and you know space

947

00:40:09,500 --> 00:40:07,830

chips on on signs and stuff like that

948

00:40:10,220 --> 00:40:09,510

and a lot of people are really really

949

00:40:13,100 --> 00:40:10,230

into it

950

00:40:15,230 --> 00:40:13,110

oh I mean Roswell Roswell's the town

951  
00:40:16,640 --> 00:40:15,240  
that it has a vested interest now in

952  
00:40:17,660 --> 00:40:16,650  
maintaining the fact that something

953  
00:40:20,960 --> 00:40:17,670  
strange happened there

954  
00:40:22,820 --> 00:40:20,970  
right like they cannot they if even if

955  
00:40:24,440 --> 00:40:22,830  
there's a an explanation that comes out

956  
00:40:25,370 --> 00:40:24,450  
and it's proven they'll they would have

957  
00:40:28,430 --> 00:40:25,380  
to fight against it right because

958  
00:40:31,160 --> 00:40:28,440  
ultimately economically that the UFO

959  
00:40:33,890 --> 00:40:31,170  
crash at Roswell is Roswell basically

960  
00:40:36,980 --> 00:40:33,900  
yeah yeah last week's guests would not

961  
00:40:41,480 --> 00:40:36,990  
it would not fare well in that town walk

962  
00:40:44,210 --> 00:40:41,490  
down the street I wouldn't go oh yeah so

963  
00:40:46,700 --> 00:40:44,220

from the chat room what are your

964

00:40:49,580 --> 00:40:46,710

thoughts on the co-creation hypothesis

965

00:40:52,730 --> 00:40:49,590

has presented by Greg Bishop and how do

966

00:40:57,130 --> 00:40:52,740

you feel about the hypothesis that the

967

00:41:00,080 --> 00:40:57,140

hypotheses stand up for ETH and others

968

00:41:01,550 --> 00:41:00,090

ETH I think we talked about it this was

969

00:41:03,230 --> 00:41:01,560

this was the time of our last talk I

970

00:41:07,160 --> 00:41:03,240

think with that when I was on last time

971

00:41:10,280 --> 00:41:07,170

what we talked about creation of it yeah

972

00:41:13,070 --> 00:41:10,290

so if your app I mean if you're asking

973

00:41:14,360 --> 00:41:13,080

me whether I believe co-creation is the

974

00:41:17,570 --> 00:41:14,370

answer I think it's I think it's a

975

00:41:19,910 --> 00:41:17,580

pretty viable theory or hypothesis um I

976

00:41:23,090 --> 00:41:19,920

don't know if it's an answer and my

977

00:41:24,920 --> 00:41:23,100

interest in UFOs is is sort of again

978

00:41:27,710 --> 00:41:24,930

more around people and the culture in

979

00:41:29,270 --> 00:41:27,720

the community and but I I've written

980

00:41:30,740 --> 00:41:29,280

sort of several articles about Greg

981

00:41:34,340 --> 00:41:30,750

bishops co-creation hypothesis as I

982

00:41:37,190 --> 00:41:34,350

think a good sort of good middle ground

983

00:41:39,500 --> 00:41:37,200

gasps I think the problem with you know

984

00:41:40,670 --> 00:41:39,510

if we sort of zoom out on on the UFO

985

00:41:41,710 --> 00:41:40,680

narrative and look at it from a bird's

986

00:41:44,270 --> 00:41:41,720

eye view

987

00:41:46,340 --> 00:41:44,280

unfortunately the extra the

988

00:41:49,100 --> 00:41:46,350

extra-terrestrial hypothesis sort of as

989

00:41:51,710 --> 00:41:49,110

a nuts-and-bolts phenomena of you know a

990

00:41:54,260 --> 00:41:51,720

bunch of meat bodies jumping into a ship

991

00:41:55,970 --> 00:41:54,270

and flying here and doing stuff I don't

992

00:41:59,030 --> 00:41:55,980

think it generally fits all the time

993

00:42:01,010 --> 00:41:59,040

with the entire narrative typically if

994

00:42:03,050 --> 00:42:01,020

you want to go with ETH you have to

995

00:42:04,400 --> 00:42:03,060

start leaving certain aspects out or you

996

00:42:07,220 --> 00:42:04,410

have to start calling certain people

997

00:42:10,030 --> 00:42:07,230

sort of delusional or fakes or hoaxers

998

00:42:13,550 --> 00:42:10,040

or or they're just whoo-who-who

999

00:42:15,470 --> 00:42:13,560

because ultimately their mythology or

1000

00:42:18,860 --> 00:42:15,480

their their ideology doesn't fit into

1001

00:42:20,690 --> 00:42:18,870

the ETH paradigm um

1002

00:42:22,700 --> 00:42:20,700

however you know on the flip side of

1003

00:42:24,260 --> 00:42:22,710

that there are aspects of the Oakland

1004

00:42:26,180 --> 00:42:24,270

AMA known that are very material and

1005

00:42:27,530 --> 00:42:26,190

physical right they tend to show up on

1006

00:42:29,480 --> 00:42:27,540

radar every once in a while they show up

1007

00:42:30,620 --> 00:42:29,490

on gun camera footage now they leave

1008

00:42:31,100 --> 00:42:30,630

depression marks or at least they used

1009

00:42:32,330 --> 00:42:31,110

to

1010

00:42:33,830 --> 00:42:32,340

I'm gonna had actually a good UFO

1011

00:42:35,990 --> 00:42:33,840

landing case in awhile you know like

1012

00:42:38,720 --> 00:42:36,000

ones last time I UFO landed in a field

1013

00:42:38,990 --> 00:42:38,730

with like legs and anyway yeah that's

1014

00:42:42,860 --> 00:42:39,000

true

1015

00:42:45,230 --> 00:42:42,870

right you know like yeah so you at times

1016

00:42:48,770 --> 00:42:45,240

have physical evidence or trace evidence

1017

00:42:51,230 --> 00:42:48,780

I guess you call it left behind in sort

1018

00:42:55,010 --> 00:42:51,240

of the UFO narrative so I think

1019

00:42:56,480 --> 00:42:55,020

co-creation tries to to sort of find

1020

00:42:58,280 --> 00:42:56,490

itself nicely in the middle between

1021

00:43:01,670 --> 00:42:58,290

something that's more mystical and not

1022

00:43:04,220 --> 00:43:01,680

immaterial or psychosocial and something

1023

00:43:05,420 --> 00:43:04,230

that's more that's involves physical and

1024

00:43:07,540 --> 00:43:05,430

I think it tries to place itself in the

1025

00:43:10,550 --> 00:43:07,550

middle which is why I kind of like it

1026

00:43:12,680 --> 00:43:10,560

but again when one I guess

1027

00:43:14,420 --> 00:43:12,690

issued that since thought about in

1028

00:43:17,360 --> 00:43:14,430

regards to co-creation is it is it comes

1029

00:43:19,130 --> 00:43:17,370

off sometimes it's a bit of um sort of

1030

00:43:21,380 --> 00:43:19,140

like a theory of everything

1031

00:43:23,900 --> 00:43:21,390

some of Hawking asked a theory of

1032

00:43:25,580 --> 00:43:23,910

everything solution and maybe the UFO

1033

00:43:28,670 --> 00:43:25,590

phenomenon is not that you know maybe

1034

00:43:32,450 --> 00:43:28,680

the yoga phenomenon is not one thing but

1035

00:43:35,410 --> 00:43:32,460

rather a smorgasbord of a whole bunch of

1036

00:43:39,830 --> 00:43:35,420

things maybe we are dealing with a few

1037

00:43:41,300 --> 00:43:39,840

sort of nuts and bolts extraterrestrial

1038

00:43:45,430 --> 00:43:41,310

ideas maybe we're dealing with some

1039

00:43:47,180 --> 00:43:45,440

mystical or sort of interdimensional

1040

00:43:48,770 --> 00:43:47,190

hypotheses and maybe we're dealing with

1041

00:43:50,840 --> 00:43:48,780

some psychosocial and maybe they're sort

1042

00:43:52,160 --> 00:43:50,850

of coalescing or working together or or

1043

00:43:55,040 --> 00:43:52,170

just totally separate and we're just

1044

00:43:58,010 --> 00:43:55,050

experiencing it so I think we also need

1045

00:44:00,140 --> 00:43:58,020

to sort of think about whether we spin

1046

00:44:01,760 --> 00:44:00,150

into the camp of there is one thing and

1047

00:44:04,370 --> 00:44:01,770

and that is the cause of all UFO

1048

00:44:07,070 --> 00:44:04,380

experience or are we dealing with a

1049

00:44:09,440 --> 00:44:07,080

whole smattering of things that are just

1050

00:44:13,070 --> 00:44:09,450

sort of coincidentally all occurring

1051  
00:44:16,760 --> 00:44:13,080  
simultaneously for us oh yeah I did

1052  
00:44:21,680 --> 00:44:16,770  
co-creation I do interesting yeah I

1053  
00:44:23,870 --> 00:44:21,690  
think I don't think there is if there's

1054  
00:44:27,050 --> 00:44:23,880  
an answer out there to what you know

1055  
00:44:30,410 --> 00:44:27,060  
people are seeing and witnessing I don't

1056  
00:44:32,210 --> 00:44:30,420  
think it's I don't think it's one thing

1057  
00:44:34,430 --> 00:44:32,220  
it just seems like it

1058  
00:44:37,670 --> 00:44:34,440  
there's too many variables and what

1059  
00:44:41,599 --> 00:44:37,680  
people are experiencing to be just one

1060  
00:44:43,580 --> 00:44:41,609  
thing and so we are gonna we have about

1061  
00:44:44,660 --> 00:44:43,590  
less than 10 minutes to the break and

1062  
00:44:50,390 --> 00:44:44,670  
then after that we're going to take

1063  
00:44:52,460 --> 00:44:50,400

calls so what about the the abductee or

1064

00:44:55,160 --> 00:44:52,470

experiencer is there mostly called now

1065

00:44:56,810 --> 00:44:55,170

what about that aspect of that does your

1066

00:45:01,010 --> 00:44:56,820

is your book and a touch into any part

1067

00:45:03,980 --> 00:45:01,020

of that a bit for sure you know I tried

1068

00:45:06,830 --> 00:45:03,990

to tie in sort of as many different sort

1069

00:45:13,670 --> 00:45:06,840

of ideas from the UFO narrative as I

1070

00:45:15,560 --> 00:45:13,680

could so I think the the I think UFO

1071

00:45:17,900 --> 00:45:15,570

experiences are the contact these

1072

00:45:21,140 --> 00:45:17,910

abductees I think they're sort of the

1073

00:45:25,130 --> 00:45:21,150

most interesting I think that really

1074

00:45:26,750 --> 00:45:25,140

when we when we think about those people

1075

00:45:29,599 --> 00:45:26,760

who have their sort of their foot now in

1076

00:45:31,040 --> 00:45:29,609

two worlds right someone who has had a

1077

00:45:33,710 --> 00:45:31,050

contact experience or an abduction

1078

00:45:36,890 --> 00:45:33,720

experience really now dwells in this

1079

00:45:38,810 --> 00:45:36,900

weird in-between zone this this the sort

1080

00:45:42,859 --> 00:45:38,820

of no-man's land if you will this gap

1081

00:45:45,770 --> 00:45:42,869

between their daily lives and this life

1082

00:45:48,410 --> 00:45:45,780

that has been totally I guess

1083

00:45:50,450 --> 00:45:48,420

interrupted or disconnected from sort of

1084

00:45:53,480 --> 00:45:50,460

the normal daily world I mean I can't

1085

00:45:55,550 --> 00:45:53,490

imagine going about my business and then

1086

00:45:57,650 --> 00:45:55,560

all of a sudden being abducted or having

1087

00:46:00,770 --> 00:45:57,660

this amazing contact experience I can't

1088

00:46:04,010 --> 00:46:00,780

imagine how it would affect me and no

1089

00:46:06,230 --> 00:46:04,020

Katie would yeah right so how do you

1090

00:46:07,940 --> 00:46:06,240

then pick yourself back up how do you

1091

00:46:09,560 --> 00:46:07,950

then you know wake up the next morning

1092

00:46:12,290 --> 00:46:09,570

and go well I'm gonna get my you know

1093

00:46:14,030 --> 00:46:12,300

venti latte from Starbucks I mean you

1094

00:46:18,200 --> 00:46:14,040

just you probably can't write you you

1095

00:46:20,720 --> 00:46:18,210

you you sort of you you you've been the

1096

00:46:23,120 --> 00:46:20,730

the victim of something or or if it's a

1097

00:46:25,280 --> 00:46:23,130

contact experience you've been sort of

1098

00:46:27,470 --> 00:46:25,290

enlightened in some way to the point

1099

00:46:30,050 --> 00:46:27,480

where you sort of don't recognize the

1100

00:46:30,980 --> 00:46:30,060

normal world as being real anymore and I

1101

00:46:34,070 --> 00:46:30,990

think that this is one thing that

1102

00:46:38,450 --> 00:46:34,080

vehicle subculture often sort of engages

1103

00:46:41,180 --> 00:46:38,460

in is is realizing that sort of the

1104

00:46:45,240 --> 00:46:41,190

daily reality you and I live in is not

1105

00:46:46,800 --> 00:46:45,250

necessarily sort of true or objective or

1106

00:46:49,350 --> 00:46:46,810

I guess it could be objective but it's

1107

00:46:51,690 --> 00:46:49,360

not really sort of I'm honest in a sense

1108

00:46:54,290 --> 00:46:51,700

if aliens are real or if

1109

00:46:57,590 --> 00:46:54,300

interdimensional beings are real or if

1110

00:47:00,810 --> 00:46:57,600

mystical you know non-human entities are

1111

00:47:05,160 --> 00:47:00,820

roaming around in our you know universal

1112

00:47:07,140 --> 00:47:05,170

consciousness you know paying your taxes

1113

00:47:10,950 --> 00:47:07,150

or or getting a mortgage seems

1114

00:47:13,440 --> 00:47:10,960

ridiculous when you know we're

1115

00:47:17,790 --> 00:47:13,450

potentially one species in a chorus of

1116

00:47:22,110 --> 00:47:17,800

others that are intelligent and how do

1117

00:47:23,490 --> 00:47:22,120

we continue to live our lives and when

1118

00:47:25,170 --> 00:47:23,500

it comes to abduction and contact I

1119

00:47:28,430 --> 00:47:25,180

think this is sort of to the nth degree

1120

00:47:31,650 --> 00:47:28,440

right this is really the big challenge

1121

00:47:33,420 --> 00:47:31,660

can you go back to your old life and and

1122

00:47:36,090 --> 00:47:33,430

does your old life seem normal

1123

00:47:38,310 --> 00:47:36,100

or are you sort of like Dorothy after

1124

00:47:41,940 --> 00:47:38,320

the the tornado right you've gone to Oz

1125

00:47:43,620 --> 00:47:41,950

and now you're back and life just seems

1126

00:47:44,820 --> 00:47:43,630

sort of colorless right the it doesn't

1127

00:47:47,400 --> 00:47:44,830

seem real anymore there's something

1128

00:47:51,230 --> 00:47:47,410

wrong with it and this is I think

1129

00:47:53,070 --> 00:47:51,240

fundamentally where abduction contactee

1130

00:47:56,430 --> 00:47:53,080

individual experience they're sort of

1131

00:47:58,860 --> 00:47:56,440

fit there they're there Dorothy and

1132

00:48:01,470 --> 00:47:58,870

they've come back and you know they're

1133

00:48:04,830 --> 00:48:01,480

trying to figure out where the hell the

1134

00:48:07,890 --> 00:48:04,840

color went I've said a number of times

1135

00:48:10,590 --> 00:48:07,900

in the show like if you know the

1136

00:48:12,690 --> 00:48:10,600

abduction experience was happening to me

1137

00:48:16,140 --> 00:48:12,700

I couldn't function I just don't know

1138

00:48:19,980 --> 00:48:16,150

how I could possibly you know go on with

1139

00:48:21,570 --> 00:48:19,990

my life and and you know by the way

1140

00:48:23,820 --> 00:48:21,580

someone's saying hi from Starbucks in

1141

00:48:25,890 --> 00:48:23,830

the chat room but I mean how could you

1142

00:48:27,720 --> 00:48:25,900

go to like Starbucks and just like live

1143

00:48:29,520 --> 00:48:27,730

the normal life after something like

1144

00:48:32,460 --> 00:48:29,530

that I mean I don't get it if these

1145

00:48:34,410 --> 00:48:32,470

people are truly being abducted kudos to

1146

00:48:36,210 --> 00:48:34,420

them for trying to fit in because I

1147

00:48:38,880 --> 00:48:36,220

certainly would have a hard time not

1148

00:48:40,380 --> 00:48:38,890

doing that myself right and I'm not

1149

00:48:42,000 --> 00:48:40,390

gonna sit here and say every single

1150

00:48:43,830 --> 00:48:42,010

abduction case or every single contact

1151  
00:48:44,760 --> 00:48:43,840  
case is legitimate because we can't say

1152  
00:48:46,350 --> 00:48:44,770  
that I think that there's gonna be

1153  
00:48:48,030 --> 00:48:46,360  
plenty of frauds and plenty of hoaxers

1154  
00:48:50,400 --> 00:48:48,040  
out there you can't you know you can't

1155  
00:48:52,530 --> 00:48:50,410  
believe everybody I suppose but I would

1156  
00:48:56,220 --> 00:48:52,540  
say that there's probably a good chunk

1157  
00:48:59,099 --> 00:48:56,230  
of them that I would say are legitimate

1158  
00:49:01,019 --> 00:48:59,109  
in some way you know again I can

1159  
00:49:02,430 --> 00:49:01,029  
make a claim I can't make a truth claim

1160  
00:49:04,440 --> 00:49:02,440  
as to the source of the vehicle

1161  
00:49:06,089 --> 00:49:04,450  
phenomenon so if a person was abducted

1162  
00:49:07,859 --> 00:49:06,099  
or if a person has a contact experience

1163  
00:49:09,239 --> 00:49:07,869

I don't know what happened to them you

1164

00:49:13,109 --> 00:49:09,249

know I'm not even sure if they know what

1165

00:49:13,920 --> 00:49:13,119

happened to them but whatever did happen

1166

00:49:18,029 --> 00:49:13,930

to them

1167

00:49:19,289 --> 00:49:18,039

real as possible because ultimately

1168

00:49:22,559 --> 00:49:19,299

they're the ones who have to sort of

1169

00:49:24,180 --> 00:49:22,569

live their lives with this new

1170

00:49:26,339 --> 00:49:24,190

understanding or this sort of a new

1171

00:49:28,589 --> 00:49:26,349

interpretation of the world and the

1172

00:49:30,180 --> 00:49:28,599

strange thing is it happens you know

1173

00:49:32,819 --> 00:49:30,190

people are claiming this all over the

1174

00:49:35,009 --> 00:49:32,829

world and you know I mean who do they

1175

00:49:38,069 --> 00:49:35,019

confide in you know if they don't have

1176

00:49:43,380 --> 00:49:38,079

anyone to talk to I mean it must be you

1177

00:49:44,910 --> 00:49:43,390

know possibly it's a it could be you

1178

00:49:46,410 --> 00:49:44,920

know some of them could be sleep

1179

00:49:49,259 --> 00:49:46,420

paralysis I don't want to step on any

1180

00:49:52,289 --> 00:49:49,269

toes out there for you know because I do

1181

00:49:56,489 --> 00:49:52,299

know that you know I mean people have

1182

00:49:59,089 --> 00:49:56,499

they like see images of like being so

1183

00:50:02,640 --> 00:49:59,099

that's not uncommon in sleep paralysis

1184

00:50:04,440 --> 00:50:02,650

you know but I don't think you step on

1185

00:50:07,410 --> 00:50:04,450

any toes I mean ultimately you know we

1186

00:50:10,799 --> 00:50:07,420

have to still remain critical if it's

1187

00:50:11,700 --> 00:50:10,809

okay to be to ask people you know are

1188

00:50:13,109 --> 00:50:11,710

you sure it's not sleep paralysis

1189

00:50:14,999 --> 00:50:13,119

because ultimately I realized if I I

1190

00:50:17,279 --> 00:50:15,009

think like I've actually had a

1191

00:50:19,109 --> 00:50:17,289

conversation my wife um like if I woke

1192

00:50:20,009 --> 00:50:19,119

up one morning convinced I was abducted

1193

00:50:23,460 --> 00:50:20,019

um

1194

00:50:25,710 --> 00:50:23,470

really Wow no no no no no no I know

1195

00:50:27,809 --> 00:50:25,720

sorry no no no no what I'm saying is if

1196

00:50:30,569 --> 00:50:27,819

I did like if I had that experience I

1197

00:50:32,700 --> 00:50:30,579

thought for sure he she said I did no no

1198

00:50:38,430 --> 00:50:32,710

if I woke up one thing you heard it here

1199

00:50:40,589 --> 00:50:38,440

folks yeah yeah if if I woke up one

1200

00:50:44,339 --> 00:50:40,599

morning thinking that I was abducted I

1201  
00:50:46,650 --> 00:50:44,349  
would hope that I would have sort of the

1202  
00:50:47,970 --> 00:50:46,660  
wherewithal to sort of sit there and say

1203  
00:50:50,640 --> 00:50:47,980  
you know maybe I should go see a

1204  
00:50:53,910 --> 00:50:50,650  
psychiatrist first you know maybe I

1205  
00:50:55,589 --> 00:50:53,920  
wasn't actually abducted maybe I had

1206  
00:50:56,999 --> 00:50:55,599  
some sort of fugue state or maybe sleep

1207  
00:51:00,720 --> 00:50:57,009  
paralysis or maybe there's something

1208  
00:51:04,440 --> 00:51:00,730  
sort of maybe there's sort of an error

1209  
00:51:07,529 --> 00:51:04,450  
in my functioning right and because

1210  
00:51:11,999 --> 00:51:07,539  
ultimately that I think it's a lot

1211  
00:51:13,019 --> 00:51:12,009  
better then the reality that there's a

1212  
00:51:16,529 --> 00:51:13,029  
species roaming or

1213  
00:51:19,380 --> 00:51:16,539

that has that just kidnapped people

1214

00:51:22,439 --> 00:51:19,390

randomly for for sort of various reasons

1215

00:51:26,279 --> 00:51:22,449

and does so without any ethical or moral

1216

00:51:27,899 --> 00:51:26,289

issue and just simply treats us as test

1217

00:51:30,599 --> 00:51:27,909

subjects without our consent I think

1218

00:51:32,759 --> 00:51:30,609

that is much more frightening than than

1219

00:51:34,380 --> 00:51:32,769

me just you know losing my mind a little

1220

00:51:35,699 --> 00:51:34,390

bit um so I think it's okay to be

1221

00:51:37,289 --> 00:51:35,709

critical I think we have to be critical

1222

00:51:41,339 --> 00:51:37,299

I think we can't sit here and say every

1223

00:51:44,579 --> 00:51:41,349

single story is true but again we have

1224

00:51:46,380 --> 00:51:44,589

to be cautious because the inherent

1225

00:51:49,529 --> 00:51:46,390

problem is no one can prove anything in

1226

00:51:51,179 --> 00:51:49,539

this in this field so I have to make a

1227

00:51:52,979 --> 00:51:51,189

judgment call I suppose and we all have

1228

00:51:56,699 --> 00:51:52,989

to make judgment calls who do we believe

1229

00:51:59,279 --> 00:51:56,709

and who do we not believe and this this

1230

00:52:02,519 --> 00:51:59,289

this becomes problematic because it's

1231

00:52:03,929 --> 00:52:02,529

like you go to UFO convention you know

1232

00:52:05,279 --> 00:52:03,939

I'm gonna say something here that's

1233

00:52:08,099 --> 00:52:05,289

gonna maybe hurt some feelings but I

1234

00:52:10,739 --> 00:52:08,109

half the speaker's up there that go up

1235

00:52:12,089 --> 00:52:10,749

in lecture are full of nonsense and

1236

00:52:13,949 --> 00:52:12,099

garbage and they're there it because

1237

00:52:17,880 --> 00:52:13,959

it's a cottage industry and they like

1238

00:52:20,779 --> 00:52:17,890

the the the glory and the well the money

1239

00:52:24,179 --> 00:52:20,789

quote unquote and and just the attention

1240

00:52:26,279 --> 00:52:24,189

so I think it's based more if there if I

1241

00:52:28,140 --> 00:52:26,289

had to pick between the two I would say

1242

00:52:30,419 --> 00:52:28,150

it's more based on attention than it

1243

00:52:32,579 --> 00:52:30,429

would be for the money because there's

1244

00:52:35,009 --> 00:52:32,589

no people that's a misconception there's

1245

00:52:38,249 --> 00:52:35,019

no real money in this field only for the

1246

00:52:41,189 --> 00:52:38,259

you know for the ones of that one person

1247

00:52:42,269 --> 00:52:41,199

I mentioned earlier and if Lee Adams you

1248

00:52:44,370 --> 00:52:42,279

know there's not really a lot of money

1249

00:52:48,329 --> 00:52:44,380

and we're about ready to go and to break

1250

00:52:51,149 --> 00:52:48,339

so so why don't we why don't we do that

1251  
00:52:53,009 --> 00:52:51,159  
we're gonna go into the break and so

1252  
00:52:55,709 --> 00:52:53,019  
you're listening to podcast UFO on

1253  
00:52:59,099 --> 00:52:55,719  
Martin Willis and my guest is MJ vinius

1254  
00:53:08,279 --> 00:52:59,109  
and we'll be right back right after this

1255  
00:53:09,870 --> 00:53:08,289  
break and we're clear and just over

1256  
00:53:12,029 --> 00:53:09,880  
three and a half minutes in this bright

1257  
00:53:14,519 --> 00:53:12,039  
gang okay three and a half I'll set my

1258  
00:53:18,659 --> 00:53:14,529  
timer thank you

1259  
00:53:20,969 --> 00:53:18,669  
so I'm not sure where you want to go

1260  
00:53:24,539 --> 00:53:20,979  
when we come back but we will start

1261  
00:53:26,279 --> 00:53:24,549  
taking calls it's hard too hard to

1262  
00:53:26,790 --> 00:53:26,289  
always guess how many calls we're going

1263  
00:53:29,100 --> 00:53:26,800

to get some

1264

00:53:33,060 --> 00:53:29,110

no one calls in sometimes we do get you

1265

00:53:34,650 --> 00:53:33,070

know three or four calls so hey I'm down

1266

00:53:37,530 --> 00:53:34,660

for whatever you know people want to

1267

00:53:41,760 --> 00:53:37,540

give me a call take it yeah I enjoy it

1268

00:53:44,609 --> 00:53:41,770

yeah yeah do it good so we we talked a

1269

00:53:46,800 --> 00:53:44,619

little bit this afternoon so we have you

1270

00:53:51,150 --> 00:53:46,810

know about three minutes left and you

1271

00:53:52,620 --> 00:53:51,160

were talking about the Nimitz pilot no

1272

00:53:55,080 --> 00:53:52,630

not the pilot the other night are

1273

00:53:59,100 --> 00:53:55,090

actually the radio that's right dailies

1274

00:54:01,800 --> 00:53:59,110

his name Dave Dan yeah Kevin de Ken

1275

00:54:04,260 --> 00:54:01,810

getting this all wrong you're doing okay

1276  
00:54:06,810 --> 00:54:04,270  
on phenomenon radio Thursday night

1277  
00:54:11,870 --> 00:54:06,820  
amazing amazing yeah and he was on

1278  
00:54:14,700 --> 00:54:11,880  
coastal coasts yeah Sunday Sunday

1279  
00:54:16,980 --> 00:54:14,710  
Georgia yeah we broke we broke him

1280  
00:54:20,520 --> 00:54:16,990  
Thursday night though on phenomenon

1281  
00:54:22,980 --> 00:54:20,530  
radio John Burroughs working with some

1282  
00:54:27,660 --> 00:54:22,990  
people were successful in I heard about

1283  
00:54:29,640 --> 00:54:27,670  
that yes yeah it was it was a very it

1284  
00:54:32,040 --> 00:54:29,650  
was an amazing interview you know it

1285  
00:54:33,599 --> 00:54:32,050  
really it wasn't so much like a classic

1286  
00:54:35,609 --> 00:54:33,609  
interview like you would normally think

1287  
00:54:38,359 --> 00:54:35,619  
guys it was more like a couple of old

1288  
00:54:41,460 --> 00:54:38,369

you know military cats just sitting back

1289

00:54:43,620 --> 00:54:41,470

talking about stuff you know yeah I did

1290

00:54:46,650 --> 00:54:43,630

listen to it it's interesting though I

1291

00:54:48,630 --> 00:54:46,660

mean there's a lot sort of there's a lot

1292

00:54:51,240 --> 00:54:48,640

happening in the background I think with

1293

00:54:53,010 --> 00:54:51,250

this and end especially with maybe to

1294

00:54:54,570 --> 00:54:53,020

the stars a little bit and George Knapp

1295

00:54:57,720 --> 00:54:54,580

and I don't know there's a little

1296

00:54:59,820 --> 00:54:57,730

backstory here that you know I don't

1297

00:55:01,770 --> 00:54:59,830

know what's going on here but he sounds

1298

00:55:04,349 --> 00:55:01,780

well that's a part of it that might be a

1299

00:55:07,380 --> 00:55:04,359

good part for you to to research for

1300

00:55:08,700 --> 00:55:07,390

your book yeah outside of conferences

1301  
00:55:09,900 --> 00:55:08,710  
because you know people have a big

1302  
00:55:12,420 --> 00:55:09,910  
misconception about conferences

1303  
00:55:15,090 --> 00:55:12,430  
conference is on a place where you know

1304  
00:55:17,340 --> 00:55:15,100  
really sought-after information is broke

1305  
00:55:19,050 --> 00:55:17,350  
it's where people get together and they

1306  
00:55:21,830 --> 00:55:19,060  
commune you know what I mean that's

1307  
00:55:24,030 --> 00:55:21,840  
that's what these conferences are a

1308  
00:55:26,130 --> 00:55:24,040  
chance for people to get close to the

1309  
00:55:28,590 --> 00:55:26,140  
people that they admire and and see them

1310  
00:55:31,590 --> 00:55:28,600  
in person just like a concert a musical

1311  
00:55:33,180 --> 00:55:31,600  
concert or you know one of these antique

1312  
00:55:35,220 --> 00:55:33,190  
road shows things that you know like

1313  
00:55:37,560 --> 00:55:35,230

Martinez I mean they're fans of that I'm

1314

00:55:38,520 --> 00:55:37,570

a fan of Antique Roadshow for the love

1315

00:55:41,340 --> 00:55:38,530

of but

1316

00:55:43,920 --> 00:55:41,350

um at the end of the day you know there

1317

00:55:45,900 --> 00:55:43,930

is a group of people that will never see

1318

00:55:47,700 --> 00:55:45,910

the light of day will never do media

1319

00:55:50,040 --> 00:55:47,710

they'll never come forward they've

1320

00:55:54,660 --> 00:55:50,050

worked behind the scenes for 4050 years

1321

00:55:56,850 --> 00:55:54,670

on this yeah and and they use proxies if

1322

00:55:59,160 --> 00:55:56,860

you will people that they can convey to

1323

00:56:01,440 --> 00:55:59,170

and they can can disseminate information

1324

00:56:04,230 --> 00:56:01,450

when they want it to get out but you're

1325

00:56:06,180 --> 00:56:04,240

very right about you know sort of this

1326

00:56:09,180 --> 00:56:06,190

moving and shaking behind the scenes I'm

1327

00:56:10,380 --> 00:56:09,190

a hundred percent with you yeah Kevin D

1328

00:56:11,850 --> 00:56:10,390

is an interesting story I mean

1329

00:56:16,800 --> 00:56:11,860

ultimately he wrote a book where he

1330

00:56:19,470 --> 00:56:16,810

fictionalized this event and seven years

1331

00:56:23,340 --> 00:56:19,480

ago he wrote the book in 2010 where he

1332

00:56:26,040 --> 00:56:23,350

tells the story yeah so it's interesting

1333

00:56:27,600 --> 00:56:26,050

you know I mean I believe he was there I

1334

00:56:29,760 --> 00:56:27,610

I believe he's the real deal I have I

1335

00:56:30,900 --> 00:56:29,770

have no qualms there it just is

1336

00:56:32,700 --> 00:56:30,910

interesting that sort of there's this

1337

00:56:34,890 --> 00:56:32,710

whole back story if you start going to

1338

00:56:36,990 --> 00:56:34,900

archives of for the above top secret

1339

00:56:39,900 --> 00:56:37,000

website you can sort of find all of

1340

00:56:41,850 --> 00:56:39,910

these old posts from him and then he had

1341

00:56:45,540 --> 00:56:41,860

a posting in 2017 where he sort of came

1342

00:56:47,370 --> 00:56:45,550

out and said something about it and now

1343

00:56:52,200 --> 00:56:47,380

he's sort of now like he said he broke

1344

00:56:54,450 --> 00:56:52,210

on phenomena radio a few days ago so we

1345

00:56:57,000 --> 00:56:54,460

at a time yeah we're ready to go would

1346

00:56:58,410 --> 00:56:57,010

you guys are okay alright we'll go back

1347

00:56:59,990 --> 00:56:58,420

all right all right you can go ahead and

1348

00:57:06,380 --> 00:57:00,000

countdown

1349

00:57:09,050 --> 00:57:06,390

all right here we go in five four three

1350

00:57:13,170 --> 00:57:09,060

two

1351  
00:57:17,280 --> 00:57:13,180  
welcome back to podcast UFO on kgr radio

1352  
00:57:20,310 --> 00:57:17,290  
kgr radio calm my guest is MJ Phineas

1353  
00:57:24,360 --> 00:57:20,320  
and we were just discussing the

1354  
00:57:28,920 --> 00:57:24,370  
basically the abduction part of the

1355  
00:57:31,860 --> 00:57:28,930  
aspect of this you know that part of the

1356  
00:57:34,710 --> 00:57:31,870  
subculture so I wanted to tell you just

1357  
00:57:38,520 --> 00:57:34,720  
real quickly a week there's a friend of

1358  
00:57:41,130 --> 00:57:38,530  
the show that had a series going on it

1359  
00:57:46,230 --> 00:57:41,140  
was called Milgram and the fast walkers

1360  
00:57:49,950 --> 00:57:46,240  
and basically one the he was actually

1361  
00:57:52,480 --> 00:57:49,960  
played a part in this miniseries you can

1362  
00:57:55,480 --> 00:57:52,490  
find it online it's actually pretty good

1363  
00:57:57,520 --> 00:57:55,490

and basically it was a girl that was

1364

00:57:59,770 --> 00:57:57,530

getting abducted and just had all the

1365

00:58:02,020 --> 00:57:59,780

signs of it and just you know went to a

1366

00:58:03,940 --> 00:58:02,030

therapist like you're talking about a

1367

00:58:06,490 --> 00:58:03,950

doctor first and then a therapist and

1368

00:58:09,670 --> 00:58:06,500

and all that and I think that is like if

1369

00:58:11,500 --> 00:58:09,680

someone is having this you know in their

1370

00:58:12,880 --> 00:58:11,510

life and they can't really explain it

1371

00:58:14,170 --> 00:58:12,890

but they're just totally confused I

1372

00:58:17,010 --> 00:58:14,180

think you're right I think starting with

1373

00:58:20,020 --> 00:58:17,020

a therapist and and maybe get some

1374

00:58:21,910 --> 00:58:20,030

medical checks but I'm wondering how

1375

00:58:24,910 --> 00:58:21,920

many therapists out there actually and

1376

00:58:27,870 --> 00:58:24,920

I've heard that there are some that will

1377

00:58:30,100 --> 00:58:27,880

refer people to someone like Yvonne

1378

00:58:34,590 --> 00:58:30,110

Smith or something like that you know to

1379

00:58:37,270 --> 00:58:34,600

do some regression you know hypno

1380

00:58:40,720 --> 00:58:37,280

regression what do you think about all

1381

00:58:46,900 --> 00:58:40,730

that part of it yeah you know I think I

1382

00:58:48,730 --> 00:58:46,910

think hypnotic regression has very yeah

1383

00:58:50,140 --> 00:58:48,740

I think I think it i think we bump into

1384

00:58:52,230 --> 00:58:50,150

a lot of problems with it i think

1385

00:58:55,150 --> 00:58:52,240

there's a lot of allegations that

1386

00:58:59,950 --> 00:58:55,160

hypnotic regression will create false

1387

00:59:03,340 --> 00:58:59,960

memories that often HIPPA therapists

1388

00:59:09,070 --> 00:59:03,350

will whether on purpose or by accident

1389

00:59:12,250 --> 00:59:09,080

lead the the client or to certain set of

1390

00:59:14,110 --> 00:59:12,260

beliefs about what happened so i think

1391

00:59:16,410 --> 00:59:14,120

we need to be cautious I'm not a doctor

1392

00:59:19,180 --> 00:59:16,420

I'm not an expert in psychology so I

1393

00:59:23,520 --> 00:59:19,190

can't sort of comment too much and I

1394

00:59:27,730 --> 00:59:23,530

want to be careful but I would say that

1395

00:59:29,380 --> 00:59:27,740

if I suffered from sort of an event like

1396

00:59:31,870 --> 00:59:29,390

this I probably wouldn't want someone

1397

00:59:34,360 --> 00:59:31,880

who's involved in the UFO subculture in

1398

00:59:38,560 --> 00:59:34,370

any way to check me out I wouldn't want

1399

00:59:42,580 --> 00:59:38,570

to have that sort of set ideology be

1400

00:59:47,500 --> 00:59:42,590

present in my mind as I'm you know being

1401  
00:59:48,700 --> 00:59:47,510  
evaluated or being helped the the bigger

1402  
00:59:50,530 --> 00:59:48,710  
problem though is I'm already part of

1403  
00:59:54,970 --> 00:59:50,540  
the subculture right I'm already engaged

1404  
00:59:57,130 --> 00:59:54,980  
in this this world so if I have a

1405  
00:59:58,660 --> 00:59:57,140  
strange sort of anomalous experience

1406  
01:00:01,330 --> 00:59:58,670  
like an abduction or a contact mole

1407  
01:00:03,880 --> 01:00:01,340  
event you know am I already gonna kind

1408  
01:00:06,040 --> 01:00:03,890  
of pull information that's already in my

1409  
01:00:06,250 --> 01:00:06,050  
head about the UFO phenomena or about

1410  
01:00:08,320 --> 01:00:06,260  
the

1411  
01:00:11,100 --> 01:00:08,330  
discourse and push it into oh my god

1412  
01:00:13,870 --> 01:00:11,110  
I've been abducted you know whatever I

1413  
01:00:16,390 --> 01:00:13,880

think really the more compelling cases

1414

01:00:18,730 --> 01:00:16,400

of abduction in contact are people who

1415

01:00:20,340 --> 01:00:18,740

are not part of the UFO community at

1416

01:00:22,900 --> 01:00:20,350

least not before they get abducted I

1417

01:00:24,430 --> 01:00:22,910

think that those are sort of the more

1418

01:00:26,470 --> 01:00:24,440

interesting ones because ultimately they

1419

01:00:29,680 --> 01:00:26,480

have nothing really to draw on

1420

01:00:31,240 --> 01:00:29,690

they have no paradigm that they use to

1421

01:00:32,920 --> 01:00:31,250

say I was abducted by greys or I was

1422

01:00:34,840 --> 01:00:32,930

abducted by this or that they just

1423

01:00:36,240 --> 01:00:34,850

simply had an experience and they just

1424

01:00:39,850 --> 01:00:36,250

sort of talk about it

1425

01:00:42,190 --> 01:00:39,860

so I don't know I the witness in my book

1426

01:00:43,870 --> 01:00:42,200

that I that I sort of used a lot that we

1427

01:00:46,390 --> 01:00:43,880

talked it was I sort of interview a lot

1428

01:00:49,840 --> 01:00:46,400

and she was never a member of the UFO

1429

01:00:52,420 --> 01:00:49,850

community before she was just she's a

1430

01:00:55,960 --> 01:00:52,430

you know oh yeah I can try little too

1431

01:00:58,510 --> 01:00:55,970

much but she was a former flight

1432

01:01:00,610 --> 01:00:58,520

attendant lives on a farm now with her

1433

01:01:02,650 --> 01:01:00,620

husband and just sort of living her

1434

01:01:03,670 --> 01:01:02,660

daily life and all of a sudden anomalous

1435

01:01:07,270 --> 01:01:03,680

stuff started happening

1436

01:01:09,940 --> 01:01:07,280

and she reached out so this was sort of

1437

01:01:13,300 --> 01:01:09,950

a compelling case for me to investigate

1438

01:01:14,650 --> 01:01:13,310

and look into no she's never had an

1439

01:01:17,080 --> 01:01:14,660

abduction at least not that she can

1440

01:01:18,970 --> 01:01:17,090

recall she does have a few moments I

1441

01:01:21,430 --> 01:01:18,980

would say of maybe what we call missing

1442

01:01:23,410 --> 01:01:21,440

time but she has no recollection of

1443

01:01:25,900 --> 01:01:23,420

anything sort of in that in that time

1444

01:01:27,760 --> 01:01:25,910

and she's also telling her sake now

1445

01:01:29,650 --> 01:01:27,770

maybe I just screwed up on telling time

1446

01:01:31,930 --> 01:01:29,660

or maybe I just made a mistake versus

1447

01:01:34,000 --> 01:01:31,940

her you know what going down that rabbit

1448

01:01:35,260 --> 01:01:34,010

hole and telling herself law you know I

1449

01:01:40,900 --> 01:01:35,270

clearly I've been abducted by something

1450

01:01:42,010 --> 01:01:40,910

so the that sort of yeah go ahead sorry

1451

01:01:44,830 --> 01:01:42,020

I'd really lost my train of thought

1452

01:01:47,170 --> 01:01:44,840

there okay you know the missing time

1453

01:01:48,580 --> 01:01:47,180

part of this is always I always find

1454

01:01:51,310 --> 01:01:48,590

that interesting because people have

1455

01:01:53,770 --> 01:01:51,320

talked about you know situations like

1456

01:01:56,050 --> 01:01:53,780

that going way back I mean it's not a

1457

01:01:57,550 --> 01:01:56,060

new thing it's a you know people have

1458

01:02:01,180 --> 01:01:57,560

talked about all the way back into the

1459

01:02:03,010 --> 01:02:01,190

you know 50s right and I was even longer

1460

01:02:06,280 --> 01:02:03,020

I mean I think I think people probably

1461

01:02:07,960 --> 01:02:06,290

have missing time cases of individuals I

1462

01:02:12,610 --> 01:02:07,970

know I think was brought up in in either

1463

01:02:14,350 --> 01:02:12,620

valets book passport - magana of I think

1464

01:02:18,580 --> 01:02:14,360

individuals who would sort of go into

1465

01:02:20,400 --> 01:02:18,590

this sort of fairyland and you know to

1466

01:02:22,750 --> 01:02:20,410

them they've been gone for five minutes

1467

01:02:23,680 --> 01:02:22,760

partying with you know these elves or

1468

01:02:26,530 --> 01:02:23,690

whatever and they come back and they

1469

01:02:28,930 --> 01:02:26,540

been gone for five years so I think you

1470

01:02:30,760 --> 01:02:28,940

have sort of missing time sort of

1471

01:02:32,410 --> 01:02:30,770

mythology that's existence sort of for a

1472

01:02:35,500 --> 01:02:32,420

long time in in sort of the paranormal

1473

01:02:39,070 --> 01:02:35,510

world or in the I guess the mystical

1474

01:02:41,380 --> 01:02:39,080

sort of monster / fairy well I know what

1475

01:02:44,050 --> 01:02:41,390

you call that the that's sort of the

1476

01:02:47,740 --> 01:02:44,060

mythological world say that sounds good

1477

01:02:50,620 --> 01:02:47,750

that's that's a good yeah yeah blanket

1478

01:02:52,150 --> 01:02:50,630

anyway we are taking calls now if anyone

1479

01:02:53,829 --> 01:02:52,160

wants to call in that numbers up on the

1480

01:02:56,890 --> 01:02:53,839

screen if you're listening to YouTube

1481

01:03:00,190 --> 01:02:56,900

and we will take calls if anyone wants

1482

01:03:01,720 --> 01:03:00,200

to wants to call in some of us a little

1483

01:03:03,040 --> 01:03:01,730

offended I don't know if you want to

1484

01:03:05,380 --> 01:03:03,050

address any part of it but they were a

1485

01:03:08,200 --> 01:03:05,390

little bit offended about the conference

1486

01:03:11,730 --> 01:03:08,210

I can't remember exactly what you said

1487

01:03:13,750 --> 01:03:11,740

about it but maybe the fact that they

1488

01:03:15,940 --> 01:03:13,760

think you haven't gone to any

1489

01:03:19,390 --> 01:03:15,950

conferences or whatever have you gone

1490

01:03:21,370 --> 01:03:19,400

have you attended conferences I will be

1491

01:03:23,140 --> 01:03:21,380

totally honest I have not attended a

1492

01:03:24,849 --> 01:03:23,150

single UFO conference I have attended

1493

01:03:28,240 --> 01:03:24,859

like paranormal conferences I've

1494

01:03:30,490 --> 01:03:28,250

attended sort of I guess you know

1495

01:03:31,990 --> 01:03:30,500

esoteric style conferences but I've

1496

01:03:33,460 --> 01:03:32,000

never actually attended a UFO conference

1497

01:03:35,079 --> 01:03:33,470

and the reason is there's none in my

1498

01:03:38,650 --> 01:03:35,089

area I would have to board a plane and

1499

01:03:39,910 --> 01:03:38,660

fly more Natoma right I am yeah it's one

1500

01:03:43,300 --> 01:03:39,920

of smack dab in the middle of the

1501

01:03:46,060 --> 01:03:43,310

country and I also you know recently

1502

01:03:47,560 --> 01:03:46,070

started a family so I have a two and a

1503

01:03:49,420 --> 01:03:47,570

half year old daughter and we've heard

1504

01:03:51,160 --> 01:03:49,430

them one year old a one year old you can

1505

01:03:53,050 --> 01:03:51,170

hear screaming yeah she's she wants to

1506

01:03:55,630 --> 01:03:53,060

come downstairs and see what's going on

1507

01:03:57,790 --> 01:03:55,640

down here but I think my wife is sort of

1508

01:03:59,320 --> 01:03:57,800

trying to keep her occupied so if a

1509

01:04:02,170 --> 01:03:59,330

little girl pops up here you'll you'll

1510

01:04:03,910 --> 01:04:02,180

know she made it past the guard but yeah

1511

01:04:05,200 --> 01:04:03,920

I recent start a family so I've got the

1512

01:04:09,430 --> 01:04:05,210

last three years of my life have been

1513

01:04:11,079 --> 01:04:09,440

sort of dedicated to liking kids so yeah

1514

01:04:13,180 --> 01:04:11,089

my plan is to attend a conference as

1515

01:04:16,060 --> 01:04:13,190

soon as possible at least of regrets the

1516

01:04:18,370 --> 01:04:16,070

UFO phenomena right we have we've had

1517

01:04:20,140 --> 01:04:18,380

calls trying to come in I'm not sure

1518

01:04:24,310 --> 01:04:20,150

exactly what's happening someone may

1519

01:04:27,370 --> 01:04:24,320

want to try to Skype me instead and the

1520

01:04:30,089 --> 01:04:27,380

calls were they came in and hung up so

1521

01:04:33,560 --> 01:04:30,099

that skype my user name and Skype is

1522

01:04:37,960 --> 01:04:33,570

Marty Willis that's ma RT YW

1523

01:04:41,240 --> 01:04:37,970

ll I guess and don't call me Marty

1524

01:04:42,980 --> 01:04:41,250

regard yeah you know I I hope I didn't

1525

01:04:44,990 --> 01:04:42,990

sort of fight and I meant no offense

1526

01:04:48,290 --> 01:04:45,000

I'll don't necessary call what I what I

1527

01:04:49,490 --> 01:04:48,300

said I know I mentioned you know people

1528

01:04:50,990 --> 01:04:49,500

that they're sort of strange and wild

1529

01:04:52,490 --> 01:04:51,000

and the sense that people dress up and

1530

01:04:55,160 --> 01:04:52,500

they sell crystals and all that so if

1531

01:04:56,900 --> 01:04:55,170

it's about that I apologize I I don't

1532

01:05:01,340 --> 01:04:56,910

want to offend sort of the crystal

1533

01:05:02,990 --> 01:05:01,350

dealers yeah that's okay we have a

1534

01:05:06,460 --> 01:05:03,000

caller on the line so call your first

1535

01:05:11,900 --> 01:05:09,440

oh right hey Ryan just a quick question

1536

01:05:16,910 --> 01:05:11,910

did you dial the number or did you Skype

1537

01:05:18,950 --> 01:05:16,920

in on the username number okay all right

1538

01:05:20,570 --> 01:05:18,960

strange why it didn't work for the last

1539

01:05:23,600 --> 01:05:20,580

person that was trying to reach out

1540

01:05:26,750 --> 01:05:23,610

anyway Ryan has called a number of times

1541

01:05:30,230 --> 01:05:26,760

he's he's uh I guess he's sort of a

1542

01:05:34,160 --> 01:05:30,240

resident skeptic in a way Ryan is that a

1543

01:05:36,320 --> 01:05:34,170

good way to term you I guess I'm

1544

01:05:38,210 --> 01:05:36,330

probably closer to what Stan Freeman

1545

01:05:42,290 --> 01:05:38,220

calls a healthy agnostic how about that

1546

01:05:46,580 --> 01:05:42,300

okay we'll take that other question for

1547

01:05:47,960 --> 01:05:46,590

MJ well actually a quick comment I mean

1548

01:05:49,790 --> 01:05:47,970

you were talking earlier about someone

1549

01:05:52,460 --> 01:05:49,800

in the the chatroom getting upset about

1550

01:05:55,220 --> 01:05:52,470

a comment he made about UFO conferences

1551  
01:05:57,740 --> 01:05:55,230  
because he said a percentage of them I

1552  
01:06:01,070 --> 01:05:57,750  
forget what percentage it is of them are

1553  
01:06:02,360 --> 01:06:01,080  
frauds and actually kind of shares his

1554  
01:06:05,480 --> 01:06:02,370  
view on that I'm not gonna give a

1555  
01:06:07,280 --> 01:06:05,490  
percentage but that's that's what that's

1556  
01:06:08,870 --> 01:06:07,290  
what the person was upset about anyway

1557  
01:06:12,530 --> 01:06:08,880  
he can talk to that if he wants to but

1558  
01:06:15,950 --> 01:06:12,540  
my question was what was conduction had

1559  
01:06:18,440 --> 01:06:15,960  
come up what was what his opinion on

1560  
01:06:20,090 --> 01:06:18,450  
some of the more famous abductee cases

1561  
01:06:25,040 --> 01:06:20,100  
like Betty and Barney Hill or Bob

1562  
01:06:28,730 --> 01:06:25,050  
Mackey's or some of those yeah you know

1563  
01:06:31,490 --> 01:06:28,740

it's really tough it is the problem is

1564

01:06:33,770 --> 01:06:31,500

the the the more famous the case the the

1565

01:06:36,200 --> 01:06:33,780

longer it's been talked about and

1566

01:06:37,010 --> 01:06:36,210

written about the more it sort of become

1567

01:06:40,370 --> 01:06:37,020

mythologized

1568

01:06:43,250 --> 01:06:40,380

right so you start to lose grip on on

1569

01:06:44,690 --> 01:06:43,260

sort of what really happened versus what

1570

01:06:47,420 --> 01:06:44,700

are aspects of the story they've been

1571

01:06:48,470 --> 01:06:47,430

added later it is sort of

1572

01:06:49,730 --> 01:06:48,480

it's similar to the game of telephone

1573

01:06:51,500 --> 01:06:49,740

that you know you maybe you play when

1574

01:06:54,140 --> 01:06:51,510

you were a kid right you start off with

1575

01:06:55,520 --> 01:06:54,150

a phrase and then as as the phrase kind

1576

01:06:57,230 --> 01:06:55,530

of it gets whispered into ears down the

1577

01:07:00,410 --> 01:06:57,240

line you end up at the end with

1578

01:07:05,450 --> 01:07:00,420

something totally different I think the

1579

01:07:08,210 --> 01:07:05,460

more we we continue to discuss and try

1580

01:07:11,599 --> 01:07:08,220

to find information on or or I guess

1581

01:07:13,370 --> 01:07:11,609

people write about or presented

1582

01:07:18,470 --> 01:07:13,380

conferences on you know the information

1583

01:07:19,339 --> 01:07:18,480

from the original event changes we see

1584

01:07:21,380 --> 01:07:19,349

this sort of happened all the time with

1585

01:07:23,870 --> 01:07:21,390

UFO witnesses as well right as time goes

1586

01:07:25,549 --> 01:07:23,880

on stuff from the story starts to get a

1587

01:07:28,700 --> 01:07:25,559

little fuzzy or starts to shift and

1588

01:07:32,420 --> 01:07:28,710

change and it doesn't stay 100% the same

1589

01:07:34,609 --> 01:07:32,430

as all stories sort of do right they all

1590

01:07:36,920 --> 01:07:34,619

stories will change over time memory

1591

01:07:40,900 --> 01:07:36,930

starts to fade or you start talking to

1592

01:07:42,950 --> 01:07:40,910

people and their ideas or their their

1593

01:07:47,030 --> 01:07:42,960

concepts start to kind of infiltrate

1594

01:07:49,190 --> 01:07:47,040

into yours so if you're asked you know I

1595

01:07:51,049 --> 01:07:49,200

can't just like comment on onion a

1596

01:07:53,240 --> 01:07:51,059

weather bar Benny Betty and Barney Hill

1597

01:07:56,240 --> 01:07:53,250

were abducted I wasn't there to witness

1598

01:07:58,670 --> 01:07:56,250

it but do I think that their story has

1599

01:08:00,829 --> 01:07:58,680

maybe changed over time or it's been

1600

01:08:03,370 --> 01:08:00,839

sort of lionized so much and

1601

01:08:05,990 --> 01:08:03,380

mythologized so much that it's not

1602

01:08:11,049 --> 01:08:06,000

necessarily sort of the authentic tale

1603

01:08:18,200 --> 01:08:12,799

does that answer your question

1604

01:08:19,880 --> 01:08:18,210

yeah we could get to Travis Walton cake

1605

01:08:22,309 --> 01:08:19,890

if someone brought that as a moment ago

1606

01:08:24,110 --> 01:08:22,319

into the chat room yeah and Travis

1607

01:08:28,280 --> 01:08:24,120

Walton is another sort of great case

1608

01:08:33,740 --> 01:08:28,290

right that that again over time we might

1609

01:08:35,510 --> 01:08:33,750

see slight variations of of what happens

1610

01:08:37,610 --> 01:08:35,520

not because he's lying or not because

1611

01:08:38,809 --> 01:08:37,620

he's sort of trying to mislead us or

1612

01:08:43,039 --> 01:08:38,819

anything I don't think that at all I

1613

01:08:44,930 --> 01:08:43,049

just think you know as myths develop

1614

01:08:47,689 --> 01:08:44,940

over time and the Travis Walton case

1615

01:08:49,400 --> 01:08:47,699

very much has a mythology behind it same

1616

01:08:53,419 --> 01:08:49,410

thing with Betty and Barney Hill same

1617

01:08:55,430 --> 01:08:53,429

with the Andreessen abductions and the

1618

01:08:57,380 --> 01:08:55,440

Cahill abduction like they're all kind

1619

01:09:00,019 --> 01:08:57,390

of developing this myth off surround

1620

01:09:01,160 --> 01:09:00,029

them and it sort of forms this bubble of

1621

01:09:04,189 --> 01:09:01,170

other information

1622

01:09:06,470 --> 01:09:04,199

and trying to find now the kernel of

1623

01:09:08,749 --> 01:09:06,480

truth or really the kernel of actual

1624

01:09:11,120 --> 01:09:08,759

data that is useful we have to kind of

1625

01:09:13,610 --> 01:09:11,130

travel through this large maze now of

1626

01:09:15,169 --> 01:09:13,620

all these new ideas or even changes and

1627

01:09:17,180 --> 01:09:15,179

none of that people will purposefully

1628

01:09:19,519 --> 01:09:17,190

also add to the story or change the

1629

01:09:20,630 --> 01:09:19,529

story to mess with the story as well so

1630

01:09:22,849 --> 01:09:20,640

you know I have to deal with people who

1631

01:09:24,380 --> 01:09:22,859

are sort of doing it by accident or have

1632

01:09:26,539 --> 01:09:24,390

honest intentions and are screwing up

1633

01:09:28,970 --> 01:09:26,549

but also people who are going out of

1634

01:09:31,189 --> 01:09:28,980

their way to purposefully convolute the

1635

01:09:32,990 --> 01:09:31,199

story so that it comes off as fraudulent

1636

01:09:36,260 --> 01:09:33,000

or fake when in you know reality

1637

01:09:38,150 --> 01:09:36,270

something you know did happen so I think

1638

01:09:40,010 --> 01:09:38,160

we just need to be cautious when we deal

1639

01:09:42,320 --> 01:09:40,020

with sort of these these big cases I

1640

01:09:45,919 --> 01:09:42,330

think we sort of need to maybe recognize

1641

01:09:48,620 --> 01:09:45,929

that you know myth happens and and

1642

01:09:51,890 --> 01:09:48,630

that's it actually I do want to kind of

1643

01:09:54,680 --> 01:09:51,900

quickly touch back on the the we talked

1644

01:09:56,959 --> 01:09:54,690

to what the conference think honor and I

1645

01:09:58,610 --> 01:09:56,969

said I did say 50% and and I listen I

1646

01:10:00,770 --> 01:09:58,620

can't say every single conference is 50%

1647

01:10:04,939 --> 01:10:00,780

I was just sort of making a general

1648

01:10:08,180 --> 01:10:04,949

statement but I do think a percentage

1649

01:10:11,169 --> 01:10:08,190

let's say a good number a decent handful

1650

01:10:15,700 --> 01:10:11,179

of individuals who take the stage are

1651

01:10:19,150 --> 01:10:15,710

doing it because it for them it's it's a

1652

01:10:20,870 --> 01:10:19,160

cottage industry or it's a it's a it's

1653

01:10:22,729 --> 01:10:20,880

something that they're doing not because

1654

01:10:25,880 --> 01:10:22,739

they want to be honest or truthful but

1655

01:10:27,229 --> 01:10:25,890

because it gets them attention so yeah

1656

01:10:28,400 --> 01:10:27,239

and I won't say any names but we'll stop

1657

01:10:31,610 --> 01:10:28,410

there because I want to offend anyone

1658

01:10:34,100 --> 01:10:31,620

else well along along those lines I just

1659

01:10:37,220 --> 01:10:34,110

have to say as far as getting guests on

1660

01:10:39,080 --> 01:10:37,230

the shows I always I always like having

1661

01:10:41,419 --> 01:10:39,090

you know the people that are part of the

1662

01:10:43,459 --> 01:10:41,429

cottage industry but also there's a lot

1663

01:10:47,209 --> 01:10:43,469

of people that are respect that are part

1664

01:10:50,419 --> 01:10:47,219

of that as well and round and also I

1665

01:10:54,169 --> 01:10:50,429

really enjoy getting people on when I

1666

01:10:56,390 --> 01:10:54,179

can that have never been on any UFO show

1667

01:10:58,130 --> 01:10:56,400

before then there's been a few of them

1668

01:11:00,080 --> 01:10:58,140

that I've had on it's it's hard to get

1669

01:11:01,729 --> 01:11:00,090

them because a lot of times they just

1670

01:11:06,320 --> 01:11:01,739

plain don't want to talk about it and

1671

01:11:10,040 --> 01:11:06,330

and you know the sad part of that is you

1672

01:11:13,580 --> 01:11:10,050

know you can see the downloads much less

1673

01:11:14,629 --> 01:11:13,590

if they're an unknown they'll get a very

1674

01:11:18,620 --> 01:11:14,639

low down

1675

01:11:21,649 --> 01:11:18,630

except under certain circumstances we

1676

01:11:25,149 --> 01:11:21,659

had Selma siddik was on you know she was

1677

01:11:28,970 --> 01:11:25,159

one of the Ariel school phenomenon

1678

01:11:31,520 --> 01:11:28,980

people that we have very very um that's

1679

01:11:33,950 --> 01:11:31,530

one of my highest downloaded shows so

1680

01:11:35,810 --> 01:11:33,960

there are circumstances and by the way

1681

01:11:39,020 --> 01:11:35,820

just to make this quick announcement I

1682

01:11:42,169 --> 01:11:39,030

got a text from Randall Nickerson who's

1683

01:11:44,450 --> 01:11:42,179

doing the film Ariel school phenomena

1684

01:11:47,600 --> 01:11:44,460

coming out he's been working on I think

1685

01:11:49,609 --> 01:11:47,610

for seven years or a longer so he texts

1686

01:11:52,790 --> 01:11:49,619

me today says getting very near the end

1687

01:11:57,560 --> 01:11:52,800

and by the way I'm going to be going to

1688

01:12:01,430 --> 01:11:57,570

a conference the MUFON conference in in

1689

01:12:04,100 --> 01:12:01,440

late July and and I'm going to meet meet

1690

01:12:07,129 --> 01:12:04,110

him there I've met Randy a number of

1691

01:12:09,470 --> 01:12:07,139

times but anyway I'm going to meet also

1692

01:12:12,140 --> 01:12:09,480

Selma is going to be there and I'm gonna

1693

01:12:14,030 --> 01:12:12,150

try to do a live show if possible from

1694

01:12:20,930 --> 01:12:14,040

the conference I've already cleared it

1695

01:12:23,240 --> 01:12:20,940

with with MUFON so but moving on the

1696

01:12:24,290 --> 01:12:23,250

call number is up on the line oh are you

1697

01:12:30,649 --> 01:12:24,300

all set Ryan

1698

01:12:33,830 --> 01:12:30,659

I forgot you know I'm still thanks make

1699

01:12:35,090 --> 01:12:33,840

one last comment yeah we'll say about

1700

01:12:36,680 --> 01:12:35,100

you know we'll say about those

1701

01:12:39,709 --> 01:12:36,690

conferences I've been to a grand total

1702

01:12:41,899 --> 01:12:39,719

of one and but I will say you know the

1703

01:12:44,750 --> 01:12:41,909

ones I've seen you know at the height of

1704

01:12:46,340 --> 01:12:44,760

the Roswell controversy there was a lot

1705

01:12:48,859 --> 01:12:46,350

of crossfire between a lot of

1706

01:12:51,169 --> 01:12:48,869

researchers not to name names so there's

1707

01:12:53,209 --> 01:12:51,179

there's a just blind acceptance out

1708

01:12:57,379 --> 01:12:53,219

there there is you know by a lot of

1709

01:12:59,270 --> 01:12:57,389

researchers critical evaluation I

1710

01:13:02,169 --> 01:12:59,280

wholeheartedly agree I think I think

1711

01:13:04,040 --> 01:13:02,179

researchers and this is a very sort of

1712

01:13:06,410 --> 01:13:04,050

this comes up a lot of my book in

1713

01:13:08,419 --> 01:13:06,420

regards to UFO subculture in general is

1714

01:13:11,379 --> 01:13:08,429

is sort of ufologists and researchers

1715

01:13:13,790 --> 01:13:11,389

are very quick to go after one another

1716

01:13:15,169 --> 01:13:13,800

you know it's like wolves fighting for

1717

01:13:17,899 --> 01:13:15,179

the Alpha position a little bit

1718

01:13:20,000 --> 01:13:17,909

sometimes so that's good I agree I think

1719

01:13:22,399 --> 01:13:20,010

where we bumped the problems is is when

1720

01:13:25,010 --> 01:13:22,409

you have people who are not researchers

1721

01:13:28,010 --> 01:13:25,020

and they just sort of blindly follow one

1722

01:13:28,580 --> 01:13:28,020

individual or or or they deem one person

1723

01:13:31,490 --> 01:13:28,590

sort of the

1724

01:13:33,530 --> 01:13:31,500

bert and they they sort of just tagged

1725

01:13:34,669 --> 01:13:33,540

along without reading anyone else or

1726

01:13:36,890 --> 01:13:34,679

without any sort of critical thought

1727

01:13:39,169 --> 01:13:36,900

they just kind of buy into the message

1728

01:13:41,240 --> 01:13:39,179

that's i think that where i get kind of

1729

01:13:43,959 --> 01:13:41,250

concerned in regards to some some some

1730

01:13:47,689 --> 01:13:43,969

of the conference culture let's say

1731

01:13:49,280 --> 01:13:47,699

excellent well thanks so much Ryan okay

1732

01:13:51,410 --> 01:13:49,290

well you later alright I'll talk to you

1733

01:13:53,720 --> 01:13:51,420

next time so that line is open if anyone

1734

01:13:55,879 --> 01:13:53,730

wants to call the phone number is up on

1735

01:13:58,760 --> 01:13:55,889

the screen on YouTube you're welcome to

1736

01:14:05,240 --> 01:13:58,770

call in or Skype in at marty willis if

1737

01:14:07,339 --> 01:14:05,250

you'd like to so getting back to what

1738

01:14:10,609 --> 01:14:07,349

we're talking about let's let's kind of

1739

01:14:13,790 --> 01:14:10,619

change gears a little bit and what's

1740

01:14:17,180 --> 01:14:13,800

your thoughts on to the stars academy

1741

01:14:20,390 --> 01:14:17,190

how does that fit into you know where

1742

01:14:21,850 --> 01:14:20,400

you're going with everything yeah you

1743

01:14:25,070 --> 01:14:21,860

had to the stores is such an interesting

1744

01:14:26,530 --> 01:14:25,080

idea and it's so funny because i you

1745

01:14:29,089 --> 01:14:26,540

know at when you're writing a book and

1746

01:14:30,379 --> 01:14:29,099

you you you don't it's not like an

1747

01:14:32,359 --> 01:14:30,389

article or a blog post that sort of

1748

01:14:34,310 --> 01:14:32,369

comes out immediately you need to be

1749

01:14:35,660 --> 01:14:34,320

sort of thinking two years three years

1750

01:14:37,100 --> 01:14:35,670

and i like that if you want your book to

1751

01:14:39,379 --> 01:14:37,110

still be read you know ten years into

1752

01:14:41,330 --> 01:14:39,389

the future and I have sort of had to

1753

01:14:42,530 --> 01:14:41,340

reconcile on my own mine is to the Stars

1754

01:14:45,169 --> 01:14:42,540

gonna be something that's that's gonna

1755

01:14:48,740 --> 01:14:45,179

be around for another decade or is it

1756

01:14:53,450 --> 01:14:48,750

gonna sort of exist for a while and then

1757

01:14:55,129 --> 01:14:53,460

sort of go away one thing that that was

1758

01:14:57,560 --> 01:14:55,139

sort of pointed out by George Hansen who

1759

01:15:02,530 --> 01:14:57,570

wrote he's the author of the trickster

1760

01:15:04,640 --> 01:15:02,540

in the paranormal he sort of says any

1761

01:15:06,080 --> 01:15:04,650

organizations that deal with like ghost

1762

01:15:08,479 --> 01:15:06,090

hunting or paranormal hunting or even

1763

01:15:11,780 --> 01:15:08,489

UFO investigations they tend to sort of

1764

01:15:12,950 --> 01:15:11,790

pop up and then chaos ensues and then

1765

01:15:14,390 --> 01:15:12,960

they collapse and then they disappear

1766

01:15:16,669 --> 01:15:14,400

and and we can probably go through like

1767

01:15:19,220 --> 01:15:16,679

you know tons of small little

1768

01:15:20,870 --> 01:15:19,230

organizations that you know investigated

1769

01:15:23,419 --> 01:15:20,880

UFOs that no longer exist and existed

1770

01:15:25,580 --> 01:15:23,429

maybe for a few years then and then

1771

01:15:28,430 --> 01:15:25,590

disappeared predominant due to

1772

01:15:31,160 --> 01:15:28,440

infighting so is you know to the stars

1773

01:15:33,680 --> 01:15:31,170

gonna be one of those you know I I hope

1774

01:15:36,640 --> 01:15:33,690

no I hope to the stars sort of survives

1775

01:15:39,680 --> 01:15:36,650

and weathers the storm and is able to

1776

01:15:42,379 --> 01:15:39,690

keep it to act together one thing they

1777

01:15:44,089 --> 01:15:42,389

do have is is a long list of in

1778

01:15:46,120 --> 01:15:44,099

individuals involved in it with sort of

1779

01:15:48,620 --> 01:15:46,130

serious youthful logical pedigrees right

1780

01:15:51,580 --> 01:15:48,630

we're not dealing in other pedigrees

1781

01:15:54,080 --> 01:15:51,590

yeah science and yeah DoD and all that

1782

01:15:56,209 --> 01:15:54,090

yeah they're they're a sort of invisible

1783

01:15:57,859 --> 01:15:56,219

College right in a sense they're they're

1784

01:15:59,629 --> 01:15:57,869

different sort of what Valley mental and

1785

01:16:00,799 --> 01:15:59,639

in a way they're this sort of public

1786

01:16:04,219 --> 01:16:00,809

invisible college but they're an

1787

01:16:08,029 --> 01:16:04,229

invisible College for sure so you have

1788

01:16:10,609 --> 01:16:08,039

you have a good list of individuals you

1789

01:16:15,379 --> 01:16:10,619

know we can debate whether all of them

1790

01:16:18,560 --> 01:16:15,389

are you know are good or not or whatever

1791

01:16:20,719 --> 01:16:18,570

I mean I'm not gonna make claims but I

1792

01:16:22,520 --> 01:16:20,729

think what you have at to the Stars is

1793

01:16:23,689 --> 01:16:22,530

some a lot of access that the vast

1794

01:16:27,049 --> 01:16:23,699

majority of us in the UFO community

1795

01:16:29,770 --> 01:16:27,059

don't have they can muster a lot of

1796

01:16:33,799 --> 01:16:29,780

individuals in government and within

1797

01:16:36,049 --> 01:16:33,809

private interests who have good access

1798

01:16:38,899 --> 01:16:36,059

to capital to do investigations and to

1799

01:16:40,699 --> 01:16:38,909

do research I know that they're they've

1800

01:16:41,899 --> 01:16:40,709

taken a lot of flack in regards to some

1801  
01:16:43,339 --> 01:16:41,909  
of their videos and I know they're

1802  
01:16:44,509 --> 01:16:43,349  
taking a lot of flack in regards to some

1803  
01:16:47,569 --> 01:16:44,519  
of the photos they've released and stuff

1804  
01:16:49,879 --> 01:16:47,579  
like that but at the end of the day I

1805  
01:16:52,609 --> 01:16:49,889  
would have to say you know who else is

1806  
01:16:55,310 --> 01:16:52,619  
doing what they're doing it's no one

1807  
01:16:57,319 --> 01:16:55,320  
really right we have a we have a caller

1808  
01:16:59,209 --> 01:16:57,329  
week I just want to say we're having

1809  
01:17:01,699 --> 01:16:59,219  
some type of issue for that there's a

1810  
01:17:03,979 --> 01:17:01,709  
lot of people trying to call in and only

1811  
01:17:05,899 --> 01:17:03,989  
like one out of three of those people I

1812  
01:17:07,489 --> 01:17:05,909  
can actually join to the call and I

1813  
01:17:09,859 --> 01:17:07,499

apologize for that I'm not sure what's

1814

01:17:12,469 --> 01:17:09,869

going on why some I can and some I

1815

01:17:14,419 --> 01:17:12,479

cannot but caller thanks for calling you

1816

01:17:16,909 --> 01:17:14,429

got through what's your first name and

1817

01:17:18,620 --> 01:17:16,919

where you're calling from hi this is

1818

01:17:21,100 --> 01:17:18,630

Steve and I'm calling from Oregon Oh

1819

01:17:25,009 --> 01:17:21,110

Steven you were trying to call me right

1820

01:17:27,529 --> 01:17:25,019

yeah but but I was calling through Skype

1821

01:17:29,479 --> 01:17:27,539

and guys didn't work so I called the

1822

01:17:31,310 --> 01:17:29,489

number in that I got through all right

1823

01:17:33,469 --> 01:17:31,320

so I'll just tell people not to use the

1824

01:17:35,870 --> 01:17:33,479

Skype name anyway thanks for your

1825

01:17:40,189 --> 01:17:35,880

persistence you got through so you have

1826

01:17:42,620 --> 01:17:40,199

a question for our guest yeah just a

1827

01:17:44,299 --> 01:17:42,630

couple comments and something see if you

1828

01:17:48,049 --> 01:17:44,309

notice I've noticed that was all the

1829

01:17:51,319 --> 01:17:48,059

Rendell's from guys with with Kevin

1830

01:17:54,400 --> 01:17:51,329

Randall and Don Smith and just just

1831

01:17:57,220 --> 01:17:54,410

about every author and

1832

01:18:00,850 --> 01:17:57,230

person who speaks at the conferences its

1833

01:18:03,070 --> 01:18:00,860

they always add stuff to their story and

1834

01:18:05,470 --> 01:18:03,080

pretty significant stuff they change

1835

01:18:08,620 --> 01:18:05,480

their story pretty significantly so they

1836

01:18:11,920 --> 01:18:08,630

can get more people out they got to have

1837

01:18:13,720 --> 01:18:11,930

something new and that seems to be ID so

1838

01:18:15,730 --> 01:18:13,730

I've been listening to this stuff for

1839

01:18:18,760 --> 01:18:15,740

many many years

1840

01:18:21,070 --> 01:18:18,770

reluctantly but I I saw something when I

1841

01:18:23,440 --> 01:18:21,080

was a kid so I kind of had to keep my

1842

01:18:24,940 --> 01:18:23,450

toe in them in the pool of ufology

1843

01:18:30,070 --> 01:18:24,950

because there's nowhere else you can

1844

01:18:33,100 --> 01:18:30,080

find out anything about this but I just

1845

01:18:34,900 --> 01:18:33,110

do you see that I mean everybody in the

1846

01:18:39,280 --> 01:18:34,910

Rendlesham case is added very

1847

01:18:41,200 --> 01:18:39,290

significant to their story Travis Walton

1848

01:18:44,200 --> 01:18:41,210

has completely changed his story

1849

01:18:46,180 --> 01:18:44,210

I've met all these I have to disagree

1850

01:18:47,650 --> 01:18:46,190

with you as far as maybe you know

1851

01:18:50,620 --> 01:18:47,660

something that I don't but one of the

1852

01:18:53,890 --> 01:18:50,630

people I've thought all along and MJ

1853

01:18:56,980 --> 01:18:53,900

sorry for me jumping in but I haven't

1854

01:18:59,650 --> 01:18:56,990

seen Travis change his story

1855

01:19:01,150 --> 01:18:59,660

so I mean oh yeah oh yeah absolutely in

1856

01:19:04,060 --> 01:19:01,160

the beginning you go back and find

1857

01:19:06,670 --> 01:19:04,070

YouTube videos of of Travis Walton back

1858

01:19:09,400 --> 01:19:06,680

in the beginning back in the early ones

1859

01:19:11,320 --> 01:19:09,410

back in the 90s and and I mean it

1860

01:19:13,150 --> 01:19:11,330

happened back in the 70s but there's

1861

01:19:16,930 --> 01:19:13,160

YouTube videos of him back in the stuff

1862

01:19:19,420 --> 01:19:16,940

he didn't remember anything and now and

1863

01:19:22,930 --> 01:19:19,430

then you know magically a few years

1864

01:19:26,140 --> 01:19:22,940

later not only is he remember everything

1865

01:19:29,830 --> 01:19:26,150

he's interpreting everything no you know

1866

01:19:32,230 --> 01:19:29,840

at first the he didn't remember anything

1867

01:19:34,270 --> 01:19:32,240

and then he's interpreting well I think

1868

01:19:35,440 --> 01:19:34,280

they were trying to save me why they

1869

01:19:38,950 --> 01:19:35,450

were trying to help me

1870

01:19:42,730 --> 01:19:38,960

right and I totally changed he's totally

1871

01:19:45,040 --> 01:19:42,740

changed his original version of of the

1872

01:19:49,170 --> 01:19:45,050

event the original version of the event

1873

01:19:51,910 --> 01:19:49,180

was he didn't remember anything at all

1874

01:19:54,460 --> 01:19:51,920

and you can actually find that on your

1875

01:19:58,180 --> 01:19:54,470

saying you can actually find that on you

1876

01:20:00,730 --> 01:19:58,190

oh yeah yeah definitely find it out

1877

01:20:03,040 --> 01:20:00,740

there yeah but you have to go way back

1878

01:20:04,860 --> 01:20:03,050

and that's what they all do I mean look

1879

01:20:08,120 --> 01:20:04,870

at the Rendlesham guys the way they've

1880

01:20:11,820 --> 01:20:08,130

you know what his name

1881

01:20:13,890 --> 01:20:11,830

chimp is under the gender Anniston yeah

1882

01:20:17,120 --> 01:20:13,900

Jim Penniston who had the binary

1883

01:20:20,250 --> 01:20:17,130

download yeah that's that's questionable

1884

01:20:23,030 --> 01:20:20,260

but one of the people I do think is

1885

01:20:25,980 --> 01:20:23,040

pretty solid in that and has kind of

1886

01:20:26,690 --> 01:20:25,990

really kept things the same as Charles

1887

01:20:33,720 --> 01:20:26,700

Hall

1888

01:20:37,980 --> 01:20:33,730

really big big problem to answer for is

1889

01:20:40,410 --> 01:20:37,990

this was a you know this is an Air Force

1890

01:20:43,050 --> 01:20:40,420

Base in the middle of the nuke in the

1891

01:20:50,550 --> 01:20:43,060

middle of the Cold War that had nukes on

1892

01:20:53,970 --> 01:20:50,560

site and his one-page memo says are you

1893

01:20:56,130 --> 01:20:53,980

there I think we lost our column and

1894

01:21:01,380 --> 01:20:56,140

they didn't scramble a plane or pick up

1895

01:21:02,760 --> 01:21:01,390

a phone but he has never admitted and he

1896

01:21:04,830 --> 01:21:02,770

won't admit to matter of fact he got

1897

01:21:07,410 --> 01:21:04,840

offended when I asked him if there were

1898

01:21:11,130 --> 01:21:07,420

nukes on the base and I don't know if we

1899

01:21:13,470 --> 01:21:11,140

know for sure if there were yes we do

1900

01:21:15,480 --> 01:21:13,480

because they in interviews that they've

1901

01:21:17,220 --> 01:21:15,490

done through the years Penniston and

1902

01:21:20,400 --> 01:21:17,230

some of the other one command Zack and

1903

01:21:25,050 --> 01:21:20,410

some of the other ones they've said yes

1904

01:21:27,600 --> 01:21:25,060

there were nukes on site and and the way

1905

01:21:29,430 --> 01:21:27,610

they danced around it was they said okay

1906

01:21:33,770 --> 01:21:29,440

so we were at the storage units that

1907

01:21:36,750 --> 01:21:33,780

were labeled non nuclear storage

1908

01:21:39,230 --> 01:21:36,760

implying clearly and that's there that's

1909

01:21:44,250 --> 01:21:39,240

specifically why they were doing

1910

01:21:48,660 --> 01:21:44,260

implying clearly that there was nuclear

1911

01:21:50,670 --> 01:21:48,670

storage on the base I mean that's where

1912

01:21:52,800 --> 01:21:50,680

the the big claims that was the base

1913

01:21:56,460 --> 01:21:52,810

where the big planes went out of not the

1914

01:21:58,770 --> 01:21:56,470

little jet so Stephen let me get this

1915

01:22:03,690 --> 01:21:58,780

straight you're you're questioning why

1916

01:22:06,360 --> 01:22:03,700

halt didn't didn't call to have you know

1917

01:22:07,890 --> 01:22:06,370

military flights checking checking the

1918

01:22:11,790 --> 01:22:07,900

object out is that is that what you're

1919

01:22:15,210 --> 01:22:11,800

saying okay so it it wasn't object it

1920

01:22:18,750 --> 01:22:15,220

was objects and Colonel halt added to

1921

01:22:21,000 --> 01:22:18,760

his story to in the beginning he just

1922

01:22:21,460 --> 01:22:21,010

had this tape recording you go back and

1923

01:22:23,860 --> 01:22:21,470

find the

1924

01:22:26,620 --> 01:22:23,870

early enemies with halt and then and

1925

01:22:28,690 --> 01:22:26,630

then 10-15 years later all of a sudden

1926

01:22:30,910 --> 01:22:28,700

there's beams coming down and and

1927

01:22:33,280 --> 01:22:30,920

hitting the ground near his feet and

1928

01:22:36,010 --> 01:22:33,290

that's Charl Hulk that's not the other

1929

01:22:37,810 --> 01:22:36,020

guys isn't that all the recording isn't

1930

01:22:42,520 --> 01:22:37,820

that on the tape recording doesn't he

1931

01:22:48,120 --> 01:22:42,530

say something about that on the audio

1932

01:22:50,260 --> 01:22:48,130

recording no no he does not

1933

01:22:55,540 --> 01:22:50,270

don't listen to that again because I

1934

01:22:57,790 --> 01:22:55,550

thought I thought that was mentioned I

1935

01:22:59,950 --> 01:22:57,800

mean yeah yeah yeah go ahead yeah no

1936

01:23:02,320 --> 01:22:59,960

just to get him get back to the original

1937

01:23:04,660 --> 01:23:02,330

question or the original comment I think

1938

01:23:06,370 --> 01:23:04,670

people I mean in regards to stories

1939

01:23:08,320 --> 01:23:06,380

right that that we we sort of tell I

1940

01:23:10,300 --> 01:23:08,330

think you know it's like when your

1941

01:23:11,770 --> 01:23:10,310

grandpa tells you you know he caught

1942

01:23:13,540 --> 01:23:11,780

this fish and when he first tells a

1943

01:23:15,310 --> 01:23:13,550

story it was you know you know this big

1944

01:23:20,190 --> 01:23:15,320

and then it you know it got this big and

1945

01:23:22,990 --> 01:23:20,200

now it's I think we just naturally I

1946

01:23:24,880 --> 01:23:23,000

think we just naturally interpret the

1947

01:23:26,680 --> 01:23:24,890

story and change the story as time goes

1948

01:23:27,760 --> 01:23:26,690

on because maybe we sort of hear other

1949

01:23:29,290 --> 01:23:27,770

stories or other stories that were

1950

01:23:31,810 --> 01:23:29,300

similar it again regrets to Travis

1951

01:23:33,250 --> 01:23:31,820

Walton for example he's interpreting it

1952

01:23:35,680 --> 01:23:33,260

now because ultimately it happened to

1953

01:23:37,900 --> 01:23:35,690

him 40 years ago and now maybe he's

1954

01:23:39,640 --> 01:23:37,910

trying to make sense of it um I I agree

1955

01:23:41,380 --> 01:23:39,650

I think when it was fresh and it just

1956

01:23:42,790 --> 01:23:41,390

happened for sure maybe he was sort of

1957

01:23:46,150 --> 01:23:42,800

unable to interpret it because he didn't

1958

01:23:48,460 --> 01:23:46,160

have the the time that it would require

1959

01:23:50,890 --> 01:23:48,470

to sort of heal I guess the mental

1960

01:23:54,910 --> 01:23:50,900

wounds let's say he suffered assuming it

1961

01:23:57,370 --> 01:23:54,920

happened and we're like on it yeah

1962

01:23:59,830 --> 01:23:57,380

another another cake on it might be that

1963

01:24:03,660 --> 01:23:59,840

you know he wants to socialize it and

1964

01:24:05,830 --> 01:24:03,670

open up an entire you know new area of

1965

01:24:07,180 --> 01:24:05,840

yeah and you know what we could I mean

1966

01:24:09,180 --> 01:24:07,190

obviously we could debate that right we

1967

01:24:12,250 --> 01:24:09,190

could say you know maybe maybe he is

1968

01:24:14,890 --> 01:24:12,260

sort of being maybe he did have some

1969

01:24:16,930 --> 01:24:14,900

sort of experience but now as time is

1970

01:24:19,630 --> 01:24:16,940

going on and any interest is waning he

1971

01:24:21,400 --> 01:24:19,640

needs to stay relevant for sure I mean

1972

01:24:24,180 --> 01:24:21,410

that's that's it is debatable right we

1973

01:24:26,800 --> 01:24:24,190

ultimately don't have really any

1974

01:24:27,760 --> 01:24:26,810

necessarily evidence either/or right

1975

01:24:29,980 --> 01:24:27,770

like it's not like he can you know

1976

01:24:32,620 --> 01:24:29,990

produce you know a piece of the ship or

1977

01:24:35,290 --> 01:24:32,630

something to you know say here you go it

1978

01:24:37,779 --> 01:24:35,300

actually happened perfect

1979

01:24:40,509 --> 01:24:37,789

so my question it really comes down to

1980

01:24:44,049 --> 01:24:40,519

this so what would somebody early in the

1981

01:24:47,410 --> 01:24:44,059

show Martin said that you know he had a

1982

01:24:51,189 --> 01:24:47,420

sighting and so is caused it has caused

1983

01:24:53,290 --> 01:24:51,199

this perpetual curiosity in this and and

1984

01:24:56,350 --> 01:24:53,300

I'm the same way I saw something back in

1985

01:24:58,870 --> 01:24:56,360

the very late 60s I know what I saw I

1986

01:25:00,430 --> 01:24:58,880

know what it wasn't I you know I don't

1987

01:25:02,439 --> 01:25:00,440

want to get into it I just

1988

01:25:04,270 --> 01:25:02,449

where does somebody like me goes it

1989

01:25:06,399 --> 01:25:04,280

doesn't want to listen to people who

1990

01:25:08,290 --> 01:25:06,409

claim to be abducted who doesn't want to

1991

01:25:09,790 --> 01:25:08,300

listen to bases on the moon who doesn't

1992

01:25:15,060 --> 01:25:09,800

want to listen to somebody explain how

1993

01:25:18,069 --> 01:25:15,070

Bigfoot is works as a lookout for UFOs

1994

01:25:20,799 --> 01:25:18,079

you know who just wants to listen to the

1995

01:25:24,120 --> 01:25:20,809

cabin days of the world I would say

1996

01:25:26,200 --> 01:25:24,130

don't go to contact in the desert and

1997

01:25:30,970 --> 01:25:26,210

Chris will be talking about that next

1998

01:25:32,589 --> 01:25:30,980

week actually you know man

1999

01:25:34,239 --> 01:25:32,599

you're you're you're sort of pushing the

2000

01:25:36,339 --> 01:25:34,249

quiet here a little bit because I've had

2001  
01:25:40,629 --> 01:25:36,349  
this conversation on other sort of shows

2002  
01:25:44,169 --> 01:25:40,639  
and podcasts where I take issue with the

2003  
01:25:47,259 --> 01:25:44,179  
the cottage industry of sort of the UFO

2004  
01:25:50,439 --> 01:25:47,269  
conference I understand that people want

2005  
01:25:51,569 --> 01:25:50,449  
to see sort of the the public figures of

2006  
01:25:54,129 --> 01:25:51,579  
ufology

2007  
01:25:57,009 --> 01:25:54,139  
but I get really weary when somebody

2008  
01:25:59,709 --> 01:25:57,019  
says their UFO expert how can you be an

2009  
01:26:01,479 --> 01:25:59,719  
expert on something unidentified you

2010  
01:26:03,399 --> 01:26:01,489  
fundamentally can't be you can be an

2011  
01:26:04,989 --> 01:26:03,409  
expert in history and you have studied

2012  
01:26:08,259 --> 01:26:04,999  
the history of UFO settings you know I

2013  
01:26:10,509 --> 01:26:08,269

can sort of see that but you can't be

2014

01:26:14,049 --> 01:26:10,519

really an expert on you know flying

2015

01:26:15,370 --> 01:26:14,059

saucers let's say so so I get oh my

2016

01:26:19,120 --> 01:26:15,380

daughter has a boo-boo on her toes all

2017

01:26:21,250 --> 01:26:19,130

right I'm sorry there's it's just chaos

2018

01:26:25,000 --> 01:26:21,260

up there what's going on they're here

2019

01:26:26,620 --> 01:26:25,010

they're here to get me oh you'll have

2020

01:26:29,259 --> 01:26:26,630

missing times to meet your dad is it

2021

01:26:30,879 --> 01:26:29,269

dependable yeah missing time yeah so

2022

01:26:32,919 --> 01:26:30,889

anyway back to you you know I I don't

2023

01:26:34,419 --> 01:26:32,929

know where I can send you I mean

2024

01:26:35,799 --> 01:26:34,429

ultimately I think every sort of UFO

2025

01:26:39,370 --> 01:26:35,809

conference is gonna have its fair share

2026  
01:26:42,430 --> 01:26:39,380  
of individuals who claim expertise and

2027  
01:26:46,330 --> 01:26:42,440  
who claim that they have the truth when

2028  
01:26:48,910 --> 01:26:46,340  
in reality you know we have to be

2029  
01:26:51,729 --> 01:26:48,920  
careful who we listen to

2030  
01:26:52,900 --> 01:26:51,739  
and and we have to be careful I think of

2031  
01:26:55,300 --> 01:26:52,910  
what people say and and and I'd be

2032  
01:26:56,590 --> 01:26:55,310  
honest as someone who tries to do sort

2033  
01:26:58,840 --> 01:26:56,600  
of as much legitimate research as

2034  
01:27:00,400 --> 01:26:58,850  
possible it's really problematic when

2035  
01:27:01,930 --> 01:27:00,410  
people start making ridiculous claims

2036  
01:27:06,310 --> 01:27:01,940  
that they can't back up and saying that

2037  
01:27:08,140 --> 01:27:06,320  
it's real or true I I wish I had a place

2038  
01:27:10,360 --> 01:27:08,150

to stand you I wish we could sort of

2039

01:27:12,550 --> 01:27:10,370

bring back some more traditional

2040

01:27:15,510 --> 01:27:12,560

conferences that that sort of hovered

2041

01:27:18,459 --> 01:27:15,520

more around having to provide citations

2042

01:27:24,010 --> 01:27:18,469

versus just you know talking about your

2043

01:27:25,720 --> 01:27:24,020

but yeah I mean it Martin I mean then do

2044

01:27:28,600 --> 01:27:25,730

you know anybody who's ever explored

2045

01:27:31,090 --> 01:27:28,610

actually carving off a section of

2046

01:27:35,640 --> 01:27:31,100

ufology that's just really kind of the

2047

01:27:40,419 --> 01:27:35,650

more that the Kevin days of the world

2048

01:27:43,419 --> 01:27:40,429

yeah there's a there's I'm gonna ask you

2049

01:27:45,220 --> 01:27:43,429

to email me there is a guy that has

2050

01:27:48,959 --> 01:27:45,230

started a group and there's a few out

2051

01:27:53,320 --> 01:27:48,969

there that have tried to initiate groups

2052

01:27:55,870 --> 01:27:53,330

that are really balanced and try to look

2053

01:27:57,640 --> 01:27:55,880

at things scientifically so I just I

2054

01:27:59,620 --> 01:27:57,650

can't say it off the top of my head but

2055

01:28:01,510 --> 01:27:59,630

it's the there's a no one as one is

2056

01:28:03,760 --> 01:28:01,520

called scu I think it's a scientific

2057

01:28:06,040 --> 01:28:03,770

coalition for you fall yeah thank you

2058

01:28:08,590 --> 01:28:06,050

yeah is that Robert Powell who started

2059

01:28:10,600 --> 01:28:08,600

that and he's got a lot of yeah there's

2060

01:28:13,450 --> 01:28:10,610

a lot of I would say sort of PhDs and

2061

01:28:15,580 --> 01:28:13,460

and experts sort of in in their

2062

01:28:19,209 --> 01:28:15,590

respective fields a lot of guys out of

2063

01:28:21,400 --> 01:28:19,219

the military for sure also involved all

2064

01:28:23,439 --> 01:28:21,410

right so so yeah if you saw just google

2065

01:28:24,790 --> 01:28:23,449

the scientific coalition scientific

2066

01:28:27,189 --> 01:28:24,800

coalition up for you followed you're

2067

01:28:28,479 --> 01:28:27,199

saying like that's very close yeah SCU

2068

01:28:30,580 --> 01:28:28,489

yeah if you just you know if you just

2069

01:28:33,130 --> 01:28:30,590

google like SCU and then Robert Powell

2070

01:28:35,020 --> 01:28:33,140

you know find it and they're sort of

2071

01:28:36,400 --> 01:28:35,030

putting it all together right now I

2072

01:28:38,530 --> 01:28:36,410

think they're still in their sort of

2073

01:28:41,640 --> 01:28:38,540

infant stages still but they're

2074

01:28:44,140 --> 01:28:41,650

definitely sort of one of those groups

2075

01:28:48,340 --> 01:28:44,150

that you could probably even email and

2076

01:28:51,340 --> 01:28:48,350

and and get involved with yeah it's it's

2077

01:28:53,490 --> 01:28:51,350

time fine sorry yeah all right all right

2078

01:28:56,590 --> 01:28:53,500

thank you I it's a really good topic

2079

01:28:59,320 --> 01:28:56,600

it's a shame that that you ecology

2080

01:29:04,229 --> 01:28:59,330

doesn't do a better job of I think it

2081

01:29:08,759 --> 01:29:05,729

well Steven thank you so much I really

2082

01:29:10,589 --> 01:29:08,769

appreciate the call yep thanks guys

2083

01:29:12,120 --> 01:29:10,599

all right have a good night and we have

2084

01:29:13,709 --> 01:29:12,130

another caller just called in

2085

01:29:16,890 --> 01:29:13,719

what's your name your first name and

2086

01:29:19,589 --> 01:29:16,900

where you calling from I just Ronald

2087

01:29:20,069 --> 01:29:19,599

from Minnesota hi Ronald thanks for the

2088

01:29:22,819 --> 01:29:20,079

call

2089

01:29:26,430 --> 01:29:22,829

do you have a question for our yes I

2090

01:29:27,750 --> 01:29:26,440

yeah thank you for your tow tonight

2091

01:29:38,040 --> 01:29:27,760

first of all I wanted to say thank you

2092

01:29:45,750 --> 01:29:41,370

thank you for the information and um I I

2093

01:29:49,799 --> 01:29:45,760

think there's always a good dose of

2094

01:29:54,000 --> 01:29:49,809

skepticism that we must kind of keep

2095

01:29:58,709 --> 01:29:54,010

active in order to keep our sanity about

2096

01:30:00,060 --> 01:29:58,719

us I think that when we see a light in

2097

01:30:04,700 --> 01:30:00,070

the sky for instance is not

2098

01:30:06,529 --> 01:30:04,710

automatically UFO first I think

2099

01:30:08,100 --> 01:30:06,539

establishment airplane or helicopter

2100

01:30:11,430 --> 01:30:08,110

something like that

2101

01:30:15,750 --> 01:30:11,440

it's rage that looks good not those you

2102

01:30:19,080 --> 01:30:15,760

know so but I met a couple of MUFON

2103

01:30:21,959 --> 01:30:19,090

people last month and in May when I went

2104

01:30:24,390 --> 01:30:21,969

to go up vision for the Pine Bush event

2105

01:30:28,589 --> 01:30:24,400

that didn't happen when we had the air

2106

01:30:33,149 --> 01:30:28,599

tornadoes and I I got me to MUFON

2107

01:30:35,129 --> 01:30:33,159

people there and they were very sincere

2108

01:30:37,700 --> 01:30:35,139

about what they've really been and they

2109

01:30:40,319 --> 01:30:37,710

weren't pushing anything about you

2110

01:30:44,040 --> 01:30:40,329

apologizing

2111

01:30:48,810 --> 01:30:44,050

one is Mark Dantonio he's more of a

2112

01:30:52,859 --> 01:30:48,820

science guy right and he researches from

2113

01:30:54,479 --> 01:30:52,869

a science when if you if he does see

2114

01:30:57,419 --> 01:30:54,489

something strange then he tries to

2115

01:31:01,859 --> 01:30:57,429

evaluate it and he has explained that

2116

01:31:04,169 --> 01:31:01,869

several times and I appreciate what

2117

01:31:06,750 --> 01:31:04,179

Woody's what he has shared on that

2118

01:31:11,129 --> 01:31:06,760

weekend and things like that and then

2119

01:31:15,920 --> 01:31:11,139

yeah Eric he's a Massachusetts MUFON

2120

01:31:19,550 --> 01:31:15,930

director another interesting person

2121

01:31:23,140 --> 01:31:19,560

and I I think he since hearing about

2122

01:31:26,060 --> 01:31:23,150

what he's saying and what he talks about

2123

01:31:28,580 --> 01:31:26,070

so the question that I have is that you

2124

01:31:30,680 --> 01:31:28,590

were talking about a percentage of of

2125

01:31:34,100 --> 01:31:30,690

people that might not be truthful or

2126

01:31:38,740 --> 01:31:34,110

honest or or kind of skeptical in some

2127

01:31:42,020 --> 01:31:38,750

ways how can you put a percentage on on

2128

01:31:43,100 --> 01:31:42,030

on a group of people and may or may not

2129

01:31:44,780 --> 01:31:43,110

be telling the truth

2130

01:31:49,670 --> 01:31:44,790

but if they are telling the truth and

2131

01:31:52,790 --> 01:31:49,680

then you shouldn't be evaluated on our

2132

01:31:55,490 --> 01:31:52,800

own level person try to try to perceive

2133

01:31:58,250 --> 01:31:55,500

you know on our own own understanding

2134

01:32:01,189 --> 01:31:58,260

whether or not it's a fact or fiction or

2135

01:32:04,640 --> 01:32:01,199

whatever not good and take the call I

2136

01:32:08,650 --> 01:32:04,650

don't take the answer off the air I'm

2137

01:32:11,209 --> 01:32:08,660

thinking for the call thanks Ronald yeah

2138

01:32:14,720 --> 01:32:11,219

yeah thanks very much for the question

2139

01:32:16,189 --> 01:32:14,730

and yeah and you know maybe I I you know

2140

01:32:18,380 --> 01:32:16,199

my foot in my mouth here a little bit I

2141

01:32:20,990 --> 01:32:18,390

said fifty percent and maybe you know

2142

01:32:24,950 --> 01:32:21,000

that's an accurate number maybe it's a

2143

01:32:27,950 --> 01:32:24,960

little high but I think take a lot of

2144

01:32:30,410 --> 01:32:27,960

heat over the fifty percent I think I

2145

01:32:31,640 --> 01:32:30,420

think you know the last caller sort of

2146

01:32:33,050 --> 01:32:31,650

made a good point I think there's a lot

2147

01:32:36,340 --> 01:32:33,060

I'm not saying that every single person

2148

01:32:38,360 --> 01:32:36,350

who lectures at a conference is you know

2149

01:32:42,140 --> 01:32:38,370

fraudulent or or is trying to sell you

2150

01:32:43,310 --> 01:32:42,150

something but I think that there like I

2151

01:32:45,590 --> 01:32:43,320

said there is a bit of a cottage

2152

01:32:46,729 --> 01:32:45,600

industry here I think that you know you

2153

01:32:49,670 --> 01:32:46,739

can sort of there's a bit of a litmus

2154

01:32:53,050 --> 01:32:49,680

test you can sort of do in regards to

2155

01:32:55,790 --> 01:32:53,060

whether someone is going to be sort of a

2156

01:32:56,900 --> 01:32:55,800

legitimate research or let's say versus

2157

01:32:59,360 --> 01:32:56,910

someone who just wants to sell you

2158

01:33:02,060 --> 01:32:59,370

something I think if they're claiming to

2159

01:33:03,200 --> 01:33:02,070

be an expert in something versus saying

2160

01:33:06,470 --> 01:33:03,210

you know we don't really know what's

2161

01:33:09,979 --> 01:33:06,480

going on usually the guys who sell books

2162

01:33:11,810 --> 01:33:09,989

and sell air time on on Gayo or whatever

2163

01:33:13,970 --> 01:33:11,820

they're the ones who say this is the

2164

01:33:14,560 --> 01:33:13,980

truth and and here you go I'm telling

2165

01:33:16,970 --> 01:33:14,570

you the truth

2166

01:33:19,370 --> 01:33:16,980

meanwhile if you ask for sort of any

2167

01:33:22,310 --> 01:33:19,380

evidence they won't be able to provide

2168

01:33:23,630 --> 01:33:22,320

it or they'll dodge the question so I

2169

01:33:25,970 --> 01:33:23,640

think that's one I think the second

2170

01:33:27,250 --> 01:33:25,980

thing is is if they are you know

2171

01:33:29,600 --> 01:33:27,260

obviously trying to sell you something

2172

01:33:31,550 --> 01:33:29,610

in regards to you know

2173

01:33:34,070 --> 01:33:31,560

constantly writing sort of books that

2174

01:33:36,650 --> 01:33:34,080

are sort of not fact checked or not

2175

01:33:37,880 --> 01:33:36,660

cited and it's just their ideas and

2176

01:33:40,670 --> 01:33:37,890

again they're sort of selling it as

2177

01:33:43,850 --> 01:33:40,680

truth I think you sort of need to be

2178

01:33:48,580 --> 01:33:43,860

cautious and critical I think at the end

2179

01:33:53,000 --> 01:33:48,590

of the day I think at the end of the day

2180

01:33:54,560 --> 01:33:53,010

we need to be just critically minded in

2181

01:33:56,960 --> 01:33:54,570

general in regards to the people who

2182

01:33:58,940 --> 01:33:56,970

speak at UFO conferences I think that a

2183

01:34:00,290 --> 01:33:58,950

lot of them are great and I think that a

2184

01:34:02,150 --> 01:34:00,300

lot of them are legitimate Marc Dantonio

2185

01:34:04,760 --> 01:34:02,160

is a great example I think he's in he's

2186

01:34:07,910 --> 01:34:04,770

an excellent researcher and and his

2187

01:34:10,130 --> 01:34:07,920

books are terrific but he doesn't walk

2188

01:34:11,660 --> 01:34:10,140

her around telling you this is what's

2189

01:34:13,940 --> 01:34:11,670

happening and this is the truth and this

2190

01:34:17,360 --> 01:34:13,950

is what's going on with UFO phenomenon

2191

01:34:19,640 --> 01:34:17,370

100% I know you know send me your money

2192

01:34:21,410 --> 01:34:19,650

he doesn't do that he like the caller

2193

01:34:24,380 --> 01:34:21,420

said sort of presents as evidence and

2194

01:34:26,960 --> 01:34:24,390

says you know apart from this evidence I

2195

01:34:29,540 --> 01:34:26,970

that's all I got you know whether you

2196

01:34:32,870 --> 01:34:29,550

you choose to accept it or not is up to

2197

01:34:34,970 --> 01:34:32,880

you but here's my data I think that's

2198

01:34:38,900 --> 01:34:34,980

the sign of a good researcher versus

2199

01:34:41,090 --> 01:34:38,910

someone who says for example here a lip

2200

01:34:43,640 --> 01:34:41,100

here is a list of the following songs

2201  
01:34:45,590 --> 01:34:43,650  
and musical artists who had those songs

2202  
01:34:48,620 --> 01:34:45,600  
downloaded into their heads by alien

2203  
01:34:50,750 --> 01:34:48,630  
intelligences then offers no evidence to

2204  
01:34:53,720 --> 01:34:50,760  
support that apart from the fact that

2205  
01:34:56,090 --> 01:34:53,730  
some of the lyrics and the songs might

2206  
01:35:00,050 --> 01:34:56,100  
you know if you really stretched it

2207  
01:35:02,780 --> 01:35:00,060  
could be interpreted as you know a UFO

2208  
01:35:04,040 --> 01:35:02,790  
or abduction case I'm speaking here

2209  
01:35:08,000 --> 01:35:04,050  
particular to grant Cameron's most

2210  
01:35:10,580 --> 01:35:08,010  
recent book where he makes claims of a

2211  
01:35:12,920 --> 01:35:10,590  
whole bunch of musical artists having

2212  
01:35:15,500 --> 01:35:12,930  
songs downloaded from alien

2213  
01:35:17,120 --> 01:35:15,510

intelligences again I find this a little

2214

01:35:18,590 --> 01:35:17,130

dubious because at the end of the day he

2215

01:35:19,790 --> 01:35:18,600

can't back up any of his claims but he's

2216

01:35:22,220 --> 01:35:19,800

making a truth claim here he's saying

2217

01:35:24,140 --> 01:35:22,230

this is what happened I actually have

2218

01:35:26,240 --> 01:35:24,150

people have gotten hold of me that

2219

01:35:28,960 --> 01:35:26,250

wanted to be on my show and talked about

2220

01:35:31,370 --> 01:35:28,970

that that are saying you know that's

2221

01:35:34,040 --> 01:35:31,380

that's their truth you know the type of

2222

01:35:38,870 --> 01:35:34,050

thing yeah and and and you know again

2223

01:35:42,320 --> 01:35:38,880

yeah maybe they are right like maybe the

2224

01:35:43,490 --> 01:35:42,330

Beatles you know did have their their

2225

01:35:45,350 --> 01:35:43,500

music download

2226

01:35:48,080 --> 01:35:45,360

into their brain by an alien

2227

01:35:52,390 --> 01:35:48,090

intelligence is good yeah this could

2228

01:35:54,890 --> 01:35:52,400

really be the case but again we can't

2229

01:35:57,200 --> 01:35:54,900

make a truth claim about that without

2230

01:35:59,720 --> 01:35:57,210

any evidence to support that truth claim

2231

01:36:02,810 --> 01:35:59,730

we would need something that proves that

2232

01:36:05,450 --> 01:36:02,820

to be the case and I take issue when

2233

01:36:07,150 --> 01:36:05,460

somebody says that is the case but when

2234

01:36:10,220 --> 01:36:07,160

asked for evidence does not provide it

2235

01:36:12,980 --> 01:36:10,230

how how do you know that the Beatles had

2236

01:36:14,840 --> 01:36:12,990

these songs downloaded then simply

2237

01:36:16,280 --> 01:36:14,850

showing me you know the song Lucy in the

2238

01:36:17,780 --> 01:36:16,290

Sky with Diamonds and you know well

2239

01:36:23,720 --> 01:36:17,790

there's lights in it this is clearly a

2240

01:36:26,600 --> 01:36:23,730

UFO experience you know about LSD that

2241

01:36:28,400 --> 01:36:26,610

was about LSD yeah of course but you

2242

01:36:30,110 --> 01:36:28,410

know at the end of the day if we need to

2243

01:36:32,780 --> 01:36:30,120

sell books and we need to pump out books

2244

01:36:35,120 --> 01:36:32,790

quickly if we don't need to cite or

2245

01:36:37,970 --> 01:36:35,130

provide evidence hell I can write

2246

01:36:39,860 --> 01:36:37,980

whatever that whatever I want right yeah

2247

01:36:42,980 --> 01:36:39,870

well that's interesting so the lines

2248

01:36:45,680 --> 01:36:42,990

open if anyone wants to give a call so I

2249

01:36:47,720 --> 01:36:45,690

I I like the way this is going but

2250

01:36:51,200 --> 01:36:47,730

Jordan Bonaparte that was on earlier

2251  
01:36:55,730 --> 01:36:51,210  
said boy you really stepped into it and

2252  
01:37:00,650 --> 01:36:55,740  
I sure did yeah yeah and no it's okay I

2253  
01:37:03,440 --> 01:37:00,660  
I think you know you're making a really

2254  
01:37:06,740 --> 01:37:03,450  
good point here and that is that if

2255  
01:37:09,410 --> 01:37:06,750  
anyone out there says they have an

2256  
01:37:11,750 --> 01:37:09,420  
answer that's the one you know that's

2257  
01:37:14,180 --> 01:37:11,760  
that's a red flag if someone's gonna say

2258  
01:37:17,900 --> 01:37:14,190  
they have the answer because no one's so

2259  
01:37:20,450 --> 01:37:17,910  
so far no one has the answer and so you

2260  
01:37:22,700 --> 01:37:20,460  
if you hear that and you're listening to

2261  
01:37:24,530 --> 01:37:22,710  
the show and you you're interested in

2262  
01:37:27,680 --> 01:37:24,540  
what if someone has to say I would not

2263  
01:37:29,600 --> 01:37:27,690

really listen to that I think if they

2264

01:37:31,490 --> 01:37:29,610

approached it with an I don't know but

2265

01:37:34,580 --> 01:37:31,500

if they approached it by saying I'm

2266

01:37:37,130 --> 01:37:34,590

gonna speculate here or I don't know or

2267

01:37:39,740 --> 01:37:37,140

this is just a theory or a hypothesis

2268

01:37:41,300 --> 01:37:39,750

yeah you can listen to rate sure spec

2269

01:37:42,770 --> 01:37:41,310

speculations amazing like it's like my

2270

01:37:44,500 --> 01:37:42,780

favorite thing to do I have a philosophy

2271

01:37:47,540 --> 01:37:44,510

background so like all I do is speculate

2272

01:37:49,820 --> 01:37:47,550

but I never say that this is 100% how

2273

01:37:54,080 --> 01:37:49,830

the universe or the world or I function

2274

01:37:55,940 --> 01:37:54,090

because I don't know you know again and

2275

01:37:57,140 --> 01:37:55,950

you can't really blame the conference's

2276

01:37:59,210 --> 01:37:57,150

necessarily because I also want

2277

01:38:01,400 --> 01:37:59,220

stand as a conference organizer I have

2278

01:38:04,640 --> 01:38:01,410

to put you know butts in seats

2279

01:38:07,670 --> 01:38:04,650

you know alien con just happened contact

2280

01:38:09,650 --> 01:38:07,680

in the desert is coming up I believe as

2281

01:38:12,410 --> 01:38:09,660

well as all the other UFO conferences I

2282

01:38:14,540 --> 01:38:12,420

mean you need to sell tickets and at the

2283

01:38:17,150 --> 01:38:14,550

end of the day if the quarry Goods and

2284

01:38:19,460 --> 01:38:17,160

the David Wilcock and and the grand

2285

01:38:21,350 --> 01:38:19,470

cameron's and and now that I want to

2286

01:38:24,050 --> 01:38:21,360

lump those in the same pile but you know

2287

01:38:26,780 --> 01:38:24,060

if you the the Georges two closest if

2288

01:38:28,130 --> 01:38:26,790

they're the ones who sell tickets and

2289

01:38:30,500 --> 01:38:28,140

you got to put you know food on the

2290

01:38:32,810 --> 01:38:30,510

table I get that that you know that's

2291

01:38:34,760 --> 01:38:32,820

part of that subculture as well that

2292

01:38:36,230 --> 01:38:34,770

does that conference culture of we got a

2293

01:38:37,850 --> 01:38:36,240

kind of what do we what are we doing

2294

01:38:39,590 --> 01:38:37,860

here right are we talking about

2295

01:38:41,870 --> 01:38:39,600

ufology are we gonna try and do and

2296

01:38:44,930 --> 01:38:41,880

present legitimate research or are we

2297

01:38:46,640 --> 01:38:44,940

gonna have a bit of a show brand you

2298

01:38:47,990 --> 01:38:46,650

need to walk a fine line there sometimes

2299

01:38:49,220 --> 01:38:48,000

may be especially if you want to have a

2300

01:38:51,890 --> 01:38:49,230

successful conference that happens again

2301  
01:38:53,810 --> 01:38:51,900  
yeah I'll talk to you about a conference

2302  
01:38:56,960 --> 01:38:53,820  
after we had talked to this caller

2303  
01:38:57,980 --> 01:38:56,970  
caller thanks for calling us and tell us

2304  
01:39:02,660 --> 01:38:57,990  
your first name and where are you

2305  
01:39:06,860 --> 01:39:02,670  
calling from please Jim from British

2306  
01:39:11,750 --> 01:39:06,870  
Columbia hi Jay how are you it's a

2307  
01:39:16,370 --> 01:39:11,760  
Canadian show span yes yeah hello Ben

2308  
01:39:18,260 --> 01:39:16,380  
yes yeah you're very smart guy I'm a

2309  
01:39:20,960 --> 01:39:18,270  
smart guy too so I can tell how's it now

2310  
01:39:23,360 --> 01:39:20,970  
you're a very intelligent guy I have to

2311  
01:39:26,270 --> 01:39:23,370  
know have you had your own experiences

2312  
01:39:29,210 --> 01:39:26,280  
any paranormal experiences at all yeah

2313  
01:39:30,800 --> 01:39:29,220

on you know whether I say fortunately or

2314

01:39:33,140 --> 01:39:30,810

unfortunately I have never had a

2315

01:39:35,240 --> 01:39:33,150

paranormal experience that that I can't

2316

01:39:37,840 --> 01:39:35,250

sort of in my mind rationalize or

2317

01:39:41,420 --> 01:39:37,850

explain away and I I did have I think

2318

01:39:44,030 --> 01:39:41,430

what could be described maybe as a an

2319

01:39:48,290 --> 01:39:44,040

experience with we could maybe say a

2320

01:39:51,080 --> 01:39:48,300

ghost however I can sort of sit back and

2321

01:39:52,700 --> 01:39:51,090

think about it and I can like I said

2322

01:39:55,180 --> 01:39:52,710

rationalize it a little bit that maybe I

2323

01:39:57,290 --> 01:39:55,190

was mistaken so it wasn't such an

2324

01:40:02,390 --> 01:39:57,300

experience that altered my life let's

2325

01:40:04,670 --> 01:40:02,400

put it that way okay yeah so yeah I'm an

2326

01:40:06,710 --> 01:40:04,680

objective observer I used to train other

2327

01:40:08,750 --> 01:40:06,720

people to be objective observers because

2328

01:40:10,370 --> 01:40:08,760

I worked as an engineer I've done

2329

01:40:12,830 --> 01:40:10,380

science for living and

2330

01:40:16,629 --> 01:40:12,840

things like that so I'm very objective

2331

01:40:19,430 --> 01:40:16,639

but sometimes maybe I've had about ten

2332

01:40:20,629 --> 01:40:19,440

extreme paranormal experiences in my

2333

01:40:23,899 --> 01:40:20,639

life

2334

01:40:26,810 --> 01:40:23,909

once I saw two UFOs I was with another

2335

01:40:29,300 --> 01:40:26,820

person she saw them first she said they

2336

01:40:31,160 --> 01:40:29,310

were UFOs I looked at them and I could

2337

01:40:34,280 --> 01:40:31,170

not figure what they were but under

2338

01:40:37,390 --> 01:40:34,290

later investigation what I saw fit the

2339

01:40:40,610 --> 01:40:37,400

descriptions that many many other people

2340

01:40:43,939 --> 01:40:40,620

supply including well what I saw were

2341

01:40:48,500 --> 01:40:43,949

the we call them the the Foo Fighters of

2342

01:40:51,379 --> 01:40:48,510

ww2 and I knew a guy who was a pilot of

2343

01:40:55,070 --> 01:40:51,389

a plane in World War two and he saw Foo

2344

01:40:58,490 --> 01:40:55,080

Fighters doing so okay so so I use the

2345

01:41:00,470 --> 01:40:58,500

best methodology and I know methodology

2346

01:41:02,450 --> 01:41:00,480

actually I lecture on methodology I use

2347

01:41:04,459 --> 01:41:02,460

the best methodology and I can explain

2348

01:41:06,290 --> 01:41:04,469

these things away and other things I've

2349

01:41:08,510 --> 01:41:06,300

done for example ie shape-shifted into a

2350

01:41:10,250 --> 01:41:08,520

bear one day and things like that and

2351

01:41:11,720 --> 01:41:10,260

I've been tested I'm not on drugs I've

2352

01:41:16,250 --> 01:41:11,730

been tested I'm saying etcetera etcetera

2353

01:41:17,810 --> 01:41:16,260

right so okay I really I find I talk to

2354

01:41:20,479 --> 01:41:17,820

a lot of people about the paranormal and

2355

01:41:22,010 --> 01:41:20,489

I can really only get into it with a

2356

01:41:26,240 --> 01:41:22,020

person who has had the paranormal

2357

01:41:27,770 --> 01:41:26,250

experiences really and those people I

2358

01:41:31,160 --> 01:41:27,780

judge them one at a time and sometimes

2359

01:41:34,610 --> 01:41:31,170

they're mentally ill or they're on drugs

2360

01:41:37,760 --> 01:41:34,620

or something like that so I have to read

2361

01:41:39,950 --> 01:41:37,770

those ones out but you know a person

2362

01:41:42,740 --> 01:41:39,960

like Martin has had his own paranormal

2363

01:41:44,479 --> 01:41:42,750

experience so I listened to him you know

2364

01:41:50,180 --> 01:41:44,489

and I know he's going to listen to me

2365

01:41:53,030 --> 01:41:50,190

right and and Milazzo fee psychology all

2366

01:41:54,800 --> 01:41:53,040

mixed together yeah and it it seems that

2367

01:41:56,990 --> 01:41:54,810

a person has to have their own

2368

01:42:01,189 --> 01:41:57,000

paranormal experience and I'll tell you

2369

01:42:03,620 --> 01:42:01,199

one more thing Ben yes Ben yes there is

2370

01:42:05,060 --> 01:42:03,630

a top physicist in the world today he's

2371

01:42:07,459 --> 01:42:05,070

one of the top five theoretical

2372

01:42:10,490 --> 01:42:07,469

physicists and he says his own words are

2373

01:42:13,760 --> 01:42:10,500

quote not all the universe is accessible

2374

01:42:15,590 --> 01:42:13,770

by the scientific method period and I

2375

01:42:15,860 --> 01:42:15,600

agree with them I know what he's talking

2376

01:42:19,220 --> 01:42:15,870

about

2377

01:42:23,030 --> 01:42:19,230

it's you know we we humans we don't even

2378

01:42:24,109 --> 01:42:23,040

understand time we we are we are very

2379

01:42:26,000 --> 01:42:24,119

limited mentally

2380

01:42:28,159 --> 01:42:26,010

think so when you look at the universe

2381

01:42:30,500 --> 01:42:28,169

we are all of our science put together

2382

01:42:33,169 --> 01:42:30,510

is not everything that there is there's

2383

01:42:37,069 --> 01:42:33,179

much beyond science you know and so

2384

01:42:38,989 --> 01:42:37,079

anyway I should shut up now yeah no I

2385

01:42:41,449 --> 01:42:38,999

mean I really appreciate your call I

2386

01:42:43,609 --> 01:42:41,459

think I think you're right I honestly do

2387

01:42:46,489 --> 01:42:43,619

and in certain things I agree with you

2388

01:42:49,580 --> 01:42:46,499

that the scientific method is not enough

2389

01:42:51,500 --> 01:42:49,590

to to be I guess the ultimate arbiter of

2390

01:42:53,209 --> 01:42:51,510

truth like a knowledge I agree with you

2391

01:42:56,060 --> 01:42:53,219

I think that there is a lot of ways to

2392

01:42:59,000 --> 01:42:56,070

access information and science is one

2393

01:43:01,129 --> 01:42:59,010

Avenue an important Avenue but it's one

2394

01:43:02,379 --> 01:43:01,139

Avenue among many so I agree with you

2395

01:43:05,810 --> 01:43:02,389

there

2396

01:43:09,020 --> 01:43:05,820

in regards to the having sorry you just

2397

01:43:11,000 --> 01:43:09,030

want to jump in there yeah well you see

2398

01:43:14,560 --> 01:43:11,010

science is my main paradigm it always

2399

01:43:18,649 --> 01:43:14,570

has been but then I started discovering

2400

01:43:20,119 --> 01:43:18,659

the reality of the native peoples

2401

01:43:22,699 --> 01:43:20,129

paradigm these are the indigenous

2402

01:43:24,770 --> 01:43:22,709

peoples of the world the Bushmen of the

2403

01:43:27,589 --> 01:43:24,780

Kalahari the native people where I live

2404

01:43:31,790 --> 01:43:27,599

here I'm connected to them and the Inuit

2405

01:43:33,500 --> 01:43:31,800

and all these people and I have

2406

01:43:36,500 --> 01:43:33,510

experienced their paradigm as well

2407

01:43:38,989 --> 01:43:36,510

that's right their paradigm is totally

2408

01:43:41,179 --> 01:43:38,999

valid tested for thousands of years they

2409

01:43:43,159 --> 01:43:41,189

work for them it's so it's a totally

2410

01:43:46,659 --> 01:43:43,169

valid way of looking at the universe and

2411

01:43:50,689 --> 01:43:46,669

many of my paranormal experiences are

2412

01:43:52,459 --> 01:43:50,699

explained by the paradigms of these what

2413

01:43:55,250 --> 01:43:52,469

I call the prewriting people or the

2414

01:43:59,119 --> 01:43:55,260

people who only had oral tradition for

2415

01:44:01,520 --> 01:43:59,129

their continuation of knowledge yeah I

2416

01:44:03,589 --> 01:44:01,530

actually it's funny I do feature in the

2417

01:44:04,939 --> 01:44:03,599

book that I'm writing this is maybe this

2418

01:44:07,429 --> 01:44:04,949

ties back to what Martin our time would

2419

01:44:09,979 --> 01:44:07,439

sort of earlier in the show but you know

2420

01:44:12,139 --> 01:44:09,989

the problem is in regards to the UFO

2421

01:44:14,689 --> 01:44:12,149

subculture is is you have often other

2422

01:44:16,639 --> 01:44:14,699

paranormal aspects that tie into the UFO

2423

01:44:19,790 --> 01:44:16,649

phenomena and then how do you you know

2424

01:44:22,729 --> 01:44:19,800

can you parse them out or do you have to

2425

01:44:24,080 --> 01:44:22,739

include them so in my area where I am M

2426

01:44:27,290 --> 01:44:24,090

in Manitoba

2427

01:44:31,060 --> 01:44:27,300

the the Wendigo legend among the local

2428

01:44:33,619 --> 01:44:31,070

Ojibwe and Cree people here is huge and

2429

01:44:35,689 --> 01:44:33,629

I've I've investigated one or two

2430

01:44:36,830 --> 01:44:35,699

Wendigo sightings not that you can

2431

01:44:37,350 --> 01:44:36,840

really investigate those you just sort

2432

01:44:40,470 --> 01:44:37,360

of talk to the

2433

01:44:43,730 --> 01:44:40,480

this is but I do feature one in my book

2434

01:44:46,290 --> 01:44:43,740

of a gentleman who who I guess

2435

01:44:49,800 --> 01:44:46,300

interacted or well he was driving in his

2436

01:44:51,660 --> 01:44:49,810

car with this sort of creature that is

2437

01:44:54,690 --> 01:44:51,670

based upon sort of indigenous legend in

2438

01:44:57,120 --> 01:44:54,700

the area so yeah I agree you know I

2439

01:45:00,720 --> 01:44:57,130

can't say his event didn't happen I

2440

01:45:02,460 --> 01:45:00,730

wasn't in the car with him and and

2441

01:45:04,350 --> 01:45:02,470

ultimately you know I believe his story

2442

01:45:06,270 --> 01:45:04,360

because I think he's still sort of

2443

01:45:09,810 --> 01:45:06,280

pretty shook up about it years after it

2444

01:45:10,860 --> 01:45:09,820

occurred so so you know I I don't think

2445

01:45:12,600 --> 01:45:10,870

you know there's there's much

2446

01:45:13,620 --> 01:45:12,610

disagreement between us I think where I

2447

01:45:15,800 --> 01:45:13,630

do disagree with you a little bit though

2448

01:45:18,330 --> 01:45:15,810

is is the fact that you know for me to

2449

01:45:22,350 --> 01:45:18,340

maybe understand perhaps but for me to

2450

01:45:24,630 --> 01:45:22,360

sort of listen and and be and be able to

2451

01:45:26,400 --> 01:45:24,640

have discourse with with sort of other

2452

01:45:29,190 --> 01:45:26,410

people is that I have to have my own

2453

01:45:31,500 --> 01:45:29,200

experience I had this conversation with

2454

01:45:33,270 --> 01:45:31,510

Ryan Sprague on his show somewhere in

2455

01:45:34,920 --> 01:45:33,280

the skies and and we I sort of asked him

2456

01:45:36,840 --> 01:45:34,930

you know as someone who has had a UFO

2457

01:45:39,300 --> 01:45:36,850

experience and and and myself someone

2458

01:45:41,160 --> 01:45:39,310

who is not you know can we talk about

2459

01:45:44,100 --> 01:45:41,170

the same things can we sort of exist on

2460

01:45:45,630 --> 01:45:44,110

the same level or does the UFO witness

2461

01:45:47,550 --> 01:45:45,640

or does the experience or does sort of

2462

01:45:48,660 --> 01:45:47,560

the the person who's had experiences are

2463

01:45:51,270 --> 01:45:48,670

they sort of in a privileged position

2464

01:45:54,300 --> 01:45:51,280

here and he said you know he doesn't

2465

01:45:55,740 --> 01:45:54,310

think so and again we can maybe debate

2466

01:45:57,480 --> 01:45:55,750

that idea you know is there sort of a

2467

01:45:59,520 --> 01:45:57,490

privileged position in the UFO

2468

01:46:02,480 --> 01:45:59,530

subculture and you feel community for

2469

01:46:06,420 --> 01:46:02,490

individuals who have had experiences

2470

01:46:09,410 --> 01:46:06,430

yeah well in the in the UFOs here I like

2471

01:46:14,370 --> 01:46:09,420

I've only seen had one sighting of UFOs

2472

01:46:17,070 --> 01:46:14,380

but I can see that everybody speculates

2473

01:46:19,200 --> 01:46:17,080

right yeah Linda Moulton Howe speculates

2474

01:46:21,270 --> 01:46:19,210

in one direction and then that other guy

2475

01:46:23,310 --> 01:46:21,280

Dolan he speculates off in a different

2476

01:46:26,190 --> 01:46:23,320

direction right and you can see that

2477

01:46:28,500 --> 01:46:26,200

their speculations come from there their

2478

01:46:30,660 --> 01:46:28,510

preconceived well their paradigms their

2479

01:46:33,120 --> 01:46:30,670

preconceived set of ideas about things

2480

01:46:35,640 --> 01:46:33,130

and I and then from that I see that oh I

2481

01:46:37,230 --> 01:46:35,650

have my own preconceived ideas too right

2482

01:46:40,020 --> 01:46:37,240

so I think it's important for the

2483

01:46:41,640 --> 01:46:40,030

individual to advance philosophically I

2484

01:46:45,060 --> 01:46:41,650

think it's important for the individual

2485

01:46:48,390 --> 01:46:45,070

to know their own paradigm you know and

2486

01:46:50,250 --> 01:46:48,400

I'm I was a science guy Oh totally man

2487

01:46:50,849 --> 01:46:50,260

totally trained and experienced in

2488

01:46:54,319 --> 01:46:50,859

scientist

2489

01:46:57,079 --> 01:46:54,329

but I discovered for myself a cheap

2490

01:47:01,020 --> 01:46:57,089

there that's not all there is so I

2491

01:47:02,819 --> 01:47:01,030

philosophically I say we don't know we

2492

01:47:03,810 --> 01:47:02,829

just don't know work you know there's so

2493

01:47:05,790 --> 01:47:03,820

much we don't know

2494

01:47:07,589 --> 01:47:05,800

okay that's how I handle it all

2495

01:47:09,359 --> 01:47:07,599

philosophically I I agree with you

2496

01:47:10,770 --> 01:47:09,369

wholeheartedly that's that's literally

2497

01:47:12,479 --> 01:47:10,780

one of the opening lines in my book or

2498

01:47:14,339 --> 01:47:12,489

is the only line that it starts off with

2499

01:47:16,560 --> 01:47:14,349

you know I have to start from a position

2500

01:47:19,379 --> 01:47:16,570

of I don't know because we definitely

2501

01:47:22,199 --> 01:47:19,389

don't we don't have a lot of time left

2502

01:47:26,790 --> 01:47:22,209

thanks so much for the call Jim thank

2503

01:47:28,139 --> 01:47:26,800

you so one of the things I just wanted

2504

01:47:31,649 --> 01:47:28,149

to mention you know we have just a few

2505

01:47:35,099 --> 01:47:31,659

minutes left is I was at a conference

2506

01:47:40,229 --> 01:47:35,109

where this woman there was a few people

2507

01:47:42,270 --> 01:47:40,239

that claim to be hybrid so you know it's

2508

01:47:45,209 --> 01:47:42,280

kind of like skeptical right from the

2509

01:47:47,040 --> 01:47:45,219

beginning and but then you know this

2510

01:47:50,310 --> 01:47:47,050

woman talked and she got very emotional

2511

01:47:52,199 --> 01:47:50,320

and it was very convincing but then you

2512

01:47:55,139 --> 01:47:52,209

know she showed well here's what I look

2513

01:47:57,419 --> 01:47:55,149

like on their planet and she actually

2514

01:47:59,939 --> 01:47:57,429

held up a piece of paper with a like a

2515

01:48:02,609 --> 01:47:59,949

crayon drawing of an alien and it was

2516

01:48:03,359 --> 01:48:02,619

like wow you know that's that's all you

2517

01:48:07,189 --> 01:48:03,369

got

2518

01:48:09,989 --> 01:48:07,199

I I want to tell you that particular

2519

01:48:13,049 --> 01:48:09,999

talk and and the person that put the

2520

01:48:16,020 --> 01:48:13,059

conference together said he was hesitant

2521

01:48:20,549 --> 01:48:16,030

but he had so much demand for that part

2522

01:48:24,599 --> 01:48:20,559

you know for those people to come on but

2523

01:48:26,729 --> 01:48:24,609

that kind of standing ovation and you

2524

01:48:30,209 --> 01:48:26,739

know I I just couldn't buy it I can't

2525

01:48:32,819 --> 01:48:30,219

couldn't buy any part of it and so is

2526

01:48:36,389 --> 01:48:32,829

that yeah it's so that's an hour you're

2527

01:48:41,759 --> 01:48:36,399

50% right there I think well yeah again

2528

01:48:43,859 --> 01:48:41,769

you know I regret using a number but you

2529

01:48:44,609 --> 01:48:43,869

know this this is sort of a common

2530

01:48:47,819 --> 01:48:44,619

occurrence

2531

01:48:50,669 --> 01:48:47,829

I do UFO conference but also just within

2532

01:48:54,569 --> 01:48:50,679

the subculture in general and and again

2533

01:48:57,659 --> 01:48:54,579

like I have to be cautious maybe she is

2534

01:49:01,919 --> 01:48:57,669

right like maybe that crayon drawing is

2535

01:49:04,800 --> 01:49:01,929

a perfect depiction of her on their

2536

01:49:06,450 --> 01:49:04,810

planet and I don't want to sound glib

2537

01:49:11,010 --> 01:49:06,460

itself not to I don't know some

2538

01:49:12,690 --> 01:49:11,020

equipment so I don't want think

2539

01:49:16,220 --> 01:49:12,700

ultimately I don't want to be judgmental

2540

01:49:21,720 --> 01:49:16,230

um and sometimes it's tough not to me

2541

01:49:23,730 --> 01:49:21,730

but I guess my the one thing I'll say is

2542

01:49:25,230 --> 01:49:23,740

this you know and this sort of was

2543

01:49:26,400 --> 01:49:25,240

touched on in the previous call in

2544

01:49:27,990 --> 01:49:26,410

regards to the sort of time owed is

2545

01:49:31,400 --> 01:49:28,000

science the answer or science is just

2546

01:49:34,560 --> 01:49:31,410

one sort of paradigm and there's many I

2547

01:49:36,900 --> 01:49:34,570

think we one obviously need to remain

2548

01:49:39,450 --> 01:49:36,910

critical and I think we also need to

2549

01:49:41,280 --> 01:49:39,460

also understand that you know while we

2550

01:49:44,460 --> 01:49:41,290

might have issues with science and the

2551  
01:49:47,340 --> 01:49:44,470  
dogmatism of science and and we might

2552  
01:49:50,700 --> 01:49:47,350  
have issue with science being sort of

2553  
01:49:52,980 --> 01:49:50,710  
currently the the leader or the the main

2554  
01:49:55,020 --> 01:49:52,990  
ideological framework by which we

2555  
01:49:57,600 --> 01:49:55,030  
understand things and there's

2556  
01:50:00,270 --> 01:49:57,610  
potentially a whole bunch of others the

2557  
01:50:01,890 --> 01:50:00,280  
UFO subculture does not necessarily have

2558  
01:50:04,770 --> 01:50:01,900  
access to some higher truth either

2559  
01:50:08,490 --> 01:50:04,780  
I think the UFO culture is made up of

2560  
01:50:11,970 --> 01:50:08,500  
ideology and paradigm and its fair share

2561  
01:50:14,790 --> 01:50:11,980  
of honesty and truth but it's also a

2562  
01:50:19,860 --> 01:50:14,800  
fair share of at times a bit of delusion

2563  
01:50:22,700 --> 01:50:19,870

and at times a bit of fraud so so the

2564

01:50:24,810 --> 01:50:22,710

UFO subculture sort of functions like

2565

01:50:26,820 --> 01:50:24,820

the rest of the world right there's

2566

01:50:28,950 --> 01:50:26,830

people who will commit fraud in regular

2567

01:50:30,540 --> 01:50:28,960

everyday life there's people who who are

2568

01:50:31,880 --> 01:50:30,550

delusional and regular everyday life and

2569

01:50:34,440 --> 01:50:31,890

there's people who tell the truth in

2570

01:50:36,750 --> 01:50:34,450

regular everyday life so I think we see

2571

01:50:39,000 --> 01:50:36,760

a mirror of that in the UFO subculture I

2572

01:50:42,300 --> 01:50:39,010

think the one difference though is that

2573

01:50:43,860 --> 01:50:42,310

the UFO subculture exists in this

2574

01:50:44,400 --> 01:50:43,870

dualistic realm as I talked about before

2575

01:50:48,000 --> 01:50:44,410

right

2576

01:50:49,530 --> 01:50:48,010

individuals who function in the regular

2577

01:50:51,800 --> 01:50:49,540

everyday but also individuals who

2578

01:50:55,230 --> 01:50:51,810

function in this total separate other

2579

01:50:57,360 --> 01:50:55,240

universe let's say we're we're the

2580

01:50:59,310 --> 01:50:57,370

regular everyday reality is sort of

2581

01:51:01,200 --> 01:50:59,320

meaningless to them or or has some

2582

01:51:03,030 --> 01:51:01,210

meaning but it is really not important

2583

01:51:05,520 --> 01:51:03,040

anymore because their lives have been

2584

01:51:07,440 --> 01:51:05,530

altered drastically by an experience or

2585

01:51:10,950 --> 01:51:07,450

just by engaging with the phenomenon in

2586

01:51:13,050 --> 01:51:10,960

some way I do yeah I realize I was a

2587

01:51:16,170 --> 01:51:13,060

little bit critical but also I do want

2588

01:51:18,060 --> 01:51:16,180

to say that I have no idea what you know

2589

01:51:18,480 --> 01:51:18,070

this woman obviously went through

2590

01:51:21,810 --> 01:51:18,490

something

2591

01:51:23,370 --> 01:51:21,820

very I really really bothered her you

2592

01:51:27,090 --> 01:51:23,380

know I mean like I said she became very

2593

01:51:30,060 --> 01:51:27,100

emotional and so you know and she

2594

01:51:31,680 --> 01:51:30,070

appeared to be talking from the heart so

2595

01:51:34,230 --> 01:51:31,690

something I agree that you know

2596

01:51:36,780 --> 01:51:34,240

something happens I can't I shouldn't

2597

01:51:38,130 --> 01:51:36,790

judge people either you know no it's

2598

01:51:40,650 --> 01:51:38,140

it's tough not you know because

2599

01:51:43,110 --> 01:51:40,660

sometimes they sound totally bonkers

2600

01:51:45,330 --> 01:51:43,120

right like I mean that's also you know

2601  
01:51:47,660 --> 01:51:45,340  
the reality at times you know people say

2602  
01:51:49,830 --> 01:51:47,670  
things and you just shake your head and

2603  
01:51:51,030 --> 01:51:49,840  
if you met this person in real life

2604  
01:51:53,220 --> 01:51:51,040  
you'd like roll up the window of your

2605  
01:51:55,350 --> 01:51:53,230  
car and you know drive away as fast as

2606  
01:51:56,820 --> 01:51:55,360  
you could I think sometimes yeah yeah

2607  
01:51:58,830 --> 01:51:56,830  
you know we only have a couple of

2608  
01:52:03,300 --> 01:51:58,840  
minutes left or just like a minute I

2609  
01:52:04,890 --> 01:52:03,310  
think so listen your book where can you

2610  
01:52:06,600 --> 01:52:04,900  
have your do you have a website where or

2611  
01:52:09,810 --> 01:52:06,610  
is it Facebook how does someone get

2612  
01:52:10,860 --> 01:52:09,820  
ahold of you right yeah so unfortunately

2613  
01:52:13,440 --> 01:52:10,870

my book isn't know yet it's actually

2614

01:52:14,640 --> 01:52:13,450

it's I'm finishing the last chapter so

2615

01:52:16,610 --> 01:52:14,650

if you're my publisher and you're

2616

01:52:19,350 --> 01:52:16,620

listening to me it's almost done buddy

2617

01:52:21,090 --> 01:52:19,360

so I've got one more chapter to write

2618

01:52:22,380 --> 01:52:21,100

it's almost done actually and then it's

2619

01:52:24,210 --> 01:52:22,390

gonna get sent straight to my publisher

2620

01:52:27,000 --> 01:52:24,220

hopefully early this summer and

2621

01:52:29,670 --> 01:52:27,010

hopefully we'll have it out soon so I

2622

01:52:31,530 --> 01:52:29,680

will definitely keep you posted and if

2623

01:52:34,220 --> 01:52:31,540

you want to read any of my work you can

2624

01:52:37,950 --> 01:52:34,230

visit my website my blog it's at

2625

01:52:41,280 --> 01:52:37,960

[www.afcea.org](http://www.afcea.org) ages Google if you just

2626

01:52:43,910 --> 01:52:41,290

google Terra obscure a blog it'll pop up

2627

01:52:47,490 --> 01:52:43,920

I'm also on Facebook Twitter Instagram

2628

01:52:51,300 --> 01:52:47,500

send me a message I would be happy to to

2629

01:52:54,420 --> 01:52:51,310

talk to you and and yeah I I'm always

2630

01:52:56,850 --> 01:52:54,430

welcoming and I'm willing to listen to

2631

01:52:59,130 --> 01:52:56,860

anyone's story because I gotta be honest

2632

01:53:03,000 --> 01:52:59,140

that's I think what really ufology is is

2633

01:53:04,950 --> 01:53:03,010

it's it's just collecting stories and

2634

01:53:05,970 --> 01:53:04,960

I'm also sorry yeah I'm also a

2635

01:53:07,710 --> 01:53:05,980

mysterious universe so if you go to

2636

01:53:09,960 --> 01:53:07,720

mysterious universe org I contribute to

2637

01:53:13,230 --> 01:53:09,970

them as well oh okay oh wow that's uh

2638

01:53:14,760 --> 01:53:13,240

yeah that's quite a very active site so

2639

01:53:19,680 --> 01:53:14,770

do you have a working title for this

2640

01:53:22,020 --> 01:53:19,690

book I you know what I I do but my

2641

01:53:26,190 --> 01:53:22,030

publisher is I can he I can sense him

2642

01:53:28,380 --> 01:53:26,200

right now he's he's like a my yeah just

2643

01:53:29,520 --> 01:53:28,390

no no he likes it it's just he wouldn't

2644

01:53:32,020 --> 01:53:29,530

want me to she's like you know I just

2645

01:53:35,020 --> 01:53:32,030

don't talk about it I think yeah

2646

01:53:40,030 --> 01:53:35,030

it's yeah so I do working title is the

2647

01:53:42,130 --> 01:53:40,040

working title okay alright well we still

2648

01:53:44,320 --> 01:53:42,140

have a minute left we don't have time to

2649

01:53:46,810 --> 01:53:44,330

take calls in you know there were some

2650

01:53:48,910 --> 01:53:46,820

topics that I thought we could get into

2651  
01:53:50,320 --> 01:53:48,920  
but we weren't able to one of them was a

2652  
01:53:51,820 --> 01:53:50,330  
I wanted to talk a little bit about

2653  
01:53:54,670 --> 01:53:51,830  
MUFON because I know you did some

2654  
01:53:57,310 --> 01:53:54,680  
writing about that but it looks like we

2655  
01:53:59,290 --> 01:53:57,320  
got about a minute left so I think I

2656  
01:54:02,380 --> 01:53:59,300  
think that's gonna be it for the show

2657  
01:54:05,350 --> 01:54:02,390  
tonight and I want to thank everyone

2658  
01:54:09,570 --> 01:54:05,360  
over there and kgr a radio and thank you

2659  
01:54:11,890 --> 01:54:09,580  
very much MJ and let's stay in touch

2660  
01:54:14,890 --> 01:54:11,900  
yeah I love you thank you very much for

2661  
01:54:15,910 --> 01:54:14,900  
having me on I know that there's some

2662  
01:54:18,070 --> 01:54:15,920  
issues right now between our two

2663  
01:54:20,350 --> 01:54:18,080

countries and that's why well I'll make

2664

01:54:23,260 --> 01:54:20,360

sure there's no tariffs on this on this

2665

01:54:26,290 --> 01:54:23,270

conversation that's good I love I love

2666

01:54:28,480 --> 01:54:26,300

our neighbors to the north so yeah I

2667

01:54:30,580 --> 01:54:28,490

hope we can work all that stuff out oh

2668

01:54:32,380 --> 01:54:30,590

yeah you know we're up here we love you

2669

01:54:34,330 --> 01:54:32,390

guys we love you guys Dory it's all good

2670

01:54:37,210 --> 01:54:34,340

yeah it looks like easy we're crazy all

2671

01:54:40,510 --> 01:54:37,220

right all right thanks so much thanks

2672

01:54:42,880 --> 01:54:40,520

Martin all right take care bye bye

2673

01:54:46,000 --> 01:54:42,890

all right everyone so we are coming back

2674

01:54:49,900 --> 01:54:46,010

next week and we should be in studio

2675

01:54:52,960 --> 01:54:49,910

with Chris O'Brien and it should be a

2676

01:54:56,620 --> 01:54:52,970

lot of fun and we will have Skype up to

2677

01:54:59,530 --> 01:54:56,630

take calls on that as well so so you can

2678

01:55:02,020 --> 01:54:59,540

you can send us some questions I think

2679

01:55:04,570 --> 01:55:02,030

I'm probably going to do the show in a

2680

01:55:05,680 --> 01:55:04,580

library or something on video with us

2681

01:55:07,930 --> 01:55:05,690

sitting there we'll try to figure

2682

01:55:09,160 --> 01:55:07,940

something out here anyway I want to

2683

01:55:12,520 --> 01:55:09,170

thank people that helped out with the

2684

01:55:16,300 --> 01:55:12,530

show first of all Jordan Bonaparte for

2685

01:55:18,100 --> 01:55:16,310

helping us with the UFO updates

2686

01:55:22,360 --> 01:55:18,110

I want to thank Peggy for running the

2687

01:55:24,280 --> 01:55:22,370

Facebook page also Evan for doing the

2688

01:55:26,110 --> 01:55:24,290

work in the background and remember you

2689

01:55:28,990 --> 01:55:26,120

can like us on Facebook don't forget to

2690

01:55:31,540 --> 01:55:29,000

do that check out podcast UFO comm I

2691

01:55:34,930 --> 01:55:31,550

want to thank race over at kgr a radio

2692

01:55:37,270 --> 01:55:34,940

and that is going to be at Chris O'Brien
