

CALVIN PARKER

1
00:00:06,980 --> 00:00:04,070
company that outsources engineering it

2
00:00:09,320 --> 00:00:06,990
is owned by dr. help put up or at least

3
00:00:12,379 --> 00:00:09,330
ran by him who's also a member of to the

4
00:00:16,730 --> 00:00:12,389
stars and work for with with Bigelow and

5
00:00:19,460 --> 00:00:16,740
others and so they're coupled up and

6
00:00:23,330 --> 00:00:19,470
what they're doing is they want to

7
00:00:27,890 --> 00:00:23,340
analyze mature old that is possibly from

8
00:00:29,570 --> 00:00:27,900
you know UFOs essentially yeah and there

9
00:00:32,749 --> 00:00:29,580
are a kind of a project for doing that

10
00:00:34,910 --> 00:00:32,759
and it's this atom project so now

11
00:00:37,130 --> 00:00:34,920
they're open for business essentially I

12
00:00:41,869 --> 00:00:37,140
think they got a lot of questions so

13
00:00:43,880 --> 00:00:41,879

they posted another follow-up post

14

00:00:46,520 --> 00:00:43,890

saying okay here's some answers to the

15

00:00:47,750 --> 00:00:46,530

questions such as how do we submit stuff

16

00:00:49,490 --> 00:00:47,760

what are you looking for

17

00:00:53,119 --> 00:00:49,500

what is your the criteria that you meet

18

00:00:55,970 --> 00:00:53,129

and stuff like that so yeah so it's

19

00:01:00,920 --> 00:00:55,980

really interesting they want to analyze

20

00:01:03,560 --> 00:01:00,930

stuff now of course there is a meta

21

00:01:07,910 --> 00:01:03,570

material or alleged meta material that

22

00:01:10,609 --> 00:01:07,920

they have that you know we haven't heard

23

00:01:12,440 --> 00:01:10,619

a whole lot about in the New York Times

24

00:01:14,690 --> 00:01:12,450

article in December that broke the whole

25

00:01:17,179 --> 00:01:14,700

story about the the government project

26
00:01:19,670 --> 00:01:17,189
they talked about Bigelow even having to

27
00:01:21,710 --> 00:01:19,680
modify some buildings for some material

28
00:01:23,990 --> 00:01:21,720
that they have and we've heard a little

29
00:01:24,740 --> 00:01:24,000
bit about this material here and there I

30
00:01:26,960 --> 00:01:24,750
think

31
00:01:29,510 --> 00:01:26,970
Elizondo talked about it a couple weeks

32
00:01:31,850 --> 00:01:29,520
ago and coast to coast I am and you were

33
00:01:33,980 --> 00:01:31,860
there for MUFON do you know did he talk

34
00:01:36,469 --> 00:01:33,990
about this at all with the you were with

35
00:01:37,100 --> 00:01:36,479
with MUFON no no I didn't hear about it

36
00:01:39,289 --> 00:01:37,110
there

37
00:01:40,700 --> 00:01:39,299
yeah I've talked to him a bit and

38
00:01:43,999 --> 00:01:40,710

they're still very tight-lipped about

39

00:01:46,490 --> 00:01:44,009

this material so hopefully we'll find

40

00:01:48,770 --> 00:01:46,500

out more according to Tom DeLonge on

41

00:01:50,510 --> 00:01:48,780

social media he says that they're going

42

00:01:52,910 --> 00:01:50,520

to be releasing some exciting news

43

00:01:55,340 --> 00:01:52,920

related to this project so I'm hoping

44

00:01:59,030 --> 00:01:55,350

that it has something to do with these

45

00:02:02,179 --> 00:01:59,040

materials but to be honest it's a

46

00:02:04,459 --> 00:02:02,189

concern for me I don't know I would be

47

00:02:07,449 --> 00:02:04,469

hesitant to submit anything to their

48

00:02:09,380 --> 00:02:07,459

project currently to be honest because

49

00:02:12,650 --> 00:02:09,390

they haven't released any information

50

00:02:13,500 --> 00:02:12,660

about the materials they have and they

51

00:02:15,690 --> 00:02:13,510

do say

52

00:02:16,559 --> 00:02:15,700

and I'm gonna look this up sorry see the

53

00:02:19,380 --> 00:02:16,569

top of my head

54

00:02:23,490 --> 00:02:19,390

that's natural hair there no hair loss

55

00:02:25,619 --> 00:02:23,500

which is nice but here's the phrase that

56

00:02:29,399 --> 00:02:25,629

I wanted to look up here they do say the

57

00:02:32,160 --> 00:02:29,409

TTS Academy allows also owns any

58

00:02:36,210 --> 00:02:32,170

analysis and media coverage of the

59

00:02:38,130 --> 00:02:36,220

material so that's one of the things

60

00:02:40,229 --> 00:02:38,140

that I would be curious about are they

61

00:02:43,410 --> 00:02:40,239

asking people to sign a nondisclosure if

62

00:02:45,180 --> 00:02:43,420

so you know what are their timelines are

63

00:02:47,069 --> 00:02:45,190

and their procedures around releasing

64

00:02:49,410 --> 00:02:47,079

information what if they don't release

65

00:02:51,630 --> 00:02:49,420

information when it came to Bigelow

66

00:02:55,050 --> 00:02:51,640

Bigelow really didn't release most much

67

00:02:57,599 --> 00:02:55,060

information about materials they looked

68

00:03:00,479 --> 00:02:57,609

at in the past few years I mean I would

69

00:03:02,990 --> 00:03:00,489

be worried about handing over you know

70

00:03:06,119 --> 00:03:03,000

complete control over communicating

71

00:03:07,860 --> 00:03:06,129

about your materials to the public and I

72

00:03:10,259 --> 00:03:07,870

don't think they should be asking that I

73

00:03:13,589 --> 00:03:10,269

think they need to modify and clarify a

74

00:03:15,449 --> 00:03:13,599

little bit there what they mean by that

75

00:03:17,879 --> 00:03:15,459

and and maybe even put in some steps

76

00:03:21,330 --> 00:03:17,889

here's what we would do if we found

77

00:03:23,220 --> 00:03:21,340

something you know we have you know an a

78

00:03:26,220 --> 00:03:23,230

commitment to sharing this information

79

00:03:27,690 --> 00:03:26,230

with the public so you know making sure

80

00:03:29,460 --> 00:03:27,700

they're they're saying they will share

81

00:03:31,740 --> 00:03:29,470

it because if they're just gonna hoard

82

00:03:34,520 --> 00:03:31,750

it and keep it to themselves like other

83

00:03:37,920 --> 00:03:34,530

scientific organizations for instance

84

00:03:41,099 --> 00:03:37,930

naik and not nightcap I can't remember

85

00:03:45,210 --> 00:03:41,109

the the one that another scientific

86

00:03:48,420 --> 00:03:45,220

organization that was looking at pilot

87

00:03:50,780 --> 00:03:48,430

cases they really yeah

88

00:03:53,009 --> 00:03:50,790

they really didn't have a commitment to

89

00:03:55,740 --> 00:03:53,019

releasing stuff to the public so they

90

00:03:58,470 --> 00:03:55,750

rarely did and in fact you know for

91

00:04:01,140 --> 00:03:58,480

years in fact their last report was

92

00:04:04,979 --> 00:04:01,150

maybe 10 15 years ago I don't think

93

00:04:09,030 --> 00:04:04,989

they're there I know Richard Haines the

94

00:04:10,949 --> 00:04:09,040

leap scientist retired and I think

95

00:04:13,619 --> 00:04:10,959

Tedrow runs it now and I'm not sure if

96

00:04:16,110 --> 00:04:13,629

they're still you know actively doing

97

00:04:19,710 --> 00:04:16,120

anything but that would be the concern

98

00:04:21,539 --> 00:04:19,720

often science types and I know this

99

00:04:24,810 --> 00:04:21,549

working with scientists and even working

100

00:04:26,420 --> 00:04:24,820

with scientists in this field are not as

101
00:04:28,939 --> 00:04:26,430
concerned of

102
00:04:31,520 --> 00:04:28,949
releasing information to the public and

103
00:04:34,430 --> 00:04:31,530
no doubt there are people concerned with

104
00:04:36,379 --> 00:04:34,440
you know to the stars not releasing very

105
00:04:38,270 --> 00:04:36,389
much information to the public in fact a

106
00:04:40,219 --> 00:04:38,280
lot of people and the UFO field are

107
00:04:42,350 --> 00:04:40,229
frustrated about that so I think that's

108
00:04:47,629 --> 00:04:42,360
an issue they're gonna need to address

109
00:04:49,400 --> 00:04:47,639
more thoroughly before even I would feel

110
00:04:51,560 --> 00:04:49,410
comfortable handing anything over to

111
00:04:53,570 --> 00:04:51,570
them not that I have anything but I do

112
00:04:58,400 --> 00:04:53,580
know of a couple people who have stuff

113
00:05:02,089 --> 00:04:58,410

that may be interesting so yeah do you

114

00:05:04,550 --> 00:05:02,099

have you you personally know some of the

115

00:05:07,969 --> 00:05:04,560

people there I'm wondering can you start

116

00:05:11,839 --> 00:05:07,979

that conversation well I'm going to

117

00:05:15,860 --> 00:05:11,849

attempt to um because as I write this

118

00:05:19,670 --> 00:05:15,870

story you know as a journalist and for

119

00:05:21,740 --> 00:05:19,680

those who aren't aware you know you when

120

00:05:25,999 --> 00:05:21,750

you write you need to be as unbiased as

121

00:05:30,230 --> 00:05:26,009

possible and as thorough as possible and

122

00:05:32,629 --> 00:05:30,240

bring up any you know issues and that's

123

00:05:38,950 --> 00:05:32,639

something that I always attempt to do

124

00:05:41,810 --> 00:05:38,960

and so this is an issue that I've raised

125

00:05:45,189 --> 00:05:41,820

but this is a problem and this kind of

126

00:05:48,529 --> 00:05:45,199

even speaks to that problem is even as

127

00:05:50,960 --> 00:05:48,539

you know someone who's close to a lot of

128

00:05:54,520 --> 00:05:50,970

those guys they don't have really a

129

00:05:57,890 --> 00:05:54,530

mechanism they don't have a PR person or

130

00:06:00,350 --> 00:05:57,900

someone directly to go to so it's

131

00:06:03,760 --> 00:06:00,360

difficult to get answers and I'm not

132

00:06:07,550 --> 00:06:03,770

even sure I make it a communication from

133

00:06:09,080 --> 00:06:07,560

someone off the record but as far as

134

00:06:11,659 --> 00:06:09,090

writing a story about this that doesn't

135

00:06:13,430 --> 00:06:11,669

help me and it doesn't help them because

136

00:06:15,950 --> 00:06:13,440

I've got to say at least for what

137

00:06:17,659 --> 00:06:15,960

knowledge I know publicly here are some

138

00:06:21,290 --> 00:06:17,669

concerns that I think need to be

139

00:06:23,749 --> 00:06:21,300

addressed and even if I know off the

140

00:06:25,790 --> 00:06:23,759

record you know there are assurances I

141

00:06:27,860 --> 00:06:25,800

think you know it's a it's a perfect

142

00:06:31,129 --> 00:06:27,870

example of where you know public

143

00:06:32,749 --> 00:06:31,139

relations is important because you need

144

00:06:34,969 --> 00:06:32,759

to say some of this stuff on the record

145

00:06:37,310 --> 00:06:34,979

at least in a way that gives some people

146

00:06:40,930 --> 00:06:37,320

assurances and

147

00:06:43,760 --> 00:06:40,940

you know you've also if you're if you're

148

00:06:46,010 --> 00:06:43,770

the UFO community are the people that

149

00:06:49,490 --> 00:06:46,020

would have this material who would know

150

00:06:52,100 --> 00:06:49,500

of this material to submit so I think if

151

00:06:55,490 --> 00:06:52,110

you're going to then you have to have

152

00:06:57,250 --> 00:06:55,500

some kind of address their concerns and

153

00:07:01,090 --> 00:06:57,260

I know certainly their concerns are

154

00:07:04,280 --> 00:07:01,100

about a lack of flow of information and

155

00:07:06,980 --> 00:07:04,290

and so that it's something that has to

156

00:07:09,710 --> 00:07:06,990

be addressed publicly and so hopefully

157

00:07:12,850 --> 00:07:09,720

that will happen they do have some more

158

00:07:16,190 --> 00:07:12,860

information coming out and I know that

159

00:07:18,140 --> 00:07:16,200

they and I know personally that they do

160

00:07:21,560 --> 00:07:18,150

have a lot of really cool things going

161

00:07:24,890 --> 00:07:21,570

on that we will find out about but that

162

00:07:27,080 --> 00:07:24,900

are also advancing the field so I know

163

00:07:30,680 --> 00:07:27,090

they're up to some very important work

164

00:07:31,850 --> 00:07:30,690

but you know if they really want to kind

165

00:07:35,200 --> 00:07:31,860

of grease the wheels and make all of

166

00:07:38,330 --> 00:07:35,210

this happen I think that a little bit of

167

00:07:40,280 --> 00:07:38,340

some some arm hugs to the community will

168

00:07:43,070 --> 00:07:40,290

work and doing things like going and

169

00:07:44,330 --> 00:07:43,080

talking to MUFON will help I guess my

170

00:07:47,630 --> 00:07:44,340

question to you would be what was the

171

00:07:50,740 --> 00:07:47,640

sense that you got how did people you

172

00:07:53,420 --> 00:07:50,750

know feel about elizondo's talk there

173

00:07:56,960 --> 00:07:53,430

you know some there were a few people

174

00:07:59,420 --> 00:07:56,970

that I talked to that you know felt like

175

00:08:01,610 --> 00:07:59,430

the whole thing was like groundbreaking

176

00:08:05,480 --> 00:08:01,620

and then there was a number of people

177

00:08:08,020 --> 00:08:05,490

that said there was no real reveal you

178

00:08:10,550 --> 00:08:08,030

know what I got out of the talk I

179

00:08:15,020 --> 00:08:10,560

believe the most of the thing that hit

180

00:08:17,540 --> 00:08:15,030

me is is if it's true then you know he

181

00:08:19,850 --> 00:08:17,550

said by next year at this time it's

182

00:08:21,830 --> 00:08:19,860

gonna be a whole different world that I

183

00:08:24,680 --> 00:08:21,840

don't know exactly what that insinuates

184

00:08:27,670 --> 00:08:24,690

but it sounded that they have some more

185

00:08:32,480 --> 00:08:27,680

things to reveal that are yeah you know

186

00:08:35,150 --> 00:08:32,490

and that's the thing go ahead know and I

187

00:08:39,980 --> 00:08:35,160

think you know transparency is going to

188

00:08:41,719 --> 00:08:39,990

be you know would be more you know it

189

00:08:44,450 --> 00:08:41,729

help them be more successful than you

190

00:08:44,810 --> 00:08:44,460

know being so holding it so tight to the

191

00:08:47,840 --> 00:08:44,820

vest

192

00:08:48,650 --> 00:08:47,850

you know so yeah I do I hope they do

193

00:08:51,980 --> 00:08:48,660

open

194

00:08:54,350 --> 00:08:51,990

a little bit and you know it's hard to

195

00:08:56,449 --> 00:08:54,360

translate statements like that to wood

196

00:08:58,400 --> 00:08:56,459

especially when and I think that that's

197

00:09:00,410 --> 00:08:58,410

part of some of the feedback I've heard

198

00:09:02,360 --> 00:09:00,420

which is unfortunate I think when it

199

00:09:04,189 --> 00:09:02,370

comes to this build is just that when

200

00:09:07,429 --> 00:09:04,199

someone says oh we're gonna have some

201
00:09:09,259 --> 00:09:07,439
really great information for you some

202
00:09:11,689 --> 00:09:09,269
people in this field could take that to

203
00:09:14,600 --> 00:09:11,699
mean oh we're finally gonna reveal that

204
00:09:16,670 --> 00:09:14,610
Roswell was you know a craft that is in

205
00:09:19,699 --> 00:09:16,680
Bigelow's hangar or something like this

206
00:09:24,740 --> 00:09:19,709
and that's really what some people are

207
00:09:26,150 --> 00:09:24,750
expecting to Elizondo in the group

208
00:09:28,040 --> 00:09:26,160
they're like what they couldn't imagine

209
00:09:28,610 --> 00:09:28,050
nobody's thinking that that that's wild

210
00:09:31,280 --> 00:09:28,620
that's crazy

211
00:09:34,280 --> 00:09:31,290
but no that's what people are thinking

212
00:09:37,509 --> 00:09:34,290
in this field where and so I think you

213
00:09:40,129 --> 00:09:37,519

when you say something amazing is coming

214

00:09:44,119 --> 00:09:40,139

you've got to kind of give it a little

215

00:09:47,840 --> 00:09:44,129

more context so that people don't set

216

00:09:51,019 --> 00:09:47,850

expectations that are you know just way

217

00:09:52,850 --> 00:09:51,029

way out of out of line and then are

218

00:09:55,009 --> 00:09:52,860

extremely disappointed when when

219

00:09:56,960 --> 00:09:55,019

something doesn't come I'm along the

220

00:09:59,870 --> 00:09:56,970

people the line of people who that's a

221

00:10:04,160 --> 00:09:59,880

historic event this is a guy MUFON has

222

00:10:05,929 --> 00:10:04,170

probably had and for decades they have

223

00:10:08,360 --> 00:10:05,939

not had someone part of an official

224

00:10:11,240 --> 00:10:08,370

government program especially a secret

225

00:10:12,889 --> 00:10:11,250

when come and talk to them never has

226

00:10:15,139 --> 00:10:12,899

that ever happened in the history of

227

00:10:20,829 --> 00:10:15,149

ufology or especially for a move on and

228

00:10:23,600 --> 00:10:20,839

so it definitely was a historic thing so

229

00:10:24,920 --> 00:10:23,610

the other issue with that perspective of

230

00:10:26,509 --> 00:10:24,930

you know things are going to be

231

00:10:29,960 --> 00:10:26,519

different in a year they're different

232

00:10:33,499 --> 00:10:29,970

right now right now this conversation is

233

00:10:36,439 --> 00:10:33,509

completely different when news outlets

234

00:10:38,629 --> 00:10:36,449

like the Washington Post and others are

235

00:10:41,199 --> 00:10:38,639

saying that you know UFOs are now as

236

00:10:45,259 --> 00:10:41,209

serious credible topic that is

237

00:10:47,629 --> 00:10:45,269

completely different than November then

238

00:10:49,699 --> 00:10:47,639

just before the New York Times article

239

00:10:52,280 --> 00:10:49,709
came out so things are already

240

00:10:54,230 --> 00:10:52,290
completely different you know how much

241

00:10:55,160 --> 00:10:54,240
more different than they get yeah along

242

00:10:59,629 --> 00:10:55,170
those lines

243

00:11:01,579 --> 00:10:59,639
Calvin Parker's a Pascagoula story is

244

00:11:02,569 --> 00:11:01,589
actually getting a lot of press because

245

00:11:04,489 --> 00:11:02,579
people are

246

00:11:06,559 --> 00:11:04,499
my third starting to take these things

247

00:11:08,960 --> 00:11:06,569
serious and now there you know there's

248

00:11:10,429 --> 00:11:08,970
an eye on it right now and he's had I'm

249

00:11:12,169 --> 00:11:10,439
gonna talk to him but I know he's had at

250

00:11:14,350 --> 00:11:12,179
least two or three television

251
00:11:17,179 --> 00:11:14,360
appearances since his book was released

252
00:11:19,369 --> 00:11:17,189
so yeah it's exciting you know I know

253
00:11:21,590 --> 00:11:19,379
that the Wendell Stevens book was

254
00:11:24,559 --> 00:11:21,600
reprinted by Philip mantel and then I

255
00:11:27,109 --> 00:11:24,569
know Philip worked to get this new book

256
00:11:29,329 --> 00:11:27,119
with Kelvin to get this new book out and

257
00:11:31,549 --> 00:11:29,339
it is extremely exciting because this is

258
00:11:33,889 --> 00:11:31,559
a great case and you're right this is a

259
00:11:37,069 --> 00:11:33,899
great example because there's been a lot

260
00:11:39,889 --> 00:11:37,079
of serious press about this case and

261
00:11:42,470 --> 00:11:39,899
it's been great to see and that wouldn't

262
00:11:46,069 --> 00:11:42,480
be the case if we weren't in a different

263
00:11:48,799 --> 00:11:46,079

world regarding this topic right now so

264

00:11:51,439 --> 00:11:48,809

when you say something like oh it's

265

00:11:53,869 --> 00:11:51,449

gonna be a different year in a in a year

266

00:11:55,850 --> 00:11:53,879

it's like what does that mean it's

267

00:11:57,859 --> 00:11:55,860

already completely different yeah are we

268

00:12:02,150 --> 00:11:57,869

gonna be jumping around with aliens I

269

00:12:07,549 --> 00:12:02,160

mean in this you know some context would

270

00:12:11,239 --> 00:12:07,559

help and I definitely am sharing that

271

00:12:13,489 --> 00:12:11,249

feedback great okay hey well we've been

272

00:12:16,549 --> 00:12:13,499

a little bit long and so thanks so much

273

00:12:19,220 --> 00:12:16,559

Alejandro and we'll we'll talk to you

274

00:12:21,409 --> 00:12:19,230

next week right thank you and yeah look

275

00:12:23,659 --> 00:12:21,419

for my story on this it open minds TV

276

00:12:25,759 --> 00:12:23,669

and right then the next day or two

277

00:12:28,609 --> 00:12:25,769

excellent all right hey thanks a lot

278

00:12:31,840 --> 00:12:28,619

thank you oh yeah talk to you soon

279

00:12:36,289 --> 00:12:31,850

all right everyone so now to our guests

280

00:12:41,119 --> 00:12:36,299

we have Calvin Parker and again like I

281

00:12:42,650 --> 00:12:41,129

mentioned he was actually on I can't

282

00:12:44,840 --> 00:12:42,660

remember the date he was on but anyway

283

00:12:47,090 --> 00:12:44,850

he's a fine gentleman I'm really looking

284

00:12:50,269 --> 00:12:47,100

forward to talking to them and Calvin

285

00:12:53,689 --> 00:12:50,279

welcome to the show well thank you good

286

00:12:55,489 --> 00:12:53,699

to be back yeah now you up it's great I

287

00:12:56,600 --> 00:12:55,499

have you on video and everything this is

288

00:13:00,979 --> 00:12:56,610

this is really great

289

00:13:03,289 --> 00:13:00,989

so hey Calvin you lot just to let the

290

00:13:06,379 --> 00:13:03,299

audience know you you're having major

291

00:13:08,539 --> 00:13:06,389

thunderstorms down there and you lost

292

00:13:09,619 --> 00:13:08,549

electricity just before we went on the

293

00:13:13,460 --> 00:13:09,629

air and hopefully that won't happen

294

00:13:15,590 --> 00:13:13,470

again right now we got a date I did and

295

00:13:16,070 --> 00:13:15,600

they kind of passed by a little bit now

296

00:13:18,650 --> 00:13:16,080

but

297

00:13:21,770 --> 00:13:18,660

calming go down here in the south that's

298

00:13:24,050 --> 00:13:21,780

right Calvin this is really great having

299

00:13:27,740 --> 00:13:24,060

you on and and it's a totally my

300

00:13:29,630 --> 00:13:27,750

pleasure can you can you kind of give an

301
00:13:32,390 --> 00:13:29,640
overall we have to go to break in about

302
00:13:34,100 --> 00:13:32,400
six minutes but I'd like for the person

303
00:13:38,030 --> 00:13:34,110
that's never heard anything about the

304
00:13:39,770 --> 00:13:38,040
Pascagoula abduction incident to just

305
00:13:43,550 --> 00:13:39,780
tell the story if you think you can

306
00:13:47,090 --> 00:13:43,560
within six minutes or so okay

307
00:13:50,840 --> 00:13:47,100
well this happened October 11th of 1973

308
00:13:53,210 --> 00:13:50,850
a friend of mine Charles Hickson and I

309
00:13:56,750 --> 00:13:53,220
had got off work at the shipyard who we

310
00:13:59,840 --> 00:13:56,760
was working and decided to go fishing we

311
00:14:02,540 --> 00:13:59,850
went to there was two locations was

312
00:14:04,580 --> 00:14:02,550
going to that the first one was the

313
00:14:07,850 --> 00:14:04,590

grain elevator and then oh shall Peter

314

00:14:10,400 --> 00:14:07,860

shipyard so when we got to the shipyard

315

00:14:13,550 --> 00:14:10,410

we had to walk through a bunch of debris

316

00:14:17,420 --> 00:14:13,560

and mess it was just a mess getting down

317

00:14:20,390 --> 00:14:17,430

to where we was gonna fish so long we

318

00:14:22,220 --> 00:14:20,400

finally struggled and got down started

319

00:14:25,940 --> 00:14:22,230

doing her fish and sitting and we mostly

320

00:14:28,730 --> 00:14:25,950

just relaxed and and I've seen some

321

00:14:31,460 --> 00:14:28,740

lines out across the water but they was

322

00:14:35,450 --> 00:14:31,470

coming from behind us it was blue lights

323

00:14:37,520 --> 00:14:35,460

just like the patrol cars used here so I

324

00:14:39,440 --> 00:14:37,530

told Charlie I said you know we parked

325

00:14:41,630 --> 00:14:39,450

up on private property they're gonna

326

00:14:44,720 --> 00:14:41,640

make us move even though it's a damn

327

00:14:46,880 --> 00:14:44,730

mess ordering mess they gonna make us

328

00:14:50,480 --> 00:14:46,890

move move a car we have to walk back

329

00:14:53,960 --> 00:14:50,490

through this stuff so he stood up and I

330

00:14:56,360 --> 00:14:53,970

stood up and turn around and look and it

331

00:14:58,730 --> 00:14:56,370

was more than blue lights there but that

332

00:15:00,350 --> 00:14:58,740

time Charlie stood up and one of the

333

00:15:05,300 --> 00:15:00,360

brightest lights I believe I've ever

334

00:15:08,900 --> 00:15:05,310

seen coming from a combined area it just

335

00:15:12,500 --> 00:15:08,910

appeared it was so it's hard to describe

336

00:15:14,720 --> 00:15:12,510

like a welder welding and that was the

337

00:15:17,390 --> 00:15:14,730

door on the craft I assume that was the

338

00:15:20,120 --> 00:15:17,400

door opening up and the lies from inside

339

00:15:22,910 --> 00:15:20,130

the craft just opened up well when it

340

00:15:26,420 --> 00:15:22,920

opened up there was three creatures or I

341

00:15:28,670 --> 00:15:26,430

call them creatures floated out they

342

00:15:29,860 --> 00:15:28,680

didn't touch the ground they didn't seem

343

00:15:31,840 --> 00:15:29,870

to walk or anything

344

00:15:34,360 --> 00:15:31,850

they floated a hovered about two foot

345

00:15:36,400 --> 00:15:34,370

off the ground two of them got ahold of

346

00:15:39,010 --> 00:15:36,410

Charlie one of them got ahold of me and

347

00:15:42,280 --> 00:15:39,020

immediately when they got ahold of me I

348

00:15:44,350 --> 00:15:42,290

felt relaxed because I feel like they

349

00:15:46,810 --> 00:15:44,360

gave me some kind of injection to relax

350

00:15:48,820 --> 00:15:46,820

me because before that before they got

351
00:15:50,519 --> 00:15:48,830
there I know I was trying to find a

352
00:15:53,019 --> 00:15:50,529
place to get out of there I was gonna

353
00:15:55,060 --> 00:15:53,029
run somewhere but it was nowhere to run

354
00:15:58,990 --> 00:15:55,070
I had water in the front water on the

355
00:16:01,090 --> 00:15:59,000
side and big spacecraft in the bag so we

356
00:16:03,850 --> 00:16:01,100
was kind of here but just one you know

357
00:16:07,030 --> 00:16:03,860
the spacecraft it didn't it wasn't over

358
00:16:09,430 --> 00:16:07,040
the water was behind you yes sir

359
00:16:11,410 --> 00:16:09,440
I see it was just blocked off from going

360
00:16:14,440 --> 00:16:11,420
anywhere really well it was blocked off

361
00:16:17,380 --> 00:16:14,450
it was probably 300 foot back a length

362
00:16:19,600 --> 00:16:17,390
of a football field behind us and it was

363
00:16:22,630 --> 00:16:19,610

a lot of trash and debris and marsh

364

00:16:24,579 --> 00:16:22,640

grass I don't know of anybody can relate

365

00:16:27,880 --> 00:16:24,589

to the marsh grass without being down

366

00:16:29,680 --> 00:16:27,890

here so we was blocked that was water on

367

00:16:32,860 --> 00:16:29,690

both side and it was junk in the water

368

00:16:34,630 --> 00:16:32,870

on the left and oh ship yard junk and

369

00:16:37,900 --> 00:16:34,640

the water on the right and a river in

370

00:16:41,829 --> 00:16:37,910

the front of us so well

371

00:16:44,160 --> 00:16:41,839

yeah it was nowhere to go but once once

372

00:16:47,290 --> 00:16:44,170

they got ahold of my arm

373

00:16:50,400 --> 00:16:47,300

it just relaxed me I feel like they gave

374

00:16:52,660 --> 00:16:50,410

me an injection and later in the

375

00:16:54,810 --> 00:16:52,670

physical that they gave us at the

376

00:17:00,070 --> 00:16:54,820

hospital

377

00:17:02,829 --> 00:17:00,080

they found a puncher markoma on but uh I

378

00:17:04,750 --> 00:17:02,839

don't know if they they did blood work

379

00:17:08,189 --> 00:17:04,760

you know but I don't know whatever come

380

00:17:12,220 --> 00:17:08,199

of that they never say it really well so

381

00:17:14,620 --> 00:17:12,230

anyhow this one got ahold of me and it I

382

00:17:17,260 --> 00:17:14,630

couldn't see Charlie no more after that

383

00:17:19,929 --> 00:17:17,270

because it grabbed me and kind of forced

384

00:17:22,960 --> 00:17:19,939

me when it touched me I just more or

385

00:17:25,480 --> 00:17:22,970

less floated up to the elevation it was

386

00:17:29,169 --> 00:17:25,490

about two foot off the ground and we

387

00:17:31,060 --> 00:17:29,179

glided into the craft and again I was

388

00:17:32,770 --> 00:17:31,070

hunting lights or something I couldn't

389

00:17:35,230 --> 00:17:32,780

turn my head but I was looking in the

390

00:17:37,299 --> 00:17:35,240

craft you couldn't see no light bulbs in

391

00:17:40,930 --> 00:17:37,309

there the light was just coming out of

392

00:17:42,820 --> 00:17:40,940

the wall you know I don't know why the

393

00:17:43,720 --> 00:17:42,830

lights had to be that bright but they

394

00:17:47,080 --> 00:17:43,730

were

395

00:17:49,330 --> 00:17:47,090

so when they took us aboard the craft we

396

00:17:55,210 --> 00:17:49,340

made kind of a left turn and then like a

397

00:17:57,700 --> 00:17:55,220

right turn and this one being or

398

00:18:02,200 --> 00:17:57,710

creature or soldier and I call him or

399

00:18:03,789 --> 00:18:02,210

Lester soldier took me in and prop me on

400

00:18:06,070 --> 00:18:03,799

what I thought was a table but I

401
00:18:10,870 --> 00:18:06,080
couldn't feel one under me and I was at

402
00:18:12,549 --> 00:18:10,880
about a 45-degree angle so while I was

403
00:18:14,620 --> 00:18:12,559
at this angle there's something that

404
00:18:18,820 --> 00:18:14,630
come out of the wall about the size of a

405
00:18:21,850 --> 00:18:18,830
deck of cards and it had a silver top

406
00:18:24,370 --> 00:18:21,860
looking in a blue bottom and then just

407
00:18:27,210 --> 00:18:24,380
got to my head that circled around my

408
00:18:30,250 --> 00:18:27,220
head and every time it would get to

409
00:18:32,980 --> 00:18:30,260
about a quarter of way it would click it

410
00:18:36,190 --> 00:18:32,990
clicked four times and then it just went

411
00:18:38,529 --> 00:18:36,200
right back up into the wall and then the

412
00:18:40,870 --> 00:18:38,539
old big ugly creature just got up and

413
00:18:43,029 --> 00:18:40,880

left I mean he went out the door he came

414

00:18:46,500 --> 00:18:43,039

in we have I don't know where he went

415

00:18:49,330 --> 00:18:46,510

and this more feminine-looking no

416

00:18:51,009 --> 00:18:49,340

creature I called it a woman but I'm not

417

00:18:54,850 --> 00:18:51,019

for sure if it's a woman or a man or

418

00:18:56,560 --> 00:18:54,860

what hey it was just smaller and I was

419

00:19:00,730 --> 00:18:56,570

thinking to myself you know I ought to

420

00:19:02,860 --> 00:19:00,740

be able to take this one and get out of

421

00:19:05,799 --> 00:19:02,870

here because I was ready to go but I

422

00:19:10,269 --> 00:19:05,809

couldn't move I mean she was or it was

423

00:19:15,190 --> 00:19:10,279

completely safe because come over to me

424

00:19:16,960 --> 00:19:15,200

it took took her fingers and probe

425

00:19:20,019 --> 00:19:16,970

ground on my face and all a little bit

426
00:19:23,529 --> 00:19:20,029
and move my skin looked at my eyeballs

427
00:19:25,539 --> 00:19:23,539
and things you know kind of similar like

428
00:19:29,889 --> 00:19:25,549
that more or less like a physical exam

429
00:19:31,960 --> 00:19:29,899
and then she just went back and I

430
00:19:34,690 --> 00:19:31,970
couldn't really see if she went in the

431
00:19:36,730 --> 00:19:34,700
door or what happened and more or less

432
00:19:38,700 --> 00:19:36,740
disappeared and that's when the other

433
00:19:41,730 --> 00:19:38,710
one came back in the same direction

434
00:19:44,680 --> 00:19:41,740
grabbed me by the arm again the same arm

435
00:19:46,480 --> 00:19:44,690
lifted me and floated me out the door

436
00:19:49,659 --> 00:19:46,490
and took me to the river and set me down

437
00:19:51,220 --> 00:19:49,669
and I was facing the river and my arms

438
00:19:54,399 --> 00:19:51,230

were stretched out and I couldn't move

439

00:19:57,070 --> 00:19:54,409

and I heard Charlie son son you okay

440

00:20:00,130 --> 00:19:57,080

and I want to said in harm

441

00:20:01,300 --> 00:20:00,140

okay you know but I'm okay all right

442

00:20:03,700 --> 00:20:01,310

well I'm sorry we're gonna have to go to

443

00:20:07,330 --> 00:20:03,710

break so we'll just leave it right there

444

00:20:10,930 --> 00:20:07,340

we'll pick it right back we're where we

445

00:20:13,840 --> 00:20:10,940

left off after the break so everyone

446

00:20:16,750 --> 00:20:13,850

thanks so much you're listening to kgr a

447

00:20:18,160 --> 00:20:16,760

radio and my guest is Calvin Parker and

448

00:20:23,020 --> 00:20:18,170

we'll be right back after this

449

00:20:24,760 --> 00:20:23,030

commercial break stay with us clear all

450

00:20:28,180 --> 00:20:24,770

right how much time we have bill three

451
00:20:32,530 --> 00:20:28,190
minutes three minutes yes okay excellent

452
00:20:33,820 --> 00:20:32,540
so so Calvin at this point we'll just

453
00:20:39,040 --> 00:20:33,830
talk about something else we'll pick up

454
00:20:41,290 --> 00:20:39,050
the story as I mentioned everywhere so I

455
00:20:46,780 --> 00:20:41,300
guess during the break here I'm just

456
00:20:48,130 --> 00:20:46,790
gonna ask you how did this well this

457
00:20:51,730 --> 00:20:48,140
could be part of the show too but how

458
00:20:53,440 --> 00:20:51,740
did the the media treat you right away

459
00:20:54,870 --> 00:20:53,450
we didn't this go like haywire right

460
00:20:58,450 --> 00:20:54,880
away

461
00:21:02,830 --> 00:20:58,460
indeed the next morning oh they just

462
00:21:04,660 --> 00:21:02,840
went crazy and I just shied away because

463
00:21:06,580 --> 00:21:04,670

I didn't want I didn't want nobody to

464

00:21:09,130 --> 00:21:06,590

know you know I told Charlie let's not

465

00:21:10,570 --> 00:21:09,140

tell nobody and I don't know if Charlie

466

00:21:13,960 --> 00:21:10,580

told them or maybe the Sheriff's

467

00:21:16,360 --> 00:21:13,970

Department did or maybe they picked it

468

00:21:18,640 --> 00:21:16,370

up on scanners they were you know back

469

00:21:20,560 --> 00:21:18,650

then scanners it's real popular oh yeah

470

00:21:24,580 --> 00:21:20,570

and I buddy was scandal Sheriff

471

00:21:27,250 --> 00:21:24,590

Department but um anyhow they found out

472

00:21:28,380 --> 00:21:27,260

and they went just absolutely crazy and

473

00:21:30,940 --> 00:21:28,390

I didn't want a part of that

474

00:21:32,740 --> 00:21:30,950

well could you actually hide from the

475

00:21:35,380 --> 00:21:32,750

press of as much as you could

476

00:21:38,500 --> 00:21:35,390

I did but they'd hunt me down like a

477

00:21:40,510 --> 00:21:38,510

hound dog and I've had them come up

478

00:21:44,110 --> 00:21:40,520

where I was working and won't interview

479

00:21:48,090 --> 00:21:44,120

you know and that is something I didn't

480

00:21:51,280 --> 00:21:48,100

want out well one thing I was into him

481

00:21:54,100 --> 00:21:51,290

engaged to get married that November and

482

00:21:56,260 --> 00:21:54,110

this was October and I really didn't

483

00:21:58,060 --> 00:21:56,270

want her family to find out about this

484

00:22:01,090 --> 00:21:58,070

because that would have knocked that in

485

00:22:03,790 --> 00:22:01,100

the head I thought well and and how did

486

00:22:06,700 --> 00:22:03,800

that did she did her family actually

487

00:22:10,020 --> 00:22:06,710

find out about it and how did it go they

488

00:22:15,250 --> 00:22:10,030

knew about it before I got back home

489

00:22:18,280 --> 00:22:15,260

so that's how fast news travels well and

490

00:22:20,710 --> 00:22:18,290

did you get weary but all I did November

491

00:22:24,400 --> 00:22:20,720

tonight yeah I'm married been happily

492

00:22:27,790 --> 00:22:24,410

married ever since Oh awesome yeah well

493

00:22:29,970 --> 00:22:27,800

and so this whole thing we have about a

494

00:22:33,810 --> 00:22:29,980

minute and a half or so this whole thing

495

00:22:35,920 --> 00:22:33,820

you know people don't understand that

496

00:22:39,310 --> 00:22:35,930

how much something like this can change

497

00:22:41,320 --> 00:22:39,320

your life but really has changed your

498

00:22:44,860 --> 00:22:41,330

life in a whole bunch of different ways

499

00:22:49,210 --> 00:22:44,870

I've got it has I made in a number of

500

00:22:52,090 --> 00:22:49,220

ways and the one reason I went public

501
00:22:54,520 --> 00:22:52,100
with it because of the prayers you know

502
00:22:56,230 --> 00:22:54,530
I got tired of the prayers you tell them

503
00:22:58,090 --> 00:22:56,240
something that changed everything you

504
00:23:00,460 --> 00:22:58,100
say it so it didn't you know to tell

505
00:23:02,320 --> 00:23:00,470
them anything so I decided you know the

506
00:23:04,420 --> 00:23:02,330
heavily but I just write a book or

507
00:23:06,100 --> 00:23:04,430
Phillips really the one that convinced

508
00:23:08,350 --> 00:23:06,110
me that's the way to do it

509
00:23:10,060 --> 00:23:08,360
so I wrote a book and it's documented

510
00:23:12,370 --> 00:23:10,070
it's in there somebody won't read it

511
00:23:15,850 --> 00:23:12,380
good they don't that's good too yeah

512
00:23:18,370 --> 00:23:15,860
yeah excellent so bill we about ready to

513
00:23:20,350 --> 00:23:18,380

go on and a s in about 20 seconds we'll

514

00:23:22,920 --> 00:23:20,360

be coming back okay sounds good

515

00:23:24,790 --> 00:23:22,930

great show gentlemen oh thank you oh

516

00:23:30,220 --> 00:23:24,800

thanks

517

00:23:33,010 --> 00:23:30,230

so alright so we left off I was put out

518

00:23:35,260 --> 00:23:33,020

toward a river okay we have that

519

00:23:38,080 --> 00:23:35,270

question in chat - yes you head out to

520

00:23:42,790 --> 00:23:38,090

the river okay we're ready bill in three

521

00:23:44,470 --> 00:23:42,800

two one go welcome back to podcast UFO

522

00:23:46,540 --> 00:23:44,480

I'm Martin Willis and my guest this

523

00:23:48,610 --> 00:23:46,550

evening is the one and only Calvin

524

00:23:51,370 --> 00:23:48,620

Parker of the count of the Pascagoula

525

00:23:54,670 --> 00:23:51,380

incident abduction incident we were

526

00:23:56,500 --> 00:23:54,680

talking about you were left off at the

527

00:23:58,350 --> 00:23:56,510

dock we have a question that came in our

528

00:24:01,900 --> 00:23:58,360

chat will ask that in a minute so

529

00:24:04,260 --> 00:24:01,910

continue if you would Calvin what what

530

00:24:08,200 --> 00:24:04,270

were the events that happened did the

531

00:24:11,590 --> 00:24:08,210

ship take off did you see did you get

532

00:24:14,140 --> 00:24:11,600

all of your your your body functions at

533

00:24:17,410 --> 00:24:14,150

that point and all that yeah when I

534

00:24:18,970 --> 00:24:17,420

heard Charlie calling my name I was kind

535

00:24:22,270 --> 00:24:18,980

of snapped out of it come out of the

536

00:24:23,080 --> 00:24:22,280

days there and at that time when we

537

00:24:25,900 --> 00:24:23,090

turned around

538

00:24:28,210 --> 00:24:25,910

both of us turn around to look to see

539

00:24:29,920 --> 00:24:28,220

what was going on and this thing just

540

00:24:31,540 --> 00:24:29,930

picked straight up in there didn't make

541

00:24:32,710 --> 00:24:31,550

a whole lot of no it's just kind of a

542

00:24:34,780 --> 00:24:32,720

noise

543

00:24:38,530 --> 00:24:34,790

it picks straight up in there and

544

00:24:42,100 --> 00:24:38,540

disappeared I mean like lightning so

545

00:24:45,010 --> 00:24:42,110

like shot off you mean good day well it

546

00:24:47,020 --> 00:24:45,020

is shot off but it disappeared to when

547

00:24:50,980 --> 00:24:47,030

it shot off I mean it was speed a lot

548

00:24:54,400 --> 00:24:50,990

when it left there but we need yeah we

549

00:24:57,310 --> 00:24:54,410

sat down and Charlie said whistle and

550

00:24:59,350 --> 00:24:57,320

talk about this for a minute so we had a

551
00:25:02,020 --> 00:24:59,360
log pulled up our we were setting on to

552
00:25:03,910 --> 00:25:02,030
start with we sat down and believe me it

553
00:25:04,420 --> 00:25:03,920
was hard to stay there after that for a

554
00:25:08,110 --> 00:25:04,430
minute

555
00:25:10,030 --> 00:25:08,120
but on I said Charlie look let's not

556
00:25:12,130 --> 00:25:10,040
tell nobody all I agree with you we

557
00:25:14,800 --> 00:25:12,140
don't need to tell nobody we need to

558
00:25:21,970 --> 00:25:14,810
keep this under a hat okay so we agreed

559
00:25:27,790 --> 00:25:21,980
to keep it quiet so about all about that

560
00:25:31,360 --> 00:25:27,800
time oh well well I'm coming along we

561
00:25:33,790 --> 00:25:31,370
agreed to keep it quiet right then so we

562
00:25:36,220 --> 00:25:33,800
got up and we started walking back to

563
00:25:38,770 --> 00:25:36,230

the car it was kind of a forceful walk

564

00:25:39,190 --> 00:25:38,780

because of the underbrush and the trash

565

00:25:41,920 --> 00:25:39,200

you know

566

00:25:43,810 --> 00:25:41,930

and while the trash was there that's

567

00:25:46,360 --> 00:25:43,820

where the floods it brought in the trash

568

00:25:49,210 --> 00:25:46,370

and the water went out and he just left

569

00:25:53,860 --> 00:25:49,220

it there so when we got back to the car

570

00:25:56,770 --> 00:25:53,870

I was had a brand-new 1973 Rambler

571

00:26:01,270 --> 00:25:56,780

Hornet oh yeah and I remember Charlie

572

00:26:03,430 --> 00:26:01,280

yeah a good little car yeah here yeah

573

00:26:05,170 --> 00:26:03,440

Holly went over on his side uh-huh and

574

00:26:07,900 --> 00:26:05,180

the window was shattered but it was

575

00:26:09,460 --> 00:26:07,910

still in place and I went to my side and

576

00:26:13,810 --> 00:26:09,470

when he went to open the door the window

577

00:26:15,910 --> 00:26:13,820

just fell out and I was unusual because

578

00:26:18,730 --> 00:26:15,920

the safety glass and I figured it would

579

00:26:20,380 --> 00:26:18,740

stay hmm then we got in the car and I

580

00:26:23,170 --> 00:26:20,390

tried to crank it and there was a lot of

581

00:26:28,210 --> 00:26:23,180

trouble to crank I finally eventually

582

00:26:32,320 --> 00:26:28,220

got it running so long we would went to

583

00:26:33,910 --> 00:26:32,330

drive off and there was a [h__h] Moore

584

00:26:34,870 --> 00:26:33,920

store down the road or a little curb

585

00:26:36,730 --> 00:26:34,880

store and

586

00:26:38,110 --> 00:26:36,740

Charlie still we need to tell somebody

587

00:26:38,800 --> 00:26:38,120

else and now we don't need to tell

588

00:26:41,710 --> 00:26:38,810

nobody

589

00:26:44,380 --> 00:26:41,720

let's go home go to bed get up and go to

590

00:26:47,020 --> 00:26:44,390

work he said no we got to tell somebody

591

00:26:49,870 --> 00:26:47,030

so I pulled into this magic mark store

592

00:26:52,060 --> 00:26:49,880

to make a long story short he pitched at

593

00:26:53,350 --> 00:26:52,070

the pound he called kishore he felt like

594

00:26:55,780 --> 00:26:53,360

that was the one that made you know

595

00:26:58,690 --> 00:26:55,790

that's a local Air Force Base in Biloxi

596

00:27:01,210 --> 00:26:58,700

and they just kind of blew him off and

597

00:27:04,240 --> 00:27:01,220

said we don't investigate UFOs anymore

598

00:27:07,330 --> 00:27:04,250

we closed that program you need to call

599

00:27:09,310 --> 00:27:07,340

the local authorities Charlie said okay

600

00:27:11,920 --> 00:27:09,320

so Charlie dropped another dime and

601
00:27:13,330 --> 00:27:11,930
called the Sheriff Department well while

602
00:27:15,700 --> 00:27:13,340
he was on the phone with the Sheriff's

603
00:27:18,610 --> 00:27:15,710
Department they totally well we're going

604
00:27:19,750 --> 00:27:18,620
to come over there y'all don't move stay

605
00:27:21,880 --> 00:27:19,760
right where you are

606
00:27:25,480 --> 00:27:21,890
so in about ten minutes they had a

607
00:27:27,790 --> 00:27:25,490
patrol car pulled up one of the deputies

608
00:27:30,160 --> 00:27:27,800
got out and looked inside the car just

609
00:27:33,370 --> 00:27:30,170
through the window told me to step out

610
00:27:36,160 --> 00:27:33,380
Oh Charlie step out did a sobriety test

611
00:27:39,640 --> 00:27:36,170
to see if we had been drinking or was a

612
00:27:41,380 --> 00:27:39,650
nipper ready and then he told us that

613
00:27:42,760 --> 00:27:41,390

we're getting a car you can follow us

614

00:27:45,640 --> 00:27:42,770

back to the sheriff's department

615

00:27:47,080 --> 00:27:45,650

somebody said that we was drinking but

616

00:27:49,690 --> 00:27:47,090

if we'd been drinking we never would

617

00:27:53,740 --> 00:27:49,700

have left a curb store in our car we'd

618

00:27:55,030 --> 00:27:53,750

been in the back of those right so on

619

00:27:59,230 --> 00:27:55,040

the way to the Sheriff Department

620

00:28:01,180 --> 00:27:59,240

Charlie young he did have a bottle in

621

00:28:02,890 --> 00:28:01,190

the car I didn't know we had it in there

622

00:28:04,990 --> 00:28:02,900

but there was a bottle of Jim Beam in

623

00:28:07,890 --> 00:28:05,000

there and he said I gotta have a drink

624

00:28:10,840 --> 00:28:07,900

he said you won't want I said Lord no

625

00:28:16,180 --> 00:28:10,850

I'm going to jail like it is it looks

626

00:28:18,400 --> 00:28:16,190

like so we drove on and deal with the

627

00:28:21,160 --> 00:28:18,410

Mississippi press coming well wonder we

628

00:28:23,350 --> 00:28:21,170

stopped there well in small towns you

629

00:28:26,140 --> 00:28:23,360

don't have nothing open neither one of

630

00:28:28,330 --> 00:28:26,150

us had a watch to tell the time so

631

00:28:30,250 --> 00:28:28,340

Charlie said pulling down I'm gonna walk

632

00:28:32,050 --> 00:28:30,260

in look at the clock see what time it is

633

00:28:34,240 --> 00:28:32,060

I said well would be over here shoved

634

00:28:38,440 --> 00:28:34,250

apart and then too many let's just wait

635

00:28:40,210 --> 00:28:38,450

so he went in say I stopped he jumped up

636

00:28:42,430 --> 00:28:40,220

running inside and looked and he wasn't

637

00:28:43,840 --> 00:28:42,440

in there but a second come back out and

638

00:28:46,390 --> 00:28:43,850

he said they don't have a clock and I

639

00:28:48,370 --> 00:28:46,400

don't have no idea what time it is so

640

00:28:51,570 --> 00:28:48,380

Willis country Sheriff Department you

641

00:28:53,890 --> 00:28:51,580

so when we got to the Sheriff Department

642

00:28:55,870 --> 00:28:53,900

they put us in separate rooms and

643

00:28:58,690 --> 00:28:55,880

started interrogating us and I mean a

644

00:29:01,090 --> 00:28:58,700

good interrogation - and then they all

645

00:29:02,049 --> 00:29:01,100

put us together and put us in the same

646

00:29:03,880 --> 00:29:02,059

room together

647

00:29:08,860 --> 00:29:03,890

the little did we know there was a tape

648

00:29:10,990 --> 00:29:08,870

recorder in this room so they was taping

649

00:29:12,610 --> 00:29:11,000

all of her conversation we didn't know

650

00:29:17,430 --> 00:29:12,620

about this tape recorder I didn't know

651
00:29:23,169 --> 00:29:20,649
finally the sheriff coming in the Fred

652
00:29:25,419 --> 00:29:23,179
diamond he was the sheriff then he said

653
00:29:30,760 --> 00:29:25,429
well look y'all boys okay y'all go on

654
00:29:32,680 --> 00:29:30,770
home and I said no mr. diamond sheriff

655
00:29:34,270 --> 00:29:32,690
we don't want nobody to know about this

656
00:29:37,169 --> 00:29:34,280
we ain't gonna tell nobody that's not

657
00:29:40,240 --> 00:29:37,179
our job to tell people I said we're good

658
00:29:43,899 --> 00:29:40,250
so Charlie and I got in there and on the

659
00:29:45,730 --> 00:29:43,909
way home we stopped my little bar or it

660
00:29:47,529 --> 00:29:45,740
wasn't a bar it was really a place to

661
00:29:50,500 --> 00:29:47,539
eat I said let's let's pull in here I

662
00:29:53,020 --> 00:29:50,510
got to get something so we pulled in the

663
00:29:55,180 --> 00:29:53,030

little tiki bar over there and I got a

664

00:29:57,669 --> 00:29:55,190

miller pony that was real popular back

665

00:30:00,310 --> 00:29:57,679

in just one and I couldn't even drink

666

00:30:02,649 --> 00:30:00,320

the whole thing I just slugged it up and

667

00:30:04,180 --> 00:30:02,659

took a little swallow went back out we

668

00:30:09,370 --> 00:30:04,190

laughs got in the car and went to the

669

00:30:12,760 --> 00:30:09,380

house and I was worried about having

670

00:30:15,549 --> 00:30:12,770

bacteria and radiation and exposing

671

00:30:17,740 --> 00:30:15,559

somebody at the time and I was really

672

00:30:19,419 --> 00:30:17,750

concerned about that because you know

673

00:30:22,180 --> 00:30:19,429

nobody even thought about checking us

674

00:30:24,580 --> 00:30:22,190

forth in Soto Charlie I said look we

675

00:30:27,640 --> 00:30:24,590

better get checked out what do we got

676

00:30:30,370 --> 00:30:27,650

some kind of bacteria you know they the

677

00:30:34,539 --> 00:30:30,380

space people or the astronauts when they

678

00:30:37,480 --> 00:30:34,549

come back they all combine them for a

679

00:30:40,840 --> 00:30:37,490

little while and we got radiation that

680

00:30:42,010 --> 00:30:40,850

you don't get rid of that so well we'll

681

00:30:44,440 --> 00:30:42,020

worry about that later

682

00:30:46,990 --> 00:30:44,450

Oh what to get it checked out in the

683

00:30:49,360 --> 00:30:47,000

morning but I was thinking it's too late

684

00:30:51,730 --> 00:30:49,370

in the morning so when we got to the

685

00:30:55,000 --> 00:30:51,740

house to Charlie's apartment I was

686

00:30:57,039 --> 00:30:55,010

renting a room from him I went in the

687

00:31:00,010 --> 00:30:57,049

bedroom and I pulled all my clothes off

688

00:31:01,900 --> 00:31:00,020

my shoes off I put them in a bag I took

689

00:31:03,490 --> 00:31:01,910

a good shower

690

00:31:05,590 --> 00:31:03,500

got that bag and I walked out and I

691

00:31:07,710 --> 00:31:05,600

throw them in a dumpster and I was I was

692

00:31:12,100 --> 00:31:07,720

through cuz I was worried about all that

693

00:31:13,720 --> 00:31:12,110

now so I don't know Chuck

694

00:31:16,270 --> 00:31:13,730

Charlie went to bed or not I don't know

695

00:31:19,240 --> 00:31:16,280

so just just a couple things I will get

696

00:31:23,050 --> 00:31:19,250

back to continuing this story but I just

697

00:31:25,240 --> 00:31:23,060

wanted to know how long would you think

698

00:31:27,850 --> 00:31:25,250

that the incident itself happened

699

00:31:29,470 --> 00:31:27,860

between when they floated to you and

700

00:31:33,250 --> 00:31:29,480

then you actually floated back onto the

701
00:31:35,740 --> 00:31:33,260
pier would you when I guess that was it

702
00:31:38,680 --> 00:31:35,750
five minutes it was ten minutes or it's

703
00:31:43,240 --> 00:31:38,690
a guess I want to say we was in the

704
00:31:45,910 --> 00:31:43,250
craft 45 minutes 45 least yes sir at

705
00:31:49,870 --> 00:31:45,920
least you know and that's just

706
00:31:52,090 --> 00:31:49,880
uneducated yes okay wait you're the

707
00:31:53,680 --> 00:31:52,100
person that's never heard what the

708
00:31:55,660 --> 00:31:53,690
beings look like I think that's kind of

709
00:31:58,210 --> 00:31:55,670
the most fantastic one of the most

710
00:32:00,400 --> 00:31:58,220
fantastic parts of this story is what

711
00:32:01,990 --> 00:32:00,410
they looked like and for the people on

712
00:32:04,270 --> 00:32:02,000
YouTube we'll go - we're gonna put up a

713
00:32:07,020 --> 00:32:04,280

picture of what they can you describe

714

00:32:09,640 --> 00:32:07,030

their looks and their including their

715

00:32:10,900 --> 00:32:09,650

like claw-like hands and everything I

716

00:32:13,630 --> 00:32:10,910

can

717

00:32:16,660 --> 00:32:13,640

now the other day there's this guy came

718

00:32:18,130 --> 00:32:16,670

to the house and as far as the skin he

719

00:32:20,650 --> 00:32:18,140

described it good

720

00:32:22,930 --> 00:32:20,660

he called it like a manatee he said

721

00:32:24,850 --> 00:32:22,940

would you consider like a manatee you

722

00:32:27,460 --> 00:32:24,860

know the wrinkled skin and kind of tough

723

00:32:30,010 --> 00:32:27,470

and that was the way this one creature

724

00:32:32,290 --> 00:32:30,020

looked alright they didn't have any legs

725

00:32:34,360 --> 00:32:32,300

that I could tell that they walked on it

726

00:32:37,450 --> 00:32:34,370

or they was just kind of like a little

727

00:32:39,880 --> 00:32:37,460

split or really much feet they just

728

00:32:43,300 --> 00:32:39,890

floated they never move their legs their

729

00:32:45,910 --> 00:32:43,310

hands was like they had on cloud crab

730

00:32:48,670 --> 00:32:45,920

claws have you ever seen a crab but I

731

00:32:52,030 --> 00:32:48,680

would say more like a mitten than a crab

732

00:32:54,760 --> 00:32:52,040

claw but there was grayish in color now

733

00:32:56,470 --> 00:32:54,770

the other one like I say it was kind of

734

00:32:59,080 --> 00:32:56,480

feminine and I'm guessing it was

735

00:33:04,180 --> 00:32:59,090

probably a woman she had facial features

736

00:33:07,240 --> 00:33:04,190

and you know a better body you know that

737

00:33:10,960 --> 00:33:07,250

one big ugly when they like hold it so

738

00:33:13,920 --> 00:33:10,970

well and no visible eyes right you

739

00:33:16,920 --> 00:33:13,930

didn't really see eyes I didn't

740

00:33:19,470 --> 00:33:16,930

and but I wasn't really trying to pay

741

00:33:22,620 --> 00:33:19,480

much attention to the face now I think

742

00:33:25,470 --> 00:33:22,630

later on during a hypnosis session with

743

00:33:30,270 --> 00:33:25,480

Budd Hopkins that I probably described a

744

00:33:33,000 --> 00:33:30,280

face in there so well I just had that

745

00:33:34,980 --> 00:33:33,010

for the person listening they had like

746

00:33:37,980 --> 00:33:34,990

points like a point where the nose is

747

00:33:41,070 --> 00:33:37,990

and a point where two points where the

748

00:33:43,500 --> 00:33:41,080

ears are right now that's the way

749

00:33:46,500 --> 00:33:43,510

charlie described it I didn't see none

750

00:33:51,780 --> 00:33:46,510

of that is that right oh it was blurry

751
00:33:54,870 --> 00:33:51,790
to me because I guess I was the next day

752
00:33:57,240 --> 00:33:54,880
you know there was a artist Larry Flint

753
00:33:59,490 --> 00:33:57,250
that was working at the shipyard and

754
00:34:02,370 --> 00:33:59,500
there was an artist there and he Charlie

755
00:34:04,800 --> 00:34:02,380
said and they drew a picture of what he

756
00:34:06,600 --> 00:34:04,810
described and like I say he asked me

757
00:34:08,570 --> 00:34:06,610
what I seen I said well I didn't say

758
00:34:11,310 --> 00:34:08,580
that it was all kind of blurry to me

759
00:34:13,560 --> 00:34:11,320
like I say I think I was drugged a

760
00:34:16,200 --> 00:34:13,570
little bit when I went in not completely

761
00:34:18,720 --> 00:34:16,210
knocked out but drugged enough where I

762
00:34:25,310 --> 00:34:18,730
didn't want to well well I couldn't

763
00:34:27,300 --> 00:34:25,320

resist whilst the chat @kg are a radio

764

00:34:30,139 --> 00:34:27,310

someone wanted to know were you a

765

00:34:33,300 --> 00:34:30,149

skeptic before you had this sighting

766

00:34:35,909 --> 00:34:33,310

well actually I never thought about it

767

00:34:39,899 --> 00:34:35,919

before this sidon you know I've never

768

00:34:45,000 --> 00:34:39,909

heard about a UFO or ghosts or anything

769

00:34:47,370 --> 00:34:45,010

like that so really I guess so how you

770

00:34:49,320 --> 00:34:47,380

know I'm open-minded about anything but

771

00:34:53,070 --> 00:34:49,330

I had never even thought about it

772

00:34:56,399 --> 00:34:53,080

so what for what did you did you like

773

00:34:58,440 --> 00:34:56,409

think what did you think it was I mean

774

00:35:00,540 --> 00:34:58,450

did the first thing come to mind you

775

00:35:03,030 --> 00:35:00,550

think did you think they had to be from

776
00:35:06,360 --> 00:35:03,040
another planet or something I mean well

777
00:35:10,140 --> 00:35:06,370
no what I thought it was we have a big

778
00:35:13,470 --> 00:35:10,150
ship yard and they big a naval base in a

779
00:35:15,990 --> 00:35:13,480
shipyard you know and I thought maybe

780
00:35:19,260 --> 00:35:16,000
them clowns over to shipyard at this

781
00:35:21,210 --> 00:35:19,270
time was probably I'll be experimenting

782
00:35:24,510 --> 00:35:21,220
with some kind of new special craft and

783
00:35:26,430 --> 00:35:24,520
having some fun with it but you know

784
00:35:27,359 --> 00:35:26,440
come to find out later that wasn't it

785
00:35:29,489 --> 00:35:27,369
because they

786
00:35:32,759 --> 00:35:29,499
even went and investigated that ideal of

787
00:35:35,160 --> 00:35:32,769
their well they did it was for abeyance

788
00:35:38,670 --> 00:35:35,170

because this thing shot up in there and

789

00:35:41,700 --> 00:35:38,680

lay out yeah and we'll talk about your

790

00:35:45,239 --> 00:35:41,710

experience at the at the Air Force after

791

00:35:47,759 --> 00:35:45,249

that or the base nearby someone want to

792

00:35:49,769 --> 00:35:47,769

know if you have ever listened to the

793

00:35:54,269 --> 00:35:49,779

recording they made at the police

794

00:35:57,630 --> 00:35:54,279

station I guess it's up on YouTube it

795

00:36:01,799 --> 00:35:57,640

might be I don't know now I've read it

796

00:36:04,109 --> 00:36:01,809

in the book some somehow fill up all the

797

00:36:06,299 --> 00:36:04,119

publisher of this book he got his hands

798

00:36:09,660 --> 00:36:06,309

on a transcript of it he put the

799

00:36:11,609 --> 00:36:09,670

transcripts in the book and I've read it

800

00:36:15,089 --> 00:36:11,619

in the book and it was surprising and

801
00:36:17,700 --> 00:36:15,099
that's just like it was to so and so I

802
00:36:19,049 --> 00:36:17,710
think this that part of your story a lot

803
00:36:21,900 --> 00:36:19,059
of people don't know but that actually

804
00:36:23,730 --> 00:36:21,910
added a lot of credibility because you

805
00:36:26,970 --> 00:36:23,740
didn't know you're being taped and you

806
00:36:29,400 --> 00:36:26,980
were having a conversation about it do I

807
00:36:31,470 --> 00:36:29,410
am I remembering right that you may have

808
00:36:32,390 --> 00:36:31,480
passed out or is that is this another

809
00:36:36,269 --> 00:36:32,400
incident

810
00:36:40,620 --> 00:36:36,279
well no what the passing out thing was

811
00:36:42,210 --> 00:36:40,630
and I had me and Charlie had talked

812
00:36:45,239 --> 00:36:42,220
about it I didn't want no media

813
00:36:46,620 --> 00:36:45,249

attention or anything Charlie said well

814

00:36:48,930 --> 00:36:46,630

he was going to talk to him and tell him

815

00:36:51,059 --> 00:36:48,940

I said well don't tell him I was even

816

00:36:54,299 --> 00:36:51,069

there he said would just tell him you

817

00:36:56,789 --> 00:36:54,309

passed out and he told him that and

818

00:36:59,039 --> 00:36:56,799

that's more or less what all they took

819

00:37:01,289 --> 00:36:59,049

and run well I've never really sat down

820

00:37:04,400 --> 00:37:01,299

and talked to her to with nobody about

821

00:37:07,710 --> 00:37:04,410

nothing not family not friends or nobody

822

00:37:09,210 --> 00:37:07,720

so you you just wanted that story so you

823

00:37:09,950 --> 00:37:09,220

didn't have to deal with the press or

824

00:37:12,809 --> 00:37:09,960

anything

825

00:37:15,170 --> 00:37:12,819

exactly right and they several stories

826

00:37:17,460 --> 00:37:15,180

is the press has put out because

827

00:37:20,099 --> 00:37:17,470

normally I wouldn't talk to him and when

828

00:37:23,190 --> 00:37:20,109

I did I tell him a lot of obse just to

829

00:37:24,420 --> 00:37:23,200

get rid of them and you know you can't

830

00:37:27,059 --> 00:37:24,430

you can't get rid of them

831

00:37:30,720 --> 00:37:27,069

right Chrissa in the chat room has a

832

00:37:34,109 --> 00:37:30,730

great question did you notice any

833

00:37:37,680 --> 00:37:34,119

unusual odors like with the beings or

834

00:37:40,470 --> 00:37:37,690

the inside of the craft now I didn't it

835

00:37:43,950 --> 00:37:40,480

was all the crap look

836

00:37:47,430 --> 00:37:43,960

two extremely clean to me and I didn't

837

00:37:49,830 --> 00:37:47,440

notice any odors at all until we got

838

00:37:53,820 --> 00:37:49,840

back out to the river then you know you

839

00:37:57,120 --> 00:37:53,830

got there was a paper that old pokey

840

00:37:59,609 --> 00:37:57,130

plant diner smelt pretty bad now how

841

00:38:01,980 --> 00:37:59,619

about the breathing the air inside of

842

00:38:03,630 --> 00:38:01,990

the craft was it Annie was there any

843

00:38:06,330 --> 00:38:03,640

struggling at all or did you just

844

00:38:09,300 --> 00:38:06,340

breathe fine no struggle seemed like we

845

00:38:11,010 --> 00:38:09,310

had plenty of oxygen in there so I

846

00:38:13,500 --> 00:38:11,020

figured they were that was pipelining

847

00:38:16,200 --> 00:38:13,510

and then or when they opened the door it

848

00:38:20,550 --> 00:38:16,210

had plenty in there for us now I know

849

00:38:24,840 --> 00:38:20,560

you said you were relaxed were you also

850

00:38:27,720 --> 00:38:24,850

frightened at the same time after all I

851

00:38:31,109 --> 00:38:27,730

called the shot no I wasn't frightened

852

00:38:33,120 --> 00:38:31,119

right then matter of fact I was trying

853

00:38:37,349 --> 00:38:33,130

to think away still to get out of there

854

00:38:40,320 --> 00:38:37,359

and you know there wasn't no way I can

855

00:38:41,849 --> 00:38:40,330

move and do it and resist so I just laid

856

00:38:44,160 --> 00:38:41,859

there and let her do what she needed to

857

00:38:46,830 --> 00:38:44,170

or him do it whatever it was

858

00:38:48,660 --> 00:38:46,840

yeah were there any other like

859

00:38:50,220 --> 00:38:48,670

instruments or anything that you I know

860

00:38:52,859 --> 00:38:50,230

you mentioned the deck of cards thing

861

00:38:55,109 --> 00:38:52,869

coming out of the out of the wall and

862

00:38:57,599 --> 00:38:55,119

all that stuff did you see any other

863

00:39:00,240 --> 00:38:57,609

instruments or that they were not

864

00:39:01,920 --> 00:39:00,250

scanning you with or anything no I did

865

00:39:03,840 --> 00:39:01,930

and that was the only thing I could see

866

00:39:06,480 --> 00:39:03,850

now that no mean it wasn't something in

867

00:39:09,330 --> 00:39:06,490

there but the only thing that I seen was

868

00:39:12,930 --> 00:39:09,340

that thing that was skinned in this

869

00:39:16,320 --> 00:39:12,940

wheel now they might have got some blood

870

00:39:19,140 --> 00:39:16,330

well no you know they give me that

871

00:39:20,310 --> 00:39:19,150

injection or if it was an injection

872

00:39:23,640 --> 00:39:20,320

because that was a pretty good little

873

00:39:25,859 --> 00:39:23,650

split on my harm where they had picked

874

00:39:29,270 --> 00:39:25,869

me up and they might've just toured but

875

00:39:32,490 --> 00:39:29,280

you know some reason I got real relaxed

876

00:39:34,320 --> 00:39:32,500

dad and I I think they knew they would

877

00:39:35,099 --> 00:39:34,330

scare you so they had to do something to

878

00:39:42,090 --> 00:39:35,109

calm you down

879

00:39:44,550 --> 00:39:42,100

oh absolutely Wow and so when you saw

880

00:39:48,270 --> 00:39:44,560

the thing take off

881

00:39:52,140 --> 00:39:48,280

did you and and Charlie have a

882

00:39:54,030 --> 00:39:52,150

conversation just saying that what what

883

00:39:55,850 --> 00:39:54,040

happened or did you just

884

00:39:58,920 --> 00:39:55,860

kind of figure it had to be something

885

00:40:00,690 --> 00:39:58,930

off planet or something you know I mean

886

00:40:03,030 --> 00:40:00,700

how did you guys work that out in your

887

00:40:05,760 --> 00:40:03,040

conversation well we really didn't have

888

00:40:07,320 --> 00:40:05,770

that conversation right then we knew

889

00:40:10,950 --> 00:40:07,330

something had happened and we knew we

890

00:40:13,320 --> 00:40:10,960

had to get out of there but uh you know

891

00:40:16,860 --> 00:40:13,330

Charlie was pretty calm about it - he

892

00:40:21,210 --> 00:40:16,870

was a little older so he knew more about

893

00:40:23,390 --> 00:40:21,220

how to handle stress and we just didn't

894

00:40:25,890 --> 00:40:23,400

worry too much about it then we just

895

00:40:28,260 --> 00:40:25,900

tried to get out and get somewhere safe

896

00:40:32,220 --> 00:40:28,270

because we didn't know who is safe or

897

00:40:34,020 --> 00:40:32,230

not right yeah and that is really

898

00:40:35,730 --> 00:40:34,030

bizarre about your car with the window

899

00:40:38,070 --> 00:40:35,740

and do you think that had to do with

900

00:40:41,730 --> 00:40:38,080

like the craft landing nearby it or

901
00:40:44,970 --> 00:40:41,740
something I'm I'm almost 100% sure

902
00:40:47,550 --> 00:40:44,980
that's what happened because I believe

903
00:40:49,410 --> 00:40:47,560
the noise off if it had an engine or the

904
00:40:51,750 --> 00:40:49,420
hissing noise that come out of it

905
00:40:53,940 --> 00:40:51,760
probably shattered the windows I've

906
00:40:55,620 --> 00:40:53,950
often wondered why I didn't shatter all

907
00:41:00,210 --> 00:40:55,630
of them though I be shattered that one

908
00:41:02,370 --> 00:41:00,220
right right and what about I we asked

909
00:41:05,130 --> 00:41:02,380
about odors what about I mean yeah about

910
00:41:07,530 --> 00:41:05,140
odors what about sounds did you hear any

911
00:41:09,390 --> 00:41:07,540
weird sounds or did they try to

912
00:41:12,420 --> 00:41:09,400
communicate in any type of way to you

913
00:41:13,230 --> 00:41:12,430

yeah they did communicate I think with

914

00:41:18,060 --> 00:41:13,240

each other

915

00:41:21,240 --> 00:41:18,070

and it was just like if this is a sound

916

00:41:24,780 --> 00:41:21,250

in a way but you know other than that no

917

00:41:27,420 --> 00:41:24,790

it wasn't really no weird sounds but I

918

00:41:30,000 --> 00:41:27,430

felt the way she more or less

919

00:41:33,480 --> 00:41:30,010

communicated was me I feel like it was

920

00:41:36,600 --> 00:41:33,490

mental telepathy because I knew what she

921

00:41:39,030 --> 00:41:36,610

was thinking or it was thinking I called

922

00:41:41,130 --> 00:41:39,040

it a she I don't know why I guess after

923

00:41:42,840 --> 00:41:41,140

no big ugly when God said you assumed

924

00:41:48,450 --> 00:41:42,850

that was a male and the other one was a

925

00:41:51,150 --> 00:41:48,460

she saw well but that one knows he he

926

00:41:53,730 --> 00:41:51,160

was ugly and means well when you see me

927

00:41:58,410 --> 00:41:53,740

and what and what way was he mean that

928

00:42:02,010 --> 00:41:58,420

you saw well not really main mean but uh

929

00:42:03,780 --> 00:42:02,020

you know anytime just say Lux you

930

00:42:06,390 --> 00:42:03,790

sitting at your house that your living

931

00:42:07,380 --> 00:42:06,400

room watching TV and somebody kicks your

932

00:42:10,770 --> 00:42:07,390

door down and come

933

00:42:12,900 --> 00:42:10,780

ditching drags out to the van gives you

934

00:42:15,030 --> 00:42:12,910

an examination and drags you back in the

935

00:42:19,170 --> 00:42:15,040

house in here you know that's pretty

936

00:42:22,140 --> 00:42:19,180

brutal and they'd get electric chair for

937

00:42:23,850 --> 00:42:22,150

that around Mississippi or shot right

938

00:42:25,170 --> 00:42:23,860

now you weren't in the service you're

939

00:42:27,480 --> 00:42:25,180

right at the very end of when they were

940

00:42:30,600 --> 00:42:27,490

drafting at Vietnam weren't you you were

941

00:42:33,240 --> 00:42:30,610

not Wallis yes I'm 73 so you you kind of

942

00:42:39,990 --> 00:42:33,250

missed all that someone asked if you

943

00:42:43,620 --> 00:42:40,000

were that but so now let's let's go on

944

00:42:46,410 --> 00:42:43,630

and talk about what happened after this

945

00:42:47,940 --> 00:42:46,420

because you went to did they actually

946

00:42:51,080 --> 00:42:47,950

come and visit you from the Air Force

947

00:42:54,300 --> 00:42:51,090

Base in Biloxi or how did all that work

948

00:42:56,970 --> 00:42:54,310

know how it work the next day Charlie

949

00:42:59,580 --> 00:42:56,980

and I got up went to work and while we

950

00:43:02,370 --> 00:42:59,590

was at work the news media got so bad

951
00:43:05,220 --> 00:43:02,380
but the people we work for that was said

952
00:43:07,680 --> 00:43:05,230
to help me walk her son shipyard they

953
00:43:10,500 --> 00:43:07,690
had an attorney I believe his name was

954
00:43:13,650 --> 00:43:10,510
joka Mingo and he's the one that

955
00:43:18,810 --> 00:43:13,660
actually set up he was wanted to get us

956
00:43:21,120 --> 00:43:18,820
a checked out and then he wanted us to

957
00:43:24,180 --> 00:43:21,130
go to Keystone be checked for radiation

958
00:43:27,030 --> 00:43:24,190
because my concerns was bacteria and

959
00:43:29,040 --> 00:43:27,040
radiation sure so they took took us to a

960
00:43:30,750 --> 00:43:29,050
local hospital and did a physical

961
00:43:36,450 --> 00:43:30,760
illness and that's where they found a

962
00:43:38,640 --> 00:43:36,460
little splitting on and did some blood

963
00:43:41,430 --> 00:43:38,650

work and all I think that all those

964

00:43:44,340 --> 00:43:41,440

papers have been lost because during

965

00:43:45,780 --> 00:43:44,350

Katrina all that information you know

966

00:43:49,200 --> 00:43:45,790

they didn't back nothing up on the

967

00:43:53,240 --> 00:43:49,210

computer got lost and we was had trouble

968

00:43:57,920 --> 00:43:53,250

getting it and then we'd left there and

969

00:44:01,560 --> 00:43:57,930

they had the deputy sheriff escort us to

970

00:44:03,750 --> 00:44:01,570

Kiesler and that was the closest you

971

00:44:06,540 --> 00:44:03,760

know I've come to talking to them we

972

00:44:10,050 --> 00:44:06,550

pulled up and they was probably five or

973

00:44:12,450 --> 00:44:10,060

six guys in a wasp suit or more than

974

00:44:15,060 --> 00:44:12,460

that and that we got out of the car they

975

00:44:17,730 --> 00:44:15,070

checked us for radiation then I said

976

00:44:19,710 --> 00:44:17,740

y'all fine and they said they want to

977

00:44:21,090 --> 00:44:19,720

talk to you inside so they pulled us

978

00:44:23,220 --> 00:44:21,100

inside

979

00:44:25,320 --> 00:44:23,230

in a conference room and that was quite

980

00:44:27,330 --> 00:44:25,330

a few people in there I'm not sure how

981

00:44:31,680 --> 00:44:27,340

many it was all documented in the book

982

00:44:33,540 --> 00:44:31,690

oh so they question us interrogators a

983

00:44:38,400 --> 00:44:33,550

little bit not really an interrogation

984

00:44:43,230 --> 00:44:38,410

of it was really nice and told us we

985

00:44:45,930 --> 00:44:43,240

could go so when we got out and they got

986

00:44:48,780 --> 00:44:45,940

us back to the shipyard the shipyard

987

00:44:51,240 --> 00:44:48,790

said we we can't work here we got to

988

00:44:53,130 --> 00:44:51,250

shut operations down as long as y'all

989

00:44:56,040 --> 00:44:53,140

here because we can't get no phone calls

990

00:44:58,950 --> 00:44:56,050

in the media's calling so y'all need to

991

00:45:02,160 --> 00:44:58,960

get out of here and we're gonna pay

992

00:45:05,910 --> 00:45:02,170

y'all a couple of weeks to leave so they

993

00:45:08,070 --> 00:45:05,920

wrote us a check I don't remember how

994

00:45:11,700 --> 00:45:08,080

much is for how long they wrote us a

995

00:45:13,430 --> 00:45:11,710

check told us to go so I took him at the

996

00:45:16,730 --> 00:45:13,440

word I didn't won't take your money but

997

00:45:19,380 --> 00:45:16,740

you know they wouldn't take it back so

998

00:45:23,130 --> 00:45:19,390

you see so wait you got at least a

999

00:45:27,570 --> 00:45:23,140

vacation out of this yeah if you want to

1000

00:45:28,230 --> 00:45:27,580

call it that yeah but I remember go

1001

00:45:32,250 --> 00:45:28,240

ahead sorry

1002

00:45:34,260 --> 00:45:32,260

yeah the foreman at the shipyard I had

1003

00:45:37,290 --> 00:45:34,270

forgot who it was I want to move to

1004

00:45:41,940 --> 00:45:37,300

where I live now just a couple of roads

1005

00:45:44,520 --> 00:45:41,950

over hey y'all the guy the foreman that

1006

00:45:46,530 --> 00:45:44,530

shipyard lived there and he said I

1007

00:45:48,210 --> 00:45:46,540

remember Calvin he stopped by the other

1008

00:45:50,240 --> 00:45:48,220

day and I didn't remember him you know

1009

00:45:55,650 --> 00:45:50,250

everybody changes the older they get

1010

00:45:57,990 --> 00:45:55,660

uglier they get so uh he told me said I

1011

00:45:59,430 --> 00:45:58,000

remember when we called y'all when you

1012

00:46:02,070 --> 00:45:59,440

got on your hands and knees out in the

1013

00:46:06,060 --> 00:46:02,080

parking lot was throwing up they said I

1014

00:46:10,380 --> 00:46:06,070

felt really bad for you Wow

1015

00:46:11,760 --> 00:46:10,390

all right so what about the emotional

1016

00:46:18,150 --> 00:46:11,770

part of this was that did that really

1017

00:46:22,020 --> 00:46:18,160

affect you it did it affected me in a

1018

00:46:23,760 --> 00:46:22,030

lot of ways you know one thing it

1019

00:46:28,230 --> 00:46:23,770

brought a lot of attention on that I

1020

00:46:31,230 --> 00:46:28,240

didn't want so that's one way it did the

1021

00:46:34,170 --> 00:46:31,240

next next thing I had a private life and

1022

00:46:34,950 --> 00:46:34,180

my privacy was gone anywhere you go

1023

00:46:40,800 --> 00:46:34,960

people would

1024

00:46:43,829 --> 00:46:40,810

recognize you and approach it and I was

1025

00:46:45,810 --> 00:46:43,839

kind of a hands-off guy I mean I loved

1026
00:46:48,450 --> 00:46:45,820
people like being around people up until

1027
00:46:52,140 --> 00:46:48,460
then and after that you know I didn't

1028
00:46:54,120 --> 00:46:52,150
wanna be around nobody yeah it was

1029
00:46:56,339 --> 00:46:54,130
really I'm trying to remember how I

1030
00:46:57,900 --> 00:46:56,349
found you when you were on the show the

1031
00:47:00,260 --> 00:46:57,910
first time but you were you made

1032
00:47:04,710 --> 00:47:00,270
yourself very difficult to find right oh

1033
00:47:07,230 --> 00:47:04,720
I did and I'd move somewhere and go to

1034
00:47:09,990 --> 00:47:07,240
work and when they found out who I was I

1035
00:47:13,320 --> 00:47:10,000
just quit and not show up the next

1036
00:47:17,280 --> 00:47:13,330
morning and go on somewhere else well so

1037
00:47:18,990 --> 00:47:17,290
I changed jobs a good deal but it wasn't

1038
00:47:24,630 --> 00:47:19,000

too bad the people that I worked with

1039

00:47:28,829 --> 00:47:24,640

when I finally got back to the coast I

1040

00:47:33,000 --> 00:47:28,839

went to work for a guy in a construction

1041

00:47:35,010 --> 00:47:33,010

company down here and he we became

1042

00:47:39,030 --> 00:47:35,020

friends and he kind of protected me from

1043

00:47:42,000 --> 00:47:39,040

all the chaos you know he wouldn't allow

1044

00:47:45,630 --> 00:47:42,010

that on his job plus we didn't work on

1045

00:47:48,690 --> 00:47:45,640

military bases we all build runways and

1046

00:47:51,870 --> 00:47:48,700

parking lots and everything so 90% of

1047

00:47:56,010 --> 00:47:51,880

our job on military bases nobody could

1048

00:47:58,589 --> 00:47:56,020

get in they're not helped Wow now after

1049

00:48:01,200 --> 00:47:58,599

we take our next break which is in a two

1050

00:48:02,940 --> 00:48:01,210

and a half minutes or so I'm going to

1051
00:48:03,440 --> 00:48:02,950
let people call in now you alright with

1052
00:48:06,859 --> 00:48:03,450
that

1053
00:48:10,589 --> 00:48:06,869
sure I only didn't ask you questions so

1054
00:48:13,740 --> 00:48:10,599
you know this is uh this is actually one

1055
00:48:15,630 --> 00:48:13,750
of the big cases I know that race

1056
00:48:17,910 --> 00:48:15,640
Stanford is listening are you familiar

1057
00:48:20,070 --> 00:48:17,920
with him he's a longtime UFO researcher

1058
00:48:23,250 --> 00:48:20,080
he let me know he's like oh I am yeah

1059
00:48:24,750 --> 00:48:23,260
sure he's listening tonight so that

1060
00:48:26,370 --> 00:48:24,760
actually would be great to hear from him

1061
00:48:29,010 --> 00:48:26,380
as well

1062
00:48:32,970 --> 00:48:29,020
so someone wanted to know in the chat

1063
00:48:35,099 --> 00:48:32,980

room have your views on religion changed

1064

00:48:37,109 --> 00:48:35,109

since the encounter I don't know if you

1065

00:48:39,150 --> 00:48:37,119

had views on religion or not but someone

1066

00:48:42,060 --> 00:48:39,160

just wanted to know did that change any

1067

00:48:44,579 --> 00:48:42,070

part of your views absolutely not I

1068

00:48:48,480 --> 00:48:44,589

believe in God I always will believe in

1069

00:48:53,670 --> 00:48:48,490

him and I had strong religious views

1070

00:48:56,220 --> 00:48:53,680

when this happened and you know after

1071

00:48:58,230 --> 00:48:56,230

happened I kind of got shot away from

1072

00:49:03,210 --> 00:48:58,240

the church but my heart still in the

1073

00:49:04,890 --> 00:49:03,220

church yeah did it you know a lot of

1074

00:49:08,160 --> 00:49:04,900

times people said over the years I've

1075

00:49:12,240 --> 00:49:08,170

heard it hundreds of times maybe that

1076

00:49:13,380 --> 00:49:12,250

you know if if we actually if the earth

1077

00:49:15,900 --> 00:49:13,390

actually knew that there were

1078

00:49:19,079 --> 00:49:15,910

extraterrestrials they really did exist

1079

00:49:21,060 --> 00:49:19,089

intelligent life existed then religions

1080

00:49:25,140 --> 00:49:21,070

would just falter do you think that's

1081

00:49:27,630 --> 00:49:25,150

not so after your experience no I don't

1082

00:49:31,290 --> 00:49:27,640

believe that I believe it's a one God

1083

00:49:34,020 --> 00:49:31,300

and that's it and regardless of who you

1084

00:49:36,780 --> 00:49:34,030

are where are you from then you know

1085

00:49:38,310 --> 00:49:36,790

that's probably that and if there's UFOs

1086

00:49:41,940 --> 00:49:38,320

out there which it is

1087

00:49:44,820 --> 00:49:41,950

or extraterrestrials they they gotta

1088

00:49:49,980 --> 00:49:44,830

believe in something I believe I see

1089

00:49:54,630 --> 00:49:49,990

yeah yeah okay well we are ready in

1090

00:49:56,670 --> 00:49:54,640

about ten minutes so when we start back

1091

00:49:58,680 --> 00:49:56,680

here what we're gonna do is I'm gonna

1092

00:50:02,700 --> 00:49:58,690

open the lines up for anyone that wants

1093

00:50:06,560 --> 00:50:02,710

to call in and looks like we are ready

1094

00:50:10,710 --> 00:50:06,570

to go to break right now so I am on with

1095

00:50:12,210 --> 00:50:10,720

Calvin Parker on kgr a radio and if you

1096

00:50:18,480 --> 00:50:12,220

hang in there we'll be right back after

1097

00:50:21,020 --> 00:50:18,490

these messages clear remit I'm in three

1098

00:50:22,670 --> 00:50:21,030

minutes again yes excellent thank you

1099

00:50:28,800 --> 00:50:22,680

you're welcome

1100

00:50:31,710 --> 00:50:28,810

all right so someone wanted to know one

1101

00:50:34,500 --> 00:50:31,720

chat molasses now what kind its the

1102

00:50:36,450 --> 00:50:34,510

drawings I've seen online now I'm not

1103

00:50:40,320 --> 00:50:36,460

sure if they were your drawings or Charl

1104

00:50:43,770 --> 00:50:40,330

Charles Charlie's or or not but are they

1105

00:50:45,480 --> 00:50:43,780

of the craft there's all different types

1106

00:50:48,000 --> 00:50:45,490

of shapes of the craft can you try to

1107

00:50:51,630 --> 00:50:48,010

describe with that what you think it

1108

00:50:54,420 --> 00:50:51,640

looked like I think I went to your

1109

00:50:56,099 --> 00:50:54,430

website earlier in that picture you got

1110

00:50:58,770 --> 00:50:56,109

up on the bottom it's pretty close to

1111

00:51:00,770 --> 00:50:58,780

what it looked like oh I don't remember

1112

00:51:04,880 --> 00:51:00,780

what that is

1113

00:51:06,290 --> 00:51:04,890

okay but I called it like a football it

1114

00:51:08,690 --> 00:51:06,300

was kind of like a football

1115

00:51:10,100 --> 00:51:08,700

now there's yeah yeah in a way one of

1116

00:51:12,310 --> 00:51:10,110

the drawings that looks kind of like a

1117

00:51:16,220 --> 00:51:12,320

walnut with things on each side was that

1118

00:51:21,760 --> 00:51:16,230

that maybe a different well now this one

1119

00:51:24,410 --> 00:51:21,770

I drew one any kind of a bird or

1120

00:51:26,510 --> 00:51:24,420

something and it had a look like a

1121

00:51:29,710 --> 00:51:26,520

couple of windows on the front of it

1122

00:51:33,380 --> 00:51:29,720

that was more or less where the door was

1123

00:51:36,470 --> 00:51:33,390

and would you describe the door what the

1124

00:51:39,050 --> 00:51:36,480

door was like was it just an opening was

1125

00:51:42,170 --> 00:51:39,060

eye-opening I figured it probably slid

1126
00:51:44,570 --> 00:51:42,180
in and slid out because on the way out I

1127
00:51:46,880 --> 00:51:44,580
tried to look at it because I when I

1128
00:51:49,040 --> 00:51:46,890
when I was taking me in I couldn't turn

1129
00:51:52,100 --> 00:51:49,050
my head because I was study wanting to

1130
00:51:53,480 --> 00:51:52,110
know if Charlie was there whatever and I

1131
00:51:55,400 --> 00:51:53,490
was hoping that put us in there together

1132
00:51:57,580 --> 00:51:55,410
because I figured you know between the

1133
00:52:01,280 --> 00:51:57,590
bow close we could probably take them

1134
00:52:04,880 --> 00:52:01,290
but you know that was the wrong answer

1135
00:52:09,080 --> 00:52:04,890
and I know the next day at the shipyard

1136
00:52:11,030 --> 00:52:09,090
they put together a yo a hit squad gonna

1137
00:52:13,550 --> 00:52:11,040
go down and hunt them down I said I

1138
00:52:15,050 --> 00:52:13,560

don't believe y'all want to do that hunt

1139

00:52:20,240 --> 00:52:15,060

them down after they took off speed of

1140

00:52:22,450 --> 00:52:20,250

light yeah yeah even if you find them is

1141

00:52:26,690 --> 00:52:22,460

you wouldn't want to do that yeah yeah

1142

00:52:28,910 --> 00:52:26,700

the inside of the craft walls would you

1143

00:52:31,370 --> 00:52:28,920

say they were like smooth and unda

1144

00:52:35,090 --> 00:52:31,380

stinked or did you see anything of any

1145

00:52:37,400 --> 00:52:35,100

character at all now I'd say they're

1146

00:52:41,480 --> 00:52:37,410

smooth but none distinct and like

1147

00:52:44,960 --> 00:52:41,490

whatever I do remember colors well the

1148

00:52:48,440 --> 00:52:44,970

only colors I've seen was though locked

1149

00:52:50,150 --> 00:52:48,450

the lights that come out of the craft

1150

00:52:51,680 --> 00:52:50,160

and I described it as watching somebody

1151
00:52:56,660 --> 00:52:51,690
wailed you know they were so bright too

1152
00:52:58,760 --> 00:52:56,670
glowing all off baby Wow and one thing I

1153
00:53:01,610 --> 00:52:58,770
forgot to ask you and but how many

1154
00:53:03,800 --> 00:53:01,620
creatures did you see was it just the

1155
00:53:08,360 --> 00:53:03,810
two or was it like four or five do you

1156
00:53:10,250 --> 00:53:08,370
remember well it was three that came out

1157
00:53:13,280 --> 00:53:10,260
of the craft and then the female

1158
00:53:14,540 --> 00:53:13,290
creature that was in there with me and

1159
00:53:16,370 --> 00:53:14,550
you know I've never heard

1160
00:53:19,610 --> 00:53:16,380
Charlie say of course we didn't really

1161
00:53:21,620 --> 00:53:19,620
talk about it I don't never heard him

1162
00:53:23,630 --> 00:53:21,630
say anything about it I don't mean it's

1163
00:53:25,900 --> 00:53:23,640

a gentleman we are coming back in about

1164

00:53:31,100 --> 00:53:25,910

ten seconds so stand by okay we're ready

1165

00:53:35,750 --> 00:53:31,110

all ready in 3 2 1

1166

00:53:39,380 --> 00:53:35,760

gulp welcome back to kgr a radio podcast

1167

00:53:42,350 --> 00:53:39,390

UFO and my guest is Calvin Parker of the

1168

00:53:45,200 --> 00:53:42,360

kelp of the Pascagoula incident

1169

00:53:47,480 --> 00:53:45,210

abduction incident and right now we will

1170

00:53:49,880 --> 00:53:47,490

take calls online if anyone wants to

1171

00:53:51,620 --> 00:53:49,890

give us a call that number is going to

1172

00:53:56,270 --> 00:53:51,630

be popping up on the screen in a second

1173

00:53:58,490 --> 00:53:56,280

and we may be having a little trouble

1174

00:54:02,660 --> 00:53:58,500

with the actually with the person doing

1175

00:54:03,200 --> 00:54:02,670

that work having in the background okay

1176

00:54:05,300 --> 00:54:03,210

here we go

1177

00:54:08,120 --> 00:54:05,310

anyway so that numbers up of the screen

1178

00:54:10,070 --> 00:54:08,130

I'll just give that number out now but

1179

00:54:13,430 --> 00:54:10,080

please only call it when the show is

1180

00:54:15,830 --> 00:54:13,440

live in that six oh three nine six seven

1181

00:54:18,950 --> 00:54:15,840

four OH three oh it's up on the screen

1182

00:54:22,310 --> 00:54:18,960

now and so we welcome your call for

1183

00:54:28,310 --> 00:54:22,320

questions for Calvin and would like to

1184

00:54:30,200 --> 00:54:28,320

hear from you so one thing I think that

1185

00:54:32,840 --> 00:54:30,210

I forgot to ask Calvin is how did this

1186

00:54:36,290 --> 00:54:32,850

actually get leaked to the press to

1187

00:54:38,660 --> 00:54:36,300

begin with who actually leaked it you

1188

00:54:42,620 --> 00:54:38,670

know I would love to know that myself

1189

00:54:45,230 --> 00:54:42,630

the truth about it but I really feel

1190

00:54:48,950 --> 00:54:45,240

they know back then there wasn't cell

1191

00:54:51,230 --> 00:54:48,960

phones or the one computers but

1192

00:54:53,330 --> 00:54:51,240

everybody their big hobbies were

1193

00:54:56,690 --> 00:54:53,340

scanners and listened to the police

1194

00:54:58,460 --> 00:54:56,700

department apartment you know and I feel

1195

00:55:01,760 --> 00:54:58,470

like somebody was on a scanner and

1196

00:55:04,040 --> 00:55:01,770

hurting and when that got started you

1197

00:55:06,800 --> 00:55:04,050

know all you newspapers and TV stations

1198

00:55:09,170 --> 00:55:06,810

you know would listen to him and I I

1199

00:55:11,450 --> 00:55:09,180

think one station picked it up and he

1200

00:55:13,220 --> 00:55:11,460

just spread it yeah things happen really

1201

00:55:14,660 --> 00:55:13,230

fast when it goes like that we have a

1202

00:55:16,550 --> 00:55:14,670

caller on line

1203

00:55:18,160 --> 00:55:16,560

welcome to the show your name and where

1204

00:55:20,870 --> 00:55:18,170

you calling from please

1205

00:55:23,690 --> 00:55:20,880

well hello I'm a ray Stanford all right

1206

00:55:25,760 --> 00:55:23,700

how are you great to hear from you hey

1207

00:55:28,160 --> 00:55:25,770

thanks for inviting me it's a pleasure

1208

00:55:29,990 --> 00:55:28,170

to finally meet Calvin Parker and

1209

00:55:31,670 --> 00:55:30,000

Kelvin I want to make this brief because

1210

00:55:35,030 --> 00:55:31,680

I know other people would love to talk

1211

00:55:36,589 --> 00:55:35,040

to you but I just wanted to tell you a

1212

00:55:39,440 --> 00:55:36,599

couple of things that happened when we

1213

00:55:44,960 --> 00:55:39,450

were with with Charlie Higson that I

1214

00:55:47,870 --> 00:55:44,970

thought you might enjoy right okay let

1215

00:55:49,789 --> 00:55:47,880

me tell the first one that occurred my

1216

00:55:52,549 --> 00:55:49,799

organization had invited Charlie to

1217

00:55:55,789 --> 00:55:52,559

Austin Texas to give a little talk about

1218

00:55:57,440 --> 00:55:55,799

what had happened to you fellas and we

1219

00:56:02,660 --> 00:55:57,450

renewed a lot of tore him in the mall

1220

00:56:04,579 --> 00:56:02,670

and Calvin was very calm and I'm not

1221

00:56:08,690 --> 00:56:04,589

Calvin I'm sorry Charlie was very calm

1222

00:56:10,849 --> 00:56:08,700

and so I introduced him and he got up

1223

00:56:13,730 --> 00:56:10,859

and started giving a very nice account

1224

00:56:17,299 --> 00:56:13,740

very calm about what had happened

1225

00:56:21,710 --> 00:56:17,309

and all of a sudden he began to tremble

1226
00:56:25,130 --> 00:56:21,720
and his skin began to turn wider and he

1227
00:56:28,819 --> 00:56:25,140
began to stammer and he said I'm sorry I

1228
00:56:31,099 --> 00:56:28,829
can't go on they're here they're here

1229
00:56:32,960 --> 00:56:31,109
and it looked like he was going to

1230
00:56:36,289 --> 00:56:32,970
collapse so somebody brought a chair and

1231
00:56:38,089 --> 00:56:36,299
he sat down now what I saw I wish that

1232
00:56:39,980 --> 00:56:38,099
we had iPhones packed in so I could have

1233
00:56:41,839 --> 00:56:39,990
regarded this I mean it was unbelievable

1234
00:56:43,700 --> 00:56:41,849
he couldn't he couldn't have faked this

1235
00:56:45,200 --> 00:56:43,710
thing what happened is he's sitting

1236
00:56:48,319 --> 00:56:45,210
there in the chair and it's a is a KU

1237
00:56:51,680 --> 00:56:48,329
auditorium and there are beads of sweat

1238
00:56:54,200 --> 00:56:51,690

on his forehead blowing up like balloons

1239

00:56:56,780 --> 00:56:54,210

and the poor guy he's sitting there he's

1240

00:56:59,089 --> 00:56:56,790

white as a sheet and these beans beads

1241

00:57:00,680 --> 00:56:59,099

of sweat just got larger and larger and

1242

00:57:04,609 --> 00:57:00,690

then actually rolled down his face and

1243

00:57:06,410 --> 00:57:04,619

into his eyes and rub the the salt tears

1244

00:57:09,890 --> 00:57:06,420

or whatever I called it sweat out of

1245

00:57:12,620 --> 00:57:09,900

his eyes and he was just trembling and

1246

00:57:14,690 --> 00:57:12,630

he said I'm sorry I'm sorry they're here

1247

00:57:16,630 --> 00:57:14,700

I know you can't see they're here and

1248

00:57:18,980 --> 00:57:16,640

that was it so we just told everybody

1249

00:57:21,710 --> 00:57:18,990

we're sorry but this is what has

1250

00:57:23,510 --> 00:57:21,720

happened and that was well I'll tell you

1251

00:57:25,849 --> 00:57:23,520

there couldn't have been something if I

1252

00:57:27,470 --> 00:57:25,859

had been a real skeptic

1253

00:57:29,900 --> 00:57:27,480

there couldn't been a thank convinced me

1254

00:57:33,099 --> 00:57:29,910

more because there's no way this boys I

1255

00:57:35,480 --> 00:57:33,109

know any human being could ever have

1256

00:57:36,799 --> 00:57:35,490

done anything like that I mean this was

1257

00:57:38,990 --> 00:57:36,809

just blowing up right out of his

1258

00:57:40,400 --> 00:57:39,000

forehead it was spectacular and it was

1259

00:57:41,660 --> 00:57:40,410

amazing and it was it was kind of scary

1260

00:57:44,539 --> 00:57:41,670

because part

1261

00:57:46,579 --> 00:57:44,549

Sharlee Sharlee just he got very weak

1262

00:57:49,460 --> 00:57:46,589

and white and it took us a while to get

1263

00:57:54,109 --> 00:57:49,470

him stabilized and we went on left and

1264

00:57:55,760 --> 00:57:54,119

went back to his hotel but I wonder if

1265

00:57:58,010 --> 00:57:55,770

you don't have a quick method there I

1266

00:57:59,839 --> 00:57:58,020

would like to tell about one other event

1267

00:58:04,220 --> 00:57:59,849

that happened that Charlie was involved

1268

00:58:06,500 --> 00:58:04,230

in there sure okay

1269

00:58:08,930 --> 00:58:06,510

this this was back you may remember he

1270

00:58:12,140 --> 00:58:08,940

had some contact with a a teacher from

1271

00:58:13,940 --> 00:58:12,150

Michigan called chick Mendez and in fact

1272

00:58:16,130 --> 00:58:13,950

he wrote a book with Chuck Mendes about

1273

00:58:18,109 --> 00:58:16,140

what had happened and so chick was down

1274

00:58:22,579 --> 00:58:18,119

visiting with him and we invited them

1275

00:58:24,020 --> 00:58:22,589

how - we were building our lab site for

1276

00:58:26,510 --> 00:58:24,030

trying to track these objects with

1277

00:58:28,579 --> 00:58:26,520

optics and electronics but we really

1278

00:58:32,599 --> 00:58:28,589

didn't have anything sophisticated up at

1279

00:58:36,109 --> 00:58:32,609

that time and they were down in the some

1280

00:58:38,240 --> 00:58:36,119

distance from me Charlie and check

1281

00:58:39,980 --> 00:58:38,250

Mendez and some of our people trying to

1282

00:58:42,020 --> 00:58:39,990

get some electronic equipment working

1283

00:58:44,750 --> 00:58:42,030

down there and I was up on the hill with

1284

00:58:47,599 --> 00:58:44,760

a camera had a 300 millimeter lens which

1285

00:58:51,380 --> 00:58:47,609

is six power and I had it on the tripod

1286

00:58:53,569 --> 00:58:51,390

and all of a sudden somebody in the

1287

00:58:55,940 --> 00:58:53,579

whole group that was out there said oh

1288

00:58:58,270 --> 00:58:55,950

my gosh look over there in the cell oh

1289

00:59:02,329 --> 00:58:58,280

my gosh and we looked over there and

1290

00:59:05,750 --> 00:59:02,339

here this is a dark night and over

1291

00:59:07,370 --> 00:59:05,760

hovering over a an oak tree you could

1292

00:59:09,589 --> 00:59:07,380

tell by the light there was a circular

1293

00:59:11,270 --> 00:59:09,599

object you could see completely clearly

1294

00:59:12,020 --> 00:59:11,280

a Rimmer reticle I saw it through the

1295

00:59:14,120 --> 00:59:12,030

sixth power

1296

00:59:15,680 --> 00:59:14,130

telephoto see a rim around it and a

1297

00:59:17,240 --> 00:59:15,690

structural pattern on it I won't try to

1298

00:59:19,339 --> 00:59:17,250

describe it remind me a little bit of a

1299

00:59:21,770 --> 00:59:19,349

stitching on a soccer ball or something

1300

00:59:24,710 --> 00:59:21,780

but it was it was hovering there and it

1301
00:59:27,140 --> 00:59:24,720
had a cone of light extending down out

1302
00:59:29,359 --> 00:59:27,150
of the bottom on the top of that that

1303
00:59:31,339 --> 00:59:29,369
oak tree and that it seemed that the

1304
00:59:33,710 --> 00:59:31,349
column was vibrating I guessed about ten

1305
00:59:36,140 --> 00:59:33,720
times a second as best I could judge it

1306
00:59:39,559 --> 00:59:36,150
and much too much I was too astonished

1307
00:59:43,099 --> 00:59:39,569
to click the camera right away here at

1308
00:59:45,680 --> 00:59:43,109
underneath this I thought maybe I saw at

1309
00:59:47,150 --> 00:59:45,690
least two little figures there were

1310
00:59:48,740 --> 00:59:47,160
something moving under there and I

1311
00:59:50,270 --> 00:59:48,750
couldn't be sure and there was one or

1312
00:59:52,160 --> 00:59:50,280
two others they thought they saw this

1313
00:59:55,520 --> 00:59:52,170

but I had a better view because I was on

1314

00:59:57,770 --> 00:59:55,530

six power and I was about ready my guy

1315

01:00:01,010 --> 00:59:57,780

to get my census and take a picture and

1316

01:00:04,640 --> 01:00:01,020

all of a sudden as if by signal this

1317

01:00:06,620 --> 01:00:04,650

thing vanished as if I mean it was

1318

01:00:09,020 --> 01:00:06,630

incredible it was there one moment and

1319

01:00:11,270 --> 01:00:09,030

it was gone well while it was still

1320

01:00:13,040 --> 01:00:11,280

there I was I'll never forget this this

1321

01:00:15,020 --> 01:00:13,050

is a memorable part even more than the

1322

01:00:19,160 --> 01:00:15,030

object itself there's this incredible

1323

01:00:20,930 --> 01:00:19,170

thing sitting there out maybe a 1/3 of a

1324

01:00:23,510 --> 01:00:20,940

mile from us or of quarter-mile from us

1325

01:00:26,000 --> 01:00:23,520

and but quite large it must have been at

1326

01:00:27,530 --> 01:00:26,010

least 30 feet across or so Charlie

1327

01:00:30,530 --> 01:00:27,540

turned around and looked and I'll never

1328

01:00:34,520 --> 01:00:30,540

forget his reaction most people was good

1329

01:00:36,320 --> 01:00:34,530

oh my gosh look at that Charlie just

1330

01:00:39,230 --> 01:00:36,330

turned around and he said well I'll

1331

01:00:43,310 --> 01:00:39,240

never forget his good accent ASIS well

1332

01:00:46,070 --> 01:00:43,320

I'll be and this really hit me as being

1333

01:00:47,720 --> 01:00:46,080

the essence of sincerity he had seen

1334

01:00:50,630 --> 01:00:47,730

something much more awesome and

1335

01:00:53,390 --> 01:00:50,640

frightening but just turn around and say

1336

01:00:55,670 --> 01:00:53,400

well I'll be to me that was the that was

1337

01:00:58,130 --> 01:00:55,680

the the crowning point of that little

1338

01:00:59,780 --> 01:00:58,140

episode and I just wanted to share that

1339

01:01:04,220 --> 01:00:59,790

with you because I thought maybe you

1340

01:01:07,600 --> 01:01:04,230

hadn't heard those Calvin no I didn't

1341

01:01:10,370 --> 01:01:07,610

hear either one Calvin no I had now I

1342

01:01:12,110 --> 01:01:10,380

really did today too much in touch with

1343

01:01:15,400 --> 01:01:12,120

Charlie you know we'd see each other

1344

01:01:18,410 --> 01:01:15,410

sometime but we never talked about it

1345

01:01:21,680 --> 01:01:18,420

yeah well you know it's it's my pleasure

1346

01:01:23,300 --> 01:01:21,690

to hear you I really enjoyed I enjoyed

1347

01:01:24,770 --> 01:01:23,310

your appearance before I'm gonna

1348

01:01:26,540 --> 01:01:24,780

certainly gonna read the book wouldn't

1349

01:01:28,400 --> 01:01:26,550

miss it for anything and I do have a

1350

01:01:29,540 --> 01:01:28,410

rental copy of the recording of what

1351

01:01:31,220 --> 01:01:29,550

happened in the sheriff's office you

1352

01:01:32,900 --> 01:01:31,230

guys didn't know it was being made I

1353

01:01:35,540 --> 01:01:32,910

have it here in a drawer somewhere but

1354

01:01:36,800 --> 01:01:35,550

anyway I'll sign off and and thanks for

1355

01:01:39,020 --> 01:01:36,810

listening and thanks for sharing with us

1356

01:01:39,980 --> 01:01:39,030

Calvin I'm a good deal and thank you

1357

01:01:44,180 --> 01:01:39,990

thank you Ray

1358

01:01:46,960 --> 01:01:44,190

it's our honor yes yeah yeah so that was

1359

01:01:50,090 --> 01:01:46,970

a race Dan for a long time UFO searcher

1360

01:01:52,310 --> 01:01:50,100

Socorro and and a lot more than that

1361

01:01:53,720 --> 01:01:52,320

actually so it was good to hear from so

1362

01:01:55,130 --> 01:01:53,730

the lines open now if anyone else would

1363

01:01:57,560 --> 01:01:55,140

like to call in someone was just trying

1364

01:02:00,590 --> 01:01:57,570

to call a minute ago you're welcome to

1365

01:02:04,160 --> 01:02:00,600

call back and we'll connect you for any

1366

01:02:09,230 --> 01:02:04,170

questions for for Calvin until someone

1367

01:02:09,390 --> 01:02:09,240

calls so you I was unaware that you kind

1368

01:02:12,690 --> 01:02:09,400

of

1369

01:02:15,600 --> 01:02:12,700

lost touch with with Charlie did people

1370

01:02:18,720 --> 01:02:15,610

try to get you like on any type of shows

1371

01:02:21,540 --> 01:02:18,730

together like to be loved you you liked

1372

01:02:24,540 --> 01:02:21,550

it and we did Mike want show together oh

1373

01:02:29,310 --> 01:02:24,550

hang on we have a call baby we can talk

1374

01:02:33,210 --> 01:02:29,320

about that right after okay okay hi

1375

01:02:35,910 --> 01:02:33,220

caller please first give you a first

1376

01:02:38,930 --> 01:02:35,920

name and where you calling from

1377

01:02:42,900 --> 01:02:38,940

yeah I'm coming from southern France

1378

01:02:47,160 --> 01:02:42,910

quite far away from you yes welcome from

1379

01:02:49,470 --> 01:02:47,170

Rui and for you since a while and sorry

1380

01:02:53,070 --> 01:02:49,480

for my English is not amazing I hope

1381

01:02:57,930 --> 01:02:53,080

that people understand me yeah I have a

1382

01:03:00,990 --> 01:02:57,940

question for your guest and I wanted to

1383

01:03:06,660 --> 01:03:01,000

know yeah somebody talk about the

1384

01:03:09,900 --> 01:03:06,670

religion I mean didi had also for

1385

01:03:12,060 --> 01:03:09,910

instance thoughts about an environment

1386

01:03:14,610 --> 01:03:12,070

the planet and things like that because

1387

01:03:19,800 --> 01:03:14,620

I know child Hickson was very vocal

1388

01:03:23,400 --> 01:03:19,810

about this in in this conference and in

1389

01:03:30,510 --> 01:03:23,410

the conference she did later after the

1390

01:03:35,070 --> 01:03:30,520

incident under to know that so that's

1391

01:03:37,110 --> 01:03:35,080

the environment oh yeah yeah but being

1392

01:03:40,710 --> 01:03:37,120

vegetarian and all those you know all

1393

01:03:45,630 --> 01:03:40,720

those thought that you can I mean it can

1394

01:03:49,140 --> 01:03:45,640

fit new agey but you had a total

1395

01:03:52,230 --> 01:03:49,150

different that look after this and this

1396

01:03:54,390 --> 01:03:52,240

this earth the people in the earth is

1397

01:03:57,270 --> 01:03:54,400

destroying it and there's no doubt about

1398

01:03:59,580 --> 01:03:57,280

it we got politicians we've got military

1399

01:04:02,340 --> 01:03:59,590

we got everybody destroying this earth

1400

01:04:04,620 --> 01:04:02,350

you know we don't stop it's gonna be

1401

01:04:07,140 --> 01:04:04,630

gone and I feel like that that's one

1402

01:04:10,200 --> 01:04:07,150

reason for the communication and them

1403

01:04:12,900 --> 01:04:10,210

coming is to teach us how to protect our

1404

01:04:16,190 --> 01:04:12,910

or for now but yeah I feel like was gone

1405

01:04:19,560 --> 01:04:16,200

and I got a different answer you know

1406

01:04:21,720 --> 01:04:19,570

okay so yeah this thoughts those

1407

01:04:23,010 --> 01:04:21,730

thoughts came after the experience I

1408

01:04:24,690 --> 01:04:23,020

mean yes

1409

01:04:26,430 --> 01:04:24,700

you started to reflect about this after

1410

01:04:30,060 --> 01:04:26,440

the experience that's interesting

1411

01:04:32,130 --> 01:04:30,070

how do you no doubt about it okay okay I

1412

01:04:36,210 --> 01:04:32,140

have another question about about the

1413

01:04:38,400 --> 01:04:36,220

abduction itself because I'm very I mean

1414

01:04:40,050 --> 01:04:38,410

I'm grain testing you for phenomenon but

1415

01:04:44,670 --> 01:04:40,060

the abduction is is very it's very

1416

01:04:48,110 --> 01:04:44,680

difficult to to get a grasp on this is

1417

01:04:54,390 --> 01:04:52,470

hypnotized by Pat Hopkins but but when

1418

01:04:56,700 --> 01:04:54,400

you say you you've seen all this aliens

1419

01:05:01,790 --> 01:04:56,710

and being inside across the world did it

1420

01:05:06,330 --> 01:05:01,800

really looked real or I mean I mean the

1421

01:05:07,560 --> 01:05:06,340

like it was a dream like it is see what

1422

01:05:09,210 --> 01:05:07,570

I mean I mean even though the memory is

1423

01:05:13,080 --> 01:05:09,220

very far away I guess it's difficult for

1424

01:05:16,260 --> 01:05:13,090

you to remember but so do you but this

1425

01:05:20,490 --> 01:05:16,270

is real like yeah or like any other

1426

01:05:22,740 --> 01:05:20,500

extremity that more real or more vivid

1427

01:05:25,710 --> 01:05:22,750

it was a blanket yeah more there's no

1428

01:05:28,020 --> 01:05:25,720

way it was a dream or how okay so you

1429

01:05:30,510 --> 01:05:28,030

never dealt about okay ever happened

1430

01:05:32,550 --> 01:05:30,520

down you never had any doubt yeah okay

1431

01:05:35,670 --> 01:05:32,560

yeah that's fascinating

1432

01:05:39,240 --> 01:05:35,680

yes very fascinating and and another one

1433

01:05:42,350 --> 01:05:39,250

last thing because is I'm following this

1434

01:05:45,300 --> 01:05:42,360

this phenomenon since a while and I

1435

01:05:47,820 --> 01:05:45,310

wanted to know because it's it's

1436

01:05:49,230 --> 01:05:47,830

changing so so much the phenomenon is

1437

01:05:51,810 --> 01:05:49,240

changing so much through the years I

1438

01:05:53,850 --> 01:05:51,820

mean since the 50s until now there's no

1439

01:05:56,790 --> 01:05:53,860

more at the abduction like you do one

1440

01:06:00,390 --> 01:05:56,800

you have I mean from more from what I'm

1441

01:06:02,640 --> 01:06:00,400

hearing and no more landings no more I

1442

01:06:04,890 --> 01:06:02,650

mean it's evolving so much the shape of

1443

01:06:07,290 --> 01:06:04,900

the craft that creatures I mean in your

1444

01:06:09,780 --> 01:06:07,300

creatures you seen looks very seventies

1445

01:06:11,520 --> 01:06:09,790

like in the drawing I don't doubt your

1446

01:06:14,550 --> 01:06:11,530

experience but it looks like the

1447

01:06:16,320 --> 01:06:14,560

phenomenon is really copying what people

1448

01:06:19,680 --> 01:06:16,330

are seeing at the time in science

1449

01:06:21,990 --> 01:06:19,690

fiction stuff so do you think that the

1450

01:06:25,170 --> 01:06:22,000

intelligence showed you what you could

1451

01:06:28,590 --> 01:06:25,180

handle somehow or I mean have you had

1452

01:06:29,400 --> 01:06:28,600

thoughts about this the way you you see

1453

01:06:33,060 --> 01:06:29,410

what I mean

1454

01:06:35,670 --> 01:06:33,070

like it could be alien but alien like we

1455

01:06:36,600 --> 01:06:35,680

can't even conceive it somehow it's it

1456

01:06:39,150 --> 01:06:36,610

looks so

1457

01:06:42,720 --> 01:06:39,160

you see I mean it was very your your

1458

01:06:44,610 --> 01:06:42,730

sightings seems so cliché somehow I mean

1459

01:06:46,800 --> 01:06:44,620

I don't criticize it just the way it

1460

01:06:47,430 --> 01:06:46,810

looks I mean meows people around me I've

1461

01:06:51,210 --> 01:06:47,440

seen

1462

01:06:53,670 --> 01:06:51,220

yes I understand that and now you know

1463

01:06:55,490 --> 01:06:53,680

if I hadn't had this experience myself

1464

01:06:58,340 --> 01:06:55,500

and somebody was telling me about it

1465

01:07:01,080 --> 01:06:58,350

it'll be one of them you got to show me

1466

01:07:04,530 --> 01:07:01,090

about oh yeah exactly it looks very

1467

01:07:07,760 --> 01:07:04,540

weird that weirder than we really yeah

1468

01:07:10,980 --> 01:07:07,770

and it's not a lot for people to will

1469

01:07:14,130 --> 01:07:10,990

ever make their own mind up about it

1470

01:07:17,040 --> 01:07:14,140

because it is a hard pill to swallow but

1471

01:07:21,180 --> 01:07:17,050

yeah yeah completely well we went to

1472

01:07:22,710 --> 01:07:21,190

when I went to write this book somebody

1473

01:07:24,150 --> 01:07:22,720

said well you know there's going to be

1474

01:07:26,460 --> 01:07:24,160

somebody don't believe yes and well

1475

01:07:27,930 --> 01:07:26,470

that's up to the individual they can

1476

01:07:30,390 --> 01:07:27,940

believe or they don't have to believe

1477

01:07:32,760 --> 01:07:30,400

personally myself I know that it

1478

01:07:35,130 --> 01:07:32,770

happened now I don't care of anybody

1479

01:07:38,730 --> 01:07:35,140

else please it or not the books out here

1480

01:07:41,850 --> 01:07:38,740

doctor just down and yeah the messages

1481

01:07:45,150 --> 01:07:41,860

been released I mean that's the toughest

1482

01:07:47,190 --> 01:07:45,160

is to awaken people to other realities

1483

01:07:49,440 --> 01:07:47,200

is it's is that's the whole point

1484

01:07:54,420 --> 01:07:49,450

I guess because this is where we are now

1485

01:07:56,460 --> 01:07:54,430

so anything that and I'm really fine

1486

01:07:59,430 --> 01:07:56,470

thank you very much anyway

1487

01:08:01,380 --> 01:07:59,440

interdimensional lobby I think they have

1488

01:08:03,960 --> 01:08:01,390

the power now instead of coming down in

1489

01:08:06,630 --> 01:08:03,970

a spacecraft they kind of worm into a

1490

01:08:09,120 --> 01:08:06,640

black hole or something and I hear in

1491

01:08:11,700 --> 01:08:09,130

just few seconds instead of yeah like I

1492

01:08:14,490 --> 01:08:11,710

mean we can yeah this is how you we can

1493

01:08:16,050 --> 01:08:14,500

yeah we can see that that way yeah for

1494

01:08:18,420 --> 01:08:16,060

the moment we can see if that way maybe

1495

01:08:20,010 --> 01:08:18,430

it could change it but it's fascinating

1496

01:08:22,200 --> 01:08:20,020

anyway

1497

01:08:25,130 --> 01:08:22,210

I was we have been for four years been

1498

01:08:28,290 --> 01:08:25,140

fascinating by your case and very uh

1499

01:08:32,250 --> 01:08:28,300

whoops that was totally fresh I

1500

01:08:33,810 --> 01:08:32,260

apologize to the caller I was trying to

1501

01:08:36,870 --> 01:08:33,820

adjust something and I just hung up on

1502

01:08:38,790 --> 01:08:36,880

him and by accidental list and I

1503

01:08:40,470 --> 01:08:38,800

appreciate him calling me and then

1504

01:08:43,500 --> 01:08:40,480

though yes he had some very good

1505

01:08:45,360 --> 01:08:43,510

question some it's been asked yes and oh

1506

01:08:46,740 --> 01:08:45,370

you know I never want to say that I do

1507

01:08:48,249 --> 01:08:46,750

apologize for hanging up that was

1508

01:08:51,099 --> 01:08:48,259

totally an accident

1509

01:08:53,620 --> 01:08:51,109

and yeah it was good good to hear in the

1510

01:08:55,509 --> 01:08:53,630

lines open again if someone wants to

1511

01:08:57,939 --> 01:08:55,519

call in that line that numbers up on the

1512

01:09:00,459 --> 01:08:57,949

screen and you're welcome to give a call

1513

01:09:03,120 --> 01:09:00,469

yeah that was that was some really good

1514

01:09:06,189 --> 01:09:03,130

questions and that's why I like people

1515

01:09:08,200 --> 01:09:06,199

calling in and in the chat room too

1516

01:09:09,609 --> 01:09:08,210

because uh I can't think of all the

1517

01:09:13,089 --> 01:09:09,619

questions and it's good to get someone

1518

01:09:15,849 --> 01:09:13,099

else's you know I wouldn't I would hate

1519

01:09:18,489 --> 01:09:15,859

to live in a world where everybody

1520

01:09:21,399 --> 01:09:18,499

blamed everything that everybody said I

1521

01:09:24,519 --> 01:09:21,409

mean you have to ask questions you have

1522

01:09:27,669 --> 01:09:24,529

to establish in your mind what happened

1523

01:09:29,950 --> 01:09:27,679

and go by the facts now like in my case

1524

01:09:32,620 --> 01:09:29,960

I feel like it's enough facts to prove

1525

01:09:35,229 --> 01:09:32,630

why did it happen you know it's not too

1526

01:09:37,930 --> 01:09:35,239

many people especially two people in a

1527

01:09:41,499 --> 01:09:37,940

row that can pass polygraph test more

1528

01:09:45,309 --> 01:09:41,509

stress test the test of time and all

1529

01:09:47,680 --> 01:09:45,319

this and we have passed all that so you

1530

01:09:49,620 --> 01:09:47,690

know I'm down enough proven I even told

1531

01:09:53,109 --> 01:09:49,630

Phillip one time before you know a

1532

01:09:55,239 --> 01:09:53,119

polygraph you know don't mean nothing I

1533

01:09:56,020 --> 01:09:55,249

could pass that easy because I'm telling

1534

01:09:59,950 --> 01:09:56,030

the truth

1535

01:10:02,830 --> 01:09:59,960

right hey when just before the call we

1536

01:10:05,229 --> 01:10:02,840

were talking about people wanting you to

1537

01:10:07,359 --> 01:10:05,239

do interviews right after this happened

1538

01:10:13,959 --> 01:10:07,369

so what how did how did that

1539

01:10:16,200 --> 01:10:13,969

transgressive well I left and I left the

1540

01:10:21,009 --> 01:10:16,210

coast and I went back home to LA

1541

01:10:22,479 --> 01:10:21,019

Mississippi and I fit it here not be

1542

01:10:24,669 --> 01:10:22,489

safe and kind of hid out there because

1543

01:10:28,029 --> 01:10:24,679

it was how bad it was three or four

1544

01:10:30,040 --> 01:10:28,039

hundred media parked up at the shipyard

1545

01:10:32,709 --> 01:10:30,050

trying to get to us and all we just had

1546

01:10:35,109 --> 01:10:32,719

to literally slip out they put us in

1547

01:10:38,979 --> 01:10:35,119

betray our and when they took us into

1548

01:10:42,669 --> 01:10:38,989

Keesler and on the hospital and now of

1549

01:10:44,830 --> 01:10:42,679

course the media was dead on us so when

1550

01:10:47,200 --> 01:10:44,840

we come back I slipped and got my car

1551

01:10:48,729 --> 01:10:47,210

and me and Charlie got in it and I took

1552

01:10:51,189 --> 01:10:48,739

him home and they hadn't found out where

1553

01:10:54,040 --> 01:10:51,199

he lived by the end and I left and I

1554

01:10:56,529 --> 01:10:54,050

said well this is over we'll go back

1555

01:10:58,959 --> 01:10:56,539

when I got home there there was the

1556

01:11:01,390 --> 01:10:58,969

local TV stations was there trying to do

1557

01:11:03,490 --> 01:11:01,400

interviews and I tell them look

1558

01:11:06,100 --> 01:11:03,500

want to talk about it right now would

1559

01:11:08,020 --> 01:11:06,110

that get on the knees in that tail well

1560

01:11:09,700 --> 01:11:08,030

we had an interview with mr. Parker this

1561

01:11:11,740 --> 01:11:09,710

is what do you say it and you know I

1562

01:11:16,479 --> 01:11:11,750

wouldn't know mr. Parker Den it was I

1563

01:11:18,939 --> 01:11:16,489

was a 19 year old kid more or less and I

1564

01:11:21,729 --> 01:11:18,949

just didn't want to talk and then make

1565

01:11:24,070 --> 01:11:21,739

up stuff and it wasn't just one MIDI

1566

01:11:26,530 --> 01:11:24,080

outlet it was several kind of know how

1567

01:11:31,240 --> 01:11:26,540

Donald Trump feels now talk about that

1568

01:11:33,550 --> 01:11:31,250

fake news what about the skeptics how

1569

01:11:35,560 --> 01:11:33,560

how did you handle that I mean was that

1570

01:11:39,040 --> 01:11:35,570

with that that feel like a slap in the

1571

01:11:41,320 --> 01:11:39,050

face to what you knew that happened no

1572

01:11:42,880 --> 01:11:41,330

it didn't because I always appreciated

1573

01:11:47,430 --> 01:11:42,890

them because sometimes they would bring

1574

01:11:50,290 --> 01:11:47,440

up some kind of all educated question

1575

01:11:52,959 --> 01:11:50,300

you know and that's like I always said

1576

01:11:55,660 --> 01:11:52,969

you'd have to be real narrow-minded not

1577

01:11:57,700 --> 01:11:55,670

to think it's life on other planets look

1578

01:11:59,709 --> 01:11:57,710

at all the stars when you go out and

1579

01:12:01,959 --> 01:11:59,719

every one of them stars is a Sun and

1580

01:12:04,300 --> 01:12:01,969

this planet is probably revolving around

1581

01:12:07,870 --> 01:12:04,310

them so I don't think God just put us

1582

01:12:09,939 --> 01:12:07,880

here on earth so and we could be some

1583

01:12:12,040 --> 01:12:09,949

kind of experiment from another planet I

1584

01:12:17,860 --> 01:12:12,050

might as put down here just to see how

1585

01:12:22,180 --> 01:12:17,870

we make it I don't that often I yeah I

1586

01:12:25,390 --> 01:12:22,190

still feel that maybe we just can't some

1587

01:12:28,870 --> 01:12:25,400

kind of experiment and those two say we

1588

01:12:31,630 --> 01:12:28,880

can stand up to time down here so far

1589

01:12:34,000 --> 01:12:31,640

we're not you mentioned earlier that you

1590

01:12:38,020 --> 01:12:34,010

know the thoughts of really taking care

1591

01:12:40,419 --> 01:12:38,030

of the planet and which you know we

1592

01:12:43,180 --> 01:12:40,429

really do have to you know ironically

1593

01:12:46,240 --> 01:12:43,190

the planet will will survive and it's us

1594

01:12:50,860 --> 01:12:46,250

that will be gone you know and exactly

1595

01:12:53,709 --> 01:12:50,870

right yeah so look it'll just evolve

1596

01:12:57,430 --> 01:12:53,719

into something else happening look back

1597

01:12:59,290 --> 01:12:57,440

years ago when they started coming in

1598

01:13:01,419 --> 01:12:59,300

and they call it the Dust Bowl where

1599

01:13:03,100 --> 01:13:01,429

they used to have in dust storms they

1600

01:13:05,680 --> 01:13:03,110

started plowing the ground and doing

1601
01:13:07,930 --> 01:13:05,690
away with the vegetation and raping the

1602
01:13:10,090 --> 01:13:07,940
planted over there and it got it turned

1603
01:13:12,209 --> 01:13:10,100
to dust and it's just dust storms I

1604
01:13:14,169 --> 01:13:12,219
forget just where it was I think

1605
01:13:18,729 --> 01:13:14,179
Oklahoma or somewhere

1606
01:13:20,080 --> 01:13:18,739
oh yeah yeah yeah there's yeah there's a

1607
01:13:24,250 --> 01:13:20,090
documentary on that that's interesting

1608
01:13:25,630 --> 01:13:24,260
so anyone can call in again the numbers

1609
01:13:30,220 --> 01:13:25,640
up on the screen you're welcome to call

1610
01:13:32,320 --> 01:13:30,230
in and ask Calvin a question so as time

1611
01:13:34,300 --> 01:13:32,330
went on this happened you know quite a

1612
01:13:37,709 --> 01:13:34,310
few years ago I can't even count the

1613
01:13:42,250 --> 01:13:37,719

years but 45 years is coming out I hope

1614

01:13:44,310 --> 01:13:42,260

45 years ago so were there long

1615

01:13:47,500 --> 01:13:44,320

stretches of time where you actually

1616

01:13:49,270 --> 01:13:47,510

didn't think about this or did you

1617

01:13:51,120 --> 01:13:49,280

always think about it was it like always

1618

01:13:53,590 --> 01:13:51,130

on your mind in the back you mind I

1619

01:13:55,660 --> 01:13:53,600

would have to say it's not a day that

1620

01:14:00,090 --> 01:13:55,670

ever went by that I didn't think about

1621

01:14:03,490 --> 01:14:00,100

it well how I tried not to and

1622

01:14:05,979 --> 01:14:03,500

especially I do a lot of night fishing

1623

01:14:08,500 --> 01:14:05,989

and I go out at night and I kick back

1624

01:14:11,169 --> 01:14:08,510

and I look at the Stars and I look

1625

01:14:13,540 --> 01:14:11,179

around to see if I see anything and I

1626

01:14:16,840 --> 01:14:13,550

think about it pretty regular then yeah

1627

01:14:19,979 --> 01:14:16,850

have you ever like feared that you know

1628

01:14:22,540 --> 01:14:19,989

how I don't know if you pay attention to

1629

01:14:25,720 --> 01:14:22,550

what other people that are saying that

1630

01:14:28,959 --> 01:14:25,730

they have you know experiences abduction

1631

01:14:31,360 --> 01:14:28,969

experiences but they often say that

1632

01:14:34,030 --> 01:14:31,370

there are abducted you know repeatedly

1633

01:14:36,010 --> 01:14:34,040

have you worried that that at any time

1634

01:14:40,000 --> 01:14:36,020

did you worry that that might happen to

1635

01:14:44,260 --> 01:14:40,010

you well stranger brought all that up

1636

01:14:47,979 --> 01:14:44,270

it's in the book back in the 90s I

1637

01:14:51,610 --> 01:14:47,989

forget what day - no I went fishing one

1638

01:14:54,550 --> 01:14:51,620

night to the island and I was missing a

1639

01:14:57,520 --> 01:14:54,560

good deal of time I was supposed to be

1640

01:14:59,169 --> 01:14:57,530

back home before dark and before I knew

1641

01:15:01,660 --> 01:14:59,179

it it was three o'clock in the morning

1642

01:15:03,520 --> 01:15:01,670

and I had no clue to where I'd be in a

1643

01:15:06,310 --> 01:15:03,530

and I had took me a little lunch I

1644

01:15:09,280 --> 01:15:06,320

didn't he made my lunch or nothing so uh

1645

01:15:12,430 --> 01:15:09,290

that worried me and I got to thinking

1646

01:15:14,470 --> 01:15:12,440

missing time and then I had heard Budd

1647

01:15:17,620 --> 01:15:14,480

Hopkins had written a book on missing

1648

01:15:21,189 --> 01:15:17,630

time and that's why I went to see him he

1649

01:15:23,979 --> 01:15:21,199

was in town I believe it was West Palm

1650

01:15:26,220 --> 01:15:23,989

Beach no it was a camper or somewhere

1651

01:15:27,910 --> 01:15:26,230
around that area that they had a

1652

01:15:29,830 --> 01:15:27,920
conference

1653

01:15:32,380 --> 01:15:29,840
so I persistently went to see Budd

1654

01:15:34,660 --> 01:15:32,390
Hopkins now I didn't want to speak at

1655

01:15:37,180 --> 01:15:34,670
the conference and I didn't but I did

1656

01:15:40,419 --> 01:15:37,190
slip in there and I found Budd

1657

01:15:43,180 --> 01:15:40,429
I said but I need to talk to you and of

1658

01:15:45,520 --> 01:15:43,190
course he knew who I was he said ok so

1659

01:15:48,040 --> 01:15:45,530
when I get off when I get through here

1660

01:15:51,550 --> 01:15:48,050
tonight come to my room he gave me his

1661

01:15:54,189 --> 01:15:51,560
room number now so that night I just

1662

01:15:56,740 --> 01:15:54,199
kind of eased out and then I left and

1663

01:15:59,470 --> 01:15:56,750

went to Bud's room and I took a witness

1664

01:16:02,560 --> 01:15:59,480

with me I took a friend of mine with me

1665

01:16:05,830 --> 01:16:02,570

to make sure that everything was up to

1666

01:16:08,770 --> 01:16:05,840

and that's when bud I told him about the

1667

01:16:12,070 --> 01:16:08,780

missing time and he talked to me about

1668

01:16:13,840 --> 01:16:12,080

it and he had written a couple of books

1669

01:16:15,700 --> 01:16:13,850

on it and they said well let me

1670

01:16:18,939 --> 01:16:15,710

hypnotize you so I agreed to go under

1671

01:16:21,220 --> 01:16:18,949

hypnosis now I never believed I could be

1672

01:16:24,550 --> 01:16:21,230

hypnotized honest to god I never thought

1673

01:16:26,770 --> 01:16:24,560

I could be hypnotized well bud

1674

01:16:29,380 --> 01:16:26,780

hypnotized me then he put a post

1675

01:16:31,060 --> 01:16:29,390

hypnotic suggestion in my head that I

1676

01:16:33,939 --> 01:16:31,070

wouldn't remember it until I got to

1677

01:16:38,680 --> 01:16:33,949

where I could handle it well up until

1678

01:16:43,120 --> 01:16:38,690

Philip the publisher of the book Philip

1679

01:16:47,229 --> 01:16:43,130

Mandel on metal he got ahold of the Budd

1680

01:16:50,340 --> 01:16:47,239

Hopkins transcripts and Budd Hopkins

1681

01:16:52,959 --> 01:16:50,350

taped the original tape and he wrote

1682

01:16:54,430 --> 01:16:52,969

transcripts in the book about it and it

1683

01:16:55,990 --> 01:16:54,440

was unbelievable I couldn't believe

1684

01:16:58,060 --> 01:16:56,000

somebody Wow

1685

01:17:01,419 --> 01:16:58,070

but the man that the man that was with

1686

01:17:03,790 --> 01:17:01,429

me had told me you know that man

1687

01:17:05,110 --> 01:17:03,800

hypnotized you you was there and I

1688

01:17:11,050 --> 01:17:05,120

didn't believe him but he was a real

1689

01:17:13,510 --> 01:17:11,060

incredible person yeah yeah we have a

1690

01:17:17,919 --> 01:17:13,520

caller in caller your first name where

1691

01:17:20,290 --> 01:17:17,929

you calling from my name is Mike and

1692

01:17:21,610 --> 01:17:20,300

calling from Salt Lake City hi Mike

1693

01:17:24,150 --> 01:17:21,620

welcome to the show do you have a

1694

01:17:28,330 --> 01:17:24,160

question for Calvin

1695

01:17:34,290 --> 01:17:28,340

yeah idea I was just um I was wondering

1696

01:17:37,990 --> 01:17:34,300

I'm not too familiar with the details of

1697

01:17:41,510 --> 01:17:38,000

what happened to you but I was kind of

1698

01:17:50,370 --> 01:17:46,410

during the abduction if you remember the

1699

01:17:57,630 --> 01:17:50,380

individual beings having any kind of

1700

01:17:59,910 --> 01:17:57,640

emotion like emotional that that is what

1701

01:18:03,840 --> 01:17:59,920

really good question I know what you

1702

01:18:06,300 --> 01:18:03,850

mean yeah or if they were all kind of if

1703

01:18:07,950 --> 01:18:06,310

they were all just like flatlined kind

1704

01:18:09,660 --> 01:18:07,960

of no emotions or if you could sense

1705

01:18:12,870 --> 01:18:09,670

that one maybe had different emotions

1706

01:18:16,590 --> 01:18:12,880

from another or anything like that the

1707

01:18:18,690 --> 01:18:16,600

one that brought me again and I call him

1708

01:18:21,720 --> 01:18:18,700

a soldier I don't know if he was or not

1709

01:18:23,940 --> 01:18:21,730

or if it was a he but he had no emotions

1710

01:18:26,220 --> 01:18:23,950

whatsoever it was just like he had a job

1711

01:18:28,590 --> 01:18:26,230

to do he did his job

1712

01:18:32,160 --> 01:18:28,600

he brought me in he put me on the table

1713

01:18:36,720 --> 01:18:32,170

exam table now the other being that come

1714

01:18:38,670 --> 01:18:36,730

out I believe she had emotions and we

1715

01:18:42,600 --> 01:18:38,680

could have had a good conversation that

1716

01:18:46,040 --> 01:18:42,610

they hadn't been in a hurry so well yeah

1717

01:18:48,240 --> 01:18:46,050

but any handful yeah like they were is

1718

01:18:50,820 --> 01:18:48,250

you feel like they were in a they were

1719

01:18:54,780 --> 01:18:50,830

in a hurry though they weren't that's

1720

01:18:56,220 --> 01:18:54,790

interesting they weren't taking their

1721

01:18:59,750 --> 01:18:56,230

time with whatever they were doing it

1722

01:19:03,990 --> 01:18:59,760

was trying to get you in and out well

1723

01:19:08,910 --> 01:19:04,000

they pretty much had a job to do I think

1724

01:19:10,470 --> 01:19:08,920

like anybody else and you know like I

1725

01:19:12,870 --> 01:19:10,480

say I don't know exactly how long we was

1726

01:19:14,490 --> 01:19:12,880

in I'm gonna guess 45 minutes but yeah

1727

01:19:17,100 --> 01:19:14,500

that was pretty much in a hurry I don't

1728

01:19:19,200 --> 01:19:17,110

know that was supposed to be somewhere

1729

01:19:23,280 --> 01:19:19,210

get get through and get away before

1730

01:19:27,030 --> 01:19:23,290

somebody drove up but we got in a big

1731

01:19:30,600 --> 01:19:27,040

hurry after that I really wanted to talk

1732

01:19:32,370 --> 01:19:30,610

to her and she could Wow okay just one

1733

01:19:36,750 --> 01:19:32,380

more just one more thing to kind of go

1734

01:19:39,570 --> 01:19:36,760

off of my first question um as far did

1735

01:19:43,710 --> 01:19:39,580

you feel like they were apprehensive

1736

01:19:45,300 --> 01:19:43,720

racing towards your movements or if or I

1737

01:19:47,850 --> 01:19:45,310

don't know if you were even felt like

1738

01:19:51,120 --> 01:19:47,860

you had control over maybe yourself or

1739

01:19:53,040 --> 01:19:51,130

if you but did they feel that they feel

1740

01:19:53,820 --> 01:19:53,050

nervous to your reaction to what they

1741

01:19:55,620 --> 01:19:53,830

were doing or it's

1742

01:19:57,090 --> 01:19:55,630

like I'll go ahead and hang up and

1743

01:19:58,580 --> 01:19:57,100

listen to the rest after yeah thank you

1744

01:20:01,230 --> 01:19:58,590

guys thank you okay

1745

01:20:03,630 --> 01:20:01,240

though they didn't they didn't feel

1746

01:20:06,600 --> 01:20:03,640

after I got their injection you know I

1747

01:20:09,360 --> 01:20:06,610

couldn't really be apprehensive like

1748

01:20:12,540 --> 01:20:09,370

that toward them but they didn't seem to

1749

01:20:14,370 --> 01:20:12,550

fear me at all not at all cuz I think

1750

01:20:16,320 --> 01:20:14,380

they need you know there was nothing we

1751

01:20:17,700 --> 01:20:16,330

could do I was laying there and I

1752

01:20:21,240 --> 01:20:17,710

couldn't even turn my head to look

1753

01:20:22,980 --> 01:20:21,250

around now what always Charlie you

1754

01:20:25,800 --> 01:20:22,990

didn't mention anything about him having

1755

01:20:28,740 --> 01:20:25,810

any type of possible country or anything

1756

01:20:30,920 --> 01:20:28,750

did he feel also that he he couldn't do

1757

01:20:35,150 --> 01:20:30,930

anything

1758

01:20:38,400 --> 01:20:35,160

hey he told me he you know that he just

1759

01:20:40,500 --> 01:20:38,410

paralyzed more or less but you know we

1760

01:20:45,530 --> 01:20:40,510

never talked about him having a punch or

1761

01:20:47,730 --> 01:20:45,540

anything like it so well

1762

01:20:49,470 --> 01:20:47,740

you know I don't know why I don't know

1763

01:20:52,200 --> 01:20:49,480

anything about Charlie if you did he

1764

01:20:55,290 --> 01:20:52,210

took it to his grave yeah yeah

1765

01:21:02,730 --> 01:20:55,300

and so the lines open if anyone wants to

1766

01:21:08,670 --> 01:21:02,740

call in so as far as you would you say

1767

01:21:12,930 --> 01:21:08,680

when you were put back on the dock and

1768

01:21:14,820 --> 01:21:12,940

did you feel like could you describe the

1769

01:21:17,820 --> 01:21:14,830

sensation would it be like an all-over

1770

01:21:19,950 --> 01:21:17,830

novocaine or something I mean how did

1771

01:21:24,780 --> 01:21:19,960

your sensation come back slowly it was

1772

01:21:28,170 --> 01:21:24,790

an immediate no it was a I was standing

1773

01:21:32,580 --> 01:21:28,180

out and wanted a set me down and he let

1774

01:21:35,340 --> 01:21:32,590

it go when this thing let go before he

1775

01:21:37,800 --> 01:21:35,350

got back to the shop I was able you know

1776

01:21:40,860 --> 01:21:37,810

I was pretty well ship I was pretty well

1777

01:21:43,640 --> 01:21:40,870

freed up because I heard Charlie talking

1778

01:21:46,500 --> 01:21:43,650

and that's when I turned around I

1779

01:21:48,810 --> 01:21:46,510

worship you said you felt like

1780

01:21:50,130 --> 01:21:48,820

weightless and you were floated or I'm

1781

01:21:51,810 --> 01:21:50,140

putting words in your mouth you never

1782

01:21:55,140 --> 01:21:51,820

said you felt weightless but you said

1783

01:21:57,420 --> 01:21:55,150

you floated did you feel like you were

1784

01:21:58,740 --> 01:21:57,430

weightless and then when he let go of

1785

01:22:01,890 --> 01:21:58,750

you all of a sudden you had your body

1786

01:22:04,740 --> 01:22:01,900

weight back yeah that's exactly the way

1787

01:22:06,510 --> 01:22:04,750

I felt when he lifted us up it you know

1788

01:22:07,530 --> 01:22:06,520

I don't know why I didn't break her arms

1789

01:22:11,010 --> 01:22:07,540

out for some

1790

01:22:14,670 --> 01:22:11,020

but uh it painless completely painless

1791

01:22:16,500 --> 01:22:14,680

see we just kind of lifted up a couple

1792

01:22:20,160 --> 01:22:16,510

of foot off the ground level haven't

1793

01:22:22,020 --> 01:22:20,170

floated it was so and you would you say

1794

01:22:25,890 --> 01:22:22,030

you moved along fairly quickly or was it

1795

01:22:28,440 --> 01:22:25,900

slowly it was quick really well I mean

1796

01:22:31,710 --> 01:22:28,450

hey was there had grabbed us like that

1797

01:22:33,840 --> 01:22:31,720

and she just just a second we was in the

1798

01:22:37,650 --> 01:22:33,850

shield so the three hundred going into

1799

01:22:40,890 --> 01:22:37,660

whatever it was yes I'm pretty fast well

1800

01:22:43,860 --> 01:22:40,900

and and like a save it decide where this

1801
01:22:46,410 --> 01:22:43,870
was it was a lot of marsh grass a lot of

1802
01:22:48,060 --> 01:22:46,420
trash throw that there now if we had

1803
01:22:49,740 --> 01:22:48,070
walked over there it but it took a

1804
01:22:52,440 --> 01:22:49,750
pretty good while to walk through all

1805
01:22:54,150 --> 01:22:52,450
that mess but the way we were going we

1806
01:22:58,440 --> 01:22:54,160
just glided right over the top of all

1807
01:23:00,600 --> 01:22:58,450
there if you look back on this now what

1808
01:23:02,400 --> 01:23:00,610
would you think what would you think

1809
01:23:05,430 --> 01:23:02,410
they wanted do you think they wanted to

1810
01:23:08,760 --> 01:23:05,440
just examine the you know beings on this

1811
01:23:12,300 --> 01:23:08,770
planet or dimension or whatever it is to

1812
01:23:14,490 --> 01:23:12,310
them to be honest I feel like they pick

1813
01:23:17,760 --> 01:23:14,500

a certain group of people and they keep

1814

01:23:18,900 --> 01:23:17,770

a noun and they moderate them and they

1815

01:23:22,800 --> 01:23:18,910

might not even know they're being

1816

01:23:25,650 --> 01:23:22,810

monitored and I feel like I've always

1817

01:23:28,890 --> 01:23:25,660

been kind of monitored really know like

1818

01:23:32,640 --> 01:23:28,900

they've been around I have yes sir and

1819

01:23:35,640 --> 01:23:32,650

is that a scary feeling to you it it is

1820

01:23:38,850 --> 01:23:35,650

and what about you you mentioned you've

1821

01:23:40,890 --> 01:23:38,860

been married all this time has she ever

1822

01:23:42,990 --> 01:23:40,900

been affected by any of those feelings

1823

01:23:47,700 --> 01:23:43,000

or anything of yours

1824

01:23:50,460 --> 01:23:47,710

no we've never really I've tried to keep

1825

01:23:52,200 --> 01:23:50,470

this out of the family she's she's never

1826
01:23:55,350 --> 01:23:52,210
wanted to talk about it because she felt

1827
01:23:56,820 --> 01:23:55,360
like it bothered me and I never want to

1828
01:23:59,220 --> 01:23:56,830
talk about it because I didn't want to

1829
01:24:04,350 --> 01:23:59,230
talk about it and I hadn't talked to

1830
01:24:09,030 --> 01:24:04,360
family friends or anybody about this so

1831
01:24:11,910 --> 01:24:09,040
if that's the biggest reasonable yeah

1832
01:24:14,820 --> 01:24:11,920
and how does it feel talking about it

1833
01:24:17,160 --> 01:24:14,830
now like right now does it does it get

1834
01:24:19,800 --> 01:24:17,170
you all wound up or are you okay at this

1835
01:24:21,419 --> 01:24:19,810
point now I feel like to change been

1836
01:24:27,029 --> 01:24:21,429
pulled off so I'm

1837
01:24:31,229 --> 01:24:27,039
to talk well no I've decided to go ahead

1838
01:24:33,750 --> 01:24:31,239

with the book actually Oh Philip and my

1839

01:24:36,149 --> 01:24:33,760

wife talked me into this because you can

1840

01:24:40,020 --> 01:24:36,159

ask Philip I really didn't want to do it

1841

01:24:42,600 --> 01:24:40,030

I was hard to get a hold of and then we

1842

01:24:44,540 --> 01:24:42,610

talked two or three times for us it

1843

01:24:48,089 --> 01:24:44,550

finally said yeah let's do it

1844

01:24:50,129 --> 01:24:48,099

so I wanted to document it well I

1845

01:24:54,060 --> 01:24:50,139

wouldn't have to talk about it that much

1846

01:24:55,919 --> 01:24:54,070

anymore and that's why Philip kind of

1847

01:24:57,929 --> 01:24:55,929

said this is gonna be your legacy

1848

01:25:00,870 --> 01:24:57,939

we're gonna put it in writing and it's

1849

01:25:03,989 --> 01:25:00,880

there you know what it is it's what it

1850

01:25:07,319 --> 01:25:03,999

is I just want to talk briefly about the

1851
01:25:10,859 --> 01:25:07,329
connection to Philippa it just happened

1852
01:25:13,649 --> 01:25:10,869
that I looked on Facebook one day and I

1853
01:25:15,959 --> 01:25:13,659
saw him asking if anyone knew how to

1854
01:25:18,660 --> 01:25:15,969
reach Calvin Parker the Pascagoula

1855
01:25:21,509 --> 01:25:18,670
incident and saw a message and said hey

1856
01:25:23,459 --> 01:25:21,519
Phil I actually do have his email

1857
01:25:25,410 --> 01:25:23,469
address let me email him and connected

1858
01:25:27,000 --> 01:25:25,420
you guys than that I'm really glad it

1859
01:25:30,810 --> 01:25:27,010
seems like it worked out really well for

1860
01:25:33,179 --> 01:25:30,820
you it's been great and I have a hundred

1861
01:25:35,069 --> 01:25:33,189
percent trust for Philip that's

1862
01:25:38,729 --> 01:25:35,079
something I hadn't had for anybody you

1863
01:25:41,520 --> 01:25:38,739

know except for family around here when

1864

01:25:44,009 --> 01:25:41,530

Philip told me he said oh when we

1865

01:25:47,160 --> 01:25:44,019

started talking about this he said this

1866

01:25:50,040 --> 01:25:47,170

is your legacy be honest with it put it

1867

01:25:52,229 --> 01:25:50,050

down and let's get it out there and then

1868

01:25:53,819 --> 01:25:52,239

if anybody wants to know about if you

1869

01:25:56,160 --> 01:25:53,829

don't want to talk about it no more you

1870

01:25:58,979 --> 01:25:56,170

don't have to then get the book and it's

1871

01:26:02,759 --> 01:25:58,989

in the book and everything's written but

1872

01:26:04,919 --> 01:26:02,769

I say now and you know it's a big book

1873

01:26:08,489 --> 01:26:04,929

and it's well done and it come together

1874

01:26:10,500 --> 01:26:08,499

good the way Philip done it all hadn't

1875

01:26:13,020 --> 01:26:10,510

been for him he wouldn't be able I know

1876

01:26:14,939 --> 01:26:13,030

I just jotted down a few little things

1877

01:26:18,449 --> 01:26:14,949

he said well send me what you have and

1878

01:26:20,969 --> 01:26:18,459

let me look at it and I got an email

1879

01:26:22,560 --> 01:26:20,979

back to next morning and he said it's

1880

01:26:25,169 --> 01:26:22,570

quite a mess but we're doesn't

1881

01:26:25,739 --> 01:26:25,179

straighten it out I said yes sir you're

1882

01:26:30,929 --> 01:26:25,749

right

1883

01:26:34,339 --> 01:26:30,939

in there with me and we straighten it

1884

01:26:35,849 --> 01:26:34,349

out together so it's really our book I

1885

01:26:38,310 --> 01:26:35,859

see

1886

01:26:41,159 --> 01:26:38,320

I think the last time you and I

1887

01:26:42,899 --> 01:26:41,169

communicated I think you were talking

1888

01:26:47,939 --> 01:26:42,909

about the idea of writing a book weren't

1889

01:26:49,739 --> 01:26:47,949

you I had thought about it through the

1890

01:26:53,449 --> 01:26:49,749

years and that's because my wife was

1891

01:26:57,000 --> 01:26:53,459

pushing it and to be honest with you

1892

01:26:59,099 --> 01:26:57,010

when I got talked into writing a book it

1893

01:27:02,609 --> 01:26:59,109

was actually one of her neighbors had

1894

01:27:04,889 --> 01:27:02,619

passed away whether it was an awake so

1895

01:27:07,199 --> 01:27:04,899

well why was that the way that was

1896

01:27:10,319 --> 01:27:07,209

people from Texas and everywhere else

1897

01:27:12,779 --> 01:27:10,329

coming down and we couldn't even you

1898

01:27:14,729 --> 01:27:12,789

know though they wanted to talk to me

1899

01:27:17,549 --> 01:27:14,739

they see my name on the register in

1900

01:27:19,560 --> 01:27:17,559

there and all of them asked if that was

1901

01:27:21,209 --> 01:27:19,570

me because there was a little older

1902

01:27:24,479 --> 01:27:21,219

group you know most of the people that I

1903

01:27:26,369 --> 01:27:24,489

knew had died off them so they all

1904

01:27:28,379 --> 01:27:26,379

wanted an autograph and a picture being

1905

01:27:31,829 --> 01:27:28,389

taken and I didn't feel like that was

1906

01:27:34,579 --> 01:27:31,839

the place so I told my wife I said let's

1907

01:27:37,349 --> 01:27:34,589

let's get out of here and she said you

1908

01:27:42,629 --> 01:27:37,359

ain't no rideable you owe these people a

1909

01:27:44,399 --> 01:27:42,639

book and that way you know everybody's

1910

01:27:47,310 --> 01:27:44,409

got it in soon that's that's how it

1911

01:27:49,560 --> 01:27:47,320

first originally started and then

1912

01:27:52,889 --> 01:27:49,570

Phillip happened to contact at the right

1913

01:27:56,159 --> 01:27:52,899

time and I still didn't want to do a

1914

01:27:58,169 --> 01:27:56,169

book course Charlie Charlie had written

1915

01:27:59,939 --> 01:27:58,179

a book you know right I didn't want

1916

01:28:01,349 --> 01:27:59,949

nothing to do with that book he come to

1917

01:28:02,909 --> 01:28:01,359

me said I'm gonna write this book

1918

01:28:04,500 --> 01:28:02,919

whatever you like it or not I said

1919

01:28:08,279 --> 01:28:04,510

suddenly I don't care

1920

01:28:10,319 --> 01:28:08,289

did you at least look no I never read it

1921

01:28:11,969 --> 01:28:10,329

Phillip sent me a copy and I have full

1922

01:28:15,089 --> 01:28:11,979

intentions of sitting down and reading

1923

01:28:17,040 --> 01:28:15,099

it one day but uh for I just glanced

1924

01:28:18,719 --> 01:28:17,050

through it from what I seen it was a

1925

01:28:23,029 --> 01:28:18,729

pretty well written book it was pretty

1926

01:28:25,199 --> 01:28:23,039

well documented and on the spot but um I

1927

01:28:26,819 --> 01:28:25,209

didn't want nothing to do with the book

1928

01:28:28,290 --> 01:28:26,829

when he come out because when you got

1929

01:28:31,919 --> 01:28:28,300

books you got something you don't want

1930

01:28:33,629 --> 01:28:31,929

this publicity but now you know now that

1931

01:28:34,979 --> 01:28:33,639

I'm talking about it I want to talk

1932

01:28:37,349 --> 01:28:34,989

about it I want to go I want to make

1933

01:28:39,899 --> 01:28:37,359

conferences I want to do books I want to

1934

01:28:42,149 --> 01:28:39,909

talk to people I want to enjoy this

1935

01:28:44,250 --> 01:28:42,159

moment for a little while cuz when it's

1936

01:28:45,569 --> 01:28:44,260

all over said and done when I shut up

1937

01:28:47,430 --> 01:28:45,579

about it that'll be it

1938

01:28:49,979 --> 01:28:47,440

it's a viable

1939

01:28:52,920 --> 01:28:49,989

yeah yeah well I'm glad you're doing

1940

01:28:55,439 --> 01:28:52,930

this this is good and I was really

1941

01:28:57,959 --> 01:28:55,449

honored to have you on the show when I

1942

01:29:00,180 --> 01:28:57,969

did years ago because you hadn't been on

1943

01:29:03,000 --> 01:29:00,190

an interview for many years before that

1944

01:29:06,870 --> 01:29:03,010

right no absolutely not

1945

01:29:08,760 --> 01:29:06,880

the closest thing we came Charlie I had

1946

01:29:11,729 --> 01:29:08,770

a chance to go I believe it was dick

1947

01:29:14,580 --> 01:29:11,739

Cabot or or Michael Douglas or somebody

1948

01:29:17,939 --> 01:29:14,590

mm-hmm I forget just who it was so we

1949

01:29:19,620 --> 01:29:17,949

flew to Chicago and he asked me to go

1950

01:29:22,470 --> 01:29:19,630

with Carolyn please you got to go with

1951

01:29:24,930 --> 01:29:22,480

him this you got to go there's somebody

1952

01:29:27,270 --> 01:29:24,940

I want you to meet and I didn't know who

1953

01:29:32,640 --> 01:29:27,280

wanted me to mate but uh Betty Hill was

1954

01:29:35,130 --> 01:29:32,650

there and I got to meet Betty hill and

1955

01:29:37,320 --> 01:29:35,140

so when we left there instead of me

1956

01:29:40,979 --> 01:29:37,330

coming back to past burger with Charlie

1957

01:29:43,560 --> 01:29:40,989

I went to New Hampshire with Betty hill

1958

01:29:46,500 --> 01:29:43,570

and I spent four or five days and the

1959

01:29:48,180 --> 01:29:46,510

reason I did there I wanted to talk to

1960

01:29:50,820 --> 01:29:48,190

her because I knew her and Barney had

1961

01:29:52,350 --> 01:29:50,830

been through a similar experience and I

1962

01:29:54,930 --> 01:29:52,360

wanted to find out everything I could

1963

01:29:58,140 --> 01:29:54,940

about it through her and how she's

1964

01:30:01,500 --> 01:29:58,150

dealing with it now and Betty even more

1965

01:30:04,770 --> 01:30:01,510

had more to deal with you know than what

1966

01:30:07,560 --> 01:30:04,780

I did because back then interracial

1967

01:30:10,140 --> 01:30:07,570

marriage didn't go over though I mean

1968

01:30:12,900 --> 01:30:10,150

people was really hard against that so

1969

01:30:15,840 --> 01:30:12,910

she had that to deal with and then she

1970

01:30:18,030 --> 01:30:15,850

had her abduction to deal with and I

1971

01:30:20,400 --> 01:30:18,040

really enjoyed my time wherever she was

1972

01:30:23,520 --> 01:30:20,410

a down to her truth woman I mean I

1973

01:30:26,070 --> 01:30:23,530

enjoyed her did she actually did it

1974

01:30:30,000 --> 01:30:26,080

did she actually help you like deal with

1975

01:30:32,310 --> 01:30:30,010

it better the situation she she did like

1976

01:30:34,350 --> 01:30:32,320

I said I stayed with her a few days you

1977

01:30:38,689 --> 01:30:34,360

know we went up to a mountain somewhere

1978

01:30:41,510 --> 01:30:38,699

and she showed me what she thought was

1979

01:30:44,610 --> 01:30:41,520

UFOs coming in and out now I never

1980

01:30:48,420 --> 01:30:44,620

actually seen one but she's seen more in

1981

01:30:51,450 --> 01:30:48,430

there but uh but she did show me a star

1982

01:30:52,979 --> 01:30:51,460

mount that she had got from him and I

1983

01:30:55,530 --> 01:30:52,989

think that ended up being a pretty

1984

01:30:58,880 --> 01:30:55,540

accurate mount yeah there's a little bit

1985

01:31:01,260 --> 01:30:58,890

of controversy about that but there but

1986

01:31:05,010 --> 01:31:01,270

but for the most part it seems the whole

1987

01:31:07,980 --> 01:31:05,020

but pretty well I think that was an

1988

01:31:12,030 --> 01:31:07,990

interesting situation but to me she

1989

01:31:14,460 --> 01:31:12,040

seemed real genuine yeah and then I was

1990

01:31:18,810 --> 01:31:14,470

doing a job in Houma Louisiana and this

1991

01:31:21,090 --> 01:31:18,820

so lady came up and said oh I got a got

1992

01:31:23,100 --> 01:31:21,100

to talk to you Kevin I don't know how

1993

01:31:24,510 --> 01:31:23,110

she knew me or she knew me from I said

1994

01:31:27,270 --> 01:31:24,520

well what do you need to talk to me

1995

01:31:30,090 --> 01:31:27,280

about she said there's somebody that

1996

01:31:33,420 --> 01:31:30,100

wants to meet you and who it actually

1997

01:31:36,990 --> 01:31:33,430

was suggested Carl Moore sail from

1998

01:31:40,230 --> 01:31:37,000

reeling to Roswell yes and hey he was on

1999

01:31:41,430 --> 01:31:40,240

his deathbed and he said I want to talk

2000

01:31:42,060 --> 01:31:41,440

to you know I've been wanting to talk to

2001

01:31:45,090 --> 01:31:42,070

you

2002

01:31:47,850 --> 01:31:45,100

because I followed this and before he

2003

01:31:49,920 --> 01:31:47,860

died he said turning on his deathbed and

2004

01:31:52,980 --> 01:31:49,930

told me that that was true and I believe

2005

01:31:54,960 --> 01:31:52,990

the man I mean every word he told me we

2006

01:31:57,630 --> 01:31:54,970

had a long conversation and I promised

2007

01:32:00,450 --> 01:31:57,640

I'd never mention it again but there's

2008

01:32:01,080 --> 01:32:00,460

no doubt in my mind what he said was

2009

01:32:04,770 --> 01:32:01,090

true

2010

01:32:10,050 --> 01:32:04,780

and that's in the book too oh wow so

2011

01:32:12,450 --> 01:32:10,060

okay so 73 til now 45 years go by had

2012

01:32:16,470 --> 01:32:12,460

you had I've talked to people like

2013

01:32:18,720 --> 01:32:16,480

Travis Walton and you know never to

2014

01:32:19,050 --> 01:32:18,730

actually never got a chance to talk to

2015

01:32:22,380 --> 01:32:19,060

Betty

2016

01:32:23,670 --> 01:32:22,390

but our you know Travis Walton said

2017

01:32:26,190 --> 01:32:23,680

there was a lot of times where he just

2018

01:32:30,030 --> 01:32:26,200

wanted to hide from this he wanted to

2019

01:32:31,710 --> 01:32:30,040

hide from his situation and and and try

2020

01:32:33,480 --> 01:32:31,720

not to deal with it for a while did you

2021

01:32:35,810 --> 01:32:33,490

ever feel like that or did you always

2022

01:32:41,940 --> 01:32:35,820

just was it always part of your life

2023

01:32:44,100 --> 01:32:41,950

well what no where to hide this if you

2024

01:32:46,050 --> 01:32:44,110

if you'll get the book and thumb through

2025

01:32:48,510 --> 01:32:46,060

and look at all the newspaper clippings

2026

01:32:51,720 --> 01:32:48,520

that's another thing that Philip did he

2027

01:32:53,880 --> 01:32:51,730

documented the press real good in the

2028

01:32:56,280 --> 01:32:53,890

book if your thumb through there looked

2029

01:32:58,560 --> 01:32:56,290

it was just here in the United States it

2030

01:33:01,740 --> 01:32:58,570

was all over the world and back then

2031

01:33:04,620 --> 01:33:01,750

there what no one communication that

2032

01:33:07,440 --> 01:33:04,630

much between different countries no but

2033

01:33:09,240 --> 01:33:07,450

the papers come out and it was all over

2034

01:33:12,150 --> 01:33:09,250

so really there weren't nowhere to hide

2035

01:33:14,280 --> 01:33:12,160

from it so you just had to do the best

2036

01:33:14,620 --> 01:33:14,290

you could now I mentioned earlier I

2037

01:33:18,540 --> 01:33:14,630

asked

2038

01:33:22,000 --> 01:33:18,550

skeptics and I saw where Phil class

2039

01:33:24,520 --> 01:33:22,010

tried to attack the whole you know the

2040

01:33:27,100 --> 01:33:24,530

whole thing are you familiar with that

2041

01:33:31,060 --> 01:33:27,110

did you actually speak with him yeah I

2042

01:33:33,460 --> 01:33:31,070

did I spoke with fill up and no I got my

2043

01:33:35,110 --> 01:33:33,470

own opinion about Philip because you

2044

01:33:37,090 --> 01:33:35,120

know he could have asked educated

2045

01:33:40,150 --> 01:33:37,100

questions but there wasn't nothing to

2046

01:33:41,920 --> 01:33:40,160

man said educated and he acted like a

2047

01:33:43,990 --> 01:33:41,930

Pierce snob

2048

01:33:46,210 --> 01:33:44,000

you know he didn't really want to set on

2049

01:33:48,400 --> 01:33:46,220

at all but I would have been glad to sit

2050

01:33:50,980 --> 01:33:48,410

down and talk to him and he's welcome to

2051

01:33:56,320 --> 01:33:50,990

his opinion but I just don't didn't like

2052

01:33:59,980 --> 01:33:56,330

it yeah yeah he often times from what I

2053

01:34:03,090 --> 01:33:59,990

know he sort of had his mind made up in

2054

01:34:06,460 --> 01:34:03,100

the beginning already you know that

2055

01:34:10,990 --> 01:34:06,470

whatever the situation was it wasn't

2056

01:34:15,700 --> 01:34:11,000

real right and that was fill a class

2057

01:34:18,190 --> 01:34:15,710

that dr. Hynek two days after this

2058

01:34:21,010 --> 01:34:18,200

happened dr. Hynek came down you know he

2059

01:34:23,350 --> 01:34:21,020

was with Project Blue Book in a while so

2060

01:34:24,070 --> 01:34:23,360

him and dr. Hajra come down and I got to

2061

01:34:27,790 --> 01:34:24,080

meet him

2062

01:34:30,880 --> 01:34:27,800

and we spent some time together and he

2063

01:34:36,640 --> 01:34:30,890

was a hundred percent convinced you know

2064

01:34:39,460 --> 01:34:36,650

he told me but that he's well I'm trying

2065

01:34:42,040 --> 01:34:39,470

to think of the words he said he said if

2066

01:34:43,540 --> 01:34:42,050

these men are faking they need to be in

2067

01:34:45,930 --> 01:34:43,550

Hollywood because they are the best

2068

01:34:49,450 --> 01:34:45,940

actors I've ever seen

2069

01:34:52,120 --> 01:34:49,460

that's he left that in the newspaper you

2070

01:34:54,910 --> 01:34:52,130

know and dr. hager tried to hypnotize me

2071

01:34:57,340 --> 01:34:54,920

and he couldn't hypnotize me he got me

2072

01:35:00,460 --> 01:34:57,350

in and I panicked and he brought me

2073

01:35:03,600 --> 01:35:00,470

right back out so yeah yeah you have to

2074

01:35:06,340 --> 01:35:03,610

you know I don't know that much about

2075

01:35:07,810 --> 01:35:06,350

hypnotism but I know that if you're

2076

01:35:10,750 --> 01:35:07,820

unwilling you certainly can't be

2077

01:35:13,240 --> 01:35:10,760

hypnotized that's for sure exactly right

2078

01:35:16,000 --> 01:35:13,250

I never figured I can be hypnotized I

2079

01:35:18,820 --> 01:35:16,010

mean I was willing but I found out

2080

01:35:20,710 --> 01:35:18,830

different ten days they stuff that I

2081

01:35:25,440 --> 01:35:20,720

didn't know for instance when Budd

2082

01:35:28,379 --> 01:35:25,450

Hopkins hypnotized me the case were in

2083

01:35:31,629 --> 01:35:28,389

73 there was a car

2084

01:35:33,250 --> 01:35:31,639

parked on a couple was parking in the

2085

01:35:36,459 --> 01:35:33,260

car making out or something

2086

01:35:39,279 --> 01:35:36,469

and I I called the tag number back and

2087

01:35:42,399 --> 01:35:39,289

it's in the bull on the tapes I called

2088

01:35:44,439 --> 01:35:42,409

the tag number back out of the car well

2089

01:35:47,889 --> 01:35:44,449

it was then described a car so that was

2090

01:35:50,979 --> 01:35:47,899

pretty style that is amazing yeah I mean

2091

01:35:52,989 --> 01:35:50,989

this they say that all your memories are

2092

01:35:55,089 --> 01:35:52,999

tucked away in little files in your

2093

01:35:57,939 --> 01:35:55,099

brain and can be pulled out I don't know

2094

01:35:59,319 --> 01:35:57,949

how accurate that is but but it is

2095

01:36:04,000 --> 01:35:59,329

interesting that you could actually know

2096

01:36:06,399 --> 01:36:04,010

that well I believe it now I wouldn't

2097

01:36:08,889 --> 01:36:06,409

bleed it back in you know there was a

2098

01:36:11,619 --> 01:36:08,899

question and try it again the line is

2099

01:36:14,319 --> 01:36:11,629

open if anyone would like to call in you

2100

01:36:16,329 --> 01:36:14,329

are welcome to do that someone wanted to

2101
01:36:18,339 --> 01:36:16,339
know I believe you mentioned this

2102
01:36:21,009 --> 01:36:18,349
already they wanted to know the shape of

2103
01:36:23,259 --> 01:36:21,019
the craft and did it admit any noises or

2104
01:36:25,299 --> 01:36:23,269
visual oddities now I know you said that

2105
01:36:27,219 --> 01:36:25,309
there were can you describe the noise

2106
01:36:31,000 --> 01:36:27,229
that you think it made there was like a

2107
01:36:33,309 --> 01:36:31,010
whizzing yeah it was kinda like I

2108
01:36:38,020 --> 01:36:33,319
described it when it first happened like

2109
01:36:40,020 --> 01:36:38,030
as if like Zee's like ad and oh that's

2110
01:36:43,059 --> 01:36:40,030
more or less what he was I mean it was

2111
01:36:46,409 --> 01:36:43,069
it was a solid noise but a quiet noise

2112
01:36:48,939 --> 01:36:46,419
and it didn't last long enough to really

2113
01:36:51,449 --> 01:36:48,949

recognize it but I would recognize the

2114

01:36:54,489 --> 01:36:51,459

noise again I mean if I was surrounded

2115

01:36:56,919 --> 01:36:54,499

because it was scared you I'm sure I'm

2116

01:36:59,679 --> 01:36:56,929

sure what about when it was either

2117

01:37:01,989 --> 01:36:59,689

landing or taking off you didn't see any

2118

01:37:06,069 --> 01:37:01,999

type of flame or anything like that or

2119

01:37:08,619 --> 01:37:06,079

any way - no sir Colson none whatsoever

2120

01:37:10,139 --> 01:37:08,629

yeah and do you think it actually landed

2121

01:37:14,199 --> 01:37:10,149

on the ground like there could have been

2122

01:37:19,139 --> 01:37:14,209

some landmarks or anything it that it

2123

01:37:22,239 --> 01:37:19,149

definitely Denton because I didn't see

2124

01:37:25,839 --> 01:37:22,249

any kind of landing legs and I think it

2125

01:37:28,089 --> 01:37:25,849

Hubbard I'm almost 100% sure at Hobart

2126

01:37:31,899 --> 01:37:28,099

uh about two foot off the ground

2127

01:37:34,089 --> 01:37:31,909

hmm and of course we didn't have much

2128

01:37:35,619 --> 01:37:34,099

time to study it you know they snatches

2129

01:37:39,219 --> 01:37:35,629

off the riverbank took us aboard

2130

01:37:41,409 --> 01:37:39,229

examined us and put us back out we

2131

01:37:43,359 --> 01:37:41,419

turned around looked and it was gone

2132

01:37:44,770 --> 01:37:43,369

so you know other than the time we was

2133

01:37:48,939 --> 01:37:44,780

in there we didn't have time to really

2134

01:37:52,149 --> 01:37:48,949

study the whole lot yeah I'm so you know

2135

01:37:54,790 --> 01:37:52,159

I mean I know you said you were relaxed

2136

01:37:56,620 --> 01:37:54,800

but at any point in time did you think

2137

01:37:59,439 --> 01:37:56,630

that they were just going to take off

2138

01:37:59,979 --> 01:37:59,449

with you in the in the ship or whatever

2139

01:38:03,189 --> 01:37:59,989

it was

2140

01:38:06,159 --> 01:38:03,199

oh I crossed my mind now Tom I was in

2141

01:38:08,919 --> 01:38:06,169

there yeah well no when they picked us

2142

01:38:10,870 --> 01:38:08,929

up don't take his in I was thinking the

2143

01:38:13,779 --> 01:38:10,880

whole time oh this is it we're not

2144

01:38:15,669 --> 01:38:13,789

coming back and I thought Charlie was

2145

01:38:18,429 --> 01:38:15,679

more or less thinking the same thing if

2146

01:38:20,139 --> 01:38:18,439

he'd been honest with it now when they

2147

01:38:22,509 --> 01:38:20,149

actually lead you on the table as you

2148

01:38:27,250 --> 01:38:22,519

said did you feel your body weight at

2149

01:38:32,139 --> 01:38:27,260

that time no I didn't feel the table it

2150

01:38:34,989 --> 01:38:32,149

was like he I'm sure it had to be a

2151

01:38:37,270 --> 01:38:34,999

table that he laid this back and was

2152

01:38:41,169 --> 01:38:37,280

kind of at a 45-degree angle

2153

01:38:44,169 --> 01:38:41,179

but you know that little deal that was

2154

01:38:46,679 --> 01:38:44,179

circling my head it was just going

2155

01:38:49,239 --> 01:38:46,689

around and it wasn't no table to stop it

2156

01:38:52,600 --> 01:38:49,249

but I could hear it when he got to the

2157

01:38:54,969 --> 01:38:52,610

back of my head clinking so you know

2158

01:38:57,459 --> 01:38:54,979

even my head was off the table or or

2159

01:39:00,969 --> 01:38:57,469

there wasn't a table there it was just

2160

01:39:05,709 --> 01:39:00,979

kind of we was like floating floating

2161

01:39:08,020 --> 01:39:05,719

yes did you actually see Charlie while

2162

01:39:11,739 --> 01:39:08,030

you were together on the on the crowd

2163

01:39:15,819 --> 01:39:11,749

did I did not i look for charlie but

2164

01:39:17,169 --> 01:39:15,829

then again i couldn't turn my head about

2165

01:39:20,679 --> 01:39:17,179

the rise do you think you could turn

2166

01:39:24,219 --> 01:39:20,689

your eyes oh I I could turn my eyes I'm

2167

01:39:26,979 --> 01:39:24,229

not tried and I would do that and I look

2168

01:39:31,810 --> 01:39:26,989

over to try to say well if it was the

2169

01:39:33,549 --> 01:39:31,820

door that she came out of or he and you

2170

01:39:35,439 --> 01:39:33,559

know you really could I didn't really

2171

01:39:38,469 --> 01:39:35,449

see a door did she come out of but I

2172

01:39:38,850 --> 01:39:38,479

same one that what I call the big ugly

2173

01:39:43,179 --> 01:39:38,860

one

2174

01:39:46,089 --> 01:39:43,189

went out and it came back in like it's a

2175

01:39:49,449 --> 01:39:46,099

door inside the craft you mean yes sir

2176

01:39:56,380 --> 01:39:49,459

yeah it didn't open her clothes he just

2177

01:39:58,630 --> 01:39:56,390

look like it stayed open yeah and and so

2178

01:40:00,760 --> 01:39:58,640

if I were to picture the inside of some

2179

01:40:04,260 --> 01:40:00,770

type of crafty you would expect to see

2180

01:40:07,890 --> 01:40:04,270

some type of operation centers you know

2181

01:40:11,640 --> 01:40:07,900

any type of other like weird-looking

2182

01:40:14,800 --> 01:40:11,650

places for them to sit or rest or

2183

01:40:16,930 --> 01:40:14,810

anything identifiable you mentioned that

2184

01:40:19,300 --> 01:40:16,940

there was Windows could you actually see

2185

01:40:21,280 --> 01:40:19,310

out the window once you're in I know you

2186

01:40:23,230 --> 01:40:21,290

said you can't turn your head but if you

2187

01:40:26,080 --> 01:40:23,240

could tell lies you see the windows from

2188

01:40:28,960 --> 01:40:26,090

the inside now that was one thing I

2189

01:40:31,630 --> 01:40:28,970

could see from the outside it look like

2190

01:40:34,420 --> 01:40:31,640

two little windows up from it but I

2191

01:40:36,700 --> 01:40:34,430

couldn't see any windows I couldn't see

2192

01:40:40,060 --> 01:40:36,710

any command center or anything and then

2193

01:40:44,770 --> 01:40:40,070

look just like a no room of course I the

2194

01:40:47,800 --> 01:40:44,780

room was small and on Charlie said they

2195

01:40:52,540 --> 01:40:47,810

took him in a different place over there

2196

01:40:54,640 --> 01:40:52,550

so I didn't see no no way to drive it or

2197

01:40:56,470 --> 01:40:54,650

nothing else I don't know I have no clue

2198

01:40:59,260 --> 01:40:56,480

just that little room when I was in and

2199

01:41:01,440 --> 01:40:59,270

a little hallway now what about the

2200

01:41:05,700 --> 01:41:01,450

comparison of your story in' and

2201

01:41:08,560 --> 01:41:05,710

Charlie's story is it pretty much

2202

01:41:12,010 --> 01:41:08,570

basically the same you said that he

2203

01:41:14,560 --> 01:41:12,020

noticed the the points on you noticed

2204

01:41:17,740 --> 01:41:14,570

the limit the mitten type of thing the

2205

01:41:20,350 --> 01:41:17,750

claw whatever and here's the points on

2206

01:41:23,440 --> 01:41:20,360

the face you know the nose and the two

2207

01:41:24,130 --> 01:41:23,450

ears or whatever they were what are some

2208

01:41:25,780 --> 01:41:24,140

other things

2209

01:41:27,610 --> 01:41:25,790

did you notice some things that he

2210

01:41:31,780 --> 01:41:27,620

didn't did you compare notes more or

2211

01:41:32,910 --> 01:41:31,790

less now we really didn't hear you the

2212

01:41:37,420 --> 01:41:32,920

next day at work

2213

01:41:40,600 --> 01:41:37,430

he described the facial features and

2214

01:41:42,640 --> 01:41:40,610

they had a artist there and he tried to

2215

01:41:46,180 --> 01:41:42,650

draw them the best that Charlie had

2216

01:41:48,250 --> 01:41:46,190

described him and he turned around the

2217

01:41:49,810 --> 01:41:48,260

artist hung around asked me I said well

2218

01:41:54,010 --> 01:41:49,820

I really didn't see no and it was all

2219

01:41:56,050 --> 01:41:54,020

blur and then the hands I believe I'm

2220

01:41:59,500 --> 01:41:56,060

the one who described the hands to it

2221

01:42:02,230 --> 01:41:59,510

and we both did notice one thing about

2222

01:42:05,470 --> 01:42:02,240

the legs you could tell it look like a

2223

01:42:07,690 --> 01:42:05,480

separation for the legs but it wasn't no

2224

01:42:09,069 --> 01:42:07,700

legs I mean that was just together you

2225

01:42:13,089 --> 01:42:09,079

couldn't see air to him

2226

01:42:18,219 --> 01:42:13,099

anything and more or less what no feet

2227

01:42:22,089 --> 01:42:18,229

no so it was like like stumps sort of

2228

01:42:24,250 --> 01:42:22,099

but like a tree trunks and that's about

2229

01:42:26,560 --> 01:42:24,260

it except they didn't spray and I just

2230

01:42:28,869 --> 01:42:26,570

floated and when it that's why I'm feel

2231

01:42:30,310 --> 01:42:28,879

like this thing was mechanical I know

2232

01:42:32,439 --> 01:42:30,320

you said you didn't really see the face

2233

01:42:34,299 --> 01:42:32,449

but do you know if Charlie it looked

2234

01:42:35,739 --> 01:42:34,309

like in the drawings I saw like a slit

2235

01:42:39,759 --> 01:42:35,749

for the mouth is that what Charlie

2236

01:42:41,919 --> 01:42:39,769

remembered that's what he described that

2237

01:42:44,889 --> 01:42:41,929

day we was talking to Larry Flint

2238

01:42:48,250 --> 01:42:44,899

together drew it yeah yes sir because he

2239

01:42:50,229 --> 01:42:48,260

told tall he told Larry he said they

2240

01:42:54,520 --> 01:42:50,239

just had a slit there but I didn't see a

2241

01:42:57,250 --> 01:42:54,530

mouth now when you were saying that you

2242

01:43:00,279 --> 01:42:57,260

heard possible communication between

2243

01:43:02,250 --> 01:43:00,289

them and it was a I think you described

2244

01:43:05,379 --> 01:43:02,260

it as like there's something like that

2245

01:43:06,699 --> 01:43:05,389

yes that was that really audible or was

2246

01:43:11,459 --> 01:43:06,709

that just barrel you could just barely

2247

01:43:13,899 --> 01:43:11,469

hear something it was a pretty audible

2248

01:43:16,929 --> 01:43:13,909

but you could tell it was just between

2249

01:43:19,239 --> 01:43:16,939

them too and I you know I couldn't

2250

01:43:21,849 --> 01:43:19,249

understand that but I could understand

2251

01:43:23,729 --> 01:43:21,859

her thoughts I know she was

2252

01:43:27,310 --> 01:43:23,739

communicating with me through thoughts

2253

01:43:31,119 --> 01:43:27,320

and besides telling you what to do do

2254

01:43:35,469 --> 01:43:31,129

you do you remember any other any other

2255

01:43:40,509 --> 01:43:35,479

thoughts that that came over I don't

2256

01:43:44,349 --> 01:43:40,519

know sir she just told me you know not

2257

01:43:47,199 --> 01:43:44,359

to be afraid and of course you don't

2258

01:43:49,209 --> 01:43:47,209

tell a little redneck country boy not to

2259

01:43:53,250 --> 01:43:49,219

be afraid if you got us trapped in her

2260

01:43:56,020 --> 01:43:53,260

to a table yeah but anyhow that that was

2261

01:43:59,739 --> 01:43:56,030

the message that I had gotten from her

2262

01:44:02,049 --> 01:43:59,749

don't be afraid now this is a question I

2263

01:44:04,889 --> 01:44:02,059

asked Travis Walton I'd like to have you

2264

01:44:09,219 --> 01:44:04,899

answer if you could go back in time and

2265

01:44:11,169 --> 01:44:09,229

have this not happen what would you do

2266

01:44:13,599 --> 01:44:11,179

would you do that or do you think that

2267

01:44:18,129 --> 01:44:13,609

was meant to be and this is the way it

2268

01:44:20,919 --> 01:44:18,139

is I think I think your life that God

2269

01:44:22,660 --> 01:44:20,929

has a plan for everybody and I think

2270

01:44:26,680 --> 01:44:22,670

this was part of his plan

2271

01:44:31,390 --> 01:44:26,690

and for some reason for me to be

2272

01:44:33,370 --> 01:44:31,400

abducted and taken aboard and I you know

2273

01:44:36,550 --> 01:44:33,380

that was part of his plan so I'd have to

2274

01:44:37,240 --> 01:44:36,560

say yeah I'd go back again well that's

2275

01:44:41,229 --> 01:44:37,250

amazing

2276

01:44:43,180 --> 01:44:41,239

there's a reason for I don't know why I

2277

01:44:46,300 --> 01:44:43,190

don't know why yet but it's definitely a

2278

01:44:49,680 --> 01:44:46,310

reason part we mentioned earlier that

2279

01:44:53,320 --> 01:44:49,690

over the years you felt like you may be

2280

01:44:54,310 --> 01:44:53,330

possibly being monitored can you is it

2281

01:44:57,250 --> 01:44:54,320

just a feeling

2282

01:44:59,919 --> 01:44:57,260

or is it stronger than that did anything

2283

01:45:03,040 --> 01:44:59,929

make you feel that way by something

2284

01:45:05,500 --> 01:45:03,050

happening well it's kind of like he

2285

01:45:09,070 --> 01:45:05,510

described Charlie got on the stage at

2286

01:45:14,650 --> 01:45:09,080

times there's times that break out into

2287

01:45:20,709 --> 01:45:14,660

a chill and a sweat and it's just hard

2288

01:45:24,400 --> 01:45:20,719

to do hard to describe and then you know

2289

01:45:26,770 --> 01:45:24,410

you get physically sick and weak and I

2290

01:45:29,729 --> 01:45:26,780

feel like there's times that they

2291

01:45:32,590 --> 01:45:29,739

probably trying to communicate to N or I

2292

01:45:35,200 --> 01:45:32,600

think to be honest I believe they pull

2293

01:45:39,790 --> 01:45:35,210

in information themself I really do feel

2294

01:45:41,680 --> 01:45:39,800

actually smart enough that oh we they

2295

01:45:43,750 --> 01:45:41,690

know what we're doing and what we think

2296

01:45:46,270 --> 01:45:43,760

and what we've been through my health

2297

01:45:50,709 --> 01:45:46,280

I've had a stroke and two open heart

2298

01:45:52,570 --> 01:45:50,719

surgeries and I should have died and you

2299

01:45:54,130 --> 01:45:52,580

know I didn't and I feel like they know

2300

01:45:57,310 --> 01:45:54,140

all about that and they're getting

2301

01:45:59,950 --> 01:45:57,320

information from it and it's kind of

2302

01:46:01,900 --> 01:45:59,960

like I told Phillip I wanted or somebody

2303

01:46:06,160 --> 01:46:01,910

the other day I had a reporter come up

2304

01:46:08,680 --> 01:46:06,170

from wlo X news he said what do you want

2305

01:46:11,620 --> 01:46:08,690

this book I said look I've got an

2306

01:46:14,439 --> 01:46:11,630

expiration date stamped on my head and

2307

01:46:16,600 --> 01:46:14,449

before I before I expired I wanted to

2308

01:46:19,720 --> 01:46:16,610

get it after and get it documented I owe

2309

01:46:23,310 --> 01:46:19,730

the people especially in Jackson County

2310

01:46:28,750 --> 01:46:23,320

this and the people my family you know

2311

01:46:30,100 --> 01:46:28,760

yeah wow that's that's great if chase I

2312

01:46:34,660 --> 01:46:30,110

had a question and then something just

2313

01:46:34,670 --> 01:46:38,290

I'm sorry I hate when that happens

2314

01:46:43,540 --> 01:46:41,170

so we only have a couple minutes I'm

2315

01:46:45,270 --> 01:46:43,550

gonna say that we have like three

2316

01:46:47,560 --> 01:46:45,280

minutes left or something like that if

2317

01:46:50,770 --> 01:46:47,570

if someone wants to make a last minute

2318

01:46:52,210 --> 01:46:50,780

call of that number just went away asked

2319

01:46:56,590 --> 01:46:52,220

asked for it to go away but that number

2320

01:46:59,080 --> 01:46:56,600

603 960 7403 Oh if someone wants to make

2321

01:47:00,400 --> 01:46:59,090

a last minute call but otherwise we're

2322

01:47:04,300 --> 01:47:00,410

going to be closing the show in just a

2323

01:47:05,860 --> 01:47:04,310

couple of minutes so I like your message

2324

01:47:09,250 --> 01:47:05,870

I like the fact that you want to get

2325

01:47:13,620 --> 01:47:09,260

this out there and yeah we have three

2326

01:47:17,680 --> 01:47:13,630

minutes left so what would you say to

2327

01:47:20,470 --> 01:47:17,690

the person that you have you ever tried

2328

01:47:22,720 --> 01:47:20,480

to convince someone or you just let them

2329

01:47:25,090 --> 01:47:22,730

have their own opinion if someone says

2330

01:47:27,490 --> 01:47:25,100

you know it's not you you know what how

2331

01:47:31,120 --> 01:47:27,500

I let them have their own opinion I

2332

01:47:35,410 --> 01:47:31,130

would suggest to anybody that had doubt

2333

01:47:37,600 --> 01:47:35,420

so by the book look at it read it don't

2334

01:47:39,190 --> 01:47:37,610

skip through it read it and then make

2335

01:47:41,050 --> 01:47:39,200

your mind up when you get to the end

2336

01:47:48,300 --> 01:47:41,060

they can get the book through the lemmas

2337

01:47:52,330 --> 01:47:48,310

on and pass Pegula the closest encounter

2338

01:47:54,370 --> 01:47:52,340

you know my story Calvin Parker and then

2339

01:47:57,550 --> 01:47:54,380

get that through Amazon buy that book

2340

01:48:00,760 --> 01:47:57,560

read it and then make ya'll mount up to

2341

01:48:02,620 --> 01:48:00,770

the end but you at least you know get

2342

01:48:04,840 --> 01:48:02,630

the facts together for you go jumping

2343

01:48:07,000 --> 01:48:04,850

conclusions yes I plan on reading the

2344

01:48:09,790 --> 01:48:07,010

book I can't wait to read it and I'm

2345

01:48:12,130 --> 01:48:09,800

actually going to ask you to sign a copy

2346

01:48:13,450 --> 01:48:12,140

so I'll send you off and got a big right

2347

01:48:17,380 --> 01:48:13,460

yeah yes sir

2348

01:48:19,450 --> 01:48:17,390

love to have that so we're just about at

2349

01:48:22,690 --> 01:48:19,460

the end of the show so I'm really

2350

01:48:26,590 --> 01:48:22,700

honored that you came back and I hope

2351

01:48:29,050 --> 01:48:26,600

that you do have a lot of really good

2352

01:48:31,450 --> 01:48:29,060

speaking engagements and as we mentioned

2353

01:48:33,190 --> 01:48:31,460

earlier I know you were listening to the

2354

01:48:35,980 --> 01:48:33,200

news when we were talking that it's a

2355

01:48:37,870 --> 01:48:35,990

different world than it was just last

2356

01:48:41,380 --> 01:48:37,880

year like more people are taking this

2357

01:48:43,810 --> 01:48:41,390

seriously so yeah we'll show the book on

2358

01:48:47,560 --> 01:48:43,820

but for YouTube people more people

2359

01:48:48,500 --> 01:48:47,570

taking this whole situation seriously so

2360

01:48:52,970 --> 01:48:48,510

your timing couldn't

2361

01:48:55,160 --> 01:48:52,980

be better really oh great but uh I've

2362

01:48:56,959 --> 01:48:55,170

been Jordan maybe sooner or later you

2363

01:49:00,140 --> 01:48:56,969

can have me back we can talk about what

2364

01:49:03,140 --> 01:49:00,150

I was happening between yes

2365

01:49:07,819 --> 01:49:03,150

I thought that would be I would always

2366

01:49:10,490 --> 01:49:07,829

love to have you back on Calvin and I am

2367

01:49:12,500 --> 01:49:10,500

actually very interested in how you know

2368

01:49:15,049 --> 01:49:12,510

through the years how things have have

2369

01:49:16,850 --> 01:49:15,059

affected your life and all that so it's

2370

01:49:19,819 --> 01:49:16,860

been really great and my honor to have

2371

01:49:21,649 --> 01:49:19,829

you thanks so much thank you and it's

2372

01:49:23,330 --> 01:49:21,659

been an honor being here and thank

2373

01:49:25,850 --> 01:49:23,340

everybody just listened today

2374

01:49:26,959 --> 01:49:25,860

very good all right you take care and

2375

01:49:30,560 --> 01:49:26,969

I'll talk to you soon

2376

01:49:35,290 --> 01:49:30,570

you too buddy all right okay everyone so

2377

01:49:39,020 --> 01:49:35,300

next week we have Charlotte man on and

2378

01:49:41,779 --> 01:49:39,030

Charlotte had she was it was actually

2379

01:49:44,839 --> 01:49:41,789

her her great-grandfather

2380

01:49:46,669 --> 01:49:44,849

this was a incident if you look up

2381

01:49:49,009 --> 01:49:46,679

Charlotte man I'm just trying to

2382

01:49:51,859 --> 01:49:49,019

remember the name of it going off the

2383

01:49:56,689 --> 01:49:51,869

cuff here but anyway I wanted to talk

2384

01:50:00,229 --> 01:49:56,699

about this because the show I had I

2385

01:50:03,500 --> 01:50:00,239

think was about a month ago or so she

2386

01:50:06,830 --> 01:50:03,510

actually called into the show and she

2387

01:50:09,709 --> 01:50:06,840

said you have something about Oh as a

2388

01:50:11,149 --> 01:50:09,719

grandfather yes I'm sorry you have

2389

01:50:12,500 --> 01:50:11,159

something on your website about my

2390

01:50:15,259 --> 01:50:12,510

grandfather and there's some things that

2391

01:50:17,149 --> 01:50:15,269

are inaccurate I had no idea what she

2392

01:50:21,049 --> 01:50:17,159

was talking about and this was during

2393

01:50:24,740 --> 01:50:21,059

World War Two in the spring of 1941 this

2394

01:50:29,270 --> 01:50:24,750

was a crash and I'm just trying to see

2395

01:50:33,470 --> 01:50:29,280

exactly where it was located is a very

2396

01:50:37,129 --> 01:50:33,480

very famous of Missouri and there were

2397

01:50:39,740 --> 01:50:37,139

these supposed strange beings that her

2398

01:50:43,069 --> 01:50:39,750

grandfather examined and all that and so

2399

01:50:44,359 --> 01:50:43,079

anyway she will be on she hasn't done an

2400

01:50:46,520 --> 01:50:44,369

interview in a long time she's going to

2401

01:50:46,970 --> 01:50:46,530

be on next week so looking forward to

2402

01:50:49,759 --> 01:50:46,980

that

2403

01:50:52,729 --> 01:50:49,769

so everyone thank you so much for

2404

01:50:56,359 --> 01:50:52,739

listening and we'll be back next week
