00:00:36,600 --> 00:00:13,150

[Music]

2  
00:00:41,320 --> 00:00:39,220

hello and welcome to the show on Martin

3  
00:00:44,140 --> 00:00:41,330

Willis your host and you are getting a

4  
00:00:47,650 --> 00:00:44,150

pre-recorded show on this one here

5  
00:00:49,000 --> 00:00:47,660

because I'm actually traveling I'm at a

6  
00:00:54,010 --> 00:00:49,010

place where I know that I'm not going to

7  
00:00:57,580 --> 00:00:54,020

be able to do a show so this show has

8  
00:01:00,190 --> 00:00:57,590

been pre-recorded and unfortunately

9  
00:01:02,110 --> 00:01:00,200

couldn't have Alejandro Rojas on for UFO

10  
00:01:06,940 --> 00:01:02,120

news because it would be outdated by the

11  
00:01:09,280 --> 00:01:06,950

time that he would be on and so it's

12  
00:01:13,600 --> 00:01:09,290

just myself and a great guest

13  
00:01:16,060 --> 00:01:13,610

Jeremy ray from Colorado he was on

14

00:01:18,310 --> 00:01:16,070

hangar 1 he was a co-host on hangar 1

15

00:01:20,499 --> 00:01:18,320

he's a star team investigator for a

16

00:01:22,990 --> 00:01:20,509

MUFON we're gonna be talking about all

17

00:01:26,290 --> 00:01:23,000

kinds of things his own experiences and

18

00:01:29,080 --> 00:01:26,300

much more it's a regular show as far as

19

00:01:31,510 --> 00:01:29,090

time goes and I want to thank everyone

20

00:01:32,650 --> 00:01:31,520

that helps out and supports the show

21

00:01:36,550 --> 00:01:32,660

anyone can do that

22

00:01:37,240 --> 00:01:36,560

and the informations over on podcast UFO

23

00:01:39,490 --> 00:01:37,250

com

24

00:01:42,609 --> 00:01:39,500

so this show also will be running a

25

00:01:46,180 --> 00:01:42,619

course on kgr a radio and after its

26

00:01:48,600 --> 00:01:46,190

regular time slot that's 6 to 8 p.m.

27

00:01:51,550 --> 00:01:48,610

Eastern Standard Time on Tuesday and

28

00:01:54,699 --> 00:01:51,560

also it's going to be on the Dark Matter

29

00:01:57,400 --> 00:01:54,709

digital network as well and another

30

00:01:58,990 --> 00:01:57,410

radio station I keep asking for more

31

00:02:02,980 --> 00:01:59,000

information on that but it does run on

32

00:02:05,650 --> 00:02:02,990

that as well so and for the you tube

33

00:02:07,150 --> 00:02:05,660

listeners it's uh it will be posted at

34

00:02:10,449 --> 00:02:07,160

some point on YouTube but of course not

35

00:02:13,420 --> 00:02:10,459

the regular timeslot so that's it for me

36

00:02:15,730 --> 00:02:13,430

and I'm welcome welcoming you to the

37

00:02:18,220 --> 00:02:15,740

show Jeremy how are you good good

38

00:02:21,010 --> 00:02:18,230

morning good morning well it's good

39

00:02:22,059 --> 00:02:21,020

wherever we're time this I suppose did

40

00:02:25,229 --> 00:02:22,069

yes

41

00:02:29,979 --> 00:02:25,239

now I met you at the MUFON symposium

42

00:02:31,540 --> 00:02:29,989

down in Cherry Hill and that was that

43

00:02:35,530 --> 00:02:31,550

was a real blast and I know you're a

44

00:02:36,700 --> 00:02:35,540

good friend of Tony and Tony Angela and

45

00:02:40,210 --> 00:02:36,710

Julie know

46

00:02:43,840 --> 00:02:40,220

and Ben moss so that that scares me

47

00:02:45,220 --> 00:02:43,850

right there actually no they're great

48

00:02:48,340 --> 00:02:45,230

guys I love them

49

00:02:50,980 --> 00:02:48,350

yeah yeah salesman shoes together yeah

50

00:02:54,070 --> 00:02:50,990

yeah there are a lot of fun so hey can

51  
00:02:56,460 --> 00:02:54,080  
you tell for the person that doesn't

52  
00:02:59,350 --> 00:02:56,470  
know who you are basically can you tell

53  
00:03:00,640 --> 00:02:59,360  
just explain who you are and how you get

54  
00:03:02,440 --> 00:03:00,650  
involved in well

55  
00:03:04,920 --> 00:03:02,450  
how you got involved in UFOs is a whole

56  
00:03:09,880 --> 00:03:04,930  
nother story we'll talk about that oh

57  
00:03:14,170 --> 00:03:09,890  
well I joined move on in 2000 how long

58  
00:03:17,050 --> 00:03:14,180  
in 2006 and I joined to volunteer to be

59  
00:03:19,000 --> 00:03:17,060  
a UFO investigator because I had my own

60  
00:03:20,830 --> 00:03:19,010  
personal experiences growing up and I

61  
00:03:23,470 --> 00:03:20,840  
wanted to learn about what other people

62  
00:03:27,670 --> 00:03:23,480  
were experiencing and that's that's

63  
00:03:30,280 --> 00:03:27,680

where I started in California and I was

64

00:03:32,230 --> 00:03:30,290

investigator there for about three years

65

00:03:34,030 --> 00:03:32,240

and then I moved to Texas and I was an

66

00:03:35,680 --> 00:03:34,040

investigator there for a while and then

67

00:03:39,760 --> 00:03:35,690

I moved to Denver so I hopped around

68

00:03:45,550 --> 00:03:39,770

States and always been with MUFON

69

00:03:49,630 --> 00:03:45,560

there was a time back in 2008 were there

70

00:03:51,400 --> 00:03:49,640

was this project called the s IP project

71

00:03:53,440 --> 00:03:51,410

where Robert Bigelow from Bigelow

72

00:03:56,080 --> 00:03:53,450

Aerospace came in and started funding

73

00:03:58,660 --> 00:03:56,090

UFO research yeah I was a part of that

74

00:04:01,030 --> 00:03:58,670

and that was that was very interesting

75

00:04:03,790 --> 00:04:01,040

and then later on down the road I was

76

00:04:06,100 --> 00:04:03,800

asked to be on hangar 1 the UFO FILES

77

00:04:08,470 --> 00:04:06,110

and that's actually where I met Tony and

78

00:04:10,000 --> 00:04:08,480

bin because I was in Texas during a time

79

00:04:12,580 --> 00:04:10,010

and they were in Virginia so MUFON

80

00:04:14,560 --> 00:04:12,590

scattered everywhere I probably would

81

00:04:16,960 --> 00:04:14,570

have never met them if maybe bumped into

82

00:04:18,820 --> 00:04:16,970

a meta at a symposium like yourself but

83

00:04:22,540 --> 00:04:18,830

we just get that we hit it off pretty

84

00:04:24,370 --> 00:04:22,550

well on the set uh-huh so we're in

85

00:04:28,570 --> 00:04:24,380

California were you for a while

86

00:04:32,790 --> 00:04:28,580

Northern California yeah Sacramento AHA

87

00:04:34,750 --> 00:04:32,800

I lived I lived up north of there for an

88

00:04:35,590 --> 00:04:34,760

Tiburon I don't know if you know where

89

00:04:38,590 --> 00:04:35,600

that is

90

00:04:42,010 --> 00:04:38,600

Sausalito to run you know that area Mill

91

00:04:44,590 --> 00:04:42,020

Valley and so the reason I brought that

92

00:04:46,780 --> 00:04:44,600

up is because I know that California it

93

00:04:49,850 --> 00:04:46,790

has the most sightings in the United

94

00:04:53,510 --> 00:04:49,860

States also by far it has

95

00:04:55,310 --> 00:04:53,520

- this show is the number one listening

96

00:04:58,340 --> 00:04:55,320

state of course it's a big population

97

00:04:59,690 --> 00:04:58,350

there but you know California is one New

98

00:05:04,850 --> 00:04:59,700

York's - of course those are high

99

00:05:08,180 --> 00:05:04,860

populated states but there are a lot of

100

00:05:10,490 --> 00:05:08,190

UFO sightings there I mean a lot and so

101

00:05:13,430 --> 00:05:10,500

that must have kept you pretty busy it

102

00:05:16,790 --> 00:05:13,440

was actually probably the most real UFO

103

00:05:18,560 --> 00:05:16,800

sightings I've seen was in Sacramento

104

00:05:20,900 --> 00:05:18,570

area and I'm talking like right off I

105

00:05:23,000 --> 00:05:20,910

five North yeah I don't know highways a

106

00:05:24,770 --> 00:05:23,010

lot of the sightings you look at a map

107

00:05:27,590 --> 00:05:24,780

you know by five runs north and south

108

00:05:29,390 --> 00:05:27,600

right the the subdivision neighborhoods

109

00:05:31,670 --> 00:05:29,400

that are right adjacent to it or at

110

00:05:33,260 --> 00:05:31,680

least people reporting UFOs and I

111

00:05:34,580 --> 00:05:33,270

remember talking to a couple UFO

112

00:05:36,350 --> 00:05:34,590

investigators about it and we were just

113

00:05:38,780 --> 00:05:36,360

trying to figure out why the

114

00:05:41,840 --> 00:05:38,790

concentration of sightings on that on

115

00:05:43,850 --> 00:05:41,850

that major highway and they some people

116

00:05:47,750 --> 00:05:43,860

came some somebody killed the idea that

117

00:05:49,820 --> 00:05:47,760

maybe they just follow the road guess

118

00:05:52,610 --> 00:05:49,830

all that one it's just it's highly

119

00:05:56,540 --> 00:05:52,620

unusual I've actually done some sky

120

00:05:58,850 --> 00:05:56,550

fishing in Sacramento that exactly it's

121

00:06:00,800 --> 00:05:58,860

where you have a high concentration of

122

00:06:02,300 --> 00:06:00,810

sightings that people are reporting so

123

00:06:06,140 --> 00:06:02,310

he is kind of like fishing you set up

124

00:06:07,940 --> 00:06:06,150

cameras you plug it into a wall make

125

00:06:10,940 --> 00:06:07,950

sure that and then you just change tapes

126  
00:06:15,770 --> 00:06:10,950  
out back in the day where I was using

127  
00:06:17,540 --> 00:06:15,780  
tapes okay and then after that you go

128  
00:06:19,910 --> 00:06:17,550  
through the tedious process of going

129  
00:06:22,220 --> 00:06:19,920  
through it and screening it I don't

130  
00:06:23,810 --> 00:06:22,230  
think you see if you caught anything you

131  
00:06:25,940 --> 00:06:23,820  
know you may you may not see something

132  
00:06:29,270 --> 00:06:25,950  
with the eye naked eye but you might see

133  
00:06:32,630 --> 00:06:29,280  
it on film is that kind of yeah well our

134  
00:06:35,180 --> 00:06:32,640  
or you can walk away I see yeah baby

135  
00:06:38,840 --> 00:06:35,190  
kind of boring you know just to theory

136  
00:06:40,910 --> 00:06:38,850  
but it's the hunt right yeah

137  
00:06:42,980 --> 00:06:40,920  
I initially kind of learned from doing

138  
00:06:45,710 --> 00:06:42,990

all this because I was kind of a noob

139

00:06:47,750 --> 00:06:45,720

investigator back then an insect might

140

00:06:49,490 --> 00:06:47,760

fly up in front of your camera yeah it's

141

00:06:51,380 --> 00:06:49,500

not focused right it looks like it's far

142

00:06:52,640 --> 00:06:51,390

away and it looks like it's hovering so

143

00:06:55,970 --> 00:06:52,650

you kind of learn it was a learning

144

00:07:00,230 --> 00:06:55,980

process for me to do that I did that for

145

00:07:01,350 --> 00:07:00,240

about four or five months and I and I've

146

00:07:04,589 --> 00:07:01,360

caught

147

00:07:07,800 --> 00:07:04,599

a couple of strange things that that

148

00:07:09,540 --> 00:07:07,810

made me think wow you know these things

149

00:07:13,050 --> 00:07:09,550

are up here all the time we're just we

150

00:07:16,140 --> 00:07:13,060

never look up and we're always looking

151

00:07:18,149 --> 00:07:16,150

down at our phones and stuff but you

152

00:07:20,369 --> 00:07:18,159

know I thought of I have these kind of

153

00:07:23,760 --> 00:07:20,379

weird thoughts sometimes I can't help it

154

00:07:26,129 --> 00:07:23,770

but like I I have a observation deck at

155

00:07:27,770 --> 00:07:26,139

my house in a telescope and I go out

156

00:07:30,059 --> 00:07:27,780

there every once in a while and and

157

00:07:32,249 --> 00:07:30,069

sometimes I you know sit on the chair

158

00:07:33,360 --> 00:07:32,259

and just look out it's overlooking the

159

00:07:35,580 --> 00:07:33,370

mountains and everything but at night

160

00:07:37,290 --> 00:07:35,590

you know just see I can see the Milky

161

00:07:41,670 --> 00:07:37,300

Way it's a really a clear sky where I am

162

00:07:43,800 --> 00:07:41,680

in Maine and I sometimes think I wonder

163

00:07:45,600 --> 00:07:43,810

what is the weirdest thing in time

164

00:07:47,670 --> 00:07:45,610

that's gone over here you know I mean

165

00:07:51,570 --> 00:07:47,680

because I'm just there little teeny

166

00:07:53,309 --> 00:07:51,580

fraction of a moment you know and but if

167

00:07:55,159 --> 00:07:53,319

you were a station out there every

168

00:07:57,649 --> 00:07:55,169

single night you know what would you see

169

00:08:00,420 --> 00:07:57,659

you'd probably see something unusual

170

00:08:03,269 --> 00:08:00,430

because you know there have in my area

171

00:08:05,459 --> 00:08:03,279

there have been some sightings and I

172

00:08:08,550 --> 00:08:05,469

haven't seen anything here but a

173

00:08:10,740 --> 00:08:08,560

neighbor said they saw a triangle you

174

00:08:12,629 --> 00:08:10,750

know fly over and they said it was small

175

00:08:14,399 --> 00:08:12,639

but it was definitely a triangle you

176

00:08:17,279 --> 00:08:14,409

know it was small because it was so high

177

00:08:19,740 --> 00:08:17,289

they thought that it I don't know

178

00:08:23,369 --> 00:08:19,750

as far as sightings there are some in my

179

00:08:24,930 --> 00:08:23,379

area but so did you actually I know

180

00:08:27,779 --> 00:08:24,940

where I would really like to talk about

181

00:08:32,149 --> 00:08:27,789

your childhood sighting when you were 16

182

00:08:34,469 --> 00:08:32,159

but when you were in the Sacramento area

183

00:08:37,110 --> 00:08:34,479

and you were doing this filming did you

184

00:08:39,839 --> 00:08:37,120

actually have sightings as well or just

185

00:08:42,870 --> 00:08:39,849

things you found on film sightings in

186

00:08:48,300 --> 00:08:42,880

and caught some things on film that are

187

00:08:53,579 --> 00:08:48,310

not explosive but I actually uh during

188

00:08:55,230 --> 00:08:53,589

to think it was year 2007 I don't know

189

00:08:57,389 --> 00:08:55,240

what was going on that year but I would

190

00:09:00,800 --> 00:08:57,399

call that the year UFOs during my time

191

00:09:03,360 --> 00:09:00,810

at MUFON sightings were off the hook I

192

00:09:04,800 --> 00:09:03,370

was seeing strange things I was out

193

00:09:07,319 --> 00:09:04,810

there you know you're out there trying

194

00:09:09,900 --> 00:09:07,329

to catch it and I'm and I've actually

195

00:09:13,410 --> 00:09:09,910

had actually it wasn't in my place rose

196

00:09:14,350 --> 00:09:13,420

sky fishing I was on a case and this guy

197

00:09:16,560 --> 00:09:14,360

kept

198

00:09:19,930 --> 00:09:16,570

it was in the Laguna area it's a South

199

00:09:22,150 --> 00:09:19,940

part of Sacramento and he kept saying he

200

00:09:23,920 --> 00:09:22,160

was reaching these UFOs every day and he

201  
00:09:25,540 --> 00:09:23,930  
was catching them on film and some of

202  
00:09:28,120 --> 00:09:25,550  
the stuff he had seemed very interesting

203  
00:09:29,380 --> 00:09:28,130  
some of it was kind of questionable you

204  
00:09:33,130 --> 00:09:29,390  
can't really tell what it was

205  
00:09:38,980 --> 00:09:33,140  
so I went over to his house and set up

206  
00:09:40,630 --> 00:09:38,990  
my own cameras in his backyard and we

207  
00:09:43,480 --> 00:09:40,640  
were out there talking trying to see if

208  
00:09:46,480 --> 00:09:43,490  
anything I never noticed it until I took

209  
00:09:48,310 --> 00:09:46,490  
the video footage home but there's a

210  
00:09:50,050 --> 00:09:48,320  
there was like this saucer it looked

211  
00:09:52,090 --> 00:09:50,060  
like to pie plate being like a pie plate

212  
00:09:55,840 --> 00:09:52,100  
stacked on top of each other

213  
00:09:58,079 --> 00:09:55,850

zipped right into the view and when it

214

00:10:00,850 --> 00:09:58,089

it just goes like this zip and then

215

00:10:02,980 --> 00:10:00,860

disappears right when you slow it down

216

00:10:05,470 --> 00:10:02,990

and you look at it you could see it

217

00:10:07,389 --> 00:10:05,480

going like this while it's moving I mean

218

00:10:09,819 --> 00:10:07,399

it's like so fast but it almost looks

219

00:10:13,090 --> 00:10:09,829

like it's arriving a wave Wow when you

220

00:10:14,889 --> 00:10:13,100

slowed it down and it stopped and even

221

00:10:16,780 --> 00:10:14,899

when i zoom back out on the camera you

222

00:10:19,180 --> 00:10:16,790

can still see the object out there as a

223

00:10:21,370 --> 00:10:19,190

dot and when i zoom back in but the

224

00:10:24,850 --> 00:10:21,380

crazy thing about it is I never noticed

225

00:10:26,680 --> 00:10:24,860

it was there neither did he very silver

226

00:10:28,090 --> 00:10:26,690

metallic like what's the stuff do you

227

00:10:32,199 --> 00:10:28,100

see it most those videos you see in

228

00:10:33,430 --> 00:10:32,209

Mexico and uh that was pretty

229

00:10:35,170 --> 00:10:33,440

interesting when you're out there doing

230

00:10:37,269 --> 00:10:35,180

something and you catch something the

231

00:10:39,250 --> 00:10:37,279

Chivo even notice that it was there I

232

00:10:41,650 --> 00:10:39,260

was well I was always kind of curious

233

00:10:43,780 --> 00:10:41,660

did they know that we were out there

234

00:10:46,439 --> 00:10:43,790

trying to find them or does this happen

235

00:10:49,030 --> 00:10:46,449

all the time in this area so you want to

236

00:10:51,550 --> 00:10:49,040

spend more time setting up more cameras

237

00:10:53,290 --> 00:10:51,560

and see if you can catch more but I was

238

00:10:55,660 --> 00:10:53,300

a dead end but I did catch something

239

00:10:58,150 --> 00:10:55,670

very strange at the guys house Wow I

240

00:11:01,360 --> 00:10:58,160

don't ya know there's a there's a lot of

241

00:11:04,540 --> 00:11:01,370

people working on UFO detection and you

242

00:11:06,550 --> 00:11:04,550

know that stationary cameras and with

243

00:11:09,639 --> 00:11:06,560

other equipment to you know take

244

00:11:12,340 --> 00:11:09,649

readings and I know Chris O'Brien has

245

00:11:15,790 --> 00:11:12,350

something in the works then there's of

246

00:11:18,310 --> 00:11:15,800

course mark D Antonio working on

247

00:11:20,590 --> 00:11:18,320

something so hopefully something will

248

00:11:22,150 --> 00:11:20,600

happen and I know there's also that

249

00:11:24,370 --> 00:11:22,160

computer program that anyone can

250

00:11:28,009 --> 00:11:24,380

download and I forget exactly the name

251

00:11:31,369 --> 00:11:28,019

of that where you can basically set

252

00:11:33,530 --> 00:11:31,379

your your camera to the your your webcam

253

00:11:36,400 --> 00:11:33,540

I don't know I've heard something about

254

00:11:41,299 --> 00:11:36,410

that now Honduras was talking about it

255

00:11:42,949 --> 00:11:41,309

and as far as the sighting I had was

256

00:11:46,879 --> 00:11:42,959

actually in California that got me

257

00:11:48,559 --> 00:11:46,889

interested into this whole topic and it

258

00:11:51,139 --> 00:11:48,569

was 2006

259

00:11:53,720 --> 00:11:51,149

you know I say that but I'm I was

260

00:11:55,340 --> 00:11:53,730

working a lot if I can get the date I

261

00:11:57,499 --> 00:11:55,350

mean it would be hard to believe if I

262

00:11:59,569 --> 00:11:57,509

got the date wrong if it could be 2007

263

00:12:01,900 --> 00:11:59,579

but I was doing a lot of work in the

264

00:12:05,090 --> 00:12:01,910

Carmel Valley area and I was actually

265

00:12:08,210 --> 00:12:05,100

relaxing in Carmel Valley Valley at a

266

00:12:11,049 --> 00:12:08,220

neighbor's ranch and had a disc come

267

00:12:13,759 --> 00:12:11,059

right over me with like a blue glow and

268

00:12:17,660 --> 00:12:13,769

basically stopped and then then moved

269

00:12:19,489 --> 00:12:17,670

off toward Monterey and I called the

270

00:12:22,100 --> 00:12:19,499

police department because I didn't know

271

00:12:24,769 --> 00:12:22,110

I had absolutely no idea that there was

272

00:12:26,989 --> 00:12:24,779

a place online you could go and and

273

00:12:30,289 --> 00:12:26,999

report something so I called the police

274

00:12:32,600 --> 00:12:30,299

department they put me on hold and the

275

00:12:35,179 --> 00:12:32,610

woman was real sarcastic and I basically

276

00:12:38,389 --> 00:12:35,189

hung up 15 minutes later I didn't wait

277

00:12:40,960 --> 00:12:38,399

any longer so but that my sighting is

278

00:12:44,090 --> 00:12:40,970

kind of bland but it's definitely

279

00:12:46,220 --> 00:12:44,100

unexplainable you know I mean I just was

280

00:12:48,499 --> 00:12:46,230

looking up and I've said this a number

281

00:12:50,019 --> 00:12:48,509

of times I want to talk about it the

282

00:12:52,999 --> 00:12:50,029

most

283

00:12:55,939 --> 00:12:53,009

let's see bizarre thing I could say

284

00:12:57,679 --> 00:12:55,949

about that sighting at the time was wow

285

00:13:00,019 --> 00:12:57,689

this thing is moving there's absolutely

286

00:13:01,660 --> 00:13:00,029

no noise and I didn't know that was part

287

00:13:04,489 --> 00:13:01,670

of what a lot of other people would

288

00:13:06,590 --> 00:13:04,499

would say to until I started looking

289

00:13:09,530 --> 00:13:06,600

into it and I go wow so it's not unusual

290

00:13:12,859 --> 00:13:09,540

there was no noise so yeah their

291

00:13:15,710 --> 00:13:12,869

propulsion whatever it is that we're

292

00:13:18,769 --> 00:13:15,720

seeing their propulsion is hard to

293

00:13:20,869 --> 00:13:18,779

imagine what it is if you know even if

294

00:13:23,809 --> 00:13:20,879

it's not something else you know some

295

00:13:25,400 --> 00:13:23,819

people think it's something we haven't

296

00:13:27,859 --> 00:13:25,410

thought of yet you know that we're

297

00:13:32,030 --> 00:13:27,869

actually seeing who knows yeah I thought

298

00:13:34,249 --> 00:13:32,040

that option 2 yeah yeah so let's see we

299

00:13:37,699 --> 00:13:34,259

have we're gonna be taking a break in a

300

00:13:39,079 --> 00:13:37,709

little while here but can you we're

301  
00:13:41,510 --> 00:13:39,089  
about halfway through the first segment

302  
00:13:44,540 --> 00:13:41,520  
can you talk about your

303  
00:13:47,420 --> 00:13:44,550  
childhood sighting because I I listen I

304  
00:13:48,350 --> 00:13:47,430  
listen to it on another show and it's

305  
00:13:52,060 --> 00:13:48,360  
really fascinating

306  
00:13:54,560 --> 00:13:52,070  
oh yeah sure it was March 2 20th 1996

307  
00:13:57,020 --> 00:13:54,570  
I'll never forget that date the rest of

308  
00:13:59,030 --> 00:13:57,030  
my life and that life-changing I was

309  
00:14:01,730 --> 00:13:59,040  
walking over to a friend's house it was

310  
00:14:04,160 --> 00:14:01,740  
spring break and I was 16 at the time

311  
00:14:05,690 --> 00:14:04,170  
but my buddy had had a license in a

312  
00:14:09,380 --> 00:14:05,700  
pickup truck so we were going to go down

313  
00:14:11,330 --> 00:14:09,390

to the beach and do what everybody does

314

00:14:13,550 --> 00:14:11,340

on spring break in Texas the South Padre

315

00:14:14,840 --> 00:14:13,560

Island that's where everybody goes but

316

00:14:17,240 --> 00:14:14,850

anyway just to say that didn't happen

317

00:14:20,090 --> 00:14:17,250

because this UFO screwed up the whole

318

00:14:22,430 --> 00:14:20,100

spring break vacation was going nowhere

319

00:14:23,810 --> 00:14:22,440

but so I was walking through the

320

00:14:25,520 --> 00:14:23,820

neighborhood and I came around a corner

321

00:14:29,390 --> 00:14:25,530

and there's about three o'clock in the

322

00:14:31,370 --> 00:14:29,400

afternoon so the sun's like kind of in

323

00:14:32,930 --> 00:14:31,380

this direction and I looked up and there

324

00:14:36,890 --> 00:14:32,940

was this object that was under the Sun

325

00:14:38,960 --> 00:14:36,900

it was bright I could sketch it and draw

326

00:14:40,640 --> 00:14:38,970

it for you but it's basically oval shape

327

00:14:44,180 --> 00:14:40,650

like this and it had these things coming

328

00:14:46,190 --> 00:14:44,190

out so I stood there for about five

329

00:14:48,320 --> 00:14:46,200

minutes it was a long five minutes

330

00:14:50,120 --> 00:14:48,330

trying to figure out what this was and I

331

00:14:51,560 --> 00:14:50,130

couldn't figure out what it was it was

332

00:14:53,780 --> 00:14:51,570

about a hundred feet off the ground so I

333

00:14:55,760 --> 00:14:53,790

got a pretty good look at it

334

00:14:57,290 --> 00:14:55,770

it's just when I was following - leaving

335

00:14:58,850 --> 00:14:57,300

the edge of the lines it was becoming

336

00:14:59,830 --> 00:14:58,860

more transparent so it was almost like

337

00:15:02,360 --> 00:14:59,840

it was invisible

338

00:15:04,430 --> 00:15:02,370

the best way I can describe is like if

339

00:15:06,020 --> 00:15:04,440

you're if you see the sunlight hit the

340

00:15:07,400 --> 00:15:06,030

chrome of your bumper you know when

341

00:15:09,140 --> 00:15:07,410

you're walking in the parking lot how it

342

00:15:11,360 --> 00:15:09,150

follows you yeah it looks that's how

343

00:15:13,400 --> 00:15:11,370

bright it was it was brighter than the

344

00:15:16,580 --> 00:15:13,410

Sun but it didn't hurt your eyes to look

345

00:15:18,050 --> 00:15:16,590

at it got strange that is uh-oh I said

346

00:15:20,540 --> 00:15:18,060

you know this is highly unusual I'm

347

00:15:22,460 --> 00:15:20,550

gonna get a grown-up to tell me what

348

00:15:24,020 --> 00:15:22,470

this is I can go on about my day

349

00:15:26,150 --> 00:15:24,030

so I started ringing doorbells getting

350

00:15:28,310 --> 00:15:26,160

people out of the house

351

00:15:31,900 --> 00:15:28,320

the first neighbor I never met him

352

00:15:34,640 --> 00:15:31,910

before is that is his name is dick guns

353

00:15:36,440 --> 00:15:34,650

he came out I didn't have a shirt on and

354

00:15:38,300 --> 00:15:36,450

I said I introduced myself and I saw hi

355

00:15:40,310 --> 00:15:38,310

my name is Jeremy ray I'm your neighbor

356

00:15:41,900 --> 00:15:40,320

down the street blood boil he's like

357

00:15:43,430 --> 00:15:41,910

yeah yeah saying you moved the yard I

358

00:15:44,960 --> 00:15:43,440

see yeah well I was just walking through

359

00:15:46,910 --> 00:15:44,970

I'm sorry Bobby but I was just walking

360

00:15:48,860 --> 00:15:46,920

through and I see a strange thing and I

361

00:15:51,020 --> 00:15:48,870

can't I can't figure out what it is and

362

00:15:53,300 --> 00:15:51,030

I pointed to it he interrupts me goes oh

363

00:15:55,520 --> 00:15:53,310

my god and then goes back inside and

364

00:15:57,080 --> 00:15:55,530

closed the door and I was like

365

00:15:58,940 --> 00:15:57,090

that was saying that's a little

366

00:16:00,380 --> 00:15:58,950

eccentric I'll go I'll go ringing

367

00:16:03,170 --> 00:16:00,390

another doorbell I'll get somebody out

368

00:16:04,880 --> 00:16:03,180

here to talk to me so I walk I start to

369

00:16:07,190 --> 00:16:04,890

leave his yard and he comes out with

370

00:16:08,390 --> 00:16:07,200

clothes on and he's got a camera and his

371

00:16:10,460 --> 00:16:08,400

wife's with them and they're grabbing

372

00:16:12,410 --> 00:16:10,470

sunglasses so I mean he just looked at

373

00:16:15,590 --> 00:16:12,420

the object and went oh my god and then

374

00:16:17,750 --> 00:16:15,600

yeah three went in so I started thinking

375

00:16:19,610 --> 00:16:17,760

well you know they've been on this

376

00:16:22,490 --> 00:16:19,620

planet longer than me they'll tell me

377

00:16:24,170 --> 00:16:22,500

what this is what is this and basically

378

00:16:26,570 --> 00:16:24,180

he was eat I said do you know what this

379

00:16:27,920 --> 00:16:26,580

is and he's shaking his head he goes no

380

00:16:30,470 --> 00:16:27,930

I don't know what this is but whatever

381

00:16:32,920 --> 00:16:30,480

this is is very very special Jeremy and

382

00:16:36,020 --> 00:16:32,930

we're gonna try to get a picture of it

383

00:16:38,630 --> 00:16:36,030

it's kind of interesting so I've got

384

00:16:41,150 --> 00:16:38,640

some grown-ups now freaking out and I'm

385

00:16:43,280 --> 00:16:41,160

the one that's being calm usually don't

386

00:16:45,620 --> 00:16:43,290

see things like this so I'm just

387

00:16:47,360 --> 00:16:45,630

standing there and he's winding up this

388

00:16:49,040 --> 00:16:47,370

little camera it's like a disposable

389

00:16:50,390 --> 00:16:49,050

camera that we used to G stand by the

390

00:16:53,690 --> 00:16:50,400

store I think they still sell those

391

00:16:55,520 --> 00:16:53,700

things those kodak disposable oh yes how

392

00:16:58,430 --> 00:16:55,530

much time do I have on the clock oh yeah

393

00:16:59,930 --> 00:16:58,440

we got plenty of time okay so anyway he

394

00:17:02,630 --> 00:16:59,940

goes up to take the picture the first

395

00:17:05,600 --> 00:17:02,640

picture but before Owen let me back up

396

00:17:08,540 --> 00:17:05,610

before he did I started to walk forward

397

00:17:10,220 --> 00:17:08,550

the object started to back up and he

398

00:17:12,230 --> 00:17:10,230

said that oh hey it's moving it's moving

399

00:17:15,770 --> 00:17:12,240

it's moving and I found that interesting

400

00:17:17,809 --> 00:17:15,780

so I backed up and the object started

401  
00:17:19,429 --> 00:17:17,819  
coming forward and when I moved across

402  
00:17:21,110 --> 00:17:19,439  
the street it followed me across the

403  
00:17:22,910 --> 00:17:21,120  
street and when I moved back over to

404  
00:17:25,069 --> 00:17:22,920  
dick it followed me right over the dick

405  
00:17:26,660 --> 00:17:25,079  
so dick was like just be still so we get

406  
00:17:28,550 --> 00:17:26,670  
a picture as soon as he brought the

407  
00:17:30,800 --> 00:17:28,560  
camera back up to take a picture the

408  
00:17:34,520 --> 00:17:30,810  
object is the Sun and here's the object

409  
00:17:35,780 --> 00:17:34,530  
right it floated it went up into the Sun

410  
00:17:38,030 --> 00:17:35,790  
to where we couldn't get a picture I

411  
00:17:39,440 --> 00:17:38,040  
could see the leading leading things

412  
00:17:41,330 --> 00:17:39,450  
going like this but you couldn't see the

413  
00:17:42,950 --> 00:17:41,340

main object so I thought it was gonna

414

00:17:44,420 --> 00:17:42,960

leave and I said dick put the camera

415

00:17:46,790 --> 00:17:44,430

down and as soon as he brought it down

416

00:17:48,410 --> 00:17:46,800

to side the object dropped back to the

417

00:17:51,380 --> 00:17:48,420

original position of where it was that

418

00:17:53,660 --> 00:17:51,390

by that time we knew who was under some

419

00:17:56,030 --> 00:17:53,670

kind of intelligent control and so we

420

00:17:57,470 --> 00:17:56,040

were all set standing there gaping and I

421

00:18:01,400 --> 00:17:57,480

was thinking you know I need to get more

422

00:18:03,860 --> 00:18:01,410

eyewitnesses so I went over I flanked it

423

00:18:05,900 --> 00:18:03,870

I ran around the back side actually I

424

00:18:07,700 --> 00:18:05,910

tried to back up so the object would go

425

00:18:09,260 --> 00:18:07,710

over them so they could look up to see

426

00:18:11,660 --> 00:18:09,270

what it was but

427

00:18:13,460 --> 00:18:11,670

stop before it went over them well

428

00:18:15,620 --> 00:18:13,470

that's like so they were standing here I

429

00:18:17,060 --> 00:18:15,630

backed up it was following me but then

430

00:18:17,780 --> 00:18:17,070

it stopped it never would go over

431

00:18:21,200 --> 00:18:17,790

anybody

432

00:18:23,870 --> 00:18:21,210

so that's when I flanked around and ring

433

00:18:26,660 --> 00:18:23,880

mrs. lab wicks doorbell and she came out

434

00:18:29,420 --> 00:18:26,670

and I said you're not gonna believe this

435

00:18:30,650 --> 00:18:29,430

but we all know what this is and I think

436

00:18:32,090 --> 00:18:30,660

we think it it's a UFO

437

00:18:33,950 --> 00:18:32,100

we've been at keep in mind we've been

438

00:18:36,770 --> 00:18:33,960

out here for about 15 minutes watching

439

00:18:38,870 --> 00:18:36,780

this thing it's amazing that long that

440

00:18:41,000 --> 00:18:38,880

long yeah three o'clock in the afternoon

441

00:18:41,810 --> 00:18:41,010

busy day there were cars driving through

442

00:18:43,910 --> 00:18:41,820

the neighborhood

443

00:18:45,380 --> 00:18:43,920

I remember tapping on someone's they

444

00:18:47,210 --> 00:18:45,390

slow down wondering why people are in

445

00:18:48,830 --> 00:18:47,220

the road I'm everything I said look up

446

00:18:50,210 --> 00:18:48,840

look up and then ladies just looking at

447

00:18:52,760 --> 00:18:50,220

me like I'm crazy like what's wrong with

448

00:18:54,290 --> 00:18:52,770

this kid don't let even look up it was

449

00:18:55,580 --> 00:18:54,300

just right there but I think I had two

450

00:18:59,590 --> 00:18:55,590

cars go through the neighborhood during

451  
00:19:02,540 --> 00:18:59,600  
that time but yeah she miss lavich

452  
00:19:04,730 --> 00:19:02,550  
totally went freaked out said oh my god

453  
00:19:07,130 --> 00:19:04,740  
and walked straight towards the UFO and

454  
00:19:09,980 --> 00:19:07,140  
she got under it and when she did that's

455  
00:19:12,140 --> 00:19:09,990  
when it took off and really now you talk

456  
00:19:13,520 --> 00:19:12,150  
about being quiet right I want to add

457  
00:19:16,730 --> 00:19:13,530  
the quiet part to it there was

458  
00:19:19,280 --> 00:19:16,740  
absolutely no sound but also how fast it

459  
00:19:22,160 --> 00:19:19,290  
took off and there was no wind

460  
00:19:25,520 --> 00:19:22,170  
there was no bursts to knock us down it

461  
00:19:26,900 --> 00:19:25,530  
was a best way describe it is I know

462  
00:19:30,440 --> 00:19:26,910  
it's hard to tell how big this object

463  
00:19:32,030 --> 00:19:30,450

was because but if you had like a rubber

464

00:19:34,190 --> 00:19:32,040

band and I held the other hand and we

465

00:19:35,870 --> 00:19:34,200

let go of it yeah that's what it looked

466

00:19:39,350 --> 00:19:35,880

like it looked like it folded upon

467

00:19:41,750 --> 00:19:39,360

itself but it basically was a white

468

00:19:43,190 --> 00:19:41,760

thing like this and it had lines but

469

00:19:45,590 --> 00:19:43,200

then all of a sudden when it took off

470

00:19:47,660 --> 00:19:45,600

and went purple pink and blue and it

471

00:19:49,580 --> 00:19:47,670

looked like scales of a snake you know

472

00:19:51,380 --> 00:19:49,590

like snakes have skills and that was all

473

00:19:54,200 --> 00:19:51,390

lightened up really pretty colors but it

474

00:19:56,090 --> 00:19:54,210

was so quick and then it just collapsed

475

00:19:58,640 --> 00:19:56,100

on it and I remember when it lit up it

476  
00:20:01,700 --> 00:19:58,650  
got real bright everybody shadows got

477  
00:20:02,750 --> 00:20:01,710  
dark I mean it was like a big flash and

478  
00:20:07,070 --> 00:20:02,760  
then it was gone

479  
00:20:11,000 --> 00:20:07,080  
no and no sound nothing and we were like

480  
00:20:13,460 --> 00:20:11,010  
just stunned and how many were there

481  
00:20:15,800 --> 00:20:13,470  
total out there was it just it was mr.

482  
00:20:17,540 --> 00:20:15,810  
Slovak his daughter her daughter but

483  
00:20:19,820 --> 00:20:17,550  
retarder was kind of young and went back

484  
00:20:21,800 --> 00:20:19,830  
inside you know probably didn't want to

485  
00:20:22,810 --> 00:20:21,810  
hang out with the grown-ups dick and his

486  
00:20:27,420 --> 00:20:22,820  
wife and me

487  
00:20:31,900 --> 00:20:27,430  
so Wow so five altogether and when that

488  
00:20:33,670 --> 00:20:31,910

excuse me when that it sounds like it

489

00:20:36,820 --> 00:20:33,680

was like morphing or something I mean it

490

00:20:38,770 --> 00:20:36,830

just sounds like actually did you

491

00:20:42,250 --> 00:20:38,780

actually see it going a direction or did

492

00:20:45,190 --> 00:20:42,260

it disappear it was so fast it was

493

00:20:47,940 --> 00:20:45,200

disappeared but it could have went in

494

00:20:51,130 --> 00:20:47,950

the direction it looked like it was

495

00:20:53,620 --> 00:20:51,140

taken off I don't know how but it also

496

00:20:56,140 --> 00:20:53,630

took off so fast that it looked like it

497

00:20:59,080 --> 00:20:56,150

collapsed on itself so if you're looking

498

00:21:01,180 --> 00:20:59,090

at an object let's say like up in space

499

00:21:03,010 --> 00:21:01,190

that's like the square and then it are

500

00:21:04,630 --> 00:21:03,020

up in the sky and it takes off the space

501  
00:21:08,080 --> 00:21:04,640  
and its really bright it's just gonna

502  
00:21:10,600 --> 00:21:08,090  
look like it got small yeah it's so

503  
00:21:12,160 --> 00:21:10,610  
quick and that's I don't know if they

504  
00:21:14,200 --> 00:21:12,170  
cloaked realized something was wrong

505  
00:21:16,450 --> 00:21:14,210  
with its cloaking and cloak the ship

506  
00:21:18,580 --> 00:21:16,460  
right there in front of us or just went

507  
00:21:21,490 --> 00:21:18,590  
invisible which would explain why we

508  
00:21:22,990 --> 00:21:21,500  
didn't get knocked back but it there was

509  
00:21:25,120 --> 00:21:23,000  
no noise but it looked like a flash of

510  
00:21:27,850 --> 00:21:25,130  
lightning is how bright it was and it

511  
00:21:29,800 --> 00:21:27,860  
was gone now but i'm christian purple

512  
00:21:33,820 --> 00:21:29,810  
pink and blue in those skills like it

513  
00:21:36,210 --> 00:21:33,830

went it's like going look way Wow when

514

00:21:38,860 --> 00:21:36,220

you said it looked like I had strings

515

00:21:40,390 --> 00:21:38,870

hanging out what what exactly can you

516

00:21:43,450 --> 00:21:40,400

try to describe that a little bit better

517

00:21:44,770 --> 00:21:43,460

so if I had an object like this and

518

00:21:46,690 --> 00:21:44,780

there was a string attached to another

519

00:21:48,700 --> 00:21:46,700

string and we tightened it you know what

520

00:21:51,160 --> 00:21:48,710

I mean that's what it looked like except

521

00:21:53,370 --> 00:21:51,170

it wasn't strings it was more like like

522

00:21:56,290 --> 00:21:53,380

a laser beam or just a beam of light

523

00:21:58,870 --> 00:21:56,300

that slowly started to become more

524

00:22:01,450 --> 00:21:58,880

transparent at the leading edge I see I

525

00:22:02,830 --> 00:22:01,460

just called it strings because that was

526

00:22:04,360 --> 00:22:02,840

that was that's what I called it as a

527

00:22:07,210 --> 00:22:04,370

kid I was trying to figure out what that

528

00:22:09,730 --> 00:22:07,220

was but it was it almost to me looked

529

00:22:11,860 --> 00:22:09,740

like whatever was that was up there was

530

00:22:13,930 --> 00:22:11,870

partially invisible and the Sun was

531

00:22:17,230 --> 00:22:13,940

hitting object just right that we were

532

00:22:19,120 --> 00:22:17,240

able to see part of the craft that could

533

00:22:21,610 --> 00:22:19,130

have been what I was seeing it was

534

00:22:24,490 --> 00:22:21,620

cloaked but for some reason I was able

535

00:22:27,940 --> 00:22:24,500

to see it that's that's what I think and

536

00:22:30,280 --> 00:22:27,950

then they so what was everyone else's

537

00:22:33,160 --> 00:22:30,290

reaction like that was watching I mean

538

00:22:35,490 --> 00:22:33,170

huh well I will I

539

00:22:39,440 --> 00:22:35,500

I was so amped up I ran

540

00:22:41,760 --> 00:22:39,450

to find my mother what and I called my

541

00:22:44,160 --> 00:22:41,770

grandmother say find my mom it's an

542

00:22:46,650 --> 00:22:44,170

emergency didn't have cell phones back

543

00:22:48,390 --> 00:22:46,660

then yeah mom came home with an uncle

544

00:22:50,700 --> 00:22:48,400

that we haven't seen or I've never met

545

00:22:53,010 --> 00:22:50,710

before so we had company at the house

546

00:22:53,880 --> 00:22:53,020

and I stormed in there I go mommy not

547

00:22:56,130 --> 00:22:53,890

complete what happened

548

00:22:57,750 --> 00:22:56,140

blah blah blah about the UFO and I

549

00:23:00,390 --> 00:22:57,760

remember her drinking coffee and going

550

00:23:03,150 --> 00:23:00,400

that's great son that's wonderful and

551  
00:23:04,650 --> 00:23:03,160  
she continued on to talk to my uncle and

552  
00:23:07,770 --> 00:23:04,660  
I think that's the probably the first

553  
00:23:09,840 --> 00:23:07,780  
bad word I ever said in the house at

554  
00:23:11,250 --> 00:23:09,850  
that age but I remember saying how much

555  
00:23:13,590 --> 00:23:11,260  
coffee he got mom and she goes I've got

556  
00:23:18,570 --> 00:23:13,600  
a whole pot I go good don't blank and

557  
00:23:20,370 --> 00:23:18,580  
drink it and then I left and I remember

558  
00:23:21,750 --> 00:23:20,380  
her saying get back here get back here

559  
00:23:23,490 --> 00:23:21,760  
because I knew I was in trouble but I

560  
00:23:25,260 --> 00:23:23,500  
needed to get her attention yeah so it

561  
00:23:26,400 --> 00:23:25,270  
over and got my neighbors I said y'all

562  
00:23:28,590 --> 00:23:26,410  
gotta come over and tell my mom she

563  
00:23:30,720 --> 00:23:28,600

didn't believe this you know she doesn't

564

00:23:33,060 --> 00:23:30,730

she just bullied me off and they go sure

565

00:23:35,280 --> 00:23:33,070

now keep in mind my mom never met these

566

00:23:38,430 --> 00:23:35,290

neighbors this is about 12 houses down

567

00:23:39,990 --> 00:23:38,440

the street so I invited mrs. lab wake

568

00:23:41,820 --> 00:23:40,000

and dick inside a house now I remember

569

00:23:43,530 --> 00:23:41,830

the awkward moment of my mom talking to

570

00:23:45,510 --> 00:23:43,540

my uncle and then kind of caught off

571

00:23:47,610 --> 00:23:45,520

guard we got company anyhow hi how you

572

00:23:51,360 --> 00:23:47,620

doing and then there was an eerie moment

573

00:23:53,280 --> 00:23:51,370

of silence awkwardness yeah no one was

574

00:23:55,680 --> 00:23:53,290

talking and I remember I was pouring

575

00:23:56,340 --> 00:23:55,690

coffee you know and I was like tell them

576

00:23:58,980 --> 00:23:56,350

what happened

577

00:24:02,880 --> 00:23:58,990

so they both told my mother and I think

578

00:24:05,250 --> 00:24:02,890

my mother was in denial at the time but

579

00:24:07,470 --> 00:24:05,260

it was so good had eyewitnesses nobody

580

00:24:08,880 --> 00:24:07,480

would ever believe me you know kid

581

00:24:10,350 --> 00:24:08,890

rather than you know and I've never made

582

00:24:12,360 --> 00:24:10,360

up stories like that anyway I just

583

00:24:13,980 --> 00:24:12,370

couldn't believe that my mother would

584

00:24:15,870 --> 00:24:13,990

blow me off when I'm panicking like that

585

00:24:18,180 --> 00:24:15,880

I think I don't know what she was

586

00:24:21,650 --> 00:24:18,190

thinking at the time so he told she did

587

00:24:24,330 --> 00:24:21,660

she ever believed them too or did she

588

00:24:25,560 --> 00:24:24,340

really when they came in yeah they were

589

00:24:27,390 --> 00:24:25,570

damn and you've got two different

590

00:24:30,420 --> 00:24:27,400

neighbors come in yes I was with them

591

00:24:31,890 --> 00:24:30,430

and they were more stunned like me but

592

00:24:35,640 --> 00:24:31,900

you knew something was up she said she

593

00:24:37,710 --> 00:24:35,650

was disturbed by it not because believe

594

00:24:39,900 --> 00:24:37,720

in UFOs just the fact is what if that

595

00:24:41,730 --> 00:24:39,910

thing could have taken her son yeah I

596

00:24:43,440 --> 00:24:41,740

remember saying that to me like my baby

597

00:24:48,000 --> 00:24:43,450

what if it did something you know so she

598

00:24:49,410 --> 00:24:48,010

was more concerned on a safety issue but

599

00:24:53,250 --> 00:24:49,420

yeah it was such a life

600

00:24:56,340 --> 00:24:53,260

an event that even to this day we still

601  
00:24:58,590 --> 00:24:56,350  
talk about it if when I talk at bump or

602  
00:25:03,330 --> 00:24:58,600  
I go home the neighbors want to rekindle

603  
00:25:05,730 --> 00:25:03,340  
the old memories of that day so yeah did

604  
00:25:11,390 --> 00:25:05,740  
anyone call like a newspaper or anything

605  
00:25:15,000 --> 00:25:11,400  
like that yes I think it's mr. guns

606  
00:25:16,920 --> 00:25:15,010  
spelled the G but could be John but

607  
00:25:20,700 --> 00:25:16,930  
missed the dicks dick called the weather

608  
00:25:23,220 --> 00:25:20,710  
company and called called around calls

609  
00:25:28,350 --> 00:25:23,230  
the newspaper this is when things get

610  
00:25:31,950 --> 00:25:28,360  
strange oh yes it's better but this but

611  
00:25:33,990 --> 00:25:31,960  
so anyway he took two photographs okay

612  
00:25:36,180 --> 00:25:34,000  
and I saw both of them and I have a copy

613  
00:25:38,460 --> 00:25:36,190

of a copy of it where it's the blue sky

614

00:25:39,930 --> 00:25:38,470

and it's like it's like this and then

615

00:25:42,270 --> 00:25:39,940

there was one right over miss Labatt's

616

00:25:43,800 --> 00:25:42,280

house where you can see the object right

617

00:25:45,990 --> 00:25:43,810

above it you can get a good distance

618

00:25:48,480 --> 00:25:46,000

it's right above the tree line Wow we've

619

00:25:51,420 --> 00:25:48,490

had to though he had to those pictures I

620

00:25:53,460 --> 00:25:51,430

had one of them so the next day he went

621

00:25:54,930 --> 00:25:53,470

developed the film and then I had a copy

622

00:25:57,210 --> 00:25:54,940

of the picture the next day and I

623

00:25:58,530 --> 00:25:57,220

remember at 3 o'clock I went out there

624

00:26:00,330 --> 00:25:58,540

and they were out there sitting in the

625

00:26:02,040 --> 00:26:00,340

lawn chairs so they were out there the

626

00:26:03,780 --> 00:26:02,050

next day at 3 o'clock because it was

627

00:26:07,620 --> 00:26:03,790

three o'clock they were looking for it

628

00:26:09,870 --> 00:26:07,630

in the back come back all right so I

629

00:26:12,170 --> 00:26:09,880

would say probably a month after that or

630

00:26:15,090 --> 00:26:12,180

a couple of months after this incident

631

00:26:16,830 --> 00:26:15,100

somebody broke into Dick's house and

632

00:26:18,210 --> 00:26:16,840

they all they took was the whole stack

633

00:26:20,820 --> 00:26:18,220

of pictures because remember you get him

634

00:26:23,520 --> 00:26:20,830

in a books yeah me that negatives his

635

00:26:26,490 --> 00:26:23,530

house was so organized they probably had

636

00:26:28,590 --> 00:26:26,500

OCD by the power 10 everything with

637

00:26:30,270 --> 00:26:28,600

dressed Brett dress all the books

638

00:26:31,770 --> 00:26:30,280

everything there was not one book

639

00:26:34,560 --> 00:26:31,780

sticking out everything's per carpet

640

00:26:36,420 --> 00:26:34,570

clean it was just a very clean house I

641

00:26:38,160 --> 00:26:36,430

believe in when he says he knew where he

642

00:26:41,190 --> 00:26:38,170

put it he put it in the top drawer and

643

00:26:43,170 --> 00:26:41,200

all the photos were gone I was really

644

00:26:46,350 --> 00:26:43,180

mad about that was anything else taken

645

00:26:48,990 --> 00:26:46,360

or just that just that well that's very

646

00:26:50,760 --> 00:26:49,000

suspicious isn't it well this is where

647

00:26:53,460 --> 00:26:50,770

it gets weird mine disappeared around

648

00:26:56,850 --> 00:26:53,470

the same time too and that was gold to

649

00:26:58,800 --> 00:26:56,860

me gold okay my mother I thought my

650

00:27:01,050 --> 00:26:58,810

mother I'll never lay in it right there

651  
00:27:02,820 --> 00:27:01,060  
I have spot where I kept it I thought

652  
00:27:04,680 --> 00:27:02,830  
maybe she threw it away and I

653  
00:27:06,120 --> 00:27:04,690  
she never saw it it's just what I've

654  
00:27:08,039 --> 00:27:06,130  
never seen it one day and then the next

655  
00:27:10,080 --> 00:27:08,049  
day I didn't see it anymore I thought

656  
00:27:12,180 --> 00:27:10,090  
somebody moved it or put it somewhere

657  
00:27:14,310 --> 00:27:12,190  
but it was the same week when dick had

658  
00:27:16,350 --> 00:27:14,320  
his house broken into my photo was

659  
00:27:19,019 --> 00:27:16,360  
missing too Wow even though I took it

660  
00:27:21,690 --> 00:27:19,029  
down to the mall back then when we had

661  
00:27:23,850 --> 00:27:21,700  
this photo place where they had color

662  
00:27:27,570 --> 00:27:23,860  
printers which was a big deal back then

663  
00:27:29,970 --> 00:27:27,580

oh yeah I see many many many copies of

664

00:27:32,789 --> 00:27:29,980

it but I don't have the original anymore

665

00:27:34,320 --> 00:27:32,799

well yeah well okay well look we'll

666

00:27:37,289 --> 00:27:34,330

continue to talk about that we're ready

667

00:27:41,759 --> 00:27:37,299

to go on break so hang on everyone we'll

668

00:27:45,210 --> 00:27:41,769

be right back all right so we're back

669

00:27:48,360 --> 00:27:45,220

I'm here with Jeremy ray and we're back

670

00:27:50,580 --> 00:27:48,370

on to talk about we were right in the

671

00:27:52,080 --> 00:27:50,590

middle of talk about his very

672

00:27:54,810 --> 00:27:52,090

interesting sighting when he was 16

673

00:27:58,110 --> 00:27:54,820

years old back in 1996 and we're talking

674

00:28:00,720 --> 00:27:58,120

about the pictures going missing

675

00:28:03,629 --> 00:28:00,730

so Jeremy do you still have a copy of

676

00:28:07,080 --> 00:28:03,639

that original picture you had of today

677

00:28:10,289 --> 00:28:07,090

it's yeah basically it's I mean it was a

678

00:28:12,389 --> 00:28:10,299

color printer picture I mean oh color

679

00:28:17,100 --> 00:28:12,399

printer all those aren't very good I

680

00:28:19,649 --> 00:28:17,110

know it yeah and they fade - yes sir so

681

00:28:21,840 --> 00:28:19,659

that was like back in 96 where I paid I

682

00:28:24,539 --> 00:28:21,850

went to this photo place and just Xerox

683

00:28:26,190 --> 00:28:24,549

did on there that's what I did and I

684

00:28:29,600 --> 00:28:26,200

have a copy of it and actually gave a

685

00:28:32,700 --> 00:28:29,610

copy to dick many many years later

686

00:28:34,879 --> 00:28:32,710

because you know but what happened

687

00:28:39,480 --> 00:28:34,889

around that time when the photos were

688

00:28:42,419 --> 00:28:39,490

taken supposedly stolen I was real upset

689

00:28:44,279 --> 00:28:42,429

about it and I went over there many

690

00:28:46,740 --> 00:28:44,289

times and asked I'll help you go through

691

00:28:48,779 --> 00:28:46,750

your house and look for it and I think

692

00:28:50,909 --> 00:28:48,789

the second time I went over there to

693

00:28:53,220 --> 00:28:50,919

push him let's tear up the house let's

694

00:28:55,289 --> 00:28:53,230

leave him find his stuff he snapped at

695

00:28:57,299 --> 00:28:55,299

me and said do not tell anybody about

696

00:28:59,070 --> 00:28:57,309

this ever again and I remember that was

697

00:29:00,720 --> 00:28:59,080

kind of uncalled for but I remember

698

00:29:03,659 --> 00:29:00,730

looking at his wife and she was head to

699

00:29:05,519 --> 00:29:03,669

stern look - so I had no idea but they

700

00:29:06,480 --> 00:29:05,529

were they were scared and and upset

701

00:29:08,310 --> 00:29:06,490

about this

702

00:29:11,789 --> 00:29:08,320

they were probably scared that someone

703

00:29:13,049 --> 00:29:11,799

actually broke in possibly and took him

704

00:29:16,500 --> 00:29:13,059

right I mean mmm

705

00:29:19,260 --> 00:29:16,510

yeah so they were to me it was me

706

00:29:22,289 --> 00:29:19,270

because I'm all energetic and all of a

707

00:29:23,789 --> 00:29:22,299

sudden you guys are scolding me and I'm

708

00:29:25,320 --> 00:29:23,799

you know it's kind of like well are you

709

00:29:27,360 --> 00:29:25,330

are you saying don't come around here no

710

00:29:29,669 --> 00:29:27,370

more what's going on yeah I understand

711

00:29:31,830 --> 00:29:29,679

well then I'm older that they probably

712

00:29:34,020 --> 00:29:31,840

thought in the beginning that told all

713

00:29:35,400 --> 00:29:34,030

these people out there about it which I

714

00:29:36,840 --> 00:29:35,410

didn't because every time I brought the

715

00:29:38,820 --> 00:29:36,850

story people would laugh no one would

716

00:29:41,220 --> 00:29:38,830

take it seriously well that's one of why

717

00:29:42,450 --> 00:29:41,230

I came to become a UFO investigator

718

00:29:44,669 --> 00:29:42,460

because I went around trying to find

719

00:29:47,340 --> 00:29:44,679

answers about this this object that

720

00:29:49,799 --> 00:29:47,350

nobody could explain to me what that is

721

00:29:52,140 --> 00:29:49,809

except with some stupid explanation and

722

00:29:54,810 --> 00:29:52,150

I knew it wasn't that that was a kite or

723

00:29:56,880 --> 00:29:54,820

that was just uh you know people just

724

00:29:59,100 --> 00:29:56,890

make things up I know reflection of the

725

00:30:02,580 --> 00:29:59,110

Sun or something like that or did you

726

00:30:07,220 --> 00:30:02,590

hear it all yeah so but anyway back to

727

00:30:10,110 --> 00:30:07,230

that that we're a hop around too much I

728

00:30:13,560 --> 00:30:10,120

what was the deal I thought that dick

729

00:30:15,210 --> 00:30:13,570

thought that that I talked too much that

730

00:30:16,950 --> 00:30:15,220

somebody neighborhood well we're gonna

731

00:30:18,750 --> 00:30:16,960

break in still the pictures that's what

732

00:30:20,610 --> 00:30:18,760

I was thinking but dick was talking

733

00:30:24,180 --> 00:30:20,620

about was he was thinking somebody

734

00:30:25,680 --> 00:30:24,190

higher up maybe them because he thought

735

00:30:27,720 --> 00:30:25,690

this is what he thought he thought that

736

00:30:29,640 --> 00:30:27,730

that object up there came back and got

737

00:30:31,500 --> 00:30:29,650

the pictures because I lost mine the

738

00:30:35,100 --> 00:30:31,510

same time he lost his in the same time

739

00:30:37,260 --> 00:30:35,110

we live in two different houses and that

740

00:30:40,590 --> 00:30:37,270

was something I would not lose so that

741

00:30:42,900 --> 00:30:40,600

was his theory to me it's just a mystery

742

00:30:45,600 --> 00:30:42,910

I I just don't think we would lose

743

00:30:49,680 --> 00:30:45,610

something that important the same week I

744

00:30:51,390 --> 00:30:49,690

noticed that mine was missing I went

745

00:30:53,580 --> 00:30:51,400

over to talk to dick to ask if I can get

746

00:30:55,320 --> 00:30:53,590

a copy of those negatives or give

747

00:30:57,299 --> 00:30:55,330

another one so maybe printed out doubles

748

00:30:59,130 --> 00:30:57,309

and he goes his was missing so he didn't

749

00:31:02,190 --> 00:30:59,140

even let me know about it but we did a

750

00:31:05,310 --> 00:31:02,200

phone call basis I'm just a kid that

751

00:31:09,570 --> 00:31:05,320

knock on the door but yeah that

752

00:31:12,120 --> 00:31:09,580

definitely changed my life and I believe

753

00:31:15,120 --> 00:31:12,130

in my heart I believe that that is so

754

00:31:16,350 --> 00:31:15,130

sad that I couldn't go around and talk

755

00:31:18,780 --> 00:31:16,360

about it because it was such a taboo

756

00:31:20,669 --> 00:31:18,790

subject there's immediately slam down

757

00:31:22,950 --> 00:31:20,679

and I live in a Bible Belt town so of

758

00:31:25,320 --> 00:31:22,960

course it's gonna happen this is 1996

759

00:31:27,810 --> 00:31:25,330

people really didn't talk about it as

760

00:31:30,060 --> 00:31:27,820

much as we do now it's a little way more

761

00:31:31,800 --> 00:31:30,070

open than it is now when

762

00:31:33,870 --> 00:31:31,810

growing up and that was kind of my

763

00:31:36,630 --> 00:31:33,880

little agenda I'm never saying when I

764

00:31:38,160 --> 00:31:36,640

grow up become an adult I'm gonna

765

00:31:39,900 --> 00:31:38,170

educate the public on this subject

766

00:31:43,320 --> 00:31:39,910

matter because it's more important than

767

00:31:44,700 --> 00:31:43,330

a reputation or you know it's more

768

00:31:47,220 --> 00:31:44,710

important we should all be able to talk

769

00:31:49,530 --> 00:31:47,230

about this freely and not being a taboo

770

00:31:50,730 --> 00:31:49,540

subject so we can learn from it try to

771

00:31:52,830 --> 00:31:50,740

figure out what this is

772

00:31:54,450 --> 00:31:52,840

now when you you mentioned earlier that

773

00:31:55,890 --> 00:31:54,460

they called the newspaper did the

774

00:32:02,220 --> 00:31:55,900

newspaper do anything did they publish

775

00:32:03,720 --> 00:32:02,230

anything no no no sir so and I know

776

00:32:08,160 --> 00:32:03,730

there were well of course

777

00:32:10,650 --> 00:32:08,170

MUFON was was you know since 1969 so

778

00:32:13,830 --> 00:32:10,660

that was around and but no one really

779

00:32:16,800 --> 00:32:13,840

worried about the reporters yeah yeah we

780

00:32:19,800 --> 00:32:16,810

didn't know what MUFON was I found out

781

00:32:21,420 --> 00:32:19,810

about MUFON back in about a year or two

782

00:32:24,990 --> 00:32:21,430

later I think it was too nervous

783

00:32:27,420 --> 00:32:25,000

actually nineteen probably here to later

784

00:32:30,300 --> 00:32:27,430

of MUFON person came to town to do a

785

00:32:32,370 --> 00:32:30,310

talk and someone said remembered that

786

00:32:33,930 --> 00:32:32,380

read had got Jeremy he saw a UFO and

787

00:32:37,620 --> 00:32:33,940

they told me hey that UFO people are

788

00:32:40,380 --> 00:32:37,630

coming so I went and met a woman named

789

00:32:44,310 --> 00:32:40,390

Doris Upchurch Texas MUFON she's she's

790

00:32:46,260 --> 00:32:44,320

deceased now but a my shoulder drew the

791

00:32:50,370 --> 00:32:46,270

object described her told her it was no

792

00:32:51,960 --> 00:32:50,380

sound and and that's basically you know

793

00:32:53,340 --> 00:32:51,970

it was nice to have someone to talk to

794

00:32:54,990 --> 00:32:53,350

you for the first time that actually

795

00:32:58,260 --> 00:32:55,000

would sit there and listen to me and

796

00:33:00,600 --> 00:32:58,270

take a seriously and I just wow this is

797

00:33:04,320 --> 00:33:00,610

awesome I want to be a part of MUFON one

798

00:33:06,900 --> 00:33:04,330

of these days now can you imagine if you

799

00:33:08,700 --> 00:33:06,910

had no other witnesses how hard this

800

00:33:11,070 --> 00:33:08,710

would be for you I mean you you were

801  
00:33:13,110 --> 00:33:11,080  
lucky enough to have other witnesses but

802  
00:33:15,180 --> 00:33:13,120  
they were a lot older than you so it

803  
00:33:16,500 --> 00:33:15,190  
must have been really hard when you were

804  
00:33:18,900 --> 00:33:16,510  
telling like your friends and people

805  
00:33:22,520 --> 00:33:18,910  
your own age did they just always blow

806  
00:33:25,340 --> 00:33:22,530  
you off or did I had a good friend

807  
00:33:28,260 --> 00:33:25,350  
Wesley who I thought believed my story

808  
00:33:29,850 --> 00:33:28,270  
they didn't and one day we were walking

809  
00:33:32,040 --> 00:33:29,860  
the neighborhood and I go that's him us

810  
00:33:34,860 --> 00:33:32,050  
talk to him and dicks like oh yeah it

811  
00:33:37,290 --> 00:33:34,870  
happened and just you know then he

812  
00:33:38,850 --> 00:33:37,300  
believed he was like oh my god it really

813  
00:33:41,970 --> 00:33:38,860

did happen

814

00:33:43,259 --> 00:33:41,980

so he was just he was just like okay we

815

00:33:45,600 --> 00:33:43,269

don't talking about it buddy

816

00:33:46,470 --> 00:33:45,610

he wasn't really believing it he's just

817

00:33:52,080 --> 00:33:46,480

being a good friend

818

00:33:57,299 --> 00:33:52,090

yeah and if I didn't have any witnesses

819

00:34:00,060 --> 00:33:57,309

I don't know it would here's a good

820

00:34:02,669 --> 00:34:00,070

example I had another guy that in high

821

00:34:03,899 --> 00:34:02,679

school is a friend of mine he didn't

822

00:34:06,409 --> 00:34:03,909

believe me either but he never said it

823

00:34:09,210 --> 00:34:06,419

to my face until he saw me on hangar 1

824

00:34:11,990 --> 00:34:09,220

many many years ago on History Channel

825

00:34:14,909 --> 00:34:12,000

he was like I believe him now I believe

826

00:34:16,770 --> 00:34:14,919

that when he was 16 and now he's on a TV

827

00:34:18,930 --> 00:34:16,780

show talking about it and that was

828

00:34:21,780 --> 00:34:18,940

enough for him to believe so it's just

829

00:34:23,369 --> 00:34:21,790

people I mean if somebody told me I saw

830

00:34:26,040 --> 00:34:23,379

a leprechaun running across the street I

831

00:34:28,409 --> 00:34:26,050

mean really a Myka it's just as

832

00:34:30,750 --> 00:34:28,419

unbelievable as that to these people

833

00:34:33,329 --> 00:34:30,760

yeah yeah like I can't blame them you

834

00:34:36,320 --> 00:34:33,339

can't you know seeing is believing right

835

00:34:39,419 --> 00:34:36,330

I just always just remember because I

836

00:34:40,889 --> 00:34:39,429

believed that it was important and I

837

00:34:42,210 --> 00:34:40,899

didn't care what people thought of me

838

00:34:45,450 --> 00:34:42,220

I thought the information was more

839

00:34:47,849 --> 00:34:45,460

important so as you as you had gotten

840

00:34:49,800 --> 00:34:47,859

older and you started was it in Texas

841

00:34:50,399 --> 00:34:49,810

where you first joined MUFON or where

842

00:34:54,089 --> 00:34:50,409

were you

843

00:34:55,079 --> 00:34:54,099

no I I joined the military I got older

844

00:34:56,940 --> 00:34:55,089

and joined the military

845

00:34:59,220 --> 00:34:56,950

mm-hmm I had another sighting when I was

846

00:35:02,310 --> 00:34:59,230

in combat oh I want to talk about that

847

00:35:04,589 --> 00:35:02,320

but I'll continue on this further yeah

848

00:35:06,540 --> 00:35:04,599

but they answer your question after I

849

00:35:09,089 --> 00:35:06,550

got out of the military I moved up to

850

00:35:11,790 --> 00:35:09,099

California and when I was going to

851

00:35:13,290 --> 00:35:11,800

college and I'm sitting there in class

852

00:35:14,490 --> 00:35:13,300

this is when I hit I'm sitting here in

853

00:35:17,700 --> 00:35:14,500

class I think it was my second semester

854

00:35:20,520 --> 00:35:17,710

in college now I'm like I don't want to

855

00:35:22,740 --> 00:35:20,530

do this you know I want to I want to do

856

00:35:24,570 --> 00:35:22,750

I want to follow my passion I joined

857

00:35:27,329 --> 00:35:24,580

MUFON there's like wait you don't get

858

00:35:30,359 --> 00:35:27,339

paid I didn't care you know I finished

859

00:35:32,280 --> 00:35:30,369

college but I'm more focused on UFOs

860

00:35:38,790 --> 00:35:32,290

than I did my study work and so I went

861

00:35:41,820 --> 00:35:38,800

pretty gung-ho from 2006 to 2010 doing

862

00:35:46,560 --> 00:35:41,830

UFO cases and just dedicating myself to

863

00:35:49,349 --> 00:35:46,570

move on now did you with this curiosity

864

00:35:51,270 --> 00:35:49,359

and you looking and investigating did

865

00:35:52,620 --> 00:35:51,280

you try to find out if there were other

866

00:35:55,290 --> 00:35:52,630

sightings in the area

867

00:35:58,380 --> 00:35:55,300

and Texas where you had yours oh yeah uh

868

00:36:01,830 --> 00:35:58,390

would you come up with nothing zero well

869

00:36:04,920 --> 00:36:01,840

there was a woman that got her name in

870

00:36:08,390 --> 00:36:04,930

the paper in this small-town paper about

871

00:36:10,950 --> 00:36:08,400

a UFO picture that she took a year prior

872

00:36:15,300 --> 00:36:10,960

but that was it and they put down in

873

00:36:18,000 --> 00:36:15,310

front page but that's it I went through

874

00:36:19,530 --> 00:36:18,010

the back diamond and had internet I mean

875

00:36:21,870 --> 00:36:19,540

it kind of did but it wasn't like today

876  
00:36:24,780 --> 00:36:21,880  
so I went to the newspaper company and

877  
00:36:26,430 --> 00:36:24,790  
went through their archives with all of

878  
00:36:28,200 --> 00:36:26,440  
it because I heard about it and I wanted

879  
00:36:30,270 --> 00:36:28,210  
to find that article and after my hands

880  
00:36:32,460 --> 00:36:30,280  
are all black I finally found the front

881  
00:36:35,880 --> 00:36:32,470  
page of that it was I was off by eight

882  
00:36:38,100 --> 00:36:35,890  
months but found it found that woman

883  
00:36:40,320 --> 00:36:38,110  
talk to her and she was like what you

884  
00:36:41,610 --> 00:36:40,330  
would call contactee like myself she's

885  
00:36:46,200 --> 00:36:41,620  
had ongoing experiences their whole

886  
00:36:48,150 --> 00:36:46,210  
lives just as I have to and it was

887  
00:36:50,310 --> 00:36:48,160  
interesting for her perspective but I

888  
00:36:52,410 --> 00:36:50,320

think she saw it more on a spiritual

889

00:36:54,690 --> 00:36:52,420

sense then I was trying to find it in a

890

00:36:57,210 --> 00:36:54,700

more scientific sense so I didn't really

891

00:37:00,870 --> 00:36:57,220

get any answers but she says that she

892

00:37:04,800 --> 00:37:00,880

sees them all time and that time she was

893

00:37:06,660 --> 00:37:04,810

lucky to catch a picture but though not

894

00:37:09,000 --> 00:37:06,670

very many UFO sightings in Victoria

895

00:37:10,980 --> 00:37:09,010

Texas and actually I checked the MUFON

896

00:37:12,810 --> 00:37:10,990

database but I want to first joined move

897

00:37:14,580 --> 00:37:12,820

on when I got access to it

898

00:37:16,770 --> 00:37:14,590

and pulled up everything happening that

899

00:37:18,960 --> 00:37:16,780

year in Texas to try to see if anything

900

00:37:21,770 --> 00:37:18,970

was very similar if anybody saw what I

901  
00:37:24,420 --> 00:37:21,780  
saw and nothing came up it was dead end

902  
00:37:26,070 --> 00:37:24,430  
yeah I always thought you know

903  
00:37:31,140 --> 00:37:26,080  
realistically I always thought it was

904  
00:37:35,010 --> 00:37:31,150  
very strange how like why there would be

905  
00:37:37,230 --> 00:37:35,020  
the flap or you know you know many

906  
00:37:39,870 --> 00:37:37,240  
sightings in one area why it would show

907  
00:37:42,480 --> 00:37:39,880  
up again because it's a pretty big world

908  
00:37:44,670 --> 00:37:42,490  
and why would they show up in the same

909  
00:37:46,170 --> 00:37:44,680  
area when there would be so much more to

910  
00:37:46,920 --> 00:37:46,180  
explore I mean I don't know if you've

911  
00:37:51,720 --> 00:37:46,930  
ever thought of that

912  
00:37:54,720 --> 00:37:51,730  
but it it doesn't make sense I would I

913  
00:37:57,240 --> 00:37:54,730

remember six years or seven years later

914

00:38:00,090 --> 00:37:57,250

I went to visit dick again he told me it

915

00:38:01,230 --> 00:38:00,100

came back and I was really yeah I said

916

00:38:04,440 --> 00:38:01,240

what are you talking about he's like I

917

00:38:06,540 --> 00:38:04,450

was out in the backyard and yet I'm a

918

00:38:09,660 --> 00:38:06,550

lawn chair trying to get some Sun

919

00:38:11,670 --> 00:38:09,670

he'd like to ten in his backyard and he

920

00:38:14,400 --> 00:38:11,680

saw that come down and then it went

921

00:38:17,010 --> 00:38:14,410

straight back up and you you asked that

922

00:38:19,050 --> 00:38:17,020

question right there as me being 19 or

923

00:38:20,730 --> 00:38:19,060

whatever I mean I know we all witnessed

924

00:38:23,010 --> 00:38:20,740

this but I didn't want to believe that

925

00:38:26,070 --> 00:38:23,020

because it doesn't make any any any

926

00:38:27,810 --> 00:38:26,080

sense unless they're we try to figure it

927

00:38:29,220 --> 00:38:27,820

out maybe there was some somebody in the

928

00:38:31,200 --> 00:38:29,230

neighborhood that they were abducting

929

00:38:32,970 --> 00:38:31,210

right abduction everybody wants to talk

930

00:38:34,710 --> 00:38:32,980

about that yeah and maybe they were

931

00:38:36,990 --> 00:38:34,720

coming back and we just happened to bust

932

00:38:38,250 --> 00:38:37,000

them who knows I you know they were in

933

00:38:41,580 --> 00:38:38,260

the neighborhood three o'clock in the

934

00:38:43,530 --> 00:38:41,590

afternoon right there boom I can't

935

00:38:46,020 --> 00:38:43,540

believe no one didn't see it it was

936

00:38:47,340 --> 00:38:46,030

stretched across the entire inspect if

937

00:38:48,810 --> 00:38:47,350

you walked across the street to the

938

00:38:50,610 --> 00:38:48,820

other side of the night on the other

939

00:38:52,410 --> 00:38:50,620

side of the neighborhood it's still with

940

00:38:54,420 --> 00:38:52,420

it with it stretched like a cross it

941

00:38:57,990 --> 00:38:54,430

wasn't like a small object it was like

942

00:39:00,060 --> 00:38:58,000

boom like big huge bright light and

943

00:39:02,400 --> 00:39:00,070

those beams were touching both ends of

944

00:39:04,230 --> 00:39:02,410

the street it wasn't something tiny I

945

00:39:07,290 --> 00:39:04,240

figure people could see it way down the

946

00:39:09,330 --> 00:39:07,300

road but yeah that's what it said I

947

00:39:11,490 --> 00:39:09,340

bought it kind of didn't believe it now

948

00:39:13,950 --> 00:39:11,500

being involved in the UFO field for so

949

00:39:15,960 --> 00:39:13,960

long I believe it because when things

950

00:39:19,590 --> 00:39:15,970

happen people have ongoing experiences

951  
00:39:22,410 --> 00:39:19,600  
in the same spot yeah yeah and it is so

952  
00:39:26,910 --> 00:39:22,420  
bizarre how that does happen so your

953  
00:39:28,970 --> 00:39:26,920  
neighbor dick did he did he take a lot

954  
00:39:31,740 --> 00:39:28,980  
of pictures so so it's just a couple to

955  
00:39:34,680 --> 00:39:31,750  
two why did he only take two and why do

956  
00:39:36,720 --> 00:39:34,690  
you only take one because they were just

957  
00:39:38,190 --> 00:39:36,730  
looking at it I believe we were all not

958  
00:39:41,220 --> 00:39:38,200  
really thinking about gathering evidence

959  
00:39:43,170 --> 00:39:41,230  
so no one would believe us I understand

960  
00:39:45,750 --> 00:39:43,180  
we were shocked that this was even

961  
00:39:48,000 --> 00:39:45,760  
happening yes I think that's what it was

962  
00:39:51,000 --> 00:39:48,010  
I wish we did take more pictures I wish

963  
00:39:53,640 --> 00:39:51,010

we made many copies of it yes I would

964

00:39:55,230 --> 00:39:53,650

have locked it up in a vault yeah it was

965

00:39:56,760 --> 00:39:55,240

really good well you wouldn't have

966

00:39:58,560 --> 00:39:56,770

thought to lock it up in a vault because

967

00:40:00,690 --> 00:39:58,570

who would think that they would go

968

00:40:03,390 --> 00:40:00,700

missing I mean that is just a really

969

00:40:05,790 --> 00:40:03,400

bizarre part of the story actually so he

970

00:40:08,880 --> 00:40:05,800

bizarre is I that was one of the most

971

00:40:11,520 --> 00:40:08,890

important things for me and the fact

972

00:40:13,890 --> 00:40:11,530

that it disappeared on my watch yeah I

973

00:40:16,200 --> 00:40:13,900

was so frustrated and so hurt that I

974

00:40:18,420 --> 00:40:16,210

lost it or someone threw it away so I

975

00:40:19,660 --> 00:40:18,430

went over to go talk to dick to see if I

976

00:40:21,430 --> 00:40:19,670

can get another copy of it

977

00:40:23,320 --> 00:40:21,440

yeah like immediately and his were

978

00:40:26,200 --> 00:40:23,330

missing that's what's bizarre were you

979

00:40:27,510 --> 00:40:26,210

were you thinking that it possibly could

980

00:40:29,650 --> 00:40:27,520

have been your mother because she was

981

00:40:32,890 --> 00:40:29,660

trying to protect you in some type of

982

00:40:35,080 --> 00:40:32,900

way or that no I think my mother if she

983

00:40:37,060 --> 00:40:35,090

was cleaning up she would have known and

984

00:40:38,170 --> 00:40:37,070

she's even told me I knew how important

985

00:40:45,250 --> 00:40:38,180

that was to you and I would have never

986

00:40:47,650 --> 00:40:45,260

fell yeah yeah so I want to talk about

987

00:40:49,660 --> 00:40:47,660

your military experience but I heard you

988

00:40:51,820 --> 00:40:49,670

say just a second ago you're you've had

989

00:40:53,620 --> 00:40:51,830

lifelong things happen so we'll talk

990

00:40:55,330 --> 00:40:53,630

about that a little bit later on so

991

00:40:57,180 --> 00:40:55,340

let's hear about where were you

992

00:41:00,550 --> 00:40:57,190

stationed and let's hear the details

993

00:41:02,980 --> 00:41:00,560

sure I was an Army infantryman

994

00:41:06,040 --> 00:41:02,990

paratrooper so I was from the 82nd

995

00:41:07,870 --> 00:41:06,050

airborne on your on your side of North

996

00:41:11,290 --> 00:41:07,880

Carolina Fort Bragg and I was deployed

997

00:41:13,840 --> 00:41:11,300

to Kosovo this is I remember if you're a

998

00:41:16,960 --> 00:41:13,850

member of Saddam Milosevic Bill Clinton

999

00:41:21,730 --> 00:41:16,970

yep that was around all that yeah so it

1000

00:41:24,130 --> 00:41:21,740

was 1999 we were there we were just we

1001  
00:41:26,770 --> 00:41:24,140  
were in an observation point outside

1002  
00:41:28,870 --> 00:41:26,780  
this village outside of Pristina just

1003  
00:41:32,950 --> 00:41:28,880  
like capital of Kosovo or whatever and

1004  
00:41:35,950 --> 00:41:32,960  
it was that night I was on guard

1005  
00:41:37,240 --> 00:41:35,960  
and I can't one of my guards it's like

1006  
00:41:39,520 --> 00:41:37,250  
isn't that interesting that's an

1007  
00:41:42,540 --> 00:41:39,530  
airplane but it's not moving and I

1008  
00:41:45,940 --> 00:41:42,550  
looked up and after my experience from

1009  
00:41:48,400 --> 00:41:45,950  
1996 I'm looking at it going well it

1010  
00:41:50,170 --> 00:41:48,410  
could be a UFO I mean it's not moving it

1011  
00:41:52,060 --> 00:41:50,180  
looked like a little basketball little

1012  
00:41:54,220 --> 00:41:52,070  
basketballs like for basketball sized

1013  
00:41:58,090 --> 00:41:54,230

red lights but they just stayed right

1014

00:42:00,520 --> 00:41:58,100

above my outpost just to like only just

1015

00:42:02,760 --> 00:42:00,530

read mm-hmm just the light no movements

1016

00:42:05,080 --> 00:42:02,770

just right there basketball-sized

1017

00:42:10,330 --> 00:42:05,090

hovering right above us it wasn't stars

1018

00:42:11,380 --> 00:42:10,340

low enough so I remember we stared at it

1019

00:42:13,960 --> 00:42:11,390

for a little what there was nothing

1020

00:42:19,150 --> 00:42:13,970

spectacular bad just just being

1021

00:42:20,920 --> 00:42:19,160

perfectly still that I decided to or we

1022

00:42:23,320 --> 00:42:20,930

both decided we agreed to wake up I

1023

00:42:24,790 --> 00:42:23,330

would tenant and I welcomed up I think

1024

00:42:27,460 --> 00:42:24,800

it's about 1:30 in the morning we were

1025

00:42:29,740 --> 00:42:27,470

on guard and he goes well report a UFO

1026

00:42:33,430 --> 00:42:29,750

it's a battalion commander battalion

1027

00:42:35,050 --> 00:42:33,440

area and I told them we'll

1028

00:42:37,060 --> 00:42:35,060

I don't know how to do that it's what I

1029

00:42:37,630 --> 00:42:37,070

said he goes well don't worry I'll get

1030

00:42:39,880 --> 00:42:37,640

up and do it

1031

00:42:42,370 --> 00:42:39,890

and our lieutenant was a lazy pizza you

1032

00:42:44,470 --> 00:42:42,380

know what so the fact that he got up to

1033

00:42:47,530 --> 00:42:44,480

file that was like wow he's actually

1034

00:42:49,390 --> 00:42:47,540

doing something it wasn't like oh we're

1035

00:42:51,580 --> 00:42:49,400

all panicking in all this he was more

1036

00:42:54,730 --> 00:42:51,590

nonchalant he got on and called

1037

00:42:57,160 --> 00:42:54,740

battalion the battalion area and gave us

1038

00:43:01,240 --> 00:42:57,170

a situation report on an on an unknown

1039

00:43:03,010 --> 00:43:01,250

object that's hovering above it was such

1040

00:43:04,600 --> 00:43:03,020

a boring sighting that we looked away

1041

00:43:06,880 --> 00:43:04,610

from it many times in continued

1042

00:43:09,370 --> 00:43:06,890

conversations and then continued to look

1043

00:43:12,460 --> 00:43:09,380

back up it wasn't that big of a deal but

1044

00:43:13,870 --> 00:43:12,470

I do realize during that moment that was

1045

00:43:16,420 --> 00:43:13,880

the only time I've noticed something

1046

00:43:20,820 --> 00:43:16,430

that was interesting was no one laughed

1047

00:43:24,820 --> 00:43:20,830

it off and concisely it was reported and

1048

00:43:28,510 --> 00:43:24,830

you know that's about it a nutshell yeah

1049

00:43:31,570 --> 00:43:28,520

I know I've heard a number of people say

1050

00:43:35,080 --> 00:43:31,580

and over the years and then actually a

1051  
00:43:38,080 --> 00:43:35,090  
friend of a relative told me that they

1052  
00:43:40,570 --> 00:43:38,090  
watched a UFO that looked like the size

1053  
00:43:42,010 --> 00:43:40,580  
of a washing machine they looked like

1054  
00:43:44,320 --> 00:43:42,020  
the shape of a washing machine and it

1055  
00:43:46,480 --> 00:43:44,330  
was spinning and it was there for like

1056  
00:43:48,250 --> 00:43:46,490  
hours and people would go out and look

1057  
00:43:50,740 --> 00:43:48,260  
at it no one reported this is in another

1058  
00:43:52,900 --> 00:43:50,750  
country no one reported it or anything

1059  
00:43:56,770 --> 00:43:52,910  
they just watched it and they got bored

1060  
00:43:59,380 --> 00:43:56,780  
and everyone went hints I don't mean it

1061  
00:44:01,090 --> 00:43:59,390  
it is kind of funny and I've had a lot

1062  
00:44:02,890 --> 00:44:01,100  
of people tell me that they've like they

1063  
00:44:05,470 --> 00:44:02,900

watched whatever it was for a while and

1064

00:44:08,560 --> 00:44:05,480

you know and got and got bored with it

1065

00:44:09,850 --> 00:44:08,570

so maybe that's part of their you know

1066

00:44:12,250 --> 00:44:09,860

part of their gig they're trying to get

1067

00:44:13,870 --> 00:44:12,260

us bored and then they'll do something

1068

00:44:17,710 --> 00:44:13,880

or gather some type of information who

1069

00:44:19,960 --> 00:44:17,720

knows but I do I don't remember it

1070

00:44:23,290 --> 00:44:19,970

leaving I remembered it fading out I

1071

00:44:25,360 --> 00:44:23,300

remember it seemed like they were

1072

00:44:27,370 --> 00:44:25,370

basketballs and then we looked up later

1073

00:44:28,990 --> 00:44:27,380

it was like a little bit smaller and

1074

00:44:31,060 --> 00:44:29,000

then we looked up later and it was like

1075

00:44:33,850 --> 00:44:31,070

going you know but it was still stayed

1076

00:44:37,480 --> 00:44:33,860

in the same spot for balls light just

1077

00:44:40,630 --> 00:44:37,490

like perfect lined yeah across now that

1078

00:44:41,890 --> 00:44:40,640

happened in your had Co witnesses did

1079

00:44:43,690 --> 00:44:41,900

you tell them about what happened to you

1080

00:44:46,820 --> 00:44:43,700

when you were younger

1081

00:44:49,070 --> 00:44:46,830

yeah I talked about that but I want you

1082

00:44:52,310 --> 00:44:49,080

know that we all forgot about that UFO

1083

00:44:53,900 --> 00:44:52,320

the following night we totally forgot

1084

00:44:55,250 --> 00:44:53,910

about it because we got mortar attack

1085

00:44:58,100 --> 00:44:55,260

that night we almost got killed that

1086

00:45:00,470 --> 00:44:58,110

night oh boy there's a really bad

1087

00:45:03,140 --> 00:45:00,480

horrible night so we were thinking about

1088

00:45:05,240 --> 00:45:03,150

our lives and not thinking no I mean we

1089

00:45:07,520 --> 00:45:05,250

forgot about that damn UFO yeah I was

1090

00:45:09,320 --> 00:45:07,530

open til later on and when I brought it

1091

00:45:12,200 --> 00:45:09,330

up y'all remember we saw the UFO and

1092

00:45:14,390 --> 00:45:12,210

then people oh yeah yeah but if we

1093

00:45:17,030 --> 00:45:14,400

weren't if we weren't distracted by that

1094

00:45:19,370 --> 00:45:17,040

we probably would have talked a lot more

1095

00:45:24,080 --> 00:45:19,380

about it but was there any question of

1096

00:45:25,580 --> 00:45:24,090

say enemy like drone of looking at a

1097

00:45:28,850 --> 00:45:25,590

position or anything like that was that

1098

00:45:31,580 --> 00:45:28,860

ever a question we did have drones back

1099

00:45:33,680 --> 00:45:31,590

then but they were seek they the word

1100

00:45:35,480 --> 00:45:33,690

drone kind of really didn't exist yeah I

1101  
00:45:38,210 --> 00:45:35,490  
remember I saw my first Predator drone

1102  
00:45:40,100 --> 00:45:38,220  
it looked like it came over and it was

1103  
00:45:41,840 --> 00:45:40,110  
in Kosovo don't get me wrong but that's

1104  
00:45:43,280 --> 00:45:41,850  
scared to hell I make almost shot it I

1105  
00:45:44,990 --> 00:45:43,290  
didn't know if it was a missile or what

1106  
00:45:46,730 --> 00:45:45,000  
it was yeah I didn't know what these

1107  
00:45:48,680 --> 00:45:46,740  
things were it could have been but

1108  
00:45:52,310 --> 00:45:48,690  
they're like I said it was very it was

1109  
00:45:55,310 --> 00:45:52,320  
quiet no sound I mean it was there for

1110  
00:45:57,350 --> 00:45:55,320  
about 30 minutes in 30 minutes

1111  
00:46:00,290 --> 00:45:57,360  
yeah mileage looked up at it we looked

1112  
00:46:02,150 --> 00:46:00,300  
at it yeah I remember him saying it's a

1113  
00:46:03,410 --> 00:46:02,160

UFO let's report it I remember him

1114

00:46:05,180 --> 00:46:03,420

saying that because he can figure out

1115

00:46:07,150 --> 00:46:05,190

what it was so see you up over important

1116

00:46:09,620 --> 00:46:07,160

is you up up we don't know what this is

1117

00:46:11,120 --> 00:46:09,630

now when you report something like that

1118

00:46:13,640 --> 00:46:11,130

in the military and I'm sure there's

1119

00:46:16,070 --> 00:46:13,650

there's a lot of it and because there a

1120

00:46:18,640 --> 00:46:16,080

lot of people talk about either wartime

1121

00:46:21,980 --> 00:46:18,650

or you know reporting in the military

1122

00:46:23,270 --> 00:46:21,990

does it just go to a dead end or is

1123

00:46:24,010 --> 00:46:23,280

anyone ever question do you know

1124

00:46:29,150 --> 00:46:24,020

anything about that

1125

00:46:31,640 --> 00:46:29,160

sorry yeah I guess it went to a dead end

1126  
00:46:33,800 --> 00:46:31,650  
it just was reported I know but no men

1127  
00:46:38,240 --> 00:46:33,810  
in black showed up no I thought he came

1128  
00:46:39,860 --> 00:46:38,250  
follow up any questions I mean it was as

1129  
00:46:42,800 --> 00:46:39,870  
interesting as it was it wasn't

1130  
00:46:46,700 --> 00:46:42,810  
spectacular but like I said it was easy

1131  
00:46:49,130 --> 00:46:46,710  
to forget right away after all of us it

1132  
00:46:51,020 --> 00:46:49,140  
was like a Mindwipe after getting blown

1133  
00:46:52,700 --> 00:46:51,030  
up someone trying to kill us the ball

1134  
00:46:54,470 --> 00:46:52,710  
tonight we were more thinking of

1135  
00:46:55,880 --> 00:46:54,480  
survival in there Rochelle I'm gonna

1136  
00:46:58,250 --> 00:46:55,890  
make it home yeah

1137  
00:47:00,309 --> 00:46:58,260  
cares about that UFO absolutely I can

1138  
00:47:02,240 --> 00:47:00,319

totally get that

1139

00:47:03,769 --> 00:47:02,250

that probably kind of answers your

1140

00:47:05,960 --> 00:47:03,779

question because we moved around a lot

1141

00:47:07,309 --> 00:47:05,970

but we did report it or my lieutenant

1142

00:47:09,109 --> 00:47:07,319

reported it I stood right there and

1143

00:47:12,410 --> 00:47:09,119

listened to him he gave a standard

1144

00:47:14,329 --> 00:47:12,420

report like sighs activity location unit

1145

00:47:16,880 --> 00:47:14,339

time equipment you know just kind of

1146

00:47:18,230 --> 00:47:16,890

state these things in the report and

1147

00:47:20,599 --> 00:47:18,240

that was it

1148

00:47:22,910 --> 00:47:20,609

and I guess they logged it who knows we

1149

00:47:24,950 --> 00:47:22,920

would've read it but the problem is

1150

00:47:27,529 --> 00:47:24,960

blown off no I didn't see no jets coming

1151

00:47:28,999 --> 00:47:27,539

or anything like that it was early in

1152

00:47:31,370 --> 00:47:29,009

the morning we raided at the end they

1153

00:47:33,799 --> 00:47:31,380

said they and the other guy Neriah took

1154

00:47:38,900 --> 00:47:33,809

notes and that was it he went back to

1155

00:47:41,990 --> 00:47:38,910

bed right away after that well and so

1156

00:47:43,700 --> 00:47:42,000

that was it for the military so you got

1157

00:47:47,150 --> 00:47:43,710

out of there did you have actually

1158

00:47:48,529 --> 00:47:47,160

sightings in between the 16 year old

1159

00:47:50,599 --> 00:47:48,539

time and then when you went into the

1160

00:47:53,420 --> 00:47:50,609

military or was that that was it was

1161

00:47:55,640 --> 00:47:53,430

just that was the first one and then

1162

00:47:58,609 --> 00:47:55,650

that was my second one yeah I remembered

1163

00:48:00,740 --> 00:47:58,619

a sighting when I was a kid and I

1164

00:48:04,220 --> 00:48:00,750

remember my dad telling me it's a meteor

1165

00:48:07,220 --> 00:48:04,230

no I'm not believe yeah you know and I

1166

00:48:08,690 --> 00:48:07,230

went inside so to me March 20 1986 was

1167

00:48:10,609 --> 00:48:08,700

my first sighting but it kind of it

1168

00:48:13,880 --> 00:48:10,619

really wasn't our first sighting was

1169

00:48:16,069 --> 00:48:13,890

with my father in 1986 in a town called

1170

00:48:17,809 --> 00:48:16,079

Runge Texas and I remember very well it

1171

00:48:19,579 --> 00:48:17,819

was a ball light and his stuff was

1172

00:48:21,890 --> 00:48:19,589

dripping off it it was like dripping and

1173

00:48:25,160 --> 00:48:21,900

then it would the drip would come down

1174

00:48:27,200 --> 00:48:25,170

and then go back up that's not a meteor

1175

00:48:29,120 --> 00:48:27,210

but when my dad told me it was a meteor

1176

00:48:30,980 --> 00:48:29,130

I believed I mean he told me to go

1177

00:48:32,839 --> 00:48:30,990

inside and I remember him standing out

1178

00:48:34,339 --> 00:48:32,849

there looking at it and I told my

1179

00:48:37,279 --> 00:48:34,349

grandmother girls like you better do

1180

00:48:40,579 --> 00:48:37,289

what what daddy says you know so I went

1181

00:48:43,819 --> 00:48:40,589

to bed my father is now deceased he died

1182

00:48:45,890 --> 00:48:43,829

in 1989 a few years after that but my

1183

00:48:47,539 --> 00:48:45,900

mom my mother remembers him coming in

1184

00:48:50,089 --> 00:48:47,549

that night saying he saw something

1185

00:48:51,650 --> 00:48:50,099

strange down the street he told me to go

1186

00:48:54,190 --> 00:48:51,660

inside cuz he didn't know what it was he

1187

00:48:56,690 --> 00:48:54,200

trying to protect his son yeah but I

1188

00:48:59,029 --> 00:48:56,700

remember is just a white light with some

1189

00:49:01,279 --> 00:48:59,039

things dripping and going back up so

1190

00:49:03,499 --> 00:49:01,289

when my dad told me that was a meteor I

1191

00:49:05,749 --> 00:49:03,509

actually believed those were meteors and

1192

00:49:07,999 --> 00:49:05,759

I'm arguing with my teacher in class no

1193

00:49:10,690 --> 00:49:08,009

meteors dazzle up in sky or whatever I

1194

00:49:14,859 --> 00:49:10,700

go no they hover and these things drip

1195

00:49:19,550 --> 00:49:14,869

just look at it like okay yours you know

1196

00:49:22,970 --> 00:49:19,560

Wow wow that's fantastic you know I I

1197

00:49:28,130 --> 00:49:22,980

had a I saw a fireball I've talked about

1198

00:49:30,560 --> 00:49:28,140

this on the show many years ago go over

1199

00:49:33,770 --> 00:49:30,570

me and it was much more spectacular than

1200

00:49:36,859 --> 00:49:33,780

my UFO sighting this was I could see

1201  
00:49:39,290 --> 00:49:36,869  
this thing turning and it was had it was

1202  
00:49:40,970 --> 00:49:39,300  
sort of orange and cracked and like

1203  
00:49:44,300 --> 00:49:40,980  
sparks flying off of it it was just

1204  
00:49:46,040 --> 00:49:44,310  
amazing and again no sound but it was

1205  
00:49:49,010 --> 00:49:46,050  
probably really high over me but it

1206  
00:49:52,880 --> 00:49:49,020  
looked huge look look like at least the

1207  
00:49:54,980 --> 00:49:52,890  
size of the moon you know it was big so

1208  
00:49:57,829 --> 00:49:54,990  
that was fantastic but it was definitely

1209  
00:50:00,380 --> 00:49:57,839  
fireball it wasn't it wasn't what you're

1210  
00:50:02,359 --> 00:50:00,390  
talking about I mean when you're talking

1211  
00:50:05,240 --> 00:50:02,369  
about something dripping and then going

1212  
00:50:08,359 --> 00:50:05,250  
back up I mean that that is just another

1213  
00:50:10,640 --> 00:50:08,369

really bizarre thing I believe my father

1214

00:50:13,430 --> 00:50:10,650

it's a normal thing it's a meteor I go

1215

00:50:15,800 --> 00:50:13,440

inside sign and I bled and I log that in

1216

00:50:18,079 --> 00:50:15,810

my head that's what they look like well

1217

00:50:21,530 --> 00:50:18,089

I was educated properly later on down

1218

00:50:24,530 --> 00:50:21,540

the road but yeah Wow get with me for

1219

00:50:27,050 --> 00:50:24,540

many many years yeah we have like four

1220

00:50:28,970 --> 00:50:27,060

minutes left and what I'd like to do is

1221

00:50:31,910 --> 00:50:28,980

uh and the last part of the show is talk

1222

00:50:33,050 --> 00:50:31,920

to you about some investigations you've

1223

00:50:35,630 --> 00:50:33,060

done and then we can go on and talk

1224

00:50:38,180 --> 00:50:35,640

about how you got on you know the

1225

00:50:42,140 --> 00:50:38,190

spotlight on hangar 21 and hangar one

1226

00:50:46,070 --> 00:50:42,150

and all that so again in these like four

1227

00:50:48,260 --> 00:50:46,080

minutes where when you get discharged

1228

00:50:50,329 --> 00:50:48,270

from the military you said that you went

1229

00:50:53,450 --> 00:50:50,339

up to Northern California and then you

1230

00:50:54,980 --> 00:50:53,460

went to school and but you made it all

1231

00:50:57,070 --> 00:50:54,990

the way through a school but you decided

1232

00:50:59,690 --> 00:50:57,080

like halfway through that you wanted to

1233

00:51:02,240 --> 00:50:59,700

do more investigations and get into

1234

00:51:05,599 --> 00:51:02,250

MUFON yes sir at that time were you

1235

00:51:07,370 --> 00:51:05,609

following like going had you gone to

1236

00:51:09,920 --> 00:51:07,380

like a symposium or anything like that

1237

00:51:12,950 --> 00:51:09,930

or yes I was like I said I was gonna I

1238

00:51:15,410 --> 00:51:12,960

try to go is dominium as I could I'd go

1239

00:51:17,180 --> 00:51:15,420

to the Irvine you know and then feature

1240

00:51:20,210 --> 00:51:17,190

symposiums like would usually be in

1241

00:51:22,490 --> 00:51:20,220

Denver around that time we saved up all

1242

00:51:23,780 --> 00:51:22,500

my money I could fly up there to be a

1243

00:51:25,010 --> 00:51:23,790

part of the team and get to meet

1244

00:51:29,120 --> 00:51:25,020

everybody and

1245

00:51:33,050 --> 00:51:29,130

network you know what you what year was

1246

00:51:34,550 --> 00:51:33,060

that about Oh two thousand six seven

1247

00:51:38,590 --> 00:51:34,560

eight nine

1248

00:51:40,760 --> 00:51:38,600

yeah I mean uh you know you would meet

1249

00:51:43,070 --> 00:51:40,770

like my first time remember I met

1250

00:51:45,470 --> 00:51:43,080

Richard Dolan and I remember reading

1251

00:51:46,750 --> 00:51:45,480

this book and it was I was kind of nuts

1252

00:51:50,420 --> 00:51:46,760

a little star-struck

1253

00:51:52,460 --> 00:51:50,430

but then later on we I mean I look back

1254

00:51:54,620 --> 00:51:52,470

and I'm like I was on a show with him we

1255

00:51:56,359 --> 00:51:54,630

all became good friends it's a small you

1256

00:51:59,120 --> 00:51:56,369

believe it or not the UFO community is

1257

00:52:01,790 --> 00:51:59,130

quite small and you get to know

1258

00:52:05,390 --> 00:52:01,800

everybody pretty quick it's yeah yeah

1259

00:52:07,150 --> 00:52:05,400

yeah I know it's a I what I one of the

1260

00:52:10,340 --> 00:52:07,160

things I really like about this a lot of

1261

00:52:12,440 --> 00:52:10,350

really intelligent people that are

1262

00:52:14,570 --> 00:52:12,450

taking this seriously and you know of

1263

00:52:18,140 --> 00:52:14,580

course you can find fringe and whatever

1264

00:52:20,480 --> 00:52:18,150

you do and any you know I mean there may

1265

00:52:22,250 --> 00:52:20,490

be something to Bigfoot there may be

1266

00:52:24,890 --> 00:52:22,260

something to ghosts and things like that

1267

00:52:26,270 --> 00:52:24,900

but there's all there's it's kind of the

1268

00:52:27,800 --> 00:52:26,280

same thing there's people that are

1269

00:52:29,720 --> 00:52:27,810

trying to look at it trying to figure it

1270

00:52:32,300 --> 00:52:29,730

out and then there's a people that go

1271

00:52:34,880 --> 00:52:32,310

off the rails you know and and everyone

1272

00:52:37,220 --> 00:52:34,890

has to decide what tack they want to

1273

00:52:40,340 --> 00:52:37,230

take and looking into it and but I

1274

00:52:41,990 --> 00:52:40,350

really enjoy the topic because I think I

1275

00:52:43,630 --> 00:52:42,000

don't really think that I'm ever going

1276

00:52:48,230 --> 00:52:43,640

to get an answer but I still like to

1277

00:52:52,880 --> 00:52:48,240

ponder what a UFO could be and listen to

1278

00:52:54,530 --> 00:52:52,890

other people's thoughts on it and if we

1279

00:52:59,120 --> 00:52:54,540

only have a couple minutes here would

1280

00:53:01,990 --> 00:52:59,130

you have if you had to guess would you

1281

00:53:05,450 --> 00:53:02,000

think that it's most likely

1282

00:53:08,000 --> 00:53:05,460

extraterrestrial or do to have any

1283

00:53:10,849 --> 00:53:08,010

thoughts on that what people are seeing

1284

00:53:14,330 --> 00:53:10,859

I think it might be a little bit more

1285

00:53:16,640 --> 00:53:14,340

beyond that I don't um I can give you

1286

00:53:18,650 --> 00:53:16,650

analogies or why I think that

1287

00:53:20,660 --> 00:53:18,660

but the explain its kind of difficult

1288

00:53:23,300 --> 00:53:20,670

it's something that probably haven't

1289

00:53:25,750 --> 00:53:23,310

thought about but it could be a mix of

1290

00:53:28,430 --> 00:53:25,760

all of that it could be

1291

00:53:30,290 --> 00:53:28,440

extraterrestrial and by saying that from

1292

00:53:32,000 --> 00:53:30,300

another planet traveling here great

1293

00:53:33,620 --> 00:53:32,010

distance to get here it could be extra

1294

00:53:36,109 --> 00:53:33,630

dimensional and then once you start

1295

00:53:38,090 --> 00:53:36,119

climbing up the ladder on what it could

1296

00:53:39,830 --> 00:53:38,100

be then it gets to the point where

1297

00:53:41,990 --> 00:53:39,840

what does have you've not thought about

1298

00:53:43,820 --> 00:53:42,000

so here's a good example we've got one

1299

00:53:45,830 --> 00:53:43,830

more minute try to imagine that color

1300

00:53:47,540 --> 00:53:45,840

you've ever you've never seen before I'm

1301  
00:53:50,360 --> 00:53:47,550  
not talking purple black white blue red

1302  
00:53:52,610 --> 00:53:50,370  
brown orange green yellow right you if

1303  
00:53:55,430 --> 00:53:52,620  
you can think of a color I know you

1304  
00:53:57,320 --> 00:53:55,440  
can't but if you could how are you gonna

1305  
00:53:59,750 --> 00:53:57,330  
explain it to me and yeah I'm going

1306  
00:54:03,110 --> 00:53:59,760  
correct vocabulary to explain it to me

1307  
00:54:05,210 --> 00:54:03,120  
right uh it I would say that category

1308  
00:54:07,160 --> 00:54:05,220  
UFOs are definitely somewhere in that

1309  
00:54:09,260 --> 00:54:07,170  
category of something that we haven't

1310  
00:54:11,270 --> 00:54:09,270  
thought about and we can't think about

1311  
00:54:11,810 --> 00:54:11,280  
until we observe and experience it

1312  
00:54:14,990 --> 00:54:11,820  
ourselves

1313  
00:54:16,790 --> 00:54:15,000

yeah that's it I'm not saying humans are

1314

00:54:19,070 --> 00:54:16,800

dumb I just say we have a limit we have

1315

00:54:21,590 --> 00:54:19,080

limitations yeah we do we have a

1316

00:54:23,390 --> 00:54:21,600

limitation sort of senses and we also

1317

00:54:26,660 --> 00:54:23,400

have limitations to our spectrum that we

1318

00:54:29,060 --> 00:54:26,670

can actually see you know which is which

1319

00:54:30,410 --> 00:54:29,070

is another whole you know type of thing

1320

00:54:32,600 --> 00:54:30,420

it could be something outside of our

1321

00:54:35,110 --> 00:54:32,610

spectrum that also we can't see but

1322

00:54:38,140 --> 00:54:35,120

anyway we are ready to go to break and

1323

00:54:43,490 --> 00:54:38,150

hang in there we'll be right back

1324

00:54:47,060 --> 00:54:43,500

alright so I am back I am with Jeremy

1325

00:54:49,820 --> 00:54:47,070

ray and we're talking about his past

1326  
00:54:52,220 --> 00:54:49,830  
experiences and sightings and UFOs we're

1327  
00:54:53,600 --> 00:54:52,230  
going to talk about a lot more in this

1328  
00:54:57,260 --> 00:54:53,610  
next segment

1329  
00:55:00,020 --> 00:54:57,270  
it's a almost a full hour segment Jeremy

1330  
00:55:03,140 --> 00:55:00,030  
welcome back to the show thank you and

1331  
00:55:06,670 --> 00:55:03,150  
so let's talk about you you joined MUFON

1332  
00:55:09,590 --> 00:55:06,680  
and I know you're on the star team and

1333  
00:55:12,020 --> 00:55:09,600  
so I know they think a lot of you to get

1334  
00:55:16,000 --> 00:55:12,030  
to that you know that position and move

1335  
00:55:18,410 --> 00:55:16,010  
on so let's talk about you did

1336  
00:55:22,900 --> 00:55:18,420  
investigations in California let's talk

1337  
00:55:25,820 --> 00:55:22,910  
first about that and and how that went

1338  
00:55:27,980 --> 00:55:25,830

it was actually if you want to talk

1339

00:55:29,320 --> 00:55:27,990

about star team and how I got into into

1340

00:55:32,480 --> 00:55:29,330

that it kind of falls in that category

1341

00:55:34,910 --> 00:55:32,490

there was a there was a an aerospace

1342

00:55:35,810 --> 00:55:34,920

company called Bigelow Aerospace that is

1343

00:55:38,480 --> 00:55:35,820

based yes

1344

00:55:41,630 --> 00:55:38,490

Robert Bigelow kind of infamous in the

1345

00:55:45,110 --> 00:55:41,640

UFO field but um he started to come in

1346

00:55:46,850 --> 00:55:45,120

and fund MUFON investigators so he

1347

00:55:49,280 --> 00:55:46,860

actually the first time getting paid to

1348

00:55:51,710 --> 00:55:49,290

go out and do a case I signed up for

1349

00:55:53,599 --> 00:55:51,720

that and I remember in the application

1350

00:55:55,520 --> 00:55:53,609

there is non-disclosures and stuff but

1351  
00:55:59,210 --> 00:55:55,530  
they were looking for law enforcement or

1352  
00:56:02,300 --> 00:55:59,220  
military you know people and I dropped I

1353  
00:56:05,829 --> 00:56:02,310  
put in all my military stuff and usually

1354  
00:56:09,770 --> 00:56:05,839  
it during the time it was James was the

1355  
00:56:11,960 --> 00:56:09,780  
the depth the executive director of

1356  
00:56:14,720 --> 00:56:11,970  
MUFON during that time and I think he

1357  
00:56:17,480 --> 00:56:14,730  
was approving and I got approved to be a

1358  
00:56:19,280 --> 00:56:17,490  
part of it so that during this time this

1359  
00:56:20,960 --> 00:56:19,290  
was I think the star team was like real

1360  
00:56:22,670 --> 00:56:20,970  
star team because we were being funded

1361  
00:56:25,190 --> 00:56:22,680  
everything was taken care of you just

1362  
00:56:27,079 --> 00:56:25,200  
had to make sure that you got to notice

1363  
00:56:28,640 --> 00:56:27,089

he had to be there in 24 hours he had to

1364

00:56:30,349 --> 00:56:28,650

have all her stuff packed anyway and

1365

00:56:34,400 --> 00:56:30,359

they would take care of thing flights

1366

00:56:36,980 --> 00:56:34,410

rentals we even had her damn you know

1367

00:56:40,370 --> 00:56:36,990

and then you got paid to go do your case

1368

00:56:42,050 --> 00:56:40,380

so I was real excited about that in the

1369

00:56:44,809 --> 00:56:42,060

beginning this is this is this is

1370

00:56:47,030 --> 00:56:44,819

interesting I was you know I had a

1371

00:56:50,930 --> 00:56:47,040

normal job and I was working but I got I

1372

00:56:55,849 --> 00:56:50,940

didn't have at the army since got out in

1373

00:56:59,059 --> 00:56:55,859

2001 and it's now 2008 and I give an

1374

00:57:02,240 --> 00:56:59,069

email from US Army gov and it's

1375

00:57:03,950 --> 00:57:02,250

assigning me to a UFO case and I was

1376

00:57:06,859 --> 00:57:03,960

like well I'm supposed to be getting

1377

00:57:09,740 --> 00:57:06,869

move on to send me you know these 13

1378

00:57:11,930 --> 00:57:09,750

cases so I just scrolled down and I saw

1379

00:57:13,670 --> 00:57:11,940

the guy's name in his rank and I called

1380

00:57:14,990 --> 00:57:13,680

the number and I said hey yeah that's

1381

00:57:17,540 --> 00:57:15,000

like yeah well thanks for assigning me

1382

00:57:19,040 --> 00:57:17,550

to case wonderful yada yada I said yeah

1383

00:57:20,750 --> 00:57:19,050

I was in the Army too and I told him

1384

00:57:22,640 --> 00:57:20,760

what I did and I was a paratrooper and

1385

00:57:24,349 --> 00:57:22,650

all that and I said so what do you do

1386

00:57:25,970 --> 00:57:24,359

and he goes well I work at the Pentagon

1387

00:57:29,240 --> 00:57:25,980

actually I meant the Pentagon right now

1388

00:57:31,640 --> 00:57:29,250

I'm sitting at my desk I go well I said

1389

00:57:34,309 --> 00:57:31,650

I said well pardon me if I at my ask of

1390

00:57:36,140 --> 00:57:34,319

what does that got to do with MUFON what

1391

00:57:39,589 --> 00:57:36,150

you know and he goes oh no I'm a MUFON

1392

00:57:42,140 --> 00:57:39,599

investigator - okay oh that makes

1393

00:57:43,880 --> 00:57:42,150

perfect sense okay well I hung up and

1394

00:57:47,150 --> 00:57:43,890

I'm going you shouldn't have used your

1395

00:57:49,670 --> 00:57:47,160

US Army gov email to send me a frickin

1396

00:57:51,859 --> 00:57:49,680

MUFON case that's right okay you're not

1397

00:57:53,690 --> 00:57:51,869

supposed to do that he just probably

1398

00:57:56,870 --> 00:57:53,700

screwed up not that not that big of a

1399

00:57:59,059 --> 00:57:56,880

deal yeah move along right yeah we all

1400

00:58:01,609 --> 00:57:59,069

know now but back then I'm not saying I

1401

00:58:04,490 --> 00:58:01,619

was that gullible but I did call him and

1402

00:58:05,540 --> 00:58:04,500

I was asking why am I getting a MUFON

1403

00:58:09,080 --> 00:58:05,550

case

1404

00:58:11,330 --> 00:58:09,090

from US Army dugout so they probably

1405

00:58:13,010 --> 00:58:11,340

getting ready to go and I think probably

1406

00:58:15,320 --> 00:58:13,020

a couple of hours later I get an email

1407

00:58:20,060 --> 00:58:15,330

from MUFON to assign me the case from

1408

00:58:23,330 --> 00:58:20,070

Richard same thing but so I think they

1409

00:58:25,400 --> 00:58:23,340

kind of screwed up on that yeah so so I

1410

00:58:27,440 --> 00:58:25,410

was ready so I went and went to Houston

1411

00:58:29,180 --> 00:58:27,450

text there's basically the report was

1412

00:58:31,460 --> 00:58:29,190

two guys had missing time

1413

00:58:32,680 --> 00:58:31,470

a UFO picked them up and took them

1414

00:58:37,010 --> 00:58:32,690

that's what they're saying

1415

00:58:38,780 --> 00:58:37,020

they contacted MUFON and MUFON didn't

1416

00:58:41,120 --> 00:58:38,790

show up Bigelow Aerospace scientists

1417

00:58:43,100 --> 00:58:41,130

guys showed up and they were furious

1418

00:58:45,220 --> 00:58:43,110

because they didn't contact Bigelow they

1419

00:58:48,380 --> 00:58:45,230

contacted MUFON they wanted to know why

1420

00:58:49,790 --> 00:58:48,390

these this Bigelow company is coming in

1421

00:58:51,560 --> 00:58:49,800

and we wanted to abyss so they weren't

1422

00:58:53,030 --> 00:58:51,570

gonna they weren't gonna talk and they

1423

00:58:56,060 --> 00:58:53,040

were like just leave us alone yada yada

1424

00:58:58,550 --> 00:58:56,070

so that's when I got assigned a case and

1425

00:59:00,410 --> 00:58:58,560

I went over there and I talked to him I

1426  
00:59:02,210 --> 00:59:00,420  
said well we'll set up a thing for two

1427  
00:59:04,100 --> 00:59:02,220  
weeks you know and I'll come visit you

1428  
00:59:04,520 --> 00:59:04,110  
in two weeks because they didn't want to

1429  
00:59:06,380 --> 00:59:04,530  
do it today

1430  
00:59:08,990 --> 00:59:06,390  
they were just pushing they didn't want

1431  
00:59:11,390 --> 00:59:09,000  
to do it at all yeah and so finally I

1432  
00:59:13,240 --> 00:59:11,400  
showed up I remember ringing the

1433  
00:59:16,820 --> 00:59:13,250  
doorbell and they didn't answer the door

1434  
00:59:19,250 --> 00:59:16,830  
I remember talking to the neighbor and I

1435  
00:59:20,660 --> 00:59:19,260  
asked the neighbor I said hey the two

1436  
00:59:21,830 --> 00:59:20,670  
guys I was like I was because I'm

1437  
00:59:23,360 --> 00:59:21,840  
supposed to be here at their house we're

1438  
00:59:24,710 --> 00:59:23,370

not answering she was lucky I just

1439

00:59:26,720 --> 00:59:24,720

talked to him five minutes ago they're

1440

00:59:28,070 --> 00:59:26,730

in there so I knew that they saw that

1441

00:59:30,860 --> 00:59:28,080

was there and they weren't answering the

1442

00:59:32,600 --> 00:59:30,870

door well I could I could smell a little

1443

00:59:35,810 --> 00:59:32,610

well I can't shouldn't be saying this

1444

00:59:37,370 --> 00:59:35,820

part but I could smell something going

1445

00:59:38,360 --> 00:59:37,380

on inside the house so maybe they didn't

1446

00:59:41,090 --> 00:59:38,370

want to open the door

1447

00:59:44,570 --> 00:59:41,100

right so I went across the street and

1448

00:59:45,740 --> 00:59:44,580

I'm sitting at a like a outside bar I'm

1449

00:59:48,860 --> 00:59:45,750

saying you know I'm gonna wait here

1450

00:59:50,240 --> 00:59:48,870

about an hour to and if they don't hit

1451  
00:59:52,850 --> 00:59:50,250  
me up I guess I'll just drive back home

1452  
00:59:54,830 --> 00:59:52,860  
this is a good three hour drive or two

1453  
00:59:56,450 --> 00:59:54,840  
hour drive well they finally answer they

1454  
00:59:57,800 --> 00:59:56,460  
go how long since the first thing he

1455  
01:00:02,390 --> 00:59:57,810  
said how long's this gonna take

1456  
01:00:04,010 --> 01:00:02,400  
and I told them and and then they said

1457  
01:00:05,600 --> 01:00:04,020  
well we want to meet a public place and

1458  
01:00:07,460 --> 01:00:05,610  
I said that's fine I'm I'm right across

1459  
01:00:09,550 --> 01:00:07,470  
the street and so they showed up and

1460  
01:00:12,290 --> 01:00:09,560  
when they showed up they were so

1461  
01:00:14,630 --> 01:00:12,300  
paranoid lookin over his shoulders and

1462  
01:00:16,280 --> 01:00:14,640  
scared so I knew this was they were

1463  
01:00:18,760 --> 01:00:16,290

shaken up about this yeah

1464

01:00:20,590 --> 01:00:18,770

and one of the guys

1465

01:00:23,770 --> 01:00:20,600

drilled into me and he wanted to know

1466

01:00:25,450 --> 01:00:23,780

why Bigelow was there and that's not who

1467

01:00:27,760 --> 01:00:25,460

he called and he wanted to make sure I

1468

01:00:29,710 --> 01:00:27,770

wasn't a government spook and you know

1469

01:00:31,660 --> 01:00:29,720

doesn't trust anybody and basically it

1470

01:00:35,170 --> 01:00:31,670

was just a big he was chewing me out for

1471

01:00:38,140 --> 01:00:35,180

at least 10 to 15 minutes and it's like

1472

01:00:40,630 --> 01:00:38,150

wow this isn't going well maybe I should

1473

01:00:42,970 --> 01:00:40,640

you know let him know or I should just

1474

01:00:45,190 --> 01:00:42,980

go and I said well sir you know I'm not

1475

01:00:46,510 --> 01:00:45,200

a you know a government official and I

1476

01:00:48,820 --> 01:00:46,520

explained and try to make them feel

1477

01:00:50,380 --> 01:00:48,830

comfortable I said I made up something

1478

01:00:53,110 --> 01:00:50,390

to the point I said well I live at my

1479

01:00:56,050 --> 01:00:53,120

grandma's house I play video games and I

1480

01:00:58,720 --> 01:00:56,060

smoke whatever I was Miller from their

1481

01:01:01,540 --> 01:00:58,730

house got a man and when I said those

1482

01:01:04,240 --> 01:01:01,550

words which is you know anyway they

1483

01:01:05,230 --> 01:01:04,250

relaxed yeah I was able to get them to

1484

01:01:06,880 --> 01:01:05,240

talk yeah

1485

01:01:09,130 --> 01:01:06,890

I had to get them to be comfortable and

1486

01:01:11,440 --> 01:01:09,140

I figured this is not going anywhere I

1487

01:01:14,170 --> 01:01:11,450

felt like I was in an interrogation and

1488

01:01:16,480 --> 01:01:14,180

but this wasn't going really well so I

1489

01:01:17,830 --> 01:01:16,490

got to break the ice and then they

1490

01:01:20,050 --> 01:01:17,840

started tell me their story and it's

1491

01:01:22,570 --> 01:01:20,060

very very very interesting this is what

1492

01:01:24,220 --> 01:01:22,580

happened they rented a car okay and they

1493

01:01:26,380 --> 01:01:24,230

went on a road trip to the Grand Canyon

1494

01:01:27,840 --> 01:01:26,390

they were coming back into Texas and one

1495

01:01:30,820 --> 01:01:27,850

of the guys is an amateur photographer

1496

01:01:31,750 --> 01:01:30,830

he gets he sees a groundhog popping his

1497

01:01:33,910 --> 01:01:31,760

head out in the middle of the road and

1498

01:01:35,290 --> 01:01:33,920

they decide to pull over and he gets out

1499

01:01:37,870 --> 01:01:35,300

he starts snapping pictures of all these

1500

01:01:40,000 --> 01:01:37,880

groundhogs then they both start feeling

1501  
01:01:41,560 --> 01:01:40,010  
this feeling that they're being watched

1502  
01:01:43,180 --> 01:01:41,570  
and they need to get in the car and

1503  
01:01:45,100 --> 01:01:43,190  
leave right now they both described this

1504  
01:01:46,690 --> 01:01:45,110  
like get spooked so they stopped what

1505  
01:01:49,600 --> 01:01:46,700  
they were doing they got in the car and

1506  
01:01:51,970 --> 01:01:49,610  
they started driving and about maybe a

1507  
01:01:53,920 --> 01:01:51,980  
mile into the drive a big shadow comes

1508  
01:01:55,990 --> 01:01:53,930  
over their car and they look up and it's

1509  
01:01:58,090 --> 01:01:56,000  
like this big plate a big saucer right

1510  
01:01:59,560 --> 01:01:58,100  
above them so they're freaking out and

1511  
01:02:01,120 --> 01:01:59,570  
the guy starts to outrun it starts

1512  
01:02:03,040 --> 01:02:01,130  
accelerating it getting it up as high as

1513  
01:02:05,620 --> 01:02:03,050

you can and the things staying with him

1514

01:02:07,780 --> 01:02:05,630

the whole time well and the guy in the

1515

01:02:09,970 --> 01:02:07,790

passenger trying to say their names but

1516

01:02:12,370 --> 01:02:09,980

the guy in the passengers try looking up

1517

01:02:13,870 --> 01:02:12,380

and he also sees out the desert this

1518

01:02:15,040 --> 01:02:13,880

thing running the long side of the road

1519

01:02:18,640 --> 01:02:15,050

or out in the field

1520

01:02:20,830 --> 01:02:18,650

this white humanoid being with an

1521

01:02:22,330 --> 01:02:20,840

upside-down head teardrop running

1522

01:02:24,460 --> 01:02:22,340

alongside of the car okay

1523

01:02:26,230 --> 01:02:24,470

so there so basically they're glass

1524

01:02:28,630 --> 01:02:26,240

speeding they're speeding down the

1525

01:02:30,190 --> 01:02:28,640

highway this UFOs right on top of them

1526

01:02:32,620 --> 01:02:30,200

right and while the guy's looking at

1527

01:02:34,030 --> 01:02:32,630

he's seeing out a distance this little

1528

01:02:36,040 --> 01:02:34,040

getting closer and closer and closer and

1529

01:02:37,960 --> 01:02:36,050

closer so I'm trying to show you here's

1530

01:02:41,560 --> 01:02:37,970

the car he's coming at an angle like

1531

01:02:43,000 --> 01:02:41,570

this you know so it's gaining speed and

1532

01:02:44,260 --> 01:02:43,010

he's telling you need to speed up cuz

1533

01:02:46,300 --> 01:02:44,270

whatever this thing is is getting closer

1534

01:02:47,890 --> 01:02:46,310

and closer so the next thing I remember

1535

01:02:49,810 --> 01:02:47,900

is a big BAM

1536

01:02:51,430 --> 01:02:49,820

when it got to the car there was a big

1537

01:02:53,920 --> 01:02:51,440

BAM everything went white

1538

01:02:55,180 --> 01:02:53,930

inside the car they've won described it

1539

01:02:57,400 --> 01:02:55,190

as sticking your head in a mayonnaise

1540

01:02:59,230 --> 01:02:57,410

jar the other guy described it as

1541

01:03:01,020 --> 01:02:59,240

sticking your head in a box of Kleenexes

1542

01:03:02,920 --> 01:03:01,030

but whatever they've okay their own

1543

01:03:06,100 --> 01:03:02,930

interpretations but they felt like

1544

01:03:08,320 --> 01:03:06,110

they're being lifted up and then that's

1545

01:03:10,560 --> 01:03:08,330

it right next thing I know they're

1546

01:03:13,450 --> 01:03:10,570

driving down the road and they feel a

1547

01:03:14,920 --> 01:03:13,460

little slight buzz like they're you know

1548

01:03:16,840 --> 01:03:14,930

like that they're happy and they're

1549

01:03:19,030 --> 01:03:16,850

giggling and they're having a good time

1550

01:03:21,370 --> 01:03:19,040

and then one of the guys goes wait a

1551

01:03:24,340 --> 01:03:21,380

second wait like did we hit somebody did

1552

01:03:26,350 --> 01:03:24,350

we run over somebody and you're right I

1553

01:03:28,510 --> 01:03:26,360

remember hearing a bang so they stopped

1554

01:03:30,370 --> 01:03:28,520

pulled over and walked outside they

1555

01:03:32,110 --> 01:03:30,380

looked around the car and that's when

1556

01:03:34,000 --> 01:03:32,120

all their memories came back they

1557

01:03:36,700 --> 01:03:34,010

realize that they missing time they're

1558

01:03:38,410 --> 01:03:36,710

supposed to be home about an hour or not

1559

01:03:40,210 --> 01:03:38,420

home but they they had they were missing

1560

01:03:42,370 --> 01:03:40,220

about an hour of time a little bit over

1561

01:03:44,050 --> 01:03:42,380

an hour and 20 minutes of time and

1562

01:03:46,210 --> 01:03:44,060

because they looked at the clock things

1563

01:03:48,420 --> 01:03:46,220

weren't matching up and then the fear

1564

01:03:51,790 --> 01:03:48,430

kicked in where they were flooded with

1565

01:03:54,010 --> 01:03:51,800

just the memories of being picked up you

1566

01:03:55,660 --> 01:03:54,020

know they remember David Bowie blue or

1567

01:03:58,150 --> 01:03:55,670

not was playing on the radio when they

1568

01:04:00,460 --> 01:03:58,160

were outrunning the guy okay and when

1569

01:04:02,260 --> 01:04:00,470

the or this thing and when everything

1570

01:04:03,940 --> 01:04:02,270

went white there was no David Bowie

1571

01:04:06,250 --> 01:04:03,950

there was no sound it was crystal clear

1572

01:04:08,130 --> 01:04:06,260

eerie silence but they did feel the

1573

01:04:11,470 --> 01:04:08,140

sensation like they were being lifted up

1574

01:04:15,520 --> 01:04:11,480

okay that's that's that's it to sum it

1575

01:04:18,160 --> 01:04:15,530

up what my job was to thought a report

1576

01:04:20,830 --> 01:04:18,170

put all the facts of what they said none

1577

01:04:23,530 --> 01:04:20,840

of my conclusions and present that's

1578

01:04:26,860 --> 01:04:23,540

move on and move on presented it to to

1579

01:04:29,290 --> 01:04:26,870

Bigelow and then I think the the the

1580

01:04:31,720 --> 01:04:29,300

idea was should we oh yeah they wanted

1581

01:04:33,310 --> 01:04:31,730

to buy the car off oh right they wanted

1582

01:04:35,560 --> 01:04:33,320

to get the vehicle and that was the

1583

01:04:38,320 --> 01:04:35,570

problem is it wasn't their vehicle it

1584

01:04:39,670 --> 01:04:38,330

was a enterprise it was a rent-a-car so

1585

01:04:43,300 --> 01:04:39,680

it took me a little bit to get the

1586

01:04:45,580 --> 01:04:43,310

receipt that the guy had and I submitted

1587

01:04:46,299 --> 01:04:45,590

that off to now if they went to go track

1588

01:04:48,459 --> 01:04:46,309

down the car

1589

01:04:51,249 --> 01:04:48,469

pretty sure Bigelow's men went and got

1590

01:04:53,709 --> 01:04:51,259

the car and probably took the los alamos

1591

01:04:56,949 --> 01:04:53,719

from what i heard and from and and i

1592

01:04:58,569 --> 01:04:56,959

don't know if it was related but it

1593

01:05:00,609 --> 01:04:58,579

could have I don't think they got

1594

01:05:02,429 --> 01:05:00,619

anything off the car at all but uh

1595

01:05:04,420 --> 01:05:02,439

except for a high electromagnetic

1596

01:05:09,329 --> 01:05:04,430

interference off the windshield many

1597

01:05:12,670 --> 01:05:09,339

many weeks later I talked to uh was

1598

01:05:14,890 --> 01:05:12,680

Chuck Malden one of our scientific avars

1599

01:05:16,870 --> 01:05:14,900

advisors that move on have you ever met

1600

01:05:18,969 --> 01:05:16,880

Chuck Malden no no okay

1601

01:05:21,269 --> 01:05:18,979

well during that time he said that if

1602

01:05:23,170 --> 01:05:21,279

there was a high electromagnetic

1603

01:05:26,829 --> 01:05:23,180

interference coming off the windshield

1604

01:05:29,289 --> 01:05:26,839

below if that's Plexiglas doesn't really

1605

01:05:32,709 --> 01:05:29,299

make sense but maybe they were pulled

1606

01:05:34,539 --> 01:05:32,719

through the windshield not like outside

1607

01:05:35,920 --> 01:05:34,549

you know when they were taken up maybe

1608

01:05:36,999 --> 01:05:35,930

they were pulled through there and

1609

01:05:38,890 --> 01:05:37,009

that's why there's something some kind

1610

01:05:41,679 --> 01:05:38,900

of something going on right there's a

1611

01:05:43,599 --> 01:05:41,689

little bit up over my head but that was

1612

01:05:46,959 --> 01:05:43,609

the mission objective was to go down

1613

01:05:49,179 --> 01:05:46,969

there fill a report and then get get the

1614

01:05:50,979 --> 01:05:49,189

evidence because that was we would only

1615

01:05:53,079 --> 01:05:50,989

go deploy on category twos and threes

1616

01:05:55,599 --> 01:05:53,089

and most of those would have some kind

1617

01:05:59,439 --> 01:05:55,609

of evidence and the car in this case was

1618

01:06:02,410 --> 01:05:59,449

the evidence Wow but like I said these

1619

01:06:04,779 --> 01:06:02,420

guys were traumatized they wanted

1620

01:06:08,589 --> 01:06:04,789

answers I couldn't give them I don't

1621

01:06:10,029 --> 01:06:08,599

know either but yeah that's probably

1622

01:06:11,319 --> 01:06:10,039

gonna shake them up for rester a lot

1623

01:06:12,009 --> 01:06:11,329

they're probably not gonna be the same

1624

01:06:14,410 --> 01:06:12,019

after that

1625

01:06:16,419 --> 01:06:14,420

right alright can you and you take a

1626  
01:06:19,660 --> 01:06:16,429  
look at your computer and just turn down

1627  
01:06:21,219 --> 01:06:19,670  
the volume a little bit sure because I'm

1628  
01:06:25,359 --> 01:06:21,229  
getting a little bit back here is that

1629  
01:06:30,039 --> 01:06:25,369  
better I think so yeah that's very thank

1630  
01:06:35,589 --> 01:06:30,049  
you so in a case like that are you told

1631  
01:06:38,559 --> 01:06:35,599  
to interview the witnesses separately or

1632  
01:06:41,439 --> 01:06:38,569  
together it's okay I would love to have

1633  
01:06:45,370 --> 01:06:41,449  
interviewed him separately but they were

1634  
01:06:48,429 --> 01:06:45,380  
partners okay and they were they didn't

1635  
01:06:50,410 --> 01:06:48,439  
even want to do the do the investigation

1636  
01:06:51,939 --> 01:06:50,420  
it's just the fact that I was hanging

1637  
01:06:53,429 --> 01:06:51,949  
outside their house for an hour or two

1638  
01:06:55,839 --> 01:06:53,439

that they knew I wasn't going to go home

1639

01:06:58,630 --> 01:06:55,849

so they kind of were really mad and

1640

01:06:59,680 --> 01:06:58,640

angry and decided to do it so I'm just

1641

01:07:03,250 --> 01:06:59,690

glad it was either

1642

01:07:04,990 --> 01:07:03,260

I was going home oh wait there's one guy

1643

01:07:07,450 --> 01:07:05,000

get all the talking while the other guy

1644

01:07:08,800 --> 01:07:07,460

was looking over his shoulders see if

1645

01:07:10,690 --> 01:07:08,810

they were gonna I'm not kidding

1646

01:07:13,329 --> 01:07:10,700

anytime a white damn passed by down the

1647

01:07:17,230 --> 01:07:13,339

road they were spooked they were they

1648

01:07:18,640 --> 01:07:17,240

were I spun its best way I could say it

1649

01:07:20,050 --> 01:07:18,650

yeah and of course that asked it

1650

01:07:21,700 --> 01:07:20,060

questions right there in front yeah he

1651  
01:07:24,700 --> 01:07:21,710  
would say mayonnaise jar he would say

1652  
01:07:26,829 --> 01:07:24,710  
Kleenex box but they both agreed and

1653  
01:07:29,890 --> 01:07:26,839  
confirmed to the story or the guy with

1654  
01:07:31,900 --> 01:07:29,900  
throwing it is two cents let him know

1655  
01:07:34,210 --> 01:07:31,910  
debo he was playing on the radio you

1656  
01:07:36,870 --> 01:07:34,220  
know little things like that would it be

1657  
01:07:39,730 --> 01:07:36,880  
interesting if they could have a

1658  
01:07:42,280 --> 01:07:39,740  
regression hypno of you know

1659  
01:07:44,140 --> 01:07:42,290  
hypnotherapy and regression I brought

1660  
01:07:44,650 --> 01:07:44,150  
that up to him and they were not gonna

1661  
01:07:48,849 --> 01:07:44,660  
have it

1662  
01:07:51,220 --> 01:07:48,859  
yeah I thought yeah you know that that

1663  
01:07:53,620 --> 01:07:51,230

is that is a really wild story so I'm

1664

01:07:55,329 --> 01:07:53,630

assuming that they basically had the

1665

01:07:57,940 --> 01:07:55,339

highway to themselves when they were

1666

01:08:01,900 --> 01:07:57,950

driving along you know no other

1667

01:08:04,599 --> 01:08:01,910

witnesses to see anything and that that

1668

01:08:07,359 --> 01:08:04,609

being or whatever it is running toward

1669

01:08:09,819 --> 01:08:07,369

the law is really wacky he said it was

1670

01:08:12,329 --> 01:08:09,829

running like this like try good see how

1671

01:08:15,510 --> 01:08:12,339

this is audio for a lot of people but

1672

01:08:17,890 --> 01:08:15,520

you know yeah it was it was running like

1673

01:08:19,240 --> 01:08:17,900

they knew it wasn't a person the way it

1674

01:08:21,789 --> 01:08:19,250

was running and how it was catching up

1675

01:08:22,990 --> 01:08:21,799

but it was a humanoid and for it to be

1676

01:08:24,820 --> 01:08:23,000

able to run while they're trying to

1677

01:08:26,800 --> 01:08:24,830

accelerate away to run that type of

1678

01:08:28,900 --> 01:08:26,810

speed they're going straight and this

1679

01:08:31,050 --> 01:08:28,910

thing's way back over here coming at an

1680

01:08:33,789 --> 01:08:31,060

angle to catch up to him yeah and I

1681

01:08:37,180 --> 01:08:33,799

remembered the guy to the left was

1682

01:08:41,110 --> 01:08:37,190

saying that it was naked it was like no

1683

01:08:41,709 --> 01:08:41,120

clothes just white skin bright white

1684

01:08:44,829 --> 01:08:41,719

skin

1685

01:08:46,959 --> 01:08:44,839

well upside down head but they didn't

1686

01:08:50,289 --> 01:08:46,969

describe eyes nose mouth or nothing just

1687

01:08:53,110 --> 01:08:50,299

uh just a white silhouette or whatever

1688

01:08:55,209 --> 01:08:53,120

you want to call it yeah no face on this

1689

01:08:57,490 --> 01:08:55,219

being but they said when it got up to

1690

01:08:59,559 --> 01:08:57,500

the car he screaming it's getting closer

1691

01:09:01,030 --> 01:08:59,569

it's getting closer he's gonna is he

1692

01:09:02,709 --> 01:09:01,040

he's on us and then there was a boom

1693

01:09:06,370 --> 01:09:02,719

yeah and everything went white inside

1694

01:09:07,870 --> 01:09:06,380

Wow boy that sounds like a scary movie

1695

01:09:10,959 --> 01:09:07,880

or a nightmare you know it just sounds

1696

01:09:13,870 --> 01:09:10,969

like really something so I can totally

1697

01:09:16,899 --> 01:09:13,880

get why they were the way they were

1698

01:09:18,669 --> 01:09:16,909

the whole situation and and why the the

1699

01:09:23,249 --> 01:09:18,679

smoke was coming out of the house but

1700

01:09:26,260 --> 01:09:23,259

you know had to mellow out a little bit

1701

01:09:28,629 --> 01:09:26,270

in a case like that when you take

1702

01:09:31,360 --> 01:09:28,639

information are they expecting to hear

1703

01:09:36,099 --> 01:09:31,370

back are they expecting to hear you know

1704

01:09:38,079 --> 01:09:36,109

an explanation of what they saw these

1705

01:09:39,910 --> 01:09:38,089

guys didn't I

1706

01:09:42,070 --> 01:09:39,920

they wanted an explanation that minute

1707

01:09:44,379 --> 01:09:42,080

that's that's what they wanted to get

1708

01:09:44,680 --> 01:09:44,389

there what is this why did this happen

1709

01:09:47,740 --> 01:09:44,690

to us

1710

01:09:49,809 --> 01:09:47,750

I've told it straight up how we do

1711

01:09:51,519 --> 01:09:49,819

things and how I write a report and how

1712

01:09:53,860 --> 01:09:51,529

it goes into the CMS and it's there for

1713

01:09:55,450 --> 01:09:53,870

UFO research purposes other

1714

01:09:57,100 --> 01:09:55,460

investigators might be able to use this

1715

01:09:58,419 --> 01:09:57,110

case in the future that might link to

1716

01:10:00,879 --> 01:09:58,429

something else so you're actually

1717

01:10:05,410 --> 01:10:00,889

helping in a way but that's about sparse

1718

01:10:07,270 --> 01:10:05,420

it's gonna go on follow-up they didn't

1719

01:10:09,070 --> 01:10:07,280

want to follow up if you know what I

1720

01:10:10,810 --> 01:10:09,080

mean they just they wanted to do this

1721

01:10:12,640 --> 01:10:10,820

one time and leave me the hell alone

1722

01:10:14,800 --> 01:10:12,650

it's what they were saying I'm gonna

1723

01:10:16,360 --> 01:10:14,810

agree to do this but you guys stop

1724

01:10:19,030 --> 01:10:16,370

calling and leave us alone we want to be

1725

01:10:21,879 --> 01:10:19,040

left alone we want to get back to our so

1726

01:10:24,090 --> 01:10:21,889

that to them they felt harassed but I

1727

01:10:26,140 --> 01:10:24,100

know I only called him once one time

1728

01:10:30,700 --> 01:10:26,150

never getting blown up a week before

1729

01:10:32,320 --> 01:10:30,710

from Bigelow's men and Bigelow showed up

1730

01:10:35,500 --> 01:10:32,330

at their house and they weren't invited

1731

01:10:37,720 --> 01:10:35,510

you know and so it definitely didn't

1732

01:10:40,990 --> 01:10:37,730

then they didn't want to be they didn't

1733

01:10:43,030 --> 01:10:41,000

realize that they contact and move on to

1734

01:10:45,310 --> 01:10:43,040

expect a MUFON representative come and

1735

01:10:47,530 --> 01:10:45,320

now some somebody else is showing up

1736

01:10:50,470 --> 01:10:47,540

that that to them that was misleading

1737

01:10:52,689 --> 01:10:50,480

and they felt slight betrayed on

1738

01:10:54,970 --> 01:10:52,699

whatever yeah I want to keep this secret

1739

01:10:56,919 --> 01:10:54,980

and how is another company now know

1740

01:10:58,780 --> 01:10:56,929

about it and coming in that they were

1741

01:11:00,430 --> 01:10:58,790

really upset about that what year I was

1742

01:11:01,450 --> 01:11:00,440

very lucky to get it getting the

1743

01:11:03,640 --> 01:11:01,460

interview through them in the first

1744

01:11:05,160 --> 01:11:03,650

place hmm were you gonna ask what year

1745

01:11:09,399 --> 01:11:05,170

was that did that happen

1746

01:11:11,320 --> 01:11:09,409

2008 now when when wouldn't it be

1747

01:11:14,590 --> 01:11:11,330

interesting ten years later to find out

1748

01:11:15,910 --> 01:11:14,600

I know you can't do this but I mean it

1749

01:11:18,640 --> 01:11:15,920

would be really interesting to talk to

1750

01:11:21,399 --> 01:11:18,650

them now and see for one thing if

1751

01:11:22,990 --> 01:11:21,409

anything else has happened and for

1752

01:11:26,439 --> 01:11:23,000

another thing if they've had you know

1753

01:11:27,729 --> 01:11:26,449

like dreams or you know or any of the

1754

01:11:30,040 --> 01:11:27,739

clarity of what happened

1755

01:11:33,279 --> 01:11:30,050

they were actually drawn up into a craft

1756

01:11:36,669 --> 01:11:33,289

if they've had you know you said that

1757

01:11:38,950 --> 01:11:36,679

they gained their memory back of what

1758

01:11:41,049 --> 01:11:38,960

was going on and perhaps say they got it

1759

01:11:43,779 --> 01:11:41,059

all back you never know right

1760

01:11:45,189 --> 01:11:43,789

you know but they probably or if they

1761

01:11:48,009 --> 01:11:45,199

are they're probably just keeping it to

1762

01:11:51,759 --> 01:11:48,019

themselves if that could be the case but

1763

01:11:52,870 --> 01:11:51,769

I believe after you know once they start

1764

01:11:55,330 --> 01:11:52,880

telling their stories they were

1765

01:11:57,160 --> 01:11:55,340

comfortable with me during that during

1766

01:11:58,419 --> 01:11:57,170

that time of the interview process I

1767

01:12:01,450 --> 01:11:58,429

believe he would have told me everything

1768

01:12:04,509 --> 01:12:01,460

that he would have you know he they both

1769

01:12:06,459 --> 01:12:04,519

the memory stops there actually they

1770

01:12:08,890 --> 01:12:06,469

don't even remember they just remembered

1771

01:12:10,930 --> 01:12:08,900

that they hit somebody and when they got

1772

01:12:13,149 --> 01:12:10,940

out of the car all the memories came

1773

01:12:14,919 --> 01:12:13,159

back both of them well actually they

1774

01:12:16,720 --> 01:12:14,929

would start talking and then God don't

1775

01:12:18,669 --> 01:12:16,730

you remember this thing coming over and

1776

01:12:19,540 --> 01:12:18,679

he goes yeah I kind of do and then all

1777

01:12:21,910 --> 01:12:19,550

of a sudden do you remember the guy

1778

01:12:23,830 --> 01:12:21,920

running on side of the road and then it

1779

01:12:25,149 --> 01:12:23,840

all came backs kind of like a dream well

1780

01:12:25,689 --> 01:12:25,159

you wait they describe it as like a

1781

01:12:27,759 --> 01:12:25,699

dream

1782

01:12:29,229 --> 01:12:27,769

where you wake up and you're trying to

1783

01:12:31,239 --> 01:12:29,239

remember that dream you just need a

1784

01:12:33,580 --> 01:12:31,249

couple of key words to trigger so you

1785

01:12:35,379 --> 01:12:33,590

can get those memories that's the way

1786

01:12:38,020 --> 01:12:35,389

they described it but they did that

1787

01:12:39,729 --> 01:12:38,030

missing time they were missing for they

1788

01:12:42,129 --> 01:12:39,739

should have been home an hour an hour

1789

01:12:44,709 --> 01:12:42,139

and 20 minutes early they were an hour

1790

01:12:46,750 --> 01:12:44,719

20 minutes late when they got home and

1791

01:12:48,489 --> 01:12:46,760

you know a lot of people don't realize

1792

01:12:52,479 --> 01:12:48,499

this but you know this missing time

1793

01:12:54,609 --> 01:12:52,489

thing is when someone has that happen

1794

01:12:56,439 --> 01:12:54,619

it's most likely the first time they've

1795

01:12:57,879 --> 01:12:56,449

ever heard of a situation like that

1796

01:13:02,770 --> 01:12:57,889

they've never heard of missing time

1797

01:13:05,439 --> 01:13:02,780

before no and no they didn't they just

1798

01:13:08,830 --> 01:13:05,449

said that they that had no memory of the

1799

01:13:11,410 --> 01:13:08,840

time but that hour or that they believed

1800

01:13:13,359 --> 01:13:11,420

that they whatever what it was took that

1801  
01:13:15,970 --> 01:13:13,369  
time away from him they were 100% on

1802  
01:13:19,060 --> 01:13:15,980  
that yeah yeah I mean there's so many

1803  
01:13:20,919 --> 01:13:19,070  
questions that you could ask like you

1804  
01:13:23,470 --> 01:13:20,929  
know what happened to the vehicle to the

1805  
01:13:25,810 --> 01:13:23,480  
vehicle stay to the side of the road and

1806  
01:13:27,600 --> 01:13:25,820  
wait for them to come back and then you

1807  
01:13:29,799 --> 01:13:27,610  
know they were put in place and

1808  
01:13:31,569 --> 01:13:29,809  
mechanically started driving without

1809  
01:13:34,149 --> 01:13:31,579  
them knowing it you know all these

1810  
01:13:36,870 --> 01:13:34,159  
questions you know would be interesting

1811  
01:13:39,549 --> 01:13:36,880  
but from their memories white light or

1812  
01:13:41,240 --> 01:13:39,559  
being lifted up and then back on the

1813  
01:13:44,480 --> 01:13:41,250

road driving the

1814

01:13:47,990 --> 01:13:44,490

happy in a good mood yeah so you've gone

1815

01:13:50,300 --> 01:13:48,000

from extreme fear to nothingness to an

1816

01:13:51,860 --> 01:13:50,310

hour of missing time - we're having a

1817

01:13:53,360 --> 01:13:51,870

great time as one of the best road trips

1818

01:13:55,370 --> 01:13:53,370

we ever been alone slapping high-fives

1819

01:13:56,720 --> 01:13:55,380

or whatever and then one of them go well

1820

01:14:00,230 --> 01:13:56,730

well let's don't have too much fun yet

1821

01:14:02,780 --> 01:14:00,240

then we hit somebody yeah you know oh no

1822

01:14:04,580 --> 01:14:02,790

no we did well maybe yeah we did well

1823

01:14:06,350 --> 01:14:04,590

this is a rent-a-car let's pull over and

1824

01:14:09,020 --> 01:14:06,360

see what happened you know we're gonna

1825

01:14:10,880 --> 01:14:09,030

have to pay for this and then all

1826

01:14:13,010 --> 01:14:10,890

started clicking in like right there at

1827

01:14:14,450 --> 01:14:13,020

that moment when they got out and they

1828

01:14:16,550 --> 01:14:14,460

were walking around they pulled off side

1829

01:14:18,470 --> 01:14:16,560

road and then they were terrified in a

1830

01:14:20,510 --> 01:14:18,480

trip wasn't fun coming home obviously

1831

01:14:21,050 --> 01:14:20,520

trying to figure out what the hell

1832

01:14:23,480 --> 01:14:21,060

happened

1833

01:14:26,540 --> 01:14:23,490

realized that time your time was wrong

1834

01:14:28,510 --> 01:14:26,550

and so they reported it to move on I'd

1835

01:14:32,570 --> 01:14:28,520

like to ask him had to hear about we

1836

01:14:34,960 --> 01:14:32,580

just we're gonna report a UFO and filled

1837

01:14:37,280 --> 01:14:34,970

it out and put it in there yeah that's

1838

01:14:39,080 --> 01:14:37,290

yeah like I said when I had my sighting

1839

01:14:41,780 --> 01:14:39,090

I never even thought to look online now

1840

01:14:45,100 --> 01:14:41,790

there was a story I'm gonna say that I

1841

01:14:48,620 --> 01:14:45,110

want to say Denise stoner told me of

1842

01:14:51,050 --> 01:14:48,630

kind of a similar incident of driving

1843

01:14:53,030 --> 01:14:51,060

along and I don't want to get this wrong

1844

01:14:55,280 --> 01:14:53,040

I don't want to misquote her but it was

1845

01:14:57,440 --> 01:14:55,290

kind of the similar thing you know they

1846

01:15:00,980 --> 01:14:57,450

were something happened while they were

1847

01:15:04,100 --> 01:15:00,990

driving and was drawn up and she

1848

01:15:05,750 --> 01:15:04,110

remembers like being inside of whatever

1849

01:15:08,330 --> 01:15:05,760

it was and she thought it was like

1850

01:15:10,670 --> 01:15:08,340

whatever the craft was was like living

1851

01:15:12,740 --> 01:15:10,680

which is really bizarre like it was a

1852

01:15:16,870 --> 01:15:12,750

living breathing thing you know not

1853

01:15:19,640 --> 01:15:16,880

maybe not breathing but something but

1854

01:15:22,010 --> 01:15:19,650

there's a number of cases also where

1855

01:15:25,190 --> 01:15:22,020

four people claiming if they were

1856

01:15:26,900 --> 01:15:25,200

tracked in their car as as this thing

1857

01:15:31,550 --> 01:15:26,910

you know whatever was going on with them

1858

01:15:33,140 --> 01:15:31,560

a lot of stories about that which we

1859

01:15:34,400 --> 01:15:33,150

have an episode on hangar 1 called

1860

01:15:36,890 --> 01:15:34,410

hunted by UFOs

1861

01:15:39,650 --> 01:15:36,900

and it's just cases exactly what you're

1862

01:15:41,270 --> 01:15:39,660

describing being followed being tracked

1863

01:15:43,850 --> 01:15:41,280

especially while they're new vehicles

1864

01:15:46,160 --> 01:15:43,860

watching it and still staying with them

1865

01:15:48,410 --> 01:15:46,170

there's a whole episode on that but

1866

01:15:51,700 --> 01:15:48,420

there's many more great cases that could

1867

01:15:54,649 --> 01:15:51,710

have been in that show yeah it happens

1868

01:15:56,870 --> 01:15:54,659

more than often that's for sure

1869

01:15:59,359 --> 01:15:56,880

no it's not like an isolated case right

1870

01:16:02,120 --> 01:15:59,369

right and and it and it kind of makes

1871

01:16:05,929 --> 01:16:02,130

sense you know I mean it's kind of like

1872

01:16:07,429 --> 01:16:05,939

if you were flying over and well there's

1873

01:16:10,549 --> 01:16:07,439

really nothing to compare it to really

1874

01:16:12,770 --> 01:16:10,559

but you know just if if something is

1875

01:16:15,409 --> 01:16:12,780

exploring the earth you know that would

1876  
01:16:17,959 --> 01:16:15,419  
be like you know if something's isolated

1877  
01:16:19,429 --> 01:16:17,969  
and you know there's beings piloting

1878  
01:16:22,640 --> 01:16:19,439  
something you'd probably be interested

1879  
01:16:23,719 --> 01:16:22,650  
in it was that the most spectacular that

1880  
01:16:25,729 --> 01:16:23,729  
sounds like it would be the most

1881  
01:16:27,709 --> 01:16:25,739  
spectacular case you ever ever

1882  
01:16:29,600 --> 01:16:27,719  
investigated would you say it is I would

1883  
01:16:33,890 --> 01:16:29,610  
say that's the most craziest case I've

1884  
01:16:36,350 --> 01:16:33,900  
ever investigated out of 120 or 50 cases

1885  
01:16:38,449 --> 01:16:36,360  
I've done yeah yeah that would be I

1886  
01:16:41,029 --> 01:16:38,459  
don't really think any of my other cases

1887  
01:16:43,129 --> 01:16:41,039  
compare I mean most of them are just I

1888  
01:16:46,159 --> 01:16:43,139

saw something strange it zipped off to

1889

01:16:47,870 --> 01:16:46,169

somebody having constant experiences and

1890

01:16:49,429 --> 01:16:47,880

listening to their life story of what's

1891

01:16:52,009 --> 01:16:49,439

going on I've had cases like that where

1892

01:16:53,870 --> 01:16:52,019

a guy has told me his life story of

1893

01:16:57,290 --> 01:16:53,880

things that's a hard case to put

1894

01:17:00,290 --> 01:16:57,300

together but now this one I'll never

1895

01:17:02,629 --> 01:17:00,300

forget this one yeah I would say that's

1896

01:17:04,549 --> 01:17:02,639

the that's the strangest case here are

1897

01:17:06,439 --> 01:17:04,559

some they were kind of yeah and you're

1898

01:17:09,560 --> 01:17:06,449

you're very confident so that before

1899

01:17:11,689 --> 01:17:09,570

they were they everything seems like

1900

01:17:14,270 --> 01:17:11,699

they're they're credible as far as they

1901

01:17:15,350 --> 01:17:14,280

didn't really want to talk about it no

1902

01:17:18,709 --> 01:17:15,360

they did not

1903

01:17:21,529 --> 01:17:18,719

yeah everything was I believe them yeah

1904

01:17:23,149 --> 01:17:21,539

I don't have no proof but I would bet my

1905

01:17:24,859 --> 01:17:23,159

last paycheck or whatever that these

1906

01:17:26,540 --> 01:17:24,869

guys were telling me the truth yeah all

1907

01:17:28,580 --> 01:17:26,550

the way it wasn't a hoax or anything

1908

01:17:31,009 --> 01:17:28,590

like that they were scared I could see

1909

01:17:35,569 --> 01:17:31,019

the fear in their eyes yeah they were

1910

01:17:38,929 --> 01:17:35,579

hoping I've had answers yeah that is

1911

01:17:40,850 --> 01:17:38,939

that the problem with with all these

1912

01:17:44,330 --> 01:17:40,860

things is you know the proof part of it

1913

01:17:47,419 --> 01:17:44,340

it's all anecdotal there's no there's

1914

01:17:52,159 --> 01:17:47,429

nothing you know that there's no solid

1915

01:17:53,659 --> 01:17:52,169

evidence that we know of yet and and

1916

01:17:55,279 --> 01:17:53,669

these things are you know they're

1917

01:17:59,870 --> 01:17:55,289

spontaneous they come in and out of

1918

01:18:01,699 --> 01:17:59,880

people's lives and and that's why you

1919

01:18:02,959 --> 01:18:01,709

know some of these UFO we were talking

1920

01:18:07,339 --> 01:18:02,969

about earlier some of these UFO

1921

01:18:09,979 --> 01:18:07,349

detection ideas get off the ground

1922

01:18:13,129 --> 01:18:09,989

and look I don't know what it would take

1923

01:18:14,959 --> 01:18:13,139

huh between you and me my take on that I

1924

01:18:15,410 --> 01:18:14,969

just want to tell you I think it's a

1925

01:18:17,930 --> 01:18:15,420

waste of time

1926

01:18:21,080 --> 01:18:17,940

okay go ahead the reason why is because

1927

01:18:23,089 --> 01:18:21,090

they're so ahead yeah if they want to be

1928

01:18:24,260 --> 01:18:23,099

detected they get detected if you're

1929

01:18:25,430 --> 01:18:24,270

trying to catch them they're smart

1930

01:18:26,950 --> 01:18:25,440

enough to know what you're trying to do

1931

01:18:30,439 --> 01:18:26,960

and you ain't gonna get caught that's

1932

01:18:32,600 --> 01:18:30,449

that's what I think I think it's a waste

1933

01:18:35,350 --> 01:18:32,610

of time but hey you know what good luck

1934

01:18:38,569 --> 01:18:35,360

trying I know that there's a couple of

1935

01:18:41,060 --> 01:18:38,579

the thing about it is is that the best

1936

01:18:43,790 --> 01:18:41,070

way I would say to detect the UFO is you

1937

01:18:44,930 --> 01:18:43,800

being out there personally observing

1938

01:18:47,089 --> 01:18:44,940

with your own eyes

1939

01:18:49,010 --> 01:18:47,099

yeah and in using the equipment that you

1940

01:18:51,229 --> 01:18:49,020

have with you

1941

01:18:53,899 --> 01:18:51,239

cameras or whatever you want but you

1942

01:18:56,990 --> 01:18:53,909

need to be present yeah because

1943

01:18:59,510 --> 01:18:57,000

consciousness plays a big role and and

1944

01:19:02,990 --> 01:18:59,520

the real UFOs not the stuff that we've

1945

01:19:07,510 --> 01:19:03,000

got I know for from my own personal

1946

01:19:12,109 --> 01:19:07,520

experiences that to be true that if you

1947

01:19:14,359 --> 01:19:12,119

see one it sees you I don't care who you

1948

01:19:16,490 --> 01:19:14,369

know that's we have a radar system in

1949

01:19:18,950 --> 01:19:16,500

our Jets that track heat and so you know

1950

01:19:21,350 --> 01:19:18,960

these things have a way to track your

1951

01:19:23,810 --> 01:19:21,360

consciousness my if there was a

1952

01:19:25,580 --> 01:19:23,820

grasshopper on a piece of grass and a

1953

01:19:27,169 --> 01:19:25,590

UFO was her be right above and the

1954

01:19:29,089 --> 01:19:27,179

grasshopper looked at it the UFO would

1955

01:19:30,470 --> 01:19:29,099

know the grasshopper Cesar I think

1956

01:19:32,990 --> 01:19:30,480

that's how they work so if you ever see

1957

01:19:35,120 --> 01:19:33,000

a real UFO I'd recommend you can say in

1958

01:19:36,770 --> 01:19:35,130

your mind hey if you are who I think you

1959

01:19:38,330 --> 01:19:36,780

are could you move they left to move to

1960

01:19:41,569 --> 01:19:38,340

the right to verify it see if it does

1961

01:19:43,129 --> 01:19:41,579

yeah yeah I remember it they know they

1962

01:19:45,620 --> 01:19:43,139

know I don't care how far away they are

1963

01:19:49,370 --> 01:19:45,630

or how close they are they know you see

1964

01:19:51,339 --> 01:19:49,380

them I was up I had Ted row you know I

1965

01:19:54,109 --> 01:19:51,349

don't know if you know Ted row is know

1966

01:19:57,109 --> 01:19:54,119

yeah yeah I had him on my show and and

1967

01:19:59,109 --> 01:19:57,119

he told this fantastic story about I

1968

01:20:04,089 --> 01:19:59,119

think he said it was in Oakland and

1969

01:20:07,030 --> 01:20:04,099

where he saw of the UFO and he knew that

1970

01:20:10,100 --> 01:20:07,040

it knew that he was in the car somehow

1971

01:20:12,950 --> 01:20:10,110

you know I mean it is it is totally

1972

01:20:15,740 --> 01:20:12,960

bizarre and I think it could if

1973

01:20:18,620 --> 01:20:15,750

intelligence can be you know what we

1974

01:20:21,140 --> 01:20:18,630

can't even imagine you're what you're

1975

01:20:24,470 --> 01:20:21,150

saying is probably right

1976

01:20:26,510 --> 01:20:24,480

I for me I'm saying 100% because I've

1977

01:20:30,650 --> 01:20:26,520

experienced it myself over and over

1978

01:20:34,580 --> 01:20:30,660

through my life observing and having a

1979

01:20:38,420 --> 01:20:34,590

feeling or a knowing that's undeniable

1980

01:20:42,110 --> 01:20:38,430

you just it's just like me it's hard to

1981

01:20:45,230 --> 01:20:42,120

explain but you know that's actually in

1982

01:20:48,560 --> 01:20:45,240

realities say onion race Stanford has

1983

01:20:54,350 --> 01:20:48,570

talked about that feeling I get that

1984

01:20:56,420 --> 01:20:54,360

feeling - yeah it's a lona I can give

1985

01:20:58,430 --> 01:20:56,430

you a couple examples one time being in

1986

01:21:00,710 --> 01:20:58,440

the girlfriend or recently we're on the

1987

01:21:02,360 --> 01:21:00,720

porch just like a couple of weeks ago

1988

01:21:04,340 --> 01:21:02,370

and I said you know I'm getting that

1989

01:21:05,780 --> 01:21:04,350

feeling and I don't I don't give it all

1990

01:21:08,420 --> 01:21:05,790

the time I probably had it happen to me

1991

01:21:10,370 --> 01:21:08,430

maybe four or five times in my life okay

1992

01:21:12,050 --> 01:21:10,380

and I started getting that feeling I'm

1993

01:21:13,550 --> 01:21:12,060

like I feel like that presence that I

1994

01:21:15,740 --> 01:21:13,560

felt before and I'm looking up I don't

1995

01:21:17,600 --> 01:21:15,750

see nothing at all but then the phone

1996

01:21:20,060 --> 01:21:17,610

rings it's one of my friends from Texas

1997

01:21:21,440 --> 01:21:20,070

that's never seen a UFO and he's calling

1998

01:21:23,870 --> 01:21:21,450

me telling me he's seeing a UFO right

1999

01:21:26,560 --> 01:21:23,880

now and I find it kind of strange yeah

2000

01:21:28,610 --> 01:21:26,570

he tells me all about it he hangs up

2001

01:21:30,500 --> 01:21:28,620

then I get another phone call from

2002

01:21:32,690 --> 01:21:30,510

another friend now keep in mind these

2003

01:21:34,040 --> 01:21:32,700

two guys know each other but they didn't

2004

01:21:36,650 --> 01:21:34,050

talk about their sighting to each other

2005

01:21:38,900 --> 01:21:36,660

they called me and one of my friends

2006

01:21:41,780 --> 01:21:38,910

said that he saw a UFO two nights ago

2007

01:21:43,370 --> 01:21:41,790

same location and if he wanted to call

2008

01:21:46,640 --> 01:21:43,380

and tell me about it and I just it was

2009

01:21:48,110 --> 01:21:46,650

just so synced up and so it was almost

2010

01:21:49,640 --> 01:21:48,120

like once I got off the phone I was like

2011

01:21:52,340 --> 01:21:49,650

I felt it and then two of my friends

2012

01:21:54,490 --> 01:21:52,350

who've never seen UFOs or calling me and

2013

01:21:57,470 --> 01:21:54,500

telling me they saw one not the same day

2014

01:21:58,670 --> 01:21:57,480

but it's just kind of kind of weird

2015

01:22:00,950 --> 01:21:58,680

that's the only time I've had that

2016

01:22:02,900 --> 01:22:00,960

feeling where I didn't see anything but

2017

01:22:06,080 --> 01:22:02,910

that is strange that right away my

2018

01:22:09,200 --> 01:22:06,090

phone's ringing and to one of my

2019

01:22:11,240 --> 01:22:09,210

skeptical friends was blown away by what

2020

01:22:14,480 --> 01:22:11,250

he saw Wow

2021

01:22:16,340 --> 01:22:14,490

when I collaborate on I like how much

2022

01:22:17,800 --> 01:22:16,350

time to week yeah yeah we got we got

2023

01:22:22,460 --> 01:22:17,810

about a half hour right now

2024

01:22:25,310 --> 01:22:22,470

perfect yeah well in 2008 around that

2025

01:22:30,560 --> 01:22:25,320

time when you know I completed that case

2026

01:22:32,420 --> 01:22:30,570

and stuff I was out in the backyard in a

2027

01:22:34,459 --> 01:22:32,430

tent Victoria Texas and it was probably

2028

01:22:35,990 --> 01:22:34,469

like 1:30 in the morning

2029

01:22:39,290 --> 01:22:36,000

and I was about ready to go to bed and I

2030

01:22:41,150 --> 01:22:39,300

was smoking my last cigarette and it was

2031

01:22:42,620 --> 01:22:41,160

a it was a clear night there was no

2032

01:22:44,689 --> 01:22:42,630

clouds

2033

01:22:46,430 --> 01:22:44,699

but there was one cloud off in the

2034

01:22:48,770 --> 01:22:46,440

distance coming towards me and it was

2035

01:22:51,260 --> 01:22:48,780

oval-shaped cloud and I was looking at

2036

01:22:53,840 --> 01:22:51,270

it and I go that looks like it like a

2037

01:22:55,490 --> 01:22:53,850

UFO you know just look perfect it was

2038

01:22:57,380 --> 01:22:55,500

coming straight towards me I didn't

2039

01:22:59,240 --> 01:22:57,390

think much about it I'm looking around

2040

01:23:01,790 --> 01:22:59,250

doing my thing and I start seeing clouds

2041

01:23:04,610 --> 01:23:01,800

getting closer and closer and the city

2042

01:23:06,320 --> 01:23:04,620

lights are bouncing off of the

2043

01:23:08,660 --> 01:23:06,330

underbelly of the clouds so I could see

2044

01:23:10,010 --> 01:23:08,670

it lit up really well and then once it

2045

01:23:12,020 --> 01:23:10,020

went right over my head you know I'm

2046

01:23:14,840 --> 01:23:12,030

looking at it well I think much of it I

2047

01:23:17,570 --> 01:23:14,850

decided to look down and the whole

2048

01:23:21,430 --> 01:23:17,580

backyard lit up bright blue like just it

2049

01:23:24,140 --> 01:23:21,440

was daytime okay it was it was like noon

2050

01:23:26,090 --> 01:23:24,150

for like a second or two and I remember

2051

01:23:27,950 --> 01:23:26,100

jerking my I felt this little tap on my

2052

01:23:29,090 --> 01:23:27,960

head like if you took your finger and

2053

01:23:31,220 --> 01:23:29,100

tapped yourself on the head when that

2054

01:23:32,840 --> 01:23:31,230

light came on and I'd lived close to a

2055

01:23:35,600 --> 01:23:32,850

cemetery now at nighttime you can't see

2056

01:23:37,459 --> 01:23:35,610

any tombstones it's just pitch black but

2057

01:23:39,740 --> 01:23:37,469

that second when I jerked my head up I

2058

01:23:42,169 --> 01:23:39,750

could see everything I see all

2059

01:23:44,750 --> 01:23:42,179

tombstones all trees I could see from

2060

01:23:48,200 --> 01:23:44,760

the horizon so this was like lightning

2061

01:23:53,479 --> 01:23:48,210

striking early right no it was noon a

2062

01:23:55,370 --> 01:23:53,489

time Wow daytime blue skies it was noon

2063

01:23:57,950 --> 01:23:55,380

that's all I could say it's like date

2064

01:24:01,040 --> 01:23:57,960

it's like 1:30 morning noon for like a

2065

01:24:02,750 --> 01:24:01,050

couple of seconds you know and I like I

2066

01:24:05,630 --> 01:24:02,760

said I felt this tapping on my head and

2067

01:24:07,640 --> 01:24:05,640

I jerked back up my head to look up and

2068

01:24:09,800 --> 01:24:07,650

of course the clouds being still it's

2069

01:24:12,530 --> 01:24:09,810

right there but inside a cloud is this

2070

01:24:14,479 --> 01:24:12,540

doughnut shaped UFO Hey look like hey

2071

01:24:15,890 --> 01:24:14,489

windows around it it wasn't hollow

2072

01:24:17,720 --> 01:24:15,900

through the center but it did have a

2073

01:24:20,919 --> 01:24:17,730

like a depression that went up in it and

2074

01:24:23,660 --> 01:24:20,929

it was it was solid it was metallic and

2075

01:24:25,370 --> 01:24:23,670

the the windows or whatever I want to

2076

01:24:27,439 --> 01:24:25,380

call it is where that light came from

2077

01:24:29,900 --> 01:24:27,449

and I remembered when I looked up I've

2078

01:24:33,470 --> 01:24:29,910

watched a light retract like a curtain

2079

01:24:34,790 --> 01:24:33,480

or like water go back up into that

2080

01:24:38,930 --> 01:24:34,800

doughnut shaped craft where those

2081

01:24:40,700 --> 01:24:38,940

windows are and then a cloud and the

2082

01:24:42,950 --> 01:24:40,710

cloud stayed there and it didn't move

2083

01:24:45,470 --> 01:24:42,960

and I stood out in that backyard for

2084

01:24:46,470 --> 01:24:45,480

30-40 minutes looking up at this cloud

2085

01:24:47,700 --> 01:24:46,480

and watching

2086

01:24:50,010 --> 01:24:47,710

when the cloud would start to lose a

2087

01:24:52,050 --> 01:24:50,020

little bit of its fluff you know on the

2088

01:24:54,150 --> 01:24:52,060

corner ends a little bit more to be

2089

01:24:57,960 --> 01:24:54,160

generated to fill out the other side to

2090

01:25:00,630 --> 01:24:57,970

make it perfect and I my reaction was I

2091

01:25:02,940 --> 01:25:00,640

just I think I jumped in excitement I

2092

01:25:05,280 --> 01:25:02,950

wasn't scared I think I gave a thumbs-up

2093

01:25:06,210 --> 01:25:05,290

I don't know if it's the military

2094

01:25:08,820 --> 01:25:06,220

playing games

2095

01:25:11,220 --> 01:25:08,830

hey let's fly by and fly our high tech

2096

01:25:13,830 --> 01:25:11,230

craft over this UFO enthusiasts house

2097

01:25:15,210 --> 01:25:13,840

and shine a light down on them or it was

2098

01:25:16,890 --> 01:25:15,220

them like I said I didn't feel a feeling

2099

01:25:20,700 --> 01:25:16,900

but I'm down there trying to figure out

2100

01:25:21,710 --> 01:25:20,710

what what what this is then the cops

2101  
01:25:23,520 --> 01:25:21,720  
start coming through my neighborhood

2102  
01:25:26,700 --> 01:25:23,530  
whole bunch of cops

2103  
01:25:28,470 --> 01:25:26,710  
what parked right outside my front yard

2104  
01:25:30,120 --> 01:25:28,480  
I remember looking through the fence and

2105  
01:25:31,560 --> 01:25:30,130  
I was thinking I should I think they saw

2106  
01:25:34,710 --> 01:25:31,570  
it I'm gonna go out and talk to him and

2107  
01:25:35,820 --> 01:25:34,720  
tell him what I saw but part of me said

2108  
01:25:37,440 --> 01:25:35,830  
don't you do it because he's probably

2109  
01:25:39,110 --> 01:25:37,450  
gonna think you you did you have

2110  
01:25:41,310 --> 01:25:39,120  
something to do with this and you might

2111  
01:25:43,080 --> 01:25:41,320  
he might throw you in jail or something

2112  
01:25:45,540 --> 01:25:43,090  
I just part of me I just didn't go out

2113  
01:25:47,070 --> 01:25:45,550

and talk but I know that with all the

2114

01:25:50,610 --> 01:25:47,080

cops are gonna neighborhood they saw it

2115

01:25:53,580 --> 01:25:50,620

too you know where someone had courted

2116

01:25:54,960 --> 01:25:53,590

someone reported it locally I think

2117

01:25:58,140 --> 01:25:54,970

they're probably on the ship I'm telling

2118

01:26:00,810 --> 01:25:58,150

you the whole town was daytime noon I

2119

01:26:03,090 --> 01:26:00,820

looked the whole way from Horizon it was

2120

01:26:05,070 --> 01:26:03,100

daytime the whole is like all globe just

2121

01:26:06,990 --> 01:26:05,080

day it's like we go outside right now

2122

01:26:11,460 --> 01:26:07,000

that's what it looked like it was bright

2123

01:26:14,520 --> 01:26:11,470

it was all in about two seconds and to

2124

01:26:15,780 --> 01:26:14,530

me it's right above my head I was

2125

01:26:19,080 --> 01:26:15,790

observing it when it was coming towards

2126

01:26:23,880 --> 01:26:19,090

me I I don't want to sound what's the

2127

01:26:25,950 --> 01:26:23,890

word ego or whatever but to meet what I

2128

01:26:29,729 --> 01:26:25,960

want to say is I think it was saying hi

2129

01:26:30,930 --> 01:26:29,739

it that's that's it like we're watching

2130

01:26:33,330 --> 01:26:30,940

you I know who you are

2131

01:26:35,520 --> 01:26:33,340

I didn't get no telepathic communication

2132

01:26:37,560 --> 01:26:35,530

anything like that but - but that little

2133

01:26:40,290 --> 01:26:37,570

tap on the head you take your finger and

2134

01:26:42,960 --> 01:26:40,300

just tap yourself like a little thunk it

2135

01:26:46,020 --> 01:26:42,970

was like look up whatever it hit the top

2136

01:26:48,870 --> 01:26:46,030

of my head and that's it that's all I

2137

01:26:52,229 --> 01:26:48,880

could say that's probably from the March

2138

01:26:54,660 --> 01:26:52,239

20th 1996 and this sighting were the two

2139

01:26:57,420 --> 01:26:54,670

best sightings and I'm a whole life that

2140

01:26:59,880 --> 01:26:57,430

I'll never forget the rest of I've had a

2141

01:27:02,340 --> 01:26:59,890

lot of a lot in between

2142

01:27:07,980 --> 01:27:02,350

were strange where I wanted to see a UFO

2143

01:27:10,800 --> 01:27:07,990

really bad and it showed up you know Wow

2144

01:27:12,930 --> 01:27:10,810

so were this once this particular one I

2145

01:27:13,440 --> 01:27:12,940

know was like you said 1:00 or 1:30 in

2146

01:27:15,150 --> 01:27:13,450

the morning

2147

01:27:19,640 --> 01:27:15,160

did you feel like you wanted to get

2148

01:27:23,310 --> 01:27:19,650

witnesses no hmm nope

2149

01:27:26,190 --> 01:27:23,320

from past experience in life no it's a

2150

01:27:29,250 --> 01:27:26,200

waste of time yeah and actually the

2151

01:27:32,400 --> 01:27:29,260

point of it I felt like like I said the

2152

01:27:35,820 --> 01:27:32,410

ego part that it was meant for me and me

2153

01:27:38,250 --> 01:27:35,830

only as and that's that's what I was

2154

01:27:40,470 --> 01:27:38,260

thinking during that time but I will

2155

01:27:42,480 --> 01:27:40,480

share that experience with anybody you

2156

01:27:44,970 --> 01:27:42,490

know and of course no eyewitnesses so

2157

01:27:47,520 --> 01:27:44,980

that one's not you know but that's what

2158

01:27:51,450 --> 01:27:47,530

happened and that was in August of 2008

2159

01:27:54,600 --> 01:27:51,460

so that's those two I usually talk about

2160

01:27:57,540 --> 01:27:54,610

the March 20th 1960 I buy witnesses but

2161

01:28:00,120 --> 01:27:57,550

that one was just as spectacular because

2162

01:28:01,200 --> 01:28:00,130

it was close that first that one I

2163

01:28:03,390 --> 01:28:01,210

talked about in the beginning was a

2164

01:28:06,210 --> 01:28:03,400

hundred feet off the ground okay this

2165

01:28:09,330 --> 01:28:06,220

could have been 200 feet but it's still

2166

01:28:13,220 --> 01:28:09,340

close to counter first kind it's 500

2167

01:28:16,520 --> 01:28:13,230

feet or less so it's right up close also

2168

01:28:19,460 --> 01:28:16,530

it could be of ce-5 you want to

2169

01:28:21,630 --> 01:28:19,470

characterize that cook there's like a

2170

01:28:24,030 --> 01:28:21,640

transformation but I've already had the

2171

01:28:26,880 --> 01:28:24,040

experience so to me this wasn't my first

2172

01:28:29,130 --> 01:28:26,890

rodeo and it wasn't like I'm gonna react

2173

01:28:32,100 --> 01:28:29,140

a certain way it's just it happen again

2174

01:28:33,090 --> 01:28:32,110

and just to take it all in as much as

2175

01:28:35,070 --> 01:28:33,100

you can because they usually don't

2176  
01:28:38,040 --> 01:28:35,080  
usually for a few seconds and it's gone

2177  
01:28:40,050 --> 01:28:38,050  
but I knew when that cloud was above me

2178  
01:28:40,740 --> 01:28:40,060  
it was still inside there I just

2179  
01:28:43,440 --> 01:28:40,750  
couldn't see it

2180  
01:28:47,040 --> 01:28:43,450  
Wow right that light there has been

2181  
01:28:49,980 --> 01:28:47,050  
speculations about you know clouds and

2182  
01:28:53,490 --> 01:28:49,990  
UFOs like hiding in the clouds which

2183  
01:28:57,960 --> 01:28:53,500  
actually would be a very stealth way to

2184  
01:29:01,380 --> 01:28:57,970  
do to do that the bizarre part I think

2185  
01:29:04,830 --> 01:29:01,390  
the bizarre part is it lighting up the

2186  
01:29:07,140 --> 01:29:04,840  
sky that bright you know what could that

2187  
01:29:10,770 --> 01:29:07,150  
possibly have been about needs to take a

2188  
01:29:13,259 --> 01:29:10,780

picture that was a flag for right sure i

2189

01:29:15,329 --> 01:29:13,269

I thought this is what the women

2190

01:29:17,729 --> 01:29:15,339

to happen the first thought to pop my

2191

01:29:21,199 --> 01:29:17,739

mind is going that is powerful

2192

01:29:23,639 --> 01:29:21,209

yes power guys oh I mean it was just

2193

01:29:26,519 --> 01:29:23,649

that's what I was thinking whatever that

2194

01:29:28,349 --> 01:29:26,529

thing is it is powerful it's like you

2195

01:29:29,909 --> 01:29:28,359

just lift the whole sky you just turn

2196

01:29:33,289 --> 01:29:29,919

needs a turn to light switch on like his

2197

01:29:34,439 --> 01:29:33,299

day time yeah turn nine in the day it's

2198

01:29:36,000 --> 01:29:34,449

unbelievable

2199

01:29:39,000 --> 01:29:36,010

there are so many people that report

2200

01:29:42,239 --> 01:29:39,010

seeing like some type of craft that has

2201

01:29:44,759 --> 01:29:42,249

windows like yeah it looked like it had

2202

01:29:46,739 --> 01:29:44,769

windows around the side but that it was

2203

01:29:48,719 --> 01:29:46,749

that's that could have been I'm thinking

2204

01:29:50,519 --> 01:29:48,729

the engine or not engine but that's

2205

01:29:52,979 --> 01:29:50,529

where the light came out of was out of

2206

01:29:56,669 --> 01:29:52,989

those little square windows around the

2207

01:29:58,199 --> 01:29:56,679

rim of the donut you know yeah all the

2208

01:30:01,019 --> 01:29:58,209

way around I don't know how many but

2209

01:30:03,599 --> 01:30:01,029

they were evenly spaced rectangular

2210

01:30:06,539 --> 01:30:03,609

windows yeah that's where the blue light

2211

01:30:08,759 --> 01:30:06,549

and the light was strange on itself it

2212

01:30:10,679 --> 01:30:08,769

wasn't like regular light it was more

2213

01:30:13,469 --> 01:30:10,689

like a curtain I don't know how to

2214

01:30:15,479 --> 01:30:13,479

explain it it was controlled light how

2215

01:30:17,759 --> 01:30:15,489

about that like if they controlled the

2216

01:30:21,119 --> 01:30:17,769

light and pulled it back so I watched

2217

01:30:22,949 --> 01:30:21,129

the light go back inside those I know

2218

01:30:25,500 --> 01:30:22,959

it's really quick but my brain was

2219

01:30:28,409 --> 01:30:25,510

catching all of it you know I could just

2220

01:30:30,239 --> 01:30:28,419

remember it all seeping back in like the

2221

01:30:32,819 --> 01:30:30,249

brightness like when it dimmed it dimmed

2222

01:30:35,399 --> 01:30:32,829

its light down I could see the windows

2223

01:30:38,969 --> 01:30:35,409

but it was a solid metal dull metal

2224

01:30:44,459 --> 01:30:38,979

craft went solid Wow

2225

01:30:46,619 --> 01:30:44,469

so did you ever like reflect back on you

2226  
01:30:49,379 --> 01:30:46,629  
know you had the childhood thing which

2227  
01:30:52,849 --> 01:30:49,389  
your father said was a meteor then you

2228  
01:30:56,309 --> 01:30:52,859  
had you know these fantastic sightings

2229  
01:31:00,509 --> 01:30:56,319  
did did you think that there was some

2230  
01:31:03,509 --> 01:31:00,519  
relationship to all them together during

2231  
01:31:05,789 --> 01:31:03,519  
that time yes but going through my life

2232  
01:31:08,579 --> 01:31:05,799  
no I would never put all that together I

2233  
01:31:10,109 --> 01:31:08,589  
had to meet other MUFON people there was

2234  
01:31:13,079 --> 01:31:10,119  
guy by the name you should interview him

2235  
01:31:16,379 --> 01:31:13,089  
his name is dr. Joseph Burks and he

2236  
01:31:19,709 --> 01:31:16,389  
specializes in these type of ongoing

2237  
01:31:22,319 --> 01:31:19,719  
cases and people like contact these he

2238  
01:31:25,189 --> 01:31:22,329

was telling me I fit the criteria of a

2239

01:31:27,410 --> 01:31:25,199

prying contactee because the ability to

2240

01:31:30,560 --> 01:31:27,420

want to see a sighting

2241

01:31:33,410 --> 01:31:30,570

go outside meditate or do whatever you

2242

01:31:35,150 --> 01:31:33,420

do and it shows up you know and then a

2243

01:31:36,950 --> 01:31:35,160

couple other things in my life so during

2244

01:31:39,920 --> 01:31:36,960

that moment when I had that happen to me

2245

01:31:41,630 --> 01:31:39,930

he with he already was telling me you're

2246

01:31:44,030 --> 01:31:41,640

gonna have more you know I already knew

2247

01:31:47,540 --> 01:31:44,040

I was ready for seeing another one so it

2248

01:31:52,880 --> 01:31:47,550

wasn't a surprise to me but I think if I

2249

01:31:54,950 --> 01:31:52,890

never got that let's say knowledge but

2250

01:31:57,110 --> 01:31:54,960

knew about that that that this happens

2251

01:31:59,870 --> 01:31:57,120

to a lot of people it's not I'm not

2252

01:32:01,670 --> 01:31:59,880

special it's nothing special it happens

2253

01:32:03,170 --> 01:32:01,680

to many many many people out there and

2254

01:32:06,320 --> 01:32:03,180

these are the these are the

2255

01:32:07,610 --> 01:32:06,330

characteristics of starts in their early

2256

01:32:10,460 --> 01:32:07,620

life and it goes all the way through

2257

01:32:12,980 --> 01:32:10,470

like I've never seen an alien or a being

2258

01:32:15,530 --> 01:32:12,990

or anything like that but I seen these

2259

01:32:17,990 --> 01:32:15,540

crap come up close up and personal and I

2260

01:32:19,730 --> 01:32:18,000

felt things like I knew they were coming

2261

01:32:22,210 --> 01:32:19,740

and then they'd show up and it's a good

2262

01:32:26,210 --> 01:32:22,220

feeling it's not a bad feeling it's like

2263

01:32:27,740 --> 01:32:26,220

like love like you could this is the

2264

01:32:30,620 --> 01:32:27,750

best way to describe it like an intense

2265

01:32:34,000 --> 01:32:30,630

love like maybe if you were a baby and

2266

01:32:38,330 --> 01:32:34,010

your mom was holding you you know wow

2267

01:32:41,120 --> 01:32:38,340

it's the most like it's joy intense love

2268

01:32:43,810 --> 01:32:41,130

but love is different I

2269

01:32:46,220 --> 01:32:43,820

it's something in that category it's uh

2270

01:32:48,560 --> 01:32:46,230

that's that's the best way I can

2271

01:32:50,960 --> 01:32:48,570

describe it it's so it was always has

2272

01:32:56,570 --> 01:32:50,970

been a positive feeling it was never

2273

01:33:02,150 --> 01:32:56,580

negative no fear happiness and a longing

2274

01:33:05,750 --> 01:33:02,160

this for connection Wow

2275

01:33:09,110 --> 01:33:05,760

you know who described that just about

2276

01:33:11,900 --> 01:33:09,120

exactly like that is one of the brothers

2277

01:33:15,470 --> 01:33:11,910

of a Jack and Jim I can't remember their

2278

01:33:17,740 --> 01:33:15,480

last name in the allagash incident the

2279

01:33:22,610 --> 01:33:17,750

allegation Siddhant was not familiar

2280

01:33:24,950 --> 01:33:22,620

that it's an incredible possible

2281

01:33:25,760 --> 01:33:24,960

abduction that happened in the allagash

2282

01:33:27,560 --> 01:33:25,770

and main

2283

01:33:31,270 --> 01:33:27,570

you know many years I think in the 70s

2284

01:33:33,830 --> 01:33:31,280

and I heard an interview with Jack and

2285

01:33:36,980 --> 01:33:33,840

they were about recurring things

2286

01:33:39,680 --> 01:33:36,990

happening and that's what he described

2287

01:33:40,910 --> 01:33:39,690

it he said it was like he said you know

2288

01:33:42,169 --> 01:33:40,920

he was almost embarrassed to

2289

01:33:45,650 --> 01:33:42,179

describe it but he said there was like

2290

01:33:49,220 --> 01:33:45,660

an intense love which I kind of blew me

2291

01:33:53,090 --> 01:33:49,230

away to hear him say that especially

2292

01:33:55,340 --> 01:33:53,100

because you know we're quite hostile you

2293

01:33:58,220 --> 01:33:55,350

know you look at our ourselves now in

2294

01:34:02,000 --> 01:33:58,230

our complete history of mankind we're

2295

01:34:04,640 --> 01:34:02,010

very hostile and and while we're on that

2296

01:34:09,169 --> 01:34:04,650

topic what do you do you think because

2297

01:34:10,729 --> 01:34:09,179

we are hostile that we're not making

2298

01:34:13,580 --> 01:34:10,739

more of a connection if these things are

2299

01:34:15,770 --> 01:34:13,590

actually visiting us from somewhere do

2300

01:34:19,130 --> 01:34:15,780

you think that's all part of it I can't

2301

01:34:20,780 --> 01:34:19,140

I started to think you know intelligent

2302

01:34:22,669 --> 01:34:20,790

species a lot more smart enough probably

2303

01:34:24,500 --> 01:34:22,679

don't think like us but if we had a

2304

01:34:26,300 --> 01:34:24,510

group of humans out there it's like you

2305

01:34:28,189 --> 01:34:26,310

and me let's talk about a neighborhood

2306

01:34:31,310 --> 01:34:28,199

and say your next-door neighbor has a

2307

01:34:32,890 --> 01:34:31,320

and it's just us he has a shotgun he's

2308

01:34:35,150 --> 01:34:32,900

shooting it out in his backyard

2309

01:34:36,680 --> 01:34:35,160

constantly he's over in his property but

2310

01:34:39,439 --> 01:34:36,690

you got kids and stuff running around

2311

01:34:40,550 --> 01:34:39,449

you kind of don't want to you kind of

2312

01:34:42,709 --> 01:34:40,560

want to keep that neighbor over there

2313

01:34:44,959 --> 01:34:42,719

yeah I mean and if we're detonating

2314

01:34:46,790 --> 01:34:44,969

Nick's and killing our own kind it would

2315

01:34:48,709 --> 01:34:46,800

sit back and observe if we're not a

2316

01:34:50,570 --> 01:34:48,719

threat it's not a big deal if we were a

2317

01:34:52,160 --> 01:34:50,580

threat it probably would be a big deal

2318

01:34:54,919 --> 01:34:52,170

but probably if we're start to leave

2319

01:34:57,860 --> 01:34:54,929

this planet and go what we can't go pull

2320

01:34:59,300 --> 01:34:57,870

a Cortese on other plants out there I

2321

01:35:01,280 --> 01:34:59,310

guarantee you I'm probably gonna be

2322

01:35:02,990 --> 01:35:01,290

something up there's going to be like no

2323

01:35:04,580 --> 01:35:03,000

no you ain't going to do that so they

2324

01:35:08,540 --> 01:35:04,590

probably observe us but we're probably

2325

01:35:10,370 --> 01:35:08,550

not a threat at all they would they're

2326

01:35:12,140 --> 01:35:10,380

the secret keepers yeah not the

2327

01:35:13,610 --> 01:35:12,150

government they're the ones keeping the

2328

01:35:15,680 --> 01:35:13,620

secrets they wanted to show they could

2329

01:35:17,570 --> 01:35:15,690

show themselves they wanted to I think

2330

01:35:18,620 --> 01:35:17,580

they're cautious I think they're cloaked

2331

01:35:20,750 --> 01:35:18,630

I think they're up there all the time

2332

01:35:21,740 --> 01:35:20,760

and I do but from my own experience I've

2333

01:35:25,630 --> 01:35:21,750

seen them hide in clouds

2334

01:35:28,880 --> 01:35:25,640

I think they hold all the cards

2335

01:35:30,860 --> 01:35:28,890

that it's us being hostile that might

2336

01:35:33,500 --> 01:35:30,870

just be part of our human nature it's

2337

01:35:35,240 --> 01:35:33,510

kind of like you if your neighbor is a

2338

01:35:37,970 --> 01:35:35,250

sex offender or a murderer

2339

01:35:40,459 --> 01:35:37,980

we're judging them we're like that's a

2340

01:35:42,430 --> 01:35:40,469

bad person but probably for them my best

2341

01:35:45,800 --> 01:35:42,440

guess is that's just a human thing

2342

01:35:47,510 --> 01:35:45,810

that's just what humans do if you watch

2343

01:35:49,130 --> 01:35:47,520

a nature show and see what animals do

2344

01:35:51,560 --> 01:35:49,140

that's just what the tiger does that's

2345

01:35:54,590 --> 01:35:51,570

just and maybe they judge us on that or

2346

01:35:57,410 --> 01:35:54,600

maybe there's no judgment but

2347

01:36:00,050 --> 01:35:57,420

I can't think how they would think if

2348

01:36:02,630 --> 01:36:00,060

there you know yeah they look good just

2349

01:36:06,500 --> 01:36:02,640

be one gigantic hoax and these are all

2350

01:36:09,410 --> 01:36:06,510

our crafts you know it's a piece I'll go

2351

01:36:12,530 --> 01:36:09,420

on the one if you know what if scenarios

2352

01:36:15,980 --> 01:36:12,540

but yeah that's the love the reason why

2353

01:36:20,000 --> 01:36:15,990

I say like a child because I do have a

2354

01:36:23,060 --> 01:36:20,010

memory of me being a baby and looking up

2355

01:36:25,520 --> 01:36:23,070

at my mother in a big giant head and

2356

01:36:28,130 --> 01:36:25,530

thinking what's the most beautiful woman

2357

01:36:31,730 --> 01:36:28,140

this is you know and that in that love

2358

01:36:34,790 --> 01:36:31,740

connection yeah I tell on you this UFO

2359

01:36:36,580 --> 01:36:34,800

thing was different from that but very

2360

01:36:39,920 --> 01:36:36,590

very close

2361

01:36:42,950 --> 01:36:39,930

interesting Wow yeah it's a feeling I

2362

01:36:45,020 --> 01:36:42,960

feel here like in my chest and in my

2363

01:36:46,310 --> 01:36:45,030

stomach and and I've had another

2364

01:36:48,950 --> 01:36:46,320

experience where I was driving down the

2365

01:36:51,230 --> 01:36:48,960

road and I felt it and I go there here

2366

01:36:52,640 --> 01:36:51,240

and I looked up at this star and I had

2367

01:36:55,970 --> 01:36:52,650

another person in the car with me and

2368

01:36:58,610 --> 01:36:55,980

this and I said that's guessing it's

2369

01:37:01,430 --> 01:36:58,620

that and the star get a checkmark and

2370

01:37:02,480 --> 01:37:01,440

went check and it took off Wow it got

2371

01:37:04,670 --> 01:37:02,490

tighter tighter tighter tighter

2372

01:37:05,900 --> 01:37:04,680

but I had that feeling I'm just drying

2373

01:37:07,370 --> 01:37:05,910

I'd rather talk about noir things now

2374

01:37:09,380 --> 01:37:07,380

you think about UFOs or anything

2375

01:37:10,340 --> 01:37:09,390

I get the feeling and I go hey you know

2376

01:37:12,590 --> 01:37:10,350

that feeling I've been telling you about

2377

01:37:15,860 --> 01:37:12,600

I think they're here right now look and

2378

01:37:17,510 --> 01:37:15,870

then she witnessed it you know by the

2379

01:37:18,800 --> 01:37:17,520

time he looked up and went it was

2380

01:37:20,630 --> 01:37:18,810

staying perfectly well we looked at it

2381

01:37:23,210 --> 01:37:20,640

for about a minute and then we saw it go

2382

01:37:26,180 --> 01:37:23,220

do a check mark it went down and then

2383

01:37:28,310 --> 01:37:26,190

when it took off the it just it looked

2384

01:37:31,370 --> 01:37:28,320

like it got tiny but it's actually going

2385

01:37:33,830 --> 01:37:31,380

so far away so fast that it yeah that

2386

01:37:35,150 --> 01:37:33,840

was getting tiny well see as far as I

2387

01:37:37,550 --> 01:37:35,160

could see if we're disappeared but it

2388

01:37:40,880 --> 01:37:37,560

was that a stop it went from stop to

2389

01:37:42,260 --> 01:37:40,890

extreme cellar acceleration here's a

2390

01:37:44,240 --> 01:37:42,270

here's something I've asked a lot of

2391

01:37:47,300 --> 01:37:44,250

guests and just to take your get your

2392

01:37:52,730 --> 01:37:47,310

take on it and that is if it's possible

2393

01:37:57,140 --> 01:37:52,740

that there is a ton of you know say

2394

01:37:59,030 --> 01:37:57,150

billions are will save and millions down

2395

01:38:01,670 --> 01:37:59,040

to that little of intelligent life out

2396

01:38:04,100 --> 01:38:01,680

there on different planets why us why do

2397

01:38:06,730 --> 01:38:04,110

they why do you think they would if it's

2398

01:38:09,470 --> 01:38:06,740

actually extraterrestrials visiting us

2399

01:38:10,760 --> 01:38:09,480

why would we be so spectacular that

2400

01:38:13,220 --> 01:38:10,770

would be visited

2401  
01:38:14,690 --> 01:38:13,230  
if there's other many many many other

2402  
01:38:18,290 --> 01:38:14,700  
planets out there with life on it

2403  
01:38:19,850 --> 01:38:18,300  
intelligent life why we're here I think

2404  
01:38:21,170 --> 01:38:19,860  
we are on the assumption that they're

2405  
01:38:23,450 --> 01:38:21,180  
far away because that's what we're

2406  
01:38:26,000 --> 01:38:23,460  
educated by NASA yeah it's so far away

2407  
01:38:28,130 --> 01:38:26,010  
to get here yeah and we got that mindset

2408  
01:38:30,980 --> 01:38:28,140  
and that's probably not the right

2409  
01:38:32,420 --> 01:38:30,990  
mindset I think way that my guess is

2410  
01:38:34,400 --> 01:38:32,430  
their technology doesn't matter where

2411  
01:38:36,560 --> 01:38:34,410  
they are in the universe yeah it's like

2412  
01:38:38,900 --> 01:38:36,570  
cell phone I could talk to you right now

2413  
01:38:42,290 --> 01:38:38,910

I can come here right now I can slip in

2414

01:38:45,080 --> 01:38:42,300

slip out change time I can manipulate

2415

01:38:48,290 --> 01:38:45,090

time just from other cases I can go

2416

01:38:49,610 --> 01:38:48,300

through that other case where real quick

2417

01:38:52,670 --> 01:38:49,620

I'll just tell you real quick somebody

2418

01:38:53,960 --> 01:38:52,680

sees a UFO over a house okay

2419

01:38:56,600 --> 01:38:53,970

the next day to go out there the house

2420

01:38:58,700 --> 01:38:56,610

isn't there but he's sure it was right

2421

01:39:01,730 --> 01:38:58,710

here above the house and then 15 years

2422

01:39:03,230 --> 01:39:01,740

later the house gets built and his exact

2423

01:39:06,650 --> 01:39:03,240

house from what the guy remember many

2424

01:39:09,290 --> 01:39:06,660

years ago the sighting Wow so he's

2425

01:39:11,690 --> 01:39:09,300

actually probably saw the future if you

2426

01:39:13,700 --> 01:39:11,700

want to bleed to guys story and whatever

2427

01:39:16,310 --> 01:39:13,710

was was manipulating something during

2428

01:39:17,420 --> 01:39:16,320

that time that he you know that makes

2429

01:39:19,310 --> 01:39:17,430

sense he was driving through a

2430

01:39:20,780 --> 01:39:19,320

neighborhood that didn't exist yet but

2431

01:39:22,250 --> 01:39:20,790

he swear it was there and he remembered

2432

01:39:24,800 --> 01:39:22,260

the house and he remember the UFO above

2433

01:39:27,080 --> 01:39:24,810

it and then years later the house has

2434

01:39:28,340 --> 01:39:27,090

built the exact way he remembered it you

2435

01:39:29,810 --> 01:39:28,350

know when he was driving through memory

2436

01:39:31,430 --> 01:39:29,820

lane saying it's really weird I remember

2437

01:39:33,620 --> 01:39:31,440

some and they built that house so

2438

01:39:37,040 --> 01:39:33,630

obviously and then of course

2439

01:39:39,560 --> 01:39:37,050

missing time people be in no memory back

2440

01:39:40,640 --> 01:39:39,570

in their car I mean I think we're

2441

01:39:46,040 --> 01:39:40,650

getting off the subject he asked me a

2442

01:39:48,650 --> 01:39:46,050

question about yeah no no no I'm I think

2443

01:39:52,130 --> 01:39:48,660

this is a I said why us why are we so

2444

01:39:54,380 --> 01:39:52,140

spectacular thank you so I I don't think

2445

01:39:57,770 --> 01:39:54,390

we're that important we're probably just

2446

01:39:59,630 --> 01:39:57,780

you know do i I don't think that we're

2447

01:40:04,010 --> 01:39:59,640

that important I think they would study

2448

01:40:05,870 --> 01:40:04,020

trees plants anything it's just your

2449

01:40:08,180 --> 01:40:05,880

consciousness happens to be directing in

2450

01:40:10,190 --> 01:40:08,190

an area you looked up a is that huh and

2451  
01:40:11,660 --> 01:40:10,200  
then they might interact with you but I

2452  
01:40:13,310 --> 01:40:11,670  
think they've been coming and going for

2453  
01:40:15,800 --> 01:40:13,320  
a long time

2454  
01:40:17,810 --> 01:40:15,810  
heck they might actually even be here on

2455  
01:40:20,120 --> 01:40:17,820  
the planet they might be underground

2456  
01:40:20,680 --> 01:40:20,130  
underwater this might they might not be

2457  
01:40:22,150 --> 01:40:20,690  
coming from

2458  
01:40:24,910 --> 01:40:22,160  
this could be their home - and we're

2459  
01:40:26,650 --> 01:40:24,920  
coexisting just like you have ants in

2460  
01:40:28,630 --> 01:40:26,660  
your backyard but you don't tell and

2461  
01:40:31,120 --> 01:40:28,640  
they're in your territory but you don't

2462  
01:40:32,950 --> 01:40:31,130  
talk to them you go around you do your

2463  
01:40:34,300 --> 01:40:32,960

business I might think it might be

2464

01:40:37,030 --> 01:40:34,310

something like that

2465

01:40:38,170 --> 01:40:37,040

I don't think we're that important I

2466

01:40:42,040 --> 01:40:38,180

mean I'm not sad

2467

01:40:43,750 --> 01:40:42,050

you know duh not sad like like hey we

2468

01:40:45,700 --> 01:40:43,760

want to invite you into the cosmic

2469

01:40:47,740 --> 01:40:45,710

family and give you our technology in

2470

01:40:49,720 --> 01:40:47,750

you can go do the Star Trek and all that

2471

01:40:51,250 --> 01:40:49,730

kind of I think we're way off on what's

2472

01:40:53,200 --> 01:40:51,260

really going on and once we figure it

2473

01:40:55,090 --> 01:40:53,210

out it'll probably all make sense they

2474

01:40:56,920 --> 01:40:55,100

drown though I think we're just like

2475

01:40:59,410 --> 01:40:56,930

farm animals or not farm animals but

2476

01:41:01,479 --> 01:40:59,420

rodents in the forest yeah as a human

2477

01:41:03,010 --> 01:41:01,489

that's passing through to go do whatever

2478

01:41:04,660 --> 01:41:03,020

they want to do I think they're

2479

01:41:07,510 --> 01:41:04,670

indifferent and they're coming and going

2480

01:41:10,660 --> 01:41:07,520

I would recommend that you don't they

2481

01:41:12,459 --> 01:41:10,670

can become hostile but usually from our

2482

01:41:14,050 --> 01:41:12,469

experience from cases and stuff they

2483

01:41:16,630 --> 01:41:14,060

become hostile when we try to attack it

2484

01:41:18,729 --> 01:41:16,640

yeah so when it's gonna shoots climate

2485

01:41:20,979 --> 01:41:18,739

locks on missiles so I would recommend

2486

01:41:23,110 --> 01:41:20,989

the ever seen one don't point your

2487

01:41:25,330 --> 01:41:23,120

weapon at it and don't ever go under it

2488

01:41:28,209 --> 01:41:25,340

because I'm always from my experience

2489

01:41:30,490 --> 01:41:28,219

and from other cases Travis Walton that

2490

01:41:32,110 --> 01:41:30,500

you can get hurt by being under a UFO so

2491

01:41:33,959 --> 01:41:32,120

you don't want to take chances with it

2492

01:41:37,420 --> 01:41:33,969

you want to stay back you can observe

2493

01:41:40,150 --> 01:41:37,430

but yeah I would say that most of them

2494

01:41:42,370 --> 01:41:40,160

are harmful but don't take chances with

2495

01:41:43,959 --> 01:41:42,380

UFOs don't point your weapon at it don't

2496

01:41:46,510 --> 01:41:43,969

go under it don't go touch it to crap

2497

01:41:48,459 --> 01:41:46,520

you don't know what's going on and that

2498

01:41:51,850 --> 01:41:48,469

would be my best advice and as for

2499

01:41:58,530 --> 01:41:51,860

agendas and what they think us my best

2500

01:42:02,410 --> 01:41:58,540

best bet is they're indifferent it's and

2501

01:42:06,700 --> 01:42:02,420

what about how do you view the

2502

01:42:09,850 --> 01:42:06,710

government may make I don't want to say

2503

01:42:12,360 --> 01:42:09,860

handle the situation but what do think

2504

01:42:15,209 --> 01:42:12,370

the government has any more information

2505

01:42:17,890 --> 01:42:15,219

I personally think that they probably

2506

01:42:20,470 --> 01:42:17,900

know they exist but don't know what they

2507

01:42:22,240 --> 01:42:20,480

are you know that's that's always been I

2508

01:42:24,280 --> 01:42:22,250

with you on that I know you hear stories

2509

01:42:25,870 --> 01:42:24,290

best secret space program and we're with

2510

01:42:26,320 --> 01:42:25,880

the aliens and we're out there doing all

2511

01:42:29,979 --> 01:42:26,330

this

2512

01:42:32,830 --> 01:42:29,989

it sounds awesome I think they're just

2513

01:42:34,250 --> 01:42:32,840

as it's just not scared but if they've

2514

01:42:37,910 --> 01:42:34,260

learned something more

2515

01:42:39,529 --> 01:42:37,920

that we don't know about that we're not

2516

01:42:41,120 --> 01:42:39,539

telling us they might have a they might

2517

01:42:43,970 --> 01:42:41,130

know a little bit more than what we know

2518

01:42:46,939 --> 01:42:43,980

but just as lost as you and I am to

2519

01:42:49,399 --> 01:42:46,949

figuring out what the agenda is probably

2520

01:42:51,229 --> 01:42:49,409

different races probably different it's

2521

01:42:52,669 --> 01:42:51,239

hard to keep to tell what an agenda is

2522

01:42:55,459 --> 01:42:52,679

it's not just one thing coming

2523

01:42:56,959 --> 01:42:55,469

it could be group of scientists for

2524

01:42:59,689 --> 01:42:56,969

somewhere come and check it out could be

2525

01:43:00,620 --> 01:42:59,699

a probe it could be an organic life-form

2526

01:43:04,339 --> 01:43:00,630

that looks like a ship

2527

01:43:07,850 --> 01:43:04,349

ya know yeah I've heard crazy stories

2528

01:43:11,870 --> 01:43:07,860

about soldiers that come up on a crashed

2529

01:43:13,640 --> 01:43:11,880

UFO many different agents and they would

2530

01:43:16,220 --> 01:43:13,650

want to know what's inside the UFO and

2531

01:43:18,439 --> 01:43:16,230

the door would open up for hmm want to

2532

01:43:20,959 --> 01:43:18,449

know what's inside it just opens up you

2533

01:43:22,700 --> 01:43:20,969

know it's like link to the to the mind

2534

01:43:25,939 --> 01:43:22,710

like they don't need keys they don't

2535

01:43:29,839 --> 01:43:25,949

lock their doors but I want to get

2536

01:43:32,479 --> 01:43:29,849

inside door opens up then from what was

2537

01:43:34,339 --> 01:43:32,489

the guy's name of Colonel Philip J Corso

2538

01:43:36,830 --> 01:43:34,349

you know you know that guy yeah okay

2539

01:43:38,750 --> 01:43:36,840

it's not alive now but he said that the

2540

01:43:42,290 --> 01:43:38,760

navigational system the computer of the

2541

01:43:44,149 --> 01:43:42,300

ship was the being itself the ship

2542

01:43:47,060 --> 01:43:44,159

responding to the beings commands the

2543

01:43:51,080 --> 01:43:47,070

beam was the navigation everything I

2544

01:43:53,390 --> 01:43:51,090

want to go here I want to go here so it

2545

01:43:54,080 --> 01:43:53,400

was almost like an empty shell no moving

2546

01:43:56,270 --> 01:43:54,090

parts

2547

01:43:58,339 --> 01:43:56,280

they have wires that were embedded into

2548

01:44:03,109 --> 01:43:58,349

the walls but it was more like fiber

2549

01:44:05,500 --> 01:44:03,119

optics yeah like what we have now but

2550

01:44:08,209 --> 01:44:05,510

really couldn't reengineer the craft

2551

01:44:11,200 --> 01:44:08,219

it's just an egg shell the most

2552

01:44:16,549 --> 01:44:11,210

important thing was the being itself Wow

2553

01:44:18,439 --> 01:44:16,559

yeah and yeah I you know this there's

2554

01:44:21,200 --> 01:44:18,449

you just mentioned fiber optics and I

2555

01:44:24,669 --> 01:44:21,210

know that's one of the speculative

2556

01:44:26,870 --> 01:44:24,679

things that they're supposed to have

2557

01:44:29,359 --> 01:44:26,880

re-engineered from something that was

2558

01:44:33,560 --> 01:44:29,369

found at some point I don't know what I

2559

01:44:36,580 --> 01:44:33,570

think about all that you know and it's

2560

01:44:39,490 --> 01:44:36,590

it just seems like if there are

2561

01:44:42,560 --> 01:44:39,500

somewhere there are these crashed

2562

01:44:44,930 --> 01:44:42,570

saucers being stowed away in some hanger

2563

01:44:47,450 --> 01:44:44,940

like hangar 1 or someplace like that

2564

01:44:53,120 --> 01:44:47,460

that it seems like eventually

2565

01:44:56,300 --> 01:44:53,130

the word would get out yeah this

2566

01:44:57,740 --> 01:44:56,310

information yeah I think you me are on

2567

01:44:59,959 --> 01:44:57,750

the same page I don't think oh the same

2568

01:45:01,459 --> 01:44:59,969

hands clue what's going on I think they

2569

01:45:03,470 --> 01:45:01,469

know they're real but that's about as

2570

01:45:06,410 --> 01:45:03,480

far as it goes we know we see them we

2571

01:45:08,090 --> 01:45:06,420

observe them but they do make these

2572

01:45:10,430 --> 01:45:08,100

circles around our fighter jets we can

2573

01:45:12,320 --> 01:45:10,440

never pin them down all right and having

2574

01:45:15,530 --> 01:45:12,330

somebody some of them crash here just

2575

01:45:18,410 --> 01:45:15,540

doesn't seem you know I guess they make

2576

01:45:20,690 --> 01:45:18,420

mistakes too but you travel all the way

2577

01:45:22,720 --> 01:45:20,700

across the cosmos or slipping in and out

2578

01:45:27,670 --> 01:45:22,730

of dimensions or whatever they're doing

2579

01:45:29,750 --> 01:45:27,680

I doubt if we had a ship that crashed

2580

01:45:31,850 --> 01:45:29,760

somebody would come rescue them I'm

2581

01:45:34,850 --> 01:45:31,860

pretty sure and take all the evidence

2582

01:45:36,350 --> 01:45:34,860

away from us clean it up yeah and if

2583

01:45:38,420 --> 01:45:36,360

they can take your memories away then

2584

01:45:39,590 --> 01:45:38,430

that guess they can do that too and you

2585

01:45:43,010 --> 01:45:39,600

never know what even happened

2586

01:45:46,070 --> 01:45:43,020

Yeah right yeah yeah I think people have

2587

01:45:47,540 --> 01:45:46,080

argued that the you know maybe they

2588

01:45:49,100 --> 01:45:47,550

encountered something that they weren't

2589

01:45:52,010 --> 01:45:49,110

expecting and that's the reason they

2590

01:45:53,630 --> 01:45:52,020

crash you know like radar waves or

2591

01:45:56,930 --> 01:45:53,640

whatever it is

2592

01:45:59,420 --> 01:45:56,940

who knows it is that is kind of a you

2593

01:46:00,920 --> 01:45:59,430

know a really good skeptical argument

2594

01:46:03,500 --> 01:46:00,930

why would they travel all this way and

2595

01:46:07,040 --> 01:46:03,510

you know crash

2596

01:46:10,190 --> 01:46:07,050

I understand the argument totally and I

2597

01:46:12,110 --> 01:46:10,200

would I really can't it's just this is

2598

01:46:14,300 --> 01:46:12,120

from what we hear we're repeating things

2599

01:46:15,979 --> 01:46:14,310

from what we've heard it's not our own

2600

01:46:17,570 --> 01:46:15,989

personal experience and we haven't seen

2601

01:46:20,380 --> 01:46:17,580

the data and we haven't held it in our

2602

01:46:23,150 --> 01:46:20,390

hands yeah yeah you haven't touched it

2603

01:46:25,580 --> 01:46:23,160

but you hear from others and we I mean

2604

01:46:27,620 --> 01:46:25,590

we as you've people that talk about

2605

01:46:29,479 --> 01:46:27,630

stories kind of to gossip the gospel

2606

01:46:32,709 --> 01:46:29,489

we're saying yeah Roswell happen all

2607

01:46:35,300 --> 01:46:32,719

this stuff you know but I wasn't there I

2608

01:46:37,280 --> 01:46:35,310

mean get to touch the metallurgy I would

2609

01:46:40,970 --> 01:46:37,290

love to please I would love to see this

2610

01:46:42,380 --> 01:46:40,980

stuff but I can only I it's like I had

2611

01:46:44,900 --> 01:46:42,390

people ask me how beasts met an alien

2612

01:46:47,479 --> 01:46:44,910

well you have all the GFO sightings I've

2613

01:46:50,330 --> 01:46:47,489

seen I know UFOs are real I don't know

2614

01:46:52,610 --> 01:46:50,340

what they are that's and that's about

2615

01:46:54,620 --> 01:46:52,620

the honest answer I can give and I

2616

01:46:55,970 --> 01:46:54,630

wouldn't be surprised buckle Sam would

2617

01:46:57,890 --> 01:46:55,980

probably say the same thing

2618

01:46:59,990 --> 01:46:57,900

UFOs are real we track on we don't know

2619

01:47:00,489 --> 01:47:00,000

what they are you watching them for a

2620

01:47:03,370 --> 01:47:00,499

long time

2621

01:47:06,279 --> 01:47:03,380

now I know you were we met at the MUFON

2622

01:47:08,589 --> 01:47:06,289

event and I know you like myself who

2623

01:47:13,089 --> 01:47:08,599

came in late I came in late because of

2624

01:47:16,600 --> 01:47:13,099

the traffic but I did watch the on

2625

01:47:20,979 --> 01:47:16,610

YouTube lewis Elizondo talk i watch that

2626

01:47:23,879 --> 01:47:20,989

and basically he is saying you know wait

2627

01:47:25,839 --> 01:47:23,889

till this time next year it was gonna be

2628

01:47:27,430 --> 01:47:25,849

it's gonna be a whole different world

2629

01:47:33,040 --> 01:47:27,440

this time next year or something along

2630

01:47:34,330 --> 01:47:33,050

those lines do you think that he is well

2631

01:47:37,000 --> 01:47:34,340

what's your what's your thoughts on that

2632

01:47:39,040 --> 01:47:37,010

do you think he's actually going to be

2633

01:47:42,009 --> 01:47:39,050

releasing things or what do you have you

2634

01:47:46,149 --> 01:47:42,019

been following that he told Jane

2635

01:47:49,810 --> 01:47:46,159

horizon when someone I think one of the

2636

01:47:52,239 --> 01:47:49,820

questions was this is going to answer

2637

01:47:54,489 --> 01:47:52,249

your question he said if it wasn't for

2638

01:47:56,979 --> 01:47:54,499

MUFON a tip would have never been formed

2639

01:47:58,870 --> 01:47:56,989

no I would kidding me any guy should

2640

01:48:01,149 --> 01:47:58,880

have a UFO program before civilians have

2641

01:48:03,759 --> 01:48:01,159

a UFO program but they use the MUFON

2642

01:48:06,700 --> 01:48:03,769

database presenting it showed it to

2643

01:48:08,020 --> 01:48:06,710

Congress Senator Reid and they like well

2644

01:48:09,790 --> 01:48:08,030

look at all this data we need to have

2645

01:48:11,229 --> 01:48:09,800

our own program and I'm pretty sure

2646

01:48:12,759 --> 01:48:11,239

there's other other programs going on

2647

01:48:15,609 --> 01:48:12,769

that deal with UFOs that no one knows

2648

01:48:18,910 --> 01:48:15,619

about but from his program that he

2649

01:48:21,129 --> 01:48:18,920

worked for a tip he also told Jan that

2650

01:48:23,589 --> 01:48:21,139

well the reason why we're all coming up

2651  
01:48:26,410 --> 01:48:23,599  
now is there's a situation he said the

2652  
01:48:28,359 --> 01:48:26,420  
situation has come up well he wouldn't

2653  
01:48:32,109 --> 01:48:28,369  
elaborate on it well that's kind of

2654  
01:48:35,370 --> 01:48:32,119  
interesting I have a genetical like what

2655  
01:48:37,660 --> 01:48:35,380  
you're saying and that's all I know

2656  
01:48:39,939 --> 01:48:37,670  
we're what he where he's leading to I

2657  
01:48:41,739 --> 01:48:39,949  
have no idea I know he said he couldn't

2658  
01:48:44,620 --> 01:48:41,749  
talk about it but something has come up

2659  
01:48:46,120 --> 01:48:44,630  
and the reason for this push you know

2660  
01:48:47,739 --> 01:48:46,130  
Pentagon's admitting that they were

2661  
01:48:50,049 --> 01:48:47,749  
involved in you up those but they've

2662  
01:48:54,850 --> 01:48:50,059  
been denying it for a while you know the

2663  
01:48:57,520 --> 01:48:54,860

Bluebook right well I had Stan Stan

2664

01:49:01,109 --> 01:48:57,530

Freeman on my show the week after the

2665

01:49:04,359 --> 01:49:01,119

Pentagon came out to get his take and

2666

01:49:06,129 --> 01:49:04,369

one of the first things he said is you

2667

01:49:09,640 --> 01:49:06,139

know you know how we talk to my question

2668

01:49:12,819 --> 01:49:09,650

is why now and that is that is a great

2669

01:49:14,410 --> 01:49:12,829

question you know why why now

2670

01:49:17,500 --> 01:49:14,420

so there's got to be a reason

2671

01:49:20,110 --> 01:49:17,510

yeah which is more heart the to put your

2672

01:49:22,780 --> 01:49:20,120

face on the line to come out and do this

2673

01:49:25,000 --> 01:49:22,790

push it's just keep your mouth shut and

2674

01:49:27,490 --> 01:49:25,010

just keep the status quo going the way

2675

01:49:32,050 --> 01:49:27,500

it is you know yeah so but he did say

2676

01:49:34,750 --> 01:49:32,060

the situation has come up not allowed to

2677

01:49:37,780 --> 01:49:34,760

talk about it but that's why we and you

2678

01:49:39,160 --> 01:49:37,790

know let's say that I'm just I mean we

2679

01:49:40,540 --> 01:49:39,170

can just use our imagination let's say

2680

01:49:42,550 --> 01:49:40,550

something's coming we could see it

2681

01:49:44,140 --> 01:49:42,560

coming here right yeah you want to get

2682

01:49:46,720 --> 01:49:44,150

the public ready what would you do

2683

01:49:48,340 --> 01:49:46,730

yeah you've got to move on and say blah

2684

01:49:50,800 --> 01:49:48,350

blah blah and then get on your TV shows

2685

01:49:53,650 --> 01:49:50,810

and kind of get people like hangar 1 and

2686

01:49:56,410 --> 01:49:53,660

all these UFO documented on the last 30

2687

01:49:59,710 --> 01:49:56,420

years get people a climate in so just in

2688

01:50:03,100 --> 01:49:59,720

case the cats out of the bag it won't be

2689

01:50:04,930 --> 01:50:03,110

that much of a jolt or shock to us yeah

2690

01:50:07,450 --> 01:50:04,940

and we continue on go back to work or

2691

01:50:09,640 --> 01:50:07,460

whatever you know it would be better

2692

01:50:12,130 --> 01:50:09,650

that way the to let you know that hey

2693

01:50:13,840 --> 01:50:12,140

son you're a foster kid instead of be

2694

01:50:15,490 --> 01:50:13,850

pretending the illusion I'm your real

2695

01:50:17,980 --> 01:50:15,500

dad and wait till you're a grown man and

2696

01:50:20,380 --> 01:50:17,990

let you know yeah your parents that

2697

01:50:22,870 --> 01:50:20,390

would be even be more less of a shock if

2698

01:50:23,650 --> 01:50:22,880

you're acclimated right hey well we ran

2699

01:50:26,530 --> 01:50:23,660

out of time

2700

01:50:28,930 --> 01:50:26,540

Jeremy can you believe it wow that was a

2701

01:50:30,700 --> 01:50:28,940

lot of fun Martin yeah thanks so much it

2702

01:50:33,100 --> 01:50:30,710

was it was a great pleasure I really

2703

01:50:40,120 --> 01:50:33,110

enjoyed it thank you sir
