

DR. JOSEPH BURKES

1
00:00:03,889 --> 00:00:01,819
it's their images that you haven't seen

2
00:00:05,900 --> 00:00:03,899
before in their original images from the

3
00:00:08,000 --> 00:00:05,910
witnesses when the incidents occurred

4
00:00:09,890 --> 00:00:08,010
which of course is important because

5
00:00:12,290 --> 00:00:09,900
with some of these cases like with

6
00:00:15,020 --> 00:00:12,300
Travis's or like with the allagash those

7
00:00:17,090 --> 00:00:15,030
are images that we've seen that were

8
00:00:20,150 --> 00:00:17,100
created years after that are kind of

9
00:00:22,670 --> 00:00:20,160
more more impressive and more fun to

10
00:00:25,040 --> 00:00:22,680
look at more colorful but it's always

11
00:00:27,470 --> 00:00:25,050
good to look at both so you can see you

12
00:00:31,759 --> 00:00:27,480
know how the original impressions differ

13
00:00:33,590 --> 00:00:31,769

from the current impressions and yeah so

14

00:00:37,760 --> 00:00:33,600

it was a lot of fun really interesting

15

00:00:41,959 --> 00:00:37,770

well we just found out that our me

16

00:00:44,510 --> 00:00:41,969

restarting OBS was the trick it's

17

00:00:47,990 --> 00:00:44,520

working that did it yeah and who knows

18

00:00:49,910 --> 00:00:48,000

why that ever happens but anyway what

19

00:00:52,910 --> 00:00:49,920

I'm gonna do I hope it wasn't the flux

20

00:00:56,450 --> 00:00:52,920

capacitor you know this is a very

21

00:00:59,000 --> 00:00:56,460

strange technology akin to doctor whose

22

00:01:01,279 --> 00:00:59,010

time travel technology and it could have

23

00:01:03,380 --> 00:01:01,289

had some sort of negative reaction to

24

00:01:08,359 --> 00:01:03,390

your equipment and if it did I apologize

25

00:01:12,289 --> 00:01:08,369

yeah well we're we're good it's not

26

00:01:14,690 --> 00:01:12,299

affecting it any any longer so yeah so

27

00:01:17,090 --> 00:01:14,700

now the listeners on youtube what I'm

28

00:01:19,100 --> 00:01:17,100

gonna do is out edit the YouTube but now

29

00:01:24,590 --> 00:01:19,110

the listeners on YouTube can hear you

30

00:01:31,520 --> 00:01:24,600

and we're all good and hello youtube it

31

00:01:33,890 --> 00:01:31,530

is i Alejandro Rojas and so and you did

32

00:01:36,350 --> 00:01:33,900

a great you did a great interview with

33

00:01:39,830 --> 00:01:36,360

George Knapp you know one of my favorite

34

00:01:43,120 --> 00:01:39,840

people that's involved in looking at the

35

00:01:48,770 --> 00:01:43,130

subject and so that's on open minds and

36

00:01:49,069 --> 00:01:48,780

yes I talked to that a little bit what's

37

00:01:55,639 --> 00:01:49,079

that

38

00:01:57,350 --> 00:01:55,649

bit okay and I have like I've got other

39

00:01:58,969 --> 00:01:57,360

news - there's other news I could talk

40

00:02:02,300 --> 00:01:58,979

about so I got some good stuff for you

41

00:02:03,800 --> 00:02:02,310

but the George Knapp interview I just

42

00:02:07,459 --> 00:02:03,810

want to express how important this

43

00:02:09,559 --> 00:02:07,469

interview was for me he really opened up

44

00:02:11,240 --> 00:02:09,569

in a way I've never heard him open up

45

00:02:14,420 --> 00:02:11,250

before and it was kind of funny because

46

00:02:17,000 --> 00:02:14,430

I we were at The Devil's Tower

47

00:02:20,060 --> 00:02:17,010

I do you know a YouTube live thing on

48

00:02:22,280 --> 00:02:20,070

Thursdays at 6:00 and I've committed to

49

00:02:23,840 --> 00:02:22,290

my people that I know I'm busy I'm all

50

00:02:25,670 --> 00:02:23,850

over the place and for the last few

51
00:02:28,280 --> 00:02:25,680
months race can definitely attest to

52
00:02:33,260 --> 00:02:28,290
this I was not consistent for a long

53
00:02:35,060 --> 00:02:33,270
time without put for four open mind and

54
00:02:38,210 --> 00:02:35,070
so I've committed that I'm gonna do this

55
00:02:39,620 --> 00:02:38,220
thing so at six o'clock you know I put

56
00:02:42,110 --> 00:02:39,630
on we were still in the middle of a

57
00:02:44,810 --> 00:02:42,120
panel so I just showed that and then

58
00:02:46,460 --> 00:02:44,820
from there I had to run to do this

59
00:02:48,230 --> 00:02:46,470
interview with George so I had to go

60
00:02:50,690 --> 00:02:48,240
find a corner and they get this

61
00:02:53,240 --> 00:02:50,700
interview done but he opened up and and

62
00:02:55,790 --> 00:02:53,250
shared stuff that I was really surprised

63
00:02:57,260 --> 00:02:55,800

he shared so people have to listen to

64

00:03:00,830 --> 00:02:57,270

that and I know we got to go to break

65

00:03:04,640 --> 00:03:00,840

soon so but some of what he shared was

66

00:03:07,070 --> 00:03:04,650

like Senator Harry Reid just how far

67

00:03:11,810 --> 00:03:07,080

back is a relationship with Bigelow goes

68

00:03:14,540 --> 00:03:11,820

which it goes very very far I mean there

69

00:03:16,250 --> 00:03:14,550

were friends before anything were they

70

00:03:20,390 --> 00:03:16,260

connected I think they were connected

71

00:03:24,740 --> 00:03:20,400

they were so Harry Reid represented

72

00:03:27,380 --> 00:03:24,750

Bigelow as a lawyer back in the day and

73

00:03:30,890 --> 00:03:27,390

so that's how they met and then here

74

00:03:34,520 --> 00:03:30,900

they're their shared interest in the

75

00:03:37,009 --> 00:03:34,530

paranormal came up way back when so

76

00:03:40,130 --> 00:03:37,019

George has been keeping Harry Reid

77

00:03:41,449 --> 00:03:40,140

apprised or I'm sorry Bigelow Robert

78

00:03:43,580 --> 00:03:41,459

Bigelow has been keeping Harry Reid

79

00:03:45,500 --> 00:03:43,590

apprised of all of their paranormal

80

00:03:48,380 --> 00:03:45,510

research for all of these years in fact

81

00:03:49,970 --> 00:03:48,390

Harry Reid's sometimes had come to the

82

00:03:52,580 --> 00:03:49,980

office to kind of hang out and be there

83

00:03:55,580 --> 00:03:52,590

during meetings and to talk about all

84

00:03:58,490 --> 00:03:55,590

this so this all yeah goes way back but

85

00:04:02,240 --> 00:03:58,500

what's interesting is Robert Bigelow did

86

00:04:04,729 --> 00:04:02,250

not ask Harry Reid for funding for their

87

00:04:10,580 --> 00:04:04,739

research actually what had happened as a

88

00:04:14,780 --> 00:04:10,590

dia agent had read George Knapp's book

89

00:04:16,099 --> 00:04:14,790

about skinwalker ranch and so and I

90

00:04:17,990 --> 00:04:16,109

should have said George Knapp is a

91

00:04:21,229 --> 00:04:18,000

investigator journalist with tons of

92

00:04:23,300 --> 00:04:21,239

awards who works out in Las Vegas he is

93

00:04:25,880 --> 00:04:23,310

the one who made area 51 famous really

94

00:04:28,570 --> 00:04:25,890

with his investigation wit for which he

95

00:04:33,170 --> 00:04:28,580

won an award for that too

96

00:04:36,110 --> 00:04:33,180

but break here okay yeah so I'll finish

97

00:04:37,730 --> 00:04:36,120

this up after yeah sure and yeah hold

98

00:04:39,980 --> 00:04:37,740

that front right where you are

99

00:04:43,399 --> 00:04:39,990

all right everyone this is Martin with

100

00:04:46,969 --> 00:04:43,409

podcast UFO on kgr a radio and my

101
00:04:53,379 --> 00:04:46,979
current guest is Alejandro Rojas we'll

102
00:04:57,499 --> 00:04:56,029
Martin we're in the clear and we've got

103
00:05:01,309 --> 00:04:57,509
three and a half minutes in this break

104
00:05:04,089 --> 00:05:01,319
roughly got it I got the time right

105
00:05:06,469 --> 00:05:04,099
alejandro so we're still live on youtube

106
00:05:08,809 --> 00:05:06,479
so okay but we need to talk about

107
00:05:10,850 --> 00:05:08,819
something different on the break that's

108
00:05:12,379 --> 00:05:10,860
what I promised everyone so okay we'll

109
00:05:17,540 --> 00:05:12,389
pick up where we were about Harry Reid

110
00:05:20,089 --> 00:05:17,550
after that so I think it's been maybe go

111
00:05:23,869 --> 00:05:20,099
ahead yeah do you have a topic or I have

112
00:05:26,119 --> 00:05:23,879
I have several topics sure I'm out as

113
00:05:27,439 --> 00:05:26,129

well and thanks for just winging it here

114

00:05:31,459 --> 00:05:27,449

but you've seemed much more prepared

115

00:05:33,829 --> 00:05:31,469

than I am without a guest so yeah go

116

00:05:41,390 --> 00:05:33,839

ahead say something we got about three

117

00:05:44,360 --> 00:05:41,400

minutes all right so let's talk really

118

00:05:48,379 --> 00:05:44,370

quickly I guess then on this latest

119

00:05:51,920 --> 00:05:48,389

story by Cheryl Kosta she writes for

120

00:05:53,480 --> 00:05:51,930

Syracuse New Times and her latest story

121

00:05:56,559 --> 00:05:53,490

is really interesting we're talking

122

00:06:00,559 --> 00:05:56,569

about triangular-shaped UFOs earlier and

123

00:06:03,139 --> 00:06:00,569

she essentially was making the argument

124

00:06:08,719 --> 00:06:03,149

that if you pull out the more mundane

125

00:06:11,600 --> 00:06:08,729

shapes out of the UFO databases that she

126
00:06:13,519 --> 00:06:11,610
monitors in particular MUFON of course

127
00:06:15,649 --> 00:06:13,529
she wrote a book about MUFON UFO

128
00:06:17,959 --> 00:06:15,659
sightings and the statistics and where

129
00:06:20,689 --> 00:06:17,969
sightings are seen and all of that but

130
00:06:23,029 --> 00:06:20,699
if you pull out the odd shapes the the

131
00:06:27,079 --> 00:06:23,039
or the the normal shapes like let's say

132
00:06:29,749 --> 00:06:27,089
stars or a point of light or a blimp

133
00:06:31,820 --> 00:06:29,759
which could of course be a blimp and you

134
00:06:33,829 --> 00:06:31,830
look at the really odd shapes where

135
00:06:36,649 --> 00:06:33,839
people are sprinting saying they say a

136
00:06:38,990 --> 00:06:36,659
very clear triangular shape you know

137
00:06:41,330 --> 00:06:39,000
that's a little bit harder to explain

138
00:06:43,189 --> 00:06:41,340

away if someone's seeing the

139

00:06:45,920 --> 00:06:43,199

you know large triangle hovering in the

140

00:06:47,450 --> 00:06:45,930

sky that's that's harder to say what

141

00:06:50,390 --> 00:06:47,460

that is and if it's just a point of

142

00:06:52,580 --> 00:06:50,400

light moving steadily across the sky so

143

00:06:54,560 --> 00:06:52,590

it was really interesting that she does

144

00:06:57,080 --> 00:06:54,570

this because when she pulled this out

145

00:06:58,850 --> 00:06:57,090

you can see that even with these cases

146

00:07:00,800 --> 00:06:58,860

where the shapes are very odd where

147

00:07:03,230 --> 00:07:00,810

people are very clear that they're

148

00:07:05,930 --> 00:07:03,240

seeing a very oddly shaped structured

149

00:07:07,909 --> 00:07:05,940

craft that you still have thousands and

150

00:07:11,030 --> 00:07:07,919

thousands of these types of sightings

151
00:07:13,189 --> 00:07:11,040
and and her argument is to the skeptics

152
00:07:14,900 --> 00:07:13,199
that this demonstrates that you know

153
00:07:17,600 --> 00:07:14,910
there's a lot more data there or a lot

154
00:07:20,420 --> 00:07:17,610
better cases more there are a lot of

155
00:07:21,830 --> 00:07:20,430
very good cases out there that

156
00:07:23,870 --> 00:07:21,840
demonstrate that there is truly

157
00:07:27,440 --> 00:07:23,880
something mysterious going on Wow

158
00:07:32,270 --> 00:07:27,450
amazing guess guess what I believe our

159
00:07:34,820 --> 00:07:32,280
guest is on aha Joseph can you see me

160
00:07:36,770 --> 00:07:34,830
I can't I can't see you have to turn

161
00:07:41,600 --> 00:07:36,780
your camera on and I'm not hearing

162
00:07:45,020 --> 00:07:41,610
really great audio but you made it well

163
00:07:49,190 --> 00:07:45,030

let me see if I can find out I can turn

164

00:07:51,350 --> 00:07:49,200

on the the camera here can you hear me

165

00:07:52,279 --> 00:07:51,360

right on Skype itself there you are

166

00:07:56,300 --> 00:07:52,289

there it is

167

00:07:59,120 --> 00:07:56,310

all right so alejandro why don't we go

168

00:08:01,430 --> 00:07:59,130

into the after this break is over we'll

169

00:08:02,900 --> 00:08:01,440

go into it we have another yeah you're

170

00:08:05,029 --> 00:08:02,910

on your own camera do you have any type

171

00:08:09,560 --> 00:08:05,039

of audio or you just talking into your

172

00:08:11,960 --> 00:08:09,570

computer Joseph can you hear me Joseph I

173

00:08:13,670 --> 00:08:11,970

have I'm talking juicy do you see me yet

174

00:08:16,610 --> 00:08:13,680

yeah I see yeah we see you we got you

175

00:08:19,040 --> 00:08:16,620

okay great sorry about that man

176

00:08:20,629 --> 00:08:19,050

all right all right so just hang in

177

00:08:24,020 --> 00:08:20,639

there Joseph because we have to go into

178

00:08:27,800 --> 00:08:24,030

a back into the show here in just a few

179

00:08:31,550 --> 00:08:27,810

seconds and then I'll introduce you to

180

00:08:43,680 --> 00:08:31,560

kg RA a radio so hang on okay Reis any

181

00:08:43,690 --> 00:08:56,950

hang in we'll be right back

182

00:09:07,060 --> 00:09:03,960

and here we go in five or three -

183

00:09:10,389 --> 00:09:07,070

alrighty one welcome back you're with

184

00:09:13,540 --> 00:09:10,399

Martin Willis at podcast UFO my guest is

185

00:09:16,449 --> 00:09:13,550

Alejandro Rojas he's been filling in for

186

00:09:18,400 --> 00:09:16,459

our other guests who just called in

187

00:09:21,460 --> 00:09:18,410

so he'll be joining us in just a second

188

00:09:24,040 --> 00:09:21,470

so Alejandro before I Colin before I

189

00:09:27,090 --> 00:09:24,050

call in Joseph Burks can you please

190

00:09:30,070 --> 00:09:27,100

finish where we were at Harry yeah

191

00:09:32,019 --> 00:09:30,080

finish where we were and then I do want

192

00:09:33,850 --> 00:09:32,029

to get into another story just give

193

00:09:37,780 --> 00:09:33,860

people a heads up real quick

194

00:09:40,000 --> 00:09:37,790

but yes that this dia agent had read

195

00:09:43,329 --> 00:09:40,010

George Knapp's book on HUD for the

196

00:09:46,420 --> 00:09:43,339

skinwalker and he contacted them this

197

00:09:48,250 --> 00:09:46,430

was around 2007 and actually what people

198

00:09:50,650 --> 00:09:48,260

may not know this is another thing

199

00:09:53,530 --> 00:09:50,660

George had had shared is that during

200

00:09:55,630 --> 00:09:53,540

this period of time the early 2000s the

201
00:09:57,910 --> 00:09:55,640
paranormal phenomena had really subsided

202
00:09:59,650 --> 00:09:57,920
so not what much was going on in fact

203
00:10:02,230 --> 00:09:59,660
that's one of the reasons since there

204
00:10:04,630 --> 00:10:02,240
wasn't much going on that Bigelow wit or

205
00:10:06,610 --> 00:10:04,640
that George Knapp was allowed to print

206
00:10:09,250 --> 00:10:06,620
the book so they they wrote the book

207
00:10:11,140 --> 00:10:09,260
this guy read the book and he asked if

208
00:10:13,120 --> 00:10:11,150
he could come check it out normally they

209
00:10:16,329 --> 00:10:13,130
say no of course but since he was a dia

210
00:10:19,780 --> 00:10:16,339
agent they did allow him he immediately

211
00:10:21,730 --> 00:10:19,790
had his own paranormal phenomena and he

212
00:10:23,769 --> 00:10:21,740
has not wanted to share his name or

213
00:10:25,870 --> 00:10:23,779

exactly what had happened but it was

214

00:10:28,570 --> 00:10:25,880

something where he saw something clearly

215

00:10:31,900 --> 00:10:28,580

that shook him to the core essentially

216

00:10:34,390 --> 00:10:31,910

so he immediately went to Harry Reid who

217

00:10:37,269 --> 00:10:34,400

he knew and said hey we really need to

218

00:10:39,400 --> 00:10:37,279

be investigating this what's going on

219

00:10:41,319 --> 00:10:39,410

there and Harry Reid said you know what

220

00:10:43,720 --> 00:10:41,329

you're right because he knew Harry Reid

221

00:10:44,560 --> 00:10:43,730

was aware of the whole investigation on

222

00:10:46,540 --> 00:10:44,570

what was going on

223

00:10:50,140 --> 00:10:46,550

so that's when Harry Reid had gone to

224

00:10:52,660 --> 00:10:50,150

his colleagues other senators to say hey

225

00:10:56,800 --> 00:10:52,670

let's fund this program and that's when

226

00:10:59,560 --> 00:10:56,810

the funding came so it wasn't as at the

227

00:11:02,050 --> 00:10:59,570

behest of Robert Bigelow in fact George

228

00:11:04,690 --> 00:11:02,060

Knapp was very clear and adamant that

229

00:11:06,819 --> 00:11:04,700

this idea that you know this was one

230

00:11:11,170 --> 00:11:06,829

hand shaking the other type of thing was

231

00:11:13,360 --> 00:11:11,180

ridiculous that there's total BS he said

232

00:11:15,519 --> 00:11:13,370

so he just it's something he wants to

233

00:11:17,379 --> 00:11:15,529

make clear that this was independent how

234

00:11:21,009 --> 00:11:17,389

that happened but this is just one

235

00:11:23,050 --> 00:11:21,019

example of him being very very open so

236

00:11:25,269 --> 00:11:23,060

it was a yeah incredible interview in

237

00:11:27,280 --> 00:11:25,279

fact I need to transcribe it I'm gonna

238

00:11:28,629 --> 00:11:27,290

get it transcribed soon and I'm gonna

239

00:11:30,040 --> 00:11:28,639

put it on the Internet and probably even

240

00:11:33,280 --> 00:11:30,050

write a story cuz it's some really

241

00:11:34,870 --> 00:11:33,290

really good information but before I go

242

00:11:36,759 --> 00:11:34,880

so you could get into your interview

243

00:11:38,579 --> 00:11:36,769

with your guests now that they've

244

00:11:40,840 --> 00:11:38,589

arrived I just wanted to mention also

245

00:11:44,829 --> 00:11:40,850

that you know the History Channel has

246

00:11:46,480 --> 00:11:44,839

been doing this they're preparing for

247

00:11:49,449 --> 00:11:46,490

this television show Project Blue Book

248

00:11:52,090 --> 00:11:49,459

that's going to be about real UFO cases

249

00:11:54,970 --> 00:11:52,100

and so in preparation they've had some

250

00:11:56,199 --> 00:11:54,980

journalists writing about real cases

251
00:11:58,629 --> 00:11:56,209
that they're going to cover on this

252
00:12:00,970 --> 00:11:58,639
television show for the History Channel

253
00:12:03,759 --> 00:12:00,980
and they did write another one recently

254
00:12:07,509 --> 00:12:03,769
which was called when dozens of Korean

255
00:12:09,160 --> 00:12:07,519
War gi's claimed a UFO made them sick

256
00:12:12,120 --> 00:12:09,170
and we talked about this the other day

257
00:12:14,740 --> 00:12:12,130
so you're familiar with this too right

258
00:12:16,720 --> 00:12:14,750
so this was a really interesting one

259
00:12:19,569 --> 00:12:16,730
that happened in May 1951 during the

260
00:12:21,999 --> 00:12:19,579
Korean War where this blinking object

261
00:12:24,870 --> 00:12:22,009
pulsating kind of moved towards them and

262
00:12:29,769 --> 00:12:24,880
and had an effect on these people a

263
00:12:31,480 --> 00:12:29,779

long-term effect right so great story so

264

00:12:32,949 --> 00:12:31,490

keep an eye on History Channel because

265

00:12:35,679 --> 00:12:32,959

they're really releasing some really

266

00:12:37,689 --> 00:12:35,689

cool stuff so other than that the only

267

00:12:42,460 --> 00:12:37,699

other thing it's really newsweek wrote

268

00:12:45,160 --> 00:12:42,470

about blink 182 and their involvement

269

00:12:47,650 --> 00:12:45,170

with this pentagon program and

270

00:12:49,179 --> 00:12:47,660

essentially saying if if this was a real

271

00:12:50,650 --> 00:12:49,189

pentagon program what are you doing

272

00:12:52,990 --> 00:12:50,660

coming and speaking at the MUFON

273

00:12:56,050 --> 00:12:53,000

symposium to a bunch of UFO goofballs

274

00:12:57,730 --> 00:12:56,060

and Elizondo essentially saying they've

275

00:12:59,110 --> 00:12:57,740

been into this for a long time they've

276

00:13:00,309 --> 00:12:59,120

been researching it that's why we're

277

00:13:02,679 --> 00:13:00,319

talking to them they know what we're

278

00:13:04,960 --> 00:13:02,689

talking about so very interesting story

279

00:13:07,150 --> 00:13:04,970

there you know it's really if you think

280

00:13:09,249 --> 00:13:07,160

about it's really kind of a shame I know

281

00:13:13,960 --> 00:13:09,259

that there are parts of the UFO field

282

00:13:16,449 --> 00:13:13,970

that are a bit fringy but I'm still it

283

00:13:18,069 --> 00:13:16,459

really is kind of a shame that they just

284

00:13:21,280 --> 00:13:18,079

put and put them together as a whole

285

00:13:23,920 --> 00:13:21,290

ball of wax yeah and because there are

286

00:13:24,519 --> 00:13:23,930

some serious people and you know as well

287

00:13:28,090 --> 00:13:24,529

as I do

288

00:13:29,860 --> 00:13:28,100

some highly intelligent people that are

289

00:13:32,439 --> 00:13:29,870

not fringy that are trying to figure

290

00:13:34,360 --> 00:13:32,449

this out because there is only something

291

00:13:37,900 --> 00:13:34,370

to this and there's a lot of people that

292

00:13:41,009 --> 00:13:37,910

that get that so yeah it's kind of a

293

00:13:43,389 --> 00:13:41,019

shame that were viewed as all you know

294

00:13:45,549 --> 00:13:43,399

weirdos I understand we're just a small

295

00:13:48,150 --> 00:13:45,559

percentage of the people out there that

296

00:13:52,179 --> 00:13:48,160

have an interest in this topic but still

297

00:13:53,439 --> 00:13:52,189

yeah and just because we're weird it's

298

00:13:56,999 --> 00:13:53,449

just because I'm aware doesn't mean I'm

299

00:13:58,179 --> 00:13:57,009

not serious about the topic that's right

300

00:14:00,639 --> 00:13:58,189

exactly

301
00:14:01,960 --> 00:14:00,649
hey all right thanks so much for filling

302
00:14:04,600 --> 00:14:01,970
in I really appreciate it

303
00:14:06,400 --> 00:14:04,610
my pleasure all right and I'll talk to

304
00:14:07,960 --> 00:14:06,410
you next week all right talk to you

305
00:14:09,910 --> 00:14:07,970
later have a good show all right thank

306
00:14:12,759 --> 00:14:09,920
you all right so our guest

307
00:14:15,699 --> 00:14:12,769
Joseph Burke's MD and he's a board

308
00:14:17,129 --> 00:14:15,709
certified internal medicine physician he

309
00:14:19,569 --> 00:14:17,139
retired from the Southern California

310
00:14:22,869 --> 00:14:19,579
Permanente group after 30 years of

311
00:14:26,049 --> 00:14:22,879
service in 2008 during the 1960s to the

312
00:14:28,629 --> 00:14:26,059
1980s he was a volunteer at volunteer

313
00:14:30,910 --> 00:14:28,639

peace and social justice activists

314

00:14:34,299 --> 00:14:30,920

working with physicians for Social

315

00:14:37,269 --> 00:14:34,309

Responsibility the United Farm Workers

316

00:14:39,549 --> 00:14:37,279

Union and pro-labor coalition's that

317

00:14:41,679 --> 00:14:39,559

were part of the occupational health and

318

00:14:45,730 --> 00:14:41,689

safety movement Joseph welcome to the

319

00:14:47,530 --> 00:14:45,740

show thank you very much I'm getting up

320

00:14:49,900 --> 00:14:47,540

from my sickbed but I'm so happy to be

321

00:14:51,100 --> 00:14:49,910

here oh I'm sorry so you've been sick

322

00:14:56,290 --> 00:14:51,110

today that's why I haven't heard from

323

00:14:58,090 --> 00:14:56,300

you Wow well yeah but I'm better I took

324

00:14:59,530 --> 00:14:58,100

tylenol and I looked in the mirror and

325

00:15:00,939 --> 00:14:59,540

my doctor says you're well enough to do

326

00:15:03,819 --> 00:15:00,949

the show and I appreciate you coming up

327

00:15:06,460 --> 00:15:03,829

very much I'll be late have arguments

328

00:15:10,600 --> 00:15:06,470

with your doctor right I'm looking in

329

00:15:14,110 --> 00:15:10,610

the mirror and you lose them yeah yeah

330

00:15:17,259 --> 00:15:14,120

yes so for that well you look you look

331

00:15:20,110 --> 00:15:17,269

pretty good for a sick person but anyway

332

00:15:21,819 --> 00:15:20,120

I'm glad you made it and glad you called

333

00:15:23,499 --> 00:15:21,829

in and it's funny when you called in I

334

00:15:27,249 --> 00:15:23,509

heard a voice I said who the heck's at

335

00:15:29,829 --> 00:15:27,259

and my son figured it out so but anyway

336

00:15:31,900 --> 00:15:29,839

can you tell the person that's never

337

00:15:33,790 --> 00:15:31,910

heard you before a little bit about your

338

00:15:37,780 --> 00:15:33,800

background and what got you interested

339

00:15:43,720 --> 00:15:37,790

in the UFO topic sure well

340

00:15:46,000 --> 00:15:43,730

I love the paysage I was born in 1949

341

00:15:47,560 --> 00:15:46,010

and I grew up watching with great

342

00:15:48,310 --> 00:15:47,570

excitement the developments in space

343

00:15:54,360 --> 00:15:48,320

exploration

344

00:16:00,160 --> 00:15:56,860

resting to get to the moon which United

345

00:16:01,930 --> 00:16:00,170

States and of course I was a fan of Star

346

00:16:05,200 --> 00:16:01,940

Trek as so many of the audience was I

347

00:16:06,700 --> 00:16:05,210

remember seeing the first show sort of

348

00:16:09,220 --> 00:16:06,710

midseason it was called the menagerie

349

00:16:10,750 --> 00:16:09,230

and which has significance in terms of

350

00:16:13,660 --> 00:16:10,760

what I'll be talking about a little

351

00:16:19,630 --> 00:16:13,670

later about the mechanisms of contact

352

00:16:21,250 --> 00:16:19,640

and how UFO intelligence is used for

353

00:16:23,740 --> 00:16:21,260

those people who don't recall mystery

354

00:16:28,330 --> 00:16:23,750

act the menagerie was the pilot which

355

00:16:31,420 --> 00:16:28,340

sold the show and focused on Star Trek

356

00:16:33,190 --> 00:16:31,430

team visiting a planet which had aliens

357

00:16:35,320 --> 00:16:33,200

with tremendous psychic ability that

358

00:16:37,810 --> 00:16:35,330

could create illusions sort of a virtual

359

00:16:43,480 --> 00:16:37,820

reality and this theme was later picked

360

00:16:46,750 --> 00:16:43,490

up Oh some thirty year in the

361

00:16:49,090 --> 00:16:46,760

blockbuster tricks but my interest was

362

00:16:50,800 --> 00:16:49,100

not really anything related to UFOs

363

00:16:52,810 --> 00:16:50,810

other than being curious about science

364

00:16:55,510 --> 00:16:52,820

fiction and following the space race I

365

00:16:58,210 --> 00:16:55,520

was a peace and social justice activist

366

00:17:01,210 --> 00:16:58,220

as you mentioned and I tried to

367

00:17:06,510 --> 00:17:01,220

integrate my work as a medical doctor

368

00:17:11,440 --> 00:17:08,650

activities in terms and social justice

369

00:17:13,810 --> 00:17:11,450

movements so I was active with the Farm

370

00:17:15,640 --> 00:17:13,820

Workers Union I helped recruit medical

371

00:17:17,020 --> 00:17:15,650

staff for their clinics and the San

372

00:17:22,810 --> 00:17:17,030

Joaquin Valley when I was a medical

373

00:17:24,640 --> 00:17:22,820

student later on as a young doctor what

374

00:17:26,800 --> 00:17:24,650

was called the occupational health and

375

00:17:29,980 --> 00:17:26,810

safety movement this was a movement to

376

00:17:32,200 --> 00:17:29,990

educate the public and around the

377

00:17:34,810 --> 00:17:32,210

medical hazards of work and an attempt

378

00:17:38,470 --> 00:17:34,820

to make them at workplaces safer place

379

00:17:46,690 --> 00:17:38,480

so oh I didn't really think about UFOs

380

00:17:49,180 --> 00:17:46,700

really at all other than May the 1975

381

00:17:51,380 --> 00:17:49,190

because a program focused on the Betty

382

00:17:53,240 --> 00:17:51,390

and Barney Hill experience

383

00:17:54,680 --> 00:17:53,250

and I also saw the Close Encounters of

384

00:17:59,540 --> 00:17:54,690

the Third Kind like millions of others

385

00:18:02,690 --> 00:17:59,550

people so in nineteen 1990 I embarked

386

00:18:05,510 --> 00:18:02,700

upon a project which involved building a

387

00:18:09,920 --> 00:18:05,520

studio for my wife in our home and Los

388

00:18:11,630 --> 00:18:09,930

Angeles yeah

389

00:18:14,480 --> 00:18:11,640

partner in the Permanente Medical Group

390

00:18:18,230 --> 00:18:14,490

Southern California Kaiser a very large

391

00:18:24,010 --> 00:18:18,240

health organization and we actually yes

392

00:18:25,310 --> 00:18:24,020

thank you so much I was part of there

393

00:18:28,370 --> 00:18:25,320

yes

394

00:18:30,890 --> 00:18:28,380

and so I things weren't going well with

395

00:18:35,000 --> 00:18:30,900

the project the roof was off of her home

396

00:18:37,460 --> 00:18:35,010

it was rainy season it was very wet for

397

00:18:40,010 --> 00:18:37,470

my wife and children who were huddled in

398

00:18:41,420 --> 00:18:40,020

one part of the house that had roof but

399

00:18:47,720 --> 00:18:41,430

the rest of the house was open to the

400

00:18:50,480 --> 00:18:47,730

air and so I went to the local I was

401
00:18:52,940 --> 00:18:50,490
working also a lot of overtime remodel

402
00:18:55,640 --> 00:18:52,950
to build the studio for my wife and I

403
00:18:56,990 --> 00:18:55,650
said I'm so frustrated I'm so I need

404
00:19:00,230 --> 00:18:57,000
something to distract me what do you

405
00:19:06,140 --> 00:19:00,240
have and I thought I don't know UFOs so

406
00:19:08,570 --> 00:19:06,150
they gave me a book the incredible Gulf

407
00:19:11,660 --> 00:19:08,580
Breeze science I think was about Edie

408
00:19:13,970 --> 00:19:11,670
and Frances Walters a couple in Florida

409
00:19:16,310 --> 00:19:13,980
who were in the middle of a major wave

410
00:19:20,630 --> 00:19:16,320
of UFO sightings on the Gulf Coast and

411
00:19:23,570 --> 00:19:20,640
not far from Pensacola Florida and I

412
00:19:26,030 --> 00:19:23,580
read the book I was fascinated I read

413
00:19:31,130 --> 00:19:26,040

another and then another and after about

414

00:19:34,060 --> 00:19:31,140

maybe hey got enough courage to go for

415

00:19:38,390 --> 00:19:34,070

foam meetings it was a UFO Expo West and

416

00:19:40,550 --> 00:19:38,400

there I met a tall bearded doctor who

417

00:19:42,140 --> 00:19:40,560

was also working emergency room as was I

418

00:19:45,080 --> 00:19:42,150

in the time and he said his name was dr.

419

00:19:48,320 --> 00:19:45,090

Steven Greer and he stated that he had

420

00:19:50,780 --> 00:19:48,330

developed a technique of attracting UFOs

421

00:19:52,700 --> 00:19:50,790

secure locations we're using

422

00:19:55,910 --> 00:19:52,710

consciousness techniques basically

423

00:19:57,800 --> 00:19:55,920

telepathy thought projection he claimed

424

00:20:05,000 --> 00:19:57,810

he was able to attract UFOs to these

425

00:20:07,940 --> 00:20:05,010

research sites and Expo West uh

426
00:20:11,450 --> 00:20:07,950
he also showed videos of that encounter

427
00:20:18,409 --> 00:20:11,460
that he had in March of 1992 were not

428
00:20:20,990 --> 00:20:18,419
one not two but three Oh foes which left

429
00:20:23,390 --> 00:20:21,000
with a power ring underneath interacted

430
00:20:25,400 --> 00:20:23,400
with the 40 or so people that dr. Greer

431
00:20:27,799 --> 00:20:25,410
had brought to out into the beach to

432
00:20:30,140 --> 00:20:27,809
interact with him so the videos had a

433
00:20:32,900 --> 00:20:30,150
very dramatic effect on his recruiting

434
00:20:34,310 --> 00:20:32,910
campaign and given the fact that he was

435
00:20:37,100 --> 00:20:34,320
an emergency room doctor and I was

436
00:20:40,700 --> 00:20:37,110
working ER I thought this man is

437
00:20:43,159 --> 00:20:40,710
probably credible and I flew

438
00:20:46,640 --> 00:20:43,169

cross-country and June took one of his

439

00:20:53,030 --> 00:20:46,650

seminars and there on West on the beach

440

00:20:56,330 --> 00:20:53,040

in West Palm Beach on UFO it was a

441

00:20:58,460 --> 00:20:56,340

blue-green light that shot across coming

442

00:21:01,520 --> 00:20:58,470

in from the Atlantic it there was a

443

00:21:02,810 --> 00:21:01,530

cloud cover it was an ominous and that

444

00:21:05,630 --> 00:21:02,820

was totally silent

445

00:21:09,890 --> 00:21:05,640

I had no explanation but dr. Greer said

446

00:21:12,950 --> 00:21:09,900

it was a UFO and I was very impressed so

447

00:21:14,360 --> 00:21:12,960

I decided I would try to be a working

448

00:21:17,750 --> 00:21:14,370

group coordinator although I hadn't

449

00:21:20,799 --> 00:21:17,760

really done very much in terms of

450

00:21:26,150 --> 00:21:20,809

consciousness work although I took I

451
00:21:28,220 --> 00:21:26,160
Silva Maya when I was in medical school

452
00:21:30,650 --> 00:21:28,230
which was a very popular course that

453
00:21:33,320 --> 00:21:30,660
taught people rudimentary size skills

454
00:21:35,840 --> 00:21:33,330
and I practiced the the techniques of

455
00:21:38,180 --> 00:21:35,850
the Silva mind control and to do my to

456
00:21:39,890 --> 00:21:38,190
my delight I found that I could actually

457
00:21:42,320 --> 00:21:39,900
it actually helped me find parking

458
00:21:45,470 --> 00:21:42,330
spaces I was driving around Boston that

459
00:21:47,480 --> 00:21:45,480
was in medical school and I would go

460
00:21:49,789 --> 00:21:47,490
into a very relaxed state as I was

461
00:21:51,860 --> 00:21:49,799
driving around and I would see where the

462
00:21:55,520 --> 00:21:51,870
parking space was in my mind's eye and

463
00:22:01,100 --> 00:21:55,530

most of the time there it was so I had

464

00:22:02,539 --> 00:22:01,110

some back it's certainly not an attempt

465

00:22:04,700 --> 00:22:02,549

to return what we'll call secure and

466

00:22:07,970 --> 00:22:04,710

research sites dr. Greer came out to

467

00:22:10,220 --> 00:22:07,980

California he did a workshop for people

468

00:22:12,919 --> 00:22:10,230

in the San Fernando Valley where I

469

00:22:15,710 --> 00:22:12,929

worked as a Kaiser staff physician and

470

00:22:17,120 --> 00:22:15,720

we started as soon as we started going

471

00:22:18,370 --> 00:22:17,130

out into the field we started having

472

00:22:23,830 --> 00:22:18,380

sightings

473

00:22:26,340 --> 00:22:23,840

the Golden Globes a PPP the point a

474

00:22:29,049 --> 00:22:26,350

light was very close to a strategic

475

00:22:31,600 --> 00:22:29,059

military facility the Department of

476

00:22:37,480 --> 00:22:31,610

Energy site in the Santa Susana Pass

477

00:22:40,840 --> 00:22:37,490

which is at the border of Los Angeles

478

00:22:43,240 --> 00:22:40,850

and a venture and it separates the Santa

479

00:22:46,750 --> 00:22:43,250

Susana Pass is a mountainous region of

480

00:22:49,270 --> 00:22:46,760

high desert that separates separates San

481

00:22:54,039 --> 00:22:49,280

Fernando Valley from Simi Valley and

482

00:22:58,270 --> 00:22:54,049

what I found was that while we were

483

00:23:01,120 --> 00:22:58,280

doing the field work anomalous objects

484

00:23:04,270 --> 00:23:01,130

appeared now there was a long history of

485

00:23:07,510 --> 00:23:04,280

sightings in this area which I was not

486

00:23:12,250 --> 00:23:07,520

aware of at the time the Santa Susana

487

00:23:15,789 --> 00:23:12,260

path option where this department of

488

00:23:18,070 --> 00:23:15,799

energy site was and during the 1950's

489

00:23:20,860 --> 00:23:18,080

according to one of our Kaiser patients

490

00:23:23,500 --> 00:23:20,870

who was a carpenter at the time he was

491

00:23:25,720 --> 00:23:23,510

there working on this defense facility

492

00:23:28,090 --> 00:23:25,730

and he said that for three months back

493

00:23:32,380 --> 00:23:28,100

in the 1950s this Department of Energy's

494

00:23:35,529 --> 00:23:32,390

site was basically they hollowed out

495

00:23:38,830 --> 00:23:35,539

this mountain and for three months dump

496

00:23:46,360 --> 00:23:38,840

trucks three miles long emptied the

497

00:23:48,789 --> 00:23:46,370

mountain the carpenter went down the 15

498

00:23:51,310 --> 00:23:48,799

levels into the mountain where he was

499

00:23:52,840 --> 00:23:51,320

able to work constructing this facility

500

00:23:58,090 --> 00:23:52,850

but he said there was an equal number of

501
00:24:00,460 --> 00:23:58,100
levels for good to the mountain which he

502
00:24:03,640 --> 00:24:00,470
didn't have seek for so perhaps by

503
00:24:05,740 --> 00:24:03,650
chance or maybe a synchronicity we were

504
00:24:09,100 --> 00:24:05,750
guided to this place in the Santa Susana

505
00:24:14,279 --> 00:24:09,110
Pass to do our ce-5 Close Encounters of

506
00:24:19,029 --> 00:24:16,570
there was a long tradition of sightings

507
00:24:23,230 --> 00:24:19,039
at this facility I was not aware of when

508
00:24:26,950 --> 00:24:23,240
I first started working there but we saw

509
00:24:29,950 --> 00:24:26,960
Golden Globes red orbs appeared to go up

510
00:24:31,690 --> 00:24:29,960
and down behind the mountain where we

511
00:24:34,390 --> 00:24:31,700
were working in the past

512
00:24:39,820 --> 00:24:34,400
one night we had some very unusual

513
00:24:42,700 --> 00:24:39,830

lights that signal that the ridge line

514

00:24:45,730 --> 00:24:42,710

in the Santa Susana Pass for the next

515

00:24:47,830 --> 00:24:45,740

five years I led a team of contact

516

00:24:51,820 --> 00:24:47,840

activists I call them or contact workers

517

00:24:53,800 --> 00:24:51,830

these are people who are trained in

518

00:24:56,050 --> 00:24:53,810

rudimentary side techniques meditation

519

00:24:58,920 --> 00:24:56,060

thought projection and we would go out

520

00:25:01,060 --> 00:24:58,930

into the field and two hours delight

521

00:25:07,750 --> 00:25:01,070

UFOs would show up where there was

522

00:25:10,150 --> 00:25:07,760

limited signaling chain powerful lights

523

00:25:12,820 --> 00:25:10,160

back and forth between us and what were

524

00:25:17,500 --> 00:25:12,830

the UFOs so this is this is the the

525

00:25:21,100 --> 00:25:17,510

process that got me started and I was

526

00:25:25,300 --> 00:25:21,110

doing that work for five years and had

527

00:25:29,230 --> 00:25:25,310

many encounters with what are called now

528

00:25:32,620 --> 00:25:29,240

you ApS or UFOs or flying saucers that's

529

00:25:34,660 --> 00:25:32,630

how I got started in the work I say you

530

00:25:37,510 --> 00:25:34,670

know what I'm going to have to do here

531

00:25:40,840 --> 00:25:37,520

is why don't you send me over a text

532

00:25:42,250 --> 00:25:40,850

with your phone number or actually why

533

00:25:43,570 --> 00:25:42,260

don't you write this down and you just

534

00:25:47,020 --> 00:25:43,580

give me a call back on your phone

535

00:25:49,210 --> 00:25:47,030

because we're having Skype issues your

536

00:25:52,300 --> 00:25:49,220

skype is cutting in and out and the

537

00:25:53,950 --> 00:25:52,310

audio is not working so I'm sure you got

538

00:25:58,450 --> 00:25:53,960

to hear you laugh write down the noise

539

00:26:01,320 --> 00:25:58,460

be clear so let me write this down

540

00:26:07,630 --> 00:26:01,330

go ahead what's your number six oh three

541

00:26:09,730 --> 00:26:07,640

nine six seven four OH three oh and I

542

00:26:10,930 --> 00:26:09,740

didn't we have another break coming up

543

00:26:14,560 --> 00:26:10,940

but I didn't want to wait till the break

544

00:26:18,130 --> 00:26:14,570

I just thought okay six oh nine six

545

00:26:20,290 --> 00:26:18,140

seven four oh three oh yeah alright give

546

00:26:21,870 --> 00:26:20,300

me a call back if you would I shadow

547

00:26:24,820 --> 00:26:21,880

right away thank you

548

00:26:26,620 --> 00:26:24,830

all right so hang in there everyone he

549

00:26:29,170 --> 00:26:26,630

is going to call back we're gonna get

550

00:26:37,300 --> 00:26:29,180

them in an audio we're obviously going

551
00:26:39,700 --> 00:26:37,310
to have to change change the we don't

552
00:26:43,950 --> 00:26:39,710
have an image yet so just hang in there

553
00:26:43,960 --> 00:26:51,090
and should be calling in any second

554
00:26:56,940 --> 00:26:53,400
sometimes life doesn't work all that

555
00:26:59,160 --> 00:26:56,950
well and you know someday sometimes I

556
00:27:04,620 --> 00:26:59,170
wish I went back to the name of my show

557
00:27:08,160 --> 00:27:04,630
which is podcast UFO but that's just the

558
00:27:10,950 --> 00:27:08,170
case he's not calling in

559
00:27:14,220 --> 00:27:10,960
I heard him repeat the number I'm not

560
00:27:21,900 --> 00:27:14,230
getting a call yet so I'll wait for a

561
00:27:23,880 --> 00:27:21,910
while and if up here he comes and nope

562
00:27:25,770 --> 00:27:23,890
that's not gonna work yes can you hear

563
00:27:27,600 --> 00:27:25,780

me yeah it's not working up you're gonna

564

00:27:33,090 --> 00:27:27,610

happen I'm gonna have to call you back

565

00:27:37,200 --> 00:27:33,100

hang on I'll call you back so I just I

566

00:27:40,680 --> 00:27:37,210

know I just cut out race over there at

567

00:27:43,110 --> 00:27:40,690

kgr radio and I apologize for that race

568

00:27:50,070 --> 00:27:43,120

since you talked before you might as

569

00:27:53,820 --> 00:27:50,080

well talk now in the audio clear hearing

570

00:28:08,600 --> 00:27:53,830

yeah all right so just hang anyone I'm

571

00:28:15,149 --> 00:28:12,509

right again just hanging everyone I just

572

00:28:18,210 --> 00:28:15,159

have to make this all work and again I

573

00:28:24,299 --> 00:28:18,220

apologize everyone for all the issues we

574

00:28:25,230 --> 00:28:24,309

are having today just trying to get back

575

00:28:37,360 --> 00:28:25,240

to the main page

576

00:28:50,240 --> 00:28:42,020

I

577

00:28:52,370 --> 00:28:50,250

can you see me yeah but it's still not

578

00:28:55,430 --> 00:28:52,380

working we gotta I gotta try to give you

579

00:28:59,030 --> 00:28:55,440

a ring it's just not gonna work I get

580

00:29:01,480 --> 00:28:59,040

just heard it just hurt a clip so yeah

581

00:29:05,240 --> 00:29:01,490

let me just

582

00:29:08,110 --> 00:29:05,250

it's the wireless that does it yeah yeah

583

00:29:13,400 --> 00:29:08,120

sorry race so hang in there were sinners

584

00:29:18,160 --> 00:29:13,410

I'm going to dial the number and let me

585

00:29:27,440 --> 00:29:22,610

okay and I wish I wish I could tone out

586

00:29:45,350 --> 00:29:27,450

this number but I don't have a way to do

587

00:29:48,920 --> 00:29:45,360

that hello hello is that we got you on

588

00:29:51,530 --> 00:29:48,930

the phone not yet I'm I'm still back on

589

00:29:55,250 --> 00:29:51,540

Skype is this a better connection it

590

00:29:57,740 --> 00:29:55,260

sounds better so far yeah I'm very close

591

00:29:58,400 --> 00:29:57,750

to the modem okay yeah it sounds let's

592

00:30:01,640 --> 00:29:58,410

go with this

593

00:30:03,200 --> 00:30:01,650

and again listeners thank you so much

594

00:30:07,700 --> 00:30:03,210

for being patient we're gonna give this

595

00:30:08,860 --> 00:30:07,710

a try and that's better it sounds better

596

00:30:12,320 --> 00:30:08,870

so far

597

00:30:13,970 --> 00:30:12,330

25 seconds to bobber Oh okay so we're

598

00:30:16,310 --> 00:30:13,980

gonna go to a break anyway

599

00:30:18,140 --> 00:30:16,320

perfect timing so hang in there and

600

00:30:21,350 --> 00:30:18,150

we'll be talking during the break so

601
00:30:24,680 --> 00:30:21,360
just hang in there so I want to know

602
00:30:27,350 --> 00:30:24,690
already in the break Martin got it okay

603
00:30:32,330 --> 00:30:27,360
so we're coming back from the break now

604
00:30:34,970 --> 00:30:32,340
I had to go to a break wouldn't win the

605
00:30:42,380 --> 00:30:34,980
connection done I got it I got it it was

606
00:30:47,560 --> 00:30:42,390
pure dead air so alright just count me

607
00:30:47,570 --> 00:30:55,270
okay here we go in five four three

608
00:31:00,290 --> 00:30:59,570
all righty 1 welcome back and 2 kg are a

609
00:31:02,810 --> 00:31:00,300
radio

610
00:31:06,920 --> 00:31:02,820
my guest is Joseph Burks hopefully we've

611
00:31:08,930 --> 00:31:06,930
got the audio issue worked out he's

612
00:31:11,900 --> 00:31:08,940
right he's on top of his modem he says

613
00:31:15,320 --> 00:31:11,910

and so that should work better why don't

614

00:31:21,950 --> 00:31:15,330

you why don't you I think you're just

615

00:31:23,690 --> 00:31:21,960

about done wrapping up so one thing I

616

00:31:28,460 --> 00:31:23,700

have to tell you I've I've been pretty

617

00:31:33,850 --> 00:31:28,470

cruel talking about Greer over the years

618

00:31:37,880 --> 00:31:33,860

and I've had to do say cool or cruel oh

619

00:31:40,160 --> 00:31:37,890

I've been cruel and that's just because

620

00:31:43,130 --> 00:31:40,170

um I think he's taken a lot of it he's

621

00:31:45,110 --> 00:31:43,140

taken advantage of people and he's one

622

00:31:47,510 --> 00:31:45,120

of these people and I think I think he's

623

00:31:49,250 --> 00:31:47,520

pretty fringy and I understand you both

624

00:31:52,070 --> 00:31:49,260

are medical doctors and I understand the

625

00:31:55,970 --> 00:31:52,080

connection there and it's just my

626
00:31:57,740 --> 00:31:55,980
opinion my opinion is that I understand

627
00:31:59,360 --> 00:31:57,750
he could make a lot of money as a I

628
00:32:02,210 --> 00:31:59,370
believe he was a surgeon maybe perhaps

629
00:32:04,730 --> 00:32:02,220
but I can't remember he was a trauma

630
00:32:06,620 --> 00:32:04,740
surgeon he was an ER doctor who did

631
00:32:08,900 --> 00:32:06,630
medical procedures and surgical

632
00:32:10,970 --> 00:32:08,910
procedures in the year now we'll say at

633
00:32:13,940 --> 00:32:10,980
the beginning I thought he did some

634
00:32:19,430 --> 00:32:13,950
wonderful work but I think he went off

635
00:32:22,190 --> 00:32:19,440
the rails and I don't believe in his

636
00:32:24,680 --> 00:32:22,200
work I don't think he's so I don't think

637
00:32:26,840 --> 00:32:24,690
he's good for the UFO field and if we

638
00:32:30,170 --> 00:32:26,850

could we could spend the rest of our

639

00:32:34,480 --> 00:32:30,180

show doing a detailed analysis of a

640

00:32:38,690 --> 00:32:34,490

Steven Greer MD because I got to see him

641

00:32:42,560 --> 00:32:38,700

one year after he was recruited by naval

642

00:32:48,410 --> 00:32:42,570

intelligence and when I was working with

643

00:32:52,970 --> 00:32:48,420

him the name Ron Pandolfi and Dan Smith

644

00:32:55,690 --> 00:32:52,980

were household terms so I could I could

645

00:32:58,790 --> 00:32:55,700

tell you this story how it came down

646

00:33:01,580 --> 00:32:58,800

it's never been shared publicly before

647

00:33:04,100 --> 00:33:01,590

well though in terms of radio show

648

00:33:07,310 --> 00:33:04,110

although I have written about it in on

649

00:33:10,970 --> 00:33:07,320

my Facebook page all right sure

650

00:33:12,590 --> 00:33:10,980

opened here so he he he claims that he

651

00:33:15,740 --> 00:33:12,600

was in Naval Intelligence

652

00:33:20,720 --> 00:33:15,750

he was he wasn't claimed he told me that

653

00:33:24,740 --> 00:33:20,730

in 1991 after he had a number of

654

00:33:27,620 --> 00:33:24,750

sightings in full uniform a gentleman by

655

00:33:30,080 --> 00:33:27,630

the name of commander will Miller came

656

00:33:32,600 --> 00:33:30,090

to his home and offered to assist him in

657

00:33:35,300 --> 00:33:32,610

the sea SETI project I got to meet

658

00:33:39,410 --> 00:33:35,310

commander will Miller in 1995 at the

659

00:33:42,470 --> 00:33:39,420

Grier home and then again in 1997 where

660

00:33:45,530 --> 00:33:42,480

I met Edgar Mitchell who was also part

661

00:33:48,290 --> 00:33:45,540

of dr. Greer's one of a better term

662

00:33:51,620 --> 00:33:48,300

entourage after behind closed door

663

00:33:54,260 --> 00:33:51,630

briefings that were held in 1997 spring

664

00:33:58,010 --> 00:33:54,270

in Washington DC were a number of

665

00:34:03,760 --> 00:33:58,020

Congress people and their staff showed

666

00:34:06,710 --> 00:34:03,770

up to be briefed on the UFO subject but

667

00:34:09,800 --> 00:34:06,720

in my interest was primarily in the

668

00:34:14,330 --> 00:34:09,810

contact aspect of the work and so for

669

00:34:16,940 --> 00:34:14,340

five years that was my main activity a

670

00:34:18,650 --> 00:34:16,950

project starlight which was then became

671

00:34:21,590 --> 00:34:18,660

the disclosure project was something

672

00:34:25,270 --> 00:34:21,600

that I was supportive of but I really

673

00:34:28,700 --> 00:34:25,280

didn't have much to do with except

674

00:34:32,420 --> 00:34:28,710

participate in a few meetings one of

675

00:34:34,040 --> 00:34:32,430

which was in Washington DC I think if

676
00:34:36,340 --> 00:34:34,050
you want to understand dr. Steven Greer

677
00:34:39,740 --> 00:34:36,350
you have to understand that the best

678
00:34:42,320 --> 00:34:39,750
paradigms to follow the UFO subject is

679
00:34:45,560 --> 00:34:42,330
not a scientific one it's a

680
00:34:48,590 --> 00:34:45,570
counterintelligence one are you familiar

681
00:34:52,130 --> 00:34:48,600
with counterintelligence operations

682
00:34:55,040 --> 00:34:52,140
correct not not exactly I couldn't name

683
00:35:00,170 --> 00:34:55,050
any particular counter incidents

684
00:35:03,470 --> 00:35:00,180
operation does the name sergeant Dottie

685
00:35:03,800 --> 00:35:03,480
ring a bell oh yeah Richard Doty Richard

686
00:35:08,300 --> 00:35:03,810
Doty

687
00:35:10,520 --> 00:35:08,310
yes mr. Elizondo that he's very

688
00:35:13,130 --> 00:35:10,530

prominent now I wouldn't call him a

689

00:35:15,320 --> 00:35:13,140

counterintelligence and what's your

690

00:35:17,750 --> 00:35:15,330

reasoning for that it was a DIA

691

00:35:20,930 --> 00:35:17,760

counterintelligence officer and that's

692

00:35:24,230 --> 00:35:20,940

his CV he worked in that few

693

00:35:27,020 --> 00:35:24,240

for many years I think that saying I

694

00:35:30,140 --> 00:35:27,030

thought you meant now he is one well I

695

00:35:31,910 --> 00:35:30,150

suspect he is as well but there's no not

696

00:35:37,960 --> 00:35:31,920

a problem with that you have to

697

00:35:41,630 --> 00:35:37,970

understand from that the UFO phenomena

698

00:35:46,490 --> 00:35:41,640

threatens all terrestrial elites on this

699

00:35:48,380 --> 00:35:46,500

planet if you're a military man and you

700

00:35:50,420 --> 00:35:48,390

have you're confronted with hardware

701
00:35:52,760 --> 00:35:50,430
that can fly circles around your best

702
00:35:56,390 --> 00:35:52,770
performance aircraft you're going to

703
00:35:58,790 --> 00:35:56,400
naturally perceive this as a threat if

704
00:36:01,579 --> 00:35:58,800
UFOs are showing up repeatedly over

705
00:36:03,620 --> 00:36:01,589
nuclear facilities and on occasion

706
00:36:07,010 --> 00:36:03,630
interacting with them and interfering

707
00:36:09,140 --> 00:36:07,020
with their function damaging them in

708
00:36:13,250 --> 00:36:09,150
some way this is a counterintelligence

709
00:36:15,829 --> 00:36:13,260
problem this is not rocket science it's

710
00:36:17,870 --> 00:36:15,839
just simple way that the United States

711
00:36:21,589 --> 00:36:17,880
is going to defend its most prized

712
00:36:25,099 --> 00:36:21,599
possessions nuclear weapons and the most

713
00:36:30,400 --> 00:36:25,109

dangerous possessions at that if this

714

00:36:34,790 --> 00:36:30,410

phenomena is not only psychic but also

715

00:36:38,059 --> 00:36:34,800

technological then it's clear that what

716

00:36:39,770 --> 00:36:38,069

we call UFOs are highly advanced in

717

00:36:43,460 --> 00:36:39,780

terms of their propulsion systems and

718

00:36:47,630 --> 00:36:43,470

they are not they are not flying on

719

00:36:52,190 --> 00:36:47,640

fossil fuels so people like to say that

720

00:36:54,200 --> 00:36:52,200

oh if we had free energy of UFOs what

721

00:36:57,200 --> 00:36:54,210

wonderful things we would be able to do

722

00:37:02,079 --> 00:36:57,210

well let me tell you the application of

723

00:37:05,900 --> 00:37:02,089

all advanced technology here on earth is

724

00:37:08,870 --> 00:37:05,910

usually weapons first so here again you

725

00:37:11,720 --> 00:37:08,880

have another defense aspect if the

726

00:37:14,450 --> 00:37:11,730

United States can work by

727

00:37:16,910 --> 00:37:14,460

back-engineering down to ET craft and

728

00:37:20,480 --> 00:37:16,920

discover the basis of their propulsion

729

00:37:23,540 --> 00:37:20,490

systems not only would they be able to

730

00:37:26,510 --> 00:37:23,550

be used as weapons but we could use them

731

00:37:29,030 --> 00:37:26,520

to deter any other enemy of the United

732

00:37:31,970 --> 00:37:29,040

States that had developed similar

733

00:37:34,040 --> 00:37:31,980

capabilities are you following me now in

734

00:37:34,640 --> 00:37:34,050

terms of the counterintelligence aspects

735

00:37:40,030 --> 00:37:34,650

of the UFO

736

00:37:44,030 --> 00:37:40,040

phenomenon yeah yeah mm-hmm in addition

737

00:37:48,650 --> 00:37:44,040

the largest industry on this planet is

738

00:37:51,530 --> 00:37:48,660

the petrochemical industry and if free

739

00:37:53,120 --> 00:37:51,540

energy were suddenly handed to us not

740

00:37:55,280 --> 00:37:53,130

only would it likely be used as weapons

741

00:37:58,160 --> 00:37:55,290

but it also would lead to a global

742

00:38:00,050 --> 00:37:58,170

economic crisis because of the millions

743

00:38:03,020 --> 00:38:00,060

of people who are employed in fossil

744

00:38:06,230 --> 00:38:03,030

industry all of a sudden would be out of

745

00:38:09,350 --> 00:38:06,240

work the corporations that control the

746

00:38:13,760 --> 00:38:09,360

the industry would be out of profits it

747

00:38:16,520 --> 00:38:13,770

would create a series of crises you see

748

00:38:18,620 --> 00:38:16,530

that this issue is not only

749

00:38:20,600 --> 00:38:18,630

counterintelligence oriented but it's

750

00:38:22,280 --> 00:38:20,610

also a threat to some of the most

751

00:38:28,220 --> 00:38:22,290

powerful economic interests on the

752

00:38:31,270 --> 00:38:28,230

planet and then you have politicians the

753

00:38:33,890 --> 00:38:31,280

United States is one of many nations

754

00:38:37,370 --> 00:38:33,900

however the message of the so-called

755

00:38:39,410 --> 00:38:37,380

aliens is in some way similar to the

756

00:38:42,230 --> 00:38:39,420

message that our astronauts had when

757

00:38:44,090 --> 00:38:42,240

they look down on earth you know when

758

00:38:47,870 --> 00:38:44,100

you fly over the earth and a space

759

00:38:49,730 --> 00:38:47,880

capsule you don't you don't see dividing

760

00:38:52,520 --> 00:38:49,740

lines between Canada and the United

761

00:38:54,470 --> 00:38:52,530

States nor do you see them anywhere else

762

00:38:59,390 --> 00:38:54,480

there are no boundaries there are no

763

00:39:02,990 --> 00:38:59,400

right order and so that we are one

764

00:39:06,470 --> 00:39:03,000

planet and one people is going to get

765

00:39:07,720 --> 00:39:06,480

very popular if people on this planet

766

00:39:10,730 --> 00:39:07,730

realized that there are

767

00:39:13,580 --> 00:39:10,740

extraterrestrials advanced civilizations

768

00:39:16,040 --> 00:39:13,590

contacting the other planet and what is

769

00:39:19,220 --> 00:39:16,050

going to happen to the national

770

00:39:21,050 --> 00:39:19,230

politicians who base their power on

771

00:39:23,630 --> 00:39:21,060

defending their country from other

772

00:39:25,430 --> 00:39:23,640

countries and all of a sudden everyone

773

00:39:29,180 --> 00:39:25,440

is saying we're one planet one people

774

00:39:31,580 --> 00:39:29,190

and there'll be a even greater push to

775

00:39:33,620 --> 00:39:31,590

have integration not only economically

776

00:39:36,110 --> 00:39:33,630

which we now have with the world market

777

00:39:38,510 --> 00:39:36,120

where you buy cars that are made parts

778

00:39:40,310 --> 00:39:38,520

are made in ten different countries but

779

00:39:44,560 --> 00:39:40,320

one planet one people in terms of

780

00:39:46,460 --> 00:39:44,570

political identification so politicians

781

00:39:48,529 --> 00:39:46,470

understandably might be threatened in

782

00:39:51,370 --> 00:39:48,539

that kind of environment and then

783

00:39:55,699 --> 00:39:51,380

have the religious aspects which are

784

00:39:58,459 --> 00:39:55,709

considerable because some people believe

785

00:40:01,489 --> 00:39:58,469

if you watch ancient aliens they

786

00:40:03,620 --> 00:40:01,499

certainly promote the notion that this

787

00:40:08,569 --> 00:40:03,630

is not a recent phenomena but an ancient

788

00:40:12,620 --> 00:40:08,579

one and people are going to ask Oh what

789

00:40:15,469 --> 00:40:12,630

if the great wisdom traditions are a

790

00:40:18,370 --> 00:40:15,479

planet that we call religion Islam

791

00:40:22,279 --> 00:40:18,380

Judaism Christianity that many of their

792

00:40:26,959 --> 00:40:22,289

saints or messengers of God like

793

00:40:30,229 --> 00:40:26,969

Muhammad or Jesus or Moses were in fact

794

00:40:33,529 --> 00:40:30,239

contactees and this is something that

795

00:40:36,079 --> 00:40:33,539

Jacque Valais has to discussed it's a

796

00:40:37,519 --> 00:40:36,089

very controversial subject and I I bring

797

00:40:39,140 --> 00:40:37,529

it out but I don't want to dwell on it

798

00:40:43,429 --> 00:40:39,150

because we're sort of playing with fire

799

00:40:46,069 --> 00:40:43,439

here because our the social glue that

800

00:40:50,299 --> 00:40:46,079

holds our civilization together in terms

801
00:40:54,679 --> 00:40:50,309
of our ethics our morality our legal

802
00:40:57,890 --> 00:40:54,689
traditions are based on traditions that

803
00:40:59,449 --> 00:40:57,900
came out of wisdom traditions we're

804
00:41:01,339 --> 00:40:59,459
talking about the major religions of our

805
00:41:03,259 --> 00:41:01,349
planet are you getting any of this are

806
00:41:05,209 --> 00:41:03,269
we we have a good connection oh you know

807
00:41:07,849 --> 00:41:05,219
no yeah we're I can hear you good you're

808
00:41:10,249 --> 00:41:07,859
doing doing good just try to keep your

809
00:41:12,829 --> 00:41:10,259
computer still that would be good if you

810
00:41:15,739 --> 00:41:12,839
could remember to do that sure okay I'll

811
00:41:18,679 --> 00:41:15,749
let I can move it to another platform

812
00:41:22,479 --> 00:41:18,689
okay I don't want anything up that's

813
00:41:25,819 --> 00:41:22,489

working out I'll just stop moving yeah

814

00:41:28,189 --> 00:41:25,829

however you know as far as it as far as

815

00:41:30,079 --> 00:41:28,199

the politics go I get what you're saying

816

00:41:32,299 --> 00:41:30,089

you know it's kind of like what Reagan

817

00:41:34,099 --> 00:41:32,309

used to say a number of times you know

818

00:41:35,719 --> 00:41:34,109

like if we were ever attacked from an

819

00:41:37,189 --> 00:41:35,729

alien world

820

00:41:39,049 --> 00:41:37,199

you know we would all joined together

821

00:41:42,439 --> 00:41:39,059

and it really you know there really is

822

00:41:44,359 --> 00:41:42,449

something to that you know it's we would

823

00:41:47,029 --> 00:41:44,369

come I think we would come together more

824

00:41:51,079 --> 00:41:47,039

as applying it instead of divided lines

825

00:41:53,359 --> 00:41:51,089

that that we fight so hard for and lose

826

00:41:56,959 --> 00:41:53,369

so many lives for you know so many wars

827

00:41:59,239 --> 00:41:56,969

going on about territory and and also

828

00:42:01,890 --> 00:41:59,249

about when you go back to the free

829

00:42:04,890 --> 00:42:01,900

energy you

830

00:42:06,960 --> 00:42:04,900

would have to be a very slow transition

831

00:42:10,380 --> 00:42:06,970

if it was a major you know quick

832

00:42:12,540 --> 00:42:10,390

transition to free energy i right there

833

00:42:15,570 --> 00:42:12,550

would be a definite market crash right

834

00:42:17,970 --> 00:42:15,580

off the bat first and you know there's

835

00:42:20,870 --> 00:42:17,980

plenty of people making billions of

836

00:42:24,480 --> 00:42:20,880

dollars that would fight tooth and nail

837

00:42:26,970 --> 00:42:24,490

life or death to you know continue that

838

00:42:29,280 --> 00:42:26,980

that way of living so yeah there would

839

00:42:31,140 --> 00:42:29,290

have to be a you know someday some type

840

00:42:33,570 --> 00:42:31,150

of energy whether it's free energy but

841

00:42:35,730 --> 00:42:33,580

we have to do something you know we are

842

00:42:38,280 --> 00:42:35,740

addicted to fossil fuel and you know we

843

00:42:40,200 --> 00:42:38,290

have to you know I know this subject is

844

00:42:42,930 --> 00:42:40,210

we're supposed to be talking about UFOs

845

00:42:44,790 --> 00:42:42,940

but I get where you were going if they

846

00:42:48,030 --> 00:42:44,800

have a technology that we can figure out

847

00:42:49,620 --> 00:42:48,040

and perhaps they don't perhaps they have

848

00:42:53,310 --> 00:42:49,630

a way of harnessing something that we

849

00:42:56,750 --> 00:42:53,320

don't we haven't understood yet and that

850

00:42:59,670 --> 00:42:56,760

we may or may not be able to replicate

851

00:43:02,400 --> 00:42:59,680

that that is correct these are they're

852

00:43:05,970 --> 00:43:02,410

great mysteries involved but I think if

853

00:43:08,130 --> 00:43:05,980

the Roswell crash is not just let legend

854

00:43:10,650 --> 00:43:08,140

or myth but the witnesses accurately

855

00:43:14,540 --> 00:43:10,660

described what happened over seven years

856

00:43:16,800 --> 00:43:14,550

ago there's been a long time for

857

00:43:18,930 --> 00:43:16,810

American scientists and perhaps from

858

00:43:21,740 --> 00:43:18,940

other nations as well to study many

859

00:43:23,940 --> 00:43:21,750

aspects of the flying saucer technology

860

00:43:28,770 --> 00:43:23,950

nobody knows how far along they've

861

00:43:30,630 --> 00:43:28,780

gotten but sudden as I agree with you

862

00:43:32,880 --> 00:43:30,640

suddenly integrating such technologies

863

00:43:36,360 --> 00:43:32,890

into our technological culture could

864

00:43:39,930 --> 00:43:36,370

have disastrous consequences so with

865

00:43:42,360 --> 00:43:39,940

that with with that analysis that this

866

00:43:44,520 --> 00:43:42,370

from from my point of view as a peace

867

00:43:48,180 --> 00:43:44,530

and social justice activist is one who

868

00:43:52,020 --> 00:43:48,190

has been involved with working around

869

00:43:53,220 --> 00:43:52,030

issues of world peace and I was a member

870

00:43:55,380 --> 00:43:53,230

of physicians for Social Responsibility

871

00:43:57,120 --> 00:43:55,390

which was part of the international

872

00:44:00,920 --> 00:43:57,130

physicians for the Prevention of nuclear

873

00:44:05,700 --> 00:44:00,930

war that won the Nobel Prize in 1985 I

874

00:44:09,090 --> 00:44:05,710

see the UFO problem through the blinders

875

00:44:12,090 --> 00:44:09,100

perhaps or at least the the prism of

876
00:44:15,420 --> 00:44:12,100
being someone who is very interested in

877
00:44:15,690 --> 00:44:15,430
having good relations not only here on

878
00:44:20,670 --> 00:44:15,700
earth

879
00:44:22,829 --> 00:44:20,680
extraterrestrials are here you try to

880
00:44:25,079 --> 00:44:22,839
reach out and extend a hand of

881
00:44:27,540 --> 00:44:25,089
friendship to them as well and this is

882
00:44:30,450 --> 00:44:27,550
why I found dr. Greer's a initial

883
00:44:34,290 --> 00:44:30,460
message of the ce-5 initiative very

884
00:44:36,530 --> 00:44:34,300
attractive sure enough as I tried to say

885
00:44:39,210 --> 00:44:36,540
earlier when we had technical problems

886
00:44:42,030 --> 00:44:39,220
my contact team went into operation in

887
00:44:44,250 --> 00:44:42,040
1992 and right off the bat we had

888
00:44:46,440 --> 00:44:44,260

sightings of anomalous structured

889

00:44:48,870 --> 00:44:46,450

objects that at least fulfilled our

890

00:44:52,710 --> 00:44:48,880

definition of UFOs and on several

891

00:44:54,900 --> 00:44:52,720

occasions for example in Mexico in 1993

892

00:44:57,240 --> 00:44:54,910

when I was there at the base of puppet

893

00:44:59,880 --> 00:44:57,250

of Capitol volcano with four other

894

00:45:01,980 --> 00:44:59,890

researchers including dr. Greer a UFO

895

00:45:04,770 --> 00:45:01,990

the size of a city block blocked out

896

00:45:07,890 --> 00:45:04,780

this came out of behind the volcano and

897

00:45:10,140 --> 00:45:07,900

this was 100 miles to the east of Mexico

898

00:45:13,859 --> 00:45:10,150

City in the volcanic zone massive

899

00:45:16,290 --> 00:45:13,869

volcanoes UFO that we saw that night and

900

00:45:19,829 --> 00:45:16,300

signaled at us was several hundred feet

901
00:45:22,170 --> 00:45:19,839
across it blacked out the stores sky as

902
00:45:25,430 --> 00:45:22,180
it moved you could not see stars behind

903
00:45:28,079 --> 00:45:25,440
it was a solid object and I can tell you

904
00:45:31,609 --> 00:45:28,089
it was not the Mexican Air Force on

905
00:45:34,349 --> 00:45:31,619
maneuvers so I was very enthusiastic

906
00:45:37,230 --> 00:45:34,359
initially however things did not always

907
00:45:39,240 --> 00:45:37,240
go as we had planned and we had a number

908
00:45:43,470 --> 00:45:39,250
of problems which I can get into that

909
00:45:45,930 --> 00:45:43,480
were both but based on in terms of the

910
00:45:47,160 --> 00:45:45,940
limitations of our teams as well as the

911
00:45:48,990 --> 00:45:47,170
fact that our teams were under

912
00:45:50,910 --> 00:45:49,000
considerable surveillance and that

913
00:45:53,640 --> 00:45:50,920

mainly had to do with dr. Greer's

914

00:45:57,120 --> 00:45:53,650

relationship with the the intelligence

915

00:45:58,829 --> 00:45:57,130

community so you're you're totally

916

00:46:01,309 --> 00:45:58,839

convinced that he actually has a

917

00:46:05,430 --> 00:46:01,319

connection to the intelligence community

918

00:46:08,880 --> 00:46:05,440

still oh I I met I met the head of the

919

00:46:12,750 --> 00:46:08,890

Arlington Institute a man by the name of

920

00:46:15,990 --> 00:46:12,760

John Peterson who was part of dr. Greer

921

00:46:19,079 --> 00:46:16,000

entourage in 1992 they were as thick as

922

00:46:22,319 --> 00:46:19,089

thieves he was the man a friend and a

923

00:46:24,599 --> 00:46:22,329

personal friend of CIA director Woolsey

924

00:46:26,760 --> 00:46:24,609

who set up what dr. Greer called

925

00:46:28,650 --> 00:46:26,770

briefing but really was not a briefing

926

00:46:30,370 --> 00:46:28,660

it was a meeting that went on for two

927

00:46:33,880 --> 00:46:30,380

and a half hour

928

00:46:40,150 --> 00:46:33,890

yeah I I was very much aware that dr.

929

00:46:44,589 --> 00:46:40,160

Greer like Tom DeLonge and before dr.

930

00:46:47,260 --> 00:46:44,599

Greer like um Bill Moore were working

931

00:46:49,420 --> 00:46:47,270

with insiders as part of what Grant

932

00:46:52,990 --> 00:46:49,430

Cameron calls a gradual acclamation

933

00:46:55,900 --> 00:46:53,000

program to alert the public to the

934

00:46:58,660 --> 00:46:55,910

reality of UFOs I highly recommend grant

935

00:47:00,910 --> 00:46:58,670

Cameron's book I have to say that I was

936

00:47:02,940 --> 00:47:00,920

very confused about what was going on

937

00:47:06,280 --> 00:47:02,950

with C SETI in terms of the early years

938

00:47:08,349 --> 00:47:06,290

because given my background in peace and

939

00:47:10,870 --> 00:47:08,359

social justice I looked with great

940

00:47:13,930 --> 00:47:10,880

suspicion at his contacts within the

941

00:47:22,180 --> 00:47:13,940

intelligence community when I met John

942

00:47:26,140 --> 00:47:22,190

Peterson in 1990 1992 he talked about

943

00:47:28,980 --> 00:47:26,150

his job as a Navy aviator an elite

944

00:47:32,710 --> 00:47:28,990

airman who was based in the Tonkin Bay

945

00:47:35,559 --> 00:47:32,720

and his job was to support American

946

00:47:38,640 --> 00:47:35,569

fighting men and women against the Viet

947

00:47:40,960 --> 00:47:38,650

Cong and the North Vietnamese regulars

948

00:47:43,359 --> 00:47:40,970

but as a peace and social justice

949

00:47:45,430 --> 00:47:43,369

activist I was very much aware of the

950

00:47:48,040 --> 00:47:45,440

tremendous cost the bombing campaign

951
00:47:49,859 --> 00:47:48,050
against Vietnam had in terms of hundreds

952
00:47:53,920 --> 00:47:49,869
of thousands of people being killed

953
00:47:55,720 --> 00:47:53,930
civilians so I I did not appreciate dr.

954
00:47:58,300 --> 00:47:55,730
Greer's connection with many of these

955
00:48:02,260 --> 00:47:58,310
people and that that contributed in part

956
00:48:05,380 --> 00:48:02,270
am i leaving he said he in 1998 after

957
00:48:07,120 --> 00:48:05,390
working with him for five years so

958
00:48:10,000 --> 00:48:07,130
you're not a part of that anymore at

959
00:48:13,420 --> 00:48:10,010
this point spoken to dr. Greer in 20

960
00:48:16,480 --> 00:48:13,430
years I support his early work in terms

961
00:48:19,270 --> 00:48:16,490
of the cv5 initiative however other

962
00:48:21,700 --> 00:48:19,280
developments have occurred which have to

963
00:48:24,280 --> 00:48:21,710

do with his role in this with Grant

964

00:48:26,829 --> 00:48:24,290

Cameron calls acclimatization program or

965

00:48:29,410 --> 00:48:26,839

acclimation program there are aspects of

966

00:48:32,190 --> 00:48:29,420

that work which involved release of

967

00:48:37,990 --> 00:48:32,200

disinformation and that I don't like

968

00:48:39,609 --> 00:48:38,000

it's not it's not an easy thing to

969

00:48:42,730 --> 00:48:39,619

accept that the person that you had

970

00:48:45,100 --> 00:48:42,740

great confidence in for many years

971

00:48:50,109 --> 00:48:45,110

is putting out information that's you

972

00:48:54,130 --> 00:48:50,119

know obviously I'm sure yeah

973

00:48:57,340 --> 00:48:54,140

well that's interesting and you know I I

974

00:48:59,650 --> 00:48:57,350

well I have watched his film said he's

975

00:49:00,850 --> 00:48:59,660

tried to make and you know and I don't

976

00:49:03,820 --> 00:49:00,860

know if this is true or not but I

977

00:49:09,640 --> 00:49:03,830

understand that he's still he still

978

00:49:12,970 --> 00:49:09,650

believes in the Atacama you know I don't

979

00:49:15,040 --> 00:49:12,980

want to say that being that was found in

980

00:49:17,590 --> 00:49:15,050

the Atacama Desert he still believes

981

00:49:19,690 --> 00:49:17,600

that is basically alien as far as I know

982

00:49:22,180 --> 00:49:19,700

maybe he doesn't believe it but I think

983

00:49:24,880 --> 00:49:22,190

that's what's that's what I'm hearing

984

00:49:29,260 --> 00:49:24,890

yeah yeah I think what happened to dr.

985

00:49:37,290 --> 00:49:29,270

Greer is what happens to any individual

986

00:49:39,670 --> 00:49:37,300

who is cut off from his profession in

987

00:49:41,080 --> 00:49:39,680

1997-98 he made a decision to stop

988

00:49:44,850 --> 00:49:41,090

working as an emergency room physician

989

00:49:48,160 --> 00:49:44,860

and he was basically left without any

990

00:49:50,320 --> 00:49:48,170

support he was going working when we

991

00:49:52,750 --> 00:49:50,330

work together as an ER and we didn't

992

00:49:54,400 --> 00:49:52,760

work in the same er but as fill er

993

00:49:54,970 --> 00:49:54,410

physicians he was making more money than

994

00:49:58,599 --> 00:49:54,980

I was

995

00:50:02,230 --> 00:49:58,609

Oh close to \$200,000 a year and when he

996

00:50:05,950 --> 00:50:02,240

gave up his work in medicine he had

997

00:50:07,359 --> 00:50:05,960

several children at home wanted they

998

00:50:12,640 --> 00:50:07,369

want to want to put them through college

999

00:50:14,470 --> 00:50:12,650

he had other bills to pay and so all of

1000

00:50:17,500 --> 00:50:14,480

a sudden the the training of the

1001
00:50:21,849 --> 00:50:17,510
workshops that when I was trained by him

1002
00:50:23,380 --> 00:50:21,859
was \$40.00 1993 now all of a sudden he's

1003
00:50:26,530 --> 00:50:23,390
charging two and three thousand dollars

1004
00:50:28,300 --> 00:50:26,540
for a one-week seminar that was

1005
00:50:31,330 --> 00:50:28,310
basically supplying him with sustenance

1006
00:50:34,720 --> 00:50:31,340
and the the videos and the sensational

1007
00:50:38,410 --> 00:50:34,730
claims that he made by the exaggerations

1008
00:50:41,190 --> 00:50:38,420
that he made are understandable in terms

1009
00:50:44,020 --> 00:50:41,200
of someone who now had to make a living

1010
00:50:46,690 --> 00:50:44,030
within the in the cottage industry of

1011
00:50:50,260 --> 00:50:46,700
the UFO subculture selling books selling

1012
00:50:53,200 --> 00:50:50,270
videos and that sort of thing I really I

1013
00:50:56,220 --> 00:50:53,210

really hate to see it I I understand

1014

00:50:58,950 --> 00:50:56,230

that you know someone has to make a live

1015

00:51:00,920 --> 00:50:58,960

I get that and I'm lucky I don't have to

1016

00:51:05,880 --> 00:51:00,930

make a living in doing what I'm doing

1017

00:51:08,760 --> 00:51:05,890

this is you know for fun but I

1018

00:51:11,400 --> 00:51:08,770

understand there's that struggle but

1019

00:51:14,250 --> 00:51:11,410

there's also you you saw when the line

1020

00:51:18,320 --> 00:51:14,260

was crossed and unfortunately you were

1021

00:51:21,300 --> 00:51:18,330

smarter enough to to stop participating

1022

00:51:25,380 --> 00:51:21,310

but there's unfortunately there's a lot

1023

00:51:28,920 --> 00:51:25,390

of people that are caught yet and with

1024

00:51:31,320 --> 00:51:28,930

this and I likened you know you may not

1025

00:51:34,260 --> 00:51:31,330

like this but I've likened him to a cult

1026
00:51:37,500 --> 00:51:34,270
leader in and I don't know you know what

1027
00:51:39,210 --> 00:51:37,510
your thoughts are on that but a cult is

1028
00:51:41,400 --> 00:51:39,220
a secular religion and and the

1029
00:51:44,700 --> 00:51:41,410
accusation has been made by our critics

1030
00:51:50,300 --> 00:51:44,710
that all of you ethology is a cult a

1031
00:51:53,970 --> 00:51:50,310
secular religion or a cult so you know

1032
00:51:56,520 --> 00:51:53,980
you know my call each other names you

1033
00:51:58,710 --> 00:51:56,530
know I think what confuses people about

1034
00:52:01,230 --> 00:51:58,720
see SETI I'm sorry I'm moving the

1035
00:52:03,620 --> 00:52:01,240
computer what confuses people about

1036
00:52:06,800 --> 00:52:03,630
society is that they confuse

1037
00:52:12,420 --> 00:52:06,810
consciousness work remote viewing and

1038
00:52:15,720 --> 00:52:12,430

using applied sigh as with religion it

1039

00:52:18,660 --> 00:52:15,730

is not but there are spiritual aspects

1040

00:52:21,120 --> 00:52:18,670

of the work which take on the

1041

00:52:24,359 --> 00:52:21,130

characteristic of religion and I can see

1042

00:52:26,310 --> 00:52:24,369

why people might accuse us going out in

1043

00:52:30,710 --> 00:52:26,320

the field and meditating I think it was

1044

00:52:33,630 --> 00:52:30,720

George Knapp who said the seas dr. Greer

1045

00:52:37,580 --> 00:52:33,640

dr. Greer has followers prey to UFOs

1046

00:52:40,770 --> 00:52:37,590

well we don't pray to them but we use

1047

00:52:42,930 --> 00:52:40,780

telepathy through attempts in attempts

1048

00:52:45,270 --> 00:52:42,940

to attract them to our research sites so

1049

00:52:48,330 --> 00:52:45,280

no I don't I don't think see SETI or the

1050

00:52:50,460 --> 00:52:48,340

work that I did was was called but I I'm

1051
00:52:52,890 --> 00:52:50,470
given the consciousness aspects of the

1052
00:52:55,590 --> 00:52:52,900
work and the spiritual messages that

1053
00:52:59,010 --> 00:52:55,600
many contactees receive I can understand

1054
00:53:02,520 --> 00:52:59,020
that confusion okay I'm also going to

1055
00:53:05,940 --> 00:53:02,530
let people call in now so if you'd like

1056
00:53:08,310 --> 00:53:05,950
to call in that now we you did try to

1057
00:53:09,390 --> 00:53:08,320
call me earlier and I was not able to

1058
00:53:10,590 --> 00:53:09,400
join the call

1059
00:53:12,390 --> 00:53:10,600
correctly so I'm not sure if that's

1060
00:53:14,820 --> 00:53:12,400
going to work tonight but we'll give it

1061
00:53:17,190 --> 00:53:14,830
a shot and that number is going up on

1062
00:53:19,830 --> 00:53:17,200
the screen on YouTube over at kgr radio

1063
00:53:23,250 --> 00:53:19,840

this is live show only call and that's

1064

00:53:26,310 --> 00:53:23,260

six zero three nine six seven four OH

1065

00:53:31,100 --> 00:53:26,320

three oh I'd like to call in and ask our

1066

00:53:33,030 --> 00:53:31,110

guest some questions so if someone

1067

00:53:36,920 --> 00:53:33,040

doesn't call in I'm just going to

1068

00:53:39,720 --> 00:53:36,930

continue on here and I do apologize for

1069

00:53:42,600 --> 00:53:39,730

sleeping through the beginning of this

1070

00:53:44,820 --> 00:53:42,610

segment I I had to get a sick point not

1071

00:53:49,650 --> 00:53:44,830

to do this and well I appreciate that

1072

00:53:55,080 --> 00:53:49,660

yeah and okay so when you're talking

1073

00:54:00,270 --> 00:53:55,090

about this this meditation in and you

1074

00:54:02,430 --> 00:54:00,280

know beckoning the UFO I actually had

1075

00:54:04,530 --> 00:54:02,440

have a friend that went to one of the

1076
00:54:06,510 --> 00:54:04,540
sessions or whatever you want to call it

1077
00:54:08,730 --> 00:54:06,520
out and I think it was upper state New

1078
00:54:10,440 --> 00:54:08,740
York if I remember right and they

1079
00:54:15,180 --> 00:54:10,450
actually saw things now do you think

1080
00:54:19,110 --> 00:54:15,190
that when there's a group there that you

1081
00:54:23,550 --> 00:54:19,120
know there may be I don't want to say

1082
00:54:25,350 --> 00:54:23,560
like an illusion but perhaps there could

1083
00:54:27,210 --> 00:54:25,360
be a satellite or something do you think

1084
00:54:29,370 --> 00:54:27,220
people get too enthusiastic to see

1085
00:54:31,800 --> 00:54:29,380
something do you ever do you ever see

1086
00:54:34,980 --> 00:54:31,810
that well sure I think that's true

1087
00:54:37,560 --> 00:54:34,990
that's that's the purpose of I mean

1088
00:54:38,970 --> 00:54:37,570

that's the the reason why field

1089

00:54:41,700 --> 00:54:38,980

investigators whether they work from

1090

00:54:46,500 --> 00:54:41,710

MUFON or the ce-5 initiative need to be

1091

00:54:48,650 --> 00:54:46,510

well versed in astronomy and have sky

1092

00:54:50,760 --> 00:54:48,660

charts that show when satellites go over

1093

00:54:53,610 --> 00:54:50,770

when you have a large group there are

1094

00:54:56,610 --> 00:54:53,620

always people who every plane in the sky

1095

00:54:59,460 --> 00:54:56,620

is a UFO and I can tell you that I'm

1096

00:55:02,070 --> 00:54:59,470

never going to be able to vector in 747s

1097

00:55:05,430 --> 00:55:02,080

that fly overhead but I have been

1098

00:55:08,550 --> 00:55:05,440

successful in attracting UFOs that

1099

00:55:10,890 --> 00:55:08,560

fulfill the criteria that have been set

1100

00:55:14,040 --> 00:55:10,900

down by Sky Watch organizations like

1101

00:55:16,170 --> 00:55:14,050

MUFON that's that that fulfill the

1102

00:55:19,680 --> 00:55:16,180

criteria that they are indeed anomalous

1103

00:55:21,300 --> 00:55:19,690

objects so the answer is yes there is

1104

00:55:23,010 --> 00:55:21,310

the confusion for some people might

1105

00:55:28,020 --> 00:55:23,020

shrink my team for example

1106

00:55:29,310 --> 00:55:28,030

had on it three physicians one of which

1107

00:55:33,030 --> 00:55:29,320

was a private pilot

1108

00:55:36,480 --> 00:55:33,040

we had several pilots also mother was a

1109

00:55:38,700 --> 00:55:36,490

747 pilot captain Joe VA who was also

1110

00:55:41,040 --> 00:55:38,710

part of our team so we had a very

1111

00:55:43,790 --> 00:55:41,050

high-powered team where that did not go

1112

00:55:47,340 --> 00:55:43,800

on but I I'm sure that in other settings

1113

00:55:49,460 --> 00:55:47,350

people do get confused now you've

1114

00:55:51,960 --> 00:55:49,470

touched upon a very important point that

1115

00:55:54,900 --> 00:55:51,970

that you asked me whether some of these

1116

00:55:57,390 --> 00:55:54,910

things could have been illusions and if

1117

00:56:02,100 --> 00:55:57,400

we have time during the next 45 minutes

1118

00:56:04,260 --> 00:56:02,110

I will take you on a journey of how the

1119

00:56:06,630 --> 00:56:04,270

intelligence behind this phenomena that

1120

00:56:10,350 --> 00:56:06,640

I like to call UFO Intel or UFO

1121

00:56:12,660 --> 00:56:10,360

intelligence how they took me on a

1122

00:56:14,580 --> 00:56:12,670

series of contact experiences which

1123

00:56:19,440 --> 00:56:14,590

showed me how they actually create

1124

00:56:21,060 --> 00:56:19,450

illusions and I out of these experiences

1125

00:56:23,790 --> 00:56:21,070

I developed a theory that I call the

1126
00:56:26,220 --> 00:56:23,800
virtual experience hypothesis and one of

1127
00:56:29,640 --> 00:56:26,230
which I call a virtual experience of the

1128
00:56:33,120 --> 00:56:29,650
first kind in which holographic type of

1129
00:56:35,160 --> 00:56:33,130
technology is used by not humans but the

1130
00:56:37,800 --> 00:56:35,170
intelligence behind UFOs to create

1131
00:56:39,480 --> 00:56:37,810
illusions that we identify as flying

1132
00:56:42,810 --> 00:56:39,490
saucers but that would require

1133
00:56:44,250 --> 00:56:42,820
considerable explanation and maybe

1134
00:56:45,620 --> 00:56:44,260
there's a phone call coming and that

1135
00:56:49,080 --> 00:56:45,630
needs to be addressed

1136
00:56:53,460 --> 00:56:49,090
well what and how did you know that one

1137
00:56:56,390 --> 00:56:53,470
is coming in right now so lucky yes yeah

1138
00:57:01,070 --> 00:56:56,400

maybe you do have some type of conscious

1139

00:57:07,460 --> 00:57:03,930

how you doing hi your first name where

1140

00:57:12,120 --> 00:57:07,470

you calling from Brian from Frederick

1141

00:57:13,560 --> 00:57:12,130

what what what state is that Marilyn

1142

00:57:15,780 --> 00:57:13,570

Marilyn hi

1143

00:57:18,020 --> 00:57:15,790

welcome to the show you have a question

1144

00:57:23,640 --> 00:57:18,030

for our guest I do

1145

00:57:25,140 --> 00:57:23,650

now when you say craft or whatever what

1146

00:57:27,960 --> 00:57:25,150

you saw you saw life did you ever see a

1147

00:57:30,230 --> 00:57:27,970

craft over there just only light okay

1148

00:57:34,650 --> 00:57:30,240

very good question

1149

00:57:36,510 --> 00:57:34,660

Rozsival the the encounter at at the

1150

00:57:37,510 --> 00:57:36,520

base of puppet of kettle volcano

1151
00:57:40,600 --> 00:57:37,520
February

1152
00:57:42,580 --> 00:57:40,610
nineteen ninety-three who was night was

1153
00:57:44,950 --> 00:57:42,590
a large triangular shaped object it

1154
00:57:46,840 --> 00:57:44,960
appeared we know the distance there was

1155
00:57:50,920 --> 00:57:46,850
a seven miles away because I had gotten

1156
00:57:53,340 --> 00:57:50,930
from UCLA detailed maps showing the

1157
00:57:55,480 --> 00:57:53,350
relationship of the two volcanoes

1158
00:57:57,730 --> 00:57:55,490
Popocatepetl in that seat waffle and

1159
00:58:00,760 --> 00:57:57,740
this object initially appeared as an

1160
00:58:03,400 --> 00:58:00,770
amber light in the distance we signaled

1161
00:58:04,900 --> 00:58:03,410
at it and had changed direction it had

1162
00:58:07,420 --> 00:58:04,910
initially been moving at an oblique

1163
00:58:09,940 --> 00:58:07,430

angle away from our position as soon as

1164

00:58:12,970 --> 00:58:09,950

we signal that it it started heading

1165

00:58:15,010 --> 00:58:12,980

right towards us was moving not very

1166

00:58:17,650 --> 00:58:15,020

quickly by the time it got to within a

1167

00:58:21,330 --> 00:58:17,660

mile but it was clearly a triangular

1168

00:58:24,609 --> 00:58:21,340

shape it was several hundred feet across

1169

00:58:28,359 --> 00:58:24,619

because it passed over a ridge line that

1170

00:58:30,100 --> 00:58:28,369

for my maps was exactly one mile away

1171

00:58:35,790 --> 00:58:30,110

and on this ridge line was a small

1172

00:58:38,380 --> 00:58:35,800

church of maybe 50 feet across and this

1173

00:58:41,560 --> 00:58:38,390

triangular shaped anomalous object that

1174

00:58:44,320 --> 00:58:41,570

was totally silent made that church on

1175

00:58:47,530 --> 00:58:44,330

the horizon look like a matchbox toy it

1176

00:58:50,770 --> 00:58:47,540

was several times larger and as it

1177

00:58:53,109 --> 00:58:50,780

maneuvered towards us we signaled at it

1178

00:58:56,140 --> 00:58:53,119

and it signaled back it got within a few

1179

00:58:58,480 --> 00:58:56,150

hundred yards of our position and I know

1180

00:59:00,160 --> 00:58:58,490

this sounds kind of wild but back in the

1181

00:59:02,140 --> 00:59:00,170

old days of the ce-5 initiative we

1182

00:59:04,330 --> 00:59:02,150

actually hoped to have a landing and a

1183

00:59:06,910 --> 00:59:04,340

boarding I know that sounds extreme but

1184

00:59:10,660 --> 00:59:06,920

that's what we were operating on and I

1185

00:59:13,150 --> 00:59:10,670

was I was very impressed by this because

1186

00:59:16,030 --> 00:59:13,160

I had had other contact experiences and

1187

00:59:20,020 --> 00:59:16,040

sightings but nothing's that large that

1188

00:59:22,630 --> 00:59:20,030

close and that convincing and we

1189

00:59:24,609 --> 00:59:22,640

signaled at it it signaled back and each

1190

00:59:27,550 --> 00:59:24,619

of the apices of the triangle was a

1191

00:59:31,120 --> 00:59:27,560

light and it signaled at at us from all

1192

00:59:33,670 --> 00:59:31,130

three lights so that was an object at

1193

00:59:34,830 --> 00:59:33,680

least that's what we thought it was does

1194

00:59:37,230 --> 00:59:34,840

that answer the question

1195

00:59:40,120 --> 00:59:37,240

yeah that's pretty freakin cool made

1196

00:59:43,870 --> 00:59:40,130

that's that was my impression to all I

1197

00:59:45,940 --> 00:59:43,880

kept saying ah yes yes we're not alone

1198

00:59:48,390 --> 00:59:45,950

in the universe however subsequent

1199

00:59:50,859 --> 00:59:48,400

experiences where they were storing

1200

00:59:51,610 --> 00:59:50,869

intelligence showed me how they create a

1201

00:59:54,880 --> 00:59:51,620

luge

1202

00:59:56,740 --> 00:59:54,890

brought into question my own sightings

1203

00:59:58,410 --> 00:59:56,750

as well as others well that's a whole

1204

01:00:05,020 --> 00:59:58,420

nother story

1205

01:00:07,450 --> 01:00:05,030

all right well do you think that it

1206

01:00:10,030 --> 01:00:07,460

could be like maybe like terrestrial

1207

01:00:12,220 --> 01:00:10,040

electrogravitic technology or maybe like

1208

01:00:13,870 --> 01:00:12,230

some type of like I mean when you see

1209

01:00:16,420 --> 01:00:13,880

the like like some type of cloaking I

1210

01:00:19,780 --> 01:00:16,430

don't know these are excellent questions

1211

01:00:23,500 --> 01:00:19,790

I commend you because you know the

1212

01:00:26,080 --> 01:00:23,510

question is rumors have been circulating

1213

01:00:27,340 --> 01:00:26,090

for decades now that the United States

1214

01:00:28,330 --> 01:00:27,350

and maybe other nations are

1215

01:00:30,610 --> 01:00:28,340

back-engineering

1216

01:00:35,980 --> 01:00:30,620

UFOs and perhaps have within their

1217

01:00:40,090 --> 01:00:35,990

possession which you would call secret

1218

01:00:43,240 --> 01:00:40,100

space programs where copies of UFOs are

1219

01:00:45,610 --> 01:00:43,250

being built by military in our case the

1220

01:00:50,920 --> 01:00:45,620

American military so the question is if

1221

01:00:51,910 --> 01:00:50,930

you see a UFO is it ours meaning

1222

01:00:54,750 --> 01:00:51,920

back-engineered

1223

01:00:58,060 --> 01:00:54,760

or not ours meaning perhaps

1224

01:01:02,740 --> 01:00:58,070

extraterrestrial well I can tell you

1225

01:01:05,950 --> 01:01:02,750

that if that UFO was American built it

1226

01:01:09,580 --> 01:01:05,960

was operating 1500 miles away from the

1227

01:01:11,860 --> 01:01:09,590

American border American front homeland

1228

01:01:14,920 --> 01:01:11,870

and if anything happened to it and it

1229

01:01:17,320 --> 01:01:14,930

went down it would be very difficult the

1230

01:01:19,660 --> 01:01:17,330

United States to extract its technology

1231

01:01:23,020 --> 01:01:19,670

with the Mexican military showing up to

1232

01:01:26,170 --> 01:01:23,030

investigate so in that case because of

1233

01:01:28,270 --> 01:01:26,180

the size of the object and the distance

1234

01:01:29,950 --> 01:01:28,280

that we were from America I'm pretty

1235

01:01:34,120 --> 01:01:29,960

well convinced it was not a

1236

01:01:36,040 --> 01:01:34,130

back-engineered et crap it was it makes

1237

01:01:37,510 --> 01:01:36,050

very long it was very large I mean I'm

1238

01:01:40,000 --> 01:01:37,520

talking about something to 300 feet

1239

01:01:41,650 --> 01:01:40,010

across it was not the accident it was

1240

01:01:43,480 --> 01:01:41,660

not the Mexican Air Force on the new

1241

01:01:48,520 --> 01:01:43,490

versus totally silent

1242

01:01:50,890 --> 01:01:48,530

oh no visible meets the ocean

1243

01:01:53,440 --> 01:01:50,900

hey thanks for the call thank you very

1244

01:01:55,750 --> 01:01:53,450

much thank you very much all right have

1245

01:01:58,210 --> 01:01:55,760

a good one all right so the lines open

1246

01:01:59,680 --> 01:01:58,220

if anyone else wants to call in that

1247

01:02:04,240 --> 01:01:59,690

numbers up on the screen or if you're

1248

01:02:05,100 --> 01:02:04,250

over at kgr hey radio it's a 603 nine

1249

01:02:10,480 --> 01:02:05,110

six seven

1250

01:02:11,500 --> 01:02:10,490

4:03 oh and we welcome your your call it

1251

01:02:13,330 --> 01:02:11,510

sounds like you've had a lot of

1252

01:02:18,180 --> 01:02:13,340

sightings would you want to guess how

1253

01:02:25,090 --> 01:02:22,030

probably two or two or three dozen but

1254

01:02:26,890 --> 01:02:25,100

not hundreds of sightings I'm I'm not a

1255

01:02:29,500 --> 01:02:26,900

I'm not what they call an antenna

1256

01:02:31,930 --> 01:02:29,510

oh I'm not what I call a crime contact

1257

01:02:34,930 --> 01:02:31,940

ll there are people who are specially

1258

01:02:37,990 --> 01:02:34,940

trained that I got to meet several of

1259

01:02:39,820 --> 01:02:38,000

them who are contactees and they are

1260

01:02:43,720 --> 01:02:39,830

trained in special consciousness

1261

01:02:47,110 --> 01:02:43,730

techniques as as either teenagers

1262

01:02:49,150 --> 01:02:47,120

children or young adults these people

1263

01:02:52,030 --> 01:02:49,160

like Steven Greer was in the beginning

1264

01:02:54,130 --> 01:02:52,040

not so much anymore I think but in the

1265

01:02:57,040 --> 01:02:54,140

beginning dr. Greer couldn't go anywhere

1266

01:02:58,930 --> 01:02:57,050

without UFOs being showing up I went out

1267

01:03:01,870 --> 01:02:58,940

in the field with him maybe a half-dozen

1268

01:03:04,510 --> 01:03:01,880

times every time I was out in the field

1269

01:03:06,790 --> 01:03:04,520

with him we saw an an anomalous

1270

01:03:08,830 --> 01:03:06,800

structured object there was sometimes

1271

01:03:12,160 --> 01:03:08,840

signaling back and forth sometimes not

1272

01:03:14,200 --> 01:03:12,170

when my team went out we'd be had

1273

01:03:17,530 --> 01:03:14,210

sightings about a third of the time

1274

01:03:20,860 --> 01:03:17,540

perhaps half but there are people who

1275

01:03:23,350 --> 01:03:20,870

are specially trained who claim to have

1276

01:03:26,440 --> 01:03:23,360

onboard experiences as dr. Greer claimed

1277

01:03:29,770 --> 01:03:26,450

he dad they are treated like family by

1278

01:03:31,660 --> 01:03:29,780

UFO Intel but I'm not like one of them

1279

01:03:33,190 --> 01:03:31,670

so I only had a few dozen sightings in

1280

01:03:35,590 --> 01:03:33,200

the course of field work but if you

1281

01:03:38,770 --> 01:03:35,600

associate with such individuals and this

1282

01:03:43,270 --> 01:03:38,780

is key it's like in Hollywood you know I

1283

01:03:46,060 --> 01:03:43,280

lived in Los Angeles for 30 years and in

1284

01:03:49,870 --> 01:03:46,070

Hollywood they say it's not what you

1285

01:03:52,660 --> 01:03:49,880

know it's who you know and when it comes

1286

01:03:54,400 --> 01:03:52,670

to having sightings if you can get to be

1287

01:03:56,980 --> 01:03:54,410

a friend or hang out with one of these

1288

01:03:58,420 --> 01:03:56,990

what I call crime contactees people have

1289

01:04:00,700 --> 01:03:58,430

been specially trained and have this

1290

01:04:03,610 --> 01:04:00,710

unique relationship with UFO

1291

01:04:05,470 --> 01:04:03,620

intelligence you will see all kinds of

1292

01:04:08,760 --> 01:04:05,480

things that you didn't believe were

1293

01:04:11,260 --> 01:04:08,770

possible so I actually developed a

1294

01:04:13,240 --> 01:04:11,270

designation as prime contact D I met

1295

01:04:15,700 --> 01:04:13,250

about a half dozen of these people most

1296

01:04:20,620 --> 01:04:15,710

of them are men most of them are trained

1297

01:04:25,830 --> 01:04:23,410

when you are prime contact Diaz the joke

1298

01:04:28,780 --> 01:04:25,840

goes you will never be lonely again

1299

01:04:31,120 --> 01:04:28,790

because UFO intelligence will manifest

1300

01:04:32,800 --> 01:04:31,130

sightings wherever these people go so

1301

01:04:35,260 --> 01:04:32,810

it's not it's like in Hollywood if you

1302

01:04:37,270 --> 01:04:35,270

want a good job it's not what you know

1303

01:04:40,330 --> 01:04:37,280

in terms of your talents as an actor a

1304

01:04:42,850 --> 01:04:40,340

producer it's who you know terms of

1305

01:04:44,770 --> 01:04:42,860

connections with the hierarchy in

1306

01:04:46,540 --> 01:04:44,780

Hollywood with the Hollywood elite that

1307

01:04:48,460 --> 01:04:46,550

will get you the jobs and that will get

1308

01:04:52,570 --> 01:04:48,470

you the signings if you're with a prime

1309

01:04:55,450 --> 01:04:52,580

contact II I don't know I I'm on the

1310

01:04:56,890 --> 01:04:55,460

fence about this I feel skeptical of it

1311

01:05:00,100 --> 01:04:56,900

I guess it's something that I'd have to

1312

01:05:03,010 --> 01:05:00,110

actually you know I'd have to see for

1313

01:05:06,250 --> 01:05:03,020

myself I mean I understand what you're

1314

01:05:08,410 --> 01:05:06,260

saying but I I just feel like I'd have

1315

01:05:12,340 --> 01:05:08,420

to see this for myself to really believe

1316

01:05:14,740 --> 01:05:12,350

this is real what you're saying what

1317

01:05:17,050 --> 01:05:14,750

you're saying is true that seeing is

1318

01:05:19,660 --> 01:05:17,060

believing and also believing is seeing

1319

01:05:20,830 --> 01:05:19,670

and this is part of the the equation

1320

01:05:23,710 --> 01:05:20,840

that's very difficult for us to

1321

01:05:25,990 --> 01:05:23,720

understand if you after I left see sandy

1322

01:05:28,920 --> 01:05:26,000

and it was very unpleasant leaving the

1323

01:05:31,360 --> 01:05:28,930

organization because I had dedicated

1324

01:05:34,240 --> 01:05:31,370

thousands of hours so that what I

1325

01:05:36,220 --> 01:05:34,250

imagined was the cause of Internet

1326

01:05:39,370 --> 01:05:36,230

actually the interplanetary diplomacy

1327

01:05:41,080 --> 01:05:39,380

and so it was very unpleasant for me to

1328

01:05:45,190 --> 01:05:41,090

leave the organization under

1329

01:05:48,640 --> 01:05:45,200

circumstances that personally were were

1330

01:05:51,100 --> 01:05:48,650

very negative around the time that I

1331

01:05:54,820 --> 01:05:51,110

left I was also threatened people were

1332

01:05:58,000 --> 01:05:54,830

calling my home and one individual who

1333

01:06:00,360 --> 01:05:58,010

sounded like an intelligence officer or

1334

01:06:03,760 --> 01:06:00,370

maybe a lawyer working for the military

1335

01:06:06,160 --> 01:06:03,770

you know he basically said you'd be

1336

01:06:07,600 --> 01:06:06,170

better for you you didn't use my you're

1337

01:06:09,600 --> 01:06:07,610

the news expression would be better for

1338

01:06:12,250 --> 01:06:09,610

your health but he said we'd better

1339

01:06:15,580 --> 01:06:12,260

better be for you and he's calling me at

1340

01:06:18,070 --> 01:06:15,590

home if you were no longer part of C

1341

01:06:21,100 --> 01:06:18,080

SETI so there are a lot of issues that I

1342

01:06:22,420 --> 01:06:21,110

had in terms of leaving C SETI Greer's

1343

01:06:24,730 --> 01:06:22,430

association with the intelligence

1344

01:06:27,190 --> 01:06:24,740

community which is you know undoubted I

1345

01:06:29,980 --> 01:06:27,200

mean look who was on part of his

1346

01:06:32,410 --> 01:06:29,990

entourage Edgar Mitchell was working

1347

01:06:34,810 --> 01:06:32,420

very closely with dr. Greer

1348

01:06:39,100 --> 01:06:34,820

that behind closed door briefing in

1349

01:06:41,230 --> 01:06:39,110

Washington DC in 1970 in 1997 I got to

1350

01:06:44,580 --> 01:06:41,240

meet Edgar Mitchell a moonwalking

1351

01:06:48,490 --> 01:06:44,590

astronaut was helping him get witnesses

1352

01:06:50,710 --> 01:06:48,500

so there were and Edgar Mitchell like me

1353

01:06:53,050 --> 01:06:50,720

and many many other people very

1354

01:06:56,080 --> 01:06:53,060

dedicated to the cause of openness on

1355

01:06:57,970 --> 01:06:56,090

the subject left Steven Greer and won't

1356

01:07:01,000 --> 01:06:57,980

have anything to do with him because of

1357

01:07:05,650 --> 01:07:01,010

the problems that he got into which I

1358

01:07:10,420 --> 01:07:05,660

think makes people like you Martin feel

1359

01:07:13,360 --> 01:07:10,430

he's not legit he is legit but only up

1360

01:07:17,020 --> 01:07:13,370

into a certain point and his legitimacy

1361

01:07:18,880 --> 01:07:17,030

has been undermined in my opinion by his

1362

01:07:24,570 --> 01:07:18,890

relationship with the intelligence and

1363

01:07:27,130 --> 01:07:24,580

counterintelligence community what about

1364

01:07:29,830 --> 01:07:27,140

what about things were well people have

1365

01:07:32,740 --> 01:07:29,840

told me you know this is all secondary

1366

01:07:36,070 --> 01:07:32,750

you know secondhand stories but have

1367

01:07:39,610 --> 01:07:36,080

told me that he charged people to take a

1368

01:07:43,930 --> 01:07:39,620

photo of themselves inside of a UFO that

1369

01:07:48,310 --> 01:07:43,940

was supposedly there and he locked

1370

01:07:49,660 --> 01:07:48,320

people into one of his conferences you

1371

01:07:51,160 --> 01:07:49,670

know with security guards at the door

1372

01:07:54,850 --> 01:07:51,170

you know things like that I mean that's

1373

01:07:57,550 --> 01:07:54,860

these that's the part of relying on

1374

01:07:59,500 --> 01:07:57,560

rumors I wasn't at that at that event

1375

01:08:00,070 --> 01:07:59,510

that you described where the doors were

1376

01:08:02,520 --> 01:08:00,080

locked

1377

01:08:11,290 --> 01:08:02,530

I think what happened in Barcelona in

1378

01:08:15,100 --> 01:08:11,300

2009 or 2010 yeah and I spoke to someone

1379

01:08:17,290 --> 01:08:15,110

who was there and what what you heard

1380

01:08:19,450 --> 01:08:17,300

was not exactly correct there were

1381

01:08:22,600 --> 01:08:19,460

security guards running around and at

1382

01:08:25,900 --> 01:08:22,610

one point the the doors were locked

1383

01:08:28,300 --> 01:08:25,910

because there were people who are trying

1384

01:08:30,400 --> 01:08:28,310

to get in for free and so the doors were

1385

01:08:32,710 --> 01:08:30,410

locked that was that was the story as

1386

01:08:35,230 --> 01:08:32,720

explained to me plain I would then there

1387

01:08:40,810 --> 01:08:35,240

was other unfortunate events that

1388

01:08:42,880 --> 01:08:40,820

occurred where dr. Greer was rather I

1389

01:08:45,340 --> 01:08:42,890

believe insensitive to the audience now

1390

01:08:46,210 --> 01:08:45,350

he's in Spain in 2010 if you know

1391

01:08:48,130 --> 01:08:46,220

anything about

1392

01:08:51,370 --> 01:08:48,140

vanish history you know that they lived

1393

01:08:53,620 --> 01:08:51,380

under fascism for 30 30 40 years under

1394

01:08:55,810 --> 01:08:53,630

the the Franco dictatorship so there was

1395

01:08:58,240 --> 01:08:55,820

one emotionally distraught fellow who

1396

01:09:01,660 --> 01:08:58,250

was trying to get dr. Greer's attention

1397

01:09:03,250 --> 01:09:01,670

before he got on stage and dr. who

1398

01:09:05,590 --> 01:09:03,260

according to this eyewitness that I

1399

01:09:08,880 --> 01:09:05,600

trust he asked me not to use his name

1400

01:09:11,700 --> 01:09:08,890

but he's a prominent investigator said

1401

01:09:15,370 --> 01:09:11,710

dr. Greer just brushed this guy off oh

1402

01:09:17,680 --> 01:09:15,380

well when dr. Harris on the stage

1403

01:09:20,410 --> 01:09:17,690

this gentleman rushed the stage and got

1404

01:09:23,710 --> 01:09:20,420

on the stage and starts trying to ask

1405

01:09:27,370 --> 01:09:23,720

him the question that he wasn't allowed

1406

01:09:29,350 --> 01:09:27,380

to ask in private well doctor here had

1407

01:09:32,280 --> 01:09:29,360

security people who escorted that

1408

01:09:35,260 --> 01:09:32,290

individual off the stage now I've heard

1409

01:09:38,320 --> 01:09:35,270

Steven Greer supporters tell that that

1410

01:09:40,060 --> 01:09:38,330

was Anasuya that was a an attempt on dr.

1411

01:09:41,080 --> 01:09:40,070

Greer's life yeah I always hear stuff

1412

01:09:45,190 --> 01:09:41,090

like that yeah

1413

01:09:47,110 --> 01:09:45,200

and I've told a lot to much that dr.

1414

01:09:48,910 --> 01:09:47,120

Greer has told those stories as well

1415

01:09:51,190 --> 01:09:48,920

well I didn't hear them from dr. gear

1416

01:09:54,760 --> 01:09:51,200

Greer but I did hear them from others

1417

01:10:01,140 --> 01:09:54,770

and I corrected them on that dr. Greer

1418

01:10:05,230 --> 01:10:01,150

at that 2009 or 2010 Barcelona meeting

1419

01:10:06,880 --> 01:10:05,240

made some rather insensitive remarks

1420

01:10:10,810 --> 01:10:06,890

where he was on the stage where he said

1421

01:10:12,610 --> 01:10:10,820

something like if I told you what I know

1422

01:10:13,300 --> 01:10:12,620

about the phenomena I would have to get

1423

01:10:16,090 --> 01:10:13,310

you killed

1424

01:10:19,350 --> 01:10:16,100

you know like that joke that Obama makes

1425

01:10:22,420 --> 01:10:19,360

when when ten-year-olds asked him about

1426

01:10:24,430 --> 01:10:22,430

what happens in the Oval Office when

1427

01:10:26,650 --> 01:10:24,440

they discuss UFOs and President Obama

1428

01:10:28,960 --> 01:10:26,660

said if I told you I'd have to kill you

1429

01:10:31,000 --> 01:10:28,970

right well very practically use that

1430

01:10:33,870 --> 01:10:31,010

same rather well I think it's someone in

1431

01:10:36,130 --> 01:10:33,880

poor taste well people get angry because

1432

01:10:37,750 --> 01:10:36,140

here's an authority figure threatening

1433

01:10:39,760 --> 01:10:37,760

to kill them and they've lived for fat

1434

01:10:42,970 --> 01:10:39,770

under fascism for 30 years you know what

1435

01:10:45,970 --> 01:10:42,980

I'm saying is that sort of thing yeah we

1436

01:10:46,950 --> 01:10:45,980

have a caller on the line caller is it

1437

01:10:50,200 --> 01:10:46,960

Donny

1438

01:10:53,350 --> 01:10:50,210

it is it is Martin how is your neighbor

1439

01:10:55,900 --> 01:10:53,360

wasn't me hey good now thanks for

1440

01:10:57,970 --> 01:10:55,910

calling in so this is this is Donny

1441

01:10:59,950 --> 01:10:57,980

who's actually been in studio a number

1442

01:11:03,400 --> 01:10:59,960

of times I don't

1443

01:11:05,050 --> 01:11:03,410

yeah he has video studio looks a lot

1444

01:11:09,280 --> 01:11:05,060

better than the last time I saw it mind

1445

01:11:10,990 --> 01:11:09,290

its improved quite a bit yeah I just had

1446

01:11:15,460 --> 01:11:11,000

a quick observation I wanted to make

1447

01:11:16,000 --> 01:11:15,470

witty guess first firstly I hold in high

1448

01:11:19,530 --> 01:11:16,010

regard

1449

01:11:21,520 --> 01:11:19,540

men and women who go out there who are

1450

01:11:23,140 --> 01:11:21,530

medical professionals in your case

1451

01:11:25,360 --> 01:11:23,150

position go out there and deliver

1452

01:11:28,630 --> 01:11:25,370

services to the needy in particular

1453

01:11:30,340 --> 01:11:28,640

people who may be guests in this country

1454

01:11:31,620 --> 01:11:30,350

of migrant farm workers and I think

1455

01:11:36,550 --> 01:11:31,630

that's wonderful and I would never

1456

01:11:38,260 --> 01:11:36,560

degrade or I would never question your

1457

01:11:40,990 --> 01:11:38,270

integrity because obviously you're a man

1458

01:11:44,590 --> 01:11:41,000

of integrity but one thing that that

1459

01:11:47,800 --> 01:11:44,600

sticks in my craw with this whole this

1460

01:11:48,940 --> 01:11:47,810

whole unique group of people that when

1461

01:11:50,800 --> 01:11:48,950

they're there you know you're going to

1462

01:11:53,920 --> 01:11:50,810

see things and when you go to polka

1463

01:11:55,870 --> 01:11:53,930

petal and between Puebla in Mexico City

1464

01:11:59,110 --> 01:11:55,880

with these people you're going to see

1465

01:12:01,150 --> 01:11:59,120

things and I come from background in the

1466

01:12:04,270 --> 01:12:01,160

law I mean I was a policeman please

1467

01:12:07,150 --> 01:12:04,280

investigate her attorney for nearly my

1468

01:12:11,320 --> 01:12:07,160

entire adult life and the thing that

1469

01:12:12,880 --> 01:12:11,330

just really bothers me about that is you

1470

01:12:15,430 --> 01:12:12,890

know these things are going to are going

1471

01:12:18,160 --> 01:12:15,440

to appear where are the cameras you're

1472

01:12:20,710 --> 01:12:18,170

there with a I mean I'm not saying it as

1473

01:12:23,500 --> 01:12:20,720

a slam against you so please don't take

1474

01:12:25,720 --> 01:12:23,510

it that way but this is a great this is

1475

01:12:27,460 --> 01:12:25,730

a great question because I there's I

1476

01:12:29,890 --> 01:12:27,470

left out the part of the story about

1477

01:12:31,600 --> 01:12:29,900

polka capital that's very important and

1478

01:12:32,260 --> 01:12:31,610

your question gives it gives me an

1479

01:12:34,420 --> 01:12:32,270

opportunity

1480

01:12:38,350 --> 01:12:34,430

so go ahead complete your question if

1481

01:12:40,570 --> 01:12:38,360

you and I'll answer it okay doctor and

1482

01:12:43,690 --> 01:12:40,580

and I I think that you know we have an

1483

01:12:49,060 --> 01:12:43,700

aviation specialist there's why he

1484

01:12:50,440 --> 01:12:49,070

mentioned some 47 heavy pilot who you

1485

01:12:54,190 --> 01:12:50,450

know it's the cream of the crop really

1486

01:12:58,390 --> 01:12:54,200

of all commercial airline pilots you

1487

01:13:01,900 --> 01:12:58,400

know why didn't somebody have a FLIR

1488

01:13:05,640 --> 01:13:01,910

infrared night-vision camera rolling why

1489

01:13:09,940 --> 01:13:05,650

didn't somebody have cameras that took

1490

01:13:12,220 --> 01:13:09,950

different images across the visible and

1491

01:13:13,660 --> 01:13:12,230

the invisible light spectrum all these

1492

01:13:15,100 --> 01:13:13,670

different things think about the

1493

01:13:17,410 --> 01:13:15,110

treasure trove of evidence that would

1494

01:13:19,150 --> 01:13:17,420

have produced and the people who are

1495

01:13:21,010 --> 01:13:19,160

going to this thing knew that these

1496

01:13:22,270 --> 01:13:21,020

things or they told everybody that they

1497

01:13:25,120 --> 01:13:22,280

knew these things were going to appear

1498

01:13:27,520 --> 01:13:25,130

so everybody was unnoticed yes yeah I

1499

01:13:29,919 --> 01:13:27,530

guess okay this is a great question

1500

01:13:32,290 --> 01:13:29,929

because I've written a position paper

1501

01:13:35,340 --> 01:13:32,300

huh and with China the position papers

1502

01:13:39,180 --> 01:13:35,350

why does UFO intelligence deny

1503

01:13:42,250 --> 01:13:39,190

experiencers quality videos of them okay

1504

01:13:44,860 --> 01:13:42,260

you have to remember that in the UFO

1505

01:13:48,060 --> 01:13:44,870

field because the majority of people are

1506

01:13:51,100 --> 01:13:48,070

very skeptical they say that if you

1507

01:13:54,520 --> 01:13:51,110

don't have a photograph of your

1508

01:13:56,439 --> 01:13:54,530

encounter it didn't happen and then if

1509

01:13:59,110 --> 01:13:56,449

you do produce a photograph or a video

1510

01:13:59,500 --> 01:13:59,120

then they'll tell you it's a cgi it's a

1511

01:14:01,990 --> 01:13:59,510

hoax

1512

01:14:02,560 --> 01:14:02,000

so you're damned if you do and damned if

1513

01:14:06,010 --> 01:14:02,570

you don't

1514

01:14:07,959 --> 01:14:06,020

well I get that I get that in and I'm

1515

01:14:11,290 --> 01:14:07,969

sorry to cut you off me I just study

1516

01:14:14,350 --> 01:14:11,300

I've sent people I sent people to prison

1517

01:14:16,810 --> 01:14:14,360

for long periods of time based on based

1518

01:14:18,070 --> 01:14:16,820

on on testimonial evidence if people get

1519

01:14:20,650 --> 01:14:18,080

up on the stand and they tell their

1520

01:14:22,540 --> 01:14:20,660

version and at the end of it the jury

1521

01:14:25,570 --> 01:14:22,550

changes to believe the person's

1522

01:14:27,459 --> 01:14:25,580

testimony and the defendant goes to jail

1523

01:14:29,979 --> 01:14:27,469

for a long period of time I get that I

1524

01:14:31,479 --> 01:14:29,989

really do and I'm not discounting the

1525

01:14:33,280 --> 01:14:31,489

fact that there are people who just

1526

01:14:36,070 --> 01:14:33,290

witnesses for these things and they see

1527

01:14:38,110 --> 01:14:36,080

things but what I'm saying is for but

1528

01:14:40,479 --> 01:14:38,120

God say you know these things are gonna

1529

01:14:42,430 --> 01:14:40,489

be there well know that these things are

1530

01:14:44,500 --> 01:14:42,440

going oh what happened okay I'm gonna

1531

01:14:46,390 --> 01:14:44,510

cut you off because this is it's gonna

1532

01:14:46,959 --> 01:14:46,400

require a little bit of explanation I

1533

01:14:48,910 --> 01:14:46,969

think I okay

1534

01:14:50,410 --> 01:14:48,920

oh I'll hang up and take the take the

1535

01:14:52,300 --> 01:14:50,420

answer offline thank you doctor okay

1536

01:14:54,939 --> 01:14:52,310

Thank You Tori so what happened well

1537

01:14:58,300 --> 01:14:54,949

Bogut epital is very instructive okay we

1538

01:15:02,250 --> 01:14:58,310

had with us oh this is 1993 so we did

1539

01:15:07,590 --> 01:15:02,260

not have a full array of inexpensive

1540

01:15:12,820 --> 01:15:07,600

infrared or night-vision goggles we had

1541

01:15:14,680 --> 01:15:12,830

olympus a 60 zoom camera that was the

1542

01:15:17,970 --> 01:15:14,690

state-of-the-art then but wasn't really

1543

01:15:22,800 --> 01:15:17,980

very effective at night what happened

1544

01:15:26,500 --> 01:15:22,810

was truly amazing because as this UFO

1545

01:15:28,720 --> 01:15:26,510

starts coming out between the volcanoes

1546

01:15:30,040 --> 01:15:28,730

as is approaching to us and now this is

1547

01:15:32,470 --> 01:15:30,050

the part that some of you in the

1548

01:15:34,780 --> 01:15:32,480

audience are going to say oh dr. Burks

1549

01:15:37,510 --> 01:15:34,790

is now going to tell whopper what

1550

01:15:40,780 --> 01:15:37,520

happened at that point was every piece

1551

01:15:43,300 --> 01:15:40,790

of our electronic and non electronic

1552

01:15:46,510 --> 01:15:43,310

camera equipment stopped functioning

1553

01:15:49,480 --> 01:15:46,520

we had a cheap brownie what they used to

1554

01:15:51,880 --> 01:15:49,490

call Hawkeye or little click click they

1555

01:15:54,600 --> 01:15:51,890

would have a spring operated a mechanism

1556

01:15:59,080 --> 01:15:54,610

that stopped working we had a

1557

01:16:01,270 --> 01:15:59,090

35-millimeter single lens reflex with a

1558

01:16:05,560 --> 01:16:01,280

computer chip that camera stopped

1559

01:16:09,730 --> 01:16:05,570

working and the olympus state-of-the-art

1560

01:16:13,240 --> 01:16:09,740

video camera stopped working as well and

1561

01:16:15,910 --> 01:16:13,250

it was kind of weird because when we

1562

01:16:19,030 --> 01:16:15,920

examined the the camera afterwards you

1563

01:16:23,080 --> 01:16:19,040

could hear us talking about what

1564

01:16:25,840 --> 01:16:23,090

happened before the sighting and then

1565

01:16:28,690 --> 01:16:25,850

you could hear about what happened after

1566

01:16:30,340 --> 01:16:28,700

the sighting and the audio but when the

1567

01:16:32,710 --> 01:16:30,350

sighting actually occurred and this

1568

01:16:35,590 --> 01:16:32,720

object was close none of our equipment

1569

01:16:37,990 --> 01:16:35,600

worked and I'm talking about even

1570

01:16:41,080 --> 01:16:38,000

squeezing down on the brownie the spring

1571

01:16:43,330 --> 01:16:41,090

operated camera it did not click now

1572

01:16:46,270 --> 01:16:43,340

what what do you go away from that

1573

01:16:48,610 --> 01:16:46,280

experience with you can say well dr.

1574

01:16:52,600 --> 01:16:48,620

Burks just made this up or that you know

1575

01:16:55,630 --> 01:16:52,610

he's lying or you could say that perhaps

1576

01:16:59,010 --> 01:16:55,640

someone that has the capability of doing

1577

01:17:01,150 --> 01:16:59,020

this and I think it was UFO intelligence

1578

01:17:04,420 --> 01:17:01,160

prevented us from getting that

1579

01:17:06,760 --> 01:17:04,430

documentation dr. Greer has only been

1580

01:17:09,280 --> 01:17:06,770

able to produce quality video on one

1581

01:17:11,830 --> 01:17:09,290

occasion and that was the Gulf Breeze

1582

01:17:15,400 --> 01:17:11,840

citing that occurred in the spring of

1583

01:17:17,620 --> 01:17:15,410

1992 but I can tell you that was a very

1584

01:17:20,800 --> 01:17:17,630

important sighting because it recruited

1585

01:17:25,030 --> 01:17:20,810

me and it happened short distance away

1586

01:17:27,700 --> 01:17:25,040

from the Pensacola Naval Air Station

1587

01:17:29,740 --> 01:17:27,710

this is Gulf Breeze now there was three

1588

01:17:31,420 --> 01:17:29,750

UFOs or maybe four that showed up and on

1589

01:17:34,180 --> 01:17:31,430

that footage you can clearly see the

1590

01:17:36,550 --> 01:17:34,190

UFOs the power ring and the signaling

1591

01:17:39,430 --> 01:17:36,560

back and forth now that video is

1592

01:17:40,279 --> 01:17:39,440

available on the internet and on the

1593

01:17:43,069 --> 01:17:40,289

basis of that

1594

01:17:46,339 --> 01:17:43,079

I joined si city but I can tell you that

1595

01:17:49,069 --> 01:17:46,349

if si said he got quality video of UFOs

1596

01:17:50,629 --> 01:17:49,079

every time he went out and field there

1597

01:17:52,850 --> 01:17:50,639

would be millions of looky-loos

1598

01:17:54,680 --> 01:17:52,860

following us around trying to get

1599

01:17:57,620 --> 01:17:54,690

pictures and we would never be able to

1600

01:18:00,040 --> 01:17:57,630

have do our research in anything that

1601

01:18:04,339 --> 01:18:00,050

would approach security or

1602

01:18:05,899 --> 01:18:04,349

confidentiality now I believe that the

1603

01:18:08,779 --> 01:18:05,909

capability exists to get that

1604

01:18:10,790 --> 01:18:08,789

documentation and it is my hope that the

1605

01:18:12,770 --> 01:18:10,800

contact network that I'm an activist in

1606

01:18:15,470 --> 01:18:12,780

even though I don't have anything to do

1607

01:18:17,000 --> 01:18:15,480

with dr. Greer I still keep tabs on the

1608

01:18:21,709 --> 01:18:17,010

network that he founded with sherry

1609

01:18:24,290 --> 01:18:21,719

adamak and I think that someday UFO

1610

01:18:26,870 --> 01:18:24,300

Intel will not Jam our cameras but they

1611

01:18:28,609 --> 01:18:26,880

will allow us to not only get video

1612

01:18:30,640 --> 01:18:28,619

documentation of our encounters with

1613

01:18:33,709 --> 01:18:30,650

them but we will be able to get live

1614

01:18:36,109 --> 01:18:33,719

footage that we can broadcast over the

1615

01:18:38,359 --> 01:18:36,119

internet just like this conversation is

1616

01:18:41,600 --> 01:18:38,369

being broadcast and what I envision in

1617

01:18:43,910 --> 01:18:41,610

the future is that teams perhaps dozens

1618

01:18:46,520 --> 01:18:43,920

of teams all over the world linked to

1619

01:18:50,089 --> 01:18:46,530

the internet getting quality video of

1620

01:18:52,040 --> 01:18:50,099

the encounters of UFO crash occur craft

1621

01:18:54,259 --> 01:18:52,050

in order to do that there would have to

1622

01:18:57,560 --> 01:18:54,269

be a stand stand down order from the

1623

01:18:59,600 --> 01:18:57,570

military that has in the past of many

1624

01:19:03,919 --> 01:18:59,610

occasions attempted and possibly

1625

01:19:08,270 --> 01:19:03,929

successfully shot them down so do you

1626

01:19:11,600 --> 01:19:08,280

think that there they're just any type

1627

01:19:13,549 --> 01:19:11,610

of equipment at all that it would be

1628

01:19:15,560 --> 01:19:13,559

interrupted you are you said a brownie

1629

01:19:17,089 --> 01:19:15,570

camera you know these are for the person

1630

01:19:19,339 --> 01:19:17,099

that's young that never heard of them

1631

01:19:21,620 --> 01:19:19,349

before these are old cameras back and

1632

01:19:23,959 --> 01:19:21,630

they think in the 40s they started I

1633

01:19:25,850 --> 01:19:23,969

can't remember exactly when but they

1634

01:19:28,899 --> 01:19:25,860

were these cameras that anyone could

1635

01:19:31,850 --> 01:19:28,909

afford and have a very simple mechanical

1636

01:19:33,709 --> 01:19:31,860

camera and we're not talking digital

1637

01:19:36,350 --> 01:19:33,719

here we're talking to film developing

1638

01:19:38,390 --> 01:19:36,360

all that stuff so the only electronic

1639

01:19:41,899 --> 01:19:38,400

part of that camera is that is the flash

1640

01:19:44,330 --> 01:19:41,909

everything is mechanical yeah now UFO

1641

01:19:46,580 --> 01:19:44,340

elegans shut down our cameras in my

1642

01:19:50,419 --> 01:19:46,590

opinion although I can't prove but well

1643

01:19:53,040 --> 01:19:50,429

you know I I would pass that off as just

1644

01:19:55,980 --> 01:19:53,050

another you know

1645

01:19:59,820 --> 01:19:55,990

kind of far-out thing but so many people

1646

01:20:01,650 --> 01:19:59,830

have said that you know people that I've

1647

01:20:04,500 --> 01:20:01,660

known that actually had an encounter

1648

01:20:06,810 --> 01:20:04,510

they had video equipment right there and

1649

01:20:09,330 --> 01:20:06,820

the battery all of a sudden was dead on

1650

01:20:11,070 --> 01:20:09,340

all of their equipment they had two or

1651
01:20:13,020 --> 01:20:11,080
three cameras battery dead on every one

1652
01:20:16,440 --> 01:20:13,030
of the cell phone battery dead

1653
01:20:19,080 --> 01:20:16,450
everything and that goes along with

1654
01:20:22,170 --> 01:20:19,090
people talking about their cars having

1655
01:20:25,650 --> 01:20:22,180
an ignition interference and nothing at

1656
01:20:27,240 --> 01:20:25,660
all working in their car so but when it

1657
01:20:29,040 --> 01:20:27,250
comes to a mechanical camera that

1658
01:20:32,370 --> 01:20:29,050
doesn't even seem like it could make any

1659
01:20:35,010 --> 01:20:32,380
sense well you know this is if I had

1660
01:20:36,840 --> 01:20:35,020
time and perhaps you'll forgive me for

1661
01:20:39,030 --> 01:20:36,850
being late and you'll invite me back

1662
01:20:40,530 --> 01:20:39,040
some future time but if I had time I

1663
01:20:45,120 --> 01:20:40,540

could take you through this step-by-step

1664

01:20:47,490 --> 01:20:45,130

journey how UFO Intel or you want to

1665

01:20:49,200 --> 01:20:47,500

call a UFO intelligence or or a higher

1666

01:20:51,270 --> 01:20:49,210

intelligence agency that's the way

1667

01:20:55,200 --> 01:20:51,280

Jacques Vallee referred to them once in

1668

01:20:57,270 --> 01:20:55,210

messengers of deception that they took

1669

01:20:59,520 --> 01:20:57,280

me on a series of encounters where they

1670

01:21:02,430 --> 01:20:59,530

showed me how they create illusion and

1671

01:21:06,060 --> 01:21:02,440

one of the things they do is that they

1672

01:21:09,060 --> 01:21:06,070

can put down onto camera images that

1673

01:21:13,440 --> 01:21:09,070

don't represent any physical object so

1674

01:21:14,970 --> 01:21:13,450

you will be shooting the sky later on

1675

01:21:17,910 --> 01:21:14,980

you don't see anything later on you see

1676

01:21:21,090 --> 01:21:17,920

the UFO was that really there or did

1677

01:21:22,910 --> 01:21:21,100

they mechanically I mean electro using

1678

01:21:26,280 --> 01:21:22,920

their command of electromagnetism

1679

01:21:28,950 --> 01:21:26,290

digitally impart that image on the

1680

01:21:31,500 --> 01:21:28,960

camera and there's some evidence in the

1681

01:21:35,460 --> 01:21:31,510

paranormal literature to show how this

1682

01:21:37,890 --> 01:21:35,470

could be done if anyone is red or seeing

1683

01:21:40,770 --> 01:21:37,900

the very important video about the skull

1684

01:21:41,430 --> 01:21:40,780

investigations in England in the 1990s

1685

01:21:46,290 --> 01:21:41,440

it's called

1686

01:21:48,360 --> 01:21:46,300

the afterlife the afterlife experiments

1687

01:21:51,080 --> 01:21:48,370

or the afterlife investigation that's it

1688

01:21:53,190 --> 01:21:51,090

it's available free on YouTube

1689

01:21:57,540 --> 01:21:53,200

investigators working with what they

1690

01:22:01,410 --> 01:21:57,550

thought were spirits had film that was

1691

01:22:03,960 --> 01:22:01,420

from the factory undeveloped and when

1692

01:22:06,120 --> 01:22:03,970

they had encounters with beings on this

1693

01:22:06,900 --> 01:22:06,130

film when it was developed on site they

1694

01:22:09,360 --> 01:22:06,910

saw image

1695

01:22:13,380 --> 01:22:09,370

of people and places people who had died

1696

01:22:15,840 --> 01:22:13,390

and images from from years past well the

1697

01:22:18,360 --> 01:22:15,850

so called spirits can do that in

1698

01:22:20,190 --> 01:22:18,370

paranormal literate investigations

1699

01:22:23,820 --> 01:22:20,200

I think UFO intelligence could probably

1700

01:22:25,800 --> 01:22:23,830

do the same so is it real whereas the

1701

01:22:28,260 --> 01:22:25,810

old commercial used to go I'm dating

1702

01:22:32,970 --> 01:22:28,270

myself now or is it Memorex you know

1703

01:22:34,700 --> 01:22:32,980

number yeah for those of that the

1704

01:22:37,230 --> 01:22:34,710

Millennials out there listening that's

1705

01:22:39,480 --> 01:22:37,240

those were tapes they were cassette

1706

01:22:41,880 --> 01:22:39,490

tapes that you could record on and

1707

01:22:44,400 --> 01:22:41,890

that's how we used to get our music used

1708

01:22:53,340 --> 01:22:44,410

to record on those tapes and listen to

1709

01:22:58,110 --> 01:22:53,350

them you know I uh never 8-track so the

1710

01:23:01,920 --> 01:22:58,120

older generation yeah so so are there

1711

01:23:03,720 --> 01:23:01,930

any other questions not I know there's

1712

01:23:08,040 --> 01:23:03,730

been a bunch of questions that have come

1713

01:23:10,320 --> 01:23:08,050

up on the chat room I just have not been

1714

01:23:12,540 --> 01:23:10,330

able to get to them and anyone else a

1715

01:23:14,010 --> 01:23:12,550

welcome to call in to ask you a question

1716

01:23:19,770 --> 01:23:14,020

if I missed you and you're in the chat

1717

01:23:22,680 --> 01:23:19,780

right now the number 603 967 403 oh you

1718

01:23:26,460 --> 01:23:22,690

know getting back to the imaging you're

1719

01:23:27,900 --> 01:23:26,470

talking about it just makes me want to

1720

01:23:29,430 --> 01:23:27,910

say why you know the first thing that

1721

01:23:31,320 --> 01:23:29,440

just comes to my mind to whether it

1722

01:23:31,740 --> 01:23:31,330

makes any sense or not is why would they

1723

01:23:34,980 --> 01:23:31,750

do that

1724

01:23:40,160 --> 01:23:34,990

why would why would anything put an

1725

01:23:44,090 --> 01:23:40,170

image on on you know through a camera

1726

01:23:46,770 --> 01:23:44,100

what would be the purpose of it I guess

1727

01:23:48,600 --> 01:23:46,780

part of it yes I thought about it

1728

01:23:50,820 --> 01:23:48,610

extensively and although the answers may

1729

01:23:54,480 --> 01:23:50,830

not satisfy others least they give me

1730

01:23:57,540 --> 01:23:54,490

sense of me a sense of understanding one

1731

01:24:00,000 --> 01:23:57,550

of the reasons UFO Intel produces

1732

01:24:03,540 --> 01:24:00,010

holographic like rejections that we

1733

01:24:06,690 --> 01:24:03,550

identify as flying as UFOs or a

1734

01:24:09,120 --> 01:24:06,700

spacecraft is that if we live crews are

1735

01:24:10,530 --> 01:24:09,130

flying over hostile territory and we

1736

01:24:15,780 --> 01:24:10,540

have a thing in the United States that's

1737

01:24:19,080 --> 01:24:15,790

called the sovereign airspace any craft

1738

01:24:20,399 --> 01:24:19,090

that enters our airspace uninvited

1739

01:24:24,449 --> 01:24:20,409

uninvited refuses

1740

01:24:26,549 --> 01:24:24,459

to identify itself can be attacked the

1741

01:24:29,759 --> 01:24:26,559

UFO literature is full of attempts at

1742

01:24:32,909 --> 01:24:29,769

shoot downs whether it be in Tehran in

1743

01:24:37,350 --> 01:24:32,919

the the Iranian case back I think 1973

1744

01:24:40,229 --> 01:24:37,360

or or back in the fifties when there

1745

01:24:42,479 --> 01:24:40,239

were attempts to shoot them down so if

1746

01:24:44,029 --> 01:24:42,489

you want to announce your presence and

1747

01:24:46,979 --> 01:24:44,039

you have a technology that can produce

1748

01:24:49,770 --> 01:24:46,989

holographic images that people can

1749

01:24:52,919 --> 01:24:49,780

actually videotape and think our

1750

01:24:55,890 --> 01:24:52,929

physical law it's not putting your crews

1751

01:24:57,569 --> 01:24:55,900

at risk just think of the space space

1752

01:25:00,029 --> 01:24:57,579

gas stage you know I don't think these

1753

01:25:01,589 --> 01:25:00,039

UFOs are flying around with gasoline but

1754

01:25:03,299 --> 01:25:01,599

just think of the space gas or their

1755

01:25:06,299 --> 01:25:03,309

equivalent of whatever they're using in

1756

01:25:09,330 --> 01:25:06,309

their propulsion system is if they don't

1757

01:25:12,959 --> 01:25:09,340

have to fly to interact with us they can

1758

01:25:15,929 --> 01:25:12,969

produce holographic type technology so

1759

01:25:19,189 --> 01:25:15,939

there are these are two or three reasons

1760

01:25:26,159 --> 01:25:23,759

I'm not quite following you about the

1761

01:25:28,709 --> 01:25:26,169

purpose of why they would do that like a

1762

01:25:30,449 --> 01:25:28,719

holographic image I I'm not talking

1763

01:25:32,819 --> 01:25:30,459

about on film right now but you're

1764

01:25:36,419 --> 01:25:32,829

talking about when people actually see a

1765

01:25:38,520 --> 01:25:36,429

UFO it's not really clear oh sure the

1766

01:25:42,419 --> 01:25:38,530

UFO intelligence showed me how they do

1767

01:25:45,089 --> 01:25:42,429

it in nineteen in 1993 I was working

1768

01:25:46,969 --> 01:25:45,099

with his Russian contact II I really

1769

01:25:50,459 --> 01:25:46,979

should publish a book about this because

1770

01:25:54,359 --> 01:25:50,469

this was a young man 21 years old I'm 42

1771

01:25:56,189 --> 01:25:54,369

he shows up in my emergency room he I'm

1772

01:25:59,459 --> 01:25:56,199

gonna use a pseudonym on him his name I

1773

01:26:01,169 --> 01:25:59,469

call him Misha and he asked me soon

1774

01:26:04,439 --> 01:26:01,179

after he gets the job as an EKG tech

1775

01:26:06,989 --> 01:26:04,449

what do i what do I think of UFOs and I

1776

01:26:08,429 --> 01:26:06,999

don't know this guy I'm doing contact

1777

01:26:10,350 --> 01:26:08,439

work but I haven't announced to the

1778

01:26:11,790 --> 01:26:10,360

medical group or a lot of people that

1779

01:26:14,629 --> 01:26:11,800

I'm going out in the desert to retract

1780

01:26:18,359 --> 01:26:14,639

UFOs later on I got very open about it

1781

01:26:21,509 --> 01:26:18,369

but I gave some answer to this guy Misha

1782

01:26:22,949 --> 01:26:21,519

I said oh I don't know if there weren't

1783

01:26:25,229 --> 01:26:22,959

intelligence out there would be an

1784

01:26:31,949 --> 01:26:25,239

incredible waste of space that line from

1785

01:26:34,210 --> 01:26:31,959

jodie foster's yeah movie context so a

1786

01:26:36,220 --> 01:26:34,220

year later after i'm running a con

1787

01:26:39,190 --> 01:26:36,230

a team he introduces himself as a

1788

01:26:41,080 --> 01:26:39,200

high-level contactee who has had many

1789

01:26:43,750 --> 01:26:41,090

sightings sort of like dr. Greer he's a

1790

01:26:45,970 --> 01:26:43,760

magnet for this phenomena and he wants

1791

01:26:48,490 --> 01:26:45,980

to join my now well-established contact

1792

01:26:50,380 --> 01:26:48,500

team so I said to him why didn't you

1793

01:26:53,880 --> 01:26:50,390

tell me who you were a year ago his

1794

01:26:57,400 --> 01:26:53,890

answer was chilling he said to me I

1795

01:27:00,490 --> 01:26:57,410

didn't tell you dr. Burks because you

1796

01:27:02,470 --> 01:27:00,500

weren't ready yet and in the course in

1797

01:27:04,330 --> 01:27:02,480

other words the implication was that he

1798

01:27:06,820 --> 01:27:04,340

was in direct telepathic communication

1799

01:27:11,260 --> 01:27:06,830

with the UFO intelligence and they gave

1800

01:27:13,300 --> 01:27:11,270

him to me as a guide but I had to shall

1801
01:27:15,760 --> 01:27:13,310
we say no longer be wet behind my ears

1802
01:27:17,650 --> 01:27:15,770
in terms of the contact work before I

1803
01:27:19,900 --> 01:27:17,660
could integrate a high-powered contact

1804
01:27:22,420 --> 01:27:19,910
dia into my team as soon as he joined

1805
01:27:24,610 --> 01:27:22,430
the team wonderful things started

1806
01:27:26,740 --> 01:27:24,620
happening for me personally my psychic

1807
01:27:29,830 --> 01:27:26,750
ability went way up I started having

1808
01:27:32,830 --> 01:27:29,840
what's called contact downloads on two

1809
01:27:36,910 --> 01:27:32,840
occasions not one but two I was given a

1810
01:27:38,590 --> 01:27:36,920
heads-up telepathically as to when where

1811
01:27:40,420 --> 01:27:38,600
and how many crafts were gonna be

1812
01:27:42,640 --> 01:27:40,430
showing up during the course of our

1813
01:27:46,060 --> 01:27:42,650

fieldwork hours before the events

1814

01:27:48,520 --> 01:27:46,070

occurred and so dr. Greer had alerted us

1815

01:27:51,640 --> 01:27:48,530

to telling us this could happen so if

1816

01:27:54,280 --> 01:27:51,650

you have a very vivid image of when or a

1817

01:27:56,380 --> 01:27:54,290

knowingness of when the crafts are going

1818

01:27:58,930 --> 01:27:56,390

to appear share that with your

1819

01:28:01,000 --> 01:27:58,940

co-workers and I did I said uh in

1820

01:28:03,160 --> 01:28:01,010

October of 1993 when I got this

1821

01:28:05,590 --> 01:28:03,170

telepathic override and we're in Joshua

1822

01:28:07,900 --> 01:28:05,600

Tree spectacular beautiful pristine

1823

01:28:11,020 --> 01:28:07,910

setting you know on the high desert I

1824

01:28:14,890 --> 01:28:11,030

told them show time is 2 o'clock 2 a.m.

1825

01:28:17,230 --> 01:28:14,900

and we took shifts of sky watch rest

1826
01:28:17,860 --> 01:28:17,240
thought projection I said I'm taking the

1827
01:28:21,010 --> 01:28:17,870
first shift

1828
01:28:23,440 --> 01:28:21,020
resting wake me up at 10:00 to 2:00 sure

1829
01:28:26,770 --> 01:28:23,450
enough they woke me up at 10 to 2 and a

1830
01:28:30,040 --> 01:28:26,780
1 UFO appeared just as I had been told

1831
01:28:32,500 --> 01:28:30,050
in the northwest sky at 2 o'clock in the

1832
01:28:36,400 --> 01:28:32,510
morning on the dot this happened again

1833
01:28:39,100 --> 01:28:36,410
later on in 1994 when we did a shoot

1834
01:28:41,230 --> 01:28:39,110
with the encounters television program I

1835
01:28:43,990 --> 01:28:41,240
was told three UFOs were going to show

1836
01:28:45,750 --> 01:28:44,000
up at 9 o'clock at night on the money

1837
01:28:47,709 --> 01:28:45,760
well it wasn't exactly right that time

1838
01:28:49,450 --> 01:28:47,719

one UFO showed up

1839

01:28:51,399 --> 01:28:49,460

three times but it was fifteen minutes

1840

01:28:54,700 --> 01:28:51,409

to nine nine o'clock and then 15 minutes

1841

01:28:57,549 --> 01:28:54,710

after 9:00 so it was close so you know

1842

01:29:00,520 --> 01:28:57,559

so Misha is now part of my contact team

1843

01:29:04,000 --> 01:29:00,530

and we're doing wherever we go we're

1844

01:29:06,640 --> 01:29:04,010

having sightings we have a prolonged

1845

01:29:10,270 --> 01:29:06,650

experience in November of 93 for two and

1846

01:29:12,489 --> 01:29:10,280

a half hours we had what we call jumpers

1847

01:29:15,939 --> 01:29:12,499

there were little like points of light

1848

01:29:17,410 --> 01:29:15,949

that were jumping across the sky and we

1849

01:29:20,350 --> 01:29:17,420

interacted with these jumpers for two

1850

01:29:24,100 --> 01:29:20,360

and a half hours during a windstorm at

1851

01:29:26,469 --> 01:29:24,110

Joshua Tree National Monument a year

1852

01:29:29,500 --> 01:29:26,479

later we want we went out into the field

1853

01:29:31,299 --> 01:29:29,510

and we wanted to have sort of like a

1854

01:29:33,580 --> 01:29:31,309

one-year anniversary of that two and a

1855

01:29:37,439 --> 01:29:33,590

half hour of encounter and we were in

1856

01:29:41,469 --> 01:29:37,449

the same location and I noticed that my

1857

01:29:43,689 --> 01:29:41,479

coworker said there were you that we

1858

01:29:45,969 --> 01:29:43,699

were shooting stars over Negri Hill and

1859

01:29:49,330 --> 01:29:45,979

I'm looking at the same section of sky

1860

01:29:51,879 --> 01:29:49,340

and I saw nothing he said my vision was

1861

01:29:54,640 --> 01:29:51,889

pretty good I said you saw a shooting

1862

01:29:57,279 --> 01:29:54,650

star there he said yes and I looked down

1863

01:29:58,750 --> 01:29:57,289

the barrel of his arm as I mean look

1864

01:30:00,819 --> 01:29:58,760

down the arm as it was the barrel of a

1865

01:30:03,790 --> 01:30:00,829

gun I said where did that you see it he

1866

01:30:07,350 --> 01:30:03,800

says there it is and I saw absolutely

1867

01:30:11,379 --> 01:30:07,360

nothing and he had seen three in a row

1868

01:30:13,750 --> 01:30:11,389

so I I said to him why don't you ask

1869

01:30:16,509 --> 01:30:13,760

them to show me what you just saw and

1870

01:30:20,109 --> 01:30:16,519

lot he said show dr. Burks and like that

1871

01:30:22,899 --> 01:30:20,119

I immediately saw a pale shooting star

1872

01:30:24,790 --> 01:30:22,909

above Negri Hill I said to him was that

1873

01:30:28,149 --> 01:30:24,800

like the three others that you had seen

1874

01:30:29,620 --> 01:30:28,159

he said was exactly like them now my

1875

01:30:31,569 --> 01:30:29,630

heart starts beating because I'm

1876

01:30:34,540 --> 01:30:31,579

thinking this is Showtime they're

1877

01:30:38,379 --> 01:30:34,550

showing me how they can create illusion

1878

01:30:40,930 --> 01:30:38,389

he saw them shooting stars I did not so

1879

01:30:44,620 --> 01:30:40,940

I said to him show me again and he said

1880

01:30:46,959 --> 01:30:44,630

show Joe sure enough like that

1881

01:30:48,910 --> 01:30:46,969

a shooting star up here that was exactly

1882

01:30:51,669 --> 01:30:48,920

like the other one that I had seen and

1883

01:30:54,100 --> 01:30:51,679

the five previous that he had seen in

1884

01:30:57,129 --> 01:30:54,110

that exact location the shooting star

1885

01:30:59,379 --> 01:30:57,139

was the same color the same angle that

1886

01:31:02,639 --> 01:30:59,389

formed with horizon the same length of

1887

01:31:05,319 --> 01:31:02,649

trail although

1888

01:31:07,449 --> 01:31:05,329

my heart's pounding now and I said we

1889

01:31:08,949 --> 01:31:07,459

got this thing called coincidence could

1890

01:31:11,319 --> 01:31:08,959

you show me one more time and at that

1891

01:31:13,179 --> 01:31:11,329

point there was a pregnant pause as if

1892

01:31:15,759 --> 01:31:13,189

the intelligence was saying don't you

1893

01:31:19,599 --> 01:31:15,769

know what we're doing and after about 15

1894

01:31:23,020 --> 01:31:19,609

seconds bingo three in a row six for him

1895

01:31:24,929 --> 01:31:23,030

now they can show me visual displays of

1896

01:31:27,669 --> 01:31:24,939

shooting stars that are exactly the same

1897

01:31:31,060 --> 01:31:27,679

they can do the same exactly the same

1898

01:31:33,849 --> 01:31:31,070

thing for what we identify as alien

1899

01:31:36,040 --> 01:31:33,859

crafts this is a holographic like

1900

01:31:38,290 --> 01:31:36,050

technology which is something we have

1901

01:31:41,409 --> 01:31:38,300

not achieved in this planet because I

1902

01:31:42,699 --> 01:31:41,419

believe it is a mechanism of contact and

1903

01:31:46,089 --> 01:31:42,709

I know we're running out of time so I'll

1904

01:31:50,979 --> 01:31:46,099

stop yeah we've got about about three

1905

01:31:53,919 --> 01:31:50,989

three minutes or so to go here so let me

1906

01:31:55,989 --> 01:31:53,929

ask you this so you get a message can

1907

01:31:58,569 --> 01:31:55,999

you explain how that message comes to

1908

01:32:01,689 --> 01:31:58,579

you and how you know the time and

1909

01:32:03,399 --> 01:32:01,699

everything like how do you know like say

1910

01:32:08,439 --> 01:32:03,409

it's it's going to show up at nine

1911

01:32:10,149 --> 01:32:08,449

o'clock well it's like it's for people

1912

01:32:13,299 --> 01:32:10,159

who describe and I'm not the only one

1913

01:32:14,829 --> 01:32:13,309

that gets telepathic downloads okay it's

1914

01:32:18,099 --> 01:32:14,839

like watching a movie in your head it's

1915

01:32:22,290 --> 01:32:18,109

like an awake dream there's a series of

1916

01:32:25,409 --> 01:32:22,300

visual images plus an acquisition of

1917

01:32:27,939 --> 01:32:25,419

novel 'evil of knowledge a knowingness

1918

01:32:30,879 --> 01:32:27,949

now in the case of what happened in

1919

01:32:35,909 --> 01:32:30,889

Joshua Tree when I was meditating I

1920

01:32:39,009 --> 01:32:35,919

actually saw a UFO in my mind's eye and

1921

01:32:40,899 --> 01:32:39,019

the dargah bone my wife getting dinner

1922

01:32:44,229 --> 01:32:40,909

for the doggies in there they're saying

1923

01:32:46,629 --> 01:32:44,239

they're hungry anyway so I saw this UFO

1924

01:32:49,239 --> 01:32:46,639

in my mind's eye I could actually sense

1925

01:32:51,909 --> 01:32:49,249

the jubilation of it what I identified

1926

01:32:54,279 --> 01:32:51,919

as a bunch of little et guys and you

1927

01:32:58,179 --> 01:32:54,289

could like at that point I realized how

1928

01:32:59,679 --> 01:32:58,189

it was how people call the ETS insects

1929

01:33:01,239 --> 01:32:59,689

because they were moving around in their

1930

01:33:03,219 --> 01:33:01,249

craft and I'm seeing this in my mind's

1931

01:33:06,669 --> 01:33:03,229

eye with tremendous speed and precision

1932

01:33:08,949 --> 01:33:06,679

I also sensed they had a relationship

1933

01:33:10,629 --> 01:33:08,959

with a command ship which I saw in my

1934

01:33:13,179 --> 01:33:10,639

mind's eye that was cylindrical shaped

1935

01:33:15,220 --> 01:33:13,189

and at the level of knowledge I knew

1936

01:33:17,590 --> 01:33:15,230

these guys were going to show up

1937

01:33:20,890 --> 01:33:17,600

two o'clock and I had a series of

1938

01:33:24,190 --> 01:33:20,900

contact downloads for about eight months

1939

01:33:25,690 --> 01:33:24,200

or a year it came on suddenly when I

1940

01:33:27,940 --> 01:33:25,700

first started working with Mischa and

1941

01:33:30,729 --> 01:33:27,950

they disappeared just as quickly and I

1942

01:33:32,950 --> 01:33:30,739

surely wanted them to come back but they

1943

01:33:36,250 --> 01:33:32,960

didn't so they showed me how they did it

1944

01:33:40,210 --> 01:33:36,260

and I shared it with you all right

1945

01:33:43,330 --> 01:33:40,220

Wow that is pretty interesting we have

1946

01:33:45,340 --> 01:33:43,340

just a little bit of time left are you

1947

01:33:48,040 --> 01:33:45,350

do you have like a website or anything

1948

01:33:51,000 --> 01:33:48,050

like that I do not for years I had a

1949

01:33:54,070 --> 01:33:51,010

website nobody ever showed up on

1950

01:33:55,390 --> 01:33:54,080

Facebook and on Facebook I have a

1951

01:33:58,030 --> 01:33:55,400

following it's called the contact

1952

01:34:00,490 --> 01:33:58,040

underground which is kind of Mantic name

1953

01:34:02,950 --> 01:34:00,500

or Joseph Burke's so if you go to

1954

01:34:05,640 --> 01:34:02,960

contact underground all my reports are

1955

01:34:08,830 --> 01:34:05,650

rotated on a six-month basis and

1956

01:34:13,590 --> 01:34:08,840

eventually a publisher book God willing

1957

01:34:16,750 --> 01:34:13,600

we can read about all these stories and

1958

01:34:17,530 --> 01:34:16,760

that's that's my plan at least all right

1959

01:34:21,010 --> 01:34:17,540

excellent

1960

01:34:22,000 --> 01:34:21,020

well I want to thank you so much for I'm

1961

01:34:24,490 --> 01:34:22,010

glad you made it

1962

01:34:26,740 --> 01:34:24,500

and I hope you feel better and thanks

1963

01:34:28,410 --> 01:34:26,750

for coming on not feeling so well I

1964

01:34:30,940 --> 01:34:28,420

appreciate that

1965

01:34:33,010 --> 01:34:30,950

you're welcome and maybe you'll invite

1966

01:34:36,360 --> 01:34:33,020

me back I hope so all right well you

1967

01:34:39,280 --> 01:34:36,370

take care okay all right bye now

1968

01:34:44,350 --> 01:34:39,290

all right everyone so that's it for the

1969

01:34:46,750 --> 01:34:44,360

show next week we have a Fraser Cain up

1970

01:34:50,229 --> 01:34:46,760

Fraser Cain you might know him from

1971

01:34:53,140 --> 01:34:50,239

Universe Today or astronomy cast I love

1972

01:34:55,090 --> 01:34:53,150

that podcast it's a great one he is a

1973

01:34:56,740 --> 01:34:55,100

UFO skeptic and I've actually talked him

1974

01:34:58,420 --> 01:34:56,750

into coming on the show we're gonna be

1975

01:35:00,670 --> 01:34:58,430

talking about UFOs a little bit and

1976

01:35:03,010 --> 01:35:00,680

what's going on in the world of space

1977

01:35:05,830 --> 01:35:03,020

that's it for the show hope to see you

1978

01:35:08,380 --> 01:35:05,840

next week and for you on YouTube I

1979

01:35:10,810 --> 01:35:08,390

apologize for all our issues I'll try to

1980

01:35:12,550 --> 01:35:10,820

edit out some of this for the podcast

1981

01:35:15,340 --> 01:35:12,560

listener some of the issues we had

1982

01:35:16,750 --> 01:35:15,350

thanks so much everyone and we'll be
