

PAUL STARK

1
00:00:08,270 --> 00:00:04,039
so let's start over I'm just kidding you

2
00:00:09,980 --> 00:00:08,280
were talking about spank you okay well I

3
00:00:11,570 --> 00:00:09,990
kind of have to start over hey guys okay

4
00:00:15,230 --> 00:00:11,580
start over on that one yeah okay I'll

5
00:00:17,240 --> 00:00:15,240
try to be quick so your phone is basic

6
00:00:19,279 --> 00:00:17,250
so there's a lot of news about these

7
00:00:22,010 --> 00:00:19,289
extraordinary lights in the sky in LA

8
00:00:22,759 --> 00:00:22,020
just a couple nights ago Sunday night

9
00:00:25,609 --> 00:00:22,769
actually

10
00:00:29,509 --> 00:00:25,619
and that was space X everybody probably

11
00:00:31,759 --> 00:00:29,519
knows that by now however SpaceX tried

12
00:00:33,670 --> 00:00:31,769
to let people know before it happened

13
00:00:35,959 --> 00:00:33,680

you know to keep an eye out that this

14

00:00:39,260 --> 00:00:35,969

spectacular light show would be

15

00:00:41,479 --> 00:00:39,270

happening near LA and people would be

16

00:00:43,280 --> 00:00:41,489

able to see it but it still sparked a

17

00:00:44,930 --> 00:00:43,290

lot of people going what the heck you

18

00:00:46,880 --> 00:00:44,940

know they they just didn't know what was

19

00:00:48,770 --> 00:00:46,890

going on including some of our friends I

20

00:00:50,930 --> 00:00:48,780

got a call from Lee Spiegel is in San

21

00:00:54,200 --> 00:00:50,940

Francisco working with our friend James

22

00:00:55,729 --> 00:00:54,210

Fox the documentary maker and someone

23

00:00:58,400 --> 00:00:55,739

had their neighbor came over and said

24

00:00:59,990 --> 00:00:58,410

hey UFO guys there's a UFO in the sky so

25

00:01:01,849 --> 00:01:00,000

they all ran out and they're amazed by

26

00:01:04,130 --> 00:01:01,859

what they saw I'm liek if Nicole oh my

27

00:01:06,140 --> 00:01:04,140

gosh we just saw a UFO and he sent me

28

00:01:07,820 --> 00:01:06,150

pictures and they were amazing but the

29

00:01:13,070 --> 00:01:07,830

first thing I said was I know what that

30

00:01:14,870 --> 00:01:13,080

is that's SpaceX and which is equally as

31

00:01:16,580 --> 00:01:14,880

exciting I mean he seemed kind of bump

32

00:01:18,590 --> 00:01:16,590

but I think it's very exciting because

33

00:01:20,800 --> 00:01:18,600

essentially what happened and I have my

34

00:01:24,980 --> 00:01:20,810

little rocket pen here to demonstrate

35

00:01:29,330 --> 00:01:24,990

this is actually the Saturn 5 but the

36

00:01:31,190 --> 00:01:29,340

the rocket took off and leaves behind

37

00:01:33,499 --> 00:01:31,200

this gas trail and you see these plumes

38

00:01:35,120 --> 00:01:33,509

of the gas and what's exciting and this

39

00:01:36,890 --> 00:01:35,130

is why we should be excited about having

40

00:01:38,990 --> 00:01:36,900

the pictures and this whole thing being

41

00:01:40,609 --> 00:01:39,000

historic because it also looked cool

42

00:01:42,350 --> 00:01:40,619

coming down because it came back

43

00:01:45,289 --> 00:01:42,360

rockets usually don't come back this is

44

00:01:47,749 --> 00:01:45,299

the first time this rocket landed on the

45

00:01:51,109 --> 00:01:47,759

ground now SpaceX has had falcon 9

46

00:01:53,060 --> 00:01:51,119

rocket launch and come land black on the

47

00:01:55,069 --> 00:01:53,070

planet again to be reusable but in the

48

00:01:57,889 --> 00:01:55,079

past they've used these remote drone

49

00:01:59,870 --> 00:01:57,899

boats that they land on because like the

50

00:02:01,940 --> 00:01:59,880

first couple times it happen the the

51
00:02:03,170 --> 00:02:01,950
rockets fall over and explode and people

52
00:02:05,450 --> 00:02:03,180
would have died if they would have been

53
00:02:08,419 --> 00:02:05,460
on board they were damaged so this was

54
00:02:12,440 --> 00:02:08,429
the first time on land so that's I think

55
00:02:13,780 --> 00:02:12,450
so extremely exciting amazing and you

56
00:02:16,700 --> 00:02:13,790
know is this his this

57
00:02:17,480 --> 00:02:16,710
remotely-operated or is it all do you

58
00:02:19,790 --> 00:02:17,490
know happen to know if it's

59
00:02:21,980 --> 00:02:19,800
computer-operated oh yeah

60
00:02:25,070 --> 00:02:21,990
the whole thing is all computer operated

61
00:02:27,890 --> 00:02:25,080
and then it's complicated but a lot of

62
00:02:29,480 --> 00:02:27,900
even aerospace is like this where you

63
00:02:31,640 --> 00:02:29,490

know it's the fly-by-wire the whole

64

00:02:33,920 --> 00:02:31,650

computers in control because it makes

65

00:02:35,660 --> 00:02:33,930

these minut adjustments just tons and

66

00:02:37,130 --> 00:02:35,670

tons and essentially just the bigger

67

00:02:38,690 --> 00:02:37,140

computer you have the better you can do

68

00:02:41,720 --> 00:02:38,700

this sort of thing and the computers

69

00:02:43,520 --> 00:02:41,730

also learn over time so they learn how

70

00:02:46,130 --> 00:02:43,530

to make the right adjustments to make

71

00:02:49,400 --> 00:02:46,140

sure that the rocket is staying upright

72

00:02:52,490 --> 00:02:49,410

and then also the right pressure for the

73

00:02:54,290 --> 00:02:52,500

Jets to push to be able to land on the

74

00:02:57,290 --> 00:02:54,300

ground like Buck Rogers or something

75

00:02:59,450 --> 00:02:57,300

in fact the dragon spacecraft is going

76

00:03:02,210 --> 00:02:59,460

to be the first likely to be the first

77

00:03:04,580 --> 00:03:02,220

to take humans space for the u.s. again

78

00:03:07,100 --> 00:03:04,590

our contract is out with the Russians

79

00:03:08,960 --> 00:03:07,110

and what they wanted to do SpaceX they

80

00:03:11,000 --> 00:03:08,970

were going to actually land that rocket

81

00:03:12,880 --> 00:03:11,010

that way but they're not going to now

82

00:03:15,860 --> 00:03:12,890

they're just going to use parachutes

83

00:03:17,900 --> 00:03:15,870

Boeing who is the competition who right

84

00:03:19,610 --> 00:03:17,910

now is behind but they may catch up with

85

00:03:22,790 --> 00:03:19,620

SpaceX and they may be the first to put

86

00:03:24,770 --> 00:03:22,800

space people in space next year sometime

87

00:03:26,210 --> 00:03:24,780

but their rocket is going to land on

88

00:03:28,550 --> 00:03:26,220

them but not like this

89

00:03:30,970 --> 00:03:28,560

Falcon did the other night what they're

90

00:03:34,970 --> 00:03:30,980

going to do is they have essentially

91

00:03:38,210 --> 00:03:34,980

balloons they have that that blow up and

92

00:03:41,180 --> 00:03:38,220

then this thing lands on the ground kind

93

00:03:42,980 --> 00:03:41,190

of on these these balloons so that's how

94

00:03:44,810 --> 00:03:42,990

they're gonna do it balloons on the

95

00:03:48,530 --> 00:03:44,820

underside of it are you're talking about

96

00:03:50,450 --> 00:03:48,540

yeah and carriage yeah so you have you

97

00:03:52,340 --> 00:03:50,460

know a capsule I'm looking for something

98

00:03:55,880 --> 00:03:52,350

that looks like a capsule right oh

99

00:04:01,880 --> 00:03:55,890

here's a UFO well that Mark Dantonio

100

00:04:03,890 --> 00:04:01,890

made this well essentially like you know

101
00:04:06,200 --> 00:04:03,900
it's got the parachutes and then it

102
00:04:09,530 --> 00:04:06,210
comes down through the atmosphere and

103
00:04:11,510 --> 00:04:09,540
then below here these like crash bags

104
00:04:14,510 --> 00:04:11,520
you know like we have in our car kind of

105
00:04:17,449 --> 00:04:14,520
inflate and then it's just good monk and

106
00:04:19,400 --> 00:04:17,459
it lands on the ground so just tons of

107
00:04:22,550 --> 00:04:19,410
exciting stuff going on in space and

108
00:04:24,530 --> 00:04:22,560
with the privatization of space that

109
00:04:28,040 --> 00:04:24,540
we've got going on right now all of

110
00:04:30,140 --> 00:04:28,050
these companies are building essentially

111
00:04:33,050 --> 00:04:30,150
crafts that are not like what we've had

112
00:04:34,999 --> 00:04:33,060
in the past so that's why we see all

113
00:04:39,439 --> 00:04:35,009

these lights the other night with SpaceX

114

00:04:41,659 --> 00:04:39,449

and we'll continue to see new innovative

115

00:04:44,180 --> 00:04:41,669

spacecraft especially throughout the

116

00:04:45,950 --> 00:04:44,190

next couple of years being launched and

117

00:04:48,740 --> 00:04:45,960

then coming back through the atmosphere

118

00:04:50,930 --> 00:04:48,750

to the planet so it's going to be an

119

00:04:54,710 --> 00:04:50,940

exciting time from here on out really

120

00:04:56,510 --> 00:04:54,720

it's that the the Space Age again we're

121

00:04:59,029 --> 00:04:56,520

going to be seeing an abundance of

122

00:05:00,950 --> 00:04:59,039

different crafts and things coming in

123

00:05:04,520 --> 00:05:00,960

and out of our atmosphere and that will

124

00:05:06,520 --> 00:05:04,530

only continue as humanity before we kind

125

00:05:09,350 --> 00:05:06,530

of blow ourselves up again or something

126

00:05:11,779 --> 00:05:09,360

but yeah so it's it's just an exciting

127

00:05:13,520 --> 00:05:11,789

time so again you know drones were

128

00:05:15,290 --> 00:05:13,530

something that really changed what

129

00:05:17,959 --> 00:05:15,300

people see in the sky and especially for

130

00:05:19,550 --> 00:05:17,969

those of us who felt UFOs because a lot

131

00:05:21,469 --> 00:05:19,560

of stuff can be drones we're going

132

00:05:24,559 --> 00:05:21,479

through kind of a similar thing where

133

00:05:27,740 --> 00:05:24,569

more and more you know like private

134

00:05:30,760 --> 00:05:27,750

space projects will be misidentified for

135

00:05:34,149 --> 00:05:30,770

UFOs and stuff so I think it's really

136

00:05:36,439 --> 00:05:34,159

exciting right now what we have going on

137

00:05:38,779 --> 00:05:36,449

otherwise let's see some of the other

138

00:05:43,879 --> 00:05:38,789

UFO news that we had talked about the

139

00:05:46,760 --> 00:05:43,889

other day I think this is cool the

140

00:05:50,290 --> 00:05:46,770

casino dot-org I don't think we had

141

00:05:52,670 --> 00:05:50,300

talked about that before on your show so

142

00:05:55,459 --> 00:05:52,680

there's a story there's a few stories

143

00:05:58,309 --> 00:05:55,469

out there I know this Australian paper

144

00:06:01,420 --> 00:05:58,319

had written about it an interactive Mac

145

00:06:04,640 --> 00:06:01,430

tracks every US alien sighting since

146

00:06:06,350 --> 00:06:04,650

1940 well they're not alien sightings

147

00:06:09,920 --> 00:06:06,360

but they are UFO sightings but

148

00:06:12,200 --> 00:06:09,930

essentially casino org put up this UFO

149

00:06:13,999 --> 00:06:12,210

site where they're giving us the odds

150

00:06:15,920 --> 00:06:14,009

what are the odds that you would see a

151
00:06:18,110 --> 00:06:15,930
UFO because you can bet on stuff like

152
00:06:20,869 --> 00:06:18,120
that you know and they have these

153
00:06:23,149 --> 00:06:20,879
dropdowns where you can see how many

154
00:06:25,219 --> 00:06:23,159
sightings have been reported in

155
00:06:27,499 --> 00:06:25,229
different states and different countries

156
00:06:29,659 --> 00:06:27,509
there's also an interactive map where

157
00:06:31,369 --> 00:06:29,669
you can click on it so it's really cool

158
00:06:34,070 --> 00:06:31,379
and then it tells you the odds depending

159
00:06:36,950 --> 00:06:34,080
on the state you live in the odds that

160
00:06:39,560 --> 00:06:36,960
you may see a UFO it's also got a

161
00:06:41,480 --> 00:06:39,570
timeline for different UFO sightings

162
00:06:43,879 --> 00:06:41,490
throughout the years

163
00:06:46,850 --> 00:06:43,889

and some more statistics on UFO

164

00:06:49,010 --> 00:06:46,860

sightings so it is really interesting

165

00:06:51,950 --> 00:06:49,020

site really cool stuff there

166

00:06:55,309 --> 00:06:51,960

I had linked to it and actually casinos

167

00:06:58,010 --> 00:06:55,319

org sent me a thank you on Twitter which

168

00:06:59,900 --> 00:06:58,020

is kind of cool so it seems like and

169

00:07:01,219 --> 00:06:59,910

they interacted a bunch are a little bit

170

00:07:03,379 --> 00:07:01,229

with people seems like they're really

171

00:07:06,020 --> 00:07:03,389

whoever put together that sites really

172

00:07:07,760 --> 00:07:06,030

into the topic but they did a really

173

00:07:10,219 --> 00:07:07,770

good job with that so that's something

174

00:07:13,640 --> 00:07:10,229

that people should check out and I think

175

00:07:16,640 --> 00:07:13,650

they did that in celebration of NASA's

176
00:07:18,710 --> 00:07:16,650
60th anniversary and you had pointed out

177
00:07:20,870 --> 00:07:18,720
on on my podcast this other article

178
00:07:23,779 --> 00:07:20,880
regarding NASA's 60th anniversary which

179
00:07:25,760 --> 00:07:23,789
is why haven't we found aliens yet and

180
00:07:28,490 --> 00:07:25,770
then there was another one in PC

181
00:07:31,129 --> 00:07:28,500
Magazine is here's why aliens will

182
00:07:34,270 --> 00:07:31,139
probably come in peace so these are all

183
00:07:39,260 --> 00:07:34,280
kind of the scientific community's

184
00:07:41,719 --> 00:07:39,270
efforts and ideas behind UFOs and aliens

185
00:07:43,850 --> 00:07:41,729
especially not so much UFOs but still

186
00:07:48,140 --> 00:07:43,860
they're really interesting topics and

187
00:07:52,040 --> 00:07:48,150
ideas that people should check out

188
00:07:53,870 --> 00:07:52,050

excellent ok Alejandro thanks so much no

189

00:07:56,420 --> 00:07:53,880

problem thank you alright

190

00:07:57,409 --> 00:07:56,430

ok everyone and I'll talk to you next

191

00:08:00,140 --> 00:07:57,419

week I appreciate it

192

00:08:01,700 --> 00:08:00,150

you know ok everyone we have to go into

193

00:08:04,010 --> 00:08:01,710

a break here in just one minute but

194

00:08:08,930 --> 00:08:04,020

first before we do I would like to

195

00:08:10,010 --> 00:08:08,940

introduce our guest and and hang on just

196

00:08:14,629 --> 00:08:10,020

one moment

197

00:08:17,930 --> 00:08:14,639

so Paul Stark he is a he is a producer

198

00:08:19,459 --> 00:08:17,940

and he's also a director and the film

199

00:08:22,760 --> 00:08:19,469

we're going to be talking about is the

200

00:08:24,529 --> 00:08:22,770

Vatican deception and it should be a

201
00:08:26,930 --> 00:08:24,539
great one and we've got to go right into

202
00:08:30,140 --> 00:08:26,940
break right after I introduce him ok

203
00:08:31,550 --> 00:08:30,150
Paul welcome to the show thank you hi

204
00:08:33,769 --> 00:08:31,560
Martin thank you for having me on your

205
00:08:37,339 --> 00:08:33,779
show sure enough a thanks for your

206
00:08:40,219 --> 00:08:37,349
patience when I was running behind today

207
00:08:43,310 --> 00:08:40,229
I appreciate that sounds like you love a

208
00:08:44,480 --> 00:08:43,320
big move there so yeah could have

209
00:08:47,180 --> 00:08:44,490
planned a little better I suppose

210
00:08:50,390 --> 00:08:47,190
anyway we have to go into the break so

211
00:08:53,910 --> 00:08:50,400
hang in there everyone this is Martin

212
00:08:56,310 --> 00:08:53,920
with podcast UFO and kgr a radio

213
00:09:04,440 --> 00:08:56,320

I'm with my guest Paul stark and we'll

214

00:09:06,180 --> 00:09:04,450

be right back right after this break all

215

00:09:07,710 --> 00:09:06,190

right brother we're in the clear and

216

00:09:09,600 --> 00:09:07,720

there's a little over four minutes in

217

00:09:14,400 --> 00:09:09,610

this break four minutes okay

218

00:09:16,769 --> 00:09:14,410

all right thank you all right so Paul as

219

00:09:19,769 --> 00:09:16,779

I mentioned when we were I called you

220

00:09:21,840 --> 00:09:19,779

through my phone and Skype and told you

221

00:09:24,509 --> 00:09:21,850

during this during these breaks were

222

00:09:26,819 --> 00:09:24,519

actually live so I guess we could talk

223

00:09:29,610 --> 00:09:26,829

about where do you live you in Canada

224

00:09:31,199 --> 00:09:29,620

right that's right yeah I'm located in

225

00:09:34,259 --> 00:09:31,209

Toronto Canada Oh

226

00:09:39,300 --> 00:09:34,269

Toronto uh-huh and how did you get into

227

00:09:43,350 --> 00:09:39,310

filmmaking well it was an interest of

228

00:09:46,860 --> 00:09:43,360

mine for quite a number of years and I

229

00:09:52,350 --> 00:09:46,870

got into it first by studying filmmaking

230

00:09:54,720 --> 00:09:52,360

at local university here and from there

231

00:09:57,530 --> 00:09:54,730

I started to build my own studio and I

232

00:10:00,480 --> 00:09:57,540

started producing some of my own films

233

00:10:03,720 --> 00:10:00,490

back in 2003 when I started my

234

00:10:07,439 --> 00:10:03,730

production company I produced the short

235

00:10:10,670 --> 00:10:07,449

film which went on to win awards in

236

00:10:14,240 --> 00:10:10,680

Hollywood in New York and Houston and

237

00:10:18,600 --> 00:10:14,250

Toronto so yeah it was a good start but

238

00:10:23,310 --> 00:10:18,610

you know it's it's always you're always

239

00:10:25,920 --> 00:10:23,320

having to work to you know to do more

240

00:10:28,259 --> 00:10:25,930

and to prove yourself you know you can

241

00:10:30,079 --> 00:10:28,269

never just rest on your laurels you're

242

00:10:32,610 --> 00:10:30,089

always having to prove yourself and so

243

00:10:35,220 --> 00:10:32,620

you know that was the beginning and

244

00:10:38,490 --> 00:10:35,230

since then I've produced other

245

00:10:41,309 --> 00:10:38,500

award-winning films and I have to say

246

00:10:43,650 --> 00:10:41,319

this is my first documentary that I've

247

00:10:46,439 --> 00:10:43,660

ever produced oh wow

248

00:10:49,230 --> 00:10:46,449

yeah I know people people will forget

249

00:10:50,939 --> 00:10:49,240

you fast especially you know you think

250

00:10:52,980 --> 00:10:50,949

of a lot of the actors like where are

251
00:10:55,259 --> 00:10:52,990
they now I haven't seen this you know

252
00:10:58,079 --> 00:10:55,269
this person or that person for forever

253
00:11:00,120 --> 00:10:58,089
and they once they're like out of the

254
00:11:02,309 --> 00:11:00,130
light a lot of times it's hard to for

255
00:11:04,559 --> 00:11:02,319
them to get back you know think yeah

256
00:11:07,220 --> 00:11:04,569
that's it and these are people who were

257
00:11:10,880 --> 00:11:07,230
hugely successful people who were know

258
00:11:12,470 --> 00:11:10,890
you know nationally right so I'm I'm

259
00:11:16,550 --> 00:11:12,480
just an independent guy

260
00:11:18,080 --> 00:11:16,560
I'm not well-known yet and so it's got

261
00:11:18,350 --> 00:11:18,090
to be a little more difficult even for

262
00:11:21,440 --> 00:11:18,360
me

263
00:11:23,240 --> 00:11:21,450

and this this topic we will talk about

264

00:11:26,990 --> 00:11:23,250

that we still have a couple minutes left

265

00:11:29,720 --> 00:11:27,000

here so this topic is this something

266

00:11:31,730 --> 00:11:29,730

that you've wanted to explore I mean

267

00:11:34,400 --> 00:11:31,740

it's you know pretty pretty interesting

268

00:11:36,590 --> 00:11:34,410

and I did you know watch the trail I

269

00:11:40,430 --> 00:11:36,600

didn't see the movie itself

270

00:11:42,230 --> 00:11:40,440

and is that movie actually out where

271

00:11:44,450 --> 00:11:42,240

someone can actually watch it or is that

272

00:11:47,240 --> 00:11:44,460

I know it was in limited theaters at one

273

00:11:49,340 --> 00:11:47,250

time right yeah that's right so we did

274

00:11:52,220 --> 00:11:49,350

release it to a limited number of

275

00:11:55,370 --> 00:11:52,230

theaters back earlier this year in

276

00:11:57,320 --> 00:11:55,380

January and it's been screened in

277

00:11:59,960 --> 00:11:57,330

theaters across Canada and also in the

278

00:12:04,160 --> 00:11:59,970

UK and there was also a recent screening

279

00:12:06,470 --> 00:12:04,170

in Cincinnati Ohio but we're actually

280

00:12:08,870 --> 00:12:06,480

about to release the film online now so

281

00:12:11,240 --> 00:12:08,880

that the entire world can get to see

282

00:12:14,330 --> 00:12:11,250

this film and the date for that release

283

00:12:16,520 --> 00:12:14,340

is coming up this Saturday October 13

284

00:12:20,090 --> 00:12:16,530

and how's that and we'll talk a little

285

00:12:23,060 --> 00:12:20,100

bit when we're back on kgr a radio how

286

00:12:25,190 --> 00:12:23,070

is that you said online so how are

287

00:12:26,690 --> 00:12:25,200

people going to watch that it's not like

288

00:12:29,390 --> 00:12:26,700

Netflix or anything like that just

289

00:12:31,790 --> 00:12:29,400

something you'd have to order uh yeah

290

00:12:34,400 --> 00:12:31,800

that's right it's uh you're probably

291

00:12:38,060 --> 00:12:34,410

familiar with Vimeo yep mm-hmm

292

00:12:40,160 --> 00:12:38,070

so Vimeo has a platform a video

293

00:12:42,860 --> 00:12:40,170

on-demand platform that allows people to

294

00:12:45,080 --> 00:12:42,870

to show their films and to you know to

295

00:12:47,300 --> 00:12:45,090

allow people to either rent it or buy it

296

00:12:49,580 --> 00:12:47,310

yeah and so let me be on the videos

297

00:12:52,550 --> 00:12:49,590

video on demand platform that we'll be

298

00:12:54,980 --> 00:12:52,560

releasing it I see okay I think we're

299

00:12:56,900 --> 00:12:54,990

about ready to go back race we're ready

300

00:12:58,490 --> 00:12:56,910

to go about twenty seconds away Martin

301

00:13:01,580 --> 00:12:58,500

okay all right very good

302

00:13:03,680 --> 00:13:01,590

so all right so we'll get through all

303

00:13:04,670 --> 00:13:03,690

that we'll also get into where it's

304

00:13:07,430 --> 00:13:04,680

going to be released and everything

305

00:13:16,940 --> 00:13:07,440

during our talk today all right

306

00:13:25,850 --> 00:13:23,450

that's a long 20 seconds race I want to

307

00:13:26,750 --> 00:13:25,860

let a little a little bit of that bumper

308

00:13:28,820 --> 00:13:26,760

roll first

309

00:13:34,010 --> 00:13:28,830

okay there's 20 seconds till the bumper

310

00:13:36,350 --> 00:13:34,020

started I wanna add a few all right

311

00:13:42,410 --> 00:13:36,360

sounds good okay here we go my friend

312

00:13:45,920 --> 00:13:42,420

yeah in five four three two all right

313

00:13:47,990 --> 00:13:45,930

welcome back my guest is Paul Stark

314

00:13:51,770 --> 00:13:48,000

he has a movie out called the Vatican

315

00:13:55,190 --> 00:13:51,780

deception we're on kgr a radio and the

316

00:13:59,060 --> 00:13:55,200

show is podcast UFO and we're on every

317

00:14:01,400 --> 00:13:59,070

Tuesday on kgr a radio and we're also

318

00:14:04,160 --> 00:14:01,410

you can watch us on live on youtube

319

00:14:07,130 --> 00:14:04,170

streaming at the same time and that's

320

00:14:12,710 --> 00:14:07,140

6:00 to 8:00 p.m. Eastern Standard Time

321

00:14:14,420 --> 00:14:12,720

every Tuesday alright so again we were

322

00:14:18,230 --> 00:14:14,430

before the break I don't have a couple

323

00:14:21,290 --> 00:14:18,240

of minutes so if you can kind of tell

324

00:14:24,860 --> 00:14:21,300

the listening audience basically your

325

00:14:27,830 --> 00:14:24,870

background and and then we'll we'll talk

326

00:14:29,090 --> 00:14:27,840

about we'll talk about your movie and a

327

00:14:33,260 --> 00:14:29,100

certain part of it I want to talk about

328

00:14:34,550 --> 00:14:33,270

Fatima very interested in that so so if

329

00:14:36,500 --> 00:14:34,560

you would give your background if you

330

00:14:38,270 --> 00:14:36,510

would to the you went to film school we

331

00:14:40,780 --> 00:14:38,280

talked about on the break and just kind

332

00:14:44,150 --> 00:14:40,790

of fill in the listener over kgr a radio

333

00:14:48,530 --> 00:14:44,160

yeah sure so I actually I actually

334

00:14:50,690 --> 00:14:48,540

started by studying business and the

335

00:14:54,020 --> 00:14:50,700

reason I got that business background

336

00:14:56,210 --> 00:14:54,030

was because in the film business you you

337

00:14:57,980 --> 00:14:56,220

have to run a business so I have a

338

00:15:03,230 --> 00:14:57,990

degree from Sir Wilfrid Laurier

339

00:15:06,740 --> 00:15:03,240

University and after I graduated there I

340

00:15:12,110 --> 00:15:06,750

started studying filmmaking at Ryerson

341

00:15:16,490 --> 00:15:12,120

University in Toronto Canada and from

342

00:15:19,460 --> 00:15:16,500

from there I decided to open up or start

343

00:15:21,740 --> 00:15:19,470

my own film production company so when I

344

00:15:25,640 --> 00:15:21,750

did that one of the first projects that

345

00:15:26,759 --> 00:15:25,650

I produced was a short film which I

346

00:15:30,119 --> 00:15:26,769

submitted to enough

347

00:15:32,369 --> 00:15:30,129

festivals in North America and the film

348

00:15:35,189 --> 00:15:32,379

ended up winning a number of awards in

349

00:15:38,759 --> 00:15:35,199

in Hollywood in New York and in Houston

350

00:15:41,280 --> 00:15:38,769

and Toronto and so that was my start to

351

00:15:43,590 --> 00:15:41,290

filmmaking I thought if I'm able to do

352

00:15:46,590 --> 00:15:43,600

this on the first film hopefully I can

353

00:15:50,309 --> 00:15:46,600

reproduce the success and start

354

00:15:55,499 --> 00:15:50,319

producing bigger films I had a gentleman

355

00:15:58,979 --> 00:15:55,509

named Brice as Abel on and on the show a

356

00:16:01,799 --> 00:15:58,989

while ago he's brilliant guy and his

357

00:16:05,129 --> 00:16:01,809

wife said to him one day you know you

358

00:16:06,509 --> 00:16:05,139

should you should write like a movies

359

00:16:10,019 --> 00:16:06,519

you you could do that

360

00:16:12,419 --> 00:16:10,029

and like the very first one he ended up

361

00:16:14,400 --> 00:16:12,429

doing I forget within dark dark skies or

362

00:16:15,960 --> 00:16:14,410

something like that ended up doing all

363

00:16:19,049 --> 00:16:15,970

these series one right after the other

364

00:16:22,619 --> 00:16:19,059

was a hit you know I mean not a big hit

365

00:16:24,210 --> 00:16:22,629

but I mean enough to sustain so some

366

00:16:26,639 --> 00:16:24,220

people do get lucky and some people

367

00:16:28,470 --> 00:16:26,649

really have the mind for that for the

368

00:16:29,939 --> 00:16:28,480

YouTube listener

369

00:16:31,859 --> 00:16:29,949

it looks like do you have like an

370

00:16:35,489 --> 00:16:31,869

antique computer behind you is that what

371

00:16:37,019 --> 00:16:35,499

I'm looking at is that open pewter or

372

00:16:41,730 --> 00:16:37,029

what are you in a computer store or

373

00:16:46,619 --> 00:16:41,740

something that's yeah you're looking at

374

00:16:49,499 --> 00:16:46,629

an old CRT television which I've been

375

00:16:52,319 --> 00:16:49,509

meaning place but yeah that is an

376

00:16:55,199 --> 00:16:52,329

antique I guess by today's standards you

377

00:16:59,400 --> 00:16:55,209

know it still works and I'll haven't used

378

00:17:03,350 --> 00:16:59,410

it for probably over a year now but yeah

379

00:17:06,269 --> 00:17:03,360

I'll think that it's time for an upgrade

380

00:17:09,000 --> 00:17:06,279

well hey no it might be worth something

381

00:17:11,730 --> 00:17:09,010

someday I know the Apple one the Apple

382

00:17:13,799 --> 00:17:11,740

the first Apple computer just looks like

383

00:17:15,510 --> 00:17:13,809

a keyboard with a bunch of wires it sold

384

00:17:17,760 --> 00:17:15,520

for over two million dollars at auction

385

00:17:20,159 --> 00:17:17,770

a few years ago you know their exam

386

00:17:22,230 --> 00:17:20,169

experimental model so there is it there

387

00:17:23,970 --> 00:17:22,240

is going to be a market I'm in kind of

388

00:17:25,769 --> 00:17:23,980

like in the market for antiques and all

389

00:17:29,250 --> 00:17:25,779

that stuff and there is going to be a

390

00:17:32,029 --> 00:17:29,260

market someday for computers but yeah I

391

00:17:34,950 --> 00:17:32,039

know I'll be long gone by then anyway

392

00:17:37,680 --> 00:17:34,960

well the key is that the rest of the

393

00:17:39,269 --> 00:17:37,690

equipment is up to date so that's that's

394

00:17:39,629 --> 00:17:39,279

the most important that's right that's

395

00:17:40,169 --> 00:17:39,639

right

396

00:17:42,539 --> 00:17:40,179

so

397

00:17:45,989 --> 00:17:42,549

I'd like to jump in and talk about

398

00:17:49,320 --> 00:17:45,999

Fatima because I mentioned kind of in

399

00:17:53,220 --> 00:17:49,330

the intro that there are different

400

00:17:56,070 --> 00:17:53,230

people have different takes on what and

401
00:18:00,389 --> 00:17:56,080
what took place it's very it's really

402
00:18:04,889 --> 00:18:00,399
fascinating I know it began October 13th

403
00:18:07,919 --> 00:18:04,899
I think it was at 1917 which is wait did

404
00:18:09,950 --> 00:18:07,929
I get that sort of right sort sort of

405
00:18:13,139 --> 00:18:09,960
October 13 was actually the last date

406
00:18:15,590 --> 00:18:13,149
that the apparitions took place and they

407
00:18:21,239 --> 00:18:15,600
started six months earlier on May 13

408
00:18:24,659 --> 00:18:21,249
1917 now and some some people want to

409
00:18:28,169 --> 00:18:24,669
take it the complete you know alien way

410
00:18:31,649 --> 00:18:28,179
and say that the being was an alien

411
00:18:35,009 --> 00:18:31,659
actually and then there's the religious

412
00:18:36,840 --> 00:18:35,019
side where I think your film gets into

413
00:18:41,789 --> 00:18:36,850

and they want to say it was a prophecy

414

00:18:45,210 --> 00:18:41,799

and all that so have you looked at both

415

00:18:48,779 --> 00:18:45,220

sides or because the one thing you know

416

00:18:51,029 --> 00:18:48,789

also called the miracle of the Sun that

417

00:18:53,789 --> 00:18:51,039

one thing sounds an awful lot like a UFO

418

00:18:56,519 --> 00:18:53,799

and a number of people have had

419

00:18:59,600 --> 00:18:56,529

mentioned that some a good friend of the

420

00:19:02,460 --> 00:18:59,610

show Sam moranto has been on the show he

421

00:19:05,190 --> 00:19:02,470

he was following that could be possibly

422

00:19:08,399 --> 00:19:05,200

a UFO and it's certainly unidentified

423

00:19:10,710 --> 00:19:08,409

that's for sure but can you for the

424

00:19:13,080 --> 00:19:10,720

first time listener that's never heard

425

00:19:15,450 --> 00:19:13,090

about the Fatima incident can you kind

426

00:19:18,840 --> 00:19:15,460

of in a nutshell tell the story if you

427

00:19:20,879 --> 00:19:18,850

would yeah sure I'll try to keep it as

428

00:19:22,799 --> 00:19:20,889

concise as I can that because there's

429

00:19:24,779 --> 00:19:22,809

just so much there's so much history

430

00:19:29,519 --> 00:19:24,789

there there's so much detail well we

431

00:19:31,680 --> 00:19:29,529

have playa design yes sir oh oh oh I'll

432

00:19:34,220 --> 00:19:31,690

fill in all of that detail for you as

433

00:19:38,129 --> 00:19:34,230

much as I can as concisely as I can

434

00:19:39,659 --> 00:19:38,139

first of all just to clarify you

435

00:19:41,999 --> 00:19:39,669

mentioned that this is sort of looking

436

00:19:45,450 --> 00:19:42,009

at the religious side of it to some

437

00:19:48,109 --> 00:19:45,460

extent yes because you know we're

438

00:19:51,379 --> 00:19:48,119

showing we're showing what the children

439

00:19:53,360 --> 00:19:51,389

reported and you know obviously their

440

00:19:55,310 --> 00:19:53,370

experience was a religion

441

00:19:57,590 --> 00:19:55,320

experience and so we had to look at it

442

00:19:59,930 --> 00:19:57,600

from that standpoint but for your

443

00:20:01,580 --> 00:19:59,940

listeners who are wondering this is

444

00:20:05,540 --> 00:20:01,590

actually an investigative documentary

445

00:20:07,490 --> 00:20:05,550

and what it does is it investigates sure

446

00:20:10,340 --> 00:20:07,500

we have to give some detail about what

447

00:20:12,799 --> 00:20:10,350

happened in 1917 but then what we're

448

00:20:14,750 --> 00:20:12,809

interested in is what the Vatican did

449

00:20:16,299 --> 00:20:14,760

with that information afterwards and

450

00:20:18,680 --> 00:20:16,309

that's what the investigation is about

451
00:20:22,160 --> 00:20:18,690
what's being concealed and what isn't

452
00:20:24,860 --> 00:20:22,170
and and what's going on there so you

453
00:20:26,450 --> 00:20:24,870
know with that overview I'll give you a

454
00:20:28,820 --> 00:20:26,460
little bit of the history of what

455
00:20:32,900 --> 00:20:28,830
happened in 1917 and what these children

456
00:20:36,260 --> 00:20:32,910
reported so it began on may well it

457
00:20:40,160 --> 00:20:36,270
began before May 13 but you know her for

458
00:20:42,320 --> 00:20:40,170
simplicity let's just say on May 13 this

459
00:20:45,049 --> 00:20:42,330
is when the children started reporting

460
00:20:48,169 --> 00:20:45,059
that the Blessed Virgin was appearing to

461
00:20:50,360 --> 00:20:48,179
them and at the beginning they seemed to

462
00:20:53,150 --> 00:20:50,370
know that it was the Blessed Virgin that

463
00:20:57,380 --> 00:20:53,160

was there sense of it but she never

464

00:20:59,540 --> 00:20:57,390

really identified herself to them she so

465

00:21:04,310 --> 00:20:59,550

the children were also referring to her

466

00:21:06,260 --> 00:21:04,320

as a lady of light and she would appear

467

00:21:08,690 --> 00:21:06,270

to them every single month on the same

468

00:21:10,310 --> 00:21:08,700

day at the same time usually it was

469

00:21:14,450 --> 00:21:10,320

around it was around noon hour

470

00:21:21,740 --> 00:21:14,460

on the 13th day of every month and on

471

00:21:23,810 --> 00:21:21,750

the July 13 apparition this lady of

472

00:21:27,290 --> 00:21:23,820

light the children reported that she

473

00:21:30,650 --> 00:21:27,300

revealed a set of prophecies to the

474

00:21:33,049 --> 00:21:30,660

children and these prophecies were

475

00:21:37,700 --> 00:21:33,059

referred to as the three secrets of

476

00:21:40,250 --> 00:21:37,710

Fatima and you can imagine you know with

477

00:21:42,650 --> 00:21:40,260

every passing month people were learning

478

00:21:46,190 --> 00:21:42,660

about what these children were reporting

479

00:21:49,549 --> 00:21:46,200

and they were becoming curious they were

480

00:21:51,500 --> 00:21:49,559

wondering what's going on and so crowds

481

00:21:53,480 --> 00:21:51,510

were growing every month there were

482

00:21:56,750 --> 00:21:53,490

bigger crowds coming out to see what was

483

00:22:00,950 --> 00:21:56,760

going on and only the children could see

484

00:22:03,140 --> 00:22:00,960

the Blessed Virgin anybody who came out

485

00:22:05,840 --> 00:22:03,150

there didn't see what the children saw

486

00:22:07,280 --> 00:22:05,850

what they were seeing though was what

487

00:22:11,180 --> 00:22:07,290

the people would see was

488

00:22:13,790 --> 00:22:11,190

something a little bit more like they

489

00:22:17,000 --> 00:22:13,800

would notice for example that the the

490

00:22:19,730 --> 00:22:17,010

Sun the hot Sun would be a little bit

491

00:22:23,090 --> 00:22:19,740

dimmed they were able to look at the Sun

492

00:22:25,430 --> 00:22:23,100

without it hurting their eyes they would

493

00:22:28,370 --> 00:22:25,440

see other signs like sometimes they

494

00:22:31,520 --> 00:22:28,380

would see like what seemed like a cloud

495

00:22:33,560 --> 00:22:31,530

over the tree where the the children

496

00:22:38,720 --> 00:22:33,570

were reporting that they were seeing the

497

00:22:40,820 --> 00:22:38,730

Blessed Virgin there were other types of

498

00:22:43,670 --> 00:22:40,830

signs that they saw like petals falling

499

00:22:46,640 --> 00:22:43,680

from the sky so these are the sort of

500

00:22:50,050 --> 00:22:46,650

things that the people saw but the

501
00:22:53,570 --> 00:22:50,060
children they saw this lady of light and

502
00:22:55,640 --> 00:22:53,580
so what was happening over time the news

503
00:22:58,430 --> 00:22:55,650
the secular media was catching wind

504
00:23:01,520 --> 00:22:58,440
about these apparitions and they started

505
00:23:05,390 --> 00:23:01,530
reporting about it in the news and that

506
00:23:07,940 --> 00:23:05,400
a lot of people believed that the

507
00:23:10,490 --> 00:23:07,950
children were making up the stories some

508
00:23:13,300 --> 00:23:10,500
people didn't buy it at all and so these

509
00:23:15,830 --> 00:23:13,310
children were being persecuted and even

510
00:23:17,720 --> 00:23:15,840
Lucia I'll give you the names of the

511
00:23:20,690 --> 00:23:17,730
three children so Lucia was the oldest

512
00:23:23,290 --> 00:23:20,700
one Lucia and dos Santos and she was

513
00:23:28,210 --> 00:23:23,300

there with her two younger cousins

514

00:23:32,930 --> 00:23:28,220

Jacinta and Francisco Marco Marco and

515

00:23:36,490 --> 00:23:32,940

Lucia was 10 years old her her cousins

516

00:23:41,510 --> 00:23:36,500

Jacinta was seven and Martin and

517

00:23:43,910 --> 00:23:41,520

Francisco was eight and so Lucy's mother

518

00:23:45,770 --> 00:23:43,920

her own mother thought that she was

519

00:23:48,560 --> 00:23:45,780

lying that she was making these stories

520

00:23:52,340 --> 00:23:48,570

up and she persecuted her own daughter

521

00:23:54,290 --> 00:23:52,350

and the people from the neighborhood

522

00:23:57,080 --> 00:23:54,300

we're also persecuting these kids and

523

00:24:01,730 --> 00:23:57,090

the media was mocking them and the

524

00:24:03,980 --> 00:24:01,740

persecutions became so bad that Lucia

525

00:24:06,260 --> 00:24:03,990

finally decided to ask this lady can you

526

00:24:08,830 --> 00:24:06,270

perform a miracle so people will believe

527

00:24:12,110 --> 00:24:08,840

that you're really appearing to us and

528

00:24:15,260 --> 00:24:12,120

so she said yeah keep coming every month

529

00:24:17,660 --> 00:24:15,270

at the same time on the same day and on

530

00:24:21,080 --> 00:24:17,670

the final apparition I'll perform a

531

00:24:24,920 --> 00:24:21,090

miracle for everybody to see and so

532

00:24:27,140 --> 00:24:24,930

on October 13 the final apparition there

533

00:24:28,820 --> 00:24:27,150

was a crowd of 70,000 people that came

534

00:24:29,510 --> 00:24:28,830

out in the fields in the middle of

535

00:24:32,120 --> 00:24:29,520

nowhere

536

00:24:33,710 --> 00:24:32,130

to see what was going to happen the

537

00:24:36,740 --> 00:24:33,720

secular media came out there were

538

00:24:38,240 --> 00:24:36,750

photographers everybody came out in this

539

00:24:42,740 --> 00:24:38,250

field to see what was gonna happen

540

00:24:45,500 --> 00:24:42,750

and it's worth noting that during that

541

00:24:48,860 --> 00:24:45,510

night before there were torrential rains

542

00:24:52,240 --> 00:24:48,870

that were falling and the rain was so

543

00:24:56,030 --> 00:24:52,250

heavy that it it flooded the fields

544

00:24:57,920 --> 00:24:56,040

there was water everywhere there was mud

545

00:24:59,510 --> 00:24:57,930

people were soaked coming out in the

546

00:25:03,920 --> 00:24:59,520

field but it didn't deter them they

547

00:25:07,400 --> 00:25:03,930

still came out and at exactly the time

548

00:25:09,920 --> 00:25:07,410

predicted they looked up in the sky and

549

00:25:12,970 --> 00:25:09,930

they could see the clouds parting and

550

00:25:15,110 --> 00:25:12,980

they said that what they witnessed was

551
00:25:19,040 --> 00:25:15,120
what they called the miracle of the Sun

552
00:25:21,140 --> 00:25:19,050
and what they saw what was at the

553
00:25:24,410 --> 00:25:21,150
beginning they said that the Sun looked

554
00:25:26,180 --> 00:25:24,420
like a disc that was spinning and it was

555
00:25:27,980 --> 00:25:26,190
possible for them to look at it with

556
00:25:31,640 --> 00:25:27,990
their eyes without it hurting their eyes

557
00:25:34,310 --> 00:25:31,650
and it began to move in a zigzag pattern

558
00:25:36,590 --> 00:25:34,320
and it began throwing off colors and

559
00:25:40,940 --> 00:25:36,600
they said that they noticed all around

560
00:25:43,730 --> 00:25:40,950
them the colors of you know everything

561
00:25:46,040 --> 00:25:43,740
looked multicolored their clothes looked

562
00:25:48,920 --> 00:25:46,050
colored the trees the grass everything

563
00:25:51,200 --> 00:25:48,930

looked colored and so this continued for

564

00:25:53,450 --> 00:25:51,210

a while with the with the Sun moving

565

00:25:54,770 --> 00:25:53,460

around in a zig-zag pattern and at one

566

00:25:56,690 --> 00:25:54,780

point they said it looked like it had

567

00:25:59,090 --> 00:25:56,700

detached itself from the sky

568

00:26:01,010 --> 00:25:59,100

and they it looked like it was

569

00:26:03,500 --> 00:26:01,020

plummeting toward the earth and

570

00:26:06,050 --> 00:26:03,510

everybody who was there started to panic

571

00:26:07,970 --> 00:26:06,060

people started to you know feel like

572

00:26:11,090 --> 00:26:07,980

they were going to die people fell to

573

00:26:14,690 --> 00:26:11,100

their knees they began to pray they were

574

00:26:17,660 --> 00:26:14,700

praying for forgiveness and and then the

575

00:26:20,960 --> 00:26:17,670

Sun returned to its natural orbit in the

576

00:26:23,120 --> 00:26:20,970

sky but that was the end of it the whole

577

00:26:26,780 --> 00:26:23,130

thing lasted for about ten minutes

578

00:26:28,340 --> 00:26:26,790

and everybody said that when this whole

579

00:26:32,270 --> 00:26:28,350

thing was over they noticed that

580

00:26:34,580 --> 00:26:32,280

everything was suddenly dry all of that

581

00:26:37,850 --> 00:26:34,590

water that had fallen overnight

582

00:26:40,190 --> 00:26:37,860

it had been it was gone and I remembered

583

00:26:42,740 --> 00:26:40,200

scientists reading a report about house

584

00:26:45,580 --> 00:26:42,750

and scientists said that the amount of

585

00:26:48,769 --> 00:26:45,590

energy that would have been required to

586

00:26:50,990 --> 00:26:48,779

evaporate that much water in that sort

587

00:26:54,799 --> 00:26:51,000

of amount of time would have incinerated

588

00:26:57,519 --> 00:26:54,809

the people so it was a very interesting

589

00:27:00,830 --> 00:26:57,529

phenomenon everybody who was there

590

00:27:03,769 --> 00:27:00,840

reported the same thing and that was

591

00:27:07,760 --> 00:27:03,779

essentially what they called the miracle

592

00:27:12,860 --> 00:27:07,770

of the Sun now the remote 70,000 people

593

00:27:15,710 --> 00:27:12,870

in the middle of nowhere and it's just

594

00:27:18,230 --> 00:27:15,720

it's just really really really something

595

00:27:21,169 --> 00:27:18,240

else and there's a lot of images anyone

596

00:27:23,960 --> 00:27:21,179

can find of these images on Google or

597

00:27:28,970 --> 00:27:23,970

anywhere else online and people with

598

00:27:31,519 --> 00:27:28,980

their umbrellas and all that so here's

599

00:27:33,440 --> 00:27:31,529

the here's the the thing about

600

00:27:35,600 --> 00:27:33,450

everything drying is really bizarre and

601
00:27:41,360 --> 00:27:35,610
I know mud was dried up into regular

602
00:27:43,700 --> 00:27:41,370
dried like soil or whatever but we know

603
00:27:45,620 --> 00:27:43,710
that the Sun didn't actually do that you

604
00:27:46,970 --> 00:27:45,630
know the Sun of course all the

605
00:27:48,799 --> 00:27:46,980
scientists in the world would say hey

606
00:27:50,630 --> 00:27:48,809
the Sun did something really weird one

607
00:27:52,940 --> 00:27:50,640
day we also know that the sun's not

608
00:27:54,649 --> 00:27:52,950
really connected to us like like it

609
00:27:58,789 --> 00:27:54,659
could fall down into the you know from

610
00:28:02,240 --> 00:27:58,799
the sky and all that so the only part

611
00:28:05,690 --> 00:28:02,250
that doesn't sound like it's just a

612
00:28:08,029 --> 00:28:05,700
plane you know UFO of some kind is when

613
00:28:11,470 --> 00:28:08,039

it seems to go back to its normal state

614

00:28:16,789 --> 00:28:11,480

you know that doesn't fit the rest of of

615

00:28:18,950 --> 00:28:16,799

what you'd consider like a UFO so yeah

616

00:28:21,200 --> 00:28:18,960

there there is that but there's another

617

00:28:24,260 --> 00:28:21,210

thing that that I find very interesting

618

00:28:26,539 --> 00:28:24,270

with all of this and and because I have

619

00:28:29,539 --> 00:28:26,549

heard how some people suggested that

620

00:28:32,000 --> 00:28:29,549

maybe it was a UFO sighting there's

621

00:28:33,590 --> 00:28:32,010

other people who also suggested that it

622

00:28:38,090 --> 00:28:33,600

might have been a mass hallucination

623

00:28:40,220 --> 00:28:38,100

yeah but getting back to the the UFO

624

00:28:43,240 --> 00:28:40,230

theory one thing that I found very

625

00:28:47,090 --> 00:28:43,250

interesting about this entire event is

626
00:28:48,259 --> 00:28:47,100
the religious aspect of it and you know

627
00:28:51,349 --> 00:28:48,269
it's difficult

628
00:28:54,789 --> 00:28:51,359
to ignore that part of it when you look

629
00:28:57,769 --> 00:28:54,799
back actually before May 13 before these

630
00:29:00,709 --> 00:28:57,779
apparitions started

631
00:29:03,729 --> 00:29:00,719
Lucia reported that something else had

632
00:29:06,709 --> 00:29:03,739
happened before that the year before and

633
00:29:08,570 --> 00:29:06,719
what it was was she said that there were

634
00:29:12,310 --> 00:29:08,580
there was an angel that appeared to her

635
00:29:18,379 --> 00:29:12,320
she called it an angel and this angel

636
00:29:21,049 --> 00:29:18,389
when it appeared to her it I don't know

637
00:29:24,529 --> 00:29:21,059
how familiar you are with the with the

638
00:29:26,690 --> 00:29:24,539

Catholic Mass you might know about you

639

00:29:28,459 --> 00:29:26,700

know how they they they receive the

640

00:29:31,099 --> 00:29:28,469

Eucharist and the body and blood of

641

00:29:33,919 --> 00:29:31,109

Christ they they call it these children

642

00:29:37,219 --> 00:29:33,929

they received the body and blood of

643

00:29:39,649 --> 00:29:37,229

Christ in the sort of a divine form it

644

00:29:41,839 --> 00:29:39,659

appeared to them and they saw this

645

00:29:46,599 --> 00:29:41,849

Eucharist and a chalice floating before

646

00:29:50,659 --> 00:29:46,609

them and they received this communion

647

00:29:53,479 --> 00:29:50,669

from an angel or with with the the

648

00:29:55,729 --> 00:29:53,489

presence of this angel so the thing that

649

00:30:00,079 --> 00:29:55,739

I find doesn't make sense with the UFO

650

00:30:04,789 --> 00:30:00,089

story is that why would you have this

651
00:30:06,949 --> 00:30:04,799
religious thing like UFOs normally don't

652
00:30:09,979 --> 00:30:06,959
function that way you know you don't

653
00:30:11,930 --> 00:30:09,989
usually associate UFOs with with the

654
00:30:14,930 --> 00:30:11,940
Eucharist and with the receiving of a

655
00:30:16,909 --> 00:30:14,940
communion so that's kind of that's the

656
00:30:20,719 --> 00:30:16,919
thing that really comes to mind for me

657
00:30:22,339 --> 00:30:20,729
and also the messages when you look at

658
00:30:24,049 --> 00:30:22,349
the messages that these children receive

659
00:30:26,779 --> 00:30:24,059
they were all messages they were

660
00:30:29,419 --> 00:30:26,789
warnings about what was coming

661
00:30:31,459 --> 00:30:29,429
they were warnings they I I don't

662
00:30:33,289 --> 00:30:31,469
remember ever hearing about a UFO that

663
00:30:36,079 --> 00:30:33,299

predicted something that was coming

664

00:30:39,919 --> 00:30:36,089

so these predictions also make it very

665

00:30:43,069 --> 00:30:39,929

interesting you know what you do here is

666

00:30:47,209 --> 00:30:43,079

you - we hear a lot of a lot of people

667

00:30:50,209 --> 00:30:47,219

are that have had encounters say that

668

00:30:53,029 --> 00:30:50,219

they have like a warning or they could

669

00:30:54,529 --> 00:30:53,039

see the earth and turmoil you know

670

00:30:56,659 --> 00:30:54,539

whether its climate change or whatever

671

00:30:58,159 --> 00:30:56,669

it is we have to take care of the

672

00:31:02,170 --> 00:30:58,169

plaintiff that's a message that a lot of

673

00:31:04,730 --> 00:31:02,180

people do discuss and then you know

674

00:31:10,040 --> 00:31:04,740

playing devil's advocate a little bit

675

00:31:12,890 --> 00:31:10,050

perhaps if going back the other way if

676
00:31:15,410 --> 00:31:12,900
it was some type of and I don't have to

677
00:31:16,250 --> 00:31:15,420
say aliens if it was some type of being

678
00:31:18,470 --> 00:31:16,260
or whatever

679
00:31:20,540 --> 00:31:18,480
perhaps they were communicating in a way

680
00:31:24,380 --> 00:31:20,550
that they thought would be understood

681
00:31:26,960 --> 00:31:24,390
you know but the secrets of Fatima now

682
00:31:29,090 --> 00:31:26,970
there's the two that were released and

683
00:31:33,140 --> 00:31:29,100
then there's the third one that was

684
00:31:35,200 --> 00:31:33,150
supposed to be read actually by the

685
00:31:38,330 --> 00:31:35,210
Vatican right by the Pope of whatever

686
00:31:42,620 --> 00:31:38,340
released basically in 1960 do I have

687
00:31:45,500 --> 00:31:42,630
that right yes that's right so whatever

688
00:31:48,020 --> 00:31:45,510

happened to the and do you know why they

689

00:31:51,830 --> 00:31:48,030

never never talked about the third

690

00:31:55,760 --> 00:31:51,840

secret yeah we do have quite a bit of

691

00:31:58,160 --> 00:31:55,770

information about it to begin with the

692

00:32:02,330 --> 00:31:58,170

first two secrets they were revealed in

693

00:32:04,550 --> 00:32:02,340

the 1940s early 1940's and the third

694

00:32:07,820 --> 00:32:04,560

secret was as you say was supposed to be

695

00:32:10,640 --> 00:32:07,830

released in 1960 and we know this

696

00:32:14,090 --> 00:32:10,650

because the world was anticipating the

697

00:32:16,220 --> 00:32:14,100

release back in the 1950s there was a

698

00:32:19,460 --> 00:32:16,230

film made about the whole story of

699

00:32:21,560 --> 00:32:19,470

Fatima and what happened in 1917 Warner

700

00:32:23,300 --> 00:32:21,570

Brothers released a film about it and it

701
00:32:27,620 --> 00:32:23,310
was actually nominated for an Academy

702
00:32:30,980 --> 00:32:27,630
Award in 1953 so you know so everybody

703
00:32:33,170 --> 00:32:30,990
knew that this third secret was supposed

704
00:32:36,470 --> 00:32:33,180
to be released and they knew that it was

705
00:32:40,820 --> 00:32:36,480
supposed to be 1960 the release year so

706
00:32:44,570 --> 00:32:40,830
when 1960 came the Vatican decided not

707
00:32:46,850 --> 00:32:44,580
to release it and there was a lot of

708
00:32:50,090 --> 00:32:46,860
speculation around what was going on why

709
00:32:52,430 --> 00:32:50,100
they weren't releasing it and so that

710
00:32:57,230 --> 00:32:52,440
became the mystery over the last 50

711
00:33:00,470 --> 00:32:57,240
years now now if you want to find out

712
00:33:02,990 --> 00:33:00,480
what that secrets about you know anybody

713
00:33:06,080 --> 00:33:03,000

who claims that they know the exact

714

00:33:07,850 --> 00:33:06,090

details of it you know I don't I would I

715

00:33:10,490 --> 00:33:07,860

would be skeptical about whether they do

716

00:33:12,380 --> 00:33:10,500

or not but we do have enough information

717

00:33:15,830 --> 00:33:12,390

out there to have a pretty good

718

00:33:18,470 --> 00:33:15,840

understanding of its essence and

719

00:33:20,180 --> 00:33:18,480

just before you move on I just wanted

720

00:33:23,870 --> 00:33:20,190

you to clarify how do you have that

721

00:33:25,580 --> 00:33:23,880

information so this is from testimonies

722

00:33:29,029 --> 00:33:25,590

of people who have actually handled the

723

00:33:31,850 --> 00:33:29,039

secret or read the third secret so these

724

00:33:34,880 --> 00:33:31,860

are like first what they call that it's

725

00:33:37,880 --> 00:33:34,890

like primary source information and one

726

00:33:40,370 --> 00:33:37,890

of the one of the key testimonies comes

727

00:33:41,690 --> 00:33:40,380

from well there's a number of them one

728

00:33:43,940 --> 00:33:41,700

of the people who spoke about it as a

729

00:33:49,100 --> 00:33:43,950

man by the name of Father Malachi Martin

730

00:33:52,549 --> 00:33:49,110

oh yes yeah he was in the Vatican during

731

00:33:56,029 --> 00:33:52,559

this time in the 1960s when they was

732

00:34:00,039 --> 00:33:56,039

supposed to be released and his Cardinal

733

00:34:02,899 --> 00:34:00,049

Cardinal baya was close to the Pope and

734

00:34:05,980 --> 00:34:02,909

he had a chance to read the Third Secret

735

00:34:08,359 --> 00:34:05,990

of fátima through Cardinal baya

736

00:34:10,639 --> 00:34:08,369

father Malik I had a chance to read it

737

00:34:13,609 --> 00:34:10,649

through Cardinal Bay and so he knew the

738

00:34:16,040 --> 00:34:13,619

details of it and he had done a number

739

00:34:18,649 --> 00:34:16,050

of interviews on the art bell show

740

00:34:20,000 --> 00:34:18,659

during the 1990s and he was interviewed

741

00:34:22,750 --> 00:34:20,010

at length about a number of things

742

00:34:26,540 --> 00:34:22,760

including the prophecy of Fatima and

743

00:34:29,389 --> 00:34:26,550

father Malik I had talked about it some

744

00:34:32,300 --> 00:34:29,399

of the things that he said was that the

745

00:34:36,070 --> 00:34:32,310

The Secret of Fatima it involved two key

746

00:34:39,589 --> 00:34:36,080

things number one he said that it would

747

00:34:42,770 --> 00:34:39,599

have something to do with the great

748

00:34:45,800 --> 00:34:42,780

apostasy like a wholesale he called in a

749

00:34:48,589 --> 00:34:45,810

wholesale apostasy throughout the church

750

00:34:52,579 --> 00:34:48,599

among laity and among the Catholic

751

00:34:55,190 --> 00:34:52,589

clergy and he said the other salient

752

00:34:58,130 --> 00:34:55,200

characteristic about it is that it means

753

00:35:01,579 --> 00:34:58,140

intense suffering globally for the

754

00:35:03,620 --> 00:35:01,589

entire world so that's that's one thing

755

00:35:06,349 --> 00:35:03,630

that we know about the Third Secret and

756

00:35:08,620 --> 00:35:06,359

you know when you analyze and you dig

757

00:35:11,690 --> 00:35:08,630

into this you start to realize

758

00:35:14,420 --> 00:35:11,700

especially for anybody who belongs to

759

00:35:17,930 --> 00:35:14,430

the Catholic faith if you start to hear

760

00:35:19,940 --> 00:35:17,940

about this this wholesale apostasy it's

761

00:35:24,349 --> 00:35:19,950

it's basically it's an attack on your

762

00:35:27,349 --> 00:35:24,359

own faith it's it's um it's it's an

763

00:35:29,240 --> 00:35:27,359

abandonment of faith that could have a

764

00:35:32,650 --> 00:35:29,250

devastating impact on the

765

00:35:35,060 --> 00:35:32,660

entire church of 1.2 billion people so

766

00:35:37,910 --> 00:35:35,070

that would pretty much fit the bill of

767

00:35:39,320 --> 00:35:37,920

something that would you know that would

768

00:35:41,990 --> 00:35:39,330

give motivation that would give

769

00:35:45,920 --> 00:35:42,000

motivation to the the top people in the

770

00:35:49,430 --> 00:35:45,930

church to conceal interesting and I know

771

00:35:53,620 --> 00:35:49,440

you know right now the of course the

772

00:35:56,330 --> 00:35:53,630

Catholic you know religion is under fire

773

00:35:59,630 --> 00:35:56,340

basically with the with a lot of

774

00:36:03,170 --> 00:35:59,640

scandals going on so they're probably

775

00:36:04,730 --> 00:36:03,180

this is something they wouldn't you know

776

00:36:06,850 --> 00:36:04,740

feel like they had to release I mean

777

00:36:10,160 --> 00:36:06,860

they have their hands full right now

778

00:36:12,710 --> 00:36:10,170

yeah that's that's right there's enough

779

00:36:15,020 --> 00:36:12,720

controversy now that it's not something

780

00:36:17,690 --> 00:36:15,030

they would want to bring up and yet it's

781

00:36:20,090 --> 00:36:17,700

interesting because you know if you went

782

00:36:22,550 --> 00:36:20,100

back to the 1960s when this was actually

783

00:36:25,220 --> 00:36:22,560

supposed to be released and if you had

784

00:36:28,210 --> 00:36:25,230

told a Catholic back then that such a

785

00:36:32,780 --> 00:36:28,220

time would would come in our lifetime

786

00:36:36,680 --> 00:36:32,790

when the church would unravel and they

787

00:36:38,630 --> 00:36:36,690

would appear to be collapsing back then

788

00:36:40,190 --> 00:36:38,640

they would never have believed it they

789

00:36:42,680 --> 00:36:40,200

would have said you're crazy this

790

00:36:45,020 --> 00:36:42,690

institutions 2,000 years old and it

791

00:36:46,520 --> 00:36:45,030

survived and for you to say something

792

00:36:49,820 --> 00:36:46,530

like that just doesn't make any sense

793

00:36:52,370 --> 00:36:49,830

and yet here we are now the prediction

794

00:36:55,790 --> 00:36:52,380

is actually fulfilling itself we are

795

00:36:59,510 --> 00:36:55,800

seeing scandals beyond our imagination

796

00:37:02,630 --> 00:36:59,520

and even Pope Benedict the 16th last

797

00:37:04,160 --> 00:37:02,640

year he himself said that churches on

798

00:37:07,610 --> 00:37:04,170

the verge of capsizing

799

00:37:10,340 --> 00:37:07,620

so what seemed to be like an impossible

800

00:37:13,130 --> 00:37:10,350

prediction is actually fulfilling itself

801

00:37:15,650 --> 00:37:13,140

so this is what you know I find very

802

00:37:18,980 --> 00:37:15,660

interesting with the Fatima prophecies

803

00:37:20,570 --> 00:37:18,990

is this was predicted and it could never

804

00:37:23,570 --> 00:37:20,580

have been it could never have been

805

00:37:25,880 --> 00:37:23,580

imagined so this was that was one of the

806

00:37:30,440 --> 00:37:25,890

things that were that were predicted in

807

00:37:30,950 --> 00:37:30,450

and one of the so-called secrets that's

808

00:37:34,460 --> 00:37:30,960

right

809

00:37:37,010 --> 00:37:34,470

so what we're referring to here is where

810

00:37:39,590 --> 00:37:37,020

Malachi Martin talked about the the

811

00:37:42,020 --> 00:37:39,600

great apostasy or the apostille the

812

00:37:43,069 --> 00:37:42,030

wholesale apostasy in the church there

813

00:37:49,309 --> 00:37:43,079

was another car

814

00:37:52,609 --> 00:37:49,319

actually a cardinal t@b who also read

815

00:37:55,190 --> 00:37:52,619

the third secret and he also said that

816

00:37:57,650 --> 00:37:55,200

in the third secret it is foretold among

817

00:37:59,420 --> 00:37:57,660

other things that the great apostasy in

818

00:38:03,499 --> 00:37:59,430

the church would begin at the top

819

00:38:04,609 --> 00:38:03,509

well he's referring to something you

820

00:38:08,599 --> 00:38:04,619

know obviously at the very highest

821

00:38:11,690 --> 00:38:08,609

levels of the hierarchy something like

822

00:38:13,519 --> 00:38:11,700

that again like you know it would have

823

00:38:17,239 --> 00:38:13,529

been hard to imagine something like that

824

00:38:20,209 --> 00:38:17,249

even even 15 or 20 years ago and yet

825

00:38:25,130 --> 00:38:20,219

here we are now living and seeing for

826

00:38:27,289 --> 00:38:25,140

ourselves we have a lot of stuff going

827

00:38:30,019 --> 00:38:27,299

on as you've been hearing in the media

828

00:38:32,239 --> 00:38:30,029

that is making you wonder what's going

829

00:38:34,819 --> 00:38:32,249

on at the top and and do they even still

830

00:38:39,469 --> 00:38:34,829

believe in their own values in their own

831

00:38:40,759 --> 00:38:39,479

their own faith their own dogma and you

832

00:38:43,509 --> 00:38:40,769

know I'll let people answer that

833

00:38:45,890 --> 00:38:43,519

question for themselves but you know I

834

00:38:48,349 --> 00:38:45,900

you have brought the tension to it

835

00:38:51,920 --> 00:38:48,359

obviously something's going on but it

836

00:38:54,219 --> 00:38:51,930

was predicted and we're seeing it yeah

837

00:38:59,660 --> 00:38:54,229

all right so we're ready to go to break

838

00:39:01,910 --> 00:38:59,670

so hang in there we'll be back for kgr a

839

00:39:10,200 --> 00:39:01,920

radio this is Martyn Willis with my

840

00:39:20,370 --> 00:39:14,300

yeah all right let me count here one two

841

00:39:24,920 --> 00:39:20,380

three or four minutes and 26 seconds

842

00:39:27,390 --> 00:39:24,930

okay set the time I did yep okay

843

00:39:30,300 --> 00:39:27,400

sorry that I missed you there Martin

844

00:39:32,010 --> 00:39:30,310

your message oh oh yeah no problem no

845

00:39:34,520 --> 00:39:32,020

problem I danced I found and I looked up

846

00:39:37,380 --> 00:39:34,530

and you'd already messaged me there yeah

847

00:39:39,390 --> 00:39:37,390

okay hey race before you go just let you

848

00:39:42,870 --> 00:39:39,400

know up just shoot me over the raw file

849

00:39:43,770 --> 00:39:42,880

right after would you yes sir yeah I

850

00:39:47,070 --> 00:39:43,780

appreciate that

851

00:39:51,270 --> 00:39:47,080

Thanks Thanks alright so um in this

852

00:39:54,180 --> 00:39:51,280

break we'll actually be taking calls you

853

00:39:56,430 --> 00:39:54,190

know in a little bit so Evan if you

854

00:39:59,670 --> 00:39:56,440

don't mind putting up the call number up

855

00:40:01,680 --> 00:39:59,680

there so we'll be taking calls in this

856

00:40:04,020 --> 00:40:01,690

second hour it's not going to be quite

857

00:40:06,450 --> 00:40:04,030

an hour because we're on the radio

858

00:40:08,040 --> 00:40:06,460

station and it's cutting into their time

859

00:40:13,650 --> 00:40:08,050

a little bit so it's going to be short

860

00:40:17,760 --> 00:40:13,660

of that so for something for us to talk

861

00:40:23,040 --> 00:40:17,770

about for about three and a half minutes

862

00:40:25,830 --> 00:40:23,050

here how about how your film has been

863

00:40:29,190 --> 00:40:25,840

received so far it sounds like it sounds

864

00:40:32,100 --> 00:40:29,200

like it it's actually got some momentum

865

00:40:35,010 --> 00:40:32,110

what are some other parts in the film

866

00:40:38,220 --> 00:40:35,020

besides you know Fatima can you just

867

00:40:40,110 --> 00:40:38,230

touch on some of those uh yes let me

868

00:40:42,120 --> 00:40:40,120

think because I mean the focus obviously

869

00:40:45,030 --> 00:40:42,130

is on the prophecies that predictions

870

00:40:47,220 --> 00:40:45,040

and and how we're actually seeing the

871

00:40:49,740 --> 00:40:47,230

fulfillment of them one of the

872

00:40:52,560 --> 00:40:49,750

predictions was about the the start of

873

00:40:54,480 --> 00:40:52,570

World War two that was very interesting

874

00:40:55,950 --> 00:40:54,490

and your listeners might want to have a

875

00:40:58,740 --> 00:40:55,960

look at this I don't know if I should

876

00:41:00,060 --> 00:40:58,750

wait until we get back back on but your

877

00:41:03,810 --> 00:41:00,070

listeners that can have a look at this

878

00:41:07,230 --> 00:41:03,820

if you google aurora borealis which

879

00:41:12,030 --> 00:41:07,240

means Northern Lights and you look for

880

00:41:14,970 --> 00:41:12,040

the date January 25th 1938 you'll find

881

00:41:17,070 --> 00:41:14,980

that something happened on that date and

882

00:41:20,280 --> 00:41:17,080

it was predicted by the prophecies of

883

00:41:22,980 --> 00:41:20,290

Fatima the way the second secret was

884

00:41:23,850 --> 00:41:22,990

written it said when you see a strange

885

00:41:25,170 --> 00:41:23,860

light

886

00:41:26,850 --> 00:41:25,180

so I'm sorry when you need to see a

887

00:41:28,920 --> 00:41:26,860

night illuminated by a strange light

888

00:41:32,220 --> 00:41:28,930

this would be a sign during the reign of

889

00:41:36,180 --> 00:41:32,230

pius xi that our worst war is about to

890

00:41:40,170 --> 00:41:36,190

break out and when you look at that date

891

00:41:42,750 --> 00:41:40,180

January 25th 1938 aurora borealis you'll

892

00:41:45,030 --> 00:41:42,760

find that there was a very strange light

893

00:41:47,460 --> 00:41:45,040

that appeared in the sky and it was seen

894

00:41:49,860 --> 00:41:47,470

on five different continents in 8th

895

00:41:52,230 --> 00:41:49,870

England the light was so bright that

896

00:41:54,870 --> 00:41:52,240

they thought Windsor Castle was burning

897

00:41:57,060 --> 00:41:54,880

down and they actually dispatched fire

898

00:41:58,710 --> 00:41:57,070

department they actually dispatched the

899

00:42:01,170 --> 00:41:58,720

fire department this is written up in

900

00:42:02,460 --> 00:42:01,180

the New York Times because that's how

901
00:42:05,460 --> 00:42:02,470
bright the light was they thought that

902
00:42:12,290 --> 00:42:05,470
there was a fire at Windsor Castle so

903
00:42:15,000 --> 00:42:12,300
now what happened 8 days after this the

904
00:42:17,850 --> 00:42:15,010
Hitler promoted himself to the general

905
00:42:20,010 --> 00:42:17,860
of the German army and about 34 days

906
00:42:23,430 --> 00:42:20,020
after that they marched into Austria and

907
00:42:25,740 --> 00:42:23,440
they annexed it to Germany and sure

908
00:42:28,110 --> 00:42:25,750
enough said the Second World War it

909
00:42:31,170 --> 00:42:28,120
escalated from there and what's

910
00:42:33,660 --> 00:42:31,180
interesting is that that light that

911
00:42:36,260 --> 00:42:33,670
seemed to have come right before the

912
00:42:38,880 --> 00:42:36,270
beginning of World War 2 it actually

913
00:42:40,680 --> 00:42:38,890

appeared exactly during the reign of

914

00:42:42,870 --> 00:42:40,690

pope pius xi

915

00:42:46,920 --> 00:42:42,880

now what's interesting with that is that

916

00:42:50,190 --> 00:42:46,930

when the prediction was made that Pope

917

00:42:52,050 --> 00:42:50,200

wasn't elected yet and as you may know

918

00:42:54,900 --> 00:42:52,060

you know you don't normally know what

919

00:42:57,740 --> 00:42:54,910

name a pope will take on until they're

920

00:43:00,930 --> 00:42:57,750

elected and they choose their own name

921

00:43:03,480 --> 00:43:00,940

so for them to know the name of the Pope

922

00:43:05,670 --> 00:43:03,490

and to know that this light would happen

923

00:43:09,240 --> 00:43:05,680

during his reign and that this that

924

00:43:12,390 --> 00:43:09,250

would treat predicate the the start of

925

00:43:14,580 --> 00:43:12,400

World War two it's all very impressive

926
00:43:17,430 --> 00:43:14,590
so I find that's a very interesting

927
00:43:20,010 --> 00:43:17,440
thing with with the Fatima prophecies

928
00:43:22,320 --> 00:43:20,020
and maybe one other thing I can throw in

929
00:43:25,310 --> 00:43:22,330
there quickly if we have time just one

930
00:43:27,360 --> 00:43:25,320
of the seconds yep we're good to go

931
00:43:30,830 --> 00:43:27,370
sorry I could probably squeeze it in

932
00:43:35,160 --> 00:43:30,840
there is that we we also discuss a

933
00:43:37,110 --> 00:43:35,170
council that took place during 1960 it

934
00:43:39,450 --> 00:43:37,120
was called the Second Vatican Council

935
00:43:42,780 --> 00:43:39,460
and it revolutionized the church it

936
00:43:44,520 --> 00:43:42,790
abandoned traditional dogma and it was

937
00:43:46,890 --> 00:43:44,530
the beginning of the end if you can put

938
00:43:50,010 --> 00:43:46,900

it that way of the church and it's

939

00:43:53,490 --> 00:43:50,020

collapsed so here we go sorry

940

00:43:56,370 --> 00:43:53,500

here we go Martin and five and this is

941

00:44:01,380 --> 00:43:56,380

commercial-free for the hour yep all

942

00:44:05,130 --> 00:44:01,390

right here we go in five four three two

943

00:44:06,900 --> 00:44:05,140

all right welcome back this is Martin

944

00:44:09,930 --> 00:44:06,910

Willis my guest is Paul Stark

945

00:44:15,410 --> 00:44:09,940

we're on kgr a radio and we are talking

946

00:44:17,940 --> 00:44:15,420

about the Vatican and so much more

947

00:44:21,180 --> 00:44:17,950

we I can't remember exactly where we

948

00:44:22,980 --> 00:44:21,190

left off before the last break but we

949

00:44:24,960 --> 00:44:22,990

were I believe talking about the

950

00:44:28,610 --> 00:44:24,970

Catholic Church kind of crumbling

951
00:44:30,780 --> 00:44:28,620
possibly and the the current Pope is I

952
00:44:32,880 --> 00:44:30,790
don't want to say controversial but a

953
00:44:36,300 --> 00:44:32,890
little bit different than the norm

954
00:44:39,450 --> 00:44:36,310
wouldn't you say yeah he's actually very

955
00:44:43,230 --> 00:44:39,460
different from the norm I mean I just

956
00:44:45,990 --> 00:44:43,240
read in the news recently there were

957
00:44:48,990 --> 00:44:46,000
photos of him carrying what's called a

958
00:44:50,760 --> 00:44:49,000
stain I don't know if you're you if

959
00:44:54,810 --> 00:44:50,770
you're viewers or listeners are familiar

960
00:44:58,500 --> 00:44:54,820
with that term it's apparently it's like

961
00:45:02,310 --> 00:44:58,510
a staff that is used by witches or for

962
00:45:05,030 --> 00:45:02,320
witchcraft to see a pope carrying this

963
00:45:08,520 --> 00:45:05,040

kind of thing instead of a crucifix is

964

00:45:11,130 --> 00:45:08,530

is that it's extremely unusual you know

965

00:45:15,060 --> 00:45:11,140

yeah it's you would never see anything

966

00:45:16,950 --> 00:45:15,070

like that in the past he also there was

967

00:45:20,220 --> 00:45:16,960

a time a couple of years back where he

968

00:45:24,320 --> 00:45:20,230

was he met with the president of Bolivia

969

00:45:27,780 --> 00:45:24,330

and the president of Bolivia handed him

970

00:45:31,290 --> 00:45:27,790

what was like a crucifix but it was it

971

00:45:34,500 --> 00:45:31,300

was like the the Christ crucified on on

972

00:45:37,470 --> 00:45:34,510

a on the communist symbol of the hammer

973

00:45:39,060 --> 00:45:37,480

and sickle and you know if you're

974

00:45:42,930 --> 00:45:39,070

familiar with the history of the church

975

00:45:45,270 --> 00:45:42,940

it hit the condemned communism for four

976
00:45:48,660 --> 00:45:45,280
centuries and now all of a sudden you

977
00:45:51,000 --> 00:45:48,670
had this Francis in in the Vatican

978
00:45:53,730 --> 00:45:51,010
accepting this as a gift

979
00:45:55,490 --> 00:45:53,740
which was extremely unusual so we're

980
00:45:57,990 --> 00:45:55,500
seeing all kinds of things like this

981
00:46:03,360 --> 00:45:58,000
I'll give you one more example we could

982
00:46:06,750 --> 00:46:03,370
probably go on and on but back earlier

983
00:46:07,620 --> 00:46:06,760
this year there was the the founder of

984
00:46:10,230 --> 00:46:07,630
La Repubblica

985
00:46:14,400 --> 00:46:10,240
which is one of the largest daily

986
00:46:17,370 --> 00:46:14,410
newspapers in in Italy and that man is

987
00:46:21,060 --> 00:46:17,380
an atheist and he apparently meets with

988
00:46:23,880 --> 00:46:21,070

Francis now and then and they had a

989

00:46:25,620 --> 00:46:23,890

meeting earlier this year and he came

990

00:46:29,490 --> 00:46:25,630

back from that meeting and he claimed

991

00:46:34,410 --> 00:46:29,500

that Francis told him he didn't believe

992

00:46:39,420 --> 00:46:34,420

in the existence of Hell for Pope to say

993

00:46:41,040 --> 00:46:39,430

that is is if and I'm saying if he said

994

00:46:42,840 --> 00:46:41,050

this by the way because we don't have

995

00:46:45,870 --> 00:46:42,850

the proof one way or another

996

00:46:50,340 --> 00:46:45,880

Francis never denied it openly did he

997

00:46:54,300 --> 00:46:50,350

said that but if he said it we have a

998

00:46:56,640 --> 00:46:54,310

sitting Pope that that appears to be

999

00:46:59,780 --> 00:46:56,650

claiming things that are contrary to the

1000

00:47:02,970 --> 00:46:59,790

belief system of the Catholic faith and

1001
00:47:05,220 --> 00:47:02,980
you know that's exactly what the word

1002
00:47:07,260 --> 00:47:05,230
apostasy means it's exactly what father

1003
00:47:09,570 --> 00:47:07,270
Malachi Martin said that the third

1004
00:47:10,830 --> 00:47:09,580
prophecy of Fatima was a vote about the

1005
00:47:13,110 --> 00:47:10,840
apostasy in the church

1006
00:47:15,870 --> 00:47:13,120
it's exactly what Cardinal Chiaki was

1007
00:47:18,420 --> 00:47:15,880
warning about in 1995 when he said the

1008
00:47:20,940 --> 00:47:18,430
great apostasy will begin at the top so

1009
00:47:24,960 --> 00:47:20,950
these statements we have from these

1010
00:47:27,300 --> 00:47:24,970
Vatican insiders they seem to be exactly

1011
00:47:29,550 --> 00:47:27,310
in line now with what we're seeing and

1012
00:47:32,580 --> 00:47:29,560
witnessing with our very own eyes today

1013
00:47:35,400 --> 00:47:32,590

so these are all very interesting things

1014

00:47:37,860 --> 00:47:35,410

that are happening and you know it's as

1015

00:47:40,670 --> 00:47:37,870

you say it's this particular Pope that

1016

00:47:44,040 --> 00:47:40,680

is very different from other Pope's

1017

00:47:48,060 --> 00:47:44,050

right right I used to love listening to

1018

00:47:50,730 --> 00:47:48,070

art Bell and father malachi he was very

1019

00:47:54,300 --> 00:47:50,740

interesting he was involved in exorcisms

1020

00:47:56,160 --> 00:47:54,310

and all kinds of all kinds of things a

1021

00:47:59,460 --> 00:47:56,170

very interesting guy he's passed away

1022

00:48:02,100 --> 00:47:59,470

you know number of years ago but yeah it

1023

00:48:04,140 --> 00:48:02,110

was always great listening to him and so

1024

00:48:08,309 --> 00:48:04,150

also while we're on this

1025

00:48:10,289 --> 00:48:08,319

epic I'm sure you probably heard that I

1026

00:48:12,000 --> 00:48:10,299

believe it was the Pope prior to this

1027

00:48:15,180 --> 00:48:12,010

the one that we retired which is

1028

00:48:18,630 --> 00:48:15,190

actually rather unusual too you know for

1029

00:48:19,650 --> 00:48:18,640

a pope to retire but I believe he said

1030

00:48:24,420 --> 00:48:19,660

that

1031

00:48:26,579 --> 00:48:24,430

it's extraterrestrials are most likely

1032

00:48:28,230 --> 00:48:26,589

out there and we should baptize it or

1033

00:48:31,589 --> 00:48:28,240

something like that did you ever hear

1034

00:48:34,650 --> 00:48:31,599

any of that yeah you know I have

1035

00:48:37,500 --> 00:48:34,660

actually heard about that and it was a

1036

00:48:41,220 --> 00:48:37,510

bit of a departure from like you say

1037

00:48:44,670 --> 00:48:41,230

what we're accustomed to hearing I don't

1038

00:48:46,049 --> 00:48:44,680

remember exactly the terms he used it it

1039

00:48:48,710 --> 00:48:46,059

seemed as though I think he was

1040

00:48:51,630 --> 00:48:48,720

basically saying that it's worth

1041

00:48:54,390 --> 00:48:51,640

investigating you know whether there's

1042

00:48:58,890 --> 00:48:54,400

other life out there so he did seem to

1043

00:49:00,599 --> 00:48:58,900

open the door on that I think you said

1044

00:49:03,870 --> 00:49:00,609

that do we should count them as our

1045

00:49:05,339 --> 00:49:03,880

brothers yeah it may be something like

1046

00:49:07,500 --> 00:49:05,349

that I don't remember the exact words

1047

00:49:13,049 --> 00:49:07,510

thanks race I think that was God wasn't

1048

00:49:15,809 --> 00:49:13,059

it but I do remember when that came out

1049

00:49:18,510 --> 00:49:15,819

that that he said something about you

1050

00:49:21,210 --> 00:49:18,520

know if they are you know a creation of

1051
00:49:23,400 --> 00:49:21,220
life from God that we should count them

1052
00:49:27,839 --> 00:49:23,410
as our brothers and sisters race were

1053
00:49:30,390 --> 00:49:27,849
you eavesdropping and I also happen to

1054
00:49:32,730 --> 00:49:30,400
be Catholic so I see I got all this

1055
00:49:35,309 --> 00:49:32,740
stuff pretty tightly how about that

1056
00:49:38,339 --> 00:49:35,319
well join in anytime you're welcome race

1057
00:49:39,990 --> 00:49:38,349
so well thank you Anna I apologize for

1058
00:49:43,200 --> 00:49:40,000
that interruption oh not at all no no

1059
00:49:45,599 --> 00:49:43,210
another thing also I think it's

1060
00:49:48,680 --> 00:49:45,609
fascinating that they have an incredible

1061
00:49:51,120 --> 00:49:48,690
telescope in their own observatory and

1062
00:49:53,180 --> 00:49:51,130
you know that that whole part is very

1063
00:49:57,539 --> 00:49:53,190

fascinating to me that they're actually

1064

00:49:59,849 --> 00:49:57,549

interested in in looking out there yes

1065

00:50:01,620 --> 00:49:59,859

yeah and they have been for quite a long

1066

00:50:04,799 --> 00:50:01,630

time now

1067

00:50:07,170 --> 00:50:04,809

you know I a lot of people don't know

1068

00:50:08,730 --> 00:50:07,180

but it from from my understanding and I

1069

00:50:12,059 --> 00:50:08,740

haven't done a lot of research on this

1070

00:50:15,269 --> 00:50:12,069

but I have heard that they they did used

1071

00:50:16,849 --> 00:50:15,279

to look to the stars for messages from

1072

00:50:18,769 --> 00:50:16,859

God from like

1073

00:50:21,079 --> 00:50:18,779

you know for insight or fer for

1074

00:50:23,599 --> 00:50:21,089

understanding and you know it would make

1075

00:50:26,779 --> 00:50:23,609

sense if you think about it because we

1076

00:50:29,180 --> 00:50:26,789

always imagined and understood that God

1077

00:50:32,690 --> 00:50:29,190

came from the heavens that's that's the

1078

00:50:34,190 --> 00:50:32,700

that's the doctrine so where do you look

1079

00:50:38,089 --> 00:50:34,200

when you're looking to the heavens you

1080

00:50:40,039 --> 00:50:38,099

look up you look up into the sky and you

1081

00:50:44,569 --> 00:50:40,049

know there has been a fascination with

1082

00:50:47,630 --> 00:50:44,579

the Stars and within the church for many

1083

00:50:50,420 --> 00:50:47,640

years and and astrologers used to study

1084

00:50:54,229 --> 00:50:50,430

the Stars and look for for insights that

1085

00:50:57,259 --> 00:50:54,239

way so you know it's not a new thing now

1086

00:50:59,299 --> 00:50:57,269

I think their understanding of what they

1087

00:51:02,539 --> 00:50:59,309

can understand from the Stars probably

1088

00:51:03,200 --> 00:51:02,549

evolved over time but but that isn't

1089

00:51:04,849 --> 00:51:03,210

anything new

1090

00:51:07,370 --> 00:51:04,859

and I'm sure that the interest is still

1091

00:51:11,559 --> 00:51:07,380

there obviously from the comments from

1092

00:51:16,309 --> 00:51:11,569

benedict xvi i had tried to reach out to

1093

00:51:18,920 --> 00:51:16,319

one of the one of the astronomer priests

1094

00:51:20,210 --> 00:51:18,930

at the observatory i think it's in do i

1095

00:51:22,579 --> 00:51:20,220

want to say it's in the united states

1096

00:51:25,999 --> 00:51:22,589

right is it that they do have one in the

1097

00:51:28,999 --> 00:51:26,009

united states somewhere i believe maybe

1098

00:51:31,339 --> 00:51:29,009

maybe i got that wrong but yeah i i

1099

00:51:35,660 --> 00:51:31,349

don't know i couldn't confirm that yeah

1100

00:51:39,140 --> 00:51:35,670

but they're supposed to have really

1101

00:51:43,249 --> 00:51:39,150

amazing equipment and of course you know

1102

00:51:45,559 --> 00:51:43,259

as as you know the vatican is extremely

1103

00:51:47,180 --> 00:51:45,569

wealthy i mean there are people out

1104

00:51:49,370 --> 00:51:47,190

there that said if they just sold their

1105

00:51:53,269 --> 00:51:49,380

art alone you know they have nickel

1106

00:51:55,160 --> 00:51:53,279

angelo you name it if they sold their

1107

00:51:58,220 --> 00:51:55,170

art alone they could feed the hungry and

1108

00:52:00,170 --> 00:51:58,230

the entire world for i think i forget

1109

00:52:01,819 --> 00:52:00,180

how many years it is but you know

1110

00:52:05,690 --> 00:52:01,829

they're incredibly rich in real estate

1111

00:52:09,769 --> 00:52:05,700

and and an art it's amazing and also

1112

00:52:14,599 --> 00:52:09,779

historical documents yeah yeah that's

1113

00:52:18,499 --> 00:52:14,609

right their museums are worth i guess

1114

00:52:21,140 --> 00:52:18,509

you could say countless countless

1115

00:52:22,999 --> 00:52:21,150

millions if not billions i know that

1116

00:52:25,789 --> 00:52:23,009

they they certainly have an enormous

1117

00:52:28,099 --> 00:52:25,799

wealth they a lot of that wealth came

1118

00:52:30,350 --> 00:52:28,109

from they used to own a lot of land in

1119

00:52:35,590 --> 00:52:30,360

italy the vatican and the church

1120

00:52:40,070 --> 00:52:35,600

and what happened at one time when the

1121

00:52:42,440 --> 00:52:40,080

when Italy was still forming the Vatican

1122

00:52:46,310 --> 00:52:42,450

gave up a lot of those lands in in

1123

00:52:47,840 --> 00:52:46,320

exchange for payment from from the

1124

00:52:50,750 --> 00:52:47,850

Italian government from what I

1125

00:52:55,700 --> 00:52:50,760

understand and it was at that time that

1126
00:52:59,050 --> 00:52:55,710
they that that they ended up with where

1127
00:53:02,990 --> 00:52:59,060
they are now which is Vatican City and

1128
00:53:06,350 --> 00:53:03,000
so you know they used to have a wealth

1129
00:53:08,810 --> 00:53:06,360
in terms of land and when they gave up

1130
00:53:13,360 --> 00:53:08,820
those lands they converted it into a

1131
00:53:16,430 --> 00:53:13,370
wealth in in like a financial wealth but

1132
00:53:18,800 --> 00:53:16,440
they certainly do have an incredible

1133
00:53:21,470 --> 00:53:18,810
wealth there's no question I have a

1134
00:53:24,770 --> 00:53:21,480
friend that was making a documentary

1135
00:53:27,710 --> 00:53:24,780
Roger Nygaard he's actually been on the

1136
00:53:32,120 --> 00:53:27,720
show he's a skeptic awhile quite a while

1137
00:53:33,770 --> 00:53:32,130
ago but he went to the Vatican and spoke

1138
00:53:37,180 --> 00:53:33,780

to a bishop trying to get an interview

1139

00:53:41,450 --> 00:53:37,190

with the Pope and the bishop said to him

1140

00:53:43,970 --> 00:53:41,460

well anybody can uh you know talk to the

1141

00:53:50,560 --> 00:53:43,980

Pope all you have to do is you know

1142

00:53:53,890 --> 00:53:50,570

donate \$20,000 for say 10 or 15 minutes

1143

00:53:56,690 --> 00:53:53,900

basically asking for a donation of

1144

00:53:59,720 --> 00:53:56,700

\$20,000 just for a few minutes to speak

1145

00:54:03,770 --> 00:53:59,730

with the Pope so I guess that's a that's

1146

00:54:05,720 --> 00:54:03,780

a good fun drive yeah sure I guess we

1147

00:54:07,370 --> 00:54:05,730

see that in politics as well a lot of

1148

00:54:11,750 --> 00:54:07,380

people who want to fundraisers to see

1149

00:54:15,560 --> 00:54:11,760

Obama speak oh yeah you know so it's it

1150

00:54:20,000 --> 00:54:15,570

seems like it's a it's a thin line yeah

1151
00:54:23,180 --> 00:54:20,010
now I mean he won't he won't exclude

1152
00:54:25,040 --> 00:54:23,190
people who I mean obviously if you

1153
00:54:27,020 --> 00:54:25,050
really need to speak with the Pope it's

1154
00:54:29,690 --> 00:54:27,030
maybe it might be one way you could do

1155
00:54:32,720 --> 00:54:29,700
it but he certainly does speak to people

1156
00:54:33,140 --> 00:54:32,730
without payment as well oh I'm sure I'm

1157
00:54:35,120 --> 00:54:33,150
sure

1158
00:54:37,760 --> 00:54:35,130
so I'm just letting you know the lines

1159
00:54:39,800 --> 00:54:37,770
are open if anyone wants to call in that

1160
00:54:41,810 --> 00:54:39,810
number is up on the screen on youtube if

1161
00:54:43,720 --> 00:54:41,820
you're over at kgr a radio and you want

1162
00:54:47,500 --> 00:54:43,730
to call in that phone number six

1163
00:54:49,180 --> 00:54:47,510

three nine six seven four o3o if you

1164

00:54:52,840 --> 00:54:49,190

have a question for our guests give us a

1165

00:54:58,000 --> 00:54:52,850

call so I wanna I just want to skip back

1166

00:55:02,050 --> 00:54:58,010

just one more time on on Fatima do you

1167

00:55:04,720 --> 00:55:02,060

think there's has anyone attempted to

1168

00:55:08,290 --> 00:55:04,730

come up with a conclusion about what it

1169

00:55:10,990 --> 00:55:08,300

really was you know I mean yeah just

1170

00:55:15,609 --> 00:55:11,000

think it's completely like one of the

1171

00:55:18,040 --> 00:55:15,619

miracles or whatever and that's it oh I

1172

00:55:21,160 --> 00:55:18,050

can my confusion you mean they're an

1173

00:55:23,020 --> 00:55:21,170

alternate explanation either yeah I mean

1174

00:55:25,090 --> 00:55:23,030

it's it was such a weird thing that

1175

00:55:26,620 --> 00:55:25,100

happened we have a call coming in such a

1176

00:55:28,000 --> 00:55:26,630

strange thing that happened why don't we

1177

00:55:30,010 --> 00:55:28,010

hold that thought and get back to it

1178

00:55:32,650 --> 00:55:30,020

sure okay

1179

00:55:35,890 --> 00:55:32,660

caller you're on the line your first

1180

00:55:39,790 --> 00:55:35,900

name and where you're calling from hey

1181

00:55:41,020 --> 00:55:39,800

Martin Richmond Virginia hi there what's

1182

00:55:45,640 --> 00:55:41,030

the first name again I couldn't quite

1183

00:55:47,970 --> 00:55:45,650

hear it Todd oh my Toby yeah hi how are

1184

00:55:53,109 --> 00:55:47,980

you doing welcome to the show all right

1185

00:55:57,670 --> 00:55:53,119

thanks a long time so I got a question

1186

00:56:01,270 --> 00:55:57,680

for your guest as he ever heard of read

1187

00:56:04,870 --> 00:56:01,280

the book XO katakana by Thomas Putnam

1188

00:56:06,520 --> 00:56:04,880

and Chris Hoy are you able to hear it

1189

00:56:09,340 --> 00:56:06,530

clearly it's a little little bad

1190

00:56:13,150 --> 00:56:09,350

connection there yeah yeah no I can hear

1191

00:56:18,720 --> 00:56:13,160

okay called XO vaticano he's talking

1192

00:56:24,700 --> 00:56:21,250

yeah no I can't hear I can't say I've

1193

00:56:26,770 --> 00:56:24,710

read that book yeah it's really it's

1194

00:56:29,920 --> 00:56:26,780

like an encyclopedia they also wrote

1195

00:56:32,680 --> 00:56:29,930

another book called petrel Romanov

1196

00:56:35,620 --> 00:56:32,690

supposedly about the last place but the

1197

00:56:38,950 --> 00:56:35,630

extra body contact deals with the UFO

1198

00:56:40,450 --> 00:56:38,960

subjects and basically like Ruby or

1199

00:56:41,410 --> 00:56:40,460

someone that the Vatican has an

1200

00:56:45,250 --> 00:56:41,420

observatory

1201
00:56:48,640 --> 00:56:45,260
thank you Saints in Arizona where they

1202
00:56:51,670 --> 00:56:48,650
ever tell us to and ironically it's

1203
00:56:56,260 --> 00:56:51,680
called Project Lucifer that's the

1204
00:56:57,609 --> 00:56:56,270
acronym for the for the telescope and

1205
00:57:00,099 --> 00:56:57,619
they a priest

1206
00:57:07,140 --> 00:57:00,109
that a lot of the sightings of UFOs

1207
00:57:12,730 --> 00:57:10,690
project Lucifer which you know is

1208
00:57:15,210 --> 00:57:12,740
obviously a very sort of strange name

1209
00:57:17,529 --> 00:57:15,220
for a project like that it's it's almost

1210
00:57:20,370 --> 00:57:17,539
seems to suggest that they're seeking

1211
00:57:23,529 --> 00:57:20,380
for loose they're looking for Lucifer

1212
00:57:27,670 --> 00:57:23,539
which kind of goes against you know

1213
00:57:29,140 --> 00:57:27,680

their their value system in the Catholic

1214

00:57:31,960 --> 00:57:29,150

faith they're looking for God they're

1215

00:57:36,609 --> 00:57:31,970

looking for for God's Son Jesus Christ

1216

00:57:38,799 --> 00:57:36,619

so it is an odd thing and it kind of

1217

00:57:41,380 --> 00:57:38,809

gives you a sense though of where things

1218

00:57:44,380 --> 00:57:41,390

have gone and it should be a bit of a

1219

00:57:46,980 --> 00:57:44,390

wake-up call for people I think to you

1220

00:57:53,680 --> 00:57:46,990

know to hear about these sort of things

1221

00:57:56,829 --> 00:57:53,690

yeah I'm sure like the a sort of the

1222

00:57:59,019 --> 00:57:56,839

Collinses Nicorette bring these wrote

1223

00:58:01,150 --> 00:57:59,029

about it some but they're also mentioned

1224

00:58:02,950 --> 00:58:01,160

in that book they were involved with it

1225

00:58:07,599 --> 00:58:02,960

as well I'm not sure what the Lucifer

1226
00:58:11,620 --> 00:58:07,609
acronym I can stand for it you know but

1227
00:58:13,269 --> 00:58:11,630
yeah fiction reading it's a really long

1228
00:58:17,559 --> 00:58:13,279
but it's like an encyclopedia but it

1229
00:58:20,069 --> 00:58:17,569
lots of footnotes and lots of damn web

1230
00:58:23,049 --> 00:58:20,079
pages you can go to it has like videos

1231
00:58:25,950 --> 00:58:23,059
you know supporting aliens from space

1232
00:58:29,650 --> 00:58:25,960
they are demonic entities versus them

1233
00:58:32,589 --> 00:58:29,660
understand both and I've interesting

1234
00:58:37,089 --> 00:58:32,599
because it seems to have sort of a mix

1235
00:58:39,940 --> 00:58:37,099
of science and and spiritual the the

1236
00:58:44,170 --> 00:58:39,950
whole idea of UFOs I would say sort of

1237
00:58:45,940 --> 00:58:44,180
more of a scientific quest whereas when

1238
00:58:48,579 --> 00:58:45,950

you talk about the demonic you're

1239

00:58:51,279 --> 00:58:48,589

referring more to something spiritual so

1240

00:58:53,829 --> 00:58:51,289

it seems like it's it's exploring both

1241

00:58:57,160 --> 00:58:53,839

of these these realms if you want to

1242

00:58:59,319 --> 00:58:57,170

call them that where I got exactly I

1243

00:59:02,470 --> 00:58:59,329

just found that interesting up more than

1244

00:59:04,359 --> 00:59:02,480

nuts and bolts out of a bad book I had a

1245

00:59:07,539 --> 00:59:04,369

friend of mine carry on so it's a really

1246

00:59:10,989 --> 00:59:07,549

really good book if anybody wants it's a

1247

00:59:11,440 --> 00:59:10,999

good a chance to read a different take

1248

00:59:16,990 --> 00:59:11,450

on it

1249

00:59:19,839 --> 00:59:17,000

like we all who knows yeah it's it's a

1250

00:59:23,410 --> 00:59:19,849

part of I guess the writers search for

1251

00:59:26,799 --> 00:59:23,420

answers investigating and trying to

1252

00:59:29,559 --> 00:59:26,809

learn what he can hey thanks for the

1253

00:59:30,880 --> 00:59:29,569

comment all right Thank You button great

1254

00:59:33,250 --> 00:59:30,890

job all right

1255

00:59:36,520 --> 00:59:33,260

thanks a lot so the line is open if

1256

00:59:38,829 --> 00:59:36,530

anyone else wants to bring us and talk

1257

00:59:42,670 --> 00:59:38,839

to our guests ask a question the number

1258

00:59:44,680 --> 00:59:42,680

is up on the screen 603 967 403 Oh

1259

00:59:46,900 --> 00:59:44,690

please keep in mind if you're watching

1260

00:59:48,609 --> 00:59:46,910

the show and it's not life that numbers

1261

00:59:54,970 --> 00:59:48,619

not working it's only working during the

1262

00:59:57,880 --> 00:59:54,980

show so I I have heard also what he's

1263

01:00:00,010 --> 00:59:57,890

talking about of the Lucifer and that

1264

01:00:02,230 --> 01:00:00,020

that whole thing I believe it was

1265

01:00:04,180 --> 01:00:02,240

probably on coast to coast or something

1266

01:00:06,940 --> 01:00:04,190

I'm not really sure where I heard that

1267

01:00:09,789 --> 01:00:06,950

but but it's still interesting and

1268

01:00:12,760 --> 01:00:09,799

there's you know just for the Catholic

1269

01:00:16,329 --> 01:00:12,770

Church to admit that extraterrestrial

1270

01:00:18,460 --> 01:00:16,339

life as possible as that's a big change

1271

01:00:22,329 --> 01:00:18,470

and you know a lot of people have said

1272

01:00:24,970 --> 01:00:22,339

in the UFO field that there could be

1273

01:00:28,870 --> 01:00:24,980

collapses of religions and things like

1274

01:00:31,359 --> 01:00:28,880

that society parts of society if we

1275

01:00:34,720 --> 01:00:31,369

actually find intelligent life is out

1276

01:00:37,059 --> 01:00:34,730

there and it's you know actually I'm not

1277

01:00:38,859 --> 01:00:37,069

saying just UFO but actually saw

1278

01:00:40,900 --> 01:00:38,869

intelligent life and there was proof of

1279

01:00:43,390 --> 01:00:40,910

that that everything would collapse and

1280

01:00:45,670 --> 01:00:43,400

I think it's almost like the Catholic

1281

01:00:48,760 --> 01:00:45,680

Church is preparing for that to happen

1282

01:00:50,530 --> 01:00:48,770

because we are certainly knocking on the

1283

01:00:53,950 --> 01:00:50,540

door of the possibility of that

1284

01:00:56,079 --> 01:00:53,960

happening yeah well I mean one thing I

1285

01:00:59,710 --> 01:00:56,089

think we have to admit is that there is

1286

01:01:01,510 --> 01:00:59,720

a lot we don't know and you know our our

1287

01:01:05,620 --> 01:01:01,520

knowledge of our world in our universe

1288

01:01:07,420 --> 01:01:05,630

it evolves over time and you know I

1289

01:01:09,630 --> 01:01:07,430

think that this is all part of our

1290

01:01:12,760 --> 01:01:09,640

learning about our environment and

1291

01:01:18,549 --> 01:01:12,770

there's obviously you know it makes

1292

01:01:21,609 --> 01:01:18,559

sense for us to have a curiosity about

1293

01:01:24,529 --> 01:01:21,619

what's going on I mean the universe is

1294

01:01:27,709 --> 01:01:24,539

just so vast you

1295

01:01:30,919 --> 01:01:27,719

impossible for us to ever know about all

1296

01:01:34,039 --> 01:01:30,929

of it but it makes for a very

1297

01:01:36,859 --> 01:01:34,049

interesting you know thing to explore

1298

01:01:39,799 --> 01:01:36,869

and to try to understand there's planets

1299

01:01:42,529 --> 01:01:39,809

and universes that are beyond our

1300

01:01:44,989 --> 01:01:42,539

imagination and the only way that we can

1301

01:01:48,859 --> 01:01:44,999

learn about them is you know too evil

1302

01:01:52,939 --> 01:01:48,869

either either use the equipment we have

1303

01:01:56,269 --> 01:01:52,949

now send the probes and satellites or

1304

01:01:58,819 --> 01:01:56,279

travel there ourselves right right we

1305

01:02:00,159 --> 01:01:58,829

have another call caller your first name

1306

01:02:03,169 --> 01:02:00,169

where you're calling from

1307

01:02:06,319 --> 01:02:03,179

hi Martin this is Andy from Stratford

1308

01:02:11,179 --> 01:02:06,329

Connecticut oh hi Andy how are you good

1309

01:02:13,999 --> 01:02:11,189

new great great good question I I do I

1310

01:02:16,579 --> 01:02:14,009

have to say I missed much of the first

1311

01:02:19,849 --> 01:02:16,589

half of the show I had another

1312

01:02:24,729 --> 01:02:19,859

commitment but uh I have to ask your

1313

01:02:27,979 --> 01:02:24,739

guest Paul what his thoughts are on the

1314

01:02:29,959 --> 01:02:27,989

idea that you know we're not alone and

1315

01:02:32,599 --> 01:02:29,969

that there certainly is other

1316

01:02:35,120 --> 01:02:32,609

intelligent life out there for myself as

1317

01:02:38,479 --> 01:02:35,130

a lifelong Catholic with a with a heavy

1318

01:02:40,130 --> 01:02:38,489

Catholic education and a father who was

1319

01:02:43,549 --> 01:02:40,140

in the seminary and a grandfather who

1320

01:02:45,679 --> 01:02:43,559

nearly became a Jesuit I know that it

1321

01:02:48,109 --> 01:02:45,689

only for myself it only adds to the

1322

01:02:52,339 --> 01:02:48,119

richness of the universe and what God

1323

01:02:56,209 --> 01:02:52,349

may is capable of the thought that or

1324

01:02:58,130 --> 01:02:56,219

the concept that we're not alone and I

1325

01:03:01,370 --> 01:02:58,140

think it's it's silly to think that

1326

01:03:02,989 --> 01:03:01,380

anything is impossible and I'll take

1327

01:03:05,419 --> 01:03:02,999

your call off the air I'll let you guys

1328

01:03:07,339 --> 01:03:05,429

go all right Andy thanks thank you all

1329

01:03:12,620 --> 01:03:07,349

right thank you good job thank you okay

1330

01:03:15,769 --> 01:03:12,630

like thanks Andy um you know I don't

1331

01:03:17,299 --> 01:03:15,779

this is a theological question and I

1332

01:03:20,059 --> 01:03:17,309

don't know that I could say I'm I'm

1333

01:03:21,919 --> 01:03:20,069

qualified to answer this but I can

1334

01:03:24,529 --> 01:03:21,929

certainly give you my own thoughts on it

1335

01:03:25,909 --> 01:03:24,539

and and I it I would premise this by

1336

01:03:29,359 --> 01:03:25,919

saying you know please don't take this

1337

01:03:31,729 --> 01:03:29,369

as theological advice you know I've

1338

01:03:34,969 --> 01:03:31,739

always felt that there there can be life

1339

01:03:37,789 --> 01:03:34,979

out there and it's a it's as Andy

1340

01:03:40,160 --> 01:03:37,799

explained you know

1341

01:03:45,259 --> 01:03:40,170

there there is a richness to God's

1342

01:03:48,109 --> 01:03:45,269

creation throughout the universe who are

1343

01:03:51,079 --> 01:03:48,119

we you know how can we say that we're

1344

01:03:53,269 --> 01:03:51,089

the only ones necessarily we may be but

1345

01:03:55,849 --> 01:03:53,279

it doesn't seem to be a stretch of the

1346

01:03:59,769 --> 01:03:55,859

imagination to think that we there may

1347

01:04:03,799 --> 01:03:59,779

be other life out there and if there is

1348

01:04:06,039 --> 01:04:03,809

it doesn't disqualify our understanding

1349

01:04:11,059 --> 01:04:06,049

of the existence of God and God's laws

1350

01:04:13,969 --> 01:04:11,069

so I think that the two can coexist but

1351

01:04:16,579 --> 01:04:13,979

like I say I'm not qualified from the

1352

01:04:19,059 --> 01:04:16,589

theological standpoint I do think that

1353

01:04:22,390 --> 01:04:19,069

it it always has been intriguing to me

1354

01:04:25,549 --> 01:04:22,400

this whole world of UFOs and UFO

1355

01:04:28,609 --> 01:04:25,559

sightings something seems to be going on

1356

01:04:30,289 --> 01:04:28,619

and it seems as though there are things

1357

01:04:31,939 --> 01:04:30,299

being concealed by us that have sort of

1358

01:04:35,390 --> 01:04:31,949

leaked leaked out that we're aware of

1359

01:04:37,120 --> 01:04:35,400

now and and I I do think that it's an

1360

01:04:40,489 --> 01:04:37,130

interesting thing to explore for sure

1361

01:04:43,839 --> 01:04:40,499

now if you took basically what you just

1362

01:04:47,599 --> 01:04:43,849

said there are gonna go and and you took

1363

01:04:48,890 --> 01:04:47,609

God out of the picture just for you know

1364

01:04:51,410 --> 01:04:48,900

some of the people out there that are

1365

01:04:55,479 --> 01:04:51,420

agnostic or atheist or whatever some of

1366

01:04:58,880 --> 01:04:55,489

the listeners do you still think that

1367

01:05:02,569 --> 01:04:58,890

life could intelligent life could be out

1368

01:05:06,199 --> 01:05:02,579

there if there wasn't part of say a God

1369

01:05:09,589 --> 01:05:06,209

creation yeah from us from a like a

1370

01:05:11,839 --> 01:05:09,599

purely secular standpoint you you know

1371

01:05:16,160 --> 01:05:11,849

it's interesting some of the stories

1372

01:05:20,449 --> 01:05:16,170

that we've seen you know area 54 is is

1373

01:05:23,569 --> 01:05:20,459

very interesting 51 Oh 51 yeah

1374

01:05:28,239 --> 01:05:23,579

area club one yeah yeah close I knew was

1375

01:05:30,589 --> 01:05:28,249

in the 50s there somewhere you know the

1376

01:05:33,109 --> 01:05:30,599

stories and testimonies we've heard from

1377

01:05:36,259 --> 01:05:33,119

people the farmer who you know found

1378

01:05:40,189 --> 01:05:36,269

these strange pieces of a UFO crash

1379

01:05:42,890 --> 01:05:40,199

sighting on his farm land and and the

1380

01:05:45,620 --> 01:05:42,900

way it was dealt with you know there's a

1381

01:05:50,419 --> 01:05:45,630

lot of things going on there that are

1382

01:05:51,500 --> 01:05:50,429

difficult to explain and you know I I do

1383

01:05:55,040 --> 01:05:51,510

think that they sort

1384

01:05:57,350 --> 01:05:55,050

open up the door to you know something

1385

01:06:01,310 --> 01:05:57,360

worth looking into something's going on

1386

01:06:03,860 --> 01:06:01,320

and we have to ask ourselves well why is

1387

01:06:06,170 --> 01:06:03,870

this being concealed from us and what is

1388

01:06:08,060 --> 01:06:06,180

being concealed certainly there's

1389

01:06:12,800 --> 01:06:08,070

there's there's a truth in there

1390

01:06:16,160 --> 01:06:12,810

somewhere and I I do think that you know

1391

01:06:18,560 --> 01:06:16,170

like I was saying earlier to this this

1392

01:06:21,740 --> 01:06:18,570

idea that extra its extraterrestrial

1393

01:06:24,200 --> 01:06:21,750

life exists out there in such a vast

1394

01:06:28,760 --> 01:06:24,210

universe doesn't seem to be a stretch of

1395

01:06:33,190 --> 01:06:28,770

the imagination right you know going

1396

01:06:37,790 --> 01:06:33,200

back once again going back to Fatima and

1397

01:06:41,750 --> 01:06:37,800

from what I understand somehow you know

1398

01:06:44,270 --> 01:06:41,760

seventy thousand people showed up and it

1399

01:06:46,670 --> 01:06:44,280

was do I have this right that it was at

1400

01:06:49,880 --> 01:06:46,680

the time a very remote and hard to get

1401

01:06:52,310 --> 01:06:49,890

to place yeah I don't know if I would

1402

01:06:57,070 --> 01:06:52,320

say hard to get to but remote for sure

1403

01:07:00,980 --> 01:06:57,080

it was in the hills in the past years of

1404

01:07:03,250 --> 01:07:00,990

Fatima Portugal and the children

1405

01:07:05,660 --> 01:07:03,260

themselves lived in a very small olá

1406

01:07:08,630 --> 01:07:05,670

they don't even call it a village it's

1407

01:07:12,410 --> 01:07:08,640

like a little hamlet of a few you know I

1408

01:07:14,150 --> 01:07:12,420

guess very few residents and this field

1409

01:07:17,480 --> 01:07:14,160

that they went to was even outside of

1410

01:07:20,780 --> 01:07:17,490

that little hamlet so it was a remote

1411

01:07:23,540 --> 01:07:20,790

area and it was in the hills of the

1412

01:07:27,110 --> 01:07:23,550

phantom of a region for sure yeah it's

1413

01:07:30,470 --> 01:07:27,120

removed if you go back in time into 1917

1414

01:07:34,820 --> 01:07:30,480

and you think about what they had for

1415

01:07:37,840 --> 01:07:34,830

media basically newspaper to me I think

1416

01:07:41,900 --> 01:07:37,850

it's fascinating that enough people that

1417

01:07:45,650 --> 01:07:41,910

many people from around the world would

1418

01:07:49,460 --> 01:07:45,660

do that and travelling was not easy back

1419

01:07:52,340 --> 01:07:49,470

in 1917 to think about all those people

1420

01:07:53,690 --> 01:07:52,350

that showed up and showing up not

1421

01:07:57,880 --> 01:07:53,700

knowing if they're going to have any

1422

01:08:01,370 --> 01:07:57,890

food or anything just plain showing up

1423

01:08:04,340 --> 01:08:01,380

and so I think that that part of this

1424

01:08:05,740 --> 01:08:04,350

story is alone is incredible because

1425

01:08:08,590 --> 01:08:05,750

obviously the

1426

01:08:12,550 --> 01:08:08,600

word got out about these children and

1427

01:08:15,999 --> 01:08:12,560

how how did it get out and the way it

1428

01:08:17,829 --> 01:08:16,009

did get out if you know you said earlier

1429

01:08:21,130 --> 01:08:17,839

we were talking about that they weren't

1430

01:08:24,309 --> 01:08:21,140

believed at first so what made people

1431

01:08:27,490 --> 01:08:24,319

take them serious enough to make that

1432

01:08:30,990 --> 01:08:27,500

trip and travel well I would say a

1433

01:08:34,079 --> 01:08:31,000

couple of things number one and their

1434

01:08:38,200 --> 01:08:34,089

curiosity you know if if you were told

1435

01:08:39,999 --> 01:08:38,210

you know just maybe thirty miles away

1436

01:08:42,099 --> 01:08:40,009

from your home that these apparitions

1437

01:08:43,870 --> 01:08:42,109

were taking place you know your

1438

01:08:46,210 --> 01:08:43,880

curiosity would get the best of you and

1439

01:08:47,980 --> 01:08:46,220

you would you would feel that you know

1440

01:08:51,309 --> 01:08:47,990

maybe I should check this out

1441

01:08:52,900 --> 01:08:51,319

I remember for reading I've read a lot

1442

01:08:55,170 --> 01:08:52,910

of material on this and I remembered one

1443

01:08:59,980 --> 01:08:55,180

of the first women who came out and and

1444

01:09:05,140 --> 01:08:59,990

was curious about what was going on she

1445

01:09:07,749 --> 01:09:05,150

she spoke I remembered there was some

1446

01:09:11,050 --> 01:09:07,759

reading a text about her conversation

1447

01:09:13,630 --> 01:09:11,060

with her husband and she she her husband

1448

01:09:15,280 --> 01:09:13,640

asked her where are you going and she

1449

01:09:18,460 --> 01:09:15,290

said well I'm going out to the field to

1450

01:09:20,289 --> 01:09:18,470

see what's going on and he actually

1451

01:09:22,269 --> 01:09:20,299

laughed at her he said you don't

1452

01:09:24,039 --> 01:09:22,279

actually believe that the Blessed Virgin

1453

01:09:26,440 --> 01:09:24,049

is appearing to these children do you

1454

01:09:29,530 --> 01:09:26,450

and her response was very interesting

1455

01:09:31,809 --> 01:09:29,540

she said well she said you know I don't

1456

01:09:33,340 --> 01:09:31,819

know if I believe it but she said if

1457

01:09:35,740 --> 01:09:33,350

somebody told me that the king was

1458

01:09:39,640 --> 01:09:35,750

coming I would go out to see what was

1459

01:09:41,800 --> 01:09:39,650

going on so it's the same with this I'm

1460

01:09:43,630 --> 01:09:41,810

being told these apparitions are taking

1461

01:09:45,720 --> 01:09:43,640

place I'm gonna go check it out and see

1462

01:09:49,090 --> 01:09:45,730

what's going on so I think it's that

1463

01:09:51,130 --> 01:09:49,100

curiosity that sort of drove the country

1464

01:09:53,200 --> 01:09:51,140

did too to want to come out and see this

1465

01:09:56,830 --> 01:09:53,210

the second thing I was going to mention

1466

01:09:59,170 --> 01:09:56,840

is that with the media the newspapers

1467

01:10:01,180 --> 01:09:59,180

were reporting on this and there were

1468

01:10:04,690 --> 01:10:01,190

major daily newspapers that were also

1469

01:10:06,160 --> 01:10:04,700

reporting on it one of the I think a

1470

01:10:08,200 --> 01:10:06,170

couple of the publications were based

1471

01:10:10,420 --> 01:10:08,210

out of Lisbon which was which is the

1472

01:10:14,500 --> 01:10:10,430

capital of Portugal I believe it's the

1473

01:10:18,760 --> 01:10:14,510

capital of Portugal and but it's a major

1474

01:10:19,330 --> 01:10:18,770

city in Portugal and so when you have

1475

01:10:21,669 --> 01:10:19,340

major

1476

01:10:23,560 --> 01:10:21,679

newspapers and small local papers all

1477

01:10:25,450 --> 01:10:23,570

reporting about what's going on and

1478

01:10:27,280 --> 01:10:25,460

everybody's talking about it

1479

01:10:30,070 --> 01:10:27,290

that would drive people as well to come

1480

01:10:32,530 --> 01:10:30,080

out especially when you have it

1481

01:10:34,209 --> 01:10:32,540

reporting that a miracle is coming there

1482

01:10:36,879 --> 01:10:34,219

is going to be a miracle on a specific

1483

01:10:39,970 --> 01:10:36,889

day at a specific time how can you

1484

01:10:41,979 --> 01:10:39,980

resist that and I find it's very

1485

01:10:43,060 --> 01:10:41,989

interesting you you're right when you're

1486

01:10:47,580 --> 01:10:43,070

referring to

1487

01:10:52,750 --> 01:10:47,590

you know we forget in today's in today's

1488

01:10:54,959 --> 01:10:52,760

terms we forget how how lucky we have

1489

01:10:57,490 --> 01:10:54,969

things you know we forget that we have

1490

01:11:00,430 --> 01:10:57,500

the luxury of being able to jump into a

1491

01:11:02,709 --> 01:11:00,440

car or jump into a plane you know we can

1492

01:11:07,870 --> 01:11:02,719

fly around the world inside of a day or

1493

01:11:09,310 --> 01:11:07,880

two and you know with technology I can

1494

01:11:12,399 --> 01:11:09,320

send a message to somebody on the other

1495

01:11:15,070 --> 01:11:12,409

side of the world within seconds so you

1496

01:11:18,700 --> 01:11:15,080

know it's it's it's very interesting

1497

01:11:21,160 --> 01:11:18,710

that you mentioned back then those

1498

01:11:22,839 --> 01:11:21,170

technologies didn't exist and you're

1499

01:11:26,200 --> 01:11:22,849

absolutely right you know for the most

1500

01:11:28,780 --> 01:11:26,210

part cars were they existed but not most

1501

01:11:30,850 --> 01:11:28,790

people didn't have them all right some

1502

01:11:33,089 --> 01:11:30,860

people had to travel for two days to

1503

01:11:35,439 --> 01:11:33,099

come out to see what was going to happen

1504

01:11:37,570 --> 01:11:35,449

and and you hear about this in the

1505

01:11:42,370 --> 01:11:37,580

testimonies people traveling for two

1506

01:11:43,830 --> 01:11:42,380

days by foot or by oxcart and you know

1507

01:11:48,189 --> 01:11:43,840

it goes to show you how strong that

1508

01:11:49,870 --> 01:11:48,199

curiosity was or or how strong people's

1509

01:11:53,140 --> 01:11:49,880

faith was that they wanted to see what

1510

01:11:54,640 --> 01:11:53,150

was going to happen so you know the

1511

01:11:56,680 --> 01:11:54,650

whole country I think at the time knew

1512

01:12:00,030 --> 01:11:56,690

something was going to happen and they

1513

01:12:03,910 --> 01:12:00,040

were all very interested in seeing what

1514

01:12:06,700 --> 01:12:03,920

so now you talked about this appearing

1515

01:12:10,180 --> 01:12:06,710

on the 13th of the month which is also

1516

01:12:13,660 --> 01:12:10,190

another bizarre thing because you know I

1517

01:12:16,689 --> 01:12:13,670

mean just to be able to show up every

1518

01:12:21,729 --> 01:12:16,699

month on the 13th and did things

1519

01:12:23,649 --> 01:12:21,739

continue after the October date you know

1520

01:12:25,629 --> 01:12:23,659

like later on did it skip a month or was

1521

01:12:29,530 --> 01:12:25,639

it just playing gone and never came back

1522

01:12:32,710 --> 01:12:29,540

whatever it was whatever it was that was

1523

01:12:36,160 --> 01:12:32,720

the end of it in that place

1524

01:12:39,670 --> 01:12:36,170

with these apparitions so it literally

1525

01:12:44,020 --> 01:12:39,680

occurred from May 13 to actual were 13

1526

01:12:47,340 --> 01:12:44,030

now Lucia who lived many years beyond

1527

01:12:49,990 --> 01:12:47,350

that she started speaking about other

1528

01:12:54,310 --> 01:12:50,000

directions she ended up becoming a nun

1529

01:12:56,890 --> 01:12:54,320

and she spoke about apparitions that she

1530

01:13:00,010 --> 01:12:56,900

witnessed while she was in the convent

1531

01:13:03,250 --> 01:13:00,020

and so there was something that did

1532

01:13:08,110 --> 01:13:03,260

continue with her but these didn't occur

1533

01:13:11,140 --> 01:13:08,120

in Fatima per se now I know I have seen

1534

01:13:13,900 --> 01:13:11,150

an image online I think anybody could

1535

01:13:16,990 --> 01:13:13,910

look it up but where it does look like

1536

01:13:20,680 --> 01:13:17,000

some type of object in the sky

1537

01:13:22,180 --> 01:13:20,690

you know 19th from 1917 are you familiar

1538

01:13:25,890 --> 01:13:22,190

with that image it almost looks like a

1539

01:13:28,420 --> 01:13:25,900

figure in this guy or something Oh

1540

01:13:30,400 --> 01:13:28,430

figure I don't know if it's the same

1541

01:13:34,780 --> 01:13:30,410

image I'm thinking of I know there was

1542

01:13:36,160 --> 01:13:34,790

something circulating about the miracle

1543

01:13:39,040 --> 01:13:36,170

of the Sun is that the one you're

1544

01:13:40,540 --> 01:13:39,050

referring to yes but there it almost

1545

01:13:42,550 --> 01:13:40,550

looks like there's some type of object

1546

01:13:46,060 --> 01:13:42,560

in the sky there's definitely something

1547

01:13:47,770 --> 01:13:46,070

there yeah they're there see I if I'm

1548

01:13:51,250 --> 01:13:47,780

remembering correctly yeah it looks like

1549

01:13:54,280 --> 01:13:51,260

an old photo there's I'm trying to think

1550

01:13:55,930 --> 01:13:54,290

of how to describe it I think I I think

1551

01:13:58,870 --> 01:13:55,940

I know what the image you're referring

1552

01:14:00,760 --> 01:13:58,880

to and the whoever's have been

1553

01:14:03,250 --> 01:14:00,770

circulating that image is claiming that

1554

01:14:06,100 --> 01:14:03,260

this was an image of that was taken

1555

01:14:08,050 --> 01:14:06,110

during the miracle of the Sun and I I

1556

01:14:10,540 --> 01:14:08,060

did some research on that image and from

1557

01:14:13,750 --> 01:14:10,550

what I've learned it's not an authentic

1558

01:14:16,090 --> 01:14:13,760

image it's if I'm remembering correctly

1559

01:14:17,790 --> 01:14:16,100

it says on the bottom that it was

1560

01:14:19,090 --> 01:14:17,800

released by the Vatican or something

1561

01:14:22,480 --> 01:14:19,100

okay

1562

01:14:27,550 --> 01:14:22,490

I just pulled that up on my own on my

1563

01:14:31,350 --> 01:14:27,560

own here on under Google Images but I

1564

01:14:36,070 --> 01:14:31,360

don't want to take you know Showtime -

1565

01:14:39,010 --> 01:14:36,080

it doesn't really say oh yes it says

1566

01:14:43,990 --> 01:14:39,020

something about an observatory in Rome

1567

01:14:46,600 --> 01:14:44,000

oh oh man oh yes that's right yes that's

1568

01:14:48,100 --> 01:14:46,610

that's the the official public

1569

01:14:51,490 --> 01:14:48,110

of the Vatican it's their official

1570

01:14:54,310 --> 01:14:51,500

newspaper so it's claimed that that

1571

01:14:59,500 --> 01:14:54,320

image was published by L'Osservatore

1572

01:15:03,130 --> 01:14:59,510

Romano but from my research I understand

1573

01:15:07,540 --> 01:15:03,140

that that's not an authentic image it's

1574

01:15:10,420 --> 01:15:07,550

a it's not it's not a it's not a photo

1575

01:15:13,060 --> 01:15:10,430

taken during this miracle now where

1576

01:15:14,890 --> 01:15:13,070

they're photos taking during that it

1577

01:15:17,860 --> 01:15:14,900

seems with 70,000 people that be

1578

01:15:19,720 --> 01:15:17,870

photographers there yeah and there were

1579

01:15:22,030 --> 01:15:19,730

there are many photographers there and

1580

01:15:24,190 --> 01:15:22,040

we know that because if you do a search

1581

01:15:28,780 --> 01:15:24,200

on this you'll see the crowds that were

1582

01:15:32,730 --> 01:15:28,790

in the field why there are no photos of

1583

01:15:35,050 --> 01:15:32,740

the actual son miracle you know as I

1584

01:15:37,330 --> 01:15:35,060

haven't been able to find an answer for

1585

01:15:43,080 --> 01:15:37,340

that but I have a couple of theories on

1586

01:15:45,850 --> 01:15:43,090

that number one it's quite possible that

1587

01:15:48,670 --> 01:15:45,860

photographers were so in awe when they

1588

01:15:51,250 --> 01:15:48,680

were seeing this miracle or maybe in

1589

01:15:54,070 --> 01:15:51,260

fear that it didn't occur to them to

1590

01:15:55,510 --> 01:15:54,080

take a photo of that you know when you

1591

01:15:59,170 --> 01:15:55,520

can imagine something that's spectacular

1592

01:16:02,020 --> 01:15:59,180

happening you're kind of not focused on

1593

01:16:04,030 --> 01:16:02,030

what's you know on what you're doing or

1594

01:16:06,370 --> 01:16:04,040

your function there your job to take

1595

01:16:09,250 --> 01:16:06,380

photos you you're maybe just staring in

1596

01:16:11,310 --> 01:16:09,260

awe at something so that's one theory

1597

01:16:13,510 --> 01:16:11,320

the other theory I have on it is that

1598

01:16:16,210 --> 01:16:13,520

it's quite possible that there were

1599

01:16:18,190 --> 01:16:16,220

photos taken of it but if you can

1600

01:16:19,750 --> 01:16:18,200

imagine you know I I don't know if

1601
01:16:22,300 --> 01:16:19,760
you've ever tried taking a photo of the

1602
01:16:25,240 --> 01:16:22,310
Sun but you'd probably have a washed out

1603
01:16:27,130 --> 01:16:25,250
image especially back then with the

1604
01:16:29,710 --> 01:16:27,140
cameras they had they were primitive

1605
01:16:33,610 --> 01:16:29,720
cameras they were like it was the sort

1606
01:16:35,830 --> 01:16:33,620
of the earliest ages of the the age of

1607
01:16:37,900 --> 01:16:35,840
photography right the cameras that had

1608
01:16:40,420 --> 01:16:37,910
back then were were not as sophisticated

1609
01:16:42,910 --> 01:16:40,430
obviously as they are now it's quite

1610
01:16:44,920 --> 01:16:42,920
possible they took photos of the miracle

1611
01:16:48,010 --> 01:16:44,930
and that none of these photos was

1612
01:16:49,990 --> 01:16:48,020
actually just developed properly because

1613
01:16:51,610 --> 01:16:50,000

I would imagine they might have been

1614

01:16:53,920 --> 01:16:51,620

completely washed out they would have

1615

01:16:56,770 --> 01:16:53,930

been just big white images you know

1616

01:16:59,350 --> 01:16:56,780

white frames so that's my other theory

1617

01:16:59,870 --> 01:16:59,360

on it it does seem odd that there

1618

01:17:01,850 --> 01:16:59,880

wouldn't be any

1619

01:17:04,399 --> 01:17:01,860

photos of it but I think those two

1620

01:17:06,890 --> 01:17:04,409

series are plausible explanations for

1621

01:17:08,899 --> 01:17:06,900

why the actual miracle wasn't

1622

01:17:10,669 --> 01:17:08,909

photographed but certainly in the crowds

1623

01:17:12,709 --> 01:17:10,679

were photographed and you can see that

1624

01:17:15,229 --> 01:17:12,719

the photos there's there's a number of

1625

01:17:18,649 --> 01:17:15,239

photos of the crowds do you happen to

1626

01:17:22,459 --> 01:17:18,659

know if anyone looked at this

1627

01:17:26,120 --> 01:17:22,469

situation in a science way you know

1628

01:17:29,360 --> 01:17:26,130

scientifically yes yeah there are there

1629

01:17:32,330 --> 01:17:29,370

are some scientific theories on it one

1630

01:17:36,919 --> 01:17:32,340

of them is that that this miracle was

1631

01:17:39,470 --> 01:17:36,929

like a mass hallucination so they they

1632

01:17:41,930 --> 01:17:39,480

like if you think about it the the

1633

01:17:45,640 --> 01:17:41,940

anticipation of the miracle the fact

1634

01:17:48,320 --> 01:17:45,650

that it was published in many newspapers

1635

01:17:52,180 --> 01:17:48,330

this idea that many people are coming

1636

01:17:55,370 --> 01:17:52,190

out with the same expectation so this

1637

01:17:59,570 --> 01:17:55,380

the thought behind this all is that they

1638

01:18:01,729 --> 01:17:59,580

all were anticipating something so much

1639

01:18:04,580 --> 01:18:01,739

that they all had this mass

1640

01:18:08,720 --> 01:18:04,590

hallucination together so that's one

1641

01:18:11,120 --> 01:18:08,730

theory that has come out I think for me

1642

01:18:14,979 --> 01:18:11,130

one of the things that seems to debunk

1643

01:18:17,450 --> 01:18:14,989

that is that there were reports from

1644

01:18:20,149 --> 01:18:17,460

people who weren't there in the field

1645

01:18:22,760 --> 01:18:20,159

people in the nearby village where Lucia

1646

01:18:26,629 --> 01:18:22,770

was from who also claimed that they

1647

01:18:28,510 --> 01:18:26,639

witnessed the same thing and you know

1648

01:18:31,550 --> 01:18:28,520

for them to have not been a part of this

1649

01:18:33,860 --> 01:18:31,560

this and to still have witnessed it

1650

01:18:35,899 --> 01:18:33,870

tells me that you know maybe it wasn't a

1651

01:18:40,189 --> 01:18:35,909

mass hallucination there were also

1652

01:18:43,370 --> 01:18:40,199

reports that Pope Pius the 12th saw a

1653

01:18:48,290 --> 01:18:43,380

very similar miracle when he was in the

1654

01:18:54,020 --> 01:18:48,300

Vatican gardens in the nineteen blues in

1655

01:18:55,640 --> 01:18:54,030

the 1950s and he saw it I think on three

1656

01:18:58,850 --> 01:18:55,650

different occasions within about an

1657

01:19:00,830 --> 01:18:58,860

eight-day period so the way he describes

1658

01:19:02,720 --> 01:19:00,840

it apparently is very similar to the

1659

01:19:05,930 --> 01:19:02,730

apparitions that were witnessed by these

1660

01:19:08,689 --> 01:19:05,940

people so again it makes you wonder you

1661

01:19:11,330 --> 01:19:08,699

know what's what's going on there and

1662

01:19:13,589 --> 01:19:11,340

there is a theological connection with

1663

01:19:17,280 --> 01:19:13,599

all of that so

1664

01:19:20,580 --> 01:19:17,290

the idea of mask illumination for me

1665

01:19:22,319 --> 01:19:20,590

anyway it doesn't hold water yeah I've

1666

01:19:24,930 --> 01:19:22,329

never really understood how a mass

1667

01:19:27,229 --> 01:19:24,940

hallucination could actually work I mean

1668

01:19:29,550 --> 01:19:27,239

I can understand anticipation

1669

01:19:31,439 --> 01:19:29,560

anticipation for something to happen and

1670

01:19:34,859 --> 01:19:31,449

I have heard you know of situations

1671

01:19:37,470 --> 01:19:34,869

where people are are actually like sky

1672

01:19:39,810 --> 01:19:37,480

watching for UFOs and everyone's like

1673

01:19:42,589 --> 01:19:39,820

you know whatever it is they're so

1674

01:19:45,689 --> 01:19:42,599

excited they're gonna see something and

1675

01:19:48,390 --> 01:19:45,699

so maybe it's a satellite going over and

1676

01:19:50,430 --> 01:19:48,400

or whatever it is but they play out I

1677

01:19:52,439 --> 01:19:50,440

wouldn't exactly call that a mass

1678

01:19:56,850 --> 01:19:52,449

hallucination but I would say that

1679

01:19:59,339 --> 01:19:56,860

because there were other people excited

1680

01:20:01,500 --> 01:19:59,349

about seeing something that they may you

1681

01:20:04,319 --> 01:20:01,510

know get carried away but they're not

1682

01:20:06,080 --> 01:20:04,329

saying like a whole object on its own

1683

01:20:11,129 --> 01:20:06,090

they're seeing things that look like

1684

01:20:13,530 --> 01:20:11,139

they may be something you know sort of

1685

01:20:15,479 --> 01:20:13,540

experiments as well you can ask 10

1686

01:20:18,990 --> 01:20:15,489

people to go out and look for UFOs and

1687

01:20:20,250 --> 01:20:19,000

you know the chances are you know 3 or 4

1688

01:20:22,140 --> 01:20:20,260

or half of them might I don't know

1689

01:20:23,459 --> 01:20:22,150

remember what the statistic is but a

1690

01:20:25,020 --> 01:20:23,469

number of them will come back and

1691

01:20:29,399 --> 01:20:25,030

they'll claim that they saw something

1692

01:20:32,129 --> 01:20:29,409

and you know it it might be something

1693

01:20:34,350 --> 01:20:32,139

authentic it might not be but there is a

1694

01:20:36,330 --> 01:20:34,360

there is something to this idea that you

1695

01:20:38,250 --> 01:20:36,340

know you're you're looking so hard for

1696

01:20:41,370 --> 01:20:38,260

something that you can convince yourself

1697

01:20:43,020 --> 01:20:41,380

you've seen something and you know I

1698

01:20:45,990 --> 01:20:43,030

don't want to discredit those who have

1699

01:20:48,060 --> 01:20:46,000

seen things III III I think that there's

1700

01:20:51,839 --> 01:20:48,070

there's like I mentioned earlier there's

1701

01:20:54,319 --> 01:20:51,849

a lot we don't know about but you know

1702

01:20:58,410 --> 01:20:54,329

certainly there have been reports that

1703

01:21:00,180 --> 01:20:58,420

were not authentic as well right right I

1704

01:21:01,560 --> 01:21:00,190

think we just had a caller join us

1705

01:21:05,870 --> 01:21:01,570

caller your first name where you calling

1706

01:21:09,540 --> 01:21:05,880

from yeah this is Sam from Chicago Oh

1707

01:21:12,990 --> 01:21:09,550

Sam is it the Sam the one and only Sam

1708

01:21:16,649 --> 01:21:13,000

d-damn you bet you our Heights Amaranto

1709

01:21:20,280 --> 01:21:16,659

Sam moranto is a friend of mine and he's

1710

01:21:22,910 --> 01:21:20,290

also a UFO researcher and he actually

1711

01:21:27,450 --> 01:21:22,920

you did some work on Fatima right Sam

1712

01:21:29,459 --> 01:21:27,460

yes yeah having a having a

1713

01:21:33,090 --> 01:21:29,469

having and brought up in a environment

1714

01:21:35,790 --> 01:21:33,100

of Catholicism and actually gone to a

1715

01:21:37,590 --> 01:21:35,800

seminary and graduated from you know

1716

01:21:41,610 --> 01:21:37,600

this is something was very much part of

1717

01:21:44,610 --> 01:21:41,620

our our family you know as far as the

1718

01:21:46,470 --> 01:21:44,620

lore of different interesting things and

1719

01:21:49,890 --> 01:21:46,480

the movie I remember in the movie came

1720

01:21:52,439 --> 01:21:49,900

out my god it was great yeah what I I'm

1721

01:21:54,390 --> 01:21:52,449

really enjoying Paul's interview the two

1722

01:21:56,550 --> 01:21:54,400

of you're doing a great job but it was

1723

01:21:58,439 --> 01:21:56,560

great to hear raises voice jump in there

1724

01:22:00,570 --> 01:21:58,449

it was just took me by surprise

1725

01:22:04,500 --> 01:22:00,580

I almost got down on my knees right then

1726

01:22:06,090 --> 01:22:04,510

and I want you to know hey just just to

1727

01:22:08,160 --> 01:22:06,100

let you see him you're welcome to stay

1728

01:22:09,450 --> 01:22:08,170

on the rest of the show as far as I'm

1729

01:22:12,450 --> 01:22:09,460

concerned

1730

01:22:14,189 --> 01:22:12,460

Sam's a great guy and and I'm sure he's

1731

01:22:16,350 --> 01:22:14,199

got a lot to talk about this so we're

1732

01:22:18,060 --> 01:22:16,360

gonna close the lines for the rest of

1733

01:22:21,120 --> 01:22:18,070

the show they had plenty of time to call

1734

01:22:24,180 --> 01:22:21,130

in but anyway Sam you got something to

1735

01:22:26,520 --> 01:22:24,190

add to what he's saying or yes

1736

01:22:29,189 --> 01:22:26,530

unfortunately Paul I came in a little

1737

01:22:32,340 --> 01:22:29,199

bit late on listening to the show and I

1738

01:22:36,149 --> 01:22:32,350

and I you know he's got he's accept my

1739

01:22:39,510 --> 01:22:36,159

apology the the thing was with the area

1740

01:22:41,910 --> 01:22:39,520

that that Fatima's actually in wasn't it

1741

01:22:45,450 --> 01:22:41,920

referred to as being something in

1742

01:22:50,479 --> 01:22:45,460

reference to a land of light as far as

1743

01:22:56,220 --> 01:22:50,489

the Roman name given to it I don't know

1744

01:22:59,490 --> 01:22:56,230

land of light but Menino Portugal is

1745

01:23:02,490 --> 01:22:59,500

referred to as the the land of Holy Mary

1746

01:23:07,680 --> 01:23:02,500

in Portuguese they call it la la terre

1747

01:23:10,350 --> 01:23:07,690

de Santa Maria so it's a long history as

1748

01:23:13,560 --> 01:23:10,360

being recognized as as a land that it

1749

01:23:17,300 --> 01:23:13,570

has a rich history of devotion toward

1750

01:23:21,330 --> 01:23:17,310

the Blessed Virgin right oh absolutely

1751

01:23:25,140 --> 01:23:21,340

but I think that very that very area has

1752

01:23:28,500 --> 01:23:25,150

a reference to being to a land of that

1753

01:23:32,399 --> 01:23:28,510

very vicinity around provincia or that

1754

01:23:34,680 --> 01:23:32,409

area it's an all Roman thing that I

1755

01:23:36,990 --> 01:23:34,690

stumble across years ago but in

1756

01:23:39,840 --> 01:23:37,000

community house if I find it I'll send

1757

01:23:41,280 --> 01:23:39,850

it to you yeah yeah the other the other

1758

01:23:43,680 --> 01:23:41,290

thing was it's in true

1759

01:23:47,400 --> 01:23:43,690

thing where you were talking about the

1760

01:23:51,450 --> 01:23:47,410

observatory and the something to the

1761

01:23:54,090 --> 01:23:51,460

effect of the Luciferian or something

1762

01:23:56,310 --> 01:23:54,100

about lucifer who is of course in latin

1763

01:23:59,010 --> 01:23:56,320

that Lucifer means the bringer of the

1764

01:24:04,050 --> 01:23:59,020

light that's very interesting to me at

1765

01:24:07,740 --> 01:24:04,060

least yes that's right now oh sorry

1766

01:24:09,810 --> 01:24:07,750

oh no no no problem the bringer of light

1767

01:24:13,050 --> 01:24:09,820

and here we are talking about a subject

1768

01:24:16,320 --> 01:24:13,060

and I again I was drawing in this

1769

01:24:19,320 --> 01:24:16,330

scenario of this area of light and then

1770

01:24:20,790 --> 01:24:19,330

seeing this illumination at during a

1771

01:24:22,590 --> 01:24:20,800

period of time when they had so much

1772

01:24:24,510 --> 01:24:22,600

social strife and I don't know if you

1773

01:24:26,370 --> 01:24:24,520

had a chance to get into some of the

1774

01:24:29,940 --> 01:24:26,380

labor issues going on at the time

1775

01:24:32,190 --> 01:24:29,950

communism World War one the wars they

1776

01:24:36,000 --> 01:24:32,200

were having trying to maintain their

1777

01:24:38,640 --> 01:24:36,010

their their colonies in Africa they had

1778

01:24:41,430 --> 01:24:38,650

a lot of issues so when they had this

1779

01:24:44,190 --> 01:24:41,440

going on it was a perfect it was the

1780

01:24:46,410 --> 01:24:44,200

perfect scenario the perfect storm for

1781

01:24:49,980 --> 01:24:46,420

them to make use of it and turn in their

1782

01:24:52,200 --> 01:24:49,990

political both for the church and the

1783

01:24:57,180 --> 01:24:52,210

church was losing property at that time

1784

01:24:58,950 --> 01:24:57,190

as I recall in Portugal and the state

1785

01:25:00,660 --> 01:24:58,960

was taking it back and there were issues

1786

01:25:03,050 --> 01:25:00,670

they were had they were having

1787

01:25:06,680 --> 01:25:03,060

confrontations with the church so

1788

01:25:09,570 --> 01:25:06,690

Catholicism was on the line the the

1789

01:25:12,390 --> 01:25:09,580

threat of socialism and communism was

1790

01:25:14,370 --> 01:25:12,400

also something very threatening and this

1791

01:25:17,490 --> 01:25:14,380

was the perfect storm for them was it

1792

01:25:22,070 --> 01:25:17,500

not yes yeah you're absolutely right on

1793

01:25:23,430 --> 01:25:22,080

that at the time communism was spreading

1794

01:25:26,610 --> 01:25:23,440

secularism

1795

01:25:30,290 --> 01:25:26,620

was established and I even remembered

1796

01:25:32,460 --> 01:25:30,300

reading back and back in that time

1797

01:25:36,630 --> 01:25:32,470

Lisbon was considered one of the most

1798

01:25:39,710 --> 01:25:36,640

secular cities in the world and this

1799

01:25:42,500 --> 01:25:39,720

threat was taking over all of Portugal

1800

01:25:46,080 --> 01:25:42,510

religious freedom was being suppressed

1801
01:25:48,870 --> 01:25:46,090
they they they had what they called the

1802
01:25:54,390 --> 01:25:48,880
law of separation which meant that you

1803
01:25:54,899 --> 01:25:54,400
know religion had no had no no place in

1804
01:26:11,700 --> 01:25:54,909
in

1805
01:26:15,660 --> 01:26:11,710
faith openly and so there was a perfect

1806
01:26:19,860 --> 01:26:15,670
storm at the time it's very interesting

1807
01:26:23,879 --> 01:26:19,870
that this all unfolded the whole

1808
01:26:25,379 --> 01:26:23,889
prophecy of Fatima at that time and you

1809
01:26:26,970 --> 01:26:25,389
know it's interesting because one of the

1810
01:26:30,959 --> 01:26:26,980
things we get into in the film the

1811
01:26:33,680 --> 01:26:30,969
Vatican deception is is in the Third

1812
01:26:36,300 --> 01:26:33,690
Secret of fátima there's we do have a

1813
01:26:39,600 --> 01:26:36,310

line of text that was published by the

1814

01:26:41,340 --> 01:26:39,610

Vatican that says in Portugal the dogma

1815

01:26:44,899 --> 01:26:41,350

of the faith will always be preserved

1816

01:26:48,260 --> 01:26:44,909

etc and it seems to be a reference to

1817

01:26:52,379 --> 01:26:48,270

this preservation of Catholic dogma in

1818

01:26:56,070 --> 01:26:52,389

Portugal and you know in this time when

1819

01:26:59,459 --> 01:26:56,080

you're speaking of in 1917 where the

1820

01:27:03,840 --> 01:26:59,469

Catholic faith was under under attack by

1821

01:27:05,129 --> 01:27:03,850

these communist forces it would have

1822

01:27:08,070 --> 01:27:05,139

seemed like it would have been difficult

1823

01:27:11,250 --> 01:27:08,080

for the Catholic faith to overcome this

1824

01:27:13,790 --> 01:27:11,260

and yet when Fatima came along it really

1825

01:27:17,490 --> 01:27:13,800

had a very powerful renewal of faith

1826

01:27:19,129 --> 01:27:17,500

among the people and and brought back to

1827

01:27:22,530 --> 01:27:19,139

their faith

1828

01:27:26,970 --> 01:27:22,540

beyond what could have been expected or

1829

01:27:30,870 --> 01:27:26,980

imagined so you know like you say it

1830

01:27:33,720 --> 01:27:30,880

overturned all of that that it's some

1831

01:27:36,439 --> 01:27:33,730

people almost refer to as a miracle for

1832

01:27:39,510 --> 01:27:36,449

it to have overturned there were some

1833

01:27:44,189 --> 01:27:39,520

there's the Freemasons as well as you

1834

01:27:49,070 --> 01:27:44,199

know the the mayor of they call him the

1835

01:27:53,610 --> 01:27:49,080

magistrate or the tinsmith of Fatima he

1836

01:27:58,140 --> 01:27:53,620

was a known freemason he belonged to a

1837

01:28:02,129 --> 01:27:58,150

local Lodge there and he he was against

1838

01:28:03,840 --> 01:28:02,139

the the people coming out in the field

1839

01:28:05,879 --> 01:28:03,850

and praying he didn't want these people

1840

01:28:08,260 --> 01:28:05,889

to come out and he didn't want

1841

01:28:09,670 --> 01:28:08,270

pilgrimages to this location

1842

01:28:13,090 --> 01:28:09,680

the children were saying that they saw

1843

01:28:17,500 --> 01:28:13,100

the Blessed Virgin and at one tonin

1844

01:28:20,920 --> 01:28:17,510

point built a small chapel there and it

1845

01:28:22,750 --> 01:28:20,930

was bombed they blew the roof off of it

1846

01:28:24,280 --> 01:28:22,760

and there's pictures if you look at it

1847

01:28:26,020 --> 01:28:24,290

for it on the internet you'll find these

1848

01:28:28,900 --> 01:28:26,030

photos of this chapel that had been

1849

01:28:30,700 --> 01:28:28,910

bombed and they say that it was the

1850

01:28:32,410 --> 01:28:30,710

Masons that bombed it because they were

1851
01:28:35,200 --> 01:28:32,420
trying to discourage people from Kappa

1852
01:28:37,200 --> 01:28:35,210
from coming out there but their faith in

1853
01:28:39,400 --> 01:28:37,210
what happened there was just so powerful

1854
01:28:39,850 --> 01:28:39,410
there was nothing they could do to stop

1855
01:28:44,980 --> 01:28:39,860
it

1856
01:28:47,440 --> 01:28:44,990
would just bring more people out and and

1857
01:28:51,370 --> 01:28:47,450
the numbers are just staggering to this

1858
01:28:53,440 --> 01:28:51,380
day if you go out there in Fatima and

1859
01:28:56,170 --> 01:28:53,450
you try to visit that place on any of

1860
01:28:58,570 --> 01:28:56,180
the 13th from May to October but

1861
01:29:01,060 --> 01:28:58,580
especially May 13 and especially October

1862
01:29:03,760 --> 01:29:01,070
13 you'll see hundreds of thousands of

1863
01:29:07,180 --> 01:29:03,770

people oh yeah

1864

01:29:09,850 --> 01:29:07,190

it's wow you know so it's really turned

1865

01:29:11,380 --> 01:29:09,860

this place into something that you could

1866

01:29:14,200 --> 01:29:11,390

never have imagined a hundred years ago

1867

01:29:14,620 --> 01:29:14,210

Wow hey we have a we have five minutes

1868

01:29:18,100 --> 01:29:14,630

left

1869

01:29:21,490 --> 01:29:18,110

Sam I'd like to ask you you're sure what

1870

01:29:24,220 --> 01:29:21,500

your thoughts are on you mentioned that

1871

01:29:25,930 --> 01:29:24,230

you had like a Catholic background or

1872

01:29:30,250 --> 01:29:25,940

whatever but what's your thoughts on

1873

01:29:34,180 --> 01:29:30,260

this incidents or these incidents as far

1874

01:29:37,870 --> 01:29:34,190

as the UFO side of it compared to the

1875

01:29:39,790 --> 01:29:37,880

religious side of it well I personally

1876

01:29:41,290 --> 01:29:39,800

look at it again you know how it is I

1877

01:29:45,730 --> 01:29:41,300

don't believe I'm an investigative

1878

01:29:48,010 --> 01:29:45,740

researcher and that's it and so as far

1879

01:29:50,260 --> 01:29:48,020

as a Dogma or whatever it would have to

1880

01:29:51,370 --> 01:29:50,270

fall in line but you know the thing here

1881

01:29:53,470 --> 01:29:51,380

is when we're doing investigative

1882

01:29:56,170 --> 01:29:53,480

research the evidence has to speak for

1883

01:29:59,740 --> 01:29:56,180

itself and what what Paul is brought up

1884

01:30:03,190 --> 01:29:59,750

and and other researchers too this was a

1885

01:30:06,820 --> 01:30:03,200

spectacle seen by 70,000 plus people

1886

01:30:09,250 --> 01:30:06,830

some say thirty thousand who cares it

1887

01:30:11,500 --> 01:30:09,260

was a volume of people all of which had

1888

01:30:14,140 --> 01:30:11,510

multiple agendas for coming out some

1889

01:30:15,670 --> 01:30:14,150

being skeptical just coming out to

1890

01:30:18,310 --> 01:30:15,680

thinking they're a bunch of idiots

1891

01:30:20,590 --> 01:30:18,320

others like that I think that the

1892

01:30:22,250 --> 01:30:20,600

example well if the King that was a very

1893

01:30:23,990 --> 01:30:22,260

good example if the king was coming

1894

01:30:26,690 --> 01:30:24,000

down wouldn't you come out look at that

1895

01:30:28,610 --> 01:30:26,700

it's very good I think that sound for

1896

01:30:31,250 --> 01:30:28,620

the majority of the people the other

1897

01:30:33,260 --> 01:30:31,260

ones were of course devout religious

1898

01:30:35,150 --> 01:30:33,270

people they're coming out they're

1899

01:30:38,270 --> 01:30:35,160

thinking going to see the Blessed Virgin

1900

01:30:41,870 --> 01:30:38,280

Mary the the other thing was there were

1901

01:30:44,480 --> 01:30:41,880

some esoteric groups in the area who

1902

01:30:47,420 --> 01:30:44,490

during that time ran some articles in

1903

01:30:50,150 --> 01:30:47,430

the newspapers talking about some

1904

01:30:50,900 --> 01:30:50,160

special event taking place on October

1905

01:30:53,000 --> 01:30:50,910

13th

1906

01:30:56,390 --> 01:30:53,010

do you recall and in your research

1907

01:31:02,210 --> 01:30:56,400

reading about that you referring to eat

1908

01:31:05,890 --> 01:31:02,220

at the time in 1917 yes I well I do

1909

01:31:08,720 --> 01:31:05,900

remember like I mean they were certainly

1910

01:31:12,170 --> 01:31:08,730

events related to the church calendar

1911

01:31:14,840 --> 01:31:12,180

that they observed and celebrated but

1912

01:31:17,480 --> 01:31:14,850

that's not what's referring to no no

1913

01:31:19,760 --> 01:31:17,490

this is these are known esoteric groups

1914

01:31:22,940 --> 01:31:19,770

that had a feeling that something was

1915

01:31:25,430 --> 01:31:22,950

going to happen October 13th and they

1916

01:31:27,800 --> 01:31:25,440

actually had articles in the newspapers

1917

01:31:29,720 --> 01:31:27,810

talking about a big event and it was to

1918

01:31:31,430 --> 01:31:29,730

take place and in phantom in that area

1919

01:31:33,800 --> 01:31:31,440

but getting back to your original

1920

01:31:37,010 --> 01:31:33,810

question if you don't mind the thing

1921

01:31:38,990 --> 01:31:37,020

here is the religious aspect if the

1922

01:31:39,560 --> 01:31:39,000

thing here is we don't have to even tear

1923

01:31:42,020 --> 01:31:39,570

it apart

1924

01:31:44,330 --> 01:31:42,030

something transpired something

1925

01:31:47,360 --> 01:31:44,340

absolutely genuine and this is where we

1926

01:31:49,580 --> 01:31:47,370

could take the skeptic to task and say

1927

01:31:52,220 --> 01:31:49,590

hey the evidence is there there's even

1928

01:31:53,270 --> 01:31:52,230

physical trace evidences they're not the

1929

01:31:56,780 --> 01:31:53,280

ground was dry

1930

01:31:59,660 --> 01:31:56,790

there were people experiencing similar

1931

01:32:04,700 --> 01:31:59,670

phenomena the buzzing of insects for

1932

01:32:07,160 --> 01:32:04,710

beads to recall that yes there was like

1933

01:32:09,200 --> 01:32:07,170

for example I remembered you know people

1934

01:32:11,060 --> 01:32:09,210

were listening to see if they could hear

1935

01:32:15,080 --> 01:32:11,070

what the Blessed Virgin was saying and

1936

01:32:17,120 --> 01:32:15,090

some people they could hear almost like

1937

01:32:19,730 --> 01:32:17,130

a tiny voice as though as though

1938

01:32:22,730 --> 01:32:19,740

somebody was speaking in in a jar or

1939

01:32:24,500 --> 01:32:22,740

like very faintly or like a but a bee

1940

01:32:28,070 --> 01:32:24,510

buzzing in a jar or something to that

1941

01:32:30,860 --> 01:32:28,080

effect people and that was the more the

1942

01:32:33,890 --> 01:32:30,870

more distinct was closer and it all

1943

01:32:35,730 --> 01:32:33,900

falls in line with but sort a certain

1944

01:32:38,430 --> 01:32:35,740

range of microwaves

1945

01:32:41,070 --> 01:32:38,440

same thing that the the people being

1946

01:32:43,530 --> 01:32:41,080

dried the ground being dried after they

1947

01:32:45,660 --> 01:32:43,540

had rain for what was a two days or it

1948

01:32:47,850 --> 01:32:45,670

was quite a bit of rain and there was

1949

01:32:50,130 --> 01:32:47,860

soaked and here roughly was dried these

1950

01:32:53,820 --> 01:32:50,140

are events this is physical trace

1951

01:32:56,160 --> 01:32:53,830

evidence people being cured of certain

1952

01:32:58,590 --> 01:32:56,170

ailments which could fall in line with

1953

01:33:01,470 --> 01:32:58,600

certain the effect of certain microwaves

1954

01:33:04,010 --> 01:33:01,480

or certain energies affecting you it

1955

01:33:06,540 --> 01:33:04,020

could relieve some some pain or distress

1956

01:33:09,450 --> 01:33:06,550

possibly even curing people who knows

1957

01:33:11,640 --> 01:33:09,460

the bottom line is there's enough enough

1958

01:33:14,460 --> 01:33:11,650

physical trace evidence there are enough

1959

01:33:16,710 --> 01:33:14,470

witnesses there some of which who didn't

1960

01:33:19,020 --> 01:33:16,720

want to come there to accept anything as

1961

01:33:21,630 --> 01:33:19,030

being plausible and yet they experienced

1962

01:33:23,460 --> 01:33:21,640

it themselves the bottom line is the

1963

01:33:24,380 --> 01:33:23,470

event did take place it is not a

1964

01:33:31,020 --> 01:33:24,390

hallucination

1965

01:33:34,020 --> 01:33:31,030

or trace evidence I mean really and

1966

01:33:35,520 --> 01:33:34,030

that's so absurd but yet we the skeptics

1967

01:33:38,610 --> 01:33:35,530

will come out there not even call them

1968

01:33:40,710 --> 01:33:38,620

skeptics just downright cynics something

1969

01:33:44,730 --> 01:33:40,720

took place now I want to put it into the

1970

01:33:48,120 --> 01:33:44,740

realm of something it has to do with

1971

01:33:50,010 --> 01:33:48,130

religion I have no clue maybe maybe not

1972

01:33:51,660 --> 01:33:50,020

I'd say it's outside the scope of

1973

01:33:53,670 --> 01:33:51,670

anything we could really put our our

1974

01:33:55,680 --> 01:33:53,680

finger on and say oh it's absolutely

1975

01:33:58,830 --> 01:33:55,690

this it doesn't sound like the

1976

01:34:00,840 --> 01:33:58,840

conventional UFO case in its entirety

1977

01:34:05,460 --> 01:34:00,850

like you were talking about the

1978

01:34:08,670 --> 01:34:05,470

religious aspects the the at the praying

1979

01:34:14,040 --> 01:34:08,680

or the insistence of lechia having to

1980

01:34:16,230 --> 01:34:14,050

say the Rosary to remember that that's

1981

01:34:19,260 --> 01:34:16,240

right in the first apparition actually

1982

01:34:21,030 --> 01:34:19,270

the the only - and see this is why I

1983

01:34:22,830 --> 01:34:21,040

don't think this is all a coincidence I

1984

01:34:25,140 --> 01:34:22,840

think these things happened so that we

1985

01:34:27,270 --> 01:34:25,150

could look at it and we can dissect it

1986

01:34:30,150 --> 01:34:27,280

and get an understanding from it the

1987

01:34:32,310 --> 01:34:30,160

when the first apparition happened the

1988

01:34:32,880 --> 01:34:32,320

two girls were able to see the Blessed

1989

01:34:35,850 --> 01:34:32,890

Virgin

1990

01:34:39,120 --> 01:34:35,860

but the cousin the young boy Francisco

1991

01:34:41,100 --> 01:34:39,130

he couldn't see it and so he was asking

1992

01:34:45,420 --> 01:34:41,110

what are you looking at what's going on

1993

01:34:48,480 --> 01:34:45,430

and so what happened was Lucia was told

1994

01:34:49,500 --> 01:34:48,490

by the Blessed Virgin that if Francisco

1995

01:34:52,830 --> 01:34:49,510

starts to say the

1996

01:34:56,459 --> 01:34:52,840

rosary he he'll be able to see her also

1997

01:34:59,370 --> 01:34:56,469

and so he that's what he did he started

1998

01:35:01,649 --> 01:34:59,380

praying the rosary and she's the Blessed

1999

01:35:04,950 --> 01:35:01,659

Virgin started to appear to him as well

2000

01:35:07,140 --> 01:35:04,960

so there's there's these religious you

2001

01:35:09,390 --> 01:35:07,150

know aspects to it that you can't really

2002

01:35:12,359 --> 01:35:09,400

ignore you know a UFO would not have

2003

01:35:15,169 --> 01:35:12,369

asked for that sort of thing right like

2004

01:35:19,080 --> 01:35:15,179

we are I'm sorry we are out of time here

2005

01:35:21,660 --> 01:35:19,090

so hey sank you so much verdant beyond

2006

01:35:24,870 --> 01:35:21,670

hey save you all pleasure lab we'll be

2007

01:35:27,180 --> 01:35:24,880

talking about okay thank you gentlemen

2008

01:35:31,799 --> 01:35:27,190

all right all right you're all thanks so

2009

01:35:34,189 --> 01:35:31,809

much Paul and so the Vatican movie.com

2010

01:35:37,529 --> 01:35:34,199

something like that right your website

2011

01:35:39,990 --> 01:35:37,539

the Vatican deception calm sorry got an

2012

01:35:41,970 --> 01:35:40,000

interception that's it yes all right

2013

01:35:43,410 --> 01:35:41,980

thanks so much and people can get in

2014

01:35:45,140 --> 01:35:43,420

contact with you that that way I believe

2015

01:35:47,370 --> 01:35:45,150

I did all right take care

2016

01:35:49,979 --> 01:35:47,380

great thank you very much thank you

2017

01:35:52,160 --> 01:35:49,989

alright so thanks so much for listening

2018

01:35:56,609 --> 01:35:52,170

and we're going to be back next week

2019

01:35:59,250 --> 01:35:56,619

with our guest Scott Dechaine and we'll

2020

01:36:02,700 --> 01:35:59,260

be talking about living UFOs it's a very

2021

01:36:06,450 --> 01:36:02,710

sort of organic type UFOs it's really a

2022

01:36:09,600 --> 01:36:06,460

quite a fascinating side of that story

2023

01:36:11,189 --> 01:36:09,610

so all right I want to thank the people

2024

01:36:14,490 --> 01:36:11,199

that helped out with the show race for

2025

01:36:17,370 --> 01:36:14,500

chiming in and helping out and also

2026

01:36:19,020 --> 01:36:17,380

Alejandro and our guest of course I want

2027

01:36:21,419 --> 01:36:19,030

to thank them all and thank you the
