

NICK REDFERN

1
00:00:03,710 --> 00:00:02,060
Joe and Martin will sure host and we

2
00:00:06,260 --> 00:00:03,720
have a fun show for you this evening we

3
00:00:08,629 --> 00:00:06,270
have our guest his Nick Redfern repeat

4
00:00:11,450 --> 00:00:08,639
guest always really loved having him on

5
00:00:13,850 --> 00:00:11,460
the show he's got a new book I think

6
00:00:17,359 --> 00:00:13,860
he's written 50 books so far and all

7
00:00:19,279 --> 00:00:17,369
kinds of interesting topics and this one

8
00:00:22,640 --> 00:00:19,289
is particularly interesting we're gonna

9
00:00:25,160 --> 00:00:22,650
be talking about top-secret abduction

10
00:00:27,740 --> 00:00:25,170
files what the government may or may not

11
00:00:30,439 --> 00:00:27,750
know he always dives deep into these

12
00:00:32,720 --> 00:00:30,449
subjects and should be really fun to

13
00:00:36,110 --> 00:00:32,730

talk to him before that I have Alejandro

14

00:00:38,180 --> 00:00:36,120

with a special guest visiting him he's

15

00:00:42,580 --> 00:00:38,190

going to be on the show in just a second

16

00:00:44,720 --> 00:00:42,590

and we are live on kgr a radio and I

17

00:00:46,310 --> 00:00:44,730

want to say hi everyone over there and

18

00:00:48,250 --> 00:00:46,320

getting some email from people over

19

00:00:51,340 --> 00:00:48,260

there so that's that's always nice and

20

00:00:53,270 --> 00:00:51,350

I'm getting a lot of email from

21

00:00:55,250 --> 00:00:53,280

Australia they're one of the big

22

00:00:57,740 --> 00:00:55,260

listeners of the show and and I want to

23

00:01:00,200 --> 00:00:57,750

just say a little shout out to people

24

00:01:03,799 --> 00:01:00,210

over there Stacy I think is one person's

25

00:01:06,679 --> 00:01:03,809

name we also have Chris from Tasmania

26

00:01:09,500 --> 00:01:06,689

who has written another blog and this

27

00:01:11,149 --> 00:01:09,510

one is the Vallon tech UFO incident in

28

00:01:14,120 --> 00:01:11,159

Australia he wrote about that so check

29

00:01:17,390 --> 00:01:14,130

out podcast UFO calm and you'll see the

30

00:01:19,160 --> 00:01:17,400

blog is right there and I want to thank

31

00:01:21,109 --> 00:01:19,170

everyone that helps out with the show we

32

00:01:24,050 --> 00:01:21,119

absolutely could not do it without you

33

00:01:27,649 --> 00:01:24,060

it's about a break-even now and I really

34

00:01:29,960 --> 00:01:27,659

appreciate people helping out and all

35

00:01:31,160 --> 00:01:29,970

right we're ready to get going alejandro

36

00:01:36,830 --> 00:01:31,170

how are you

37

00:01:39,859 --> 00:01:36,840

you're kind of an awkward angle I don't

38

00:01:41,359 --> 00:01:39,869

see now I'm the guy with the I have the

39

00:01:44,359 --> 00:01:41,369

Stars behind me I don't know if you can

40

00:01:46,609 --> 00:01:44,369

see that I have a new background not as

41

00:01:50,450 --> 00:01:46,619

fancy as yours but my stars have fold

42

00:01:53,149 --> 00:01:50,460

marks in them so copycat yeah yeah I

43

00:01:56,330 --> 00:01:53,159

can't see him I can't see you at all but

44

00:01:59,300 --> 00:01:56,340

I assume you're there I can hear you

45

00:02:01,999 --> 00:01:59,310

and unless it's somebody that is doing a

46

00:02:03,620 --> 00:02:02,009

very good impression of you which I

47

00:02:06,950 --> 00:02:03,630

think would be difficult because you

48

00:02:09,020 --> 00:02:06,960

have a unique voice wow I think that's a

49

00:02:11,960 --> 00:02:09,030

boy you should be able to see me it must

50

00:02:13,430 --> 00:02:11,970

be your your Skype or something because

51
00:02:13,699 --> 00:02:13,440
you're on your iPad or something like

52
00:02:16,970 --> 00:02:13,709
that

53
00:02:21,949 --> 00:02:16,980
anyway yeah I'm you have a sidekick does

54
00:02:26,209 --> 00:02:21,959
a sidekick wanna wave hi to us it's Marc

55
00:02:30,860 --> 00:02:26,219
Dantonio hey how are you mark good to

56
00:02:33,080 --> 00:02:30,870
see you and hear you I wish I could see

57
00:02:34,849 --> 00:02:33,090
you but you know just claim it on

58
00:02:35,869 --> 00:02:34,859
Alejandro right yeah what to do that's

59
00:02:37,879 --> 00:02:35,879
where we're always supposed to do

60
00:02:39,559 --> 00:02:37,889
whatever happens yeah well he always

61
00:02:40,940 --> 00:02:39,569
blames things on me so that's sort of

62
00:02:43,670 --> 00:02:40,950
like paying it forward I guess Yeah

63
00:02:47,179 --> 00:02:43,680

right right so you're visiting Arizona

64

00:02:51,289 --> 00:02:47,189

and actually aren't you both going to

65

00:02:54,530 --> 00:02:51,299

the event coming up in Baltimore I am

66

00:02:56,659 --> 00:02:54,540

NOT going but I believe he is oh that

67

00:02:59,270 --> 00:02:56,669

the alien con I believe down in

68

00:03:01,250 --> 00:02:59,280

Baltimore mm-hmm I'll be there yeah

69

00:03:02,839 --> 00:03:01,260

all right well are you there and I'll be

70

00:03:04,729 --> 00:03:02,849

doing three different talks and

71

00:03:06,949 --> 00:03:04,739

participating in a panel so they're

72

00:03:10,789 --> 00:03:06,959

gonna keep me busy and we're gonna have

73

00:03:12,949 --> 00:03:10,799

a UFO Congress booth there where we're

74

00:03:13,280 --> 00:03:12,959

gonna be selling super cool stuff all

75

00:03:21,680 --> 00:03:13,290

right

76

00:03:22,909 --> 00:03:21,690

so what oh no the weekend I've neck oh

77

00:03:26,300 --> 00:03:22,919

yeah yeah yeah

78

00:03:30,920 --> 00:03:26,310

following week Oh excellent okay so what

79

00:03:33,170 --> 00:03:30,930

is going on okay so I come before you

80

00:03:34,909 --> 00:03:33,180

start just before we start here you

81

00:03:37,069 --> 00:03:34,919

start to tell me that you are going to

82

00:03:38,949 --> 00:03:37,079

make something after the show do I don't

83

00:03:42,589 --> 00:03:38,959

want you to forget to talk about that

84

00:03:44,780 --> 00:03:42,599

just remember that and because I once we

85

00:03:46,849 --> 00:03:44,790

start talking UFOs I get excited about

86

00:03:49,159 --> 00:03:46,859

UFOs you're gonna have to remind me your

87

00:03:52,780 --> 00:03:49,169

little set your gun I'll try yeah all

88

00:03:54,979 --> 00:03:52,790

right ready now yeah so what's going on

89

00:03:57,050 --> 00:03:54,989

okay I want to get to a couple of things

90

00:03:59,270 --> 00:03:57,060

so I'll touch it on this one real

91

00:04:00,589 --> 00:03:59,280

quickly just cuz it's a case that you

92

00:04:03,710 --> 00:04:00,599

brought this up on on my podcast

93

00:04:05,569 --> 00:04:03,720

actually and it's a interesting case I

94

00:04:07,610 --> 00:04:05,579

had not heard of but it's in the

95

00:04:12,099 --> 00:04:07,620

Baltimore Sun it's a case that happened

96

00:04:14,839 --> 00:04:12,109

60 years ago in that area Loch Raven

97

00:04:17,930 --> 00:04:14,849

reservoir where these two guys were

98

00:04:21,709 --> 00:04:17,940

driving in the area in the 50s and they

99

00:04:24,680 --> 00:04:21,719

came across a large saucer in the sky it

100

00:04:25,300 --> 00:04:24,690

actually made their car stop they got

101
00:04:29,110 --> 00:04:25,310
out

102
00:04:32,440 --> 00:04:29,120
had beamed alight on them and before

103
00:04:34,629 --> 00:04:32,450
leaving and then their car worked what's

104
00:04:36,940 --> 00:04:34,639
great about this case also that it was a

105
00:04:39,129 --> 00:04:36,950
blue book case so it was something that

106
00:04:41,950 --> 00:04:39,139
was investigated by the air force and

107
00:04:44,110 --> 00:04:41,960
now they say that this case influenced a

108
00:04:47,770 --> 00:04:44,120
lot of UFO research and a lot of UFO

109
00:04:49,960 --> 00:04:47,780
research in the area but I'm not aware I

110
00:04:51,940 --> 00:04:49,970
had not heard of this case before that's

111
00:04:53,530 --> 00:04:51,950
why I think it's pretty cool but I also

112
00:04:56,260 --> 00:04:53,540
think that it's cool that it's in the

113
00:04:59,020 --> 00:04:56,270

Baltimore Sun of course I'll be heading

114

00:05:01,600 --> 00:04:59,030

there pretty soon just like you talked

115

00:05:03,310 --> 00:05:01,610

about but yeah that's one to check out

116

00:05:06,520 --> 00:05:03,320

that people will find out an open mind

117

00:05:09,790 --> 00:05:06,530

TV uh you know another thing to mention

118

00:05:12,969 --> 00:05:09,800

is you mentioned Valenta CH which who

119

00:05:15,280 --> 00:05:12,979

who was this kid who was a pilot and

120

00:05:17,440 --> 00:05:15,290

that case was something like 40 years

121

00:05:18,730 --> 00:05:17,450

ago I can't remember the exact date but

122

00:05:20,710 --> 00:05:18,740

since you mentioned it I just wanted to

123

00:05:23,680 --> 00:05:20,720

talk about it because there is a story

124

00:05:27,070 --> 00:05:23,690

in the media about that one as well

125

00:05:29,950 --> 00:05:27,080

where his girlfriend from the time was

126

00:05:31,390 --> 00:05:29,960

was mentioned but just to view that Oh

127

00:05:33,580 --> 00:05:31,400

go over that one real quick it's really

128

00:05:35,350 --> 00:05:33,590

interesting this kid had just

129

00:05:38,260 --> 00:05:35,360

essentially gotten his private pilot's

130

00:05:42,430 --> 00:05:38,270

license he was gonna do his first solo

131

00:05:44,710 --> 00:05:42,440

flight over water well during this

132

00:05:47,590 --> 00:05:44,720

flight he said he was being followed by

133

00:05:50,560 --> 00:05:47,600

a large cylindrical glowing object that

134

00:05:51,760 --> 00:05:50,570

was flying around his plane and then he

135

00:05:54,909 --> 00:05:51,770

was never heard from again

136

00:05:57,129 --> 00:05:54,919

and he nor the plane was ever found his

137

00:05:59,830 --> 00:05:57,139

girlfriend said in this recent article

138

00:06:02,560 --> 00:05:59,840

that he was actually worried about his

139

00:06:05,560 --> 00:06:02,570

first solo flight over water so she felt

140

00:06:07,240 --> 00:06:05,570

he kind of prophesized what had happened

141

00:06:12,430 --> 00:06:07,250

that something unfortunately negative

142

00:06:14,379 --> 00:06:12,440

did happen Wow but go ahead I wanted to

143

00:06:16,690 --> 00:06:14,389

get into another case just because mark

144

00:06:18,820 --> 00:06:16,700

is here something else that's going on

145

00:06:21,969 --> 00:06:18,830

and I love this because it's always fun

146

00:06:25,950 --> 00:06:21,979

to educate the public on great cases but

147

00:06:28,390 --> 00:06:25,960

also to warn them of material that is is

148

00:06:33,730 --> 00:06:28,400

not credible or it's not what it appears

149

00:06:36,100 --> 00:06:33,740

to be so 1952 UFOs flow or flew over

150

00:06:38,680 --> 00:06:36,110

Washington DC and actually there was a

151
00:06:41,110 --> 00:06:38,690
wave so there's a period of time

152
00:06:43,360 --> 00:06:41,120
it's one of the best cases out there in

153
00:06:45,660 --> 00:06:43,370
fact because it had happened and they

154
00:06:48,310 --> 00:06:45,670
had flown over a National Airport

155
00:06:51,480 --> 00:06:48,320
Airport National Airport there in

156
00:06:53,740 --> 00:06:51,490
Washington DC Blue Book was

157
00:06:56,560 --> 00:06:53,750
investigating it and captain ruppelt

158
00:06:59,740 --> 00:06:56,570
whose book you can read on this incident

159
00:07:02,650 --> 00:06:59,750
I goes into it in detail was out there

160
00:07:05,260 --> 00:07:02,660
investigating it he had to go home but

161
00:07:07,870 --> 00:07:05,270
the weekend after he went home these

162
00:07:10,750 --> 00:07:07,880
things came back and Blue Book personnel

163
00:07:13,690 --> 00:07:10,760

who were there in Washington DC actually

164

00:07:16,210 --> 00:07:13,700

went to the control tower and witnessed

165

00:07:18,340 --> 00:07:16,220

all of this going down it sounds much

166

00:07:20,170 --> 00:07:18,350

like you know stories that you hear

167

00:07:23,890 --> 00:07:20,180

through history including very similar

168

00:07:25,690 --> 00:07:23,900

to 2004 in San Diego what happened to

169

00:07:27,910 --> 00:07:25,700

the Nimitz Carrier Strike Group like we

170

00:07:31,060 --> 00:07:27,920

hear about but essentially seeing these

171

00:07:33,550 --> 00:07:31,070

white lights jets are scrambled when the

172

00:07:36,190 --> 00:07:33,560

Jets get in the area these things dart

173

00:07:38,290 --> 00:07:36,200

off at very quick speeds and in this

174

00:07:41,230 --> 00:07:38,300

case it was reported that once the Jets

175

00:07:43,900 --> 00:07:41,240

left they came back so a great case

176

00:07:46,030 --> 00:07:43,910

however why I'm bringing this up is that

177

00:07:48,250 --> 00:07:46,040

you will see this in the UFO news

178

00:07:51,430 --> 00:07:48,260

because what had happened recently is

179

00:07:54,670 --> 00:07:51,440

that Tom DeLonge and Lou Elizondo boast

180

00:07:58,600 --> 00:07:54,680

of to the Stars Academy went and spoke

181

00:08:01,480 --> 00:07:58,610

in Rome recently and Louise Elizondo you

182

00:08:05,470 --> 00:08:01,490

know as a formerly ran a pentagon UFO

183

00:08:07,510 --> 00:08:05,480

project and in they talked about this

184

00:08:11,860 --> 00:08:07,520

case because it's a great case but they

185

00:08:14,590 --> 00:08:11,870

did show a photo and it was this photo

186

00:08:17,470 --> 00:08:14,600

and people see this out there

187

00:08:19,150 --> 00:08:17,480

often it's crop where you just see you

188

00:08:21,550 --> 00:08:19,160

don't see these lines but you see the

189

00:08:23,680 --> 00:08:21,560

capital in these lights well if you see

190

00:08:26,980 --> 00:08:23,690

the full photo here and this is a photo

191

00:08:29,290 --> 00:08:26,990

from NICAP they draw lines from the

192

00:08:32,020 --> 00:08:29,300

lights down on the street level up to

193

00:08:36,670 --> 00:08:32,030

the lights in the sky why because when

194

00:08:38,500 --> 00:08:36,680

you take a picture of something with in

195

00:08:41,080 --> 00:08:38,510

the dark where where there are lights

196

00:08:44,080 --> 00:08:41,090

that are overexposed like this you'll

197

00:08:47,380 --> 00:08:44,090

often see kind of this in-camera kind of

198

00:08:50,290 --> 00:08:47,390

flare type of thing and that this is not

199

00:08:51,110 --> 00:08:50,300

these aren't UFOs these are flares and I

200

00:08:55,100 --> 00:08:51,120

actually

201
00:08:59,900 --> 00:08:55,110
have a MUFON photo expert here to talk

202
00:09:02,780 --> 00:08:59,910
more about this infection phenomenon Wow

203
00:09:05,120 --> 00:09:02,790
that's true you know and the thing about

204
00:09:07,519 --> 00:09:05,130
lens flares is that they're symmetric

205
00:09:09,350 --> 00:09:07,529
across the center of the field so if you

206
00:09:11,480 --> 00:09:09,360
have a flare or an object that's up here

207
00:09:12,710 --> 00:09:11,490
right and you have another bright object

208
00:09:14,840 --> 00:09:12,720
on the ground then you think maybe

209
00:09:17,390 --> 00:09:14,850
that's the source draw a line between it

210
00:09:18,800 --> 00:09:17,400
okay then if you have another one draw a

211
00:09:21,290 --> 00:09:18,810
line between that in the in its

212
00:09:23,390 --> 00:09:21,300
potential source if all the lines cross

213
00:09:24,710 --> 00:09:23,400

right in the very in one place then

214

00:09:26,269 --> 00:09:24,720

you're actually crossing at the center

215

00:09:28,579 --> 00:09:26,279

that that image frame and that's

216

00:09:32,480 --> 00:09:28,589

typically what happens with flares they

217

00:09:34,850 --> 00:09:32,490

dance around symmetrically opposite the

218

00:09:36,410 --> 00:09:34,860

actual source object so that's what what

219

00:09:39,500 --> 00:09:36,420

I think we see in that Washington one

220

00:09:41,030 --> 00:09:39,510

and in many many hundreds and hundreds

221

00:09:43,100 --> 00:09:41,040

of others that I've seen over the years

222

00:09:44,690 --> 00:09:43,110

but you know it doesn't mean that's all

223

00:09:47,329 --> 00:09:44,700

we have you know there's certainly more

224

00:09:49,970 --> 00:09:47,339

to it but that's in that case he's

225

00:09:53,170 --> 00:09:49,980

exactly right mark while you're on this

226

00:09:55,310 --> 00:09:53,180

marker pinnacle a bit expertise here

227

00:09:59,000 --> 00:09:55,320

mark while you're talking about this

228

00:10:00,890 --> 00:09:59,010

there was a great case that the mexican

229

00:10:05,769 --> 00:10:00,900

air force got involved and it was over

230

00:10:09,440 --> 00:10:05,779

oil oil what do they call them edging

231

00:10:11,690 --> 00:10:09,450

oil rigs oil rigs offshore and the same

232

00:10:14,510 --> 00:10:11,700

thing but they actually had radar they

233

00:10:16,850 --> 00:10:14,520

had radar contact they were they had

234

00:10:20,150 --> 00:10:16,860

their camera out and they were filming

235

00:10:22,790 --> 00:10:20,160

but they also had these same refractions

236

00:10:26,510 --> 00:10:22,800

or something coming up from the from the

237

00:10:28,160 --> 00:10:26,520

oil derricks out there I do you know

238

00:10:31,220 --> 00:10:28,170

about that particular case is that a

239

00:10:33,170 --> 00:10:31,230

similar type situation yeah I don't know

240

00:10:35,480 --> 00:10:33,180

about that but see the the the thing

241

00:10:37,699 --> 00:10:35,490

here well the thing with that case is I

242

00:10:40,519 --> 00:10:37,709

don't know that data I haven't seen

243

00:10:43,579 --> 00:10:40,529

radar data from that case personally but

244

00:10:45,560 --> 00:10:43,589

radar data is always a good thing to

245

00:10:48,620 --> 00:10:45,570

bring in however the problem is that

246

00:10:51,829 --> 00:10:48,630

sometimes photos they get taken are

247

00:10:53,240 --> 00:10:51,839

conflated with the actual event and may

248

00:10:55,400 --> 00:10:53,250

have nothing to do with the event like

249

00:10:57,680 --> 00:10:55,410

that photo that Hondo showed you moments

250

00:11:00,470 --> 00:10:57,690

ago with lights over the Capitol those

251
00:11:02,750 --> 00:11:00,480
really are just lens flares right they

252
00:11:04,040 --> 00:11:02,760
really are a 99.9 percent how many seen

253
00:11:05,389 --> 00:11:04,050
almost a hundred percent sir and that's

254
00:11:07,369 --> 00:11:05,399
what they

255
00:11:10,519 --> 00:11:07,379
but for camp pitchy I haven't heard that

256
00:11:12,470 --> 00:11:10,529
case but more information on competi oh

257
00:11:15,050 --> 00:11:12,480
there we go and of course we have a

258
00:11:16,639 --> 00:11:15,060
story on this and open mindset TV but

259
00:11:19,550 --> 00:11:16,649
you are exactly right and a similar

260
00:11:21,920 --> 00:11:19,560
process was used to determine that those

261
00:11:23,780 --> 00:11:21,930
were the the oil rigs because I was a

262
00:11:26,449 --> 00:11:23,790
skeptic too I did not think those were

263
00:11:29,119 --> 00:11:26,459

the oil rigs how can these Mexican Air

264

00:11:32,299 --> 00:11:29,129

Force guys who are used to working these

265

00:11:35,389 --> 00:11:32,309

machines mistake these flames coming up

266

00:11:38,600 --> 00:11:35,399

from oil rigs as UFOs I thought there's

267

00:11:41,960 --> 00:11:38,610

no way but you know what it turns out

268

00:11:44,389 --> 00:11:41,970

the work of Ben McGee had proven this to

269

00:11:46,189 --> 00:11:44,399

me he actually did a process that's

270

00:11:47,869 --> 00:11:46,199

similar to what Mark described and I'll

271

00:11:49,429 --> 00:11:47,879

talk about it and then I turned out

272

00:11:52,340 --> 00:11:49,439

there was actually a Mexican UFO

273

00:11:54,139 --> 00:11:52,350

researcher who had done this at the time

274

00:11:56,269 --> 00:11:54,149

that those videos came out so he had

275

00:11:58,579 --> 00:11:56,279

done the same thing prior but

276

00:12:02,600 --> 00:11:58,589

essentially what they did was take the

277

00:12:06,290 --> 00:12:02,610

path of the plane and draw that on a map

278

00:12:09,379 --> 00:12:06,300

and then draw lines from those that

279

00:12:12,079 --> 00:12:09,389

position to where these oil rigs are and

280

00:12:13,549 --> 00:12:12,089

as Ben McGee puts it and he does that

281

00:12:17,030 --> 00:12:13,559

we've got a story in open minds and

282

00:12:19,549 --> 00:12:17,040

we've got Ben McGee's talk on this I was

283

00:12:22,639 --> 00:12:19,559

there he did this in Las Vegas and he

284

00:12:26,509 --> 00:12:22,649

clearly demonstrates this well that way

285

00:12:29,119 --> 00:12:26,519

you can predict the lights so when you

286

00:12:32,179 --> 00:12:29,129

draw these lines you know exactly when

287

00:12:36,290 --> 00:12:32,189

the plane will see what light and they

288

00:12:40,819 --> 00:12:36,300

line up perfectly right so he was able

289

00:12:43,759 --> 00:12:40,829

to undeniably demonstrate that those

290

00:12:46,369 --> 00:12:43,769

were indeed the lights and for me when I

291

00:12:49,009 --> 00:12:46,379

saw Ben go through this process it was

292

00:12:51,829 --> 00:12:49,019

alike a real aha moment it was like oh

293

00:12:53,299 --> 00:12:51,839

my gosh he just proved to me what I

294

00:12:55,669 --> 00:12:53,309

never thought could be true I never

295

00:12:58,160 --> 00:12:55,679

thought it could be those oil rigs but

296

00:13:02,269 --> 00:12:58,170

yeah when you draw those lines you can

297

00:13:04,610 --> 00:13:02,279

show they line up precisely yeah yeah

298

00:13:07,040 --> 00:13:04,620

but again it's not like you got to throw

299

00:13:08,509 --> 00:13:07,050

the baby out with the bathwater right

300

00:13:09,850 --> 00:13:08,519

you know there's really something was

301
00:13:14,090 --> 00:13:09,860
really something going on at that time

302
00:13:16,040 --> 00:13:14,100
on both Campeche was I don't think

303
00:13:18,079 --> 00:13:16,050
anything was really going on in competi

304
00:13:18,440 --> 00:13:18,089
I don't think there was a UFO incident

305
00:13:20,120 --> 00:13:18,450
there

306
00:13:24,530 --> 00:13:20,130
okay so we throw the baby out with the

307
00:13:26,360 --> 00:13:24,540
bathwater it's just when you throw when

308
00:13:28,129 --> 00:13:26,370
all there is is bathwater that's all

309
00:13:30,350 --> 00:13:28,139
you've got now we've got a baby in

310
00:13:34,009 --> 00:13:30,360
Washington DC because in Washington DC

311
00:13:37,400 --> 00:13:34,019
we do have radar data we have also a ton

312
00:13:40,160 --> 00:13:37,410
of witnesses including Blue Book

313
00:13:42,590 --> 00:13:40,170

personnel themselves so there's a lot

314

00:13:44,210 --> 00:13:42,600

more data and yeah jet scrambled to

315

00:13:46,970 --> 00:13:44,220

chase these things so we have a lot more

316

00:13:50,540 --> 00:13:46,980

data and witness testimony when it comes

317

00:13:54,050 --> 00:13:50,550

to Washington DC in 1952 as compared to

318

00:13:55,730 --> 00:13:54,060

the campus I see hey going back to the

319

00:13:58,370 --> 00:13:55,740

case we were talking about the very

320

00:14:02,210 --> 00:13:58,380

first one at that lock in America

321

00:14:04,100 --> 00:14:02,220

Baltimore I believe it was yeah so that

322

00:14:06,829 --> 00:14:04,110

one uh you and I were talking on your

323

00:14:08,840 --> 00:14:06,839

show about the professor of history that

324

00:14:10,939 --> 00:14:08,850

looks into UFOs and by the way he read

325

00:14:14,000 --> 00:14:10,949

it he is going to be on the show by the

326

00:14:15,189 --> 00:14:14,010

way I think he's been on any shows I

327

00:14:16,970 --> 00:14:15,199

haven't seen him I looked all through

328

00:14:20,389 --> 00:14:16,980

everywhere I couldn't find him on

329

00:14:22,220 --> 00:14:20,399

anything so it's taken a chance but a

330

00:14:24,860 --> 00:14:22,230

professor of history ought to be very

331

00:14:26,840 --> 00:14:24,870

interesting when it comes to you beat me

332

00:14:29,300 --> 00:14:26,850

to another one I did yeah you know

333

00:14:31,280 --> 00:14:29,310

that's the sort of thing where I feel

334

00:14:32,600 --> 00:14:31,290

that you can't lose that someone like

335

00:14:34,069 --> 00:14:32,610

that is going to say something

336

00:14:36,590 --> 00:14:34,079

interesting I noticed he wrote some

337

00:14:41,930 --> 00:14:36,600

stories for the Smithsonian and he does

338

00:14:43,939 --> 00:14:41,940

seem to draw a correlation between

339

00:14:46,280 --> 00:14:43,949

people claiming to have alien

340

00:14:48,829 --> 00:14:46,290

experiences and the movies especially

341

00:14:51,319 --> 00:14:48,839

Close Encounters coming out with alien

342

00:14:54,769 --> 00:14:51,329

type characters so it sounds like he's a

343

00:14:56,870 --> 00:14:54,779

bit skeptical in that arena however he's

344

00:14:58,430 --> 00:14:56,880

definitely into the topic and I think

345

00:15:01,430 --> 00:14:58,440

what he'll have to share is gonna be

346

00:15:03,230 --> 00:15:01,440

fascinating so that's a good job good

347

00:15:03,740 --> 00:15:03,240

job on getting him yeah well it's just

348

00:15:06,710 --> 00:15:03,750

an email

349

00:15:08,660 --> 00:15:06,720

hey Alejandro hey you and Margot you

350

00:15:10,040 --> 00:15:08,670

still had oh wait you still have to tell

351
00:15:10,750 --> 00:15:10,050
me what you guys are gonna do after the

352
00:15:13,910 --> 00:15:10,760
show

353
00:15:16,129 --> 00:15:13,920
so Marek and I don't know he can explain

354
00:15:20,300 --> 00:15:16,139
to you how but well let me have him

355
00:15:23,569 --> 00:15:20,310
explain all right oh hey well you know

356
00:15:26,000 --> 00:15:23,579
what when you're when you do things like

357
00:15:28,009 --> 00:15:26,010
we do we talk we investigate UFOs

358
00:15:29,840 --> 00:15:28,019
sometimes you have to have an outlet and

359
00:15:32,210 --> 00:15:29,850
one of my outlets that I like that I

360
00:15:35,780 --> 00:15:32,220
really think is amazing is primal

361
00:15:37,970 --> 00:15:35,790
music that is the aboriginal music from

362
00:15:39,110 --> 00:15:37,980
Australia and you think about what kind

363
00:15:40,700 --> 00:15:39,120

of instruments they use they use these

364

00:15:43,010 --> 00:15:40,710

things that were basically termite

365

00:15:45,230 --> 00:15:43,020

hollowed logs and they would create this

366

00:15:49,040 --> 00:15:45,240

yellow for overall sound and that sound

367

00:15:50,660 --> 00:15:49,050

is generated by standing wave inside the

368

00:15:52,130 --> 00:15:50,670

tube it's called but don't worry about

369

00:15:54,830 --> 00:15:52,140

that it's it's actually called did you

370

00:15:57,320 --> 00:15:54,840

redo and the didgeridoo can and has been

371

00:15:59,990 --> 00:15:57,330

used for a long time centuries actually

372

00:16:03,890 --> 00:16:00,000

to create and stories and in the dream

373

00:16:06,080 --> 00:16:03,900

time in Aboriginal culture so tonight

374

00:16:07,730 --> 00:16:06,090

we're actually gonna make did you reduce

375

00:16:08,990 --> 00:16:07,740

we're gonna take a little modern

376

00:16:12,170 --> 00:16:09,000

approach we're gonna actually use PVC

377

00:16:13,850 --> 00:16:12,180

pipe which can grate beep you'll be used

378

00:16:15,500 --> 00:16:13,860

as well you have to breathe special

379

00:16:18,080 --> 00:16:15,510

right yeah yeah you have to do circular

380

00:16:19,370 --> 00:16:18,090

breathing which is basically like you

381

00:16:20,990 --> 00:16:19,380

constantly are breathing out of your

382

00:16:23,030 --> 00:16:21,000

mouth while taking breaths in through

383

00:16:25,280 --> 00:16:23,040

your nose so if your listeners want to

384

00:16:26,450 --> 00:16:25,290

try that let them try it but you know

385

00:16:27,830 --> 00:16:26,460

make sure you hold on to something

386

00:16:30,080 --> 00:16:27,840

because you might pass out if you're

387

00:16:31,490 --> 00:16:30,090

trying to do that too much pretty cool

388

00:16:32,960 --> 00:16:31,500

but that's we're gonna do we're gonna

389

00:16:33,830 --> 00:16:32,970

build did you reduce and we got a group

390

00:16:36,860 --> 00:16:33,840

of people they're getting together

391

00:16:39,440 --> 00:16:36,870

tonight to do it Wow yeah that sounds

392

00:16:41,330 --> 00:16:39,450

really like new agey type of stuff to me

393

00:16:44,210 --> 00:16:41,340

but no this sounds like fun

394

00:16:45,260 --> 00:16:44,220

- it sounds new agey maybe but the

395

00:16:45,620 --> 00:16:45,270

Aborigines have been doing it for

396

00:16:48,170 --> 00:16:45,630

centuries

397

00:16:49,610 --> 00:16:48,180

no no no I'm interested I'm just giving

398

00:16:51,830 --> 00:16:49,620

you our time all right you two you two

399

00:16:55,250 --> 00:16:51,840

guys Thanks thanks so much for checking

400

00:16:57,800 --> 00:16:55,260

in and have fun with you do to reduce we

401
00:16:58,820 --> 00:16:57,810
will all right well didgeridoo just for

402
00:17:00,890 --> 00:16:58,830
you all right

403
00:17:05,180 --> 00:17:00,900
can't wait all right talk to you next

404
00:17:05,540 --> 00:17:05,190
week all right yeah all right all right

405
00:17:09,260 --> 00:17:05,550
everyone

406
00:17:11,600 --> 00:17:09,270
so our guest is Nick Redfern he's always

407
00:17:16,550 --> 00:17:11,610
a always a pleasure to have on the show

408
00:17:19,670 --> 00:17:16,560
and this this week we are going to be

409
00:17:23,060 --> 00:17:19,680
talking about his 50th book you heard it

410
00:17:26,120 --> 00:17:23,070
right 50th book he really puts out a lot

411
00:17:28,910 --> 00:17:26,130
of work and this one is called top

412
00:17:30,860 --> 00:17:28,920
secret alien abduction abduction files

413
00:17:33,560 --> 00:17:30,870

what the government doesn't want you to

414

00:17:36,350 --> 00:17:33,570

know Nick welcome to the show how are

415

00:17:41,930 --> 00:17:36,360

you hey Martin I'm doing good thanks

416

00:17:44,120 --> 00:17:41,940

thing very good good as always and I've

417

00:17:46,100 --> 00:17:44,130

always talked to you about you're the

418

00:17:48,950 --> 00:17:46,110

only one I know that is so disciplined

419

00:17:53,660 --> 00:17:48,960

- right how's it feel to get to your

420

00:17:56,090 --> 00:17:53,670

50th book must be in there um I don't

421

00:17:58,310 --> 00:17:56,100

know really uh I mean if you ask me when

422

00:18:01,400 --> 00:17:58,320

I threatened in the first book in 97

423

00:18:04,780 --> 00:18:01,410

that 20 years later I'd have done 50 I'd

424

00:18:07,160 --> 00:18:04,790

have probably said there's no way but

425

00:18:10,130 --> 00:18:07,170

but you know I mean it's it's what I

426

00:18:14,539 --> 00:18:10,140

enjoy doing you know and it's one of

427

00:18:17,630 --> 00:18:14,549

these situations where I sort of sort of

428

00:18:19,730 --> 00:18:17,640

pretty driven in the way that I the

429

00:18:22,070 --> 00:18:19,740

write I write the books for example I

430

00:18:24,680 --> 00:18:22,080

like to sort of stick to what I call

431

00:18:26,419 --> 00:18:24,690

working hours I saw as a get off about

432

00:18:28,970 --> 00:18:26,429

server and have some breakfast and

433

00:18:32,000 --> 00:18:28,980

answer emails mess around on Facebook

434

00:18:34,400 --> 00:18:32,010

and I do writing for the books and the

435

00:18:37,880 --> 00:18:34,410

magazines from 9:00 to 5:00 Monday to

436

00:18:40,400 --> 00:18:37,890

Friday but evenings and weekends I can

437

00:18:43,700 --> 00:18:40,410

literally completely switch off I don't

438

00:18:45,620 --> 00:18:43,710

do any work on evenings and I work any

439

00:18:49,430 --> 00:18:45,630

weekends that's for me where evenings

440

00:18:51,080 --> 00:18:49,440

and weekends having a good time and but

441

00:18:54,320 --> 00:18:51,090

I you know I do put in like an

442

00:18:56,240 --> 00:18:54,330

eight-hour day Monday to Friday like

443

00:18:58,490 --> 00:18:56,250

just like a regular job but I wouldn't

444

00:19:00,440 --> 00:18:58,500

want people to think that I consider it

445

00:19:04,220 --> 00:19:00,450

a just a job you know it for me it's a

446

00:19:06,020 --> 00:19:04,230

passion that I've turned into a career

447

00:19:08,000 --> 00:19:06,030

as well and for me as long as I have

448

00:19:12,200 --> 00:19:08,010

that passion that excited that

449

00:19:13,820 --> 00:19:12,210

excitements that sort of sense of wow

450

00:19:15,490 --> 00:19:13,830

you know this is really interesting I've

451
00:19:19,370 --> 00:19:15,500
got to investigate this as long as

452
00:19:21,500 --> 00:19:19,380
although I'll keep doing it you know

453
00:19:22,100 --> 00:19:21,510
what I mean because it's what I enjoy

454
00:19:23,570 --> 00:19:22,110
doing

455
00:19:28,610 --> 00:19:23,580
whether it's investigating Bigfoot

456
00:19:30,710 --> 00:19:28,620
Rebecca bring UFO encounters so yes you

457
00:19:32,840 --> 00:19:30,720
know as long as I'm happy doing it and

458
00:19:34,640 --> 00:19:32,850
nothing played keep coming up with new

459
00:19:36,200 --> 00:19:34,650
material which is an important thing you

460
00:19:38,840 --> 00:19:36,210
don't want to just keep going over all

461
00:19:40,640 --> 00:19:38,850
ground that was our next question I was

462
00:19:43,280 --> 00:19:40,650
gonna ask you how do you come up with

463
00:19:44,960 --> 00:19:43,290

the the topics that you come up with in

464

00:19:47,659 --> 00:19:44,970

and when you're talking about this

465

00:19:50,659 --> 00:19:47,669

discipline work that you do the the

466

00:19:52,370 --> 00:19:50,669

nine-to-five so to speak how do you do

467

00:19:54,220 --> 00:19:52,380

that when it comes to the research I

468

00:19:56,900 --> 00:19:54,230

mean you know boots on the ground like

469

00:19:59,210 --> 00:19:56,910

you may have to go somewhere and look at

470

00:19:59,750 --> 00:19:59,220

files or something like that do you kind

471

00:20:01,730 --> 00:19:59,760

of

472

00:20:04,250 --> 00:20:01,740

keep it the same way or is that in a

473

00:20:06,740 --> 00:20:04,260

whole different way yeah that that

474

00:20:09,200 --> 00:20:06,750

actually is pretty much a lot different

475

00:20:11,540 --> 00:20:09,210

I mean for the most part you know I am

476

00:20:13,610 --> 00:20:11,550

sort of working from home during the day

477

00:20:15,470 --> 00:20:13,620

but yeah if I'm sort of going out

478

00:20:17,570 --> 00:20:15,480

somewhere you know so let's say

479

00:20:20,750 --> 00:20:17,580

hypothetically I mean I live I live just

480

00:20:21,920 --> 00:20:20,760

outside Dallas and if somebody phoned me

481

00:20:25,250 --> 00:20:21,930

up and said you know got a really

482

00:20:26,720 --> 00:20:25,260

interesting story pictures etc and

483

00:20:30,440 --> 00:20:26,730

they're down in Houston which is like a

484

00:20:31,760 --> 00:20:30,450

five-hour drive for me then yeah that'll

485

00:20:33,890 --> 00:20:31,770

be totally different you know I'll go

486

00:20:36,470 --> 00:20:33,900

down there and just grab a room for

487

00:20:38,060 --> 00:20:36,480

overnight you know and and shout with

488

00:20:41,270 --> 00:20:38,070

the witness and so that that's sort of

489

00:20:44,960 --> 00:20:41,280

totally difference yeah but in terms of

490

00:20:47,180 --> 00:20:44,970

actually doing the research you know and

491

00:20:49,610 --> 00:20:47,190

coming up with new ideas I mean I guess

492

00:20:52,730 --> 00:20:49,620

I take sort of like a journalistic

493

00:20:54,500 --> 00:20:52,740

approach of just digging out stories you

494

00:20:56,720 --> 00:20:54,510

know and particularly somebody shares a

495

00:21:00,230 --> 00:20:56,730

story and they're okay about using it

496

00:21:02,300 --> 00:21:00,240

and then I'll sort of look further into

497

00:21:05,930 --> 00:21:02,310

the story and further and further and

498

00:21:08,720 --> 00:21:05,940

get further leads and additional sources

499

00:21:11,240 --> 00:21:08,730

and contacts and and the story then

500

00:21:13,880 --> 00:21:11,250

starts to kind of build itself you know

501
00:21:18,920 --> 00:21:13,890
it sort of has he told momentum almost I

502
00:21:22,610 --> 00:21:18,930
see now about topics though how does

503
00:21:24,650 --> 00:21:22,620
that do you like a do test that by

504
00:21:27,350 --> 00:21:24,660
talking to people or how do you how do

505
00:21:30,160 --> 00:21:27,360
you figure out how to you know how to

506
00:21:33,080 --> 00:21:30,170
come up with a topic that's your next

507
00:21:35,660 --> 00:21:33,090
that's a good question I mean sometimes

508
00:21:38,210 --> 00:21:35,670
it's purely and simply because there's

509
00:21:41,750 --> 00:21:38,220
something that I really want to write

510
00:21:44,360 --> 00:21:41,760
about and so that's what I do but then

511
00:21:46,880 --> 00:21:44,370
there are other occasions where a story

512
00:21:49,820 --> 00:21:46,890
falls in my lap which is like well

513
00:21:52,640 --> 00:21:49,830

that's that's a really cool story and I

514

00:21:54,680 --> 00:21:52,650

look into it further and find a lot of

515

00:21:58,210 --> 00:21:54,690

other cool aspects to the story and so

516

00:22:00,650 --> 00:21:58,220

you know then I then I pursue it further

517

00:22:03,320 --> 00:22:00,660

sometimes you know you just stumble on

518

00:22:04,850 --> 00:22:03,330

something by mistake or you know with

519

00:22:07,850 --> 00:22:04,860

you're not even trying

520

00:22:10,820 --> 00:22:07,860

and I'm the more you look into it the

521

00:22:12,350 --> 00:22:10,830

more you think wow you know there's X

522

00:22:13,650 --> 00:22:12,360

number of people who know something

523

00:22:16,590 --> 00:22:13,660

about this but I

524

00:22:18,810 --> 00:22:16,600

never really shared their story and

525

00:22:21,840 --> 00:22:18,820

again if they're fine with the stories

526

00:22:25,290 --> 00:22:21,850

being told etcetera but a lot of it I

527

00:22:27,300 --> 00:22:25,300

guess sort of comes from me having

528

00:22:29,520 --> 00:22:27,310

particularly interests in in certain

529

00:22:31,230 --> 00:22:29,530

areas and just you know just digging

530

00:22:33,450 --> 00:22:31,240

around for things that fall into those

531

00:22:36,960 --> 00:22:33,460

categories like Bigfoot's or like

532

00:22:39,840 --> 00:22:36,970

monsters Chupacabra man in black I just

533

00:22:43,200 --> 00:22:39,850

you know sort of pursue lathes really

534

00:22:45,960 --> 00:22:43,210

and then expand them too so like a

535

00:22:49,590 --> 00:22:45,970

book-length I guess so how did this

536

00:22:53,520 --> 00:22:49,600

particular book alien abduction files

537

00:22:55,800 --> 00:22:53,530

how did that how did that begin well

538

00:22:57,390 --> 00:22:55,810

yeah I mean with this book like in it

539

00:23:00,150 --> 00:22:57,400

likely to any book you know I'm not just

540

00:23:04,020 --> 00:23:00,160

somebody who writes books I always also

541

00:23:06,140 --> 00:23:04,030

read books you know and and of course if

542

00:23:10,440 --> 00:23:06,150

you get a read a book and write a book

543

00:23:12,090 --> 00:23:10,450

you want the audience to think well you

544

00:23:13,620 --> 00:23:12,100

know this is you know this is a good

545

00:23:16,770 --> 00:23:13,630

book not only is a good book but it's

546

00:23:19,410 --> 00:23:16,780

new material or a new slant or a new

547

00:23:21,650 --> 00:23:19,420

angle on the subject and I think that's

548

00:23:24,450 --> 00:23:21,660

important you know if you're writing

549

00:23:25,380 --> 00:23:24,460

books you have a responsibility to your

550

00:23:27,900 --> 00:23:25,390

readership

551
00:23:31,170 --> 00:23:27,910
to give them something new with them you

552
00:23:33,360 --> 00:23:31,180
know with each book so with this

553
00:23:37,320 --> 00:23:33,370
particular book top-secret alien

554
00:23:39,690 --> 00:23:37,330
abduction files now over the years and

555
00:23:41,940 --> 00:23:39,700
decades dozens and dozens of books have

556
00:23:44,730 --> 00:23:41,950
been written on alien abductions you

557
00:23:46,890 --> 00:23:44,740
know you've got like John Fuller's the

558
00:23:49,920 --> 00:23:46,900
interrupted journey back in the 60s on

559
00:23:52,470 --> 00:23:49,930
the Betty and Barney Hill case Budd

560
00:23:54,030 --> 00:23:52,480
Hopkins missing time which was like

561
00:23:57,860 --> 00:23:54,040
soaring the definitive

562
00:24:00,870 --> 00:23:57,870
books on the subject that ran 79 80 81

563
00:24:04,170 --> 00:24:00,880

and of course whitley straight as

564

00:24:08,540 --> 00:24:04,180

communion delayed john mack his books

565

00:24:12,240 --> 00:24:08,550

and so on and the subject of abductions

566

00:24:15,330 --> 00:24:12,250

interests me anyway but the one angle

567

00:24:17,130 --> 00:24:15,340

that I'd have heard snippets of and I

568

00:24:19,590 --> 00:24:17,140

think a lot of people heard snippets of

569

00:24:22,140 --> 00:24:19,600

but had not been really fleshed out to

570

00:24:24,860 --> 00:24:22,150

any significant degree was what

571

00:24:27,510 --> 00:24:24,870

government agencies may know about

572

00:24:30,300 --> 00:24:27,520

abductions about abductees

573

00:24:33,300 --> 00:24:30,310

about the the agenda that's involved and

574

00:24:35,760 --> 00:24:33,310

so it's I did what I always do I sort of

575

00:24:37,320 --> 00:24:35,770

take a journalistic approach tried to

576

00:24:40,890 --> 00:24:37,330

track down as many people who've made

577

00:24:42,240 --> 00:24:40,900

comments on this or had any experiences

578

00:24:44,520 --> 00:24:42,250

you know with people from the government

579

00:24:48,030 --> 00:24:44,530

asking them about their abductions and

580

00:24:50,090 --> 00:24:48,040

again just sort of you know develops a

581

00:24:52,380 --> 00:24:50,100

situation where more and more data came

582

00:24:56,790 --> 00:24:52,390

forward and to the point where I was

583

00:25:00,330 --> 00:24:56,800

able to make you know a full manuscript

584

00:25:03,750 --> 00:25:00,340

but presented a new well that's much a

585

00:25:06,150 --> 00:25:03,760

new angle but new data demonstrating

586

00:25:07,440 --> 00:25:06,160

this connection between government

587

00:25:10,650 --> 00:25:07,450

agencies and what they know about

588

00:25:12,870 --> 00:25:10,660

abductions and but to demonstrate that

589

00:25:14,940 --> 00:25:12,880

this is you know an importance and

590

00:25:17,790 --> 00:25:14,950

intriguing aspect of the phenomenon

591

00:25:21,390 --> 00:25:17,800

namely not just the the nature of the

592

00:25:24,090 --> 00:25:21,400

abductions and the abductees but looking

593

00:25:27,000 --> 00:25:24,100

at how and why government agencies are

594

00:25:29,310 --> 00:25:27,010

concerned by this as well great okay

595

00:25:33,150 --> 00:25:29,320

well hey Nick work we're at our first

596

00:25:34,890 --> 00:25:33,160

break so we're gonna go to break and so

597

00:25:38,340 --> 00:25:34,900

we'll hold that thought and we'll come

598

00:25:42,630 --> 00:25:38,350

back to it all right all right so this

599

00:25:43,770 --> 00:25:42,640

is Martin I'm with podcast UFO and my

600

00:25:47,910 --> 00:25:43,780

guest is Nick Redfern

601
00:25:51,290 --> 00:25:47,920
we're on kgr a radio and we'll be right

602
00:25:53,790 --> 00:25:51,300
back right after these messages

603
00:25:58,950 --> 00:25:53,800
clear three minutes gentlemen three

604
00:26:00,750 --> 00:25:58,960
minutes okay good so Nick I mentioned to

605
00:26:02,820 --> 00:26:00,760
you that we're good at will chat about

606
00:26:06,150 --> 00:26:02,830
off topic so we'll get back to the topic

607
00:26:07,770 --> 00:26:06,160
we're on so I was just trying to think

608
00:26:10,620 --> 00:26:07,780
of something different to talk to you

609
00:26:12,810 --> 00:26:10,630
about while we're on break and and if

610
00:26:15,330 --> 00:26:12,820
this is too personal just please let me

611
00:26:17,910 --> 00:26:15,340
know but I'm I wondered how you came

612
00:26:20,130 --> 00:26:17,920
about coming to to live in the United

613
00:26:26,220 --> 00:26:20,140

States and end up near Dallas

614

00:26:28,260 --> 00:26:26,230

oh yeah that's okay so so how did that

615

00:26:30,240 --> 00:26:28,270

all hundredths an old phone oh sorry

616

00:26:32,730 --> 00:26:30,250

yeah I wanted to keep that for the show

617

00:26:35,760 --> 00:26:32,740

oh no no that's this is break break

618

00:26:39,780 --> 00:26:35,770

break stuff how I say okay well yeah

619

00:26:41,280 --> 00:26:39,790

this was 2000 and 2001

620

00:26:45,180 --> 00:26:41,290

I've been over

621

00:26:47,760 --> 00:26:45,190

to the United States as far back as 98

622

00:26:50,040 --> 00:26:47,770

for like lectures and conferences but

623

00:26:53,270 --> 00:26:50,050

what are the people I met during the

624

00:26:55,770 --> 00:26:53,280

course of sort of doing the whole

625

00:26:58,380 --> 00:26:55,780

conference scene and so on was a guy

626
00:27:00,870 --> 00:26:58,390
named Ryan wood and Ryan was someone who

627
00:27:02,340 --> 00:27:00,880
used to investigate all the majestic 12

628
00:27:04,800 --> 00:27:02,350
documents with his dad

629
00:27:08,190 --> 00:27:04,810
Dawood and they did a huge amount of

630
00:27:09,960 --> 00:27:08,200
work on this and one occasion he was

631
00:27:12,960 --> 00:27:09,970
like just over a couple of beers at the

632
00:27:15,710 --> 00:27:12,970
bar Ryan said you know I'm looking for

633
00:27:18,750 --> 00:27:15,720
someone who can work for me full time

634
00:27:20,730 --> 00:27:18,760
doing research and investigations and

635
00:27:22,260 --> 00:27:20,740
looking into these documents and

636
00:27:24,990 --> 00:27:22,270
tracking down people who might know

637
00:27:27,330 --> 00:27:25,000
anything about it and you know I was in

638
00:27:29,220 --> 00:27:27,340

the UK then and you know I didn't have

639

00:27:33,720 --> 00:27:29,230

any ties or anything like that at all

640

00:27:34,980 --> 00:27:33,730

and and so he basically said to me no he

641

00:27:38,190 --> 00:27:34,990

said would you be interested in this

642

00:27:40,380 --> 00:27:38,200

well yeah sure and you know they said I

643

00:27:41,700 --> 00:27:40,390

you know I I enjoy sort of just

644

00:27:44,040 --> 00:27:41,710

travelling around here and there I've

645

00:27:46,140 --> 00:27:44,050

never been one to worry about you know

646

00:27:48,060 --> 00:27:46,150

not putting roots down on them I'm fine

647

00:27:52,860 --> 00:27:48,070

with you know just wherever the things

648

00:27:55,590 --> 00:27:52,870

tape you know and so I basically went

649

00:28:00,120 --> 00:27:55,600

through the whole immigration process

650

00:28:03,330 --> 00:28:00,130

and you know which took about 18 months

651
00:28:06,060 --> 00:28:03,340
but in during that period you know I

652
00:28:10,020 --> 00:28:06,070
think about four months after I first

653
00:28:11,040 --> 00:28:10,030
applied with the immigration people you

654
00:28:13,650 --> 00:28:11,050
know I was given a social security

655
00:28:16,410 --> 00:28:13,660
number and then permission to work etc

656
00:28:18,030 --> 00:28:16,420
so that then obviously Ryan had to wait

657
00:28:21,680 --> 00:28:18,040
until you know I was legally able to do

658
00:28:24,650 --> 00:28:21,690
all this and then I became fully legal

659
00:28:27,150 --> 00:28:24,660
like about 18 months after that and

660
00:28:31,350 --> 00:28:27,160
that's how it all began really it was

661
00:28:33,480 --> 00:28:31,360
just pure coincidence or fate everyone

662
00:28:36,300 --> 00:28:33,490
at erm it that I happen to be at the

663
00:28:37,590 --> 00:28:36,310

conference at the same time Ryan was

664

00:28:40,650 --> 00:28:37,600

looking someone to work for him

665

00:28:43,320 --> 00:28:40,660

full-time and I was someone who didn't

666

00:28:45,930 --> 00:28:43,330

have and didn't have any particular ties

667

00:28:48,060 --> 00:28:45,940

that would you know prevent me from

668

00:28:49,410 --> 00:28:48,070

doing it and prevent me from sort of

669

00:28:52,170 --> 00:28:49,420

traveling around the country and doing

670

00:28:53,460 --> 00:28:52,180

research for him Wow perfect well it

671

00:28:54,749 --> 00:28:53,470

looks like we came right up to the end

672

00:28:57,419 --> 00:28:54,759

of the break bill raised

673

00:28:59,669 --> 00:28:57,429

come count us back in yes and about 10

674

00:29:03,930 --> 00:28:59,679

seconds you be back alright sounds good

675

00:29:06,539 --> 00:29:03,940

alright so all right everyone in youtube

676

00:29:08,509 --> 00:29:06,549

I will let you know when the phone line

677

00:29:09,629 --> 00:29:08,519

opens that should be coming up in a bit

678

00:29:13,069 --> 00:29:09,639

okay

679

00:29:16,289 --> 00:29:13,079

you ready yeah in three two one go

680

00:29:20,279 --> 00:29:16,299

alright everyone welcome back my guest

681

00:29:23,159 --> 00:29:20,289

tonight is Nick Redfern were live on kgr

682

00:29:25,289 --> 00:29:23,169

a radio we're also on YouTube the show

683

00:29:27,479 --> 00:29:25,299

does play on the Dark Matter digital

684

00:29:29,159 --> 00:29:27,489

network on Thursdays as well hello to

685

00:29:30,779 --> 00:29:29,169

everyone over there there's a lot a lot

686

00:29:34,919 --> 00:29:30,789

of people listens over there listen over

687

00:29:37,319 --> 00:29:34,929

there and so Nick before we went to

688

00:29:38,969 --> 00:29:37,329

break you were talking about you know

689

00:29:40,999 --> 00:29:38,979

the interests like certain government

690

00:29:44,219 --> 00:29:41,009

agencies are you talking about

691

00:29:47,189 --> 00:29:44,229

government agencies in which countries

692

00:29:50,159 --> 00:29:47,199

or all countries that such are several

693

00:29:53,159 --> 00:29:50,169

countries I mean well the ones I focus

694

00:29:57,449 --> 00:29:53,169

on in the book are the United States and

695

00:29:59,459 --> 00:29:57,459

the UK and that's primarily because you

696

00:30:02,430 --> 00:29:59,469

know being familiar and coming from the

697

00:30:05,129 --> 00:30:02,440

UK and living in the u.s. you know I'm

698

00:30:09,359 --> 00:30:05,139

more familiar with the events in those

699

00:30:11,699 --> 00:30:09,369

nations so in that sense yard I focused

700

00:30:15,209 --> 00:30:11,709

on some cases which are overseas in

701
00:30:17,749 --> 00:30:15,219
other countries but predominantly you

702
00:30:22,019 --> 00:30:17,759
know I do sort of focus in the on the US

703
00:30:25,289 --> 00:30:22,029
primarily and then the UK uh-huh and so

704
00:30:27,239 --> 00:30:25,299
can you go into a little bit about now

705
00:30:30,139 --> 00:30:27,249
the title your book of course is

706
00:30:32,639 --> 00:30:30,149
abduction files and that kind of

707
00:30:35,969 --> 00:30:32,649
insinuates at least to me that you're

708
00:30:37,499 --> 00:30:35,979
talking about some possible documents

709
00:30:39,419 --> 00:30:37,509
that came out of a Freedom of

710
00:30:42,689 --> 00:30:39,429
Information Act or something like that

711
00:30:45,149 --> 00:30:42,699
or that have been unclassified now or

712
00:30:46,349 --> 00:30:45,159
something yeah that's that's exactly

713
00:30:48,719 --> 00:30:46,359

what it's about you know people have

714

00:30:50,999 --> 00:30:48,729

said to every well several people have

715

00:30:52,229 --> 00:30:51,009

said words to the effect of or when look

716

00:30:55,379 --> 00:30:52,239

just like you saw when you talk about

717

00:30:58,409 --> 00:30:55,389

files you're talking about documentation

718

00:31:01,649 --> 00:30:58,419

rather than just witness testimony and

719

00:31:05,159 --> 00:31:01,659

said yes now I start the book with the

720

00:31:07,079 --> 00:31:05,169

whole contactee movement of the 1950s

721

00:31:08,290 --> 00:31:07,089

you know we had the contactees in the

722

00:31:10,930 --> 00:31:08,300

fifties

723

00:31:14,380 --> 00:31:10,940

the 60s onwards you had the abduction

724

00:31:16,450 --> 00:31:14,390

phenomenon with the abductees now the

725

00:31:19,570 --> 00:31:16,460

reason why I do this is because through

726

00:31:21,430 --> 00:31:19,580

the Freedom of Information Act the FBI

727

00:31:25,000 --> 00:31:21,440

for example being very good at

728

00:31:27,610 --> 00:31:25,010

declassifying their previously

729

00:31:31,330 --> 00:31:27,620

classified files on many of the early

730

00:31:35,110 --> 00:31:31,340

contactees like George Adamski Truman

731

00:31:38,530 --> 00:31:35,120

bathroom George Van Tassel Orfeo Angelou

732

00:31:41,080 --> 00:31:38,540

C and George hunt Williamson they were

733

00:31:42,400 --> 00:31:41,090

some of the early contact even for

734

00:31:46,390 --> 00:31:42,410

people who don't know what the

735

00:31:48,730 --> 00:31:46,400

contactees are basically in the early

736

00:31:52,060 --> 00:31:48,740

50s rather than having people abducted

737

00:31:54,430 --> 00:31:52,070

by these sort of blog I'd little

738

00:31:59,890 --> 00:31:54,440

creatures people talked about having

739

00:32:04,780 --> 00:31:59,900

been invited by what we call the

740

00:32:06,990 --> 00:32:04,790

so-called space brothers now the the the

741

00:32:09,760 --> 00:32:07,000

best way I can sort of describe the

742

00:32:13,780 --> 00:32:09,770

space brothers is that they were sort of

743

00:32:16,420 --> 00:32:13,790

long-haired very human looking and in

744

00:32:18,520 --> 00:32:16,430

many respects looking just like us and

745

00:32:20,680 --> 00:32:18,530

one of the important things about this

746

00:32:22,810 --> 00:32:20,690

is that the many of the space brothers

747

00:32:26,980 --> 00:32:22,820

told the so-called contact he's like

748

00:32:30,040 --> 00:32:26,990

Adamski that one of their big turns was

749

00:32:34,180 --> 00:32:30,050

the threat of atomic war and so what you

750

00:32:37,510 --> 00:32:34,190

had was a situation where people were

751
00:32:40,270 --> 00:32:37,520
following people our ski developed huge

752
00:32:43,900 --> 00:32:40,280
followings and so what you had was a

753
00:32:46,000 --> 00:32:43,910
situation where the FBI got very

754
00:32:48,670 --> 00:32:46,010
concerned because people like George

755
00:32:50,200 --> 00:32:48,680
adapt it was saying that many of the

756
00:32:52,900 --> 00:32:50,210
contacts give me many of the space

757
00:32:55,690 --> 00:32:52,910
brothers had a form of government

758
00:32:59,230 --> 00:32:55,700
not unlike communism and of course this

759
00:33:04,090 --> 00:32:59,240
was the fifties you know our theism and

760
00:33:06,340 --> 00:33:04,100
so on and as a result the the FBI got

761
00:33:08,620 --> 00:33:06,350
very concerned that some of these

762
00:33:10,780 --> 00:33:08,630
contactees were sort of swaying people

763
00:33:12,640 --> 00:33:10,790

around to communism and that's why many

764

00:33:16,030 --> 00:33:12,650

of these files were opened but the

765

00:33:18,760 --> 00:33:16,040

important thing is the files were open

766

00:33:22,060 --> 00:33:18,770

also because the contactees were

767

00:33:23,890 --> 00:33:22,070

claiming human alien interaction

768

00:33:26,350 --> 00:33:23,900

so I mentioned all this in the book

769

00:33:27,970 --> 00:33:26,360

because it demonstrates despite some

770

00:33:30,730 --> 00:33:27,980

people said that the gods never

771

00:33:33,310 --> 00:33:30,740

investigated people claimed to have you

772

00:33:33,580 --> 00:33:33,320

know seen aliens well that's not the

773

00:33:36,340 --> 00:33:33,590

case

774

00:33:40,930 --> 00:33:36,350

I mean George Adamski's FBI file is

775

00:33:44,020 --> 00:33:40,940

about 150 pages long George Van Tassel's

776

00:33:48,420 --> 00:33:44,030

is more than 300 pages then I could go

777

00:33:52,930 --> 00:33:48,430

on and on and so that that were sort of

778

00:33:54,610 --> 00:33:52,940

demonstrates if you like the that there

779

00:33:56,590 --> 00:33:54,620

was a precedent if you lights of the

780

00:33:59,200 --> 00:33:56,600

abductions namely in the form of the

781

00:34:02,230 --> 00:33:59,210

contactees Nick do you think a lot of

782

00:34:05,110 --> 00:34:02,240

that had to do with just the fact that

783

00:34:07,180 --> 00:34:05,120

they could gather such a large crowd and

784

00:34:09,100 --> 00:34:07,190

had such influence on a large crowd of

785

00:34:11,170 --> 00:34:09,110

people I mean do you think that's part

786

00:34:12,700 --> 00:34:11,180

of why the I mean I personally would

787

00:34:15,100 --> 00:34:12,710

think that's part of why the FBI would

788

00:34:17,170 --> 00:34:15,110

have a file on them I'm sure they do on

789

00:34:24,940 --> 00:34:17,180

what religious and cult leaders the same

790

00:34:28,960 --> 00:34:24,950

thing Nicky there maybe he didn't like

791

00:34:35,290 --> 00:34:28,970

that question alright let me try to call

792

00:34:39,160 --> 00:34:35,300

him back I did notice up his his phone

793

00:34:44,950 --> 00:34:39,170

was acting funny so let me it shows it

794

00:34:47,830 --> 00:34:44,960

looks like he's still on here hang on I

795

00:34:50,800 --> 00:34:47,840

will try to call him back I don't know

796

00:34:52,570 --> 00:34:50,810

what I'm guessing this is just a guess

797

00:34:55,870 --> 00:34:52,580

he might have a portable phone the

798

00:34:59,970 --> 00:34:55,880

battery went dead that's possible and he

799

00:35:05,880 --> 00:34:59,980

says he only has that one number now so

800

00:35:10,480 --> 00:35:05,890

let me just see if I can try him again

801
00:35:11,620 --> 00:35:10,490
hello Nicky there hello yeah you haven't

802
00:35:16,330 --> 00:35:11,630
are you having trouble with your phone

803
00:35:18,610 --> 00:35:16,340
Nick you know what that was really they

804
00:35:20,050 --> 00:35:18,620
just went it just went blank and then

805
00:35:22,180 --> 00:35:20,060
there was just like three or four bleeps

806
00:35:24,580 --> 00:35:22,190
coming in like about every five or six

807
00:35:26,470 --> 00:35:24,590
seconds I just wondered if it wasn't

808
00:35:29,110 --> 00:35:26,480
your end wasn't a problem at your end oh

809
00:35:31,270 --> 00:35:29,120
yeah I heard nothing on this end at all

810
00:35:34,510 --> 00:35:31,280
I have heard a couple beep so here and

811
00:35:36,180 --> 00:35:34,520
then and they sound very suspicious like

812
00:35:40,510 --> 00:35:36,190
government beeps to me

813
00:35:42,640 --> 00:35:40,520

all right so joke it's a joke yeah okay

814

00:35:45,310 --> 00:35:42,650

well we're back now anyway yeah but yeah

815

00:35:47,680 --> 00:35:45,320

there's no doubt that as you said just

816

00:35:50,350 --> 00:35:47,690

before that I mean one of the reasons

817

00:35:52,720 --> 00:35:50,360

why there was this sort of deep concern

818

00:35:55,240 --> 00:35:52,730

on the part of the FBI was purely and

819

00:35:59,080 --> 00:35:55,250

simply because people like a damn ski

820

00:36:01,930 --> 00:35:59,090

and Van Tassel had had so many followers

821

00:36:05,560 --> 00:36:01,940

you know and they created a great deal

822

00:36:09,640 --> 00:36:05,570

of influence and you know it was one

823

00:36:11,650 --> 00:36:09,650

thing to talk about aliens but it was

824

00:36:13,900 --> 00:36:11,660

another thing to say well you know the

825

00:36:16,420 --> 00:36:13,910

aliens are communist and that's one of

826

00:36:19,690 --> 00:36:16,430

the reasons at least why the FBI

827

00:36:20,770 --> 00:36:19,700

followed all these people but and in

828

00:36:24,250 --> 00:36:20,780

other words he was thrown a tional

829

00:36:27,280 --> 00:36:24,260

security reasons to a degree and I think

830

00:36:29,640 --> 00:36:27,290

the important thing to note is that you

831

00:36:32,290 --> 00:36:29,650

know this phenomenon kind of continued

832

00:36:34,300 --> 00:36:32,300

after that but it wasn't in relation to

833

00:36:36,880 --> 00:36:34,310

the contactees anymore you have this new

834

00:36:40,000 --> 00:36:36,890

development in the 60s with the

835

00:36:42,160 --> 00:36:40,010

abductees so because I said that the

836

00:36:45,190 --> 00:36:42,170

important thing is that we can prove

837

00:36:48,670 --> 00:36:45,200

through the freedom information but the

838

00:36:51,070 --> 00:36:48,680

files were opened on these people in the

839

00:36:53,530 --> 00:36:51,080

50s and so it makes sense that it would

840

00:36:55,690 --> 00:36:53,540

have continued in the 60s as well so

841

00:36:59,740 --> 00:36:55,700

where would you think that the beginning

842

00:37:03,400 --> 00:36:59,750

of the abductees thus the alleged

843

00:37:07,900 --> 00:37:03,410

abductor file begin was a Betty Barney

844

00:37:10,920 --> 00:37:07,910

Hill well I mean certainly the Betty and

845

00:37:15,280 --> 00:37:10,930

Barney Hill case of September 61 was

846

00:37:17,410 --> 00:37:15,290

without doubt the one case more than any

847

00:37:20,950 --> 00:37:17,420

other that sort of gave rise to the

848

00:37:22,860 --> 00:37:20,960

abduction phenomenon but you know since

849

00:37:27,340 --> 00:37:22,870

then people have come forward and

850

00:37:29,710 --> 00:37:27,350

talking about how for example you know

851
00:37:32,830 --> 00:37:29,720
their grandmother had an experience say

852
00:37:34,720 --> 00:37:32,840
in the 1930s or the 1940s a lot of

853
00:37:37,870 --> 00:37:34,730
stories like that now granted those

854
00:37:40,930 --> 00:37:37,880
stories have come through in latter days

855
00:37:43,000 --> 00:37:40,940
they weren't discussed or reported in

856
00:37:45,100 --> 00:37:43,010
the thirties and forties but you know

857
00:37:46,630 --> 00:37:45,110
there's no reason to not believe the

858
00:37:49,030 --> 00:37:46,640
people who said you know that their

859
00:37:51,520 --> 00:37:49,040
grandmother or great-grandmother had

860
00:37:54,550 --> 00:37:51,530
an abduction experience in the 20s or

861
00:37:57,700 --> 00:37:54,560
the 1910s or whatever but there's no

862
00:38:02,230 --> 00:37:57,710
doubt that the Betty and Barney Hill

863
00:38:04,840 --> 00:38:02,240

case is certainly the one case more than

864

00:38:07,090 --> 00:38:04,850

any other that people sort of define as

865

00:38:09,220 --> 00:38:07,100

the first one and that really was

866

00:38:12,250 --> 00:38:09,230

because it was it was in the public eye

867

00:38:14,430 --> 00:38:12,260

now John fuller wrote a book about this

868

00:38:16,330 --> 00:38:14,440

called the interrupted journey and

869

00:38:19,540 --> 00:38:16,340

basically and it sort of give you a

870

00:38:21,460 --> 00:38:19,550

quick background September 61 Betty and

871

00:38:24,370 --> 00:38:21,470

Barney Hill were coming back from a

872

00:38:25,960 --> 00:38:24,380

vacation in Canada and they were

873

00:38:28,420 --> 00:38:25,970

traveling through the mountains you know

874

00:38:32,080 --> 00:38:28,430

it's dark night winding roads forests

875

00:38:36,250 --> 00:38:32,090

etc and they saw this strange light in

876

00:38:37,900 --> 00:38:36,260

the sky and they were sort of perplexed

877

00:38:39,670 --> 00:38:37,910

by what it was it didn't seem to be

878

00:38:41,680 --> 00:38:39,680

acting like a regular airplane it was

879

00:38:44,380 --> 00:38:41,690

almost as if it was shadowing them and

880

00:38:47,290 --> 00:38:44,390

watching them and they got back home and

881

00:38:50,110 --> 00:38:47,300

felt kind of weird and then over the

882

00:38:52,660 --> 00:38:50,120

next day or two they started to both get

883

00:38:55,240 --> 00:38:52,670

these strange nightmares and dreams of

884

00:38:57,160 --> 00:38:55,250

having being stopped on the road and

885

00:39:02,520 --> 00:38:57,170

being taken onboard this craft and

886

00:39:05,200 --> 00:39:02,530

subject to various stressful in genetic

887

00:39:08,410 --> 00:39:05,210

experiments and things like this and so

888

00:39:10,840 --> 00:39:08,420

that was really the start of it and both

889

00:39:13,860 --> 00:39:10,850

of them suffered from what sounds very

890

00:39:16,240 --> 00:39:13,870

much like like post-traumatic stress and

891

00:39:19,210 --> 00:39:16,250

the Barney got the worst of it he

892

00:39:23,230 --> 00:39:19,220

started to develop all stomach ulcers

893

00:39:27,700 --> 00:39:23,240

which eventually killed him and and just

894

00:39:29,830 --> 00:39:27,710

you know a state of stress and be the

895

00:39:32,520 --> 00:39:29,840

story you know he's certainly like a

896

00:39:35,530 --> 00:39:32,530

defining one for the abduction

897

00:39:37,180 --> 00:39:35,540

phenomenon but what I found during the

898

00:39:40,000 --> 00:39:37,190

research was that there was an Air Force

899

00:39:42,220 --> 00:39:40,010

file on the Betty and Barney Hill case

900

00:39:44,020 --> 00:39:42,230

and what I find particularly notable

901
00:39:46,540 --> 00:39:44,030
about this is the file he tells the

902
00:39:48,970 --> 00:39:46,550
story basically as I've told you the

903
00:39:52,600 --> 00:39:48,980
story now but in a in a far lengthier

904
00:39:54,250 --> 00:39:52,610
way but the Air Force took the story

905
00:39:57,700 --> 00:39:54,260
very seriously this was there was

906
00:40:00,100 --> 00:39:57,710
nothing about you know UFO cranks or

907
00:40:02,589 --> 00:40:00,110
anything like that it was a very sober

908
00:40:05,289 --> 00:40:02,599
and detailed study

909
00:40:09,039 --> 00:40:05,299
exactly what happened to them and the

910
00:40:12,190 --> 00:40:09,049
the the air force base that took all the

911
00:40:14,019 --> 00:40:12,200
details down shared the information with

912
00:40:17,259 --> 00:40:14,029
the Air Force Office of Special

913
00:40:21,160 --> 00:40:17,269

Investigations who also looked into it

914

00:40:24,940 --> 00:40:21,170

and intriguingly on one occasion betty

915

00:40:28,599 --> 00:40:24,950

was speaking on the phone or

916

00:40:31,900 --> 00:40:28,609

interviewees about their case and from

917

00:40:34,539 --> 00:40:31,910

there what happened was that betty was

918

00:40:37,390 --> 00:40:34,549

asked can we put you through to another

919

00:40:39,910 --> 00:40:37,400

agency and they didn't tell her who this

920

00:40:42,249 --> 00:40:39,920

agency was but whoever it was seemed to

921

00:40:44,170 --> 00:40:42,259

know a great deal about the abduction

922

00:40:46,479 --> 00:40:44,180

phenomenon and was keen to get

923

00:40:48,880 --> 00:40:46,489

information from Betty and Barney and

924

00:40:52,210 --> 00:40:48,890

she said you know to a last day she

925

00:40:55,749 --> 00:40:52,220

never did know what this agency was that

926

00:40:58,870 --> 00:40:55,759

but she was speaking to so she was

927

00:41:02,559 --> 00:40:58,880

basically handed you know patched

928

00:41:04,630 --> 00:41:02,569

through to another agency and yeah they

929

00:41:07,809 --> 00:41:04,640

just they seemed up on the topic which

930

00:41:10,029 --> 00:41:07,819

is that kind of what you're saying yes

931

00:41:12,729 --> 00:41:10,039

that's exactly what happened they were

932

00:41:14,440 --> 00:41:12,739

initially speaking to the the local air

933

00:41:16,839 --> 00:41:14,450

force base near to her where this

934

00:41:19,660 --> 00:41:16,849

experience occurred he's there for days

935

00:41:22,569 --> 00:41:19,670

mm-hmm correct yeah and when they were

936

00:41:24,039 --> 00:41:22,579

on the phone then it was there was

937

00:41:25,569 --> 00:41:24,049

nothing sort of sinister about it they

938

00:41:26,950 --> 00:41:25,579

just said would you mind if we put you

939

00:41:27,400 --> 00:41:26,960

through to somebody else patch you

940

00:41:29,739 --> 00:41:27,410

through

941

00:41:32,650 --> 00:41:29,749

and she was fine about it but she never

942

00:41:36,009 --> 00:41:32,660

did learn who this other department was

943

00:41:38,229 --> 00:41:36,019

and you know whether it was one of the

944

00:41:39,910 --> 00:41:38,239

intelligence agencies whether it was

945

00:41:42,249 --> 00:41:39,920

another division in the Air Force

946

00:41:45,219 --> 00:41:42,259

we'll probably never ever know now

947

00:41:48,430 --> 00:41:45,229

unless other additional file surface but

948

00:41:51,609 --> 00:41:48,440

I do actually reproduce an example from

949

00:41:53,170 --> 00:41:51,619

the Betty and Barney Hill file in the

950

00:41:56,829 --> 00:41:53,180

book so people can see you know these

951
00:41:58,450 --> 00:41:56,839
are genuine original documents and and I

952
00:42:01,120 --> 00:41:58,460
think it's interesting that the one of

953
00:42:04,329 --> 00:42:01,130
the more notable earliest cases of

954
00:42:07,299 --> 00:42:04,339
abduction should have attracted so much

955
00:42:10,479 --> 00:42:07,309
military attention absolutely

956
00:42:12,219 --> 00:42:10,489
and so as far as the UK goes you said

957
00:42:16,039 --> 00:42:12,229
you checked basically in both both

958
00:42:18,529 --> 00:42:16,049
countries did their their pay

959
00:42:20,199 --> 00:42:18,539
first documents start about the same

960
00:42:22,579 --> 00:42:20,209
time earlier later

961
00:42:24,589 --> 00:42:22,589
yeah well that that's a good question

962
00:42:26,779 --> 00:42:24,599
because the the interesting thing is

963
00:42:29,120 --> 00:42:26,789

that they actually did start roughly

964

00:42:32,329 --> 00:42:29,130

around about the same time sort of early

965

00:42:35,660 --> 00:42:32,339

1960s as things were kicking off in the

966

00:42:38,029 --> 00:42:35,670

United States now one of the cases that

967

00:42:40,609 --> 00:42:38,039

I investigate well what's intriguing is

968

00:42:44,179 --> 00:42:40,619

that several of these early nineteen

969

00:42:48,529 --> 00:42:44,189

sixties cases involved young girls and

970

00:42:51,640 --> 00:42:48,539

where the military was investigating and

971

00:42:53,779 --> 00:42:51,650

interviewing them extensively and deeply

972

00:42:56,839 --> 00:42:53,789

and of course if you look at the

973

00:42:59,029 --> 00:42:56,849

abduction phenomenon it often begins in

974

00:43:01,699 --> 00:42:59,039

childhood so you know there was this

975

00:43:04,189 --> 00:43:01,709

angle with the UK where you had the Air

976
00:43:07,699 --> 00:43:04,199
Forces intelligence departments in the

977
00:43:10,009 --> 00:43:07,709
UK literally going to the houses of

978
00:43:11,660 --> 00:43:10,019
young girls when they'd heard stories

979
00:43:13,729 --> 00:43:11,670
perhaps in the local newspapers and

980
00:43:16,880 --> 00:43:13,739
things like that of having seen a UFO

981
00:43:20,359 --> 00:43:16,890
and really sort of you know speaking to

982
00:43:21,799 --> 00:43:20,369
them intensely and now one of the cases

983
00:43:26,509 --> 00:43:21,809
which slightly different because it

984
00:43:29,569 --> 00:43:26,519
involves a man 1960 to a guy named

985
00:43:31,729 --> 00:43:29,579
Ronald Wildman and he was like a car

986
00:43:34,519 --> 00:43:31,739
delivery guy he was delivering a chi a

987
00:43:38,419 --> 00:43:34,529
car in the early hours of the morning to

988
00:43:41,089 --> 00:43:38,429

get there on time to the location and as

989

00:43:44,059 --> 00:43:41,099

he was driving down this lonely road the

990

00:43:46,789 --> 00:43:44,069

lights of his car started to flicker and

991

00:43:49,069 --> 00:43:46,799

go out at the same time the the car

992

00:43:51,589 --> 00:43:49,079

started to sort of judder and slowed

993

00:43:55,549 --> 00:43:51,599

down and with in ufology these are known

994

00:43:58,699 --> 00:43:55,559

as vehicle interference cases and he

995

00:44:01,160 --> 00:43:58,709

when he saw this strange thing in the

996

00:44:03,949 --> 00:44:01,170

sky like a classic flying saucer he

997

00:44:05,719 --> 00:44:03,959

Ronald wildmen immediately made a

998

00:44:08,089 --> 00:44:05,729

connection between the sort of

999

00:44:12,439 --> 00:44:08,099

malfunctioning of the vehicle and the

1000

00:44:14,689 --> 00:44:12,449

presence of a UFO now within seconds

1001
00:44:17,749 --> 00:44:14,699
whatever this craft was it shut away and

1002
00:44:20,239 --> 00:44:17,759
run a wild man's car or the car that he

1003
00:44:22,459 --> 00:44:20,249
was delivering I should say started to

1004
00:44:25,239 --> 00:44:22,469
work fine again he raced to the local

1005
00:44:27,650 --> 00:44:25,249
police station told the story and

1006
00:44:29,780 --> 00:44:27,660
suddenly the the British Royal Air

1007
00:44:31,640 --> 00:44:29,790
Force's provost and security

1008
00:44:36,410 --> 00:44:31,650
services as that as they were known at

1009
00:44:38,210 --> 00:44:36,420
the time came along grilled Ronald

1010
00:44:41,450 --> 00:44:38,220
Bachman about his experience now the

1011
00:44:43,580 --> 00:44:41,460
Provost and security services in the UK

1012
00:44:45,440 --> 00:44:43,590
are pretty much like what you would call

1013
00:44:48,020 --> 00:44:45,450

the James Bond's of the British Royal

1014

00:44:50,170 --> 00:44:48,030

Air Force they get involved in espionage

1015

00:44:53,390 --> 00:44:50,180

programs counterintelligence

1016

00:44:56,300 --> 00:44:53,400

disinformation spying on you know what

1017

00:45:00,260 --> 00:44:56,310

Russian military or and you know things

1018

00:45:02,420 --> 00:45:00,270

like that and they interviewed Ronald

1019

00:45:04,700 --> 00:45:02,430

Wildman quite deeply and one of the more

1020

00:45:08,870 --> 00:45:04,710

interesting things about this particular

1021

00:45:11,660 --> 00:45:08,880

file is that he talks about how Ronald

1022

00:45:14,600 --> 00:45:11,670

wildmen had seen this UFO the car had

1023

00:45:16,400 --> 00:45:14,610

started to malfunction this was sort of

1024

00:45:18,680 --> 00:45:16,410

about 3:00 in the morning you know when

1025

00:45:21,440 --> 00:45:18,690

hardly anybody was around and weren't

1026

00:45:24,830 --> 00:45:21,450

the most intriguing but brief comments

1027

00:45:26,870 --> 00:45:24,840

that was made was that one of the Royal

1028

00:45:29,930 --> 00:45:26,880

Air Force personnel that prepared the

1029

00:45:32,420 --> 00:45:29,940

documents actually wrote in it that

1030

00:45:35,960 --> 00:45:32,430

Ronald Waldman had told them that he was

1031

00:45:39,050 --> 00:45:35,970

quote modelled by the time in other

1032

00:45:42,410 --> 00:45:39,060

words you know the timeframe from when

1033

00:45:45,710 --> 00:45:42,420

he saw this UFO to when it left he said

1034

00:45:48,680 --> 00:45:45,720

he was muddled by the time frame in

1035

00:45:50,840 --> 00:45:48,690

terms of it seemed you know much shorter

1036

00:45:54,380 --> 00:45:50,850

than it should have been you know it

1037

00:45:56,420 --> 00:45:54,390

seemed like it was all over in you know

1038

00:45:59,330 --> 00:45:56,430

five minutes or thereabouts maybe even

1039

00:46:01,190 --> 00:45:59,340

less but afterwards when he when he

1040

00:46:02,270 --> 00:46:01,200

arrived at the police station it seemed

1041

00:46:05,540 --> 00:46:02,280

you know there was like two hours

1042

00:46:07,850 --> 00:46:05,550

missing so it's clearly a case again of

1043

00:46:09,650 --> 00:46:07,860

what we would call missing time and

1044

00:46:12,530 --> 00:46:09,660

there are sort of indications in the

1045

00:46:15,050 --> 00:46:12,540

file that this you know they realize

1046

00:46:18,290 --> 00:46:15,060

this is a significant case hence why

1047

00:46:20,840 --> 00:46:18,300

they sent out the military and it makes

1048

00:46:22,970 --> 00:46:20,850

me think or suspect that they that

1049

00:46:26,030 --> 00:46:22,980

wasn't the first case they had on file

1050

00:46:27,890 --> 00:46:26,040

in the UK of missing time and somebody

1051
00:46:30,260 --> 00:46:27,900
driving down the road late at night and

1052
00:46:33,700 --> 00:46:30,270
the car stalls and then before they know

1053
00:46:37,520 --> 00:46:33,710
it they're missing two or three hours

1054
00:46:40,700 --> 00:46:37,530
interesting so other other like noted

1055
00:46:43,850 --> 00:46:40,710
commonalities besides missing time that

1056
00:46:46,370 --> 00:46:43,860
these people seem to be reporting well

1057
00:46:49,070 --> 00:46:46,380
yeah I mean one of them is obviously

1058
00:46:51,500 --> 00:46:49,080
missing time another one is that most of

1059
00:46:54,140 --> 00:46:51,510
these experiences occur late at night

1060
00:46:54,920 --> 00:46:54,150
whether it's at home or like we've run a

1061
00:46:57,950 --> 00:46:54,930
while man

1062
00:47:00,890 --> 00:46:57,960
you know on isolated roads now the fact

1063
00:47:03,680 --> 00:47:00,900

that so many of these events do occur

1064

00:47:06,760 --> 00:47:03,690

are isolated roads makes me think that

1065

00:47:09,770 --> 00:47:06,770

whatever these abductors are they're not

1066

00:47:12,680 --> 00:47:09,780

all-powerful you know that it's as if

1067

00:47:15,560 --> 00:47:12,690

they're limited in their abilities which

1068

00:47:17,870 --> 00:47:15,570

may be why they do choose people on

1069

00:47:20,330 --> 00:47:17,880

late-night roads you know early hours of

1070

00:47:21,890 --> 00:47:20,340

the morning isolated areas where they're

1071

00:47:24,220 --> 00:47:21,900

not going to be seen so that does sound

1072

00:47:27,080 --> 00:47:24,230

like you know they're not sort of

1073

00:47:31,070 --> 00:47:27,090

all-powerful entities you know that they

1074

00:47:33,200 --> 00:47:31,080

are potentially flawed in some ways and

1075

00:47:36,410 --> 00:47:33,210

and that's why they they're forced to

1076
00:47:39,710 --> 00:47:36,420
sort of you know camouflage themselves

1077
00:47:41,300 --> 00:47:39,720
in terms of just coming out at night but

1078
00:47:43,280 --> 00:47:41,310
I mean there are other angles as well

1079
00:47:45,530 --> 00:47:43,290
you know that the vehicles starting to

1080
00:47:49,520 --> 00:47:45,540
play up and the engines and the lights

1081
00:47:53,330 --> 00:47:49,530
going out and so on you can find those

1082
00:47:55,640 --> 00:47:53,340
throughout numerous UFO cases not just

1083
00:47:58,610 --> 00:47:55,650
in the UK or the US but all around the

1084
00:48:01,280 --> 00:47:58,620
world there was a wave of sightings or

1085
00:48:05,450 --> 00:48:01,290
events exactly like this in Levelland

1086
00:48:07,520 --> 00:48:05,460
Texas in 1957 where again so like

1087
00:48:10,220 --> 00:48:07,530
classic flying saucer type craft was

1088
00:48:12,350 --> 00:48:10,230

seen and as people's vehicles got close

1089

00:48:13,940 --> 00:48:12,360

you know the engine would splutter the

1090

00:48:16,610 --> 00:48:13,950

lights would go off and then the car

1091

00:48:20,180 --> 00:48:16,620

would come to a complete halt until the

1092

00:48:22,460 --> 00:48:20,190

craft advanced so you know I think it's

1093

00:48:25,040 --> 00:48:22,470

interesting that there are these themes

1094

00:48:27,980 --> 00:48:25,050

that sort of run through so many of

1095

00:48:31,370 --> 00:48:27,990

these abduction cases I do too that that

1096

00:48:33,860 --> 00:48:31,380

part has always really fascinated me and

1097

00:48:35,990 --> 00:48:33,870

I did speak to someone that had that

1098

00:48:41,330 --> 00:48:36,000

particular situation happened their car

1099

00:48:44,420 --> 00:48:41,340

died and those those are just so

1100

00:48:46,160 --> 00:48:44,430

unexplainable and there are so many of

1101

00:48:48,770 --> 00:48:46,170

them as a matter of fact you know during

1102

00:48:51,950 --> 00:48:48,780

the news Alejandro and I or he was

1103

00:48:56,830 --> 00:48:51,960

discussing a case and I forget lochhaven

1104

00:49:01,460 --> 00:48:56,840

I believe it's called in in Baltimore

1105

00:49:04,820 --> 00:49:01,470

it's a reservoir for ball two reservoirs

1106

00:49:06,200 --> 00:49:04,830

more reservoir and that's the same thing

1107

00:49:08,150 --> 00:49:06,210

that happened there you know the car

1108

00:49:10,430 --> 00:49:08,160

died the lights went out everything

1109

00:49:12,860 --> 00:49:10,440

electrical goes out and then when the

1110

00:49:15,890 --> 00:49:12,870

thing goes away everything works again I

1111

00:49:18,040 --> 00:49:15,900

mean what electromagnetics I think are I

1112

00:49:21,070 --> 00:49:18,050

don't understand how that happens but

1113

00:49:23,390 --> 00:49:21,080

it's it's even more curious how

1114

00:49:25,190 --> 00:49:23,400

everything just seems to work again

1115

00:49:28,340 --> 00:49:25,200

you know I don't I don't know what kind

1116

00:49:31,370 --> 00:49:28,350

of electrical you know wave could make

1117

00:49:33,650 --> 00:49:31,380

that happen like that yeah it is it

1118

00:49:35,600 --> 00:49:33,660

makes Italy weird because sometimes you

1119

00:49:37,970 --> 00:49:35,610

know the whole car just fails other

1120

00:49:41,540 --> 00:49:37,980

occasions you know it's just the lights

1121

00:49:44,120 --> 00:49:41,550

so you know it is sort of weird how you

1122

00:49:46,100 --> 00:49:44,130

know even certain parts the parts of the

1123

00:49:48,410 --> 00:49:46,110

car are being affected rather than the

1124

00:49:50,960 --> 00:49:48,420

whole thing and then the other thing you

1125

00:49:52,970 --> 00:49:50,970

hear about is camera batteries whether

1126

00:49:55,190 --> 00:49:52,980

it's a phone or you know whether it's

1127

00:49:58,660 --> 00:49:55,200

someone with a video camera all of a

1128

00:50:04,220 --> 00:49:58,670

sudden their battery's dead you know and

1129

00:50:08,720 --> 00:50:04,230

strange things so this in the UK we were

1130

00:50:12,020 --> 00:50:08,730

talking would you say that there's a lot

1131

00:50:14,480 --> 00:50:12,030

of files out there about abductions or

1132

00:50:16,970 --> 00:50:14,490

is it just here and there I mean what

1133

00:50:18,950 --> 00:50:16,980

did you find in your research well I

1134

00:50:21,500 --> 00:50:18,960

mean it's difficult to say for sure

1135

00:50:24,020 --> 00:50:21,510

because you know it took a lot of time

1136

00:50:27,380 --> 00:50:24,030

and effort to forget a lot of these

1137

00:50:29,530 --> 00:50:27,390

files but you know I think an argument

1138

00:50:31,700 --> 00:50:29,540

could be made that there could be

1139

00:50:35,120 --> 00:50:31,710

hundreds and hundreds of files the

1140

00:50:39,110 --> 00:50:35,130

problem is is trying to identify what

1141

00:50:43,280 --> 00:50:39,120

agency is responsible for keeping these

1142

00:50:45,650 --> 00:50:43,290

files and and where they're held as well

1143

00:50:48,560 --> 00:50:45,660

and it's also possible that perhaps some

1144

00:50:52,310 --> 00:50:48,570

of this research has been sort of farmed

1145

00:50:54,680 --> 00:50:52,320

out to private corporations which makes

1146

00:50:56,810 --> 00:50:54,690

it even more difficult to try and get

1147

00:50:58,700 --> 00:50:56,820

the files because private corporations

1148

00:51:00,830 --> 00:50:58,710

aren't subject to the Freedom of

1149

00:51:03,770 --> 00:51:00,840

Information Act you know and very often

1150

00:51:06,260 --> 00:51:03,780

government agencies do contracts the

1151

00:51:08,440 --> 00:51:06,270

work outside is like for example you

1152

00:51:11,140 --> 00:51:08,450

look at you know US Air Force me

1153

00:51:12,819 --> 00:51:11,150

three planes well the US Air Force

1154

00:51:14,460 --> 00:51:12,829

doesn't build the planes you know he

1155

00:51:16,900 --> 00:51:14,470

gets companies like Lockheed

1156

00:51:19,720 --> 00:51:16,910

mcdonald-douglas to make the planes for

1157

00:51:22,480 --> 00:51:19,730

them but they're contracted and it would

1158

00:51:25,180 --> 00:51:22,490

not surprise me if you know sort of

1159

00:51:29,170 --> 00:51:25,190

private security corporations and things

1160

00:51:31,390 --> 00:51:29,180

like that may have been enlisted to help

1161

00:51:33,160 --> 00:51:31,400

in this in some cases there's some

1162

00:51:37,329 --> 00:51:33,170

evidence for this that it sort of done

1163

00:51:39,160 --> 00:51:37,339

by almost like outside agencies that

1164

00:51:41,770 --> 00:51:39,170

aren't directly connected to the

1165

00:51:43,780 --> 00:51:41,780

government but are doing the work on the

1166

00:51:46,089 --> 00:51:43,790

government's behalf you know now I've

1167

00:51:50,530 --> 00:51:46,099

heard now you correct me if I'm wrong in

1168

00:51:52,870 --> 00:51:50,540

this but I heard in the UK that you with

1169

00:51:55,540 --> 00:51:52,880

the Freedom of Information Act you can

1170

00:51:57,760 --> 00:51:55,550

get documents but they're costly as our

1171

00:51:59,829 --> 00:51:57,770

does cost some money to do this it's not

1172

00:52:01,510 --> 00:51:59,839

like in the United States where there's

1173

00:52:06,069 --> 00:52:01,520

no charge they actually charge you is

1174

00:52:08,560 --> 00:52:06,079

that is that good information yeah some

1175

00:52:10,839 --> 00:52:08,570

of the files you can just you can get

1176
00:52:14,559 --> 00:52:10,849
free when they've been up Declassified

1177
00:52:18,630 --> 00:52:14,569
and so on but there's some times when if

1178
00:52:21,609 --> 00:52:18,640
the files haven't been Declassified and

1179
00:52:23,440 --> 00:52:21,619
the you know the relevant person in the

1180
00:52:25,780 --> 00:52:23,450
office that does the you know one of the

1181
00:52:27,730 --> 00:52:25,790
people that sort of does the searching

1182
00:52:30,700 --> 00:52:27,740
for the files you know in these massive

1183
00:52:33,430 --> 00:52:30,710
archives they will charge you for the

1184
00:52:35,200 --> 00:52:33,440
time you know that it took them to find

1185
00:52:36,790 --> 00:52:35,210
the files but that's just that party's

1186
00:52:39,460 --> 00:52:36,800
the same in the United States for

1187
00:52:42,400 --> 00:52:39,470
example let's say that it with the FBI

1188
00:52:45,309 --> 00:52:42,410

you know say you were looking for a file

1189

00:52:50,260 --> 00:52:45,319

on some obscure UFO researcher in the

1190

00:52:52,720 --> 00:52:50,270

50s and if the FBI hasn't Declassified

1191

00:52:55,270 --> 00:52:52,730

that file they will then have to go to

1192

00:52:57,880 --> 00:52:55,280

their archives and see if they have

1193

00:52:59,829 --> 00:52:57,890

anything under that person's name and if

1194

00:53:03,430 --> 00:52:59,839

it takes them sort of five or six hours

1195

00:53:05,500 --> 00:53:03,440

to you know find the material and check

1196

00:53:07,329 --> 00:53:05,510

it and then another five hours to go

1197

00:53:09,370 --> 00:53:07,339

through the file to see if there any

1198

00:53:12,250 --> 00:53:09,380

security issues that may be blacked out

1199

00:53:15,760 --> 00:53:12,260

they will they will basically write back

1200

00:53:20,710 --> 00:53:15,770

to you and say okay we found a file or

1201
00:53:21,910 --> 00:53:20,720
we suspect there's a file but wheatus we

1202
00:53:23,799 --> 00:53:21,920
also

1203
00:53:27,130 --> 00:53:23,809
calculate that it's going to take sort

1204
00:53:28,870 --> 00:53:27,140
of 36 man-hours to answer your questions

1205
00:53:32,530 --> 00:53:28,880
they will charge you for that as well

1206
00:53:34,599 --> 00:53:32,540
that in the United States now in the big

1207
00:53:37,660 --> 00:53:34,609
difference in the UK's that a lot of the

1208
00:53:40,780 --> 00:53:37,670
files as they're Declassified they'll

1209
00:53:42,309 --> 00:53:40,790
charge you for the for copying them they

1210
00:53:45,010 --> 00:53:42,319
don't charge you for seeing them if you

1211
00:53:47,770 --> 00:53:45,020
want to go to the archives in London or

1212
00:53:49,329 --> 00:53:47,780
just outside London you can just go

1213
00:53:51,670 --> 00:53:49,339

there and look at the files and make

1214

00:53:53,980 --> 00:53:51,680

pencil notes and copy them but that they

1215

00:53:57,420 --> 00:53:53,990

will charge you for photocopying the

1216

00:54:00,460 --> 00:53:57,430

documents okay it sound it sounded to me

1217

00:54:03,339 --> 00:54:00,470

that it was a real costly thing but I

1218

00:54:06,039 --> 00:54:03,349

guess it that was just uh someone said

1219

00:54:08,380 --> 00:54:06,049

well well the only way reason why it

1220

00:54:10,990 --> 00:54:08,390

would be really costly will be let's say

1221

00:54:13,450 --> 00:54:11,000

you know they charge 50 cents or

1222

00:54:15,609 --> 00:54:13,460

something a page to photocopy of them

1223

00:54:17,680 --> 00:54:15,619

and the file happens to be like 300

1224

00:54:19,780 --> 00:54:17,690

pages you know what I mean

1225

00:54:22,059 --> 00:54:19,790

then he would be costly but that's

1226

00:54:24,490 --> 00:54:22,069

purely and simply because the file might

1227

00:54:26,650 --> 00:54:24,500

be so big you know it's a file is sort

1228

00:54:29,349 --> 00:54:26,660

of fifteen pages and they're going to

1229

00:54:31,450 --> 00:54:29,359

charge you fifty cents well that's not

1230

00:54:34,390 --> 00:54:31,460

bad you know because they would print a

1231

00:54:38,770 --> 00:54:34,400

copy for them copy them for you and mail

1232

00:54:41,069 --> 00:54:38,780

them to you or email them as a PDF some

1233

00:54:44,049 --> 00:54:41,079

agencies will do that

1234

00:54:47,650 --> 00:54:44,059

so it really depends on you know the

1235

00:54:49,299 --> 00:54:47,660

size of the file how long it takes them

1236

00:54:51,309 --> 00:54:49,309

to find the file if it hasn't already

1237

00:54:53,650 --> 00:54:51,319

been Declassified you know so there are

1238

00:54:56,200 --> 00:54:53,660

issues like that that have a bearing on

1239

00:55:00,309 --> 00:54:56,210

whether or not there's an actual cost

1240

00:55:02,349 --> 00:55:00,319

involved or not I see and I I didn't you

1241

00:55:03,880 --> 00:55:02,359

know I I think I just spoke to someone

1242

00:55:05,349 --> 00:55:03,890

where they said that it was just too

1243

00:55:08,079 --> 00:55:05,359

costly and they weren't even going to go

1244

00:55:09,789 --> 00:55:08,089

forward with it so I I don't have any

1245

00:55:12,579 --> 00:55:09,799

idea what they well I'll tell you why

1246

00:55:14,799 --> 00:55:12,589

that is in the UK because a lot of the

1247

00:55:19,270 --> 00:55:14,809

files are really thick and and the

1248

00:55:22,839 --> 00:55:19,280

reason being that the UK files their UFO

1249

00:55:25,510 --> 00:55:22,849

UFO files in a different way to the u.s.

1250

00:55:27,849 --> 00:55:25,520

now in the u.s. many of the files are

1251
00:55:31,960 --> 00:55:27,859
you know that while the files are sort

1252
00:55:33,970 --> 00:55:31,970
of split into separate cases so if you

1253
00:55:35,710 --> 00:55:33,980
just wanted a file on John Smith

1254
00:55:37,240 --> 00:55:35,720
sighting from 1960

1255
00:55:39,010 --> 00:55:37,250
it might be just seven or eight pages

1256
00:55:42,040 --> 00:55:39,020
and they probably wouldn't even charge

1257
00:55:44,140 --> 00:55:42,050
you for that but in the UK the the

1258
00:55:48,220 --> 00:55:44,150
militia defense didn't split their files

1259
00:55:52,750 --> 00:55:48,230
by cases they split them by years so in

1260
00:55:56,020 --> 00:55:52,760
other words the the UK files are huge

1261
00:55:58,810 --> 00:55:56,030
because they're not split into simple

1262
00:56:02,500 --> 00:55:58,820
similar separate case files they're all

1263
00:56:06,820 --> 00:56:02,510

contained in like January the 1st of 362

1264

00:56:09,730 --> 00:56:06,830

December 31st you know 365 days in other

1265

00:56:13,540 --> 00:56:09,740

words the the British files are so

1266

00:56:15,339 --> 00:56:13,550

expensive or can be because there's a

1267

00:56:16,450 --> 00:56:15,349

year's worth of files in there you see

1268

00:56:19,060 --> 00:56:16,460

what I mean I got it

1269

00:56:21,490 --> 00:56:19,070

whereas in the u.s. they're not they're

1270

00:56:24,060 --> 00:56:21,500

not split by or contained by year

1271

00:56:27,220 --> 00:56:24,070

they're they're actually split by case

1272

00:56:28,839 --> 00:56:27,230

yeah I see okay well we're gonna go into

1273

00:56:31,390 --> 00:56:28,849

the break now my guest

1274

00:56:35,140 --> 00:56:31,400

is Nick Redfern this is Martin Willis

1275

00:56:38,260 --> 00:56:35,150

with podcast UFO we're on kgr a radio

1276

00:56:42,390 --> 00:56:38,270

and we are going to talk on the at the

1277

00:56:44,620 --> 00:56:42,400

break about we're actually going to be

1278

00:56:47,890 --> 00:56:44,630

answering some questions that came in on

1279

00:56:51,700 --> 00:56:47,900

the chat so alright we'll be right back

1280

00:56:53,109 --> 00:56:51,710

hang in there okay clear three minutes

1281

00:56:56,520 --> 00:56:53,119

three minutes got it

1282

00:56:59,980 --> 00:56:56,530

okay all right Nick so I am going to

1283

00:57:01,829 --> 00:56:59,990

move over and look at the chat room and

1284

00:57:08,970 --> 00:57:01,839

see if we have any questions someone

1285

00:57:12,730 --> 00:57:08,980

wanted to know what we thought about

1286

00:57:15,520 --> 00:57:12,740

valiant Thor now valiant Thor was this

1287

00:57:18,070 --> 00:57:15,530

guy supposedly that you know he said he

1288

00:57:20,440 --> 00:57:18,080

was a he told the government he was an

1289

00:57:23,770 --> 00:57:20,450

alien I can't remember a whole lot about

1290

00:57:27,160 --> 00:57:23,780

him mrs. back and decades ago right do

1291

00:57:29,950 --> 00:57:27,170

you know anything about yeah story told

1292

00:57:31,930 --> 00:57:29,960

by a guy named Frank strangers as there

1293

00:57:35,190 --> 00:57:31,940

was a UFO research in the 50s and he

1294

00:57:38,320 --> 00:57:35,200

claimed to have met this human looking

1295

00:57:40,480 --> 00:57:38,330

alien called Balian Thor who had

1296

00:57:44,740 --> 00:57:40,490

infiltrated the Pentagon and was trying

1297

00:57:47,440 --> 00:57:44,750

to sort of change our mindset in terms

1298

00:57:48,690 --> 00:57:47,450

of you know military and confrontations

1299

00:57:51,839 --> 00:57:48,700

with the Russians

1300

00:57:55,410 --> 00:57:51,849

and and again you know one of the big

1301
00:57:58,950 --> 00:57:55,420
concerns was the extent to which the

1302
00:58:01,589 --> 00:57:58,960
public would be influenced you know by

1303
00:58:04,109 --> 00:58:01,599
this but it wasn't an abduction case it

1304
00:58:06,780 --> 00:58:04,119
was it was a contact a case right right

1305
00:58:11,670 --> 00:58:06,790
someone also wants to know what your

1306
00:58:14,010 --> 00:58:11,680
thoughts are on skinwalker ranch okay

1307
00:58:15,800 --> 00:58:14,020
well yeah I mean I think that's yummy I

1308
00:58:18,150 --> 00:58:15,810
can talk about that you know the idea of

1309
00:58:19,950 --> 00:58:18,160
portals and doorways and strange

1310
00:58:22,319 --> 00:58:19,960
creatures coming through I mean you can

1311
00:58:24,810 --> 00:58:22,329
find parallels to the skinwalker ranch

1312
00:58:27,180 --> 00:58:24,820
all around the world you know these sort

1313
00:58:30,120 --> 00:58:27,190

of window areas as john cale called them

1314

00:58:32,910 --> 00:58:30,130

so yeah I think it's a valid phenomenon

1315

00:58:36,750 --> 00:58:32,920

I don't pretend to understand how it

1316

00:58:39,240 --> 00:58:36,760

works but I mean you know skinwalker

1317

00:58:42,180 --> 00:58:39,250

ranch is probably the best most

1318

00:58:45,089 --> 00:58:42,190

well-known aspect of what is actually

1319

00:58:47,160 --> 00:58:45,099

like a worldwide type of phenomena

1320

00:58:48,870 --> 00:58:47,170

portals and doorways and things like

1321

00:58:52,620 --> 00:58:48,880

that you know yeah it sure is a strange

1322

00:58:54,390 --> 00:58:52,630

place I think it's it's it's I don't

1323

00:58:57,200 --> 00:58:54,400

know if it's the strangest place in the

1324

00:58:59,640 --> 00:58:57,210

world but it's gotta be on the top list

1325

00:59:01,980 --> 00:58:59,650

yeah I've never been there but I mean

1326

00:59:05,339 --> 00:59:01,990

you know from the people who I've spoken

1327

00:59:07,380 --> 00:59:05,349

to who have been there and of course you

1328

00:59:09,990 --> 00:59:07,390

know Colin Keller and George Knapp's

1329

00:59:12,150 --> 00:59:10,000

book on the subject I mean it makes it

1330

00:59:15,270 --> 00:59:12,160

clear that there's something really

1331

00:59:17,339 --> 00:59:15,280

weird going on that's for sure here's an

1332

00:59:20,490 --> 00:59:17,349

unusual question one that I've never

1333

00:59:23,339 --> 00:59:20,500

thought of are there any reports of UFOs

1334

00:59:25,550 --> 00:59:23,349

near cemeteries or at funerals I've

1335

00:59:29,099 --> 00:59:25,560

never heard of anything have you

1336

00:59:30,990 --> 00:59:29,109

that's good Halloween question that is

1337

00:59:33,690 --> 00:59:31,000

good for Halloween the only thing I can

1338

00:59:37,589 --> 00:59:33,700

think of that is kind of spooky for

1339

00:59:40,170 --> 00:59:37,599

Halloween is that the in 1966 when the

1340

00:59:42,750 --> 00:59:40,180

whole Mothman phenomenon kicked off in

1341

00:59:45,750 --> 00:59:42,760

Point Pleasant West Virginia well

1342

00:59:47,910 --> 00:59:45,760

actually before it all kicked off in

1343

00:59:50,130 --> 00:59:47,920

Point Pleasant just a week before

1344

00:59:51,599 --> 00:59:50,140

I'm sorry nickim I hate to do this but

1345

00:59:54,120 --> 00:59:51,609

we're right at the end of the break I

1346

00:59:56,099 --> 00:59:54,130

know so we can we'll talk about that and

1347

00:59:58,620 --> 00:59:56,109

during the show yeah all right go ahead

1348

00:59:59,400 --> 00:59:58,630

bill well coming back in about 15

1349

01:00:01,109 --> 00:59:59,410

seconds

1350

01:00:02,460 --> 01:00:01,119

all right so we'll bring that we'll

1351

01:00:04,890 --> 01:00:02,470

bring that whole topic up there

1352

01:00:10,530 --> 01:00:04,900

the show and we're going an hour

1353

01:00:14,790 --> 01:00:10,540

straight right right yes okay then bye

1354

01:00:17,010 --> 01:00:14,800

in three two one go

1355

01:00:19,109 --> 01:00:17,020

alright welcome back this is Martin

1356

01:00:22,740 --> 01:00:19,119

Willis my guest is Nick Redfern

1357

01:00:25,800 --> 01:00:22,750

we're on kgr a radio alive and we're

1358

01:00:27,690 --> 01:00:25,810

also over on YouTube live we're gonna be

1359

01:00:30,960 --> 01:00:27,700

taking calls after the first part of the

1360

01:00:33,660 --> 01:00:30,970

hour during the break someone asks kind

1361

01:00:35,720 --> 01:00:33,670

of a Halloween related question like

1362

01:00:39,420 --> 01:00:35,730

have there been any UFO sightings over

1363

01:00:41,849 --> 01:00:39,430

any funerals or cemeteries and Nick

1364

01:00:43,680 --> 01:00:41,859

started to talk about the Mothman so

1365

01:00:47,460 --> 01:00:43,690

Nick do you want to just continue I know

1366

01:00:49,940 --> 01:00:47,470

this is a kind of jumping in a whole

1367

01:00:53,370 --> 01:00:49,950

different topic that's cool yeah yeah

1368

01:00:56,790 --> 01:00:53,380

well yeah I mean I'm not personally

1369

01:00:59,190 --> 01:00:56,800

aware of sort of you know a direct UFO

1370

01:01:01,380 --> 01:00:59,200

you know cemetery type connection but

1371

01:01:05,970 --> 01:01:01,390

one of the things I can say for sure is

1372

01:01:08,760 --> 01:01:05,980

that when in December 1966 which was

1373

01:01:11,099 --> 01:01:08,770

when the whole Martha screaming November

1374

01:01:13,620 --> 01:01:11,109

66 or when the whole marked man

1375

01:01:15,720 --> 01:01:13,630

phenomenon began in Point Pleasant West

1376

01:01:18,750 --> 01:01:15,730

Virginia you know this sort of winged

1377

01:01:21,030 --> 01:01:18,760

humanoid thing with these fiery glowing

1378

01:01:24,390 --> 01:01:21,040

red eyes which John Cale wrote about in

1379

01:01:25,740 --> 01:01:24,400

his book the Mothman Prophecies now a

1380

01:01:28,589 --> 01:01:25,750

lot of people don't know is that

1381

01:01:31,170 --> 01:01:28,599

although Point Pleasant was the focus of

1382

01:01:35,490 --> 01:01:31,180

all this activity the very first

1383

01:01:37,770 --> 01:01:35,500

sighting of Mothman was made at a little

1384

01:01:40,710 --> 01:01:37,780

town just about a 30-minute drive from

1385

01:01:42,630 --> 01:01:40,720

Point Pleasant and what happened in this

1386

01:01:45,510 --> 01:01:42,640

particular case was that there were

1387

01:01:47,730 --> 01:01:45,520

three grave diggers digging a grave in a

1388

01:01:51,390 --> 01:01:47,740

local cemetery when they saw this

1389

01:01:53,160 --> 01:01:51,400

Mothman type creature flying or gliding

1390

01:01:55,980 --> 01:01:53,170

over the cemetery and then vanished into

1391

01:01:59,460 --> 01:01:55,990

the darkness so you know that's that's

1392

01:02:01,260 --> 01:01:59,470

sort of a there's no UFO components but

1393

01:02:04,530 --> 01:02:01,270

it's sort of a classic case of a strange

1394

01:02:08,220 --> 01:02:04,540

creature suddenly manifesting out of

1395

01:02:10,980 --> 01:02:08,230

nowhere over a cemetery right right and

1396

01:02:15,329 --> 01:02:10,990

I know from our previous conversations

1397

01:02:16,120 --> 01:02:15,339

that you really are it's kind of more of

1398

01:02:18,880 --> 01:02:16,130

your Bailey

1399

01:02:20,470 --> 01:02:18,890

Wyck when it comes to like cryptozoology

1400

01:02:23,830 --> 01:02:20,480

and stuff like that right I mean that's

1401

01:02:26,200 --> 01:02:23,840

something you really yeah yeah I mean

1402

01:02:29,290 --> 01:02:26,210

you know the whole phenomenon of

1403

01:02:32,410 --> 01:02:29,300

cryptozoology probably in many respects

1404

01:02:33,910 --> 01:02:32,420

is more intriguing to many I enjoy it

1405

01:02:36,100 --> 01:02:33,920

because you know

1406

01:02:38,350 --> 01:02:36,110

cryptozoology saw that lends itself more

1407

01:02:41,290 --> 01:02:38,360

to expeditions and road trips which is

1408

01:02:45,040 --> 01:02:41,300

what I enjoy you know as much as I enjoy

1409

01:02:47,830 --> 01:02:45,050

and find the UFO subjects intriguing you

1410

01:02:49,690 --> 01:02:47,840

know if you get a story ten years later

1411

01:02:51,780 --> 01:02:49,700

there's not much you can do about it

1412

01:02:54,250 --> 01:02:51,790

other than just sort of chronically but

1413

01:02:56,710 --> 01:02:54,260

you know if you get the reports from

1414

01:02:58,900 --> 01:02:56,720

like a local forest or like of a strange

1415

01:03:01,960 --> 01:02:58,910

creature you can be on the scene and

1416

01:03:05,380 --> 01:03:01,970

investigate it and maybe one day find

1417

01:03:07,780 --> 01:03:05,390

something so you know but things like

1418

01:03:10,240 --> 01:03:07,790

Mothman that's one of my sort of more

1419

01:03:11,950 --> 01:03:10,250

things that you know I'm sort of drawn

1420

01:03:16,030 --> 01:03:11,960

to investigate and I've been to Point

1421

01:03:18,220 --> 01:03:16,040

Pleasant and three or four occasions you

1422

01:03:21,220 --> 01:03:18,230

know and it's an intriguing place if the

1423

01:03:23,700 --> 01:03:21,230

town is sort of is today dominated by

1424

01:03:27,210 --> 01:03:23,710

the legend of the Mothman they have this

1425

01:03:31,900 --> 01:03:27,220

yearly festival which literally attacks

1426

01:03:34,630 --> 01:03:31,910

attaches about 10-12 thousand people

1427

01:03:36,610 --> 01:03:34,640

turn up for it it's like a like a like a

1428

01:03:41,680 --> 01:03:36,620

County Fair that kind of thing rather

1429

01:03:43,450 --> 01:03:41,690

than a down-to-earth conference but yeah

1430

01:03:45,940 --> 01:03:43,460

I mean that the whole Mothman thing is

1431

01:03:49,030 --> 01:03:45,950

something that intrigues me and I went

1432

01:03:52,690 --> 01:03:49,040

to the most recent festival back in

1433

01:03:54,970 --> 01:03:52,700

September with several friends and you

1434

01:03:57,670 --> 01:03:54,980

know the the interest and the intrigue

1435

01:04:01,420 --> 01:03:57,680

is just as much as it was way back in

1436

01:04:03,970 --> 01:04:01,430

the sixties interesting Wow all right so

1437

01:04:06,520 --> 01:04:03,980

we'll get back to we'll get back to your

1438

01:04:09,100 --> 01:04:06,530

book before we do I just wanted to

1439

01:04:11,110 --> 01:04:09,110

announce that anyone can call in that

1440

01:04:14,710 --> 01:04:11,120

phone number is up on the screen on

1441

01:04:18,160 --> 01:04:14,720

YouTube and for those of you over at kgr

1442

01:04:22,000 --> 01:04:18,170

a radio that number is six oh three nine

1443

01:04:24,460 --> 01:04:22,010

six seven four OH three oh that number

1444

01:04:27,670 --> 01:04:24,470

is only live during the show that's all

1445

01:04:29,910 --> 01:04:27,680

that numbers used for so I ring x' all

1446

01:04:35,299 --> 01:04:29,920

the time and anyway

1447

01:04:37,829 --> 01:04:35,309

so now getting I want to get back to the

1448

01:04:41,250 --> 01:04:37,839

your book what would you say is the

1449

01:04:43,559 --> 01:04:41,260

latest of the files that you have

1450

01:04:48,030 --> 01:04:43,569

uncovered in other words the most

1451

01:04:50,370 --> 01:04:48,040

contemporary well in terms of the files

1452

01:04:53,910 --> 01:04:50,380

you know there's many of the files that

1453

01:04:57,210 --> 01:04:53,920

are potentially available you know sort

1454

01:04:59,819 --> 01:04:57,220

of go back to the 80s and 90s but in

1455

01:05:02,220 --> 01:04:59,829

terms of the cases where people have

1456

01:05:04,440 --> 01:05:02,230

spoken about government interesting

1457

01:05:07,440 --> 01:05:04,450

abductions that actually go right up

1458

01:05:07,950 --> 01:05:07,450

till last year and also focuses on the

1459

01:05:11,010 --> 01:05:07,960

Mothman

1460

01:05:14,250 --> 01:05:11,020

now one of the things I talk about in

1461

01:05:16,859 --> 01:05:14,260

the book is a wave of sightings of

1462

01:05:20,250 --> 01:05:16,869

creatures very much like Mothman that

1463

01:05:23,190 --> 01:05:20,260

were made around Chicago right last year

1464

01:05:25,500 --> 01:05:23,200

yes sort of a about 15 months ago 16

1465

01:05:28,230 --> 01:05:25,510

months ago something like that and you

1466

01:05:31,020 --> 01:05:28,240

had a lot of people seeing usually late

1467

01:05:36,780 --> 01:05:31,030

at night we sort of large wings humanoid

1468

01:05:38,809 --> 01:05:36,790

finger you know sort of red eyes and to

1469

01:05:42,180 --> 01:05:38,819

many people it was sort of seen as like

1470

01:05:45,000 --> 01:05:42,190

as a precursor of doom and tragedy and

1471

01:05:47,730 --> 01:05:45,010

people got a weird vibe just from seeing

1472

01:05:49,559 --> 01:05:47,740

it usually sort of you know late at

1473

01:05:54,990 --> 01:05:49,569

night perched on the buildings in

1474

01:05:56,280 --> 01:05:55,000

Chicago and so the the phenomenon grew

1475

01:05:59,220 --> 01:05:56,290

and grew to where there were literally

1476

01:06:01,650 --> 01:05:59,230

dozens and dozens of people reporting

1477

01:06:03,569 --> 01:06:01,660

sightings of this strange creature now

1478

01:06:06,089 --> 01:06:03,579

what's intriguing is that a number of

1479

01:06:09,960 --> 01:06:06,099

those people who reported seeing the

1480

01:06:12,329 --> 01:06:09,970

Mothman were also alien abductees and I

1481

01:06:14,730 --> 01:06:12,339

was actually able to interview one of

1482

01:06:18,480 --> 01:06:14,740

the women who fought who fell into that

1483

01:06:22,530 --> 01:06:18,490

category personally and she told me a

1484

01:06:24,750 --> 01:06:22,540

fascinating story of how she and many

1485

01:06:28,170 --> 01:06:24,760

other people who she was speaking to as

1486

01:06:31,530 --> 01:06:28,180

well had seen sightings of this Mothman

1487

01:06:34,440 --> 01:06:31,540

type creature around Chicago and then in

1488

01:06:36,240 --> 01:06:34,450

the scene the following night sort of a

1489

01:06:39,599 --> 01:06:36,250

you know one night after two nights

1490

01:06:42,870 --> 01:06:39,609

after three nights after they started to

1491

01:06:43,559 --> 01:06:42,880

have really sort of nightmarish dreams

1492

01:06:48,779 --> 01:06:43,569

of

1493

01:06:52,709 --> 01:06:48,789

obliterated and you know millions dead

1494

01:06:56,609 --> 01:06:52,719

and and a number of people in that

1495

01:07:00,059 --> 01:06:56,619

period talked about this angle of sort

1496

01:07:01,949 --> 01:07:00,069

of having apocalyptic dreams in the wake

1497

01:07:03,900 --> 01:07:01,959

of seeing this Mothman type crater in

1498

01:07:07,469 --> 01:07:03,910

Chicago and I did a couple of articles

1499

01:07:10,769 --> 01:07:07,479

on this issue for mysterious universe

1500

01:07:15,269 --> 01:07:10,779

and I got as a response probably now

1501
01:07:17,910 --> 01:07:15,279
about 30 or 40 cases where most of them

1502
01:07:21,329 --> 01:07:17,920
around Chicago many of the people Rab

1503
01:07:23,640 --> 01:07:21,339
dirties and they had these nightmarish

1504
01:07:25,699 --> 01:07:23,650
dreams of just you know just massive

1505
01:07:28,910 --> 01:07:25,709
destruction and you know the end of

1506
01:07:33,029 --> 01:07:28,920
civilization and country and ruins and

1507
01:07:36,539 --> 01:07:33,039
one of the the the women I spoke to tell

1508
01:07:39,329 --> 01:07:36,549
me how she had a knock on the door and a

1509
01:07:41,160 --> 01:07:39,339
man identified himself and this was

1510
01:07:43,709 --> 01:07:41,170
someone who had actually gone out there

1511
01:07:44,999 --> 01:07:43,719
and told her story and that that's an

1512
01:07:47,999 --> 01:07:45,009
important thing I think that's how she

1513
01:07:50,519 --> 01:07:48,009

was tracked down and and there was a

1514

01:07:55,620 --> 01:07:50,529

knock on the door and it was not like a

1515

01:07:58,140 --> 01:07:55,630

like a stressful intimidating man men in

1516

01:08:00,479 --> 01:07:58,150

black type situation it was basically a

1517

01:08:04,769 --> 01:08:00,489

guy involved in sort of national

1518

01:08:06,900 --> 01:08:04,779

security issues defense issues and said

1519

01:08:09,180 --> 01:08:06,910

can I speak to your about you statement

1520

01:08:12,239 --> 01:08:09,190

that you put out there and she was a bit

1521

01:08:15,180 --> 01:08:12,249

shocked I guess most people would be but

1522

01:08:18,240 --> 01:08:15,190

she said yes invited him in and he was

1523

01:08:21,660 --> 01:08:18,250

very concerned about the nature of the

1524

01:08:25,430 --> 01:08:21,670

dreams and also about in the particular

1525

01:08:29,249 --> 01:08:25,440

dreams as to how the United States had

1526

01:08:33,030 --> 01:08:29,259

sort of had collapsed as a result of

1527

01:08:34,890 --> 01:08:33,040

this like a sneak attack and the she had

1528

01:08:37,919 --> 01:08:34,900

actually looked into this story to try

1529

01:08:41,099 --> 01:08:37,929

and figure it out for herself and she

1530

01:08:43,499 --> 01:08:41,109

this the image that she saw was of the

1531

01:08:46,859 --> 01:08:43,509

the Russians was having like a

1532

01:08:50,010 --> 01:08:46,869

preemptive strike but doing it with

1533

01:08:52,140 --> 01:08:50,020

what's basically called electromagnetic

1534

01:08:53,959 --> 01:08:52,150

pulse technology now electric

1535

01:08:57,450 --> 01:08:53,969

electromagnetic pulse technology

1536

01:08:59,459 --> 01:08:57,460

directed at an individual or

1537

01:09:01,890 --> 01:08:59,469

you know a military base whatever can

1538

01:09:04,860 --> 01:09:01,900

quite literally wipe out all the

1539

01:09:07,019 --> 01:09:04,870

technology you know it'll stop cars your

1540

01:09:08,820 --> 01:09:07,029

laptop will never work again you phone

1541

01:09:11,430 --> 01:09:08,830

everything that's what an

1542

01:09:14,010 --> 01:09:11,440

electromagnetic pulse does and she said

1543

01:09:17,400 --> 01:09:14,020

that that's the image she saw of like a

1544

01:09:19,590 --> 01:09:17,410

preemptive strike and this massive

1545

01:09:23,610 --> 01:09:19,600

electromagnetic pulse sort of just

1546

01:09:25,530 --> 01:09:23,620

basically wiping out you know just about

1547

01:09:27,420 --> 01:09:25,540

every electronic device in the United

1548

01:09:30,450 --> 01:09:27,430

States which and then leaving the u.s.

1549

01:09:33,059 --> 01:09:30,460

vulnerable and she said that that was at

1550

01:09:35,370 --> 01:09:33,069

that angle was the one that the guy kept

1551

01:09:37,890 --> 01:09:35,380

coming back to like four or five

1552

01:09:40,920 --> 01:09:37,900

occasions on this roughly a couple of

1553

01:09:42,900 --> 01:09:40,930

hours long interview me as I said there

1554

01:09:45,780 --> 01:09:42,910

was no there was nothing sinister no

1555

01:09:48,240 --> 01:09:45,790

stressful aspects no threats or warnings

1556

01:09:50,670 --> 01:09:48,250

he just basically said we prefer it if

1557

01:09:53,400 --> 01:09:50,680

you don't speak about it but we just

1558

01:09:55,170 --> 01:09:53,410

wanted to speak to you because there are

1559

01:09:57,630 --> 01:09:55,180

we've got stories like this from other

1560

01:10:00,600 --> 01:09:57,640

people and not just in Chicago and we're

1561

01:10:02,310 --> 01:10:00,610

concerned and we just like you know if

1562

01:10:04,050 --> 01:10:02,320

you could just give us your opinion in

1563

01:10:05,850 --> 01:10:04,060

your findings it would at least help us

1564

01:10:11,610 --> 01:10:05,860

to get a bigger picture so he's actually

1565

01:10:13,410 --> 01:10:11,620

quite a relaxed interview and when I met

1566

01:10:15,630 --> 01:10:13,420

her and spoke to her you know she did

1567

01:10:17,640 --> 01:10:15,640

not come across as some sort of crazy

1568

01:10:20,820 --> 01:10:17,650

fans assist or anything like that she

1569

01:10:24,270 --> 01:10:20,830

was just very lucid and a regular person

1570

01:10:26,459 --> 01:10:24,280

you know and that's just last year but

1571

01:10:29,280 --> 01:10:26,469

but what's intriguing is that she

1572

01:10:32,550 --> 01:10:29,290

actually had sort of prophetic dreams of

1573

01:10:36,060 --> 01:10:32,560

apocalyptic events going back to a

1574

01:10:38,430 --> 01:10:36,070

teenage years and also abduction

1575

01:10:40,709 --> 01:10:38,440

experiences and you do find within the

1576

01:10:43,800 --> 01:10:40,719

abduction phenomenon you do find cases

1577

01:10:46,040 --> 01:10:43,810

where people who've been abducted do see

1578

01:10:49,080 --> 01:10:46,050

images of like the apocalypse and

1579

01:10:51,570 --> 01:10:49,090

mushroom cloud you know yeah the typical

1580

01:10:54,209 --> 01:10:51,580

things you do here that do that Nick we

1581

01:10:55,800 --> 01:10:54,219

have a caller on the line caller your

1582

01:11:00,150 --> 01:10:55,810

first name and where are you calling

1583

01:11:02,550 --> 01:11:00,160

from hey Martin Asad from Richmond

1584

01:11:05,520 --> 01:11:02,560

Virginia hey there how are you thanks

1585

01:11:09,660 --> 01:11:05,530

for being patient yeah yeah no problem

1586

01:11:10,919 --> 01:11:09,670

yep yeah go ahead a two-part question

1587

01:11:16,280 --> 01:11:10,929

for a

1588

01:11:21,030 --> 01:11:16,290

Nik one hello hello from another Whitner

1589

01:11:23,790 --> 01:11:21,040

first part of my question is one of your

1590

01:11:28,649 --> 01:11:23,800

books Rhett you have contact with the

1591

01:11:39,020 --> 01:11:28,659

Collins elite and I read another book

1592

01:11:45,320 --> 01:11:42,300

you think they're still active in the

1593

01:11:47,459 --> 01:11:45,330

government behind the scene and

1594

01:11:49,350 --> 01:11:47,469

basically what your thoughts were behind

1595

01:11:53,040 --> 01:11:49,360

that my second part of the question is I

1596

01:11:54,990 --> 01:11:53,050

was born and I'm from hips which which

1597

01:11:57,810 --> 01:11:55,000

I'm sure you're familiar with and if you

1598

01:12:05,790 --> 01:11:57,820

know of any UFO cases and that part of

1599

01:12:07,200 --> 01:12:05,800

the UK hips which yeah well I mean for

1600

01:12:09,570 --> 01:12:07,210

the first part yeah there's no doubt

1601
01:12:10,890 --> 01:12:09,580
that the Collins elite which for people

1602
01:12:13,050 --> 01:12:10,900
who don't know I wrote a book about

1603
01:12:15,630 --> 01:12:13,060
eight or nine years ago called final

1604
01:12:18,270 --> 01:12:15,640
events which was a study of a strange

1605
01:12:20,760 --> 01:12:18,280
little group in the government which was

1606
01:12:23,610 --> 01:12:20,770
like like a think-tank type group which

1607
01:12:25,970 --> 01:12:23,620
was looking at the the idea of the

1608
01:12:28,950 --> 01:12:25,980
theory that the UFO phenomenon was not

1609
01:12:31,110 --> 01:12:28,960
extraterrestrial but demonic liquid

1610
01:12:34,350 --> 01:12:31,120
literally demonic your demons horns

1611
01:12:36,630 --> 01:12:34,360
fiery pits that kind of thing and the

1612
01:12:39,209 --> 01:12:36,640
Collins elite was was a small group that

1613
01:12:41,280 --> 01:12:39,219

was funded by the government because

1614

01:12:43,709 --> 01:12:41,290

there were people in government's deeply

1615

01:12:45,899 --> 01:12:43,719

religious people who also believe that

1616

01:12:47,790 --> 01:12:45,909

scenario that the UFO phenomenon was

1617

01:12:50,430 --> 01:12:47,800

sort of supernatural rather than

1618

01:12:52,740 --> 01:12:50,440

extraterrestrial and demonic and so they

1619

01:12:55,200 --> 01:12:52,750

were sort of given a funding to look

1620

01:12:57,330 --> 01:12:55,210

into this angle and they still exist to

1621

01:13:00,990 --> 01:12:57,340

this day and when I wrote the book and

1622

01:13:03,209 --> 01:13:01,000

it was published in 2010 people said you

1623

01:13:06,390 --> 01:13:03,219

know there's no way that the governments

1624

01:13:09,360 --> 01:13:06,400

would fund a little group to investigate

1625

01:13:11,160 --> 01:13:09,370

the possibility that UFOs have demonic

1626

01:13:14,640 --> 01:13:11,170

rather than extraterrestrial origins but

1627

01:13:17,160 --> 01:13:14,650

just you might know just in the last few

1628

01:13:20,040 --> 01:13:17,170

months more the story has come out

1629

01:13:23,090 --> 01:13:20,050

through for example Senator Harry Reid

1630

01:13:24,750 --> 01:13:23,100

and also George Knapp who have insider

1631

01:13:28,470 --> 01:13:24,760

contact and have

1632

01:13:31,410 --> 01:13:28,480

talks about the you know speaking with

1633

01:13:34,380 --> 01:13:31,420

people from these groups and and how

1634

01:13:36,479 --> 01:13:34,390

this group does exist and and there's no

1635

01:13:38,670 --> 01:13:36,489

doubt that the Collins elites which is

1636

01:13:40,800 --> 01:13:38,680

the name that they like that the kind of

1637

01:13:42,620 --> 01:13:40,810

nickname they use there's no doubt

1638

01:13:45,540 --> 01:13:42,630

they're still around and still

1639

01:13:49,260 --> 01:13:45,550

investigating what they believe is the

1640

01:13:51,680 --> 01:13:49,270

answer to this phenomenon now the second

1641

01:13:55,979 --> 01:13:51,690

party question about Ipswich in England

1642

01:13:59,250 --> 01:13:55,989

in Ipswich isn't that far really from

1643

01:14:03,870 --> 01:13:59,260

the famous site of the 1980 Rendlesham

1644

01:14:07,680 --> 01:14:03,880

forest UFO landing in December 1980 it's

1645

01:14:09,120 --> 01:14:07,690

no distance away really at all and but

1646

01:14:10,860 --> 01:14:09,130

in that part of England there are a lot

1647

01:14:12,540 --> 01:14:10,870

of cases not just the fact the

1648

01:14:15,560 --> 01:14:12,550

Rendlesham forest case but a lot of

1649

01:14:18,570 --> 01:14:15,570

other cases on the east side of England

1650

01:14:22,050 --> 01:14:18,580

not far away from Ipswich I need and in

1651

01:14:26,010 --> 01:14:22,060

Ipswich itself where people have had UFO

1652

01:14:29,640 --> 01:14:26,020

encounters landings sightings in the sky

1653

01:14:31,590 --> 01:14:29,650

and I won't say it sort of on a scale of

1654

01:14:34,050 --> 01:14:31,600

like Point Pleasant because it's not

1655

01:14:36,390 --> 01:14:34,060

with like with the Mothman but there are

1656

01:14:39,150 --> 01:14:36,400

a lot of cases from that particular part

1657

01:14:43,200 --> 01:14:39,160

of England with with the Rendlesham

1658

01:14:46,670 --> 01:14:43,210

forest case of 1980 you know being that

1659

01:14:49,950 --> 01:14:46,680

the most well-known one I guess

1660

01:14:53,010 --> 01:14:49,960

hey yeah my father he was stationed at

1661

01:14:55,050 --> 01:14:53,020

Lincoln he after he left Vietnam that's

1662

01:14:57,570 --> 01:14:55,060

why I wasn't born there and I was he

1663

01:14:59,729 --> 01:14:57,580

said he thought strange like there while

1664

01:15:00,990 --> 01:14:59,739

he was there that was curious I would be

1665

01:15:04,350 --> 01:15:01,000

good little to remember but uh

1666

01:15:04,800 --> 01:15:04,360

appreciate the time thanks again thanks

1667

01:15:08,430 --> 01:15:04,810

Martin

1668

01:15:16,020 --> 01:15:08,440

yeah thanks for the call I appreciate it

1669

01:15:20,040 --> 01:15:16,030

bye-bye hi okay so so Nick a question

1670

01:15:21,900 --> 01:15:20,050

came in on the in the chat room someone

1671

01:15:25,170 --> 01:15:21,910

wanted to know have you personally ever

1672

01:15:28,430 --> 01:15:25,180

had a sighting or seen anything seeing

1673

01:15:34,140 --> 01:15:31,560

never a UFO sighting but what actually

1674

01:15:37,380 --> 01:15:34,150

got me interested in all this was that

1675

01:15:38,669 --> 01:15:37,390

my dad was a radar mechanic in the

1676

01:15:40,649 --> 01:15:38,679

British Royal Air Force

1677

01:15:44,069 --> 01:15:40,659

which is the equivalent of the US air

1678

01:15:48,209 --> 01:15:44,079

force over here and he was involved in

1679

01:15:51,239 --> 01:15:48,219

his career in three UFO incidents where

1680

01:15:53,729 --> 01:15:51,249

which were radar based where the radar

1681

01:15:56,040 --> 01:15:53,739

operators were tracking these strange

1682

01:15:58,620 --> 01:15:56,050

objects actually approaching from the

1683

01:16:01,379 --> 01:15:58,630

east coast of England my dad was

1684

01:16:03,449 --> 01:16:01,389

stationed at a British Royal Air Force

1685

01:16:05,219 --> 01:16:03,459

Base called nearest said which funnily

1686

01:16:06,870 --> 01:16:05,229

enough is actually not that so far from

1687

01:16:10,709 --> 01:16:06,880

Ipswich through which the caller just

1688

01:16:11,819 --> 01:16:10,719

mentioned and and whatever these objects

1689

01:16:14,989 --> 01:16:11,829

were they were flying at tremendous

1690

01:16:17,520 --> 01:16:14,999

speeds but performing all sorts of weird

1691

01:16:19,500 --> 01:16:17,530

acrobatic movements like sort of you

1692

01:16:21,569 --> 01:16:19,510

know flying at 500 miles an hour and

1693

01:16:25,259 --> 01:16:21,579

then coming to a complete halt at like

1694

01:16:26,910 --> 01:16:25,269

30,000 feet you know which we aircraft

1695

01:16:29,549 --> 01:16:26,920

simply cannot do that you know they have

1696

01:16:31,169 --> 01:16:29,559

to turn slowly they cannot just come to

1697

01:16:34,020 --> 01:16:31,179

a complete halt in a second you know

1698

01:16:36,689 --> 01:16:34,030

just kill people with the g-forces sure

1699

01:16:39,209 --> 01:16:36,699

and so aircraft was sent up to intercept

1700

01:16:41,069 --> 01:16:39,219

these whatever they were some of the

1701

01:16:44,699 --> 01:16:41,079

pilots said they saw sort of bright

1702

01:16:46,979 --> 01:16:44,709

shining lights others saw typical like

1703

01:16:49,919 --> 01:16:46,989

flying saucer type craft and this went

1704

01:16:50,910 --> 01:16:49,929

on for three nights and the fourth night

1705

01:16:52,890 --> 01:16:50,920

nothing happened

1706

01:16:56,250 --> 01:16:52,900

and there was nothing else after that

1707

01:16:59,399 --> 01:16:56,260

and everybody like for example the the

1708

01:17:02,160 --> 01:16:59,409

ground personnel the military pilots the

1709

01:17:05,040 --> 01:17:02,170

radar operators and my dad's team which

1710

01:17:07,169 --> 01:17:05,050

were the radar mechanics were all

1711

01:17:08,370 --> 01:17:07,179

brought in and told you signed the

1712

01:17:10,560 --> 01:17:08,380

British government's Official Secrets

1713

01:17:12,000 --> 01:17:10,570

Act which is basically a piece of

1714

01:17:15,179 --> 01:17:12,010

legislation that if you join the

1715

01:17:16,739 --> 01:17:15,189

government you agree not to tell any

1716

01:17:19,259 --> 01:17:16,749

sort of secrets that you might have

1717

01:17:22,979 --> 01:17:19,269

learned now my dad didn't say anything

1718

01:17:24,919 --> 01:17:22,989

till I was about 11 or 12 and when he

1719

01:17:27,569 --> 01:17:24,929

told me this story sort of really

1720

01:17:29,429 --> 01:17:27,579

fascinated me not not just because it

1721

01:17:31,649 --> 01:17:29,439

was my own dad but also because he was a

1722

01:17:34,169 --> 01:17:31,659

radar mechanic in the British military

1723

01:17:35,850 --> 01:17:34,179

and he knew the difference between this

1724

01:17:38,819 --> 01:17:35,860

or that you know on the road on the

1725

01:17:41,250 --> 01:17:38,829

radar screens and was able to confirm to

1726

01:17:42,839 --> 01:17:41,260

the team that no there were no problems

1727

01:17:45,569 --> 01:17:42,849

with the radar whatever they were

1728

01:17:49,439 --> 01:17:45,579

picking up really was there and I never

1729

01:17:51,270 --> 01:17:49,449

really forgot that event and you know as

1730

01:17:52,649 --> 01:17:51,280

time went on I started reading books by

1731

01:17:55,910 --> 01:17:52,659

people like John Kay

1732

01:17:58,229 --> 01:17:55,920

and Charles Berlitz and Brad Steiger and

1733

01:18:02,729 --> 01:17:58,239

look that's what kind of set me off

1734

01:18:06,390 --> 01:18:02,739

really with this subject right yeah Brad

1735

01:18:08,280 --> 01:18:06,400

Steiger passed away last year he what a

1736

01:18:10,830 --> 01:18:08,290

nice gentleman he was I could got a

1737

01:18:14,580 --> 01:18:10,840

chance to interview him actually but

1738

01:18:19,470 --> 01:18:14,590

earlier this year wasn't really that

1739

01:18:23,220 --> 01:18:19,480

long ago yeah yeah what a great guy he

1740

01:18:26,850 --> 01:18:23,230

was and what a writer rat when Brad died

1741

01:18:30,330 --> 01:18:26,860

Brad had done almost 200 books oh I'll

1742

01:18:30,780 --> 01:18:30,340

never reach that you never know yeah you

1743

01:18:33,439 --> 01:18:30,790

never know

1744

01:18:36,030 --> 01:18:33,449

well unless I find a way to you know to

1745

01:18:43,709 --> 01:18:36,040

find immortality I don't think I'm gonna

1746

01:18:46,379 --> 01:18:43,719

be 200 so one of the things I had made a

1747

01:18:49,979 --> 01:18:46,389

note here one of the things that I've

1748

01:18:50,790 --> 01:18:49,989

always questioned I guess I would say

1749

01:18:54,149 --> 01:18:50,800

question does

1750

01:18:57,450 --> 01:18:54,159

why on earth would someone be abducted

1751

01:19:00,209 --> 01:18:57,460

and then continually abducted I mean

1752

01:19:03,810 --> 01:19:00,219

that's such a puzzle it doesn't seem to

1753

01:19:05,700 --> 01:19:03,820

make it yeah I mean the only thing that

1754

01:19:07,800 --> 01:19:05,710

well the one thing more than anyone

1755

01:19:09,990 --> 01:19:07,810

should say that sort of at least goes

1756

01:19:13,350 --> 01:19:10,000

some way to answering that question is

1757

01:19:16,110 --> 01:19:13,360

that you often find that abductions go

1758

01:19:19,590 --> 01:19:16,120

in family generations right you know

1759

01:19:21,780 --> 01:19:19,600

like the grandmother has it's sort of 70

1760

01:19:24,419 --> 01:19:21,790

years ago and then her daughter has it

1761

01:19:26,760 --> 01:19:24,429

50 years ago and then her daughter you

1762

01:19:29,760 --> 01:19:26,770

know in the 70s has it and then today

1763

01:19:32,399 --> 01:19:29,770

you know there's a Cato's 16 and they're

1764

01:19:35,780 --> 01:19:32,409

starting to experience it so there does

1765

01:19:39,120 --> 01:19:35,790

seem to be this generational thing where

1766

01:19:41,310 --> 01:19:39,130

families and individuals seem to be

1767

01:19:43,830 --> 01:19:41,320

followed and this is sort of given rise

1768

01:19:46,020 --> 01:19:43,840

to the idea of some sort of you know

1769

01:19:48,780 --> 01:19:46,030

like it like a genetic experimentation

1770

01:19:51,570 --> 01:19:48,790

or a program to you know take certain

1771

01:19:54,360 --> 01:19:51,580

families or certain people or to

1772

01:19:58,620 --> 01:19:54,370

experiment on people in you know the

1773

01:20:03,510 --> 01:19:58,630

same families and so on that's really

1774

01:20:05,310 --> 01:20:03,520

the only answer I can think of and any

1775

01:20:06,540 --> 01:20:05,320

tease you know and it is sort of

1776

01:20:08,010 --> 01:20:06,550

supported by the Whitney

1777

01:20:10,229 --> 01:20:08,020

testimony I mean there are a lot of

1778

01:20:14,459 --> 01:20:10,239

cases in fact I would say the majority

1779

01:20:17,250 --> 01:20:14,469

of cases when somebody in the family has

1780

01:20:19,560 --> 01:20:17,260

had a weird experience like this in most

1781

01:20:22,049 --> 01:20:19,570

cases somebody else in the family has

1782

01:20:24,030 --> 01:20:22,059

had a similar experience as well that

1783

01:20:27,149 --> 01:20:24,040

maybe didn't talk about it or perhaps

1784

01:20:29,280 --> 01:20:27,159

didn't even recognize the importance of

1785

01:20:32,459 --> 01:20:29,290

it just thought it was you know bad by

1786

01:20:34,500 --> 01:20:32,469

dream or whatever but that there's no

1787

01:20:37,919 --> 01:20:34,510

doubt in my mind at least that there's

1788

01:20:39,959 --> 01:20:37,929

some sort of generational link going on

1789

01:20:44,790 --> 01:20:39,969

with the abduction sure seems like that

1790

01:20:46,770 --> 01:20:44,800

now I remember Kathy Martin was I was

1791

01:20:49,859 --> 01:20:46,780

speaking with her actually she was on my

1792

01:20:52,229 --> 01:20:49,869

show at the time she revealed this that

1793

01:20:56,609 --> 01:20:52,239

was when I was in Phoenix last February

1794

01:21:00,260 --> 01:20:56,619

she said that I believe it was not only

1795

01:21:04,260 --> 01:21:00,270

her on Betty Betty hill but also her

1796

01:21:08,520 --> 01:21:04,270

grandmother that was saying that she had

1797

01:21:10,350 --> 01:21:08,530

an abduction situation though so I mean

1798

01:21:11,370 --> 01:21:10,360

I was kind of shocked to hear that I had

1799

01:21:15,660 --> 01:21:11,380

never heard it before

1800

01:21:17,790 --> 01:21:15,670

so you know but I mean that that's sort

1801
01:21:19,560 --> 01:21:17,800
of a classic example of you know what

1802
01:21:22,979 --> 01:21:19,570
we're talking about that it isn't just

1803
01:21:23,549 --> 01:21:22,989
one individual like on a random lonely

1804
01:21:27,780 --> 01:21:23,559
night

1805
01:21:30,089 --> 01:21:27,790
it's it's more like a planned situation

1806
01:21:32,790 --> 01:21:30,099
of targeting not just individuals but

1807
01:21:35,430 --> 01:21:32,800
entire families you know across the

1808
01:21:36,870 --> 01:21:35,440
world and if that it really is the case

1809
01:21:39,959 --> 01:21:36,880
you know it demonstrates something

1810
01:21:42,569 --> 01:21:39,969
that's sort of really sophisticated but

1811
01:21:44,700 --> 01:21:42,579
also suggests that's you know the sort

1812
01:21:47,129 --> 01:21:44,710
of constant surveillance to some degree

1813
01:21:49,979 --> 01:21:47,139

of of these people regardless of however

1814

01:21:53,160 --> 01:21:49,989

many times they might move house even

1815

01:21:55,859 --> 01:21:53,170

you know if it's a here's kind of a

1816

01:21:59,879 --> 01:21:55,869

strange question perhaps to you but if

1817

01:22:02,160 --> 01:21:59,889

it if it wasn't a lian's that are doing

1818

01:22:06,060 --> 01:22:02,170

this what are some of the other answers

1819

01:22:09,149 --> 01:22:06,070

it could be well yeah this gets to a

1820

01:22:13,280 --> 01:22:09,159

really controversial area because you

1821

01:22:16,680 --> 01:22:13,290

have what in my mind are 100% legitimate

1822

01:22:18,780 --> 01:22:16,690

alien abduction experiences but there

1823

01:22:19,170 --> 01:22:18,790

are some cases where the witnesses have

1824

01:22:22,410 --> 01:22:19,180

said

1825

01:22:24,630 --> 01:22:22,420

that they were abducted after being

1826

01:22:26,490 --> 01:22:24,640

abducted by you know the so-called

1827

01:22:29,030 --> 01:22:26,500

Grey's these little figures with the big

1828

01:22:32,190 --> 01:22:29,040

black eyes and a big head after being

1829

01:22:35,550 --> 01:22:32,200

abducted by them they've been been

1830

01:22:38,970 --> 01:22:35,560

abducted by military personnel who sort

1831

01:22:41,550 --> 01:22:38,980

of unlike the case in Chicago with the

1832

01:22:43,560 --> 01:22:41,560

Mothman story in these stories which are

1833

01:22:46,290 --> 01:22:43,570

known as military abductions or male abs

1834

01:22:48,630 --> 01:22:46,300

the the witness is typically described

1835

01:22:51,480 --> 01:22:48,640

these events as very traumatic and

1836

01:22:53,100 --> 01:22:51,490

rather than like in Chicago where the

1837

01:22:55,560 --> 01:22:53,110

guy was just asking questions and would

1838

01:22:58,130 --> 01:22:55,570

you mind helping us in the middle of

1839

01:23:00,630 --> 01:22:58,140

experiences it's almost like an

1840

01:23:02,100 --> 01:23:00,640

intimidating interrogation

1841

01:23:03,840 --> 01:23:02,110

you know you'll tell us what we know

1842

01:23:08,000 --> 01:23:03,850

because this is a national security

1843

01:23:11,280 --> 01:23:08,010

issue and it's you're you know you're

1844

01:23:13,320 --> 01:23:11,290

you're basically you have to help us or

1845

01:23:16,970 --> 01:23:13,330

else you know it's very traumatic and

1846

01:23:19,470 --> 01:23:16,980

sort of in-your-face kind of situations

1847

01:23:23,180 --> 01:23:19,480

but there are a lot of cases like this

1848

01:23:28,170 --> 01:23:23,190

the so-called me labs where people are

1849

01:23:30,660 --> 01:23:28,180

really original abduction and this

1850

01:23:33,060 --> 01:23:30,670

particular group they do not come across

1851

01:23:38,550 --> 01:23:33,070

as you know friendly

1852

01:23:41,010 --> 01:23:38,560

it's just intimidation you know just a

1853

01:23:42,990 --> 01:23:41,020

very fraught situation for the for the

1854

01:23:46,650 --> 01:23:43,000

witness now so that's the one angle

1855

01:23:49,650 --> 01:23:46,660

there's another one is that one things I

1856

01:23:52,920 --> 01:23:49,660

talked about which also kind of confuses

1857

01:23:55,770 --> 01:23:52,930

things even more there are some examples

1858

01:23:58,370 --> 01:23:55,780

where government agencies may have been

1859

01:24:02,190 --> 01:23:58,380

testing out new mind control

1860

01:24:05,760 --> 01:24:02,200

technologies far beyond the 1950s things

1861

01:24:09,060 --> 01:24:05,770

like the CIA's MKULTRA program but where

1862

01:24:12,480 --> 01:24:09,070

for example they were testing out

1863

01:24:15,480 --> 01:24:12,490

mind-altering technologies and using it

1864

01:24:17,940 --> 01:24:15,490

on people and in some cases used this

1865

01:24:20,280 --> 01:24:17,950

sort of alien abductee motif in other

1866

01:24:22,290 --> 01:24:20,290

words saying that well if we can make

1867

01:24:24,690 --> 01:24:22,300

people think they're seen aliens we can

1868

01:24:26,910 --> 01:24:24,700

make them believe they seen anything you

1869

01:24:29,490 --> 01:24:26,920

know and testing them out on citizens

1870

01:24:32,229 --> 01:24:29,500

before turning in the wrong you know the

1871

01:24:34,750 --> 01:24:32,239

Russians or the Chinese or whoever

1872

01:24:37,930 --> 01:24:34,760

so you know there's a lot of weird stuff

1873

01:24:41,709 --> 01:24:37,940

you've got the original what I believe

1874

01:24:44,709 --> 01:24:41,719

are genuine abductions then you've got

1875

01:24:46,330 --> 01:24:44,719

the military abductions of the abductees

1876

01:24:49,080 --> 01:24:46,340

to try and figure out what's going on

1877

01:24:52,450 --> 01:24:49,090

and then you have what are possibly

1878

01:24:54,930 --> 01:24:52,460

mind-control experiments using the UFO

1879

01:24:58,900 --> 01:24:54,940

subject as a means to try and determine

1880

01:25:02,110 --> 01:24:58,910

how the human mind can be altered if you

1881

01:25:05,020 --> 01:25:02,120

like to make us see just about anything

1882

01:25:07,540 --> 01:25:05,030

that anybody wanted you to see now other

1883

01:25:10,990 --> 01:25:07,550

as far as you know are there any cases

1884

01:25:14,290 --> 01:25:11,000

that are documented that you found files

1885

01:25:17,410 --> 01:25:14,300

on where anyone talks about there are

1886

01:25:19,450 --> 01:25:17,420

other parts other family members being

1887

01:25:21,250 --> 01:25:19,460

abducted or things that you hear about

1888

01:25:24,729 --> 01:25:21,260

like implants or anything like that

1889

01:25:27,190 --> 01:25:24,739

oh yeah well a perfect example would be

1890

01:25:29,680 --> 01:25:27,200

the story of Betty and Reyes and who's

1891

01:25:34,000 --> 01:25:29,690

been the subject of a number of really

1892

01:25:37,750 --> 01:25:34,010

good books written by Ray Fowler and the

1893

01:25:41,590 --> 01:25:37,760

Betty Andreasen story is focused on sort

1894

01:25:43,390 --> 01:25:41,600

of generational abductions over the

1895

01:25:45,940 --> 01:25:43,400

course of sort of half a century or

1896

01:25:49,150 --> 01:25:45,950

thereabouts but what's interesting is

1897

01:25:51,130 --> 01:25:49,160

that Betty and her husband Bob described

1898

01:25:53,680 --> 01:25:51,140

a lot of weird stuff like black

1899

01:25:55,030 --> 01:25:53,690

helicopters flying over their homes to

1900

01:25:58,270 --> 01:25:55,040

the extent that they actually put a

1901
01:26:00,820 --> 01:25:58,280
complaint in with the military excuse me

1902
01:26:02,620 --> 01:26:00,830
to try and figure out who was doing it

1903
01:26:04,540 --> 01:26:02,630
who was flying these helicopters and

1904
01:26:10,000 --> 01:26:04,550
flying of them flying them it's sort of

1905
01:26:12,370 --> 01:26:10,010
really low intimidating levels and so

1906
01:26:15,220 --> 01:26:12,380
you know in the one sense you have the

1907
01:26:19,390 --> 01:26:15,230
surveillance going across decades within

1908
01:26:22,150 --> 01:26:19,400
this one family but you've also got the

1909
01:26:24,640 --> 01:26:22,160
children and you know the relations in

1910
01:26:28,720 --> 01:26:24,650
the Andreassen family also having

1911
01:26:33,400 --> 01:26:28,730
experiences as well so now we don't have

1912
01:26:36,430 --> 01:26:33,410
the files on any files so far at least

1913
01:26:39,520 --> 01:26:36,440

on Betty and Bob but what we do know and

1914

01:26:41,170 --> 01:26:39,530

which is documented is that they did put

1915

01:26:43,870 --> 01:26:41,180

complaints in about these black

1916

01:26:45,530 --> 01:26:43,880

helicopters sort of constantly flying

1917

01:26:49,010 --> 01:26:45,540

over their home and just

1918

01:26:51,950 --> 01:26:49,020

pestering them and you know so in that

1919

01:26:55,790 --> 01:26:51,960

sense we've got a paper trail damn its

1920

01:26:57,860 --> 01:26:55,800

provoked not by the government but by US

1921

01:27:00,740 --> 01:26:57,870

citizens who are just sick and tired of

1922

01:27:03,590 --> 01:27:00,750

essentially being surveyed in sort of

1923

01:27:06,380 --> 01:27:03,600

almost like a taunting fashion wow that

1924

01:27:09,620 --> 01:27:06,390

is that is something if someone keeps up

1925

01:27:14,150 --> 01:27:09,630

posting in the making a connection to

1926

01:27:17,750 --> 01:27:14,160

David Pilates missing for one one if I

1927

01:27:19,520 --> 01:27:17,760

know that he when he talks about I got

1928

01:27:23,840 --> 01:27:19,530

to meet him a few months ago when he

1929

01:27:26,110 --> 01:27:23,850

gets to talking about people missing he

1930

01:27:28,460 --> 01:27:26,120

doesn't want to take any type of a

1931

01:27:30,560 --> 01:27:28,470

standard what he thinks a re kind of

1932

01:27:34,130 --> 01:27:30,570

leaves it up to the reader or the person

1933

01:27:36,950 --> 01:27:34,140

listening to his lecture but do you

1934

01:27:38,630 --> 01:27:36,960

think that there or do you have you ever

1935

01:27:40,910 --> 01:27:38,640

considered that there may be any

1936

01:27:44,660 --> 01:27:40,920

connection with all the people that just

1937

01:27:49,850 --> 01:27:44,670

end up becoming missing like you know a

1938

01:27:51,230 --> 01:27:49,860

final abduction well yeah I mean that's

1939

01:27:53,390 --> 01:27:51,240

you know that's an interesting angle

1940

01:27:56,360 --> 01:27:53,400

because you're right Davis books are

1941

01:27:59,710 --> 01:27:56,370

really good but you know he is someone

1942

01:28:04,010 --> 01:27:59,720

who presents what he knows for sure and

1943

01:28:05,810 --> 01:28:04,020

prefers not to speculate you know with

1944

01:28:08,030 --> 01:28:05,820

his background in law enforcement that's

1945

01:28:09,830 --> 01:28:08,040

probably had a big impact on it

1946

01:28:12,770 --> 01:28:09,840

and that's actually a good thing you

1947

01:28:15,140 --> 01:28:12,780

know if you know I mean sometimes I

1948

01:28:17,060 --> 01:28:15,150

think we are all guilty of sort of

1949

01:28:19,340 --> 01:28:17,070

speculating a bit too much in certain

1950

01:28:21,320 --> 01:28:19,350

cases and you know putting two and two

1951

01:28:23,570 --> 01:28:21,330

together and making 10 instead of four

1952

01:28:27,230 --> 01:28:23,580

but does sometimes happen but what I

1953

01:28:30,860 --> 01:28:27,240

would say is that you know David as my

1954

01:28:34,130 --> 01:28:30,870

regardless of what the cause is David

1955

01:28:36,770 --> 01:28:34,140

has made a really good case but there

1956

01:28:39,140 --> 01:28:36,780

are certain incidents particularly

1957

01:28:40,640 --> 01:28:39,150

around the United States and a lot of

1958

01:28:43,100 --> 01:28:40,650

them in the national forests where

1959

01:28:46,400 --> 01:28:43,110

people have vanished under extremely

1960

01:28:49,370 --> 01:28:46,410

weird circumstances which even baffled

1961

01:28:53,570 --> 01:28:49,380

the law enforcement people that looked

1962

01:28:55,100 --> 01:28:53,580

into these cases now you know in the one

1963

01:28:57,440 --> 01:28:55,110

thing we know for sure about the

1964

01:28:58,820 --> 01:28:57,450

abduction alien abductions is that all

1965

01:28:59,180 --> 01:28:58,830

the reason we know about the case is

1966

01:29:01,100 --> 01:28:59,190

because

1967

01:29:03,890 --> 01:29:01,110

people are brought back you know they

1968

01:29:05,720 --> 01:29:03,900

tell their stories but of course David

1969

01:29:08,150 --> 01:29:05,730

is talking about people who are

1970

01:29:11,630 --> 01:29:08,160

whatever's happening to these people

1971

01:29:14,300 --> 01:29:11,640

they're not coming back and so you know

1972

01:29:16,820 --> 01:29:14,310

this sort of raises another angle well

1973

01:29:19,100 --> 01:29:16,830

are there abductions where alien

1974

01:29:22,000 --> 01:29:19,110

abductions where the people have never

1975

01:29:24,860 --> 01:29:22,010

been brought back and if you look at the

1976

01:29:27,560 --> 01:29:24,870

there's a blacklist section on the FBI's

1977

01:29:29,810 --> 01:29:27,570

website I forget where it isn't if you

1978

01:29:32,990 --> 01:29:29,820

go to it you'll tell you how many people

1979

01:29:36,890 --> 01:29:33,000

vanished and we're not found in the

1980

01:29:39,910 --> 01:29:36,900

previous years actually are are missing

1981

01:29:43,520 --> 01:29:39,920

you know in the u.s. right now period

1982

01:29:45,229 --> 01:29:43,530

and it's gigantic numbers now you know

1983

01:29:47,930 --> 01:29:45,239

some of them may be people who wanted to

1984

01:29:49,970 --> 01:29:47,940

start a new life you know right somebody

1985

01:29:52,850 --> 01:29:49,980

runs away with somebody else's wife or

1986

01:29:55,189 --> 01:29:52,860

whatever they just want to make a new

1987

01:29:57,650 --> 01:29:55,199

start or they were murdered and buried

1988

01:30:00,920 --> 01:29:57,660

and you know by some crazy serial killer

1989

01:30:04,910 --> 01:30:00,930

and obviously most of the cases I'm sure

1990

01:30:07,189 --> 01:30:04,920

I'm down to earth explanations but in

1991

01:30:09,680 --> 01:30:07,199

saying that as I said David hasn't made

1992

01:30:14,240 --> 01:30:09,690

a really good case that some of these

1993

01:30:17,620 --> 01:30:14,250

cases seems so weird you know that

1994

01:30:22,250 --> 01:30:17,630

people just vanished you know and almost

1995

01:30:25,220 --> 01:30:22,260

inexplicable ways absolutely and and you

1996

01:30:28,280 --> 01:30:25,230

know for instance they'll be just behind

1997

01:30:31,970 --> 01:30:28,290

someone or just ahead of them and yeah

1998

01:30:34,760 --> 01:30:31,980

then just gone or or then you know the

1999

01:30:37,820 --> 01:30:34,770

strange places they'll find a body of

2000

01:30:39,410 --> 01:30:37,830

someone you know I mean that just

2001
01:30:42,770 --> 01:30:39,420
absolutely makes no sense that they've

2002
01:30:45,590 --> 01:30:42,780
been by the trail 10 times and you know

2003
01:30:47,270 --> 01:30:45,600
had dogs there and everything and then

2004
01:30:50,380 --> 01:30:47,280
all of a sudden the persons there you

2005
01:30:52,729 --> 01:30:50,390
know really strange things I think

2006
01:30:54,950 --> 01:30:52,739
people haven't read them I mean I would

2007
01:30:56,750 --> 01:30:54,960
recommend Davies books these are missing

2008
01:30:59,270 --> 01:30:56,760
four one one books which is like a

2009
01:31:02,150 --> 01:30:59,280
series of them yeah because nobody else

2010
01:31:04,850 --> 01:31:02,160
he's actually really doing this kind of

2011
01:31:06,920 --> 01:31:04,860
research of you know of what's happening

2012
01:31:09,500 --> 01:31:06,930
to the thousands of people who vanish

2013
01:31:12,050 --> 01:31:09,510

every year and and and literally are not

2014

01:31:13,000 --> 01:31:12,060

saying again you know use Yosemite is a

2015

01:31:15,350 --> 01:31:13,010

big place for the

2016

01:31:17,600 --> 01:31:15,360

you're suddenly yeah that's one of the

2017

01:31:20,480 --> 01:31:17,610

interesting things you know I although

2018

01:31:22,280 --> 01:31:20,490

David doesn't you know say anything it's

2019

01:31:24,980 --> 01:31:22,290

alien abductees you know and I wouldn't

2020

01:31:27,860 --> 01:31:24,990

expect him to because of his approach he

2021

01:31:30,950 --> 01:31:27,870

takes but in the same way that I

2022

01:31:34,880 --> 01:31:30,960

mentioned that it seemed like with the

2023

01:31:37,010 --> 01:31:34,890

alien abductees you know the abductors

2024

01:31:38,930 --> 01:31:37,020

the greys whatever you want to call them

2025

01:31:40,670 --> 01:31:38,940

it seems they're limited evening their

2026

01:31:43,820 --> 01:31:40,680

technologies which is why they take

2027

01:31:46,220 --> 01:31:43,830

people late at night in isolated areas

2028

01:31:49,220 --> 01:31:46,230

well that limited ability on their part

2029

01:31:51,980 --> 01:31:49,230

might explain why they talk my target

2030

01:31:54,470 --> 01:31:51,990

paper in large forests and woods because

2031

01:31:58,430 --> 01:31:54,480

it gives them a large degree of

2032

01:32:00,560 --> 01:31:58,440

camouflage which may again suggest kind

2033

01:32:03,800 --> 01:32:00,570

of like a weak points you know in their

2034

01:32:07,310 --> 01:32:03,810

technology right I was up I was talking

2035

01:32:09,920 --> 01:32:07,320

to him at this conference and and I said

2036

01:32:11,450 --> 01:32:09,930

well do you you know he says he hikes

2037

01:32:14,420 --> 01:32:11,460

and I said well what do you what do you

2038

01:32:18,050 --> 01:32:14,430

do you know what do you bring with he

2039

01:32:20,480 --> 01:32:18,060

brings up brings a firearm he brings a

2040

01:32:24,890 --> 01:32:20,490

satellite radio satellite you know

2041

01:32:27,410 --> 01:32:24,900

telephone he brings a GPS you know

2042

01:32:30,020 --> 01:32:27,420

receiver everything in the world he

2043

01:32:32,200 --> 01:32:30,030

really really is after all the research

2044

01:32:35,060 --> 01:32:32,210

he's done he's he's kind of scared of

2045

01:32:37,910 --> 01:32:35,070

something happening to them which would

2046

01:32:39,860 --> 01:32:37,920

certainly be irony where yeah oh yeah I

2047

01:32:43,910 --> 01:32:39,870

mean I mean a good example of all this a

2048

01:32:46,780 --> 01:32:43,920

good friend of mine Shelley excuse me

2049

01:32:49,820 --> 01:32:46,790

Shelley Covington Montana Shelley

2050

01:32:53,240 --> 01:32:49,830

there's a lot of research into the

2051
01:32:55,760 --> 01:32:53,250
Bigfoot phenomenon now every summer or

2052
01:32:58,130 --> 01:32:55,770
thereabouts about three months she goes

2053
01:33:00,230 --> 01:32:58,140
out into the Pacific Northwest woods

2054
01:33:02,840 --> 01:33:00,240
that I'm talking about from like May

2055
01:33:05,570 --> 01:33:02,850
till like the end of August when you

2056
01:33:09,590 --> 01:33:05,580
know she takes with her you know devices

2057
01:33:12,010 --> 01:33:09,600
so she can you know turn sort of stream

2058
01:33:14,930 --> 01:33:12,020
water into clear water and pure water

2059
01:33:18,230 --> 01:33:14,940
she takes her own dried food you know

2060
01:33:20,540 --> 01:33:18,240
and and she'd quite literally live sort

2061
01:33:23,240 --> 01:33:20,550
of thirty to forty miles inside the

2062
01:33:26,180 --> 01:33:23,250
Pacific North Woods for like three to

2063
01:33:29,330 --> 01:33:26,190

four months and and she's had

2064

01:33:31,760 --> 01:33:29,340

you know interesting stuff emulation to

2065

01:33:34,100 --> 01:33:31,770

Bigfoot but I guess the one thing that

2066

01:33:36,650 --> 01:33:34,110

really hit me when she told me you know

2067

01:33:40,250 --> 01:33:36,660

about when she was first doing this

2068

01:33:42,800 --> 01:33:40,260

just the sheer issue of being sort of 40

2069

01:33:46,370 --> 01:33:42,810

miles away from civilization in the

2070

01:33:48,260 --> 01:33:46,380

middle of nowhere and realizing it's you

2071

01:33:51,290 --> 01:33:48,270

and just nature you know what I mean

2072

01:33:53,360 --> 01:33:51,300

most people never find themselves in

2073

01:33:55,820 --> 01:33:53,370

that kind of situation even if you go

2074

01:33:57,680 --> 01:33:55,830

into the Pacific Northwest woods for a

2075

01:33:59,450 --> 01:33:57,690

picnic on a Sunday afternoon with your

2076

01:34:01,310 --> 01:33:59,460

family people probably go in about a

2077

01:34:03,709 --> 01:34:01,320

half a mile into the area you know where

2078

01:34:07,220 --> 01:34:03,719

there's like little Park area and you

2079

01:34:09,050 --> 01:34:07,230

know seats and tables and whatever and

2080

01:34:10,430 --> 01:34:09,060

you can just hang out but most people

2081

01:34:13,729 --> 01:34:10,440

don't go through the forty mile health

2082

01:34:15,830 --> 01:34:13,739

into those woods as Shelly does and so

2083

01:34:19,870 --> 01:34:15,840

in that sense you know we're talking

2084

01:34:23,330 --> 01:34:19,880

about a sudden realization that you're

2085

01:34:26,060 --> 01:34:23,340

100% vulnerable and there's no one else

2086

01:34:28,160 --> 01:34:26,070

around and anything could happen to you

2087

01:34:29,479 --> 01:34:28,170

you know no no it's like you know the

2088

01:34:31,970 --> 01:34:29,489

mountain man I don't know if you've ever

2089

01:34:34,729 --> 01:34:31,980

heard about them but back in the 18th

2090

01:34:37,790 --> 01:34:34,739

century the fur trade they would just go

2091

01:34:39,500 --> 01:34:37,800

out for like years in the woods and I

2092

01:34:41,240 --> 01:34:39,510

don't know how anyone did that always

2093

01:34:43,729 --> 01:34:41,250

make always makes me wonder what they

2094

01:34:47,270 --> 01:34:43,739

saw or if they had any tales of strange

2095

01:34:51,229 --> 01:34:47,280

beings or you know UFOs or you know all

2096

01:34:53,030 --> 01:34:51,239

that kind of like a fictional example

2097

01:34:55,790 --> 01:34:53,040

nothing to do with UFOs or Bigfoot

2098

01:34:58,310 --> 01:34:55,800

anything like that but I mean you look

2099

01:35:01,660 --> 01:34:58,320

at a movie like deliverance you know

2100

01:35:05,000 --> 01:35:01,670

you've got you know a bunch of friends

2101
01:35:07,760 --> 01:35:05,010
from just regular civilization and then

2102
01:35:09,590 --> 01:35:07,770
they head out you know for half a day or

2103
01:35:13,010 --> 01:35:09,600
two days and they end up in the woods

2104
01:35:16,790 --> 01:35:13,020
and then you know all it all turns bad

2105
01:35:19,370 --> 01:35:16,800
you know and and that's under granted

2106
01:35:21,530 --> 01:35:19,380
it's just a movie but I mean you know

2107
01:35:25,430 --> 01:35:21,540
you can easily see how when you get out

2108
01:35:28,490 --> 01:35:25,440
of regular civilization you can be

2109
01:35:30,080 --> 01:35:28,500
really really vulnerable and no one

2110
01:35:32,890 --> 01:35:30,090
would even know that you were missing

2111
01:35:36,770 --> 01:35:32,900
you know that's right yeah scary scary

2112
01:35:38,360 --> 01:35:36,780
now we do have the phone line open if

2113
01:35:39,890 --> 01:35:38,370

anyone wants to call that numbers up on

2114

01:35:41,930 --> 01:35:39,900

the screen and

2115

01:35:45,830 --> 01:35:41,940

YouTube you're welcome to give our

2116

01:35:49,459 --> 01:35:45,840

guests a call and so you were talking

2117

01:35:53,330 --> 01:35:49,469

about earlier that I forget the name of

2118

01:35:55,910 --> 01:35:53,340

the person that had visions of basically

2119

01:35:58,580 --> 01:35:55,920

that things were going to be destroyed

2120

01:36:01,520 --> 01:35:58,590

by basically wiping out the electric

2121

01:36:03,470 --> 01:36:01,530

grid you know and that is that is one

2122

01:36:07,100 --> 01:36:03,480

thing I got to say that we are just

2123

01:36:08,600 --> 01:36:07,110

absolutely vulnerable and you know when

2124

01:36:10,820 --> 01:36:08,610

it comes to all that and you know I've

2125

01:36:12,890 --> 01:36:10,830

the research out there says that ninety

2126
01:36:14,810 --> 01:36:12,900
some odd percent of Americans would

2127
01:36:16,580 --> 01:36:14,820
perish in three years if the electric

2128
01:36:20,959 --> 01:36:16,590
grid went down and yet we don't have it

2129
01:36:23,990 --> 01:36:20,969
protected and no you're right and that

2130
01:36:25,729 --> 01:36:24,000
demonstrates how vulnerable we all are I

2131
01:36:29,109 --> 01:36:25,739
mean the woman you're talking about is

2132
01:36:33,080 --> 01:36:29,119
the one I mentioned Jane who had this

2133
01:36:36,560 --> 01:36:33,090
series of sort of distressing dreams and

2134
01:36:38,270 --> 01:36:36,570
nightmares of you know Chicago being

2135
01:36:40,609 --> 01:36:38,280
destroyed and other cities being

2136
01:36:42,290 --> 01:36:40,619
destroyed and as I said I mean when I

2137
01:36:44,600 --> 01:36:42,300
wrote about this I got dozens of

2138
01:36:47,870 --> 01:36:44,610

responses from people who'd had similar

2139

01:36:50,089 --> 01:36:47,880

dreams some about Chicago another one

2140

01:36:52,700 --> 01:36:50,099

talked about an event near Lubbock and

2141

01:36:55,850 --> 01:36:52,710

another one near the Florida Keys and he

2142

01:36:57,800 --> 01:36:55,860

was just these gigantic explosions and

2143

01:36:59,450 --> 01:36:57,810

you know sort of fire storms that were

2144

01:37:02,320 --> 01:36:59,460

like three four hundred feet high

2145

01:37:05,180 --> 01:37:02,330

you know just racing across the

2146

01:37:08,180 --> 01:37:05,190

landscape and a lot of people don't

2147

01:37:10,580 --> 01:37:08,190

realize the sheer extent of what a

2148

01:37:12,859 --> 01:37:10,590

nuclear war would be like you know you

2149

01:37:15,169 --> 01:37:12,869

even hear people today saying you could

2150

01:37:17,750 --> 01:37:15,179

win a nuclear war you cannot win a

2151
01:37:20,570 --> 01:37:17,760
nuclear war neither us know the Russians

2152
01:37:22,850 --> 01:37:20,580
can launch a snake attack in terms of

2153
01:37:26,089 --> 01:37:22,860
just launching the missiles because both

2154
01:37:28,430 --> 01:37:26,099
sides have spy satellites spying on all

2155
01:37:31,100 --> 01:37:28,440
the missile silos they only have to say

2156
01:37:33,229 --> 01:37:31,110
that my cell silo open and the hate

2157
01:37:36,290 --> 01:37:33,239
signature tells them that they're about

2158
01:37:39,410 --> 01:37:36,300
to launch so no one can win but I mean

2159
01:37:42,109 --> 01:37:39,420
with atomic the atomic weapons we have

2160
01:37:45,500 --> 01:37:42,119
today they're so powerful that I mean

2161
01:37:48,439 --> 01:37:45,510
the blast the wind blast from the

2162
01:37:49,879 --> 01:37:48,449
average nuclear missile today is like

2163
01:37:52,520 --> 01:37:49,889

1,200 miles an hour

2164

01:37:53,780 --> 01:37:52,530

you know we watch like on CNN or

2165

01:37:58,880 --> 01:37:53,790

whatever distress in show

2166

01:38:01,760 --> 01:37:58,890

you know a town you just wrecked and

2167

01:38:04,850 --> 01:38:01,770

this and the wind was like 150 miles an

2168

01:38:07,910 --> 01:38:04,860

hour you know you think you change

2169

01:38:12,110 --> 01:38:07,920

that to an atomic blast and you've got

2170

01:38:12,740 --> 01:38:12,120

wind speeds of 1,200 miles an hour 1,200

2171

01:38:14,450 --> 01:38:12,750

miles an hour

2172

01:38:17,300 --> 01:38:14,460

nothing always you know and just a blast

2173

01:38:19,190 --> 01:38:17,310

yeah just wiping out entire cities just

2174

01:38:22,250 --> 01:38:19,200

turning everything to dust for like 20

2175

01:38:23,810 --> 01:38:22,260

miles and radiation and that's from one

2176

01:38:27,620 --> 01:38:23,820

bomb never mind

2177

01:38:30,110 --> 01:38:27,630

the additional 150 or 200 that are going

2178

01:38:32,840 --> 01:38:30,120

to hit the country as well no one would

2179

01:38:35,840 --> 01:38:32,850

win but there is this angle where in a

2180

01:38:37,820 --> 01:38:35,850

worst-case scenario we get taken out

2181

01:38:40,640 --> 01:38:37,830

because as you said you have this

2182

01:38:44,210 --> 01:38:40,650

electromagnetic pulse issue which will

2183

01:38:47,090 --> 01:38:44,220

wipe out just about everything on the

2184

01:38:48,650 --> 01:38:47,100

grid you know not just so many Internet

2185

01:38:50,990 --> 01:38:48,660

going out for a few days and whatever

2186

01:38:53,440 --> 01:38:51,000

you can say you know check Facebook

2187

01:38:58,130 --> 01:38:53,450

we're talking about just the complete

2188

01:39:00,380 --> 01:38:58,140

collapse of you know the grid

2189

01:39:04,580 --> 01:39:00,390

everything's gone and it will not come

2190

01:39:07,280 --> 01:39:04,590

back and what we lose is people have no

2191

01:39:10,010 --> 01:39:07,290

idea but you know the average food that

2192

01:39:13,190 --> 01:39:10,020

you get in restaurant as has traveled

2193

01:39:15,590 --> 01:39:13,200

1400 miles you know everything would be

2194

01:39:20,510 --> 01:39:15,600

down and you know I know this is way off

2195

01:39:22,910 --> 01:39:20,520

the topic of your book the show because

2196

01:39:27,290 --> 01:39:22,920

the reason why I say these and really is

2197

01:39:29,000 --> 01:39:27,300

because a lot of abductees have seen in

2198

01:39:31,370 --> 01:39:29,010

the in the following the abduction

2199

01:39:34,550 --> 01:39:31,380

events they've experienced very

2200

01:39:38,510 --> 01:39:34,560

traumatic dreams nightmares and visions

2201

01:39:43,280 --> 01:39:38,520

of atomic warfare you know and just

2202

01:39:46,160 --> 01:39:43,290

worldwide destruction and you know the

2203

01:39:49,040 --> 01:39:46,170

big question is why are abductees being

2204

01:39:51,170 --> 01:39:49,050

given these images why are those images

2205

01:39:54,110 --> 01:39:51,180

being implanted in their minds is it

2206

01:39:56,630 --> 01:39:54,120

a means to sort of have these people

2207

01:39:59,270 --> 01:39:56,640

warned us of what could be the case of

2208

01:40:01,430 --> 01:39:59,280

you know the future but then again you

2209

01:40:03,770 --> 01:40:01,440

have to wonder why aren't they going

2210

01:40:06,440 --> 01:40:03,780

direct to the presidents you know or a

2211

01:40:07,640 --> 01:40:06,450

king Equator prime minister why are they

2212

01:40:09,709 --> 01:40:07,650

just going to

2213

01:40:12,560 --> 01:40:09,719

random members of the general public who

2214

01:40:14,450 --> 01:40:12,570

no disrespect but they're you know

2215

01:40:16,700 --> 01:40:14,460

they're not like a president who can get

2216

01:40:20,840 --> 01:40:16,710

the word out to everybody so it is

2217

01:40:23,540 --> 01:40:20,850

admittedly you know baffling as to why

2218

01:40:25,550 --> 01:40:23,550

they get these images but they do I mean

2219

01:40:29,120 --> 01:40:25,560

even Whitley Strieber had one he said he

2220

01:40:32,060 --> 01:40:29,130

saw in a an image of Washington DC

2221

01:40:34,910 --> 01:40:32,070

destroyed and in the in the dream this

2222

01:40:38,020 --> 01:40:34,920

was in I think like 2040 or something

2223

01:40:41,959 --> 01:40:38,030

like that and nobody knew who did it and

2224

01:40:46,090 --> 01:40:41,969

and in his dream as a result the US was

2225

01:40:50,209 --> 01:40:46,100

put into like a state of martial law and

2226

01:40:54,080 --> 01:40:50,219

you know just like a no-go totalitarian

2227

01:40:57,020 --> 01:40:54,090

kind kind of state which again is sort

2228

01:40:59,360 --> 01:40:57,030

of very disturbing scenario but but so

2229

01:41:02,689 --> 01:40:59,370

many people who've been abducted do talk

2230

01:41:04,729 --> 01:41:02,699

about that you know images of

2231

01:41:07,040 --> 01:41:04,739

destruction and the end of the world and

2232

01:41:09,380 --> 01:41:07,050

so on even we have a caller on the line

2233

01:41:11,360 --> 01:41:09,390

I'll get to just one second here even

2234

01:41:13,610 --> 01:41:11,370

like the aerial school phenomena those

2235

01:41:16,790 --> 01:41:13,620

kids they're they a lot of those kids

2236

01:41:19,120 --> 01:41:16,800

had visions of you know destruction or

2237

01:41:22,520 --> 01:41:19,130

even just plain take care of the planet

2238

01:41:24,110 --> 01:41:22,530

the planets being destroyed caller

2239

01:41:28,610 --> 01:41:24,120

were you calling from in your first name

2240

01:41:33,669 --> 01:41:28,620

please caller you still there hello

2241

01:41:38,060 --> 01:41:35,180

hey Mike

2242

01:41:41,030 --> 01:41:38,070

welcome to the show great I'm a big fan

2243

01:41:44,630 --> 01:41:41,040

of Martin's as well as Nicks I just have

2244

01:41:47,060 --> 01:41:44,640

a question about the Billy Meyer case I

2245

01:41:49,459 --> 01:41:47,070

understand there's a lot of individuals

2246

01:41:51,500 --> 01:41:49,469

now where as being bypassed as a lot of

2247

01:41:54,530 --> 01:41:51,510

people have just kind of got to the

2248

01:41:56,959 --> 01:41:54,540

forefront of regards to the SS you know

2249

01:41:59,060 --> 01:41:56,969

the out of space programs that they got

2250

01:42:01,280 --> 01:41:59,070

going on space programs but I was just

2251

01:42:03,110 --> 01:42:01,290

curious to know what you guys take is on

2252

01:42:06,560 --> 01:42:03,120

the Billy Meyer case I know Wendell

2253

01:42:08,419 --> 01:42:06,570

Stevens held you know was hell-bent on

2254

01:42:10,700 --> 01:42:08,429

saying that you know he stuck by that

2255

01:42:13,970 --> 01:42:10,710

thing until the day he passed that it

2256

01:42:14,990 --> 01:42:13,980

was authentic but you know I just really

2257

01:42:17,780 --> 01:42:15,000

would like to know your take on it

2258

01:42:18,979 --> 01:42:17,790

because I myself feel like there was two

2259

01:42:21,030 --> 01:42:18,989

particular things as far as the

2260

01:42:23,100 --> 01:42:21,040

frequency sounds and the metal

2261

01:42:24,300 --> 01:42:23,110

that was supposed to be authentic but I

2262

01:42:25,020 --> 01:42:24,310

just would like to know your take on it

2263

01:42:28,050 --> 01:42:25,030

thank you

2264

01:42:31,170 --> 01:42:28,060

yeah sure well I mean the Billy Meyer

2265

01:42:34,110 --> 01:42:31,180

case is like a classic contact in case

2266

01:42:36,360 --> 01:42:34,120

it wasn't a production story it was more

2267

01:42:39,060 --> 01:42:36,370

along the lines of you know the earlier

2268

01:42:42,660 --> 01:42:39,070

contactees like George Adamski now

2269

01:42:45,630 --> 01:42:42,670

there's no doubt that that Billy Meyer

2270

01:42:48,660 --> 01:42:45,640

story puts ufology into two camps there

2271

01:42:51,120 --> 01:42:48,670

are those who fall unbeliev his stories

2272

01:42:53,360 --> 01:42:51,130

and his photographs and those who fall

2273

01:42:57,060 --> 01:42:53,370

on do not believe it there's really

2274

01:42:59,520 --> 01:42:57,070

hardly any room for any kind of space at

2275

01:43:03,090 --> 01:42:59,530

all now you know I've read quite

2276

01:43:05,940 --> 01:43:03,100

extensively on mice claims and whatever

2277

01:43:09,480 --> 01:43:05,950

and there's no doubt that a lot of them

2278

01:43:12,300 --> 01:43:09,490

are extremely controversial and to the

2279

01:43:14,610 --> 01:43:12,310

point of you know it's like well could

2280

01:43:18,380 --> 01:43:14,620

this really be but on the other hand

2281

01:43:20,600 --> 01:43:18,390

what I would say is that you know these

2282

01:43:23,760 --> 01:43:20,610

photographs a lot of those photographs

2283

01:43:27,540 --> 01:43:23,770

do actually look really impressive you

2284

01:43:29,760 --> 01:43:27,550

know some do really look like in the

2285

01:43:34,350 --> 01:43:29,770

right kind of perspective to photograph

2286

01:43:36,750 --> 01:43:34,360

you know a 30 to 44 object in the sky

2287

01:43:38,880 --> 01:43:36,760

you know it trees around it and that's

2288

01:43:41,730 --> 01:43:38,890

exactly how they look you know I mean

2289

01:43:44,190 --> 01:43:41,740

even for example Bob Lazar you know

2290

01:43:47,040 --> 01:43:44,200

granted he's also a controversial

2291

01:43:49,200 --> 01:43:47,050

character but Bob Lazar said that when

2292

01:43:53,700 --> 01:43:49,210

he was allegedly working out at area 51

2293

01:43:56,520 --> 01:43:53,710

in 1988 he said he saw a craft stored

2294

01:44:00,690 --> 01:43:56,530

there that looked almost identical to

2295

01:44:03,920 --> 01:44:00,700

one of the craft photographed in in one

2296

01:44:06,270 --> 01:44:03,930

of Billy Meyers photos so you know the

2297

01:44:08,550 --> 01:44:06,280

it's like a lot of these controversial

2298

01:44:10,590 --> 01:44:08,560

stories you have people on both sides of

2299

01:44:11,310 --> 01:44:10,600

the coin as to whether the story is true

2300

01:44:14,850 --> 01:44:11,320

or not

2301

01:44:18,660 --> 01:44:14,860

and and I would actually say that billy

2302

01:44:22,140 --> 01:44:18,670

meier story kind of defines that you

2303

01:44:24,930 --> 01:44:22,150

know that angle of believers versus

2304

01:44:26,940 --> 01:44:24,940

non-believers and absolutely no room in

2305

01:44:31,160 --> 01:44:26,950

between the two for you know for any

2306

01:44:34,560 --> 01:44:31,170

kind of vague well maybe you know yeah

2307

01:44:37,230 --> 01:44:34,570

but yeah might might take us a little

2308

01:44:40,830 --> 01:44:37,240

little different just I guess I'm in the

2309

01:44:45,360 --> 01:44:40,840

camp of the non-believer camp I say and

2310

01:44:49,500 --> 01:44:45,370

and it there's only the way I look at

2311

01:44:52,860 --> 01:44:49,510

things that if one part of a story is is

2312

01:44:55,740 --> 01:44:52,870

fudged or faked or whatever then to me

2313

01:44:58,410 --> 01:44:55,750

the credibility kind of crumbles and you

2314

01:45:01,130 --> 01:44:58,420

know he has been there has been some

2315

01:45:06,590 --> 01:45:01,140

things that have come to light for

2316

01:45:09,240 --> 01:45:06,600

instance you know a small tree and four

2317

01:45:12,780 --> 01:45:09,250

perspective was used in a field where

2318

01:45:17,640 --> 01:45:12,790

there was no tree there's garbage can

2319

01:45:19,890 --> 01:45:17,650

lid that actually there's pictures of

2320

01:45:23,520 --> 01:45:19,900

the to compare it online and the most

2321

01:45:26,160 --> 01:45:23,530

damning thing of any of his work was

2322

01:45:28,890 --> 01:45:26,170

back on the Dean Martin show there were

2323

01:45:32,550 --> 01:45:28,900

these singers and there was a picture

2324

01:45:34,560 --> 01:45:32,560

that he had taken and that was in a book

2325

01:45:36,480 --> 01:45:34,570

and it's the it's from the Dean Martin

2326

01:45:39,180 --> 01:45:36,490

show from the 1970s

2327

01:45:41,580 --> 01:45:39,190

so there's yeah yeah that's absolutely

2328

01:45:45,510 --> 01:45:41,590

true and that's one of the you know the

2329

01:45:46,770 --> 01:45:45,520

the the flaws in the story and I think

2330

01:45:49,320 --> 01:45:46,780

you know I wouldn't want people to think

2331

01:45:52,830 --> 01:45:49,330

I'm a full-on believer in his story I'm

2332

01:45:55,290 --> 01:45:52,840

not I mean as Martin just pointed out

2333

01:45:58,050 --> 01:45:55,300

but that is one of the a perfect example

2334

01:46:00,510 --> 01:45:58,060

of something that we know is absolutely

2335

01:46:02,130 --> 01:46:00,520

not true you know that that the Dean

2336

01:46:05,280 --> 01:46:02,140

Martin story that that's a you know

2337

01:46:09,030 --> 01:46:05,290

that's research has proved that it's

2338

01:46:11,670 --> 01:46:09,040

exactly as Martin said it but what I

2339

01:46:13,320 --> 01:46:11,680

would say there are some of not met you

2340

01:46:15,720 --> 01:46:13,330

know know I once I tell you all of them

2341

01:46:19,020 --> 01:46:15,730

some of the cases scare me some of the

2342

01:46:22,220 --> 01:46:19,030

graphs are intriguing you know that they

2343

01:46:25,620 --> 01:46:22,230

are um now that doesn't prove anything

2344

01:46:27,510 --> 01:46:25,630

but if you look at those pictures

2345

01:46:30,060 --> 01:46:27,520

compared to just somebody throwing a

2346

01:46:34,740 --> 01:46:30,070

frisbee in the sky or whatever you know

2347

01:46:38,460 --> 01:46:34,750

they I think the whole thing's a fake I

2348

01:46:41,970 --> 01:46:38,470

give him you know sort of an applause

2349

01:46:45,600 --> 01:46:41,980

for actually being able to put all this

2350

01:46:48,360 --> 01:46:45,610

together in what is actually looks a

2351

01:46:51,390 --> 01:46:48,370

really intriguing way but it's

2352

01:46:55,560 --> 01:46:51,400

garbage you know I would be I would be

2353

01:46:57,240 --> 01:46:55,570

sort of impressed by the ability to to

2354

01:46:58,950 --> 01:46:57,250

achieve what what he has achieved

2355

01:47:01,050 --> 01:46:58,960

regardless of which side of the coin

2356

01:47:03,750 --> 01:47:01,060

you're on you know and especially of

2357

01:47:06,450 --> 01:47:03,760

having one arm as well for being exactly

2358

01:47:10,130 --> 01:47:06,460

the type of work that he did hey well

2359

01:47:12,390 --> 01:47:10,140

thanks for the call absolutely

2360

01:47:15,780 --> 01:47:12,400

appreciate your work you do

2361

01:47:17,670 --> 01:47:15,790

god bless thanks a lot yeah okay so

2362

01:47:19,620 --> 01:47:17,680

we'll probably if someone else wants to

2363

01:47:21,030 --> 01:47:19,630

call in we probably have time for one

2364

01:47:23,400 --> 01:47:21,040

more call

2365

01:47:25,110 --> 01:47:23,410

we've got about just over five four

2366

01:47:29,610 --> 01:47:25,120

seven minutes left I think something

2367

01:47:31,530 --> 01:47:29,620

like that so let me just ask you this

2368

01:47:34,320 --> 01:47:31,540

change gears a little bit

2369

01:47:36,750 --> 01:47:34,330

do you have anything else in the works

2370

01:47:38,370 --> 01:47:36,760

coming up our I mean your next book or

2371

01:47:43,380 --> 01:47:38,380

how much of a break do you take between

2372

01:47:45,150 --> 01:47:43,390

writing books anyway oh I'm pretty good

2373

01:47:47,730 --> 01:47:45,160

I like to sort of go on vacation and

2374

01:47:49,440 --> 01:47:47,740

whatever so a couple of months ago I

2375

01:47:52,100 --> 01:47:49,450

went back to England for two weeks just

2376

01:47:54,360 --> 01:47:52,110

to catch up with family and friends and

2377

01:47:57,240 --> 01:47:54,370

had a good time there I went to a school

2378

01:47:59,130 --> 01:47:57,250

reunion and I saw a bunch of people who

2379

01:48:01,530 --> 01:47:59,140

look the same and a bunch of people who

2380

01:48:05,850 --> 01:48:01,540

I didn't even recognize him here that's

2381

01:48:08,820 --> 01:48:05,860

a yeah yes so that was fun and I got to

2382

01:48:13,320 --> 01:48:08,830

drink a bunch of English beer which was

2383

01:48:17,250 --> 01:48:13,330

also good but yeah I mean I'm like I

2384

01:48:21,240 --> 01:48:17,260

said I'm someone who you know I'm very

2385

01:48:24,750 --> 01:48:21,250

good it's sort of as I see it as a you

2386

01:48:27,120 --> 01:48:24,760

know sort of doing the work taking time

2387

01:48:29,850 --> 01:48:27,130

off I mean to give you an example like

2388

01:48:31,860 --> 01:48:29,860

not as anything to do with UFOs but you

2389

01:48:33,750 --> 01:48:31,870

know but in relation to your question I

2390

01:48:37,080 --> 01:48:33,760

mean like last Friday nights I went to

2391

01:48:39,480 --> 01:48:37,090

bring a girlfriend we went out to her

2392

01:48:42,270 --> 01:48:39,490

local club in Dallas here called trees

2393

01:48:44,280 --> 01:48:42,280

and there was a concert on from Doyle

2394

01:48:45,570 --> 01:48:44,290

who's the guitarist from the punk band

2395

01:48:48,360 --> 01:48:45,580

of the misfits

2396

01:48:50,130 --> 01:48:48,370

and he put on a really good show so in

2397

01:48:55,350 --> 01:48:50,140

their Friday night Saturday night we

2398

01:48:57,930 --> 01:48:55,360

went to an early Halloween party and so

2399

01:48:59,940 --> 01:48:57,940

you know very good it's sort of doing

2400

01:49:02,169 --> 01:48:59,950

the work of writing about it and then

2401

01:49:07,589 --> 01:49:02,179

I'll switch off and crank up

2402

01:49:11,049 --> 01:49:07,599

The Ramones or whatever you know okay so

2403

01:49:12,580 --> 01:49:11,059

but what about your next your next

2404

01:49:16,540 --> 01:49:12,590

project when you have oh yeah that's

2405

01:49:18,279 --> 01:49:16,550

yeah well this is just purely

2406

01:49:20,649 --> 01:49:18,289

coincidence and I've got two books

2407

01:49:23,439 --> 01:49:20,659

coming out fairly close to each other

2408

01:49:24,910 --> 01:49:23,449

and it's mainly because well completely

2409

01:49:26,969 --> 01:49:24,920

because they're with different

2410

01:49:30,009 --> 01:49:26,979

publishers and sometimes you know the

2411

01:49:34,060 --> 01:49:30,019

publication dates clash a little bit so

2412

01:49:35,739 --> 01:49:34,070

the alien abductions book the official

2413

01:49:39,100 --> 01:49:35,749

release date is actually November the

2414

01:49:40,839 --> 01:49:39,110

first but it's already available you can

2415

01:49:44,379 --> 01:49:40,849

get it on Amazon and off the shelves in

2416

01:49:47,020 --> 01:49:44,389

Barnes & Noble but on so that's November

2417

01:49:50,949 --> 01:49:47,030

the 1st but on January the 1st I have a

2418

01:49:53,649 --> 01:49:50,959

book out on the whole history of area 51

2419

01:49:56,890 --> 01:49:53,659

and no and that'll be out on January the

2420

01:49:59,580 --> 01:49:56,900

1st Wow um real interests I have to have

2421

01:50:01,600 --> 01:49:59,590

you back real interested in that and

2422

01:50:04,000 --> 01:50:01,610

because that seems like that would be

2423

01:50:07,779 --> 01:50:04,010

such a hard thing to do research on I

2424

01:50:09,549 --> 01:50:07,789

mean it's well it is I mean you know you

2425

01:50:11,739 --> 01:50:09,559

sort of forced to go with what date is

2426

01:50:15,069 --> 01:50:11,749

available purely and simply because it

2427

01:50:17,589 --> 01:50:15,079

is such a you know an enigmatic kind of

2428

01:50:21,549 --> 01:50:17,599

place I guess now can someone actually

2429

01:50:24,759 --> 01:50:21,559

if someone actually works there can they

2430

01:50:26,739 --> 01:50:24,769

I mean is it in their contract as far as

2431

01:50:28,359 --> 01:50:26,749

they just can't talk about that they

2432

01:50:30,040 --> 01:50:28,369

ever worked there I mean do you know if

2433

01:50:31,359 --> 01:50:30,050

it's well

2434

01:50:32,919 --> 01:50:31,369

yeah I mean I would imagine that's the

2435

01:50:35,310 --> 01:50:32,929

case and certain people have come

2436

01:50:39,489 --> 01:50:35,320

forward to say that yes that is the case

2437

01:50:41,830 --> 01:50:39,499

you know intimidation you won't do this

2438

01:50:44,140 --> 01:50:41,840

you know almost like like a military

2439

01:50:46,660 --> 01:50:44,150

equivalent of like a nondisclosure

2440

01:50:49,540 --> 01:50:46,670

agreement that kind of thing you know

2441

01:50:52,120 --> 01:50:49,550

with all the usual caveats involved you

2442

01:50:55,120 --> 01:50:52,130

know talk about this and this is what

2443

01:50:56,649 --> 01:50:55,130

will happen that kind of thing and only

2444

01:50:58,449 --> 01:50:56,659

I mean if you look at the number of

2445

01:51:01,060 --> 01:50:58,459

people who must have worked there of the

2446

01:51:03,489 --> 01:51:01,070

years versus the number of people who

2447

01:51:05,979 --> 01:51:03,499

have come forward well the number of

2448

01:51:11,979 --> 01:51:05,989

people come forward is minut that's

2449

01:51:13,569 --> 01:51:11,989

right yeah so I mean it's clear that you

2450

01:51:15,669 --> 01:51:13,579

know whatever contract you signed it's

2451

01:51:19,870 --> 01:51:15,679

it's fairly binding

2452

01:51:23,110 --> 01:51:19,880

really that's right and and the secrets

2453

01:51:25,660 --> 01:51:23,120

there you know I mean what they're

2454

01:51:27,430 --> 01:51:25,670

working on you know I mean and I it may

2455

01:51:30,370 --> 01:51:27,440

have nothing to do with aliens you know

2456

01:51:33,610 --> 01:51:30,380

I mean that is a speculation but anytime

2457

01:51:34,330 --> 01:51:33,620

something becomes totally secret like

2458

01:51:37,959 --> 01:51:34,340

that

2459

01:51:43,030 --> 01:51:37,969

their conspiracies just kind of grow out

2460

01:51:47,500 --> 01:51:43,040

of that yeah and I think you know it's

2461

01:51:49,300 --> 01:51:47,510

almost as if like area 51 has become its

2462

01:51:52,180 --> 01:51:49,310

own entity you know it's part of pop

2463

01:51:55,090 --> 01:51:52,190

culture yeah you know is I mean probably

2464

01:51:57,700 --> 01:51:55,100

the only government installation in the

2465

01:52:01,180 --> 01:51:57,710

world which has achieved like a major

2466

01:52:03,280 --> 01:52:01,190

position within pop culture I mean you

2467

01:52:06,490 --> 01:52:03,290

know it appeared in Independence Day

2468

01:52:11,439 --> 01:52:06,500

which the pentagram is I'm gonna help to

2469

01:52:14,290 --> 01:52:11,449

you know provide imagery and aircraft

2470

01:52:15,580 --> 01:52:14,300

for independence day until the producer

2471

01:52:18,729 --> 01:52:15,590

and the writer said well we want to

2472

01:52:21,100 --> 01:52:18,739

include area 51 in the story and the

2473

01:52:23,649 --> 01:52:21,110

Pentagon said if you want to focus on

2474

01:52:25,240 --> 01:52:23,659

area 51 sorry we can't work with you and

2475

01:52:29,290 --> 01:52:25,250

that's not here so that's it that's the

2476

01:52:31,600 --> 01:52:29,300

true story the Pentagon basically told

2477

01:52:34,209 --> 01:52:31,610

the production company you know if you

2478

01:52:36,070 --> 01:52:34,219

want to mention area 51 we're not going

2479

01:52:39,550 --> 01:52:36,080

to get involved and that's what happened

2480

01:52:41,500 --> 01:52:39,560

so you know it's been in area 51 it's

2481

01:52:45,399 --> 01:52:41,510

been in independence days between the

2482

01:52:48,040 --> 01:52:45,409

x-files you know everybody has heard of

2483

01:52:49,930 --> 01:52:48,050

it it's like the world's most famous top

2484

01:52:51,970 --> 01:52:49,940

secret base it's top secret but

2485

01:52:54,550 --> 01:52:51,980

everybody knows of it you know now what

2486

01:52:56,590 --> 01:52:54,560

do they call or what did they call area

2487

01:53:01,959 --> 01:52:56,600

51 do you know what they actually called

2488

01:53:04,149 --> 01:53:01,969

it well area 51 itself is actually part

2489

01:53:07,660 --> 01:53:04,159

of it even bigger it is called area 51

2490

01:53:11,110 --> 01:53:07,670

but area 51 itself is contained in an

2491

01:53:12,820 --> 01:53:11,120

even bigger part of Nevada which is

2492

01:53:15,370 --> 01:53:12,830

called the Nevada test and training

2493

01:53:19,000 --> 01:53:15,380

range and it's up in that particular

2494

01:53:22,390 --> 01:53:19,010

range the area 51 exists and there are

2495

01:53:25,120 --> 01:53:22,400

there various other areas within that

2496

01:53:28,030 --> 01:53:25,130

particular Nevada test and training

2497

01:53:29,529 --> 01:53:28,040

range and but actually its origins goes

2498

01:53:33,549 --> 01:53:29,539

back to the Second World War

2499

01:53:36,370 --> 01:53:33,559

when there was after Pearl Harbor there

2500

01:53:39,609 --> 01:53:36,380

was this you know this need for beefing

2501
01:53:40,990 --> 01:53:39,619
up the military and developing new bases

2502
01:53:42,970 --> 01:53:41,000
and where technologies could be

2503
01:53:45,399 --> 01:53:42,980
developed and so it sort of all

2504
01:53:47,740 --> 01:53:45,409
gravitated towards Devolder you know we

2505
01:53:50,169 --> 01:53:47,750
had these isolated deserts and mountains

2506
01:53:52,750 --> 01:53:50,179
and he was seen as the perfect place to

2507
01:53:55,330 --> 01:53:52,760
sort of start new technologies and

2508
01:53:57,310 --> 01:53:55,340
aircraft and he just kind of grew into

2509
01:54:00,250 --> 01:53:57,320
the 50s where they were developing and

2510
01:54:02,740 --> 01:54:00,260
flying things like the u-2 spy plane and

2511
01:54:06,640 --> 01:54:02,750
then into the 60s we got the blackbird

2512
01:54:10,029 --> 01:54:06,650
spy spy plane and then and then you know

2513
01:54:11,799 --> 01:54:10,039

we have stories of crashed UFOs and dead

2514

01:54:13,560 --> 01:54:11,809

aliens which I know which I point out in

2515

01:54:15,879 --> 01:54:13,570

the book you know it like a little

2516

01:54:18,310 --> 01:54:15,889

snippet even though the books two months

2517

01:54:22,689 --> 01:54:18,320

away you know I do sometimes wonder if

2518

01:54:25,689 --> 01:54:22,699

the UFO angle is being kind of over

2519

01:54:28,209 --> 01:54:25,699

blown as a means to hide the fact that

2520

01:54:32,589 --> 01:54:28,219

there are really weird crafts out there

2521

01:54:35,560 --> 01:54:32,599

of our creation but by suggesting their

2522

01:54:37,930 --> 01:54:35,570

UFOs you know the media or the you know

2523

01:54:40,120 --> 01:54:37,940

the so-called serious media stay away

2524

01:54:41,770 --> 01:54:40,130

from it all right maybe the the whole

2525

01:54:43,779 --> 01:54:41,780

point next with you

2526

01:54:46,299 --> 01:54:43,789

yeah yeah you know to make it look

2527

01:54:48,939 --> 01:54:46,309

stupid and sensational and it kinda

2528

01:54:50,799 --> 01:54:48,949

keeps a good cover for what's really

2529

01:54:52,660 --> 01:54:50,809

going on there right hey Nick we're

2530

01:54:54,939 --> 01:54:52,670

totally out of time so thanks so much

2531

01:54:56,529 --> 01:54:54,949

it's been a pleasure as always and now

2532

01:54:59,740 --> 01:54:56,539

the cords are talking to you again in

2533

01:55:02,439 --> 01:54:59,750

January all right thanks about it all

2534

01:55:04,120 --> 01:55:02,449

right you take care it alright everyone

2535

01:55:06,339 --> 01:55:04,130

so that's it for the show thanks so much

2536

01:55:09,939 --> 01:55:06,349

for listening we'll be back next week

2537

01:55:12,549 --> 01:55:09,949

with guess who Alejandro Rojas he's my

2538

01:55:14,680 --> 01:55:12,559

guest next week anyway thanks so much

2539

01:55:15,970 --> 01:55:14,690

and thanks for supporting the show and

2540

01:55:18,759 --> 01:55:15,980

watching the show listening to the show
