00:00:03,260 --> 00:00:01,309
for everything that appeared in the

2
00:00:05,630 --> 00:00:03,270
Rendlesham forest incident that doesn't

3
00:00:09,140 --> 00:00:05,640
involve aliens at all it was completely

4
00:00:11,990 --> 00:00:09,150
silent it comes right over our head it's

5
00:00:13,759 --> 00:00:12,000
so a classic flying-saucer really

6
00:00:15,350 --> 00:00:13,769
standing in the clearing he turned over

7
00:00:16,640 --> 00:00:15,360
to my father and held his hand and he

8
00:00:23,330 --> 00:00:16,650
looked in his eyes and said we're not

9
00:00:26,029 --> 00:00:23,340
alone welcome to podcast UFO for our

10
00:00:28,040 --> 00:00:26,039

19

00:00:51,229 --> 00:00:48,809

little intro that he does on his shows

20

00:00:53,060 --> 00:00:51,239

and we also have one one and we have a

21

00:00:55,700 --> 00:00:53,070

bunch of things going on today we have

22

00:00:58,670 --> 00:00:55,710

we actually have somewhere off in the

23

00:01:01,849 --> 00:00:58,680

shadows here a black-eyed child or

24

00:01:03,500 --> 00:01:01,859

person that may talk a little bit I'm

25

00:01:06,140 --> 00:01:03,510

pretty scared about this whole thing

26
00:01:08,179 --> 00:01:06,150
then we're gonna be taking a couple of

27
00:01:09,740 --> 00:01:08,189
calls there's some regulars on Mac show

28
00:01:12,170 --> 00:01:09,750
that are going to be joining us a little

29
00:01:18,039 --> 00:01:12,180
bit here and there and I will sit wave

30
00:01:20,630 --> 00:01:18,049
height everyone so on on YouTube anyway

31
00:01:24,080 --> 00:01:20,640
at some point we're gonna be giving away

32
00:01:25,910 --> 00:01:24,090
five books and I'm gonna let Mac talk

33
00:01:30,380 --> 00:01:25,920
about that and I'm gonna turn it over to

34
00:01:31,580 --> 00:01:30,390
the one and only Mac Malone well it's

35
00:01:34,280 --> 00:01:31,590

36
00:01:35,810 --> 00:01:34,290
Thank You Juan good evening everyone and

37
00:01:38,090 --> 00:01:35,820

42

00:01:50,510 --> 00:01:48,060

once may only be for once you never know

43

00:01:52,730 --> 00:01:50,520

what smite is launching

44

00:01:54,260 --> 00:01:52,740

good to see you back thank you one hard

45

00:01:55,490 --> 00:01:54,270

to be working with Martin again that's

46

00:01:57,709 --> 00:01:55,500

right yeah it's always a pleasure

47

00:02:00,350 --> 00:01:57,719

every Evans behind the camera and the

48

00:02:01,639 --> 00:02:00,360

camera the people the people who won't

49

00:02:02,990 --> 00:02:01,649

give a shout out towards the end of the

50

00:02:04,639 --> 00:02:03,000

show okay because there's a lot of

51
00:02:07,399 --> 00:02:04,649
people behind the camera toy as it turns

52
00:02:09,589 --> 00:02:07,409
out we're gonna be talking to cut into

53
00:02:12,080 --> 00:02:09,599
Cobra later on and also switchblade

54
00:02:13,370 --> 00:02:12,090
Steve is calling in we also have a very

55
00:02:14,570 --> 00:02:13,380
special guest in the

56
00:02:16,580 --> 00:02:14,580
and this is something that we really

57
00:02:19,070 --> 00:02:16,590
shouldn't show on TV you know because

58
00:02:21,020 --> 00:02:19,080
it's probably against um FCC ruling yeah

59
00:02:24,530 --> 00:02:21,030
black eyed kid is here he's a kid how

60
00:02:26,030 --> 00:02:24,540

63
00:02:35,000 --> 00:02:33,000

be chiming in also Wow miles will

64

00:02:36,920 --> 00:02:35,010

introduce our engineer matters yeah

65

00:02:37,460 --> 00:02:36,930

clink and in the shot Matt is here don't

66

00:02:41,410 --> 00:02:37,470

trip

67

00:02:47,570 --> 00:02:45,590

tonight okay and do I have everyone near

68

00:02:50,420 --> 00:02:47,580

one one I think so yeah anything you

69

00:02:51,050 --> 00:02:50,430

have to say what's new we deal I love

70

00:02:53,390 --> 00:02:51,060

the Hat

71

00:02:54,500 --> 00:02:53,400

thank you I'm an all the way I'm a

72

00:02:56,870 --> 00:02:54,510

stylist

73

00:02:58,910 --> 00:02:56,880

all the way over from Ireland this is no

74

00:03:02,540 --> 00:02:58,920

Chinese knockoff well this thing is

75

00:03:05,690 --> 00:03:02,550

awesome I giving it my sound effects so

76

00:03:07,370 --> 00:03:05,700

my sound effects yeah okay I promised I

77

00:03:09,140 --> 00:03:07,380

promised everyone that we would actually

78

00:03:11,510 --> 00:03:09,150

talk a little bit about UFOs the show

79

00:03:13,370 --> 00:03:11,520

what are you trying to say well the last

80

00:03:15,350 --> 00:03:13,380

time we did this in studio I'm not sure

81

00:03:18,920 --> 00:03:15,360

we did talk about UFOs I think so sure

82

00:03:20,390 --> 00:03:18,930

we did well paranormal stuff it was yeah

83

00:03:26,150 --> 00:03:20,400

that's right you had a ghost in here

84

00:03:26,870 --> 00:03:26,160

word yeah has anyone actually had any

85

00:03:29,480 --> 00:03:26,880

encounter

86

00:03:31,310 --> 00:03:29,490

Bob the ghost yeah every week everything

87

00:03:35,060 --> 00:03:31,320

crazy goes on yeah Wow

88

00:03:37,160 --> 00:03:35,070

we're not kidding Wow especially one was

89

00:03:38,720 --> 00:03:37,170

first one asaram but we've been sitting

90

00:03:40,370 --> 00:03:38,730

here and we will complain about the

91

00:03:42,560 --> 00:03:40,380

lights and I was and the lights came on

92

00:03:44,060 --> 00:03:42,570

right yeah this blinking light that came

93

00:03:45,980 --> 00:03:44,070

on and then as soon as we said some Bob

94

00:03:48,170 --> 00:03:45,990

Bob goes to went off like within 10

95

00:03:51,830 --> 00:03:48,180

seconds oh wow I will tell also the

96

00:03:54,560 --> 00:03:51,840

people on YouTube and I'm not able to

97

00:03:56,720 --> 00:03:54,570

get the chat room up and kgr a radio

98

00:03:59,750 --> 00:03:56,730

about over in YouTube we will take your

99

00:04:02,750 --> 00:03:59,760

chat questions tonight as well and we'll

100

00:04:04,610 --> 00:04:02,760

be taking calls but when we will

101
00:04:06,470 --> 00:04:04,620
certainly announce what they're gonna

102
00:04:09,020 --> 00:04:06,480
give away those five books Mac talk

103
00:04:11,930 --> 00:04:09,030
about your book that's out what do you

104
00:04:14,870 --> 00:04:11,940
want me to say the title title is out

105
00:04:16,039 --> 00:04:14,880
Mac Maloney's haunted universe and we're

106
00:04:18,530 --> 00:04:16,049
gonna at some point we're gonna do a

107
00:04:21,380 --> 00:04:18,540
show on the creation of it because it

108
00:04:23,270 --> 00:04:21,390
started off is you know discussion at

109
00:04:25,230 --> 00:04:23,280
the bar if I remember correctly you know

110
00:04:27,120 --> 00:04:25,240
we just put together all this left

111
00:04:28,800 --> 00:04:27,130
information I had notes under napkin

112
00:04:32,100 --> 00:04:28,810
right yeah that kind of thing you know

113
00:04:33,809 --> 00:04:32,110

and I was gonna self publish it because

114

00:04:35,129 --> 00:04:33,819

you know I've I've had other books

115

00:04:36,689 --> 00:04:35,139

published you know published by

116

00:04:38,219 --> 00:04:36,699

publishers and I just want to see what

117

00:04:39,150 --> 00:04:38,229

the self publishing thing is these days

118

00:04:40,980 --> 00:04:39,160

a lot of people make money

119

00:04:44,850 --> 00:04:40,990

self-publishing that's right so yeah and

120

00:04:47,059 --> 00:04:44,860

then I put it together and then just do

121

00:04:49,379 --> 00:04:47,069

kind of the technicalities of things my

122

00:04:51,870 --> 00:04:49,389

publisher found out about it and he says

123

00:04:54,570 --> 00:04:51,880

you know you have to let us have the

124

00:04:56,249 --> 00:04:54,580

first refusal of it oh and then so

125

00:04:58,020 --> 00:04:56,259

that's what that's how it get published

126
00:04:58,710 --> 00:04:58,030
by a real publisher not you know Mac

127
00:05:01,409 --> 00:04:58,720
publisher

128
00:05:03,779 --> 00:05:01,419
Wow so you skipped the hundred million

129
00:05:05,490 --> 00:05:03,789
dollar lawsuit and all that yeah yeah

130
00:05:07,710 --> 00:05:05,500
yeah probably but it's doing good has

131
00:05:09,809 --> 00:05:07,720
been on the end the biggest surprises

132
00:05:11,760 --> 00:05:09,819
it's been on the Amazon bestseller list

133
00:05:14,999 --> 00:05:11,770
for two months in the top ten of UFO

134
00:05:19,110 --> 00:05:15,009
books Wow and right and I did see about

135
00:05:20,909 --> 00:05:19,120
UFOs in particular the top ten places to

136
00:05:22,950 --> 00:05:20,919
see a UFO how did you come up with that

137
00:05:24,839 --> 00:05:22,960
and I might want to argue some of those

138
00:05:27,540 --> 00:05:24,849

points yeah me too I used to work for

139

00:05:31,709 --> 00:05:27,550

Turner Broadcasting for their website

140

00:05:33,779 --> 00:05:31,719

conspiratorial and I used to just write

141

00:05:37,080 --> 00:05:33,789

like photo captions they come up with

142

00:05:38,850 --> 00:05:37,090

like the 10 haunted most haunted houses

143

00:05:40,320 --> 00:05:38,860

in the country and that kind of stuff

144

00:05:42,930 --> 00:05:40,330

you know and I'd write the captions on

145

00:05:44,490 --> 00:05:42,940

them and I had all that research in my

146

00:05:45,810 --> 00:05:44,500

office you know some of the stuff we

147

00:05:47,610 --> 00:05:45,820

just wouldn't used we'd only use 10 a

148

00:05:49,760 --> 00:05:47,620

month and I'd come up with like 20 a

149

00:05:52,020 --> 00:05:49,770

month so while this stuff I never use

150

00:05:54,330 --> 00:05:52,030

you know I just kind of put it in the

151

00:05:56,189 --> 00:05:54,340

book and that's how I had all this

152

00:05:57,779 --> 00:05:56,199

research on these weird little stories

153

00:05:59,610 --> 00:05:57,789

accumulating in my office and that's

154

00:06:01,680 --> 00:05:59,620

what the book is it's just like 300

155

00:06:03,689 --> 00:06:01,690

weird little stories Wow Wow

156

00:06:05,370 --> 00:06:03,699

I liked it I like a book that has like

157

00:06:07,680 --> 00:06:05,380

little stores it's easier for me to get

158

00:06:09,240 --> 00:06:07,690

through it with my bedroom a DeeDee yeah

159

00:06:10,950 --> 00:06:09,250

well I'm not real slow Rita but it's

160

00:06:12,719 --> 00:06:10,960

like it's great to read on the subway

161

00:06:14,219 --> 00:06:12,729

and yes you know it's like that you

162

00:06:16,379 --> 00:06:14,229

don't no one can read it from beginning

163

00:06:17,760 --> 00:06:16,389

to end even I can't but so so you write

164

00:06:18,990 --> 00:06:17,770

books but you're a slow reader I think

165

00:06:20,370 --> 00:06:19,000

that's interesting you're not the first

166

00:06:22,320 --> 00:06:20,380

person that's told me that by the way

167

00:06:24,600 --> 00:06:22,330

yeah real small my attention I don't

168

00:06:26,850 --> 00:06:24,610

have the attention span and so on but

169

00:06:30,480 --> 00:06:26,860

the attention span did too right which

170

00:06:32,040 --> 00:06:30,490

is pretty amazing yeah you know there's

171

00:06:33,450 --> 00:06:32,050

nothing else to do sometimes but I was

172

00:06:34,980 --> 00:06:33,460

gonna say this is like a remember

173

00:06:35,610 --> 00:06:34,990

Ripley's believe in a night out in the

174

00:06:37,050 --> 00:06:35,620

paperbacks

175

00:06:38,129 --> 00:06:37,060

yeah those I used to just go right

176

00:06:38,730 --> 00:06:38,139

through and that's what it's like you

177

00:06:41,159 --> 00:06:38,740

know they're just like

178

00:06:43,499 --> 00:06:41,169

stories yeah yeah I did like the shorter

179

00:06:45,570 --> 00:06:43,509

books and all that so we're actually

180

00:06:47,219 --> 00:06:45,580

gonna be talking about commander Cobra

181

00:06:49,770 --> 00:06:47,229

who was here last time okay didn't make

182

00:06:50,370 --> 00:06:49,780

it so he's on a secret mission yeah

183

00:06:51,719 --> 00:06:50,380

that's right

184

00:06:55,020 --> 00:06:51,729

I mean he's literally on a secret

185

00:06:58,110 --> 00:06:55,030

mission I know he is yeah so we are at

186

00:06:59,700 --> 00:06:58,120

some point gonna get him on and I'd like

187

00:07:01,860 --> 00:06:59,710

to I have a question I wanted to ask him

188

00:07:03,270 --> 00:07:01,870

to talk about and he he won't he won't

189

00:07:05,249 --> 00:07:03,280

even know what it's about well I'm sure

190

00:07:08,279 --> 00:07:05,259

he'll expound on it no Madeline no

191

00:07:11,309 --> 00:07:08,289

matter what so I asked the you two guys

192

00:07:14,999 --> 00:07:11,319

have you would check out that his video

193

00:07:17,010 --> 00:07:15,009

and of valois Elizondo it was George

194

00:07:20,640 --> 00:07:17,020

Knapp interviewed I looked at it and I

195

00:07:23,760 --> 00:07:20,650

didn't know who he was actually did yeah

196

00:07:25,020 --> 00:07:23,770

and I just wanted your what what did you

197

00:07:28,379 --> 00:07:25,030

think about some of the things you said

198

00:07:32,100 --> 00:07:28,389

about possibly 2019 there may be some

199

00:07:34,110 --> 00:07:32,110

really interesting things coming out I'm

200

00:07:36,990 --> 00:07:34,120

gonna lose you some some more

201
00:07:38,550 --> 00:07:37,000
subscribers as it turns out okay um I

202
00:07:40,680 --> 00:07:38,560
didn't believe what he was saying you

203
00:07:43,170 --> 00:07:40,690
know I mean I mean I'm not saying that

204
00:07:44,760 --> 00:07:43,180
he was lying but I just have to say yeah

205
00:07:46,890 --> 00:07:44,770
I worked in the PR business for ten

206
00:07:50,370 --> 00:07:46,900
years for General Electric and and also

207
00:07:51,959 --> 00:07:50,380
in a private peon for him yeah I know

208
00:07:53,730 --> 00:07:51,969
how to spin things I know spin when I

209
00:07:55,230 --> 00:07:53,740
hear it and I know when people are you

210
00:07:56,909 --> 00:07:55,240
know talking and they're not really

211
00:07:59,339 --> 00:07:56,919
saying saying and that's how I felt

212
00:08:01,170 --> 00:07:59,349
about him if you're gonna go on TV and

213
00:08:03,060 --> 00:08:01,180

Drudge nap I know him I don't know him

214

00:08:05,279 --> 00:08:03,070

but I've been on his show I've talked to

215

00:08:07,800 --> 00:08:05,289

him I know he's really into it you know

216

00:08:09,180 --> 00:08:07,810

he is someone who if we if wasn't for

217

00:08:14,339 --> 00:08:09,190

him we probably might have never heard

218

00:08:16,379 --> 00:08:14,349

of area 51 you know but you know if

219

00:08:17,939 --> 00:08:16,389

you're gonna go on TV you can't just say

220

00:08:19,499 --> 00:08:17,949

well you know what's coming and you know

221

00:08:22,080 --> 00:08:19,509

and this thing we have some tangibles

222

00:08:24,809 --> 00:08:22,090

and yeah lots of stuff why you want TV

223

00:08:28,200 --> 00:08:24,819

you don't tell us if not don't be on TV

224

00:08:31,140 --> 00:08:28,210

well I think he was we around him I

225

00:08:33,540 --> 00:08:31,150

think that you know George called him in

226

00:08:35,130 --> 00:08:33,550

to say you know what is coming up you

227

00:08:36,779 --> 00:08:35,140

know because and it's the reason and and

228

00:08:38,639 --> 00:08:36,789

lookat himself has actually talked about

229

00:08:40,319 --> 00:08:38,649

this and I got to meet him he's a he's a

230

00:08:42,600 --> 00:08:40,329

real nice guy he looks like a good guy

231

00:08:46,079 --> 00:08:42,610

and he knows his stuff but all I'm just

232

00:08:47,910 --> 00:08:46,089

saying is that if you have something to

233

00:08:49,500 --> 00:08:47,920

say say it yeah you know if you know

234

00:08:51,540 --> 00:08:49,510

something we don't know but here's that

235

00:08:52,050 --> 00:08:51,550

here's a saying it but it may be not

236

00:08:54,180 --> 00:08:52,060

authorized

237

00:08:57,420 --> 00:08:54,190

it's not goodbye that's what eyes my

238

00:08:58,650 --> 00:08:57,430

home well he is actually there are

239

00:09:00,510 --> 00:08:58,660

certain things that he can talk about

240

00:09:02,250 --> 00:09:00,520

but he has to get an okay to talk about

241

00:09:04,019 --> 00:09:02,260

it from home who does he have to get the

242

00:09:05,850 --> 00:09:04,029

inside where he was basically working

243

00:09:07,440 --> 00:09:05,860

before it's through the Pentagon still I

244

00:09:10,050 --> 00:09:07,450

don't believe that you don't believe

245

00:09:11,610 --> 00:09:10,060

that because the believe that he severed

246

00:09:13,620 --> 00:09:11,620

all his ties and it has nothing to do

247

00:09:17,610 --> 00:09:13,630

with him then why is he waiting for the

248

00:09:19,769 --> 00:09:17,620

authorization he he is saying he has

249

00:09:22,310 --> 00:09:19,779

gotten permission to release the things

250

00:09:25,410 --> 00:09:22,320

that has been released so far and

251

00:09:27,480 --> 00:09:25,420

there's more to come but it he wants to

252

00:09:29,460 --> 00:09:27,490

make sure things are very thorough this

253

00:09:31,110 --> 00:09:29,470

is that was his point he wants he

254

00:09:33,329 --> 00:09:31,120

doesn't want in he realizes that people

255

00:09:35,100 --> 00:09:33,339

are being impatient okay and that's why

256

00:09:38,940 --> 00:09:35,110

he was addressing it like I kiddie you

257

00:09:41,370 --> 00:09:38,950

on my side in this yes boom the people

258

00:09:42,930 --> 00:09:41,380

behind me people all I can say is that

259

00:09:45,060 --> 00:09:42,940

there are people we have them on our

260

00:09:47,010 --> 00:09:45,070

show okay and like I said I don't want

261

00:09:49,110 --> 00:09:47,020

to be the bucket of ice water here

262

00:09:51,570 --> 00:09:49,120

alright but the people who can't say

263

00:09:53,130 --> 00:09:51,580

anything don't say anything there's none

264

00:09:54,870 --> 00:09:53,140

of this partial authorization or

265

00:09:57,420 --> 00:09:54,880

anything and I'm talking about agent

266

00:09:59,310 --> 00:09:57,430

Xers on our show and even Cobra Cobra

267

00:10:00,690 --> 00:09:59,320

knows stuff that he cannot tell us if

268

00:10:02,250 --> 00:10:00,700

it's classified I don't care if you

269

00:10:10,170 --> 00:10:02,260

belong to the government or not you

270

00:10:11,670 --> 00:10:10,180

might have been knock on the door stay

271

00:10:13,650 --> 00:10:11,680

off a TV look what happened today Green

272

00:10:15,420 --> 00:10:13,660

Beret the guy now they're gonna you know

273

00:10:17,760 --> 00:10:15,430

boost on murder charges

274

00:10:19,260 --> 00:10:17,770

he killed the Taliban bomber anyone on

275

00:10:21,150 --> 00:10:19,270

Fox and he talked about it and that's

276

00:10:24,300 --> 00:10:21,160

when they started investing in him don't

277

00:10:27,150 --> 00:10:24,310

go on TV if once again we're on TV right

278

00:10:28,260 --> 00:10:27,160

now the body of a major solid credit

279

00:10:30,870 --> 00:10:28,270

building right we have a big

280

00:10:33,030 --> 00:10:30,880

announcement coming just right um he

281

00:10:34,829 --> 00:10:33,040

shouldn't well that big that big

282

00:10:39,090 --> 00:10:34,839

announcement coming I don't know if you

283

00:10:42,240 --> 00:10:39,100

remember this but last in 2017 early

284

00:10:43,500 --> 00:10:42,250

2017 Tom DeLonge kept saying you know we

285

00:10:45,240 --> 00:10:43,510

have a big announcement coming and

286

00:10:46,590 --> 00:10:45,250

everybody was like beside themselves

287

00:10:48,480 --> 00:10:46,600

they didn't want to hear that I so I

288

00:10:49,949 --> 00:10:48,490

understand what you're saying what was

289

00:10:51,990 --> 00:10:49,959

the big announcement well it ended up

290

00:10:53,910 --> 00:10:52,000

being what actually was released and

291

00:10:56,340 --> 00:10:53,920

actually did come out the ticked on you

292

00:10:58,829 --> 00:10:56,350

are the times to tick-tack UFO video and

293

00:11:00,390 --> 00:10:58,839

the whole yeah that's great I watched

294

00:11:02,850 --> 00:11:00,400

that and I said man this is really

295

00:11:04,620 --> 00:11:02,860

something not of this earth you know I

296

00:11:06,000 --> 00:11:04,630

don't yeah this is not a secret weapon

297

00:11:07,320 --> 00:11:06,010

well they all in fact

298

00:11:09,210 --> 00:11:07,330

the gimbal is when you're actually

299

00:11:10,890 --> 00:11:09,220

talking about I believe what they call a

300

00:11:13,650 --> 00:11:10,900

gimbal and I'll pull that up for the

301
00:11:16,470 --> 00:11:13,660
f-18 one I'll pull that up for people in

302
00:11:17,970 --> 00:11:16,480
the in the well I thought it would but

303
00:11:19,320 --> 00:11:17,980
I'm not getting the source but that just

304
00:11:21,330 --> 00:11:19,330
wouldn't be that wasn't something that

305
00:11:22,470 --> 00:11:21,340
you could look at and say yeah this is

306
00:11:24,960 --> 00:11:22,480
something that was made at the

307
00:11:26,640 --> 00:11:24,970
skunkworks or something it just it just

308
00:11:51,380 --> 00:11:26,650
looked out of this world

309
00:11:54,570 --> 00:11:51,390
yeah oh I think I got it here really I

310
00:11:57,270 --> 00:11:54,580
got a lot of out of what he said and

311
00:11:59,220 --> 00:11:57,280
that is and I want to talk to you about

312
00:12:03,630 --> 00:11:59,230
this Mac because you kind of you did

313
00:12:04,740 --> 00:12:03,640

wartime and UFOs in water he the

314

00:12:06,690 --> 00:12:04,750

statement he made I don't know if you

315

00:12:09,690 --> 00:12:06,700

caught this but he said there's a high

316

00:12:12,420 --> 00:12:09,700

volume of sightings when it has to do

317

00:12:13,290 --> 00:12:12,430

with military operations and I believe

318

00:12:16,860 --> 00:12:13,300

that's true uh-huh

319

00:12:19,110 --> 00:12:16,870

I do too yeah and and why why well we

320

00:12:21,000 --> 00:12:19,120

think it happen it's the the and that's

321

00:12:23,190 --> 00:12:21,010

like kind of the premise of UFOs in one

322

00:12:25,920 --> 00:12:23,200

time is that it just seemed like more

323

00:12:28,050 --> 00:12:25,930

people see UFOs on things in the sky

324

00:12:30,960 --> 00:12:28,060

during wartime so you think well why

325

00:12:32,520 --> 00:12:30,970

okay there are people flying around at

326

00:12:34,560 --> 00:12:32,530

this so they're literally more people in

327

00:12:35,790 --> 00:12:34,570

the ground looking up into the air there

328

00:12:36,990 --> 00:12:35,800

are more people in the air looking

329

00:12:39,450 --> 00:12:37,000

around you know and they're seeing

330

00:12:41,910 --> 00:12:39,460

strange things and I say this on a show

331

00:12:44,700 --> 00:12:41,920

all the time the best witnesses we have

332

00:12:47,310 --> 00:12:44,710

for UFOs are pilots yeah military pilots

333

00:12:50,550 --> 00:12:47,320

and airline pilots okay they see

334

00:12:53,340 --> 00:12:50,560

everything and they know when it's Venus

335

00:12:55,200 --> 00:12:53,350

they know when it's cloud inversion and

336

00:12:57,510 --> 00:12:55,210

they know when it's something that they

337

00:13:00,510 --> 00:12:57,520

can't explain okay those are the guys

338

00:13:02,430 --> 00:13:00,520

you kind of have to you know rely on in

339

00:13:04,230 --> 00:13:02,440

a lot and the problem is is that the

340

00:13:05,940 --> 00:13:04,240

military doesn't let them talk and you

341

00:13:08,310 --> 00:13:05,950

never hear them talking have you other

342

00:13:09,750 --> 00:13:08,320

than this f-18 pilot which was amazing

343

00:13:13,890 --> 00:13:09,760

because he put himself out to the press

344

00:13:16,130 --> 00:13:13,900

sure we could get my show bit yeah I

345

00:13:18,630 --> 00:13:16,140

know you the Navy Hampshire right yeah

346

00:13:19,120 --> 00:13:18,640

you did there's no I haven't can't

347

00:13:21,310 --> 00:13:19,130

remember

348

00:13:23,260 --> 00:13:21,320

any other fighter pilots coming out and

349

00:13:25,180 --> 00:13:23,270

saying I saw this our airline pilots

350

00:13:26,380 --> 00:13:25,190

they're always very reticent about what

351

00:13:28,480 --> 00:13:26,390

they saw because it affects their

352

00:13:31,150 --> 00:13:28,490

careers I've had about three or four

353

00:13:32,850 --> 00:13:31,160

military people called during my show

354

00:13:35,530 --> 00:13:32,860

and tell me that they had a military

355

00:13:37,570 --> 00:13:35,540

sighting uh-huh so I think a lot of

356

00:13:39,910 --> 00:13:37,580

people see have military settings and

357

00:13:42,250 --> 00:13:39,920

they're told by their higher-ups you

358

00:13:43,660 --> 00:13:42,260

know you lose your pension you don't

359

00:13:46,480 --> 00:13:43,670

talk about this a member of my family

360

00:13:47,680 --> 00:13:46,490

had a UFO saying in 1971 and that's what

361

00:13:49,990 --> 00:13:47,690

they were told they were put into these

362

00:13:51,370 --> 00:13:50,000

three guys saw a UFO while they were

363

00:13:53,980 --> 00:13:51,380

fixing a plane at 2:00 a.m. in the

364

00:13:56,050 --> 00:13:53,990

morning a child in aerospace they

365

00:13:59,200 --> 00:13:56,060

reported it this person told me is the

366

00:14:00,430 --> 00:13:59,210

worst thing they ever did and they were

367

00:14:01,630 --> 00:14:00,440

questioned for three days they weren't

368

00:14:03,220 --> 00:14:01,640

beaten up or anything there were

369

00:14:05,200 --> 00:14:03,230

questions same questions over and over

370

00:14:06,910 --> 00:14:05,210

and finally they signed the release

371

00:14:08,590 --> 00:14:06,920

saying we saw a re-entry vehicle in from

372

00:14:10,660 --> 00:14:08,600

Cape Canaveral and if you knew this

373

00:14:12,250 --> 00:14:10,670

person in the million years they they

374

00:14:15,160 --> 00:14:12,260

wouldn't even want to talk to you about

375

00:14:17,230 --> 00:14:15,170

your policy says but I saw something

376

00:14:19,480 --> 00:14:17,240

that was his experience that experience

377

00:14:20,680 --> 00:14:19,490

is probably times a million in the

378

00:14:22,180 --> 00:14:20,690

military so they will take that

379

00:14:25,750 --> 00:14:22,190

experience to their death

380

00:14:29,170 --> 00:14:25,760

he wouldn't Wow you wouldn't you know

381

00:14:31,120 --> 00:14:29,180

something do you think so do you think

382

00:14:33,910 --> 00:14:31,130

that for every military sighting would

383

00:14:37,270 --> 00:14:33,920

you guess that they say something like

384

00:14:39,700 --> 00:14:37,280

that you can't talk about this I think

385

00:14:41,980 --> 00:14:39,710

that if if you report it to your higher

386

00:14:43,540 --> 00:14:41,990

authority they're gonna tell you you

387

00:14:46,420 --> 00:14:43,550

can't talk about this now a lot of them

388

00:14:47,770 --> 00:14:46,430

are military exercises themselves so a

389

00:14:50,260 --> 00:14:47,780

lot of times they're saying that so you

390

00:14:51,940 --> 00:14:50,270

won't spill the beans on the new stealth

391

00:14:54,070 --> 00:14:51,950

fighter or something okay there's always

392

00:14:55,930 --> 00:14:54,080

that don't talk about things from a lot

393

00:14:57,340 --> 00:14:55,940

of space they don't want you to talk

394

00:14:58,930 --> 00:14:57,350

about it because military people are in

395

00:15:00,940 --> 00:14:58,940

a position sometimes to see stuff

396

00:15:02,470 --> 00:15:00,950

certainly if you work at it Nellis Air

397

00:15:04,360 --> 00:15:02,480

Force Base in Las Vegas or someplace

398

00:15:06,370 --> 00:15:04,370

you're gonna see stuff that they're

399

00:15:07,960 --> 00:15:06,380

gonna have to say you you can't tell

400

00:15:10,060 --> 00:15:07,970

anyone about this you know you know and

401

00:15:12,460 --> 00:15:10,070

most most officers have a security

402

00:15:14,800 --> 00:15:12,470

clearance all pilots have a security

403

00:15:16,150 --> 00:15:14,810

clearance in regular military people

404

00:15:18,700 --> 00:15:16,160

have a security clearance

405

00:15:22,120 --> 00:15:18,710

you had one yep I did while I was in

406

00:15:26,890 --> 00:15:22,130

anti-sub and in Cobra certainly y'all

407

00:15:29,079 --> 00:15:26,900

had one in has one so yeah so I want to

408

00:15:31,960 --> 00:15:29,089

talk about I don't know if any of you

409

00:15:32,960 --> 00:15:31,970

have watched her you must have heard

410

00:15:36,889 --> 00:15:32,970

about the Bob Lazar

411

00:15:39,650 --> 00:15:36,899

they do sure beat Jeremy Korbelt has put

412

00:15:44,929 --> 00:15:39,660

out there did you no no okay so I

413

00:15:48,829 --> 00:15:44,939

actually watch that and I've rented and

414

00:15:51,499 --> 00:15:48,839

watched it and I may lose a lot of

415

00:15:55,699 --> 00:15:51,509

listeners by saying this there's there's

416

00:15:59,119 --> 00:15:55,709

something I'm just not I just can't

417

00:16:01,040 --> 00:15:59,129

quite by mom I just can't and I want to

418

00:16:02,449 --> 00:16:01,050

say one thing - and this is maybe a

419

00:16:03,980 --> 00:16:02,459

little bit of a spoiler alert for

420

00:16:05,720 --> 00:16:03,990

someone that hasn't seen the movie and I

421

00:16:09,920 --> 00:16:05,730

apologize for that but movie is it

422

00:16:11,420 --> 00:16:09,930

it's called Lazar in let's see I'd have

423

00:16:14,600 --> 00:16:11,430

to Google right now what was a

424

00:16:18,980 --> 00:16:14,610

whistleblower from area 5000 basically

425

00:16:20,600 --> 00:16:18,990

and he put with Drudge nap so what area

426

00:16:22,639 --> 00:16:20,610

51 on the map right in the early

427

00:16:24,050 --> 00:16:22,649

eighties yeah so there are it's very

428

00:16:27,800 --> 00:16:24,060

curious that there are some things that

429

00:16:29,600 --> 00:16:27,810

he knew that that no one else knew at

430

00:16:33,170 --> 00:16:29,610

the time also there are some people that

431

00:16:36,920 --> 00:16:33,180

say they remember him and he was also in

432

00:16:38,860 --> 00:16:36,930

Los Alamos mm-hmm but I Renji Hobbs the

433

00:16:42,019 --> 00:16:38,870

thing that always comes to question is

434

00:16:44,329 --> 00:16:42,029

his his education you know he says he

435

00:16:46,670 --> 00:16:44,339

went to Caltech then he went to MIT

436

00:16:50,949 --> 00:16:46,680

right and as I was saying the spoiler

437

00:16:55,549 --> 00:16:50,959

alert is that they interview his mom and

438

00:16:57,319 --> 00:16:55,559

he he's never been able to show any

439

00:17:00,799 --> 00:16:57,329

evidence evidence that he went to MIT

440

00:17:02,749 --> 00:17:00,809

but no one asked his mom what did you

441

00:17:04,699 --> 00:17:02,759

think of your son going to MIT what does

442

00:17:06,579 --> 00:17:04,709

she say I said no one asked her that oh

443

00:17:08,689 --> 00:17:06,589

that's the first question I would ask

444

00:17:10,010 --> 00:17:08,699

before there's a reason that they didn't

445

00:17:11,569 --> 00:17:10,020

ask her then maybe they knew the answer

446

00:17:14,720 --> 00:17:11,579

but do you know what he does now or at

447

00:17:18,649 --> 00:17:14,730

least when I was in him in the second

448

00:17:25,100 --> 00:17:18,659

book I didn't call beyond area 51 okay

449

00:17:26,840 --> 00:17:25,110

and okay this is live TV yep

450

00:17:28,250 --> 00:17:26,850

I'm sorry I just heard the volume is too

451
00:17:32,120 --> 00:17:28,260
low we're gonna try to crank it this

452
00:17:36,380 --> 00:17:32,130
came in on the I apologize for that

453
00:17:39,260 --> 00:17:36,390
we will work on that now just our

454
00:17:41,060 --> 00:17:39,270
overall volume it's not good okay yeah

455
00:17:44,539 --> 00:17:41,070
we need to pipe it up a little bit pipe

456
00:17:46,850 --> 00:17:44,549
up the volume and I apologize to thank

457
00:17:49,130 --> 00:17:46,860
you the person in YouTube

458
00:17:51,440 --> 00:17:49,140
Hypnose for letting us know about the

459
00:17:52,700 --> 00:17:51,450
volume does that mean they didn't hear

460
00:17:55,430 --> 00:17:52,710
that my book is on the bestseller list

461
00:18:00,950 --> 00:17:55,440
not yeah and in here here's the thing

462
00:18:03,200 --> 00:18:00,960
and and renee up says this always in the

463
00:18:08,090 --> 00:18:03,210

chat thank you for being there

464

00:18:10,909 --> 00:18:08,100

renee but also george knapp totally

465

00:18:15,019 --> 00:18:10,919

believes in him iris I highly respect

466

00:18:19,100 --> 00:18:15,029

George Knapp right Jesus Oh in in

467

00:18:20,690 --> 00:18:19,110

nineteen and OH 2015 at least I know up

468

00:18:24,320 --> 00:18:20,700

and to that point you know what bob was

469

00:18:25,279 --> 00:18:24,330

always doing for a living do I know what

470

00:18:28,370 --> 00:18:25,289

he was doing for a living

471

00:18:31,789 --> 00:18:28,380

he was renting out a military pots

472

00:18:33,799 --> 00:18:31,799

company and selling pots to the Pentagon

473

00:18:36,710 --> 00:18:33,809

all right out of his I have an office

474

00:18:39,649 --> 00:18:36,720

okay he had a Pentagon contract now this

475

00:18:42,860 --> 00:18:39,659

is a guy who said that in area 51 they

476

00:18:45,289 --> 00:18:42,870

in a place nearby called is it s2 or s 4

477

00:18:48,880 --> 00:18:45,299

s 4 s 4 yep that there was a mountain

478

00:18:54,980 --> 00:18:48,890

nearby that had pieces of UFOs that had

479

00:18:56,960 --> 00:18:54,990

reconstructed UFOs yeah and and and he

480

00:18:59,480 --> 00:18:56,970

made all these wild claims okay at a

481

00:19:01,310 --> 00:18:59,490

place called Papoose Mountain now when I

482

00:19:04,700 --> 00:19:01,320

was like mostly yep

483

00:19:06,590 --> 00:19:04,710

and what somewhere I read along the way

484

00:19:10,340 --> 00:19:06,600

that this whole idea and we put this in

485

00:19:13,549 --> 00:19:10,350

the book is that the people at area 51

486

00:19:15,590 --> 00:19:13,559

they test secret airplanes things that

487

00:19:17,450 --> 00:19:15,600

we nine out of 10 of them we will never

488

00:19:19,490 --> 00:19:17,460

see but they have to put him out on the

489

00:19:21,649 --> 00:19:19,500

runway and the Russian satellites

490

00:19:23,120 --> 00:19:21,659

Chinese cell as we grew over and they

491

00:19:24,470 --> 00:19:23,130

knew when they were coming over so they

492

00:19:26,659 --> 00:19:24,480

would test it and then they would have

493

00:19:28,789 --> 00:19:26,669

to schlep the plane back into the hangar

494

00:19:30,440 --> 00:19:28,799

we cut the satellite to go over yeah and

495

00:19:33,529 --> 00:19:30,450

then pull it out again and it was like a

496

00:19:35,000 --> 00:19:33,539

two-hour thing they had to do so they

497

00:19:37,070 --> 00:19:35,010

said if we could only get the Russian

498

00:19:39,950 --> 00:19:37,080

satellites not to go over so frequently

499

00:19:42,220 --> 00:19:39,960

it would help us so Bob was I went out

500

00:19:44,840 --> 00:19:42,230

and he did this story about how the real

501
00:19:47,360 --> 00:19:44,850
hot stuff was happening at boost Lake

502
00:19:49,460 --> 00:19:47,370
which is like 100 miles or 70 miles to

503
00:19:51,289 --> 00:19:49,470
the south of them and the Russians

504
00:19:52,760 --> 00:19:51,299
redirected their satellites there two

505
00:19:55,070 --> 00:19:52,770
days a week and it gave the guys the

506
00:19:57,409 --> 00:19:55,080
area 51 a break so you saying is that

507
00:19:59,510 --> 00:19:57,419
disinformation yes absolutely

508
00:20:01,340 --> 00:19:59,520
Wow what's he doing now if he

509
00:20:03,740 --> 00:20:01,350
a real whistleblower yeah he actually

510
00:20:05,960 --> 00:20:03,750
worked there there's no way he would get

511
00:20:09,770 --> 00:20:05,970
a defense contract he would have to pass

512
00:20:11,690 --> 00:20:09,780
a security test that's another thing he

513
00:20:15,020 --> 00:20:11,700

says all the time that he does these

514

00:20:17,390 --> 00:20:15,030

interviews for insurance and what do you

515

00:20:19,040 --> 00:20:17,400

think of that I mean give me so no one

516

00:20:20,990 --> 00:20:19,050

likes anthem I guess yeah

517

00:20:22,220 --> 00:20:21,000

yeah sounds great you know and it just

518

00:20:23,960 --> 00:20:22,230

adds to the story but I've also been

519

00:20:25,280 --> 00:20:23,970

told that when he was doing story and

520

00:20:27,890 --> 00:20:25,290

when he was doing interviews back then

521

00:20:29,300 --> 00:20:27,900

there were two like mysterious lawyers

522

00:20:30,770 --> 00:20:29,310

with him that would literally sit on the

523

00:20:33,290 --> 00:20:30,780

couch on either side of him and tell him

524

00:20:34,850 --> 00:20:33,300

what to say all right now if I was about

525

00:20:36,680 --> 00:20:34,860

a life yeah I mean yeah if you sitting

526
00:20:38,480 --> 00:20:36,690
something like this up someone say any

527
00:20:41,510 --> 00:20:38,490
of it puts two lawyers in there to make

528
00:20:43,640 --> 00:20:41,520
it really look alright so I'm just gonna

529
00:20:45,320 --> 00:20:43,650
ask up on the chat room if anyone wants

530
00:20:47,900 --> 00:20:45,330
to chime in what their thoughts are on

531
00:20:50,090 --> 00:20:47,910
on Bob Lazar if anyone actually watched

532
00:20:51,140 --> 00:20:50,100
the movie I did watch the movie there

533
00:20:53,180 --> 00:20:51,150
were a couple things that were

534
00:20:55,280 --> 00:20:53,190
convincing but I felt like a I have to

535
00:20:58,310 --> 00:20:55,290
say I felt like I was being forced to be

536
00:21:00,380 --> 00:20:58,320
convinced of these things and that's is

537
00:21:02,420 --> 00:21:00,390
a movie he did or somebody it was a

538
00:21:03,800 --> 00:21:02,430

documentary done about him and they left

539

00:21:05,870 --> 00:21:03,810

they had a lot of past clips you know

540

00:21:08,270 --> 00:21:05,880

back from 1989 when he first came out

541

00:21:10,850 --> 00:21:08,280

with everything and when he first posed

542

00:21:12,920 --> 00:21:10,860

as Dennis anonymously in a front of an

543

00:21:14,390 --> 00:21:12,930

SUV and taped stuff like that right and

544

00:21:15,920 --> 00:21:14,400

then there's some controversy he was

545

00:21:17,240 --> 00:21:15,930

supposed to go to Japan and someone in

546

00:21:18,830 --> 00:21:17,250

Japan was gonna pay him a lot of money

547

00:21:21,050 --> 00:21:18,840

to do a lot of hey you know interviews

548

00:21:24,470 --> 00:21:21,060

over there cuz UFOs are very popular

549

00:21:26,480 --> 00:21:24,480

over there and he was almost like become

550

00:21:28,010 --> 00:21:26,490

a media celebrity oh yes Hansol did the

551
00:21:30,110 --> 00:21:28,020
last moment or something and that was

552
00:21:33,320 --> 00:21:30,120
also pretty odd because I could see

553
00:21:35,000 --> 00:21:33,330
someone saying well you know you can go

554
00:21:36,320 --> 00:21:35,010
in the press and give free interviews

555
00:21:38,120 --> 00:21:36,330
but if he's not getting paid for this

556
00:21:42,230 --> 00:21:38,130
and we get caught in it this information

557
00:21:44,330 --> 00:21:42,240
community bad so there was that too you

558
00:21:47,570 --> 00:21:44,340
know so so do you think because he was

559
00:21:49,130 --> 00:21:47,580
he was paid as a defense contractor do

560
00:21:52,430 --> 00:21:49,140
you think he was actually hired as a

561
00:21:55,010 --> 00:21:52,440
defense contractor to do this well that

562
00:21:58,130 --> 00:21:55,020
I don't know but what I'm saying is he

563
00:22:01,610 --> 00:21:58,140

is or he was as of 2015 a defense

564

00:22:04,010 --> 00:22:01,620

contractor and I know that if he was who

565

00:22:06,170 --> 00:22:04,020

he said he was in 1989 to drug that

566

00:22:08,600 --> 00:22:06,180

basically a whistleblower and all this

567

00:22:10,490 --> 00:22:08,610

crazy stuff was happening area 51 and s4

568

00:22:13,310 --> 00:22:10,500

there's no way he would get that

569

00:22:14,750 --> 00:22:13,320

clearance in fact you you you come I am

570

00:22:16,910 --> 00:22:14,760

and they brag about it they'll be

571

00:22:18,830 --> 00:22:16,920

they'll be like a number we have passed

572

00:22:20,360 --> 00:22:18,840

a certain number and that means that we

573

00:22:22,370 --> 00:22:20,370

can work for the Defense Department you

574

00:22:24,320 --> 00:22:22,380

see him a new report all the time he had

575

00:22:26,390 --> 00:22:24,330

one of those and to get those you have

576
00:22:28,220 --> 00:22:26,400
to go through a security check to make

577
00:22:30,290 --> 00:22:28,230
sure yeah you're not shipping the pies

578
00:22:32,540 --> 00:22:30,300
to Russia or whatever you know so if he

579
00:22:34,670 --> 00:22:32,550
was actually blabbing on the government

580
00:22:36,080 --> 00:22:34,680
basically a secret program he would not

581
00:22:37,850 --> 00:22:36,090
have been able to get that security

582
00:22:39,860 --> 00:22:37,860
clearance not in a million use in my

583
00:22:41,390 --> 00:22:39,870
opinion yeah I can I can definitely say

584
00:22:42,980 --> 00:22:41,400
I don't that one do you think that

585
00:22:44,840 --> 00:22:42,990
anyone any kind of a risk like that

586
00:22:45,880 --> 00:22:44,850
would get a security clearance you can't

587
00:22:50,090 --> 00:22:45,890
talk about it

588
00:22:52,970 --> 00:22:50,100

it's classified yeah as they saved my

589

00:22:55,340 --> 00:22:52,980

butt would be grass yeah kid what do you

590

00:22:58,580 --> 00:22:55,350

think no way right no wind especially

591

00:22:59,750 --> 00:22:58,590

one one see hey hey yeah it's nice life

592

00:23:04,100 --> 00:22:59,760

in danger or anything like that

593

00:23:05,450 --> 00:23:04,110

Lazar no I don't think so but he would

594

00:23:07,160 --> 00:23:05,460

hit in the book who's gonna who's gonna

595

00:23:08,690 --> 00:23:07,170

kill his life on the down-low now

596

00:23:11,690 --> 00:23:08,700

because of all those who would who would

597

00:23:13,370 --> 00:23:11,700

know a murder him but what's the upside

598

00:23:18,050 --> 00:23:13,380

of murder and Bob Lazar there isn't one

599

00:23:20,120 --> 00:23:18,060

because none of it ever and I'll say

600

00:23:21,590 --> 00:23:20,130

this again and then you can talk for now

601
00:23:23,060 --> 00:23:21,600
he gets thrown in the van he gets beaten

602
00:23:25,280 --> 00:23:23,070
up and then gets dropped off something

603
00:23:28,700 --> 00:23:25,290
yes that would be that would add to this

604
00:23:31,610 --> 00:23:28,710
story if if they had reconstructed UFOs

605
00:23:33,710 --> 00:23:31,620
at s4 or if they had any kind of UFOs

606
00:23:35,270 --> 00:23:33,720
anywhere the US military and they were

607
00:23:37,010 --> 00:23:35,280
able to re-engineer him which people

608
00:23:38,840 --> 00:23:37,020
always say we would not be living in

609
00:23:40,730 --> 00:23:38,850
this world I say this over and over

610
00:23:43,040 --> 00:23:40,740
again we if we had some kind of an

611
00:23:44,990 --> 00:23:43,050
antigravity device that we got from a

612
00:23:47,630 --> 00:23:45,000
UFO you wouldn't have launched the Space

613
00:23:49,520 --> 00:23:47,640

Shuttle for 20 years for billions of

614

00:23:51,920 --> 00:23:49,530

dollars like throwing and launching a

615

00:23:53,900 --> 00:23:51,930

dump truck I mean really yeah you would

616

00:23:55,670 --> 00:23:53,910

you would not go through out home well

617

00:23:59,720 --> 00:23:55,680

according you know he had this element

618

00:24:02,150 --> 00:23:59,730

151 supposedly and it's very aloof it

619

00:24:04,340 --> 00:24:02,160

just lasts for you know fraction of a

620

00:24:08,090 --> 00:24:04,350

second or something like that but also

621

00:24:10,190 --> 00:24:08,100

he does say in his and his progress of

622

00:24:12,620 --> 00:24:10,200

trying to back engineer these things he

623

00:24:14,750 --> 00:24:12,630

was not he was not able to it was not

624

00:24:17,240 --> 00:24:14,760

able to be done okay and which I

625

00:24:19,460 --> 00:24:17,250

actually think if alien craft actually

626
00:24:21,200 --> 00:24:19,470
landed here and crashed here whatever I

627
00:24:22,850 --> 00:24:21,210
would think that would be a very big

628
00:24:25,550 --> 00:24:22,860
possibility they couldn't be reversed

629
00:24:26,899 --> 00:24:25,560
engineered but we but they would know

630
00:24:28,489 --> 00:24:26,909
they would get something

631
00:24:30,379 --> 00:24:28,499
from it and number one what they would

632
00:24:31,700 --> 00:24:30,389
do is the Space Shuttle would be you

633
00:24:34,369 --> 00:24:31,710
know if he shaped like a big flying

634
00:24:36,399 --> 00:24:34,379
saucer because obviously that's the you

635
00:24:38,839 --> 00:24:36,409
know that's the shape to use when you're

636
00:24:41,210 --> 00:24:38,849
traveling in space or interstellar space

637
00:24:42,799 --> 00:24:41,220
or something I just don't think we would

638
00:24:46,339 --> 00:24:42,809

be living in this world if our

639

00:24:48,799 --> 00:24:46,349

government knew or anyone on earth knew

640

00:24:52,249 --> 00:24:48,809

what UFOs are where they come from what

641

00:24:56,029 --> 00:24:52,259

they're made of right kid yep it's all a

642

00:24:57,700 --> 00:24:56,039

big secret see the kid knows he's still

643

00:25:05,330 --> 00:24:57,710

scares me like a kid have a clearance

644

00:25:07,580 --> 00:25:05,340

dare you Wow he's got these dark glasses

645

00:25:09,589 --> 00:25:07,590

on and he took him off for just a second

646

00:25:11,239 --> 00:25:09,599

to Santa hat on though that's he has to

647

00:25:14,779 --> 00:25:11,249

the black eye kid has to keep his

648

00:25:17,509 --> 00:25:14,789

identity a secret just like Batman Wow

649

00:25:19,399 --> 00:25:17,519

yeah yeah we got about a minute

650

00:25:22,099 --> 00:25:19,409

min and a half two minutes till them to

651
00:25:24,249 --> 00:25:22,109
break and so in that just to let

652
00:25:26,960 --> 00:25:24,259
everyone know we're gonna take calls

653
00:25:29,269 --> 00:25:26,970
fairly soon in the show but we're first

654
00:25:31,940 --> 00:25:29,279
of all we're gonna get a hold of switch

655
00:25:33,919 --> 00:25:31,950
plays which plays Deepwood yeah and the

656
00:25:35,930 --> 00:25:33,929
Cobras out there someplace too so I

657
00:25:37,820 --> 00:25:35,940
think we should when we come back after

658
00:25:40,219 --> 00:25:37,830
the break I think we should we should do

659
00:25:43,549 --> 00:25:40,229
that but during the break we got a we're

660
00:25:46,519 --> 00:25:43,559
gonna if anyone in YouTube wants to put

661
00:25:49,279 --> 00:25:46,529
out in chatroom a topic for us to talk

662
00:25:52,009 --> 00:25:49,289
about during our break have at it

663
00:25:53,869 --> 00:25:52,019

how are we done with Bob Lazar yeah and

664

00:25:55,759 --> 00:25:53,879

we also have ten questions for one one

665

00:25:58,039 --> 00:25:55,769

the Christmas edition now we do this on

666

00:25:59,570 --> 00:25:58,049

a show where it started about six months

667

00:26:01,430 --> 00:25:59,580

ago where we had to kill some time so we

668

00:26:03,139 --> 00:26:01,440

asked him ten questions now we have

669

00:26:04,339 --> 00:26:03,149

celebrities call in and ask him ten

670

00:26:06,080 --> 00:26:04,349

questions and there's the Christmas

671

00:26:08,960 --> 00:26:06,090

edition he was excited about as you can

672

00:26:11,239 --> 00:26:08,970

see right yeah he's he looks looks

673

00:26:15,830 --> 00:26:11,249

really made sport of on a regular basis

674

00:26:17,659 --> 00:26:15,840

so I know well getting back getting back

675

00:26:20,450 --> 00:26:17,669

out because we just have a little bit of

676
00:26:23,810 --> 00:26:20,460
time left here getting back to Bob Lazar

677
00:26:26,629 --> 00:26:23,820
I I'm gonna say that I'm not a hundred

678
00:26:28,249 --> 00:26:26,639
percent sure either way you know I've

679
00:26:30,219 --> 00:26:28,259
always been on the fence about it but I

680
00:26:32,419 --> 00:26:30,229
got to tell you what you said tonight

681
00:26:35,930 --> 00:26:32,429
seems to make a lot of sense to me

682
00:26:37,789 --> 00:26:35,940
Cobra was is a big disinformation fan

683
00:26:39,979 --> 00:26:37,799
let's say okay and and he was

684
00:26:42,049 --> 00:26:39,989
involved in stuff like this and and all

685
00:26:43,789 --> 00:26:42,059
you have to do is just I don't say all

686
00:26:45,619 --> 00:26:43,799
you have to do but if you if you just

687
00:26:48,590 --> 00:26:45,629
have a knowledge about this and this

688
00:26:51,440 --> 00:26:48,600

information works you can tick down the

689

00:26:54,169 --> 00:26:51,450

whole Bob Lazar story really up until he

690

00:26:56,149 --> 00:26:54,179

was supposed to go to Japan you know and

691

00:26:57,710 --> 00:26:56,159

all of a sudden they didn't want to take

692

00:26:59,419 --> 00:26:57,720

money far there was like a lot of money

693

00:27:00,680 --> 00:26:59,429

he's like a million dollars in 1990 or

694

00:27:02,899 --> 00:27:00,690

something I might have the figures wrong

695

00:27:05,930 --> 00:27:02,909

I don't know but that seems where

696

00:27:09,350 --> 00:27:05,940

everything kind of went sideways well

697

00:27:12,259 --> 00:27:09,360

okay well we are going to break now so

698

00:27:14,749 --> 00:27:12,269

hang in everyone over at kg are a radio

699

00:27:17,419 --> 00:27:14,759

we'll be back in a few minutes and my

700

00:27:20,119 --> 00:27:17,429

guests are Mac Maloney and one one and a

701
00:27:21,529 --> 00:27:20,129
black eyed kiddo and then we'll be

702
00:27:25,570 --> 00:27:21,539
active be back right after these

703
00:27:32,629 --> 00:27:29,330
all right we're clear pardon yep

704
00:27:35,359 --> 00:27:32,639
four minutes and 20 seconds ray all

705
00:27:41,359 --> 00:27:35,369
right all right start a timer okay so

706
00:27:44,570 --> 00:27:41,369
let's see in the know we're all set now

707
00:27:46,999 --> 00:27:44,580
yeah someone in the chat room wants to

708
00:27:50,359 --> 00:27:47,009
know why isn't that gimbal video being

709
00:27:53,690 --> 00:27:50,369
talked about more it's a good question I

710
00:27:57,049 --> 00:27:53,700
mean when I saw it I saw it on ABC Good

711
00:28:01,070 --> 00:27:57,059
Morning America okay and it was the day

712
00:28:03,139 --> 00:28:01,080
that the new Star Wars came out ABC is

713
00:28:06,529 --> 00:28:03,149

this really sounds conspiratorial but

714

00:28:07,879 --> 00:28:06,539

ABC's owned by Walt Disney and they

715

00:28:10,159 --> 00:28:07,889

showed it and I remember just sitting

716

00:28:13,700 --> 00:28:10,169

this and you know as I said before look

717

00:28:15,710 --> 00:28:13,710

at this thing this is not this is not a

718

00:28:19,849 --> 00:28:15,720

what this is not of this earth thing and

719

00:28:21,590 --> 00:28:19,859

just tell and there's a flurry of

720

00:28:26,019 --> 00:28:21,600

activity around me what do we know we're

721

00:28:31,430 --> 00:28:29,359

are we yeah we're supposed to be on well

722

00:28:32,539 --> 00:28:31,440

we run run you have a better move that

723

00:28:35,450 --> 00:28:32,549

back up okay

724

00:28:36,909 --> 00:28:35,460

so anyway so the woman after they after

725

00:28:40,190 --> 00:28:36,919

they saw the video

726

00:28:42,080 --> 00:28:40,200

the woman newscaster said I think it's

727

00:28:43,820 --> 00:28:42,090

the Millennium Falcon and everyone left

728

00:28:47,090 --> 00:28:43,830

and then they went to a commercial and I

729

00:28:49,789 --> 00:28:47,100

said Wow Disney owns ABC here's the ABC

730

00:28:51,280 --> 00:28:49,799

commentator bringing up the spaceship in

731

00:28:52,870 --> 00:28:51,290

the Star Wars movie

732

00:28:55,330 --> 00:28:52,880

and we've just seen this incredible

733

00:28:56,590 --> 00:28:55,340

piece of footage you know and people

734

00:28:59,290 --> 00:28:56,600

talked about it but then it went away

735

00:29:01,570 --> 00:28:59,300

yeah and it really bothered well because

736

00:29:04,480 --> 00:29:01,580

that was really yeah I think a good

737

00:29:06,520 --> 00:29:04,490

answer to that question is all news

738

00:29:09,070 --> 00:29:06,530

right now seems to be going away really

739

00:29:11,080 --> 00:29:09,080

fast yep I agree it's a the political

740

00:29:13,780 --> 00:29:11,090

news in this country is like taking over

741

00:29:14,230 --> 00:29:13,790

and and then major stories are gone just

742

00:29:16,300 --> 00:29:14,240

like that

743

00:29:18,880 --> 00:29:16,310

very federal depends on you know what

744

00:29:20,890 --> 00:29:18,890

the you know what the half-life of a

745

00:29:22,180 --> 00:29:20,900

story is you know and if something and

746

00:29:24,640 --> 00:29:22,190

I'm sure something happened later that

747

00:29:25,990 --> 00:29:24,650

day or the next day and the UFO thing

748

00:29:27,520 --> 00:29:26,000

you know of a sudden you know half the

749

00:29:29,320 --> 00:29:27,530

coverage is gone and then it dissipates

750

00:29:31,990 --> 00:29:29,330

but I will say one thing in that Navy

751
00:29:34,540 --> 00:29:32,000
pilot he's from New Hampshire yeah Hiep

752
00:29:37,180 --> 00:29:34,550
Dave what I'm selling every to everybody

753
00:29:39,130 --> 00:29:37,190
he did he did the media circuit and and

754
00:29:41,950 --> 00:29:39,140
just think about that have you ever seen

755
00:29:44,140 --> 00:29:41,960
a military pilot actually sit down to

756
00:29:46,120 --> 00:29:44,150
all these talk shows but he did it but

757
00:29:49,660 --> 00:29:46,130
for whatever reason it just didn't

758
00:29:50,500 --> 00:29:49,670
resonate to a country that loves UFOs it

759
00:29:53,350 --> 00:29:50,510
doesn't make sense

760
00:29:56,080 --> 00:29:53,360
David flavor was his name now we have a

761
00:29:59,230 --> 00:29:56,090
I think a very good question in the chat

762
00:30:01,900 --> 00:29:59,240
room and what do you guys think about

763
00:30:04,480 --> 00:30:01,910

Trump's space force and why is it put

764

00:30:07,120 --> 00:30:04,490

him to like my politics on the show all

765

00:30:09,760 --> 00:30:07,130

right let me rephrase that what do you

766

00:30:11,650 --> 00:30:09,770

think about the space force it's a waste

767

00:30:14,380 --> 00:30:11,660

of time and money and it's a publicity

768

00:30:17,050 --> 00:30:14,390

stunt and and and I'll just say this

769

00:30:18,220 --> 00:30:17,060

okay with these people and and there are

770

00:30:19,870 --> 00:30:18,230

friends of mine who are so into

771

00:30:23,020 --> 00:30:19,880

disclosure and they have tattoos

772

00:30:26,110 --> 00:30:23,030

disclosure okay and I am too it didn't

773

00:30:27,850 --> 00:30:26,120

work with Obama I really kind of got

774

00:30:29,710 --> 00:30:27,860

thinking caps on now for a second I've

775

00:30:33,040 --> 00:30:29,720

said this before if there was ever

776

00:30:35,830 --> 00:30:33,050

someone who resided at 1600 Pennsylvania

777

00:30:38,230 --> 00:30:35,840

Avenue who if they had the secret to

778

00:30:39,880 --> 00:30:38,240

your throws wouldn't tweet about it it

779

00:30:43,420 --> 00:30:39,890

would be the current resident

780

00:30:45,460 --> 00:30:43,430

yeah he has not done it therefore it

781

00:30:47,920 --> 00:30:45,470

either doesn't exist or he was not dwelt

782

00:30:50,190 --> 00:30:47,930

on it okay he's probably I would say

783

00:30:53,620 --> 00:30:50,200

he's probably not briefed on it and

784

00:30:56,740 --> 00:30:53,630

there there's a because I did speak with

785

00:30:59,200 --> 00:30:56,750

Chris Mellon DoD and he he knew how

786

00:31:00,670 --> 00:30:59,210

those things work and he said that if

787

00:31:03,250 --> 00:31:00,680

the president asked for something you

788

00:31:04,780 --> 00:31:03,260

have to tell him but he said the way

789

00:31:06,520 --> 00:31:04,790

around it is is to

790

00:31:09,190 --> 00:31:06,530

privatize whatever it is looking into

791

00:31:11,740 --> 00:31:09,200

that I'll give you a great example we

792

00:31:13,930 --> 00:31:11,750

have 30 we have about a minute just okay

793

00:31:16,330 --> 00:31:13,940

during the 1970 Richard Nixon was doing

794

00:31:18,940 --> 00:31:16,340

a tour the San Diego Navy Yard and the

795

00:31:21,550 --> 00:31:18,950

Glomar Explorer was docked there now was

796

00:31:23,410 --> 00:31:21,560

the ship that Howard Hughes built with

797

00:31:24,880 --> 00:31:23,420

the CIA that had big Claire on it

798

00:31:26,320 --> 00:31:24,890

because they knew where a Russian

799

00:31:27,670 --> 00:31:26,330

submarine had sunk and they went out in

800

00:31:29,350 --> 00:31:27,680

the Pacific and the claw went down and

801
00:31:31,720 --> 00:31:29,360
picked up the submarine it sounds like

802
00:31:33,280 --> 00:31:31,730
James Bond but it happened Richard Nixon

803
00:31:35,620 --> 00:31:33,290
said that's an interesting ship could I

804
00:31:38,080 --> 00:31:35,630
tore that and they told him no because

805
00:31:40,450 --> 00:31:38,090
it was a classified operation for the

806
00:31:42,280 --> 00:31:40,460
CIA CIA along going things something

807
00:31:43,930 --> 00:31:42,290
that would go more than 88 years he

808
00:31:45,940 --> 00:31:43,940
would be in office that's the excuse

809
00:31:48,100 --> 00:31:45,950
they gave well and he did not tour the

810
00:31:49,360 --> 00:31:48,110
book so presidents that I l've heard

811
00:31:51,280 --> 00:31:49,370
that you know if they ask you know how

812
00:31:57,160 --> 00:31:51,290
many people licorice and Poland you have

813
00:31:59,220 --> 00:31:57,170

to tell him where race where a race he's

814

00:32:01,510 --> 00:31:59,230

gone

815

00:32:05,530 --> 00:32:01,520

hurry we're ready to go back when you

816

00:32:09,130 --> 00:32:05,540

are we've got about 15 seconds before

817

00:32:13,840 --> 00:32:09,140

proper oh really okay well I my timer is

818

00:32:17,350 --> 00:32:13,850

up to for almost five minutes okay so

819

00:32:19,000 --> 00:32:17,360

yeah we're coming right back on and when

820

00:32:22,240 --> 00:32:19,010

we come back on let's get switchblade on

821

00:32:26,110 --> 00:32:22,250

or Cobra someone and we need

822

00:32:28,720 --> 00:32:26,120

conversation just Britta race just

823

00:32:31,540 --> 00:32:28,730

break-in and if we're talking - count us

824

00:32:36,120 --> 00:32:31,550

down you're ready to go we're ready five

825

00:32:39,430 --> 00:32:36,130

four three two

826

00:32:41,290 --> 00:32:39,440

alright everyone welcome back and this

827

00:32:45,070 --> 00:32:41,300

is Martin Willis and I my guests tonight

828

00:32:47,920 --> 00:32:45,080

are Mac Maloney we have one one and the

829

00:32:50,740 --> 00:32:47,930

black eyed child like a kid is here yeah

830

00:32:53,740 --> 00:32:50,750

okay all right let's explain well

831

00:32:55,690 --> 00:32:53,750

behaved and and he's off camera for

832

00:32:58,390 --> 00:32:55,700

those in YouTube and I don't see anyone

833

00:33:00,250 --> 00:32:58,400

yelling about it yet my kids are this

834

00:33:03,160 --> 00:33:00,260

phenomena where kids show up at your

835

00:33:05,140 --> 00:33:03,170

front door usually and they're out there

836

00:33:07,750 --> 00:33:05,150

wearing old old clothes and they're kind

837

00:33:09,820 --> 00:33:07,760

of unkempt and they act like something

838

00:33:11,620 --> 00:33:09,830

out of a Dickens novel right but they

839

00:33:13,420 --> 00:33:11,630

have black eyes and if you let them in

840

00:33:14,710 --> 00:33:13,430

your house either you go crazy or they

841

00:33:18,190 --> 00:33:14,720

eat you what is it their kid you

842

00:33:20,170 --> 00:33:18,200

wouldn't know yeah both both yeah

843

00:33:22,180 --> 00:33:20,180

you see so it's it's don't let them in

844

00:33:27,640 --> 00:33:22,190

your house they warm up to you that you

845

00:33:30,370 --> 00:33:27,650

let them in and I have to I'm gonna tell

846

00:33:33,160 --> 00:33:30,380

a little point hypnose says in the chat

847

00:33:35,320 --> 00:33:33,170

room does it make sense for a military

848

00:33:38,110 --> 00:33:35,330

state like the u.s. not to have any

849

00:33:40,240 --> 00:33:38,120

liftoff capacity ie no access to space

850

00:33:45,820 --> 00:33:40,250

that's not the point no but we do have a

851
00:33:48,580 --> 00:33:45,830
liftoff capacity we have a a a miniature

852
00:33:50,050 --> 00:33:48,590
Space Shuttle called the x-37 and if

853
00:33:51,550 --> 00:33:50,060
you've seen this thing it literally

854
00:33:54,970 --> 00:33:51,560
looks like a space shuttle that's been

855
00:33:57,070 --> 00:33:54,980
shrunk down to about 25% size this thing

856
00:33:59,140 --> 00:33:57,080
is a robot it goes up in orbit and then

857
00:34:00,970 --> 00:33:59,150
just broke a record about a year ago

858
00:34:02,400 --> 00:34:00,980
KOCO knows all about this where it was

859
00:34:06,010 --> 00:34:02,410
in a little bit for more than a year

860
00:34:07,540 --> 00:34:06,020
this thing can bring up anything that

861
00:34:10,300 --> 00:34:07,550
they would need to fight in orbit I'm

862
00:34:11,590 --> 00:34:10,310
gonna um I'm going to guess that this

863
00:34:15,310 --> 00:34:11,600

thing could bring it up in it it can

864

00:34:16,960 --> 00:34:15,320

also be Manticore is convinced that it

865

00:34:19,900 --> 00:34:16,970

can also be adapted very quickly to

866

00:34:22,180 --> 00:34:19,910

carry humans into outer space so we do

867

00:34:23,890 --> 00:34:22,190

have a lift capacity and but the whole

868

00:34:25,480 --> 00:34:23,900

idea that we're using the Russians to

869

00:34:27,310 --> 00:34:25,490

lift us up to the space station is

870

00:34:29,050 --> 00:34:27,320

really crazy but would it be paying

871

00:34:31,660 --> 00:34:29,060

that's a politics thing they pay them

872

00:34:34,360 --> 00:34:31,670

thirty million dollars on lunch 30

873

00:34:36,970 --> 00:34:34,370

million won and you know with that that

874

00:34:39,220 --> 00:34:36,980

issue of the last launch you know that

875

00:34:40,300 --> 00:34:39,230

makes it even tougher yeah but I think

876

00:34:42,610 --> 00:34:40,310

you're gonna see a lot of changes in

877

00:34:45,250 --> 00:34:42,620

their private eyes you know well grams

878

00:34:47,740 --> 00:34:45,260

in NASA is also has a new capsule that

879

00:34:50,560 --> 00:34:47,750

is supposed to be working next year on

880

00:34:52,120 --> 00:34:50,570

the following year where it's a if you

881

00:34:53,620 --> 00:34:52,130

remember what the Apollo capsule look

882

00:34:55,840 --> 00:34:53,630

like it looked like kind of a big round

883

00:34:57,880 --> 00:34:55,850

of death triangle or like a gumdrop it's

884

00:35:00,190 --> 00:34:57,890

all yeah it's it's a bigger version of

885

00:35:01,990 --> 00:35:00,200

that yeah which can bring I think four

886

00:35:03,610 --> 00:35:02,000

or five people up to space up to the

887

00:35:05,680 --> 00:35:03,620

space station up in orbit and that's the

888

00:35:07,600 --> 00:35:05,690

NASA is actually gonna stop watching

889

00:35:09,790 --> 00:35:07,610

that thing pretty soon in as you say

890

00:35:11,800 --> 00:35:09,800

privatized you know let's face it it's

891

00:35:12,850 --> 00:35:11,810

gonna be in 10-15 years it's all gonna

892

00:35:15,970 --> 00:35:12,860

be private and that's the way it should

893

00:35:17,440 --> 00:35:15,980

be when the government gets involved you

894

00:35:21,160 --> 00:35:17,450

know it doesn't always go right you know

895

00:35:23,050 --> 00:35:21,170

yeah the real profit margin to it there

896

00:35:24,760 --> 00:35:23,060

was an article in USA Today I just

897

00:35:28,810 --> 00:35:24,770

happened to notice in a restaurant and

898

00:35:31,490 --> 00:35:28,820

it said up are our Earthlings gonna

899

00:35:35,060 --> 00:35:31,500

trash Mars like they have earth yeah

900

00:35:37,580 --> 00:35:35,070

Illi believe what do you say Oh ever

901
00:35:39,620 --> 00:35:37,590
seen this yes yes yes you foresee this

902
00:35:41,150 --> 00:35:39,630
yeah of course they're gonna trash my

903
00:35:43,100 --> 00:35:41,160
eyes I mean they've trash to the earth

904
00:35:45,020 --> 00:35:43,110
why would they not trash much yeah

905
00:35:46,400 --> 00:35:45,030
someone said on TV the other day imagine

906
00:35:47,840 --> 00:35:46,410
if we didn't trash Gareth what a

907
00:35:49,610 --> 00:35:47,850
beautiful place it would be you know

908
00:35:51,200 --> 00:35:49,620
because it kind of rennes it yeah on its

909
00:35:54,080 --> 00:35:51,210
own well it'll probably run on its own

910
00:35:57,050 --> 00:35:54,090
after we're gone oh yeah everything okay

911
00:35:58,640 --> 00:35:57,060
generate after the media hits yeah yeah

912
00:36:01,040 --> 00:35:58,650
they do come around every once in a

913
00:36:02,390 --> 00:36:01,050

while and you know you know I'm the

914

00:36:04,370 --> 00:36:02,400

thing you always think things are

915

00:36:05,870 --> 00:36:04,380

forever like I was reading somewhere

916

00:36:07,910 --> 00:36:05,880

where the pyramids were actually going

917

00:36:11,390 --> 00:36:07,920

to be they suspect they'll be totally

918

00:36:12,620 --> 00:36:11,400

without a trace in 25 million years yeah

919

00:36:14,510 --> 00:36:12,630

I'll take them that long so yeah that's

920

00:36:16,550 --> 00:36:14,520

a long time to wait down but this is a

921

00:36:18,440 --> 00:36:16,560

short time in the Epley talk about you

922

00:36:20,420 --> 00:36:18,450

know the four billion year old planet

923

00:36:24,350 --> 00:36:20,430

that we have a story in the book about

924

00:36:27,560 --> 00:36:24,360

how kal Sagan at one point as a young

925

00:36:31,010 --> 00:36:27,570

scientist he he proposed an idea to

926

00:36:33,020 --> 00:36:31,020

detonate a nuclear bomb on the moon this

927

00:36:35,390 --> 00:36:33,030

is to raise the morale of the United

928

00:36:37,880 --> 00:36:35,400

States after the Russians had lied - but

929

00:36:39,800 --> 00:36:37,890

Nick and they actually you know went

930

00:36:41,510 --> 00:36:39,810

ahead with this and that studies and so

931

00:36:43,430 --> 00:36:41,520

on and they want what they were gonna do

932

00:36:45,470 --> 00:36:43,440

when the moon was a full moon and the

933

00:36:46,730 --> 00:36:45,480

full moon was turned towards the earth

934

00:36:47,750 --> 00:36:46,740

and you could actually you know people

935

00:36:50,030 --> 00:36:47,760

on earth would be able to see the

936

00:36:51,920 --> 00:36:50,040

nuclear explosion alright this is

937

00:36:54,830 --> 00:36:51,930

supposed to pick us up after you know

938

00:36:57,020 --> 00:36:54,840

well Sputnik went up and then finally

939

00:36:58,340 --> 00:36:57,030

someone in the Pentagon is we can't say

940

00:36:59,780 --> 00:36:58,350

it very often but you know cooler heads

941

00:37:00,740 --> 00:36:59,790

of the printable and the Pentagon

942

00:37:02,510 --> 00:37:00,750

prevailed and they said why don't we

943

00:37:03,890 --> 00:37:02,520

just put a man in the moon you know

944

00:37:05,330 --> 00:37:03,900

putting a nuke up there is gonna cost

945

00:37:06,650 --> 00:37:05,340

money we'll just put him in one that was

946

00:37:08,990 --> 00:37:06,660

like really the beginning of the space

947

00:37:12,830 --> 00:37:09,000

program as weird as that sounds yeah

948

00:37:15,470 --> 00:37:12,840

yeah I mean when Jack Kennedy gave that

949

00:37:16,700 --> 00:37:15,480

Proclamation you know it just seemed

950

00:37:18,620 --> 00:37:16,710

like an impossibility

951
00:37:20,150 --> 00:37:18,630
right and they did it you know in a mess

952
00:37:22,100 --> 00:37:20,160
and I believe there there's so many

953
00:37:23,570 --> 00:37:22,110
people that actually listen to the show

954
00:37:24,950 --> 00:37:23,580
not so many people but a number of

955
00:37:26,450 --> 00:37:24,960
people say no we never went to well

956
00:37:27,650 --> 00:37:26,460
here's the hoax I was just gonna say

957
00:37:28,610 --> 00:37:27,660
they're gonna detonate a bomb on the

958
00:37:30,500 --> 00:37:28,620
moon and that would have contaminated

959
00:37:32,000 --> 00:37:30,510
the morning you said 25 million years

960
00:37:33,380 --> 00:37:32,010
for the pyramids would have contaminated

961
00:37:34,970 --> 00:37:33,390
the moon forever because there's no

962
00:37:36,830 --> 00:37:34,980
atmosphere there's no sería nothing to

963
00:37:40,250 --> 00:37:36,840

me would have ruined rain yeah you know

964

00:37:42,950 --> 00:37:40,260

but um this is how they got to the moon

965

00:37:44,180 --> 00:37:42,960

real quick okay this is how NASA was so

966

00:37:46,849 --> 00:37:44,190

wise back then and not

967

00:37:48,260 --> 00:37:46,859

so wise now they took five thousand

968

00:37:50,000 --> 00:37:48,270

people or they took ten thousand people

969

00:37:51,589 --> 00:37:50,010

million divided them into two separate

970

00:37:54,799 --> 00:37:51,599

groups of five thousand each and they

971

00:37:57,410 --> 00:37:54,809

said to him get us to the moon in six

972

00:37:59,260 --> 00:37:57,420

years okay and no one from either group

973

00:38:01,819 --> 00:37:59,270

could talk to each other I heard it was

974

00:38:03,349 --> 00:38:01,829

twenty thousand total I may be saying

975

00:38:04,760 --> 00:38:03,359

yeah maybe yeah I mean of those numbers

976

00:38:07,880 --> 00:38:04,770

yeah but they split them in half and

977

00:38:10,039 --> 00:38:07,890

then once the six years had passed they

978

00:38:11,329 --> 00:38:10,049

took the best idea some both put them

979

00:38:13,549 --> 00:38:11,339

together and we're around the moon in

980

00:38:16,190 --> 00:38:13,559

1969 and like two and a half years

981

00:38:18,559 --> 00:38:16,200

that's amazing but these days some you

982

00:38:20,240 --> 00:38:18,569

know Harvard grad in business would say

983

00:38:21,770 --> 00:38:20,250

that's not a good way to you know spend

984

00:38:23,480 --> 00:38:21,780

the money so we have to strip at them

985

00:38:26,029 --> 00:38:23,490

and so on and you lose all your

986

00:38:29,150 --> 00:38:26,039

innovation and you know well you think

987

00:38:32,569 --> 00:38:29,160

about the time 1969 July whenever it was

988

00:38:35,240 --> 00:38:32,579

July 20th 2010 19th but um you think

989

00:38:38,750 --> 00:38:35,250

about that time and the technology they

990

00:38:41,660 --> 00:38:38,760

had in push-button stuff math and using

991

00:38:44,630 --> 00:38:41,670

a slide rule and all that just amazing

992

00:38:47,690 --> 00:38:44,640

that they the capsule the capsule landed

993

00:38:50,390 --> 00:38:47,700

on the moon has the exact less than the

994

00:38:52,700 --> 00:38:50,400

calculating power of today's or of

995

00:38:55,760 --> 00:38:52,710

calculators from 20 years ago you know

996

00:38:57,620 --> 00:38:55,770

they had they had it was just amazing

997

00:39:00,380 --> 00:38:57,630

you're right there's all analog stuff

998

00:39:01,579 --> 00:39:00,390

and every few you know semiconductors or

999

00:39:04,099 --> 00:39:01,589

circuits or anything

1000

00:39:06,980 --> 00:39:04,109

we have blade in the chat room I'm what

1001

00:39:08,660 --> 00:39:06,990

I'm assuming it's the same one and we

1002

00:39:10,430 --> 00:39:08,670

can get them on if you want he's asking

1003

00:39:13,760 --> 00:39:10,440

if the moon landing was a hoax

1004

00:39:16,099 --> 00:39:13,770

and I say no no I did speak with Alan be

1005

00:39:18,140 --> 00:39:16,109

hearing this so being a limousine yep

1006

00:39:19,760 --> 00:39:18,150

yeah I actually have a podcast it's on

1007

00:39:22,910 --> 00:39:19,770

my antique site because he was a painter

1008

00:39:25,160 --> 00:39:22,920

really a great painter yep so but anyway

1009

00:39:27,200 --> 00:39:25,170

he said he's not gonna try to change

1010

00:39:28,370 --> 00:39:27,210

anyone's mind the people that come up to

1011

00:39:29,210 --> 00:39:28,380

him in the grocery store and say we

1012

00:39:32,180 --> 00:39:29,220

never landed on the moon

1013

00:39:35,510 --> 00:39:32,190

see but the rover the lunar I'm sorry

1014

00:39:38,180 --> 00:39:35,520

the orbiters orbiter has awesome

1015

00:39:40,190 --> 00:39:38,190

pictures of all the landings with

1016

00:39:41,930 --> 00:39:40,200

footprints and everything so anyone that

1017

00:39:43,309 --> 00:39:41,940

thinks we never landed on the moon they

1018

00:39:45,140 --> 00:39:43,319

all they have to do it to research and

1019

00:39:46,670 --> 00:39:45,150

there's a Japanese satellite that has

1020

00:39:48,109 --> 00:39:46,680

been going around the moon for years and

1021

00:39:49,250 --> 00:39:48,119

you can actually log on to the web site

1022

00:39:51,260 --> 00:39:49,260

and it's only something like a hundred

1023

00:39:52,940 --> 00:39:51,270

miles up or something and that's also

1024

00:39:54,920 --> 00:39:52,950

you know showing the Apollo landing

1025

00:39:56,420 --> 00:39:54,930

sites and it's in once again we say this

1026
00:39:57,340 --> 00:39:56,430
all the time when conspiracies come up

1027
00:40:01,240 --> 00:39:57,350
is

1028
00:40:03,310 --> 00:40:01,250
on the moon

1029
00:40:05,080 --> 00:40:03,320
what would the conspiracy take it would

1030
00:40:06,610 --> 00:40:05,090
it would take 20,000 people and none of

1031
00:40:07,510 --> 00:40:06,620
those people are gonna you know say

1032
00:40:08,800 --> 00:40:07,520
here's the proof

1033
00:40:10,240 --> 00:40:08,810
yeah I know yeah it's just all

1034
00:40:13,030 --> 00:40:10,250
conjecture and stuff in that movie

1035
00:40:14,920 --> 00:40:13,040
didn't help Capricorn One Oh Jay was in

1036
00:40:17,220 --> 00:40:14,930
it remember that Roni didn't want one I

1037
00:40:19,690 --> 00:40:17,230
hate Oh Jay me too

1038
00:40:22,480 --> 00:40:19,700

hey dude can we get switchblade on I'm

1039

00:40:24,340 --> 00:40:22,490

travelling but I'm having a problem we

1040

00:40:31,420 --> 00:40:24,350

see he's in the chat anyway where's Matt

1041

00:40:32,980 --> 00:40:31,430

where's our engineer forget him well kid

1042

00:40:36,400 --> 00:40:32,990

that we land in the Monon Oh who's who's

1043

00:40:39,280 --> 00:40:36,410

Steve who's Steph Curry if he coaches

1044

00:40:40,660 --> 00:40:39,290

the Golden State Warriors oh okay he

1045

00:40:43,390 --> 00:40:40,670

says that NASA never went to the moon

1046

00:40:45,580 --> 00:40:43,400

okay here my blood they won last year he

1047

00:40:46,870 --> 00:40:45,590

apologized to astronauts because they

1048

00:40:49,180 --> 00:40:46,880

convinced him eventually

1049

00:40:50,530 --> 00:40:49,190

oh but at first you know he did think

1050

00:40:52,120 --> 00:40:50,540

that we never you know you know why I

1051
00:40:54,700 --> 00:40:52,130
understand and it's the same thing with

1052
00:40:58,480 --> 00:40:54,710
any conspiracy or most conspiracies

1053
00:41:00,430 --> 00:40:58,490
people the it's either some type of fear

1054
00:41:02,950 --> 00:41:00,440
or it doesn't make sense that we could

1055
00:41:05,710 --> 00:41:02,960
do it at the time and I can understand

1056
00:41:07,570 --> 00:41:05,720
1969 with the technology it is it is a

1057
00:41:10,660 --> 00:41:07,580
miracle but that's kind of dissing the

1058
00:41:12,130 --> 00:41:10,670
humans who you know stayed up night upon

1059
00:41:14,200 --> 00:41:12,140
night then we'll make alkylation so

1060
00:41:17,170 --> 00:41:14,210
stuff like this you know I mean you know

1061
00:41:18,850 --> 00:41:17,180
we do nuclear submarines that are so big

1062
00:41:20,860 --> 00:41:18,860
you can't imagine them you know we put

1063
00:41:22,750 --> 00:41:20,870

we put two-seat aircraft carriers that

1064

00:41:24,940 --> 00:41:22,760

carry five thousand people and launch

1065

00:41:26,620 --> 00:41:24,950

100 airplanes a day sometimes you know

1066

00:41:28,900 --> 00:41:26,630

they can travel for 15 years without

1067

00:41:30,520 --> 00:41:28,910

refueling you know that's cool stuff

1068

00:41:32,010 --> 00:41:30,530

like that can be done and even in the

1069

00:41:34,600 --> 00:41:32,020

private industry like when you hear

1070

00:41:37,090 --> 00:41:34,610

companies like Exxon will go down you

1071

00:41:38,920 --> 00:41:37,100

know to to some go out to say kanpai to

1072

00:41:41,140 --> 00:41:38,930

the Atlantic and find oil there and

1073

00:41:42,460 --> 00:41:41,150

drill it and you know cut and spend

1074

00:41:44,860 --> 00:41:42,470

billions and billions of dollars in

1075

00:41:45,250 --> 00:41:44,870

unbelievable engineering feats that's

1076

00:41:47,140 --> 00:41:45,260

right

1077

00:41:49,960 --> 00:41:47,150

this stuff happens you know it happens

1078

00:41:52,390 --> 00:41:49,970

yeah yeah but you know any can you

1079

00:41:53,830 --> 00:41:52,400

imagine any astronaut that first you

1080

00:41:56,560 --> 00:41:53,840

know the first group that went up there

1081

00:41:58,660 --> 00:41:56,570

they must have given themselves a 50-50

1082

00:42:00,460 --> 00:41:58,670

chance that they oh yeah yeah yeah for

1083

00:42:02,590 --> 00:42:00,470

sure the funny thing is is we've landed

1084

00:42:04,270 --> 00:42:02,600

men in the moment we can't get switch on

1085

00:42:05,410 --> 00:42:04,280

Skype is that what's going on yeah

1086

00:42:09,040 --> 00:42:05,420

that's kind of what's going on

1087

00:42:10,299 --> 00:42:09,050

how about guys oh here he is Wow you

1088

00:42:13,299 --> 00:42:10,309

guys just came in

1089

00:42:15,309 --> 00:42:13,309

we're on the est Wow so I don't know for

1090

00:42:17,380 --> 00:42:15,319

my listeners who the heck do we have on

1091

00:42:19,269 --> 00:42:17,390

the line here switch and let's hear

1092

00:42:21,039 --> 00:42:19,279

about who is switcher the switchblade

1093

00:42:22,449 --> 00:42:21,049

Steve one Lou's up there and Battle

1094

00:42:25,359 --> 00:42:22,459

Creek Michigan the home of the flakes

1095

00:42:27,219 --> 00:42:25,369

you know where General Mills and killer

1096

00:42:29,529 --> 00:42:27,229

Kellogg's is he's a national

1097

00:42:32,439 --> 00:42:29,539

correspondent he does a weekly spot

1098

00:42:33,640 --> 00:42:32,449

called reports from the fringe so when I

1099

00:42:35,049 --> 00:42:33,650

was growing up we were talking earlier

1100

00:42:36,459 --> 00:42:35,059

and I'd read you know Ripley's believe

1101

00:42:41,289 --> 00:42:36,469

in knob books and stuff like that but I

1102

00:42:42,910 --> 00:42:41,299

also read lots of UFO books and so I'm

1103

00:42:45,039 --> 00:42:42,920

really I really have an affection for a

1104

00:42:46,959 --> 00:42:45,049

nineteen fifties contactee you all

1105

00:42:48,519 --> 00:42:46,969

things can we talk about contactees

1106

00:42:50,259 --> 00:42:48,529

that's what the switch to see ya tonight

1107

00:42:52,529 --> 00:42:50,269

Fossum I'd love to hear about that

1108

00:42:55,479 --> 00:42:52,539

okay switch you're on stage go ahead

1109

00:42:58,059 --> 00:42:55,489

great by the way thanks for having me on

1110

00:42:59,949 --> 00:42:58,069

it's great to be here great great to see

1111

00:43:03,579 --> 00:42:59,959

Skype working once in a while to you

1112

00:43:06,130 --> 00:43:03,589

know okay yeah so try not to buy my

1113

00:43:07,839 --> 00:43:06,140

tools I have a I have a kind of

1114

00:43:10,599 --> 00:43:07,849

confession to make about the contact

1115

00:43:12,549 --> 00:43:10,609

geez now as we know we we kind of make a

1116

00:43:16,019 --> 00:43:12,559

distinction between the contactees and

1117

00:43:18,459 --> 00:43:16,029

the the experiencers or the abductees

1118

00:43:21,999 --> 00:43:18,469

back in the old days when I first got

1119

00:43:25,419 --> 00:43:22,009

into this stuff the line it was a little

1120

00:43:27,400 --> 00:43:25,429

bit blurred and so when I started

1121

00:43:29,799 --> 00:43:27,410

hearing some of the stories about people

1122

00:43:31,749 --> 00:43:29,809

like George Adamski and so forth I am I

1123

00:43:34,689 --> 00:43:31,759

didn't know for sure how to process them

1124

00:43:37,390 --> 00:43:34,699

but of course now Adamski was kind of

1125

00:43:40,380 --> 00:43:37,400

the one of the major contactees

1126

00:43:43,719 --> 00:43:40,390

supposedly back about 1952 and the

1127

00:43:46,269 --> 00:43:43,729

desert in California he was supposed to

1128

00:43:48,910 --> 00:43:46,279

have contacted a Venusian named or thon

1129

00:43:51,279 --> 00:43:48,920

which landed in a Venusian Scout ship

1130

00:43:53,969 --> 00:43:51,289

and he had a conversation with him that

1131

00:43:57,069 --> 00:43:53,979

the thing is about the contactees as

1132

00:44:00,429 --> 00:43:57,079

it's very strange because obviously some

1133

00:44:02,079 --> 00:44:00,439

of these guys were telling stories I

1134

00:44:04,959 --> 00:44:02,089

mean some some of the things just don't

1135

00:44:06,219 --> 00:44:04,969

hold up but when you pursue some of

1136

00:44:09,279 --> 00:44:06,229

these things it almost seems like

1137

00:44:10,809 --> 00:44:09,289

there's a strange dichotomy between

1138

00:44:16,209 --> 00:44:10,819

what's real and what's not

1139

00:44:18,669 --> 00:44:16,219

but is everybody familiar with that with

1140

00:44:20,919 --> 00:44:18,679

George he was yes he was kind of the

1141

00:44:22,839 --> 00:44:20,929

king of the contact he's he wrote his

1142

00:44:23,620 --> 00:44:22,849

first book he co-authored with Desmond

1143

00:44:25,750 --> 00:44:23,630

Leslie

1144

00:44:29,020 --> 00:44:25,760

called flying saucers have landed

1145

00:44:30,850 --> 00:44:29,030

Desmond Leslie was an Englishman who in

1146

00:44:33,040 --> 00:44:30,860

that part of the book he gave kind of a

1147

00:44:35,140 --> 00:44:33,050

kind of a general background of the

1148

00:44:37,240 --> 00:44:35,150

history of UFOs and so forth up to that

1149

00:44:39,640 --> 00:44:37,250

point and then to the other half of the

1150

00:44:42,820 --> 00:44:39,650

book George Adamski talks about this

1151
00:44:44,350 --> 00:44:42,830
alleged contact well and also there was

1152
00:44:46,810 --> 00:44:44,360
supposed to be several witnesses there

1153
00:44:48,760 --> 00:44:46,820
well it's very interesting because when

1154
00:44:52,870 --> 00:44:48,770
you when you pursue this a little bit

1155
00:44:55,600 --> 00:44:52,880
further race stanford who has been on

1156
00:44:58,090 --> 00:44:55,610
Maggs show before race stanford he's a

1157
00:45:01,030 --> 00:44:58,100
friendly so yeah oh okay one thing you

1158
00:45:02,980 --> 00:45:01,040
know that he wrote the Sakura Sakura

1159
00:45:06,100 --> 00:45:02,990
saucer in a Pentagon pantry that's right

1160
00:45:07,810 --> 00:45:06,110
and of course Sakura was a was a classic

1161
00:45:11,200 --> 00:45:07,820
what we would call close encounter of

1162
00:45:14,650 --> 00:45:11,210
the Third Kind we're in it was in new

1163
00:45:17,340 --> 00:45:14,660

New Mexico where he saw this craft land

1164

00:45:22,290 --> 00:45:17,350

and as he got closer he saw two

1165

00:45:25,300 --> 00:45:22,300

essentially humanoids rather short

1166

00:45:26,770 --> 00:45:25,310

individuals in coveralls it looked like

1167

00:45:29,490 --> 00:45:26,780

they were doing something or repairing

1168

00:45:31,630 --> 00:45:29,500

their aircraft and then they took off

1169

00:45:34,270 --> 00:45:31,640

this is by the way this is long before

1170

00:45:37,180 --> 00:45:34,280

the greys started showing up in some of

1171

00:45:39,310 --> 00:45:37,190

these contact experiences people people

1172

00:45:41,380 --> 00:45:39,320

when they think about you know contact

1173

00:45:43,660 --> 00:45:41,390

or humanoids or whatever they think

1174

00:45:46,540 --> 00:45:43,670

about the classic gray the big-headed

1175

00:45:48,370 --> 00:45:46,550

guy with the big eyes but back but they

1176

00:45:50,980 --> 00:45:48,380

didn't really start showing up in mass

1177

00:45:52,930 --> 00:45:50,990

until about the 1980s so these guys were

1178

00:45:54,790 --> 00:45:52,940

in coveralls he didn't get a good look

1179

00:45:57,340 --> 00:45:54,800

at them but they looked fairly human

1180

00:46:00,850 --> 00:45:57,350

okay anyway I digress him in minute but

1181

00:46:03,580 --> 00:46:00,860

race stanford knew George Adamski when

1182

00:46:06,640 --> 00:46:03,590

he was a young man yes and George

1183

00:46:07,990 --> 00:46:06,650

actually showed him how he faked some of

1184

00:46:11,140 --> 00:46:08,000

his photographs that's a hundred percent

1185

00:46:12,330 --> 00:46:11,150

right yes ray has told me this it's

1186

00:46:15,220 --> 00:46:12,340

really amazing

1187

00:46:16,420 --> 00:46:15,230

and he even said that the the classic

1188

00:46:18,970 --> 00:46:16,430

Venusian scoutship

1189

00:46:21,460 --> 00:46:18,980

that part of that came to 'islam that he

1190

00:46:23,620 --> 00:46:21,470

brought back from that his family when

1191

00:46:25,920 --> 00:46:23,630

they emigrated over from Poland so that

1192

00:46:30,310 --> 00:46:25,930

became part of the Venusian scoutship

1193

00:46:33,190 --> 00:46:30,320

but very it's very interesting Ray

1194

00:46:35,230 --> 00:46:33,200

Palmer who of course was the author of

1195

00:46:36,819 --> 00:46:35,240

amazing stories the the editor of

1196

00:46:38,709 --> 00:46:36,829

amazing stories

1197

00:46:42,190 --> 00:46:38,719

received a manuscript from George

1198

00:46:44,859 --> 00:46:42,200

Adamski at one point in the very late

1199

00:46:49,660 --> 00:46:44,869

40s I believe it was no I'm sorry

1200

00:46:53,859 --> 00:46:49,670

early 40s and the story line was had to

1201
00:46:56,079 --> 00:46:53,869
do with Jesus coming to earth landing in

1202
00:46:58,900 --> 00:46:56,089
the desert in a rocket ship had

1203
00:47:01,150 --> 00:46:58,910
contacting somebody so if you change

1204
00:47:03,130 --> 00:47:01,160
Jesus to or thron if you changed the

1205
00:47:04,539 --> 00:47:03,140
rocket ship to a Venusian Scout ship you

1206
00:47:09,130 --> 00:47:04,549
have basically the template for that

1207
00:47:10,719 --> 00:47:09,140
first contact so that's that's pretty

1208
00:47:12,430 --> 00:47:10,729
cool now that debt manuscript was never

1209
00:47:15,809 --> 00:47:12,440
published he did publish another

1210
00:47:18,430 --> 00:47:15,819
manuscript called pioneers of space

1211
00:47:20,589 --> 00:47:18,440
which is kind of like the template for

1212
00:47:22,930 --> 00:47:20,599
his second book which was called inside

1213
00:47:24,999 --> 00:47:22,940

the spaceships where he supposedly is

1214

00:47:27,729 --> 00:47:25,009

contacted by his Venusian friend again

1215

00:47:31,660 --> 00:47:27,739

and somebody from Saturn and a Martian

1216

00:47:34,329 --> 00:47:31,670

and they take him up into a Scout a one

1217

00:47:39,249 --> 00:47:34,339

of the giant cigar ships like a mile

1218

00:47:43,029 --> 00:47:39,259

long or so but anyway very interesting

1219

00:47:45,069 --> 00:47:43,039

you know there's a there was a I grew up

1220

00:47:47,829 --> 00:47:45,079

in the Detroit area and there was a

1221

00:47:49,719 --> 00:47:47,839

flying saucer Club back in the early 50s

1222

00:47:52,839 --> 00:47:49,729

mmm-hmm and they started they were

1223

00:47:55,449 --> 00:47:52,849

pretty enamored by some of these contact

1224

00:47:56,799 --> 00:47:55,459

claims so they got together the first

1225

00:47:58,719 --> 00:47:56,809

guy that they had speaked there they

1226

00:48:01,029 --> 00:47:58,729

brought him in from California they got

1227

00:48:02,890 --> 00:48:01,039

raised the money for a couple lectures

1228

00:48:05,439 --> 00:48:02,900

for George Adamski and they had you know

1229

00:48:07,209 --> 00:48:05,449

some of the other early contactees like

1230

00:48:09,039 --> 00:48:07,219

Truman bathroom and so forth but they

1231

00:48:12,219 --> 00:48:09,049

also had some of the in quotes

1232

00:48:18,489 --> 00:48:12,229

legitimate guys like major Donald Akiho

1233

00:48:20,170 --> 00:48:18,499

and and so forth so anyway it's theirs

1234

00:48:22,449 --> 00:48:20,180

can I ask a question switch oh

1235

00:48:30,130 --> 00:48:22,459

absolutely how many people were in your

1236

00:48:32,259 --> 00:48:30,140

flying saucer club I we had a high

1237

00:48:36,969 --> 00:48:32,269

school UFO Club which we had four of us

1238

00:48:38,799 --> 00:48:36,979

okay yes this is a good decade and a

1239

00:48:40,539 --> 00:48:38,809

half later so I was born with just a

1240

00:48:42,370 --> 00:48:40,549

little bit too late to be in on the

1241

00:48:44,890 --> 00:48:42,380

ground floor on what's the over/under of

1242

00:48:47,669 --> 00:48:44,900

girls and his girls and donuts are

1243

00:48:57,909 --> 00:48:54,849

please have any ladies no but Helen and

1244

00:49:00,609 --> 00:48:57,919

Helen Bryant and what was her husband's

1245

00:49:02,739 --> 00:49:00,619

name they get Arthur I believe oh they

1246

00:49:06,909 --> 00:49:02,749

they wrote a book called I'm sorry

1247

00:49:09,130 --> 00:49:06,919

Kobe Bryant they wrote about Strava the

1248

00:49:12,519 --> 00:49:09,140

show long I'm sorry oh that's all right

1249

00:49:15,489 --> 00:49:12,529

yeah please interrupt it because I'm

1250

00:49:16,749 --> 00:49:15,499

there's so much to say about this they

1251

00:49:18,999 --> 00:49:16,759

they wrote a book called the Flying

1252

00:49:20,699 --> 00:49:19,009

Saucer pilgrimage now they were again

1253

00:49:23,019 --> 00:49:20,709

these guys were on the ground floor they

1254

00:49:25,839 --> 00:49:23,029

accepted the possibility that some of

1255

00:49:27,279 --> 00:49:25,849

these you know stories were true and

1256

00:49:28,900 --> 00:49:27,289

they're kind of intermixed with again

1257

00:49:31,659 --> 00:49:28,910

with some of the more like Edward

1258

00:49:33,189 --> 00:49:31,669

ruppelt was another guy that spoke Roger

1259

00:49:35,529 --> 00:49:33,199

Blue Book for the Air Force for a long

1260

00:49:38,169 --> 00:49:35,539

time exactly and he wrote the a classic

1261

00:49:40,809 --> 00:49:38,179

book the report unidentified flying

1262

00:49:42,189 --> 00:49:40,819

objects it's a the book there's a lot of

1263

00:49:44,019 --> 00:49:42,199

people saying buddy yeah but at the end

1264

00:49:46,479 --> 00:49:44,029

of his life though he signed a document

1265

00:49:47,829 --> 00:49:46,489

saying that he disowned all of them she

1266

00:49:51,279 --> 00:49:47,839

wasn't buying it or something I heard

1267

00:49:53,319 --> 00:49:51,289

about yep he's the guy he came up with

1268

00:49:55,719 --> 00:49:53,329

the what in my mind want the best ideas

1269

00:49:58,870 --> 00:49:55,729

ever is he said when we do a motion

1270

00:50:01,949 --> 00:49:58,880

study a time motion study on UFOs to see

1271

00:50:03,939 --> 00:50:01,959

if they are under intelligent control

1272

00:50:06,130 --> 00:50:03,949

unintelligent control on his he had a

1273

00:50:07,779 --> 00:50:06,140

perfect analogy if I can use that word

1274

00:50:09,759 --> 00:50:07,789

he said when you see a swarm of bees

1275

00:50:11,319 --> 00:50:09,769

they're flying around but you know no

1276
00:50:12,669 --> 00:50:11,329
one really knows where they're going you

1277
00:50:15,039 --> 00:50:12,679
know they're just going on at the swarm

1278
00:50:16,659 --> 00:50:15,049
but if you see of chevron of geese they

1279
00:50:18,459 --> 00:50:16,669
are following a leader that's

1280
00:50:20,709 --> 00:50:18,469
intelligent control and he said let's

1281
00:50:22,029 --> 00:50:20,719
just take all our motion pictures of

1282
00:50:23,439 --> 00:50:22,039
these things and see if we can determine

1283
00:50:25,179 --> 00:50:23,449
whether the runner you know quote

1284
00:50:26,649 --> 00:50:25,189
unquote intelligent control knot and the

1285
00:50:32,140 --> 00:50:26,659
Pentagon turned him down for the money

1286
00:50:36,309 --> 00:50:32,150
so so let's see we had someone wanted to

1287
00:50:38,380 --> 00:50:36,319
know did these contactees they all

1288
00:50:42,609 --> 00:50:38,390

talked about positive experiences didn't

1289

00:50:44,739 --> 00:50:42,619

they yes that way think that's why a lot

1290

00:50:46,149 --> 00:50:44,749

of people kind of let them ride I think

1291

00:50:49,149 --> 00:50:46,159

because they had all these great

1292

00:50:53,499 --> 00:50:49,159

messages about peace and the all these

1293

00:50:55,899 --> 00:50:53,509

space brothers were not only photogenic

1294

00:50:59,409 --> 00:50:55,909

they had these these great great

1295

00:51:00,460 --> 00:50:59,419

messages of getting you know banning the

1296

00:51:02,680 --> 00:51:00,470

mom and

1297

00:51:06,940 --> 00:51:02,690

was this sound before before probing

1298

00:51:08,830 --> 00:51:06,950

would you say yes in fact it was the

1299

00:51:10,390 --> 00:51:08,840

that really didn't it you know what's

1300

00:51:14,290 --> 00:51:10,400

interesting because when you watch the

1301

00:51:16,420 --> 00:51:14,300

overall sort of evolution of this there

1302

00:51:19,180 --> 00:51:16,430

is a definite there are definite things

1303

00:51:21,599 --> 00:51:19,190

that kind of changed over the years and

1304

00:51:26,500 --> 00:51:21,609

that would be one of them with JJ

1305

00:51:28,839 --> 00:51:26,510

methodology yep so Wow like the politics

1306

00:51:31,810 --> 00:51:28,849

of dances so Ill would say that the

1307

00:51:33,430 --> 00:51:31,820

Donald keyhole was a Marine officer and

1308

00:51:35,140 --> 00:51:33,440

I read a lot of his books in the 50s

1309

00:51:37,839 --> 00:51:35,150

yeah and to me he was like the guy

1310

00:51:39,580 --> 00:51:37,849

because even as a kid I thought well you

1311

00:51:42,870 --> 00:51:39,590

know he's a military officer he worked

1312

00:51:46,480 --> 00:51:42,880

in a pentagon and he had a true

1313

00:51:48,099 --> 00:51:46,490

questioning about what UFOs were so he

1314

00:51:50,290 --> 00:51:48,109

was a guy who you know wasn't on the

1315

00:51:53,020 --> 00:51:50,300

take and wasn't you know making stuff up

1316

00:51:55,960 --> 00:51:53,030

he was shut off of a CBS broadcast once

1317

00:51:57,580 --> 00:51:55,970

and UFOs by the Pentagon so he he must

1318

00:51:59,290 --> 00:51:57,590

have known something then he must is a

1319

00:52:01,200 --> 00:51:59,300

great interview with him on some trying

1320

00:52:02,650 --> 00:52:01,210

to remember who the newscaster was with

1321

00:52:07,510 --> 00:52:02,660

Mike Wallace

1322

00:52:09,339 --> 00:52:07,520

he was shut down right in the middle of

1323

00:52:11,380 --> 00:52:09,349

a show right yeah they actually generals

1324

00:52:13,180 --> 00:52:11,390

actually they spoke first it was like

1325

00:52:15,400 --> 00:52:13,190

late 50s they spoke first and then

1326

00:52:16,780 --> 00:52:15,410

assistant vice TV at the in in the

1327

00:52:19,510 --> 00:52:16,790

commercial break they took over the

1328

00:52:22,720 --> 00:52:19,520

broadcast rights which yeah it was the

1329

00:52:25,870 --> 00:52:22,730

Armstrong Circle theatre in January and

1330

00:52:28,089 --> 00:52:25,880

in 1958 and originally you know he

1331

00:52:30,099 --> 00:52:28,099

thought he was going to have some time

1332

00:52:31,630 --> 00:52:30,109

to present his case they had of course

1333

00:52:34,420 --> 00:52:31,640

they had Donald Menzel there the big

1334

00:52:37,180 --> 00:52:34,430

skeptic and actually cynic the Air Force

1335

00:52:39,310 --> 00:52:37,190

was there represented Kenneth Arnold was

1336

00:52:42,660 --> 00:52:39,320

supposed to speak for either saw the the

1337

00:52:44,800 --> 00:52:42,670

first first major sighting in 47 and

1338

00:52:46,510 --> 00:52:44,810

they all had to have a script you know

1339

00:52:48,310 --> 00:52:46,520

they had teleprompters but they kept

1340

00:52:50,109 --> 00:52:48,320

telling him well you can't say this you

1341

00:52:52,300 --> 00:52:50,119

can't say that you can't get in a

1342

00:52:54,550 --> 00:52:52,310

confrontation with the Air Force and all

1343

00:52:55,900 --> 00:52:54,560

the major points that Kehoe had to

1344

00:52:58,359 --> 00:52:55,910

demonstrate that there was really some

1345

00:53:00,490 --> 00:52:58,369

substance of this they knocked out

1346

00:53:03,010 --> 00:53:00,500

so finally Kenneth Arnold said you know

1347

00:53:04,359 --> 00:53:03,020

I'm just not doing this they're just you

1348

00:53:07,380 --> 00:53:04,369

know they they say there's supposed to

1349

00:53:11,380 --> 00:53:07,390

be fair and balanced but it's not and so

1350

00:53:12,670 --> 00:53:11,390

Kehoe was so frustrated and you know the

1351
00:53:13,870 --> 00:53:12,680
the guy that was producing it was a

1352
00:53:16,600 --> 00:53:13,880
friend of his and

1353
00:53:19,540 --> 00:53:16,610
he hated to do this but it had just had

1354
00:53:22,390 --> 00:53:19,550
just been building up I mean they it's a

1355
00:53:25,060 --> 00:53:22,400
great story in one of his books flying

1356
00:53:26,740 --> 00:53:25,070
saucers top secret I believe he outlines

1357
00:53:29,290 --> 00:53:26,750
the whole thing and it got to the point

1358
00:53:31,390 --> 00:53:29,300
where he stops from gets from the script

1359
00:53:34,000 --> 00:53:31,400
and he says okay now listen I've got

1360
00:53:36,280 --> 00:53:34,010
something really important that I have

1361
00:53:39,070 --> 00:53:36,290
to say and they panicked they didn't

1362
00:53:41,650 --> 00:53:39,080
know what to do so they they cut off his

1363
00:53:43,330 --> 00:53:41,660

mic first so he's he didn't know it but

1364

00:53:45,250 --> 00:53:43,340

he just kept talking so some of the

1365

00:53:47,050 --> 00:53:45,260

people in the local audience there heard

1366

00:53:49,240 --> 00:53:47,060

what he was saying it was essentially

1367

00:53:50,830 --> 00:53:49,250

that there was some you know some real

1368

00:53:53,140 --> 00:53:50,840

substance of some of these sightings and

1369

00:53:55,900 --> 00:53:53,150

some really qualified people had seen

1370

00:53:58,420 --> 00:53:55,910

them and but that they'd see the whole

1371

00:54:00,340 --> 00:53:58,430

thing backfired on the Air Force and a

1372

00:54:01,900 --> 00:54:00,350

network because people wanted to know

1373

00:54:04,120 --> 00:54:01,910

why the hell was it they cut his

1374

00:54:06,310 --> 00:54:04,130

microphone yeah sure and so they called

1375

00:54:08,530 --> 00:54:06,320

into the station and they were they were

1376

00:54:10,510 --> 00:54:08,540

furious you know so it really actually

1377

00:54:11,920 --> 00:54:10,520

went in Kehoe's favor mm-hmm and that

1378

00:54:13,630 --> 00:54:11,930

was that was pretty good can you imagine

1379

00:54:15,910 --> 00:54:13,640

if something like that happened today

1380

00:54:17,380 --> 00:54:15,920

can you imagine some be on ABC Good

1381

00:54:18,790 --> 00:54:17,390

Morning America and they cut his mic

1382

00:54:24,820 --> 00:54:18,800

Mesa I have something very important to

1383

00:54:26,950 --> 00:54:24,830

tell you about UFOs and is yeah on the

1384

00:54:29,920 --> 00:54:26,960

view why don't we do it on this show

1385

00:54:32,470 --> 00:54:29,930

okay speaking of that comic relief we

1386

00:54:34,930 --> 00:54:32,480

have 10 questions for one one if you

1387

00:54:37,180 --> 00:54:34,940

wind up oh alright Steve is usually on

1388

00:54:39,640 --> 00:54:37,190

the line when we do that to Anthony but

1389

00:54:43,000 --> 00:54:39,650

I tell you what though we have to go to

1390

00:54:46,420 --> 00:54:43,010

break in 1 minute and 20 seconds so we

1391

00:54:49,110 --> 00:54:46,430

would kid in 10 seconds no no no no yeah

1392

00:54:52,330 --> 00:54:49,120

yeah no well go we'll go back to that

1393

00:54:53,980 --> 00:54:52,340

right right after the break and also

1394

00:54:57,010 --> 00:54:53,990

just to let everyone know we're going to

1395

00:54:59,560 --> 00:54:57,020

be giving away 5 books a Mac's latest

1396

00:55:01,210 --> 00:54:59,570

book and that will be coming up in the

1397

00:55:06,280 --> 00:55:01,220

second hour also we'll be taking calls

1398

00:55:08,140 --> 00:55:06,290

then as well and I have a question I'm

1399

00:55:12,700 --> 00:55:08,150

going to ask you in particular Mac when

1400

00:55:14,260 --> 00:55:12,710

we go into break so I think I think we

1401
00:55:15,640 --> 00:55:14,270
can go into break now so why the heck

1402
00:55:17,110 --> 00:55:15,650
let's just do it okay

1403
00:55:19,030 --> 00:55:17,120
all right everyone so there's good

1404
00:55:19,810 --> 00:55:19,040
chicken control now Martin yes finally

1405
00:55:22,150 --> 00:55:19,820
yes

1406
00:55:25,740 --> 00:55:22,160
this is Martin Willis I'm with Max

1407
00:55:29,070 --> 00:55:25,750
Maloney say one did you say finally yeah

1408
00:55:32,220 --> 00:55:29,080
yeah you missed your little thing and we

1409
00:55:37,849 --> 00:55:32,230
have the black eyed kid right and we'll

1410
00:55:43,470 --> 00:55:40,560
all right we're clear there's four

1411
00:55:47,700 --> 00:55:43,480
minutes and 50 seconds in this break

1412
00:55:50,280 --> 00:55:47,710
that's 500 seconds four minutes and 50

1413
00:55:52,800 --> 00:55:50,290

seconds yeah four minutes and forty five

1414

00:55:57,380 --> 00:55:52,810

all right got it we're all set on this

1415

00:55:59,700 --> 00:55:57,390

end all right so here is a here is gasps

1416

00:56:04,980 --> 00:55:59,710

no that wasn't even that wasn't gas

1417

00:56:07,830 --> 00:56:04,990

masks let's see okay is it treason

1418

00:56:09,660 --> 00:56:07,840

that's his screen name as soon as I

1419

00:56:12,900 --> 00:56:09,670

heard this guy as soon as I heard that

1420

00:56:15,089 --> 00:56:12,910

guy nearest to the camera say if we had

1421

00:56:17,760 --> 00:56:15,099

recovered UFOs we would not be using

1422

00:56:20,640 --> 00:56:17,770

rockets I knew he was talking bull are

1423

00:56:23,220 --> 00:56:20,650

you having this everyone all right so

1424

00:56:25,290 --> 00:56:23,230

let's uh let's address that man that's

1425

00:56:27,599 --> 00:56:25,300

fine you know but but you know prove me

1426
00:56:29,250 --> 00:56:27,609
wrong you know would you really gather

1427
00:56:30,630 --> 00:56:29,260
together you know all these people who

1428
00:56:33,109 --> 00:56:30,640
work for NASA and all the different

1429
00:56:35,010 --> 00:56:33,119
defense contractors and rocket

1430
00:56:37,020 --> 00:56:35,020
contractors and the people who make the

1431
00:56:38,700 --> 00:56:37,030
fuel cells and so on and so forth get

1432
00:56:42,120 --> 00:56:38,710
them all together spend billions of

1433
00:56:44,520 --> 00:56:42,130
dollars you know over 30 years or

1434
00:56:45,990 --> 00:56:44,530
whatever or more to put together what is

1435
00:56:48,210 --> 00:56:46,000
the most complicated piece of machinery

1436
00:56:50,520 --> 00:56:48,220
you ever met whatever made by mankind

1437
00:56:53,849 --> 00:56:50,530
that was a space shuttle right and and

1438
00:56:57,390 --> 00:56:53,859

they did it for almost 30 years would

1439

00:57:00,300 --> 00:56:57,400

you do that in good conscience when you

1440

00:57:03,540 --> 00:57:00,310

know that you would have maybe something

1441

00:57:06,480 --> 00:57:03,550

that you were able to re-engineer from a

1442

00:57:08,820 --> 00:57:06,490

crashed UFO some kind of technology and

1443

00:57:13,349 --> 00:57:08,830

as I said before even if it's impossible

1444

00:57:15,690 --> 00:57:13,359

to decipher the technology that might be

1445

00:57:17,099 --> 00:57:15,700

any befall impact engineer I'm gonna I'm

1446

00:57:19,200 --> 00:57:17,109

gonna make a it would be shaped like a

1447

00:57:21,060 --> 00:57:19,210

it would be shaped like like a saucer or

1448

00:57:22,410 --> 00:57:21,070

a cigar shaped object I'm gonna make an

1449

00:57:25,140 --> 00:57:22,420

analogy all right

1450

00:57:27,570 --> 00:57:25,150

give your iPhone seven or eight or

1451
00:57:29,400 --> 00:57:27,580
whatever it is to someone two hundred

1452
00:57:32,730 --> 00:57:29,410
years ago and say there you go make

1453
00:57:34,200 --> 00:57:32,740
another one sure I agree but if that

1454
00:57:35,609 --> 00:57:34,210
person grew up to make the first cell

1455
00:57:37,019 --> 00:57:35,619
phone it would be shaped like the cell

1456
00:57:39,829 --> 00:57:37,029
phone they gave them 200

1457
00:57:43,199 --> 00:57:39,839
years ago it wouldn't be shaped like a

1458
00:57:44,339 --> 00:57:43,209
hippopotamus you know what I'm saying is

1459
00:57:46,109 --> 00:57:44,349
that what's the matter with a

1460
00:57:47,039 --> 00:57:46,119
hippopotamus fun at all if you're into

1461
00:57:51,179 --> 00:57:47,049
him that's all right

1462
00:57:53,399 --> 00:57:51,189
hippo fall you you would learn something

1463
00:57:55,380 --> 00:57:53,409

you would learn something and especially

1464

00:57:57,630 --> 00:57:55,390

you know when you really want to get

1465

00:57:58,679 --> 00:57:57,640

down - why would you off I was crash you

1466

00:58:01,469 --> 00:57:58,689

know if they're supposed to be these

1467

00:58:03,689 --> 00:58:01,479

technological marvels why would any of

1468

00:58:05,399 --> 00:58:03,699

them crash and why wouldn't we have a

1469

00:58:07,679 --> 00:58:05,409

bunch of them nothing's perfect

1470

00:58:09,179 --> 00:58:07,689

unless that's true unless yet maybe

1471

00:58:12,059 --> 00:58:09,189

they're shot down or whatever but once

1472

00:58:14,219 --> 00:58:12,069

again or Alessa not used to say they

1473

00:58:16,859 --> 00:58:14,229

always the the radar thing comes up a

1474

00:58:18,929 --> 00:58:16,869

lot but did people see a thousand UFOs

1475

00:58:20,759 --> 00:58:18,939

every month around the world okay

1476

00:58:23,669 --> 00:58:20,769

they're they're not afraid of radar and

1477

00:58:25,559 --> 00:58:23,679

we're we're full of radar you know well

1478

00:58:27,359 --> 00:58:25,569

they had to up their technology that's

1479

00:58:28,979 --> 00:58:27,369

all well maybe well if they're coming

1480

00:58:30,659 --> 00:58:28,989

here from another plane or another time

1481

00:58:31,559 --> 00:58:30,669

in another dimension then you would

1482

00:58:33,059 --> 00:58:31,569

think that they would have something

1483

00:58:34,529 --> 00:58:33,069

like that covet and frankly they should

1484

00:58:38,189 --> 00:58:34,539

have sight and sound of mind

1485

00:58:39,779 --> 00:58:38,199

they'd have they'd have probing covered

1486

00:58:41,429 --> 00:58:39,789

- I don't think they would really have

1487

00:58:43,140 --> 00:58:41,439

yeah we have we have a lot of people

1488

00:58:45,089 --> 00:58:43,150

talking about that in that in the

1489

00:58:47,669 --> 00:58:45,099

chatroom and I've tried to calm that

1490

00:58:51,269 --> 00:58:47,679

down a little bit let's see just trumpet

1491

00:58:52,859 --> 00:58:51,279

I'll ask him this is another person

1492

00:58:55,789 --> 00:58:52,869

asking this Hypno's ask him to think

1493

00:58:58,979 --> 00:58:55,799

about if the tech turns out to be

1494

00:59:01,649 --> 00:58:58,989

reproducible by a single person with

1495

00:59:04,199 --> 00:59:01,659

limited materials they would keep it

1496

00:59:07,199 --> 00:59:04,209

secret well why would you keep it secret

1497

00:59:08,849 --> 00:59:07,209

you could make billions on it no why did

1498

00:59:12,709 --> 00:59:08,859

you keep it secret and in this whole

1499

00:59:15,239 --> 00:59:12,719

idea is if the u.s. knows what UFOs are

1500

00:59:16,890 --> 00:59:15,249

why would you necessarily keep that

1501

00:59:18,839 --> 00:59:16,900

secret as well I know a lot of people

1502

00:59:20,159 --> 00:59:18,849

say well you know if we find out in

1503

00:59:22,559 --> 00:59:20,169

Winston Churchill was someone actually

1504

00:59:24,289 --> 00:59:22,569

kind of you know weighed in on this if

1505

00:59:27,449 --> 00:59:24,299

we knew there was someone from another

1506

00:59:29,219 --> 00:59:27,459

place okay that it would defeat it would

1507

00:59:31,319 --> 00:59:29,229

be the end of all religions on earth and

1508

00:59:32,819 --> 00:59:31,329

in a way you know I can see that and

1509

00:59:35,009 --> 00:59:32,829

they thought there would be a threat to

1510

00:59:38,159 --> 00:59:35,019

the foundations of the institutions that

1511

00:59:40,499 --> 00:59:38,169

you know run this planet but you know

1512

00:59:43,229 --> 00:59:40,509

really so I you know for that kind of

1513

00:59:45,390 --> 00:59:43,239

nebulous theory you're going to hold

1514

00:59:46,640 --> 00:59:45,400

back what it would be the most important

1515

00:59:48,890 --> 00:59:46,650

information ever and

1516

00:59:50,600 --> 00:59:48,900

mankind and you're gonna have thousands

1517

00:59:53,150 --> 00:59:50,610

and thousands and thousands of people in

1518

00:59:54,980 --> 00:59:53,160

on the conspiracy to do that it could

1519

00:59:58,130 --> 00:59:54,990

happen yeah kid

1520

01:00:01,370 --> 00:59:58,140

well someone just bent wait wait waited

1521

01:00:02,930 --> 01:00:01,380

hold that thought kid just banter chimes

1522

01:00:04,310 --> 01:00:02,940

in it says everything we've ever built

1523

01:00:07,070 --> 01:00:04,320

crashing and always will

1524

01:00:08,600 --> 01:00:07,080

that's kind of that's not true we've

1525

01:00:10,070 --> 01:00:08,610

made it to the moon everything he had

1526
01:00:13,340 --> 01:00:10,080
about half the things they shoot demise

1527
01:00:13,760 --> 01:00:13,350
fail but a lot of that is you know human

1528
01:00:15,350 --> 01:00:13,770
error

1529
01:00:17,660 --> 01:00:15,360
there was one they sent up there cost

1530
01:00:19,310 --> 01:00:17,670
billions of dollars and once again close

1531
01:00:20,870 --> 01:00:19,320
to orbit they found out half it was done

1532
01:00:24,050 --> 01:00:20,880
in regular measurement half it was done

1533
01:00:25,640 --> 01:00:24,060
in metrics how someone that was called

1534
01:00:28,520 --> 01:00:25,650
the polar Lander how someone couldn't

1535
01:00:30,260 --> 01:00:28,530
figure that out before we spend all this

1536
01:00:31,520 --> 01:00:30,270
money and shoot the thing to my's but

1537
01:00:33,440 --> 01:00:31,530
that actually happened and there's been

1538
01:00:35,000 --> 01:00:33,450

a number of Mars craft that just have

1539

01:00:36,920 --> 01:00:35,010

disappeared there's no doubt about it

1540

01:00:38,630 --> 01:00:36,930

good of you we have figured that out can

1541

01:00:43,790 --> 01:00:38,640

you involved it well I switched the

1542

01:00:46,840 --> 01:00:43,800

blueprints is mischievous all right

1543

01:00:49,700 --> 01:00:46,850

we're going back yep go ahead

1544

01:00:52,160 --> 01:00:49,710

okay stay by we're gonna go commercial

1545

01:00:54,440 --> 01:00:52,170

free for the second hour and honor max

1546

01:00:57,230 --> 01:00:54,450

brief return to Kate Jerry airwaves

1547

01:01:00,470 --> 01:00:57,240

tonight so yeah we'll go in and erupt it

1548

01:01:05,120 --> 01:01:00,480

in five four three

1549

01:01:06,920 --> 01:01:05,130

you're welcome Baldy - what alright

1550

01:01:08,750 --> 01:01:06,930

everyone welcome back to the show I'm

1551
01:01:11,840 --> 01:01:08,760
Martin Willis and I'm with Mack Maloney

1552
01:01:14,810 --> 01:01:11,850
one one and this a black eyed kid over

1553
01:01:17,420 --> 01:01:14,820
there behaving and hating himself so so

1554
01:01:18,470 --> 01:01:17,430
far that's pretty good still early yeah

1555
01:01:20,510 --> 01:01:18,480
that's true that's true

1556
01:01:23,390 --> 01:01:20,520
hey um so where do you want to go from

1557
01:01:27,230 --> 01:01:23,400
here we can pull up we can pull up on

1558
01:01:29,630 --> 01:01:27,240
the show we can bring up the call number

1559
01:01:32,210 --> 01:01:29,640
for people that want to come on or would

1560
01:01:34,250 --> 01:01:32,220
you rather give away books when we do

1561
01:01:35,900 --> 01:01:34,260
the 10 questions because oh yeah right I

1562
01:01:37,700 --> 01:01:35,910
forgot about that everyone like goodness

1563
01:01:39,230 --> 01:01:37,710

okay okay go ahead so what we do is

1564

01:01:40,610 --> 01:01:39,240

every week in the stat at about six

1565

01:01:42,530 --> 01:01:40,620

months ago where we had to fill some

1566

01:01:44,780 --> 01:01:42,540

time when we threw ten questions to one

1567

01:01:47,480 --> 01:01:44,790

one and unbeknownst to us it became a

1568

01:01:49,730 --> 01:01:47,490

huge ratings hit probably get more email

1569

01:01:52,490 --> 01:01:49,740

fan mail about this than any other

1570

01:01:54,640 --> 01:01:52,500

segment some crazy fan mail - well you

1571

01:01:57,150 --> 01:01:54,650

know as we found out today yes

1572

01:02:00,430 --> 01:01:57,160

[Laughter]

1573

01:02:02,050 --> 01:02:00,440

alright alright so who saw who's saying

1574

01:02:04,750 --> 01:02:02,060

the question so as it turns out it's

1575

01:02:06,160 --> 01:02:04,760

going to be we had a special star from

1576

01:02:08,560 --> 01:02:06,170

heaven joining us okay

1577

01:02:10,060 --> 01:02:08,570

very famous Casey Kasem one one isn't

1578

01:02:12,520 --> 01:02:10,070

going to be doing your 10 questions

1579

01:02:14,680 --> 01:02:12,530

that's right that's right one one I came

1580

01:02:17,680 --> 01:02:14,690

down because it's the special Christmas

1581

01:02:18,700 --> 01:02:17,690

edition okay question number ten please

1582

01:02:21,670 --> 01:02:18,710

number ten

1583

01:02:23,440 --> 01:02:21,680

have you ever undone your pants and

1584

01:02:29,290 --> 01:02:23,450

fallen asleep before leaving the

1585

01:02:31,770 --> 01:02:29,300

Christmas dinner no it's not really

1586

01:02:39,220 --> 01:02:34,420

okay if I have my pants on and that's

1587

01:02:41,560 --> 01:02:39,230

definitely I believe definitely one why

1588

01:02:43,150 --> 01:02:41,570

do you think it's weird that Shanta

1589

01:02:44,980 --> 01:02:43,160

knows who's been naughty and who's been

1590

01:02:46,300 --> 01:02:44,990

nice none of those strange when you

1591

01:02:47,860 --> 01:02:46,310

think about it I think about it because

1592

01:02:49,600 --> 01:02:47,870

he sees you when you're sleeping and he

1593

01:02:55,450 --> 01:02:49,610

sees you and you're awake does he see

1594

01:03:00,540 --> 01:02:55,460

you in the bathroom with that have you

1595

01:03:00,550 --> 01:03:06,270

how do you know okay

1596

01:03:15,760 --> 01:03:09,010

have you ever looked at a Christmas card

1597

01:03:17,590 --> 01:03:15,770

and thought jeez Mary was hot I never

1598

01:03:24,160 --> 01:03:17,600

vote being a religious man never really

1599

01:03:30,130 --> 01:03:24,170

looked at it in that way all right one

1600

01:03:32,080 --> 01:03:30,140

when it was that Mary Magdalene there so

1601
01:03:35,350 --> 01:03:32,090
you're expecting guests for Christmas

1602
01:03:37,150 --> 01:03:35,360
you're serving a Christmas turkey you

1603
01:03:39,310 --> 01:03:37,160
finish cooking it but while you're out

1604
01:03:42,730 --> 01:03:39,320
of the room you're - hounds knock it to

1605
01:03:44,380 --> 01:03:42,740
the floor and eat half dachshunds would

1606
01:03:46,150 --> 01:03:44,390
you serve the other half to your guests

1607
01:03:49,210 --> 01:03:46,160
and not tell them what happened I just

1608
01:03:52,120 --> 01:03:49,220
rinse it off no problem what about the

1609
01:03:54,490 --> 01:03:52,130
teeth marks in that when you're done by

1610
01:03:56,350 --> 01:03:54,500
the force boy getting it a little dog

1611
01:03:59,950 --> 01:03:56,360
drool in my credit for cadet they found

1612
01:04:01,510 --> 01:03:59,960
it it was done one why did you ask Santa

1613
01:04:04,390 --> 01:04:01,520

to bring you a copy of Mac's

1614

01:04:06,880 --> 01:04:04,400

best-selling book Mac Maloney's haunted

1615

01:04:09,970 --> 01:04:06,890

universe this Christmas and if so will

1616

01:04:12,250 --> 01:04:09,980

you read it before next Christmas

1617

01:04:15,040 --> 01:04:12,260

I read it all the time he wrote the file

1618

01:04:16,300 --> 01:04:15,050

with him I read the foreword yeah okay

1619

01:04:17,560 --> 01:04:16,310

did you like the forward I like the

1620

01:04:21,040 --> 01:04:17,570

forward where you say you'll never read

1621

01:04:22,780 --> 01:04:21,050

it he's a man true to his word yeah next

1622

01:04:24,010 --> 01:04:22,790

question please three years to get

1623

01:04:24,940 --> 01:04:24,020

through Keith Richards book oh by the

1624

01:04:27,280 --> 01:04:24,950

way it's his birthday

1625

01:04:29,770 --> 01:04:27,290

oh yeah happy birthday every birthday

1626

01:04:32,020 --> 01:04:29,780

Keith this is his dedication okay

1627

01:04:35,800 --> 01:04:32,030

have you ever reached inside an uncooked

1628

01:04:38,260 --> 01:04:35,810

turkey and fondled the giblets if you

1629

01:04:40,660 --> 01:04:38,270

call the manipulative between my fingers

1630

01:04:43,980 --> 01:04:40,670

fondling then maybe yes but I try to

1631

01:04:46,329 --> 01:04:43,990

avoid that let your real thin line

1632

01:04:54,040 --> 01:04:46,339

that's a slippery slope but now these

1633

01:04:56,530 --> 01:04:54,050

days I go to your house 1 1 what's your

1634

01:04:59,170 --> 01:04:56,540

problem with Tiny Tim you have a problem

1635

01:05:00,820 --> 01:04:59,180

with the little kid what is it I'd like

1636

01:05:04,089 --> 01:05:00,830

him I like him a lot I want to invite

1637

01:05:05,589 --> 01:05:04,099

him over for dinner ok you may not want

1638

01:05:08,980 --> 01:05:05,599

to go off the Dow Jones or into the

1639

01:05:10,900 --> 01:05:08,990

turkey but who knows please 1 1 you're

1640

01:05:13,960 --> 01:05:10,910

in Santa's workshop and center is out

1641

01:05:17,530 --> 01:05:13,970

delivering toys and mrs. Claus comes on

1642

01:05:18,790 --> 01:05:17,540

to you what do you do mrs. Claus came on

1643

01:05:21,579 --> 01:05:18,800

to you made a pass at you what would you

1644

01:05:24,040 --> 01:05:21,589

do I would have to keep my distance

1645

01:05:24,940 --> 01:05:24,050

being loyal to Santa as I have been for

1646

01:05:28,660 --> 01:05:24,950

many many years

1647

01:05:31,930 --> 01:05:28,670

ok all right yes and finally 1 1 the

1648

01:05:35,760 --> 01:05:31,940

last question did you ever post your GI

1649

01:05:40,089 --> 01:05:35,770

Joes and Barbies and x-rated positions

1650

01:05:41,910 --> 01:05:40,099

yes or no no but I have my cannons at

1651

01:05:49,900 --> 01:05:41,920

them from time to time is that

1652

01:05:54,010 --> 01:05:49,910

subliminal is that there you go there's

1653

01:05:55,800 --> 01:05:54,020

10 questions and we should what type of

1654

01:05:59,440 --> 01:05:55,810

meal did you say get you get from those

1655

01:06:01,089 --> 01:05:59,450

funny ones funny fan and in suggestions

1656

01:06:03,210 --> 01:06:01,099

for questions to some of the fan mail

1657

01:06:05,560 --> 01:06:03,220

was battery operated too so I was

1658

01:06:07,120 --> 01:06:05,570

alright when do we want to give away the

1659

01:06:08,800 --> 01:06:07,130

books you want to get annoyed now if

1660

01:06:11,710 --> 01:06:08,810

there were anyone still listening yes

1661

01:06:12,130 --> 01:06:11,720

you in there alright so this is how it's

1662

01:06:14,200 --> 01:06:12,140

gonna work

1663

01:06:18,390 --> 01:06:14,210

write this number down if you don't see

1664

01:06:21,520 --> 01:06:18,400

it up on the screen and it's 6:03 967

1665

01:06:22,470 --> 01:06:21,530

403 Oh is a call-in number and the first

1666

01:06:23,790 --> 01:06:22,480

five

1667

01:06:27,030 --> 01:06:23,800

collars you have to course you have to

1668

01:06:28,859 --> 01:06:27,040

talk for a few minutes and tell us tell

1669

01:06:31,020 --> 01:06:28,869

us either a story or ask us a question

1670

01:06:32,400 --> 01:06:31,030

either one when you call in here's

1671

01:06:34,800 --> 01:06:32,410

here's how it's gonna go when you call

1672

01:06:36,120 --> 01:06:34,810

in we're gonna write down your phone

1673

01:06:37,950 --> 01:06:36,130

number we're not gonna give it out of

1674

01:06:40,260 --> 01:06:37,960

course but just say your first name

1675

01:06:42,780 --> 01:06:40,270

Mac's gonna give out his email address

1676

01:06:45,930 --> 01:06:42,790

so if you write an email to Mac with

1677

01:06:49,800 --> 01:06:45,940

your phone number that you called in on

1678

01:06:52,620 --> 01:06:49,810

and also your first name you will get a

1679

01:06:55,320 --> 01:06:52,630

free book of his new book haunted

1680

01:06:58,859 --> 01:06:55,330

universe with four done by one one

1681

01:07:00,510 --> 01:06:58,869

himself and that will come in the mail I

1682

01:07:01,800 --> 01:07:00,520

can't tell you it's coming from his

1683

01:07:04,380 --> 01:07:01,810

publisher whether it'll get there for

1684

01:07:07,590 --> 01:07:04,390

christmas or not but anyway so the

1685

01:07:10,200 --> 01:07:07,600

numbers up and feel free to call in at

1686

01:07:12,599 --> 01:07:10,210

six oh three nine six seven four OH

1687

01:07:15,210 --> 01:07:12,609

three oh okay all right

1688

01:07:16,800 --> 01:07:15,220

and in the meantime in the meantime what

1689

01:07:17,940 --> 01:07:16,810

happens if no one calls house did that's

1690

01:07:20,160 --> 01:07:17,950

that's my question

1691

01:07:23,580 --> 01:07:20,170

yeah we'll just fake it and post editing

1692

01:07:26,550 --> 01:07:23,590

that's okay all right so the lines open

1693

01:07:28,260 --> 01:07:26,560

anyone can call in it's like we have a

1694

01:07:29,870 --> 01:07:28,270

caller oh you should have a call you

1695

01:07:32,460 --> 01:07:29,880

gotta add it to the call what you there

1696

01:07:36,380 --> 01:07:32,470

yes can you see how yeah that's not you

1697

01:07:38,609 --> 01:07:36,390

calling in is it okay you see the arrow

1698

01:07:41,310 --> 01:07:38,619

this should be an arrow I'm gonna come

1699

01:07:45,720 --> 01:07:41,320

over there okay this is this exciting

1700

01:07:52,010 --> 01:07:45,730

kid what are you getting for Christmas

1701

01:07:58,590 --> 01:07:52,020

ticket what if you haven't won one again

1702

01:08:08,310 --> 01:07:58,600

we should go while the lines of jam

1703

01:08:17,370 --> 01:08:08,320

literally jammed no when you want to

1704

01:08:20,970 --> 01:08:17,380

hear on radio all right down there it's

1705

01:08:25,289 --> 01:08:20,980

down the bottom it's right there watch

1706

01:08:27,780 --> 01:08:25,299

ticky if you no no I just saw the X down

1707

01:08:31,200 --> 01:08:27,790

above the add sign down the bottom if

1708

01:08:43,470 --> 01:08:31,210

you if you actually I'm out what happens

1709

01:08:51,870 --> 01:08:43,480

right there that's my contribution but

1710

01:08:55,380 --> 01:08:51,880

if you hit hit that right there don't do

1711

01:08:56,940 --> 01:08:55,390

that okay and is that switch when we

1712

01:09:06,470 --> 01:08:56,950

have mad any matters here for

1713

01:09:13,530 --> 01:09:08,849

but we had them but we had switch on

1714

01:09:15,780 --> 01:09:13,540

this no I wouldn't we yeah that's we

1715

01:09:17,339 --> 01:09:15,790

gonna the claw was out but if we had

1716

01:09:18,349 --> 01:09:17,349

switcheroo on there then why can't we

1717

01:09:23,399 --> 01:09:18,359

have these guys

1718

01:09:25,559 --> 01:09:23,409

standby collars yep so anyway is Matt

1719

01:09:27,390 --> 01:09:25,569

yeah I'm so sorry about that

1720

01:09:29,249 --> 01:09:27,400

collars do you know what I'm gonna take

1721

01:09:30,620 --> 01:09:29,259

1722

01:09:35,999 --> 01:09:30,630

collar the ball it did not be right

1724

01:09:43,890 --> 01:09:41,789

all right I have to hang up on you I

1725

01:09:45,990 --> 01:09:43,900

haunting universe the cover thank you I

1739

01:10:26,729 --> 01:10:24,190

read it from cover to cover Lopez had

1740

01:10:28,049 --> 01:10:26,739

your name on so did we solve this

1741

01:10:30,510 --> 01:10:28,059

problem I think they have a caller on

1742

01:10:31,410 --> 01:10:30,520

the line oh we do have a column do we

1743

01:10:34,260 --> 01:10:31,420

have a caller on the line

1744

01:10:37,200 --> 01:10:34,270

I think so call yeah there hi how you

1745

01:10:37,560 --> 01:10:37,210

doing now is everyone okay what's your

1746

01:10:39,000 --> 01:10:37,570

name

1747

01:10:42,209 --> 01:10:39,010

wait a minute did you do the plus sign

1748

01:10:43,589 --> 01:10:42,219

to add them how's that added so how we

1749

01:10:46,740 --> 01:10:43,599

have them on there and we didn't kick

1750

01:10:47,430 --> 01:10:46,750

the radio station off no it only kicked

1751

01:10:53,250 --> 01:10:47,440

off switch

1752

01:10:56,609 --> 01:10:53,260

all right all right Tim no what's your

1753

01:11:01,319 --> 01:10:56,619

name bill our Christopher okay we're you

1754

01:11:04,140 --> 01:11:01,329

from cool what's the weather out yeah

1755

01:11:07,919 --> 01:11:04,150

yeah tonight oh the weather's beautiful

1756

01:11:09,450 --> 01:11:07,929

it was probably just under 70 this

1757

01:11:11,310 --> 01:11:09,460

afternoon and it's just going off a

1758

01:11:13,649 --> 01:11:11,320

little bit more now that's good lovely

1759

01:11:17,799 --> 01:11:13,659

yeah one one that's clear it is it was

1760

01:11:21,250 --> 01:11:17,809

like hi hi 24:25 here today

1761

01:11:23,260 --> 01:11:21,260

which I'm about to it was he it was 40

1762

01:11:24,819 --> 01:11:23,270

to 45 degrees here last Sunday and

1763

01:11:26,799 --> 01:11:24,829

people were down and the beats women

1764

01:11:30,339 --> 01:11:26,809

that's women but you know out the water

1765

01:11:32,379 --> 01:11:30,349

so anyway Wow so go ahead please would

1766

01:11:34,780 --> 01:11:32,389

you a question well I had a question

1767

01:11:36,819 --> 01:11:34,790

that you guys might think is not that

1768

01:11:39,729 --> 01:11:36,829

sophisticated of a question but it does

1769

01:11:41,169 --> 01:11:39,739

Dom he quite often when I think about ET

1770

01:11:46,330 --> 01:11:41,179

and USO and all that kind of stuff but

1771

01:11:49,720 --> 01:11:46,340

what would be a logical reason for these

1772

01:11:51,850 --> 01:11:49,730

craft that people see to have lights

1773

01:11:53,439 --> 01:11:51,860

right you know that met question of if

1774

01:11:54,879 --> 01:11:53,449

they're traveling so far why would they

1775

01:11:57,280 --> 01:11:54,889

need lights and we're doing it for us

1776

01:11:58,799 --> 01:11:57,290

right is it some illusion is it

1777

01:12:00,669 --> 01:11:58,809

something about time and space

1778

01:12:02,680 --> 01:12:00,679

flickering and we're seeing some weird

1779

01:12:04,390 --> 01:12:02,690

artifacts that's worried that really

1780

01:12:05,919 --> 01:12:04,400

like headlight that's a great question

1781

01:12:07,600 --> 01:12:05,929

because we did a show on the coin

1782

01:12:10,180 --> 01:12:07,610

incident which happened in the mid

1783

01:12:12,250 --> 01:12:10,190

seventies where these ash National Guard

1784

01:12:13,839 --> 01:12:12,260

men were on a helicopter Huey helicopter

1785

01:12:16,299 --> 01:12:13,849

and going from like Cleveland to some

1786

01:12:18,490 --> 01:12:16,309

other place in Ohio at night and this

1787

01:12:21,330 --> 01:12:18,500

huge UFO came up and back of them okay

1788

01:12:23,669 --> 01:12:21,340

we did knock the radio station off them

1789

01:12:28,240 --> 01:12:23,679

yep we knocked it off

1790

01:12:30,280 --> 01:12:28,250

yep no no we have we have to we have to

1791

01:12:33,700 --> 01:12:30,290

say goodbye to the caller sorry alright

1792

01:12:37,180 --> 01:12:33,710

sorry caller oh alright sorry Tim do we

1793

01:12:39,819 --> 01:12:37,190

get your info I will will address the

1794

01:12:44,379 --> 01:12:39,829

question though as we as we keep going

1795

01:12:47,350 --> 01:12:44,389

so what we did is we we took him and

1796

01:12:49,479 --> 01:12:47,360

pushed everyone else off you have to do

1797

01:12:54,310 --> 01:12:49,489

the you has to do the join or you can't

1798

01:12:58,260 --> 01:12:54,320

do it otherwise it just yeah I have to

1799

01:13:09,520 --> 01:13:06,220

alright so he's uh he's not on race go

1800

01:13:11,589 --> 01:13:09,530

ahead and chime in if you hear us I hear

1801
01:13:13,390 --> 01:13:11,599
you okay good alright sorry about that I

1802
01:13:15,879 --> 01:13:13,400
I wasn't able to see what they were

1803
01:13:18,280 --> 01:13:15,889
doing on skype and they basically it

1804
01:13:20,950 --> 01:13:18,290
just puts you on hold and sorry about

1805
01:13:26,410 --> 01:13:20,960
that too your your radio listeners over

1806
01:13:33,480 --> 01:13:26,420
there alright so we're not we're not

1807
01:13:42,360 --> 01:13:37,450
it's okay with you all right this is for

1808
01:13:50,320 --> 01:13:44,830
really hesitant to do this to give out

1809
01:13:53,790 --> 01:13:50,330
my own number and put on speakerphone if

1810
01:13:58,180 --> 01:13:53,800
you have a radio station number okay and

1811
01:13:59,680 --> 01:13:58,190
does that actually call into the alright

1812
01:14:01,420 --> 01:13:59,690
alright we'll get that straightened out

1813
01:14:02,920 --> 01:14:01,430

and meanwhile we're gonna move along

1814

01:14:05,770 --> 01:14:02,930

baby but we're gonna have a new number

1815

01:14:08,590 --> 01:14:05,780

come up so don't call the number you

1816

01:14:12,780 --> 01:14:08,600

were calling there will be coming up

1817

01:14:16,870 --> 01:14:12,790

with something else in just a minute and

1818

01:14:20,670 --> 01:14:16,880

so looks like just you and me black eye

1819

01:14:24,270 --> 01:14:20,680

kid everyone else is kind of a magician

1820

01:14:31,740 --> 01:14:24,280

wait a minute how did you get that low

1821

01:14:41,050 --> 01:14:39,190

my black eyed kid pee buddy stage where

1822

01:14:43,740 --> 01:14:41,060

I come in in this conversation well I

1823

01:14:45,940 --> 01:14:43,750

was he cleared his throat and it was it

1824

01:14:48,070 --> 01:14:45,950

yeah Wow yeah

1825

01:14:49,780 --> 01:14:48,080

so we're I'm a queer we're gonna have a

1826

01:14:51,880 --> 01:14:49,790

new number come up it's actually the

1827

01:14:53,350 --> 01:14:51,890

station number it is that guy still on

1828

01:14:55,210 --> 01:14:53,360

because he had agree all we've had we

1829

01:14:57,460 --> 01:14:55,220

had to but let's address the question

1830

01:14:59,380 --> 01:14:57,470

answer question was in in this coin

1831

01:15:08,550 --> 01:14:59,390

incident they saw this huge UFO came up

1832

01:15:14,740 --> 01:15:11,680

and and they saw lights they saw green

1833

01:15:16,180 --> 01:15:14,750

and amber and red lights and not only

1834

01:15:18,190 --> 01:15:16,190

did they see them but there were people

1835

01:15:20,860 --> 01:15:18,200

on the ground who actually saw them and

1836

01:15:23,800 --> 01:15:20,870

this thing kind of chased this Huey

1837

01:15:26,770 --> 01:15:23,810

helicopter for a good you know three or

1838

01:15:28,300 --> 01:15:26,780

four minutes and in a head lights on it

1839

01:15:30,070 --> 01:15:28,310

and we would sit and we said why would

1840

01:15:33,430 --> 01:15:30,080

you have lights on a UFO

1841

01:15:35,440 --> 01:15:33,440

what would a UFO need light saw yeah

1842

01:15:36,640 --> 01:15:35,450

I've always wondered that myself I

1843

01:15:38,140 --> 01:15:36,650

thought that's a really now they were

1844

01:15:40,390 --> 01:15:38,150

they were different than navigation

1845

01:15:41,370 --> 01:15:40,400

lights because Cobra did this special

1846

01:15:45,090 --> 01:15:41,380

for us

1847

01:15:49,020 --> 01:15:45,100

and coat and navigation lights green and

1848

01:15:51,600 --> 01:15:49,030

red on passenger planes on civilian

1849

01:15:53,970 --> 01:15:51,610

planes and then I think that it's green

1850

01:15:55,890 --> 01:15:53,980

red and a white light on military planes

1851
01:15:58,880 --> 01:15:55,900
but there is some kind of difference ok

1852
01:16:01,200 --> 01:15:58,890
and these these these lights were not

1853
01:16:03,090 --> 01:16:01,210
roughly light so that's a really good

1854
01:16:04,320 --> 01:16:03,100
question that's the that's the kind of

1855
01:16:06,810 --> 01:16:04,330
thing that you look into you know

1856
01:16:09,270 --> 01:16:06,820
instead of looking into forever you know

1857
01:16:11,340 --> 01:16:09,280
50,000 aliens in Dulce Mountain and

1858
01:16:12,750 --> 01:16:11,350
Roswell and all this stuff look into

1859
01:16:15,300 --> 01:16:12,760
something like that why do you oppose

1860
01:16:17,040 --> 01:16:15,310
have lights and you would and you'll be

1861
01:16:18,240 --> 01:16:17,050
fussy where they're going obviously yeah

1862
01:16:19,350 --> 01:16:18,250
I know but that's what I mean that's

1863
01:16:21,090 --> 01:16:19,360

what we're saying but why would they

1864

01:16:22,440 --> 01:16:21,100

need them you know but they need them

1865

01:16:24,480 --> 01:16:22,450

for some reason they're there for some

1866

01:16:26,610 --> 01:16:24,490

reason so trying to figure out that and

1867

01:16:28,140 --> 01:16:26,620

you will be that much further along the

1868

01:16:30,180 --> 01:16:28,150

line I figuring out what's going on with

1869

01:16:31,920 --> 01:16:30,190

UFOs and well there could be you know

1870

01:16:34,500 --> 01:16:31,930

one of the answers to that is they want

1871

01:16:35,910 --> 01:16:34,510

to be seen yeah you know that's yes they

1872

01:16:37,560 --> 01:16:35,920

do want to be seen there's no double all

1873

01:16:41,760 --> 01:16:37,570

right we're gonna turn this number may

1874

01:16:44,730 --> 01:16:41,770

work alright okay so we can only accept

1875

01:16:46,860 --> 01:16:44,740

one call at the time it's up on YouTube

1876

01:16:49,410 --> 01:16:46,870

now that phone number you're welcome to

1877

01:16:51,690 --> 01:16:49,420

call in and by the way last caller I do

1878

01:16:53,580 --> 01:16:51,700

want to thank you for your call and the

1879

01:16:56,910 --> 01:16:53,590

number up on the screen for over those

1880

01:17:01,250 --> 01:16:56,920

those over you those of you over her at

1881

01:17:04,440 --> 01:17:01,260

kg are a radio is 603 five eight three

1882

01:17:06,260 --> 01:17:04,450

1883

01:17:11,730 --> 01:17:06,270

more time and it's for this show only

1884

01:17:14,730 --> 01:17:11,740

six zero three five eight three four

1885

01:17:16,560 --> 01:17:14,740

seven six seven so you're welcome to

1886

01:17:17,940 --> 01:17:16,570

call in we had people trying to call

1887

01:17:21,690 --> 01:17:17,950

them we can only take one caller at a

1888

01:17:25,020 --> 01:17:21,700

time and you'll see it come up over

1889

01:17:29,040 --> 01:17:25,030

there right yeah yeah okay all right so

1890

01:17:32,190 --> 01:17:29,050

so good Colin what's that so get calling

1891

01:17:34,440 --> 01:17:32,200

yeah get calling we have how many more

1892

01:17:36,150 --> 01:17:34,450

books to give away four more books Mac

1893

01:17:38,640 --> 01:17:36,160

Maloney's haunted universe it's about

1894

01:17:42,060 --> 01:17:38,650

four or three three I got three okay

1895

01:17:49,449 --> 01:17:42,070

yeah okay you got two and you know it's

1896

01:17:54,699 --> 01:17:49,459

about 300 really strange stories okay

1897

01:17:56,229 --> 01:17:54,709

however you do get a call coming all

1898

01:18:00,929 --> 01:17:56,239

right we have some Conant Larry is

1899

01:18:06,160 --> 01:18:03,879

all right hey Larry how you doing this

1900

01:18:08,319 --> 01:18:06,170

is Mack okay good it's like a real radio

1901

01:18:10,359 --> 01:18:08,329

station yep I love it yeah Martin is

1902

01:18:12,520 --> 01:18:10,369

here's what is a real radio station I'm

1903

01:18:17,549 --> 01:18:12,530

watching you all on YouTube oh great

1904

01:18:20,469 --> 01:18:17,559

okay okay so um we were you in Missouri

1905

01:18:22,689 --> 01:18:20,479

Manchester Missouri it was County is it

1906

01:18:24,910 --> 01:18:22,699

snowed there yet this winter no well

1907

01:18:30,060 --> 01:18:24,920

yeah it's not here during season but

1908

01:18:36,759 --> 01:18:31,779

it's heading our way

1909

01:18:40,600 --> 01:18:36,769

but not that warm Oh mid 40s yeah so

1910

01:18:44,770 --> 01:18:40,610

what you want to ask us a question yes I

1911

01:18:48,339 --> 01:18:44,780

have been a UFO fanatics since I was 15

1912

01:18:51,640 --> 01:18:48,349

I'm 66 I'll never forget reading Frank

1913

01:18:54,189 --> 01:18:51,650

Edwards book UFO serious business

1914

01:18:55,209 --> 01:18:54,199

yep I used to get up on my parents house

1915

01:18:57,850 --> 01:18:55,219

on the roof

1916

01:19:00,669 --> 01:18:57,860

sit up there at night and look at the

1917

01:19:05,949 --> 01:19:00,679

Stars waiting for a UFO to come by I've

1918

01:19:12,399 --> 01:19:09,399

have you seen when no I'd never seen one

1919

01:19:15,129 --> 01:19:12,409

so what what is gonna happen I mean how

1920

01:19:17,229 --> 01:19:15,139

long do we all have to wait my dad said

1921

01:19:22,509 --> 01:19:17,239

that he's not gonna die

1922

01:19:24,520 --> 01:19:22,519

until he sees 198 Wow Wow I'm going I'll

1923

01:19:25,779 --> 01:19:24,530

just say two things real quick first of

1924

01:19:27,580 --> 01:19:25,789

all I don't think there are certain

1925

01:19:29,469 --> 01:19:27,590

people who see UFOs and certain people

1926

01:19:32,109 --> 01:19:29,479

who'll never see one I will never see

1927

01:19:34,540 --> 01:19:32,119

one as a model people had seen a lot of

1928

01:19:35,890 --> 01:19:34,550

them right and believably we had someone

1929

01:19:37,839 --> 01:19:35,900

on last week who said that there's a

1930

01:19:41,350 --> 01:19:37,849

certain type of personality of people

1931

01:19:43,029 --> 01:19:41,360

who basically hyper personality who take

1932

01:19:45,640 --> 01:19:43,039

in account everything in their lives

1933

01:19:47,109 --> 01:19:45,650

they see more UFOs and the rest of us

1934

01:19:48,520 --> 01:19:47,119

who've just kind of groove along yeah

1935

01:19:50,500 --> 01:19:48,530

well we talked about race Stanford

1936

01:19:52,959 --> 01:19:50,510

earlier he's he's he won't tell me

1937

01:19:56,410 --> 01:19:52,969

exactly how many is seen but he's filmed

1938

01:19:58,600 --> 01:19:56,420

more than you know a whole county has

1939

01:20:01,129 --> 01:19:58,610

seen there are definitely people who I

1940

01:20:04,219 --> 01:20:01,139

think who are able to see them and

1941

01:20:06,589 --> 01:20:04,229

and I'm like you I've I'm always looking

1942

01:20:08,239 --> 01:20:06,599

for UFOs always I've always wanted yeah

1943

01:20:10,669 --> 01:20:08,249

I want to see one I wanted to see what

1944

01:20:12,799 --> 01:20:10,679

all this is about but deep down I feel

1945

01:20:15,169 --> 01:20:12,809

like every time I take the dachshunds

1946

01:20:16,669 --> 01:20:15,179

out for their nightly constitutional I

1947

01:20:18,109 --> 01:20:16,679

look up in the sky because I don't have

1948

01:20:19,969 --> 01:20:18,119

a I don't have any light pollution

1949

01:20:22,729 --> 01:20:19,979

anywhere in the neighborhood so I'm

1950

01:20:23,870 --> 01:20:22,739

moving up to Rockland Maine and it's

1951

01:20:26,299 --> 01:20:23,880

very nice yeah

1952

01:20:27,859 --> 01:20:26,309

crystal clear you see the Milky Way so

1953

01:20:30,140 --> 01:20:27,869

we don't want you to fall off the roof

1954

01:20:33,020 --> 01:20:30,150

there Larry but hats off to you for

1955

01:20:35,290 --> 01:20:33,030

continuing that I don't I don't do that

1956

01:20:38,629 --> 01:20:35,300

anymore maybe I need to go out and buy a

1957

01:20:41,350 --> 01:20:38,639

dark sound there you go well one one

1958

01:20:44,839 --> 01:20:41,360

might sell you one his what do you say

1959

01:20:47,660 --> 01:20:44,849

good so in what did your father

1960

01:20:48,950 --> 01:20:47,670

interested in them because he's you must

1961

01:20:53,719 --> 01:20:48,960

have been right in the ground floor of

1962

01:20:59,330 --> 01:20:53,729

your phones you know I always talk to

1963

01:21:00,919 --> 01:20:59,340

him about it and he's just waiting see

1964

01:21:02,719 --> 01:21:00,929

what I don't understand is and we were

1965

01:21:05,359 --> 01:21:02,729

talking about this earlier is you know

1966

01:21:07,430 --> 01:21:05,369

when they released the UFO video was

1967

01:21:09,379 --> 01:21:07,440

about a year ago now right yeah pilot

1968

01:21:11,140 --> 01:21:09,389

from New Hampshire right and you can see

1969

01:21:13,549 --> 01:21:11,150

you know I hate to use this over word

1970

01:21:15,259 --> 01:21:13,559

overuse word these days but passion you

1971

01:21:17,719 --> 01:21:15,269

can see how passion and Larry is and his

1972

01:21:20,629 --> 01:21:17,729

father is okay why wouldn't that story

1973

01:21:22,759 --> 01:21:20,639

resonate with everybody like that but it

1974

01:21:24,439 --> 01:21:22,769

just went away and that if it drives me

1975

01:21:26,810 --> 01:21:24,449

nuts when that happen well it didn't it

1976

01:21:30,229 --> 01:21:26,820

didn't there were there were a hundred

1977

01:21:33,589 --> 01:21:30,239

and thirty television broadcasts about

1978

01:21:35,540 --> 01:21:33,599

that okay so it it kind of went viral

1979

01:21:38,270 --> 01:21:35,550

and believe it or not Fox of all people

1980

01:21:41,660 --> 01:21:38,280

kept it alive they believed it yep and

1981

01:21:44,719 --> 01:21:41,670

so but it did go away they do yeah but

1982

01:21:46,189 --> 01:21:44,729

what it did do I think sort of planted a

1983

01:21:48,709 --> 01:21:46,199

seed because I've talked a lot of people

1984

01:21:50,689 --> 01:21:48,719

outside of the UFO field that say yeah I

1985

01:21:52,189 --> 01:21:50,699

did see that and you know I guess there

1986

01:21:54,109 --> 01:21:52,199

is something to it well you know when

1987

01:21:56,600 --> 01:21:54,119

Cobra will say if he was on he would say

1988

01:21:59,120 --> 01:21:56,610

well this is how they do these things

1989

01:22:01,969 --> 01:21:59,130

you know that they let information kind

1990

01:22:03,560 --> 01:22:01,979

of dribble out and get us used to you

1991

01:22:05,779 --> 01:22:03,570

know what's going on and I hate to say

1992

01:22:07,279 --> 01:22:05,789

it but that's how they kind of got us in

1993

01:22:08,450 --> 01:22:07,289

World War two not that I'm saying that

1994

01:22:09,680 --> 01:22:08,460

we shouldn't have been there but you

1995

01:22:12,410 --> 01:22:09,690

know there was they were

1996

01:22:14,180 --> 01:22:12,420

you know the popular you know opinion

1997

01:22:16,010 --> 01:22:14,190

was against going into UI fallen let's

1998

01:22:18,260 --> 01:22:16,020

say the imeem into World War two in the

1999

01:22:20,090 --> 01:22:18,270

late thirties right right and then we

2000

01:22:21,620 --> 01:22:20,100

kind of got conditioned to it and so on

2001
01:22:24,080 --> 01:22:21,630
and so forth so they do use these

2002
01:22:25,580 --> 01:22:24,090
methods to kind of sway the way that

2003
01:22:27,500 --> 01:22:25,590
people think in this country and

2004
01:22:29,600 --> 01:22:27,510
certainly these days more so than way

2005
01:22:31,610 --> 01:22:29,610
back then that's why you don't

2006
01:22:33,439 --> 01:22:31,620
understand I mean 190 stories that's

2007
01:22:35,630 --> 01:22:33,449
that sounds like a lot but that's like

2008
01:22:37,370 --> 01:22:35,640
three days to CNN and what if the UFO

2009
01:22:40,550 --> 01:22:37,380
went over right after you went in the

2010
01:22:43,490 --> 01:22:40,560
house sorry Larry

2011
01:22:46,250 --> 01:22:43,500
sorry oh well you know I didn't see the

2012
01:22:48,020 --> 01:22:46,260
video in New Hampshire I'm gonna have to

2013
01:22:49,970 --> 01:22:48,030

01:24:20,840 --> 01:24:18,210

hey Eric how you doing this is Matt

2043

01:24:23,540 --> 01:24:20,850

we're big in Missouri tonight

2044

01:24:25,520 --> 01:24:23,550

oh yeah that's one one and montón is

2045

01:24:32,720 --> 01:24:25,530

here welcome to the show

2046

01:24:33,950 --> 01:24:32,730

like I kid is here oh wow

2047

01:24:37,910 --> 01:24:33,960

don't let the owner hear you say that

2048

01:24:41,720 --> 01:24:37,920

he'll raise the ridge you have a

2049

01:24:45,590 --> 01:24:41,730

question for any of our us thank you

2050

01:24:56,870 --> 01:24:45,600

I do have a question for one 101 what do

2051

01:24:58,820 --> 01:24:56,880

you see the Christmas play oh you know

2052

01:25:00,830 --> 01:24:58,830

what that's a wicked good question

2053

01:25:02,840 --> 01:25:00,840

because I say wicked here in this part

2054

01:25:04,280 --> 01:25:02,850

of the country by the way wasn't

2055

01:25:06,320 --> 01:25:04,290

motoring license when I believed in

2056

01:25:13,130 --> 01:25:06,330

Santa Claus until I was like about 25

2057

01:25:16,010 --> 01:25:13,140

dad I believe that so I was talking

2058

01:25:18,530 --> 01:25:16,020

about that to my wife just just today

2059

01:25:23,870 --> 01:25:18,540

and I remember the big deal about

2060

01:25:27,290 --> 01:25:23,880

Christmas was my electric trains with my

2061

01:25:28,430 --> 01:25:27,300

toenails yeah I had both wow I was the

2062

01:25:31,910 --> 01:25:28,440

only child for eight years

2063

01:25:38,270 --> 01:25:31,920

okay I like Santa

2064

01:25:39,770 --> 01:25:38,280

spent a lot of time the first thing I

2065

01:25:43,130 --> 01:25:39,780

remember getting from Santa though may

2066

01:25:46,460 --> 01:25:43,140

have been a Tonka truck Tom Canty and it

2067

01:25:49,760 --> 01:25:46,470

was a Allied Van Lines reproduction

2068

01:25:51,200 --> 01:25:49,770

Tonka truck go and say well what's the

2069

01:25:52,430 --> 01:25:51,210

connection with allied Van Lines but

2070

01:25:54,080 --> 01:25:52,440

there's because there was an allied Van

2071

01:25:55,580 --> 01:25:54,090

Lines in my neighborhood there you know

2072

01:25:58,790 --> 01:25:55,590

and it just so happened that talk of

2073

01:26:02,300 --> 01:25:58,800

trucks did a a a really good size you

2074

01:26:05,180 --> 01:26:02,310

know like a three foot long coming the

2075

01:26:07,550 --> 01:26:05,190

cabinet in the box

2076

01:26:09,620 --> 01:26:07,560

wow it's a walk down memory lane right

2077

01:26:09,980 --> 01:26:09,630

with him but my electric trains I don't

2078

01:26:13,310 --> 01:26:09,990

know

2079

01:26:16,970 --> 01:26:13,320

Santa set them up and everything Wow see

2080

01:26:20,260 --> 01:26:16,980

you know all I do is crank that

2081

01:26:22,700 --> 01:26:20,270

transformer and I have pictures of this

2082

01:26:24,200 --> 01:26:22,710

which I don't want to put on my facebook

2083

01:26:26,480 --> 01:26:24,210

because it kind of bizarre but in my

2084

01:26:29,270 --> 01:26:26,490

footie pajamas

2085

01:26:31,340 --> 01:26:29,280

enjoying those trains at ease

2086

01:26:34,130 --> 01:26:31,350

you had food you know if he still has I

2087

01:26:34,370 --> 01:26:34,140

had photo album is Tom Brady footie but

2088

01:26:37,419 --> 01:26:34,380

now

2089

01:26:39,860 --> 01:26:37,429

oh my god oh we don't want to talk about

2090

01:26:41,600 --> 01:26:39,870

it question thanks for that question

2091

01:26:45,200 --> 01:26:41,610

yeah that's alright and I suppose you

2092

01:26:47,870 --> 01:26:45,210

want a book maybe maybe maybe not

2093

01:26:51,379 --> 01:26:47,880

all right I just write to just drop me

2094

01:26:56,570 --> 01:26:51,389

2095

01:26:58,790 --> 01:26:56,580

2096

01:27:00,560 --> 01:26:58,800

2097

01:27:02,510 --> 01:27:00,570

address and I got a mail the book to

2098

01:27:05,120 --> 01:27:02,520

2099

okay okay thanks thanks for calling you

2102

01:27:15,430 --> 01:27:12,179

know what I just realized I got free

2103

01:27:19,640 --> 01:27:17,780

great question when I was at when I was

2104

01:27:20,810 --> 01:27:19,650

a little kid I just pulled it up on the

2105

01:27:22,669 --> 01:27:20,820

screen because I was trying to figure

2106

01:27:24,560 --> 01:27:22,679

out what it was because it used a

2107

01:27:26,750 --> 01:27:24,570

gyroscope and it was called it was a

2108

01:27:28,669 --> 01:27:26,760

Marx mystery spaceship cool

2109

01:27:30,860 --> 01:27:28,679

yeah when and you I remember tying a

2110

01:27:33,050 --> 01:27:30,870

string around and blowing it yeah and it

2111

01:27:35,540 --> 01:27:33,060

could just sit and just like that spin I

2112

01:27:37,100 --> 01:27:35,550

actually had a spaceship UFO looking

2113

01:27:38,810 --> 01:27:37,110

thing when I was why is that what did

2114

01:27:42,410 --> 01:27:38,820

you uh is that the bug the video

2115

01:27:44,000 --> 01:27:42,420

it wasn't no matter of fact uh I forgot

2116

01:27:45,860 --> 01:27:44,010

about that until it you just mentioned a

2117

01:27:51,729 --> 01:27:45,870

kid what was your first gift from Siena

2118

01:27:55,790 --> 01:27:53,600

okay all right

2119

01:27:56,899 --> 01:27:55,800

is he use that to what you can say

2120

01:27:59,870 --> 01:27:56,909

what's the name what's the punchline

2121

01:28:02,750 --> 01:27:59,880

cookie victims thing yeah I stack them

2122

01:28:06,350 --> 01:28:02,760

in a pyramid is this is this like clean

2123

01:28:08,390 --> 01:28:06,360

and clean coal sure right from this

2124

01:28:11,149 --> 01:28:08,400

beautiful wing beautiful coal is it now

2125

01:28:14,479 --> 01:28:11,159

that the best call around here yeah yep

2126

01:28:16,879 --> 01:28:14,489

yeah okay kid thanks it's got that wow

2127

01:28:18,470 --> 01:28:16,889

alright so the lines open if anyone else

2128

01:28:21,050 --> 01:28:18,480

what do we have a book left one book

2129

01:28:25,280 --> 01:28:21,060

left one door left one book left then

2130

01:28:26,810 --> 01:28:25,290

we're gonna call commander Cobra don't

2131

01:28:28,370 --> 01:28:26,820

be fun yeah we should mention that you

2132

01:28:31,100 --> 01:28:28,380

know we've been doing a book as wafer

2133

01:28:33,140 --> 01:28:31,110

commander signed off was signed off yeah

2134

01:28:35,930 --> 01:28:33,150

you signed off of it for the 90s he's on

2135

01:28:38,030 --> 01:28:35,940

government oh he really is like he's out

2136

01:28:39,649 --> 01:28:38,040

Lee different time zone and oh I'm sorry

2137

01:28:43,280 --> 01:28:39,659

yeah we should talk to him earlier he

2138

01:28:44,479 --> 01:28:43,290

texted me a while ago in City Hall but

2139

01:28:45,560 --> 01:28:44,489

we should say that you know we're in the

2140

01:28:48,140 --> 01:28:45,570

middle of the book giveaway

2141

01:28:49,879 --> 01:28:48,150

and that we've been running on the show

2142

01:28:51,169 --> 01:28:49,889

for the past month and we usually give

2143

01:28:52,129 --> 01:28:51,179

out a secret word and lots of people

2144

01:28:53,510 --> 01:28:52,139

have been you know writing to me with

2145

01:28:55,250 --> 01:28:53,520

the secret word we should say that we're

2146

01:28:57,859 --> 01:28:55,260

gonna continue that when we come back in

2147

01:28:59,270 --> 01:28:57,869

January because that would make that

2148

01:29:01,700 --> 01:28:59,280

would make more sense and not confuse

2149

01:29:05,540 --> 01:29:01,710

the situation anything any way more than

2150

01:29:07,430 --> 01:29:05,550

it is okay so we have a line open if

2151

01:29:08,780 --> 01:29:07,440

anyone wants to call in even if you

2152

01:29:10,310 --> 01:29:08,790

don't want a book and you want to call

2153

01:29:11,720 --> 01:29:10,320

in that line it's really cool too maybe

2154

01:29:17,030 --> 01:29:11,730

one of our wives will call in or

2155

01:29:18,410 --> 01:29:17,040

something yeah yeah yeah and we in it

2156

01:29:20,060 --> 01:29:18,420

once again just going back to that guy's

2157

01:29:21,830 --> 01:29:20,070

question I can't get it out of my head

2158

01:29:24,740 --> 01:29:21,840

the coin incident where the flying

2159

01:29:27,140 --> 01:29:24,750

saucer chased this Huey helicopter so he

2160

01:29:28,970 --> 01:29:27,150

had four MN in this helicopter they're

2161

01:29:30,740 --> 01:29:28,980

great witnesses but and they'd be

2162

01:29:33,500 --> 01:29:30,750

talking about the coin yes the coin

2163

01:29:35,240 --> 01:29:33,510

incident yeah 70 and and they in and

2164

01:29:37,100 --> 01:29:35,250

they you know describe these flashing

2165

01:29:39,800 --> 01:29:37,110

lights right yes well people on the

2166

01:29:41,689 --> 01:29:39,810

ground very very few UFO you know

2167

01:29:43,370 --> 01:29:41,699

sightings of this caliber have actual

2168

01:29:45,410 --> 01:29:43,380

people in different geographical

2169

01:29:47,030 --> 01:29:45,420

locations seeing the same thing but they

2170

01:29:49,459 --> 01:29:47,040

did see him in fact they were award and

2171

01:29:50,569 --> 01:29:49,469

some kind of an award for best story of

2172

01:29:53,660 --> 01:29:50,579

the year by the National Enquirer

2173

01:29:56,270 --> 01:29:53,670

because they they corroborated exactly

2174

01:29:58,250 --> 01:29:56,280

what the people in the we were see

2175

01:30:00,470 --> 01:29:58,260

people who haven't heard that particular

2176
01:30:02,629 --> 01:30:00,480
story the thing actually pulled the

2177
01:30:04,550 --> 01:30:02,639
helicopter up I moved right no the whole

2178
01:30:05,870 --> 01:30:04,560
details of that yep yep go ahead and

2179
01:30:07,189 --> 01:30:05,880
tell him just maybe a person hasn't

2180
01:30:08,540 --> 01:30:07,199
heard that one they were around they

2181
01:30:11,750 --> 01:30:08,550
were just ferrying that there were

2182
01:30:13,310 --> 01:30:11,760
national God Airmen and I mean national

2183
01:30:14,660 --> 01:30:13,320
gun and there in that Huey helicopter

2184
01:30:16,760 --> 01:30:14,670
which everyone knows what they look like

2185
01:30:20,950 --> 01:30:16,770
because they're very what's the word

2186
01:30:23,479 --> 01:30:20,960
ubiquitous they're ubiquitous everywhere

2187
01:30:25,010 --> 01:30:23,489
1970 and they long from Cleveland to

2188
01:30:26,089 --> 01:30:25,020

another airbase off from another Rio

2189

01:30:28,819 --> 01:30:26,099

base to Cleveland they were just

2190

01:30:30,589 --> 01:30:28,829

basically moving this helicopter and one

2191

01:30:31,939 --> 01:30:30,599

of the guys in the back sees these

2192

01:30:33,649 --> 01:30:31,949

lights these bright lights coming

2193

01:30:35,930 --> 01:30:33,659

towards them now they were near another

2194

01:30:38,510 --> 01:30:35,940

military base and they thought that it

2195

01:30:39,830 --> 01:30:38,520

was one of these f-100 Super Sabres that

2196

01:30:42,589 --> 01:30:39,840

were going to crash into the helicopter

2197

01:30:45,140 --> 01:30:42,599

so they hit the panic button let's say

2198

01:30:47,270 --> 01:30:45,150

the emergency button in the in the the

2199

01:30:49,069 --> 01:30:47,280

pilot was smoking a cigarette at the

2200

01:30:51,649 --> 01:30:49,079

time see if you could imagine how come

2201

01:30:53,300 --> 01:30:51,659

these people were he put it into a put

2202

01:30:54,649 --> 01:30:53,310

the helicopter into a steep dive because

2203

01:30:56,419 --> 01:30:54,659

he thinks he's gonna get hit

2204

01:30:58,729 --> 01:30:56,429

yeah by this jet fighter and then when

2205

01:30:59,570 --> 01:30:58,739

they when they kind of recovered is this

2206

01:31:01,610 --> 01:30:59,580

thing flying

2207

01:31:05,000 --> 01:31:01,620

right beside them and pulled them up

2208

01:31:07,040 --> 01:31:05,010

he's apparently he's trying to make the

2209

01:31:08,570 --> 01:31:07,050

helicopter go down I'll stay level and

2210

01:31:11,360 --> 01:31:08,580

it did have some kind of aerodynamic

2211

01:31:12,620 --> 01:31:11,370

effect on it and everyone saw it they

2212

01:31:15,230 --> 01:31:12,630

saw the blinking lights and they were

2213

01:31:17,090 --> 01:31:15,240

able to give the locations on the UFO of

2214

01:31:19,640 --> 01:31:17,100

the blinking lights and then Bowman took

2215

01:31:21,320 --> 01:31:19,650

off in a flash but the fact that this

2216

01:31:23,180 --> 01:31:21,330

mother and these bunch of kids who

2217

01:31:25,400 --> 01:31:23,190

coming back from a swimming hole or

2218

01:31:27,860 --> 01:31:25,410

something you know saw this and and

2219

01:31:29,510 --> 01:31:27,870

corroborated the time and the sequence

2220

01:31:31,580 --> 01:31:29,520

of lights flashing and stuff and that

2221

01:31:34,820 --> 01:31:31,590

the thing took off in a you know in a

2222

01:31:36,380 --> 01:31:34,830

second that's that's that's a great UFO

2223

01:31:38,540 --> 01:31:36,390

case you know what I mean it has like

2224

01:31:40,610 --> 01:31:38,550

close more evidence than 90% of the

2225

01:31:42,500 --> 01:31:40,620

stuff we hear I'm a friend of a Lee

2226

01:31:44,420 --> 01:31:42,510

Spiegel I don't know if you ever know

2227

01:31:45,710 --> 01:31:44,430

laughing tomorrow right right he's no

2228

01:31:48,290 --> 01:31:45,720

longer with him but he's actually helped

2229

01:31:49,190 --> 01:31:48,300

most James Fox a movie which is actually

2230

01:31:50,600 --> 01:31:49,200

gonna be coming out

2231

01:31:52,940 --> 01:31:50,610

oh good really soon it's gonna be a

2232

01:31:56,270 --> 01:31:52,950

great movie good but anyway he

2233

01:31:58,760 --> 01:31:56,280

interviewed coin you know personally not

2234

01:32:00,920 --> 01:31:58,770

real long after that happened yeah and

2235

01:32:02,630 --> 01:32:00,930

actually he actually has the original

2236

01:32:05,990 --> 01:32:02,640

interview that he's actually selling on

2237

01:32:08,630 --> 01:32:06,000

I think on tape along with many other

2238

01:32:10,280 --> 01:32:08,640

really great interviews you know why

2239

01:32:12,340 --> 01:32:10,290

would this coin guy he's a lieutenant

2240

01:32:16,220 --> 01:32:12,350

colonel in the National Guard

2241

01:32:18,530 --> 01:32:16,230

he has no there's no upside for him

2242

01:32:20,780 --> 01:32:18,540

other than the fact and you know his his

2243

01:32:22,910 --> 01:32:20,790

name's out there in public there's no

2244

01:32:25,100 --> 01:32:22,920

website for him to report this if it was

2245

01:32:27,740 --> 01:32:25,110

a hoax you know so it must happen right

2246

01:32:31,550 --> 01:32:27,750

kid this happened in nineteen thank you

2247

01:32:32,780 --> 01:32:31,560

1970 and it was in Mansfield Ohio and it

2248

01:32:35,390 --> 01:32:32,790

was 11 o'clock at night when that

2249

01:32:38,660 --> 01:32:35,400

happened yeah and so that that is one of

2250

01:32:41,060 --> 01:32:38,670

the really interesting cases again

2251

01:32:43,970 --> 01:32:41,070

militaries involved they were involved

2252

01:32:47,210 --> 01:32:43,980

yeah they were involved in in in the in

2253

01:32:49,490 --> 01:32:47,220

an overwhelming percentage of cases so

2254

01:32:51,740 --> 01:32:49,500

why was he able to talk about this and

2255

01:32:53,390 --> 01:32:51,750

not other people that have encounters I

2256

01:32:55,070 --> 01:32:53,400

think it's probably because they were in

2257

01:32:56,540 --> 01:32:55,080

national gazmin and they weren't regular

2258

01:32:58,100 --> 01:32:56,550

military nice the only thing I can think

2259

01:33:00,620 --> 01:32:58,110

of and then they had on the ground

2260

01:33:04,280 --> 01:33:00,630

witnesses civilian witness yes - yeah

2261

01:33:06,400 --> 01:33:04,290

yeah another aspect who's there it's

2262

01:33:09,470 --> 01:33:06,410

which is on the line with us

2263

01:33:12,160 --> 01:33:09,480

hey are you calling for a book never

2264

01:33:14,950 --> 01:33:12,170

left I don't know I've been on yeah

2265

01:33:17,410 --> 01:33:14,960

it was the contact okay but just just

2266

01:33:19,300 --> 01:33:17,420

quickly some of the guys afterwards they

2267

01:33:20,830 --> 01:33:19,310

started having very strange dreams and

2268

01:33:22,959 --> 01:33:20,840

they were even having out-of-body

2269

01:33:24,850 --> 01:33:22,969

experiences well these are guys that had

2270

01:33:26,890 --> 01:33:24,860

experienced any kind of psychic

2271

01:33:29,110 --> 01:33:26,900

phenomena or anything like that prior to

2272

01:33:30,760 --> 01:33:29,120

the coin helicopter incident that

2273

01:33:32,020 --> 01:33:30,770

happens to a lot of people who don't

2274

01:33:34,180 --> 01:33:32,030

have really good sightings and that's

2275

01:33:35,860 --> 01:33:34,190

right you look at the allagash incident

2276

01:33:38,229 --> 01:33:35,870

all those guys had terrible dreams yeah

2277

01:33:39,490 --> 01:33:38,239

and why that happens it's just like one

2278

01:33:41,110 --> 01:33:39,500

more you know piece that we don't

2279

01:33:44,410 --> 01:33:41,120

understand about this but it's something

2280

01:33:48,010 --> 01:33:44,420

that happens a lot right you were

2281

01:33:49,840 --> 01:33:48,020

talking earlier switchblade what a name

2282

01:33:50,919 --> 01:33:49,850

hey were you given that you must have

2283

01:33:52,390 --> 01:33:50,929

been Mac you must have given him that

2284

01:34:01,600 --> 01:33:52,400

name well there's a little story if you

2285

01:34:05,500 --> 01:34:01,610

want to hear it no no no I do we we had

2286

01:34:07,419 --> 01:34:05,510

to we wanted to give you most people on

2287

01:34:10,620 --> 01:34:07,429

the show don't use their real names okay

2288

01:34:13,000 --> 01:34:10,630

for reasons that might be a parent so

2289

01:34:15,970 --> 01:34:13,010

switch became a correspondent so we

2290

01:34:18,400 --> 01:34:15,980

started calling him stiletto Steve and

2291

01:34:20,470 --> 01:34:18,410

of course in our part of the world I

2292

01:34:22,840 --> 01:34:20,480

remember this stiletto you know me as a

2293

01:34:24,640 --> 01:34:22,850

jackknife or something that you stick

2294

01:34:27,550 --> 01:34:24,650

someone with in his part of the world

2295

01:34:30,430 --> 01:34:27,560

that meant stiletto high heels and he

2296

01:34:33,370 --> 01:34:30,440

didn't want to be associate with that go

2297

01:34:34,630 --> 01:34:33,380

ahead Steve introduced me he would live

2298

01:34:37,000 --> 01:34:34,640

near Battle Creek so he would make a

2299

01:34:38,530 --> 01:34:37,010

joke about cornflakes for Tony the Tiger

2300

01:34:40,330 --> 01:34:38,540

so finally one day I said Mac you know

2301

01:34:42,880 --> 01:34:40,340

people are probably envisioning some guy

2302

01:34:49,419 --> 01:34:42,890

wearing a Tony the Tiger t-shirt with

2303

01:34:52,260 --> 01:34:49,429

stiletto high heels Wow compassionate

2304

01:34:55,930 --> 01:34:52,270

man so he read of me which way oh wow

2305

01:34:57,669 --> 01:34:55,940

okay do you always read up people well

2306

01:34:59,709 --> 01:34:57,679

you know they told me not to do it in

2307

01:35:00,189 --> 01:34:59,719

school but I don't all right sorry about

2308

01:35:02,950 --> 01:35:00,199

that

2309

01:35:04,270 --> 01:35:02,960

all right so we have a caller name I bet

2310

01:35:06,400 --> 01:35:04,280

I know who it is Bobby from North

2311

01:35:09,729 --> 01:35:06,410

Carolina you're on the line okay Bobby

2312

01:35:10,810 --> 01:35:09,739

yeah Bobby is one how you doing yeah

2313

01:35:12,550 --> 01:35:10,820

good Merry Christmas

2314

01:35:14,860 --> 01:35:12,560

same to you merry Christmas to you this

2315

01:35:22,029 --> 01:35:14,870

is Mac one wanna see a little black eyed

2316

01:35:26,079 --> 01:35:24,279

are you are you calling from a tin can

2317

01:35:28,299 --> 01:35:26,089

or something what what is the deal who

2318

01:35:32,229 --> 01:35:28,309

is telling I'm gonna I'm gonna briefly

2319

01:35:34,509 --> 01:35:32,239

at a manufacturing plant okay no it's

2320

01:35:37,289 --> 01:35:34,519

it's cracking up just like you always

2321

01:35:40,209 --> 01:35:37,299

make me crack up Barbie ho ho yeah

2322

01:35:42,909 --> 01:35:40,219

material okay yes it's been that kind of

2323

01:35:46,239 --> 01:35:42,919

a show talking about the corn incident

2324

01:35:48,069 --> 01:35:46,249

would he Mac didn't mention is the the

2325

01:35:50,289 --> 01:35:48,079

UFO was actually above the helicopter

2326

01:35:51,609 --> 01:35:50,299

yes and was pulling it up yeah it is

2327

01:35:53,289 --> 01:35:51,619

flooding the helicopter with a green

2328

01:35:55,149 --> 01:35:53,299

light and they noticed that there

2329

01:35:57,129 --> 01:35:55,159

controls in the helicopter were set for

2330

01:35:59,229 --> 01:35:57,139

a descent but they still climbed up

2331

01:36:01,809 --> 01:35:59,239

several thousand feet and the idea is

2332

01:36:03,009 --> 01:36:01,819

people think that the UFO probably saved

2333

01:36:05,049 --> 01:36:03,019

the guys from crashing into the ground

2334

01:36:06,520 --> 01:36:05,059

yes some yeah Bobby we're gonna have to

2335

01:36:08,469 --> 01:36:06,530

cut you short I'm sorry you have a bad

2336

01:36:10,149 --> 01:36:08,479

connection going on we're gonna we're

2337

01:36:13,509 --> 01:36:10,159

gonna get Bobby a book so Bobby's right

2338

01:36:15,759 --> 01:36:13,519

to me it I can passes away me in a mad

2339

01:36:17,829 --> 01:36:15,769

money doctors a regular a long time

2340

01:36:20,559 --> 01:36:17,839

listener thanks Bobby talk to you later

2341

01:36:22,929 --> 01:36:20,569

Bobby Merry Christmas

2342

01:36:24,669 --> 01:36:22,939

alright so we're out of books but it

2343

01:36:26,049 --> 01:36:24,679

doesn't mean that you can't call in them

2344

01:36:27,699 --> 01:36:26,059

if you can one more number we can learn

2345

01:36:29,529 --> 01:36:27,709

more number okay we can fix it yeah okay

2346

01:36:30,669 --> 01:36:29,539

what do you mean we can fix it we can

2347

01:36:32,529 --> 01:36:30,679

intend to do another book

2348

01:36:34,209 --> 01:36:32,539

oh we're gonna give away an additional

2349

01:36:36,009 --> 01:36:34,219

block position oh boy we're desperate

2350

01:36:38,500 --> 01:36:36,019

for callers aren't we well we wouldn't

2351
01:36:41,859 --> 01:36:38,510
say that lines are jammed is what I mean

2352
01:36:43,059 --> 01:36:41,869
yeah they are right right alright so

2353
01:36:45,489 --> 01:36:43,069
where were we

2354
01:36:47,199 --> 01:36:45,499
we were talking Oh Oh switch blades on

2355
01:36:49,379 --> 01:36:47,209
on switch okay switch is on the line but

2356
01:36:52,509 --> 01:36:49,389
we have Kim I think from Alberta Oh

2357
01:36:53,859 --> 01:36:52,519
California Canada okay

2358
01:36:57,309 --> 01:36:53,869
Kim is this the Kim that called in

2359
01:36:59,409 --> 01:36:57,319
earlier yeah oh good okay well we

2360
01:37:02,199 --> 01:36:59,419
already have a book slated for you but

2361
01:37:11,649 --> 01:37:02,209
but anyway you never got to ask a

2362
01:37:13,509 --> 01:37:11,659
question so feel free to ask you know I

2363
01:37:15,250 --> 01:37:13,519

had up what eight questions to that

2364

01:37:17,379 --> 01:37:15,260

Cobra didn't make it ask number yeah

2365

01:37:19,689 --> 01:37:17,389

yeah I know it's our fault he had no

2366

01:37:21,309 --> 01:37:19,699

Cobra fans out there that yeah getting a

2367

01:37:27,879 --> 01:37:21,319

little out of control you know all the

2368

01:37:30,609 --> 01:37:27,889

street cred that guy I sent him a query

2369

01:37:33,259 --> 01:37:30,619

about a an f-16 incident that happened

2370

01:37:35,239 --> 01:37:33,269

Alberta back in the late seventies

2371

01:37:37,250 --> 01:37:35,249

and it broke a bunch of windows in our

2372

01:37:41,120 --> 01:37:37,260

city on the East Side and it crashed

2373

01:37:43,549 --> 01:37:41,130

about 300 kilometres south and the guy

2374

01:37:46,489 --> 01:37:43,559

ejected and they recovered the plane in

2375

01:37:47,569 --> 01:37:46,499

a very quick pursuit because the friend

2376

01:37:50,359 --> 01:37:47,579

of mine was working in the forestry

2377

01:37:51,950 --> 01:37:50,369

industry up near Bragg Creek know any

2378

01:37:54,739 --> 01:37:51,960

Canadians that might be catching this

2379

01:37:56,569 --> 01:37:54,749

maybe you remember because the story was

2380

01:37:58,549 --> 01:37:56,579

odd that they collected the plane up

2381

01:38:01,250 --> 01:37:58,559

nothing was really said much about it

2382

01:38:03,640 --> 01:38:01,260

except that my friend who was working in

2383

01:38:06,560 --> 01:38:03,650

the location of the downed aircraft

2384

01:38:09,080 --> 01:38:06,570

noticed that the u.s. had come in with

2385

01:38:11,029 --> 01:38:09,090

all kinds of trucks and equipment and I

2386

01:38:14,989 --> 01:38:11,039

mean we're talking fast order I mean the

2387

01:38:16,549 --> 01:38:14,999

border from Calgary to the u.s. even to

2388

01:38:19,339 --> 01:38:16,559

hit the first base would probably be a

2389

01:38:21,680 --> 01:38:19,349

at least a four to five hour drive but

2390

01:38:23,509 --> 01:38:21,690

somehow these guys that got on the scene

2391

01:38:26,029 --> 01:38:23,519

very quickly and recovered this aircraft

2392

01:38:29,209 --> 01:38:26,039

and we believed it was nuked at the time

2393

01:38:31,580 --> 01:38:29,219

but the story went mute nothing was ever

2394

01:38:32,989 --> 01:38:31,590

said about it so I kind of query Cobra

2395

01:38:34,520 --> 01:38:32,999

about it it was one of my little

2396

01:38:35,540 --> 01:38:34,530

questions I have a little million of

2397

01:38:39,259 --> 01:38:35,550

them What did he say

2398

01:38:41,989 --> 01:38:39,269

used him well Miami was a turducken I

2399

01:38:43,729 --> 01:38:41,999

was trying to get some more into myself

2400

01:38:46,189 --> 01:38:43,739

just so I could give him some kind of a

2401

01:38:47,540 --> 01:38:46,199

lead too but since it was the u.s. well

2402

01:38:48,859 --> 01:38:47,550

I'll leave it with him I know that he

2403

01:38:51,229 --> 01:38:48,869

was in the military probably in the

2404

01:38:53,629 --> 01:38:51,239

early 80s or middle 80s mm-hmm

2405

01:38:54,410 --> 01:38:53,639

one of my friends flew cf-18s out of

2406

01:38:58,549 --> 01:38:54,420

Canada

2407

01:38:59,959 --> 01:38:58,559

yeah not after this event so it was kind

2408

01:39:02,600 --> 01:38:59,969

of just like I say one of those things

2409

01:39:05,859 --> 01:39:02,610

that seemed to just kind of pass

2410

01:39:07,759 --> 01:39:05,869

everybody by we kept it all kind of like

2411

01:39:09,259 --> 01:39:07,769

that's what we were talking we've been

2412

01:39:10,879 --> 01:39:09,269

talked about all night is you know why

2413

01:39:12,080 --> 01:39:10,889

don't stories like this that have some

2414

01:39:13,790 --> 01:39:12,090

kind of a mystery to them you have

2415

01:39:16,520 --> 01:39:13,800

always choice but you know why don't

2416

01:39:18,830 --> 01:39:16,530

they last longer people love to see UFO

2417

01:39:22,160 --> 01:39:18,840

movies like out of the top 20 movies we

2418

01:39:23,839 --> 01:39:22,170

did a show a month ago on top 20 alien

2419

01:39:25,580 --> 01:39:23,849

invasion movies that like the top 20

2420

01:39:28,339 --> 01:39:25,590

movies in the US or the past 30 years

2421

01:39:29,779 --> 01:39:28,349

people love this stuff and why it just

2422

01:39:31,189 --> 01:39:29,789

doesn't stick with them when it's

2423

01:39:33,470 --> 01:39:31,199

reported on the news or whether the

2424

01:39:35,479 --> 01:39:33,480

media just you know as you said might

2425

01:39:37,580 --> 01:39:35,489

quickly go on to other things you know

2426

01:39:43,520 --> 01:39:37,590

we don't know but it really is that's

2427

01:39:46,550 --> 01:39:43,530

just another mystery in all of this not

2428

01:39:49,700 --> 01:39:46,560

even touched I was going to talk to you

2429

01:39:52,310 --> 01:39:49,710

about the Dolce and Mexicano or New

2430

01:39:55,700 --> 01:39:52,320

Mexico incident don't say I'm mostly mom

2431

01:39:57,230 --> 01:39:55,710

yeah a Dulce no you know um that I just

2432

01:39:58,730 --> 01:39:57,240

wanted to say something though I wanted

2433

01:40:04,010 --> 01:39:58,740

to link these two stories together the

2434

01:40:05,390 --> 01:40:04,020

one in San Louie the valley mr. Greer

2435

01:40:06,740 --> 01:40:05,400

this is where I wanted to covert out I

2436

01:40:10,430 --> 01:40:06,750

wanted to ask him this question you can

2437

01:40:12,890 --> 01:40:10,440

guys can even ask him this one but there

2438

01:40:14,420 --> 01:40:12,900

was a story of the San Luis Valley where

2439

01:40:15,710 --> 01:40:14,430

they were doing tunneling and they were

2440

01:40:17,930 --> 01:40:15,720

having a war up there one of the

2441

01:40:21,170 --> 01:40:17,940

mountains and a bunch of the guys got

2442

01:40:22,940 --> 01:40:21,180

trapped and militia guys hmm

2443

01:40:26,090 --> 01:40:22,950

there was a gentleman who was flying

2444

01:40:28,940 --> 01:40:26,100

what appeared to be a gust style maybe a

2445

01:40:31,100 --> 01:40:28,950

Huey 500 up and down the Hydra lines to

2446

01:40:33,080 --> 01:40:31,110

check them out right he witnessed

2447

01:40:36,980 --> 01:40:33,090

something going on he flew back into

2448

01:40:38,900 --> 01:40:36,990

town to refuel got contacted by the base

2449

01:40:40,940 --> 01:40:38,910

there who said oh no you got to come

2450

01:40:42,350 --> 01:40:40,950

with us and help us out now there's

2451

01:40:44,300 --> 01:40:42,360

where the story goes Hayworth you know I

2452

01:40:46,700 --> 01:40:44,310

I've been around for a long time I got

2453

01:40:49,220 --> 01:40:46,710

people in military and all kinds of

2454

01:40:52,910 --> 01:40:49,230

different areas of talking of aviation

2455

01:40:55,210 --> 01:40:52,920

but to have the military who is up to

2456

01:40:57,890 --> 01:40:55,220

the ying-yang with aircraft and

2457

01:41:00,260 --> 01:40:57,900

helicopters to ask some guy that was

2458

01:41:02,420 --> 01:41:00,270

checking hydro lines to go up to the top

2459

01:41:05,870 --> 01:41:02,430

of this mountain and rescue a few of

2460

01:41:07,940 --> 01:41:05,880

these guys tied to their his he'll be

2461

01:41:10,220 --> 01:41:07,950

500 like the whole story just goes

2462

01:41:12,140 --> 01:41:10,230

haywire but dr. Greer tells it like it's

2463

01:41:13,940 --> 01:41:12,150

like happening and I just I was just

2464

01:41:16,400 --> 01:41:13,950

hoping that you maybe give some input on

2465

01:41:17,540 --> 01:41:16,410

it well we felt about that story you

2466

01:41:19,130 --> 01:41:17,550

know that's the first time I've heard

2467

01:41:20,510 --> 01:41:19,140

that story but the story is a lot of

2468

01:41:22,220 --> 01:41:20,520

strange things happen in the same Louie

2469

01:41:23,450 --> 01:41:22,230

Valley it's in the southwest corner of

2470

01:41:25,430 --> 01:41:23,460

Colorado yeah

2471

01:41:26,720 --> 01:41:25,440

with the Dulce mountain I mean once

2472

01:41:28,970 --> 01:41:26,730

again I don't want to plug another one

2473

01:41:31,340 --> 01:41:28,980

of my blogs but you're on Deary I got

2474

01:41:36,560 --> 01:41:31,350

one we do a story on Dulce mountain and

2475

01:41:39,800 --> 01:41:36,570

basically by not Martin Willis is show

2476

01:41:47,810 --> 01:41:39,810

and what do you I am that hurt one one

2477

01:41:49,000 --> 01:41:47,820

words hurt Wow so anyway in that's right

2478

01:41:51,500 --> 01:41:49,010

there are awesome books

2479

01:41:53,120 --> 01:41:51,510

they what happened was Kirtland Air

2480

01:41:55,130 --> 01:41:53,130

Force Base in New Mexico at the time you

2481

01:41:56,780 --> 01:41:55,140

know had a big storage

2482

01:41:58,760 --> 01:41:56,790

it was the live storage place for our

2483

01:42:01,310 --> 01:41:58,770

nuclear weapons they were also testing

2484

01:42:02,690 --> 01:42:01,320

the f-117 stealth fighter down there and

2485

01:42:05,540 --> 01:42:02,700

there was a gentleman who was a military

2486

01:42:07,100 --> 01:42:05,550

contractor who you know had some kind of

2487

01:42:09,350 --> 01:42:07,110

equipment and he was picking up strange

2488

01:42:11,600 --> 01:42:09,360

signals and he went to the people at the

2489

01:42:14,420 --> 01:42:11,610

base and said listen you know I'm gay as

2490

01:42:16,310 --> 01:42:14,430

odd signals from whatever these storage

2491

01:42:19,130 --> 01:42:16,320

facilities are and also something flying

2492

01:42:21,890 --> 01:42:19,140

around it's right exactly he thinks that

2493

01:42:24,110 --> 01:42:21,900

UFOs he went up and he tried to be a

2494

01:42:25,430 --> 01:42:24,120

good guy and it turns out that they were

2495

01:42:26,900 --> 01:42:25,440

testing the stealth fighter which they

2496

01:42:28,310 --> 01:42:26,910

couldn't tell anyone and they had on

2497

01:42:30,290 --> 01:42:28,320

nucleo a lot of nuclear weapons and

2498

01:42:32,990 --> 01:42:30,300

stores there so these two guys who are

2499

01:42:34,640 --> 01:42:33,000

in the Air Force intelligence they have

2500

01:42:37,580 --> 01:42:34,650

some kind of name but they're really

2501

01:42:40,700 --> 01:42:37,590

just glorified gods at the station at

2502

01:42:43,250 --> 01:42:40,710

the base and they just gave him this you

2503

01:42:44,720 --> 01:42:43,260

know cock-and-bull story any any and he

2504

01:42:46,880 --> 01:42:44,730

believed that he was just one of these

2505

01:42:49,940 --> 01:42:46,890

guys who once again was passionate about

2506

01:42:53,120 --> 01:42:49,950

it and and they kept feeding him these

2507

01:42:56,030 --> 01:42:53,130

yes disinformation stories about 50,000

2508

01:42:59,360 --> 01:42:56,040

you know aliens and he alive and no no

2509

01:43:01,190 --> 01:42:59,370

he died but before he died even the

2510

01:43:04,490 --> 01:43:01,200

pranksters who were you know at some

2511

01:43:05,900 --> 01:43:04,500

point chastised by the Air Force told

2512

01:43:07,370 --> 01:43:05,910

them that he made it up but he wouldn't

2513

01:43:08,780 --> 01:43:07,380

believe it he was in and out of mental

2514

01:43:10,610 --> 01:43:08,790

institutions and everything and they

2515

01:43:17,840 --> 01:43:10,620

really kind of drove this guy crazy and

2516

01:43:19,790 --> 01:43:17,850

crazy and drove him to his grave so what

2517

01:43:21,410 --> 01:43:19,800

we have Bob's doing okay by himself but

2518

01:43:23,570 --> 01:43:21,420

anyway that whole story about bouncy

2519

01:43:25,730 --> 01:43:23,580

mountain it's just not true it's it's

2520

01:43:28,010 --> 01:43:25,740

literally a disinformation story by two

2521

01:43:30,230 --> 01:43:28,020

amateurs and they destroyed this guy

2522

01:43:32,060 --> 01:43:30,240

Paul bennewitz Thank You Mack okay thank

2523

01:43:34,700 --> 01:43:32,070

you thanks for calling thanks a lot

2524

01:43:37,160 --> 01:43:34,710

thanks Kim very good Merry Christmas all

2525

01:43:39,830 --> 01:43:37,170

right happy holidays yeah Chris slam

2526

01:43:42,950 --> 01:43:39,840

brights a friend word and touch quite

2527

01:43:45,230 --> 01:43:42,960

often and he wrote the book on Paul

2528

01:43:47,930 --> 01:43:45,240

bennewitz it's unreal it's a real sad

2529

01:43:52,160 --> 01:43:47,940

yes sad story it sure is but Richard

2530

01:43:54,410 --> 01:43:52,170

Doty out there you know he was feeding

2531

01:43:56,750 --> 01:43:54,420

him this disinformation rhyme and

2532

01:43:58,610 --> 01:43:56,760

there's a story about a computer at the

2533

01:44:00,470 --> 01:43:58,620

time it would be an early computer yeah

2534

01:44:01,580 --> 01:44:00,480

and they went through it they broke into

2535

01:44:04,460 --> 01:44:01,590

his house and went through his computer

2536

01:44:07,430 --> 01:44:04,470

yeah there's there's a lot going on with

2537

01:44:08,870 --> 01:44:07,440

that and then we don't know exactly how

2538

01:44:11,840 --> 01:44:08,880

he passed away but

2539

01:44:13,129 --> 01:44:11,850

wasn't good it was natural causes well

2540

01:44:16,490 --> 01:44:13,139

it might have been but he was in and out

2541

01:44:19,040 --> 01:44:16,500

of mental institutions you know and in I

2542

01:44:21,050 --> 01:44:19,050

mean all right in a way you know I mean

2543

01:44:23,689 --> 01:44:21,060

what they were it was done by amateurs

2544

01:44:25,520 --> 01:44:23,699

from one thing and you know they were

2545

01:44:26,689 --> 01:44:25,530

trying to protect the fact that they

2546

01:44:28,340 --> 01:44:26,699

were we were flying the stealth fighter

2547

01:44:30,590 --> 01:44:28,350

out there which was highly secret then

2548

01:44:32,570 --> 01:44:30,600

and as I said a lot of nukes and storage

2549

01:44:33,919 --> 01:44:32,580

there and they were trying to distract

2550

01:44:35,930 --> 01:44:33,929

him from that but the thing is is that

2551

01:44:38,360 --> 01:44:35,940

the guy was a military contractor and

2552

01:44:40,310 --> 01:44:38,370

with a lot of these military contractors

2553

01:44:41,959 --> 01:44:40,320

who see stuff they have you sign you

2554

01:44:44,780 --> 01:44:41,969

know of what we're talking about earlier

2555

01:44:46,700 --> 01:44:44,790

you know it's a non-disclosure agreement

2556

01:44:48,590 --> 01:44:46,710

I guess you know and in people doing

2557

01:44:49,760 --> 01:44:48,600

basically what it is is if you say

2558

01:44:52,040 --> 01:44:49,770

anything you'll never get any business

2559

01:44:53,450 --> 01:44:52,050

from us so you know they keep quiet

2560

01:44:55,700 --> 01:44:53,460

about it and I can understand that but

2561

01:44:57,560 --> 01:44:55,710

why these guys picked on this guy it is

2562

01:45:03,800 --> 01:44:57,570

it's like one of the saddest stories in

2563

01:45:07,820 --> 01:45:03,810

UFO ecology of ufology yeah yeah yeah

2564

01:45:10,490 --> 01:45:07,830

it's it's it's sad and it's it's also a

2565

01:45:12,919 --> 01:45:10,500

mystery with what material that the

2566

01:45:15,200 --> 01:45:12,929

family still has that he had because he

2567

01:45:16,610 --> 01:45:15,210

did a lot of filming yeah he took some

2568

01:45:17,540 --> 01:45:16,620

great pictures and it was most likely

2569

01:45:20,840 --> 01:45:17,550

military

2570

01:45:22,399 --> 01:45:20,850

know the guy was a real Patriot I hate

2571

01:45:24,229 --> 01:45:22,409

to use that word these days but he

2572

01:45:26,419 --> 01:45:24,239

really was he was trying to help out and

2573

01:45:28,700 --> 01:45:26,429

this is what they did to him you know so

2574

01:45:30,649 --> 01:45:28,710

but Dulcie mountain don't believe it

2575

01:45:32,360 --> 01:45:30,659

it's just it's a mountain out in the

2576

01:45:35,209 --> 01:45:32,370

desert and there nothing to it you know

2577

01:45:36,770 --> 01:45:35,219

I gotta say though people have a lot of

2578

01:45:38,840 --> 01:45:36,780

people who have been around there say

2579

01:45:40,490 --> 01:45:38,850

there are some weird things happening in

2580

01:45:42,560 --> 01:45:40,500

the area but that's also because as part

2581

01:45:44,060 --> 01:45:42,570

of the San Luis Valley like and it's

2582

01:45:45,590 --> 01:45:44,070

near Kirkland Air Force Base and I'll

2583

01:45:47,990 --> 01:45:45,600

tell you this is a secret place because

2584

01:45:50,149 --> 01:45:48,000

when we were doing beyond area 51 as it

2585

01:45:51,979 --> 01:45:50,159

turns out hop emember hop up in Alaska

2586

01:45:54,439 --> 01:45:51,989

was right that was like they like

2587

01:45:56,300 --> 01:45:54,449

sending tons and millions of volts of

2588

01:45:59,090 --> 01:45:56,310

electricity up into the Earth's

2589

01:46:00,740 --> 01:45:59,100

atmosphere that was run by Kirkland Air

2590

01:46:03,290 --> 01:46:00,750

Force Base if you live down in New

2591

01:46:04,430 --> 01:46:03,300

Mexico and I asked them for a picture of

2592

01:46:05,959 --> 01:46:04,440

hop and they wouldn't give it to me and

2593

01:46:07,910 --> 01:46:05,969

then I asked them for a picture just a

2594

01:46:09,350 --> 01:46:07,920

picture of you know their front gate

2595

01:46:12,229 --> 01:46:09,360

that would say Kirkland Air Force Base

2596

01:46:13,970 --> 01:46:12,239

they said no it's classified so you know

2597

01:46:15,800 --> 01:46:13,980

they're really secret down Wow

2598

01:46:18,229 --> 01:46:15,810

yeah and we talked we were talking about

2599

01:46:21,590 --> 01:46:18,239

you know Paul bennewitz in general and

2600

01:46:22,959 --> 01:46:21,600

one of the the things about that Richard

2601

01:46:26,110 --> 01:46:22,969

Doty has out

2602

01:46:28,090 --> 01:46:26,120

now he's starting to talk he has been

2603

01:46:30,580 --> 01:46:28,100

the last couple of years and he's also

2604

01:46:33,640 --> 01:46:30,590

talking about aliens I mean what is

2605

01:46:37,120 --> 01:46:33,650

really bizarre making them buck I guess

2606

01:46:39,280 --> 01:46:37,130

that's what it's about but who isn't you

2607

01:46:41,380 --> 01:46:39,290

know someone suggested I have him on my

2608

01:46:42,970 --> 01:46:41,390

show I just have never really given that

2609

01:46:45,070 --> 01:46:42,980

a lot of thought and maybe it would make

2610

01:46:47,050 --> 01:46:45,080

for an interesting show I'd certainly 7

2611

01:46:48,459 --> 01:46:47,060

the next simulcast yeah there is if he

2612

01:46:50,590 --> 01:46:48,469

can make it through these two hours

2613

01:46:53,310 --> 01:46:50,600

that's right what do you think kid

2614

01:46:56,709 --> 01:46:53,320

should we have mana one let's roast him

2615

01:46:58,979 --> 01:46:56,719

well means that literally folks we're

2616

01:47:02,439 --> 01:46:58,989

gonna have a black-eyed kid as the

2617

01:47:03,670 --> 01:47:02,449

manager of guest relations now I'll tea

2618

01:47:05,560 --> 01:47:03,680

I'm never gonna look at Santa Claus

2619

01:47:07,990 --> 01:47:05,570

again the same way after they get me out

2620

01:47:10,120 --> 01:47:08,000

now yeah I'm pretty freaked out so we

2621

01:47:12,189 --> 01:47:10,130

still have that number available that

2622

01:47:14,680 --> 01:47:12,199

line is still open if anyone would like

2623

01:47:18,459 --> 01:47:14,690

to call in and join us that's 603 five

2624

01:47:19,030 --> 01:47:18,469

eight three four seven six seven give us

2625

01:47:22,990 --> 01:47:19,040

a call

2626

01:47:24,760 --> 01:47:23,000

Steve a switch still there I forgot all

2627

01:47:27,220 --> 01:47:24,770

about him I have to ask him this I asked

2628

01:47:41,320 --> 01:47:27,230

him every day every show for breakfast

2629

01:47:42,970 --> 01:47:41,330

today just long as you can reach us on

2630

01:47:44,770 --> 01:47:42,980

the phone that we find but he lives up

2631

01:47:47,380 --> 01:47:44,780

in Battle Creek and he can smell you

2632

01:47:50,020 --> 01:47:47,390

know the place being made every day yes

2633

01:47:51,670 --> 01:47:50,030

is that right yep true story and that

2634

01:47:52,959 --> 01:47:51,680

true this between please I've actually

2635

01:47:54,550 --> 01:47:52,969

live a little bit east of there but I

2636

01:47:58,600 --> 01:47:54,560

can just barely hear the snap crackle

2637

01:48:00,220 --> 01:47:58,610

pop Wow as it turns out switches the man

2638

01:48:01,689 --> 01:48:00,230

on the way up he's been you know since I

2639

01:48:03,700 --> 01:48:01,699

show or maybe it's a coincidence one

2640

01:48:05,590 --> 01:48:03,710

when we don't know but he's been asked

2641

01:48:07,240 --> 01:48:05,600

to give a lot of speeches and make a lot

2642

01:48:12,550 --> 01:48:07,250

of appearances and sing this snap

2643

01:48:17,770 --> 01:48:12,560

crackle and he doesn't return our phone

2644

01:48:20,020 --> 01:48:17,780

calls well you know no one in the limo

2645

01:48:25,420 --> 01:48:20,030

he frosted mini-wheats is might go to

2646

01:48:27,670 --> 01:48:25,430

cereal for snacking yes I would say that

2647

01:48:29,229 --> 01:48:27,680

I thought you know you were you the last

2648

01:48:30,580 --> 01:48:29,239

time we talked about cereal one line you

2649

01:48:32,620 --> 01:48:30,590

were making your own raisin bran

2650

01:48:34,270 --> 01:48:32,630

remember you would get like 10 pounds of

2651

01:48:35,740 --> 01:48:34,280

brand and ten pounds of raisins and mix

2652

01:48:36,379 --> 01:48:35,750

them because I was trying to eat healthy

2653

01:48:38,120 --> 01:48:36,389

you know

2654

01:48:39,520 --> 01:48:38,130

not working out for me well you look

2655

01:48:43,609 --> 01:48:39,530

good what do you mean what do you so you

2656

01:48:46,790 --> 01:48:43,619

it's just not satisfy sure I'm eating

2657

01:48:49,520 --> 01:48:46,800

oatmeal too and my dietician says you

2658

01:48:51,259 --> 01:48:49,530

can put maple syrup on it but stay away

2659

01:48:54,919 --> 01:48:51,269

from I'll talk about putting sugar on

2660

01:48:57,500 --> 01:48:54,929

top of sugar maple syrup maple syrup we

2661

01:49:00,439 --> 01:48:57,510

desperately need a call I can't talk

2662

01:49:02,239 --> 01:49:00,449

about diet oh no anyway that number a

2663

01:49:04,669 --> 01:49:02,249

lot of customers I'm an IT guy they're

2664

01:49:11,560 --> 01:49:04,679

just about 50% of them have had some

2665

01:49:15,379 --> 01:49:13,879

think I don't count as a paranormal I

2666

01:49:16,850 --> 01:49:15,389

don't let your customers know assister

2667

01:49:20,020 --> 01:49:16,860

we're gonna be transparent I know a lot

2668

01:49:22,549 --> 01:49:20,030

of your customers that's a lonely one

2669

01:49:26,859 --> 01:49:22,559

one is a woman and one of the nearby

2670

01:49:29,870 --> 01:49:26,869

towns angry okay I would like to ask

2671

01:49:32,270 --> 01:49:29,880

Switchblade in your area that you live

2672

01:49:36,549 --> 01:49:32,280

in Battle Creek are there any known UFO

2673

01:49:39,589 --> 01:49:36,559

incidents that you can talk about I

2674

01:49:41,449 --> 01:49:39,599

would go back to I I grew up in in

2675

01:49:43,669 --> 01:49:41,459

Michigan near the Detroit area and of

2676

01:49:48,069 --> 01:49:43,679

course the swamp gas sightings go back

2677

01:49:51,409 --> 01:49:48,079

to March of 1967 those I mean yeah just

2678

01:49:54,139 --> 01:49:51,419

flap is that is that the only is that

2679

01:49:55,969 --> 01:49:54,149

all you got party do the show no there's

2680

01:49:58,399 --> 01:49:55,979

all kinds there's always been sightings

2681

01:50:00,439 --> 01:49:58,409

around Michigan so nice I don't know why

2682

01:50:01,790 --> 01:50:00,449

do the thumbnail version of the swamp

2683

01:50:04,069 --> 01:50:01,800

gas because that's a really that's an

2684

01:50:06,169 --> 01:50:04,079

important story because it's the first

2685

01:50:07,850 --> 01:50:06,179

time they use the swamp gas excuse you

2686

01:50:09,949 --> 01:50:07,860

know right yeah just the thumbnail

2687

01:50:11,419 --> 01:50:09,959

version play Allen Hynek and also there

2688

01:50:13,699 --> 01:50:11,429

were some very a lot of very credible

2689

01:50:15,649 --> 01:50:13,709

sightings for my police officers and so

2690

01:50:17,569 --> 01:50:15,659

forth okay just don't get just to let

2691

01:50:18,819 --> 01:50:17,579

you know we have five minutes tell us in

2692

01:50:21,199 --> 01:50:18,829

a minute

2693

01:50:23,929 --> 01:50:21,209

okay also this is this is a real hot

2694

01:50:26,750 --> 01:50:23,939

spot I mean the Michigan Dogman has been

2695

01:50:29,629 --> 01:50:26,760

seen in this area Kalamazoo Battle Creek

2696

01:50:31,489 --> 01:50:29,639

and so forth yeah it's it's Michigan's

2697

01:50:34,219 --> 01:50:31,499

always been a really hot spot for for

2698

01:50:37,429 --> 01:50:34,229

hauntings for for UFOs Bigfoot

2699

01:50:39,229 --> 01:50:37,439

everything well oh it's but but with

2700

01:50:40,549 --> 01:50:39,239

these swamp gas you know the swamp gas

2701
01:50:44,600 --> 01:50:40,559
incident can you tell us in a minute

2702
01:50:47,959 --> 01:50:44,610
what happened well yes it was it was a

2703
01:50:49,410 --> 01:50:47,969
huge flap in March of 1966 Ann Arbor

2704
01:50:52,290 --> 01:50:49,420
Dexter Hills

2705
01:50:54,390 --> 01:50:52,300
and docked back then dr. J Allen Hynek

2706
01:50:55,680 --> 01:50:54,400
was still attached a project Bluebook so

2707
01:50:57,570 --> 01:50:55,690
he was kind of in a debunking role

2708
01:50:59,820 --> 01:50:57,580
although later on he separated from that

2709
01:51:01,980 --> 01:50:59,830
became one of the good guys and started

2710
01:51:03,960 --> 01:51:01,990
the Center for UFO studies but he he

2711
01:51:06,210 --> 01:51:03,970
thought that some of the sightings some

2712
01:51:09,150 --> 01:51:06,220
of them in Hillsdale might have been due

2713
01:51:11,790 --> 01:51:09,160

to swamp gas you know the the gases that

2714

01:51:13,620 --> 01:51:11,800

form in swamps and so forth and that the

2715

01:51:15,810 --> 01:51:13,630

press jumped on it and that was the

2716

01:51:17,670 --> 01:51:15,820

explanation for everything it was

2717

01:51:20,370 --> 01:51:17,680

interesting because I saw him speak ten

2718

01:51:22,950 --> 01:51:20,380

years later in Ann Arbor at the 1976

2719

01:51:24,780 --> 01:51:22,960

MUFON symposium and he had was kind of

2720

01:51:26,970 --> 01:51:24,790

doing a retrospective on and everything

2721

01:51:28,800 --> 01:51:26,980

that happened then well he's you know

2722

01:51:31,080 --> 01:51:28,810

he's the one that wrote the book that

2723

01:51:33,060 --> 01:51:31,090

did set off the close encounter

2724

01:51:35,490 --> 01:51:33,070

category's Close Encounters of the Third

2725

01:51:37,260 --> 01:51:35,500

Kind and so forth we talk about a Steven

2726

01:51:39,000 --> 01:51:37,270

Spielberg on the show a lot yeah some

2727

01:51:41,430 --> 01:51:39,010

reason cuz one was him and I think that

2728

01:51:44,460 --> 01:51:41,440

yeah he's a popular director but not

2729

01:51:46,560 --> 01:51:44,470

like a great director but he should do

2730

01:51:50,190 --> 01:51:46,570

the the Hynek story he'd be the perfect

2731

01:51:51,690 --> 01:51:50,200

guy to do it because yeah he was as

2732

01:51:53,640 --> 01:51:51,700

which said he was with the Air Force he

2733

01:51:56,280 --> 01:51:53,650

was the debunk of literally a scientist

2734

01:51:57,960 --> 01:51:56,290

you know to debunk me and then he

2735

01:51:59,850 --> 01:51:57,970

changed he saw the evidence and he

2736

01:52:01,590 --> 01:51:59,860

changed you know and some people say it

2737

01:52:03,180 --> 01:52:01,600

was Socorro was a tipping point yeah

2738

01:52:05,400 --> 01:52:03,190

there was a yeah yeah he was an

2739

01:52:08,010 --> 01:52:05,410

interesting guy yeah and now the project

2740

01:52:10,560 --> 01:52:08,020

Bluebook on the History Channel is

2741

01:52:12,120 --> 01:52:10,570

coming out on January oh Willy yeah

2742

01:52:13,860 --> 01:52:12,130

that'll be good yeah yeah that's good

2743

01:52:16,950 --> 01:52:13,870

there's a little bit of artistic license

2744

01:52:20,370 --> 01:52:16,960

with that but it should be fine that

2745

01:52:23,040 --> 01:52:20,380

means they're gonna ruin it why yes you

2746

01:52:25,610 --> 01:52:23,050

know it's embellished CY embellish it

2747

01:52:28,380 --> 01:52:25,620

you know because it's it's well as it is

2748

01:52:30,150 --> 01:52:28,390

it is but you have to hold an audience

2749

01:52:31,860 --> 01:52:30,160

attention well then you don't want that

2750

01:52:33,960 --> 01:52:31,870

audience that you have to hold if you

2751

01:52:35,910 --> 01:52:33,970

just go out there and I sort of agree on

2752

01:52:37,500 --> 01:52:35,920

the truth but no no they don't they

2753

01:52:39,450 --> 01:52:37,510

don't they don't go completely against

2754

01:52:42,920 --> 01:52:39,460

things they just embellish it there's no

2755

01:52:44,910 --> 01:52:42,930

need for ontology okay sorry about that

2756

01:52:46,380 --> 01:52:44,920

maybe we won't watch we have a show that

2757

01:52:50,880 --> 01:52:46,390

night I mean oh you have to watch it

2758

01:52:54,270 --> 01:52:50,890

yeah I'll DVR it all right so we still

2759

01:52:56,670 --> 01:52:54,280

have about three minutes left and we're

2760

01:52:59,700 --> 01:52:56,680

not taking any more calls but I just

2761

01:53:01,620 --> 01:52:59,710

wanted to ask you guys do you have any

2762

01:53:06,360 --> 01:53:01,630

new year's resolution that you

2763

01:53:09,600 --> 01:53:06,370

to talk about when it comes to UFOs no

2764

01:53:13,050 --> 01:53:09,610

when it comes to UFOs I was just trying

2765

01:53:14,729 --> 01:53:13,060

to stay on topic oh yeah I got my

2766

01:53:18,689 --> 01:53:14,739

resolution would be if I don't see a UFO

2767

01:53:23,490 --> 01:53:18,699

between now and say January 31st then

2768

01:53:27,330 --> 01:53:23,500

we'll just make one up oh wow Wow I say

2769

01:53:29,580 --> 01:53:27,340

tonight yeah I have such great vantage

2770

01:53:31,439 --> 01:53:29,590

points I live in a hill that's 900 feet

2771

01:53:33,000 --> 01:53:31,449

elevation and this is other hill near me

2772

01:53:35,070 --> 01:53:33,010

that's even higher you look right over

2773

01:53:36,510 --> 01:53:35,080

Lake Winnepesaukee yeah I don't think

2774

01:53:38,040 --> 01:53:36,520

you see them when you're looking I just

2775

01:53:39,300 --> 01:53:38,050

don't see them when you look that can

2776

01:53:42,390 --> 01:53:39,310

I've had these conversations if you're

2777

01:53:44,280 --> 01:53:42,400

if you're deliberately trying to look

2778

01:53:47,580 --> 01:53:44,290

let's see I got my binoculars and

2779

01:53:50,100 --> 01:53:47,590

everything and nothing happens no

2780

01:53:53,070 --> 01:53:50,110

streaks no movement

2781

01:53:54,689 --> 01:53:53,080

yeah thing it's just one of those

2782

01:53:56,550 --> 01:53:54,699

situations we driving down the highway

2783

01:53:58,350 --> 01:53:56,560

it's just that up in the way down

2784

01:54:00,300 --> 01:53:58,360

something off said boom yeah something's

2785

01:54:02,850 --> 01:54:00,310

gonna happen yeah and that's that's what

2786

01:54:05,280 --> 01:54:02,860

I 1 for the sighting I had just happened

2787

01:54:06,629 --> 01:54:05,290

to happen you know I'm yeah yeah it's

2788

01:54:08,450 --> 01:54:06,639

just you're just the right place right

2789

01:54:10,950 --> 01:54:08,460

time you know you know I'm actually

2790

01:54:13,229 --> 01:54:10,960

looking for an abduction I want to be

2791

01:54:15,780 --> 01:54:13,239

inducted yeah we want you to be abducted

2792

01:54:17,970 --> 01:54:15,790

sued and may know what he wants he said

2793

01:54:20,250 --> 01:54:17,980

my wife thought I already been abducted

2794

01:54:20,910 --> 01:54:20,260

and then was dropped off and that was a

2795

01:54:22,530 --> 01:54:20,920

changed man

2796

01:54:24,209 --> 01:54:22,540

okay I used to watch your foot do we

2797

01:54:25,770 --> 01:54:24,219

know that's not true well yeah you know

2798

01:54:27,060 --> 01:54:25,780

I used to watch football every Sunday

2799

01:54:31,530 --> 01:54:27,070

night and then I'm watching Downton

2800

01:54:33,530 --> 01:54:31,540

Abbey okay kids what happened if someone

2801

01:54:36,240 --> 01:54:33,540

happened they call the midwives you know

2802

01:54:40,770 --> 01:54:36,250

he was reprogrammed when I'm being tuned

2803

01:54:45,660 --> 01:54:40,780

up but not beam them down okay all right

2804

01:54:49,680 --> 01:54:45,670

well we have one minute left so I'd like

2805

01:54:52,140 --> 01:54:49,690

to give this opportunity to you too Mac

2806

01:54:53,310 --> 01:54:52,150

oh yes you want to plug your bull show

2807

01:54:56,430 --> 01:54:53,320

more time and we're people you better

2808

01:54:58,919 --> 01:54:56,440

find it yeah on well any books are

2809

01:55:04,220 --> 01:54:58,929

2810

2811

01:55:08,430 --> 01:55:07,060

2812

01:55:09,750 --> 01:55:08,440
