1
00:00:03,080 --> 00:00:02,330
and it hits me oh my gosh this is that

2
00:00:04,190 --> 00:00:03,090
triangle

3
00:00:05,300 --> 00:00:04,200
you know there's explanation for

4
00:00:06,619 --> 00:00:05,310
everything that occurred in the

5
00:00:09,080 --> 00:00:06,629
Rendlesham forest incident

6
00:00:11,959 --> 00:00:09,090
it doesn't involve aliens at all it was

7
00:00:15,350 --> 00:00:11,969
completely silent it comes right over

8
00:00:17,330 --> 00:00:15,360
our head it's so classic flying-saucer

9
00:00:18,920 --> 00:00:17,340
really standing in the clearing he

10
00:00:20,570 --> 00:00:18,930
turned over to my father and held his

11
00:00:27,080 --> 00:00:20,580
hand and he looked in his eyes and said

12
00:00:29,900 --> 00:00:27,090
we're not alone welcome to podcast UFO

13
00:00:31,759 --> 00:00:29,910

for our live show during the show feel

14

00:00:34,370 --> 00:00:31,769

free to participate live in our chat

15

00:00:37,280 --> 00:00:34,380

room and don't forget to like us on our

16

00:00:38,479 --> 00:00:37,290

very active Facebook page hello and

17

00:00:40,610 --> 00:00:38,489

welcome to the show

18

00:00:42,580 --> 00:00:40,620

I'm Martyn Willis your host and we have

19

00:00:44,630 --> 00:00:42,590

a great show for you today

20

00:00:46,190 --> 00:00:44,640

Alejandro couldn't make it it's just

21

00:00:49,459 --> 00:00:46,200

myself and my guest

22

00:00:52,220 --> 00:00:49,469

chase klutz key always enjoy talking to

23

00:00:54,080 --> 00:00:52,230

her she's a lot of fun and I feel she's

24

00:00:56,319 --> 00:00:54,090

a friend and we are going to be talking

25

00:00:58,160 --> 00:00:56,329

about this is our Happy New Year show

26

00:01:02,450 --> 00:00:58,170

we're gonna be talking a bit a little

27

00:01:06,170 --> 00:01:02,460

bit about what is going on during this

28

00:01:09,230 --> 00:01:06,180

year and then of the future ahead and

29

00:01:11,450 --> 00:01:09,240

also just to let the listeners know I'll

30

00:01:14,240 --> 00:01:11,460

be joining Lee Spiegel and Alejandro

31

00:01:16,760 --> 00:01:14,250

Rojas we do a yearly year-in-review

32

00:01:18,620 --> 00:01:16,770

that'll be coming up on open minds not

33

00:01:21,350 --> 00:01:18,630

this coming week but the week after I

34

00:01:23,920 --> 00:01:21,360

believe so that's always a lot of fun so

35

00:01:27,350 --> 00:01:23,930

you can check that out on open minds TV

36

00:01:28,789 --> 00:01:27,360

anyway I do want to appreciate as this

37

00:01:30,350 --> 00:01:28,799

is a New Year show I do when I

38

00:01:32,300 --> 00:01:30,360

appreciate everyone that helps out with

39

00:01:35,359 --> 00:01:32,310

the show it really means a lot I

40

00:01:38,330 --> 00:01:35,369

couldn't do it without you and with that

41

00:01:41,390 --> 00:01:38,340

I am going to introduce my guest

42

00:01:43,460 --> 00:01:41,400

welcome to the show chase thank you it's

43

00:01:45,289 --> 00:01:43,470

so exciting to be here especially for

44

00:01:47,170 --> 00:01:45,299

the new year's show that's wouldn't be

45

00:01:51,319 --> 00:01:47,180

anywhere else yeah

46

00:01:52,520 --> 00:01:51,329

yes and it was a quite an interesting

47

00:01:55,069 --> 00:01:52,530

year indeed wasn't it

48

00:01:57,830 --> 00:01:55,079

I think obviously it was one of our

49

00:02:01,249 --> 00:01:57,840

biggest years when it came to

50

00:02:04,340 --> 00:02:01,259

information and change and excitement so

51
00:02:06,709 --> 00:02:04,350
much happened in 2018 I think so I think

52
00:02:08,779 --> 00:02:06,719
so now for the listener it's the who

53
00:02:10,760 --> 00:02:08,789
it's the first time I know you've been

54
00:02:12,410 --> 00:02:10,770
on several times but we have new

55
00:02:13,730 --> 00:02:12,420
listeners all the time can you kind of

56
00:02:17,750 --> 00:02:13,740
explain your background and

57
00:02:21,280 --> 00:02:17,760
who is chase well I bet he you followed

58
00:02:25,660 --> 00:02:21,290
you since 1994 and I joined MUFON in

59
00:02:29,240 --> 00:02:25,670
1996 and you know have had various jobs

60
00:02:32,390 --> 00:02:29,250
throughout this organization for many

61
00:02:35,060 --> 00:02:32,400
many years a couple decades actually but

62
00:02:38,840 --> 00:02:35,070
you know I also have a big presence and

63
00:02:41,720 --> 00:02:38,850

it's trained very active in other kind

64

00:02:44,780 --> 00:02:41,730

of side projects I love exploration and

65

00:02:47,410 --> 00:02:44,790

with my forte and specialty being

66

00:02:52,430 --> 00:02:47,420

forensics and evidence collection it's

67

00:02:56,810 --> 00:02:52,440

led me to exquisite places such as Peru

68

00:03:00,940 --> 00:02:56,820

the Amazon Bolivia extracting all sorts

69

00:03:04,040 --> 00:03:00,950

of DNA and evidence and physical trace

70

00:03:06,040 --> 00:03:04,050

components to things that we're really

71

00:03:09,200 --> 00:03:06,050

trying to solve some of these mysteries

72

00:03:11,570 --> 00:03:09,210

yes and I remember talking about some of

73

00:03:14,780 --> 00:03:11,580

the stories of your exploration really

74

00:03:16,970 --> 00:03:14,790

exciting you were having a ball and I do

75

00:03:18,830 --> 00:03:16,980

you feel like in some of those countries

76

00:03:23,720 --> 00:03:18,840

you feel like there's a little bit of

77

00:03:26,810 --> 00:03:23,730

danger how does that house that I don't

78

00:03:30,620 --> 00:03:26,820

think I've ever been to South America

79

00:03:34,100 --> 00:03:30,630

without some sort of incident we had I

80

00:03:37,360 --> 00:03:34,110

was with LA's exploration team a couple

81

00:03:41,150 --> 00:03:37,370

years back and we were just crossing the

82

00:03:44,420 --> 00:03:41,160

border into Bolivia and these two agents

83

00:03:46,550 --> 00:03:44,430

came and pulled la loire zuly aaron

84

00:03:49,340 --> 00:03:46,560

judkins and myself away from the group

85

00:03:51,350 --> 00:03:49,350

but the group was you know so focused on

86

00:03:53,390 --> 00:03:51,360

kind of maneuver and to get through the

87

00:03:56,030 --> 00:03:53,400

crowd to get to our bus they didn't

88

00:03:58,820 --> 00:03:56,040

notice we were taken so instead of going

89

00:04:01,070 --> 00:03:58,830

back to the passport building we just

90

00:04:03,020 --> 00:04:01,080

left they actually brought us down this

91

00:04:06,710 --> 00:04:03,030

little path to this dilapidated building

92

00:04:09,020 --> 00:04:06,720

set la and Erin out in like a hallway

93

00:04:11,180 --> 00:04:09,030

where these two folding chairs one with

94

00:04:13,670 --> 00:04:11,190

even broken and leaning terrible little

95

00:04:16,849 --> 00:04:13,680

place and then brought me to the back

96

00:04:19,760 --> 00:04:16,859

and shut the door and I knew I added a

97

00:04:22,159 --> 00:04:19,770

little bit of trouble at that point the

98

00:04:24,260 --> 00:04:22,169

Bolivian agent asked me to empty my

99

00:04:27,260 --> 00:04:24,270

pockets and empty everything out of my

100

00:04:28,969 --> 00:04:27,270

purse and as I'm doing this I'm hearing

101
00:04:31,550 --> 00:04:28,979
like chaos in the background like

102
00:04:33,680 --> 00:04:31,560
something being ridiculous and it loud

103
00:04:35,300 --> 00:04:33,690
and all of a sudden the door comes pop

104
00:04:37,790 --> 00:04:35,310
it open like they busted through the

105
00:04:39,230 --> 00:04:37,800
door and it was LA and Aaron if they're

106
00:04:40,939 --> 00:04:39,240
just screaming and yelling and making a

107
00:04:42,529 --> 00:04:40,949
lot of noise like you're not keeping her

108
00:04:45,640 --> 00:04:42,539
back here by yourself what do you guys

109
00:04:49,460 --> 00:04:45,650
want you know what what is this about

110
00:04:51,589 --> 00:04:49,470
realizing thank goodness that I was with

111
00:04:53,869 --> 00:04:51,599
men you know who weren't afraid to kick

112
00:04:56,330 --> 00:04:53,879
it up and take a chance instead of be

113
00:04:58,129 --> 00:04:56,340

doing what they were told because it was

114

00:05:00,680 --> 00:04:58,139

very clear that they brought us to an

115

00:05:02,719 --> 00:05:00,690

area that they needed to be quiet as

116

00:05:04,580 --> 00:05:02,729

well they didn't want others to see what

117

00:05:06,499 --> 00:05:04,590

they were doing so it was illegal so

118

00:05:08,390 --> 00:05:06,509

they just made noise you know creating

119

00:05:11,180 --> 00:05:08,400

that kind of attention they didn't want

120

00:05:12,620 --> 00:05:11,190

and they literally let us go he said you

121

00:05:13,490 --> 00:05:12,630

know put it back in your pocket get out

122

00:05:16,909 --> 00:05:13,500

get out get out

123

00:05:20,320 --> 00:05:16,919

so very grateful that you know we have

124

00:05:25,189 --> 00:05:20,330

you know I'm usually with a team of

125

00:05:26,570 --> 00:05:25,199

explorers and and investigators that we

126

00:05:28,490 --> 00:05:26,580

really take care of each other when

127

00:05:29,959 --> 00:05:28,500

we're out there I know do I remember

128

00:05:33,050 --> 00:05:29,969

right that you have a background also

129

00:05:35,959 --> 00:05:33,060

and self-defense or something like yeah

130

00:05:41,480 --> 00:05:35,969

yeah it's you you already in a little

131

00:05:42,980 --> 00:05:41,490

trouble when you're sizing up people

132

00:05:44,659 --> 00:05:42,990

you're around when you're already

133

00:05:48,110 --> 00:05:44,669

looking like alright I could take him

134

00:05:49,760 --> 00:05:48,120

and then you're looking you know and and

135

00:05:52,249 --> 00:05:49,770

then we have to remember you know we're

136

00:05:54,260 --> 00:05:52,259

in their territory you know almost

137

00:05:56,600 --> 00:05:54,270

everything we do we probably wouldn't

138

00:05:59,330 --> 00:05:56,610

get away with because we stand out like

139

00:06:04,010 --> 00:05:59,340

sore thumbs you know so if there's a lot

140

00:06:06,290 --> 00:06:04,020

of diplomacy and just knowing you know

141

00:06:09,140 --> 00:06:06,300

where you are you know what you what you

142

00:06:10,790 --> 00:06:09,150

can do it's it really is an alertness

143

00:06:13,659 --> 00:06:10,800

and being very aware of your

144

00:06:16,279 --> 00:06:13,669

surroundings at all times there's no

145

00:06:18,140 --> 00:06:16,289

closing your eyes for a moment the

146

00:06:19,430 --> 00:06:18,150

soldiers a couple of places I've been

147

00:06:21,260 --> 00:06:19,440

were their soldiers with automatic

148

00:06:24,019 --> 00:06:21,270

weapons is always very intimidating to

149

00:06:25,909 --> 00:06:24,029

me yeah yeah get off a plane in Israel

150

00:06:28,159 --> 00:06:25,919

and you're met with soldiers and oohs

151
00:06:30,170 --> 00:06:28,169
ease yeah it's like some of these

152
00:06:31,909 --> 00:06:30,180
country they just don't play I you know

153
00:06:34,159 --> 00:06:31,919
that's that's you know what you're

154
00:06:38,240 --> 00:06:34,169
dealing with especially overseas they

155
00:06:40,010 --> 00:06:38,250
have a lot of their own rules and the

156
00:06:42,200 --> 00:06:40,020
way they do things

157
00:06:46,520 --> 00:06:42,210
the most recent trip I was down with

158
00:06:49,250 --> 00:06:46,530
boja gurus and Inca and eco quest

159
00:06:53,180 --> 00:06:49,260
enterprises with Timothy albariño it's

160
00:06:55,130 --> 00:06:53,190
his group and that was really

161
00:06:57,710 --> 00:06:55,140
interesting because you know we put

162
00:07:00,980 --> 00:06:57,720
boots on the ground and in places that

163
00:07:04,040 --> 00:07:00,990

had never seen humans before so it was

164

00:07:06,110 --> 00:07:04,050

very very interesting it was the most

165

00:07:07,270 --> 00:07:06,120

dangerous thing I've ever done and I

166

00:07:10,850 --> 00:07:07,280

can't wait to do it again

167

00:07:14,380 --> 00:07:10,860

if these guys were everything from the

168

00:07:19,460 --> 00:07:14,390

bullet ants to the terrain it was

169

00:07:22,460 --> 00:07:19,470

treacherous and dangerous and just

170

00:07:25,040 --> 00:07:22,470

amazing but again you know with people

171

00:07:28,820 --> 00:07:25,050

that know what they're doing and and and

172

00:07:32,360 --> 00:07:28,830

how to negotiate and be around some of

173

00:07:35,000 --> 00:07:32,370

this my niece has done some exploring

174

00:07:38,390 --> 00:07:35,010

and places that I wouldn't go and talked

175

00:07:42,740 --> 00:07:38,400

about you know parasites and I don't

176
00:07:44,720 --> 00:07:42,750
know we were in the Amazon in the jungle

177
00:07:47,810 --> 00:07:44,730
and everything wanted to eat us right

178
00:07:49,910 --> 00:07:47,820
plants yeah animals insects I mean

179
00:07:52,970 --> 00:07:49,920
everything wants to eat you out there

180
00:07:54,620 --> 00:07:52,980
and it's just really interesting um I

181
00:07:58,360 --> 00:07:54,630
think the tree frogs are one of the most

182
00:08:01,700 --> 00:07:58,370
poisonous you right and they're so cute

183
00:08:04,280 --> 00:08:01,710
cute little bug they're like don't touch

184
00:08:07,550 --> 00:08:04,290
that it's most people you know a buddy

185
00:08:11,410 --> 00:08:07,560
ever and so it's interesting but Timothy

186
00:08:14,570 --> 00:08:11,420
is you know a very very popular

187
00:08:17,870 --> 00:08:14,580
investigator and Explorer as well and he

188
00:08:21,920 --> 00:08:17,880

runs a conference every year in Branson

189

00:08:23,570 --> 00:08:21,930

Missouri with Steve Quale and it's Gen 6

190

00:08:27,470 --> 00:08:23,580

and of course that's um a playoff

191

00:08:29,390 --> 00:08:27,480

Genesis 6 so it's a huge conference it's

192

00:08:31,550 --> 00:08:29,400

sold out every year for the last three

193

00:08:36,790 --> 00:08:31,560

years at 3,000 people and their lives

194

00:08:43,100 --> 00:08:39,650

group of people that are just so

195

00:08:44,750 --> 00:08:43,110

interested in a topic yeah okay well we

196

00:08:50,750 --> 00:08:44,760

better steer a little bit into the UFO

197

00:08:53,070 --> 00:08:50,760

topic since the show so I know I'd like

198

00:08:56,060 --> 00:08:53,080

to end the show you know talking about

199

00:08:59,250 --> 00:08:56,070

you know UFOs forward and you know 2 9

200

00:09:00,360 --> 00:08:59,260

2019 you know what we could be looking

201
00:09:04,400 --> 00:09:00,370
for there I think it will be an

202
00:09:08,519 --> 00:09:04,410
interesting year myself another one but

203
00:09:11,009 --> 00:09:08,529
can you also I I hate to put this on you

204
00:09:14,069 --> 00:09:11,019
but I just love you talking briefly in a

205
00:09:16,650 --> 00:09:14,079
nutshell about the most amazing

206
00:09:19,440 --> 00:09:16,660
experience one of the most expand its in

207
00:09:21,360 --> 00:09:19,450
my intro and everything the the

208
00:09:23,730 --> 00:09:21,370
cornfield can you can you kind of bring

209
00:09:25,319 --> 00:09:23,740
that up again because again there's a

210
00:09:30,150 --> 00:09:25,329
lot of people have never heard your your

211
00:09:32,340 --> 00:09:30,160
story before it it still remains one of

212
00:09:37,040 --> 00:09:32,350
the biggest things that ever happened to

213
00:09:41,460 --> 00:09:37,050

me as an investigator and this was 2010

214

00:09:44,250 --> 00:09:41,470

about spring April late April May and I

215

00:09:48,590 --> 00:09:44,260

was called out to an investigation one

216

00:09:51,540 --> 00:09:48,600

of the witnesses reported into MUFON and

217

00:09:55,170 --> 00:09:51,550

he was witnessing all sorts of things

218

00:09:57,210 --> 00:09:55,180

from these orbs of light for lack of

219

00:09:58,680 --> 00:09:57,220

better word orbs but these balls of

220

00:10:00,569 --> 00:09:58,690

light that you know he and his cousins

221

00:10:04,190 --> 00:10:00,579

were chased down the roads and you know

222

00:10:09,329 --> 00:10:04,200

these are you know very very rural

223

00:10:12,620 --> 00:10:09,339

isolated farm land and and ranches way

224

00:10:15,120 --> 00:10:12,630

way back in Tennessee and you know

225

00:10:17,970 --> 00:10:15,130

triangles there was a lot of things that

226

00:10:20,280 --> 00:10:17,980

you know he was reporting on a daily

227

00:10:21,660 --> 00:10:20,290

basis and of course I was stalled

228

00:10:23,970 --> 00:10:21,670

getting out there for a couple of weeks

229

00:10:25,829 --> 00:10:23,980

because there was an epic flood the what

230

00:10:29,069 --> 00:10:25,839

they call the thousand-year flood from

231

00:10:33,720 --> 00:10:29,079

Memphis to Nashville so it really ruined

232

00:10:37,819 --> 00:10:33,730

our passage to the area on you know most

233

00:10:41,100 --> 00:10:37,829

of it anyway but I got there and

234

00:10:44,370 --> 00:10:41,110

eventually from the minute I stepped out

235

00:10:46,260 --> 00:10:44,380

of my vehicle he pulled me and the other

236

00:10:49,980 --> 00:10:46,270

investigator to the end of his driveway

237

00:10:51,900 --> 00:10:49,990

and you know was looking up and said oh

238

00:10:54,000 --> 00:10:51,910

my gosh you know this is this is what we

239

00:10:58,290 --> 00:10:54,010

see and I look up and there's these

240

00:11:01,470 --> 00:10:58,300

little little specks of light starting

241

00:11:05,189 --> 00:11:01,480

to pop out they were clearly different

242

00:11:06,600 --> 00:11:05,199

colors as well and they would form these

243

00:11:09,539 --> 00:11:06,610

patterns

244

00:11:12,389 --> 00:11:09,549

and kind of maneuver as one unit but

245

00:11:14,549 --> 00:11:12,399

then they would separate and kind of

246

00:11:15,960 --> 00:11:14,559

dance around and if you got tired of

247

00:11:18,179 --> 00:11:15,970

this little group there was another one

248

00:11:19,889 --> 00:11:18,189

here and another one on another piece of

249

00:11:22,470 --> 00:11:19,899

the sky but there were several of these

250

00:11:25,319 --> 00:11:22,480

going on and the witness and at this

251
00:11:27,539 --> 00:11:25,329
point you know I've done my pad out look

252
00:11:29,340 --> 00:11:27,549
in if we're like looking for satellites

253
00:11:32,309 --> 00:11:29,350
and you all sorts of things meteor

254
00:11:34,139 --> 00:11:32,319
showers give me anything I'm already

255
00:11:36,119 --> 00:11:34,149
seeing things that I think are awesome

256
00:11:39,210 --> 00:11:36,129
this is what we're looking for you know

257
00:11:42,869 --> 00:11:39,220
bright angles that kind of maneuvering

258
00:11:46,049 --> 00:11:42,879
in the sky is exactly what you follow

259
00:11:48,679 --> 00:11:46,059
just are I'm trying to catch but then he

260
00:11:51,780 --> 00:11:48,689
tells me that he has a cornfield and

261
00:11:55,530 --> 00:11:51,790
it's just down the road and it's huge so

262
00:11:58,679 --> 00:11:55,540
you kind of have this big open panoramic

263
00:12:02,160 --> 00:11:58,689

view of it's unobstructed you can see so

264

00:12:04,319 --> 00:12:02,170

much of the sky and at that point the

265

00:12:06,269 --> 00:12:04,329

corn was only about four or five inches

266

00:12:08,009 --> 00:12:06,279

high so it's no pliable so we could

267

00:12:10,710 --> 00:12:08,019

drive on it walk on it not gonna hurt

268

00:12:13,289 --> 00:12:10,720

any crops but it was flatland you know

269

00:12:16,590 --> 00:12:13,299

there was nothing there to instruct so

270

00:12:19,379 --> 00:12:16,600

we jump in his truck and he takes us

271

00:12:20,519 --> 00:12:19,389

down there and it wasn't long

272

00:12:23,340 --> 00:12:20,529

you know we're setting up equipment

273

00:12:27,419 --> 00:12:23,350

getting everything done but you know it

274

00:12:30,090 --> 00:12:27,429

was eventually you know a light appeared

275

00:12:32,489 --> 00:12:30,100

in the distance and you know he's all

276

00:12:33,840 --> 00:12:32,499

excited oh my gosh yes you know chase

277

00:12:36,479 --> 00:12:33,850

chase chase this is what you know I

278

00:12:39,569 --> 00:12:36,489

wanted you to come out to see and I see

279

00:12:42,389 --> 00:12:39,579

this one light and it's white and it's

280

00:12:44,100 --> 00:12:42,399

coming towards us and I'm freaking

281

00:12:45,659 --> 00:12:44,110

excited I'm picking up my camera is I'm

282

00:12:46,829 --> 00:12:45,669

trying to you know take pictures

283

00:12:49,470 --> 00:12:46,839

nothing's working

284

00:12:52,470 --> 00:12:49,480

my Trifield meter nothing it's all dead

285

00:12:54,119 --> 00:12:52,480

so at this point I'm thinking oh my gosh

286

00:12:56,639 --> 00:12:54,129

it's that battery drain that we

287

00:12:58,979 --> 00:12:56,649

experience often and UFO investigations

288

00:13:03,840 --> 00:12:58,989

as well as paranormal sometimes even

289

00:13:06,359 --> 00:13:03,850

Bigfoot investigations but we you know

290

00:13:10,319 --> 00:13:06,369

it it kept coming it didn't stop the

291

00:13:13,499 --> 00:13:10,329

event pretty soon two other lights up

292

00:13:15,329 --> 00:13:13,509

here and I just I can't believe it

293

00:13:17,999 --> 00:13:15,339

there's three of them three objects or

294

00:13:20,210 --> 00:13:18,009

are coming this way and then I realize

295

00:13:25,010 --> 00:13:20,220

Martin as it gets closer

296

00:13:27,710 --> 00:13:25,020

it's it's one object it's so clearly a

297

00:13:30,320 --> 00:13:27,720

triangle at this point there's just one

298

00:13:33,740 --> 00:13:30,330

object not only does it black out the

299

00:13:36,560 --> 00:13:33,750

stars but as it's coming closer it you

300

00:13:39,680 --> 00:13:36,570

just it's different it's just different

301
00:13:41,540 --> 00:13:39,690
the the way it moves it's hard to

302
00:13:46,060 --> 00:13:41,550
explain it's not drifting floating

303
00:13:48,500 --> 00:13:46,070
flying toad it's just different and

304
00:13:50,360 --> 00:13:48,510
we're just standing there I'm still

305
00:13:52,820 --> 00:13:50,370
trying to pick up cameras I'm still

306
00:13:55,640 --> 00:13:52,830
trying to do something with it but you

307
00:14:00,010 --> 00:13:55,650
know this triangle literally flew over

308
00:14:02,870 --> 00:14:00,020
that cornfield right over our heads and

309
00:14:05,150 --> 00:14:02,880
eventually went off into the distance

310
00:14:06,920 --> 00:14:05,160
now how many God there was two other

311
00:14:08,180 --> 00:14:06,930
people there beside you at the time in

312
00:14:11,020 --> 00:14:08,190
the cornfield

313
00:14:13,370 --> 00:14:11,030

yes his cousins were on the sidelines

314

00:14:17,200 --> 00:14:13,380

yeah

315

00:14:19,640 --> 00:14:17,210

yes they saw the triangle absolutely and

316

00:14:23,180 --> 00:14:19,650

then all of a sudden that you know

317

00:14:25,100 --> 00:14:23,190

there's a reaching down after the craft

318

00:14:26,780 --> 00:14:25,110

is gone of course and I'm reaching down

319

00:14:29,780 --> 00:14:26,790

looking at my equipment and I'm so

320

00:14:31,850 --> 00:14:29,790

frustrated like I made it I was already

321

00:14:34,520 --> 00:14:31,860

ready to drop a bomb in fact I think I

322

00:14:37,670 --> 00:14:34,530

did one or two because I'm so frustrated

323

00:14:39,620 --> 00:14:37,680

because it's right there you know I have

324

00:14:43,220 --> 00:14:39,630

all the equipment in the world and it

325

00:14:44,930 --> 00:14:43,230

was useless absolutely useless and it's

326

00:14:49,460 --> 00:14:44,940

so frustrating as an investigator

327

00:14:51,110 --> 00:14:49,470

because nobody cares what I think as an

328

00:14:53,720 --> 00:14:51,120

investigator no one cares what I believe

329

00:14:55,700 --> 00:14:53,730

and I didn't want just another story we

330

00:15:00,860 --> 00:14:55,710

have tens of thousands of stories we

331

00:15:03,590 --> 00:15:00,870

need evidence so anyway I decided I pick

332

00:15:05,720 --> 00:15:03,600

up my cameras they're all back online it

333

00:15:06,350 --> 00:15:05,730

wasn't a battery drain I don't know what

334

00:15:09,140 --> 00:15:06,360

happened

335

00:15:11,840 --> 00:15:09,150

but everything was back full power

336

00:15:14,750 --> 00:15:11,850

everything was working but at that point

337

00:15:16,820 --> 00:15:14,760

I remember it was the Trifield yes my

338

00:15:20,270 --> 00:15:16,830

Trifield meter and I just decided change

339

00:15:23,480 --> 00:15:20,280

of batteries anyway I just got nervous

340

00:15:25,160 --> 00:15:23,490

with trusting that so imma Trifield

341

00:15:28,220 --> 00:15:25,170

meter the one that I have you have to

342

00:15:29,900 --> 00:15:28,230

unscrew the battery case and I was doing

343

00:15:33,950 --> 00:15:29,910

that and all of a sudden I just got this

344

00:15:36,800 --> 00:15:33,960

really really paranoid

345

00:15:38,990 --> 00:15:36,810

feeling of just someone was watching and

346

00:15:40,520 --> 00:15:39,000

I said out loud hey guys does anyone

347

00:15:43,820 --> 00:15:40,530

else feel like you're being watched and

348

00:15:47,230 --> 00:15:43,830

I don't mean down here and about that

349

00:15:53,020 --> 00:15:47,240

time Martin it was like this physical

350

00:15:55,340 --> 00:15:53,030

thing it was this physical

351
00:15:56,120 --> 00:15:55,350
transformation that just kind of pounded

352
00:15:59,560 --> 00:15:56,130
into the body

353
00:16:02,870 --> 00:15:59,570
I felt something enter and it was terror

354
00:16:05,360 --> 00:16:02,880
absolute terror and at that moment I

355
00:16:08,300 --> 00:16:05,370
went from very excited seeing this

356
00:16:11,990 --> 00:16:08,310
triangle you know we were happy dancing

357
00:16:13,850 --> 00:16:12,000
you know this this was no joke we had

358
00:16:18,290 --> 00:16:13,860
just seen something that's not supposed

359
00:16:19,690 --> 00:16:18,300
to exist right into this feeling every

360
00:16:25,580 --> 00:16:19,700
cell of my body was absolutely

361
00:16:28,910 --> 00:16:25,590
terrorized absolutely terrified and it

362
00:16:34,520 --> 00:16:28,920
was physical and I just remember turning

363
00:16:36,320 --> 00:16:34,530

and running as I'm running I I just

364

00:16:38,000 --> 00:16:36,330

remember hitting something really hard

365

00:16:40,250 --> 00:16:38,010

it turned out to be the witness who had

366

00:16:41,810 --> 00:16:40,260

stopped he was in front of me and it's

367

00:16:43,970 --> 00:16:41,820

funny morning because I the other thing

368

00:16:45,920 --> 00:16:43,980

I really remember was the strangest

369

00:16:48,830 --> 00:16:45,930

thing it was this light as I'm running

370

00:16:51,560 --> 00:16:48,840

this light is just doing this that's

371

00:16:52,790 --> 00:16:51,570

right but in this you and it turned out

372

00:16:55,700 --> 00:16:52,800

to be the witness running with

373

00:16:58,670 --> 00:16:55,710

flashlights yeah so yeah all of a sudden

374

00:17:00,170 --> 00:16:58,680

he stops I run into him smack in the

375

00:17:02,690 --> 00:17:00,180

back I don't even know how we were still

376

00:17:04,520 --> 00:17:02,700

standing I really hit him hard and I

377

00:17:06,890 --> 00:17:04,530

grabbed the back of his shirt and I

378

00:17:09,470 --> 00:17:06,900

remember him saying something like what

379

00:17:13,250 --> 00:17:09,480

the what the f is this and he takes his

380

00:17:15,470 --> 00:17:13,260

left hand and he swings it out and about

381

00:17:19,220 --> 00:17:15,480

six feet from us was this little being

382

00:17:21,410 --> 00:17:19,230

and I remember the very first thing that

383

00:17:23,870 --> 00:17:21,420

went through my mind was oh my god it's

384

00:17:29,810 --> 00:17:23,880

not that cute little while as well guy

385

00:17:33,080 --> 00:17:29,820

so and after one one thousand two that's

386

00:17:36,190 --> 00:17:33,090

the time frame that we stood and we

387

00:17:39,590 --> 00:17:36,200

looked I look straight into this being

388

00:17:43,490 --> 00:17:39,600

we we started running again and we

389

00:17:46,520 --> 00:17:43,500

jumped in his truck we went back to his

390

00:17:50,840 --> 00:17:46,530

driveway and we all kind of tumbled

391

00:17:53,690 --> 00:17:50,850

like wait a minute what just happened we

392

00:17:56,810 --> 00:17:53,700

saw a bee at this point Martin we had to

393

00:17:59,390 --> 00:17:56,820

call the state director at the time was

394

00:18:02,360 --> 00:17:59,400

Eddie Middleton and the other

395

00:18:05,030 --> 00:18:02,370

investigator was on the phone making the

396

00:18:06,650 --> 00:18:05,040

call to him to let him know you know

397

00:18:08,690 --> 00:18:06,660

what just happened because we're now

398

00:18:10,940 --> 00:18:08,700

witnesses we can't talk to each other

399

00:18:14,060 --> 00:18:10,950

and compare notes until you know we've

400

00:18:15,440 --> 00:18:14,070

been interviewed separately but I can

401
00:18:18,890 --> 00:18:15,450
tell you that we were back in that

402
00:18:21,680 --> 00:18:18,900
cornfield within 30 minutes of leaving

403
00:18:23,030 --> 00:18:21,690
it now the thing that frustrates me the

404
00:18:24,980 --> 00:18:23,040
most is people aren't listening

405
00:18:26,630 --> 00:18:24,990
sometimes when we tell the story they're

406
00:18:30,790 --> 00:18:26,640
like oh my god she ran away from an

407
00:18:34,250 --> 00:18:30,800
alien no we didn't we had this

408
00:18:38,360 --> 00:18:34,260
controlled fear or this fear that

409
00:18:39,950 --> 00:18:38,370
whatever that was we had no control we

410
00:18:42,800 --> 00:18:39,960
did exactly what we were supposed to

411
00:18:44,990 --> 00:18:42,810
whatever reason I am sure after all

412
00:18:47,990 --> 00:18:45,000
these years we were not supposed to be

413
00:18:51,140 --> 00:18:48,000

in that field at the time and I'm not

414

00:18:53,540 --> 00:18:51,150

sure if it was a triangle or you know

415

00:18:55,730 --> 00:18:53,550

the being or whatever it was out there

416

00:18:58,550 --> 00:18:55,740

the other thing is we didn't run away

417

00:19:02,750 --> 00:18:58,560

from that being we ran towards it it's

418

00:19:05,210 --> 00:19:02,760

why it was only six feet away so this

419

00:19:07,490 --> 00:19:05,220

wasn't being afraid of contacting or

420

00:19:11,390 --> 00:19:07,500

afraid of that being no one knew he was

421

00:19:14,300 --> 00:19:11,400

there when we was the being between you

422

00:19:16,160 --> 00:19:14,310

and the vehicles where you parked it was

423

00:19:18,080 --> 00:19:16,170

off to the side we weren't running

424

00:19:21,290 --> 00:19:18,090

towards the vehicles but if we were more

425

00:19:24,860 --> 00:19:21,300

Adam as well as the vehicle would be 12

426

00:19:28,130 --> 00:19:24,870

o'clock we were running more at 10:00 we

427

00:19:31,480 --> 00:19:28,140

were running more at Number ten and we

428

00:19:34,670 --> 00:19:31,490

get to that spot there's the being and

429

00:19:36,440 --> 00:19:34,680

then we're back into the vehicle it was

430

00:19:38,540 --> 00:19:36,450

about two weeks before I realized that

431

00:19:42,170 --> 00:19:38,550

the other investigator never saw the

432

00:19:44,380 --> 00:19:42,180

being she was already by the time we all

433

00:19:47,330 --> 00:19:44,390

turned and ran at the exact same time

434

00:19:49,370 --> 00:19:47,340

same direction everything she was

435

00:19:52,280 --> 00:19:49,380

already ahead of where that being was at

436

00:19:54,080 --> 00:19:52,290

the time Wow and I didn't know that for

437

00:19:57,290 --> 00:19:54,090

two weeks I just assumed she saw it too

438

00:19:58,680 --> 00:19:57,300

but um you know she didn't and of course

439

00:20:00,150 --> 00:19:58,690

we didn't really talk

440

00:20:02,910 --> 00:20:00,160

to each other because we weren't

441

00:20:07,320 --> 00:20:02,920

supposed to until we were debriefed by

442

00:20:12,030 --> 00:20:07,330

other investigators but um did you ever

443

00:20:14,970 --> 00:20:12,040

compare stories to the you were

444

00:20:16,710 --> 00:20:14,980

interviewed yes I'm not until after we

445

00:20:17,190 --> 00:20:16,720

were interviewed and that's what I meant

446

00:20:20,250 --> 00:20:17,200

yeah

447

00:20:23,040 --> 00:20:20,260

yes well then you know I promised the

448

00:20:25,770 --> 00:20:23,050

witness as soon as that was completed we

449

00:20:28,350 --> 00:20:25,780

could compare stories and we actually

450

00:20:31,230 --> 00:20:28,360

had a really small little conference in

451
00:20:33,570 --> 00:20:31,240
Tennessee and Eddie wanted us to talk

452
00:20:36,960 --> 00:20:33,580
about this case and it was it was too

453
00:20:39,600 --> 00:20:36,970
soon you know emotionally yeah I don't

454
00:20:42,720 --> 00:20:39,610
know I just we weren't ready but we did

455
00:20:43,470 --> 00:20:42,730
it anyway and we laid out the case with

456
00:20:46,320 --> 00:20:43,480
all the facts

457
00:20:48,030 --> 00:20:46,330
Eddie was there the chief investigator

458
00:20:50,100 --> 00:20:48,040
at the time max Mitchell he came out to

459
00:20:52,050 --> 00:20:50,110
the site I mean there was plenty of

460
00:20:54,690 --> 00:20:52,060
MUFON investigators that and come out

461
00:20:56,430 --> 00:20:54,700
and you know check things out you know

462
00:20:59,400 --> 00:20:56,440
my husband had been there I mean there

463
00:21:01,140 --> 00:20:59,410

was you know a lot of investigation

464

00:21:03,660 --> 00:21:01,150

after I think people missed that because

465

00:21:06,930 --> 00:21:03,670

they love to hear about what happened in

466

00:21:10,170 --> 00:21:06,940

the cornfield um and they forget that

467

00:21:14,720 --> 00:21:10,180

there were months of inquiry and

468

00:21:19,470 --> 00:21:14,730

investigation and you know forensic type

469

00:21:21,150 --> 00:21:19,480

work in that cornfield after and you

470

00:21:23,730 --> 00:21:21,160

know it's just to this day it's still a

471

00:21:25,980 --> 00:21:23,740

mystery when you talk about does it kind

472

00:21:28,050 --> 00:21:25,990

of give you anxiety and even now it

473

00:21:32,160 --> 00:21:28,060

really does and could tell a little bit

474

00:21:34,380 --> 00:21:32,170

yeah yeah and I'm you try hard you know

475

00:21:36,630 --> 00:21:34,390

to stay calm when and and I don't know

476

00:21:39,960 --> 00:21:36,640

why Martin it's like so long it's been

477

00:21:42,800 --> 00:21:39,970

several years and I still get a knot in

478

00:21:45,780 --> 00:21:42,810

my stomach when we get to the point of

479

00:21:48,330 --> 00:21:45,790

seeing that you know a little being or

480

00:21:50,490 --> 00:21:48,340

it's mostly the fear that's something I

481

00:21:53,610 --> 00:21:50,500

wouldn't wish that on anybody and it's

482

00:21:55,320 --> 00:21:53,620

such an odd feeling because as hard as

483

00:21:56,730 --> 00:21:55,330

we remember and this is something I did

484

00:21:59,160 --> 00:21:56,740

talk with the witness and the other

485

00:22:01,950 --> 00:21:59,170

investigator how long did that fear last

486

00:22:04,440 --> 00:22:01,960

I don't know when it left I don't know I

487

00:22:06,810 --> 00:22:04,450

just remember I knew it hit me I

488

00:22:09,240 --> 00:22:06,820

remember turning I saw everyone else

489

00:22:11,580 --> 00:22:09,250

turn at the same time no one said what

490

00:22:12,150 --> 00:22:11,590

was that oh my god run nobody said

491

00:22:15,330 --> 00:22:12,160

anything

492

00:22:17,730 --> 00:22:15,340

like that we all just did it turn and

493

00:22:20,640 --> 00:22:17,740

started running the witness and I ran

494

00:22:21,720 --> 00:22:20,650

straight to that being you know and

495

00:22:27,750 --> 00:22:21,730

that's something you know you've

496

00:22:30,180 --> 00:22:27,760

realized after the more people you know

497

00:22:31,560 --> 00:22:30,190

thousands without exaggerating Martin

498

00:22:34,200 --> 00:22:31,570

thousands of people have written me

499

00:22:37,500 --> 00:22:34,210

called me talk to me pulled me aside and

500

00:22:40,410 --> 00:22:37,510

said I know that fear I felt that it's

501
00:22:44,070 --> 00:22:40,420
so hard to describe because it is every

502
00:22:47,400 --> 00:22:44,080
cell in your body understands terror and

503
00:22:51,300 --> 00:22:47,410
nothing else it's excruciating it's an

504
00:22:54,540 --> 00:22:51,310
extraordinary feeling never had it since

505
00:22:54,990 --> 00:22:54,550
or before no that was it well that was

506
00:22:56,790 --> 00:22:55,000
it

507
00:23:01,230 --> 00:22:56,800
I could tell you that when I talk about

508
00:23:03,630 --> 00:23:01,240
it I feel like I start sensing a little

509
00:23:05,400 --> 00:23:03,640
bit of what that felt like but it's

510
00:23:07,440 --> 00:23:05,410
never even gotten close I mean you know

511
00:23:11,640 --> 00:23:07,450
if this wasn't quite a flight this

512
00:23:13,200 --> 00:23:11,650
wasn't we were scared and you know it

513
00:23:15,240 --> 00:23:13,210

wasn't anything like that and the

514

00:23:19,080 --> 00:23:15,250

witness you have to realize this is a

515

00:23:21,360 --> 00:23:19,090

real man man you know he he brought a

516

00:23:23,340 --> 00:23:21,370

big shotgun when we got out of the truck

517

00:23:25,440 --> 00:23:23,350

and I'm setting up a little equipment he

518

00:23:28,440 --> 00:23:25,450

brings out this huge shotgun and I just

519

00:23:30,810 --> 00:23:28,450

kind of look at him like uh like I'm

520

00:23:32,790 --> 00:23:30,820

looking at that point like like how

521

00:23:34,380 --> 00:23:32,800

stupid is this two girls jumping a car

522

00:23:36,150 --> 00:23:34,390

like what are we gonna do we go to a

523

00:23:38,280 --> 00:23:36,160

cornfield with this guy we don't know

524

00:23:41,160 --> 00:23:38,290

because we just trust everything they're

525

00:23:44,970 --> 00:23:41,170

telling us which isn't exactly true he's

526

00:23:47,190 --> 00:23:44,980

very credible but you know and he to

527

00:23:49,140 --> 00:23:47,200

look on my face he says no no no chase

528

00:23:52,280 --> 00:23:49,150

don't worry you know this is we have a

529

00:23:55,110 --> 00:23:52,290

problem with coyotes so in case you know

530

00:23:58,620 --> 00:23:55,120

they come upon us you know I can take

531

00:23:59,820 --> 00:23:58,630

care of he never said if we see coyotes

532

00:24:01,620 --> 00:23:59,830

you're gonna have to run and get in the

533

00:24:04,260 --> 00:24:01,630

truck you bought it you bought it

534

00:24:08,000 --> 00:24:04,270

a rifle or a shotgun or whatever it was

535

00:24:10,380 --> 00:24:08,010

it was just a big old gun and he I

536

00:24:11,940 --> 00:24:10,390

realized at that point they don't dial

537

00:24:14,550 --> 00:24:11,950

nine-one-one they take care of

538

00:24:16,290 --> 00:24:14,560

themselves out there it's so rural by

539

00:24:19,080 --> 00:24:16,300

the time anyone would come out to help

540

00:24:21,840 --> 00:24:19,090

whatever was going on is over yeah so

541

00:24:24,180 --> 00:24:21,850

they're mostly calling police to you

542

00:24:26,220 --> 00:24:24,190

know clean up or tell what happened

543

00:24:29,039 --> 00:24:26,230

but these aren't guys that are used to

544

00:24:32,279 --> 00:24:29,049

asking people are running away or you

545

00:24:34,619 --> 00:24:32,289

know they stand their ground and and I

546

00:24:37,919 --> 00:24:34,629

do really I know you can't disclose who

547

00:24:40,830 --> 00:24:37,929

it is but I do remember that you told me

548

00:24:44,249 --> 00:24:40,840

that this was someone that is known law

549

00:24:46,590 --> 00:24:44,259

for his profession absolutely yeah

550

00:24:48,389 --> 00:24:46,600

and and it's one of the reasons he was

551
00:24:50,190 --> 00:24:48,399
desperate serious it's one of the

552
00:24:52,799 --> 00:24:50,200
reasons the case was kind of shut down a

553
00:24:54,930 --> 00:24:52,809
little is because it started becoming a

554
00:24:57,509 --> 00:24:54,940
circus which is something I promised him

555
00:24:59,580 --> 00:24:57,519
it is so rural out there that even my

556
00:25:01,379 --> 00:24:59,590
vehicle being strange driving down the

557
00:25:02,820 --> 00:25:01,389
road caught attention of everybody who's

558
00:25:07,409 --> 00:25:02,830
that what are they doing here who are

559
00:25:08,730 --> 00:25:07,419
they going to go visit and yeah and you

560
00:25:11,190 --> 00:25:08,740
know when you start getting a lot of

561
00:25:12,450 --> 00:25:11,200
people and a lot of inquiry and you know

562
00:25:15,240 --> 00:25:12,460
these strange people what are they doing

563
00:25:16,889 --> 00:25:15,250

in that cornfield you know it's starting

564

00:25:20,930 --> 00:25:16,899

to turn it into a circus and we had to

565

00:25:23,970 --> 00:25:20,940

shut it down because his identity

566

00:25:27,499 --> 00:25:23,980

associated with the UFO event was

567

00:25:29,909 --> 00:25:27,509

absolutely I think that thought just

568

00:25:31,590 --> 00:25:29,919

terrified him to the point where he'd

569

00:25:33,269 --> 00:25:31,600

back off and say I don't know what

570

00:25:36,180 --> 00:25:33,279

you're talking about I mean it was just

571

00:25:38,759 --> 00:25:36,190

ridiculous but um I do have a feeling

572

00:25:40,590 --> 00:25:38,769

he'll come out eventually it may be a

573

00:25:45,440 --> 00:25:40,600

couple more years I hope it's tomorrow

574

00:25:49,259 --> 00:25:45,450

because you know the other investigator

575

00:25:51,210 --> 00:25:49,269

you know she uh she left shortly after

576

00:25:53,519 --> 00:25:51,220

that and she doesn't talk about it and

577

00:25:56,070 --> 00:25:53,529

it's kind of I'm the only one that's

578

00:25:58,700 --> 00:25:56,080

really talking about what happened that

579

00:26:00,539 --> 00:25:58,710

night and it'd be nice to have something

580

00:26:01,860 --> 00:26:00,549

collaboration the witness coming out

581

00:26:04,619 --> 00:26:01,870

would be so great so I'm waiting for

582

00:26:06,210 --> 00:26:04,629

that I really am waiting no how could

583

00:26:07,350 --> 00:26:06,220

you go back there you said you're back

584

00:26:11,810 --> 00:26:07,360

there in 30 minutes

585

00:26:14,369 --> 00:26:11,820

with that feeling of you know terror

586

00:26:16,019 --> 00:26:14,379

previously there I just don't know when

587

00:26:18,509 --> 00:26:16,029

it left by the time we got out of the

588

00:26:20,850 --> 00:26:18,519

truck Martin it was gone I don't know if

589

00:26:24,480 --> 00:26:20,860

it left in the truck or at what point

590

00:26:27,810 --> 00:26:24,490

all I know is by the time we got to the

591

00:26:28,860 --> 00:26:27,820

driveway and we were out I realized oh

592

00:26:31,110 --> 00:26:28,870

wait a minute

593

00:26:35,090 --> 00:26:31,120

like I'm kind of thinking back to normal

594

00:26:37,680 --> 00:26:35,100

you know it was like why did we do that

595

00:26:38,160 --> 00:26:37,690

but by the time we got out of that

596

00:26:40,470 --> 00:26:38,170

corner

597

00:26:45,930 --> 00:26:40,480

nobody had that theory board there was

598

00:26:48,870 --> 00:26:45,940

none of that so realizing you know that

599

00:26:50,700 --> 00:26:48,880

I probably I got more excited about the

600

00:26:52,380 --> 00:26:50,710

fact that oh my gosh

601
00:26:53,610 --> 00:26:52,390
there was an entity on the ground there

602
00:26:55,350 --> 00:26:53,620
was this being on the ground there's

603
00:26:57,120 --> 00:26:55,360
footprints forensic evidence I mean I'm

604
00:26:59,340 --> 00:26:57,130
back in investigator mode I need to get

605
00:27:01,080 --> 00:26:59,350
back in that cornfield that's what I was

606
00:27:03,960 --> 00:27:01,090
thinking about hadn't even really

607
00:27:07,020 --> 00:27:03,970
processed the beer yet you know or even

608
00:27:08,970 --> 00:27:07,030
afraid it was coming back so you know

609
00:27:11,490 --> 00:27:08,980
going back to that field was just I was

610
00:27:14,100 --> 00:27:11,500
excited I needed to get back and get

611
00:27:16,830 --> 00:27:14,110
that evidence and of course it wasn't on

612
00:27:20,310 --> 00:27:16,840
all fours yeah

613
00:27:22,110 --> 00:27:20,320

and the the description I remember

614

00:27:24,450 --> 00:27:22,120

you're describing the being you said you

615

00:27:25,830 --> 00:27:24,460

saw for just a flash and I remember you

616

00:27:27,390 --> 00:27:25,840

saying something about the legs looking

617

00:27:30,390 --> 00:27:27,400

almost like stick legs or something

618

00:27:33,320 --> 00:27:30,400

really tiny like it's really stood out

619

00:27:37,190 --> 00:27:33,330

Martin because you know this being was

620

00:27:40,350 --> 00:27:37,200

small about three and a half feet I

621

00:27:43,770 --> 00:27:40,360

don't really remember seeing the arms

622

00:27:46,260 --> 00:27:43,780

I'm sure he had them but his legs were

623

00:27:48,720 --> 00:27:46,270

so twig like they didn't make sense

624

00:27:50,670 --> 00:27:48,730

since probably why it stood out they

625

00:27:53,700 --> 00:27:50,680

weren't a pile his body when I say twig

626

00:27:55,710 --> 00:27:53,710

it's like thinner than my pinky and you

627

00:27:58,740 --> 00:27:55,720

know these little and and of course now

628

00:28:00,450 --> 00:27:58,750

realizing you know with the night shots

629

00:28:03,240 --> 00:28:00,460

going back you know with the flashlights

630

00:28:05,880 --> 00:28:03,250

we realized that the angle that we like

631

00:28:07,890 --> 00:28:05,890

hit him it was shadowed you know his

632

00:28:09,360 --> 00:28:07,900

legs are probably normal I just yeah we

633

00:28:13,920 --> 00:28:09,370

just saw the little parts that weren't

634

00:28:16,770 --> 00:28:13,930

lit up and you know the other thing that

635

00:28:19,160 --> 00:28:16,780

I couldn't stop thinking about there

636

00:28:22,680 --> 00:28:19,170

were two things on the way home one was

637

00:28:25,260 --> 00:28:22,690

that didn't make sense because that

638

00:28:28,110 --> 00:28:25,270

cornfields was so dark this guy was

639

00:28:30,450 --> 00:28:28,120

amazing you know with all the stars and

640

00:28:34,020 --> 00:28:30,460

it was such a clear beautiful evening

641

00:28:37,320 --> 00:28:34,030

and how do you go from that dark to this

642

00:28:38,730 --> 00:28:37,330

halogen you know normal you know most

643

00:28:43,320 --> 00:28:38,740

everybody has in their vehicle

644

00:28:45,720 --> 00:28:43,330

flashlights six feet from your face from

645

00:28:49,050 --> 00:28:45,730

that dark tube a mule bless it with this

646

00:28:51,630 --> 00:28:49,060

big halogen light and not move it the

647

00:28:51,930 --> 00:28:51,640

being when I saw it seemed completely on

648

00:29:24,240 --> 00:28:51,940

a

649

00:29:25,560 --> 00:29:24,250

those cousins were out there but they

650

00:29:28,890 --> 00:29:25,570

stayed at the sidelines

651
00:29:32,340 --> 00:29:28,900
what if they brought that be now and set

652
00:29:34,320 --> 00:29:32,350
that little thing up and you know we you

653
00:29:36,500 --> 00:29:34,330
know didn't see it for some reason

654
00:29:39,600 --> 00:29:36,510
walking up because it was a little off

655
00:29:41,970 --> 00:29:39,610
you know and they waited for that to

656
00:29:43,890 --> 00:29:41,980
happen but it doesn't explain the fear

657
00:29:45,870 --> 00:29:43,900
it doesn't explain the triangle it

658
00:29:49,050 --> 00:29:45,880
doesn't explain a lot of that but when I

659
00:29:51,030 --> 00:29:49,060
came back I saw exactly because remember

660
00:29:53,910 --> 00:29:51,040
this is right after the waters receded

661
00:29:55,920 --> 00:29:53,920
from that flood yeah so we had

662
00:29:57,600 --> 00:29:55,930
footprints everywhere it was it was

663
00:29:59,970 --> 00:29:57,610

muddy not the type where you're kickin

664

00:30:02,040 --> 00:29:59,980

up mud but it was soft enough I saw

665

00:30:04,050 --> 00:30:02,050

every footprint we made I could tell

666

00:30:07,920 --> 00:30:04,060

where we where I hit him where he

667

00:30:10,020 --> 00:30:07,930

stopped there were no footprints coming

668

00:30:13,140 --> 00:30:10,030

here so in other words the cousins

669

00:30:15,150 --> 00:30:13,150

couldn't have brought a fake being out

670

00:30:20,070 --> 00:30:15,160

there yeah you know and to tell you the

671

00:30:22,260 --> 00:30:20,080

truth when we left I don't even I don't

672

00:30:23,670 --> 00:30:22,270

even remember seeing the cousins get

673

00:30:25,800 --> 00:30:23,680

into their vehicle or anything because

674

00:30:27,540 --> 00:30:25,810

they had one out there I don't remember

675

00:30:31,080 --> 00:30:27,550

any of that I just remember us getting

676

00:30:33,240 --> 00:30:31,090

in the truck and we left so fast we

677

00:30:36,780 --> 00:30:33,250

caught air coming out before we landed

678

00:30:39,540 --> 00:30:36,790

on you know the main road a country main

679

00:30:42,780 --> 00:30:39,550

road to get back to his house and we

680

00:30:44,580 --> 00:30:42,790

caught air and I remember the cousins

681

00:30:47,160 --> 00:30:44,590

kind of driving by after we had already

682

00:30:48,270 --> 00:30:47,170

pulled in and they went home they didn't

683

00:30:50,400 --> 00:30:48,280

even stop they're gone

684

00:30:52,770 --> 00:30:50,410

and they also would not talk to anybody

685

00:30:55,970 --> 00:30:52,780

about it after they they were terrified

686

00:30:58,980 --> 00:30:55,980

they shut down they didn't want anything

687

00:31:00,900 --> 00:30:58,990

they did come out and meet the state

688

00:31:04,320 --> 00:31:00,910

director Eddie Middleton and they Eddie

689

00:31:05,610 --> 00:31:04,330
got to talk to them a little bit just

690

00:31:08,430 --> 00:31:05,620
enough to acknowledge

691

00:31:11,520 --> 00:31:08,440
that they were there and they saw a

692

00:31:16,049 --> 00:31:11,530
triangle again by the way again they'd

693

00:31:20,070 --> 00:31:16,059
see many I saw one you know so yeah it's

694

00:31:22,049 --> 00:31:20,080
just yeah I look for all of that stuff

695

00:31:23,700 --> 00:31:22,059
no the other thing I couldn't stop

696

00:31:25,280 --> 00:31:23,710
thinking about on the way home Martin

697

00:31:29,310 --> 00:31:25,290
was um

698

00:31:31,080 --> 00:31:29,320
bullcrap nobody gets everything in one

699

00:31:34,020 --> 00:31:31,090
night there's something wrong with that

700

00:31:35,940 --> 00:31:34,030
evening and to this day I feel like that

701
00:31:38,480 --> 00:31:35,950
I feel like there's something wrong I

702
00:31:41,940 --> 00:31:38,490
can't find it but I'm still looking

703
00:31:48,900 --> 00:31:41,950
digging in a little bit I've never not

704
00:31:51,810 --> 00:31:48,910
had this experience kind of on my on my

705
00:31:53,640 --> 00:31:51,820
mind no matter where where I go who I'm

706
00:31:56,940 --> 00:31:53,650
talking to what I'm doing it's always

707
00:31:59,610 --> 00:31:56,950
there so I you know I'm still trying to

708
00:32:03,480 --> 00:31:59,620
figure out what happened but I'm the

709
00:32:05,240 --> 00:32:03,490
first one to admit man you know I wish I

710
00:32:09,930 --> 00:32:05,250
had something better to say like a

711
00:32:12,240 --> 00:32:09,940
normal UFO experience something that's

712
00:32:17,060 --> 00:32:12,250
more common things that we hear all the

713
00:32:20,549 --> 00:32:17,070

time but it's not it's the craziest

714

00:32:22,919 --> 00:32:20,559

evening that makes absolutely no sense I

715

00:32:25,560 --> 00:32:22,929

can't make heads or tails of what was

716

00:32:27,570 --> 00:32:25,570

going on did the triangle caused the

717

00:32:29,370 --> 00:32:27,580

fear was it the being was it a

718

00:32:30,930 --> 00:32:29,380

combination you know and then there's

719

00:32:33,290 --> 00:32:30,940

always that thought that I didn't

720

00:32:35,610 --> 00:32:33,300

understand until a little later and

721

00:32:37,890 --> 00:32:35,620

you'll you'll know this one Martin

722

00:32:42,840 --> 00:32:37,900

because when we talked to experiencers

723

00:32:47,790 --> 00:32:42,850

or abductees we hear often that they can

724

00:32:52,080 --> 00:32:47,800

feel what that being is feeling and all

725

00:32:55,320 --> 00:32:52,090

of a sudden it hit me oh my god what if

726

00:32:57,919 --> 00:32:55,330

that fear that was not human

727

00:33:01,440 --> 00:32:57,929

it was so extraordinary it was

728

00:33:05,190 --> 00:33:01,450

tremendous terror was actually what that

729

00:33:10,410 --> 00:33:05,200

being was feeling and it was just

730

00:33:12,930 --> 00:33:10,420

projected on to us and it's I can't even

731

00:33:15,480 --> 00:33:12,940

process that right now I mean I it's in

732

00:33:18,549 --> 00:33:15,490

my head I just can't go there not yet

733

00:33:21,369 --> 00:33:18,559

now you said earlier when you star

734

00:33:27,039 --> 00:33:21,379

talking about this you said that nobody

735

00:33:28,659 --> 00:33:27,049

cares about what you believe or feel why

736

00:33:30,430 --> 00:33:28,669

would that be I mean you must have had

737

00:33:31,960 --> 00:33:30,440

colleagues and move on you you could

738

00:33:33,730 --> 00:33:31,970

have called the set oh my god you can't

739

00:33:35,950 --> 00:33:33,740

believe what happened and you know share

740

00:33:38,619 --> 00:33:35,960

the story that way or or does it all

741

00:33:41,440 --> 00:33:38,629

have to be just plain documented and and

742

00:33:43,180 --> 00:33:41,450

that's it like I said well I met more

743

00:33:44,830 --> 00:33:43,190

like as an investigator you know when

744

00:33:46,690 --> 00:33:44,840

people call me out they don't really

745

00:33:48,249 --> 00:33:46,700

care what I believe about the UFO issue

746

00:33:51,129 --> 00:33:48,259

that's not why they're calling me

747

00:33:52,779 --> 00:33:51,139

they're calling me because or contacting

748

00:33:55,419 --> 00:33:52,789

MUFON you know they didn't even call me

749

00:33:56,769 --> 00:33:55,429

this was a MUFON case you know they want

750

00:33:59,019 --> 00:33:56,779

an investigator they're looking for

751
00:34:01,119 --> 00:33:59,029
answers they don't care what we think or

752
00:34:04,960 --> 00:34:01,129
believe you know they they're not

753
00:34:07,450 --> 00:34:04,970
looking for commentary they're looking

754
00:34:09,970 --> 00:34:07,460
for answers and that comes from evidence

755
00:34:12,730 --> 00:34:09,980
so I'm very aware of this that people

756
00:34:14,680 --> 00:34:12,740
don't really care you know I don't care

757
00:34:17,409 --> 00:34:14,690
what other investigators believe or

758
00:34:18,819 --> 00:34:17,419
think that you believe that outside you

759
00:34:22,780 --> 00:34:18,829
know you come in you have to have an

760
00:34:25,780 --> 00:34:22,790
objective completely clean slate every

761
00:34:29,470 --> 00:34:25,790
new every time you walk into a new case

762
00:34:31,419 --> 00:34:29,480
period and that's you know something

763
00:34:33,609 --> 00:34:31,429

that I think that's what I meant

764

00:34:37,510 --> 00:34:33,619

I don't think that's what I meant that's

765

00:34:39,790 --> 00:34:37,520

exactly what I meant is you know you

766

00:34:41,260 --> 00:34:39,800

know so many times your people go in and

767

00:34:44,829 --> 00:34:41,270

well I think this is what happened to

768

00:34:47,980 --> 00:34:44,839

you we need to stop that yeah that's not

769

00:34:50,409 --> 00:34:47,990

helpful yeah I understand yeah yeah but

770

00:34:53,500 --> 00:34:50,419

you know obviously this was something

771

00:34:55,950 --> 00:34:53,510

that you know made you very emotional

772

00:34:58,540 --> 00:34:55,960

and and really affected your life and

773

00:35:05,410 --> 00:34:58,550

have you written about this anywhere

774

00:35:08,230 --> 00:35:05,420

like on a lighter no I it's Ryan Sprague

775

00:35:11,349 --> 00:35:08,240

asked for this experience but he was

776

00:35:14,740 --> 00:35:11,359

writing a book about personal

777

00:35:17,490 --> 00:35:14,750

experiences like the personal what the

778

00:35:22,750 --> 00:35:17,500

takeaway personally on some of these

779

00:35:26,349 --> 00:35:22,760

events with contactees and so I let him

780

00:35:30,130 --> 00:35:26,359

write about it but nope I haven't in

781

00:35:32,120 --> 00:35:30,140

fact TV all over it they want this story

782

00:35:35,180 --> 00:35:32,130

so bad they've offered to pay

783

00:35:37,580 --> 00:35:35,190

or even recently as of two weeks ago I

784

00:35:38,570 --> 00:35:37,590

actually pulled it and no that's not for

785

00:35:43,190 --> 00:35:38,580

sale

786

00:35:49,850 --> 00:35:43,200

this is not entertainment it's real and

787

00:35:52,910 --> 00:35:49,860

it's it's it's a mystery that has taken

788

00:35:54,470 --> 00:35:52,920

out an investigator that no longer is

789

00:35:57,500 --> 00:35:54,480

involved in the field anymore I don't

790

00:35:59,600 --> 00:35:57,510

know if this event had exactly to do

791

00:36:02,120 --> 00:35:59,610

with that all I know is she's gone got a

792

00:36:04,550 --> 00:36:02,130

car left left family house husband all

793

00:36:06,440 --> 00:36:04,560

um really Wow

794

00:36:08,810 --> 00:36:06,450

yes yes it's why I say the other

795

00:36:12,440 --> 00:36:08,820

investigator and I don't name her name

796

00:36:14,630 --> 00:36:12,450

because she wants so part of it so out

797

00:36:19,310 --> 00:36:14,640

of respect I don't keep continue to

798

00:36:21,560 --> 00:36:19,320

bring her in you know the witness is

799

00:36:25,190 --> 00:36:21,570

still his whole family was affected by

800

00:36:28,040 --> 00:36:25,200

the things going on and yeah it's just

801
00:36:30,770 --> 00:36:28,050
it's not for sale i I don't know any

802
00:36:33,220 --> 00:36:30,780
other way to put it I I do talk about it

803
00:36:37,340 --> 00:36:33,230
rarely and I talked about it with

804
00:36:38,930 --> 00:36:37,350
trusted people like yourself a leandro

805
00:36:42,490 --> 00:36:38,940
you know a couple others that you and I

806
00:36:49,430 --> 00:36:47,540
you know I yeah it's still it's it's

807
00:36:52,040 --> 00:36:49,440
it's still something that you know we

808
00:36:53,870 --> 00:36:52,050
need to process these things you know it

809
00:36:56,990 --> 00:36:53,880
may be a better investigator Martin

810
00:37:01,100 --> 00:36:57,000
because when you see something that hits

811
00:37:06,560 --> 00:37:01,110
you so deeply and and I'd even say in

812
00:37:09,320 --> 00:37:06,570
your soul it's just something that you

813
00:37:12,830 --> 00:37:09,330

can't just process in three weeks or it

814

00:37:16,250 --> 00:37:12,840

takes a while now I wonder if these

815

00:37:18,680 --> 00:37:16,260

bigger experiences that we hear about

816

00:37:22,760 --> 00:37:18,690

from our experiences contact these and

817

00:37:25,130 --> 00:37:22,770

abductees it takes them years decades

818

00:37:29,300 --> 00:37:25,140

sometimes to be able to talk about what

819

00:37:35,480 --> 00:37:29,310

happened openly I had one night one

820

00:37:37,210 --> 00:37:35,490

second and and it yeah it's still with

821

00:37:39,950 --> 00:37:37,220

me in such a profound way

822

00:37:41,270 --> 00:37:39,960

imagine having a lifetime of abductions

823

00:37:43,970 --> 00:37:41,280

and these types of memories or

824

00:37:49,970 --> 00:37:46,610

that's naughty I think it's like you

825

00:37:52,820 --> 00:37:49,980

know you put it in perspective and it's

826

00:37:54,800 --> 00:37:52,830

extraordinary yeah and you know the this

827

00:37:57,110 --> 00:37:54,810

the strange thing about you know you

828

00:37:58,850 --> 00:37:57,120

said like all this happening and one

829

00:38:00,340 --> 00:37:58,860

night I was looking at the chat room and

830

00:38:02,000 --> 00:38:00,350

someone said it could be

831

00:38:04,400 --> 00:38:02,010

interdimensional or something like that

832

00:38:07,820 --> 00:38:04,410

and it's just one of these big huge

833

00:38:10,190 --> 00:38:07,830

question marks you know I believe it is

834

00:38:12,410 --> 00:38:10,200

I am going on the record and saying that

835

00:38:14,420 --> 00:38:12,420

and I said this before I believe even on

836

00:38:16,280 --> 00:38:14,430

your show I don't believe that to get

837

00:38:19,010 --> 00:38:16,290

here on a full tank of gas on a Red Bull

838

00:38:20,780 --> 00:38:19,020

I really believe because every amateur

839

00:38:24,220 --> 00:38:20,790

astronomer we'd brought them into our

840

00:38:27,500 --> 00:38:24,230

airspace we would watch them enter and

841

00:38:29,690 --> 00:38:27,510

transverse you know from the moon to you

842

00:38:32,780 --> 00:38:29,700

know we could see this now and we're not

843

00:38:34,880 --> 00:38:32,790

so it's either cloaking technology or

844

00:38:37,370 --> 00:38:34,890

they're using of physics we don't

845

00:38:40,840 --> 00:38:37,380

understand and if we're going to be

846

00:38:43,910 --> 00:38:40,850

honest and if we're going to finally as

847

00:38:45,800 --> 00:38:43,920

ufologists put together some debt in

848

00:38:49,010 --> 00:38:45,810

other words what do we know this is a

849

00:38:50,840 --> 00:38:49,020

big thing I'm doing in 2019 I'm so sick

850

00:38:54,110 --> 00:38:50,850

of proclamations and guessing and I'm

851
00:38:56,030 --> 00:38:54,120
like MUFON is 50 years old this year we

852
00:38:59,290 --> 00:38:56,040
have 50 years of data

853
00:39:03,590 --> 00:38:59,300
eyewitness testimony we have

854
00:39:06,530 --> 00:39:03,600
investigations into big things we have

855
00:39:09,320 --> 00:39:06,540
contacts all over the world it's time we

856
00:39:12,200 --> 00:39:09,330
start using it it's time we start

857
00:39:14,810 --> 00:39:12,210
putting this puzzle together so I really

858
00:39:17,800 --> 00:39:14,820
have created a think tank Martin where

859
00:39:22,040 --> 00:39:17,810
it's we call a strategic review team and

860
00:39:27,470 --> 00:39:22,050
I'm really taking a very eclectic group

861
00:39:30,290 --> 00:39:27,480
we have an amazing personnel in this we

862
00:39:33,710 --> 00:39:30,300
even have the UN prosecuting attorney

863
00:39:36,650 --> 00:39:33,720

for more crimes in this think tank yeah

864

00:39:38,900 --> 00:39:36,660

this is all through MUFON it is they're

865

00:39:45,070 --> 00:39:38,910

all MUFON members and what we're going

866

00:39:48,620 --> 00:39:45,080

to do is we are going to look at the et

867

00:39:52,040 --> 00:39:48,630

hypothesis as a counterintelligence

868

00:39:54,230 --> 00:39:52,050

operation in other words like we're

869

00:39:56,690 --> 00:39:54,240

going to find out about what does this

870

00:39:57,520 --> 00:39:56,700

terrorist group what do we know about

871

00:39:59,620 --> 00:39:57,530

them

872

00:40:02,260 --> 00:39:59,630

they do what's their ideology are there

873

00:40:04,300 --> 00:40:02,270

anything that they're doing logistically

874

00:40:06,250 --> 00:40:04,310

how do they work and that's how we're

875

00:40:07,960 --> 00:40:06,260

going to attack this and I know this is

876

00:40:10,090 --> 00:40:07,970

going to send some people in to the I

877

00:40:12,640 --> 00:40:10,100

told you they're infiltrated by the

878

00:40:15,520 --> 00:40:12,650

government you know Secret Service or

879

00:40:17,800 --> 00:40:15,530

whatever and the truth is this is smart

880

00:40:20,620 --> 00:40:17,810

this is the smart way to go after this

881

00:40:23,350 --> 00:40:20,630

because the first thing we do is what do

882

00:40:27,100 --> 00:40:23,360

we know we know their secret we know

883

00:40:29,770 --> 00:40:27,110

their clandestine why what is that what

884

00:40:31,630 --> 00:40:29,780

would what does this mean the second

885

00:40:34,270 --> 00:40:31,640

thing we would answer is well we know

886

00:40:36,790 --> 00:40:34,280

they communicate right they communicate

887

00:40:40,510 --> 00:40:36,800

telepathically they communicate through

888

00:40:43,540 --> 00:40:40,520

binary code crop circles crop circles

889

00:40:46,480 --> 00:40:43,550

whoa there's something those are

890

00:40:48,520 --> 00:40:46,490

testable scientific evidence because

891

00:40:52,360 --> 00:40:48,530

they're different and they're testable

892

00:40:55,210 --> 00:40:52,370

and we're finding code written in them

893

00:40:57,820 --> 00:40:55,220

we have for now all pretty much given us

894

00:41:00,730 --> 00:40:57,830

the same message so do we put this in

895

00:41:03,640 --> 00:41:00,740

the worthy column or do we throw it out

896

00:41:08,110 --> 00:41:03,650

so when we start putting together and

897

00:41:11,230 --> 00:41:08,120

and looking at this instead of as you

898

00:41:13,720 --> 00:41:11,240

know a big mystery and you know let's

899

00:41:16,330 --> 00:41:13,730

look at it like a reality and let's look

900

00:41:20,380 --> 00:41:16,340

at it like we would anything else a

901
00:41:24,600 --> 00:41:20,390
brand new hater group or you know how do

902
00:41:27,310 --> 00:41:24,610
we profile and put together and

903
00:41:29,620 --> 00:41:27,320
understand it as a big picture and

904
00:41:32,950 --> 00:41:29,630
that's what we're doing in 2019 we've

905
00:41:36,210 --> 00:41:32,960
already started this think tank is you

906
00:41:38,560 --> 00:41:36,220
know what do we know what do they do

907
00:41:40,810 --> 00:41:38,570
what are some of the other implications

908
00:41:43,840 --> 00:41:40,820
we're going as far as where the claims

909
00:41:46,380 --> 00:41:43,850
you know Betty hill some of the things

910
00:41:49,900 --> 00:41:46,390
that she was told let's listen to this

911
00:41:51,940 --> 00:41:49,910
let's listen to this because I know our

912
00:41:53,470 --> 00:41:51,950
answers are going to come from the

913
00:41:57,490 --> 00:41:53,480

eyewitness testimony and the

914

00:41:59,590 --> 00:41:57,500

experiencers plain and simple what what

915

00:42:02,860 --> 00:41:59,600

is the message you said there's two two

916

00:42:04,420 --> 00:42:02,870

messages that are well this for like in

917

00:42:08,200 --> 00:42:04,430

the in the crop circles

918

00:42:09,029 --> 00:42:08,210

remember the typical gray head and prop

919

00:42:12,179 --> 00:42:09,039

circle with the

920

00:42:14,130 --> 00:42:12,189

disk yep and then we have and we also

921

00:42:17,099 --> 00:42:14,140

sent out like remember our little DNA

922

00:42:20,699 --> 00:42:17,109

strand and it had all B's we got one

923

00:42:25,049 --> 00:42:20,709

back in the forger yeah yeah I think

924

00:42:27,900 --> 00:42:25,059

that's I believe so and we get one back

925

00:42:30,029 --> 00:42:27,910

well what does that mean are they

926
00:42:32,819 --> 00:42:30,039
communicating with us so it is a warning

927
00:42:35,459 --> 00:42:32,829
it's a warning about beware of deceivers

928
00:42:37,499 --> 00:42:35,469
and beware of deceivers with gifts

929
00:42:38,789 --> 00:42:37,509
they're coming with promises and gifts

930
00:42:42,479 --> 00:42:38,799
and we need to be very careful of that

931
00:42:45,209 --> 00:42:42,489
well again as this think-tank what does

932
00:42:48,439 --> 00:42:45,219
that mean well it means we have a

933
00:42:51,749 --> 00:42:48,449
warning so it means we have a friend or

934
00:42:54,659 --> 00:42:51,759
we have allies somebody cared enough

935
00:42:57,650 --> 00:42:54,669
about humanity to send this warning or

936
00:43:00,659 --> 00:42:57,660
is that warning a deception in itself

937
00:43:02,549 --> 00:43:00,669
you know so this is this is where we're

938
00:43:04,199 --> 00:43:02,559

going with this instead of looking at

939

00:43:05,729 --> 00:43:04,209

this like a big mystery we're going

940

00:43:09,120 --> 00:43:05,739

after this like it's you know a new

941

00:43:15,299 --> 00:43:09,130

group of people or a new group that we

942

00:43:17,870 --> 00:43:15,309

have to understand and almost gather the

943

00:43:20,309 --> 00:43:17,880

same Intel just like they've done in

944

00:43:22,799 --> 00:43:20,319

secret you know what do they know about

945

00:43:25,169 --> 00:43:22,809

us are they studying we need to do the

946

00:43:31,609 --> 00:43:25,179

same back we need to gather intelligence

947

00:43:35,939 --> 00:43:31,619

and figure this out what do we know so

948

00:43:38,429 --> 00:43:35,949

unfortunately this kind of has a bad

949

00:43:40,519 --> 00:43:38,439

connotation to it of you know people are

950

00:43:42,989 --> 00:43:40,529

going to be like oh yeah

951
00:43:45,209 --> 00:43:42,999
counterintelligence operation that's

952
00:43:47,759 --> 00:43:45,219
what she called it you know but but it's

953
00:43:50,219 --> 00:43:47,769
effective this is an effective way to

954
00:43:52,339 --> 00:43:50,229
examine something and it's also

955
00:43:54,449 --> 00:43:52,349
admissible is there gonna be

956
00:43:58,079 --> 00:43:54,459
transparency with this as well oh

957
00:43:59,880 --> 00:43:58,089
absolutely absolutely because this is

958
00:44:02,759 --> 00:43:59,890
something that you know even be talking

959
00:44:04,829 --> 00:44:02,769
about what we're doing now very publicly

960
00:44:06,630 --> 00:44:04,839
because this this is something we should

961
00:44:08,699 --> 00:44:06,640
all be doing you know I'm not keep it

962
00:44:10,409 --> 00:44:08,709
secret like oh well we got something

963
00:44:12,689 --> 00:44:10,419

that may be coming out in a few months

964

00:44:16,649 --> 00:44:12,699

hypno let's talk about it let's you know

965

00:44:20,729 --> 00:44:16,659

keep things very open and that's that's

966

00:44:21,990 --> 00:44:20,739

something that MUFON needs to get better

967

00:44:26,240 --> 00:44:22,000

with their message

968

00:44:30,089 --> 00:44:26,250

part of our mission statement is

969

00:44:31,220 --> 00:44:30,099

education and we have information

970

00:44:34,710 --> 00:44:31,230

everywhere

971

00:44:41,250 --> 00:44:34,720

Facebook Twitter on our website there's

972

00:44:44,700 --> 00:44:41,260

an open CMS log look at pull up UFO

973

00:44:47,970 --> 00:44:44,710

stalker go on to the main website go to

974

00:44:50,220 --> 00:44:47,980

track UFOs and hit that UFO stalker tell

975

00:44:51,240 --> 00:44:50,230

me we're hiding anything come on guys

976

00:44:53,819 --> 00:44:51,250

this is ridiculous

977

00:44:56,400 --> 00:44:53,829

that stalker tells you the log

978

00:44:58,980 --> 00:44:56,410

description where it is you know what

979

00:45:00,829 --> 00:44:58,990

kind of what happened um the only thing

980

00:45:03,599 --> 00:45:00,839

you're not going to get is witness

981

00:45:06,329 --> 00:45:03,609

contact information and that's because

982

00:45:08,130 --> 00:45:06,339

most don't want everybody in the world

983

00:45:09,569 --> 00:45:08,140

they've given them a call and showing up

984

00:45:11,750 --> 00:45:09,579

at their door yeah you have to know

985

00:45:17,339 --> 00:45:11,760

people feel safe if they're gonna talk

986

00:45:18,450 --> 00:45:17,349

absolutely so you know I think I think

987

00:45:20,819 --> 00:45:18,460

we just need to get better at our

988

00:45:23,160 --> 00:45:20,829

messaging why do people not know that we

989

00:45:25,349 --> 00:45:23,170

do all this why do people not know that

990

00:45:27,180 --> 00:45:25,359

we have a symposium every year or we

991

00:45:30,019 --> 00:45:27,190

have a journal that comes out every

992

00:45:33,029 --> 00:45:30,029

single month or we have newsletters or

993

00:45:34,620 --> 00:45:33,039

states that are actively involved the

994

00:45:37,319 --> 00:45:34,630

state directors that are putting on

995

00:45:39,690 --> 00:45:37,329

meetings in every state around the

996

00:45:42,990 --> 00:45:39,700

country and even other countries around

997

00:45:45,210 --> 00:45:43,000

the world why do people still want to

998

00:45:49,470 --> 00:45:45,220

say MUFON doesn't do anything or

999

00:45:50,940 --> 00:45:49,480

generate information and it's it's not

1000

00:45:54,150 --> 00:45:50,950

the public's fault

1001
00:45:56,609 --> 00:45:54,160
we're not messaging correctly because we

1002
00:45:58,849 --> 00:45:56,619
have all of this available and yet we

1003
00:46:01,650 --> 00:45:58,859
still hear that it's crazy

1004
00:46:05,640 --> 00:46:01,660
well speaking of that you know the to

1005
00:46:11,880 --> 00:46:05,650
the stars Academy our T TSA or whatever

1006
00:46:14,579 --> 00:46:11,890
you want to call it complain about that

1007
00:46:16,620 --> 00:46:14,589
you hear a lot about them is that you

1008
00:46:19,380 --> 00:46:16,630
know there's oh there's something big

1009
00:46:20,970 --> 00:46:19,390
coming up or you know we can't like a

1010
00:46:23,670 --> 00:46:20,980
lot of people are saying they're just

1011
00:46:26,789 --> 00:46:23,680
holding information and and why you know

1012
00:46:28,079 --> 00:46:26,799
what sir you know what's going on there

1013
00:46:31,650 --> 00:46:28,089

what do you what do you feel about all

1014

00:46:34,970 --> 00:46:31,660

that I think we're jaded with the

1015

00:46:36,890 --> 00:46:34,980

disclosure and the claims of you know

1016

00:46:39,020 --> 00:46:36,900

it's breakin it's coming you know this

1017

00:46:41,390 --> 00:46:39,030

year's a year Hillary Clinton's the

1018

00:46:45,230 --> 00:46:41,400

candidate I mean we're so burned out so

1019

00:46:48,109 --> 00:46:45,240

I am I even hate the word disclosure I

1020

00:46:49,670 --> 00:46:48,119

don't even want to hear it anymore it's

1021

00:46:52,730 --> 00:46:49,680

it's annoying

1022

00:46:55,250 --> 00:46:52,740

so for to the Stars Academy they're new

1023

00:47:00,740 --> 00:46:55,260

guys they're really new guys they don't

1024

00:47:03,050 --> 00:47:00,750

have the background to even know that

1025

00:47:05,210 --> 00:47:03,060

some of the cases they're working on or

1026

00:47:09,490 --> 00:47:05,220

some of the evidence they picked up has

1027

00:47:13,090 --> 00:47:09,500

been done 40 times already by many many

1028

00:47:18,280 --> 00:47:13,100

credible people and labs so you know

1029

00:47:20,599 --> 00:47:18,290

they're new and but they have money and

1030

00:47:24,080 --> 00:47:20,609

that's always going to be the difference

1031

00:47:26,090 --> 00:47:24,090

of them being successful or not and it

1032

00:47:30,160 --> 00:47:26,100

takes money to travel it takes money to

1033

00:47:39,320 --> 00:47:35,870

analyze all this data and materials they

1034

00:47:41,240 --> 00:47:39,330

claim to have to correct and I'm

1035

00:47:43,310 --> 00:47:41,250

interested to see what they show us um

1036

00:47:45,020 --> 00:47:43,320

you know we all know they have a show on

1037

00:47:45,980 --> 00:47:45,030

A&E coming out we all know that they've

1038

00:47:48,260 --> 00:47:45,990

been very busy

1039

00:47:50,270 --> 00:47:48,270

collecting evidence I can't wait to see

1040

00:47:51,410 --> 00:47:50,280

what they what they reveal and I hope

1041

00:47:53,510 --> 00:47:51,420

it's something we haven't heard a

1042

00:47:56,120 --> 00:47:53,520

hundred times before I you know I think

1043

00:48:00,170 --> 00:47:56,130

people are you know we have benchmark

1044

00:48:03,020 --> 00:48:00,180

cases Brendel some Roswell Betty Barney

1045

00:48:05,270 --> 00:48:03,030

Hill these are all huge cases but

1046

00:48:07,099 --> 00:48:05,280

there's other things going on can we

1047

00:48:07,700 --> 00:48:07,109

hear about those for a while if you know

1048

00:48:10,070 --> 00:48:07,710

what I mean

1049

00:48:12,170 --> 00:48:10,080

if we keep rehashing the same old

1050

00:48:15,859 --> 00:48:12,180

information and there's a lot of new

1051
00:48:20,030 --> 00:48:15,869
stuff coming out so that's one thing the

1052
00:48:24,320 --> 00:48:20,040
other thing about to the stars is they

1053
00:48:26,210 --> 00:48:24,330
really Lou I I was going to ask what do

1054
00:48:32,290 --> 00:48:26,220
we get yeah what do we think about Lou

1055
00:48:35,270 --> 00:48:32,300
well I get mad at how quickly our field

1056
00:48:40,040 --> 00:48:35,280
can turn and just be so ugly

1057
00:48:41,960 --> 00:48:40,050
honestly we beg we have talked about for

1058
00:48:43,820 --> 00:48:41,970
decades for you know people like us that

1059
00:48:45,650 --> 00:48:43,830
have been doing this for more than two

1060
00:48:48,319 --> 00:48:45,660
years we

1061
00:48:50,599 --> 00:48:48,329
have been trying to get lawmakers

1062
00:48:53,420 --> 00:48:50,609
engaged and talking about this issue

1063
00:48:56,839 --> 00:48:53,430

we've been trying to get on military and

1064

00:48:59,720 --> 00:48:56,849

you know some of our secret keepers on

1065

00:49:01,609 --> 00:48:59,730

some of our alphabet agency CIA FBI

1066

00:49:04,190 --> 00:49:01,619

we've been trying to get these people to

1067

00:49:07,069 --> 00:49:04,200

talk to us and when they do first thing

1068

00:49:08,930 --> 00:49:07,079

we do is shredder yeah oh he's a secret

1069

00:49:12,470 --> 00:49:08,940

agent he's doing this he's doing that

1070

00:49:15,740 --> 00:49:12,480

what my question is what disinformation

1071

00:49:17,870 --> 00:49:15,750

is Lou giving us because they're not

1072

00:49:18,769 --> 00:49:17,880

talking to us they're not talking to

1073

00:49:21,019 --> 00:49:18,779

anybody right now

1074

00:49:22,579 --> 00:49:21,029

they know who their audience is and it's

1075

00:49:24,319 --> 00:49:22,589

the public they don't give two craps

1076

00:49:26,539 --> 00:49:24,329

about what do you follow just think of

1077

00:49:28,640 --> 00:49:26,549

them right now or they're they got their

1078

00:49:32,029 --> 00:49:28,650

head down and they're working and that

1079

00:49:34,759 --> 00:49:32,039

was a lesson MUFON took from to the

1080

00:49:36,710 --> 00:49:34,769

Stars Academy we're not going to that's

1081

00:49:38,210 --> 00:49:36,720

not our audience or not the people that

1082

00:49:40,490 --> 00:49:38,220

have been doing this for 40 years our

1083

00:49:43,880 --> 00:49:40,500

audience is the public who's looking for

1084

00:49:47,859 --> 00:49:43,890

real answered scientific fact scientific

1085

00:49:51,079 --> 00:49:47,869

certainty admissible conclusion and

1086

00:49:53,390 --> 00:49:51,089

probative data that's what the public's

1087

00:49:55,279 --> 00:49:53,400

looking for and that's when I go back to

1088

00:49:58,490 --> 00:49:55,289

what I first said nobody cares what I

1089

00:50:00,349 --> 00:49:58,500

believe we've got thousands of belief

1090

00:50:03,349 --> 00:50:00,359

systems of people weighing in on their

1091

00:50:05,420 --> 00:50:03,359

opinions we hear them all the time you

1092

00:50:08,390 --> 00:50:05,430

know it's all over you know radio TV and

1093

00:50:11,589 --> 00:50:08,400

you know but I really am frustrated that

1094

00:50:16,339 --> 00:50:11,599

the minute the minute somebody comes out

1095

00:50:19,220 --> 00:50:16,349

from our government this was huge for a

1096

00:50:21,650 --> 00:50:19,230

tip to come out for the first time in a

1097

00:50:24,380 --> 00:50:21,660

long time Martin I felt vindicated as a

1098

00:50:27,230 --> 00:50:24,390

UFO investigator for all the eye rolling

1099

00:50:29,240 --> 00:50:27,240

my friends have given me for all the you

1100

00:50:33,400 --> 00:50:29,250

know tongue-in-cheek jokes we took that

1101

00:50:37,069 --> 00:50:33,410

you know all the tents that tinfoil hat

1102

00:50:38,809 --> 00:50:37,079

antics we put up with and guess what

1103

00:50:41,599 --> 00:50:38,819

guys fifth floor

1104

00:50:44,960 --> 00:50:41,609

take a left third door on your right a

1105

00:50:49,009 --> 00:50:44,970

tip been actively investigating UFOs

1106

00:50:52,999 --> 00:50:49,019

what now people what now Thank You Lou

1107

00:50:55,579 --> 00:50:53,009

for bringing that out because to me just

1108

00:50:57,790 --> 00:50:55,589

that alone was worth everything that

1109

00:50:59,470 --> 00:50:57,800

vindication oh my gosh

1110

00:51:01,930 --> 00:50:59,480

right yeah I think it's changed

1111

00:51:05,530 --> 00:51:01,940

everything and I know you and I both met

1112

00:51:08,020 --> 00:51:05,540

Luke down at Cherry Hill and what a

1113

00:51:10,570 --> 00:51:08,030

great guy first of all and I know that

1114

00:51:12,880 --> 00:51:10,580

he at first you know talking with

1115

00:51:14,080 --> 00:51:12,890

Alejandro who talked to them you know I

1116

00:51:15,460 --> 00:51:14,090

mean I had spoke to him there but

1117

00:51:18,850 --> 00:51:15,470

Alejandro keeps in touch with him I

1118

00:51:21,340 --> 00:51:18,860

guess sir yes yeah and I know I did too

1119

00:51:23,620 --> 00:51:21,350

but yeah I ollie on bro I know it's it's

1120

00:51:26,320 --> 00:51:23,630

a good contact Lou keeps Ali on door

1121

00:51:30,340 --> 00:51:26,330

pretty close yeah so but I know that you

1122

00:51:33,310 --> 00:51:30,350

know he was you know he was actually

1123

00:51:35,770 --> 00:51:33,320

rather hurt by some of the jobs that

1124

00:51:37,690 --> 00:51:35,780

were thrown at him and and you know

1125

00:51:40,300 --> 00:51:37,700

Alejandro basically says don't look

1126
00:51:42,130 --> 00:51:40,310
anymore you know just because he was

1127
00:51:43,810 --> 00:51:42,140
getting involved I can read it and you

1128
00:51:47,860 --> 00:51:43,820
know places like that where people were

1129
00:51:50,470 --> 00:51:47,870
slamming him yeah well I think it's all

1130
00:51:53,560 --> 00:51:50,480
been good and you know I I heard some

1131
00:51:55,600 --> 00:51:53,570
naysayers actually at the conference you

1132
00:51:56,800 --> 00:51:55,610
know after watching him saying oh you

1133
00:51:57,880 --> 00:51:56,810
know he was boring he didn't say

1134
00:51:59,620 --> 00:51:57,890
anything I could have done a better job

1135
00:52:01,630 --> 00:51:59,630
and you know I mean I think there's a

1136
00:52:04,300 --> 00:52:01,640
lot of jealousy in the field there are

1137
00:52:07,000 --> 00:52:04,310
something absolutely agree and we've

1138
00:52:08,890 --> 00:52:07,010

seen it before we've watched the public

1139

00:52:13,270 --> 00:52:08,900

build up who they want to hear from and

1140

00:52:16,630 --> 00:52:13,280

then shred them it's it's it's an

1141

00:52:18,630 --> 00:52:16,640

unbelievable field and you know we're

1142

00:52:22,000 --> 00:52:18,640

fortunate Martin because you have

1143

00:52:24,340 --> 00:52:22,010

amazing inner group of people that

1144

00:52:28,030 --> 00:52:24,350

you're close with a leandro and a lot of

1145

00:52:29,950 --> 00:52:28,040

those people that are we know that

1146

00:52:30,880 --> 00:52:29,960

they're honest and we know that they're

1147

00:52:33,730 --> 00:52:30,890

good people

1148

00:52:36,550 --> 00:52:33,740

and they treat people well and we like

1149

00:52:40,840 --> 00:52:36,560

that you know instead of joining the

1150

00:52:44,260 --> 00:52:40,850

bandwagon of criticism and even going

1151

00:52:47,350 --> 00:52:44,270

after those that come out we I don't

1152

00:52:49,450 --> 00:52:47,360

understand more and we're desperate for

1153

00:52:51,130 --> 00:52:49,460

whistleblowers we want to talk to

1154

00:52:54,610 --> 00:52:51,140

government officials and the minute we

1155

00:52:56,560 --> 00:52:54,620

do even like when Bob Lazar I don't care

1156

00:52:58,180 --> 00:52:56,570

whether you believe them or not the fact

1157

00:53:00,610 --> 00:52:58,190

that we ask for these types of

1158

00:53:03,160 --> 00:53:00,620

whistleblowers and then we spend so much

1159

00:53:05,320 --> 00:53:03,170

time just shredding them we're not

1160

00:53:07,900 --> 00:53:05,330

listening I think we're not listening

1161

00:53:10,330 --> 00:53:07,910

and to tell you the truth the internet

1162

00:53:10,850 --> 00:53:10,340

and social media some is the worst thing

1163

00:53:13,850 --> 00:53:10,860

that happened

1164

00:53:15,860 --> 00:53:13,860

apology we forgot where we're getting

1165

00:53:20,120 --> 00:53:15,870

our information off of social media

1166

00:53:21,590 --> 00:53:20,130

instead of going to the source I was so

1167

00:53:24,290 --> 00:53:21,600

thankful there was just thing with

1168

00:53:29,240 --> 00:53:24,300

secure teen 10 and move on recently and

1169

00:53:31,970 --> 00:53:29,250

it was so great because you know these

1170

00:53:34,460 --> 00:53:31,980

guys from secured team called us and

1171

00:53:37,970 --> 00:53:34,470

talk to us and emailed us and you know

1172

00:53:39,920 --> 00:53:37,980

there's been this ongoing and we have to

1173

00:53:43,150 --> 00:53:39,930

go to the source and we have to talk to

1174

00:53:47,990 --> 00:53:43,160

these people I I'm just amazed if

1175

00:53:51,500 --> 00:53:48,000

Bigelow offered me money right now to

1176
00:53:53,270 --> 00:53:51,510
investigate and whatever I found I could

1177
00:53:56,380 --> 00:53:53,280
give to the public but I also have to

1178
00:53:58,400 --> 00:53:56,390
give it to have done New York second

1179
00:54:01,040 --> 00:53:58,410
unfortunately it takes money to do what

1180
00:54:03,410 --> 00:54:01,050
we have to do and to get where we need

1181
00:54:06,560 --> 00:54:03,420
to go and I would take it in a New York

1182
00:54:08,720 --> 00:54:06,570
second and people would shred me for it

1183
00:54:11,810 --> 00:54:08,730
and this is where we are Martin

1184
00:54:14,600 --> 00:54:11,820
we don't care I don't care what the

1185
00:54:16,790 --> 00:54:14,610
rhetoric is behind my back because

1186
00:54:20,390 --> 00:54:16,800
there's a lot of it on all of us it's

1187
00:54:24,380 --> 00:54:20,400
amazing I've got my head down I'm

1188
00:54:25,610 --> 00:54:24,390

working in my group and whether we're

1189

00:54:28,190 --> 00:54:25,620

successful or not

1190

00:54:30,380 --> 00:54:28,200

we've given an honest and diligent try

1191

00:54:32,420 --> 00:54:30,390

and we're not wasting time with the

1192

00:54:35,210 --> 00:54:32,430

gossip and the bullcrap we're solving

1193

00:54:37,160 --> 00:54:35,220

issues we have were you know meeting at

1194

00:54:38,930 --> 00:54:37,170

think tanks we're talking for hours

1195

00:54:42,350 --> 00:54:38,940

about what do we know we're talking

1196

00:54:45,080 --> 00:54:42,360

hours about our crop circles admissible

1197

00:54:46,840 --> 00:54:45,090

is this admissible communication you

1198

00:54:51,950 --> 00:54:46,850

know we're trying to take it to a level

1199

00:54:55,760 --> 00:54:51,960

where a dossier is being written because

1200

00:54:59,810 --> 00:54:55,770

I live here I'm going to talk to

1201
00:55:02,240 --> 00:54:59,820
Congress I am going to talk to the

1202
00:55:05,720 --> 00:55:02,250
Intelligence Committee we are going to

1203
00:55:08,510 --> 00:55:05,730
get our time with them it's just a

1204
00:55:11,030 --> 00:55:08,520
matter of time we're going to do this

1205
00:55:12,800 --> 00:55:11,040
and we need to be ready we have to have

1206
00:55:17,750 --> 00:55:12,810
a professional dossier we have to have

1207
00:55:20,930 --> 00:55:17,760
professional commentary and a summary to

1208
00:55:23,930 --> 00:55:20,940
hand them for them to understand would

1209
00:55:27,440 --> 00:55:23,940
you would you take a like a question

1210
00:55:28,730 --> 00:55:27,450
to the think tank and because I had I

1211
00:55:29,780 --> 00:55:28,740
had someone call in the other day and

1212
00:55:33,140 --> 00:55:29,790
it's actually something I've thought

1213
00:55:36,590 --> 00:55:33,150

about a number of times and and I think

1214

00:55:38,600 --> 00:55:36,600

it is kind of meaningful in a way and

1215

00:55:41,780 --> 00:55:38,610

that is why would these things have

1216

00:55:44,270 --> 00:55:41,790

lights it's a great question

1217

00:55:45,830 --> 00:55:44,280

I am going to break that down and I have

1218

00:55:49,040 --> 00:55:45,840

heard this one before because it's odd

1219

00:55:53,960 --> 00:55:49,050

why do they have lights on they seem to

1220

00:55:56,510 --> 00:55:53,970

have very earth-like technology hmm for

1221

00:56:00,680 --> 00:55:56,520

an advanced species or advanced race

1222

00:56:03,470 --> 00:56:00,690

that's transversing time and space right

1223

00:56:05,180 --> 00:56:03,480

yeah and if I have lights do they show

1224

00:56:07,190 --> 00:56:05,190

the lights because they want us to see

1225

00:56:10,370 --> 00:56:07,200

them or you know what is going on with

1226

00:56:14,720 --> 00:56:10,380

the lights because they obviously don't

1227

00:56:16,610 --> 00:56:14,730

need them you know yes absolutely and

1228

00:56:19,430 --> 00:56:16,620

another question that we we kind of

1229

00:56:22,550 --> 00:56:19,440

consider is you know even in the crop

1230

00:56:25,880 --> 00:56:22,560

circles why is it more recently that

1231

00:56:28,220 --> 00:56:25,890

we're finding the binary code and of

1232

00:56:32,690 --> 00:56:28,230

course one of the answers from one of

1233

00:56:34,190 --> 00:56:32,700

our amazing minds really was well maybe

1234

00:56:36,800 --> 00:56:34,200

they had to dumb it down because we

1235

00:56:38,510 --> 00:56:36,810

weren't catching the first 25 or the

1236

00:56:40,280 --> 00:56:38,520

first hundred you know we didn't

1237

00:56:41,990 --> 00:56:40,290

understand the sacred geometry or

1238

00:56:47,030 --> 00:56:42,000

they're like oh they'll definitely get

1239

00:56:49,570 --> 00:56:47,040

this one no we missed it again so yeah

1240

00:56:55,420 --> 00:56:49,580

we're still debating on whether these

1241

00:57:01,880 --> 00:56:59,150

symbols and shapes are done by a board

1242

00:57:05,060 --> 00:57:01,890

and a couple guys in the woods even with

1243

00:57:07,400 --> 00:57:05,070

the forensic testing and analysis of

1244

00:57:11,240 --> 00:57:07,410

blow nodes and you know the difference

1245

00:57:15,230 --> 00:57:11,250

and in the crop itself we're still

1246

00:57:18,140 --> 00:57:15,240

fighting that crazy you know accusation

1247

00:57:20,090 --> 00:57:18,150

yeah BLT research are you familiar

1248

00:57:22,600 --> 00:57:20,100

you're familiar with them yeah Nancy

1249

00:57:25,700 --> 00:57:22,610

yeah I had her in the show years ago

1250

00:57:28,850 --> 00:57:25,710

interesting woman and it is in thank

1251
00:57:32,750 --> 00:57:28,860
goodness for Nancy thank goodness

1252
00:57:35,210 --> 00:57:32,760
because she had brought the evidence she

1253
00:57:36,240 --> 00:57:35,220
has brought the science to the crop

1254
00:57:38,670 --> 00:57:36,250
circles for

1255
00:57:41,690 --> 00:57:38,680
to even be legit even if we found the

1256
00:57:45,690 --> 00:57:41,700
binary code without her testable science

1257
00:57:51,000 --> 00:57:45,700
and discovery of what separates these

1258
00:57:54,510 --> 00:57:51,010
real from fake yeah we have probative

1259
00:57:57,750 --> 00:57:54,520
information that we can now research and

1260
00:57:59,490 --> 00:57:57,760
understand crop circle messages and you

1261
00:58:01,890 --> 00:57:59,500
know BLT research I think it's I think

1262
00:58:05,310 --> 00:58:01,900
that's what it's called like bacon

1263
00:58:07,740 --> 00:58:05,320

lettuce tomato there they were funded

1264

00:58:11,130 --> 00:58:07,750

initially by the Rockefeller by

1265

00:58:13,680 --> 00:58:11,140

Rockefeller and I guess Bigelow went

1266

00:58:15,990 --> 00:58:13,690

away as kind of the Rockefeller of today

1267

00:58:19,230 --> 00:58:16,000

as far as you followed you goes he

1268

00:58:22,470 --> 00:58:19,240

used to be yeah and of course he was

1269

00:58:25,560 --> 00:58:22,480

burned so bad and you know shredded you

1270

00:58:27,000 --> 00:58:25,570

know by the haters as well he's turned

1271

00:58:29,339 --> 00:58:27,010

away he wants nothing to do with it I

1272

00:58:31,680 --> 00:58:29,349

you know it has to do people were

1273

00:58:33,780 --> 00:58:31,690

thinking there was the under well this

1274

00:58:37,230 --> 00:58:33,790

is what I've heard people were thinking

1275

00:58:38,820 --> 00:58:37,240

there was an underhand because of the

1276
00:58:42,240 --> 00:58:38,830
fact that he wanted you know the

1277
00:58:44,550 --> 00:58:42,250
information and you know he wanted he

1278
00:58:46,349 --> 00:58:44,560
actually got people involved in doing

1279
00:58:47,760 --> 00:58:46,359
research when MUFON couldn't do it when

1280
00:58:50,280 --> 00:58:47,770
he just wanted you know answers

1281
00:58:52,859 --> 00:58:50,290
basically but he wasn't hiding anything

1282
00:58:54,599 --> 00:58:52,869
he wasn't saying you know we want the

1283
00:58:56,880 --> 00:58:54,609
information and no one else can have it

1284
00:58:59,700 --> 00:58:56,890
you know type of thing and he also

1285
00:59:01,650 --> 00:58:59,710
locked it down you know because his

1286
00:59:03,120 --> 00:59:01,660
people are being discredited you know if

1287
00:59:05,070 --> 00:59:03,130
he can't kill the story go after the

1288
00:59:06,210 --> 00:59:05,080

investigator and we've all experienced

1289

00:59:09,720 --> 00:59:06,220

some of that even within our own

1290

00:59:14,339 --> 00:59:09,730

community you know when I see somebody

1291

00:59:17,280 --> 00:59:14,349

just hell-bent on taking down MUFON or a

1292

00:59:19,320 --> 00:59:17,290

single person you have to wonder what

1293

00:59:21,810 --> 00:59:19,330

that person's motive is especially when

1294

00:59:23,400 --> 00:59:21,820

that person or this organizations been

1295

00:59:25,560 --> 00:59:23,410

around for a while that most people know

1296

00:59:29,160 --> 00:59:25,570

their background and know their you know

1297

00:59:30,990 --> 00:59:29,170

their fiber so you have to wonder and I

1298

00:59:32,940 --> 00:59:31,000

think we just need to bring more

1299

00:59:35,130 --> 00:59:32,950

sophistication into our thinking and

1300

00:59:36,990 --> 00:59:35,140

more of this critical thinking we're

1301
00:59:39,599 --> 00:59:37,000
either going to solve this but we're

1302
00:59:41,760 --> 00:59:39,609
gonna have fun doing it pick one you can

1303
00:59:43,530 --> 00:59:41,770
do both but pick one if this is just

1304
00:59:47,280 --> 00:59:43,540
kind of fun and we love talking about it

1305
00:59:49,410 --> 00:59:47,290
we that's okay but admit it do not put

1306
00:59:52,380 --> 00:59:49,420
your beliefs and everything

1307
00:59:54,720 --> 00:59:52,390
well I think this we got tons of that

1308
00:59:57,000 --> 00:59:54,730
we've got you to go to Facebook and get

1309
00:59:58,800 --> 00:59:57,010
that that's not what people expect from

1310
01:00:01,740 --> 00:59:58,810
me that's not what people expect from

1311
01:00:05,880 --> 01:00:01,750
MUFON or you you know they're expecting

1312
01:00:10,440 --> 01:00:05,890
a little more diligence in who's telling

1313
01:00:13,230 --> 01:00:10,450

the truth who's worthy right you know it

1314

01:00:15,300 --> 01:00:13,240

it it comes I was having this

1315

01:00:18,030 --> 01:00:15,310

conversation with them I was talking to

1316

01:00:21,630 --> 01:00:18,040

Scott Ramsey the other day on the phone

1317

01:00:25,230 --> 01:00:21,640

great guy great really nice guy and we

1318

01:00:29,760 --> 01:00:25,240

were basically coming up with sometimes

1319

01:00:32,940 --> 01:00:29,770

you know we he stays away from a lot of

1320

01:00:35,430 --> 01:00:32,950

the conferences and I said you know why

1321

01:00:37,260 --> 01:00:35,440

basically he says well because you know

1322

01:00:38,400 --> 01:00:37,270

sometimes it can get you know wacky he

1323

01:00:42,000 --> 01:00:38,410

went to one where there was a lot of

1324

01:00:45,300 --> 01:00:42,010

wacky things going on I have noticed

1325

01:00:46,860 --> 01:00:45,310

myself sometimes and this this may get

1326

01:00:50,460 --> 01:00:46,870

some people upset I don't know but

1327

01:00:53,280 --> 01:00:50,470

sometimes the further out on the fringe

1328

01:00:56,010 --> 01:00:53,290

it is the more people are engaged and

1329

01:00:58,560 --> 01:00:56,020

happy and getting you know creating a

1330

01:01:00,780 --> 01:00:58,570

standing ovation I've seen happen a few

1331

01:01:03,630 --> 01:01:00,790

times there's really no control over

1332

01:01:07,350 --> 01:01:03,640

that it's just that I think in that

1333

01:01:09,540 --> 01:01:07,360

sense it's almost like a religion or

1334

01:01:12,480 --> 01:01:09,550

something it's almost like people are

1335

01:01:14,670 --> 01:01:12,490

looking for something you know I I'm

1336

01:01:17,310 --> 01:01:14,680

very interested in this topic because I

1337

01:01:20,370 --> 01:01:17,320

really think there is something to it I

1338

01:01:22,620 --> 01:01:20,380

don't believe that I feel that's like a

1339

01:01:24,480 --> 01:01:22,630

religion you know I can't see that I

1340

01:01:26,730 --> 01:01:24,490

don't feel that way about it I just

1341

01:01:28,110 --> 01:01:26,740

think it's very fascinating and I think

1342

01:01:30,540 --> 01:01:28,120

there's something to it and I think

1343

01:01:35,040 --> 01:01:30,550

there could be answers hopefully in my

1344

01:01:39,780 --> 01:01:35,050

lifetime but you also feel like it's the

1345

01:01:42,740 --> 01:01:39,790

same people all the time every time this

1346

01:01:46,140 --> 01:01:42,750

is something else I'm doing a lot less

1347

01:01:51,810 --> 01:01:46,150

conference even speaking

1348

01:01:54,240 --> 01:01:51,820

I love Congress so but I work conference

1349

01:01:55,440 --> 01:01:54,250

when I go I'm working I know okay I

1350

01:01:56,850 --> 01:01:55,450

didn't see when the last time I was

1351

01:01:59,640 --> 01:01:56,860

there I did I didn't see you anywhere

1352

01:02:02,960 --> 01:01:59,650

but the upfront help and Karen that vote

1353

01:02:05,000 --> 01:02:02,970

yeah and it's a

1354

01:02:07,820 --> 01:02:05,010

and I'll tell you why because a leandro

1355

01:02:10,220 --> 01:02:07,830

and Karen have done a lot for a lot of

1356

01:02:13,040 --> 01:02:10,230

people out there me included

1357

01:02:16,940 --> 01:02:13,050

they're amazing friends of mine and

1358

01:02:18,860 --> 01:02:16,950

their loyal friends of mine and yeah I

1359

01:02:21,470 --> 01:02:18,870

will stand it back of that counter and

1360

01:02:23,840 --> 01:02:21,480

sell their t-shirts and work and I'll

1361

01:02:25,910 --> 01:02:23,850

clean toilets whatever they need because

1362

01:02:30,050 --> 01:02:25,920

this is how we help them be successful

1363

01:02:33,260 --> 01:02:30,060

in also providing you know um you know

1364

01:02:37,370 --> 01:02:33,270

decent speakers and commentary this is

1365

01:02:38,860 --> 01:02:37,380

my way of helping them as well so you

1366

01:02:41,900 --> 01:02:38,870

know but doing a lot less comfort

1367

01:02:45,590 --> 01:02:41,910

conferences because I need to work I

1368

01:02:50,600 --> 01:02:45,600

need to get we need to get some of this

1369

01:02:53,960 --> 01:02:50,610

stuff put together we're 70 years old as

1370

01:02:57,080 --> 01:02:53,970

it feel as ufologist and move on to 50

1371

01:02:58,640 --> 01:02:57,090

years where's our stuff art stuffs all

1372

01:03:00,950 --> 01:02:58,650

over the place I used to ask all time

1373

01:03:02,930 --> 01:03:00,960

where's your stuff move on well what I

1374

01:03:05,420 --> 01:03:02,940

realize we have stuff everywhere our

1375

01:03:07,940 --> 01:03:05,430

messaging is horrible why do people not

1376

01:03:10,340 --> 01:03:07,950

know it why do our own members ask well

1377

01:03:12,590 --> 01:03:10,350

where to start team investigations

1378

01:03:16,340 --> 01:03:12,600

um they were on seven of the journal

1379

01:03:16,910 --> 01:03:16,350

covers and searchable like how do we not

1380

01:03:19,280 --> 01:03:16,920

know this

1381

01:03:23,570 --> 01:03:19,290

how are people missing this so you know

1382

01:03:24,830 --> 01:03:23,580

I think it's messaging but 50 years we

1383

01:03:28,370 --> 01:03:24,840

have to be able to put together

1384

01:03:31,520 --> 01:03:28,380

something we have 50 years I witness

1385

01:03:33,680 --> 01:03:31,530

testimonies all over the world MUFON is

1386

01:03:37,970 --> 01:03:33,690

the archivist and the world historians

1387

01:03:41,750 --> 01:03:37,980

of investigated cases from eyewitnesses

1388

01:03:44,060 --> 01:03:41,760

that's remarkable amazing I I try to

1389

01:03:47,420 --> 01:03:44,070

take a call um a caller you on the line

1390

01:03:49,340 --> 01:03:47,430

I guess it didn't go through so we're we

1391

01:03:50,930 --> 01:03:49,350

may be having a call come in and I

1392

01:03:53,150 --> 01:03:50,940

encourage the caller to try again so

1393

01:03:55,640 --> 01:03:53,160

that numbers up on the screen in YouTube

1394

01:03:57,290 --> 01:03:55,650

if anyone wants to call in that numbers

1395

01:04:01,160 --> 01:03:57,300

there give it another try if somehow it

1396

01:04:02,960 --> 01:04:01,170

disconnected you so yeah during the

1397

01:04:03,980 --> 01:04:02,970

second hour we take calls if people

1398

01:04:05,840 --> 01:04:03,990

would like to call them they're gonna

1399

01:04:09,320 --> 01:04:05,850

they're trying again here let me give it

1400

01:04:13,910 --> 01:04:09,330

a shot unless there's something wrong

1401
01:04:17,259 --> 01:04:13,920
with Skype hello there this is Martin

1402
01:04:18,640 --> 01:04:17,269
and you are joined in on the call

1403
01:04:19,989 --> 01:04:18,650
your first name and where you're calling

1404
01:04:24,370 --> 01:04:19,999
from

1405
01:04:25,809 --> 01:04:24,380
Connecticut hi Andy welcome to the show

1406
01:04:29,769 --> 01:04:25,819
you have a you have a question for our

1407
01:04:35,589 --> 01:04:29,779
guest so yeah sort of a question /

1408
01:04:39,819 --> 01:04:35,599
observation I just wanted to say put in

1409
01:04:43,269 --> 01:04:39,829
my two cents for the UFO issue for the

1410
01:04:45,069 --> 01:04:43,279
the big picture is just that you know

1411
01:04:47,049 --> 01:04:45,079
any exposure is good whether you like

1412
01:04:53,680 --> 01:04:47,059
the TTS a and what they're doing or not

1413
01:04:56,170 --> 01:04:53,690

and just that I feel like what you know

1414

01:05:00,910 --> 01:04:56,180

for instance with the USS Nimitz the Tic

1415

01:05:03,910 --> 01:05:00,920

Tac incident the the the government or

1416

01:05:06,970 --> 01:05:03,920

the DoD was going to eventually have to

1417

01:05:09,430 --> 01:05:06,980

admit that there's another reality and

1418

01:05:13,870 --> 01:05:09,440

then that would enable as it did the T

1419

01:05:16,660 --> 01:05:13,880

TSA to to go public and to you know form

1420

01:05:20,349 --> 01:05:16,670

form as an organization and to start

1421

01:05:22,989 --> 01:05:20,359

discussing the subject and I think it

1422

01:05:25,930 --> 01:05:22,999

just points to the fact that as things

1423

01:05:27,339 --> 01:05:25,940

develop and move along through time the

1424

01:05:31,029 --> 01:05:27,349

government's not in control of the

1425

01:05:33,660 --> 01:05:31,039

subject or you know the the phenomenon

1426

01:05:35,739 --> 01:05:33,670

and that people continue to see things

1427

01:05:40,329 --> 01:05:35,749

different sizes and shapes and colors

1428

01:05:42,940 --> 01:05:40,339

all over the world and that they were

1429

01:05:44,049 --> 01:05:42,950

eventually or it was inevitable that the

1430

01:05:47,009 --> 01:05:44,059

government was going to have to

1431

01:05:52,210 --> 01:05:47,019

relinquish their you know tight-lipped

1432

01:05:53,920 --> 01:05:52,220

top-secret treatment of the subject can

1433

01:05:56,259 --> 01:05:53,930

you hold just one second

1434

01:05:57,789 --> 01:05:56,269

sure I just want to just want to say I

1435

01:05:59,549 --> 01:05:57,799

have another caller on the line caller

1436

01:06:01,989 --> 01:05:59,559

you're going to have to hold on okay

1437

01:06:03,359 --> 01:06:01,999

well that's fine thank you all right all

1438

01:06:06,880 --> 01:06:03,369

right go ahead keep going

1439

01:06:09,549 --> 01:06:06,890

so yeah just just that you know the big

1440

01:06:13,150 --> 01:06:09,559

picture it's it's all headed in the

1441

01:06:15,519 --> 01:06:13,160

direction of ultimately the governments

1442

01:06:18,579 --> 01:06:15,529

of the world will have to admit we're

1443

01:06:20,890 --> 01:06:18,589

not alone something's happening because

1444

01:06:23,710 --> 01:06:20,900

they're not in control of the subject

1445

01:06:28,809 --> 01:06:23,720

it's and that's pretty much I'll

1446

01:06:30,589 --> 01:06:28,819

conclude my comment with that you are

1447

01:06:32,269 --> 01:06:30,599

absolutely right odds

1448

01:06:34,819 --> 01:06:32,279

solutely right one of the other things

1449

01:06:37,009 --> 01:06:34,829

we're learning when we really look at

1450

01:06:38,749 --> 01:06:37,019

the government and listen to what Louis

1451

01:06:41,210 --> 01:06:38,759

telling us the government doesn't know

1452

01:06:43,219 --> 01:06:41,220

anything either they're they're stumped

1453

01:06:46,400 --> 01:06:43,229

they didn't have an answer they don't

1454

01:06:47,960 --> 01:06:46,410

know what this is either so you're

1455

01:06:50,539 --> 01:06:47,970

absolutely right Andy and this is

1456

01:06:55,180 --> 01:06:50,549

another reason it was Andy correct yeah

1457

01:06:57,799 --> 01:06:55,190

okay and this is one of the reasons that

1458

01:06:59,839 --> 01:06:57,809

your comment and your call is so

1459

01:07:02,569 --> 01:06:59,849

appreciated because they're not in

1460

01:07:04,120 --> 01:07:02,579

control and that's not a good thing when

1461

01:07:06,859 --> 01:07:04,130

you're in charge of national security

1462

01:07:09,469 --> 01:07:06,869

when the public trusts you to be in

1463

01:07:11,630 --> 01:07:09,479

charge and can protect you our nation

1464

01:07:14,210 --> 01:07:11,640

and you know the people that are here

1465

01:07:17,089 --> 01:07:14,220

and to find out that they have no idea

1466

01:07:19,039 --> 01:07:17,099

either they're not in control and that's

1467

01:07:22,969 --> 01:07:19,049

something that we consider in our think

1468

01:07:27,349 --> 01:07:22,979

tank what if this secret is in order to

1469

01:07:32,749 --> 01:07:27,359

tell what if the ramifications are so

1470

01:07:34,759 --> 01:07:32,759

dire on humanity if their agenda is put

1471

01:07:38,839 --> 01:07:34,769

out there in other words they're in

1472

01:07:40,700 --> 01:07:38,849

control of disclosure period so really

1473

01:07:45,109 --> 01:07:40,710

appreciate you call it that that's great

1474

01:07:48,109 --> 01:07:45,119

a great conversation yeah thanks for the

1475

01:07:51,049 --> 01:07:48,119

candy okay I'll let you guys go Happy

1476

01:07:51,559 --> 01:07:51,059

New Year Happy New Year yeah all righty

1477

01:07:53,599 --> 01:07:51,569

bye-bye

1478

01:07:56,450 --> 01:07:53,609

all right caller your first name and

1479

01:07:58,910 --> 01:07:56,460

where you calling from my name is Denny

1480

01:08:01,999 --> 01:07:58,920

I'm calling from Indiana I'm sorry what

1481

01:08:04,670 --> 01:08:02,009

was your first name my name is Denny I'm

1482

01:08:07,940 --> 01:08:04,680

calling hi welcome to the show you have

1483

01:08:10,069 --> 01:08:07,950

a question for chase oh yes I just want

1484

01:08:12,469 --> 01:08:10,079

to say your show so underrated you have

1485

01:08:14,809 --> 01:08:12,479

a great approach to the subject I'm new

1486

01:08:17,059 --> 01:08:14,819

to it and it's hard to sort out some of

1487

01:08:19,099 --> 01:08:17,069

the credible information that's out

1488

01:08:21,950 --> 01:08:19,109

there I just want to say that to you hey

1489

01:08:23,649 --> 01:08:21,960

thanks very much I'll reseed that if you

1490

01:08:27,229 --> 01:08:23,659

walk in mind just like a two-part tour

1491

01:08:29,629 --> 01:08:27,239

the first question is on how do we know

1492

01:08:34,399 --> 01:08:29,639

that on some other country maybe even

1493

01:08:38,059 --> 01:08:34,409

100 200 years ago didn't get a jump on

1494

01:08:39,859 --> 01:08:38,069

us somehow someway and these are theirs

1495

01:08:42,530 --> 01:08:39,869

and they're going out they're going

1496

01:08:44,629 --> 01:08:42,540

about every day with 50 aircraft and

1497

01:08:47,539 --> 01:08:44,639

just as normal as anybody else

1498

01:08:50,990 --> 01:08:47,549

and these Arthur's and the second thing

1499

01:08:53,780 --> 01:08:51,000

is I've been trying to lube wrought this

1500

01:08:55,870 --> 01:08:53,790

up the burning fuse theory what's your

1501

01:08:59,419 --> 01:08:55,880

opinion about that like a glitch like

1502

01:09:03,079 --> 01:08:59,429

how a fuse burns uneven for instance say

1503

01:09:05,359 --> 01:09:03,089

that in 1749 or some little kid in the

1504

01:09:07,820 --> 01:09:05,369

field she sees something go across the

1505

01:09:10,430 --> 01:09:07,830

sky and he doesn't know what it is

1506

01:09:12,740 --> 01:09:10,440

it could be the pilot from 1993 the

1507

01:09:15,439 --> 01:09:12,750

stealth bomber the pilots on the little

1508

01:09:17,870 --> 01:09:15,449

kid it's just right we're past present

1509

01:09:19,010 --> 01:09:17,880

and the future that point right there

1510

01:09:22,070 --> 01:09:19,020

where these are just like little

1511

01:09:24,680 --> 01:09:22,080

glitches and those are the two things

1512

01:09:28,609 --> 01:09:24,690

that I want to know your opinion on

1513

01:09:32,329 --> 01:09:28,619

interesting I love the fuse theory and

1514

01:09:35,530 --> 01:09:32,339

of course that is how quick that little

1515

01:09:38,419 --> 01:09:35,540

light is on a fuse so when you light it

1516

01:09:41,870 --> 01:09:38,429

you see where it's gone in the past but

1517

01:09:45,979 --> 01:09:41,880

that little tiny spark compared to this

1518

01:09:50,149 --> 01:09:45,989

big past and future is really a reality

1519

01:09:54,439 --> 01:09:50,159

that is so quick so the way blue

1520

01:09:57,470 --> 01:09:54,449

explains it is fascinating yeah I

1521

01:09:58,939 --> 01:09:57,480

definitely believe that time travel it's

1522

01:10:01,520 --> 01:09:58,949

something that we've been looking into

1523

01:10:04,100 --> 01:10:01,530

you know we have evidence you know from

1524

01:10:07,040 --> 01:10:04,110

the Nazis you know world war ii and most

1525

01:10:10,310 --> 01:10:07,050

likely even back in the ancient days

1526

01:10:13,850 --> 01:10:10,320

when even mummification came from trying

1527

01:10:19,010 --> 01:10:13,860

to transverse you know into the future

1528

01:10:20,629 --> 01:10:19,020

as well so it's interesting it just

1529

01:10:23,859 --> 01:10:20,639

makes sense if this is going to be

1530

01:10:27,320 --> 01:10:23,869

dimensional if this is going to be

1531

01:10:30,140 --> 01:10:27,330

something that's that physics that we

1532

01:10:31,660 --> 01:10:30,150

don't understand and I and I really

1533

01:10:35,359 --> 01:10:31,670

think we have to pay attention to that

1534

01:10:39,590 --> 01:10:35,369

then us from the future or glimpses from

1535

01:10:41,660 --> 01:10:39,600

the future it's absolutely possible so

1536

01:10:43,790 --> 01:10:41,670

that was a great question and I am so

1537

01:10:46,370 --> 01:10:43,800

sorry Danny I can't remember the first

1538

01:10:48,320 --> 01:10:46,380

place the first one was uh basically and

1539

01:10:52,300 --> 01:10:48,330

I can kind of address that one or I

1540

01:10:54,560 --> 01:10:52,310

think I can anyway is the possibility of

1541

01:10:56,959 --> 01:10:54,570

another country having this technology

1542

01:10:58,410 --> 01:10:56,969

and using it for many years isn't that

1543

01:11:01,230 --> 01:10:58,420

it isn't that the question Danny

1544

01:11:03,450 --> 01:11:01,240

yes I'm like let's just say that maybe

1545

01:11:05,760 --> 01:11:03,460

they weren't able to make something that

1546

01:11:08,310 --> 01:11:05,770

looks like a tick cap 200 years ago but

1547

01:11:09,980 --> 01:11:08,320

they got a jump on everybody else and

1548

01:11:12,660 --> 01:11:09,990

you're just going about their normal

1549

01:11:14,550 --> 01:11:12,670

their normal activities with fixed-wing

1550

01:11:16,560 --> 01:11:14,560

aircraft and that there's no more

1551

01:11:18,750 --> 01:11:16,570

advanced than us and these are there's

1552

01:11:21,360 --> 01:11:18,760

you know China or Russia and they're

1553

01:11:23,040 --> 01:11:21,370

playing the UFO thing and these are

1554

01:11:24,750 --> 01:11:23,050

theirs and they're just going out about

1555

01:11:26,820 --> 01:11:24,760

you know like they don't have this like

1556

01:11:28,560 --> 01:11:26,830

technology or do we know this stuff's

1557

01:11:31,620 --> 01:11:28,570

coming from space I mean how do we know

1558

01:11:33,120 --> 01:11:31,630

it's not China or Russia for sure well

1559

01:11:34,170 --> 01:11:33,130

I'll just say and you can throw in your

1560

01:11:37,770 --> 01:11:34,180

two cents

1561

01:11:40,440 --> 01:11:37,780

chase if you want to after I basically

1562

01:11:42,800 --> 01:11:40,450

just think that if they had that type of

1563

01:11:46,170 --> 01:11:42,810

technology would be used against us

1564

01:11:48,300 --> 01:11:46,180

during some type of conflict because

1565

01:11:51,090 --> 01:11:48,310

because we'd have absolutely no defense

1566

01:11:52,440 --> 01:11:51,100

if someone had you know the technology

1567

01:11:55,310 --> 01:11:52,450

that people are seeing they could

1568

01:11:58,080 --> 01:11:55,320

basically take over the world in a way

1569

01:12:00,540 --> 01:11:58,090

you know in my opinion maybe I'm going a

1570

01:12:03,600 --> 01:12:00,550

little too far with it but I also think

1571

01:12:07,020 --> 01:12:03,610

that I don't believe of another country

1572

01:12:09,600 --> 01:12:07,030

had that type of technology that we

1573

01:12:11,400 --> 01:12:09,610

wouldn't be aggressively trying to or

1574

01:12:13,980 --> 01:12:11,410

our government wouldn't be aggressively

1575

01:12:17,640 --> 01:12:13,990

trying to crack that and figure it out

1576

01:12:19,410 --> 01:12:17,650

through spies or whatever I just think

1577

01:12:21,270 --> 01:12:19,420

would be kind of impossible to hold that

1578

01:12:26,340 --> 01:12:21,280

part secret what do you think about that

1579

01:12:28,800 --> 01:12:26,350

chase I agree especially because he

1580

01:12:30,600 --> 01:12:28,810

world leaders or humans have a tendency

1581

01:12:33,360 --> 01:12:30,610

to want to pee on their bushes right

1582

01:12:38,220 --> 01:12:33,370

they want everyone to know I own this

1583

01:12:39,810 --> 01:12:38,230

this is mine look at us and we're big

1584

01:12:45,710 --> 01:12:39,820

dogs in the in the playground

1585

01:12:50,130 --> 01:12:45,720

and so that that's one of the factors

1586

01:12:51,540 --> 01:12:50,140

and I do it agree with your listener you

1587

01:12:54,570 --> 01:12:51,550

are one of the better shows out there

1588

01:12:57,470 --> 01:12:54,580

Martin you're my favorite host I told

1589

01:13:01,020 --> 01:12:57,480

you that from day one you were the first

1590

01:13:04,080 --> 01:13:01,030

professional interview and great

1591

01:13:06,390 --> 01:13:04,090

questions that I was ever given it's I

1592

01:13:08,250 --> 01:13:06,400

just loved it I felt so good leaving

1593

01:13:09,840 --> 01:13:08,260

your show because you didn't you know

1594

01:13:10,900 --> 01:13:09,850

treat me like the cheerleader you know

1595

01:13:14,380 --> 01:13:10,910

with all the silly

1596

01:13:16,420 --> 01:13:14,390

you hit hard and I love that and uh to

1597

01:13:18,730 --> 01:13:16,430

this day you are my favorite radio show

1598

01:13:20,800 --> 01:13:18,740

so I agree with your listener on that as

1599

01:13:23,500 --> 01:13:20,810

well thank you I've been saying that for

1600

01:13:26,460 --> 01:13:23,510

years right yes thank you that's very

1601
01:13:29,080 --> 01:13:26,470
nice you and what a nice New Year's gift

1602
01:13:32,470 --> 01:13:29,090
thank you for taking my calls all right

1603
01:13:34,240 --> 01:13:32,480
Danny all right we have a caller trying

1604
01:13:36,430 --> 01:13:34,250
to get in I'm not sure what's happening

1605
01:13:39,070 --> 01:13:36,440
why it's not working I can just tell you

1606
01:13:41,740 --> 01:13:39,080
you try again and if you're trying to

1607
01:13:44,770 --> 01:13:41,750
call Skype perhaps maybe that's doing it

1608
01:13:46,960 --> 01:13:44,780
just try to call try to call through a

1609
01:13:51,010 --> 01:13:46,970
regular phone that number that's up on

1610
01:13:53,350 --> 01:13:51,020
the screen so we're we're in the second

1611
01:13:56,260 --> 01:13:53,360
hour of 15 minutes or so in and we

1612
01:13:58,240 --> 01:13:56,270
wanted to discuss when you're talking

1613
01:14:00,550 --> 01:13:58,250

about the future of 2019 were you

1614

01:14:04,210 --> 01:14:00,560

talking mostly about the think tank or

1615

01:14:07,420 --> 01:14:04,220

were there other other things directions

1616

01:14:10,960 --> 01:14:07,430

you think we should go to and I think

1617

01:14:13,420 --> 01:14:10,970

there's so much possibility that was

1618

01:14:15,040 --> 01:14:13,430

opened up with a tip coming out it's to

1619

01:14:18,310 --> 01:14:15,050

the Stars Academy's awesome

1620

01:14:20,860 --> 01:14:18,320

they got Bank so they could do a lot but

1621

01:14:24,580 --> 01:14:20,870

it was really low and a tip that blew

1622

01:14:27,490 --> 01:14:24,590

the lid right off so I believe now

1623

01:14:29,890 --> 01:14:27,500

that's given us a chance to go in and

1624

01:14:31,390 --> 01:14:29,900

talk to our lawmakers we need help with

1625

01:14:33,400 --> 01:14:31,400

some of these documents being

1626
01:14:38,470 --> 01:14:33,410
declassified but we need to brief them

1627
01:14:40,420 --> 01:14:38,480
because I this this phenomena isn't

1628
01:14:45,430 --> 01:14:40,430
going to stay hidden for long that there

1629
01:14:47,470 --> 01:14:45,440
is going to be whether it's sizzle or

1630
01:14:49,960 --> 01:14:47,480
steak things are going to happen this

1631
01:14:51,460 --> 01:14:49,970
year they just have to they we all feel

1632
01:14:53,680 --> 01:14:51,470
it mounting we see it mounting

1633
01:14:56,200 --> 01:14:53,690
everybody's kind of giving us little

1634
01:14:58,300 --> 01:14:56,210
tidbits and little bites and a couple

1635
01:15:01,270 --> 01:14:58,310
sips of milk here and there you know and

1636
01:15:03,460 --> 01:15:01,280
we're waiting for that Lou Elizondo

1637
01:15:07,390 --> 01:15:03,470
actually came out and said that in

1638
01:15:09,190 --> 01:15:07,400

spring of 2019 we're going to be having

1639

01:15:11,440 --> 01:15:09,200

a completely different discussion in

1640

01:15:14,410 --> 01:15:11,450

ufology you heard that how do ya

1641

01:15:18,400 --> 01:15:14,420

symposium and you know what that means

1642

01:15:20,620 --> 01:15:18,410

is you know don't know is this steak or

1643

01:15:22,810 --> 01:15:20,630

is it sizzle I don't know but we have to

1644

01:15:24,410 --> 01:15:22,820

be ready for both because even a sizzle

1645

01:15:27,260 --> 01:15:24,420

is enough for us some ties

1646

01:15:30,260 --> 01:15:27,270

a gulper another three years or much

1647

01:15:35,140 --> 01:15:30,270

like a tip did it changes our direction

1648

01:15:40,570 --> 01:15:35,150

and again we have to be careful about

1649

01:15:46,280 --> 01:15:40,580

discrediting without proof this man is a

1650

01:15:47,630 --> 01:15:46,290

veteran who gave so much for the safety

1651

01:15:51,070 --> 01:15:47,640

and security and freedoms of this

1652

01:15:54,200 --> 01:15:51,080

country to discredit somebody of that

1653

01:15:56,419 --> 01:15:54,210

caliber and that honesty because you

1654

01:15:58,850 --> 01:15:56,429

don't like intelligence groups well

1655

01:16:01,910 --> 01:15:58,860

unfortunately those intelligence

1656

01:16:04,400 --> 01:16:01,920

agencies really do a lot of service of

1657

01:16:07,520 --> 01:16:04,410

keeping us safe and not living like

1658

01:16:09,470 --> 01:16:07,530

Paris right now so I think there's some

1659

01:16:12,650 --> 01:16:09,480

we have to be careful about discrediting

1660

01:16:15,620 --> 01:16:12,660

good people and you is a veteran and

1661

01:16:18,229 --> 01:16:15,630

he's an honorable veteran his dd-214 and

1662

01:16:20,419 --> 01:16:18,239

his awards are he can't even talk about

1663

01:16:25,070 --> 01:16:20,429

some of them but trust me when I tell

1664

01:16:28,720 --> 01:16:25,080

you this is a 400 military member that

1665

01:16:32,120 --> 01:16:28,730

honorably served and went into this a

1666

01:16:34,280 --> 01:16:32,130

tip program as a contractor see this is

1667

01:16:37,880 --> 01:16:34,290

not an active duty program this is this

1668

01:16:39,950 --> 01:16:37,890

is civilian a tip is civilian and when

1669

01:16:42,919 --> 01:16:39,960

he wasn't getting the cooperation or the

1670

01:16:44,990 --> 01:16:42,929

attention when when he's showing the the

1671

01:16:47,950 --> 01:16:45,000

evidence that they have to the people

1672

01:16:50,990 --> 01:16:47,960

above there's still kind of seeing UFOs

1673

01:16:55,310 --> 01:16:51,000

you know he knew he had to break out of

1674

01:16:57,979 --> 01:16:55,320

that little tiny group and and and just

1675

01:16:59,510 --> 01:16:57,989

start impacting the public because the

1676

01:17:03,350 --> 01:16:59,520

public is going to change the mind on

1677

01:17:05,450 --> 01:17:03,360

lawmakers I live in DC you were just

1678

01:17:07,490 --> 01:17:05,460

here this summer Martin I can tell you

1679

01:17:09,530 --> 01:17:07,500

one thing this place is a swamp a

1680

01:17:11,540 --> 01:17:09,540

hundred and fifty percent I've never

1681

01:17:13,640 --> 01:17:11,550

seen so many self-serving people in my

1682

01:17:18,500 --> 01:17:13,650

whole life their careers their money

1683

01:17:22,550 --> 01:17:18,510

their paycheck and it's it's disgusting

1684

01:17:24,919 --> 01:17:22,560

and to have somebody like Lou quit his

1685

01:17:26,900 --> 01:17:24,929

job to come out because he knew this

1686

01:17:31,760 --> 01:17:26,910

swamp was never going to give this the

1687

01:17:33,650 --> 01:17:31,770

this topic the credit it deserved why

1688

01:17:37,640 --> 01:17:33,660

are we not applauding him for that alone

1689

01:17:42,220 --> 01:17:37,650

the man quit his job to make a point

1690

01:17:46,480 --> 01:17:42,230

wrote a letter to two mattes mad dog in

1691

01:17:49,870 --> 01:17:46,490

explained this topic is not getting the

1692

01:17:53,690 --> 01:17:49,880

support it deserves and the attention

1693

01:17:55,610 --> 01:17:53,700

for national security and then we want

1694

01:17:57,920 --> 01:17:55,620

to pick on them out here and call him a

1695

01:17:59,900 --> 01:17:57,930

disinformation agent again I asked

1696

01:18:02,600 --> 01:17:59,910

where's your proof tell me what

1697

01:18:05,000 --> 01:18:02,610

disinformation he is put out here tell

1698

01:18:07,010 --> 01:18:05,010

me what he's lied to us because they're

1699

01:18:09,680 --> 01:18:07,020

not talking to us and that's the first

1700

01:18:11,300 --> 01:18:09,690

thing people have to realize they don't

1701

01:18:13,760 --> 01:18:11,310

care what you follow just our thinking

1702

01:18:16,340 --> 01:18:13,770

right now they don't need us they have

1703

01:18:18,830 --> 01:18:16,350

made that mess is perfectly clear and I

1704

01:18:21,680 --> 01:18:18,840

heard grant Cameron say a few months ago

1705

01:18:24,740 --> 01:18:21,690

you know they fired you follow just do

1706

01:18:26,980 --> 01:18:24,750

you blame them when 90% of everything

1707

01:18:28,310 --> 01:18:26,990

you hear out of our mouth is rhetoric

1708

01:18:31,730 --> 01:18:28,320

hearsay

1709

01:18:33,820 --> 01:18:31,740

if you don't just it's ridiculous I

1710

01:18:36,740 --> 01:18:33,830

think it's time that we embrace our

1711

01:18:40,430 --> 01:18:36,750

professionals that have been involved

1712

01:18:44,180 --> 01:18:40,440

one way or another or have access to and

1713

01:18:45,920 --> 01:18:44,190

that that's the government are we going

1714

01:18:47,840 --> 01:18:45,930

to get played probably a couple of times

1715

01:18:50,360 --> 01:18:47,850

but is everybody going to do that I

1716

01:18:50,930 --> 01:18:50,370

don't think so we're we weren't born

1717

01:18:53,090 --> 01:18:50,940

yesterday

1718

01:18:56,630 --> 01:18:53,100

we've been learning along the way as

1719

01:18:59,960 --> 01:18:56,640

well right now you know I said when I

1720

01:19:02,420 --> 01:18:59,970

was talking to Lou in the corridor and

1721

01:19:04,160 --> 01:19:02,430

in Cherry Hill regular guy and we got

1722

01:19:06,290 --> 01:19:04,170

you know because I'm in the fine arts

1723

01:19:08,570 --> 01:19:06,300

and antiques and all that he was showing

1724

01:19:11,180 --> 01:19:08,580

me pictures on his phone of things that

1725

01:19:14,150 --> 01:19:11,190

he's collecting and you know we had a

1726

01:19:17,480 --> 01:19:14,160

great conversation and you know I said

1727

01:19:19,010 --> 01:19:17,490

to him I said you really if I invite you

1728

01:19:22,430 --> 01:19:19,020

to on the show you probably couldn't

1729

01:19:25,550 --> 01:19:22,440

come on a regular UFO show could you and

1730

01:19:26,990 --> 01:19:25,560

he said well he said well I would but

1731

01:19:30,230 --> 01:19:27,000

you'd have to you know you'd have to

1732

01:19:33,980 --> 01:19:30,240

talk to not as publicist oh maybe it is

1733

01:19:35,990 --> 01:19:33,990

a publicist for TS t TSA or whatever it

1734

01:19:38,530 --> 01:19:36,000

is but I'd have to clear it have to be

1735

01:19:41,870 --> 01:19:38,540

cleared with them I didn't even try

1736

01:19:45,440 --> 01:19:41,880

y'all because this and that it's it's

1737

01:19:47,240 --> 01:19:45,450

just a no-go and you know I never really

1738

01:19:48,680 --> 01:19:47,250

thought about it that much until you you

1739

01:19:51,560 --> 01:19:48,690

just brought this up during the show

1740

01:19:55,569 --> 01:19:51,570

that you know they don't need

1741

01:19:58,490 --> 01:19:55,579

as much as we want to be needed you know

1742

01:20:00,950 --> 01:19:58,500

they got the money yeah you could go get

1743

01:20:03,350 --> 01:20:00,960

their own evidence and not only that you

1744

01:20:07,490 --> 01:20:03,360

know they may be able to get in some

1745

01:20:09,500 --> 01:20:07,500

answers but but the fact is that they're

1746

01:20:12,709 --> 01:20:09,510

trying to get the information to the

1747

01:20:17,180 --> 01:20:12,719

public and that's kind of what our goal

1748

01:20:18,680 --> 01:20:17,190

has been you know really is to get you

1749

01:20:23,319 --> 01:20:18,690

know information out there and you know

1750

01:20:27,740 --> 01:20:23,329

the so-called disclosure as you say but

1751

01:20:29,810 --> 01:20:27,750

that word yeah that's a horrible noise I

1752

01:20:32,780 --> 01:20:29,820

make but uh you know I don't yeah the

1753

01:20:35,419 --> 01:20:32,790

word disclosure it's just but things

1754

01:20:39,490 --> 01:20:35,429

aren't gonna be breaking open and you

1755

01:20:42,379 --> 01:20:39,500

know I love the fact that I saw Martin

1756

01:20:45,950 --> 01:20:42,389

at the citizens hearing for disclosure a

1757

01:20:49,550 --> 01:20:45,960

few years back you know these former

1758

01:20:51,200 --> 01:20:49,560

Congress and Senators first of all Steve

1759

01:20:54,729 --> 01:20:51,210

Bassett took a lot of heat because they

1760

01:20:58,399 --> 01:20:54,739

weren't you know they were former well

1761

01:21:00,050 --> 01:20:58,409

congresswoman Kirkpatrick people are

1762

01:21:02,209 --> 01:21:00,060

crazy if they don't think that that

1763

01:21:03,859 --> 01:21:02,219

woman could pick up the phone to Obama

1764

01:21:05,930 --> 01:21:03,869

and he would pick up for her and

1765

01:21:07,640 --> 01:21:05,940

probably not half of the active or

1766

01:21:11,209 --> 01:21:07,650

serving members of the House and Senate

1767

01:21:13,069 --> 01:21:11,219

now they don't know how DC works if they

1768

01:21:17,209 --> 01:21:13,079

looked at these guys as impotent in any

1769

01:21:20,810 --> 01:21:17,219

way but I saw a Monday these very

1770

01:21:23,720 --> 01:21:20,820

professional people sit on a panel in

1771

01:21:27,020 --> 01:21:23,730

front of everybody and they were polite

1772

01:21:30,229 --> 01:21:27,030

they were very polite they paid

1773

01:21:31,669 --> 01:21:30,239

attention and very proud moment when I

1774

01:21:34,100 --> 01:21:31,679

watched friends like Richard and Linda

1775

01:21:36,470 --> 01:21:34,110

raise their right hand and swear in I

1776

01:21:38,720 --> 01:21:36,480

mean it was all absolutely according to

1777

01:21:42,560 --> 01:21:38,730

all the rules if this was done at the

1778

01:21:46,220 --> 01:21:42,570

Capitol or you know Senate room and by

1779

01:21:49,040 --> 01:21:46,230

Wednesday these same former lawmakers

1780

01:21:50,930 --> 01:21:49,050

were pointing fingers are saying we need

1781

01:21:53,660 --> 01:21:50,940

to open those files we need more

1782

01:21:56,959 --> 01:21:53,670

information I walked away from that here

1783

01:21:59,060 --> 01:21:56,969

and knowing one thing and that is with

1784

01:22:02,390 --> 01:21:59,070

the right education the right commentary

1785

01:22:03,900 --> 01:22:02,400

I watched them understand that this is a

1786

01:22:06,780 --> 01:22:03,910

real phenomena and

1787

01:22:09,870 --> 01:22:06,790

you want answers too and if we can do

1788

01:22:13,800 --> 01:22:09,880

that if those people those witnesses

1789

01:22:15,270 --> 01:22:13,810

could convince six of them we need to be

1790

01:22:17,550 --> 01:22:15,280

talking to the people that are actually

1791

01:22:20,070 --> 01:22:17,560

in charge of threat assessment and

1792

01:22:21,150 --> 01:22:20,080

intelligence committee the council of

1793

01:22:24,660 --> 01:22:21,160

national security

1794

01:22:27,330 --> 01:22:24,670

why are we not at the UN you know

1795

01:22:30,120 --> 01:22:27,340

watching what just happened it's not

1796

01:22:32,250 --> 01:22:30,130

only possible it's going to happen it

1797

01:22:35,310 --> 01:22:32,260

has to happen and I really believe more

1798

01:22:38,220 --> 01:22:35,320

in the a tip coming out mood coming out

1799

01:22:41,010 --> 01:22:38,230

what he's done to the Stars is a group

1800

01:22:44,400 --> 01:22:41,020

that's entertainment and science but

1801
01:22:47,760 --> 01:22:44,410
let's not forget a tip and Lou what he's

1802
01:22:50,840 --> 01:22:47,770
done for you follow gee brilliant and

1803
01:22:54,870 --> 01:22:50,850
I'm also gonna throw Bigelow in there

1804
01:22:57,870 --> 01:22:54,880
this man has put more money into ufology

1805
01:23:02,730 --> 01:22:57,880
than anyone else I know other than maybe

1806
01:23:06,390 --> 01:23:02,740
Yuri you know in Russia but he's never

1807
01:23:11,250 --> 01:23:06,400
stopped he's interviewed professional

1808
01:23:14,130 --> 01:23:11,260
aerospace company CEO and he's asked the

1809
01:23:16,850 --> 01:23:14,140
question about aliens on 60 minutes and

1810
01:23:20,690 --> 01:23:16,860
he doesn't waver and he stood firm and

1811
01:23:24,030 --> 01:23:20,700
he said what he said how do we not

1812
01:23:27,600 --> 01:23:24,040
respect somebody that tells the truth

1813
01:23:30,750 --> 01:23:27,610

even when it could hurt him and he said

1814

01:23:33,540 --> 01:23:30,760

give a damn that's right that's right

1815

01:23:35,310 --> 01:23:33,550

and he doesn't need the ufologists to

1816

01:23:38,580 --> 01:23:35,320

continue his belief or to collect

1817

01:23:40,890 --> 01:23:38,590

evidence so if I think if we as

1818

01:23:44,940 --> 01:23:40,900

ufologists just kind of take a lead

1819

01:23:47,610 --> 01:23:44,950

maybe get back to our roots of critical

1820

01:23:49,620 --> 01:23:47,620

thinking get back to our roots of nuts

1821

01:23:52,110 --> 01:23:49,630

you know that nuts and bolts and real

1822

01:23:55,350 --> 01:23:52,120

investigation calling sources working

1823

01:23:59,060 --> 01:23:55,360

the phones offering the public probative

1824

01:24:02,910 --> 01:23:59,070

information go back to the cache landrum

1825

01:24:06,180 --> 01:24:02,920

UFO incident that would pass a court of

1826
01:24:07,950 --> 01:24:06,190
law John Schuessler was amazing getting

1827
01:24:10,800 --> 01:24:07,960
that information look at some of these

1828
01:24:13,220 --> 01:24:10,810
files of the people in our past McDonald

1829
01:24:15,720 --> 01:24:13,230
Kehoe oh my gosh

1830
01:24:17,729 --> 01:24:15,730
we have to get back to those roots and

1831
01:24:22,140 --> 01:24:17,739
stop spending so much time on Facebook

1832
01:24:24,299 --> 01:24:22,150
arguing and and proclamation you know

1833
01:24:25,770 --> 01:24:24,309
when people come at me and say well I

1834
01:24:29,069 --> 01:24:25,780
don't believe this well why where's your

1835
01:24:32,189 --> 01:24:29,079
proof you think it's this I have all my

1836
01:24:35,299 --> 01:24:32,199
stuff on the table I have my labs I have

1837
01:24:40,200 --> 01:24:35,309
my work all my notes where's your stuff

1838
01:24:41,790 --> 01:24:40,210

you know I have no time on Facebook you

1839

01:24:43,200 --> 01:24:41,800

can't you could go on and you could I

1840

01:24:45,509 --> 01:24:43,210

think it tells you last time I've been

1841

01:24:47,040 --> 01:24:45,519

on was probably three weeks ago I have

1842

01:24:50,750 --> 01:24:47,050

no time for this anymore I've no time

1843

01:24:52,589 --> 01:24:50,760

for gossip and the bullcrap and the anti

1844

01:24:54,899 --> 01:24:52,599

the disruption

1845

01:24:57,689 --> 01:24:54,909

I believe that's also purposeful and

1846

01:25:00,239 --> 01:24:57,699

it's put in here for a lot of reasons

1847

01:25:03,270 --> 01:25:00,249

and then it's fed I call it feeding the

1848

01:25:05,459 --> 01:25:03,280

monsters you you know who the big mouths

1849

01:25:07,290 --> 01:25:05,469

are you know who the big dogs are that

1850

01:25:09,120 --> 01:25:07,300

aren't afraid to bite and you keep

1851
01:25:11,549 --> 01:25:09,130
feeding them and you keep feeding them

1852
01:25:14,009 --> 01:25:11,559
and you keep feeding them because they

1853
01:25:17,129 --> 01:25:14,019
keep this and the more they keep

1854
01:25:19,439 --> 01:25:17,139
ratcheting up the more distraction on

1855
01:25:22,770 --> 01:25:19,449
the real truth especially when they're

1856
01:25:26,009 --> 01:25:22,780
going after people that have a history

1857
01:25:29,129 --> 01:25:26,019
and are known to tell the truth or to be

1858
01:25:32,549 --> 01:25:29,139
out there giving real information

1859
01:25:34,560 --> 01:25:32,559
I'd be punk the Starchild skull that was

1860
01:25:35,939 --> 01:25:34,570
a big deal I mean you know there's tens

1861
01:25:38,790 --> 01:25:35,949
of thousands of people that knew that

1862
01:25:40,410 --> 01:25:38,800
was an alien and the truth is science

1863
01:25:44,069 --> 01:25:40,420

doesn't care what we believe sorry guys

1864

01:25:46,529 --> 01:25:44,079

it's human here's the proof and we put

1865

01:25:50,310 --> 01:25:46,539

so much out there and and control that

1866

01:25:53,160 --> 01:25:50,320

in a way you do everything you knew what

1867

01:25:55,859 --> 01:25:53,170

labs are the DNA labs we used you knew

1868

01:25:58,620 --> 01:25:55,869

who did it the man who did the testing

1869

01:26:01,169 --> 01:25:58,630

is on the record so you can call and bet

1870

01:26:02,540 --> 01:26:01,179

him so you know when we when you have

1871

01:26:04,560 --> 01:26:02,550

people out here that you know are

1872

01:26:06,359 --> 01:26:04,570

telling his truth no matter where it

1873

01:26:08,959 --> 01:26:06,369

leads even if it's human and not alien

1874

01:26:11,939 --> 01:26:08,969

you know these aren't headline seekers

1875

01:26:13,709 --> 01:26:11,949

they there's many out here

1876

01:26:15,919 --> 01:26:13,719

those are people I want to talk to these

1877

01:26:18,750 --> 01:26:15,929

days I don't do a lot of radio shows

1878

01:26:21,209 --> 01:26:18,760

I've actually turned a couple down this

1879

01:26:23,160 --> 01:26:21,219

year I'll be all ready and I'm only

1880

01:26:25,319 --> 01:26:23,170

going to be doing the ones where they

1881

01:26:28,859 --> 01:26:25,329

have professional people behind that

1882

01:26:30,320 --> 01:26:28,869

truly understand the phenomena and want

1883

01:26:33,500 --> 01:26:30,330

to get

1884

01:26:35,150 --> 01:26:33,510

real information out to the public none

1885

01:26:40,100 --> 01:26:35,160

of the silliness or bravado or

1886

01:26:41,180 --> 01:26:40,110

look-at-me tactics and white just who

1887

01:26:44,780 --> 01:26:41,190

you were is talking a minute ago about

1888

01:26:48,880 --> 01:26:44,790

social media Facebook and why do you

1889

01:26:53,210 --> 01:26:48,890

think that is such a breeding ground for

1890

01:26:56,180 --> 01:26:53,220

argument of and proclamations I'm I I'd

1891

01:26:59,210 --> 01:26:56,190

rarely very very rarely get into a UFO

1892

01:27:01,790 --> 01:26:59,220

subject there but I did just a little

1893

01:27:05,690 --> 01:27:01,800

blurb the other day and wow I couldn't

1894

01:27:09,590 --> 01:27:05,700

believe the hammering right I know and

1895

01:27:14,150 --> 01:27:09,600

it's just basically opinions and do you

1896

01:27:16,700 --> 01:27:14,160

think that for the new person someone

1897

01:27:19,880 --> 01:27:16,710

that you know I think there are a lot of

1898

01:27:22,250 --> 01:27:19,890

new people actually listen and to this

1899

01:27:23,870 --> 01:27:22,260

show and in other shows and because

1900

01:27:26,750 --> 01:27:23,880

they're fascinated and a lot of that

1901

01:27:28,520 --> 01:27:26,760

does have to do with the Pentagon

1902

01:27:31,010 --> 01:27:28,530

you know article that came out a year

1903

01:27:36,250 --> 01:27:31,020

ago and and by the way it's been over

1904

01:27:40,490 --> 01:27:36,260

that you you were on in November of last

1905

01:27:42,800 --> 01:27:40,500

last year 2017 so this all happened

1906

01:27:46,130 --> 01:27:42,810

since you know you this article came out

1907

01:27:47,960 --> 01:27:46,140

since you were on then but there are new

1908

01:27:51,020 --> 01:27:47,970

people coming in do you think that

1909

01:27:53,480 --> 01:27:51,030

social media just kind of forces them

1910

01:27:55,580 --> 01:27:53,490

out you know away from the topic if they

1911

01:28:01,570 --> 01:27:55,590

start looking into the subject that way

1912

01:28:05,900 --> 01:28:01,580

I do i you know who wants to enter a

1913

01:28:07,790 --> 01:28:05,910

cesspool it really is I mean who wants

1914

01:28:09,860 --> 01:28:07,800

to get involved in that and all some

1915

01:28:11,720 --> 01:28:09,870

have your name targeted so they you know

1916

01:28:14,720 --> 01:28:11,730

everybody's on your page throw in the

1917

01:28:17,780 --> 01:28:14,730

shade right it's you know who wants to

1918

01:28:19,580 --> 01:28:17,790

do that I can tell you that a lot of

1919

01:28:21,350 --> 01:28:19,590

people don't anymore those they'll keep

1920

01:28:23,180 --> 01:28:21,360

it very quiet but they are coming to

1921

01:28:26,990 --> 01:28:23,190

MUFON and they are coming to shows like

1922

01:28:29,420 --> 01:28:27,000

yours and they aren't listening to open

1923

01:28:31,430 --> 01:28:29,430

minds and and reading articles ollie on

1924

01:28:35,110 --> 01:28:31,440

door puts out I mean they are finding

1925

01:28:38,240 --> 01:28:35,120

the places but it's it's not curvy on on

1926

01:28:41,750 --> 01:28:38,250

the social media I don't need to see

1927

01:28:43,190 --> 01:28:41,760

where's the information where's where's

1928

01:28:46,340 --> 01:28:43,200

the good hey

1929

01:28:48,170 --> 01:28:46,350

guys did you see this you put that up

1930

01:28:50,180 --> 01:28:48,180

and ten minutes later it's like this

1931

01:28:52,580 --> 01:28:50,190

whole thing on the new latest one the

1932

01:28:55,130 --> 01:28:52,590

Mexican the alleged crashed right over

1933

01:28:56,540 --> 01:28:55,140

the border and El Paso you know when two

1934

01:28:58,340 --> 01:28:56,550

people run over and they're pulling this

1935

01:29:02,020 --> 01:28:58,350

stuff and they give it to these United

1936

01:29:04,960 --> 01:29:02,030

States oh my God look at that bread its

1937

01:29:09,140 --> 01:29:04,970

analysis of the small plane collision

1938

01:29:11,180 --> 01:29:09,150

supposedly and the army shows up yeah

1939

01:29:14,750 --> 01:29:11,190

I tell you tell you a story about that I

1940

01:29:16,760 --> 01:29:14,760

had bill burns on I don't know a couple

1941

01:29:19,730 --> 01:29:16,770

years ago and we were talking about that

1942

01:29:23,390 --> 01:29:19,740

case and someone oh this was just a

1943

01:29:26,330 --> 01:29:23,400

couple days ago oh I know I guess so I

1944

01:29:29,870 --> 01:29:26,340

had someone say that they were actually

1945

01:29:31,790 --> 01:29:29,880

there you know they were in you know and

1946

01:29:33,200 --> 01:29:31,800

you know wanted to get interviewed and

1947

01:29:35,360 --> 01:29:33,210

bill was all excited about it we got all

1948

01:29:37,130 --> 01:29:35,370

the information I started doing research

1949

01:29:42,650 --> 01:29:37,140

on the guy and I found out he would have

1950

01:29:44,570 --> 01:29:42,660

been eight years old so another you know

1951

01:29:45,950 --> 01:29:44,580

there are out there you have to watch

1952

01:29:46,460 --> 01:29:45,960

for that so this thread just came out

1953

01:29:49,730 --> 01:29:46,470

recently

1954

01:29:51,320 --> 01:29:49,740

yeah and it's breaking on Facebook and

1955

01:29:56,060 --> 01:29:51,330

of course you know MUFON ends up getting

1956

01:29:58,070 --> 01:29:56,070

a report on it so you know we have great

1957

01:30:00,890 --> 01:29:58,080

investigator investigators down in EI

1958

01:30:03,470 --> 01:30:00,900

Paso that actually have nice links in

1959

01:30:08,210 --> 01:30:03,480

Mexico so you know we're working the

1960

01:30:10,460 --> 01:30:08,220

case but you know it's ten minutes old

1961

01:30:13,250 --> 01:30:10,470

people don't even know the facts and

1962

01:30:15,110 --> 01:30:13,260

they're already hammering and cheering

1963

01:30:19,040 --> 01:30:15,120

and you know whatever the reaction was

1964

01:30:21,140 --> 01:30:19,050

it's there are no facts and already the

1965

01:30:24,380 --> 01:30:21,150

threads you know going crazy and and

1966

01:30:26,510 --> 01:30:24,390

good and bad and I I just I don't know

1967

01:30:28,760 --> 01:30:26,520

maybe I'm old school I just I just don't

1968

01:30:31,280 --> 01:30:28,770

want to do that I I respect people that

1969

01:30:33,680 --> 01:30:31,290

go to a source it was like the Malibu

1970

01:30:36,200 --> 01:30:33,690

underwater base yeah you know that

1971

01:30:40,100 --> 01:30:36,210

report I did it completely it's a first

1972

01:30:44,330 --> 01:30:40,110

fall but it surprised me no one called

1973

01:30:48,260 --> 01:30:44,340

Google what no one called them and said

1974

01:30:51,650 --> 01:30:48,270

hey how how does this structure look so

1975

01:30:53,520 --> 01:30:51,660

amazing like a man-made structure appear

1976

01:30:55,170 --> 01:30:53,530

and for the depth it is why

1977

01:30:57,750 --> 01:30:55,180

are we not seeing every other downed

1978

01:31:01,080 --> 01:30:57,760

aircraft or ill sunken boat and treasure

1979

01:31:03,090 --> 01:31:01,090

ship you know out there why does this

1980

01:31:04,530 --> 01:31:03,100

stand out as such an anomaly come on

1981

01:31:08,640 --> 01:31:04,540

guys did you fake it like what are you

1982

01:31:10,920 --> 01:31:08,650

doing and they and in my report I named

1983

01:31:12,840 --> 01:31:10,930

exactly who I talk to and why I called

1984

01:31:15,540 --> 01:31:12,850

Google and exactly how they do it and

1985

01:31:19,080 --> 01:31:15,550

the computer actually fills in the gaps

1986

01:31:21,840 --> 01:31:19,090

that's right - that love triangle on the

1987

01:31:23,910 --> 01:31:21,850

moon that was the same thing and when

1988

01:31:26,970 --> 01:31:23,920

you find out how they do it but it

1989

01:31:30,180 --> 01:31:26,980

surprises me as much as its much hoopla

1990

01:31:32,550 --> 01:31:30,190

over this underwater anomaly yeah we've

1991

01:31:36,150 --> 01:31:32,560

seen on the internet that nobody called

1992

01:31:38,820 --> 01:31:36,160

Google yes the pit be the author of the

1993

01:31:41,580 --> 01:31:38,830

photograph which is not a photograph but

1994

01:31:45,090 --> 01:31:41,590

you know it's like you know we forgot

1995

01:31:48,020 --> 01:31:45,100

how to investigate is my point and books

1996

01:31:51,300 --> 01:31:48,030

were written on it and big conspiracy

1997

01:31:54,210 --> 01:31:51,310

television shows it was very very invest

1998

01:31:56,730 --> 01:31:54,220

invested in it that was yes yeah I

1999

01:31:59,540 --> 01:31:56,740

remember that and then you learn that

2000

01:32:02,280 --> 01:31:59,550

some people needed it to stay an

2001

01:32:06,120 --> 01:32:02,290

underwater alien base that's right

2002

01:32:10,860 --> 01:32:06,130

because that's Bank yeah that's right

2003

01:32:12,960 --> 01:32:10,870

that's really sad - so poppin caps see

2004

01:32:15,090 --> 01:32:12,970

in the message room ask why should we

2005

01:32:18,210 --> 01:32:15,100

rely on MUFON shouldn't we learn to

2006

01:32:22,740 --> 01:32:18,220

discern absolutely and discern

2007

01:32:25,950 --> 01:32:22,750

everything this is being smart very

2008

01:32:26,370 --> 01:32:25,960

correct what was his name again pop and

2009

01:32:30,230 --> 01:32:26,380

caps

2010

01:32:34,110 --> 01:32:30,240

see as excellent excellent question and

2011

01:32:35,670 --> 01:32:34,120

it's a good habit you know everybody

2012

01:32:37,740 --> 01:32:35,680

MUFON is not perfect either

2013

01:32:39,630 --> 01:32:37,750

as everyone knows so we have some

2014

01:32:42,810 --> 01:32:39,640

self-inflicted wounds and we have a lot

2015

01:32:46,500 --> 01:32:42,820

of accusations we don't deserve but in

2016

01:32:49,350 --> 01:32:46,510

the end I believe nothing of what I hear

2017

01:32:51,870 --> 01:32:49,360

and only half of what I see and that's a

2018

01:32:53,880 --> 01:32:51,880

good way to start you walk in and you

2019

01:32:58,560 --> 01:32:53,890

let the evidence take you where you need

2020

01:33:01,020 --> 01:32:58,570

to be it's it's kind of how I keep my

2021

01:33:03,180 --> 01:33:01,030

objectivity well there's there's someone

2022

01:33:06,000 --> 01:33:03,190

in the Washington Post a ton of times

2023

01:33:07,470 --> 01:33:06,010

here in the chat room and very

2024

01:33:09,750 --> 01:33:07,480

negatively on

2025

01:33:12,720 --> 01:33:09,760

and don't trust anyone that promotes to

2026

01:33:15,660 --> 01:33:12,730

the stars Academy scam you know going on

2027

01:33:20,010 --> 01:33:15,670

and on about that and everyone can have

2028

01:33:23,120 --> 01:33:20,020

their own opinion of course but to not

2029

01:33:27,360 --> 01:33:23,130

for someone to say do not trust chase

2030

01:33:30,450 --> 01:33:27,370

that upsets me Tom so you can go away if

2031

01:33:33,360 --> 01:33:30,460

you'd like but hahahaha

2032

01:33:35,100 --> 01:33:33,370

Devon endorse to the Stars Academy so if

2033

01:33:37,710 --> 01:33:35,110

that's my accusation from the guy in the

2034

01:33:40,770 --> 01:33:37,720

chat room he's not listening again

2035

01:33:43,230 --> 01:33:40,780

this guy's part of the problem because I

2036

01:33:45,840 --> 01:33:43,240

never endorsed him I endorsed a tip and

2037

01:33:48,120 --> 01:33:45,850

Lou Elizondo coming out and telling us

2038

01:33:50,280 --> 01:33:48,130

that Pentagon I have never endorsed I

2039

01:33:51,630 --> 01:33:50,290

called them an entertainment and science

2040

01:33:55,170 --> 01:33:51,640

organization period

2041

01:33:56,580 --> 01:33:55,180

I don't endorse or I don't slam I don't

2042

01:33:58,650 --> 01:33:56,590

really have an opinion I don't know

2043

01:34:01,080 --> 01:33:58,660

enough about to the Stars Academy yeah

2044

01:34:05,880 --> 01:34:01,090

but I do know about eight them that is a

2045

01:34:08,480 --> 01:34:05,890

problem because people do not have a lot

2046

01:34:11,220 --> 01:34:08,490

of people don't have the information and

2047

01:34:13,080 --> 01:34:11,230

make an opinion before they even have

2048

01:34:15,180 --> 01:34:13,090

the information and you know that's

2049

01:34:19,530 --> 01:34:15,190

what's going on here what do we look for

2050

01:34:22,260 --> 01:34:19,540

with a whistleblowers credible witnesses

2051

01:34:24,930 --> 01:34:22,270

blue is he hasn't lied about his

2052

01:34:27,750 --> 01:34:24,940

background not one iota I have verified

2053

01:34:31,080 --> 01:34:27,760

that and so as many other people by the

2054

01:34:32,820 --> 01:34:31,090

way I'm not the only one and what's he

2055

01:34:36,480 --> 01:34:32,830

saying what does he said that it's been

2056

01:34:40,710 --> 01:34:36,490

untrue so far so until I have a reason

2057

01:34:42,930 --> 01:34:40,720

to distrust or call this man a liar with

2058

01:34:46,170 --> 01:34:42,940

his background if I don't have that

2059

01:34:49,320 --> 01:34:46,180

proof I'm not going there and again this

2060

01:34:52,200 --> 01:34:49,330

is the problem with people that just

2061

01:34:55,260 --> 01:34:52,210

want to come on and throw shade you know

2062

01:34:59,040 --> 01:34:55,270

this is you know they know better why

2063

01:35:02,340 --> 01:34:59,050

give me your proof if I'm not supposed

2064

01:35:04,440 --> 01:35:02,350

to trust this or anything I've said turn

2065

01:35:05,040 --> 01:35:04,450

out to be untrue knock yourselves out

2066

01:35:08,040 --> 01:35:05,050

guys

2067

01:35:10,560 --> 01:35:08,050

don't follow me like I have no problem

2068

01:35:12,090 --> 01:35:10,570

with this because I tell you what we

2069

01:35:15,240 --> 01:35:12,100

have our head down and my head is going

2070

01:35:17,970 --> 01:35:15,250

to be so down in 2019 because I don't

2071

01:35:19,760 --> 01:35:17,980

want to miss the important facts I don't

2072

01:35:21,060 --> 01:35:19,770

want to miss any of our opportunities

2073

01:35:23,609 --> 01:35:21,070

because I'm

2074

01:35:25,290 --> 01:35:23,619

too busy hatin and pointing fingers at

2075

01:35:27,300 --> 01:35:25,300

people when three are looking back at me

2076

01:35:29,520 --> 01:35:27,310

mm-hmm

2077

01:35:32,310 --> 01:35:29,530

one of the conversations I mentioned the

2078

01:35:34,109 --> 01:35:32,320

other day I was talking with Scott

2079

01:35:37,770 --> 01:35:34,119

Ramsey on the phone for quite a while

2080

01:35:39,629 --> 01:35:37,780

and you know one of the things that

2081

01:35:41,729 --> 01:35:39,639

comes up a lot of my shows where people

2082

01:35:45,120 --> 01:35:41,739

will email me about why do you only talk

2083

01:35:47,160 --> 01:35:45,130

about old cases and that was the subject

2084

01:35:51,050 --> 01:35:47,170

that he and I were speaking about and a

2085

01:35:53,850 --> 01:35:51,060

lot of the reason is because the

2086

01:35:55,680 --> 01:35:53,860

material becomes non classified after a

2087

01:35:59,310 --> 01:35:55,690

while and you can get more information

2088

01:36:00,740 --> 01:35:59,320

and which I think is important and a lot

2089

01:36:03,330 --> 01:36:00,750

of things are unfolding and you know I

2090

01:36:08,339 --> 01:36:03,340

personally told him I was a total

2091

01:36:11,669 --> 01:36:08,349

skeptic of the Aztec the Aztec crash and

2092

01:36:13,319 --> 01:36:11,679

he said he was to 100% and then you kept

2093

01:36:15,330 --> 01:36:13,329

digging into it and finding more

2094

01:36:18,930 --> 01:36:15,340

information that was being Declassified

2095

01:36:21,180 --> 01:36:18,940

and going oh he was actually discouraged

2096

01:36:24,030 --> 01:36:21,190

that he found out well this is actually

2097

01:36:26,879 --> 01:36:24,040

turning into something what is the

2098

01:36:28,790 --> 01:36:26,889

average year that government documents

2099

01:36:31,800 --> 01:36:28,800

or things like this would be classified

2100

01:36:34,109 --> 01:36:31,810

by years isn't it and that what are we

2101
01:36:37,169 --> 01:36:34,119
coming up on yeah 50 years of some of

2102
01:36:38,879 --> 01:36:37,179
the biggest stuff so he's absolutely

2103
01:36:40,859 --> 01:36:38,889
right we're gonna have more and more

2104
01:36:42,890 --> 01:36:40,869
answers if we're paying attention to the

2105
01:36:45,450 --> 01:36:42,900
documents that are being Declassified

2106
01:36:46,439 --> 01:36:45,460
I'm afraid we're going to lose our

2107
01:36:48,359 --> 01:36:46,449
Stanton Freeman's

2108
01:36:50,939 --> 01:36:48,369
I'm afraid we're going to lose the

2109
01:36:52,709 --> 01:36:50,949
people that you know broke open some of

2110
01:36:54,750 --> 01:36:52,719
these big cases and you know they put

2111
01:36:57,300 --> 01:36:54,760
boots to the ground and did interviews

2112
01:37:00,780 --> 01:36:57,310
and wrote notes and face to face with

2113
01:37:05,149 --> 01:37:00,790

witnesses and and I'm afraid we're going

2114

01:37:07,979 --> 01:37:05,159

to lose these people to the rhetoric on

2115

01:37:10,319 --> 01:37:07,989

like the social media and just you know

2116

01:37:12,270 --> 01:37:10,329

some of these open forums it's easy to

2117

01:37:15,419 --> 01:37:12,280

throw Barb's when you can when you can

2118

01:37:17,550 --> 01:37:15,429

have a name like twit see but or you

2119

01:37:19,530 --> 01:37:17,560

know whatever and it's easy to throw

2120

01:37:22,859 --> 01:37:19,540

shame you're completely anonymous in the

2121

01:37:25,649 --> 01:37:22,869

back but stand up and debate a Richard

2122

01:37:30,649 --> 01:37:25,659

Dolan or one of our great sandy follow G

2123

01:37:33,689 --> 01:37:30,659

and and comment them with your

2124

01:37:34,709 --> 01:37:33,699

admissible facts and and your debate

2125

01:37:37,950 --> 01:37:34,719

points

2126
01:37:40,050 --> 01:37:37,960
and even common sense come at us and

2127
01:37:43,170 --> 01:37:40,060
let's have a conversation

2128
01:37:46,410 --> 01:37:43,180
but you know unfortunately a lot of

2129
01:37:48,060 --> 01:37:46,420
people are just stepping back and you

2130
01:37:49,470 --> 01:37:48,070
know doing their thing internally and

2131
01:37:53,700 --> 01:37:49,480
we're going to end up with these little

2132
01:37:55,439 --> 01:37:53,710
think tanks and little groups that you

2133
01:37:58,020 --> 01:37:55,449
know people are now going to accuse of

2134
01:38:00,870 --> 01:37:58,030
you know we're all hiding our stuff or

2135
01:38:04,500 --> 01:38:00,880
or even coming together much like at a

2136
01:38:06,810 --> 01:38:04,510
tip or two the third Academy little

2137
01:38:09,000 --> 01:38:06,820
pockets of information because who wants

2138
01:38:11,310 --> 01:38:09,010

to stand out there and even put up with

2139

01:38:13,830 --> 01:38:11,320

that I don't right right we have a

2140

01:38:18,209 --> 01:38:13,840

caller caller your first name where you

2141

01:38:20,790 --> 01:38:18,219

calling from my name is I'm coming from

2142

01:38:22,740 --> 01:38:20,800

Stockholm Sweden oh hey welcome to the

2143

01:38:27,630 --> 01:38:22,750

show what time is it there yeah thank

2144

01:38:29,850 --> 01:38:27,640

you know it's about 6 o'clock p.m. ah

2145

01:38:31,080 --> 01:38:29,860

all right well thanks so much for

2146

01:38:32,120 --> 01:38:31,090

calling in you have a question for our

2147

01:38:36,439 --> 01:38:32,130

guest

2148

01:38:41,070 --> 01:38:36,449

yeah what's their show from the start so

2149

01:38:44,100 --> 01:38:41,080

my question was about this is Starchild

2150

01:38:47,550 --> 01:38:44,110

skull what's happened there to help

2151
01:38:50,790 --> 01:38:47,560
today in the investigation oh I believe

2152
01:38:52,950 --> 01:38:50,800
she did speak on that so you did miss

2153
01:38:55,740 --> 01:38:52,960
that part of it but well go ahead and a

2154
01:39:00,360 --> 01:38:55,750
nutshell up if you want to chase and

2155
01:39:02,400 --> 01:39:00,370
talk about that we did hi Andres and

2156
01:39:05,340 --> 01:39:02,410
thanks so much for calling especially

2157
01:39:07,170 --> 01:39:05,350
you know Sweden we you know we knew we

2158
01:39:09,870 --> 01:39:07,180
had a few audience internationally but

2159
01:39:13,800 --> 01:39:09,880
that's that's so awesome thank you the

2160
01:39:16,140 --> 01:39:13,810
Starchild skull was what was a difficult

2161
01:39:18,300 --> 01:39:16,150
investigation to get into because Lloyd

2162
01:39:21,000 --> 01:39:18,310
Pye was so loved and of course the

2163
01:39:25,620 --> 01:39:21,010

Starchild people desperately wanted this

2164

01:39:27,209 --> 01:39:25,630

to be alien or hybrid and unfortunately

2165

01:39:30,390 --> 01:39:27,219

science doesn't care what we believe or

2166

01:39:35,150 --> 01:39:30,400

what we want I really wanted an alien

2167

01:39:38,670 --> 01:39:35,160

who doesn't but unfortunately all of the

2168

01:39:40,800 --> 01:39:38,680

DNA testing that I did and Melanie young

2169

01:39:44,540 --> 01:39:40,810

and Carrie McClure it was a team of

2170

01:39:47,550 --> 01:39:44,550

three of us the three of us it all

2171

01:39:49,470 --> 01:39:47,560

matched exactly what Lloyd's DNA

2172

01:39:53,370 --> 01:39:49,480

testing was finding is that was the

2173

01:39:56,750 --> 01:39:53,380

maternal DNA was absolutely human we did

2174

01:39:58,700 --> 01:39:56,760

get the paternal or the nuclear DNA and

2175

01:40:01,170 --> 01:39:58,710

unfortunately that was always the

2176
01:40:04,650 --> 01:40:01,180
anticipation that yes that's going to be

2177
01:40:08,880 --> 01:40:04,660
the unidentified part and it wasn't it's

2178
01:40:11,670 --> 01:40:08,890
completely human and we found some of

2179
01:40:13,980 --> 01:40:11,680
the genetic markers for the disease for

2180
01:40:18,050 --> 01:40:13,990
the shape of the head and we even found

2181
01:40:20,790 --> 01:40:18,060
the hello group of the little Starchild

2182
01:40:24,570 --> 01:40:20,800
since its investigation Melanie young

2183
01:40:27,900 --> 01:40:24,580
the owner has repatriated the Starchild

2184
01:40:32,550 --> 01:40:27,910
skull the original little guy back to

2185
01:40:34,800 --> 01:40:32,560
his people in Mexico and ice that's good

2186
01:40:38,220 --> 01:40:34,810
yes that's a really big deal you know

2187
01:40:42,090 --> 01:40:38,230
this little guy even before Lloyd had

2188
01:40:46,200 --> 01:40:42,100

him had been lacquered put it on a

2189

01:40:48,930 --> 01:40:46,210

plaque hung on a wall has ball caps put

2190

01:40:54,270 --> 01:40:48,940

on him for pictures cigarettes hanging

2191

01:40:57,540 --> 01:40:54,280

out of his mouth I mean I am my heart is

2192

01:41:02,310 --> 01:40:57,550

is happy that he is now back where he

2193

01:41:03,930 --> 01:41:02,320

belongs with his people yeah excellent

2194

01:41:08,910 --> 01:41:03,940

did you have any address do you have any

2195

01:41:10,950 --> 01:41:08,920

other questions yeah well stop

2196

01:41:13,110 --> 01:41:10,960

questioning my head and I'm very

2197

01:41:15,540 --> 01:41:13,120

grateful for that answer

2198

01:41:16,590 --> 01:41:15,550

Thank You chief and you have a very good

2199

01:41:21,210 --> 01:41:16,600

show

2200

01:41:25,460 --> 01:41:21,220

so thank you keep it up and Happy New

2201

01:41:29,310 --> 01:41:25,470

Year yes happy new yeah thanks a lot

2202

01:41:34,740 --> 01:41:29,320

hey he's got an awesome show stay tuned

2203

01:41:36,630 --> 01:41:34,750

every week so we have we have like up I

2204

01:41:41,310 --> 01:41:36,640

don't know maybe five five we could go

2205

01:41:43,080 --> 01:41:41,320

ten more minutes or so and I think

2206

01:41:46,320 --> 01:41:43,090

there's been some good callers and the

2207

01:41:48,600 --> 01:41:46,330

line actually I just took the number

2208

01:41:50,520 --> 01:41:48,610

down so we wouldn't take any other calls

2209

01:41:52,920 --> 01:41:50,530

but I could take another call if someone

2210

01:41:54,540 --> 01:41:52,930

would like to if someone would like to

2211

01:41:57,150 --> 01:41:54,550

call in I'll pop that number back up

2212

01:42:00,840 --> 01:41:57,160

over there again if anyone would like to

2213

01:42:01,530 --> 01:42:00,850

give a ring so I think we've covered a

2214

01:42:04,050 --> 01:42:01,540

lot of

2215

01:42:07,500 --> 01:42:04,060

really good ground and I'm really

2216

01:42:08,670 --> 01:42:07,510

interested if you'd want to come back

2217

01:42:11,010 --> 01:42:08,680

again

2218

01:42:14,430 --> 01:42:11,020

course within a year and we'll talk

2219

01:42:17,670 --> 01:42:14,440

about what your your think-tank came up

2220

01:42:19,890 --> 01:42:17,680

with I mean it's it's really amazing I

2221

01:42:22,560 --> 01:42:19,900

mean I watched a film back in the I

2222

01:42:24,660 --> 01:42:22,570

think it was sometime in the 50s it was

2223

01:42:27,570 --> 01:42:24,670

just a clip on YouTube where there was

2224

01:42:29,100 --> 01:42:27,580

this guy saying I hope I hope I hope I

2225

01:42:31,290 --> 01:42:29,110

find out the answer in my lifetime and

2226

01:42:35,970 --> 01:42:31,300

he looked like he was about in his you

2227

01:42:39,480 --> 01:42:35,980

know 60s 1950 and I think that's the way

2228

01:42:41,220 --> 01:42:39,490

a lot of people have a feeling this is

2229

01:42:43,320 --> 01:42:41,230

sup I got to tell you since this last

2230

01:42:45,990 --> 01:42:43,330

year is the first time that I've felt

2231

01:42:48,510 --> 01:42:46,000

like there is a possibility that we may

2232

01:42:50,880 --> 01:42:48,520

know something you know the last time we

2233

01:42:54,510 --> 01:42:50,890

had a chance like this was the era

2234

01:42:56,610 --> 01:42:54,520

weirdly Spiegel and people forget he

2235

01:42:59,220 --> 01:42:56,620

spoke at the UN that's right he had the

2236

01:43:02,460 --> 01:42:59,230

ear they had a panel and you know he was

2237

01:43:05,310 --> 01:43:02,470

with a couple others but um thank you so

2238

01:43:08,190 --> 01:43:05,320

we design or something yes we need to

2239

01:43:11,010 --> 01:43:08,200

get back to that type of ufology

2240

01:43:13,740 --> 01:43:11,020

that type of research and determination

2241

01:43:17,130 --> 01:43:13,750

and this stuff's not for the faint of

2242

01:43:19,620 --> 01:43:17,140

heart it's not this isn't x-files where

2243

01:43:21,510 --> 01:43:19,630

you know we're getting cool car chases

2244

01:43:23,720 --> 01:43:21,520

and you know all the excitement and

2245

01:43:26,910 --> 01:43:23,730

break it into top-secret security bases

2246

01:43:30,000 --> 01:43:26,920

this is about sitting in dirty little

2247

01:43:32,310 --> 01:43:30,010

basements at the National Archives and

2248

01:43:33,810 --> 01:43:32,320

going through boxes you looking for

2249

01:43:36,030 --> 01:43:33,820

anything little piece of paper or a

2250

01:43:37,800 --> 01:43:36,040

little mark that would indicate oh

2251

01:43:40,500 --> 01:43:37,810

there's something here and this paper

2252

01:43:43,680 --> 01:43:40,510

didn't belong here you know there's a

2253

01:43:49,190 --> 01:43:43,690

lot of you know sitting back and just

2254

01:43:51,750 --> 01:43:49,200

you know a lot of a lot of legwork and

2255

01:43:54,990 --> 01:43:51,760

consideration what's admissible or not

2256

01:43:56,850 --> 01:43:55,000

but that's my goal this year I don't

2257

01:43:59,010 --> 01:43:56,860

care about lights in the sky I know that

2258

01:44:02,760 --> 01:43:59,020

sounds terrible but we have tens of

2259

01:44:05,010 --> 01:44:02,770

thousands of these reports yeah we want

2260

01:44:07,830 --> 01:44:05,020

the evidence yeah that's our job the

2261

01:44:10,230 --> 01:44:07,840

public has heard enough opinion they've

2262

01:44:12,690 --> 01:44:10,240

heard enough proclamation they have

2263

01:44:15,179 --> 01:44:12,700

heard what we believe they have heard

2264

01:44:19,799 --> 01:44:15,189

everything what they need to hear is

2265

01:44:22,439 --> 01:44:19,809

fact evidential back oh that's it yeah

2266

01:44:26,310 --> 01:44:22,449

I had the great fortune I had David

2267

01:44:27,870 --> 01:44:26,320

O'Leary from from his creative project

2268

01:44:30,989 --> 01:44:27,880

Bluebook on the History Channel what i

2269

01:44:32,549 --> 01:44:30,999

did is i i i can't the History Channel

2270

01:44:36,350 --> 01:44:32,559

actually contacts me a number of times

2271

01:44:37,799 --> 01:44:36,360

and asked me you know four four

2272

01:44:40,259 --> 01:44:37,809

different people for different

2273

01:44:42,449 --> 01:44:40,269

situations things like that and so I

2274

01:44:44,040 --> 01:44:42,459

contacted them and said hey you have

2275

01:44:45,659 --> 01:44:44,050

Project Blue Book I'd like to be able to

2276

01:44:48,299 --> 01:44:45,669

interview someone and they got me in

2277

01:44:50,339 --> 01:44:48,309

touch with David O'Leary great guy

2278

01:44:53,850 --> 01:44:50,349

really nice guy interviewed him long ago

2279

01:44:56,489 --> 01:44:53,860

and so then the other day I got this

2280

01:44:59,640 --> 01:44:56,499

little email that said screeners

2281

01:45:01,589 --> 01:44:59,650

available to me because I featured him

2282

01:45:04,709 --> 01:45:01,599

on the show so I got to watch the first

2283

01:45:06,810 --> 01:45:04,719

six episodes of Project Blue Book oh my

2284

01:45:09,989 --> 01:45:06,820

gosh what's that amazing and I also

2285

01:45:12,239 --> 01:45:09,999

heard Richard Dolan they have him now

2286

01:45:13,679 --> 01:45:12,249

coming in and weighing in after every

2287

01:45:15,479 --> 01:45:13,689

single episode oh yeah they're gonna

2288

01:45:18,540 --> 01:45:15,489

have like a separate show or they

2289

01:45:20,640 --> 01:45:18,550

they'll have yeah like don't talk about

2290

01:45:24,029 --> 01:45:20,650

the cases in reality basically they have

2291

01:45:26,429 --> 01:45:24,039

their their fiction and but it based on

2292

01:45:28,109 --> 01:45:26,439

reality and you know some of it and I've

2293

01:45:31,169 --> 01:45:28,119

even talked to I talked to David

2294

01:45:33,089 --> 01:45:31,179

yesterday just you know briefly I said I

2295

01:45:34,620 --> 01:45:33,099

love the show love it and I think

2296

01:45:36,540 --> 01:45:34,630

everybody that sent to the topic is

2297

01:45:38,580 --> 01:45:36,550

really going to love it too it does

2298

01:45:41,159 --> 01:45:38,590

embellish a little bit heavy here and

2299

01:45:43,049 --> 01:45:41,169

there but that's where they're gonna

2300

01:45:44,729 --> 01:45:43,059

kind of counterbalance by having you

2301

01:45:46,799 --> 01:45:44,739

know someone like Dolan come in and talk

2302

01:45:51,589 --> 01:45:46,809

about the real and Jacques fillet I know

2303

01:45:54,540 --> 01:45:51,599

that he's been yes yes yeah it's amazing

2304

01:45:57,870 --> 01:45:54,550

that they've there been that diligent as

2305

01:45:59,250 --> 01:45:57,880

well they really want this even though

2306

01:46:01,679 --> 01:45:59,260

they took some liberties with the

2307

01:46:03,839 --> 01:46:01,689

dramatization they really want to tell

2308

01:46:08,189 --> 01:46:03,849

the truth as well they want this to

2309

01:46:10,979 --> 01:46:08,199

become you know fantastic and but also

2310

01:46:13,739 --> 01:46:10,989

truthful I just really love the

2311

01:46:16,199 --> 01:46:13,749

integrity behind this show - yeah well

2312

01:46:18,540 --> 01:46:16,209

I'm gonna tell the listener out there

2313

01:46:20,129 --> 01:46:18,550

you're gonna love the show I mean I love

2314

01:46:21,870 --> 01:46:20,139

the show I really got into it you get

2315

01:46:25,979 --> 01:46:21,880

really attached to the characters right

2316

01:46:28,350 --> 01:46:25,989

away there are some great actors and so

2317

01:46:29,110 --> 01:46:28,360

the whole the whole ball of wax is it's

2318

01:46:31,000 --> 01:46:29,120

just like I

2319

01:46:33,010 --> 01:46:31,010

I've watched the six episodes and I

2320

01:46:35,800 --> 01:46:33,020

can't wait for the next one you know

2321

01:46:37,570 --> 01:46:35,810

can't wait I can't wait yeah yeah and

2322

01:46:39,790 --> 01:46:37,580

that starts of January 8 for all the

2323

01:46:41,110 --> 01:46:39,800

listeners out there I think we're gonna

2324

01:46:43,480 --> 01:46:41,120

call it a day

2325

01:46:45,340 --> 01:46:43,490

chase now you have a website just your

2326

01:46:49,060 --> 01:46:45,350

name basically and it's not an easy name

2327

01:46:50,560 --> 01:46:49,070

to say or spell no it's not but you know

2328

01:46:54,250 --> 01:46:50,570

the first name is chase and that's

2329

01:46:59,350 --> 01:46:54,260

normal CH ASE and the last name is KL o

2330

01:47:03,730 --> 01:46:59,360

e t z ke and it's just chase Klinsky

2331

01:47:05,350 --> 01:47:03,740

comm and um you know I wish I wish I was

2332

01:47:07,480 --> 01:47:05,360

more visible on social media I tell

2333

01:47:10,690 --> 01:47:07,490

everybody kept me there you know I love

2334

01:47:13,570 --> 01:47:10,700

hearing from everyone but um you know

2335

01:47:15,370 --> 01:47:13,580

just too busy for the rhetoric so so

2336

01:47:17,500 --> 01:47:15,380

email me or contact me through the

2337

01:47:20,140 --> 01:47:17,510

website that's the easiest way to get me

2338

01:47:23,500 --> 01:47:20,150

now yeah alright chase hey well thanks

2339

01:47:25,840 --> 01:47:23,510

so much it's it's been as always your

2340

01:47:28,060 --> 01:47:25,850

you're just wonderful to talk to have

2341

01:47:29,740 --> 01:47:28,070

always had a great time and it's always

2342

01:47:32,020 --> 01:47:29,750

fun to see you at different events as

2343

01:47:34,780 --> 01:47:32,030

well and you take care have a wonderful

2344

01:47:36,580 --> 01:47:34,790

2019 and we'll have you back and you can

2345

01:47:37,960 --> 01:47:36,590

tell us what happened with this think

2346

01:47:41,080 --> 01:47:37,970

tank I can't wait to talk to you about

2347

01:47:44,110 --> 01:47:41,090

it so awesome thanks Martin as always

2348

01:47:48,010 --> 01:47:44,120

it's been such a pleasure thank you okay

2349

01:47:51,570 --> 01:47:48,020

you take care bye bye alright

2350

01:47:54,810 --> 01:47:51,580

everyone so that is it for the show and

2351

01:47:58,090 --> 01:47:54,820

thanks so much for for watching and

2352

01:48:01,840 --> 01:47:58,100

listening and we'll be back next week

2353

01:48:04,240 --> 01:48:01,850

and I'm trying to get Robert Powell on

2354

01:48:06,370 --> 01:48:04,250

the show I don't have a confirmation so

2355

01:48:08,500 --> 01:48:06,380

that may or may not be we'll see who

2356

01:48:12,010 --> 01:48:08,510

will be bit well though we will be back

2357

01:48:16,230 --> 01:48:12,020

with and that will be on January 8th on

2358

01:48:18,970 --> 01:48:16,240

Tuesday I believe it's January 8th and

2359

01:48:22,120 --> 01:48:18,980

again I want to thank everyone so much

2360

01:48:25,360 --> 01:48:22,130

for listening to excuse me listening to

2361

01:48:27,220 --> 01:48:25,370

this show and also for help the people

2362

01:48:30,040 --> 01:48:27,230

that helped us out it really means a lot

2363

01:48:34,120 --> 01:48:30,050

a lot to me and I really appreciate it

2364

01:48:37,690 --> 01:48:34,130

and so we'll be back next year all right

2365

01:48:40,030 --> 01:48:37,700

keep your eyes to the sky and it hits me

2366

01:48:40,310 --> 01:48:40,040

oh my gosh this is that triangle you

2367

01:48:41,780 --> 01:48:40,320

know

2368

01:48:43,459 --> 01:48:41,790

explanation for everything that occurred

2369

01:48:45,890 --> 01:48:43,469

in the Rendlesham forest incident

2370

01:48:48,770 --> 01:48:45,900

it doesn't involve aliens at all it was

2371

01:48:52,129 --> 01:48:48,780

completely silent it comes right over

2372

01:48:54,200 --> 01:48:52,139

our head it's so a classic flying-saucer

2373

01:48:56,030 --> 01:48:54,210

really standing in the Clery he turned

2374

01:48:57,530 --> 01:48:56,040

over to my father and held his hand and

2375

01:48:57,870 --> 01:48:57,540

he looked in his eyes and said we're not
