1
00:00:03,619 --> 00:00:02,510
it's me oh my gosh this is that triangle

2
00:00:04,760 --> 00:00:03,629
you know there's explanation for

3
00:00:06,079 --> 00:00:04,770
everything that appeared in the

4
00:00:08,540 --> 00:00:06,089
Rendlesham forest incident

5
00:00:11,209 --> 00:00:08,550
it doesn't involve aliens at all it was

6
00:00:14,749 --> 00:00:11,219
completely silent it comes right over

7
00:00:16,580 --> 00:00:14,759
our heads it's so classic flying-saucer

8
00:00:18,200 --> 00:00:16,590
really standing in the clearing he

9
00:00:25,040 --> 00:00:18,210
turned over to my father and held his

10
00:00:28,400 --> 00:00:25,050
hand and he looked in his eyes welcome

11
00:00:30,380 --> 00:00:28,410
to podcast UFO for our live show during

12
00:00:32,959 --> 00:00:30,390

13
00:00:35,319 --> 00:00:32,969

in our chat room and don't forget to

14

00:00:37,670 --> 00:00:35,329

like us on our very active Facebook page

15

00:00:40,160 --> 00:00:37,680

well many of you are wondering if that

16

00:00:44,690 --> 00:00:40,170

dog barking in the intro is part of the

17

00:00:46,580 --> 00:00:44,700

intro no that's not

18

00:00:48,229 --> 00:00:46,590

and hopefully the dog will get a

19

00:00:50,000 --> 00:00:48,239

milk-bone or something and settle down

20

00:00:51,830 --> 00:00:50,010

and that won't happen again

21

00:00:54,049 --> 00:00:51,840

36
00:01:31,219 --> 00:01:29,549
to some of my email saying are you

37
00:01:34,280 --> 00:01:31,229
interested in writing blogs because you

38
00:01:37,100 --> 00:01:34,290

just wrote me a 15 page email that I'll

39

00:01:39,890 --> 00:01:37,110

never read personally I might have a

40

00:01:42,080 --> 00:01:39,900

voice to text link read it for me but

41

00:01:44,330 --> 00:01:42,090

anyway I have a little bit of a DD going

42

00:01:46,370 --> 00:01:44,340

on I cannot read those big huge huge

43

00:01:51,109 --> 00:01:46,380

humongous emails but I do appreciate

44

00:01:53,870 --> 00:01:51,119

them anyway and so and if you would like

45

00:01:55,550 --> 00:01:53,880

46

00:01:59,749 --> 00:01:55,560

information the contact information is

47

00:02:03,709 --> 00:01:59,759

over at podcast UFO comm so we are live

48

00:02:07,130 --> 00:02:03,719

on YouTube and simulcast on kgr a radio

49

00:02:09,229 --> 00:02:07,140

and that's it for me I'm going to get my

50

00:02:11,990 --> 00:02:09,239

guest Alejandro Rojas

51
00:02:13,390 --> 00:02:12,000
how are you Alejandro I am good how are

52
00:02:16,600 --> 00:02:13,400
you my friend

53
00:02:20,319 --> 00:02:16,610
great great happy New Year to you Happy

54
00:02:22,660 --> 00:02:20,329
New Year and hey this is the night that

55
00:02:27,270 --> 00:02:22,670
the History Channel is coming out with

56
00:02:31,599 --> 00:02:27,280
Project Blue Book to night then 82 hours

57
00:02:33,610 --> 00:02:31,609
yes so very exciting I'm really bummed I

58
00:02:35,890 --> 00:02:33,620
was invited this is so cool by Paul

59
00:02:38,050 --> 00:02:35,900
Hynek to go to his house and watch it

60
00:02:41,020 --> 00:02:38,060
tonight my goodness it out there how

61
00:02:43,240 --> 00:02:41,030
amazing would that have say when I know

62
00:02:45,250 --> 00:02:43,250
to watch the premiere with the son of

63
00:02:48,610 --> 00:02:45,260

the guy who's in there and I did mention

64

00:02:50,559 --> 00:02:48,620

I you know I talked to him about if he

65

00:02:53,349 --> 00:02:50,569

was one of the kids that's in the show

66

00:02:56,379 --> 00:02:53,359

because in the show you know Hynek and

67

00:02:59,949 --> 00:02:56,389

mimi his wife are this young family and

68

00:03:02,890 --> 00:02:59,959

they do have I think a kid in a baby so

69

00:03:05,770 --> 00:03:02,900

far in the show now eventually he had

70

00:03:07,690 --> 00:03:05,780

several kids but Paul I guess was not

71

00:03:10,479 --> 00:03:07,700

born or he was a baby at the time when

72

00:03:15,099 --> 00:03:10,489

all of at least what's portrayed in the

73

00:03:17,080 --> 00:03:15,109

show is it stars all the time is a Scott

74

00:03:18,879 --> 00:03:17,090

or Joel that is portrayed in the show I

75

00:03:21,640 --> 00:03:18,889

can't remember I can't remember I know

76

00:03:23,170 --> 00:03:21,650

those are the two older brothers yeah so

77

00:03:25,839 --> 00:03:23,180

that's probably both of them that's

78

00:03:30,039 --> 00:03:25,849

probably the kid and the baby yeah yeah

79

00:03:31,599 --> 00:03:30,049

well I'm elated about it and and I think

80

00:03:33,670 --> 00:03:31,609

there's gonna be I had someone contact

81

00:03:36,309 --> 00:03:33,680

me saying hey we're gonna get a bunch of

82

00:03:40,180 --> 00:03:36,319

UFO reports probably tomorrow and move

83

00:03:44,530 --> 00:03:40,190

on out in Chicago Sam I think so

84

00:03:46,180 --> 00:03:44,540

you know there this happens if they

85

00:03:48,520 --> 00:03:46,190

mention MUFON is what it comes down to

86

00:03:51,490 --> 00:03:48,530

because people have to know that there's

87

00:03:59,110 --> 00:03:51,500

someone to report to so there's Karen in

88

00:04:00,759 --> 00:03:59,120

the background there yes and that's the

89

00:04:02,979 --> 00:04:00,769

issue is that a lot of times people

90

00:04:04,479 --> 00:04:02,989

don't know who to report to and we've

91

00:04:06,640 --> 00:04:04,489

talked about this before but a lot of

92

00:04:09,339 --> 00:04:06,650

times people mention that sightings have

93

00:04:11,649 --> 00:04:09,349

dropped I argue and I think that the

94

00:04:13,780 --> 00:04:11,659

numbers show it that it's not so much

95

00:04:17,920 --> 00:04:13,790

that people are seeing less it's that

96

00:04:20,050 --> 00:04:17,930

during a period of time while the MAL

97

00:04:22,330 --> 00:04:20,060

MUFON had at their own television show

98

00:04:24,129 --> 00:04:22,340

you know that the sighting reporting

99

00:04:26,769 --> 00:04:24,139

skyrocketed because people knew where to

100

00:04:27,280 --> 00:04:26,779

report to but now that that shows gone

101

00:04:29,800 --> 00:04:27,290

the

102

00:04:32,230 --> 00:04:29,810

replays are kind of it's not being shown

103

00:04:33,820 --> 00:04:32,240

on replay very much anymore people are

104

00:04:36,430 --> 00:04:33,830

forgetting are just not knowing where to

105

00:04:38,200 --> 00:04:36,440

report UFOs and so as a field

106

00:04:39,760 --> 00:04:38,210

investigator when I used to be do that

107

00:04:41,350 --> 00:04:39,770

work for a MUFON we used to hear that

108

00:04:44,380 --> 00:04:41,360

all the time you know I just didn't know

109

00:04:45,790 --> 00:04:44,390

where to report and in fact if you asked

110

00:04:47,410 --> 00:04:45,800

most people out there you know did you

111

00:04:48,610 --> 00:04:47,420

report your UFO sighting if they tell

112

00:04:51,130 --> 00:04:48,620

you about one they'll say I guess I

113

00:04:53,640 --> 00:04:51,140

didn't know I could that's right I got

114

00:04:57,010 --> 00:04:53,650

to tell you real quickly I was at a

115

00:05:00,550 --> 00:04:57,020

bagel a bagel place in my new location

116

00:05:03,280 --> 00:05:00,560

Rockland Maine up on the coast and my

117

00:05:06,190 --> 00:05:03,290

lady friend with me was wearing a MUFON

118

00:05:08,560 --> 00:05:06,200

hat and the guy behind the bagel counter

119

00:05:10,090 --> 00:05:08,570

said you know I had a sighting and he

120

00:05:12,610 --> 00:05:10,100

ended up telling me this amazing

121

00:05:15,700 --> 00:05:12,620

sighting so now so amazing you know

122

00:05:17,680 --> 00:05:15,710

missing time the whole works that I'm

123

00:05:20,440 --> 00:05:17,690

inviting him over to the studio I'm

124

00:05:23,410 --> 00:05:20,450

gonna have him and in one of the shows

125

00:05:25,600 --> 00:05:23,420

but how craziest settings I've ever

126

00:05:27,940 --> 00:05:25,610

heard in Maine this guy had so that's

127

00:05:29,800 --> 00:05:27,950

good yeah yeah Karen likes to do that oh

128

00:05:31,390 --> 00:05:29,810

just what I mean she likes to wear UFO

129

00:05:33,310 --> 00:05:31,400

Congress sweaters or t-shirts and

130

00:05:34,900 --> 00:05:33,320

sometimes we do get people coming up and

131

00:05:36,640 --> 00:05:34,910

asking yeah hey you know I had a

132

00:05:38,590 --> 00:05:36,650

sighting is you know what's this all

133

00:05:40,930 --> 00:05:38,600

about are sharing their sighting but the

134

00:05:42,280 --> 00:05:40,940

same formations you just said he he

135

00:05:44,290 --> 00:05:42,290

didn't he couldn't think of where to

136

00:05:46,480 --> 00:05:44,300

report it never reported it yeah yeah

137

00:05:48,670 --> 00:05:46,490

yeah I understand that because that's I

138

00:05:51,400 --> 00:05:48,680

had my sighting I never thought about

139

00:05:53,200 --> 00:05:51,410

anything online first of all I don't

140

00:05:56,740 --> 00:05:53,210

know why but I just it didn't occur to

141

00:05:58,660 --> 00:05:56,750

me and 2006 you know oh yeah exactly

142

00:06:00,970 --> 00:05:58,670

that's what happens with people so

143

00:06:02,860 --> 00:06:00,980

that's what it has to be now luckily you

144

00:06:05,020 --> 00:06:02,870

know I was gonna say getting into UFO

145

00:06:07,900 --> 00:06:05,030

news really Blue Book Project Blue Book

146

00:06:09,940 --> 00:06:07,910

is the big UFO news right now there's

147

00:06:11,830 --> 00:06:09,950

not a lot and there hasn't been in the

148

00:06:14,830 --> 00:06:11,840

last few weeks it doesn't seem like a

149

00:06:16,780 --> 00:06:14,840

lot of UFO news so but there happened a

150

00:06:19,450 --> 00:06:16,790

lot of new stories and they're all tied

151
00:06:21,310 --> 00:06:19,460
to Project Blue Book so which is really

152
00:06:23,080 --> 00:06:21,320
exciting because it looks like you know

153
00:06:24,910 --> 00:06:23,090
if I look at the some of these places

154
00:06:29,850 --> 00:06:24,920
that are writing and it's places like

155
00:06:32,230 --> 00:06:29,860
live science a geek wire bustle

156
00:06:34,180 --> 00:06:32,240
Hollywood Reporter so these are all

157
00:06:36,760 --> 00:06:34,190
bigger they're all writing stories

158
00:06:39,790 --> 00:06:36,770
here's the Yakama Herald I saw some

159
00:06:40,850 --> 00:06:39,800
identity k-- yes and I was going to

160
00:06:43,760 --> 00:06:40,860
mention that as

161
00:06:46,730 --> 00:06:43,770
well Chicago sun-times so there are a

162
00:06:48,800 --> 00:06:46,740
lot of me of media writing UFO stories

163
00:06:51,290 --> 00:06:48,810

because of the project Bluebook show

164

00:06:53,029 --> 00:06:51,300

coming out which is probably due to you

165

00:06:56,209 --> 00:06:53,039

know the great outreach that they did

166

00:06:57,469 --> 00:06:56,219

they reached out to you and I and you're

167

00:06:59,959 --> 00:06:57,479

right I got to write a couple articles

168

00:07:02,330 --> 00:06:59,969

identity k-- and I definitely wouldn't

169

00:07:04,219 --> 00:07:02,340

recommend them and here's here's a the

170

00:07:08,290 --> 00:07:04,229

angle I took first of them one of them's

171

00:07:12,260 --> 00:07:08,300

a preview because you and I got to see

172

00:07:13,490 --> 00:07:12,270

and so it's around this idea you know

173

00:07:16,010 --> 00:07:13,500

some people have been complaining that

174

00:07:18,050 --> 00:07:16,020

it's not exactly accurate so I kind of

175

00:07:20,269 --> 00:07:18,060

tackle that which is it's true but I

176

00:07:21,909 --> 00:07:20,279

tackle some of the points and how it's

177

00:07:25,189 --> 00:07:21,919

not accurate but how some things

178

00:07:27,379 --> 00:07:25,199

although maybe not fact by fact accurate

179

00:07:31,240 --> 00:07:27,389

or accurate in the sense that they're

180

00:07:33,860 --> 00:07:31,250

kind of portraying that an accurate

181

00:07:35,779 --> 00:07:33,870

setting you know the atmosphere and how

182

00:07:37,519 --> 00:07:35,789

people like the air force there was no

183

00:07:40,640 --> 00:07:37,529

captain Quinn like in the mood in the

184

00:07:42,800 --> 00:07:40,650

show but captain Quinn does very well at

185

00:07:45,439 --> 00:07:42,810

representing kind of this negativity and

186

00:07:47,540 --> 00:07:45,449

this kind of mystery and and is he

187

00:07:49,010 --> 00:07:47,550

trying to debunk everything because he

188

00:07:51,680 --> 00:07:49,020

thinks there's nothing to it or is there

189

00:07:54,379 --> 00:07:51,690

something more behind this and you know

190

00:07:58,189 --> 00:07:54,389

you get that sense and then Aidan Gillen

191

00:08:01,399 --> 00:07:58,199

who you know he in the show he comes in

192

00:08:05,360 --> 00:08:01,409

in 1952 whereas in reality he joined the

193

00:08:08,300 --> 00:08:05,370

Air Force doing this in 1948 but the

194

00:08:10,909 --> 00:08:08,310

character that that Aidan Gillen is

195

00:08:13,640 --> 00:08:10,919

portraying is kind of you know more

196

00:08:16,100 --> 00:08:13,650

open-minded than Hynek actually was in

197

00:08:19,219 --> 00:08:16,110

the beginning of his investigations and

198

00:08:21,730 --> 00:08:19,229

UFOs with the Air Force and so you get

199

00:08:24,679 --> 00:08:21,740

this real sense of this pure kind of

200

00:08:27,439 --> 00:08:24,689

open-minded curiosity is what I called

201

00:08:31,040 --> 00:08:27,449

it in my preview and and I think that

202

00:08:32,600 --> 00:08:31,050

it's very endearing and at least for me

203

00:08:34,579 --> 00:08:32,610

and I think you said the same you know

204

00:08:35,659 --> 00:08:34,589

you're really attracted to you really

205

00:08:38,000 --> 00:08:35,669

like this guy

206

00:08:40,969 --> 00:08:38,010

as the hero going through and trying to

207

00:08:44,449 --> 00:08:40,979

figure this stuff out yes yeah I think I

208

00:08:46,850 --> 00:08:44,459

think I like his portrayal of the

209

00:08:51,880 --> 00:08:46,860

character a lot better than Milwaukee's

210

00:08:53,930 --> 00:08:51,890

portrayal of the captain his I like

211

00:08:54,440 --> 00:08:53,940

monarchy's portrayal but I wouldn't here

212

00:08:57,410 --> 00:08:54,450

why

213

00:08:59,150 --> 00:08:57,420

you don't like it I think it's now this

214

00:09:01,790 --> 00:08:59,160

is my only criticism of the show and

215

00:09:03,440 --> 00:09:01,800

it's and it was brought up to me by

216

00:09:05,120 --> 00:09:03,450

someone else and then I started thinking

217

00:09:07,640 --> 00:09:05,130

about and I watched the six first six

218

00:09:09,680 --> 00:09:07,650

episodes the screeners that I was able I

219

00:09:11,870 --> 00:09:09,690

mentioned in the last show that was very

220

00:09:14,870 --> 00:09:11,880

fortunate to be able to watch that it's

221

00:09:17,780 --> 00:09:14,880

a little it's a little clunky it doesn't

222

00:09:21,110 --> 00:09:17,790

it's not it to me it doesn't seem like

223

00:09:21,980 --> 00:09:21,120

really natural you know maybe maybe I'm

224

00:09:24,140 --> 00:09:21,990

not

225

00:09:27,920 --> 00:09:24,150

malarkey doesn't seem mad it doesn't

226

00:09:29,630 --> 00:09:27,930

seem like on the way he's just fluffing

227

00:09:32,060 --> 00:09:29,640

it off like it's nothing and the

228

00:09:34,070 --> 00:09:32,070

interaction between him and Hynek I

229

00:09:36,740 --> 00:09:34,080

didn't think was like a real connection

230

00:09:38,870 --> 00:09:36,750

but by the sixth episode I think it's a

231

00:09:41,180 --> 00:09:38,880

little more natural but I noticed that

232

00:09:43,100 --> 00:09:41,190

in the first the first few see and

233

00:09:44,630 --> 00:09:43,110

that's what I think it's accurate about

234

00:09:47,300 --> 00:09:44,640

it they're meeting for the first time

235

00:09:50,780 --> 00:09:47,310

they're getting to know each other

236

00:09:52,400 --> 00:09:50,790

malarkey or or captain Quinn is tasked

237

00:09:54,770 --> 00:09:52,410

with kind of debunking everything and

238

00:09:56,690 --> 00:09:54,780

making sure that this scientist you know

239

00:09:59,090 --> 00:09:56,700

comes up with mundane conclusions but

240

00:10:01,970 --> 00:09:59,100

he's not so he's got to rein in this

241

00:10:03,740 --> 00:10:01,980

scientist at the same time his superiors

242

00:10:06,410 --> 00:10:03,750

are telling him you know hey you gotta

243

00:10:08,900 --> 00:10:06,420

shut this you know any idea that there's

244

00:10:11,450 --> 00:10:08,910

any mystery here down and so he's kind

245

00:10:12,980 --> 00:10:11,460

of in the middle and I thought that that

246

00:10:16,490 --> 00:10:12,990

that was interesting and I know that's

247

00:10:18,640 --> 00:10:16,500

gonna evolve over time but malarkey and

248

00:10:21,740 --> 00:10:18,650

it's kind of funny another comment

249

00:10:25,280 --> 00:10:21,750

someone did on the open minds UFO group

250

00:10:27,470 --> 00:10:25,290

on Facebook was that he didn't act cocky

251
00:10:29,690 --> 00:10:27,480
enough and he acts very cocky I thought

252
00:10:31,250 --> 00:10:29,700
I thought he was very cocky yeah but

253
00:10:33,860 --> 00:10:31,260
this guy was saying that you know Air

254
00:10:35,720 --> 00:10:33,870
Force pilots are extremely cocky so you

255
00:10:38,440 --> 00:10:35,730
know that was a good point because the

256
00:10:41,420 --> 00:10:38,450
other pilots that I've known yeah yeah

257
00:10:43,580 --> 00:10:41,430
but my other article on den of geek is

258
00:10:46,070 --> 00:10:43,590
an interview with malarkey and what was

259
00:10:48,950 --> 00:10:46,080
really interesting was talking to him

260
00:10:52,040 --> 00:10:48,960
about you know his thoughts on blue book

261
00:10:54,830 --> 00:10:52,050
and kind of how his research into his

262
00:10:57,170 --> 00:10:54,840
character and into Project Blue Book in

263
00:10:59,090 --> 00:10:57,180

particular which is great him and the

264

00:11:02,780 --> 00:10:59,100

show writer that David O'Leary who we

265

00:11:04,910 --> 00:11:02,790

got to talk to have read rappels book

266

00:11:08,280 --> 00:11:04,920

and Captain rappel he was a guy who ran

267

00:11:10,079 --> 00:11:08,290

Blue Book for a period of time and it

268

00:11:12,479 --> 00:11:10,089

it's the most important book probably in

269

00:11:14,939 --> 00:11:12,489

ufology estimate of the situation and

270

00:11:19,289 --> 00:11:14,949

they both read that book and it was

271

00:11:22,139 --> 00:11:19,299

really eye-opening for malarkey that to

272

00:11:24,239 --> 00:11:22,149

him you know it's proves that there is

273

00:11:26,869 --> 00:11:24,249

definitely something to the phenomena

274

00:11:30,059 --> 00:11:26,879

that there was a cover-up and that

275

00:11:32,099 --> 00:11:30,069

although he kind of feels for the Air

276

00:11:34,949 --> 00:11:32,109

Force probably partially because he's

277

00:11:36,509 --> 00:11:34,959

playing this role in that you know how

278

00:11:39,479 --> 00:11:36,519

are they supposed to handle this it's a

279

00:11:41,129 --> 00:11:39,489

difficult thing to handle so that's the

280

00:11:43,439 --> 00:11:41,139

other interview that I have out there

281

00:11:46,109 --> 00:11:43,449

but a lot of people writing about UFOs

282

00:11:48,269 --> 00:11:46,119

kind of in their area but a lot of news

283

00:11:50,729 --> 00:11:48,279

about how you know there's real UFO

284

00:11:53,879 --> 00:11:50,739

research that used to go on so that's

285

00:11:58,229 --> 00:11:53,889

the beauty of this this program even

286

00:12:01,199 --> 00:11:58,239

regardless of you know the drama or how

287

00:12:04,169 --> 00:12:01,209

we feel about kind of how the characters

288

00:12:05,939 --> 00:12:04,179

interact or or other things is that it's

289

00:12:07,859 --> 00:12:05,949

bringing awareness in fact I wrote in my

290

00:12:11,729 --> 00:12:07,869

article even if it's strayed from the

291

00:12:12,989 --> 00:12:11,739

truth dramatically it would still it's

292

00:12:15,720 --> 00:12:12,999

still entertaining I think it would

293

00:12:19,049 --> 00:12:15,730

still bring awareness to the situation

294

00:12:21,329 --> 00:12:19,059

but to you know Project Blue Book but I

295

00:12:23,970 --> 00:12:21,339

think it's gonna not be as bad as

296

00:12:25,559 --> 00:12:23,980

something people are fearful of right as

297

00:12:28,710 --> 00:12:25,569

far as string from the truth

298

00:12:31,049 --> 00:12:28,720

hey in a conversation I had with a you

299

00:12:34,049 --> 00:12:31,059

followed just a while ago I was talking

300

00:12:36,449 --> 00:12:34,059

about I would rupaul and he said that at

301
00:12:40,379 --> 00:12:36,459
the end he decided there wasn't anything

302
00:12:43,249 --> 00:12:40,389
to the UFO phenomena did you well what

303
00:12:47,429 --> 00:12:43,259
had happened is that he wrote his book

304
00:12:49,409 --> 00:12:47,439
and in the end he was kind of on the

305
00:12:51,749 --> 00:12:49,419
fence he was saying you know could there

306
00:12:53,519 --> 00:12:51,759
possibly be something to this and when

307
00:12:55,710 --> 00:12:53,529
you read about some of the cases like

308
00:12:59,009 --> 00:12:55,720
Washington DC or some of the other cases

309
00:13:01,529 --> 00:12:59,019
that he really goes over in detail you

310
00:13:03,989 --> 00:13:01,539
you know there's no answer and he's

311
00:13:06,299 --> 00:13:03,999
saying that you know we debunked all of

312
00:13:10,139 --> 00:13:06,309
the the potential answer so for instance

313
00:13:12,719 --> 00:13:10,149

in 1952 Washington DC the general

314

00:13:14,969 --> 00:13:12,729

Sanford he came out and said this was

315

00:13:17,879 --> 00:13:14,979

weather inversion that's why they saw

316

00:13:19,379 --> 00:13:17,889

this this these things on radar but they

317

00:13:21,269 --> 00:13:19,389

had already debunked that they had

318

00:13:22,170 --> 00:13:21,279

already determined no that was not the

319

00:13:24,180 --> 00:13:22,180

case so

320

00:13:26,310 --> 00:13:24,190

in the book he's really arguing that

321

00:13:28,920 --> 00:13:26,320

there are many cases that were unsolved

322

00:13:30,930 --> 00:13:28,930

and mysterious and so that was kind of

323

00:13:32,760 --> 00:13:30,940

the conclusion well he came out with

324

00:13:36,930 --> 00:13:32,770

another volume soon after the book came

325

00:13:40,199 --> 00:13:36,940

out and this one was had this weird kind

326

00:13:42,540 --> 00:13:40,209

of conclusion where he's saying however

327

00:13:44,340 --> 00:13:42,550

I think that all of this stuff can be

328

00:13:46,440 --> 00:13:44,350

explained even the ones we haven't been

329

00:13:48,480 --> 00:13:46,450

able to figure out so there's probably

330

00:13:51,960 --> 00:13:48,490

nothing too mysterious to the whole UFO

331

00:13:57,990 --> 00:13:51,970

phenomena so he was much stronger on the

332

00:14:02,100 --> 00:13:58,000

skeptical side in that second look or a

333

00:14:05,040 --> 00:14:02,110

second update the question is why did he

334

00:14:06,630 --> 00:14:05,050

do that what does he really feel we

335

00:14:08,519 --> 00:14:06,640

don't know because unfortunately he

336

00:14:11,040 --> 00:14:08,529

passed away at a young age right

337

00:14:13,949 --> 00:14:11,050

not too long after writing that second

338

00:14:17,040 --> 00:14:13,959

edition and just changing that and a bit

339

00:14:19,620 --> 00:14:17,050

so we don't know how he really truly

340

00:14:21,780 --> 00:14:19,630

felt or why he you know kind of changed

341

00:14:24,000 --> 00:14:21,790

things up there it seems that there was

342

00:14:26,010 --> 00:14:24,010

certainly at least anecdotally a

343

00:14:28,140 --> 00:14:26,020

reaction that the Air Force wasn't happy

344

00:14:31,199 --> 00:14:28,150

that he had written this book and that

345

00:14:33,150 --> 00:14:31,209

they had maybe influenced him maybe just

346

00:14:35,400 --> 00:14:33,160

peer to peer saying hey man you're

347

00:14:37,170 --> 00:14:35,410

making us look good can you kind of fix

348

00:14:39,180 --> 00:14:37,180

that up a little bit and he said okay

349

00:14:41,910 --> 00:14:39,190

and did it you know for his buddies or

350

00:14:44,100 --> 00:14:41,920

something but yeah well ya know hmm

351
00:14:45,420 --> 00:14:44,110
yeah we'll never know yeah anything else

352
00:14:48,780 --> 00:14:45,430
going on or is that about it

353
00:14:53,160 --> 00:14:48,790
no the only other thing I wanted to talk

354
00:14:55,380 --> 00:14:53,170
about is this Roswell program real quick

355
00:14:58,140 --> 00:14:55,390
if you don't mind are you talking about

356
00:15:03,480 --> 00:14:58,150
the one ryan's break and u-boat you were

357
00:15:05,699 --> 00:15:03,490
involved in as well right yeah yes yeah

358
00:15:08,460 --> 00:15:05,709
I think I helped produce this thing so I

359
00:15:11,220 --> 00:15:08,470
I helped them put it together and figure

360
00:15:12,840 --> 00:15:11,230
out some ideas how to do something for

361
00:15:15,960 --> 00:15:12,850
Roswell of course Roswell is an old

362
00:15:19,590 --> 00:15:15,970
story but yeah so I work with them the

363
00:15:21,420 --> 00:15:19,600

whole time and actually I suggested Ryan

364

00:15:23,400 --> 00:15:21,430

spray because I love Ryan spray I

365

00:15:25,440 --> 00:15:23,410

suggested a whole list of people but

366

00:15:28,860 --> 00:15:25,450

luckily they did choose someone and they

367

00:15:30,750 --> 00:15:28,870

chose Ryan who of course it's great so

368

00:15:31,980 --> 00:15:30,760

yeah so this is really fun it was just

369

00:15:33,990 --> 00:15:31,990

gonna be a piece that was gonna go

370

00:15:35,970 --> 00:15:34,000

online but they liked it so much that

371

00:15:40,170 --> 00:15:35,980

they are gonna show it January

372

00:15:42,570 --> 00:15:40,180

and that's Thursday so look at your

373

00:15:45,660 --> 00:15:42,580

local listings it'll be on CW it's

374

00:15:48,930 --> 00:15:45,670

called Roswell mysteries decoded right

375

00:15:50,610 --> 00:15:48,940

so I haven't even seen a final cut of it

376

00:15:53,580 --> 00:15:50,620

so I'm gonna see it along with the rest

377

00:15:57,030 --> 00:15:53,590

of you on on Thursday but it'll be

378

00:15:59,130 --> 00:15:57,040

online once it it airs and then I'll

379

00:16:01,500 --> 00:15:59,140

definitely be sharing that in social

380

00:16:03,840 --> 00:16:01,510

media and that open mindset TV and this

381

00:16:07,080 --> 00:16:03,850

is a perhaps a pilot for something that

382

00:16:08,880 --> 00:16:07,090

may or may not be so it's a it's a UFO

383

00:16:10,350 --> 00:16:08,890

investigation and I've been working with

384

00:16:12,540 --> 00:16:10,360

this production company for a while

385

00:16:15,930 --> 00:16:12,550

they're into UFOs and they want to do

386

00:16:19,620 --> 00:16:15,940

some some serious UFO investigation type

387

00:16:21,990 --> 00:16:19,630

television programs and so we've been

388

00:16:23,640 --> 00:16:22,000

shopping some stuff around and CW did

389

00:16:25,100 --> 00:16:23,650

ask them hey we would like something on

390

00:16:27,600 --> 00:16:25,110

Roswell because they've got this new

391

00:16:29,880 --> 00:16:27,610

Roswell New Mexico television show

392

00:16:33,390 --> 00:16:29,890

coming up which is a reboot of kind of

393

00:16:37,470 --> 00:16:33,400

that highschool romance drama Roswell

394

00:16:40,230 --> 00:16:37,480

television show and so yeah so they

395

00:16:43,290 --> 00:16:40,240

wanted to update to their to Roswell

396

00:16:45,810 --> 00:16:43,300

mystery essentially and that's what we

397

00:16:47,580 --> 00:16:45,820

put together like I said it was going to

398

00:16:49,850 --> 00:16:47,590

just be online but luckily they are

399

00:16:52,290 --> 00:16:49,860

going to be doing it on the air

400

00:16:53,220 --> 00:16:52,300

excellent all right I'll hunt oh hey

401
00:16:56,580 --> 00:16:53,230
well thanks so much

402
00:16:59,430 --> 00:16:56,590
and yes linked on you next week right

403
00:17:01,530 --> 00:16:59,440
yes we'll talk next week and I want to

404
00:17:05,550 --> 00:17:01,540
plug at least your appearance on my show

405
00:17:07,140 --> 00:17:05,560
we did review absolutely and that was

406
00:17:09,300 --> 00:17:07,150
posted today and that was a lot of fun

407
00:17:13,170 --> 00:17:09,310
as usual yes I did mention that last

408
00:17:16,230 --> 00:17:13,180
week so check out open minds TV and it's

409
00:17:18,990 --> 00:17:16,240
myself and the greatly Spiegel and the

410
00:17:22,530 --> 00:17:19,000
great Alejandro Rojas talking about what

411
00:17:24,840 --> 00:17:22,540
happened in 2018 and I mispronounced a

412
00:17:27,810 --> 00:17:24,850
few words and got some just a couple

413
00:17:30,300 --> 00:17:27,820

yeah all right you have a good one

414

00:17:33,210 --> 00:17:30,310

all right you too all right talk to you

415

00:17:36,780 --> 00:17:33,220

422

00:17:56,920 --> 00:17:53,660

newspaper columns articles and photos

425

00:18:03,850 --> 00:18:01,160

and he's had a lifelong interest in the

426

00:18:05,680 --> 00:18:03,860

UFO phenomena he actually had some

427

00:18:08,320 --> 00:18:05,690

things happen when he was young

428

00:18:11,940 --> 00:18:08,330

he's a UFO researcher and historian and

429

00:18:15,550 --> 00:18:11,950

he's published two books on the subject

430

00:18:17,290 --> 00:18:15,560

appellation case study UFO sightings

00:18:24,910 --> 00:18:20,330

phenomena volumes 1 & 2 and they're

433

00:18:28,750 --> 00:18:24,920

available on Amazon and so that is who

434

00:18:32,290 --> 00:18:28,760

we have on tonight and welcome to the

435

00:18:36,370 --> 00:18:32,300

show Kyle well glad to be on thanks for

436

00:18:38,050 --> 00:18:36,380

having me yes and I had a guest lined up

437

00:18:40,450 --> 00:18:38,060

for this weekend you were gracious

438

00:18:42,490 --> 00:18:40,460

enough and then he had to reschedule

439

00:18:44,290 --> 00:18:42,500

so you're gracious enough to agree to

440

00:18:45,270 --> 00:18:44,300

beyond and I really do appreciate that a

441

00:18:47,740 --> 00:18:45,280

lot

442

00:18:51,220 --> 00:18:47,750

well I'm glad I could be on your show

443

00:18:54,460 --> 00:18:51,230

had been on a talk show in a while so

444

00:18:57,370 --> 00:18:54,470

I'm glad to get back into the flow of

445

00:18:59,350 --> 00:18:57,380

things and talk about some UFOs I was

446

00:19:01,030 --> 00:18:59,360

listening to you earlier like you said I

447

00:19:03,190 --> 00:19:01,040

think the reports have been down a

448

00:19:07,510 --> 00:19:03,200

little the last few months but I looked

449

00:19:09,550 --> 00:19:07,520

for an uptake in 2019 yeah I think that

450

00:19:13,720 --> 00:19:09,560

very well could be it'll be interesting

451
00:19:17,070 --> 00:19:13,730
to see what happens and so you are in

452
00:19:21,190 --> 00:19:17,080
what can you just kind of explain what

453
00:19:25,770 --> 00:19:21,200
the newspaper is where that the coverage

454
00:19:28,420 --> 00:19:25,780
is of that in particular yeah I'm in

455
00:19:30,370 --> 00:19:28,430
southwestern West Virginia we're like 80

456
00:19:33,370 --> 00:19:30,380
miles south of our state capitol of

457
00:19:35,740 --> 00:19:33,380
Charleston and 80 miles south of

458
00:19:38,740 --> 00:19:35,750
Huntington we're probably heard of

459
00:19:41,380 --> 00:19:38,750
Marshall University we're located in

460
00:19:45,280 --> 00:19:41,390
Mingo County we border Pike County

461
00:19:46,570 --> 00:19:45,290
Kentucky yeah if I'm at my office that

462
00:19:47,770 --> 00:19:46,580
can go out and look and I can see

463
00:19:49,810 --> 00:19:47,780

Kentucky even though I'm from West

464

00:19:52,260 --> 00:19:49,820

Virginia were that close so I've always

465

00:19:54,640 --> 00:19:52,270

grew up right here on the border of

466

00:19:57,400 --> 00:19:54,650

southern West Virginia Eastern Kentucky

467

00:20:00,070 --> 00:19:57,410

right in the heart of Appalachia the

468

00:20:01,690 --> 00:20:00,080

coal fields it's nicknamed the heart of

469

00:20:03,730 --> 00:20:01,700

the big and dollar coal field because of

470

00:20:06,490 --> 00:20:03,740

the coal mining industry

471

00:20:09,970 --> 00:20:06,500

you know we're in the same area where

472

00:20:12,730 --> 00:20:09,980

the famous Hatfield McCoy feud was

473

00:20:15,730 --> 00:20:12,740

fought like 15 minutes away from that

474

00:20:17,440 --> 00:20:15,740

you know a lot of history like that you

475

00:20:20,320 --> 00:20:17,450

know Daniel Boone came through here some

476

00:20:23,860 --> 00:20:20,330

of the early history so it's a pretty

477

00:20:25,390 --> 00:20:23,870

neat place small town Williamson it's

478

00:20:28,750 --> 00:20:25,400

got about a population of about three

479

00:20:32,470 --> 00:20:28,760

four thousand a sister newspaper Logan

480

00:20:35,910 --> 00:20:32,480

banner about the same mmm like I say

481

00:20:39,250 --> 00:20:35,920

railroad mining industry tourism fishing

482

00:20:42,760 --> 00:20:39,260

ATVs that kind of thing a beautiful

483

00:20:44,830 --> 00:20:42,770

country very sparsely populated out once

484

00:20:49,360 --> 00:20:44,840

you get out of the rule of this city

485

00:20:51,370 --> 00:20:49,370

arias if you want to call a city and you

486

00:20:55,840 --> 00:20:51,380

know it's a it's a great little town

487

00:20:58,210 --> 00:20:55,850

grew up here and there's definitely been

488

00:20:58,990 --> 00:20:58,220

some sightings in this region over the

489

00:21:02,980 --> 00:20:59,000

years too

490

00:21:04,270 --> 00:21:02,990

yes and uh you had mentioned to me and I

491

00:21:06,820 --> 00:21:04,280

actually read a little bit where you

492

00:21:09,760 --> 00:21:06,830

actually had some sightings do you want

493

00:21:11,470 --> 00:21:09,770

to talk about the sightings in how you

494

00:21:15,490 --> 00:21:11,480

know is that how you got interested in

495

00:21:18,550 --> 00:21:15,500

the topic yeah yeah that sort of spurned

496

00:21:20,500 --> 00:21:18,560

my interest uh first sighting I can

497

00:21:23,650 --> 00:21:20,510

really remember I was like eight or nine

498

00:21:25,740 --> 00:21:23,660

years old I was sitting on the front

499

00:21:28,120 --> 00:21:25,750

porch and the summer evening with my

500

00:21:31,540 --> 00:21:28,130

parents and my sister she's a little

501
00:21:35,080 --> 00:21:31,550
older than me and it wasn't quite dark

502
00:21:37,870 --> 00:21:35,090
it was late evening very hot humid

503
00:21:40,810 --> 00:21:37,880
summer evening and as I say we're right

504
00:21:43,750 --> 00:21:40,820
on the border and we just happened to

505
00:21:46,180 --> 00:21:43,760
notice looking at a mountain that was

506
00:21:50,310 --> 00:21:46,190
probably a couple hundred yards away

507
00:21:52,540 --> 00:21:50,320
from our home three glowing disc that

508
00:21:55,300 --> 00:21:52,550
came over that mountain and they just

509
00:21:56,980 --> 00:21:55,310
hovered there for it seemed like five

510
00:21:58,290 --> 00:21:56,990
minutes you know I mean we were a little

511
00:22:02,020 --> 00:21:58,300
scared

512
00:22:05,170 --> 00:22:02,030
also mesmerised you know we watched

513
00:22:07,750 --> 00:22:05,180

those and they were gone in just a split

514

00:22:11,320 --> 00:22:07,760

second you know of course at that time

515

00:22:13,110 --> 00:22:11,330

this was in the mid 60's we you know we

516

00:22:17,820 --> 00:22:13,120

didn't know who to report him to or

517

00:22:19,110 --> 00:22:17,830

who to talk to about it ironically a

518

00:22:21,030 --> 00:22:19,120

couple years ago I was doing some

519

00:22:23,460 --> 00:22:21,040

research and you mentioned Project Blue

520

00:22:25,800 --> 00:22:23,470

Book coming on tonight on History

521

00:22:29,190 --> 00:22:25,810

Channel there was a report that same

522

00:22:33,290 --> 00:22:29,200

evening to the original Project Blue

523

00:22:38,220 --> 00:22:33,300

Book that somebody saw something similar

524

00:22:41,400 --> 00:22:38,230

in Kentucky just a little ways probably

525

00:22:43,830 --> 00:22:41,410

an hour before we saw our sighting so it

526

00:22:45,930 --> 00:22:43,840

was sort of ironic ya know so that gave

527

00:22:46,950 --> 00:22:45,940

me proof that it happened because I've

528

00:22:48,540 --> 00:22:46,960

talked to my sister and she doesn't

529

00:22:51,650 --> 00:22:48,550

really remember it my parents have

530

00:22:54,720 --> 00:22:51,660

passed away now but I know it happened

531

00:22:56,460 --> 00:22:54,730

and you know it was like I say young but

532

00:22:58,260 --> 00:22:56,470

as I got a little older I still was

533

00:23:01,340 --> 00:22:58,270

started I was interested in the subject

534

00:23:03,420 --> 00:23:01,350

any time I would see something on TV or

535

00:23:06,600 --> 00:23:03,430

read in the newspaper I would always

536

00:23:11,760 --> 00:23:06,610

want to you know look into it

537

00:23:15,060 --> 00:23:11,770

you had the 1973 flap or wave of

538

00:23:17,100 --> 00:23:15,070

sightings on the eastern coast of the

539

00:23:20,370 --> 00:23:17,110

United States I was in high school at

540

00:23:21,660 --> 00:23:20,380

that time and you know I was really

541

00:23:24,240 --> 00:23:21,670

interested in it because you didn't hear

542

00:23:26,310 --> 00:23:24,250

much in mainstream media during that

543

00:23:27,780 --> 00:23:26,320

time about UFOs but you were hearing

544

00:23:30,060 --> 00:23:27,790

about this because there were so many

545

00:23:32,760 --> 00:23:30,070

sightings I mean police officers were

546

00:23:34,980 --> 00:23:32,770

chasing UFOs and yes people were seeing

547

00:23:36,270 --> 00:23:34,990

them all over you know if you've done

548

00:23:38,520 --> 00:23:36,280

your research you've probably heard

549

00:23:41,220 --> 00:23:38,530

about it so every evening I was going

550

00:23:42,960 --> 00:23:41,230

out looking hoping to see something and

551

00:23:45,840 --> 00:23:42,970

I just happened to be in the backyard

552

00:23:48,560 --> 00:23:45,850

with my neighbor a friend of mine and we

553

00:23:51,840 --> 00:23:48,570

looked up and sure enough we saw UFO

554

00:23:54,420 --> 00:23:51,850

probably a couple hundred yards up above

555

00:23:57,440 --> 00:23:54,430

his backyard over the mountain treetop

556

00:24:01,440 --> 00:23:57,450

level multicolored lights roundish shape

557

00:24:04,140 --> 00:24:01,450

UFO again we're mesmerised we call for

558

00:24:06,420 --> 00:24:04,150

his mother she came out she saw it and

559

00:24:08,160 --> 00:24:06,430

I'm sure other people saw it too so you

560

00:24:13,140 --> 00:24:08,170

know that was the last sighting I had

561

00:24:17,820 --> 00:24:13,150

until 2012 ironically I had published my

562

00:24:20,880 --> 00:24:17,830

first books and one day I was I went out

563

00:24:22,700 --> 00:24:20,890

to lunch from work at the newspaper

564

00:24:24,750 --> 00:24:22,710

where I work we've said daily news I

565

00:24:26,160 --> 00:24:24,760

usually don't take that long but that

566

00:24:26,970 --> 00:24:26,170

day I took a little longer because my

567

00:24:29,190 --> 00:24:26,980

wife had an employer

568

00:24:30,870 --> 00:24:29,200

and I took her to that and I come back

569

00:24:32,130 --> 00:24:30,880

in the office and they're like my

570

00:24:34,110 --> 00:24:32,140

co-workers like were you being innocent

571

00:24:35,580 --> 00:24:34,120

want to take a long lunch they said well

572

00:24:37,919 --> 00:24:35,590

the fun's been ringing off the hooks

573

00:24:40,110 --> 00:24:37,929

people were calling saying there's a UFO

574

00:24:41,520 --> 00:24:40,120

over this area I thought they were

575

00:24:43,890 --> 00:24:41,530

joking because you know I get a little

576

00:24:45,900 --> 00:24:43,900

ribbing from time to time on that they

577

00:24:47,520 --> 00:24:45,910

said no really it's you know we've

578

00:24:50,430 --> 00:24:47,530

gotten calls and they're asking for you

579

00:24:52,860 --> 00:24:50,440

so I sit at my desk for a while okay

580

00:24:55,860 --> 00:24:52,870

sure enough the phone rings it's another

581

00:24:57,600 --> 00:24:55,870

lady that calls from the west end of our

582

00:24:59,190 --> 00:24:57,610

town here in Williamson she says I know

583

00:25:00,840 --> 00:24:59,200

you're interested in this subject you

584

00:25:02,789 --> 00:25:00,850

know you've written the books I'm

585

00:25:06,360 --> 00:25:02,799

looking at a UFO right now and I was

586

00:25:09,150 --> 00:25:06,370

like you gotta be kidding so I said what

587

00:25:12,360 --> 00:25:09,160

you know where what part of the sky she

588

00:25:14,789 --> 00:25:12,370

told me so I go out and run across the

589

00:25:17,159 --> 00:25:14,799

street from us is a automotive tire

590

00:25:20,580 --> 00:25:17,169

repair shop all these guys are standing

591

00:25:22,650 --> 00:25:20,590

there they're looking at the same UFO I

592

00:25:24,780 --> 00:25:22,660

go across the street sure enough I look

593

00:25:27,419 --> 00:25:24,790

we see the UFO which I sent you a

594

00:25:29,640 --> 00:25:27,429

picture of that earlier oh yes and out

595

00:25:33,270 --> 00:25:29,650

you know yeah you can put that up it

596

00:25:34,860 --> 00:25:33,280

turns out that there was probably

597

00:25:38,669 --> 00:25:34,870

hundreds of people that ended up seeing

598

00:25:41,400 --> 00:25:38,679

this UFO from the pie hole and Burgi

599

00:25:43,680 --> 00:25:41,410

Kentucky area of Pike County over here

600

00:25:45,900 --> 00:25:43,690

to the Williamson area probably in about

601
00:25:48,360 --> 00:25:45,910
a 50-mile 60 mile radius

602
00:25:50,310 --> 00:25:48,370
hundreds of people my phone blew up that

603
00:25:53,520 --> 00:25:50,320
day and the next day everybody who saw

604
00:25:55,890 --> 00:25:53,530
this UFO so you know that was my latest

605
00:25:58,470 --> 00:25:55,900
sighting and that just was just amazing

606
00:26:00,720 --> 00:25:58,480
just to see that and the fact that there

607
00:26:03,539 --> 00:26:00,730
were so many other eyewitnesses to that

608
00:26:04,980 --> 00:26:03,549
case and so that's a little bit of my

609
00:26:09,419 --> 00:26:04,990
background as far as my personal

610
00:26:11,940 --> 00:26:09,429
sightings but where I did have the as

611
00:26:14,210 --> 00:26:11,950
you say the journalism background I was

612
00:26:16,650 --> 00:26:14,220
working with another journalist who

613
00:26:18,960 --> 00:26:16,660

started a small publishing company a few

614

00:26:21,360 --> 00:26:18,970

years ago and he had done book about

615

00:26:23,510 --> 00:26:21,370

ghost sightings so one day we're having

616

00:26:26,490 --> 00:26:23,520

lunch and I said what do you think about

617

00:26:27,720 --> 00:26:26,500

doing a book about UFOs he's like what

618

00:26:29,430 --> 00:26:27,730

do you mean I said well you know I've

619

00:26:30,990 --> 00:26:29,440

been interested in that I've got a few

620

00:26:33,270 --> 00:26:31,000

stories you know I'd written for a

621

00:26:35,760 --> 00:26:33,280

magazine a few years ago and I'd save

622

00:26:37,350 --> 00:26:35,770

those and he said well let me think

623

00:26:39,330 --> 00:26:37,360

about it he did a research and he said

624

00:26:40,470 --> 00:26:39,340

well they say these books do pretty well

625

00:26:42,300 --> 00:26:40,480

let's tried

626

00:26:44,580 --> 00:26:42,310

so he published my first book it did

627

00:26:47,790 --> 00:26:44,590

really well I said well hey I've got

628

00:26:49,560 --> 00:26:47,800

enough to do another one so we did vol 2

629

00:26:52,560 --> 00:26:49,570

as you mentioned Appalachian case-study

630

00:26:54,330 --> 00:26:52,570

UFO sightings alien encounters and

631

00:26:56,430 --> 00:26:54,340

unexplained phenomena published by

632

00:26:57,480 --> 00:26:56,440

Woodland press little small publishing

633

00:27:02,160 --> 00:26:57,490

company here in southern West Virginia

634

00:27:03,120 --> 00:27:02,170

and so you know then my name started

635

00:27:04,670 --> 00:27:03,130

getting out there I started getting

636

00:27:09,090 --> 00:27:04,680

people contact me with other stories

637

00:27:11,220 --> 00:27:09,100

yeah yeah yeah yeah I go do book

638

00:27:14,430 --> 00:27:11,230

signings people would come up hey you

639

00:27:16,260 --> 00:27:14,440

know I had a sighting or yeah you know

640

00:27:18,330 --> 00:27:16,270

my friend had a sighting and it's

641

00:27:19,890 --> 00:27:18,340

amazing how many people come up and like

642

00:27:21,780 --> 00:27:19,900

you said earlier they just don't know

643

00:27:24,060 --> 00:27:21,790

where to report these yeah or who to

644

00:27:27,330 --> 00:27:24,070

call or who to talk to so right now you

645

00:27:29,010 --> 00:27:27,340

mentioned it to them about MUFON I've

646

00:27:31,590 --> 00:27:29,020

got a Facebook page with a friend of

647

00:27:32,880 --> 00:27:31,600

mine that people can report UFO

648

00:27:34,110 --> 00:27:32,890

sightings and their Nicollet which we

649

00:27:35,460 --> 00:27:34,120

can talk about that a little later

650

00:27:37,170 --> 00:27:35,470

yeah I'll shut up and let you have some

651
00:27:40,140 --> 00:27:37,180
more questions well actually we're ready

652
00:27:42,570 --> 00:27:40,150
to go to a break so okay great yeah I'm

653
00:27:45,420 --> 00:27:42,580
on with Kyle Luverne and this is Martin

654
00:27:48,780 --> 00:27:45,430
Willis and podcast UFO and we're live

655
00:27:51,840 --> 00:27:48,790
over at YouTube and kgr a radio and

656
00:28:02,190 --> 00:27:51,850
we'll be right back right after these

657
00:28:08,970 --> 00:28:04,110
you're clear all right how many minutes

658
00:28:11,280 --> 00:28:08,980
we have you have two minutes three

659
00:28:16,530 --> 00:28:11,290
minutes sorry three got it okay all

660
00:28:18,540 --> 00:28:16,540
right um so Kyle when you first let's

661
00:28:21,210 --> 00:28:18,550
let's talk we have these three minutes

662
00:28:23,520 --> 00:28:21,220
to talk about more or less another

663
00:28:27,590 --> 00:28:23,530

subject will go back into talking more

664

00:28:31,380 --> 00:28:27,600

but the the first sighting that you had

665

00:28:33,300 --> 00:28:31,390

you mentioned that these three the three

666

00:28:35,430 --> 00:28:33,310

lights I believe you said and you said

667

00:28:37,020 --> 00:28:35,440

it disappear do you mean when you said

668

00:28:39,720 --> 00:28:37,030

it disappear do you mean that it took

669

00:28:42,140 --> 00:28:39,730

off really fast or did you see them like

670

00:28:45,030 --> 00:28:42,150

go out or how can you explain how that

671

00:28:46,620 --> 00:28:45,040

yeah it just seemed like we you know

672

00:28:48,360 --> 00:28:46,630

that they just disappeared we don't

673

00:28:50,700 --> 00:28:48,370

we're not sure if they just you know

674

00:28:52,740 --> 00:28:50,710

took off fast or they just disappeared

675

00:28:54,810 --> 00:28:52,750

it was just like they were there one man

676
00:28:57,210 --> 00:28:54,820
and the next second they were gone so

677
00:28:59,760 --> 00:28:57,220
well it wasn't like we saw him speed off

678
00:29:02,430 --> 00:28:59,770
you know yeah yeah there's a lot of

679
00:29:04,770 --> 00:29:02,440
there's a lot of things sightings that I

680
00:29:06,600 --> 00:29:04,780
hear about that are either either do

681
00:29:08,850 --> 00:29:06,610
take off really quickly or all of a

682
00:29:11,340 --> 00:29:08,860
sudden just vanish and that includes not

683
00:29:13,890 --> 00:29:11,350
Apple or seeing an actual structured

684
00:29:17,430 --> 00:29:13,900
craft and they see it vanish which is

685
00:29:17,850 --> 00:29:17,440
really fascinating to me yeah in many

686
00:29:21,150 --> 00:29:17,860
ways

687
00:29:23,610 --> 00:29:21,160
let's see someone who wanted to know the

688
00:29:26,070 --> 00:29:23,620

in the chat room over there at YouTube

689

00:29:27,600 --> 00:29:26,080

they were wanted to know if that the

690

00:29:30,410 --> 00:29:27,610

sighting that you saw I'll bring up the

691

00:29:32,790 --> 00:29:30,420

picture again for the people on YouTube

692

00:29:34,260 --> 00:29:32,800

that they wanted to know if it was

693

00:29:37,740 --> 00:29:34,270

cigar-shaped would you would you

694

00:29:41,820 --> 00:29:37,750

consider that a cigar shape yeah

695

00:29:44,700 --> 00:29:41,830

probably in UFO lore maybe crc but it

696

00:29:46,440 --> 00:29:44,710

was almost like i described it as

697

00:29:47,550 --> 00:29:46,450

fluorescent lights a couple of

698

00:29:48,180 --> 00:29:47,560

fluorescent lights that's what I

699

00:29:49,860 --> 00:29:48,190

remember

700

00:29:51,660 --> 00:29:49,870

they were like almost like a light on

701
00:29:55,410 --> 00:29:51,670
each side and then and then clear

702
00:29:57,300 --> 00:29:55,420
exactly yeah and and they were in what

703
00:29:59,790 --> 00:29:57,310
was amazing about it is that they stayed

704
00:30:01,440 --> 00:29:59,800
there for a long time and then I also

705
00:30:02,730 --> 00:30:01,450
I've talked about this before what I

706
00:30:05,550 --> 00:30:02,740
noticed is all of a sudden I started

707
00:30:07,590 --> 00:30:05,560
seeing these chemtrails come by like

708
00:30:10,200 --> 00:30:07,600
jets were flying by I mean contrails

709
00:30:11,640 --> 00:30:10,210
where they melted yeah I said well I

710
00:30:13,710 --> 00:30:11,650
couldn't tell if they were military jets

711
00:30:15,529 --> 00:30:13,720
or not but it was obviously something

712
00:30:17,840 --> 00:30:15,539
flying close by

713
00:30:19,549 --> 00:30:17,850

and I went out to another area of the

714

00:30:20,899 --> 00:30:19,559

county that was higher elevation to try

715

00:30:23,389 --> 00:30:20,909

to get a better look at my time I did

716

00:30:26,930 --> 00:30:23,399

that it was gone but we can talk about

717

00:30:28,669 --> 00:30:26,940

that too now the the elevation I know we

718

00:30:31,940 --> 00:30:28,679

only have a we have less than a minute

719

00:30:34,669 --> 00:30:31,950

left here the elevation is so hard to

720

00:30:36,710 --> 00:30:34,679

tell and especially the most contrails

721

00:30:40,249 --> 00:30:36,720

that people see are from you know thirty

722

00:30:46,430 --> 00:30:40,259

to forty thousand feet up exactly do you

723

00:30:47,629 --> 00:30:46,440

think this was up that high it was

724

00:30:49,039 --> 00:30:47,639

pretty high yeah I do

725

00:30:51,259 --> 00:30:49,049

and there was an amateur astronomer

726

00:30:52,940 --> 00:30:51,269

which I'll mention his name's Allen

727

00:30:55,159 --> 00:30:52,950

Epling the a school teacher Scott's

728

00:30:57,619 --> 00:30:55,169

video okay of it and hits on YouTube

729

00:30:59,599 --> 00:30:57,629

it's a really good video all right hang

730

00:31:01,609 --> 00:30:59,609

on a second please Eric can you repeat

731

00:31:03,849 --> 00:31:01,619

that again how many do we have left 10

732

00:31:12,800 --> 00:31:03,859

SEC's insect that's okay we'll be ready

733

00:31:22,700 --> 00:31:20,240

in five four three two all right welcome

734

00:31:25,190 --> 00:31:22,710

back this is martin willis and my guest

735

00:31:28,100 --> 00:31:25,200

is kyle Luverne and we're talking about

736

00:31:30,500 --> 00:31:28,110

I say it wrong I was always all my whole

737

00:31:33,050 --> 00:31:30,510

life I've been saying Appalachian and

738

00:31:35,630 --> 00:31:33,060

it's Appalachia is that how you say that

739

00:31:38,930 --> 00:31:35,640

that's how we say it Appalachia yeah and

740

00:31:40,370 --> 00:31:38,940

because I you know as maybe a number

741

00:31:42,560 --> 00:31:40,380

people don't realize this but they

742

00:31:44,870 --> 00:31:42,570

actually start in Maine where I live and

743

00:31:45,320 --> 00:31:44,880

go all the way down to Georgia I believe

744

00:31:48,530 --> 00:31:45,330

right

745

00:31:50,390 --> 00:31:48,540

yeah Georgia and touching to Alabama so

746

00:31:52,610 --> 00:31:50,400

it's a really long mountain range very

747

00:31:54,680 --> 00:31:52,620

yeah West Virginia is the only state

748

00:31:56,330 --> 00:31:54,690

that that's entirely in the Appalachian

749

00:31:59,750 --> 00:31:56,340

mountain range but it touches on several

750

00:32:01,520 --> 00:31:59,760

states uh-huh and we're where are they

751
00:32:04,840 --> 00:32:01,530
in regards to the Smoky Mountains when

752
00:32:07,610 --> 00:32:04,850
when you get into that down in that area

753
00:32:09,350 --> 00:32:07,620
they are probably a part of that range

754
00:32:12,440 --> 00:32:09,360
but the Smoky Mountains are more

755
00:32:14,390 --> 00:32:12,450
interred in the Tennessee area yeah yeah

756
00:32:18,560 --> 00:32:14,400
Blue Ridge Mountains Smoky Mountains

757
00:32:23,450 --> 00:32:18,570
yeah yeah and and so when you were

758
00:32:25,490 --> 00:32:23,460
looking into UFO sightings did you look

759
00:32:28,340 --> 00:32:25,500
throughout the whole range of because I

760
00:32:30,100 --> 00:32:28,350
know people hike you know it's it's many

761
00:32:32,630 --> 00:32:30,110
many people hike every single year

762
00:32:35,630 --> 00:32:32,640
starting in Maine and ending up in

763
00:32:37,730 --> 00:32:35,640

Georgia that's mostly how they go I know

764

00:32:39,410 --> 00:32:37,740

some people go the other way but some

765

00:32:41,240 --> 00:32:39,420

people hike the entire range and it

766

00:32:43,100 --> 00:32:41,250

takes weeks and weeks and weeks to do

767

00:32:45,050 --> 00:32:43,110

and I know that while they hike the

768

00:32:46,730 --> 00:32:45,060

range they drop into all these little

769

00:32:49,730 --> 00:32:46,740

towns along the way and stuff like that

770

00:32:53,270 --> 00:32:49,740

it's pretty interesting but there's a

771

00:32:55,730 --> 00:32:53,280

lot of alone time involved and a lot of

772

00:32:58,040 --> 00:32:55,740

camping out under the stars so are there

773

00:33:00,470 --> 00:32:58,050

other known sightings that people have

774

00:33:04,670 --> 00:33:00,480

reported while they're hiking you know

775

00:33:07,370 --> 00:33:04,680

doing that that stretch I've talked to

776

00:33:11,960 --> 00:33:07,380

people that were out camping yeah at

777

00:33:13,280 --> 00:33:11,970

night where they were out hunting this

778

00:33:16,430 --> 00:33:13,290

is of course an area where there's a lot

779

00:33:18,410 --> 00:33:16,440

of hunters and sometimes at night and

780

00:33:21,050 --> 00:33:18,420

they have reported seeing UFOs

781

00:33:23,600 --> 00:33:21,060

I've had several those people to talk to

782

00:33:27,149 --> 00:33:23,610

me about that so you know

783

00:33:29,760 --> 00:33:27,159

as I mentioned earlier sparsely

784

00:33:32,340 --> 00:33:29,770

populated area so you know where else

785

00:33:34,440 --> 00:33:32,350

would be a good place for UFOs if they

786

00:33:36,630 --> 00:33:34,450

didn't want to be detected to fly over

787

00:33:38,820 --> 00:33:36,640

this kind of an area you know yeah

788

00:33:41,970 --> 00:33:38,830

Appalachian Mountains just like out west

789

00:33:45,600 --> 00:33:41,980

and the desert area of Roswell area 51

790

00:33:47,279 --> 00:33:45,610

in those places and you know I think

791

00:33:49,110 --> 00:33:47,289

there's been more sightings here than

792

00:33:50,669 --> 00:33:49,120

people realized it just people don't

793

00:33:52,649 --> 00:33:50,679

want to talk about it because of the

794

00:33:54,510 --> 00:33:52,659

stigma especially in the fifties and

795

00:33:57,210 --> 00:33:54,520

sixties yeah

796

00:34:00,090 --> 00:33:57,220

and you being a journalist how is that

797

00:34:02,820 --> 00:34:00,100

received by colleagues and other

798

00:34:05,880 --> 00:34:02,830

newspapers as far as you actually

799

00:34:07,470 --> 00:34:05,890

interested in the subject it's gotten a

800

00:34:09,450 --> 00:34:07,480

little better you know I'm sure some

801
00:34:11,220 --> 00:34:09,460
people still maybe snicker in the

802
00:34:14,399 --> 00:34:11,230
background or they don't believe but

803
00:34:16,589 --> 00:34:14,409
times have changed I think people more

804
00:34:19,349 --> 00:34:16,599
people believe that there's something to

805
00:34:23,520 --> 00:34:19,359
the phenomena than they did years ago

806
00:34:25,020 --> 00:34:23,530
you know with all the suits specials and

807
00:34:27,419 --> 00:34:25,030
the shows on the History Channel in

808
00:34:29,159 --> 00:34:27,429
National Geographic and discovery that

809
00:34:31,230 --> 00:34:29,169
take it seriously and then you know you

810
00:34:34,950 --> 00:34:31,240
had the report that come out last year

811
00:34:36,990 --> 00:34:34,960
that the Pentagon admitted that they

812
00:34:39,000 --> 00:34:37,000
spent millions of dollars studying UFOs

813
00:34:41,070 --> 00:34:39,010

and a lot of you know we know we had

814

00:34:45,570 --> 00:34:41,080

Project Blue Book over the years so

815

00:34:48,060 --> 00:34:45,580

there's people that aren't there coming

816

00:34:49,710 --> 00:34:48,070

forward now they're not in a you'd be

817

00:34:51,270 --> 00:34:49,720

surprised the people that talk to me

818

00:34:53,070 --> 00:34:51,280

they don't always want to use their name

819

00:34:56,070 --> 00:34:53,080

or they don't want to nestle go on

820

00:34:58,470 --> 00:34:56,080

record but they do believe and yeah you

821

00:35:00,630 --> 00:34:58,480

know I was getting wonder if you people

822

00:35:02,160 --> 00:35:00,640

take you seriously or not but what they

823

00:35:05,040 --> 00:35:02,170

do you know I'll have a few people will

824

00:35:06,930 --> 00:35:05,050

ask me about it but anyhow ever once all

825

00:35:09,420 --> 00:35:06,940

you get a joke here and there but most

826
00:35:12,020 --> 00:35:09,430
people seem to be very interested in and

827
00:35:14,880 --> 00:35:12,030
to take it serious yeah you know I

828
00:35:17,910 --> 00:35:14,890
definitely see a kind of a warming trend

829
00:35:19,980 --> 00:35:17,920
in general as far as far as that goes

830
00:35:22,260 --> 00:35:19,990
and I had mentioned earlier in the news

831
00:35:24,630 --> 00:35:22,270
that you know local guys started talking

832
00:35:26,280 --> 00:35:24,640
to me and well this actually happened

833
00:35:28,290 --> 00:35:26,290
while he was clearing trails and you

834
00:35:31,200 --> 00:35:28,300
know camping out at night and things

835
00:35:33,270 --> 00:35:31,210
like that so that does seem you know

836
00:35:36,010 --> 00:35:33,280
perhaps it's that people are camping out

837
00:35:37,600 --> 00:35:36,020
and in the wild

838
00:35:41,620 --> 00:35:37,610

that seemed to have a lot of sightings

839

00:35:45,100 --> 00:35:41,630

you know because there is a time when

840

00:35:46,600 --> 00:35:45,110

you're actually outside in your your you

841

00:35:48,730 --> 00:35:46,610

know aware of the environment you're not

842

00:35:51,460 --> 00:35:48,740

looking at your iPhone when you're

843

00:35:53,380 --> 00:35:51,470

camping or whatever so you know perhaps

844

00:35:55,510 --> 00:35:53,390

that's why there's so many of them seen

845

00:35:58,000 --> 00:35:55,520

while people are are hiking and camping

846

00:35:59,560 --> 00:35:58,010

and you know well you've got a better

847

00:36:01,210 --> 00:35:59,570

view of the sky too because you don't

848

00:36:03,280 --> 00:36:01,220

have the light pollution that you do in

849

00:36:04,420 --> 00:36:03,290

the city you know here and you see the

850

00:36:06,580 --> 00:36:04,430

stars you're out

851

00:36:07,960 --> 00:36:06,590

there's not many street lights or you

852

00:36:09,370 --> 00:36:07,970

know it's it's pretty dark when you get

853

00:36:11,710 --> 00:36:09,380

out here in some of these locations and

854

00:36:14,320 --> 00:36:11,720

you know on a clear night you can see

855

00:36:16,000 --> 00:36:14,330

have a really good view and saying this

856

00:36:18,070 --> 00:36:16,010

there's something was over you know

857

00:36:19,720 --> 00:36:18,080

you're gonna see it well before we went

858

00:36:22,570 --> 00:36:19,730

into the break we were talking about I

859

00:36:26,620 --> 00:36:22,580

believe it was the 2012 is that when

860

00:36:30,100 --> 00:36:26,630

that sighting happened yeah October 16

861

00:36:33,070 --> 00:36:30,110

2012 yeah I do actually remember that

862

00:36:34,240 --> 00:36:33,080

and I believe I actually may have talked

863

00:36:39,130 --> 00:36:34,250

about that on the show when that

864

00:36:42,760 --> 00:36:39,140

happened and there is there has been

865

00:36:46,270 --> 00:36:42,770

very similar objects I guess that's a

866

00:36:49,450 --> 00:36:46,280

way I'll put it that have been seen very

867

00:36:51,820 --> 00:36:49,460

similar to that and if I recall there

868

00:36:53,500 --> 00:36:51,830

was one I want to say in Mexico that

869

00:36:55,120 --> 00:36:53,510

looked very much like that and it

870

00:36:59,260 --> 00:36:55,130

actually dropped down these little white

871

00:37:01,780 --> 00:36:59,270

orbs are you familiar with that I do

872

00:37:06,010 --> 00:37:01,790

know that there's been similar sightings

873

00:37:09,340 --> 00:37:06,020

of this sort of a cylindrical I call it

874

00:37:12,040 --> 00:37:09,350

fluorescent looking UFO and even at this

875

00:37:14,200 --> 00:37:12,050

time like about a week apart there was I

876

00:37:16,300 --> 00:37:14,210

think sightings in Pennsylvania and

877

00:37:21,490 --> 00:37:16,310

maybe in Tennessee that were similar to

878

00:37:24,730 --> 00:37:21,500

this and was there speculation of that

879

00:37:27,340 --> 00:37:24,740

being I know that it stayed like hours I

880

00:37:31,240 --> 00:37:27,350

believe right a few hours right in one

881

00:37:33,730 --> 00:37:31,250

location yeah yes seemed like he was yea

882

00:37:36,010 --> 00:37:33,740

hovering in the same location for at

883

00:37:40,750 --> 00:37:36,020

least you know I did I know of an hour

884

00:37:43,859 --> 00:37:40,760

maybe a couple hours and you know what I

885

00:37:46,960 --> 00:37:43,869

also noticed as I continue to look at it

886

00:37:48,370 --> 00:37:46,970

because I was at work and I was I had a

887

00:37:49,570 --> 00:37:48,380

camera but it didn't have a really great

888

00:37:51,550 --> 00:37:49,580

lens on I was able to get

889

00:37:53,770 --> 00:37:51,560

couple pictures but I called my wife

890

00:37:56,170 --> 00:37:53,780

because I always have binoculars here

891

00:37:57,520 --> 00:37:56,180

and I told her to get the binoculars to

892

00:37:59,680 --> 00:37:57,530

go out on the back deck and told her

893

00:38:01,030 --> 00:37:59,690

where to look and she did as she's the

894

00:38:04,150 --> 00:38:01,040

first one that told me that it looked

895

00:38:07,390 --> 00:38:04,160

you know long elongated cylindrical

896

00:38:08,560 --> 00:38:07,400

because my view wasn't as good you know

897

00:38:12,610 --> 00:38:08,570

from where I was I didn't have

898

00:38:15,280 --> 00:38:12,620

binoculars or a long lens and then there

899

00:38:18,220 --> 00:38:15,290

was a amateur astronomer from over in

900

00:38:20,560 --> 00:38:18,230

Kentucky he's a I think a biology

901
00:38:22,480 --> 00:38:20,570
science teacher high school teacher and

902
00:38:24,790 --> 00:38:22,490
he was able to video it through his

903
00:38:26,080 --> 00:38:24,800
telescope and got some really good video

904
00:38:28,690 --> 00:38:26,090
of it and that's where you can see it up

905
00:38:32,050 --> 00:38:28,700
close and see how it what the shape was

906
00:38:34,720 --> 00:38:32,060
and that's on youtube if anybody wants

907
00:38:37,510 --> 00:38:34,730
to look it up they can view that and

908
00:38:40,900 --> 00:38:37,520
it's it's amazing to look at it right

909
00:38:44,530 --> 00:38:40,910
and was there speculation that it could

910
00:38:47,140 --> 00:38:44,540
have been a balloon somebody say that

911
00:38:50,260 --> 00:38:47,150
said that and of course I take it just

912
00:38:52,750 --> 00:38:50,270
like they said UFOs were swamp gas or

913
00:38:54,250 --> 00:38:52,760

the planet Mars or whatever in the

914

00:38:55,960 --> 00:38:54,260

sixties there was no way it was a

915

00:38:57,520 --> 00:38:55,970

balloon and then somebody says something

916

00:39:02,590 --> 00:38:57,530

that had something to do with an

917

00:39:04,810 --> 00:39:02,600

Internet device or I don't know why it

918

00:39:09,400 --> 00:39:04,820

was a little crazy the Google yeah yeah

919

00:39:12,010 --> 00:39:09,410

Google was experimenting with with

920

00:39:13,660 --> 00:39:12,020

internet through balloons yeah but they

921

00:39:15,490 --> 00:39:13,670

were they were normal they were like

922

00:39:18,520 --> 00:39:15,500

weather balloons similar to weather

923

00:39:20,290 --> 00:39:18,530

balloons over yeah yeah round weather

924

00:39:21,820 --> 00:39:20,300

balloons this looked nothing like this

925

00:39:24,610 --> 00:39:21,830

and they were look they're really high

926

00:39:25,990 --> 00:39:24,620

in the atmosphere I think they were you

927

00:39:28,420 --> 00:39:26,000

know above a hundred thousand feet or

928

00:39:31,600 --> 00:39:28,430

something like that as well yeah so

929

00:39:33,460 --> 00:39:31,610

there's no way that this was well I I

930

00:39:36,040 --> 00:39:33,470

the reason I brought that up you know

931

00:39:37,750 --> 00:39:36,050

the image that the astronomer took it

932

00:39:40,570 --> 00:39:37,760

almost looks like a balloon but it

933

00:39:42,760 --> 00:39:40,580

didn't have the characteristics of a

934

00:39:45,670 --> 00:39:42,770

balloon as far as having the lights

935

00:39:47,710 --> 00:39:45,680

inside of it like that and also that it

936

00:39:52,090 --> 00:39:47,720

just stayed stationary because you have

937

00:39:54,300 --> 00:39:52,100

wind wind currents exactly yeah and you

938

00:39:57,040 --> 00:39:54,310

can apply inflate into the jet stream

939

00:39:59,800 --> 00:39:57,050

yeah exactly no way of balloons going to

940

00:40:02,500 --> 00:39:59,810

stay hovering in one spot for that long

941

00:40:05,170 --> 00:40:02,510

time so you know you got

942

00:40:07,270 --> 00:40:05,180

- balloon I think MUFON investigated it

943

00:40:09,370 --> 00:40:07,280

and they came back with that it was a

944

00:40:11,500 --> 00:40:09,380

UFO and identified flying object they

945

00:40:12,700 --> 00:40:11,510

didn't they said it wasn't a balloon you

946

00:40:16,780 --> 00:40:12,710

know they weren't quite sure what it was

947

00:40:18,330 --> 00:40:16,790

but you know it was a good UFO sighting

948

00:40:21,700 --> 00:40:18,340

and again he had hundreds of witnesses

949

00:40:24,040 --> 00:40:21,710

and now how long did the did this go on

950

00:40:25,720 --> 00:40:24,050

as far as like in the news it was it

951
00:40:29,080 --> 00:40:25,730
kept alive for a little while and people

952
00:40:31,030 --> 00:40:29,090
still yeah for about a week

953
00:40:33,250 --> 00:40:31,040
you know I reported on in my newspaper

954
00:40:36,190 --> 00:40:33,260
there was a newspaper in Pikeville

955
00:40:40,420 --> 00:40:36,200
Kentucky some of the local TV stations

956
00:40:42,280 --> 00:40:40,430
in the region reported on it and it made

957
00:40:44,370 --> 00:40:42,290
a little bit of national news I know I

958
00:40:46,600 --> 00:40:44,380
was often what talk so I can't remember

959
00:40:49,600 --> 00:40:46,610
where was I think was out of Boston

960
00:40:51,430 --> 00:40:49,610
Massachusetts talking about is so F for

961
00:40:54,790 --> 00:40:51,440
a week or two and then it sort of died

962
00:40:59,380 --> 00:40:54,800
down like usual but you know I still

963
00:41:01,660 --> 00:40:59,390

think as far as a more recent sighting

964

00:41:04,750 --> 00:41:01,670

in this area it was one of the best that

965

00:41:08,410 --> 00:41:04,760

I've seen I believe I saw an image

966

00:41:11,650 --> 00:41:08,420

online of this sighting and that image

967

00:41:13,060 --> 00:41:11,660

it appeared to be vertical is that the

968

00:41:15,670 --> 00:41:13,070

way it looked to you when you stepped

969

00:41:18,160 --> 00:41:15,680

out of the the newspaper where he worked

970

00:41:20,950 --> 00:41:18,170

and looked well again like I say it was

971

00:41:22,600 --> 00:41:20,960

so high yeah it definitely did I didn't

972

00:41:25,660 --> 00:41:22,610

have I wish I'd added my binoculars with

973

00:41:28,720 --> 00:41:25,670

me but it definitely looked yes or a

974

00:41:30,760 --> 00:41:28,730

vertical and just a little bit of

975

00:41:34,350 --> 00:41:30,770

movement and like I say it almost had a

976

00:41:37,480 --> 00:41:34,360

head of light fluorescent looking

977

00:41:41,680 --> 00:41:37,490

appearance to it it was just a very

978

00:41:44,290 --> 00:41:41,690

unusual UFO from what you usually see or

979

00:41:46,200 --> 00:41:44,300

hear about with coarse disc shaped or

980

00:41:48,610 --> 00:41:46,210

triangular shaped

981

00:41:50,500 --> 00:41:48,620

you know there have been - cigar shaped

982

00:41:52,780 --> 00:41:50,510

as a lot of people won't describe them

983

00:41:55,300 --> 00:41:52,790

in the past or some of those kind of

984

00:41:58,060 --> 00:41:55,310

sightings now this lasted for so long

985

00:42:00,820 --> 00:41:58,070

did you I've heard of a number of people

986

00:42:02,170 --> 00:42:00,830

said that you know they've had real long

987

00:42:04,330 --> 00:42:02,180

sightings and they got bored

988

00:42:05,650 --> 00:42:04,340

did you know did you get bored and did

989

00:42:07,810 --> 00:42:05,660

you stay in the end the whole time and

990

00:42:09,370 --> 00:42:07,820

wait for it well I actually had to go

991

00:42:11,830 --> 00:42:09,380

back to work as I had some things I had

992

00:42:14,560 --> 00:42:11,840

to do so I went back to work try to get

993

00:42:15,940 --> 00:42:14,570

some work done but after that I got off

994

00:42:18,520 --> 00:42:15,950

like I say it was

995

00:42:20,560 --> 00:42:18,530

ille there I drove up to a higher

996

00:42:23,020 --> 00:42:20,570

elevation we've got an area called the

997

00:42:26,860 --> 00:42:23,030

kinko highway which is a lot higher up

998

00:42:29,740 --> 00:42:26,870

and I drove up there to where you know

999

00:42:32,110 --> 00:42:29,750

was probably southeast from where we

1000

00:42:35,200 --> 00:42:32,120

were located and by the time I got there

1001

00:42:37,090 --> 00:42:35,210

I can no longer see it I did notice it

1002

00:42:37,870 --> 00:42:37,100

looked like a lot of jets flew by in the

1003

00:42:39,940 --> 00:42:37,880

same area

1004

00:42:42,580 --> 00:42:39,950

you know the chemtrails or contrails and

1005

00:42:44,590 --> 00:42:42,590

I don't know if they had anything to do

1006

00:42:46,720 --> 00:42:44,600

with it but I was thinking maybe they

1007

00:42:48,700 --> 00:42:46,730

were military jets checking it out

1008

00:42:51,400 --> 00:42:48,710

wondering what it was because it had to

1009

00:42:54,160 --> 00:42:51,410

show up on radar and of course there's

1010

00:42:55,930 --> 00:42:54,170

nothing I can prove that but definitely

1011

00:42:58,810 --> 00:42:55,940

he saw you know a lot of jets flying by

1012

00:43:00,790 --> 00:42:58,820

in the same area did did the amateur

1013

00:43:02,920 --> 00:43:00,800

astronomer I know he filmed it and I I

1014

00:43:05,710 --> 00:43:02,930

do believe I may have looked at it you

1015

00:43:07,660 --> 00:43:05,720

know way back when or whatever but did

1016

00:43:11,680 --> 00:43:07,670

the thing rotate at all or did it just

1017

00:43:13,660 --> 00:43:11,690

stay and that one you know it's that it

1018

00:43:16,030 --> 00:43:13,670

seemed to have a little bit of movement

1019

00:43:17,740 --> 00:43:16,040

but it was more steady for a long time

1020

00:43:19,720 --> 00:43:17,750

yeah you know in one spot

1021

00:43:21,880 --> 00:43:19,730

yeah which again a boy and it's not

1022

00:43:24,280 --> 00:43:21,890

going to do that planes not going to do

1023

00:43:27,190 --> 00:43:24,290

that right we're a helicopter you know

1024

00:43:29,680 --> 00:43:27,200

yeah no noise of course like I say it

1025

00:43:33,550 --> 00:43:29,690

was pretty high but she couldn't detect

1026

00:43:35,620 --> 00:43:33,560

any noise of it yeah well yeah that was

1027

00:43:37,660 --> 00:43:35,630

a like I said I do remember when that

1028

00:43:40,710 --> 00:43:37,670

happened I was actually doing the show

1029

00:43:43,450 --> 00:43:40,720

is in my the first year of the show and

1030

00:43:45,940 --> 00:43:43,460

that was that was big news at the time

1031

00:43:50,380 --> 00:43:45,950

and yeah yeah

1032

00:43:52,240 --> 00:43:50,390

and has this reoccurred a lot of times

1033

00:43:55,540 --> 00:43:52,250

you hear about UFOs you know reoccurring

1034

00:43:58,890 --> 00:43:55,550

did it show up again or is that is that

1035

00:44:02,470 --> 00:43:58,900

it not nothing I know of yeah

1036

00:44:04,440 --> 00:44:02,480

not heard any more if it has I haven't

1037

00:44:08,530 --> 00:44:04,450

heard about it and I think I would have

1038

00:44:09,900 --> 00:44:08,540

since you know pretty much know a lot

1039

00:44:13,120 --> 00:44:09,910

about what's going on in this region

1040

00:44:16,780 --> 00:44:13,130

with anything newswise especially within

1041

00:44:18,940 --> 00:44:16,790

the UFO realm right alright so let's

1042

00:44:22,420 --> 00:44:18,950

talk about some of the other cases that

1043

00:44:24,580 --> 00:44:22,430

you have in your your your two books

1044

00:44:28,510 --> 00:44:24,590

that you can talk about some of the

1045

00:44:33,240 --> 00:44:28,520

interesting ones okay

1046

00:44:35,620 --> 00:44:33,250

well one of the first ones I wrote about

1047

00:44:38,380 --> 00:44:35,630

this guy I got to know him who actually

1048

00:44:42,010 --> 00:44:38,390

became a friend of mine he was a postman

1049

00:44:45,660 --> 00:44:42,020

at a small post office out in a rural

1050

00:44:48,010 --> 00:44:45,670

area that I was living at the time and

1051
00:44:49,690 --> 00:44:48,020
we just started became friends we

1052
00:44:52,330 --> 00:44:49,700
started talking the more we talked I

1053
00:44:56,140 --> 00:44:52,340
told him about my interest in UFOs and I

1054
00:44:57,880 --> 00:44:56,150
could see him perk up and maybe wanted

1055
00:44:59,230 --> 00:44:57,890
to talk about it and ventually he starts

1056
00:45:03,550 --> 00:44:59,240
to uncomfortable where he shared a

1057
00:45:07,090 --> 00:45:03,560
couple stories that he had one was he

1058
00:45:08,500 --> 00:45:07,100
was about 18 years old in high school he

1059
00:45:11,290 --> 00:45:08,510
went out hunting as we were talking

1060
00:45:14,980 --> 00:45:11,300
again a rural area of a little Hollow

1061
00:45:17,350 --> 00:45:14,990
Road and he said as he was walking along

1062
00:45:20,410 --> 00:45:17,360
he just heard a noise sounded like

1063
00:45:23,130 --> 00:45:20,420

leaves blowing and he said he looked up

1064

00:45:27,190 --> 00:45:23,140

and right above him he saw this

1065

00:45:28,510 --> 00:45:27,200

triangular looking shaped UFO he

1066

00:45:31,570 --> 00:45:28,520

described it I thought this is pretty

1067

00:45:34,960 --> 00:45:31,580

cool you remember the norelco razor oh

1068

00:45:36,849 --> 00:45:34,970

yeah yeah yeah with three three razors a

1069

00:45:38,710 --> 00:45:36,859

three yeah yeah three razors

1070

00:45:39,640 --> 00:45:38,720

three heads that's how he described it I

1071

00:45:42,160 --> 00:45:39,650

always thought that was a pretty good

1072

00:45:44,170 --> 00:45:42,170

description and he said he just watched

1073

00:45:47,440 --> 00:45:44,180

it for a while he said I had my shotgun

1074

00:45:49,630 --> 00:45:47,450

i thought about shoot it or or just and

1075

00:45:53,980 --> 00:45:49,640

then of course it just pushed off it

1076

00:45:56,560 --> 00:45:53,990

took off and was gone in an instant soon

1077

00:46:00,580 --> 00:45:56,570

after that this was in the late 60s he

1078

00:46:04,930 --> 00:46:00,590

was drafted into the army went to

1079

00:46:08,320 --> 00:46:04,940

Vietnam served his time was came back

1080

00:46:11,080 --> 00:46:08,330

got a job with the post office he got a

1081

00:46:13,120 --> 00:46:11,090

job in Huntington West Virginia post

1082

00:46:14,859 --> 00:46:13,130

office and he lived about 60 miles away

1083

00:46:16,840 --> 00:46:14,869

so he had to get up pretty early in the

1084

00:46:19,960 --> 00:46:16,850

morning to get to work so he said one

1085

00:46:24,910 --> 00:46:19,970

morning he got up and he was driving

1086

00:46:27,310 --> 00:46:24,920

down this rural road toward work and his

1087

00:46:29,440 --> 00:46:27,320

radio started acting funny his car

1088

00:46:31,750 --> 00:46:29,450

lights started going off and his car

1089

00:46:32,980 --> 00:46:31,760

just stalled which questions her UFO

1090

00:46:34,810 --> 00:46:32,990

reports like this before

1091

00:46:37,690 --> 00:46:34,820

he said looked over to the left and he

1092

00:46:41,859 --> 00:46:37,700

saw what he thought was maybe a brush

1093

00:46:47,140 --> 00:46:44,019

that's the last thing he could remember

1094

00:46:49,989 --> 00:46:47,150

so the next thing he knows he's at work

1095

00:46:52,689 --> 00:46:49,999

he's punching in and he looks and he's

1096

00:46:54,370 --> 00:46:52,699

got like two hours of missing time Wow

1097

00:46:57,009 --> 00:46:54,380

so you know you've heard of people yeah

1098

00:46:59,829 --> 00:46:57,019

I know that I mean I would love to be

1099

00:47:02,199 --> 00:46:59,839

able to get into his memory to see what

1100

00:47:03,400 --> 00:47:02,209

happened during that time but again it

1101

00:47:04,900 --> 00:47:03,410

was you know I just thought it was a

1102

00:47:08,049 --> 00:47:04,910

really always a good story because this

1103

00:47:08,920 --> 00:47:08,059

guy was you know he like I say was in

1104

00:47:11,709 --> 00:47:08,930

the army

1105

00:47:14,019 --> 00:47:11,719

certain Vietnam had no reason to to tell

1106

00:47:15,939 --> 00:47:14,029

lie or anything he really believed that

1107

00:47:18,370 --> 00:47:15,949

you could tell with his story because

1108

00:47:21,549 --> 00:47:18,380

most people when they get to know you

1109

00:47:24,160 --> 00:47:21,559

they realize you are a believer they

1110

00:47:26,349 --> 00:47:24,170

feel comfortable opening up and they

1111

00:47:28,359 --> 00:47:26,359

start telling you their story yeah and

1112

00:47:29,289 --> 00:47:28,369

that's that's one of my favorites one of

1113

00:47:32,170 --> 00:47:29,299

my first ones that I wrote about

1114

00:47:35,949 --> 00:47:32,180

actually it's in my first book it says

1115

00:47:38,199 --> 00:47:35,959

first chapter yeah that's a that is a

1116

00:47:41,289 --> 00:47:38,209

that the triangle is something else in

1117

00:47:44,049 --> 00:47:41,299

that you know being 1960 is fairly early

1118

00:47:46,120 --> 00:47:44,059

you know I mean exactly you know Dave

1119

00:47:50,079 --> 00:47:46,130

Marlowe will tell you that you do hear

1120

00:47:53,079 --> 00:47:50,089

about them but not so often you know

1121

00:47:55,029 --> 00:47:53,089

there are a few 70s and then now it

1122

00:47:56,679 --> 00:47:55,039

seems out that's uh it seems like that's

1123

00:47:59,620 --> 00:47:56,689

the majority of what people are seeing

1124

00:48:02,229 --> 00:47:59,630

is two triangles yeah it does

1125

00:48:03,939 --> 00:48:02,239

that was probably around 69 so it was

1126

00:48:05,919 --> 00:48:03,949

the first one that I know that was

1127

00:48:08,799 --> 00:48:05,929

triangular saved her in that period of

1128

00:48:10,419 --> 00:48:08,809

time and like you said most of the time

1129

00:48:12,729 --> 00:48:10,429

it was disc shapes during that time or

1130

00:48:15,069 --> 00:48:12,739

flying saucers yeah as people would call

1131

00:48:16,959 --> 00:48:15,079

them yeah she mentioned you know a

1132

00:48:21,699 --> 00:48:16,969

couple of things did he mentioned sound

1133

00:48:22,479 --> 00:48:21,709

or lights or anything just like a bright

1134

00:48:25,779 --> 00:48:22,489

light

1135

00:48:28,209 --> 00:48:25,789

on the second one on the first one he

1136

00:48:30,339 --> 00:48:28,219

said it was not very loud but it was

1137

00:48:32,319 --> 00:48:30,349

making maybe a whooshing sound or he

1138

00:48:34,329 --> 00:48:32,329

said it was more like it was blowing the

1139

00:48:36,969 --> 00:48:34,339

leaves because it was treetop just above

1140

00:48:39,279 --> 00:48:36,979

the treetops he felt like it was blowing

1141

00:48:41,410 --> 00:48:39,289

the treetops with the leaves on that and

1142

00:48:42,959 --> 00:48:41,420

that's the County you would hear because

1143

00:48:45,309 --> 00:48:42,969

this was in the fall of the year too so

1144

00:48:47,829 --> 00:48:45,319

so you know a lot of the leaves were dry

1145

00:48:51,339 --> 00:48:47,839

and yeah on that on the first triangular

1146

00:48:53,799 --> 00:48:51,349

shape so well pretty neat yeah and

1147

00:48:55,540 --> 00:48:53,809

you've looked into some of the ones that

1148

00:48:57,130 --> 00:48:55,550

I know that the

1149

00:49:00,520 --> 00:48:57,140

is that the flat wood the flat wood

1150

00:49:02,080 --> 00:49:00,530

monster flatwoods monkey yeah that's

1151
00:49:04,300 --> 00:49:02,090
that's a good one I think that's even

1152
00:49:06,460 --> 00:49:04,310
going to be featured on Project Blue

1153
00:49:07,960 --> 00:49:06,470
Book yes yes episode on the History

1154
00:49:09,960 --> 00:49:07,970
Channel I saw that on the previews I

1155
00:49:14,620 --> 00:49:09,970
think it's yeah I did look into that

1156
00:49:16,330 --> 00:49:14,630
second one okay yeah that's a real

1157
00:49:18,630 --> 00:49:16,340
interesting case what I think is great

1158
00:49:22,410 --> 00:49:18,640
about this this was one of the earlier

1159
00:49:26,020 --> 00:49:22,420
UFO sightings that received national

1160
00:49:27,820 --> 00:49:26,030
press and national attention it was 1952

1161
00:49:29,440 --> 00:49:27,830
it was October again it seems like

1162
00:49:34,180 --> 00:49:29,450
there's a lot of things and the fall of

1163
00:49:36,760 --> 00:49:34,190

the year but there was some young boys

1164

00:49:42,040 --> 00:49:36,770

they were playing football out in the

1165

00:49:44,950 --> 00:49:42,050

yard in the evening after school there

1166

00:49:48,070 --> 00:49:44,960

was a couple of brothers Freddy and

1167

00:49:50,440 --> 00:49:48,080

Edward Mae and there are a couple of

1168

00:49:53,820 --> 00:49:50,450

neighbor kids and they saw something

1169

00:49:57,700 --> 00:49:53,830

flashed across the sky up above them

1170

00:50:00,520 --> 00:49:57,710

they thought it was like a meteor it

1171

00:50:03,250 --> 00:50:00,530

wasn't too far from their home it looked

1172

00:50:05,560 --> 00:50:03,260

like it will possibly landed near a farm

1173

00:50:07,860 --> 00:50:05,570

a hillside farm close to where they

1174

00:50:10,810 --> 00:50:07,870

lived in Braxton County West Virginia

1175

00:50:12,310 --> 00:50:10,820

it's close to town called flatwoods so

1176

00:50:15,130 --> 00:50:12,320

that's why it's known as the flatwoods

1177

00:50:16,810 --> 00:50:15,140

monster the only reason I think it

1178

00:50:19,870 --> 00:50:16,820

became the flatwoods monster because

1179

00:50:21,400 --> 00:50:19,880

nobody really knew what UFOs were much

1180

00:50:23,230 --> 00:50:21,410

at that time probably the only thing

1181

00:50:25,180 --> 00:50:23,240

you've heard of at that time was Roswell

1182

00:50:26,680 --> 00:50:25,190

and you a lot of people hadn't heard

1183

00:50:30,760 --> 00:50:26,690

about that at the time because that was

1184

00:50:33,460 --> 00:50:30,770

just you know was late 40s so they went

1185

00:50:35,620 --> 00:50:33,470

and told the mother and maybe she got a

1186

00:50:40,420 --> 00:50:35,630

flashlight they decided to go up on the

1187

00:50:42,460 --> 00:50:40,430

hill to look for this meteor there's at

1188

00:50:43,870 --> 00:50:42,470

least that's what they thought or just

1189

00:50:45,880 --> 00:50:43,880

see what this light was where they

1190

00:50:47,440 --> 00:50:45,890

thought it would look like it landed so

1191

00:50:51,010 --> 00:50:47,450

they made their way up this path and

1192

00:50:55,060 --> 00:50:51,020

this little road above the farm and when

1193

00:50:58,840 --> 00:50:55,070

they got up there they saw this huge 10

1194

00:51:01,930 --> 00:50:58,850

to 12-foot object with lights they

1195

00:51:03,250 --> 00:51:01,940

called I think the people that talked to

1196

00:51:04,390 --> 00:51:03,260

him at the time the journalists didn't

1197

00:51:06,970 --> 00:51:04,400

know what else to call it they thought

1198

00:51:09,160 --> 00:51:06,980

it had said it had like arms like flaws

1199

00:51:11,260 --> 00:51:09,170

but I think what it was a

1200

00:51:14,559 --> 00:51:11,270

I believe this might have been a smaller

1201
00:51:17,740 --> 00:51:14,569
craft from a larger USO that maybe was

1202
00:51:22,690 --> 00:51:17,750
sent down to this is my version anyway

1203
00:51:25,630 --> 00:51:22,700
to take soil samples and so forth but

1204
00:51:29,380 --> 00:51:25,640
they saw it they got scared they

1205
00:51:34,930 --> 00:51:29,390
actually smelled a really weird horrible

1206
00:51:37,059 --> 00:51:34,940
odor a meeting from this this UFO or

1207
00:51:40,359 --> 00:51:37,069
small craft that's one thing I was

1208
00:51:44,049 --> 00:51:40,369
taking off that permanent hmmm yeah yeah

1209
00:51:47,140 --> 00:51:44,059
oh that's a fact and they took off ran

1210
00:51:49,990 --> 00:51:47,150
back down the hill they notified the

1211
00:51:52,720 --> 00:51:50,000
local sheriff the next day the National

1212
00:51:54,609 --> 00:51:52,730
Guard comes in and they go up there they

1213
00:51:58,750 --> 00:51:54,619

had they found an area that was burnt

1214

00:52:02,280 --> 00:51:58,760

some burnt wood and a fence they also

1215

00:52:05,559 --> 00:52:02,290

looked like the ground was disturbed and

1216

00:52:09,700 --> 00:52:05,569

the these boys and the mother they also

1217

00:52:11,859 --> 00:52:09,710

got sick they were growing up you know

1218

00:52:16,980 --> 00:52:11,869

whether it was radiation or just from

1219

00:52:22,569 --> 00:52:16,990

the smell whatever this craft was again

1220

00:52:24,400 --> 00:52:22,579

you know they the mother was Kathleen

1221

00:52:26,410 --> 00:52:24,410

Mae and one of the brothers they went

1222

00:52:28,660 --> 00:52:26,420

and appeared on a national TV show which

1223

00:52:31,480 --> 00:52:28,670

is real rare for that time and it became

1224

00:52:34,059 --> 00:52:31,490

known as the flatwoods monster but I

1225

00:52:36,990 --> 00:52:34,069

think it was really part of a UFO and

1226

00:52:39,910 --> 00:52:37,000

again I think you mentioned this earlier

1227

00:52:42,069 --> 00:52:39,920

1952 was a saying this is around the

1228

00:52:43,870 --> 00:52:42,079

same time as the sightings in Washington

1229

00:52:46,329 --> 00:52:43,880

DC that's where you had the famous

1230

00:52:49,240 --> 00:52:46,339

picture over the UFOs over the Capitol

1231

00:52:51,640 --> 00:52:49,250

around the same era in the same time and

1232

00:52:55,120 --> 00:52:51,650

if you think about it West Virginia is

1233

00:52:56,049 --> 00:52:55,130

not very far from Washington DC I always

1234

00:52:59,140 --> 00:52:56,059

thought there was a little connection

1235

00:53:01,990 --> 00:52:59,150

there so you know I actually got to meet

1236

00:53:04,960 --> 00:53:02,000

one of the brothers at a UFO Commission

1237

00:53:08,160 --> 00:53:04,970

in Charleston a few years ago he was one

1238

00:53:10,809 --> 00:53:08,170

of the last living eyewitnesses of this

1239

00:53:15,010 --> 00:53:10,819

you know stand-up guy salt of the earth

1240

00:53:17,440 --> 00:53:15,020

kind of guy and you know he still stood

1241

00:53:19,299 --> 00:53:17,450

by he said they saw something you know

1242

00:53:22,680 --> 00:53:19,309

he said I don't know what it was but it

1243

00:53:25,390 --> 00:53:22,690

happens you know we saw it in

1244

00:53:29,320 --> 00:53:25,400

it's a pretty cool story and one of the

1245

00:53:32,740 --> 00:53:29,330

first well-known stories in the United

1246

00:53:35,950 --> 00:53:32,750

States really wouldn't you think about

1247

00:53:40,210 --> 00:53:35,960

the projects Blue Book answer that there

1248

00:53:41,320 --> 00:53:40,220

was an owl on top of a tree again you

1249

00:53:43,300 --> 00:53:41,330

got to be kidding yeah

1250

00:53:45,210 --> 00:53:43,310

what I just described to you these

1251

00:53:51,250 --> 00:53:45,220

people actually physically got sick

1252

00:53:53,170 --> 00:53:51,260

there was large indentations I guess you

1253

00:53:55,900 --> 00:53:53,180

would say in the ground there was burnt

1254

00:53:58,930 --> 00:53:55,910

wood where they saw this object and they

1255

00:54:01,090 --> 00:53:58,940

actually said that somebody I talked to

1256

00:54:03,430 --> 00:54:01,100

that the National Guard was I supposed

1257

00:54:06,340 --> 00:54:03,440

to take soil samples and so forth from

1258

00:54:09,550 --> 00:54:06,350

that and end up sending it to the you

1259

00:54:11,500 --> 00:54:09,560

know wherever Washington or wherever so

1260

00:54:13,750 --> 00:54:11,510

an owl doesn't do that I mean come on

1261

00:54:16,990 --> 00:54:13,760

you know against some of these early

1262

00:54:19,330 --> 00:54:17,000

explanations of okay I guess

1263

00:54:22,780 --> 00:54:19,340

yeah go ahead well I was just thinking

1264

00:54:24,130 --> 00:54:22,790

about the chaotic scene and it was I

1265

00:54:27,700 --> 00:54:24,140

don't thinking how I was gonna hang out

1266

00:54:30,670 --> 00:54:27,710

there either exactly yeah and what they

1267

00:54:32,350 --> 00:54:30,680

saw was I also get pretty big they're

1268

00:54:35,770 --> 00:54:32,360

pretty big birds but not as big as they

1269

00:54:39,930 --> 00:54:35,780

described this you know and a flashing

1270

00:54:42,610 --> 00:54:39,940

lights I mean and this was you know

1271

00:54:46,300 --> 00:54:42,620

again multiple witnesses and they were

1272

00:54:50,770 --> 00:54:46,310

physically sick from the odor that they

1273

00:54:53,980 --> 00:54:50,780

smelled it was emitting from this UFO so

1274

00:54:56,740 --> 00:54:53,990

you know it's you can google it there's

1275

00:54:59,140 --> 00:54:56,750

different versions different stories but

1276

00:55:02,140 --> 00:54:59,150

it's definitely an interesting case

1277

00:55:05,740 --> 00:55:02,150

probably an unsolved case but like I say

1278

00:55:09,160 --> 00:55:05,750

the Army National Guard was there the

1279

00:55:11,380 --> 00:55:09,170

sheriff came the next day and I heard

1280

00:55:13,270 --> 00:55:11,390

there were some other sightings in that

1281

00:55:16,000 --> 00:55:13,280

area at the same time that just never

1282

00:55:21,750 --> 00:55:16,010

got reported but did they ever pick up

1283

00:55:24,310 --> 00:55:21,760

anything you know like any type of oh

1284

00:55:27,490 --> 00:55:24,320

meteor element or anything like that

1285

00:55:29,050 --> 00:55:27,500

there that you're aware of not that I'm

1286

00:55:30,970 --> 00:55:29,060

aware of but I'd like I said I'd heard

1287

00:55:33,190 --> 00:55:30,980

that they did take some soil samples and

1288

00:55:36,130 --> 00:55:33,200

maybe some of the burnt wood and turned

1289

00:55:41,410 --> 00:55:39,700

military I guess they took it in the

1290

00:55:43,930 --> 00:55:41,420

last you hero but you've heard so much

1291

00:55:45,940 --> 00:55:43,940

during that time the 60s even project

1292

00:55:48,670 --> 00:55:45,950

Bluebook when they came out they took

1293

00:55:50,920 --> 00:55:48,680

soil samples or whatever you never heard

1294

00:55:52,630 --> 00:55:50,930

any results from anything like that and

1295

00:55:55,120 --> 00:55:52,640

then it would come back and just say oh

1296

00:55:57,310 --> 00:55:55,130

yeah it was a large bird or with swamp

1297

00:55:59,860 --> 00:55:57,320

gas or you know you just it was your

1298

00:56:01,480 --> 00:55:59,870

imagination or you just saw the moon

1299

00:56:03,910 --> 00:56:01,490

coming down over the hill and you

1300

00:56:05,860 --> 00:56:03,920

thought it was a UFO you know well we

1301
00:56:08,410 --> 00:56:05,870
have one minute to until we take the

1302
00:56:10,300 --> 00:56:08,420
break and okay you mentioned that you

1303
00:56:13,870 --> 00:56:10,310
spoke to a witness was he one of the

1304
00:56:15,580 --> 00:56:13,880
ones that actually got sick yeah he

1305
00:56:19,120 --> 00:56:15,590
wasn't did he talk about his health

1306
00:56:22,360 --> 00:56:19,130
after that he never really had any

1307
00:56:23,980 --> 00:56:22,370
health problems but you know they they

1308
00:56:27,280 --> 00:56:23,990
did get sick and they stayed sick for a

1309
00:56:31,570 --> 00:56:27,290
little while about a week or so that's

1310
00:56:32,950 --> 00:56:31,580
throwing up and so forth and you check

1311
00:56:36,190 --> 00:56:32,960
for radiation poisoning

1312
00:56:40,480 --> 00:56:36,200
I doubt if they did at that time again

1313
00:56:41,980 --> 00:56:40,490

this was 1952 a rural area nobody sends

1314

00:56:45,640 --> 00:56:41,990

anywhere to check for radiation

1315

00:56:47,110 --> 00:56:45,650

poisoning or or anything like that they

1316

00:56:50,440 --> 00:56:47,120

might have went to a local doctor other

1317

00:56:54,270 --> 00:56:50,450

than that yeah I'm sure if that happened

1318

00:56:57,430 --> 00:56:54,280

now it would be a lot different yeah

1319

00:56:59,650 --> 00:56:57,440

many years ago all right all right well

1320

00:57:02,200 --> 00:56:59,660

it's time for us to go into break so

1321

00:57:04,360 --> 00:57:02,210

this is Martin Willis with podcast UFO

1322

00:57:07,510 --> 00:57:04,370

my guest tonight is Kyle Luverne and

1323

00:57:12,750 --> 00:57:07,520

we'll be right back right after these

1324

00:57:15,400 --> 00:57:14,950

clear you got three minutes alright

1325

00:57:18,460 --> 00:57:15,410

thank you

1326

00:57:20,860 --> 00:57:18,470

alright so Kyle during this break I'm

1327

00:57:25,000 --> 00:57:20,870

gonna ask look for questions in the chat

1328

00:57:33,100 --> 00:57:25,010

room and I saw one right up here and

1329

00:57:35,140 --> 00:57:33,110

just just a minute ago and so this

1330

00:57:37,090 --> 00:57:35,150

something happened in the coal fields of

1331

00:57:41,350 --> 00:57:37,100

Kentucky and I'm just looking for

1332

00:57:44,770 --> 00:57:41,360

there's a lot of there was a case that

1333

00:57:49,000 --> 00:57:44,780

didn't happen I see us to look it up

1334

00:57:49,630 --> 00:57:49,010

here my notes about a UFO hitting a

1335

00:57:53,380 --> 00:57:49,640

train

1336

00:57:55,479 --> 00:57:53,390

that's it yes on that point yet so yeah

1337

00:57:57,999 --> 00:57:55,489

that even that's it arrest yeah Davey

1338

00:58:00,489 --> 00:57:58,009

wanted to know about that in Kentucky

1339

00:58:04,960 --> 00:58:00,499

and hit a freight train and two other

1340

00:58:06,160 --> 00:58:04,970

UFOs over a river or some Piatt but in

1341

00:58:07,539 --> 00:58:06,170

the three minutes that we have are

1342

00:58:12,130 --> 00:58:07,549

actually two minutes left we probably

1343

00:58:13,569 --> 00:58:12,140

only have time to talk about that one do

1344

00:58:15,880 --> 00:58:13,579

you know anything about that case in

1345

00:58:19,049 --> 00:58:15,890

particular where there was a collision a

1346

00:58:22,269 --> 00:58:19,059

additional you know did some research

1347

00:58:26,229 --> 00:58:22,279

actually went over to where I think it

1348

00:58:27,819 --> 00:58:26,239

happens but we can't can't get anybody

1349

00:58:31,779 --> 00:58:27,829

to go on record that worked on the

1350

00:58:34,599 --> 00:58:31,789

railroad but you know I've had I think

1351
00:58:36,729 --> 00:58:34,609
something definitely happens I can talk

1352
00:58:38,920 --> 00:58:36,739
a little bit about it I mean from you

1353
00:58:44,319 --> 00:58:38,930
know the reports I've seen on with doing

1354
00:58:45,220 --> 00:58:44,329
my research but it I think you know as

1355
00:58:47,710 --> 00:58:45,230
they say where there's smoke there's

1356
00:58:51,390 --> 00:58:47,720
fire seems like something happened in

1357
00:58:56,069 --> 00:58:51,400
that situation I noticed there was a

1358
00:58:59,579 --> 00:58:56,079
piece on one of the UFO cover-up

1359
00:59:01,229 --> 00:58:59,589
episodes on the History Channel about it

1360
00:59:04,509 --> 00:59:01,239
the other night

1361
00:59:06,759 --> 00:59:04,519
so like that isn't ready to come forward

1362
00:59:08,979 --> 00:59:06,769
that's such an odd thing where a UFO it

1363
00:59:12,970 --> 00:59:08,989

crashed into a train or a train into a

1364

00:59:15,370 --> 00:59:12,980

UFO I mean it's so bizarre it is bizarre

1365

00:59:17,470 --> 00:59:15,380

and it's almost unbelievable but I just

1366

00:59:19,630 --> 00:59:17,480

feel like something must have happened I

1367

00:59:21,729 --> 00:59:19,640

mean it didn't actually it didn't crash

1368

00:59:23,410 --> 00:59:21,739

- like where it did Roswell where it was

1369

00:59:26,140 --> 00:59:23,420

in two pieces or whatever

1370

00:59:28,870 --> 00:59:26,150

I think the train engine and one a

1371

00:59:33,789 --> 00:59:28,880

couple of coal cars behind it received

1372

00:59:36,099 --> 00:59:33,799

some damage reportedly and but you can't

1373

00:59:37,749 --> 00:59:36,109

you know I was at one book signing I had

1374

00:59:40,329 --> 00:59:37,759

a guy come up to me that said he worked

1375

00:59:44,529 --> 00:59:40,339

for that railroad it's the CSX railroad

1376

00:59:45,880 --> 00:59:44,539

and he knew somebody that was working at

1377

00:59:48,309 --> 00:59:45,890

that time but they wouldn't talk about

1378

00:59:50,680 --> 00:59:48,319

it it's like they were told to keep

1379

00:59:52,749 --> 00:59:50,690

quiet you know for to secretly one of

1380

00:59:57,999 --> 00:59:52,759

those kind of deals 30 seconds sorry to

1381

00:59:59,349 --> 00:59:58,009

cut it yep okay all right so yeah that

1382

01:00:02,490 --> 00:59:59,359

it seems like that would be a really

1383

01:00:04,440 --> 01:00:02,500

good trace evidence case right there

1384

01:00:06,660 --> 01:00:04,450

exactly I wish I would known about it at

1385

01:00:08,130 --> 01:00:06,670

the time but when I went over it was a

1386

01:00:09,510 --> 01:00:08,140

few years later we were just trying to

1387

01:00:11,760 --> 01:00:09,520

find the area where we thought it

1388

01:00:13,920 --> 01:00:11,770

happened myself and the guy named Thomas

1389

01:00:16,620 --> 01:00:13,930

Fugate okay I think we're going back on

1390

01:00:22,350 --> 01:00:16,630

this okay yeah yeah you guys ready yep

1391

01:00:28,050 --> 01:00:22,360

yep all right I'll count you down in

1392

01:00:30,450 --> 01:00:28,060

five four three two all right welcome

1393

01:00:32,460 --> 01:00:30,460

back this is Martin Willis and my guest

1394

01:00:37,020 --> 01:00:32,470

tonight is Kyle Luverne and we're

1395

01:00:38,340 --> 01:00:37,030

talking UFOs as usual Appalachian I'm

1396

01:00:41,520 --> 01:00:38,350

gonna get the right way to pronounce

1397

01:00:45,750 --> 01:00:41,530

that sooner or later UFOs in particular

1398

01:00:48,060 --> 01:00:45,760

and the lines are open we are available

1399

01:00:50,190 --> 01:00:48,070

to take calls now that's up on the

1400

01:00:52,290 --> 01:00:50,200

screen for the people on YouTube if

1401

01:00:54,960 --> 01:00:52,300

you're over at kgr a radio that phone

1402

01:00:58,830 --> 01:00:54,970

number is six oh three nine six seven

1403

01:01:01,440 --> 01:00:58,840

four OH three oh and you're welcome to

1404

01:01:05,220 --> 01:01:01,450

call in and ask our guests some

1405

01:01:07,680 --> 01:01:05,230

questions during the break for the

1406

01:01:10,290 --> 01:01:07,690

people that didn't hear this on the on

1407

01:01:14,150 --> 01:01:10,300

the radio station we're talking about a

1408

01:01:17,550 --> 01:01:14,160

possible UFO collision with train and

1409

01:01:22,170 --> 01:01:17,560

the person that asked that said how

1410

01:01:24,680 --> 01:01:22,180

about there were two UFOs over a river

1411

01:01:29,430 --> 01:01:24,690

are you familiar with that particular

1412

01:01:33,240 --> 01:01:29,440

story Kyle yeah wrote about it in my

1413

01:01:35,250 --> 01:01:33,250

second book I didn't get to talk to any

1414

01:01:40,170 --> 01:01:35,260

firsthand witnesses I did some research

1415

01:01:42,410 --> 01:01:40,180

on it some reports that were made I went

1416

01:01:44,910 --> 01:01:42,420

to the area a few years later trying to

1417

01:01:48,020 --> 01:01:44,920

find the area where I thought that it

1418

01:01:51,870 --> 01:01:48,030

occurred it's near a town called

1419

01:01:52,790 --> 01:01:51,880

Paintsville Kentucky and in Eastern

1420

01:01:56,940 --> 01:01:52,800

Kentucky

1421

01:01:59,990 --> 01:01:56,950

its railroad tracks that mostly these

1422

01:02:05,340 --> 01:02:00,000

trains carry or haul coal cars

1423

01:02:09,540 --> 01:02:05,350

it's a CSX railroad and there were

1424

01:02:14,420 --> 01:02:09,550

horses in 2002 this real remote area

1425

01:02:16,320 --> 01:02:14,430

that train was coming around a bend

1426

01:02:17,940 --> 01:02:16,330

middle of the night

1427

01:02:21,840 --> 01:02:17,950

be like two o'clock in the morning they

1428

01:02:23,760 --> 01:02:21,850

saw this bright light the tracks on one

1429

01:02:26,760 --> 01:02:23,770

side of the tracks you have a river on

1430

01:02:28,620 --> 01:02:26,770

the other side you have a road so the

1431

01:02:29,850 --> 01:02:28,630

tracks is in the middle and they saw

1432

01:02:33,570 --> 01:02:29,860

this bright light they thought it was

1433

01:02:37,340 --> 01:02:33,580

another train coming but then they saw

1434

01:02:40,740 --> 01:02:37,350

that there were two or three dis shaped

1435

01:02:43,050 --> 01:02:40,750

objects floating over the river but as

1436

01:02:45,090 --> 01:02:43,060

they continued around the bend they

1437

01:02:49,230 --> 01:02:45,100

noticed one of the lights was right

1438

01:02:52,590 --> 01:02:49,240

above them along the railroad tracks and

1439

01:02:54,420 --> 01:02:52,600

supposedly it glanced and hit the the

1440

01:02:56,340 --> 01:02:54,430

engine one of the engines and then

1441

01:02:58,920 --> 01:02:56,350

offers a couple of coal carts behind the

1442

01:03:05,180 --> 01:02:58,930

engine and there was some damage to

1443

01:03:08,460 --> 01:03:05,190

those the engineers and the conductor

1444

01:03:11,550 --> 01:03:08,470

radioed their dispatchers told them what

1445

01:03:12,780 --> 01:03:11,560

happened they told him to ask him if the

1446

01:03:13,950 --> 01:03:12,790

train was still running because the

1447

01:03:17,340 --> 01:03:13,960

train was acting weird it was

1448

01:03:19,560 --> 01:03:17,350

computerized at that time but they were

1449

01:03:23,630 --> 01:03:19,570

able to get the train running and they

1450

01:03:26,070 --> 01:03:23,640

limped back into a station that was very

1451

01:03:28,200 --> 01:03:26,080

wasn't used anymore a small railroad

1452

01:03:32,400 --> 01:03:28,210

yard and by the time they got there

1453

01:03:36,330 --> 01:03:32,410

supposedly where's all these officials

1454

01:03:39,120 --> 01:03:36,340

and they took them and took them away

1455

01:03:42,230 --> 01:03:39,130

and questioned them for hours and asked

1456

01:03:45,090 --> 01:03:42,240

him what happened and that they were

1457

01:03:47,790 --> 01:03:45,100

expecting the the engine and the

1458

01:03:50,040 --> 01:03:47,800

railroad cars and of course they were

1459

01:03:54,300 --> 01:03:50,050

told not to talk about it but they would

1460

01:03:56,280 --> 01:03:54,310

lose their job or worse you know I can't

1461

01:03:59,010 --> 01:03:56,290

confirm it but you know it's it's a

1462

01:04:01,400 --> 01:03:59,020

story that it's been all over the

1463

01:04:05,040 --> 01:04:01,410

internet over the last few years and

1464

01:04:07,560 --> 01:04:05,050

it's it's pretty far-fetched but at the

1465

01:04:10,170 --> 01:04:07,570

same time it's believable I would love

1466

01:04:12,150 --> 01:04:10,180

to find somebody you know and I witness

1467

01:04:13,650 --> 01:04:12,160

maybe one of the the railroad workers

1468

01:04:16,140 --> 01:04:13,660

that were working at that time to come

1469

01:04:18,480 --> 01:04:16,150

forward and talk but no one has done

1470

01:04:20,730 --> 01:04:18,490

that at this time we've friend of mine

1471

01:04:22,320 --> 01:04:20,740

Thomas Fugate and I've tried to find

1472

01:04:24,660 --> 01:04:22,330

some witnesses over in that area that we

1473

01:04:26,460 --> 01:04:24,670

maybe saw something or would come

1474

01:04:28,210 --> 01:04:26,470

forward and talk about it or if they've

1475

01:04:30,880 --> 01:04:28,220

even witnessed other UFOs and

1476

01:04:33,940 --> 01:04:30,890

area and we're still looking into that

1477

01:04:36,580 --> 01:04:33,950

well yeah you know I've always wondered

1478

01:04:39,609 --> 01:04:36,590

in situations like this like it seems

1479

01:04:42,190 --> 01:04:39,619

like occasionally I mean not

1480

01:04:43,930 --> 01:04:42,200

occasionally if most people do not keep

1481

01:04:46,240 --> 01:04:43,940

the same job forever and when they're

1482

01:04:48,310 --> 01:04:46,250

told to keep quiet or they lose their

1483

01:04:50,140 --> 01:04:48,320

job or something like that you know

1484

01:04:52,690 --> 01:04:50,150

yeah maybe a couple years later they

1485

01:04:54,880 --> 01:04:52,700

move on to something else and you know

1486

01:04:57,220 --> 01:04:54,890

at that point why aren't they talking

1487

01:05:00,099 --> 01:04:57,230

about it I mean they can't they can't be

1488

01:05:01,900 --> 01:05:00,109

threatened you know well you know you

1489

01:05:03,700 --> 01:05:01,910

always heard of the the men in black

1490

01:05:06,430 --> 01:05:03,710

where the government workers threatening

1491

01:05:08,980 --> 01:05:06,440

if you talk about this bad things are

1492

01:05:11,380 --> 01:05:08,990

going to happen that's one theory that

1493

01:05:13,290 --> 01:05:11,390

there was not just railroad people there

1494

01:05:16,480 --> 01:05:13,300

waiting on them that it was government

1495

01:05:18,970 --> 01:05:16,490

officials and they told them to never

1496

01:05:22,390 --> 01:05:18,980

talk about it do not talk about this or

1497

01:05:25,030 --> 01:05:22,400

else you know again that's one of the

1498

01:05:28,000 --> 01:05:25,040

theories not sure but it makes you

1499

01:05:31,089 --> 01:05:28,010

wonder has there been any men in black

1500

01:05:33,880 --> 01:05:31,099

type situations reported has anyone

1501

01:05:37,079 --> 01:05:33,890

talked about that in that area I'm not

1502

01:05:42,010 --> 01:05:37,089

personally I've not personally had any

1503

01:05:44,380 --> 01:05:42,020

men in black stories there was some and

1504

01:05:47,500 --> 01:05:44,390

in the 1960s you heard about the Mothman

1505

01:05:50,200 --> 01:05:47,510

yes that occurred in Point Pleasant West

1506

01:05:52,329 --> 01:05:50,210

Virginia right now that's one of the

1507

01:05:54,520 --> 01:05:52,339

first times that anybody ever really

1508

01:05:59,160 --> 01:05:54,530

heard about the men in black showing up

1509

01:06:01,660 --> 01:05:59,170

and there was supposedly sightings and

1510

01:06:04,349 --> 01:06:01,670

people who had contact with men in black

1511

01:06:07,960 --> 01:06:04,359

during that time in this the mid-60s

1512

01:06:09,820 --> 01:06:07,970

with the Mothman sightings but I've

1513

01:06:11,050 --> 01:06:09,830

never personally had anybody tell me

1514

01:06:14,560 --> 01:06:11,060

they were approached by anybody like

1515

01:06:17,859 --> 01:06:14,570

that but you know speaking of Mothman

1516

01:06:22,230 --> 01:06:17,869

and other other yeah other other like

1517

01:06:24,820 --> 01:06:22,240

weird sightings like that that are

1518

01:06:27,130 --> 01:06:24,830

happening anything like that in

1519

01:06:28,960 --> 01:06:27,140

particular I mean do you do you listen

1520

01:06:31,329 --> 01:06:28,970

to all the different things that happen

1521

01:06:33,760 --> 01:06:31,339

not just UFOs like oh yeah you know yeah

1522

01:06:35,410 --> 01:06:33,770

people yeah yeah people will tell you

1523

01:06:38,109 --> 01:06:35,420

Bigfoot stories they'll tell you ghost

1524

01:06:39,040 --> 01:06:38,119

stories occasionally and you might hear

1525

01:06:42,940 --> 01:06:39,050

my dog work in the background

1526

01:06:49,310 --> 01:06:45,970

something about a Bigfoot sighting or

1527

01:06:52,359 --> 01:06:49,320

I'm awesome in citing you know you just

1528

01:06:56,680 --> 01:06:52,369

wonder how much of that is true

1529

01:07:01,550 --> 01:06:56,690

it's it's interesting you know I can't

1530

01:07:03,320 --> 01:07:01,560

I've never really been 100% believer on

1531

01:07:06,170 --> 01:07:03,330

the Mothman I think something happened I

1532

01:07:08,329 --> 01:07:06,180

think people had some incidents that

1533

01:07:10,130 --> 01:07:08,339

happened they saw something not sure

1534

01:07:12,500 --> 01:07:10,140

what they saw but it's a pretty

1535

01:07:13,849 --> 01:07:12,510

interesting story and again that made

1536

01:07:17,210 --> 01:07:13,859

national attention of course there have

1537

01:07:19,070 --> 01:07:17,220

been movies made about it yeah and again

1538

01:07:22,040 --> 01:07:19,080

in this area you have Bigfoot sightings

1539

01:07:24,829 --> 01:07:22,050

and I saw something on the news the

1540

01:07:27,020 --> 01:07:24,839

other day where lady over not far from

1541

01:07:29,450 --> 01:07:27,030

here in Eastern Kentucky had a Bigfoot

1542

01:07:30,650 --> 01:07:29,460

sighting one night so you know in the

1543

01:07:32,180 --> 01:07:30,660

mountainous areas you're going to have

1544

01:07:34,339 --> 01:07:32,190

those there have been a lot of Bigfoot

1545

01:07:36,650 --> 01:07:34,349

sightings in Pennsylvania even parts

1546

01:07:39,230 --> 01:07:36,660

Ohio Virginia and West Virginia

1547

01:07:41,000 --> 01:07:39,240

Tennessee and this in these areas with

1548

01:07:45,349 --> 01:07:41,010

all the mountainous areas we have that's

1549

01:07:47,690 --> 01:07:45,359

bound to happen but there's you know

1550

01:07:50,300 --> 01:07:47,700

there's been some there was this one

1551

01:07:53,480 --> 01:07:50,310

case I wrote about it was in

1552

01:07:55,099 --> 01:07:53,490

Hopkinsville Kentucky a few years ago in

1553

01:07:57,470 --> 01:07:55,109

the fear that was also in the 50s where

1554

01:08:00,950 --> 01:07:57,480

oh yeah these people live on a farm they

1555

01:08:04,160 --> 01:08:00,960

saw the Goblin aliens yeah yeah that's

1556

01:08:08,540 --> 01:08:04,170

pretty interesting and we've heard

1557

01:08:09,800 --> 01:08:08,550

recently I was sent a documentary on and

1558

01:08:12,859 --> 01:08:09,810

I haven't actually got a chance to watch

1559

01:08:14,660 --> 01:08:12,869

it yet we're not far from here Pike

1560

01:08:16,579 --> 01:08:14,670

County again the board that there was an

1561

01:08:19,070 --> 01:08:16,589

edible community that some people

1562

01:08:24,740 --> 01:08:19,080

reported seeing similar kinds of

1563

01:08:25,760 --> 01:08:24,750

creatures near an old mine site a coal

1564

01:08:26,450 --> 01:08:25,770

mining site of course they go

1565

01:08:28,340 --> 01:08:26,460

underground

1566

01:08:31,070 --> 01:08:28,350

that these creatures are coming out from

1567

01:08:32,809 --> 01:08:31,080

under there inside the mine again it's

1568

01:08:35,720 --> 01:08:32,819

something I need to look into don't know

1569

01:08:38,840 --> 01:08:35,730

much about it but it's interesting and

1570

01:08:41,539 --> 01:08:38,850

something to definitely piques your

1571

01:08:43,039 --> 01:08:41,549

interest yeah that is it called

1572

01:08:46,370 --> 01:08:43,049

Hopkinsville was that the name of it

1573

01:08:51,289 --> 01:08:46,380

yeah yeah yeah yeah that was a good case

1574

01:08:52,729 --> 01:08:51,299

oh my goodness story yeah I have but for

1575

01:08:54,079 --> 01:08:52,739

the person that's just starting to

1576

01:08:55,640 --> 01:08:54,089

listen to the show that may not be

1577

01:08:58,030 --> 01:08:55,650

familiar with it do

1578

01:09:02,329 --> 01:08:58,040

know enough about it to talk about the

1579

01:09:04,370 --> 01:09:02,339

family yeah yeah when they try to find

1580

01:09:07,610 --> 01:09:04,380

that chapter in the book oh you have

1581

01:09:09,769 --> 01:09:07,620

wrote about it okay yeah I mean they

1582

01:09:12,349 --> 01:09:09,779

were on the roof they were shooting at

1583

01:09:18,260 --> 01:09:12,359

them yeah they were shooting at them

1584

01:09:21,019 --> 01:09:18,270

yeah they and it's a wild story and they

1585

01:09:22,970 --> 01:09:21,029

were they did see them as I I think they

1586

01:09:24,590 --> 01:09:22,980

described him like gremlins or something

1587

01:09:26,329 --> 01:09:24,600

right yeah exactly

1588

01:09:29,570 --> 01:09:26,339

yeah but you know through through

1589

01:09:31,910 --> 01:09:29,580

history people have described aliens or

1590

01:09:34,479 --> 01:09:31,920

different every culture has they have

1591

01:09:39,740 --> 01:09:34,489

goblin you know were leprechauns or

1592

01:09:43,010 --> 01:09:39,750

trolls you know every culture describes

1593

01:09:46,849 --> 01:09:43,020

these things differently

1594

01:09:50,689 --> 01:09:46,859

this happened in 1955 it was in August

1595

01:09:54,939 --> 01:09:50,699

it was a summer night in the a little

1596

01:09:57,260 --> 01:09:54,949

farm near Hopkinsville Kentucky and

1597

01:09:59,720 --> 01:09:57,270

there was a gentleman named Billy Ray

1598

01:10:01,610 --> 01:09:59,730

Taylor and I guess he stopped stepped

1599

01:10:05,740 --> 01:10:01,620

out of the farm and walked out into the

1600

01:10:12,260 --> 01:10:05,750

yard to get some water from the well and

1601
01:10:15,439 --> 01:10:12,270
he noticed a small creature and around

1602
01:10:17,600 --> 01:10:15,449
the farm he ran back in the house to

1603
01:10:21,169 --> 01:10:17,610
tell his wife and some other folks that

1604
01:10:25,340 --> 01:10:21,179
were there and the dogs were outside

1605
01:10:26,720 --> 01:10:25,350
they started barking loudly and they

1606
01:10:27,830 --> 01:10:26,730
grabbed the rifles because they were

1607
01:10:32,090 --> 01:10:27,840
scared I didn't know what these things

1608
01:10:39,169 --> 01:10:32,100
were and they they said they had large

1609
01:10:41,060 --> 01:10:39,179
large eyes short legs long arms similar

1610
01:10:43,189 --> 01:10:41,070
maybe to the greys but maybe a little

1611
01:10:45,110 --> 01:10:43,199
more scarier but of course again you're

1612
01:10:47,390 --> 01:10:45,120
talking 1955 they wouldn't know what a

1613
01:10:50,149 --> 01:10:47,400

gray was at that time it was they were

1614

01:10:52,820 --> 01:10:50,159

just gone in a you know a goblin or

1615

01:10:54,320 --> 01:10:52,830

whatever but they actually said these

1616

01:10:56,240 --> 01:10:54,330

creatures were coming then they were on

1617

01:10:59,720 --> 01:10:56,250

the roof of the house and all surrounded

1618

01:11:01,399 --> 01:10:59,730

them and they actually shot at him and I

1619

01:11:05,810 --> 01:11:01,409

guess they these little they were

1620

01:11:08,110 --> 01:11:05,820

terrorized for for a while that night

1621

01:11:11,530 --> 01:11:08,120

and

1622

01:11:14,140 --> 01:11:11,540

it's a pretty interesting story I don't

1623

01:11:15,430 --> 01:11:14,150

you know again I got in one of the wrote

1624

01:11:16,510 --> 01:11:15,440

about in my second book it's pretty

1625

01:11:19,050 --> 01:11:16,520

interesting you get into little more

1626

01:11:23,350 --> 01:11:19,060

details but it's definitely one of the

1627

01:11:25,810 --> 01:11:23,360

UFO or alien story that's interesting

1628

01:11:27,820 --> 01:11:25,820

from that that time period I'm really

1629

01:11:29,890 --> 01:11:27,830

surprised that no one's made a movie of

1630

01:11:31,930 --> 01:11:29,900

it you know like they always say based

1631

01:11:33,130 --> 01:11:31,940

on a true story you know I mean that

1632

01:11:37,570 --> 01:11:33,140

would seems like that would make a

1633

01:11:39,160 --> 01:11:37,580

really great scary movie actually yeah I

1634

01:11:40,240 --> 01:11:39,170

know no one was killed of course they're

1635

01:11:42,220 --> 01:11:40,250

probably in the movie they'd have to

1636

01:11:44,620 --> 01:11:42,230

kill someone oh yeah yeah that's

1637

01:11:45,850 --> 01:11:44,630

sensationalize it works yeah but yeah

1638

01:11:48,880 --> 01:11:45,860

would probably make a good movie yeah

1639

01:11:51,850 --> 01:11:48,890

yeah I mean I can't imagine if the

1640

01:11:54,400 --> 01:11:51,860

account is really true on what they went

1641

01:11:56,320 --> 01:11:54,410

through and you know how scared they

1642

01:12:00,130 --> 01:11:56,330

must have been and I believe wasn't one

1643

01:12:03,700 --> 01:12:00,140

of the dogs injured or something um I

1644

01:12:06,070 --> 01:12:03,710

think yeah I think so mm-hmm but I mean

1645

01:12:08,800 --> 01:12:06,080

just that whole the traumatizing

1646

01:12:11,590 --> 01:12:08,810

traumatizing situation I can't oh yeah

1647

01:12:13,510 --> 01:12:11,600

yeah you can imagine even this day and

1648

01:12:15,460 --> 01:12:13,520

age if that happens you're out in a

1649

01:12:17,380 --> 01:12:15,470

rural farmhouse or the only house around

1650

01:12:19,330 --> 01:12:17,390

for miles and it's something like it

1651
01:12:22,570 --> 01:12:19,340
happened it'd be you know like you say

1652
01:12:24,880 --> 01:12:22,580
traumatizing or terrorizing but back in

1653
01:12:29,740 --> 01:12:24,890
1955 it would probably didn't even work

1654
01:12:31,690 --> 01:12:29,750
yeah yeah all right so what about by the

1655
01:12:33,190 --> 01:12:31,700
way the lines are open and if anyone

1656
01:12:36,340 --> 01:12:33,200
wants to call in again that number six

1657
01:12:40,740 --> 01:12:36,350
oh three nine six seven four OH three oh

1658
01:12:43,330 --> 01:12:40,750
and what about some of the other

1659
01:12:52,080 --> 01:12:43,340
interesting cases in either one of your

1660
01:12:55,990 --> 01:12:54,280
especially with when they have multiple

1661
01:12:59,200 --> 01:12:56,000
witnesses I think it's always good

1662
01:13:07,530 --> 01:12:59,210
wasn't right because you know yes yeah

1663
01:13:10,060 --> 01:13:07,540

and this this comes from a an area that

1664

01:13:11,370 --> 01:13:10,070

only are probably about 50 miles from

1665

01:13:13,930 --> 01:13:11,380

where I live

1666

01:13:15,520 --> 01:13:13,940

you're familiar there's different kinds

1667

01:13:17,800 --> 01:13:15,530

of mining you've got the deep mining

1668

01:13:19,330 --> 01:13:17,810

where they go underground amount of coal

1669

01:13:20,710 --> 01:13:19,340

and then they've got something they've

1670

01:13:22,390 --> 01:13:20,720

come up with the last few years called

1671

01:13:24,310 --> 01:13:22,400

mountaintops

1672

01:13:26,910 --> 01:13:24,320

removal mining where they blast off the

1673

01:13:31,960 --> 01:13:26,920

top of the mountain to get to the coal

1674

01:13:35,530 --> 01:13:31,970

well I've heard rumblings for this years

1675

01:13:36,940 --> 01:13:35,540

ago and then through my interviews with

1676

01:13:39,160 --> 01:13:36,950

the lady are talking about another

1677

01:13:41,650 --> 01:13:39,170

fighting she has she said you know you

1678

01:13:45,820 --> 01:13:41,660

really need to talk to my cousin his

1679

01:13:48,490 --> 01:13:45,830

name is Lloyd Mills and I'd heard of him

1680

01:13:51,820 --> 01:13:48,500

and he lives fairly close to where I do

1681

01:13:55,570 --> 01:13:51,830

she said he's got a great story and it

1682

01:13:57,460 --> 01:13:55,580

came from his work area and he wasn't

1683

01:14:00,220 --> 01:13:57,470

the only one who saw it so I got ahold

1684

01:14:02,890 --> 01:14:00,230

of him and he agreed to talk to me and

1685

01:14:07,300 --> 01:14:02,900

shared his story he was again a Navy

1686

01:14:12,280 --> 01:14:07,310

veteran during the Vietnam era but he

1687

01:14:14,350 --> 01:14:12,290

was working in a community out in roll

1688

01:14:16,390 --> 01:14:14,360

Mingo County as a mountaintop removal

1689

01:14:18,940 --> 01:14:16,400

fight they were they were mining coal

1690

01:14:24,610 --> 01:14:18,950

and it was the second third shift so it

1691

01:14:27,730 --> 01:14:24,620

was at night and they're out there they

1692

01:14:28,840 --> 01:14:27,740

have different areas of the project that

1693

01:14:32,050 --> 01:14:28,850

they're working on when they were doing

1694

01:14:34,150 --> 01:14:32,060

the coal and they have to course

1695

01:14:37,630 --> 01:14:34,160

communicate with walkie-talkie or by

1696

01:14:39,670 --> 01:14:37,640

radio with the the big equipment and

1697

01:14:44,410 --> 01:14:39,680

trucks that they use but he was the

1698

01:14:48,130 --> 01:14:44,420

nightshift supervisor and they were

1699

01:14:51,040 --> 01:14:48,140

working it was in a September so it was

1700

01:14:53,980 --> 01:14:51,050

getting close to fall early September

1701

01:15:00,100 --> 01:14:53,990

and it was real clear that night he said

1702

01:15:02,710 --> 01:15:00,110

and probably had about 20 employees on

1703

01:15:05,110 --> 01:15:02,720

both sides of the mountain and he said

1704

01:15:07,060 --> 01:15:05,120

one employee was running a large

1705

01:15:09,190 --> 01:15:07,070

bulldozer and he called over the CB

1706

01:15:12,490 --> 01:15:09,200

radio and said what are those two lights

1707

01:15:14,280 --> 01:15:12,500

coming down the holler and he said he

1708

01:15:17,050 --> 01:15:14,290

looked up and it looked like two big

1709

01:15:19,570 --> 01:15:17,060

headlights floating right down between

1710

01:15:23,410 --> 01:15:19,580

the mountains where they were working

1711

01:15:27,070 --> 01:15:23,420

and these lights began shining down on

1712

01:15:28,600 --> 01:15:27,080

the workers and the equipment and as

1713

01:15:30,550 --> 01:15:28,610

they squeezed down you know through the

1714

01:15:33,190 --> 01:15:30,560

the valley there between the mountains

1715

01:15:35,500 --> 01:15:33,200

and so you had about 40 miners that were

1716

01:15:39,220 --> 01:15:35,510

working two different crews there and

1717

01:15:43,650 --> 01:15:39,230

all saw this this craft this UFO I mean

1718

01:15:45,790 --> 01:15:43,660

they were freaking out they were all

1719

01:15:47,380 --> 01:15:45,800

stopped working of course they start

1720

01:15:50,140 --> 01:15:47,390

looking at this they're watching it for

1721

01:15:52,690 --> 01:15:50,150

several minutes there were some gaps

1722

01:15:55,270 --> 01:15:52,700

over in another section there by their

1723

01:15:57,700 --> 01:15:55,280

self they call over and said there was

1724

01:16:02,070 --> 01:15:57,710

lights over top of them they were scared

1725

01:16:05,710 --> 01:16:02,080

like you know what's going on here and

1726

01:16:07,090 --> 01:16:05,720

it's like they were almost being they

1727

01:16:09,430 --> 01:16:07,100

were beaming a light down like they were

1728

01:16:12,580 --> 01:16:09,440

checking out what these guys were doing

1729

01:16:14,860 --> 01:16:12,590

with the coal mining operation and they

1730

01:16:17,170 --> 01:16:14,870

said you know it's pretty unsettling you

1731

01:16:21,040 --> 01:16:17,180

know but they had vivid memories of this

1732

01:16:24,010 --> 01:16:21,050

happening and had a couple other guys

1733

01:16:25,479 --> 01:16:24,020

that worked there on that same operation

1734

01:16:27,160 --> 01:16:25,489

that came forward and said yeah it

1735

01:16:29,530 --> 01:16:27,170

really happened you know but we were

1736

01:16:31,930 --> 01:16:29,540

told by our superiors not to talk about

1737

01:16:33,820 --> 01:16:31,940

it you know they say that that time they

1738

01:16:35,620 --> 01:16:33,830

were even contacted by the newspaper but

1739

01:16:36,910 --> 01:16:35,630

they didn't talk about it they were told

1740

01:16:39,250 --> 01:16:36,920

you know if you talk about it

1741

01:16:41,560 --> 01:16:39,260

you lose your jobs so clam it up we

1742

01:16:43,180 --> 01:16:41,570

don't want anybody coming around this

1743

01:16:46,479 --> 01:16:43,190

property or coming around our operation

1744

01:16:47,650 --> 01:16:46,489

talking about UFOs but you know I think

1745

01:16:50,500 --> 01:16:47,660

it's pretty neat when you have that many

1746

01:16:53,050 --> 01:16:50,510

witnesses that see the same thing it's

1747

01:16:55,120 --> 01:16:53,060

not like one or two guys out you know

1748

01:16:58,510 --> 01:16:55,130

fishing on a river that's see it you've

1749

01:17:01,990 --> 01:16:58,520

got multiple witnesses to me that tends

1750

01:17:03,310 --> 01:17:02,000

to make you think something happen you

1751

01:17:05,110 --> 01:17:03,320

know it's it's funny you're mentioning

1752

01:17:06,610 --> 01:17:05,120

the fact that they were told not to talk

1753

01:17:10,240 --> 01:17:06,620

about it and why they were told not to

1754

01:17:13,510 --> 01:17:10,250

talk about it and you know sometimes I

1755

01:17:16,780 --> 01:17:13,520

think why is that why aren't they

1756

01:17:18,820 --> 01:17:16,790

supposed to talk about it and so from

1757

01:17:20,860 --> 01:17:18,830

the standpoint of the employer he

1758

01:17:23,140 --> 01:17:20,870

doesn't want people you know coming

1759

01:17:25,300 --> 01:17:23,150

around newspaper reporters or reporters

1760

01:17:27,220 --> 01:17:25,310

coming in and you know to talk about it

1761

01:17:29,890 --> 01:17:27,230

and a really good example of that is

1762

01:17:34,750 --> 01:17:29,900

Calvin Parker when the news got out

1763

01:17:38,320 --> 01:17:34,760

about the Pascagoula incident he had to

1764

01:17:39,880 --> 01:17:38,330

actually his boss actually told him go

1765

01:17:42,729 --> 01:17:39,890

away you know go away for a couple weeks

1766

01:17:46,630 --> 01:17:42,739

till this dies down yeah so I get it but

1767

01:17:48,380 --> 01:17:46,640

the part I don't get is is you know

1768

01:17:49,880 --> 01:17:48,390

don't talk about it ever

1769

01:17:52,310 --> 01:17:49,890

you know I mean that that doesn't make

1770

01:17:53,990 --> 01:17:52,320

any sense because after something blows

1771

01:17:56,900 --> 01:17:54,000

over you know why can't you talk about

1772

01:17:58,520 --> 01:17:56,910

it well that's why I think that mr.

1773

01:18:00,470 --> 01:17:58,530

Mill's finally talked when I called him

1774

01:18:01,880 --> 01:18:00,480

is when he's retired now he said yeah

1775

01:18:03,350 --> 01:18:01,890

I'll talk about it because it happened

1776

01:18:06,170 --> 01:18:03,360

he said and you know he goes to church

1777

01:18:08,960 --> 01:18:06,180

he's a god-fearing man he said you know

1778

01:18:11,120 --> 01:18:08,970

I don't care yeah I'll tell anybody that

1779

01:18:12,440 --> 01:18:11,130

happens we saw it you know I don't know

1780

01:18:13,550 --> 01:18:12,450

what they were but there was strange

1781

01:18:17,690 --> 01:18:13,560

objects they were floating around

1782

01:18:19,970 --> 01:18:17,700

they're beaming lights down and you know

1783

01:18:21,830 --> 01:18:19,980

it did it did happen and he came forward

1784

01:18:23,270 --> 01:18:21,840

and talked about it but like I said I've

1785

01:18:24,620 --> 01:18:23,280

talked to a couple of the other guys and

1786

01:18:27,650 --> 01:18:24,630

they still don't want to talk about I

1787

01:18:30,320 --> 01:18:27,660

think more because they were scared when

1788

01:18:31,840 --> 01:18:30,330

it happened not the fact that you know

1789

01:18:35,870 --> 01:18:31,850

they were going to lose their jobs

1790

01:18:37,700 --> 01:18:35,880

20-some years later yes so but like you

1791

01:18:40,010 --> 01:18:37,710

said yeah and I talked to a couple other

1792

01:18:41,300 --> 01:18:40,020

guys that worked in the same area and it

1793

01:18:44,090 --> 01:18:41,310

was pretty remote some of these money

1794

01:18:46,130 --> 01:18:44,100

and they said as they left that area

1795

01:18:50,740 --> 01:18:46,140

many times they saw some strange lights

1796

01:18:54,070 --> 01:18:50,750

in the same area one of those was a

1797

01:18:57,020 --> 01:18:54,080

pastor and he said you know I'm leaving

1798

01:18:59,270 --> 01:18:57,030

late at night and I'm watching this UFO

1799

01:19:01,310 --> 01:18:59,280

I just pull over and watch it it you

1800

01:19:03,980 --> 01:19:01,320

know it's real close it's one all over

1801
01:19:06,620 --> 01:19:03,990
across the sky and you know again they

1802
01:19:09,710 --> 01:19:06,630
had no reason to make up stories these

1803
01:19:11,930 --> 01:19:09,720
people they just want to share and tell

1804
01:19:16,160 --> 01:19:11,940
everybody what they saw and they're

1805
01:19:18,680 --> 01:19:16,170
tired of keeping quiet yeah yeah and you

1806
01:19:22,640 --> 01:19:18,690
know you mentioned that you know the

1807
01:19:23,750 --> 01:19:22,650
other witnesses to that sighting you

1808
01:19:24,890 --> 01:19:23,760
know didn't want to talk about it

1809
01:19:27,290 --> 01:19:24,900
because they are more or less spooked

1810
01:19:30,080 --> 01:19:27,300
about the situation and that is

1811
01:19:33,050 --> 01:19:30,090
something you do do here a lot a lot

1812
01:19:34,580 --> 01:19:33,060
that you know some people just don't

1813
01:19:36,020 --> 01:19:34,590

they want to just forget it ever

1814

01:19:38,030 --> 01:19:36,030

happened and don't even want to talk

1815

01:19:40,310 --> 01:19:38,040

about it again yeah yeah

1816

01:19:42,140 --> 01:19:40,320

really like you say spooks me scares

1817

01:19:45,940 --> 01:19:42,150

them and they they don't they just want

1818

01:19:48,020 --> 01:19:45,950

to out of sight out of mind you know but

1819

01:19:51,080 --> 01:19:48,030

sometimes eventually they come around

1820

01:19:54,440 --> 01:19:51,090

and they'll talk about it but most of

1821

01:19:56,900 --> 01:19:54,450

time you know it scares them you know

1822

01:19:58,510 --> 01:19:56,910

and it is a sort of scary situation I

1823

01:20:00,710 --> 01:19:58,520

mean I've talked to several people that

1824

01:20:01,800 --> 01:20:00,720

still have when they tell their story

1825

01:20:05,160 --> 01:20:01,810

you can just see the

1826

01:20:09,000 --> 01:20:05,170

they're uneasy to talk about it yeah

1827

01:20:11,250 --> 01:20:09,010

and when you had your your sightings all

1828

01:20:13,650 --> 01:20:11,260

that sounds like three sightings you may

1829

01:20:17,930 --> 01:20:13,660

have had total yeah

1830

01:20:22,110 --> 01:20:20,310

only when I was really young the first

1831

01:20:23,940 --> 01:20:22,120

one when I was eight nine years old

1832

01:20:25,620 --> 01:20:23,950

really scared because it was just a kid

1833

01:20:28,650 --> 01:20:25,630

and you're talking in the mid-60s and

1834

01:20:30,300 --> 01:20:28,660

you're talking the shows we had on TV

1835

01:20:32,310 --> 01:20:30,310

with the outer limits and the twilight

1836

01:20:34,500 --> 01:20:32,320

zone so you know if you remember they

1837

01:20:37,440 --> 01:20:34,510

always make those aliens sort of scary

1838

01:20:39,510 --> 01:20:37,450

so yeah my sister and I were both a

1839

01:20:44,460 --> 01:20:39,520

little spooked at that time but I was

1840

01:20:47,730 --> 01:20:44,470

still curious and but now later on when

1841

01:20:49,830 --> 01:20:47,740

I was a teenager I wasn't really scared

1842

01:20:52,110 --> 01:20:49,840

I was more amazed you know it was a

1843

01:20:54,240 --> 01:20:52,120

little uneasy but just I was just

1844

01:20:57,440 --> 01:20:54,250

fascinated you know mesmerised and of

1845

01:21:00,600 --> 01:20:57,450

course now as a adult and the one I saw

1846

01:21:03,420 --> 01:21:00,610

here a few years ago in 2012 with so

1847

01:21:04,800 --> 01:21:03,430

many others just I was so happy to be

1848

01:21:06,600 --> 01:21:04,810

able to have another sighting after all

1849

01:21:08,940 --> 01:21:06,610

these years because I'm always looking

1850

01:21:10,320 --> 01:21:08,950

up hoping to see something again you

1851
01:21:13,380 --> 01:21:10,330
know they always say be careful what you

1852
01:21:16,560 --> 01:21:13,390
ask for but yeah hey I want to see them

1853
01:21:18,300 --> 01:21:16,570
you know I want to know I told Stan

1854
01:21:19,530 --> 01:21:18,310
Friedman of course you know him and I

1855
01:21:21,510 --> 01:21:19,540
get to interview him meet him a few

1856
01:21:23,940 --> 01:21:21,520
years ago I said I feel like I'm the guy

1857
01:21:26,040 --> 01:21:23,950
Richard Dreyfuss character on Close

1858
01:21:29,190 --> 01:21:26,050
Encounters of the Third Kind you know I

1859
01:21:31,110 --> 01:21:29,200
just got to know I want I want to go and

1860
01:21:35,300 --> 01:21:31,120
find out what's really going on I want

1861
01:21:40,710 --> 01:21:35,310
to I need to know you know the truth

1862
01:21:43,520 --> 01:21:40,720
yeah I I think that I I was a lot like

1863
01:21:47,100 --> 01:21:43,530

what you said earlier I was kind of

1864

01:21:49,470 --> 01:21:47,110

mesmerised and you know amazed and

1865

01:21:52,950 --> 01:21:49,480

everything on my one really good

1866

01:21:54,840 --> 01:21:52,960

sighting that I had I wasn't afraid but

1867

01:21:57,990 --> 01:21:54,850

I'll tell you what if that thing turned

1868

01:22:01,020 --> 01:21:58,000

around came you know back or made some

1869

01:22:02,490 --> 01:22:01,030

type of threatening motion in any type

1870

01:22:03,720 --> 01:22:02,500

of way or that it was gonna land or

1871

01:22:04,560 --> 01:22:03,730

something like that I would be a whole

1872

01:22:07,560 --> 01:22:04,570

different story

1873

01:22:09,900 --> 01:22:07,570

but yeah just seeing it where it was no

1874

01:22:13,050 --> 01:22:09,910

threat at all it was just mesmerizing

1875

01:22:14,090 --> 01:22:13,060

and you know amazing and that was plain

1876

01:22:15,860 --> 01:22:14,100

it

1877

01:22:18,080 --> 01:22:15,870

but you know you mentioned something

1878

01:22:21,770 --> 01:22:18,090

really kind of important and that is

1879

01:22:22,880 --> 01:22:21,780

you're always looking at that a lot of

1880

01:22:27,110 --> 01:22:22,890

people that listen to the show are

1881

01:22:29,840 --> 01:22:27,120

always looking to and that is not the

1882

01:22:32,270 --> 01:22:29,850

common person though you know and a lot

1883

01:22:33,439 --> 01:22:32,280

of people that we even consider it some

1884

01:22:35,620 --> 01:22:33,449

people don't even look up at the stars

1885

01:22:38,650 --> 01:22:35,630

you know I mean I I understand that but

1886

01:22:42,169 --> 01:22:38,660

that's something I've always done and

1887

01:22:45,620 --> 01:22:42,179

yeah I think once you see something

1888

01:22:47,750 --> 01:22:45,630

you're always sort of more alert yeah my

1889

01:22:49,880 --> 01:22:47,760

wife says you're definitely a reporter

1890

01:22:52,130 --> 01:22:49,890

because you're always observing things

1891

01:22:54,680 --> 01:22:52,140

and noticing things and asking questions

1892

01:22:56,870 --> 01:22:54,690

and I guess she's right that they

1893

01:22:58,970 --> 01:22:56,880

intuitive personality but I'm always

1894

01:23:00,290 --> 01:22:58,980

looking up I walk my dog at night I'm

1895

01:23:02,689 --> 01:23:00,300

always looking up hoping to see

1896

01:23:04,340 --> 01:23:02,699

something you know looking at every

1897

01:23:05,750 --> 01:23:04,350

light that's blinking or you know

1898

01:23:07,970 --> 01:23:05,760

satellite or whatever it's going over

1899

01:23:09,260 --> 01:23:07,980

but a lot of people that's what one guy

1900

01:23:10,459 --> 01:23:09,270

telling me he said how many people

1901

01:23:12,380 --> 01:23:10,469

actually look up

1902

01:23:13,610 --> 01:23:12,390

he said they probably don't they don't

1903

01:23:15,890 --> 01:23:13,620

even think about it because they're just

1904

01:23:18,320 --> 01:23:15,900

busy or driving down the road or what

1905

01:23:20,540 --> 01:23:18,330

you know whatever and they don't even

1906

01:23:21,590 --> 01:23:20,550

think about it but unless it sort of

1907

01:23:24,680 --> 01:23:21,600

hits him right in the face

1908

01:23:27,680 --> 01:23:24,690

right so yes people need to be more

1909

01:23:29,720 --> 01:23:27,690

aware yeah well it's like like you said

1910

01:23:31,760 --> 01:23:29,730

the dog walkers in the cigarette smokers

1911

01:23:35,840 --> 01:23:31,770

they say have people that see the most

1912

01:23:40,330 --> 01:23:35,850

the most sightings and I've never smoked

1913

01:23:43,910 --> 01:23:40,340

but I definitely have a dog but yeah but

1914

01:23:49,430 --> 01:23:43,920

in my sighting was in the hot tub you

1915

01:23:51,770 --> 01:23:49,440

know and I saw okay not just a UFO you

1916

01:23:53,959 --> 01:23:51,780

know over the years of many years and a

1917

01:23:56,560 --> 01:23:53,969

hot tub you know you see some I saw an

1918

01:24:00,470 --> 01:23:56,570

amazing fireball once and you see some

1919

01:24:02,120 --> 01:24:00,480

saddle many satellites oh yeah a matter

1920

01:24:05,419 --> 01:24:02,130

of fact I see more satellites now than I

1921

01:24:07,820 --> 01:24:05,429

ever saw because you're looking up yeah

1922

01:24:10,130 --> 01:24:07,830

and there are more satellites yeah as

1923

01:24:11,600 --> 01:24:10,140

funny sit at one of the other stories I

1924

01:24:14,479 --> 01:24:11,610

had in one of my books there was a guy

1925

01:24:17,720 --> 01:24:14,489

that was in a hot tub and had a sighting

1926

01:24:19,370 --> 01:24:17,730

oh man that same night he said you know

1927

01:24:21,979 --> 01:24:19,380

he had deciding and he's watching the

1928

01:24:24,740 --> 01:24:21,989

news that night and it was actually

1929

01:24:27,050 --> 01:24:24,750

reported on the local TV news that

1930

01:24:27,790 --> 01:24:27,060

several people had saw the same thing

1931

01:24:30,110 --> 01:24:27,800

that he did

1932

01:24:32,810 --> 01:24:30,120

again I always think it's good when you

1933

01:24:38,000 --> 01:24:32,820

have multiple sightings and and multiple

1934

01:24:39,380 --> 01:24:38,010

reports and does make the news I thought

1935

01:24:43,040 --> 01:24:39,390

I'd share another story with you there

1936

01:24:45,800 --> 01:24:43,050

yeah this one happened in Rowan County

1937

01:24:49,850 --> 01:24:45,810

Kentucky town called Morehead there's a

1938

01:24:53,570 --> 01:24:49,860

college there Morehead University and

1939

01:24:55,430 --> 01:24:53,580

the guy that I actually got to talk to a

1940

01:25:02,270 --> 01:24:55,440

little bit was a college professor at

1941

01:25:06,260 --> 01:25:02,280

the school and he was coming home one

1942

01:25:08,360 --> 01:25:06,270

night he said and he's with his sons and

1943

01:25:11,810 --> 01:25:08,370

as they were pulling up in the driveway

1944

01:25:18,260 --> 01:25:11,820

they saw these strange strange lights

1945

01:25:19,970 --> 01:25:18,270

not far from where they were and they

1946

01:25:21,260 --> 01:25:19,980

ran into the house and went up like to

1947

01:25:27,100 --> 01:25:21,270

the second floor to try to get a better

1948

01:25:32,470 --> 01:25:27,110

view and a little later on they heard a

1949

01:25:36,950 --> 01:25:32,480

woman screaming and next thing you know

1950

01:25:39,010 --> 01:25:36,960

there are police and fire firemen

1951
01:25:41,390 --> 01:25:39,020
showing up because people have heard

1952
01:25:44,540 --> 01:25:41,400
they've got the reports of the UFO and

1953
01:25:46,040 --> 01:25:44,550
then it reports a woman screaming so

1954
01:25:48,200 --> 01:25:46,050
they come out and they're investigating

1955
01:25:50,300 --> 01:25:48,210
trying to find where this these screams

1956
01:25:54,440 --> 01:25:50,310
are coming from or where this woman is

1957
01:25:56,450 --> 01:25:54,450
coming from and so you had definitely

1958
01:25:59,450 --> 01:25:56,460
911 one reports because they had several

1959
01:26:02,270 --> 01:25:59,460
calls about the UFO and a woman

1960
01:26:04,370 --> 01:26:02,280
streaming and again this was in the

1961
01:26:09,320 --> 01:26:04,380
evening about 9:00 between 9 and 10

1962
01:26:11,870 --> 01:26:09,330
o'clock in the summer months and but the

1963
01:26:13,130 --> 01:26:11,880

more I talked to the witness he just

1964

01:26:15,200 --> 01:26:13,140

decided he just didn't want to talk

1965

01:26:17,420 --> 01:26:15,210

about it again I think he was spooked at

1966

01:26:19,310 --> 01:26:17,430

the same time you know when you've got a

1967

01:26:21,800 --> 01:26:19,320

job and that kind of profession you

1968

01:26:23,330 --> 01:26:21,810

probably start thinking well maybe I

1969

01:26:25,370 --> 01:26:23,340

better not talk too much about this I

1970

01:26:27,710 --> 01:26:25,380

don't want the Felicity you know the

1971

01:26:31,010 --> 01:26:27,720

there's still the stigma and the

1972

01:26:33,800 --> 01:26:31,020

stereotype it's not as much as it used

1973

01:26:35,390 --> 01:26:33,810

to be but it's still there so you

1974

01:26:37,550 --> 01:26:35,400

sometimes it's really hard to get people

1975

01:26:39,200 --> 01:26:37,560

to talk or if they will talk to you they

1976

01:26:41,540 --> 01:26:39,210

don't want you to use their name you

1977

01:26:43,129 --> 01:26:41,550

know I'll use a fake name or what

1978

01:26:47,750 --> 01:26:43,139

and I hate that because you know you

1979

01:26:50,089 --> 01:26:47,760

really want to lend the credibility to

1980

01:26:52,339 --> 01:26:50,099

the stories yeah I've never been I've

1981

01:26:54,589 --> 01:26:52,349

never been too much for someone that

1982

01:26:57,319 --> 01:26:54,599

wants to remain anonymous I've I think

1983

01:26:59,030 --> 01:26:57,329

I've had one show only where someone

1984

01:27:02,660 --> 01:26:59,040

wanted me to just use their first name

1985

01:27:06,470 --> 01:27:02,670

only and right but I I think that's

1986

01:27:08,479 --> 01:27:06,480

that's it and I I've watched a few

1987

01:27:11,330 --> 01:27:08,489

documentaries or a few interviews with

1988

01:27:13,490 --> 01:27:11,340

people that want to remain anonymous and

1989

01:27:16,819 --> 01:27:13,500

I I don't really do I don't think it

1990

01:27:19,850 --> 01:27:16,829

holds a lot of salt really yeah I mean

1991

01:27:21,740 --> 01:27:19,860

it doesn't seem to be as credible and

1992

01:27:24,649 --> 01:27:21,750

sometimes I can understand like I say if

1993

01:27:28,250 --> 01:27:24,659

they have a certain job or or whatever

1994

01:27:30,620 --> 01:27:28,260

reason but I'd rather them use their

1995

01:27:32,870 --> 01:27:30,630

real name and not you know want me to

1996

01:27:34,700 --> 01:27:32,880

use an alias but I have done it if the

1997

01:27:36,530 --> 01:27:34,710

story was good enough yeah and I

1998

01:27:39,140 --> 01:27:36,540

believed them you know and you can

1999

01:27:40,910 --> 01:27:39,150

usually you can weed through it if

2000

01:27:44,899 --> 01:27:40,920

you've been in the business long enough

2001

01:27:46,850 --> 01:27:44,909

you can tell who's really got good

2002

01:27:47,930 --> 01:27:46,860

stories and those or maybe a little

2003

01:27:49,879 --> 01:27:47,940

little out there

2004

01:27:52,520 --> 01:27:49,889

you can just tell you get that feeling I

2005

01:27:54,319 --> 01:27:52,530

always have that that's sick sense of

2006

01:27:57,740 --> 01:27:54,329

feel when I'm talking to people you can

2007

01:28:00,950 --> 01:27:57,750

tell whether they're true or not the

2008

01:28:03,109 --> 01:28:00,960

third book that you've written did these

2009

01:28:04,609 --> 01:28:03,119

stories you mentioned you know when

2010

01:28:06,740 --> 01:28:04,619

you're doing a book signing people talk

2011

01:28:08,959 --> 01:28:06,750

to you and stuff like that yeah is that

2012

01:28:10,879 --> 01:28:08,969

how that came together like people I've

2013

01:28:12,310 --> 01:28:10,889

read your other books and send you more

2014

01:28:14,720 --> 01:28:12,320

stories or how did that

2015

01:28:19,189 --> 01:28:14,730

thank you most of the stories in that

2016

01:28:21,109 --> 01:28:19,199

wood did come about where once the word

2017

01:28:22,399 --> 01:28:21,119

got out and I did book signings and

2018

01:28:25,189 --> 01:28:22,409

people start reading the books people

2019

01:28:29,270 --> 01:28:25,199

started contacting me and sharing

2020

01:28:33,649 --> 01:28:29,280

stories with me and it's sort of amazing

2021

01:28:38,120 --> 01:28:33,659

once you know how that happens there

2022

01:28:40,520 --> 01:28:38,130

were there was I've never had a book

2023

01:28:43,910 --> 01:28:40,530

signing or an appearance where I didn't

2024

01:28:46,660 --> 01:28:43,920

have somebody come up and not sheriff's

2025

01:28:51,020 --> 01:28:46,670

to worry with me usually multiple times

2026
01:28:53,990 --> 01:28:51,030
you know and again good credible people

2027
01:28:55,820 --> 01:28:54,000
that in all walks of life different

2028
01:29:00,470 --> 01:28:55,830
professions

2029
01:29:03,670 --> 01:29:00,480
some were even military some were first

2030
01:29:07,220 --> 01:29:03,680
responders you know just real good

2031
01:29:08,000 --> 01:29:07,230
upstanding citizens and they are some

2032
01:29:11,090 --> 01:29:08,010
really good stories

2033
01:29:13,970 --> 01:29:11,100
I think more people have had sightings

2034
01:29:15,950 --> 01:29:13,980
than we realize but most of them just

2035
01:29:18,380 --> 01:29:15,960
don't want to come forward and talk

2036
01:29:22,130 --> 01:29:18,390
about it but I'm thinking that slowly

2037
01:29:25,910 --> 01:29:22,140
changing with over the years much more

2038
01:29:30,560 --> 01:29:25,920

now than it did in 70s 60s 70s even the

2039

01:29:32,870 --> 01:29:30,570

80s you know you had the same thing with

2040

01:29:34,820 --> 01:29:32,880

journalists you had I think you're going

2041

01:29:38,840 --> 01:29:34,830

to have somebody on later and one of

2042

01:29:41,860 --> 01:29:38,850

your future shows on about the width

2043

01:29:43,850 --> 01:29:41,870

bill Virginia sightings in the late 80s

2044

01:29:47,120 --> 01:29:43,860

where they had that whole way these

2045

01:29:50,450 --> 01:29:47,130

sightings down there and that's uncanny

2046

01:29:52,760 --> 01:29:50,460

mmm yes Shawn Koz is great guy but he

2047

01:29:55,520 --> 01:29:52,770

got to talk Danny Gordon who was a

2048

01:29:58,700 --> 01:29:55,530

journalist like me former newspaper guy

2049

01:30:00,560 --> 01:29:58,710

and I also used to work at Radio 2 and

2050

01:30:02,450 --> 01:30:00,570

Danny was working radio at that time and

2051

01:30:05,750 --> 01:30:02,460

he was right on the fringe of that

2052

01:30:07,160 --> 01:30:05,760

getting reports from the local law

2053

01:30:09,200 --> 01:30:07,170

enforcement and people that were seeing

2054

01:30:11,270 --> 01:30:09,210

all those UFOs during that time down

2055

01:30:13,100 --> 01:30:11,280

there and with Virginia which is a part

2056

01:30:14,390 --> 01:30:13,110

of the Appalachian Mountains I will be

2057

01:30:16,340 --> 01:30:14,400

really interesting when you get to talk

2058

01:30:17,510 --> 01:30:16,350

about the asta see they have a lot more

2059

01:30:19,580 --> 01:30:17,520

information on that than I do

2060

01:30:23,620 --> 01:30:19,590

yeah we have a call coming in hang on

2061

01:30:26,870 --> 01:30:23,630

just a second great trying to join it

2062

01:30:29,240 --> 01:30:26,880

caller welcome to the show your first

2063

01:30:31,930 --> 01:30:29,250

name where you calling from my name is

2064

01:30:35,030 --> 01:30:31,940

Kim I'm calling from Alberta Canada

2065

01:30:38,270 --> 01:30:35,040

welcome to the trail you have some snow

2066

01:30:40,730 --> 01:30:38,280

here voice oh it's no one up here like

2067

01:30:43,880 --> 01:30:40,740

crazy in the last few days but just cold

2068

01:30:46,670 --> 01:30:43,890

yeah lots of cold yeah time to stay in

2069

01:30:48,590 --> 01:30:46,680

the house yeah yeah right you head look

2070

01:30:50,300 --> 01:30:48,600

outside I'm looking out right now at the

2071

01:30:53,360 --> 01:30:50,310

sliver of the moon here it's just kind

2072

01:30:55,010 --> 01:30:53,370

of getting dark here so yeah we're kind

2073

01:30:57,620 --> 01:30:55,020

of a little later in the day or whatever

2074

01:30:59,810 --> 01:30:57,630

Lee in the day than you guys but that's

2075

01:31:02,660 --> 01:30:59,820

right all the same with you you have a

2076

01:31:04,010 --> 01:31:02,670

great show everybody in chat room there

2077

01:31:06,710 --> 01:31:04,020

I just want to say hi to everybody

2078

01:31:08,820 --> 01:31:06,720

and I wanted to just there was a couple

2079

01:31:13,140 --> 01:31:08,830

questions Martin that slipped by

2080

01:31:15,050 --> 01:31:13,150

maybe one of them being well when we

2081

01:31:18,870 --> 01:31:15,060

were just talking about ball lightning

2082

01:31:21,210 --> 01:31:18,880

my grandmother or my whatever scene one

2083

01:31:22,710 --> 01:31:21,220

goes to her farm house always claimed it

2084

01:31:25,980 --> 01:31:22,720

was ball lightning and never even asked

2085

01:31:29,720 --> 01:31:25,990

her ever if she thought it was a UFO or

2086

01:31:31,890 --> 01:31:29,730

some other kind of intelligent thing but

2087

01:31:35,400 --> 01:31:31,900

definitely that countryside there from

2088

01:31:36,630 --> 01:31:35,410

his is full of weird stories but I was

2089

01:31:40,770 --> 01:31:36,640

wondering what Kyle thought of ball

2090

01:31:44,640 --> 01:31:40,780

lightning uh you know that's one of

2091

01:31:47,250 --> 01:31:44,650

those things that people have talked

2092

01:31:48,660 --> 01:31:47,260

about whether it's a UFO or it is

2093

01:31:51,270 --> 01:31:48,670

something like ball lightning you have a

2094

01:31:55,170 --> 01:31:51,280

lot of people reporting orbs that are

2095

01:31:57,630 --> 01:31:55,180

similar to that and I guess it just

2096

01:31:58,500 --> 01:31:57,640

depends on the the different situation

2097

01:32:01,140 --> 01:31:58,510

you'd have to have a little more

2098

01:32:03,810 --> 01:32:01,150

evidence or a little more information

2099

01:32:05,910 --> 01:32:03,820

about each case and to try to determine

2100

01:32:07,710 --> 01:32:05,920

but like you said your grandmother or

2101
01:32:09,930 --> 01:32:07,720
she saw something she's not going to say

2102
01:32:11,880 --> 01:32:09,940
she does she saw EF oh she's probably

2103
01:32:14,400 --> 01:32:11,890
going to talk about it being something

2104
01:32:16,170 --> 01:32:14,410
that she can explain I think a lot of

2105
01:32:18,900 --> 01:32:16,180
times that's what people do oh it was

2106
01:32:21,420 --> 01:32:18,910
ball lighting or it was a meteor or you

2107
01:32:24,090 --> 01:32:21,430
know some other something that they

2108
01:32:27,210 --> 01:32:24,100
could explain it makes it easier for

2109
01:32:28,950 --> 01:32:27,220
them to understand absolutely yeah

2110
01:32:31,290 --> 01:32:28,960
someone that means when that plasma

2111
01:32:34,050 --> 01:32:31,300
discharge kind of phenomena that seems

2112
01:32:37,320 --> 01:32:34,060
to take place in certain places like

2113
01:32:39,360 --> 01:32:37,330

mountains and oh yeah an electrical

2114

01:32:42,620 --> 01:32:39,370

thing that's happening that the planet

2115

01:32:45,480 --> 01:32:42,630

itself is discharging some kind of a

2116

01:32:46,770 --> 01:32:45,490

photons or I mean you look at some of

2117

01:32:48,420 --> 01:32:46,780

that stuff in Antarctica that's

2118

01:32:51,480 --> 01:32:48,430

happening and they say that some of

2119

01:32:53,370 --> 01:32:51,490

these weird particles that are coming

2120

01:32:55,560 --> 01:32:53,380

off of the planet that shouldn't really

2121

01:32:58,200 --> 01:32:55,570

be happening which is kind of another

2122

01:33:00,210 --> 01:32:58,210

weird side story but I just think the

2123

01:33:01,860 --> 01:33:00,220

planet itself seems to have a phenomena

2124

01:33:04,950 --> 01:33:01,870

to itself that maybe it's because of the

2125

01:33:07,910 --> 01:33:04,960

electrical phenomena with being a huge

2126

01:33:10,740 --> 01:33:07,920

big motor itself creating this

2127

01:33:12,630 --> 01:33:10,750

electrical phenomena that I mean if a

2128

01:33:14,460 --> 01:33:12,640

person I'd never seen lightning before

2129

01:33:16,710 --> 01:33:14,470

and all of a sudden it happened I mean

2130

01:33:18,270 --> 01:33:16,720

honestly we would paint in a freaked out

2131

01:33:20,610 --> 01:33:18,280

situation all around the planet

2132

01:33:22,229 --> 01:33:20,620

wondering what was going on but since

2133

01:33:24,570 --> 01:33:22,239

it's just a natural occurrence

2134

01:33:25,680 --> 01:33:24,580

it's not really a big deal except it's

2135

01:33:27,840 --> 01:33:25,690

very exciting

2136

01:33:29,190 --> 01:33:27,850

something like five member strikes a day

2137

01:33:32,160 --> 01:33:29,200

or something enlightening around the

2138

01:33:34,410 --> 01:33:32,170

world it's really crazy but yeah

2139

01:33:36,570 --> 01:33:34,420

something like earthquake lights is

2140

01:33:39,959 --> 01:33:36,580

another one you know

2141

01:33:43,340 --> 01:33:39,969

yeah history yeah and around volcanoes

2142

01:33:45,720 --> 01:33:43,350

yeah those lights and electrical

2143

01:33:49,290 --> 01:33:45,730

discharges and you know you've had

2144

01:33:51,240 --> 01:33:49,300

people talk about even different

2145

01:33:53,959 --> 01:33:51,250

dimensions around these kind of places

2146

01:33:57,720 --> 01:33:53,969

or certain areas that there's different

2147

01:33:59,490 --> 01:33:57,730

magnetic fields you know yeah a whole

2148

01:34:01,620 --> 01:33:59,500

different feel I mean it's just it's

2149

01:34:03,930 --> 01:34:01,630

amazing and it's there's so much out

2150

01:34:05,670 --> 01:34:03,940

there that we still don't know about yes

2151

01:34:07,890 --> 01:34:05,680

an electrical phenomena part is just

2152

01:34:09,330 --> 01:34:07,900

definitely a different kind of thing

2153

01:34:11,660 --> 01:34:09,340

that nobody seems to relieve and be able

2154

01:34:14,220 --> 01:34:11,670

to put a finger on understanding it so

2155

01:34:15,690 --> 01:34:14,230

anyway Martin is really good to be able

2156

01:34:17,010 --> 01:34:15,700

to call in that people were bugging me

2157

01:34:18,750 --> 01:34:17,020

to call in there was a couple other

2158

01:34:22,080 --> 01:34:18,760

questions I think the four one one was

2159

01:34:24,560 --> 01:34:22,090

kind of interested people because of

2160

01:34:26,640 --> 01:34:24,570

where you're from Kyle with all the

2161

01:34:29,250 --> 01:34:26,650

incidences of the missing people that

2162

01:34:31,310 --> 01:34:29,260

kind of happened in those parts but no

2163

01:34:33,660 --> 01:34:31,320

we have them to rate in our city I think

2164

01:34:36,900 --> 01:34:33,670

Pilate they're actually put our own city

2165

01:34:40,380 --> 01:34:36,910

into it being our River Valley is had

2166

01:34:42,900 --> 01:34:40,390

many cases of missing people and never

2167

01:34:45,690 --> 01:34:42,910

to be seen again and they were scouring

2168

01:34:48,390 --> 01:34:45,700

our River a couple summers back when it

2169

01:34:50,910 --> 01:34:48,400

got low looking for bodies which was

2170

01:34:53,550 --> 01:34:50,920

really grim and kind of weird to watch

2171

01:34:55,260 --> 01:34:53,560

but when so many people have gone

2172

01:34:58,560 --> 01:34:55,270

missing never to be found and it's not

2173

01:35:00,390 --> 01:34:58,570

like it's an immense it's not like a big

2174

01:35:02,479 --> 01:35:00,400

park or something it's just a River

2175

01:35:04,800 --> 01:35:02,489

Valley with a river going through with a

2176

01:35:06,600 --> 01:35:04,810

small River Bank you know kind of thing

2177

01:35:09,090 --> 01:35:06,610

so it's just kind of strange I don't

2178

01:35:11,520 --> 01:35:09,100

know anyways Martin I'm not gonna take

2179

01:35:14,040 --> 01:35:11,530

up any more your time I guess hey go

2180

01:35:16,110 --> 01:35:14,050

alright everybody to chat alright hey

2181

01:35:19,440 --> 01:35:16,120

bye bye bye bye okay we have another

2182

01:35:22,400 --> 01:35:19,450

caller that just called in caller what's

2183

01:35:25,050 --> 01:35:22,410

your name and where you're calling from

2184

01:35:26,310 --> 01:35:25,060

I'm calling from Florida hi there

2185

01:35:29,130 --> 01:35:26,320

welcome to the show what's your name

2186

01:35:32,370 --> 01:35:29,140

again please opener

2187

01:35:35,410 --> 01:35:32,380

Abner welcome do you have a question for

2188

01:35:37,990 --> 01:35:35,420

our guest yeah

2189

01:35:41,320 --> 01:35:38,000

I want to know for mr. Woburn

2190

01:35:46,060 --> 01:35:41,330

at what point that he decide who

2191

01:35:48,130 --> 01:35:46,070

inspired him to write books I mean he's

2192

01:35:51,520 --> 01:35:48,140

in journalism you see journalism doesn't

2193

01:35:55,209 --> 01:35:51,530

go do you way of the uniform usually the

2194

01:35:58,000 --> 01:35:55,219

opposite what inspired him to like say

2195

01:35:59,880 --> 01:35:58,010

hey this is what I cover this is for

2196

01:36:02,439 --> 01:35:59,890

real this is what I'm going to do

2197

01:36:04,900 --> 01:36:02,449

yeah that's it basically I always

2198

01:36:08,290 --> 01:36:04,910

thought it would be great to be able to

2199

01:36:10,209 --> 01:36:08,300

write a book and I collected stories

2200

01:36:11,800 --> 01:36:10,219

over the years and like you say you're a

2201

01:36:15,250 --> 01:36:11,810

little leery about talking to certain

2202

01:36:17,800 --> 01:36:15,260

people about it but becoming friends

2203

01:36:20,620 --> 01:36:17,810

with another journalist who was also a

2204

01:36:24,180 --> 01:36:20,630

publisher I've had a small publishing

2205

01:36:27,040 --> 01:36:24,190

company after talking to him and

2206

01:36:29,110 --> 01:36:27,050

discussing the idea I just took the leap

2207

01:36:30,459 --> 01:36:29,120

I thought I don't know I don't care what

2208

01:36:33,450 --> 01:36:30,469

people think I'm going to write this

2209

01:36:38,380 --> 01:36:33,460

people need to know these stories and

2210

01:36:40,450 --> 01:36:38,390

you know it it worked out for me and and

2211

01:36:43,180 --> 01:36:40,460

like I said the first book this so well

2212

01:36:47,020 --> 01:36:43,190

that you know we published the second

2213

01:36:48,490 --> 01:36:47,030

one and you know now as we were just

2214

01:36:49,900 --> 01:36:48,500

talking about of cumulating their

2215

01:36:52,240 --> 01:36:49,910

stories to do another book and hopefully

2216

01:36:54,459 --> 01:36:52,250

get it published in the future but I

2217

01:36:56,410 --> 01:36:54,469

just felt like you know I don't care

2218

01:36:57,850 --> 01:36:56,420

what people think anymore I don't you

2219

01:36:59,709 --> 01:36:57,860

know I'm sure there's still a few behind

2220

01:37:01,750 --> 01:36:59,719

the scenes that want to snicker that's

2221

01:37:03,250 --> 01:37:01,760

crazy I don't believe that stuff but you

2222

01:37:04,959 --> 01:37:03,260

know I'm a believer and I think people

2223

01:37:07,689 --> 01:37:04,969

need to know the truth and they you know

2224

01:37:10,240 --> 01:37:07,699

and I write the books from being a

2225

01:37:12,520 --> 01:37:10,250

reporter I don't talk about my own

2226

01:37:14,229 --> 01:37:12,530

personal science I talk about the

2227

01:37:15,939 --> 01:37:14,239

sightings that people have I interview

2228

01:37:18,220 --> 01:37:15,949

them like I'm interviewing them for a

2229

01:37:20,200 --> 01:37:18,230

newspaper story and that's how I write

2230

01:37:22,419 --> 01:37:20,210

the books I let them tell the story and

2231

01:37:24,669 --> 01:37:22,429

I used quotes from them and the

2232

01:37:26,620 --> 01:37:24,679

information and they give or just from

2233

01:37:29,500 --> 01:37:26,630

the research I did on others past

2234

01:37:35,020 --> 01:37:29,510

stories from the from years ago so

2235

01:37:39,150 --> 01:37:35,030

that's basically it is Thank You Irene

2236

01:37:48,460 --> 01:37:45,280

all right so going back to we were

2237

01:37:52,030 --> 01:37:48,470

talking about the different you know

2238

01:37:55,630 --> 01:37:52,040

light phenomena with the collar Brown

2239

01:37:57,820 --> 01:37:55,640

Mountain lights is that I don't even

2240

01:38:02,979 --> 01:37:57,830

know if that's part about Appalachia is

2241

01:38:08,290 --> 01:38:02,989

it oh not familiar with that so okay

2242

01:38:12,070 --> 01:38:08,300

maybe not yet but you know I have you

2243

01:38:13,780 --> 01:38:12,080

know a soul show on I think us History

2244

01:38:16,600 --> 01:38:13,790

Channel they're not a series called

2245

01:38:19,630 --> 01:38:16,610

vanished that talked about how many

2246

01:38:21,820 --> 01:38:19,640

people have do disappear every year and

2247

01:38:24,160 --> 01:38:21,830

there are certain areas in the United

2248

01:38:27,880 --> 01:38:24,170

States that they pinpointed and one was

2249

01:38:31,300 --> 01:38:27,890

along the Pacific area out there the

2250

01:38:32,590 --> 01:38:31,310

Sarah the mountains the one area was of

2251

01:38:33,729 --> 01:38:32,600

the Appalachian Mountains the

2252

01:38:36,310 --> 01:38:33,739

Appalachian Trail as you talked about

2253

01:38:38,110 --> 01:38:36,320

earlier you know in other areas of her

2254

01:38:39,430 --> 01:38:38,120

like around the Great Lakes Canada there

2255

01:38:41,830 --> 01:38:39,440

were certain areas where people do

2256

01:38:44,950 --> 01:38:41,840

vanish and they've never been heard from

2257

01:38:47,440 --> 01:38:44,960

again no signs you know they've done you

2258

01:38:49,990 --> 01:38:47,450

know searches and it makes you wonder

2259

01:38:52,360 --> 01:38:50,000

you know did were they abducted were

2260

01:38:55,810 --> 01:38:52,370

they did they get into another dimension

2261

01:38:58,900 --> 01:38:55,820

it's it's really another whole

2262

01:39:01,330 --> 01:38:58,910

interesting phenomena it really is I had

2263

01:39:07,560 --> 01:39:01,340

a conversation with David Pilates of at

2264

01:39:09,729 --> 01:39:07,570

the MUFON event last last summer and we

2265

01:39:10,360 --> 01:39:09,739

talked for quite a while he's a great

2266

01:39:13,900 --> 01:39:10,370

guy

2267

01:39:17,920 --> 01:39:13,910

but he just wasn't interested

2268

01:39:23,620 --> 01:39:17,930

hey Abner you still on the line just

2269

01:39:24,910 --> 01:39:23,630

heard extra noise sorry anyway he he you

2270

01:39:27,790 --> 01:39:24,920

know he wouldn't want to be on the show

2271

01:39:29,890 --> 01:39:27,800

because it was as UFO and the title and

2272

01:39:32,110 --> 01:39:29,900

even though he thinks there's something

2273

01:39:33,610 --> 01:39:32,120

to the UFO phenomena he just didn't he

2274

01:39:37,450 --> 01:39:33,620

wasn't interested in being on the show

2275

01:39:41,260 --> 01:39:37,460

but of course that is one of you know

2276

01:39:42,940 --> 01:39:41,270

one of the theories people have actually

2277

01:39:45,130 --> 01:39:42,950

called in when he's been on coast to

2278

01:39:47,110 --> 01:39:45,140

coast or other shows and say hey what

2279

01:39:48,340 --> 01:39:47,120

about you know the abduction you know

2280

01:39:51,340 --> 01:39:48,350

maybe these are people being abducted

2281

01:39:52,090 --> 01:39:51,350

that just have not returned you know and

2282

01:39:54,580 --> 01:39:52,100

uh

2283

01:39:56,590 --> 01:39:54,590

I have no idea and the one thing he's

2284

01:39:58,480 --> 01:39:56,600

very careful of I don't know if you've

2285

01:40:00,430 --> 01:39:58,490

heard him or listen to him or watched

2286

01:40:04,570 --> 01:40:00,440

his movie or anything but he's very

2287

01:40:08,320 --> 01:40:04,580

careful not to say what he thinks is

2288

01:40:11,770 --> 01:40:08,330

happening he kind of lets it you know be

2289

01:40:13,780 --> 01:40:11,780

up to the person to interpret the way

2290

01:40:14,950 --> 01:40:13,790

they want to but he doesn't want to go

2291

01:40:17,320 --> 01:40:14,960

out on any theory

2292

01:40:21,280 --> 01:40:17,330

he's just actually just talking about it

2293

01:40:23,860 --> 01:40:21,290

plain happening yeah that's sort of how

2294

01:40:26,680 --> 01:40:23,870

I ya the angle that I take when I write

2295

01:40:29,350 --> 01:40:26,690

my stories I let the person tell their

2296

01:40:32,920 --> 01:40:29,360

story and I just write it as a

2297

01:40:37,020 --> 01:40:32,930

journalist basically and you know let

2298

01:40:41,110 --> 01:40:37,030

them share the story and try to reflect

2299

01:40:42,790 --> 01:40:41,120

how they felt at the time and let them

2300

01:40:44,680 --> 01:40:42,800

give me any details they could remember

2301
01:40:48,010 --> 01:40:44,690
and then just share and then it's up to

2302
01:40:49,780 --> 01:40:48,020
the reader what they feel like and

2303
01:40:52,900 --> 01:40:49,790
whether they believe it's true or not

2304
01:40:54,820 --> 01:40:52,910
and we'll just say much the people I

2305
01:40:56,860 --> 01:40:54,830
believe everyone that I've written about

2306
01:40:59,350 --> 01:40:56,870
or talked to I believe I think that

2307
01:41:02,380 --> 01:40:59,360
they're legit and something did happen

2308
01:41:04,390 --> 01:41:02,390
now you know there's cases where you

2309
01:41:06,460 --> 01:41:04,400
know there's UFOs it can be explained a

2310
01:41:09,010 --> 01:41:06,470
lot of times right but there are those

2311
01:41:12,040 --> 01:41:09,020
cases that can't be and that's the ones

2312
01:41:15,970 --> 01:41:12,050
that were there interesting and there's

2313
01:41:17,920 --> 01:41:15,980

so many that have not been you know and

2314

01:41:20,920 --> 01:41:17,930

I wanted to mention this you know I've

2315

01:41:26,470 --> 01:41:20,930

got an Appalachian UFO Research Society

2316

01:41:30,150 --> 01:41:26,480

Facebook page know myself and myself and

2317

01:41:33,280 --> 01:41:30,160

Thomas Junebug a few get started and

2318

01:41:34,900 --> 01:41:33,290

since we started that you'd be surprised

2319

01:41:38,320 --> 01:41:34,910

you need to go in there and check it out

2320

01:41:40,450 --> 01:41:38,330

we get reports all the time UFO reports

2321

01:41:42,550 --> 01:41:40,460

people will send pictures they'll send

2322

01:41:44,950 --> 01:41:42,560

video and some of them are pretty good

2323

01:41:47,110 --> 01:41:44,960

and we hear a lot of reports from

2324

01:41:49,450 --> 01:41:47,120

different people so it was basically a

2325

01:41:50,860 --> 01:41:49,460

way to get people a chance to share

2326

01:41:53,320 --> 01:41:50,870

their story because as you said earlier

2327

01:41:56,020 --> 01:41:53,330

a lot of people just don't know where to

2328

01:42:00,880 --> 01:41:56,030

go to report they don't know about MUFON

2329

01:42:03,220 --> 01:42:00,890

or other reporting organizations this

2330

01:42:05,530 --> 01:42:03,230

was a way and it's really taken off and

2331

01:42:08,260 --> 01:42:05,540

you know social media has really been

2332

01:42:11,170 --> 01:42:08,270

helpful words that people get the word

2333

01:42:14,290 --> 01:42:11,180

out there and this page we started is

2334

01:42:17,140 --> 01:42:14,300

really got some good reports uh some

2335

01:42:19,900 --> 01:42:17,150

good pictures on it when someone goes to

2336

01:42:22,330 --> 01:42:19,910

that actual site the Facebook site and

2337

01:42:25,080 --> 01:42:22,340

actually puts up a reporting of course

2338

01:42:27,550 --> 01:42:25,090

it's their name on a date

2339

01:42:30,580 --> 01:42:27,560

it's like sharing that information and

2340

01:42:32,800 --> 01:42:30,590

they're not afraid to yeah yeah most of

2341

01:42:34,180 --> 01:42:32,810

them are sharing it not afraid to as I

2342

01:42:37,390 --> 01:42:34,190

say I think more people are coming

2343

01:42:40,870 --> 01:42:37,400

forward now and they're not as afraid to

2344

01:42:43,510 --> 01:42:40,880

report as they were in the past and I'm

2345

01:42:45,550 --> 01:42:43,520

really pleased how it's taken off and

2346

01:42:49,000 --> 01:42:45,560

and it's been about two years since we

2347

01:42:53,020 --> 01:42:49,010

started it how many reports and views we

2348

01:42:56,080 --> 01:42:53,030

get and likes it's amazing just check it

2349

01:42:59,890 --> 01:42:56,090

out you'll see it goes back for a ways

2350

01:43:01,660 --> 01:42:59,900

and gets people in outlets yeah not it

2351

01:43:03,610 --> 01:43:01,670

don't have to be you know it doesn't

2352

01:43:06,430 --> 01:43:03,620

have to be Appalachian UFOs it can be

2353

01:43:07,690 --> 01:43:06,440

you know from Florida or or anywhere we

2354

01:43:07,990 --> 01:43:07,700

don't we'd love to hear from them you

2355

01:43:12,130 --> 01:43:08,000

know

2356

01:43:14,110 --> 01:43:12,140

can you off the top can you talk about

2357

01:43:16,450 --> 01:43:14,120

anyone and that stands out right now or

2358

01:43:21,340 --> 01:43:16,460

is that am i putting too much pressure

2359

01:43:24,120 --> 01:43:21,350

on you well yeah can it top of my head

2360

01:43:28,240 --> 01:43:24,130

think of any but you know there's

2361

01:43:30,130 --> 01:43:28,250

there's been a few over the years and

2362

01:43:32,050 --> 01:43:30,140

over the last few months seemed like

2363

01:43:35,740 --> 01:43:32,060

there were some from down in the

2364

01:43:38,260 --> 01:43:35,750

Carolinas in Virginia just all across

2365

01:43:42,370 --> 01:43:38,270

the East Coast we get a lot from you

2366

01:43:43,690 --> 01:43:42,380

know even Alabama all down through that

2367

01:43:46,510 --> 01:43:43,700

area that seem like there's a lot from

2368

01:43:48,670 --> 01:43:46,520

Caroline's and they're just just

2369

01:43:52,020 --> 01:43:48,680

Tennessee I'm just scrolling down here

2370

01:43:56,140 --> 01:43:52,030

right now looking at how many different

2371

01:43:58,180 --> 01:43:56,150

places were getting different states

2372

01:44:00,960 --> 01:43:58,190

reported Pennsylvania and other North

2373

01:44:04,660 --> 01:44:00,970

Carolina it's just amazing how many

2374

01:44:07,800 --> 01:44:04,670

reports we get from offer down the most

2375

01:44:10,960 --> 01:44:07,810

of the East Coast and these Appalachians

2376

01:44:13,540 --> 01:44:10,970

interesting well any other stories come

2377

01:44:16,600 --> 01:44:13,550

to mind in your in your any of your

2378

01:44:18,400 --> 01:44:16,610

books that you think are pretty amazing

2379

01:44:20,770 --> 01:44:18,410

stories

2380

01:44:23,770 --> 01:44:20,780

oh let me glance here real quick and

2381

01:44:24,940 --> 01:44:23,780

they were running out of time but to see

2382

01:44:27,940 --> 01:44:24,950

if I can come up with another yeah we

2383

01:44:33,460 --> 01:44:27,950

got about about seven minutes something

2384

01:44:36,700 --> 01:44:33,470

like that and I've always you know I've

2385

01:44:38,440 --> 01:44:36,710

hiked part of the Appalachian trying to

2386

01:44:42,070 --> 01:44:38,450

say it like you but I probably won't get

2387

01:44:45,640 --> 01:44:42,080

it pronounced Appalachian we just up

2388

01:44:49,450 --> 01:44:45,650

here in Maine we call you know we have

2389

01:44:51,400 --> 01:44:49,460

our own way of saying things no I got

2390

01:44:53,980 --> 01:44:51,410

your same here we've got our own accent

2391

01:44:55,480 --> 01:44:53,990

ways of saying things here too you know

2392

01:44:58,900 --> 01:44:55,490

there's a couple of different cases I

2393

01:45:04,110 --> 01:44:58,910

had reports which i think is very

2394

01:45:06,580 --> 01:45:04,120

interesting people talking about huge

2395

01:45:08,470 --> 01:45:06,590

spaceships that they've seen that they

2396

01:45:11,500 --> 01:45:08,480

were so huge that they blocked out the

2397

01:45:13,510 --> 01:45:11,510

stores and of course the thing that

2398

01:45:14,110 --> 01:45:13,520

comes to my mind there is maybe a

2399

01:45:17,800 --> 01:45:14,120

mothership

2400

01:45:19,510 --> 01:45:17,810

but there was one guy that a he lived

2401

01:45:22,390 --> 01:45:19,520

near a radio station actually had a

2402

01:45:24,970 --> 01:45:22,400

radio tower and he said was about two

2403

01:45:26,800 --> 01:45:24,980

o'clock in the morning and here's all

2404

01:45:28,870 --> 01:45:26,810

these dogs barking and he's thinking I

2405

01:45:31,810 --> 01:45:28,880

was or a prowler he says I get up and I

2406

01:45:35,080 --> 01:45:31,820

go out and look and he sees this huge

2407

01:45:37,900 --> 01:45:35,090

UFO hovering over the the neighborhood

2408

01:45:39,130 --> 01:45:37,910

he said it stretched out it seemed like

2409

01:45:41,470 --> 01:45:39,140

300 yards

2410

01:45:43,930 --> 01:45:41,480

you know I guess three lengths of three

2411

01:45:47,260 --> 01:45:43,940

football fields and he said a life was

2412

01:45:50,680 --> 01:45:47,270

emitting down beaming over one certain

2413

01:45:53,230 --> 01:45:50,690

house and he said he looked up there was

2414

01:45:54,850 --> 01:45:53,240

a clear night he said it was so big that

2415

01:45:56,830 --> 01:45:54,860

it was blocking out the stars you know

2416

01:45:59,440 --> 01:45:56,840

you could look over one section of stars

2417

01:46:02,050 --> 01:45:59,450

in here and I had a couple of sightings

2418

01:46:04,390 --> 01:46:02,060

like that and that just blows me away

2419

01:46:06,880 --> 01:46:04,400

that there could be something that big

2420

01:46:09,190 --> 01:46:06,890

and but again how many people are out at

2421

01:46:10,840 --> 01:46:09,200

two o'clock in the morning looking he

2422

01:46:12,160 --> 01:46:10,850

just happened to hear the dogs working

2423

01:46:15,910 --> 01:46:12,170

he thought there was something prowler

2424

01:46:17,020 --> 01:46:15,920

he goes out and he sees that and then

2425

01:46:20,260 --> 01:46:17,030

after that he had a couple other

2426

01:46:22,930 --> 01:46:20,270

sightings so seems like once people see

2427

01:46:24,730 --> 01:46:22,940

something they're more alert and then on

2428

01:46:27,160 --> 01:46:24,740

the lookout thinking they're going to

2429

01:46:29,590 --> 01:46:27,170

see something again yeah are we headed

2430

01:46:33,310 --> 01:46:29,600

up I was on her show with Mack Maloney

2431

01:46:35,620 --> 01:46:33,320

he does military UFO

2432

01:46:38,320 --> 01:46:35,630

military x-files that's any myth is his

2433

01:46:41,680 --> 01:46:38,330

show and he says I'm never gonna see a

2434

01:46:44,610 --> 01:46:41,690

UFO he says it's only he has a clear

2435

01:46:48,160 --> 01:46:44,620

that there's the dog again

2436

01:46:52,840 --> 01:46:48,170

yeah look outside here and I ER you have

2437

01:46:55,420 --> 01:46:52,850

no outside so he's saying that he has a

2438

01:46:57,580 --> 01:46:55,430

theory that only some you know a certain

2439

01:46:58,930 --> 01:46:57,590

type of person will see a UFO I don't I

2440

01:47:01,180 --> 01:46:58,940

don't know if I really buy that because

2441

01:47:02,880 --> 01:47:01,190

you know a lot of times people just all

2442

01:47:07,060 --> 01:47:02,890

of a sudden have their first sighting

2443

01:47:09,670 --> 01:47:07,070

yeah so well you know I think a lot of

2444

01:47:12,460 --> 01:47:09,680

people just doubled to pay attention

2445

01:47:17,710 --> 01:47:12,470

some people aren't alert but I think if

2446

01:47:19,390 --> 01:47:17,720

it comes up and bison and the rear as

2447

01:47:22,030 --> 01:47:19,400

they say you know they're going to be

2448

01:47:24,370 --> 01:47:22,040

able to they're gonna they're gonna see

2449

01:47:28,570 --> 01:47:24,380

it but again a lot of people just don't

2450

01:47:31,180 --> 01:47:28,580

even think about looking up or looking

2451
01:47:32,500 --> 01:47:31,190
for UFOs or even thinking about it and I

2452
01:47:35,170 --> 01:47:32,510
think a lot of people if they do see

2453
01:47:37,720 --> 01:47:35,180
something they don't want to even talk

2454
01:47:41,140 --> 01:47:37,730
about it or admit that they saw it there

2455
01:47:43,810 --> 01:47:41,150
are two especially older folks they just

2456
01:47:45,370 --> 01:47:43,820
don't want to like the guy called in

2457
01:47:47,260 --> 01:47:45,380
earlier with his grandmother you know if

2458
01:47:48,370 --> 01:47:47,270
they see something they don't want to

2459
01:47:51,160 --> 01:47:48,380
talk about it because they don't want

2460
01:47:54,280 --> 01:47:51,170
people to think they're you know off the

2461
01:47:56,850 --> 01:47:54,290
rocker or whatever and again it gets

2462
01:48:01,090 --> 01:47:56,860
back to that that old stereotypes and

2463
01:48:03,040 --> 01:48:01,100

people that believe in UFOs just aren't

2464

01:48:05,590 --> 01:48:03,050

really telling the truth you know I

2465

01:48:07,840 --> 01:48:05,600

would think that if I was to put myself

2466

01:48:10,390 --> 01:48:07,850

on the shoes of a guy that heard the

2467

01:48:13,240 --> 01:48:10,400

dogs bark and went outside and saw that

2468

01:48:15,640 --> 01:48:13,250

I would wake up everyone I could think

2469

01:48:18,820 --> 01:48:15,650

of to wake up to see something I know

2470

01:48:21,040 --> 01:48:18,830

you know you would think so and then at

2471

01:48:23,170 --> 01:48:21,050

the same time I always ask people I said

2472

01:48:24,910 --> 01:48:23,180

did you take a picture yeah no I didn't

2473

01:48:27,100 --> 01:48:24,920

think about it it's like they always

2474

01:48:28,900 --> 01:48:27,110

just say like they're almost hypnotized

2475

01:48:31,180 --> 01:48:28,910

or they're mesmerized that they're

2476

01:48:32,680 --> 01:48:31,190

watching this so and then yeah I do

2477

01:48:36,100 --> 01:48:32,690

think about it again

2478

01:48:37,720 --> 01:48:36,110

I totally am NOT in that yeah because

2479

01:48:39,460 --> 01:48:37,730

today though you know most people have

2480

01:48:41,890 --> 01:48:39,470

cameras on their phones or they can

2481

01:48:43,840 --> 01:48:41,900

video it's not like it was in the past

2482

01:48:44,740 --> 01:48:43,850

when people just had film cameras and

2483

01:48:46,900 --> 01:48:44,750

didn't even carry

2484

01:48:48,400 --> 01:48:46,910

there's a little easier now so I'm going

2485

01:48:49,870 --> 01:48:48,410

to tell people hey if you see something

2486

01:48:52,480 --> 01:48:49,880

if you think about it take a picture

2487

01:48:54,400 --> 01:48:52,490

take some video get some proof and and

2488

01:48:56,020 --> 01:48:54,410

also like you said get if there's

2489

01:48:58,030 --> 01:48:56,030

somebody else close by get them wake

2490

01:49:00,070 --> 01:48:58,040

them up or get their attention Hey look

2491

01:49:02,860 --> 01:49:00,080

can you see this there's another witness

2492

01:49:05,830 --> 01:49:02,870

it lends credibility to what you're

2493

01:49:08,350 --> 01:49:05,840

seeing and I know I know what you're

2494

01:49:12,010 --> 01:49:08,360

saying I agree what was these everybody

2495

01:49:14,650 --> 01:49:12,020

say it in another sighting - is that can

2496

01:49:16,780 --> 01:49:14,660

you recall what that this one was the

2497

01:49:19,810 --> 01:49:16,790

ice it was just driving down the road

2498

01:49:23,440 --> 01:49:19,820

and he was with some friends that left

2499

01:49:27,280 --> 01:49:23,450

the movies and they had a object that

2500

01:49:29,800 --> 01:49:27,290

flew right over top of their car and he

2501

01:49:32,050 --> 01:49:29,810

said it just sped vom you know it was

2502

01:49:35,590 --> 01:49:32,060

really low it wasn't anything like his

2503

01:49:38,200 --> 01:49:35,600

other sighting but they ever since then

2504

01:49:41,770 --> 01:49:38,210

he is a believer and he's always on the

2505

01:49:42,910 --> 01:49:41,780

lookout for again I guess once you see

2506

01:49:44,770 --> 01:49:42,920

something you're going to be more

2507

01:49:48,520 --> 01:49:44,780

interested and you're going to you know

2508

01:49:50,260 --> 01:49:48,530

and until he talked - until he saw my

2509

01:49:53,320 --> 01:49:50,270

book he had never told anybody about his

2510

01:49:55,900 --> 01:49:53,330

first sighting but once he realized this

2511

01:49:57,850 --> 01:49:55,910

guy believes I feel comfortable talking

2512

01:49:59,290 --> 01:49:57,860

to them and telling him about it there's

2513

01:50:00,100 --> 01:49:59,300

always somebody out there that will want

2514

01:50:02,200 --> 01:50:00,110

to hear your story

2515

01:50:04,420 --> 01:50:02,210

so if you're listening and you've seen

2516

01:50:07,300 --> 01:50:04,430

something you know don't be bashful

2517

01:50:09,010 --> 01:50:07,310

don't be able to you know afraid to talk

2518

01:50:10,720 --> 01:50:09,020

to somebody or tell somebody especially

2519

01:50:11,950 --> 01:50:10,730

there's a lot of guys like us out there

2520

01:50:14,530 --> 01:50:11,960

you me and others

2521

01:50:16,630 --> 01:50:14,540

MUFON or other organizations that want

2522

01:50:18,580 --> 01:50:16,640

to hear the story and maybe look into it

2523

01:50:21,220 --> 01:50:18,590

if it's a good enough story they may

2524

01:50:22,480 --> 01:50:21,230

want to investigate it and see what how

2525

01:50:24,990 --> 01:50:22,490

many other people see them you'd be

2526

01:50:27,640 --> 01:50:25,000

surprised a lot of the stories that of

2527

01:50:30,970 --> 01:50:27,650

people have told me when I would go back

2528

01:50:32,830 --> 01:50:30,980

and look there would be a story in the

2529

01:50:35,590 --> 01:50:32,840

newspaper even my little newspaper long

2530

01:50:37,090 --> 01:50:35,600

before I worked there there had been

2531

01:50:39,460 --> 01:50:37,100

some sightings in this area and when I

2532

01:50:41,800 --> 01:50:39,470

went back and into the old micro films

2533

01:50:44,950 --> 01:50:41,810

at the library there was a story in the

2534

01:50:47,350 --> 01:50:44,960

paper they saw a UFO and talked about

2535

01:50:49,360 --> 01:50:47,360

there'd be the same night so there were

2536

01:50:52,540 --> 01:50:49,370

several other people that saw it and

2537

01:50:55,090 --> 01:50:52,550

they didn't even realize it means that's

2538

01:50:56,650 --> 01:50:55,100

you know yeah it is amazing when you

2539

01:50:57,940 --> 01:50:56,660

think about it so there's a lot of times

2540

01:50:58,420 --> 01:50:57,950

if you go back and look at some of the

2541

01:51:00,910 --> 01:50:58,430

old

2542

01:51:02,260 --> 01:51:00,920

our caste a lot of newspapers there

2543

01:51:04,780 --> 01:51:02,270

actually have been some stories that may

2544

01:51:06,670 --> 01:51:04,790

have been buried on page three or

2545

01:51:08,080 --> 01:51:06,680

something but it was in there because I

2546

01:51:09,880 --> 01:51:08,090

think there's always been a little bit

2547

01:51:13,210 --> 01:51:09,890

of interest there from some of the

2548

01:51:15,430 --> 01:51:13,220

journalists doc on the chat room he

2549

01:51:21,300 --> 01:51:15,440

wanted to know if there are ever any

2550

01:51:26,200 --> 01:51:24,460

people have been reporting these boom

2551
01:51:28,990 --> 01:51:26,210
sounds and things like that I don't know

2552
01:51:30,550 --> 01:51:29,000
if you've heard about any of that I've

2553
01:51:34,840 --> 01:51:30,560
heard a little bit about it I've not

2554
01:51:40,330 --> 01:51:34,850
personally had anybody tell me about any

2555
01:51:42,040 --> 01:51:40,340
of those sounds or there was one case

2556
01:51:44,800 --> 01:51:42,050
somebody was telling me about that they

2557
01:51:47,860 --> 01:51:44,810
felt like they kept hearing like a

2558
01:51:50,050 --> 01:51:47,870
drilling sound that was coming from

2559
01:51:54,790 --> 01:51:50,060
beneath the earth in the community where

2560
01:51:56,980 --> 01:51:54,800
they lived but you know that's the only

2561
01:51:58,630 --> 01:51:56,990
thing that close to anything like this

2562
01:52:01,390 --> 01:51:58,640
that I've heard about but I've heard of

2563
01:52:03,580 --> 01:52:01,400

those and other places but yeah nothing

2564

01:52:05,860 --> 01:52:03,590

that I was investigated or dealt with

2565

01:52:09,820 --> 01:52:05,870

well a drilling sound is pretty done

2566

01:52:13,600 --> 01:52:09,830

weird yes it is and I wish I would have

2567

01:52:18,070 --> 01:52:13,610

been more people yeah okay well we got

2568

01:52:20,290 --> 01:52:18,080

yeah yeah well interesting stuff so we

2569

01:52:24,040 --> 01:52:20,300

have just about four minutes left here

2570

01:52:26,860 --> 01:52:24,050

and so I just wanted to ask if you have

2571

01:52:28,540 --> 01:52:26,870

just one more particular case you can

2572

01:52:40,930 --> 01:52:28,550

and then to wrap up the show that you

2573

01:52:43,990 --> 01:52:40,940

can think of and you mentioned you know

2574

01:52:46,690 --> 01:52:44,000

now you've mentioned two triangles is

2575

01:52:50,860 --> 01:52:46,700

that there are a lot of triangles and

2576

01:52:53,250 --> 01:52:50,870

these stories or is that seems like like

2577

01:52:56,110 --> 01:52:53,260

you said more of the later stories

2578

01:52:59,890 --> 01:52:56,120

people are seeing triangular shape UFOs

2579

01:53:01,690 --> 01:52:59,900

rather than disc-shaped UFO s here's a

2580

01:53:04,090 --> 01:53:01,700

real interesting story and it's actually

2581

01:53:06,580 --> 01:53:04,100

happened in Michigan which is not in

2582

01:53:09,490 --> 01:53:06,590

Appalachia but the people that I talked

2583

01:53:11,450 --> 01:53:09,500

to a really nice couple or Tom and

2584

01:53:13,580 --> 01:53:11,460

Thelma Jackson they had grown

2585

01:53:16,760 --> 01:53:13,590

here in southern West Virginia but it

2586

01:53:18,410 --> 01:53:16,770

moved to Michigan to get work which a

2587

01:53:20,750 --> 01:53:18,420

lot of people did back in the 50s and

2588

01:53:21,830 --> 01:53:20,760

60s they moved to the Rust Belt as they

2589

01:53:24,920 --> 01:53:21,840

call it to work in the automotive

2590

01:53:26,720 --> 01:53:24,930

factory or wherever and up in that area

2591

01:53:30,440 --> 01:53:26,730

Detroit and Columbus

2592

01:53:34,400 --> 01:53:30,450

you know those areas but she was to tell

2593

01:53:36,650 --> 01:53:34,410

me a story about as we were talking

2594

01:53:41,230 --> 01:53:36,660

about snow earlier one night it was

2595

01:53:46,630 --> 01:53:44,060

so her son asked if he can go outside

2596

01:53:49,490 --> 01:53:46,640

and play in the snow with the neighbor a

2597

01:53:52,580 --> 01:53:49,500

couple of the neighbor kids and she were

2598

01:53:55,700 --> 01:53:52,590

electively told him he could and as they

2599

01:53:58,220 --> 01:53:55,710

were out there they were building like a

2600

01:54:01,850 --> 01:53:58,230

fort and all of a sudden they look up

2601

01:54:05,930 --> 01:54:01,860

and there's this huge UFO over top of

2602

01:54:10,340 --> 01:54:05,940

them and it shined the light down on on

2603

01:54:12,740 --> 01:54:10,350

her son and he comes in the house and he

2604

01:54:14,420 --> 01:54:12,750

tells his mom about it and you know they

2605

01:54:17,360 --> 01:54:14,430

go out and you know they don't see

2606

01:54:19,340 --> 01:54:17,370

anything but he even tells her he says

2607

01:54:22,730 --> 01:54:19,350

mom do you think I'm going to get sick

2608

01:54:24,890 --> 01:54:22,740

or you know since its shine that light

2609

01:54:27,050 --> 01:54:24,900

on me and you know what are you talking

2610

01:54:29,780 --> 01:54:27,060

about he was only 11 years old at the

2611

01:54:32,000 --> 01:54:29,790

time well it wasn't very long after that

2612

01:54:33,860 --> 01:54:32,010

that he was diagnosed with a brain tumor

2613

01:54:35,360 --> 01:54:33,870

oh my god and he eventually passed I

2614

01:54:38,540 --> 01:54:35,370

know and he eventually passed away it's

2615

01:54:41,210 --> 01:54:38,550

a really sad story and she really felt

2616

01:54:43,850 --> 01:54:41,220

that there was a connection between his

2617

01:54:46,910 --> 01:54:43,860

UFO sighting and her son getting sick

2618

01:54:50,180 --> 01:54:46,920

and passing away and it makes me tear up

2619

01:54:51,530 --> 01:54:50,190

now even to this day talking about it

2620

01:54:53,870 --> 01:54:51,540

and you know when I talk to her about it

2621

01:54:56,600 --> 01:54:53,880

it's a you know it was just a sad story

2622

01:54:59,390 --> 01:54:56,610

but you know it makes you wonder if

2623

01:55:01,460 --> 01:54:59,400

there was some connection or maybe some

2624

01:55:03,890 --> 01:55:01,470

kind of radiation for whatever there's

2625

01:55:06,260 --> 01:55:03,900

been cases like that that's happened in

2626

01:55:09,680 --> 01:55:06,270

the past - and people say there's no

2627

01:55:13,400 --> 01:55:09,690

evidence but you know you've had again

2628

01:55:15,830 --> 01:55:13,410

places where there is crop circles or

2629

01:55:18,410 --> 01:55:15,840

something looks like it's landed or the

2630

01:55:21,380 --> 01:55:18,420

soils disturbed or even they've detected

2631

01:55:24,500 --> 01:55:21,390

radiation so you know there there has

2632

01:55:25,250 --> 01:55:24,510

been evidence but no one necessarily

2633

01:55:27,530 --> 01:55:25,260

wants to

2634

01:55:29,810 --> 01:55:27,540

to become forward at least from

2635

01:55:30,260 --> 01:55:29,820

government agency and says hey yeah this

2636

01:55:33,530 --> 01:55:30,270

is true

2637

01:55:35,660 --> 01:55:33,540

this happened all right right now one

2638

01:55:37,550 --> 01:55:35,670

one thing we just have a minute or so

2639

01:55:39,290 --> 01:55:37,560

here one thing I've noticed you said

2640

01:55:42,470 --> 01:55:39,300

many times and in these sightings is

2641

01:55:45,020 --> 01:55:42,480

that the object shined a light down

2642

01:55:46,970 --> 01:55:45,030

you've said that you know at least four

2643

01:55:49,520 --> 01:55:46,980

times I believe yeah

2644

01:55:52,220 --> 01:55:49,530

I've had several times people yeah that

2645

01:55:55,010 --> 01:55:52,230

life is being down toward the ground

2646

01:55:59,240 --> 01:55:55,020

toward a home even in this case toward

2647

01:56:03,040 --> 01:55:59,250

this young man you know it makes you

2648

01:56:08,890 --> 01:56:03,050

wonder if they're doing some kind of

2649

01:56:11,510 --> 01:56:08,900

scan or you know I always said we go out

2650

01:56:14,870 --> 01:56:11,520

into the jungle or wherever Appalachia

2651
01:56:16,729 --> 01:56:14,880
we take soil samples or we are studying

2652
01:56:19,400 --> 01:56:16,739
the animals you know if you're a

2653
01:56:21,530 --> 01:56:19,410
scientist or whatever and I always feel

2654
01:56:23,330 --> 01:56:21,540
like they're doing the same thing yes

2655
01:56:25,729 --> 01:56:23,340
it's aliens coming down

2656
01:56:29,300 --> 01:56:25,739
they're checking us out that's why

2657
01:56:32,000 --> 01:56:29,310
people probably are abducted that's why

2658
01:56:34,220 --> 01:56:32,010
they're taking soil samples or plant

2659
01:56:36,380 --> 01:56:34,230
samples or water samples you know a lot

2660
01:56:39,380 --> 01:56:36,390
of other UFOs have been seeing over

2661
01:56:42,729 --> 01:56:39,390
water in a couple cases where they've

2662
01:56:45,290 --> 01:56:42,739
been hovering over water and yeah

2663
01:56:47,570 --> 01:56:45,300

there's a raiser for it yeah I'm sorry

2664

01:56:48,110 --> 01:56:47,580

to say though we're often time just real

2665

01:56:49,820 --> 01:56:48,120

quick

2666

01:56:51,740 --> 01:56:49,830

do you have a way someone can reach them

2667

01:56:54,620 --> 01:56:51,750

real easy

2668

01:56:56,240 --> 01:56:54,630

Facebook for this way okay Appalachian

2669

01:56:58,220 --> 01:56:56,250

this for a Research Society they can

2670

01:57:00,200 --> 01:56:58,230

leave a message their necks and all

2671

01:57:03,530 --> 01:57:00,210

right the Facebook will get back with

2672

01:57:04,820 --> 01:57:03,540

them all right Kyle thanks so much glad

2673

01:57:06,710 --> 01:57:04,830

to be on here thanks for having me

2674

01:57:08,630 --> 01:57:06,720

all right take care all right everyone

2675

01:57:09,950 --> 01:57:08,640

so that's it for our show thank you so

2676

01:57:12,260 --> 01:57:09,960
