

CHEUK FEI
HONG KONG UFOLOGIST

1
00:00:38,000 --> 00:00:16,530

[Music]

2
00:00:43,560 --> 00:00:41,010
well hello and welcome to the show this

3
00:00:46,620 --> 00:00:43,570
is Martin Willis your host and we are

4
00:00:48,240 --> 00:00:46,630
without Alejandro Rojas this week and

5
00:00:52,650 --> 00:00:48,250
next week he's going to be on a UFO

6
00:00:55,049 --> 00:00:52,660
cruise I believe my guest tonight is all

7
00:00:56,520 --> 00:00:55,059
the way from Hong Kong it's it's

8
00:00:59,040 --> 00:00:56,530
actually we're doing time travel he's

9
00:01:02,100 --> 00:00:59,050
tomorrow early in the morning I believe

10
00:01:04,259 --> 00:01:02,110
right now and as Dan Heath Heath likes

11
00:01:06,840 --> 00:01:04,269
to be called Chuck so we're gonna call

12
00:01:09,120 --> 00:01:06,850
him Chuck I'll ask him to pronounce his

13
00:01:11,180 --> 00:01:09,130

name properly on the show when he's on

14

00:01:13,860 --> 00:01:11,190

he'll be up in just one minute here and

15

00:01:16,820 --> 00:01:13,870

just a little just a little housekeeping

16

00:01:19,890 --> 00:01:16,830

for everyone first of all in YouTube

17

00:01:22,020 --> 00:01:19,900

during the breaks I found that I've

18

00:01:23,340 --> 00:01:22,030

talked a lot of guests and people have

19

00:01:26,219 --> 00:01:23,350

actually said they would really like to

20

00:01:28,710 --> 00:01:26,229

have a break so I'm going to accommodate

21

00:01:30,780 --> 00:01:28,720

that coming up starting on this show so

22

00:01:33,359 --> 00:01:30,790

during the break it'll be a real break

23

00:01:36,179 --> 00:01:33,369

over at YouTube as well so just like

24

00:01:37,889 --> 00:01:36,189

just like a real show a real break so

25

00:01:41,760 --> 00:01:37,899

just hang in there that when that break

26
00:01:43,109 --> 00:01:41,770
comes up and we are ready to bring in my

27
00:01:44,639 --> 00:01:43,119
guest I think that's it I do want to

28
00:01:48,870 --> 00:01:44,649
thank everyone that helps support the

29
00:01:50,880 --> 00:01:48,880
show and also jump over to podcast UFO

30
00:01:53,399 --> 00:01:50,890
com there's a new blog I have a new blog

31
00:01:56,249 --> 00:01:53,409
writer I hope he just started wrote his

32
00:01:59,340 --> 00:01:56,259
first blog it's an opinion piece that's

33
00:02:02,160 --> 00:01:59,350
up on the website podcast UFO calm

34
00:02:05,730 --> 00:02:02,170
alright welcome to the show Chuck how

35
00:02:09,240 --> 00:02:05,740
are you hi good evening everyone

36
00:02:11,760 --> 00:02:09,250
I good I'm good how are you good evening

37
00:02:15,630 --> 00:02:11,770
good morning to you it's early morning

38
00:02:18,000 --> 00:02:15,640

for you right yeah it's a little cloudy

39

00:02:20,220 --> 00:02:18,010

in the morning and Hong Kong here Wow

40

00:02:21,960 --> 00:02:20,230

yeah hey thanks for thank you so much

41

00:02:23,250 --> 00:02:21,970

thank you so much for having me in the

42

00:02:26,130 --> 00:02:23,260

show oh oh yeah

43

00:02:28,560 --> 00:02:26,140

my pleasure I've actually had some a

44

00:02:31,410 --> 00:02:28,570

couple people have said that they wanted

45

00:02:32,550 --> 00:02:31,420

you up on the show and so I thought it

46

00:02:34,830 --> 00:02:32,560

would be a great idea to get a

47

00:02:36,839 --> 00:02:34,840

perspective but you told me something

48

00:02:39,509 --> 00:02:36,849

really interesting when we talked last

49

00:02:40,710 --> 00:02:39,519

night and that is how you learned

50

00:02:42,240 --> 00:02:40,720

English

51
00:02:44,490 --> 00:02:42,250
want you to tell the audience it's a

52
00:02:47,790 --> 00:02:44,500
great how did you learn your your

53
00:02:52,650 --> 00:02:47,800
English is very good thank you thank you

54
00:02:55,680 --> 00:02:52,660
so much is I actually I actually picked

55
00:02:58,470 --> 00:02:55,690
up my English by watching lethal weapon

56
00:03:00,450 --> 00:02:58,480
you need lethal weapon and you said

57
00:03:03,050 --> 00:03:00,460
about four hundred times four hundred

58
00:03:07,170 --> 00:03:03,060
times more than four hundred times four

59
00:03:09,870 --> 00:03:07,180
doors movie and probably a couple of

60
00:03:13,199 --> 00:03:09,880
hundred times the second movie I just

61
00:03:15,810 --> 00:03:13,209
loved it so basically I actually pick up

62
00:03:20,130 --> 00:03:15,820
my English from Mel cubes and then Danny

63
00:03:22,590 --> 00:03:20,140

Glover well you you have more of a moral

64

00:03:24,690 --> 00:03:22,600

vocabulary than the movies I'm sure but

65

00:03:25,949 --> 00:03:24,700

did you have an interest in learning you

66

00:03:30,449 --> 00:03:25,959

must have had an interest in learning

67

00:03:35,100 --> 00:03:30,459

English to begin with yeah well my mom

68

00:03:38,280 --> 00:03:35,110

used to be a maid for an English lady

69

00:03:41,250 --> 00:03:38,290

and I usually spend my summer holiday

70

00:03:44,370 --> 00:03:41,260

with my mom when when you're working in

71

00:03:48,949 --> 00:03:44,380

the house so that's how I pick up my

72

00:03:51,870 --> 00:03:48,959

interest about English uh-huh so then

73

00:03:54,300 --> 00:03:51,880

yeah go ahead no no go ahead finish her

74

00:03:58,820 --> 00:03:54,310

finish her thoughts there and then and

75

00:04:00,990 --> 00:03:58,830

then I got really interested about it so

76

00:04:05,310 --> 00:04:01,000

I'm not a good student

77

00:04:07,979 --> 00:04:05,320

because I got I have dyslexia so that's

78

00:04:12,720 --> 00:04:07,989

why I'm not a really pay attention on in

79

00:04:15,840 --> 00:04:12,730

school and all that but then okay I have

80

00:04:18,449 --> 00:04:15,850

a chance that I lost my job and I spent

81

00:04:22,020 --> 00:04:18,459

four months sitting at home and doing

82

00:04:26,190 --> 00:04:22,030

nothing so I just simply pick up we

83

00:04:28,760 --> 00:04:26,200

reach as tape in those days pick up a

84

00:04:31,710 --> 00:04:28,770

chest tape and just put it into a video

85

00:04:33,990 --> 00:04:31,720

machine and play it and I don't even

86

00:04:35,820 --> 00:04:34,000

know what the movie is so I just play it

87

00:04:39,180 --> 00:04:35,830

and then I find out that's pretty cool

88

00:04:43,100 --> 00:04:39,190

movie and and then I later I find out

89

00:04:46,320 --> 00:04:43,110

that was called leaf a weapon and then I

90

00:04:49,320 --> 00:04:46,330

just I just love the movie I just love

91

00:04:52,830 --> 00:04:49,330

the area in the movie you know Los

92

00:04:54,530 --> 00:04:52,840

Angeles and the sunshine and totally

93

00:04:56,570 --> 00:04:54,540

totally forgot

94

00:04:59,890 --> 00:04:56,580

in love with the movie so I just watch

95

00:05:04,820 --> 00:04:59,900

it again and again and again and destroy

96

00:05:08,000 --> 00:05:04,830

two wheelchairs tape and then I brought

97

00:05:10,310 --> 00:05:08,010

an Audi I brought an Audi and then play

98

00:05:13,730 --> 00:05:10,320

it again and again again so I think

99

00:05:16,010 --> 00:05:13,740

maybe maybe maybe more than a little bit

100

00:05:17,900 --> 00:05:16,020

more than 400 times and I keep watching

101

00:05:23,570 --> 00:05:17,910

it every year especially during

102

00:05:29,090 --> 00:05:23,580

Christmas I remember every single script

103

00:05:32,000 --> 00:05:29,100

in the movie I'm sure you do including

104

00:05:33,770 --> 00:05:32,010

what is this f-bomb movie over the

105

00:05:36,770 --> 00:05:33,780

script everything I remember a whole

106

00:05:38,840 --> 00:05:36,780

thing so people just play the movie and

107

00:05:41,420 --> 00:05:38,850

I don't have to watch it I just listen

108

00:05:48,200 --> 00:05:41,430

to the scribe and know and I know which

109

00:05:50,780 --> 00:05:48,210

one they're playing movie one before now

110

00:05:53,660 --> 00:05:50,790

can you tell the listening audience how

111

00:05:55,280 --> 00:05:53,670

you got your what major have an interest

112

00:05:57,710 --> 00:05:55,290

in UFOs to begin with you had a sighting

113

00:06:01,130 --> 00:05:57,720

when you were young right yeah when I

114

00:06:03,160 --> 00:06:01,140

was 12 or 13 I mean I don't really

115

00:06:08,330 --> 00:06:03,170

remember the age but it would should be

116

00:06:12,380 --> 00:06:08,340

13 I guess and we finished dinner like

117

00:06:16,610 --> 00:06:12,390

7:30 at night and we we means me and my

118

00:06:18,530 --> 00:06:16,620

dad and my two of my sisters we went up

119

00:06:19,940 --> 00:06:18,540

to the rooftop of the building in Hong

120

00:06:22,430 --> 00:06:19,950

Kong most of the people live in the

121

00:06:27,740 --> 00:06:22,440

buildings so I went up to the buildings

122

00:06:30,800 --> 00:06:27,750

after after the dinner and we just hang

123

00:06:33,260 --> 00:06:30,810

there we just did we don't really do

124

00:06:36,590 --> 00:06:33,270

anything but my day usually just bring a

125

00:06:41,540 --> 00:06:36,600

paper newspaper and read it over there

126
00:06:42,860 --> 00:06:41,550
my sister they just playing toys in the

127
00:06:47,000 --> 00:06:42,870
rooftop and myself

128
00:06:50,170 --> 00:06:47,010
so suddenly we saw something floating on

129
00:06:53,120 --> 00:06:50,180
the opposite side of the mountain and

130
00:06:57,560 --> 00:06:53,130
between the building and the mountains

131
00:07:01,910 --> 00:06:57,570
there is a row no there there taxi in

132
00:07:04,910 --> 00:07:01,920
there traffic's between the the mountain

133
00:07:07,910 --> 00:07:04,920
and the building so we look over star at

134
00:07:12,710 --> 00:07:07,920
the other side probably about 100 feet

135
00:07:14,960 --> 00:07:12,720
way there's a a growing a growing ball I

136
00:07:18,980 --> 00:07:14,970
mean I can't I cannot tell the size

137
00:07:24,290 --> 00:07:18,990
because but but I think that's probably

138
00:07:26,690 --> 00:07:24,300

about the size of maybe a bowling maybe

139

00:07:28,700 --> 00:07:26,700

a bowling maybe a basketball I know I

140

00:07:31,430 --> 00:07:28,710

can't really tell the size but it was

141

00:07:36,560 --> 00:07:31,440

floating and it's hovering and then it's

142

00:07:39,080 --> 00:07:36,570

not making turns and all I can say it's

143

00:07:43,640 --> 00:07:39,090

growing orange color but sometimes they

144

00:07:46,340 --> 00:07:43,650

change to yellow and the bar itself is

145

00:07:48,860 --> 00:07:46,350

seems like there's something moving

146

00:07:51,230 --> 00:07:48,870

inside the ball but I don't know what

147

00:07:56,270 --> 00:07:51,240

that is so the best way I can describe

148

00:08:00,020 --> 00:07:56,280

it is when you stir a coffee or you when

149

00:08:03,710 --> 00:08:00,030

you stir a cappuccino with cream and

150

00:08:06,740 --> 00:08:03,720

then you see that that the texture no

151
00:08:08,390 --> 00:08:06,750
stirring in inside the ball so that's

152
00:08:10,100 --> 00:08:08,400
all I can describe is something moving

153
00:08:11,960 --> 00:08:10,110
in there but I don't know what it is but

154
00:08:17,420 --> 00:08:11,970
you change color sometimes from yellow

155
00:08:20,990 --> 00:08:17,430
to orange to red and then the flying

156
00:08:25,940 --> 00:08:21,000
pattern is I can say they change speeds

157
00:08:27,530 --> 00:08:25,950
because in making a circle pattern when

158
00:08:29,480 --> 00:08:27,540
they when when they fly when did

159
00:08:32,090 --> 00:08:29,490
offering it seems like you're searching

160
00:08:34,430 --> 00:08:32,100
something so sometimes you fly faster

161
00:08:37,100 --> 00:08:34,440
sometimes slow down a little bit

162
00:08:41,270 --> 00:08:37,110
and then sometimes it flies faster again

163
00:08:44,840 --> 00:08:41,280

so I can't tell but it it you know some

164

00:08:47,240 --> 00:08:44,850

in the middle of it turning it seems

165

00:08:50,510 --> 00:08:47,250

like it's going bigger so what we can

166

00:08:52,670 --> 00:08:50,520

tell is coming towards us but it's not

167

00:08:55,220 --> 00:08:52,680

really coming to all the way to us it

168

00:08:58,040 --> 00:08:55,230

goes closer to us and then it's suddenly

169

00:09:00,920 --> 00:08:58,050

going far away again so I was kind of

170

00:09:04,850 --> 00:09:00,930

scared and I was turning my dare to

171

00:09:08,360 --> 00:09:04,860

leave but my dad he was a policeman so

172

00:09:11,750 --> 00:09:08,370

he basically just insists to stay in and

173

00:09:14,270 --> 00:09:11,760

watch the thing because if you don't he

174

00:09:17,150 --> 00:09:14,280

doesn't know what it is as well so my

175

00:09:19,640 --> 00:09:17,160

sister scares and we all four of us

176

00:09:22,130 --> 00:09:19,650

standing and the rooftop and watch it

177

00:09:25,699 --> 00:09:22,140

these things were like about

178

00:09:28,340 --> 00:09:25,709

probably few minutes probably five

179

00:09:30,980 --> 00:09:28,350

minutes or something and then it fly all

180

00:09:33,790 --> 00:09:30,990

the way behind and disappear behind the

181

00:09:37,579 --> 00:09:33,800

mountain and that's the first sighting

182

00:09:42,650 --> 00:09:37,589

and I got really interested about these

183

00:09:45,620 --> 00:09:42,660

subjects ever since 13 years old Wow

184

00:09:47,560 --> 00:09:45,630

so that is an interesting saying now I

185

00:09:52,699 --> 00:09:47,570

have heard of people talk about

186

00:09:56,180 --> 00:09:52,709

sightings when their orbs or some type

187

00:09:58,940 --> 00:09:56,190

of like you know globular object and

188

00:10:01,699 --> 00:09:58,950

they have actually said that they also

189

00:10:03,769 --> 00:10:01,709

saw something moving inside there's a

190

00:10:08,180 --> 00:10:03,779

there's a story there's a really weird

191

00:10:12,590 --> 00:10:08,190

story and that I was told on this show

192

00:10:14,210 --> 00:10:12,600

where a woman gave this account to a UFO

193

00:10:16,910 --> 00:10:14,220

researcher this is on one of my shows

194

00:10:19,220 --> 00:10:16,920

maybe a year or two ago that the

195

00:10:21,079 --> 00:10:19,230

researcher said that it was like an orb

196

00:10:23,889 --> 00:10:21,089

with something moving inside and all of

197

00:10:28,759 --> 00:10:23,899

a sudden it was a Bigfoot

198

00:10:32,139 --> 00:10:28,769

she said a Bigfoot you know it you know

199

00:10:35,030 --> 00:10:32,149

I mean of course you you you don't know

200

00:10:36,800 --> 00:10:35,040

if there's any validity to a sighting

201
00:10:40,130 --> 00:10:36,810
like that or the person or anything like

202
00:10:42,889 --> 00:10:40,140
that this was a secondhand story but but

203
00:10:45,530 --> 00:10:42,899
I know there's more than one case that

204
00:10:47,540 --> 00:10:45,540
I've heard about the orbs that people

205
00:10:50,689 --> 00:10:47,550
say it looks like something inside or

206
00:10:52,340 --> 00:10:50,699
something moving which which is kind of

207
00:10:55,579 --> 00:10:52,350
fascinating that did the thing make any

208
00:10:57,680 --> 00:10:55,589
sound that you're aware of no no sign

209
00:11:00,829 --> 00:10:57,690
you know it's totally silent and that's

210
00:11:04,670 --> 00:11:00,839
why my dad you know I remember I

211
00:11:07,220 --> 00:11:04,680
remember like few days after after the

212
00:11:10,790 --> 00:11:07,230
sighting and my my I remember my dad

213
00:11:13,189 --> 00:11:10,800

mentioned this to my mom during probably

214

00:11:17,180 --> 00:11:13,199

dinner or something and he mentioned

215

00:11:19,370 --> 00:11:17,190

that the reason he feels weird this

216

00:11:22,040 --> 00:11:19,380

thing weird because it's totally silent

217

00:11:26,300 --> 00:11:22,050

and yeah remember my dad used to be a

218

00:11:29,870 --> 00:11:26,310

cop and he after all his training with

219

00:11:31,699 --> 00:11:29,880

helicopters and all these things so he

220

00:11:34,340 --> 00:11:31,709

supposedly know what that is what there

221

00:11:35,270 --> 00:11:34,350

was but no he doesn't even know what

222

00:11:40,130 --> 00:11:35,280

there was so

223

00:11:41,770 --> 00:11:40,140

you just feel weird it's not a is it

224

00:11:45,140 --> 00:11:41,780

something the family could talk about

225

00:11:49,010 --> 00:11:45,150

afterwards or it says he didn't want to

226

00:11:52,970 --> 00:11:49,020

talk about the UFO is a very we're

227

00:11:54,650 --> 00:11:52,980

subjects in Baghdad and so so my mind my

228

00:11:57,770 --> 00:11:54,660

dad basically just mentioned it to my

229

00:12:01,310 --> 00:11:57,780

mom but it's he doesn't really spend

230

00:12:03,860 --> 00:12:01,320

time to talk about it and I'm I am the

231

00:12:07,940 --> 00:12:03,870

one who can remember the whole thing

232

00:12:11,180 --> 00:12:07,950

after all these years my sister one of

233

00:12:14,930 --> 00:12:11,190

my sister kind of have a little little

234

00:12:16,700 --> 00:12:14,940

memory but not a full memory of it so

235

00:12:19,460 --> 00:12:16,710

I'm the only one who remembered whole

236

00:12:20,570 --> 00:12:19,470

thing and and other sisters she totally

237

00:12:23,830 --> 00:12:20,580

forgot about the whole thing

238

00:12:28,070 --> 00:12:23,840

and my dad might then have a bad stroke

239

00:12:29,900 --> 00:12:28,080

many years ago so he I don't think you

240

00:12:32,090 --> 00:12:29,910

remember anything and there's so many

241

00:12:35,630 --> 00:12:32,100

thing to do worry about you know in all

242

00:12:38,690 --> 00:12:35,640

these days people worry about work we

243

00:12:40,720 --> 00:12:38,700

worry about leaving where we about a kid

244

00:12:44,360 --> 00:12:40,730

so you have always the last thing they

245

00:12:46,400 --> 00:12:44,370

always mentioned about yeah yeah well I

246

00:12:50,210 --> 00:12:46,410

I've said you know a number of times

247

00:12:53,270 --> 00:12:50,220

that you know the UFO topic isn't that

248

00:12:56,390 --> 00:12:53,280

big of a topic in general you know as

249

00:12:58,040 --> 00:12:56,400

far as the average person day-to-day you

250

00:12:59,630 --> 00:12:58,050

know because of just what you said

251
00:13:02,390 --> 00:12:59,640
people worried about their job they're

252
00:13:06,200 --> 00:13:02,400
worried about you know security money

253
00:13:08,210 --> 00:13:06,210
whatever it is and in space even or

254
00:13:11,840 --> 00:13:08,220
anything to do with UFOs or anything

255
00:13:13,220 --> 00:13:11,850
like that is far from you know the first

256
00:13:15,320 --> 00:13:13,230
thing on their mind unless of course

257
00:13:19,160 --> 00:13:15,330
that they have an experience like you

258
00:13:21,350 --> 00:13:19,170
did you know and not everyone is gets

259
00:13:22,940 --> 00:13:21,360
interested in it also when they have an

260
00:13:24,860 --> 00:13:22,950
experience either you know some people

261
00:13:26,900 --> 00:13:24,870
just it was like one of your sisters

262
00:13:28,340 --> 00:13:26,910
that doesn't remember anything there

263
00:13:30,980 --> 00:13:28,350

some people don't remember some people

264

00:13:33,170 --> 00:13:30,990

never want to talk about it but but you

265

00:13:35,420 --> 00:13:33,180

have gone the other way and you've had a

266

00:13:39,200 --> 00:13:35,430

lot of interests in it and you're you're

267

00:13:43,100 --> 00:13:39,210

actually kind of a UFO guy a known UFO

268

00:13:47,240 --> 00:13:43,110

guy over there in China aren't you know

269

00:13:49,020 --> 00:13:47,250

which is a big place I'm Hong Kong or

270

00:13:51,390 --> 00:13:49,030

Beijing Hong Kong

271

00:13:54,450 --> 00:13:51,400

Hong Kong in Hong Kong and China you're

272

00:13:56,610 --> 00:13:54,460

running two different system even I mean

273

00:13:58,770 --> 00:13:56,620

Hong Kong belongs to China these days

274

00:14:01,590 --> 00:13:58,780

but we are running to a totally

275

00:14:04,530 --> 00:14:01,600

different culture different system and

276

00:14:07,500 --> 00:14:04,540

we actually in Hong Kong we actually

277

00:14:11,400 --> 00:14:07,510

grow up with Western culture we have

278

00:14:13,650 --> 00:14:11,410

chips we have chips in TV we have six

279

00:14:16,500 --> 00:14:13,660

million dollars man in TV and all that

280

00:14:20,970 --> 00:14:16,510

so so we actually grow up with a lot of

281

00:14:22,950 --> 00:14:20,980

American or western culture in here so

282

00:14:25,140 --> 00:14:22,960

that's why we think different we talk

283

00:14:29,040 --> 00:14:25,150

different the way we do things is also

284

00:14:29,640 --> 00:14:29,050

also different Hong Kong China is a big

285

00:14:32,520 --> 00:14:29,650

place

286

00:14:36,390 --> 00:14:32,530

there's so many UFO researchers in China

287

00:14:40,470 --> 00:14:36,400

and so many UFO cases abduction cases

288

00:14:45,120 --> 00:14:40,480

and all these in China Hong Kong Hong

289

00:14:48,150 --> 00:14:45,130

Kong we have a big really huge famous

290

00:14:51,030 --> 00:14:48,160

case in one of one of the village in

291

00:14:54,300 --> 00:14:51,040

Hong Kong here with a big mothership

292

00:14:57,540 --> 00:14:54,310

more than like more than probably few

293

00:15:00,180 --> 00:14:57,550

thousand of Hong Kong people SOI and it

294

00:15:02,790 --> 00:15:00,190

lands is not really land but hovering on

295

00:15:07,470 --> 00:15:02,800

the top of the building during about

296

00:15:09,420 --> 00:15:07,480

6:00 p.m. or 7:00 p.m. at night so it's

297

00:15:12,810 --> 00:15:09,430

supposed to be a lot of people who get

298

00:15:16,620 --> 00:15:12,820

off work and get off the bus station

299

00:15:19,920 --> 00:15:16,630

they have sighting but again UFO subject

300

00:15:22,470 --> 00:15:19,930

is really very minimal and all these

301

00:15:25,110 --> 00:15:22,480

days I made all these date back then in

302

00:15:26,340 --> 00:15:25,120

in Hong Kong people so much to have so

303

00:15:28,970 --> 00:15:26,350

many thing to worry about

304

00:15:33,240 --> 00:15:28,980

so UFO is the last thing they worried

305

00:15:36,930 --> 00:15:33,250

China have many many cases but I I

306

00:15:39,570 --> 00:15:36,940

recently I find out the reason why the

307

00:15:42,630 --> 00:15:39,580

quest and culture people not like people

308

00:15:46,070 --> 00:15:42,640

from England people from the states they

309

00:15:48,630 --> 00:15:46,080

have very difficulty to find the

310

00:15:51,180 --> 00:15:48,640

information about UFO in China is

311

00:15:53,670 --> 00:15:51,190

probably because the name of the places

312

00:15:58,170 --> 00:15:53,680

in the name of the witness they are they

313

00:16:00,150 --> 00:15:58,180

are basically Jedi's name to foreigners

314

00:16:02,820 --> 00:16:00,160

so it's very difficult to remember it

315

00:16:06,960 --> 00:16:02,830

very difficult in old places in all that

316

00:16:09,660 --> 00:16:06,970

so desperate now you mentioned there are

317

00:16:12,420 --> 00:16:09,670

a lot of cases and I'd like to go over

318

00:16:14,190 --> 00:16:12,430

that a bit we don't necessarily have to

319

00:16:17,190 --> 00:16:14,200

right now but one of the things that I

320

00:16:18,600 --> 00:16:17,200

wanted to ask you tonight was in general

321

00:16:20,370 --> 00:16:18,610

now you say Hong Kong is totally

322

00:16:23,130 --> 00:16:20,380

different than the rest of China or it's

323

00:16:25,860 --> 00:16:23,140

like its own separate little Western

324

00:16:29,009 --> 00:16:25,870

type situation going on there but as far

325

00:16:32,519 --> 00:16:29,019

as you know in general how is the UFO

326

00:16:35,699 --> 00:16:32,529

topic perceived in China what what does

327

00:16:36,870 --> 00:16:35,709

what do the rest of China for the most

328

00:16:39,569 --> 00:16:36,880

part I'm talking about like the

329

00:16:42,030 --> 00:16:39,579

government and the average person when

330

00:16:44,340 --> 00:16:42,040

they pay attention to the UFO topic what

331

00:16:48,870 --> 00:16:44,350

is it what is that is it is it taken

332

00:16:51,750 --> 00:16:48,880

seriously oh that's that's an

333

00:16:53,400 --> 00:16:51,760

interesting part because most of the

334

00:16:54,900 --> 00:16:53,410

people when I went to the state and

335

00:16:57,870 --> 00:16:54,910

people keep asking me about how the

336

00:17:00,060 --> 00:16:57,880

China government deal with the UFO cases

337

00:17:03,690 --> 00:17:00,070

are they dealing with that did they

338

00:17:06,600 --> 00:17:03,700

cover up this is the cases or do they do

339

00:17:09,140 --> 00:17:06,610

anything about I all I can say is China

340

00:17:13,549 --> 00:17:09,150

government is pretty open up to UFO

341

00:17:16,590 --> 00:17:13,559

subjects they basically treated as

342

00:17:21,120 --> 00:17:16,600

science subjects no science scientific

343

00:17:22,980 --> 00:17:21,130

subjects so yeah and as you know you you

344

00:17:25,710 --> 00:17:22,990

know at some of the website you can see

345

00:17:29,159 --> 00:17:25,720

from the office or website they will put

346

00:17:39,030 --> 00:17:29,169

the UFO subjects s one of the scientific

347

00:17:41,669 --> 00:17:39,040

research section uh-huh and do what

348

00:17:44,060 --> 00:17:41,679

about the military do they get involved

349

00:17:47,190 --> 00:17:44,070

in any type of research yes

350

00:17:49,230 --> 00:17:47,200

military officials that policeman they

351

00:17:51,690 --> 00:17:49,240

all they all get involved into some of

352

00:17:56,370 --> 00:17:51,700

the research because we have a few cases

353

00:17:58,230 --> 00:17:56,380

I mean a biggest huge less name in few

354

00:18:01,020 --> 00:17:58,240

few abduction cases you know the

355

00:18:02,880 --> 00:18:01,030

researchers from Beijing when they do

356

00:18:05,070 --> 00:18:02,890

the research they they have a lot of

357

00:18:07,560 --> 00:18:05,080

help they're not they got a lot of help

358

00:18:10,650 --> 00:18:07,570

from military you know from the military

359

00:18:14,370 --> 00:18:10,660

hospitals from the police department

360

00:18:16,440 --> 00:18:14,380

from the government of different places

361

00:18:18,930 --> 00:18:16,450

they are helping on

362

00:18:20,970 --> 00:18:18,940

the UFO research of course the research

363

00:18:23,250 --> 00:18:20,980

that the report of the research they

364

00:18:27,210 --> 00:18:23,260

will send it up to the China government

365

00:18:29,490 --> 00:18:27,220

or to the military not to the public but

366

00:18:33,620 --> 00:18:29,500

at least they don't really cover that up

367

00:18:36,600 --> 00:18:33,630

they don't say aliens are UFO faked

368

00:18:39,990 --> 00:18:36,610

weather balloon no they don't do that

369

00:18:42,720 --> 00:18:40,000

they actually report the cases on even

370

00:18:46,350 --> 00:18:42,730

on the office or TV station they

371

00:18:48,420 --> 00:18:46,360

reported on news as well so I think I

372

00:18:51,720 --> 00:18:48,430

think China government under military

373

00:18:54,840 --> 00:18:51,730

they actually take this UFO subject very

374

00:18:57,810 --> 00:18:54,850

seriously and I don't think they really

375

00:19:02,310 --> 00:18:57,820

cover up or suppress the information

376

00:19:04,770 --> 00:19:02,320

unless and Nantz is it in morphing to

377

00:19:06,780 --> 00:19:04,780

like religion or all that thing and then

378

00:19:09,450 --> 00:19:06,790

they will they we would like to put a

379

00:19:12,840 --> 00:19:09,460

stop on there and and what do you mean

380

00:19:17,250 --> 00:19:12,850

by that exactly and pertaining to

381

00:19:21,150 --> 00:19:17,260

religion oh yeah that's you know when we

382

00:19:23,940 --> 00:19:21,160

talk about a UFOs for the China

383

00:19:26,280 --> 00:19:23,950

government they we would like to stick

384

00:19:28,440 --> 00:19:26,290

it into Scientifics like how the flies

385

00:19:31,410 --> 00:19:28,450

and what it were where they come from

386

00:19:34,500 --> 00:19:31,420

and what's the purpose of it but you

387

00:19:40,320 --> 00:19:34,510

know in UFO cases and a lot of abduction

388

00:19:42,960 --> 00:19:40,330

cases that didn't walk into a change of

389

00:19:47,760 --> 00:19:42,970

a personality you know people from a

390

00:19:50,400 --> 00:19:47,770

normal farmer or a normal person and

391

00:19:53,190 --> 00:19:50,410

then after deciding after all that they

392

00:19:55,260 --> 00:19:53,200

after all the the contact especially

393

00:19:57,960 --> 00:19:55,270

with the alien they start changing to a

394

00:20:03,330 --> 00:19:57,970

spiritual person you know they start

395

00:20:06,180 --> 00:20:03,340

changing to more how can I hug how can I

396

00:20:07,740 --> 00:20:06,190

describe it you know they would change

397

00:20:10,020 --> 00:20:07,750

their their personality they'd probably

398

00:20:15,020 --> 00:20:10,030

become a wedge and they'd probably

399

00:20:18,210 --> 00:20:15,030

become very spiritual and talks about

400

00:20:23,580 --> 00:20:18,220

the information download to their brain

401
00:20:26,400 --> 00:20:23,590
to the head and messages from the alien

402
00:20:29,910 --> 00:20:26,410
and all that thing it becomes really

403
00:20:33,720 --> 00:20:29,920
spiritual and China government maybe

404
00:20:35,520 --> 00:20:33,730
I think recently I I have feeling they

405
00:20:38,790 --> 00:20:35,530
will they will put a stop in there

406
00:20:41,640 --> 00:20:38,800
because they don't really want to

407
00:20:45,420 --> 00:20:41,650
involve into religion and they will they

408
00:20:48,180 --> 00:20:45,430
we treat it as a code as a how do I

409
00:20:53,430 --> 00:20:48,190
explain because they call out like the

410
00:20:55,710 --> 00:20:53,440
code and they always make some example

411
00:20:56,130 --> 00:20:55,720
like like The Haven Gate and all that oh

412
00:20:59,250 --> 00:20:56,140
yeah

413
00:21:02,790 --> 00:20:59,260

couch and they are involved into alien

414

00:21:05,780 --> 00:21:02,800

and involve into UFOs right so that's

415

00:21:08,900 --> 00:21:05,790

why they they a little worried about it

416

00:21:13,170 --> 00:21:08,910

that's what I can see that's what I can

417

00:21:15,660 --> 00:21:13,180

observe from the government then the

418

00:21:18,660 --> 00:21:15,670

gesture they're doing the thing they're

419

00:21:20,820 --> 00:21:18,670

writing so I think I think as long as

420

00:21:23,370 --> 00:21:20,830

you stick to the UFO technology and all

421

00:21:25,890 --> 00:21:23,380

that thinking you're fine but when you

422

00:21:34,460 --> 00:21:25,900

involve into a spiritual development not

423

00:21:44,370 --> 00:21:38,460

well okay well okay sounds like a little

424

00:21:46,620 --> 00:21:44,380

bit of feedback here well anyway when

425

00:21:49,800 --> 00:21:46,630

and you said that people had messages

426

00:21:52,890 --> 00:21:49,810

can you tell me what some of those

427

00:21:55,140 --> 00:21:52,900

messages were do happen to know what

428

00:21:57,810 --> 00:21:55,150

they said they were thinking that they

429

00:22:00,990 --> 00:21:57,820

were getting for a message that part

430

00:22:02,670 --> 00:22:01,000

really interest me because of some of

431

00:22:05,180 --> 00:22:02,680

the ones that I've heard in the past who

432

00:22:08,700 --> 00:22:05,190

had any have any idea what they were

433

00:22:11,550 --> 00:22:08,710

well I can tell you a little example but

434

00:22:13,620 --> 00:22:11,560

before that I want to I want to say

435

00:22:16,560 --> 00:22:13,630

something because that is there was what

436

00:22:19,800 --> 00:22:16,570

I observed but may not be the real

437

00:22:23,130 --> 00:22:19,810

situation in China here after all I am

438

00:22:26,790 --> 00:22:23,140

just you researchers and I don't I I

439

00:22:30,720 --> 00:22:26,800

have a little contact in to the insider

440

00:22:33,810 --> 00:22:30,730

but not not to the officials insider so

441

00:22:36,150 --> 00:22:33,820

put it this way whatever I can tell is

442

00:22:38,130 --> 00:22:36,160

probably what I can observe that's well

443

00:22:41,610 --> 00:22:38,140

that's that I mean that's all I can say

444

00:22:43,320 --> 00:22:41,620

I I cannot represent all the UFO

445

00:22:48,180 --> 00:22:43,330

researchers and

446

00:22:52,290 --> 00:22:48,190

reports in there and a conclusion

447

00:22:54,000 --> 00:22:52,300

okay and and then I never able to get

448

00:22:56,880 --> 00:22:54,010

the conclusion from the office so

449

00:22:58,620 --> 00:22:56,890

because it's so it's so officers in the

450

00:23:00,960 --> 00:22:58,630

government they don't they don't release

451

00:23:05,180 --> 00:23:00,970

all these things they do research but

452

00:23:07,860 --> 00:23:05,190

they don't release it okay recently we

453

00:23:10,680 --> 00:23:07,870

you know all these States and China

454

00:23:13,340 --> 00:23:10,690

government of China have a lot of UFO

455

00:23:16,620 --> 00:23:13,350

conference or a lot of UFO lecture

456

00:23:18,990 --> 00:23:16,630

sometimes in Beijing sometimes in

457

00:23:23,070 --> 00:23:19,000

different places and they have so many

458

00:23:25,250 --> 00:23:23,080

UFOs research society all Regina you

459

00:23:28,320 --> 00:23:25,260

know every little town every little

460

00:23:30,330 --> 00:23:28,330

province have their research centers but

461

00:23:33,150 --> 00:23:30,340

you have to remember this is a communist

462

00:23:36,060 --> 00:23:33,160

country right so you cannot just simply

463

00:23:39,540 --> 00:23:36,070

start a group without a permission from

464

00:23:41,460 --> 00:23:39,550

the government so then on this party can

465

00:23:44,520 --> 00:23:41,470

tell they're actually government allowed

466

00:23:48,090 --> 00:23:44,530

people to do the research especially the

467

00:23:50,910 --> 00:23:48,100

one of the biggest research societies in

468

00:23:53,550 --> 00:23:50,920

Beijing and in some of the abduction

469

00:23:57,450 --> 00:23:53,560

cases when the researchers going out for

470

00:24:01,260 --> 00:23:57,460

research they have they got help from

471

00:24:03,240 --> 00:24:01,270

military but because when for example

472

00:24:07,130 --> 00:24:03,250

one of the case the guy is named child

473

00:24:10,650 --> 00:24:07,140

and he had abduction cases and he saw

474

00:24:14,220 --> 00:24:10,660

another person and under Chinese girls

475

00:24:16,020 --> 00:24:14,230

in the crowd itself so when he tried to

476
00:24:17,790 --> 00:24:16,030
find somebody when he trying to find the

477
00:24:20,040 --> 00:24:17,800
researchers the researchers was sent

478
00:24:24,570 --> 00:24:20,050
from Beijing and the researchers

479
00:24:27,570 --> 00:24:24,580
actually bring this guy child to do a

480
00:24:30,150 --> 00:24:27,580
body research body body test and make

481
00:24:32,040 --> 00:24:30,160
sure he is okay and do the hypnosis all

482
00:24:35,190 --> 00:24:32,050
these things are done in the military

483
00:24:39,110 --> 00:24:35,200
hospital really when if yes when they

484
00:24:42,170 --> 00:24:39,120
try to find the girl he saw in the graph

485
00:24:44,880 --> 00:24:42,180
which is a Chinese girl but very sick so

486
00:24:47,010 --> 00:24:44,890
they do something some kind of suggest

487
00:24:49,830 --> 00:24:47,020
show some kind of experiment on the girl

488
00:24:52,350 --> 00:24:49,840

and then release both of it and when

489

00:24:54,150 --> 00:24:52,360

this guy trying to find this girl it's

490

00:24:56,370 --> 00:24:54,160

not in the same time he's somewhere

491

00:24:58,470 --> 00:24:56,380

really far really

492

00:25:01,710 --> 00:24:58,480

in a distance so when you're trying to

493

00:25:05,310 --> 00:25:01,720

find this girl they actually have the

494

00:25:08,250 --> 00:25:05,320

drawing on the girls the drawing was

495

00:25:10,350 --> 00:25:08,260

done by the police department so you can

496

00:25:12,690 --> 00:25:10,360

tell the government actually helping Wow

497

00:25:14,640 --> 00:25:12,700

some of the insider actually tell ya

498

00:25:18,420 --> 00:25:14,650

some of the actually some of the insider

499

00:25:21,690 --> 00:25:18,430

actually actually told me the China

500

00:25:24,180 --> 00:25:21,700

government helping on the research but

501
00:25:26,130 --> 00:25:24,190
they don't admit it they just help and

502
00:25:29,040 --> 00:25:26,140
then they got the report and that's it

503
00:25:30,840 --> 00:25:29,050
all right well we have to we have to go

504
00:25:33,600 --> 00:25:30,850
to break right now so we'll continue

505
00:25:36,330 --> 00:25:33,610
this on the other side of the break and

506
00:25:38,850 --> 00:25:36,340
remember in YouTube you're going to see

507
00:25:41,970 --> 00:25:38,860
a screen up and just hang in there we

508
00:25:44,070 --> 00:25:41,980
will be we'll be right back in just a

509
00:25:46,140 --> 00:25:44,080
few minutes this is Martin Willis and my

510
00:25:48,660 --> 00:25:46,150
guest is I never asked him how to

511
00:25:50,520 --> 00:25:48,670
pronounce his last name Chuck Fey I

512
00:25:52,350 --> 00:25:50,530
believe or something similar I'll ask

513
00:25:53,990 --> 00:25:52,360

him when he's back and we'll be right

514

00:25:57,420 --> 00:25:54,000

back after these messages

515

00:26:01,200 --> 00:25:57,430

hello and welcome back to the show I'm

516

00:26:04,340 --> 00:26:01,210

Martin Willis your host and we just

517

00:26:07,170 --> 00:26:04,350

before the break I was talking to chuck

518

00:26:10,290 --> 00:26:07,180

fey who is my guest and he was telling

519

00:26:12,470 --> 00:26:10,300

me about this story of that the police

520

00:26:16,920 --> 00:26:12,480

department getting heavily involved and

521

00:26:18,480 --> 00:26:16,930

helping this person figure out their UFO

522

00:26:19,770 --> 00:26:18,490

it sounds like an abduction case where

523

00:26:22,650 --> 00:26:19,780

they saw someone on the craft and they

524

00:26:26,480 --> 00:26:22,660

actually did a detective like sketch it

525

00:26:30,300 --> 00:26:26,490

sounds like is that right yes right no

526

00:26:33,150 --> 00:26:30,310

detective when you saw a criminal and

527

00:26:35,310 --> 00:26:33,160

you want to you only have the memory in

528

00:26:37,620 --> 00:26:35,320

your brain so the policeman usually draw

529

00:26:39,990 --> 00:26:37,630

the face no draw the sketching on the

530

00:26:42,690 --> 00:26:40,000

face and then put it up on the TV and

531

00:26:44,610 --> 00:26:42,700

say we want this guy in right so that

532

00:26:48,570 --> 00:26:44,620

kind of drawing also done by the police

533

00:26:51,360 --> 00:26:48,580

department in China during even in the

534

00:26:53,580 --> 00:26:51,370

UFO research so you can tell you can

535

00:26:56,550 --> 00:26:53,590

tell government actually helped do a lot

536

00:26:58,110 --> 00:26:56,560

of helping on the researching that's

537

00:27:00,030 --> 00:26:58,120

that's pretty amazing that they would

538

00:27:02,850 --> 00:27:00,040

take it that serious because I think of

539

00:27:05,850 --> 00:27:02,860

all of what happens in the UFO field

540

00:27:08,940 --> 00:27:05,860

that the abduction thing is the one that

541

00:27:09,990 --> 00:27:08,950

I would believe in this country would be

542

00:27:14,910 --> 00:27:10,000

taking take

543

00:27:18,570 --> 00:27:14,920

the least amount of with seriousness you

544

00:27:20,640 --> 00:27:18,580

know I do believe that I don't think

545

00:27:23,150 --> 00:27:20,650

there's any cases whatsoever that we've

546

00:27:25,320 --> 00:27:23,160

had here that involving abductions were

547

00:27:27,360 --> 00:27:25,330

you know our Police Department got

548

00:27:29,850 --> 00:27:27,370

involved that I'm aware of except for

549

00:27:31,530 --> 00:27:29,860

the famous ones that you know of like

550

00:27:33,090 --> 00:27:31,540

Travis Walton the police department's

551
00:27:35,460 --> 00:27:33,100
knowing that involved in that but not in

552
00:27:38,760 --> 00:27:35,470
the way that you're talking about they

553
00:27:40,530 --> 00:27:38,770
can and also the police department they

554
00:27:43,530 --> 00:27:40,540
don't believe in the first place right

555
00:27:45,510 --> 00:27:43,540
yeah so the usually thing guys lying the

556
00:27:49,380 --> 00:27:45,520
guys do something like trough as well

557
00:27:53,310 --> 00:27:49,390
and the police even think they murder

558
00:27:55,800 --> 00:27:53,320
him right so so I'm gonna put it this

559
00:27:58,260 --> 00:27:55,810
way abduction cases in all places all

560
00:28:01,530 --> 00:27:58,270
the countries they treated seriously but

561
00:28:03,600 --> 00:28:01,540
they just the matter of they tell you to

562
00:28:05,700 --> 00:28:03,610
do result or they tell you they're so

563
00:28:08,070 --> 00:28:05,710

serious about it

564

00:28:10,290 --> 00:28:08,080

Hong Kong is no different China is no

565

00:28:12,360 --> 00:28:10,300

different I think they treated really

566

00:28:15,210 --> 00:28:12,370

seriously and they even reported on the

567

00:28:19,410 --> 00:28:15,220

news remember again this is companies

568

00:28:21,360 --> 00:28:19,420

country the TV stations also own the TV

569

00:28:24,300 --> 00:28:21,370

station the radio station both of them

570

00:28:28,110 --> 00:28:24,310

are also owned by government so they

571

00:28:30,600 --> 00:28:28,120

allowed it to report on the news to the

572

00:28:33,240 --> 00:28:30,610

public so you can imagine how how

573

00:28:36,480 --> 00:28:33,250

serious they they treat this kind of

574

00:28:39,990 --> 00:28:36,490

matter you know I'm surprised I'm

575

00:28:41,430 --> 00:28:40,000

actually surprised that they take it

576

00:28:45,510 --> 00:28:41,440

serious like you mentioned you know it's

577

00:28:49,590 --> 00:28:45,520

a communist country it's also you know

578

00:28:51,590 --> 00:28:49,600

state-owned media like you're saying and

579

00:28:54,570 --> 00:28:51,600

they actually take it serious enough to

580

00:28:56,550 --> 00:28:54,580

actually talk about it when actually you

581

00:28:58,890 --> 00:28:56,560

don't have a lot of freedom of speech in

582

00:29:06,050 --> 00:28:58,900

general there do you I mean can you even

583

00:29:09,900 --> 00:29:06,060

talk about that it's getting better

584

00:29:11,310 --> 00:29:09,910

these days but before you know all these

585

00:29:15,660 --> 00:29:11,320

abduction cases we are talking about

586

00:29:17,730 --> 00:29:15,670

like 70s like 80s so the the mind the

587

00:29:20,970 --> 00:29:17,740

mindset is still pretty pretty much

588

00:29:24,120 --> 00:29:20,980

closing I mean not like these days this

589

00:29:27,810 --> 00:29:24,130

day China is like a like

590

00:29:29,400 --> 00:29:27,820

but like international countries to

591

00:29:31,590 --> 00:29:29,410

everybody right you can see big

592

00:29:34,650 --> 00:29:31,600

buildings you can see a lot of people

593

00:29:39,750 --> 00:29:34,660

using iPhone people using smart phones

594

00:29:41,310 --> 00:29:39,760

and computers and all this stuff but you

595

00:29:44,159 --> 00:29:41,320

can't you also think about it you know

596

00:29:46,590 --> 00:29:44,169

all these even on the Cold War that the

597

00:29:49,890 --> 00:29:46,600

Russia and they also very interested

598

00:29:51,630 --> 00:29:49,900

about UFO subjects as well so I think I

599

00:29:55,590 --> 00:29:51,640

think China governments always

600

00:29:58,500 --> 00:29:55,600

interested about it and one of the one

601
00:30:01,950 --> 00:29:58,510
of the example I can tell is one of the

602
00:30:05,909 --> 00:30:01,960
government's satellite launching center

603
00:30:07,890 --> 00:30:05,919
I owned by the government of course they

604
00:30:11,970 --> 00:30:07,900
launched the satellite they launched the

605
00:30:15,870 --> 00:30:11,980
rocket they launched the craft to travel

606
00:30:18,090 --> 00:30:15,880
the moon that launching center outside

607
00:30:25,110 --> 00:30:18,100
of the launching center they have a few

608
00:30:27,390 --> 00:30:25,120
state you if you are a before you enter

609
00:30:29,760 --> 00:30:27,400
to the center itself you know this

610
00:30:33,060 --> 00:30:29,770
usually when you watch the movies the

611
00:30:36,870 --> 00:30:33,070
statue usually like like a hero's like

612
00:30:39,480 --> 00:30:36,880
like the rock lion but they have a few

613
00:30:42,600 --> 00:30:39,490

grades egging and grades with Chinese

614

00:30:46,070 --> 00:30:42,610

traditional dress as a state to outside

615

00:30:49,529 --> 00:30:46,080

of the satellite launching center so

616

00:30:52,740 --> 00:30:49,539

they open up they pretty open up to the

617

00:30:55,020 --> 00:30:52,750

subjects they don't think alien they

618

00:30:58,710 --> 00:30:55,030

don't think you have a faith they

619

00:31:01,130 --> 00:30:58,720

believe I think they believe in UFOs and

620

00:31:04,680 --> 00:31:01,140

they believe in their the life outside

621

00:31:06,539 --> 00:31:04,690

the earth and we are not alone but it's

622

00:31:08,700 --> 00:31:06,549

just a matter of they they don't know

623

00:31:12,090 --> 00:31:08,710

anything about so they they will

624

00:31:15,120 --> 00:31:12,100

encourage people the citizen to do

625

00:31:19,140 --> 00:31:15,130

research and they encourage people to

626

00:31:21,960 --> 00:31:19,150

report it then that's that's what I can

627

00:31:25,409 --> 00:31:21,970

see so is pretty open up to the subjects

628

00:31:27,750 --> 00:31:25,419

from the China government but again as

629

00:31:29,730 --> 00:31:27,760

long as you don't you don't make it too

630

00:31:32,850 --> 00:31:29,740

spiritual and you don't make it to

631

00:31:35,340 --> 00:31:32,860

become new-age subjects then they don't

632

00:31:37,010 --> 00:31:35,350

really care about it the reason I said

633

00:31:40,010 --> 00:31:37,020

it because recently

634

00:31:44,180 --> 00:31:40,020

they're free a few there there there

635

00:31:47,360 --> 00:31:44,190

there's a UFO conference in Shanghai and

636

00:31:50,060 --> 00:31:47,370

Beijing just the end of last year korvac

637

00:31:53,900 --> 00:31:50,070

December I attended the Beijing button

638

00:31:56,420 --> 00:31:53,910

and the China government the China

639

00:31:58,730 --> 00:31:56,430

people that take day what not not

640

00:32:00,920 --> 00:31:58,740

charlie people put it this way the we

641

00:32:04,880 --> 00:32:00,930

have three gases from the States we have

642

00:32:07,160 --> 00:32:04,890

Lauren as an hour we have my Kosala from

643

00:32:09,770 --> 00:32:07,170

Exopolitics and we have Chandi salsa all

644

00:32:12,950 --> 00:32:09,780

three of them can be Beijing and

645

00:32:18,920 --> 00:32:12,960

Shanghai and share the story share the

646

00:32:22,090 --> 00:32:18,930

the the lecture people are crazy about

647

00:32:24,410 --> 00:32:22,100

it people are so happy and they were so

648

00:32:27,980 --> 00:32:24,420

fascinating about the information and

649

00:32:31,430 --> 00:32:27,990

all that but the case is after the

650

00:32:36,890 --> 00:32:31,440

lecture one of one of the scientists who

651
00:32:39,620 --> 00:32:36,900
posed an article in one of the office or

652
00:32:45,080 --> 00:32:39,630
website they are not attacking them but

653
00:32:48,740 --> 00:32:45,090
it attacked the way this the word they

654
00:32:53,630 --> 00:32:48,750
used a swab from the UFO information to

655
00:32:57,530 --> 00:32:53,640
a spiritual perspective and they the the

656
00:33:00,550 --> 00:32:57,540
way they the way he wrote it he actually

657
00:33:03,530 --> 00:33:00,560
of course he's attacking this kind of

658
00:33:06,080 --> 00:33:03,540
perspective of spiritual perspective

659
00:33:09,590 --> 00:33:06,090
because they were so worried about with

660
00:33:13,280 --> 00:33:09,600
UFO information your wishes will swap

661
00:33:17,540 --> 00:33:13,290
from Scientifics to a couch so that's

662
00:33:21,710 --> 00:33:17,550
why you can tell they are still not to

663
00:33:23,840 --> 00:33:21,720

open to completely to this subject

664

00:33:26,210 --> 00:33:23,850

completely because we all know the UFO

665

00:33:29,120 --> 00:33:26,220

research when you when you research on a

666

00:33:31,130 --> 00:33:29,130

UFO subject when you only research when

667

00:33:33,710 --> 00:33:31,140

you only treat it as scientists you only

668

00:33:35,600 --> 00:33:33,720

get only on the outside of the

669

00:33:38,680 --> 00:33:35,610

information you don't ever get inside

670

00:33:42,070 --> 00:33:38,690

into the center of the UFO or the alien

671

00:33:46,760 --> 00:33:42,080

perspective so that's that's why I think

672

00:33:50,240 --> 00:33:46,770

they not completely open up to this but

673

00:33:50,870 --> 00:33:50,250

they they they really interested about

674

00:33:53,300 --> 00:33:50,880

it

675

00:33:55,280 --> 00:33:53,310

four things they want to know more but

676

00:33:59,560 --> 00:33:55,290

they also at the same time on the same

677

00:34:02,750 --> 00:33:59,570

side they worry about people will be too

678

00:34:04,790 --> 00:34:02,760

in morph into it and then they would

679

00:34:08,030 --> 00:34:04,800

change their mindset and change their

680

00:34:10,690 --> 00:34:08,040

way they think and they really worry

681

00:34:11,930 --> 00:34:10,700

about them my Matters put it this way

682

00:34:15,410 --> 00:34:11,940

hmm

683

00:34:17,180 --> 00:34:15,420

is there any other example of anything

684

00:34:19,730 --> 00:34:17,190

you can think of that is similar to that

685

00:34:22,310 --> 00:34:19,740

you know like do they feel the same way

686

00:34:23,930 --> 00:34:22,320

about people talking about a ghost

687

00:34:27,230 --> 00:34:23,940

sighting or anything like that I mean is

688

00:34:30,560 --> 00:34:27,240

that a similar attitude and other

689

00:34:33,740 --> 00:34:30,570

paranormal remember to go subjects

690

00:34:36,740 --> 00:34:33,750

ghosts the paranormal subjects is not

691

00:34:39,020 --> 00:34:36,750

allowed in China because they think is

692

00:34:41,870 --> 00:34:39,030

part of the religion is that right long

693

00:34:44,780 --> 00:34:41,880

oh yes yes well I mentioned that on the

694

00:34:48,110 --> 00:34:44,790

other media and people think we do funny

695

00:34:51,230 --> 00:34:48,120

is whenever we make a movie in Hong Kong

696

00:34:54,200 --> 00:34:51,240

here okay we make movie many different

697

00:34:58,250 --> 00:34:54,210

kind of movie we have Scientifics movie

698

00:35:01,580 --> 00:34:58,260

we have paranormal movies in Hong Kong

699

00:35:04,550 --> 00:35:01,590

here so whenever we send the movie to

700

00:35:08,440 --> 00:35:04,560

the China we want to launch the movie in

701
00:35:09,650 --> 00:35:08,450
China we have to change the ending

702
00:35:11,660 --> 00:35:09,660
alright

703
00:35:14,990 --> 00:35:11,670
you know I'm talking about the

704
00:35:17,780 --> 00:35:15,000
paranormal movies right okay we have to

705
00:35:22,520 --> 00:35:17,790
change the ending do we have to make it

706
00:35:25,370 --> 00:35:22,530
becomes explainable example the last

707
00:35:28,040 --> 00:35:25,380
ending could be the the actor or the

708
00:35:31,370 --> 00:35:28,050
actress who have been involved into this

709
00:35:34,160 --> 00:35:31,380
paranormal experience you had to wake up

710
00:35:37,070 --> 00:35:34,170
and from the dream so this is a dream

711
00:35:39,290 --> 00:35:37,080
and this is not nothing right and you

712
00:35:42,020 --> 00:35:39,300
have to do something like that to change

713
00:35:48,170 --> 00:35:42,030

an ending to be able to launch the movie

714

00:35:50,450 --> 00:35:48,180

in China oh wow yeah I mentioned this to

715

00:35:51,920 --> 00:35:50,460

many people and first of all they don't

716

00:35:56,500 --> 00:35:51,930

believe that so we have different

717

00:35:59,330 --> 00:35:56,510

version on the paranormal movies in here

718

00:36:03,050 --> 00:35:59,340

but at the same time at the same time

719

00:36:04,819 --> 00:36:03,060

when I whenever I goes up to China it's

720

00:36:07,249 --> 00:36:04,829

a big place right so

721

00:36:10,940 --> 00:36:07,259

I go to South area of China people are

722

00:36:13,430 --> 00:36:10,950

thinking pretty much the same way as us

723

00:36:17,479 --> 00:36:13,440

from Hong Kong because we are speaking

724

00:36:19,849 --> 00:36:17,489

the same language in Cantonese you know

725

00:36:23,180 --> 00:36:19,859

most of China Chinese people speak

726

00:36:26,630 --> 00:36:23,190

Mandarin but in the South area NH and

727

00:36:29,059 --> 00:36:26,640

Hong Kong will speak Cantonese so we we

728

00:36:31,299 --> 00:36:29,069

pretty much sharing the same thing so

729

00:36:35,180 --> 00:36:31,309

the people from south like Gwangju

730

00:36:38,029 --> 00:36:35,190

people from Guangzhou they dispatch

731

00:36:40,759 --> 00:36:38,039

Cantonese and they believe in ghosts

732

00:36:43,279 --> 00:36:40,769

they believe in paranormal stuff but the

733

00:36:49,150 --> 00:36:43,289

people on the north they don't because

734

00:36:51,890 --> 00:36:49,160

they never really have a chance to to

735

00:36:55,219 --> 00:36:51,900

observe this kind of information at all

736

00:36:57,410 --> 00:36:55,229

but the more I research in the States

737

00:37:00,589 --> 00:36:57,420

the more we share the more contact with

738

00:37:04,489 --> 00:37:00,599

the after keys and the contactees myself

739

00:37:08,150 --> 00:37:04,499

and then I realize that paranormal

740

00:37:12,939 --> 00:37:08,160

things the paranormal are actually quite

741

00:37:16,729 --> 00:37:12,949

involved into the UFO phenomenon so

742

00:37:19,400 --> 00:37:16,739

probability they are all related so if

743

00:37:22,209 --> 00:37:19,410

we can only research on the scientific

744

00:37:25,279 --> 00:37:22,219

way so we can we are only basically

745

00:37:29,959 --> 00:37:25,289

researching on the aliens craft on the

746

00:37:33,859 --> 00:37:29,969

aliens car right there we go so you

747

00:37:37,459 --> 00:37:33,869

never really get into the deeper center

748

00:37:41,209 --> 00:37:37,469

of the whole phenomenon so that's why I

749

00:37:44,299 --> 00:37:41,219

think at the same time China government

750

00:37:47,660 --> 00:37:44,309

may try to involve into it but I think

751

00:37:50,479 --> 00:37:47,670

they also worry to let the citizen in

752

00:37:52,309 --> 00:37:50,489

morph into it too much so I think it's

753

00:37:57,109 --> 00:37:52,319

some kind of contradiction between it

754

00:38:01,430 --> 00:37:57,119

and some of the higher rank official

755

00:38:04,189 --> 00:38:01,440

maybe maybe they are fighting to get a

756

00:38:07,779 --> 00:38:04,199

deeper research into it but you know

757

00:38:09,979 --> 00:38:07,789

also a taboo in China in China a culture

758

00:38:16,329 --> 00:38:09,989

uh-huh Wow

759

00:38:18,130 --> 00:38:16,339

all very interesting now is there a like

760

00:38:19,690 --> 00:38:18,140

the best way I could put that is there a

761

00:38:21,970 --> 00:38:19,700

Chinese Roswell

762

00:38:27,460 --> 00:38:21,980

I mean it's there's some really famous

763

00:38:31,089 --> 00:38:27,470

UFO case that time on the mall yeah I

764

00:38:33,989 --> 00:38:31,099

can share I can share with you a few

765

00:38:36,279 --> 00:38:33,999

cases a one of the cases is very

766

00:38:39,759 --> 00:38:36,289

important because it's the one of the

767

00:38:46,150 --> 00:38:39,769

biggest abduction cases and it happens

768

00:38:48,809 --> 00:38:46,160

on 1977 and one of the guy he's a farmer

769

00:38:51,630 --> 00:38:48,819

and he's about to get married but just

770

00:38:55,680 --> 00:38:51,640

before he got married he disappeared he

771

00:38:59,130 --> 00:38:55,690

disappeared in no reason all right and

772

00:39:02,079 --> 00:38:59,140

people think he may be a runaway runaway

773

00:39:06,309 --> 00:39:02,089

groom but now that's not the case he

774

00:39:07,870 --> 00:39:06,319

really want to marry this woman so but

775

00:39:10,630 --> 00:39:07,880

he disappeared just before the marriage

776

00:39:13,559 --> 00:39:10,640

and the people from the winners trying

777

00:39:17,920 --> 00:39:13,569

to find him more than ten days and

778

00:39:19,870 --> 00:39:17,930

nobody nobody knows why when but the

779

00:39:23,140 --> 00:39:19,880

funny thing is one of the important

780

00:39:26,769 --> 00:39:23,150

thing is the people who live in the

781

00:39:31,509 --> 00:39:26,779

village one one of the people who

782

00:39:34,239 --> 00:39:31,519

receive a telepath teller Telegraph but

783

00:39:37,029 --> 00:39:34,249

the telegraph which is late and arrive

784

00:39:40,150 --> 00:39:37,039

late because of so many knowing the

785

00:39:44,319 --> 00:39:40,160

people in those days in 77 people don't

786

00:39:47,079 --> 00:39:44,329

have very good communications and even

787

00:39:50,739 --> 00:39:47,089

in the whole village they share one form

788

00:39:55,329 --> 00:39:50,749

so dopey knows the Telegraph the telex

789

00:39:58,620 --> 00:39:55,339

Telegraph arrived and until one day they

790

00:40:02,950 --> 00:39:58,630

find out this Telegraph which is already

791

00:40:05,650 --> 00:40:02,960

ten days later but the Telegraph itself

792

00:40:07,749 --> 00:40:05,660

was sent the second day when he

793

00:40:08,739 --> 00:40:07,759

disappeared this guy his name's a Wong I

794

00:40:10,960 --> 00:40:08,749

don't want to keep the whole name

795

00:40:13,539 --> 00:40:10,970

because the whole names means like a

796

00:40:15,819 --> 00:40:13,549

Jedi is known to everybody so it's

797

00:40:19,059 --> 00:40:15,829

haunted hard to remember so I just call

798

00:40:22,390 --> 00:40:19,069

him wrong and he disappears the second

799

00:40:25,359 --> 00:40:22,400

day the teleprompter Telegraph arrived

800

00:40:27,640 --> 00:40:25,369

but because of the people who who don't

801
00:40:29,620 --> 00:40:27,650
know about whole thing and people of the

802
00:40:32,620 --> 00:40:29,630
soul messing up is chaos in the

803
00:40:35,080 --> 00:40:32,630
village so nobody realized the Telegraph

804
00:40:36,940 --> 00:40:35,090
arrived but the Telegraph actually sent

805
00:40:42,550 --> 00:40:36,950
the second day when he disappeared I

806
00:40:46,630 --> 00:40:42,560
mean he disappeared on 27th of July and

807
00:40:48,850 --> 00:40:46,640
the telegraph sent 28th of July but

808
00:40:52,450 --> 00:40:48,860
nobody knows about it so they only find

809
00:40:57,190 --> 00:40:52,460
out ten days later but the telegraph was

810
00:41:04,090 --> 00:40:57,200
sent from Shanghai and this guy is live

811
00:41:06,460 --> 00:41:04,100
in Ruby Ruby is also another places so

812
00:41:11,470 --> 00:41:06,470
on the north so it's quite a far

813
00:41:13,810 --> 00:41:11,480

distance nobody know how I mean okay

814

00:41:17,610 --> 00:41:13,820

that the Telegraph itself is saying this

815

00:41:21,580 --> 00:41:17,620

guy Wong was staying in Shanghai and

816

00:41:24,640 --> 00:41:21,590

staying in with the military

817

00:41:26,860 --> 00:41:24,650

so this officer report from the military

818

00:41:28,900 --> 00:41:26,870

so this is the first time it is appear

819

00:41:32,470 --> 00:41:28,910

but nobody understand how come this guy

820

00:41:36,640 --> 00:41:32,480

can travel all this far from Roubaix to

821

00:41:41,290 --> 00:41:36,650

Shanghai in ten hours and we were

822

00:41:44,500 --> 00:41:41,300

talking about like thousand ill or a

823

00:41:48,760 --> 00:41:44,510

thousand forty thousand and hundred

824

00:41:50,470 --> 00:41:48,770

forty miles right so there's no way they

825

00:41:52,960 --> 00:41:50,480

can travel that far and this guy is a

826

00:41:56,650 --> 00:41:52,970

formal it doesn't take helicopters they

827

00:42:00,040 --> 00:41:56,660

the fastest way he got their needs

828

00:42:02,680 --> 00:42:00,050

twenty two hours but you know it just

829

00:42:03,730 --> 00:42:02,690

you know that the telegraph sent out in

830

00:42:07,060 --> 00:42:03,740

ten hours so

831

00:42:09,790 --> 00:42:07,070

nobody understand how he do it but the

832

00:42:12,280 --> 00:42:09,800

reason he and then he mentioned about it

833

00:42:14,620 --> 00:42:12,290

he mentioned he's leaving he's sleeping

834

00:42:18,610 --> 00:42:14,630

and suddenly he wake up by some noise

835

00:42:21,280 --> 00:42:18,620

and he doesn't know wow he doesn't know

836

00:42:23,860 --> 00:42:21,290

why when he get up he's leaving he's

837

00:42:25,990 --> 00:42:23,870

supposed leaving in the farm area we

838

00:42:28,390 --> 00:42:26,000

required area but when he wake up in the

839

00:42:31,450 --> 00:42:28,400

morning he just wake up and saw so many

840

00:42:34,360 --> 00:42:31,460

huge building and he doesn't know where

841

00:42:36,850 --> 00:42:34,370

he was he where he was so he keep asking

842

00:42:40,300 --> 00:42:36,860

people and people tell him you ain't you

843

00:42:42,730 --> 00:42:40,310

in Shanghai and that really make him

844

00:42:43,450 --> 00:42:42,740

crazy and he doesn't know what to do so

845

00:42:46,330 --> 00:42:43,460

he could

846

00:42:49,120 --> 00:42:46,340

when you find the policeman and the

847

00:42:53,200 --> 00:42:49,130

policeman sand is telepath Telegraph to

848

00:42:57,070 --> 00:42:53,210

where he live then was the first the

849

00:43:02,260 --> 00:42:57,080

first case and in the second case is two

850

00:43:04,630 --> 00:43:02,270

months later and he dis dis Wang go back

851
00:43:05,590 --> 00:43:04,640
home asleep again and then next morning

852
00:43:08,590 --> 00:43:05,600
when he get up

853
00:43:12,820 --> 00:43:08,600
he went to Shanghai a train station

854
00:43:15,100 --> 00:43:12,830
again and he was so surprised he saw the

855
00:43:20,050 --> 00:43:15,110
clock the clock on the building it was

856
00:43:22,180 --> 00:43:20,060
one o clock in the midnight 1:00 a.m. so

857
00:43:24,250 --> 00:43:22,190
he doesn't know what to do

858
00:43:27,240 --> 00:43:24,260
so remember he remember the last time he

859
00:43:30,790 --> 00:43:27,250
went to the campsite and get help from

860
00:43:34,270 --> 00:43:30,800
the military so he was thinking maybe I

861
00:43:37,300 --> 00:43:34,280
can do the same thing so he trying to go

862
00:43:39,850 --> 00:43:37,310
to the military camp site and try to get

863
00:43:42,670 --> 00:43:39,860

help remember this is the second times

864

00:43:47,860 --> 00:43:42,680

of this happened but he doesn't remember

865

00:43:50,950 --> 00:43:47,870

it isn't know is suddenly - military guy

866

00:43:54,340 --> 00:43:50,960

just come up to him and said ok we were

867

00:43:56,170 --> 00:43:54,350

supposed to wait you here and then they

868

00:44:02,350 --> 00:43:56,180

bring he brought him they brought him to

869

00:44:04,450 --> 00:44:02,360

the campsite and Huang suddenly I mean

870

00:44:07,660 --> 00:44:04,460

these two these two military prank

871

00:44:10,990 --> 00:44:07,670

brought him to a higher level of one of

872

00:44:12,850 --> 00:44:11,000

the general but Wang realized that when

873

00:44:16,720 --> 00:44:12,860

he saw the general these two guys

874

00:44:18,280 --> 00:44:16,730

certainly disappear just behind him he

875

00:44:20,140 --> 00:44:18,290

was there they were they were there like

876

00:44:23,290 --> 00:44:20,150

a minutes ago and suddenly they have

877

00:44:25,240 --> 00:44:23,300

gone so he doesn't know why but when he

878

00:44:28,420 --> 00:44:25,250

talked to the higher rank of them the

879

00:44:30,190 --> 00:44:28,430

general the general was so surprised how

880

00:44:33,010 --> 00:44:30,200

you can into the campsite this is a

881

00:44:35,740 --> 00:44:33,020

campsite and no citizens can come in

882

00:44:38,410 --> 00:44:35,750

here how do you come here so long term

883

00:44:42,910 --> 00:44:38,420

two of the military guy brought me here

884

00:44:45,790 --> 00:44:42,920

and but the general don't see anyone he

885

00:44:49,420 --> 00:44:45,800

just saw all just going into the camp

886

00:44:52,360 --> 00:44:49,430

and talked to him so another thing you

887

00:44:54,460 --> 00:44:52,370

know make everybody surprised so they

888

00:44:55,760 --> 00:44:54,470

give him some money and then same him

889

00:44:58,720 --> 00:44:55,770

home

890

00:45:02,240 --> 00:44:58,730

and that's it so this is the second

891

00:45:04,580 --> 00:45:02,250

second case the second second time of

892

00:45:08,270 --> 00:45:04,590

attacks from the third time of the

893

00:45:10,870 --> 00:45:08,280

abduction is ten days later and he

894

00:45:14,630 --> 00:45:10,880

finishes work wrong finishes work and

895

00:45:17,090 --> 00:45:14,640

you feel like dizzy and then feel like

896

00:45:21,790 --> 00:45:17,100

faint and then by the time you get up he

897

00:45:24,950 --> 00:45:21,800

was somewhere in a hotel or something

898

00:45:27,350 --> 00:45:24,960

and there were two young people sitting

899

00:45:30,590 --> 00:45:27,360

next to him and tell him this is leg

900

00:45:34,760 --> 00:45:30,600

this is lando it's somewhere really far

901
00:45:38,420 --> 00:45:34,770
away we way way far away like a thousand

902
00:45:42,340 --> 00:45:38,430
two hundred miles away but he doesn't

903
00:45:45,680 --> 00:45:42,350
know how he get there so all these cases

904
00:45:48,290 --> 00:45:45,690
happened to this guy and they all have

905
00:45:52,100 --> 00:45:48,300
the report they all have the report end

906
00:45:54,410 --> 00:45:52,110
or fizzle record from the military from

907
00:45:57,080 --> 00:45:54,420
the police because remember he got help

908
00:46:00,410 --> 00:45:57,090
from the military to get home he the

909
00:46:03,380 --> 00:46:00,420
Talib the Telegraph was sent from a

910
00:46:06,590 --> 00:46:03,390
military camp site to his home to his

911
00:46:09,080 --> 00:46:06,600
village so this is all hand report this

912
00:46:13,220 --> 00:46:09,090
is only record and nobody knows how he

913
00:46:17,270 --> 00:46:13,230

get there he doesn't fly it he's just a

914

00:46:19,160 --> 00:46:17,280

farmer he can you can basically do the

915

00:46:22,310 --> 00:46:19,170

farming he doesn't know what to do even

916

00:46:26,480 --> 00:46:22,320

he feels care in the city so this is one

917

00:46:30,200 --> 00:46:26,490

of the important cases and the UFO

918

00:46:34,160 --> 00:46:30,210

Beijing UFO research society actually

919

00:46:36,670 --> 00:46:34,170

sent researchers are very famous UFO

920

00:46:39,470 --> 00:46:36,680

researchers in Beijing his name's Sean

921

00:46:45,290 --> 00:46:39,480

it's premature saying them to everybody

922

00:46:48,260 --> 00:46:45,300

but he he scurry in this cases and he

923

00:46:51,620 --> 00:46:48,270

actually involved in he went to a

924

00:46:54,770 --> 00:46:51,630

Beijing University and find a doctor to

925

00:46:58,160 --> 00:46:54,780

do the hypnosis to disguise and trying

926
00:47:01,880 --> 00:46:58,170
to find out information but during the

927
00:47:06,730 --> 00:47:01,890
hypnosis he actually remembered two

928
00:47:10,690 --> 00:47:06,740
people dressing like a policeman

929
00:47:13,090 --> 00:47:10,700
and fly with him when I talk to about

930
00:47:15,070 --> 00:47:13,100
flying they're not sitting in the UFO

931
00:47:17,859 --> 00:47:15,080
they're not sitting here flying sausage

932
00:47:21,609 --> 00:47:17,869
they were flying like Superman like

933
00:47:25,330 --> 00:47:21,619
Superman two of them has got him flying

934
00:47:28,270 --> 00:47:25,340
on the air and then fine and then they

935
00:47:30,820 --> 00:47:28,280
they arrive to somewhere and then they

936
00:47:33,190 --> 00:47:30,830
and then after that he doesn't remember

937
00:47:36,100 --> 00:47:33,200
anything but that is that what they can

938
00:47:39,640 --> 00:47:36,110

get from the hypnosis so this is one of

939

00:47:42,100 --> 00:47:39,650

the UFO abduction cases in China and of

940

00:47:45,580 --> 00:47:42,110

course back then they don't know much

941

00:47:50,260 --> 00:47:45,590

about the alien and all the thing you

942

00:47:53,200 --> 00:47:50,270

are talking about 1977 they do treat

943

00:47:55,120 --> 00:47:53,210

this as a really a mystery cases but

944

00:47:59,050 --> 00:47:55,130

they have report they have record they

945

00:48:02,050 --> 00:47:59,060

have all the document thing store all

946

00:48:05,260 --> 00:48:02,060

these days even the TV broadcast is

947

00:48:08,500 --> 00:48:05,270

story as well so later on when we more

948

00:48:10,450 --> 00:48:08,510

and more UFO cases appear and this one

949

00:48:13,510 --> 00:48:10,460

is also treated as one of the alien

950

00:48:15,250 --> 00:48:13,520

abduction case that is quite the story

951
00:48:18,790 --> 00:48:15,260
I'm gonna get more into that we're ready

952
00:48:22,270 --> 00:48:18,800
for our second and final break so Mike

953
00:48:23,859 --> 00:48:22,280
my guest is Chuck Fey and we are going

954
00:48:26,910 --> 00:48:23,869
to be going to break we'll be right back

955
00:48:29,680 --> 00:48:26,920
right after these messages hang in there

956
00:48:32,490 --> 00:48:29,690
alright welcome back this is Martin

957
00:48:36,490 --> 00:48:32,500
Willis with podcast UFO and my guest is

958
00:48:40,810 --> 00:48:36,500
Chuck Fay and we were talking about this

959
00:48:44,950 --> 00:48:40,820
very strange and interesting case and to

960
00:48:46,359 --> 00:48:44,960
think that the person that I don't know

961
00:48:48,550 --> 00:48:46,369
if was some type of abduction or

962
00:48:50,410 --> 00:48:48,560
whatever kept landing in these little

963
00:48:54,849 --> 00:48:50,420

towns far away somehow

964

00:48:58,450 --> 00:48:54,859

and did you say Chuck did you say that

965

00:49:00,820 --> 00:48:58,460

it appeared to be like police officers

966

00:49:06,070 --> 00:49:00,830

or something that was in during his uh

967

00:49:09,580 --> 00:49:06,080

his regression of hypnotism did did he

968

00:49:12,940 --> 00:49:09,590

say what was or military what was that

969

00:49:15,010 --> 00:49:12,950

again well remember he's a farmer so he

970

00:49:18,430 --> 00:49:15,020

doesn't really can't tell whether the

971

00:49:20,640 --> 00:49:18,440

policeman or they're the military but he

972

00:49:24,640 --> 00:49:20,650

can tell these two guys

973

00:49:26,140 --> 00:49:24,650

wearing uniform during the hypnosis know

974

00:49:28,900 --> 00:49:26,150

that he knows that he doesn't remember

975

00:49:33,430 --> 00:49:28,910

how he get to the different cities right

976

00:49:36,339 --> 00:49:33,440

how he go to a far distance so during

977

00:49:39,250 --> 00:49:36,349

the hypnosis he remember flying together

978

00:49:41,650 --> 00:49:39,260

with two person two gentlemen and these

979

00:49:43,630 --> 00:49:41,660

two gentlemen are wearing uniforms he

980

00:49:45,609 --> 00:49:43,640

remember hurry

981

00:49:47,410 --> 00:49:45,619

Police Department from the police

982

00:49:49,720 --> 00:49:47,420

department or from the military he

983

00:49:54,520 --> 00:49:49,730

doesn't really tell but he remember

984

00:49:57,070 --> 00:49:54,530

they're wearing uniforms and you know is

985

00:49:59,230 --> 00:49:57,080

hard to believe for most of it the

986

00:50:01,780 --> 00:49:59,240

people they see all people are thinking

987

00:50:04,599 --> 00:50:01,790

is crazy but remember when we look at

988

00:50:07,690 --> 00:50:04,609

the UFO cases and abduction cases in the

989

00:50:11,230 --> 00:50:07,700

States or the other countries so many

990

00:50:16,030 --> 00:50:11,240

times the after keys have contact with

991

00:50:19,080 --> 00:50:16,040

some of the military person even lying

992

00:50:22,839 --> 00:50:19,090

on the examination tables with degrees

993

00:50:26,079 --> 00:50:22,849

know the examination on them they still

994

00:50:28,540 --> 00:50:26,089

see some military involved and they saw

995

00:50:31,750 --> 00:50:28,550

people who wearing uniform from behind

996

00:50:35,650 --> 00:50:31,760

so it's pretty much the same situation

997

00:50:38,230 --> 00:50:35,660

he remember no with no contact with

998

00:50:40,870 --> 00:50:38,240

military and they brought him fly all

999

00:50:43,450 --> 00:50:40,880

the way so when I what I have in mind

1000

00:50:46,390 --> 00:50:43,460

and what the most of the UFO researches

1001
00:50:50,440 --> 00:50:46,400
in mind about these cases is he'd been

1002
00:50:53,560 --> 00:50:50,450
abducted but probably the beings who

1003
00:50:55,870 --> 00:50:53,570
abduct him doesn't want to scare you

1004
00:50:57,820 --> 00:50:55,880
know so he's a farmer after all you know

1005
00:51:00,540 --> 00:50:57,830
they don't want to show their big eyes a

1006
00:51:05,950 --> 00:51:00,550
big head you know or maybe their

1007
00:51:09,280 --> 00:51:05,960
reptilian faces so they probably let him

1008
00:51:13,060 --> 00:51:09,290
see a policeman properly let him see

1009
00:51:15,720 --> 00:51:13,070
military officers so at least he won't

1010
00:51:20,170 --> 00:51:15,730
feel scared you know and back there in

1011
00:51:23,020 --> 00:51:20,180
1970 and 70s people from the village

1012
00:51:25,780 --> 00:51:23,030
people from the countryside they they

1013
00:51:29,200 --> 00:51:25,790

also believed that the officials like

1014

00:51:32,980 --> 00:51:29,210

the chair military or the policeman they

1015

00:51:33,819 --> 00:51:32,990

are helping the citizen right so I think

1016

00:51:35,769 --> 00:51:33,829

they would

1017

00:51:39,069 --> 00:51:35,779

give him a peace of mind when they fly

1018

00:51:41,559 --> 00:51:39,079

with him and a funny thing is a lot of

1019

00:51:44,799 --> 00:51:41,569

UFO abduction cases not only this one

1020

00:51:47,499 --> 00:51:44,809

but also the other two major famous

1021

00:51:51,099 --> 00:51:47,509

abduction cases they don't actually get

1022

00:51:54,940 --> 00:51:51,109

into the craft they fly they fly like

1023

00:51:56,469 --> 00:51:54,950

Superman no another yeah so many cases

1024

00:51:58,930 --> 00:51:56,479

like this

1025

00:52:01,390 --> 00:51:58,940

yeah the abduction cases also he

1026
00:52:04,269 --> 00:52:01,400
remember these two gentlemen wearing

1027
00:52:07,479 --> 00:52:04,279
military uniform but flying together

1028
00:52:12,219 --> 00:52:07,489
with him and he remember flying on the

1029
00:52:14,559 --> 00:52:12,229
top of the trees and so so I think this

1030
00:52:17,499 --> 00:52:14,569
is one funny phenomenon in China's

1031
00:52:20,199 --> 00:52:17,509
abduction cases and not many people

1032
00:52:23,170 --> 00:52:20,209
actually saw the craft except one of the

1033
00:52:27,069 --> 00:52:23,180
guy his name Shou Shou actually saw the

1034
00:52:30,099 --> 00:52:27,079
craft stopped a park in the forest and

1035
00:52:35,289 --> 00:52:30,109
who remembered the craft looks like a

1036
00:52:37,779 --> 00:52:35,299
ping-pong paddle so he also I think

1037
00:52:40,689 --> 00:52:37,789
Montana with a circle with a little

1038
00:52:43,989 --> 00:52:40,699

handle on the back but it's a huge craft

1039

00:52:46,299 --> 00:52:43,999

stopping inside woods and all that he

1040

00:52:49,479 --> 00:52:46,309

actually get into the wood get into the

1041

00:52:52,269 --> 00:52:49,489

kravitz himself and remember I told you

1042

00:52:55,180 --> 00:52:52,279

he said when he got in there he saw a

1043

00:52:57,579 --> 00:52:55,190

very sick Chinese girl sitting in the

1044

00:53:01,180 --> 00:52:57,589

craft himself so the alien brought him

1045

00:53:04,719 --> 00:53:01,190

and I want him to do some helping or

1046

00:53:07,989 --> 00:53:04,729

maybe some healing to this young girl

1047

00:53:10,420 --> 00:53:07,999

and and then they released both of them

1048

00:53:13,890 --> 00:53:10,430

so the reason they brought chow chow is

1049

00:53:18,130 --> 00:53:13,900

probably he knows a little bit of

1050

00:53:20,469 --> 00:53:18,140

Medical Chinese medical method so he

1051
00:53:23,969 --> 00:53:20,479
brought him to try to cure this Chinese

1052
00:53:26,640 --> 00:53:23,979
girl and then after this abduction and

1053
00:53:29,349 --> 00:53:26,650
the story opened up to the public and

1054
00:53:34,569 --> 00:53:29,359
Beijing UFO research society is saying

1055
00:53:37,209 --> 00:53:34,579
the same guy to find this Chow and do

1056
00:53:41,319 --> 00:53:37,219
some testimony from him and then they

1057
00:53:44,049 --> 00:53:41,329
went to the military hospital to do

1058
00:53:45,729 --> 00:53:44,059
hypnosis and he tell all his story the

1059
00:53:47,220 --> 00:53:45,739
funny thing is they trying to find his

1060
00:53:50,069 --> 00:53:47,230
Chinese sick girl

1061
00:53:53,940 --> 00:53:50,079
because they knew they'd far vary quite

1062
00:53:56,670 --> 00:53:53,950
a big distance between his home and the

1063
00:53:57,720 --> 00:53:56,680

way that the place he saw his craft and

1064

00:54:00,480 --> 00:53:57,730

his Chinese girl

1065

00:54:03,990 --> 00:54:00,490

so they trying to find his girls they

1066

00:54:06,210 --> 00:54:04,000

they bring Chow to police station and

1067

00:54:09,359 --> 00:54:06,220

the policemen help him to draw the faces

1068

00:54:12,349 --> 00:54:09,369

and they actually found actually found

1069

00:54:15,210 --> 00:54:12,359

this girl and this girl grow up now and

1070

00:54:17,460 --> 00:54:15,220

the funny thing is this girl used to be

1071

00:54:19,819 --> 00:54:17,470

very sick and the family of the girl

1072

00:54:23,880 --> 00:54:19,829

said she's very sick but so you just

1073

00:54:26,550 --> 00:54:23,890

totally recover in just one day and next

1074

00:54:28,500 --> 00:54:26,560

day he get up to get up she's completely

1075

00:54:31,140 --> 00:54:28,510

heal I mean all these signals are gone

1076

00:54:35,280 --> 00:54:31,150

but they find a little scar on the back

1077

00:54:38,579 --> 00:54:35,290

of his help of this girl's help this is

1078

00:54:41,550 --> 00:54:38,589

where they did expand the the the

1079

00:54:44,160 --> 00:54:41,560

experiment in the craft with Chow and

1080

00:54:48,240 --> 00:54:44,170

his girl together so the alien actually

1081

00:54:50,970 --> 00:54:48,250

brings how to heal this girl and this

1082

00:54:54,300 --> 00:54:50,980

story have a full report from the UFO

1083

00:54:56,790 --> 00:54:54,310

research community and the military with

1084

00:55:01,109 --> 00:54:56,800

record and the policeman record as well

1085

00:55:06,329 --> 00:55:01,119

so another official cases in China Wow

1086

00:55:08,040 --> 00:55:06,339

now did that did the the farmer the guy

1087

00:55:09,720 --> 00:55:08,050

there that kept landing in the different

1088

00:55:14,010 --> 00:55:09,730

towns did he end up getting married

1089

00:55:18,030 --> 00:55:14,020

after all well the story never tell but

1090

00:55:20,940 --> 00:55:18,040

what I was told is he was a farmer yeah

1091

00:55:24,630 --> 00:55:20,950

he only know farming for his whole life

1092

00:55:30,270 --> 00:55:24,640

but after the abduction he somehow he

1093

00:55:33,510 --> 00:55:30,280

got his mind some kind of knowledge so

1094

00:55:35,339 --> 00:55:33,520

he can do invention I don't know what

1095

00:55:38,220 --> 00:55:35,349

kind of invention but probably involved

1096

00:55:40,559 --> 00:55:38,230

into farming but he's just a farmer and

1097

00:55:43,140 --> 00:55:40,569

do all this old traditional way to farm

1098

00:55:45,829 --> 00:55:43,150

and he certainly know how to invent

1099

00:55:50,309 --> 00:55:45,839

something in when some equipment to

1100

00:55:53,069 --> 00:55:50,319

probably help him farming help him more

1101
00:55:57,950 --> 00:55:53,079
faster or easier way to do the farming I

1102
00:56:01,080 --> 00:55:57,960
think I think that is some kind of brain

1103
00:56:03,840 --> 00:56:01,090
develop as well during the

1104
00:56:06,210 --> 00:56:03,850
of cases a lot of abduction cases the

1105
00:56:07,800 --> 00:56:06,220
guy have personality change they have

1106
00:56:10,620 --> 00:56:07,810
the knowledge change they have knowledge

1107
00:56:13,130 --> 00:56:10,630
download to their brain I think pretty

1108
00:56:15,990 --> 00:56:13,140
much the same thing happened to this guy

1109
00:56:20,540 --> 00:56:16,000
interesting interesting now in the chat

1110
00:56:23,340 --> 00:56:20,550
room Bob wanted to know if there's any

1111
00:56:26,270 --> 00:56:23,350
Chinese military cases like the

1112
00:56:30,150 --> 00:56:26,280
tic-tac-toe I mean I'm sorry the Tic Tac

1113
00:56:31,830 --> 00:56:30,160

tic UFO in the office San Diego are

1114

00:56:33,450 --> 00:56:31,840

there any military cases that you're

1115

00:56:37,130 --> 00:56:33,460

aware of where there was a military

1116

00:56:41,850 --> 00:56:37,140

encounter in any cases like that I

1117

00:56:48,450 --> 00:56:41,860

definitely believe so and I can share

1118

00:56:53,790 --> 00:56:48,460

one of the cases happening 2018 which is

1119

00:56:56,040 --> 00:56:53,800

last year there there is a seat one seat

1120

00:56:58,890 --> 00:56:56,050

one Airport see Troy International

1121

00:57:00,450 --> 00:56:58,900

Airport is away a little bit way on the

1122

00:57:06,690 --> 00:57:00,460

north

1123

00:57:09,270 --> 00:57:06,700

the average shutdown one day people who

1124

00:57:12,420 --> 00:57:09,280

is yelling and screaming and all that

1125

00:57:15,510 --> 00:57:12,430

because they're angry because of the

1126

00:57:18,810 --> 00:57:15,520

airport shutdown like 18 hours as far as

1127

00:57:21,870 --> 00:57:18,820

I remember the reason they shut it down

1128

00:57:28,350 --> 00:57:21,880

and official reason is they do a

1129

00:57:29,850 --> 00:57:28,360

military experiment or military research

1130

00:57:32,520 --> 00:57:29,860

or something so they have to shut down

1131

00:57:36,450 --> 00:57:32,530

the airport but the point is there are

1132

00:57:38,730 --> 00:57:36,460

military guys their soldiers in the

1133

00:57:41,490 --> 00:57:38,740

airport and they're in a hurry to fight

1134

00:57:45,000 --> 00:57:41,500

back to Beijing to report something so

1135

00:57:47,220 --> 00:57:45,010

the reason the real reason the attack is

1136

00:57:50,790 --> 00:57:47,230

because some of the some of the

1137

00:57:53,520 --> 00:57:50,800

passenger who've been stuck in the

1138

00:57:57,540 --> 00:57:53,530

building of the airport they actually

1139

00:58:01,170 --> 00:57:57,550

filmed a UFO flying hovering on the

1140

00:58:04,890 --> 00:58:01,180

airport itself so we have military

1141

00:58:08,160 --> 00:58:04,900

witness but I think I think the military

1142

00:58:10,740 --> 00:58:08,170

actually involved into the study but the

1143

00:58:12,180 --> 00:58:10,750

case is again when when this case are

1144

00:58:14,310 --> 00:58:12,190

studied by the military they never

1145

00:58:16,230 --> 00:58:14,320

really open up the case the

1146

00:58:20,040 --> 00:58:16,240

more you can the only thing you can tell

1147

00:58:24,390 --> 00:58:20,050

is it reports it on the TV under new

1148

00:58:27,450 --> 00:58:24,400

section again on that the officials TV

1149

00:58:30,030 --> 00:58:27,460

broadcast station so so I think I think

1150

00:58:31,860 --> 00:58:30,040

the military do actually involve into

1151

00:58:34,350 --> 00:58:31,870

this kind of research but they never

1152

00:58:36,750 --> 00:58:34,360

really open up the story when they

1153

00:58:38,940 --> 00:58:36,760

decided not to open up the story there

1154

00:58:41,430 --> 00:58:38,950

is no way you can find out unless you

1155

00:58:44,550 --> 00:58:41,440

know that whistleblower from the

1156

00:58:45,270 --> 00:58:44,560

military itself but is really we're in

1157

00:58:48,450 --> 00:58:45,280

China

1158

00:58:50,910 --> 00:58:48,460

now there's yes go ahead

1159

00:58:54,090 --> 00:58:50,920

now what year did you say that in

1160

00:58:56,400 --> 00:58:54,100

particular happened um

1161

00:58:58,440 --> 00:58:56,410

I think is that you know I don't have

1162

00:59:03,750 --> 00:58:58,450

the data right now but I remember is

1163

00:59:06,930 --> 00:59:03,760

that mm mm there's so many UFO hovering

1164

00:59:10,440 --> 00:59:06,940

in the airport yeah their business up we

1165

00:59:12,810 --> 00:59:10,450

have Paul Jay in the chatroom was asking

1166

00:59:16,800 --> 00:59:12,820

if you could talk about now I don't know

1167

00:59:21,930 --> 00:59:16,810

how to pronounce it the zyo Shan Airport

1168

00:59:27,990 --> 00:59:21,940

shut down in 2010 it's a it says the

1169

00:59:31,790 --> 00:59:28,000

airport starts with that xiao8 a and is

1170

00:59:41,790 --> 00:59:31,800

a I know you have to translate that into

1171

00:59:43,590 --> 00:59:41,800

Chinese but shut yeah and you know but I

1172

00:59:45,930 --> 00:59:43,600

thought it was like a year ago and I

1173

00:59:49,040 --> 00:59:45,940

wasn't familiar with this 2010 one that

1174

00:59:52,110 --> 00:59:49,050

that that polyposis it in the chat room

1175

00:59:54,120 --> 00:59:52,120

well I think we have quite a few times

1176

00:59:59,520 --> 00:59:54,130

that airport shut down because of the

1177

01:00:01,830 --> 00:59:59,530

UFO but one of the did the most the case

1178

01:00:04,260 --> 01:00:01,840

because I remember I mentioned this on

1179

01:00:07,980 --> 01:00:04,270

the other the other media

1180

01:00:11,550 --> 01:00:07,990

it was 2018 but I deeply believe me if

1181

01:00:16,080 --> 01:00:11,560

somebody mentioned about 2010 it happens

1182

01:00:20,280 --> 01:00:16,090

before no 2018 Airport sentence not is

1183

01:00:23,610 --> 01:00:20,290

definitely not the first time I think it

1184

01:00:25,770 --> 01:00:23,620

happens before many times but nobody

1185

01:00:28,020 --> 01:00:25,780

really talks about and you know China

1186

01:00:32,190 --> 01:00:28,030

China people you know

1187

01:00:36,359 --> 01:00:32,200

the having development the society know

1188

01:00:39,570 --> 01:00:36,369

that the financials and that politicals

1189

01:00:44,099 --> 01:00:39,580

and technology everything is growing up

1190

01:00:48,890 --> 01:00:44,109

so UFOs the last thing they really focus

1191

01:00:52,920 --> 01:00:48,900

on so we report we have people told us

1192

01:00:54,690 --> 01:00:52,930

they saw the UFO and episode time but

1193

01:00:58,349 --> 01:00:54,700

the point is they don't really care

1194

01:01:00,599 --> 01:00:58,359

about it they don't really do a lot of

1195

01:01:02,880 --> 01:01:00,609

research on it so as long as the airport

1196

01:01:04,740 --> 01:01:02,890

we open again and people go back to

1197

01:01:08,160 --> 01:01:04,750

their normal life and for people will

1198

01:01:11,550 --> 01:01:08,170

forget about whole thing yeah yeah

1199

01:01:15,050 --> 01:01:11,560

so whether any other the case you you

1200

01:01:18,240 --> 01:01:15,060

mentioned are there any other cases that

1201
01:01:21,150 --> 01:01:18,250
that are real battle bigeye twenties

1202
01:01:23,760 --> 01:01:21,160
like at this point

1203
01:01:27,270 --> 01:01:23,770
well let me why don't we share this

1204
01:01:29,640 --> 01:01:27,280
story in China in Hong Kong okay yeah

1205
01:01:33,320 --> 01:01:29,650
yeah it's Hong Kong East Palo China as

1206
01:01:37,339 --> 01:01:33,330
well but when didn't happens happen in

1207
01:01:43,650 --> 01:01:37,349
1985 like the one I mentioned that Hugh

1208
01:01:45,420 --> 01:01:43,660
mothership is a huge one so we remember

1209
01:01:47,460 --> 01:01:45,430
I told you in Hong Kong people we are

1210
01:01:48,810 --> 01:01:47,470
living in buildings they are not many

1211
01:01:51,810 --> 01:01:48,820
people even the house we live in

1212
01:01:54,599 --> 01:01:51,820
buildings and small buildings more flag

1213
01:01:57,510 --> 01:01:54,609

and one flipper we leave five people or

1214

01:02:01,410 --> 01:01:57,520

five family in the four hundred square

1215

01:02:04,079 --> 01:02:01,420

feet area so it's pretty tight you know

1216

01:02:07,349 --> 01:02:04,089

in Hong Kong as well

1217

01:02:11,400 --> 01:02:07,359

I remember this places is named aberdeen

1218

01:02:15,180 --> 01:02:11,410

aberdeen is famous places in the south

1219

01:02:18,800 --> 01:02:15,190

area of hong kong and we the people who

1220

01:02:22,890 --> 01:02:18,810

live there facing a sea facing the ocean

1221

01:02:26,220 --> 01:02:22,900

one of the night around 6:30

1222

01:02:29,220 --> 01:02:26,230

around 7:30 put it this way 7:30 is

1223

01:02:32,579 --> 01:02:29,230

people who supposed to finish work and

1224

01:02:34,680 --> 01:02:32,589

go home and one of the village one of

1225

01:02:37,320 --> 01:02:34,690

the a stage put it this way at state

1226

01:02:39,240 --> 01:02:37,330

buildings people who live there and one

1227

01:02:41,789 --> 01:02:39,250

of the woman who lived there when the

1228

01:02:44,339 --> 01:02:41,799

mom told him to close the window

1229

01:02:47,279 --> 01:02:44,349

because of too windy outside so when she

1230

01:02:51,569 --> 01:02:47,289

went out to close the window she saw a

1231

01:02:56,120 --> 01:02:51,579

huge he mentioned his she mentioned is

1232

01:02:59,039 --> 01:02:56,130

about the size of a stadium a huge UFO

1233

01:03:04,259 --> 01:02:59,049

stopping hovering in the middle of the

1234

01:03:09,539 --> 01:03:04,269

air and this this graph is actually stop

1235

01:03:11,609 --> 01:03:09,549

and hovering above a building above the

1236

01:03:15,199 --> 01:03:11,619

building and you were so windy outside

1237

01:03:19,079 --> 01:03:15,209

she remembered she saw thousands of

1238

01:03:21,749 --> 01:03:19,089

colourful lights at the bottom of the

1239

01:03:25,859 --> 01:03:21,759

craft and she remember people who walk

1240

01:03:28,859 --> 01:03:25,869

on the street and who also look up to

1241

01:03:32,099 --> 01:03:28,869

the sky there they probably like 100 or

1242

01:03:34,529 --> 01:03:32,109

4,000 people who saw it now the funny

1243

01:03:38,669 --> 01:03:34,539

thing is people always think this is

1244

01:03:41,039 --> 01:03:38,679

only one cases and one one crisis in

1245

01:03:43,979 --> 01:03:41,049

Aberdeen but people who don't know and

1246

01:03:46,469 --> 01:03:43,989

according to my investigate people don't

1247

01:03:49,109 --> 01:03:46,479

know this graph actually arrived more

1248

01:03:52,829 --> 01:03:49,119

than two times or three times because

1249

01:03:55,739 --> 01:03:52,839

once is arrived in the mid night I

1250

01:03:59,370 --> 01:03:55,749

remember this guy who called me and told

1251
01:04:02,099 --> 01:03:59,380
me he supposed to he was sleeping and

1252
01:04:05,039 --> 01:04:02,109
then he suddenly filled the building is

1253
01:04:08,429 --> 01:04:05,049
shaking at first he thought it was an

1254
01:04:11,309 --> 01:04:08,439
earthquake so he get up he remembers

1255
01:04:14,429 --> 01:04:11,319
something no some like decoration things

1256
01:04:16,829 --> 01:04:14,439
that hang on the wards no fell fell down

1257
01:04:20,429 --> 01:04:16,839
on the ground because of shaking is too

1258
01:04:22,499 --> 01:04:20,439
is too shaky so he went out to the

1259
01:04:24,839 --> 01:04:22,509
buildings he went out to the window and

1260
01:04:27,719 --> 01:04:24,849
tried to look what's happening but when

1261
01:04:29,549 --> 01:04:27,729
he went out he saw the people on the

1262
01:04:32,390 --> 01:04:29,559
opposite side of the building on the

1263
01:04:37,499 --> 01:04:32,400

opposite building remember that was like

1264

01:04:40,439 --> 01:04:37,509

1 or 2 a.m. it was quiet and people were

1265

01:04:41,999 --> 01:04:40,449

sleeping all the lights are out and he

1266

01:04:44,779 --> 01:04:42,009

remembered the opposite side of the

1267

01:04:47,339 --> 01:04:44,789

building people look out the window and

1268

01:04:50,429 --> 01:04:47,349

pawning in the window Horning out the

1269

01:04:53,789 --> 01:04:50,439

sky they pointing to the opposite side

1270

01:04:55,340 --> 01:04:53,799

which is the building he live so he went

1271

01:04:57,950 --> 01:04:55,350

out to the stairway

1272

01:05:00,370 --> 01:04:57,960

they have a better look on that on the

1273

01:05:05,270 --> 01:05:00,380

top view of the building he saw a

1274

01:05:08,540 --> 01:05:05,280

hexagon shape a huge mothership also he

1275

01:05:10,760 --> 01:05:08,550

described as big as a stadium hovering

1276

01:05:13,760 --> 01:05:10,770

on top of the building but that was 1:00

1277

01:05:18,140 --> 01:05:13,770

p.m. the cases I mentioned before is six

1278

01:05:21,470 --> 01:05:18,150

or seven day 7 p.m. now this is 1 or 2

1279

01:05:24,350 --> 01:05:21,480

a.m. so they're in these two cases but

1280

01:05:26,630 --> 01:05:24,360

they're all stopping in the same

1281

01:05:28,340 --> 01:05:26,640

building that's the funny thing it is

1282

01:05:31,190 --> 01:05:28,350

now under a state that have many

1283

01:05:34,970 --> 01:05:31,200

buildings but the UFO always hovering at

1284

01:05:37,550 --> 01:05:34,980

the same building nobody knows why and

1285

01:05:40,550 --> 01:05:37,560

then after a few years and then another

1286

01:05:42,470 --> 01:05:40,560

guy who call me and he said no no no all

1287

01:05:47,080 --> 01:05:42,480

these cases are not right because the

1288

01:05:51,620 --> 01:05:47,090

time I saw the UFO is at 4 a.m. is about

1289

01:05:55,010 --> 01:05:51,630

to about the Sun the Sun set the sunrise

1290

01:05:57,590 --> 01:05:55,020

so he said this guy is a taxi driver he

1291

01:06:01,280 --> 01:05:57,600

said I go to work you know even before

1292

01:06:03,440 --> 01:06:01,290

the sky light up before the sky is Duta

1293

01:06:05,900 --> 01:06:03,450

he went out to work and he went out to

1294

01:06:10,730 --> 01:06:05,910

work as soon as he came into the taxi

1295

01:06:14,090 --> 01:06:10,740

into the cab and he saw this huge UFO

1296

01:06:20,390 --> 01:06:14,100

craft hovering on the top of a building

1297

01:06:22,280 --> 01:06:20,400

with a kind of a spotlight pawning to

1298

01:06:25,700 --> 01:06:22,290

the rooftop of the building but also

1299

01:06:29,360 --> 01:06:25,710

happened in the same building we nobody

1300

01:06:31,790 --> 01:06:29,370

knows why is UFO hovering few times in

1301

01:06:34,670 --> 01:06:31,800

this Aberdeen area but they also

1302

01:06:36,650 --> 01:06:34,680

hovering at the same building there's

1303

01:06:39,830 --> 01:06:36,660

like more than like six or seven

1304

01:06:44,420 --> 01:06:39,840

building in the same area but only Apple

1305

01:06:46,730 --> 01:06:44,430

only hovering on one building so this is

1306

01:06:50,390 --> 01:06:46,740

one of the cases and this is widely

1307

01:06:54,800 --> 01:06:50,400

report in Hong Kong here and is one of

1308

01:06:58,670 --> 01:06:54,810

the very famous case he even recorded in

1309

01:07:01,970 --> 01:06:58,680

the Roswell UFO Museum these cases also

1310

01:07:05,450 --> 01:07:01,980

reporting was well UFO museum so it's a

1311

01:07:08,870 --> 01:07:05,460

famous case in China in Hong Kong one of

1312

01:07:11,690 --> 01:07:08,880

the most famous case

1313

01:07:14,720 --> 01:07:11,700

and during all this year when I do the

1314

01:07:17,749 --> 01:07:14,730

research and my own program and people

1315

01:07:20,450 --> 01:07:17,759

who come up to me and told me they've

1316

01:07:24,109 --> 01:07:20,460

been abducted by aliens you know one of

1317

01:07:27,559 --> 01:07:24,119

the woman his name is ma we told MA

1318

01:07:32,150 --> 01:07:27,569

we call him we call her MA she wrote me

1319

01:07:35,539 --> 01:07:32,160

an e-mail at 2012 and I was writing a

1320

01:07:37,549 --> 01:07:35,549

book I don't know what you put in there

1321

01:07:40,279 --> 01:07:37,559

I don't want to put just a simple UFO

1322

01:07:42,440 --> 01:07:40,289

story into the book so I was kind of

1323

01:07:44,359 --> 01:07:42,450

stuck and I was waiting and I was

1324

01:07:46,930 --> 01:07:44,369

writing in front of the computer and I

1325

01:07:50,779 --> 01:07:46,940

remember one of the lunch one of the

1326

01:07:53,480 --> 01:07:50,789

afternoon after my lunch and I suddenly

1327

01:07:57,200 --> 01:07:53,490

receive an email and from this lady is

1328

01:07:59,779 --> 01:07:57,210

ma she she just told me she thinks she's

1329

01:08:03,950 --> 01:07:59,789

crazy and she really needs help and she

1330

01:08:06,200 --> 01:08:03,960

asking whether she can meet me so I I

1331

01:08:07,849 --> 01:08:06,210

don't know her so I sent her back an

1332

01:08:10,730 --> 01:08:07,859

email I said can you leave me a phone

1333

01:08:13,249 --> 01:08:10,740

number so we can talk and she replied

1334

01:08:15,230 --> 01:08:13,259

the email like three second with the

1335

01:08:17,689 --> 01:08:15,240

phone number so you can tell she's

1336

01:08:19,910 --> 01:08:17,699

actually waiting desperately waiting

1337

01:08:22,340 --> 01:08:19,920

next to the computer see wait for the

1338

01:08:26,510 --> 01:08:22,350

response so I call her right away and

1339

01:08:29,209 --> 01:08:26,520

she cry right away really crying

1340

01:08:31,490 --> 01:08:29,219

so I told I answer what happened she

1341

01:08:34,249 --> 01:08:31,500

tell she kept telling me she saw all

1342

01:08:37,070 --> 01:08:34,259

this picture when she get up the

1343

01:08:39,200 --> 01:08:37,080

pictures in her brain on his image

1344

01:08:41,720 --> 01:08:39,210

suddenly fresh up a lot of like

1345

01:08:44,300 --> 01:08:41,730

flashback in her brain but she doesn't

1346

01:08:48,649 --> 01:08:44,310

know you remember sawing some of the

1347

01:08:54,110 --> 01:08:48,659

pain she remembers all the hand covering

1348

01:08:56,149 --> 01:08:54,120

her face the hand I I remember the first

1349

01:08:59,120 --> 01:08:56,159

time she mentioned a hinge like a

1350

01:09:02,809 --> 01:08:59,130

chicken feet but covering her face and

1351

01:09:05,209 --> 01:09:02,819

she was scared and the next image to

1352

01:09:08,899 --> 01:09:05,219

remember is somewhere inside a hanger

1353

01:09:12,169 --> 01:09:08,909

and then next in from next to flashbacks

1354

01:09:14,709 --> 01:09:12,179

next image to remember is a lot of

1355

01:09:17,780 --> 01:09:14,719

shadow a lot of people walking around

1356

01:09:20,479 --> 01:09:17,790

but they are not really people they're

1357

01:09:21,660 --> 01:09:20,489

not really human you know some human not

1358

01:09:26,520 --> 01:09:21,670

walking around her

1359

01:09:29,520 --> 01:09:26,530

and she was so scared so we we met a few

1360

01:09:30,780 --> 01:09:29,530

days later and the reason I want to met

1361

01:09:31,680 --> 01:09:30,790

up because I want to make sure she is

1362

01:09:35,010 --> 01:09:31,690

not crazy

1363

01:09:37,950 --> 01:09:35,020

and the way she talked is completely

1364

01:09:39,240 --> 01:09:37,960

novel as as soon as we talked about a

1365

01:09:42,930 --> 01:09:39,250

UFO she cried

1366

01:09:49,500 --> 01:09:42,940

so we after two months we brought her to

1367

01:09:52,800 --> 01:09:49,510

a hypnosis therapy and she is this this

1368

01:09:56,550 --> 01:09:52,810

hypnosis therapist is a very open mind

1369

01:09:58,260 --> 01:09:56,560

lady she promised to do this you never

1370

01:10:00,900 --> 01:09:58,270

really do do that before but she

1371

01:10:03,890 --> 01:10:00,910

promised to try and during the hypnosis

1372

01:10:06,990 --> 01:10:03,900

this woman remembered the missing time

1373

01:10:09,090 --> 01:10:07,000

this woman remember what happened during

1374

01:10:12,270 --> 01:10:09,100

the missing time oh I never mentioned

1375

01:10:16,080 --> 01:10:12,280

about a missing time is she was like a

1376

01:10:18,900 --> 01:10:16,090

potato couch she didn't like comes in a

1377

01:10:19,470 --> 01:10:18,910

soft sofa and watching TV that's what

1378

01:10:23,100 --> 01:10:19,480

she does

1379

01:10:27,420 --> 01:10:23,110

every day she remember one day mornings

1380

01:10:31,980 --> 01:10:27,430

you watching TV and program on at home

1381

01:10:34,920 --> 01:10:31,990

and it was the program we play at 11:30

1382

01:10:36,810 --> 01:10:34,930

in the morning so she loved this drama

1383

01:10:38,880 --> 01:10:36,820

so she keep watching it and keep

1384

01:10:41,460 --> 01:10:38,890

watching it and suddenly she remember

1385

01:10:44,760 --> 01:10:41,470

there were some lights flashing into the

1386

01:10:47,130 --> 01:10:44,770

window from outside so she went out she

1387

01:10:50,190 --> 01:10:47,140

went to the window and tried to take a

1388

01:10:54,770 --> 01:10:50,200

look what's flashing the window and then

1389

01:10:59,520 --> 01:10:54,780

she saw a metal plate like a rectangular

1390

01:11:02,430 --> 01:10:59,530

red metal plate hanging hovering in the

1391

01:11:05,120 --> 01:11:02,440

sky nothing on the top hanging this this

1392

01:11:08,370 --> 01:11:05,130

matter but it's like a big piece of

1393

01:11:11,160 --> 01:11:08,380

rectangle metal and the corner of the

1394

01:11:14,040 --> 01:11:11,170

red that the metal have a red light

1395

01:11:16,980 --> 01:11:14,050

flashing to the window so she was kind

1396

01:11:19,410 --> 01:11:16,990

of a few weird she doesn't know what she

1397

01:11:21,600 --> 01:11:19,420

tried to figure out what that was but

1398

01:11:24,210 --> 01:11:21,610

the light flashing to her so she was

1399

01:11:26,970 --> 01:11:24,220

kind of scared and hiding on a corner of

1400

01:11:29,490 --> 01:11:26,980

the window trying to take a good preview

1401

01:11:31,800 --> 01:11:29,500

but also know a little bit like scaring

1402

01:11:34,170 --> 01:11:31,810

and looking and then hiding a look in

1403

01:11:34,939 --> 01:11:34,180

the hiding again so after like two

1404

01:11:38,029 --> 01:11:34,949

minutes

1405

01:11:40,580 --> 01:11:38,039

these things disappear so she realized

1406

01:11:43,520 --> 01:11:40,590

okay it's disappeared she doesn't know

1407

01:11:46,310 --> 01:11:43,530

what that was but see she just doesn't

1408

01:11:48,140 --> 01:11:46,320

care so she went back to watching TV and

1409

01:11:51,709 --> 01:11:48,150

realized the program are no longer

1410

01:11:55,009 --> 01:11:51,719

playing it was playing a program at in

1411

01:11:56,899 --> 01:11:55,019

the afternoon so so you look at the

1412

01:12:00,589 --> 01:11:56,909

clocks you realize you had three hours

1413

01:12:02,180 --> 01:12:00,599

missing and that's trigger her really

1414

01:12:04,250 --> 01:12:02,190

scared about whole thing and then the

1415

01:12:06,500 --> 01:12:04,260

next morning she got all these pictures

1416

01:12:08,600 --> 01:12:06,510

or all these image and then she decided

1417

01:12:12,169 --> 01:12:08,610

to send me an email she doesn't know me

1418

01:12:14,540 --> 01:12:12,179

at all she just asked her friend what

1419

01:12:16,489 --> 01:12:14,550

should i do what should I do if I have

1420

01:12:18,049 --> 01:12:16,499

something happened like this and her

1421

01:12:19,779 --> 01:12:18,059

friend told him okay you can try to

1422

01:12:22,759 --> 01:12:19,789

write an email to check face because

1423

01:12:25,819 --> 01:12:22,769

Chuck Fay do a lot of UFO research in

1424

01:12:29,060 --> 01:12:25,829

Hong Kong and I'm lucky enough to get

1425

01:12:31,729 --> 01:12:29,070

onto local TV so people knows me so he

1426

01:12:34,549 --> 01:12:31,739

that's why she find me she find my

1427

01:12:36,830 --> 01:12:34,559

contact on Facebook and send me an email

1428

01:12:39,290 --> 01:12:36,840

and that's the story after that and then

1429

01:12:42,529 --> 01:12:39,300

during the hypnosis you remember during

1430

01:12:46,600 --> 01:12:42,539

the missing time she actually walked

1431

01:12:49,069 --> 01:12:46,610

through the war and the window and

1432

01:12:53,750 --> 01:12:49,079

standing in the middle of the air so you

1433

01:12:56,689 --> 01:12:53,760

remember a red car and a taxi behind I

1434

01:12:58,069 --> 01:12:56,699

mean I meantime below her feet she was

1435

01:13:02,359 --> 01:12:58,079

standing in the middle of the air and

1436

01:13:05,419 --> 01:13:02,369

she looked up she saw the craft not the

1437

01:13:07,939 --> 01:13:05,429

rectangle plate but a craft a UFO craft

1438

01:13:11,089 --> 01:13:07,949

like a traditional craft on the top of

1439

01:13:12,830 --> 01:13:11,099

her head and then the next memory she

1440

01:13:16,430 --> 01:13:12,840

got is she was already lying on the

1441

01:13:19,699 --> 01:13:16,440

table so you didn't get naked she's just

1442

01:13:25,729 --> 01:13:19,709

wearing what you wear but you remember a

1443

01:13:28,729 --> 01:13:25,739

big metal boxes all the way no sticking

1444

01:13:31,790 --> 01:13:28,739

to her belly boxes she doesn't remember

1445

01:13:35,750 --> 01:13:31,800

terrible experiment and painful and

1446

01:13:37,669 --> 01:13:35,760

people the alien no punching the pin in

1447

01:13:39,469 --> 01:13:37,679

her her head or all these things she

1448

01:13:41,689 --> 01:13:39,479

doesn't remember all these things but

1449

01:13:43,850 --> 01:13:41,699

she remembered a whole time she was

1450

01:13:47,509 --> 01:13:43,860

inside the craft there's a big piece of

1451

01:13:48,790 --> 01:13:47,519

metal box sticking like a bow sticking

1452

01:13:53,770 --> 01:13:48,800

on her belly area

1453

01:13:56,830 --> 01:13:53,780

and so remember the faces of the

1454

01:13:59,250 --> 01:13:56,840

humanoid they were shot but they were

1455

01:14:02,140 --> 01:13:59,260

not Gray's they they have human eyes

1456

01:14:06,399 --> 01:14:02,150

like the ivory if the widen that the

1457

01:14:09,040 --> 01:14:06,409

pupils the black area but they kind of

1458

01:14:13,120 --> 01:14:09,050

big a head with a lot of Winco on their

1459

01:14:16,209 --> 01:14:13,130

face they're not like a traditional grey

1460

01:14:19,569 --> 01:14:16,219

with big eyes they have small eyes like

1461

01:14:23,250 --> 01:14:19,579

human but they were sharp and they have

1462

01:14:26,260 --> 01:14:23,260

wrinkled face and they're kind of

1463

01:14:28,810 --> 01:14:26,270

everybody every order all these beings

1464

01:14:32,049 --> 01:14:28,820

that looks like the same I remember she

1465

01:14:36,459 --> 01:14:32,059

draw me that just sketching and these

1466

01:14:41,530 --> 01:14:36,469

all these beings are wearing a black or

1467

01:14:45,729 --> 01:14:41,540

a dark grey dress with a hope so they

1468

01:14:47,649 --> 01:14:45,739

can cover their face sometimes well all

1469

01:14:48,640 --> 01:14:47,659

these things happen she changed

1470

01:14:51,069 --> 01:14:48,650

completely

1471

01:14:53,530 --> 01:14:51,079

after all this year even now she's to

1472

01:14:56,169 --> 01:14:53,540

have a lot of tangles information

1473

01:14:59,410 --> 01:14:56,179

downloads to her brain and she can tell

1474

01:15:02,859 --> 01:14:59,420

futures you know she can tell me when my

1475

01:15:04,359 --> 01:15:02,869

Pope will finish and launch out we

1476

01:15:08,169 --> 01:15:04,369

supposed to finish the whole book on

1477

01:15:10,149 --> 01:15:08,179

July I was writing the book on March we

1478

01:15:12,280 --> 01:15:10,159

supposed to finish the book on July but

1479

01:15:15,040 --> 01:15:12,290

I won't be able to finish it and the

1480

01:15:17,020 --> 01:15:15,050

first few days see contact me she said

1481

01:15:20,200 --> 01:15:17,030

no your book will not finish no but will

1482

01:15:22,839 --> 01:15:20,210

be finished by the middle of December as

1483

01:15:25,120 --> 01:15:22,849

how do you know said they told me they

1484

01:15:27,189 --> 01:15:25,130

want me to tell you your book will only

1485

01:15:30,129 --> 01:15:27,199

be launched by the middle of December

1486

01:15:32,470 --> 01:15:30,139

that's really what happening because I

1487

01:15:34,629 --> 01:15:32,480

finished my book by November end of

1488

01:15:37,089 --> 01:15:34,639

November and then they sent it to the

1489

01:15:39,700 --> 01:15:37,099

mainland to China to print it and by the

1490

01:15:42,700 --> 01:15:39,710

time the book arrived the bookstore it

1491

01:15:44,890 --> 01:15:42,710

was 18th of December I said how do you

1492

01:15:48,040 --> 01:15:44,900

know that said she said I don't know but

1493

01:15:50,500 --> 01:15:48,050

they told me they told me they tell me

1494

01:15:54,399 --> 01:15:50,510

to tell you your book will not finish

1495

01:15:57,189 --> 01:15:54,409

and then after a few years she seems

1496

01:16:00,399 --> 01:15:57,199

nice you can tell what's about to happen

1497

01:16:02,740 --> 01:16:00,409

in the future so I mean I mean I don't

1498

01:16:04,300 --> 01:16:02,750

know how but this guy this ladies

1499

01:16:08,520 --> 01:16:04,310

completely changed now she is not

1500

01:16:12,820 --> 01:16:08,530

watching TV anymore Zeus is focusing on

1501

01:16:15,820 --> 01:16:12,830

quantum physics it's focusing on Cosmo

1502

01:16:21,240 --> 01:16:15,830

physics is focusing on religion focusing

1503

01:16:24,720 --> 01:16:21,250

on this the society and the human life

1504

01:16:28,480 --> 01:16:24,730

focusing on the conspiracy focusing on

1505

01:16:29,710 --> 01:16:28,490

any more rights so I don't know how to

1506

01:16:32,890 --> 01:16:29,720

change all this

1507

01:16:34,470 --> 01:16:32,900

and I I tried to get proof you know it

1508

01:16:37,030 --> 01:16:34,480

quantum physics I know nothing about

1509

01:16:40,630 --> 01:16:37,040

quantum physics oh by the way she finish

1510

01:16:43,450 --> 01:16:40,640

tell me what she knew I tried to get the

1511

01:16:46,030 --> 01:16:43,460

proof from a professor from a university

1512

01:16:50,470 --> 01:16:46,040

and this professor told me whatever she

1513

01:16:53,410 --> 01:16:50,480

said is completely completely in the

1514

01:16:55,120 --> 01:16:53,420

book so I don't know how she got all

1515

01:16:57,580 --> 01:16:55,130

this information but she told me keep

1516

01:17:00,900 --> 01:16:57,590

telling me all this information are down

1517

01:17:05,010 --> 01:17:00,910

low from the alien who had taught her

1518

01:17:07,630 --> 01:17:05,020

that's something I cannot explain taste

1519

01:17:10,210 --> 01:17:07,640

that's interesting I had a conversation

1520

01:17:13,650 --> 01:17:10,220

with Kathy Martin you know she's the

1521

01:17:16,240 --> 01:17:13,660

niece oh yeah you know she is yeah and

1522

01:17:18,580 --> 01:17:16,250

she this was a few years ago and she

1523

01:17:20,860 --> 01:17:18,590

said that you know a number of people

1524

01:17:23,440 --> 01:17:20,870

are saying that they that are being

1525

01:17:25,960 --> 01:17:23,450

abducted that say they they feel like

1526

01:17:27,910 --> 01:17:25,970

they go right through the walls and she

1527

01:17:30,850 --> 01:17:27,920

said in which i think is pretty bizarre

1528

01:17:33,220 --> 01:17:30,860

you know for sure and she said that

1529

01:17:35,470 --> 01:17:33,230

she's talked to physicists and said I

1530

01:17:37,150 --> 01:17:35,480

had a certain vibration you know

1531

01:17:40,120 --> 01:17:37,160

something like this can happen which is

1532

01:17:42,340 --> 01:17:40,130

I don't know that's it's pretty wild

1533

01:17:44,260 --> 01:17:42,350

stories but it's it's still interesting

1534

01:17:46,570 --> 01:17:44,270

I'm not sure if there's actually

1535

01:17:50,380 --> 01:17:46,580

anything to it but you never know it's

1536

01:17:53,620 --> 01:17:50,390

it's a it's just another mystery in the

1537

01:17:55,900 --> 01:17:53,630

chatroom dickered dog wanted to know if

1538

01:17:58,360 --> 01:17:55,910

there's any place in China that similar

1539

01:17:59,950 --> 01:17:58,370

to like the skinwalker ranch were you

1540

01:18:03,220 --> 01:17:59,960

know maybe a hot spot or a lot of

1541

01:18:06,520 --> 01:18:03,230

paranormal activity going on anyplace

1542

01:18:09,730 --> 01:18:06,530

well I have I actually when when to the

1543

01:18:13,090 --> 01:18:09,740

gate of skinwalker range in last October

1544

01:18:16,270 --> 01:18:13,100

Wow and you was so scary you know scare

1545

01:18:21,000 --> 01:18:16,280

myself and even have a little weird

1546

01:18:25,240 --> 01:18:21,010

experience after that but in China I

1547

01:18:27,790 --> 01:18:25,250

don't I don't know about places no in

1548

01:18:28,540 --> 01:18:27,800

skinwalker range people describe its for

1549

01:18:31,900 --> 01:18:28,550

via Pato

1550

01:18:35,020 --> 01:18:31,910

where all these Bigfoot all these alien

1551

01:18:39,190 --> 01:18:35,030

audience paranormal happens you know

1552

01:18:41,890 --> 01:18:39,200

monsters and and unbelievable shape of

1553

01:18:46,690 --> 01:18:41,900

UFO happening in skinwalker range but in

1554

01:18:48,820 --> 01:18:46,700

China I I doubt okay I never really

1555

01:18:51,820 --> 01:18:48,830

heard about story about that but even if

1556

01:18:55,510 --> 01:18:51,830

they have even your China have a place

1557

01:19:01,180 --> 01:18:55,520

like this because of involving on

1558

01:19:05,530 --> 01:19:01,190

paranormal involving on something way

1559

01:19:07,330 --> 01:19:05,540

way to press on to the government so

1560

01:19:09,190 --> 01:19:07,340

even if they have a place like this they

1561

01:19:12,220 --> 01:19:09,200

won't be able to tell they won't be able

1562

01:19:15,190 --> 01:19:12,230

to talk about it but I don't remember

1563

01:19:18,670 --> 01:19:15,200

I read any thing about a skinwalker

1564

01:19:22,240 --> 01:19:18,680

range story in China but I can tell a

1565

01:19:25,240 --> 01:19:22,250

little weird experience after I visit

1566

01:19:28,720 --> 01:19:25,250

the skinwalker range the gate we went to

1567

01:19:30,400 --> 01:19:28,730

film something in local TV here and we

1568

01:19:33,520 --> 01:19:30,410

went to the state actually we went to

1569

01:19:36,820 --> 01:19:33,530

the state to West Virginia Ohio trying

1570

01:19:39,490 --> 01:19:36,830

to find Bigfoot and you know Mothman

1571

01:19:42,280 --> 01:19:39,500

festival and pheromones the festival and

1572

01:19:47,770 --> 01:19:42,290

all that we went to skinwalker range

1573

01:19:51,100 --> 01:19:47,780

Newton and people were scared people who

1574

01:19:53,530 --> 01:19:51,110

live in area scare you know we went to a

1575

01:19:58,690 --> 01:19:53,540

supermarket and trying to find people

1576

01:20:00,610 --> 01:19:58,700

talk about it and then to Native

1577

01:20:03,370 --> 01:20:00,620

American lady who works in the

1578

01:20:05,020 --> 01:20:03,380

supermarket we speak English and we ask

1579

01:20:07,840 --> 01:20:05,030

them whether you know anything talk

1580

01:20:10,810 --> 01:20:07,850

about a skinwalker range and they were

1581

01:20:12,700 --> 01:20:10,820

kind of scared and trying to whisper to

1582

01:20:14,800 --> 01:20:12,710

us and said no we don't really talk

1583

01:20:17,110 --> 01:20:14,810

about it because when we talk about it

1584

01:20:20,590 --> 01:20:17,120

we believe the bent locks a bad thing

1585

01:20:23,950 --> 01:20:20,600

will happen to us so that's it so she

1586

01:20:27,910 --> 01:20:23,960

just basically reject our questions so

1587

01:20:29,259 --> 01:20:27,920

that's fine and okay we respect that and

1588

01:20:31,299 --> 01:20:29,269

then we standing

1589

01:20:34,180 --> 01:20:31,309

sigh and waiting what to do talking

1590

01:20:37,169 --> 01:20:34,190

discussing what to do and we can see

1591

01:20:40,660 --> 01:20:37,179

this girl speaking by the language

1592

01:20:44,169 --> 01:20:40,670

themselves and the way they talked they

1593

01:20:47,350 --> 01:20:44,179

obviously discussing about the justice

1594

01:20:50,169 --> 01:20:47,360

the cases the story in skinwalker range

1595

01:20:52,419 --> 01:20:50,179

and I remember they giving this gesture

1596

01:20:55,000 --> 01:20:52,429

what note the whole group of girls

1597

01:20:57,910 --> 01:20:55,010

talking to each other in their language

1598

01:21:00,459 --> 01:20:57,920

which we don't know but did you can tell

1599

01:21:02,560 --> 01:21:00,469

their faces that the expressions their

1600

01:21:07,209 --> 01:21:02,570

gesture they're actually talking about

1601
01:21:09,879 --> 01:21:07,219
we're story in the skinwalker range so

1602
01:21:13,049 --> 01:21:09,889
after the whistling after the female I

1603
01:21:16,450 --> 01:21:13,059
went back to the hotel and sleep and

1604
01:21:19,390 --> 01:21:16,460
people who sleep in there next next to

1605
01:21:22,180 --> 01:21:19,400
get with me and one of the film crew

1606
01:21:25,979 --> 01:21:22,190
sleeping in the same room and I was

1607
01:21:29,520 --> 01:21:25,989
sleeping and the whole night the whole

1608
01:21:32,890 --> 01:21:29,530
night even until to the next morning

1609
01:21:35,700 --> 01:21:32,900
there are science whispering next to my

1610
01:21:38,770 --> 01:21:35,710
ear I thought at first I thought it was

1611
01:21:41,439 --> 01:21:38,780
people in the next room playing radio or

1612
01:21:44,500 --> 01:21:41,449
praying us having a conversation with

1613
01:21:47,049 --> 01:21:44,510

somebody but the thing is I don't

1614

01:21:50,620 --> 01:21:47,059

understand what the boys talking about

1615

01:21:52,330 --> 01:21:50,630

but the voice is talking and stop think

1616

01:21:55,509 --> 01:21:52,340

about it when you listen to your radio

1617

01:21:58,379 --> 01:21:55,519

they have stopping their break time they

1618

01:22:01,540 --> 01:21:58,389

have commercials when people's

1619

01:22:03,729 --> 01:22:01,550

conversation with friends know they're

1620

01:22:06,339 --> 01:22:03,739

stopping know they're people who stop

1621

01:22:08,140 --> 01:22:06,349

and then the other person who'd join the

1622

01:22:11,080 --> 01:22:08,150

conversation but it's nothing like that

1623

01:22:14,379 --> 01:22:11,090

it seems like a curse somebody was

1624

01:22:17,319 --> 01:22:14,389

cursing next to my ear my right ear all

1625

01:22:19,899 --> 01:22:17,329

night all night until the next morning

1626

01:22:22,299 --> 01:22:19,909

when I get up and the sounds keep

1627

01:22:26,109 --> 01:22:22,309

happening in my years and then I got

1628

01:22:30,189 --> 01:22:26,119

really sick after that and the whole

1629

01:22:32,319 --> 01:22:30,199

film crew got sick after that and and

1630

01:22:35,049 --> 01:22:32,329

there was lucky there was almost the

1631

01:22:37,589 --> 01:22:35,059

last few days of the filming in three

1632

01:22:41,830 --> 01:22:37,599

weeks so there was the last section so

1633

01:22:45,879 --> 01:22:41,840

everybody get back Hong Kong with with

1634

01:22:48,180 --> 01:22:45,889

fluor may be fever and everybody got

1635

01:22:51,879 --> 01:22:48,190

sick after the skinwalker range with it

1636

01:22:56,319 --> 01:22:51,889

so that is my experience and I feel

1637

01:23:00,089 --> 01:22:56,329

really really some kind of dark energy

1638

01:23:06,790 --> 01:23:00,099

and that area surrounding that area so

1639

01:23:08,759 --> 01:23:06,800

we I'm scare myself well that's

1640

01:23:11,290 --> 01:23:08,769

something that is really something else

1641

01:23:12,549 --> 01:23:11,300

another question in the chat room

1642

01:23:16,989 --> 01:23:12,559

someone wanted to know if there's

1643

01:23:21,219 --> 01:23:16,999

anything like the we have here area 51

1644

01:23:23,919 --> 01:23:21,229

do do you have any experimental you know

1645

01:23:25,330 --> 01:23:23,929

military aircraft areas that are

1646

01:23:28,540 --> 01:23:25,340

top-secret or is that something you

1647

01:23:31,419 --> 01:23:28,550

would never even know about I believe

1648

01:23:35,259 --> 01:23:31,429

they have but I'm not sure whether they

1649

01:23:38,560 --> 01:23:35,269

have they well in the way love North

1650

01:23:44,020 --> 01:23:38,570

Area what I thought I was told there is

1651

01:23:46,959 --> 01:23:44,030

an area there is in a secret place like

1652

01:23:50,140 --> 01:23:46,969

probably like an Air Force or like like

1653

01:23:53,169 --> 01:23:50,150

a military base but it's similar to air

1654

01:23:57,370 --> 01:23:53,179

for area 51 people have signing over

1655

01:23:59,410 --> 01:23:57,380

there but the government and at well at

1656

01:24:03,009 --> 01:23:59,420

first the people never really asked and

1657

01:24:05,609 --> 01:24:03,019

the government never really tell so we

1658

01:24:08,709 --> 01:24:05,619

as but in during the UFO research

1659

01:24:10,989 --> 01:24:08,719

researchers in China and Hong Kong we

1660

01:24:13,870 --> 01:24:10,999

believe are places like this but the

1661

01:24:21,129 --> 01:24:13,880

government never ever really talks about

1662

01:24:23,049 --> 01:24:21,139

it hmm yeah I bet now what about you

1663

01:24:24,160 --> 01:24:23,059

know we have uh we have a TV show here

1664

01:24:27,850 --> 01:24:24,170

I'm sure you're very familiar with

1665

01:24:33,759 --> 01:24:27,860

ancient aliens yeah is there any talk in

1666

01:24:35,890 --> 01:24:33,769

China about you know Asian alien ancient

1667

01:24:38,620 --> 01:24:35,900

you know type things going on somehow oh

1668

01:24:40,870 --> 01:24:38,630

and my phone just heard me say Siri

1669

01:24:42,009 --> 01:24:40,880

somehow and just went went wild here

1670

01:24:43,540 --> 01:24:42,019

yeah

1671

01:24:49,089 --> 01:24:43,550

is there any any talk about you know

1672

01:24:51,029 --> 01:24:49,099

ancient cases of UFOs or old more most

1673

01:24:54,230 --> 01:24:51,039

of the people who don't know that China

1674

01:24:58,030 --> 01:24:54,240

Chinese people we all

1675

01:25:01,610 --> 01:24:58,040

believe we our ancestors are dragon and

1676

01:25:05,930 --> 01:25:01,620

according to a lot of reports a lot of

1677

01:25:09,350 --> 01:25:05,940

writing a lot of articles from all these

1678

01:25:12,980 --> 01:25:09,360

thousand years back then this I mean the

1679

01:25:16,730 --> 01:25:12,990

old Asian Chinese have a lot of UFO

1680

01:25:20,210 --> 01:25:16,740

sighting and I don't know whether you

1681

01:25:22,340 --> 01:25:20,220

heard about a duper dis they're in

1682

01:25:26,750 --> 01:25:22,350

somewhere in Norfolk duper dis that

1683

01:25:30,140 --> 01:25:26,760

people find out some dis like a like

1684

01:25:32,840 --> 01:25:30,150

like an album dis like like a shape o

1685

01:25:34,940 --> 01:25:32,850

circle like underground right they found

1686

01:25:37,520 --> 01:25:34,950

these underground or something it's

1687

01:25:41,510 --> 01:25:37,530

funny underscore ah underground and they

1688

01:25:43,640 --> 01:25:41,520

find some kind of writing on it and not

1689

01:25:47,420 --> 01:25:43,650

writing on it and writing next to it and

1690

01:25:50,540 --> 01:25:47,430

the writing that actually report the

1691

01:25:53,720 --> 01:25:50,550

ugly person ugly people they called it

1692

01:25:56,320 --> 01:25:53,730

ugly because they were sawed and ugly so

1693

01:26:01,310 --> 01:25:56,330

ugly in the sense they look we're so

1694

01:26:05,150 --> 01:26:01,320

ugly people who arrived to this this

1695

01:26:08,840 --> 01:26:05,160

area and leaving on the ground and then

1696

01:26:12,980 --> 01:26:08,850

they have walls and then and then they I

1697

01:26:16,100 --> 01:26:12,990

mean these people actually made we have

1698

01:26:20,650 --> 01:26:16,110

some of the village woman and then they

1699

01:26:23,990 --> 01:26:20,660

believe there they were the ancestors of

1700

01:26:25,850 --> 01:26:24,000

this area and I mean put it is when it

1701
01:26:29,180 --> 01:26:25,860
happens many many years ago so they

1702
01:26:34,790 --> 01:26:29,190
believe they have alien blood bloodline

1703
01:26:38,510 --> 01:26:34,800
in their in their body we I remember we

1704
01:26:42,260 --> 01:26:38,520
have the first emperor we call it yellow

1705
01:26:47,540 --> 01:26:42,270
the first emperor is arrived from the

1706
01:26:50,000 --> 01:26:47,550
sky and he fly away he go away when he

1707
01:26:52,550 --> 01:26:50,010
finishes work or this year after after

1708
01:26:57,830 --> 01:26:52,560
like probably 20 years or something he

1709
01:27:00,290 --> 01:26:57,840
fly away with a craft and people don't

1710
01:27:03,350 --> 01:27:00,300
want him to go so people actually ran

1711
01:27:07,939 --> 01:27:03,360
and follow this this Yellow Emperor and

1712
01:27:10,790 --> 01:27:07,949
then they they they try to pull him back

1713
01:27:15,560 --> 01:27:10,800

but he thought they can do they can pull

1714

01:27:18,530 --> 01:27:15,570

his clove but himself or go away with

1715

01:27:22,490 --> 01:27:18,540

the craft up all the way to the sky so I

1716

01:27:28,209 --> 01:27:22,500

think in a China in a Chinese person

1717

01:27:31,040 --> 01:27:28,219

they basically believed we were we

1718

01:27:34,490 --> 01:27:31,050

almost of the Chinese have the bloodline

1719

01:27:36,770 --> 01:27:34,500

from the from the alien but they don't

1720

01:27:40,280 --> 01:27:36,780

have the word aliens back then they they

1721

01:27:44,240 --> 01:27:40,290

use the networks like fairies they use

1722

01:27:48,530 --> 01:27:44,250

the word like like kind of the corners

1723

01:27:51,800 --> 01:27:48,540

and and all this and sister but they all

1724

01:27:55,580 --> 01:27:51,810

come from the sky so I think I think in

1725

01:27:58,820 --> 01:27:55,590

China most of the Chinese believe we we

1726

01:28:01,729 --> 01:27:58,830

all have alien blood and that's why when

1727

01:28:04,430 --> 01:28:01,739

I talked to Giorgio the other day many -

1728

01:28:07,970 --> 01:28:04,440

couple of years ago he said wow I really

1729

01:28:11,270 --> 01:28:07,980

want to do some research on a China area

1730

01:28:16,939 --> 01:28:11,280

because Chinese have a lot of long

1731

01:28:20,900 --> 01:28:16,949

history and with alien oh by the way we

1732

01:28:25,790 --> 01:28:20,910

have a cases like in the forest pretty

1733

01:28:29,380 --> 01:28:25,800

much like like the cases in Russia the

1734

01:28:34,040 --> 01:28:29,390

people remember sawing a train a train

1735

01:28:38,630 --> 01:28:34,050

like like a steam like a steam steam

1736

01:28:43,580 --> 01:28:38,640

train and arrived from the sky and swap

1737

01:28:46,790 --> 01:28:43,590

like a hundred acre of trees in the

1738

01:28:49,520 --> 01:28:46,800

forest and then they defy way but by the

1739

01:28:53,360 --> 01:28:49,530

time it fly away is kind of magnetic and

1740

01:28:56,090 --> 01:28:53,370

it actually you know attract some of the

1741

01:28:59,720 --> 01:28:56,100

met Oh some of the truck on the on the

1742

01:29:02,060 --> 01:28:59,730

ground and the truck will go front

1743

01:29:05,600 --> 01:29:02,070

without a driver without a engine start

1744

01:29:09,800 --> 01:29:05,610

but a truck go to front like about it

1745

01:29:13,520 --> 01:29:09,810

drive 12 meters ahead but no driver in

1746

01:29:16,189 --> 01:29:13,530

there in because it happens when the UFO

1747

01:29:18,800 --> 01:29:16,199

distrain fly away it seems like some

1748

01:29:21,030 --> 01:29:18,810

kind of magnetic and attract the metal

1749

01:29:24,560 --> 01:29:21,040

and attract the truck and

1750

01:29:27,870 --> 01:29:24,570

who'da truck - works like 12 meters and

1751

01:29:30,420 --> 01:29:27,880

this is also reported and the forest now

1752

01:29:32,760 --> 01:29:30,430

even the forest right now he still the

1753

01:29:34,440 --> 01:29:32,770

trees are still down and in China

1754

01:29:37,880 --> 01:29:34,450

government actually put a banner in

1755

01:29:42,150 --> 01:29:37,890

there and a banner with alien faces with

1756

01:29:44,040 --> 01:29:42,160

UFOs with a lot of wordings and asking

1757

01:29:48,600 --> 01:29:44,050

people if you saw anything like that

1758

01:29:51,900 --> 01:29:48,610

please report to the government that was

1759

01:29:54,180 --> 01:29:51,910

a question I had for you actually you

1760

01:29:55,440 --> 01:29:54,190

can actually report right directly to

1761

01:29:58,400 --> 01:29:55,450

the government I was gonna ask you about

1762

01:30:02,130 --> 01:29:58,410

UFO reporting in China what that's like

1763

01:30:04,140 --> 01:30:02,140

well usually when people saw the UFOs

1764

01:30:07,650 --> 01:30:04,150

these days they put it up to their

1765

01:30:10,050 --> 01:30:07,660

social media the back end before the

1766

01:30:13,470 --> 01:30:10,060

internet people report it to the

1767

01:30:16,890 --> 01:30:13,480

policeman and it's somehow we we're

1768

01:30:19,830 --> 01:30:16,900

somehow the policemen when you report a

1769

01:30:21,450 --> 01:30:19,840

case to a policeman and suppose you case

1770

01:30:25,350 --> 01:30:21,460

will go to the government but it's

1771

01:30:27,720 --> 01:30:25,360

somehow some UFO research center from

1772

01:30:29,340 --> 01:30:27,730

Beijing will send their researchers come

1773

01:30:31,440 --> 01:30:29,350

now so it's pretty much the same case

1774

01:30:33,720 --> 01:30:31,450

like what you can see on the project

1775

01:30:36,150 --> 01:30:33,730

Bluebook you know the sort in UFO you

1776

01:30:40,140 --> 01:30:36,160

report it to the chef and then somehow

1777

01:30:43,110 --> 01:30:40,150

the military will send two guys in your

1778

01:30:47,580 --> 01:30:43,120

area and do some questionnaire do some

1779

01:30:49,710 --> 01:30:47,590

questions and and and and research and

1780

01:30:52,590 --> 01:30:49,720

do some investigating so it's pretty

1781

01:30:55,110 --> 01:30:52,600

much the same thing I believe that's why

1782

01:30:58,980 --> 01:30:55,120

I believe and most people believe that

1783

01:31:01,260 --> 01:30:58,990

UFO research society are so connected to

1784

01:31:03,450 --> 01:31:01,270

the government so when you report a case

1785

01:31:06,330 --> 01:31:03,460

to a policeman and the policeman goes up

1786

01:31:09,030 --> 01:31:06,340

to you for PTO military and then to the

1787

01:31:11,910 --> 01:31:09,040

government and the government will will

1788

01:31:14,130 --> 01:31:11,920

assign some researchers coming to your

1789

01:31:18,090 --> 01:31:14,140

area and do research that's what it

1790

01:31:20,550 --> 01:31:18,100

happens before interesting Wow

1791

01:31:25,110 --> 01:31:20,560

so two people actually you mentioned

1792

01:31:28,020 --> 01:31:25,120

earlier that someone knew that you did

1793

01:31:29,940 --> 01:31:28,030

UFO research in Hong Kong and you're on

1794

01:31:33,690 --> 01:31:29,950

TV or on some of the show's over there

1795

01:31:34,050 --> 01:31:33,700

but do people contact you quite often in

1796

01:31:37,280 --> 01:31:34,060

regard

1797

01:31:41,040 --> 01:31:37,290

- you know either abduction or UFO cases

1798

01:31:44,940 --> 01:31:41,050

yeah yes yes they the content you move

1799

01:31:48,570 --> 01:31:44,950

quite often I I have UFO sighting report

1800

01:31:50,820 --> 01:31:48,580

almost every week every week in Hong

1801

01:31:52,560 --> 01:31:50,830

Kong of course some of them can explain

1802

01:31:54,990 --> 01:31:52,570

you know some of them like the plane and

1803

01:31:57,870 --> 01:31:55,000

some of them probably some phenomenon

1804

01:32:01,830 --> 01:31:57,880

because of just the crowd sunset and all

1805

01:32:02,610 --> 01:32:01,840

that thing but some cases is hard to

1806

01:32:07,110 --> 01:32:02,620

explain

1807

01:32:12,930 --> 01:32:07,120

you know we shed any we often Lehrer see

1808

01:32:15,240 --> 01:32:12,940

if a we're light flying in the sky at

1809

01:32:18,750 --> 01:32:15,250

first people think maybe the spotlight

1810

01:32:21,150 --> 01:32:18,760

from from a China area because I'm

1811

01:32:23,580 --> 01:32:21,160

leaving so close to China the border of

1812

01:32:26,550 --> 01:32:23,590

between Hong Kong and China

1813

01:32:30,300 --> 01:32:26,560

at first we all believe is some kind of

1814

01:32:33,630 --> 01:32:30,310

light in show no the light show in in a

1815

01:32:38,910 --> 01:32:33,640

mainland but then more and more reports

1816

01:32:44,070 --> 01:32:38,920

arrive we have Seger shape UFO we saw

1817

01:32:47,280 --> 01:32:44,080

people who saw this shape with lights or

1818

01:32:49,740 --> 01:32:47,290

without lights sometimes we saw us all

1819

01:32:52,530 --> 01:32:49,750

know things fly up from the from the

1820

01:32:55,170 --> 01:32:52,540

ocean I actually do investigate I worked

1821

01:32:58,050 --> 01:32:55,180

actually went to talk to the one of the

1822

01:33:02,100 --> 01:32:58,060

the owner of a boat he he basically

1823

01:33:05,640 --> 01:33:02,110

owned two boats and he drive the ball

1824

01:33:09,990 --> 01:33:05,650

out for fishing or for partying for at

1825

01:33:12,630 --> 01:33:10,000

during weekend one of the guy told me my

1826

01:33:17,430 --> 01:33:12,640

the captain told me they saw the UFO in

1827

01:33:20,730 --> 01:33:17,440

the area in in somewhere close to the

1828

01:33:23,550 --> 01:33:20,740

Hong Kong Airport so I actually went to

1829

01:33:26,610 --> 01:33:23,560

talk to the captain the captain at first

1830

01:33:29,370 --> 01:33:26,620

refused he told me because he thing is

1831

01:33:33,930 --> 01:33:29,380

silly anyway but he saw it he saw these

1832

01:33:36,560 --> 01:33:33,940

craft just summon II just fly up from

1833

01:33:40,560 --> 01:33:36,570

this from the water from the ocean and

1834

01:33:43,290 --> 01:33:40,570

it was like like a half-second and it

1835

01:33:46,320 --> 01:33:43,300

pumps all the way all the way up to the

1836

01:33:47,980 --> 01:33:46,330

sky and disappear Wow and I and then I

1837

01:33:49,900 --> 01:33:47,990

first think why

1838

01:33:52,570 --> 01:33:49,910

why does he have to lie to me he doesn't

1839

01:33:55,150 --> 01:33:52,580

even want to tell me at first unless I

1840

01:33:59,470 --> 01:33:55,160

until I keep asking keep asking and then

1841

01:34:01,450 --> 01:33:59,480

he decided to tell me and then during

1842

01:34:05,680 --> 01:34:01,460

about the same time one of my audience

1843

01:34:08,110 --> 01:34:05,690

who work in that area and he went out

1844

01:34:10,290 --> 01:34:08,120

your building to smoke and then when he

1845

01:34:13,150 --> 01:34:10,300

went out to smoke he saw a green light

1846

01:34:16,570 --> 01:34:13,160

shine enough from the from the ocean

1847

01:34:19,780 --> 01:34:16,580

itself and then lights moving really

1848

01:34:22,450 --> 01:34:19,790

fast under the water because they can

1849

01:34:25,330 --> 01:34:22,460

see the green light in one area and he's

1850

01:34:28,990 --> 01:34:25,340

suddenly moving really fast like like

1851
01:34:31,690 --> 01:34:29,000
one second to another side and then stop

1852
01:34:34,660 --> 01:34:31,700
for like five or five seconds and then

1853
01:34:37,930 --> 01:34:34,670
move to another area he said there was

1854
01:34:41,830 --> 01:34:37,940
no way something can drive so fast under

1855
01:34:44,860 --> 01:34:41,840
the water with the green light so I

1856
01:34:48,310 --> 01:34:44,870
believe there are so many so many

1857
01:34:50,500 --> 01:34:48,320
sighting so many cases in Hong Kong and

1858
01:34:54,220 --> 01:34:50,510
China is just that people don't really

1859
01:34:57,160 --> 01:34:54,230
talk about it right right well I've been

1860
01:34:59,200 --> 01:34:57,170
at a number of conferences where the

1861
01:35:01,870 --> 01:34:59,210
audience has been asked you know how

1862
01:35:04,900 --> 01:35:01,880
many people here had a UFO sighting and

1863
01:35:07,510 --> 01:35:04,910

you know all great deal of people will

1864

01:35:09,280 --> 01:35:07,520

hold up their hands and then the the

1865

01:35:11,620 --> 01:35:09,290

person will ask okay how many people

1866

01:35:14,560 --> 01:35:11,630

reported your sighting and it's only

1867

01:35:16,780 --> 01:35:14,570

like 10% and you know I had a sighting

1868

01:35:18,040 --> 01:35:16,790

and I attempted to report it I didn't

1869

01:35:20,850 --> 01:35:18,050

know I called the police department I

1870

01:35:23,380 --> 01:35:20,860

didn't know what to do and but anyway

1871

01:35:26,620 --> 01:35:23,390

it's a very small percentage of people

1872

01:35:30,130 --> 01:35:26,630

that actually go that to that level do

1873

01:35:32,760 --> 01:35:30,140

you have is there I should know this but

1874

01:35:35,980 --> 01:35:32,770

I don't is there is there MUFON

1875

01:35:38,520 --> 01:35:35,990

capability and in your area can their

1876

01:35:41,410 --> 01:35:38,530

people connect it to move on yeah I

1877

01:35:45,280 --> 01:35:41,420

actually get on to to move on to

1878

01:35:47,350 --> 01:35:45,290

database a couple of years ago I

1879

01:35:50,260 --> 01:35:47,360

realized they have a chapter in Hong

1880

01:35:53,890 --> 01:35:50,270

Kong I actually even talked to some of

1881

01:35:56,200 --> 01:35:53,900

the super wise and move on and I want to

1882

01:35:58,330 --> 01:35:56,210

find out who is this guy who dealing

1883

01:36:00,700 --> 01:35:58,340

with the Hong Kong UFO cases and move on

1884

01:36:01,869 --> 01:36:00,710

they have a chapter they have their

1885

01:36:05,859 --> 01:36:01,879

section but

1886

01:36:08,310 --> 01:36:05,869

the cases they report is really weird

1887

01:36:11,020 --> 01:36:08,320

and just only a few cases

1888

01:36:14,679 --> 01:36:11,030

not many people knows how to report to

1889

01:36:19,479 --> 01:36:14,689

move on before the social media even now

1890

01:36:21,849 --> 01:36:19,489

even now even now I'm I'm in in the list

1891

01:36:23,739 --> 01:36:21,859

of the UFO few in Hong Kong people and

1892

01:36:29,500 --> 01:36:23,749

when they saw it exciting they only

1893

01:36:31,330 --> 01:36:29,510

reported to me by Facebook by by by

1894

01:36:35,049 --> 01:36:31,340

social media but they don't really

1895

01:36:38,009 --> 01:36:35,059

report it to officers or to any society

1896

01:36:40,899 --> 01:36:38,019

because they don't know how to do it and

1897

01:36:44,770 --> 01:36:40,909

also they have to fill in in English is

1898

01:36:47,529 --> 01:36:44,780

not easier for them but it move on one

1899

01:36:52,859 --> 01:36:47,539

of the important case in MUFON database

1900

01:36:57,310 --> 01:36:52,869

is people saw as 100 more than 140 feet

1901
01:36:59,919 --> 01:36:57,320
single shape craft parking right outside

1902
01:37:03,939 --> 01:36:59,929
of the building parking right outside of

1903
01:37:06,609 --> 01:37:03,949
the building he thought he was crazy but

1904
01:37:09,129 --> 01:37:06,619
he told the taxi driver he well they did

1905
01:37:11,830 --> 01:37:09,139
they were in the traffic jam and this

1906
01:37:14,199 --> 01:37:11,840
guy sitting in the car and waiting

1907
01:37:16,239 --> 01:37:14,209
because the car traffickers are totally

1908
01:37:18,580 --> 01:37:16,249
jammed up so he's in the car and he saw

1909
01:37:20,529 --> 01:37:18,590
something really far on the other side

1910
01:37:24,310 --> 01:37:20,539
of the sky which is a shake seeker shape

1911
01:37:27,159 --> 01:37:24,320
and then after like five minutes of the

1912
01:37:29,469 --> 01:37:27,169
jamming and he suddenly saw this craft

1913
01:37:33,009 --> 01:37:29,479

parking right outside a commercial

1914

01:37:36,069 --> 01:37:33,019

building really close and at first he

1915

01:37:37,750 --> 01:37:36,079

couldn't believe his eyes he even asked

1916

01:37:40,659 --> 01:37:37,760

the taxi driver what did when was that

1917

01:37:42,369 --> 01:37:40,669

and the taxi drivers look at it and said

1918

01:37:44,649 --> 01:37:42,379

now I don't know what that was and then

1919

01:37:47,290 --> 01:37:44,659

he seems like he forgot about the whole

1920

01:37:49,089 --> 01:37:47,300

thing's pretty similar to most of the

1921

01:37:51,729 --> 01:37:49,099

phenomenon people who saw something and

1922

01:37:54,879 --> 01:37:51,739

believe and they decided to ignore it so

1923

01:37:57,489 --> 01:37:54,889

this driver carry on to drive so he

1924

01:37:59,649 --> 01:37:57,499

reported this case to move on you can

1925

01:38:02,619 --> 01:37:59,659

find this on the MUFON database but

1926

01:38:06,040 --> 01:38:02,629

after few years we realized they were

1927

01:38:08,770 --> 01:38:06,050

one guy who work inside commercial

1928

01:38:11,049 --> 01:38:08,780

building he reported to move on he said

1929

01:38:13,389 --> 01:38:11,059

he saw something parking right outside

1930

01:38:15,670 --> 01:38:13,399

the building two of them don't know each

1931

01:38:17,470 --> 01:38:15,680

other even up to now I know

1932

01:38:20,520 --> 01:38:17,480

but two of them don't know each other

1933

01:38:25,270 --> 01:38:20,530

but this seems like their testimony can

1934

01:38:27,540 --> 01:38:25,280

prove what the other person's testimony

1935

01:38:32,800 --> 01:38:27,550

and they were at the same day same time

1936

01:38:34,920 --> 01:38:32,810

so we have to witness on the big huge

1937

01:38:38,470 --> 01:38:34,930

seagull shape parking outside building

1938

01:38:42,490 --> 01:38:38,480

it move on database Wow Wow

1939

01:38:44,170 --> 01:38:42,500

now is sir is there any GOP you know do

1940

01:38:45,520 --> 01:38:44,180

you know what the word geo blocking is

1941

01:38:50,170 --> 01:38:45,530

when it comes to websites and things

1942

01:38:52,270 --> 01:38:50,180

like that is there you is there is that

1943

01:38:54,090 --> 01:38:52,280

active and I heard that was active in

1944

01:38:57,070 --> 01:38:54,100

China I don't know if it still is but

1945

01:38:59,530 --> 01:38:57,080

that people will block websites from

1946

01:39:03,070 --> 01:38:59,540

other parts of the world does that

1947

01:39:06,190 --> 01:39:03,080

happen in China or or in it happen in

1948

01:39:09,610 --> 01:39:06,200

China but not Hong Kong in Hong Kong

1949

01:39:12,330 --> 01:39:09,620

China people cannot see YouTube and not

1950

01:39:15,010 --> 01:39:12,340

go to Google Wow

1951

01:39:18,430 --> 01:39:15,020

well where people people have their way

1952

01:39:22,210 --> 01:39:18,440

to SS but not off easily now obviously

1953

01:39:25,650 --> 01:39:22,220

they block Google's they block YouTube

1954

01:39:28,750 --> 01:39:25,660

they block Facebook they block traders

1955

01:39:32,650 --> 01:39:28,760

all the social media Instagram they all

1956

01:39:35,290 --> 01:39:32,660

block it but people still able to do it

1957

01:39:35,680 --> 01:39:35,300

if they want to with a VPN server or

1958

01:39:37,680 --> 01:39:35,690

something

1959

01:39:40,420 --> 01:39:37,690

yeah we P and all these things they are

1960

01:39:43,240 --> 01:39:40,430

the people China people are really good

1961

01:39:45,700 --> 01:39:43,250

at this there's no way you can keep the

1962

01:39:47,470 --> 01:39:45,710

information out from them then if they

1963

01:39:50,290 --> 01:39:47,480

want to know they have a best way they

1964

01:39:52,690 --> 01:39:50,300

have the fastest way to know and the

1965

01:39:55,060 --> 01:39:52,700

technology are really super they can

1966

01:39:56,710 --> 01:39:55,070

assess anywhere but only for the

1967

01:39:59,860 --> 01:39:56,720

government you cannot get there you

1968

01:40:01,510 --> 01:39:59,870

cannot arrive officially but in Hong

1969

01:40:04,720 --> 01:40:01,520

Kong is different Hong Kong we can go

1970

01:40:06,580 --> 01:40:04,730

anywhere everywhere Wow

1971

01:40:08,110 --> 01:40:06,590

so it's just someone was asking why they

1972

01:40:10,480 --> 01:40:08,120

do that and it's basically just a

1973

01:40:13,360 --> 01:40:10,490

control a control thing really you know

1974

01:40:15,280 --> 01:40:13,370

simple simple answers to control you

1975

01:40:17,050 --> 01:40:15,290

know as about why North Korea people

1976

01:40:19,630 --> 01:40:17,060

don't know anything about her world

1977

01:40:22,120 --> 01:40:19,640

that's because they have to control they

1978

01:40:25,780 --> 01:40:22,130

have to control people and they was so

1979

01:40:29,170 --> 01:40:25,790

worried about my people the mindset will

1980

01:40:29,950 --> 01:40:29,180

being changed by the whole world so

1981

01:40:32,560 --> 01:40:29,960

that's why

1982

01:40:36,100 --> 01:40:32,570

I'm talking about a UFO cases they allow

1983

01:40:39,430 --> 01:40:36,110

us to office only they allow us to study

1984

01:40:42,850 --> 01:40:39,440

the technology study the phenomenon but

1985

01:40:46,780 --> 01:40:42,860

you we won't be able to deeply involve

1986

01:40:48,640 --> 01:40:46,790

into the spiritual or the you know what

1987

01:40:51,900 --> 01:40:48,650

happened to the people's mind about all

1988

01:40:55,620 --> 01:40:51,910

this download is pretty much a taboo in

1989

01:40:59,979 --> 01:40:55,630

in China but in Hong Kong we are fine

1990

01:41:03,100 --> 01:40:59,989

well yeah that is that is amazing that

1991

01:41:05,770 --> 01:41:03,110

there's that divide really is something

1992

01:41:10,060 --> 01:41:05,780

else you know we're almost out of time

1993

01:41:11,950 --> 01:41:10,070

here now what do you consider your just

1994

01:41:16,780 --> 01:41:11,960

since you're talking to an American here

1995

01:41:19,030 --> 01:41:16,790

what's your favorite American case my

1996

01:41:21,820 --> 01:41:19,040

favorite American case there's so many

1997

01:41:24,400 --> 01:41:21,830

cases in them it happens in the States

1998

01:41:26,890 --> 01:41:24,410

and because I keep coming up to the

1999

01:41:31,540 --> 01:41:26,900

States almost every year really well

2000

01:41:36,209 --> 01:41:31,550

good for you oh yes I come I went a few

2001

01:41:38,560 --> 01:41:36,219

times of a conference in the in the West

2002

01:41:40,959 --> 01:41:38,570

contact in the desert and I know of

2003

01:41:43,870 --> 01:41:40,969

these people and do research and do

2004

01:41:48,430 --> 01:41:43,880

interview with peoples and so many cases

2005

01:41:53,680 --> 01:41:48,440

but I actually brought Travis Walton to

2006

01:41:56,830 --> 01:41:53,690

Hong Kong right now and sharing his

2007

01:41:59,290 --> 01:41:56,840

story yeah and I actually two years

2008

01:42:03,490 --> 01:41:59,300

before before I brought him to Hong Kong

2009

01:42:05,770 --> 01:42:03,500

I actually fly to Arizona to snowflake

2010

01:42:07,690 --> 01:42:05,780

to have contact with him oh yeah and he

2011

01:42:09,400 --> 01:42:07,700

brought me up to the sky brought me up

2012

01:42:12,280 --> 01:42:09,410

to the hue side where he being abducted

2013

01:42:13,720 --> 01:42:12,290

right I was on the phone area I was on

2014

01:42:15,850 --> 01:42:13,730

the phone with him live on this show

2015

01:42:19,780 --> 01:42:15,860

actually he was on the phone for just a

2016

01:42:24,880 --> 01:42:19,790

minute with me yeah oh okay yeah in a

2017

01:42:27,550 --> 01:42:24,890

place so so yeah I I think the most the

2018

01:42:31,060 --> 01:42:27,560

case I'm most fence knitting is Travis

2019

01:42:34,060 --> 01:42:31,070

Welton trial I find this guy because he

2020

01:42:36,760 --> 01:42:34,070

has so many documented is all well

2021

01:42:39,550 --> 01:42:36,770

documented by the policeman by the

2022

01:42:42,430 --> 01:42:39,560

Sheriff Department and and all his

2023

01:42:43,609 --> 01:42:42,440

witness honor or his body when he went

2024

01:42:46,009 --> 01:42:43,619

to when he

2025

01:42:50,899 --> 01:42:46,019

being abducted no people who saw it

2026

01:42:53,750 --> 01:42:50,909

there's no way this is this disk' is so

2027

01:42:56,810 --> 01:42:53,760

real to me and I actually talked to him

2028

01:43:00,409 --> 01:42:56,820

and the way he taught you realized he's

2029

01:43:02,779 --> 01:43:00,419

he's not he this actually happened to

2030

01:43:05,869 --> 01:43:02,789

him and he it does make a big change to

2031

01:43:09,379 --> 01:43:05,879

him and so yeah this is one of the case

2032

01:43:13,069 --> 01:43:09,389

I remember the most but so other cases

2033

01:43:16,279 --> 01:43:13,079

so many case I want to study well we're

2034

01:43:18,379 --> 01:43:16,289

at the end of our show and yeah I want

2035

01:43:21,830 --> 01:43:18,389

to thank you it's been a real pleasure

2036

01:43:25,279 --> 01:43:21,840

talking to you tonight thank you am i am

2037

01:43:27,439 --> 01:43:25,289

i doing okay he is audience and about

2038

01:43:29,779 --> 01:43:27,449

yes oh yeah yeah it's not a number thing

2039

01:43:33,379 --> 01:43:29,789

on the chatroom say nice thing so you're

2040

01:43:35,449 --> 01:43:33,389

all good okay if I say something which

2041

01:43:40,250 --> 01:43:35,459

make people don't understand that is

2042

01:43:44,000 --> 01:43:40,260

probably Mel Gibson's for I'm kidding

2043

01:43:45,409 --> 01:43:44,010

yeah yeah all right thank you all right

2044

01:43:46,819 --> 01:43:45,419

I'll ask you I don't have a show

2045

01:43:48,709 --> 01:43:46,829

engineer helping me out tonight so I'm

2046

01:43:50,479 --> 01:43:48,719

gonna ask you to hang up on skype and

2047

01:43:52,369 --> 01:43:50,489

thank you so much it's been a real

2048

01:43:54,979 --> 01:43:52,379

pleasure all right have a good one

2049

01:43:57,080 --> 01:43:54,989

thank you you too alright bye-bye now

2050

01:43:59,869 --> 01:43:57,090

alright everyone so that's it for our

2051

01:44:02,419 --> 01:43:59,879

show thank you so much for listening and

2052

01:44:03,649 --> 01:44:02,429

watching on YouTube and I want to thank

2053

01:44:06,469 --> 01:44:03,659

everyone that helps out behind the

2054

01:44:09,529 --> 01:44:06,479

scenes and we are going to be back next

2055

01:44:11,299 --> 01:44:09,539

week with Charlotte man she is her

2056

01:44:16,669 --> 01:44:11,309

grandfather was involved in the Cape

2057

01:44:19,250 --> 01:44:16,679

gara do case 1941 very strange case and

2058

01:44:21,229 --> 01:44:19,260

it's a very very interesting case so

2059

01:44:24,199 --> 01:44:21,239

come back with us and check that out

2060

01:44:26,239 --> 01:44:24,209

so again next week we'll be back and I

2061

01:44:28,279 --> 01:44:26,249

want to thank everyone also that

2062

01:44:35,320 --> 01:44:28,289

supports the show and remember to keep
