2
00:00:06,380 --> 00:00:04,589
a great one for you tonight

3
00:00:09,650 --> 00:00:06,390
first of all the first part of the show

4
00:00:14,660 --> 00:00:09,660
is a clear accorded it was done on

5
00:00:18,800 --> 00:00:14,670
Sunday and I am very happy to have well

6
00:00:21,439 --> 00:00:18,810
my former basically newscaster Michael

7
00:00:24,790 --> 00:00:21,449
luck is joining us Alejandro Rojas is on

8
00:00:28,759 --> 00:00:24,800
a cruise as I mentioned last week and

9
00:00:31,250 --> 00:00:28,769
with with Michael luck I have the one

10
00:00:34,069 --> 00:00:31,260
and only Calvin Parker we're going to be

11
00:00:38,540 --> 00:00:34,079
talking about the Pascagoula incident

12
00:00:40,280 --> 00:00:38,550
how it all came about to where he's at

13
00:00:43,580 --> 00:00:40,290

today there's a lot of things going on

14

00:00:46,310 --> 00:00:43,590

and exciting things for for Calvin and

15

00:00:49,490 --> 00:00:46,320

the case itself we're gonna talk a bit

16

00:00:53,450 --> 00:00:49,500

about that and this after the first

17

00:00:56,330 --> 00:00:53,460

break I have a Charlotte man is going to

18

00:01:02,869 --> 00:00:56,340

be talking her grandfather was the one

19

00:01:06,950 --> 00:01:04,939

thank you much she all right here to

20

00:01:09,560 --> 00:01:06,960

introduce all the K Joyce and said

21

00:01:18,830 --> 00:01:09,570

listen it right on the housing line call

22

00:01:21,289 --> 00:01:18,840

the saw the crash site to bless these

23

00:01:23,060 --> 00:01:21,299

small bodies so I'm gonna be talking all

24

00:01:25,730 --> 00:01:23,070

about that and that starts after the

25

00:01:28,700 --> 00:01:25,740

first break for now I think I will

26

00:01:30,469 --> 00:01:28,710

introduce the guest the guy that just

27

00:01:32,870 --> 00:01:30,479

bailed me out Michael Luke and Calvin

28

00:01:35,480 --> 00:01:32,880

Parker welcome all right thanks for

29

00:01:37,670 --> 00:01:35,490

having us mark yeah thanks for having us

30

00:01:39,200 --> 00:01:37,680

it's good to be back I know Michael I'd

31

00:01:41,749 --> 00:01:39,210

spent a long time since you've been on

32

00:01:45,710 --> 00:01:41,759

the show right a couple three four years

33

00:01:49,460 --> 00:01:45,720

maybe we'll probably yeah I've weird

34

00:01:51,440 --> 00:01:49,470

schedules always so you know and the

35

00:01:53,630 --> 00:01:51,450

last time I think I was on I was guest

36

00:01:55,219 --> 00:01:53,640

hosting for you so you weren't on that's

37

00:01:57,530 --> 00:01:55,229

right that's all right I think was

38

00:01:59,209 --> 00:01:57,540

Stanton Friedman maybe yes I'm the guy

39

00:02:03,020 --> 00:01:59,219

who interviewed Stan Friedman and we

40

00:02:06,410 --> 00:02:03,030

didn't talk about UFOs not even flying

41

00:02:08,059 --> 00:02:06,420

saucers no no no how about that we

42

00:02:11,890 --> 00:02:08,069

talked about his career it was great oh

43

00:02:13,490 --> 00:02:11,900

that's awesome well now I want to

44

00:02:15,530 --> 00:02:13,500

Michael I want to thank

45

00:02:18,230 --> 00:02:15,540

because of this whole thing that has

46

00:02:18,740 --> 00:02:18,240

happened with Calvin all started with

47

00:02:25,430 --> 00:02:18,750

you

48

00:02:28,730 --> 00:02:25,440

the Pascagoula incident and Calvin

49

00:02:31,610 --> 00:02:28,740

reached out to me about that blog and

50

00:02:33,350 --> 00:02:31,620

one thing led to another and boy has it

51
00:02:37,670 --> 00:02:33,360
ever snow balled ever since that hasn't

52
00:02:40,160 --> 00:02:37,680
it Calvin oh I guarantee you you it's

53
00:02:42,500 --> 00:02:40,170
been a real blessing this show to me it

54
00:02:45,140 --> 00:02:42,510
put me in touch with Philip they know a

55
00:02:47,720 --> 00:02:45,150
lot of other things and I mean it's just

56
00:02:51,949 --> 00:02:47,730
don't wild every day something new comes

57
00:02:54,470 --> 00:02:51,959
up I'm on Phillip Phillips mailing list

58
00:02:56,270 --> 00:02:54,480
and I can't I can't get over it seems

59
00:02:58,580 --> 00:02:56,280
like every day there's something major

60
00:03:01,160 --> 00:02:58,590
going on why don't you tell us what

61
00:03:04,070 --> 00:03:01,170
what's happened since what what is going

62
00:03:06,920 --> 00:03:04,080
on as far as bit on new stations you've

63
00:03:10,670 --> 00:03:06,930

been on all kinds of things yeah it's

64

00:03:13,150 --> 00:03:10,680

been a lot of major news stations such

65

00:03:15,890 --> 00:03:13,160

as Fox News Waterworld

66

00:03:17,780 --> 00:03:15,900

than all these local stations around

67

00:03:20,660 --> 00:03:17,790

here but it's been a number of news

68

00:03:26,420 --> 00:03:20,670

stations that I've been on I never

69

00:03:29,060 --> 00:03:26,430

really wrote this book to all to get it

70

00:03:32,030 --> 00:03:29,070

popular nothing I did it to just set the

71

00:03:34,130 --> 00:03:32,040

record straight and my story because

72

00:03:36,890 --> 00:03:34,140

they'd been changed so much by the news

73

00:03:38,539 --> 00:03:36,900

and I had every news agency in the world

74

00:03:41,360 --> 00:03:38,549

mad at me because I wouldn't give an

75

00:03:43,220 --> 00:03:41,370

interview now all of them want to come

76
00:03:45,500 --> 00:03:43,230
to me they want an interviews with me

77
00:03:48,050 --> 00:03:45,510
and of course I'd do it I'm gonna do it

78
00:03:49,069 --> 00:03:48,060
for about a year or so I remember you

79
00:03:51,770 --> 00:03:49,079
saying that and then you're just gonna

80
00:03:54,759 --> 00:03:51,780
fade fade back into the background again

81
00:03:57,800 --> 00:03:54,769
right that's exactly right

82
00:04:00,319 --> 00:03:57,810
hopefully this coming October now I've

83
00:04:04,819 --> 00:04:00,329
already got a couple of conferences that

84
00:04:08,390 --> 00:04:04,829
I've signed up for you know on the

85
00:04:11,030 --> 00:04:08,400
contract I'll do them after you know

86
00:04:14,600 --> 00:04:11,040
next year but as far as that one day

87
00:04:19,000 --> 00:04:14,610
over I'm I'm doing them I'll be fishing

88
00:04:22,159 --> 00:04:19,010

again I'll be off period I think

89

00:04:24,380 --> 00:04:22,169

Michaels article that was one you didn't

90

00:04:25,880 --> 00:04:24,390

have to correct I don't believe I

91

00:04:27,590 --> 00:04:25,890

remember you're just writing me about it

92

00:04:31,340 --> 00:04:27,600

and I said

93

00:04:32,870 --> 00:04:31,350

Sindhi Calvin Parker is it yes no one

94

00:04:37,130 --> 00:04:32,880

could get ahold of you for years right

95

00:04:40,160 --> 00:04:37,140

oh I would completely avoid everything

96

00:04:43,130 --> 00:04:40,170

but for some reason I was drawn to the

97

00:04:46,610 --> 00:04:43,140

article and I felt I needed to respond

98

00:04:48,740 --> 00:04:46,620

some but I really didn't want to get

99

00:04:51,320 --> 00:04:48,750

into spotlight but as you know that all

100

00:04:54,230 --> 00:04:51,330

changed pretty much yeah

101
00:04:55,850 --> 00:04:54,240
yeah if it had been for you Martin they

102
00:04:59,150 --> 00:04:55,860
wouldn't be able because Philip

103
00:05:02,150 --> 00:04:59,160
contacted you to get a hold of me and

104
00:05:05,090 --> 00:05:02,160
that's the way that all we we touch base

105
00:05:06,380 --> 00:05:05,100
together yeah I remember when you and I

106
00:05:08,420 --> 00:05:06,390
had a conversation you said you were

107
00:05:12,670 --> 00:05:08,430
thinking about a book right at that time

108
00:05:15,920 --> 00:05:12,680
I was but all it was was a thought Oh

109
00:05:18,700 --> 00:05:15,930
leave it up until I decided to write a

110
00:05:21,590 --> 00:05:18,710
book it was still a thought I actually

111
00:05:26,060 --> 00:05:21,600
told my wife she's the one that started

112
00:05:29,210 --> 00:05:26,070
all of it and by luck of all things the

113
00:05:31,910 --> 00:05:29,220

next day Philip had contacted you for me

114

00:05:34,820 --> 00:05:31,920

to contact him well it still took him a

115

00:05:37,700 --> 00:05:34,830

couple of weeks to talk me into it and

116

00:05:41,770 --> 00:05:37,710

the one reason I did I felt like I owed

117

00:05:44,630 --> 00:05:41,780

all an explanation to everybody that

118

00:05:48,940 --> 00:05:44,640

that was I've never talked to this to my

119

00:05:51,710 --> 00:05:48,950

wife or my family or anyone else and I

120

00:05:54,080 --> 00:05:51,720

didn't want to tell this that many times

121

00:05:56,450 --> 00:05:54,090

so I thought well you know the book

122

00:05:58,400 --> 00:05:56,460

would be a good deal I can tell it one

123

00:06:01,250 --> 00:05:58,410

time then they can buy - they won't hear

124

00:06:03,200 --> 00:06:01,260

the story you or I give them a copy and

125

00:06:05,300 --> 00:06:03,210

you were kind enough to send me a copy

126
00:06:08,960 --> 00:06:05,310
and boy is that how many pages is that

127
00:06:10,730 --> 00:06:08,970
book I I'm not for sure around 800 I

128
00:06:12,730 --> 00:06:10,740
fake it to a bunch of them it's like a

129
00:06:15,200 --> 00:06:12,740
Bible yeah it's huge

130
00:06:17,660 --> 00:06:15,210
Philip really did his homework on

131
00:06:20,750 --> 00:06:17,670
getting together all the articles and

132
00:06:23,540 --> 00:06:20,760
everything in it I think he did a great

133
00:06:26,300 --> 00:06:23,550
job with it Michael jump in anytime you

134
00:06:28,220 --> 00:06:26,310
want if you have any questions oh yeah

135
00:06:34,990 --> 00:06:28,230
of course I've I gotta say I'm impressed

136
00:06:38,150 --> 00:06:35,000
800 pages that that is a tome it is

137
00:06:39,680 --> 00:06:38,160
actually when I was writing the book he

138
00:06:41,180 --> 00:06:39,690

was putting together all the homework

139

00:06:44,240 --> 00:06:41,190

you know I had lost

140

00:06:47,810 --> 00:06:44,250

all my information in Katrina my house

141

00:06:51,770 --> 00:06:47,820

once again flooded and once you flood

142

00:06:54,080 --> 00:06:51,780

get all this water in it's gone so why

143

00:06:56,390 --> 00:06:54,090

he was getting that together I was

144

00:06:59,060 --> 00:06:56,400

writing on the book and the one deal

145

00:06:59,750 --> 00:06:59,070

that we Philip and I had together I said

146

00:07:02,330 --> 00:06:59,760

Philip

147

00:07:05,270 --> 00:07:02,340

you know I'll agree to do this book but

148

00:07:07,310 --> 00:07:05,280

I don't I don't have any education but I

149

00:07:09,650 --> 00:07:07,320

still don't want you to edit this book

150

00:07:11,570 --> 00:07:09,660

in any way I don't want you to correct

151
00:07:14,030 --> 00:07:11,580
any spelling I don't want you to punch

152
00:07:16,520 --> 00:07:14,040
away ssin or changing anything that I

153
00:07:18,260 --> 00:07:16,530
put in it and he agreed and I figured

154
00:07:21,080 --> 00:07:18,270
I'd have to argue with him about it but

155
00:07:23,330 --> 00:07:21,090
he's really held to it and did good by

156
00:07:25,550 --> 00:07:23,340
not appreciating for it Wow

157
00:07:28,310 --> 00:07:25,560
that is that's really great so it's more

158
00:07:33,020 --> 00:07:28,320
in your own words than it then if anyone

159
00:07:35,360 --> 00:07:33,030
touched it that's wonderful it is it is

160
00:07:36,620 --> 00:07:35,370
my own words nothing's been changed in

161
00:07:39,230 --> 00:07:36,630
it

162
00:07:41,000 --> 00:07:39,240
I know there's a you know they're the

163
00:07:43,040 --> 00:07:41,010

one thing I have to say is I do have a

164

00:07:44,390 --> 00:07:43,050

lot of new listeners to the show you

165

00:07:47,810 --> 00:07:44,400

were on about I think seven or eight

166

00:07:49,730 --> 00:07:47,820

months ago on my show and I I hate I

167

00:07:51,920 --> 00:07:49,740

hate to do this for the person that

168

00:07:53,690 --> 00:07:51,930

knows the case really well but can you

169

00:07:56,030 --> 00:07:53,700

kind of get for the new listener can you

170

00:07:59,840 --> 00:07:56,040

kind of give a nutshell story of what

171

00:08:02,270 --> 00:07:59,850

happened please we can I was working in

172

00:08:05,390 --> 00:08:02,280

the oil field in Laurel Mississippi and

173

00:08:08,630 --> 00:08:05,400

it was 69 hours a day seven days a week

174

00:08:10,370 --> 00:08:08,640

so I wanted to change jobs and I called

175

00:08:11,360 --> 00:08:10,380

a friend of my father's which was

176

00:08:13,520 --> 00:08:11,370

Charlie Higson

177

00:08:18,350 --> 00:08:13,530

but I knew him then I was brought up

178

00:08:22,610 --> 00:08:18,360

with him so anyway he told me to come

179

00:08:24,620 --> 00:08:22,620

and go to work and go to work at the

180

00:08:27,170 --> 00:08:24,630

shipyard with you so I agreed to do that

181

00:08:30,230 --> 00:08:27,180

so I rented the room from Charlie and

182

00:08:34,250 --> 00:08:30,240

moved in so we went to work that day I

183

00:08:39,050 --> 00:08:34,260

was just under one day and we read in

184

00:08:42,380 --> 00:08:39,060

the room that day and from him and

185

00:08:45,590 --> 00:08:42,390

worked and I decided to go fishing after

186

00:08:49,550 --> 00:08:45,600

that well this was in October 11th of

187

00:08:53,000 --> 00:08:49,560

1973 so went on we got off where we left

188

00:08:54,710 --> 00:08:53,010

and went fishing and we went to an old

189

00:08:57,610 --> 00:08:54,720

abandoned shipyard

190

00:09:00,170 --> 00:08:57,620

called Shou Peter shipyard and I

191

00:09:03,319 --> 00:09:00,180

remember getting there and there was no

192

00:09:05,540 --> 00:09:03,329

trespassing sign up but we still went on

193

00:09:08,090 --> 00:09:05,550

and he said it was okay I didn't know if

194

00:09:09,980 --> 00:09:08,100

it was or not so we were sitting there

195

00:09:12,800 --> 00:09:09,990

fishing then I noticed some blue lights

196

00:09:15,110 --> 00:09:12,810

behind us and it was the same colors

197

00:09:17,300 --> 00:09:15,120

patrol car so I actually thought was

198

00:09:20,150 --> 00:09:17,310

fixing to get run off or go to jail for

199

00:09:25,059 --> 00:09:20,160

trespassing which would have been fine

200

00:09:27,530 --> 00:09:25,069

with me because I was tired anyway so of

201
00:09:31,129 --> 00:09:27,540
anyhow I was sitting there looking at

202
00:09:31,939 --> 00:09:31,139
the boat across and I seen a host oh

203
00:09:33,740 --> 00:09:31,949
[h__\h]

204
00:09:36,290 --> 00:09:33,750
Oh still whole ship and I was thinking

205
00:09:38,569 --> 00:09:36,300
how do these things float you know

206
00:09:39,980 --> 00:09:38,579
they're really heavy and they I don't

207
00:09:41,629 --> 00:09:39,990
know how they float and that's when I

208
00:09:47,720 --> 00:09:41,639
noticed the blue lights coming from

209
00:09:50,059 --> 00:09:47,730
behind me so long as the blue light was

210
00:09:51,679 --> 00:09:50,069
coming from behind me I turned around

211
00:09:55,790 --> 00:09:51,689
and looked because I thought I was

212
00:09:57,829 --> 00:09:55,800
fixing to go to jail for trespassing so

213
00:10:01,069 --> 00:09:57,839

when we stood up we noticed a bright

214

00:10:04,129 --> 00:10:01,079

light being behind us and all of a

215

00:10:06,290 --> 00:10:04,139

sudden we just turned the stood up and

216

00:10:08,530 --> 00:10:06,300

turned around and the light was real

217

00:10:11,090 --> 00:10:08,540

bright and that's when we noticed three

218

00:10:13,009 --> 00:10:11,100

we couldn't make them out because the

219

00:10:16,189 --> 00:10:13,019

lights are so bright that's when we

220

00:10:19,220 --> 00:10:16,199

noticed three of robotic looking beans

221

00:10:21,170 --> 00:10:19,230

that was coming toward us and as they

222

00:10:23,480 --> 00:10:21,180

approached us two of them got to hold a

223

00:10:26,299 --> 00:10:23,490

child and one got ahold of myself and

224

00:10:27,079 --> 00:10:26,309

that's when I kind of felt an injection

225

00:10:30,139 --> 00:10:27,089

in my arm

226

00:10:32,360 --> 00:10:30,149

probably just settled me down I don't

227

00:10:35,090 --> 00:10:32,370

know what it was far but you know I was

228

00:10:38,090 --> 00:10:35,100

scared when this was going on but after

229

00:10:40,490 --> 00:10:38,100

the injection I noticed my body was more

230

00:10:42,860 --> 00:10:40,500

or less paralyzed and I could turn my

231

00:10:45,199 --> 00:10:42,870

head one way or another and I could roll

232

00:10:50,530 --> 00:10:45,209

my eyes and look but I couldn't move my

233

00:10:57,079 --> 00:10:54,470

anyhow they picked us up levitated as I

234

00:10:59,480 --> 00:10:57,089

floated us to the shield and that's when

235

00:11:01,490 --> 00:10:59,490

I noticed on the ship that the lights

236

00:11:02,900 --> 00:11:01,500

were so bright in there and I couldn't

237

00:11:05,480 --> 00:11:02,910

figure out where they was coming from

238

00:11:08,390 --> 00:11:05,490

there was no light fixtures it like they

239

00:11:11,690 --> 00:11:08,400

was just coming out of the walls so

240

00:11:13,730 --> 00:11:11,700

I did notice that because I was curious

241

00:11:16,700 --> 00:11:13,740

where all these bright lights come from

242

00:11:18,650 --> 00:11:16,710

well they took me into a different room

243

00:11:18,980 --> 00:11:18,660

than what they did the guy that was with

244

00:11:23,870 --> 00:11:18,990

me

245

00:11:28,000 --> 00:11:23,880

table and I was at about a 45 degree

246

00:11:30,170 --> 00:11:28,010

angle when I was on this table so well I

247

00:11:31,610 --> 00:11:30,180

noticed from the ceiling though that

248

00:11:34,340 --> 00:11:31,620

something dropped out of the Sailing

249

00:11:36,440 --> 00:11:34,350

about the size of a deck of cards and it

250

00:11:39,220 --> 00:11:36,450

rotated around my head and clicked four

251
00:11:42,860 --> 00:11:39,230
times then it went back up into the wall

252
00:11:45,019 --> 00:11:42,870
so when it did that this big ugly

253
00:11:47,660 --> 00:11:45,029
creature that I called him the robotic

254
00:11:51,100 --> 00:11:47,670
looking creature or soldier step back

255
00:11:53,570 --> 00:11:51,110
and there was this smaller looking

256
00:11:56,540 --> 00:11:53,580
female looking creature and I called it

257
00:11:59,450 --> 00:11:56,550
a female because she was smaller built

258
00:12:01,810 --> 00:11:59,460
than the other ones and it just felt

259
00:12:05,060 --> 00:12:01,820
more like she was a female than a male

260
00:12:06,680 --> 00:12:05,070
she came out of the room she kind of

261
00:12:08,510 --> 00:12:06,690
pitched me on the cheek and that's when

262
00:12:10,370 --> 00:12:08,520
I noticed her fingers was a little

263
00:12:12,920 --> 00:12:10,380

longer on her hands or two middle

264

00:12:17,390 --> 00:12:12,930

fingers were a little longer on her

265

00:12:19,160 --> 00:12:17,400

hands than Watteau this other creature

266

00:12:21,560 --> 00:12:19,170

had and she run her finger down my

267

00:12:23,750 --> 00:12:21,570

throat and tried to come up behind that

268

00:12:26,210 --> 00:12:23,760

little deal that hangs down back there I

269

00:12:29,180 --> 00:12:26,220

don't know what to call it and that's

270

00:12:31,250 --> 00:12:29,190

when I started strangling and having a

271

00:12:35,380 --> 00:12:31,260

problem because she was choking me and

272

00:12:38,800 --> 00:12:35,390

was into my Mazal cavities so well I

273

00:12:43,070 --> 00:12:38,810

kind of panicked and that's when I

274

00:12:44,900 --> 00:12:43,080

noticed she backed up and just a little

275

00:12:47,210 --> 00:12:44,910

bit in her mouth that moved she had a

276

00:12:49,520 --> 00:12:47,220

mouth nose and it was just like we did

277

00:12:52,160 --> 00:12:49,530

her mouth never moved she kind of

278

00:12:54,170 --> 00:12:52,170

telepathically told me don't worry we're

279

00:12:56,000 --> 00:12:54,180

not going to hurt you but you know by

280

00:13:00,350 --> 00:12:56,010

then I was already bleeding and

281

00:13:03,170 --> 00:13:00,360

strangling I was scared so well she made

282

00:13:05,960 --> 00:13:03,180

a little mumble will her throat really

283

00:13:08,810 --> 00:13:05,970

didn't say nothing and this big ugly

284

00:13:11,360 --> 00:13:08,820

creature came back in grabbed me by the

285

00:13:13,250 --> 00:13:11,370

arm and that's when I felt a second

286

00:13:16,640 --> 00:13:13,260

injection into my arm and I kind of

287

00:13:20,480 --> 00:13:16,650

settled down he floated this back out to

288

00:13:22,009 --> 00:13:20,490

all the river and set us down and I was

289

00:13:24,379 --> 00:13:22,019

at the river with my

290

00:13:26,689 --> 00:13:24,389

arm stretched out I couldn't move just

291

00:13:29,689 --> 00:13:26,699

facing it that's when I heard Charlie

292

00:13:32,629 --> 00:13:29,699

son son you okay and we turned around

293

00:13:34,489 --> 00:13:32,639

the big bright light went out the blue

294

00:13:37,970 --> 00:13:34,499

hazy lights came back on this thing

295

00:13:41,869 --> 00:13:37,980

lifted up and I left and it was just

296

00:13:44,119 --> 00:13:41,879

from that time on or the next morning on

297

00:13:48,079 --> 00:13:44,129

it was just a nightmare with the media I

298

00:13:49,699 --> 00:13:48,089

guess ever media in the world and I'm

299

00:13:52,549 --> 00:13:49,709

not saying just here in the United

300

00:13:55,519 --> 00:13:52,559

States but they picked it up all the

301
00:13:57,470 --> 00:13:55,529
overseas countries and everything else I

302
00:13:59,689 --> 00:13:57,480
didn't realize how big it was till I

303
00:14:01,929 --> 00:13:59,699
started looking through the book with

304
00:14:07,039 --> 00:14:01,939
Philip and given all this information

305
00:14:10,160 --> 00:14:07,049
but uh it has stayed with me for 45

306
00:14:13,489 --> 00:14:10,170
years it completely changed my life

307
00:14:16,910 --> 00:14:13,499
I went from getting married working the

308
00:14:21,129 --> 00:14:16,920
same job retired by the house and

309
00:14:24,470 --> 00:14:21,139
fishing - whoa

310
00:14:27,739 --> 00:14:24,480
losing the job getting an examination

311
00:14:30,289 --> 00:14:27,749
and leaving all in the same day I had

312
00:14:34,730 --> 00:14:30,299
that job on the coast one day after all

313
00:14:37,429 --> 00:14:34,740

this happened to me well they then I got

314

00:14:39,259 --> 00:14:37,439

fired now so or pretty much because they

315

00:14:42,410 --> 00:14:39,269

told us not to come back until the media

316

00:14:44,900 --> 00:14:42,420

settled down and I often wondered that

317

00:14:48,199 --> 00:14:44,910

maybe that's why Charlie didn't go back

318

00:14:50,269 --> 00:14:48,209

you may be heap of seen a little break

319

00:14:52,460 --> 00:14:50,279

they do these conferences and maybe make

320

00:14:55,489 --> 00:14:52,470

a few dollars you know he was little

321

00:14:57,169 --> 00:14:55,499

older and just do that instead of trying

322

00:14:59,869 --> 00:14:57,179

to find another job because he might

323

00:15:03,439 --> 00:14:59,879

have thought you know maybe nobody else

324

00:15:05,090 --> 00:15:03,449

was hired of course everybody knew what

325

00:15:09,199 --> 00:15:05,100

happened to me but nobody asked

326

00:15:12,109 --> 00:15:09,209

questions I got home my wife didn't that

327

00:15:14,239 --> 00:15:12,119

or she wasn't my wife then but she

328

00:15:17,119 --> 00:15:14,249

didn't ask what happened my family

329

00:15:20,150 --> 00:15:17,129

didn't ask my friends didn't ask and I

330

00:15:23,840 --> 00:15:20,160

dang sure didn't tell them well so I

331

00:15:26,600 --> 00:15:23,850

just hid it for 45 years up until our

332

00:15:31,009 --> 00:15:26,610

July of last year I guess when the book

333

00:15:33,109 --> 00:15:31,019

came out oh really something Michael I

334

00:15:34,249 --> 00:15:33,119

have I have a question to ask but you go

335

00:15:35,790 --> 00:15:34,259

ahead if you have something you'd like

336

00:15:38,040 --> 00:15:35,800

to throw in

337

00:15:40,590 --> 00:15:38,050

well you know you seem pretty

338

00:15:43,769 --> 00:15:40,600

comfortable with it now talking about it

339

00:15:47,940 --> 00:15:43,779

things like that it are there any other

340

00:15:49,500 --> 00:15:47,950

than how it's affected your life and you

341

00:15:52,769 --> 00:15:49,510

know your relationships and your working

342

00:15:55,530 --> 00:15:52,779

and all that how is it do you wake up at

343

00:15:57,569 --> 00:15:55,540

night do you can you watch or hear other

344

00:16:00,420 --> 00:15:57,579

people's stories of encounters or does

345

00:16:04,230 --> 00:16:00,430

that bother you or is there a fear at

346

00:16:08,730 --> 00:16:04,240

all about what happened well it's still

347

00:16:10,680 --> 00:16:08,740

a fear in a way because I would like to

348

00:16:13,920 --> 00:16:10,690

know why it happened which I'm almost

349

00:16:16,199 --> 00:16:13,930

sure I'll never figure that out and

350

00:16:17,670 --> 00:16:16,209

that's why I'm asked in witnesses to

351

00:16:19,680 --> 00:16:17,680

come forward that might have seen

352

00:16:22,500 --> 00:16:19,690

something that maybe they shed a little

353

00:16:26,000 --> 00:16:22,510

light on it but I do think it affected

354

00:16:29,430 --> 00:16:26,010

my health and the reason I say that is

355

00:16:31,769 --> 00:16:29,440

for 45 years I couldn't sleep at night

356

00:16:35,310 --> 00:16:31,779

until this book came out and I wrote it

357

00:16:37,319 --> 00:16:35,320

so I was uh I've had a stroke and two

358

00:16:42,030 --> 00:16:37,329

major heart attacks and two open-heart

359

00:16:44,040 --> 00:16:42,040

surgeries and I'm still not healthy and

360

00:16:47,819 --> 00:16:44,050

it's like I tell everybody you know it's

361

00:16:51,240 --> 00:16:47,829

a expiration date stamped on my head so

362

00:16:53,550 --> 00:16:51,250

you got to well I wanted to get this out

363

00:16:57,030 --> 00:16:53,560

before I expired and just left everybody

364

00:17:00,720 --> 00:16:57,040

in the open not knowing and so it's been

365

00:17:03,690 --> 00:17:00,730

a good thing for me just taught me how

366

00:17:08,370 --> 00:17:03,700

to deal with everything now now did you

367

00:17:11,370 --> 00:17:08,380

ever read the book that Charlie did no

368

00:17:13,829 --> 00:17:11,380

sir I didn't ever ready Charlie came to

369

00:17:15,840 --> 00:17:13,839

me one day said I'm gonna write a book

370

00:17:17,549 --> 00:17:15,850

I'll give you three percent of it which

371

00:17:20,100 --> 00:17:17,559

everybody knows three percent ain't

372

00:17:22,710 --> 00:17:20,110

nothing anyhow I didn't care about no

373

00:17:26,460 --> 00:17:22,720

percentage I just signed the contract

374

00:17:27,750 --> 00:17:26,470

said Riley I don't care Charlie so you

375

00:17:30,210 --> 00:17:27,760

know that's where it was left I never

376

00:17:34,919 --> 00:17:30,220

opened it although Phillips sent me a

377

00:17:36,900 --> 00:17:34,929

copy of it and I have a chance so and I

378

00:17:38,850 --> 00:17:36,910

understand he's got a lot of good

379

00:17:40,860 --> 00:17:38,860

information in the book a lot of

380

00:17:45,090 --> 00:17:40,870

witnesses and things like that but I'm

381

00:17:46,950 --> 00:17:45,100

never ready now did you you know you

382

00:17:47,669 --> 00:17:46,960

said you kept a little quiet about this

383

00:17:49,100 --> 00:17:47,679

for so long

384

00:17:52,200 --> 00:17:49,110

but did you

385

00:17:54,000 --> 00:17:52,210

that people recognize your name here and

386

00:17:56,010 --> 00:17:54,010

there along the way all these years and

387

00:17:59,640 --> 00:17:56,020

strike up a conversation about it

388

00:18:02,070 --> 00:17:59,650

absolutely but I wouldn't talk about it

389

00:18:05,820 --> 00:18:02,080

and that is another reason if the book

390

00:18:09,210 --> 00:18:05,830

was written I was at a friend's I wake

391

00:18:11,900 --> 00:18:09,220

and I signed the register at his wake

392

00:18:15,030 --> 00:18:11,910

and it was it was in our pascagoula and

393

00:18:17,280 --> 00:18:15,040

these people started coming up ruv

394

00:18:20,670 --> 00:18:17,290

Calvin Parker I said well I guess I am

395

00:18:23,100 --> 00:18:20,680

that's my main so they started asking me

396

00:18:26,670 --> 00:18:23,110

a lot of questions I didn't feel like

397

00:18:29,130 --> 00:18:26,680

that that was the place to answer into

398

00:18:31,020 --> 00:18:29,140

the question so we left and that's when

399

00:18:32,430 --> 00:18:31,030

my wife started talking to me and said

400

00:18:36,300 --> 00:18:32,440

well maybe you are writable

401
00:18:38,820 --> 00:18:36,310
so I I don't have an education I can't

402
00:18:40,880 --> 00:18:38,830
spell my own name so maybe if I get a

403
00:18:44,010 --> 00:18:40,890
ghostwriter you know we might do this

404
00:18:46,350 --> 00:18:44,020
that was just to satisfy her and pass

405
00:18:50,370 --> 00:18:46,360
her off and maybe she'd forget all about

406
00:18:52,410 --> 00:18:50,380
it we're done the next day oh I got a

407
00:18:55,860 --> 00:18:52,420
letter from you asking if it was okay to

408
00:18:58,950 --> 00:18:55,870
get Philip my contact information then

409
00:19:05,220 --> 00:18:58,960
that's a philip called on a completely

410
00:19:08,640 --> 00:19:05,230
unrelated to me and he had called an

411
00:19:10,440 --> 00:19:08,650
unrelated event and wanted to talk to me

412
00:19:14,340 --> 00:19:10,450
about Charlie's book which I didn't know

413
00:19:16,050 --> 00:19:14,350

anything about so it led into him saying

414

00:19:17,880 --> 00:19:16,060

well why don't you do your own that

415

00:19:19,290 --> 00:19:17,890

would be your legacy you know we talked

416

00:19:21,900 --> 00:19:19,300

and I told him everything got changed

417

00:19:25,170 --> 00:19:21,910

and it would be written black and white

418

00:19:27,990 --> 00:19:25,180

so I told him maybe let me think about

419

00:19:29,760 --> 00:19:28,000

it and I was gonna blow him off and so

420

00:19:32,760 --> 00:19:29,770

it was about two weeks later he called

421

00:19:35,850 --> 00:19:32,770

back and I told him well let me think

422

00:19:38,880 --> 00:19:35,860

about it and then though he happened to

423

00:19:42,770 --> 00:19:38,890

call back a few days again and I I

424

00:19:45,510 --> 00:19:42,780

actually said yeah I'll do it he said oh

425

00:19:48,600 --> 00:19:45,520

he said well it might take you two or

426

00:19:50,670 --> 00:19:48,610

three years to do this I said I don't

427

00:19:52,740 --> 00:19:50,680

know how long it took takes you back

428

00:19:56,400 --> 00:19:52,750

read a book and awaking right to learn

429

00:19:58,980 --> 00:19:56,410

anything in a week and that's what I did

430

00:20:01,110 --> 00:19:58,990

I went to my room I told my wife nah I'm

431

00:20:02,640 --> 00:20:01,120

not taking no phone calls bring me

432

00:20:06,060 --> 00:20:02,650

something to eat once a day

433

00:20:08,220 --> 00:20:06,070

and don't bother me this went on for two

434

00:20:10,710 --> 00:20:08,230

weeks I stayed locked up at my room and

435

00:20:12,810 --> 00:20:10,720

as I was putting it together then Philip

436

00:20:14,850 --> 00:20:12,820

was putting his part together and we

437

00:20:16,710 --> 00:20:14,860

just marched them all together then

438

00:20:18,150 --> 00:20:16,720

isn't that something for you should

439

00:20:20,210 --> 00:20:18,160

write more books if you can do it in two

440

00:20:22,620 --> 00:20:20,220

weeks

441

00:20:24,180 --> 00:20:22,630

actually I want to talk to you more

442

00:20:26,490 --> 00:20:24,190

about how you get your wife to do that

443

00:20:28,710 --> 00:20:26,500

cuz you know I've read a couple books

444

00:20:29,610 --> 00:20:28,720

and it does not come off like that for

445

00:20:33,240 --> 00:20:29,620

me

446

00:20:35,130 --> 00:20:33,250

oh it's hard you know every nannies

447

00:20:40,049 --> 00:20:35,140

should come knock on the door I'd say

448

00:20:44,299 --> 00:20:40,059

get out of here that's what she did Wow

449

00:20:46,740 --> 00:20:44,309

hey is there is there any talk of a

450

00:20:48,660 --> 00:20:46,750

documentary or anything like that about

451
00:20:50,690 --> 00:20:48,670
the whole incident have you have you

452
00:20:53,910 --> 00:20:50,700
been involved in anything like that I

453
00:20:56,840 --> 00:20:53,920
pretty much left Finland panel in I'll

454
00:20:58,620 --> 00:20:56,850
handle it but it has been talk about

455
00:21:02,340 --> 00:20:58,630
documentaries it's been talk about

456
00:21:04,830 --> 00:21:02,350
movies and things like that but we are

457
00:21:07,650 --> 00:21:04,840
both trying to keep it as realistic as

458
00:21:11,130 --> 00:21:07,660
what you can if some of this does happen

459
00:21:13,160 --> 00:21:11,140
and in that way you know it scares a lot

460
00:21:15,600 --> 00:21:13,170
of these movie companies and all off

461
00:21:19,200 --> 00:21:15,610
because they want to create their own

462
00:21:22,799 --> 00:21:19,210
version of it sure and you know little

463
00:21:27,540 --> 00:21:22,809

changes here and there might would work

464

00:21:29,549 --> 00:21:27,550

out like oh just say there was two five

465

00:21:31,590 --> 00:21:29,559

please come out and they don't use the

466

00:21:32,970 --> 00:21:31,600

two or three you know that would be the

467

00:21:35,340 --> 00:21:32,980

only difference or something that I

468

00:21:39,450 --> 00:21:35,350

would accept I'm not going to accept

469

00:21:42,210 --> 00:21:39,460

anything changing the basic story so

470

00:21:44,070 --> 00:21:42,220

that's that scares them all off yeah

471

00:21:45,060 --> 00:21:44,080

well you know maybe eventually they'll

472

00:21:47,730 --> 00:21:45,070

agree to that I know I had a

473

00:21:50,250 --> 00:21:47,740

conversation with Travis Walton and he

474

00:21:52,710 --> 00:21:50,260

said that yes they did you know and fire

475

00:21:54,180 --> 00:21:52,720

in the sky the movie they did and you

476
00:21:57,299 --> 00:21:54,190
know this didn't happen that didn't

477
00:21:59,850 --> 00:21:57,309
happen but he said overall he was he was

478
00:22:01,799 --> 00:21:59,860
still happy that the it got out you know

479
00:22:03,840 --> 00:22:01,809
but he you know they will do that they

480
00:22:06,299 --> 00:22:03,850
for some reason even though it's such a

481
00:22:08,160 --> 00:22:06,309
spectacular case they seem to always

482
00:22:11,460 --> 00:22:08,170
have to sensationalize it a little more

483
00:22:14,370 --> 00:22:11,470
than it is for some reason exactly right

484
00:22:16,080 --> 00:22:14,380
and I don't understand that how can you

485
00:22:20,779 --> 00:22:16,090
get more out of what

486
00:22:24,360 --> 00:22:20,789
happened and what's going on right now

487
00:22:25,950 --> 00:22:24,370
the description of the I saw this this

488
00:22:27,930 --> 00:22:25,960

model that was made in the description

489

00:22:29,850 --> 00:22:27,940

of the being that you saw with the like

490

00:22:32,070 --> 00:22:29,860

carrot things coming out of where the

491

00:22:36,120 --> 00:22:32,080

ear should be in the single one coming

492

00:22:37,350 --> 00:22:36,130

out of the I such no one has ever talked

493

00:22:41,549 --> 00:22:37,360

about anything that looked like that

494

00:22:42,930 --> 00:22:41,559

before or after as far as I know and one

495

00:22:45,840 --> 00:22:42,940

thing I started thinking about I wrote

496

00:22:47,880 --> 00:22:45,850

on Philips Facebook page when he posted

497

00:22:49,919 --> 00:22:47,890

that picture is I'm wondering if those

498

00:22:52,130 --> 00:22:49,929

things were some type of sensors you

499

00:22:55,529 --> 00:22:52,140

know yeah

500

00:22:57,810 --> 00:22:55,539

I've often thought about that now during

501
00:23:00,930 --> 00:22:57,820
the stage you know Charlie seen them up

502
00:23:03,690 --> 00:23:00,940
close and that was his own well the

503
00:23:05,789 --> 00:23:03,700
artist through him that done it now I

504
00:23:08,039 --> 00:23:05,799
never really got a good look in the face

505
00:23:12,269 --> 00:23:08,049
of them you know I did see the female

506
00:23:14,970 --> 00:23:12,279
real close and now I have a yo artist

507
00:23:17,070 --> 00:23:14,980
and I'm working with and we're trying to

508
00:23:20,159 --> 00:23:17,080
get it as close to perfection it's what

509
00:23:22,080 --> 00:23:20,169
we can of course after 45 years about

510
00:23:25,139 --> 00:23:22,090
doing a lot of thinking you know and

511
00:23:27,180 --> 00:23:25,149
figuring that's hard to do so it's just

512
00:23:31,830 --> 00:23:27,190
when it gets perfect we're gonna release

513
00:23:33,960 --> 00:23:31,840

that and no matter how how striking the

514

00:23:36,060 --> 00:23:33,970

memory is we're all fallible when it

515

00:23:38,669 --> 00:23:36,070

comes to remembering something exactly

516

00:23:41,490 --> 00:23:38,679

the way it is over the years exactly

517

00:23:43,860 --> 00:23:41,500

right you put 10 people out to witness

518

00:23:46,560 --> 00:23:43,870

something and everyone I'm a witness

519

00:23:49,080 --> 00:23:46,570

something different that's right now

520

00:23:51,180 --> 00:23:49,090

we've got about three minutes or so left

521

00:23:54,539 --> 00:23:51,190

of I just wanted to know if you could to

522

00:23:58,110 --> 00:23:54,549

touch on anything that was a revelation

523

00:23:59,970 --> 00:23:58,120

that you saw that Philip found you know

524

00:24:03,840 --> 00:23:59,980

and put into the book that you had no

525

00:24:07,680 --> 00:24:03,850

idea about all right yeah the one thing

526
00:24:10,950 --> 00:24:07,690
was Budd Hopkins had tried to hypnotize

527
00:24:14,909 --> 00:24:10,960
me and I never really thought he had to

528
00:24:17,159 --> 00:24:14,919
hypnotize me this was in 93 and I just

529
00:24:20,880 --> 00:24:17,169
mentioned to Philip that Budd trial and

530
00:24:24,690 --> 00:24:20,890
oh he of course but it passed away and

531
00:24:27,980 --> 00:24:24,700
he got the original tape from dr. Jacobs

532
00:24:31,640 --> 00:24:27,990
I never knew I was hypnotized

533
00:24:33,740 --> 00:24:31,650
till I read it in the book and I when I

534
00:24:36,890 --> 00:24:33,750
told my wife I said I didn't think that

535
00:24:39,020 --> 00:24:36,900
really happened I didn't know but he had

536
00:24:40,970 --> 00:24:39,030
put a posthypnotic suggestion that I

537
00:24:42,680 --> 00:24:40,980
wouldn't remember it so that was all

538
00:24:44,720 --> 00:24:42,690

amazing to me that was something new

539

00:24:47,750 --> 00:24:44,730

that I didn't know and I started briefly

540

00:24:50,180 --> 00:24:47,760

I hadn't read the whole transcripts of

541

00:24:52,850 --> 00:24:50,190

it because I want to remember it like I

542

00:24:56,500 --> 00:24:52,860

will remember it I don't remember it

543

00:25:00,020 --> 00:24:56,510

like what come off a tape and so I'm

544

00:25:02,570 --> 00:25:00,030

still in that process okay anything else

545

00:25:05,900 --> 00:25:02,580

up anything else that was interesting in

546

00:25:08,840 --> 00:25:05,910

the book that you didn't know about I'm

547

00:25:10,970 --> 00:25:08,850

sure it's quite a few things I actually

548

00:25:14,840 --> 00:25:10,980

need to sit and read the book to see

549

00:25:17,210 --> 00:25:14,850

what is in it I've never really read it

550

00:25:19,760 --> 00:25:17,220

well I've been swimming in he says just

551

00:25:22,520 --> 00:25:19,770

come out no I'm telling you when this

552

00:25:26,000 --> 00:25:22,530

came out it was number one bestseller at

553

00:25:28,460 --> 00:25:26,010

Amazon that the day it come out to stay

554

00:25:30,380 --> 00:25:28,470

docked had a long time and I'm not for

555

00:25:34,250 --> 00:25:30,390

sure where it is now I don't never check

556

00:25:36,560 --> 00:25:34,260

it oh and of course everybody knows ever

557

00:25:39,200 --> 00:25:36,570

offer knows it's involved in this field

558

00:25:42,380 --> 00:25:39,210

it's no money in these books you know

559

00:25:45,680 --> 00:25:42,390

you do that because you want to do it

560

00:25:48,830 --> 00:25:45,690

you know and I I have no reason to

561

00:25:50,840 --> 00:25:48,840

fabricate anything like this I just go

562

00:25:52,490 --> 00:25:50,850

on what my word is somebody said well I

563

00:25:55,070 --> 00:25:52,500

don't believe yes and well I don't kill

564

00:25:56,750 --> 00:25:55,080

you blame me or not you know it's don't

565

00:25:57,290 --> 00:25:56,760

mean that much to me if you blame me or

566

00:25:59,600 --> 00:25:57,300

not

567

00:26:01,400 --> 00:25:59,610

yeah I saw someone attacked you on

568

00:26:03,520 --> 00:26:01,410

Facebook too and now there's no need for

569

00:26:05,840 --> 00:26:03,530

that that's that's ridiculous

570

00:26:07,430 --> 00:26:05,850

yeah a lot of it has to do with fears

571

00:26:11,060 --> 00:26:07,440

you know when people have a fear of

572

00:26:14,210 --> 00:26:11,070

something they attack they did my wife

573

00:26:19,250 --> 00:26:14,220

it went up and somebody had made some

574

00:26:22,550 --> 00:26:19,260

jewelry for and she asked if she could

575

00:26:24,680 --> 00:26:22,560

sell it or she could sell it for them

576

00:26:26,210 --> 00:26:24,690

and and I gave her permission I said

577

00:26:28,700 --> 00:26:26,220

yeah you know because it's got my name

578

00:26:30,020 --> 00:26:28,710

you know if you want to do something and

579

00:26:31,760 --> 00:26:30,030

make you a few dollars to these

580

00:26:34,130 --> 00:26:31,770

conferences or something that would be

581

00:26:38,000 --> 00:26:34,140

fine and somebody popped up

582

00:26:40,550 --> 00:26:38,010

I forget what words are used I hate to

583

00:26:41,360 --> 00:26:40,560

see you relate to doing costume jewelry

584

00:26:45,290 --> 00:26:41,370

and all the

585

00:26:47,000 --> 00:26:45,300

of course I just told him yoga hail God

586

00:26:48,860 --> 00:26:47,010

and here yeah that's right

587

00:26:51,440 --> 00:26:48,870

Michael you have one last you have one

588

00:26:54,380 --> 00:26:51,450

last question or anything dad no

589

00:26:55,700 --> 00:26:54,390

actually uh you know I haven't had a

590

00:26:59,150 --> 00:26:55,710

chance to read the book yet and I'm

591

00:27:01,910 --> 00:26:59,160

looking forward to it now I am I'm glad

592

00:27:03,920 --> 00:27:01,920

to hear that did ultimately you're doing

593

00:27:07,040 --> 00:27:03,930

really well it sounds like you've kind

594

00:27:09,500 --> 00:27:07,050

of come to terms and and kind of made

595

00:27:12,230 --> 00:27:09,510

peace with this as much as you can and

596

00:27:14,030 --> 00:27:12,240

it's just great to know that you're

597

00:27:17,360 --> 00:27:14,040

doing great because so many of these

598

00:27:21,230 --> 00:27:17,370

stories end up kind of not turning out

599

00:27:23,690 --> 00:27:21,240

so so well and I'm I'm really happy for

600

00:27:27,290 --> 00:27:23,700

you well thank you when you're reading

601
00:27:30,230 --> 00:27:27,300

603
00:27:33,380 --> 00:27:31,650

off any books I can assure you there's

605
00:27:39,260 --> 00:27:36,780

00:27:46,580 --> 00:27:43,680
it's been such a pleasure I've really

609
00:27:47,840 --> 00:27:46,590
enjoyed it thank you will you post me a

610
00:27:50,840 --> 00:27:47,850
link to this someone

611
00:27:54,110 --> 00:27:50,850
oh sure will do all right okay everyone

612
00:27:57,920 --> 00:27:54,120
so that's it we are going to be back

613
00:28:06,049 --> 00:27:57,930

right after this break with Charlotte

614

00:28:15,889 --> 00:28:11,389

all right and we are back and welcome to

615

00:28:18,259 --> 00:28:15,899

the show back everyone I want to bring

616

00:28:22,009 --> 00:28:18,269

on our guest I'm really excited to have

617

00:28:24,219 --> 00:28:22,019

her on at Charlotte man and she is the

618

00:28:28,249 --> 00:28:24,229

granddaughter of Reverend William

619

00:28:30,589 --> 00:28:28,259

Huffman back in 1941 I believe was April

620

00:28:35,269 --> 00:28:30,599

you know we think of the modern day you

621

00:28:38,329 --> 00:28:35,279

follow G as 1947 well this pre this you

622

00:28:41,149 --> 00:28:38,339

know happened well before that six years

623

00:28:42,889 --> 00:28:41,159

before that and it's a real real

624

00:28:45,109 --> 00:28:42,899

interesting case

625

00:28:48,829 --> 00:28:45,119

her grandfather only wanted to talk

626

00:28:51,440 --> 00:28:48,839

about it once in his life and I have a

627

00:28:54,289 --> 00:28:51,450

lot of questions to ask her so welcome

628

00:28:57,139 --> 00:28:54,299

to the show Charlotte thank you very

629

00:28:59,959 --> 00:28:57,149

much appreciate you having me sure and

630

00:29:02,719 --> 00:28:59,969

it's been a long time now this sup this

631

00:29:05,719 --> 00:29:02,729

is something I wanted to bring up how we

632

00:29:09,919 --> 00:29:05,729

met is of really a crazy situation I had

633

00:29:13,159 --> 00:29:09,929

a guest blogged on my on my website

634

00:29:15,229 --> 00:29:13,169

podcast UFO calm and you found it and

635

00:29:18,709 --> 00:29:15,239

then you also saw the show number and

636

00:29:23,450 --> 00:29:18,719

you just happen to dial it to talk to me

637

00:29:25,450 --> 00:29:23,460

while I had a show going on I had no

638

00:29:28,070 --> 00:29:25,460

idea when you first called like

639

00:29:30,349 --> 00:29:28,080

Charlotte man that name sounds familiar

640

00:29:34,700 --> 00:29:30,359

but you said you had some errors on your

641

00:29:37,339 --> 00:29:34,710

website and so anyway I I did not write

642

00:29:39,649 --> 00:29:37,349

that blog so I took it down and you're

643

00:29:43,190 --> 00:29:39,659

here to set the record straight and I

644

00:29:44,930 --> 00:29:43,200

really do appreciate you coming on well

645

00:29:49,249 --> 00:29:44,940

I'm glad that you gave me the platform

646

00:29:53,089 --> 00:29:49,259

to do so I'm not the type that likes to

647

00:29:55,310 --> 00:29:53,099

undermine other people but when some one

648

00:29:58,430 --> 00:29:55,320

talks about your family in a very

649

00:30:00,680 --> 00:29:58,440

personal way and in yourself as well as

650

00:30:03,049 --> 00:30:00,690

if they know you intimately and they

651
00:30:05,690 --> 00:30:03,059
know what you were thinking when you did

652
00:30:08,450 --> 00:30:05,700
things that kind of crosses the line

653
00:30:11,389 --> 00:30:08,460
with me and I had just bet had enough of

654
00:30:14,719 --> 00:30:11,399
it sure yeah so I'm sure you see that

655
00:30:17,509 --> 00:30:14,729
all over the place everywhere I'm all

656
00:30:19,760 --> 00:30:17,519
over the internet and with most of them

657
00:30:23,720 --> 00:30:19,770
when people call me and say Charlotte

658
00:30:25,700 --> 00:30:23,730
professor what about this and I'm not

659
00:30:27,590 --> 00:30:25,710
looking at people I've never met I

660
00:30:32,419 --> 00:30:27,600
wouldn't know them if I pass them on the

661
00:30:36,260 --> 00:30:32,429
street and it that was a surprise to me

662
00:30:39,890 --> 00:30:36,270
and very disconcerting to me simply

663
00:30:43,580 --> 00:30:39,900

because I my grandfather's experience

664

00:30:46,160 --> 00:30:43,590

was just that and why what I tried to do

665

00:30:51,020 --> 00:30:46,170

is is be an authentic witness to his

666

00:30:54,130 --> 00:30:51,030

experience but I'm not used to the

667

00:30:57,049 --> 00:30:54,140

politics and that the things that go on

668

00:31:00,830 --> 00:30:57,059

I'm not used to people totally lying

669

00:31:03,590 --> 00:31:00,840

about you so that's a strong word yeah

670

00:31:06,200 --> 00:31:03,600

it's not good and I'm not used to it and

671

00:31:07,790 --> 00:31:06,210

I haven't had it around me so it was

672

00:31:13,730 --> 00:31:07,800

kind of hard to deal with in the

673

00:31:15,560 --> 00:31:13,740

beginning sure now if that the blog that

674

00:31:17,900 --> 00:31:15,570

the guest blog you know I can't remember

675

00:31:21,049 --> 00:31:17,910

who wrote that and sent it in to me but

676

00:31:22,700 --> 00:31:21,059

if there was an inaccuracies I've

677

00:31:24,770 --> 00:31:22,710

already said this to you on the phone

678

00:31:27,950 --> 00:31:24,780

but I really do apologize that that was

679

00:31:31,070 --> 00:31:27,960

out there and it's gone now so I would

680

00:31:33,140 --> 00:31:31,080

like for you if you would come there's a

681

00:31:35,060 --> 00:31:33,150

lot of people that just are not familiar

682

00:31:38,540 --> 00:31:35,070

with this story at all if you can just

683

00:31:40,330 --> 00:31:38,550

go into detail on on what you know about

684

00:31:44,419 --> 00:31:40,340

what happened that would be wonderful

685

00:31:47,680 --> 00:31:44,429

well what what literally happened and

686

00:31:51,169 --> 00:31:47,690

it's Bend bits and pieces of it told

687

00:31:52,910 --> 00:31:51,179

I've only given permission to one person

688

00:31:56,090 --> 00:31:52,920

to tell the story in the very beginning

689

00:32:00,130 --> 00:31:56,100

and that was on the privacy that he

690

00:32:02,380 --> 00:32:00,140

wouldn't reveal me or or the source but

691

00:32:07,669 --> 00:32:02,390

Lin Stringfield

692

00:32:08,990 --> 00:32:07,679

research I enjoyed him I never got to

693

00:32:13,940 --> 00:32:09,000

meet him in person

694

00:32:18,110 --> 00:32:13,950

but I had it was early in the spring of

695

00:32:20,419 --> 00:32:18,120

1941 it was April and I know and have

696

00:32:23,210 --> 00:32:20,429

been exact with that although I've had a

697

00:32:25,640 --> 00:32:23,220

lot of people try to change that try to

698

00:32:29,600 --> 00:32:25,650

tell me it wasn't that time or wasn't it

699

00:32:32,210 --> 00:32:29,610

Easter and it isn't because my mother at

700

00:32:32,960 --> 00:32:32,220

the time was expecting my older sister

701
00:32:36,289 --> 00:32:32,970
and

702
00:32:39,350 --> 00:32:36,299
she was born May the third so I'm very

703
00:32:42,140 --> 00:32:39,360
strong on the time but the family was

704
00:32:43,700 --> 00:32:42,150
together this thing my grandmother and

705
00:32:48,140 --> 00:32:43,710
my grandfather who's lived in Cape

706
00:32:50,240 --> 00:32:48,150
Girardeau Missouri at the time and about

707
00:32:53,060 --> 00:32:50,250
9:00 to 9:30

708
00:32:55,850 --> 00:32:53,070
my granddad got a phone call

709
00:33:00,529 --> 00:32:55,860
he's a Southern Baptist minister or was

710
00:33:03,200 --> 00:33:00,539
and someone had called in and said that

711
00:33:06,740 --> 00:33:03,210
there had been what they thought was a

712
00:33:10,730 --> 00:33:06,750
plane a small plane crash outside of

713
00:33:13,340 --> 00:33:10,740

town and would he if they sent a car for

714

00:33:15,890 --> 00:33:13,350

him would he come and right along in

715

00:33:20,270 --> 00:33:15,900

case there were people that were injured

716

00:33:23,149 --> 00:33:20,280

that might need prayer or emotional

717

00:33:27,860 --> 00:33:23,159

support from a religious religious

718

00:33:31,070 --> 00:33:27,870

figure and he agreed and so a little

719

00:33:34,220 --> 00:33:31,080

while later a car came and picked him up

720

00:33:37,070 --> 00:33:34,230

and he was gone for a while and the

721

00:33:40,730 --> 00:33:37,080

family speculated in and actually prayed

722

00:33:43,730 --> 00:33:40,740

hoping no one was deceased but when

723

00:33:46,580 --> 00:33:43,740

grandfather got there it wasn't at all

724

00:33:49,520 --> 00:33:46,590

what he expected was or the people that

725

00:33:54,529 --> 00:33:49,530

I think they loved expected it turned

726

00:33:57,799 --> 00:33:54,539

out to have been a crashed UFO and there

727

00:34:00,380 --> 00:33:57,809

were three aliens that had been inside

728

00:34:04,070 --> 00:34:00,390

I'm assuming and either a thrown from

729

00:34:06,700 --> 00:34:04,080

the vehicle or or taken out of the

730

00:34:10,899 --> 00:34:06,710

vehicle and we're laying on the ground

731

00:34:14,419 --> 00:34:10,909

and grandfather was able to walk up to

732

00:34:19,460 --> 00:34:14,429

part of the UFO was kind of crashed open

733

00:34:24,859 --> 00:34:19,470

laying open and he could see inside and

734

00:34:29,050 --> 00:34:24,869

he saw many gauges and instruments and

735

00:34:31,460 --> 00:34:29,060

things that didn't look familiar to him

736

00:34:34,250 --> 00:34:31,470

one of the things that he mentioned to

737

00:34:37,520 --> 00:34:34,260

my dad and I've never spoken of this is

738

00:34:41,659 --> 00:34:37,530

what appeared to be in on a pedestal in

739

00:34:43,629 --> 00:34:41,669

the middle of the UFO like he described

740

00:34:46,169 --> 00:34:43,639

it as being like a gyroscope

741

00:34:50,129 --> 00:34:46,179

it was Spalding and

742

00:34:53,010 --> 00:34:50,139

and nearly could move but not fixed and

743

00:34:57,260 --> 00:34:53,020

what impressed him the most fascinated

744

00:35:02,160 --> 00:34:57,270

him was on the inside all the way around

745

00:35:04,380 --> 00:35:02,170

the UFO symbols and markings that looked

746

00:35:06,529 --> 00:35:04,390

to him they weren't familiar but they

747

00:35:12,120 --> 00:35:06,539

looked like what he had seen of

748

00:35:14,960 --> 00:35:12,130

hieroglyphics and on the outside when he

749

00:35:18,750 --> 00:35:14,970

went to where the aliens

750

00:35:22,200 --> 00:35:18,760

he called them little people we're lying

751
00:35:24,089 --> 00:35:22,210
two of them more deceased already but

752
00:35:27,240 --> 00:35:24,099
there was the third one who was still

753
00:35:31,260 --> 00:35:27,250
breathing very shallowly he could see

754
00:35:34,680 --> 00:35:31,270
the chest both of them so he knelt down

755
00:35:39,329 --> 00:35:34,690
beside of him and took him at his wrists

756
00:35:43,529 --> 00:35:39,339
and prayed for him and if you've ever

757
00:35:46,819 --> 00:35:43,539
seen the typical alien pictures the eyes

758
00:35:49,349 --> 00:35:46,829
they don't have lids so they don't close

759
00:35:54,000 --> 00:35:49,359
so it's as if they're staring directly

760
00:35:56,880 --> 00:35:54,010
at you the entire time and the

761
00:36:01,410 --> 00:35:56,890
experience of that is something you

762
00:36:05,789 --> 00:36:01,420
don't forget and he said not long after

763
00:36:08,900 --> 00:36:05,799

he he prayed over him he did expire as

764

00:36:11,880 --> 00:36:08,910

well and of course he was totally

765

00:36:14,039 --> 00:36:11,890

involved in what he was seeing and doing

766

00:36:16,609 --> 00:36:14,049

at the moment but when he looked up

767

00:36:19,349 --> 00:36:16,619

began to see that there was military

768

00:36:21,690 --> 00:36:19,359

everywhere just had began to drive up

769

00:36:24,569 --> 00:36:21,700

and get out of there heckles and come

770

00:36:27,299 --> 00:36:24,579

towards them and it's been reported by

771

00:36:30,450 --> 00:36:27,309

other people whom I don't I've never met

772

00:36:33,240 --> 00:36:30,460

that reported that there were FBI and

773

00:36:36,680 --> 00:36:33,250

different people there and justice for

774

00:36:39,660 --> 00:36:36,690

people and there wasn't there was the

775

00:36:42,589 --> 00:36:39,670

people who lived on the property of

776

00:36:45,569 --> 00:36:42,599

course seeing the crash had come down

777

00:36:50,069 --> 00:36:45,579

and there wasn't a lot of fire there

778

00:36:55,019 --> 00:36:50,079

wasn't the aliens were not burnt it was

779

00:36:57,480 --> 00:36:55,029

a minor fire in the field and and there

780

00:36:59,250 --> 00:36:57,490

was a few neighbors that perhaps had

781

00:37:00,000 --> 00:36:59,260

been there and a couple of other people

782

00:37:03,270 --> 00:37:00,010

that Grande

783

00:37:07,800 --> 00:37:03,280

assumed one was a we we thought a

784

00:37:11,060 --> 00:37:07,810

reporter or he got a reporter and when

785

00:37:14,640 --> 00:37:11,070

the military did show up the whole tone

786

00:37:17,400 --> 00:37:14,650

changed immediately they began to take

787

00:37:20,340 --> 00:37:17,410

small groups of the people to the side

788

00:37:24,420 --> 00:37:20,350

and have individual conversations with

789

00:37:27,720 --> 00:37:24,430

them and telling them basically this

790

00:37:29,370 --> 00:37:27,730

didn't happen you didn't see this and

791

00:37:35,190 --> 00:37:29,380

you're not able to speak of it again

792

00:37:39,420 --> 00:37:35,200

this is a matter of national security

793

00:37:41,730 --> 00:37:39,430

well granddad listened and he would have

794

00:37:43,859 --> 00:37:41,740

complied anyway even if they hadn't said

795

00:37:45,750 --> 00:37:43,869

national security but they didn't

796

00:37:49,109 --> 00:37:45,760

intimidate him it didn't scare him

797

00:37:51,410 --> 00:37:49,119

granddad was that kind of a man he was

798

00:37:53,849 --> 00:37:51,420

an honorable man he was very

799

00:37:55,530 --> 00:37:53,859

straightforward and if they said you

800

00:37:56,510 --> 00:37:55,540

know don't talk about it and he wouldn't

801
00:37:59,340 --> 00:37:56,520
got to talk about it

802
00:38:02,940 --> 00:37:59,350
however after after they dropped him off

803
00:38:06,240 --> 00:38:02,950
back at home the family was waiting up

804
00:38:08,370 --> 00:38:06,250
as you would naturally would wanting to

805
00:38:12,359 --> 00:38:08,380
know what had happened in in grandad

806
00:38:14,130 --> 00:38:12,369
related everything to them but he said

807
00:38:17,400 --> 00:38:14,140
he wouldn't speak of it again because

808
00:38:19,410 --> 00:38:17,410
they had asked him not to do that in

809
00:38:23,849 --> 00:38:19,420
about two weeks so we could have maybe

810
00:38:26,370 --> 00:38:23,859
two weeks after the fact there was a

811
00:38:29,190 --> 00:38:26,380
knock at the door one evening again at

812
00:38:31,710 --> 00:38:29,200
night around eight or nine o'clock and

813
00:38:34,050 --> 00:38:31,720

there was a gentleman that asked if he

814

00:38:38,400 --> 00:38:34,060

could have a word with him privately in

815

00:38:42,930 --> 00:38:38,410

this study and so he did and after he

816

00:38:45,599 --> 00:38:42,940

left granddad and grandma said well what

817

00:38:51,320 --> 00:38:45,609

what was that about we'll and he said

818

00:38:55,020 --> 00:38:51,330

well he he had taken this photograph and

819

00:38:59,580 --> 00:38:55,030

he had taken it with his private camera

820

00:39:01,950 --> 00:38:59,590

and it was not confiscated when the

821

00:39:03,750 --> 00:39:01,960

military got there because he it was a

822

00:39:06,140 --> 00:39:03,760

small personal camera he put it down

823

00:39:09,630 --> 00:39:06,150

there's a coat they didn't see it and he

824

00:39:13,000 --> 00:39:09,640

had developed a picture and it was one

825

00:39:15,970 --> 00:39:13,010

of the aliens and tools the

826

00:39:17,770 --> 00:39:15,980

man and it's been reported that it was

827

00:39:20,560 --> 00:39:17,780

two policemen that held him up in the

828

00:39:22,300 --> 00:39:20,570

picture that would that's not true it

829

00:39:27,070 --> 00:39:22,310

was just two individuals that happened

830

00:39:29,410 --> 00:39:27,080

to be there and they put one arm each

831

00:39:33,460 --> 00:39:29,420

man on either side I mean put one arm

832

00:39:38,109 --> 00:39:33,470

under his armpit and the other near his

833

00:39:41,230 --> 00:39:38,119

elbow and held him out because he very

834

00:39:45,370 --> 00:39:41,240

very long arms and they took a picture

835

00:39:48,670 --> 00:39:45,380

of him and so he told dad

836

00:39:51,609 --> 00:39:48,680

this man was even nervous when he showed

837

00:39:55,750 --> 00:39:51,619

up my grandmother said you could tell he

838

00:39:58,240 --> 00:39:55,760

was scared of something and she said it

839

00:40:02,530 --> 00:39:58,250

bothered it bothered granted that he was

840

00:40:05,320 --> 00:40:02,540

so so unnerved by it but he wanted a

841

00:40:08,340 --> 00:40:05,330

granddad and asking would he takes a

842

00:40:11,830 --> 00:40:08,350

picture and keep it because he felt like

843

00:40:13,900 --> 00:40:11,840

humanity need to be aware of it he

844

00:40:15,849 --> 00:40:13,910

wasn't one that was had the courage to

845

00:40:19,720 --> 00:40:15,859

come forward with it but would granddad

846

00:40:22,630 --> 00:40:19,730

keep it and and so he did and that's the

847

00:40:24,280 --> 00:40:22,640

picture he gave to mine actually my dad

848

00:40:27,730 --> 00:40:24,290

kept it for him

849

00:40:31,300 --> 00:40:27,740

and so I I had seen that picture from

850

00:40:35,080 --> 00:40:31,310

the time I was little up until all I

851
00:40:37,330 --> 00:40:35,090
don't know I was about eight or nine and

852
00:40:40,060 --> 00:40:37,340
a friend of dads had Willie they were

853
00:40:41,250 --> 00:40:40,070
having a dinner party a friend was a

854
00:40:43,900 --> 00:40:41,260
photographer

855
00:40:48,190 --> 00:40:43,910
and he had asked dad if he could borrow

856
00:40:51,640 --> 00:40:48,200
it he wanted to help him authenticated

857
00:40:54,940 --> 00:40:51,650
and to show it to his parents and the

858
00:40:57,900 --> 00:40:54,950
man's name was Walter Wang Fisk he was a

859
00:41:02,170 --> 00:40:57,910
personal friend of my moms and dads and

860
00:41:03,810 --> 00:41:02,180
dad dad let him check it and we didn't

861
00:41:07,960 --> 00:41:03,820
never get it back

862
00:41:13,060 --> 00:41:07,970
we for the we did a made-for-tv

863
00:41:15,970 --> 00:41:13,070

documentary and we re-enacted a picture

864

00:41:18,990 --> 00:41:15,980

made in a replica of what it would be

865

00:41:23,320 --> 00:41:19,000

like and so from that that was

866

00:41:26,710 --> 00:41:23,330

granddad's part of his experience his

867

00:41:29,800 --> 00:41:26,720

story but what most people don't know

868

00:41:35,849 --> 00:41:29,810

because I've never spoken of it but I've

869

00:41:40,000 --> 00:41:35,859

never been asked either bad years later

870

00:41:40,660 --> 00:41:40,010

people that know me gave me a copy of

871

00:41:45,250 --> 00:41:40,670

the book

872

00:41:51,190 --> 00:41:45,260

the Watchers by Raymond Fowler and in it

873

00:41:53,319 --> 00:41:51,200

he surmises that if someone has had that

874

00:41:56,050 --> 00:41:53,329

close of an encounter with an alien

875

00:42:00,370 --> 00:41:56,060

being that they tend to follow the

876

00:42:05,740 --> 00:42:00,380

families after that and they absolutely

877

00:42:10,170 --> 00:42:05,750

have and that part of my life is still

878

00:42:13,990 --> 00:42:10,180

going on it affected our entire family

879

00:42:17,710 --> 00:42:14,000

in in many many different ways when I

880

00:42:19,450 --> 00:42:17,720

was born my sister's older she's two

881

00:42:26,370 --> 00:42:19,460

years old his name she was born in in

882

00:42:29,880 --> 00:42:26,380

May and I was born in 40 in 1943 and

883

00:42:34,329 --> 00:42:29,890

when I was born I came in not knowing

884

00:42:38,740 --> 00:42:34,339

even what they meant with all kinds of

885

00:42:41,280 --> 00:42:38,750

gifts that my mother told me they were

886

00:42:44,140 --> 00:42:41,290

gifts of God and I was told them sacred

887

00:42:45,849 --> 00:42:44,150

not to ever make fun of them or to use

888

00:42:49,630 --> 00:42:45,859

them and always to explain they came

889

00:42:53,950 --> 00:42:49,640

from God and that has been in my life

890

00:42:55,930 --> 00:42:53,960

ever since taken many many different

891

00:42:57,910 --> 00:42:55,940

places and and other members of my

892

00:43:01,030 --> 00:42:57,920

family were gifted in many ways but we

893

00:43:02,950 --> 00:43:01,040

we have been abductees we've been I mean

894

00:43:06,910 --> 00:43:02,960

they just are in and out of our life and

895

00:43:10,359 --> 00:43:06,920

always have been so it's quite

896

00:43:13,180 --> 00:43:10,369

interesting to me in my life in the very

897

00:43:15,339 --> 00:43:13,190

beginning I didn't think of myself as

898

00:43:19,630 --> 00:43:15,349

being anybody special I don't to this

899

00:43:21,870 --> 00:43:19,640

day I'm just like everybody else you

900

00:43:24,520 --> 00:43:21,880

need you have opportunities and things

901
00:43:30,540 --> 00:43:24,530
gifts that you have and you either use

902
00:43:32,680 --> 00:43:30,550
them or you don't but I don't have any

903
00:43:36,670 --> 00:43:32,690
additional things that aren't available

904
00:43:39,880 --> 00:43:36,680
to everybody but I but I have never

905
00:43:42,579 --> 00:43:39,890
turned loose of them and I speak of them

906
00:43:43,859 --> 00:43:42,589
it's been my life's work ever since in

907
00:43:51,490 --> 00:43:43,869
it it's fascinating

908
00:44:01,029 --> 00:43:51,500
scary but fascinating so that's

909
00:44:05,710 --> 00:44:01,039
basically granddad's story and the I was

910
00:44:10,029 --> 00:44:05,720
approached after I wrote to Raymond

911
00:44:13,809 --> 00:44:10,039
Fowler after I read the book and in

912
00:44:16,960 --> 00:44:13,819
regard to the part about them following

913
00:44:20,620 --> 00:44:16,970

families and he interned unbeknownst to

914

00:44:23,680 --> 00:44:20,630

me spent copy of my letter tool in

915

00:44:27,819 --> 00:44:23,690

Springfield and Lynn then in turn called

916

00:44:32,289 --> 00:44:27,829

me and at that time I had granddad's

917

00:44:33,759 --> 00:44:32,299

experience but I didn't have any of the

918

00:44:37,809 --> 00:44:33,769

UFO background

919

00:44:40,210 --> 00:44:37,819

none at all I didn't know I just didn't

920

00:44:44,109 --> 00:44:40,220

know anything about it and so I had not

921

00:44:46,650 --> 00:44:44,119

heard of MUFON or Glen Stringfield or

922

00:44:52,150 --> 00:44:46,660

didn't know who Stanton Friedman was I

923

00:44:54,450 --> 00:44:52,160

soon got a crash course but so after we

924

00:44:57,460 --> 00:44:54,460

talked several times on the phone I

925

00:45:00,430 --> 00:44:57,470

found him to be a very kind person and

926

00:45:02,710 --> 00:45:00,440

he told me of some of the work he had

927

00:45:05,859 --> 00:45:02,720

done sent me some of this his papers and

928

00:45:09,150 --> 00:45:05,869

books and things like that in one thing

929

00:45:12,400 --> 00:45:09,160

it has just led to another it's always

930

00:45:15,460 --> 00:45:12,410

you a door opens and you take a step

931

00:45:19,299 --> 00:45:15,470

towards it and then here is a whole

932

00:45:23,410 --> 00:45:19,309

whole outlay so I've lived to what I

933

00:45:25,509 --> 00:45:23,420

call a dual life in that I had my

934

00:45:31,559 --> 00:45:25,519

grandfather and the structured religion

935

00:45:34,599 --> 00:45:31,569

on one side and then on the other side

936

00:45:38,289 --> 00:45:34,609

the other the other part of the line

937

00:45:42,460 --> 00:45:38,299

that was so relevant to me day in and

938

00:45:45,160 --> 00:45:42,470

day out but it was my life has been very

939

00:45:47,170 --> 00:45:45,170

eclectic the things that have happened

940

00:45:50,440 --> 00:45:47,180

to me and others in my family very

941

00:45:53,109 --> 00:45:50,450

eclectic and granddad was not the type

942

00:45:53,460 --> 00:45:53,119

of man even before his experience where

943

00:46:02,839 --> 00:45:53,470

he

944

00:46:06,210 --> 00:46:02,849

changed his perspective in many ways

945

00:46:09,240 --> 00:46:06,220

grandmother and I talked about it she

946

00:46:11,970 --> 00:46:09,250

came come to my home and stayed with me

947

00:46:15,930 --> 00:46:11,980

when she was in the last stages of

948

00:46:19,589 --> 00:46:15,940

cancer she took her chemotherapy at my

949

00:46:24,930 --> 00:46:19,599

home in Texas and it's one thing my dad

950

00:46:29,330 --> 00:46:24,940

was a very flamboyant person very

951
00:46:32,849 --> 00:46:29,340
interesting and he had a large subject

952
00:46:34,920 --> 00:46:32,859
matter that he was interested in but he

953
00:46:39,530 --> 00:46:34,930
tended to lay things on a little thick

954
00:46:42,270 --> 00:46:39,540
so here's some things from my dad and

955
00:46:45,390 --> 00:46:42,280
then to hear him from my grandmother or

956
00:46:48,030 --> 00:46:45,400
like difference of night and day so when

957
00:46:51,420 --> 00:46:48,040
she was ill I tried to talk with her

958
00:46:52,920 --> 00:46:51,430
about the many stories and bits and

959
00:46:56,580 --> 00:46:52,930
pieces that I had heard through the

960
00:46:59,300 --> 00:46:56,590
family and at first she would talk to me

961
00:47:03,450 --> 00:46:59,310
about it because grandpa told her not to

962
00:47:07,410 --> 00:47:03,460
but later she began to fill in the

963
00:47:11,670 --> 00:47:07,420

blanks for me and then after she left

964

00:47:13,829 --> 00:47:11,680

this world then whether you want to call

965

00:47:16,160 --> 00:47:13,839

it God or the highest consciousness

966

00:47:19,770 --> 00:47:16,170

whatever name you want to put to it

967

00:47:23,730 --> 00:47:19,780

began to reveal to me time and time and

968

00:47:26,460 --> 00:47:23,740

time and time again the idiosyncrasies

969

00:47:28,829 --> 00:47:26,470

as them being brought together they

970

00:47:31,500 --> 00:47:28,839

aren't separate they're all one and we

971

00:47:34,530 --> 00:47:31,510

can't have one without the other we have

972

00:47:59,820 --> 00:47:34,540

to embrace it and be open minded but

973

00:48:18,990 --> 00:48:02,190

are there any questions you want to ask

974

00:48:33,690 --> 00:48:21,579

Martin if you're speaking to me I'm not

975

00:48:37,089 --> 00:48:33,700

hearing you okay all right so I

976

00:48:39,160 --> 00:48:37,099

apologize up for that I like the

977

00:48:40,930 --> 00:48:39,170

listener out there may not know I may

978

00:48:45,130 --> 00:48:40,940

not care when that's okay if you don't

979

00:48:47,859 --> 00:48:45,140

but I have been away from home for now

980

00:48:50,079 --> 00:48:47,869

it'll be a month tomorrow and in hotel

981

00:48:52,720 --> 00:48:50,089

rooms and I have my own I have my

982

00:48:55,150 --> 00:48:52,730

portable equipment with me and while I

983

00:48:58,569 --> 00:48:55,160

was listening to you somehow I must have

984

00:49:02,410 --> 00:48:58,579

unplugged my microphone so so I

985

00:49:05,530 --> 00:49:02,420

apologize you were asking me so yes I do

986

00:49:08,470 --> 00:49:05,540

have some questions and I apologize for

987

00:49:10,240 --> 00:49:08,480

the listening audience as well but one

988

00:49:12,579 --> 00:49:10,250

of the things I wanted to know is how

989

00:49:14,700 --> 00:49:12,589

did this story get out in the first

990

00:49:19,059 --> 00:49:14,710

place and about when did it come out

991

00:49:21,220 --> 00:49:19,069

well actually and I think it probably

992

00:49:27,370 --> 00:49:21,230

got out the first time would have been

993

00:49:32,829 --> 00:49:27,380

back in nineteen around 1999 to 2000

994

00:49:34,750 --> 00:49:32,839

when I first got in touch with Lynn or

995

00:49:36,760 --> 00:49:34,760

when he got in touch with me because

996

00:49:40,030 --> 00:49:36,770

priory that I had only reached out to

997

00:49:42,309 --> 00:49:40,040

Raymond through a letter I hadn't talked

998

00:49:45,790 --> 00:49:42,319

to anybody else and no one had ever

999

00:49:47,620 --> 00:49:45,800

approached me and so that I think that

1000

00:49:52,240 --> 00:49:47,630

would probably have to have been the

1001
00:49:56,260 --> 00:49:52,250
beginning and Leonard had asked to if he

1002
00:49:59,829 --> 00:49:56,270
could include my story in a presentation

1003
00:50:03,099 --> 00:49:59,839
he was making to the MUFON conferences

1004
00:50:07,480 --> 00:50:03,109
that they do each year and he did it in

1005
00:50:11,380 --> 00:50:07,490
a in a book that was entitled the status

1006
00:50:14,370 --> 00:50:11,390
report number six and he wrote in there

1007
00:50:16,960 --> 00:50:14,380
and the interesting part of that is

1008
00:50:19,450 --> 00:50:16,970
there's so much more to the story that

1009
00:50:23,290 --> 00:50:19,460
you know just the very basics ever got

1010
00:50:29,380 --> 00:50:23,300
out and and he presented it in in that

1011
00:50:31,620 --> 00:50:29,390
at that time but the most I don't think

1012
00:50:33,780 --> 00:50:31,630
there's anybody that knows maybe stances

1013
00:50:38,010 --> 00:50:33,790

Friedman those I've discussed it with

1014

00:50:44,250 --> 00:50:38,020

him but he also included another story

1015

00:50:50,630 --> 00:50:44,260

of mine in the same same presentation in

1016

00:50:54,750 --> 00:50:50,640

the epilogue at one time about summer of

1017

00:50:57,320 --> 00:50:54,760

1979 I was at I worked for the phone

1018

00:51:01,470 --> 00:50:57,330

company then and I was working at it

1019

00:51:07,200 --> 00:51:01,480

away from the company giving a talk I

1020

00:51:10,410 --> 00:51:07,210

thanked and retired four-star Major

1021

00:51:16,200 --> 00:51:10,420

General by the name of Melvin McNichol

1022

00:51:20,070 --> 00:51:16,210

he had the base when he retired from the

1023

00:51:23,160 --> 00:51:20,080

Air Force he it was in Oklahoma City at

1024

00:51:26,820 --> 00:51:23,170

tinker field he also had had the base at

1025

00:51:33,480 --> 00:51:26,830

Wiesbaden Germany and after he retired

1026

00:51:37,920 --> 00:51:33,490

he was a part of the Space Museum there

1027

00:51:40,380 --> 00:51:37,930

in Oklahoma City and he called the phone

1028

00:51:42,360 --> 00:51:40,390

company and described me and wanted my

1029

00:51:45,690 --> 00:51:42,370

phone number and they gave it to him and

1030

00:51:48,420 --> 00:51:45,700

it began a friendship of about eight or

1031

00:51:52,050 --> 00:51:48,430

nine years that we had that was very

1032

00:51:58,680 --> 00:51:52,060

very informative and really really very

1033

00:52:01,380 --> 00:51:58,690

helpful in the UFO information and so he

1034

00:52:03,000 --> 00:52:01,390

and I discussed it took him a whole year

1035

00:52:06,060 --> 00:52:03,010

and a half after we knew each other for

1036

00:52:08,340 --> 00:52:06,070

him to ever confide in me anything but

1037

00:52:09,870 --> 00:52:08,350

one day we got on the subject of UFOs

1038

00:52:12,000 --> 00:52:09,880

and he was familiar with granddad's

1039

00:52:16,860 --> 00:52:12,010

because I had told him granddad's

1040

00:52:23,280 --> 00:52:16,870

experience and I said to him I said Mel

1041

00:52:25,410 --> 00:52:23,290

you know is it true do you know that

1042

00:52:27,930 --> 00:52:25,420

there is such a thing as UFOs have you

1043

00:52:32,040 --> 00:52:27,940

ever seen one do you do you know that

1044

00:52:34,080 --> 00:52:32,050

the Air Force does cover them up and he

1045

00:52:38,070 --> 00:52:34,090

looked at me and he smiled and he said

1046

00:52:41,190 --> 00:52:38,080

Charlotte it's absolutely true and he

1047

00:52:43,830 --> 00:52:41,200

didn't divulge enough information to get

1048

00:52:46,160 --> 00:52:43,840

into trouble but enough to tell me he

1049

00:52:48,359 --> 00:52:46,170

had walked around one

1050

00:52:51,870 --> 00:52:48,369

basically where he was when that

1051
00:52:54,990 --> 00:52:51,880
happened and that they did exist and

1052
00:52:57,720 --> 00:52:55,000
that and I asked him why would they keep

1053
00:53:00,809 --> 00:52:57,730
it so secret and he said Jarvis the

1054
00:53:03,180 --> 00:53:00,819
general public cannot handle this and I

1055
00:53:05,130 --> 00:53:03,190
said well I'm the general public of

1056
00:53:06,960 --> 00:53:05,140
course they couldn't hate me do you

1057
00:53:09,270 --> 00:53:06,970
think you are but you're not

1058
00:53:12,329 --> 00:53:09,280
oh wow well that's interesting because

1059
00:53:14,819 --> 00:53:12,339
uh I don't think that's the way it is

1060
00:53:16,500 --> 00:53:14,829
today I feel as though there's more of

1061
00:53:19,980 --> 00:53:16,510
an openness to it than there's ever been

1062
00:53:22,740 --> 00:53:19,990
but you know though absolutely yeah so

1063
00:53:25,200 --> 00:53:22,750

do you know who leaked the story to

1064

00:53:27,359 --> 00:53:25,210

begin with how how you you know how

1065

00:53:32,430 --> 00:53:27,369

that's that's what's really puzzling to

1066

00:53:35,190 --> 00:53:32,440

me well when I talked originally with

1067

00:53:39,059 --> 00:53:35,200

with Leonard he promised me that it

1068

00:53:42,510 --> 00:53:39,069

would never leave his file that it would

1069

00:53:44,490 --> 00:53:42,520

be kept secret and he and he was good in

1070

00:53:47,550 --> 00:53:44,500

doing that he never mentioned my name

1071

00:53:51,950 --> 00:53:47,560

when he presented in annex imposing and

1072

00:53:55,620 --> 00:53:51,960

in one I just described to you told me

1073

00:53:57,690 --> 00:53:55,630

Cherie monet okay but I'm still not

1074

00:54:00,230 --> 00:53:57,700

getting into I'm still not getting the

1075

00:54:04,140 --> 00:54:00,240

what I'm trying to understand here is

1076

00:54:06,140 --> 00:54:04,150

someone had to leak the story in the

1077

00:54:09,120 --> 00:54:06,150

very beginning to get it out there

1078

00:54:11,640 --> 00:54:09,130

support to have him contact you I mean

1079

00:54:13,410 --> 00:54:11,650

who was it someone at the scene beside

1080

00:54:15,809 --> 00:54:13,420

your grandfather grandfather certainly

1081

00:54:18,420 --> 00:54:15,819

didn't well what I've been told

1082

00:54:19,170 --> 00:54:18,430

I really haven't ever found out that to

1083

00:54:22,470 --> 00:54:19,180

be exact

1084

00:54:26,640 --> 00:54:22,480

I talked with Lynn's wife after he

1085

00:54:30,839 --> 00:54:26,650

passed away because he had promised they

1086

00:54:32,490 --> 00:54:30,849

would be secret and she said people had

1087

00:54:36,180 --> 00:54:32,500

tried to buy them but she didn't let

1088

00:54:39,480 --> 00:54:36,190

anybody have them but I later heard that

1089

00:54:41,790 --> 00:54:39,490

Lynn had a stenographer or a secretary

1090

00:54:42,599 --> 00:54:41,800

that worked with him and helped him keep

1091

00:54:45,900 --> 00:54:42,609

his files

1092

00:54:48,180 --> 00:54:45,910

up and keep them you know all of that

1093

00:54:52,740 --> 00:54:48,190

taken care of and that she had secretly

1094

00:54:55,170 --> 00:54:52,750

copied his information I can't speak to

1095

00:54:57,440 --> 00:54:55,180

that for as a truth because that's just

1096

00:55:01,580 --> 00:54:57,450

what I was told

1097

00:55:05,660 --> 00:55:01,590

I don't know exactly where or when it

1098

00:55:07,370 --> 00:55:05,670

was leaked okay someone just made a you

1099

00:55:11,270 --> 00:55:07,380

know of course this happened before

1100

00:55:15,680 --> 00:55:11,280

there was any you know investigations

1101
00:55:18,050 --> 00:55:15,690
back in nineteen in the 1940s before you

1102
00:55:19,550 --> 00:55:18,060
know the late 1940s oh there was as far

1103
00:55:22,430 --> 00:55:19,560
as we know no one was actually

1104
00:55:26,870 --> 00:55:22,440
investigating anything you know so

1105
00:55:29,240 --> 00:55:26,880
that's that is interesting now I do want

1106
00:55:32,960 --> 00:55:29,250
to tell the listener out there this is

1107
00:55:35,060 --> 00:55:32,970
something that people just may think is

1108
00:55:38,510 --> 00:55:35,070
strange but it was true at the time was

1109
00:55:39,860 --> 00:55:38,520
when there was you know car crashes

1110
00:55:42,860 --> 00:55:39,870
things like that when there are people

1111
00:55:45,470 --> 00:55:42,870
dying or or actually dead it was

1112
00:55:48,110 --> 00:55:45,480
certainly very very common for for the

1113
00:55:50,090 --> 00:55:48,120

police to ask a reverend to bless bless

1114

00:55:52,910 --> 00:55:50,100

the people bless the bodies that was

1115

00:55:55,070 --> 00:55:52,920

just common that was always done so it's

1116

00:55:58,070 --> 00:55:55,080

nothing that part's not unusual at all

1117

00:56:00,260 --> 00:55:58,080

of course what the part that's unusual

1118

00:56:03,440 --> 00:56:00,270

is when they came up to the crash and it

1119

00:56:05,690 --> 00:56:03,450

wasn't a car crash right so yeah so

1120

00:56:08,060 --> 00:56:05,700

that's that's all interesting another

1121

00:56:11,000 --> 00:56:08,070

thing about the picture the picture

1122

00:56:15,110 --> 00:56:11,010

that's online anyone can actually google

1123

00:56:18,170 --> 00:56:15,120

that if you just go in and Google and do

1124

00:56:20,750 --> 00:56:18,180

the Cape Girardeau UFO crash you will

1125

00:56:23,720 --> 00:56:20,760

see a picture of it looks like maybe a

1126

00:56:26,900 --> 00:56:23,730

brim to brim hat people holding up an

1127

00:56:30,410 --> 00:56:26,910

alien and you know that picture now you

1128

00:56:33,620 --> 00:56:30,420

saw the original picture yes you did you

1129

00:56:36,500 --> 00:56:33,630

have any say and to what the you know

1130

00:56:40,250 --> 00:56:36,510

the picture that was designed for that

1131

00:56:42,080 --> 00:56:40,260

show you know what they came up with was

1132

00:56:44,810 --> 00:56:42,090

that you're part of your input was

1133

00:56:46,690 --> 00:56:44,820

involved in that basically mining Jim

1134

00:56:49,730 --> 00:56:46,700

Marrs

1135

00:56:54,740 --> 00:56:49,740

yeah Jim Jim and I had talked about it

1136

00:56:57,410 --> 00:56:54,750

because I've been his personal I guess

1137

00:57:01,880 --> 00:56:57,420

you would call it reader or advisor for

1138

00:57:07,190 --> 00:57:01,890

23 years and well had worked with him I

1139

00:57:10,400 --> 00:57:07,200

he took me to the that 1897 Aurora crash

1140

00:57:10,760 --> 00:57:10,410

scene to check out the little Ellie in

1141

00:57:13,820 --> 00:57:10,770

there

1142

00:57:16,609 --> 00:57:13,830

but we had talked about it and I

1143

00:57:18,260 --> 00:57:16,619

basically it describes what I had seen

1144

00:57:23,480 --> 00:57:18,270

in the original picture we just

1145

00:57:28,250 --> 00:57:23,490

reenacted it with good people if we did

1146

00:57:29,630 --> 00:57:28,260

it in Roswell I see okay someone asked

1147

00:57:31,190 --> 00:57:29,640

that question on the chat room I thought

1148

00:57:33,680 --> 00:57:31,200

was kind of interesting why would people

1149

00:57:34,930 --> 00:57:33,690

bid on a story that had not been made

1150

00:57:39,650 --> 00:57:34,940

public

1151
00:57:42,800 --> 00:57:39,660
why would they be it on it yeah I'm not

1152
00:57:44,510 --> 00:57:42,810
sure I understand you mentioned just a

1153
00:57:48,170 --> 00:57:44,520
little while ago that they were trying

1154
00:57:50,930 --> 00:57:48,180
to you know buy buy the story or buy buy

1155
00:57:52,390 --> 00:57:50,940
something mm-hmm so what were they

1156
00:57:56,300 --> 00:57:52,400
trying to buy exactly

1157
00:58:00,080 --> 00:57:56,310
well people a few people that contacted

1158
00:58:02,300 --> 00:58:00,090
me they wanted me to sign a release it

1159
00:58:04,280 --> 00:58:02,310
wasn't a matter of any money exchanging

1160
00:58:06,470 --> 00:58:04,290
hands they wanted to do they wanted the

1161
00:58:09,560 --> 00:58:06,480
information I said they didn't want me

1162
00:58:12,020 --> 00:58:09,570
or they didn't want me presenting it and

1163
00:58:15,200 --> 00:58:12,030

I wouldn't give control over to anybody

1164

00:58:17,120 --> 00:58:15,210

else that that's my family's story and I

1165

00:58:20,690 --> 00:58:17,130

wasn't trying to make money I was simply

1166

00:58:23,000 --> 00:58:20,700

trying to get the information out to to

1167

00:58:26,450 --> 00:58:23,010

see if other folks could come forward

1168

00:58:28,010 --> 00:58:26,460

you know just to fill it out um and so

1169

00:58:32,510 --> 00:58:28,020

that's why you've not heard a lot about

1170

00:58:33,500 --> 00:58:32,520

it is because that's not my it's not

1171

00:58:38,690 --> 00:58:33,510

what I'm about

1172

00:58:41,150 --> 00:58:38,700

now I know that traffic it's uh Paul

1173

00:58:43,280 --> 00:58:41,160

Blake is it is that who as someone who

1174

00:58:44,990 --> 00:58:43,290

was out there telling this story it was

1175

00:58:48,800 --> 00:58:45,000

he and wrote a book on it

1176

00:58:55,340 --> 00:58:48,810

how ml 41 is that what you're speaking

1177

00:58:58,790 --> 00:58:55,350

of missus I called Paul yeah Paul Blake

1178

00:59:02,780 --> 00:58:58,800

Smith yeah and was his story did he do a

1179

00:59:07,820 --> 00:59:02,790

fairly accurate job I mean how can I be

1180

00:59:09,800 --> 00:59:07,830

nice about I was afraid I was going back

1181

00:59:12,880 --> 00:59:09,810

people well um

1182

00:59:17,270 --> 00:59:12,890

when I heard about it from your podcast

1183

00:59:18,230 --> 00:59:17,280

I went and got a copy and I have never

1184

00:59:20,540 --> 00:59:18,240

been so upset

1185

00:59:24,469 --> 00:59:20,550

you know in my life oh I began to read

1186

00:59:27,180 --> 00:59:24,479

it now I can only speak to the part that

1187

00:59:29,430 --> 00:59:27,190

he speaks of my family which is most of

1188

00:59:32,549 --> 00:59:29,440

the book and I'm almost on every page

1189

00:59:35,489 --> 00:59:32,559

the only thing that I can tell you that

1190

00:59:38,189 --> 00:59:35,499

is true it would make this a nonfiction

1191

00:59:42,299 --> 00:59:38,199

book is the fact that he was born in

1192

00:59:46,769 --> 00:59:42,309

Cape Girardeau Missouri oh oh yeah he

1193

00:59:50,039 --> 00:59:46,779

wrote me two letters in 2014 and he acts

1194

00:59:56,189 --> 00:59:50,049

like he doesn't even know me with a long

1195

00:59:58,769 --> 00:59:56,199

list of questions I didn't even respond

1196

01:00:01,920 --> 00:59:58,779

to the letter because what research he

1197

01:00:07,229 --> 01:00:01,930

had done was so out there and left-field

1198

01:00:11,370 --> 01:00:07,239

I don't know where he got it and I I

1199

01:00:15,209 --> 01:00:11,380

don't I don't want to sue him but I want

1200

01:00:18,150 --> 01:00:15,219

to stop him this should never be out

1201

01:00:20,219 --> 01:00:18,160

there the way he paints my granddad the

1202

01:00:23,189 --> 01:00:20,229

things that he says there's no truth to

1203

01:00:25,319 --> 01:00:23,199

them where let's talk about the

1204

01:00:27,029 --> 01:00:25,329

inaccuracies then some of them that

1205

01:00:29,459 --> 01:00:27,039

bother you the most just you know to get

1206

01:00:34,799 --> 01:00:29,469

it out there and and get it you know

1207

01:00:37,140 --> 01:00:34,809

corrected we don't even know where to

1208

01:00:39,449 --> 01:00:37,150

start to be to be honest with you

1209

01:00:41,880 --> 01:00:39,459

yeah just touch on some of them what you

1210

01:00:44,459 --> 01:00:41,890

know you know what is bothered you

1211

01:00:49,319 --> 01:00:44,469

well he makes the statement of the

1212

01:00:53,549 --> 01:00:49,329

gentleman who who my grand my dad gave

1213

01:00:56,670 --> 01:00:53,559

the picture to to authenticate he says

1214

01:00:59,160 --> 01:00:56,680

that the man would never never ever

1215

01:01:02,279 --> 01:00:59,170

acknowledge me or talk to me well that's

1216

01:01:05,579 --> 01:01:02,289

not true I talked to him on the

1217

01:01:08,939 --> 01:01:05,589

telephone and at first he was very vague

1218

01:01:09,870 --> 01:01:08,949

but he had been a friend of my family's

1219

01:01:12,599 --> 01:01:09,880

for quite a while

1220

01:01:16,109 --> 01:01:12,609

and my mother was quite beautiful and he

1221

01:01:19,469 --> 01:01:16,119

had a crush on her and so I said to him

1222

01:01:22,699 --> 01:01:19,479

I said Wayne you might not remember me

1223

01:01:24,900 --> 01:01:22,709

because I was just a kid but I

1224

01:01:27,269 --> 01:01:24,910

remembered you brought pheasant for

1225

01:01:29,640 --> 01:01:27,279

dinner because you had shot it and was

1226

01:01:32,689 --> 01:01:29,650

explaining on and I said do you remember

1227

01:01:37,529 --> 01:01:32,699

the redheaded woman and all of a sudden

1228

01:01:44,099 --> 01:01:37,539

outburst Pauline I said that's my mother

1229

01:01:49,469 --> 01:01:44,109

yes now I did and so we do know where

1230

01:01:51,749 --> 01:01:49,479

the photograph the government has it he

1231

01:01:54,439 --> 01:01:51,759

was entangled and you he was very

1232

01:01:57,419 --> 01:01:54,449

difficult to follow because he would say

1233

01:02:02,849 --> 01:01:57,429

such outlandish things that couldn't be

1234

01:02:05,699 --> 01:02:02,859

proven I mean Ryan would and Bob would

1235

01:02:08,879 --> 01:02:05,709

they're the ones that we did the

1236

01:02:11,339 --> 01:02:08,889

documentary together and Ryan is the

1237

01:02:13,949 --> 01:02:11,349

only one I've ever been given permission

1238

01:02:17,129 --> 01:02:13,959

to use my information in the book which

1239

01:02:20,099 --> 01:02:17,139

was he presented very well in majestic

1240

01:02:24,179 --> 01:02:20,109

eyes only I don't think it's in print

1241

01:02:28,919 --> 01:02:24,189

anymore but you know that that's just

1242

01:02:31,259 --> 01:02:28,929

one thing Stanton went and saw him and

1243

01:02:34,529 --> 01:02:31,269

talked to him and he talked to me on the

1244

01:02:39,120 --> 01:02:34,539

phone and you know and it's just not

1245

01:02:41,789 --> 01:02:39,130

true what he says and then he said that

1246

01:02:45,529 --> 01:02:41,799

the photo was given back to us no it

1247

01:02:50,759 --> 01:02:45,539

wasn't it was never given back to it and

1248

01:02:53,159 --> 01:02:50,769

oh gosh well I don't ever want to get

1249

01:02:55,069 --> 01:02:53,169

you upset here but it's just I thought

1250

01:02:57,269 --> 01:02:55,079

it would be a good chance for you to set

1251

01:03:00,419 --> 01:02:57,279

something straight that you know that

1252

01:03:02,219 --> 01:03:00,429

bothered you because he did write a book

1253

01:03:04,949 --> 01:03:02,229

he you know you don't make a lot of

1254

01:03:07,679 --> 01:03:04,959

money on books anyway but still you know

1255

01:03:10,259 --> 01:03:07,689

he was getting on coast-to-coast and a

1256

01:03:14,159 --> 01:03:10,269

few other you know interviews because of

1257

01:03:17,159 --> 01:03:14,169

like he was the go-to on that subject

1258

01:03:18,959 --> 01:03:17,169

and so but I think it's best to hear

1259

01:03:21,239 --> 01:03:18,969

from you so I was really glad that you

1260

01:03:23,699 --> 01:03:21,249

were willing to come on the show you

1261

01:03:28,289 --> 01:03:23,709

know you're you're closer to secondhand

1262

01:03:30,719 --> 01:03:28,299

knowledge to this than anyone else well

1263

01:03:33,569 --> 01:03:30,729

the thing of it is I've never not been

1264

01:03:37,289 --> 01:03:33,579

here and people have approached me and

1265

01:03:42,269 --> 01:03:37,299

if they've asked me for something in the

1266

01:03:45,779 --> 01:03:42,279

right vein I've helped them or tried to

1267

01:03:50,900 --> 01:03:45,789

give them what they needed but not not

1268

01:03:54,170 --> 01:03:50,910

many people came to me and you know

1269

01:03:57,470 --> 01:03:54,180

there is always a time and a place I

1270

01:04:01,849 --> 01:03:57,480

believe that and now it's the time for

1271

01:04:04,150 --> 01:04:01,859

the truth to be out and so it's

1272

01:04:07,130 --> 01:04:04,160

happening now I do want to talk about

1273

01:04:08,120 --> 01:04:07,140

the abduction situation stuff like that

1274

01:04:09,620 --> 01:04:08,130

I want to make sure that we do not

1275

01:04:12,650 --> 01:04:09,630

forget to talk about that but I want to

1276

01:04:14,120 --> 01:04:12,660

go back to okay I want to go back to the

1277

01:04:16,309 --> 01:04:14,130

photo because this is really fascinating

1278

01:04:19,160 --> 01:04:16,319

me fascinating to me

1279

01:04:20,900 --> 01:04:19,170

you actually saw this now your

1280

01:04:22,700 --> 01:04:20,910

grandfather wouldn't have showed this to

1281

01:04:24,680 --> 01:04:22,710

I mean he didn't want to talk about no

1282

01:04:27,319 --> 01:04:24,690

no how did that follow it around in the

1283

01:04:29,539 --> 01:04:27,329

family how did that well it actually did

1284

01:04:32,720 --> 01:04:29,549

didn't ever float around he just went

1285

01:04:38,630 --> 01:04:32,730

from my grandfather not long after he

1286

01:04:42,230 --> 01:04:38,640

got it to my dad and dad kept it at the

1287

01:04:44,390 --> 01:04:42,240

house and when there would be times that

1288

01:04:46,940 --> 01:04:44,400

they would my parents would would have

1289

01:04:50,019 --> 01:04:46,950

guests over dinner parties and that

1290

01:04:52,670 --> 01:04:50,029

subject would come up one way or another

1291

01:04:56,799 --> 01:04:52,680

something similar and dad would relate

1292

01:05:00,950 --> 01:04:56,809

the story and he would show the picture

1293

01:05:05,089 --> 01:05:00,960

back at the end I guess the magnitude of

1294

01:05:07,370 --> 01:05:05,099

what it was really didn't hit us because

1295

01:05:09,079 --> 01:05:07,380

well especially by myself and my

1296

01:05:12,230 --> 01:05:09,089

brothers and sisters because it was just

1297

01:05:14,599 --> 01:05:12,240

always around and we didn't think it was

1298

01:05:16,940 --> 01:05:14,609

anything so much out of the ordinary we

1299

01:05:21,499 --> 01:05:16,950

thought all all people knew all this

1300

01:05:23,029 --> 01:05:21,509

stuff you know when you grow up with

1301

01:05:24,319 --> 01:05:23,039

something and it's around you all the

1302

01:05:26,779 --> 01:05:24,329

time

1303

01:05:29,450 --> 01:05:26,789

you you don't question it that's right

1304

01:05:31,730 --> 01:05:29,460

that's right you know it was just in the

1305

01:05:33,559 --> 01:05:31,740

family pictures I mean I could have gone

1306

01:05:36,890 --> 01:05:33,569

at any time and opened the picture box

1307

01:05:39,200 --> 01:05:36,900

and taking it out now can you tell me

1308

01:05:40,609 --> 01:05:39,210

let's let's just describe the photo I

1309

01:05:44,180 --> 01:05:40,619

know I'm kind of focusing on that

1310

01:05:46,640 --> 01:05:44,190

probably a little too much but if first

1311

01:05:49,130 --> 01:05:46,650

of all was it real clear you could

1312

01:05:51,349 --> 01:05:49,140

actually see see did the bow very clear

1313

01:05:55,640 --> 01:05:51,359

okay yeah very clear and that was one of

1314

01:05:59,230 --> 01:05:55,650

the things in in Smith's book that

1315

01:06:01,460 --> 01:05:59,240

really bothered me because it said it I

1316

01:06:03,839 --> 01:06:01,470

forgot what her name was but somebody

1317

01:06:07,069 --> 01:06:03,849

had contacted him and they had taken

1318

01:06:09,479 --> 01:06:07,079

or describe the picture that Walter had

1319

01:06:12,239 --> 01:06:09,489

described a picture to somebody and they

1320

01:06:16,079 --> 01:06:12,249

thought it was could look like something

1321

01:06:18,420 --> 01:06:16,089

from out of the sea and changed like

1322

01:06:21,989 --> 01:06:18,430

shape-shift I don't know what that was

1323

01:06:24,299 --> 01:06:21,999

about but no it was remember thank you

1324

01:06:26,940 --> 01:06:24,309

you may not be as I am but if you

1325

01:06:29,009 --> 01:06:26,950

remember back when the pictures with the

1326

01:06:32,519 --> 01:06:29,019

little Kodak cameras and they had the

1327

01:06:35,009 --> 01:06:32,529

little scallops and absolutely pathology

1328

01:06:37,319 --> 01:06:35,019

I see them all the time in old photo

1329

01:06:41,609 --> 01:06:37,329

albums the little salt stone edges yeah

1330

01:06:44,460 --> 01:06:41,619

right it looked like that and then it it

1331

01:06:46,289 --> 01:06:44,470

had a big tree in it and there was grass

1332

01:06:48,710 --> 01:06:46,299

you could tell it wasn't a yard because

1333

01:06:53,069 --> 01:06:48,720

the grass wasn't like knee-high or so

1334

01:07:00,390 --> 01:06:53,079

and the two men you know holding this

1335

01:07:02,759 --> 01:07:00,400

alien and it's it's very clear and I can

1336

01:07:06,839 --> 01:07:02,769

remember people asking me questions

1337

01:07:08,999 --> 01:07:06,849

about the feet or those legs I couldn't

1338

01:07:12,569 --> 01:07:09,009

tell you a lot about them because I was

1339

01:07:16,339 --> 01:07:12,579

always fixated on the eyes sure there's

1340

01:07:19,729 --> 01:07:16,349

something very haunting about the eyes

1341

01:07:23,309 --> 01:07:19,739

they almost have an energy of their own

1342

01:07:27,979 --> 01:07:23,319

and it's otherworldly and it didn't

1343

01:07:32,190 --> 01:07:27,989

pride me as a child it just pulled me in

1344

01:07:35,430 --> 01:07:32,200

and and I've really always had a feeling

1345

01:07:39,569 --> 01:07:35,440

of a sympathy for them because being

1346

01:07:42,120 --> 01:07:39,579

what they were according to my granddad

1347

01:07:43,829 --> 01:07:42,130

you know if that's something that

1348

01:07:45,959 --> 01:07:43,839

they're very far from home and they've

1349

01:07:47,940 --> 01:07:45,969

crashed it you know there's there was

1350

01:07:50,759 --> 01:07:47,950

always a little bit of a sadness to me

1351

01:07:52,920 --> 01:07:50,769

in it but yeah the picture was was very

1352

01:07:54,779 --> 01:07:52,930

clear now I just want to I want to

1353

01:07:56,880 --> 01:07:54,789

mention something about eyes first of

1354

01:08:01,349 --> 01:07:56,890

all in a conversation that I had with

1355

01:08:04,099 --> 01:08:01,359

Travis Walton he said the eyes you know

1356

01:08:09,180 --> 01:08:04,109

worth were the scariest part of all and

1357

01:08:10,979 --> 01:08:09,190

it won't be theory yeah and then the you

1358

01:08:12,749 --> 01:08:10,989

know the stare east of the stare was

1359

01:08:17,090 --> 01:08:12,759

something and then I had a conversation

1360

01:08:20,920 --> 01:08:17,100

last summer with someone that was a girl

1361

01:08:26,000 --> 01:08:20,930

that was involved at the Arial school

1362

01:08:29,090 --> 01:08:26,010

you know encounter redheaded no that was

1363

01:08:34,130 --> 01:08:29,100

but I know who that is God her name's

1364

01:08:36,410 --> 01:08:34,140

Selma some acidic and she said that when

1365

01:08:37,970 --> 01:08:36,420

she had to leave to find out if her

1366

01:08:38,660 --> 01:08:37,980

brother and sister were okay in the

1367

01:08:41,060 --> 01:08:38,670

schoolyard

1368

01:08:43,970 --> 01:08:41,070

she said breaking that stare was from

1369

01:08:45,980 --> 01:08:43,980

that being whatever it was was one of

1370

01:08:48,680 --> 01:08:45,990

the hardest things she'd ever done is to

1371

01:08:51,290 --> 01:08:48,690

break the stereo berry hypnotic it pulls

1372

01:08:53,870 --> 01:08:51,300

you in even from the photograph I mean I

1373

01:08:56,770 --> 01:08:53,880

wasn't I don't know how granddad felt

1374

01:09:00,349 --> 01:08:56,780

but I know his perspective has changed

1375

01:09:02,980 --> 01:09:00,359

and you know he was very out of the box

1376

01:09:05,930 --> 01:09:02,990

more so than he had ever been after that

1377

01:09:10,280 --> 01:09:05,940

much more loving he was always a loving

1378

01:09:11,750 --> 01:09:10,290

person but outwardly showing it and it

1379

01:09:13,820 --> 01:09:11,760

is very hypnotic

1380

01:09:18,500 --> 01:09:13,830

even through the photograph it was to me

1381

01:09:19,970 --> 01:09:18,510

yeah so when when you're when your

1382

01:09:21,500 --> 01:09:19,980

grandfather came out and said he said

1383

01:09:25,430 --> 01:09:21,510

I'm only going to tell this one time and

1384

01:09:27,680 --> 01:09:25,440

and told the story did I know this is

1385

01:09:30,140 --> 01:09:27,690

kind of a weird question perhaps but did

1386

01:09:31,880 --> 01:09:30,150

anyone write any notes or this is you

1387

01:09:33,980 --> 01:09:31,890

said that your father and your

1388

01:09:36,590 --> 01:09:33,990

grandmother both remembered it quite

1389

01:09:39,349 --> 01:09:36,600

differently are those the only two

1390

01:09:41,930 --> 01:09:39,359

perspectives that you had well it isn't

1391

01:09:45,320 --> 01:09:41,940

that they remembered it differently

1392

01:09:48,050 --> 01:09:45,330

it's just that grandma told it all my

1393

01:09:52,010 --> 01:09:48,060

almost like you would read a historical

1394

01:09:56,950 --> 01:09:52,020

document I see that to my grandmother my

1395

01:09:59,960 --> 01:09:56,960

grand father and daddy were much more

1396

01:10:04,310 --> 01:09:59,970

Chris Matic I guess would be the word

1397

01:10:08,990 --> 01:10:04,320

and and granddad didn't embellish but

1398

01:10:11,600 --> 01:10:09,000

dad would you know if if one was you

1399

01:10:13,190 --> 01:10:11,610

know one was a good thing then put two

1400

01:10:16,370 --> 01:10:13,200

in there that's even better

1401

01:10:19,520 --> 01:10:16,380

you know so he had that that about him

1402

01:10:22,730 --> 01:10:19,530

and that part I didn't trust exactly so

1403

01:10:25,310 --> 01:10:22,740

I needed to hear it for more than that

1404

01:10:29,570 --> 01:10:25,320

perspective in order to really get to

1405

01:10:30,620 --> 01:10:29,580

what the real truth was hmm so I think

1406

01:10:32,870 --> 01:10:30,630

that is a

1407

01:10:34,669 --> 01:10:32,880

using that it changed changed his

1408

01:10:38,030 --> 01:10:34,679

perspective it sounds like it did a

1409

01:10:42,320 --> 01:10:38,040

little bit or you know made him more

1410

01:10:44,030 --> 01:10:42,330

open as you said and he kept his word

1411

01:10:46,189 --> 01:10:44,040

all the way to the end he never ever

1412

01:10:49,100 --> 01:10:46,199

would even like on his last few days he

1413

01:10:51,860 --> 01:10:49,110

would never talk about it again as far

1414

01:10:55,370 --> 01:10:51,870

as I know he never did now I think from

1415

01:10:58,220 --> 01:10:55,380

what daddy said that they may have had a

1416

01:11:01,459 --> 01:10:58,230

few private conversations if dad would

1417

01:11:06,290 --> 01:11:01,469

come up with a question he may have

1418

01:11:10,669 --> 01:11:06,300

answered it but to him only it it was

1419

01:11:13,430 --> 01:11:10,679

more through granddad behavior and the

1420

01:11:17,390 --> 01:11:13,440

way he handled things that we could tell

1421

01:11:21,200 --> 01:11:17,400

a difference in him but no he didn't

1422

01:11:22,939 --> 01:11:21,210

ever speak publicly to anybody else but

1423

01:11:25,820 --> 01:11:22,949

he was he was a private man to begin

1424

01:11:30,620 --> 01:11:25,830

with now back then they wouldn't have

1425

01:11:32,510 --> 01:11:30,630

called it flying saucer or a UFO did the

1426

01:11:34,700 --> 01:11:32,520

word did you did I hear you say the word

1427

01:11:36,860 --> 01:11:34,710

a spaceship today did they call it that

1428

01:11:38,270 --> 01:11:36,870

or what did they what do they say what

1429

01:11:41,479 --> 01:11:38,280

did they think that crash or what were

1430

01:11:48,950 --> 01:11:41,489

they talking about on the side well on

1431

01:11:52,129 --> 01:11:48,960

the side they just called it what many

1432

01:11:55,100 --> 01:11:52,139

different things one would call it a

1433

01:11:58,189 --> 01:11:55,110

spaceship one would call it something

1434

01:12:00,590 --> 01:11:58,199

from outer space or beyond our world I

1435

01:12:04,580 --> 01:12:00,600

mean there were several different terms

1436

01:12:06,970 --> 01:12:04,590

used because there wasn't anything that

1437

01:12:14,140 --> 01:12:06,980

at the time

1438

01:12:17,030 --> 01:12:14,150

one man called it as a cigar alike and

1439

01:12:19,370 --> 01:12:17,040

so there's just a lot of fun there's a

1440

01:12:22,040 --> 01:12:19,380

lot of descriptions of this car cigar

1441

01:12:24,830 --> 01:12:22,050

shaped cross so yeah it certainly could

1442

01:12:27,470 --> 01:12:24,840

have been well in it is from what angle

1443

01:12:31,399 --> 01:12:27,480

do you see it I don't know that anybody

1444

01:12:35,060 --> 01:12:31,409

ever saw it as it came down it was

1445

01:12:38,860 --> 01:12:35,070

already crashed and so as you kind of

1446

01:12:42,620 --> 01:12:38,870

drove over the little hill and there was

1447

01:12:43,890 --> 01:12:42,630

it depended on what angle what direction

1448

01:12:46,680 --> 01:12:43,900

you were coming it that you

1449

01:12:48,870 --> 01:12:46,690

all right you could make the difference

1450

01:12:51,180 --> 01:12:48,880

as well yeah but yeah I called it

1451
01:12:54,480 --> 01:12:51,190
several things now it always makes you

1452
01:12:58,050 --> 01:12:54,490
wonder okay so if this truly did happen

1453
01:13:02,370 --> 01:12:58,060
and and it sounds like it a very

1454
01:13:05,100 --> 01:13:02,380
believable case if this happened what

1455
01:13:06,510 --> 01:13:05,110
the heck did they do with the bodies

1456
01:13:09,560 --> 01:13:06,520
what the heck did they do with what the

1457
01:13:12,750 --> 01:13:09,570
remains of the craft you know I mean

1458
01:13:15,120 --> 01:13:12,760
that's all that's always a question the

1459
01:13:17,970 --> 01:13:15,130
military came and took it all the way

1460
01:13:21,780 --> 01:13:17,980
yeah and more to code that's not not

1461
01:13:25,170 --> 01:13:21,790
unlike well different at the time

1462
01:13:29,550 --> 01:13:25,180
different bases I remember when I was

1463
01:13:34,530 --> 01:13:29,560

talking to Mel the retired Major General

1464

01:13:37,050 --> 01:13:34,540

he spoke of of wright-patterson he spoke

1465

01:13:42,120 --> 01:13:37,060

of a Wright Field at the time it was

1466

01:13:45,960 --> 01:13:42,130

called yeah and and one on the east

1467

01:13:48,930 --> 01:13:45,970

coast of the west coast he never gave

1468

01:13:52,980 --> 01:13:48,940

the name exactly but it's they had one

1469

01:13:54,750 --> 01:13:52,990

hangar there and and they you could walk

1470

01:13:56,870 --> 01:13:54,760

around it they weren't allowed to touch

1471

01:13:59,880 --> 01:13:56,880

it they weren't allowed to go into it

1472

01:14:03,420 --> 01:13:59,890

and whenever things would happen even

1473

01:14:08,840 --> 01:14:03,430

being retired he used to be called back

1474

01:14:13,740 --> 01:14:08,850

to Washington for what he called grass

1475

01:14:16,110 --> 01:14:13,750

and I'm not sure because he couldn't go

1476

01:14:18,960 --> 01:14:16,120

into it as to what those were but they

1477

01:14:22,170 --> 01:14:18,970

were of high national security and very

1478

01:14:24,660 --> 01:14:22,180

very secretive well and now the

1479

01:14:28,050 --> 01:14:24,670

hieroglyphics are what appeared to be

1480

01:14:30,240 --> 01:14:28,060

hieroglyphics that's that's pretty very

1481

01:14:31,980 --> 01:14:30,250

interesting to me first of all there's

1482

01:14:33,690 --> 01:14:31,990

two other cases that are pretty well

1483

01:14:36,180 --> 01:14:33,700

known purportedly that there were

1484

01:14:38,400 --> 01:14:36,190

hieroglyphic lifx one of them would be

1485

01:14:41,900 --> 01:14:38,410

of course Roswell and the second one

1486

01:14:45,630 --> 01:14:41,910

Rendlesham forest the Rendlesham forest

1487

01:14:47,250 --> 01:14:45,640

yeah there was someone that supposedly

1488

01:14:49,380 --> 01:14:47,260

went right up and actually touched the

1489

01:14:51,060 --> 01:14:49,390

craft named Jim Penniston Penniston

1490

01:14:54,500 --> 01:14:51,070

who's actually gonna be on this show

1491

01:14:59,150 --> 01:14:54,510

this show here in a some time in April

1492

01:15:02,180 --> 01:14:59,160

but yes what's that you'll enjoy him

1493

01:15:05,870 --> 01:15:02,190

well yeah so there but they both talk

1494

01:15:07,030 --> 01:15:05,880

about the same thing you know I mean you

1495

01:15:09,380 --> 01:15:07,040

know there were stories about

1496

01:15:14,630 --> 01:15:09,390

hieroglyphics which i think is really

1497

01:15:16,940 --> 01:15:14,640

interesting I guess it it makes sense I

1498

01:15:19,190 --> 01:15:16,950

mean it's like all any craft that we

1499

01:15:21,620 --> 01:15:19,200

have that goes out there into space or

1500

01:15:24,110 --> 01:15:21,630

anywhere else has you know as far as

1501

01:15:25,580 --> 01:15:24,120

America knows has the flag on it and you

1502

01:15:28,090 --> 01:15:25,590

know all kinds of numbers and things

1503

01:15:32,750 --> 01:15:28,100

like that so yeah that's not surprising

1504

01:15:36,220 --> 01:15:32,760

and and from from what I've seen

1505

01:15:40,010 --> 01:15:36,230

because daddy tried to show me kind of

1506

01:15:43,610 --> 01:15:40,020

you know what they look like symbols and

1507

01:15:46,700 --> 01:15:43,620

they can look very similar and the

1508

01:15:49,390 --> 01:15:46,710

closest thing that people have seen in a

1509

01:15:53,120 --> 01:15:49,400

lot of cases are the Egyptian

1510

01:15:54,740 --> 01:15:53,130

hieroglyphics hmm well they tell they

1511

01:15:58,690 --> 01:15:54,750

tell this story every symbol tells the

1512

01:16:01,700 --> 01:15:58,700

story now let's let's talk now about

1513

01:16:04,760 --> 01:16:01,710

what has happened in your family you

1514

01:16:07,010 --> 01:16:04,770

started to mention that that you feel as

1515

01:16:09,860 --> 01:16:07,020

though that there's been abductions and

1516

01:16:12,710 --> 01:16:09,870

you have a personal you have personal

1517

01:16:15,170 --> 01:16:12,720

experience in that so if you would if

1518

01:16:17,360 --> 01:16:15,180

it's something that's not too painful to

1519

01:16:20,630 --> 01:16:17,370

talk about can you tell the listening

1520

01:16:24,860 --> 01:16:20,640

audience what what has happened well I

1521

01:16:28,550 --> 01:16:24,870

can tell you of some in the family my

1522

01:16:31,850 --> 01:16:28,560

older sister probably is the one that

1523

01:16:33,800 --> 01:16:31,860

had and she's deceased now but before

1524

01:16:37,970 --> 01:16:33,810

she passed away she wrote a notarized

1525

01:16:41,930 --> 01:16:37,980

letter stating that this was true true

1526

01:16:46,880 --> 01:16:41,940

information she recalled a lot of the

1527

01:16:50,090 --> 01:16:46,890

actual being floated into out the window

1528

01:16:51,590 --> 01:16:50,100

and into the spacecraft and experiments

1529

01:16:55,580 --> 01:16:51,600

being done although she didn't know what

1530

01:16:57,430 --> 01:16:55,590

was being done and the interesting thing

1531

01:16:59,150 --> 01:16:57,440

is we used to have in-depth

1532

01:17:03,350 --> 01:16:59,160

conversations her and I we were very

1533

01:17:06,740 --> 01:17:03,360

close best friends and at one point when

1534

01:17:08,210 --> 01:17:06,750

I was first beginning to dip my toe in

1535

01:17:12,140 --> 01:17:08,220

the UFO stuff

1536

01:17:14,570 --> 01:17:12,150

trying to make myself aware we had I

1537

01:17:16,520 --> 01:17:14,580

said sis tell me some of your

1538

01:17:20,000 --> 01:17:16,530

experiences and I'll tell you you know

1539

01:17:22,010 --> 01:17:20,010

what I have and about a month later a

1540

01:17:23,810 --> 01:17:22,020

Raymond Fowler wrote me a letter and

1541

01:17:28,100 --> 01:17:23,820

asked could he speak with her would she

1542

01:17:30,170 --> 01:17:28,110

speak to him and I went to her and asked

1543

01:17:33,260 --> 01:17:30,180

her and she looked at me with the

1544

01:17:34,820 --> 01:17:33,270

blankest face of everything and she said

1545

01:17:35,510 --> 01:17:34,830

I don't have any idea what you're

1546

01:17:40,040 --> 01:17:35,520

talking about

1547

01:17:43,970 --> 01:17:40,050

really yes Addison well I was chilled to

1548

01:17:44,450 --> 01:17:43,980

the bones and I tried to refresh her

1549

01:17:47,270 --> 01:17:44,460

memory

1550

01:17:49,640 --> 01:17:47,280

didn't do one bit-yakin not something

1551

01:17:51,440 --> 01:17:49,650

yeah and so I had to write back and tell

1552

01:17:54,740 --> 01:17:51,450

him what had happened in that she never

1553

01:17:58,550 --> 01:17:54,750

did come forward with that but later

1554

01:18:03,860 --> 01:17:58,560

some of some of others situations would

1555

01:18:06,710 --> 01:18:03,870

come about myself I can recall being if

1556

01:18:09,380 --> 01:18:06,720

it started to get dark I would be very

1557

01:18:11,960 --> 01:18:09,390

very afraid and I didn't understand why

1558

01:18:14,390 --> 01:18:11,970

but I would wait for my family to go to

1559

01:18:16,250 --> 01:18:14,400

bed my mother especially and I would go

1560

01:18:18,460 --> 01:18:16,260

in the bathroom and shut the door and

1561

01:18:22,100 --> 01:18:18,470

turn the light on and I would stay there

1562

01:18:23,990 --> 01:18:22,110

until I would see daylight come in up to

1563

01:18:28,550 --> 01:18:24,000

the window and then I would quickly go

1564

01:18:31,400 --> 01:18:28,560

get in my bed has been exhausting its

1565

01:18:36,080 --> 01:18:31,410

well it was and I didn't quite

1566

01:18:39,470 --> 01:18:36,090

understand why but later understood that

1567

01:18:41,900 --> 01:18:39,480

the missing time you know could be

1568

01:18:44,180 --> 01:18:41,910

retained you could go back and reclaim

1569

01:18:46,460 --> 01:18:44,190

it I didn't want to I didn't care what

1570

01:18:49,850 --> 01:18:46,470

was in there I just knew I didn't want

1571

01:18:52,580 --> 01:18:49,860

it anymore and I have a daughter and and

1572

01:18:55,910 --> 01:18:52,590

adopted a son that I have a bedroom here

1573

01:18:57,800 --> 01:18:55,920

in my home and both of them started out

1574

01:19:01,970 --> 01:18:57,810

at one time in that bedroom and they

1575

01:19:05,390 --> 01:19:01,980

both asked to be moved because they come

1576

01:19:11,480 --> 01:19:05,400

to that window and they don't want to be

1577

01:19:14,900 --> 01:19:11,490

taken and so you know that happens not a

1578

01:19:16,609 --> 01:19:14,910

lot but occasionally and they do recall

1579

01:19:20,600 --> 01:19:16,619

being taken

1580

01:19:23,600 --> 01:19:20,610

and my younger brother does as well wow

1581

01:19:25,520 --> 01:19:23,610

this is the question came up in the chat

1582

01:19:28,550 --> 01:19:25,530

room earlier and and and it's always

1583

01:19:31,520 --> 01:19:28,560

been a curious one to me is why the

1584

01:19:33,229 --> 01:19:31,530

multiple abductions if if these are

1585

01:19:34,640 --> 01:19:33,239

happening but I want to ask you this

1586

01:19:38,120 --> 01:19:34,650

question first before you answer that

1587

01:19:40,430 --> 01:19:38,130

when when was it you first recall it

1588

01:19:42,979 --> 01:19:40,440

happening or your sister talked about it

1589

01:19:45,550 --> 01:19:42,989

happening I'm talking about what what

1590

01:19:48,800 --> 01:19:45,560

year approximately if you can remember

1591

01:19:52,250 --> 01:19:48,810

the first time that she talked about it

1592

01:19:55,729 --> 01:19:52,260

to me she was a bat it was in the late

1593

01:19:57,050 --> 01:19:55,739

sixties middle sixties early late

1594

01:19:59,720 --> 01:19:57,060

sixties Wow

1595

01:20:02,479 --> 01:19:59,730

so Bert during that time I can only

1596

01:20:06,649 --> 01:20:02,489

think of bent Betty and Barney Hill in

1597

01:20:10,550 --> 01:20:06,659

1961 but we never really heard about any

1598

01:20:13,390 --> 01:20:10,560

abduction type situations happening for

1599

01:20:16,520 --> 01:20:13,400

many many years and when she was born

1600

01:20:18,800 --> 01:20:16,530

she was born with the gift of

1601
01:20:22,310 --> 01:20:18,810
clairvoyance we didn't know that's what

1602
01:20:24,560 --> 01:20:22,320
it was called but in its carriage as

1603
01:20:28,820 --> 01:20:24,570
she's probably the most gifted

1604
01:20:30,919 --> 01:20:28,830
clairvoyant I have ever met and it

1605
01:20:34,510 --> 01:20:30,929
scared her like I said and this was in

1606
01:20:39,050 --> 01:20:34,520
the 50s she would see visions and

1607
01:20:43,220 --> 01:20:39,060
pictures of things on the magnitude of

1608
01:20:46,700 --> 01:20:43,230
9/11 and back in the 50s you just didn't

1609
01:20:48,500 --> 01:20:46,710
that just wasn't heard of and my

1610
01:20:51,379 --> 01:20:48,510
grandmother my mother's mother who lived

1611
01:20:54,200 --> 01:20:51,389
with us most of her life was a great

1612
01:20:56,450 --> 01:20:54,210
deal of Indian and she told her she said

1613
01:20:59,180 --> 01:20:56,460

I mean if you're not comfortable with

1614

01:21:00,890 --> 01:20:59,190

that gift God has given you ask him to

1615

01:21:05,839 --> 01:21:00,900

take it away and he will it won't make

1616

01:21:09,950 --> 01:21:05,849

it mad and she didn't it went away so it

1617

01:21:12,260 --> 01:21:09,960

can be very very difficult and I hadn't

1618

01:21:15,800 --> 01:21:12,270

heard as far as but I was fascinated

1619

01:21:18,439 --> 01:21:15,810

when I heard about Betty Andrews I heard

1620

01:21:21,680 --> 01:21:18,449

about it in the 70s mhm

1621

01:21:24,830 --> 01:21:21,690

so you had already had situations

1622

01:21:27,260 --> 01:21:24,840

happening before that time then oh gosh

1623

01:21:30,140 --> 01:21:27,270

yes one time one time that I remember

1624

01:21:33,380 --> 01:21:30,150

the entire family was involved there

1625

01:21:36,260 --> 01:21:33,390

were bad storms going on and we were we

1626

01:21:38,209 --> 01:21:36,270

used to go every weekend on a Saturday

1627

01:21:41,689 --> 01:21:38,219

we got our allowance and mom and dad

1628

01:21:44,240 --> 01:21:41,699

would take us into town or to town where

1629

01:21:47,450 --> 01:21:44,250

we could spend our our allowances and

1630

01:21:52,130 --> 01:21:47,460

the big thing for us and so we left our

1631

01:21:58,160 --> 01:21:52,140

house and headed to the town nearest to

1632

01:22:02,360 --> 01:21:58,170

us and it took us by well we were gone

1633

01:22:05,930 --> 01:22:02,370

by our time an hour and a half to what

1634

01:22:08,030 --> 01:22:05,940

should have been a 20-minute ride and

1635

01:22:11,870 --> 01:22:08,040

instead of ending up to town that we

1636

01:22:15,680 --> 01:22:11,880

were headed to we were driving back on

1637

01:22:17,930 --> 01:22:15,690

our own driveway and we don't know how

1638

01:22:20,570 --> 01:22:17,940

the car got turned around and my dad

1639

01:22:22,399 --> 01:22:20,580

finally surmised well maybe a tornado

1640

01:22:27,770 --> 01:22:22,409

came and picked us up and we didn't know

1641

01:22:30,050 --> 01:22:27,780

it took us back but we later realized it

1642

01:22:33,260 --> 01:22:30,060

it had to have been an encounter of some

1643

01:22:36,439 --> 01:22:33,270

kind so yes I've lived with this my

1644

01:22:39,649 --> 01:22:36,449

whole life and my whole family that's

1645

01:22:42,140 --> 01:22:39,659

amazing and of course the missing time

1646

01:22:45,260 --> 01:22:42,150

thing I don't even know if that was

1647

01:22:48,020 --> 01:22:45,270

discussed for a long time even from you

1648

01:22:50,810 --> 01:22:48,030

know Betty and Barney Hill but right

1649

01:22:53,540 --> 01:22:50,820

that's what you hear you know here this

1650

01:22:55,910 --> 01:22:53,550

type of thing all the time and and

1651

01:22:57,290 --> 01:22:55,920

people ending up like you're like you

1652

01:22:59,090 --> 01:22:57,300

were saying ending up in a completely

1653

01:23:03,080 --> 01:22:59,100

different place than they remember they

1654

01:23:05,090 --> 01:23:03,090

were at but the whole entire family that

1655

01:23:07,669 --> 01:23:05,100

that's that's an amazing that's a crazy

1656

01:23:10,580 --> 01:23:07,679

crazy well you know I think there's

1657

01:23:14,000 --> 01:23:10,590

probably a lot more of it but it's not

1658

01:23:15,560 --> 01:23:14,010

spoken of or that people don't you you

1659

01:23:18,500 --> 01:23:15,570

kind of have to go through time and then

1660

01:23:20,090 --> 01:23:18,510

look back and see the different things

1661

01:23:21,770 --> 01:23:20,100

that happened and when and it begins

1662

01:23:25,760 --> 01:23:21,780

them to make sense there you see the

1663

01:23:28,669 --> 01:23:25,770

pattern of it but we were always from

1664

01:23:31,810 --> 01:23:28,679

you know very eclectic family in fact I

1665

01:23:34,520 --> 01:23:31,820

can remember my grandma my grandfather

1666

01:23:36,860 --> 01:23:34,530

we would always be in church of course

1667

01:23:39,950 --> 01:23:36,870

he'd be preaching along and when I was

1668

01:23:41,479 --> 01:23:39,960

little I would hear him do a sermon and

1669

01:23:43,550 --> 01:23:41,489

I've said it and I'd say grandpa that's

1670

01:23:45,410 --> 01:23:43,560

wrong that's not right

1671

01:23:48,890 --> 01:23:45,420

of course everybody would just roll her

1672

01:23:51,830 --> 01:23:48,900

because it's a kid but I knew at the

1673

01:23:53,560 --> 01:23:51,840

time what he was saying was wrong wasn't

1674

01:23:56,870 --> 01:23:53,570

the truth

1675

01:23:57,950 --> 01:23:56,880

well someone want to know in chat have

1676

01:24:02,260 --> 01:23:57,960

you ever seen

1677

01:24:08,090 --> 01:24:02,270

UFO yourself yes we didn't want o

1678

01:24:11,960 --> 01:24:08,100

describe we'll all of my family has the

1679

01:24:17,510 --> 01:24:11,970

one that well the one that I saw was

1680

01:24:21,740 --> 01:24:17,520

over over our home at one time and we

1681

01:24:24,410 --> 01:24:21,750

had been out playing and we came back in

1682

01:24:30,310 --> 01:24:24,420

there different four of us I have two

1683

01:24:35,270 --> 01:24:30,320

sisters and a brother and I remember I

1684

01:24:37,730 --> 01:24:35,280

get it by feeling I feel more than

1685

01:24:41,420 --> 01:24:37,740

anything because there is there's an

1686

01:24:45,590 --> 01:24:41,430

intensity and a vibration to it that is

1687

01:24:51,200 --> 01:24:45,600

very very hard to ignore if you've ever

1688

01:24:54,860 --> 01:24:51,210

heard it or felt it so I felt bad and I

1689

01:24:58,460 --> 01:24:54,870

knew that one was either there was

1690

01:25:00,740 --> 01:24:58,470

coming and so I didn't want to alarm

1691

01:25:07,250 --> 01:25:00,750

anybody else in case I was wrong and I

1692

01:25:10,580 --> 01:25:07,260

stepped outside onto the porch and way

1693

01:25:12,740 --> 01:25:10,590

with quite a ways from me so it didn't

1694

01:25:16,760 --> 01:25:12,750

appear to be as large as it probably was

1695

01:25:21,050 --> 01:25:16,770

and I was young anyway but I saw one go

1696

01:25:24,170 --> 01:25:21,060

skimming across the sky above tree level

1697

01:25:29,780 --> 01:25:24,180

and as I looked up the minute I caught

1698

01:25:33,530 --> 01:25:29,790

my eye in that range it was gone within

1699

01:25:38,450 --> 01:25:33,540

a blink of the eye Wow

1700

01:25:42,380 --> 01:25:38,460

well interesting so when when you're

1701

01:25:45,470 --> 01:25:42,390

you're your grandfather when he was

1702

01:25:50,510 --> 01:25:45,480

describing you know being there on the

1703

01:25:52,430 --> 01:25:50,520

site and he saw that this crash was open

1704

01:25:54,110 --> 01:25:52,440

you know that the craft was actually

1705

01:25:54,470 --> 01:25:54,120

open or broken open or something like

1706

01:25:56,870 --> 01:25:54,480

that

1707

01:25:59,240 --> 01:25:56,880

did he ever say

1708

01:26:02,660 --> 01:25:59,250

the size of it about you know like it

1709

01:26:05,030 --> 01:26:02,670

looked like it was a 30 feet wide or did

1710

01:26:11,860 --> 01:26:05,040

he ever talk about how they didn't give

1711

01:26:17,690 --> 01:26:16,100

don't know that I don't remember my dad

1712

01:26:20,510 --> 01:26:17,700

even mentioning it I don't think it was

1713

01:26:22,400 --> 01:26:20,520

ever mention Olympics between the two of

1714

01:26:24,650 --> 01:26:22,410

them privately we didn't ever hear about

1715

01:26:28,700 --> 01:26:24,660

it and did he ever say how far off of

1716

01:26:31,520 --> 01:26:28,710

the main road that it was were they were

1717

01:26:34,970 --> 01:26:31,530

they went to it they had gone he said

1718

01:26:39,110 --> 01:26:34,980

about Oh between 13 and 15 miles outside

1719

01:26:43,040 --> 01:26:39,120

of town and then they parked on the side

1720

01:26:47,630 --> 01:26:43,050

of the road and went into the field

1721

01:26:50,270 --> 01:26:47,640

about a quarter to half a mile in to the

1722

01:26:53,690 --> 01:26:50,280

wreckage to where it should happen and

1723

01:26:56,210 --> 01:26:53,700

did they ever anyone ever say to him how

1724

01:26:57,890 --> 01:26:56,220

they found this I mean was there any

1725

01:27:00,650 --> 01:26:57,900

casual conversation or was it all just

1726

01:27:02,630 --> 01:27:00,660

you go there you bless the parties and

1727

01:27:04,790 --> 01:27:02,640

you leave it was at that type of thing

1728

01:27:07,430 --> 01:27:04,800

no I think he had a little bit of

1729

01:27:09,050 --> 01:27:07,440

conversation with the the owners of the

1730

01:27:11,570 --> 01:27:09,060

property because they were standing out

1731

01:27:13,940 --> 01:27:11,580

there I mean they were already there

1732

01:27:21,320 --> 01:27:16,540

yeah they had walked down from the house

1733

01:27:26,270 --> 01:27:21,330

and a farming family and man and wife

1734

01:27:30,230 --> 01:27:26,280

and you know they were concerned and he

1735

01:27:33,260 --> 01:27:30,240

was just I think from what grandma said

1736

01:27:38,590 --> 01:27:33,270

that granddad told her that he was kind

1737

01:27:41,540 --> 01:27:38,600

of like in shock he didn't say very much

1738

01:27:43,460 --> 01:27:41,550

but but the look on his face granddad

1739

01:27:46,150 --> 01:27:43,470

was a little concerned about he and his

1740

01:27:48,290 --> 01:27:46,160

wife both that you know they just

1741

01:27:51,800 --> 01:27:48,300

couldn't accept what they were saying

1742

01:27:56,210 --> 01:27:51,810

just just hard to accept right right

1743

01:27:58,610 --> 01:27:56,220

well I mean it's just completely out of

1744

01:28:01,340 --> 01:27:58,620

you know the realm of what you would

1745

01:28:02,780 --> 01:28:01,350

expect to see so it's really it's really

1746

01:28:03,950 --> 01:28:02,790

hard to get your head around when you

1747

01:28:07,170 --> 01:28:03,960

see something like that it certainly

1748

01:28:10,230 --> 01:28:07,180

absolutely could be in shock

1749

01:28:13,080 --> 01:28:10,240

so you're not the first person on the

1750

01:28:15,390 --> 01:28:13,090

show that has said that they have felt

1751

01:28:18,240 --> 01:28:15,400

like there was going to be you know a

1752

01:28:21,300 --> 01:28:18,250

sighting or a UFO but but why did you

1753

01:28:23,280 --> 01:28:21,310

why did you hold back on on why do you

1754

01:28:25,980 --> 01:28:23,290

think you held back on not telling

1755

01:28:29,670 --> 01:28:25,990

anyone like when you had that feeling

1756

01:28:31,470 --> 01:28:29,680

did you we embarrassed about it or oh no

1757

01:28:35,540 --> 01:28:31,480

no I wasn't embarrassed about it I

1758

01:28:39,810 --> 01:28:35,550

didn't think about any of that yes it's

1759

01:28:42,270 --> 01:28:39,820

it's like your mindset changes and

1760

01:28:45,120 --> 01:28:42,280

you're not really thinking of what you

1761

01:28:49,140 --> 01:28:45,130

ordinarily would it your mind is not

1762

01:28:51,150 --> 01:28:49,150

that of a regular person okay it's the

1763

01:28:54,390 --> 01:28:51,160

best way I know how to describe it

1764

01:28:56,370 --> 01:28:54,400

uh-huh and did you the part where you

1765

01:28:59,610 --> 01:28:56,380

told us about you know your sister just

1766

01:29:01,200 --> 01:28:59,620

completely I don't know if it's denying

1767

01:29:03,720 --> 01:29:01,210

it or do you think that she totally

1768

01:29:06,510 --> 01:29:03,730

forgot I mean I mean like it was like no

1769

01:29:08,490 --> 01:29:06,520

I think it had been wiped me out of her

1770

01:29:12,240 --> 01:29:08,500

mind like it never happened because my

1771

01:29:15,210 --> 01:29:12,250

sister we we couldn't tell each other a

1772

01:29:17,250 --> 01:29:15,220

lie or a story I mean if we were that

1773

01:29:19,020 --> 01:29:17,260

transparent with each other and it was

1774

01:29:21,090 --> 01:29:19,030

just like I could tell it was like all

1775

01:29:24,090 --> 01:29:21,100

of a sudden nobody was home uh-huh

1776

01:29:26,760 --> 01:29:24,100

you know just the eyes kind of like

1777

01:29:30,000 --> 01:29:26,770

glazed over and she looked at me like

1778

01:29:33,930 --> 01:29:30,010

who are you what are you talking about

1779

01:29:37,230 --> 01:29:33,940

and so I I didn't push it at the time

1780

01:29:39,450 --> 01:29:37,240

and I didn't want to know what was in my

1781

01:29:42,030 --> 01:29:39,460

missing time for a long long time and I

1782

01:29:45,510 --> 01:29:42,040

didn't trust your mind is a very

1783

01:29:49,020 --> 01:29:45,520

important thing to guard and I didn't

1784

01:29:53,580 --> 01:29:49,030

want just anybody they hypnotized me at

1785

01:29:56,250 --> 01:29:53,590

one point I was had thought about having

1786

01:29:58,680 --> 01:29:56,260

Budd Hopkins I would have pressed adhere

1787

01:30:01,800 --> 01:29:58,690

and he but he was sick at the time and

1788

01:30:03,270 --> 01:30:01,810

the last time I talked with Stan I

1789

01:30:06,200 --> 01:30:03,280

hadn't heard from him and I did more to

1790

01:30:11,220 --> 01:30:06,210

bother him and and so Stan said he

1791

01:30:14,460 --> 01:30:11,230

contacted him he was very sick but I was

1792

01:30:17,250 --> 01:30:14,470

regressed one time and had one

1793

01:30:18,979 --> 01:30:17,260

experience come through a little bit and

1794

01:30:22,040 --> 01:30:18,989

that was enough for me

1795

01:30:24,290 --> 01:30:22,050

I bet I mean that's that's something a

1796

01:30:28,580 --> 01:30:24,300

lot of people are very reluctant to do

1797

01:30:31,340 --> 01:30:28,590

and and I totally get that and you know

1798

01:30:33,200 --> 01:30:31,350

I I'm not sure if something like half

1799

01:30:37,970 --> 01:30:33,210

that happened to me I think I would

1800

01:30:39,800 --> 01:30:37,980

probably be the same way I'm sorry I

1801
01:30:42,920 --> 01:30:39,810
mean I'm in a hotel room and my dog

1802
01:30:46,070 --> 01:30:42,930
keeps barking I do apologize for that

1803
01:30:47,150 --> 01:30:46,080
okay I can't do anything about that

1804
01:30:50,330 --> 01:30:47,160
right now

1805
01:30:54,170 --> 01:30:50,340
yeah can you talk about the more about

1806
01:30:57,080 --> 01:30:54,180
what you consider the gifts that your

1807
01:31:02,150 --> 01:30:57,090
family there avoids what about you what

1808
01:31:05,300 --> 01:31:02,160
well yes for the last no 35 years of my

1809
01:31:07,700 --> 01:31:05,310
life um we used to do what my mother

1810
01:31:10,310 --> 01:31:07,710
called fortunate Helen you know she her

1811
01:31:12,080 --> 01:31:10,320
and grandma used to deck of cards and

1812
01:31:13,940 --> 01:31:12,090
they would shuffle cards and they would

1813
01:31:16,190 --> 01:31:13,950

give what they called readings to people

1814

01:31:18,080 --> 01:31:16,200

and tell them about their future that

1815

01:31:20,060 --> 01:31:18,090

had more to do with my grandma and her

1816

01:31:25,750 --> 01:31:20,070

Native American side than it did

1817

01:31:32,270 --> 01:31:25,760

anything else but I when I came in I

1818

01:31:36,170 --> 01:31:32,280

touch people if I touch you I can tell

1819

01:31:38,690 --> 01:31:36,180

you if a person is genuine if they're

1820

01:31:43,610 --> 01:31:38,700

lying to you if they're not really

1821

01:31:45,290 --> 01:31:43,620

connected if you will oftentimes I have

1822

01:31:49,670 --> 01:31:45,300

a lot of people they'll say well is

1823

01:31:51,560 --> 01:31:49,680

so-and-so real for real can I go and pay

1824

01:31:55,640 --> 01:31:51,570

my money to that person if I can touch

1825

01:31:58,100 --> 01:31:55,650

him I can tell you and and I read do

1826

01:32:02,570 --> 01:31:58,110

readings for people and have for the

1827

01:32:04,040 --> 01:32:02,580

last 30 years by touch I'm not saying

1828

01:32:06,020 --> 01:32:04,050

that there aren't other people that are

1829

01:32:11,030 --> 01:32:06,030

psychic they have those abilities

1830

01:32:13,790 --> 01:32:11,040

I'm just not mind and then at different

1831

01:32:15,530 --> 01:32:13,800

times when situations come up I have

1832

01:32:17,270 --> 01:32:15,540

worked with the police for missing

1833

01:32:21,680 --> 01:32:17,280

people people bring me

1834

01:32:25,520 --> 01:32:21,690

oh yes if you bring me something that I

1835

01:32:29,270 --> 01:32:25,530

can touch that was the person I can give

1836

01:32:32,540 --> 01:32:29,280

you information about them

1837

01:32:34,820 --> 01:32:32,550

and I don't like to do those cases

1838

01:32:38,570 --> 01:32:34,830

because you you share that space and you

1839

01:32:41,120 --> 01:32:38,580

go through some of it but if God tells

1840

01:32:47,930 --> 01:32:41,130

me to do it I do it so I do that

1841

01:32:53,240 --> 01:32:47,940

occasionally and I can take information

1842

01:32:55,220 --> 01:32:53,250

I had to learn to put energy around me

1843

01:32:57,740 --> 01:32:55,230

and protection around me so that when I

1844

01:33:03,560 --> 01:32:57,750

go somewhere like Walmart I don't pick

1845

01:33:07,160 --> 01:33:03,570

up everything everybody's stuff so you

1846

01:33:10,220 --> 01:33:07,170

know it's it's a gift in one way in

1847

01:33:12,110 --> 01:33:10,230

another way it's not always wonderful to

1848

01:33:18,740 --> 01:33:12,120

know things that you know you're not

1849

01:33:22,120 --> 01:33:18,750

supposed to know but it's it's I have it

1850

01:33:24,560 --> 01:33:22,130

and I've learned that the you know

1851

01:33:26,930 --> 01:33:24,570

jargon that goes with it as far as I

1852

01:33:29,110 --> 01:33:26,940

didn't know what psychometry was I don't

1853

01:33:32,560 --> 01:33:29,120

know what it is all I knew was somebody

1854

01:33:35,390 --> 01:33:32,570

put a picture in my hand one time and

1855

01:33:40,010 --> 01:33:35,400

immediately I began to see pictures just

1856

01:33:42,380 --> 01:33:40,020

like watching them a movie screen and

1857

01:33:44,270 --> 01:33:42,390

you know I relayed that information I

1858

01:33:46,550 --> 01:33:44,280

have a lot of minute come to me for

1859

01:33:49,670 --> 01:33:46,560

investments it's not just all psychic

1860

01:33:53,080 --> 01:33:49,680

stuff I mean it's everyday nuts in both

1861

01:33:54,520 --> 01:33:53,090

things that they that they want to know

1862

01:33:56,720 --> 01:33:54,530

[Music]

1863

01:33:59,090 --> 01:33:56,730

someone in chat we've already touched on

1864

01:34:02,650 --> 01:33:59,100

this a little bit but maybe we can talk

1865

01:34:05,960 --> 01:34:02,660

a little bit more have you looked into

1866

01:34:09,140 --> 01:34:05,970

cases that were you know like Travis

1867

01:34:11,060 --> 01:34:09,150

Walton in Betty and Barney Hill cases

1868

01:34:13,160 --> 01:34:11,070

like that have you paid attention to

1869

01:34:18,200 --> 01:34:13,170

those things you know I'm not a

1870

01:34:19,610 --> 01:34:18,210

researcher I'm an experienced and and

1871

01:34:22,730 --> 01:34:19,620

they're different and they all have

1872

01:34:27,020 --> 01:34:22,740

their place I know that Travis the first

1873

01:34:29,900 --> 01:34:27,030

time I met him and I touched him I made

1874

01:34:32,840 --> 01:34:29,910

him cry and I cried I didn't mean to

1875

01:34:35,690 --> 01:34:32,850

make him cry but there is that I think

1876

01:34:38,930 --> 01:34:35,700

it's that soul knowingness that you've

1877

01:34:42,620 --> 01:34:38,940

been where they are my question to him

1878

01:34:43,129 --> 01:34:42,630

was I was not prepared for the politics

1879

01:34:45,379 --> 01:34:43,139

and

1880

01:34:48,200 --> 01:34:45,389

all the stuff that goes along with this

1881

01:34:51,169 --> 01:34:48,210

kind of stuff I didn't know it existed

1882

01:34:53,120 --> 01:34:51,179

and so many people had been you know

1883

01:34:55,459 --> 01:34:53,130

trying to get me to change when it

1884

01:34:58,129 --> 01:34:55,469

happened it changed this and to change

1885

01:35:01,209 --> 01:34:58,139

that and I asked him did that happen to

1886

01:35:06,129 --> 01:35:01,219

him and he looked at me and he said a

1887

01:35:09,439 --> 01:35:06,139

holder time stay true to your truth and

1888

01:35:12,470 --> 01:35:09,449

there's a bond for me I haven't talked

1889

01:35:14,060 --> 01:35:12,480

to him about it at all and I don't mean

1890

01:35:16,490 --> 01:35:14,070

to imply that we're close friends were

1891

01:35:19,070 --> 01:35:16,500

not but I have been where he's I had not

1892

01:35:21,590 --> 01:35:19,080

heard him speak and I've touched him and

1893

01:35:24,919 --> 01:35:21,600

there's just something that when I see

1894

01:35:27,020 --> 01:35:24,929

him it's like seeing the truth in

1895

01:35:30,350 --> 01:35:27,030

another person I mean the truth to the

1896

01:35:33,220 --> 01:35:30,360

depth of what it is he knows well I'll

1897

01:35:36,320 --> 01:35:33,230

tell you I have never felt anything but

1898

01:35:39,649 --> 01:35:36,330

honesty and you know sitting across from

1899

01:35:41,479 --> 01:35:39,659

him talking to him the best time not

1900

01:35:43,760 --> 01:35:41,489

talking on the show the best time I sat

1901

01:35:45,649 --> 01:35:43,770

I was at a conference that he was at and

1902

01:35:48,229 --> 01:35:45,659

he and I were sitting in a back room

1903

01:35:50,419 --> 01:35:48,239

right by a restaurant door where the

1904

01:35:52,010 --> 01:35:50,429

waitstaff was going in and out and we

1905

01:35:54,229 --> 01:35:52,020

sat there for about a couple hours and

1906

01:35:57,169 --> 01:35:54,239

just talked about other things and then

1907

01:36:00,649 --> 01:35:57,179

we got it real deep you know some really

1908

01:36:04,669 --> 01:36:00,659

deep conversations and you know off the

1909

01:36:08,740 --> 01:36:04,679

record that I think Travis is a hundred

1910

01:36:11,899 --> 01:36:08,750

percent legit myself and absolutely yeah

1911

01:36:15,439 --> 01:36:11,909

and when he lost his brother he did I

1912

01:36:20,240 --> 01:36:15,449

mean his brother was his his you know

1913

01:36:23,510 --> 01:36:20,250

rock for him and and you know that

1914

01:36:25,399 --> 01:36:23,520

happens with a lot of people when you

1915

01:36:27,859 --> 01:36:25,409

know somebody and you know that they are

1916

01:36:30,080 --> 01:36:27,869

real to the core and the soul of who

1917

01:36:32,390 --> 01:36:30,090

they are when you lose them you really

1918

01:36:33,910 --> 01:36:32,400

lost something I experienced that with

1919

01:36:40,459 --> 01:36:33,920

Jim Marrs

1920

01:36:40,939 --> 01:36:40,469

one time he's a nice guy he was fun to

1921

01:36:45,229 --> 01:36:40,949

talk to

1922

01:36:47,750 --> 01:36:45,239

yeah yeah he was well you know he made a

1923

01:36:50,390 --> 01:36:47,760

joke of just about everything and

1924

01:36:53,209 --> 01:36:50,400

several times he would say sure it what

1925

01:36:55,700 --> 01:36:53,219

why do I not get approached this way or

1926

01:36:56,899 --> 01:36:55,710

that way and I'd say Jim you don't even

1927

01:36:59,419 --> 01:36:56,909

know that

1928

01:37:01,250 --> 01:36:59,429

you of who you are and if you don't know

1929

01:37:04,280 --> 01:37:01,260

it you know other people are not going

1930

01:37:07,189 --> 01:37:04,290

to really don't respect that did they

1931

01:37:09,550 --> 01:37:07,199

take it as a joke and he was shaky said

1932

01:37:13,370 --> 01:37:09,560

he said just too much of a good old boy

1933

01:37:18,020 --> 01:37:13,380

and that was him yeah he was a Texan -

1934

01:37:21,350 --> 01:37:18,030

and did you and every other we didn't

1935

01:37:22,910 --> 01:37:21,360

well maybe 80 some miles close enough

1936

01:37:25,310 --> 01:37:22,920

that he would come here for his reading

1937

01:37:28,370 --> 01:37:25,320

sometimes I'd go spend the weekend at

1938

01:37:33,080 --> 01:37:28,380

his house and when he passed we we shot

1939

01:37:35,060 --> 01:37:33,090

some of his ashes out of a cannon oh

1940

01:37:36,500 --> 01:37:35,070

he's quite he was quite the character

1941

01:37:39,770 --> 01:37:36,510

quite the character

1942

01:37:44,720 --> 01:37:39,780

yeah interesting interesting going back

1943

01:37:46,879 --> 01:37:44,730

to going back to this case as far as you

1944

01:37:49,879 --> 01:37:46,889

know has anyone else that was on that

1945

01:37:54,200 --> 01:37:49,889

site talked about you know any other

1946

01:37:57,320 --> 01:37:54,210

witness talked about what they saw not

1947

01:37:59,510 --> 01:37:57,330

not firsthand no that not that I'm aware

1948

01:38:03,080 --> 01:37:59,520

of the closest that there has been is

1949

01:38:05,479 --> 01:38:03,090

that when Ryan wood did some of his

1950

01:38:09,250 --> 01:38:05,489

research for the book that that I was

1951

01:38:12,410 --> 01:38:09,260

aware of it and agreed to let him do

1952

01:38:17,090 --> 01:38:12,420

would have been the son of the sheriff

1953

01:38:19,820 --> 01:38:17,100

at the time and it was that he he didn't

1954

01:38:24,919 --> 01:38:19,830

have first-hand knowledge but he said he

1955

01:38:30,709 --> 01:38:24,929

did remember hearing of a crashed UFO

1956

01:38:32,990 --> 01:38:30,719

and and little people and that would be

1957

01:38:35,840 --> 01:38:33,000

the only one that I'm aware of

1958

01:38:38,870 --> 01:38:35,850

now I don't know what research I haven't

1959

01:38:42,830 --> 01:38:38,880

I haven't you know after he did the book

1960

01:38:45,860 --> 01:38:42,840

oh he went on to other things and so did

1961

01:38:48,560 --> 01:38:45,870

I but he could have gotten more

1962

01:38:52,760 --> 01:38:48,570

information because he had a website up

1963

01:38:55,120 --> 01:38:52,770

for people to contact him but I haven't

1964

01:38:59,060 --> 01:38:55,130

heard from him that he found anybody

1965

01:39:01,189 --> 01:38:59,070

yeah with first-hand information you

1966

01:39:04,100 --> 01:39:01,199

know it was also different times when

1967

01:39:06,439 --> 01:39:04,110

back then you know of course this was

1968

01:39:08,979 --> 01:39:06,449

just when the war was getting ready to

1969

01:39:10,520 --> 01:39:08,989

start at the end of the same year

1970

01:39:12,140 --> 01:39:10,530

everyone list

1971

01:39:14,060 --> 01:39:12,150

and to the government of the government

1972

01:39:18,190 --> 01:39:14,070

somewhere from the oh yeah he said you

1973

01:39:20,330 --> 01:39:18,200

know you don't talk about this they

1974

01:39:23,270 --> 01:39:20,340

absolutely didn't it was a different

1975

01:39:25,130 --> 01:39:23,280

time I don't know why today if this

1976

01:39:27,050 --> 01:39:25,140

happened there'd be I phone snapping

1977

01:39:29,960 --> 01:39:27,060

away and you'd be on Instagram and

1978

01:39:32,870 --> 01:39:29,970

everything else wouldn't be possible in

1979

01:39:36,290 --> 01:39:32,880

this day and time that's right yeah it

1980

01:39:39,260 --> 01:39:36,300

just wouldn't yeah yeah that would it

1981

01:39:41,570 --> 01:39:39,270

would just be a viral thing but so we

1982

01:39:44,900 --> 01:39:41,580

have we have just about ten minutes left

1983

01:39:46,730 --> 01:39:44,910

and okay so I don't know if this at this

1984

01:39:49,460 --> 01:39:46,740

point you know I could take some

1985

01:39:55,790 --> 01:39:49,470

questions in from the chat room but if

1986

01:39:58,820 --> 01:39:55,800

if you think that besides Blake

1987

01:40:00,860 --> 01:39:58,830

Paul Blake Smith's book what are some

1988

01:40:02,900 --> 01:40:00,870

other misconceptions who said there was

1989

01:40:04,190 --> 01:40:02,910

a lot out there that was you know a lot

1990

01:40:05,390 --> 01:40:04,200

of people out there that were telling

1991

01:40:08,090 --> 01:40:05,400

the story and they were telling it wrong

1992

01:40:10,160 --> 01:40:08,100

or telling your story wrong well some of

1993

01:40:12,410 --> 01:40:10,170

its little things and some of its bigger

1994

01:40:14,270 --> 01:40:12,420

things like and I've seen it printed

1995

01:40:16,190 --> 01:40:14,280

everywhere that granddad went out to

1996

01:40:20,150 --> 01:40:16,200

give last rites he was Baptist they

1997

01:40:25,070 --> 01:40:20,160

don't do less right does right yeah

1998

01:40:27,050 --> 01:40:25,080

that's Catholic and you know it they can

1999

01:40:28,610 --> 01:40:27,060

be as small as that and when I read that

2000

01:40:31,490 --> 01:40:28,620

it's like well they they don't really

2001
01:40:35,170 --> 01:40:31,500
know what they're talking about they've

2002
01:40:39,200 --> 01:40:35,180
read some of the other stuff and

2003
01:40:42,110 --> 01:40:39,210
misconceptions of the the number of

2004
01:40:44,270 --> 01:40:42,120
people that were there like they say

2005
01:40:46,750 --> 01:40:44,280
that the picture was two policemen

2006
01:40:50,510 --> 01:40:46,760
holding the alien up no it wasn't at all

2007
01:40:54,680 --> 01:40:50,520
I only know of the police in connection

2008
01:40:58,310 --> 01:40:54,690
with who came and picked up my granddad

2009
01:41:00,800 --> 01:40:58,320
was was from the police department and

2010
01:41:04,100 --> 01:41:00,810
it had been mentioned at one place that

2011
01:41:05,660 --> 01:41:04,110
the FBI was there no they weren't the

2012
01:41:08,600 --> 01:41:05,670
only people that were there were the

2013
01:41:10,730 --> 01:41:08,610

people from the farmhouse one or two

2014

01:41:12,890 --> 01:41:10,740

neighbors which there weren't many

2015

01:41:17,180 --> 01:41:12,900

because it was property was not close

2016

01:41:24,030 --> 01:41:17,190

not like houses next door and things and

2017

01:41:27,090 --> 01:41:24,040

I think probably that where the

2018

01:41:30,510 --> 01:41:27,100

radio choose a police like the newspaper

2019

01:41:33,210 --> 01:41:30,520

will pick those things up a few people

2020

01:41:35,790 --> 01:41:33,220

like that but there probably was is I've

2021

01:41:40,860 --> 01:41:35,800

heard in read that there were lots of

2022

01:41:47,240 --> 01:41:40,870

people there there wasn't maybe top 15

2023

01:41:51,000 --> 01:41:47,250

does that many sometimes the the time

2024

01:41:52,980 --> 01:41:51,010

being earlier I've had some that I've

2025

01:41:57,150 --> 01:41:52,990

read that they've got it in different

2026

01:42:01,260 --> 01:41:57,160

towns that they're close but not where

2027

01:42:04,740 --> 01:42:01,270

my granddad's was so they'll have

2028

01:42:09,390 --> 01:42:04,750

different locations they'll have

2029

01:42:12,840 --> 01:42:09,400

different times of the day this was at

2030

01:42:15,180 --> 01:42:12,850

night you know I don't think anybody

2031

01:42:20,700 --> 01:42:15,190

would think 9:00 or 9:30 at night is

2032

01:42:25,530 --> 01:42:20,710

like fix or five or six you know just

2033

01:42:27,930 --> 01:42:25,540

things like that one of the questions

2034

01:42:31,650 --> 01:42:27,940

that always seems to come up and and a

2035

01:42:33,840 --> 01:42:31,660

question that I have to is a crash why a

2036

01:42:35,790 --> 01:42:33,850

crash I mean of course you have no

2037

01:42:39,420 --> 01:42:35,800

answer I have no answer but it is

2038

01:42:42,890 --> 01:42:39,430

curious as to why a craft would crash to

2039

01:42:46,580 --> 01:42:42,900

begin with especially if it if it was

2040

01:42:49,320 --> 01:42:46,590

from an alien planet or some other place

2041

01:42:50,820 --> 01:42:49,330

of course we really don't I don't think

2042

01:42:54,330 --> 01:42:50,830

there's anyone that really knows for

2043

01:42:58,920 --> 01:42:54,340

sure where these things or wherever or

2044

01:43:01,440 --> 01:42:58,930

whatever are coming from but still it is

2045

01:43:05,450 --> 01:43:01,450

a curious thing why a craft would if it

2046

01:43:08,430 --> 01:43:05,460

did travel you know such a long distance

2047

01:43:13,140 --> 01:43:08,440

how it would crash on the earth that is

2048

01:43:16,710 --> 01:43:13,150

a bizarre well I don't find it being so

2049

01:43:18,750 --> 01:43:16,720

bizarre you know there is no such thing

2050

01:43:20,250 --> 01:43:18,760

as perfection I don't care how many

2051
01:43:23,670 --> 01:43:20,260
years you've been around or how

2052
01:43:28,160 --> 01:43:23,680
intelligent you've become there is no

2053
01:43:31,710 --> 01:43:28,170
perfection and so things can go wrong

2054
01:43:34,470 --> 01:43:31,720
the fact that they travel that far would

2055
01:43:36,960 --> 01:43:34,480
to me say the possibility of something

2056
01:43:39,229 --> 01:43:36,970
happened Rises

2057
01:43:44,750 --> 01:43:39,239
rather than

2058
01:43:51,239 --> 01:43:44,760
and not knowing what their propulsion is

2059
01:43:55,890 --> 01:43:51,249
I know in the 60s you know they there's

2060
01:43:58,649 --> 01:43:55,900
a colony under Manchester they're all

2061
01:44:03,719 --> 01:43:58,659
over it has to do with a lot of times

2062
01:44:08,120 --> 01:44:03,729
the the pads and how they run with with

2063
01:44:10,169 --> 01:44:08,130

actual impulses the the grids the

2064

01:44:13,620 --> 01:44:10,179

electronic grids

2065

01:44:16,770 --> 01:44:13,630

many things can go wrong and so I can't

2066

01:44:17,969 --> 01:44:16,780

see why they wouldn't okay well it's

2067

01:44:22,609 --> 01:44:17,979

always good to hear a different

2068

01:44:25,049 --> 01:44:22,619

perspective on that in particular and I

2069

01:44:28,979 --> 01:44:25,059

you know it's just it's just a thought

2070

01:44:31,259 --> 01:44:28,989

and and you know it has anyone that

2071

01:44:34,560 --> 01:44:31,269

you've talked to ever thought it could

2072

01:44:36,270 --> 01:44:34,570

be something else besides aliens or do

2073

01:44:38,939 --> 01:44:36,280

you think that's kind of the direction

2074

01:44:40,799 --> 01:44:38,949

that this the thoughts were on the

2075

01:44:43,129 --> 01:44:40,809

people that interviewed you and you have

2076

01:44:50,060 --> 01:44:43,139

spoken with over the years about this

2077

01:44:53,100 --> 01:44:50,070

I've never had anybody go that direction

2078

01:44:56,120 --> 01:44:53,110

the majority of the people that I've

2079

01:45:01,439 --> 01:44:56,130

talked to believe that that's the case

2080

01:45:04,169 --> 01:45:01,449

because it's it has to do with not just

2081

01:45:07,819 --> 01:45:04,179

what is in front of you but what are you

2082

01:45:12,239 --> 01:45:07,829

feeling because we we are a

2083

01:45:15,930 --> 01:45:12,249

multi-faceted and we're more than human

2084

01:45:19,549 --> 01:45:15,940

beings we're only 50 percent human the

2085

01:45:23,160 --> 01:45:19,559

other 50% is is the spiritual side of us

2086

01:45:25,109 --> 01:45:23,170

and that you know there there are no

2087

01:45:29,700 --> 01:45:25,119

boundaries to that and if you and if you

2088

01:45:31,799 --> 01:45:29,710

I started out and I followed all the

2089

01:45:35,129 --> 01:45:31,809

major religious I attend the Department

2090

01:45:39,149 --> 01:45:35,139

of the world religions for 1993 there

2091

01:45:41,009 --> 01:45:39,159

was 128 religions represented and when

2092

01:45:43,140 --> 01:45:41,019

you get into the nuts and bolts of all

2093

01:45:46,009 --> 01:45:43,150

of them there is a thread that runs

2094

01:45:50,759 --> 01:45:46,019

between them that is who we all are

2095

01:45:52,330 --> 01:45:50,769

where we all come from and so you know

2096

01:45:54,820 --> 01:45:52,340

knowing that there

2097

01:45:57,820 --> 01:45:54,830

not like us they don't look like this if

2098

01:46:00,370 --> 01:45:57,830

you have any kind of contact you realize

2099

01:46:05,080 --> 01:46:00,380

that and it's the feeling that you get

2100

01:46:07,689 --> 01:46:05,090

in your soul that this is extremely

2101

01:46:09,370 --> 01:46:07,699

different it's not like you go to

2102

01:46:11,500 --> 01:46:09,380

another country and you see yes people

2103

01:46:17,649 --> 01:46:11,510

who look different than you do there is

2104

01:46:20,080 --> 01:46:17,659

a feeling of that difference on the

2105

01:46:24,490 --> 01:46:20,090

degree in that level that it can't be

2106

01:46:26,910 --> 01:46:24,500

from here hard to explain it's more

2107

01:46:30,910 --> 01:46:26,920

about feeling than it is explaining it

2108

01:46:35,439 --> 01:46:30,920

sure going back to what you said earlier

2109

01:46:38,189 --> 01:46:35,449

about staying up until you know locking

2110

01:46:42,100 --> 01:46:38,199

yourself in the bathroom yeah like yeah

2111

01:46:43,390 --> 01:46:42,110

did all of your experiences and from

2112

01:46:45,669 --> 01:46:43,400

what you knew of your sister's

2113

01:46:47,620 --> 01:46:45,679

experience just before she that all got

2114

01:46:51,280 --> 01:46:47,630

blanked out from her did everything

2115

01:46:53,680 --> 01:46:51,290

occur during the night time only it

2116

01:46:56,560 --> 01:46:53,690

didn't always but the majority of the

2117

01:47:02,350 --> 01:46:56,570

time it was worse at night there is it's

2118

01:47:06,729 --> 01:47:02,360

a lot easier to to travel to be out of

2119

01:47:10,839 --> 01:47:06,739

your body to have experiences when the

2120

01:47:14,530 --> 01:47:10,849

vibrational level of the human on the

2121

01:47:19,120 --> 01:47:14,540

earth is is at a lower point not as much

2122

01:47:21,129 --> 01:47:19,130

going on not as much to break that it

2123

01:47:24,479 --> 01:47:21,139

you can get through from the other side

2124

01:47:27,370 --> 01:47:24,489

if you will because I do a lot of

2125

01:47:29,850 --> 01:47:27,380

connecting families deceased loved ones

2126

01:47:32,680 --> 01:47:29,860

I do a lot of work with people who have

2127

01:47:35,290 --> 01:47:32,690

family that's committed suicide for them

2128

01:47:39,060 --> 01:47:35,300

to be able to reach through is much

2129

01:47:44,919 --> 01:47:39,070

easier when there's not as much of that

2130

01:47:48,939 --> 01:47:44,929

energy vibration so it's easier at night

2131

01:47:50,470 --> 01:47:48,949

than it is during the day but no there

2132

01:47:53,040 --> 01:47:50,480

are things that have happened in broad

2133

01:48:00,970 --> 01:47:58,870

and you know the this the situation with

2134

01:48:03,220 --> 01:48:00,980

your family you know you said you've got

2135

01:48:05,669 --> 01:48:03,230

to speak to your your grandmother I

2136

01:48:10,770 --> 01:48:05,679

don't know exactly when she she passed

2137

01:48:13,709 --> 01:48:10,780

before 1984 so it was a lot of talk you

2138

01:48:16,080 --> 01:48:13,719

know she saw all the UFO flaps going on

2139

01:48:18,419 --> 01:48:16,090

and stuff like that do you know did your

2140

01:48:21,540 --> 01:48:18,429

family pay attention to those things or

2141

01:48:23,610 --> 01:48:21,550

was this just something that you know

2142

01:48:24,810 --> 01:48:23,620

it's just the family situation that

2143

01:48:30,149 --> 01:48:24,820

happened and they didn't discuss

2144

01:48:32,370 --> 01:48:30,159

anything else okay when you say the UFO

2145

01:48:34,500 --> 01:48:32,380

flaps in regards to my grandmother I'm

2146

01:48:36,090 --> 01:48:34,510

not sure what you're speaking I'm just

2147

01:48:39,689 --> 01:48:36,100

saying there was a lot in the news you

2148

01:48:44,820 --> 01:48:42,330

oh no we didn't follow any of that you

2149

01:48:48,540 --> 01:48:44,830

didn't know no we didn't follow any of

2150

01:48:50,430 --> 01:48:48,550

that we didn't it's hard to imagine that

2151

01:48:54,209 --> 01:48:50,440

was an incident that happened in our

2152

01:48:58,320 --> 01:48:54,219

family and we kind of just put it up on

2153

01:49:02,330 --> 01:48:58,330

the shelf and you know other than the

2154

01:49:04,800 --> 01:49:02,340

fact that I continued to want to

2155

01:49:06,360 --> 01:49:04,810

validate it for myself

2156

01:49:09,959 --> 01:49:06,370

and that's all it was about was to

2157

01:49:13,560 --> 01:49:09,969

validate it for myself and then later to

2158

01:49:17,370 --> 01:49:13,570

see if it explained I was the way I was

2159

01:49:20,550 --> 01:49:17,380

in my life was the way it was we didn't

2160

01:49:22,919 --> 01:49:20,560

follow any of it in fact when the first

2161

01:49:26,070 --> 01:49:22,929

time that Stanton Friedman I called me

2162

01:49:29,580 --> 01:49:26,080

he got my number from Prince Stringfield

2163

01:49:32,189 --> 01:49:29,590

I didn't know who he was I had not heard

2164

01:49:34,590 --> 01:49:32,199

of him and I felt bad because you could

2165

01:49:38,220 --> 01:49:34,600

tell he it was hard for him to imagine

2166

01:49:39,870 --> 01:49:38,230

that I know who he was and so he sent me

2167

01:49:44,070 --> 01:49:39,880

a couple of his books and it's like oh

2168

01:49:46,020 --> 01:49:44,080

yeah I'd say me I called him in a weird

2169

01:49:49,500 --> 01:49:46,030

professor you know but no he didn't

2170

01:49:51,180 --> 01:49:49,510

follow it so far well Charlotte we're at

2171

01:49:53,700 --> 01:49:51,190

the end of the show I want to thank you

2172

01:49:54,689 --> 01:49:53,710

so much for for coming on it's well

2173

01:49:56,910 --> 01:49:54,699

you're very welcome

2174

01:49:58,979 --> 01:49:56,920

I appreciate the opportunity to kind of

2175

01:50:02,220 --> 01:49:58,989

set things straight because I think

2176
01:50:05,459 --> 01:50:02,230
people are owed the truth and it ought

2177
01:50:07,439 --> 01:50:05,469
to be what it is that's right I really

2178
01:50:09,810 --> 01:50:07,449
appreciate it and now maybe we'll see

2179
01:50:11,280 --> 01:50:09,820
you out there speaking you know getting

2180
01:50:11,760 --> 01:50:11,290
the story out more that would be nice

2181
01:50:14,879 --> 01:50:11,770
too

2182
01:50:17,820 --> 01:50:14,889
oh well in regards to that I've been

2183
01:50:18,819 --> 01:50:17,830
asked Alejandro has asked me to speak at

2184
01:50:22,540 --> 01:50:18,829

2185
01:50:25,119 --> 01:50:22,550

2186
01:50:26,770 --> 01:50:25,129

2187
