

**EARL GREY**

1  
00:00:13,900 --> 00:00:42,670

[Music]

2  
00:00:48,979 --> 00:00:46,640

hello and welcome to the show I'm Martin

3  
00:00:52,220 --> 00:00:48,989

Wilshire host and we have a great show

4  
00:00:53,930 --> 00:00:52,230

tonight actually this is the last of the

5  
00:00:56,240 --> 00:00:53,940

last time I think it's five weeks now

6  
00:00:58,400 --> 00:00:56,250

that I've been in hotel rooms and this

7  
00:01:00,680 --> 00:00:58,410

is the last time I'll be back at the

8  
00:01:02,240 --> 00:01:00,690

home studio coming up next week I'm

9  
00:01:03,469 --> 00:01:02,250

pretty excited about it even though I'll

10  
00:01:06,140 --> 00:01:03,479

be going back to snow

11  
00:01:08,630 --> 00:01:06,150

it'll still be great to be in the home

12  
00:01:12,140 --> 00:01:08,640

studio and have actually more control to

13  
00:01:14,830 --> 00:01:12,150

be able to do a better shows for you and

14

00:01:17,000 --> 00:01:14,840

we have some great ones coming up and

15

00:01:19,910 --> 00:01:17,010

speaking of that next week we have a

16

00:01:24,320 --> 00:01:19,920

Kevin day he was on the USS Nimitz as

17

00:01:26,719 --> 00:01:24,330

the radar radar person I don't under the

18

00:01:30,050 --> 00:01:26,729

radar tech I don't know what you call

19

00:01:33,020 --> 00:01:30,060

that awful operator radar operator thank

20

00:01:37,430 --> 00:01:33,030

you race so I want to hone up welcome

21

00:01:40,070 --> 00:01:37,440

everyone over at KCRA and on YouTube and

22

00:01:42,020 --> 00:01:40,080

I want to also thank all the support of

23

00:01:45,140 --> 00:01:42,030

the supporters of the show very much

24

00:01:47,960 --> 00:01:45,150

without you we couldn't have a show so I

25

00:01:50,540 --> 00:01:47,970

really do appreciate it and our guest

26

00:01:54,649 --> 00:01:50,550

tonight is Earl Grey he's in Southern

27

00:01:57,740 --> 00:01:54,659

California and he's a musician and he

28

00:01:58,940 --> 00:01:57,750

his mother had a quite an experience

29

00:02:01,399 --> 00:01:58,950

we're gonna be talking about all that

30

00:02:03,710 --> 00:02:01,409

and how he got interested in the topic

31

00:02:06,290 --> 00:02:03,720

and he's also a MUFON researcher and

32

00:02:10,899 --> 00:02:06,300

we'll talk about some California cases

33

00:02:13,430 --> 00:02:10,909

and you name it now just a quick update

34

00:02:14,750 --> 00:02:13,440

here Alejandro is a little under the

35

00:02:17,030 --> 00:02:14,760

weather so unfortunately he's not

36

00:02:20,210 --> 00:02:17,040

joining us this week he will be back

37

00:02:23,809 --> 00:02:20,220

next week so I just wanted to talk

38

00:02:26,479 --> 00:02:23,819

quickly I stopped over and saw a great

39

00:02:29,390 --> 00:02:26,489

friend from years ago decades ago he was

40

00:02:31,160 --> 00:02:29,400

my roommate and I visited him that's

41

00:02:36,320 --> 00:02:31,170

when I lived in Colorado many years ago

42

00:02:39,699 --> 00:02:36,330

and so we just were having a dinner time

43

00:02:41,990 --> 00:02:39,709

chat and one thing led to another and

44

00:02:44,600 --> 00:02:42,000

all of a sudden that

45

00:02:47,240 --> 00:02:44,610

topic of his mom was there and she

46

00:02:49,100 --> 00:02:47,250

actually follows me on Facebook and she

47

00:02:51,410 --> 00:02:49,110

says I really like the space stuff and I

48

00:02:54,620 --> 00:02:51,420

go oh you know cuz a lot of people will

49

00:02:57,290 --> 00:02:54,630

tag me and you know UFO related things

50

00:03:00,110 --> 00:02:57,300

so and I try to untag myself because I

51  
00:03:04,040 --> 00:03:00,120  
also have to maintain a you know

52  
00:03:05,390 --> 00:03:04,050  
professional for what I do so I I don't

53  
00:03:07,400 --> 00:03:05,400  
do too much of that on my own personal

54  
00:03:09,830 --> 00:03:07,410  
Facebook page but it still gets on there

55  
00:03:12,140 --> 00:03:09,840  
anyway she said she really likes that

56  
00:03:16,400 --> 00:03:12,150  
and I said Wow okay so I started talking

57  
00:03:20,380 --> 00:03:16,410  
about I'm doing a show on UFOs and so

58  
00:03:23,500 --> 00:03:20,390  
Larry's wife Renee told me some amazing

59  
00:03:25,520 --> 00:03:23,510  
sightings that she had she had three and

60  
00:03:27,650 --> 00:03:25,530  
when I was telling her I did a show on

61  
00:03:29,390 --> 00:03:27,660  
UFOs and you know some people think it's

62  
00:03:31,520 --> 00:03:29,400  
kind of out there and all that and she

63  
00:03:33,560 --> 00:03:31,530

like shook her head no and then she

64

00:03:36,140 --> 00:03:33,570

started telling me her experiences and

65

00:03:37,940 --> 00:03:36,150

one was really unique it it was

66

00:03:40,220 --> 00:03:37,950

something that actually came out she saw

67

00:03:41,630 --> 00:03:40,230

lights in a tree and it actually it was

68

00:03:45,140 --> 00:03:41,640

an object that came out of the

69

00:03:51,789 --> 00:03:45,150

treatments back in the 1970s and then

70

00:03:54,199 --> 00:03:51,799

she had other other encounters were one

71

00:03:56,449 --> 00:03:54,209

involved some police officers and that

72

00:03:58,970 --> 00:03:56,459

was really interesting they jumped in

73

00:04:01,910 --> 00:03:58,980

their car and left they didn't want to

74

00:04:04,970 --> 00:04:01,920

talk about it and then also she was up

75

00:04:07,430 --> 00:04:04,980

at a like a campfire you know years

76  
00:04:09,320 --> 00:04:07,440  
later and everyone around the campfire

77  
00:04:11,630 --> 00:04:09,330  
no one was drinking or smoking or

78  
00:04:14,030 --> 00:04:11,640  
anything and they had a great encounter

79  
00:04:15,229 --> 00:04:14,040  
as well right over their head it was

80  
00:04:19,699 --> 00:04:15,239  
just hovering right over there had a

81  
00:04:22,310 --> 00:04:19,709  
disc shaped object the object in the and

82  
00:04:23,870 --> 00:04:22,320  
the wood of the tree that she mentioned

83  
00:04:25,550 --> 00:04:23,880  
I don't really know the shape of that

84  
00:04:27,830 --> 00:04:25,560  
one in particular she said it was kind

85  
00:04:29,870 --> 00:04:27,840  
of small like the size of a table the

86  
00:04:31,969 --> 00:04:29,880  
one that she had where the police

87  
00:04:36,260 --> 00:04:31,979  
officers saw it looked like sort of like

88  
00:04:39,770 --> 00:04:36,270

a cylinder so that's really interesting

89

00:04:41,780 --> 00:04:39,780

to me and the latest one the last one

90

00:04:43,760 --> 00:04:41,790

she saw was more like a disc but anyway

91

00:04:47,390 --> 00:04:43,770

it was really fun to hear those stories

92

00:04:49,490 --> 00:04:47,400

so that's it for me again I want to

93

00:04:52,520 --> 00:04:49,500

thank everyone that helps out with the

94

00:04:55,340 --> 00:04:52,530

show and we are we're ready to bring in

95

00:04:57,140 --> 00:04:55,350

our guest Earl welcome to the show

96

00:04:58,820 --> 00:04:57,150

hi there Mardon how are you doing good

97

00:05:04,370 --> 00:04:58,830

you remember to unmute that's always

98

00:05:06,800 --> 00:05:04,380

good so Earl I've heard your name a lot

99

00:05:09,200 --> 00:05:06,810

and you know as you know I I help out

100

00:05:11,270 --> 00:05:09,210

Alejandro with his show and he had you

101  
00:05:14,660 --> 00:05:11,280  
on a while back I think he said

102  
00:05:17,090 --> 00:05:14,670  
something about a UFO researcher that

103  
00:05:20,690 --> 00:05:17,100  
rocks or something like that that was

104  
00:05:22,550 --> 00:05:20,700  
very nice yeah it was a while ago is

105  
00:05:26,030 --> 00:05:22,560  
about two and a half years ago or so

106  
00:05:28,850 --> 00:05:26,040  
that but but I bump into alejandro

107  
00:05:31,280 --> 00:05:28,860  
you know alien con we bumped into each

108  
00:05:33,020 --> 00:05:31,290  
other and you know yeah I see him at

109  
00:05:35,150 --> 00:05:33,030  
different event so I always keep in

110  
00:05:36,590 --> 00:05:35,160  
touch with that longer up yeah he's a

111  
00:05:38,510 --> 00:05:36,600  
great guy unfortunates under the weather

112  
00:05:41,450 --> 00:05:38,520  
but he'll be back sorry to hear that

113  
00:05:43,550 --> 00:05:41,460

yeah get back next week and so can you

114

00:05:44,990 --> 00:05:43,560

give the listeners never heard your

115

00:05:49,790 --> 00:05:45,000

story yeah basically your basic

116

00:05:53,420 --> 00:05:49,800

background if you would sure um well now

117

00:05:56,270 --> 00:05:53,430

I became a MUFON field investigator it's

118

00:06:01,010 --> 00:05:56,280

coming on for years now and in a couple

119

00:06:04,220 --> 00:06:01,020

of months it'll be four years and the

120

00:06:06,310 --> 00:06:04,230

way that this happened for me all my

121

00:06:09,410 --> 00:06:06,320

life I've been interested in

122

00:06:12,410 --> 00:06:09,420

extraterrestrial life and in outer space

123

00:06:15,860 --> 00:06:12,420

it's been sort of this obsession that

124

00:06:19,790 --> 00:06:15,870

I've had ever since I was a child now

125

00:06:23,720 --> 00:06:19,800

some of that may be and unequivocally it

126

00:06:26,560 --> 00:06:23,730

is because my mom back in the 1950s she

127

00:06:30,170 --> 00:06:26,570

worked for Howard Hughes the millionaire

128

00:06:33,440 --> 00:06:30,180

she worked for Hughes Aircraft she was

129

00:06:37,250 --> 00:06:33,450

one of his two private secretaries the

130

00:06:39,110 --> 00:06:37,260

way that she you know she had two

131

00:06:40,880 --> 00:06:39,120

secretaries that worked for him he had

132

00:06:44,540 --> 00:06:40,890

my mom and he had another woman who

133

00:06:46,040 --> 00:06:44,550

worked for him as well and they would

134

00:06:47,630 --> 00:06:46,050

communicate it was sort of like

135

00:06:51,230 --> 00:06:47,640

Charlie's Angels it would communicate

136

00:06:54,380 --> 00:06:51,240

over intercom Hughes at this point was a

137

00:06:55,910 --> 00:06:54,390

Rekluse he was he just didn't like to

138

00:06:59,570 --> 00:06:55,920

have contact with people he was a

139

00:07:01,820 --> 00:06:59,580

germaphobe but he talked to my mom every

140

00:07:05,300 --> 00:07:01,830

single day they actually became very

141

00:07:09,170 --> 00:07:05,310

close in the years of my mom worked for

142

00:07:11,810 --> 00:07:09,180

him she only saw him once and and

143

00:07:13,879 --> 00:07:11,820

the way that happened was they he would

144

00:07:15,920 --> 00:07:13,889

leave it a particular time at the end of

145

00:07:18,439 --> 00:07:15,930

the day and they would make sure that

146

00:07:21,830 --> 00:07:18,449

the little hallway was clear the you

147

00:07:24,920 --> 00:07:21,840

know so that he could go and get out to

148

00:07:27,920 --> 00:07:24,930

the parking area and and not worry about

149

00:07:31,129 --> 00:07:27,930

being seen or having to deal with people

150

00:07:34,550 --> 00:07:31,139

or you know possibly catching their

151  
00:07:37,430 --> 00:07:34,560  
pathogens apparently but my mom was a

152  
00:07:40,219 --> 00:07:37,440  
little quick one one evening and she

153  
00:07:42,379 --> 00:07:40,229  
started going out the long hallway and

154  
00:07:43,909 --> 00:07:42,389  
she said that it was very chaplain esque

155  
00:07:46,760 --> 00:07:43,919  
that he was sort of at the end of the

156  
00:07:49,340 --> 00:07:46,770  
hallway that he was opening the door so

157  
00:07:52,250 --> 00:07:49,350  
he was you know back sort of sort of lit

158  
00:07:55,060 --> 00:07:52,260  
by the you know by the light that was

159  
00:07:58,100 --> 00:07:55,070  
coming through the end of the hallway

160  
00:08:01,550 --> 00:07:58,110  
and she said he had his hat on in his

161  
00:08:03,650 --> 00:08:01,560  
briefcase and and out he went so that

162  
00:08:05,719 --> 00:08:03,660  
was the one time that my mom actually

163  
00:08:09,050 --> 00:08:05,729

saw him but but other than that she

164

00:08:12,710 --> 00:08:09,060

spoke with him everyday she worked the

165

00:08:14,930 --> 00:08:12,720

office next door to his um Wow so she

166

00:08:17,270 --> 00:08:14,940

only saw him one time but she worked for

167

00:08:23,020 --> 00:08:17,280

him for years she worked for him for

168

00:08:27,050 --> 00:08:23,030

years wow that's awesome yeah now what

169

00:08:29,029 --> 00:08:27,060

my mom she told me a very strange story

170

00:08:31,550 --> 00:08:29,039

I must have been about four years old

171

00:08:34,279 --> 00:08:31,560

the first time that I heard this where

172

00:08:36,010 --> 00:08:34,289

she talked about how Hughes had sent her

173

00:08:38,540 --> 00:08:36,020

out to the middle of a desert

174

00:08:41,149 --> 00:08:38,550

she said that he didn't give her any

175

00:08:42,920 --> 00:08:41,159

real warning about where she was going

176  
00:08:43,159 --> 00:08:42,930  
he just said I have an assignment for

177  
00:08:54,230 --> 00:08:43,169  
you

178  
00:08:57,380 --> 00:08:54,240  
my mom they flew her out to the middle

179  
00:09:00,680 --> 00:08:57,390  
of nowhere is how she described it she

180  
00:09:03,410 --> 00:09:00,690  
never really told me what state it was

181  
00:09:05,750 --> 00:09:03,420  
even in but she said it was the great

182  
00:09:09,800 --> 00:09:05,760  
American desert and they flew her out

183  
00:09:11,269 --> 00:09:09,810  
and she had a security detail and she

184  
00:09:15,949 --> 00:09:11,279  
said that they drove up to this little

185  
00:09:17,660 --> 00:09:15,959  
nondescript Shack kind of building they

186  
00:09:22,010 --> 00:09:17,670  
opened the door to the shack and there

187  
00:09:22,740 --> 00:09:22,020  
was an elevator shaft and my mom got in

188  
00:09:25,290 --> 00:09:22,750

the elevator

189

00:09:27,150 --> 00:09:25,300

with the security detail and she said

190

00:09:29,100 --> 00:09:27,160

that it was very strange you know it was

191

00:09:31,740 --> 00:09:29,110

there there was nothing there I mean

192

00:09:36,329 --> 00:09:31,750

there was nothing there just scrub and

193

00:09:38,550 --> 00:09:36,339

flat desert Wow so so they got into the

194

00:09:40,710 --> 00:09:38,560

elevator and it went down and she said

195

00:09:43,800 --> 00:09:40,720

that it surprised her because it kept

196

00:09:46,350 --> 00:09:43,810

going down she started feeling kind of

197

00:09:50,309 --> 00:09:46,360

scared she said that she had butterflies

198

00:09:53,189 --> 00:09:50,319

in her stomach so anyhow they finally

199

00:09:55,559 --> 00:09:53,199

got down to the level that they were

200

00:09:57,660 --> 00:09:55,569

going to and she said that it was a Otis

201  
00:09:59,550 --> 00:09:57,670  
Elevator that's the other thing she kind

202  
00:10:01,470 --> 00:09:59,560  
of laughed at that she said that it was

203  
00:10:03,300 --> 00:10:01,480  
it was made by ortus Corp the Otis

204  
00:10:05,009 --> 00:10:03,310  
corporation it was just like you would

205  
00:10:09,090 --> 00:10:05,019  
find in a high-rise but it was going

206  
00:10:10,619 --> 00:10:09,100  
down and not up so the doors opened up

207  
00:10:12,660 --> 00:10:10,629  
and she said that there was a bustling

208  
00:10:14,429 --> 00:10:12,670  
little a little city is how she

209  
00:10:19,100 --> 00:10:14,439  
described it a little city under the

210  
00:10:23,610 --> 00:10:19,110  
desert this was probably around 1956 57

211  
00:10:27,179 --> 00:10:23,620  
and she said that they got around in

212  
00:10:28,829 --> 00:10:27,189  
golf carts that there were scientists

213  
00:10:32,460 --> 00:10:28,839

that were working down there on a

214

00:10:34,530 --> 00:10:32,470

satiric projects was the what she said I

215

00:10:36,449 --> 00:10:34,540

didn't know what esoteric meant when I

216

00:10:41,150 --> 00:10:36,459

was a kid so that might have been how

217

00:10:46,110 --> 00:10:43,650

who knows maybe maybe there was a

218

00:10:50,129 --> 00:10:46,120

program called a so Tarek projects I

219

00:10:59,400 --> 00:10:50,139

guess I should put in a FOIA request and

220

00:11:01,290 --> 00:10:59,410

find out but and he said Ron that she

221

00:11:02,869 --> 00:11:01,300

had worked with Werner that she knew him

222

00:11:05,400 --> 00:11:02,879

she said he was a charming man

223

00:11:07,679 --> 00:11:05,410

she said that he used to call her Betty

224

00:11:10,439 --> 00:11:07,689

Grace that was her first in her middle

225

00:11:13,079 --> 00:11:10,449

name and he would kind of call her Betty

226

00:11:15,509 --> 00:11:13,089

Grace like it was one one name and I

227

00:11:16,949 --> 00:11:15,519

guess my mom was kind of smitten by him

228

00:11:20,970 --> 00:11:16,959

it sounded like it because she kept

229

00:11:23,009 --> 00:11:20,980

bringing him up if he was on TV on Walt

230

00:11:26,629 --> 00:11:23,019

Disney's wonderful world of color or

231

00:11:30,749 --> 00:11:26,639

something she go oh it's my old friend

232

00:11:33,809 --> 00:11:30,759

but she she said that they had a movie

233

00:11:35,819 --> 00:11:33,819

theater down there a bowling alley that

234

00:11:36,480 --> 00:11:35,829

they had a little French cafe with

235

00:11:40,020 --> 00:11:36,490

yellow

236

00:11:41,580 --> 00:11:40,030

barela's over patio tables and she my

237

00:11:43,080 --> 00:11:41,590

mom had a great sense of humor she

238

00:11:44,580 --> 00:11:43,090

laughed at that you know because she

239

00:11:47,430 --> 00:11:44,590

said well you don't really have to worry

240

00:11:50,040 --> 00:11:47,440

about the Sun if you're in a cave and

241

00:11:52,260 --> 00:11:50,050

that's technically where we were but but

242

00:11:54,000 --> 00:11:52,270

this is the way that they thought and

243

00:11:56,250 --> 00:11:54,010

how they treated it I guess that they

244

00:11:59,370 --> 00:11:56,260

wanted to make people feel at ease and

245

00:12:02,720 --> 00:11:59,380

at home in a comfort even though they

246

00:12:05,400 --> 00:12:02,730

were a mile under the desert floor and

247

00:12:07,740 --> 00:12:05,410

she actually did say it was a mile under

248

00:12:11,040 --> 00:12:07,750

the desert floor I'm not sure I don't

249

00:12:13,050 --> 00:12:11,050

think she was exaggerating that's that's

250

00:12:16,770 --> 00:12:13,060

just the words that she used when she

251

00:12:18,740 --> 00:12:16,780

talked about it on this subject alone

252

00:12:23,940 --> 00:12:18,750

just a quick question for you

253

00:12:26,370 --> 00:12:23,950

was there a place like I'm trying to

254

00:12:30,120 --> 00:12:26,380

picture this out in the desert I mean an

255

00:12:34,770 --> 00:12:30,130

elevator has to have like mechanics

256

00:12:37,110 --> 00:12:34,780

above it so how where was the door to go

257

00:12:39,810 --> 00:12:37,120

into this elevator did she talk about

258

00:12:43,220 --> 00:12:39,820

that it just sounds really pretty she

259

00:12:47,160 --> 00:12:43,230

said yeah she said that it was a Shack I

260

00:12:49,530 --> 00:12:47,170

she this was inside of a shack it's

261

00:12:51,990 --> 00:12:49,540

like a shack like this how she described

262

00:12:55,590 --> 00:12:52,000

it now I've recently found pictures of

263

00:12:57,570 --> 00:12:55,600

some of our missile silos from that

264

00:12:59,760 --> 00:12:57,580

period of time out in the desert and

265

00:13:02,520 --> 00:12:59,770

that's kind of what it looks like it's

266

00:13:04,710 --> 00:13:02,530

sort of a nondescript Shack maybe you

267

00:13:08,250 --> 00:13:04,720

know 30 feet across by 20 feet across

268

00:13:10,200 --> 00:13:08,260

and and you know you would open a door

269

00:13:12,110 --> 00:13:10,210

and there would be a stairwell but in

270

00:13:14,550 --> 00:13:12,120

this case there was an elevator it was

271

00:13:19,290 --> 00:13:14,560

deeper than I guess they wanted to take

272

00:13:23,370 --> 00:13:19,300

stairs to and and here's an interesting

273

00:13:26,580 --> 00:13:23,380

thing I I have one friend you know a

274

00:13:31,230 --> 00:13:26,590

social media friend who who had an email

275

00:13:32,820 --> 00:13:31,240

from a friend of his whose mother also

276

00:13:34,170 --> 00:13:32,830

worked for Howard Hughes and I think

277

00:13:36,360 --> 00:13:34,180

that I may have found the second

278

00:13:39,120 --> 00:13:36,370

Secretary's son

279

00:13:41,670 --> 00:13:39,130

I saw email from him directed to my

280

00:13:43,680 --> 00:13:41,680

friend from a couple of years ago really

281

00:13:45,480 --> 00:13:43,690

before I started talking about this

282

00:13:48,780 --> 00:13:45,490

certainly before I was talking about it

283

00:13:50,230 --> 00:13:48,790

on the radio and he pretty much told the

284

00:13:52,290 --> 00:13:50,240

same story

285

00:13:55,510 --> 00:13:52,300

although this guy has a pension he's a

286

00:13:58,990 --> 00:13:55,520

old RAF guy and does not want to lose

287

00:14:02,170 --> 00:13:59,000

his pension so he's very reticent about

288

00:14:03,850 --> 00:14:02,180

talking about this but but it was kind

289

00:14:05,980 --> 00:14:03,860

of nice you know finally getting a

290

00:14:09,190 --> 00:14:05,990

little bit of corroboration and I I did

291

00:14:10,690 --> 00:14:09,200

see the email exchange that he had with

292

00:14:15,579 --> 00:14:10,700

this friend of mine which went back a

293

00:14:17,889 --> 00:14:15,589

couple of years ago so but we know that

294

00:14:20,470 --> 00:14:17,899

the government builds deep underground

295

00:14:23,920 --> 00:14:20,480

facilities they use a thing called a

296

00:14:27,670 --> 00:14:23,930

submarine which just you know it more or

297

00:14:30,040 --> 00:14:27,680

less can drill through the the rock and

298

00:14:32,110 --> 00:14:30,050

melt through the rock I know that often

299

00:14:35,560 --> 00:14:32,120

times they would use actual caverns that

300

00:14:39,910 --> 00:14:35,570

were already there and and kind of take

301  
00:14:43,030 --> 00:14:39,920  
advantage of that sort of thing so it's

302  
00:14:46,000 --> 00:14:43,040  
it's not it's not all that unusual that

303  
00:14:47,710 --> 00:14:46,010  
we have underground bases but it's

304  
00:14:51,280 --> 00:14:47,720  
unusual that it was in the middle of

305  
00:14:53,260 --> 00:14:51,290  
nowhere that it was more or less in the

306  
00:14:58,060 --> 00:14:53,270  
mid 50s because you have to wonder what

307  
00:15:00,490 --> 00:14:58,070  
they have now and and the other thing

308  
00:15:02,949 --> 00:15:00,500  
that my mom talked about as I was

309  
00:15:05,079 --> 00:15:02,959  
growing up and she would usually talk

310  
00:15:07,389 --> 00:15:05,089  
about it in a different context than

311  
00:15:09,160 --> 00:15:07,399  
when she was talking about working in

312  
00:15:11,920 --> 00:15:09,170  
the underground base with you know

313  
00:15:15,730 --> 00:15:11,930

people like like Werner and and Oberth

314

00:15:20,380 --> 00:15:15,740

and and and those guys was my mom talked

315

00:15:27,690 --> 00:15:20,390

about extraterrestrial life my mom was

316

00:15:29,680 --> 00:15:27,700

not a UFO buff of any sort but she said

317

00:15:32,680 --> 00:15:29,690

through the years she would talk about

318

00:15:35,350 --> 00:15:32,690

it with great authority my mom said that

319

00:15:37,120 --> 00:15:35,360

the government knows that that that we

320

00:15:39,790 --> 00:15:37,130

aren't alone in the universe she said

321

00:15:44,740 --> 00:15:39,800

they they know that's that's just a fact

322

00:15:47,560 --> 00:15:44,750

they they know this and so I grew up

323

00:15:49,900 --> 00:15:47,570

with this knowledge that we weren't

324

00:15:52,090 --> 00:15:49,910

alone and you have to imagine that

325

00:15:56,010 --> 00:15:52,100

that's always been this kind of a

326

00:15:59,500 --> 00:15:56,020

driving force to for me to know more

327

00:16:01,930 --> 00:15:59,510

unfortunately you know my mom did have

328

00:16:04,480 --> 00:16:01,940

her security clearances and she kept

329

00:16:06,820 --> 00:16:04,490

them until the day she died

330

00:16:10,360 --> 00:16:06,830

I think that the reason why she talked

331

00:16:11,860 --> 00:16:10,370

to me back in the early 1960s and and

332

00:16:13,570 --> 00:16:11,870

why she talked about this was was

333

00:16:17,920 --> 00:16:13,580

because she thought she was finished

334

00:16:20,050 --> 00:16:17,930

working she you know she was sort of

335

00:16:24,790 --> 00:16:20,060

playing housewife and the Ozzie and

336

00:16:26,790 --> 00:16:24,800

Harriet thing but back in the mid 1970s

337

00:16:30,520 --> 00:16:26,800

she went back to work

338

00:16:32,380 --> 00:16:30,530

my mom wound up becoming a corporate

339

00:16:39,460 --> 00:16:32,390

headhunter for people like Lockheed

340

00:16:41,730 --> 00:16:39,470

skunkworks Northrop Boeing Raytheon you

341

00:16:46,000 --> 00:16:41,740

know just just all the major aerospace

342

00:16:48,220 --> 00:16:46,010

companies so she clamped up

343

00:16:50,860 --> 00:16:48,230

she taught she seemed to talk more

344

00:16:54,520 --> 00:16:50,870

freely about it when I was little when I

345

00:16:59,650 --> 00:16:54,530

got older my mom clammed up about it so

346

00:17:03,310 --> 00:16:59,660

it kind of became my my my trick was was

347

00:17:05,710 --> 00:17:03,320

trying to hear a little bit more now I

348

00:17:08,890 --> 00:17:05,720

took my mom to see Star Wars the film

349

00:17:11,829 --> 00:17:08,900

Star Wars it was 1977 it was a second

350

00:17:14,350 --> 00:17:11,839

day that it was in the theaters and I

351  
00:17:16,569 --> 00:17:14,360  
saw article about it in Time magazine I

352  
00:17:18,819 --> 00:17:16,579  
was thinking you know let's let's take

353  
00:17:20,980 --> 00:17:18,829  
mom to see that let's take mom you know

354  
00:17:26,829 --> 00:17:20,990  
let's let's see if we can find out

355  
00:17:29,710 --> 00:17:26,839  
anything else get out so it worked you

356  
00:17:32,320 --> 00:17:29,720  
know I mean we watched the film the

357  
00:17:34,240 --> 00:17:32,330  
lights came back up we we kind of sat

358  
00:17:38,080 --> 00:17:34,250  
through the credits at the end and my

359  
00:17:39,940 --> 00:17:38,090  
mom was really excited what she told me

360  
00:17:43,350 --> 00:17:39,950  
she kind of went on this big spiel and

361  
00:17:46,750 --> 00:17:43,360  
and she said Earl you have no idea

362  
00:17:49,270 --> 00:17:46,760  
Star Wars is not that far-fetched

363  
00:17:51,310 --> 00:17:49,280

I remember that word-for-word she said

364

00:17:53,620 --> 00:17:51,320

it's not that far-fetched

365

00:17:55,840 --> 00:17:53,630

she said we know that there is life out

366

00:17:59,560 --> 00:17:55,850

in the universe and we're in contact

367

00:18:03,340 --> 00:17:59,570

with it you know and and and my mom went

368

00:18:05,080 --> 00:18:03,350

off on she talked for awhile I actually

369

00:18:08,350 --> 00:18:05,090

got a little more information that I

370

00:18:10,390 --> 00:18:08,360

wanted at the time because I I was in my

371

00:18:13,270 --> 00:18:10,400

life at that point I had kind of had

372

00:18:15,130 --> 00:18:13,280

become a born-again Christian I was sort

373

00:18:17,170 --> 00:18:15,140

of a Churchmouse and well I you know I

374

00:18:17,770 --> 00:18:17,180

always believed that there was life out

375

00:18:20,350 --> 00:18:17,780

in the you know

376

00:18:23,230 --> 00:18:20,360

but I didn't really I didn't think that

377

00:18:26,350 --> 00:18:23,240

we had details and and my mom started

378

00:18:30,790 --> 00:18:26,360

talking about that that yes you know

379

00:18:35,920 --> 00:18:30,800

they're there they're here and so I've

380

00:18:39,160 --> 00:18:35,930

had that knowledge for a long time now

381

00:18:42,160 --> 00:18:39,170

my mom became more closed mouth about it

382

00:18:44,470 --> 00:18:42,170

as the years went on and I started

383

00:18:47,530 --> 00:18:44,480

asking her more pointed questions I mean

384

00:18:51,190 --> 00:18:47,540

I even asked her about bob lazar my mom

385

00:18:55,200 --> 00:18:51,200

passed in 1999 unfortunately my mom

386

00:19:02,440 --> 00:18:55,210

passed away she'd had a spate of

387

00:19:04,960 --> 00:19:02,450

multiple unrelated cancers and so as

388

00:19:07,560 --> 00:19:04,970

when after she found out that she was

389

00:19:11,230 --> 00:19:07,570

dying my mom became a little more

390

00:19:13,870 --> 00:19:11,240

voluble about this stuff she had never

391

00:19:17,440 --> 00:19:13,880

heard of Bob Lazar by the way I asked

392

00:19:20,170 --> 00:19:17,450

yeah not that she would have said if she

393

00:19:23,920 --> 00:19:20,180

if she did know about him or if she knew

394

00:19:26,440 --> 00:19:23,930

him but but my mom what I kind of tried

395

00:19:29,350 --> 00:19:26,450

to do towards the end of my mom's life I

396

00:19:32,410 --> 00:19:29,360

mean the doctors that they said that her

397

00:19:36,190 --> 00:19:32,420

cancer had metastasized that it seemed

398

00:19:39,550 --> 00:19:36,200

like she had been irradiated and that

399

00:19:41,980 --> 00:19:39,560

same year that she passed away there

400

00:19:44,440 --> 00:19:41,990

were some workers from area 51 that

401  
00:19:47,830 --> 00:19:44,450  
successfully sued our government for

402  
00:19:50,740 --> 00:19:47,840  
exposing them to harmful substances

403  
00:19:53,110 --> 00:19:50,750  
right and they want a lawsuit and this

404  
00:19:55,450 --> 00:19:53,120  
is when when Bill Clinton actually went

405  
00:19:58,380 --> 00:19:55,460  
on television and told us that yes there

406  
00:20:01,930 --> 00:19:58,390  
is such a thing as area 51 and and and

407  
00:20:04,920 --> 00:20:01,940  
suddenly this this mythical place became

408  
00:20:07,900 --> 00:20:04,930  
a real place on on maps and everything

409  
00:20:09,940 --> 00:20:07,910  
so I tried to get my mom to lawyer up

410  
00:20:13,180 --> 00:20:09,950  
because she had had cancer six different

411  
00:20:14,770 --> 00:20:13,190  
times this time it was in her lungs and

412  
00:20:19,690 --> 00:20:14,780  
she had never smoked a day in her life

413  
00:20:21,880 --> 00:20:19,700

and and I thought you know maybe I mean

414

00:20:23,950 --> 00:20:21,890

they didn't really it's not like we were

415

00:20:27,640 --> 00:20:23,960

rich we were definitely a middle-class

416

00:20:29,320 --> 00:20:27,650

family and I felt like you know they

417

00:20:31,450 --> 00:20:29,330

should have taken care you know better

418

00:20:35,169 --> 00:20:31,460

care of you mom

419

00:20:36,850 --> 00:20:35,179

hurr hurr apply to all that was she said

420

00:20:39,549 --> 00:20:36,860

you know son I knew what I was getting

421

00:20:43,210 --> 00:20:39,559

into I felt that I was doing my

422

00:20:47,080 --> 00:20:43,220

patriotic duty I felt like I would eat

423

00:20:50,200 --> 00:20:47,090

like a soldier would feel I I was doing

424

00:20:52,149 --> 00:20:50,210

this for our country and and I knew that

425

00:20:54,880 --> 00:20:52,159

there were risks involved and I wouldn't

426

00:20:57,970 --> 00:20:54,890

change anything and I'm certainly not

427

00:21:03,310 --> 00:20:57,980

going to sue my government you know I'm

428

00:21:06,399 --> 00:21:03,320

proud of what I did and that was sort of

429

00:21:09,580 --> 00:21:06,409

the end of the conversation that was

430

00:21:14,049 --> 00:21:09,590

back in 1999 and she she passed away

431

00:21:16,680 --> 00:21:14,059

late April the same month like just a

432

00:21:23,909 --> 00:21:16,690

couple weeks after we'd had that talk

433

00:21:26,860 --> 00:21:23,919

but it's always been this huge 50-foot

434

00:21:30,370 --> 00:21:26,870

question mark in my life you know what

435

00:21:32,830 --> 00:21:30,380

else did my mom know she another

436

00:21:36,310 --> 00:21:32,840

occasion my mom said it's realer than

437

00:21:38,590 --> 00:21:36,320

you will ever know son and I think that

438

00:21:41,850 --> 00:21:38,600

that the words it realer than you will

439

00:21:44,860 --> 00:21:41,860

ever know kind of drove me to just

440

00:21:48,100 --> 00:21:44,870

disprove that that no I can know I think

441

00:21:50,830 --> 00:21:48,110

that I can dig and I can maybe find out

442

00:21:52,870 --> 00:21:50,840

more than even you're willing to tell me

443

00:21:56,769 --> 00:21:52,880

here because she kind of gave me a

444

00:22:01,000 --> 00:21:56,779

teaser at age 4 and I went with that yes

445

00:22:02,830 --> 00:22:01,010

now what did a certain branch of the

446

00:22:06,000 --> 00:22:02,840

government did she talked about you know

447

00:22:09,190 --> 00:22:06,010

I know you said she was you worked with

448

00:22:12,220 --> 00:22:09,200

Howard Hughes and in one of his personal

449

00:22:14,980 --> 00:22:12,230

secretaries but would she also she had

450

00:22:17,649 --> 00:22:14,990

involvement with the government and do

451  
00:22:20,049 --> 00:22:17,659  
you know what branch or what what office

452  
00:22:25,779 --> 00:22:20,059  
she was involved in well I know that

453  
00:22:28,810 --> 00:22:25,789  
Hughes worked with he my mom was was

454  
00:22:31,690 --> 00:22:28,820  
never a part of the military she did

455  
00:22:36,340 --> 00:22:31,700  
have very high security clearances I do

456  
00:22:39,279 --> 00:22:36,350  
know that but she didn't she didn't

457  
00:22:42,460 --> 00:22:39,289  
mention a branch of the military but we

458  
00:22:44,980 --> 00:22:42,470  
do know that that the Army Corps of

459  
00:22:49,720 --> 00:22:44,990  
Engineers were sort of hand-in-hand

460  
00:22:53,970 --> 00:22:49,730  
with Hughes we know that he that Hughes

461  
00:22:57,820 --> 00:22:53,980  
actually made his money from a drill bit

462  
00:22:59,560 --> 00:22:57,830  
we're you know the early oil you know

463  
00:23:01,480 --> 00:22:59,570

bringing the oil up out of out of the

464

00:23:02,980 --> 00:23:01,490

earth and he came up with a better drill

465

00:23:06,820 --> 00:23:02,990

bit and that's that's really how he

466

00:23:09,400 --> 00:23:06,830

became the rich man that he was

467

00:23:12,760 --> 00:23:09,410

yeah I think I saw something but I mean

468

00:23:15,850 --> 00:23:12,770

did she so she was probably a private

469

00:23:18,760 --> 00:23:15,860

contractor or that's my guess

470

00:23:21,340 --> 00:23:18,770

probably wasn't very she was never in

471

00:23:25,110 --> 00:23:21,350

the military herself and Hughes was a

472

00:23:29,470 --> 00:23:25,120

private contractor we've recently found

473

00:23:30,880 --> 00:23:29,480

I know that Richard Sauter is written

474

00:23:33,490 --> 00:23:30,890

about this a little bit in his

475

00:23:36,130 --> 00:23:33,500

underground base's books oh yeah that

476

00:23:38,890 --> 00:23:36,140

one of the earliest labs that was at

477

00:23:41,440 --> 00:23:38,900

area 51 was owned by Hughes Aircraft

478

00:23:45,400 --> 00:23:41,450

that that was one of them if not the

479

00:23:47,470 --> 00:23:45,410

first private contractor so that I think

480

00:23:50,049 --> 00:23:47,480

probably has something to do with what

481

00:23:52,210 --> 00:23:50,059

my mom was doing and all the scientists

482

00:23:55,240 --> 00:23:52,220

that she mentioned that she knew they

483

00:23:56,530 --> 00:23:55,250

all had German names so you know I think

484

00:23:58,600 --> 00:23:56,540

that was probably something to do with

485

00:24:00,880 --> 00:23:58,610

Operation Paperclip it's just what was

486

00:24:03,910 --> 00:24:00,890

going on there you know yeah really

487

00:24:07,540 --> 00:24:03,920

really fascinating so we're coming up on

488

00:24:10,060 --> 00:24:07,550

a break I think I think we're going to

489

00:24:13,600 --> 00:24:10,070

go ahead and take that break now so

490

00:24:14,680 --> 00:24:13,610

we'll be right back everyone right after

491

00:24:20,940 --> 00:24:14,690

these messages

492

00:24:27,000 --> 00:24:23,670

all right everyone welcome back here we

493

00:24:30,450 --> 00:24:27,010

are and before we start back with our

494

00:24:33,210 --> 00:24:30,460

guest Earl Grey Anderson is his full

495

00:24:35,790 --> 00:24:33,220

name and we may even talk how he got his

496

00:24:38,520 --> 00:24:35,800

name Earl Grey tea everyone thinks up

497

00:24:40,620 --> 00:24:38,530

but I just wanted to say History Channel

498

00:24:44,250 --> 00:24:40,630

has just been given the green light for

499

00:24:46,710 --> 00:24:44,260

a show called unidentified inside

500

00:24:53,850 --> 00:24:46,720

America's UFO investigation it's going

501  
00:24:56,610 --> 00:24:53,860  
to be a six-part documents secret

502  
00:24:59,190 --> 00:24:56,620  
program investigating UFO phenomena and

503  
00:25:02,190 --> 00:24:59,200  
all that stuff and it will premiere

504  
00:25:05,460 --> 00:25:02,200  
sometime in may and it has you know

505  
00:25:07,410 --> 00:25:05,470  
people from of course to the stars

506  
00:25:09,780 --> 00:25:07,420  
Academy a lot of that's going to be

507  
00:25:11,670 --> 00:25:09,790  
involved in that

508  
00:25:14,730 --> 00:25:11,680  
Chris Mellon is going to be involved

509  
00:25:17,820 --> 00:25:14,740  
everyone that and especially Lois

510  
00:25:19,080 --> 00:25:17,830  
Elizondo he'll be featured on that so

511  
00:25:22,110 --> 00:25:19,090  
that's coming up in May that's kind of

512  
00:25:24,450 --> 00:25:22,120  
exciting so we'll have to keep our eyes

513  
00:25:26,370 --> 00:25:24,460

out for that and and check that out when

514

00:25:31,050 --> 00:25:26,380

it comes comes available

515

00:25:35,730 --> 00:25:31,060

all right back with my guest Kevin so we

516

00:25:38,490 --> 00:25:35,740

were talking Evan Kevin zanuck I'm so

517

00:25:40,800 --> 00:25:38,500

sorry Earl Earl how do you get your

518

00:25:43,740 --> 00:25:40,810

interest how did you get your Earl Grey

519

00:25:47,550 --> 00:25:43,750

tea name anyway is that just a nickname

520

00:25:51,330 --> 00:25:47,560

yes well my real name is Earl alright so

521

00:25:53,730 --> 00:25:51,340

I know that part yeah I might like the

522

00:25:56,460 --> 00:25:53,740

TV show you know my name is Earl but my

523

00:26:01,080 --> 00:25:56,470

name is Earl yeah I was named after my

524

00:26:04,530 --> 00:26:01,090

grandfather but I'm a musician I've been

525

00:26:07,400 --> 00:26:04,540

a musician many many years I still do

526

00:26:10,410 --> 00:26:07,410

that I have a gig tonight actually

527

00:26:12,840 --> 00:26:10,420

police called NAT Denny's Ale House out

528

00:26:15,660 --> 00:26:12,850

in Altadena so if you're out here folks

529

00:26:18,480 --> 00:26:15,670

come out and see me you know it'll be we

530

00:26:23,280 --> 00:26:18,490

put together a little instant band for

531

00:26:25,140 --> 00:26:23,290

this show tonight but around 1989 I was

532

00:26:28,110 --> 00:26:25,150

playing in a place out in Santa Monica

533

00:26:30,300 --> 00:26:28,120

and I was going as Earl Anderson my

534

00:26:32,280 --> 00:26:30,310

birth name at the time and there was

535

00:26:34,980 --> 00:26:32,290

another gentleman by the name of Eric

536

00:26:37,590 --> 00:26:34,990

Anderson who played Judas

537

00:26:40,370 --> 00:26:37,600

Jesus Christ Superstar and we both

538

00:26:43,380 --> 00:26:40,380

played the same venue pretty often and

539

00:26:45,360 --> 00:26:43,390

they messed up the marquee a couple of

540

00:26:48,149 --> 00:26:45,370

times so I would get his audience

541

00:26:51,630 --> 00:26:48,159

accidentally and then he would get my

542

00:26:55,279 --> 00:26:51,640

audience accidentally and he could kind

543

00:26:57,600 --> 00:26:55,289

of you know full-on R&B you know he's a

544

00:26:59,430 --> 00:26:57,610

african-american gentleman very very

545

00:27:03,480 --> 00:26:59,440

talented singer I mean while he was

546

00:27:05,190 --> 00:27:03,490

Judas and and Jesus Christ Superstar so

547

00:27:08,250 --> 00:27:05,200

I was and and there were some other

548

00:27:10,380 --> 00:27:08,260

things too you know I was just the I was

549

00:27:12,029 --> 00:27:10,390

kind of hanging out in places where I

550

00:27:14,940 --> 00:27:12,039

was hanging out with people from the

551  
00:27:18,409 --> 00:27:14,950  
band X and of course you had people on

552  
00:27:21,090 --> 00:27:18,419  
that band John Doe and Exene Cervenka

553  
00:27:23,250 --> 00:27:21,100  
everybody sort of had a pseudonym and so

554  
00:27:26,430 --> 00:27:23,260  
I started chuckling to myself well that

555  
00:27:29,250 --> 00:27:26,440  
would take care of the problem at at my

556  
00:27:32,789 --> 00:27:29,260  
place over in Santa Monica where you

557  
00:27:34,649 --> 00:27:32,799  
know they messed up the marquee and plus

558  
00:27:36,450 --> 00:27:34,659  
it's a memorable name I get free

559  
00:27:39,570 --> 00:27:36,460  
advertising if you go into a coffee

560  
00:27:43,230 --> 00:27:39,580  
house and you look at the menu there I

561  
00:27:46,649 --> 00:27:43,240  
am so so I went with Earl Grey is kind

562  
00:27:49,649 --> 00:27:46,659  
of a joke to myself and but you know

563  
00:27:52,200 --> 00:27:49,659

here we here we are it's it's 30 years

564

00:27:54,510 --> 00:27:52,210

later and my kids and my grandkids call

565

00:27:56,700 --> 00:27:54,520

me or old gray now it's like I'm kind of

566

00:27:59,760 --> 00:27:56,710

stuck with that but it worked with the

567

00:28:02,970 --> 00:27:59,770

UFO thing right yeah a great great your

568

00:28:05,310 --> 00:28:02,980

the gray I'm afraid I'm not I mean I I

569

00:28:09,539 --> 00:28:05,320

have a fear that I I just don't want to

570

00:28:11,909 --> 00:28:09,549

scare anybody you know if I get their

571

00:28:15,000 --> 00:28:11,919

case and I you know you know dear

572

00:28:17,519 --> 00:28:15,010

so-and-so I'm from MUFON and I've been

573

00:28:20,159 --> 00:28:17,529

assigned your case and my name is Earl

574

00:28:21,690 --> 00:28:20,169

Grey so I got you know now I've kind of

575

00:28:23,519 --> 00:28:21,700

put the whole thing together it's Earl

576

00:28:25,440 --> 00:28:23,529

Grey Anderson and yeah and hopefully

577

00:28:29,430 --> 00:28:25,450

they'll figure out that I'm not really a

578

00:28:33,120 --> 00:28:29,440

grey alien correct but that's where that

579

00:28:35,220 --> 00:28:33,130

came from Mardon yeah yeah and so let's

580

00:28:37,830 --> 00:28:35,230

let's talk about how you became an

581

00:28:41,010 --> 00:28:37,840

investigator how that whole thing came

582

00:28:42,870 --> 00:28:41,020

about sure

583

00:28:46,620 --> 00:28:42,880

well you know I mean this is something

584

00:28:48,810 --> 00:28:46,630

that's just it's it's been sort of in

585

00:28:51,960 --> 00:28:48,820

the back of my mind all of

586

00:28:54,600 --> 00:28:51,970

my life and since my mom passed away it

587

00:28:57,870 --> 00:28:54,610

actually just became an obsession to

588

00:29:00,389 --> 00:28:57,880

find out more about about the phenomenon

589

00:29:02,810 --> 00:29:00,399

and about what you know what she said we

590

00:29:05,279 --> 00:29:02,820

we know that we're in contact with

591

00:29:09,210 --> 00:29:05,289

extraterrestrials that's what she said

592

00:29:12,840 --> 00:29:09,220

she said at once you know I took her to

593

00:29:14,129 --> 00:29:12,850

see the movie et yeah yeah and I figured

594

00:29:16,080 --> 00:29:14,139

I might be able to get her to talk a

595

00:29:18,330 --> 00:29:16,090

little bit more and this time she wasn't

596

00:29:21,029 --> 00:29:18,340

talking quite as much but what she said

597

00:29:25,159 --> 00:29:21,039

was she said well it's a cute movie son

598

00:29:31,529 --> 00:29:28,590

but then she would stop talking again

599

00:29:34,139 --> 00:29:31,539

you know it's like God you know I really

600

00:29:36,869 --> 00:29:34,149

really want to know and you know it's

601  
00:29:38,850 --> 00:29:36,879  
like Barry Goldwater you know asking

602  
00:29:40,200 --> 00:29:38,860  
curtis lemay if he could go to the blue

603  
00:29:42,299 --> 00:29:40,210  
room and he just said you don't have a

604  
00:29:45,090 --> 00:29:42,309  
need-to-know forget it don't ask me

605  
00:29:47,970 --> 00:29:45,100  
again you know and and you know this is

606  
00:29:50,360 --> 00:29:47,980  
the they say that that it's it's more

607  
00:29:55,590 --> 00:29:50,370  
highly classified than the atomic bomb

608  
00:29:59,369 --> 00:29:55,600  
so me going to move on I was watching I

609  
00:30:01,470 --> 00:29:59,379  
was watching a lot of UFO shows and I

610  
00:30:03,539 --> 00:30:01,480  
was reading everything I could kind of

611  
00:30:08,279 --> 00:30:03,549  
get my hands on and they have been doing

612  
00:30:10,350 --> 00:30:08,289  
that since I was a child actually and we

613  
00:30:12,930 --> 00:30:10,360

were watching a hangar one episode about

614

00:30:15,149 --> 00:30:12,940

four and a half years ago my wife and I

615

00:30:18,350 --> 00:30:15,159

and I turned to her and I said you know

616

00:30:21,480 --> 00:30:18,360

I could do this I mean I could do this

617

00:30:24,560 --> 00:30:21,490

so I went and I looked up I looked up

618

00:30:27,509 --> 00:30:24,570

MUFON you know I went to MUFON comm I

619

00:30:31,529 --> 00:30:27,519

found my state director and and I

620

00:30:33,299 --> 00:30:31,539

friended him on social media and we

621

00:30:35,279 --> 00:30:33,309

started talking and and he actually

622

00:30:36,480 --> 00:30:35,289

brought it up to me he said I think he

623

00:30:39,029 --> 00:30:36,490

would make a really good field

624

00:30:41,490 --> 00:30:39,039

investigator he liked the fact that I

625

00:30:45,419 --> 00:30:41,500

was a musician and that I was a musician

626

00:30:48,779 --> 00:30:45,429

that liked who liked I like to jam you

627

00:30:51,600 --> 00:30:48,789

know I to do that you know I'm kind of a

628

00:30:55,680 --> 00:30:51,610

jam musician where I'll come up with a

629

00:30:58,289 --> 00:30:55,690

guitar solo after hearing like say the

630

00:30:59,730 --> 00:30:58,299

verse one time through you know you get

631

00:31:02,549 --> 00:30:59,740

the parameters of it and then you

632

00:31:04,350 --> 00:31:02,559

doesn't jump in and you have to be

633

00:31:07,519 --> 00:31:04,360

you have to be thinking about what's

634

00:31:11,430 --> 00:31:07,529

going on but you also have to be open to

635

00:31:13,139 --> 00:31:11,440

invention and he said I think he would

636

00:31:15,930 --> 00:31:13,149

make a really good field investigator

637

00:31:18,539 --> 00:31:15,940

and and you know I'm chief investigator

638

00:31:23,039 --> 00:31:18,549

for MUFON and Southern California now as

639

00:31:25,499 --> 00:31:23,049

well as a star team member and assistant

640

00:31:27,509 --> 00:31:25,509

state director so I guess I sort of

641

00:31:29,940 --> 00:31:27,519

climbed up the ranks really quickly and

642

00:31:31,980 --> 00:31:29,950

in all I really did was you know I

643

00:31:34,769 --> 00:31:31,990

closed a whole bunch of cases you know I

644

00:31:37,889 --> 00:31:34,779

guess I'm I'm into the 400s now as far

645

00:31:41,519 --> 00:31:37,899

as the cases I've closed Wow

646

00:31:43,769 --> 00:31:41,529

so it just it just kind of opened up

647

00:31:45,989 --> 00:31:43,779

like a flower for me and it's it's it's

648

00:31:48,119 --> 00:31:45,999

one of the it's it's the greatest joy in

649

00:31:52,889 --> 00:31:48,129

my life really it's right there with

650

00:31:55,289 --> 00:31:52,899

with with music I they're really you

651  
00:31:58,379 --> 00:31:55,299  
know I get as much joy from from closing

652  
00:32:03,210 --> 00:31:58,389  
a UFO case as I do from from playing a

653  
00:32:08,549 --> 00:32:03,220  
gig you know I just same kind of feeling

654  
00:32:12,720 --> 00:32:08,559  
of accomplishment and well-well

655  
00:32:14,369 --> 00:32:12,730  
California for one thing is you know in

656  
00:32:16,470 --> 00:32:14,379  
the United States it's the highest

657  
00:32:18,629 --> 00:32:16,480  
number of UFO sightings and of course

658  
00:32:20,669 --> 00:32:18,639  
the population is really high in the

659  
00:32:23,340 --> 00:32:20,679  
weather is really good so there's a lot

660  
00:32:25,889 --> 00:32:23,350  
of reasons for that it's also the number

661  
00:32:27,330 --> 00:32:25,899  
one state that listens to this show you

662  
00:32:30,720 --> 00:32:27,340  
know I have more listeners in California

663  
00:32:33,269 --> 00:32:30,730

than a second comes New York and but

664

00:32:35,909 --> 00:32:33,279

I've noticed you know that there's

665

00:32:37,769 --> 00:32:35,919

there's a lot going on there so can you

666

00:32:39,989 --> 00:32:37,779

talk about some of the cases that

667

00:32:41,489 --> 00:32:39,999

they're to kind of recent and unknown

668

00:32:44,009 --> 00:32:41,499

and then I want to talk about what you

669

00:32:46,919 --> 00:32:44,019

think is the most compelling case as

670

00:32:48,659 --> 00:32:46,929

well sure oh that's going to be hard too

671

00:32:51,600 --> 00:32:48,669

because I have a bunch of compelling

672

00:32:54,710 --> 00:32:51,610

cases well you have to remember that it

673

00:32:59,999 --> 00:32:54,720

just like J Allen Hynek told us that 90

674

00:33:02,460 --> 00:33:00,009

to 95 percent of all UFO reports can be

675

00:33:04,590 --> 00:33:02,470

you can figure them out prosaically that

676

00:33:07,950 --> 00:33:04,600

they're usually if you know and I we get

677

00:33:10,320 --> 00:33:07,960

a lot of drone sightings I had one

678

00:33:12,480 --> 00:33:10,330

gentleman who was seeing the same three

679

00:33:15,450 --> 00:33:12,490

UFOs in the sky every single night and

680

00:33:16,169 --> 00:33:15,460

and you know all I had to do is go and

681

00:33:19,529 --> 00:33:16,179

open up a

682

00:33:23,269 --> 00:33:19,539

starchart yes Venus and Mars and Jupiter

683

00:33:27,330 --> 00:33:23,279

you know and and you know you've got

684

00:33:31,350 --> 00:33:27,340

sometimes I'll actually get intentional

685

00:33:34,590 --> 00:33:31,360

hoaxes I had one one person who put in a

686

00:33:37,590 --> 00:33:34,600

case that was too good to be true and I

687

00:33:40,850 --> 00:33:37,600

did a little a little investigation on

688

00:33:45,330 --> 00:33:40,860

them on the internet and found a public

689

00:33:49,230 --> 00:33:45,340

public resume where it said CGI that

690

00:33:50,970 --> 00:33:49,240

looks realer than life yeah and so I

691

00:33:52,019 --> 00:33:50,980

kind of it was pretty easy to figure

692

00:33:56,249 --> 00:33:52,029

that one out

693

00:33:57,960 --> 00:33:56,259

but it's that 5% factor sometimes it's a

694

00:33:59,159 --> 00:33:57,970

little lower than that sometimes it's a

695

00:34:05,070 --> 00:33:59,169

little higher than that

696

00:34:08,250 --> 00:34:05,080

but you know I've closed upwards to 400

697

00:34:11,690 --> 00:34:08,260

cases and I have about 35 to 40 cases

698

00:34:15,899 --> 00:34:11,700

that are unknowns in the last four years

699

00:34:18,780 --> 00:34:15,909

that and and most of them are kind of

700

00:34:21,270 --> 00:34:18,790

gobsmacking UFOs I mean I have to pull

701  
00:34:25,889 --> 00:34:21,280  
my my chin up off of the floor sometimes

702  
00:34:27,930 --> 00:34:25,899  
with with these now do you have some of

703  
00:34:32,730 --> 00:34:27,940  
them with multiple witnesses and you

704  
00:34:34,859 --> 00:34:32,740  
know yes well we have oh I'll share a

705  
00:34:37,169 --> 00:34:34,869  
couple of cases with you if you don't

706  
00:34:40,770 --> 00:34:37,179  
mind it's probably the the best way to

707  
00:34:47,099 --> 00:34:40,780  
do this this was a recent case that we

708  
00:34:48,930 --> 00:34:47,109  
had if I can get my iPad to work here um

709  
00:34:50,129 --> 00:34:48,940  
I was given overall you don't have to

710  
00:34:52,559 --> 00:34:50,139  
sure

711  
00:34:54,539 --> 00:34:52,569  
yeah well I had I had one well we had

712  
00:34:57,990 --> 00:34:54,549  
one recent case that happened in San

713  
00:35:01,020 --> 00:34:58,000

Diego and the the gentleman that saw

714

00:35:02,819 --> 00:35:01,030

this was an aerospace engineer and and

715

00:35:06,240 --> 00:35:02,829

he was a veteran of aerospace

716

00:35:10,319 --> 00:35:06,250

engineering he had been in and he'd

717

00:35:12,299 --> 00:35:10,329

worked for Boeing and he worked for he

718

00:35:17,579 --> 00:35:12,309

worked with laser calibration of

719

00:35:19,559 --> 00:35:17,589

rolls-royce jet engines and yeah and the

720

00:35:22,980 --> 00:35:19,569

guy was also a bit of a plane spotter

721

00:35:26,910 --> 00:35:22,990

and he knew his drones his blimps from

722

00:35:29,620 --> 00:35:26,920

his UFOs right and he saw this thing

723

00:35:33,190 --> 00:35:29,630

that looked like a football

724

00:35:35,320 --> 00:35:33,200

it had one tall black fin on the back it

725

00:35:38,110 --> 00:35:35,330

didn't have like a blimp would have you

726

00:35:40,770 --> 00:35:38,120

know sort of like evenly placed fins on

727

00:35:45,130 --> 00:35:40,780

the back but this thing was it stood up

728

00:35:47,080 --> 00:35:45,140

you know like like you took like a PI

729

00:35:49,630 --> 00:35:47,090

piece or something you put it on the

730

00:35:51,310 --> 00:35:49,640

back of this thing he said that he could

731

00:35:53,050 --> 00:35:51,320

see the planes that were around it and

732

00:35:56,680 --> 00:35:53,060

he said that he's very very used to

733

00:35:59,800 --> 00:35:56,690

seeing you know checking distances with

734

00:36:02,260 --> 00:35:59,810

a line-of-sight aircraft and he said

735

00:36:08,890 --> 00:36:02,270

that as far as he could tell this thing

736

00:36:10,440 --> 00:36:08,900

was the size of four 737s yeah he saw

737

00:36:14,050 --> 00:36:10,450

this thing he said it was up about

738

00:36:17,680 --> 00:36:14,060

35,000 feet and that it suddenly dropped

739

00:36:19,540 --> 00:36:17,690

down to 5,000 feet he said that he

740

00:36:21,640 --> 00:36:19,550

watched it it wasn't like it disappeared

741

00:36:25,740 --> 00:36:21,650

and reappeared he said it just dropped

742

00:36:28,810 --> 00:36:25,750

and he said that the nose stayed level

743

00:36:31,510 --> 00:36:28,820

that it you know it wasn't a crash you

744

00:36:35,140 --> 00:36:31,520

know a plane or or or a blimp or

745

00:36:37,030 --> 00:36:35,150

whatever you want in distress it's gonna

746

00:36:38,860 --> 00:36:37,040

be all over the place and it's certainly

747

00:36:41,890 --> 00:36:38,870

not going to keep level but this stayed

748

00:36:44,980 --> 00:36:41,900

level and he said then he watched the

749

00:36:46,840 --> 00:36:44,990

thing turn as if it was on an axis he

750

00:36:48,850 --> 00:36:46,850

said thou he is watching the back of it

751  
00:36:52,120 --> 00:36:48,860  
you could still see this line in the

752  
00:36:55,120 --> 00:36:52,130  
back of this one black you know fin and

753  
00:36:58,470 --> 00:36:55,130  
then it just like nobody's business just

754  
00:37:02,500 --> 00:36:58,480  
slowly moved towards the Baja Peninsula

755  
00:37:05,830 --> 00:37:02,510  
now this was a really good witness I did

756  
00:37:09,370 --> 00:37:05,840  
see his his work badges there was

757  
00:37:12,040 --> 00:37:09,380  
Providence behind it the guy knew what

758  
00:37:15,580 --> 00:37:12,050  
he was talking about when we talked

759  
00:37:17,290 --> 00:37:15,590  
about he was getting emotional and he

760  
00:37:19,720 --> 00:37:17,300  
said well I don't really get emotional

761  
00:37:21,760 --> 00:37:19,730  
about aircraft it's what I do but this I

762  
00:37:23,830 --> 00:37:21,770  
can't explain and and his whole attitude

763  
00:37:27,340 --> 00:37:23,840

was he said I want you to tell me what

764

00:37:31,480 --> 00:37:27,350

this was I saw you know I don't really

765

00:37:33,250 --> 00:37:31,490

believe in UFOs what did I see well yeah

766

00:37:36,010 --> 00:37:33,260

we looked I looked at you know

767

00:37:38,320 --> 00:37:36,020

illuminated blimps in the area you know

768

00:37:39,790 --> 00:37:38,330

there were the Goodyear blimp wasn't out

769

00:37:41,710 --> 00:37:39,800

there and he said well it didn't look

770

00:37:43,490 --> 00:37:41,720

like I know if I know what a blimp looks

771

00:37:46,430 --> 00:37:43,500

like this this wasn't that it was

772

00:37:49,640 --> 00:37:46,440

you know it was bright very bright with

773

00:37:52,180 --> 00:37:49,650

this one black stain on the back I after

774

00:37:55,490 --> 00:37:52,190

I I kept this case open a little over

775

00:37:57,349 --> 00:37:55,500

and and finally I had to tell him I said

776

00:38:00,800 --> 00:37:57,359

I don't know what to tell you I tried to

777

00:38:03,470 --> 00:38:00,810

debunk it as something prosaic and known

778

00:38:06,280 --> 00:38:03,480

and there's there's no known object that

779

00:38:10,250 --> 00:38:06,290

goes from 35,000 feet to 5,000 feet

780

00:38:12,500 --> 00:38:10,260

turns on its axis and then just slowly

781

00:38:16,550 --> 00:38:12,510

flies off into the sunset there's no

782

00:38:21,580 --> 00:38:16,560

such thing and so you you saw UFO it's

783

00:38:28,730 --> 00:38:24,620

that's that it was actually featured on

784

00:38:32,150 --> 00:38:28,740

the on San Diego Channel 8 News they had

785

00:38:35,300 --> 00:38:32,160

Johar's an our executive director from

786

00:38:37,880 --> 00:38:35,310

MUFON on on the news report he he

787

00:38:40,640 --> 00:38:37,890

actually shared shared the story on the

788

00:38:42,260 --> 00:38:40,650

news channel but that was a new one that

789

00:38:48,370 --> 00:38:42,270

that's that's one of the more recent

790

00:38:52,490 --> 00:38:48,380

ones before you move on from that one

791

00:38:55,730 --> 00:38:52,500

there was a I believe there was a

792

00:39:00,760 --> 00:38:55,740

nineteen and I may be totally off on

793

00:39:04,400 --> 00:39:00,770

this but in 1978 UFO sighting in

794

00:39:07,730 --> 00:39:04,410

canadian royal mounted policeman saw an

795

00:39:09,589 --> 00:39:07,740

object that i believe had a tail like

796

00:39:12,620 --> 00:39:09,599

that just what you're you're explaining

797

00:39:14,780 --> 00:39:12,630

I'm almost positive I'm recalling that

798

00:39:18,050 --> 00:39:14,790

there was some type of tail like a fin

799

00:39:19,609 --> 00:39:18,060

on the back of it and very similar so

800

00:39:22,400 --> 00:39:19,619

I'm going to check into that later but

801  
00:39:23,900 --> 00:39:22,410  
that I find that really I love when

802  
00:39:26,030 --> 00:39:23,910  
there's two accounts that there's

803  
00:39:29,030 --> 00:39:26,040  
something similar and there's an arc

804  
00:39:32,780 --> 00:39:29,040  
heart and you know credible Bruce

805  
00:39:39,320 --> 00:39:32,790  
Maccabee actually contacted me and and

806  
00:39:41,839 --> 00:39:39,330  
showed me in his FBI and UFOs book that

807  
00:39:45,620 --> 00:39:41,849  
he published there is one blue butt case

808  
00:39:48,470 --> 00:39:45,630  
back from 1948 that was very similar and

809  
00:39:50,540 --> 00:39:48,480  
looked very similar and this was a multi

810  
00:39:54,380 --> 00:39:50,550  
witness sighting and and they had

811  
00:39:56,839 --> 00:39:54,390  
binoculars and it was one of the Blue

812  
00:39:58,940 --> 00:39:56,849  
Book cases that they couldn't explain

813  
00:40:03,680 --> 00:39:58,950

and it had a tall tail fin on it as well

814

00:40:06,049 --> 00:40:03,690

so it's a thing apparently yeah that is

815

00:40:08,630 --> 00:40:06,059

a for them to have a tail on it is kind

816

00:40:10,130 --> 00:40:08,640

of bizarre if they you know wherever

817

00:40:13,460 --> 00:40:10,140

they're traveling from why they would

818

00:40:16,579 --> 00:40:13,470

need one yeah that is that's a good one

819

00:40:19,370 --> 00:40:16,589

so how does the how did this end this is

820

00:40:21,460 --> 00:40:19,380

just as one of the close cases of an

821

00:40:24,589 --> 00:40:21,470

unknown is that basically what happens

822

00:40:27,650 --> 00:40:24,599

it's closed as an unknown I've certainly

823

00:40:32,390 --> 00:40:27,660

been pushing it out there it's been in

824

00:40:34,729 --> 00:40:32,400

the news and I know that MUFON our our

825

00:40:37,479 --> 00:40:34,739

website that that was the featured case

826

00:40:39,920 --> 00:40:37,489

that you know if you go to MUFON comm

827

00:40:41,660 --> 00:40:39,930

for a couple of weeks that was the main

828

00:40:43,160 --> 00:40:41,670

case that you would see they kind of had

829

00:40:45,529 --> 00:40:43,170

the report up there where everybody

830

00:40:48,130 --> 00:40:45,539

could see it and it's one of the but you

831

00:40:52,400 --> 00:40:48,140

know it's one of the the UFOs that that

832

00:40:54,440 --> 00:40:52,410

that a recent and contemporary that it

833

00:40:58,400 --> 00:40:54,450

means a lot to me I can't explain it

834

00:41:01,459 --> 00:40:58,410

it's a very strange one and you know

835

00:41:04,729 --> 00:41:01,469

when when I write my book I am actually

836

00:41:07,640 --> 00:41:04,739

writing one that I'm sure that case will

837

00:41:10,069 --> 00:41:07,650

will be in there you know along with the

838

00:41:12,559 --> 00:41:10,079

rest of the cases that I've closed as

839

00:41:14,569 --> 00:41:12,569

unknowns there are some cases that I

840

00:41:16,370 --> 00:41:14,579

haven't been able to close as unknowns

841

00:41:19,640 --> 00:41:16,380

that that I still think are really

842

00:41:21,349 --> 00:41:19,650

really good and and when that happens

843

00:41:23,359 --> 00:41:21,359

you know if you don't have quite enough

844

00:41:27,799 --> 00:41:23,369

evidence or you don't have a second

845

00:41:29,900 --> 00:41:27,809

witness or I'll usually close that is

846

00:41:32,599 --> 00:41:29,910

insufficient data and which kind of

847

00:41:35,719 --> 00:41:32,609

keeps it open and that way I can keep on

848

00:41:39,589 --> 00:41:35,729

gathering stuff you know cuz I'll add to

849

00:41:42,229 --> 00:41:39,599

my cases as time goes on you know

850

00:41:47,059 --> 00:41:42,239

especially with experienter cases I mean

851  
00:41:50,269 --> 00:41:47,069  
there's always more visits that happen

852  
00:41:52,459 --> 00:41:50,279  
so sometimes you'll get you'll get the

853  
00:41:55,969 --> 00:41:52,469  
evidence that you really want for a case

854  
00:42:01,339 --> 00:41:55,979  
a few years in so that that's one way

855  
00:42:02,719 --> 00:42:01,349  
that I handle my cases but you know most

856  
00:42:04,039 --> 00:42:02,729  
of the cases again they're usually

857  
00:42:07,130 --> 00:42:04,049  
drones or

858  
00:42:09,739 --> 00:42:07,140  
mylar balloons you know there's all

859  
00:42:10,830 --> 00:42:09,749  
kinds of stuff that people mistake for

860  
00:42:13,560 --> 00:42:10,840  
UFO

861  
00:42:15,360 --> 00:42:13,570  
and it could be a kind of a drag talking

862  
00:42:17,130 --> 00:42:15,370  
to the people that have seen something

863  
00:42:19,200 --> 00:42:17,140

when you know and I've gotten to the

864

00:42:20,820 --> 00:42:19,210

point now where I'll open up the video

865

00:42:23,670 --> 00:42:20,830

and right away I kind of know what I'm

866

00:42:27,090 --> 00:42:23,680

looking at you know that's a galaxy a

867

00:42:28,830 --> 00:42:27,100

galaxy smartphone you know lens flare

868

00:42:30,630 --> 00:42:28,840

you know you'll get like this little

869

00:42:33,780 --> 00:42:30,640

blue ball with the yellow lights around

870

00:42:35,730 --> 00:42:33,790

us it looks technological well it is

871

00:42:38,340 --> 00:42:35,740

technological but it's from inside of

872

00:42:40,130 --> 00:42:38,350

your phone you know yeah that's why I

873

00:42:44,550 --> 00:42:40,140

didn't see it with your eyes

874

00:42:47,520 --> 00:42:44,560

right right well so when when you're

875

00:42:50,310 --> 00:42:47,530

when you're dealing with with the people

876  
00:42:52,770 --> 00:42:50,320  
you mentioned earlier that one of them

877  
00:42:55,710 --> 00:42:52,780  
was a hoax can you or some of them were

878  
00:42:58,170 --> 00:42:55,720  
can you explain what the hoax is were

879  
00:43:02,160 --> 00:42:58,180  
that you basically figured out we're

880  
00:43:04,140 --> 00:43:02,170  
hoaxes oh well you know we don't like it

881  
00:43:08,760 --> 00:43:04,150  
when we get those but you know it's it's

882  
00:43:13,020 --> 00:43:08,770  
a part of this and and you know even you

883  
00:43:15,060 --> 00:43:13,030  
know dr. Hynek himself you know it llli

884  
00:43:16,980 --> 00:43:15,070  
was listening to your ears show with a

885  
00:43:18,870 --> 00:43:16,990  
high-neck brothers I've met miles of

886  
00:43:21,990 --> 00:43:18,880  
good and I've met both of them actually

887  
00:43:23,850 --> 00:43:22,000  
but but I've kind of kept in touch with

888  
00:43:27,870 --> 00:43:23,860

Paul a little bit and I guess that their

889

00:43:30,030 --> 00:43:27,880

dad sort of he loved the hoaxes at first

890

00:43:32,340 --> 00:43:30,040

and he loved trying to figure out what

891

00:43:37,770 --> 00:43:32,350

the you know what what people were

892

00:43:39,930 --> 00:43:37,780

mistaken for flying saucers and and you

893

00:43:42,570 --> 00:43:39,940

know it just it's a part of what you do

894

00:43:45,660 --> 00:43:42,580

if you're a serious field investigator

895

00:43:47,250 --> 00:43:45,670

of a serious UFO investigator you're

896

00:43:49,080 --> 00:43:47,260

going to try to debunk your own cases

897

00:43:52,050 --> 00:43:49,090

you're going to look at your case from

898

00:43:54,720 --> 00:43:52,060

every single side because if you don't

899

00:43:58,640 --> 00:43:54,730

do it somebody's gonna do it for exactly

900

00:44:02,340 --> 00:43:58,650

oh yeah so you want to do it yourself

901  
00:44:04,740 --> 00:44:02,350  
now my my state director my dear friend

902  
00:44:06,840 --> 00:44:04,750  
Jeff Crouse he does tend to overload my

903  
00:44:08,640 --> 00:44:06,850  
caseload but I want that you know

904  
00:44:11,220 --> 00:44:08,650  
because I know I'm gonna have to go

905  
00:44:13,440 --> 00:44:11,230  
through like you know 30 cases before I

906  
00:44:14,280 --> 00:44:13,450  
find something interesting so I want all

907  
00:44:17,070 --> 00:44:14,290  
the balloons

908  
00:44:19,050 --> 00:44:17,080  
I want the drones because somewhere in

909  
00:44:22,440 --> 00:44:19,060  
there I want to find something with with

910  
00:44:24,330 --> 00:44:22,450  
you know multiple witnesses or a real

911  
00:44:26,780 --> 00:44:24,340  
you know a scientists or

912  
00:44:30,270 --> 00:44:26,790  
pilot or policeman that saw something

913  
00:44:33,510 --> 00:44:30,280

that I can't explain and and and that

914

00:44:35,850 --> 00:44:33,520

kind of makes my day do you think that

915

00:44:38,070 --> 00:44:35,860

oh pardon me do you think that when you

916

00:44:40,800 --> 00:44:38,080

tell someone Hey look I can tell you

917

00:44:41,610 --> 00:44:40,810

right now this is a lens flare or this

918

00:44:44,880 --> 00:44:41,620

is a balloon

919

00:44:47,790 --> 00:44:44,890

do you often times get a sense of relief

920

00:44:51,030 --> 00:44:47,800

or do you get people you know that feel

921

00:44:55,830 --> 00:44:51,040

like they want to argue the point both

922

00:44:57,600 --> 00:44:55,840

you know yeah yeah and sometimes you

923

00:45:00,510 --> 00:44:57,610

know I mean if somebody really wants to

924

00:45:02,160 --> 00:45:00,520

argue the point I mean I try to be sweet

925

00:45:04,500 --> 00:45:02,170

about it I'm not going to sit there and

926

00:45:08,100 --> 00:45:04,510

make their UFO go away you know it's

927

00:45:12,990 --> 00:45:08,110

like I have this wasn't even a case is a

928

00:45:14,700 --> 00:45:13,000

sushi chef friend of mine yeah I order

929

00:45:16,980 --> 00:45:14,710

sushi from and he and his daughter were

930

00:45:18,870 --> 00:45:16,990

out and she was on his shoulders and she

931

00:45:22,470 --> 00:45:18,880

points up and says what's that dad and

932

00:45:25,080 --> 00:45:22,480

he took the iPhone video and it was it

933

00:45:27,420 --> 00:45:25,090

was a mylar balloon it really was it was

934

00:45:29,370 --> 00:45:27,430

a mylar balloon it would spin around and

935

00:45:33,270 --> 00:45:29,380

you get the flash from the Sun you know

936

00:45:35,340 --> 00:45:33,280

it wasn't a blinking light but this was

937

00:45:39,060 --> 00:45:35,350

a special moment between he and his

938

00:45:41,610 --> 00:45:39,070

daughter and I wasn't going to sit there

939

00:45:43,800 --> 00:45:41,620

and tell him that it was you know oh you

940

00:45:46,110 --> 00:45:43,810

didn't see anything you saw you know a

941

00:45:49,350 --> 00:45:46,120

balloon and forget about it

942

00:45:51,180 --> 00:45:49,360

it wasn't even a case anyway but I try

943

00:45:54,540 --> 00:45:51,190

to be nice I I don't try to you know

944

00:45:59,370 --> 00:45:54,550

bash people you know with with with

945

00:46:03,150 --> 00:45:59,380

reality you know now if somebody is

946

00:46:06,360 --> 00:46:03,160

trying to if they have a movie deal or

947

00:46:09,870 --> 00:46:06,370

they're gonna have a TV show about UFOs

948

00:46:12,840 --> 00:46:09,880

or something or if it's a computer cgi

949

00:46:17,460 --> 00:46:12,850

hoax where they obviously we're hoping

950

00:46:21,330 --> 00:46:17,470

to to make us look foolish or to make

951  
00:46:24,510 --> 00:46:21,340  
the whole the phenomena look foolish I'm

952  
00:46:28,500 --> 00:46:24,520  
going to go after that a little a little

953  
00:46:30,570 --> 00:46:28,510  
heavier you know it depends on what

954  
00:46:32,640 --> 00:46:30,580  
we're talking about but some guy with

955  
00:46:35,670 --> 00:46:32,650  
his daughter on his shoulders that sees

956  
00:46:38,130 --> 00:46:35,680  
a mylar balloon I'll pretty much leave

957  
00:46:38,430 --> 00:46:38,140  
of that well you know I think that might

958  
00:46:40,319 --> 00:46:38,440  
be a

959  
00:46:42,540 --> 00:46:40,329  
balloon but I don't know I mean you know

960  
00:46:44,730 --> 00:46:42,550  
you that that might have been a UFO and

961  
00:46:46,950 --> 00:46:44,740  
I'll kind of try to let them keep their

962  
00:46:48,809 --> 00:46:46,960  
their sense of wonder you know next time

963  
00:46:50,700 --> 00:46:48,819

they might actually see a real one you

964

00:46:53,400 --> 00:46:50,710

know right you don't want them to stop

965

00:46:55,319 --> 00:46:53,410

looking you know going back to I

966

00:46:58,650 --> 00:46:55,329

mentioned earlier so I was just looking

967

00:47:01,950 --> 00:46:58,660

while you were speaking here I mentioned

968

00:47:04,980 --> 00:47:01,960

the the football-shaped you know UFO

969

00:47:08,910 --> 00:47:04,990

with a with a fin on the back and I just

970

00:47:11,130 --> 00:47:08,920

found this so this was 1978 clarin ville

971

00:47:13,260 --> 00:47:11,140

this was Canada and it was a Royal

972

00:47:16,319 --> 00:47:13,270

Canadian mountain mountain police

973

00:47:18,900 --> 00:47:16,329

officer named Jim Blackwood so anyone

974

00:47:21,359 --> 00:47:18,910

can check that out if you if you googled

975

00:47:23,190 --> 00:47:21,369

that you'll see that that object was

976  
00:47:24,780 --> 00:47:23,200  
actually football-shaped with a fin on

977  
00:47:27,329 --> 00:47:24,790  
the back like what you took you're

978  
00:47:29,430 --> 00:47:27,339  
talking about so that I love that stuff

979  
00:47:31,859 --> 00:47:29,440  
when they're when they connect a similar

980  
00:47:33,870 --> 00:47:31,869  
object oh yeah well I always look for

981  
00:47:38,030 --> 00:47:33,880  
that you know I had another recent case

982  
00:47:42,300 --> 00:47:38,040  
where this one I really loved actually

983  
00:47:43,980 --> 00:47:42,310  
I've had a lot of good ones lately you

984  
00:47:48,960 --> 00:47:43,990  
know I've had a lot of aerospace people

985  
00:47:55,460 --> 00:47:48,970  
coming forward and and I had there was

986  
00:48:03,569 --> 00:48:00,900  
where well anyhow there there were three

987  
00:48:06,450 --> 00:48:03,579  
guys that were out fishing they were on

988  
00:48:10,200 --> 00:48:06,460

a fishing trip they were out out in your

989

00:48:14,370 --> 00:48:10,210

Sequoia National Park area near where

990

00:48:15,780 --> 00:48:14,380

L'Amour Air Force Base is and it was

991

00:48:18,300 --> 00:48:15,790

about 2:00 in the morning they had been

992

00:48:20,309 --> 00:48:18,310

drinking some beer early in the evening

993

00:48:22,859 --> 00:48:20,319

but now they were done drinking beer had

994

00:48:24,750 --> 00:48:22,869

been many hours you know hence you know

995

00:48:26,700 --> 00:48:24,760

cuz I did ask him about that he said no

996

00:48:28,559 --> 00:48:26,710

he weren't drunk you know we we hadn't

997

00:48:30,839 --> 00:48:28,569

been drinking in about six hours at this

998

00:48:32,040 --> 00:48:30,849

point but they're just kind of driving

999

00:48:37,140 --> 00:48:32,050

around they were looking for an

1000

00:48:39,260 --> 00:48:37,150

impromptu campsite and they were hovered

1001  
00:48:43,260 --> 00:48:39,270  
they were hovered over by this strange

1002  
00:48:45,530 --> 00:48:43,270  
strange object it started as a pinpoint

1003  
00:48:47,730 --> 00:48:45,540  
of light and it kept on getting closer

1004  
00:48:49,890 --> 00:48:47,740  
they turned off their car they're

1005  
00:48:51,510 --> 00:48:49,900  
sitting in there the guy was smoking a

1006  
00:48:52,380 --> 00:48:51,520  
cigarette he put his cigarette out he

1007  
00:48:54,900 --> 00:48:52,390  
was looking out the way

1008  
00:48:57,809 --> 00:48:54,910  
though and the way they describe this

1009  
00:49:03,690 --> 00:48:57,819  
was was it looked like a pie wedge it

1010  
00:49:05,640 --> 00:49:03,700  
was black pitch black flat black just I

1011  
00:49:08,910 --> 00:49:05,650  
believe there was only one external

1012  
00:49:13,410 --> 00:49:08,920  
light and that was a middle would flash

1013  
00:49:15,089 --> 00:49:13,420

on and flash off this thing kept on

1014

00:49:20,599 --> 00:49:15,099

getting closer to them and they were

1015

00:49:24,990 --> 00:49:20,609

sort of secret adopt to the side near a

1016

00:49:29,549 --> 00:49:25,000

near the side of a cliff and he felt

1017

00:49:32,430 --> 00:49:29,559

like perhaps they had been observed but

1018

00:49:35,009 --> 00:49:32,440

this thing was hanging really close to

1019

00:49:37,680 --> 00:49:35,019

them and it got a little closer to them

1020

00:49:39,960 --> 00:49:37,690

and a little closer and he said it was

1021

00:49:42,779 --> 00:49:39,970

about the size of a school bus it was pi

1022

00:49:44,640 --> 00:49:42,789

wedge-shaped and the strange thing about

1023

00:49:48,480 --> 00:49:44,650

it is is that it was traveling

1024

00:49:52,259 --> 00:49:48,490

blunt-edged forward and the little tip

1025

00:49:56,430 --> 00:49:52,269

of the PI piece was in the back so I've

1026

00:50:00,299 --> 00:49:56,440

heard before - no no no aerodynamics and

1027

00:50:01,710 --> 00:50:00,309

involved here I don't know if there's

1028

00:50:05,190 --> 00:50:01,720

more to finish up on that particular

1029

00:50:07,829 --> 00:50:05,200

case it's a time for us to take another

1030

00:50:09,870 --> 00:50:07,839

break here so this is mark are you there

1031

00:50:12,509 --> 00:50:09,880

sir listen my guest

1032

00:50:14,339 --> 00:50:12,519

Mardon has dropped out I'll just

1033

00:50:16,559 --> 00:50:14,349

continue with my story because I think

1034

00:50:20,039 --> 00:50:16,569

I'm still on the air here and you know

1035

00:50:21,690 --> 00:50:20,049

the guys were feeling scared and the car

1036

00:50:24,319 --> 00:50:21,700

was off and they were hiding in their

1037

00:50:29,640 --> 00:50:24,329

car they were hiding under the seats

1038

00:50:33,150 --> 00:50:29,650

they felt the hair go up on their arms

1039

00:50:36,990 --> 00:50:33,160

as they were watching this thing they

1040

00:50:42,089 --> 00:50:37,000

could hear a like a hum when it got

1041

00:50:45,890 --> 00:50:42,099

closer to them and anyhow this thing

1042

00:50:50,220 --> 00:50:45,900

hunted over them for about 5-10 minutes

1043

00:50:53,460 --> 00:50:50,230

when it took off it left a like a 45

1044

00:50:56,640 --> 00:50:53,470

degree angle and they were close enough

1045

00:50:59,430 --> 00:50:56,650

to it that they could see as it left it

1046

00:51:00,930 --> 00:50:59,440

had a tracer image of itself that it

1047

00:51:03,240 --> 00:51:00,940

left in its wake

1048

00:51:06,850 --> 00:51:03,250

sort of like the bioluminescence that

1049

00:51:12,340 --> 00:51:06,860

you'll see behind a ship and I've had a

1050

00:51:16,690 --> 00:51:12,350

cases that the same property of a UFO

1051  
00:51:18,580 --> 00:51:16,700  
leaving had the same the same effect to

1052  
00:51:22,240 --> 00:51:18,590  
where you would see the trace or image

1053  
00:51:24,910 --> 00:51:22,250  
of it and and I thought that was really

1054  
00:51:27,880 --> 00:51:24,920  
really interesting Wow Mardon are you

1055  
00:51:31,570 --> 00:51:27,890  
there yeah I think you're I'm just got

1056  
00:51:35,500 --> 00:51:31,580  
your microphone muted you cannot hear me

1057  
00:51:37,330 --> 00:51:35,510  
hang on hang on just one moment I think

1058  
00:51:37,660 --> 00:51:37,340  
we're still on the air can you guys hear

1059  
00:51:43,630 --> 00:51:37,670  
me

1060  
00:51:45,190 --> 00:51:43,640  
you now I have no idea how I no one has

1061  
00:51:48,100 --> 00:51:45,200  
touched the Skype screen and how it

1062  
00:51:50,050 --> 00:51:48,110  
muted itself that's a it must be the

1063  
00:51:52,270 --> 00:51:50,060

government anyway we are late for a

1064

00:51:54,760 --> 00:51:52,280

break so we're going to take a break now

1065

00:51:56,260 --> 00:51:54,770

hang in everyone my guess is Earl Grey

1066

00:52:03,480 --> 00:51:56,270

and we'll be right back right after

1067

00:52:09,030 --> 00:52:07,140

all right welcome back to the show I'm

1068

00:52:11,300 --> 00:52:09,040

Martin will usher host and my guest is

1069

00:52:16,080 --> 00:52:11,310

Earl Grey from Southern California and

1070

00:52:18,510 --> 00:52:16,090

we at the end of the last segment there

1071

00:52:22,320 --> 00:52:18,520

you were pretty much wrapped up that of

1072

00:52:24,960 --> 00:52:22,330

that sighting didn't you the pie the pie

1073

00:52:26,430 --> 00:52:24,970

shaped thing and all that day yeah that

1074

00:52:29,280 --> 00:52:26,440

was one of mine that was that was

1075

00:52:31,590 --> 00:52:29,290

classified as an unknown aerial vehicle

1076  
00:52:34,050 --> 00:52:31,600  
you know that was there's nothing else

1077  
00:52:37,950 --> 00:52:34,060  
that looks like a pie that does that

1078  
00:52:39,240 --> 00:52:37,960  
yeah and it scared the guys I mean they

1079  
00:52:40,920 --> 00:52:39,250  
were scared that they were going to be

1080  
00:52:44,270 --> 00:52:40,930  
abducted or something so they were

1081  
00:52:47,190 --> 00:52:44,280  
hiding behind the seats and you know I

1082  
00:52:49,770 --> 00:52:47,200  
but what really struck me now you know

1083  
00:52:52,200 --> 00:52:49,780  
it's like when we look at any when we

1084  
00:52:54,390 --> 00:52:52,210  
get a UFO case you know you want

1085  
00:52:55,920 --> 00:52:54,400  
multiple witnesses you want to have some

1086  
00:52:59,220 --> 00:52:55,930  
kind of evidence or some kind of

1087  
00:53:00,990 --> 00:52:59,230  
corroborating factor where you can if

1088  
00:53:03,630 --> 00:53:01,000

you're gonna give it an unknown you

1089

00:53:05,940 --> 00:53:03,640

that'll allow that unknown to stand

1090

00:53:09,090 --> 00:53:05,950

until you know unless somebody else can

1091

00:53:13,350 --> 00:53:09,100

disprove it and with that particular

1092

00:53:16,020 --> 00:53:13,360

case what really struck me was that when

1093

00:53:19,140 --> 00:53:16,030

it left it was hanging directly over

1094

00:53:23,390 --> 00:53:19,150

their car and it took off at an angle

1095

00:53:28,230 --> 00:53:23,400

and they could see a tracer image of

1096

00:53:30,450 --> 00:53:28,240

this thing the the pie wedge shape that

1097

00:53:33,240 --> 00:53:30,460

kept on going into the distance and a

1098

00:53:35,610 --> 00:53:33,250

ton there and in the in the sky sort of

1099

00:53:39,290 --> 00:53:35,620

the way that you'll see bioluminescence

1100

00:53:42,150 --> 00:53:39,300

go behind in the wake of a ship and

1101  
00:53:46,200 --> 00:53:42,160  
immediately I it brought to mind another

1102  
00:53:49,770 --> 00:53:46,210  
case that I had where it was a historic

1103  
00:53:53,220 --> 00:53:49,780  
sighting from 1965 by this gentleman

1104  
00:53:55,740 --> 00:53:53,230  
that had sat on his story for years but

1105  
00:53:59,010 --> 00:53:55,750  
it had happened in Venice California and

1106  
00:54:01,650 --> 00:53:59,020  
I was I was a kid living in Venice when

1107  
00:54:03,540 --> 00:54:01,660  
this guy had the sighting just like a

1108  
00:54:06,810 --> 00:54:03,550  
couple of blocks away which I thought

1109  
00:54:09,480 --> 00:54:06,820  
was really really interesting you know I

1110  
00:54:10,980 --> 00:54:09,490  
was a child and he was a teenager but he

1111  
00:54:13,350 --> 00:54:10,990  
was with a friend and they had been at a

1112  
00:54:16,080 --> 00:54:13,360  
dance at the Mormon Church the guy was a

1113  
00:54:16,980 --> 00:54:16,090

Mormon and it was at the at the Mormon

1114

00:54:20,609 --> 00:54:16,990

Church right

1115

00:54:23,460 --> 00:54:20,619

for a dance hoping to meet a pretty girl

1116

00:54:26,250 --> 00:54:23,470

and instead they wound up hanging out

1117

00:54:30,810 --> 00:54:26,260

afterwards and he and his friend saw it

1118

00:54:32,760 --> 00:54:30,820

saw a UFO and it was the same kind of a

1119

00:54:36,890 --> 00:54:32,770

situation where their car was parked

1120

00:54:41,010 --> 00:54:36,900

there the UFO is hovering and it left

1121

00:54:43,589 --> 00:54:41,020

again at an angle from directly over him

1122

00:54:47,280 --> 00:54:43,599

off into the distance and he talked

1123

00:54:49,650 --> 00:54:47,290

about the exact same phenomenon where

1124

00:54:51,450 --> 00:54:49,660

there was a tracer image of this thing

1125

00:54:55,710 --> 00:54:51,460

where you know when it took off you

1126  
00:54:57,780 --> 00:54:55,720  
could see it but repeated in and it kept

1127  
00:55:01,530 --> 00:54:57,790  
on getting smaller into the vanishing

1128  
00:55:03,900 --> 00:55:01,540  
point and and I've heard that same I've

1129  
00:55:06,930 --> 00:55:03,910  
heard it expressed exactly the same in a

1130  
00:55:10,500 --> 00:55:06,940  
couple of other cases as well so in that

1131  
00:55:13,430 --> 00:55:10,510  
case I was able to go back and find that

1132  
00:55:16,230 --> 00:55:13,440  
earlier you know computer management

1133  
00:55:18,240 --> 00:55:16,240  
system case that I'd gotten through

1134  
00:55:22,470 --> 00:55:18,250  
through MUFON I went back in the files

1135  
00:55:25,620 --> 00:55:22,480  
and I was able to to reiterate his

1136  
00:55:28,680 --> 00:55:25,630  
sighting and corroborate this more

1137  
00:55:29,339 --> 00:55:28,690  
recent sighting because of that same

1138  
00:55:34,260 --> 00:55:29,349

effect

1139

00:55:36,920 --> 00:55:34,270

and and personally you know that's the

1140

00:55:39,690 --> 00:55:36,930

kind of thing that I'm looking for in my

1141

00:55:42,690 --> 00:55:39,700

investigations and my adventures you

1142

00:55:46,349 --> 00:55:42,700

know with with this most most

1143

00:55:51,030 --> 00:55:46,359

extraordinary phenomenon is those

1144

00:55:54,690 --> 00:55:51,040

repeated patterns now you've probably

1145

00:55:57,420 --> 00:55:54,700

been over they I'm sure MUFON has been

1146

00:55:59,940 --> 00:55:57,430

contacted a lot from failed missile

1147

00:56:02,430 --> 00:55:59,950

launches or just plain missile launches

1148

00:56:04,349 --> 00:56:02,440

so rocket launches things like that

1149

00:56:08,130 --> 00:56:04,359

probably a lot of them well right our

1150

00:56:12,089 --> 00:56:08,140

our good friend Elon Musk base X you

1151

00:56:14,130 --> 00:56:12,099

know we yeah we uh if there is a SpaceX

1152

00:56:18,109 --> 00:56:14,140

launch from Vandenberg I know I'm gonna

1153

00:56:22,410 --> 00:56:18,119

get about ten new cases you know yeah

1154

00:56:27,089 --> 00:56:22,420

yeah okay well that's that's interesting

1155

00:56:30,240 --> 00:56:27,099

so what about some cases are there any

1156

00:56:33,450 --> 00:56:30,250

ones that come to mind that

1157

00:56:35,370 --> 00:56:33,460

involve electronics failing and vehicles

1158

00:56:38,580 --> 00:56:35,380

things like that that any of any of

1159

00:56:44,910 --> 00:56:38,590

those cases happen there mmm well sure

1160

00:56:47,910 --> 00:56:44,920

that's definitely a thing you know I

1161

00:56:51,480 --> 00:56:47,920

mean I had a recent case where it could

1162

00:56:55,740 --> 00:56:51,490

have caused that but the guys that were

1163

00:56:57,660 --> 00:56:55,750

that that that were the witnesses they

1164

00:57:00,030 --> 00:56:57,670

they well he had seen Close Encounters

1165

00:57:02,730 --> 00:57:00,040

of the Third Kind so they turned their

1166

00:57:06,180 --> 00:57:02,740

car off you know which was probably a

1167

00:57:10,050 --> 00:57:06,190

smart thing because as a lot of us know

1168

00:57:12,300 --> 00:57:10,060

you know UFOs can cause an EMP and it

1169

00:57:16,020 --> 00:57:12,310

can it can stop your engine that can

1170

00:57:18,120 --> 00:57:16,030

even mess your engine up so I'm trying

1171

00:57:20,040 --> 00:57:18,130

to think if I've had any any cases where

1172

00:57:22,620 --> 00:57:20,050

I mean I've had plenty of cases where

1173

00:57:24,900 --> 00:57:22,630

okay I've got one well I just thought

1174

00:57:27,150 --> 00:57:24,910

of one there there was one sighting that

1175

00:57:31,650 --> 00:57:27,160

was over Hollywood California this was

1176  
00:57:34,620 --> 00:57:31,660  
about a year and a half ago and and it

1177  
00:57:40,050 --> 00:57:34,630  
was a flying saucer these guys were

1178  
00:57:42,330 --> 00:57:40,060  
watching this thing and and and the guy

1179  
00:57:44,220 --> 00:57:42,340  
went for his iPhone both he and his

1180  
00:57:48,150 --> 00:57:44,230  
girlfriend they said that their iPhones

1181  
00:57:50,820 --> 00:57:48,160  
were charged and I talked with them they

1182  
00:57:54,630 --> 00:57:50,830  
pull the iPhones out and there was there

1183  
00:57:54,990 --> 00:57:54,640  
was zero zero charge and you hear that a

1184  
00:57:57,540 --> 00:57:55,000  
lot

1185  
00:58:00,390 --> 00:57:57,550  
there's there's I think that if you're

1186  
00:58:03,120 --> 00:58:00,400  
close if you're close enough to a UFO if

1187  
00:58:05,580 --> 00:58:03,130  
you think of taking a photograph or a

1188  
00:58:08,820 --> 00:58:05,590

video and and oftentimes people don't

1189

00:58:10,800 --> 00:58:08,830

yeah you know I mean I've seen it and

1190

00:58:13,020 --> 00:58:10,810

I've had an anomalous sighting before

1191

00:58:15,750 --> 00:58:13,030

the last thing that came to my mind was

1192

00:58:17,790 --> 00:58:15,760

going for my iPhone and I don't know if

1193

00:58:22,310 --> 00:58:17,800

it's some psychological effect that our

1194

00:58:25,500 --> 00:58:22,320

visitors are you know putting upon us

1195

00:58:27,000 --> 00:58:25,510

but but that's a thing people just

1196

00:58:30,660 --> 00:58:27,010

forget that there's such a thing as a

1197

00:58:33,360 --> 00:58:30,670

photograph or a video so I think that

1198

00:58:36,450 --> 00:58:33,370

and I've thought about that a lot Martin

1199

00:58:38,640 --> 00:58:36,460

I've wondered about it and I thought it

1200

00:58:41,130 --> 00:58:38,650

was a problem at one time and now I I

1201  
00:58:44,230 --> 00:58:41,140  
don't think it's such a problem I think

1202  
00:58:48,010 --> 00:58:44,240  
that our visitors are well aware

1203  
00:58:51,700 --> 00:58:48,020  
that there hold on one second I just

1204  
00:58:54,309 --> 00:58:51,710  
kicked my kick my earphone microphone

1205  
00:58:56,109 --> 00:58:54,319  
out there yeah I did I think that our I

1206  
00:58:57,579 --> 00:58:56,119  
I've gotten to the point where I don't

1207  
00:59:00,099 --> 00:58:57,589  
think there's really such a thing as a

1208  
00:59:03,069 --> 00:59:00,109  
random sighting I think that that that

1209  
00:59:06,460 --> 00:59:03,079  
we're being shown stuff I think that

1210  
00:59:08,349 --> 00:59:06,470  
it's for a for our benefit I think that

1211  
00:59:10,420 --> 00:59:08,359  
it's intentional that they're being seen

1212  
00:59:13,420 --> 00:59:10,430  
otherwise they might not cloak all the

1213  
00:59:16,900 --> 00:59:13,430

time I have so many UFO sightings where

1214

00:59:18,700 --> 00:59:16,910

it goes in and out you know blinks into

1215

00:59:22,020 --> 00:59:18,710

existence right and then it's almost

1216

00:59:24,880 --> 00:59:22,030

like a cloaking field comes back in I

1217

00:59:27,809 --> 00:59:24,890

think that it's an intentional thing

1218

00:59:30,870 --> 00:59:27,819

that they're they're just like slowly

1219

00:59:33,730 --> 00:59:30,880

they want us to know that they're there

1220

00:59:37,630 --> 00:59:33,740

there was famous UFO sighting it was

1221

00:59:40,870 --> 00:59:37,640

called the Eagle River UFO where this

1222

00:59:43,720 --> 00:59:40,880

guy saw a flying saucer it came down and

1223

00:59:46,720 --> 00:59:43,730

these guys had more or less an et

1224

00:59:49,240 --> 00:59:46,730

hibachi in there right they asked him to

1225

00:59:52,359 --> 00:59:49,250

go get them some pure water they wanted

1226

00:59:53,740 --> 00:59:52,369

pure water right so he went he got some

1227

00:59:56,620 --> 00:59:53,750

water from the well he brought it back

1228

00:59:58,420 --> 00:59:56,630

and they proceeded to cook him buckwheat

1229

01:00:02,859 --> 00:59:58,430

pancakes and there you have that one

1230

01:00:05,230 --> 01:00:02,869

yeah I remember that one it's so far out

1231

01:00:09,220 --> 01:00:05,240

there that it's almost it's almost has

1232

01:00:12,700 --> 01:00:09,230

to be believable but they there was a

1233

01:00:15,130 --> 01:00:12,710

quote from the entity the entity said we

1234

01:00:20,200 --> 01:00:15,140

want you to believe in us but not that

1235

01:00:22,329 --> 01:00:20,210

much and they took off and I sort of

1236

01:00:24,520 --> 01:00:22,339

think you know I keep on returning to

1237

01:00:27,609 --> 01:00:24,530

that and I I'd mention that story a lot

1238

01:00:30,309 --> 01:00:27,619

because I I see something there that I

1239

01:00:32,559 --> 01:00:30,319

think that you know they want this to be

1240

01:00:36,099 --> 01:00:32,569

seeping into our culture seeping into

1241

01:00:38,079 --> 01:00:36,109

our lives that we aren't alone and maybe

1242

01:00:41,170 --> 01:00:38,089

that's why people didn't really react to

1243

01:00:42,819 --> 01:00:41,180

the to the tick-tack UFO story with so

1244

01:00:44,589 --> 01:00:42,829

much when it came up in the New York

1245

01:00:47,020 --> 01:00:44,599

Times you know people have just sort of

1246

01:00:48,460 --> 01:00:47,030

been inundated with this and they kind

1247

01:00:50,200 --> 01:00:48,470

of take it for granted now it's like

1248

01:00:52,089 --> 01:00:50,210

well so what yeah sure we know this is

1249

01:00:54,730 --> 01:00:52,099

real you know yeah

1250

01:00:57,190 --> 01:00:54,740

seventy I think seventy percent of the

1251  
01:00:57,550 --> 01:00:57,200  
people out there now pretty much believe

1252  
01:00:59,680 --> 01:00:57,560  
that the

1253  
01:01:03,220 --> 01:00:59,690  
phenomenon is at least there's something

1254  
01:01:06,640 --> 01:01:03,230  
to it you know and maybe this is kind of

1255  
01:01:08,710 --> 01:01:06,650  
what they've worked towards you know for

1256  
01:01:11,590 --> 01:01:08,720  
however many years of the many many many

1257  
01:01:13,690 --> 01:01:11,600  
years that people have had anomalous

1258  
01:01:15,490 --> 01:01:13,700  
sightings that they want us to believe

1259  
01:01:18,190 --> 01:01:15,500  
in them but not that much

1260  
01:01:21,580 --> 01:01:18,200  
Wow I suppose I think it's interesting

1261  
01:01:24,130 --> 01:01:21,590  
and it also brings up the point were why

1262  
01:01:26,680 --> 01:01:24,140  
would they have lights you know maybe

1263  
01:01:33,250 --> 01:01:26,690

they have lights because they want us to

1264

01:01:35,380 --> 01:01:33,260

see them as well and you know duh and

1265

01:01:37,650 --> 01:01:35,390

you know it's funny that I mentioned at

1266

01:01:41,110 --> 01:01:37,660

the very beginning of the show of the

1267

01:01:43,360 --> 01:01:41,120

dinner guests that I spoke with last

1268

01:01:46,210 --> 01:01:43,370

night mentioned you know her three

1269

01:01:47,830 --> 01:01:46,220

encounters and and two of them did just

1270

01:01:50,170 --> 01:01:47,840

what you're saying they vanished plus

1271

01:01:50,890 --> 01:01:50,180

she's shot up and blank they were gone

1272

01:01:56,350 --> 01:01:50,900

just like that

1273

01:01:59,020 --> 01:01:56,360

and that is also pretty bizarre almost

1274

01:02:00,970 --> 01:01:59,030

makes you wonder you know what that's

1275

01:02:03,340 --> 01:02:00,980

about if it's cloaking or another

1276

01:02:08,020 --> 01:02:03,350

dimension or what the heck it's it's

1277

01:02:10,330 --> 01:02:08,030

it's all about fascinating though it's

1278

01:02:14,670 --> 01:02:10,340

hi it's it's you know it's like arthur c

1279

01:02:17,560 --> 01:02:14,680

clarke said that any any you know

1280

01:02:20,710 --> 01:02:17,570

significantly advanced technology is

1281

01:02:22,060 --> 01:02:20,720

indistinguishable from magic and and i

1282

01:02:24,490 --> 01:02:22,070

think that that's kind of what we're

1283

01:02:30,280 --> 01:02:24,500

we're dealing with that that it's that

1284

01:02:32,770 --> 01:02:30,290

they're not gods but but you know if you

1285

01:02:35,080 --> 01:02:32,780

had taken somebody from 300 years ago

1286

01:02:36,700 --> 01:02:35,090

and doesn't see you know and put them

1287

01:02:38,890 --> 01:02:36,710

into our culture and showed them an

1288

01:02:41,830 --> 01:02:38,900

iphone he would be baffled he would

1289

01:02:45,310 --> 01:02:41,840

think of these you know i mean it's the

1290

01:02:47,500 --> 01:02:45,320

same thing with us so and that's a

1291

01:02:50,290 --> 01:02:47,510

that's just a short-time in the scope of

1292

01:02:52,870 --> 01:02:50,300

things for such a giant leap of

1293

01:02:55,300 --> 01:02:52,880

technology and you just came and imagine

1294

01:02:59,260 --> 01:02:55,310

what that's like if you add a million

1295

01:03:02,530 --> 01:02:59,270

years to what we are now and then again

1296

01:03:04,900 --> 01:03:02,540

it's always whether we can make it

1297

01:03:08,530 --> 01:03:04,910

through without blowing ourselves up you

1298

01:03:10,870 --> 01:03:08,540

know and keep going well I certainly

1299

01:03:14,140 --> 01:03:10,880

hope you get

1300

01:03:15,730 --> 01:03:14,150

I mean you know Ill also I mean I think

1301

01:03:17,890 --> 01:03:15,740

it's possible that some of the things

1302

01:03:19,840 --> 01:03:17,900

that people are seeing or maybe even us

1303

01:03:21,970 --> 01:03:19,850

from the future I don't think that it's

1304

01:03:25,000 --> 01:03:21,980

just one thing that that's happening on

1305

01:03:27,570 --> 01:03:25,010

earth yeah um it's a lot of speculation

1306

01:03:31,210 --> 01:03:27,580

about that you go back to the the old

1307

01:03:34,300 --> 01:03:31,220

you know late 1800s airship sightings

1308

01:03:37,150 --> 01:03:34,310

and and or he could go back to Ezekiel

1309

01:03:40,570 --> 01:03:37,160

squeal and in the Bible you know yeah

1310

01:03:44,200 --> 01:03:40,580

wheel with a wheel yeah yeah yeah

1311

01:03:47,010 --> 01:03:44,210

you know Sanskrit I mean in the in the

1312

01:03:51,100 --> 01:03:47,020

India I mean there's there's a lot of a

1313

01:03:53,380 --> 01:03:51,110

lot of Sanskrit writings from from 5,000

1314

01:03:54,760 --> 01:03:53,390

years ago even that that sounds very

1315

01:03:57,970 --> 01:03:54,770

very compelling

1316

01:04:01,120 --> 01:03:57,980

right right so let's talk about some of

1317

01:04:04,960 --> 01:04:01,130

the other intriguing cases that you've

1318

01:04:08,080 --> 01:04:04,970

been working on or or have closed

1319

01:04:10,690 --> 01:04:08,090

already you know one well we I had one

1320

01:04:13,300 --> 01:04:10,700

that that's a really interesting one it

1321

01:04:18,100 --> 01:04:13,310

was actually we you know MUFON puts out

1322

01:04:20,350 --> 01:04:18,110

this UFO cases of interest book and this

1323

01:04:23,200 --> 01:04:20,360

one was was in that book it had happened

1324

01:04:25,510 --> 01:04:23,210

out in a Sousa California which is a few

1325

01:04:31,410 --> 01:04:25,520

miles from where I live here about I

1326

01:04:34,390 --> 01:04:31,420

have 30 miles away and two women saw

1327

01:04:36,610 --> 01:04:34,400

this this strange light that was

1328

01:04:39,040 --> 01:04:36,620

hovering over the mountain range and it

1329

01:04:41,140 --> 01:04:39,050

was doing what what they call the

1330

01:04:43,570 --> 01:04:41,150

falling leaf motion where it was two

1331

01:04:47,110 --> 01:04:43,580

lights that were kind of going up and

1332

01:04:49,090 --> 01:04:47,120

down up and down next to each other the

1333

01:04:51,450 --> 01:04:49,100

one woman it had a bat you know she had

1334

01:04:55,780 --> 01:04:51,460

actually had a quite an extraordinary

1335

01:05:01,330 --> 01:04:55,790

sighting back in her her youth the other

1336

01:05:04,540 --> 01:05:01,340

woman was not really into UFOs but the

1337

01:05:06,550 --> 01:05:04,550

woman who was said let's get in the car

1338

01:05:08,800 --> 01:05:06,560

let's go let's see if we can get there

1339

01:05:10,740 --> 01:05:08,810

yeah and they went chasing across

1340

01:05:14,230 --> 01:05:10,750

downtown Asuza

1341

01:05:15,930 --> 01:05:14,240

I like to think of it as a car chase but

1342

01:05:18,330 --> 01:05:15,940

it wasn't like they were actually

1343

01:05:20,950 --> 01:05:18,340

chasing it through Asuza and

1344

01:05:24,370 --> 01:05:20,960

unfortunately it would be a better story

1345

01:05:26,049 --> 01:05:24,380

if they had been but they got there

1346

01:05:28,390 --> 01:05:26,059

as fast as they could and they got

1347

01:05:33,609 --> 01:05:28,400

caught they got caught in a cul-de-sac

1348

01:05:34,990 --> 01:05:33,619

near this park they stopped the car and

1349

01:05:37,380 --> 01:05:35,000

they were trying to figure out how they

1350

01:05:39,670 --> 01:05:37,390

could get closer to the mountain range

1351

01:05:43,180 --> 01:05:39,680

and the mountain range where this was

1352

01:05:47,529 --> 01:05:43,190

happening is an old they say that it's a

1353

01:05:49,269 --> 01:05:47,539

decommissioned torpedo base which is

1354

01:05:51,400 --> 01:05:49,279

interesting it's in the mountains you

1355

01:05:54,400 --> 01:05:51,410

know but there's a reservoir there's a

1356

01:05:58,120 --> 01:05:54,410

reservoir that's there there's there's

1357

01:06:00,809 --> 01:05:58,130

also you know mining fur fur for exotic

1358

01:06:04,240 --> 01:06:00,819

metals in the area and that whole area

1359

01:06:07,690 --> 01:06:04,250

has been taken it was bought over by the

1360

01:06:10,420 --> 01:06:07,700

federal government back about seven

1361

01:06:12,999 --> 01:06:10,430

years eight years ago so you can only

1362

01:06:16,720 --> 01:06:13,009

get so close to where they were watching

1363

01:06:19,740 --> 01:06:16,730

this these two objects hovering anyhow

1364

01:06:22,569 --> 01:06:19,750

they were sitting in their car watching

1365

01:06:24,370 --> 01:06:22,579

the falling leaf motion of this thing we

1366

01:06:27,249 --> 01:06:24,380

know there was a light off to the right

1367

01:06:31,089 --> 01:06:27,259

hand side and they turned around and the

1368

01:06:34,299 --> 01:06:31,099

two women saw a flying saucer the thing

1369

01:06:39,249 --> 01:06:34,309

was about thirty five feet across had

1370

01:06:41,140 --> 01:06:39,259

four or five very delineated lights that

1371

01:06:44,589 --> 01:06:41,150

were under it was lighting the house

1372

01:06:46,900 --> 01:06:44,599

that was underneath the object again

1373

01:06:50,859 --> 01:06:46,910

this thing would blink in and out it's

1374

01:06:53,710 --> 01:06:50,869

like it had some sort of camouflage that

1375

01:06:56,200 --> 01:06:53,720

was either not working properly or or

1376

01:07:02,259 --> 01:06:56,210

purposefully wasn't working so they

1377

01:07:04,089 --> 01:07:02,269

could see it so I mean they put the

1378

01:07:07,150 --> 01:07:04,099

report and I got a hold of them the next

1379

01:07:10,740 --> 01:07:07,160

day I went out to the site two days

1380

01:07:13,480 --> 01:07:10,750

later and I interviewed both women I

1381

01:07:17,859 --> 01:07:13,490

talked to the the gentleman that owned

1382

01:07:19,480 --> 01:07:17,869

the house and he was a very religious

1383

01:07:21,279 --> 01:07:19,490

man and he really didn't want to have

1384

01:07:24,279 --> 01:07:21,289

anything to do with it it was pretty

1385

01:07:25,749 --> 01:07:24,289

much get off of my lawn it is what he

1386

01:07:30,309 --> 01:07:25,759

was saying to me

1387

01:07:32,650 --> 01:07:30,319

Wow I pretty much you know I went to all

1388

01:07:34,749 --> 01:07:32,660

the houses around his and I talked to

1389

01:07:36,039 --> 01:07:34,759

people even my cards and unfortunately

1390

01:07:36,759 --> 01:07:36,049

this happened right around the

1391

01:07:38,289 --> 01:07:36,769

dinner-hour

1392

01:07:39,849 --> 01:07:38,299

so people

1393

01:07:41,079 --> 01:07:39,859

weren't out on their porches they

1394

01:07:43,809 --> 01:07:41,089

weren't anywhere where they could have

1395

01:07:48,130 --> 01:07:43,819

seen this thankfully there was a guy

1396

01:07:52,509 --> 01:07:48,140

that lived in the town about how five

1397

01:07:55,749 --> 01:07:52,519

miles over and he watched the two

1398

01:07:57,910 --> 01:07:55,759

objects by the hill leaving he described

1399

01:08:00,549 --> 01:07:57,920

the exact same thing he didn't see the

1400

01:08:03,099 --> 01:08:00,559

flying saucer but he saw the two objects

1401

01:08:07,150 --> 01:08:03,109

over the hill he saw them leaving that

1402

01:08:10,299 --> 01:08:07,160

town so we do have one unconnected

1403

01:08:13,029 --> 01:08:10,309

witness to this case we have the two

1404

01:08:15,400 --> 01:08:13,039

women who their stories remain the same

1405

01:08:19,359 --> 01:08:15,410

over the last year and a half since this

1406

01:08:22,049 --> 01:08:19,369

their sighting happened and I'm you know

1407

01:08:25,689 --> 01:08:22,059

in constant contact with both of them

1408

01:08:29,379 --> 01:08:25,699

and then neither of them have any reason

1409

01:08:31,209 --> 01:08:29,389

to make some crazy story up like this so

1410

01:08:35,410 --> 01:08:31,219

to me that was one of the better

1411

01:08:38,339 --> 01:08:35,420

sightings that we we've had just more or

1412

01:08:41,499 --> 01:08:38,349

less usually refer to it as the Asuza

1413

01:08:44,200 --> 01:08:41,509

UFO but that was a really really good

1414

01:08:46,780 --> 01:08:44,210

sighting I mean it was three different

1415

01:08:48,879 --> 01:08:46,790

objects that they were watching and you

1416

01:08:51,370 --> 01:08:48,889

have to wonder well why did this appear

1417

01:08:54,069 --> 01:08:51,380

to these women well they went chasing

1418

01:08:56,410 --> 01:08:54,079

after trying trying to find the UFO and

1419

01:08:58,780 --> 01:08:56,420

they couldn't quite get there and my

1420

01:09:01,149 --> 01:08:58,790

feeling and and and their feeling as

1421

01:09:04,479 --> 01:09:01,159

well as was well maybe it turned around

1422

01:09:07,479 --> 01:09:04,489

in it it it went and found down you know

1423

01:09:09,669 --> 01:09:07,489

and that's sort of the nature of the

1424

01:09:11,200 --> 01:09:09,679

phenomena you know it's a this is what I

1425

01:09:13,450 --> 01:09:11,210

have found that I believe it's an

1426

01:09:17,140 --> 01:09:13,460

interactive phenomena it's well aware of

1427

01:09:20,499 --> 01:09:17,150

us there's technologies that we can't

1428

01:09:21,970 --> 01:09:20,509

even begin to understand and and if you

1429

01:09:24,430 --> 01:09:21,980

have an interest I think that it

1430

01:09:27,280 --> 01:09:24,440

probably has an interest in you you know

1431

01:09:30,339 --> 01:09:27,290

that probably has an interest in you so

1432

01:09:33,609 --> 01:09:30,349

these ladies were I think they were

1433

01:09:35,410 --> 01:09:33,619

being shown something yeah yeah that's

1434

01:09:37,959 --> 01:09:35,420

that's really an interesting one there's

1435

01:09:39,640 --> 01:09:37,969

there's also you know I've mentioned

1436

01:09:42,609 --> 01:09:39,650

this a number of times on the show it's

1437

01:09:45,729 --> 01:09:42,619

also I think it's very interesting that

1438

01:09:48,609 --> 01:09:45,739

a lot of times people will have the same

1439

01:09:51,549 --> 01:09:48,619

sighting of a sighting over the same

1440

01:09:55,020 --> 01:09:51,559

whatever it is craft or whatever it is

1441

01:09:57,490 --> 01:09:55,030

many days either many days in a row or

1442

01:10:00,129 --> 01:09:57,500

you know it just makes you wonder why

1443

01:10:02,140 --> 01:10:00,139

something would stay regional why you

1444

01:10:05,049 --> 01:10:02,150

know if it's actually coming here from a

1445

01:10:06,879 --> 01:10:05,059

different area different say planet or

1446

01:10:09,399 --> 01:10:06,889

dimensional wherever it's coming from

1447

01:10:12,490 --> 01:10:09,409

why wouldn't it do more exploring and

1448

01:10:14,260 --> 01:10:12,500

you know go across the landscape or from

1449

01:10:17,229 --> 01:10:14,270

one country to another country you very

1450

01:10:19,870 --> 01:10:17,239

rarely do you hear that I mean you do

1451

01:10:22,000 --> 01:10:19,880

hear that yes but a lot of times it'll

1452

01:10:24,339 --> 01:10:22,010

show up in the same place you know a day

1453

01:10:25,049 --> 01:10:24,349

or two later and it just doesn't make

1454

01:10:28,390 --> 01:10:25,059

any sense

1455

01:10:30,700 --> 01:10:28,400

you don't really get reports like you

1456

01:10:32,859 --> 01:10:30,710

used to get back in the 1950s where oh

1457

01:10:36,279 --> 01:10:32,869

well they are taking soil samples or

1458

01:10:37,899 --> 01:10:36,289

they're collecting fauna and my guess is

1459

01:10:42,879 --> 01:10:37,909

this has probably been going on for a

1460

01:10:45,910 --> 01:10:42,889

long long time you know I this is just

1461

01:10:47,729 --> 01:10:45,920

hypothesis on on my part but I think

1462

01:10:51,390 --> 01:10:47,739

that the phenomena has been with us

1463

01:10:54,100 --> 01:10:51,400

forever you know Chuck Jacques Vallee

1464

01:10:57,549 --> 01:10:54,110

talks about this you know he talks about

1465

01:11:00,370 --> 01:10:57,559

the you know fairies and leprechauns and

1466

01:11:02,709 --> 01:11:00,380

and and the weirdness that that's you

1467

01:11:05,439 --> 01:11:02,719

know seems to have always been tagging

1468

01:11:08,439 --> 01:11:05,449

planet Earth you know and and society

1469

01:11:10,540 --> 01:11:08,449

and and and of course Jacques fillet

1470

01:11:13,959 --> 01:11:10,550

believes that the UFO phenomenon is

1471

01:11:17,310 --> 01:11:13,969

probably a part of this that and and and

1472

01:11:20,560 --> 01:11:17,320

I don't think that it's necessarily a an

1473

01:11:23,080 --> 01:11:20,570

extraterrestrial phenomenon I think that

1474

01:11:25,270 --> 01:11:23,090

it's an outerspace phenomenon I think

1475

01:11:29,260 --> 01:11:25,280

that it could be dimensional as much as

1476

01:11:30,939 --> 01:11:29,270

it's from a distant star system you know

1477

01:11:33,339 --> 01:11:30,949

that it's all outerspace

1478

01:11:37,209 --> 01:11:33,349

to me it really is time and space are

1479

01:11:40,120 --> 01:11:37,219

interconnected and I think that that our

1480

01:11:43,149 --> 01:11:40,130

visitors are coming from all different

1481

01:11:46,180 --> 01:11:43,159

points it's not just one thing that's

1482

01:11:48,669 --> 01:11:46,190

going on and what do you what's your

1483

01:11:51,720 --> 01:11:48,679

opinion on what the government may or

1484

01:11:54,430 --> 01:11:51,730

may not know about this phenomenon I

1485

01:11:57,750 --> 01:11:54,440

think that they are well aware that

1486

01:12:01,479 --> 01:11:57,760

there is a phenomenon that that I know

1487

01:12:04,939 --> 01:12:01,489

just because of my my mom and and and

1488

01:12:07,070 --> 01:12:04,949

the multiple FOIA requests

1489

01:12:09,229 --> 01:12:07,080

that people have been able to put in

1490

01:12:11,770 --> 01:12:09,239

that you know we know that the

1491

01:12:15,290 --> 01:12:11,780

government is very very interested in it

1492

01:12:18,380 --> 01:12:15,300

you know some people you hear a lot

1493

01:12:20,300 --> 01:12:18,390

about secret societies and and that that

1494

01:12:22,880 --> 01:12:20,310

you know they're the secret space

1495

01:12:25,100 --> 01:12:22,890

program and I think you know that we do

1496

01:12:27,970 --> 01:12:25,110

have a secret space program certainly we

1497

01:12:30,620 --> 01:12:27,980

do you know I mean the the the sr-71

1498

01:12:33,380 --> 01:12:30,630

Blackbird was was kept secret for many

1499

01:12:36,290 --> 01:12:33,390

many years and and that thing still

1500

01:12:38,780 --> 01:12:36,300

looks like a you know Buck Rogers for

1501  
01:12:41,410 --> 01:12:38,790  
God's sake makes more futuristic than

1502  
01:12:43,490 --> 01:12:41,420  
anything that we have right now really

1503  
01:12:47,870 --> 01:12:43,500  
so I think that there's some of that

1504  
01:12:49,160 --> 01:12:47,880  
going on but as far as why our visitors

1505  
01:12:51,410 --> 01:12:49,170  
are here I don't know that the

1506  
01:12:54,560 --> 01:12:51,420  
government really is in the know about

1507  
01:12:57,380 --> 01:12:54,570  
it I I I think that there's there's a

1508  
01:12:59,419 --> 01:12:57,390  
lot of worry that people are gonna start

1509  
01:13:01,310 --> 01:12:59,429  
asking them too many questions and they

1510  
01:13:03,470 --> 01:13:01,320  
won't be able to answer them I mean they

1511  
01:13:06,110 --> 01:13:03,480  
can't say that they can protect us from

1512  
01:13:09,320 --> 01:13:06,120  
them that's for sure right something you

1513  
01:13:11,780 --> 01:13:09,330

can bleed in and out of existence or you

1514

01:13:14,810 --> 01:13:11,790

know the the camouflage caused it to you

1515

01:13:17,120 --> 01:13:14,820

know it's like you know Frodo Baggins

1516

01:13:19,430 --> 01:13:17,130

invisibility cloak you know it's the

1517

01:13:21,350 --> 01:13:19,440

same kind of thing you you can't really

1518

01:13:25,370 --> 01:13:21,360

fight something that you can't see that

1519

01:13:27,500 --> 01:13:25,380

doesn't leave a radar track you know you

1520

01:13:29,750 --> 01:13:27,510

know and so I think that that probably

1521

01:13:32,030 --> 01:13:29,760

plays in there is that you know it's why

1522

01:13:34,400 --> 01:13:32,040

it is a national security threat it

1523

01:13:38,030 --> 01:13:34,410

makes them look stupid is what it does

1524

01:13:39,169 --> 01:13:38,040

yeah well yeah they draw and they have

1525

01:13:42,610 --> 01:13:39,179

no control over it

1526

01:13:44,860 --> 01:13:42,620

zero yeah yeah I think that's

1527

01:13:47,750 --> 01:13:44,870

interesting and I I agree

1528

01:13:50,540 --> 01:13:47,760

basically that's kind of my thoughts on

1529

01:13:52,729 --> 01:13:50,550

the situation not that I know any more

1530

01:13:54,850 --> 01:13:52,739

than anyone else but the fact that they

1531

01:13:57,590 --> 01:13:54,860

probably don't really know they know

1532

01:14:00,669 --> 01:13:57,600

something's going on but you know and

1533

01:14:03,470 --> 01:14:00,679

then you know people talk about crashed

1534

01:14:06,590 --> 01:14:03,480

saucers and retrievals and all that and

1535

01:14:08,600 --> 01:14:06,600

you know if that if that is really so

1536

01:14:10,160 --> 01:14:08,610

then you know maybe they know a little

1537

01:14:12,530 --> 01:14:10,170

more or some part of the government

1538

01:14:16,189 --> 01:14:12,540

knows a little more or did maybe they

1539

01:14:17,900 --> 01:14:16,199

don't anymore or a private part I think

1540

01:14:18,770 --> 01:14:17,910

they've got crash materials I'm sure

1541

01:14:21,140 --> 01:14:18,780

they do

1542

01:14:23,450 --> 01:14:21,150

I'm sure they did you know after that I

1543

01:14:25,400 --> 01:14:23,460

mean I know the Marcel family there you

1544

01:14:27,650 --> 01:14:25,410

know Denise Marcel is a very close

1545

01:14:30,410 --> 01:14:27,660

personal friend and I talked with Jessie

1546

01:14:33,500 --> 01:14:30,420

Junior you know oh you know I talked

1547

01:14:35,660 --> 01:14:33,510

with him a lot and and you know that

1548

01:14:37,550 --> 01:14:35,670

that that's not just a story I mean

1549

01:14:40,580 --> 01:14:37,560

they're their grandfather came home with

1550

01:14:44,330 --> 01:14:40,590

his trunk filled with with memory metal

1551

01:14:46,730 --> 01:14:44,340

and my dear friend dr. Irena Scott she

1552

01:14:48,800 --> 01:14:46,740

worked at Battelle Institute and there

1553

01:14:51,140 --> 01:14:48,810

were reports that came out of there that

1554

01:14:55,640 --> 01:14:51,150

you know kind of corroborate that whole

1555

01:14:58,310 --> 01:14:55,650

story that you know that there there was

1556

01:15:02,840 --> 01:14:58,320

a crash the materials that they found

1557

01:15:05,000 --> 01:15:02,850

were light as a feather and if you would

1558

01:15:06,490 --> 01:15:05,010

crunch them up scrunch them up they

1559

01:15:10,120 --> 01:15:06,500

would go right back to their original

1560

01:15:14,870 --> 01:15:10,130

you know shape like there was a you know

1561

01:15:16,160 --> 01:15:14,880

electrostatic element to that metal to

1562

01:15:18,590 --> 01:15:16,170

where it would go back to its original

1563

01:15:20,920 --> 01:15:18,600

shape you could hit it with a

1564

01:15:24,800 --> 01:15:20,930

sledgehammer or shoot bullets at it and

1565

01:15:27,430 --> 01:15:24,810

nothing would happen you know and you

1566

01:15:29,780 --> 01:15:27,440

know when you say that this this is a

1567

01:15:32,540 --> 01:15:29,790

also something that almost doesn't make

1568

01:15:35,870 --> 01:15:32,550

sense so it does all that but yet it

1569

01:15:38,450 --> 01:15:35,880

burst into pieces so how did that happen

1570

01:15:40,340 --> 01:15:38,460

you know I don't know you know I mean

1571

01:15:46,820 --> 01:15:40,350

there's a part of me that wonders if

1572

01:15:49,100 --> 01:15:46,830

maybe that was you know intentional

1573

01:15:51,500 --> 01:15:49,110

maybe they were giving us something

1574

01:15:55,400 --> 01:15:51,510

there you know maybe they wanted us to

1575

01:15:57,500 --> 01:15:55,410

have the technology and then the I think

1576

01:15:58,400 --> 01:15:57,510

there's kind of a hands-off policy with

1577

01:16:01,340 --> 01:15:58,410

us to a point

1578

01:16:03,830 --> 01:16:01,350

it's obviously not hands-off I mean I do

1579

01:16:06,590 --> 01:16:03,840

believe that there I do believe that

1580

01:16:08,780 --> 01:16:06,600

that people are abducted by aliens I

1581

01:16:11,300 --> 01:16:08,790

think that they're doing tests on us

1582

01:16:15,440 --> 01:16:11,310

they are maybe interested in our DNA and

1583

01:16:18,950 --> 01:16:15,450

I I am a member of MUFON experience or

1584

01:16:22,100 --> 01:16:18,960

research team and I talked to many many

1585

01:16:24,470 --> 01:16:22,110

many abductees and visit ease and you

1586

01:16:26,960 --> 01:16:24,480

hear the same stories over and over and

1587

01:16:30,260 --> 01:16:26,970

some people love their aliens some of

1588

01:16:32,689 --> 01:16:30,270

them hate their aliens but you know it

1589

01:16:34,910 --> 01:16:32,699

sounds like something is going on

1590

01:16:37,339 --> 01:16:34,920

that that you know I mean there's

1591

01:16:40,549 --> 01:16:37,349

there's a lot of different elements to

1592

01:16:43,910 --> 01:16:40,559

this phenomenon and it's ongoing its

1593

01:16:46,669 --> 01:16:43,920

ongoing you know I've said a number of

1594

01:16:49,790 --> 01:16:46,679

times I've sometimes I feel like on the

1595

01:16:53,330 --> 01:16:49,800

fence on that whole thing what is the

1596

01:16:55,759 --> 01:16:53,340

most convincing part of it to you is it

1597

01:16:59,589 --> 01:16:55,769

that you hear the same story or a

1598

01:17:02,779 --> 01:16:59,599

similar story from different people yes

1599

01:17:03,859 --> 01:17:02,789

right there I mean I I have people from

1600

01:17:07,790 --> 01:17:03,869

all walks of life

1601  
01:17:13,969 --> 01:17:07,800  
I have scientists I talk with I have

1602  
01:17:17,060 --> 01:17:13,979  
artists that I speak with and you hear

1603  
01:17:19,669 --> 01:17:17,070  
the same stories over and over and over

1604  
01:17:23,629 --> 01:17:19,679  
again and I you know I mean I feel like

1605  
01:17:25,969 --> 01:17:23,639  
like if you take an interest in our

1606  
01:17:32,000 --> 01:17:25,979  
visitors I mean I think that there's

1607  
01:17:34,430 --> 01:17:32,010  
it's sort of it's it's interconnected

1608  
01:17:36,199 --> 01:17:34,440  
you know it's like what I was saying

1609  
01:17:39,109 --> 01:17:36,209  
earlier that that if you're interested

1610  
01:17:41,209 --> 01:17:39,119  
in ET they're interested in you I think

1611  
01:17:44,839 --> 01:17:41,219  
that there's sort of like a joint thing

1612  
01:17:49,370 --> 01:17:44,849  
that happens between the abductees were

1613  
01:17:52,520 --> 01:17:49,380

visit ease and and our visitor or is you

1614

01:17:54,560 --> 01:17:52,530

know but you you hear the same stories

1615

01:17:56,359 --> 01:17:54,570

over and over again and and you hear

1616

01:17:59,569 --> 01:17:56,369

about people going into a hypnagogic

1617

01:18:01,699 --> 01:17:59,579

state you hear about the AHS effect

1618

01:18:07,750 --> 01:18:01,709

taking place where it gets very very

1619

01:18:11,449 --> 01:18:07,760

very quiet you hear the just the same

1620

01:18:15,469 --> 01:18:11,459

stories over and over again people with

1621

01:18:20,930 --> 01:18:15,479

implants they've been medically examined

1622

01:18:23,569 --> 01:18:20,940

I know that you know that the to the

1623

01:18:26,449 --> 01:18:23,579

stars guys that you were talking about

1624

01:18:29,419 --> 01:18:26,459

earlier that that apparently apparently

1625

01:18:34,310 --> 01:18:29,429

Robert Bigelow does have does have

1626

01:18:36,500 --> 01:18:34,320

materials the the experiencer research

1627

01:18:38,180 --> 01:18:36,510

team that I work for that they've they

1628

01:18:42,469 --> 01:18:38,190

have materials I mean they've they've

1629

01:18:45,859 --> 01:18:42,479

gathered implants from people I know one

1630

01:18:46,640 --> 01:18:45,869

gentleman who I talked with pretty

1631

01:18:49,310 --> 01:18:46,650

regularly

1632

01:18:51,470 --> 01:18:49,320

he's become friend he was never a MUFON

1633

01:18:55,610 --> 01:18:51,480

case he's just somebody I met at a MUFON

1634

01:18:57,800 --> 01:18:55,620

meeting and we've kept in touch but he

1635

01:19:00,350 --> 01:18:57,810

keeps on going back and having implants

1636

01:19:04,100 --> 01:19:00,360

taken out of his foot and they keep

1637

01:19:07,850 --> 01:19:04,110

returning he's had them checked out

1638

01:19:10,310 --> 01:19:07,860

before and if you know you keep on

1639

01:19:14,270 --> 01:19:10,320

hearing about these you know the

1640

01:19:15,710 --> 01:19:14,280

metallurgy of the devices had to have

1641

01:19:18,500 --> 01:19:15,720

been created in a zero-gravity

1642

01:19:21,400 --> 01:19:18,510

environment which is not something that

1643

01:19:23,450 --> 01:19:21,410

we can do yet as far as we know anyway

1644

01:19:27,770 --> 01:19:23,460

why are they putting these tracking

1645

01:19:30,320 --> 01:19:27,780

objects in us you know now it brings to

1646

01:19:32,540 --> 01:19:30,330

mind to me I'm a bit of a zoo hypothesis

1647

01:19:34,820 --> 01:19:32,550

in a way because I feel like there's a

1648

01:19:36,650 --> 01:19:34,830

hands-off policy to a point you know the

1649

01:19:39,680 --> 01:19:36,660

we want you to believe in us but not

1650

01:19:42,080 --> 01:19:39,690

that much but yet there's this continual

1651

01:19:44,360 --> 01:19:42,090

interaction you know but they want to

1652

01:19:47,510 --> 01:19:44,370

have the plausible deniability there in

1653

01:19:50,120 --> 01:19:47,520

place and then there's always some some

1654

01:19:52,700 --> 01:19:50,130

crazy aspect to these cases you know

1655

01:19:54,860 --> 01:19:52,710

that almost makes them laughable you

1656

01:20:00,320 --> 01:19:54,870

feel embarrassed to tell your own story

1657

01:20:01,880 --> 01:20:00,330

out there because it's so absurd but you

1658

01:20:03,890 --> 01:20:01,890

know it's just like if you have a wild

1659

01:20:05,720 --> 01:20:03,900

animal park you're gonna go in there and

1660

01:20:06,920 --> 01:20:05,730

you're gonna check up on your animals

1661

01:20:10,690 --> 01:20:06,930

every now and then you're going to

1662

01:20:14,000 --> 01:20:10,700

tranquilize them you're gonna track them

1663

01:20:16,280 --> 01:20:14,010

and you they do know that you're there

1664

01:20:19,040 --> 01:20:16,290

but they don't want the animals to think

1665

01:20:22,730 --> 01:20:19,050

that you're there that much right you

1666

01:20:24,920 --> 01:20:22,740

know that there there's you know it's

1667

01:20:28,700 --> 01:20:24,930

and maybe the prime directive from Star

1668

01:20:31,100 --> 01:20:28,710

Trek is the best example of that so I

1669

01:20:33,950 --> 01:20:31,110

believe that we are being visited I know

1670

01:20:36,230 --> 01:20:33,960

we're being visited you know I've had

1671

01:20:41,240 --> 01:20:36,240

strange occurrences in my own life you

1672

01:20:44,840 --> 01:20:41,250

know and and I'll tell you this since I

1673

01:20:47,330 --> 01:20:44,850

began as as a MUFON field investigator

1674

01:20:53,000 --> 01:20:47,340

I've had a strain of synchronicities in

1675

01:20:56,360 --> 01:20:53,010

my life just coincidences that are

1676

01:21:00,609 --> 01:20:56,370

meaningful that keep on taking place

1677

01:21:03,669 --> 01:21:00,619

over and over and over again in my life

1678

01:21:06,189 --> 01:21:03,679

for I was doing this so you know hands

1679

01:21:08,679 --> 01:21:06,199

on every once in a while you you'd have

1680

01:21:10,619 --> 01:21:08,689

a meaningful coincidence it would happen

1681

01:21:13,359 --> 01:21:10,629

you know I would I would have a

1682

01:21:15,879 --> 01:21:13,369

meaningful coincidence but now it's sort

1683

01:21:19,479 --> 01:21:15,889

of like this the second nature of my

1684

01:21:21,489 --> 01:21:19,489

life and that that is new that's that's

1685

01:21:24,729 --> 01:21:21,499

been going on for four years it didn't

1686

01:21:26,859 --> 01:21:24,739

happen before then so you know I do

1687

01:21:28,869 --> 01:21:26,869

believe that we're being interacted with

1688

01:21:30,759 --> 01:21:28,879

and I think that if you're interested in

1689

01:21:33,069 --> 01:21:30,769

them and you're studying them and you're

1690

01:21:35,020 --> 01:21:33,079

trying to understand it that it's going

1691

01:21:37,060 --> 01:21:35,030

to amplify that it's going to happen in

1692

01:21:41,649 --> 01:21:37,070

your own life and then take me up on

1693

01:21:44,739 --> 01:21:41,659

that out there you know if if you if you

1694

01:21:47,589 --> 01:21:44,749

really really really you know spend some

1695

01:21:49,869 --> 01:21:47,599

time and and energy and try to figure

1696

01:21:52,270 --> 01:21:49,879

this out try to understand what's

1697

01:21:54,719 --> 01:21:52,280

happening on earth I'm willing to bet

1698

01:21:57,489 --> 01:21:54,729

you you're gonna have some strange

1699

01:22:00,279 --> 01:21:57,499

meaningful coincidences taking place in

1700

01:22:01,149 --> 01:22:00,289

your life you'll see it and you know

1701

01:22:06,339 --> 01:22:01,159

write them down

1702

01:22:08,139 --> 01:22:06,349

log book because I I do you know and I

1703

01:22:11,049 --> 01:22:08,149

mean it's gotten to the point now where

1704

01:22:17,100 --> 01:22:11,059

I just kind of I I just sort of go yeah

1705

01:22:20,469 --> 01:22:17,110

there again you know it's a thing so

1706

01:22:23,229 --> 01:22:20,479

what it all means I'm not sure you know

1707

01:22:27,549 --> 01:22:23,239

what what their final you know I think

1708

01:22:29,619 --> 01:22:27,559

that I'm not sure I don't think that

1709

01:22:31,839 --> 01:22:29,629

it's a malevolent phenomenon I don't

1710

01:22:34,869 --> 01:22:31,849

think that it's necessarily a benevolent

1711

01:22:37,239 --> 01:22:34,879

phenomenon it either I think that it's

1712

01:22:40,209 --> 01:22:37,249

just like us but it's just more advanced

1713

01:22:42,850 --> 01:22:40,219

than we are but if you draw close to

1714

01:22:43,919 --> 01:22:42,860

it'll draw close to you I'll guarantee

1715

01:22:46,419 --> 01:22:43,929

you that

1716

01:22:50,290 --> 01:22:46,429

someone in chat wanted to know what your

1717

01:22:55,569 --> 01:22:50,300

thoughts are as far as things running in

1718

01:22:59,709 --> 01:22:55,579

a family yes it seems to have a familial

1719

01:23:02,739 --> 01:22:59,719

thing to it my mom when she was a child

1720

01:23:06,279 --> 01:23:02,749

she had a strange encounter with she

1721

01:23:08,020 --> 01:23:06,289

called it ball lightning but I've talked

1722

01:23:09,939 --> 01:23:08,030

about her experience with a few

1723

01:23:11,770 --> 01:23:09,949

scientists and they you know people say

1724

01:23:14,470 --> 01:23:11,780

well ball lightning can last about five

1725

01:23:16,570 --> 01:23:14,480

six seconds max

1726

01:23:20,530 --> 01:23:16,580

um my mom talked about when she was a

1727

01:23:23,680 --> 01:23:20,540

little girl she was growing up in Iowa

1728

01:23:26,290 --> 01:23:23,690

Muscataine Iowa and she and her sister

1729

01:23:28,810 --> 01:23:26,300

would sleep on the the they had a

1730

01:23:32,320 --> 01:23:28,820

screened-in porch that they would sleep

1731

01:23:34,660 --> 01:23:32,330

in and one night my mom heard this

1732

01:23:37,330 --> 01:23:34,670

buzzing sound she was falling asleep and

1733

01:23:38,710 --> 01:23:37,340

she heard this loud buzzing sound she

1734

01:23:41,470 --> 01:23:38,720

got up she sat up

1735

01:23:43,990 --> 01:23:41,480

she had her pillows there and she said

1736

01:23:47,200 --> 01:23:44,000

that there was this ball of sparks that

1737

01:23:49,060 --> 01:23:47,210

it sounded like a hive of bees and she

1738

01:23:52,060 --> 01:23:49,070

watched this thing come through the

1739

01:23:53,920 --> 01:23:52,070

screen door she said it like squeezed

1740

01:23:58,090 --> 01:23:53,930

right through and retained its shape

1741

01:24:02,229 --> 01:23:58,100

this is about basketball-sized Wow and

1742

01:24:05,229 --> 01:24:02,239

it came into their porch area it hovered

1743

01:24:07,750 --> 01:24:05,239

over her cistern just hovered there for

1744

01:24:10,750 --> 01:24:07,760

a little while it came back to my mom

1745

01:24:14,350 --> 01:24:10,760

and hovered near her again and then it

1746

01:24:17,500 --> 01:24:14,360

pushed back out through the screen my

1747

01:24:19,540 --> 01:24:17,510

mom said that she she got up out of the

1748

01:24:22,229 --> 01:24:19,550

little bed roll that she had set up and

1749

01:24:27,820 --> 01:24:22,239

and she actually chased this ball of

1750

01:24:31,240 --> 01:24:27,830

sparks across a cornfield and it was

1751

01:24:34,360 --> 01:24:31,250

about 30 to 40 feet above her when it

1752

01:24:36,070 --> 01:24:34,370

just stopped there and it was hanging

1753

01:24:38,710 --> 01:24:36,080

there in the sky and she said that she

1754

01:24:41,410 --> 01:24:38,720

got under this thing she said it smelled

1755

01:24:43,660 --> 01:24:41,420

like an electric train which is ozone

1756

01:24:46,180 --> 01:24:43,670

right now she smelled you know is

1757

01:24:51,520 --> 01:24:46,190

electricity and she said that it

1758

01:24:54,190 --> 01:24:51,530

literally went pop and it was gone now

1759

01:24:57,460 --> 01:24:54,200

my mom talked about the story her sister

1760

01:24:59,410 --> 01:24:57,470

talked about it as I was growing up mom

1761

01:25:02,020 --> 01:24:59,420

know I know our old family heard about

1762

01:25:03,930 --> 01:25:02,030

this story but there's there's other

1763

01:25:08,710 --> 01:25:03,940

people that have had the same experience

1764

01:25:12,670 --> 01:25:08,720

there's this ball lightning effect I'm

1765

01:25:15,220 --> 01:25:12,680

gonna bring up my friend dr. Irena Scott

1766

01:25:17,800 --> 01:25:15,230

again that she and her sister had a

1767

01:25:21,430 --> 01:25:17,810

similar event happened when they were

1768

01:25:24,459 --> 01:25:21,440

little girls it was smaller it was like

1769

01:25:26,520 --> 01:25:24,469

ping-pong ball sized it came into the

1770

01:25:28,430 --> 01:25:26,530

room it was spinning around their light

1771

01:25:31,070 --> 01:25:28,440

both of them remember

1772

01:25:34,700 --> 01:25:31,080

you don't share hallucinations right

1773

01:25:38,479 --> 01:25:34,710

they both were awake and alert and they

1774

01:25:41,870 --> 01:25:38,489

saw this it was like observing them it

1775

01:25:45,410 --> 01:25:41,880

and it left their house but it left them

1776

01:25:48,680 --> 01:25:45,420

with this this big question mark in

1777

01:25:50,840 --> 01:25:48,690

their lives and and you know Irena went

1778

01:25:53,840 --> 01:25:50,850

on to work for the DIA she worked for

1779

01:25:57,950 --> 01:25:53,850

Battelle Institute who who may have

1780

01:26:00,560 --> 01:25:57,960

actually gotten the Roswell wreckage but

1781

01:26:05,860 --> 01:26:00,570

tell you know they they figure out the

1782

01:26:11,149 --> 01:26:09,740

objects that you know if you get a like

1783

01:26:14,570 --> 01:26:11,159

in the World War two if you got a

1784

01:26:16,310 --> 01:26:14,580

Japanese zero that came down and there

1785

01:26:17,840 --> 01:26:16,320

was some strange metal in it that we

1786

01:26:21,800 --> 01:26:17,850

didn't understand that would that's

1787

01:26:23,899 --> 01:26:21,810

where it would go so but but there are

1788

01:26:28,280 --> 01:26:23,909

many many people that have this similar

1789

01:26:30,320 --> 01:26:28,290

story to my mom's story and if it sounds

1790

01:26:31,399 --> 01:26:30,330

like we're being observed it sounds like

1791

01:26:33,020 --> 01:26:31,409

we're being watched

1792

01:26:35,780 --> 01:26:33,030

you know I would call that a probe of

1793

01:26:38,410 --> 01:26:35,790

some sort yeah Wow

1794

01:26:43,000 --> 01:26:38,420

someone in chat wanted you to talk about

1795

01:26:50,419 --> 01:26:43,010

the most interesting experience or case

1796

01:26:55,459 --> 01:26:50,429

that you can think of I had I had one

1797

01:26:58,310 --> 01:26:55,469

case the the gentleman who who reported

1798

01:27:00,050 --> 01:26:58,320

it to us did not go anonymous with it so

1799

01:27:03,919 --> 01:27:00,060

I can actually mention him his name's

1800

01:27:06,939 --> 01:27:03,929

Jeff edgemon and he was it's it's a

1801  
01:27:10,340 --> 01:27:06,949  
historic case it happened back in 1992

1802  
01:27:12,560 --> 01:27:10,350  
but he and his family they did he had

1803  
01:27:15,560 --> 01:27:12,570  
had a newborn son about a month before

1804  
01:27:18,470 --> 01:27:15,570  
and they were going to take their their

1805  
01:27:22,129 --> 01:27:18,480  
little baby to meet the meet the

1806  
01:27:26,390 --> 01:27:22,139  
relatives they lived in Bakersfield so

1807  
01:27:30,890 --> 01:27:26,400  
they were driving and it was late in the

1808  
01:27:34,910 --> 01:27:30,900  
evening and they pulled the car

1809  
01:27:37,550 --> 01:27:34,920  
Jeff pulled the car over well he had he

1810  
01:27:41,970 --> 01:27:37,560  
had to take a little bathroom break and

1811  
01:27:45,120 --> 01:27:41,980  
in nature's bathroom right but

1812  
01:27:47,400 --> 01:27:45,130  
his wife were out there he was actually

1813  
01:27:49,050 --> 01:27:47,410

out there and he asked his wife to come

1814

01:27:49,740 --> 01:27:49,060

out he said hey honey come here check

1815

01:27:51,540 --> 01:27:49,750

this out

1816

01:27:53,970 --> 01:27:51,550

she comes out when they're watching

1817

01:27:57,210 --> 01:27:53,980

there's just these really really bright

1818

01:28:00,540 --> 01:27:57,220

stars that were above them and it just

1819

01:28:02,460 --> 01:28:00,550

was unnaturally bright and they're just

1820

01:28:03,840 --> 01:28:02,470

they thought maybe it was just because

1821

01:28:08,970 --> 01:28:03,850

they were out in the desert they were

1822

01:28:11,040 --> 01:28:08,980

near China Lake area so they're looking

1823

01:28:14,310 --> 01:28:11,050

at the sky and the stars start moving

1824

01:28:17,400 --> 01:28:14,320

around they're like going all kinds of

1825

01:28:20,550 --> 01:28:17,410

different directions you know it's like

1826

01:28:25,490 --> 01:28:20,560

what is it like some secret program or

1827

01:28:28,860 --> 01:28:25,500

these satellites they watched them

1828

01:28:32,070 --> 01:28:28,870

literally fall from the sky it's like in

1829

01:28:36,540 --> 01:28:32,080

a circle around them and came down to

1830

01:28:38,910 --> 01:28:36,550

the desert floor at this point Jeff

1831

01:28:42,000 --> 01:28:38,920

noticed is this red ball of light that's

1832

01:28:44,160 --> 01:28:42,010

in the that's in the weeds off to the

1833

01:28:47,700 --> 01:28:44,170

right side you know just off of the road

1834

01:28:49,170 --> 01:28:47,710

and it's like he told me he said that it

1835

01:28:51,240 --> 01:28:49,180

was almost like the way that you would

1836

01:28:53,729 --> 01:28:51,250

play with a kitten with a laser pointer

1837

01:28:57,030 --> 01:28:53,739

I feel like they were trying to distract

1838

01:28:59,130 --> 01:28:57,040

me from what else was going on so he was

1839

01:29:02,900 --> 01:28:59,140

trying to follow this ball of light that

1840

01:29:05,790 --> 01:29:02,910

kept on moving around and moving around

1841

01:29:08,370 --> 01:29:05,800

it was just got very strange he said

1842

01:29:10,590 --> 01:29:08,380

that it became quiet you know he

1843

01:29:13,290 --> 01:29:10,600

couldn't hear crickets chirping you you

1844

01:29:16,020 --> 01:29:13,300

you could hear sounds it became like

1845

01:29:20,910 --> 01:29:16,030

muffled like a cone of silence from got

1846

01:29:25,380 --> 01:29:20,920

smart you know which is anyhow Justin

1847

01:29:28,050 --> 01:29:25,390

was he said that his wife had been to

1848

01:29:31,290 --> 01:29:28,060

the left of him suddenly she wasn't

1849

01:29:33,900 --> 01:29:31,300

there he hears her voice way behind him

1850

01:29:35,640 --> 01:29:33,910

on the other side of the street and he

1851  
01:29:37,950 --> 01:29:35,650  
said the way he described it he said it

1852  
01:29:40,350 --> 01:29:37,960  
was like my wife's boy voice but it

1853  
01:29:46,440 --> 01:29:40,360  
wasn't her voice and she said they

1854  
01:29:49,500 --> 01:29:46,450  
aren't going to hurt us don't worry this

1855  
01:29:52,260 --> 01:29:49,510  
point I for some reason I keep on

1856  
01:29:55,920 --> 01:29:52,270  
bringing up flying saucers today with

1857  
01:30:00,060 --> 01:29:55,930  
you Mardon but I guess that's just the

1858  
01:30:02,880 --> 01:30:00,070  
of the day he saw a disc that was

1859  
01:30:05,190 --> 01:30:02,890  
hovering about four or five feet over

1860  
01:30:08,190 --> 01:30:05,200  
the ground comes skimming over the

1861  
01:30:11,460 --> 01:30:08,200  
desert floor and he was just he said he

1862  
01:30:13,650 --> 01:30:11,470  
nearly peed his pants notice a oil

1863  
01:30:17,130 --> 01:30:13,660

worker guy looks like Bruce Springsteen

1864

01:30:22,160 --> 01:30:17,140

he's no-nonsense you know no funny

1865

01:30:25,560 --> 01:30:22,170

business about this guy whatsoever and

1866

01:30:27,510 --> 01:30:25,570

he watched this thing just race past him

1867

01:30:29,910 --> 01:30:27,520

he said that he can see the moon

1868

01:30:34,500 --> 01:30:29,920

reflected on the side that it was like a

1869

01:30:38,190 --> 01:30:34,510

chromed saucer and suddenly his memories

1870

01:30:40,470 --> 01:30:38,200

just go blank at that point now it was

1871

01:30:44,330 --> 01:30:40,480

about eight hours later that he and his

1872

01:30:46,710 --> 01:30:44,340

wife came to is the word that he used

1873

01:30:48,560 --> 01:30:46,720

but they were standing up they were

1874

01:30:52,830 --> 01:30:48,570

leaning up against the bumper of the car

1875

01:30:54,630 --> 01:30:52,840

the Sun was up there like trying to

1876

01:30:56,430 --> 01:30:54,640

figure out what had happened but they're

1877

01:30:58,230 --> 01:30:56,440

not really talking about it they're

1878

01:31:00,390 --> 01:30:58,240

there feeling embarrassed it's almost

1879

01:31:04,650 --> 01:31:00,400

like somebody told them don't talk about

1880

01:31:06,810 --> 01:31:04,660

this they got back into the car the

1881

01:31:08,990 --> 01:31:06,820

three children were still in the car the

1882

01:31:12,360 --> 01:31:09,000

baby was in the car seat the the two

1883

01:31:13,770 --> 01:31:12,370

older boys were asleep like it was 8

1884

01:31:14,780 --> 01:31:13,780

o'clock in the morning they were still

1885

01:31:17,580 --> 01:31:14,790

asleep

1886

01:31:19,770 --> 01:31:17,590

and they got in the car they kept on

1887

01:31:22,410 --> 01:31:19,780

driving and they drove to the relative's

1888

01:31:26,360 --> 01:31:22,420

house eight hours later than they were

1889

01:31:30,990 --> 01:31:28,440

neither of them felt like they were

1890

01:31:33,000 --> 01:31:31,000

supposed to talk about it when Jeff

1891

01:31:36,120 --> 01:31:33,010

started talking about it a little bit

1892

01:31:39,060 --> 01:31:36,130

you know like months later she was very

1893

01:31:41,940 --> 01:31:39,070

uncomfortable with talking about it and

1894

01:31:43,680 --> 01:31:41,950

it eventually wound up causing a rift in

1895

01:31:48,540 --> 01:31:43,690

their marriage it was it was a problem

1896

01:31:50,490 --> 01:31:48,550

for her to bring it up and that that's

1897

01:31:52,200 --> 01:31:50,500

one of my favorite cases that was

1898

01:31:55,890 --> 01:31:52,210

actually the first unknown that I ever

1899

01:31:59,760 --> 01:31:55,900

closed for MUFON and I'm very very proud

1900

01:32:03,210 --> 01:31:59,770

of that case we were able to you know as

1901

01:32:05,760 --> 01:32:03,220

far as evidence went the date that it

1902

01:32:07,530 --> 01:32:05,770

happened in the end and he he remembered

1903

01:32:09,570 --> 01:32:07,540

the shape of the moon that he saw

1904

01:32:12,420 --> 01:32:09,580

reflected in the side of the flying

1905

01:32:14,820 --> 01:32:12,430

ah sir and it was exactly as you know

1906

01:32:18,180 --> 01:32:14,830

farmers almanaque said it was it was

1907

01:32:22,320 --> 01:32:18,190

like a quarter moon a little a little to

1908

01:32:24,990 --> 01:32:22,330

the waxing side you know it was just a

1909

01:32:27,960 --> 01:32:25,000

wonderful case every every direction I

1910

01:32:30,330 --> 01:32:27,970

looked at it and and it's still a good

1911

01:32:33,060 --> 01:32:30,340

case and it's still an open for me I

1912

01:32:36,270 --> 01:32:33,070

mean I closed it as an unknown but I I

1913

01:32:40,620 --> 01:32:36,280

keep on I keep in touch with Jeff and

1914

01:32:42,990 --> 01:32:40,630

and I think that as far as the cases

1915

01:32:44,940 --> 01:32:43,000

that I've closed it's not a recent one

1916

01:32:47,400 --> 01:32:44,950

but it's one that I think about a lot

1917

01:32:50,550 --> 01:32:47,410

and then that eight hours is very

1918

01:32:53,790 --> 01:32:50,560

interesting yeah that's that's really a

1919

01:32:57,000 --> 01:32:53,800

great one so where where is your the

1920

01:33:00,480 --> 01:32:57,010

region that you actually work in is that

1921

01:33:02,100 --> 01:33:00,490

just go up to a certain area and in

1922

01:33:05,190 --> 01:33:02,110

Southern California can kind of give us

1923

01:33:08,400 --> 01:33:05,200

a geography the geography of where were

1924

01:33:11,220 --> 01:33:08,410

you do your investigations I I have from

1925

01:33:13,650 --> 01:33:11,230

San Diego out to central California a

1926

01:33:16,980 --> 01:33:13,660

little past San Luis Obispo where my

1927

01:33:21,060 --> 01:33:16,990

boss was with Jeff Crouse my state

1928

01:33:24,030 --> 01:33:21,070

director and friend lives and then then

1929

01:33:25,800 --> 01:33:24,040

up Northern California we kind of split

1930

01:33:29,820 --> 01:33:25,810

the state because it's such a huge state

1931

01:33:32,370 --> 01:33:29,830

so my friend Ruben Uriarte oh yeah is a

1932

01:33:34,170 --> 01:33:32,380

state director of Northern California

1933

01:33:37,530 --> 01:33:34,180

and and so they have a wonderful team

1934

01:33:40,320 --> 01:33:37,540

there at California I mean we have two

1935

01:33:42,840 --> 01:33:40,330

of the best MUFON teams that I know you

1936

01:33:45,840 --> 01:33:42,850

know I'm very very proud of us you know

1937

01:33:48,890 --> 01:33:45,850

of the guys up north as well as I am of

1938

01:33:52,140 --> 01:33:48,900

our own field investigators out here

1939

01:33:54,080 --> 01:33:52,150

between the two groups I think that

1940

01:33:57,600 --> 01:33:54,090

we've got California pretty well covered

1941

01:33:59,780 --> 01:33:57,610

right now are there any cases that

1942

01:34:02,760 --> 01:33:59,790

you're aware of that there was actually

1943

01:34:06,890 --> 01:34:02,770

multiple states involved in other words

1944

01:34:10,010 --> 01:34:06,900

California say something drifted into

1945

01:34:12,900 --> 01:34:10,020

you know Utah or Arizona or other

1946

01:34:23,339 --> 01:34:12,910

connecting states what would have been

1947

01:34:26,279 --> 01:34:23,349

you talk hmm yeah sure all we had one

1948

01:34:28,319 --> 01:34:26,289

case that I closed recently and it was

1949

01:34:33,899 --> 01:34:28,329

it was actually another unknown it was

1950

01:34:35,669 --> 01:34:33,909

another aerospace gentleman and it was

1951

01:34:38,089 --> 01:34:35,679

it was another case of where these guys

1952

01:34:41,429 --> 01:34:38,099

were on a fishing trip you know I guess

1953

01:34:44,520 --> 01:34:41,439

if you want to be et go go fishing you

1954

01:34:46,859 --> 01:34:44,530

know stay out late you know is again it

1955

01:34:49,889 --> 01:34:46,869

was like 2:00 or 3:00 in the morning and

1956

01:34:52,919 --> 01:34:49,899

I was himself and his friend and his

1957

01:34:56,429 --> 01:34:52,929

friend's girlfriend and they saw an

1958

01:34:59,790 --> 01:34:56,439

object that was coming from the

1959

01:35:01,919 --> 01:34:59,800

direction of he he mentioned you know it

1960

01:35:05,489 --> 01:35:01,929

could have been coming from area 51 and

1961

01:35:07,679 --> 01:35:05,499

that that's Nevada it's 300 miles away

1962

01:35:09,149 --> 01:35:07,689

from where he was so I don't know if

1963

01:35:10,949 --> 01:35:09,159

that's where it was coming from but

1964

01:35:13,439 --> 01:35:10,959

that's the only one the only case I

1965

01:35:15,659 --> 01:35:13,449

could think of but this was another case

1966

01:35:18,270 --> 01:35:15,669

where these guys saw something that

1967

01:35:22,229 --> 01:35:18,280

looked like a pair of wraparound

1968

01:35:24,899 --> 01:35:22,239

sunglasses it was 500 feet across and it

1969

01:35:28,520 --> 01:35:24,909

was here you can see multiple decks on

1970

01:35:31,319 --> 01:35:28,530

this thing and people walk across and

1971

01:35:33,689 --> 01:35:31,329

and again you know is the same kind of

1972

01:35:36,359 --> 01:35:33,699

you know once it was directly over them

1973

01:35:38,580 --> 01:35:36,369

they felt a hum that seemed to make

1974

01:35:43,589 --> 01:35:38,590

their hair stand up and made them feel

1975

01:35:47,909 --> 01:35:43,599

uncomfortable and it kept on traveling

1976

01:35:50,040 --> 01:35:47,919

off towards the the ocean and and so if

1977

01:35:52,469 --> 01:35:50,050

he was correct if that was coming from

1978

01:35:54,619 --> 01:35:52,479

Nevada in that direction and I guess

1979

01:35:57,270 --> 01:35:54,629

that would have crossed state lines

1980

01:35:59,689 --> 01:35:57,280

other than that one I can't think of

1981

01:36:03,509 --> 01:35:59,699

anything that comes to mind immediately

1982

01:36:06,449 --> 01:36:03,519

except perhaps the the UFO we were

1983

01:36:08,969 --> 01:36:06,459

talking about earlier in the show that

1984

01:36:11,580 --> 01:36:08,979

was heading towards the Baja coast that

1985

01:36:14,129 --> 01:36:11,590

would actually run into Mexico Yeah

1986

01:36:17,040 --> 01:36:14,139

right right that's interesting you're

1987

01:36:18,659 --> 01:36:17,050

talking about the I guess it sounds like

1988

01:36:21,989 --> 01:36:18,669

it could be electromagnetics or

1989

01:36:25,469 --> 01:36:21,999

something you know the static the static

1990

01:36:26,599 --> 01:36:25,479

situation that's now what about triangle

1991

01:36:29,729 --> 01:36:26,609

UFOs

1992

01:36:31,369 --> 01:36:29,739

get lots of those yeah lots of those

1993

01:36:35,459 --> 01:36:31,379

would you say there's that's a

1994

01:36:37,409 --> 01:36:35,469

dominating factor or you know 5050 as

1995

01:36:39,209 --> 01:36:37,419

far as the shapes go I know there's

1996

01:36:42,089 --> 01:36:39,219

always the lights in the sky you know as

1997

01:36:44,159 --> 01:36:42,099

separate it from that people see a lot

1998

01:36:48,109 --> 01:36:44,169

of right now I mean the the the main

1999

01:36:51,779 --> 01:36:48,119

thing people see are our spheres or orbs

2000

01:36:54,359 --> 01:36:51,789

right behind it or discs and triangles

2001

01:36:57,779 --> 01:36:54,369

and then you've got you know

2002

01:37:00,299 --> 01:36:57,789

diamond-shaped objects and else what and

2003

01:37:03,149 --> 01:37:00,309

you know my guess is is that we're being

2004

01:37:05,009 --> 01:37:03,159

like I was saying earlier I don't think

2005

01:37:08,310 --> 01:37:05,019

it's just one thing that's going on I

2006

01:37:10,290 --> 01:37:08,320

like some of the UFOs are ours just like

2007

01:37:13,199 --> 01:37:10,300

people would see the x-15 or they would

2008

01:37:15,540 --> 01:37:13,209

see the sr-71 and they would mistake it

2009

01:37:19,169 --> 01:37:15,550

for a UFO sure you know some of these

2010

01:37:23,790 --> 01:37:19,179

things are our own objects our own black

2011

01:37:26,429 --> 01:37:23,800

projects yeah I think it's very very you

2012

01:37:28,859 --> 01:37:26,439

know very possible that we've figured

2013

01:37:34,580 --> 01:37:28,869

out anti-gravity or at least some of

2014

01:37:36,779 --> 01:37:34,590

that and the black triangles I keep on

2015

01:37:38,580 --> 01:37:36,789

you know and I know people are gonna

2016

01:37:40,439 --> 01:37:38,590

fight with me about this and your

2017

01:37:42,869 --> 01:37:40,449

friends are gonna fight with me about it

2018

01:37:45,750 --> 01:37:42,879

but I think that they look like they are

2019

01:37:48,000 --> 01:37:45,760

coming out of a factory they're all the

2020

01:37:50,129 --> 01:37:48,010

same shape they have the three lights on

2021

01:37:55,139 --> 01:37:50,139

the edges they have the one red light in

2022

01:37:58,529 --> 01:37:55,149

the center and whereas the more the

2023

01:38:00,899 --> 01:37:58,539

stranger UFOs they don't really look

2024

01:38:05,119 --> 01:38:00,909

like they came out of a factory they

2025

01:38:08,790 --> 01:38:05,129

seem to shape-shift more and and they

2026

01:38:11,699 --> 01:38:08,800

they really don't have that manufactured

2027

01:38:13,799 --> 01:38:11,709

look to them but the black triangles

2028

01:38:16,709 --> 01:38:13,809

seem to have sort of a manufactured look

2029

01:38:19,259 --> 01:38:16,719

to them so Ill oftentimes think that

2030

01:38:21,270 --> 01:38:19,269

those are probably ours well I would

2031

01:38:25,529 --> 01:38:21,280

almost agree with you on that

2032

01:38:28,279 --> 01:38:25,539

but there it's been so many early

2033

01:38:30,989 --> 01:38:28,289

sightings that are describing exactly

2034

01:38:33,629 --> 01:38:30,999

you know the same thing or extremely

2035

01:38:35,310 --> 01:38:33,639

close to it you know all the way back

2036

01:38:37,439 --> 01:38:35,320

into the 70s and I just can't imagine

2037

01:38:39,629 --> 01:38:37,449

that they would throw a bat like that in

2038

01:38:42,659 --> 01:38:39,639

the 70s that would never be exposed by

2039

01:38:45,089 --> 01:38:42,669

now well looking at what by now look at

2040

01:38:46,949 --> 01:38:45,099

the Russian space program they they came

2041

01:38:47,550 --> 01:38:46,959

up with a lunar module that looked

2042

01:38:50,220 --> 01:38:47,560

almost

2043

01:38:52,110 --> 01:38:50,230

exactly like ours they had a prototype

2044

01:38:57,330 --> 01:38:52,120

of a space shuttle that looked almost

2045

01:39:00,630 --> 01:38:57,340

exactly like our space shuttle and so

2046

01:39:03,150 --> 01:39:00,640

perhaps we we've you know we're we're

2047

01:39:04,980 --> 01:39:03,160

may be copying that which we've seen you

2048

01:39:06,930 --> 01:39:04,990

know we may be copying something that's

2049

01:39:09,630 --> 01:39:06,940

not from here that's what I think is

2050

01:39:11,910 --> 01:39:09,640

probably going on is that there it's

2051

01:39:13,220 --> 01:39:11,920

it's a human version of something that

2052

01:39:16,170 --> 01:39:13,230

that isn't human

2053

01:39:19,850 --> 01:39:16,180

hmm and you know we talked earlier about

2054

01:39:23,250 --> 01:39:19,860

to the Stars and one of one of their

2055

01:39:26,310 --> 01:39:23,260

mission statements is to try to figure

2056

01:39:30,600 --> 01:39:26,320

out you know propulsion or you know try

2057

01:39:32,580 --> 01:39:30,610

to try to replicate alien technology if

2058

01:39:35,940 --> 01:39:32,590

that's what it is

2059

01:39:37,910 --> 01:39:35,950

by observation and I I just I don't

2060

01:39:41,160 --> 01:39:37,920

understand exactly how that would work

2061

01:39:45,750 --> 01:39:41,170

you have any thoughts on that and on

2062

01:39:48,090 --> 01:39:45,760

that statement by them well you know the

2063

01:39:49,950 --> 01:39:48,100

parts of this phenomena that you can get

2064

01:39:53,010 --> 01:39:49,960

under a microscope and that you can

2065

01:39:55,350 --> 01:39:53,020

figure out go for it you know I mean I

2066

01:39:58,800 --> 01:39:55,360

it seems like this this phenomena is

2067

01:40:01,020 --> 01:39:58,810

science with fuzzy edges and sometimes

2068

01:40:05,730 --> 01:40:01,030

it acts a little bit like like you know

2069

01:40:08,160 --> 01:40:05,740

the like it's you know the paranormal

2070

01:40:10,380 --> 01:40:08,170

phenomenon and then I I think that it's

2071

01:40:12,180 --> 01:40:10,390

not so much paranormal as is that we

2072

01:40:15,750 --> 01:40:12,190

just need to expand our idea of what

2073

01:40:20,940 --> 01:40:15,760

normal is probably you know if you look

2074

01:40:23,010 --> 01:40:20,950

at the the old you know the physics

2075

01:40:25,230 --> 01:40:23,020

experiment with the two slits you know

2076

01:40:28,740 --> 01:40:25,240

where where is it of is it a wave or a

2077

01:40:31,260 --> 01:40:28,750

particle yeah it's it's it's no stranger

2078

01:40:34,260 --> 01:40:31,270

than that if you think about it you know

2079

01:40:37,020 --> 01:40:34,270

I in Stein sort of recoiled at the idea

2080

01:40:40,590 --> 01:40:37,030

that God would play dice with the

2081

01:40:43,370 --> 01:40:40,600

universe but it seems like God just just

2082

01:40:45,570 --> 01:40:43,380

playing dice with the universe you know

2083

01:40:47,550 --> 01:40:45,580

so there's there's a part of this

2084

01:40:49,110 --> 01:40:47,560

phenomena that we can certainly pinpoint

2085

01:40:51,390 --> 01:40:49,120

down and that we can explain

2086

01:40:53,040 --> 01:40:51,400

scientifically I think and I think

2087

01:40:55,640 --> 01:40:53,050

there's also going to be a part of it

2088

01:41:01,199 --> 01:40:55,650

that's always probably going to evade us

2089

01:41:03,540 --> 01:41:01,209

until at least we reott Ain that level

2090

01:41:06,179 --> 01:41:03,550

that that our visitors have attained and

2091

01:41:09,509 --> 01:41:06,189

and Oakley we will and I you know I'm

2092

01:41:12,959 --> 01:41:09,519

all for what what to the stars is doing

2093

01:41:14,729 --> 01:41:12,969

and Robert Bigelow and all those guys if

2094

01:41:16,529 --> 01:41:14,739

they can you know approach this

2095

01:41:19,560 --> 01:41:16,539

scientifically and if they can figure

2096

01:41:21,779 --> 01:41:19,570

out how to replicate it go for it you

2097

01:41:22,589 --> 01:41:21,789

know it's just please you know share it

2098

01:41:25,500 --> 01:41:22,599

with the public

2099

01:41:29,100 --> 01:41:25,510

don't don't you know exactly and yeah

2100

01:41:32,040 --> 01:41:29,110

yeah I'm hoping for that too because you

2101  
01:41:35,399 --> 01:41:32,050  
know otherwise you know conspiracies

2102  
01:41:38,399 --> 01:41:35,409  
will start for one thing well it's all

2103  
01:41:39,959 --> 01:41:38,409  
the Illuminati you know yeah which I

2104  
01:41:41,969 --> 01:41:39,969  
don't you know I don't I don't think it

2105  
01:41:44,429 --> 01:41:41,979  
is I mean please don't quote me saying

2106  
01:41:45,839 --> 01:41:44,439  
that because you know you know I think

2107  
01:41:49,410 --> 01:41:45,849  
that we probably have figured some

2108  
01:41:53,120 --> 01:41:49,420  
things out you know my mom certainly

2109  
01:41:55,859 --> 01:41:53,130  
hinted at that while I was growing up

2110  
01:41:58,649 --> 01:41:55,869  
but I don't think that we're at the

2111  
01:42:00,209 --> 01:41:58,659  
level of our visitors by a longshot

2112  
01:42:02,279 --> 01:42:00,219  
you know they're probably you know

2113  
01:42:05,040 --> 01:42:02,289

millions of years ahead of us you know

2114

01:42:06,989 --> 01:42:05,050

so it's gonna seem like magic to us I

2115

01:42:08,839 --> 01:42:06,999

mean it is you know any sufficiently

2116

01:42:12,509 --> 01:42:08,849

advanced technology it's

2117

01:42:14,729 --> 01:42:12,519

indistinguishable from magic for us and

2118

01:42:17,549 --> 01:42:14,739

and so here we are you know we're like

2119

01:42:20,669 --> 01:42:17,559

Galileo beam you know Galileo Galileo

2120

01:42:24,390 --> 01:42:20,679

Galileo let me go you know and of an

2121

01:42:27,330 --> 01:42:24,400

iPhone you know it's Galileo is really

2122

01:42:29,189 --> 01:42:27,340

smart you know or da Vinci you know you

2123

01:42:32,729 --> 01:42:29,199

look at all of his stuff but if you had

2124

01:42:36,569 --> 01:42:32,739

handed him you know an iPhone or my my

2125

01:42:39,020 --> 01:42:36,579

iMac or whatever you know my MacBook he

2126

01:42:42,120 --> 01:42:39,030

would have thought that it was

2127

01:42:45,330 --> 01:42:42,130

supernatural and witchcraft is involved

2128

01:42:48,089 --> 01:42:45,340

you know it's voodoo then they called

2129

01:42:50,549 --> 01:42:48,099

they called you know advanced physics

2130

01:42:53,609 --> 01:42:50,559

voodoo physics you know there's a reason

2131

01:42:55,979 --> 01:42:53,619

why that that non occurs is on there it

2132

01:42:58,890 --> 01:42:55,989

does seem like voodoo to us you know but

2133

01:43:01,589 --> 01:42:58,900

it just advanced technology is what

2134

01:43:04,770 --> 01:43:01,599

we're observing with UFOs I believe

2135

01:43:07,229 --> 01:43:04,780

right well it's not a misidentified

2136

01:43:09,089 --> 01:43:07,239

natural phenomena like a sundog or

2137

01:43:13,529 --> 01:43:09,099

something yeah exactly

2138

01:43:15,090 --> 01:43:13,539

well we are at at the end and so I want

2139

01:43:18,540 --> 01:43:15,100

to thank you so much

2140

01:43:19,950 --> 01:43:18,550

for being our guest tonight Thank You

2141

01:43:24,690 --> 01:43:19,960

Mardon it was a pleasure

2142

01:43:26,730 --> 01:43:24,700

we just brushed the surface of this back

2143

01:43:29,070 --> 01:43:26,740

I'd love to come back yeah we didn't

2144

01:43:30,930 --> 01:43:29,080

talk about muffins experience or

2145

01:43:33,450 --> 01:43:30,940

research team that I'm working for you

2146

01:43:36,870 --> 01:43:33,460

know I I'm working with Kathleen Marden

2147

01:43:39,570 --> 01:43:36,880

and and George medic tanned and some of

2148

01:43:42,690 --> 01:43:39,580

the the guys were a tip of the spear as

2149

01:43:45,750 --> 01:43:42,700

far as the experience or phenomenon goes

2150

01:43:48,930 --> 01:43:45,760

and that that is just so interesting to

2151  
01:43:49,530 --> 01:43:48,940  
me yeah it's great well thanks again it

2152  
01:43:52,590 --> 01:43:49,540  
was great

2153  
01:43:53,040 --> 01:43:52,600  
Thank You Barden all right take care you

2154  
01:43:55,830 --> 01:43:53,050  
too

2155  
01:43:58,910 --> 01:43:55,840  
yeah bye alright everyone so that's it

2156  
01:44:02,070 --> 01:43:58,920  
for the show thank you so much for

2157  
01:44:04,350 --> 01:44:02,080  
watching and listening and I also want

2158  
01:44:06,870 --> 01:44:04,360  
to give a shout out to Dave Dixon thanks

2159  
01:44:10,320 --> 01:44:06,880  
so much for your strong support and

2160  
01:44:14,010 --> 01:44:10,330  
we'll be back next week with Kevin day

2161  
01:44:17,250 --> 01:44:14,020  
and MJ bonus will be on as well and I

2162  
01:44:19,500 --> 01:44:17,260  
want to thank you all again for hanging

2163  
01:44:21,840 --> 01:44:19,510

in with us and we'll be back to the
